

1
00:01:38,830 --> 00:01:32,890
[Music]

2
00:01:38,840 --> 00:01:42,510
foreign

3
00:01:42,520 --> 00:01:52,830
[Music]

4
00:01:52,840 --> 00:01:56,850
food

5
00:01:56,860 --> 00:03:46,550
[Music]

6
00:03:49,910 --> 00:03:48,869
hello everyone welcome to the ufo hub

7
00:03:52,149 --> 00:03:49,920
live stream

8
00:03:54,149 --> 00:03:52,159
so as you guys probably know based on

9
00:03:56,550 --> 00:03:54,159
the title i'm gonna have donald

10
00:03:58,070 --> 00:03:56,560
donald on today so we chatted a little

11
00:03:59,910 --> 00:03:58,080
bit before the show began

12
00:04:02,470 --> 00:03:59,920
made sure everything streams all right

13
00:04:04,309 --> 00:04:02,480

but please keep in mind this is the very

14

00:04:05,429 --> 00:04:04,319

first time that i'm actually doing a

15

00:04:07,589 --> 00:04:05,439

live stream

16

00:04:10,070 --> 00:04:07,599

with someone in coming in with over

17

00:04:12,070 --> 00:04:10,080

skype and streaming it back out so

18

00:04:14,070 --> 00:04:12,080

please as i asked you last time bear

19

00:04:15,830 --> 00:04:14,080

with me if anything goes wrong but it

20

00:04:19,110 --> 00:04:15,840

seems like it's going to go great

21

00:04:21,030 --> 00:04:19,120

so anyway just wanted to let you know um

22

00:04:22,629 --> 00:04:21,040

i want to go over a few things first

23

00:04:26,310 --> 00:04:22,639

before i start talking to

24

00:04:29,430 --> 00:04:26,320

donna so donna is going to be

25

00:04:32,710 --> 00:04:29,440

also one of the speakers at the ozark

26

00:04:34,469 --> 00:04:32,720

ufo conference and um the

27

00:04:35,909 --> 00:04:34,479

they still have some tickets available

28

00:04:39,350 --> 00:04:35,919

if you are interested

29

00:04:42,550 --> 00:04:41,909

here we go you can simply purchase some

30

00:04:44,590 --> 00:04:42,560

tickets

31

00:04:45,830 --> 00:04:44,600

if you just go to ozark

32

00:04:47,590 --> 00:04:45,840

ufoconference.com

33

00:04:49,270 --> 00:04:47,600

and there's a register button there and

34

00:04:51,749 --> 00:04:49,280

it will take you directly to the

35

00:04:53,110 --> 00:04:51,759

to the platform now the the thing that's

36

00:04:55,830 --> 00:04:53,120

very different about

37

00:04:58,070 --> 00:04:55,840

this virtual uh platform is that you're

38

00:05:00,230 --> 00:04:58,080

not just gonna be able to watch but

39

00:05:02,390 --> 00:05:00,240

when it's time during the q a if you

40

00:05:03,029 --> 00:05:02,400

have a camera and audio you'll be able

41

00:05:04,950 --> 00:05:03,039

to

42

00:05:06,870 --> 00:05:04,960

uh get on the screen with the with the

43

00:05:10,150 --> 00:05:06,880

speaker and ask them some questions

44

00:05:12,150 --> 00:05:10,160

as well and so that's

45

00:05:14,070 --> 00:05:12,160

quite uh it's not exactly the same

46

00:05:17,270 --> 00:05:14,080

obviously as an in person but

47

00:05:17,749 --> 00:05:17,280

it's better than just having to sit back

48

00:05:19,990 --> 00:05:17,759

and

49

00:05:22,629 --> 00:05:20,000

watch so anyway it's a great platform

50

00:05:24,950 --> 00:05:22,639

you can also interact with each other

51
00:05:26,230 --> 00:05:24,960
where if you find a friend on one of the

52
00:05:28,150 --> 00:05:26,240
chat list and you know

53
00:05:30,469 --> 00:05:28,160
that is your friend you can reach out to

54
00:05:30,950 --> 00:05:30,479
them and ask to do a private session and

55
00:05:33,350 --> 00:05:30,960
then

56
00:05:35,430 --> 00:05:33,360
you guys can chat over video and audio

57
00:05:36,230 --> 00:05:35,440
as well so it's very versatile in that

58
00:05:39,270 --> 00:05:36,240
way

59
00:05:41,830 --> 00:05:39,280
uh

60
00:05:43,590 --> 00:05:41,840
less than a month of for the conference

61
00:05:45,110 --> 00:05:43,600
so please go ahead and sign up

62
00:05:47,430 --> 00:05:45,120
donna lynn is going to be one of the

63
00:05:49,110 --> 00:05:47,440

speakers there's going to be george nori

64

00:05:52,070 --> 00:05:49,120

whitley strieber

65

00:05:52,710 --> 00:05:52,080

mary rodwell and there's a great lineup

66

00:05:54,070 --> 00:05:52,720

that

67

00:05:56,070 --> 00:05:54,080

i would recommend you guys going to

68

00:06:00,550 --> 00:05:56,080

check out

69

00:06:04,230 --> 00:06:00,560

okay let me switch this over here

70

00:06:09,670 --> 00:06:04,240

so let's uh let's bring in donna and

71

00:06:09,680 --> 00:06:15,909

there you go hi donna how are you doing

72

00:06:19,029 --> 00:06:18,070

oh thank you thank you i appreciate it

73

00:06:22,390 --> 00:06:19,039

well i figured

74

00:06:24,070 --> 00:06:22,400

um we'll we'll get going and and and um

75

00:06:26,710 --> 00:06:24,080

basically just talk a little bit about

76

00:06:28,950 --> 00:06:26,720

how you um

77

00:06:30,550 --> 00:06:28,960

i i don't want to say how you got into

78

00:06:33,189 --> 00:06:30,560

this because a lot of times

79

00:06:33,670 --> 00:06:33,199

it's seemingly out of our control but if

80

00:06:35,590 --> 00:06:33,680

you could

81

00:06:37,590 --> 00:06:35,600

simply start out with just a little

82

00:06:49,990 --> 00:06:37,600

intro about yourself and

83

00:06:55,029 --> 00:06:53,189

staring at me hold on i'm sorry sorry

84

00:06:56,710 --> 00:06:55,039

one more second i did the very thing i

85

00:06:59,189 --> 00:06:56,720

said early in the stream that i was not

86

00:07:02,390 --> 00:06:59,199

going to do you were muted to everybody

87

00:07:05,189 --> 00:07:02,400

oh yeah i'm sorry about that okay so

88

00:07:06,309 --> 00:07:05,199

let's start this out again um basically

89

00:07:07,029 --> 00:07:06,319

if you can just start off from the

90

00:07:09,270 --> 00:07:07,039

beginning

91

00:07:10,790 --> 00:07:09,280

everyone heard what i asked you so that

92

00:07:13,589 --> 00:07:10,800

you should be fine now

93

00:07:15,670 --> 00:07:13,599

okay um pretty much you're right it

94

00:07:17,830 --> 00:07:15,680

wasn't really a choice on my behalf

95

00:07:19,990 --> 00:07:17,840

my whole life as as early as i can

96

00:07:20,950 --> 00:07:20,000

remember i would be sound asleep and

97

00:07:23,990 --> 00:07:20,960

then just suddenly

98

00:07:26,150 --> 00:07:24,000

startled awake with a face very very

99

00:07:29,430 --> 00:07:26,160

close to mine just staring at me

100

00:07:31,110 --> 00:07:29,440

with these big black shiny eyes you know

101
00:07:32,469 --> 00:07:31,120
face to face and and i would be

102
00:07:35,189 --> 00:07:32,479
paralyzed

103
00:07:37,510 --> 00:07:35,199
and it would be i could tell it was a a

104
00:07:39,990 --> 00:07:37,520
conscious being because it would be like

105
00:07:41,670 --> 00:07:40,000
communicating with me or or like reading

106
00:07:43,510 --> 00:07:41,680
my mind or trying to

107
00:07:45,029 --> 00:07:43,520
talk to me but i mean i was six years

108
00:07:47,749 --> 00:07:45,039
old when i first

109
00:07:49,510 --> 00:07:47,759
this happened and it has you held in its

110
00:07:51,830 --> 00:07:49,520
gaze and then when suddenly

111
00:07:53,110 --> 00:07:51,840
it just disappears like into the night

112
00:07:54,309 --> 00:07:53,120
and you're just laying there in the bed

113
00:07:57,029 --> 00:07:54,319

and

114

00:07:58,150 --> 00:07:57,039

your mind has been so you know drained

115

00:08:00,070 --> 00:07:58,160

or whatever you might

116

00:08:01,909 --> 00:08:00,080

say and now you're so much in shock that

117

00:08:04,070 --> 00:08:01,919

all you can think of to do is scream you

118

00:08:06,550 --> 00:08:04,080

can't even find words or anything

119

00:08:08,790 --> 00:08:06,560

and so i would wake up screaming quite

120

00:08:10,710 --> 00:08:08,800

often as a child and

121

00:08:12,230 --> 00:08:10,720

it when i was able to i'd jump out of

122

00:08:13,830 --> 00:08:12,240

bed and run down the hall into mom and

123

00:08:14,950 --> 00:08:13,840

dad's room and i felt like somebody was

124

00:08:17,670 --> 00:08:14,960

right behind me

125

00:08:19,350 --> 00:08:17,680

and you know my mom would comfort me and

126

00:08:20,869 --> 00:08:19,360

say they're just bad dreams

127

00:08:22,550 --> 00:08:20,879

and she ended up taking me to a couple

128

00:08:23,670 --> 00:08:22,560

different doctors because she got a

129

00:08:26,150 --> 00:08:23,680

little concerned and

130

00:08:27,909 --> 00:08:26,160

and they just said they're night terrors

131

00:08:29,110 --> 00:08:27,919

a lot of children have them it's common

132

00:08:31,749 --> 00:08:29,120

she'll outgrow it

133

00:08:32,149 --> 00:08:31,759

but i never did i i never did outgrow it

134

00:08:35,110 --> 00:08:32,159

and

135

00:08:37,589 --> 00:08:35,120

as i became a little older like teenager

136

00:08:39,269 --> 00:08:37,599

in my 20s i realized that this isn't

137

00:08:40,550 --> 00:08:39,279

common i just you know when something

138

00:08:42,149 --> 00:08:40,560

happens to you as a kid you just think

139

00:08:44,230 --> 00:08:42,159

it happens to everybody

140

00:08:45,750 --> 00:08:44,240

but then i realized this isn't happening

141

00:08:49,030 --> 00:08:45,760

to just anybody and

142

00:08:52,150 --> 00:08:49,040

so then i began to uh figure out why me

143

00:08:54,389 --> 00:08:52,160

and and why and uh over a course of

144

00:08:55,670 --> 00:08:54,399

quite a bit of time years i came to

145

00:08:57,590 --> 00:08:55,680

understand that they

146

00:08:58,790 --> 00:08:57,600

were communicating with me they give me

147

00:09:02,150 --> 00:08:58,800

messages they'd

148

00:09:04,150 --> 00:09:02,160

like tell me things like don't go to a

149

00:09:06,230 --> 00:09:04,160

certain shopping center on a certain day

150

00:09:07,829 --> 00:09:06,240

that i plan to do or something and then

151
00:09:08,070 --> 00:09:07,839
maybe there was a car accident on the

152
00:09:10,470 --> 00:09:08,080
way

153
00:09:11,829 --> 00:09:10,480
there and i i realized they were kind of

154
00:09:14,070 --> 00:09:11,839
i don't know almost like

155
00:09:15,910 --> 00:09:14,080
guardians looking out for me kind of

156
00:09:19,110 --> 00:09:15,920
guiding my way

157
00:09:20,790 --> 00:09:19,120
and uh as time went on i i came to

158
00:09:22,949 --> 00:09:20,800
just accept that they were part of my

159
00:09:25,269 --> 00:09:22,959
life and i don't really know why

160
00:09:26,150 --> 00:09:25,279
i still don't but they're good they're

161
00:09:27,509 --> 00:09:26,160
benevolent

162
00:09:29,350 --> 00:09:27,519
they're helpful they've helped me

163
00:09:31,190 --> 00:09:29,360

through a lot of things in my life the

164

00:09:32,550 --> 00:09:31,200

biggest thing they've done is healing

165

00:09:34,310 --> 00:09:32,560

they've helped me with healing with

166

00:09:36,389 --> 00:09:34,320

migraine headaches they've helped me

167

00:09:39,590 --> 00:09:36,399

healing after surgery they've

168

00:09:42,230 --> 00:09:39,600

come into my room and like used

169

00:09:43,190 --> 00:09:42,240

glowing wands or just their

170

00:09:46,630 --> 00:09:43,200

weird-looking

171

00:09:48,470 --> 00:09:46,640

hands and and relief pain and made me

172

00:09:49,750 --> 00:09:48,480

feel better and heal faster

173

00:09:52,470 --> 00:09:49,760

so i know they're good and they're

174

00:09:55,110 --> 00:09:52,480

benevolent and they're helpful

175

00:09:56,790 --> 00:09:55,120

and so i wrote the book actually that

176

00:09:58,790 --> 00:09:56,800

was part of the reason i wrote the book

177

00:10:00,470 --> 00:09:58,800

was because

178

00:10:02,230 --> 00:10:00,480

these things were going on in my head

179

00:10:04,150 --> 00:10:02,240

but i had to have a normal life as a

180

00:10:05,110 --> 00:10:04,160

wife and a mother and an employee and a

181

00:10:07,750 --> 00:10:05,120

student and

182

00:10:09,110 --> 00:10:07,760

and it was complicated to be in my head

183

00:10:11,829 --> 00:10:09,120

so i would write things down

184

00:10:14,230 --> 00:10:11,839

in journals and keep them by my bed and

185

00:10:15,990 --> 00:10:14,240

write things down as soon as i woke up

186

00:10:17,910 --> 00:10:16,000

and then i could like put them away and

187

00:10:19,030 --> 00:10:17,920

just focus on being a normal person with

188

00:10:22,949 --> 00:10:19,040

a normal life

189

00:10:26,389 --> 00:10:22,959

and after many many years i decided to

190

00:10:29,269 --> 00:10:26,399

put all the journals together and and uh

191

00:10:29,910 --> 00:10:29,279

they actually came together to make a

192

00:10:31,750 --> 00:10:29,920

story

193

00:10:34,949 --> 00:10:31,760

and that's when i submitted them to

194

00:10:36,550 --> 00:10:34,959

ozark mountain for publishing and

195

00:10:38,310 --> 00:10:36,560

they published it i never thought

196

00:10:41,110 --> 00:10:38,320

anybody would be interested in what i

197

00:10:44,470 --> 00:10:41,120

what i had experienced but turns out

198

00:10:49,590 --> 00:10:47,750

well done i know you said that they they

199

00:10:51,509 --> 00:10:49,600

sometimes helped you with healing and

200

00:10:52,069 --> 00:10:51,519

and whatnot but was there more of a

201
00:10:54,150 --> 00:10:52,079
reason

202
00:10:56,150 --> 00:10:54,160
why they got in touch with you than than

203
00:10:59,190 --> 00:10:56,160
just that

204
00:11:01,030 --> 00:10:59,200
um yeah because the healing was more

205
00:11:04,150 --> 00:11:01,040
just for me personally but

206
00:11:06,630 --> 00:11:04,160
they i think they are trying

207
00:11:07,190 --> 00:11:06,640
through me to talk to other people too

208
00:11:10,069 --> 00:11:07,200
because

209
00:11:12,310 --> 00:11:10,079
i've always been very sensitive and um

210
00:11:13,910 --> 00:11:12,320
so i can sometimes maybe see things

211
00:11:15,350 --> 00:11:13,920
other people can't see or hear things

212
00:11:19,030 --> 00:11:15,360
other people can't hear

213
00:11:21,190 --> 00:11:19,040

and so i'm kind of a translator

214

00:11:22,310 --> 00:11:21,200

they've told me like i'm able to because

215

00:11:25,350 --> 00:11:22,320

i'm able to see

216

00:11:26,550 --> 00:11:25,360

into their realm and experience what

217

00:11:29,590 --> 00:11:26,560

they're

218

00:11:30,389 --> 00:11:29,600

telling me or or showing me and then i

219

00:11:33,910 --> 00:11:30,399

can

220

00:11:35,670 --> 00:11:33,920

kind of run it through my experience and

221

00:11:37,670 --> 00:11:35,680

spread that message to others who may

222

00:11:41,110 --> 00:11:37,680

not be able to see them or hear them

223

00:11:42,870 --> 00:11:41,120

and um it's mostly just love

224

00:11:44,230 --> 00:11:42,880

you know we need to love one another we

225

00:11:45,269 --> 00:11:44,240

need to take care of each other we need

226

00:11:48,870 --> 00:11:45,279

to take care of

227

00:11:52,949 --> 00:11:48,880

the world and um

228

00:11:56,629 --> 00:11:54,949

and be accepting of them they would

229

00:11:58,870 --> 00:11:56,639

really like to

230

00:12:00,550 --> 00:11:58,880

come and be among us i really believe

231

00:12:03,269 --> 00:12:00,560

that but

232

00:12:03,670 --> 00:12:03,279

they can't yet because humans are so

233

00:12:05,670 --> 00:12:03,680

much

234

00:12:07,750 --> 00:12:05,680

into fear and i thought we were getting

235

00:12:09,190 --> 00:12:07,760

better but after this last year with

236

00:12:11,190 --> 00:12:09,200

covet and everything i see that we're

237

00:12:14,069 --> 00:12:11,200

still very very frightened

238

00:12:15,590 --> 00:12:14,079

creatures and could look how scared

239

00:12:18,629 --> 00:12:15,600

everybody got with kovid

240

00:12:21,350 --> 00:12:18,639

can you imagine if aliens came you know

241

00:12:23,030 --> 00:12:21,360

and they they have come to visit with

242

00:12:25,750 --> 00:12:23,040

humans in the past

243

00:12:26,389 --> 00:12:25,760

i believe you know the pyramids atlantis

244

00:12:27,910 --> 00:12:26,399

different

245

00:12:29,910 --> 00:12:27,920

things like that they have helped with

246

00:12:31,269 --> 00:12:29,920

that but they always ended up being

247

00:12:34,629 --> 00:12:31,279

worshipped as gods

248

00:12:36,310 --> 00:12:34,639

or you know things they didn't want they

249

00:12:36,790 --> 00:12:36,320

they don't want to be seen as superior

250

00:12:39,110 --> 00:12:36,800

to us

251
00:12:39,910 --> 00:12:39,120
or gods or anything they're our brothers

252
00:12:41,910 --> 00:12:39,920
and sisters

253
00:12:43,509 --> 00:12:41,920
you know they just are from a different

254
00:12:46,949 --> 00:12:43,519
realm or a different dimension

255
00:12:50,069 --> 00:12:46,959
or a different way of living

256
00:12:50,870 --> 00:12:50,079
but for right now they can't approach us

257
00:12:53,110 --> 00:12:50,880
in mass

258
00:12:53,910 --> 00:12:53,120
so they're approaching individuals like

259
00:12:57,670 --> 00:12:53,920
me

260
00:12:59,430 --> 00:12:57,680
empowers

261
00:13:00,790 --> 00:12:59,440
other people there might be there

262
00:13:03,030 --> 00:13:00,800
probably are

263
00:13:04,230 --> 00:13:03,040

a lot of people out there that are also

264

00:13:05,670 --> 00:13:04,240

experiencing this

265

00:13:07,829 --> 00:13:05,680

and they think they're crazy or they're

266

00:13:09,430 --> 00:13:07,839

afraid to talk about it or tell anybody

267

00:13:11,990 --> 00:13:09,440

and then they hear my story and they

268

00:13:13,190 --> 00:13:12,000

think wow that might be real that's

269

00:13:14,870 --> 00:13:13,200

really happening and

270

00:13:17,110 --> 00:13:14,880

and then that encourages them to speak

271

00:13:20,310 --> 00:13:17,120

up and share with other people and

272

00:13:22,230 --> 00:13:20,320

and so on and so on until maybe you know

273

00:13:23,509 --> 00:13:22,240

everybody can be more open-minded about

274

00:13:28,230 --> 00:13:23,519

it and not be so

275

00:13:32,230 --> 00:13:31,509

so i know so for some of you that

276

00:13:34,870 --> 00:13:32,240

watching it

277

00:13:37,110 --> 00:13:34,880

that might not know this you and i have

278

00:13:40,310 --> 00:13:37,120

two previous interviews that we did

279

00:13:41,829 --> 00:13:40,320

and uh you do a great job of covering uh

280

00:13:43,750 --> 00:13:41,839

what it is that

281

00:13:45,829 --> 00:13:43,760

that that's been happening in your life

282

00:13:48,069 --> 00:13:45,839

i was wondering if uh if there was

283

00:13:49,670 --> 00:13:48,079

something recent or anything like that

284

00:13:51,189 --> 00:13:49,680

that you might have that you want to

285

00:13:52,629 --> 00:13:51,199

share or something else that's more

286

00:13:56,230 --> 00:13:52,639

pertinent that you would like to talk

287

00:13:59,590 --> 00:13:57,910

i'm going to talk about at the

288

00:14:01,590 --> 00:13:59,600

conference next month

289

00:14:03,110 --> 00:14:01,600

i was invited to speak last year and

290

00:14:04,710 --> 00:14:03,120

then you know i started writing it up

291

00:14:07,269 --> 00:14:04,720

and then of course it got cancelled

292

00:14:08,949 --> 00:14:07,279

because of covid so i pulled out my

293

00:14:11,990 --> 00:14:08,959

notes when i got invited again

294

00:14:13,829 --> 00:14:12,000

this year and um i was able to use a lot

295

00:14:15,829 --> 00:14:13,839

of what i had started to say

296

00:14:17,030 --> 00:14:15,839

and ironically i had been talking about

297

00:14:18,790 --> 00:14:17,040

fear and how

298

00:14:20,629 --> 00:14:18,800

humanity needs to get past the fear

299

00:14:22,949 --> 00:14:20,639

which is you know the main theme

300

00:14:24,949 --> 00:14:22,959

of what they've always been telling me

301
00:14:27,189 --> 00:14:24,959
and what the main theme of my book

302
00:14:29,350 --> 00:14:27,199
from fear to love we need to transmute

303
00:14:33,110 --> 00:14:29,360
that fear into love and now

304
00:14:35,110 --> 00:14:33,120
looking back i see that this past year

305
00:14:36,949 --> 00:14:35,120
and and also they had kind of pulled

306
00:14:39,269 --> 00:14:36,959
away i hadn't really seen

307
00:14:41,189 --> 00:14:39,279
them or heard from them for like a whole

308
00:14:42,470 --> 00:14:41,199
year and

309
00:14:43,590 --> 00:14:42,480
then when they knew i was going to be

310
00:14:45,110 --> 00:14:43,600
speaking at the conference they've

311
00:14:46,470 --> 00:14:45,120
started coming back a little bit but

312
00:14:50,310 --> 00:14:46,480
they're still kind of distant

313
00:14:52,870 --> 00:14:50,320

and it's because of the fear and and

314

00:14:53,750 --> 00:14:52,880

my main alien being who i'm in contact

315

00:14:56,389 --> 00:14:53,760

with his name is

316

00:14:58,470 --> 00:14:56,399

crote and he's a seven foot tall praying

317

00:15:01,030 --> 00:14:58,480

mantis being and

318

00:15:02,069 --> 00:15:01,040

he showed me he like he like takes me

319

00:15:04,069 --> 00:15:02,079

like whoosh

320

00:15:05,430 --> 00:15:04,079

out the top of my head and then we kind

321

00:15:07,590 --> 00:15:05,440

of float away and

322

00:15:08,550 --> 00:15:07,600

he showed me from out in space looking

323

00:15:10,310 --> 00:15:08,560

at earth

324

00:15:13,030 --> 00:15:10,320

and you know how the earth is usually

325

00:15:14,069 --> 00:15:13,040

seen by nasa or whatever is this

326

00:15:17,590 --> 00:15:14,079

beautiful

327

00:15:19,430 --> 00:15:17,600

blue green jewel hanging in the stars

328

00:15:20,629 --> 00:15:19,440

and crotch showed me that right now the

329

00:15:23,350 --> 00:15:20,639

way it looks to

330

00:15:24,470 --> 00:15:23,360

them and to how they see things it looks

331

00:15:27,590 --> 00:15:24,480

like the earth is kind of

332

00:15:30,629 --> 00:15:27,600

enveloped in this dark cloud or

333

00:15:34,389 --> 00:15:30,639

fog or mass like this model

334

00:15:37,990 --> 00:15:34,399

grayish darkness and he said that's

335

00:15:41,350 --> 00:15:38,000

fear that's the anxiety the fear the

336

00:15:43,829 --> 00:15:41,360

depression the grief you know

337

00:15:44,389 --> 00:15:43,839

our our world has been plunged into a

338

00:15:48,470 --> 00:15:44,399

dark

339

00:15:52,150 --> 00:15:48,480

year and

340

00:15:52,949 --> 00:15:52,160

they need us they need each one of us to

341

00:15:55,990 --> 00:15:52,959

be a light

342

00:16:00,069 --> 00:15:56,000

to get past that fear instead of like

343

00:16:01,189 --> 00:16:00,079

wallowing in the grief and the pity and

344

00:16:03,269 --> 00:16:01,199

everything that we're going through

345

00:16:06,150 --> 00:16:03,279

right now be a light and

346

00:16:06,629 --> 00:16:06,160

and focus on what's positive and what's

347

00:16:08,230 --> 00:16:06,639

good

348

00:16:10,470 --> 00:16:08,240

it's it's brought a lot of families

349

00:16:11,590 --> 00:16:10,480

closer it's shown a lot of us who our

350

00:16:14,069 --> 00:16:11,600

real friends are

351
00:16:14,710 --> 00:16:14,079
this past year what's really important

352
00:16:17,590 --> 00:16:14,720
in life

353
00:16:19,110 --> 00:16:17,600
and focus on good things focus on

354
00:16:21,590 --> 00:16:19,120
gratitude

355
00:16:23,269 --> 00:16:21,600
focus on love and the more you do that

356
00:16:26,629 --> 00:16:23,279
the brighter you

357
00:16:27,269 --> 00:16:26,639
glow and your own personal aura and glow

358
00:16:29,110 --> 00:16:27,279
and

359
00:16:30,949 --> 00:16:29,120
that is what they see they they don't

360
00:16:33,430 --> 00:16:30,959
see us the way we see us

361
00:16:35,749 --> 00:16:33,440
when we look in the mirror they see uh

362
00:16:39,269 --> 00:16:35,759
our light and our aura and our

363
00:16:40,629 --> 00:16:39,279

glowing and um they're looking for that

364

00:16:42,389 --> 00:16:40,639

because right now we're all kind of

365

00:16:45,910 --> 00:16:42,399

buried in this darkness

366

00:16:49,189 --> 00:16:45,920

so yeah that's that's been the latest

367

00:16:50,710 --> 00:16:49,199

message and i think that's the reason

368

00:16:55,670 --> 00:16:50,720

they've come

369

00:16:57,749 --> 00:16:55,680

to see me these past 50 almost 60 years

370

00:16:59,430 --> 00:16:57,759

they knew this time was coming they knew

371

00:17:00,230 --> 00:16:59,440

earth was coming to some kind of a

372

00:17:02,310 --> 00:17:00,240

turning point

373

00:17:03,990 --> 00:17:02,320

you know where we were going to have to

374

00:17:06,069 --> 00:17:04,000

make a decision whether we

375

00:17:07,750 --> 00:17:06,079

give in to fear or whether we give into

376

00:17:10,710 --> 00:17:07,760

love and this is it

377

00:17:11,990 --> 00:17:10,720

this is you know the time that we've all

378

00:17:14,390 --> 00:17:12,000

been waiting for the

379

00:17:15,829 --> 00:17:14,400

you could call it the age of aquarius or

380

00:17:18,309 --> 00:17:15,839

you know the great awakening

381

00:17:20,150 --> 00:17:18,319

or you know we we thought it was going

382

00:17:21,990 --> 00:17:20,160

to happen maybe at y2k or we thought it

383

00:17:23,750 --> 00:17:22,000

was going to happen on december 21st

384

00:17:26,789 --> 00:17:23,760

2012.

385

00:17:29,270 --> 00:17:26,799

but this right now is the time

386

00:17:29,830 --> 00:17:29,280

that we need to really let our light

387

00:17:33,430 --> 00:17:29,840

shine

388

00:17:35,430 --> 00:17:33,440

and really it's it's almost a spiritual

389

00:17:37,430 --> 00:17:35,440

battle between good and evil right now

390

00:17:37,750 --> 00:17:37,440

and it's it's the whole world it's not

391

00:17:40,390 --> 00:17:37,760

just

392

00:17:41,270 --> 00:17:40,400

our country it's it's the whole world is

393

00:17:43,110 --> 00:17:41,280

caught up in this

394

00:17:44,390 --> 00:17:43,120

and as individuals we can make a

395

00:17:46,070 --> 00:17:44,400

difference you might think oh

396

00:17:47,830 --> 00:17:46,080

what's one person going to do to make a

397

00:17:50,150 --> 00:17:47,840

difference but you can

398

00:17:51,909 --> 00:17:50,160

they've showed me that that just one

399

00:17:53,350 --> 00:17:51,919

person with a bright enough light will

400

00:17:55,029 --> 00:17:53,360

help pierce that

401
00:17:57,190 --> 00:17:55,039
darkness that's ensure out in the earth

402
00:17:59,590 --> 00:17:57,200
right now and so they want

403
00:18:01,510 --> 00:17:59,600
all of us to do that and try to focus

404
00:18:03,270 --> 00:18:01,520
you know we can all

405
00:18:04,789 --> 00:18:03,280
get down and out sometimes about the

406
00:18:07,350 --> 00:18:04,799
situation but don't

407
00:18:07,830 --> 00:18:07,360
don't stay there don't dwell in that try

408
00:18:10,150 --> 00:18:07,840
to

409
00:18:11,270 --> 00:18:10,160
focus on what's good and what's right

410
00:18:15,750 --> 00:18:11,280
and what's

411
00:18:19,350 --> 00:18:15,760
positive in life right now

412
00:18:22,310 --> 00:18:19,360
so would it would it basically be

413
00:18:24,070 --> 00:18:22,320

just that that we would just have to

414

00:18:25,430 --> 00:18:24,080

have a different outlook because as you

415

00:18:28,310 --> 00:18:25,440

just mentioned

416

00:18:29,110 --> 00:18:28,320

it's it has been more than just you know

417

00:18:30,870 --> 00:18:29,120

being the

418

00:18:32,230 --> 00:18:30,880

the bright light in a lot of times

419

00:18:34,870 --> 00:18:32,240

because people kind of

420

00:18:35,830 --> 00:18:34,880

get down to the nuances and get into the

421

00:18:38,950 --> 00:18:35,840

arguments

422

00:18:39,909 --> 00:18:38,960

about whatever it is you know and um is

423

00:18:42,390 --> 00:18:39,919

it trying to

424

00:18:43,350 --> 00:18:42,400

be a neutral person when it comes to an

425

00:18:45,190 --> 00:18:43,360

argument or

426

00:18:47,350 --> 00:18:45,200

not necessarily be the one to take that

427

00:18:49,350 --> 00:18:47,360

takes aside they'll kind of

428

00:18:51,750 --> 00:18:49,360

kind of show the way is if that's what

429

00:18:54,830 --> 00:18:51,760

you mean or is it just to simply be

430

00:18:57,669 --> 00:18:54,840

you know smiling when everyone else is

431

00:19:00,470 --> 00:18:57,679

frowning

432

00:19:01,990 --> 00:19:00,480

ask them like i never was into politics

433

00:19:03,909 --> 00:19:02,000

when i was younger when you're raising a

434

00:19:05,350 --> 00:19:03,919

family and working and things

435

00:19:07,350 --> 00:19:05,360

i think a lot of young people just don't

436

00:19:09,270 --> 00:19:07,360

have the time but now that i'm older

437

00:19:10,390 --> 00:19:09,280

like a lot of older people more into

438

00:19:12,070 --> 00:19:10,400

politics and things

439

00:19:13,909 --> 00:19:12,080

and i had tried talking to them about

440

00:19:14,549 --> 00:19:13,919

that because you know that's been crazy

441

00:19:18,470 --> 00:19:14,559

too

442

00:19:21,270 --> 00:19:18,480

and uh they they're kind of

443

00:19:22,070 --> 00:19:21,280

they're so um strange about how they

444

00:19:23,750 --> 00:19:22,080

answer things

445

00:19:26,230 --> 00:19:23,760

they're alien you know they're not like

446

00:19:28,950 --> 00:19:26,240

us and and quote replied

447

00:19:30,549 --> 00:19:28,960

um we do not involve ourselves in your

448

00:19:32,549 --> 00:19:30,559

petty squabbles

449

00:19:34,070 --> 00:19:32,559

and it's like you know it doesn't seem

450

00:19:35,750 --> 00:19:34,080

like a petty squabble to us

451
00:19:37,669 --> 00:19:35,760
when it's the person that has their hand

452
00:19:41,110 --> 00:19:37,679
on the nuclear button

453
00:19:44,150 --> 00:19:41,120
but um they see such the big picture

454
00:19:46,950 --> 00:19:44,160
they see the entire earth so to them

455
00:19:48,230 --> 00:19:46,960
anything political things even even our

456
00:19:51,110 --> 00:19:48,240
smaller wars

457
00:19:52,630 --> 00:19:51,120
are what they call petty squabbles

458
00:19:55,190 --> 00:19:52,640
because

459
00:19:56,470 --> 00:19:55,200
they see the big picture of of how it

460
00:20:00,390 --> 00:19:56,480
affects the entire earth

461
00:20:02,070 --> 00:20:00,400
and so yeah it's it's not so much

462
00:20:04,830 --> 00:20:02,080
winning an argument or anything it's

463
00:20:06,950 --> 00:20:04,840

just more maintaining that

464

00:20:12,470 --> 00:20:06,960

positive mental

465

00:20:20,310 --> 00:20:16,710

so um regarding regarding on

466

00:20:22,630 --> 00:20:20,320

on this change do they foresee it to be

467

00:20:23,830 --> 00:20:22,640

forced to be out of this after a while

468

00:20:27,190 --> 00:20:23,840

and well how

469

00:20:28,710 --> 00:20:27,200

how would the world even be drastically

470

00:20:30,549 --> 00:20:28,720

different or would it just be kind of

471

00:20:33,110 --> 00:20:30,559

considered a little blip in our

472

00:20:39,190 --> 00:20:33,120

in our history if you have any

473

00:20:44,149 --> 00:20:41,669

images of like running through a field

474

00:20:46,070 --> 00:20:44,159

or a meadow with flowers and

475

00:20:47,590 --> 00:20:46,080

children and puppies and you know which

476

00:20:50,950 --> 00:20:47,600

to me is

477

00:20:55,029 --> 00:20:50,960

life is good and and um

478

00:20:56,870 --> 00:20:55,039

i do believe that once we get past this

479

00:20:58,149 --> 00:20:56,880

awful negativity that there's going to

480

00:21:01,190 --> 00:20:58,159

be maybe

481

00:21:04,870 --> 00:21:01,200

um people are going to find cures for

482

00:21:07,350 --> 00:21:04,880

diseases and i don't know

483

00:21:08,789 --> 00:21:07,360

it feels like we're gonna have help

484

00:21:10,149 --> 00:21:08,799

because i don't think we can do it on

485

00:21:12,710 --> 00:21:10,159

our own

486

00:21:13,270 --> 00:21:12,720

it's but they are helping they're trying

487

00:21:15,669 --> 00:21:13,280

to help

488

00:21:16,390 --> 00:21:15,679

without actually manifesting in front of

489

00:21:19,110 --> 00:21:16,400

us

490

00:21:21,110 --> 00:21:19,120

but um you know they can give ideas like

491

00:21:23,430 --> 00:21:21,120

to researchers and scientists

492

00:21:24,630 --> 00:21:23,440

they can implant suggestions and ideas

493

00:21:28,310 --> 00:21:24,640

through dreams through

494

00:21:31,669 --> 00:21:28,320

intuitions through gut feelings and

495

00:21:32,630 --> 00:21:31,679

if we can open ourselves up to receive

496

00:21:37,830 --> 00:21:32,640

that

497

00:21:41,510 --> 00:21:37,840

people to open themselves up more

498

00:21:44,950 --> 00:21:41,520

to receive maybe messages or ideas

499

00:21:46,710 --> 00:21:44,960

from them and that's another reason it's

500

00:21:47,669 --> 00:21:46,720

important to stay in the positive

501
00:21:50,230 --> 00:21:47,679
because

502
00:21:52,870 --> 00:21:50,240
they're the ones i interact with are

503
00:21:55,830 --> 00:21:52,880
very positive and benevolent and good

504
00:21:56,710 --> 00:21:55,840
but there are negative entities too and

505
00:21:59,029 --> 00:21:56,720
if you

506
00:21:59,830 --> 00:21:59,039
if a person is dwelling in negativity

507
00:22:03,750 --> 00:21:59,840
and

508
00:22:06,710 --> 00:22:03,760
more likely to get

509
00:22:08,870 --> 00:22:06,720
input from a negative entity but if you

510
00:22:09,350 --> 00:22:08,880
stay focused on positive things and good

511
00:22:12,710 --> 00:22:09,360
things

512
00:22:15,029 --> 00:22:12,720
and a better future then

513
00:22:17,029 --> 00:22:15,039

you'll get input from the the benevolent

514

00:22:18,950 --> 00:22:17,039

beings and um

515

00:22:21,110 --> 00:22:18,960

i really think it's a major turning

516

00:22:23,990 --> 00:22:21,120

point like you know we thought

517

00:22:25,669 --> 00:22:24,000

it started back in the 1960s the age of

518

00:22:27,190 --> 00:22:25,679

aquarius we thought the world was we

519

00:22:27,909 --> 00:22:27,200

were going to change the world back then

520

00:22:30,070 --> 00:22:27,919

and then

521

00:22:31,350 --> 00:22:30,080

then the y2k we thought the world was

522

00:22:34,950 --> 00:22:31,360

going to change and

523

00:22:37,270 --> 00:22:34,960

the 2012 thing so i think

524

00:22:38,070 --> 00:22:37,280

we've been on like a precipice of of

525

00:22:40,950 --> 00:22:38,080

change

526
00:22:41,510 --> 00:22:40,960
as humanity and as the planet for a long

527
00:22:44,149 --> 00:22:41,520
time

528
00:22:45,029 --> 00:22:44,159
and it's been slow in coming and i've

529
00:22:46,470 --> 00:22:45,039
actually asked

530
00:22:48,470 --> 00:22:46,480
is it going to even happen in my

531
00:22:49,430 --> 00:22:48,480
lifetime because i've been waiting a

532
00:22:52,310 --> 00:22:49,440
long time

533
00:22:54,149 --> 00:22:52,320
and i hope it will i think it will and i

534
00:22:56,950 --> 00:22:54,159
think it's going to be a big

535
00:22:57,750 --> 00:22:56,960
shift a big shift in consciousness for

536
00:23:01,350 --> 00:22:57,760
the better

537
00:23:03,830 --> 00:23:01,360
and you know like i said along with that

538
00:23:05,350 --> 00:23:03,840

things that will heal people things that

539

00:23:07,669 --> 00:23:05,360

will heal maybe things

540

00:23:09,750 --> 00:23:07,679

that will clean clean up the pollution

541

00:23:11,750 --> 00:23:09,760

and just

542

00:23:16,070 --> 00:23:11,760

in general make the world a better place

543

00:23:20,470 --> 00:23:19,110

so donna do you think they obviously

544

00:23:23,590 --> 00:23:20,480

kind of anticipated

545

00:23:24,470 --> 00:23:23,600

or foresaw that you would be out there

546

00:23:27,669 --> 00:23:24,480

and speaking

547

00:23:29,350 --> 00:23:27,679

and and whatnot so that they just kind

548

00:23:29,909 --> 00:23:29,360

of whatever they convey to you conveyed

549

00:23:32,710 --> 00:23:29,919

to you

550

00:23:33,590 --> 00:23:32,720

in the sense that okay you will be seen

551
00:23:35,830 --> 00:23:33,600
publicly

552
00:23:37,750 --> 00:23:35,840
instead of just being this one person

553
00:23:40,310 --> 00:23:37,760
that nobody will ever hear from

554
00:23:42,470 --> 00:23:40,320
or know about and has all this great

555
00:23:45,510 --> 00:23:42,480
understanding and knowledge but it

556
00:23:47,830 --> 00:23:45,520
it's not going to go anywhere um

557
00:23:48,549 --> 00:23:47,840
yeah actually crouch showed me a long

558
00:23:50,549 --> 00:23:48,559
time ago

559
00:23:52,950 --> 00:23:50,559
long before i thought of even writing a

560
00:23:55,190 --> 00:23:52,960
book that i was standing on a stage

561
00:23:57,029 --> 00:23:55,200
speaking to people which i thought was

562
00:23:58,230 --> 00:23:57,039
ludicrous because i never even did an

563
00:24:00,310 --> 00:23:58,240

oral report

564

00:24:02,789 --> 00:24:00,320

in school i would take a d in english

565

00:24:05,750 --> 00:24:02,799

rather than give an oral book report

566

00:24:06,390 --> 00:24:05,760

and um so i he showed me standing on a

567

00:24:09,669 --> 00:24:06,400

stage

568

00:24:10,710 --> 00:24:09,679

speaking to a group and about him and i

569

00:24:12,070 --> 00:24:10,720

could see that there were a lot of

570

00:24:13,269 --> 00:24:12,080

naysayers in the audience that they

571

00:24:15,029 --> 00:24:13,279

didn't believe me

572

00:24:17,190 --> 00:24:15,039

and all of a sudden i heard a bunch of

573

00:24:19,190 --> 00:24:17,200

people gasping and i turned and looked

574

00:24:21,029 --> 00:24:19,200

and crowd was standing he had actually

575

00:24:24,149 --> 00:24:21,039

manifested physically

576
00:24:25,669 --> 00:24:24,159
on the stage just behind me and you know

577
00:24:29,510 --> 00:24:25,679
he's a seven foot tall

578
00:24:30,870 --> 00:24:29,520
being that insectoid being and um

579
00:24:32,950 --> 00:24:30,880
people were scared and people were

580
00:24:35,750 --> 00:24:32,960
getting up to run and

581
00:24:37,510 --> 00:24:35,760
he communicates with me telepathically

582
00:24:40,950 --> 00:24:37,520
and he said give me a hug

583
00:24:42,950 --> 00:24:40,960
and even i am a little creeped out

584
00:24:45,830 --> 00:24:42,960
because he's a big bug you know

585
00:24:46,149 --> 00:24:45,840
but i did in this dream i went over to

586
00:24:49,269 --> 00:24:46,159
hug

587
00:24:51,190 --> 00:24:49,279
him and i was hesitating

588
00:24:53,669 --> 00:24:51,200

and he said the better to hug you with

589

00:24:56,789 --> 00:24:53,679

my dear and he reached out with his

590

00:24:57,510 --> 00:24:56,799

you know creepy insect legs and hugged

591

00:25:00,789 --> 00:24:57,520

me

592

00:25:02,710 --> 00:25:00,799

they

593

00:25:03,909 --> 00:25:02,720

know each of us individually because

594

00:25:05,590 --> 00:25:03,919

when i was a little girl

595

00:25:07,909 --> 00:25:05,600

little red riding hood was my favorite

596

00:25:11,190 --> 00:25:07,919

story and my mom would read it to me

597

00:25:12,149 --> 00:25:11,200

doing the wolf imitation you know my

598

00:25:13,909 --> 00:25:12,159

grandma what big

599

00:25:15,190 --> 00:25:13,919

ears you have you know the better to

600

00:25:17,190 --> 00:25:15,200

hear you with my dear

601
00:25:19,269 --> 00:25:17,200
my mom would use the different voices

602
00:25:20,950 --> 00:25:19,279
and he knew that crote knew that from my

603
00:25:22,470 --> 00:25:20,960
childhood and so he said the better to

604
00:25:24,789 --> 00:25:22,480
hug you with my dear

605
00:25:26,870 --> 00:25:24,799
and he hugged me and by hugging me on

606
00:25:30,149 --> 00:25:26,880
stage in front of people it proved

607
00:25:31,669 --> 00:25:30,159
to people that he's real and

608
00:25:33,590 --> 00:25:31,679
he's benevolent and he wasn't going to

609
00:25:34,789 --> 00:25:33,600
hurt me and therefore was not going to

610
00:25:37,510 --> 00:25:34,799
hurt them

611
00:25:38,310 --> 00:25:37,520
and i saw that when i was in my 20s

612
00:25:41,430 --> 00:25:38,320
maybe

613
00:25:43,029 --> 00:25:41,440

and i thought it was really just a dream

614

00:25:44,789 --> 00:25:43,039

and then after my book was published and

615

00:25:45,430 --> 00:25:44,799

i was invited to speak the first time i

616

00:25:47,029 --> 00:25:45,440

thought ah

617

00:25:48,549 --> 00:25:47,039

i wonder if he's really going to show up

618

00:25:50,390 --> 00:25:48,559

on this stage and

619

00:25:52,390 --> 00:25:50,400

so now i don't know i don't know if that

620

00:25:55,830 --> 00:25:52,400

was just a metaphor

621

00:25:58,070 --> 00:25:55,840

that my talking is going to make people

622

00:25:59,269 --> 00:25:58,080

accept it or if maybe someday he really

623

00:26:02,310 --> 00:25:59,279

does hope to

624

00:26:02,789 --> 00:26:02,320

manifest on a stage someday i hope i

625

00:26:07,430 --> 00:26:02,799

hope

626

00:26:11,269 --> 00:26:09,510

you know i always every time i had a

627

00:26:12,390 --> 00:26:11,279

chance to to talk about these kind of

628

00:26:15,590 --> 00:26:12,400

things i was so

629

00:26:16,789 --> 00:26:15,600

always discussing in ways of i know such

630

00:26:24,789 --> 00:26:16,799

a

631

00:26:28,470 --> 00:26:24,799

in energy

632

00:26:31,510 --> 00:26:28,480

you know and it's um it's almost like

633

00:26:33,830 --> 00:26:31,520

the energy that we are right now

634

00:26:35,190 --> 00:26:33,840

is what's kind of being that buffer to

635

00:26:37,990 --> 00:26:35,200

the official contact

636

00:26:39,110 --> 00:26:38,000

and the sooner we kind of resolve it and

637

00:26:41,430 --> 00:26:39,120

get to this

638

00:26:42,390 --> 00:26:41,440

equilibrium so to say that it will make

639

00:26:44,950 --> 00:26:42,400

it a lot more

640

00:26:46,070 --> 00:26:44,960

easier you know for for actual physical

641

00:26:47,029 --> 00:26:46,080

interactions because that's what

642

00:26:48,470 --> 00:26:47,039

everybody wants

643

00:26:49,750 --> 00:26:48,480

everybody always says like where they're

644

00:26:50,549 --> 00:26:49,760

at just have them land do all these

645

00:26:53,029 --> 00:26:50,559

other things

646

00:26:54,149 --> 00:26:53,039

and i was you know always i'm sure you

647

00:26:55,990 --> 00:26:54,159

do as well about

648

00:26:58,390 --> 00:26:56,000

discussing things like it's not that

649

00:27:03,990 --> 00:26:58,400

easy i mean it can it's pretty scary and

650

00:27:07,190 --> 00:27:06,070

well that's what i i've said why don't

651

00:27:09,110 --> 00:27:07,200

you guys just

652

00:27:11,190 --> 00:27:09,120

manifest on my living room and i'll call

653

00:27:12,470 --> 00:27:11,200

a news crew you know that that'll put it

654

00:27:14,149 --> 00:27:12,480

all to rest right then and there

655

00:27:15,029 --> 00:27:14,159

everybody will believe it it's real it's

656

00:27:18,470 --> 00:27:15,039

happening

657

00:27:22,310 --> 00:27:18,480

but they yeah they've said you

658

00:27:24,789 --> 00:27:22,320

humanity is not yet ready or um

659

00:27:27,110 --> 00:27:24,799

people are not ready for that and so

660

00:27:29,590 --> 00:27:27,120

it's it's a lot of it is in just getting

661

00:27:30,230 --> 00:27:29,600

the mass consciousness raised up to the

662

00:27:31,750 --> 00:27:30,240

point

663

00:27:33,669 --> 00:27:31,760

and and i think it does have something

664

00:27:37,269 --> 00:27:33,679

to do like you said with

665

00:27:38,950 --> 00:27:37,279

i don't know vibration frequency

666

00:27:40,630 --> 00:27:38,960

um you know as you know when you're

667

00:27:41,269 --> 00:27:40,640

feeling good and you're happy you feel

668

00:27:43,590 --> 00:27:41,279

lighter

669

00:27:45,990 --> 00:27:43,600

and happier when you feel weighed down

670

00:27:48,389 --> 00:27:46,000

with depression and fear and sadness

671

00:27:49,029 --> 00:27:48,399

and it's easier for them to manifest

672

00:27:52,870 --> 00:27:49,039

physically

673

00:27:54,950 --> 00:27:52,880

if if we are in a higher vibration or

674

00:27:57,750 --> 00:27:54,960

higher frequency or whatever

675

00:28:02,789 --> 00:27:57,760

so that's another reason for them

676

00:28:04,470 --> 00:28:02,799

wanting us to do that

677

00:28:06,470 --> 00:28:04,480

so donna was there something in

678

00:28:07,990 --> 00:28:06,480

particular that you wanted to cover

679

00:28:10,870 --> 00:28:08,000

regarding contact

680

00:28:11,830 --> 00:28:10,880

uh to anyone that has either had contact

681

00:28:13,870 --> 00:28:11,840

or

682

00:28:15,190 --> 00:28:13,880

wants to eventually

683

00:28:17,669 --> 00:28:15,200

[Music]

684

00:28:18,389 --> 00:28:17,679

work towards you know contact themselves

685

00:28:20,310 --> 00:28:18,399

is there something

686

00:28:23,590 --> 00:28:20,320

or a piece of advice you could possibly

687

00:28:28,230 --> 00:28:25,990

yes um that's been the most amazing

688

00:28:30,470 --> 00:28:28,240

thing for me is that after my book

689

00:28:32,149 --> 00:28:30,480

when people got in touch with me nine

690

00:28:34,310 --> 00:28:32,159

times out of ten the email would start

691

00:28:35,909 --> 00:28:34,320

out please don't think i'm crazy but

692

00:28:38,630 --> 00:28:35,919

and it's not so much people didn't want

693

00:28:40,789 --> 00:28:38,640

to ask me questions so much as they were

694

00:28:42,470 --> 00:28:40,799

they really had a need to tell their

695

00:28:44,789 --> 00:28:42,480

story people that have held this

696

00:28:46,870 --> 00:28:44,799

inside for 50 years 40 years something

697

00:28:47,669 --> 00:28:46,880

that happened to them maybe as a child

698

00:28:49,590 --> 00:28:47,679

that

699

00:28:51,029 --> 00:28:49,600

they knew it wasn't just a dream or they

700

00:28:52,789 --> 00:28:51,039

they thought they were crazy but then

701
00:28:55,269 --> 00:28:52,799
when they heard me talk about it

702
00:28:57,029 --> 00:28:55,279
it like clicked for them it's like wow

703
00:28:57,269 --> 00:28:57,039
that was real that what that really was

704
00:28:59,909 --> 00:28:57,279
an

705
00:29:01,430 --> 00:28:59,919
alien that i saw or was in touch with

706
00:29:03,510 --> 00:29:01,440
but i told them to go away

707
00:29:05,029 --> 00:29:03,520
and now they're going to be mad at me

708
00:29:07,750 --> 00:29:05,039
and so i did want to

709
00:29:10,149 --> 00:29:07,760
say that you know if if you feel you've

710
00:29:11,990 --> 00:29:10,159
had contact in the past but you were

711
00:29:14,230 --> 00:29:12,000
too scared or you told them to go away

712
00:29:15,669 --> 00:29:14,240
leave leave you alone

713
00:29:17,669 --> 00:29:15,679

but now you're regretting it and you

714

00:29:20,630 --> 00:29:17,679

wish that they would come back

715

00:29:22,389 --> 00:29:20,640

they're not like humans they don't hold

716

00:29:24,549 --> 00:29:22,399

um

717

00:29:26,549 --> 00:29:24,559

they won't retaliate they don't hold

718

00:29:28,149 --> 00:29:26,559

anger they you know they're not going to

719

00:29:29,830 --> 00:29:28,159

be mad at you that you sent them away

720

00:29:31,110 --> 00:29:29,840

they totally understand how terrifying

721

00:29:33,350 --> 00:29:31,120

they are to us

722

00:29:35,350 --> 00:29:33,360

and they would love nothing more than

723

00:29:38,789 --> 00:29:35,360

for you to invite them back

724

00:29:41,269 --> 00:29:38,799

and you know and then just be aware

725

00:29:43,269 --> 00:29:41,279

they they try to let us know because

726

00:29:44,630 --> 00:29:43,279

they they know that they terrify us when

727

00:29:46,789 --> 00:29:44,640

they show up in the bedroom

728

00:29:47,830 --> 00:29:46,799

and they've been working with me over

729

00:29:49,430 --> 00:29:47,840

the years to be less

730

00:29:51,190 --> 00:29:49,440

frightening i now know if they're gonna

731

00:29:53,430 --> 00:29:51,200

come i'll either

732

00:29:54,230 --> 00:29:53,440

hear a buzzing in my right ear before i

733

00:29:56,710 --> 00:29:54,240

go to bed

734

00:29:57,269 --> 00:29:56,720

or i'll just get a sense that they're

735

00:30:00,230 --> 00:29:57,279

coming

736

00:30:01,830 --> 00:30:00,240

or well actually sometimes here i mean

737

00:30:04,230 --> 00:30:01,840

my mom passed away years ago but i'll

738

00:30:07,669 --> 00:30:04,240

hear like my my own mother's voice

739

00:30:10,470 --> 00:30:07,679

like from a long distance like donna

740

00:30:10,789 --> 00:30:10,480

and and um that's like they're calling

741

00:30:12,310 --> 00:30:10,799

me

742

00:30:13,830 --> 00:30:12,320

and they're trying to make it sound less

743

00:30:17,110 --> 00:30:13,840

threatening and less scary

744

00:30:19,430 --> 00:30:17,120

by using my mother's voice and that

745

00:30:20,470 --> 00:30:19,440

they usually come to me that night then

746

00:30:23,110 --> 00:30:20,480

so

747

00:30:25,590 --> 00:30:23,120

um you have to be aware of little

748

00:30:28,710 --> 00:30:25,600

nuances like that or synchronicities

749

00:30:29,909 --> 00:30:28,720

uh if you see 11 11 on the clock

750

00:30:31,350 --> 00:30:29,919

you know different things and it's

751

00:30:34,070 --> 00:30:31,360

different for everybody they try to

752

00:30:36,630 --> 00:30:34,080

modify the approach

753

00:30:38,870 --> 00:30:36,640

for you for what you want to see like my

754

00:30:41,350 --> 00:30:38,880

sister has never seen them

755

00:30:43,269 --> 00:30:41,360

in the bedroom like i do but she sees

756

00:30:45,269 --> 00:30:43,279

what she calls cloud ships

757

00:30:47,750 --> 00:30:45,279

where she gets this feeling this really

758

00:30:49,190 --> 00:30:47,760

strong feeling to go out and look up

759

00:30:50,470 --> 00:30:49,200

and she'll go out and look up at a

760

00:30:50,870 --> 00:30:50,480

certain part of the sky and there'll be

761

00:30:52,870 --> 00:30:50,880

like

762

00:30:54,950 --> 00:30:52,880

one cloud in the sky and it will look

763

00:30:56,630 --> 00:30:54,960

like a ship it will just

764

00:30:59,750 --> 00:30:56,640

totally look like a ship and i know

765

00:31:02,870 --> 00:30:59,760

people say oh that's a lenticular cloud

766

00:31:03,990 --> 00:31:02,880

but why would she get that feeling to go

767

00:31:06,549 --> 00:31:04,000

out and look up and look

768

00:31:08,310 --> 00:31:06,559

in that spot and then also at the same

769

00:31:10,870 --> 00:31:08,320

time she'll feel

770

00:31:11,509 --> 00:31:10,880

from that cloud or from that ship the

771

00:31:15,990 --> 00:31:11,519

presence

772

00:31:17,509 --> 00:31:16,000

of of beings or or personalities or love

773

00:31:20,470 --> 00:31:17,519

or something from them

774

00:31:21,269 --> 00:31:20,480

so they do approach different people

775

00:31:24,470 --> 00:31:21,279

differently

776

00:31:25,430 --> 00:31:24,480

and if you ask i really think that they

777

00:31:28,070 --> 00:31:25,440

will come

778

00:31:29,509 --> 00:31:28,080

if you ask sincerely and if you're

779

00:31:31,110 --> 00:31:29,519

scared that's okay

780

00:31:32,710 --> 00:31:31,120

because they kind of expect that they

781

00:31:33,190 --> 00:31:32,720

know that they're pretty scary because

782

00:31:36,310 --> 00:31:33,200

they're

783

00:31:39,830 --> 00:31:36,320

else

784

00:31:41,750 --> 00:31:39,840

we experience but they do

785

00:31:43,430 --> 00:31:41,760

want to reach a lot of people i think as

786

00:31:45,509 --> 00:31:43,440

many as they can

787

00:31:47,350 --> 00:31:45,519

because that will raise us what do they

788

00:31:48,389 --> 00:31:47,360

say a rising tide lifts all boats they

789

00:31:51,909 --> 00:31:48,399

want to raise

790

00:31:54,149 --> 00:31:51,919

all of us up you know i um

791

00:31:55,190 --> 00:31:54,159

a lot of people think that this cup you

792

00:31:56,789 --> 00:31:55,200

know is just

793

00:31:59,029 --> 00:31:56,799

you know there for more promotion and

794

00:32:00,630 --> 00:31:59,039

whatnot but there's an actual story

795

00:32:02,310 --> 00:32:00,640

behind this i'm sorry don i know you

796

00:32:02,549 --> 00:32:02,320

can't see it it's basically a cup with

797

00:32:06,149 --> 00:32:02,559

an

798

00:32:09,029 --> 00:32:06,159

have it is

799

00:32:10,870 --> 00:32:09,039

during my more heavy days of contact i

800

00:32:13,029 --> 00:32:10,880

was having

801
00:32:15,350 --> 00:32:13,039
sometimes when things got too difficult

802
00:32:17,350 --> 00:32:15,360
and i and i just couldn't deal with it

803
00:32:19,190 --> 00:32:17,360
myself i would reach out to a friend of

804
00:32:19,830 --> 00:32:19,200
mine and i also did an interview with

805
00:32:23,190 --> 00:32:19,840
her

806
00:32:25,509 --> 00:32:23,200
hughes and she's

807
00:32:26,389 --> 00:32:25,519
basically does animal communication and

808
00:32:28,070 --> 00:32:26,399
basically

809
00:32:30,230 --> 00:32:28,080
psyching in that way but she does

810
00:32:32,310 --> 00:32:30,240
basically readings about

811
00:32:34,230 --> 00:32:32,320
humans animals it doesn't matter i mean

812
00:32:36,630 --> 00:32:34,240
a spirit to spirit you know

813
00:32:37,350 --> 00:32:36,640

and so i would uh basically contact her

814

00:32:41,110 --> 00:32:37,360

to

815

00:32:42,710 --> 00:32:41,120

because then i'm more removed from it

816

00:32:44,549 --> 00:32:42,720

and she can tell me more about what's

817

00:32:46,710 --> 00:32:44,559

going on well

818

00:32:47,669 --> 00:32:46,720

talking about different things appearing

819

00:32:50,789 --> 00:32:47,679

in the sky

820

00:32:53,190 --> 00:32:50,799

i am downtown san luis early morning

821

00:32:54,710 --> 00:32:53,200

going to work that night before she had

822

00:32:55,350 --> 00:32:54,720

that reading for me and i was just

823

00:33:00,470 --> 00:32:55,360

listening

824

00:33:02,950 --> 00:33:00,480

long car ride to work

825

00:33:03,590 --> 00:33:02,960

and i was maybe a couple miles away from

826
00:33:07,669 --> 00:33:03,600
work

827
00:33:09,509 --> 00:33:07,679
and i remember listening to recording

828
00:33:11,269 --> 00:33:09,519
and i said something like well will

829
00:33:13,669 --> 00:33:11,279
there be more contacts

830
00:33:14,789 --> 00:33:13,679
you know and she just said to me on the

831
00:33:17,669 --> 00:33:14,799
recording

832
00:33:18,230 --> 00:33:17,679
all in divine time and as that as she

833
00:33:20,149 --> 00:33:18,240
was

834
00:33:21,509 --> 00:33:20,159
saying that everything just slowed down

835
00:33:24,710 --> 00:33:21,519
kind of like a

836
00:33:27,590 --> 00:33:24,720
cassette tape when it's more you know

837
00:33:30,310 --> 00:33:27,600
and i look up and we're this is why i'm

838
00:33:33,909 --> 00:33:30,320

so amazed about this

839

00:33:35,669 --> 00:33:33,919

downtown san luis at any given point has

840

00:33:37,190 --> 00:33:35,679

at least a hundred thousand people on

841

00:33:39,269 --> 00:33:37,200

the streets in the cars

842

00:33:40,230 --> 00:33:39,279

especially in this main road and i'm

843

00:33:43,269 --> 00:33:40,240

looking up

844

00:33:43,750 --> 00:33:43,279

ahead and basically see this cloud turn

845

00:33:46,310 --> 00:33:43,760

itself

846

00:33:47,350 --> 00:33:46,320

into one of these heads you know of this

847

00:33:52,070 --> 00:33:47,360

gray

848

00:33:54,230 --> 00:33:52,080

myself trying to reach for my cell phone

849

00:33:56,149 --> 00:33:54,240

and i'm slowing down i can't like no

850

00:33:57,990 --> 00:33:56,159

matter how fast i'm trying to grab the

851
00:34:00,230 --> 00:33:58,000
camera you know

852
00:34:01,430 --> 00:34:00,240
my phone to take a picture you know it

853
00:34:03,750 --> 00:34:01,440
just basically cloud

854
00:34:05,750 --> 00:34:03,760
turned into one of these heads and then

855
00:34:05,990 --> 00:34:05,760
just kind of dissipated again into every

856
00:34:08,389 --> 00:34:06,000
other

857
00:34:10,230 --> 00:34:08,399
cloud and then when that went away

858
00:34:10,869 --> 00:34:10,240
everything was back to normal i was like

859
00:34:13,750 --> 00:34:10,879
ah

860
00:34:15,430 --> 00:34:13,760
darn it you know i don't the whole point

861
00:34:15,990 --> 00:34:15,440
i guess wasn't i guess for me to take a

862
00:34:19,190 --> 00:34:16,000
picture

863
00:34:20,790 --> 00:34:19,200

you know but it was to to just confirm

864

00:34:23,109 --> 00:34:20,800

of what she just had said

865

00:34:24,629 --> 00:34:23,119

all in his divine time and then kind of

866

00:34:27,270 --> 00:34:24,639

confirmation to that

867

00:34:28,069 --> 00:34:27,280

she said it here we are just trust it

868

00:34:32,230 --> 00:34:28,079

and let it go

869

00:34:34,629 --> 00:34:32,240

that kind of thing exactly information

870

00:34:35,909 --> 00:34:34,639

so anyway so what i wanted to i figured

871

00:34:38,149 --> 00:34:35,919

i mean we could still

872

00:34:39,669 --> 00:34:38,159

keep going but i figured probably people

873

00:34:42,389 --> 00:34:39,679

have some questions

874

00:34:43,270 --> 00:34:42,399

sure and we'll switch over to the q a i

875

00:34:45,909 --> 00:34:43,280

just would

876

00:34:46,950 --> 00:34:45,919

uh ask anyone would like to ask a

877

00:34:49,270 --> 00:34:46,960

question please

878

00:34:51,510 --> 00:34:49,280

indicate the question beginning with

879

00:34:54,069 --> 00:34:51,520

three asterisks so that way i know

880

00:34:55,349 --> 00:34:54,079

that's a question and it's apart from

881

00:34:58,230 --> 00:34:55,359

the regular chat

882

00:34:59,270 --> 00:34:58,240

so in case you don't know that's i

883

00:35:01,589 --> 00:34:59,280

believe a shift

884

00:35:03,190 --> 00:35:01,599

eight is the asterisk so just three of

885

00:35:04,950 --> 00:35:03,200

those and then please write out your

886

00:35:09,030 --> 00:35:04,960

question that way it'll pop out

887

00:35:10,870 --> 00:35:09,040

at me a lot easier so i can ask donna

888

00:35:12,950 --> 00:35:10,880

all right let me let me see here what we

889

00:35:15,030 --> 00:35:12,960

got

890

00:35:16,470 --> 00:35:15,040

yeah because a lot of it is just chat

891

00:35:18,710 --> 00:35:16,480

and it's difficult to

892

00:35:20,150 --> 00:35:18,720

to discern what's a question what's not

893

00:35:23,990 --> 00:35:20,160

and i would have to

894

00:35:24,000 --> 00:35:28,069

more meticulously

895

00:35:31,750 --> 00:35:31,270

but um but yeah so things like that

896

00:35:33,910 --> 00:35:31,760

happen

897

00:35:35,750 --> 00:35:33,920

you know and and yeah it's so weird i

898

00:35:38,550 --> 00:35:35,760

mean you can tell people

899

00:35:40,550 --> 00:35:38,560

if anything it's just there to be a a

900

00:35:43,829 --> 00:35:40,560

story for someone else to know

901
00:35:44,630 --> 00:35:43,839
hey it's it's okay you know you're not

902
00:35:46,470 --> 00:35:44,640
alone

903
00:35:48,710 --> 00:35:46,480
this crazy stuff is not just happening

904
00:35:51,270 --> 00:35:48,720
to you it's almost like a creating a

905
00:35:51,829 --> 00:35:51,280
a group you know of friends and people

906
00:35:55,829 --> 00:35:51,839
that you

907
00:35:57,910 --> 00:35:55,839
you can you know talk to at least

908
00:35:59,670 --> 00:35:57,920
feel safe feel safe in talking about

909
00:36:01,589 --> 00:35:59,680
this stuff too yeah cause you're right

910
00:36:03,510 --> 00:36:01,599
you can't just tell your next door

911
00:36:04,390 --> 00:36:03,520
neighbor hey i saw an alien last night

912
00:36:07,430 --> 00:36:04,400
you know

913
00:36:10,310 --> 00:36:07,440

they'll be calling 9-1-1 on you so yeah

914

00:36:12,230 --> 00:36:10,320

you have to kind of be selective who you

915

00:36:14,230 --> 00:36:12,240

talk to about it right

916

00:36:16,550 --> 00:36:14,240

well you know i mean when i was in saint

917

00:36:17,270 --> 00:36:16,560

louis they have pretty large groups of

918

00:36:19,190 --> 00:36:17,280

people that

919

00:36:20,310 --> 00:36:19,200

find these different groups of meet up

920

00:36:23,190 --> 00:36:20,320

and then we'll

921

00:36:24,310 --> 00:36:23,200

all get together and basically just

922

00:36:26,550 --> 00:36:24,320

share stories

923

00:36:28,230 --> 00:36:26,560

share experiences talk just to you know

924

00:36:30,470 --> 00:36:28,240

and it's a lot of people

925

00:36:32,550 --> 00:36:30,480

that's you know just certain meetings

926

00:36:35,750 --> 00:36:32,560

you'll get like 100 plus people there

927

00:36:37,990 --> 00:36:35,760

you know and all combined it's even more

928

00:36:39,910 --> 00:36:38,000

so uh you know if you just use that

929

00:36:41,750 --> 00:36:39,920

other you know quote-unquote logic if

930

00:36:44,710 --> 00:36:41,760

we're all crazy that's a whole lot of

931

00:36:48,150 --> 00:36:46,310

and and i like when you mentioned you

932

00:36:49,990 --> 00:36:48,160

tried so hard to get your

933

00:36:51,910 --> 00:36:50,000

phone to take a picture of that cloud

934

00:36:53,589 --> 00:36:51,920

but no you know that's the big

935

00:36:55,109 --> 00:36:53,599

thing that the naysayers say is well how

936

00:36:57,829 --> 00:36:55,119

come you know everybody has a cell phone

937

00:36:59,990 --> 00:36:57,839

how come nobody gets pictures

938

00:37:01,430 --> 00:37:00,000

it's just set up that way that you can't

939

00:37:03,430 --> 00:37:01,440

and i'm not sure why

940

00:37:04,870 --> 00:37:03,440

not yet anyway i think the day will come

941

00:37:06,069 --> 00:37:04,880

when we'll be able to maybe take

942

00:37:08,230 --> 00:37:06,079

pictures but

943

00:37:09,589 --> 00:37:08,240

right now it's just this one-on-one that

944

00:37:11,510 --> 00:37:09,599

you know they're reaching me

945

00:37:12,710 --> 00:37:11,520

this way they're reaching you that way

946

00:37:14,550 --> 00:37:12,720

they're just kind of reaching

947

00:37:16,790 --> 00:37:14,560

every individual in their own way right

948

00:37:19,750 --> 00:37:16,800

now right

949

00:37:21,190 --> 00:37:19,760

so this one i believe it's a question

950

00:37:22,710 --> 00:37:21,200

even though it doesn't have to asterisk

951
00:37:23,109 --> 00:37:22,720
i think this was meant for you this was

952
00:37:25,670 --> 00:37:23,119
from

953
00:37:26,870 --> 00:37:25,680
hazel blair it says do you think they

954
00:37:30,550 --> 00:37:26,880
can sense if

955
00:37:33,670 --> 00:37:30,560
someone is a believer or not oh yes

956
00:37:36,150 --> 00:37:33,680
i'm sure they can yeah um

957
00:37:38,230 --> 00:37:36,160
crote has actually shown me because i've

958
00:37:40,230 --> 00:37:38,240
i've moved many times in my life and and

959
00:37:42,069 --> 00:37:40,240
supposedly contactees do

960
00:37:43,430 --> 00:37:42,079
then it's kind of a subconscious maybe a

961
00:37:46,310 --> 00:37:43,440
way to get away from them

962
00:37:48,230 --> 00:37:46,320
but i i remember asking him how do you

963
00:37:50,150 --> 00:37:48,240

find me there's seven billion people on

964

00:37:51,990 --> 00:37:50,160

this planet you find me every time

965

00:37:54,390 --> 00:37:52,000

and he took me and showed me like a new

966

00:37:56,150 --> 00:37:54,400

york city street a busy street

967

00:37:59,030 --> 00:37:56,160

with all the people you know rushing

968

00:38:00,950 --> 00:37:59,040

around and and um

969

00:38:03,030 --> 00:38:00,960

he showed me how each individual has

970

00:38:06,790 --> 00:38:03,040

their own aura with their own

971

00:38:10,150 --> 00:38:06,800

colors and patterns and sizes and shapes

972

00:38:12,790 --> 00:38:10,160

but not only that but we each have like

973

00:38:13,990 --> 00:38:12,800

cartoon speech bubbles around our heads

974

00:38:16,870 --> 00:38:14,000

everybody does

975

00:38:17,510 --> 00:38:16,880

and people with angry thoughts are like

976

00:38:19,270 --> 00:38:17,520

sharp

977

00:38:20,710 --> 00:38:19,280

and red and people with depressed

978

00:38:21,750 --> 00:38:20,720

thoughts they're like dark and they kind

979

00:38:25,349 --> 00:38:21,760

of drip

980

00:38:27,109 --> 00:38:25,359

dragged down and and um people

981

00:38:29,910 --> 00:38:27,119

he showed me someone who was praying and

982

00:38:31,270 --> 00:38:29,920

there it was just a brilliant bright

983

00:38:34,390 --> 00:38:31,280

glowing

984

00:38:36,710 --> 00:38:34,400

thought pattern and so yes they

985

00:38:40,150 --> 00:38:36,720

they can they can tell they can tell

986

00:38:42,230 --> 00:38:40,160

your mental state your thought patterns

987

00:38:44,950 --> 00:38:42,240

they we can't really keep any secrets

988

00:38:48,790 --> 00:38:47,589

uh the the other question is from mark

989

00:38:52,150 --> 00:38:48,800

reeves

990

00:38:53,510 --> 00:38:52,160

uh as i had an experience of tall grace

991

00:38:56,790 --> 00:38:53,520

recently and i

992

00:38:59,430 --> 00:38:56,800

prayed for protection from them

993

00:39:00,390 --> 00:38:59,440

to go away and they did why would they

994

00:39:04,150 --> 00:39:00,400

appear to me

995

00:39:08,150 --> 00:39:04,160

and why why pray for for light

996

00:39:11,030 --> 00:39:08,160

why pray for light make them go away

997

00:39:12,150 --> 00:39:11,040

that's interesting um i'm i'm a

998

00:39:14,470 --> 00:39:12,160

christian and i don't

999

00:39:16,950 --> 00:39:14,480

have a conflict with seeing aliens and

1000

00:39:19,829 --> 00:39:16,960

being christian but i have read that

1001
00:39:21,910 --> 00:39:19,839
and there are negative entities and i

1002
00:39:24,310 --> 00:39:21,920
have read that if you

1003
00:39:25,750 --> 00:39:24,320
are approached and you're not certain

1004
00:39:29,030 --> 00:39:25,760
you ask them

1005
00:39:30,630 --> 00:39:29,040
in the name of jesus if if you don't

1006
00:39:32,150 --> 00:39:30,640
come in the name of jesus i demand that

1007
00:39:34,950 --> 00:39:32,160
you leave or else you pray

1008
00:39:36,710 --> 00:39:34,960
and ask for protection and if they're

1009
00:39:38,630 --> 00:39:36,720
benevolent and they don't mean you

1010
00:39:40,390 --> 00:39:38,640
or anyone else any harm they'll stay

1011
00:39:43,510 --> 00:39:40,400
because i've done that many times

1012
00:39:44,150 --> 00:39:43,520
and there was only one time where i felt

1013
00:39:46,470 --> 00:39:44,160

them

1014

00:39:48,390 --> 00:39:46,480

immediately like being sucked out of my

1015

00:39:50,630 --> 00:39:48,400

room and never came back

1016

00:39:51,510 --> 00:39:50,640

so um i think it's a good way to make

1017

00:39:53,910 --> 00:39:51,520

sure you're

1018

00:39:55,270 --> 00:39:53,920

protected and and that you only bring in

1019

00:39:57,030 --> 00:39:55,280

the good ones

1020

00:40:00,390 --> 00:39:57,040

that don't mean you or anyone else any

1021

00:40:05,589 --> 00:40:03,670

sorry i i misread mark's message he just

1022

00:40:07,349 --> 00:40:05,599

wrote some other words i didn't read

1023

00:40:09,109 --> 00:40:07,359

them right so mark i'm really sorry it's

1024

00:40:11,829 --> 00:40:09,119

just me being silly

1025

00:40:13,670 --> 00:40:11,839

um so the other question is do the et's

1026

00:40:18,069 --> 00:40:13,680

ever give a reason

1027

00:40:21,990 --> 00:40:18,079

for devices implants health monitoring

1028

00:40:26,230 --> 00:40:24,790

that's a really good question because i

1029

00:40:27,030 --> 00:40:26,240

don't believe it's tracking either like

1030

00:40:29,670 --> 00:40:27,040

i just told

1031

00:40:30,630 --> 00:40:29,680

hazel showed me how they find us they

1032

00:40:32,390 --> 00:40:30,640

don't need to

1033

00:40:33,670 --> 00:40:32,400

put a tracking device in us they can

1034

00:40:37,030 --> 00:40:33,680

identify us

1035

00:40:40,150 --> 00:40:37,040

by our our thought patterns and our

1036

00:40:41,829 --> 00:40:40,160

colors and things so

1037

00:40:43,990 --> 00:40:41,839

but i do believe in implants i've read

1038

00:40:46,950 --> 00:40:44,000

about them i've seen pictures

1039

00:40:47,670 --> 00:40:46,960

and i i do believe it's a health like

1040

00:40:51,670 --> 00:40:47,680

i've had

1041

00:40:53,750 --> 00:40:51,680

one of my other alien contactees tell me

1042

00:40:55,109 --> 00:40:53,760

my team apparently it's a team that

1043

00:40:58,069 --> 00:40:55,119

approaches me

1044

00:40:59,190 --> 00:40:58,079

my team are interested in dna they're

1045

00:41:01,510 --> 00:40:59,200

geneticists

1046

00:41:02,550 --> 00:41:01,520

and that's their reason for coming

1047

00:41:05,190 --> 00:41:02,560

they're um

1048

00:41:06,309 --> 00:41:05,200

they are interested in the dna of planet

1049

00:41:09,349 --> 00:41:06,319

earth

1050

00:41:12,470 --> 00:41:09,359

in me and in certain animals and certain

1051
00:41:13,510 --> 00:41:12,480
plants and whatever is in the planet and

1052
00:41:16,309 --> 00:41:13,520
um

1053
00:41:17,589 --> 00:41:16,319
so it could be that they do tracking to

1054
00:41:21,670 --> 00:41:17,599
follow maybe

1055
00:41:23,510 --> 00:41:21,680
health or um

1056
00:41:24,870 --> 00:41:23,520
the way a person is eating and how it

1057
00:41:26,309 --> 00:41:24,880
affects them or

1058
00:41:28,069 --> 00:41:26,319
maybe they live in an area that's

1059
00:41:28,870 --> 00:41:28,079
polluted and they're tracking how that

1060
00:41:31,670 --> 00:41:28,880
affects

1061
00:41:32,230 --> 00:41:31,680
their physical body i think a lot of

1062
00:41:34,390 --> 00:41:32,240
them are

1063
00:41:35,750 --> 00:41:34,400

scientists the ones that do come to

1064

00:41:38,470 --> 00:41:35,760

earth and visit us

1065

00:41:42,790 --> 00:41:38,480

i think they're scientists and they're

1066

00:41:45,910 --> 00:41:45,190

that the previous question was by e.d i

1067

00:41:48,470 --> 00:41:45,920

don't believe i

1068

00:41:49,349 --> 00:41:48,480

mentioned a name i just wanted to give

1069

00:41:55,750 --> 00:41:49,359

credit

1070

00:41:58,150 --> 00:41:55,760

red pill doc this says

1071

00:41:59,190 --> 00:41:58,160

did you notice an increase in connection

1072

00:42:02,829 --> 00:41:59,200

with them around

1073

00:42:06,710 --> 00:42:02,839

last april i noticed on april 5th

1074

00:42:12,150 --> 00:42:09,589

oh no i didn't in fact after the

1075

00:42:15,190 --> 00:42:12,160

lockdown which was just about a year ago

1076

00:42:17,030 --> 00:42:15,200

they kind of withdrew and i for like a

1077

00:42:18,150 --> 00:42:17,040

whole year until i started preparing for

1078

00:42:19,910 --> 00:42:18,160

this conference

1079

00:42:21,270 --> 00:42:19,920

and i just thought it was maybe because

1080

00:42:23,030 --> 00:42:21,280

of the

1081

00:42:25,109 --> 00:42:23,040

negative the increased negativity

1082

00:42:26,069 --> 00:42:25,119

worldwide with the covid fears and

1083

00:42:29,030 --> 00:42:26,079

things

1084

00:42:30,150 --> 00:42:29,040

um but maybe it was me personally i was

1085

00:42:33,589 --> 00:42:30,160

i wasn't afraid

1086

00:42:35,829 --> 00:42:33,599

i was just kind of discouraged at

1087

00:42:36,950 --> 00:42:35,839

the direction the world was going in

1088

00:42:38,870 --> 00:42:36,960

because

1089

00:42:40,390 --> 00:42:38,880

i keep seeing the world as a better

1090

00:42:42,470 --> 00:42:40,400

place that we're gonna wake up and

1091

00:42:44,309 --> 00:42:42,480

and make things better and it was like

1092

00:42:46,950 --> 00:42:44,319

what what happened how come we're

1093

00:42:48,309 --> 00:42:46,960

going the wrong way so maybe they

1094

00:42:51,030 --> 00:42:48,319

withdrew from me

1095

00:42:52,870 --> 00:42:51,040

last year so no i didn't notice any

1096

00:42:54,390 --> 00:42:52,880

increase last april but

1097

00:42:56,829 --> 00:42:54,400

you know it's different for everybody

1098

00:42:59,510 --> 00:42:56,839

they their approach is different for

1099

00:43:03,589 --> 00:42:59,520

everybody

1100

00:43:06,069 --> 00:43:03,599

uh this one is from roland

1101
00:43:06,870 --> 00:43:06,079
ramos i'm sorry if i mispronounced the

1102
00:43:08,950 --> 00:43:06,880
name

1103
00:43:13,670 --> 00:43:08,960
the question is can you describe more

1104
00:43:17,190 --> 00:43:13,680
precisely what these creatures look like

1105
00:43:19,829 --> 00:43:17,200
um like i said the main one he looks

1106
00:43:21,670 --> 00:43:19,839
almost exactly like a praying mantis

1107
00:43:23,030 --> 00:43:21,680
he's got the six legs only he's seven

1108
00:43:25,589 --> 00:43:23,040
feet tall and he's the

1109
00:43:26,309 --> 00:43:25,599
grayish green collar only his eyes are

1110
00:43:32,630 --> 00:43:26,319
black

1111
00:43:34,790 --> 00:43:32,640
his hind legs and sometimes wears a robe

1112
00:43:37,030 --> 00:43:34,800
a hooded robe sometimes one of those

1113
00:43:39,589 --> 00:43:37,040

ones with the high collars

1114

00:43:40,309 --> 00:43:39,599

sometimes nothing and he's always um

1115

00:43:41,910 --> 00:43:40,319

accompanied

1116

00:43:43,910 --> 00:43:41,920

with three of what would be called the

1117

00:43:44,790 --> 00:43:43,920

classic grays they're like three feet

1118

00:43:47,109 --> 00:43:44,800

tall

1119

00:43:48,870 --> 00:43:47,119

they have i've touched them and they

1120

00:43:50,550 --> 00:43:48,880

feel to me like what a dolphin would

1121

00:43:52,829 --> 00:43:50,560

feel like they're like grayish

1122

00:43:53,990 --> 00:43:52,839

greenish thick kind of like a wet

1123

00:43:57,030 --> 00:43:54,000

watermelon

1124

00:43:59,510 --> 00:43:57,040

um and they all have the big real big

1125

00:44:03,109 --> 00:43:59,520

shiny eyes and they have three fingers

1126
00:44:06,390 --> 00:44:03,119
on each hand and three toes on each foot

1127
00:44:07,030 --> 00:44:06,400
and um i've also seen i've seen quite a

1128
00:44:08,710 --> 00:44:07,040
few

1129
00:44:11,270 --> 00:44:08,720
other ones i've been taking on different

1130
00:44:13,109 --> 00:44:11,280
ships and sometimes i see what i

1131
00:44:14,950 --> 00:44:13,119
call the brown scurries they're like

1132
00:44:17,430 --> 00:44:14,960
these little brown fluffy

1133
00:44:18,550 --> 00:44:17,440
beings that are about the size of a cat

1134
00:44:21,030 --> 00:44:18,560
or a raccoon

1135
00:44:23,270 --> 00:44:21,040
and they move really really fast like

1136
00:44:26,390 --> 00:44:23,280
almost too fast for my eyes to catch

1137
00:44:27,910 --> 00:44:26,400
and um i'm told they're they clean

1138
00:44:30,790 --> 00:44:27,920

things they clean up messes

1139

00:44:31,030 --> 00:44:30,800

they move around and clean things up and

1140

00:44:39,990 --> 00:44:31,040

i

1141

00:44:43,750 --> 00:44:40,000

brown and they just

1142

00:44:46,470 --> 00:44:43,760

scurry around and um

1143

00:44:48,230 --> 00:44:46,480

there's another one that i call atecana

1144

00:44:49,829 --> 00:44:48,240

that um she's about

1145

00:44:51,349 --> 00:44:49,839

well i think about five feet tall i

1146

00:44:52,950 --> 00:44:51,359

mostly have seen her sitting at my

1147

00:44:54,790 --> 00:44:52,960

bedside she comes to

1148

00:44:56,069 --> 00:44:54,800

comfort me or talk to me and answer

1149

00:44:58,470 --> 00:44:56,079

questions and she's

1150

00:44:59,750 --> 00:44:58,480

pure white but transparent you can see

1151
00:45:01,750 --> 00:44:59,760
right through her but she again has

1152
00:45:03,510 --> 00:45:01,760
those big black shiny eyes

1153
00:45:05,349 --> 00:45:03,520
and she has a very pretty mouth like a

1154
00:45:07,190 --> 00:45:05,359
very female

1155
00:45:08,470 --> 00:45:07,200
almost like she's wearing red lipstick

1156
00:45:10,790 --> 00:45:08,480
mouth and

1157
00:45:12,710 --> 00:45:10,800
for many many years before i came to

1158
00:45:15,109 --> 00:45:12,720
believe that i was actually seeing

1159
00:45:16,710 --> 00:45:15,119
alien beings i thought she was the ghost

1160
00:45:18,390 --> 00:45:16,720
of one of my grandmothers because both

1161
00:45:19,270 --> 00:45:18,400
my grandmothers had passed before i was

1162
00:45:22,470 --> 00:45:19,280
born

1163
00:45:25,910 --> 00:45:22,480

and um she has that grandmotherly

1164

00:45:26,630 --> 00:45:25,920

loving gentle peaceful attitude around

1165

00:45:28,790 --> 00:45:26,640

her

1166

00:45:30,230 --> 00:45:28,800

so i just assumed she was one of my

1167

00:45:30,790 --> 00:45:30,240

grandmothers until she introduced

1168

00:45:34,309 --> 00:45:30,800

herself

1169

00:45:36,470 --> 00:45:34,319

as a techno and that she's a geneticist

1170

00:45:40,069 --> 00:45:36,480

who works with my team

1171

00:45:44,230 --> 00:45:40,079

so um but the the grays and croat are

1172

00:45:47,990 --> 00:45:45,829

so for those of you that are just

1173

00:45:49,510 --> 00:45:48,000

joining us uh please keep in mind if

1174

00:45:49,990 --> 00:45:49,520

you're asking a question if you could

1175

00:45:52,630 --> 00:45:50,000

please

1176

00:45:54,790 --> 00:45:52,640

put three little stars before your

1177

00:45:57,750 --> 00:45:54,800

question so that way i know to ask

1178

00:45:58,630 --> 00:45:57,760

uh donna because it will be just a lot

1179

00:46:01,670 --> 00:45:58,640

easier for

1180

00:46:03,589 --> 00:46:01,680

for me as i'm looking through here so

1181

00:46:03,910 --> 00:46:03,599

yes i'm sorry donna i just wanted to put

1182

00:46:07,190 --> 00:46:03,920

that

1183

00:46:08,230 --> 00:46:07,200

people joining as we're speaking so i

1184

00:46:10,069 --> 00:46:08,240

want to make sure that

1185

00:46:11,510 --> 00:46:10,079

everybody everybody's knows and it's

1186

00:46:13,030 --> 00:46:11,520

aware

1187

00:46:14,870 --> 00:46:13,040

so yeah just keep in mind three little

1188

00:46:17,829 --> 00:46:14,880

stars and then your question i would

1189

00:46:20,150 --> 00:46:17,839

greatly appreciate it

1190

00:46:21,589 --> 00:46:20,160

so the next question we have here is

1191

00:46:26,870 --> 00:46:21,599

mark again it says

1192

00:46:32,950 --> 00:46:30,390

sparse and very thick facial hair and

1193

00:46:33,670 --> 00:46:32,960

we're probably eight foot tall there

1194

00:46:36,550 --> 00:46:33,680

were three

1195

00:46:37,430 --> 00:46:36,560

or four of them and the one and the one

1196

00:46:43,510 --> 00:46:37,440

tallest

1197

00:46:44,710 --> 00:46:43,520

let me see here guys scoot this down the

1198

00:46:47,829 --> 00:46:44,720

one tallest one

1199

00:46:48,309 --> 00:46:47,839

who leaned in over me terrified me he

1200

00:46:50,950 --> 00:46:48,319

says

1201
00:46:51,589 --> 00:46:50,960
the leader was the only one i remember

1202
00:46:55,910 --> 00:46:51,599
having

1203
00:46:59,430 --> 00:46:57,990
mark if if you have a if you have a

1204
00:47:01,990 --> 00:46:59,440
question thank you for sharing

1205
00:47:04,069 --> 00:47:02,000
sharing that but uh i just wanted to to

1206
00:47:06,230 --> 00:47:04,079
be able to ask donna some questions

1207
00:47:07,190 --> 00:47:06,240
that she might be able to get to but

1208
00:47:09,510 --> 00:47:07,200
donna is there

1209
00:47:11,589 --> 00:47:09,520
um did they ever talk to you about

1210
00:47:14,150 --> 00:47:11,599
official contact and if

1211
00:47:15,349 --> 00:47:14,160
if there's a designated race that is

1212
00:47:20,630 --> 00:47:15,359
assigned

1213
00:47:24,470 --> 00:47:23,349

i think they see us as individuals more

1214

00:47:27,190 --> 00:47:24,480

than anything

1215

00:47:27,750 --> 00:47:27,200

they oh oh you mean the race of aliens

1216

00:47:30,950 --> 00:47:27,760

that are

1217

00:47:32,790 --> 00:47:30,960

designated to contact us if there is

1218

00:47:34,710 --> 00:47:32,800

an official one or is it just going to

1219

00:47:35,190 --> 00:47:34,720

be a whole bunch of races just showing

1220

00:47:37,270 --> 00:47:35,200

up

1221

00:47:39,910 --> 00:47:37,280

yeah i think they're kind of just as

1222

00:47:42,870 --> 00:47:39,920

varied and unique as as we are

1223

00:47:44,309 --> 00:47:42,880

um i and i know a lot of people talk

1224

00:47:46,710 --> 00:47:44,319

about the

1225

00:47:48,150 --> 00:47:46,720

zetas or the arcturians or the

1226

00:47:50,390 --> 00:47:48,160

pleiadians and

1227

00:47:52,390 --> 00:47:50,400

they they've never told me a planet

1228

00:47:53,109 --> 00:47:52,400

they're from or or name themselves in

1229

00:47:56,069 --> 00:47:53,119

that way they're

1230

00:47:59,430 --> 00:47:56,079

they're more individual and um or they

1231

00:48:01,030 --> 00:47:59,440

tell me that is not for you to know

1232

00:48:03,510 --> 00:48:01,040

in fact they've kind of implied that

1233

00:48:06,150 --> 00:48:03,520

they are much closer than that there

1234

00:48:07,510 --> 00:48:06,160

might be more interdimensional like

1235

00:48:08,390 --> 00:48:07,520

that's why they're so concerned about

1236

00:48:09,910 --> 00:48:08,400

the earth

1237

00:48:11,430 --> 00:48:09,920

because they actually might share the

1238

00:48:13,190 --> 00:48:11,440

earth with us and they're

1239

00:48:14,549 --> 00:48:13,200

just on a different dimensional level

1240

00:48:17,990 --> 00:48:14,559

than we are

1241

00:48:19,670 --> 00:48:18,000

but um no they've

1242

00:48:21,589 --> 00:48:19,680

as far as i can tell they see us as

1243

00:48:24,390 --> 00:48:21,599

individuals and they are kind of

1244

00:48:28,790 --> 00:48:24,400

each an individual doing their own

1245

00:48:33,510 --> 00:48:31,910

so the next question is uh from hazel

1246

00:48:36,549 --> 00:48:33,520

blair

1247

00:48:39,670 --> 00:48:36,559

an implant be a device to help with it

1248

00:48:40,790 --> 00:48:39,680

with a one to one contact so we don't

1249

00:48:46,150 --> 00:48:40,800

get

1250

00:48:50,790 --> 00:48:47,990

but you know that makes a lot of sense

1251

00:48:54,630 --> 00:48:50,800

that really could be

1252

00:48:57,430 --> 00:48:54,640

um could help us because i know they say

1253

00:48:59,349 --> 00:48:57,440

they have to bring down their vibration

1254

00:49:02,230 --> 00:48:59,359

and we have to raise ours up

1255

00:49:02,630 --> 00:49:02,240

and that's how we are able to meet so it

1256

00:49:05,190 --> 00:49:02,640

could

1257

00:49:05,670 --> 00:49:05,200

help us to either raise our vibration up

1258

00:49:08,870 --> 00:49:05,680

or

1259

00:49:09,750 --> 00:49:08,880

protect us from any damage that they

1260

00:49:13,190 --> 00:49:09,760

could do by

1261

00:49:14,870 --> 00:49:13,200

radiation or maybe they carry some crazy

1262

00:49:17,750 --> 00:49:14,880

bacteria or something that we

1263

00:49:21,910 --> 00:49:17,760

need protection from so that that's a

1264

00:49:25,670 --> 00:49:24,549

the next question is from vincent

1265

00:49:29,270 --> 00:49:25,680

kentfield

1266

00:49:35,349 --> 00:49:32,390

does your companion animal

1267

00:49:40,549 --> 00:49:35,359

interact with these beings when they

1268

00:49:44,870 --> 00:49:41,910

in fact that's part of what i want to

1269

00:49:46,790 --> 00:49:44,880

talk about too in my talk is that

1270

00:49:48,470 --> 00:49:46,800

i've always had dogs even as a little

1271

00:49:50,230 --> 00:49:48,480

girl i always had to have a dog on my

1272

00:49:51,190 --> 00:49:50,240

bed with me and i think again that was a

1273

00:49:52,790 --> 00:49:51,200

subconscious

1274

00:49:54,230 --> 00:49:52,800

protection you know they'll protect me

1275

00:49:57,030 --> 00:49:54,240

from the monsters

1276

00:49:58,630 --> 00:49:57,040

and in fact it's been exactly the

1277

00:50:00,950 --> 00:49:58,640

opposite um

1278

00:50:02,630 --> 00:50:00,960

the dogs never bark and and that

1279

00:50:04,470 --> 00:50:02,640

confused me for a lot of years too i

1280

00:50:05,349 --> 00:50:04,480

lived at one point with four dogs and a

1281

00:50:07,270 --> 00:50:05,359

cat

1282

00:50:09,109 --> 00:50:07,280

and that was when i had the most contact

1283

00:50:10,950 --> 00:50:09,119

and it was like what the heck they're

1284

00:50:12,390 --> 00:50:10,960

supposed to be my guard dogs why are

1285

00:50:15,670 --> 00:50:12,400

they letting them come and

1286

00:50:17,510 --> 00:50:15,680

and take me and um i think

1287

00:50:18,790 --> 00:50:17,520

that's what adds to the thought that

1288

00:50:21,750 --> 00:50:18,800

they might be the

1289

00:50:23,670 --> 00:50:21,760

beings might be dimensional we know that

1290

00:50:24,630 --> 00:50:23,680

cats and dogs can see things that we

1291

00:50:27,109 --> 00:50:24,640

can't

1292

00:50:27,910 --> 00:50:27,119

and it's possible that they see these

1293

00:50:30,230 --> 00:50:27,920

beings

1294

00:50:31,670 --> 00:50:30,240

you know they might be right here right

1295

00:50:32,950 --> 00:50:31,680

now it's just that we can't see them

1296

00:50:35,030 --> 00:50:32,960

with these eyes or

1297

00:50:36,470 --> 00:50:35,040

hear them with these ears but maybe our

1298

00:50:38,630 --> 00:50:36,480

dogs and cats can

1299

00:50:40,309 --> 00:50:38,640

and so when these beings come into our

1300

00:50:41,030 --> 00:50:40,319

bedroom at night the dogs don't bark

1301
00:50:42,950 --> 00:50:41,040
because

1302
00:50:44,069 --> 00:50:42,960
it's no big deal they see them coming

1303
00:50:47,910 --> 00:50:44,079
and going

1304
00:50:51,109 --> 00:50:47,920
and i've actually seen on a ship um

1305
00:50:53,910 --> 00:50:51,119
i i was laying on a table and a gray was

1306
00:50:55,670 --> 00:50:53,920
up came up to the table and had my cat

1307
00:50:58,150 --> 00:50:55,680
in his arms

1308
00:50:59,750 --> 00:50:58,160
the cat was purring and i thought what a

1309
00:51:02,470 --> 00:50:59,760
traitor you know

1310
00:51:04,230 --> 00:51:02,480
so um yes i i do believe the cats and

1311
00:51:06,829 --> 00:51:04,240
dogs interact with them they see them

1312
00:51:10,549 --> 00:51:06,839
they're aware of them

1313
00:51:12,470 --> 00:51:10,559

um but they don't bark at them or

1314

00:51:14,069 --> 00:51:12,480

so that's another reason i think they're

1315

00:51:15,109 --> 00:51:14,079

benevole or i know they're benevolent

1316

00:51:16,710 --> 00:51:15,119

because

1317

00:51:18,390 --> 00:51:16,720

dogs are a good judge of character and

1318

00:51:19,190 --> 00:51:18,400

they'll bark at someone who's a danger

1319

00:51:21,910 --> 00:51:19,200

to us

1320

00:51:23,349 --> 00:51:21,920

so if the dogs don't bark at them then

1321

00:51:26,710 --> 00:51:23,359

they're probably

1322

00:51:30,390 --> 00:51:29,589

so the next question is from red pill

1323

00:51:32,870 --> 00:51:30,400

doc

1324

00:51:35,510 --> 00:51:32,880

do you ever feel like feel like that

1325

00:51:38,710 --> 00:51:35,520

they are more interested in our creative

1326

00:51:43,990 --> 00:51:38,720

abilities then perhaps more so than

1327

00:51:47,109 --> 00:51:46,150

all that creative i know some people

1328

00:51:50,390 --> 00:51:47,119

have compared them to

1329

00:51:53,430 --> 00:51:50,400

being robotic the grays especially

1330

00:51:56,390 --> 00:51:53,440

they don't seem very lively

1331

00:51:58,710 --> 00:51:56,400

and and i know that their beings and

1332

00:52:02,150 --> 00:51:58,720

crowd i know is very very intelligent

1333

00:52:03,990 --> 00:52:02,160

and very has a very witty and sarcastic

1334

00:52:06,790 --> 00:52:04,000

sense of humor so i know that

1335

00:52:08,549 --> 00:52:06,800

they've got a lot in that way but i

1336

00:52:10,150 --> 00:52:08,559

think they're fascinated with humans

1337

00:52:11,750 --> 00:52:10,160

because we're just so

1338

00:52:14,870 --> 00:52:11,760

we're so passionate and we're so

1339

00:52:17,109 --> 00:52:14,880

emotional and we are creative and

1340

00:52:18,950 --> 00:52:17,119

just wild you know we're still got a

1341

00:52:20,549 --> 00:52:18,960

little bit of wild animal in us

1342

00:52:22,710 --> 00:52:20,559

and i think they're just really

1343

00:52:25,910 --> 00:52:22,720

fascinated with

1344

00:52:32,309 --> 00:52:25,920

with humanity because we do have

1345

00:52:35,510 --> 00:52:32,319

things they don't

1346

00:52:38,390 --> 00:52:35,520

uh the next question is i want to make

1347

00:52:39,130 --> 00:52:38,400

sure i don't skip it over

1348

00:52:42,069 --> 00:52:39,140

okay um

1349

00:52:45,589 --> 00:52:42,079

[Music]

1350

00:52:49,190 --> 00:52:45,599

uh the golden golden leah

1351
00:52:52,710 --> 00:52:49,200
lea how do they feel about this virus on

1352
00:52:57,670 --> 00:52:54,549
don't like it i know they don't like

1353
00:53:02,790 --> 00:52:59,990
like i said as they showed me the whole

1354
00:53:06,069 --> 00:53:02,800
entire earth enveloped in this darkness

1355
00:53:08,150 --> 00:53:06,079
because of our reactions because of our

1356
00:53:10,950 --> 00:53:08,160
government's reactions

1357
00:53:12,470 --> 00:53:10,960
um i have never really been afraid of

1358
00:53:14,150 --> 00:53:12,480
covet i mean i know it's real

1359
00:53:15,910 --> 00:53:14,160
and i know people really die and people

1360
00:53:19,349 --> 00:53:15,920
have lasting effects

1361
00:53:22,069 --> 00:53:19,359
but i know they don't like it

1362
00:53:22,950 --> 00:53:22,079
and for all i know they they have a way

1363
00:53:30,710 --> 00:53:22,960

of

1364

00:53:33,030 --> 00:53:30,720

be open to them and to that

1365

00:53:34,710 --> 00:53:33,040

but they they sure don't like the way we

1366

00:53:40,150 --> 00:53:34,720

responded to it and

1367

00:53:44,150 --> 00:53:41,990

i'm having the hardest time with some of

1368

00:53:47,349 --> 00:53:44,160

these names because the usernames are

1369

00:53:49,630 --> 00:53:47,359

not just straight names this one is from

1370

00:53:51,829 --> 00:53:49,640

i'm just going to spell it out

1371

00:53:54,470 --> 00:53:51,839

m-o-s-w-t-d

1372

00:53:55,030 --> 00:53:54,480

um can they download information into

1373

00:53:59,190 --> 00:53:55,040

you

1374

00:54:02,230 --> 00:53:59,200

that are the

1375

00:54:04,870 --> 00:54:02,240

size of six-year-old and were hurt

1376

00:54:06,309 --> 00:54:04,880

can't can't see their faces and they

1377

00:54:09,670 --> 00:54:06,319

move incredibly fast

1378

00:54:11,430 --> 00:54:09,680

thank you uh yes

1379

00:54:13,589 --> 00:54:11,440

they can and they do download

1380

00:54:15,109 --> 00:54:13,599

information and when you're asleep

1381

00:54:16,950 --> 00:54:15,119

is the best time because when we're

1382

00:54:19,750 --> 00:54:16,960

awake you know our

1383

00:54:20,390 --> 00:54:19,760

conscious mind is always full of chatter

1384

00:54:23,750 --> 00:54:20,400

and

1385

00:54:25,829 --> 00:54:23,760

sleep that

1386

00:54:27,829 --> 00:54:25,839

conscious ego mind goes to sleep so they

1387

00:54:30,150 --> 00:54:27,839

can reach our subconscious better

1388

00:54:31,510 --> 00:54:30,160

and that's when they can do downloads

1389

00:54:32,710 --> 00:54:31,520

and a lot of times you don't know

1390

00:54:35,829 --> 00:54:32,720

they've done that

1391

00:54:38,390 --> 00:54:35,839

for years i think uh deja vu

1392

00:54:40,230 --> 00:54:38,400

might be a form of getting having a

1393

00:54:43,190 --> 00:54:40,240

download suddenly come up

1394

00:54:44,309 --> 00:54:43,200

um you'll look at something and boom it

1395

00:54:46,549 --> 00:54:44,319

just hits you

1396

00:54:48,069 --> 00:54:46,559

you know and you'll know something and

1397

00:54:48,950 --> 00:54:48,079

you then you'll remember that you were

1398

00:54:50,829 --> 00:54:48,960

told or

1399

00:54:52,309 --> 00:54:50,839

shown something or you'll just know it

1400

00:54:54,630 --> 00:54:52,319

and

1401
00:54:55,430 --> 00:54:54,640
you know it's been activated that way so

1402
00:54:59,349 --> 00:54:55,440
they do

1403
00:55:01,829 --> 00:54:59,359
experience time the same way

1404
00:55:02,789 --> 00:55:01,839
we do because we measure time you know

1405
00:55:04,549 --> 00:55:02,799
based on

1406
00:55:06,069 --> 00:55:04,559
how we rotate around the sun and all

1407
00:55:08,470 --> 00:55:06,079
that but they experience

1408
00:55:09,109 --> 00:55:08,480
time differently so they often know

1409
00:55:11,109 --> 00:55:09,119
what's

1410
00:55:12,789 --> 00:55:11,119
coming in the future so they can kind of

1411
00:55:14,549 --> 00:55:12,799
prepare us ahead of time

1412
00:55:16,630 --> 00:55:14,559
give you a download now for something

1413
00:55:17,990 --> 00:55:16,640

that's maybe going to happen in five

1414

00:55:21,270 --> 00:55:18,000

years or something

1415

00:55:22,710 --> 00:55:21,280

but and and the hooded ones i have seen

1416

00:55:24,870 --> 00:55:22,720

them i i

1417

00:55:25,990 --> 00:55:24,880

and i thought at first that they were

1418

00:55:27,670 --> 00:55:26,000

like grays because

1419

00:55:29,430 --> 00:55:27,680

they're about the same size about the

1420

00:55:32,069 --> 00:55:29,440

size of a six-year-old

1421

00:55:34,309 --> 00:55:32,079

but they're not because the grays have

1422

00:55:36,630 --> 00:55:34,319

the big bug eyes and the big heads

1423

00:55:37,510 --> 00:55:36,640

but these i think have smaller heads

1424

00:55:41,109 --> 00:55:37,520

because they're hot

1425

00:55:43,270 --> 00:55:41,119

hid under the hood so i don't know

1426
00:55:44,950 --> 00:55:43,280
um i have seen them but they've kind of

1427
00:55:47,190 --> 00:55:44,960
stayed in the background

1428
00:55:49,030 --> 00:55:47,200
they haven't really interacted directly

1429
00:55:54,470 --> 00:55:49,040
with me

1430
00:55:59,430 --> 00:55:57,510
um mark mark reeves had

1431
00:56:00,950 --> 00:55:59,440
more of a statement markham's i

1432
00:56:02,789 --> 00:56:00,960
apologize if you can please

1433
00:56:04,710 --> 00:56:02,799
formulate that in a question i would

1434
00:56:06,230 --> 00:56:04,720
appreciate it i know you used

1435
00:56:07,990 --> 00:56:06,240
the proper markings but if you could

1436
00:56:11,349 --> 00:56:08,000
just um

1437
00:56:13,910 --> 00:56:11,359
ask a direct question please

1438
00:56:14,950 --> 00:56:13,920

the next question is uh sovereign cosmic

1439

00:56:17,430 --> 00:56:14,960

wild man

1440

00:56:19,829 --> 00:56:17,440

so grace are the ones abducting dogs

1441

00:56:22,789 --> 00:56:19,839

from a secure backyard and mysteriously

1442

00:56:27,190 --> 00:56:22,799

appearing outside the front door if so

1443

00:56:31,510 --> 00:56:29,349

yeah the grays are probably the most

1444

00:56:34,789 --> 00:56:31,520

common ones that i see

1445

00:56:36,870 --> 00:56:34,799

and um i've almost

1446

00:56:38,950 --> 00:56:36,880

come to believe that the dogs work with

1447

00:56:41,589 --> 00:56:38,960

them this may be way

1448

00:56:42,069 --> 00:56:41,599

way out there i believe in reincarnation

1449

00:56:45,030 --> 00:56:42,079

and

1450

00:56:46,549 --> 00:56:45,040

um that you choose your circumstances of

1451

00:56:50,309 --> 00:56:46,559

birth and i've

1452

00:56:53,910 --> 00:56:50,319

they've implied to me that sometimes

1453

00:56:55,829 --> 00:56:53,920

one of them wants to incarnate on earth

1454

00:56:58,069 --> 00:56:55,839

for whatever reason to help raise the

1455

00:57:01,510 --> 00:56:58,079

vibration or just to experience

1456

00:57:04,309 --> 00:57:01,520

life on earth as a physical being

1457

00:57:05,589 --> 00:57:04,319

and they have rules like they're not

1458

00:57:07,829 --> 00:57:05,599

allowed to

1459

00:57:09,430 --> 00:57:07,839

tell us you know if they want to be

1460

00:57:11,270 --> 00:57:09,440

incarnated on earth

1461

00:57:12,870 --> 00:57:11,280

they either have to come in as a human

1462

00:57:15,349 --> 00:57:12,880

and have their memory wiped

1463

00:57:17,589 --> 00:57:15,359

or they can come in as a being like a

1464

00:57:20,150 --> 00:57:17,599

dog

1465

00:57:21,349 --> 00:57:20,160

with their memories fully intact but

1466

00:57:23,349 --> 00:57:21,359

they can't

1467

00:57:25,990 --> 00:57:23,359

tell us you know your dog can't talk to

1468

00:57:29,510 --> 00:57:26,000

you so i believe that some dogs might

1469

00:57:32,470 --> 00:57:29,520

actually be incarnate

1470

00:57:33,510 --> 00:57:32,480

alien beings here for the experience or

1471

00:57:36,230 --> 00:57:33,520

to be

1472

00:57:37,270 --> 00:57:36,240

in close proximity i mean how better to

1473

00:57:40,390 --> 00:57:37,280

observe humans

1474

00:57:42,710 --> 00:57:40,400

than to be a dog in the family right so

1475

00:57:43,990 --> 00:57:42,720

um maybe that's their friends coming to

1476

00:57:45,990 --> 00:57:44,000

visit them when they

1477

00:57:47,670 --> 00:57:46,000

when the aliens come to see i mean i

1478

00:57:49,270 --> 00:57:47,680

know that's a little

1479

00:57:50,870 --> 00:57:49,280

far-fetched but that's actually one of

1480

00:57:54,230 --> 00:57:50,880

the things that they've

1481

00:57:56,390 --> 00:57:54,240

implied to me not all dogs are aliens of

1482

00:57:58,870 --> 00:57:56,400

course but that's one of the ways

1483

00:58:00,950 --> 00:57:58,880

if an alien being wants to interact with

1484

00:58:04,470 --> 00:58:00,960

a particular human family or

1485

00:58:06,829 --> 00:58:04,480

observe earth close up as an

1486

00:58:09,030 --> 00:58:06,839

incarnated being if they come in as a

1487

00:58:13,349 --> 00:58:09,040

dog they can do that with their full

1488

00:58:17,510 --> 00:58:15,670

so i'm just real quick again for some of

1489

00:58:19,510 --> 00:58:17,520

you some of those joining us

1490

00:58:21,589 --> 00:58:19,520

i put it also in the comments section if

1491

00:58:24,950 --> 00:58:21,599

you could please start out your question

1492

00:58:27,910 --> 00:58:24,960

with uh three three dots also um

1493

00:58:28,549 --> 00:58:27,920

i noticed um i appreciate the statements

1494

00:58:30,789 --> 00:58:28,559

and uh

1495

00:58:32,789 --> 00:58:30,799

but if you could please not use the

1496

00:58:34,710 --> 00:58:32,799

three dots if you're just kind of

1497

00:58:36,230 --> 00:58:34,720

making a statement or a story if it

1498

00:58:36,950 --> 00:58:36,240

could be in a formal question i'd

1499

00:58:38,870 --> 00:58:36,960

appreciate it

1500

00:58:40,390 --> 00:58:38,880

it's a lot easier that way to just ask

1501

00:58:42,789 --> 00:58:40,400

donna and then have her

1502

00:58:44,470 --> 00:58:42,799

you know give you an answer uh that way

1503

00:58:45,030 --> 00:58:44,480

we can get through as many questions as

1504

00:58:47,190 --> 00:58:45,040

possible

1505

00:58:48,390 --> 00:58:47,200

so please if you can keep it short i'd

1506

00:58:50,309 --> 00:58:48,400

appreciate it or

1507

00:58:52,630 --> 00:58:50,319

more so to the point because we're not

1508

00:58:57,030 --> 00:58:52,640

really constrained by time but

1509

00:59:00,150 --> 00:58:59,510

okay let's see sorry i lost my track

1510

00:59:04,630 --> 00:59:00,160

here

1511

00:59:08,069 --> 00:59:04,640

to see what's the next person

1512

00:59:11,750 --> 00:59:08,079

uh okay um roland

1513

00:59:13,990 --> 00:59:11,760

la rev jomos

1514

00:59:15,670 --> 00:59:14,000

i'm sorry i get my name butchered all

1515

00:59:16,789 --> 00:59:15,680

the time and i apologize for doing that

1516

00:59:19,349 --> 00:59:16,799

to your name

1517

00:59:20,470 --> 00:59:19,359

the question is you mentioned their

1518

00:59:23,109 --> 00:59:20,480

spaceships

1519

00:59:24,069 --> 00:59:23,119

what is it like do you get the

1520

00:59:25,990 --> 00:59:24,079

impression

1521

00:59:29,109 --> 00:59:26,000

that the inside is bigger than the

1522

00:59:34,789 --> 00:59:32,470

very much yes for many years

1523

00:59:35,510 --> 00:59:34,799

when i was still in too much fear all i

1524

00:59:38,390 --> 00:59:35,520

would see

1525

00:59:40,150 --> 00:59:38,400

would be the classic round white room

1526

00:59:40,870 --> 00:59:40,160

with the table where they did medical

1527

00:59:44,390 --> 00:59:40,880

procedures

1528

00:59:45,190 --> 00:59:44,400

but then as i became more um accepting

1529

00:59:47,270 --> 00:59:45,200

and learned to

1530

00:59:48,470 --> 00:59:47,280

have it as more of a relationship and a

1531

00:59:50,789 --> 00:59:48,480

communication

1532

00:59:52,069 --> 00:59:50,799

they started to actually show me around

1533

00:59:53,750 --> 00:59:52,079

the ship a little bit

1534

00:59:55,990 --> 00:59:53,760

and they were kind of proud you know the

1535

00:59:57,190 --> 00:59:56,000

grays we think of as being robotic but

1536

00:59:58,789 --> 00:59:57,200

i remember three of them were

1537

00:59:59,430 --> 00:59:58,799

accompanying me down a hallway and they

1538

01:00:01,750 --> 00:59:59,440

were like

1539

01:00:03,190 --> 01:00:01,760

really proud to show me their ship and

1540

01:00:06,309 --> 01:00:03,200

um

1541

01:00:07,510 --> 01:00:06,319

it's it has hardly any gravity i was

1542

01:00:10,069 --> 01:00:07,520

floating they were like

1543

01:00:12,390 --> 01:00:10,079

they hold me under my arms and i usually

1544

01:00:15,589 --> 01:00:12,400

wake up with big bruises on my

1545

01:00:17,510 --> 01:00:15,599

arms when they do that and um

1546

01:00:18,870 --> 01:00:17,520

they float they sometimes float and they

1547

01:00:21,430 --> 01:00:18,880

have me float

1548

01:00:22,390 --> 01:00:21,440

and they were showing me you know

1549

01:00:25,510 --> 01:00:22,400

different

1550

01:00:27,349 --> 01:00:25,520

things they showed me a room a huge room

1551

01:00:29,510 --> 01:00:27,359

it looked like a huge warehouse

1552

01:00:31,190 --> 01:00:29,520

with jars of pears stacked on top of

1553

01:00:34,390 --> 01:00:31,200

each other and it had this

1554

01:00:35,349 --> 01:00:34,400

humming throbbing sound and after i woke

1555

01:00:37,190 --> 01:00:35,359

up i realized

1556

01:00:39,270 --> 01:00:37,200

those weren't jars of pears those were

1557

01:00:40,870 --> 01:00:39,280

like fetuses

1558

01:00:43,990 --> 01:00:40,880

and and the humming sound throbbing

1559

01:00:46,309 --> 01:00:44,000

sound was like the whooshing of the

1560

01:00:47,829 --> 01:00:46,319

the umbilical cords the blood and the

1561

01:00:51,109 --> 01:00:47,839

nutrition going through the

1562

01:00:53,109 --> 01:00:51,119

umbilical cords um

1563

01:00:55,510 --> 01:00:53,119

so they showed me a lot of things like

1564

01:00:59,109 --> 01:00:55,520

that and and yeah there was one

1565

01:01:01,430 --> 01:00:59,119

some of their ships are filled with

1566

01:01:03,030 --> 01:01:01,440

fluid i guess it's like a liquid oxygen

1567

01:01:05,510 --> 01:01:03,040

because i've been forced to

1568

01:01:07,430 --> 01:01:05,520

breathe what i thought was underwater

1569

01:01:09,030 --> 01:01:07,440

when i was young and it terrified me as

1570

01:01:10,710 --> 01:01:09,040

they held my head under this liquid

1571

01:01:12,710 --> 01:01:10,720

until i breathed in

1572

01:01:14,390 --> 01:01:12,720

thinking i was drowning and but i was

1573

01:01:16,150 --> 01:01:14,400

able to breathe just fine and now i

1574

01:01:18,230 --> 01:01:16,160

understand there is such a thing as

1575

01:01:19,829 --> 01:01:18,240

liquid oxygen so some of the ships are

1576

01:01:21,270 --> 01:01:19,839

filled with that and that would explain

1577

01:01:24,150 --> 01:01:21,280

the kind of floating

1578

01:01:27,510 --> 01:01:24,160

movement and they use plants like

1579

01:01:29,430 --> 01:01:27,520

seaweed type plants to keep the

1580

01:01:30,710 --> 01:01:29,440

oxygenated to keep the environment

1581

01:01:33,510 --> 01:01:30,720

oxygenated

1582

01:01:35,190 --> 01:01:33,520

and so it's almost like an aquarium on

1583

01:01:36,230 --> 01:01:35,200

the inside some of them and then there's

1584

01:01:38,230 --> 01:01:36,240

you know all these different

1585

01:01:39,430 --> 01:01:38,240

species of beings all doing their

1586

01:01:41,990 --> 01:01:39,440

different jobs and

1587

01:01:42,549 --> 01:01:42,000

floating around and and i remember one

1588

01:01:43,829 --> 01:01:42,559

time they

1589

01:01:45,589 --> 01:01:43,839

they had showed me that and then they

1590

01:01:48,630 --> 01:01:45,599

brought me home

1591

01:01:51,589 --> 01:01:48,640

and obviously the ship was gigantic

1592

01:01:52,309 --> 01:01:51,599

and massive and it landed in my living

1593

01:01:54,710 --> 01:01:52,319

room

1594

01:01:56,950 --> 01:01:54,720

and all of a sudden i was outside of the

1595

01:01:59,349 --> 01:01:56,960

ship with a gray next to me

1596

01:02:01,190 --> 01:01:59,359

and it looked like like an aquarium like

1597

01:02:02,950 --> 01:02:01,200

maybe six feet tall and six feet in

1598

01:02:05,190 --> 01:02:02,960

diameter it looked round

1599

01:02:06,470 --> 01:02:05,200

and it just looked like an aquarium in

1600

01:02:09,349 --> 01:02:06,480

my living room

1601
01:02:11,589 --> 01:02:09,359
and it was like how can that even be

1602
01:02:14,789 --> 01:02:11,599
real because i was just in it and it was

1603
01:02:16,950 --> 01:02:14,799
massive so um yeah

1604
01:02:18,950 --> 01:02:16,960
they definitely seem a lot bigger on the

1605
01:02:22,150 --> 01:02:18,960
inside than they look on the outside

1606
01:02:24,950 --> 01:02:22,160
and they can shape shift too and and

1607
01:02:30,549 --> 01:02:24,960
change their size and shape inside and

1608
01:02:37,349 --> 01:02:34,309
the next question is from

1609
01:02:40,069 --> 01:02:37,359
from hazel blair when you're on on those

1610
01:02:43,750 --> 01:02:40,079
on those ships would the time be the

1611
01:02:47,510 --> 01:02:46,309
question two because sometimes it can

1612
01:02:49,349 --> 01:02:47,520
seem like

1613
01:02:51,029 --> 01:02:49,359

it's kind of like a dream where it seems

1614

01:02:54,549 --> 01:02:51,039

like it's going on for days

1615

01:02:54,870 --> 01:02:54,559

almost and then i'll wake up and it'll

1616

01:03:01,750 --> 01:02:54,880

be

1617

01:03:03,349 --> 01:03:01,760

long and they do

1618

01:03:05,430 --> 01:03:03,359

they've often told me they experienced

1619

01:03:08,710 --> 01:03:05,440

time differently than we do

1620

01:03:10,069 --> 01:03:08,720

so um it's definitely different when i'm

1621

01:03:14,829 --> 01:03:10,079

with them it can be

1622

01:03:18,870 --> 01:03:14,839

seem like days when it's may just be

1623

01:03:23,670 --> 01:03:22,069

um so some of these questions i'm kind

1624

01:03:26,069 --> 01:03:23,680

of trying to discern because

1625

01:03:27,829 --> 01:03:26,079

i i get it we're already talking about

1626
01:03:28,549 --> 01:03:27,839
strange things but the question the way

1627
01:03:31,990 --> 01:03:28,559
they're

1628
01:03:34,950 --> 01:03:32,000
asked is borderline

1629
01:03:36,230 --> 01:03:34,960
sarcastic to me but maybe i'm wrong so

1630
01:03:38,549 --> 01:03:36,240
i'm just gonna

1631
01:03:41,910 --> 01:03:38,559
skip over those i apologize if this is a

1632
01:03:45,270 --> 01:03:41,920
genuine question you want to ask

1633
01:03:47,510 --> 01:03:45,280
to those typing in but forgive me if my

1634
01:03:49,430 --> 01:03:47,520
discernment is not exactly the best so

1635
01:03:54,549 --> 01:03:49,440
certain questions i'm just going to

1636
01:04:00,750 --> 01:03:57,510
the one of the questions again from from

1637
01:04:04,150 --> 01:04:00,760
this person i can't tell um

1638
01:04:07,349 --> 01:04:04,160

m-o-s-w-t-d um have you heard of the

1639

01:04:10,390 --> 01:04:07,359

theory that what some aliens are lacking

1640

01:04:15,270 --> 01:04:10,400

is an eternal soul and

1641

01:04:18,710 --> 01:04:17,829

theory i don't know that i agree with it

1642

01:04:21,510 --> 01:04:18,720

because any

1643

01:04:22,470 --> 01:04:21,520

that i have interacted with they are

1644

01:04:26,150 --> 01:04:22,480

very clearly

1645

01:04:27,829 --> 01:04:26,160

a living being with a sense of humor and

1646

01:04:29,109 --> 01:04:27,839

a sense of intelligence and a sense of

1647

01:04:32,390 --> 01:04:29,119

personality

1648

01:04:36,549 --> 01:04:32,400

which to me means a soul so

1649

01:04:39,190 --> 01:04:36,559

um but i mean anything is possible

1650

01:04:40,870 --> 01:04:39,200

it's it's possible that there are some

1651
01:04:42,230 --> 01:04:40,880
that don't it's just like some people

1652
01:04:45,230 --> 01:04:42,240
believe that aliens

1653
01:04:46,390 --> 01:04:45,240
are demons you know um

1654
01:04:48,549 --> 01:04:46,400
[Music]

1655
01:04:50,309 --> 01:04:48,559
i really do not believe the ones that i

1656
01:04:53,109 --> 01:04:50,319
interact with are demonic

1657
01:04:54,150 --> 01:04:53,119
by any means they they are positive and

1658
01:04:56,870 --> 01:04:54,160
loving and

1659
01:04:57,670 --> 01:04:56,880
healing and benevolent and have good

1660
01:05:00,630 --> 01:04:57,680
intent

1661
01:05:02,630 --> 01:05:00,640
so the ones i interact with i believe

1662
01:05:05,910 --> 01:05:02,640
have souls

1663
01:05:11,109 --> 01:05:08,950

this next question is from kid's future

1664

01:05:12,150 --> 01:05:11,119

says how how does she tell the

1665

01:05:15,670 --> 01:05:12,160

difference between

1666

01:05:18,710 --> 01:05:15,680

fake military black ops ufos and et's

1667

01:05:21,589 --> 01:05:18,720

versus true ones

1668

01:05:22,069 --> 01:05:21,599

oh good question um i actually don't

1669

01:05:24,950 --> 01:05:22,079

really

1670

01:05:27,510 --> 01:05:24,960

see ufos much i'm more of just the

1671

01:05:30,710 --> 01:05:27,520

one-on-one with the alien beings

1672

01:05:32,710 --> 01:05:30,720

um i've maybe three or four times in my

1673

01:05:35,270 --> 01:05:32,720

life seen lights in the sky

1674

01:05:36,950 --> 01:05:35,280

so i don't know if they belong to our

1675

01:05:40,390 --> 01:05:36,960

military or if those are

1676

01:05:42,230 --> 01:05:40,400

legit alien um

1677

01:05:44,630 --> 01:05:42,240

vessels although like i said when my

1678

01:05:47,190 --> 01:05:44,640

sister who sees the cloud ships

1679

01:05:48,230 --> 01:05:47,200

she feels called first of all she she

1680

01:05:49,990 --> 01:05:48,240

might just be

1681

01:05:51,430 --> 01:05:50,000

doing dishes or something she just feels

1682

01:05:53,190 --> 01:05:51,440

this need to

1683

01:05:55,829 --> 01:05:53,200

just put everything down and go out and

1684

01:05:57,430 --> 01:05:55,839

look at a particular spot in the sky

1685

01:05:59,829 --> 01:05:57,440

and then when she does and she sees this

1686

01:06:02,230 --> 01:05:59,839

cloud chip she'll get such

1687

01:06:03,589 --> 01:06:02,240

a feeling from it like you don't get a

1688

01:06:04,150 --> 01:06:03,599

feeling like that just from looking at a

1689

01:06:07,750 --> 01:06:04,160

cloud

1690

01:06:10,069 --> 01:06:07,760

or from a jet but

1691

01:06:11,829 --> 01:06:10,079

she can sense their presence and their

1692

01:06:15,109 --> 01:06:11,839

their beingness and their

1693

01:06:17,270 --> 01:06:15,119

love from and and i've heard that from

1694

01:06:22,309 --> 01:06:17,280

other people too from seeing lights

1695

01:06:25,750 --> 01:06:24,150

so i guess you could say it's in how

1696

01:06:31,430 --> 01:06:25,760

they make you feel

1697

01:06:35,349 --> 01:06:34,470

uh this next question is from uh mystic

1698

01:06:38,069 --> 01:06:35,359

tony

1699

01:06:39,589 --> 01:06:38,079

says did they give you tips on how to

1700

01:06:44,829 --> 01:06:39,599

get into a mental state

1701
01:06:50,230 --> 01:06:46,230
project

1702
01:06:54,069 --> 01:06:53,270
be in a relaxed state stay as positive

1703
01:06:57,109 --> 01:06:54,079
as you can

1704
01:07:00,230 --> 01:06:57,119
um meditate you know try to do the deep

1705
01:07:01,750 --> 01:07:00,240
breathing and meditate

1706
01:07:03,349 --> 01:07:01,760
i've just kind of learned through trial

1707
01:07:04,549 --> 01:07:03,359
and error they'll approach me more

1708
01:07:07,670 --> 01:07:04,559
easily if i'm

1709
01:07:09,750 --> 01:07:07,680
in a positive state if i'm relaxed

1710
01:07:11,109 --> 01:07:09,760
if i'm breathing you know doing some

1711
01:07:13,190 --> 01:07:11,119
deep breathing and

1712
01:07:15,910 --> 01:07:13,200
clearing my mind or if i call them

1713
01:07:20,470 --> 01:07:18,710

so um that's just the best way is just

1714

01:07:23,990 --> 01:07:20,480

to try to stay in a

1715

01:07:26,630 --> 01:07:24,000

positive or visualize they do um

1716

01:07:28,470 --> 01:07:26,640

communicate with telepathy so you can

1717

01:07:30,549 --> 01:07:28,480

use mental pictures

1718

01:07:32,630 --> 01:07:30,559

if if you don't feel comfortable calling

1719

01:07:35,349 --> 01:07:32,640

them with words or whatever you can like

1720

01:07:36,789 --> 01:07:35,359

send a picture mental picture asking

1721

01:07:40,829 --> 01:07:36,799

them to come

1722

01:07:42,789 --> 01:07:40,839

and then do some deep breathing and

1723

01:07:45,990 --> 01:07:42,799

relax

1724

01:07:48,069 --> 01:07:46,000

the next question is from joy oakfore

1725

01:07:51,029 --> 01:07:48,079

says have they ever told you to worship

1726

01:07:55,990 --> 01:07:54,230

not so much told me but they because

1727

01:07:59,109 --> 01:07:56,000

i've asked them do you believe in god

1728

01:08:01,190 --> 01:07:59,119

and to them it's just why

1729

01:08:03,910 --> 01:08:01,200

why wouldn't you it's just like there's

1730

01:08:06,549 --> 01:08:03,920

no argument of course there's a creator

1731

01:08:08,870 --> 01:08:06,559

and um they don't argue about it they

1732

01:08:12,390 --> 01:08:08,880

don't disagree about it they just

1733

01:08:15,270 --> 01:08:12,400

that's just it just is there is a god

1734

01:08:16,390 --> 01:08:15,280

and um so they don't tell me what to do

1735

01:08:19,829 --> 01:08:16,400

as far as you need to

1736

01:08:21,910 --> 01:08:19,839

worship god but they um have definitely

1737

01:08:25,829 --> 01:08:21,920

made it clear that they

1738

01:08:30,070 --> 01:08:25,839

they know there is a creator and that

1739

01:08:32,870 --> 01:08:30,080

yes by praying you definitely

1740

01:08:33,749 --> 01:08:32,880

brighten and lighten your aura and your

1741

01:08:43,110 --> 01:08:33,759

being

1742

01:08:47,110 --> 01:08:45,110

now i'm stumped i'm trying to find oh

1743

01:08:49,110 --> 01:08:47,120

okay here's another one from mystic

1744

01:08:50,149 --> 01:08:49,120

tony says have they told you about

1745

01:08:53,269 --> 01:08:50,159

what's on the moon

1746

01:08:56,789 --> 01:08:53,279

or mars or about our solar system that

1747

01:09:01,189 --> 01:08:59,510

not really no because i've read a lot

1748

01:09:03,030 --> 01:09:01,199

about that too that there's

1749

01:09:05,110 --> 01:09:03,040

you know bases on the dark side of the

1750

01:09:07,749 --> 01:09:05,120

moon and things like that

1751

01:09:10,309 --> 01:09:07,759

but they haven't really showed me that

1752

01:09:14,309 --> 01:09:10,319

the few times they've showed me earth

1753

01:09:16,550 --> 01:09:14,319

though they take me or like from a ship

1754

01:09:18,550 --> 01:09:16,560

it's like the ship is either on the moon

1755

01:09:20,309 --> 01:09:18,560

or just above the moon because

1756

01:09:22,070 --> 01:09:20,319

i can see the earth in the distance but

1757

01:09:25,829 --> 01:09:22,080

the moon is like right there that

1758

01:09:28,709 --> 01:09:25,839

the curve of the moon is just on the

1759

01:09:31,269 --> 01:09:28,719

just under the window and then beyond it

1760

01:09:34,390 --> 01:09:31,279

is the earth

1761

01:09:34,789 --> 01:09:34,400

but no they haven't showed me because

1762

01:09:37,749 --> 01:09:34,799

i'd

1763

01:09:42,789 --> 01:09:37,759

love to see what's what's really on mars

1764

01:09:48,470 --> 01:09:45,910

uh the next question is from ed

1765

01:09:49,590 --> 01:09:48,480

do you have an idea what the triangle

1766

01:09:53,030 --> 01:09:49,600

marks made up

1767

01:09:56,709 --> 01:09:53,040

of dots that some people wake up with

1768

01:10:03,189 --> 01:09:59,750

with those on my ankle on my arm on my

1769

01:10:05,990 --> 01:10:03,199

shoulder um and i'm not sure what

1770

01:10:07,030 --> 01:10:06,000

what they mean but i know that they've

1771

01:10:10,310 --> 01:10:07,040

done

1772

01:10:14,229 --> 01:10:10,320

medical things to me not not

1773

01:10:15,750 --> 01:10:14,239

terrible scary or painful

1774

01:10:18,390 --> 01:10:15,760

but like they said they are interested

1775

01:10:22,229 --> 01:10:18,400

in my dna so

1776

01:10:25,350 --> 01:10:22,239

it's some kind of i think a medical

1777

01:10:27,590 --> 01:10:25,360

test or procedure or something they do

1778

01:10:28,470 --> 01:10:27,600

or it who knows it could even just be

1779

01:10:31,830 --> 01:10:28,480

that

1780

01:10:33,350 --> 01:10:31,840

you know you wake up from an experience

1781

01:10:34,310 --> 01:10:33,360

like that and you think whoa that was a

1782

01:10:35,830 --> 01:10:34,320

weird dream

1783

01:10:37,990 --> 01:10:35,840

and then you look and you get a

1784

01:10:38,630 --> 01:10:38,000

nosebleed or you have this triangle

1785

01:10:40,790 --> 01:10:38,640

shape

1786

01:10:43,430 --> 01:10:40,800

marking and it makes you think well that

1787

01:10:46,070 --> 01:10:43,440

was not just a dream that was real

1788

01:10:47,350 --> 01:10:46,080

so maybe it's just that too to confirm

1789

01:10:52,470 --> 01:10:47,360

that it wasn't

1790

01:10:56,149 --> 01:10:54,790

this next question is formulated a bit

1791

01:10:57,270 --> 01:10:56,159

different but i believe this person is

1792

01:11:00,709 --> 01:10:57,280

from france

1793

01:11:03,270 --> 01:11:00,719

so um bear with me on the on the

1794

01:11:04,070 --> 01:11:03,280

on reading a message but this is from

1795

01:11:07,270 --> 01:11:04,080

fabrizi

1796

01:11:09,990 --> 01:11:07,280

grout and says spacecraft

1797

01:11:10,950 --> 01:11:10,000

like glass bubble and translucent

1798

01:11:16,950 --> 01:11:10,960

furniture

1799

01:11:21,510 --> 01:11:18,790

yes yes like the one that looked like an

1800

01:11:24,630 --> 01:11:21,520

aquarium was like a glass bubble

1801
01:11:25,350 --> 01:11:24,640
and also sometimes i still call them

1802
01:11:27,590 --> 01:11:25,360
dreams

1803
01:11:29,030 --> 01:11:27,600
sometimes i'll think it was a dream when

1804
01:11:32,070 --> 01:11:29,040
i first wake up and then when i think

1805
01:11:35,590 --> 01:11:32,080
about it i'll realize it was a

1806
01:11:37,189 --> 01:11:35,600
encounter but round glass elevators like

1807
01:11:39,110 --> 01:11:37,199
you know some hotels have

1808
01:11:41,110 --> 01:11:39,120
elevators on the outside and they're

1809
01:11:43,750 --> 01:11:41,120
glass so you can look out

1810
01:11:44,550 --> 01:11:43,760
i'll dream that i was in a round glass

1811
01:11:47,669 --> 01:11:44,560
elevator

1812
01:11:49,510 --> 01:11:47,679
with a bunch of odd-looking people

1813
01:11:50,790 --> 01:11:49,520

and then when i think about it i think

1814

01:11:53,270 --> 01:11:50,800

oh okay that

1815

01:11:54,950 --> 01:11:53,280

that was a ship that wasn't an elevator

1816

01:12:02,790 --> 01:11:54,960

so yes i've definitely

1817

01:12:05,910 --> 01:12:05,270

um i guess i can ask you this question

1818

01:12:08,149 --> 01:12:05,920

because

1819

01:12:09,990 --> 01:12:08,159

this is this is the question that was

1820

01:12:10,709 --> 01:12:10,000

asked by mark reeves and this is why i'm

1821

01:12:14,390 --> 01:12:10,719

trying to

1822

01:12:16,149 --> 01:12:14,400

discern whether or not uh he's

1823

01:12:17,830 --> 01:12:16,159

being silly or sarcastic or he's

1824

01:12:20,790 --> 01:12:17,840

genuinely asking this question

1825

01:12:22,950 --> 01:12:20,800

because this could be pertaining to to

1826

01:12:24,950 --> 01:12:22,960

hybrids but the way he's asking i'm i'm

1827

01:12:27,350 --> 01:12:24,960

not sure but i figured i'll i'll

1828

01:12:29,270 --> 01:12:27,360

say it ask you and you answer this

1829

01:12:32,950 --> 01:12:29,280

however you feel okay

1830

01:12:33,669 --> 01:12:32,960

um so mark is saying i'm expressing what

1831

01:12:37,270 --> 01:12:33,679

i feel

1832

01:12:40,390 --> 01:12:37,280

is current ongoing relationship

1833

01:12:43,910 --> 01:12:40,400

are my new bosses possible aliens

1834

01:12:47,910 --> 01:12:43,920

please go back to my last question

1835

01:12:50,390 --> 01:12:47,920

so i'll leave that to you donna

1836

01:12:52,390 --> 01:12:50,400

your new boss is possible you know what

1837

01:12:54,870 --> 01:12:52,400

i do i i have come to believe

1838

01:12:55,830 --> 01:12:54,880

over the years just in the recent past

1839

01:12:58,709 --> 01:12:55,840

that

1840

01:12:59,830 --> 01:12:58,719

there are incarnated aliens walking on

1841

01:13:01,430 --> 01:12:59,840

the earth right now

1842

01:13:04,310 --> 01:13:01,440

for the longest time i refuse to believe

1843

01:13:05,669 --> 01:13:04,320

that and then i accepted that okay if

1844

01:13:07,350 --> 01:13:05,679

they did incarnate

1845

01:13:08,790 --> 01:13:07,360

they had to keep their mouths shut so

1846

01:13:10,790 --> 01:13:08,800

they either

1847

01:13:12,709 --> 01:13:10,800

were a human with their memory wiped or

1848

01:13:13,750 --> 01:13:12,719

they came in as like a dog or a monkey

1849

01:13:16,630 --> 01:13:13,760

or something

1850

01:13:17,990 --> 01:13:16,640

but now because we're so close to this

1851

01:13:21,270 --> 01:13:18,000

shift where we're reaching

1852

01:13:24,310 --> 01:13:21,280

the the tipping point where we need to

1853

01:13:27,750 --> 01:13:24,320

you know either ascend or

1854

01:13:30,870 --> 01:13:27,760

go back to the dark ages i think

1855

01:13:31,510 --> 01:13:30,880

more are coming in to help with the with

1856

01:13:34,550 --> 01:13:31,520

this

1857

01:13:36,550 --> 01:13:34,560

shift and i do believe

1858

01:13:37,910 --> 01:13:36,560

it's quite possible that there are

1859

01:13:39,510 --> 01:13:37,920

aliens

1860

01:13:40,870 --> 01:13:39,520

beings walking the earth that know

1861

01:13:43,270 --> 01:13:40,880

they're alien beings and they know

1862

01:13:46,310 --> 01:13:43,280

they're here for a mission

1863

01:13:53,030 --> 01:13:46,320

but they can't tell us yet so it

1864

01:13:59,950 --> 01:13:57,270

um there's the next question is

1865

01:14:01,830 --> 01:13:59,960

again from the gentleman i can't it's

1866

01:14:05,350 --> 01:14:01,840

m-o-s-w-t-d

1867

01:14:09,510 --> 01:14:05,360

what is the connection with nazis aryans

1868

01:14:16,790 --> 01:14:12,950

we are more aryan than

1869

01:14:20,550 --> 01:14:16,800

any race and they killed 95 percent

1870

01:14:23,830 --> 01:14:20,560

don't know i don't know what you can

1871

01:14:28,950 --> 01:14:27,110

no i um during one of the last q and a's

1872

01:14:30,070 --> 01:14:28,960

i did a couple years ago someone and

1873

01:14:32,709 --> 01:14:30,080

said why

1874

01:14:33,430 --> 01:14:32,719

why are so many white people contactees

1875

01:14:35,750 --> 01:14:33,440

you know

1876

01:14:37,830 --> 01:14:35,760

and it's like that's a really good

1877

01:14:40,070 --> 01:14:37,840

question um

1878

01:14:41,430 --> 01:14:40,080

i know that there are black people and i

1879

01:14:43,430 --> 01:14:41,440

know native americans

1880

01:14:45,669 --> 01:14:43,440

definitely believe you know that our

1881

01:14:48,870 --> 01:14:45,679

ancestors came from the stars and they

1882

01:14:51,590 --> 01:14:48,880

have contacts so it's not just

1883

01:14:52,470 --> 01:14:51,600

white people but um and i also believe

1884

01:14:55,030 --> 01:14:52,480

that

1885

01:14:56,310 --> 01:14:55,040

some of the nazis were sneaked out after

1886

01:15:00,070 --> 01:14:56,320

world war ii

1887

01:15:02,310 --> 01:15:00,080

and given safe havens and

1888

01:15:04,550 --> 01:15:02,320

given laboratories to do scientific

1889

01:15:06,630 --> 01:15:04,560

experiments or whatever

1890

01:15:07,750 --> 01:15:06,640

we're not necessarily taught the correct

1891

01:15:10,709 --> 01:15:07,760

history

1892

01:15:12,149 --> 01:15:10,719

but um from what i know they they

1893

01:15:14,709 --> 01:15:12,159

weren't the best

1894

01:15:19,510 --> 01:15:14,719

people so i don't know that i'd want to

1895

01:15:27,270 --> 01:15:23,430

okay the next question

1896

01:15:29,750 --> 01:15:27,280

uh it's from mystic tony have you

1897

01:15:32,310 --> 01:15:29,760

have you met other humans on the ships

1898

01:15:32,630 --> 01:15:32,320

and how many types of ets have you seen

1899

01:15:35,990 --> 01:15:32,640

and

1900

01:15:40,070 --> 01:15:38,870

yes other humans on the ships i open my

1901

01:15:42,390 --> 01:15:40,080

book with a

1902

01:15:43,669 --> 01:15:42,400

scene that's like a classic scene that i

1903

01:15:46,630 --> 01:15:43,679

recall from my

1904

01:15:48,630 --> 01:15:46,640

youth where i would come awake and i'd

1905

01:15:50,550 --> 01:15:48,640

be on a ship and we'd be

1906

01:15:51,990 --> 01:15:50,560

there would be i don't know probably

1907

01:15:55,669 --> 01:15:52,000

three dozen people in this

1908

01:15:57,510 --> 01:15:55,679

big round white room and

1909

01:15:59,990 --> 01:15:57,520

i didn't necessarily know any of them

1910

01:16:01,669 --> 01:16:00,000

but we'd all be in different stages of

1911

01:16:03,350 --> 01:16:01,679

like i was using my pajamas because they

1912

01:16:05,350 --> 01:16:03,360

usually take me from my sleep

1913

01:16:06,709 --> 01:16:05,360

there would be maybe like a lady in an

1914

01:16:09,390 --> 01:16:06,719

evening gown

1915

01:16:10,630 --> 01:16:09,400

and maybe a man in um

1916

01:16:14,709 --> 01:16:10,640

[Music]

1917

01:16:17,669 --> 01:16:14,719

like civil war dress and

1918

01:16:18,630 --> 01:16:17,679

a man dressed like a farmer and when i

1919

01:16:21,030 --> 01:16:18,640

found out they don't

1920

01:16:23,110 --> 01:16:21,040

experience time the same way we do i

1921

01:16:25,030 --> 01:16:23,120

wonder if when they pick us up

1922

01:16:27,110 --> 01:16:25,040

they pick us up from different time

1923

01:16:28,550 --> 01:16:27,120

periods even and just throw us all in

1924

01:16:30,149 --> 01:16:28,560

the same room together

1925

01:16:32,149 --> 01:16:30,159

because according to the way people are

1926

01:16:34,709 --> 01:16:32,159

dressed i think that's possible

1927

01:16:35,430 --> 01:16:34,719

but we we're all pretty traumatized at

1928

01:16:36,870 --> 01:16:35,440

that point

1929

01:16:38,870 --> 01:16:36,880

and i don't really strike up a

1930

01:16:40,070 --> 01:16:38,880

conversation or share names or phone

1931

01:16:43,510 --> 01:16:40,080

numbers or anything

1932

01:16:45,270 --> 01:16:43,520

so um i don't know if if i saw that same

1933

01:16:46,790 --> 01:16:45,280

person on the street the next day if i'd

1934

01:16:49,590 --> 01:16:46,800

even recognize them

1935

01:16:50,950 --> 01:16:49,600

and and i've even wondered if they put

1936

01:16:53,350 --> 01:16:50,960

us on a ship with

1937

01:16:55,189 --> 01:16:53,360

next to our great great grandmother to

1938

01:16:56,709 --> 01:16:55,199

see if we recognize each other

1939

01:16:59,350 --> 01:16:56,719

because they like to watch human

1940

01:17:02,950 --> 01:16:59,360

interactions and human relationships

1941

01:17:04,709 --> 01:17:02,960

um but

1942

01:17:07,750 --> 01:17:04,719

i'm sorry i forgot the second half of

1943

01:17:12,310 --> 01:17:11,110

uh it was let me see maybe i skipped it

1944

01:17:15,430 --> 01:17:12,320

over

1945

01:17:18,070 --> 01:17:15,440

have you met other humans or the ships

1946

01:17:18,870 --> 01:17:18,080

and how many oh how many types of et's

1947

01:17:21,830 --> 01:17:18,880

have you seen

1948

01:17:22,950 --> 01:17:21,840

and what do they look like yeah that the

1949

01:17:26,550 --> 01:17:22,960

main one crow

1950

01:17:29,030 --> 01:17:26,560

the grays the ghostly looking one like

1951

01:17:30,310 --> 01:17:29,040

atecana the brown scurries that clean up

1952

01:17:32,790 --> 01:17:30,320

around the ship

1953

01:17:34,149 --> 01:17:32,800

um i've seen like an octopus or

1954

01:17:37,189 --> 01:17:34,159

squid-like being that

1955

01:17:42,630 --> 01:17:37,199

has multiple arms that works in

1956

01:17:45,030 --> 01:17:42,640

like a control room scenario and um

1957

01:17:46,630 --> 01:17:45,040

oh and and there's one that calls

1958

01:17:48,550 --> 01:17:46,640

herself kaizos

1959

01:17:51,189 --> 01:17:48,560

from the future she always says i am

1960

01:17:52,870 --> 01:17:51,199

kaiso's from the future

1961

01:17:54,790 --> 01:17:52,880

and and she scurries around and she's

1962

01:17:56,870 --> 01:17:54,800

kind of like a monkey or a raccoon she's

1963

01:18:00,950 --> 01:17:56,880

the only one i know of that has

1964

01:18:04,470 --> 01:18:00,960

hair um and

1965

01:18:06,709 --> 01:18:04,480

um there's there's like countless

1966

01:18:07,510 --> 01:18:06,719

i know that there's other beings on the

1967

01:18:09,750 --> 01:18:07,520

ships

1968

01:18:10,630 --> 01:18:09,760

but i have personally interacted with

1969

01:18:15,189 --> 01:18:10,640

them

1970

01:18:16,950 --> 01:18:15,199

so um i think there's probably countless

1971

01:18:20,070 --> 01:18:16,960

just like there's

1972

01:18:22,390 --> 01:18:20,080

you know untold species of life

1973

01:18:23,830 --> 01:18:22,400

on earth between the oceans and the

1974

01:18:26,790 --> 01:18:23,840

mountains and the jungles

1975

01:18:27,910 --> 01:18:26,800

there's probably that many more

1976

01:18:31,189 --> 01:18:27,920

different species

1977

01:18:33,590 --> 01:18:31,199

of beings in in space and

1978

01:18:34,709 --> 01:18:33,600

um they all work together on the ships

1979

01:18:36,870 --> 01:18:34,719

each one

1980

01:18:38,470 --> 01:18:36,880

according to you know what they do best

1981

01:18:40,790 --> 01:18:38,480

what their body is suited for what their

1982

01:18:42,709 --> 01:18:40,800

mind is suited for like i said they

1983

01:18:44,470 --> 01:18:42,719

they appreciate the individuals so they

1984

01:18:47,270 --> 01:18:44,480

use each individual's

1985

01:18:48,229 --> 01:18:47,280

talents and abilities and you know i

1986

01:18:50,709 --> 01:18:48,239

don't see any

1987

01:18:52,870 --> 01:18:50,719

type of like prejudice even though Croat

1988

01:18:53,990 --> 01:18:52,880

is like obviously a leader type when he

1989

01:18:57,189 --> 01:18:54,000

has the three

1990

01:18:58,709 --> 01:18:57,199

grays with him he doesn't

1991

01:19:00,950 --> 01:18:58,719

like tell them what to do he's not like

1992

01:19:02,870 --> 01:19:00,960

a boss i think they're all

1993

01:19:05,910 --> 01:19:02,880

kind of equal and they all respect one

1994

01:19:09,430 --> 01:19:08,550

uh this question is from also from mr

1995

01:19:11,830 --> 01:19:09,440

tony

1996

01:19:12,630 --> 01:19:11,840

uh it says why did we forget our

1997

01:19:16,709 --> 01:19:12,640

experience

1998

01:19:19,750 --> 01:19:16,719

good but i keep forgetting

1999

01:19:21,189 --> 01:19:19,760

most of the experience and donna if

2000

01:19:22,870 --> 01:19:21,199

i could please ask you for a favor i

2001
01:19:24,390 --> 01:19:22,880
have to step up for a quick second so

2002
01:19:26,630 --> 01:19:24,400
i'll leave the camera on you and so

2003
01:19:29,990 --> 01:19:26,640
please keep going until i come back

2004
01:19:32,950 --> 01:19:30,000
sure sure um why do we forget

2005
01:19:35,510 --> 01:19:32,960
that's that's a really i have asked them

2006
01:19:36,070 --> 01:19:35,520
many times you know or or well something

2007
01:19:38,550 --> 01:19:36,080
is going

2008
01:19:39,669 --> 01:19:38,560
on i'll say please let me remember this

2009
01:19:41,030 --> 01:19:39,679
please let me remember this and

2010
01:19:42,229 --> 01:19:41,040
sometimes i'll even wake up and it'll be

2011
01:19:43,270 --> 01:19:42,239
like two or three in the morning and

2012
01:19:44,630 --> 01:19:43,280
i'll be

2013
01:19:45,830 --> 01:19:44,640

remember this remember this and then

2014

01:19:46,790 --> 01:19:45,840

i'll wake up the next morning and i

2015

01:19:48,870 --> 01:19:46,800

won't

2016

01:19:51,110 --> 01:19:48,880

and it's so frustrating um one thing

2017

01:19:53,590 --> 01:19:51,120

that helps though is to keep a journal

2018

01:19:55,590 --> 01:19:53,600

next to your bed with a pen or pencil

2019

01:19:57,430 --> 01:19:55,600

and then as soon as you wake up

2020

01:19:59,270 --> 01:19:57,440

start writing and even if you can't

2021

01:20:00,470 --> 01:19:59,280

remember exactly what happened even if

2022

01:20:02,709 --> 01:20:00,480

you just remember

2023

01:20:04,149 --> 01:20:02,719

a collar or if there's a song stuck in

2024

01:20:05,830 --> 01:20:04,159

your head or

2025

01:20:07,750 --> 01:20:05,840

just anything just start writing and

2026

01:20:09,990 --> 01:20:07,760

once you start writing

2027

01:20:10,790 --> 01:20:10,000

more of the memories will usually start

2028

01:20:13,030 --> 01:20:10,800

flooding back

2029

01:20:14,870 --> 01:20:13,040

and that's been the most helpful thing

2030

01:20:16,149 --> 01:20:14,880

for me but i feel like there's certain

2031

01:20:17,189 --> 01:20:16,159

things that we're just not meant to

2032

01:20:19,430 --> 01:20:17,199

remember

2033

01:20:21,270 --> 01:20:19,440

it's like i i feel like i have another

2034

01:20:24,310 --> 01:20:21,280

family in another world

2035

01:20:25,750 --> 01:20:24,320

and i visit them regularly and as i'm

2036

01:20:27,669 --> 01:20:25,760

being taken away

2037

01:20:29,189 --> 01:20:27,679

and i'm waving and i'm sometimes crying

2038

01:20:29,750 --> 01:20:29,199

i'm so emotional because i don't want to

2039

01:20:33,270 --> 01:20:29,760

leave them

2040

01:20:33,669 --> 01:20:33,280

and go back to earth and their face i'll

2041

01:20:39,110 --> 01:20:33,679

be

2042

01:20:41,110 --> 01:20:39,120

and then like a curtain will come over

2043

01:20:43,430 --> 01:20:41,120

and their faces will be blurred

2044

01:20:45,030 --> 01:20:43,440

and i i can tell you what their faces

2045

01:20:47,350 --> 01:20:45,040

look like i have no idea

2046

01:20:48,070 --> 01:20:47,360

but i know it's my family in another

2047

01:20:51,830 --> 01:20:48,080

world

2048

01:20:54,870 --> 01:20:51,840

and um i think we're just not meant to

2049

01:20:56,229 --> 01:20:54,880

remember certain things but i like the

2050

01:20:58,550 --> 01:20:56,239

downloads it's there

2051

01:21:02,070 --> 01:20:58,560

it's in our brains we just can't access

2052

01:21:05,750 --> 01:21:02,080

it right now but maybe at some point

2053

01:21:08,149 --> 01:21:05,760

some your point we will we will remember

2054

01:21:09,910 --> 01:21:08,159

um certainly after we die i'm pretty

2055

01:21:12,550 --> 01:21:09,920

sure that after we die we'll

2056

01:21:13,990 --> 01:21:12,560

it'll all come flooding back but i would

2057

01:21:17,990 --> 01:21:14,000

be nice to remember it now

2058

01:21:21,350 --> 01:21:19,590

are you there are you back yet yep yep

2059

01:21:21,910 --> 01:21:21,360

i'm back i'm sorry i'm just looking over

2060

01:21:25,270 --> 01:21:21,920

the

2061

01:21:28,550 --> 01:21:25,280

it moves on me so

2062

01:21:34,229 --> 01:21:28,560

i don't want to miss it this one is from

2063

01:21:40,629 --> 01:21:37,590

have you ever done a meditation

2064

01:21:43,669 --> 01:21:40,639

shown in your mind when you are

2065

01:21:45,270 --> 01:21:43,679

and have light ships come to you

2066

01:21:48,950 --> 01:21:45,280

if that makes sense sorry i didn't read

2067

01:21:53,590 --> 01:21:51,990

yeah pretty much it it all happens in my

2068

01:21:55,350 --> 01:21:53,600

mind i think

2069

01:21:56,709 --> 01:21:55,360

i thought it all happened in my mind

2070

01:21:58,709 --> 01:21:56,719

until i woke up with things like

2071

01:22:01,430 --> 01:21:58,719

nosebleeds and bruises and

2072

01:22:03,030 --> 01:22:01,440

marks so then it's obviously they are

2073

01:22:06,229 --> 01:22:03,040

taking my body too

2074

01:22:07,270 --> 01:22:06,239

but light ships um i don't like i said i

2075

01:22:09,110 --> 01:22:07,280

don't see

2076

01:22:11,430 --> 01:22:09,120

ships a whole lot like in the sky but i

2077

01:22:15,350 --> 01:22:11,440

have seen orbs

2078

01:22:16,629 --> 01:22:15,360

in my bedroom um if you mean like that

2079

01:22:19,669 --> 01:22:16,639

like orbs

2080

01:22:23,189 --> 01:22:19,679

bright lights like that small like a

2081

01:22:26,390 --> 01:22:23,199

tennis ball size going through my room

2082

01:22:27,030 --> 01:22:26,400

or oh this is another uh form of being

2083

01:22:30,310 --> 01:22:27,040

that i see

2084

01:22:30,950 --> 01:22:30,320

they're purple lights that hover in the

2085

01:22:33,510 --> 01:22:30,960

corner

2086

01:22:34,390 --> 01:22:33,520

in my bedroom they're bright purple and

2087

01:22:38,790 --> 01:22:34,400

they

2088

01:22:39,669 --> 01:22:38,800

fireworks of purple that kind of come

2089

01:22:42,790 --> 01:22:39,679

out and

2090

01:22:45,430 --> 01:22:42,800

down like fireworks would

2091

01:22:48,390 --> 01:22:45,440

and that's another type of entity that i

2092

01:22:54,709 --> 01:22:51,510

so donna what do you what do you say

2093

01:22:55,270 --> 01:22:54,719

if we take a couple more questions and

2094

01:23:05,430 --> 01:22:55,280

then

2095

01:23:11,750 --> 01:23:09,750

okay let me see if i can um

2096

01:23:13,750 --> 01:23:11,760

look over to see to give some someone a

2097

01:23:16,390 --> 01:23:13,760

chance to to ask that has not asked a

2098

01:23:23,350 --> 01:23:21,430

just bear with me for a second please

2099

01:23:25,590 --> 01:23:23,360

here's a good one why do they why do

2100

01:23:26,790 --> 01:23:25,600

they come just at night i know i'm

2101

01:23:28,790 --> 01:23:26,800

breaking my own rule

2102

01:23:29,910 --> 01:23:28,800

this person did not have those three

2103

01:23:32,629 --> 01:23:29,920

gods but

2104

01:23:33,350 --> 01:23:32,639

it's a i believe first time asking a

2105

01:23:40,629 --> 01:23:33,360

question it's

2106

01:23:45,350 --> 01:23:43,030

to come when we're asleep because our

2107

01:23:47,750 --> 01:23:45,360

conscious mind is so

2108

01:23:49,669 --> 01:23:47,760

full of chatter you know we're thinking

2109

01:23:50,870 --> 01:23:49,679

about 15 things at once and we're

2110

01:23:51,830 --> 01:23:50,880

worried and what are we going to wear

2111

01:23:53,990 --> 01:23:51,840

tomorrow and

2112

01:23:54,950 --> 01:23:54,000

i can't forget to pay you the bill and

2113

01:23:56,870 --> 01:23:54,960

you know

2114

01:23:58,229 --> 01:23:56,880

the mind is so caught up with that kind

2115

01:23:59,510 --> 01:23:58,239

of stuff that it's harder for them to

2116

01:24:01,990 --> 01:23:59,520

get through to us

2117

01:24:03,030 --> 01:24:02,000

so when we go to sleep that chatter is

2118

01:24:05,030 --> 01:24:03,040

quieted down

2119

01:24:06,390 --> 01:24:05,040

and our subconscious mind opens up when

2120

01:24:07,750 --> 01:24:06,400

we dream and

2121

01:24:10,149 --> 01:24:07,760

that's when they can reach our

2122

01:24:12,229 --> 01:24:10,159

subconscious mind much easier

2123

01:24:13,510 --> 01:24:12,239

but they do sometimes come in the

2124

01:24:16,229 --> 01:24:13,520

daytime like

2125

01:24:18,070 --> 01:24:16,239

those who see cloud ships or see lights

2126

01:24:20,390 --> 01:24:18,080

or ships in the daytime

2127

01:24:21,750 --> 01:24:20,400

and sometimes for some reason when i'm

2128

01:24:25,270 --> 01:24:21,760

washing dishes

2129

01:24:27,510 --> 01:24:25,280

won't see

2130

01:24:28,870 --> 01:24:27,520

or you know they won't be actually in my

2131

01:24:31,510 --> 01:24:28,880

kitchen but they

2132

01:24:32,790 --> 01:24:31,520

will maybe give me messages or tell me

2133

01:24:35,270 --> 01:24:32,800

things

2134

01:24:36,390 --> 01:24:35,280

um maybe because i'm not really thinking

2135

01:24:39,110 --> 01:24:36,400

about anything else

2136

01:24:40,390 --> 01:24:39,120

you know i'm just standing there doing a

2137

01:24:42,310 --> 01:24:40,400

monotonous task

2138

01:24:44,790 --> 01:24:42,320

and so they're able to reach and and

2139

01:24:46,390 --> 01:24:44,800

maybe tell me something

2140

01:24:48,229 --> 01:24:46,400

so they can come in the daytime but it's

2141

01:24:52,709 --> 01:24:48,239

just much easier for them to come when

2142

01:24:57,590 --> 01:24:55,510

okay and here's the last question also

2143

01:24:59,830 --> 01:24:57,600

by a person that did not have those

2144

01:25:01,430 --> 01:24:59,840

little dots but it's a question i think

2145

01:25:02,229 --> 01:25:01,440

it's the last question of the day so

2146

01:25:05,910 --> 01:25:02,239

i'll let it

2147

01:25:09,590 --> 01:25:05,920

go um uh mikey

2148

01:25:12,870 --> 01:25:09,600

gematria uh the question is

2149

01:25:15,189 --> 01:25:12,880

donalin what is your blood type i am

2150

01:25:16,470 --> 01:25:15,199

o negative and i seem to be more

2151
01:25:18,550 --> 01:25:16,480
intuitive than

2152
01:25:21,669 --> 01:25:18,560
some people i was just wondering if you

2153
01:25:28,390 --> 01:25:24,950
about oh negative i'm a positive

2154
01:25:30,790 --> 01:25:28,400
but my mom was o o positive but um

2155
01:25:32,149 --> 01:25:30,800
i have heard that about the o negatives

2156
01:25:35,430 --> 01:25:32,159
that

2157
01:25:37,350 --> 01:25:35,440
alien blood or more

2158
01:25:38,470 --> 01:25:37,360
or they're more contactees are all

2159
01:25:44,950 --> 01:25:38,480
negative

2160
01:25:50,470 --> 01:25:48,070
okay um donna well

2161
01:25:52,070 --> 01:25:50,480
thank you very much on my little split

2162
01:25:53,990 --> 01:25:52,080
screen you could do just a bit

2163
01:25:55,750 --> 01:25:54,000

off but that's okay i think i think it's

2164

01:25:57,110 --> 01:25:55,760

to you right yeah there you go

2165

01:26:00,149 --> 01:25:57,120

it's all right we're finishing off

2166

01:26:02,790 --> 01:26:00,159

anyway leaning a little

2167

01:26:04,950 --> 01:26:02,800

uh but yeah uh donna thank you again i

2168

01:26:07,350 --> 01:26:04,960

really appreciate you taking the time

2169

01:26:08,550 --> 01:26:07,360

and um i know there's a lot of people a

2170

01:26:10,629 --> 01:26:08,560

lot of questions

2171

01:26:12,149 --> 01:26:10,639

i hope they're all genuine sincere

2172

01:26:13,669 --> 01:26:12,159

questions especially with the subject

2173

01:26:15,910 --> 01:26:13,679

that we're dealing with but

2174

01:26:17,910 --> 01:26:15,920

i don't know you don't know all we can

2175

01:26:19,110 --> 01:26:17,920

do is just put the information out take

2176
01:26:22,390 --> 01:26:19,120
it as is

2177
01:26:22,629 --> 01:26:22,400
so um again thank you again i don't know

2178
01:26:24,310 --> 01:26:22,639
if

2179
01:26:25,669 --> 01:26:24,320
you want to finish up with something and

2180
01:26:28,470 --> 01:26:25,679
then i'll um

2181
01:26:29,110 --> 01:26:28,480
sign off and we should be good for today

2182
01:26:32,149 --> 01:26:29,120
okay

2183
01:26:32,870 --> 01:26:32,159
i didn't really have any like a close a

2184
01:26:35,990 --> 01:26:32,880
wrap-up

2185
01:26:39,510 --> 01:26:36,000
thing to say but just uh

2186
01:26:40,390 --> 01:26:39,520
be open to experiences that there is a

2187
01:26:42,950 --> 01:26:40,400
lot more

2188
01:26:43,669 --> 01:26:42,960

to this world than what we might think

2189

01:26:47,990 --> 01:26:43,679

there is

2190

01:26:50,229 --> 01:26:48,000

and just be open to synchronicity

2191

01:26:52,229 --> 01:26:50,239

if something and your gut instinct it's

2192

01:26:54,709 --> 01:26:52,239

important to use discernment

2193

01:26:55,910 --> 01:26:54,719

your own don't necessarily do what

2194

01:26:58,550 --> 01:26:55,920

someone else tells you

2195

01:26:59,430 --> 01:26:58,560

or what you read or you know go with

2196

01:27:06,149 --> 01:26:59,440

your own

2197

01:27:08,070 --> 01:27:06,159

and uh i don't know they're always

2198

01:27:10,149 --> 01:27:08,080

telling me that life is

2199

01:27:11,910 --> 01:27:10,159

magical and life is like a game and it's

2200

01:27:12,790 --> 01:27:11,920

meant to be enjoyed and it's meant to be

2201
01:27:15,110 --> 01:27:12,800
fun and

2202
01:27:16,070 --> 01:27:15,120
humans have forgotten that we made life

2203
01:27:19,189 --> 01:27:16,080
more of a

2204
01:27:20,950 --> 01:27:19,199
difficult complicated thing and

2205
01:27:22,709 --> 01:27:20,960
like i said they have a sense of humor

2206
01:27:25,430 --> 01:27:22,719
like a

2207
01:27:27,270 --> 01:27:25,440
sarcastic witty kind of sense of humor

2208
01:27:29,830 --> 01:27:27,280
and they're always

2209
01:27:30,390 --> 01:27:29,840
saying life is a game lighten up and and

2210
01:27:32,310 --> 01:27:30,400
lighten up

2211
01:27:34,629 --> 01:27:32,320
you know literally they want us to

2212
01:27:37,430 --> 01:27:34,639
lighten up to raise our vibration

2213
01:27:38,629 --> 01:27:37,440

but um try not to take everything quite

2214

01:27:41,350 --> 01:27:38,639

so seriously

2215

01:27:42,950 --> 01:27:41,360

and try to find joy and and look for the

2216

01:27:46,229 --> 01:27:42,960

magic in everyday

2217

01:27:48,310 --> 01:27:46,239

life because there is still magic

2218

01:27:50,629 --> 01:27:48,320

there you know and it's waiting for us

2219

01:27:53,430 --> 01:27:50,639

to find it

2220

01:27:53,910 --> 01:27:53,440

great great donna thank you thank you

2221

01:27:57,110 --> 01:27:53,920

again

2222

01:27:58,870 --> 01:27:57,120

and um everyone watching i appreciate it

2223

01:28:01,189 --> 01:27:58,880

thanks for joining us

2224

01:28:02,390 --> 01:28:01,199

please don't forget to visit donna's

2225

01:28:04,790 --> 01:28:02,400

website

2226

01:28:06,470 --> 01:28:04,800

actually dicta back she has the author's

2227

01:28:08,070 --> 01:28:06,480

page that has an email

2228

01:28:09,590 --> 01:28:08,080

or they're available if you would like

2229

01:28:13,189 --> 01:28:09,600

to reach out and

2230

01:28:15,669 --> 01:28:13,199

also her book is available with ozark

2231

01:28:16,870 --> 01:28:15,679

and i believe on amazon as well correct

2232

01:28:19,030 --> 01:28:16,880

yes i think it is

2233

01:28:20,870 --> 01:28:19,040

okay yeah and uh so i included your your

2234

01:28:22,470 --> 01:28:20,880

author's page in the description

2235

01:28:24,310 --> 01:28:22,480

of this video below if you are

2236

01:28:26,629 --> 01:28:24,320

interested

2237

01:28:27,750 --> 01:28:26,639

i'm sorry were you gonna say something

2238

01:28:29,510 --> 01:28:27,760

no no okay

2239

01:28:31,590 --> 01:28:29,520

sorry i i thought you did i'm not

2240

01:28:33,350 --> 01:28:31,600

looking at the screen so i just

2241

01:28:34,709 --> 01:28:33,360

uh sounded like you were gonna say

2242

01:28:38,390 --> 01:28:34,719

something anyway

2243

01:28:41,030 --> 01:28:38,400

so please um um get get the book

2244

01:28:42,629 --> 01:28:41,040

it's a great book especially if you're

2245

01:28:45,350 --> 01:28:42,639

you know really wanting to know

2246

01:28:45,910 --> 01:28:45,360

you know what what i believe would you

2247

01:28:48,790 --> 01:28:45,920

say

2248

01:28:50,629 --> 01:28:48,800

what an experience here is going through

2249

01:28:51,750 --> 01:28:50,639

with all the craziness that happens to

2250

01:28:53,990 --> 01:28:51,760

him

2251

01:28:55,430 --> 01:28:54,000

yes it's that's what it is it's a

2252

01:28:56,950 --> 01:28:55,440

collection of the journals that i

2253

01:28:58,229 --> 01:28:56,960

started keeping from the time i was a

2254

01:28:59,990 --> 01:28:58,239

teenager

2255

01:29:01,830 --> 01:29:00,000

like i said i wrote it down just to get

2256

01:29:03,430 --> 01:29:01,840

it out of my head so that i could have a

2257

01:29:04,470 --> 01:29:03,440

normal life without thinking about these

2258

01:29:06,550 --> 01:29:04,480

crazy things

2259

01:29:08,950 --> 01:29:06,560

that were happening to me and actually

2260

01:29:11,110 --> 01:29:08,960

it was um i went on a camping trip with

2261

01:29:12,550 --> 01:29:11,120

my niece and her husband and her twin

2262

01:29:16,070 --> 01:29:12,560

girls

2263

01:29:18,149 --> 01:29:16,080

her one girl

2264

01:29:19,590 --> 01:29:18,159

she had told me had night terrors my

2265

01:29:20,950 --> 01:29:19,600

niece was asking me about it because she

2266

01:29:23,990 --> 01:29:20,960

knew i had had them

2267

01:29:24,950 --> 01:29:24,000

and i heard we were intense so in the

2268

01:29:26,790 --> 01:29:24,960

middle of the night

2269

01:29:29,830 --> 01:29:26,800

through my tent i heard this little

2270

01:29:32,310 --> 01:29:29,840

three-year-old girl just screaming

2271

01:29:34,310 --> 01:29:32,320

inconsolable with a night terror and

2272

01:29:36,070 --> 01:29:34,320

that i've had them all my life

2273

01:29:37,350 --> 01:29:36,080

you know but i had never heard someone

2274

01:29:40,070 --> 01:29:37,360

else have one

2275

01:29:41,750 --> 01:29:40,080

and it was just horrific and i felt so

2276

01:29:45,189 --> 01:29:41,760

bad for her parents they couldn't

2277

01:29:47,350 --> 01:29:45,199

calm her down she was like in a trance

2278

01:29:48,470 --> 01:29:47,360

and that's when it occurred to me you

2279

01:29:51,110 --> 01:29:48,480

know i know that

2280

01:29:53,110 --> 01:29:51,120

the visitation is followed in family

2281

01:29:55,030 --> 01:29:53,120

groups and i wouldn't doubt but that my

2282

01:29:56,629 --> 01:29:55,040

mother or my grandmother's

2283

01:30:00,070 --> 01:29:56,639

great-grandmothers had been

2284

01:30:01,990 --> 01:30:00,080

visited by these beings and if any one

2285

01:30:04,709 --> 01:30:02,000

of them would have kept a journal

2286

01:30:05,430 --> 01:30:04,719

it would have helped me so much to read

2287

01:30:07,669 --> 01:30:05,440

oh

2288

01:30:09,189 --> 01:30:07,679

she went through this and she saw that

2289

01:30:11,110 --> 01:30:09,199

and so that's why i started keeping the

2290

01:30:12,229 --> 01:30:11,120

journals too and and that's well no i

2291

01:30:13,750 --> 01:30:12,239

had kept them but

2292

01:30:15,430 --> 01:30:13,760

that's when i decided to pull them out

2293

01:30:15,830 --> 01:30:15,440

and put them together and put them into

2294

01:30:17,990 --> 01:30:15,840

a book

2295

01:30:19,669 --> 01:30:18,000

form for this little girl when she got

2296

01:30:20,310 --> 01:30:19,679

older that she would know she's not

2297

01:30:22,390 --> 01:30:20,320

alone

2298

01:30:23,430 --> 01:30:22,400

and that what i went through and how i

2299

01:30:25,590 --> 01:30:23,440

handled it

2300

01:30:27,830 --> 01:30:25,600

and as i was putting them together you

2301

01:30:30,870 --> 01:30:27,840

know they came and told me

2302

01:30:32,550 --> 01:30:30,880

submit this to uh dolores cannon's

2303

01:30:33,669 --> 01:30:32,560

publisher and at the time i didn't know

2304

01:30:35,669 --> 01:30:33,679

who that was so

2305

01:30:37,270 --> 01:30:35,679

i looked that up and it's ozark mountain

2306

01:30:39,270 --> 01:30:37,280

publishing and

2307

01:30:41,430 --> 01:30:39,280

i did and and that was the first and

2308

01:30:43,110 --> 01:30:41,440

only place i submitted it to and they

2309

01:30:45,990 --> 01:30:43,120

published it so

2310

01:30:47,510 --> 01:30:46,000

um that's it's kind of a guide like this

2311

01:30:50,790 --> 01:30:47,520

is what i went through

2312

01:30:53,110 --> 01:30:50,800

and how i got from fear to love

2313

01:30:54,470 --> 01:30:53,120

you know it took me many many many years

2314

01:30:55,910 --> 01:30:54,480

so hopefully by reading it

2315

01:30:58,070 --> 01:30:55,920

other people that are going through it

2316

01:31:01,110 --> 01:30:58,080

and that feels scared maybe

2317

01:31:03,590 --> 01:31:01,120

can move through that a lot faster and

2318

01:31:05,669 --> 01:31:03,600

accept that it's a relationship and it's

2319

01:31:08,950 --> 01:31:05,679

loving and they're benevolent

2320

01:31:12,470 --> 01:31:08,960

you know in a faster easier

2321

01:31:18,709 --> 01:31:16,149

well donna thank you for that um

2322

01:31:19,750 --> 01:31:18,719

you have a good night everyone else that

2323

01:31:21,510 --> 01:31:19,760

has joined us today

2324

01:31:23,110 --> 01:31:21,520

thank you very much for your questions i

2325

01:31:25,430 --> 01:31:23,120

hope that helped you some

2326

01:31:27,590 --> 01:31:25,440

uh please tune in again for another live

2327

01:31:28,709 --> 01:31:27,600

show next friday at 7 p.m central

2328

01:31:30,709 --> 01:31:28,719

standard time

2329

01:31:31,990 --> 01:31:30,719

i'm not quite sure who i'm going to have

2330

01:31:35,110 --> 01:31:32,000

as a guest yet

2331

01:31:38,950 --> 01:31:35,120

but i'll always make an announcement or

2332

01:31:43,270 --> 01:31:40,870

the stream that will be on that friday

2333

01:31:46,149 --> 01:31:43,280

already live and with the person's name

2334

01:31:47,110 --> 01:31:46,159

and title on there already to give you

2335

01:31:50,229 --> 01:31:47,120

an idea

2336

01:31:50,629 --> 01:31:50,239

so stay tuned definitely next friday 7

2337

01:31:53,750 --> 01:31:50,639

p.m

2338

01:31:54,229 --> 01:31:53,760

central time again thank you all very

2339

01:31:56,790 --> 01:31:54,239

much

2340

01:31:57,669 --> 01:31:56,800

for your questions and hope you could

2341

01:32:00,310 --> 01:31:57,679

tune in

2342

01:32:02,229 --> 01:32:00,320

next week friday and i'll look uh for

2343

01:32:04,229 --> 01:32:02,239

forward to another interview

2344

01:32:05,350 --> 01:32:04,239

that i just recently did with garnett

2345

01:32:09,110 --> 01:32:05,360

schulhauser

2346

01:32:11,830 --> 01:32:09,120

and that would probably be um going live

2347

01:32:12,229 --> 01:32:11,840

wednesday and it'll just be a webcast

2348

01:32:15,750 --> 01:32:12,239

drop

2349

01:32:18,709 --> 01:32:15,760

so stay tuned check out wednesday

2350

01:32:20,149 --> 01:32:18,719

friday 7 p.m have a good day good night
