

# UFO HUB

## WEBCAST

WITH  
ADNAN ADEMOVIC

GARNET  
SCHULHAUSER

1  
00:00:08,230 --> 00:00:05,749  
hey everyone

2  
00:00:10,549 --> 00:00:08,240  
welcome to the ufo hub webcast today's

3  
00:00:12,310 --> 00:00:10,559  
guest is going to be garner tulhauser

4  
00:00:13,749 --> 00:00:12,320  
and as always i'm going to let the

5  
00:00:14,470 --> 00:00:13,759  
guests get into their background

6  
00:00:17,750 --> 00:00:14,480  
information

7  
00:00:19,590 --> 00:00:17,760  
so let's get to it hi garnet how are you

8  
00:00:21,189 --> 00:00:19,600  
thanks for being on

9  
00:00:23,910 --> 00:00:21,199  
i'm just fine admin thank you for having

10  
00:00:25,429 --> 00:00:23,920  
me so i figured uh we'll get started

11  
00:00:27,750 --> 00:00:25,439  
with a little bit of your background and

12  
00:00:30,230 --> 00:00:27,760  
then we'll go from there

13  
00:00:32,150 --> 00:00:30,240

okay well i was born and raised in a

14

00:00:33,030 --> 00:00:32,160

very religious roman catholic family in

15

00:00:35,910 --> 00:00:33,040

saskatchewan

16

00:00:37,750 --> 00:00:35,920

which is the province of canada um and

17

00:00:38,150 --> 00:00:37,760

uh i eventually ended up in law school

18

00:00:40,709 --> 00:00:38,160

and i

19

00:00:41,590 --> 00:00:40,719

practiced law in calgary for about 34

20

00:00:45,029 --> 00:00:41,600

years

21

00:00:46,709 --> 00:00:45,039

okay so how my my my new journey started

22

00:00:48,709 --> 00:00:46,719

with my spirit guide albert

23

00:00:50,630 --> 00:00:48,719

was that i was still practicing law in

24

00:00:51,029 --> 00:00:50,640

calgary and i was walking down the

25

00:00:53,590 --> 00:00:51,039

street

26  
00:00:55,029 --> 00:00:53,600  
one afternoon and a homeless man just

27  
00:00:56,310 --> 00:00:55,039  
seemed to come out of nowhere and jumped

28  
00:00:57,990 --> 00:00:56,320  
right in front of me and stopped me in

29  
00:00:59,430 --> 00:00:58,000  
my tracks

30  
00:01:01,750 --> 00:00:59,440  
and he looked like a typical homeless

31  
00:01:03,510 --> 00:01:01,760  
man with a long stringy hair and a

32  
00:01:05,509 --> 00:01:03,520  
scraggly beard and dirty slept in

33  
00:01:06,950 --> 00:01:05,519  
clothes

34  
00:01:09,109 --> 00:01:06,960  
but i didn't go around him because he

35  
00:01:10,390 --> 00:01:09,119  
had these amazing sparkling dazzling

36  
00:01:11,990 --> 00:01:10,400  
blue eyes

37  
00:01:13,510 --> 00:01:12,000  
and his eyes were sort of sending me

38  
00:01:15,350 --> 00:01:13,520

this gush of

39

00:01:17,270 --> 00:01:15,360

pure what felt like pure unconditional

40

00:01:19,190 --> 00:01:17,280

love that was infusing my whole body

41

00:01:22,149 --> 00:01:19,200

with an amazing sense of peace

42

00:01:23,510 --> 00:01:22,159

and security and well-being and so i was

43

00:01:24,950 --> 00:01:23,520

really enjoying this and i don't know

44

00:01:26,789 --> 00:01:24,960

how long i stood there i was like a

45

00:01:27,990 --> 00:01:26,799

like a deer caught in the headlights i

46

00:01:29,270 --> 00:01:28,000

just stood there

47

00:01:31,990 --> 00:01:29,280

and then all of a sudden he broke the

48

00:01:33,830 --> 00:01:32,000

spell by saying to me why are you here

49

00:01:35,109 --> 00:01:33,840

and he quickly disappeared into a nearby

50

00:01:37,350 --> 00:01:35,119

store

51  
00:01:38,950 --> 00:01:37,360  
well when i finally collected my wits i

52  
00:01:40,630 --> 00:01:38,960  
decided i had to go and find this guy to

53  
00:01:41,030 --> 00:01:40,640  
find out who he was why did he stop me

54  
00:01:42,550 --> 00:01:41,040  
so

55  
00:01:44,630 --> 00:01:42,560  
i went into the store that he had gone

56  
00:01:47,910 --> 00:01:44,640  
into there was only one entrance

57  
00:01:49,749 --> 00:01:47,920  
um and he was nowhere in the store um

58  
00:01:51,109 --> 00:01:49,759  
and i hadn't seen him come out i went

59  
00:01:52,789 --> 00:01:51,119  
back out on the street and i walked up

60  
00:01:54,710 --> 00:01:52,799  
and down for several blocks but he had

61  
00:01:56,310 --> 00:01:54,720  
disappeared into thin air i mean he was

62  
00:01:57,830 --> 00:01:56,320  
gone so

63  
00:01:59,749 --> 00:01:57,840

that night i resolved that i would go

64

00:02:01,429 --> 00:01:59,759

back the next day to try to find him

65

00:02:02,789 --> 00:02:01,439

so i did went back to the same street

66

00:02:05,510 --> 00:02:02,799

same time

67

00:02:06,149 --> 00:02:05,520

uh to try to find this homeless man and

68

00:02:07,990 --> 00:02:06,159

after

69

00:02:09,270 --> 00:02:08,000

searching for 15 or 20 minutes i was

70

00:02:10,869 --> 00:02:09,280

about to give up

71

00:02:12,470 --> 00:02:10,879

and then i spotted him sitting all alone

72

00:02:15,990 --> 00:02:12,480

on the bench

73

00:02:17,589 --> 00:02:16,000

so i went up to him and i said hi

74

00:02:20,309 --> 00:02:17,599

who are you and why did you stop me the

75

00:02:21,430 --> 00:02:20,319

other day and he said i'm a soul just

76

00:02:22,949 --> 00:02:21,440

like you

77

00:02:24,710 --> 00:02:22,959

i'm here to help you on your journey and

78

00:02:26,390 --> 00:02:24,720

answer your questions

79

00:02:29,270 --> 00:02:26,400

and then my skeptical lawyer brain

80

00:02:31,190 --> 00:02:29,280

kicked in and i said to him

81

00:02:33,030 --> 00:02:31,200

why do you think you can help me when

82

00:02:34,070 --> 00:02:33,040

you can't even help yourself

83

00:02:35,830 --> 00:02:34,080

because it looks like you've been

84

00:02:37,990 --> 00:02:35,840

sleeping on the street for weeks and you

85

00:02:40,309 --> 00:02:38,000

smell like a dead fish

86

00:02:42,390 --> 00:02:40,319

well he just give me a big smile and he

87

00:02:43,110 --> 00:02:42,400

said you know looks can be deceiving

88

00:02:44,790 --> 00:02:43,120

because

89

00:02:46,710 --> 00:02:44,800

you look like you're a very successful

90

00:02:47,750 --> 00:02:46,720

corporate lawyer with everything under

91

00:02:50,390 --> 00:02:47,760

control

92

00:02:51,270 --> 00:02:50,400

but we both know that's just a facade he

93

00:02:52,710 --> 00:02:51,280

said if you want to

94

00:02:54,630 --> 00:02:52,720

you can turn around and go back to your

95

00:02:56,390 --> 00:02:54,640

office and see if you can find

96

00:02:58,149 --> 00:02:56,400

the answers to all those questions

97

00:02:59,910 --> 00:02:58,159

you've been asking yourself

98

00:03:01,910 --> 00:02:59,920

all these years see if you can find

99

00:03:03,509 --> 00:03:01,920

those answers in all those emails

100

00:03:05,190 --> 00:03:03,519

from your clients waiting on your

101  
00:03:06,470 --> 00:03:05,200  
computer

102  
00:03:08,790 --> 00:03:06,480  
well of course i knew that wasn't going

103  
00:03:10,550 --> 00:03:08,800  
to happen my intuition said well what do

104  
00:03:12,229 --> 00:03:10,560  
i have to lose i can sit down

105  
00:03:14,070 --> 00:03:12,239  
have a chat with this guy for half an

106  
00:03:14,470 --> 00:03:14,080  
hour uh you know not a big part of my

107  
00:03:17,670 --> 00:03:14,480  
day

108  
00:03:19,430 --> 00:03:17,680  
so i did sat down we began a

109  
00:03:20,710 --> 00:03:19,440  
a conversation that went off and on for

110  
00:03:23,190 --> 00:03:20,720  
several months

111  
00:03:24,710 --> 00:03:23,200  
he said told me his name was albert and

112  
00:03:26,390 --> 00:03:24,720  
he was really one of my spirit guides in

113  
00:03:29,589 --> 00:03:26,400

disguise

114

00:03:30,229 --> 00:03:29,599

um and so uh the initial contact with

115

00:03:32,309 --> 00:03:30,239

him was

116

00:03:33,990 --> 00:03:32,319

uh was a dialogue i'd ask a question

117

00:03:36,710 --> 00:03:34,000

he'd give me an answer

118

00:03:37,990 --> 00:03:36,720

and then after a few of these episodes

119

00:03:41,110 --> 00:03:38,000

he said to me

120

00:03:42,869 --> 00:03:41,120

by the way i'm not just here to satisfy

121

00:03:43,910 --> 00:03:42,879

your curiosity i want you to write a

122

00:03:46,229 --> 00:03:43,920

book about

123

00:03:48,070 --> 00:03:46,239

what i reveal to you so they'll be

124

00:03:49,509 --> 00:03:48,080

available to everyone

125

00:03:51,350 --> 00:03:49,519

which took me back a bit because i never

126

00:03:53,030 --> 00:03:51,360

even dreamed of writing a book i had

127

00:03:54,470 --> 00:03:53,040

never it wasn't even on my radar screen

128

00:03:57,270 --> 00:03:54,480

anywhere

129

00:03:58,710 --> 00:03:57,280

but so at the end of our first set of

130

00:04:01,030 --> 00:03:58,720

dialogues uh

131

00:04:02,470 --> 00:04:01,040

he then encouraged me to sit down and

132

00:04:05,589 --> 00:04:02,480

write the manuscript

133

00:04:07,270 --> 00:04:05,599

uh for for a book which i did which

134

00:04:07,910 --> 00:04:07,280

resulted in my first book dancing on a

135

00:04:09,830 --> 00:04:07,920

stamp

136

00:04:11,670 --> 00:04:09,840

after my first book dancing on snap was

137

00:04:14,710 --> 00:04:11,680

published um

138

00:04:15,830 --> 00:04:14,720

albert came back into my life later in a

139

00:04:18,229 --> 00:04:15,840

very different way

140

00:04:19,909 --> 00:04:18,239

i was sleeping in my bed and something

141

00:04:21,830 --> 00:04:19,919

made me wake up and i sat up in my bed

142

00:04:23,590 --> 00:04:21,840

and i could see this ghost-like ethereal

143

00:04:25,670 --> 00:04:23,600

figure standing in the doorway

144

00:04:28,070 --> 00:04:25,680

of my bedroom and when it moved closer

145

00:04:29,670 --> 00:04:28,080

to me i could see it was albert the

146

00:04:32,310 --> 00:04:29,680

homeless man i had met on the street

147

00:04:32,790 --> 00:04:32,320

but now he was an astral form and so i

148

00:04:34,310 --> 00:04:32,800

said

149

00:04:36,070 --> 00:04:34,320

you know hi albert which brings you here

150

00:04:37,909 --> 00:04:36,080

now this time and he said

151

00:04:39,909 --> 00:04:37,919

i'm here to take you on a series of

152

00:04:41,510 --> 00:04:39,919

out-of-body astro adventures

153

00:04:42,870 --> 00:04:41,520

i want to take you to the spirit side to

154

00:04:44,310 --> 00:04:42,880

other places in the universe to other

155

00:04:45,749 --> 00:04:44,320

places on your planet

156

00:04:47,350 --> 00:04:45,759

because i want you to write about what

157

00:04:48,950 --> 00:04:47,360

you see and hear

158

00:04:50,550 --> 00:04:48,960

in your next books and by the way he

159

00:04:52,310 --> 00:04:50,560

said you finished one book you're going

160

00:04:53,830 --> 00:04:52,320

to write at least three more

161

00:04:55,510 --> 00:04:53,840

which again sort of took me back because

162

00:04:57,670 --> 00:04:55,520

i hadn't really counted on that

163

00:04:59,670 --> 00:04:57,680

but albert's very persuasive so then he

164

00:05:02,469 --> 00:04:59,680

literally reached out

165

00:05:04,790 --> 00:05:02,479

he grabbed my astral hand pulled my

166

00:05:05,990 --> 00:05:04,800

astral body out of my physical body

167

00:05:07,590 --> 00:05:06,000

and i turned around and looked and my

168

00:05:08,629 --> 00:05:07,600

physical body was still sound asleep in

169

00:05:11,110 --> 00:05:08,639

bad so now i'm

170

00:05:12,710 --> 00:05:11,120

an astral form and my body isn't dead

171

00:05:13,909 --> 00:05:12,720

and i said okay let's go albert and so

172

00:05:15,590 --> 00:05:13,919

we rose up through the ceiling up

173

00:05:17,909 --> 00:05:15,600

through the clouds and uh

174

00:05:19,029 --> 00:05:17,919

and and he allowed me to hover above our

175

00:05:20,629 --> 00:05:19,039

beautiful planet

176  
00:05:22,629 --> 00:05:20,639  
way high up so i could turn around and

177  
00:05:25,670 --> 00:05:22,639  
look at it it was a beautiful sight it's

178  
00:05:26,629 --> 00:05:25,680  
our planet just like a a jeweled pendant

179  
00:05:29,029 --> 00:05:26,639  
hanging in the

180  
00:05:30,710 --> 00:05:29,039  
inky blackness of space and then from

181  
00:05:31,270 --> 00:05:30,720  
there we went on to the spirit side and

182  
00:05:33,510 --> 00:05:31,280  
then

183  
00:05:35,510 --> 00:05:33,520  
uh we had a number of adventures uh

184  
00:05:37,830 --> 00:05:35,520  
which which resulted in

185  
00:05:39,029 --> 00:05:37,840  
in my second third and fourth books

186  
00:05:41,029 --> 00:05:39,039  
which are

187  
00:05:42,070 --> 00:05:41,039  
dancing forever with spirit dance of

188  
00:05:44,310 --> 00:05:42,080

heavenly bliss

189

00:05:45,189 --> 00:05:44,320

and dance of eternal rapture and then he

190

00:05:47,510 --> 00:05:45,199

did come back

191

00:05:48,950 --> 00:05:47,520

again after those four books and we had

192

00:05:52,150 --> 00:05:48,960

another series of adventures

193

00:05:54,150 --> 00:05:52,160

which resulted in my fifth book uh

194

00:05:55,350 --> 00:05:54,160

dancing with angels in heaven

195

00:05:57,189 --> 00:05:55,360

which is in the process of being

196

00:05:59,350 --> 00:05:57,199

published by ozark mountain publishing

197

00:06:01,430 --> 00:05:59,360

who also published my first four books

198

00:06:03,430 --> 00:06:01,440

and that new book will be out sometime

199

00:06:06,629 --> 00:06:03,440

i'm not sure when late this year already

200

00:06:08,870 --> 00:06:06,639

next year and so all those uh

201  
00:06:10,390 --> 00:06:08,880  
books have to do with uh with either my

202  
00:06:12,390 --> 00:06:10,400  
dialogue or my

203  
00:06:14,309 --> 00:06:12,400  
astro trips with albert and he was he

204  
00:06:15,990 --> 00:06:14,319  
was he was my guy he was very specific

205  
00:06:18,070 --> 00:06:16,000  
about what he wanted me to see

206  
00:06:19,670 --> 00:06:18,080  
who he wanted me to talk to what sort of

207  
00:06:20,469 --> 00:06:19,680  
message he wanted me to put in my books

208  
00:06:23,430 --> 00:06:20,479  
because he wanted

209  
00:06:25,749 --> 00:06:23,440  
humanity to get to get these messages

210  
00:06:27,909 --> 00:06:25,759  
from the spirit side and from him

211  
00:06:29,990 --> 00:06:27,919  
and so i just followed along and it was

212  
00:06:33,029 --> 00:06:30,000  
a great adventure

213  
00:06:35,990 --> 00:06:33,039

great so would you would you

214

00:06:37,110 --> 00:06:36,000

basically do did he at least talk about

215

00:06:40,230 --> 00:06:37,120

a new any of us

216

00:06:42,230 --> 00:06:40,240

basically having um such a being as part

217

00:06:44,550 --> 00:06:42,240

of our lives or our

218

00:06:46,150 --> 00:06:44,560

kind of like this spirit guide or what

219

00:06:47,990 --> 00:06:46,160

would you say regarding that

220

00:06:50,070 --> 00:06:48,000

oh absolutely he said that every one of

221

00:06:51,430 --> 00:06:50,080

us has you know a number of spirit

222

00:06:54,230 --> 00:06:51,440

guides could be two three

223

00:06:56,710 --> 00:06:54,240

four five or more um and the spirit

224

00:06:58,550 --> 00:06:56,720

guides are souls on the spirit side

225

00:07:00,230 --> 00:06:58,560

who are like our life coaches and

226

00:07:03,110 --> 00:07:00,240

they're there and they're with us

227

00:07:04,070 --> 00:07:03,120

24 hours a day seven days a week they

228

00:07:05,670 --> 00:07:04,080

never leave us

229

00:07:08,150 --> 00:07:05,680

and they're there to try to give us some

230

00:07:10,230 --> 00:07:08,160

guidance in terms of how we

231

00:07:12,070 --> 00:07:10,240

carry out our journey on earth and the

232

00:07:13,830 --> 00:07:12,080

guidance they give is based upon

233

00:07:15,110 --> 00:07:13,840

what we had planned for ourselves before

234

00:07:17,589 --> 00:07:15,120

we incarnated

235

00:07:19,749 --> 00:07:17,599

because we all prepared what i call a

236

00:07:22,950 --> 00:07:19,759

life plan some people call it a contract

237

00:07:23,589 --> 00:07:22,960

uh it's a plan where we uh we picked out

238

00:07:25,589 --> 00:07:23,599

basically

239

00:07:27,430 --> 00:07:25,599

the life that we wanted to live which is

240

00:07:29,350 --> 00:07:27,440

the place we're going to be born

241

00:07:30,469 --> 00:07:29,360

the identity of our parents siblings

242

00:07:32,150 --> 00:07:30,479

other relatives

243

00:07:33,990 --> 00:07:32,160

first language we'd learn that sort of

244

00:07:36,710 --> 00:07:34,000

thing and we did that

245

00:07:37,510 --> 00:07:36,720

for the purpose of facing challenges and

246

00:07:39,830 --> 00:07:37,520

uh

247

00:07:41,749 --> 00:07:39,840

learning lessons that we needed for our

248

00:07:43,350 --> 00:07:41,759

growth and evolution as souls so

249

00:07:45,110 --> 00:07:43,360

that's why we came here we want to grow

250

00:07:47,670 --> 00:07:45,120

and evolve and acquire wisdom

251  
00:07:49,670 --> 00:07:47,680  
okay and so our guides know that they

252  
00:07:51,830 --> 00:07:49,680  
know what we wanted to accomplish

253  
00:07:53,270 --> 00:07:51,840  
um but we don't remember what's in our

254  
00:07:54,390 --> 00:07:53,280  
life plan so we don't know that once

255  
00:07:56,150 --> 00:07:54,400  
we've incarnated

256  
00:07:58,150 --> 00:07:56,160  
and so they have they're there to try to

257  
00:07:59,749 --> 00:07:58,160  
steer us in the right direction um

258  
00:08:01,350 --> 00:07:59,759  
but their guidance is even though

259  
00:08:03,189 --> 00:08:01,360  
they're with us all the time and they're

260  
00:08:05,029 --> 00:08:03,199  
always sending us messages

261  
00:08:06,710 --> 00:08:05,039  
they're they're their communications are

262  
00:08:08,629 --> 00:08:06,720  
very subtle it's not like

263  
00:08:10,070 --> 00:08:08,639

see with albert i had a very direct

264

00:08:10,869 --> 00:08:10,080

conversation like you and i are having

265

00:08:13,830 --> 00:08:10,879

admin

266

00:08:15,270 --> 00:08:13,840

um but for most people it's it's uh it's

267

00:08:18,469 --> 00:08:15,280

very subtle messages like

268

00:08:20,230 --> 00:08:18,479

flashes of intuition uh gut feelings

269

00:08:22,469 --> 00:08:20,240

uh whispers in our mind that kind of

270

00:08:23,110 --> 00:08:22,479

thing and the problem that most humans

271

00:08:26,070 --> 00:08:23,120

have

272

00:08:27,430 --> 00:08:26,080

is that they don't hear those messages

273

00:08:28,950 --> 00:08:27,440

or if they hear them they don't

274

00:08:30,629 --> 00:08:28,960

recognize where they're coming from or

275

00:08:31,830 --> 00:08:30,639

what what they should do with them

276

00:08:33,029 --> 00:08:31,840

so that's really a challenge that's one

277

00:08:34,949 --> 00:08:33,039

of the big challenges in the life on

278

00:08:38,230 --> 00:08:34,959

earth is to listen to our guides

279

00:08:40,149 --> 00:08:38,240

so the answer is yes everyone has guides

280

00:08:41,350 --> 00:08:40,159

and and some of them will change over

281

00:08:42,709 --> 00:08:41,360

the course of our lifetimes like

282

00:08:44,070 --> 00:08:42,719

there'll be

283

00:08:46,470 --> 00:08:44,080

one or two who will be with us from

284

00:08:47,829 --> 00:08:46,480

birth until death but to be others who

285

00:08:49,590 --> 00:08:47,839

will come and go

286

00:08:51,670 --> 00:08:49,600

as our life progresses depending on what

287

00:08:54,070 --> 00:08:51,680

our needs are at any given time

288

00:08:55,910 --> 00:08:54,080

and so our you know this is a a constant

289

00:08:58,870 --> 00:08:55,920

changeover of our guys

290

00:08:59,430 --> 00:08:58,880

uh anyway so yes everyone has them you

291

00:09:01,110 --> 00:08:59,440

have them

292

00:09:03,509 --> 00:09:01,120

uh there's there's nobody who does not

293

00:09:04,470 --> 00:09:03,519

have a guide and these guys are chosen

294

00:09:06,870 --> 00:09:04,480

by us

295

00:09:08,470 --> 00:09:06,880

uh before we incarnate so that we sort

296

00:09:10,230 --> 00:09:08,480

of have our team in place

297

00:09:11,829 --> 00:09:10,240

and then of course once we're born we

298

00:09:12,470 --> 00:09:11,839

forget all that stuff we forget where we

299

00:09:13,910 --> 00:09:12,480

came from

300

00:09:15,670 --> 00:09:13,920

we forget that we have guides forget we

301  
00:09:16,230 --> 00:09:15,680  
have a life plan and so we have to kind

302  
00:09:18,230 --> 00:09:16,240  
of

303  
00:09:20,150 --> 00:09:18,240  
flounder around somewhat blindly on

304  
00:09:21,190 --> 00:09:20,160  
earth which makes it the biggest

305  
00:09:22,949 --> 00:09:21,200  
challenge

306  
00:09:24,550 --> 00:09:22,959  
for all of us is that we don't we don't

307  
00:09:26,389 --> 00:09:24,560  
remember who we are where we came from

308  
00:09:27,670 --> 00:09:26,399  
so garnet i don't mean to throw you a

309  
00:09:30,230 --> 00:09:27,680  
curveball but i

310  
00:09:31,350 --> 00:09:30,240  
i wanted to ask you a question that um

311  
00:09:32,790 --> 00:09:31,360  
you know there's been a lot of people

312  
00:09:34,710 --> 00:09:32,800  
that have confirmed

313  
00:09:35,990 --> 00:09:34,720

what you what you're saying and shared

314

00:09:38,389 --> 00:09:36,000

their stories with their

315

00:09:39,190 --> 00:09:38,399

spirit guides but have you ever heard of

316

00:09:41,509 --> 00:09:39,200

of of an

317

00:09:42,310 --> 00:09:41,519

answer or maybe didn't even know to ask

318

00:09:46,630 --> 00:09:42,320

the question

319

00:09:50,630 --> 00:09:46,640

why is it functioning in that way

320

00:09:52,949 --> 00:09:50,640

um why is it the story that why

321

00:09:53,990 --> 00:09:52,959

this mentorship and how did it all come

322

00:09:56,150 --> 00:09:54,000

come to be

323

00:09:58,150 --> 00:09:56,160

and you know instead of us just kind of

324

00:09:59,509 --> 00:09:58,160

randomly existing and being all over the

325

00:10:01,269 --> 00:09:59,519

place

326

00:10:02,550 --> 00:10:01,279

well i think it's i'm not sure how who

327

00:10:04,389 --> 00:10:02,560

first devised it it's probably been

328

00:10:08,230 --> 00:10:04,399

around for a long time

329

00:10:09,910 --> 00:10:08,240

the idea behind behind it was that um

330

00:10:11,670 --> 00:10:09,920

that we do need some guidance although

331

00:10:12,790 --> 00:10:11,680

it can't be sort of really specific

332

00:10:14,949 --> 00:10:12,800

guidance you see if our

333

00:10:16,150 --> 00:10:14,959

if our spirit guides just basically talk

334

00:10:18,630 --> 00:10:16,160

to us like we are now

335

00:10:20,150 --> 00:10:18,640

and said okay ad then tomorrow you

336

00:10:20,630 --> 00:10:20,160

should do this and next week you should

337

00:10:23,670 --> 00:10:20,640

do that

338

00:10:25,350 --> 00:10:23,680

it would be too easy

339

00:10:27,430 --> 00:10:25,360

you'd have a you know step-by-step

340

00:10:29,190 --> 00:10:27,440

roadmap and they they can't give that to

341

00:10:31,590 --> 00:10:29,200

you because that would be too easy

342

00:10:32,870 --> 00:10:31,600

as albert said if you do all that stuff

343

00:10:35,509 --> 00:10:32,880

directly in very

344

00:10:36,630 --> 00:10:35,519

minute detail it would be like a teacher

345

00:10:38,710 --> 00:10:36,640

giving her

346

00:10:40,310 --> 00:10:38,720

students the questions and answer to a

347

00:10:41,990 --> 00:10:40,320

final exam before the exam

348

00:10:43,590 --> 00:10:42,000

it's like there'll be no purpose in

349

00:10:45,829 --> 00:10:43,600

studying for it because you'd

350

00:10:46,949 --> 00:10:45,839

be all there for you so so that's that's

351

00:10:47,670 --> 00:10:46,959

the real challenge that that's what

352

00:10:50,310 --> 00:10:47,680

makes

353

00:10:51,190 --> 00:10:50,320

um the earth school one of the toughest

354

00:10:53,110 --> 00:10:51,200

schools in the

355

00:10:54,310 --> 00:10:53,120

in the universe and and uh and of course

356

00:10:56,470 --> 00:10:54,320

you know the the

357

00:10:57,910 --> 00:10:56,480

dolores cannon the founder of ozark

358

00:10:59,350 --> 00:10:57,920

mountain publishing she has

359

00:11:01,269 --> 00:10:59,360

communicated that over and over again

360

00:11:02,230 --> 00:11:01,279

it's a tough school it is albert has

361

00:11:05,110 --> 00:11:02,240

confirmed that

362

00:11:05,670 --> 00:11:05,120

and as you know uh you know living on

363

00:11:07,910 --> 00:11:05,680

earth is

364

00:11:08,710 --> 00:11:07,920

no walk in the park it's not a picnic i

365

00:11:10,150 --> 00:11:08,720

mean there's

366

00:11:12,310 --> 00:11:10,160

there's some good good things there's

367

00:11:13,269 --> 00:11:12,320

some trials and tribulations we all have

368

00:11:15,430 --> 00:11:13,279

to go through

369

00:11:17,110 --> 00:11:15,440

but that's designed to give us

370

00:11:18,870 --> 00:11:17,120

challenges to overcome

371

00:11:20,230 --> 00:11:18,880

and lessons to learn does that answer

372

00:11:22,389 --> 00:11:20,240

your question or

373

00:11:23,990 --> 00:11:22,399

um well i mean yeah you basically answer

374

00:11:26,470 --> 00:11:24,000

by saying that

375

00:11:27,030 --> 00:11:26,480

i mean you said you don't know and it is

376

00:11:29,350 --> 00:11:27,040

quite

377

00:11:30,630 --> 00:11:29,360

i don't know it's perplexing for me to

378

00:11:32,630 --> 00:11:30,640

just kind of

379

00:11:34,550 --> 00:11:32,640

i mean it's almost like the human brain

380

00:11:36,150 --> 00:11:34,560

always wants the origin story

381

00:11:37,910 --> 00:11:36,160

you know it's like something is working

382

00:11:40,150 --> 00:11:37,920

a certain way why

383

00:11:43,030 --> 00:11:40,160

on these different levels that that i

384

00:11:45,269 --> 00:11:43,040

guess that we we exist

385

00:11:46,150 --> 00:11:45,279

do they are they all interconnected in

386

00:11:48,710 --> 00:11:46,160

some way to

387

00:11:49,590 --> 00:11:48,720

suggest that you know as a lot of people

388

00:11:51,269 --> 00:11:49,600

talk about

389

00:11:53,269 --> 00:11:51,279

you know that we're part of this oneness

390

00:11:54,310 --> 00:11:53,279

what is your experience like is there

391

00:11:57,509 --> 00:11:54,320

such a thing as

392

00:11:58,389 --> 00:11:57,519

a god or are we all part of it you know

393

00:12:00,389 --> 00:11:58,399

is it all

394

00:12:02,150 --> 00:12:00,399

all one and the same what is what is

395

00:12:03,670 --> 00:12:02,160

your perception of what it is that you

396

00:12:04,629 --> 00:12:03,680

experience what do you possibly know

397

00:12:07,430 --> 00:12:04,639

about that if you

398

00:12:07,990 --> 00:12:07,440

if you have any information oh yeah

399

00:12:09,509 --> 00:12:08,000

absolutely

400

00:12:12,310 --> 00:12:09,519

i've had never discussions with albert

401  
00:12:14,230 --> 00:12:12,320  
about this um there is a

402  
00:12:15,509 --> 00:12:14,240  
excuse me there is a god which i refer

403  
00:12:19,350 --> 00:12:15,519  
to as the creator

404  
00:12:21,750 --> 00:12:19,360  
um or the source and and and that

405  
00:12:23,269 --> 00:12:21,760  
that is the the that's who started

406  
00:12:24,870 --> 00:12:23,279  
everything i mean

407  
00:12:27,190 --> 00:12:24,880  
originally there was just the source

408  
00:12:29,350 --> 00:12:27,200  
existing as a singularity of

409  
00:12:31,590 --> 00:12:29,360  
consciousness and energy and then it

410  
00:12:34,389 --> 00:12:31,600  
decided to fill the void around it with

411  
00:12:34,710 --> 00:12:34,399  
uh with matter and energy and so the

412  
00:12:36,550 --> 00:12:34,720  
what

413  
00:12:38,069 --> 00:12:36,560

some scientists call the big bang

414

00:12:38,949 --> 00:12:38,079

created the big bang and so all this

415

00:12:41,509 --> 00:12:38,959

energy

416

00:12:42,389 --> 00:12:41,519

uh fanned out from the from the original

417

00:12:45,110 --> 00:12:42,399

source

418

00:12:46,389 --> 00:12:45,120

uh and eventually that energy um

419

00:12:49,509 --> 00:12:46,399

congealed into

420

00:12:50,949 --> 00:12:49,519

matter into gas and and particles and

421

00:12:53,110 --> 00:12:50,959

eventually all those things

422

00:12:54,790 --> 00:12:53,120

formed all the stars and all the planets

423

00:12:56,150 --> 00:12:54,800

and all the galaxies

424

00:12:58,150 --> 00:12:56,160

and so that's sort of where it all

425

00:12:59,350 --> 00:12:58,160

started from and

426  
00:13:01,269 --> 00:12:59,360  
and so the source everything is

427  
00:13:03,269 --> 00:13:01,279  
connected to the source including you

428  
00:13:04,949 --> 00:13:03,279  
and i so all the souls

429  
00:13:06,470 --> 00:13:04,959  
are intimately connected to the source

430  
00:13:07,750 --> 00:13:06,480  
and connect it to each other

431  
00:13:09,509 --> 00:13:07,760  
which is hard for a lot of us to

432  
00:13:11,110 --> 00:13:09,519  
understand because it seems like when

433  
00:13:13,110 --> 00:13:11,120  
you see somebody walking down the street

434  
00:13:14,150 --> 00:13:13,120  
you think well that person is separate

435  
00:13:16,710 --> 00:13:14,160  
from me

436  
00:13:18,790 --> 00:13:16,720  
in a physical sense they are but but in

437  
00:13:21,110 --> 00:13:18,800  
a soul sense we're all connected

438  
00:13:22,150 --> 00:13:21,120

and so so the source is sort of the sum

439

00:13:23,829 --> 00:13:22,160

total of everything

440

00:13:25,509 --> 00:13:23,839

and we're all part of the source all

441

00:13:27,350 --> 00:13:25,519

connected to it and connected to

442

00:13:29,350 --> 00:13:27,360

each other although it's hard for us as

443

00:13:30,470 --> 00:13:29,360

humans to really understand that because

444

00:13:32,870 --> 00:13:30,480

in our daily lives

445

00:13:34,069 --> 00:13:32,880

it seems like everything is separate was

446

00:13:37,430 --> 00:13:34,079

there any kind of discussion

447

00:13:39,189 --> 00:13:37,440

of why that

448

00:13:41,350 --> 00:13:39,199

you know why that happened you know what

449

00:13:43,110 --> 00:13:41,360

what you know was uh

450

00:13:44,790 --> 00:13:43,120

i mean it's kind of silly to say this

451  
00:13:47,829 --> 00:13:44,800  
but did the source not

452  
00:13:49,269 --> 00:13:47,839  
feel fulfilled enough or was it just um

453  
00:13:50,870 --> 00:13:49,279  
feeling like it needed to create

454  
00:13:53,030 --> 00:13:50,880  
something so it

455  
00:13:54,069 --> 00:13:53,040  
created this what what do you think that

456  
00:13:55,590 --> 00:13:54,079  
that could be

457  
00:13:57,350 --> 00:13:55,600  
yeah according to albert it was sort of

458  
00:13:59,509 --> 00:13:57,360  
like uh excuse me

459  
00:14:01,030 --> 00:13:59,519  
it was sort of like uh the source just

460  
00:14:03,269 --> 00:14:01,040  
felt like it wanted to create

461  
00:14:04,310 --> 00:14:03,279  
things and fill the void so it could

462  
00:14:07,110 --> 00:14:04,320  
better experience

463  
00:14:08,550 --> 00:14:07,120

what what it was sort of like a a

464

00:14:09,670 --> 00:14:08,560

painter with a blank canvas and a

465

00:14:11,509 --> 00:14:09,680

painter wants to

466

00:14:12,949 --> 00:14:11,519

paint things on the canvas and then

467

00:14:14,790 --> 00:14:12,959

stands back and admires

468

00:14:16,389 --> 00:14:14,800

what he's created and then moves on to

469

00:14:18,870 --> 00:14:16,399

the next one it's it was sort of that

470

00:14:20,470 --> 00:14:18,880

i mean hard for us to imagine quite how

471

00:14:20,870 --> 00:14:20,480

that all works but that's sort of the

472

00:14:22,230 --> 00:14:20,880

best

473

00:14:24,069 --> 00:14:22,240

explanation that albert could give me

474

00:14:26,310 --> 00:14:24,079

was that the source just wanted to

475

00:14:28,389 --> 00:14:26,320

fill the void around it with matter and

476  
00:14:31,189 --> 00:14:28,399  
things and eventually life forms

477  
00:14:32,710 --> 00:14:31,199  
um and then everything that all the life

478  
00:14:34,230 --> 00:14:32,720  
forms in the universe

479  
00:14:35,750 --> 00:14:34,240  
everything that that we and all the

480  
00:14:38,310 --> 00:14:35,760  
other life forms experience are

481  
00:14:41,509 --> 00:14:38,320  
experienced vicariously by the source

482  
00:14:43,670 --> 00:14:41,519  
so the horus the source can just

483  
00:14:45,430 --> 00:14:43,680  
enjoy what it has created in all of its

484  
00:14:47,269 --> 00:14:45,440  
many facets and so it was a

485  
00:14:48,470 --> 00:14:47,279  
it was like a an artist painting on a

486  
00:14:51,750 --> 00:14:48,480  
blank canvas

487  
00:14:55,670 --> 00:14:54,550  
would you say that what we what we feel

488  
00:14:58,230 --> 00:14:55,680

and think

489

00:14:59,910 --> 00:14:58,240

is kind of like a small version of what

490

00:15:03,269 --> 00:14:59,920

the source is also

491

00:15:03,990 --> 00:15:03,279

capable of or should we say is what we

492

00:15:06,550 --> 00:15:04,000

feel

493

00:15:08,150 --> 00:15:06,560

uh more of a very rudimentary of what

494

00:15:11,670 --> 00:15:08,160

the source is actually

495

00:15:13,110 --> 00:15:11,680

perceiving quite a bit more rudimentary

496

00:15:15,509 --> 00:15:13,120

i mean the source is uh

497

00:15:17,189 --> 00:15:15,519

in terms of a awareness level and

498

00:15:20,870 --> 00:15:17,199

consciousness and intelligence

499

00:15:22,629 --> 00:15:20,880

is just uh you know light years above us

500

00:15:24,389 --> 00:15:22,639

uh so we're sort of at we're sort of

501  
00:15:26,470 --> 00:15:24,399  
rudimentary

502  
00:15:27,509 --> 00:15:26,480  
individual aspects of the source is how

503  
00:15:29,670 --> 00:15:27,519  
albert put it

504  
00:15:31,110 --> 00:15:29,680  
and so when when the souls were created

505  
00:15:33,430 --> 00:15:31,120  
it was like uh

506  
00:15:34,550 --> 00:15:33,440  
uh sparks of light spinning out from the

507  
00:15:36,389 --> 00:15:34,560  
central sun

508  
00:15:38,230 --> 00:15:36,399  
and those sparks of light for souls and

509  
00:15:39,670 --> 00:15:38,240  
and the source created those sparks of

510  
00:15:41,110 --> 00:15:39,680  
light which is our souls

511  
00:15:42,790 --> 00:15:41,120  
and basically sent them out and said go

512  
00:15:45,189 --> 00:15:42,800  
and explore the universe and

513  
00:15:46,949 --> 00:15:45,199

try incarnations and and everything that

514

00:15:48,870 --> 00:15:46,959

you see and experience

515

00:15:50,069 --> 00:15:48,880

gets fed back to me and so it was just

516

00:15:54,150 --> 00:15:50,079

part of their grant

517

00:15:57,509 --> 00:15:54,160

of the sources grand scheme

518

00:15:59,350 --> 00:15:57,519

so i guess did it was was it part of the

519

00:16:02,470 --> 00:15:59,360

plan from the beginning to

520

00:16:03,110 --> 00:16:02,480

as we looking from our end physically at

521

00:16:07,110 --> 00:16:03,120

least

522

00:16:09,350 --> 00:16:07,120

that it was meant to be endless

523

00:16:10,550 --> 00:16:09,360

yes yeah and that's and that's a that's

524

00:16:12,949 --> 00:16:10,560

a it is it's it's

525

00:16:14,150 --> 00:16:12,959

it's eternal we are eternal sources

526  
00:16:16,069 --> 00:16:14,160  
eternal

527  
00:16:17,829 --> 00:16:16,079  
excuse me and when i asked albert you

528  
00:16:19,749 --> 00:16:17,839  
know who's

529  
00:16:21,990 --> 00:16:19,759  
who created the source or where did it

530  
00:16:23,430 --> 00:16:22,000  
come from and he just said

531  
00:16:25,189 --> 00:16:23,440  
source has always been there no one

532  
00:16:25,910 --> 00:16:25,199  
created it which is really hard for us

533  
00:16:29,749 --> 00:16:25,920  
to

534  
00:16:33,110 --> 00:16:29,759  
say source has always been there

535  
00:16:35,269 --> 00:16:33,120  
um it's eternal souls are eternal

536  
00:16:37,110 --> 00:16:35,279  
i mean so we we never die we just keep

537  
00:16:38,550 --> 00:16:37,120  
on exploring uh

538  
00:16:40,550 --> 00:16:38,560

different aspects of the universe

539

00:16:42,949 --> 00:16:40,560

incarnating in different life forms

540

00:16:44,710 --> 00:16:42,959

and we just continue on it's it's like a

541

00:16:47,269 --> 00:16:44,720

a journey of exploration

542

00:16:48,230 --> 00:16:47,279

and acquiring knowledge and wisdom that

543

00:16:49,990 --> 00:16:48,240

has uh

544

00:16:51,910 --> 00:16:50,000

no finish line we just we just keep on

545

00:16:53,910 --> 00:16:51,920

going and and you might say well

546

00:16:55,189 --> 00:16:53,920

if if we're all eternal sooner or later

547

00:16:56,230 --> 00:16:55,199

we're gonna see everything there is to

548

00:16:57,590 --> 00:16:56,240

see in the universe

549

00:16:59,829 --> 00:16:57,600

and the answer is no because the

550

00:17:02,870 --> 00:16:59,839

universe is constantly expanding

551  
00:17:04,309 --> 00:17:02,880  
and and uh and and in fact dividing one

552  
00:17:05,669 --> 00:17:04,319  
of the things that was very interesting

553  
00:17:07,029 --> 00:17:05,679  
for me was that

554  
00:17:09,350 --> 00:17:07,039  
when the source created the first

555  
00:17:12,789 --> 00:17:09,360  
universe it built in a

556  
00:17:15,029 --> 00:17:12,799  
a random sort of a division factor into

557  
00:17:16,789 --> 00:17:15,039  
a universe so that at random times

558  
00:17:18,230 --> 00:17:16,799  
uh the first universe split into two

559  
00:17:21,270 --> 00:17:18,240  
identical universes

560  
00:17:23,270 --> 00:17:21,280  
okay and then over time those universes

561  
00:17:24,630 --> 00:17:23,280  
because of the interaction of mass and

562  
00:17:26,789 --> 00:17:24,640  
energy and so on

563  
00:17:28,230 --> 00:17:26,799

they they changed you know so

564

00:17:29,909 --> 00:17:28,240

immediately they were identical

565

00:17:31,510 --> 00:17:29,919

then they changed and then over time

566

00:17:33,270 --> 00:17:31,520

those two split into two more

567

00:17:34,789 --> 00:17:33,280

and so on right now we have a countless

568

00:17:37,750 --> 00:17:34,799

number of of universes

569

00:17:39,029 --> 00:17:37,760

parallel universes that exist uh and and

570

00:17:39,510 --> 00:17:39,039

one of the things that was interesting

571

00:17:42,710 --> 00:17:39,520

he said

572

00:17:43,270 --> 00:17:42,720

in uh in in in what in one parallel

573

00:17:46,390 --> 00:17:43,280

universe

574

00:17:48,150 --> 00:17:46,400

that deals with sort of planet earth uh

575

00:17:49,750 --> 00:17:48,160

in one of them earth doesn't even exist

576

00:17:52,070 --> 00:17:49,760

because of a of a

577

00:17:53,750 --> 00:17:52,080

quirk in the in the cosmology at the

578

00:17:55,350 --> 00:17:53,760

time it doesn't even exist

579

00:17:57,669 --> 00:17:55,360

in another parallel universe he said

580

00:17:59,350 --> 00:17:57,679

that earth

581

00:18:01,669 --> 00:17:59,360

the asteroid that hit the yucatan

582

00:18:02,870 --> 00:18:01,679

peninsula 65 million years ago

583

00:18:05,190 --> 00:18:02,880

you know destroying most of the

584

00:18:07,110 --> 00:18:05,200

dinosaurs in that

585

00:18:08,950 --> 00:18:07,120

universe it missed the earth by a

586

00:18:10,870 --> 00:18:08,960

whisker and on that earth

587

00:18:12,950 --> 00:18:10,880

the dinosaurs are still the dominant

588

00:18:13,990 --> 00:18:12,960

species so there's a lot of differences

589

00:18:16,230 --> 00:18:14,000

that happen

590

00:18:18,549 --> 00:18:16,240

a lot of them a number of the

591

00:18:20,310 --> 00:18:18,559

differences arise because of the

592

00:18:22,789 --> 00:18:20,320

different three-wheel actions of life

593

00:18:25,270 --> 00:18:22,799

forms on the different universes and so

594

00:18:26,549 --> 00:18:25,280

you know i actually got to see earth

595

00:18:27,990 --> 00:18:26,559

well i actually got to see two of them

596

00:18:29,750 --> 00:18:28,000

but one of my first trips was to

597

00:18:32,070 --> 00:18:29,760

earth in a parallel universe where it

598

00:18:33,750 --> 00:18:32,080

was really very similar but different in

599

00:18:35,270 --> 00:18:33,760

two very significant aspects and so it's

600

00:18:37,830 --> 00:18:35,280

very interesting to see how

601  
00:18:38,870 --> 00:18:37,840  
when you look back at history where some

602  
00:18:40,870 --> 00:18:38,880  
minor

603  
00:18:42,070 --> 00:18:40,880  
decision made by some government or

604  
00:18:44,390 --> 00:18:42,080  
whatever

605  
00:18:45,990 --> 00:18:44,400  
or some accident that happens made a

606  
00:18:47,830 --> 00:18:46,000  
significant change in how that earth

607  
00:18:49,590 --> 00:18:47,840  
developed compared to ours so it's

608  
00:18:51,510 --> 00:18:49,600  
really interesting and he said

609  
00:18:53,110 --> 00:18:51,520  
you know when a when a universe splits

610  
00:18:56,150 --> 00:18:53,120  
the life forms do not know

611  
00:18:57,909 --> 00:18:56,160  
that it has split and so

612  
00:18:59,190 --> 00:18:57,919  
if you're in a universe that's split you

613  
00:19:01,430 --> 00:18:59,200

know all of a sudden now there's two

614

00:19:02,870 --> 00:19:01,440

adhan's one in each universe

615

00:19:04,470 --> 00:19:02,880

and and so you it's basically like you

616

00:19:06,549 --> 00:19:04,480

have a clone and and

617

00:19:09,350 --> 00:19:06,559

the interesting thing is is that because

618

00:19:11,990 --> 00:19:09,360

um we all have free wills to make uh

619

00:19:12,470 --> 00:19:12,000

take actions and make decisions is that

620

00:19:14,630 --> 00:19:12,480

ad

621

00:19:16,549 --> 00:19:14,640

and earth number one may make different

622

00:19:17,510 --> 00:19:16,559

decisions than admin and earth number

623

00:19:19,669 --> 00:19:17,520

two

624

00:19:20,549 --> 00:19:19,679

so you never quite know how how it all

625

00:19:23,510 --> 00:19:20,559

shakes out and

626  
00:19:24,710 --> 00:19:23,520  
when you look back on it excuse me you

627  
00:19:27,110 --> 00:19:24,720  
may have

628  
00:19:27,990 --> 00:19:27,120  
had a number of major decision points in

629  
00:19:29,510 --> 00:19:28,000  
your life like

630  
00:19:31,830 --> 00:19:29,520  
where should i go to school which city

631  
00:19:33,190 --> 00:19:31,840  
should i live in what job should i have

632  
00:19:34,950 --> 00:19:33,200  
if you looked at if you're able to look

633  
00:19:35,750 --> 00:19:34,960  
at these two parallel universes you

634  
00:19:37,510 --> 00:19:35,760  
might find that

635  
00:19:38,950 --> 00:19:37,520  
that adnan in one universe made a

636  
00:19:39,510 --> 00:19:38,960  
different decision than in the other

637  
00:19:41,590 --> 00:19:39,520  
universe

638  
00:19:43,350 --> 00:19:41,600

to be very interesting and you can't see

639

00:19:45,029 --> 00:19:43,360

this now but when you uh when you

640

00:19:46,470 --> 00:19:45,039

when you return to the spirit side

641

00:19:47,029 --> 00:19:46,480

you'll be able to see what happened to

642

00:19:49,270 --> 00:19:47,039

all the

643

00:19:50,070 --> 00:19:49,280

admins if in fact there are any now it's

644

00:19:52,630 --> 00:19:50,080

possible that

645

00:19:54,070 --> 00:19:52,640

that our universe has not split recently

646

00:19:54,710 --> 00:19:54,080

so maybe there's just one of us but we

647

00:19:56,230 --> 00:19:54,720

don't know

648

00:19:57,909 --> 00:19:56,240

anyway it's a very interesting

649

00:20:00,710 --> 00:19:57,919

intriguing concept

650

00:20:01,029 --> 00:20:00,720

the differences on on point of views

651  
00:20:05,669 --> 00:20:01,039  
here

652  
00:20:07,510 --> 00:20:05,679  
you know you always have people that are

653  
00:20:08,149 --> 00:20:07,520  
more into science other people more

654  
00:20:09,669 --> 00:20:08,159  
religious

655  
00:20:12,470 --> 00:20:09,679  
and then you have what some people call

656  
00:20:15,270 --> 00:20:12,480  
the metaphysical field and all of that

657  
00:20:15,909 --> 00:20:15,280  
so is it is it basically the whole point

658  
00:20:18,470 --> 00:20:15,919  
that

659  
00:20:19,590 --> 00:20:18,480  
only certain people have gotten to the

660  
00:20:22,149 --> 00:20:19,600  
point to where

661  
00:20:24,149 --> 00:20:22,159  
now it's time for us to get more

662  
00:20:25,990 --> 00:20:24,159  
acquainted with what's more out there

663  
00:20:27,669 --> 00:20:26,000

whereas in others might kind of just

664

00:20:28,230 --> 00:20:27,679

continue their life the way they always

665

00:20:31,590 --> 00:20:28,240

have

666

00:20:32,390 --> 00:20:31,600

or or is it the point that every person

667

00:20:34,630 --> 00:20:32,400

on the planet

668

00:20:37,110 --> 00:20:34,640

has to come to this understanding what

669

00:20:39,750 --> 00:20:37,120

what is your take on that

670

00:20:40,950 --> 00:20:39,760

uh well it's it if there's two different

671

00:20:42,070 --> 00:20:40,960

people if there's people on two

672

00:20:44,070 --> 00:20:42,080

different uh

673

00:20:45,190 --> 00:20:44,080

you know universes they certainly can

674

00:20:47,270 --> 00:20:45,200

make different decisions

675

00:20:48,549 --> 00:20:47,280

but in terms of people being more

676  
00:20:52,710 --> 00:20:48,559  
spiritually aware

677  
00:20:53,990 --> 00:20:52,720  
of uh of of the reality of the cycle of

678  
00:20:56,549 --> 00:20:54,000  
reincarnation and

679  
00:20:57,270 --> 00:20:56,559  
who we are that is developing here in

680  
00:20:59,590 --> 00:20:57,280  
our earth

681  
00:21:01,190 --> 00:20:59,600  
has developed uh quite rapidly actually

682  
00:21:02,470 --> 00:21:01,200  
over the last 20 or 30 years

683  
00:21:04,870 --> 00:21:02,480  
there's more and more people who are

684  
00:21:06,870 --> 00:21:04,880  
becoming more spiritually aware

685  
00:21:08,390 --> 00:21:06,880  
more into the metaphysics sort of less

686  
00:21:10,549 --> 00:21:08,400  
of the religion

687  
00:21:12,390 --> 00:21:10,559  
and uh you know albert said to me that

688  
00:21:15,190 --> 00:21:12,400

if i had written my first book

689

00:21:16,630 --> 00:21:15,200

30 years ago nobody would publish it and

690

00:21:17,990 --> 00:21:16,640

if it was published nobody would read it

691

00:21:20,310 --> 00:21:18,000

because there weren't enough people

692

00:21:21,669 --> 00:21:20,320

who were sort of open-minded enough to

693

00:21:23,669 --> 00:21:21,679

sort of uh

694

00:21:25,270 --> 00:21:23,679

you know read it and understand it and

695

00:21:26,470 --> 00:21:25,280

agree with it or maybe disagree with it

696

00:21:28,870 --> 00:21:26,480

but but to understand

697

00:21:30,070 --> 00:21:28,880

what it was said in the books and so so

698

00:21:31,669 --> 00:21:30,080

we've made a lot of progress

699

00:21:33,190 --> 00:21:31,679

but we still have a long ways to go i

700

00:21:35,190 --> 00:21:33,200

mean there's still a lot of uh

701  
00:21:37,110 --> 00:21:35,200  
the the big problems on our planet admin

702  
00:21:39,990 --> 00:21:37,120  
is that there's too many

703  
00:21:41,590 --> 00:21:40,000  
excuse me too many humans who are who

704  
00:21:42,390 --> 00:21:41,600  
let their negative emotions get out of

705  
00:21:43,909 --> 00:21:42,400  
control

706  
00:21:45,590 --> 00:21:43,919  
and and run their lives you know like

707  
00:21:47,590 --> 00:21:45,600  
fear anger hate greed

708  
00:21:49,990 --> 00:21:47,600  
that's why we have so much so many wars

709  
00:21:50,870 --> 00:21:50,000  
and genocide and murders and other

710  
00:21:52,630 --> 00:21:50,880  
crimes

711  
00:21:54,310 --> 00:21:52,640  
uh and so what we have to do and what

712  
00:21:56,149 --> 00:21:54,320  
albert is trying to do through

713  
00:21:57,669 --> 00:21:56,159

by giving me his message is to try to

714

00:22:00,390 --> 00:21:57,679

get people to be more aware

715

00:22:02,230 --> 00:22:00,400

that we all are eternal souls we have to

716

00:22:04,630 --> 00:22:02,240

control our negative emotions

717

00:22:05,669 --> 00:22:04,640

embrace love and compassion and the more

718

00:22:07,909 --> 00:22:05,679

people who can do that

719

00:22:09,110 --> 00:22:07,919

the better place our world will be as a

720

00:22:12,390 --> 00:22:09,120

place to live in

721

00:22:13,909 --> 00:22:12,400

so that's that was his goal basically

722

00:22:15,669 --> 00:22:13,919

eventually the whole point is for

723

00:22:17,669 --> 00:22:15,679

everyone to have this understanding is

724

00:22:19,270 --> 00:22:17,679

am i correct in thinking that

725

00:22:21,270 --> 00:22:19,280

yeah yeah that's the intention they

726

00:22:23,270 --> 00:22:21,280

they're hoping that eventually

727

00:22:24,789 --> 00:22:23,280

every human will reach this

728

00:22:26,549 --> 00:22:24,799

understanding

729

00:22:28,870 --> 00:22:26,559

and in which case then uh we'll have a

730

00:22:30,950 --> 00:22:28,880

much better planet earth but

731

00:22:32,630 --> 00:22:30,960

it's it's a it's a tough battle because

732

00:22:34,789 --> 00:22:32,640

there's so many people who

733

00:22:36,710 --> 00:22:34,799

you know don't pay any attention to this

734

00:22:39,350 --> 00:22:36,720

or if you talk to them about

735

00:22:40,470 --> 00:22:39,360

spirituality they'll roll their eyes and

736

00:22:42,549 --> 00:22:40,480

think that you're crazy

737

00:22:44,470 --> 00:22:42,559

you know so there's a lot of we have a

738

00:22:46,870 --> 00:22:44,480

long ways to go to get acceptance but

739

00:22:48,710 --> 00:22:46,880

but my point was that over the last

740

00:22:51,110 --> 00:22:48,720

number of years more and more people

741

00:22:52,789 --> 00:22:51,120

are accepting this way of thinking and

742

00:22:55,029 --> 00:22:52,799

it's really up to everyone who

743

00:22:57,029 --> 00:22:55,039

signs on to it to try to persuade their

744

00:23:00,390 --> 00:22:57,039

family their neighbors their co-workers

745

00:23:01,350 --> 00:23:00,400

whoever uh to to sign on to this and if

746

00:23:03,510 --> 00:23:01,360

we do that

747

00:23:04,710 --> 00:23:03,520

uh then we're we're gonna have a happier

748

00:23:07,669 --> 00:23:04,720

place to live in

749

00:23:08,149 --> 00:23:07,679

what does has albert talk to you about

750

00:23:16,549 --> 00:23:08,159

the

751

00:23:18,710 --> 00:23:16,559

something that i guess for like a better

752

00:23:21,110 --> 00:23:18,720

word maybe a prediction of how

753

00:23:24,390 --> 00:23:21,120

things would be like or maybe should be

754

00:23:26,230 --> 00:23:24,400

like what is your thought on that

755

00:23:27,830 --> 00:23:26,240

he doesn't give me specific time frames

756

00:23:28,390 --> 00:23:27,840

he does that deliberately but what he

757

00:23:29,750 --> 00:23:28,400

does say

758

00:23:31,590 --> 00:23:29,760

is that things are moving in the right

759

00:23:33,830 --> 00:23:31,600

direction um and that

760

00:23:35,110 --> 00:23:33,840

uh he's optimistic that that more and

761

00:23:37,110 --> 00:23:35,120

more humans eventually

762

00:23:39,110 --> 00:23:37,120

over a period of time will become more

763

00:23:41,909 --> 00:23:39,120

spiritually aware which is his goal

764

00:23:42,710 --> 00:23:41,919

but he won't set a time period and

765

00:23:44,710 --> 00:23:42,720

despite

766

00:23:46,070 --> 00:23:44,720

me asking him several times he won't

767

00:23:48,789 --> 00:23:46,080

commit to that i mean

768

00:23:49,510 --> 00:23:48,799

he he won't he won't say excuse me he

769

00:23:50,870 --> 00:23:49,520

won't say

770

00:23:52,310 --> 00:23:50,880

yeah you guys are out of the woods and

771

00:23:53,909 --> 00:23:52,320

you're going to be doing just fine

772

00:23:55,590 --> 00:23:53,919

because if he says that then people will

773

00:23:57,029 --> 00:23:55,600

relax and say okay well we don't have to

774

00:23:58,870 --> 00:23:57,039

worry about it

775

00:24:00,310 --> 00:23:58,880

so he has to say and he doesn't want to

776

00:24:00,789 --> 00:24:00,320

say you guys are hopeless it's not going

777

00:24:02,710 --> 00:24:00,799

to work

778

00:24:04,789 --> 00:24:02,720

because then we'll give up so he has to

779

00:24:06,230 --> 00:24:04,799

say i'm optimistic you're heading in the

780

00:24:07,990 --> 00:24:06,240

right direction but you have to work at

781

00:24:10,470 --> 00:24:08,000

it and keep on plugging away

782

00:24:11,909 --> 00:24:10,480

uh and and and it just won't give a time

783

00:24:13,669 --> 00:24:11,919

frame

784

00:24:15,909 --> 00:24:13,679

so you know i'm gonna have to ask and

785

00:24:17,269 --> 00:24:15,919

this is pretty much the very nature of

786

00:24:19,269 --> 00:24:17,279

this channel

787

00:24:21,669 --> 00:24:19,279

how do the extraterrestrials come into

788

00:24:25,669 --> 00:24:21,679

play do you have any information on that

789

00:24:28,390 --> 00:24:25,679

from albert yes i yeah absolutely um

790

00:24:30,070 --> 00:24:28,400

the extraterrestrials are uh are living

791

00:24:30,870 --> 00:24:30,080

on sort of our physical plane sort of

792

00:24:31,990 --> 00:24:30,880

the same

793

00:24:34,149 --> 00:24:32,000

and there's some that are on different

794

00:24:37,190 --> 00:24:34,159

dimensions but a lot of them that we

795

00:24:39,029 --> 00:24:37,200

see as ufos are on our physical plane

796

00:24:41,350 --> 00:24:39,039

and these uh there's a number of

797

00:24:43,350 --> 00:24:41,360

different advanced alien races

798

00:24:45,269 --> 00:24:43,360

who have been visiting earth for a long

799

00:24:46,630 --> 00:24:45,279

long time and they are still visiting

800

00:24:49,190 --> 00:24:46,640

earth

801  
00:24:50,630 --> 00:24:49,200  
excuse me and that's that's the uh when

802  
00:24:51,909 --> 00:24:50,640  
people see ufos

803  
00:24:53,830 --> 00:24:51,919  
that's their spacecraft i mean and

804  
00:24:55,669 --> 00:24:53,840  
they're they're very real

805  
00:24:57,110 --> 00:24:55,679  
and a lot of people have seen them a lot

806  
00:24:59,029 --> 00:24:57,120  
of people have encountered them

807  
00:25:01,269 --> 00:24:59,039  
some people have been abducted by them

808  
00:25:02,710 --> 00:25:01,279  
um so they're very very real even though

809  
00:25:04,310 --> 00:25:02,720  
a lot of the governments still don't

810  
00:25:06,549 --> 00:25:04,320  
acknowledge them uh but

811  
00:25:08,230 --> 00:25:06,559  
they are very real and and they're very

812  
00:25:09,430 --> 00:25:08,240  
uh these races are very

813  
00:25:11,430 --> 00:25:09,440

intelligent like way more

814

00:25:12,630 --> 00:25:11,440

technologically advanced than humans are

815

00:25:15,110 --> 00:25:12,640

because they can travel between the

816

00:25:15,990 --> 00:25:15,120

stars and we can't we we can't even get

817

00:25:17,590 --> 00:25:16,000

to mars yet

818

00:25:19,350 --> 00:25:17,600

a lot may be coming soon but anyway so

819

00:25:21,269 --> 00:25:19,360

they're very much more advanced

820

00:25:23,350 --> 00:25:21,279

and they're all benevolent like despite

821

00:25:24,390 --> 00:25:23,360

there's lots of conspiracy theories out

822

00:25:25,830 --> 00:25:24,400

there about

823

00:25:28,390 --> 00:25:25,840

reptilians trying to take over the

824

00:25:31,269 --> 00:25:28,400

planet or other uh

825

00:25:32,549 --> 00:25:31,279

malevolent uh racist albert says no the

826

00:25:34,630 --> 00:25:32,559

ones that come to earth

827

00:25:35,750 --> 00:25:34,640

are all benevolent they're here to watch

828

00:25:38,870 --> 00:25:35,760

and observe what we're doing

829

00:25:40,230 --> 00:25:38,880

here to help us in subtle ways and so we

830

00:25:42,149 --> 00:25:40,240

have nothing to fear from them

831

00:25:43,510 --> 00:25:42,159

and he said that at some point and again

832

00:25:46,630 --> 00:25:43,520

he won't give me a time frame

833

00:25:49,110 --> 00:25:46,640

at some point when the ets feel that

834

00:25:50,149 --> 00:25:49,120

humanity is ready to accept them uh they

835

00:25:53,510 --> 00:25:50,159

will make themselves

836

00:25:54,630 --> 00:25:53,520

openly uh apparent to all everyone on

837

00:25:57,750 --> 00:25:54,640

earth and so they'll

838

00:25:59,750 --> 00:25:57,760

basically you know a spaceship will land

839

00:26:03,029 --> 00:25:59,760

on the lawn of the white house and say

840

00:26:05,590 --> 00:26:03,039

here we are guys excuse me

841

00:26:06,710 --> 00:26:05,600

so yeah they are very they're very real

842

00:26:08,950 --> 00:26:06,720

i've actually had a

843

00:26:10,789 --> 00:26:08,960

number of occasions to encounter some of

844

00:26:12,630 --> 00:26:10,799

these um i was at

845

00:26:14,070 --> 00:26:12,640

one of my trips with albert he took me

846

00:26:16,310 --> 00:26:14,080

aboard uh

847

00:26:17,350 --> 00:26:16,320

an uh et spacecraft that was orbiting

848

00:26:20,470 --> 00:26:17,360

planet earth

849

00:26:23,590 --> 00:26:20,480

um and there was manned by a uh

850

00:26:26,549 --> 00:26:23,600

by uh humanoids that were gray with

851  
00:26:27,909 --> 00:26:26,559  
you know large oblong eyes and i mean

852  
00:26:29,510 --> 00:26:27,919  
they're very much similar to the

853  
00:26:31,110 --> 00:26:29,520  
some of the the drawings that other

854  
00:26:32,789 --> 00:26:31,120  
people have put out um

855  
00:26:34,310 --> 00:26:32,799  
and they were uh they were just

856  
00:26:34,950 --> 00:26:34,320  
wondering what was going on on planet

857  
00:26:36,630 --> 00:26:34,960  
earth and they

858  
00:26:37,990 --> 00:26:36,640  
were part of a race that's been here for

859  
00:26:41,029 --> 00:26:38,000  
a long long time

860  
00:26:42,870 --> 00:26:41,039  
um he also took me to a planet near the

861  
00:26:47,750 --> 00:26:42,880  
center of our galaxy

862  
00:26:51,430 --> 00:26:47,760  
uh that he called ziron x-i-r-o-n

863  
00:26:52,710 --> 00:26:51,440

and their underground was living a very

864

00:26:55,909 --> 00:26:52,720

advanced civilization

865

00:26:57,430 --> 00:26:55,919

of very intelligent et's that looked

866

00:26:59,190 --> 00:26:57,440

sort of like spiders like they're sort

867

00:27:02,310 --> 00:26:59,200

of like big spiders

868

00:27:05,269 --> 00:27:02,320

in any way their job was to monitor

869

00:27:07,269 --> 00:27:05,279

all the planets in our galaxy to find

870

00:27:08,710 --> 00:27:07,279

the ones that were capable of harboring

871

00:27:10,310 --> 00:27:08,720

life

872

00:27:12,230 --> 00:27:10,320

and they had sort of very sophisticated

873

00:27:13,190 --> 00:27:12,240

instruments to sort of you know check

874

00:27:15,190 --> 00:27:13,200

out all the planets

875

00:27:17,830 --> 00:27:15,200

and once they found a planet that they

876

00:27:20,230 --> 00:27:17,840

felt could harbor life then they

877

00:27:21,190 --> 00:27:20,240

they give that information to other ets

878

00:27:23,830 --> 00:27:21,200

who then

879

00:27:24,710 --> 00:27:23,840

arranged to transport life from planets

880

00:27:26,789 --> 00:27:24,720

that had life

881

00:27:28,389 --> 00:27:26,799

to the new planet so basically a

882

00:27:30,389 --> 00:27:28,399

life-saving operation

883

00:27:32,630 --> 00:27:30,399

which is how he said we got life on

884

00:27:35,269 --> 00:27:32,640

earth way back when was

885

00:27:37,029 --> 00:27:35,279

some of the et's transported life from

886

00:27:39,190 --> 00:27:37,039

another planet to our planet

887

00:27:40,470 --> 00:27:39,200

so it's very interesting and uh i also

888

00:27:45,269 --> 00:27:40,480

had uh

889

00:27:48,070 --> 00:27:45,279

excuse me occasion to uh

890

00:27:50,070 --> 00:27:48,080

visit a couple of uh very advanced human

891

00:27:52,230 --> 00:27:50,080

civilizations and other planets

892

00:27:53,350 --> 00:27:52,240

um and and so you know one of my

893

00:27:55,590 --> 00:27:53,360

questions was

894

00:27:57,669 --> 00:27:55,600

do humans exist only on planet earth and

895

00:28:00,310 --> 00:27:57,679

he said no they're on other planets and

896

00:28:01,430 --> 00:28:00,320

he took me to a couple that were uh very

897

00:28:04,230 --> 00:28:01,440

much more civilized

898

00:28:05,750 --> 00:28:04,240

very much more advanced than than our

899

00:28:08,230 --> 00:28:05,760

our civilization on earth

900

00:28:10,230 --> 00:28:08,240

and he just wanted to show me that okay

901  
00:28:12,389 --> 00:28:10,240  
if if you humans on planet earth

902  
00:28:13,750 --> 00:28:12,399  
can get your act together you too can

903  
00:28:16,389 --> 00:28:13,760  
have a very

904  
00:28:17,269 --> 00:28:16,399  
happy utopian kind of civilization on

905  
00:28:18,470 --> 00:28:17,279  
your planet

906  
00:28:21,110 --> 00:28:18,480  
and so you just wanted to show me that

907  
00:28:22,630 --> 00:28:21,120  
humans weren't necessarily

908  
00:28:24,310 --> 00:28:22,640  
the same everywhere that there are some

909  
00:28:26,389 --> 00:28:24,320  
that were doing very well actually

910  
00:28:28,389 --> 00:28:26,399  
so i have i have kind of two questions

911  
00:28:31,269 --> 00:28:28,399  
that arise from this

912  
00:28:32,870 --> 00:28:31,279  
one is is it the point that because

913  
00:28:34,789 --> 00:28:32,880

we're all connected and we're all part

914

00:28:36,549 --> 00:28:34,799

of that one that it doesn't matter what

915

00:28:37,430 --> 00:28:36,559

we look like and who we are that we're

916

00:28:39,750 --> 00:28:37,440

just gonna

917

00:28:41,190 --> 00:28:39,760

help each other out and then the second

918

00:28:44,389 --> 00:28:41,200

question is

919

00:28:45,029 --> 00:28:44,399

all these different alien races that are

920

00:28:48,470 --> 00:28:45,039

coming

921

00:28:50,710 --> 00:28:48,480

here are they from our same universe

922

00:28:53,590 --> 00:28:50,720

or are they one of those parallel

923

00:28:55,590 --> 00:28:53,600

universes as you mentioned

924

00:28:57,590 --> 00:28:55,600

um i didn't ask them that specifically

925

00:28:59,990 --> 00:28:57,600

but i think they probably come from both

926  
00:29:00,789 --> 00:29:00,000  
certainly from our universe and excuse

927  
00:29:04,070 --> 00:29:00,799  
me and

928  
00:29:06,070 --> 00:29:04,080  
other parallel universes as well um

929  
00:29:07,990 --> 00:29:06,080  
i didn't really uh ask them how many

930  
00:29:10,070 --> 00:29:08,000  
were from whichever place but

931  
00:29:11,029 --> 00:29:10,080  
but certainly they they're capable of uh

932  
00:29:13,830 --> 00:29:11,039  
coming from other

933  
00:29:14,789 --> 00:29:13,840  
parallel universes other dimensions um

934  
00:29:16,149 --> 00:29:14,799  
and uh

935  
00:29:17,909 --> 00:29:16,159  
and and as i mentioned they've been

936  
00:29:20,950 --> 00:29:17,919  
around for a long long time

937  
00:29:23,029 --> 00:29:20,960  
uh trying to help us and the the the

938  
00:29:24,389 --> 00:29:23,039

interesting thing that uh and

939

00:29:26,630 --> 00:29:24,399

i'm not the first one to say this but

940

00:29:28,470 --> 00:29:26,640

there is a federation of very

941

00:29:30,070 --> 00:29:28,480

intelligent et's in our galaxy called

942

00:29:31,590 --> 00:29:30,080

the galactic federation

943

00:29:33,590 --> 00:29:31,600

which is just a group of these super

944

00:29:35,909 --> 00:29:33,600

intelligent races who are all

945

00:29:36,950 --> 00:29:35,919

friendly and benevolent who basically

946

00:29:39,510 --> 00:29:36,960

sort of uh

947

00:29:41,029 --> 00:29:39,520

watch what's happening in in the galaxy

948

00:29:42,389 --> 00:29:41,039

and what they're trying to do is prevent

949

00:29:44,470 --> 00:29:42,399

and there's a there's a lot of planets

950

00:29:47,269 --> 00:29:44,480

where the life forms are very violent

951  
00:29:48,549 --> 00:29:47,279  
and aggressive and malevolent and what

952  
00:29:50,070 --> 00:29:48,559  
they're trying to do is make sure that

953  
00:29:55,269 --> 00:29:50,080  
those

954  
00:29:56,470 --> 00:29:55,279  
to travel to other star systems so they

955  
00:29:58,149 --> 00:29:56,480  
can wage war on

956  
00:29:59,510 --> 00:29:58,159  
other peace loving you know uh

957  
00:30:01,669 --> 00:29:59,520  
civilization so they

958  
00:30:02,630 --> 00:30:01,679  
so they watch everything and and their

959  
00:30:04,950 --> 00:30:02,640  
their hope is to

960  
00:30:06,630 --> 00:30:04,960  
that is to make sure that all these

961  
00:30:09,830 --> 00:30:06,640  
races that eventually develop

962  
00:30:11,669 --> 00:30:09,840  
interstellar travel that they will be uh

963  
00:30:13,190 --> 00:30:11,679

peace loving and not aggressive by the

964

00:30:13,990 --> 00:30:13,200

time they learn to travel to other star

965

00:30:16,549 --> 00:30:14,000

systems so

966

00:30:17,750 --> 00:30:16,559

uh so the galactic federation is uh is

967

00:30:20,549 --> 00:30:17,760

sort of the

968

00:30:21,510 --> 00:30:20,559

the governing body for the for the

969

00:30:23,110 --> 00:30:21,520

galaxy

970

00:30:24,470 --> 00:30:23,120

and and so all these races that have

971

00:30:25,190 --> 00:30:24,480

been visiting earth they're all part of

972

00:30:27,669 --> 00:30:25,200

that

973

00:30:28,789 --> 00:30:27,679

and what really got their attention um

974

00:30:30,149 --> 00:30:28,799

and they've been around for a long time

975

00:30:32,389 --> 00:30:30,159

but really got their attention was when

976

00:30:34,310 --> 00:30:32,399

the animals split in world war ii

977

00:30:35,590 --> 00:30:34,320

because that was sort of like all of a

978

00:30:37,990 --> 00:30:35,600

sudden they said hey

979

00:30:39,590 --> 00:30:38,000

these humans on earth are getting uh

980

00:30:40,630 --> 00:30:39,600

developing some very sophisticated

981

00:30:43,269 --> 00:30:40,640

weapons and we want to

982

00:30:43,909 --> 00:30:43,279

keep our eye on them and so and and so

983

00:30:45,350 --> 00:30:43,919

but it's

984

00:30:47,750 --> 00:30:45,360

but they're really here to help us and

985

00:30:50,310 --> 00:30:47,760

uh and and they they they uh

986

00:30:51,590 --> 00:30:50,320

they live what is uh uh albert called

987

00:30:53,110 --> 00:30:51,600

the prime directive

988

00:30:55,110 --> 00:30:53,120

which is very similar to the one that

989

00:30:57,029 --> 00:30:55,120

that you all know about on star trek

990

00:30:58,789 --> 00:30:57,039

you know where these races aren't

991

00:31:00,789 --> 00:30:58,799

allowed to unduly interfere

992

00:31:02,310 --> 00:31:00,799

with the development of an inferior

993

00:31:04,549 --> 00:31:02,320

civilization

994

00:31:06,470 --> 00:31:04,559

and so to them we are an inferior

995

00:31:08,870 --> 00:31:06,480

civilization by by any

996

00:31:10,549 --> 00:31:08,880

any any accounts at all and and so they

997

00:31:11,669 --> 00:31:10,559

can't they can't just come in and just

998

00:31:13,190 --> 00:31:11,679

change everything for us

999

00:31:15,190 --> 00:31:13,200

i mean their technology would allow them

1000

00:31:16,789 --> 00:31:15,200

to destroy all of our weapons if

1001

00:31:19,029 --> 00:31:16,799

uh if they weren't following this

1002

00:31:21,990 --> 00:31:19,039

directive so they have to just let us

1003

00:31:23,830 --> 00:31:22,000

develop in our own way which is why

1004

00:31:26,870 --> 00:31:23,840

we've had so many wars and

1005

00:31:28,149 --> 00:31:26,880

other crises on our planet and and it

1006

00:31:30,149 --> 00:31:28,159

frustrates them but they

1007

00:31:32,230 --> 00:31:30,159

they can't sort of get in there and fix

1008

00:31:33,990 --> 00:31:32,240

all of our problems with a silver bullet

1009

00:31:35,669 --> 00:31:34,000

so they have to sort of watch and try to

1010

00:31:38,470 --> 00:31:35,679

send us subtle messages about

1011

00:31:42,470 --> 00:31:38,480

uh how to develop uh technology and how

1012

00:31:47,110 --> 00:31:45,830

would would you say that a person on an

1013

00:31:50,310 --> 00:31:47,120

individual level

1014

00:31:52,630 --> 00:31:50,320

that they simply would have to

1015

00:31:54,389 --> 00:31:52,640

start on their own out of uh basically

1016

00:31:56,870 --> 00:31:54,399

their own free will to

1017

00:31:57,990 --> 00:31:56,880

start going down this direction or is it

1018

00:32:00,710 --> 00:31:58,000

too

1019

00:32:01,990 --> 00:32:00,720

i had to say it kind of i would adhere

1020

00:32:04,470 --> 00:32:02,000

to think of this

1021

00:32:06,470 --> 00:32:04,480

as some kind of having to create a

1022

00:32:09,190 --> 00:32:06,480

dogmatic system to

1023

00:32:10,870 --> 00:32:09,200

teach it to others do you think everyone

1024

00:32:11,909 --> 00:32:10,880

would just eventually be drawn to this

1025

00:32:14,070 --> 00:32:11,919

information or

1026

00:32:15,590 --> 00:32:14,080

how do you foresee this information

1027

00:32:18,470 --> 00:32:15,600

reaching let's say the

1028

00:32:19,990 --> 00:32:18,480

average person i'm sorry uh regarding

1029

00:32:22,470 --> 00:32:20,000

the spirituality part

1030

00:32:23,990 --> 00:32:22,480

and then not to mention you know the the

1031

00:32:26,149 --> 00:32:24,000

extraterrestrials and everything else

1032

00:32:28,630 --> 00:32:26,159

that's going on

1033

00:32:29,830 --> 00:32:28,640

well the spirituality part uh there's a

1034

00:32:32,149 --> 00:32:29,840

they have a game plan

1035

00:32:34,310 --> 00:32:32,159

on the spirit side and and albert is one

1036

00:32:37,029 --> 00:32:34,320

of the messengers that they uh

1037

00:32:37,830 --> 00:32:37,039

or the person who's sort of propagating

1038

00:32:39,110 --> 00:32:37,840

the message

1039

00:32:41,509 --> 00:32:39,120

there's a but there's a bunch of others

1040

00:32:42,389 --> 00:32:41,519

albert has many messengers besides me

1041

00:32:44,149 --> 00:32:42,399

i'm just one of them

1042

00:32:45,590 --> 00:32:44,159

but so what they try to do is inspire

1043

00:32:48,789 --> 00:32:45,600

people to write books

1044

00:32:51,190 --> 00:32:48,799

inspire people like yourself to have uh

1045

00:32:52,149 --> 00:32:51,200

do interviews or have radio programs or

1046

00:32:54,070 --> 00:32:52,159

tv shows

1047

00:32:55,590 --> 00:32:54,080

or speak at presentations that's how

1048

00:32:57,669 --> 00:32:55,600

they're trying to get the message out

1049

00:32:59,669 --> 00:32:57,679

and and so it's it's not a quick

1050

00:33:01,830 --> 00:32:59,679

solution it's it's it takes time

1051  
00:33:02,950 --> 00:33:01,840  
you have to take one step at a time uh

1052  
00:33:03,750 --> 00:33:02,960  
but that's how they're trying to get the

1053  
00:33:05,110 --> 00:33:03,760  
message out

1054  
00:33:06,870 --> 00:33:05,120  
and and more and more and the more

1055  
00:33:08,389 --> 00:33:06,880  
people that sort of sign on to the

1056  
00:33:10,630 --> 00:33:08,399  
spirituality message

1057  
00:33:12,070 --> 00:33:10,640  
um then the the the less sort of crime

1058  
00:33:14,470 --> 00:33:12,080  
and violence we'll have in our world

1059  
00:33:15,350 --> 00:33:14,480  
so that's how they get that out excuse

1060  
00:33:19,509 --> 00:33:15,360  
me

1061  
00:33:21,990 --> 00:33:19,519  
in terms of the et's um they uh

1062  
00:33:23,990 --> 00:33:22,000  
basically the et's are waiting for what

1063  
00:33:27,190 --> 00:33:24,000

they seem to be an appropriate point

1064

00:33:27,669 --> 00:33:27,200

in our civilization to become fully open

1065

00:33:29,269 --> 00:33:27,679

to all

1066

00:33:31,509 --> 00:33:29,279

the people what they're afraid of is

1067

00:33:33,990 --> 00:33:31,519

that they if they expose themselves

1068

00:33:35,029 --> 00:33:34,000

to everyone before we're ready that it

1069

00:33:37,590 --> 00:33:35,039

might cause

1070

00:33:39,350 --> 00:33:37,600

panic and chaos and other things and so

1071

00:33:41,190 --> 00:33:39,360

they're so they're basically

1072

00:33:43,190 --> 00:33:41,200

they've got a program where they're

1073

00:33:46,310 --> 00:33:43,200

slowly uh acclimatizing

1074

00:33:48,789 --> 00:33:46,320

humans to the fact that there are

1075

00:33:50,149 --> 00:33:48,799

spacecraft out there other aliens that

1076

00:33:51,669 --> 00:33:50,159

are more intelligent than us

1077

00:33:53,750 --> 00:33:51,679

that are visiting us they're doing it

1078

00:33:55,430 --> 00:33:53,760

very slowly like more and more sightings

1079

00:33:56,789 --> 00:33:55,440

uh you get more and more people speaking

1080

00:33:58,870 --> 00:33:56,799

out you know like uh

1081

00:33:59,909 --> 00:33:58,880

uh you know uh scientists and other

1082

00:34:01,669 --> 00:33:59,919

people who are saying

1083

00:34:03,909 --> 00:34:01,679

yeah you know it's uh these guys are

1084

00:34:07,269 --> 00:34:03,919

real and that and that uh

1085

00:34:08,629 --> 00:34:07,279

it you know it's uh it's not a it's not

1086

00:34:10,550 --> 00:34:08,639

a conspiracy theory that

1087

00:34:12,149 --> 00:34:10,560

that these ufos and these people are

1088

00:34:14,550 --> 00:34:12,159

actually real and that some

1089

00:34:15,510 --> 00:34:14,560

and and that so once we sort of get more

1090

00:34:16,869 --> 00:34:15,520

accustomed to it

1091

00:34:18,950 --> 00:34:16,879

then at some point they'll say okay

1092

00:34:21,190 --> 00:34:18,960

humans you're ready for us here we are

1093

00:34:22,790 --> 00:34:21,200

we're going to tell everyone who we are

1094

00:34:25,510 --> 00:34:22,800

and why we're here

1095

00:34:26,950 --> 00:34:25,520

how many is is there a specific uh

1096

00:34:29,990 --> 00:34:26,960

timeline of which

1097

00:34:33,589 --> 00:34:30,000

alien race is going to make contact when

1098

00:34:34,869 --> 00:34:33,599

or uh is it just kind of do they just as

1099

00:34:37,030 --> 00:34:34,879

what do you call it again the the

1100

00:34:39,510 --> 00:34:37,040

galactic federation do they have

1101  
00:34:41,270 --> 00:34:39,520  
sort of a plan of okay guys you're going

1102  
00:34:43,270 --> 00:34:41,280  
in first and then the other races are

1103  
00:34:46,710 --> 00:34:43,280  
going to come in second third and so on

1104  
00:34:47,990 --> 00:34:46,720  
or how would this work uh yeah i don't

1105  
00:34:49,589 --> 00:34:48,000  
know i don't know about

1106  
00:34:51,510 --> 00:34:49,599  
if there is a i assume there's probably

1107  
00:34:52,550 --> 00:34:51,520  
a plan these guys are very intelligent

1108  
00:34:54,629 --> 00:34:52,560  
so they're not going to leave anything

1109  
00:34:55,669 --> 00:34:54,639  
to chance uh but albert didn't tell me

1110  
00:34:56,629 --> 00:34:55,679  
there's a planner he wouldn't tell me

1111  
00:34:59,190 --> 00:34:56,639  
what it was

1112  
00:34:59,990 --> 00:34:59,200  
uh so that's up in the air but i but i i

1113  
00:35:01,829 --> 00:35:00,000

can't imagine

1114

00:35:03,030 --> 00:35:01,839

that they don't have a plan that they

1115

00:35:04,790 --> 00:35:03,040

must know how they're going to do it

1116

00:35:07,030 --> 00:35:04,800

who's in first who's in second

1117

00:35:08,069 --> 00:35:07,040

um that sort of thing but that that's

1118

00:35:10,310 --> 00:35:08,079

just the mystery to

1119

00:35:11,109 --> 00:35:10,320

everyone right now what was your

1120

00:35:13,990 --> 00:35:11,119

perception

1121

00:35:15,510 --> 00:35:14,000

about this possible contact base

1122

00:35:17,589 --> 00:35:15,520

basically you said

1123

00:35:19,430 --> 00:35:17,599

what did you say 20 to 30 years that it

1124

00:35:21,510 --> 00:35:19,440

took people to understand

1125

00:35:22,630 --> 00:35:21,520

more or be more open-minded to the

1126

00:35:25,750 --> 00:35:22,640

metaphysical

1127

00:35:27,750 --> 00:35:25,760

is that what you said i said that in the

1128

00:35:30,230 --> 00:35:27,760

last 20 to 30 years there's been a

1129

00:35:31,030 --> 00:35:30,240

a a substantial increase in the number

1130

00:35:34,230 --> 00:35:31,040

of people

1131

00:35:35,829 --> 00:35:34,240

who become more spiritually aware and so

1132

00:35:37,910 --> 00:35:35,839

it's been a gradual process didn't

1133

00:35:39,190 --> 00:35:37,920

happen overnight but gradually it's been

1134

00:35:41,750 --> 00:35:39,200

more and more people are becoming more

1135

00:35:43,589 --> 00:35:41,760

spiritually aware um and and so that

1136

00:35:45,349 --> 00:35:43,599

process is going to continue and it will

1137

00:35:47,430 --> 00:35:45,359

be helped by people who

1138

00:35:49,270 --> 00:35:47,440

you know write books or as they say or

1139

00:35:51,109 --> 00:35:49,280

or have radio shows or whatever

1140

00:35:52,950 --> 00:35:51,119

by spreading that message we're going to

1141

00:35:53,270 --> 00:35:52,960

get more and more humans to sign on to

1142

00:35:55,109 --> 00:35:53,280

it

1143

00:35:57,030 --> 00:35:55,119

which is which is a good thing right so

1144

00:35:58,630 --> 00:35:57,040

this that process does it kind of go

1145

00:36:01,750 --> 00:35:58,640

hand in hand between

1146

00:36:03,910 --> 00:36:01,760

metaphysics and alien contact would you

1147

00:36:07,109 --> 00:36:03,920

say

1148

00:36:08,310 --> 00:36:07,119

um i'm not sure there's a yeah

1149

00:36:10,630 --> 00:36:08,320

he didn't really say there's any direct

1150

00:36:12,150 --> 00:36:10,640

contact but there probably is i mean i i

1151

00:36:14,069 --> 00:36:12,160

think that when

1152

00:36:15,750 --> 00:36:14,079

humans would be more acceptance of the

1153

00:36:17,589 --> 00:36:15,760

fact that there's a

1154

00:36:20,069 --> 00:36:17,599

alien life in in our galaxy in the

1155

00:36:21,829 --> 00:36:20,079

universe more acceptance of that

1156

00:36:23,349 --> 00:36:21,839

once they're sort of more spiritually

1157

00:36:25,030 --> 00:36:23,359

aware of who they are

1158

00:36:26,870 --> 00:36:25,040

and about the cycle of reincarnation and

1159

00:36:27,430 --> 00:36:26,880

sort of how everything works and so i

1160

00:36:29,750 --> 00:36:27,440

think

1161

00:36:30,470 --> 00:36:29,760

um having more people spiritually where

1162

00:36:33,190 --> 00:36:30,480

will help

1163

00:36:35,349 --> 00:36:33,200

humans to accept the fact that there are

1164

00:36:38,550 --> 00:36:35,359

intelligent alien races in our galaxy

1165

00:36:40,550 --> 00:36:38,560

who are visiting our planet what is

1166

00:36:41,589 --> 00:36:40,560

the general what is the general

1167

00:36:43,829 --> 00:36:41,599

direction that

1168

00:36:44,710 --> 00:36:43,839

albert would like you to go into uh is

1169

00:36:46,630 --> 00:36:44,720

it just writing

1170

00:36:47,829 --> 00:36:46,640

books or will there be more information

1171

00:36:50,069 --> 00:36:47,839

that you will

1172

00:36:52,230 --> 00:36:50,079

reveal to you as i guess we all are

1173

00:36:55,829 --> 00:36:52,240

ready to then officially

1174

00:36:56,870 --> 00:36:55,839

be able to kind of add that information

1175

00:37:03,349 --> 00:36:56,880

to

1176

00:37:04,870 --> 00:37:03,359

yeah i don't know the answer uh albert

1177

00:37:07,349 --> 00:37:04,880

does not tell me what his

1178

00:37:08,470 --> 00:37:07,359

ultimate plans are uh and in fact every

1179

00:37:10,790 --> 00:37:08,480

time when uh

1180

00:37:12,470 --> 00:37:10,800

when he would come to uh into my bedroom

1181

00:37:13,750 --> 00:37:12,480

to take me on an astral trip

1182

00:37:15,670 --> 00:37:13,760

he wouldn't he wouldn't tell me when he

1183

00:37:17,349 --> 00:37:15,680

was coming or where we're going he's

1184

00:37:19,510 --> 00:37:17,359

sort of like okay let's go so he

1185

00:37:21,430 --> 00:37:19,520

he's pretty close mouth about a lot of

1186

00:37:23,589 --> 00:37:21,440

things and he won't tell me about

1187

00:37:24,790 --> 00:37:23,599

whether i'm writing any more books after

1188

00:37:26,230 --> 00:37:24,800

five uh

1189

00:37:28,310 --> 00:37:26,240

it wouldn't surprise me if he came to me

1190

00:37:29,510 --> 00:37:28,320

and tapped me on the shoulder after

1191

00:37:31,270 --> 00:37:29,520

at some point and say guess what you're

1192

00:37:32,150 --> 00:37:31,280

writing another book so i just follow

1193

00:37:33,829 --> 00:37:32,160

what he says

1194

00:37:36,069 --> 00:37:33,839

i've learned that there's no point in

1195

00:37:37,510 --> 00:37:36,079

trying to argue with spirit

1196

00:37:39,670 --> 00:37:37,520

if you dig in your heels they're going

1197

00:37:42,150 --> 00:37:39,680

to win anyway so you must go with it

1198

00:37:44,150 --> 00:37:42,160

was there anything that he ever revealed

1199

00:37:46,390 --> 00:37:44,160

to you about yourself that you weren't

1200

00:37:49,349 --> 00:37:46,400

aware before that really kind of

1201  
00:37:53,109 --> 00:37:49,359  
made you take a step back or anything

1202  
00:37:57,910 --> 00:37:55,270  
well not in a specific sense in terms of

1203  
00:38:00,310 --> 00:37:57,920  
my human life but but he uh

1204  
00:38:02,150 --> 00:38:00,320  
i mean before i met him i wasn't really

1205  
00:38:03,829 --> 00:38:02,160  
sure who i was i didn't know

1206  
00:38:05,589 --> 00:38:03,839  
you know am i a soul am i just a

1207  
00:38:06,950 --> 00:38:05,599  
physical body i didn't know i mean i was

1208  
00:38:08,069 --> 00:38:06,960  
raised as a roman catholic but i had

1209  
00:38:09,589 --> 00:38:08,079  
rejected a lot of

1210  
00:38:11,349 --> 00:38:09,599  
what they said about heaven and hell and

1211  
00:38:11,670 --> 00:38:11,359  
everything else so i didn't really know

1212  
00:38:13,190 --> 00:38:11,680  
what

1213  
00:38:14,230 --> 00:38:13,200

who i was or where i was going i didn't

1214

00:38:15,510 --> 00:38:14,240

know what would happen to me when i

1215

00:38:17,190 --> 00:38:15,520

bought my body died

1216

00:38:20,069 --> 00:38:17,200

and so he really revealed to me that i'm

1217

00:38:21,829 --> 00:38:20,079

an eternal soul just like you are admin

1218

00:38:23,430 --> 00:38:21,839

same same with everyone else and so that

1219

00:38:26,069 --> 00:38:23,440

was really an eye-opener to me

1220

00:38:27,750 --> 00:38:26,079

um and he also and so that was very

1221

00:38:29,750 --> 00:38:27,760

comforting for me

1222

00:38:31,109 --> 00:38:29,760

about the cycle of reincarnation what

1223

00:38:33,750 --> 00:38:31,119

happens why am i here

1224

00:38:35,510 --> 00:38:33,760

what happens when i die and then i can

1225

00:38:37,190 --> 00:38:35,520

come back and reincarnate and so on and

1226

00:38:38,230 --> 00:38:37,200

so that was a that was an eye-opener

1227

00:38:39,829 --> 00:38:38,240

because that's not

1228

00:38:42,390 --> 00:38:39,839

what i learned as a child in the

1229

00:38:45,589 --> 00:38:42,400

catholic church which was sort of like

1230

00:38:47,829 --> 00:38:45,599

god put me here and i have one life and

1231

00:38:48,950 --> 00:38:47,839

if i'm a bad boy i'm going to go to hell

1232

00:38:50,310 --> 00:38:48,960

when i die and

1233

00:38:52,069 --> 00:38:50,320

i'm good i'll go to heaven that was sort

1234

00:38:53,990 --> 00:38:52,079

of their

1235

00:38:55,270 --> 00:38:54,000

you know standard sort of uh belief

1236

00:38:56,950 --> 00:38:55,280

system and so

1237

00:38:58,470 --> 00:38:56,960

what what i've learned about myself is

1238

00:38:59,349 --> 00:38:58,480

that i i'm much different than what they

1239

00:39:02,069 --> 00:38:59,359

had taught me

1240

00:39:03,910 --> 00:39:02,079

what was it that you are covering mainly

1241

00:39:08,069 --> 00:39:03,920

in your fifth book or the upcoming book

1242

00:39:11,270 --> 00:39:10,069

uh yeah i will i don't want to get into

1243

00:39:13,910 --> 00:39:11,280

too many specifics yet

1244

00:39:15,910 --> 00:39:13,920

but but so one of the interesting things

1245

00:39:17,990 --> 00:39:15,920

about the fifth book was that

1246

00:39:19,270 --> 00:39:18,000

i got to sit on the spirit side i got to

1247

00:39:22,310 --> 00:39:19,280

sit in on

1248

00:39:23,750 --> 00:39:22,320

an orientation class for souls

1249

00:39:25,750 --> 00:39:23,760

who were thinking about incarnating on

1250

00:39:27,349 --> 00:39:25,760

earth who had never gone to earth before

1251

00:39:28,950 --> 00:39:27,359

and so it was a really interesting sort

1252

00:39:31,829 --> 00:39:28,960

of a refresher course

1253

00:39:33,190 --> 00:39:31,839

where uh albert and sophia the chair of

1254

00:39:35,190 --> 00:39:33,200

the council wise ones

1255

00:39:37,510 --> 00:39:35,200

um were telling the all these souls

1256

00:39:38,470 --> 00:39:37,520

about uh the cycle of the incarnation on

1257

00:39:40,150 --> 00:39:38,480

earth and how

1258

00:39:41,510 --> 00:39:40,160

you do the life plan and you're born and

1259

00:39:43,670 --> 00:39:41,520

you have free will and

1260

00:39:45,190 --> 00:39:43,680

and that uh and that you know when you

1261

00:39:46,150 --> 00:39:45,200

die you're not judged did you go back to

1262

00:39:48,230 --> 00:39:46,160

the spirit side

1263

00:39:49,430 --> 00:39:48,240

so that was a that was a very

1264

00:39:52,150 --> 00:39:49,440

interesting sort of a

1265

00:39:53,750 --> 00:39:52,160

course to sit in on uh and it's a really

1266

00:39:56,230 --> 00:39:53,760

good refresher course for anyone

1267

00:39:57,109 --> 00:39:56,240

who has read my previous books there's

1268

00:39:58,950 --> 00:39:57,119

pieces of this

1269

00:40:01,190 --> 00:39:58,960

in in all the other books but this is

1270

00:40:04,150 --> 00:40:01,200

sort of a good wrap-up package

1271

00:40:05,589 --> 00:40:04,160

and it was for souls who were as i said

1272

00:40:06,390 --> 00:40:05,599

thinking about incarnating on earth it

1273

00:40:09,349 --> 00:40:06,400

was a good

1274

00:40:10,710 --> 00:40:09,359

orientation session um i also had some

1275

00:40:13,510 --> 00:40:10,720

very interesting

1276  
00:40:15,109 --> 00:40:13,520  
conversations and meetings with some

1277  
00:40:17,349 --> 00:40:15,119  
wise and famous souls

1278  
00:40:19,270 --> 00:40:17,359  
on the spirit side including albert

1279  
00:40:22,150 --> 00:40:19,280  
einstein

1280  
00:40:23,430 --> 00:40:22,160  
marie antoinette mother teresa who had

1281  
00:40:25,030 --> 00:40:23,440  
some really

1282  
00:40:26,550 --> 00:40:25,040  
amazing stories to tell about their

1283  
00:40:27,910 --> 00:40:26,560  
lives and what they had learned from

1284  
00:40:31,750 --> 00:40:27,920  
their lives on earth

1285  
00:40:34,630 --> 00:40:31,760  
um i i had uh he actually took me to an

1286  
00:40:35,750 --> 00:40:34,640  
another planet where there was a very uh

1287  
00:40:38,790 --> 00:40:35,760  
super intelligent

1288  
00:40:40,309 --> 00:40:38,800

uh reptilian beings

1289

00:40:42,390 --> 00:40:40,319

who actually looked like they looked

1290

00:40:44,870 --> 00:40:42,400

like alligators but they were

1291

00:40:46,550 --> 00:40:44,880

they lived on this planet uh they had

1292

00:40:49,030 --> 00:40:46,560

amazingly they had learned

1293

00:40:50,069 --> 00:40:49,040

to get all the energy they required all

1294

00:40:51,910 --> 00:40:50,079

the nutrition

1295

00:40:53,829 --> 00:40:51,920

from their son so they developed a

1296

00:40:55,270 --> 00:40:53,839

system like photosynthesis where

1297

00:40:57,030 --> 00:40:55,280

the energy from the sun they observed

1298

00:40:58,870 --> 00:40:57,040

that and that's that's all they needed

1299

00:41:00,069 --> 00:40:58,880

so they didn't eat any other animals or

1300

00:41:00,710 --> 00:41:00,079

plants or anything else they had a very

1301  
00:41:03,670 --> 00:41:00,720  
nice

1302  
00:41:04,470 --> 00:41:03,680  
uh amazing society he also took me to

1303  
00:41:07,510 --> 00:41:04,480  
another

1304  
00:41:08,470 --> 00:41:07,520  
uh uh earth in a in a parallel universe

1305  
00:41:11,750 --> 00:41:08,480  
where

1306  
00:41:12,069 --> 00:41:11,760  
they they had a pandemic just like we

1307  
00:41:14,550 --> 00:41:12,079  
are

1308  
00:41:15,109 --> 00:41:14,560  
currently coming out of right now excuse

1309  
00:41:21,349 --> 00:41:15,119  
me

1310  
00:41:22,630 --> 00:41:21,359  
pandemic was that during the lockdowns

1311  
00:41:24,550 --> 00:41:22,640  
that there was a whole lot less

1312  
00:41:25,510 --> 00:41:24,560  
pollution on their planet and we've

1313  
00:41:27,510 --> 00:41:25,520

noticed that

1314

00:41:29,510 --> 00:41:27,520

uh you know the early last spring here

1315

00:41:29,910 --> 00:41:29,520

on our planet when there was less vogue

1316

00:41:36,710 --> 00:41:29,920

and

1317

00:41:38,230 --> 00:41:36,720

were a lot clearer than they had been

1318

00:41:40,470 --> 00:41:38,240

you know it just it was it

1319

00:41:41,829 --> 00:41:40,480

it was amazing how you can notice the la

1320

00:41:43,910 --> 00:41:41,839

the the less pollution

1321

00:41:45,510 --> 00:41:43,920

when we just shut down our activities

1322

00:41:46,550 --> 00:41:45,520

for a while stop driving as much stop

1323

00:41:48,870 --> 00:41:46,560

flying as much

1324

00:41:50,870 --> 00:41:48,880

and so that planet what they learned was

1325

00:41:53,670 --> 00:41:50,880

that okay well we have to find a way

1326

00:41:55,270 --> 00:41:53,680

to uh to cut down on the pollution and

1327

00:41:57,990 --> 00:41:55,280

on the burning of fossil fuels

1328

00:41:59,030 --> 00:41:58,000

so they did find a way basically without

1329

00:42:02,950 --> 00:41:59,040

giving too much weight

1330

00:42:04,790 --> 00:42:02,960

they developed a teleportation system

1331

00:42:06,230 --> 00:42:04,800

similar to what you saw in star trek

1332

00:42:07,030 --> 00:42:06,240

where the people where if you wanted to

1333

00:42:09,990 --> 00:42:07,040

go somewhere

1334

00:42:11,190 --> 00:42:10,000

you go into a little uh a little booth

1335

00:42:12,710 --> 00:42:11,200

and you punch in your

1336

00:42:14,230 --> 00:42:12,720

your destination and you end up at the

1337

00:42:16,150 --> 00:42:14,240

other place so if you're in l.a

1338

00:42:17,270 --> 00:42:16,160

say i want to go to new york it's just

1339

00:42:18,870 --> 00:42:17,280

like that you

1340

00:42:20,470 --> 00:42:18,880

you you come out of a booth in new york

1341

00:42:22,230 --> 00:42:20,480

and where you go so that means a whole

1342

00:42:24,710 --> 00:42:22,240

lot less cars driving

1343

00:42:25,430 --> 00:42:24,720

less trains less airplanes and so their

1344

00:42:27,510 --> 00:42:25,440

world was

1345

00:42:28,950 --> 00:42:27,520

a lot more cleaner and less pollution

1346

00:42:29,510 --> 00:42:28,960

than ours and so it was something that

1347

00:42:31,030 --> 00:42:29,520

we should

1348

00:42:32,550 --> 00:42:31,040

aspire to do and it was really an

1349

00:42:34,230 --> 00:42:32,560

eye-opener which means that

1350

00:42:36,470 --> 00:42:34,240

if we put our minds to it we can

1351

00:42:38,230 --> 00:42:36,480

actually accomplish quite a bit

1352

00:42:39,589 --> 00:42:38,240

but that other earth was it

1353

00:42:42,309 --> 00:42:39,599

technologically

1354

00:42:43,589 --> 00:42:42,319

uh i guess on the same level or was it a

1355

00:42:45,589 --> 00:42:43,599

bit more advanced

1356

00:42:47,990 --> 00:42:45,599

or are you are you saying that as we are

1357

00:42:51,030 --> 00:42:48,000

now technology wise that we

1358

00:42:52,630 --> 00:42:51,040

should be able to develop this

1359

00:42:54,309 --> 00:42:52,640

well they're a bit more advanced because

1360

00:42:55,829 --> 00:42:54,319

they obviously uh developing this

1361

00:42:58,069 --> 00:42:55,839

teleportation system

1362

00:42:59,030 --> 00:42:58,079

is not something that we have excuse me

1363

00:43:01,349 --> 00:42:59,040

and uh

1364

00:43:02,790 --> 00:43:01,359

um you know we can develop it at some

1365

00:43:04,390 --> 00:43:02,800

point uh but they

1366

00:43:06,470 --> 00:43:04,400

in that aspect they were further ahead

1367

00:43:08,069 --> 00:43:06,480

than us and so they're also further

1368

00:43:09,030 --> 00:43:08,079

ahead in terms of not polluting the

1369

00:43:11,430 --> 00:43:09,040

earth as much

1370

00:43:12,950 --> 00:43:11,440

um and they had they had less conflicts

1371

00:43:15,510 --> 00:43:12,960

i mean it was just a

1372

00:43:16,309 --> 00:43:15,520

happier place to be and so how far away

1373

00:43:17,910 --> 00:43:16,319

are we from that

1374

00:43:19,829 --> 00:43:17,920

i don't know we certainly have the

1375

00:43:22,150 --> 00:43:19,839

capability here in this universe

1376

00:43:23,910 --> 00:43:22,160

to develop that and that's uh and there

1377

00:43:25,109 --> 00:43:23,920

may be other solutions to stopping the

1378

00:43:27,109 --> 00:43:25,119

pollution but that was one

1379

00:43:29,270 --> 00:43:27,119

which i found was really neat i mean

1380

00:43:31,670 --> 00:43:29,280

i've always been a fan of star trek

1381

00:43:33,030 --> 00:43:31,680

and i always liked the idea of you know

1382

00:43:34,870 --> 00:43:33,040

captain kirk being on the planet and

1383

00:43:37,349 --> 00:43:34,880

saying beam me up scotty and away you go

1384

00:43:39,750 --> 00:43:37,359

you know through the teleportation and

1385

00:43:41,349 --> 00:43:39,760

and that's something that they developed

1386

00:43:42,950 --> 00:43:41,359

which we haven't yet so they're further

1387

00:43:45,190 --> 00:43:42,960

ahead of us but uh

1388

00:43:46,470 --> 00:43:45,200

it it gives us a target a goal to try to

1389

00:43:47,829 --> 00:43:46,480

achieve

1390

00:43:49,589 --> 00:43:47,839

so a couple of other highlights from my

1391

00:43:51,990 --> 00:43:49,599

book five is that uh

1392

00:43:52,710 --> 00:43:52,000

albert took me to uh the underground

1393

00:43:56,150 --> 00:43:52,720

caverns in

1394

00:43:57,349 --> 00:43:56,160

area 51 in nevada where i saw some

1395

00:44:01,190 --> 00:43:57,359

amazing things i won't

1396

00:44:04,550 --> 00:44:01,200

disclose that now um and he and uh

1397

00:44:06,230 --> 00:44:04,560

he also gave me a uh some information

1398

00:44:09,270 --> 00:44:06,240

which was really quite interesting

1399

00:44:11,589 --> 00:44:09,280

about um the uh lockdeck

1400

00:44:14,069 --> 00:44:11,599

lockdesk monster about the ark of the

1401  
00:44:16,470 --> 00:44:14,079  
covenant and about the burrito triangle

1402  
00:44:19,510 --> 00:44:16,480  
and i won't disclose those now because i

1403  
00:44:23,430 --> 00:44:21,990  
if anything you can tell us just a tiny

1404  
00:44:25,750 --> 00:44:23,440  
bit

1405  
00:44:27,510 --> 00:44:25,760  
if you can't i understand oh yeah yeah

1406  
00:44:29,829 --> 00:44:27,520  
yeah okay

1407  
00:44:31,030 --> 00:44:29,839  
a tiny bit the burrito triangle the

1408  
00:44:32,470 --> 00:44:31,040  
reason that so many planes have

1409  
00:44:33,030 --> 00:44:32,480  
disappeared in boats and everything else

1410  
00:44:35,750 --> 00:44:33,040  
you know

1411  
00:44:36,309 --> 00:44:35,760  
from underneath the bermuda triangle is

1412  
00:44:43,349 --> 00:44:36,319  
a

1413  
00:44:45,670 --> 00:44:43,359

going they set off electro

1414

00:44:47,270 --> 00:44:45,680

magnetic uh disturbance and that

1415

00:44:49,109 --> 00:44:47,280

sometimes knocks out the navigation

1416

00:44:50,950 --> 00:44:49,119

systems for our planes and boats and so

1417

00:44:52,230 --> 00:44:50,960

on that's all i'm going to say but it's

1418

00:44:55,270 --> 00:44:52,240

very interesting

1419

00:44:58,710 --> 00:44:55,280

so do they actually crash or do

1420

00:45:02,790 --> 00:45:01,349

oh no yeah sometimes they crash and

1421

00:45:05,270 --> 00:45:02,800

sometimes they actually

1422

00:45:07,270 --> 00:45:05,280

go through an interdimensional portal

1423

00:45:08,950 --> 00:45:07,280

and end up in another universe

1424

00:45:10,390 --> 00:45:08,960

yeah that's interesting well that's

1425

00:45:11,270 --> 00:45:10,400

something to look forward to in the new

1426

00:45:13,910 --> 00:45:11,280

book then

1427

00:45:14,710 --> 00:45:13,920

yeah yeah and uh so anyway those are

1428

00:45:17,430 --> 00:45:14,720

sort of the

1429

00:45:18,870 --> 00:45:17,440

the highlights um i encourage everyone

1430

00:45:21,030 --> 00:45:18,880

that when it does come out to

1431

00:45:22,630 --> 00:45:21,040

to read it um but but i don't want to

1432

00:45:24,950 --> 00:45:22,640

give away too many secrets right now

1433

00:45:26,790 --> 00:45:24,960

yeah i'm going to have a uh your

1434

00:45:28,390 --> 00:45:26,800

author's page in the description of this

1435

00:45:29,910 --> 00:45:28,400

video so when they go there they'll be

1436

00:45:31,750 --> 00:45:29,920

able to see all the other books

1437

00:45:34,470 --> 00:45:31,760

and when it's officially published by

1438

00:45:36,230 --> 00:45:34,480

ozark you'll be on that list as well

1439

00:45:37,829 --> 00:45:36,240

so is there anything else you would like

1440

00:45:40,390 --> 00:45:37,839

to maybe conclude with

1441

00:45:41,750 --> 00:45:40,400

and uh or continue to talk about

1442

00:45:43,829 --> 00:45:41,760

something else that you can tell me

1443

00:45:45,990 --> 00:45:43,839

about

1444

00:45:47,270 --> 00:45:46,000

no i think i think we've covered a lot

1445

00:45:48,950 --> 00:45:47,280

of bases here um

1446

00:45:50,790 --> 00:45:48,960

i just would like to say to people that

1447

00:45:52,390 --> 00:45:50,800

if they want more information about me

1448

00:45:55,510 --> 00:45:52,400

and my books go to my website

1449

00:45:57,270 --> 00:45:55,520

which is garnet schulhauser.com that's

1450

00:45:58,710 --> 00:45:57,280

not easy to remember but

1451

00:46:00,550 --> 00:45:58,720

if they google any of my book titles

1452

00:46:01,589 --> 00:46:00,560

like dancing on a stamp they'll get to

1453

00:46:03,990 --> 00:46:01,599

my website

1454

00:46:05,030 --> 00:46:04,000

and there um you can you can download

1455

00:46:08,150 --> 00:46:05,040

and exit from of

1456

00:46:09,990 --> 00:46:08,160

all my books you can watch a book video

1457

00:46:12,069 --> 00:46:10,000

uh you can dial into my social media

1458

00:46:14,470 --> 00:46:12,079

sites like facebook and linkedin and

1459

00:46:15,750 --> 00:46:14,480

instagram and you can also dial into my

1460

00:46:18,790 --> 00:46:15,760

youtube channel where i

1461

00:46:20,950 --> 00:46:18,800

on my youtube channel i post recordings

1462

00:46:23,030 --> 00:46:20,960

of all my interviews my radio talk show

1463

00:46:24,230 --> 00:46:23,040

interviews and the interviews like this

1464

00:46:25,510 --> 00:46:24,240

and so you can

1465

00:46:27,670 --> 00:46:25,520

you can go through there and they can

1466

00:46:29,990 --> 00:46:27,680

click on and watch all of my

1467

00:46:31,510 --> 00:46:30,000

all my interviews and that gives them a

1468

00:46:35,190 --> 00:46:31,520

lot of information and so

1469

00:46:37,349 --> 00:46:35,200

i encourage there's also on my website

1470

00:46:39,430 --> 00:46:37,359

i have convenient buy links to all the

1471

00:46:40,230 --> 00:46:39,440

online popular online bookstores if you

1472

00:46:41,910 --> 00:46:40,240

click on those

1473

00:46:43,829 --> 00:46:41,920

it gets right to the page where my books

1474

00:46:45,270 --> 00:46:43,839

are they can just buy them right there

1475

00:46:48,069 --> 00:46:45,280

so i encourage people to go to my

1476

00:46:48,550 --> 00:46:48,079

website great garnet well thank you very

1477

00:46:51,589 --> 00:46:48,560

much

1478

00:46:53,670 --> 00:46:51,599

yeah i'll um um include some of the

1479

00:46:55,109 --> 00:46:53,680

links that you want to direct access to

1480

00:46:57,270 --> 00:46:55,119

in the description as well

1481

00:46:59,349 --> 00:46:57,280

so that sometimes if you have to click

1482

00:47:01,190 --> 00:46:59,359

to one page and go somewhere else so

1483

00:47:02,790 --> 00:47:01,200

what i'm saying is i'll probably have

1484

00:47:04,630 --> 00:47:02,800

your youtube video linked directly

1485

00:47:06,790 --> 00:47:04,640

underneath there your website direct

1486

00:47:09,030 --> 00:47:06,800

directly under so it'll be just a lot

1487

00:47:11,190 --> 00:47:09,040

quicker and easier to access

1488

00:47:12,550 --> 00:47:11,200

but uh garnett thank you again it sounds

1489

00:47:14,069 --> 00:47:12,560

like it's going to be very exciting book

1490

00:47:16,309 --> 00:47:14,079

coming up so

1491

00:47:18,069 --> 00:47:16,319

i'm looking forward to it and uh i hope

1492

00:47:20,390 --> 00:47:18,079

everyone else gets a chance to

1493

00:47:21,589 --> 00:47:20,400

to see what garnet has written about so

1494

00:47:23,349 --> 00:47:21,599

check it out

1495

00:47:25,030 --> 00:47:23,359

garnet thank you again i really

1496

00:47:28,390 --> 00:47:25,040

appreciate it and i hope

1497

00:47:30,630 --> 00:47:28,400

we can do this again soon sometime

1498

00:47:32,150 --> 00:47:30,640

thank you for having me adam and i enjoy

1499

00:47:32,870 --> 00:47:32,160

all of our interviews with this is like

1500

00:47:35,430 --> 00:47:32,880

about the

1501

00:47:36,790 --> 00:47:35,440

number three i've had with you and i'm

1502

00:47:38,870 --> 00:47:36,800

happy to come back any time

1503

00:47:40,790 --> 00:47:38,880

awesome well garnet thank you have a

1504

00:47:41,990 --> 00:47:40,800

good day and i'll talk to you later and
