00:00:05,580 --> 00:00:23,830

[Music]

2
00:00:26,710 --> 00:00:24,630

the

3
00:00:28,070 --> 00:00:26,720

experiences basically just continue on

4
00:00:30,470 --> 00:00:28,080

and on and on like that

5
00:00:31,109 --> 00:00:30,480

and when i first met her wife i

6
00:00:33,990 --> 00:00:31,119

thankfully

7
00:00:34,310 --> 00:00:34,000

she's very understanding and i uh she

8
00:00:35,590 --> 00:00:34,320

was

9
00:00:38,069 --> 00:00:35,600

very much into this because her

10
00:00:40,150 --> 00:00:38,079

grandmother was delores cannon so she

11
00:00:41,270 --> 00:00:40,160

was surrounded her whole life so she

12
00:00:42,709 --> 00:00:41,280

understands i don't

13
00:00:44,229 --> 00:00:42,719

every time i just want to start talking

14

00:00:45,750 --> 00:00:44,239

about something i can just start talking

15

00:00:47,590 --> 00:00:45,760

about it instead of saying

16

00:00:49,029 --> 00:00:47,600

i need something weird happened i got to

17

00:00:51,830 --> 00:00:49,039

explain you know

18

00:00:52,790 --> 00:00:51,840

we don't have to we can just talk and so

19

00:00:54,790 --> 00:00:52,800

i told her that

20

00:00:56,310 --> 00:00:54,800

often things you know might happen just

21

00:00:57,910 --> 00:00:56,320

don't be freaked out

22

00:00:59,430 --> 00:00:57,920

and she said speaking of that i forgot

23

00:01:01,270 --> 00:00:59,440

to tell you i said what is it

24

00:01:02,950 --> 00:01:01,280

well she said well and this was

25

00:01:04,070 --> 00:01:02,960

obviously i'm skipping many years

26

00:01:05,990 --> 00:01:04,080

forward

27

00:01:08,070 --> 00:01:06,000

we we love each other but we can't

28

00:01:09,750 --> 00:01:08,080

exactly sleep together so we put two

29

00:01:12,070 --> 00:01:09,760

queen size beds together

30

00:01:13,510 --> 00:01:12,080

that are wall to wall and we just

31

00:01:16,070 --> 00:01:13,520

basically have our both sides and we

32

00:01:19,510 --> 00:01:16,080

could just sprawl out and sleep

33

00:01:21,109 --> 00:01:19,520

and she said well last night i got up

34

00:01:23,190 --> 00:01:21,119

and looked over and your bed

35

00:01:24,630 --> 00:01:23,200

and mind you there's no more space your

36

00:01:27,510 --> 00:01:24,640

bed was about

37

00:01:29,109 --> 00:01:27,520

10 feet from mine and there were four

38

00:01:31,830 --> 00:01:29,119

grays standing around you

39

00:01:34,789 --> 00:01:31,840

one each one had this rod going into one

40

00:01:36,390 --> 00:01:34,799

of one of your ankles and your wrists

41

00:01:38,310 --> 00:01:36,400

and i said okay i said what happened she

42

00:01:40,630 --> 00:01:38,320

said one of them turned around and saw

43

00:01:41,510 --> 00:01:40,640

saw me and they scurried out the room

44

00:01:42,950 --> 00:01:41,520

and so

45

00:01:46,469 --> 00:01:42,960

i said what did you do so i just went

46

00:01:51,830 --> 00:01:49,830

so she's telling me this

47

00:01:54,069 --> 00:01:51,840

i again get these feelings as i often

48

00:01:56,230 --> 00:01:54,079

get and it was just to convey

49

00:01:57,510 --> 00:01:56,240

it was her mind understood that

50

00:02:00,310 --> 00:01:57,520

interaction as

51
00:02:00,870 --> 00:02:00,320
control but it was actually guiding it

52
00:02:02,789 --> 00:02:00,880
was

53
00:02:04,310 --> 00:02:02,799
supposed to symbolize that they're here

54
00:02:06,310 --> 00:02:04,320
to guide me

55
00:02:07,910 --> 00:02:06,320
and so i just had to convey this to her

56
00:02:08,710 --> 00:02:07,920
so she doesn't think something is

57
00:02:11,670 --> 00:02:08,720
happening

58
00:02:12,150 --> 00:02:11,680
to me and that she can't help and start

59
00:02:15,350 --> 00:02:12,160
feeling

60
00:02:18,150 --> 00:02:15,360
helpless so anyway and so it happens

61
00:02:18,790 --> 00:02:18,160
a lot i mean to not too long ago it was

62
00:02:21,190 --> 00:02:18,800
actually

63
00:02:22,309 --> 00:02:21,200

over a year ago my my wife and my son

64

00:02:23,910 --> 00:02:22,319

were coming home

65

00:02:25,430 --> 00:02:23,920

and where we lived they were kind of

66

00:02:28,390 --> 00:02:25,440

pulling into the driveway

67

00:02:29,110 --> 00:02:28,400

and so i was sitting at home and they

68

00:02:31,350 --> 00:02:29,120

walked in and

69

00:02:33,190 --> 00:02:31,360

and my son we try not to talk to him

70

00:02:34,790 --> 00:02:33,200

about aliens all these other things and

71

00:02:36,309 --> 00:02:34,800

part of my french always tell him learn

72

00:02:37,350 --> 00:02:36,319

how to wipe your ass first don't worry

73

00:02:39,350 --> 00:02:37,360

about aliens

74

00:02:41,030 --> 00:02:39,360

and so i usually don't like to talk to

75

00:02:42,630 --> 00:02:41,040

him about this stuff grow up first have

76
00:02:44,150 --> 00:02:42,640
a childhood and you know everything else

77
00:02:46,550 --> 00:02:44,160
will come at the right time

78
00:02:48,150 --> 00:02:46,560
and so he walked in he's like we saw you

79
00:02:49,990 --> 00:02:48,160
for hub you're so you're for hub

80
00:02:52,150 --> 00:02:50,000
i'm saying you mean ufos he's like yeah

81
00:02:53,830 --> 00:02:52,160
yeah we saw him i look over at my wife

82
00:02:55,350 --> 00:02:53,840
and she's like it was just airplane

83
00:02:57,190 --> 00:02:55,360
i said okay and he's getting so

84
00:02:59,350 --> 00:02:57,200
frustrated and they both saw it

85
00:03:00,710 --> 00:02:59,360
the boss they both saw it it was but he

86
00:03:01,910 --> 00:03:00,720
was getting frustrated like you guys

87
00:03:02,710 --> 00:03:01,920
believe in this stuff and you don't

88
00:03:05,270 --> 00:03:02,720

believe me

89

00:03:06,710 --> 00:03:05,280

i said jane just go take a shower brush

90

00:03:10,070 --> 00:03:06,720

your teeth and go to bed

91

00:03:10,869 --> 00:03:10,080

and so anyway we didn't talk about this

92

00:03:13,110 --> 00:03:10,879

again

93

00:03:14,710 --> 00:03:13,120

so not too long ago i asked my wife said

94

00:03:16,550 --> 00:03:14,720

look we never talked about this

95

00:03:19,990 --> 00:03:16,560

experience that you and jaden had

96

00:03:23,750 --> 00:03:22,070

and she said where's the airplane that

97

00:03:25,589 --> 00:03:23,760

you know just flew over

98

00:03:28,869 --> 00:03:25,599

i said well i mean how high was it she's

99

00:03:31,190 --> 00:03:28,879

like oh it's right above the tree lines

100

00:03:32,710 --> 00:03:31,200

and and i was like how big was it it was

101
00:03:34,789 --> 00:03:32,720
like like an airplane

102
00:03:36,789 --> 00:03:34,799
and i'm just looking at her just waiting

103
00:03:40,470 --> 00:03:36,799
for her brain to click

104
00:03:42,070 --> 00:03:40,480
and she did she's like oh oh now i think

105
00:03:44,710 --> 00:03:42,080
about it actually wasn't an airplane at

106
00:03:47,190 --> 00:03:44,720
all it was a triangle

107
00:03:47,830 --> 00:03:47,200
you know and i said you know and

108
00:03:50,070 --> 00:03:47,840
but this

109
00:03:51,270 --> 00:03:50,080
even now it's like i want to keep saying

110
00:03:53,190 --> 00:03:51,280
you know uh airplane

111
00:03:55,270 --> 00:03:53,200
but what i'm visually i'm seeing a

112
00:03:57,270 --> 00:03:55,280
triangle and i said well you would think

113
00:03:57,830 --> 00:03:57,280

that above the tree lines flying real

114

00:03:59,589 --> 00:03:57,840

slow

115

00:04:01,509 --> 00:03:59,599

would be an obvious that it was not an

116

00:04:03,030 --> 00:04:01,519

airplane because she's been in airplanes

117

00:04:04,630 --> 00:04:03,040

i've been in airplanes it would be

118

00:04:06,309 --> 00:04:04,640

probably blown out all every window in

119

00:04:08,149 --> 00:04:06,319

the house and so

120

00:04:10,309 --> 00:04:08,159

anyway those are some of the things that

121

00:04:10,710 --> 00:04:10,319

generally happen when you kind of having

122

00:04:13,990 --> 00:04:10,720

these

123

00:04:16,550 --> 00:04:14,000

start happening you know

124

00:04:17,110 --> 00:04:16,560

things start appearing or disappearing i

125

00:04:18,789 --> 00:04:17,120

would be

126
00:04:21,349 --> 00:04:18,799
kind of looking over and i would see a

127
00:04:23,110 --> 00:04:21,359
shape that would be in another room

128
00:04:24,629 --> 00:04:23,120
especially when i lived in robertsville

129
00:04:26,150 --> 00:04:24,639
it would just kind of pull back

130
00:04:27,670 --> 00:04:26,160
so i would go into the room and it was

131
00:04:30,469 --> 00:04:27,680
simply one room with five

132
00:04:31,749 --> 00:04:30,479
inch pattern bars of steel there there

133
00:04:33,830 --> 00:04:31,759
was no way to get out

134
00:04:34,950 --> 00:04:33,840
but there was nothing there so a lot of

135
00:04:38,310 --> 00:04:34,960
times you

136
00:04:39,350 --> 00:04:38,320
open your mind up to perceiving these

137
00:04:42,469 --> 00:04:39,360
different levels

138
00:04:44,230 --> 00:04:42,479

the point is not to be afraid simply let

139

00:04:46,790 --> 00:04:44,240

it come to you as it comes

140

00:04:47,590 --> 00:04:46,800

and whatever you need to do and

141

00:04:49,670 --> 00:04:47,600

understand

142

00:04:50,870 --> 00:04:49,680

will eventually come to you try not to

143

00:04:53,030 --> 00:04:50,880

get the frustration

144

00:04:54,469 --> 00:04:53,040

get the better of you and start kind of

145

00:04:56,070 --> 00:04:54,479

hindering the process because

146

00:04:58,070 --> 00:04:56,080

once you start getting frustrated and

147

00:04:59,510 --> 00:04:58,080

angry now you're on a different

148

00:05:01,430 --> 00:04:59,520

level vibrationally and you're not

149

00:05:02,710 --> 00:05:01,440

allowing the things that can come to you

150

00:05:06,070 --> 00:05:02,720

come to you

151
00:05:07,909 --> 00:05:06,080
and so basically i just been

152
00:05:09,510 --> 00:05:07,919
because of that still experiencing all

153
00:05:11,350 --> 00:05:09,520
that i can

154
00:05:13,350 --> 00:05:11,360
and a lot of times i just would

155
00:05:15,670 --> 00:05:13,360
interview certain people that

156
00:05:17,749 --> 00:05:15,680
because i personally don't necessarily

157
00:05:20,230 --> 00:05:17,759
like to speak i didn't want to speak out

158
00:05:20,870 --> 00:05:20,240
when i first was given the idea of ufo

159
00:05:23,110 --> 00:05:20,880
hub

160
00:05:24,070 --> 00:05:23,120
i loved it because part of that download

161
00:05:26,070 --> 00:05:24,080
showed me that

162
00:05:27,590 --> 00:05:26,080
the same way that i went to the library

163
00:05:30,469 --> 00:05:27,600

and picked up a book

164

00:05:31,110 --> 00:05:30,479

willingly went to pick up a book and and

165

00:05:33,990 --> 00:05:31,120

read this

166

00:05:35,590 --> 00:05:34,000

article and and follow this person and

167

00:05:38,150 --> 00:05:35,600

that way i can set up

168

00:05:40,469 --> 00:05:38,160

video versions of that online for

169

00:05:40,950 --> 00:05:40,479

everyone else to go and and watch it or

170

00:05:42,790 --> 00:05:40,960

don't

171

00:05:45,830 --> 00:05:42,800

but at least i'm not feeling i'm pushing

172

00:05:47,749 --> 00:05:45,840

it with anybody and so

173

00:05:49,510 --> 00:05:47,759

a lot of times then i would just do

174

00:05:51,430 --> 00:05:49,520

these different interviews to where

175

00:05:52,870 --> 00:05:51,440

a certain person will talk about certain

176

00:05:55,110 --> 00:05:52,880

things that i know

177

00:05:56,710 --> 00:05:55,120

are true and so i would just interview

178

00:05:57,670 --> 00:05:56,720

them and then leave it out there so i

179

00:05:59,189 --> 00:05:57,680

don't have to speak

180

00:06:01,590 --> 00:05:59,199

to the speaking for me and now it's up

181

00:06:05,430 --> 00:06:01,600

there to watch for free
