

UFO HUB

1
00:00:23,510 --> 00:00:14,700

[Music]

2
00:00:23,520 --> 00:00:32,750

you

3
00:00:39,320 --> 00:00:35,240

this message is from Gerard from Sydney

4
00:00:41,180 --> 00:00:39,330

Australia and it says hi Cheri thank you

5
00:00:42,560 --> 00:00:41,190

so very much for giving so much of

6
00:00:44,690 --> 00:00:42,570

yourself once again

7
00:00:46,820 --> 00:00:44,700

your message is a message of great hope

8
00:00:48,860 --> 00:00:46,830

however the current state of the world

9
00:00:51,380 --> 00:00:48,870

seems to be getting worse rather than

10
00:00:53,900 --> 00:00:51,390

better do you have any sense as to

11
00:00:57,229 --> 00:00:53,910

whether Gaia and humans are still on a

12
00:01:01,119 --> 00:00:57,239

path to transcendence or not okay thank

13
00:01:05,000 --> 00:01:01,129

you what was his name Gerald Gerard okay

14

00:01:07,310 --> 00:01:05,010

yeah okay well I think I did touch on it

15

00:01:09,860 --> 00:01:07,320

just a little bit but that's a question

16

00:01:13,550 --> 00:01:09,870

I get in emails a lot because everybody

17

00:01:15,649 --> 00:01:13,560

is feeling a little bit helpless because

18

00:01:19,130 --> 00:01:15,659

there is so much drama in the world and

19

00:01:22,730 --> 00:01:19,140

so much chaos and luckily I was given a

20

00:01:24,469 --> 00:01:22,740

warning about that by from da and I did

21

00:01:26,090 --> 00:01:24,479

put it in the book so trying to let

22

00:01:29,330 --> 00:01:26,100

people know what was going to be

23

00:01:32,690 --> 00:01:29,340

happening on planet earth but as we

24

00:01:36,980 --> 00:01:32,700

ascend into the higher frequencies it's

25

00:01:39,380 --> 00:01:36,990

kind of like a sifter you know where you

26

00:01:41,030 --> 00:01:39,390

just have to put the the grain in or the

27

00:01:43,760 --> 00:01:41,040

wheat whatever they call it and it and

28

00:01:45,200 --> 00:01:43,770

it it separates the chafe from the grain

29

00:01:46,910 --> 00:01:45,210

or something I think it's using the

30

00:01:49,760 --> 00:01:46,920

wrong terms probably but what's

31

00:01:52,270 --> 00:01:49,770

happening is that we are going from a

32

00:01:54,980 --> 00:01:52,280

low frequency a low density to a high

33

00:01:57,260 --> 00:01:54,990

frequency so anything that doesn't that

34

00:02:02,180 --> 00:01:57,270

resonate with that higher frequency has

35

00:02:05,240 --> 00:02:02,190

to be released it has to stay behind it

36

00:02:06,980 --> 00:02:05,250

has to dissolve I'll be healed and moved

37

00:02:10,729 --> 00:02:06,990

in move into the higher frequency has to

38

00:02:12,979 --> 00:02:10,739

be transformed into light so it creates

39

00:02:15,530 --> 00:02:12,989

this chaos as everything is held up to

40

00:02:18,020 --> 00:02:15,540

the light and if you're following what's

41

00:02:19,430 --> 00:02:18,030

going on in the news and I don't know

42

00:02:21,589 --> 00:02:19,440

about mainstream news but if you follow

43

00:02:23,210 --> 00:02:21,599

even alternative news you're seeing that

44

00:02:25,190 --> 00:02:23,220

there's a lot of light being shown on

45

00:02:27,559 --> 00:02:25,200

like the human trafficking issues and

46

00:02:29,350 --> 00:02:27,569

all the horrible things that have been

47

00:02:32,030 --> 00:02:29,360

happening to children and the world and

48

00:02:34,550 --> 00:02:32,040

all the ugliness it just is it's

49

00:02:36,199 --> 00:02:34,560

overwhelming and it's very tough on

50

00:02:39,170 --> 00:02:36,209

humans because we're hard centered

51
00:02:41,809 --> 00:02:39,180
people heart centered souls and it just

52
00:02:44,240 --> 00:02:41,819
touches us and hurts a lot to see all

53
00:02:46,130 --> 00:02:44,250
this pain but it has to be

54
00:02:50,570 --> 00:02:46,140
brought to light for us to look at and

55
00:02:53,570 --> 00:02:50,580
heal it and you know for a long time on

56
00:02:55,160 --> 00:02:53,580
the planet it was it was this New Age

57
00:02:56,420 --> 00:02:55,170
movement if you if you're that old to

58
00:02:58,460 --> 00:02:56,430
remember that or if you're aware of that

59
00:03:02,060 --> 00:02:58,470
when the New Age thinking through it was

60
00:03:03,800 --> 00:03:02,070
all about love and light and just send

61
00:03:05,870 --> 00:03:03,810
love and lights don't look at the

62
00:03:07,940 --> 00:03:05,880
negative that just sends power to it and

63
00:03:10,430 --> 00:03:07,950

don't don't don't go no don't look there

64

00:03:12,670 --> 00:03:10,440

that's that was you know that was a that

65

00:03:14,810 --> 00:03:12,680

was propagated by the dark forces

66

00:03:15,920 --> 00:03:14,820

because they don't want you looking at

67

00:03:18,590 --> 00:03:15,930

it they want you to just sit there and

68

00:03:20,660 --> 00:03:18,600

be passive so what's happening now is

69

00:03:22,390 --> 00:03:20,670

forcing us to look at the darkness it's

70

00:03:25,660 --> 00:03:22,400

forcing us to look at what's going on

71

00:03:28,430 --> 00:03:25,670

under the rocks and behind the scenes

72

00:03:30,710 --> 00:03:28,440

and that's part of what we have to do

73

00:03:32,540 --> 00:03:30,720

it's being done on an individual basis

74

00:03:33,890 --> 00:03:32,550

if you notice a lot of people that you

75

00:03:36,260 --> 00:03:33,900

know or maybe in your own life there's a

76

00:03:38,420 --> 00:03:36,270

lot of chaos a lot of pain possibly

77

00:03:40,370 --> 00:03:38,430

suffering challenges that are going on

78

00:03:41,840 --> 00:03:40,380

in your life and you're having to deal

79

00:03:43,790 --> 00:03:41,850

with it if you don't deal with it you

80

00:03:45,080 --> 00:03:43,800

can't look away you can pretend that

81

00:03:47,449 --> 00:03:45,090

it's not happening but it just will

82

00:03:49,820 --> 00:03:47,459

continue to fester but you have to look

83

00:03:51,199 --> 00:03:49,830

at it in order to heal it because part

84

00:03:54,530 --> 00:03:51,209

of the awakening process is that you

85

00:03:57,830 --> 00:03:54,540

look at it and you choose other you have

86

00:03:59,960 --> 00:03:57,840

to look at the child trafficking and how

87

00:04:02,060 --> 00:03:59,970

horrible it is but you have to look at

88

00:04:03,800 --> 00:04:02,070

it and go I want no part of this this is

89

00:04:05,960 --> 00:04:03,810

not going to be allowed on my planet

90

00:04:08,060 --> 00:04:05,970

anymore and that's how we get rid of it

91

00:04:09,920 --> 00:04:08,070

because humanity because they are so

92

00:04:11,660 --> 00:04:09,930

heart centered they thought the right

93

00:04:13,250 --> 00:04:11,670

thing to do was to just send love and

94

00:04:15,800 --> 00:04:13,260

light to it and that would somehow heal

95

00:04:19,039 --> 00:04:15,810

it that doesn't you're condoning it

96

00:04:21,440 --> 00:04:19,049

through your passivity to just being by

97

00:04:23,780 --> 00:04:21,450

just by not looking at it and taking a

98

00:04:25,730 --> 00:04:23,790

stand so that's happening in an

99

00:04:27,380 --> 00:04:25,740

individual basis and collectively the

100

00:04:28,640 --> 00:04:27,390

collective is being forced to look at

101
00:04:32,210 --> 00:04:28,650
the darkness and what's happened on the

102
00:04:34,250 --> 00:04:32,220
planet and to choose against it to

103
00:04:36,620 --> 00:04:34,260
choose love instead of the darkness and

104
00:04:39,290 --> 00:04:36,630
that action it's just like what I said

105
00:04:40,790 --> 00:04:39,300
happened with the election that was the

106
00:04:44,120 --> 00:04:40,800
collective choosing to be sovereign

107
00:04:46,460 --> 00:04:44,130
beings and you have to make the choice

108
00:04:48,080 --> 00:04:46,470
you can't just look away and live in

109
00:04:50,180 --> 00:04:48,090
your own little bubble and pretend like

110
00:04:51,860 --> 00:04:50,190
it's not happening so there is a lot of

111
00:04:54,589 --> 00:04:51,870
chaos out there it seems hopeless at

112
00:04:56,870 --> 00:04:54,599
times but that's not not at all the

113
00:04:57,460 --> 00:04:56,880

truth there's a lot of great things

114

00:04:59,410 --> 00:04:57,470

happening

115

00:05:01,300 --> 00:04:59,420

on the planet because they are making

116

00:05:03,220 --> 00:05:01,310

headway the light does have the upper

117

00:05:04,840 --> 00:05:03,230

hand we've turned the corner I

118

00:05:07,270 --> 00:05:04,850

understand that we've turned the corner

119

00:05:09,550 --> 00:05:07,280

and it's it's definitely happening and

120

00:05:11,950 --> 00:05:09,560

we have overtaken the darkness but

121

00:05:16,000 --> 00:05:11,960

they're still fighting back back in 2011

122

00:05:20,710 --> 00:05:16,010

November 2011 I was driving to my home

123

00:05:23,920 --> 00:05:20,720

with my with my friend and a big ship

124

00:05:25,960 --> 00:05:23,930

came up the valley and picked picked me

125

00:05:27,760 --> 00:05:25,970

up I had known they were coming for me

126

00:05:29,350 --> 00:05:27,770

because there was this big meeting they

127

00:05:30,550 --> 00:05:29,360

kept telling me there's a big meeting on

128

00:05:32,350 --> 00:05:30,560

the ship we're gonna be that we're gonna

129

00:05:34,960 --> 00:05:32,360

be coming to get you and I was really

130

00:05:37,540 --> 00:05:34,970

excited and I got my hopes up it was

131

00:05:38,650 --> 00:05:37,550

November of 2011 I actually honestly I

132

00:05:41,380 --> 00:05:38,660

thought they were coming to get me and

133

00:05:43,540 --> 00:05:41,390

like was gonna I was gonna be done here

134

00:05:45,400 --> 00:05:43,550

I mean not that I don't like it here but

135

00:05:45,790 --> 00:05:45,410

I just I thought I was pretty excited

136

00:05:49,120 --> 00:05:45,800

about that

137

00:05:50,350 --> 00:05:49,130

but they came and they got me and and we

138

00:05:54,310 --> 00:05:50,360

had a meeting on the ship and what they

139

00:05:55,990 --> 00:05:54,320

told me at that time was that the dark

140

00:05:58,240 --> 00:05:56,000

forces were fighting back much harder

141

00:06:01,030 --> 00:05:58,250

than had been anticipated and it was

142

00:06:03,130 --> 00:06:01,040

very serious it was very dire and at

143

00:06:07,150 --> 00:06:03,140

that time humanity it was it was it was

144

00:06:08,590 --> 00:06:07,160

dicey and it's been dicey on and off for

145

00:06:10,960 --> 00:06:08,600

for a long time through this whole

146

00:06:13,540 --> 00:06:10,970

process it truly is a battle between

147

00:06:15,909 --> 00:06:13,550

light and dark and it's happening and

148

00:06:18,850 --> 00:06:15,919

people aren't even aware of it but it's

149

00:06:20,710 --> 00:06:18,860

going on but we've turned the corner in

150

00:06:23,590 --> 00:06:20,720

all honesty we turn the corner just not

151
00:06:27,550 --> 00:06:23,600
that long ago and we're gonna make it

152
00:06:29,260 --> 00:06:27,560
but those who are Awakening and whose

153
00:06:30,730 --> 00:06:29,270
frequency is high we'll go with the

154
00:06:32,680 --> 00:06:30,740
planet into the fifth dimension those

155
00:06:34,930 --> 00:06:32,690
who choose to stay in third dimension

156
00:06:37,090 --> 00:06:34,940
that's fine to whatever frequency you're

157
00:06:38,409 --> 00:06:37,100
at it's fine everybody's path it's

158
00:06:41,170 --> 00:06:38,419
perfect for you

159
00:06:42,370 --> 00:06:41,180
so a lot of people worry if they're

160
00:06:44,080 --> 00:06:42,380
gonna wake up if they're gonna make it

161
00:06:46,120 --> 00:06:44,090
or not don't worry about it just live

162
00:06:48,370 --> 00:06:46,130
your life through your heart be centered

163
00:06:50,560 --> 00:06:48,380

in love and that's all you have to have

164

00:06:53,080 --> 00:06:50,570

to think about so we're gonna be okay

165

00:06:55,300 --> 00:06:53,090

it's fine it's all good it's just a game

166

00:06:57,280 --> 00:06:55,310

that's when it gets really bad that's

167

00:06:58,930 --> 00:06:57,290

the thing I always go to is just

168

00:07:02,800 --> 00:06:58,940

remember the truth of our reality it's a

169

00:07:04,360 --> 00:07:02,810

game so long answer but I get tons of

170

00:07:06,520 --> 00:07:04,370

emails like that so I want it to give it

171

00:07:10,730 --> 00:07:06,530

in depth answer try to address at all

172

00:07:15,179 --> 00:07:13,350

this is a question for sherry - I was

173

00:07:17,790 --> 00:07:15,189

wondering about when did you realize

174

00:07:24,119 --> 00:07:17,800

that you were a volunteer as opposed to

175

00:07:26,999 --> 00:07:24,129

just one of the regular oh I don't know

176
00:07:32,040 --> 00:07:27,009
just everybody else normal yeah normal

177
00:07:33,619 --> 00:07:32,050
yeah yeah I am that as my dream was to

178
00:07:36,629 --> 00:07:33,629
be normal I always wanted to be normal

179
00:07:37,679 --> 00:07:36,639
but no I knew how long I wasn't normal I

180
00:07:42,689 --> 00:07:37,689
knew that for the time I was a little

181
00:07:45,839 --> 00:07:42,699
girl but I didn't know I didn't know why

182
00:07:47,670 --> 00:07:45,849
I was different I just knew that I I saw

183
00:07:50,129 --> 00:07:47,680
things differently than most people on

184
00:07:51,600 --> 00:07:50,139
the planet and the way that I saw people

185
00:07:54,629 --> 00:07:51,610
from the time I was little

186
00:07:57,089 --> 00:07:54,639
is that I they looked like they were

187
00:08:00,480 --> 00:07:57,099
wearing a mask so I would see the truth

188
00:08:03,540 --> 00:08:00,490

of who they were and then I would see

189

00:08:05,339 --> 00:08:03,550

who they how they acted the things they

190

00:08:08,670 --> 00:08:05,349

said and the things they did and I it

191

00:08:10,409 --> 00:08:08,680

confused me because I saw the truth of

192

00:08:11,699 --> 00:08:10,419

who they were and I was wondering why

193

00:08:13,889 --> 00:08:11,709

they were acting the way they were

194

00:08:16,079 --> 00:08:13,899

acting so that was the first thing I

195

00:08:17,909 --> 00:08:16,089

noticed as a child then you just you

196

00:08:19,110 --> 00:08:17,919

just assume everybody is like you I mean

197

00:08:21,329 --> 00:08:19,120

we all do that we all have our own

198

00:08:22,709 --> 00:08:21,339

uniqueness and I don't want to separate

199

00:08:25,199 --> 00:08:22,719

myself out and say I'm this much

200

00:08:26,939 --> 00:08:25,209

different but we all have our own unique

201
00:08:28,889 --> 00:08:26,949
features and you don't you always think

202
00:08:31,320 --> 00:08:28,899
the other people feel and think kind of

203
00:08:32,129 --> 00:08:31,330
similar to you do it really took me a

204
00:08:39,740 --> 00:08:32,139
long time

205
00:08:42,899 --> 00:08:39,750
it wasn't until I woke up to the well no

206
00:08:44,219 --> 00:08:42,909
actually my whole life I've spent a lot

207
00:08:46,290 --> 00:08:44,229
of time in front of mirrors looking into

208
00:08:49,009 --> 00:08:46,300
my own eyes and and looking deep into my

209
00:08:51,420 --> 00:08:49,019
eyes and asking the question who are you

210
00:08:54,990 --> 00:08:51,430
who are you sherry Wilde you're not

211
00:08:56,370 --> 00:08:55,000
sherry Wilde who are you who are you and

212
00:08:58,530 --> 00:08:56,380
I would look deep into my eyes for the

213
00:09:00,389 --> 00:08:58,540

time I was a little girl and I don't

214

00:09:01,710 --> 00:09:00,399

know if you all have done that I mean I

215

00:09:05,579 --> 00:09:01,720

don't know I don't know what's normal

216

00:09:08,670 --> 00:09:05,589

and what's not so but so it wasn't I

217

00:09:10,740 --> 00:09:08,680

think until after I found out that I had

218

00:09:12,300 --> 00:09:10,750

I was labeled an abductee and that

219

00:09:13,920 --> 00:09:12,310

explained a lot of the weirdness of my

220

00:09:16,769 --> 00:09:13,930

life because I had I knew I had a

221

00:09:19,350 --> 00:09:16,779

parallel life running alongside this one

222

00:09:21,970 --> 00:09:19,360

as I talked about in my doing my lecture

223

00:09:26,880 --> 00:09:21,980

yeah when did you realize that you were

224

00:09:30,820 --> 00:09:26,890

ducted that I'd been abducted yeah I

225

00:09:32,470 --> 00:09:30,830

knew it when I was eight or nine years

226

00:09:34,750 --> 00:09:32,480

old and they took me up on the ship and

227

00:09:37,510 --> 00:09:34,760

showed me the planet being destroyed but

228

00:09:41,410 --> 00:09:37,520

I didn't recall that consciously that

229

00:09:42,940 --> 00:09:41,420

was kept in a in an area I knew it but I

230

00:09:45,790 --> 00:09:42,950

never talked about it and I didn't think

231

00:09:49,870 --> 00:09:45,800

about it it just was there so that then

232

00:09:52,090 --> 00:09:49,880

night in 1987 when the UFO Center came

233

00:09:54,130 --> 00:09:52,100

and investigated me when we had the UFO

234

00:09:56,140 --> 00:09:54,140

flap in my community and they

235

00:09:57,760 --> 00:09:56,150

investigated me and they brought to

236

00:09:59,620 --> 00:09:57,770

surface the memories of all my

237

00:10:02,590 --> 00:09:59,630

abductions what we called abductions

238

00:10:04,360 --> 00:10:02,600

then that's when it drove home the point

239

00:10:06,940 --> 00:10:04,370

and that's it started to dawn on me that

240

00:10:08,800 --> 00:10:06,950

that's why I had these weird this weird

241

00:10:12,460 --> 00:10:08,810

parallel life because I had lots and

242

00:10:14,050 --> 00:10:12,470

lots of memories from things I had

243

00:10:16,030 --> 00:10:14,060

participated in and things I had done

244

00:10:18,460 --> 00:10:16,040

and lived through that were not part of

245

00:10:20,560 --> 00:10:18,470

this reality and so I knew something

246

00:10:23,710 --> 00:10:20,570

weird was going on with me but I didn't

247

00:10:25,420 --> 00:10:23,720

really it kind of came slowly which it

248

00:10:27,310 --> 00:10:25,430

needed to come slowly I was frustrated

249

00:10:29,410 --> 00:10:27,320

as soon as I learned I was an abductee

250

00:10:32,710 --> 00:10:29,420

and had this parrot this life running

251
00:10:34,510 --> 00:10:32,720
alongside my human life I was frustrated

252
00:10:37,390 --> 00:10:34,520
I want to know it all and I demand it to

253
00:10:39,340 --> 00:10:37,400
be I told died so I demand to know all

254
00:10:40,980 --> 00:10:39,350
of it you know it's my life and I have a

255
00:10:44,770 --> 00:10:40,990
right to know and understand and he said

256
00:10:47,590 --> 00:10:44,780
you'll know when the time is right and I

257
00:10:49,780 --> 00:10:47,600
had this guy come up to me randomly from

258
00:10:51,370 --> 00:10:49,790
that I didn't know and he just said he

259
00:10:54,790 --> 00:10:51,380
said my my my you have a lot going on

260
00:10:55,510 --> 00:10:54,800
don't you in your life and I said yeah I

261
00:10:58,270 --> 00:10:55,520
think so

262
00:10:59,920 --> 00:10:58,280
and he said he said don't worry all will

263
00:11:02,440 --> 00:10:59,930

be revealed to you it's like the layers

264

00:11:03,580 --> 00:11:02,450

of an onion being peeled off and he said

265

00:11:05,680 --> 00:11:03,590

as you can handle it

266

00:11:08,830 --> 00:11:05,690

you'll know and it's good that it was

267

00:11:10,270 --> 00:11:08,840

slow because if I had been hit with

268

00:11:11,980 --> 00:11:10,280

everything right from the very beginning

269

00:11:14,500 --> 00:11:11,990

it would I wouldn't have it would have

270

00:11:17,650 --> 00:11:14,510

been too much so it was all orchestrated

271

00:11:24,450 --> 00:11:17,660

to come to the surface as I was able to

272

00:11:28,980 --> 00:11:27,710

yeah hi this question is for Nick I was

273

00:11:30,930 --> 00:11:28,990

wondering about

274

00:11:33,480 --> 00:11:30,940

I read your book final events it's

275

00:11:36,210 --> 00:11:33,490

excellent by the way

276

00:11:38,370 --> 00:11:36,220

so we've heard blue Elizondo from a tip

277

00:11:40,230 --> 00:11:38,380

talked about the religious

278

00:11:42,780 --> 00:11:40,240

fundamentalist group and the government

279

00:11:47,040 --> 00:11:42,790

trying to block his efforts to to get

280

00:11:49,079 --> 00:11:47,050

the reality out I guess how prevalent do

281

00:11:54,000 --> 00:11:49,089

you think that group is how organized

282

00:11:57,060 --> 00:11:54,010

and influential might they be okay well

283

00:11:59,760 --> 00:11:57,070

people don't know the the book is

284

00:12:02,639 --> 00:11:59,770

talking about final events it kind of

285

00:12:06,300 --> 00:12:02,649

ties in with bob lazar story about the

286

00:12:11,400 --> 00:12:06,310

so called containers of souls and the

287

00:12:15,300 --> 00:12:11,410

the aliens having this angle of somehow

288

00:12:18,930 --> 00:12:15,310

trying to reap our souls almost like in

289

00:12:21,780 --> 00:12:18,940

an energy or to allow them to have souls

290

00:12:24,449 --> 00:12:21,790

and so it's a very strange story but

291

00:12:27,720 --> 00:12:24,459

when I look further into the Bob Lazar

292

00:12:31,019 --> 00:12:27,730

story I was able to speak to a number of

293

00:12:34,680 --> 00:12:31,029

retired military people and also a guy

294

00:12:36,530 --> 00:12:34,690

named Rob O'Shea and Ray has an

295

00:12:40,079 --> 00:12:36,540

interesting background

296

00:12:44,030 --> 00:12:40,089

he's a former state director for MUFON

297

00:12:46,560 --> 00:12:44,040

in Nebraska and he's also a priest and

298

00:12:49,050 --> 00:12:46,570

he was telling me one day we just

299

00:12:50,910 --> 00:12:49,060

chatted and which was talking about

300

00:12:52,530 --> 00:12:50,920

cases and things we were looking into

301
00:12:57,810 --> 00:12:52,540
and he happened to tell me this was in

302
00:13:02,630 --> 00:12:57,820
2007 he told me that back in 1993 he

303
00:13:04,470 --> 00:13:02,640
scared me 91 he had a meeting with two

304
00:13:07,019 --> 00:13:04,480
representatives of the Department of

305
00:13:09,780 --> 00:13:07,029
Defense and they were working on a

306
00:13:13,940 --> 00:13:09,790
classified program to contact what they

307
00:13:18,120 --> 00:13:13,950
called na Chi's non-human entities and

308
00:13:21,420 --> 00:13:18,130
the the program was supposedly going

309
00:13:23,970 --> 00:13:21,430
ahead and the the contact was done on

310
00:13:26,639 --> 00:13:23,980
sort of like a mind-to-mind situation

311
00:13:28,889 --> 00:13:26,649
not kind of like UFOs landing on the

312
00:13:32,460 --> 00:13:28,899
White House lawn or anything like that

313
00:13:34,350 --> 00:13:32,470

and Ray told me that the group the guys

314

00:13:37,400 --> 00:13:34,360

on the group wanted to speak to him

315

00:13:40,910 --> 00:13:37,410

because he had this almost unique back

316

00:13:45,110 --> 00:13:40,920

as a state director move on and a priest

317

00:13:46,819 --> 00:13:45,120

and he said that as the pro or the the

318

00:13:49,850 --> 00:13:46,829

the two guys from the Department of

319

00:13:52,639 --> 00:13:49,860

Defense told ray as the program went

320

00:13:55,730 --> 00:13:52,649

further and further they noticed this

321

00:13:58,460 --> 00:13:55,740

sort of disturbing pattern where people

322

00:14:01,400 --> 00:13:58,470

would start to get sick and ill and

323

00:14:04,670 --> 00:14:01,410

there would be like we really weird runs

324

00:14:07,699 --> 00:14:04,680

of bad luck on the program almost as if

325

00:14:11,199 --> 00:14:07,709

the program had been cursed and that's

326

00:14:14,170 --> 00:14:11,209

actually what this Department of Defense

327

00:14:17,449 --> 00:14:14,180

unit if you like came to believe and

328

00:14:19,579 --> 00:14:17,459

this particular group which Ray was

329

00:14:23,900 --> 00:14:19,589

actually able to put me onto the the

330

00:14:27,139 --> 00:14:23,910

trail of them they concluded that at

331

00:14:30,170 --> 00:14:27,149

least one part of the UFO phenomenon was

332

00:14:33,530 --> 00:14:30,180

sort of literally demonic that that was

333

00:14:37,129 --> 00:14:33,540

the conclusion of this group and they

334

00:14:40,449 --> 00:14:37,139

had this belief system that certain

335

00:14:43,370 --> 00:14:40,459

aspects of the UFO phenomenon were

336

00:14:47,090 --> 00:14:43,380

highly negative and dangerous and could

337

00:14:51,829 --> 00:14:47,100

cause illness and and death and and he

338

00:14:53,660 --> 00:14:51,839

was he was sort of keen to note that

339

00:14:56,780 --> 00:14:53,670

this this didn't sort of cover the

340

00:15:00,679 --> 00:14:56,790

entire UFO phenomenon it was certain

341

00:15:03,679 --> 00:15:00,689

aspects of it and and different aspects

342

00:15:05,689 --> 00:15:03,689

of the phenomenon was sort of represents

343

00:15:08,030 --> 00:15:05,699

a human themselves as something that

344

00:15:11,389 --> 00:15:08,040

they weren't as a means to kind of get

345

00:15:15,160 --> 00:15:11,399

their grips into us now when I wrote the

346

00:15:18,769 --> 00:15:15,170

book in 2010 final events I had maybe

347

00:15:21,230 --> 00:15:18,779

nine or ten informants from the

348

00:15:25,639 --> 00:15:21,240

government who who knew about this

349

00:15:27,620 --> 00:15:25,649

program and who was sort of in tow with

350

00:15:30,230 --> 00:15:27,630

it and they you know they they came to

351
00:15:32,480 --> 00:15:30,240
conclude that same conclusion and a lot

352
00:15:34,460 --> 00:15:32,490
of people said well you know Nick it's

353
00:15:36,619 --> 00:15:34,470
an interesting story but where all the

354
00:15:39,980 --> 00:15:36,629
other source is you know is anybody else

355
00:15:43,549 --> 00:15:39,990
going to come forward and the the book

356
00:15:47,389 --> 00:15:43,559
was published in 2010 and then in 2017

357
00:15:49,410 --> 00:15:47,399
when we had this revelation that they no

358
00:15:52,650 --> 00:15:49,420
pun intended

359
00:15:55,320 --> 00:15:52,660
there was this revelation in 2017 that

360
00:15:58,830 --> 00:15:55,330
the government had this secret UFO

361
00:16:04,140 --> 00:15:58,840
program investigating sightings within

362
00:16:06,720 --> 00:16:04,150
the military now one of the side issues

363
00:16:08,940 --> 00:16:06,730

if you like of this program is that

364

00:16:10,470 --> 00:16:08,950

several of the people who worked on that

365

00:16:13,800 --> 00:16:10,480

project that was the one that was

366

00:16:16,290 --> 00:16:13,810

revealed in 2017 said that they had

367

00:16:17,970 --> 00:16:16,300

spoken to a number of senators people in

368

00:16:21,270 --> 00:16:17,980

the governments people in the Department

369

00:16:23,670 --> 00:16:21,280

of Defense who believed that the UFO

370

00:16:25,680 --> 00:16:23,680

phenomenon was demonic and they needed

371

00:16:28,440 --> 00:16:25,690

to try and keep it away from us and this

372

00:16:32,250 --> 00:16:28,450

was identical to what I've written in

373

00:16:35,040 --> 00:16:32,260

final events ten years earlier and it's

374

00:16:37,200 --> 00:16:35,050

clear that the the people that that

375

00:16:39,600 --> 00:16:37,210

group was talking about the the one that

376

00:16:42,150 --> 00:16:39,610

we was exposed in 2017

377

00:16:45,780 --> 00:16:42,160

it's clear that their belief systems

378

00:16:47,870 --> 00:16:45,790

were exactly what I'd been told back in

379

00:16:51,500 --> 00:16:47,880

2010 so that was an important issue

380

00:16:55,770 --> 00:16:51,510

because he did provide some further

381

00:16:59,580 --> 00:16:55,780

additional corroboration but that group

382

00:17:01,680 --> 00:16:59,590

today according to the the UFO project

383

00:17:04,980 --> 00:17:01,690

he's still around it's still buried very

384

00:17:06,809 --> 00:17:04,990

deeply and they feel that in many

385

00:17:09,840 --> 00:17:06,819

respects we should stay away from the

386

00:17:13,770 --> 00:17:09,850

UFO phenomenon because of this demonic

387

00:17:17,850 --> 00:17:13,780

aspect now my my personal view on all of

388

00:17:20,309 --> 00:17:17,860

this is that I do think there is sort of

389

00:17:23,400 --> 00:17:20,319

do differently different aspects of the

390

00:17:26,610 --> 00:17:23,410

UFO phenomenon I think there are sort of

391

00:17:29,190 --> 00:17:26,620

negative and positive entities that have

392

00:17:30,950 --> 00:17:29,200

come into people's lives and sometimes

393

00:17:33,750 --> 00:17:30,960

it's been a very positive experience

394

00:17:37,800 --> 00:17:33,760

other times unfortunately people have

395

00:17:42,570 --> 00:17:37,810

had run-ins with definitively negative

396

00:17:44,190 --> 00:17:42,580

entities and and I think when you when

397

00:17:47,160 --> 00:17:44,200

you look at some of these stories you

398

00:17:50,400 --> 00:17:47,170

know people are I sort of lift it up and

399

00:17:51,540 --> 00:17:50,410

you know like this sense of about that

400

00:17:53,670 --> 00:17:51,550

they're doing something good something

401
00:17:57,300 --> 00:17:53,680
really positive which they are but then

402
00:17:59,010 --> 00:17:57,310
unfortunately some people in relation to

403
00:18:02,730 --> 00:17:59,020
this particular Department of Defense

404
00:18:05,070 --> 00:18:02,740
program where nothing was passed

405
00:18:07,140 --> 00:18:05,080
if everything was negative and as I said

406
00:18:11,100 --> 00:18:07,150
there were deaths and bad luck and all

407
00:18:13,470 --> 00:18:11,110
sorts of weird stuff so I think I don't

408
00:18:17,610 --> 00:18:13,480
believe it's just one or the other I

409
00:18:20,340 --> 00:18:17,620
think it depends on who unfortunately

410
00:18:22,500 --> 00:18:20,350
you know they get your claws into I mean

411
00:18:26,780 --> 00:18:22,510
you can look throughout history and

412
00:18:30,560 --> 00:18:26,790
throughout cultures all around the world

413
00:18:33,990 --> 00:18:30,570

where you seem to find that good and bad

414

00:18:37,710 --> 00:18:34,000

and sometimes the bad ones masquerade as

415

00:18:39,600 --> 00:18:37,720

the good ones you can look for example

416

00:18:42,560 --> 00:18:39,610

into the history of like shape-shifting

417

00:18:44,940 --> 00:18:42,570

creatures which will take on like a

418

00:18:48,000 --> 00:18:44,950

benevolence appearance when they're

419

00:18:49,680 --> 00:18:48,010

actually anything but then you've got

420

00:18:53,220 --> 00:18:49,690

things like the Middle East and jinn

421

00:18:55,680 --> 00:18:53,230

again which is like a shape-shifting

422

00:18:58,410 --> 00:18:55,690

very dangerous creature as well and it's

423

00:19:00,960 --> 00:18:58,420

where the term Genie comes from today

424

00:19:03,540 --> 00:19:00,970

we've kind of dumbbed it down you know to

425

00:19:05,430 --> 00:19:03,550

sort of like I Dream of Jeannie that

426

00:19:08,310 --> 00:19:05,440

sort of thing but the actual term is

427

00:19:11,970 --> 00:19:08,320

gene and the gene are sort of a very

428

00:19:15,840 --> 00:19:11,980

dangerous ancient entity or they can be

429

00:19:18,390 --> 00:19:15,850

ain't that dangerous so near the back to

430

00:19:20,310 --> 00:19:18,400

the sort of heart of the question yeah

431

00:19:23,220 --> 00:19:20,320

there's there's more corroboration

432

00:19:26,460 --> 00:19:23,230

coming through now of this group and

433

00:19:28,830 --> 00:19:26,470

more corroboration that within

434

00:19:32,100 --> 00:19:28,840

governments more and more people are

435

00:19:35,880 --> 00:19:32,110

coming forward believing or concluding

436

00:19:40,110 --> 00:19:35,890

that there is this dangerous almost like

437

00:19:43,530 --> 00:19:40,120

a ancient religious demonic side to it

438

00:19:45,600 --> 00:19:43,540

all but how you would kind of reconcile

439

00:19:48,150 --> 00:19:45,610

that with nuts and bolts UFOs it's

440

00:19:51,150 --> 00:19:48,160

difficult to say so I think it sort of

441

00:19:53,520 --> 00:19:51,160

shows that the UFO subject has different

442

00:19:59,650 --> 00:19:53,530

facets and possibly different origins it

443

00:20:05,799 --> 00:20:02,680

I have this question for Scott and this

444

00:20:08,350 --> 00:20:05,809

has been several years now since you're

445

00:20:11,560 --> 00:20:08,360

not set together and I had a question

446

00:20:14,890 --> 00:20:11,570

for you it was specifically about what

447

00:20:16,840 --> 00:20:14,900

do you understand or know about the

448

00:20:20,140 --> 00:20:16,850

constant connections to hear about

449

00:20:22,419 --> 00:20:20,150

Bigfoot and UFOs and so I wanted to I

450

00:20:26,350 --> 00:20:22,429

was wondering if now after all these

451
00:20:29,080 --> 00:20:26,360
years if your understanding of that has

452
00:20:30,659 --> 00:20:29,090
changed over the years and what do you

453
00:20:38,409 --> 00:20:30,669
know about the connection between

454
00:20:40,950 --> 00:20:38,419
Bigfoot and UFOs like I say nuke over

455
00:20:47,169 --> 00:20:40,960
here is talking about is so much of its

456
00:20:50,590 --> 00:20:47,179
rings about not that we have specific

457
00:20:54,610 --> 00:20:50,600
evidence for it but for instance when

458
00:20:57,690 --> 00:20:54,620
Nick talks about shapeshifters so many

459
00:21:01,029 --> 00:20:57,700
people and in fact many Native American

460
00:21:03,840 --> 00:21:01,039
nations believe that Sasquatch is a

461
00:21:12,460 --> 00:21:08,080
now is that coincidence we don't know

462
00:21:17,950 --> 00:21:12,470
but I guess I could tell you that when I

463
00:21:22,840 --> 00:21:17,960

first began with Ron that the Bigfoot

464

00:21:25,029 --> 00:21:22,850

community of by far the majority of the

465

00:21:29,890 --> 00:21:25,039

Bigfoot community believed that

466

00:21:32,110 --> 00:21:29,900

Sasquatch was just our big forest

467

00:21:34,060 --> 00:21:32,120

brother and we just didn't really

468

00:21:37,149 --> 00:21:34,070

understand him but they were nature of

469

00:21:39,940 --> 00:21:37,159

creatures and they just you know they

470

00:21:41,740 --> 00:21:39,950

didn't harm now there was a big thing at

471

00:21:44,200 --> 00:21:41,750

the time as well we don't know of any

472

00:21:48,159 --> 00:21:44,210

time that a sasquatch has ever killed a

473

00:21:49,600 --> 00:21:48,169

human being well yes we do one of the

474

00:21:55,570 --> 00:21:49,610

most important stories was written by

475

00:21:57,970 --> 00:21:55,580

Teddy Roosevelt and so much has happened

476

00:22:00,880 --> 00:21:57,980

since we first began and like I said

477

00:22:04,990 --> 00:22:00,890

earlier that me and Ron finally had to

478

00:22:09,880 --> 00:22:05,000

come to the decision that we weren't

479

00:22:11,799 --> 00:22:09,890

going to lie about it anymore lie

480

00:22:12,940 --> 00:22:11,809

through you know evasion of the

481

00:22:14,740 --> 00:22:12,950

questions

482

00:22:17,650 --> 00:22:14,750

and we just had to come forward and

483

00:22:20,620 --> 00:22:17,660

start telling some of the weirdness that

484

00:22:23,890 --> 00:22:20,630

happens not just to us but to other

485

00:22:26,260 --> 00:22:23,900

people in the community and now there

486

00:22:29,160 --> 00:22:26,270

seems to be a new phenomenon and when

487

00:22:31,570 --> 00:22:29,170

you're talking about collecting Souls I

488

00:22:35,050 --> 00:22:31,580

don't think we're talking about going a

489

00:22:39,190 --> 00:22:35,060

step very far from what works what we

490

00:22:45,580 --> 00:22:39,200

think is going might be going on now and

491

00:22:50,430 --> 00:22:45,590

that is the disappearances of dozens and

492

00:22:56,980 --> 00:22:53,670

these are people that disappear without

493

00:22:59,470 --> 00:22:56,990

any thing left behind

494

00:23:01,660 --> 00:22:59,480

we have hunters that disappear with all

495

00:23:05,430 --> 00:23:01,670

of their camping gear all of their guns

496

00:23:09,030 --> 00:23:05,440

and there's absolutely no sign of them

497

00:23:14,110 --> 00:23:09,040

so part of the the argument is you know

498

00:23:16,510 --> 00:23:14,120

why would Sasquatch do this well ask a

499

00:23:19,630 --> 00:23:16,520

Native American Native American have

500

00:23:22,600 --> 00:23:19,640

always said first they scare their own

501
00:23:25,480 --> 00:23:22,610
children with the the story of Sasquatch

502
00:23:27,940 --> 00:23:25,490
saying that the Sasquatch won't come and

503
00:23:30,400 --> 00:23:27,950
get you put put you in the basket and

504
00:23:35,230 --> 00:23:30,410
take you and eat you and they've always

505
00:23:37,810 --> 00:23:35,240
said this by the way there are 600 over

506
00:23:40,660 --> 00:23:37,820
600 Native American languages in North

507
00:23:45,100 --> 00:23:40,670
America and every single one of them has

508
00:23:49,000 --> 00:23:45,110
a different name for Sasquatch that in

509
00:23:56,020 --> 00:23:49,010
itself is linguistic evidence for the

510
00:23:58,450 --> 00:23:56,030
existence so I guess when I first

511
00:24:01,030 --> 00:23:58,460
started and we first started going up on

512
00:24:04,960 --> 00:24:01,040
that mountain you know I personally had

513
00:24:08,380 --> 00:24:04,970

not experienced anything paranormal so I

514

00:24:13,150 --> 00:24:08,390

was very open and and didn't even think

515

00:24:15,550 --> 00:24:13,160

about it well sitting up at the camp for

516

00:24:19,390 --> 00:24:15,560

a week or two there's a lot of downtime

517

00:24:23,920 --> 00:24:19,400

so Ron and I talked and I've learned so

518

00:24:24,910 --> 00:24:23,930

much of his experiences up there that

519

00:24:30,039 --> 00:24:24,920

it's

520

00:24:32,110 --> 00:24:30,049

now like I say we just can't we can't

521

00:24:34,840 --> 00:24:32,120

evade those questions anymore so it's

522

00:24:36,640 --> 00:24:34,850

changed it's changed a lot and now

523

00:24:38,799 --> 00:24:36,650

there's not this I mean yeah there's

524

00:24:40,690 --> 00:24:38,809

still this big majority of the Bigfoot

525

00:24:45,450 --> 00:24:40,700

community would want to believe all you

526
00:24:47,740 --> 00:24:45,460
know they're just our wild brothers that

527
00:24:51,549 --> 00:24:47,750
didn't evolve the same way as we did

528
00:24:55,150 --> 00:24:51,559
right but there's no place an

529
00:24:57,760 --> 00:24:55,160
ever-growing community that I've seen

530
00:25:03,419 --> 00:24:57,770
that is starting to to open their eyes

531
00:25:07,419 --> 00:25:03,429
to all of the crossover correlations

532
00:25:09,460 --> 00:25:07,429
well the question is for Nick the you

533
00:25:12,880 --> 00:25:09,470
mentioned a little bit about this area

534
00:25:15,610 --> 00:25:12,890
51 and I just wanted to ask what your

535
00:25:17,770 --> 00:25:15,620
thoughts are and a lot of times many

536
00:25:20,289 --> 00:25:17,780
times people always have this theory

537
00:25:22,510 --> 00:25:20,299
that if they distract this was one thing

538
00:25:23,710 --> 00:25:22,520

like area 51 that there's something more

539

00:25:27,539 --> 00:25:23,720

important going on that we're now

540

00:25:29,980 --> 00:25:27,549

looking at so what is your view on that

541

00:25:33,130 --> 00:25:29,990

well there's no doubt that there's still

542

00:25:36,430 --> 00:25:33,140

a lot going on at area 51 I mean we know

543

00:25:40,480 --> 00:25:36,440

that but I mean could it be to some

544

00:25:43,090 --> 00:25:40,490

degree like a way to sort of turn us

545

00:25:45,220 --> 00:25:43,100

away from somewhere else some

546

00:25:49,210 --> 00:25:45,230

researchers have suggested that the the

547

00:25:51,960 --> 00:25:49,220

Dugway proving ground in Utah has had a

548

00:25:55,870 --> 00:25:51,970

lot of UFO activity over the years and

549

00:26:00,120 --> 00:25:55,880

animal mutilations in the grounds around

550

00:26:02,470 --> 00:26:00,130

the proving ground itself and the the

551
00:26:04,720 --> 00:26:02,480
Dugway proving ground they do a lot of

552
00:26:07,659 --> 00:26:04,730
research there means like chemical

553
00:26:11,230 --> 00:26:07,669
warfare and bacteriological warfare that

554
00:26:13,180 --> 00:26:11,240
kind of thing so it is like area 51 in

555
00:26:15,520 --> 00:26:13,190
the sense that it's highly guarded and

556
00:26:17,830 --> 00:26:15,530
very sensitive because of the nature of

557
00:26:20,380 --> 00:26:17,840
the work that's gone on there but a

558
00:26:22,930 --> 00:26:20,390
number of people who've retired and

559
00:26:25,770 --> 00:26:22,940
worked for the military at the Dugway

560
00:26:28,539 --> 00:26:25,780
proving ground need to say and have said

561
00:26:31,510 --> 00:26:28,549
that they knew stories about UFO

562
00:26:34,540 --> 00:26:31,520
activity at the base and even rumors of

563
00:26:37,450 --> 00:26:34,550

sort of dead aliens in cryogenic

564

00:26:37,990 --> 00:26:37,460

preservation which were being studied

565

00:26:40,750 --> 00:26:38,000

and

566

00:26:43,630 --> 00:26:40,760

analyzed so you know it's an intriguing

567

00:26:46,660 --> 00:26:43,640

theory the idea that everybody's

568

00:26:49,560 --> 00:26:46,670

focusing on area 51 and maybe quote the

569

00:26:53,860 --> 00:26:49,570

good stuff has been moved somewhere else

570

00:26:57,580 --> 00:26:53,870

I mean that would be a good way to keep

571

00:27:00,820 --> 00:26:57,590

people away but I still think you know

572

00:27:04,650 --> 00:27:00,830

because we know area 51 is still heavily

573

00:27:07,240 --> 00:27:04,660

guarded very well-maintained and and

574

00:27:09,640 --> 00:27:07,250

parts are still being added to it we

575

00:27:12,550 --> 00:27:09,650

know that from our overflights and

576
00:27:15,880 --> 00:27:12,560
satellites so so you know maybe some of

577
00:27:19,780 --> 00:27:15,890
really sensitive stuff has been moved

578
00:27:23,590 --> 00:27:19,790
from area 51 but I still think it's very

579
00:27:27,670 --> 00:27:23,600
much an active installation so this next

580
00:27:30,430 --> 00:27:27,680
question is for Sherri soon I've often

581
00:27:32,940 --> 00:27:30,440
talked regarding the the consciousness

582
00:27:38,320 --> 00:27:32,950
change and what's happening and how

583
00:27:43,080 --> 00:27:38,330
contact us I guess has a has a different

584
00:27:45,160 --> 00:27:43,090
take on for different people what is I

585
00:27:48,250 --> 00:27:45,170
guess what I'm trying to ask you is

586
00:27:50,410 --> 00:27:48,260
basically as we all know as your

587
00:27:52,840 --> 00:27:50,420
consciousness changes as more and more

588
00:27:55,090 --> 00:27:52,850

things are kind of kind of progressing

589

00:27:56,860 --> 00:27:55,100

especially when it comes to contact it

590

00:27:58,990 --> 00:27:56,870

takes a while to get used to contact

591

00:28:01,030 --> 00:27:59,000

itself to understand who they are where

592

00:28:04,150 --> 00:28:01,040

they're from why they're here and that

593

00:28:06,910 --> 00:28:04,160

their existence is also similar to our

594

00:28:09,250 --> 00:28:06,920

spit yet nothing like ours at all and so

595

00:28:12,490 --> 00:28:09,260

I've just wanted to ask how do you see

596

00:28:14,830 --> 00:28:12,500

maybe this shift happening for the wider

597

00:28:17,350 --> 00:28:14,840

variety of people of course everyone has

598

00:28:20,890 --> 00:28:17,360

a choice but I mean I know what I had to

599

00:28:24,400 --> 00:28:20,900

go through emotionally and and whichever

600

00:28:28,000 --> 00:28:24,410

way to to get kind of let this idea sink

601
00:28:30,340 --> 00:28:28,010
in what kind of effects do you possibly

602
00:28:33,190 --> 00:28:30,350
see that happening on a wider scale on

603
00:28:35,290 --> 00:28:33,200
the larger population so in other words

604
00:28:36,670 --> 00:28:35,300
you're asking how how is the awakening

605
00:28:37,930 --> 00:28:36,680
going how is that how is the awakening

606
00:28:41,140 --> 00:28:37,940
going to come into play how does that

607
00:28:43,570 --> 00:28:41,150
play into contact or correct well for

608
00:28:45,250 --> 00:28:43,580
example during my experiences I needed

609
00:28:47,800 --> 00:28:45,260
five years in the woods to just

610
00:28:49,270 --> 00:28:47,810
basically get my sanity back something

611
00:28:50,779 --> 00:28:49,280
like that I don't know why this scale is

612
00:28:52,279 --> 00:28:50,789
gonna throw off Society

613
00:28:54,379 --> 00:28:52,289

what do you how do you see it from your

614

00:29:00,969 --> 00:28:54,389

point of view dis happening okay yeah

615

00:29:04,459 --> 00:29:00,979

yeah definitely it's going to be

616

00:29:08,839 --> 00:29:04,469

interesting because as people awaken the

617

00:29:11,329 --> 00:29:08,849

way that there let me start the way that

618

00:29:13,519 --> 00:29:11,339

you awaken on this planet is usually

619

00:29:16,219 --> 00:29:13,529

through suffering unfortunately that's

620

00:29:19,509 --> 00:29:16,229

just the way that the game is set up you

621

00:29:22,279 --> 00:29:19,519

very seldom will see a person who is

622

00:29:24,529 --> 00:29:22,289

living what the Course in Miracles calls

623

00:29:28,669 --> 00:29:24,539

a happy dream if you're living a happy

624

00:29:31,789 --> 00:29:28,679

dream and you've got success and good

625

00:29:35,719 --> 00:29:31,799

health perfect relationship great job

626

00:29:38,599 --> 00:29:35,729

money your life is really great why are

627

00:29:41,059 --> 00:29:38,609

you going to look within for answers why

628

00:29:43,430 --> 00:29:41,069

are you going to seek for answers your

629

00:29:45,739 --> 00:29:43,440

life is flowing along very nicely

630

00:29:48,079 --> 00:29:45,749

and I know what it's like to have a good

631

00:29:49,699 --> 00:29:48,089

life I was especially inclined to

632

00:29:52,339 --> 00:29:49,709

somewhat but you don't usually go in

633

00:29:54,109 --> 00:29:52,349

search of answers so it's that's the

634

00:29:56,239 --> 00:29:54,119

first stage in the awakening process

635

00:29:58,069 --> 00:29:56,249

that's happening individually and

636

00:30:00,859 --> 00:29:58,079

collectively is that you usually are

637

00:30:02,749 --> 00:30:00,869

brought to your knees by suffering it's

638

00:30:04,669 --> 00:30:02,759

it's to get your attention and it's

639

00:30:08,299 --> 00:30:04,679

almost like it's very seldom that

640

00:30:10,969 --> 00:30:08,309

someone who is living a happy life and

641

00:30:13,430 --> 00:30:10,979

is prosperous and healthy and

642

00:30:16,149 --> 00:30:13,440

everything's just clicking along really

643

00:30:19,399 --> 00:30:16,159

great it's very seldom that they turn

644

00:30:21,409 --> 00:30:19,409

inward and seek answers is to who they

645

00:30:23,509 --> 00:30:21,419

are and what the higher meaning of life

646

00:30:26,539 --> 00:30:23,519

is it's not impossible it certainly

647

00:30:33,529 --> 00:30:26,549

happens but it's not that common

648

00:30:37,549 --> 00:30:33,539

so back in 2009 my guys came to me one

649

00:30:38,599 --> 00:30:37,559

night and said to me he told me a bunch

650

00:30:41,329 --> 00:30:38,609

of stuff at one of the things they told

651
00:30:45,680 --> 00:30:41,339
me was that that every soul on the

652
00:30:47,209 --> 00:30:45,690
planet was asked did they want to ascend

653
00:30:50,089 --> 00:30:47,219
with the planet or were they going to

654
00:30:51,859 --> 00:30:50,099
just you know stay at the frequency

655
00:30:55,099 --> 00:30:51,869
they're at and just keep moving along

656
00:30:56,949 --> 00:30:55,109
that line because every soul was given

657
00:30:59,749 --> 00:30:56,959
the option of if they wanted to wake up

658
00:31:02,359 --> 00:30:59,759
they were being informed that the time

659
00:31:03,210 --> 00:31:02,369
was now if they wanted to move out of 3d

660
00:31:07,560 --> 00:31:03,220
the

661
00:31:09,419 --> 00:31:07,570
hand and said yes I want to wake up and

662
00:31:12,390 --> 00:31:09,429
the soul along with their higher self

663
00:31:15,240 --> 00:31:12,400

made that decision I always told people

664

00:31:17,580 --> 00:31:15,250

years later in twenty thirteen or

665

00:31:19,020 --> 00:31:17,590

fourteen when I was lecturing if you

666

00:31:20,520 --> 00:31:19,030

were one of those souls that said yeah I

667

00:31:21,930 --> 00:31:20,530

want to wake up I want to I want to get

668

00:31:24,210 --> 00:31:21,940

out of here I don't want to be in this

669

00:31:25,409 --> 00:31:24,220

at this frequency anymore if you did

670

00:31:27,690 --> 00:31:25,419

that mm-hmm

671

00:31:30,680 --> 00:31:27,700

odds are your life went to hell in a

672

00:31:33,180 --> 00:31:30,690

handbasket pretty fast right around 2010

673

00:31:36,450 --> 00:31:33,190

because I think it was November of 2009

674

00:31:38,640 --> 00:31:36,460

that this took place this massive asking

675

00:31:39,870 --> 00:31:38,650

of every soul on the planet you want to

676
00:31:42,690 --> 00:31:39,880
you want to wake up because if you want

677
00:31:44,070 --> 00:31:42,700
to wake up your higher self your angels

678
00:31:45,390 --> 00:31:44,080
your guides whoever they're gonna hit

679
00:31:47,700 --> 00:31:45,400
you're in the back of the head with a

680
00:31:49,919 --> 00:31:47,710
two-by-four and you're gonna get hit

681
00:31:53,039 --> 00:31:49,929
with job loss health problems

682
00:31:55,860 --> 00:31:53,049
relationship issues financial problems

683
00:31:57,480 --> 00:31:55,870
unit whatever and it's just going to

684
00:31:59,880 --> 00:31:57,490
seem like all of a sudden your world is

685
00:32:03,810 --> 00:31:59,890
coming unraveled that is to trigger in

686
00:32:06,299 --> 00:32:03,820
you the question Who am I what's this

687
00:32:08,880 --> 00:32:06,309
all about and most the times it takes

688
00:32:11,310 --> 00:32:08,890

you being down on the floor cursing God

689

00:32:14,130 --> 00:32:11,320

and saying what the hell did I ever do

690

00:32:16,830 --> 00:32:14,140

to deserve this why is my life like this

691

00:32:18,299 --> 00:32:16,840

what's happening why am i suffering I

692

00:32:21,680 --> 00:32:18,309

didn't come here that my life should not

693

00:32:26,039 --> 00:32:21,690

be about suffering but it it causes you

694

00:32:27,840 --> 00:32:26,049

to surrender and back in the day

695

00:32:29,399 --> 00:32:27,850

we're actually kind of moving past that

696

00:32:31,289 --> 00:32:29,409

but back in the days surrender was the

697

00:32:33,750 --> 00:32:31,299

answer to it because you have to give up

698

00:32:36,210 --> 00:32:33,760

making the decisions yourself because

699

00:32:38,820 --> 00:32:36,220

like I said in my talk if you're making

700

00:32:41,039 --> 00:32:38,830

new decisions for yourself that means

701
00:32:43,200 --> 00:32:41,049
that your ego your lower self your lower

702
00:32:44,279 --> 00:32:43,210
mind is making the decision and it's

703
00:32:46,230 --> 00:32:44,289
going to frantically try to figure

704
00:32:48,350 --> 00:32:46,240
everything out and try to fix everything

705
00:32:50,580 --> 00:32:48,360
and get back into the happy life again

706
00:32:52,470 --> 00:32:50,590
but if you're in a happy life the odds

707
00:32:54,659 --> 00:32:52,480
are you're not going to wake up and it

708
00:32:58,020 --> 00:32:54,669
means you're not going to ascend so you

709
00:33:00,810 --> 00:32:58,030
have to be thrust into this into this

710
00:33:03,090 --> 00:33:00,820
kind of hellish life actually it

711
00:33:04,620 --> 00:33:03,100
generally goes that way it's not always

712
00:33:07,529 --> 00:33:04,630
and it's not a blueprint for everyone

713
00:33:08,640 --> 00:33:07,539

but in general that is how it goes now I

714

00:33:10,230 --> 00:33:08,650

certainly know some people who are

715

00:33:13,139 --> 00:33:10,240

living some pretty you know decent lives

716

00:33:15,240 --> 00:33:13,149

and they are waking up you know they're

717

00:33:17,280 --> 00:33:15,250

not suffering that much but they're very

718

00:33:20,220 --> 00:33:17,290

aware so it doesn't have

719

00:33:22,170 --> 00:33:20,230

to be that difficult sometimes everybody

720

00:33:23,820 --> 00:33:22,180

has their own threshold of what they can

721

00:33:27,750 --> 00:33:23,830

deal with and what forces them to ask

722

00:33:29,430 --> 00:33:27,760

the question Who am I and where where

723

00:33:31,740 --> 00:33:29,440

did I come from and where am I going and

724

00:33:33,690 --> 00:33:31,750

just asking those bigger questions most

725

00:33:35,190 --> 00:33:33,700

people are too distracted you know

726

00:33:37,020 --> 00:33:35,200

you're dealing that and that's what

727

00:33:38,880 --> 00:33:37,030

sickness does to you and financial

728

00:33:40,350 --> 00:33:38,890

problems it does it it causes you to

729

00:33:42,750 --> 00:33:40,360

scramble and try to figure out the cure

730

00:33:44,880 --> 00:33:42,760

try to figure out the fix until you

731

00:33:46,500 --> 00:33:44,890

realize you can't and in at the end of

732

00:33:48,840 --> 00:33:46,510

you're crying out to God and saying why

733

00:33:51,210 --> 00:33:48,850

me and why is this happening finally you

734

00:33:53,220 --> 00:33:51,220

get the answer and it is that you just

735

00:33:54,630 --> 00:33:53,230

you need to look to the higher power and

736

00:33:56,130 --> 00:33:54,640

you need to surrender and you have to

737

00:34:00,540 --> 00:33:56,140

know that you can't do this on your own

738

00:34:01,920 --> 00:34:00,550

and that you'd have to allow some you

739

00:34:03,750 --> 00:34:01,930

know your higher self to take you by the

740

00:34:05,640 --> 00:34:03,760

hand God to take you by the hand

741

00:34:07,110 --> 00:34:05,650

whatever you want to call it and you

742

00:34:09,810 --> 00:34:07,120

have to allow yourself to be brought

743

00:34:11,940 --> 00:34:09,820

back to the truth of who you are and you

744

00:34:13,950 --> 00:34:11,950

find that when you look within so that's

745

00:34:16,890 --> 00:34:13,960

the way I see it going on the planet on

746

00:34:18,150 --> 00:34:16,900

an individual basis but it plays out

747

00:34:20,700 --> 00:34:18,160

like I said everything that you do

748

00:34:23,280 --> 00:34:20,710

collectively or individually plays out

749

00:34:24,659 --> 00:34:23,290

collectively so when you start on the

750

00:34:27,419 --> 00:34:24,669

awakening process you go through what's

751

00:34:29,220 --> 00:34:27,429

called the dark night of the soul if

752

00:34:33,150 --> 00:34:29,230

you're familiar with that dark night of

753

00:34:35,430 --> 00:34:33,160

the soul is not a fun time don't wish it

754

00:34:37,800 --> 00:34:35,440

on anyone and yet it's a necessary part

755

00:34:39,000 --> 00:34:37,810

of the awakening process you won't wake

756

00:34:42,060 --> 00:34:39,010

up without going through the dark night

757

00:34:44,490 --> 00:34:42,070

of the soul it's just it's a very dark

758

00:34:47,010 --> 00:34:44,500

lonely place to go and be but that's

759

00:34:48,330 --> 00:34:47,020

part of the process the collective is

760

00:34:50,520 --> 00:34:48,340

going through the dark night of the soul

761

00:34:52,919 --> 00:34:50,530

right now that's the way I see it I'm

762

00:34:54,810 --> 00:34:52,929

looking out there at the world and what

763

00:34:56,909 --> 00:34:54,820

society is dealing with in not just in

764

00:34:58,980 --> 00:34:56,919

the United States but everywhere and it

765

00:35:02,130 --> 00:34:58,990

is the dark night of the soul it's not

766

00:35:04,200 --> 00:35:02,140

making any sense you can't you can't

767

00:35:05,970 --> 00:35:04,210

figure it out you're not meant to figure

768

00:35:10,920 --> 00:35:05,980

it out you're meant to just surrender

769

00:35:13,260 --> 00:35:10,930

and just be who you came here to be who

770

00:35:16,170 --> 00:35:13,270

we've forgotten we've forgotten who we

771

00:35:18,810 --> 00:35:16,180

are and so it is to force you back to

772

00:35:20,730 --> 00:35:18,820

the basics to remembering because this

773

00:35:23,280 --> 00:35:20,740

is all about remembering awakening is

774

00:35:25,020 --> 00:35:23,290

the same as remembering humans on planet

775

00:35:28,560 --> 00:35:25,030

Earth already know that they're divine

776

00:35:30,850 --> 00:35:28,570

beings they just have forgotten it so

777

00:35:32,770 --> 00:35:30,860

the awakening is just remembering

778

00:35:34,390 --> 00:35:32,780

who you are and that's what's happening

779

00:35:36,640 --> 00:35:34,400

and that's what's happening in society

780

00:35:38,200 --> 00:35:36,650

now so I don't know I hope that answers

781

00:35:47,350 --> 00:35:38,210

the question somewhat that's what's my

782

00:35:50,290 --> 00:35:47,360

take on it okay my question is about the

783

00:35:54,970 --> 00:35:50,300

military labs I hear about it all the

784

00:35:57,520 --> 00:35:54,980

time but I don't understand it

785

00:36:00,040 --> 00:35:57,530

sherry you might want to touch on this

786

00:36:06,850 --> 00:36:00,050

and Nick this might but this might be

787

00:36:10,420 --> 00:36:06,860

more directed for you is this the

788

00:36:12,460 --> 00:36:10,430

government and if it is the

789

00:36:15,250 --> 00:36:12,470

government is that the United States

790

00:36:18,700 --> 00:36:15,260

government only or does it happen in

791

00:36:23,110 --> 00:36:18,710

other countries and who are the people

792

00:36:24,640 --> 00:36:23,120

who are describing that this is

793

00:36:30,670 --> 00:36:24,650

happening to them does it include

794

00:36:33,400 --> 00:36:30,680

children or okay okay thanks so the mill

795

00:36:34,840 --> 00:36:33,410

labs military abductions and just the

796

00:36:37,840 --> 00:36:34,850

whole experimentation that's been done

797

00:36:39,460 --> 00:36:37,850

on humanity by our military I'm not sure

798

00:36:42,910 --> 00:36:39,470

at all what Nick thinks about it but I

799

00:36:46,030 --> 00:36:42,920

certainly have an opinion not much I

800

00:36:47,770 --> 00:36:46,040

don't have an opinion about but for

801
00:36:50,500 --> 00:36:47,780
myself I've had experience with my labs

802
00:36:55,270 --> 00:36:50,510
I've had the military come in the guise

803
00:36:59,380 --> 00:36:55,280
of being ETS I've had them terrorize my

804
00:37:05,020 --> 00:36:59,390
family and my dog and me I've had them

805
00:37:08,620 --> 00:37:05,030
do nasty things my guys my the 80s that

806
00:37:11,130 --> 00:37:08,630
I work with actually did what they could

807
00:37:14,080 --> 00:37:11,140
to protect me and keep me safe from them

808
00:37:15,490 --> 00:37:14,090
the ETS as I said the ETS that I work

809
00:37:16,930 --> 00:37:15,500
with the three groups are benevolent

810
00:37:19,390 --> 00:37:16,940
they I've worked with in my whole life

811
00:37:22,170 --> 00:37:19,400
it's and I know that there are those

812
00:37:25,810 --> 00:37:22,180
that will fool you and I had those two

813
00:37:29,020 --> 00:37:25,820

but probably the scariest to me you

814

00:37:29,890 --> 00:37:29,030

is the military I guess it's being

815

00:37:33,030 --> 00:37:29,900

called the military-industrial complex

816

00:37:41,610 --> 00:37:33,040

now I don't whatever you want to call it

817

00:37:52,450 --> 00:37:48,190

evil so I it's my opinion that that

818

00:37:54,190 --> 00:37:52,460

there is a faction of the military or at

819

00:37:56,640 --> 00:37:54,200

least there was and probably still is a

820

00:37:59,710 --> 00:37:56,650

faction of the military that is

821

00:38:03,880 --> 00:37:59,720

separated out and is possibly most

822

00:38:08,910 --> 00:38:03,890

likely almost certainly working with ETS

823

00:38:10,780 --> 00:38:08,920

of a dark nature and even demonic

824

00:38:12,970 --> 00:38:10,790

definitely what Nick was talking about

825

00:38:15,820 --> 00:38:12,980

demonic forces are absolutely a part of

826

00:38:18,820 --> 00:38:15,830

our reality in this world the planet has

827

00:38:21,270 --> 00:38:18,830

been under the control of darkness and

828

00:38:23,980 --> 00:38:21,280

that is what we would call demonic and

829

00:38:26,880 --> 00:38:23,990

I've experienced it firsthand and it's

830

00:38:29,500 --> 00:38:26,890

its energy just like we are energy

831

00:38:31,210 --> 00:38:29,510

manifesting as bodies and having these

832

00:38:34,810 --> 00:38:31,220

experiences but what we really are is

833

00:38:38,110 --> 00:38:34,820

energy so I've been hit with demonic

834

00:38:40,330 --> 00:38:38,120

type dark energy and that it happens on

835

00:38:42,280 --> 00:38:40,340

that level it happens on an energetic

836

00:38:44,500 --> 00:38:42,290

level and there's interference there's

837

00:38:48,040 --> 00:38:44,510

constant interference in my life of a

838

00:38:51,220 --> 00:38:48,050

low frequency demonic type nature and

839

00:38:51,850 --> 00:38:51,230

it's you know it's been really really

840

00:38:55,450 --> 00:38:51,860

difficult

841

00:38:57,550 --> 00:38:55,460

I have people assigned to me that are

842

00:38:59,290 --> 00:38:57,560

overseeing me and trying to keep me

843

00:39:00,840 --> 00:38:59,300

protected and safe it's been a job to

844

00:39:04,180 --> 00:39:00,850

keep me alive to tell you the truth I

845

00:39:05,890 --> 00:39:04,190

don't know that I'm that important to

846

00:39:08,380 --> 00:39:05,900

just to the whole thing of disclosure

847

00:39:11,020 --> 00:39:08,390

but for some reason they want me here

848

00:39:13,990 --> 00:39:11,030

because I upped it out I asked for an

849

00:39:15,580 --> 00:39:14,000

exit and I was granted an exit and I was

850

00:39:17,110 --> 00:39:15,590

supposed to leave in September of 2016

851

00:39:19,630 --> 00:39:17,120

you probably maybe heard that story

852

00:39:22,390 --> 00:39:19,640

because my quality of life was so bad

853

00:39:24,040 --> 00:39:22,400

after the attack on me and they went

854

00:39:25,960 --> 00:39:24,050

where they allowed they told me I could

855

00:39:28,240 --> 00:39:25,970

leave but they reminded me of my mission

856

00:39:30,910 --> 00:39:28,250

and they asked me to look at that again

857

00:39:33,460 --> 00:39:30,920

and to reconsider Spain and they came

858

00:39:37,690 --> 00:39:33,470

hard at me and really wanted me to stay

859

00:39:38,870 --> 00:39:37,700

well it's not me it's the damn movie

860

00:39:40,880 --> 00:39:38,880

they want about

861

00:39:42,230 --> 00:39:40,890

my book it's part of the disclosure it's

862

00:39:44,049 --> 00:39:42,240

part of my mission and the movie

863

00:39:47,599 --> 00:39:44,059

probably won't get made unless I'm here

864

00:39:49,069 --> 00:39:47,609

so I have to stay around to try to keep

865

00:39:51,140 --> 00:39:49,079

that movie going because it's very

866

00:39:55,099 --> 00:39:51,150

important to them for the movie to come

867

00:39:57,319 --> 00:39:55,109

out so I have these forces that are

868

00:39:58,999 --> 00:39:57,329

after that or they're not after me I'm

869

00:40:01,130 --> 00:39:59,009

not paranoid it's just part of the game

870

00:40:02,809 --> 00:40:01,140

and that's why I have to constantly

871

00:40:05,269 --> 00:40:02,819

remind myself otherwise you could get

872

00:40:06,859 --> 00:40:05,279

paranoid you know I I could be terrified

873

00:40:08,720 --> 00:40:06,869

living in my house after what's

874

00:40:11,240 --> 00:40:08,730

experienced what I've experienced there

875

00:40:13,579 --> 00:40:11,250

but I choose not to allow them to have

876

00:40:15,680 --> 00:40:13,589

that much power over me but I do there

877

00:40:18,799 --> 00:40:15,690

are people who literally are tuned in to

878

00:40:20,900 --> 00:40:18,809

me that will call me and they're like

879

00:40:24,049 --> 00:40:20,910

you don't know me but I'm one of the

880

00:40:25,609 --> 00:40:24,059

people who's protecting you I've been

881

00:40:26,420 --> 00:40:25,619

assigned to watch over you and do you

882

00:40:28,819 --> 00:40:26,430

know you're under attack

883

00:40:31,190 --> 00:40:28,829

and I'll be like [h__h] yeah I'm under

884

00:40:32,930 --> 00:40:31,200

attack yeah tell me when I'm not under

885

00:40:34,309 --> 00:40:32,940

attack and you know I mean they

886

00:40:37,730 --> 00:40:34,319

literally will tell me get out of your

887

00:40:39,499 --> 00:40:37,740

house leave your house or I were coming

888

00:40:40,999 --> 00:40:39,509

in to protect you we've got protection

889

00:40:42,620 --> 00:40:41,009

around you just so you know they're cut

890

00:40:46,039 --> 00:40:42,630

they're they're coming tonight I mean

891

00:40:48,799 --> 00:40:46,049

that's that's the life that I live it's

892

00:40:50,029 --> 00:40:48,809

getting to be less and less definitely

893

00:40:52,730 --> 00:40:50,039

getting to be less and less as the light

894

00:40:57,890 --> 00:40:52,740

forces win but that's how real this is

895

00:41:00,380 --> 00:40:57,900

so yes there are evil people and there

896

00:41:02,269 --> 00:41:00,390

are evil entities out there and I'm not

897

00:41:04,059 --> 00:41:02,279

saying that to scare people because if I

898

00:41:08,210 --> 00:41:04,069

can deal with it

899

00:41:10,009 --> 00:41:08,220

to you just have to stand up and declare

900

00:41:11,900 --> 00:41:10,019

your sovereign tree and you just have to

901
00:41:14,480 --> 00:41:11,910
not give them power over you and you

902
00:41:18,319 --> 00:41:14,490
have to also just see it for what it is

903
00:41:20,240 --> 00:41:18,329
my life here can go on or cannot go on

904
00:41:22,819 --> 00:41:20,250
it doesn't matter it's not going to end

905
00:41:25,519 --> 00:41:22,829
Who I am the truth of Who I am is that

906
00:41:27,319 --> 00:41:25,529
I'm an eater eternal soul if they you

907
00:41:28,819 --> 00:41:27,329
know if they want to kill my body they

908
00:41:32,329 --> 00:41:28,829
can kill my body they've all but killed

909
00:41:34,309 --> 00:41:32,339
it it would you know so yeah there's

910
00:41:36,470 --> 00:41:34,319
dark forces definitely and I believe

911
00:41:38,690 --> 00:41:36,480
they are still going on but you always

912
00:41:40,880 --> 00:41:38,700
have the right see and this is the point

913
00:41:44,599 --> 00:41:40,890

I want to make it in particular because

914

00:41:47,420 --> 00:41:44,609

there are children there are those that

915

00:41:49,009 --> 00:41:47,430

are being targeted you always have the

916

00:41:51,520 --> 00:41:49,019

right to declare your sovereignty and to

917

00:41:54,220 --> 00:41:51,530

say no

918

00:41:58,210 --> 00:41:54,230

now they many times will ignore that but

919

00:41:59,710 --> 00:41:58,220

you stand there firm and they can't they

920

00:42:01,060 --> 00:41:59,720

can't take control of you as long as you

921

00:42:03,760 --> 00:42:01,070

stand up for yourself and be a sovereign

922

00:42:06,010 --> 00:42:03,770

being they can do things definitely but

923

00:42:07,270 --> 00:42:06,020

you it's incumbent upon all of us to

924

00:42:08,440 --> 00:42:07,280

stay strong in the truth of who we are

925

00:42:10,540 --> 00:42:08,450

that's the only way we're going to

926

00:42:12,550 --> 00:42:10,550

overcome this darkness that's been so

927

00:42:13,780 --> 00:42:12,560

prevalent on the planet and I hope that

928

00:42:16,870 --> 00:42:13,790

wasn't too strong of a negative

929

00:42:18,520 --> 00:42:16,880

statement or message but because the end

930

00:42:20,470 --> 00:42:18,530

and I can put it in those terms because

931

00:42:22,750 --> 00:42:20,480

at the end of the day the lights going

932

00:42:23,620 --> 00:42:22,760

to prevail we are prevailing so it's

933

00:42:27,120 --> 00:42:23,630

going to be okay

934

00:42:29,080 --> 00:42:27,130

but you have to stay true to who you are

935

00:42:32,310 --> 00:42:29,090

Nick's going to have a different take on

936

00:42:34,420 --> 00:42:32,320

it I'm sure of it well I just sort of

937

00:42:38,560 --> 00:42:34,430

outlined a bit more about what the

938

00:42:41,620 --> 00:42:38,570

military abductions are people who have

939

00:42:43,470 --> 00:42:41,630

been abducted by the sort of little gray

940

00:42:46,720 --> 00:42:43,480

guys with a big head and the black eyes

941

00:42:49,600 --> 00:42:46,730

they're the alien abductees I'm sure

942

00:42:52,630 --> 00:42:49,610

most of you know but then you have the

943

00:42:56,440 --> 00:42:52,640

military abductions where it's like

944

00:42:59,110 --> 00:42:56,450

military units will re abduct the people

945

00:43:01,020 --> 00:42:59,120

who were abducted by the aliens and it

946

00:43:03,970 --> 00:43:01,030

seems to being done because these

947

00:43:07,120 --> 00:43:03,980

military abductions or me labs as

948

00:43:09,610 --> 00:43:07,130

they're known that somebody within

949

00:43:12,190 --> 00:43:09,620

government wants to know what the truth

950

00:43:16,120 --> 00:43:12,200

is what's going on and so they feel the

951

00:43:18,780 --> 00:43:16,130

best way to do this is to abduct the

952

00:43:21,700 --> 00:43:18,790

abductees and then essentially

953

00:43:23,410 --> 00:43:21,710

interrogate them and I say interrogate

954

00:43:25,890 --> 00:43:23,420

rather than interview because most

955

00:43:28,210 --> 00:43:25,900

people do report these Miller

956

00:43:30,190 --> 00:43:28,220

experiences have been very stressful and

957

00:43:31,510 --> 00:43:30,200

frightening it's not like they're

958

00:43:33,640 --> 00:43:31,520

knocking on the front door and say hey

959

00:43:35,650 --> 00:43:33,650

you know we know about your story could

960

00:43:38,730 --> 00:43:35,660

we just have a chat it's not like that

961

00:43:41,500 --> 00:43:38,740

at all it's like the complete opposite

962

00:43:45,310 --> 00:43:41,510

but I think you can make a good case

963

00:43:49,120 --> 00:43:45,320

that these Miller units may actually

964

00:43:51,520 --> 00:43:49,130

operate outside of the the confines of

965

00:43:53,850 --> 00:43:51,530

like the regular military or the regular

966

00:43:56,620 --> 00:43:53,860

governments there's sort of a lot of

967

00:43:58,330 --> 00:43:56,630

good strong data I would say that you

968

00:44:00,520 --> 00:43:58,340

know there are what we could call like

969

00:44:03,880 --> 00:44:00,530

secret governments governments within

970

00:44:05,320 --> 00:44:03,890

governments where even powerful elected

971

00:44:07,260 --> 00:44:05,330

people may not

972

00:44:09,460 --> 00:44:07,270

what some of these deeply buried

973

00:44:13,420 --> 00:44:09,470

projects are doing they're sort of what

974

00:44:16,210 --> 00:44:13,430

you known as like black black projects

975

00:44:18,400 --> 00:44:16,220

where for example you know somebody to

976
00:44:21,580 --> 00:44:18,410
who you would expect to know about this

977
00:44:22,900 --> 00:44:21,590
particular program is actually not in

978
00:44:25,930 --> 00:44:22,910
the program at all

979
00:44:29,280 --> 00:44:25,940
and you also have what are called

980
00:44:32,830 --> 00:44:29,290
special access programs si peas where

981
00:44:35,230 --> 00:44:32,840
even if say the person next to you as a

982
00:44:38,560 --> 00:44:35,240
higher-ranking if you're in the program

983
00:44:41,200 --> 00:44:38,570
but they're not they won't be told about

984
00:44:42,700 --> 00:44:41,210
it even though your rank might be lower

985
00:44:46,810 --> 00:44:42,710
than theirs it sort of works in a very

986
00:44:48,730 --> 00:44:46,820
odd way so I think the idea that all of

987
00:44:50,620 --> 00:44:48,740
this has been done by quote the

988
00:44:53,230 --> 00:44:50,630

government's I don't think that's

989

00:44:55,000 --> 00:44:53,240

actually the case I think it's more that

990

00:44:57,610 --> 00:44:55,010

there are these sort of secret

991

00:45:00,250 --> 00:44:57,620

governments within the government and in

992

00:45:02,560 --> 00:45:00,260

a bizarre way even the government may

993

00:45:05,710 --> 00:45:02,570

not actually know who's pulling the

994

00:45:08,190 --> 00:45:05,720

strings and you know we've seen that

995

00:45:11,680 --> 00:45:08,200

several times where presidents have been

996

00:45:14,620 --> 00:45:11,690

reportedly they tried to be brought into

997

00:45:16,750 --> 00:45:14,630

the program you know and the allegedly

998

00:45:18,100 --> 00:45:16,760

the presidents have been told sorry mr.

999

00:45:21,790 --> 00:45:18,110

president you don't have the clearance

1000

00:45:24,520 --> 00:45:21,800

and that's the president you know so it

1001
00:45:28,420 --> 00:45:24,530
kind of raises the question who actually

1002
00:45:31,290 --> 00:45:28,430
does know and I think they the male up

1003
00:45:35,230 --> 00:45:31,300
people are part of one of these kind of

1004
00:45:36,730 --> 00:45:35,240
secret programs if you like throughout

1005
00:45:38,770 --> 00:45:36,740
history we've always had paranormal

1006
00:45:41,380 --> 00:45:38,780
events being recorded and sometimes we

1007
00:45:43,660 --> 00:45:41,390
have higher frequencies do you think

1008
00:45:46,810 --> 00:45:43,670
from your own experiences and perhaps

1009
00:45:48,910 --> 00:45:46,820
people that have experienced that you

1010
00:45:52,300 --> 00:45:48,920
know the debt maybe is part of our

1011
00:45:53,830 --> 00:45:52,310
evolutionary process or perhaps maybe

1012
00:45:57,460 --> 00:45:53,840
we've got the answer and not asking the

1013
00:46:00,340 --> 00:45:57,470

right question I believe we all have we

1014

00:46:05,220 --> 00:46:00,350

all have Oversoul or higher self and so

1015

00:46:07,510 --> 00:46:05,230

on planet Earth it is an illusion and

1016

00:46:10,240 --> 00:46:07,520

most people are buying into it and

1017

00:46:13,060 --> 00:46:10,250

believed that this is our reality and so

1018

00:46:14,860 --> 00:46:13,070

like I say it's hard to wake up a person

1019

00:46:18,070 --> 00:46:14,870

who doesn't know they're asleep it's my

1020

00:46:19,059 --> 00:46:18,080

opinion that when you have these strange

1021

00:46:23,410 --> 00:46:19,069

experiences

1022

00:46:24,630 --> 00:46:23,420

that's considered paranormal that that

1023

00:46:27,519 --> 00:46:24,640

is your higher-self

1024

00:46:30,910 --> 00:46:27,529

giving you a little bit of a about of a

1025

00:46:32,799 --> 00:46:30,920

glimpse at what is the true reality

1026

00:46:34,209 --> 00:46:32,809

which is that maybe it is an illusion

1027

00:46:36,880 --> 00:46:34,219

it's kind of like what my talk was based

1028

00:46:39,459 --> 00:46:36,890

on giving examples from my own life and

1029

00:46:43,150 --> 00:46:39,469

that's my guys you know or my higher

1030

00:46:45,519 --> 00:46:43,160

self reminding me that you're not a body

1031

00:46:47,729 --> 00:46:45,529

you're not a 3d person you're not this

1032

00:46:49,930 --> 00:46:47,739

is not who you are it's constantly

1033

00:46:51,219 --> 00:46:49,940

reminding me so that I don't get lost in

1034

00:46:55,779 --> 00:46:51,229

the illusion because that was my big

1035

00:46:57,219 --> 00:46:55,789

fear before I came here I told da don't

1036

00:46:59,109 --> 00:46:57,229

let me get lost in the illusion don't

1037

00:47:01,630 --> 00:46:59,119

let me get sucked into it don't you know

1038

00:47:04,150 --> 00:47:01,640

and so he promised to be always near and

1039

00:47:06,120 --> 00:47:04,160

that's why I've had so much you know

1040

00:47:08,799 --> 00:47:06,130

call it interference but so many

1041

00:47:11,319 --> 00:47:08,809

interactions with them I had one foot in

1042

00:47:12,729 --> 00:47:11,329

that reality and only one foot in this

1043

00:47:14,559 --> 00:47:12,739

reality because I didn't want to get

1044

00:47:17,439 --> 00:47:14,569

lost in this I didn't want to get sucked

1045

00:47:21,219 --> 00:47:17,449

into it so that's my idea is that a lot

1046

00:47:24,009 --> 00:47:21,229

of people get I mean it's interesting to

1047

00:47:25,660 --> 00:47:24,019

me I've observed what some people can

1048

00:47:28,420 --> 00:47:25,670

deal with in other people there's a huge

1049

00:47:31,719 --> 00:47:28,430

variety of variance as to what a person

1050

00:47:35,140 --> 00:47:31,729

can handle in their life some people can

1051
00:47:36,880 --> 00:47:35,150
handle seeing a Bigfoot you know all of

1052
00:47:39,910 --> 00:47:36,890
a sudden or seen an ET peak in the

1053
00:47:42,939 --> 00:47:39,920
window or wake up and have them standing

1054
00:47:44,949 --> 00:47:42,949
by your bed and it just and it it it

1055
00:47:47,559 --> 00:47:44,959
certainly changes your perspective of

1056
00:47:50,650 --> 00:47:47,569
life it shocks you out of the out of the

1057
00:47:52,900 --> 00:47:50,660
illusion for sure but not everybody can

1058
00:47:57,420 --> 00:47:52,910
take that big of a shock so instead that

1059
00:48:00,219 --> 00:47:57,430
they get something like you know maybe

1060
00:48:01,420 --> 00:48:00,229
something mild like a maybe they get a

1061
00:48:04,269 --> 00:48:01,430
visit from their grandmother who died or

1062
00:48:06,489 --> 00:48:04,279
something you know something but I think

1063
00:48:08,709 --> 00:48:06,499

everybody gets whatever they need to

1064

00:48:11,410 --> 00:48:08,719

kind of trigger in them so that they

1065

00:48:12,939 --> 00:48:11,420

look beyond the normal that's what I

1066

00:48:14,589 --> 00:48:12,949

think that those paranormal experiences

1067

00:48:17,439 --> 00:48:14,599

just are meant to be there's supposed to

1068

00:48:20,620 --> 00:48:17,449

be a little wake-up calls that's what I

1069

00:48:23,670 --> 00:48:20,630

look at it but evolutions a little bit

1070

00:48:27,249 --> 00:48:23,680

beyond my purview but

1071

00:48:29,319 --> 00:48:27,259

there again there's a you know the

1072

00:48:32,140 --> 00:48:29,329

Bigfoot community is is broken up into

1073

00:48:34,509 --> 00:48:32,150

many different parts different theories

1074

00:48:37,329 --> 00:48:34,519

as to what's going on and there's a

1075

00:48:41,410 --> 00:48:37,339

again an ever growing a community that

1076
00:48:45,459 --> 00:48:41,420
is talking about the sasquatches here to

1077
00:48:47,709 --> 00:48:45,469
teach us something and they're all this

1078
00:48:50,259 --> 00:48:47,719
to say hey there they are here or two

1079
00:48:52,239 --> 00:48:50,269
I've heard this many times exactly what

1080
00:48:54,430 --> 00:48:52,249
you're saying that they um from

1081
00:48:57,180 --> 00:48:54,440
sasquatch people that they are here to

1082
00:49:02,039 --> 00:48:57,190
help us through some kind of

1083
00:49:07,299 --> 00:49:02,049
evolutionary system step or process

1084
00:49:08,999 --> 00:49:07,309
other than that you know pretty much

1085
00:49:11,949 --> 00:49:09,009
should be on mine purview

1086
00:49:15,180 --> 00:49:11,959
anybody who gets involved in these kind

1087
00:49:18,339 --> 00:49:15,190
of phenomena you do find your mind

1088
00:49:21,549 --> 00:49:18,349

altered and changed and your perceptions

1089

00:49:24,370 --> 00:49:21,559

changed and whether you want it to

1090

00:49:26,140 --> 00:49:24,380

happen or not it's almost as if somebody

1091

00:49:29,559 --> 00:49:26,150

said oh yeah we'll pick that person

1092

00:49:32,170 --> 00:49:29,569

today that kind of thing and I think

1093

00:49:35,979 --> 00:49:32,180

what a lot of it comes down to is

1094

00:49:39,569 --> 00:49:35,989

whether you accept and you go with the

1095

00:49:41,829 --> 00:49:39,579

fenomena or whatever the teaching is

1096

00:49:44,140 --> 00:49:41,839

like I mentioned at the start of my

1097

00:49:46,539 --> 00:49:44,150

lecture earlier that you know for all

1098

00:49:50,469 --> 00:49:46,549

the writing I've done on UFOs and things

1099

00:49:53,910 --> 00:49:50,479

like that I've never seen a UFO but I do

1100

00:49:56,650 --> 00:49:53,920

get a lot of synchronicities and I never

1101

00:50:00,189 --> 00:49:56,660

ignore synchronicities because I think

1102

00:50:03,130 --> 00:50:00,199

they're an important part of life and I

1103

00:50:05,890 --> 00:50:03,140

think if you do ignore them they just go

1104

00:50:08,009 --> 00:50:05,900

on to someone else and so and I've had

1105

00:50:12,219 --> 00:50:08,019

some like really really weird

1106

00:50:15,370 --> 00:50:12,229

synchronicities which do let me believe

1107

00:50:18,160 --> 00:50:15,380

if and conclude that there is something

1108

00:50:20,499 --> 00:50:18,170

out there that sort of has the ability

1109

00:50:23,140 --> 00:50:20,509

of any ability to manipulate us and I

1110

00:50:25,390 --> 00:50:23,150

don't mean manipulate in a sinister way

1111

00:50:27,640 --> 00:50:25,400

I mean in a way that we may just not

1112

00:50:29,859 --> 00:50:27,650

understand there's an outside force

1113

00:50:31,680 --> 00:50:29,869

doing this but I think there's enough

1114

00:50:35,769 --> 00:50:31,690

data when it comes to things like

1115

00:50:36,970 --> 00:50:35,779

synchronicities but it does open your

1116

00:50:40,670 --> 00:50:36,980

mind to

1117

00:50:43,420 --> 00:50:40,680

another realm of existence and also it

1118

00:50:46,220 --> 00:50:43,430

points out that there are otherworldly

1119

00:50:49,070 --> 00:50:46,230

entities whether aliens or

1120

00:50:53,060 --> 00:50:49,080

multi-dimensional things which are

1121

00:50:55,820 --> 00:50:53,070

willing to support it like a feeler out

1122

00:50:58,700 --> 00:50:55,830

toward you and if you take it then I

1123

00:51:01,910 --> 00:50:58,710

think from my perspective it's always

1124

00:51:04,190 --> 00:51:01,920

been a positive thing if you choose not

1125

00:51:07,400 --> 00:51:04,200

to go with it maybe it's just not your

1126

00:51:10,130 --> 00:51:07,410

time to take it on but I would always

1127

00:51:14,240 --> 00:51:10,140

say to people if you're getting into

1128

00:51:16,820 --> 00:51:14,250

these subjects then dig into them don't

1129

00:51:19,640 --> 00:51:16,830

turn away just look what you can find

1130

00:51:22,070 --> 00:51:19,650

and look what maybe you're being taught

1131

00:51:25,640 --> 00:51:22,080

even if you're not fully aware of it

1132

00:51:29,150 --> 00:51:25,650

because from my perspective I can only

1133

00:51:33,050 --> 00:51:29,160

say that it's always ended in a positive

1134

00:51:35,420 --> 00:51:33,060

fashion and maybe a mindset as a bearing

1135

00:51:38,750 --> 00:51:35,430

on that if you go into things like this

1136

00:51:40,970 --> 00:51:38,760

synchronicities and you might your minds

1137

00:51:42,830 --> 00:51:40,980

negative all the time maybe you're gonna

1138

00:51:45,890 --> 00:51:42,840

get the worst synchronicity on the

1139

00:51:49,070 --> 00:51:45,900

planet you know so I think part of it is

1140

00:51:50,960 --> 00:51:49,080

based around your own perception of how

1141

00:51:55,400 --> 00:51:50,970

you're going to deal with things like

1142

00:51:58,370 --> 00:51:55,410

these I might add one thing do what you

1143

00:52:02,840 --> 00:51:58,380

said it used the word synchronicity this

1144

00:52:05,960 --> 00:52:02,850

is in my life the stuff that me and Ron

1145

00:52:07,970 --> 00:52:05,970

have done and in other ways that we

1146

00:52:09,430 --> 00:52:07,980

don't when we talk up we talk about it

1147

00:52:13,220 --> 00:52:09,440

we don't believe in coincidence anymore

1148

00:52:16,880 --> 00:52:13,230

hmm toss it there's no such thing

1149

00:52:19,100 --> 00:52:16,890

anymore it's it's synchronous I'm a

1150

00:52:22,550 --> 00:52:19,110

wheel what brought us all here together

1151
00:52:30,680 --> 00:52:22,560
today that wasn't coincidence we're all

1152
00:52:33,080 --> 00:52:30,690
here was not to me I've got a couple

1153
00:52:34,730 --> 00:52:33,090
questions first thanks for being here

1154
00:52:39,280 --> 00:52:34,740
where I think most people really love

1155
00:52:42,430 --> 00:52:39,290
this format and this is awesome

1156
00:52:46,569 --> 00:52:42,440
[Applause]

1157
00:52:49,019 --> 00:52:46,579
I have a couple questions first for

1158
00:52:51,970 --> 00:52:49,029
Scott I think it's probably a relatively

1159
00:52:54,220 --> 00:52:51,980
easy question and probably a short

1160
00:52:58,539 --> 00:52:54,230
answer from because he touched on it my

1161
00:53:04,539 --> 00:52:58,549
question was just like they suggested

1162
00:53:07,420 --> 00:53:04,549
area 51 they're kept bodies or live ETS

1163
00:53:12,609 --> 00:53:07,430

at some point in time after Roswell or

1164

00:53:14,859 --> 00:53:12,619

any of these other supposed crashes any

1165

00:53:17,349 --> 00:53:14,869

chance that you've had heard anything

1166

00:53:19,720 --> 00:53:17,359

that kind of gives you belief that

1167

00:53:22,210 --> 00:53:19,730

they've ever really found a body or

1168

00:53:26,979 --> 00:53:22,220

really found alive

1169

00:53:26,979 --> 00:53:26,989

yes sasquatch that's my first question

1170

00:53:33,549 --> 00:53:29,950

pervasive in our our community a study

1171

00:53:37,029 --> 00:53:33,559

that it widely believed that the

1172

00:53:41,999 --> 00:53:37,039

government knows what they are and has a

1173

00:53:45,370 --> 00:53:42,009

couple of them and I know three three um

1174

00:53:52,529 --> 00:53:45,380

different events one of them was a

1175

00:53:56,499 --> 00:53:52,539

forest fire up in Idaho and and this was

1176
00:53:59,170 --> 00:53:56,509
this was witnessed of by several of the

1177
00:54:04,509 --> 00:53:59,180
firefighters themselves that they found

1178
00:54:06,549 --> 00:54:04,519
a rather young Sasquatch that was burned

1179
00:54:08,880 --> 00:54:06,559
home horribly and they thought he was

1180
00:54:12,519 --> 00:54:08,890
dead and they went and he and the

1181
00:54:14,559 --> 00:54:12,529
rescuers came and showed up and they

1182
00:54:16,499 --> 00:54:14,569
said he was so much like a human that

1183
00:54:19,120 --> 00:54:16,509
they really thought it was just a

1184
00:54:24,999 --> 00:54:19,130
weird-looking human but he was massive

1185
00:54:27,400 --> 00:54:25,009
so they you know took care of him and

1186
00:54:31,989 --> 00:54:27,410
essentially saved his life and Here Come

1187
00:54:34,029 --> 00:54:31,999
these guys that showed up some kind of

1188
00:54:35,710 --> 00:54:34,039

government officials showed up and took

1189

00:54:39,579 --> 00:54:35,720

possession of that while he was still

1190

00:54:42,519 --> 00:54:39,589

alive and that's just one there are the

1191

00:54:44,890 --> 00:54:42,529

three specific instances that that I

1192

00:54:48,579 --> 00:54:44,900

know of that something very similar to

1193

00:54:51,790 --> 00:54:48,589

that happen one was hit by a car and was

1194

00:54:54,030 --> 00:54:51,800

knocked unconscious and

1195

00:54:58,859 --> 00:54:54,040

strangely within a matter of minutes

1196

00:55:02,980 --> 00:54:58,869

these guys show up in a black van and

1197

00:55:09,190 --> 00:55:02,990

take it away while presumably it was

1198

00:55:11,140 --> 00:55:09,200

still alive so for myself I think it's

1199

00:55:13,720 --> 00:55:11,150

it's entirely possible that the

1200

00:55:15,850 --> 00:55:13,730

government has no it's way more about

1201

00:55:21,150 --> 00:55:15,860

this than there will ever let on to us

1202

00:55:26,770 --> 00:55:22,960

thanks God

1203

00:55:30,040 --> 00:55:26,780

the second question me read it has to do

1204

00:55:34,570 --> 00:55:30,050

with some of the things sherry referred

1205

00:55:36,460 --> 00:55:34,580

to I'm trying to phrase this correctly I

1206

00:55:37,630 --> 00:55:36,470

think most people here wouldn't be here

1207

00:55:39,880 --> 00:55:37,640

if they didn't believe in a higher

1208

00:55:42,510 --> 00:55:39,890

entity such as a Supreme Being or

1209

00:55:45,070 --> 00:55:42,520

something like that I mean I've got the

1210

00:55:48,660 --> 00:55:45,080

four years I've believed in

1211

00:55:50,800 --> 00:55:48,670

reincarnation and you know all the

1212

00:55:57,160 --> 00:55:50,810

possibilities of life before and after

1213

00:56:00,310 --> 00:55:57,170

this life so you referred to dark forces

1214

00:56:03,880 --> 00:56:00,320

and I think both you and Nick kind of

1215

00:56:06,550 --> 00:56:03,890

touched on that but I think most of us

1216

00:56:09,520 --> 00:56:06,560

have if we were raised typically in a

1217

00:56:11,140 --> 00:56:09,530

Christian home always kind of could see

1218

00:56:16,050 --> 00:56:11,150

that little angel and devil on one

1219

00:56:19,990 --> 00:56:16,060

shoulder and vice versa and saw that as

1220

00:56:23,140 --> 00:56:20,000

dark and good forces but I'm just

1221

00:56:26,770 --> 00:56:23,150

wanting your definition or how you would

1222

00:56:28,840 --> 00:56:26,780

break down what a entity of a dark force

1223

00:56:31,930 --> 00:56:28,850

is not just all of them but just one

1224

00:56:40,060 --> 00:56:31,940

specific version that's my question I

1225

00:56:41,280 --> 00:56:40,070

think no I think I know what you're

1226
00:56:43,840 --> 00:56:41,290

asking

1227
00:56:45,700 --> 00:56:43,850

that's an interesting question because I

1228
00:56:47,320 --> 00:56:45,710

don't like to look at the I don't like

1229
00:56:49,830 --> 00:56:47,330

to have to look at the darker to talk

1230
00:56:54,160 --> 00:56:49,840

about it or think about it that much but

1231
00:56:57,460 --> 00:56:54,170

it took most of my life to even concede

1232
00:57:00,160 --> 00:56:57,470

that there was darkness I just didn't

1233
00:57:03,430 --> 00:57:00,170

want to believe that I come from around

1234
00:57:04,440 --> 00:57:03,440

where there was no darkness everything

1235
00:57:06,450 --> 00:57:04,450

was love and

1236
00:57:07,770 --> 00:57:06,460

and I I thought I was pretty well

1237
00:57:12,620 --> 00:57:07,780

briefed before I came into this world

1238
00:57:15,570 --> 00:57:12,630

but I wasn't prepared for the amount of

1239

00:57:20,580 --> 00:57:15,580

evil that a that exists on this planet

1240

00:57:22,110 --> 00:57:20,590

and it took a lot it took them attacking

1241

00:57:23,850 --> 00:57:22,120

me and trying to kill me for me to

1242

00:57:27,050 --> 00:57:23,860

finally admit that yes there I guess

1243

00:57:29,670 --> 00:57:27,060

there could be some darkness here so

1244

00:57:32,940 --> 00:57:29,680

what I would define as darkness is

1245

00:57:35,100 --> 00:57:32,950

anything is that is not of love it would

1246

00:57:37,650 --> 00:57:35,110

be those beings who have chosen to play

1247

00:57:40,320 --> 00:57:37,660

that role and that is the way that I

1248

00:57:43,680 --> 00:57:40,330

would put it because we are all divine

1249

00:57:45,690 --> 00:57:43,690

creatures we all come from source and we

1250

00:57:50,870 --> 00:57:45,700

all take on a role when we come onto

1251

00:57:54,870 --> 00:57:50,880

this planet the planet is is a planet of

1252

00:57:57,120 --> 00:57:54,880

duality it was created that way it was

1253

00:57:59,910 --> 00:57:57,130

structured that way so that you could

1254

00:58:01,740 --> 00:57:59,920

experience something other than love and

1255

00:58:03,180 --> 00:58:01,750

light if you're going to experience

1256

00:58:05,070 --> 00:58:03,190

something other than love and light

1257

00:58:08,070 --> 00:58:05,080

somebody has to play the part of the

1258

00:58:10,470 --> 00:58:08,080

dark they have to play the part of those

1259

00:58:12,300 --> 00:58:10,480

that are going to be contrary to the

1260

00:58:15,150 --> 00:58:12,310

love and the light that they are and

1261

00:58:17,790 --> 00:58:15,160

that you are so those who we see right

1262

00:58:21,570 --> 00:58:17,800

now out there playing that part in this

1263

00:58:25,290 --> 00:58:21,580

world are actually in my opinion their

1264

00:58:27,930 --> 00:58:25,300

souls that have made I think a sacrifice

1265

00:58:30,360 --> 00:58:27,940

of some sort possibly to take on that

1266

00:58:32,160 --> 00:58:30,370

lower frequency in order to play the

1267

00:58:35,190 --> 00:58:32,170

part in order for us to have that

1268

00:58:37,740 --> 00:58:35,200

contrast because we could not have the

1269

00:58:39,900 --> 00:58:37,750

contrast of love and light against the

1270

00:58:43,380 --> 00:58:39,910

darkness and evil if there was not

1271

00:58:47,040 --> 00:58:43,390

someone playing that part now I also

1272

00:58:49,980 --> 00:58:47,050

know that that those who have fallen too

1273

00:58:53,160 --> 00:58:49,990

far into darkness you can fall so far

1274

00:58:54,540 --> 00:58:53,170

into it that your light the divine light

1275

00:58:58,680 --> 00:58:54,550

that's within you can be all but

1276

00:59:01,440 --> 00:58:58,690

extinguished it can go very dim and for

1277

00:59:04,140 --> 00:59:01,450

those that that happens to if they don't

1278

00:59:05,840 --> 00:59:04,150

find their way back to the light if they

1279

00:59:09,090 --> 00:59:05,850

don't have their own awakening somehow

1280

00:59:11,640 --> 00:59:09,100

they will their soul will go back to

1281

00:59:15,030 --> 00:59:11,650

source to be recalibrated and they will

1282

00:59:17,340 --> 00:59:15,040

they will come back out as a new entity

1283

00:59:18,150 --> 00:59:17,350

and instead of continuing on their

1284

00:59:22,650 --> 00:59:18,160

journey as a

1285

00:59:24,920 --> 00:59:22,660

soeul but to me darkness is just simply

1286

00:59:28,380 --> 00:59:24,930

the absence of light the absence of love

1287

00:59:29,880 --> 00:59:28,390

and it is nothing to fear there's not

1288

00:59:31,740 --> 00:59:29,890

there's nothing to be afraid of when you

1289

00:59:34,890 --> 00:59:31,750

do we talk about the dark or the evil

1290

00:59:38,549 --> 00:59:34,900

because the light will always will

1291

00:59:40,680 --> 00:59:38,559

always prevail over it and the evil is

1292

00:59:42,960 --> 00:59:40,690

there to remind us of who we are so that

1293

00:59:45,269 --> 00:59:42,970

we can look within face our own fears

1294

00:59:47,970 --> 00:59:45,279

because that's all that it is is a

1295

00:59:50,039 --> 00:59:47,980

projection of our own fears and we need

1296

00:59:52,259 --> 00:59:50,049

to just confront it and choose the light

1297

00:59:54,390 --> 00:59:52,269

every time remember the truth of who you

1298

00:59:56,099 --> 00:59:54,400

are that you're an eternal soul that you

1299

00:59:58,470 --> 00:59:56,109

are one with your Creator you are the

1300

01:00:03,769 --> 00:59:58,480

Creator and you don't have to choose

1301
01:00:06,359 --> 01:00:03,779
having that experience so it's there and

1302
01:00:08,519 --> 01:00:06,369
but there's nothing really to fear in it

1303
01:00:09,660 --> 01:00:08,529
does that kind of answer the question

1304
01:00:13,259 --> 01:00:09,670
that you weren't sure if you were asking

1305
01:00:15,990 --> 01:00:13,269
okay okay yeah I want to make sure I

1306
01:00:19,019 --> 01:00:16,000
understand you Scott I don't know

1307
01:00:21,210 --> 01:00:19,029
anything about Teddy Roosevelt story the

1308
01:00:23,460 --> 01:00:21,220
Teddy Roosevelt I someone want to hear a

1309
01:00:25,700 --> 01:00:23,470
little about that and and I don't know

1310
01:00:27,870 --> 01:00:25,710
why but I kind of feel like maybe that

1311
01:00:30,359 --> 01:00:27,880
I'm getting the impression that there's

1312
01:00:32,759 --> 01:00:30,369
a that you feel that the Sasquatch maybe

1313
01:00:35,279 --> 01:00:32,769

you're not they're not benevolent

1314

01:00:38,569 --> 01:00:35,289

they're not these friendly friendly

1315

01:00:41,400 --> 01:00:38,579

things that we think they are you know

1316

01:00:43,620 --> 01:00:41,410

personally I couldn't think that the

1317

01:00:45,660 --> 01:00:43,630

Sasquatch is so much like us that I

1318

01:00:47,519 --> 01:00:45,670

think there would be bad ones can't go

1319

01:00:53,809 --> 01:00:47,529

to London Oh Kenny the sailors regarding

1320

01:00:58,099 --> 01:00:53,819

Inhumans um there's a lot of stuff a lot

1321

01:01:01,019 --> 01:00:58,109

of witness reports out there that that

1322

01:01:07,529 --> 01:01:01,029

you could only look at and say that's

1323

01:01:11,999 --> 01:01:07,539

bad that that happened was bad evil if

1324

01:01:13,950 --> 01:01:12,009

you will but you know more and more

1325

01:01:16,200 --> 01:01:13,960

there's more there are more things

1326

01:01:18,990 --> 01:01:16,210

coming out about the possibility that

1327

01:01:21,990 --> 01:01:19,000

they're not this beloved benevolent you

1328

01:01:23,730 --> 01:01:22,000

know brother like creature the with

1329

01:01:25,680 --> 01:01:23,740

Teddy Roosevelt he wrote it but he wrote

1330

01:01:26,819 --> 01:01:25,690

about it in one of his first books when

1331

01:01:29,490 --> 01:01:26,829

he was still writing about his

1332

01:01:29,920 --> 01:01:29,500

adventures out west and there were to

1333

01:01:33,970 --> 01:01:29,930

try

1334

01:01:37,390 --> 01:01:33,980

verse that were I can't remember exactly

1335

01:01:44,200 --> 01:01:37,400

where it is I think Northwest somewhere

1336

01:01:47,049 --> 01:01:44,210

but they had been frightened for several

1337

01:01:49,000 --> 01:01:47,059

nights the same way did that Ronon of

1338

01:01:53,770 --> 01:01:49,010

the hunters up there and the COS were

1339

01:01:58,299 --> 01:01:53,780

and it had become so bad that one of

1340

01:01:59,770 --> 01:01:58,309

them had had gone off to do something

1341

01:02:01,329 --> 01:01:59,780

was checking his traps he was gonna go

1342

01:02:05,890 --> 01:02:01,339

find some help and stuff like this when

1343

01:02:11,680 --> 01:02:05,900

they came back when he came back his his

1344

01:02:13,720 --> 01:02:11,690

partner trapper had been his head

1345

01:02:15,430 --> 01:02:13,730

they found him right there and huge

1346

01:02:17,620 --> 01:02:15,440

footprints all over the place this was

1347

01:02:19,089 --> 01:02:17,630

in Teddy Roosevelt's book you can look

1348

01:02:22,780 --> 01:02:19,099

it up I just can't remember the name of

1349

01:02:25,390 --> 01:02:22,790

the incident right now but they found

1350

01:02:29,410 --> 01:02:25,400

the footprints and they found the guy

1351

01:02:36,039 --> 01:02:29,420

with his head twisted backwards and his

1352

01:02:38,950 --> 01:02:36,049

skull had a giant a huge canine marks in

1353

01:02:40,839 --> 01:02:38,960

it which has caused a you know because a

1354

01:02:43,539 --> 01:02:40,849

lot of people say well I was just a big

1355

01:02:45,220 --> 01:02:43,549

mountain lion you know well mountain

1356

01:02:48,940 --> 01:02:45,230

lion don't have gigantic human looking

1357

01:02:50,710 --> 01:02:48,950

feet you know and if we can trust any of

1358

01:02:53,020 --> 01:02:50,720

the presidents I don't know I guess we

1359

01:02:56,160 --> 01:02:53,030

could we might could trust Teddy

1360

01:02:59,200 --> 01:02:56,170

Roosevelt before he was a president

1361

01:03:01,359 --> 01:02:59,210

that's where that story comes do you see

1362

01:03:03,400 --> 01:03:01,369

a correlation you mentioned that for one

1363

01:03:06,160 --> 01:03:03,410

one is there a correlation between

1364

01:03:08,589 --> 01:03:06,170

missing people are you are you seeing

1365

01:03:11,799 --> 01:03:08,599

there the forewoman series is a there's

1366

01:03:16,030 --> 01:03:11,809

a work by uh David Polly uses a next ex

1367

01:03:20,049 --> 01:03:16,040

oh yeah well versed in the interrogation

1368

01:03:24,460 --> 01:03:20,059

techniques and interviews and so he does

1369

01:03:27,400 --> 01:03:24,470

investigations of all of these and yeah

1370

01:03:30,160 --> 01:03:27,410

that there's a thing about that there's

1371

01:03:34,640 --> 01:03:30,170

so many of them that's that's the volume

1372

01:03:38,329 --> 01:03:34,650

of work he's eight nine books

1373

01:03:40,450 --> 01:03:38,339

fitness so and it's just one episode

1374

01:03:45,469 --> 01:03:40,460

after another of people that disappear

1375

01:03:47,589 --> 01:03:45,479

often from often from national parks and

1376

01:03:51,259 --> 01:03:47,599

they again they disappear without any

1377

01:03:54,140 --> 01:03:51,269

evidence whatsoever now if you and you

1378

01:03:58,249 --> 01:03:54,150

know we speculate about this me Ron and

1379

01:04:01,160 --> 01:03:58,259

Dave you know why would a sasquatch do

1380

01:04:04,489 --> 01:04:01,170

this it's been speculated are they

1381

01:04:08,719 --> 01:04:04,499

helping the aliens abduct people you

1382

01:04:10,519 --> 01:04:08,729

know you can't help but speculate that

1383

01:04:15,999 --> 01:04:10,529

with with the evidence that's out there

1384

01:04:18,440 --> 01:04:16,009

right now they don't we don't think

1385

01:04:20,089 --> 01:04:18,450

they're not disappearances where you

1386

01:04:21,680 --> 01:04:20,099

know the guerilla type thing is just

1387

01:04:23,690 --> 01:04:21,690

wants to eat a human being and leave

1388

01:04:27,549 --> 01:04:23,700

half of it there when they're gone

1389

01:04:29,749 --> 01:04:27,559

they're gone with all evidence so in

1390

01:04:33,829 --> 01:04:29,759

speculating about it you know you have

1391

01:04:36,680 --> 01:04:33,839

to put yourself in a sasquatch you know

1392

01:04:38,719 --> 01:04:36,690

position if you're gonna kill a human

1393

01:04:41,120 --> 01:04:38,729

being worried or abduct one why you

1394

01:04:42,789 --> 01:04:41,130

wouldn't leave any evidence because when

1395

01:04:45,829 --> 01:04:42,799

you leave evidence what does that do it

1396

01:04:48,620 --> 01:04:45,839

attracts more people and that's the last

1397

01:04:53,120 --> 01:04:48,630

thing is ask question once if there are

1398

01:04:54,049 --> 01:04:53,130

so ability for survival is the avoidance

1399

01:04:55,789 --> 01:04:54,059

of humans

1400

01:05:00,079 --> 01:04:55,799

you wouldn't do something that would

1401

01:05:06,609 --> 01:05:00,089

that would cause hundreds of humans to

1402

01:05:13,160 --> 01:05:06,619

show up and for you you know there was a

1403

01:05:16,400 --> 01:05:13,170

I'm sorry let me add this that um the

1404

01:05:18,890 --> 01:05:16,410

missing for one phenomena they've been

1405

01:05:20,779 --> 01:05:18,900

very careful not to and they've never in

1406

01:05:25,339 --> 01:05:20,789

any of them have they ever mentioned the

1407

01:05:26,989 --> 01:05:25,349

word Sasquatch they they've laid out the

1408

01:05:28,759 --> 01:05:26,999

investigation Ladell with all of the

1409

01:05:31,789 --> 01:05:28,769

evidence exactly what happened is going

1410

01:05:34,009 --> 01:05:31,799

where disappear and many of these where

1411

01:05:36,319 --> 01:05:34,019

children disappear they disappear from

1412

01:05:38,269 --> 01:05:36,329

here to that table from their parents or

1413

01:05:43,099 --> 01:05:38,279

their parents might look one direction

1414

01:05:47,670 --> 01:05:43,109

and come and gone and itch

1415

01:05:51,810 --> 01:05:47,680

it's it's not always you know in you

1416

01:05:58,230 --> 01:05:51,820

know heavily forested area is often it's

1417

01:06:01,200 --> 01:05:58,240

out in plain field clearings things like

1418

01:06:03,240 --> 01:06:01,210

this and they're just gone and they

1419

01:06:07,740 --> 01:06:03,250

never tried to tie that to UFO and and

1420

01:06:09,900 --> 01:06:07,750

they've um again if they've been very

1421

01:06:12,570 --> 01:06:09,910

careful about simply laying out the

1422

01:06:14,430 --> 01:06:12,580

evidence and not bringing up UFO

1423

01:06:20,220 --> 01:06:14,440

abductions you know not bringing up

1424

01:06:23,160 --> 01:06:20,230

there any the interdimensional thing and

1425

01:06:27,150 --> 01:06:23,170

not bringing up sasquatch there has been

1426

01:06:28,830 --> 01:06:27,160

a lot of Sasquatch correlation at that

1427

01:06:30,510 --> 01:06:28,840

specific time where this person might

1428

01:06:33,300 --> 01:06:30,520

have disappeared and someone saw

1429

01:06:35,670 --> 01:06:33,310

something weird or saw footprints or

1430

01:06:39,570 --> 01:06:35,680

something but he all he does is lay out

1431

01:06:42,570 --> 01:06:39,580

the evidence and let you decide it's

1432

01:06:46,220 --> 01:06:42,580

inescapable it's something something's

1433

01:06:48,420 --> 01:06:46,230

going on you mentioned something about

1434

01:06:51,050 --> 01:06:48,430

mutable mutilations and I know that

1435

01:06:53,430 --> 01:06:51,060

there was a Moulton Howe was

1436

01:06:56,810 --> 01:06:53,440

investigator has written a couple of

1437

01:07:01,650 --> 01:06:56,820

books that was kind of them initial

1438

01:07:06,000 --> 01:07:01,660

start of the book for her where is that

1439

01:07:07,890 --> 01:07:06,010

now I mean I well do people just not

1440

01:07:10,650 --> 01:07:07,900

talk about it every now and then you may

1441

01:07:13,650 --> 01:07:10,660

hear of a case but it's nothing like it

1442

01:07:16,200 --> 01:07:13,660

was at one time as far as a reported

1443

01:07:19,680 --> 01:07:16,210

yeah you're right I mean most of the

1444

01:07:22,200 --> 01:07:19,690

reports of animal mutilations cattle

1445

01:07:25,380 --> 01:07:22,210

mutilations kind of went on from the

1446

01:07:27,510 --> 01:07:25,390

late 60s that the peak years were the

1447

01:07:30,120 --> 01:07:27,520

seventies and then there's a lot in the

1448

01:07:35,460 --> 01:07:30,130

80s and certainly to dropped off in the

1449

01:07:38,099 --> 01:07:35,470

90s and the 21st century part of it kind

1450

01:07:41,280 --> 01:07:38,109

of depends on who you believe the

1451
01:07:43,500 --> 01:07:41,290
mutilators you know you've got the UFO

1452
01:07:45,870 --> 01:07:43,510
angle there's a theory that the

1453
01:07:48,870 --> 01:07:45,880
government's concerned that something

1454
01:07:51,359 --> 01:07:48,880
like mad cow disease is getting into the

1455
01:07:54,200 --> 01:07:51,369
food chain and they're worried about

1456
01:07:55,730 --> 01:07:54,210
that and so they're doing stealthy

1457
01:07:59,540 --> 01:07:55,740
investigations and things

1458
01:08:03,590 --> 01:07:59,550
like that you have satanic cults all

1459
01:08:05,390 --> 01:08:03,600
sorts of different theories but I guess

1460
01:08:07,370 --> 01:08:05,400
the most intriguing ones are the reports

1461
01:08:11,300 --> 01:08:07,380
where people see strange lights in the

1462
01:08:13,850 --> 01:08:11,310
sky where these mutilations occurred

1463
01:08:16,280 --> 01:08:13,860

with organs removed and blood removed

1464

01:08:19,130 --> 01:08:16,290

and where it doesn't seem to have been

1465

01:08:22,519 --> 01:08:19,140

done by a wild animal it seems to be

1466

01:08:25,640 --> 01:08:22,529

done you know within intelligence that

1467

01:08:28,010 --> 01:08:25,650

kind of thing but there's no doubt that

1468

01:08:30,349 --> 01:08:28,020

the subjects dropped off but I mean one

1469

01:08:33,590 --> 01:08:30,359

one refreshing thing that people might

1470

01:08:36,440 --> 01:08:33,600

be interested in the FBI have done a

1471

01:08:38,900 --> 01:08:36,450

really good job of declassifying a lot

1472

01:08:40,220 --> 01:08:38,910

of their files on different subjects

1473

01:08:43,340 --> 01:08:40,230

through the Freedom of Information Act

1474

01:08:48,079 --> 01:08:43,350

and if you go to the FBI's website which

1475

01:08:51,140 --> 01:08:48,089

is vault gov they've actually placed all

1476

01:08:53,300 --> 01:08:51,150

their cattle mutilation files on the

1477

01:08:57,170 --> 01:08:53,310

vault website and you can download all

1478

01:09:00,140 --> 01:08:57,180

the pages that in PDF format and there's

1479

01:09:02,180 --> 01:09:00,150

about as close to about 200 pages of it

1480

01:09:05,300 --> 01:09:02,190

the whole history of how and why the FBI

1481

01:09:07,940 --> 01:09:05,310

got involved in the cattle mutilation

1482

01:09:10,160 --> 01:09:07,950

investigations and it's a really weird

1483

01:09:12,950 --> 01:09:10,170

story filled with tales of black

1484

01:09:16,640 --> 01:09:12,960

helicopters and organs removed from

1485

01:09:18,680 --> 01:09:16,650

animals and and the people being warned

1486

01:09:22,550 --> 01:09:18,690

ranchers being warned about things and

1487

01:09:25,220 --> 01:09:22,560

so but the best book to read on that is

1488

01:09:27,620 --> 01:09:25,230

Chris El Brian's book stalking the herd

1489

01:09:30,559 --> 01:09:27,630

which came out about three years ago and

1490

01:09:33,680 --> 01:09:30,569

the books like that and and if you want

1491

01:09:36,590 --> 01:09:33,690

sort of a really good over view of the

1492

01:09:46,309 --> 01:09:36,600

sub the subject Chris book is the the

1493

01:09:50,809 --> 01:09:46,319

best ones again I have a comment and a

1494

01:09:53,960 --> 01:09:50,819

question for neck my comment is that

1495

01:09:57,940 --> 01:09:53,970

when we look at the scientific progress

1496

01:10:00,620 --> 01:09:57,950

that humanity has made over the last

1497

01:10:03,530 --> 01:10:00,630

sixty seventy years after the Second

1498

01:10:07,790 --> 01:10:03,540

World War we see a tremendous explosion

1499

01:10:08,340 --> 01:10:07,800

of scientific discoveries and progress

1500

01:10:12,180 --> 01:10:08,350

that is

1501

01:10:17,580 --> 01:10:12,190

so mind-boggling so I grew up in

1502

01:10:20,760 --> 01:10:17,590

Pakistan so the u-2 spy planes were

1503

01:10:26,910 --> 01:10:20,770

flying out of Pakistan from Peshawar or

1504

01:10:29,700 --> 01:10:26,920

airbase in the 1950s and then we see the

1505

01:10:32,990 --> 01:10:29,710

movies of the Second World War war

1506

01:10:35,850 --> 01:10:33,000

planes and they're like you know those

1507

01:10:39,420 --> 01:10:35,860

propellers and they have their wheels

1508

01:10:43,110 --> 01:10:39,430

hanging out and and all of a sudden we

1509

01:10:48,240 --> 01:10:43,120

have this u-2 spy plane so my question

1510

01:10:50,190 --> 01:10:48,250

is that do you think that the government

1511

01:10:53,940 --> 01:10:50,200

in the military has actually been

1512

01:10:56,910 --> 01:10:53,950

learning from the alien aircraft and

1513

01:10:59,970 --> 01:10:56,920

that is what is actually leading to all

1514

01:11:03,330 --> 01:10:59,980

the mind-boggling scientific progress

1515

01:11:06,920 --> 01:11:03,340

that has we have made over the last 50

1516

01:11:10,830 --> 01:11:06,930

years with all these technologies and

1517

01:11:14,190 --> 01:11:10,840

well I think you can make a case that

1518

01:11:19,350 --> 01:11:14,200

when you look into some UFO incidents

1519

01:11:21,780 --> 01:11:19,360

where for example this is clearly a

1520

01:11:25,290 --> 01:11:21,790

demonstration of high-tech technology

1521

01:11:27,390 --> 01:11:25,300

like UFOs traveling at incredible speeds

1522

01:11:31,050 --> 01:11:27,400

and then coming literally to a complete

1523

01:11:34,050 --> 01:11:31,060

stop in the sky now of course you know

1524

01:11:36,360 --> 01:11:34,060

if you're on an aircraft and the planes

1525

01:11:38,670 --> 01:11:36,370

flying at 600 mile an hour and it

1526

01:11:41,930 --> 01:11:38,680

suddenly stops you know or turn like

1527

01:11:46,590 --> 01:11:41,940

that you be killed by the g-forces and

1528

01:11:50,520 --> 01:11:46,600

so there is evidence of high technology

1529

01:11:53,300 --> 01:11:50,530

in use and I think certainly from the

1530

01:11:56,550 --> 01:11:53,310

perspective of military agencies

1531

01:11:58,920 --> 01:11:56,560

probably the most important thing to

1532

01:12:04,080 --> 01:11:58,930

them would be the issue of weaponizing

1533

01:12:07,950 --> 01:12:04,090

or replicating the technology and I

1534

01:12:10,080 --> 01:12:07,960

think that whether you consider this

1535

01:12:12,330 --> 01:12:10,090

fortunate or unfortunate but I think

1536

01:12:15,030 --> 01:12:12,340

most agencies that are looking into it

1537

01:12:17,250 --> 01:12:15,040

aren't necessarily looking into it to

1538

01:12:20,190 --> 01:12:17,260

see where they're coming from it's what

1539

01:12:22,200 --> 01:12:20,200

can we learn from the technology can we

1540

01:12:25,140 --> 01:12:22,210

weaponize it to take on

1541

01:12:27,080 --> 01:12:25,150

the enemy even better you know and

1542

01:12:31,410 --> 01:12:27,090

that's I guess that says a lot about us

1543

01:12:33,959 --> 01:12:31,420

the human race you know that maybe that

1544

01:12:37,860 --> 01:12:33,969

for military agencies sometimes you know

1545

01:12:40,770 --> 01:12:37,870

that it's a situation where you looking

1546

01:12:42,840 --> 01:12:40,780

at priorities not necessarily all we

1547

01:12:45,750 --> 01:12:42,850

need to know whether which will they're

1548

01:12:49,560 --> 01:12:45,760

from or what their history is that may

1549

01:12:53,250 --> 01:12:49,570

not actually be the the focus on many of

1550

01:12:55,050 --> 01:12:53,260

these agencies it might just be well how

1551

01:12:59,280 --> 01:12:55,060

does it how is this craft able to

1552

01:13:02,580 --> 01:12:59,290

perform these particular maneuvers how

1553

01:13:05,100 --> 01:13:02,590

is it that they can affect you know

1554

01:13:07,800 --> 01:13:05,110

other aircraft for example the stories

1555

01:13:11,040 --> 01:13:07,810

where pilots have been chasing UFOs and

1556

01:13:12,600 --> 01:13:11,050

the the pilots have suddenly lost all

1557

01:13:16,530 --> 01:13:12,610

their power and they've literally had

1558

01:13:18,330 --> 01:13:16,540

some like an emergency parachute because

1559

01:13:20,310 --> 01:13:18,340

otherwise you know they just plummet to

1560

01:13:23,370 --> 01:13:20,320

the ground so I think a lot of the

1561

01:13:25,830 --> 01:13:23,380

concerns and the the research is based

1562

01:13:30,150 --> 01:13:25,840

around the science and the technology

1563

01:13:32,280 --> 01:13:30,160

and what we can learn from it there's a

1564

01:13:36,420 --> 01:13:32,290

very controversial book or the day after

1565

01:13:38,340 --> 01:13:36,430

Roswell written by Philip Corso which I

1566

01:13:40,620 --> 01:13:38,350

don't really personally buy into the

1567

01:13:42,660 --> 01:13:40,630

story but it's you know it does have a

1568

01:13:47,100 --> 01:13:42,670

lot of followers I did he died a few

1569

01:13:50,070 --> 01:13:47,110

years back but the he claimed that he

1570

01:13:53,100 --> 01:13:50,080

worked on back-engineering the

1571

01:13:57,060 --> 01:13:53,110

technology supposedly found at Roswell

1572

01:14:01,800 --> 01:13:57,070

and also talked about how things like

1573

01:14:04,290 --> 01:14:01,810

fiber optics various parts for computers

1574

01:14:07,880 --> 01:14:04,300

things like this night-vision equipment

1575

01:14:10,380 --> 01:14:07,890

he claimed that at least part of these

1576

01:14:13,680 --> 01:14:10,390

technology that we know take for granted

1577

01:14:16,530 --> 01:14:13,690

he claimed that the technology came from

1578

01:14:18,780 --> 01:14:16,540

studying alien technology and of course

1579

01:14:20,820 --> 01:14:18,790

it's whether you buy into course our

1580

01:14:23,370 --> 01:14:20,830

story or not but if you wanted to learn

1581

01:14:26,100 --> 01:14:23,380

more about it that is a book that

1582

01:14:29,820 --> 01:14:26,110

actually the entire book is about sort

1583

01:14:32,820 --> 01:14:29,830

of re-engineering alien technology for

1584

01:14:35,090 --> 01:14:32,830

for the sort of military powers so to

1585

01:14:36,770 --> 01:14:35,100

speak

1586

01:14:38,960 --> 01:14:36,780

and looking at my notes I'll figure out

1587

01:14:42,410 --> 01:14:38,970

there was one I still wanted to ask a

1588

01:14:45,560 --> 01:14:42,420

Bigfoot question it seems to be a lot of

1589

01:14:48,800 --> 01:14:45,570

research on doing doing research on

1590

01:14:52,280 --> 01:14:48,810

Bigfoot at night which is some of those

1591

01:14:54,710 --> 01:14:52,290

movies TV shows I've shown that is there

1592

01:14:58,760 --> 01:14:54,720

any thoughts on the like Bigfoot

1593

01:15:01,310 --> 01:14:58,770

sasquatch having like cat vision you

1594

01:15:01,790 --> 01:15:01,320

know animals that really see well in the

1595

01:15:05,000 --> 01:15:01,800

dark

1596

01:15:07,940 --> 01:15:05,010

I mean raccoons do and cats I just like

1597

01:15:10,210 --> 01:15:07,950

see if there's some feedback on that now

1598

01:15:12,680 --> 01:15:10,220

you're getting into high strangeness

1599

01:15:17,270 --> 01:15:12,690

because there's there's a there are

1600

01:15:22,190 --> 01:15:17,280

actually so many witness reports they

1601
01:15:27,110 --> 01:15:22,200
say that like they saw a shadow and they

1602
01:15:29,150 --> 01:15:27,120
knew it was a sasquatch and then but the

1603
01:15:34,880 --> 01:15:29,160
light was just so that they actually saw

1604
01:15:36,470 --> 01:15:34,890
red beams coming out of the ice this you

1605
01:15:40,490 --> 01:15:36,480
know which causes other Bigfoot

1606
01:15:41,840 --> 01:15:40,500
researchers researchers to say what what

1607
01:15:45,110 --> 01:15:41,850
are you talking about like they're big

1608
01:15:47,680 --> 01:15:45,120
robots machines you know so it's that's

1609
01:15:49,970 --> 01:15:47,690
a lot of that is ridicule ridiculed but

1610
01:15:52,850 --> 01:15:49,980
the bottom line is there are there are

1611
01:15:56,780 --> 01:15:52,860
too many to dismiss this idea that they

1612
01:16:00,860 --> 01:15:56,790
have they have such good night vision

1613
01:16:03,560 --> 01:16:00,870

that they might even have active night

1614

01:16:07,310 --> 01:16:03,570

vision that they could who knows that

1615

01:16:10,490 --> 01:16:07,320

they can turn on and off often at night

1616

01:16:15,170 --> 01:16:10,500

their eyes are described as being huge

1617

01:16:18,110 --> 01:16:15,180

and yellow or golden in color almost

1618

01:16:19,490 --> 01:16:18,120

like they emit their own light but then

1619

01:16:21,650 --> 01:16:19,500

when you see you if he turns to the

1620

01:16:23,900 --> 01:16:21,660

profile of you they oft often they say

1621

01:16:29,750 --> 01:16:23,910

that there is actually a red glow that

1622

01:16:31,190 --> 01:16:29,760

comes in a cone almost it comes out then

1623

01:16:34,820 --> 01:16:31,200

it's just the fact that those those

1624

01:16:37,430 --> 01:16:34,830

witness reports exist and there are too

1625

01:16:38,990 --> 01:16:37,440

many of them and it's light law like all

1626

01:16:45,110 --> 01:16:39,000

these witnesses got together and say

1627

01:16:47,510 --> 01:16:45,120

let's make this awful yeah

1628

01:16:48,800 --> 01:16:47,520

think they can see as well better and

1629

01:16:51,470 --> 01:16:48,810

then not at night time than they can

1630

01:16:55,820 --> 01:16:51,480

today and one of the other things is is

1631

01:16:56,780 --> 01:16:55,830

that it is claimed and advised that if

1632

01:16:58,250 --> 01:16:56,790

you're going to go out and you're

1633

01:17:00,530 --> 01:16:58,260

worried about a sasquatch

1634

01:17:01,790 --> 01:17:00,540

don't take a gun you're not gonna see

1635

01:17:03,140 --> 01:17:01,800

them anyway you're not gonna hear them

1636

01:17:05,590 --> 01:17:03,150

even if you shoot because you're gonna

1637

01:17:11,570 --> 01:17:05,600

be so nervous he says but you take it

1638

01:17:14,030 --> 01:17:11,580

take a big flashlight because they just

1639

01:17:16,670 --> 01:17:14,040

as all sailors know you know if you're

1640

01:17:19,160 --> 01:17:16,680

on if you're Manning the you know the

1641

01:17:21,530 --> 01:17:19,170

the forward lookout you have to develop

1642

01:17:23,740 --> 01:17:21,540

night vision we practice that it takes

1643

01:17:26,180 --> 01:17:23,750

an hour to get your night vision right

1644

01:17:29,420 --> 01:17:26,190

you know before you can go out and

1645

01:17:32,150 --> 01:17:29,430

perform that Duty and as the slightest

1646

01:17:34,670 --> 01:17:32,160

the slightest little flash of flare

1647

01:17:37,430 --> 01:17:34,680

destroys that person's night vision for

1648

01:17:41,090 --> 01:17:37,440

hours so we have to think that the
