## WEBCAST

WITH  
ADNAN ADEMOVIC

MICHAEL HORN

1  
00:00:09,530 --> 00:00:07,130  
hi everyone welcome to the UFO Hub

2  
00:00:11,810 --> 00:00:09,540  
webcast today's guest is going to be

3  
00:00:14,209 --> 00:00:11,820  
Michael Horn it's the authorized

4  
00:00:16,550 --> 00:00:14,219  
American Media representative for the

5  
00:00:17,750 --> 00:00:16,560  
Billy Meyer contact and I'm going to let

6  
00:00:21,050 --> 00:00:17,760  
Michael give you a little bit more

7  
00:00:23,929 --> 00:00:21,060  
information and background about himself

8  
00:00:25,790 --> 00:00:23,939  
so Michael thanks for being on I

9  
00:00:29,509 --> 00:00:25,800  
appreciate it so please tell us a little

10  
00:00:31,189 --> 00:00:29,519  
bit about yourself well I I often say I

11  
00:00:35,150 --> 00:00:31,199  
was born at a very young age so I won't

12  
00:00:38,049 --> 00:00:35,160  
say that again but I uh more than I

13  
00:00:40,190 --> 00:00:38,059

guess half my life I've been

14

00:00:42,790 --> 00:00:40,200

researching and investigating the Billy

15

00:00:45,049 --> 00:00:42,800

Meyer contacts my own background

16

00:00:48,229 --> 00:00:45,059

experiences had nothing

17

00:00:51,709 --> 00:00:48,239

to do with science research in terms of

18

00:00:55,430 --> 00:00:51,719

preparation and education I was always

19

00:00:57,590 --> 00:00:55,440

interested in the phenomenon of uh you

20

00:00:58,750 --> 00:00:57,600

know outer space sci-fi and having grown

21

00:01:03,349 --> 00:00:58,760

up

22

00:01:08,450 --> 00:01:03,359

during the early days 1940s 50s 60s from

23

00:01:16,190 --> 00:01:12,590

exposed to the earliest form of sci-fi

24

00:01:18,050 --> 00:01:16,200

that was on radio and TV I even at that

25

00:01:21,170 --> 00:01:18,060

time I would have dreams at Night of

26

00:01:23,390 --> 00:01:21,180

Lights passing in in formations in the

27

00:01:25,310 --> 00:01:23,400

sky and all sorts of stuff so I always

28

00:01:27,890 --> 00:01:25,320

had this interest I wanted to know the

29

00:01:32,390 --> 00:01:27,900

answer to certain very important kind of

30

00:01:34,789 --> 00:01:32,400

cosmic questions and I had a little bit

31

00:01:36,950 --> 00:01:34,799

of help with that from my mother but

32

00:01:38,450 --> 00:01:36,960

um we are not

33

00:01:40,730 --> 00:01:38,460

what would you say we weren't a

34

00:01:42,289 --> 00:01:40,740

religious family so everything that I

35

00:01:44,990 --> 00:01:42,299

wanted to know basically she put on me

36

00:01:46,190 --> 00:01:45,000

which was great go find out I had asked

37

00:01:48,109 --> 00:01:46,200

her when I was 10 years old you know

38

00:01:49,850 --> 00:01:48,119

what what is God and Jesus I want to

39

00:01:51,770 --> 00:01:49,860

know the truth and she said well as far

40

00:01:53,149 --> 00:01:51,780

as God is concerned I would just say God

41

00:01:55,670 --> 00:01:53,159

is love the rest of it you have to

42

00:01:57,590 --> 00:01:55,680

figure out for yourself so one of the

43

00:02:00,889 --> 00:01:57,600

benefits of having

44

00:02:03,170 --> 00:02:00,899

spent 42 years researching the Meyer

45

00:02:05,330 --> 00:02:03,180

Material going to Switzerland 20 times

46

00:02:08,469 --> 00:02:05,340

to meet with him interview him make

47

00:02:10,850 --> 00:02:08,479

films interview uh other

48

00:02:13,010 --> 00:02:10,860

eyewitnesses to events there and all of

49

00:02:16,430 --> 00:02:13,020

that is that I got the answers that

50

00:02:19,970 --> 00:02:16,440

satisfied me to those two huge questions

51  
00:02:22,670 --> 00:02:19,980  
and many many other ones and there's

52  
00:02:25,250 --> 00:02:22,680  
still things of course you know that we

53  
00:02:27,350 --> 00:02:25,260  
keep on studying and searching so my

54  
00:02:29,330 --> 00:02:27,360  
background other than that Music Arts

55  
00:02:31,850 --> 00:02:29,340  
I've returned to now recording some of

56  
00:02:34,490 --> 00:02:31,860  
my songs in very basic format that I

57  
00:02:36,830 --> 00:02:34,500  
never got around to recording before and

58  
00:02:39,229 --> 00:02:36,840  
I'm just trying to balance my left and

59  
00:02:41,869 --> 00:02:39,239  
right hemispheres the research

60  
00:02:43,850 --> 00:02:41,879  
investigation and this is actually the

61  
00:02:45,650 --> 00:02:43,860  
left and then the creative part on the

62  
00:02:47,690 --> 00:02:45,660  
right so that I don't go crazy with the

63  
00:02:50,750 --> 00:02:47,700

events of of the world and the

64

00:02:51,589 --> 00:02:50,760

difficulty that I and others have trying

65

00:02:55,790 --> 00:02:51,599

to

66

00:02:58,550 --> 00:02:55,800

explain or present this invaluable

67

00:03:00,470 --> 00:02:58,560

information to people many of whom have

68

00:03:03,050 --> 00:03:00,480

already been indoctrinated throughout

69

00:03:07,729 --> 00:03:03,060

their lives in a in a religion or a

70

00:03:09,530 --> 00:03:07,739

belief system or have ideas that prevent

71

00:03:12,229 --> 00:03:09,540

them from being able to even approach

72

00:03:14,630 --> 00:03:12,239

this type of information so it's a every

73

00:03:17,270 --> 00:03:14,640

day I work like seven days a week I'm

74

00:03:20,750 --> 00:03:17,280

doing this to some degree or other most

75

00:03:22,550 --> 00:03:20,760

of it's kind of a large degree so this

76

00:03:23,990 --> 00:03:22,560

is you know what I'm very interested in

77

00:03:27,470 --> 00:03:24,000

this is what I do

78

00:03:30,050 --> 00:03:27,480

so Michael can you uh tell us and how

79

00:03:33,289 --> 00:03:30,060

did you initially get in touch or or

80

00:03:37,009 --> 00:03:33,299

started this relationship with Billy yes

81

00:03:39,289 --> 00:03:37,019

of course in 1979 I walked into a pardon

82

00:03:41,930 --> 00:03:39,299

me a bookstore in Los Angeles called the

83

00:03:44,449 --> 00:03:41,940

Bodhi Tree uh what you'd call I guess a

84

00:03:46,490 --> 00:03:44,459

metaphysical type bookstore New Age what

85

00:03:48,830 --> 00:03:46,500

have you and as I walked in there was

86

00:03:51,289 --> 00:03:48,840

this book on a shelf just below eye

87

00:03:54,229 --> 00:03:51,299

level and facing me and it had this

88

00:03:56,270 --> 00:03:54,239

amazing photograph of it of a UFO art

89

00:03:58,490 --> 00:03:56,280

and I'm going wow that's real and it was

90

00:04:00,649 --> 00:03:58,500

at 79 you know

91

00:04:01,970 --> 00:04:00,659

um anyway I've got to look at that so I

92

00:04:03,470 --> 00:04:01,980

looked at the book and I've got to have

93

00:04:07,009 --> 00:04:03,480

this book I still have it of course to

94

00:04:09,470 --> 00:04:07,019

this day and I still have the certainty

95

00:04:12,350 --> 00:04:09,480

that it's all real but I have a lot more

96

00:04:16,849 --> 00:04:12,360

to go on than I did just in terms of

97

00:04:20,229 --> 00:04:16,859

that boom there it is so 79 I start 86 I

98

00:04:23,210 --> 00:04:20,239

get about 1800 pages of documentation

99

00:04:24,950 --> 00:04:23,220

actually transcripts of some of Myers

100

00:04:28,730 --> 00:04:24,960

conversations MO most of them at the

101  
00:04:30,710 --> 00:04:28,740  
time between 75 and 78 and I spend

102  
00:04:32,930 --> 00:04:30,720  
months going over them reading them

103  
00:04:35,330 --> 00:04:32,940  
because they were translated from the

104  
00:04:36,710 --> 00:04:35,340  
German by someone who was far more a

105  
00:04:39,050 --> 00:04:36,720  
German speaker than an English speaker

106  
00:04:40,550 --> 00:04:39,060  
they were a little bit uh you know you

107  
00:04:42,170 --> 00:04:40,560  
know how the verbs are at the end of the

108  
00:04:44,570 --> 00:04:42,180  
sentences and all of that stuff

109  
00:04:47,510 --> 00:04:44,580  
so that was a little challenging but uh

110  
00:04:48,790 --> 00:04:47,520  
that is what actually opened me up

111  
00:04:50,870 --> 00:04:48,800  
to

112  
00:04:54,590 --> 00:04:50,880  
realizing that this was about something

113  
00:04:56,689 --> 00:04:54,600

far more important than UFOs and you

114

00:04:59,210 --> 00:04:56,699

know the world of ufology is filled with

115

00:05:00,890 --> 00:04:59,220

all sorts of claims and stuff and that's

116

00:05:02,810 --> 00:05:00,900

you know the subject I'm not shy about

117

00:05:06,890 --> 00:05:02,820

getting into because I've had to

118

00:05:10,310 --> 00:05:06,900

confront it uh head on for many years

119

00:05:12,529 --> 00:05:10,320

and when I found this information and

120

00:05:15,350 --> 00:05:12,539

studied it and was reading it I put it

121

00:05:18,170 --> 00:05:15,360

away two years after I received it in

122

00:05:20,450 --> 00:05:18,180

1988 happened to open a local newspaper

123

00:05:22,550 --> 00:05:20,460

there was an article about a new

124

00:05:25,310 --> 00:05:22,560

discovery from Lawrence Livermore Labs

125

00:05:28,210 --> 00:05:25,320

California pertaining to the connection

126

00:05:31,490 --> 00:05:28,220

between the ozone damage and the

127

00:05:35,090 --> 00:05:31,500

explosion of a-bombs and testings of a

128

00:05:36,950 --> 00:05:35,100

bombs and radiation and I looked at that

129

00:05:38,990 --> 00:05:36,960

information that had percentages and all

130

00:05:40,550 --> 00:05:39,000

that in this article and I thought why

131

00:05:42,590 --> 00:05:40,560

do I already know this how could I know

132

00:05:45,170 --> 00:05:42,600

this already reached under the bed I

133

00:05:47,810 --> 00:05:45,180

pulled out 100 page block first 100

134

00:05:50,689 --> 00:05:47,820

Pages there it is uh the alleged

135

00:05:52,310 --> 00:05:50,699

extraterrestrial woman samyaze is

136

00:05:55,309 --> 00:05:52,320

explaining to Billy Meyer that he has to

137

00:05:57,350 --> 00:05:55,319

contact a scientist at Harvard I believe

138

00:05:59,510 --> 00:05:57,360

named Michael McElroy

139

00:06:02,450 --> 00:05:59,520

who would understand this information

140

00:06:04,189 --> 00:06:02,460

about the atmosphere and the real damage

141

00:06:07,670 --> 00:06:04,199

being done to it by

142

00:06:10,550 --> 00:06:07,680

Atomic explosions this wasn't all just

143

00:06:13,670 --> 00:06:10,560

greenhouse gases far more

144

00:06:16,610 --> 00:06:13,680

other other factors that even at least

145

00:06:18,950 --> 00:06:16,620

as much if not far more damaging and all

146

00:06:21,469 --> 00:06:18,960

this other detailed information and then

147

00:06:23,590 --> 00:06:21,479

a couple years after that I saw an

148

00:06:26,390 --> 00:06:23,600

article about the connection between

149

00:06:29,749 --> 00:06:26,400

the extraction of petroleum and natural

150

00:06:31,490 --> 00:06:29,759

gas and earthquakes and sinkholes you

151

00:06:34,909 --> 00:06:31,500

might call them too Earth collapsing it

152

00:06:37,010 --> 00:06:34,919

and I knew now I thought this is this is

153

00:06:40,010 --> 00:06:37,020

way about something more important and

154

00:06:42,110 --> 00:06:40,020

that began that 86 to 88 period is when

155

00:06:45,110 --> 00:06:42,120

I started to really pay a lot more

156

00:06:47,409 --> 00:06:45,120

attention found one after another and

157

00:06:50,950 --> 00:06:47,419

the interesting thing is

158

00:06:53,689 --> 00:06:50,960

these types of pieces of information

159

00:06:56,330 --> 00:06:53,699

were expressed to Meyer in conversation

160

00:06:58,610 --> 00:06:56,340

it wasn't like some of the prophecies

161

00:07:00,589 --> 00:06:58,620

and predictions in this case are stated

162

00:07:02,450 --> 00:07:00,599

numbered prophecies predictions whatever

163

00:07:04,969 --> 00:07:02,460

and they're they're frighteningly

164

00:07:06,529 --> 00:07:04,979

accurate enough but this information he

165

00:07:08,689 --> 00:07:06,539

would ask a question they would say well

166

00:07:10,749 --> 00:07:08,699

uh by the way about this you know that

167

00:07:13,430 --> 00:07:10,759

and they say well this is what we know

168

00:07:16,550 --> 00:07:13,440

and uh about all the planets in the

169

00:07:18,230 --> 00:07:16,560

solar system and we've called over 250

170

00:07:20,390 --> 00:07:18,240

specific examples

171

00:07:23,409 --> 00:07:20,400

a prophetically accurate scientific

172

00:07:26,749 --> 00:07:23,419

Environmental geopolitical information

173

00:07:28,430 --> 00:07:26,759

that has staggered scientists we brought

174

00:07:31,370 --> 00:07:28,440

it through they can't even comment they

175

00:07:33,950 --> 00:07:31,380

don't want to I have examples of that

176

00:07:35,870 --> 00:07:33,960

I've run this by a challenge to judge I

177

00:07:38,210 --> 00:07:35,880

was in Las Vegas for a

178

00:07:40,129 --> 00:07:38,220

UFO related thing a few years back and

179

00:07:42,529 --> 00:07:40,139

this guy came over and he turned out to

180

00:07:44,809 --> 00:07:42,539

be a retired judge he thought this was a

181

00:07:46,550 --> 00:07:44,819

hoax and I quickly

182

00:07:48,830 --> 00:07:46,560

challenged him

183

00:07:50,450 --> 00:07:48,840

showed him some information that had

184

00:07:52,129 --> 00:07:50,460

copyright on it and said who prevails in

185

00:07:53,689 --> 00:07:52,139

your courtroom he says you do how much

186

00:07:55,969 --> 00:07:53,699

is the book in the film

187

00:07:59,629 --> 00:07:55,979

people who are

188

00:08:01,309 --> 00:07:59,639

not as I I didn't come into this knowing

189

00:08:03,050 --> 00:08:01,319

anything much about copyrights except I

190

00:08:06,650 --> 00:08:03,060

would copyright my songs and knew that

191

00:08:09,170 --> 00:08:06,660

much I didn't come into this

192

00:08:12,350 --> 00:08:09,180

understanding a lot of things that I

193

00:08:15,290 --> 00:08:12,360

understand better there's many things in

194

00:08:19,309 --> 00:08:15,300

this case my understanding of them fully

195

00:08:22,909 --> 00:08:19,319

is small it's growing I study but the

196

00:08:25,550 --> 00:08:22,919

factual reality and The Proven accuracy

197

00:08:28,070 --> 00:08:25,560

and verifiable publication I basically

198

00:08:30,890 --> 00:08:28,080

pioneered that to establish that this is

199

00:08:33,889 --> 00:08:30,900

the higher standard proof it does not

200

00:08:35,690 --> 00:08:33,899

exist in any other UFO case and neither

201  
00:08:37,370 --> 00:08:35,700  
does the physical evidence that Billy

202  
00:08:40,130 --> 00:08:37,380  
Meyer has which is why I don't even know

203  
00:08:41,750 --> 00:08:40,140  
why people talk about UFO cases it's all

204  
00:08:43,190 --> 00:08:41,760  
anecdotal there's some photographs here

205  
00:08:45,410 --> 00:08:43,200  
and there it's not certain things

206  
00:08:47,570 --> 00:08:45,420  
haven't happened Roswell was real but

207  
00:08:50,750 --> 00:08:47,580  
there's nothing left so this is an

208  
00:08:53,750 --> 00:08:50,760  
ongoing contact case it's almost running

209  
00:08:56,870 --> 00:08:53,760  
for almost 80 years and yet most of the

210  
00:08:59,630 --> 00:08:56,880  
people involved in UFOs know nothing

211  
00:09:01,730 --> 00:08:59,640  
about it I am always surprised

212  
00:09:03,290 --> 00:09:01,740  
they don't know a thing about

213  
00:09:05,570 --> 00:09:03,300

so

214

00:09:07,910 --> 00:09:05,580

um can you maybe go a little bit in into

215

00:09:10,370 --> 00:09:07,920

the details about

216

00:09:12,290 --> 00:09:10,380

um maybe just a little bit about Billy

217

00:09:14,509 --> 00:09:12,300

that people might not know how he

218

00:09:16,790 --> 00:09:14,519

initially uh I guess happened to have

219

00:09:19,130 --> 00:09:16,800

this this contact

220

00:09:21,230 --> 00:09:19,140

uh now I like to say according to the

221

00:09:22,730 --> 00:09:21,240

information of the case where it's

222

00:09:25,550 --> 00:09:22,740

something that's presented that I

223

00:09:28,790 --> 00:09:25,560

personally either can't prove because of

224

00:09:32,630 --> 00:09:28,800

the far distant past or the as yet

225

00:09:34,550 --> 00:09:32,640

unarrived future or it's not something

226

00:09:37,070 --> 00:09:34,560

experientially that I can do more than

227

00:09:38,269 --> 00:09:37,080

you know Chase down in biographical

228

00:09:43,190 --> 00:09:38,279

information

229

00:09:45,110 --> 00:09:43,200

Edward Albert Meyer which was his given

230

00:09:49,250 --> 00:09:45,120

name as a five-year-old boy living in

231

00:09:52,790 --> 00:09:49,260

Switzerland in 1942 since he was born in

232

00:09:55,670 --> 00:09:52,800

1937 along with his father on one bright

233

00:09:58,490 --> 00:09:55,680

sunny day observes a silver disc

234

00:10:00,650 --> 00:09:58,500

Passover head in his beautiful little

235

00:10:02,870 --> 00:10:00,660

rural Swiss Village

236

00:10:05,269 --> 00:10:02,880

he asks his father what's that his

237

00:10:07,730 --> 00:10:05,279

father said I don't know I maybe it's a

238

00:10:10,430 --> 00:10:07,740

secret weapon from from Hitler because

239

00:10:13,009 --> 00:10:10,440

this is towards the what would become

240

00:10:14,750 --> 00:10:13,019

the tail end of the second World War

241

00:10:17,870 --> 00:10:14,760

and uh

242

00:10:20,509 --> 00:10:17,880

that goes not much further between the

243

00:10:23,810 --> 00:10:20,519

two of them they didn't know but shortly

244

00:10:26,750 --> 00:10:23,820

after that that young Edward hears a

245

00:10:29,150 --> 00:10:26,760

voice in his head an elderly man's voice

246

00:10:32,630 --> 00:10:29,160

speaking to him in his dialect

247

00:10:35,509 --> 00:10:32,640

and he's a little perplexed by that

248

00:10:37,970 --> 00:10:35,519

and that's the first it's a telepathic

249

00:10:39,310 --> 00:10:37,980

contact he knows nothing about this he

250

00:10:43,610 --> 00:10:39,320

confides

251  
00:10:45,829 --> 00:10:43,620  
in the parish priest father Zimmerman

252  
00:10:47,569 --> 00:10:45,839  
he doesn't know at this time anything

253  
00:10:49,850 --> 00:10:47,579  
about what's happening to him and he

254  
00:10:52,190 --> 00:10:49,860  
also doesn't know that father Zimmerman

255  
00:10:56,030 --> 00:10:52,200  
has also been telepathically contacted

256  
00:11:00,230 --> 00:10:56,040  
by this extraterrestrial human being

257  
00:11:04,269 --> 00:11:00,240  
named svath s-f-a-t-h

258  
00:11:06,650 --> 00:11:04,279  
en swath had because father Zimmerman

259  
00:11:09,050 --> 00:11:06,660  
his Consciousness even though he was a

260  
00:11:11,569 --> 00:11:09,060  
religious figure leader in the community

261  
00:11:13,190 --> 00:11:11,579  
his Consciousness was more evolved than

262  
00:11:14,930 --> 00:11:13,200  
most of the people there and he could

263  
00:11:17,030 --> 00:11:14,940

Embrace and accept

264

00:11:19,550 --> 00:11:17,040

things that were outside of their

265

00:11:21,290 --> 00:11:19,560

immediate reality so to try to not drag

266

00:11:23,329 --> 00:11:21,300

the story on too far with all the

267

00:11:24,889 --> 00:11:23,339

details and they're they're fed it's all

268

00:11:27,350 --> 00:11:24,899

fascinating but

269

00:11:29,389 --> 00:11:27,360

it is a short time after that he that

270

00:11:31,490 --> 00:11:29,399

young Edward he goes to Father Zimmerman

271

00:11:34,250 --> 00:11:31,500

who assures him that he's not going

272

00:11:36,530 --> 00:11:34,260

crazy that there's nothing to be feared

273

00:11:38,269 --> 00:11:36,540

here there's no harm to him and that he

274

00:11:40,310 --> 00:11:38,279

should let whatever occurs from this

275

00:11:41,990 --> 00:11:40,320

happen and he can always confide in him

276

00:11:44,750 --> 00:11:42,000

okay

277

00:11:47,990 --> 00:11:44,760

it's a short while later or sometime

278

00:11:51,110 --> 00:11:48,000

later and I forget the exact spam

279

00:11:53,930 --> 00:11:51,120

that he goes out one day into the little

280

00:11:56,389 --> 00:11:53,940

Forest near his home or large forests so

281

00:11:58,610 --> 00:11:56,399

many beautiful forests in Switzerland

282

00:12:00,350 --> 00:11:58,620

and he's walking in there's a clearing

283

00:12:02,870 --> 00:12:00,360

and he looks

284

00:12:05,449 --> 00:12:02,880

there's a pear-shaped Craft on three

285

00:12:07,850 --> 00:12:05,459

strut legs and standing in front of it

286

00:12:10,069 --> 00:12:07,860

is its elderly looking man

287

00:12:13,910 --> 00:12:10,079

in what looks like a deep sea diver suit

288

00:12:17,389 --> 00:12:13,920

without a helmet and Meyer recalls and

289

00:12:20,150 --> 00:12:17,399

has said many times this man seemed very

290

00:12:22,550 --> 00:12:20,160

benevolent I had no fear of him he

291

00:12:26,629 --> 00:12:22,560

beckoned me I came forward and that

292

00:12:29,269 --> 00:12:26,639

began my 11 years of contacts and you

293

00:12:31,670 --> 00:12:29,279

know being tutored and mentored by sloth

294

00:12:33,410 --> 00:12:31,680

which involved many interesting things

295

00:12:35,569 --> 00:12:33,420

including

296

00:12:38,990 --> 00:12:35,579

going on board the craft having many

297

00:12:42,889 --> 00:12:39,000

things shown to me explain to me devices

298

00:12:47,030 --> 00:12:42,899

used to accelerate uh my awareness of

299

00:12:50,269 --> 00:12:47,040

things my ability to think

300

00:12:53,449 --> 00:12:50,279

uh things from the very far distant past

301

00:12:56,629 --> 00:12:53,459

that were connected as well to other

302

00:12:59,810 --> 00:12:56,639

personalities of mine many things like

303

00:13:01,129 --> 00:12:59,820

this that occurred and svath had you

304

00:13:03,410 --> 00:13:01,139

know was in

305

00:13:08,030 --> 00:13:03,420

was was teaching and showing me all

306

00:13:10,970 --> 00:13:08,040

these these things so he said um

307

00:13:13,690 --> 00:13:10,980

and and we learn from his writing that

308

00:13:17,210 --> 00:13:13,700

svath took him not only to many places

309

00:13:20,629 --> 00:13:17,220

on Earth and off of Earth but to many

310

00:13:22,790 --> 00:13:20,639

different times

311

00:13:27,410 --> 00:13:22,800

according to the information of the case

312

00:13:30,110 --> 00:13:27,420

that was an 11-year mentoring by svaf as

313

00:13:32,569 --> 00:13:30,120

he was passing from existence

314

00:13:35,090 --> 00:13:32,579

he contacted Meyer telepathically and

315

00:13:38,030 --> 00:13:35,100

informed him of that that he would no

316

00:13:40,910 --> 00:13:38,040

longer be his contact and there would be

317

00:13:44,170 --> 00:13:40,920

a woman who would contact him next that

318

00:13:46,910 --> 00:13:44,180

turned out to be a woman named esquet

319

00:13:50,629 --> 00:13:46,920

allegedly from an adjoining Universe

320

00:13:51,949 --> 00:13:50,639

virus called the Dal universe and she

321

00:13:55,790 --> 00:13:51,959

took over

322

00:13:59,810 --> 00:13:55,800

from the time he was 16 until about 27.

323

00:14:02,090 --> 00:13:59,820

and it would be again very interesting

324

00:14:06,410 --> 00:14:02,100

developments

325

00:14:08,210 --> 00:14:06,420

travels in space and time and many many

326

00:14:11,689 --> 00:14:08,220

things that would be fascinating she

327

00:14:14,030 --> 00:14:11,699

would do her 11 years with him during

328

00:14:15,949 --> 00:14:14,040

which time he would also have gone into

329

00:14:18,650 --> 00:14:15,959

the French Foreign Legion he would start

330

00:14:21,050 --> 00:14:18,660

many travels around the world and then

331

00:14:23,210 --> 00:14:21,060

ultimately after certain events in his

332

00:14:25,790 --> 00:14:23,220

life including the loss of his left arm

333

00:14:32,569 --> 00:14:25,800

and other damage to himself in his body

334

00:14:35,689 --> 00:14:32,579

uh in 1965 it would be later in 1975

335

00:14:39,530 --> 00:14:35,699

that he would have the third contact

336

00:14:41,930 --> 00:14:39,540

person also a woman named Sim yazay and

337

00:14:44,569 --> 00:14:41,940

from there as an adult Meyer is

338

00:14:48,189 --> 00:14:44,579

introduced to other people who are in

339

00:14:51,290 --> 00:14:48,199

this so-called playaran race

340

00:14:54,230 --> 00:14:51,300

p-l-e-j-a-r-e-n and other human beings

341

00:14:56,269 --> 00:14:54,240

from other races who are in a federation

342

00:14:58,370 --> 00:14:56,279

with these people but it has nothing to

343

00:15:01,790 --> 00:14:58,380

do with the imaginary Galactic

344

00:15:04,189 --> 00:15:01,800

Federation and all of this stuff that

345

00:15:06,430 --> 00:15:04,199

comes out of ufology it's actually a

346

00:15:10,250 --> 00:15:06,440

real Federation of

347

00:15:12,769 --> 00:15:10,260

peoples on different planets and who

348

00:15:15,350 --> 00:15:12,779

work together and even go so far as to

349

00:15:17,750 --> 00:15:15,360

try to assist us through a peace

350

00:15:20,090 --> 00:15:17,760

meditation not by coming down and

351

00:15:22,610 --> 00:15:20,100

meeting with people or contacting

352

00:15:24,710 --> 00:15:22,620

downloading all these uh silly things

353

00:15:26,810 --> 00:15:24,720

that are talked about in ufology that

354

00:15:29,090 --> 00:15:26,820

don't happen but

355

00:15:30,889 --> 00:15:29,100

um you know I'm expressing that opinion

356

00:15:34,550 --> 00:15:30,899

I don't mind being challenged on any of

357

00:15:38,329 --> 00:15:34,560

it uh this is all real life

358

00:15:40,249 --> 00:15:38,339

real people human beings there's not the

359

00:15:43,009 --> 00:15:40,259

imaginary Grays and I say imaginary

360

00:15:44,870 --> 00:15:43,019

because the Grays were Androids that

361

00:15:46,790 --> 00:15:44,880

were recovered at the Roswell crash

362

00:15:49,329 --> 00:15:46,800

according to this information I first

363

00:15:52,370 --> 00:15:49,339

heard about the Roswell crash in about

364

00:15:55,670 --> 00:15:52,380

1956 or seven as a teenager in the

365

00:15:57,769 --> 00:15:55,680

school in Chicago never forget it so I I

366

00:15:59,090 --> 00:15:57,779

knew then from what this friend of mine

367

00:16:00,889 --> 00:15:59,100

was telling me because his dad was in

368

00:16:01,670 --> 00:16:00,899

the Air Force there had been a crashed

369

00:16:04,129 --> 00:16:01,680

craft

370

00:16:06,350 --> 00:16:04,139

uh and then Meyer has gone on to bring

371

00:16:08,629 --> 00:16:06,360

forward more information about it but

372

00:16:11,449 --> 00:16:08,639

that's a you know another side shoot I

373

00:16:14,810 --> 00:16:11,459

don't want to get off your question too

374

00:16:17,629 --> 00:16:14,820

much so Myers contacts then continue to

375

00:16:19,129 --> 00:16:17,639

this day and have been ongoing now for

376

00:16:22,310 --> 00:16:19,139

almost 80 years

377

00:16:25,790 --> 00:16:22,320

so can you maybe just go a little bit

378

00:16:27,050 --> 00:16:25,800

into what it is that I guess maybe from

379

00:16:29,210 --> 00:16:27,060

the very beginning they got your

380

00:16:32,150 --> 00:16:29,220

interest and then all the way leading up

381

00:16:34,670 --> 00:16:32,160

today of all that Billy Meyer was

382

00:16:35,749 --> 00:16:34,680

basically convention sure well

383

00:16:38,509 --> 00:16:35,759

um

384

00:16:42,230 --> 00:16:38,519

once I had that book that was the first

385

00:16:44,769 --> 00:16:42,240

thing 79 86 I've got these transcripts

386

00:16:47,930 --> 00:16:44,779

88 I'm seeing this first information

387

00:16:52,129 --> 00:16:47,940

that I already read two years earlier

388

00:16:57,290 --> 00:16:52,139

that was published 13 years before that

389

00:17:00,650 --> 00:16:57,300

uh or more maybe four whatever uh 13. so

390

00:17:02,389 --> 00:17:00,660

that got I mean I was into having to

391

00:17:03,610 --> 00:17:02,399

find out what this was about and to

392

00:17:07,370 --> 00:17:03,620

learn the truth

393

00:17:10,970 --> 00:17:07,380

I meet a fellow in Los Angeles in 1986

394

00:17:14,569 --> 00:17:10,980

as well named Randolph Winters

395

00:17:16,929 --> 00:17:14,579

and Randy uh was a spokesperson for the

396

00:17:20,090 --> 00:17:16,939

Meyer case at that time I was doing

397

00:17:21,350 --> 00:17:20,100

introductory music and comedy for his

398

00:17:23,689 --> 00:17:21,360

presentations

399

00:17:26,329 --> 00:17:23,699

and I had read all this uh information

400

00:17:28,490 --> 00:17:26,339

he had already gone to Switzerland I of

401  
00:17:30,770 --> 00:17:28,500  
course hadn't yet and I would then I

402  
00:17:33,110 --> 00:17:30,780  
would do my entertainment for him

403  
00:17:34,730 --> 00:17:33,120  
New Age comedy songs about all sorts of

404  
00:17:36,350 --> 00:17:34,740  
things and then I'd sit down in the

405  
00:17:39,710 --> 00:17:36,360  
audience because he was a really good

406  
00:17:43,549 --> 00:17:39,720  
presenter but I noticed over time that

407  
00:17:44,870 --> 00:17:43,559  
he was saying things that I was already

408  
00:17:48,470 --> 00:17:44,880  
kind of familiar with this information

409  
00:17:49,730 --> 00:17:48,480  
and it wasn't jiving it was like up to

410  
00:17:52,370 --> 00:17:49,740  
here it was right and then they insert

411  
00:17:54,830 --> 00:17:52,380  
something that was either wrong or he

412  
00:17:57,770 --> 00:17:54,840  
had created it or where so

413  
00:18:00,169 --> 00:17:57,780

I kept on going and then finally one day

414

00:18:01,850 --> 00:18:00,179

it was somewhere in 87 I said Randy I'd

415

00:18:04,370 --> 00:18:01,860

like to do presentations on this too and

416

00:18:05,810 --> 00:18:04,380

he was very nice Randy said sure I'll

417

00:18:07,970 --> 00:18:05,820

give you some slides you know we had to

418

00:18:10,490 --> 00:18:07,980

slide Carousel and there they are good

419

00:18:12,169 --> 00:18:10,500

luck have a good time so I think my

420

00:18:15,529 --> 00:18:12,179

first presentation may have even been in

421

00:18:17,690 --> 00:18:15,539

Maui and then I was presenting in LA and

422

00:18:19,430 --> 00:18:17,700

then you know bopping around

423

00:18:19,970 --> 00:18:19,440

so

424

00:18:22,850 --> 00:18:19,980

um

425

00:18:24,590 --> 00:18:22,860

then I Randy and I had made a video

426

00:18:26,090 --> 00:18:24,600

together he was the narrator for

427

00:18:27,590 --> 00:18:26,100

something called the pleiadian

428

00:18:29,210 --> 00:18:27,600

connection and I was a behind the scene

429

00:18:30,529 --> 00:18:29,220

producer and trying to you know keep

430

00:18:32,510 --> 00:18:30,539

things on well I don't think it's

431

00:18:34,549 --> 00:18:32,520

exactly right you know wherever I had

432

00:18:36,710 --> 00:18:34,559

that uh point of view about it and just

433

00:18:38,630 --> 00:18:36,720

that it's still out there that you know

434

00:18:40,370 --> 00:18:38,640

this day it's I think it was released in

435

00:18:43,730 --> 00:18:40,380

87.

436

00:18:47,330 --> 00:18:43,740

but I went and joined a study group in

437

00:18:48,830 --> 00:18:47,340

Los Angeles in the late 90s about the

438

00:18:51,710 --> 00:18:48,840

## Meyer Material

439

00:18:55,010 --> 00:18:51,720

and uh I still know some of the people

440

00:18:58,070 --> 00:18:55,020

from that to the state reconnected and

441

00:18:59,450 --> 00:18:58,080

they suggested to me in early 2000 that

442

00:19:01,310 --> 00:18:59,460

I should

443

00:19:03,710 --> 00:19:01,320

kind of join what's called a passive

444

00:19:05,450 --> 00:19:03,720

membership thing and then I could go and

445

00:19:06,529 --> 00:19:05,460

hang out with people in Switzerland once

446

00:19:08,270 --> 00:19:06,539

a year

447

00:19:10,730 --> 00:19:08,280

officially for three days work with

448

00:19:13,610 --> 00:19:10,740

people go to a meeting hang out longer I

449

00:19:17,029 --> 00:19:13,620

said great so I did and uh

450

00:19:19,430 --> 00:19:17,039

met Billy for the first time in 2000

451  
00:19:22,630 --> 00:19:19,440  
went back almost every year I missed one

452  
00:19:26,330 --> 00:19:22,640  
year I think uh between then and about

453  
00:19:30,110 --> 00:19:26,340  
2019 so I'd been there 20 times and I

454  
00:19:33,409 --> 00:19:30,120  
was there twice in 2006 we were filming

455  
00:19:35,870 --> 00:19:33,419  
in 2006 and it had already been to the

456  
00:19:38,810 --> 00:19:35,880  
meeting earlier I think in May something

457  
00:19:42,710 --> 00:19:38,820  
like that so so

458  
00:19:44,810 --> 00:19:42,720  
um it was in 2004 that I asked Billy

459  
00:19:47,090 --> 00:19:44,820  
again if I could well actually really

460  
00:19:48,650 --> 00:19:47,100  
for the first time can I officially

461  
00:19:51,289 --> 00:19:48,660  
represent you

462  
00:19:53,510 --> 00:19:51,299  
and I here's what I would propose

463  
00:19:55,669 --> 00:19:53,520

because I I know you've had trouble with

464

00:19:57,730 --> 00:19:55,679

things being changed around and I said

465

00:20:02,630 --> 00:19:57,740

look I will present your information

466

00:20:05,029 --> 00:20:02,640

exactly as you publish it as long as I

467

00:20:06,350 --> 00:20:05,039

can reserve the right to say I'm not

468

00:20:10,370 --> 00:20:06,360

sure about this

469

00:20:12,710 --> 00:20:10,380

I disagree with it if I don't know if I

470

00:20:14,690 --> 00:20:12,720

can't know for myself that a given thing

471

00:20:16,070 --> 00:20:14,700

is true for whatever reason I'll simply

472

00:20:19,070 --> 00:20:16,080

say according to the information of the

473

00:20:20,690 --> 00:20:19,080

case so and I said and of course I I

474

00:20:23,930 --> 00:20:20,700

don't want you to pay me I won't pay you

475

00:20:25,490 --> 00:20:23,940

we'll keep it clean nobody gets a profit

476

00:20:27,470 --> 00:20:25,500

out of that because people are going to

477

00:20:28,850 --> 00:20:27,480

attack me any how they attack you

478

00:20:32,630 --> 00:20:28,860

they're certainly going to attack mayor

479

00:20:36,710 --> 00:20:32,640

for money so we created that and now I'm

480

00:20:38,570 --> 00:20:36,720

in the uh let's see that was 2004 14.

481

00:20:41,810 --> 00:20:38,580

I've been I think my third contract of

482

00:20:43,549 --> 00:20:41,820

seven years with them which we signed uh

483

00:20:46,010 --> 00:20:43,559

in 2018.

484

00:20:48,590 --> 00:20:46,020

so ever since I traveled around

485

00:20:50,510 --> 00:20:48,600

different places in the world and done a

486

00:20:52,190 --> 00:20:50,520

lot of different interviews made five

487

00:20:54,770 --> 00:20:52,200

documentaries all together

488

00:20:56,510 --> 00:20:54,780

uh taking on every one of the top

489

00:20:59,870 --> 00:20:56,520

International professional Skeptics I

490

00:21:04,310 --> 00:20:59,880

could I'm now working on this seti group

491

00:21:07,010 --> 00:21:04,320

scti because it is an enormous fraud and

492

00:21:09,830 --> 00:21:07,020

the man who is the front for it now a

493

00:21:12,169 --> 00:21:09,840

guy named Seth schostak uh is a terrible

494

00:21:14,450 --> 00:21:12,179

con artist he's really I'm saying this

495

00:21:17,090 --> 00:21:14,460

openly they could I would invite they

496

00:21:18,350 --> 00:21:17,100

won't sue me uh I only wish they would

497

00:21:20,450 --> 00:21:18,360

they won't because it would bring

498

00:21:22,549 --> 00:21:20,460

attention to the minor case which they

499

00:21:25,130 --> 00:21:22,559

suppress it's a whole thing here it's

500

00:21:27,830 --> 00:21:25,140

crazy they won't look at Meyer's

501  
00:21:29,270 --> 00:21:27,840  
evidence they say it's phony they don't

502  
00:21:31,430 --> 00:21:29,280  
look at it and they won't look at it

503  
00:21:34,370 --> 00:21:31,440  
because they say it has to be looked at

504  
00:21:37,070 --> 00:21:34,380  
by some scientists who do a peer review

505  
00:21:39,590 --> 00:21:37,080  
and they don't have the time well if you

506  
00:21:42,230 --> 00:21:39,600  
don't have the time how can you say it's

507  
00:21:44,690 --> 00:21:42,240  
real or not real and how can you then

508  
00:21:46,669 --> 00:21:44,700  
also say that other scientists who you

509  
00:21:49,370 --> 00:21:46,679  
say also won't have the time should

510  
00:21:52,730 --> 00:21:49,380  
reveal I mean it's a real Catch-22 it's

511  
00:21:56,390 --> 00:21:52,740  
a fraud it is a terrible hoax and and a

512  
00:21:58,970 --> 00:21:56,400  
fraud and it's Shameless it is

513  
00:22:00,770 --> 00:21:58,980

it I cannot tell you the damage it's

514

00:22:03,770 --> 00:22:00,780

done to our world to have an

515

00:22:08,630 --> 00:22:03,780

organization like this pretending

516

00:22:12,610 --> 00:22:08,640

they do not have protocols personnel

517

00:22:15,710 --> 00:22:12,620

or any equipment to analyze any evidence

518

00:22:16,549 --> 00:22:15,720

they say the only actual evidence will

519

00:22:19,610 --> 00:22:16,559

come

520

00:22:22,070 --> 00:22:19,620

through radio signals or the language of

521

00:22:23,330 --> 00:22:22,080

math they're defining what races that

522

00:22:27,049 --> 00:22:23,340

they don't even know whether they exist

523

00:22:29,810 --> 00:22:27,059

or not will use to contact us I mean

524

00:22:33,409 --> 00:22:29,820

it's it's so crazy but it fits right in

525

00:22:36,470 --> 00:22:33,419

with this world where we accept the most

526

00:22:39,470 --> 00:22:36,480

shoddy mediocre absolutely dishonest and

527

00:22:42,770 --> 00:22:39,480

disingenuous crap in every particular

528

00:22:44,990 --> 00:22:42,780

category here we are suffering from a

529

00:22:47,210 --> 00:22:45,000

major disease which won't go away ever

530

00:22:49,430 --> 00:22:47,220

and uh we could have been out of it in

531

00:22:52,070 --> 00:22:49,440

three to five months but we have experts

532

00:22:54,950 --> 00:22:52,080

like we have experts at seti these

533

00:22:56,870 --> 00:22:54,960

people in the we have just made huge

534

00:22:59,029 --> 00:22:56,880

mistakes in this world that the

535

00:23:01,730 --> 00:22:59,039

humankind is going to pay for for

536

00:23:03,230 --> 00:23:01,740

centuries to come but I'll leave that at

537

00:23:04,070 --> 00:23:03,240

that for now unless you want to go and

538

00:23:07,250 --> 00:23:04,080

do it

539

00:23:07,850 --> 00:23:07,260

so though you're saying that

540

00:23:10,850 --> 00:23:07,860

um

541

00:23:12,830 --> 00:23:10,860

so covid you would say was one of the uh

542

00:23:14,029 --> 00:23:12,840

things that that Billy has written in

543

00:23:15,950 --> 00:23:14,039

his books

544

00:23:17,810 --> 00:23:15,960

Billy Meyer

545

00:23:19,310 --> 00:23:17,820

yes okay

546

00:23:20,450 --> 00:23:19,320

I'll give you

547

00:23:22,070 --> 00:23:20,460

a little

548

00:23:25,130 --> 00:23:22,080

chronology

549

00:23:29,630 --> 00:23:25,140

goes back like this

550

00:23:31,430 --> 00:23:29,640

in 1989 and 95 Billy Myers says there's

551  
00:23:33,430 --> 00:23:31,440  
a lung disease that will come out of a

552  
00:23:36,830 --> 00:23:33,440  
laboratory in Guangdong China

553  
00:23:40,730 --> 00:23:36,840  
accidentally a weapons Laboratory

554  
00:23:42,350 --> 00:23:40,740  
in 2003 SARS came out of a laboratory in

555  
00:23:43,909 --> 00:23:42,360  
Guangdong China

556  
00:23:45,409 --> 00:23:43,919  
and they said well that's a route to

557  
00:23:50,029 --> 00:23:45,419  
argument of course

558  
00:23:52,549 --> 00:23:50,039  
on February 23rd of last year

559  
00:23:54,710 --> 00:23:52,559  
I received a document from Billy Meyer

560  
00:23:56,690 --> 00:23:54,720  
in Switzerland and I took a little time

561  
00:23:59,990 --> 00:23:56,700  
to read through it because it was pretty

562  
00:24:02,510 --> 00:24:00,000  
startling and it had over a dozen bullet

563  
00:24:04,149 --> 00:24:02,520

points about this disease now we are

564

00:24:08,269 --> 00:24:04,159

just talking about

565

00:24:11,390 --> 00:24:08,279

coronavirus covid-19 in January January

566

00:24:15,049 --> 00:24:11,400

23rd I was interviewed on CBS TV news

567

00:24:17,750 --> 00:24:15,059

Morning Show in San Diego and the woman

568

00:24:20,090 --> 00:24:17,760

the host said to me what are some of the

569

00:24:22,490 --> 00:24:20,100

controversial things you mentioned I

570

00:24:25,070 --> 00:24:22,500

said well you know this new coronavirus

571

00:24:26,870 --> 00:24:25,080

thing I said Billy Meyer spoke about

572

00:24:28,549 --> 00:24:26,880

that in 95 so I was talking about the

573

00:24:31,490 --> 00:24:28,559

first thing now

574

00:24:34,370 --> 00:24:31,500

fast forward to February 23rd

575

00:24:39,409 --> 00:24:34,380

I get this document

576

00:24:44,990 --> 00:24:40,690

um

577

00:24:49,549 --> 00:24:45,000

it is clearly stated 11 days before the

578

00:24:52,370 --> 00:24:49,559

who announces it this is a pandemic it

579

00:24:55,130 --> 00:24:52,380

requires people to stay at home do not

580

00:24:57,830 --> 00:24:55,140

use public transportation do not travel

581

00:25:00,110 --> 00:24:57,840

do not associate publicly with other

582

00:25:02,390 --> 00:25:00,120

people this disease is mainly spread

583

00:25:04,250 --> 00:25:02,400

asymptomatically the main hidden

584

00:25:08,930 --> 00:25:04,260

spreaders are children who are will be

585

00:25:12,190 --> 00:25:08,940

initially immune but after that no it

586

00:25:15,409 --> 00:25:12,200

could be contained if people will set up

587

00:25:16,970 --> 00:25:15,419

hermetically sealed environments

588

00:25:18,169 --> 00:25:16,980

quarantine centers which we of course

589

00:25:20,870 --> 00:25:18,179

didn't do

590

00:25:22,210 --> 00:25:20,880

uh it is spread through the air through

591

00:25:26,029 --> 00:25:22,220

touch

592

00:25:28,310 --> 00:25:26,039

everything of the key points

593

00:25:30,230 --> 00:25:28,320

and a few more that that this was will

594

00:25:32,870 --> 00:25:30,240

first only affect the Asian races then

595

00:25:34,549 --> 00:25:32,880

it will spread it will then get more

596

00:25:37,370 --> 00:25:34,559

aggressive well here are the mutations

597

00:25:39,529 --> 00:25:37,380

and variants that The Who

598

00:25:41,750 --> 00:25:39,539

is complicit for not shutting down that

599

00:25:44,870 --> 00:25:41,760

area and making sure nobody went into

600

00:25:46,610 --> 00:25:44,880

China and the China and the U.S have hid

601  
00:25:48,890 --> 00:25:46,620  
the truth for economic and political

602  
00:25:51,830 --> 00:25:48,900  
reasons

603  
00:25:53,990 --> 00:25:51,840  
pardon me virtually all of that

604  
00:25:56,930 --> 00:25:54,000  
subsequently has been proven true so we

605  
00:25:59,210 --> 00:25:56,940  
publish the most important and most

606  
00:26:00,890 --> 00:25:59,220  
accurate coveted information from Billy

607  
00:26:04,430 --> 00:26:00,900  
Meyer and the play Aaron coming out of

608  
00:26:07,210 --> 00:26:04,440  
Switzerland before the who the CDC or

609  
00:26:10,909 --> 00:26:07,220  
anybody else everything right down to

610  
00:26:13,750 --> 00:26:10,919  
the and actually here's the thing they

611  
00:26:17,990 --> 00:26:13,760  
started to publish their information

612  
00:26:21,110 --> 00:26:18,000  
November 30th 2019 January 6 2020

613  
00:26:23,149 --> 00:26:21,120

February 3rd 2020 and then we got it

614

00:26:26,090 --> 00:26:23,159

after but we already have the stuff

615

00:26:28,370 --> 00:26:26,100

that's key they're telling Meyer in

616

00:26:30,409 --> 00:26:28,380

February of last year February 3rd

617

00:26:32,690 --> 00:26:30,419

infants in the womb are going to get

618

00:26:35,510 --> 00:26:32,700

this this is a multi-organism every

619

00:26:37,070 --> 00:26:35,520

stuff some of which is still not known

620

00:26:39,590 --> 00:26:37,080

but it's here

621

00:26:42,230 --> 00:26:39,600

they said initially masks are useless

622

00:26:44,630 --> 00:26:42,240

because people would use the basic

623

00:26:48,649 --> 00:26:44,640

surgical mask which isn't meant

624

00:26:50,570 --> 00:26:48,659

to keep viruses from passing in or out

625

00:26:52,490 --> 00:26:50,580

they describe the kind of masks that we

626  
00:26:55,850 --> 00:26:52,500  
needed and they said you've got to use

627  
00:26:57,950 --> 00:26:55,860  
masks May lock down the world should

628  
00:26:58,669 --> 00:26:57,960  
lock down for three to five months at

629  
00:27:00,169 --> 00:26:58,679  
least

630  
00:27:02,090 --> 00:27:00,179  
and then this could be contained and

631  
00:27:05,510 --> 00:27:02,100  
over

632  
00:27:09,590 --> 00:27:07,909  
I mean I whenever I think about this

633  
00:27:11,690 --> 00:27:09,600  
so

634  
00:27:12,710 --> 00:27:11,700  
we have published all this stuff and

635  
00:27:14,930 --> 00:27:12,720  
basically

636  
00:27:16,190 --> 00:27:14,940  
in many I have over 90 articles I've

637  
00:27:18,169 --> 00:27:16,200  
published on this

638  
00:27:19,610 --> 00:27:18,179

many many of them of course have the

639

00:27:23,389 --> 00:27:19,620

information from the play Iron because

640

00:27:25,250 --> 00:27:23,399

we're discussing it and they explain

641

00:27:28,430 --> 00:27:25,260

usually a month or a month and a half

642

00:27:30,710 --> 00:27:28,440

before in this country this will be the

643

00:27:33,110 --> 00:27:30,720

number of cases and deaths at the end of

644

00:27:34,669 --> 00:27:33,120

the next month and they are specifically

645

00:27:36,409 --> 00:27:34,679

right every time

646

00:27:38,750 --> 00:27:36,419

and they talked about the second wave

647

00:27:41,450 --> 00:27:38,760

and they talked about

648

00:27:43,730 --> 00:27:41,460

the people are going to be

649

00:27:47,090 --> 00:27:43,740

misled they're foolish they're going to

650

00:27:50,210 --> 00:27:47,100

fall for conspiracies they're going to

651  
00:27:51,889 --> 00:27:50,220  
allow this disease

652  
00:27:56,090 --> 00:27:51,899  
spread

653  
00:28:00,769 --> 00:27:57,470  
and

654  
00:28:02,269 --> 00:28:00,779  
if they don't lock it down all the way

655  
00:28:05,630 --> 00:28:02,279  
around finally

656  
00:28:08,630 --> 00:28:05,640  
up to 500 million human beings on Earth

657  
00:28:11,690 --> 00:28:08,640  
are going to die of this it is a

658  
00:28:15,470 --> 00:28:11,700  
man-made bio weapon that the playeren

659  
00:28:17,750 --> 00:28:15,480  
said is the most virulent virus they

660  
00:28:20,630 --> 00:28:17,760  
have ever seen it contains properties

661  
00:28:23,750 --> 00:28:20,640  
still not detected by our scientists

662  
00:28:26,570 --> 00:28:23,760  
that will make it enormously hard to

663  
00:28:30,110 --> 00:28:26,580

deal with with the mutations and viruses

664

00:28:32,289 --> 00:28:30,120

they've said vaccines your scientists

665

00:28:35,450 --> 00:28:32,299

need to thoroughly research blood groups

666

00:28:37,970 --> 00:28:35,460

the differences in immune systems and

667

00:28:40,789 --> 00:28:37,980

the mutations because

668

00:28:42,529 --> 00:28:40,799

and they they said it the vaccines are

669

00:28:46,250 --> 00:28:42,539

being released now without adequate

670

00:28:48,470 --> 00:28:46,260

testing a vaccine in three months

671

00:28:50,269 --> 00:28:48,480

and the consequences of that are going

672

00:28:53,510 --> 00:28:50,279

to be rather unpleasant for many people

673

00:28:56,269 --> 00:28:53,520

in the coming months they try not to say

674

00:28:57,769 --> 00:28:56,279

too much except that

675

00:29:00,230 --> 00:28:57,779

this is not good

676

00:29:03,950 --> 00:29:00,240

and

677

00:29:07,430 --> 00:29:03,960

it's like playing roulette

678

00:29:11,029 --> 00:29:07,440

it's because our leaders in almost all

679

00:29:12,649 --> 00:29:11,039

countries are such roaring incompetent

680

00:29:15,350 --> 00:29:12,659

Psychopaths

681

00:29:17,450 --> 00:29:15,360

all about themselves and who like in our

682

00:29:20,090 --> 00:29:17,460

country and I'm not political but we

683

00:29:21,590 --> 00:29:20,100

watched our last president here this

684

00:29:24,110 --> 00:29:21,600

this will be gone by this date in this

685

00:29:28,250 --> 00:29:24,120

state in this state November 4th

686

00:29:32,990 --> 00:29:28,260

400 000 people when I published the

687

00:29:38,090 --> 00:29:33,000

first information on February 25th

688

00:29:40,190 --> 00:29:38,100

there were 57 cases in the entire

689

00:29:42,649 --> 00:29:40,200

country

690

00:29:47,330 --> 00:29:42,659

now I live in Arizona

691

00:29:51,169 --> 00:29:47,340

on March 5th when there were five cases

692

00:29:54,409 --> 00:29:51,179

in the entire country I sent a letter

693

00:29:56,450 --> 00:29:54,419

and the information around to the

694

00:30:00,169 --> 00:29:56,460

governor and perhaps eight ten other

695

00:30:02,690 --> 00:30:00,179

people warning them asking them to start

696

00:30:06,230 --> 00:30:02,700

to look at this information I began

697

00:30:08,810 --> 00:30:06,240

sending that information March 5th five

698

00:30:12,110 --> 00:30:08,820

cases in the state which now has over

699

00:30:19,430 --> 00:30:15,430

000 cases and more than 16

700

00:30:22,970 --> 00:30:19,440

300 deaths not one official

701  
00:30:26,690 --> 00:30:22,980  
would respond not only that

702  
00:30:29,630 --> 00:30:26,700  
no newspaper no TV station

703  
00:30:32,450 --> 00:30:29,640  
would talk about it they wouldn't

704  
00:30:34,130 --> 00:30:32,460  
interview they wouldn't investigate they

705  
00:30:38,450 --> 00:30:34,140  
wouldn't even say there's this terrible

706  
00:30:42,169 --> 00:30:38,460  
hoax going on because this is

707  
00:30:46,490 --> 00:30:42,179  
blacklisted and censored it's a suicidal

708  
00:30:49,010 --> 00:30:46,500  
approach on the part of the morons that

709  
00:30:51,590 --> 00:30:49,020  
run this state and most of the rest of

710  
00:30:52,669 --> 00:30:51,600  
the country in the world so at this

711  
00:30:55,789 --> 00:30:52,679  
point

712  
00:30:59,090 --> 00:30:55,799  
I have get I I recorded interviews with

713  
00:31:01,909 --> 00:30:59,100

some uh local officials and people to

714

00:31:04,850 --> 00:31:01,919

see if they would do it not one of them

715

00:31:07,430 --> 00:31:04,860

wants to do anything and they still

716

00:31:08,389 --> 00:31:07,440

won't so at this point I sit back and I

717

00:31:11,090 --> 00:31:08,399

say

718

00:31:15,590 --> 00:31:11,100

well unfortunately we the people of the

719

00:31:19,190 --> 00:31:15,600

world will get in Spades what we deserve

720

00:31:21,409 --> 00:31:19,200

un friggin fortunately and I'm certainly

721

00:31:24,350 --> 00:31:21,419

going to take every precaution now

722

00:31:26,870 --> 00:31:24,360

just the other day the idiot that's the

723

00:31:29,509 --> 00:31:26,880

governor here lifted restrictions for

724

00:31:33,289 --> 00:31:29,519

people eating in restaurants and bars so

725

00:31:35,090 --> 00:31:33,299

watch that Spike and today the CDC gave

726

00:31:37,669 --> 00:31:35,100

their nice little feel good oh it's okay

727

00:31:41,570 --> 00:31:37,679

if you had a vaccination

728

00:31:45,529 --> 00:31:41,580

a month ago Meyer specifically wrote

729

00:31:48,110 --> 00:31:45,539

that people are going to be misled when

730

00:31:50,930 --> 00:31:48,120

they get vaccinations to thinking that

731

00:31:53,750 --> 00:31:50,940

they are no longer able to spread the

732

00:31:56,870 --> 00:31:53,760

disease or contract it this will be very

733

00:31:58,370 --> 00:31:56,880

wrong so Michael I'm sure this is this

734

00:32:00,529 --> 00:31:58,380

information that you also have available

735

00:32:02,930 --> 00:32:00,539

on your website correct so that people

736

00:32:05,750 --> 00:32:02,940

can read up on it and everything when I

737

00:32:08,149 --> 00:32:05,760

have all your links that you send me in

738

00:32:10,009 --> 00:32:08,159

the in the description so anyone that

739

00:32:11,930 --> 00:32:10,019

would like to read up more about what

740

00:32:13,310 --> 00:32:11,940

you had beforehand and all the

741

00:32:15,470 --> 00:32:13,320

information I'm sure they can contact

742

00:32:17,930 --> 00:32:15,480

you about that but if if you don't mind

743

00:32:20,269 --> 00:32:17,940

I would like you to to cover more of the

744

00:32:22,490 --> 00:32:20,279

stories about other things that had

745

00:32:24,230 --> 00:32:22,500

Billy had written oh sure I mean well

746

00:32:25,909 --> 00:32:24,240

you know here's one that's kind of

747

00:32:28,130 --> 00:32:25,919

pertinent to us

748

00:32:31,430 --> 00:32:28,140

I told you I was with this fellow Randy

749

00:32:35,210 --> 00:32:31,440

Winters in 86. he lived in a place in

750

00:32:38,210 --> 00:32:35,220

Los Angeles on Westwood Boulevard South

751  
00:32:40,009 --> 00:32:38,220  
Westwood Boulevard between Venice

752  
00:32:41,630 --> 00:32:40,019  
Boulevard and charnock

753  
00:32:43,850 --> 00:32:41,640  
on the

754  
00:32:46,370 --> 00:32:43,860  
east side of the street

755  
00:32:48,230 --> 00:32:46,380  
and he had there one day I walked over

756  
00:32:50,330 --> 00:32:48,240  
his bookshelf and I saw it something

757  
00:32:53,450 --> 00:32:50,340  
called the prophetean

758  
00:32:58,130 --> 00:32:53,460  
and what the profitean is is prophecies

759  
00:33:00,049 --> 00:32:58,140  
and predictions from Billy Meyer and or

760  
00:33:02,149 --> 00:33:00,059  
um the play iron

761  
00:33:04,250 --> 00:33:02,159  
about events that would come to pass and

762  
00:33:06,889 --> 00:33:04,260  
I happened to be reading that and I fell

763  
00:33:08,690 --> 00:33:06,899

upon something from this booklet from

764

00:33:12,409 --> 00:33:08,700

1981

765

00:33:14,210 --> 00:33:12,419

where he's talking about a paraphrase in

766

00:33:18,049 --> 00:33:14,220

the future the United States of America

767

00:33:20,930 --> 00:33:18,059

will have two coming terrible Civil Wars

768

00:33:22,789 --> 00:33:20,940

one following after the other and it

769

00:33:25,789 --> 00:33:22,799

can't be helped that the country breaks

770

00:33:30,169 --> 00:33:25,799

up into four or five territories each

771

00:33:32,990 --> 00:33:30,179

under sectarian dictatorial rule

772

00:33:35,690 --> 00:33:33,000

I laughed I turned to Randy and I said

773

00:33:39,590 --> 00:33:35,700

this Billy guy what is he talking about

774

00:33:42,110 --> 00:33:39,600

civil wars in America in 1987 Billy

775

00:33:44,210 --> 00:33:42,120

published it again in something called

776

00:33:48,350 --> 00:33:44,220

the hennok prophecies

777

00:33:50,930 --> 00:33:48,360

uh which pretty startling stuff and I'm

778

00:33:55,250 --> 00:33:50,940

reading it I'm going my ass can't be

779

00:33:56,810 --> 00:33:55,260

now uh even two years ago people you

780

00:33:59,750 --> 00:33:56,820

know now I started actually I started to

781

00:34:02,690 --> 00:33:59,760

speaking about this back at least in 2013

782

00:34:04,009 --> 00:34:02,700

or a little before and Publishing blogs

783

00:34:06,590 --> 00:34:04,019

about mentioning it mentioning it

784

00:34:09,589 --> 00:34:06,600

mentioning it I put out a film in 2014

785

00:34:11,569 --> 00:34:09,599

called and did they listen and I have a

786

00:34:12,829 --> 00:34:11,579

segment there where the woman is

787

00:34:14,149 --> 00:34:12,839

interviewing me and I never knew the

788

00:34:16,190 --> 00:34:14,159

question she interviews me with

789

00:34:17,930 --> 00:34:16,200

something and I come up and say yeah

790

00:34:20,089 --> 00:34:17,940

well this thing about the Civil Wars and

791

00:34:23,089 --> 00:34:20,099

I told it seemed very funny except it

792

00:34:25,790 --> 00:34:23,099

isn't and uh Billy Myers said that uh

793

00:34:27,950 --> 00:34:25,800

right around 2020 it would be the

794

00:34:29,990 --> 00:34:27,960

beginning of the collapse of the United

795

00:34:32,169 --> 00:34:30,000

States of America

796

00:34:36,710 --> 00:34:32,179

well

797

00:34:39,109 --> 00:34:36,720

uh January 6 will not be forgotten and

798

00:34:41,869 --> 00:34:39,119

the events of last year there were many

799

00:34:44,510 --> 00:34:41,879

events the left or the right the

800

00:34:47,050 --> 00:34:44,520

polarization building we're not done by

801  
00:34:49,490 --> 00:34:47,060  
a long shot as a matter of fact in 2017

802  
00:34:52,810 --> 00:34:49,500  
in what he called new predictions and

803  
00:34:56,450 --> 00:34:52,820  
prophecies Meyers specifically foretold

804  
00:34:59,450 --> 00:34:56,460  
that the um the governors of the U.S

805  
00:35:02,089 --> 00:34:59,460  
rulers governors of U.S are going to be

806  
00:35:05,050 --> 00:35:02,099  
subjected to attacks

807  
00:35:08,150 --> 00:35:05,060  
from governmental non-governmental

808  
00:35:10,250 --> 00:35:08,160  
anti-state anti-government people and

809  
00:35:12,890 --> 00:35:10,260  
that this is not going to just go away

810  
00:35:15,490 --> 00:35:12,900  
and he also talked about the fact that

811  
00:35:18,790 --> 00:35:15,500  
ultimately the United States government

812  
00:35:22,310 --> 00:35:18,800  
will turn the police and the military

813  
00:35:24,890 --> 00:35:22,320

against the partly heavily armed

814

00:35:27,050 --> 00:35:24,900

population and part of the reason for

815

00:35:29,510 --> 00:35:27,060

that is that with the coming Global

816

00:35:32,329 --> 00:35:29,520

Financial collapse

817

00:35:33,589 --> 00:35:32,339

the American people will be dispossessed

818

00:35:36,829 --> 00:35:33,599

now

819

00:35:37,730 --> 00:35:36,839

in 2006 I was in Switzerland and I asked

820

00:35:41,930 --> 00:35:37,740

Billy

821

00:35:43,970 --> 00:35:41,940

fundamentally

822

00:35:46,370 --> 00:35:43,980

was the Iraq War

823

00:35:50,930 --> 00:35:46,380

about oil

824

00:35:53,930 --> 00:35:50,940

and Billy said uh no fundamentally

825

00:35:56,990 --> 00:35:53,940

it's about your dollar and you may want

826  
00:35:59,510 --> 00:35:57,000  
to pay attention because if things go a

827  
00:36:03,589 --> 00:35:59,520  
certain way you may end up rolling

828  
00:36:07,490 --> 00:36:05,510  
um I don't think that that's right now

829  
00:36:09,650 --> 00:36:07,500  
something that falls into the realm of

830  
00:36:12,770 --> 00:36:09,660  
set you know science fiction or fantasy

831  
00:36:15,490 --> 00:36:12,780  
we will see what's coming there's all

832  
00:36:18,109 --> 00:36:15,500  
sorts of things afoot

833  
00:36:22,370 --> 00:36:18,119  
there are so many things in so many

834  
00:36:24,650 --> 00:36:22,380  
categories Billy Meyer in 1951 at 14

835  
00:36:28,069 --> 00:36:24,660  
years of age is the first person I could

836  
00:36:32,030 --> 00:36:28,079  
find who specifically warned about

837  
00:36:35,329 --> 00:36:32,040  
unnatural man-made climate change global

838  
00:36:38,210 --> 00:36:35,339

warming the damage to the ozone the the

839

00:36:41,329 --> 00:36:38,220

coming then coming increased frequency

840

00:36:44,089 --> 00:36:41,339

and intensity of all forms of storms

841

00:36:48,290 --> 00:36:44,099

tornadoes earthquakes volcanic eruptions

842

00:36:49,069 --> 00:36:48,300

blizzards floods tsunamis

843

00:36:51,770 --> 00:36:49,079

Etc

844

00:36:54,710 --> 00:36:51,780

it's been going on since then

845

00:36:56,270 --> 00:36:54,720

in 1958 Billy Meyer foretold many

846

00:36:59,030 --> 00:36:56,280

specific things

847

00:37:00,410 --> 00:36:59,040

he foretold that radical Islam not

848

00:37:04,490 --> 00:37:00,420

Muslims

849

00:37:08,210 --> 00:37:04,500

radical islamists would rise up

850

00:37:11,210 --> 00:37:08,220

eventually overthrowing France

851  
00:37:14,150 --> 00:37:11,220  
that the Warriors and Fanatics of Islam

852  
00:37:17,089 --> 00:37:14,160  
would retain their power for a long time

853  
00:37:20,510 --> 00:37:17,099  
he foretold plastic Bank credit cards

854  
00:37:22,670 --> 00:37:20,520  
portable telephones that people would be

855  
00:37:23,569 --> 00:37:22,680  
interconnected electronically around the

856  
00:37:25,970 --> 00:37:23,579  
world

857  
00:37:27,950 --> 00:37:25,980  
through their computers

858  
00:37:30,589 --> 00:37:27,960  
that everybody would have a television

859  
00:37:34,010 --> 00:37:30,599  
and computer this 58

860  
00:37:37,190 --> 00:37:34,020  
he foretold that people would be unable

861  
00:37:39,050 --> 00:37:37,200  
to tell reality from fantasy because

862  
00:37:41,990 --> 00:37:39,060  
they would be tricked their eyes would

863  
00:37:45,109 --> 00:37:42,000

be tricked by the Technologies of these

864

00:37:46,849 --> 00:37:45,119

times these digital times deep fakes you

865

00:37:48,170 --> 00:37:46,859

call it what you want I mean we're deep

866

00:37:50,810 --> 00:37:48,180

into that

867

00:37:53,810 --> 00:37:50,820

he foretold that prostitution would be

868

00:37:56,750 --> 00:37:53,820

legalized and taxed he foretold the

869

00:37:58,190 --> 00:37:56,760

terrible upsurge in the abuse of

870

00:38:01,030 --> 00:37:58,200

children

871

00:38:03,290 --> 00:38:01,040

the pornography that

872

00:38:05,870 --> 00:38:03,300

degeneration of society

873

00:38:08,810 --> 00:38:05,880

the breakup of households the fact that

874

00:38:10,670 --> 00:38:08,820

parents would kill their own children uh

875

00:38:13,130 --> 00:38:10,680

sell them into prostitute I mean things

876

00:38:15,589 --> 00:38:13,140

that you it's not like just the global

877

00:38:17,750 --> 00:38:15,599

things because in 58 he said in the

878

00:38:20,750 --> 00:38:17,760

coming times there will be two U.S Iraq

879

00:38:23,270 --> 00:38:20,760

Wars uh one you know following after the

880

00:38:26,450 --> 00:38:23,280

other the second war will be conducted

881

00:38:29,089 --> 00:38:26,460

by a president who's the son of a former

882

00:38:31,250 --> 00:38:29,099

president and will lead to terrible uh

883

00:38:34,430 --> 00:38:31,260

disasters and terrorism

884

00:38:39,349 --> 00:38:34,440

he foretold the fall of the Berlin Wall

885

00:38:42,890 --> 00:38:39,359

he foretold uh conditions on Mars which

886

00:38:45,050 --> 00:38:42,900

were so precise and ahead of NASA that

887

00:38:46,370 --> 00:38:45,060

when I personally went last year a year

888

00:38:49,970 --> 00:38:46,380

ago as a matter of fact

889

00:38:52,069 --> 00:38:49,980

up to the USGS

890

00:38:54,109 --> 00:38:52,079

in Flagstaff

891

00:38:56,329 --> 00:38:54,119

and brought that material and gave it to

892

00:38:58,250 --> 00:38:56,339

the guy who leads the Imaging projects

893

00:39:00,829 --> 00:38:58,260

for the Mars rover

894

00:39:03,530 --> 00:39:00,839

he was speechless he tried to he asked

895

00:39:06,650 --> 00:39:03,540

me could this guy be a good guesser I

896

00:39:09,349 --> 00:39:06,660

said Ken I don't think that's it well uh

897

00:39:11,270 --> 00:39:09,359

he says he emailed me actually he said

898

00:39:13,130 --> 00:39:11,280

I've never heard of lightning on Mars

899

00:39:16,130 --> 00:39:13,140

like Billy Myers says I said really so I

900

00:39:18,530 --> 00:39:16,140

went online and I found it after Meyer

901  
00:39:22,030 --> 00:39:18,540  
described it of course 20 years earlier

902  
00:39:24,650 --> 00:39:22,040  
in 2009 NASA discovered it

903  
00:39:26,829 --> 00:39:24,660  
one thing after another

904  
00:39:29,270 --> 00:39:26,839  
about black holes about the condition

905  
00:39:31,790 --> 00:39:29,280  
Jupiter information that he published in

906  
00:39:34,550 --> 00:39:31,800  
78 that turned out to be the most

907  
00:39:37,730 --> 00:39:34,560  
important discoveries of the Voyager

908  
00:39:40,430 --> 00:39:37,740  
that were announced in 1979. you'll go

909  
00:39:42,230 --> 00:39:40,440  
on and on we have hundreds literally so

910  
00:39:44,630 --> 00:39:42,240  
I mean I can try to address if you have

911  
00:39:45,829 --> 00:39:44,640  
a specific question I may not know

912  
00:39:47,150 --> 00:39:45,839  
everything I'm not going to start

913  
00:39:48,770 --> 00:39:47,160

searching but if I don't know it I'll

914

00:39:51,710 --> 00:39:48,780

tell you or I'll get back to you on it

915

00:39:55,790 --> 00:39:51,720

but there's so much here about so many

916

00:39:58,130 --> 00:39:55,800

things that it's it's staggering and

917

00:39:58,970 --> 00:39:58,140

people in the UFO Community what do they

918

00:40:01,790 --> 00:39:58,980

do

919

00:40:04,010 --> 00:40:01,800

they chase lights in the sky they talk

920

00:40:07,790 --> 00:40:04,020

endlessly about Roswell there's nothing

921

00:40:10,970 --> 00:40:07,800

there they talk about uh beings and

922

00:40:12,109 --> 00:40:10,980

downloads and portals and dementia they

923

00:40:15,050 --> 00:40:12,119

don't know anything

924

00:40:18,230 --> 00:40:15,060

about anything they have no evidence not

925

00:40:22,130 --> 00:40:18,240

one piece of evidence I'm sorry that's

926  
00:40:24,349 --> 00:40:22,140  
not science Billy Myers had 23 attacks

927  
00:40:26,030 --> 00:40:24,359  
on his life for his trouble people have

928  
00:40:28,569 --> 00:40:26,040  
tried to kidnap him at knife point but

929  
00:40:31,609 --> 00:40:28,579  
it keeps on going and he's the only per

930  
00:40:34,069 --> 00:40:31,619  
hundreds of photographs films video

931  
00:40:36,490 --> 00:40:34,079  
metal samples sound recordings I was

932  
00:40:39,109 --> 00:40:36,500  
approached by a skeptic

933  
00:40:40,309 --> 00:40:39,119  
January 2017. I don't know you want me

934  
00:40:43,490 --> 00:40:40,319  
to tell you this or you want to take it

935  
00:40:46,550 --> 00:40:43,500  
somewhere else oh Joe no no please all

936  
00:40:49,190 --> 00:40:46,560  
right January 2017 Saturday morning

937  
00:40:51,589 --> 00:40:49,200  
I forget the exact date phone rings it's

938  
00:40:53,750 --> 00:40:51,599

a Gruff sounding older guy

939

00:40:55,609 --> 00:40:53,760

you represent this Billy Meyer case yes

940

00:40:58,130 --> 00:40:55,619

I do my name is Joe and I'm an

941

00:40:59,690 --> 00:40:58,140

investigator hi Joe

942

00:41:01,670 --> 00:40:59,700

are you willing to talk about it with me

943

00:41:03,530 --> 00:41:01,680

I said yeah why sure of course are you

944

00:41:05,329 --> 00:41:03,540

sure because I think it's a hoax I said

945

00:41:07,370 --> 00:41:05,339

well let's go let's find out

946

00:41:10,670 --> 00:41:07,380

so for three months Saturday morning 8

947

00:41:12,650 --> 00:41:10,680

30 I get a call from Joe it's not like

948

00:41:14,329 --> 00:41:12,660

having a conversation with anybody it's

949

00:41:16,069 --> 00:41:14,339

like being interrogated

950

00:41:18,530 --> 00:41:16,079

and then I learned why

951  
00:41:22,069 --> 00:41:18,540  
so he disappears at the end of March

952  
00:41:23,569 --> 00:41:22,079  
Joe reappears on my phone line on a

953  
00:41:25,370 --> 00:41:23,579  
Saturday morning at 8 30 in the middle

954  
00:41:27,109 --> 00:41:25,380  
of August

955  
00:41:28,550 --> 00:41:27,119  
it's me Joe you still wanting to talk to

956  
00:41:30,530 --> 00:41:28,560  
me yes of course hi Joe how you doing

957  
00:41:31,670 --> 00:41:30,540  
what's new okay listen just listen a

958  
00:41:32,930 --> 00:41:31,680  
minute I'm going to tell you who I am

959  
00:41:36,050 --> 00:41:32,940  
and I'm going to tell you about your

960  
00:41:39,890 --> 00:41:36,060  
Billy Meyer case I said okay who are you

961  
00:41:42,170 --> 00:41:39,900  
I'm former top investigator and

962  
00:41:44,510 --> 00:41:42,180  
supervisor for the United States Air

963  
00:41:46,250 --> 00:41:44,520

Force OSI that's the office a special

964

00:41:48,170 --> 00:41:46,260

investigation and background

965

00:41:51,349 --> 00:41:48,180

investigator for the Department of State

966

00:41:53,510 --> 00:41:51,359

we didn't deal with UFOs we're tasked

967

00:41:56,210 --> 00:41:53,520

with protecting the country and

968

00:41:59,569 --> 00:41:56,220

everybody in it I personally vetted and

969

00:42:01,490 --> 00:41:59,579

supervised hundreds of people aspiring

970

00:42:03,829 --> 00:42:01,500

to higher office some who were very

971

00:42:05,329 --> 00:42:03,839

close or in higher office people who

972

00:42:08,030 --> 00:42:05,339

could end up with their fingers on the

973

00:42:11,510 --> 00:42:08,040

nuclear trigger I ferreted out spies and

974

00:42:13,970 --> 00:42:11,520

moles I read body language very well

975

00:42:16,370 --> 00:42:13,980

okay yeah look at your email don't don't

976  
00:42:19,309 --> 00:42:16,380  
take my word okay so I checked my email

977  
00:42:22,010 --> 00:42:19,319  
there's a table top several photographs

978  
00:42:25,210 --> 00:42:22,020  
different angles zoomed in on documents

979  
00:42:28,370 --> 00:42:25,220  
Department of State USAF

980  
00:42:31,010 --> 00:42:28,380  
recommendation promote this I mean the

981  
00:42:32,569 --> 00:42:31,020  
real thing I'm looking at it why it

982  
00:42:34,010 --> 00:42:32,579  
looks like you're the real deal Joan he

983  
00:42:36,170 --> 00:42:34,020  
said yeah now while I'm on the phone

984  
00:42:38,510 --> 00:42:36,180  
with you I said yeah you just delete it

985  
00:42:41,150 --> 00:42:38,520  
okay so I deleted it

986  
00:42:43,010 --> 00:42:41,160  
says you it's gone right so it's gone I

987  
00:42:45,050 --> 00:42:43,020  
don't have it all right now I'm going to

988  
00:42:46,670 --> 00:42:45,060

tell you about your Billy Meyer case so

989

00:42:48,530 --> 00:42:46,680

after we spoke at the end of March I

990

00:42:50,750 --> 00:42:48,540

went spent the last five months

991

00:42:54,950 --> 00:42:50,760

researching the information I went right

992

00:42:57,109 --> 00:42:54,960

to the earliest stuff 1964 in India

993

00:43:01,250 --> 00:42:57,119

you have that article there that's right

994

00:43:02,809 --> 00:43:01,260

okay so I looked up the newspaper it's a

995

00:43:06,349 --> 00:43:02,819

very credible newspaper it's been there

996

00:43:08,990 --> 00:43:06,359

100 years or more And the reporter was

997

00:43:11,569 --> 00:43:09,000

checked out real reporter and he's

998

00:43:13,910 --> 00:43:11,579

talking in that article there about this

999

00:43:16,730 --> 00:43:13,920

Vagabond guy 27 year old guy traveling

1000

00:43:19,010 --> 00:43:16,740

around on foot he's got a funky old

1001  
00:43:21,950 --> 00:43:19,020  
camera and a knapsack no money to speak

1002  
00:43:22,910 --> 00:43:21,960  
of but he's got an album with 80 UFO

1003  
00:43:26,690 --> 00:43:22,920  
photos

1004  
00:43:28,849 --> 00:43:26,700  
in India in 1964

1005  
00:43:30,109 --> 00:43:28,859  
so I have a question for any Skeptics he

1006  
00:43:32,390 --> 00:43:30,119  
says

1007  
00:43:34,849 --> 00:43:32,400  
just tell me where did this man get 80

1008  
00:43:37,069 --> 00:43:34,859  
UFO photos in 1964 in the middle of

1009  
00:43:38,510 --> 00:43:37,079  
nowhere and if you can't answer that and

1010  
00:43:40,309 --> 00:43:38,520  
this isn't an article now that you know

1011  
00:43:41,569 --> 00:43:40,319  
he gave us in my publisher says if

1012  
00:43:44,270 --> 00:43:41,579  
you're a skeptic and you can't answer

1013  
00:43:46,430 --> 00:43:44,280

that question you're done

1014

00:43:49,250 --> 00:43:46,440

and he said to me so what I'm telling

1015

00:43:51,410 --> 00:43:49,260

you is this is 100 Ironclad I will

1016

00:43:52,130 --> 00:43:51,420

personally take on any Skeptics in your

1017

00:43:54,349 --> 00:43:52,140

back

1018

00:43:56,329 --> 00:43:54,359

he took on a guy in India

1019

00:43:58,670 --> 00:43:56,339

guy named Mahesh

1020

00:44:00,230 --> 00:43:58,680

that didn't go well for Mahesh he took

1021

00:44:01,550 --> 00:44:00,240

on a guy named Kevin Randall I don't

1022

00:44:04,010 --> 00:44:01,560

know if you've ever heard of him he's

1023

00:44:07,069 --> 00:44:04,020

fancies himself to be a UFO investigator

1024

00:44:09,170 --> 00:44:07,079

because he babbles about Roswell

1025

00:44:11,329 --> 00:44:09,180

that didn't go well for

1026

00:44:13,730 --> 00:44:11,339

Kevin either

1027

00:44:16,849 --> 00:44:13,740

none of these people that are in ufology

1028

00:44:19,190 --> 00:44:16,859

will mention Billy Meyer unless they're

1029

00:44:20,450 --> 00:44:19,200

forced to and they really avoid it

1030

00:44:22,609 --> 00:44:20,460

because

1031

00:44:25,309 --> 00:44:22,619

they have zero evidence

1032

00:44:28,550 --> 00:44:25,319

Billy Meyer has

1033

00:44:31,790 --> 00:44:28,560

a boatload and it's all authentic no

1034

00:44:33,950 --> 00:44:31,800

folk fakes hoaxes all those claims were

1035

00:44:34,730 --> 00:44:33,960

vetted there's Myers never hoaxed a darn

1036

00:44:37,370 --> 00:44:34,740

thing

1037

00:44:38,210 --> 00:44:37,380

and what's his name Joe just says to me

1038

00:44:40,390 --> 00:44:38,220

I'll tell you something about these

1039

00:44:43,250 --> 00:44:40,400

Skeptics that say it's a hook he says

1040

00:44:45,349 --> 00:44:43,260

I look at all this stuff Billy's got

1041

00:44:46,790 --> 00:44:45,359

thousands of pages of information all

1042

00:44:50,030 --> 00:44:46,800

this evidence

1043

00:44:52,849 --> 00:44:50,040

the most amazing thing isn't that this

1044

00:44:54,050 --> 00:44:52,859

is true I said really yeah you see the

1045

00:44:56,089 --> 00:44:54,060

amazing thing would be if he could have

1046

00:44:58,790 --> 00:44:56,099

hoax this he says I've got buddies from

1047

00:45:00,890 --> 00:44:58,800

OSI we 10 of us together could not put

1048

00:45:03,829 --> 00:45:00,900

this together and this is a guy with one

1049

00:45:06,290 --> 00:45:03,839

hand living in the boonies he writes all

1050

00:45:08,809 --> 00:45:06,300

this he presents the said look this and

1051  
00:45:11,210 --> 00:45:08,819  
then he said I went on to YouTube

1052  
00:45:13,370 --> 00:45:11,220  
and I looked at every video I could find

1053  
00:45:16,609 --> 00:45:13,380  
Billy Meyer and I'm looking at him I

1054  
00:45:18,530 --> 00:45:16,619  
told you I read body language

1055  
00:45:20,569 --> 00:45:18,540  
that man is about the most honest man

1056  
00:45:23,150 --> 00:45:20,579  
I've ever seen in my life so don't tell

1057  
00:45:28,010 --> 00:45:23,160  
me this is some Hope just show me how he

1058  
00:45:30,650 --> 00:45:28,020  
did these photos and 80 photos in 64.

1059  
00:45:33,650 --> 00:45:30,660  
we found a film clip from Astronaut

1060  
00:45:36,230 --> 00:45:33,660  
Gordon Cooper from some years ago where

1061  
00:45:37,609 --> 00:45:36,240  
he simply says you know the

1062  
00:45:39,230 --> 00:45:37,619  
investigative team brought me these

1063  
00:45:42,109 --> 00:45:39,240

photos they're very fine very fine

1064

00:45:44,150 --> 00:45:42,119

photos they're authentic and I don't

1065

00:45:45,650 --> 00:45:44,160

know why people in the world are trying

1066

00:45:48,290 --> 00:45:45,660

to make this out to be a whole this is

1067

00:45:49,730 --> 00:45:48,300

Gordon Cooper's an astronaut he was the

1068

00:45:52,030 --> 00:45:49,740

astronauts happened to be trained in

1069

00:45:55,190 --> 00:45:52,040

photography too for no

1070

00:45:57,470 --> 00:45:55,200

unimaginable reasons he's a pilot he's

1071

00:46:00,530 --> 00:45:57,480

an astronaut they're also because

1072

00:46:03,470 --> 00:46:00,540

they're in the space program they're

1073

00:46:06,410 --> 00:46:03,480

trained in some ways let's say secretly

1074

00:46:09,170 --> 00:46:06,420

to know that they see certain things and

1075

00:46:10,670 --> 00:46:09,180

how to report them if they see Gordon

1076

00:46:12,050 --> 00:46:10,680

Cooper knew what he was talking about he

1077

00:46:13,970 --> 00:46:12,060

looked at those photos and we still have

1078

00:46:15,410 --> 00:46:13,980

all those those are from the 70s

1079

00:46:17,270 --> 00:46:15,420

he said those are authentic of course

1080

00:46:20,690 --> 00:46:17,280

they're they're real

1081

00:46:22,970 --> 00:46:20,700

so from any perspective

1082

00:46:26,089 --> 00:46:22,980

that one looks at the Billy Meyer case

1083

00:46:29,089 --> 00:46:26,099

and uses just critical thinking like

1084

00:46:30,589 --> 00:46:29,099

Joseph said look you don't have to be an

1085

00:46:32,809 --> 00:46:30,599

investigator for the government here it

1086

00:46:35,390 --> 00:46:32,819

is I'll give you this this is Criminal

1087

00:46:37,550 --> 00:46:35,400

forensics whatever means motive and

1088

00:46:41,390 --> 00:46:37,560

opportunity means

1089

00:46:43,069 --> 00:46:41,400

how motive what he's never tried to make

1090

00:46:45,470 --> 00:46:43,079

money off of it

1091

00:46:46,970 --> 00:46:45,480

yeah he doesn't run around lecturing and

1092

00:46:50,450 --> 00:46:46,980

waving his hat

1093

00:46:52,010 --> 00:46:50,460

opportunity how do you where India in

1094

00:46:54,950 --> 00:46:52,020

the middle of nowhere and then you've

1095

00:46:58,250 --> 00:46:54,960

got all this the other photos that came

1096

00:47:00,670 --> 00:46:58,260

afterwards when he had one hand hundreds

1097

00:47:03,890 --> 00:47:00,680

of them and you've got over 90

1098

00:47:06,050 --> 00:47:03,900

eyewitnesses and he says

1099

00:47:08,329 --> 00:47:06,060

what's wrong with people

1100

00:47:09,290 --> 00:47:08,339

uh he says people are stupid after he

1101  
00:47:12,109 --> 00:47:09,300  
dealt with

1102  
00:47:14,150 --> 00:47:12,119  
uh Mahesh and Kevin he said I'm sorry I

1103  
00:47:15,710 --> 00:47:14,160  
I'm not going to deal with anymore none

1104  
00:47:17,930 --> 00:47:15,720  
of these people know anything they're

1105  
00:47:20,450 --> 00:47:17,940  
not researchers they call themselves

1106  
00:47:21,770 --> 00:47:20,460  
that because this is a bogus field none

1107  
00:47:23,410 --> 00:47:21,780  
of these people have expertise in

1108  
00:47:26,270 --> 00:47:23,420  
anything

1109  
00:47:30,049 --> 00:47:26,280  
UFO researcher

1110  
00:47:32,390 --> 00:47:30,059  
no he's a military researcher let alone

1111  
00:47:33,530 --> 00:47:32,400  
Lieutenant Colonel Wendell Stevens Lee

1112  
00:47:35,329 --> 00:47:33,540  
and Britt Elders are the original

1113  
00:47:37,730 --> 00:47:35,339

investigators these people were

1114

00:47:40,549 --> 00:47:37,740

professional investigators

1115

00:47:44,150 --> 00:47:40,559

Stephen's military Air Force guy the Air

1116

00:47:46,250 --> 00:47:44,160

Force tasked him in 47 with

1117

00:47:48,170 --> 00:47:46,260

investigating UFOs he comes out of the

1118

00:47:50,750 --> 00:47:48,180

Air Force he's investigating still the

1119

00:47:52,270 --> 00:47:50,760

minor case the two Lee and Brad Elders

1120

00:47:55,490 --> 00:47:52,280

were Skeptics they were high level

1121

00:47:58,250 --> 00:47:55,500

private investigators counter Espionage

1122

00:48:00,770 --> 00:47:58,260

people they went to Switzerland they saw

1123

00:48:02,450 --> 00:48:00,780

stuff themselves they couldn't explain

1124

00:48:04,069 --> 00:48:02,460

and then you've got these people that

1125

00:48:06,290 --> 00:48:04,079

want to attack the case

1126  
00:48:07,549 --> 00:48:06,300  
you go ahead and interview if you if you

1127  
00:48:09,650 --> 00:48:07,559  
interview a

1128  
00:48:12,230 --> 00:48:09,660  
people in ufology start talking to them

1129  
00:48:13,790 --> 00:48:12,240  
about Billy Meyer and Watch What Happens

1130  
00:48:15,950 --> 00:48:13,800  
they're going to try and tell you that

1131  
00:48:17,630 --> 00:48:15,960  
and then you ask them well you ever

1132  
00:48:20,630 --> 00:48:17,640  
tested the analysis what about this from

1133  
00:48:22,730 --> 00:48:20,640  
this expert now uh

1134  
00:48:23,870 --> 00:48:22,740  
just like seti they won't they won't

1135  
00:48:25,790 --> 00:48:23,880  
test it they won't look at it they're

1136  
00:48:28,370 --> 00:48:25,800  
not even equipped to but they want to

1137  
00:48:31,910 --> 00:48:28,380  
dismiss it because why

1138  
00:48:34,250 --> 00:48:31,920

it means that that thing that they claim

1139

00:48:36,290 --> 00:48:34,260

to be looking for which they're not

1140

00:48:38,569 --> 00:48:36,300

it's been happening for 80 years what

1141

00:48:40,190 --> 00:48:38,579

have they been doing for 37 years and

1142

00:48:43,390 --> 00:48:40,200

the people in Newfoundland you claim to

1143

00:48:45,290 --> 00:48:43,400

be experts about things and make up the

1144

00:48:48,589 --> 00:48:45,300

exopolitics

1145

00:48:51,710 --> 00:48:48,599

that that's an oxymoron if ever there

1146

00:48:53,329 --> 00:48:51,720

was one what we learn in all this

1147

00:48:55,970 --> 00:48:53,339

documentation and the conversations

1148

00:48:58,270 --> 00:48:55,980

these people are not political

1149

00:49:00,770 --> 00:48:58,280

they don't have politics and religion

1150

00:49:02,750 --> 00:49:00,780

they only really want to deal with truth

1151

00:49:06,589 --> 00:49:02,760

factual things they travel in space

1152

00:49:08,870 --> 00:49:06,599

Maybe time you can't have beliefs and be

1153

00:49:11,510 --> 00:49:08,880

politicism well maybe Michael this will

1154

00:49:13,309 --> 00:49:11,520

be a good segue to then uh please do

1155

00:49:16,069 --> 00:49:13,319

give me as much details as you can about

1156

00:49:18,290 --> 00:49:16,079

them you know who who is it that they

1157

00:49:20,750 --> 00:49:18,300

are and maybe or even the description

1158

00:49:24,109 --> 00:49:20,760

about the ships and the videos that I

1159

00:49:26,450 --> 00:49:24,119

saw myself that the Billy had recorded

1160

00:49:27,890 --> 00:49:26,460

so please do tell us about it what we're

1161

00:49:29,150 --> 00:49:27,900

told here again according to information

1162

00:49:32,690 --> 00:49:29,160

the case

1163

00:49:34,910 --> 00:49:32,700

the play Iron are distant well they're

1164

00:49:38,690 --> 00:49:34,920

descendants of

1165

00:49:42,670 --> 00:49:38,700

another race the the people who came

1166

00:49:45,770 --> 00:49:42,680

from the Lira or Lyra uh Galaxy

1167

00:49:47,750 --> 00:49:45,780

Lyons Sometimes some people say lyran

1168

00:49:50,510 --> 00:49:47,760

some say lyrion

1169

00:49:53,150 --> 00:49:50,520

these were already hundreds of thousands

1170

00:49:55,790 --> 00:49:53,160

and millions of years ago space

1171

00:49:59,270 --> 00:49:55,800

traveling human beings they had

1172

00:50:01,130 --> 00:49:59,280

developed high technology clearly they

1173

00:50:02,390 --> 00:50:01,140

were advanced in certain ways in

1174

00:50:04,910 --> 00:50:02,400

consciousness

1175

00:50:06,950 --> 00:50:04,920

they knew a lot of the truths and

1176

00:50:08,510 --> 00:50:06,960

spiritual laws but they also misused

1177

00:50:11,270 --> 00:50:08,520

them freely

1178

00:50:13,790 --> 00:50:11,280

they were the equivalent of Star Wars on

1179

00:50:15,710 --> 00:50:13,800

steroids they roamed around because they

1180

00:50:18,170 --> 00:50:15,720

could wherever they could find uh

1181

00:50:20,470 --> 00:50:18,180

inhabited planets they would very often

1182

00:50:22,849 --> 00:50:20,480

attack them enslave them destroy them

1183

00:50:24,710 --> 00:50:22,859

the play iron

1184

00:50:27,950 --> 00:50:24,720

descendants

1185

00:50:29,770 --> 00:50:27,960

evolved over time they had their own

1186

00:50:32,329 --> 00:50:29,780

problems which they only settled down

1187

00:50:33,829 --> 00:50:32,339

according to this information about 52

1188

00:50:37,130 --> 00:50:33,839

000 years ago

1189

00:50:39,950 --> 00:50:37,140

because they too had elevated people in

1190

00:50:41,569 --> 00:50:39,960

their world for crazy unknown reasons to

1191

00:50:43,370 --> 00:50:41,579

the level of gods or whatever they

1192

00:50:46,190 --> 00:50:43,380

worshiped some of their own more

1193

00:50:48,650 --> 00:50:46,200

involved people they uh you know they

1194

00:50:49,990 --> 00:50:48,660

were a mess for a while and they had to

1195

00:50:53,809 --> 00:50:50,000

have instruction

1196

00:50:56,030 --> 00:50:53,819

from certain teachers uh truth

1197

00:50:57,710 --> 00:50:56,040

Proclaimers spiritual teachers to come

1198

00:51:00,290 --> 00:50:57,720

and explain to them the laws of creation

1199

00:51:02,809 --> 00:51:00,300

and how things work that you just don't

1200

00:51:04,849 --> 00:51:02,819

use your knowledge willy-nilly in these

1201

00:51:07,250 --> 00:51:04,859

ways there are consequences

1202

00:51:09,170 --> 00:51:07,260

to to your Evolution that aren't good

1203

00:51:11,290 --> 00:51:09,180

whatever a lot of stuff that I don't

1204

00:51:15,170 --> 00:51:11,300

know what all they were teaching them

1205

00:51:16,870 --> 00:51:15,180

they uh Play Iron splintered off too

1206

00:51:19,849 --> 00:51:16,880

there was another

1207

00:51:21,049 --> 00:51:19,859

faction of these same descendants of the

1208

00:51:24,230 --> 00:51:21,059

lyrans

1209

00:51:26,450 --> 00:51:24,240

who went to the serious star system

1210

00:51:29,150 --> 00:51:26,460

and these people decided they really

1211

00:51:31,490 --> 00:51:29,160

wanted no part of their distant history

1212

00:51:34,730 --> 00:51:31,500

of aggression and violence

1213

00:51:37,130 --> 00:51:34,740

and they even genetically modified

1214

00:51:40,030 --> 00:51:37,140

themselves to remove their fighting

1215

00:51:43,130 --> 00:51:40,040

Spirit the that element of rational

1216

00:51:45,109 --> 00:51:43,140

self-defense and so they because of the

1217

00:51:47,450 --> 00:51:45,119

way Opposites Attract they start to

1218

00:51:51,049 --> 00:51:47,460

attract hostile forces coming towards

1219

00:51:53,809 --> 00:51:51,059

them so they genetically engineer a race

1220

00:51:54,890 --> 00:51:53,819

on their world and they modify these

1221

00:51:58,430 --> 00:51:54,900

people

1222

00:52:00,170 --> 00:51:58,440

they increase their propensity for

1223

00:52:02,210 --> 00:52:00,180

violence fighting aggression so they'll

1224

00:52:05,150 --> 00:52:02,220

be good Warriors and they dramatically

1225

00:52:07,190 --> 00:52:05,160

lower their lifespans down from the

1226

00:52:10,370 --> 00:52:07,200

four-digit lifespans that these folks

1227

00:52:13,010 --> 00:52:10,380

had down to a 100 years or so they build

1228

00:52:15,130 --> 00:52:13,020

into their genetics oh you know

1229

00:52:19,549 --> 00:52:15,140

degenerative diseases and things because

1230

00:52:22,490 --> 00:52:19,559

they want these people to serve them

1231

00:52:24,470 --> 00:52:22,500

as Warriors and soldiers to protect

1232

00:52:26,930 --> 00:52:24,480

while they're straightening themselves

1233

00:52:29,210 --> 00:52:26,940

out but they don't want them to live so

1234

00:52:31,490 --> 00:52:29,220

long that they're gonna once that job is

1235

00:52:34,609 --> 00:52:31,500

done turned against their you know

1236

00:52:36,710 --> 00:52:34,619

creative overlords here

1237

00:52:38,510 --> 00:52:36,720

so they are in the process they correct

1238

00:52:40,130 --> 00:52:38,520

themselves and when they feel no more

1239

00:52:43,250 --> 00:52:40,140

need

1240

00:52:46,309 --> 00:52:43,260

for these people there is a discussion

1241

00:52:49,130 --> 00:52:46,319

in that Syrian star system the pros and

1242

00:52:51,549 --> 00:52:49,140

cons of what to do with these folks and

1243

00:52:54,049 --> 00:52:51,559

one faction in that government wants to

1244

00:52:55,329 --> 00:52:54,059

annihilate them all and another faction

1245

00:52:58,370 --> 00:52:55,339

says that's

1246

00:52:59,990 --> 00:52:58,380

unacceptable it ain't spiritual folks we

1247

00:53:02,569 --> 00:53:00,000

don't do that so they were really

1248

00:53:04,870 --> 00:53:02,579

polarized and one night as it said in

1249

00:53:07,130 --> 00:53:04,880

the material the

1250

00:53:09,430 --> 00:53:07,140

overlords who were

1251  
00:53:13,730 --> 00:53:09,440  
positively disposed towards these people

1252  
00:53:15,410 --> 00:53:13,740  
took I think a few million in huge ships

1253  
00:53:20,809 --> 00:53:15,420  
and fled

1254  
00:53:23,870 --> 00:53:20,819  
they could even moving out of the time

1255  
00:53:26,030 --> 00:53:23,880  
space configuration that the Syrian star

1256  
00:53:29,630 --> 00:53:26,040  
system was in and they fled until they

1257  
00:53:31,970 --> 00:53:29,640  
found like a a remote uh so you know

1258  
00:53:34,190 --> 00:53:31,980  
Galaxy and at the end of one of the

1259  
00:53:37,130 --> 00:53:34,200  
Spire alarms there's a solar system and

1260  
00:53:39,710 --> 00:53:37,140  
they plunked down basically initially

1261  
00:53:41,270 --> 00:53:39,720  
anyhow in two of the three planets maybe

1262  
00:53:44,990 --> 00:53:41,280  
finally the Third

1263  
00:53:47,150 --> 00:53:45,000

and uh the ones on the one of the

1264

00:53:49,549 --> 00:53:47,160

planets which was called malonica or

1265

00:53:52,190 --> 00:53:49,559

phaetan or maldek and some terminology

1266

00:53:54,589 --> 00:53:52,200

those folks still being of course all

1267

00:53:56,270 --> 00:53:54,599

these people still had the the genetic

1268

00:53:58,130 --> 00:53:56,280

manipulations the aggressions the

1269

00:54:00,109 --> 00:53:58,140

overlords didn't but the other ones did

1270

00:54:01,549 --> 00:54:00,119

and they start to develop their

1271

00:54:03,349 --> 00:54:01,559

Technologies and this and that and the

1272

00:54:04,970 --> 00:54:03,359

other thing and they get very War alike

1273

00:54:08,630 --> 00:54:04,980

and different factions are fighting

1274

00:54:12,650 --> 00:54:08,640

until at one point one faction detonates

1275

00:54:14,809 --> 00:54:12,660

a nuclear device I think it's so that it

1276  
00:54:17,510 --> 00:54:14,819  
floods the

1277  
00:54:20,150 --> 00:54:17,520  
chambers of some volcanoes

1278  
00:54:23,630 --> 00:54:20,160  
and lets the sea Waters in

1279  
00:54:26,809 --> 00:54:23,640  
and they blow their Planet apart

1280  
00:54:29,870 --> 00:54:26,819  
and we know it as the asteroid belt

1281  
00:54:32,930 --> 00:54:29,880  
the second planet on which they had you

1282  
00:54:34,370 --> 00:54:32,940  
know been populating

1283  
00:54:36,890 --> 00:54:34,380  
was Mars

1284  
00:54:39,170 --> 00:54:36,900  
in which they built a civilization there

1285  
00:54:42,470 --> 00:54:39,180  
but it was when the what's called The

1286  
00:54:45,650 --> 00:54:42,480  
Destroyer Comet came through our solar

1287  
00:54:47,690 --> 00:54:45,660  
system at some point that it threw Mars

1288  
00:54:49,730 --> 00:54:47,700

into a turmoil

1289

00:54:52,190 --> 00:54:49,740

and people there

1290

00:54:56,089 --> 00:54:52,200

the ones that couldn't get off in their

1291

00:54:58,210 --> 00:54:56,099

ships and flee to Earth perished there

1292

00:55:00,530 --> 00:54:58,220

and there were still of course remaining

1293

00:55:02,270 --> 00:55:00,540

structures there for a time but I think

1294

00:55:03,170 --> 00:55:02,280

this was maybe 500 000 years ago or

1295

00:55:05,809 --> 00:55:03,180

something

1296

00:55:09,049 --> 00:55:05,819

and then there were the people on earth

1297

00:55:11,630 --> 00:55:09,059

and there had been comings and goings to

1298

00:55:12,609 --> 00:55:11,640

this planet not just the play Iron but

1299

00:55:14,750 --> 00:55:12,619

other

1300

00:55:17,030 --> 00:55:14,760

extraterrestrial space traveling races

1301  
00:55:18,710 --> 00:55:17,040  
would drop in from time to time going

1302  
00:55:20,150 --> 00:55:18,720  
back even to primeval time when there

1303  
00:55:23,329 --> 00:55:20,160  
was nothing here except you know

1304  
00:55:27,950 --> 00:55:23,339  
abundant nature of wild animals and uh

1305  
00:55:30,589 --> 00:55:27,960  
sometimes a a race and it's you know uh

1306  
00:55:32,210 --> 00:55:30,599  
what would ever would cause grouping of

1307  
00:55:35,210 --> 00:55:32,220  
it's contingent

1308  
00:55:37,130 --> 00:55:35,220  
explorers would stop for a time they'd

1309  
00:55:38,390 --> 00:55:37,140  
leave go on if they happened to get

1310  
00:55:40,670 --> 00:55:38,400  
stranded

1311  
00:55:43,309 --> 00:55:40,680  
they would have to try to survive their

1312  
00:55:44,870 --> 00:55:43,319  
technology fails they actually regress

1313  
00:55:47,289 --> 00:55:44,880

into tribalism

1314

00:55:50,569 --> 00:55:47,299

and having no technology and then

1315

00:55:53,329 --> 00:55:50,579

sometimes a race would regress and then

1316

00:55:57,230 --> 00:55:53,339

start to curve climb back up

1317

00:55:59,750 --> 00:55:57,240

evolving back up they lost any sense of

1318

00:56:01,849 --> 00:55:59,760

their true history in all of these cases

1319

00:56:04,730 --> 00:56:01,859

they didn't know where they came from

1320

00:56:06,710 --> 00:56:04,740

and um then there were some of the

1321

00:56:08,329 --> 00:56:06,720

extraterrestrials from some races that

1322

00:56:10,309 --> 00:56:08,339

came here and decided to create an

1323

00:56:12,109 --> 00:56:10,319

interesting thing they represented

1324

00:56:16,130 --> 00:56:12,119

themselves as the creators of everything

1325

00:56:18,410 --> 00:56:16,140

so they could Lord it over the Primitive

1326

00:56:20,150 --> 00:56:18,420

Earth human beings and tell them oh

1327

00:56:21,589 --> 00:56:20,160

you're the chosen people and you're the

1328

00:56:23,690 --> 00:56:21,599

non-chosen people and you're the only

1329

00:56:26,089 --> 00:56:23,700

begotten all this stuff they started

1330

00:56:28,430 --> 00:56:26,099

religions for us which we never got

1331

00:56:29,870 --> 00:56:28,440

smart enough to figure out what they

1332

00:56:33,109 --> 00:56:29,880

were based on and work it out for

1333

00:56:35,450 --> 00:56:33,119

ourselves so we have those now uh as the

1334

00:56:37,970 --> 00:56:35,460

player long foretold to Meyer they will

1335

00:56:40,609 --> 00:56:37,980

come against each other in full force

1336

00:56:42,109 --> 00:56:40,619

during these times basically destroy

1337

00:56:42,770 --> 00:56:42,119

each other's

1338

00:56:46,130 --> 00:56:42,780

um

1339

00:56:49,549 --> 00:56:46,140

so the player in because some of their

1340

00:56:51,950 --> 00:56:49,559

ancestors were among those gods of our

1341

00:56:54,950 --> 00:56:51,960

history and who set things off in Scurry

1342

00:56:58,970 --> 00:56:54,960

levels they felt a self-obligated

1343

00:57:01,490 --> 00:56:58,980

mission to try to assist us and what

1344

00:57:04,910 --> 00:57:01,500

they would do they would assist us by

1345

00:57:07,609 --> 00:57:04,920

working or starting back about 13 500

1346

00:57:08,690 --> 00:57:07,619

years ago they would work with a

1347

00:57:12,789 --> 00:57:08,700

specific

1348

00:57:14,809 --> 00:57:12,799

person and his subsequent personalities

1349

00:57:18,770 --> 00:57:14,819

over time

1350

00:57:20,690 --> 00:57:18,780

to try to get the teaching of the truth

1351  
00:57:22,250 --> 00:57:20,700  
the teaching the spirit the teaching of

1352  
00:57:26,030 --> 00:57:22,260  
life

1353  
00:57:28,670 --> 00:57:26,040  
into our world to dislodge belief

1354  
00:57:30,650 --> 00:57:28,680  
systems Cults religions things that

1355  
00:57:33,589 --> 00:57:30,660  
always cause people to fight and be

1356  
00:57:35,750 --> 00:57:33,599  
violent with each other over beliefs

1357  
00:57:37,910 --> 00:57:35,760  
and try to bring the truth and how you

1358  
00:57:39,589 --> 00:57:37,920  
learn to think and how you find the

1359  
00:57:42,289 --> 00:57:39,599  
truth and we can't tell you everything

1360  
00:57:44,510 --> 00:57:42,299  
but we can tell you how we will can go

1361  
00:57:45,890 --> 00:57:44,520  
about it and if you evolve that way you

1362  
00:57:48,530 --> 00:57:45,900  
too will find the truth we've been

1363  
00:57:50,329 --> 00:57:48,540

through it it's rough okay so they

1364

00:57:52,670 --> 00:57:50,339

worked with uh prior to Billy they

1365

00:57:55,430 --> 00:57:52,680

worked with six other prophets profit

1366

00:57:58,010 --> 00:57:55,440

slash contactees whose names were

1367

00:58:01,849 --> 00:57:58,020

Enoch they called him hennok Elijah

1368

00:58:06,470 --> 00:58:01,859

Isaiah Jeremiah Emanuel

1369

00:58:08,569 --> 00:58:06,480

and Muhammad now Emmanuel they say is

1370

00:58:11,270 --> 00:58:08,579

the real name of the man falsely called

1371

00:58:13,549 --> 00:58:11,280

Jesus Christ they say he never existed

1372

00:58:15,470 --> 00:58:13,559

such a person well for those people that

1373

00:58:19,430 --> 00:58:15,480

don't like hearing that all they have to

1374

00:58:22,069 --> 00:58:19,440

do is go and find one or two biographies

1375

00:58:24,530 --> 00:58:22,079

of anybody named Jesus Christ not holy

1376  
00:58:26,410 --> 00:58:24,540  
books not things written hundreds of

1377  
00:58:29,089 --> 00:58:26,420  
years after events in Jerusalem

1378  
00:58:30,829 --> 00:58:29,099  
biographies there were 60 or so

1379  
00:58:32,990 --> 00:58:30,839  
biographers who were living in that

1380  
00:58:35,210 --> 00:58:33,000  
overall area in the Middle East 2000

1381  
00:58:36,170 --> 00:58:35,220  
years ago worst biography of a Jesus

1382  
00:58:38,270 --> 00:58:36,180  
Christ

1383  
00:58:41,630 --> 00:58:38,280  
it can let you in a story nobody's ever

1384  
00:58:43,670 --> 00:58:41,640  
sent one maybe but so far nothing okay

1385  
00:58:47,089 --> 00:58:43,680  
fine people can believe what they want

1386  
00:58:49,849 --> 00:58:47,099  
Muhammad as the player and said and as

1387  
00:58:53,210 --> 00:58:49,859  
mired wrote extensively he was a true

1388  
00:58:55,190 --> 00:58:53,220

prophet he was in the lineage he was a

1389

00:58:57,710 --> 00:58:55,200

liberator of women he never married

1390

00:59:00,650 --> 00:58:57,720

nine-year-old girls he had a cousin

1391

00:59:02,510 --> 00:59:00,660

named Omar who since he was one of the

1392

00:59:05,270 --> 00:59:02,520

few people who could write and read and

1393

00:59:07,609 --> 00:59:05,280

took down what Muhammad was saying he

1394

00:59:09,890 --> 00:59:07,619

along with macaulays falsified the whole

1395

00:59:12,710 --> 00:59:09,900

thing the Quran was born and

1396

00:59:15,410 --> 00:59:12,720

irrationality and bloodshed would follow

1397

00:59:17,510 --> 00:59:15,420

so finally they knew even long ago this

1398

00:59:19,370 --> 00:59:17,520

is going to be rough until we get to the

1399

00:59:21,589 --> 00:59:19,380

electronic age on Earth

1400

00:59:24,589 --> 00:59:21,599

where people

1401

00:59:26,450 --> 00:59:24,599

in large numbers can read and write and

1402

00:59:28,849 --> 00:59:26,460

store information where it doesn't get

1403

00:59:31,670 --> 00:59:28,859

changed and turned into this or that

1404

00:59:32,990 --> 00:59:31,680

belief system until then it's going to

1405

00:59:36,230 --> 00:59:33,000

be pretty rough

1406

00:59:39,410 --> 00:59:36,240

but when the time came or the dawning of

1407

00:59:40,970 --> 00:59:39,420

the Aquarian ages they say in not 1844

1408

00:59:43,309 --> 00:59:40,980

the very beginning

1409

00:59:44,930 --> 00:59:43,319

then the that would be the new time and

1410

00:59:47,329 --> 00:59:44,940

it would be less than 100 years later

1411

00:59:51,049 --> 00:59:47,339

that the profit of the new time would be

1412

00:59:54,109 --> 00:59:51,059

born as a Manuel foretells in the talmud

1413

00:59:56,329 --> 00:59:54,119

Emanuel and the real writing it's very

1414

00:59:59,150 --> 00:59:56,339

interesting we have the book it will

1415

01:00:01,430 --> 00:59:59,160

only be you know in 2000 years that a

1416

01:00:04,130 --> 01:00:01,440

simple man in a far Northern country

1417

01:00:06,950 --> 01:00:04,140

will once again come forward to proclaim

1418

01:00:09,730 --> 01:00:06,960

the truth that I and the prophets before

1419

01:00:12,829 --> 01:00:09,740

me have brought and he too will be

1420

01:00:14,870 --> 01:00:12,839

ridiculed and attacked but it will

1421

01:00:17,569 --> 01:00:14,880

eventually take hold and the world will

1422

01:00:20,030 --> 01:00:17,579

know the truth after a long time after

1423

01:00:23,329 --> 01:00:20,040

that and then the people of Earth will

1424

01:00:25,370 --> 01:00:23,339

be able to live rationally and in

1425

01:00:28,849 --> 01:00:25,380

harmony with life and nature and restore

1426

01:00:31,190 --> 01:00:28,859

their world and all that so

1427

01:00:33,650 --> 01:00:31,200

that's kind of a

1428

01:00:37,130 --> 01:00:33,660

you know hitting some of the

1429

01:00:38,510 --> 01:00:37,140

things pertaining to this

1430

01:00:40,190 --> 01:00:38,520

um

1431

01:00:42,950 --> 01:00:40,200

there's you know of course there's a lot

1432

01:00:44,450 --> 01:00:42,960

in this case we only have a few thousand

1433

01:00:47,450 --> 01:00:44,460

of the 45

1434

01:00:49,970 --> 01:00:47,460

000 Pages translated into English so if

1435

01:00:50,870 --> 01:00:49,980

you're a German reader you you could go

1436

01:00:52,849 --> 01:00:50,880

to town

1437

01:00:55,430 --> 01:00:52,859

but there's plenty in English where

1438

01:00:57,829 --> 01:00:55,440

people and you can test it out you

1439

01:01:00,650 --> 01:00:57,839

you can if when we say we corroborated

1440

01:01:01,910 --> 01:01:00,660

Meyer published it first what I did in

1441

01:01:04,010 --> 01:01:01,920

others

1442

01:01:05,450 --> 01:01:04,020

we'd find something interesting and wait

1443

01:01:07,250 --> 01:01:05,460

a minute I've never heard of that then

1444

01:01:08,690 --> 01:01:07,260

we'd go on the internet when was this

1445

01:01:14,349 --> 01:01:08,700

discovered

1446

01:01:17,569 --> 01:01:14,359

it's always after Billy published it

1447

01:01:19,849 --> 01:01:17,579

we're done how does this guy Paul how

1448

01:01:21,950 --> 01:01:19,859

does he publish specific scientific

1449

01:01:24,589 --> 01:01:21,960

information about the composition of the

1450

01:01:27,289 --> 01:01:24,599

canals on Mars where the water is

1451  
01:01:29,150 --> 01:01:27,299  
located on Mars before we even get there

1452  
01:01:32,589 --> 01:01:29,160  
to discover it

1453  
01:01:35,349 --> 01:01:32,599  
what do we need here more ufology

1454  
01:01:41,510 --> 01:01:35,359  
aliens

1455  
01:01:43,849 --> 01:01:41,520  
so I I've tried to maintain some kind of

1456  
01:01:46,849 --> 01:01:43,859  
an equilibrium with people for a long

1457  
01:01:48,349 --> 01:01:46,859  
time and anybody I mean I'll talk to any

1458  
01:01:50,450 --> 01:01:48,359  
group I'll talk to anybody because I

1459  
01:01:51,650 --> 01:01:50,460  
learn from trying to see what I remember

1460  
01:01:53,390 --> 01:01:51,660  
and what's going to tell you and what

1461  
01:01:56,630 --> 01:01:53,400  
don't I know and I'll

1462  
01:01:59,349 --> 01:01:56,640  
go look here but the people in ufology

1463  
01:02:01,730 --> 01:01:59,359

are the worst frankly they're the worst

1464

01:02:04,510 --> 01:02:01,740

they don't want to find what they claim

1465

01:02:07,250 --> 01:02:04,520

they're looking for just like City

1466

01:02:08,690 --> 01:02:07,260

pseudoscientists if ever there were any

1467

01:02:17,630 --> 01:02:08,700

so

1468

01:02:19,849 --> 01:02:17,640

planet or is it just depletion for me

1469

01:02:22,190 --> 01:02:19,859

actually the player in the pleiadian was

1470

01:02:23,329 --> 01:02:22,200

the screen name that they used and

1471

01:02:27,109 --> 01:02:23,339

because it's interesting you mentioned

1472

01:02:29,390 --> 01:02:27,119

because in 75 when Billy was speaking to

1473

01:02:31,190 --> 01:02:29,400

them about the official context all the

1474

01:02:32,990 --> 01:02:31,200

stuff that would come out they said well

1475

01:02:35,450 --> 01:02:33,000

you refer to us as the pleiadian he said

1476

01:02:38,089 --> 01:02:35,460

well why there's no life in the Pleiades

1477

01:02:41,170 --> 01:02:38,099

even Earthly scientists know that

1478

01:02:44,329 --> 01:02:41,180

and they said we will the reason is this

1479

01:02:46,490 --> 01:02:44,339

once you Billy start publishing all your

1480

01:02:48,109 --> 01:02:46,500

evidence your photos and art

1481

01:02:49,789 --> 01:02:48,119

conversations

1482

01:02:51,250 --> 01:02:49,799

a lot of people are going to start to

1483

01:02:54,289 --> 01:02:51,260

come forward from different places

1484

01:02:57,770 --> 01:02:54,299

claiming that they too are in contact

1485

01:02:59,710 --> 01:02:57,780

with Pleiadians they are they date

1486

01:03:02,329 --> 01:02:59,720

Pleiadians they have their babies and

1487

01:03:04,910 --> 01:03:02,339

they're channeling them and

1488

01:03:07,130 --> 01:03:04,920

and what you'll know Billy you won't

1489

01:03:08,809 --> 01:03:07,140

have to ask us if we're meeting with

1490

01:03:10,849 --> 01:03:08,819

those people as soon as they say

1491

01:03:12,289 --> 01:03:10,859

pleiadian you'll know they're Liars it's

1492

01:03:15,890 --> 01:03:12,299

that easy he says well that's pretty

1493

01:03:18,289 --> 01:03:15,900

elegant okay got it so in 98 or so they

1494

01:03:20,210 --> 01:03:18,299

said okay now you can reveal the term

1495

01:03:21,289 --> 01:03:20,220

the play Iron you know because you've

1496

01:03:22,789 --> 01:03:21,299

got all these people that have come

1497

01:03:24,309 --> 01:03:22,799

forward they're all phonies and Liars

1498

01:03:27,349 --> 01:03:24,319

don't worry about it

1499

01:03:28,970 --> 01:03:27,359

you tell people what we are now so what

1500

01:03:30,230 --> 01:03:28,980

about other races visiting the Earth

1501

01:03:32,870 --> 01:03:30,240

well

1502

01:03:34,490 --> 01:03:32,880

for a long time in history there have

1503

01:03:36,529 --> 01:03:34,500

been people that have come and gone for

1504

01:03:39,470 --> 01:03:36,539

the most part there's another grouping

1505

01:03:41,270 --> 01:03:39,480

that actually observes the Earth but for

1506

01:03:43,490 --> 01:03:41,280

a very long time but according to this

1507

01:03:45,710 --> 01:03:43,500

information I cannot prove it they do

1508

01:03:48,650 --> 01:03:45,720

not interact at all they don't contact

1509

01:03:51,289 --> 01:03:48,660

anybody but sometimes their shifts are

1510

01:03:53,990 --> 01:03:51,299

seen some of them are triangular craft

1511

01:03:57,890 --> 01:03:54,000

and when the triangles are not

1512

01:04:01,130 --> 01:03:57,900

from the uh U.S military or others which

1513

01:04:03,289 --> 01:04:01,140

most of them are they specified that

1514

01:04:04,849 --> 01:04:03,299

their craft of this group has been seen

1515

01:04:07,250 --> 01:04:04,859

over Belgium

1516

01:04:09,529 --> 01:04:07,260

specifically some years ago and maybe

1517

01:04:11,450 --> 01:04:09,539

over Arizona at the Phoenix Lights but

1518

01:04:14,270 --> 01:04:11,460

other than that the triangles for the

1519

01:04:17,329 --> 01:04:14,280

most part of this you know secret uh

1520

01:04:18,950 --> 01:04:17,339

developments eight Area 51 Etc

1521

01:04:21,170 --> 01:04:18,960

so

1522

01:04:24,230 --> 01:04:21,180

as far as

1523

01:04:27,650 --> 01:04:24,240

do you have any racist supposed races in

1524

01:04:28,670 --> 01:04:27,660

mind rather than I try to give you a

1525

01:04:31,730 --> 01:04:28,680

general

1526

01:04:33,470 --> 01:04:31,740

no I mean there's plenty out there I

1527

01:04:37,010 --> 01:04:33,480

just wanted to see what your point of

1528

01:04:39,049 --> 01:04:37,020

view is so either is basically the only

1529

01:04:41,569 --> 01:04:39,059

ones are the play aren't you're saying

1530

01:04:45,170 --> 01:04:41,579

and that's they are the only races

1531

01:04:48,049 --> 01:04:45,180

visiting us with the exception of those

1532

01:04:50,690 --> 01:04:48,059

people from some other races

1533

01:04:53,210 --> 01:04:50,700

who have come with the play Aaron

1534

01:04:55,730 --> 01:04:53,220

to meet with Billy or this other

1535

01:04:58,849 --> 01:04:55,740

grouping now they've also said there may

1536

01:05:01,450 --> 01:04:58,859

be some future Earth Time Travelers who

1537

01:05:04,549 --> 01:05:01,460

observe but in all these other cases

1538

01:05:05,870 --> 01:05:04,559

this is not contacting people on earth

1539

01:05:09,130 --> 01:05:05,880

now

1540

01:05:12,589 --> 01:05:09,140

there is people talk about

1541

01:05:15,890 --> 01:05:12,599

draco's and reptilians and great there's

1542

01:05:17,870 --> 01:05:15,900

zero evidence that I mean our

1543

01:05:21,589 --> 01:05:17,880

intelligence Services have had a field

1544

01:05:24,250 --> 01:05:21,599

day cranking out this evil alien stuff

1545

01:05:27,349 --> 01:05:24,260

since the War of the Worlds broadcast

1546

01:05:33,230 --> 01:05:27,359

uh decades and decades ago almost

1547

01:05:39,410 --> 01:05:36,710

everybody in ufology who's repeated this

1548

01:05:42,109 --> 01:05:39,420

thing about the great whites or the

1549

01:05:43,309 --> 01:05:42,119

Northerns or the this and the that they

1550

01:05:46,730 --> 01:05:43,319

don't know what they're talking about

1551  
01:05:48,710 --> 01:05:46,740  
where is the evidence so if you see me

1552  
01:05:51,109 --> 01:05:48,720  
well you mean to say there's nobody else

1553  
01:05:53,210 --> 01:05:51,119  
I say just show me the evidence I don't

1554  
01:05:54,829 --> 01:05:53,220  
care I think it'd be interesting if

1555  
01:05:56,809 --> 01:05:54,839  
there really was would what could we

1556  
01:05:59,270 --> 01:05:56,819  
learn but I mean not missing anything

1557  
01:06:00,950 --> 01:05:59,280  
because of minor case is so huge but

1558  
01:06:03,170 --> 01:06:00,960  
where's the evidence yeah I might as

1559  
01:06:05,870 --> 01:06:03,180  
well it's in the same realm as Santa

1560  
01:06:07,609 --> 01:06:05,880  
Claus in the tooth fairy until evidence

1561  
01:06:10,970 --> 01:06:07,619  
and I don't mean people saying well I

1562  
01:06:13,970 --> 01:06:10,980  
was abductive I was raped by a reptilian

1563  
01:06:17,390 --> 01:06:13,980

I was abducted by a gray

1564

01:06:20,270 --> 01:06:17,400

most of that is secret U.S military

1565

01:06:23,930 --> 01:06:20,280

I I've got a video I did with a guy I

1566

01:06:26,089 --> 01:06:23,940

met up here former U.S military former

1567

01:06:28,309 --> 01:06:26,099

Army Ranger former secret weapons

1568

01:06:29,870 --> 01:06:28,319

development at Camp Navajo who told me

1569

01:06:32,270 --> 01:06:29,880

that he and the Rangers sometimes would

1570

01:06:34,069 --> 01:06:32,280

go in with gas and they'd fill a house

1571

01:06:35,569 --> 01:06:34,079

where people are sleeping with gas go in

1572

01:06:37,069 --> 01:06:35,579

there and mess with them up they think

1573

01:06:38,690 --> 01:06:37,079

in the morning they've been abducted by

1574

01:06:41,210 --> 01:06:38,700

aliens that's probably not the only way

1575

01:06:43,970 --> 01:06:41,220

same thing with cattle mutilations we

1576

01:06:47,089 --> 01:06:43,980

don't think about this for one second

1577

01:06:48,109 --> 01:06:47,099

if you've got an advanced intelligent

1578

01:06:50,990 --> 01:06:48,119

they don't have to be good or bad but

1579

01:06:53,870 --> 01:06:51,000

intelligent space traveling race they've

1580

01:06:57,230 --> 01:06:53,880

evolved in terms of their genetics in

1581

01:06:59,870 --> 01:06:57,240

terms of their longevity by virtue of

1582

01:07:02,750 --> 01:06:59,880

needing longevity for the early phases

1583

01:07:05,630 --> 01:07:02,760

of developing space travel which takes a

1584

01:07:07,370 --> 01:07:05,640

long time until you can do light speed

1585

01:07:10,130 --> 01:07:07,380

travel it takes a long time in a

1586

01:07:13,250 --> 01:07:10,140

civilization to develop it now you've

1587

01:07:14,029 --> 01:07:13,260

got these beings supposedly that come to

1588

01:07:16,010 --> 01:07:14,039

Earth

1589

01:07:18,770 --> 01:07:16,020

and then what do they do

1590

01:07:21,650 --> 01:07:18,780

oh they abduct and add none floated

1591

01:07:24,829 --> 01:07:21,660

through a window they abduct Uncle Joe

1592

01:07:28,130 --> 01:07:24,839

because his his genetics are so valuable

1593

01:07:30,109 --> 01:07:28,140

he's only going to live to be 68 but his

1594

01:07:33,289 --> 01:07:30,119

genetics they've got to have them and

1595

01:07:35,390 --> 01:07:33,299

his emotions oh terrific what do you

1596

01:07:38,390 --> 01:07:35,400

what could be better than getting the

1597

01:07:40,490 --> 01:07:38,400

emotions of human beings on Earth who

1598

01:07:42,770 --> 01:07:40,500

are in Perpetual aggression and violence

1599

01:07:44,809 --> 01:07:42,780

with each other that's a winner isn't it

1600

01:07:46,670 --> 01:07:44,819

so wait a minute isn't there one other

1601  
01:07:48,109 --> 01:07:46,680  
thing we hadn't even thought about if

1602  
01:07:50,510 --> 01:07:48,119  
these people are these long-lived

1603  
01:07:53,210 --> 01:07:50,520  
intelligent space Travelers might they

1604  
01:07:56,210 --> 01:07:53,220  
not have their own damn lives

1605  
01:07:58,250 --> 01:07:56,220  
and they're going to travel 100 or 400

1606  
01:08:00,170 --> 01:07:58,260  
light years to come here with mess with

1607  
01:08:03,710 --> 01:08:00,180  
a bunch of monkeys

1608  
01:08:06,890 --> 01:08:03,720  
and then oh no I'm I'm me I'm channeling

1609  
01:08:09,109 --> 01:08:06,900  
an extraterrestrial I'm meeting with

1610  
01:08:12,470 --> 01:08:09,119  
them I'm downloading what they're

1611  
01:08:13,970 --> 01:08:12,480  
telling me Oh yeah right okay some idiot

1612  
01:08:17,510 --> 01:08:13,980  
down there thinks that we're talking to

1613  
01:08:19,309 --> 01:08:17,520

him why for what purpose

1614

01:08:22,070 --> 01:08:19,319

that would be actually more like an

1615

01:08:25,010 --> 01:08:22,080

invasion of our Free Will that's oh no

1616

01:08:27,050 --> 01:08:25,020

I'm important really you're important

1617

01:08:28,610 --> 01:08:27,060

enough for an extraterrestrial well tell

1618

01:08:30,530 --> 01:08:28,620

me when was the last time the president

1619

01:08:32,809 --> 01:08:30,540

called you to find out something from

1620

01:08:35,090 --> 01:08:32,819

you're the vice president how about a

1621

01:08:37,729 --> 01:08:35,100

Supreme Court judge or I know a

1622

01:08:40,010 --> 01:08:37,739

congressman or somebody in Senate wait a

1623

01:08:42,289 --> 01:08:40,020

minute uh how's about the governor of

1624

01:08:43,910 --> 01:08:42,299

your state or the the mayor of your city

1625

01:08:46,130 --> 01:08:43,920

or the dog catcher did anybody ever

1626

01:08:47,930 --> 01:08:46,140

contact you

1627

01:08:49,550 --> 01:08:47,940

because you're so important and so

1628

01:08:53,229 --> 01:08:49,560

valuable and your emotions and your

1629

01:08:55,550 --> 01:08:53,239

genetics oh no but space traveling

1630

01:08:58,130 --> 01:08:55,560

extraterrestrials who can travel through

1631

01:09:01,130 --> 01:08:58,140

space and probably time some of them

1632

01:09:02,809 --> 01:09:01,140

they've come to mess with you oh I've

1633

01:09:05,149 --> 01:09:02,819

got an implant

1634

01:09:08,689 --> 01:09:05,159

oh yeah it was done by an

1635

01:09:10,309 --> 01:09:08,699

extraterrestrial you know what

1636

01:09:11,749 --> 01:09:10,319

there's probably a handful of those

1637

01:09:13,189 --> 01:09:11,759

cases that have actually happened

1638

01:09:15,769 --> 01:09:13,199

because anything and everything is

1639

01:09:17,749 --> 01:09:15,779

possible the rest of this stuff

1640

01:09:20,390 --> 01:09:17,759

the best thing that could happen to

1641

01:09:25,849 --> 01:09:23,269

it just goes away

1642

01:09:27,490 --> 01:09:25,859

quietly because if the people there

1643

01:09:30,649 --> 01:09:27,500

don't want to

1644

01:09:33,590 --> 01:09:30,659

rejoice in the fact that there's an

1645

01:09:35,390 --> 01:09:33,600

actual UFO contact they can

1646

01:09:37,070 --> 01:09:35,400

try and attack it take it apart your

1647

01:09:38,209 --> 01:09:37,080

investigators right if they can't even

1648

01:09:40,970 --> 01:09:38,219

do that

1649

01:09:43,550 --> 01:09:40,980

this is a bad joke and during a time

1650

01:09:46,010 --> 01:09:43,560

when this country is breaking up when we

1651  
01:09:47,930 --> 01:09:46,020  
have a disease raising raging and when

1652  
01:09:51,470 --> 01:09:47,940  
we're about to see the Fulfillment of

1653  
01:09:54,770 --> 01:09:51,480  
prophecies pertaining to volcanoes in

1654  
01:09:56,110 --> 01:09:54,780  
Italy and Indonesia and under sea and in

1655  
01:10:01,070 --> 01:09:56,120  
different places

1656  
01:10:04,729 --> 01:10:01,080  
ufology that is never produced One Piece

1657  
01:10:06,950 --> 01:10:04,739  
of evidence and one important previously

1658  
01:10:09,229 --> 01:10:06,960  
unknown fact that only could have been

1659  
01:10:12,590 --> 01:10:09,239  
given by extraterrestrials

1660  
01:10:14,810 --> 01:10:12,600  
this so Michael let me let me just ask

1661  
01:10:16,750 --> 01:10:14,820  
you I'm sorry to interrupt so I just I

1662  
01:10:20,090 --> 01:10:16,760  
don't want to put warts in your mouth so

1663  
01:10:22,490 --> 01:10:20,100

you if I'm understanding this correctly

1664

01:10:26,330 --> 01:10:22,500

you're saying that because of the

1665

01:10:27,250 --> 01:10:26,340

evidence that Nvidia that Billy Myers

1666

01:10:29,750 --> 01:10:27,260

had

1667

01:10:33,590 --> 01:10:29,760

that that is

1668

01:10:35,270 --> 01:10:33,600

uh basically the because

1669

01:10:36,110 --> 01:10:35,280

is it because you're saying that they

1670

01:10:38,990 --> 01:10:36,120

left

1671

01:10:42,649 --> 01:10:39,000

and came and allowed themselves to be

1672

01:10:45,490 --> 01:10:42,659

recorded that that is the only reason or

1673

01:10:48,110 --> 01:10:45,500

the only proof really there

1674

01:10:50,510 --> 01:10:48,120

is am I understand it correctly meaning

1675

01:10:52,970 --> 01:10:50,520

meaning only because of the videos and

1676

01:10:55,430 --> 01:10:52,980

whatever else my the messages admired

1677

01:10:57,290 --> 01:10:55,440

had that that would be that that makes

1678

01:11:00,229 --> 01:10:57,300

it the only authentication put it this

1679

01:11:02,030 --> 01:11:00,239

way we all know that photos of UFOs and

1680

01:11:03,350 --> 01:11:02,040

even films have been taken for you know

1681

01:11:05,450 --> 01:11:03,360

80 years whatever

1682

01:11:07,370 --> 01:11:05,460

here and there somebody gets a photo

1683

01:11:09,470 --> 01:11:07,380

number one it doesn't make it

1684

01:11:10,729 --> 01:11:09,480

extraterrestrial we learn in the minor

1685

01:11:14,090 --> 01:11:10,739

case and other people know from other

1686

01:11:15,770 --> 01:11:14,100

reasons the Germans uh some of them were

1687

01:11:18,229 --> 01:11:15,780

working with alternative energy and

1688

01:11:20,990 --> 01:11:18,239

craft stuff as far back as the 20s and

1689

01:11:22,729 --> 01:11:21,000

into the early parts or the mid part of

1690

01:11:25,370 --> 01:11:22,739

the second World War

1691

01:11:27,890 --> 01:11:25,380

so alternative craft have been here for

1692

01:11:31,250 --> 01:11:27,900

a while other crafts from other beings

1693

01:11:33,050 --> 01:11:31,260

could be photographed but that isn't

1694

01:11:35,350 --> 01:11:33,060

what proves the case

1695

01:11:38,830 --> 01:11:35,360

certainly to be clear

1696

01:11:41,870 --> 01:11:38,840

Meyer has the only

1697

01:11:44,590 --> 01:11:41,880

multi-faceted verifiably independently

1698

01:11:49,250 --> 01:11:44,600

analyzed and authentic evidence of

1699

01:11:54,410 --> 01:11:49,260

non-terrestrial origin that exists

1700

01:11:58,669 --> 01:11:54,420

films photo video sound recordings

1701

01:12:00,229 --> 01:11:58,679

metal samples even hand prints of seven

1702

01:12:03,169 --> 01:12:00,239

finger they're not to play Iron but

1703

01:12:06,649 --> 01:12:03,179

seven fingered handprints embedded into

1704

01:12:08,510 --> 01:12:06,659

the surface of car finishes

1705

01:12:10,750 --> 01:12:08,520

I mean well

1706

01:12:13,250 --> 01:12:10,760

what can we want here physical evidence

1707

01:12:16,189 --> 01:12:13,260

nobody else has if you know of anybody

1708

01:12:19,729 --> 01:12:16,199

I'm open to learn but

1709

01:12:21,709 --> 01:12:19,739

yeah so the question though also you

1710

01:12:24,169 --> 01:12:21,719

know wouldn't that be a lot easier to

1711

01:12:25,850 --> 01:12:24,179

just make contact with many other people

1712

01:12:28,130 --> 01:12:25,860

and then it would have made it a lot

1713

01:12:31,130 --> 01:12:28,140

easier having to overcome you know who's

1714

01:12:33,470 --> 01:12:31,140

got what proof just what do you what do

1715

01:12:35,750 --> 01:12:33,480

you say about that well they say certain

1716

01:12:37,550 --> 01:12:35,760

things about it in in the material let

1717

01:12:40,850 --> 01:12:37,560

me just say this do you did you ever

1718

01:12:43,790 --> 01:12:40,860

play the game called telephone

1719

01:12:45,470 --> 01:12:43,800

okay yeah hi I want to tell you this and

1720

01:12:46,550 --> 01:12:45,480

I want you to tell to the person next to

1721

01:12:50,689 --> 01:12:46,560

you

1722

01:12:53,510 --> 01:12:50,699

let alone 10 in a circle

1723

01:12:55,910 --> 01:12:53,520

by the time it comes back to you it

1724

01:12:56,930 --> 01:12:55,920

don't sound quite the same as what you

1725

01:12:59,930 --> 01:12:56,940

said

1726

01:13:03,169 --> 01:12:59,940

because human beings well they kind of

1727

01:13:05,330 --> 01:13:03,179

fuss with stuff that's why when the even

1728

01:13:08,090 --> 01:13:05,340

the original prophets at the time of

1729

01:13:11,750 --> 01:13:08,100

Enoch the prophet Enoch was here and

1730

01:13:12,770 --> 01:13:11,760

then the prophet you know Enoch Elijah

1731

01:13:16,370 --> 01:13:12,780

Isaiah

1732

01:13:20,450 --> 01:13:16,380

that every time the prophet came to give

1733

01:13:21,890 --> 01:13:20,460

the same teaching as Billy Meyer today

1734

01:13:24,649 --> 01:13:21,900

teaches

1735

01:13:28,729 --> 01:13:24,659

it ended up into some cockamami belief

1736

01:13:31,990 --> 01:13:28,739

system with guys floating around the sky

1737

01:13:35,330 --> 01:13:32,000

who are gods and saviors who come to get

1738

01:13:37,310 --> 01:13:35,340

uh nailed up to die for the sins of

1739

01:13:39,649 --> 01:13:37,320

people who haven't been born yet to

1740

01:13:42,050 --> 01:13:39,659

commit them I mean things that if you

1741

01:13:42,770 --> 01:13:42,060

just tell people offhand how does this

1742

01:13:45,290 --> 01:13:42,780

sound do you think they're going to go

1743

01:13:47,810 --> 01:13:45,300

what what you've been drinking oh but no

1744

01:13:49,850 --> 01:13:47,820

we have billions of people over time buy

1745

01:13:52,189 --> 01:13:49,860

into this stuff because they changed it

1746

01:13:54,530 --> 01:13:52,199

and told people it's the truth why is it

1747

01:13:56,689 --> 01:13:54,540

the truth well it's true because this

1748

01:13:58,669 --> 01:13:56,699

book says it's true oh great so that's

1749

01:14:02,630 --> 01:13:58,679

true yeah the book says it's true and

1750

01:14:07,010 --> 01:14:02,640

and so no each time in the past as well

1751

01:14:10,010 --> 01:14:07,020

they chose one person who had to be one

1752

01:14:11,810 --> 01:14:10,020

tough son of a gun who would put up with

1753

01:14:14,990 --> 01:14:11,820

all the attacks

1754

01:14:18,050 --> 01:14:15,000

to the point of getting crucified or run

1755

01:14:19,750 --> 01:14:18,060

out of town or whatever it was from his

1756

01:14:23,450 --> 01:14:19,760

wonderfully

1757

01:14:26,390 --> 01:14:23,460

merciful loving human friends no you

1758

01:14:27,770 --> 01:14:26,400

take one person who can carry that and

1759

01:14:28,970 --> 01:14:27,780

you bring It Forward because otherwise

1760

01:14:32,689 --> 01:14:28,980

you're gonna have people arguing with

1761

01:14:34,970 --> 01:14:32,699

you no the play Aaron told me this well

1762

01:14:37,550 --> 01:14:34,980

the player until we have it with all the

1763

01:14:39,709 --> 01:14:37,560

dummies that are channeling by the

1764

01:14:42,229 --> 01:14:39,719

Creations or this one's told me this

1765

01:14:44,870 --> 01:14:42,239

they need somebody else is saying well

1766

01:14:47,450 --> 01:14:44,880

Barbara Marciniak said that the pleiadin

1767

01:14:50,090 --> 01:14:47,460

said there's 12 strands of tea I mean

1768

01:14:53,990 --> 01:14:50,100

all this garbage

1769

01:14:55,910 --> 01:14:54,000

I'm sorry I I know this man I've gone

1770

01:14:56,750 --> 01:14:55,920

there 20 I've tried to trick him with

1771

01:14:58,910 --> 01:14:56,760

questions

1772

01:15:01,910 --> 01:14:58,920

honest man just tells it like it is same

1773

01:15:03,770 --> 01:15:01,920

thing same answer same question

1774

01:15:06,530 --> 01:15:03,780

and what he's gone through and goes

1775

01:15:10,310 --> 01:15:06,540

through these days oh he's the leader of

1776

01:15:13,010 --> 01:15:10,320

a UFO religion says Wikipedia no

1777

01:15:14,870 --> 01:15:13,020

he's the leader of a cult no when was

1778

01:15:16,970 --> 01:15:14,880

the last time anybody contacted anyone

1779

01:15:20,770 --> 01:15:16,980

said join the Billy Meyer religion join

1780

01:15:24,709 --> 01:15:20,780

the Billy Meyer coat really where's that

1781

01:15:27,890 --> 01:15:24,719

so you get one human being during each

1782

01:15:30,050 --> 01:15:27,900

important Epoch who's got the fortitude

1783

01:15:34,070 --> 01:15:30,060

the strength of character

1784

01:15:36,229 --> 01:15:34,080

and the purposeful love for Humanity to

1785

01:15:38,990 --> 01:15:36,239

come forward it takes the crap that a

1786

01:15:39,950 --> 01:15:39,000

bunch of morons are going to throw at

1787

01:15:43,010 --> 01:15:39,960

him

1788

01:15:43,970 --> 01:15:43,020

and still smile and love truly love

1789

01:15:45,530 --> 01:15:43,980

people

1790

01:15:47,630 --> 01:15:45,540

despite it all

1791

01:15:50,510 --> 01:15:47,640

so then what is the what would be then

1792

01:15:53,450 --> 01:15:50,520

the idea is to for them to come to to

1793

01:15:55,130 --> 01:15:53,460

Billy and then what learn what what they

1794

01:15:58,729 --> 01:15:55,140

told him and then eventually have

1795

01:16:01,130 --> 01:15:58,739

contact uh on their own meaning

1796

01:16:02,870 --> 01:16:01,140

was that the overall goal of them just

1797

01:16:04,010 --> 01:16:02,880

eventually make themselves known to

1798

01:16:06,229 --> 01:16:04,020

everybody they're not going to make

1799

01:16:08,770 --> 01:16:06,239

themselves known here we are hundreds

1800

01:16:12,590 --> 01:16:08,780

away of years away from being civilized

1801

01:16:15,410 --> 01:16:12,600

we're dangerous they cannot come down in

1802

01:16:16,610 --> 01:16:15,420

the midst of theirs and their their

1803

01:16:20,510 --> 01:16:16,620

edicts

1804

01:16:22,370 --> 01:16:20,520

say you may not contact a race on a

1805

01:16:23,510 --> 01:16:22,380

world according to them there's a lot of

1806

01:16:26,689 --> 01:16:23,520

Life out there not in our solar system

1807

01:16:30,590 --> 01:16:26,699

but beyond you cannot contact a race

1808

01:16:33,169 --> 01:16:30,600

until it is a space traveling race

1809

01:16:35,510 --> 01:16:33,179

itself because the people until then

1810

01:16:38,209 --> 01:16:35,520

will be bound by beliefs and things and

1811

01:16:40,189 --> 01:16:38,219

not Advanced enough that's us we think

1812

01:16:42,229 --> 01:16:40,199

we've got space travel with even with

1813

01:16:45,590 --> 01:16:42,239

Elon Musk he wants to throw a tin can at

1814

01:16:47,450 --> 01:16:45,600

Mars this is primitive crap we're still

1815

01:16:49,790 --> 01:16:47,460

burning up stuff to send Rockets around

1816

01:16:51,110 --> 01:16:49,800

but some of the scientists are on to

1817

01:16:52,610 --> 01:16:51,120

other stuff they know you can't get

1818

01:16:55,910 --> 01:16:52,620

anywhere with that

1819

01:16:57,950 --> 01:16:55,920

so no they're not gonna what we don't

1820

01:17:00,229 --> 01:16:57,960

need them this is part of the other

1821

01:17:02,330 --> 01:17:00,239

message The Core teaching in this case

1822

01:17:07,610 --> 01:17:02,340

it's a spiritual teaching number one

1823

01:17:10,610 --> 01:17:07,620

rule every human being is one hundred

1824

01:17:11,890 --> 01:17:10,620

percent responsible for themselves and

1825

01:17:17,510 --> 01:17:11,900

their own life

1826

01:17:19,790 --> 01:17:17,520

no outside real or imaginary forces no

1827

01:17:23,450 --> 01:17:19,800

pretend God's Saints saviors and devils

1828

01:17:25,790 --> 01:17:23,460

and demons and no hierarchy with priests

1829

01:17:28,430 --> 01:17:25,800

and rabbis and mullahs and authorities

1830

01:17:31,490 --> 01:17:28,440

you're responsible for your life

1831

01:17:33,110 --> 01:17:31,500

and how do you get that well the next

1832

01:17:36,169 --> 01:17:33,120

thing here is we teach you how to think

1833

01:17:38,810 --> 01:17:36,179

and it's freely presented it's what they

1834

01:17:40,790 --> 01:17:38,820

learned long ago why should we want to

1835

01:17:43,370 --> 01:17:40,800

worry about extraterrestrials when we

1836

01:17:48,050 --> 01:17:43,380

could live as they do

1837

01:17:50,570 --> 01:17:48,060

by learning how to think how life Works

1838

01:17:52,729 --> 01:17:50,580

what the real immutable laws of the

1839

01:17:56,570 --> 01:17:52,739

universe are not the beliefs not the

1840

01:17:59,270 --> 01:17:56,580

phony stuff not chasing after UFOs and

1841

01:18:01,430 --> 01:17:59,280

ETS and and stuff why would we do that

1842

01:18:02,630 --> 01:18:01,440

if somebody comes and says here's how

1843

01:18:04,490 --> 01:18:02,640

they live

1844

01:18:07,250 --> 01:18:04,500

they follow this teaching it's a

1845

01:18:09,709 --> 01:18:07,260

teaching of this universe of creation it

1846

01:18:12,050 --> 01:18:09,719

teaches you how things work is that a

1847

01:18:14,630 --> 01:18:12,060

belief system you have to test it just

1848

01:18:17,750 --> 01:18:14,640

like if you were gonna do learn how a

1849

01:18:20,270 --> 01:18:17,760

computer works learn how a car works and

1850

01:18:21,950 --> 01:18:20,280

you read and you say okay it says to fix

1851

01:18:24,110 --> 01:18:21,960

this thing and here I have to unscrew

1852

01:18:26,030 --> 01:18:24,120

that and take that out and put this in

1853

01:18:28,430 --> 01:18:26,040

and screw it back in and then throw the

1854

01:18:30,649 --> 01:18:28,440

switch oh that worked okay because it

1855

01:18:32,270 --> 01:18:30,659

was that teaching accurate yeah okay

1856

01:18:33,790 --> 01:18:32,280

let's go to the next thing oh it's going

1857

01:18:36,590 --> 01:18:33,800

to get a little more

1858

01:18:40,310 --> 01:18:36,600

sophisticated well I'm up for that

1859

01:18:43,070 --> 01:18:40,320

no we want to chase after goddamn UFOs

1860

01:18:44,750 --> 01:18:43,080

what has that gotten anybody

1861

01:18:47,450 --> 01:18:44,760

absolutely

1862

01:18:49,310 --> 01:18:47,460

I think at the end of the day especially

1863

01:18:51,470 --> 01:18:49,320

if let's say somebody finds the

1864

01:18:53,689 --> 01:18:51,480

information very useful that they

1865

01:18:55,610 --> 01:18:53,699

eventually would say to themselves I

1866

01:18:58,550 --> 01:18:55,620

want to have contact on my own or want

1867

01:19:01,189 --> 01:18:58,560

to be contacted myself and so in a way

1868

01:19:03,770 --> 01:19:01,199

if Billy is the only one person and

1869

01:19:06,290 --> 01:19:03,780

everyone has to basically look to his

1870

01:19:07,729 --> 01:19:06,300

books for the translations I would have

1871

01:19:10,550 --> 01:19:07,739

thought it would have been a lot easier

1872

01:19:13,970 --> 01:19:10,560

on Billy and everyone else to say well

1873

01:19:15,290 --> 01:19:13,980

there's more proof by more sightings so

1874

01:19:18,050 --> 01:19:15,300

that that way you don't have to just

1875

01:19:19,669 --> 01:19:18,060

believe one person and based on one

1876

01:19:22,490 --> 01:19:19,679

piece of or not one piece of information

1877

01:19:24,890 --> 01:19:22,500

but information coming on me it's not

1878

01:19:26,330 --> 01:19:24,900

about whether it's there's five other

1879

01:19:28,370 --> 01:19:26,340

photographers who've seen the ships

1880

01:19:32,450 --> 01:19:28,380

there's 90 eyewitnesses I've seen the

1881

01:19:34,430 --> 01:19:32,460

ships it's unimportant why think about

1882

01:19:36,890 --> 01:19:34,440

it this way do you think any of us on

1883

01:19:38,750 --> 01:19:36,900

Earth are going to jump from

1884

01:19:41,870 --> 01:19:38,760

kindergarten Here

1885

01:19:43,610 --> 01:19:41,880

into a university we're not we can't

1886

01:19:46,189 --> 01:19:43,620

even there are scientists there are

1887

01:19:49,250 --> 01:19:46,199

scientists and professors the who could

1888

01:19:50,930 --> 01:19:49,260

who are teaching stuff we can't grasp

1889

01:19:53,209 --> 01:19:50,940

what do we think we're going to talk to

1890

01:19:55,669 --> 01:19:53,219

some damn extraterrestrials that have

1891

01:19:59,330 --> 01:19:55,679

already gone thousands of years before

1892

01:20:03,050 --> 01:19:59,340

oh well I've got to talk to somebody

1893

01:20:05,149 --> 01:20:03,060

why it's not about it's that that's here

1894

01:20:07,790 --> 01:20:05,159

worship it's it's transferring your

1895

01:20:09,590 --> 01:20:07,800

personal power to every book that you've

1896

01:20:13,250 --> 01:20:09,600

ever learned anything from did you have

1897

01:20:15,530 --> 01:20:13,260

to meet the damn author to learn it or

1898

01:20:16,790 --> 01:20:15,540

was we able to learn from a book if

1899

01:20:18,590 --> 01:20:16,800

you've gone to school all your life

1900

01:20:20,570 --> 01:20:18,600

you're in a classroom they have you read

1901

01:20:23,090 --> 01:20:20,580

six books in this course and 20 and that

1902

01:20:24,189 --> 01:20:23,100

did you meet the authors of course you

1903

01:20:26,270 --> 01:20:24,199

didn't

1904

01:20:28,550 --> 01:20:26,280

assuming that those were good just

1905

01:20:31,070 --> 01:20:28,560

instructional books and you learned from

1906

01:20:32,629 --> 01:20:31,080

them forget this thing about this is

1907

01:20:36,830 --> 01:20:32,639

what I say to people and if I forget

1908

01:20:38,810 --> 01:20:36,840

about I I want to meet I met Meyer Meyer

1909

01:20:40,910 --> 01:20:38,820

writes to spiritual teaching from the

1910

01:20:43,910 --> 01:20:40,920

play Aaron do I care about meeting the

1911

01:20:46,310 --> 01:20:43,920

play Aaron no I met their teacher that's

1912

01:20:48,770 --> 01:20:46,320

nice but what can you do in an hour even

1913

01:20:52,729 --> 01:20:48,780

talk you learn things but what did he do

1914

01:20:55,790 --> 01:20:52,739

he put it down in 60 plus books that

1915

01:20:57,970 --> 01:20:55,800

anybody who really wants to know who

1916

01:21:02,090 --> 01:20:57,980

isn't hung up on oh I want

1917

01:21:04,490 --> 01:21:02,100

sensationalism I want phenomenon I want

1918

01:21:06,770 --> 01:21:04,500

to chase lights in the sky and I want

1919

01:21:08,090 --> 01:21:06,780

some space brother to come down and

1920

01:21:09,850 --> 01:21:08,100

shake my hand

1921

01:21:11,870 --> 01:21:09,860

really

1922

01:21:14,629 --> 01:21:11,880

it's like

1923

01:21:17,870 --> 01:21:14,639

it's worse than worshiping a sports team

1924

01:21:20,090 --> 01:21:17,880

and stars which we do enough on Earth

1925

01:21:22,270 --> 01:21:20,100

what's important about that what about

1926

01:21:24,410 --> 01:21:22,280

the people that are supposed to these

1927

01:21:27,530 --> 01:21:24,420

Advanced people they're supposed to go

1928

01:21:29,570 --> 01:21:27,540

okay we've got nine billion people on

1929

01:21:30,410 --> 01:21:29,580

Earth and now we've got to go and meet

1930

01:21:33,709 --> 01:21:30,420

them

1931

01:21:36,110 --> 01:21:33,719

they need to meet us we've got nothing

1932

01:21:39,110 --> 01:21:36,120

better to do with our lives than to go

1933

01:21:41,030 --> 01:21:39,120

and sit and have show and tell a high

1934

01:21:43,610 --> 01:21:41,040

let's have cookies and coffee with you

1935

01:21:44,990 --> 01:21:43,620

people now we've met now what the hell

1936

01:21:46,910 --> 01:21:45,000

is that about

1937

01:21:49,790 --> 01:21:46,920

why didn't you spend this half hour

1938

01:21:51,649 --> 01:21:49,800

reading okay you know

1939

01:21:53,930 --> 01:21:51,659

well I figured you mean at the end of

1940

01:21:55,669 --> 01:21:53,940

the day it's uh I mean unless some other

1941

01:21:58,970 --> 01:21:55,679

fundamental change happens human

1942

01:22:01,610 --> 01:21:58,980

curiosity will always be in in this way

1943

01:22:04,850 --> 01:22:01,620

I mean if I get what you're saying about

1944

01:22:06,350 --> 01:22:04,860

you know not everyone you know can or

1945

01:22:09,110 --> 01:22:06,360

not you know they're not going to take

1946

01:22:11,030 --> 01:22:09,120

that time to meet every single person on

1947

01:22:12,229 --> 01:22:11,040

the planet all I'm saying is at the end

1948

01:22:14,930 --> 01:22:12,239

of the day

1949

01:22:17,270 --> 01:22:14,940

whether to lack of knowledge or because

1950

01:22:19,250 --> 01:22:17,280

of inspiration or whatever eventually

1951

01:22:21,050 --> 01:22:19,260

people would be like oh that that would

1952

01:22:21,850 --> 01:22:21,060

be pretty cool so I don't know that I

1953

01:22:24,169 --> 01:22:21,860

can

1954

01:22:26,990 --> 01:22:24,179

affordable for that desire

1955

01:22:29,689 --> 01:22:27,000

oh no I'm sorry you hit an important

1956

01:22:31,550 --> 01:22:29,699

thing about they can't meet every person

1957

01:22:33,470 --> 01:22:31,560

Billy has

1958

01:22:35,810 --> 01:22:33,480

he was married for a while during during

1959

01:22:36,649 --> 01:22:35,820

this 30 years he has three children he

1960

01:22:39,229 --> 01:22:36,659

has

1961

01:22:40,729 --> 01:22:39,239

listen I'm meaning I'm I was just just

1962

01:22:42,229 --> 01:22:40,739

saying repeating what you were saying

1963

01:22:46,250 --> 01:22:42,239

that they're not going to come don't

1964

01:22:48,950 --> 01:22:46,260

treat every person it says that because

1965

01:22:50,510 --> 01:22:48,960

Meyer at early stages Wanted let's say

1966

01:22:52,490 --> 01:22:50,520

wanted someone to meet with and they

1967

01:22:54,950 --> 01:22:52,500

said absolutely not

1968

01:22:57,110 --> 01:22:54,960

and they said you see

1969

01:23:00,229 --> 01:22:57,120

it would not be fair

1970

01:23:02,450 --> 01:23:00,239

we meet with you because you have a very

1971

01:23:04,550 --> 01:23:02,460

very certain mission that you've been

1972

01:23:06,470 --> 01:23:04,560

trained for since childhood that you

1973

01:23:07,610 --> 01:23:06,480

accepted despite everything that's

1974

01:23:09,890 --> 01:23:07,620

happened to you

1975

01:23:12,110 --> 01:23:09,900

if we meet with one or even two of these

1976

01:23:14,990 --> 01:23:12,120

people that are in your group let's say

1977

01:23:16,490 --> 01:23:15,000

that is going to start jealousy

1978

01:23:19,189 --> 01:23:16,500

among the people

1979

01:23:20,810 --> 01:23:19,199

and then even with people outside of

1980

01:23:23,090 --> 01:23:20,820

your group people are going to say but

1981

01:23:24,649 --> 01:23:23,100

I'm involved I'm smarter than they are I

1982

01:23:27,350 --> 01:23:24,659

should meet with them too so they're

1983

01:23:29,030 --> 01:23:27,360

saying meeting with us is not the

1984

01:23:31,669 --> 01:23:29,040

important thing for people

1985

01:23:34,129 --> 01:23:31,679

they want to know certain things we're

1986

01:23:36,229 --> 01:23:34,139

going to give you information so that

1987

01:23:37,790 --> 01:23:36,239

you can search it out and find out if

1988

01:23:39,830 --> 01:23:37,800

we're telling you the truth

1989

01:23:41,990 --> 01:23:39,840

and if people discover that we can tell

1990

01:23:44,510 --> 01:23:42,000

you things about your your Universe

1991

01:23:47,149 --> 01:23:44,520

before your scientists ever Discover it

1992

01:23:49,610 --> 01:23:47,159

maybe they'll trust that when we say

1993

01:23:52,070 --> 01:23:49,620

here's the spiritual teaching the

1994

01:23:54,890 --> 01:23:52,080

creation teaching for you maybe they'll

1995

01:23:58,970 --> 01:23:54,900

at least look at it and read it and they

1996

01:24:03,649 --> 01:23:58,980

won't worry about us we're we have our

1997

01:24:07,430 --> 01:24:03,659

own lives we live and die like you do

1998

01:24:09,229 --> 01:24:07,440

and the things that we do and and have

1999

01:24:11,689 --> 01:24:09,239

in our lives

2000

01:24:13,850 --> 01:24:11,699

the people on Earth won't understand it

2001  
01:24:17,390 --> 01:24:13,860  
and we don't have the time the interest

2002  
01:24:21,370 --> 01:24:17,400  
or the need to explain it they the

2003  
01:24:26,090 --> 01:24:21,380  
people of Earth need to learn to grow up

2004  
01:24:27,530 --> 01:24:26,100  
study test the teaching if it's good go

2005  
01:24:29,270 --> 01:24:27,540  
farther

2006  
01:24:32,510 --> 01:24:29,280  
live it

2007  
01:24:34,610 --> 01:24:32,520  
teach by example then if you have come

2008  
01:24:38,510 --> 01:24:34,620  
to be a person who lives

2009  
01:24:40,910 --> 01:24:38,520  
in truth who lives in true love peace

2010  
01:24:43,490 --> 01:24:40,920  
freedom and Harmony you don't even have

2011  
01:24:46,490 --> 01:24:43,500  
to run around preaching to people live

2012  
01:24:49,010 --> 01:24:46,500  
that way and by example people will want

2013  
01:24:52,490 --> 01:24:49,020

to know how it is you came to live this

2014

01:24:55,189 --> 01:24:52,500

way and one by one you as the fellow

2015

01:24:57,530 --> 01:24:55,199

human beings on Earth will discover the

2016

01:24:59,689 --> 01:24:57,540

meaning of life with each other and the

2017

01:25:01,910 --> 01:24:59,699

meaning of true peace and how to help

2018

01:25:04,250 --> 01:25:01,920

each other instead of climbing over each

2019

01:25:07,250 --> 01:25:04,260

other's corpses to get pieces of green

2020

01:25:09,970 --> 01:25:07,260

paper and silver coins and to try to

2021

01:25:12,590 --> 01:25:09,980

possess stuff that's going to

2022

01:25:15,290 --> 01:25:12,600

disintegrate anyhow that you cannot take

2023

01:25:17,450 --> 01:25:15,300

with you when you leave this life why

2024

01:25:19,430 --> 01:25:17,460

not learn what happens when you leave

2025

01:25:22,490 --> 01:25:19,440

this life and why not learn what happens

2026

01:25:25,129 --> 01:25:22,500

when there's a new personality that your

2027

01:25:27,709 --> 01:25:25,139

spirit comes into in the next life why

2028

01:25:30,229 --> 01:25:27,719

not learn what reality is about and

2029

01:25:32,030 --> 01:25:30,239

leave us alone to go and deal with our

2030

01:25:34,550 --> 01:25:32,040

reality because we got plenty to deal

2031

01:25:37,790 --> 01:25:34,560

with we're not perfect we're busy trying

2032

01:25:42,669 --> 01:25:37,800

to evolve ourselves that's

2033

01:25:45,310 --> 01:25:42,679

what life's about not golly G and extra

2034

01:25:49,010 --> 01:25:45,320

torrential from outer space

2035

01:25:52,189 --> 01:25:49,020

that's like golly gee

2036

01:25:53,810 --> 01:25:52,199

a movie star came to town you know how

2037

01:25:56,090 --> 01:25:53,820

they hate it when their fans start

2038

01:25:58,250 --> 01:25:56,100

demanding time of them they have their

2039

01:26:01,070 --> 01:25:58,260

own lives well these people have their

2040

01:26:04,910 --> 01:26:01,080

own lives they've given us everything we

2041

01:26:10,149 --> 01:26:08,149

so what do the context uh today what

2042

01:26:12,950 --> 01:26:10,159

what are they about what they meet with

2043

01:26:15,110 --> 01:26:12,960

well a lot of there's a combination of

2044

01:26:17,570 --> 01:26:15,120

things that they've been speaking a lot

2045

01:26:19,669 --> 01:26:17,580

about in the last several months

2046

01:26:22,250 --> 01:26:19,679

they've talked a lot about Billy's

2047

01:26:26,030 --> 01:26:22,260

earlier Life Experiences

2048

01:26:29,270 --> 01:26:26,040

uh the things that his teacher svath

2049

01:26:32,149 --> 01:26:29,280

took him back or forward in time to see

2050

01:26:33,229 --> 01:26:32,159

which includes these times with this

2051

01:26:35,209 --> 01:26:33,239

disease

2052

01:26:38,209 --> 01:26:35,219

they spend a lot of time talking about

2053

01:26:41,090 --> 01:26:38,219

this disease because they wanted us to

2054

01:26:42,649 --> 01:26:41,100

not have to pay this price that we are

2055

01:26:45,169 --> 01:26:42,659

paying and that we're going to pay now

2056

01:26:48,649 --> 01:26:45,179

for our ignorance

2057

01:26:52,070 --> 01:26:48,659

for a long time to come and they have

2058

01:26:56,629 --> 01:26:52,080

tried to tell us about lots of things

2059

01:26:59,149 --> 01:26:56,639

and to teach us where we're off in our

2060

01:27:00,770 --> 01:26:59,159

you know Pursuit but they know we have

2061

01:27:03,950 --> 01:27:00,780

free will they don't tell us we can't

2062

01:27:06,229 --> 01:27:03,960

live this way they do tell us what's

2063

01:27:08,390 --> 01:27:06,239

sometimes well what's coming

2064

01:27:10,629 --> 01:27:08,400

this in this country and that country

2065

01:27:14,510 --> 01:27:10,639

this is going to occur because of this

2066

01:27:16,250 --> 01:27:14,520

uh bloody blah blah blah but they give a

2067

01:27:18,590 --> 01:27:16,260

lot of information even in these

2068

01:27:20,629 --> 01:27:18,600

conversations about things that are of

2069

01:27:22,550 --> 01:27:20,639

interest to people about the environment

2070

01:27:26,510 --> 01:27:22,560

about the fact that the actual climate

2071

01:27:30,229 --> 01:27:26,520

catastrophe is so much worse in reality

2072

01:27:33,169 --> 01:27:30,239

that any than any environmentalist even

2073

01:27:36,530 --> 01:27:33,179

has a clue about and how Goofy and off

2074

01:27:39,110 --> 01:27:36,540

poor Greta tunberg is because she is so

2075

01:27:41,390 --> 01:27:39,120

unknowing and they speak a lot about the

2076

01:27:43,490 --> 01:27:41,400

core problem we have on the planet

2077

01:27:46,610 --> 01:27:43,500

what would that be

2078

01:27:49,669 --> 01:27:46,620

over population

2079

01:27:52,729 --> 01:27:49,679

huh well you mean they want to kill

2080

01:27:54,110 --> 01:27:52,739

everybody off no we're doing that we're

2081

01:27:55,729 --> 01:27:54,120

killing ourselves off they don't want to

2082

01:27:57,770 --> 01:27:55,739

do that they don't like watching it

2083

01:27:59,750 --> 01:27:57,780

either because it's pretty brutal well

2084

01:28:02,870 --> 01:27:59,760

what's the overpopulation gig well

2085

01:28:07,430 --> 01:28:02,880

virtually every problem we have on Earth

2086

01:28:10,790 --> 01:28:07,440

has its root cause in the over ever ever

2087

01:28:14,930 --> 01:28:10,800

increasing over the population

2088

01:28:17,030 --> 01:28:14,940

well how could that be well you know

2089

01:28:19,010 --> 01:28:17,040

it's kind of like if you have an

2090

01:28:21,229 --> 01:28:19,020

aquarium this pretend it's an aquarium

2091

01:28:22,610 --> 01:28:21,239

it's filled with water and you put some

2092

01:28:24,770 --> 01:28:22,620

little plants in there and you put fish

2093

01:28:25,910 --> 01:28:24,780

in and you keep on putting plants and

2094

01:28:28,729 --> 01:28:25,920

fish in it

2095

01:28:31,129 --> 01:28:28,739

the aquarium doesn't get any bigger

2096

01:28:33,290 --> 01:28:31,139

and everything starts to get corrupted

2097

01:28:35,629 --> 01:28:33,300

the creatures fight with each other then

2098

01:28:38,330 --> 01:28:35,639

they're dying and rotting and then life

2099

01:28:40,810 --> 01:28:38,340

extinguishes itself in that little thing

2100

01:28:43,310 --> 01:28:40,820

well really well

2101  
01:28:46,370 --> 01:28:43,320  
overpopulation causes

2102  
01:28:47,990 --> 01:28:46,380  
awful lot of usage of resources

2103  
01:28:50,510 --> 01:28:48,000  
it also means that that which is

2104  
01:28:53,510 --> 01:28:50,520  
consumed gets excreted by Animals by

2105  
01:28:56,510 --> 01:28:53,520  
human beings into the air into the water

2106  
01:28:59,629 --> 01:28:56,520  
on the earth and at the same time the

2107  
01:29:02,090 --> 01:28:59,639  
planet has to produce enough nutrients

2108  
01:29:04,790 --> 01:29:02,100  
for people but the planet it all plants

2109  
01:29:06,770 --> 01:29:04,800  
everything has a growing cycle takes a

2110  
01:29:09,470 --> 01:29:06,780  
certain amount of time there's only so

2111  
01:29:11,930 --> 01:29:09,480  
much space that you can discharge waste

2112  
01:29:15,470 --> 01:29:11,940  
to and we know what that's turned into

2113  
01:29:18,410 --> 01:29:15,480

in the oceans and the lands are so wait

2114

01:29:20,330 --> 01:29:18,420

we're overpop well you know if you keep

2115

01:29:22,490 --> 01:29:20,340

on bringing in new mouths to feed

2116

01:29:24,770 --> 01:29:22,500

stuff's got to be grown somewhere and

2117

01:29:27,530 --> 01:29:24,780

then all the waste products associated

2118

01:29:30,290 --> 01:29:27,540

with human enamel lab and then people

2119

01:29:32,629 --> 01:29:30,300

are fighting because the water the clean

2120

01:29:35,090 --> 01:29:32,639

water is running out and and that land

2121

01:29:36,709 --> 01:29:35,100

as the the farmers in the midwest now

2122

01:29:39,410 --> 01:29:36,719

this was just in the news

2123

01:29:41,629 --> 01:29:39,420

the land is no longer fertile

2124

01:29:44,330 --> 01:29:41,639

what do you think's coming we're going

2125

01:29:46,129 --> 01:29:44,340

to have famines in this country and

2126

01:29:49,450 --> 01:29:46,139

other places

2127

01:29:51,950 --> 01:29:49,460

water pollution yeah water scarcity

2128

01:29:55,250 --> 01:29:51,960

water is going to be a commodity worth

2129

01:29:58,850 --> 01:29:55,260

more than freaking gold the air

2130

01:30:00,890 --> 01:29:58,860

the radioactivity from me

2131

01:30:02,510 --> 01:30:00,900

no just keep on breeding keep on

2132

01:30:04,490 --> 01:30:02,520

plopping them out

2133

01:30:05,990 --> 01:30:04,500

what what do they see is the answer you

2134

01:30:07,490 --> 01:30:06,000

have to kill her no

2135

01:30:09,290 --> 01:30:07,500

well how do you do

2136

01:30:10,189 --> 01:30:09,300

well they said you know what you do is

2137

01:30:13,189 --> 01:30:10,199

this

2138

01:30:15,530 --> 01:30:13,199

you Institute a worldwide birth stoppage

2139

01:30:17,689 --> 01:30:15,540

for seven years

2140

01:30:20,270 --> 01:30:17,699

and you let the natural attrition people

2141

01:30:22,430 --> 01:30:20,280

live people pass away you don't keep on

2142

01:30:24,950 --> 01:30:22,440

replenishing because there's nine

2143

01:30:26,090 --> 01:30:24,960

billion people on this planet right well

2144

01:30:29,870 --> 01:30:26,100

how many people do you have on your

2145

01:30:31,910 --> 01:30:29,880

world smartypants player we have 589

2146

01:30:33,649 --> 01:30:31,920

million people half a billion a little

2147

01:30:34,970 --> 01:30:33,659

more than half a billion people who are

2148

01:30:38,510 --> 01:30:34,980

Planet about the same size as Earth

2149

01:30:40,189 --> 01:30:38,520

because that way there's always enough

2150

01:30:42,070 --> 01:30:40,199

for everybody

2151  
01:30:44,990 --> 01:30:42,080  
well what if people can't buy anything

2152  
01:30:47,330 --> 01:30:45,000  
we we don't do that

2153  
01:30:51,890 --> 01:30:47,340  
well what if people want stuff people

2154  
01:30:58,129 --> 01:30:55,189  
they have to give of themselves into the

2155  
01:31:00,410 --> 01:30:58,139  
society every day two hours

2156  
01:31:02,810 --> 01:31:00,420  
they contribute they work

2157  
01:31:05,209 --> 01:31:02,820  
and they can't have stuff just so they

2158  
01:31:07,790 --> 01:31:05,219  
can amass it like the poor monkeys on

2159  
01:31:09,830 --> 01:31:07,800  
Earth things that are more more give me

2160  
01:31:12,649 --> 01:31:09,840  
more let's stack it up then when I die

2161  
01:31:14,930 --> 01:31:12,659  
my family can fight over it oh great no

2162  
01:31:16,669 --> 01:31:14,940  
you can have what you need because if

2163  
01:31:19,490 --> 01:31:16,679

when what you need and what you want are

2164

01:31:21,950 --> 01:31:19,500

the same thing you're when you have what

2165

01:31:25,250 --> 01:31:21,960

you need you're wealthy when you have

2166

01:31:26,930 --> 01:31:25,260

what you need you're wealthy well well

2167

01:31:29,390 --> 01:31:26,940

yeah I've got one you know but what if I

2168

01:31:30,890 --> 01:31:29,400

needed this other thing well if you have

2169

01:31:32,330 --> 01:31:30,900

it then you're wealthy if you don't have

2170

01:31:34,129 --> 01:31:32,340

it yet you don't have that kind of

2171

01:31:37,070 --> 01:31:34,139

wealth

2172

01:31:39,410 --> 01:31:37,080

it's also relative and it's also painful

2173

01:31:42,530 --> 01:31:39,420

that we don't understand that if we stop

2174

01:31:46,010 --> 01:31:42,540

the births just say okay everybody give

2175

01:31:47,930 --> 01:31:46,020

it a rest then we'll Institute a system

2176  
01:31:49,970 --> 01:31:47,940  
we'll do it alphabetically or whatever

2177  
01:31:52,729 --> 01:31:49,980  
so that

2178  
01:31:56,450 --> 01:31:52,739  
every you know the next seven years this

2179  
01:31:59,149 --> 01:31:56,460  
comes into play We repopulate gradually

2180  
01:32:02,270 --> 01:31:59,159  
but to a point we don't let the

2181  
01:32:05,030 --> 01:32:02,280  
population get to be 20 times more

2182  
01:32:10,209 --> 01:32:05,040  
than the planet successfully sustains

2183  
01:32:13,310 --> 01:32:10,219  
that means we don't have wars over

2184  
01:32:15,530 --> 01:32:13,320  
scarce resources we're not invading

2185  
01:32:18,229 --> 01:32:15,540  
countries to get their minerals

2186  
01:32:20,510 --> 01:32:18,239  
we are using our Technologies and our

2187  
01:32:22,970 --> 01:32:20,520  
genius to live in abundance where

2188  
01:32:25,310 --> 01:32:22,980

everybody has enough space Oh it's kind

2189

01:32:28,790 --> 01:32:25,320

of simple stuff but you see we were told

2190

01:32:31,070 --> 01:32:28,800

long ago go forth and multiply

2191

01:32:33,950 --> 01:32:31,080

nobody said it when do you stop multiple

2192

01:32:37,070 --> 01:32:33,960

oh never you mean we live on a we live

2193

01:32:38,810 --> 01:32:37,080

on the flat earth right yeah it extends

2194

01:32:40,970 --> 01:32:38,820

in all directions forever

2195

01:32:43,250 --> 01:32:40,980

keep cranking them out

2196

01:32:46,430 --> 01:32:43,260

oh wait a minute we live on a round

2197

01:32:49,430 --> 01:32:46,440

Planet oh yeah sorry about that well

2198

01:32:51,590 --> 01:32:49,440

maybe instead of just multiplying let

2199

01:32:53,570 --> 01:32:51,600

something subtract naturally until you

2200

01:32:55,310 --> 01:32:53,580

can all live in peace

2201

01:32:58,189 --> 01:32:55,320

because there'd be no reason to not live

2202

01:33:00,590 --> 01:32:58,199

in peace if everybody had enough

2203

01:33:02,870 --> 01:33:00,600

and you had you just had enough you had

2204

01:33:04,430 --> 01:33:02,880

what you needed and you were happy with

2205

01:33:07,310 --> 01:33:04,440

it because you could have whatever you

2206

01:33:09,229 --> 01:33:07,320

needed well I want okay you can have it

2207

01:33:11,209 --> 01:33:09,239

but can you use it are you going to give

2208

01:33:14,330 --> 01:33:11,219

your time into the society

2209

01:33:17,330 --> 01:33:14,340

it's a difference we this is why people

2210

01:33:20,930 --> 01:33:17,340

listen why does anybody want to contact

2211

01:33:25,550 --> 01:33:20,940

an extraterrestrial if if not to learn

2212

01:33:28,070 --> 01:33:25,560

how more advanced beings live

2213

01:33:31,310 --> 01:33:28,080

this is we don't need to sit down hi I'm

2214

01:33:32,990 --> 01:33:31,320

Mike from Earth okay crank it out

2215

01:33:35,689 --> 01:33:33,000

here's a book Mike

2216

01:33:37,850 --> 01:33:35,699

go study and figure out how to live and

2217

01:33:39,350 --> 01:33:37,860

maybe maybe in a couple thousand years

2218

01:33:41,209 --> 01:33:39,360

and you'll be a different person but

2219

01:33:41,930 --> 01:33:41,219

I'll be a different we'll meet somewhere

2220

01:33:44,930 --> 01:33:41,940

else

2221

01:33:47,209 --> 01:33:44,940

when we're more like equals

2222

01:33:52,070 --> 01:33:47,219

and you don't think you're entitled to

2223

01:33:55,850 --> 01:33:52,080

my time just because you want it

2224

01:33:58,070 --> 01:33:55,860

we be mature we could be grown-ups thank

2225

01:33:59,810 --> 01:33:58,080

you for giving me that I've learned how

2226

01:34:02,990 --> 01:33:59,820

to think from reading the Meyer Material

2227

01:34:05,570 --> 01:34:03,000

not from playing my guitar and painting

2228

01:34:06,590 --> 01:34:05,580

and I didn't take university courses for

2229

01:34:10,070 --> 01:34:06,600

it

2230

01:34:13,250 --> 01:34:10,080

I learned from Reading even the

2231

01:34:14,830 --> 01:34:13,260

conversations by your head because they

2232

01:34:16,430 --> 01:34:14,840

are speaking to each other

2233

01:34:18,410 --> 01:34:16,440

logically

2234

01:34:21,890 --> 01:34:18,420

that with beliefs that was anger and

2235

01:34:25,250 --> 01:34:21,900

that was fears that was crazy made up

2236

01:34:27,169 --> 01:34:25,260

stuff what is true what is so how do we

2237

01:34:30,530 --> 01:34:27,179

know that

2238

01:34:35,689 --> 01:34:30,540

we grow up we become adults

2239

01:34:39,590 --> 01:34:35,699

not hero worshipers that's for kids

2240

01:34:44,330 --> 01:34:39,600

we as adults don't do that

2241

01:34:47,510 --> 01:34:44,340

we take 100 responsibility for our lives

2242

01:34:49,870 --> 01:34:47,520

you've got a guy at City supposedly he's

2243

01:34:55,729 --> 01:34:49,880

a scientist

2244

01:34:58,310 --> 01:34:55,739

he knows more than I do but he doesn't

2245

01:35:00,410 --> 01:34:58,320

he would not stand toe-to-toe with me or

2246

01:35:02,510 --> 01:35:00,420

with 90 other people I know who know the

2247

01:35:04,129 --> 01:35:02,520

Meyer Material because they'd make a

2248

01:35:06,530 --> 01:35:04,139

fool out of that monkey

2249

01:35:07,729 --> 01:35:06,540

they'd show him up to be a fraud a phony

2250

01:35:11,330 --> 01:35:07,739

a con man

2251

01:35:12,950 --> 01:35:11,340

act who's been suppressing and keeping

2252

01:35:18,830 --> 01:35:12,960

valuable

2253

01:35:21,290 --> 01:35:18,840

of Earth but he's a scientist right well

2254

01:35:24,010 --> 01:35:21,300

Michael um I'll be remiss not to ask

2255

01:35:27,050 --> 01:35:24,020

this particular question uh especially

2256

01:35:28,910 --> 01:35:27,060

regarding the different videos and the

2257

01:35:30,350 --> 01:35:28,920

specific looks of the different ships

2258

01:35:32,930 --> 01:35:30,360

what kind of information do you have

2259

01:35:35,510 --> 01:35:32,940

about those maybe like possibly how they

2260

01:35:37,790 --> 01:35:35,520

how they built them why do they look the

2261

01:35:39,109 --> 01:35:37,800

way they look and okay the little that I

2262

01:35:41,570 --> 01:35:39,119

would know because as much as I was

2263

01:35:42,890 --> 01:35:41,580

interested in UFOs I quickly forgot

2264

01:35:44,930 --> 01:35:42,900

about that because it's like okay who

2265

01:35:47,209 --> 01:35:44,940

cares I'm not going to get one can't do

2266

01:35:49,189 --> 01:35:47,219

anything with they have a process for at

2267

01:35:52,370 --> 01:35:49,199

least for some of their craft it's a

2268

01:35:55,550 --> 01:35:52,380

seven stage process that the metal goes

2269

01:35:57,950 --> 01:35:55,560

through metal samples that Billy Meyer

2270

01:36:01,310 --> 01:35:57,960

had from them representing some of these

2271

01:36:04,550 --> 01:36:01,320

stages were analyzed by IBM scientist

2272

01:36:06,890 --> 01:36:04,560

Marcel Vogel Marcel Vogel did a

2273

01:36:09,709 --> 01:36:06,900

videotape analysis with an

2274

01:36:12,770 --> 01:36:09,719

ever-increasing magnifications showing

2275

01:36:17,050 --> 01:36:12,780

that these are metal and Crystal at the

2276

01:36:20,390 --> 01:36:17,060

same same time that there are enormously

2277

01:36:22,850 --> 01:36:20,400

remarkable fine laser cuttings and

2278

01:36:26,510 --> 01:36:22,860

things that the man says at the end of

2279

01:36:29,750 --> 01:36:26,520

it with any technology available to me

2280

01:36:33,370 --> 01:36:29,760

as a scientist I cannot

2281

01:36:36,109 --> 01:36:33,380

make these medals so they have a process

2282

01:36:39,709 --> 01:36:36,119

whereby they make at least some of the

2283

01:36:42,050 --> 01:36:39,719

ships via this process and they use in

2284

01:36:44,030 --> 01:36:42,060

some of these crafts dissimilar Metals

2285

01:36:46,070 --> 01:36:44,040

probably for certain reasons that have

2286

01:36:48,530 --> 01:36:46,080

to do with conductivity of energies and

2287

01:36:52,129 --> 01:36:48,540

all and they use not exclusively but

2288

01:36:54,590 --> 01:36:52,139

often a disc shape because it's a good

2289

01:36:57,050 --> 01:36:54,600

shape for let's say if nothing else

2290

01:36:59,450 --> 01:36:57,060

traveling in an atmosphere of a planet

2291

01:37:02,330 --> 01:36:59,460

it's got the least resistance however

2292

01:37:04,850 --> 01:37:02,340

when they travel in space when they

2293

01:37:06,910 --> 01:37:04,860

start accelerating up to phenomenal

2294

01:37:10,370 --> 01:37:06,920

speeds even to light speeds and Beyond

2295

01:37:13,550 --> 01:37:10,380

any shape craft they have has a field

2296

01:37:15,410 --> 01:37:13,560

generated around it whereby any of the

2297

01:37:17,689 --> 01:37:15,420

particles of space and even the dust

2298

01:37:20,109 --> 01:37:17,699

particle could be deadly are simply

2299

01:37:22,850 --> 01:37:20,119

flowed around the craft they're not

2300

01:37:24,830 --> 01:37:22,860

obstructive they're not deflected hardly

2301

01:37:27,350 --> 01:37:24,840

it's an energetic thing so that nothing

2302

01:37:30,250 --> 01:37:27,360

can penetrate that and they also

2303

01:37:33,590 --> 01:37:30,260

obviously create their own internal

2304

01:37:35,090 --> 01:37:33,600

self-generated gravity so that you and I

2305

01:37:36,890 --> 01:37:35,100

right now if we were in spaceships it

2306

01:37:38,930 --> 01:37:36,900

would be just like this we're we don't

2307

01:37:41,209 --> 01:37:38,940

sense any kind of movement when there's

2308

01:37:45,290 --> 01:37:41,219

no acceleration this adrenalized

2309

01:37:47,629 --> 01:37:45,300

rocketry mentality is is you know for

2310

01:37:49,729 --> 01:37:47,639

this type of Technology while we're

2311

01:37:52,490 --> 01:37:49,739

still throwing tin cans around it's not

2312

01:37:53,870 --> 01:37:52,500

what that is about and I think there are

2313

01:37:56,090 --> 01:37:53,880

any number of scientists here that

2314

01:37:59,030 --> 01:37:56,100

already know if they and some places may

2315

01:38:00,890 --> 01:37:59,040

even have some anti-gravity crap no but

2316

01:38:03,109 --> 01:38:00,900

they know you can't do those kind of

2317

01:38:05,390 --> 01:38:03,119

Maneuvers if you're subject to gravity

2318

01:38:07,370 --> 01:38:05,400

inside the first time that happens

2319

01:38:10,550 --> 01:38:07,380

whoever is inside that craft is going to

2320

01:38:12,169 --> 01:38:10,560

be part of the wall you know so they uh

2321

01:38:14,209 --> 01:38:12,179

they have different kinds of craft for

2322

01:38:16,129 --> 01:38:14,219

different purposes I saw a small

2323

01:38:17,629 --> 01:38:16,139

monitoring craft that was 20 feet of

2324

01:38:19,729 --> 01:38:17,639

that when I lived up in the mountains of

2325

01:38:23,030 --> 01:38:19,739

Brazil looks like an egg-shaped light

2326

01:38:24,050 --> 01:38:23,040

they have they have kind of crafts that

2327

01:38:29,750 --> 01:38:24,060

are

2328

01:38:31,609 --> 01:38:29,760

computers with 90 terabits of capacity I

2329

01:38:33,590 --> 01:38:31,619

mean they have pretty sophisticated

2330

01:38:36,530 --> 01:38:33,600

stuff because that's where they're at

2331

01:38:39,229 --> 01:38:36,540

and other than that there's nothing much

2332

01:38:40,729 --> 01:38:39,239

uh needs to be said about their their

2333

01:38:44,030 --> 01:38:40,739

craft they

2334

01:38:45,890 --> 01:38:44,040

have these craft and we'll have them at

2335

01:38:48,790 --> 01:38:45,900

a certain time and they'll still be

2336

01:38:51,890 --> 01:38:48,800

early levels and then we'll have true

2337

01:38:54,350 --> 01:38:51,900

interplanetary craft because right now

2338

01:38:55,970 --> 01:38:54,360

we even the craft we have may not be

2339

01:38:58,669 --> 01:38:55,980

quite interplanetary yet practically

2340

01:39:01,669 --> 01:38:58,679

then we'll have

2341

01:39:03,590 --> 01:39:01,679

outer space because our solar system is

2342

01:39:06,470 --> 01:39:03,600

not outer space

2343

01:39:09,229 --> 01:39:06,480

still within our solar system when we

2344

01:39:10,970 --> 01:39:09,239

travel outside of it uh we will have to

2345

01:39:14,330 --> 01:39:10,980

have other types of craft with other

2346

01:39:16,870 --> 01:39:14,340

types of drives like they do and

2347

01:39:19,850 --> 01:39:16,880

eventually we'll come upon those

2348

01:39:22,490 --> 01:39:19,860

hyperspace kind of things in many

2349

01:39:25,010 --> 01:39:22,500

hundreds of years and we'll discover a

2350

01:39:27,950 --> 01:39:25,020

secrets of time travel too there's a guy

2351

01:39:31,370 --> 01:39:27,960

named Randy Kramer or Kramer or whatever

2352

01:39:35,030 --> 01:39:31,380

big secret he's never been to Mars

2353

01:39:37,010 --> 01:39:35,040

he's a liar who tells stories oh did I

2354

01:39:38,810 --> 01:39:37,020

say that Randy I'm sorry would you show

2355

01:39:40,430 --> 01:39:38,820

us your evidence again for being having

2356

01:39:41,510 --> 01:39:40,440

gone to Mars I I really want to

2357

01:39:46,850 --> 01:39:41,520

apologize

2358

01:39:53,149 --> 01:39:50,209

so can you maybe just a little bit if

2359

01:39:54,950 --> 01:39:53,159

possible talk about the actual design of

2360

01:39:57,590 --> 01:39:54,960

it and then also maybe the most

2361

01:39:59,990 --> 01:39:57,600

important question how how are they

2362

01:40:01,370 --> 01:40:00,000

propelled it by the player according to

2363

01:40:03,890 --> 01:40:01,380

the information in the case they have

2364

01:40:06,470 --> 01:40:03,900

different types of drives that they've

2365

01:40:09,370 --> 01:40:06,480

spoken about they have what they call a

2366

01:40:12,050 --> 01:40:09,380

tachyon drive and they have a beam drive

2367

01:40:14,149 --> 01:40:12,060

I'm not a physicist

2368

01:40:16,609 --> 01:40:14,159

and as much as I've been interested to

2369

01:40:19,070 --> 01:40:16,619

some degree I think it'd be better to

2370

01:40:21,530 --> 01:40:19,080

say that I had a presentation that I did

2371

01:40:23,990 --> 01:40:21,540

I was hired by a hotel the Biltmore

2372

01:40:26,090 --> 01:40:24,000

Hotel in Los Angeles some years ago to

2373

01:40:28,790 --> 01:40:26,100

present to 450 of their corporate

2374

01:40:30,830 --> 01:40:28,800

clients and I invited two people to come

2375

01:40:33,109 --> 01:40:30,840

and do you know a little part of the

2376

01:40:36,050 --> 01:40:33,119

presentation with me actually one guy

2377

01:40:38,810 --> 01:40:36,060

only did it I invited Brit Elders the

2378

01:40:41,570 --> 01:40:38,820

wife then of the the investigator Lee

2379

01:40:44,750 --> 01:40:41,580

elders and a man named David Froning

2380

01:40:48,109 --> 01:40:44,760

David Froning at the time had already

2381

01:40:50,330 --> 01:40:48,119

been for many years in uh top secret

2382

01:40:53,030 --> 01:40:50,340

Aerospace development at McDonald

2383

01:40:54,709 --> 01:40:53,040

Douglas he was an aeronautical engineer

2384

01:40:55,970 --> 01:40:54,719

he was in Australia now I think and a

2385

01:40:59,030 --> 01:40:55,980

physicist okay

2386

01:41:01,010 --> 01:40:59,040

so I invited him to come share my

2387

01:41:02,870 --> 01:41:01,020

microphone and I said David would you

2388

01:41:05,330 --> 01:41:02,880

answer a few questions for people

2389

01:41:06,950 --> 01:41:05,340

so one of the people said to him well

2390

01:41:09,109 --> 01:41:06,960

you know obviously what do you make of

2391

01:41:11,090 --> 01:41:09,119

this Billy Marcus because I'd shown the

2392

01:41:13,729 --> 01:41:11,100

photos and films and it's nice to see

2393

01:41:15,470 --> 01:41:13,739

him on a big screen and so Froning said

2394

01:41:16,970 --> 01:41:15,480

something like this and it's even

2395

01:41:19,310 --> 01:41:16,980

written on a

2396

01:41:21,109 --> 01:41:19,320

in a document we have it on the website

2397

01:41:24,350 --> 01:41:21,119

where he'd said a similar thing he said

2398

01:41:26,990 --> 01:41:24,360

well what I'd like to say is that I work

2399

01:41:29,930 --> 01:41:27,000

with a small group of scientists we

2400

01:41:33,890 --> 01:41:29,940

think we've made breakthroughs in our

2401  
01:41:37,129 --> 01:41:33,900  
understanding of Zero Point Energy and

2402  
01:41:39,649 --> 01:41:37,139  
hyperspace propulsion from Billy Myers

2403  
01:41:43,129 --> 01:41:39,659  
information and evidence

2404  
01:41:47,510 --> 01:41:43,139  
if this is a hoax who's ever advising

2405  
01:41:50,149 --> 01:41:47,520  
him is scientifically very advanced our

2406  
01:41:52,790 --> 01:41:50,159  
own calculations come within about 20

2407  
01:41:56,030 --> 01:41:52,800  
percent of what he's published years ago

2408  
01:41:58,850 --> 01:41:56,040  
so we have to ask how is it that this

2409  
01:42:01,609 --> 01:41:58,860  
man who's not a scientist is able to

2410  
01:42:03,290 --> 01:42:01,619  
come up with these figures and it takes

2411  
01:42:05,629 --> 01:42:03,300  
us all this time to calculate he's just

2412  
01:42:08,330 --> 01:42:05,639  
publishing this country so those are the

2413  
01:42:10,970 --> 01:42:08,340

kind of people who've already long ago

2414

01:42:14,330 --> 01:42:10,980

said those things I know other Aerospace

2415

01:42:16,310 --> 01:42:14,340

people who've already also said well

2416

01:42:17,750 --> 01:42:16,320

this is real we know it's real we can't

2417

01:42:19,970 --> 01:42:17,760

talk about it

2418

01:42:23,450 --> 01:42:19,980

but what are we going to do with it what

2419

01:42:25,129 --> 01:42:23,460

can you and I Edna

2420

01:42:28,189 --> 01:42:25,139

do with that

2421

01:42:29,930 --> 01:42:28,199

I can't think of a damn thing we could

2422

01:42:31,490 --> 01:42:29,940

maybe get little marbles maybe there's a

2423

01:42:33,410 --> 01:42:31,500

marble maker in England he makes models

2424

01:42:35,629 --> 01:42:33,420

of Billy Myers UFOs would get him to

2425

01:42:38,090 --> 01:42:35,639

make one for us we can sit and look at

2426

01:42:39,109 --> 01:42:38,100

it and go oh gee I wish I had one of

2427

01:42:42,590 --> 01:42:39,119

those why what are you going to do with

2428

01:42:45,350 --> 01:42:42,600

it uh well we'll worry about that later

2429

01:42:46,609 --> 01:42:45,360

this is what would this is why it's so

2430

01:42:47,709 --> 01:42:46,619

difficult

2431

01:42:51,050 --> 01:42:47,719

yeah

2432

01:42:53,510 --> 01:42:51,060

to bring this information

2433

01:42:56,090 --> 01:42:53,520

not to a university classroom but to

2434

01:42:58,669 --> 01:42:56,100

ufologists they can't even begin to

2435

01:43:00,290 --> 01:42:58,679

imagine that it isn't about chasing

2436

01:43:03,709 --> 01:43:00,300

lights in the sky

2437

01:43:05,410 --> 01:43:03,719

and UFOs it's great we've got I've got a

2438

01:43:09,250 --> 01:43:05,420

picture book here

2439

01:43:12,590 --> 01:43:09,260

617 of Myers digitized UFO

2440

01:43:13,669 --> 01:43:12,600

617. you know anybody that's got one

2441

01:43:15,709 --> 01:43:13,679

no

2442

01:43:17,930 --> 01:43:15,719

and you can look at these craft and you

2443

01:43:19,910 --> 01:43:17,940

can think about it okay there's certain

2444

01:43:22,070 --> 01:43:19,920

windows but we know that from this

2445

01:43:23,870 --> 01:43:22,080

information that the windows will change

2446

01:43:25,669 --> 01:43:23,880

colors depending upon the atmosphere

2447

01:43:27,830 --> 01:43:25,679

that they're in if they go to a certain

2448

01:43:29,090 --> 01:43:27,840

Planet if there's poisonous gases and

2449

01:43:30,050 --> 01:43:29,100

the atmosphere the windows will be a

2450

01:43:32,149 --> 01:43:30,060

certain color

2451

01:43:35,090 --> 01:43:32,159

blah blah blah blah

2452

01:43:38,270 --> 01:43:35,100

beyond that what is there to say I don't

2453

01:43:40,790 --> 01:43:38,280

I mean I don't know uh

2454

01:43:42,950 --> 01:43:40,800

so just real quick maybe just so how are

2455

01:43:45,530 --> 01:43:42,960

they actually uh flying them that's what

2456

01:43:47,810 --> 01:43:45,540

I wanted to ask is it actual controls or

2457

01:43:50,930 --> 01:43:47,820

is it some other mechanism well from

2458

01:43:54,169 --> 01:43:50,940

what I understand at least the people

2459

01:43:57,550 --> 01:43:54,179

who spoke in to Billy about it these

2460

01:44:00,290 --> 01:43:57,560

crafts are controlled through

2461

01:44:02,090 --> 01:44:00,300

controls but there are also is a

2462

01:44:04,729 --> 01:44:02,100

connection to the consciousness

2463

01:44:07,570 --> 01:44:04,739

of the pilot they're tuned to a

2464

01:44:10,310 --> 01:44:07,580

particular person so they can't just be

2465

01:44:12,950 --> 01:44:10,320

stolen from them and they build in

2466

01:44:15,050 --> 01:44:12,960

certain safeguards so actually the

2467

01:44:17,510 --> 01:44:15,060

controls that Billy just said that it

2468

01:44:19,310 --> 01:44:17,520

was a fairly simple looking thing there

2469

01:44:21,410 --> 01:44:19,320

was one control where he could move the

2470

01:44:23,510 --> 01:44:21,420

craft and he was allowed to take it

2471

01:44:25,550 --> 01:44:23,520

around the moon for instance but he was

2472

01:44:27,590 --> 01:44:25,560

also told to not do it too fast because

2473

01:44:29,270 --> 01:44:27,600

he could lose control

2474

01:44:31,270 --> 01:44:29,280

he was given the permission the

2475

01:44:33,470 --> 01:44:31,280

connection was there from the

2476

01:44:36,590 --> 01:44:33,480

semiase or whoever it was I think it was

2477

01:44:38,149 --> 01:44:36,600

her so it's like the difference between

2478

01:44:40,129 --> 01:44:38,159

what you're sitting in your little wagon

2479

01:44:42,410 --> 01:44:40,139

you use your foot to push and you get a

2480

01:44:44,030 --> 01:44:42,420

tricycle and you get a bicycle and get a

2481

01:44:45,830 --> 01:44:44,040

motorcycle you get a car you get a pla

2482

01:44:48,590 --> 01:44:45,840

so it's an evolution of Technology it's

2483

01:44:51,709 --> 01:44:48,600

all the same thing go from here to there

2484

01:44:53,689 --> 01:44:51,719

and beyond that it's interesting but

2485

01:44:56,090 --> 01:44:53,699

it's not important

2486

01:44:58,129 --> 01:44:56,100

to me I mean I don't mean to belittle

2487

01:44:59,810 --> 01:44:58,139

anybody's interest because I represent

2488

01:45:02,330 --> 01:44:59,820

I'm talking about something I've spent

2489

01:45:04,609 --> 01:45:02,340

42 years interested in so it's not I'm

2490

01:45:06,109 --> 01:45:04,619

not interested I just prioritize what's

2491

01:45:08,750 --> 01:45:06,119

important to me

2492

01:45:11,930 --> 01:45:08,760

the UFOs long ago lost

2493

01:45:13,189 --> 01:45:11,940

that kind of importance because look you

2494

01:45:16,189 --> 01:45:13,199

know what I had a thrilling experience

2495

01:45:17,570 --> 01:45:16,199

not with UFO years ago I was in LA in

2496

01:45:20,450 --> 01:45:17,580

the uh what's called in the valley

2497

01:45:24,050 --> 01:45:20,460

around Encino or someplace and a stealth

2498

01:45:26,149 --> 01:45:24,060

plane came kind of just above the

2499

01:45:29,750 --> 01:45:26,159

Treetops sometimes they fly these

2500

01:45:31,669 --> 01:45:29,760

stealth you know low which you know the

2501

01:45:34,010 --> 01:45:31,679

ET craft don't usually do anything

2502

01:45:36,890 --> 01:45:34,020

that's usually ours crap that stelson

2503

01:45:38,270 --> 01:45:36,900

came over the Treetops that was really

2504

01:45:43,609 --> 01:45:38,280

cool

2505

01:45:46,070 --> 01:45:43,619

I mean it's not an outer space plane but

2506

01:45:49,669 --> 01:45:46,080

that was a I mean I've seen jet planes

2507

01:45:52,189 --> 01:45:49,679

all my life man that was cool

2508

01:45:53,930 --> 01:45:52,199

but then it was gone okay fine I saw

2509

01:45:56,689 --> 01:45:53,940

that interesting

2510

01:45:59,090 --> 01:45:56,699

beyond that not important oh I've had

2511

01:46:00,649 --> 01:45:59,100

seven sightings of craft the closest one

2512

01:46:03,470 --> 01:46:00,659

was 20 feet as I said but the other ones

2513

01:46:07,370 --> 01:46:03,480

were you know in the sky with different

2514

01:46:09,709 --> 01:46:07,380

heights I I have witnesses to let's see

2515

01:46:11,930 --> 01:46:09,719

on those sightings two or three of the

2516

01:46:13,490 --> 01:46:11,940

sightings where people were with me we

2517

01:46:15,770 --> 01:46:13,500

all saw the same thing

2518

01:46:17,629 --> 01:46:15,780

great I even said to a buddy of mine we

2519

01:46:21,290 --> 01:46:17,639

were down on the beach in Santa Monica

2520

01:46:23,209 --> 01:46:21,300

Carl I said do you see what I see over

2521

01:46:25,070 --> 01:46:23,219

there it was broad daylight there was a

2522

01:46:27,530 --> 01:46:25,080

cylinder hovering in the sky in the

2523

01:46:28,790 --> 01:46:27,540

distance he says yeah what is that it

2524

01:46:30,770 --> 01:46:28,800

looks like some kind of cylinder I said

2525

01:46:32,810 --> 01:46:30,780

okay you see it right I said yeah I said

2526

01:46:35,330 --> 01:46:32,820

that's good enough for me we both saw

2527

01:46:36,890 --> 01:46:35,340

the same thing let's go ride our bikes

2528

01:46:39,050 --> 01:46:36,900

and that's what it amounts to because

2529

01:46:42,290 --> 01:46:39,060

believe me you can see you can have the

2530

01:46:44,209 --> 01:46:42,300

a UFO Macy's parade go up this isn't

2531

01:46:46,490 --> 01:46:44,219

going to straighten this world out and

2532

01:46:49,490 --> 01:46:46,500

that's what this case is about helping

2533

01:46:52,250 --> 01:46:49,500

us to assure our very own very

2534

01:46:54,370 --> 01:46:52,260

threatened future survival if we don't

2535

01:46:57,530 --> 01:46:54,380

grasp that

2536

01:47:00,169 --> 01:46:57,540

extraterrestrials UFOs chickens it

2537

01:47:02,390 --> 01:47:00,179

doesn't matter we're done for literally

2538

01:47:05,090 --> 01:47:02,400

we're done for it we're going to kicked

2539

01:47:07,010 --> 01:47:05,100

way back to have to climb up the ladder

2540

01:47:08,930 --> 01:47:07,020

of evolution again

2541

01:47:11,390 --> 01:47:08,940

so

2542

01:47:12,890 --> 01:47:11,400

at this point I I was frustrated about

2543

01:47:16,010 --> 01:47:12,900

this for a long time and really right

2544

01:47:18,410 --> 01:47:16,020

now it's kind of like I don't care if

2545

01:47:21,109 --> 01:47:18,420

the massive humankind is this stupid we

2546

01:47:24,370 --> 01:47:21,119

get it and we get what we deserve I

2547

01:47:26,930 --> 01:47:24,380

don't I won't enjoy it but we deserve it

2548

01:47:30,109 --> 01:47:26,940

it'll come whether it's in the form of

2549

01:47:31,490 --> 01:47:30,119

the next earthquake or the you know an

2550

01:47:33,410 --> 01:47:31,500

asteroid hitting the planet I'm working

2551  
01:47:34,910 --> 01:47:33,420  
with some people who are in Aerospace

2552  
01:47:36,890 --> 01:47:34,920  
mathematicians and Aerospace people

2553  
01:47:38,290 --> 01:47:36,900  
trying to get the information from Billy

2554  
01:47:40,010 --> 01:47:38,300  
Meyer about

2555  
01:47:42,830 --> 01:47:40,020  
deflecting

2556  
01:47:45,470 --> 01:47:42,840  
asteroid Apophis which is going to hit

2557  
01:47:47,810 --> 01:47:45,480  
in Eastern Europe as early as eight

2558  
01:47:51,470 --> 01:47:47,820  
years from now

2559  
01:47:58,490 --> 01:47:54,470  
yeah we're slow Learners here

2560  
01:47:59,990 --> 01:47:58,500  
really slow Learners or knuckle draggers

2561  
01:48:04,430 --> 01:48:00,000  
so

2562  
01:48:06,169 --> 01:48:04,440  
prediction or prophecy I know at one

2563  
01:48:07,970 --> 01:48:06,179

point I thought I heard you talk about

2564

01:48:10,129 --> 01:48:07,980

the difference prophecy is a warning

2565

01:48:12,229 --> 01:48:10,139

about something that will happen if

2566

01:48:15,770 --> 01:48:12,239

human beings do not take the right

2567

01:48:17,750 --> 01:48:15,780

course correction in time

2568

01:48:19,970 --> 01:48:17,760

predictions are things that will happen

2569

01:48:22,310 --> 01:48:19,980

with certainty like the the coming

2570

01:48:24,229 --> 01:48:22,320

earthquake in San Francisco to destroy

2571

01:48:25,810 --> 01:48:24,239

San Francisco or other things that are

2572

01:48:27,770 --> 01:48:25,820

going to happen the eruptions of those

2573

01:48:29,689 --> 01:48:27,780

volcanoes and the destruction of

2574

01:48:32,149 --> 01:48:29,699

different places

2575

01:48:33,590 --> 01:48:32,159

and sometimes if a prophecy has not been

2576

01:48:35,330 --> 01:48:33,600

dealt with in time

2577

01:48:37,910 --> 01:48:35,340

it becomes a prediction meaning it's

2578

01:48:39,950 --> 01:48:37,920

past the point of any return so it'll

2579

01:48:41,629 --> 01:48:39,960

happen then with certainty just like a

2580

01:48:44,209 --> 01:48:41,639

prediction it's a prediction not a

2581

01:48:46,910 --> 01:48:44,219

prophecy so

2582

01:48:49,550 --> 01:48:46,920

so which one is the the asteroid or I'm

2583

01:48:52,910 --> 01:48:49,560

sorry did you say asteroid or well the

2584

01:48:55,850 --> 01:48:52,920

play Aaron called it initially in 1981

2585

01:48:58,370 --> 01:48:55,860

when they first told Meyer about it 1981

2586

01:49:00,109 --> 01:48:58,380

they said that we call it the red meteor

2587

01:49:02,209 --> 01:49:00,119

it's coming it'll be showing up around

2588

01:49:06,290 --> 01:49:02,219

Earth on the there's two dates they gave

2589

01:49:07,990 --> 01:49:06,300

the dates the whole thing and when NASA

2590

01:49:12,350 --> 01:49:08,000

discovered it

2591

01:49:14,870 --> 01:49:12,360

23 years later they named it asteroid

2592

01:49:16,370 --> 01:49:14,880

apocus so it's probably an asteroid

2593

01:49:17,030 --> 01:49:16,380

whatever

2594

01:49:19,370 --> 01:49:17,040

um

2595

01:49:22,070 --> 01:49:19,380

and they said there's no danger to Earth

2596

01:49:24,530 --> 01:49:22,080

and they gave a certain size for it and

2597

01:49:28,010 --> 01:49:24,540

then what do you know a year or two

2598

01:49:30,589 --> 01:49:28,020

later NASA changed the dimensions to

2599

01:49:33,950 --> 01:49:30,599

within 25 meters of what Billy Meyer was

2600

01:49:36,890 --> 01:49:33,960

told oh but don't worry NASA knows

2601  
01:49:39,589 --> 01:49:36,900  
everything there's no danger to us

2602  
01:49:41,990 --> 01:49:39,599  
go figure so as I say we're very

2603  
01:49:44,510 --> 01:49:42,000  
straight you know slow Learners we fight

2604  
01:49:47,750 --> 01:49:44,520  
with each other we want to dominate and

2605  
01:49:49,490 --> 01:49:47,760  
and possess what somebody else has in

2606  
01:49:51,189 --> 01:49:49,500  
the meantime something's coming our way

2607  
01:49:53,990 --> 01:49:51,199  
and it seemed to have accelerated

2608  
01:49:56,270 --> 01:49:54,000  
scientists noticed that when I think

2609  
01:49:58,070 --> 01:49:56,280  
within the last month hmm

2610  
01:49:58,850 --> 01:49:58,080  
Prophet seems to have picked up a little

2611  
01:50:01,609 --> 01:49:58,860  
speed

2612  
01:50:04,450 --> 01:50:01,619  
it probably can't wait to get here to

2613  
01:50:09,410 --> 01:50:04,460

wipe out some chunk of this population

2614

01:50:15,050 --> 01:50:12,229

not that I wish it we everybody I know

2615

01:50:16,729 --> 01:50:15,060

is trying to get this information send

2616

01:50:18,890 --> 01:50:16,739

it to NASA and all these people but they

2617

01:50:21,410 --> 01:50:18,900

know better you know see they're they're

2618

01:50:23,930 --> 01:50:21,420

funded they're scientists

2619

01:50:26,149 --> 01:50:23,940

we're doing this for free

2620

01:50:29,450 --> 01:50:26,159

so Michael is there anything else that

2621

01:50:32,450 --> 01:50:29,460

you would um I guess want to cover that

2622

01:50:34,729 --> 01:50:32,460

that you think Billy would really want

2623

01:50:37,070 --> 01:50:34,739

this whatever information there is that

2624

01:50:38,750 --> 01:50:37,080

you think Billy would want I asked him a

2625

01:50:40,609 --> 01:50:38,760

question some years back I remember I

2626  
01:50:41,870 --> 01:50:40,619  
said because I was all pumped up I said

2627  
01:50:43,609 --> 01:50:41,880  
Billy you know I'm doing this and I'm

2628  
01:50:44,930 --> 01:50:43,619  
doing that what else would you what

2629  
01:50:46,810 --> 01:50:44,940  
would you like you know if I could do

2630  
01:50:50,450 --> 01:50:46,820  
something what else can I do and he said

2631  
01:50:53,629 --> 01:50:50,460  
well just tell the people

2632  
01:50:56,030 --> 01:50:53,639  
to be reasonable with each other

2633  
01:50:58,810 --> 01:50:56,040  
I thought first I thought well it's kind

2634  
01:51:01,070 --> 01:50:58,820  
of simple what isn't it

2635  
01:51:03,410 --> 01:51:01,080  
to be reasonable

2636  
01:51:05,810 --> 01:51:03,420  
really yeah yeah it would be very good

2637  
01:51:08,030 --> 01:51:05,820  
if people were reasonable

2638  
01:51:11,149 --> 01:51:08,040

oh that doesn't have anything to do with

2639

01:51:14,750 --> 01:51:11,159

UFOs and extraterrestrials

2640

01:51:16,609 --> 01:51:14,760

it has to be that every several hundred

2641

01:51:18,950 --> 01:51:16,619

years whatever it is

2642

01:51:23,209 --> 01:51:18,960

the person comes who's supposed to again

2643

01:51:25,430 --> 01:51:23,219

try to help educate us to grow up and be

2644

01:51:27,109 --> 01:51:25,440

true human beings it's like one day I

2645

01:51:29,930 --> 01:51:27,119

asked you we're talking

2646

01:51:31,669 --> 01:51:29,940

and it was about he had just been with

2647

01:51:33,770 --> 01:51:31,679

two of the people there are two women

2648

01:51:36,770 --> 01:51:33,780

who had come to talk to him from that

2649

01:51:38,629 --> 01:51:36,780

race and all and uh I met with him a

2650

01:51:41,510 --> 01:51:38,639

little while after that and I said what

2651  
01:51:44,030 --> 01:51:41,520  
was that like Billy you know um they're

2652  
01:51:46,070 --> 01:51:44,040  
here and then of course they they you

2653  
01:51:48,169 --> 01:51:46,080  
know beam up and all that business and

2654  
01:51:50,750 --> 01:51:48,179  
he says well I never get used to this

2655  
01:51:52,970 --> 01:51:50,760  
thing of somebody disappearing right in

2656  
01:51:54,050 --> 01:51:52,980  
front of me but as for them the people

2657  
01:51:57,530 --> 01:51:54,060  
he says

2658  
01:51:59,689 --> 01:51:57,540  
and this was so special just so simple

2659  
01:52:02,570 --> 01:51:59,699  
he said you know

2660  
01:52:04,970 --> 01:52:02,580  
their true human beings

2661  
01:52:07,010 --> 01:52:04,980  
they are loving people

2662  
01:52:09,830 --> 01:52:07,020  
and the way he said it

2663  
01:52:12,830 --> 01:52:09,840

didn't you know do big drama but it was

2664

01:52:14,990 --> 01:52:12,840

so sincere and straight ahead

2665

01:52:16,910 --> 01:52:15,000

and then you think well what's the truth

2666

01:52:19,750 --> 01:52:16,920

you can do what what isn't to treat me

2667

01:52:22,070 --> 01:52:19,760

you said you know it's people that live

2668

01:52:23,870 --> 01:52:22,080

in peace

2669

01:52:26,510 --> 01:52:23,880

and love

2670

01:52:28,850 --> 01:52:26,520

freedom and Harmony you know these words

2671

01:52:30,890 --> 01:52:28,860

sound to many people oh it's so tried

2672

01:52:34,030 --> 01:52:30,900

it's so obvious it's because people

2673

01:52:37,550 --> 01:52:34,040

don't live in that space they live very

2674

01:52:40,609 --> 01:52:37,560

temporarily they flutter around

2675

01:52:42,589 --> 01:52:40,619

so what Billy asked for what he wants

2676

01:52:44,930 --> 01:52:42,599

people to know apart from everything

2677

01:52:46,669 --> 01:52:44,940

that we could study over and we'll and

2678

01:52:49,790 --> 01:52:46,679

just study

2679

01:52:53,570 --> 01:52:49,800

could we please be reasonable

2680

01:52:55,729 --> 01:52:53,580

could we be self-responsible

2681

01:52:58,070 --> 01:52:55,739

we don't turn everything or look what

2682

01:53:01,010 --> 01:52:58,080

this happened by turning things over to

2683

01:53:03,890 --> 01:53:01,020

all the people who are not competent the

2684

01:53:07,250 --> 01:53:03,900

presidents and primers and rulers of

2685

01:53:10,189 --> 01:53:07,260

countries who've allowed this disease to

2686

01:53:13,850 --> 01:53:10,199

just run out of hand

2687

01:53:16,609 --> 01:53:13,860

be reasonable that's not reasonable

2688

01:53:18,649 --> 01:53:16,619

okay what else can you say I mean plenty

2689

01:53:20,450 --> 01:53:18,659

of topics to talk about but there it is

2690

01:53:21,770 --> 01:53:20,460

we're at the bottom line on that kind of

2691

01:53:23,689 --> 01:53:21,780

thing

2692

01:53:25,850 --> 01:53:23,699

well Michael

2693

01:53:28,129 --> 01:53:25,860

thank you very much I hope uh I hope you

2694

01:53:29,990 --> 01:53:28,139

2695

01:53:31,669 --> 01:53:30,000

that you wanted to cover and and inform

2696

01:53:33,709 --> 01:53:31,679

the people what it is that you wanted to

2697

01:53:36,470 --> 01:53:33,719

2698

01:53:39,290 --> 01:53:36,480
