00:00:05,580 --> 00:00:23,670

[Music]

2
00:00:29,109 --> 00:00:25,830

i'd like to start out

3
00:00:32,150 --> 00:00:29,119

when i was around 25 i basically

4
00:00:34,150 --> 00:00:32,160

have been listening to bashar a channel

5
00:00:36,549 --> 00:00:34,160

by daryl anchor for quite some time

6
00:00:38,389 --> 00:00:36,559

and it's been going on at that time

7
00:00:42,950 --> 00:00:38,399

maybe two years into it

8
00:00:44,950 --> 00:00:42,960

so when i turned 26 i had bought a house

9
00:00:46,470 --> 00:00:44,960

pretty much in the woods in robertsville

10
00:00:49,990 --> 00:00:46,480

missouri to just

11
00:00:50,950 --> 00:00:50,000

a house uh six acres of land and not a

12
00:00:52,630 --> 00:00:50,960

soul around

13
00:00:54,709 --> 00:00:52,640

because i felt whatever i was going

14

00:00:57,510 --> 00:00:54,719

through i needed to have my own space

15

00:00:58,069 --> 00:00:57,520

to sort of just allow whatever can

16

00:01:02,709 --> 00:00:58,079

happen

17

00:01:04,310 --> 00:01:02,719

were no friends around no other houses

18

00:01:05,990 --> 00:01:04,320

nothing so it was just me

19

00:01:07,750 --> 00:01:06,000

so whatever happened to me just happened

20

00:01:08,870 --> 00:01:07,760

to me and it didn't affect anyone else

21

00:01:13,030 --> 00:01:08,880

around me

22

00:01:15,510 --> 00:01:13,040

and so uh when i bought the house

23

00:01:16,149 --> 00:01:15,520

obviously i didn't have any money i

24

00:01:18,630 --> 00:01:16,159

spent

25

00:01:20,390 --> 00:01:18,640

uh every time i had on the down payment

26

00:01:21,830 --> 00:01:20,400

and uh basically just

27

00:01:23,510 --> 00:01:21,840

trying to make it through going to work

28

00:01:26,070 --> 00:01:23,520

every day and

29

00:01:27,830 --> 00:01:26,080

i was one day on top of my roof and i

30

00:01:29,429 --> 00:01:27,840

was trying to patch up all the holes

31

00:01:31,109 --> 00:01:29,439

that were there because every time it

32

00:01:31,670 --> 00:01:31,119

rained i would at least have three four

33

00:01:34,390 --> 00:01:31,680

leaks

34

00:01:35,749 --> 00:01:34,400

but i didn't have the money to to fix it

35

00:01:37,270 --> 00:01:35,759

and so

36

00:01:39,270 --> 00:01:37,280

i was sitting there thinking about

37

00:01:41,910 --> 00:01:39,280

something that bashar said and

38

00:01:43,510 --> 00:01:41,920

then i was like why am i not applying

39

00:01:45,429 --> 00:01:43,520

what he's talking about

40

00:01:47,749 --> 00:01:45,439

to talk about law of attraction and what

41

00:01:49,749 --> 00:01:47,759

you put out is what you get back and

42

00:01:51,749 --> 00:01:49,759

how you constantly attract everything

43

00:01:52,550 --> 00:01:51,759

around you that matches with you but a

44

00:01:54,389 --> 00:01:52,560

lot of times

45

00:01:56,149 --> 00:01:54,399

because of our belief systems to block

46

00:01:56,950 --> 00:01:56,159

it out and we don't allow it to come to

47

00:01:59,510 --> 00:01:56,960

us

48

00:02:00,950 --> 00:01:59,520

so i had nothing else to lose i had no

49

00:02:02,230 --> 00:02:00,960

money the only thing i could do is lose

50

00:02:05,910 --> 00:02:02,240

the house and then

51
00:02:07,670 --> 00:02:05,920
ask my parents to move back in so i was

52
00:02:09,589 --> 00:02:07,680
basically just sat there as i was

53
00:02:11,990 --> 00:02:09,599
holding the tar in one hand

54
00:02:13,589 --> 00:02:12,000
and just sitting on the roof you know

55
00:02:16,309 --> 00:02:13,599
diligently applying it

56
00:02:17,350 --> 00:02:16,319
and so he simply said whatever it is

57
00:02:20,070 --> 00:02:17,360
that you like

58
00:02:22,470 --> 00:02:20,080
simply put it out without needing it to

59
00:02:23,910 --> 00:02:22,480
come back in a specific way just put it

60
00:02:26,790 --> 00:02:23,920
out and let it go

61
00:02:28,710 --> 00:02:26,800
so again with nothing to lose i didn't

62
00:02:29,910 --> 00:02:28,720
even have to close my eyes but i did and

63
00:02:31,990 --> 00:02:29,920

i just kind of said

64

00:02:34,390 --> 00:02:32,000

i would like some new shingles and i

65

00:02:37,670 --> 00:02:34,400

just went back to patching that roof

66

00:02:41,350 --> 00:02:37,680

and so about three weeks went by

67

00:02:43,030 --> 00:02:41,360

and so i was going to uh

68

00:02:45,190 --> 00:02:43,040

with with the whole story regarding the

69

00:02:46,790 --> 00:02:45,200

war and then being the united states and

70

00:02:48,150 --> 00:02:46,800

you know everyone here with the second

71

00:02:50,150 --> 00:02:48,160

amendment is allowed to protect

72

00:02:50,949 --> 00:02:50,160

themselves the war obviously affected me

73

00:02:52,710 --> 00:02:50,959

a big deal

74

00:02:53,990 --> 00:02:52,720

because when you live in um not trying

75

00:02:55,509 --> 00:02:54,000

to make it political it's just

76

00:02:57,110 --> 00:02:55,519

in a socialist country where you're not

77

00:02:59,509 --> 00:02:57,120

allowed to have guns

78

00:03:00,710 --> 00:02:59,519

uh when a military comes your way and

79

00:03:02,710 --> 00:03:00,720

you have

80

00:03:04,309 --> 00:03:02,720

no guns to protect yourself you kind of

81

00:03:05,670 --> 00:03:04,319

have to either run or stand your ground

82

00:03:09,430 --> 00:03:05,680

with the kitchen knife

83

00:03:11,190 --> 00:03:09,440

so i was going to a place where they're

84

00:03:13,030 --> 00:03:11,200

basically learning about how to shoot

85

00:03:14,710 --> 00:03:13,040

and i already knew how but it was more

86

00:03:15,990 --> 00:03:14,720

people that were interested so i wanted

87

00:03:19,350 --> 00:03:16,000

to go with them

88

00:03:22,070 --> 00:03:19,360

and so they were building an outside

89

00:03:24,390 --> 00:03:22,080

patio basically to kind of be able to

90

00:03:27,190 --> 00:03:24,400

have outside classes to sit there and

91

00:03:27,589 --> 00:03:27,200

uh just to kind of instead of being in

92

00:03:31,990 --> 00:03:27,599

the

93

00:03:35,110 --> 00:03:32,000

asked who else wants to go and help

94

00:03:37,430 --> 00:03:35,120

out to uh to uh get some cedar

95

00:03:39,110 --> 00:03:37,440

out of the woods so i was i was excited

96

00:03:39,670 --> 00:03:39,120

about i was like sure i would like to go

97

00:03:41,750 --> 00:03:39,680

get no

98

00:03:43,270 --> 00:03:41,760

get in the top of that tractor and just

99

00:03:46,470 --> 00:03:43,280

ride into the woods

100

00:03:48,789 --> 00:03:46,480

so as we're

101
00:03:50,229 --> 00:03:48,799
um as we're going to to that location

102
00:03:53,190 --> 00:03:50,239
where we thought might be

103
00:03:55,110 --> 00:03:53,200
might be some um uh nice trees to cut

104
00:03:57,030 --> 00:03:55,120
down

105
00:03:59,350 --> 00:03:57,040
i was sitting on the tractor and the

106
00:04:02,149 --> 00:03:59,360
woods kind of opened up into a clearing

107
00:04:03,750 --> 00:04:02,159
where when i looked there was ev the

108
00:04:05,509 --> 00:04:03,760
whole field was

109
00:04:06,949 --> 00:04:05,519
seemed like it was filled with packets

110
00:04:08,470 --> 00:04:06,959
of shingles

111
00:04:10,149 --> 00:04:08,480
and i kind of got the chill down my

112
00:04:11,990 --> 00:04:10,159
spine so i

113
00:04:13,830 --> 00:04:12,000

i asked the guy so what what's this

114

00:04:15,589 --> 00:04:13,840

about and he was saying the guy that had

115

00:04:17,509 --> 00:04:15,599

bought this property before

116

00:04:18,949 --> 00:04:17,519

had lost it and he abandoned everything

117

00:04:21,110 --> 00:04:18,959

and he just left all this

118

00:04:22,069 --> 00:04:21,120

material that he was going to build that

119

00:04:24,310 --> 00:04:22,079

uh

120

00:04:25,830 --> 00:04:24,320

little cabin with and he kind of saw i

121

00:04:27,110 --> 00:04:25,840

was interested in the shingles he's like

122

00:04:29,270 --> 00:04:27,120

do you want some it's like yeah it's

123

00:04:31,830 --> 00:04:29,280

like take as many as you want

124

00:04:33,110 --> 00:04:31,840

and so without me having to go work

125

00:04:34,870 --> 00:04:33,120

three months save money

126

00:04:36,710 --> 00:04:34,880

work real hard in order to get what i

127

00:04:37,990 --> 00:04:36,720

wanted i just kind of allowed things to

128

00:04:43,110 --> 00:04:38,000

come to me as they

129

00:04:45,270 --> 00:04:43,120

you know as they can

130

00:04:46,550 --> 00:04:45,280

so then i decided well let's test this
