

1
00:00:13,240 --> 00:00:42,830
[Music]

2
00:01:00,380 --> 00:00:44,570
so

3
00:01:41,340 --> 00:01:38,830
[Music]

4
00:02:06,830 --> 00:01:41,350
food

5
00:04:00,070 --> 00:02:08,350
so

6
00:04:01,030 --> 00:04:00,080
this is it it's the new york hub live

7
00:04:03,350 --> 00:04:01,040
streaming

8
00:04:04,309 --> 00:04:03,360
uh it took about a year or so to make

9
00:04:06,470 --> 00:04:04,319
this happen

10
00:04:07,670 --> 00:04:06,480
i know it's it's been a lot longer than

11
00:04:10,390 --> 00:04:07,680
that um

12
00:04:11,429 --> 00:04:10,400
for interviews but i figured i'll i'll

13
00:04:14,070 --> 00:04:11,439

come on live

14

00:04:14,710 --> 00:04:14,080

i put a little a poll up on the

15

00:04:16,629 --> 00:04:14,720

community

16

00:04:18,069 --> 00:04:16,639

chat to see what people kind of

17

00:04:20,550 --> 00:04:18,079

preferred and it seemed

18

00:04:21,909 --> 00:04:20,560

that friday and late afternoon was was

19

00:04:25,189 --> 00:04:21,919

the day that everybody

20

00:04:28,230 --> 00:04:25,199

or i should say over 50 of people wanted

21

00:04:31,270 --> 00:04:28,240

so i figured i'll go with that so

22

00:04:33,030 --> 00:04:31,280

a few things off the bat i tested and

23

00:04:34,870 --> 00:04:33,040

retested the system

24

00:04:37,430 --> 00:04:34,880

uh like you won't believe but if

25

00:04:40,150 --> 00:04:37,440

something goes wrong please bear with me

26
00:04:41,430 --> 00:04:40,160
i'm basically switching camera angles

27
00:04:45,030 --> 00:04:41,440
and doing everything on my own

28
00:04:48,790 --> 00:04:45,040
so again i'd appreciate some patience

29
00:04:50,390 --> 00:04:48,800
also um before we begin

30
00:04:51,670 --> 00:04:50,400
i just want to basically talk about what

31
00:04:52,629 --> 00:04:51,680
i'm going to be covering so you know

32
00:04:54,550 --> 00:04:52,639
what's coming up

33
00:04:56,150 --> 00:04:54,560
if you're interested to hear it i'm glad

34
00:04:58,150 --> 00:04:56,160
you stuck around

35
00:04:59,670 --> 00:04:58,160
if you don't i'm i'm sure you'll find

36
00:05:00,550 --> 00:04:59,680
some information or whatever you need

37
00:05:03,510 --> 00:05:00,560
somewhere else

38
00:05:05,270 --> 00:05:03,520

but for those of you that are here thank

39

00:05:08,150 --> 00:05:05,280

you i appreciate you being here

40

00:05:09,510 --> 00:05:08,160

so basically five things i want to cover

41

00:05:13,670 --> 00:05:09,520

today

42

00:05:16,870 --> 00:05:13,680

one where i've been uh two about ufo hub

43

00:05:18,390 --> 00:05:16,880

and obviously a slightly different setup

44

00:05:21,590 --> 00:05:18,400

than usual

45

00:05:23,590 --> 00:05:21,600

about what about contact in general and

46

00:05:25,990 --> 00:05:23,600

to take some basically question and

47

00:05:29,029 --> 00:05:26,000

answers um afterwards

48

00:05:31,270 --> 00:05:29,039

and uh yeah so i guess without any

49

00:05:34,390 --> 00:05:31,280

further ado let's begin

50

00:05:34,870 --> 00:05:34,400

so where i've been is actually here what

51

00:05:37,670 --> 00:05:34,880

you're

52

00:05:38,950 --> 00:05:37,680

seeing right now is is a building that i

53

00:05:42,469 --> 00:05:38,960

call the studio

54

00:05:45,270 --> 00:05:42,479

that took me about a year to build i had

55

00:05:46,550 --> 00:05:45,280

my father-in-law and my brother-in-law

56

00:05:47,830 --> 00:05:46,560

help out

57

00:05:50,870 --> 00:05:47,840

the brother-in-law helped out a little

58

00:05:54,469 --> 00:05:50,880

bit father-in-law helped out a lot

59

00:05:56,390 --> 00:05:54,479

and basically although i like to build

60

00:05:57,430 --> 00:05:56,400

things myself and i understand a lot

61

00:06:00,309 --> 00:05:57,440

about building

62

00:06:02,710 --> 00:06:00,319

i didn't feel too conf confident about

63

00:06:06,550 --> 00:06:02,720

approaching something like this

64

00:06:08,629 --> 00:06:06,560

to possibly maybe make a mistake and so

65

00:06:09,670 --> 00:06:08,639

obviously we didn't have the money for

66

00:06:11,990 --> 00:06:09,680

it but we figured

67

00:06:12,710 --> 00:06:12,000

over a year span and save enough not

68

00:06:14,790 --> 00:06:12,720

saving enough

69

00:06:16,550 --> 00:06:14,800

money would basically just will be

70

00:06:18,629 --> 00:06:16,560

getting things

71

00:06:20,870 --> 00:06:18,639

month per month or on a month month per

72

00:06:21,909 --> 00:06:20,880

month basis so anyway plus my

73

00:06:23,510 --> 00:06:21,919

father-in-law basi

74

00:06:25,590 --> 00:06:23,520

was in the construction business for

75

00:06:28,790 --> 00:06:25,600

over 30 years so i figured who else

76

00:06:35,189 --> 00:06:28,800

asked by him and so um

77

00:06:39,830 --> 00:06:35,199

actually let's try this out

78

00:06:43,189 --> 00:06:41,830

you should be seeing me there's a this

79

00:06:46,309 --> 00:06:43,199

new channel that started

80

00:06:47,510 --> 00:06:46,319

is actually mainly as a precaution with

81

00:06:50,550 --> 00:06:47,520

all the things that have been going

82

00:06:52,710 --> 00:06:50,560

on with with um youtube and

83

00:06:54,870 --> 00:06:52,720

them not liking certain subject to be

84

00:06:57,909 --> 00:06:54,880

covered subjects to be covered

85

00:07:00,230 --> 00:06:57,919

um plus i'm always filming something

86

00:07:02,710 --> 00:07:00,240

if it's not interviews i'm filming other

87

00:07:04,390 --> 00:07:02,720

stuff so uh

88

00:07:06,550 --> 00:07:04,400

since i've been building this building i

89

00:07:07,270 --> 00:07:06,560

haven't had much time for interviews as

90

00:07:09,990 --> 00:07:07,280

you know

91

00:07:11,110 --> 00:07:10,000

but i'm always around with family or dif

92

00:07:12,629 --> 00:07:11,120

you know

93

00:07:14,469 --> 00:07:12,639

doing different things so i like to

94

00:07:15,749 --> 00:07:14,479

record it and so i figured this channel

95

00:07:18,070 --> 00:07:15,759

is kind of for that

96

00:07:19,909 --> 00:07:18,080

for that purpose where i just basically

97

00:07:20,710 --> 00:07:19,919

put everything anything on there that's

98

00:07:22,790 --> 00:07:20,720

not

99

00:07:24,150 --> 00:07:22,800

controversial to just stay on the

100

00:07:26,550 --> 00:07:24,160

youtubes pg

101
00:07:27,430 --> 00:07:26,560
side where on youtube i can pretty much

102
00:07:30,790 --> 00:07:27,440
cover anything

103
00:07:31,270 --> 00:07:30,800
alien and spiritual and metaphysical

104
00:07:34,870 --> 00:07:31,280
things

105
00:07:37,510 --> 00:07:34,880
in general so let me see here

106
00:07:38,230 --> 00:07:37,520
this is there's uh one video here you

107
00:07:40,710 --> 00:07:38,240
can see me

108
00:07:42,150 --> 00:07:40,720
building this table that i'm basically

109
00:07:45,270 --> 00:07:42,160
using right now

110
00:07:47,110 --> 00:07:45,280
but what i'm gonna go to

111
00:07:50,230 --> 00:07:47,120
i'm going to make sure the there's no

112
00:07:55,749 --> 00:07:50,240
sound it doesn't blare in your ears

113
00:08:00,150 --> 00:07:59,189

uh going at it so i started about a year

114

00:08:03,749 --> 00:08:00,160

ago

115

00:08:05,270 --> 00:08:03,759

um this was right after we had the ufo

116

00:08:08,390 --> 00:08:05,280

hub lecture series

117

00:08:09,430 --> 00:08:08,400

uh everything was kind of going in a you

118

00:08:11,830 --> 00:08:09,440

know difficult

119

00:08:13,990 --> 00:08:11,840

way everything i was trying to do it was

120

00:08:16,710 --> 00:08:14,000

difficult to find the venue it was

121

00:08:17,029 --> 00:08:16,720

challenging to get what i usually get

122

00:08:18,710 --> 00:08:17,039

and

123

00:08:21,110 --> 00:08:18,720

usually i don't have any problems with

124

00:08:24,230 --> 00:08:21,120

that you know whatever i set my mind to

125

00:08:27,350 --> 00:08:24,240

i just go straight towards it and and

126

00:08:28,710 --> 00:08:27,360

get it done but when it came to the ufo

127

00:08:30,790 --> 00:08:28,720

ob lecture series

128

00:08:32,709 --> 00:08:30,800

it was uh i wanted to basically have my

129

00:08:33,829 --> 00:08:32,719

own series where i can invite speakers

130

00:08:35,589 --> 00:08:33,839

and then do interviews

131

00:08:37,589 --> 00:08:35,599

with them and have a lecture series so

132

00:08:39,670 --> 00:08:37,599

that you guys can watch online

133

00:08:41,670 --> 00:08:39,680

again it just wasn't going and even when

134

00:08:44,630 --> 00:08:41,680

we did manage to make it happen

135

00:08:45,430 --> 00:08:44,640

um it went great it went wonderful

136

00:08:47,910 --> 00:08:45,440

people that

137

00:08:48,870 --> 00:08:47,920

been there we had great reviews i mean i

138

00:08:50,470 --> 00:08:48,880

i made it

139

00:08:52,470 --> 00:08:50,480

i made the conference the way i always

140

00:08:55,670 --> 00:08:52,480

wanted to have a conference

141

00:08:57,910 --> 00:08:55,680

just snacks coffee drinks all day

142

00:08:59,670 --> 00:08:57,920

uh and just a relaxed environment to

143

00:09:02,389 --> 00:08:59,680

where you had your own little table

144

00:09:02,870 --> 00:09:02,399

you can just sit back eat relax and

145

00:09:05,430 --> 00:09:02,880

watch

146

00:09:06,310 --> 00:09:05,440

whatever is being talked about and so

147

00:09:08,630 --> 00:09:06,320

anyway

148

00:09:10,230 --> 00:09:08,640

but it wasn't enough tickets sold so we

149

00:09:11,750 --> 00:09:10,240

were hoping to have enough to then use

150

00:09:13,110 --> 00:09:11,760

that money to have the next conference

151

00:09:16,310 --> 00:09:13,120

and the next and the next

152

00:09:20,710 --> 00:09:16,320

so anyway that didn't happen so

153

00:09:23,910 --> 00:09:20,720

right right uh before 2019

154

00:09:25,910 --> 00:09:23,920

or so we basically we

155

00:09:27,030 --> 00:09:25,920

the way we live now or the place we live

156

00:09:29,350 --> 00:09:27,040

now you can kind of see

157

00:09:31,269 --> 00:09:29,360

in the building next next to it it's

158

00:09:32,949 --> 00:09:31,279

kind of like i guess those double whites

159

00:09:35,750 --> 00:09:32,959

where you bring in the building

160

00:09:36,790 --> 00:09:35,760

and just basically you put the two

161

00:09:38,870 --> 00:09:36,800

halves together

162

00:09:41,350 --> 00:09:38,880

well it was very difficult to do

163

00:09:43,910 --> 00:09:41,360

interviews or anything online because

164

00:09:45,509 --> 00:09:43,920

it's so rigged that i can be on one

165

00:09:47,110 --> 00:09:45,519

side and part my french my

166

00:09:48,710 --> 00:09:47,120

three-year-old will fart on one end of

167

00:09:52,070 --> 00:09:48,720

the house and you can hear it

168

00:09:54,230 --> 00:09:52,080

and so this wasn't viable plus we pretty

169

00:09:55,750 --> 00:09:54,240

much maxed out every space we had it's a

170

00:09:57,590 --> 00:09:55,760

small house to begin with

171

00:09:59,350 --> 00:09:57,600

so it would have served as a storage

172

00:10:02,630 --> 00:09:59,360

place plus being able to

173

00:10:05,350 --> 00:10:02,640

do these um i guess these

174

00:10:06,230 --> 00:10:05,360

uh internet interviews uh in that

175

00:10:09,269 --> 00:10:06,240

building

176

00:10:11,430 --> 00:10:09,279

so so then yeah

177

00:10:12,710 --> 00:10:11,440

my wife and i we talked about it we

178

00:10:14,790 --> 00:10:12,720

figured

179

00:10:15,910 --> 00:10:14,800

how much we would need over a year's

180

00:10:17,829 --> 00:10:15,920

period of time

181

00:10:19,829 --> 00:10:17,839

i talked to my father-in-law we kind of

182

00:10:23,030 --> 00:10:19,839

drew up the plans and as you can

183

00:10:23,990 --> 00:10:23,040

tell we just started out and started

184

00:10:26,310 --> 00:10:24,000

building

185

00:10:28,470 --> 00:10:26,320

and here we are a little over a year

186

00:10:31,269 --> 00:10:28,480

later everything is finally

187

00:10:32,790 --> 00:10:31,279

done to the point to where i can just i

188

00:10:35,910 --> 00:10:32,800

can just do this

189

00:10:38,069 --> 00:10:35,920

so that's where all my time went i've

190

00:10:41,110 --> 00:10:38,079

been basically building this building

191

00:10:44,630 --> 00:10:41,120

and i do have a full-time job

192

00:10:46,230 --> 00:10:44,640

so going there every every now and then

193

00:10:47,190 --> 00:10:46,240

i would need a break throughout the week

194

00:10:50,230 --> 00:10:47,200

but

195

00:10:51,750 --> 00:10:50,240

whenever i could i was out here doing

196

00:10:52,470 --> 00:10:51,760

something whether it would be the

197

00:10:55,590 --> 00:10:52,480

framing

198

00:10:58,870 --> 00:10:55,600

electrical i mean every every

199

00:11:00,710 --> 00:10:58,880

every facet of of this building except

200

00:11:02,470 --> 00:11:00,720

for the foundation i had to hire some

201
00:11:06,069 --> 00:11:02,480
other people bringing the concrete

202
00:11:07,509 --> 00:11:06,079
and um obviously the framing

203
00:11:09,430 --> 00:11:07,519
and the planning of the building my

204
00:11:11,990 --> 00:11:09,440
father-in-law helped me out

205
00:11:13,910 --> 00:11:12,000
so anyway this is where i've been this

206
00:11:14,630 --> 00:11:13,920
is what i've been doing so everyone that

207
00:11:17,030 --> 00:11:14,640
that asks

208
00:11:19,030 --> 00:11:17,040
you know occasionally you know where are

209
00:11:22,150 --> 00:11:19,040
you any more interviews coming

210
00:11:23,110 --> 00:11:22,160
uh at that time this i was basically

211
00:11:29,509 --> 00:11:23,120
doing

212
00:11:30,790 --> 00:11:29,519
and you can you can watch the whole

213
00:11:32,550 --> 00:11:30,800

video on

214

00:11:34,310 --> 00:11:32,560

on this new channel that i have called

215

00:11:37,430 --> 00:11:34,320

totally rad everything

216

00:11:38,310 --> 00:11:37,440

and um under the channel tab on ufo hub

217

00:11:40,550 --> 00:11:38,320

i have it

218

00:11:41,590 --> 00:11:40,560

also listed so i'd appreciate it

219

00:11:45,030 --> 00:11:41,600

subscribe and

220

00:11:50,310 --> 00:11:48,230

just waste your time that way i guess

221

00:11:51,910 --> 00:11:50,320

so anyway so that's why i've been that's

222

00:11:55,590 --> 00:11:51,920

what i've been doing here

223

00:11:58,870 --> 00:11:57,190

let's go i guess let's go to the next

224

00:12:03,750 --> 00:11:58,880

subject

225

00:12:09,430 --> 00:12:06,790

it wasn't meant to be a news

226

00:12:10,870 --> 00:12:09,440

channel it wasn't meant to be a channel

227

00:12:12,870 --> 00:12:10,880

that has breaking news

228

00:12:14,949 --> 00:12:12,880

it's i wanted information that will

229

00:12:17,190 --> 00:12:14,959

stand the test of time

230

00:12:18,150 --> 00:12:17,200

and it's covering different subjects

231

00:12:23,190 --> 00:12:18,160

that basically

232

00:12:27,750 --> 00:12:26,230

basically would help everyone no matter

233

00:12:30,069 --> 00:12:27,760

at what stage they are

234

00:12:31,030 --> 00:12:30,079

to get that little piece of the

235

00:12:33,509 --> 00:12:31,040

breadcrumb

236

00:12:34,470 --> 00:12:33,519

to know okay where are they gonna go

237

00:12:46,710 --> 00:12:34,480

next

238

00:12:46,720 --> 00:12:49,750

and so um

239

00:12:54,790 --> 00:12:53,030

the to constantly just watch out for

240

00:12:56,949 --> 00:12:54,800

what's being published to

241

00:12:58,790 --> 00:12:56,959

go and try to find information what's

242

00:13:00,230 --> 00:12:58,800

the latest what's the greatest

243

00:13:02,069 --> 00:13:00,240

for some of you that might have watched

244

00:13:05,110 --> 00:13:02,079

my talks before um

245

00:13:06,069 --> 00:13:05,120

that's not what i'm about anymore i used

246

00:13:07,990 --> 00:13:06,079

to be at one point

247

00:13:09,430 --> 00:13:08,000

where i was trying to research what does

248

00:13:12,069 --> 00:13:09,440

the government know

249

00:13:13,590 --> 00:13:12,079

what do they have and all these other

250

00:13:15,190 --> 00:13:13,600

things and that was important in the

251

00:13:17,590 --> 00:13:15,200

very beginning for me

252

00:13:19,350 --> 00:13:17,600

because that's what i felt like i needed

253

00:13:20,389 --> 00:13:19,360

to do i mean we live in the physical

254

00:13:22,550 --> 00:13:20,399

universe

255

00:13:24,230 --> 00:13:22,560

so that was important there must have

256

00:13:24,790 --> 00:13:24,240

been crafts there there must have

257

00:13:27,910 --> 00:13:24,800

something

258

00:13:28,870 --> 00:13:27,920

that they that they have that they have

259

00:13:31,030 --> 00:13:28,880

researched

260

00:13:32,150 --> 00:13:31,040

and um basically why are they not

261

00:13:35,509 --> 00:13:32,160

telling us

262

00:13:38,790 --> 00:13:35,519

and um so

263

00:13:41,350 --> 00:13:38,800

when i had my own experiences in

264

00:13:42,949 --> 00:13:41,360

early as a child but then more heavily

265

00:13:45,829 --> 00:13:42,959

so in 2011

266

00:13:46,550 --> 00:13:45,839

um everything became more clearer of

267

00:13:50,870 --> 00:13:46,560

what what

268

00:13:53,910 --> 00:13:53,110

for me to try to come up with a with a

269

00:13:55,269 --> 00:13:53,920

document

270

00:13:57,590 --> 00:13:55,279

that just got released from the

271

00:13:59,590 --> 00:13:57,600

government with a new video that the

272

00:14:01,990 --> 00:13:59,600

government just now released

273

00:14:03,990 --> 00:14:02,000

it doesn't doesn't serve a purpose

274

00:14:04,230 --> 00:14:04,000

because when you've had a contact on

275

00:14:05,990 --> 00:14:04,240

your

276

00:14:08,389 --> 00:14:06,000

own you realize it's not about the

277

00:14:11,590 --> 00:14:08,399

documents it's not about the ships

278

00:14:13,350 --> 00:14:11,600

and i i mean this not an offensive way

279

00:14:15,269 --> 00:14:13,360

if you are still into that please

280

00:14:17,350 --> 00:14:15,279

proceed whatever it is that you feel

281

00:14:18,470 --> 00:14:17,360

you need to do regarding that i mean you

282

00:14:20,870 --> 00:14:18,480

have

283

00:14:22,550 --> 00:14:20,880

uh different people out there the i

284

00:14:23,829 --> 00:14:22,560

forgot his name but the guy that runs

285

00:14:25,750 --> 00:14:23,839

black vault

286

00:14:27,829 --> 00:14:25,760

you can find a lot of information there

287

00:14:31,509 --> 00:14:27,839

you have richard dolan

288

00:14:33,110 --> 00:14:31,519

grant cameron i mean you name it and so

289

00:14:35,110 --> 00:14:33,120

for those of you that are interested in

290

00:14:36,389 --> 00:14:35,120

that you can go and

291

00:14:38,710 --> 00:14:36,399

see what what it is that they've

292

00:14:41,829 --> 00:14:38,720

researched it's just that

293

00:14:44,949 --> 00:14:41,839

i've often i've often kind of

294

00:14:45,670 --> 00:14:44,959

compared contact to i know it sounds

295

00:14:48,870 --> 00:14:45,680

silly

296

00:14:51,750 --> 00:14:48,880

but kind of to love right when you first

297

00:14:52,389 --> 00:14:51,760

are you know young and you're trying to

298

00:14:54,310 --> 00:14:52,399

understand

299

00:14:56,870 --> 00:14:54,320

what this love thing is about and you

300

00:14:59,110 --> 00:14:56,880

know you want to be in love and you

301
00:15:00,790 --> 00:14:59,120
you go and listen to all kinds of gurus

302
00:15:03,269 --> 00:15:00,800
and you're reading books about it

303
00:15:04,710 --> 00:15:03,279
and you're trying to figure out you know

304
00:15:07,269 --> 00:15:04,720
what you have to do what

305
00:15:09,670 --> 00:15:07,279
physical thing you have to do in order

306
00:15:10,550 --> 00:15:09,680
to attract someone that will also love

307
00:15:14,629 --> 00:15:10,560
you back

308
00:15:16,629 --> 00:15:14,639
and once you basically when it hits you

309
00:15:18,069 --> 00:15:16,639
when you finally meet that other person

310
00:15:21,750 --> 00:15:18,079
you realize

311
00:15:24,310 --> 00:15:21,760
that the books really didn't matter

312
00:15:25,189 --> 00:15:24,320
and the bigger point about this is once

313
00:15:27,750 --> 00:15:25,199

you're in love

314

00:15:28,870 --> 00:15:27,760

in yourself you don't really go back to

315

00:15:31,269 --> 00:15:28,880

the books anymore

316

00:15:32,069 --> 00:15:31,279

you don't you know two three years into

317

00:15:35,269 --> 00:15:32,079

relationship

318

00:15:37,430 --> 00:15:35,279

go back to the books going

319

00:15:39,189 --> 00:15:37,440

how do i be in love again you know it

320

00:15:40,870 --> 00:15:39,199

just it doesn't happen you leave it

321

00:15:42,870 --> 00:15:40,880

aside and it's a chapter and

322

00:15:44,470 --> 00:15:42,880

aspect of your life that it was

323

00:15:46,870 --> 00:15:44,480

important at that time

324

00:15:47,590 --> 00:15:46,880

but once you are there on your own it's

325

00:15:52,829 --> 00:15:47,600

not

326

00:15:57,030 --> 00:15:55,829

basically the videos that are on ufo hub

327

00:16:00,069 --> 00:15:57,040

right now

328

00:16:03,269 --> 00:16:00,079

is quite simply said you have

329

00:16:05,350 --> 00:16:03,279

everything you need for

330

00:16:06,470 --> 00:16:05,360

contact you have everything you need to

331

00:16:09,910 --> 00:16:06,480

understand

332

00:16:12,550 --> 00:16:09,920

if you simply try to follow up on these

333

00:16:13,829 --> 00:16:12,560

bits and pieces of information given

334

00:16:16,629 --> 00:16:13,839

because

335

00:16:17,430 --> 00:16:16,639

each one has a different aspect to the

336

00:16:19,110 --> 00:16:17,440

whole

337

00:16:22,150 --> 00:16:19,120

and once you put them all together you

338

00:16:25,189 --> 00:16:22,160

realize all of that comes into play

339

00:16:27,910 --> 00:16:25,199

past life regressions things that people

340

00:16:30,870 --> 00:16:27,920

talk about like reincarnations

341

00:16:31,590 --> 00:16:30,880

things that they talk about you know

342

00:16:34,069 --> 00:16:31,600

context

343

00:16:35,590 --> 00:16:34,079

that they had and then telepathy and all

344

00:16:39,749 --> 00:16:35,600

these different things

345

00:16:42,069 --> 00:16:39,759

are all the things that will kindly put

346

00:16:43,990 --> 00:16:42,079

the whole aspect of context together

347

00:16:48,310 --> 00:16:44,000

plus

348

00:16:50,069 --> 00:16:48,320

not being news it didn't matter because

349

00:16:51,509 --> 00:16:50,079

based on what i've experienced based on

350

00:16:54,550 --> 00:16:51,519

what i know

351
00:16:55,110 --> 00:16:54,560
when contact actually happens there's

352
00:16:58,470 --> 00:16:55,120
not

353
00:17:00,870 --> 00:16:58,480
a man woman or child or any

354
00:17:02,069 --> 00:17:00,880
being alive not a single rock even on

355
00:17:05,110 --> 00:17:02,079
the planet that will not

356
00:17:07,110 --> 00:17:05,120
be aware of contact and so i've

357
00:17:08,630 --> 00:17:07,120
never had the urge to be the first one

358
00:17:10,230 --> 00:17:08,640
to break news or

359
00:17:11,990 --> 00:17:10,240
to tell you more about what government

360
00:17:12,630 --> 00:17:12,000
has coming up because it kind of seems

361
00:17:14,390 --> 00:17:12,640
silly

362
00:17:15,829 --> 00:17:14,400
just because they hold the information

363
00:17:17,909 --> 00:17:15,839

back doesn't mean i can't

364

00:17:19,270 --> 00:17:17,919

go out on my own and find out what i

365

00:17:22,390 --> 00:17:19,280

need to find out

366

00:17:24,069 --> 00:17:22,400

because they want to from their point of

367

00:17:26,949 --> 00:17:24,079

view kind of control it

368

00:17:30,950 --> 00:17:26,959

because that's what government is about

369

00:17:34,549 --> 00:17:33,909

sorry i get going i'm just still not

370

00:17:36,710 --> 00:17:34,559

used to

371

00:17:38,310 --> 00:17:36,720

speaking for long periods of time so my

372

00:17:40,710 --> 00:17:38,320

mouth gets dry

373

00:17:43,190 --> 00:17:40,720

um it's not what contact is about for

374

00:17:45,750 --> 00:17:43,200

somebody to hold information back

375

00:17:46,310 --> 00:17:45,760

and and say okay you come to us and get

376

00:17:47,990 --> 00:17:46,320

it

377

00:17:50,150 --> 00:17:48,000

you know no no no you have to file

378

00:17:51,430 --> 00:17:50,160

papers you have to file these freedom of

379

00:17:54,230 --> 00:17:51,440

information acts

380

00:17:56,070 --> 00:17:54,240

you know you have to jump over whatever

381

00:18:00,789 --> 00:17:56,080

hoop you have to jump over

382

00:18:04,230 --> 00:18:00,799

and um so it's there to

383

00:18:07,350 --> 00:18:04,240

government is there to kind of be

384

00:18:10,630 --> 00:18:07,360

be in charge for the lowest

385

00:18:13,270 --> 00:18:10,640

common denominator basically for the the

386

00:18:15,669 --> 00:18:13,280

person that has the most fear

387

00:18:16,710 --> 00:18:15,679

and the person that has the most

388

00:18:19,909 --> 00:18:16,720

resistance

389

00:18:22,950 --> 00:18:19,919

the government is there so that um

390

00:18:23,510 --> 00:18:22,960

it can kind of kind of uh what you may

391

00:18:26,950 --> 00:18:23,520

call it

392

00:18:29,430 --> 00:18:26,960

control the information flow but also

393

00:18:30,390 --> 00:18:29,440

make everyone feel comfortable that

394

00:18:32,070 --> 00:18:30,400

don't worry

395

00:18:33,909 --> 00:18:32,080

if something was really out there that

396

00:18:35,990 --> 00:18:33,919

you need to know about right now

397

00:18:37,510 --> 00:18:36,000

we will let you know otherwise there's

398

00:18:38,310 --> 00:18:37,520

nothing out there don't worry go about

399

00:18:41,110 --> 00:18:38,320

your life

400

00:18:43,110 --> 00:18:41,120

and so that's why i never looked up to

401
00:18:44,950 --> 00:18:43,120
the government to have to

402
00:18:46,549 --> 00:18:44,960
look to see what it is that they have i

403
00:18:47,350 --> 00:18:46,559
mean of course it's fun it's fun

404
00:18:49,990 --> 00:18:47,360
watching

405
00:18:51,669 --> 00:18:50,000
videos about people saying 30 years ago

406
00:18:53,350 --> 00:18:51,679
i worked on these crafts and all this

407
00:18:54,950 --> 00:18:53,360
other stuff and that's wonderful

408
00:18:57,029 --> 00:18:54,960
you know don't get me wrong and if

409
00:19:00,070 --> 00:18:57,039
you're still into that i mean why not

410
00:19:03,350 --> 00:19:00,080
it's just for at the point where

411
00:19:05,270 --> 00:19:03,360
i'm at and some of you that might have

412
00:19:07,190 --> 00:19:05,280
watched some of my previous videos

413
00:19:08,950 --> 00:19:07,200

the download that i received it was

414

00:19:10,470 --> 00:19:08,960

clear to me that

415

00:19:13,270 --> 00:19:10,480

in the same way that i received

416

00:19:15,669 --> 00:19:13,280

information over long periods of time

417

00:19:17,110 --> 00:19:15,679

to figure out okay why what happened

418

00:19:19,669 --> 00:19:17,120

when i was 11.

419

00:19:21,669 --> 00:19:19,679

what what is who were these beings what

420

00:19:24,390 --> 00:19:21,679

you know what's happening here

421

00:19:25,110 --> 00:19:24,400

having a book was important but when you

422

00:19:26,630 --> 00:19:25,120

keep

423

00:19:29,669 --> 00:19:26,640

proceeding and progressing and you

424

00:19:32,870 --> 00:19:29,679

finally get to where you want to get

425

00:19:34,230 --> 00:19:32,880

a book is not important anymore but i

426

00:19:35,590 --> 00:19:34,240
realized that there's still a lot of

427

00:19:38,230 --> 00:19:35,600
people that are

428

00:19:39,909 --> 00:19:38,240
not where i'm at and some of the other

429

00:19:42,070 --> 00:19:39,919
uh people that doesn't mean

430

00:19:43,909 --> 00:19:42,080
that i'm any better it just means

431

00:19:44,630 --> 00:19:43,919
something extraordinary happened in my

432

00:19:46,710 --> 00:19:44,640
life that

433

00:19:48,150 --> 00:19:46,720
nudged me in a new direction to be for

434

00:19:50,470 --> 00:19:48,160
example doing this

435

00:19:52,230 --> 00:19:50,480
but i i'm still in the same boat as you

436

00:19:54,230 --> 00:19:52,240
are i still have to go to work

437

00:19:55,909 --> 00:19:54,240
i still you have to take care of family

438

00:19:58,230 --> 00:19:55,919

and do my day-to-day

439

00:19:59,990 --> 00:19:58,240

day-to-day things the only difference is

440

00:20:01,669 --> 00:20:00,000

that uh

441

00:20:04,149 --> 00:20:01,679

from the beginning i was never afraid to

442

00:20:06,630 --> 00:20:04,159

talk about it and to talk about it

443

00:20:08,549 --> 00:20:06,640

matter of factly so that it doesn't

444

00:20:10,630 --> 00:20:08,559

matter what circles we're at they can be

445

00:20:13,029 --> 00:20:10,640

talking about football somehow i managed

446

00:20:14,630 --> 00:20:13,039

to convert to conversation about plan

447

00:20:16,549 --> 00:20:14,640

you know planets and living you know

448

00:20:18,630 --> 00:20:16,559

living beings on on them

449

00:20:20,710 --> 00:20:18,640

you know that was just something i've

450

00:20:23,909 --> 00:20:20,720

always done so to me

451

00:20:25,350 --> 00:20:23,919

uh it just felt then of course a natural

452

00:20:27,990 --> 00:20:25,360

progression it's like well duh

453

00:20:29,510 --> 00:20:28,000

the download made sense just do this

454

00:20:31,990 --> 00:20:29,520

more on the open forum

455

00:20:33,590 --> 00:20:32,000

so that more of you can can watch maybe

456

00:20:38,149 --> 00:20:33,600

hopefully learn something

457

00:20:41,669 --> 00:20:38,159

and whatnot excuse me

458

00:20:45,590 --> 00:20:41,679

okay just have to check the stream here

459

00:20:49,029 --> 00:20:45,600

it looks like it's it's going great

460

00:20:51,190 --> 00:20:49,039

yeah because what i did is um uh

461

00:20:52,149 --> 00:20:51,200

when we created this you guys might have

462

00:20:54,630 --> 00:20:52,159

seen an

463

00:20:55,350 --> 00:20:54,640

audi visual table that i had and when

464

00:20:57,990 --> 00:20:55,360

and i

465

00:20:59,669 --> 00:20:58,000

i built that as well basically i needed

466

00:21:01,830 --> 00:20:59,679

something custom knowing what

467

00:21:03,590 --> 00:21:01,840

what conferences are like and having

468

00:21:06,149 --> 00:21:03,600

been involved at conferences in a long

469

00:21:09,029 --> 00:21:06,159

time i also knew what would be the best

470

00:21:10,470 --> 00:21:09,039

best thing to have so anyway that was

471

00:21:13,750 --> 00:21:10,480

this table i'm using to

472

00:21:15,750 --> 00:21:13,760

use these to do broadcasting and whatnot

473

00:21:17,029 --> 00:21:15,760

that was originally designed for those

474

00:21:19,110 --> 00:21:17,039

conferences but i made some

475

00:21:19,830 --> 00:21:19,120

modifications and so i'm now using it

476
00:21:22,950 --> 00:21:19,840
for this

477
00:21:24,070 --> 00:21:22,960
but of course any time when once uh

478
00:21:26,950 --> 00:21:24,080
everything opens back

479
00:21:27,270 --> 00:21:26,960
up you know we can just roll it back out

480
00:21:30,149 --> 00:21:27,280
and

481
00:21:33,270 --> 00:21:30,159
start having uh in-person events again

482
00:21:37,270 --> 00:21:33,280
and conferences and things like that

483
00:21:40,950 --> 00:21:37,280
okay let me see okay i skipped over one

484
00:21:45,110 --> 00:21:40,960
one thing so this place or

485
00:21:47,029 --> 00:21:45,120
having the studio will allow me to to do

486
00:21:49,270 --> 00:21:47,039
basically podcasting so where i can

487
00:21:52,549 --> 00:21:49,280
invite somebody to come in and talk

488
00:21:53,430 --> 00:21:52,559

and and i had a few people that i

489

00:21:56,470 --> 00:21:53,440
reached out to

490

00:21:58,390 --> 00:21:56,480
but because of where they live and other

491

00:21:59,590 --> 00:21:58,400
things happening in their lives they

492

00:22:01,270 --> 00:21:59,600
weren't able to

493

00:22:03,990 --> 00:22:01,280
to come in but i'm hoping that in the

494

00:22:05,909 --> 00:22:04,000
future i can somehow manage to get them

495

00:22:07,430 --> 00:22:05,919
over so that we can sit down and have a

496

00:22:09,430 --> 00:22:07,440
conversation and then

497

00:22:10,470 --> 00:22:09,440
have them broadcast alive for you guys

498

00:22:13,110 --> 00:22:10,480
to watch

499

00:22:13,510 --> 00:22:13,120
but until then i set it up so far to

500

00:22:16,470 --> 00:22:13,520
where

501
00:22:17,190 --> 00:22:16,480
i can have it online and so i can have

502
00:22:20,390 --> 00:22:17,200
them come in

503
00:22:21,990 --> 00:22:20,400
through skype and uh basically chat with

504
00:22:23,270 --> 00:22:22,000
them that way and then stream it back

505
00:22:25,830 --> 00:22:23,280
out to you guys

506
00:22:26,870 --> 00:22:25,840
so as of right now i'm going to try my

507
00:22:29,350 --> 00:22:26,880
dondest

508
00:22:30,950 --> 00:22:29,360
so but if something happens it doesn't

509
00:22:32,950 --> 00:22:30,960
immediately work out please forgive me

510
00:22:36,230 --> 00:22:32,960
but no i'm working on it

511
00:22:38,070 --> 00:22:36,240
i want to do i try to do one interview

512
00:22:41,270 --> 00:22:38,080
per week so i can put it out throughout

513
00:22:46,789 --> 00:22:41,280

to weekdays but then i want to also have

514

00:22:49,590 --> 00:22:46,799

a q a live chat session with

515

00:22:50,870 --> 00:22:49,600

basically anyone that i can possibly get

516

00:22:53,270 --> 00:22:50,880

to come and talk

517

00:22:54,630 --> 00:22:53,280

and so that you guys have a chance to

518

00:22:57,190 --> 00:22:54,640

come onto your chat

519

00:22:58,310 --> 00:22:57,200

and ask a question of them i'll relate

520

00:23:00,710 --> 00:22:58,320

to them and then

521

00:23:01,830 --> 00:23:00,720

you know them giving you your answer so

522

00:23:03,590 --> 00:23:01,840

that that way

523

00:23:05,029 --> 00:23:03,600

if you have some questions and usually

524

00:23:09,110 --> 00:23:05,039

it's harder to

525

00:23:10,950 --> 00:23:09,120

to get basically get get in touch

526

00:23:12,390 --> 00:23:10,960

with a lot of the the people that you

527

00:23:15,669 --> 00:23:12,400

look up to or look up

528

00:23:17,510 --> 00:23:15,679

information from it's sometimes they get

529

00:23:19,750 --> 00:23:17,520

inundated and they never answer

530

00:23:20,630 --> 00:23:19,760

and god knows i never answer so forgive

531

00:23:22,630 --> 00:23:20,640

me for that

532

00:23:24,390 --> 00:23:22,640

because i'm always doing something else

533

00:23:26,630 --> 00:23:24,400

i just never get to it but i figured at

534

00:23:27,110 --> 00:23:26,640

one point i will it's in my email list

535

00:23:30,310 --> 00:23:27,120

and

536

00:23:30,789 --> 00:23:30,320

that i will do it so anyway it's just

537

00:23:34,549 --> 00:23:30,799

more

538

00:23:37,830 --> 00:23:34,559

ways to give you information

539

00:23:39,029 --> 00:23:37,840

and um yeah i think i think that's

540

00:23:42,149 --> 00:23:39,039

pretty much it

541

00:23:43,190 --> 00:23:42,159

so i guess what i what i i guess what

542

00:23:47,110 --> 00:23:43,200

i'm going to do let me

543

00:23:54,710 --> 00:23:47,120

look through let me look through some of

544

00:24:02,070 --> 00:23:57,350

i see crypto meter thank you very much

545

00:24:02,080 --> 00:24:05,990

okay what do we got here

546

00:24:13,269 --> 00:24:09,669

this one is from slim tin skin

547

00:24:14,870 --> 00:24:13,279

i hope this is not some inappropriate

548

00:24:16,230 --> 00:24:14,880

name that i can't say on youtube but i

549

00:24:18,870 --> 00:24:16,240

already said it

550

00:24:20,149 --> 00:24:18,880

it says not that i feel strongly in any

551

00:24:23,830 --> 00:24:20,159

way about race

552

00:24:27,190 --> 00:24:23,840

but besides the hill couple do any

553

00:24:33,110 --> 00:24:27,200

blacks ever report abductions by aliens

554

00:24:36,950 --> 00:24:33,120

and black people and black people hunt

555

00:24:41,029 --> 00:24:36,960

how about sightings of sasquatch beings

556

00:24:43,669 --> 00:24:41,039

so i know i was

557

00:24:44,789 --> 00:24:43,679

not involved directly with mufon in

558

00:24:48,149 --> 00:24:44,799

missouri

559

00:24:49,830 --> 00:24:48,159

i live in arkansas now and um i've never

560

00:24:51,590 --> 00:24:49,840

been directly involved with them but i

561

00:24:53,269 --> 00:24:51,600

always hung out with the crowd that were

562

00:24:57,350 --> 00:24:53,279

in mufon and doing the

563

00:24:59,510 --> 00:24:57,360

the field investigations and uh

564

00:25:00,390 --> 00:24:59,520

it's very it's it's rare i don't know if

565

00:25:02,870 --> 00:25:00,400

it's a

566

00:25:03,510 --> 00:25:02,880

a cultural thing or what uh what it is

567

00:25:07,510 --> 00:25:03,520

but

568

00:25:09,590 --> 00:25:07,520

uh it's there's been a few

569

00:25:10,870 --> 00:25:09,600

you know uh black americans that

570

00:25:13,510 --> 00:25:10,880

basically have

571

00:25:14,950 --> 00:25:13,520

uh reported it i don't know why that is

572

00:25:16,710 --> 00:25:14,960

even when you go to different

573

00:25:19,909 --> 00:25:16,720

conferences there's some

574

00:25:21,510 --> 00:25:19,919

um some few few foreigners like myself

575

00:25:23,190 --> 00:25:21,520

when when i look around you know

576

00:25:23,909 --> 00:25:23,200

foreigners always recognize that the

577

00:25:25,350 --> 00:25:23,919

foreigners

578

00:25:27,830 --> 00:25:25,360

for some reason i don't know what it is

579

00:25:29,510 --> 00:25:27,840

like the sixth sense you can just from a

580

00:25:32,630 --> 00:25:29,520

mile away you're like ah

581

00:25:35,510 --> 00:25:32,640

a fellow foreigner and so anyway

582

00:25:36,310 --> 00:25:35,520

um i don't know why that is i have not

583

00:25:39,110 --> 00:25:36,320

personally

584

00:25:41,190 --> 00:25:39,120

seen it what the what the reason is why

585

00:25:43,510 --> 00:25:41,200

there aren't that many reporting

586

00:25:44,630 --> 00:25:43,520

or even come going to conferences i i

587

00:25:47,590 --> 00:25:44,640

just don't know

588

00:25:48,070 --> 00:25:47,600

i just have no idea um because i mean it

589

00:25:51,510 --> 00:25:48,080

is a

590

00:25:58,470 --> 00:25:51,520

weird subject to be in and so

591

00:25:58,480 --> 00:26:02,310

okay

592

00:26:02,320 --> 00:26:05,669

all right let me see

593

00:26:13,750 --> 00:26:08,830

hi hi anunnaki brady

594

00:26:16,950 --> 00:26:13,760

arcade a reindeer

595

00:26:19,830 --> 00:26:16,960

sorry i suck at reading names when i'm

596

00:26:26,710 --> 00:26:23,430

um hello renee cruz

597

00:26:29,190 --> 00:26:26,720

rose peck i

598

00:26:30,950 --> 00:26:29,200

saw four year force tonight in florida i

599

00:26:34,980 --> 00:26:30,960

hope you got some footage

600

00:26:42,230 --> 00:26:36,830

[Music]

601
00:26:51,190 --> 00:26:45,590
okay i'm trying to find a question

602
00:26:56,870 --> 00:26:54,630
um victor for truth says great to see

603
00:26:58,230 --> 00:26:56,880
it's great to see back brother i guess

604
00:27:00,070 --> 00:26:58,240
see me back

605
00:27:08,390 --> 00:27:00,080
well i haven't seen you but i'm glad

606
00:27:08,400 --> 00:27:14,950
renee cruz nice house thank you

607
00:27:14,960 --> 00:27:21,909
let me see here

608
00:27:27,510 --> 00:27:25,190
yeah i'm sorry if i i hate to kind of be

609
00:27:28,710 --> 00:27:27,520
silent or quiet i'm just trying to go

610
00:27:30,710 --> 00:27:28,720
through here see

611
00:27:31,990 --> 00:27:30,720
what other if there's any kind of

612
00:27:44,470 --> 00:27:32,000
questions that

613
00:27:48,789 --> 00:27:47,430

rene crew said ufo roundtable panel are

614

00:27:59,750 --> 00:27:48,799

you meaning here

615

00:28:02,789 --> 00:28:01,590

okay i guess that's all the questions i

616

00:28:06,549 --> 00:28:02,799

see for now

617

00:28:08,310 --> 00:28:06,559

but um so the my day job

618

00:28:09,669 --> 00:28:08,320

i'm basically some of you might have

619

00:28:11,830 --> 00:28:09,679

known might not have known i'm

620

00:28:12,710 --> 00:28:11,840

working for ozark mountain publishing so

621

00:28:16,389 --> 00:28:12,720

that's what i do

622

00:28:19,669 --> 00:28:16,399

as my nine to five and um so

623

00:28:22,630 --> 00:28:19,679

from pretty much since 2014

624

00:28:23,830 --> 00:28:22,640

in some shape or form i always i've

625

00:28:24,789 --> 00:28:23,840

always been involved with that

626
00:28:27,590 --> 00:28:24,799
conference

627
00:28:28,230 --> 00:28:27,600
and ever since i started working there i

628
00:28:30,310 --> 00:28:28,240
basically

629
00:28:31,990 --> 00:28:30,320
do a lot of video graphics and all kinds

630
00:28:34,070 --> 00:28:32,000
of things like that for them

631
00:28:35,510 --> 00:28:34,080
the ozark mountain publishing was

632
00:28:37,750 --> 00:28:35,520
originally started by

633
00:28:39,830 --> 00:28:37,760
dolores cannon that was her publishing

634
00:28:41,430 --> 00:28:39,840
company she used that to publish

635
00:28:43,909 --> 00:28:41,440
her books because she couldn't find any

636
00:28:48,230 --> 00:28:43,919
publishers so

637
00:28:51,830 --> 00:28:48,240
the um so i basically do

638
00:28:54,310 --> 00:28:51,840

what i love all day every day and uh

639

00:28:55,510 --> 00:28:54,320

it supports supports my family but then

640

00:28:57,350 --> 00:28:55,520

that's all that

641

00:28:59,190 --> 00:28:57,360

you know that they can pretty much do

642

00:29:02,230 --> 00:28:59,200

and so

643

00:29:04,310 --> 00:29:02,240

um the

644

00:29:05,830 --> 00:29:04,320

the conference was almost canceled for

645

00:29:07,590 --> 00:29:05,840

the second time in a row

646

00:29:09,350 --> 00:29:07,600

it was cancelled last year due to covet

647

00:29:10,470 --> 00:29:09,360

and it was cancelled again this year due

648

00:29:17,590 --> 00:29:10,480

to covet

649

00:29:17,600 --> 00:29:21,029

for me being

650

00:29:25,830 --> 00:29:23,990

being an employee there um there was

651
00:29:28,870 --> 00:29:25,840
this platform called happen

652
00:29:30,389 --> 00:29:28,880
and so a long time ago there was a big

653
00:29:32,389 --> 00:29:30,399
company i'm not going to say its name

654
00:29:34,950 --> 00:29:32,399
they were having some kind of seminars

655
00:29:36,149 --> 00:29:34,960
and wanting basically people to learn

656
00:29:39,190 --> 00:29:36,159
about how to

657
00:29:40,230 --> 00:29:39,200
advance your business during covet and

658
00:29:43,350 --> 00:29:40,240
so i

659
00:29:45,350 --> 00:29:43,360
suggested to my boss saying well maybe

660
00:29:47,110 --> 00:29:45,360
they might have some info that i can

661
00:29:48,630 --> 00:29:47,120
you know learn about and then of course

662
00:29:52,710 --> 00:29:48,640
apply it to the company

663
00:29:55,909 --> 00:29:52,720

and so she said you know sure go ahead

664

00:29:57,350 --> 00:29:55,919

the that conference or that that seminar

665

00:29:59,750 --> 00:29:57,360

was totally worthless

666

00:30:00,630 --> 00:29:59,760

but what i loved was this hop-in

667

00:30:03,669 --> 00:30:00,640

platform

668

00:30:04,310 --> 00:30:03,679

and so what it is it's kind of um you

669

00:30:07,110 --> 00:30:04,320

just

670

00:30:08,230 --> 00:30:07,120

uh after you sign up for whatever event

671

00:30:10,710 --> 00:30:08,240

is going on

672

00:30:11,510 --> 00:30:10,720

uh you can use your own camera and and

673

00:30:14,310 --> 00:30:11,520

microphone

674

00:30:16,310 --> 00:30:14,320

and you can just either sit back and

675

00:30:18,310 --> 00:30:16,320

watch the stage and see whatever

676
00:30:20,070 --> 00:30:18,320
presenters are presenting about whatever

677
00:30:22,389 --> 00:30:20,080
they're doing or you can

678
00:30:23,909 --> 00:30:22,399
yourself get in touch with with a

679
00:30:26,310 --> 00:30:23,919
different attendees

680
00:30:27,110 --> 00:30:26,320
a friend or so that you might see there

681
00:30:29,430 --> 00:30:27,120
and request

682
00:30:30,310 --> 00:30:29,440
a chat and then you can while you're at

683
00:30:32,789 --> 00:30:30,320
the conference

684
00:30:33,590 --> 00:30:32,799
you can chat with each other over audio

685
00:30:36,470 --> 00:30:33,600
and video

686
00:30:38,870 --> 00:30:36,480
and so it's not the same as in being a

687
00:30:39,590 --> 00:30:38,880
person obviously but it would be close

688
00:30:42,310 --> 00:30:39,600

enough to

689

00:30:42,870 --> 00:30:42,320

make people feel more involved help see

690

00:30:46,470 --> 00:30:42,880

others

691

00:30:48,070 --> 00:30:46,480

there and so the you know

692

00:30:50,310 --> 00:30:48,080

it sucked at having to cancel it for a

693

00:30:52,789 --> 00:30:50,320

second time so i approached and i said

694

00:30:54,789 --> 00:30:52,799

i've learned about this hop in i don't

695

00:30:56,230 --> 00:30:54,799

know how quiet how well it works but if

696

00:30:57,830 --> 00:30:56,240

you give me a week i'll figure it all

697

00:30:58,310 --> 00:30:57,840

out i'll let you know and then show you

698

00:30:59,669 --> 00:30:58,320

to see

699

00:31:01,830 --> 00:30:59,679

what it's like and if you would be

700

00:31:03,190 --> 00:31:01,840

interested and sure enough i did that

701
00:31:05,509 --> 00:31:03,200
and next thing we know

702
00:31:07,029 --> 00:31:05,519
the ozark mountain virtual ufo

703
00:31:10,389 --> 00:31:07,039
conference is being held

704
00:31:12,789 --> 00:31:10,399
online so as you can see here

705
00:31:14,710 --> 00:31:12,799
you're going to have george whitley

706
00:31:16,950 --> 00:31:14,720
grant

707
00:31:18,070 --> 00:31:16,960
mary mary rodwell and and some of the

708
00:31:21,350 --> 00:31:18,080
other people there

709
00:31:24,470 --> 00:31:21,360
so i hope you do join um it's

710
00:31:25,269 --> 00:31:24,480
kind of uh my little baby so to say i've

711
00:31:27,190 --> 00:31:25,279
worked

712
00:31:28,950 --> 00:31:27,200
hard on it trying to get it going and

713
00:31:30,149 --> 00:31:28,960

working and i've been working with the

714

00:31:32,310 --> 00:31:30,159

different speakers

715

00:31:34,470 --> 00:31:32,320

which i'm hoping to get interviews which

716

00:31:37,669 --> 00:31:34,480

then i will put up on ufo hub

717

00:31:38,230 --> 00:31:37,679

but they basically i've been practicing

718

00:31:39,830 --> 00:31:38,240

with them

719

00:31:41,350 --> 00:31:39,840

just to make sure that they know how to

720

00:31:44,230 --> 00:31:41,360

operate it and

721

00:31:45,750 --> 00:31:44,240

how it works so that uh come april 10th

722

00:31:47,110 --> 00:31:45,760

and 11th

723

00:31:53,909 --> 00:31:47,120

we can basically have a virtual

724

00:31:57,509 --> 00:31:56,310

okay yeah you can um if you if you're

725

00:31:59,430 --> 00:31:57,519

interested

726

00:32:01,029 --> 00:31:59,440

you can sign up to it either going

727

00:32:03,110 --> 00:32:01,039

directly to this

728

00:32:05,750 --> 00:32:03,120

url but it's a lot easier if you just go

729

00:32:08,789 --> 00:32:05,760

to the ozark ufoconference.com

730

00:32:09,750 --> 00:32:08,799

and just click on register and you

731

00:32:15,590 --> 00:32:09,760

basically will be

732

00:32:18,230 --> 00:32:15,600

right there and what i did is

733

00:32:19,590 --> 00:32:18,240

on this channel and under the ozark

734

00:32:21,590 --> 00:32:19,600

mountain ufo conference

735

00:32:23,830 --> 00:32:21,600

i made a little video it's me sitting

736

00:32:26,230 --> 00:32:23,840

here i made a video about how to use the

737

00:32:28,470 --> 00:32:26,240

platform what it has to offer so

738

00:32:30,389 --> 00:32:28,480

before you even sign up or are

739

00:32:31,269 --> 00:32:30,399

interested to join it check it out i try

740

00:32:34,230 --> 00:32:31,279

to

741

00:32:34,789 --> 00:32:34,240

present it as accurate as possible so

742

00:32:36,630 --> 00:32:34,799

that you

743

00:32:39,750 --> 00:32:36,640

see all the things it has to offer and

744

00:32:44,149 --> 00:32:39,760

you might be interested in that

745

00:32:44,159 --> 00:32:47,509

let me get back

746

00:32:47,519 --> 00:32:52,310

here

747

00:32:57,909 --> 00:32:53,669

all right let me let me look through

748

00:32:57,919 --> 00:33:14,310

long silences

749

00:33:18,870 --> 00:33:18,230

jorge contreras um says i love ozark

750

00:33:21,909 --> 00:33:18,880

mountain

751

00:33:24,630 --> 00:33:21,919

r.i.p dolores yeah she was she was a

752

00:33:27,029 --> 00:33:24,640

great lady i um

753

00:33:27,909 --> 00:33:27,039

i guess i guess now it's as good a time

754

00:33:29,509 --> 00:33:27,919

as any to

755

00:33:31,509 --> 00:33:29,519

i guess give you that piece of this

756

00:33:33,669 --> 00:33:31,519

piece of information so the very first

757

00:33:37,590 --> 00:33:33,679

time i interviewed dolores cannon

758

00:33:40,070 --> 00:33:37,600

was in 2014 so i was i've been attending

759

00:33:43,430 --> 00:33:40,080

the conferences since 2012

760

00:33:45,909 --> 00:33:43,440

and so i started

761

00:33:47,830 --> 00:33:45,919

um ufo hub and so of course when i came

762

00:33:48,630 --> 00:33:47,840

to the conference i had reached out and

763

00:33:50,630 --> 00:33:48,640

asked if i could

764

00:33:51,669 --> 00:33:50,640

interview dolores cannon that interview

765

00:33:53,830 --> 00:33:51,679

she we were in

766

00:33:54,710 --> 00:33:53,840

one of the hotel rooms on the balcony

767

00:33:58,389 --> 00:33:54,720

and so

768

00:33:59,269 --> 00:33:58,399

i did an interview there little did i

769

00:34:02,630 --> 00:33:59,279

know

770

00:34:05,190 --> 00:34:02,640

by me meeting her and getting involved

771

00:34:05,990 --> 00:34:05,200

one of the other people that started the

772

00:34:08,069 --> 00:34:06,000

company way

773

00:34:09,270 --> 00:34:08,079

back when with her was her daughter

774

00:34:12,790 --> 00:34:09,280

nancy vernon

775

00:34:16,710 --> 00:34:14,950

by me just being more more involved i

776

00:34:20,310 --> 00:34:16,720

really got to know the family

777

00:34:24,310 --> 00:34:20,320

and then basically met my wife

778

00:34:27,589 --> 00:34:24,320

and she's dolores niece so

779

00:34:30,230 --> 00:34:27,599

or nancy vernon's daughter and so

780

00:34:31,109 --> 00:34:30,240

basically by that way it worked out

781

00:34:33,510 --> 00:34:31,119

great by

782

00:34:34,230 --> 00:34:33,520

me meeting the person i love at the same

783

00:34:36,069 --> 00:34:34,240

time

784

00:34:37,990 --> 00:34:36,079

working for a company that does weird

785

00:34:39,109 --> 00:34:38,000

things like aliens and ufos and things

786

00:34:41,909 --> 00:34:39,119

like that so

787

00:34:42,869 --> 00:34:41,919

talking about you know following your

788

00:34:44,389 --> 00:34:42,879

passion

789

00:34:46,149 --> 00:34:44,399

i can only say that i've been blessed

790

00:34:58,950 --> 00:34:46,159

for things to just work out in that way

791

00:35:03,829 --> 00:35:01,910

right maybe have richard dolan on okay

792

00:35:05,109 --> 00:35:03,839

with the shiva that that is my intention

793

00:35:05,990 --> 00:35:05,119

because i i don't want to make any

794

00:35:09,270 --> 00:35:06,000

promises

795

00:35:12,230 --> 00:35:09,280

i want to have especially now

796

00:35:14,950 --> 00:35:12,240

with this and with simply being able to

797

00:35:16,790 --> 00:35:14,960

do this while all of them are at home

798

00:35:19,030 --> 00:35:16,800

there should be no reason why i can't

799

00:35:21,430 --> 00:35:19,040

get every single one of them but

800

00:35:23,349 --> 00:35:21,440

they also decline you know i can't force

801
00:35:25,670 --> 00:35:23,359
somebody to talk to me or be

802
00:35:26,550 --> 00:35:25,680
you know have an interview with so i

803
00:35:28,310 --> 00:35:26,560
will

804
00:35:29,990 --> 00:35:28,320
do my best to reach out to every single

805
00:35:32,310 --> 00:35:30,000
one of them and some i'll

806
00:35:33,270 --> 00:35:32,320
interview to just have essay skype

807
00:35:35,829 --> 00:35:33,280
interview to put up

808
00:35:36,630 --> 00:35:35,839
and others i will have to come on every

809
00:35:39,030 --> 00:35:36,640
friday

810
00:35:39,910 --> 00:35:39,040
at 7 00 p.m so far unless something

811
00:35:42,550 --> 00:35:39,920
changes to

812
00:35:44,150 --> 00:35:42,560
for them to just be here for you guys to

813
00:35:47,109 --> 00:35:44,160

be able to watch and then

814

00:35:47,910 --> 00:35:47,119

um just ask him questions and i'll just

815

00:35:50,550 --> 00:35:47,920

skim through

816

00:35:51,750 --> 00:35:50,560

the the chat and ask him whatever it is

817

00:35:53,990 --> 00:35:51,760

that you guys have

818

00:36:01,109 --> 00:35:54,000

i mean unless it's something rude and of

819

00:36:04,470 --> 00:36:03,109

okay i'm sorry maybe i must have missed

820

00:36:06,150 --> 00:36:04,480

some of the other

821

00:36:07,430 --> 00:36:06,160

other questions i'm glad you guys are

822

00:36:08,310 --> 00:36:07,440

chatting but there was no there's

823

00:36:10,710 --> 00:36:08,320

nothing that

824

00:36:11,589 --> 00:36:10,720

sticks out that i feel like i need to

825

00:36:13,270 --> 00:36:11,599

answer

826

00:36:15,910 --> 00:36:13,280

if you guys have any other questions

827

00:36:18,390 --> 00:36:15,920

please let me know

828

00:36:20,710 --> 00:36:18,400

otherwise this kind of concludes what i

829

00:36:23,109 --> 00:36:20,720

was wanting to do today

830

00:36:24,950 --> 00:36:23,119

it's not that long but i mean we're not

831

00:36:28,069 --> 00:36:24,960

limited it all depends on

832

00:36:31,430 --> 00:36:28,079

what it is that you you guys would

833

00:36:34,230 --> 00:36:31,440

maybe like me to talk about or

834

00:36:35,190 --> 00:36:34,240

um if something else pops into my into

835

00:36:37,190 --> 00:36:35,200

my mind but

836

00:36:38,550 --> 00:36:37,200

there wasn't anything there wasn't this

837

00:36:41,270 --> 00:36:38,560

grand plan

838

00:36:43,190 --> 00:36:41,280

to to do this it's it's weird enough for

839

00:36:44,870 --> 00:36:43,200

me to just sit here and talk to myself

840

00:36:46,230 --> 00:36:44,880

or at least to a camera i know you guys

841

00:36:49,109 --> 00:36:46,240

are watching but

842

00:36:51,109 --> 00:36:49,119

you know i i almost tried to convince um

843

00:36:53,589 --> 00:36:51,119

well almost convinced my wife to just

844

00:36:54,950 --> 00:36:53,599

be here so i can talk to her and it'll

845

00:36:56,390 --> 00:36:54,960

be a lot easier because i'm actually

846

00:36:58,230 --> 00:36:56,400

looking at somebody and i'm trying to

847

00:36:58,870 --> 00:36:58,240

convey point i mean a point about

848

00:37:02,150 --> 00:36:58,880

something

849

00:37:05,349 --> 00:37:02,160

but staring at the camera it's

850

00:37:07,670 --> 00:37:05,359

it's like talking to a rock you know so

851

00:37:09,589 --> 00:37:07,680

it's just kind of kind of weird but i

852

00:37:18,870 --> 00:37:09,599

know you guys are receiving me so

853

00:37:23,510 --> 00:37:22,230

uh will will i have a famous celebrities

854

00:37:25,910 --> 00:37:23,520

like bob lazar

855

00:37:26,870 --> 00:37:25,920

bob lazar is actually very hard to get a

856

00:37:30,550 --> 00:37:26,880

hold of

857

00:37:34,310 --> 00:37:30,560

um it's very difficult and

858

00:37:36,870 --> 00:37:34,320

usually i think

859

00:37:37,829 --> 00:37:36,880

ozark tried to get a hold of him and go

860

00:37:39,910 --> 00:37:37,839

on going

861

00:37:41,190 --> 00:37:39,920

you know through some connections that

862

00:37:43,349 --> 00:37:41,200

we had and it's just

863

00:37:44,790 --> 00:37:43,359

some people are easily easily accessible

864

00:37:47,670 --> 00:37:44,800

others or not

865

00:37:48,710 --> 00:37:47,680

and it's just for different reasons it's

866

00:37:51,109 --> 00:37:48,720

not

867

00:37:52,950 --> 00:37:51,119

some of them have been constantly

868

00:37:54,950 --> 00:37:52,960

because of popularity um

869

00:37:57,430 --> 00:37:54,960

you know wanting other people to talk to

870

00:37:59,750 --> 00:37:57,440

them and so after a while it gets to you

871

00:38:01,829 --> 00:37:59,760

constantly being asked to come to

872

00:38:02,230 --> 00:38:01,839

conferences interviews talk and so on

873

00:38:05,510 --> 00:38:02,240

and

874

00:38:07,270 --> 00:38:05,520

a lot of them um bob lazar strikes me as

875

00:38:08,230 --> 00:38:07,280

the type of person that he just has his

876

00:38:10,150 --> 00:38:08,240

own little

877

00:38:12,230 --> 00:38:10,160

hobby that he does and people keep

878

00:38:13,589 --> 00:38:12,240

asking him you know about ufos and all

879

00:38:15,910 --> 00:38:13,599

he wants to do is something about

880

00:38:17,990 --> 00:38:15,920

chemistry if i'm not mistaken

881

00:38:19,829 --> 00:38:18,000

and only only a few people that that i

882

00:38:22,470 --> 00:38:19,839

know that

883

00:38:23,030 --> 00:38:22,480

you know write write these books and uh

884

00:38:24,550 --> 00:38:23,040

actually

885

00:38:26,470 --> 00:38:24,560

that could be something i could mention

886

00:38:29,270 --> 00:38:26,480

so this is an answer

887

00:38:30,870 --> 00:38:29,280

to people that have asked me this

888

00:38:35,030 --> 00:38:30,880

basically for the past seven years

889

00:38:39,190 --> 00:38:37,750

if there was if there's somebody who i

890

00:38:40,230 --> 00:38:39,200

feel a connection with that has an

891

00:38:41,990 --> 00:38:40,240

experience

892

00:38:43,990 --> 00:38:42,000

and i understand what they're talking

893

00:38:45,430 --> 00:38:44,000

about i always love them to to have them

894

00:38:47,109 --> 00:38:45,440

on whether they have a book or not that

895

00:38:50,630 --> 00:38:47,119

doesn't matter

896

00:38:52,790 --> 00:38:50,640

the reason why i choose or more often

897

00:38:55,750 --> 00:38:52,800

than not choose people that have a book

898

00:38:57,190 --> 00:38:55,760

it's not to promote something it's

899

00:38:58,630 --> 00:38:57,200

basically to me

900

00:39:00,870 --> 00:38:58,640

there are people that have gathered

901
00:39:03,990 --> 00:39:00,880
their thoughts put them together in a

902
00:39:05,990 --> 00:39:04,000
unified way to convey a story and a

903
00:39:08,230 --> 00:39:06,000
message to you that you can then

904
00:39:09,750 --> 00:39:08,240
consume and read through in the hopes to

905
00:39:12,870 --> 00:39:09,760
get something from it

906
00:39:14,310 --> 00:39:12,880
and so by having somebody that puts that

907
00:39:16,550 --> 00:39:14,320
together in that way

908
00:39:17,670 --> 00:39:16,560
it's more cohesive to represent you

909
00:39:20,710 --> 00:39:17,680
something that way

910
00:39:22,230 --> 00:39:20,720
as opposed to a person that um doesn't

911
00:39:23,349 --> 00:39:22,240
like to be on camera doesn't like to

912
00:39:25,589 --> 00:39:23,359
talk about it but

913
00:39:27,190 --> 00:39:25,599

you know maybe for some reason feels

914

00:39:27,990 --> 00:39:27,200

like okay well maybe i should talk about

915

00:39:30,470 --> 00:39:28,000

it a little

916

00:39:32,630 --> 00:39:30,480

bit i mean even that shouldn't stop

917

00:39:34,550 --> 00:39:32,640

anyone to interview them or talk to them

918

00:39:35,589 --> 00:39:34,560

about this it's just that's my main

919

00:39:38,390 --> 00:39:35,599

reasoning too

920

00:39:40,230 --> 00:39:38,400

it's not about them selling books and

921

00:39:41,030 --> 00:39:40,240

trust me having done this for as long as

922

00:39:43,030 --> 00:39:41,040

i have

923

00:39:44,470 --> 00:39:43,040

a lot of them whatever they do they

924

00:39:46,630 --> 00:39:44,480

literally use it to go to other

925

00:39:46,950 --> 00:39:46,640

locations do more investigations come

926
00:39:50,950 --> 00:39:46,960
back

927
00:39:55,829 --> 00:39:54,069
it's not about money and fame i know a

928
00:39:56,550 --> 00:39:55,839
lot of people like to say that as some

929
00:39:59,030 --> 00:39:56,560
kind of

930
00:40:00,069 --> 00:39:59,040
an insult to say oh this is what they're

931
00:40:02,470 --> 00:40:00,079
all about but

932
00:40:03,829 --> 00:40:02,480
just from personal experience and i'm

933
00:40:07,670 --> 00:40:03,839
not the type of person that

934
00:40:09,510 --> 00:40:07,680
that likes and believe me i met a few

935
00:40:10,950 --> 00:40:09,520
few speakers were obviously i didn't

936
00:40:12,470 --> 00:40:10,960
interview them and i just don't want to

937
00:40:14,150 --> 00:40:12,480
have anything to do with them who they

938
00:40:17,270 --> 00:40:14,160

are i would just keep to myself

939

00:40:19,670 --> 00:40:17,280

but majority 99.9 of them

940

00:40:21,589 --> 00:40:19,680

were just really awesome down to earth

941

00:40:23,270 --> 00:40:21,599

and a lot of times

942

00:40:24,950 --> 00:40:23,280

the best part always happens when the

943

00:40:26,069 --> 00:40:24,960

camera is off and i'm done with the

944

00:40:28,069 --> 00:40:26,079

interview

945

00:40:29,589 --> 00:40:28,079

and then another half hour into the

946

00:40:31,430 --> 00:40:29,599

conversation they tell me something

947

00:40:33,109 --> 00:40:31,440

great and i just take it in i was like

948

00:40:34,630 --> 00:40:33,119

oh that's awesome and so we finished the

949

00:40:36,309 --> 00:40:34,640

conversation it's a conversation they

950

00:40:37,109 --> 00:40:36,319

leave i was like shoot i didn't record

951
00:40:41,589 --> 00:40:37,119
it

952
00:40:44,790 --> 00:40:41,599
that way

953
00:40:46,870 --> 00:40:44,800
you know so anyway regarding

954
00:40:47,910 --> 00:40:46,880
famous people not famous people i will

955
00:40:50,550 --> 00:40:47,920
try to have

956
00:40:53,270 --> 00:40:50,560
as many people on as i possibly can and

957
00:40:54,710 --> 00:40:53,280
my point of view has always been

958
00:40:56,550 --> 00:40:54,720
especially with what's going on in the

959
00:40:57,910 --> 00:40:56,560
world right now i just want to present

960
00:41:00,390 --> 00:40:57,920
to you information

961
00:41:01,349 --> 00:41:00,400
and i hope that you use your own brains

962
00:41:04,150 --> 00:41:01,359
and your your

963
00:41:05,990 --> 00:41:04,160

mind to discern for yourself you know

964

00:41:10,309 --> 00:41:06,000

what this person is about

965

00:41:13,109 --> 00:41:10,319

because if i already take the stand to

966

00:41:14,790 --> 00:41:13,119

to cut somebody off beforehand it would

967

00:41:15,670 --> 00:41:14,800

have to be because they were absolutely

968

00:41:17,589 --> 00:41:15,680

rude

969

00:41:19,510 --> 00:41:17,599

you know and i just it's really

970

00:41:20,950 --> 00:41:19,520

impossible to

971

00:41:23,190 --> 00:41:20,960

to work with them even to get an

972

00:41:26,309 --> 00:41:23,200

interview you know and so

973

00:41:27,910 --> 00:41:26,319

um have you know a lot of times it's

974

00:41:34,870 --> 00:41:27,920

just important for

975

00:41:36,230 --> 00:41:34,880

um just

976

00:41:38,230 --> 00:41:36,240

just you know just know they're they

977

00:41:40,230 --> 00:41:38,240

don't have any ill intent that

978

00:41:41,829 --> 00:41:40,240

that's what i basically want to say so

979

00:41:43,270 --> 00:41:41,839

it's just because they have a book it

980

00:41:44,630 --> 00:41:43,280

doesn't mean they're trying to sell you

981

00:41:46,710 --> 00:41:44,640

something so they can

982

00:41:48,069 --> 00:41:46,720

sit on some kind of pile of money you

983

00:41:50,390 --> 00:41:48,079

know just so

984

00:41:51,990 --> 00:41:50,400

if if you can trust anything i say it's

985

00:41:59,750 --> 00:41:52,000

basically just

986

00:42:04,630 --> 00:42:01,510

trevor owens good luck in your new

987

00:42:07,349 --> 00:42:04,640

project brother thank you

988

00:42:10,710 --> 00:42:07,359

um gary davis keep up great work thank

989

00:42:16,550 --> 00:42:13,910

any mass sightings lately i heard a few

990

00:42:17,829 --> 00:42:16,560

talk about las vegas saw some footage a

991

00:42:23,990 --> 00:42:17,839

group of four lights

992

00:42:27,430 --> 00:42:27,030

sherry wilde yep i know sherry also very

993

00:42:29,270 --> 00:42:27,440

well

994

00:42:30,630 --> 00:42:29,280

and yeah i told her as soon as i'm done

995

00:42:33,349 --> 00:42:30,640

with this as well that

996

00:42:34,069 --> 00:42:33,359

i would reach out she's having now i'm

997

00:42:36,309 --> 00:42:34,079

sure she

998

00:42:39,030 --> 00:42:36,319

she doesn't mind me saying this she has

999

00:42:42,309 --> 00:42:39,040

some some health things she needs to

1000

00:42:44,069 --> 00:42:42,319

work on and so it makes her um

1001
00:42:45,430 --> 00:42:44,079
just drains her energy and it makes it

1002
00:42:46,309 --> 00:42:45,440
difficult for her to talk for a very

1003
00:42:49,589 --> 00:42:46,319
long time

1004
00:42:50,950 --> 00:42:49,599
but the second she feels well and wants

1005
00:42:58,309 --> 00:42:50,960
to basically be on here

1006
00:43:02,150 --> 00:42:58,319
will of course have her

1007
00:43:05,829 --> 00:43:02,160
uh that was from um

1008
00:43:07,750 --> 00:43:05,839
tana kylid i'm sorry if i mispronounce

1009
00:43:10,710 --> 00:43:07,760
all you guys names i know my name gets

1010
00:43:13,829 --> 00:43:10,720
mispronounced all the time

1011
00:43:14,390 --> 00:43:13,839
sonic gomez how about joe rogan um joe

1012
00:43:17,030 --> 00:43:14,400
rogan

1013
00:43:18,790 --> 00:43:17,040

to be on the show you mean i that would

1014

00:43:19,190 --> 00:43:18,800

be cool i just don't know how to get

1015

00:43:22,950 --> 00:43:19,200

back

1016

00:43:24,630 --> 00:43:22,960

past his handlers once i figure that out

1017

00:43:33,670 --> 00:43:24,640

or have some kind of connection and you

1018

00:43:33,680 --> 00:43:39,109

bailey stoner i love your mug thank you

1019

00:43:43,430 --> 00:43:41,829

it's a it's a great mug you should get

1020

00:43:47,349 --> 00:43:43,440

it

1021

00:43:50,710 --> 00:43:47,359

um yeah uh i have this one actually on

1022

00:43:51,349 --> 00:43:50,720

at the um on teespring if you're

1023

00:43:53,750 --> 00:43:51,359

interested

1024

00:43:55,430 --> 00:43:53,760

so all of that pretty much goes into

1025

00:43:56,950 --> 00:43:55,440

what i'm doing here

1026
00:43:58,550 --> 00:43:56,960
like i don't know if i mentioned before

1027
00:44:01,910 --> 00:43:58,560
i never pay for interviews

1028
00:44:04,150 --> 00:44:01,920
but sometimes if i can um help out

1029
00:44:05,910 --> 00:44:04,160
especially now if they can't come to

1030
00:44:08,630 --> 00:44:05,920
this location with gas

1031
00:44:10,230 --> 00:44:08,640
or if i'm going to a location to for

1032
00:44:12,230 --> 00:44:10,240
hotel rooms and whatnot it

1033
00:44:14,230 --> 00:44:12,240
always comes in handy because otherwise

1034
00:44:16,150 --> 00:44:14,240
if i ask my wife for

1035
00:44:33,349 --> 00:44:16,160
one more cent i think she i think she's

1036
00:44:40,069 --> 00:44:37,349
don't know

1037
00:44:40,870 --> 00:44:40,079
okay i can't i can't seem to find any

1038
00:44:50,550 --> 00:44:40,880

more

1039

00:44:54,230 --> 00:44:50,560

let me know

1040

00:44:55,270 --> 00:44:54,240

otherwise i don't know if you want me to

1041

00:44:57,270 --> 00:44:55,280

cover

1042

00:44:58,309 --> 00:44:57,280

something else that you would like me to

1043

00:45:01,670 --> 00:44:58,319

share with you

1044

00:45:04,950 --> 00:45:01,680

maybe about some

1045

00:45:10,790 --> 00:45:04,960

stories and interviews i've done

1046

00:45:16,710 --> 00:45:14,630

but yeah i'm hoping to this will not be

1047

00:45:18,470 --> 00:45:16,720

edited because one thing that i was

1048

00:45:21,030 --> 00:45:18,480

really excited about is

1049

00:45:21,829 --> 00:45:21,040

not having to edit editing the videos

1050

00:45:23,990 --> 00:45:21,839

it's

1051
00:45:25,109 --> 00:45:24,000
it was awesome and fun in the beginning

1052
00:45:27,430 --> 00:45:25,119
but after a while

1053
00:45:28,470 --> 00:45:27,440
you kind of have to you you're really

1054
00:45:32,470 --> 00:45:28,480
listening to an

1055
00:45:34,870 --> 00:45:32,480
interview a minimum of 40 50 times

1056
00:45:36,790 --> 00:45:34,880
making sure you do the right cuts set it

1057
00:45:39,109 --> 00:45:36,800
all up and all that

1058
00:45:39,990 --> 00:45:39,119
all that stuff so i'm kind of looking

1059
00:45:42,630 --> 00:45:40,000
forward to

1060
00:45:43,349 --> 00:45:42,640
doing these live shows where i can just

1061
00:45:46,550 --> 00:45:43,359
talk

1062
00:45:48,870 --> 00:45:46,560
and kind of just go with the

1063
00:45:50,710 --> 00:45:48,880

with the uh with the thoughts whatev

1064

00:45:53,190 --> 00:45:50,720

whatever comes to me instead of

1065

00:45:55,109 --> 00:45:53,200

um having to have it all pre-planned of

1066

00:45:55,750 --> 00:45:55,119

course with interviews i still do that

1067

00:45:58,390 --> 00:45:55,760

because

1068

00:45:59,190 --> 00:45:58,400

obviously i don't want to waste all your

1069

00:46:01,190 --> 00:45:59,200

time so

1070

00:46:02,870 --> 00:46:01,200

i'll just set it set it up in such ways

1071

00:46:06,150 --> 00:46:02,880

to where um

1072

00:46:09,349 --> 00:46:06,160

uh we'll have those interviews concise

1073

00:46:09,750 --> 00:46:09,359

and uh ready for you to to watch that

1074

00:46:11,349 --> 00:46:09,760

way

1075

00:46:21,589 --> 00:46:11,359

and then have these live shows that are

1076

00:46:27,670 --> 00:46:24,470

so stefan stefan king who was your

1077

00:46:33,670 --> 00:46:31,510

that's a good question you know it's um

1078

00:46:35,510 --> 00:46:33,680

i basically managed to in the very

1079

00:46:38,710 --> 00:46:35,520

beginning when i was um

1080

00:46:41,190 --> 00:46:38,720

reading about um whitley strieber books

1081

00:46:41,750 --> 00:46:41,200

when of course listening to coast to

1082

00:46:44,390 --> 00:46:41,760

coast

1083

00:46:45,430 --> 00:46:44,400

ever since i was you know college time

1084

00:46:47,750 --> 00:46:45,440

and

1085

00:46:49,430 --> 00:46:47,760

um obviously years ago now i don't get

1086

00:46:52,630 --> 00:46:49,440

to do that very often now

1087

00:46:53,510 --> 00:46:52,640

but it was it was nice to meet the

1088

00:46:57,910 --> 00:46:53,520

people

1089

00:47:01,990 --> 00:47:00,790

one escaped me his name escapes me his

1090

00:47:05,349 --> 00:47:02,000

jim mars

1091

00:47:07,990 --> 00:47:05,359

was one of them and also this

1092

00:47:09,910 --> 00:47:08,000

coming up virtual conference one of the

1093

00:47:11,670 --> 00:47:09,920

books i was reading was from courtney

1094

00:47:14,950 --> 00:47:11,680

brown he was a

1095

00:47:16,950 --> 00:47:14,960

or still is a remote viewer and so i

1096

00:47:19,270 --> 00:47:16,960

really found the book intriguing and it

1097

00:47:21,750 --> 00:47:19,280

helped kind of connect some dots for me

1098

00:47:23,430 --> 00:47:21,760

way back when and so of course when it

1099

00:47:25,109 --> 00:47:23,440

was time to look up to see who's going

1100

00:47:27,190 --> 00:47:25,119

to be at the conferences this year

1101

00:47:28,870 --> 00:47:27,200

i suggested his name but he said he

1102

00:47:31,910 --> 00:47:28,880

doesn't do conferences anymore

1103

00:47:33,910 --> 00:47:31,920

and so a um he

1104

00:47:35,670 --> 00:47:33,920

said one of the people that works for

1105

00:47:38,950 --> 00:47:35,680

his far side institute

1106

00:47:41,030 --> 00:47:38,960

princess janae is going gonna be in in

1107

00:47:42,470 --> 00:47:41,040

you know in his stead and so i'm i

1108

00:47:43,030 --> 00:47:42,480

believe she's gonna be talking about

1109

00:47:54,790 --> 00:47:43,040

remove

1110

00:47:59,430 --> 00:47:57,510

uh jason b says your thoughts about the

1111

00:48:01,990 --> 00:47:59,440

italian ufo incident

1112

00:48:02,950 --> 00:48:02,000

refer to the unidentified season one

1113

00:48:06,790 --> 00:48:02,960

finale

1114

00:48:09,829 --> 00:48:06,800

i'm sorry i have not seen it i i don't

1115

00:48:12,950 --> 00:48:09,839

get to watch many shows

1116

00:48:16,309 --> 00:48:12,960

i usually just go to work and

1117

00:48:18,950 --> 00:48:16,319

take care of three-year-olds and so

1118

00:48:20,630 --> 00:48:18,960

i'm usually i just don't don't have that

1119

00:48:32,069 --> 00:48:20,640

time so i'm sorry i don't know which

1120

00:48:36,790 --> 00:48:35,349

this is from naturally nathan i don't

1121

00:48:39,349 --> 00:48:36,800

know if this was asked

1122

00:48:40,069 --> 00:48:39,359

or or not but what do you think about

1123

00:48:42,069 --> 00:48:40,079

all of the

1124

00:48:43,109 --> 00:48:42,079

recent sightings around the globe of

1125

00:48:45,510 --> 00:48:43,119

ufos

1126

00:48:47,589 --> 00:48:45,520

well my thoughts about all of that is

1127

00:48:50,790 --> 00:48:47,599

that

1128

00:48:52,630 --> 00:48:50,800

i feel base and this is just based on

1129

00:48:54,790 --> 00:48:52,640

what i what i experienced

1130

00:48:56,230 --> 00:48:54,800

and don't hold me to this this is a

1131

00:48:59,190 --> 00:48:56,240

total guesstimate

1132

00:49:01,190 --> 00:48:59,200

basically having experienced what i did

1133

00:49:03,510 --> 00:49:01,200

guessing moving forward what that means

1134

00:49:06,630 --> 00:49:03,520

for all of us

1135

00:49:08,390 --> 00:49:06,640

in my life there's a period of time to

1136

00:49:11,670 --> 00:49:08,400

where

1137

00:49:16,069 --> 00:49:11,680

between 2011

1138

00:49:17,910 --> 00:49:16,079

2010 and 15. it was a very

1139

00:49:19,670 --> 00:49:17,920

difficult and challenging time because

1140

00:49:22,230 --> 00:49:19,680

all the things that were happening

1141

00:49:23,750 --> 00:49:22,240

it's it's very uh taxing on your mind

1142

00:49:25,109 --> 00:49:23,760

and sometimes it makes you feel like

1143

00:49:29,510 --> 00:49:25,119

you're going crazy

1144

00:49:30,870 --> 00:49:29,520

and so i was very happy that

1145

00:49:33,349 --> 00:49:30,880

even though all the things that were

1146

00:49:35,030 --> 00:49:33,359

happening i could simply still

1147

00:49:37,109 --> 00:49:35,040

go through what i was going through but

1148

00:49:38,470 --> 00:49:37,119

then can still expect somebody to be at

1149

00:49:40,230 --> 00:49:38,480

the grocery store

1150

00:49:42,150 --> 00:49:40,240

the truck driver delivering all that

1151

00:49:43,990 --> 00:49:42,160

stuff to the store me being able to

1152

00:49:46,549 --> 00:49:44,000

purchase what i need to purchase

1153

00:49:48,069 --> 00:49:46,559

and then go back home to continue

1154

00:49:48,950 --> 00:49:48,079

dealing with this craziness that was

1155

00:49:52,150 --> 00:49:48,960

happening

1156

00:49:55,910 --> 00:49:52,160

and um that period of time was

1157

00:49:58,950 --> 00:49:55,920

very it seemed very very fearful

1158

00:50:01,829 --> 00:49:58,960

it seemed very confusing

1159

00:50:02,950 --> 00:50:01,839

and but basically once you get through

1160

00:50:05,109 --> 00:50:02,960

that once you once

1161

00:50:06,230 --> 00:50:05,119

once you understand what it is about

1162

00:50:08,309 --> 00:50:06,240

which was basically an

1163

00:50:09,990 --> 00:50:08,319

adjustment to all these different

1164

00:50:13,109 --> 00:50:10,000

contexts because

1165

00:50:15,270 --> 00:50:13,119

a lot of times there's there's

1166

00:50:17,109 --> 00:50:15,280

of course this new age view of energy

1167

00:50:17,750 --> 00:50:17,119

and they always talk about it in this in

1168

00:50:20,950 --> 00:50:17,760

these

1169

00:50:23,270 --> 00:50:20,960

you know very spirited ways but there is

1170

00:50:24,870 --> 00:50:23,280

something to it i'm not that much into

1171

00:50:27,430 --> 00:50:24,880

it to that extent but

1172

00:50:28,870 --> 00:50:27,440

there is um there's something to that

1173

00:50:31,589 --> 00:50:28,880

energy to where

1174

00:50:32,230 --> 00:50:31,599

um different energies based on different

1175

00:50:35,829 --> 00:50:32,240

contexts

1176
00:50:37,750 --> 00:50:35,839
affect your physically and so it can go

1177
00:50:41,190 --> 00:50:37,760
anywhere from

1178
00:50:45,270 --> 00:50:41,200
having like a slight panic attack to

1179
00:50:47,430 --> 00:50:45,280
um just uh straight up paranoia

1180
00:50:48,309 --> 00:50:47,440
because you're starting to feel a change

1181
00:50:50,549 --> 00:50:48,319
in energy

1182
00:50:52,950 --> 00:50:50,559
but you don't see any anything what's

1183
00:50:55,030 --> 00:50:52,960
going on so your body naturally

1184
00:50:56,150 --> 00:50:55,040
perceives that as a threat and so you're

1185
00:50:58,069 --> 00:50:56,160
trying to figure out

1186
00:50:59,190 --> 00:50:58,079
what is going on why is this happening

1187
00:51:01,510 --> 00:50:59,200
and so while

1188
00:51:02,710 --> 00:51:01,520

while that's happening to you it can it

1189

00:51:04,230 --> 00:51:02,720

can drive you crazy because

1190

00:51:06,710 --> 00:51:04,240

you don't know where to go there's no

1191

00:51:08,710 --> 00:51:06,720

running from it and so

1192

00:51:09,990 --> 00:51:08,720

having asked for this wanting to have

1193

00:51:12,150 --> 00:51:10,000

this experience

1194

00:51:13,349 --> 00:51:12,160

have you know i knew what i was getting

1195

00:51:15,670 --> 00:51:13,359

myself into but

1196

00:51:17,430 --> 00:51:15,680

i was living by myself as i mentioned

1197

00:51:18,230 --> 00:51:17,440

maybe some of my previous talks living

1198

00:51:19,750 --> 00:51:18,240

in the woods

1199

00:51:21,990 --> 00:51:19,760

where there's nobody around and it's

1200

00:51:23,829 --> 00:51:22,000

just me so whatever was happening to me

1201
00:51:24,950 --> 00:51:23,839
was only happening to me and i was not

1202
00:51:28,069 --> 00:51:24,960
putting anyone

1203
00:51:30,150 --> 00:51:28,079
else in any harm's way and so

1204
00:51:31,430 --> 00:51:30,160
sorry long story short and to get to

1205
00:51:35,430 --> 00:51:31,440
your to your uh

1206
00:51:38,150 --> 00:51:35,440
answer i feel that this

1207
00:51:38,790 --> 00:51:38,160
beginning of this five-year period is

1208
00:51:42,150 --> 00:51:38,800
started

1209
00:51:44,790 --> 00:51:42,160
for all of us and so depends on

1210
00:51:46,150 --> 00:51:44,800
which which you know because content is

1211
00:51:46,950 --> 00:51:46,160
not just gonna happen for the united

1212
00:51:48,470 --> 00:51:46,960
states

1213
00:51:50,390 --> 00:51:48,480

it's not just gonna happen for a section

1214

00:51:50,950 --> 00:51:50,400

of the united states it's a worldwide

1215

00:51:53,109 --> 00:51:50,960

event

1216

00:51:54,710 --> 00:51:53,119

so of course there's going to be more

1217

00:51:57,910 --> 00:51:54,720

and more sightings

1218

00:51:59,670 --> 00:51:57,920

all over the world and so by them being

1219

00:52:02,710 --> 00:51:59,680

there and having that presence

1220

00:52:04,309 --> 00:52:02,720

it's kind of like letting

1221

00:52:05,990 --> 00:52:04,319

letting the people in different areas

1222

00:52:07,589 --> 00:52:06,000

getting adjusted to that difference in

1223

00:52:08,870 --> 00:52:07,599

energy and i know it's such a silly

1224

00:52:11,829 --> 00:52:08,880

thing to talk about because

1225

00:52:12,870 --> 00:52:11,839

we always meet people and we never think

1226

00:52:16,309 --> 00:52:12,880

twice about

1227

00:52:18,390 --> 00:52:16,319

the different energy exchange the

1228

00:52:20,150 --> 00:52:18,400

one example that i know is sometimes

1229

00:52:22,710 --> 00:52:20,160

when people say when they're at a party

1230

00:52:24,950 --> 00:52:22,720

they can always notice uh who comes in

1231

00:52:27,109 --> 00:52:24,960

and livens the party up and who comes in

1232

00:52:29,510 --> 00:52:27,119

and kind of dampens the party down

1233

00:52:31,990 --> 00:52:29,520

and it's kind of uh that that's like a

1234

00:52:33,990 --> 00:52:32,000

very simplistic mild form of that energy

1235

00:52:35,589 --> 00:52:34,000

that i'm talking about when it comes to

1236

00:52:38,069 --> 00:52:35,599

these different

1237

00:52:40,309 --> 00:52:38,079

interdimensional beings that have a

1238

00:52:42,470 --> 00:52:40,319

physicality to them in their dimension

1239

00:52:44,230 --> 00:52:42,480

when they have to interact with us that

1240

00:52:47,270 --> 00:52:44,240

energy change

1241

00:52:49,750 --> 00:52:47,280

affects us greatly because

1242

00:52:51,670 --> 00:52:49,760

it's almost like our minds are designed

1243

00:52:54,870 --> 00:52:51,680

on a certain frequency to just

1244

00:52:57,589 --> 00:52:54,880

perceive this physical world well

1245

00:52:58,950 --> 00:52:57,599

when when we basically are in this

1246

00:53:01,349 --> 00:52:58,960

context it starts to

1247

00:53:02,549 --> 00:53:01,359

almost open up like a black or better

1248

00:53:05,990 --> 00:53:02,559

word like a sixth

1249

00:53:08,950 --> 00:53:06,000

sense about yourself it's almost like a

1250

00:53:09,510 --> 00:53:08,960

like a fish realizing that there's water

1251
00:53:11,030 --> 00:53:09,520
around you

1252
00:53:12,790 --> 00:53:11,040
before you took it for granted never

1253
00:53:14,309 --> 00:53:12,800
gave it even a second thought

1254
00:53:15,990 --> 00:53:14,319
but all of a sudden you notice you're

1255
00:53:16,950 --> 00:53:16,000
you're in water that there is such a

1256
00:53:18,870 --> 00:53:16,960
thing as water

1257
00:53:21,430 --> 00:53:18,880
and it's a similar thing that happens

1258
00:53:23,829 --> 00:53:21,440
with you with your consciousness is that

1259
00:53:24,549 --> 00:53:23,839
you starting to realize you we are part

1260
00:53:30,630 --> 00:53:24,559
of

1261
00:53:32,309 --> 00:53:30,640
and i know again this is such a new age

1262
00:53:35,670 --> 00:53:32,319
concept but i don't know how else

1263
00:53:38,630 --> 00:53:35,680

how else to put it it's i'm not

1264

00:53:39,109 --> 00:53:38,640

into too much of the mushy story but

1265

00:53:41,829 --> 00:53:39,119

it's

1266

00:53:43,190 --> 00:53:41,839

basically what what happens so during

1267

00:53:43,910 --> 00:53:43,200

this period i feel like we're in the

1268

00:53:46,309 --> 00:53:43,920

beginning

1269

00:53:47,030 --> 00:53:46,319

to where all these different ships being

1270

00:53:48,790 --> 00:53:47,040

all around

1271

00:53:50,630 --> 00:53:48,800

around the planet and these different

1272

00:53:53,750 --> 00:53:50,640

sightings is just kind of like

1273

00:53:54,309 --> 00:53:53,760

them approaching with their energy to

1274

00:53:57,910 --> 00:53:54,319

slowly

1275

00:53:59,670 --> 00:53:57,920

because what i was going through it was

1276

00:54:01,589 --> 00:53:59,680

very intense during that period

1277

00:54:03,349 --> 00:54:01,599

i cannot imagine the entire planet

1278

00:54:04,870 --> 00:54:03,359

losing a freaking mind

1279

00:54:06,470 --> 00:54:04,880

you know it would just create too much

1280

00:54:09,030 --> 00:54:06,480

chaos and so by

1281

00:54:10,630 --> 00:54:09,040

ev you know different areas around the

1282

00:54:11,670 --> 00:54:10,640

planet different people adjusting a

1283

00:54:13,750 --> 00:54:11,680

different time

1284

00:54:15,109 --> 00:54:13,760

that would be that five-year period

1285

00:54:18,870 --> 00:54:15,119

maybe from now until

1286

00:54:21,030 --> 00:54:18,880

2025 to finally adjust enough to it

1287

00:54:23,030 --> 00:54:21,040

to where now we can take the next step

1288

00:54:24,549 --> 00:54:23,040

but also during the five-year period

1289

00:54:26,630 --> 00:54:24,559

there's a lot of energy as you've

1290

00:54:28,630 --> 00:54:26,640

noticed that has to be resolved

1291

00:54:30,470 --> 00:54:28,640

uh contact doesn't just necessarily

1292

00:54:31,109 --> 00:54:30,480

means us meeting aliens or aliens

1293

00:54:33,589 --> 00:54:31,119

meeting us

1294

00:54:35,190 --> 00:54:33,599

it's what we got going on governmentally

1295

00:54:36,870 --> 00:54:35,200

what we have going on with

1296

00:54:39,349 --> 00:54:36,880

especially in the us with the different

1297

00:54:40,950 --> 00:54:39,359

factions now you know you have the left

1298

00:54:41,990 --> 00:54:40,960

and the right and trying to work out

1299

00:54:43,670 --> 00:54:42,000

politically

1300

00:54:45,270 --> 00:54:43,680

you know what what we feel like needs to

1301
00:54:47,910 --> 00:54:45,280
be worked out uh

1302
00:54:48,630 --> 00:54:47,920
to where it has split friends and family

1303
00:54:50,470 --> 00:54:48,640
and so

1304
00:54:52,549 --> 00:54:50,480
all of that needs to be worked out that

1305
00:54:55,270 --> 00:54:52,559
is a form of energy that needs

1306
00:54:57,750 --> 00:54:55,280
some kind of resolution and i hope that

1307
00:55:00,630 --> 00:54:57,760
it can still be worked out without

1308
00:55:02,150 --> 00:55:00,640
you know everything going just

1309
00:55:05,270 --> 00:55:02,160
absolutely nuts

1310
00:55:09,510 --> 00:55:05,280
but then after that period so from 20 to

1311
00:55:13,270 --> 00:55:09,520
20 20 20 uh from 2020 to 2025

1312
00:55:14,470 --> 00:55:13,280
that within then that period from 2025

1313
00:55:18,390 --> 00:55:14,480

to

1314

00:55:19,990 --> 00:55:18,400

20 35 we can finally have that contact

1315

00:55:22,309 --> 00:55:20,000

in a way that everyone wants

1316

00:55:23,990 --> 00:55:22,319

contact to happen because by that time

1317

00:55:24,710 --> 00:55:24,000

we would have adjusted to the energies

1318

00:55:27,109 --> 00:55:24,720

enough

1319

00:55:28,630 --> 00:55:27,119

to where now we can more easily with a

1320

00:55:30,630 --> 00:55:28,640

lot less fear perceive

1321

00:55:33,270 --> 00:55:30,640

lights in the sky and weird things

1322

00:55:35,829 --> 00:55:33,280

moving around and even to the point of

1323

00:55:36,950 --> 00:55:35,839

beings whereas in now a lot of that time

1324

00:55:39,589 --> 00:55:36,960

a lot of that has to

1325

00:55:40,870 --> 00:55:39,599

happen while we're asleep or while we're

1326

00:55:44,230 --> 00:55:40,880

not fully conscious

1327

00:55:46,150 --> 00:55:44,240

because being being

1328

00:55:48,549 --> 00:55:46,160

conscious and trying to adjust to that

1329

00:55:50,470 --> 00:55:48,559

energy when you see them

1330

00:55:52,549 --> 00:55:50,480

i mean it just it's i don't know how to

1331

00:55:55,589 --> 00:55:52,559

describe it some people would

1332

00:55:57,910 --> 00:55:55,599

um like i've read a long time ago i

1333

00:55:59,829 --> 00:55:57,920

forgot which book it is i'm hoping to go

1334

00:56:02,150 --> 00:55:59,839

back and find that passage

1335

00:56:03,829 --> 00:56:02,160

but this one one person was saying that

1336

00:56:05,270 --> 00:56:03,839

you know they were abducted at that time

1337

00:56:07,030 --> 00:56:05,280

and they were laying on the table

1338

00:56:09,270 --> 00:56:07,040

and they had the smaller grace working

1339

00:56:11,349 --> 00:56:09,280

on them doing different kind of things

1340

00:56:12,630 --> 00:56:11,359

while this person woke up and was aware

1341

00:56:15,030 --> 00:56:12,640

of them so it became

1342

00:56:16,390 --> 00:56:15,040

more difficult for them to to handle

1343

00:56:19,910 --> 00:56:16,400

them or work on them

1344

00:56:20,789 --> 00:56:19,920

well then they called in the tall white

1345

00:56:24,069 --> 00:56:20,799

grace

1346

00:56:27,030 --> 00:56:24,079

and this person said they felt

1347

00:56:27,670 --> 00:56:27,040

their energy from over you know across

1348

00:56:29,270 --> 00:56:27,680

there was

1349

00:56:31,510 --> 00:56:29,280

this room that they were in outside of

1350

00:56:34,150 --> 00:56:31,520

that room and at that time this

1351
00:56:35,510 --> 00:56:34,160
person said the closer they got to them

1352
00:56:37,430 --> 00:56:35,520
they just passed out

1353
00:56:39,109 --> 00:56:37,440
and they said they perceived that

1354
00:56:42,829 --> 00:56:39,119
somehow as this is

1355
00:56:45,430 --> 00:56:42,839
somehow a some kind of defense mechanism

1356
00:56:47,589 --> 00:56:45,440
well i can understand how you would

1357
00:56:50,470 --> 00:56:47,599
think that but in my experience

1358
00:56:51,829 --> 00:56:50,480
that is actually the physical effect

1359
00:56:55,109 --> 00:56:51,839
their presence has

1360
00:56:55,990 --> 00:56:55,119
on us so the closer they get to us it's

1361
00:56:58,950 --> 00:56:56,000
it's almost like

1362
00:57:00,470 --> 00:56:58,960
the physical con the consciousness can't

1363
00:57:01,430 --> 00:57:00,480

take it so you almost have to be in

1364

00:57:03,910 --> 00:57:01,440

sleep mode

1365

00:57:04,710 --> 00:57:03,920

in order to then interact with them

1366

00:57:06,789 --> 00:57:04,720

because

1367

00:57:08,069 --> 00:57:06,799

our cells and our level of in the

1368

00:57:10,069 --> 00:57:08,079

dimension that we are

1369

00:57:12,069 --> 00:57:10,079

have to adjust to that vibration it's

1370

00:57:14,549 --> 00:57:12,079

almost like holding on to electricity

1371

00:57:15,430 --> 00:57:14,559

and that's it's too great you know while

1372

00:57:18,710 --> 00:57:15,440

you're conscious

1373

00:57:21,270 --> 00:57:18,720

so that's why a lot of times it's

1374

00:57:23,190 --> 00:57:21,280

initial contact and if you are in those

1375

00:57:25,109 --> 00:57:23,200

stages it happens while you sleep and it

1376

00:57:27,190 --> 00:57:25,119

you know you keep seeing ufos weird

1377

00:57:27,910 --> 00:57:27,200

things the next thing you know you know

1378

00:57:29,829 --> 00:57:27,920

you're gonna

1379

00:57:30,950 --> 00:57:29,839

start you know seeing different lights

1380

00:57:33,030 --> 00:57:30,960

here now and then

1381

00:57:35,510 --> 00:57:33,040

and so on and it progresses slowly for

1382

00:57:36,230 --> 00:57:35,520

you so anyway i'm sorry it's a long way

1383

00:57:39,030 --> 00:57:36,240

to get to

1384

00:57:40,069 --> 00:57:39,040

answer your question but that that's

1385

00:57:45,829 --> 00:57:40,079

what

1386

00:57:57,670 --> 00:57:45,839

all these different ships being on ufos

1387

00:58:03,829 --> 00:58:01,589

okay this is from tana khalid

1388

00:58:08,789 --> 00:58:03,839

says what what happened the last time

1389

00:58:11,990 --> 00:58:08,799

you had contact

1390

00:58:13,750 --> 00:58:12,000

well the last time i had contact was

1391

00:58:16,950 --> 00:58:13,760

basically

1392

00:58:20,150 --> 00:58:16,960

a many many years

1393

00:58:21,030 --> 00:58:20,160

conclusion of a lot of work of just

1394

00:58:23,910 --> 00:58:21,040

doing the silly

1395

00:58:24,630 --> 00:58:23,920

meditation and just sitting there trying

1396

00:58:27,829 --> 00:58:24,640

to

1397

00:58:30,789 --> 00:58:27,839

anything

1398

00:58:31,670 --> 00:58:30,799

that i feel fearful to just kind of work

1399

00:58:35,270 --> 00:58:31,680

through it

1400

00:58:36,309 --> 00:58:35,280

and so after i don't know how long is

1401

00:58:39,910 --> 00:58:36,319

you know this was

1402

00:58:44,470 --> 00:58:39,920

i mean after at least

1403

00:58:47,829 --> 00:58:44,480

months seemingly you know um and

1404

00:58:50,390 --> 00:58:47,839

i had basically a

1405

00:58:50,950 --> 00:58:50,400

i guess you can call it a graduation it

1406

00:58:53,430 --> 00:58:50,960

was

1407

00:58:54,950 --> 00:58:53,440

okay i've been working on understanding

1408

00:58:57,270 --> 00:58:54,960

what's been happening

1409

00:58:59,349 --> 00:58:57,280

with these differences in energy and so

1410

00:58:59,910 --> 00:58:59,359

i thought i adjusted enough to where i

1411

00:59:02,150 --> 00:58:59,920

can

1412

00:59:03,589 --> 00:59:02,160

okay let's let's make contact i have no

1413

00:59:05,510 --> 00:59:03,599

idea when it happens

1414

00:59:06,630 --> 00:59:05,520

and don't get me wrong i have no control

1415

00:59:08,950 --> 00:59:06,640

when it happens

1416

00:59:10,390 --> 00:59:08,960

it's not i don't mean control s and like

1417

00:59:11,270 --> 00:59:10,400

me sitting here going like okay now

1418

00:59:14,390 --> 00:59:11,280

please

1419

00:59:15,190 --> 00:59:14,400

you know it's it there's a lot to

1420

00:59:17,430 --> 00:59:15,200

consider

1421

00:59:19,030 --> 00:59:17,440

when they when they come in and see you

1422

00:59:21,430 --> 00:59:19,040

and so my higher self

1423

00:59:22,789 --> 00:59:21,440

knows exactly when that is even though

1424

00:59:24,390 --> 00:59:22,799

i'm not fully aware

1425

00:59:26,549 --> 00:59:24,400

i just know that when things are

1426
00:59:28,470 --> 00:59:26,559
happening to just calm the hell down

1427
00:59:30,710 --> 00:59:28,480
and just kind of flow with it and see

1428
00:59:33,030 --> 00:59:30,720
how far it can go

1429
00:59:34,309 --> 00:59:33,040
well the very last time was basically me

1430
00:59:37,190 --> 00:59:34,319
coming home from

1431
00:59:38,549 --> 00:59:37,200
from um there was this uh san luis

1432
00:59:41,270 --> 00:59:38,559
costi's meeting

1433
00:59:42,150 --> 00:59:41,280
and it was pretty late around 11 o'clock

1434
00:59:44,630 --> 00:59:42,160
and i was

1435
00:59:46,950 --> 00:59:44,640
we had about two foot snow or so and i

1436
00:59:49,190 --> 00:59:46,960
parked the car on top of the hill

1437
00:59:50,230 --> 00:59:49,200
so i put on my boots to walk down

1438
00:59:51,430 --> 00:59:50,240

towards my house

1439

00:59:53,589 --> 00:59:51,440

because i didn't want to get the car

1440

00:59:54,950 --> 00:59:53,599

stuck going going down and trying to

1441

00:59:57,030 --> 00:59:54,960

come back up

1442

00:59:58,870 --> 00:59:57,040

but as i was the second i got out the

1443

01:00:00,110 --> 00:59:58,880

car i heard this humming noise it was

1444

01:00:01,829 --> 01:00:00,120

just like like

1445

01:00:04,710 --> 01:00:01,839

[Music]

1446

01:00:06,470 --> 01:00:04,720

well initially from the very distance it

1447

01:00:10,069 --> 01:00:06,480

i just saw one red

1448

01:00:11,430 --> 01:00:10,079

orb like light coming

1449

01:00:13,589 --> 01:00:11,440

towards me and it sounded like a

1450

01:00:15,030 --> 01:00:13,599

helicopter so i was like oh that's

1451

01:00:17,349 --> 01:00:15,040

pretty cool it was a

1452

01:00:18,950 --> 01:00:17,359

full moon out it was awesome you know

1453

01:00:21,030 --> 01:00:18,960

just i didn't need any flashlight i

1454

01:00:22,789 --> 01:00:21,040

could see everything very clearly

1455

01:00:24,230 --> 01:00:22,799

and so it was approaching more and more

1456

01:00:25,990 --> 01:00:24,240

so i thought well i'm going to

1457

01:00:27,910 --> 01:00:26,000

wait here and stand and then to see it

1458

01:00:29,589 --> 01:00:27,920

it would be pretty cool for it flying by

1459

01:00:31,349 --> 01:00:29,599

the house because it was so low to the

1460

01:00:34,549 --> 01:00:31,359

to the treetops

1461

01:00:37,030 --> 01:00:34,559

and so as i was excuse me as i was

1462

01:00:37,829 --> 01:00:37,040

uh standing there i just had you know i

1463

01:00:41,510 --> 01:00:37,839

had to pee

1464

01:00:43,349 --> 01:00:41,520

so i went by this tree and

1465

01:00:44,549 --> 01:00:43,359

i was done i came back and was still

1466

01:00:46,069 --> 01:00:44,559

coming towards me

1467

01:00:47,750 --> 01:00:46,079

and i just had this thought like what if

1468

01:00:50,549 --> 01:00:47,760

this was some kind of government

1469

01:00:52,069 --> 01:00:50,559

helicopter and it's you know and i'm not

1470

01:00:53,349 --> 01:00:52,079

supposed to be seeing it here i am

1471

01:00:56,309 --> 01:00:53,359

standing there they should

1472

01:00:58,069 --> 01:00:56,319

they should see me and so for a second i

1473

01:00:58,549 --> 01:00:58,079

thought about to hide or something but

1474

01:01:01,829 --> 01:00:58,559

then

1475

01:01:03,670 --> 01:01:01,839

i said no this is my land i'm on my land

1476

01:01:05,270 --> 01:01:03,680

you know why should i be hiding if they

1477

01:01:07,589 --> 01:01:05,280

you know had something secret and don't

1478

01:01:09,829 --> 01:01:07,599

fly over my land you know

1479

01:01:10,630 --> 01:01:09,839

it was sort of my my attitude and so i

1480

01:01:14,309 --> 01:01:10,640

just stood there

1481

01:01:16,470 --> 01:01:14,319

to watch this uh orb just approach and

1482

01:01:18,150 --> 01:01:16,480

it was clear out you could see

1483

01:01:20,150 --> 01:01:18,160

you know if there was anything else

1484

01:01:21,990 --> 01:01:20,160

around it and

1485

01:01:23,589 --> 01:01:22,000

basically it wasn't that full pitch

1486

01:01:23,990 --> 01:01:23,599

black i could you know see very well

1487

01:01:27,030 --> 01:01:24,000

what was

1488

01:01:29,910 --> 01:01:27,040

going on even though it was night well

1489

01:01:31,510 --> 01:01:29,920

right over the house another orb just

1490

01:01:35,510 --> 01:01:31,520

appeared out of nowhere

1491

01:01:37,430 --> 01:01:35,520

and that's when i froze and so basically

1492

01:01:39,990 --> 01:01:37,440

i realized this is not an affine

1493

01:01:41,750 --> 01:01:40,000

helicopter but at that time i

1494

01:01:43,829 --> 01:01:41,760

realized what was happening it was like

1495

01:01:47,109 --> 01:01:43,839

the initiation of the contact

1496

01:01:49,190 --> 01:01:47,119

and so i the earth around me was kind of

1497

01:01:52,470 --> 01:01:49,200

almost became fluid you know it was just

1498

01:01:54,870 --> 01:01:52,480

kind of weird like it's almost

1499

01:01:55,910 --> 01:01:54,880

the the reality that i thought was solid

1500

01:01:58,789 --> 01:01:55,920

almost became

1501

01:01:59,910 --> 01:01:58,799

malleable and so i realized what was

1502

01:02:01,589 --> 01:01:59,920

happening i tried to

1503

01:02:03,829 --> 01:02:01,599

just kind of calm myself down but when

1504

01:02:05,670 --> 01:02:03,839

your body is in full freakout mode

1505

01:02:07,829 --> 01:02:05,680

it's really hard to tell yourself calm

1506

01:02:09,430 --> 01:02:07,839

down it's almost like

1507

01:02:10,950 --> 01:02:09,440

like you're let's say you're deathly

1508

01:02:11,589 --> 01:02:10,960

afraid of snakes and you're holding a

1509

01:02:13,750 --> 01:02:11,599

snake

1510

01:02:15,510 --> 01:02:13,760

good luck telling yourself to calm down

1511

01:02:18,230 --> 01:02:15,520

you know and so

1512

01:02:19,990 --> 01:02:18,240

uh but i tried i tried my best and

1513

01:02:23,029 --> 01:02:20,000

basically there's these two orbs

1514

01:02:24,630 --> 01:02:23,039

were flying together um in the same

1515

01:02:25,270 --> 01:02:24,640

direction now and then they quickly

1516

01:02:27,750 --> 01:02:25,280

turned

1517

01:02:28,549 --> 01:02:27,760

towards me and the more they got towards

1518

01:02:31,029 --> 01:02:28,559

me i i

1519

01:02:32,309 --> 01:02:31,039

could almost sense myself losing more

1520

01:02:34,069 --> 01:02:32,319

and more consciousness

1521

01:02:35,510 --> 01:02:34,079

but i wanted to stay conscious

1522

01:02:36,470 --> 01:02:35,520

throughout this whole thing to see what

1523

01:02:39,029 --> 01:02:36,480

happens

1524

01:02:40,309 --> 01:02:39,039

and it just it almost became too much

1525

01:02:42,549 --> 01:02:40,319

where i couldn't take it

1526

01:02:44,549 --> 01:02:42,559

where that light was even though i

1527

01:02:48,390 --> 01:02:44,559

closed my eyes at one point i could see

1528

01:02:50,470 --> 01:02:48,400

that that red glow um through my eyelids

1529

01:02:52,069 --> 01:02:50,480

and and i said no i want to be present

1530

01:02:53,829 --> 01:02:52,079

for this and i opened my eyes

1531

01:02:56,150 --> 01:02:53,839

and then those same tool i just went

1532

01:02:57,910 --> 01:02:56,160

like this and went off

1533

01:02:59,349 --> 01:02:57,920

and so the second they disappeared and

1534

01:03:01,430 --> 01:02:59,359

there was more distance everything

1535

01:03:02,710 --> 01:03:01,440

subsided everything was fine things were

1536

01:03:06,309 --> 01:03:02,720

solid around me again

1537

01:03:07,589 --> 01:03:06,319

and i was like whoo i'm glad you know

1538

01:03:09,430 --> 01:03:07,599

you know nothing happened and then

1539

01:03:10,150 --> 01:03:09,440

almost immediately i became angry with

1540

01:03:12,150 --> 01:03:10,160

myself

1541

01:03:13,349 --> 01:03:12,160

because i said i want to contact and

1542

01:03:15,430 --> 01:03:13,359

here's

1543

01:03:16,470 --> 01:03:15,440

my chance and look what happened and

1544

01:03:18,549 --> 01:03:16,480

sure enough you know

1545

01:03:20,549 --> 01:03:18,559

that night i went to bed i was still

1546

01:03:23,029 --> 01:03:20,559

kind of kicking my own butt about

1547

01:03:24,470 --> 01:03:23,039

why i reacted in the way i did and in

1548

01:03:26,630 --> 01:03:24,480

that at that time

1549

01:03:28,309 --> 01:03:26,640

i had learned like a lot of times

1550

01:03:30,309 --> 01:03:28,319

there's these vibrations that happened

1551

01:03:31,670 --> 01:03:30,319

in the back of her head and sometimes in

1552

01:03:34,309 --> 01:03:31,680

the front to worm

1553

01:03:36,069 --> 01:03:34,319

their vibrations but then a few seconds

1554

01:03:38,390 --> 01:03:36,079

later i translate them into

1555

01:03:39,190 --> 01:03:38,400

like a sentence or thought and all i got

1556

01:03:41,750 --> 01:03:39,200

at that time

1557

01:03:44,309 --> 01:03:41,760

right before i fell asleep he said see

1558

01:03:46,150 --> 01:03:44,319

we tried and look what happened

1559

01:03:48,230 --> 01:03:46,160

and so i just acknowledged that i

1560

01:03:51,750 --> 01:03:48,240

understand and so that was my

1561

01:03:52,549 --> 01:03:51,760

very last time that i had content that i

1562

01:03:55,589 --> 01:03:52,559

could

1563

01:03:57,349 --> 01:03:55,599

in that intense way the rest of time

1564

01:03:58,710 --> 01:03:57,359

especially now since moved in art to

1565

01:04:00,950 --> 01:03:58,720

arkansas i would just

1566

01:04:02,309 --> 01:04:00,960

you know see an orb flying around and it

1567

01:04:03,430 --> 01:04:02,319

would just start moving and then

1568

01:04:06,549 --> 01:04:03,440

disappear

1569

01:04:11,750 --> 01:04:06,559

or excuse me and i would just see

1570

01:04:13,750 --> 01:04:11,760

you know all these just odd things that

1571

01:04:15,589 --> 01:04:13,760

you know that basically makes no makes

1572

01:04:18,470 --> 01:04:15,599

no sense for example uh

1573

01:04:19,190 --> 01:04:18,480

you know i i would wake up at 3 a.m and

1574

01:04:22,390 --> 01:04:19,200

it would be

1575

01:04:24,309 --> 01:04:22,400

dark and pitch black and we have um

1576

01:04:26,309 --> 01:04:24,319

we have this lamp where we basically

1577

01:04:29,109 --> 01:04:26,319

it's on the dimmer and we have to

1578

01:04:30,870 --> 01:04:29,119

turn it on for the lights to come on

1579

01:04:32,309 --> 01:04:30,880

well the three-year-old always gets into

1580

01:04:33,109 --> 01:04:32,319

everything so we keep it behind the

1581

01:04:35,109 --> 01:04:33,119

table

1582

01:04:37,510 --> 01:04:35,119

and so he can't get to it to turn it on

1583

01:04:39,750 --> 01:04:37,520

and so it's always switched off

1584

01:04:41,510 --> 01:04:39,760

well i went to the bathroom i came back

1585

01:04:44,069 --> 01:04:41,520

out the lights were fully on

1586

01:04:45,589 --> 01:04:44,079

and i was like oh i was about to turn to

1587

01:04:46,309 --> 01:04:45,599

my wife to say why did you turn the

1588

01:04:49,589 --> 01:04:46,319

lights on

1589

01:04:52,069 --> 01:04:49,599

and she's you know um

1590

01:04:52,630 --> 01:04:52,079

sleeping and so is our three-year-old

1591

01:04:56,549 --> 01:04:52,640

and

1592

01:04:59,430 --> 01:04:56,559

she was just you know just fast asleep

1593

01:05:01,109 --> 01:04:59,440

and so i i for a second thought she

1594

01:05:02,069 --> 01:05:01,119

didn't hear me so i said it again which

1595

01:05:04,870 --> 01:05:02,079

woke her up

1596

01:05:06,630 --> 01:05:04,880

and then i realized that she didn't turn

1597

01:05:07,910 --> 01:05:06,640

the light on so i asked her i said why'd

1598

01:05:09,750 --> 01:05:07,920

you turn the light on she's like what

1599

01:05:10,470 --> 01:05:09,760

what i'm sleeping how can i turn the

1600

01:05:13,510 --> 01:05:10,480

light on

1601
01:05:16,069 --> 01:05:13,520
and we checked and that that um

1602
01:05:18,309 --> 01:05:16,079
dimmer was switched on all the way and

1603
01:05:21,670 --> 01:05:18,319
so

1604
01:05:24,870 --> 01:05:21,680
if it's if it was an electrical thing

1605
01:05:27,109 --> 01:05:24,880
why was the switcher all the way on and

1606
01:05:28,150 --> 01:05:27,119
if that's the case then who turned it on

1607
01:05:30,150 --> 01:05:28,160
at that time

1608
01:05:32,150 --> 01:05:30,160
so things like that would always happen

1609
01:05:32,710 --> 01:05:32,160
around there's dozens of other stories

1610
01:05:34,150 --> 01:05:32,720
that i

1611
01:05:40,390 --> 01:05:34,160
you know just don't want to really get

1612
01:05:46,390 --> 01:05:43,990
okay we have jorge i

1613
01:05:47,829 --> 01:05:46,400

think this is a great idea for your

1614

01:05:50,309 --> 01:05:47,839

channel

1615

01:05:51,589 --> 01:05:50,319

what's been your most impactful

1616

01:05:53,990 --> 01:05:51,599

memorable interview

1617

01:05:55,510 --> 01:05:54,000

i believe i covered that already i

1618

01:05:56,710 --> 01:05:55,520

always loved talking to everybody they'd

1619

01:06:00,470 --> 01:05:56,720

always been

1620

01:06:01,589 --> 01:06:00,480

um very very friendly and i'm very i was

1621

01:06:06,549 --> 01:06:01,599

very grateful

1622

01:06:10,870 --> 01:06:08,470

one of the third interviews i've ever

1623

01:06:13,109 --> 01:06:10,880

done was with georgia nori

1624

01:06:14,789 --> 01:06:13,119

and this was one of those things where i

1625

01:06:17,829 --> 01:06:14,799

reached out to the main

1626

01:06:19,510 --> 01:06:17,839

uh coast to coast am website and of

1627

01:06:20,870 --> 01:06:19,520

course they probably get thousands of

1628

01:06:23,109 --> 01:06:20,880

emails and so i just

1629

01:06:24,470 --> 01:06:23,119

had the only contact i had was to write

1630

01:06:26,309 --> 01:06:24,480

something there and say

1631

01:06:27,510 --> 01:06:26,319

i'm so and so i started this channel i

1632

01:06:29,270 --> 01:06:27,520

would like to

1633

01:06:31,270 --> 01:06:29,280

interview george if possible because he

1634

01:06:32,630 --> 01:06:31,280

lives in san luis i lived in san luis at

1635

01:06:34,789 --> 01:06:32,640

that time so

1636

01:06:36,870 --> 01:06:34,799

it would just be possible well i had

1637

01:06:39,430 --> 01:06:36,880

forgotten about this about two days

1638

01:06:40,470 --> 01:06:39,440

go by and this guy gal writes me an

1639

01:06:42,309 --> 01:06:40,480

email says

1640

01:06:43,990 --> 01:06:42,319

uh yes george will be available this day

1641

01:06:47,029 --> 01:06:44,000

at this time um

1642

01:06:49,430 --> 01:06:47,039

you know uh see you there i was like uh

1643

01:06:51,589 --> 01:06:49,440

what you know it was almost i was like

1644

01:06:53,990 --> 01:06:51,599

oh shoot what did i do now

1645

01:06:55,910 --> 01:06:54,000

because i mean all i had uh interviewed

1646

01:06:57,029 --> 01:06:55,920

my my great friend who just recently

1647

01:07:00,470 --> 01:06:57,039

passed away

1648

01:07:02,390 --> 01:07:00,480

um joe palermo he let me use his camera

1649

01:07:03,109 --> 01:07:02,400

interviewing him about his research and

1650

01:07:05,430 --> 01:07:03,119

he's been a

1651
01:07:06,950 --> 01:07:05,440
mufon researcher for a very long time

1652
01:07:08,950 --> 01:07:06,960
and so i basically

1653
01:07:11,109 --> 01:07:08,960
uh that was my very first interview

1654
01:07:13,109 --> 01:07:11,119
talking to him using his camera because

1655
01:07:13,990 --> 01:07:13,119
i had no equipment and then over time i

1656
01:07:16,150 --> 01:07:14,000
slowly you know

1657
01:07:17,349 --> 01:07:16,160
uh bought what i needed and then my

1658
01:07:19,589 --> 01:07:17,359
second interview was

1659
01:07:21,670 --> 01:07:19,599
you know also a friend of mine um

1660
01:07:23,190 --> 01:07:21,680
rayquaza london you guys might have uh

1661
01:07:25,349 --> 01:07:23,200
seen the interview as well

1662
01:07:26,950 --> 01:07:25,359
and so to have george as that third

1663
01:07:29,510 --> 01:07:26,960

interview it was just like

1664

01:07:31,750 --> 01:07:29,520

what did i just step into well anyway so

1665

01:07:34,390 --> 01:07:31,760

we had the interview it was great but

1666

01:07:34,950 --> 01:07:34,400

what what i really this is something i

1667

01:07:38,069 --> 01:07:34,960

guess

1668

01:07:39,990 --> 01:07:38,079

it's not often talked about

1669

01:07:41,990 --> 01:07:40,000

george's you know for most people that

1670

01:07:45,029 --> 01:07:42,000

are into in this field is very well

1671

01:07:46,950 --> 01:07:45,039

it's a very well known person for me to

1672

01:07:48,710 --> 01:07:46,960

interview him there was absolutely no

1673

01:07:50,710 --> 01:07:48,720

benefit to him whatsoever

1674

01:07:52,150 --> 01:07:50,720

and what really blew me away even

1675

01:07:55,190 --> 01:07:52,160

afterwards

1676

01:07:58,870 --> 01:07:55,200

he emailed me from his personal email

1677

01:08:01,109 --> 01:07:58,880

you know um basically uh saying

1678

01:08:04,069 --> 01:08:01,119

uh hey thanks for the interview that was

1679

01:08:05,510 --> 01:08:04,079

great and i was like oh wonderful so i

1680

01:08:06,870 --> 01:08:05,520

basically sent them the interview

1681

01:08:08,630 --> 01:08:06,880

because what i do every time i do an

1682

01:08:09,190 --> 01:08:08,640

interview i always send it to a speaker

1683

01:08:12,230 --> 01:08:09,200

first

1684

01:08:14,230 --> 01:08:12,240

let them watch him all

1685

01:08:15,990 --> 01:08:14,240

and then if there's any changes get back

1686

01:08:16,709 --> 01:08:16,000

to me let me know and i'll post it

1687

01:08:19,749 --> 01:08:16,719

because

1688

01:08:20,789 --> 01:08:19,759

i want to work with them to get their

1689

01:08:23,669 --> 01:08:20,799

message their

1690

01:08:24,390 --> 01:08:23,679

original message up online and the way

1691

01:08:26,390 --> 01:08:24,400

they want it

1692

01:08:28,470 --> 01:08:26,400

instead of me just taking it twisting it

1693

01:08:29,030 --> 01:08:28,480

around and just making it sound cool

1694

01:08:31,510 --> 01:08:29,040

it's like

1695

01:08:33,590 --> 01:08:31,520

this is your work please present it is

1696

01:08:37,349 --> 01:08:33,600

the most accurate way possible

1697

01:08:38,390 --> 01:08:37,359

anyway so um with no benefit to him

1698

01:08:41,669 --> 01:08:38,400

whatsoever

1699

01:08:43,590 --> 01:08:41,679

basically you know he offered me that

1700

01:08:44,709 --> 01:08:43,600

that way by it's like why would you send

1701

01:08:46,870 --> 01:08:44,719

me your address

1702

01:08:48,709 --> 01:08:46,880

and not only that i wanted to i was

1703

01:08:51,910 --> 01:08:48,719

going to california to interview

1704

01:08:52,550 --> 01:08:51,920

uh daryl enka that channels bashar and

1705

01:08:55,910 --> 01:08:52,560

so

1706

01:08:59,030 --> 01:08:55,920

wanted to

1707

01:09:00,470 --> 01:08:59,040

interview tom delong and so there was no

1708

01:09:02,149 --> 01:09:00,480

way i could get a hold of him he's got

1709

01:09:03,430 --> 01:09:02,159

layers and layers of handlers i mean

1710

01:09:05,510 --> 01:09:03,440

there's no way i could

1711

01:09:06,950 --> 01:09:05,520

possibly get through there so i just

1712

01:09:08,789 --> 01:09:06,960

contacted george i said

1713

01:09:10,630 --> 01:09:08,799

i'm sorry to interrupt if it's in any

1714

01:09:11,269 --> 01:09:10,640

way possible could you please put me in

1715

01:09:13,990 --> 01:09:11,279

touch

1716

01:09:14,950 --> 01:09:14,000

with him or ask if i if he wants to be

1717

01:09:17,990 --> 01:09:14,960

interviewed

1718

01:09:19,189 --> 01:09:18,000

and not half a day later he says my

1719

01:09:20,630 --> 01:09:19,199

secretary will ask and

1720

01:09:22,630 --> 01:09:20,640

she'll she'll let you know and sure

1721

01:09:23,669 --> 01:09:22,640

enough she she says we'll forward this

1722

01:09:26,390 --> 01:09:23,679

to tom

1723

01:09:28,149 --> 01:09:26,400

tom answered and declined you know and i

1724

01:09:29,030 --> 01:09:28,159

didn't get to do the interview but the

1725

01:09:31,269 --> 01:09:29,040

point is

1726

01:09:33,510 --> 01:09:31,279

he helped you know he helped in this way

1727

01:09:35,669 --> 01:09:33,520

when he absolutely had no reason to

1728

01:09:36,709 --> 01:09:35,679

and then many other times where i just

1729

01:09:38,950 --> 01:09:36,719

reached out to him

1730

01:09:39,990 --> 01:09:38,960

and you know he was just there and i

1731

01:09:43,110 --> 01:09:40,000

really appreciate it

1732

01:09:45,590 --> 01:09:43,120

appreciated that because you know

1733

01:09:46,870 --> 01:09:45,600

a lot of times online there's all kinds

1734

01:09:49,349 --> 01:09:46,880

of stories going around

1735

01:09:50,229 --> 01:09:49,359

i can't speak for everything but i just

1736

01:09:52,149 --> 01:09:50,239

know that

1737

01:09:54,950 --> 01:09:52,159

when at a time when george had no

1738

01:09:57,910 --> 01:09:54,960

benefit whatsoever to help me out he did

1739

01:10:00,070 --> 01:09:57,920

and he still does and so you know it it

1740

01:10:00,630 --> 01:10:00,080

means a lot to me and i appreciated that

1741

01:10:02,709 --> 01:10:00,640

that

1742

01:10:04,630 --> 01:10:02,719

for some reason you know whatever reason

1743

01:10:06,709 --> 01:10:04,640

it was he saw something in me that i

1744

01:10:08,709 --> 01:10:06,719

guess even i didn't see at that time

1745

01:10:10,630 --> 01:10:08,719

for him to want to be forthcoming and

1746

01:10:13,430 --> 01:10:10,640

help in whatever way he can

1747

01:10:15,350 --> 01:10:13,440

so there's another story of one of the

1748

01:10:29,510 --> 01:10:15,360

many great speakers and people that i've

1749

01:10:29,520 --> 01:10:35,110

okay

1750

01:10:41,669 --> 01:10:38,950

um and angela hudson john

1751

01:10:45,830 --> 01:10:41,679

uh greenwald jr yes it's black vault

1752

01:10:59,170 --> 01:10:45,840

thank you for that i appreciate it

1753

01:11:10,120 --> 01:10:59,180

okay let me find where i was here last

1754

01:11:10,130 --> 01:11:14,950

[Music]

1755

01:11:19,510 --> 01:11:17,750

sorry says uh good live stream thinking

1756

01:11:21,669 --> 01:11:19,520

about attending your

1757

01:11:22,790 --> 01:11:21,679

uh virtual conference thank you it's

1758

01:11:25,430 --> 01:11:22,800

it's uh

1759

01:11:26,310 --> 01:11:25,440

ozarks virtual conference i had a great

1760

01:11:28,149 --> 01:11:26,320

deal

1761

01:11:29,750 --> 01:11:28,159

to do there but i'm just an employee

1762

01:11:39,510 --> 01:11:29,760

there but still thank you for that

1763

01:11:43,430 --> 01:11:41,350

bailey stoner i'm sorry not sure what

1764

01:11:48,630 --> 01:11:43,440

this means says wow it's

1765

01:11:54,070 --> 01:11:48,640

jason oh jason born with us in the flesh

1766

01:11:59,590 --> 01:11:54,080

not exactly sure what you get i'm sorry

1767

01:12:03,669 --> 01:12:01,830

i'm sorry i'm just getting these small

1768

01:12:06,870 --> 01:12:03,679

burps from the water i'm kind of

1769

01:12:08,149 --> 01:12:06,880

talking a lot and just um keep keep

1770

01:12:11,750 --> 01:12:08,159

happening i'm sorry if you're picking

1771

01:12:15,030 --> 01:12:14,390

uh style brother we're all part of the

1772

01:12:19,110 --> 01:12:15,040

one

1773

01:12:21,270 --> 01:12:19,120

but some experience experience

1774

01:12:26,709 --> 01:12:21,280

power poverty while others are

1775

01:12:45,510 --> 01:12:29,990

taking or sharing

1776

01:12:51,590 --> 01:12:48,149

uh naturally nathan thank you appreciate

1777

01:12:54,149 --> 01:12:51,600

your time

1778

01:12:54,630 --> 01:12:54,159

uh crypto mojito thank you very much

1779

01:12:57,430 --> 01:12:54,640

again

1780

01:13:05,990 --> 01:12:57,440

for a second uh super chat thank you i

1781

01:13:11,750 --> 01:13:09,030

jorge oh wow george nori that's awesome

1782

01:13:16,830 --> 01:13:11,760

you can always tell george is kind of

1783

01:13:21,590 --> 01:13:18,390

yep

1784

01:13:23,910 --> 01:13:21,600

um trevor owens that was cool

1785

01:13:25,830 --> 01:13:23,920

george was obviously one of the real

1786

01:13:29,350 --> 01:13:25,840

people

1787

01:13:37,270 --> 01:13:29,360

i'm sure about i'm not sure about him oh

1788

01:13:40,470 --> 01:13:39,590

tana says thank you we also appreciate

1789

01:13:45,270 --> 01:13:40,480

you thank you

1790

01:13:50,550 --> 01:13:48,790

stefan king the long not sure about him

1791

01:13:51,990 --> 01:13:50,560

yeah i never got to talk to him so i

1792

01:13:55,590 --> 01:13:52,000

can't um

1793

01:13:57,990 --> 01:13:55,600

i can't say anything about him really

1794

01:14:05,250 --> 01:13:58,000

i mean other than what he's um uh doing

1795

01:14:11,030 --> 01:14:07,030

[Laughter]

1796

01:14:13,669 --> 01:14:11,040

omega point singularity says wtf this

1797

01:14:20,390 --> 01:14:13,679

is live i love you man thank you love

1798

01:14:25,750 --> 01:14:22,870

hazel blair also pleased to see you

1799

01:14:29,510 --> 01:14:27,990

yeah i'm a slow reader as you can tell

1800

01:14:31,030 --> 01:14:29,520

i'm usually kind of reading ahead of

1801

01:14:33,189 --> 01:14:31,040

time before i blur it out

1802

01:14:34,390 --> 01:14:33,199

because i don't want it to be something

1803

01:14:36,310 --> 01:14:34,400

inappropriate and then

1804

01:14:43,270 --> 01:14:36,320

youtube going oh we're gonna have to

1805

01:14:46,149 --> 01:14:43,280

take you down

1806

01:14:49,030 --> 01:14:46,159

says mark reeves alien arrival is

1807

01:14:58,870 --> 01:14:52,470

to ought does not address the

1808

01:15:04,950 --> 01:15:02,550

even if even if aliens show up they only

1809

01:15:06,470 --> 01:15:04,960

bring advanced matter manipulation the

1810

01:15:09,750 --> 01:15:06,480

spirit is

1811

01:15:13,189 --> 01:15:09,760

simple for all living beings

1812

01:15:13,750 --> 01:15:13,199

right yeah it's it is it is really

1813

01:15:18,149 --> 01:15:13,760

strange

1814

01:15:21,350 --> 01:15:18,159

because i never thought that i would be

1815

01:15:24,390 --> 01:15:21,360

that would be doing this and go this far

1816

01:15:25,990 --> 01:15:24,400

with it and it's it's one of those

1817

01:15:27,430 --> 01:15:26,000

things where i notice people always so

1818

01:15:31,430 --> 01:15:27,440

afraid to talk about it

1819

01:15:34,149 --> 01:15:31,440

and it's all it's always kind of um

1820

01:15:35,590 --> 01:15:34,159

i don't know it's just not looked at um

1821

01:15:38,070 --> 01:15:35,600

in the same way that

1822

01:15:39,990 --> 01:15:38,080

because in this field you always have

1823

01:15:41,669 --> 01:15:40,000

scientists and then you have these

1824

01:15:43,189 --> 01:15:41,679

uh new age people and they always

1825

01:15:44,790 --> 01:15:43,199

constantly button heads

1826

01:15:46,870 --> 01:15:44,800

and i've noticed that a lot during the

1827

01:15:52,470 --> 01:15:46,880

meetings in san luis

1828

01:15:54,709 --> 01:15:52,480

it's they they're always trying to

1829

01:15:55,750 --> 01:15:54,719

demean the other in order to validate

1830

01:15:57,590 --> 01:15:55,760

their point

1831

01:15:59,189 --> 01:15:57,600

where i always looked at it said they

1832

01:16:01,510 --> 01:15:59,199

both have valid points

1833

01:16:03,189 --> 01:16:01,520

they just have a limited understanding

1834

01:16:05,669 --> 01:16:03,199

of from both ends i mean

1835

01:16:07,590 --> 01:16:05,679

to say science doesn't matter what would

1836

01:16:09,350 --> 01:16:07,600

be an hypocritical thing because

1837

01:16:11,110 --> 01:16:09,360

it's through science and understanding

1838

01:16:12,310 --> 01:16:11,120

molecules electricity

1839

01:16:14,229 --> 01:16:12,320
and designing all these different

1840

01:16:14,870 --> 01:16:14,239
devices that i can talk to you now i

1841

01:16:17,270 --> 01:16:14,880
have the

1842

01:16:19,590 --> 01:16:17,280
wireless mic i got the screens you know

1843

01:16:21,590 --> 01:16:19,600
all of these things that

1844

01:16:23,189 --> 01:16:21,600
helped us understand the physical world

1845

01:16:26,550 --> 01:16:23,199
through science but

1846

01:16:29,189 --> 01:16:26,560
science is not all that there is because

1847

01:16:30,870 --> 01:16:29,199
science still really cannot fully

1848

01:16:33,270 --> 01:16:30,880
explain consciousness

1849

01:16:34,709 --> 01:16:33,280
and they always talk about or assume

1850

01:16:37,110 --> 01:16:34,719
that everything is here

1851

01:16:38,310 --> 01:16:37,120

whether consciousness or an observer was

1852

01:16:39,990 --> 01:16:38,320

existing or not

1853

01:16:42,470 --> 01:16:40,000

and i think that's the whole new level

1854

01:16:43,110 --> 01:16:42,480

that we will be getting into to try to

1855

01:16:46,229 --> 01:16:43,120

understand

1856

01:16:49,030 --> 01:16:46,239

as a globe if we don't in a way

1857

01:16:50,950 --> 01:16:49,040

destroy ourselves because just recently

1858

01:16:52,950 --> 01:16:50,960

the way things have been going

1859

01:16:54,870 --> 01:16:52,960

it sucks almost every every platform

1860

01:16:57,910 --> 01:16:54,880

that that i've been

1861

01:16:58,630 --> 01:16:57,920

been to it's difficult to find something

1862

01:17:01,669 --> 01:16:58,640

that has not

1863

01:17:02,310 --> 01:17:01,679

been painted by politics in one way or

1864

01:17:04,149 --> 01:17:02,320

another

1865

01:17:06,070 --> 01:17:04,159

of course it has this time and place and

1866

01:17:09,030 --> 01:17:06,080

there's many channels out there that

1867

01:17:10,470 --> 01:17:09,040

one can participate and partake in that

1868

01:17:13,030 --> 01:17:10,480

political point of view

1869

01:17:15,350 --> 01:17:13,040

but even within the with within the

1870

01:17:17,430 --> 01:17:15,360

field of ufology it's just

1871

01:17:19,270 --> 01:17:17,440

everything just boils down to politics

1872

01:17:22,149 --> 01:17:19,280

again and they kind of

1873

01:17:22,790 --> 01:17:22,159

either come you know um gather or divide

1874

01:17:25,750 --> 01:17:22,800

themselves

1875

01:17:27,990 --> 01:17:25,760

based on that even though we as uh you

1876

01:17:30,790 --> 01:17:28,000

know experiencers researchers and just

1877

01:17:31,590 --> 01:17:30,800

the general crazies you know have a

1878

01:17:33,750 --> 01:17:31,600

common

1879

01:17:35,990 --> 01:17:33,760

uh goal that we can strive towards

1880

01:17:36,630 --> 01:17:36,000

they're using other external forces to

1881

01:17:38,470 --> 01:17:36,640

to kind of

1882

01:17:39,830 --> 01:17:38,480

divide ourselves which i don't think is

1883

01:17:42,950 --> 01:17:39,840

is necessary

1884

01:17:45,110 --> 01:17:42,960

you know because we can we still have to

1885

01:17:46,550 --> 01:17:45,120

do what we can from each our point of

1886

01:17:49,990 --> 01:17:46,560

view to do the research

1887

01:17:52,709 --> 01:17:50,000

to share the experiences and just um

1888

01:17:54,470 --> 01:17:52,719

if if anything just to help the person

1889

01:17:56,149 --> 01:17:54,480

next to you just understand things just

1890

01:18:19,830 --> 01:17:56,159

a little bit more

1891

01:18:23,590 --> 01:18:21,750

um sorry i'm trying to understand this

1892

01:18:27,110 --> 01:18:23,600

question this is from hazel

1893

01:18:28,990 --> 01:18:27,120

blair says do you think it is possible

1894

01:18:32,310 --> 01:18:29,000

to

1895

01:18:35,189 --> 01:18:32,320

encity or initiate a meeting

1896

01:18:35,830 --> 01:18:35,199

with an et our buddies i like to call

1897

01:18:38,790 --> 01:18:35,840

them

1898

01:18:41,430 --> 01:18:38,800

i am from spain well of course it always

1899

01:18:43,270 --> 01:18:41,440

is it's just depends on

1900

01:18:46,229 --> 01:18:43,280

how how much are you willing to do the

1901

01:18:49,430 --> 01:18:46,239

work because

1902

01:18:56,070 --> 01:18:52,470

the the contact happens basically

1903

01:18:58,310 --> 01:18:56,080

it's more it's more conducive

1904

01:19:00,630 --> 01:18:58,320

when you are in at a state of mind to

1905

01:19:01,510 --> 01:19:00,640

where you're not at great conflict with

1906

01:19:03,830 --> 01:19:01,520

yourself

1907

01:19:04,709 --> 01:19:03,840

meaning you're not sitting there with a

1908

01:19:05,990 --> 01:19:04,719

lot of

1909

01:19:07,830 --> 01:19:06,000

you know because there's there's people

1910

01:19:10,229 --> 01:19:07,840

just because of where they are in their

1911

01:19:11,990 --> 01:19:10,239

life they hold on to a lot of grudges

1912

01:19:13,270 --> 01:19:12,000

sometimes somebody says something at

1913

01:19:15,910 --> 01:19:13,280

work and you're like

1914

01:19:16,470 --> 01:19:15,920

god this person really makes me mad and

1915

01:19:19,030 --> 01:19:16,480

they

1916

01:19:21,270 --> 01:19:19,040

hold on to it for weeks on end and and

1917

01:19:21,990 --> 01:19:21,280

we just constantly do that if it's if

1918

01:19:23,669 --> 01:19:22,000

we're not hating

1919

01:19:25,990 --> 01:19:23,679

on one thing it's another and there's

1920

01:19:28,550 --> 01:19:26,000

all these things that are constantly

1921

01:19:29,669 --> 01:19:28,560

messing with us so it's important to

1922

01:19:33,430 --> 01:19:29,679

look at those things

1923

01:19:36,229 --> 01:19:33,440

as learning blocks to understand that

1924

01:19:38,950 --> 01:19:36,239

oh something happened look at them as

1925

01:19:42,470 --> 01:19:38,960

like a a

1926

01:19:44,550 --> 01:19:42,480

a help or basically look at them as like

1927

01:19:46,630 --> 01:19:44,560

a little button that somebody now

1928

01:19:48,149 --> 01:19:46,640

pointed out to you that you have within

1929

01:19:50,390 --> 01:19:48,159

you that can be pushed

1930

01:19:51,270 --> 01:19:50,400

and you if you work on it and work work

1931

01:19:53,430 --> 01:19:51,280

it out

1932

01:19:54,310 --> 01:19:53,440

that same button can be pushed again by

1933

01:19:56,070 --> 01:19:54,320

anyone and

1934

01:19:58,470 --> 01:19:56,080

nothing happens you know because you

1935

01:20:00,470 --> 01:19:58,480

resolve that that feeling that energy

1936

01:20:02,550 --> 01:20:00,480

that needs to be resolved within you

1937

01:20:04,310 --> 01:20:02,560

and so when you are in the least

1938

01:20:06,950 --> 01:20:04,320

conflict with yourself

1939

01:20:08,709 --> 01:20:06,960

and and um you know when you're okay

1940

01:20:11,030 --> 01:20:08,719

with yourself or who you are

1941

01:20:13,189 --> 01:20:11,040

that's when it's a lot easier than to

1942

01:20:16,229 --> 01:20:13,199

make to make contact because to

1943

01:20:17,990 --> 01:20:16,239

to initiate these different um

1944

01:20:19,750 --> 01:20:18,000

with these different energies you know

1945

01:20:22,629 --> 01:20:19,760

you you almost can't be

1946

01:20:24,390 --> 01:20:22,639

too distracted i mean what i'm trying to

1947

01:20:26,229 --> 01:20:24,400

say is

1948

01:20:28,229 --> 01:20:26,239

using the silly example of love again

1949

01:20:29,669 --> 01:20:28,239

i'm sorry if some of you out there don't

1950

01:20:31,910 --> 01:20:29,679

like it

1951

01:20:33,270 --> 01:20:31,920

if you're going out on a date you know

1952

01:20:34,950 --> 01:20:33,280

you want to be present

1953

01:20:37,430 --> 01:20:34,960

with this person and you don't want to

1954

01:20:38,950 --> 01:20:37,440

be out and about thinking about what joe

1955

01:20:40,950 --> 01:20:38,960

schmoe said to you

1956

01:20:42,470 --> 01:20:40,960

three weeks ago you know you want to be

1957

01:20:43,990 --> 01:20:42,480

there in the moment talking to this

1958

01:20:45,669 --> 01:20:44,000

person because it's the most relevant

1959

01:20:47,590 --> 01:20:45,679

and important thing to you

1960

01:20:49,510 --> 01:20:47,600

and that only really happens if you can

1961

01:20:51,270 --> 01:20:49,520

truly let go of some things

1962

01:20:53,270 --> 01:20:51,280

allow things to happen to you as they

1963

01:20:55,830 --> 01:20:53,280

are and then move on from them just see

1964

01:20:57,669 --> 01:20:55,840

them as a is a lesson to be learned

1965

01:20:59,830 --> 01:20:57,679

grow from it and then just simply move

1966

01:21:01,910 --> 01:20:59,840

on

1967

01:21:04,070 --> 01:21:01,920

i'm not saying never get angry you know

1968

01:21:07,590 --> 01:21:04,080

there was uh one particular uh

1969

01:21:10,149 --> 01:21:07,600

message that bashar had pointed out

1970

01:21:10,709 --> 01:21:10,159

there was uh bashar is being channeled

1971

01:21:12,629 --> 01:21:10,719

by

1972

01:21:14,470 --> 01:21:12,639

daryl enka and i'm using their example

1973

01:21:15,990 --> 01:21:14,480

because you know why reinvent

1974

01:21:18,149 --> 01:21:16,000

words when they already said something

1975

01:21:19,990 --> 01:21:18,159

great that i can convey to you

1976

01:21:21,430 --> 01:21:20,000

they said if you hear something or

1977

01:21:23,030 --> 01:21:21,440

something occurs

1978

01:21:25,030 --> 01:21:23,040

in your presence that initially makes

1979

01:21:26,709 --> 01:21:25,040

you mad

1980

01:21:28,550 --> 01:21:26,719

for at least they say the first 15

1981

01:21:30,629 --> 01:21:28,560

seconds it's okay because that just

1982

01:21:32,229 --> 01:21:30,639

tells you that's not who you are

1983

01:21:34,229 --> 01:21:32,239

but if you go beyond that and keep

1984

01:21:35,590 --> 01:21:34,239

dragging that now it becomes a choice

1985

01:21:36,950 --> 01:21:35,600

and there's something within you that

1986

01:21:39,990 --> 01:21:36,960

wants to keep at it

1987

01:21:40,950 --> 01:21:40,000

to feel angry keep keep keep going with

1988

01:21:43,669 --> 01:21:40,960

this anger

1989

01:21:44,709 --> 01:21:43,679

because to initially recognize something

1990

01:21:47,350 --> 01:21:44,719

say this is not who i

1991

01:21:53,750 --> 01:21:47,360

am is fine but then why judge it past a

1992

01:21:57,270 --> 01:21:55,750

sorry if i lost my chain of thought i

1993

01:21:58,870 --> 01:21:57,280

thought i had to

1994

01:22:00,550 --> 01:21:58,880

go down just to see what the next

1995

01:22:03,669 --> 01:22:00,560

question is here

1996

01:22:05,830 --> 01:22:03,679

oh right so this was from hazel so when

1997

01:22:06,229 --> 01:22:05,840

it comes to the different context we all

1998

01:22:09,510 --> 01:22:06,239

have

1999

01:22:11,270 --> 01:22:09,520

already connections we're always

2000

01:22:12,629 --> 01:22:11,280

connected with everyone else but

2001

01:22:14,470 --> 01:22:12,639

we're connected with these different

2002

01:22:18,310 --> 01:22:14,480

clusters of of what we call

2003

01:22:19,430 --> 01:22:18,320

families and so when you are ready at

2004

01:22:22,550 --> 01:22:19,440

that stage

2005

01:22:24,709 --> 01:22:22,560

and if you can quiet your mind enough to

2006

01:22:26,629 --> 01:22:24,719

just simply relax and just

2007

01:22:28,790 --> 01:22:26,639

truly kind of let your mind drift

2008

01:22:31,189 --> 01:22:28,800

without having to think much and just go

2009

01:22:33,189 --> 01:22:31,199

into that void that's constantly there

2010

01:22:35,430 --> 01:22:33,199

that's the best time to where then

2011

01:22:39,350 --> 01:22:35,440

you're going to start feeling

2012

01:22:41,030 --> 01:22:39,360

certain emotions certain uh energies

2013

01:22:42,709 --> 01:22:41,040

that are around you i mean quite

2014

01:22:43,990 --> 01:22:42,719

literally like you might you you know

2015

01:22:46,870 --> 01:22:44,000

you might spaz

2016

01:22:48,310 --> 01:22:46,880

and whatnot and uh i know science that

2017

01:22:49,430 --> 01:22:48,320

just says it's just your electrical

2018

01:22:52,070 --> 01:22:49,440

impulses but

2019

01:22:54,149 --> 01:22:52,080

there's more to that it just means that

2020

01:22:55,669 --> 01:22:54,159

you know now you finally to that level

2021

01:22:58,470 --> 01:22:55,679

to where you can be

2022

01:22:59,510 --> 01:22:58,480

um what you might call it you where you

2023

01:23:01,110 --> 01:22:59,520

can start

2024

01:23:02,550 --> 01:23:01,120

translating those different feelings

2025

01:23:04,629 --> 01:23:02,560

that eventually then

2026

01:23:06,070 --> 01:23:04,639

uh that feeling will get stronger and

2027

01:23:08,550 --> 01:23:06,080

stronger and then we'll be

2028

01:23:10,310 --> 01:23:08,560

you know become to you in more of a

2029

01:23:13,030 --> 01:23:10,320

concept or a sentence or

2030

01:23:32,310 --> 01:23:13,040

or term or something that you can use

2031

01:23:35,510 --> 01:23:34,390

says what's the name of i'm sorry this

2032

01:23:39,270 --> 01:23:35,520

is star brother

2033

01:23:43,189 --> 01:23:41,030

it says what's the name of the ufo

2034

01:23:43,990 --> 01:23:43,199

contact he manned with the beard in

2035

01:23:46,709 --> 01:23:44,000

europe

2036

01:23:48,550 --> 01:23:46,719

the pleadians oh uh billy meyer i

2037

01:23:50,470 --> 01:23:48,560

believe is were you referring to

2038

01:23:52,709 --> 01:23:50,480

michael horn that's also going to be at

2039

01:23:54,870 --> 01:23:52,719

this upcoming uh ozark conference

2040

01:23:56,470 --> 01:23:54,880

he's supposed to be the representative

2041

01:23:57,189 --> 01:23:56,480

for billy myers because apparently he

2042

01:23:59,510 --> 01:23:57,199

doesn't

2043

01:24:01,110 --> 01:23:59,520

hasn't done any conferences in very long

2044

01:24:04,229 --> 01:24:01,120

time but he's the

2045

01:24:28,830 --> 01:24:04,239

designated us representative for

2046

01:24:33,430 --> 01:24:30,149

um

2047

01:24:35,030 --> 01:24:33,440

omega point singularity says you telling

2048

01:24:38,229 --> 01:24:35,040

the effing truth and i'm

2049

01:24:39,750 --> 01:24:38,239

censoring this meaning sensory myself

2050

01:24:43,350 --> 01:24:39,760

verbally i'm gonna say

2051

01:24:45,590 --> 01:24:43,360

show but usually

2052

01:24:47,030 --> 01:24:45,600

you know youtube frowns upon it i i hope

2053

01:24:49,510 --> 01:24:47,040

you mean that as a compliment

2054

01:24:50,310 --> 01:24:49,520

if you are thank you if you're not i'm

2055

01:24:58,629 --> 01:24:50,320

not quite sure

2056

01:25:02,550 --> 01:24:58,639

how to answer that

2057

01:25:05,510 --> 01:25:02,560

also omega said uh hey if i could host

2058

01:25:05,910 --> 01:25:05,520

you after streaming on twitch i would

2059

01:25:08,070 --> 01:25:05,920

you know

2060

01:25:09,830 --> 01:25:08,080

speaking of twitch uh i've been kind of

2061

01:25:11,189 --> 01:25:09,840

looking at different platforms just in

2062

01:25:14,550 --> 01:25:11,199

case something happens

2063

01:25:15,350 --> 01:25:14,560

with youtube to have to um i guess

2064

01:25:17,510 --> 01:25:15,360

branch out

2065

01:25:19,669 --> 01:25:17,520

and i do have a twitch channel that i

2066

01:25:22,629 --> 01:25:19,679

created there's absolutely nothing on it

2067

01:25:23,510 --> 01:25:22,639

but i i kind of just designated the ufo

2068

01:25:26,870 --> 01:25:23,520

hub

2069

01:25:29,990 --> 01:25:26,880

spot so that i have it in case i need to

2070

01:25:37,830 --> 01:25:30,000

ever switch to that and do streams there

2071

01:25:41,189 --> 01:25:40,229

okay hazel says thank you i need to

2072

01:25:43,510 --> 01:25:41,199

quiet myself

2073

01:25:45,830 --> 01:25:43,520

i will keep trying thank you yeah you

2074

01:25:49,270 --> 01:25:45,840

know it's it's funny because

2075

01:25:51,030 --> 01:25:49,280

it really boils down to um let's say if

2076

01:25:52,790 --> 01:25:51,040

something is happening to you

2077

01:25:54,070 --> 01:25:52,800

and can you know you feel like there's

2078

01:25:56,550 --> 01:25:54,080

some something weird

2079

01:25:58,470 --> 01:25:56,560

the point is even if it has nothing

2080

01:26:00,870 --> 01:25:58,480

really to do with aliens

2081

01:26:01,669 --> 01:26:00,880

why not sit and kind of meditate on what

2082

01:26:03,830 --> 01:26:01,679

just

2083

01:26:05,750 --> 01:26:03,840

occurred instead of letting that crazy

2084

01:26:06,390 --> 01:26:05,760

mind try to run around trying to figure

2085

01:26:08,709 --> 01:26:06,400

it out

2086

01:26:09,430 --> 01:26:08,719

just kind of sit back and relax either

2087

01:26:12,470 --> 01:26:09,440

way

2088

01:26:14,550 --> 01:26:12,480

and so um there's somebody he they kind

2089

01:26:16,709 --> 01:26:14,560

of meant it jokingly but

2090

01:26:18,310 --> 01:26:16,719

they said i saw an orb maybe i need to

2091

01:26:19,669 --> 01:26:18,320

meditate on this because it's something

2092

01:26:21,110 --> 01:26:19,679

i said in the past at some of the

2093

01:26:21,990 --> 01:26:21,120

conferences and i kind of laughed

2094

01:26:24,629 --> 01:26:22,000

because

2095

01:26:25,750 --> 01:26:24,639

i see what they meant but it truly is

2096

01:26:27,270 --> 01:26:25,760

that that way

2097

01:26:29,430 --> 01:26:27,280

you know it's like because we

2098

01:26:30,550 --> 01:26:29,440

immediately uh our senses get heightened

2099

01:26:33,430 --> 01:26:30,560

so we want to see

2100

01:26:34,470 --> 01:26:33,440

sharper hear louder and be here like

2101

01:26:36,870 --> 01:26:34,480

what just happened

2102

01:26:37,910 --> 01:26:36,880

but it's actually the other senses that

2103

01:26:40,310 --> 01:26:37,920

we need to become

2104

01:26:41,430 --> 01:26:40,320

more in tune with which is just just

2105

01:26:44,070 --> 01:26:41,440

kind of relax

2106

01:26:45,590 --> 01:26:44,080

and just uh let let whatever feelings

2107

01:26:47,110 --> 01:26:45,600

might come up come up

2108

01:26:48,709 --> 01:26:47,120

and however long it takes because

2109

01:26:49,910 --> 01:26:48,719

sometimes i mean so many times

2110

01:26:52,149 --> 01:26:49,920

especially in the beginning i'll fall

2111

01:26:53,830 --> 01:26:52,159

asleep it's just what happens you close

2112

01:26:55,350 --> 01:26:53,840

your eyes and you don't see anything for

2113

01:26:57,350 --> 01:26:55,360

a long time and you want to

2114

01:26:58,790 --> 01:26:57,360

really not think well then you fall

2115

01:27:00,470 --> 01:26:58,800

asleep and only

2116

01:27:01,910 --> 01:27:00,480

i don't know how long it this took i

2117

01:27:03,990 --> 01:27:01,920

mean it seemed like it was months

2118

01:27:05,910 --> 01:27:04,000

finally after trying over and over and

2119

01:27:08,310 --> 01:27:05,920

over again and i had that ability

2120

01:27:09,750 --> 01:27:08,320

like i said i was living in the woods in

2121

01:27:11,270 --> 01:27:09,760

a house by myself so there was

2122

01:27:13,510 --> 01:27:11,280

absolutely nobody there that could

2123

01:27:20,790 --> 01:27:13,520

that could bother me after a while that

2124

01:27:25,590 --> 01:27:23,270

mark reefs exactly he says understanding

2125

01:27:27,669 --> 01:27:25,600

the spiritual law will help

2126
01:27:28,790 --> 01:27:27,679
will help humans understand alien

2127
01:27:31,110 --> 01:27:28,800
arrival i

2128
01:27:32,470 --> 01:27:31,120
i agree with that and the thing is it's

2129
01:27:34,629 --> 01:27:32,480
i i wasn't

2130
01:27:36,550 --> 01:27:34,639
i didn't have any preconceived ideas

2131
01:27:37,030 --> 01:27:36,560
that contact has to happen in a certain

2132
01:27:39,430 --> 01:27:37,040
way

2133
01:27:41,430 --> 01:27:39,440
i mean i started out as a nuts and bolts

2134
01:27:42,149 --> 01:27:41,440
kind of guy i have the whole shelf of

2135
01:27:44,390 --> 01:27:42,159
books

2136
01:27:46,070 --> 01:27:44,400
and just trying to understand like what

2137
01:27:48,070 --> 01:27:46,080
happened what's you know because i had

2138
01:27:49,830 --> 01:27:48,080

that one experience which i'm not going

2139

01:27:51,669 --> 01:27:49,840

to get into right now when i was 11

2140

01:27:53,750 --> 01:27:51,679

and then later on with 15 i was trying

2141

01:27:56,229 --> 01:27:53,760

to understand more what was happening

2142

01:27:57,270 --> 01:27:56,239

so of course my natural course is

2143

01:28:00,070 --> 01:27:57,280

something is happening

2144

01:28:01,590 --> 01:28:00,080

let's go read information which is books

2145

01:28:05,189 --> 01:28:01,600

and so

2146

01:28:07,990 --> 01:28:05,199

um you know it started out that way

2147

01:28:10,629 --> 01:28:08,000

and then by me pursuing everything and

2148

01:28:13,990 --> 01:28:10,639

every avenue that i can possibly pursue

2149

01:28:16,709 --> 01:28:14,000

uh finally got me to that level to to

2150

01:28:17,030 --> 01:28:16,719

understanding which then uh helped me

2151

01:28:19,669 --> 01:28:17,040

see

2152

01:28:20,310 --> 01:28:19,679

the value of being initially nuts and

2153

01:28:21,910 --> 01:28:20,320

bolds

2154

01:28:25,430 --> 01:28:21,920

to where now that doesn't serve a

2155

01:28:27,510 --> 01:28:25,440

purpose anymore i just have to basically

2156

01:28:29,270 --> 01:28:27,520

learn to just calm myself more and

2157

01:28:33,189 --> 01:28:29,280

adjust more like for example

2158

01:28:35,590 --> 01:28:33,199

um my wife she um this was

2159

01:28:36,629 --> 01:28:35,600

i think about three years ago now i was

2160

01:28:39,430 --> 01:28:36,639

about to

2161

01:28:42,149 --> 01:28:39,440

go outside and again here in arkansas we

2162

01:28:44,550 --> 01:28:42,159

also pretty much live in the woods and

2163

01:28:48,149 --> 01:28:44,560

um i was about to go outside to

2164

01:28:49,510 --> 01:28:48,159

go get something from town and i was

2165

01:28:51,430 --> 01:28:49,520

talking to her and i could

2166

01:28:53,350 --> 01:28:51,440

everything was feeling strange it wasn't

2167

01:28:55,669 --> 01:28:53,360

vertigo or wasn't anything

2168

01:28:58,629 --> 01:28:55,679

that i could think is physically with me

2169

01:29:01,350 --> 01:28:58,639

i recognize this as

2170

01:29:01,830 --> 01:29:01,360

they were close their presence was close

2171

01:29:05,590 --> 01:29:01,840

which

2172

01:29:09,270 --> 01:29:05,600

translates it also

2173

01:29:10,870 --> 01:29:09,280

almost as like this extreme paranoia

2174

01:29:12,310 --> 01:29:10,880

and i was realizing what was happening

2175

01:29:14,229 --> 01:29:12,320

so she was talking to me and she was

2176
01:29:16,950 --> 01:29:14,239
about six feet from me and i could

2177
01:29:17,590 --> 01:29:16,960
not i i wanted to be anywhere else but

2178
01:29:19,990 --> 01:29:17,600
there

2179
01:29:22,070 --> 01:29:20,000
you know and later it was funny she even

2180
01:29:22,550 --> 01:29:22,080
she said the look on your face is like

2181
01:29:26,470 --> 01:29:22,560
you

2182
01:29:28,229 --> 01:29:26,480
me i said i didn't because i noticed

2183
01:29:30,629 --> 01:29:28,239
what was happening i just needed to get

2184
01:29:33,189 --> 01:29:30,639
out and just not be around you because

2185
01:29:34,470 --> 01:29:33,199
it's messes with me you know and would

2186
01:29:35,910 --> 01:29:34,480
mess with anyone else

2187
01:29:38,629 --> 01:29:35,920
so when you're trying to talk to a

2188
01:29:41,270 --> 01:29:38,639

person and you're speaking to them

2189

01:29:43,110 --> 01:29:41,280

right then and there that moment it you

2190

01:29:44,709 --> 01:29:43,120

start kind of talking nonsense because

2191

01:29:46,310 --> 01:29:44,719

your mind is somewhere else

2192

01:29:48,550 --> 01:29:46,320

it's almost like you're losing your

2193

01:29:49,990 --> 01:29:48,560

train of thought you know while still

2194

01:29:51,430 --> 01:29:50,000

trying to speak with someone that's

2195

01:29:54,310 --> 01:29:51,440

right there in front of you

2196

01:29:55,110 --> 01:29:54,320

and so that's one of the physical

2197

01:29:56,470 --> 01:29:55,120

examples

2198

01:30:17,910 --> 01:29:56,480

of what we're talking about when it

2199

01:30:24,870 --> 01:30:21,830

uh mikey

2200

01:30:27,350 --> 01:30:24,880

i'm sorry um jemma

2201

01:30:27,990 --> 01:30:27,360

tria i apologize again if i'm butchering

2202

01:30:30,550 --> 01:30:28,000

your name

2203

01:30:31,910 --> 01:30:30,560

it says in your honest opinion why is it

2204

01:30:34,229 --> 01:30:31,920

do you think that

2205

01:30:36,470 --> 01:30:34,239

prominent figures are moving into

2206

01:30:39,750 --> 01:30:36,480

arkansas from all over the globe

2207

01:30:42,870 --> 01:30:39,760

what is the significance well

2208

01:30:46,550 --> 01:30:42,880

in my opinion it's it goes back to

2209

01:30:52,229 --> 01:30:49,830

how you are as a person is

2210

01:30:54,310 --> 01:30:52,239

basically what's the most important part

2211

01:30:55,350 --> 01:30:54,320

for everyone to find the best version of

2212

01:30:57,350 --> 01:30:55,360

themselves

2213

01:30:59,830 --> 01:30:57,360

and when certain areas are not as

2214

01:31:02,070 --> 01:30:59,840

conducive to you anymore to be around

2215

01:31:03,189 --> 01:31:02,080

of course you go and search different

2216

01:31:06,310 --> 01:31:03,199

areas to where

2217

01:31:07,189 --> 01:31:06,320

you have the peace that allows you to be

2218

01:31:10,149 --> 01:31:07,199

yourself

2219

01:31:12,149 --> 01:31:10,159

and so of course you move or you happen

2220

01:31:13,030 --> 01:31:12,159

to move to certain areas you don't quite

2221

01:31:15,110 --> 01:31:13,040

understand that

2222

01:31:17,350 --> 01:31:15,120

you know it's made because of that

2223

01:31:19,750 --> 01:31:17,360

energy shift you just know it as

2224

01:31:21,669 --> 01:31:19,760

i found a better job there in my case i

2225

01:31:22,950 --> 01:31:21,679

met my wife and she's from arkansas so i

2226

01:31:25,669 --> 01:31:22,960

moved to arkansas

2227

01:31:26,070 --> 01:31:25,679

and um and so all these different things

2228

01:31:28,149 --> 01:31:26,080

they

2229

01:31:29,990 --> 01:31:28,159

their energy working itself out but you

2230

01:31:32,790 --> 01:31:30,000

don't realize it at that time

2231

01:31:34,229 --> 01:31:32,800

and so which other prominent figures

2232

01:31:35,110 --> 01:31:34,239

you're referring to i'm not quite sure

2233

01:31:37,750 --> 01:31:35,120

if you can maybe

2234

01:31:38,950 --> 01:31:37,760

uh make a post and and show me what

2235

01:31:41,110 --> 01:31:38,960

you're talking about

2236

01:31:44,070 --> 01:31:41,120

but i don't know i just know i moved

2237

01:31:46,070 --> 01:31:44,080

down to arkansas because

2238

01:31:47,189 --> 01:31:46,080

you know i like the country living you

2239

01:31:48,870 --> 01:31:47,199

know people are are

2240

01:31:50,790 --> 01:31:48,880

very friendly you know they just they

2241

01:31:54,629 --> 01:31:50,800

tend to their farms they

2242

01:31:57,590 --> 01:31:54,639

um get up in the morning milk the cows

2243

01:31:59,430 --> 01:31:57,600

go work the fields um a lot of times on

2244

01:32:00,950 --> 01:31:59,440

the dirt roads if you know your neighbor

2245

01:32:02,470 --> 01:32:00,960

you kind of pull up next to each other

2246

01:32:03,270 --> 01:32:02,480

and you just chit chat for like 10

2247

01:32:06,070 --> 01:32:03,280

minutes

2248

01:32:06,629 --> 01:32:06,080

because you know they um they have the

2249

01:32:08,470 --> 01:32:06,639

time

2250

01:32:10,070 --> 01:32:08,480

things are a lot slower than the city

2251

01:32:10,390 --> 01:32:10,080

because i used to live in san luis which

2252

01:32:13,110 --> 01:32:10,400

is

2253

01:32:13,510 --> 01:32:13,120

close to 2 million plus people i mean

2254

01:32:17,110 --> 01:32:13,520

it's

2255

01:32:19,030 --> 01:32:17,120

most people

2256

01:32:20,790 --> 01:32:19,040

in one spot the least people are

2257

01:32:22,390 --> 01:32:20,800

interacting with each other everyone is

2258

01:32:23,430 --> 01:32:22,400

just so sick and tired of each other and

2259

01:32:26,550 --> 01:32:23,440

just want to go

2260

01:32:29,030 --> 01:32:26,560

their separate ways whereas in here

2261

01:32:30,070 --> 01:32:29,040

it's a lot more it's i feel like it's a

2262

01:32:32,790 --> 01:32:30,080

lot friendlier for

2263

01:32:34,470 --> 01:32:32,800

to have a family and and have children

2264

01:32:36,310 --> 01:32:34,480

raised in ways to where

2265

01:32:37,590 --> 01:32:36,320

they're not as influenced as they would

2266

01:32:39,590 --> 01:32:37,600

be in a bigger city

2267

01:32:41,430 --> 01:32:39,600

so that you know my wife and i it's

2268

01:32:42,390 --> 01:32:41,440

important to us that they have our

2269

01:32:44,229 --> 01:32:42,400

values

2270

01:32:46,709 --> 01:32:44,239

and that the certain schools have our

2271

01:32:47,270 --> 01:32:46,719

values not necessarily meaning religious

2272

01:32:49,430 --> 01:32:47,280

because

2273

01:32:51,110 --> 01:32:49,440

neither my wife or i are religious but

2274

01:32:53,590 --> 01:32:51,120

we respect people that have

2275

01:32:54,229 --> 01:32:53,600

religious point of views and it's it's

2276

01:32:58,070 --> 01:32:54,239

just

2277

01:32:58,709 --> 01:32:58,080

from my noticing is the cities almost

2278

01:33:01,750 --> 01:32:58,719

have become

2279

01:33:04,790 --> 01:33:01,760

intolerable intolerable of

2280

01:33:07,030 --> 01:33:04,800

any other religions so to say

2281

01:33:07,990 --> 01:33:07,040

and i don't know why why that's i mean

2282

01:33:09,990 --> 01:33:08,000

obviously i do know

2283

01:33:11,990 --> 01:33:10,000

why it's like i said these energies are

2284

01:33:13,830 --> 01:33:12,000

working each other out but

2285

01:33:15,110 --> 01:33:13,840

i just don't understand as a person it's

2286

01:33:17,189 --> 01:33:15,120

like i you know

2287

01:33:19,189 --> 01:33:17,199

i don't care what religion you are i

2288

01:33:20,790 --> 01:33:19,199

just if you want to be my friend i'll be

2289

01:33:21,350 --> 01:33:20,800

your friend you know that that type of

2290

01:33:24,550 --> 01:33:21,360

thing

2291

01:33:25,590 --> 01:33:24,560

and so i just feel um especially around

2292

01:33:28,629 --> 01:33:25,600

here because i

2293

01:33:30,070 --> 01:33:28,639

i got to be around here a little

2294

01:33:32,070 --> 01:33:30,080

for a little while before i actually

2295

01:33:34,550 --> 01:33:32,080

moved here it was so much nicer

2296

01:33:35,669 --> 01:33:34,560

you basically everybody knows each other

2297

01:33:37,030 --> 01:33:35,679

everywhere you go

2298

01:33:39,110 --> 01:33:37,040

you know it's like you're always meeting

2299

01:33:40,629 --> 01:33:39,120

another friend so anyway that's my

2300

01:33:42,390 --> 01:33:40,639

reason why i moved here and i'm going to

2301

01:33:43,030 --> 01:33:42,400

see if you posted something about which

2302

01:33:44,470 --> 01:33:43,040

other

2303

01:33:56,950 --> 01:33:44,480

uh people might have moved down here

2304

01:33:56,960 --> 01:34:00,550

okay you said uh

2305

01:34:05,910 --> 01:34:04,390

my key mikey again i said some about 14

2306

01:34:09,350 --> 01:34:05,920

canadians

2307

01:34:15,510 --> 01:34:09,360

um from the vaticans moved

2308

01:34:21,189 --> 01:34:17,590

uh arkansas is the safe zone from

2309

01:34:24,629 --> 01:34:23,510

i don't know from safe zone from from

2310

01:34:28,470 --> 01:34:24,639

what

2311

01:34:31,910 --> 01:34:28,480

i understand that before i had

2312

01:34:35,350 --> 01:34:31,920

before i had my family i was able to

2313

01:34:38,390 --> 01:34:35,360

self to self-hypnosis but now

2314

01:34:40,950 --> 01:34:38,400

i have a problem to still my mind

2315

01:34:41,830 --> 01:34:40,960

i need to get that feeling back i know

2316

01:34:45,910 --> 01:34:41,840

what you mean

2317

01:34:47,669 --> 01:34:45,920

especially with uh with family it's just

2318

01:34:49,189 --> 01:34:47,679

i mean i love them so of course i want

2319

01:34:51,830 --> 01:34:49,199

to be in their lives

2320

01:34:53,750 --> 01:34:51,840

it's difficult to be off on your own and

2321

01:34:55,030 --> 01:34:53,760

go meditating when you're three-year-old

2322

01:34:57,669 --> 01:34:55,040

is like come play

2323

01:34:59,109 --> 01:34:57,679

or i want candy or you know i want my

2324

01:35:02,709 --> 01:34:59,119

vitamins or i'm

2325

01:35:04,950 --> 01:35:02,719

hungry you know all that almost becomes

2326
01:35:06,629 --> 01:35:04,960
becomes impossible but there are ways to

2327
01:35:08,070 --> 01:35:06,639
where uh for example

2328
01:35:09,910 --> 01:35:08,080
the video i was showing earlier when i

2329
01:35:11,109 --> 01:35:09,920
was working on this studio and i was

2330
01:35:13,109 --> 01:35:11,119
just building everything

2331
01:35:15,270 --> 01:35:13,119
that was my meditation even though i was

2332
01:35:16,870 --> 01:35:15,280
working um i was very conf

2333
01:35:18,550 --> 01:35:16,880
confident and comfortable with what i'm

2334
01:35:19,669 --> 01:35:18,560
doing physically so my mind would just

2335
01:35:21,430 --> 01:35:19,679
kind of wander

2336
01:35:23,510 --> 01:35:21,440
in other places to where it was this

2337
01:35:25,669 --> 01:35:23,520
meditative state of mind

2338
01:35:27,510 --> 01:35:25,679

and what's even weirder is even though

2339

01:35:29,910 --> 01:35:27,520

my attention like let's say i'm working

2340

01:35:31,750 --> 01:35:29,920

on the electrical box my attention

2341

01:35:33,189 --> 01:35:31,760

was not entirely there on it but the

2342

01:35:34,390 --> 01:35:33,199

next thing i know everything is put

2343

01:35:36,310 --> 01:35:34,400

together and working

2344

01:35:37,590 --> 01:35:36,320

you know not recommending this to

2345

01:35:39,669 --> 01:35:37,600

anybody doing that but

2346

01:35:40,709 --> 01:35:39,679

that's also a form of meditation to just

2347

01:35:43,590 --> 01:35:40,719

kind of

2348

01:35:46,070 --> 01:35:43,600

you know enjoy what you're doing and let

2349

01:35:48,709 --> 01:35:46,080

the mind go wherever it needs to go

2350

01:35:51,430 --> 01:35:48,719

you know while you're doing what you do

2351

01:35:53,990 --> 01:35:51,440

now would not recommend is doing driving

2352

01:35:54,550 --> 01:35:54,000

you know or anything you know hazardous

2353

01:35:56,470 --> 01:35:54,560

again

2354

01:35:58,790 --> 01:35:56,480

whatever i'm doing i'm doing it on my

2355

01:36:01,030 --> 01:35:58,800

own and whatever happens happens to me

2356

01:36:17,189 --> 01:36:01,040

so please

2357

01:36:22,149 --> 01:36:19,510

um x-files says do you want to know the

2358

01:36:24,390 --> 01:36:22,159

conspiracy theory of arkansas

2359

01:36:30,229 --> 01:36:24,400

and mikey said uh yes please it says

2360

01:36:34,470 --> 01:36:32,709

uh mikey says that is what my gut is

2361

01:36:35,430 --> 01:36:34,480

telling me x-files

2362

01:36:37,189 --> 01:36:35,440

i guess you guys are having a

2363

01:36:39,270 --> 01:36:37,199

conversation which is great but i was

2364

01:36:50,830 --> 01:36:39,280

just looking for something that i can

2365

01:36:54,629 --> 01:36:52,229

audience

2366

01:36:55,430 --> 01:36:54,639

yeah renee i totally agree says number

2367

01:37:02,070 --> 01:36:55,440

one

2368

01:37:02,790 --> 01:37:02,080

then ufos afterwards for sure for sure

2369

01:37:06,550 --> 01:37:02,800

just uh

2370

01:37:08,310 --> 01:37:06,560

today uh our oldest is 13 we have a

2371

01:37:10,070 --> 01:37:08,320

three-year-old and another one on the

2372

01:37:13,109 --> 01:37:10,080

weight it's gonna be in may

2373

01:37:15,030 --> 01:37:13,119

and um uh it's

2374

01:37:16,790 --> 01:37:15,040

uh i mean obviously i don't mind it but

2375

01:37:18,550 --> 01:37:16,800

it's amazing how

2376

01:37:20,390 --> 01:37:18,560

there's always something that they they

2377

01:37:22,390 --> 01:37:20,400

need it's like i need shoes there goes

2378

01:37:23,189 --> 01:37:22,400

another 200 bucks you know i need this i

2379

01:37:24,629 --> 01:37:23,199

need that

2380

01:37:27,270 --> 01:37:24,639

and so of course you want to give him

2381

01:37:29,990 --> 01:37:27,280

that and based on how i grew up

2382

01:37:31,990 --> 01:37:30,000

you know i can especially living in the

2383

01:37:33,990 --> 01:37:32,000

united states

2384

01:37:36,070 --> 01:37:34,000

you know for the longest time since the

2385

01:37:37,750 --> 01:37:36,080

age of eight i was my status on the

2386

01:37:39,669 --> 01:37:37,760

planet was refugee

2387

01:37:41,510 --> 01:37:39,679

you know and only when i came to united

2388

01:37:44,470 --> 01:37:41,520

states as an immigrant

2389

01:37:46,149 --> 01:37:44,480

and was accepted as an immigrant and you

2390

01:37:48,709 --> 01:37:46,159

know granted a

2391

01:37:49,510 --> 01:37:48,719

u.s citizenship that really make me feel

2392

01:37:51,270 --> 01:37:49,520

like i was

2393

01:37:53,189 --> 01:37:51,280

wanted somewhere everywhere else they're

2394

01:37:53,510 --> 01:37:53,199

just kind of like oh you're foreigner

2395

01:37:55,510 --> 01:37:53,520

just

2396

01:37:56,870 --> 01:37:55,520

go back where you're at and and all this

2397

01:38:00,229 --> 01:37:56,880

other stuff not

2398

01:38:00,790 --> 01:38:00,239

it it wasn't that you know that rudely

2399

01:38:02,790 --> 01:38:00,800

said

2400

01:38:04,870 --> 01:38:02,800

but you know it's it's only in america

2401

01:38:06,870 --> 01:38:04,880

can you really you know feel at home

2402

01:38:08,790 --> 01:38:06,880

well anyway everywhere else was it was

2403

01:38:11,109 --> 01:38:08,800

always difficult for us

2404

01:38:12,870 --> 01:38:11,119

i mean my dad was always very skilled

2405

01:38:13,510 --> 01:38:12,880

that's why i learned a lot the skills

2406

01:38:15,350 --> 01:38:13,520

from

2407

01:38:17,350 --> 01:38:15,360

uh to do all these different manual

2408

01:38:18,790 --> 01:38:17,360

things and and source you know my mom

2409

01:38:21,189 --> 01:38:18,800

very hard-working woman

2410

01:38:23,350 --> 01:38:21,199

so that we never went went hungry but

2411

01:38:26,390 --> 01:38:23,360

you know we weren't rich by all means

2412

01:38:28,550 --> 01:38:26,400

and so i feel uh you know

2413

01:38:30,229 --> 01:38:28,560

we can offer more to our children than

2414

01:38:33,189 --> 01:38:30,239

my parents could offer me

2415

01:38:36,070 --> 01:38:33,199

you know but yeah family is always you

2416

01:38:40,070 --> 01:38:38,310

it took the priority because this having

2417

01:38:42,310 --> 01:38:40,080

this building you know helps

2418

01:38:44,070 --> 01:38:42,320

the family as well because our house is

2419

01:38:46,550 --> 01:38:44,080

so small that we maxed out every

2420

01:38:47,590 --> 01:38:46,560

space that there is and so we just

2421

01:38:49,669 --> 01:38:47,600

basically now have

2422

01:38:50,629 --> 01:38:49,679

more space to move out the things that

2423

01:38:52,470 --> 01:38:50,639

we really need

2424

01:38:54,070 --> 01:38:52,480

and then we can turn them into whatever

2425

01:38:55,189 --> 01:38:54,080

we need to just to give an example we

2426

01:38:57,910 --> 01:38:55,199

have this

2427

01:38:58,709 --> 01:38:57,920

five foot by six foot closet that we

2428

01:39:00,870 --> 01:38:58,719

turned into

2429

01:39:02,709 --> 01:39:00,880

a little office where my wife works from

2430

01:39:05,030 --> 01:39:02,719

now so

2431

01:39:07,109 --> 01:39:05,040

just because we're able to move things

2432

01:39:09,510 --> 01:39:07,119

out here over to the studio

2433

01:39:11,510 --> 01:39:09,520

so yeah i agree you know family and and

2434

01:39:22,470 --> 01:39:11,520

and making sure that they're comfortable

2435

01:39:26,070 --> 01:39:24,950

uh crypto mojito says who was the

2436

01:39:29,990 --> 01:39:26,080

private investigator

2437

01:39:33,590 --> 01:39:31,189

i don't know about a private

2438

01:39:35,189 --> 01:39:33,600

investigator i just know the one person

2439

01:39:42,310 --> 01:39:35,199

i interviewed from texas was

2440

01:39:54,390 --> 01:39:45,030

let me see i hope you don't mind me

2441

01:39:59,750 --> 01:39:54,400

trying to go find him

2442

01:40:01,750 --> 01:39:59,760

okay bear with me i'm sorry

2443

01:40:03,750 --> 01:40:01,760

i don't have that page ready but i do

2444

01:40:05,750 --> 01:40:03,760

want to i do want to find him

2445

01:40:08,229 --> 01:40:05,760

and this is also that that person is

2446

01:40:12,149 --> 01:40:08,239

somebody i was thinking about having

2447

01:40:14,070 --> 01:40:12,159

um to he kind of stirred up a lot of

2448

01:40:15,910 --> 01:40:14,080

people's responses based on what he was

2449

01:40:17,750 --> 01:40:15,920

talking about so i was thinking about

2450

01:40:19,189 --> 01:40:17,760

having him on one of the friday night

2451

01:40:23,109 --> 01:40:19,199

shows to where then

2452

01:40:30,070 --> 01:40:23,119

he can answer those questions live

2453

01:40:33,189 --> 01:40:31,910

all right let me switch to view for you

2454

01:40:50,070 --> 01:40:33,199

guys

2455

01:40:54,950 --> 01:40:52,390

i know i have them there or here on the

2456

01:40:54,960 --> 01:40:58,790

excuse me

2457

01:41:04,470 --> 01:41:01,510

patrick de haan that was the only uh

2458

01:41:07,350 --> 01:41:04,480

person that i know

2459

01:41:08,950 --> 01:41:07,360

from texas right here and i don't know

2460

01:41:14,470 --> 01:41:08,960

that he was investigate i think

2461

01:41:20,229 --> 01:41:18,390

there you go that's patrick so i just

2462

01:41:21,430 --> 01:41:20,239

have it muted otherwise i'll just blare

2463

01:41:26,149 --> 01:41:21,440

into

2464

01:41:30,229 --> 01:41:26,159

sure if you're referring to

2465

01:41:44,870 --> 01:41:32,149

he was he was also one of the speakers

2466

01:41:44,880 --> 01:41:51,109

okay

2467

01:41:55,030 --> 01:41:53,109

mark reefs again a doom and gloom is a

2468

01:41:57,910 --> 01:41:55,040

useless attitude

2469

01:41:58,870 --> 01:41:57,920

uh be your own tiny god because we we

2470

01:42:01,430 --> 01:41:58,880

all are

2471

01:42:02,149 --> 01:42:01,440

bring joy and wisdom to every person you

2472

01:42:06,070 --> 01:42:02,159

meet

2473

01:42:09,590 --> 01:42:08,790

not knowing that we're all connected and

2474

01:42:11,750 --> 01:42:09,600

that we're

2475

01:42:13,030 --> 01:42:11,760

all part of the whole and we just see

2476

01:42:14,870 --> 01:42:13,040

each other as these

2477

01:42:16,709 --> 01:42:14,880

separate entities that have nothing to

2478

01:42:18,229 --> 01:42:16,719

do with you that's that's kind of like

2479

01:42:20,709 --> 01:42:18,239

the biggest illusion

2480

01:42:21,510 --> 01:42:20,719

that only comes with with this wisdom

2481

01:42:24,390 --> 01:42:21,520

the more you

2482

01:42:25,750 --> 01:42:24,400

you try to understand yourself more you

2483

01:42:29,189 --> 01:42:25,760

know and um

2484

01:42:32,070 --> 01:42:29,199

uh the the the the friendlier you are

2485

01:42:32,629 --> 01:42:32,080

to everyone else the easier it becomes

2486

01:42:35,750 --> 01:42:32,639

on you

2487

01:42:38,070 --> 01:42:35,760

at the end because it's it's almost

2488

01:42:39,430 --> 01:42:38,080

uh being rude to somebody else or having

2489

01:42:40,550 --> 01:42:39,440

a challenge or a difficulty with

2490

01:42:43,990 --> 01:42:40,560

somebody else

2491

01:42:50,709 --> 01:42:44,000

it's almost like being angry at yourself

2492

01:42:55,189 --> 01:42:53,270

have you any plans to get donald back on

2493

01:42:59,430 --> 01:42:55,199

your channel i do enjoy her

2494

01:43:01,510 --> 01:42:59,440

chats lovely lady yes i i do um

2495

01:43:04,629 --> 01:43:01,520

at one point or another uh please stay

2496

01:43:07,350 --> 01:43:04,639

tuned because what i'll do is um

2497

01:43:09,430 --> 01:43:07,360

if i can have plenty of time hopefully

2498

01:43:11,109 --> 01:43:09,440

beginning of the week or midweek i will

2499

01:43:13,750 --> 01:43:11,119

post a kind of a

2500

01:43:15,350 --> 01:43:13,760

scheduled live stream again and i'll put

2501

01:43:16,390 --> 01:43:15,360

the picture in of the person that's

2502

01:43:18,870 --> 01:43:16,400

there that i'll be

2503

01:43:20,870 --> 01:43:18,880

uh basically talking to and then giving

2504

01:43:22,790 --> 01:43:20,880

you guys a chance to ask them a question

2505

01:43:24,709 --> 01:43:22,800

and if you guys don't and i can just

2506

01:43:27,830 --> 01:43:24,719

basically chat with them about whatever

2507

01:43:40,310 --> 01:43:27,840

else else there is that to chat about um

2508

01:43:51,510 --> 01:43:43,750

mark reeves bear with me bro

2509

01:43:54,870 --> 01:43:53,830

uh crypto says it wasn't him now i'm

2510

01:43:57,910 --> 01:43:54,880

scared

2511

01:43:59,590 --> 01:43:57,920

uh you mean it wasn't uh the what is

2512

01:44:04,830 --> 01:43:59,600

what i was saying about the other

2513

01:44:04,840 --> 01:44:09,189

mean

2514

01:44:14,470 --> 01:44:12,550

oh there was also jim mars is from texas

2515

01:44:15,109 --> 01:44:14,480

but i only got to interview him one time

2516

01:44:29,910 --> 01:44:15,119

and

2517

01:44:35,109 --> 01:44:33,750

in in um in mark because i had a book

2518

01:44:37,030 --> 01:44:35,119

and so jim mars

2519

01:44:38,950 --> 01:44:37,040

i had him after the interview i had had

2520

01:44:41,430 --> 01:44:38,960

him uh sign it because

2521

01:44:42,629 --> 01:44:41,440

it was my personal copy and he just says

2522

01:44:45,750 --> 01:44:42,639

something in there like

2523

01:44:48,310 --> 01:44:45,760

um uh edna don't be a nazi

2524

01:44:48,870 --> 01:44:48,320

but basically bro spelled it out is

2525

01:44:52,310 --> 01:44:48,880

don't be

2526

01:44:54,709 --> 01:44:52,320

a not c you know meaning

2527

01:44:55,350 --> 01:44:54,719

look out for things look deeply into

2528

01:44:57,430 --> 01:44:55,360

stuff

2529

01:44:58,790 --> 01:44:57,440

you know and he just always had that you

2530

01:45:00,709 --> 01:44:58,800

know play on words too

2531

01:45:14,070 --> 01:45:00,719

so that was just a little quirk about

2532

01:45:18,470 --> 01:45:17,910

die deal deal anthony i'm again i'm so

2533

01:45:20,550 --> 01:45:18,480

sorry i'm

2534

01:45:22,870 --> 01:45:20,560

messing up you guys's name says let's

2535

01:45:23,990 --> 01:45:22,880

say that aliens won't reveal themselves

2536

01:45:26,310 --> 01:45:24,000

because of a

2537

01:45:27,510 --> 01:45:26,320

prime direct prime directive can we

2538

01:45:30,550 --> 01:45:27,520

collectively

2539

01:45:31,350 --> 01:45:30,560

override that and ask asked them to yes

2540

01:45:37,669 --> 01:45:31,360

we can

2541

01:45:42,310 --> 01:45:40,870

look at around around you and uh i don't

2542

01:45:43,990 --> 01:45:42,320

mean this in a judging kind of way but

2543

01:45:44,790 --> 01:45:44,000

just kind of look around you and see how

2544

01:45:47,910 --> 01:45:44,800

many people

2545

01:45:51,750 --> 01:45:47,920

are more willing to talk about these

2546

01:45:54,709 --> 01:45:51,760

um new agey extraterrestrial type things

2547

01:45:56,629 --> 01:45:54,719

and and how many are more open to it and

2548

01:45:56,870 --> 01:45:56,639

how many are perturbed if you bring it

2549

01:45:59,189 --> 01:45:56,880

up

2550

01:46:00,709 --> 01:45:59,199

go to kind of look at you in a ways of

2551

01:46:01,430 --> 01:46:00,719

like why are you talking to me about

2552

01:46:04,470 --> 01:46:01,440

this

2553

01:46:07,109 --> 01:46:04,480

and just kind of see um how many of them

2554

01:46:07,990 --> 01:46:07,119

are kind of acting in in that way

2555

01:46:10,070 --> 01:46:08,000

because

2556

01:46:12,390 --> 01:46:10,080

based on based on that will give you an

2557

01:46:14,950 --> 01:46:12,400

idea of

2558

01:46:16,390 --> 01:46:14,960

how many more people are basically in so

2559

01:46:17,910 --> 01:46:16,400

many ways saying

2560

01:46:19,510 --> 01:46:17,920

i don't want to have anything to do with

2561

01:46:21,030 --> 01:46:19,520

that i'm not ready for that

2562

01:46:23,590 --> 01:46:21,040

all i'm doing right now is living my

2563

01:46:27,510 --> 01:46:23,600

life on earth leave me alone about that

2564

01:46:30,870 --> 01:46:27,520

because in a weird kind of way they

2565

01:46:33,910 --> 01:46:30,880

the extraterrestrials are truly are

2566

01:46:37,109 --> 01:46:33,920

respectful of us you know because

2567

01:46:39,270 --> 01:46:37,119

they realize what happens if we all just

2568

01:46:40,390 --> 01:46:39,280

you know of the sudden have that contact

2569

01:46:42,870 --> 01:46:40,400

in the same way with them

2570

01:46:43,669 --> 01:46:42,880

and how you know absolutely nuts will

2571

01:46:45,830 --> 01:46:43,679

all go

2572

01:46:47,910 --> 01:46:45,840

so they basically just do these

2573

01:46:48,790 --> 01:46:47,920

different contexts on an individual

2574

01:46:51,830 --> 01:46:48,800

basis

2575

01:46:54,149 --> 01:46:51,840

but the more people become like

2576

01:46:55,510 --> 01:46:54,159

all of us that are now on this channel

2577

01:46:56,870 --> 01:46:55,520

interested in this and

2578

01:46:58,550 --> 01:46:56,880

that means you're beginning to change

2579

01:47:00,709 --> 01:46:58,560

your mind about something

2580

01:47:02,790 --> 01:47:00,719

and your mindset about something so the

2581

01:47:05,750 --> 01:47:02,800

more and more you can

2582

01:47:06,950 --> 01:47:05,760

expand outwards and have more people

2583

01:47:08,870 --> 01:47:06,960

kind of join

2584

01:47:10,629 --> 01:47:08,880

that more will be kind of like a message

2585

01:47:11,750 --> 01:47:10,639

to them okay we're getting more and more

2586

01:47:14,390 --> 01:47:11,760

ready for this

2587

01:47:16,390 --> 01:47:14,400

and eventually the time will be to where

2588

01:47:17,669 --> 01:47:16,400

there will hardly be any barriers to

2589

01:47:20,310 --> 01:47:17,679

overcome anymore

2590

01:47:21,510 --> 01:47:20,320

hardly anyone else fighting this for it

2591

01:47:23,830 --> 01:47:21,520

to happen to where

2592

01:47:25,109 --> 01:47:23,840

it would just become a lot easier to

2593

01:47:27,270 --> 01:47:25,119

plus i think

2594

01:47:28,310 --> 01:47:27,280

this is not my personal experience but

2595

01:47:30,629 --> 01:47:28,320

based on what i

2596

01:47:32,229 --> 01:47:30,639

learned from bashar uh the being

2597

01:47:35,430 --> 01:47:32,239

channeled by daryl anka

2598

01:47:38,790 --> 01:47:35,440

is that he um

2599

01:47:40,950 --> 01:47:38,800

there is already kind of like a plan

2600

01:47:42,870 --> 01:47:40,960

that there's gonna be a race that would

2601
01:47:43,990 --> 01:47:42,880
eventually make first contact with us

2602
01:47:47,109 --> 01:47:44,000
that's very

2603
01:47:48,950 --> 01:47:47,119
similar to us you know so that it's not

2604
01:47:50,709 --> 01:47:48,960
gonna be as crazy to us

2605
01:47:52,470 --> 01:47:50,719
you know as if all of a sudden let's say

2606
01:47:54,629 --> 01:47:52,480
the reptilians would land

2607
01:47:56,470 --> 01:47:54,639
you know and us just freaking out just

2608
01:47:56,870 --> 01:47:56,480
because of the way they they appear and

2609
01:48:00,950 --> 01:47:56,880
look

2610
01:48:04,149 --> 01:48:00,960
us and are actually

2611
01:48:07,830 --> 01:48:04,159
um the alien hybrids that

2612
01:48:09,990 --> 01:48:07,840
these programs been basically um

2613
01:48:11,830 --> 01:48:10,000

been happening over the years but the

2614

01:48:14,550 --> 01:48:11,840

result of those programs

2615

01:48:16,790 --> 01:48:14,560

is one of those races now they've had

2616

01:48:17,270 --> 01:48:16,800

their own timeline in their own universe

2617

01:48:19,669 --> 01:48:17,280

to

2618

01:48:21,350 --> 01:48:19,679

you know have civilizations and their

2619

01:48:22,950 --> 01:48:21,360

trials and errors and they've basically

2620

01:48:23,910 --> 01:48:22,960

grown to the point where now they can

2621

01:48:25,990 --> 01:48:23,920

come back

2622

01:48:27,350 --> 01:48:26,000

and kind of meet their forefathers so to

2623

01:48:30,550 --> 01:48:27,360

say and so

2624

01:48:33,350 --> 01:48:30,560

um uh they

2625

01:48:34,310 --> 01:48:33,360

their energy is closer to ours we'll

2626

01:48:36,310 --> 01:48:34,320

still notice

2627

01:48:38,390 --> 01:48:36,320

big difference but it's not going to be

2628

01:48:38,950 --> 01:48:38,400

as great as some of the other races who

2629

01:48:46,470 --> 01:48:38,960

were

2630

01:48:48,229 --> 01:48:46,480

more chaos

2631

01:48:50,310 --> 01:48:48,239

oh my goodness crypto morita thank you

2632

01:48:52,950 --> 01:48:50,320

again for your third super chat

2633

01:48:54,390 --> 01:48:52,960

i really appreciate it i'm i'm i'm i'm

2634

01:48:55,240 --> 01:48:54,400

hoping you're getting something from

2635

01:48:56,550 --> 01:48:55,250

this so

2636

01:49:01,510 --> 01:48:56,560

[Music]

2637

01:49:04,709 --> 01:49:01,520

thank you very much

2638

01:49:07,910 --> 01:49:04,719

um vicky campbell says daryl sims

2639

01:49:11,270 --> 01:49:07,920

is from texas known as

2640

01:49:12,070 --> 01:49:11,280

the alien hunter formerly worked for the

2641

01:49:33,270 --> 01:49:12,080

cia

2642

01:49:36,709 --> 01:49:35,030

uh vicki campbell says have you spoken

2643

01:49:39,430 --> 01:49:36,719

to sherry while lately

2644

01:49:41,270 --> 01:49:39,440

i wonder how she is and if she's still

2645

01:49:44,310 --> 01:49:41,280

having contact

2646

01:49:48,310 --> 01:49:44,320

um the last time i talked to her was

2647

01:49:51,510 --> 01:49:48,320

a couple of weeks before the the

2648

01:49:54,870 --> 01:49:51,520

election and she was

2649

01:49:58,149 --> 01:49:54,880

doing okay she was trying a new um

2650

01:49:59,830 --> 01:49:58,159

some kind of new um cleansing regime to

2651
01:50:00,870 --> 01:49:59,840
help her out with whatever is going on

2652
01:50:02,870 --> 01:50:00,880
with her body

2653
01:50:04,149 --> 01:50:02,880
and to just kind of help rid of some of

2654
01:50:06,390 --> 01:50:04,159
the heavy metals

2655
01:50:07,189 --> 01:50:06,400
and so that was the last thing i heard

2656
01:50:09,750 --> 01:50:07,199
from her

2657
01:50:11,510 --> 01:50:09,760
and on occasion you know we'll text back

2658
01:50:21,910 --> 01:50:11,520
and forth but this there will be months

2659
01:50:25,830 --> 01:50:23,910
so just a quick question for all of you

2660
01:50:28,470 --> 01:50:25,840
guys so now on a different note

2661
01:50:29,109 --> 01:50:28,480
um is everything else coming through

2662
01:50:31,589 --> 01:50:29,119
okay

2663
01:50:32,229 --> 01:50:31,599

sound wise for you guys i'm sorry i it's

2664

01:50:34,950 --> 01:50:32,239

been what

2665

01:50:56,790 --> 01:50:34,960

uh an hour and 50 minutes into it i

2666

01:51:00,229 --> 01:50:59,669

if you guys can um just give me a thumbs

2667

01:51:03,669 --> 01:51:00,239

up

2668

01:51:06,550 --> 01:51:03,679

for for audio and video or if um

2669

01:51:07,430 --> 01:51:06,560

because i realized the uh the the live

2670

01:51:10,870 --> 01:51:07,440

stream

2671

01:51:15,910 --> 01:51:10,880

even though um it's i'm pushing out

2672

01:51:22,390 --> 01:51:19,350

data i can't speak anymore

2673

01:51:23,189 --> 01:51:22,400

the high bitrate to to the web it's

2674

01:51:25,189 --> 01:51:23,199

still on

2675

01:51:26,709 --> 01:51:25,199

in while i try to even watch it comes

2676

01:51:28,470 --> 01:51:26,719

out a little bit grainy but

2677

01:51:29,910 --> 01:51:28,480

later on when it's finished processing

2678

01:51:32,550 --> 01:51:29,920

and when it's completed it

2679

01:51:33,350 --> 01:51:32,560

uh they finish processing it looks clear

2680

01:51:35,270 --> 01:51:33,360

and

2681

01:51:49,750 --> 01:51:35,280

good so i don't know it's just one of

2682

01:51:51,189 --> 01:51:49,760

those youtube quirks

2683

01:51:53,430 --> 01:51:51,199

yeah hazel you're right people are

2684

01:51:54,470 --> 01:51:53,440

reluctant to open up to the possibility

2685

01:51:56,629 --> 01:51:54,480

of this

2686

01:51:59,270 --> 01:51:56,639

hazel says possibility to the subject

2687

01:52:02,470 --> 01:51:59,280

because they don't want to rock the boat

2688

01:52:11,430 --> 01:52:02,480

they have a good job and

2689

01:52:18,229 --> 01:52:15,350

okay all right well i think

2690

01:52:18,950 --> 01:52:18,239

i think this let's figure we'll conclude

2691

01:52:21,750 --> 01:52:18,960

today

2692

01:52:23,030 --> 01:52:21,760

um i i try to cover as many subjects as

2693

01:52:27,030 --> 01:52:23,040

i possibly can

2694

01:52:29,589 --> 01:52:27,040

um i i will try my best to already have

2695

01:52:30,149 --> 01:52:29,599

a midweek interview published and then

2696

01:52:34,070 --> 01:52:30,159

of course

2697

01:52:37,510 --> 01:52:34,080

definitely going to have a another

2698

01:52:40,390 --> 01:52:37,520

friday 7 p.m central standard time

2699

01:52:42,149 --> 01:52:40,400

live chat with another person i don't

2700

01:52:44,790 --> 01:52:42,159

know who that is

2701
01:52:45,430 --> 01:52:44,800
who that is going to be but i'm gonna um

2702
01:52:49,270 --> 01:52:45,440
put

2703
01:52:51,830 --> 01:52:49,280
and the text

2704
01:52:53,510 --> 01:52:51,840
so whenever i do make that live and post

2705
01:52:53,830 --> 01:52:53,520
it out they'll get you'll know who that

2706
01:52:56,470 --> 01:52:53,840
is

2707
01:52:56,950 --> 01:52:56,480
even though i don't know it right now so

2708
01:53:06,709 --> 01:52:56,960
again

2709
01:53:08,550 --> 01:53:06,719
very much for your do for your super

2710
01:53:11,589 --> 01:53:08,560
chats i appreciate it

2711
01:53:12,390 --> 01:53:11,599
and um i um i hope you're getting some

2712
01:53:15,669 --> 01:53:12,400
things from

2713
01:53:18,950 --> 01:53:15,679

from this chat so i uh thank you

2714

01:53:21,990 --> 01:53:18,960

okay so this is

2715

01:53:23,910 --> 01:53:22,000

this is it for me so you guys

2716

01:53:25,589 --> 01:53:23,920

have a good night good morning wherever

2717

01:53:29,030 --> 01:53:25,599

you might be and

2718

01:53:38,830 --> 01:53:29,040

you guys enjoy and i should see you guys
