00:00:21,400 --> 00:00:14,430

[Music]

2
00:00:26,830 --> 00:00:23,860

this is Nick Redfern

3
00:00:29,920 --> 00:00:26,840

tomorrow August the 3rd at the first UFO

4
00:00:32,080 --> 00:00:29,930

hub event and I'm looking forward to it

5
00:00:34,570 --> 00:00:32,090

to me great events a lot of people

6
00:00:37,210 --> 00:00:34,580

coming along and a lot of variation as

7
00:00:39,250 --> 00:00:37,220

well in terms of the lectures and I

8
00:00:42,400 --> 00:00:39,260

think more than anything else people

9
00:00:44,680 --> 00:00:42,410

like to come to conferences it's a good

10
00:00:48,420 --> 00:00:44,690

way of meeting new friends but also

11
00:00:51,370 --> 00:00:48,430

getting a lot of data and information

12
00:00:54,130 --> 00:00:51,380

firsthand rather than you know getting

13
00:00:56,140 --> 00:00:54,140

it secondhand third-hand from a blog and

14

00:00:58,780 --> 00:00:56,150

I think people like that sort of

15

00:01:00,820 --> 00:00:58,790

hands-on approach so that's what we'll

16

00:01:03,490 --> 00:01:00,830

be doing tomorrow at Eureka Springs and

17

00:01:06,100 --> 00:01:03,500

looking forward to it I'll be talking on

18

00:01:09,970 --> 00:01:06,110

two particular subjects one of them is

19

00:01:12,070 --> 00:01:09,980

my area 51 book and also the one that's

20

00:01:14,470 --> 00:01:12,080

just come out which is flying saucers

21

00:01:17,260 --> 00:01:14,480

from the Kremlin and both books are

22

00:01:20,340 --> 00:01:17,270

actually very different but both of them

23

00:01:22,540 --> 00:01:20,350

focus on conspiracy and UFOs and

24

00:01:25,960 --> 00:01:22,550

cover-ups but in very different ways

25

00:01:29,650 --> 00:01:25,970

which which we can get to as far as the

26

00:01:33,340 --> 00:01:29,660

area 51 book is concerned it's kind of

27

00:01:36,670 --> 00:01:33,350

almost eerily timely because there was

28

00:01:40,560 --> 00:01:36,680

this big news just recently about how a

29

00:01:44,890 --> 00:01:40,570

petition basically was put together to

30

00:01:48,940 --> 00:01:44,900

essentially encourage people to storm

31

00:01:51,220 --> 00:01:48,950

area 51 and try and sort of break the

32

00:01:53,950 --> 00:01:51,230

fence and and reach the base and see

33

00:01:56,560 --> 00:01:53,960

what's going on there and the number of

34

00:01:59,500 --> 00:01:56,570

people who actually signed on to do this

35

00:02:02,440 --> 00:01:59,510

was an incredible number of people but

36

00:02:05,770 --> 00:02:02,450

as far as I'm concerned I think it's

37

00:02:09,190 --> 00:02:05,780

dangerous it's stupid and if anybody

38

00:02:11,500 --> 00:02:09,200

tries to do that in my view they deserve

39

00:02:15,550 --> 00:02:11,510

to get everything they get which is

40

00:02:19,509 --> 00:02:15,560

likely to be a jail sentence pretty

41

00:02:21,820 --> 00:02:19,519

large fine and you know just a feeling I

42

00:02:25,020 --> 00:02:21,830

should not have done that and this there

43

00:02:27,820 --> 00:02:25,030

are several reasons why I say that

44

00:02:31,509 --> 00:02:27,830

despite the legend and the law that

45

00:02:35,069 --> 00:02:31,519

surrounds area 51 the fact is that is

46

00:02:37,900 --> 00:02:35,079

one of the United States most powerful

47

00:02:41,560 --> 00:02:37,910

secrets well protected

48

00:02:44,140 --> 00:02:41,570

military installation now in that sense

49

00:02:46,900 --> 00:02:44,150

in many respects it's no different to

50

00:02:49,450 --> 00:02:46,910

any military base so if anybody tries to

51
00:02:51,910 --> 00:02:49,460
jump the fence at a military base in

52
00:02:53,650 --> 00:02:51,920
their hundreds and thousands well the

53
00:02:57,430 --> 00:02:53,660
government of course they're going to

54
00:02:59,530 --> 00:02:57,440
respond and respond quickly and and you

55
00:03:02,800 --> 00:02:59,540
cannot blame them for doing that because

56
00:03:04,870 --> 00:03:02,810
for all we know that some of those UFO

57
00:03:06,970 --> 00:03:04,880
researchers who might be thinking about

58
00:03:10,330 --> 00:03:06,980
doing that how do we know they're not

59
00:03:13,420 --> 00:03:10,340
from North Korea or China or Russia

60
00:03:14,980 --> 00:03:13,430
China blend in with the UFO researchers

61
00:03:18,910 --> 00:03:14,990
that would be the worst scenario

62
00:03:21,370 --> 00:03:18,920
possible so my view is that it's

63
00:03:24,580 --> 00:03:21,380

reckless dangerous and nobody should be

64

00:03:26,680 --> 00:03:24,590

trying to break into any US military

65

00:03:30,640 --> 00:03:26,690

base because you're just asking for

66

00:03:32,650 --> 00:03:30,650

trouble so for me I think it's a

67

00:03:35,380 --> 00:03:32,660

dangerous thing I don't think anyone

68

00:03:38,500 --> 00:03:35,390

should be doing it it's getting a lot of

69

00:03:41,080 --> 00:03:38,510

publicity however and it will be

70

00:03:44,010 --> 00:03:41,090

intriguing to see what happens on the

71

00:03:48,870 --> 00:03:44,020

day now the reason I say that is because

72

00:03:52,330 --> 00:03:48,880

area 51 the installation is built upon

73

00:03:55,000 --> 00:03:52,340

this huge area the Nevada test and

74

00:03:58,450 --> 00:03:55,010

training range an area 51 is just one

75

00:04:00,490 --> 00:03:58,460

portion of the range so in other words

76
00:04:03,810 --> 00:04:00,500
if you've got hundreds or thousands of

77
00:04:07,270 --> 00:04:03,820
people trying to get to the base

78
00:04:10,360 --> 00:04:07,280
certainly actions going to be taken now

79
00:04:12,940 --> 00:04:10,370
on top of that there's the issue of

80
00:04:16,229 --> 00:04:12,950
which a lot of people don't realize is

81
00:04:19,030 --> 00:04:16,239
that even if you come to the the several

82
00:04:21,940 --> 00:04:19,040
sort of facilities where the guards all

83
00:04:24,160 --> 00:04:21,950
wait around and turn people around even

84
00:04:26,560 --> 00:04:24,170
if you were able to get past that you've

85
00:04:29,710 --> 00:04:26,570
still got like another 10 or 12 miles

86
00:04:34,900 --> 00:04:29,720
before you actually reach what is really

87
00:04:39,820 --> 00:04:34,910
area 51 but you have sensor equipments

88
00:04:41,890 --> 00:04:39,830

night-vision equipments infrared you

89

00:04:43,060 --> 00:04:41,900

have ground technology that can actually

90

00:04:46,000 --> 00:04:43,070

tell the difference between something

91

00:04:48,760 --> 00:04:46,010

like a jackrabbit walking along the

92

00:04:51,219 --> 00:04:48,770

desert floor and a person so there

93

00:04:51,730 --> 00:04:51,229

really is no chance of trying to get

94

00:04:54,850 --> 00:04:51,740

into the

95

00:04:59,770 --> 00:04:54,860

at all and for me I just sort of see it

96

00:05:03,679 --> 00:04:59,780

as a publicity stunt but also I do think

97

00:05:08,899 --> 00:05:06,289

I kind of failed that on the day if

98

00:05:12,199 --> 00:05:08,909

anything happens it would he would end

99

00:05:14,839 --> 00:05:12,209

very badly for the UFO researchers but

100

00:05:16,819 --> 00:05:14,849

it would be their own fault I wouldn't

101
00:05:19,729 --> 00:05:16,829
have any sympathy in this day and time

102
00:05:22,009 --> 00:05:19,739
now as the world the world is I wouldn't

103
00:05:26,059 --> 00:05:22,019
have any sympathy for thousands of

104
00:05:28,100 --> 00:05:26,069
people who try to invade a US military

105
00:05:30,829 --> 00:05:28,110
base I mean it would be it wouldn't be

106
00:05:33,529 --> 00:05:30,839
treated by oh it's just a bunch of UFO

107
00:05:36,639 --> 00:05:33,539
researchers send them on the way it will

108
00:05:39,379 --> 00:05:36,649
be a major national security issue

109
00:05:43,249 --> 00:05:39,389
penetration of the most powerful most

110
00:05:46,019 --> 00:05:43,259
secret base in the u.s. it really would

111
00:05:50,069 --> 00:05:46,029
end very very badly

112
00:05:52,979 --> 00:05:50,079
the main reason why area 51 is so filled

113
00:05:56,189 --> 00:05:52,989

with intrigue is because it's the most

114

00:05:59,189 --> 00:05:56,199

well-guarded installation in the United

115

00:06:01,229 --> 00:05:59,199

States and yet the whole words actually

116

00:06:04,079 --> 00:06:01,239

heard of it you know and so it's a very

117

00:06:06,359 --> 00:06:04,089

strange situation very bizarre situation

118

00:06:09,479 --> 00:06:06,369

because there really is no military

119

00:06:13,350 --> 00:06:09,489

facility in the United States that

120

00:06:15,600 --> 00:06:13,360

guards the place the way that area 51 is

121

00:06:18,179 --> 00:06:15,610

guarded there's just nothing else like

122

00:06:21,629 --> 00:06:18,189

it and of course this begs the question

123

00:06:24,539 --> 00:06:21,639

why does area 51 need to be so

124

00:06:26,159 --> 00:06:24,549

well-guarded when you look at the other

125

00:06:28,789 --> 00:06:26,169

ones yes they're well guarded but

126

00:06:31,229 --> 00:06:28,799

certainly not to that degree so

127

00:06:34,079 --> 00:06:31,239

inevitably it is sort of provoked

128

00:06:38,299 --> 00:06:34,089

theories well what's going on there if

129

00:06:41,069 --> 00:06:38,309

there's such coverage if there's such

130

00:06:43,199 --> 00:06:41,079

surveillance and watching the public and

131

00:06:45,209 --> 00:06:43,209

UFO researchers there has to be

132

00:06:48,600 --> 00:06:45,219

something to it and of course the big

133

00:06:50,459 --> 00:06:48,610

question is well what is to it and so

134

00:06:54,689 --> 00:06:50,469

that's sort of I've tried to look into

135

00:06:57,209 --> 00:06:54,699

and dig deep into the history and the

136

00:06:59,819 --> 00:06:57,219

work undertaken at area 51

137

00:07:03,029 --> 00:06:59,829

now a lot of people don't realize that

138

00:07:06,659 --> 00:07:03,039

the the beginnings of area 51 although

139

00:07:09,869 --> 00:07:06,669

they started in the early 1950s the idea

140

00:07:13,709 --> 00:07:09,879

of something like area 51 actually begun

141

00:07:16,739 --> 00:07:13,719

in the early 1940s and yet she goes back

142

00:07:20,699 --> 00:07:16,749

to Pearl Harbor the attack on Pearl

143

00:07:22,919 --> 00:07:20,709

Harbor Hawaii in December 1941 which was

144

00:07:26,129 --> 00:07:22,929

sort of up until that point that would

145

00:07:30,479 --> 00:07:26,139

till 9/11 that was the the most terrible

146

00:07:33,959 --> 00:07:30,489

attack on US soil now the fact of the

147

00:07:37,199 --> 00:07:33,969

situation is more than 3,000 people died

148

00:07:40,289 --> 00:07:37,209

was terrible situation and the US

149

00:07:44,399 --> 00:07:40,299

government vowed that no one else would

150

00:07:47,369 --> 00:07:44,409

be able to attack the United States ever

151
00:07:50,519 --> 00:07:47,379
again now the idea or the concept was or

152
00:07:53,489 --> 00:07:50,529
the problem with Hawaii was that the

153
00:07:55,919 --> 00:07:53,499
attack occurred because the Japanese

154
00:07:58,139 --> 00:07:55,929
were able to go under the radar and

155
00:07:59,790 --> 00:07:58,149
launch a sneak attack so the plan was

156
00:08:02,969 --> 00:07:59,800
from then onward

157
00:08:05,189 --> 00:08:02,979
never ever build a base like that so

158
00:08:07,589 --> 00:08:05,199
close to the waters to where it can be

159
00:08:11,610 --> 00:08:07,599
attacked almost immediately so the plan

160
00:08:14,999 --> 00:08:11,620
was to concentrate on building and

161
00:08:17,460 --> 00:08:15,009
constructing military facilities further

162
00:08:20,939 --> 00:08:17,470
inside the country so we would have a

163
00:08:22,649 --> 00:08:20,949

chance to realize that these aircraft

164

00:08:24,809 --> 00:08:22,659

were coming towards us and we'd have

165

00:08:27,990 --> 00:08:24,819

time to respond which was that that was

166

00:08:30,450 --> 00:08:28,000

the big problem with Pearl Harbor we

167

00:08:32,940 --> 00:08:30,460

didn't have time to respond because we

168

00:08:35,100 --> 00:08:32,950

didn't realize what was happening now of

169

00:08:38,730 --> 00:08:35,110

course if you've got a secure military

170

00:08:41,639 --> 00:08:38,740

base in the heart of Nevada we're gonna

171

00:08:43,769 --> 00:08:41,649

get word very very quickly that somebody

172

00:08:45,960 --> 00:08:43,779

is coming closer and closer and we'd

173

00:08:48,019 --> 00:08:45,970

have a very good chance of actually

174

00:08:50,940 --> 00:08:48,029

blasting the enemy planes out of the sky

175

00:08:54,930 --> 00:08:50,950

so that was the reason why there was

176

00:08:57,780 --> 00:08:54,940

this decision to create a number of

177

00:09:00,780 --> 00:08:57,790

multiple military facilities out in the

178

00:09:03,210 --> 00:09:00,790

Nevada desert in the early 1940s and

179

00:09:06,360 --> 00:09:03,220

they're actually four or five that were

180

00:09:09,569 --> 00:09:06,370

built out in Nevada artillery ranges

181

00:09:13,740 --> 00:09:09,579

gunner ease things like that and by the

182

00:09:17,460 --> 00:09:13,750

early 1950s that is when things really

183

00:09:21,329 --> 00:09:17,470

began in terms of creating the concept

184

00:09:26,490 --> 00:09:21,339

of building the ultimate military

185

00:09:28,310 --> 00:09:26,500

facility very secure the kind of

186

00:09:32,449 --> 00:09:28,320

installation that just cannot be

187

00:09:35,340 --> 00:09:32,459

penetrated surrounded by mountains and

188

00:09:37,860 --> 00:09:35,350

guards just about everywhere and the

189

00:09:39,780 --> 00:09:37,870

only people who can get in is the people

190

00:09:44,069 --> 00:09:39,790

who work there and certainly that's

191

00:09:48,240 --> 00:09:44,079

still the case today now until the early

192

00:09:51,720 --> 00:09:48,250

1980s not much was known and about area

193

00:09:54,449 --> 00:09:51,730

51 a even though aircraft like for

194

00:09:58,170 --> 00:09:54,459

example the u2 and the Blackbird spy

195

00:10:00,150 --> 00:09:58,180

planes even though they were test flown

196

00:10:03,900 --> 00:10:00,160

out there as were numerous other

197

00:10:06,120 --> 00:10:03,910

aircraft the public didn't really know

198

00:10:08,250 --> 00:10:06,130

much about it you didn't see too much

199

00:10:10,769 --> 00:10:08,260

about it even written in aviation

200

00:10:12,360 --> 00:10:10,779

magazines and books there was almost

201
00:10:13,590 --> 00:10:12,370
within the government's and the

202
00:10:18,090 --> 00:10:13,600
relationship

203
00:10:20,940 --> 00:10:18,100
with sort of the media but to to not

204
00:10:24,060 --> 00:10:20,950
play up too much not to not emphasize

205
00:10:29,430 --> 00:10:24,070
this secret place out in the desert and

206
00:10:32,490 --> 00:10:29,440
it really was in the 1980s that area 51

207
00:10:36,780 --> 00:10:32,500
became not just famous but infamous

208
00:10:39,930 --> 00:10:36,790
and this largely began thanks to a guy

209
00:10:43,800 --> 00:10:39,940
named Bob Lazar now Bob Lazar was a guy

210
00:10:46,110 --> 00:10:43,810
who came forward in 1988 and claimed

211
00:10:50,400 --> 00:10:46,120
that he'd worked at one particular part

212
00:10:53,910 --> 00:10:50,410
of area 51 called s4 and as I said

213
00:10:56,670 --> 00:10:53,920

earlier the whole area itself the Nevada

214

00:10:59,220 --> 00:10:56,680

test and training range is this gigantic

215

00:11:04,110 --> 00:10:59,230

place with multiple areas on its like

216

00:11:06,630 --> 00:11:04,120

area 51's for and so on and Lazar came

217

00:11:09,810 --> 00:11:06,640

out with this very bizarre and also

218

00:11:12,690 --> 00:11:09,820

extremely controversial story of having

219

00:11:14,520 --> 00:11:12,700

worked out at s4 perhaps Lee what he

220

00:11:16,410 --> 00:11:14,530

said was a very short period of time

221

00:11:18,420 --> 00:11:16,420

people think it was months or years

222

00:11:21,210 --> 00:11:18,430

it literally may have been about sort of

223

00:11:24,360 --> 00:11:21,220

six or seven weeks collectively but

224

00:11:28,590 --> 00:11:24,370

spread across a long a period of time

225

00:11:31,640 --> 00:11:28,600

and according to Lazar he was hired to

226

00:11:34,770 --> 00:11:31,650

work on a program dealing with high tech

227

00:11:36,450 --> 00:11:34,780

technology and he was told you know this

228

00:11:39,270 --> 00:11:36,460

is something that you might have an

229

00:11:42,660 --> 00:11:39,280

interested in and which was sort of you

230

00:11:47,880 --> 00:11:42,670

know playing right into into his mind

231

00:11:50,070 --> 00:11:47,890

and in Lazar it was interviewed and was

232

00:11:54,030 --> 00:11:50,080

told you know there's gonna be stringent

233

00:11:56,970 --> 00:11:54,040

background checks security that kind of

234

00:12:00,210 --> 00:11:56,980

thing but if you want to come on board

235

00:12:02,100 --> 00:12:00,220

you're gonna see something amazing and I

236

00:12:04,560 --> 00:12:02,110

imagine you know to begin with the

237

00:12:06,140 --> 00:12:04,570

thought was this you know Uncle Sam's

238

00:12:08,790 --> 00:12:06,150

developed the ultimates

239

00:12:11,520 --> 00:12:08,800

high-tech energy technology something

240

00:12:13,980 --> 00:12:11,530

along those lines or or military you

241

00:12:17,310 --> 00:12:13,990

know technology that sort of thing when

242

00:12:19,710 --> 00:12:17,320

he got out there Lazar claimed but he

243

00:12:22,170 --> 00:12:19,720

saw a number of what you could only call

244

00:12:27,120 --> 00:12:22,180

flying saucers that were disc shaped

245

00:12:30,120 --> 00:12:27,130

aircraft and his first thought was well

246

00:12:32,760 --> 00:12:30,130

Uncle Sam again has developed flying

247

00:12:35,040 --> 00:12:32,770

saucers the US government has been

248

00:12:38,180 --> 00:12:35,050

responsible for the sightings of UFOs

249

00:12:41,910 --> 00:12:38,190

and it's not really aliens and so on and

250

00:12:45,030 --> 00:12:41,920

the the penny kind of drop so to speak

251
00:12:48,180 --> 00:12:45,040
for Lazar when he was shown the interior

252
00:12:51,300 --> 00:12:48,190
of a couple of these craft out at s4 and

253
00:12:54,180 --> 00:12:51,310
the seats were really small you know for

254
00:12:57,000 --> 00:12:54,190
the really they would only seat kids of

255
00:12:59,520 --> 00:12:57,010
about three four or five years old you

256
00:13:02,940 --> 00:12:59,530
know they're very small seats and all

257
00:13:06,240 --> 00:13:02,950
the equipment's inside the craft seem to

258
00:13:09,660 --> 00:13:06,250
be really small then he kind of realized

259
00:13:11,730 --> 00:13:09,670
well hang on how could people fly these

260
00:13:15,570 --> 00:13:11,740
craft and the answer was well they

261
00:13:18,480 --> 00:13:15,580
couldn't and when he was exposed to

262
00:13:20,790 --> 00:13:18,490
these craft he was also shown a large

263
00:13:23,040 --> 00:13:20,800

number of briefing papers which

264

00:13:25,080 --> 00:13:23,050

according to us are these briefing

265

00:13:29,670 --> 00:13:25,090

papers that he was given by the staff at

266

00:13:33,120 --> 00:13:29,680

s4 essentially told of the history of

267

00:13:35,850 --> 00:13:33,130

alien human interaction supposedly going

268

00:13:39,200 --> 00:13:35,860

back thousands of years there were

269

00:13:41,520 --> 00:13:39,210

stories in these files about how the

270

00:13:44,010 --> 00:13:41,530

extraterrestrials again thousands of

271

00:13:46,350 --> 00:13:44,020

years ago maybe more than that had sort

272

00:13:49,980 --> 00:13:46,360

of tinkered and manipulated the human

273

00:13:54,180 --> 00:13:49,990

race genetically to sort of upgrade us

274

00:13:56,870 --> 00:13:54,190

from from apes if you like up to the

275

00:14:00,870 --> 00:13:56,880

present day so it was a very

276

00:14:04,380 --> 00:14:00,880

controversial job interview I almost

277

00:14:06,210 --> 00:14:04,390

like a unique job interview which went

278

00:14:09,390 --> 00:14:06,220

further than that when he was taken out

279

00:14:12,830 --> 00:14:09,400

to the base and and shown the technology

280

00:14:16,980 --> 00:14:12,840

and allowed to read these documents now

281

00:14:19,530 --> 00:14:16,990

that in essence was the story the idea

282

00:14:22,920 --> 00:14:19,540

that the US government or an elite group

283

00:14:26,100 --> 00:14:22,930

out at s4 were back engineering or

284

00:14:28,410 --> 00:14:26,110

trying to back engineer alien technology

285

00:14:31,050 --> 00:14:28,420

but according to Lazar they weren't

286

00:14:33,300 --> 00:14:31,060

having a very good job of it at all they

287

00:14:36,330 --> 00:14:33,310

just did not understand the technology

288

00:14:38,720 --> 00:14:36,340

you know it's kind of as if you know a

289

00:14:40,510 --> 00:14:38,730

modern-day car was suddenly

290

00:14:45,220 --> 00:14:40,520

time-traveled back to the

291

00:14:47,410 --> 00:14:45,230

hundred you know you might find that the

292

00:14:50,050 --> 00:14:47,420

people of that area would understand

293

00:14:51,730 --> 00:14:50,060

well this is a vehicle it moves you know

294

00:14:54,040 --> 00:14:51,740

kind of like a horse and cart and they

295

00:14:55,810 --> 00:14:54,050

could push it along and I'm sure if one

296

00:14:58,720 --> 00:14:55,820

of them sat inside and started to move

297

00:15:00,699 --> 00:14:58,730

the wheel they would realize by pushing

298

00:15:03,280 --> 00:15:00,709

it and turning it you can go in

299

00:15:05,740 --> 00:15:03,290

different ways and maybe if there's a

300

00:15:08,050 --> 00:15:05,750

key in there and they turn the key it

301
00:15:11,940 --> 00:15:08,060
would start the engine maybe they could

302
00:15:15,910 --> 00:15:11,950
even you know put it into gear and drive

303
00:15:18,699 --> 00:15:15,920
but if the most precious part of all the

304
00:15:21,340 --> 00:15:18,709
gas when it runs out they would have no

305
00:15:24,040 --> 00:15:21,350
way to reproduce and replicate the gas

306
00:15:26,710 --> 00:15:24,050
so the car would just sit there and that

307
00:15:29,760 --> 00:15:26,720
was kind of the situation which Lazar

308
00:15:33,730 --> 00:15:29,770
said was going on at area 51 and s4 that

309
00:15:35,920 --> 00:15:33,740
the scientists there knew what they were

310
00:15:38,500 --> 00:15:35,930
dealing with but they couldn't replicate

311
00:15:41,519 --> 00:15:38,510
it they couldn't duplicate it they

312
00:15:44,829 --> 00:15:41,529
didn't know how to make the craft fly

313
00:15:47,290 --> 00:15:44,839

even though they knew the principles of

314

00:15:50,170 --> 00:15:47,300

it and so according to his are

315

00:15:52,840 --> 00:15:50,180

periodically they brought people in to

316

00:15:55,240 --> 00:15:52,850

look into this but really weren't

317

00:15:56,470 --> 00:15:55,250

getting far at all so sometimes they

318

00:15:58,810 --> 00:15:56,480

were bringing sort of maverick

319

00:16:02,800 --> 00:15:58,820

scientists who would think sort of think

320

00:16:04,780 --> 00:16:02,810

out of the box so to speak and but that

321

00:16:08,199 --> 00:16:04,790

was the thrust of it that the US

322

00:16:10,660 --> 00:16:08,209

government's had got UFOs on actually

323

00:16:12,910 --> 00:16:10,670

under unclear circumstances Lazar said

324

00:16:16,000 --> 00:16:12,920

he was never actually told where these

325

00:16:18,519 --> 00:16:16,010

craft came from and only one of them was

326

00:16:20,410 --> 00:16:18,529

had a sort of a noticeable dent in it

327

00:16:22,300 --> 00:16:20,420

the rest of them were supposedly in

328

00:16:24,510 --> 00:16:22,310

extremely good condition they weren't

329

00:16:27,010 --> 00:16:24,520

like according to him they weren't like

330

00:16:29,650 --> 00:16:27,020

what you would find at Roswell you know

331

00:16:32,889 --> 00:16:29,660

this destroyed craft it was almost as if

332

00:16:36,550 --> 00:16:32,899

they'd been donated or landed and being

333

00:16:40,480 --> 00:16:36,560

captured that kind of thing that was the

334

00:16:43,000 --> 00:16:40,490

story and under an alias Lazar gave his

335

00:16:46,420 --> 00:16:43,010

story to George Knapp as a journalist

336

00:16:48,699 --> 00:16:46,430

working in Nevada and the story then got

337

00:16:52,060 --> 00:16:48,709

out and it spread within the UFO

338

00:16:54,400 --> 00:16:52,070

community and culture and in no time

339

00:16:57,610 --> 00:16:54,410

Lazar was being invited

340

00:17:02,440 --> 00:16:57,620

on some of the talk shows on UFOs that

341

00:17:04,840 --> 00:17:02,450

existed back in 88 89 articles were

342

00:17:07,650 --> 00:17:04,850

written about him people started doing

343

00:17:11,620 --> 00:17:07,660

background checks on him Tim good a

344

00:17:15,010 --> 00:17:11,630

best-selling author covered the Lazar

345

00:17:18,130 --> 00:17:15,020

stories 1991 book alien liaison and

346

00:17:20,770 --> 00:17:18,140

covered it extensively and it really

347

00:17:23,829 --> 00:17:20,780

regardless of which side of the the

348

00:17:26,380 --> 00:17:23,839

story you're on there's no doubt that it

349

00:17:30,820 --> 00:17:26,390

wasn't the government or the media that

350

00:17:33,640 --> 00:17:30,830

really brought area 51 to the attention

351
00:17:35,290 --> 00:17:33,650
of people actually was Lazar regardless

352
00:17:39,600 --> 00:17:35,300
as I said whether you buy into his story

353
00:17:42,270 --> 00:17:39,610
or not now with in ufology you have

354
00:17:46,150 --> 00:17:42,280
pretty much three different scenarios

355
00:17:46,870 --> 00:17:46,160
one is the Lazar is absolutely telling

356
00:17:50,260 --> 00:17:46,880
the truth

357
00:17:53,520 --> 00:17:50,270
another one is that he is a hoaxer and

358
00:17:55,810 --> 00:17:53,530
the third one is that he was hoaxed

359
00:17:57,700 --> 00:17:55,820
possibly to try and convince the

360
00:17:59,710 --> 00:17:57,710
Russians that we've got a lien

361
00:18:02,710 --> 00:17:59,720
technology and then they would hope

362
00:18:04,690 --> 00:18:02,720
Lazar would go public and then the you

363
00:18:08,170 --> 00:18:04,700

know people in the Kremlin Kremlin would

364

00:18:10,240 --> 00:18:08,180

be oh my god you know out at area 51

365

00:18:13,630 --> 00:18:10,250

they've got a lien technology so those

366

00:18:16,600 --> 00:18:13,640

are the three scenarios now a lot of

367

00:18:20,650 --> 00:18:16,610

people in ufology just write off Lazar

368

00:18:22,750 --> 00:18:20,660

as a as a hoaxer the late Stan Friedman

369

00:18:26,470 --> 00:18:22,760

who was you know involved in ufology for

370

00:18:29,790 --> 00:18:26,480

decades never mind just years Stan's

371

00:18:33,550 --> 00:18:29,800

actual words when Lazar came out with

372

00:18:36,730 --> 00:18:33,560

with his claims Stan said this is bunk

373

00:18:39,010 --> 00:18:36,740

bunk bunk and he said it three times he

374

00:18:42,490 --> 00:18:39,020

said this is garbage there's nothing to

375

00:18:44,710 --> 00:18:42,500

it and to his dying day Stan believed

376

00:18:46,870 --> 00:18:44,720

that Lazar was not spreading

377

00:18:50,140 --> 00:18:46,880

disinformation was not telling the truth

378

00:18:53,320 --> 00:18:50,150

Stan believed that Lazar was

379

00:18:57,310 --> 00:18:53,330

perpetrating a hoax now personally I

380

00:19:00,770 --> 00:18:57,320

actually don't think Lazar was hoaxing

381

00:19:03,650 --> 00:19:00,780

now I think

382

00:19:06,530 --> 00:19:03,660

the two scenarios either one is that

383

00:19:11,540 --> 00:19:06,540

there really are crashed or recovered

384

00:19:14,360 --> 00:19:11,550

aliens and UFOs at area 51 or somebody

385

00:19:16,270 --> 00:19:14,370

wants us to believe that and perpetrated

386

00:19:18,710 --> 00:19:16,280

some sort of bizarre psychological

387

00:19:22,220 --> 00:19:18,720

warfare operation disinformation

388

00:19:23,930 --> 00:19:22,230

operation at area 51 to frighten the

389

00:19:25,820 --> 00:19:23,940

Russians maybe the North Koreans the

390

00:19:28,310 --> 00:19:25,830

Chinese whoever and that there weren't

391

00:19:32,210 --> 00:19:28,320

any UFOs there but if we start with the

392

00:19:34,040 --> 00:19:32,220

hoax angle why I don't think Lazar was a

393

00:19:38,710 --> 00:19:34,050

hoax it was because he actually doesn't

394

00:19:42,230 --> 00:19:38,720

operate and didn't operate like most

395

00:19:44,990 --> 00:19:42,240

hoaxes in ufology have done so I'll

396

00:19:48,020 --> 00:19:45,000

explain what I mean by that a lot of

397

00:19:49,730 --> 00:19:48,030

people who have perpetrated hoaxes in

398

00:19:51,580 --> 00:19:49,740

ufology and unfortunately there have

399

00:19:54,860 --> 00:19:51,590

been some over the years and the decades

400

00:19:57,590 --> 00:19:54,870

what they do well they'll write a book

401

00:19:59,660 --> 00:19:57,600

and it's just full of garbage and they

402

00:20:02,570 --> 00:19:59,670

go on the lecture circuit you know for a

403

00:20:06,020 --> 00:20:02,580

year maybe do 20 30 lectures they're

404

00:20:08,030 --> 00:20:06,030

selling dozens and dozens of books you

405

00:20:10,250 --> 00:20:08,040

know they're on TV they're promoting

406

00:20:13,460 --> 00:20:10,260

things but it's all nonsense they've

407

00:20:17,750 --> 00:20:13,470

made it up now what happens after the

408

00:20:20,000 --> 00:20:17,760

initial publicity runs out suddenly they

409

00:20:22,040 --> 00:20:20,010

come up with oh I've had some more

410

00:20:23,960 --> 00:20:22,050

encounters the aliens have come back and

411

00:20:26,270 --> 00:20:23,970

taken me away again so what do they do

412

00:20:28,760 --> 00:20:26,280

they write another book then which

413

00:20:32,480 --> 00:20:28,770

allows them to go back on the lecture

414

00:20:33,950 --> 00:20:32,490

circuit again and sell them now that

415

00:20:35,750 --> 00:20:33,960

happened I won't say it happens all the

416

00:20:37,970 --> 00:20:35,760

time but it has happened a lot

417

00:20:40,340 --> 00:20:37,980

unfortunately you know and that's that's

418

00:20:43,820 --> 00:20:40,350

one of the hazards of ufology there are

419

00:20:45,830 --> 00:20:43,830

people who who hoax things but typically

420

00:20:48,050 --> 00:20:45,840

eventually they're found out but they

421

00:20:50,000 --> 00:20:48,060

always come back for more because they

422

00:20:54,200 --> 00:20:50,010

just it's the lure of it it's like a

423

00:20:58,280 --> 00:20:54,210

magnet now why I don't think Lazar was a

424

00:21:01,520 --> 00:20:58,290

hoaxer is because he did not act like a

425

00:21:05,600 --> 00:21:01,530

hoaxer by that what I actually mean is

426
00:21:07,610 --> 00:21:05,610
that he never wrote a book never and you

427
00:21:11,150 --> 00:21:07,620
know when to publisher and and got a big

428
00:21:14,400 --> 00:21:11,160
deal with them he did a few radio shows

429
00:21:16,770 --> 00:21:14,410
for people like George Knapp he

430
00:21:20,850 --> 00:21:16,780
was on a few lectures and conferences

431
00:21:23,430 --> 00:21:20,860
and I do mean a few this was a man who

432
00:21:28,470 --> 00:21:23,440
if it was a hoax he would had to create

433
00:21:31,110 --> 00:21:28,480
an incredibly intricate story and yet he

434
00:21:32,910 --> 00:21:31,120
did nothing with it as I said he never

435
00:21:34,620 --> 00:21:32,920
wrote a book he never got a huge book

436
00:21:38,670 --> 00:21:34,630
deal which he certainly could have done

437
00:21:40,800 --> 00:21:38,680
given the the scale of the situation

438
00:21:42,990 --> 00:21:40,810

that he was talking about but no books

439

00:21:46,670 --> 00:21:43,000

no lectures hardly no hardly any

440

00:21:50,400 --> 00:21:46,680

conferences no TV shows no TV

441

00:21:55,410 --> 00:21:50,410

documentary nothing that that's not how

442

00:21:59,070 --> 00:21:55,420

a hoaxer operates hoaxes create hoaxes

443

00:22:02,640 --> 00:21:59,080

to gain something back Lazar got nothing

444

00:22:05,910 --> 00:22:02,650

back other than notoriety so that's why

445

00:22:08,100 --> 00:22:05,920

I don't think he was a hoaxer I think

446

00:22:12,120 --> 00:22:08,110

there's a possibility a strong

447

00:22:15,750 --> 00:22:12,130

possibility that he himself was sort of

448

00:22:18,630 --> 00:22:15,760

like the Patsy who was being used but

449

00:22:20,790 --> 00:22:18,640

Jackie Dee genuinely didn't realize he

450

00:22:24,150 --> 00:22:20,800

was being used and why I say that is

451

00:22:26,700 --> 00:22:24,160

because it's a little-known issue that's

452

00:22:29,940 --> 00:22:26,710

on a number of occasions when Lazar went

453

00:22:31,530 --> 00:22:29,950

out to s4 did his work out there try to

454

00:22:34,620 --> 00:22:31,540

understand the nature of the alien

455

00:22:38,190 --> 00:22:34,630

technology and then next thing he would

456

00:22:39,480 --> 00:22:38,200

know he'd be flying back to Vegas in one

457

00:22:40,680 --> 00:22:39,490

of these small planes that they would

458

00:22:43,860 --> 00:22:40,690

fly him out with these blacked-out

459

00:22:47,490 --> 00:22:43,870

windows and he had significant memory

460

00:22:50,550 --> 00:22:47,500

loss of a number of days and he came to

461

00:22:53,070 --> 00:22:50,560

believe in that or suspect that in some

462

00:22:55,920 --> 00:22:53,080

ways maybe his mind had been tampered

463

00:22:58,920 --> 00:22:55,930

with or hypnotized or you know sort of

464

00:23:02,040 --> 00:22:58,930

chemical technology to wipe out a couple

465

00:23:04,440 --> 00:23:02,050

of days of what happened if that's the

466

00:23:08,630 --> 00:23:04,450

case then that suggests to me that he

467

00:23:13,470 --> 00:23:08,640

may well have been used in some sort of

468

00:23:16,500 --> 00:23:13,480

incredibly weird and detailed ruse to

469

00:23:19,020 --> 00:23:16,510

make Lazar think he'd seen aliens think

470

00:23:22,080 --> 00:23:19,030

it's an alien craft but to send a

471

00:23:24,030 --> 00:23:22,090

message to Russia that hey you know

472

00:23:25,710 --> 00:23:24,040

forget what you've got in your missile

473

00:23:28,289 --> 00:23:25,720

silos

474

00:23:31,259 --> 00:23:28,299

just think what we've got at area 51 and

475

00:23:32,990 --> 00:23:31,269

it's absolutely possible it could be

476

00:23:36,480 --> 00:23:33,000

that's absolutely nothing

477

00:23:39,330 --> 00:23:36,490

extraterrestrial at area 51 but somebody

478

00:23:41,700 --> 00:23:39,340

in the intelligence community sorely

479

00:23:43,499 --> 00:23:41,710

wants us to think there are and they

480

00:23:47,070 --> 00:23:43,509

want the Russians to think they are and

481

00:23:49,799 --> 00:23:47,080

the North Koreans and the Chinese so I

482

00:23:52,409 --> 00:23:49,809

think we're in the situation today where

483

00:23:56,970 --> 00:23:52,419

it looks like they're extraterrestrials

484

00:23:58,860 --> 00:23:56,980

aliens UFOs and area 51 and maybe they

485

00:24:03,320 --> 00:23:58,870

really are maybe the stories are

486

00:24:07,049 --> 00:24:03,330

absolutely 100% true on the other hand

487

00:24:09,119 --> 00:24:07,059

somebody possibly wants that to be the

488

00:24:13,279 --> 00:24:09,129

truth once us to believe that's the

489

00:24:16,470 --> 00:24:13,289

truth and I think the ease with which

490

00:24:19,320 --> 00:24:16,480

Lazar was given the story and then

491

00:24:22,590 --> 00:24:19,330

allowed to spread it and nobody tried to

492

00:24:26,909 --> 00:24:22,600

stop him I think that is suspicious and

493

00:24:30,930 --> 00:24:26,919

to me it does kind of smack of the idea

494

00:24:35,759 --> 00:24:30,940

of Lazar being kind of a puppet being

495

00:24:37,379 --> 00:24:35,769

used in some odd situation but what is

496

00:24:40,289 --> 00:24:37,389

particularly intriguing I have to admit

497

00:24:42,930 --> 00:24:40,299

is that after Lazar surfaced I know a

498

00:24:45,649 --> 00:24:42,940

lot of other people surfaced all

499

00:24:49,440 --> 00:24:45,659

claiming to have worked at area 51 and

500

00:24:52,320 --> 00:24:49,450

on the Nelly's test range and to have

501
00:24:54,600 --> 00:24:52,330
have knowledge of UFOs and some of these

502
00:24:58,889 --> 00:24:54,610
people their backgrounds you know they

503
00:25:02,149 --> 00:24:58,899
were able to prove who they were so the

504
00:25:05,279 --> 00:25:02,159
whole thing is very very confusing

505
00:25:08,190 --> 00:25:05,289
there's sort of multiple levels of is

506
00:25:11,850 --> 00:25:08,200
this true is this disinformation is it

507
00:25:16,890 --> 00:25:13,740
I guess the frustrating thing for the

508
00:25:19,200 --> 00:25:16,900
UFO research community is that we're

509
00:25:24,110 --> 00:25:19,210
actually still very much in the same

510
00:25:28,230 --> 00:25:24,120
situation today as we were in 88 and 89

511
00:25:30,090 --> 00:25:28,240
with night with Bob Lazar then and also

512
00:25:34,020 --> 00:25:30,100
for example with Tim good who wrote

513
00:25:36,210 --> 00:25:34,030

alien liaison in 1991 the story that

514

00:25:40,160 --> 00:25:36,220

Lazar tells today's are still still the

515

00:25:43,560 --> 00:25:40,170

same one he told Tim good in 1991 so

516

00:25:46,950 --> 00:25:43,570

nothing has changed nothing has really

517

00:25:48,720 --> 00:25:46,960

come forward where we can say you know

518

00:25:51,980 --> 00:25:48,730

we've really got something that we can

519

00:25:55,350 --> 00:25:51,990

nail down and this is the smoking gun

520

00:25:57,900 --> 00:25:55,360

it's still not reached that at all -

521

00:26:00,480 --> 00:25:57,910

Dave and you still got well I think Bob

522

00:26:04,530 --> 00:26:00,490

Lazar is a hoax well I think Bob Lazar

523

00:26:07,830 --> 00:26:04,540

is telling the truth and it's amazing

524

00:26:11,039 --> 00:26:07,840

how that story has legs you know and the

525

00:26:14,220 --> 00:26:11,049

legs are still moving and we're still

526

00:26:19,470 --> 00:26:14,230

asking the question did Bob Lazar really

527

00:26:22,159 --> 00:26:19,480

see alien spacecraft at area 51 so for

528

00:26:25,140 --> 00:26:22,169

me that's one of the main reasons why

529

00:26:28,320 --> 00:26:25,150

it's such an intriguing place almost a

530

00:26:31,080 --> 00:26:28,330

magical place because it's settled in

531

00:26:33,690 --> 00:26:31,090

the middle of nowhere no one can get

532

00:26:36,990 --> 00:26:33,700

into it and if the stories are true

533

00:26:39,980 --> 00:26:37,000

there's extraterrestrial technology and

534

00:26:44,039 --> 00:26:39,990

possibly even creatures out there and

535

00:26:48,409 --> 00:26:44,049

the world isn't being told about it or

536

00:26:50,820 --> 00:26:48,419

you know is it just somebody's mind game

537

00:26:55,600 --> 00:26:50,830

governments play mind games for all

538

00:26:59,020 --> 00:26:55,610

sorts of bizarre reasons so for me

539

00:27:01,300 --> 00:26:59,030

it's it's like a ride down it's almost

540

00:27:04,420 --> 00:27:01,310

like you know The Wizard of Oz are you

541

00:27:06,670 --> 00:27:04,430

going to this magical world almost where

542

00:27:10,840 --> 00:27:06,680

you just don't know what is reality

543

00:27:12,930 --> 00:27:10,850

and what isn't and I think that's where

544

00:27:17,230 --> 00:27:12,940

we're at and I hope the situation

545

00:27:20,170 --> 00:27:17,240

changes one day but right now the

546

00:27:23,590 --> 00:27:20,180

mystique is still there and mystique

547

00:27:25,020 --> 00:27:23,600

attracts people but what we need are

548

00:27:29,860 --> 00:27:25,030

answers

549

00:27:32,380 --> 00:27:29,870

although area 51 is primarily connected

550

00:27:36,280 --> 00:27:32,390

to the UFO subject it actually has a

551

00:27:40,240 --> 00:27:36,290

long history of test-flying very very

552

00:27:43,000 --> 00:27:40,250

secretly some of the earliest spy planes

553

00:27:46,540 --> 00:27:43,010

like through the 1950s and 60s like the

554

00:27:49,320 --> 00:27:46,550

you to which spied over Russia the

555

00:27:53,200 --> 00:27:49,330

Blackbird but also some unacknowledged

556

00:27:56,290 --> 00:27:53,210

aircraft there were rumors back in the

557

00:27:58,120 --> 00:27:56,300

late 80s and early 90s that a strange

558

00:28:00,880 --> 00:27:58,130

aircraft called the or Drori

559

00:28:03,490 --> 00:28:00,890

was being test flown out there and the

560

00:28:06,640 --> 00:28:03,500

aurora was described by many people as

561

00:28:09,490 --> 00:28:06,650

like a black triangular shaped aircraft

562

00:28:13,450 --> 00:28:09,500

there are even more controversial rumors

563

00:28:16,570 --> 00:28:13,460

that the Aurora could fly to incredible

564

00:28:19,720 --> 00:28:16,580

speeds it could hover almost on a dime

565

00:28:23,590 --> 00:28:19,730

what's particularly intriguing is that

566

00:28:27,100 --> 00:28:23,600

in the 1980s a wave of sightings of

567

00:28:30,190 --> 00:28:27,110

black triangular aircraft did begin

568

00:28:33,130 --> 00:28:30,200

across the United States and spread to

569

00:28:37,360 --> 00:28:33,140

the UK and to Belgium and all over the

570

00:28:40,300 --> 00:28:37,370

place and these things were clearly far

571

00:28:42,580 --> 00:28:40,310

more advanced than the black triangular

572

00:28:44,590 --> 00:28:42,590

stealth fighter and stealth bomber that

573

00:28:47,230 --> 00:28:44,600

we have today everybody seen them they

574

00:28:49,180 --> 00:28:47,240

look really weird and if you'd seen them

575

00:28:51,670 --> 00:28:49,190

before they were actually you know

576

00:28:54,370 --> 00:28:51,680

rolled off the the board so to speak you

577

00:28:57,670 --> 00:28:54,380

might think they were UFOs but according

578

00:29:00,970 --> 00:28:57,680

to what the insiders were saying the or

579

00:29:02,710 --> 00:29:00,980

rorra was far more advanced than the

580

00:29:05,920 --> 00:29:02,720

stealth fighter and the stealth bomber

581

00:29:09,520 --> 00:29:05,930

they were described as very large black

582

00:29:12,850 --> 00:29:09,530

triangular aircraft flying incomplete as

583

00:29:15,940 --> 00:29:12,860

Islands possibly even flying it's at

584

00:29:19,150 --> 00:29:15,950

speeds as low as at 20 miles an hour

585

00:29:22,240 --> 00:29:19,160

which is incredible you know if we do

586

00:29:24,850 --> 00:29:22,250

have that technology so this particular

587

00:29:28,140 --> 00:29:24,860

issue of these so-called black triangles

588

00:29:31,260 --> 00:29:28,150

the Aurora that is one of the sort of

589

00:29:34,390 --> 00:29:31,270

equally important and significant

590

00:29:38,560 --> 00:29:34,400

aspects of what may be going on at area

591

00:29:42,250 --> 00:29:38,570

51 which is certainly as important as

592

00:29:43,900 --> 00:29:42,260

the story that Bob Lazar told over the

593

00:29:47,290 --> 00:29:43,910

last few years a number of photographs

594

00:29:50,650 --> 00:29:47,300

are being taken from spy planes and

595

00:29:52,870 --> 00:29:50,660

high-flying aircraft of the of area 51

596

00:29:55,240 --> 00:29:52,880

and if you look a lot of these

597

00:29:58,900 --> 00:29:55,250

photographs they don't actually show too

598

00:30:03,100 --> 00:29:58,910

much other than a number of hangars and

599

00:30:05,350 --> 00:30:03,110

a couple of long runways now given the

600

00:30:07,390 --> 00:30:05,360

security surrounding it and we know that

601
00:30:09,490 --> 00:30:07,400
thousands of people work there the big

602
00:30:13,210 --> 00:30:09,500
question is well how could he just look

603
00:30:16,090 --> 00:30:13,220
like a few hangars and a few runways out

604
00:30:17,980 --> 00:30:16,100
of the desert well the answer is most of

605
00:30:21,970 --> 00:30:17,990
the work that actually goes on at area

606
00:30:25,030 --> 00:30:21,980
51 goes on underground even Bob Lazar

607
00:30:28,840 --> 00:30:25,040
said for example at s4 where he worked

608
00:30:31,510 --> 00:30:28,850
he said that s4 itself was not sort of

609
00:30:33,700 --> 00:30:31,520
out in the desert it was actually sort

610
00:30:36,520 --> 00:30:33,710
of buried in sort of like a hollowed

611
00:30:38,160 --> 00:30:36,530
part of one of the mountains so if you

612
00:30:41,140 --> 00:30:38,170
were the Russians with a spy satellite

613
00:30:44,230 --> 00:30:41,150

flying over Nevada which hack which

614

00:30:46,180 --> 00:30:44,240

actually does happen the Russians would

615

00:30:48,340 --> 00:30:46,190

not be able to say anything other than

616

00:30:51,400 --> 00:30:48,350

the mountain because all the work would

617

00:30:53,770 --> 00:30:51,410

be inside and it's kind of similar in

618

00:30:56,680 --> 00:30:53,780

the sense that at area 51 most of the

619

00:30:58,750 --> 00:30:56,690

work is done on multiple levels for a

620

00:31:02,080 --> 00:30:58,760

four five six levels we don't really

621

00:31:05,170 --> 00:31:02,090

know how many but we could be looking at

622

00:31:08,740 --> 00:31:05,180

hollowed out facilities perhaps going

623

00:31:11,410 --> 00:31:08,750

down three four hundred feet and that's

624

00:31:14,080 --> 00:31:11,420

where the work is done and a lot of the

625

00:31:17,410 --> 00:31:14,090

sensitive material is held and of course

626

00:31:19,390 --> 00:31:17,420

there's no way to know exactly what's

627

00:31:21,169 --> 00:31:19,400

going on there unless you really happen

628

00:31:24,289 --> 00:31:21,179

to work there

629

00:31:28,729 --> 00:31:24,299

after all the research I've done into

630

00:31:31,249 --> 00:31:28,739

area 51 what I've come to conclude when

631

00:31:31,999 --> 00:31:31,259

it comes to all of this is that well we

632

00:31:35,209 --> 00:31:32,009

know yes

633

00:31:38,209 --> 00:31:35,219

area 51 exists we know it's the most

634

00:31:42,680 --> 00:31:38,219

guarded military facility in the entire

635

00:31:47,029 --> 00:31:42,690

United States but we don't know why we

636

00:31:48,709 --> 00:31:47,039

also know that historically area 51 was

637

00:31:51,829 --> 00:31:48,719

where some of the most advanced

638

00:31:55,700 --> 00:31:51,839

high-flying spy planes were tested in

639

00:31:59,450 --> 00:31:55,710

deep secrecy we also know that area 51

640

00:32:02,869 --> 00:31:59,460

has become certainly the most infamous

641

00:32:07,279 --> 00:32:02,879

base in the world because of its

642

00:32:09,709 --> 00:32:07,289

associations with UFOs and we've got a

643

00:32:12,829 --> 00:32:09,719

lot of information we've got a lot of

644

00:32:15,919 --> 00:32:12,839

witnesses coming forward the big thing

645

00:32:19,879 --> 00:32:15,929

we need now is evidence and I would hope

646

00:32:22,759 --> 00:32:19,889

at some points evidence will come out to

647

00:32:26,810 --> 00:32:22,769

demonstrate what is actually going on

648

00:32:30,229 --> 00:32:26,820

there in relation to UFOs and let's

649

00:32:33,560 --> 00:32:30,239

finally see it all and I'm quite sure

650

00:32:37,009 --> 00:32:33,570

the public can take it if people are

651

00:32:39,019 --> 00:32:37,019

interested in reading my area51 book you
