00:00:21,790 --> 00:00:14,430
[Music]

2
00:00:27,640 --> 00:00:26,230
my contact has become cloudy since I was

3
00:00:29,380 --> 00:00:27,650
poisoned since I was attacked

4
00:00:30,610 --> 00:00:29,390
between the poison and the

5
00:00:32,679 --> 00:00:30,620
[Music]

6
00:00:34,780 --> 00:00:32,689
and the elf radiation that was used on

7
00:00:35,860 --> 00:00:34,790
me and the whole mind-control I mean all

8
00:00:39,070 --> 00:00:35,870
this stuff that I went through it just

9
00:00:41,320 --> 00:00:39,080
it wiped me out and so to have good

10
00:00:43,200 --> 00:00:41,330
communication generally means that you

11
00:00:47,979 --> 00:00:43,210
have to have a pretty high frequency and

12
00:00:51,820 --> 00:00:47,989
my frequency was brought way down from

13
00:00:53,380 --> 00:00:51,830

from those events so my contact is

14

00:00:57,490 --> 00:00:53,390

sporadic it's interesting that when I

15

00:00:59,650 --> 00:00:57,500

hear from him it's it's an intense

16

00:01:00,970 --> 00:00:59,660

Frederic moments like I was saying

17

00:01:04,450 --> 00:01:00,980

yesterday I'll be having a conversation

18

00:01:06,609 --> 00:01:04,460

with Jim or something like I was having

19

00:01:09,670 --> 00:01:06,619

and when I thought when I said something

20

00:01:11,410 --> 00:01:09,680

about how it was strange that all the

21

00:01:12,790 --> 00:01:11,420

people near and dear to me most everyone

22

00:01:16,270 --> 00:01:12,800

who is near and dear to me have

23

00:01:17,260 --> 00:01:16,280

disappeared from my life and I said to

24

00:01:18,730 --> 00:01:17,270

him you know it's hard not to get

25

00:01:21,100 --> 00:01:18,740

paranoid it almost seems like it's by

26
00:01:24,430 --> 00:01:21,110
design and then WHAM then I hear from da

27
00:01:26,920 --> 00:01:24,440
you know he goes he get was that ha you

28
00:01:30,310 --> 00:01:26,930
know and you thought that was just a

29
00:01:32,139 --> 00:01:30,320
coincidence or What did he say something

30
00:01:33,820 --> 00:01:32,149
along those lines he said you know that

31
00:01:36,790 --> 00:01:33,830
was all by design you know you are being

32
00:01:38,620 --> 00:01:36,800
isolated so I get things like that I

33
00:01:41,469 --> 00:01:38,630
don't have the kind of contact I had

34
00:01:44,249 --> 00:01:41,479
before which was the purpose I think of

35
00:01:46,540 --> 00:01:44,259
the attack because I had such clear

36
00:01:48,809 --> 00:01:46,550
downloads from them in such clear

37
00:01:54,309 --> 00:01:48,819
conscious recall of my time with them

38
00:01:58,050 --> 00:01:54,319

but it's diminished greatly since since

39

00:02:01,690 --> 00:01:58,060

about 2014 and I've been very distracted

40

00:02:04,600 --> 00:02:01,700

just trying to keep well trying to keep

41

00:02:06,100 --> 00:02:04,610

the body alive I didn't want to keep the

42

00:02:07,180 --> 00:02:06,110

body alive after a while you know that

43

00:02:10,779 --> 00:02:07,190

was another part of it

44

00:02:13,089 --> 00:02:10,789

requesting an exit and being granted an

45

00:02:15,220 --> 00:02:13,099

exit and that story has been told and

46

00:02:17,640 --> 00:02:15,230

it's you know it's not my favorite story

47

00:02:23,050 --> 00:02:17,650

to tell but it's interesting to me that

48

00:02:25,449 --> 00:02:23,060

that they anelia bezu was the one who

49

00:02:27,580 --> 00:02:25,459

delivered the messages to me from my

50

00:02:29,920 --> 00:02:27,590

guys saying you know what I reconsider

51
00:02:31,240 --> 00:02:29,930
saying she doesn't call it an

52
00:02:32,500 --> 00:02:31,250
intervention so I don't want to call it

53
00:02:36,090 --> 00:02:32,510
an intervention but it felt like an

54
00:02:40,470 --> 00:02:36,100
intervention to me so right now

55
00:02:43,830 --> 00:02:40,480
my guys mainly seem to be focused on my

56
00:02:46,700 --> 00:02:43,840
stayin here in order to get the movie

57
00:02:50,510 --> 00:02:46,710
they want the movie to come out and

58
00:02:54,090 --> 00:02:50,520
that's you know sometimes I feel a

59
00:02:56,370 --> 00:02:54,100
little resentful because I'm you know

60
00:03:00,030 --> 00:02:56,380
I've kind of been ready to to be done

61
00:03:02,400 --> 00:03:00,040
with this and I feel like I I've worked

62
00:03:03,780 --> 00:03:02,410
hard and I did what I came here to do

63
00:03:07,410 --> 00:03:03,790

for the most part but they really really

64

00:03:09,330 --> 00:03:07,420

want that movie so I know that they're

65

00:03:11,550 --> 00:03:09,340

pushing from their side of things

66

00:03:13,490 --> 00:03:11,560

because the people who optioned my book

67

00:03:16,530 --> 00:03:13,500

immediately after it came out are

68

00:03:20,760 --> 00:03:16,540

wonderful people but the movie was

69

00:03:22,440 --> 00:03:20,770

probably not going to happen and so they

70

00:03:25,560 --> 00:03:22,450

dropped it back to a documentary which

71

00:03:29,310 --> 00:03:25,570

they filmed and within a few weeks of

72

00:03:32,850 --> 00:03:29,320

them filming the documentary along comes

73

00:03:34,890 --> 00:03:32,860

this other lady who has the wherewithal

74

00:03:38,100 --> 00:03:34,900

to get the movie made and she's joined

75

00:03:39,750 --> 00:03:38,110

forces with the original people and so

76

00:03:41,760 --> 00:03:39,760

they're working on it now so that's

77

00:03:43,620 --> 00:03:41,770

where the focus is so as far as my

78

00:03:47,280 --> 00:03:43,630

updates for my guys on what's going on

79

00:03:49,020 --> 00:03:47,290

worldwide I know I've had interactions

80

00:03:52,140 --> 00:03:49,030

with him I know that that I'm still

81

00:03:54,360 --> 00:03:52,150

going into that other life frequently

82

00:03:56,660 --> 00:03:54,370

I'm just not I'm just

83

00:04:01,620 --> 00:03:56,670

I think struggling so much with just

84

00:04:05,910 --> 00:04:01,630

day-to-day getting through life that I'm

85

00:04:06,990 --> 00:04:05,920

not really recalling it's almost I'm

86

00:04:09,720 --> 00:04:07,000

getting the word right now I'm not

87

00:04:12,570 --> 00:04:09,730

burdened with having a recall of all

88

00:04:14,550 --> 00:04:12,580

that it's it would probably be more than

89

00:04:16,530 --> 00:04:14,560

I need because I do have to focus on

90

00:04:20,039 --> 00:04:16,540

making a living which takes a lot of

91

00:04:21,479 --> 00:04:20,049

energy from me and so that's my life

92

00:04:23,370 --> 00:04:21,489

right now it's it's a lot different than

93

00:04:24,840 --> 00:04:23,380

what it was a few years back when I

94

00:04:27,570 --> 00:04:24,850

first the book first came out and I was

95

00:04:30,840 --> 00:04:27,580

really in the flow of it and bringing

96

00:04:32,490 --> 00:04:30,850

through information and but so I don't

97

00:04:36,750 --> 00:04:32,500

really have a lot of new stuff coming

98

00:04:42,890 --> 00:04:36,760

through I mean as I said in my talk

99

00:04:49,590 --> 00:04:45,689

intertwined The Awakening on the planet

100

00:04:51,629 --> 00:04:49,600

is with politics and I didn't really

101
00:04:54,900 --> 00:04:51,639
think about it it just was what it was

102
00:04:56,700 --> 00:04:54,910
but it's as the election came closer and

103
00:05:00,090 --> 00:04:56,710
closer the last presidential election I

104
00:05:02,700 --> 00:05:00,100
became aware of the intensity of that

105
00:05:03,990 --> 00:05:02,710
and I thought it a little strange but I

106
00:05:06,600 --> 00:05:04,000
didn't really think about it too much

107
00:05:09,420 --> 00:05:06,610
and I didn't think about it until

108
00:05:12,390 --> 00:05:09,430
someone asked me point-blank if dye was

109
00:05:15,029 --> 00:05:12,400
a member of the Alliance and I heard

110
00:05:22,020 --> 00:05:15,039
myself respond by saying yes that he is

111
00:05:24,540 --> 00:05:22,030
and that that seems political as opposed

112
00:05:26,189 --> 00:05:24,550
to what I've been putting out there

113
00:05:27,629 --> 00:05:26,199

which is about the Ascension which seems

114

00:05:30,840 --> 00:05:27,639

to be in a whole other matter of

115

00:05:33,900 --> 00:05:30,850

spiritual development but when you break

116

00:05:36,570 --> 00:05:33,910

it down when you look at it truly it's

117

00:05:38,250 --> 00:05:36,580

not because the Great Awakening on

118

00:05:43,780 --> 00:05:38,260

planet Earth but the great earth changes

119

00:05:45,670 --> 00:05:43,790

is my guys call it is tied to

120

00:05:47,680 --> 00:05:45,680

the earth humans declaring their

121

00:05:49,570 --> 00:05:47,690

sovereignty and declaring themselves

122

00:05:51,550 --> 00:05:49,580

free of the control system that's huge

123

00:05:53,620 --> 00:05:51,560

that's every that is the awakening the

124

00:05:55,780 --> 00:05:53,630

awakening is about you know tapping into

125

00:05:58,000 --> 00:05:55,790

your own power thinking for yourself

126

00:06:00,430 --> 00:05:58,010

making your own decisions for yourself

127

00:06:05,320 --> 00:06:00,440

and not being led around like humanity

128

00:06:07,750 --> 00:06:05,330

has for the for practically forever beat

129

00:06:10,180 --> 00:06:07,760

by being told having that control system

130

00:06:14,220 --> 00:06:10,190

in place and they're nothing but slaves

131

00:06:17,070 --> 00:06:14,230

to it and now the stakes are high

132

00:06:20,560 --> 00:06:17,080

because of the Ascension is looming and

133

00:06:22,740 --> 00:06:20,570

the controllers do not want humanity to

134

00:06:25,330 --> 00:06:22,750

survive they do not want us to make this

135

00:06:26,980 --> 00:06:25,340

ascension and the controller's of course

136

00:06:29,560 --> 00:06:26,990

are directly linked to the power

137

00:06:34,000 --> 00:06:29,570

structure which is the political the

138

00:06:35,950 --> 00:06:34,010

governments the banking industry the big

139

00:06:38,230 --> 00:06:35,960

corporations the people who supply our

140

00:06:41,500 --> 00:06:38,240

food and our medical care those are all

141

00:06:44,470 --> 00:06:41,510

all intertwined you know lead back to

142

00:06:48,180 --> 00:06:44,480

the dark forces that have had control

143

00:06:51,790 --> 00:06:48,190

the planet so it's like duh of course

144

00:06:53,200 --> 00:06:51,800

politics have to play a part in it it's

145

00:06:55,930 --> 00:06:53,210

a hot subject you know it's a hot button

146

00:06:58,840 --> 00:06:55,940

right now people are so I cannot believe

147

00:07:02,110 --> 00:06:58,850

how polarized people are and I have

148

00:07:05,040 --> 00:07:02,120

people who I know who are I would

149

00:07:07,210 --> 00:07:05,050

consider somewhat awake somewhat aware

150

00:07:10,930 --> 00:07:07,220

more than the average person they're

151

00:07:12,310 --> 00:07:10,940

certainly not sleepers and they can't

152

00:07:15,340 --> 00:07:12,320

you can't have a conversation with them

153

00:07:19,030 --> 00:07:15,350

about politics you can't bring up the

154

00:07:21,060 --> 00:07:19,040

president's name without you know it

155

00:07:24,220 --> 00:07:21,070

really pushing some buttons for them and

156

00:07:27,880 --> 00:07:24,230

it's unfortunate but that shows how the

157

00:07:32,010 --> 00:07:27,890

brainwashing and the total control of

158

00:07:34,409 --> 00:07:32,020

the media to influence because what

159

00:07:36,570 --> 00:07:34,419

observed is I went into that whole

160

00:07:38,309 --> 00:07:36,580

information with daddy election went

161

00:07:40,800 --> 00:07:38,319

when three days before the election and

162

00:07:43,369 --> 00:07:40,810

and dad told me that it will be Trump I

163

00:07:45,149 --> 00:07:43,379

mean I had a kind of a reaction to it I

164

00:07:48,869 --> 00:07:45,159

didn't know who that man was

165

00:07:51,570 --> 00:07:48,879

and I didn't have a real high opinion of

166

00:07:53,040 --> 00:07:51,580

him but I didn't judge him he just was

167

00:07:55,950 --> 00:07:53,050

not someone who I thought could be a

168

00:07:58,860 --> 00:07:55,960

leader of our country and I was amazed

169

00:08:00,390 --> 00:07:58,870

that that to find someone like that in

170

00:08:02,909 --> 00:08:00,400

that position but then you look at the

171

00:08:06,730 --> 00:08:02,919

other choices and that was frightening

172

00:08:09,219 --> 00:08:06,740

that was terrifying I mean

173

00:08:11,980 --> 00:08:09,229

as an energy reader a person who can

174

00:08:13,779 --> 00:08:11,990

discern energy very easily upon just

175

00:08:18,909 --> 00:08:13,789

being around someone even just seeing

176

00:08:20,860 --> 00:08:18,919

them it was I always knew what the

177

00:08:23,920 --> 00:08:20,870

previous presidents were most all of

178

00:08:26,589 --> 00:08:23,930

them almost all of them especially the

179

00:08:29,350 --> 00:08:26,599

recent and so that there was darkness

180

00:08:35,869 --> 00:08:29,360

around all of them almost exclusively

181

00:08:38,850 --> 00:08:35,879

with the exception of a few and so

182

00:08:40,230 --> 00:08:38,860

there was the night when Jim and I were

183

00:08:41,759 --> 00:08:40,240

coming home from the Course in Miracles

184

00:08:44,429 --> 00:08:41,769

class then we stopped we stopped at this

185

00:08:45,660 --> 00:08:44,439

little this little bar and I don't know

186

00:08:47,309 --> 00:08:45,670

if I've told this story because I can't

187

00:08:48,329 --> 00:08:47,319

remember I've told it privately I don't

188

00:08:50,999 --> 00:08:48,339

know if I've told it publicly

189

00:08:52,199 --> 00:08:51,009

um you stop at this little

190

00:08:54,449 --> 00:08:52,209

hole-in-the-wall bar which we really

191

00:08:55,199 --> 00:08:54,459

like and sometimes I'd have a beer and

192

00:08:58,410 --> 00:08:55,209

cheese curds

193

00:09:01,799 --> 00:08:58,420

so Wisconsin you know and we were there

194

00:09:05,040 --> 00:09:01,809

and the place was packed and so I was

195

00:09:06,600 --> 00:09:05,050

loud and they had the TVs of course even

196

00:09:08,160 --> 00:09:06,610

this little country bar had these TVs

197

00:09:09,960 --> 00:09:08,170

everywhere so you're forced to look at

198

00:09:11,340 --> 00:09:09,970

them so we couldn't carry on a

199

00:09:17,449 --> 00:09:11,350

conversation even was so loud in there

200

00:09:19,889 --> 00:09:17,459

the debates were on and I never

201
00:09:24,540 --> 00:09:19,899
participated in politics I had them for

202
00:09:28,510 --> 00:09:24,550
a long time but as we said in the bar

203
00:09:32,350 --> 00:09:30,730
to the TV and of course it was Trump and

204
00:09:35,139 --> 00:09:32,360
Hillary Clinton having the debate and

205
00:09:38,019 --> 00:09:35,149
the energy around Hillary was what it

206
00:09:40,000 --> 00:09:38,029
was and but I happened to look at the

207
00:09:43,850 --> 00:09:40,010
screen at one point when the camera was

208
00:09:48,740 --> 00:09:46,370
and I was just I wasn't thinking which

209
00:09:51,440 --> 00:09:48,750
was a good thing I was just being

210
00:09:56,329 --> 00:09:51,450
present and when I looked at him it was

211
00:09:58,699 --> 00:09:56,339
like a tidal wave hit me and and I read

212
00:10:02,780 --> 00:09:58,709
his energy and it's just the thing that

213
00:10:06,410 --> 00:10:02,790

came through to me was this man loves

214

00:10:08,120 --> 00:10:06,420

this country this man only he cares

215

00:10:09,470 --> 00:10:08,130

about this country this cut its first

216

00:10:12,530 --> 00:10:09,480

that's first with him he has no agenda

217

00:10:15,470 --> 00:10:12,540

and I could see that he has no agenda

218

00:10:17,300 --> 00:10:15,480

when it came to the country and what was

219

00:10:20,930 --> 00:10:17,310

best for our country his heart was

220

00:10:23,329 --> 00:10:20,940

really pure I was so shocked by that and

221

00:10:25,460 --> 00:10:23,339

I kind of looked away and I I'm sure I

222

00:10:28,190 --> 00:10:25,470

probably just shook my head in and

223

00:10:30,949 --> 00:10:28,200

thought it cannot be right that can't be

224

00:10:34,310 --> 00:10:30,959

right he had been depicted as this

225

00:10:36,139 --> 00:10:34,320

greedy person made all his money on the

226

00:10:38,780 --> 00:10:36,149

backs of the small people or whatever

227

00:10:40,579 --> 00:10:38,790

and and I don't typically I don't form

228

00:10:42,980 --> 00:10:40,589

opinions about anyone or anything about

229

00:10:47,230 --> 00:10:42,990

what I hear but still you get influenced

230

00:10:49,389 --> 00:10:47,240

to some degree by that so I

231

00:10:52,570 --> 00:10:49,399

get off and then a little bit later I

232

00:10:56,500 --> 00:10:52,580

look back again and got the same wave

233

00:10:59,260 --> 00:10:56,510

coming over me and I've learned to trust

234

00:11:02,860 --> 00:10:59,270

that you know pretty much but I was

235

00:11:05,079 --> 00:11:02,870

still so surprised by it so when he got

236

00:11:08,590 --> 00:11:05,089

elected and the whole Q movement started

237

00:11:12,310 --> 00:11:08,600

I was directed to that my guys did

238

00:11:13,780 --> 00:11:12,320

direct me to to look into that and it

239

00:11:16,480 --> 00:11:13,790

has their fingerprints all over it I

240

00:11:18,130 --> 00:11:16,490

think it's you know I I believe that is

241

00:11:19,630 --> 00:11:18,140

a it's a military operation I believe it

242

00:11:22,840 --> 00:11:19,640

was a long time in the making

243

00:11:24,699 --> 00:11:22,850

this whole plan and yet there was

244

00:11:26,139 --> 00:11:24,709

nothing carved in stone about him

245

00:11:27,699 --> 00:11:26,149

getting elected although it was on the

246

00:11:29,949 --> 00:11:27,709

time there certainly was the timeline

247

00:11:33,460 --> 00:11:29,959

available to us and it was the timeline

248

00:11:34,690 --> 00:11:33,470

that the collective chose and by the

249

00:11:36,690 --> 00:11:34,700

collective the majority of the

250

00:11:40,570 --> 00:11:36,700

collective choosing that it made

251
00:11:43,570 --> 00:11:40,580
tremendous difference people well maybe

252
00:11:47,750 --> 00:11:43,580
someday they'll know what a huge thing

253
00:11:50,600 --> 00:11:47,760
that was that that man was chosen

254
00:11:52,610 --> 00:11:50,610
the alternative and you know Jim told me

255
00:11:53,780 --> 00:11:52,620
you know Jim's always warning me and you

256
00:11:55,069 --> 00:11:53,790
really shouldn't talk about politics

257
00:11:57,980 --> 00:11:55,079
you're gonna inflate and I'm like you

258
00:12:01,340 --> 00:11:57,990
know I don't care I guess at this point

259
00:12:04,220 --> 00:12:01,350
you know I'm never held back I'm being

260
00:12:06,650 --> 00:12:04,230
very transparent about things and if I'm

261
00:12:09,139 --> 00:12:06,660
stepping on toes then you know there's

262
00:12:11,389 --> 00:12:09,149
no right or wrong to this there just is

263
00:12:13,819 --> 00:12:11,399

there's choices and everyone's free to

264

00:12:15,769 --> 00:12:13,829

make the choice they want to make all

265

00:12:18,170 --> 00:12:15,779

I'm saying is that this was a very good

266

00:12:20,060 --> 00:12:18,180

choice for Humanity and for the

267

00:12:22,009 --> 00:12:20,070

ascension if you want humanity to be

268

00:12:23,689 --> 00:12:22,019

free of the control system you can no

269

00:12:25,819 --> 00:12:23,699

longer vote for those who are part of

270

00:12:28,009 --> 00:12:25,829

that control system that seems pretty

271

00:12:30,189 --> 00:12:28,019

obvious to me but I think those who are

272

00:12:32,629 --> 00:12:30,199

still aligned with that system are

273

00:12:34,310 --> 00:12:32,639

unaware they they do believe that they

274

00:12:37,460 --> 00:12:34,320

are choose making the right choice

275

00:12:38,569 --> 00:12:37,470

they haven't I don't want to say they

276

00:12:40,250 --> 00:12:38,579

haven't seen the light yet that's so

277

00:12:43,850 --> 00:12:40,260

condescending I don't know how else to

278

00:12:45,620 --> 00:12:43,860

say that and it isn't it that does sound

279

00:12:47,660 --> 00:12:45,630

just terrible say you know until you

280

00:12:49,069 --> 00:12:47,670

wake up and realize I'm right I'm not

281

00:12:50,960 --> 00:12:49,079

sure I don't know how to say it in a

282

00:12:53,540 --> 00:12:50,970

gentle way except that in this case

283

00:12:58,650 --> 00:12:53,550

there is a choice between light and dark

284

00:13:02,220 --> 00:13:00,660

Veon like guys do when they go into

285

00:13:05,220 --> 00:13:02,230

hotel rooms why do they turn on the TV

286

00:13:07,199 --> 00:13:05,230

we have the TV on when you're when

287

00:13:08,939 --> 00:13:07,209

you're there and so he's got the TV on

288

00:13:11,699 --> 00:13:08,949

and he's flipping through it like guys

289

00:13:13,650 --> 00:13:11,709

do also and we never watched TV at home

290

00:13:16,199 --> 00:13:13,660

except golf a little bit once in a while

291

00:13:19,350 --> 00:13:16,209

and but he has it on and watching he

292

00:13:20,639 --> 00:13:19,360

watches sports but he hesitated on CNN

293

00:13:23,670 --> 00:13:20,649

because they had this stuff about the

294

00:13:26,249 --> 00:13:23,680

shootings that occurred which Q had

295

00:13:28,450 --> 00:13:26,259

warned us last week that they were going

296

00:13:29,780 --> 00:13:28,460

to probably be some

297

00:13:35,180 --> 00:13:29,790

[Music]

298

00:13:36,800 --> 00:13:35,190

some and try not to use that word some I

299

00:13:38,780 --> 00:13:36,810

don't want to get you censured but I

300

00:13:41,600 --> 00:13:38,790

understand if you use the word false

301
00:13:43,790 --> 00:13:41,610
along with another word that possibly so

302
00:13:45,950 --> 00:13:43,800
there's some distractions going on by

303
00:13:48,260 --> 00:13:45,960
these horrible incidents where there's

304
00:13:50,330 --> 00:13:48,270
been these mass shootings now to

305
00:13:52,910 --> 00:13:50,340
distract us from the truth there's so

306
00:13:56,690 --> 00:13:52,920
much truth coming out now as a result of

307
00:13:58,100 --> 00:13:56,700
the Epstein arrests and a result of I

308
00:13:59,870 --> 00:13:58,110
understand I don't know what happened

309
00:14:01,550 --> 00:13:59,880
but we were told q told us something

310
00:14:03,620 --> 00:14:01,560
Devan newness was gonna come out with

311
00:14:06,110 --> 00:14:03,630
some stuff there's just a lot of them a

312
00:14:07,670 --> 00:14:06,120
lot of the dark is being exposed and the

313
00:14:09,200 --> 00:14:07,680

more of the dark that gets exposed the

314

00:14:11,750 --> 00:14:09,210

more the dark fights back by going off

315

00:14:15,110 --> 00:14:11,760

and triggering these poor kids who have

316

00:14:16,550 --> 00:14:15,120

been brain controlled to go out and do

317

00:14:19,400 --> 00:14:16,560

these mass shootings which the whole

318

00:14:20,960 --> 00:14:19,410

thing is so sad for the victims and for

319

00:14:24,530 --> 00:14:20,970

the person who does the shooting because

320

00:14:27,440 --> 00:14:24,540

he's been previously wired to do this as

321

00:14:29,720 --> 00:14:27,450

we all know mind control is a it's very

322

00:14:32,540 --> 00:14:29,730

prevalent and then used very strongly by

323

00:14:35,810 --> 00:14:32,550

the dark ones and so it's sad all the

324

00:14:37,640 --> 00:14:35,820

way around and so there's been so far

325

00:14:41,570 --> 00:14:37,650

these two shootings and it's going to

326

00:14:45,380 --> 00:14:41,580

continue to be bad and it just is

327

00:14:46,790 --> 00:14:45,390

frustrating for those of us who are

328

00:14:48,590 --> 00:14:46,800

awakened are watching this and have been

329

00:14:49,430 --> 00:14:48,600

watching this for a long time and some

330

00:14:52,610 --> 00:14:49,440

of us have been watching for years

331

00:14:55,460 --> 00:14:52,620

decades but even if you relatively awake

332

00:15:00,280 --> 00:14:55,470

to it it's it's hard to watch and

333

00:15:04,660 --> 00:15:00,290

observe and even harder to see the media

334

00:15:09,340 --> 00:15:06,910

makes me really nauseous tea and watch

335

00:15:12,460 --> 00:15:09,350

that that and just to have it be called

336

00:15:13,560 --> 00:15:12,470

a news station the interviews that they

337

00:15:15,019 --> 00:15:13,570

were doing are

338

00:15:17,179 --> 00:15:15,029

[Music]

339

00:15:18,740 --> 00:15:17,189

you know I would not lies and just

340

00:15:20,480 --> 00:15:18,750

terrible things that they're saying into

341

00:15:23,150 --> 00:15:20,490

think there are people sitting at home

342

00:15:24,199 --> 00:15:23,160

watching that and are they believing it

343

00:15:25,369 --> 00:15:24,209

it's hard to believe that they would

344

00:15:28,129 --> 00:15:25,379

believe it but I guess if they don't

345

00:15:31,689 --> 00:15:28,139

have any other alternative source to

346

00:15:33,710 --> 00:15:31,699

look at to get a balance to it they just

347

00:15:36,379 --> 00:15:33,720

it's the way we were raised you know

348

00:15:40,970 --> 00:15:36,389

Walter Cronkite believe what you're told

349

00:15:43,100 --> 00:15:40,980

once upon a time maybe but I've always

350

00:15:48,499 --> 00:15:43,110

had the saying that you know humanity

351

00:15:50,660 --> 00:15:48,509

has given their consent to all the evil

352

00:15:52,220 --> 00:15:50,670

doing in the darkness that's taken over

353

00:15:55,309 --> 00:15:52,230

the planet they've given their consent

354

00:15:56,840 --> 00:15:55,319

through their complacency and that's

355

00:15:59,090 --> 00:15:56,850

what I see it's just easy to sit down

356

00:16:01,189 --> 00:15:59,100

and from the TV turn on CNN and watch it

357

00:16:02,840 --> 00:16:01,199

and just yep that's what happened that's

358

00:16:05,660 --> 00:16:02,850

the truth and get up and turn it off and

359

00:16:08,960 --> 00:16:05,670

then curse you know whoever they're

360

00:16:10,999 --> 00:16:08,970

blaming all this on instead of looking

361

00:16:12,290 --> 00:16:11,009

at for the truth digging and thinking

362

00:16:13,670 --> 00:16:12,300

for yourself and that's the thing that

363

00:16:18,920 --> 00:16:13,680

that's what attracted me about the whole

364

00:16:20,509 --> 00:16:18,930

queue movement was um they don't come

365

00:16:22,549 --> 00:16:20,519

right out and they don't they don't come

366

00:16:24,110 --> 00:16:22,559

out and tell you anything at all except

367

00:16:26,569 --> 00:16:24,120

they they they point you in a direction

368

00:16:28,730 --> 00:16:26,579

and let you find out for yourself and

369

00:16:31,220 --> 00:16:28,740

he's in there constantly saying think

370

00:16:32,869 --> 00:16:31,230

for yourself think for yourself you've

371

00:16:37,699 --> 00:16:32,879

been controlled you've been brainwashed

372

00:16:39,769 --> 00:16:37,709

you've been but you know integrated into

373

00:16:42,619 --> 00:16:39,779

this way of thinking that is contrary to

374

00:16:44,179 --> 00:16:42,629

what is the truth and so I don't know

375

00:16:47,420 --> 00:16:44,189

how anybody can find fault with any of

376

00:16:50,389 --> 00:16:47,430

that there is nothing within it that is

377

00:16:52,129 --> 00:16:50,399

dark or sinister at all so that's you

378

00:16:56,900 --> 00:16:52,139

know that's where I'm at right now and

379

00:16:58,699 --> 00:16:56,910

then is not so much from my guys stuff

380

00:17:00,860 --> 00:16:58,709

coming down is I my life is being

381

00:17:04,950 --> 00:17:00,870

directed like always but it's more

382

00:17:07,610 --> 00:17:04,960

subtle I'm you know my

383

00:17:12,180 --> 00:17:07,620

life energy my life force is very low

384

00:17:15,690 --> 00:17:12,190

and so it I don't have that that ability

385

00:17:17,850 --> 00:17:15,700

to discern and bring in messages that

386

00:17:19,710 --> 00:17:17,860

clearly you know I wish I were well

387

00:17:22,380 --> 00:17:19,720

enough to travel and to do conferences

388

00:17:24,870 --> 00:17:22,390

and and to give the public speaking but

389

00:17:26,250 --> 00:17:24,880

that was not my path you know I thought

390

00:17:29,100 --> 00:17:26,260

it was going to be and I think it was

391

00:17:31,710 --> 00:17:29,110

meant to be but as we were told in

392

00:17:33,000 --> 00:17:31,720

November of 2011 the dark forces are

393

00:17:36,240 --> 00:17:33,010

fighting back way harder than we

394

00:17:37,680 --> 00:17:36,250

expected and it caused a delay caused a

395

00:17:40,710 --> 00:17:37,690

delay in the ascension for the humans

396

00:17:42,420 --> 00:17:40,720

and so as a result the light coming on

397

00:17:44,460 --> 00:17:42,430

the planet you can't all that they could

398

00:17:48,090 --> 00:17:44,470

do I remember them telling me they put

399

00:17:50,910 --> 00:17:48,100

buffers up to otherwise it would have

400

00:17:51,870 --> 00:17:50,920

been too strong for the sleepers or the

401
00:17:55,560 --> 00:17:51,880
normies or whatever II want to call

402
00:18:01,080 --> 00:17:55,570
those work still still you're still

403
00:18:03,420 --> 00:18:01,090
waiting for them to wake up and it's

404
00:18:05,400 --> 00:18:03,430
hard to wait you know but that's what we

405
00:18:07,470 --> 00:18:05,410
have to do and meanwhile the planet is

406
00:18:10,350 --> 00:18:07,480
being bathed in a lot of life changing

407
00:18:12,750 --> 00:18:10,360
light its upgrading our DNA and it's

408
00:18:15,750 --> 00:18:12,760
changing things and those who are

409
00:18:17,580 --> 00:18:15,760
resonating with it our are really for

410
00:18:19,770 --> 00:18:17,590
the most part enjoying it but those who

411
00:18:22,200 --> 00:18:19,780
are not resonating with it are suffering

412
00:18:23,910 --> 00:18:22,210
and it's hard on all of our bodies

413
00:18:27,900 --> 00:18:23,920

especially those of us who have bodies

414

00:18:31,320 --> 00:18:27,910

that are not very healthy because it's

415

00:18:33,290 --> 00:18:31,330

going to affect that hopefully in the

416

00:18:38,010 --> 00:18:33,300

long term it'll affect it in a good way

417

00:18:40,560 --> 00:18:38,020

because it will bring to light only that

418

00:18:42,210 --> 00:18:40,570

which is good and so the sickness which

419

00:18:45,720 --> 00:18:42,220

is out of harmony with the high

420

00:18:48,360 --> 00:18:45,730

frequency hopefully will fall away but

421

00:18:50,130 --> 00:18:48,370

for some and possibly myself included it

422

00:18:54,000 --> 00:18:50,140

might be more than my body can handle

423

00:18:55,320 --> 00:18:54,010

and might have to just leave that so the

424

00:18:59,370 --> 00:18:55,330

Ascension is happening on all levels

425

00:19:02,540 --> 00:18:59,380

it's my understanding by now the last

426

00:19:05,150 --> 00:19:02,550

information I got I did get that the

427

00:19:08,860 --> 00:19:05,160

astral plane is pretty well cleared and

428

00:19:12,149 --> 00:19:08,870

so those discarnate Souls have

429

00:19:16,239 --> 00:19:12,159

then moved into a higher frequency and

430

00:19:17,909 --> 00:19:16,249

our awakening also in some ways it's

431

00:19:21,519 --> 00:19:17,919

harder to awaken when you're out-of-body

432

00:19:23,649 --> 00:19:21,529

but definitely still something possible

433

00:19:25,960 --> 00:19:23,659

something that you can experience and

434

00:19:29,350 --> 00:19:25,970

it's just in a different way it was the

435

00:19:32,279 --> 00:19:29,360

collective's choice to awaken at this

436

00:19:34,659 --> 00:19:32,289

time on planet Earth

437

00:19:36,070 --> 00:19:34,669

earth humans gotta give him I mean

438

00:19:37,960 --> 00:19:36,080

they're just they got to be their own

439

00:19:42,340 --> 00:19:37,970

they didn't have their own unique

440

00:19:46,539 --> 00:19:42,350

species you know they chose to awaken in

441

00:19:47,619 --> 00:19:46,549

body in physicality and that's that's

442

00:19:49,810 --> 00:19:47,629

just I mean that's what we love about

443

00:19:51,519 --> 00:19:49,820

the earth humans you know that's those

444

00:19:53,470 --> 00:19:51,529

of us who observe the planet and who

445

00:19:55,749 --> 00:19:53,480

came in as volunteers we came here

446

00:19:58,899 --> 00:19:55,759

because of our great love for the planet

447

00:20:04,259 --> 00:19:58,909

but there's this respect and admiration

448

00:20:07,359 --> 00:20:04,269

and curiosity and sometimes even

449

00:20:09,609 --> 00:20:07,369

frustration with the earth humans but

450

00:20:11,080 --> 00:20:09,619

they do it their way you know and it's

451
00:20:13,690 --> 00:20:11,090
the it's the beauty of who they are

452
00:20:18,879 --> 00:20:13,700
they're so resilient and so imaginative

453
00:20:22,710 --> 00:20:18,889
and the fact that they chose to to

454
00:20:24,100 --> 00:20:22,720
ascend while in physical form is a

455
00:20:25,720 --> 00:20:24,110
beautiful thing

456
00:20:27,759 --> 00:20:25,730
you know and we're all excited to see

457
00:20:28,930 --> 00:20:27,769
how that's going to go and someone at

458
00:20:31,269 --> 00:20:28,940
the dinner last night

459
00:20:34,779 --> 00:20:31,279
asked me I think that's what it asked me

460
00:20:36,999 --> 00:20:34,789
were there a lot of or a lot of our

461
00:20:39,129 --> 00:20:37,009
cosmic cousins out there watching us and

462
00:20:41,649 --> 00:20:39,139
it's like the eyes of the whole universe

463
00:20:44,519 --> 00:20:41,659

are on planet Earth everyone is watching

464

00:20:47,200 --> 00:20:44,529

planet Earth so it's very very exciting

465

00:20:49,720 --> 00:20:47,210

so if you're here you want to you want

466

00:20:52,470 --> 00:20:49,730

to stay here if you can at all and stay

467

00:20:55,259 --> 00:20:52,480

in body a lot of people want to leave

468

00:20:56,409 --> 00:20:55,269

because there's a lot of suffering and

469

00:21:00,430 --> 00:20:56,419

this

470

00:21:02,980 --> 00:21:00,440

brain is because

471

00:21:05,050 --> 00:21:02,990

we are holding everything up to the

472

00:21:08,080 --> 00:21:05,060

light and I touched on that yesterday

473

00:21:09,340 --> 00:21:08,090

but it seems to be something that needs

474

00:21:12,130 --> 00:21:09,350

to be said over and over again because I

475

00:21:14,100 --> 00:21:12,140

get emails all the time from people who

476

00:21:16,740 --> 00:21:14,110

are

477

00:21:19,049 --> 00:21:16,750

having a difficult time with life and I

478

00:21:20,820 --> 00:21:19,059

sometimes believe that that might be why

479

00:21:22,440 --> 00:21:20,830

I chose to take on the suffering that

480

00:21:25,169 --> 00:21:22,450

I've taken on is so that I could relate

481

00:21:27,480 --> 00:21:25,179

more to it because certainly prior to my

482

00:21:30,750 --> 00:21:27,490

book coming out in 2012 I had very

483

00:21:34,110 --> 00:21:30,760

little suffering in my life I you know

484

00:21:36,240 --> 00:21:34,120

had a really great life fun life but a

485

00:21:39,769 --> 00:21:36,250

lot of people are suffering right now

486

00:21:42,120 --> 00:21:39,779

with sickness relationship issues

487

00:21:44,159 --> 00:21:42,130

financial problems challenges of all

488

00:21:45,299 --> 00:21:44,169

kinds and many people have gone through

489

00:21:47,930 --> 00:21:45,309

similar to where I have where they've

490

00:21:51,240 --> 00:21:47,940

been hit with all of those things and

491

00:21:54,450 --> 00:21:51,250

you just find yourself wanting to throw

492

00:21:56,430 --> 00:21:54,460

in the towel it's just the human soul is

493

00:22:00,480 --> 00:21:56,440

resilient but after a while sometimes

494

00:22:03,570 --> 00:22:00,490

you just are tired tired but you don't

495

00:22:06,720 --> 00:22:03,580

want to do that if you don't have to you

496

00:22:10,289 --> 00:22:06,730

know I encourage people to stay because

497

00:22:12,299 --> 00:22:10,299

I do believe that it's going to get

498

00:22:15,060 --> 00:22:12,309

better at some point because it happened

499

00:22:17,310 --> 00:22:15,070

it will because everything is held up to

500

00:22:19,950 --> 00:22:17,320

the light but right now everyone has to

501
00:22:21,750 --> 00:22:19,960
to deal with the darkness that they have

502
00:22:28,320 --> 00:22:21,760
within them if there's any darkness and

503
00:22:30,389 --> 00:22:28,330
my guys showed me that back in 2009 I

504
00:22:35,279 --> 00:22:30,399
think it was already where they showed

505
00:22:36,629 --> 00:22:35,289
me that how to remove the darkness from

506
00:22:37,860 --> 00:22:36,639
your energy field and fit for me

507
00:22:40,110 --> 00:22:37,870
physically and energetically

508
00:22:42,810 --> 00:22:40,120
and you just visualize and and and

509
00:22:45,419 --> 00:22:42,820
release that dark energy and so that the

510
00:22:47,909 --> 00:22:45,429
light can flow through you and that's

511
00:22:50,730 --> 00:22:47,919
what's being called on right now for us

512
00:22:51,930 --> 00:22:50,740
to do and to continue to do because that

513
00:22:54,029 --> 00:22:51,940

way we can resonate with the higher

514

00:22:56,460 --> 00:22:54,039

frequencies coming in and I continue to

515

00:23:00,210 --> 00:22:56,470

try to do it but actually truth is I'm

516

00:23:01,830 --> 00:23:00,220

just so tired I wake up tired and I go

517

00:23:03,690 --> 00:23:01,840

to bed even more tired and then I don't

518

00:23:06,090 --> 00:23:03,700

sleep and then I wake up really tired

519

00:23:08,519 --> 00:23:06,100

and I and so that's a cycle so sometimes

520

00:23:10,980 --> 00:23:08,529

you just can't find the energy so I you

521

00:23:13,049 --> 00:23:10,990

can relate to that and I do hear from a

522

00:23:15,060 --> 00:23:13,059

lot of people around the world who their

523

00:23:17,549 --> 00:23:15,070

lives are very similar so it's a

524

00:23:19,070 --> 00:23:17,559

challenging time very challenging if

525

00:23:21,779 --> 00:23:19,080

you're still in the happy dream if

526

00:23:23,519 --> 00:23:21,789

you're if the world isn't is where it is

527

00:23:25,670 --> 00:23:23,529

right now and you're still your life is

528

00:23:25,670 --> 00:23:25,680

is

529

00:23:30,260 --> 00:23:27,490

working really super good for you and

530

00:23:31,790 --> 00:23:30,270

you love your job and you love your

531

00:23:33,800 --> 00:23:31,800

relationship I mean everything is just

532

00:23:35,960 --> 00:23:33,810

fun you're still you're still you know

533

00:23:37,280 --> 00:23:35,970

you're in the illusion then you know and

534

00:23:40,130 --> 00:23:37,290

there's nothing wrong with that but it

535

00:23:43,760 --> 00:23:40,140

just means that at some point you're

536

00:23:47,840 --> 00:23:43,770

going to have to wake up and waking up

537

00:23:50,500 --> 00:23:47,850

means learning the truth of who you are

538

00:23:54,400 --> 00:23:50,510

and on planet earth a lot of times that

539

00:23:59,000 --> 00:23:54,410

equates to getting knocked down

540

00:24:02,240 --> 00:23:59,010

something hits you hard and so that is

541

00:24:05,060 --> 00:24:02,250

that still to come for some people on

542

00:24:07,550 --> 00:24:05,070

the planet sounds really awful to say

543

00:24:10,370 --> 00:24:07,560

that I hate to say that because I know

544

00:24:11,990 --> 00:24:10,380

anybody who's out there watching to live

545

00:24:15,530 --> 00:24:12,000

in a good life and be like oh my god and

546

00:24:17,690 --> 00:24:15,540

then they fall into fear but at the same

547

00:24:19,220 --> 00:24:17,700

time sometimes it's good to know because

548

00:24:21,610 --> 00:24:19,230

when it does happen at least you'll

549

00:24:24,290 --> 00:24:21,620

understand why it's happening in and

550

00:24:24,710 --> 00:24:24,300

embrace it and know that you're gonna be

551
00:24:26,840 --> 00:24:24,720

just fine

552
00:24:29,450 --> 00:24:26,850

it's a necessary process of what's going

553
00:24:33,140 --> 00:24:29,460

on in the planet just like society in

554
00:24:35,200 --> 00:24:33,150

general is going through what the dark

555
00:24:38,630 --> 00:24:35,210

night of the soul with its own awakening

556
00:24:40,910 --> 00:24:38,640

individually every soul has to go

557
00:24:42,560 --> 00:24:40,920

through that as well so it's it's in

558
00:24:44,990 --> 00:24:42,570

waves definitely those of us who are on

559
00:24:46,430 --> 00:24:45,000

the front of that and going through that

560
00:24:48,440 --> 00:24:46,440

experience ahead

561
00:24:49,610 --> 00:24:48,450

it creates an opening for those to come

562
00:24:51,950 --> 00:24:49,620

behind so I think it's going to get

563
00:24:54,740 --> 00:24:51,960

easier for those coming behind I hope it
