

1
00:01:38,830 --> 00:00:14,910
[Music]

2
00:01:38,840 --> 00:01:52,830
good

3
00:01:52,840 --> 00:02:19,800
foreign

4
00:02:19,810 --> 00:03:48,470
[Music]

5
00:03:51,830 --> 00:03:50,949
hey everyone welcome to the ufo hub live

6
00:03:53,910 --> 00:03:51,840
stream

7
00:03:55,429 --> 00:03:53,920
so today's guest as you might have known

8
00:03:58,229 --> 00:03:55,439
is patrick de haan

9
00:03:58,869 --> 00:03:58,239
and uh we'll be talking to him for quite

10
00:04:00,550 --> 00:03:58,879
a bit

11
00:04:02,149 --> 00:04:00,560
and i'm actually very excited to talk to

12
00:04:05,429 --> 00:04:02,159
him today i had

13
00:04:07,910 --> 00:04:05,439

i called him a bit earlier and um i was

14

00:04:09,670 --> 00:04:07,920

planning to kind of get ready for the

15

00:04:11,589 --> 00:04:09,680

show to figure out what what am i going

16

00:04:13,589 --> 00:04:11,599

to ask him and things like that just

17

00:04:15,509 --> 00:04:13,599

getting a little bit prepared you know

18

00:04:16,629 --> 00:04:15,519

as if i don't have enough things going

19

00:04:20,069 --> 00:04:16,639

on but anyway

20

00:04:21,909 --> 00:04:20,079

um i was um on his website and

21

00:04:24,230 --> 00:04:21,919

saw some very interesting information so

22

00:04:25,670 --> 00:04:24,240

i called them up beforehand and said hey

23

00:04:27,990 --> 00:04:25,680

i would like to cover this with you

24

00:04:31,430 --> 00:04:28,000

would you be okay with that and

25

00:04:34,150 --> 00:04:31,440

it was very open to i said sure so

26

00:04:35,510 --> 00:04:34,160

i don't know if this stream if you know

27

00:04:37,430 --> 00:04:35,520

if it will be taken

28

00:04:38,629 --> 00:04:37,440

off by youtube because of the subject

29

00:04:40,629 --> 00:04:38,639

mana covered because

30

00:04:42,710 --> 00:04:40,639

it might dive a little bit more into

31

00:04:43,749 --> 00:04:42,720

politics as well and about channeled

32

00:04:46,550 --> 00:04:43,759

information

33

00:04:48,230 --> 00:04:46,560

so my life has pretty much been changed

34

00:04:51,670 --> 00:04:48,240

by channeled information and

35

00:04:53,510 --> 00:04:51,680

i enjoy it very much to say the least

36

00:04:55,430 --> 00:04:53,520

as always you always have to discern for

37

00:04:57,430 --> 00:04:55,440

yourself what information you're getting

38

00:04:58,790 --> 00:04:57,440

and see if it works for your life or in

39

00:05:01,430 --> 00:04:58,800

your life or not

40

00:05:02,629 --> 00:05:01,440

and um you know take what works for you

41

00:05:05,909 --> 00:05:02,639

leave what doesn't

42

00:05:09,110 --> 00:05:05,919

so anyway if if we happen to be

43

00:05:11,830 --> 00:05:09,120

uh to be get dropped i would um

44

00:05:13,110 --> 00:05:11,840

i kind of covered it with him to we'll

45

00:05:16,150 --> 00:05:13,120

go ahead and

46

00:05:18,230 --> 00:05:16,160

record this kind of off screen of course

47

00:05:19,189 --> 00:05:18,240

i'll try to reconnect if it will allow

48

00:05:20,950 --> 00:05:19,199

me if not

49

00:05:22,390 --> 00:05:20,960

we'll record this off screen and then

50

00:05:25,110 --> 00:05:22,400

try to

51
00:05:26,310 --> 00:05:25,120
post it back up online and see if it

52
00:05:28,310 --> 00:05:26,320
will stick then

53
00:05:30,070 --> 00:05:28,320
uh if it doesn't get taken off screen

54
00:05:31,430 --> 00:05:30,080
then that means we didn't cover enough

55
00:05:33,430 --> 00:05:31,440
controversial information

56
00:05:35,590 --> 00:05:33,440
which i guess is good and then you get

57
00:05:39,350 --> 00:05:35,600
to watch the interview assist

58
00:05:40,070 --> 00:05:39,360
so um looks like everything is going

59
00:05:43,189 --> 00:05:40,080
great

60
00:05:44,870 --> 00:05:43,199
little bit of issues with

61
00:05:47,270 --> 00:05:44,880
with the connection i was doing an

62
00:05:49,510 --> 00:05:47,280
interview yesterday which is going to be

63
00:05:51,110 --> 00:05:49,520

an interview coming up for you guys on

64

00:05:54,230 --> 00:05:51,120

wednesday

65

00:05:56,950 --> 00:05:54,240

a webcast video and the

66

00:05:57,590 --> 00:05:56,960

connection just dropped just absolutely

67

00:05:59,189 --> 00:05:57,600

just

68

00:06:00,790 --> 00:05:59,199

disappeared on me i was checking the

69

00:06:02,150 --> 00:06:00,800

network looking around

70

00:06:04,710 --> 00:06:02,160

and just could not figure out what it

71

00:06:07,270 --> 00:06:04,720

was so

72

00:06:07,830 --> 00:06:07,280

we reconnected this we had to i had to

73

00:06:10,469 --> 00:06:07,840

connect

74

00:06:11,590 --> 00:06:10,479

mine wirelessly and so there's a little

75

00:06:12,950 --> 00:06:11,600

bit of a lag there

76

00:06:15,110 --> 00:06:12,960

i'm trying i'm going to try to do my

77

00:06:18,950 --> 00:06:15,120

best to make it uh presentable

78

00:06:21,189 --> 00:06:18,960

and during the editing but um so anyway

79

00:06:22,790 --> 00:06:21,199

if i mentioned it yet it's going to be

80

00:06:24,950 --> 00:06:22,800

mary rodwell

81

00:06:26,150 --> 00:06:24,960

that's going to be going live next week

82

00:06:28,870 --> 00:06:26,160

wednesday

83

00:06:29,909 --> 00:06:28,880

and at least the webcast will be will be

84

00:06:33,350 --> 00:06:29,919

posted

85

00:06:34,070 --> 00:06:33,360

but um yeah that's i think pretty much

86

00:06:36,469 --> 00:06:34,080

it so

87

00:06:37,350 --> 00:06:36,479

without any further ado let's get going

88

00:06:42,469 --> 00:06:37,360

and uh let's

89

00:06:46,150 --> 00:06:44,390

thanks for inviting me on to the show

90

00:06:47,189 --> 00:06:46,160

and i'm sorry patrick just one quick

91

00:06:50,230 --> 00:06:47,199

second there we go

92

00:06:53,350 --> 00:06:50,240

now i shifted you over welcome patrick

93

00:06:54,710 --> 00:06:53,360

uh please just uh start out

94

00:06:55,749 --> 00:06:54,720

with your name and whatever you were

95

00:06:56,790 --> 00:06:55,759

going to say i'm sorry for the

96

00:06:58,710 --> 00:06:56,800

interruption

97

00:07:01,350 --> 00:06:58,720

oh that's fine i'd not uh my name is

98

00:07:02,469 --> 00:07:01,360

patrick dahan as adnan has told everyone

99

00:07:04,950 --> 00:07:02,479

viewing

100

00:07:06,150 --> 00:07:04,960

and he's invited me to come on the show

101
00:07:10,629 --> 00:07:06,160
and

102
00:07:12,230 --> 00:07:10,639
subjects he'd like to explore

103
00:07:14,390 --> 00:07:12,240
you'll all be happy to know that i

104
00:07:14,710 --> 00:07:14,400
contacted captain kirk on the enterprise

105
00:07:19,189 --> 00:07:14,720
to

106
00:07:20,790 --> 00:07:19,199
all of the connections

107
00:07:24,629 --> 00:07:20,800
and the live stream so we should not

108
00:07:28,629 --> 00:07:24,639
have any alien interference

109
00:07:31,110 --> 00:07:28,639
all right good deal so um

110
00:07:31,990 --> 00:07:31,120
patrick what uh what i usually like to

111
00:07:34,870 --> 00:07:32,000
do is to

112
00:07:35,189 --> 00:07:34,880
just kind of uh have you start out about

113
00:07:36,950 --> 00:07:35,199

uh

114

00:07:40,790 --> 00:07:36,960

what is it that you do and how you

115

00:07:45,670 --> 00:07:40,800

started out in in this field

116

00:07:48,790 --> 00:07:45,680

i am what could be called a medium

117

00:07:52,230 --> 00:07:48,800

or a channel who receives telepathic

118

00:07:55,510 --> 00:07:52,240

information psychically typically

119

00:07:56,150 --> 00:07:55,520

most commonly from my guardian angel

120

00:07:59,589 --> 00:07:56,160

guides

121

00:08:02,950 --> 00:07:59,599

which every human being has and

122

00:08:06,790 --> 00:08:02,960

also if i ask

123

00:08:09,830 --> 00:08:06,800

them to appear the souls of

124

00:08:12,950 --> 00:08:09,840

other energetic beings

125

00:08:14,710 --> 00:08:12,960

or former human beings who have passed

126
00:08:18,869 --> 00:08:14,720
on

127
00:08:22,150 --> 00:08:18,879
and other physical beings in our galaxy

128
00:08:23,909 --> 00:08:22,160
who communicate telepathically alien

129
00:08:27,510 --> 00:08:23,919
extraterrestrials

130
00:08:29,589 --> 00:08:27,520
i got my start

131
00:08:31,909 --> 00:08:29,599
probably in my teenage years without

132
00:08:35,110 --> 00:08:31,919
having the foggiest idea

133
00:08:35,670 --> 00:08:35,120
that that's what was happening i just

134
00:08:37,990 --> 00:08:35,680
assumed

135
00:08:40,870 --> 00:08:38,000
that the way i got information the way

136
00:08:43,190 --> 00:08:40,880
ideas and things came into my mind

137
00:08:44,790 --> 00:08:43,200
was common for just about everybody i

138
00:08:46,150 --> 00:08:44,800

knew everybody was different i knew i

139

00:08:49,030 --> 00:08:46,160

wasn't the same

140

00:08:50,070 --> 00:08:49,040

but i figured the way i understood

141

00:08:53,190 --> 00:08:50,080

things or

142

00:08:54,870 --> 00:08:53,200

ideas came into my my understanding

143

00:08:56,710 --> 00:08:54,880

was common for a lot of people and over

144

00:08:58,710 --> 00:08:56,720

the years i slowly and gradually

145

00:09:01,990 --> 00:08:58,720

discovered that was not true

146

00:09:06,630 --> 00:09:02,000

and by the time i was in my

147

00:09:10,070 --> 00:09:06,640

uh late 40s full disclosure to everyone

148

00:09:11,670 --> 00:09:10,080

i'm 60 and one half years young

149

00:09:14,710 --> 00:09:11,680

by the time i got into my late 40s and

150

00:09:17,350 --> 00:09:14,720

certainly by my early 50s

151
00:09:19,590 --> 00:09:17,360
it became quote unquote time and my

152
00:09:23,030 --> 00:09:19,600
guardian angel guides nudged me

153
00:09:25,590 --> 00:09:23,040
and moved me into a more

154
00:09:30,310 --> 00:09:25,600
advanced stage of telepathic channeling

155
00:09:30,320 --> 00:09:33,590
so um

156
00:09:36,630 --> 00:09:35,509
how did how did you for example you have

157
00:09:40,790 --> 00:09:36,640
a book and

158
00:09:42,710 --> 00:09:40,800
that book is uh called the the um

159
00:09:44,230 --> 00:09:42,720
of course now out of all the times that

160
00:09:45,430 --> 00:09:44,240
i could forget the title of your book

161
00:09:47,590 --> 00:09:45,440
that would be now

162
00:09:50,230 --> 00:09:47,600
um alien handbook correct yeah we get a

163
00:09:51,990 --> 00:09:50,240

handbook i have it here

164

00:09:53,750 --> 00:09:52,000

thank you for that it took me a second

165

00:09:55,430 --> 00:09:53,760

and so um

166

00:09:57,350 --> 00:09:55,440

what what inspired you or how did you

167

00:09:59,990 --> 00:09:57,360

come about to writing it

168

00:10:02,150 --> 00:10:00,000

the inspiration mostly came from readers

169

00:10:03,829 --> 00:10:02,160

of my website

170

00:10:05,590 --> 00:10:03,839

uh many of whom were interested in

171

00:10:08,630 --> 00:10:05,600

certain aspects of

172

00:10:10,630 --> 00:10:08,640

alien extraterrestrials in general

173

00:10:12,630 --> 00:10:10,640

one uh one reader i don't remember who

174

00:10:12,949 --> 00:10:12,640

it was at the time and this was several

175

00:10:15,269 --> 00:10:12,959

men

176

00:10:16,310 --> 00:10:15,279

several years ago asked if it were

177

00:10:19,910 --> 00:10:16,320

possible for me

178

00:10:21,350 --> 00:10:19,920

to attempt to telepathically communicate

179

00:10:24,550 --> 00:10:21,360

with the aliens

180

00:10:25,910 --> 00:10:24,560

so i decided to give it a try well that

181

00:10:29,350 --> 00:10:25,920

opened

182

00:10:31,509 --> 00:10:29,360

about 25 doors and yes so

183

00:10:33,190 --> 00:10:31,519

i decided to put together a book of

184

00:10:37,509 --> 00:10:33,200

information

185

00:10:40,150 --> 00:10:37,519

came from my

186

00:10:41,910 --> 00:10:40,160

guardian angel guides or gags as i call

187

00:10:42,710 --> 00:10:41,920

them that's a bit of a tongue-in-cheek a

188

00:10:45,630 --> 00:10:42,720

joke

189

00:10:46,790 --> 00:10:45,640

nickname really but also alien

190

00:10:50,550 --> 00:10:46,800

extraterrestrials

191

00:10:52,470 --> 00:10:50,560

themselves and in the book i quoted them

192

00:10:55,269 --> 00:10:52,480

the ones that were willing to

193

00:10:59,190 --> 00:10:55,279

communicate with me telepathically and

194

00:11:03,269 --> 00:11:01,829

so could you maybe uh cover some of the

195

00:11:04,630 --> 00:11:03,279

the chapters or some of the things

196

00:11:07,750 --> 00:11:04,640

you've written about

197

00:11:10,069 --> 00:11:07,760

certainly uh many many books about

198

00:11:10,630 --> 00:11:10,079

aliens or information about the topic in

199

00:11:14,069 --> 00:11:10,640

general

200

00:11:17,509 --> 00:11:14,079

involves appearances sightings

201
00:11:19,750 --> 00:11:17,519
observation evidence and all sorts of

202
00:11:21,430 --> 00:11:19,760
things related to that

203
00:11:23,190 --> 00:11:21,440
and i didn't think that it made much

204
00:11:26,389 --> 00:11:23,200
sense for me to

205
00:11:29,590 --> 00:11:26,399
attempt to repeat or cover ground that's

206
00:11:31,829 --> 00:11:29,600
already been it's already been plowed

207
00:11:34,470 --> 00:11:31,839
100 times by many other people much more

208
00:11:36,949 --> 00:11:34,480
capable than myself

209
00:11:39,110 --> 00:11:36,959
what i decided to do was to ask for

210
00:11:42,389 --> 00:11:39,120
specific information

211
00:11:46,310 --> 00:11:42,399
about aliens how do they get to earth

212
00:11:48,310 --> 00:11:46,320
uh how do they conceal their ships

213
00:11:51,110 --> 00:11:48,320

how do they communicate with us and most

214

00:11:55,990 --> 00:11:51,120

importantly what do they see

215

00:11:58,310 --> 00:11:56,000

about humanity how is their

216

00:12:00,150 --> 00:11:58,320

society or societies or groups or

217

00:12:01,430 --> 00:12:00,160

federations or associations how are they

218

00:12:04,949 --> 00:12:01,440

structured

219

00:12:07,910 --> 00:12:04,959

who are humans to them what are they to

220

00:12:08,710 --> 00:12:07,920

us that sort of thing so i laid that out

221

00:12:11,509 --> 00:12:08,720

step by step

222

00:12:12,949 --> 00:12:11,519

in in my book uh what technologies do

223

00:12:14,790 --> 00:12:12,959

they have

224

00:12:20,629 --> 00:12:14,800

uh how do they transport themselves

225

00:12:24,069 --> 00:12:23,509

so uh how would you for example how does

226

00:12:28,230 --> 00:12:24,079

the

227

00:12:29,990 --> 00:12:28,240

though do you just kind of get

228

00:12:31,670 --> 00:12:30,000

a sense that somebody's trying to

229

00:12:33,269 --> 00:12:31,680

contact you so you

230

00:12:34,870 --> 00:12:33,279

get into that mode how does that

231

00:12:37,190 --> 00:12:34,880

generally work for you

232

00:12:38,150 --> 00:12:37,200

i start to concentrate mentally and i

233

00:12:40,550 --> 00:12:38,160

specifically

234

00:12:43,030 --> 00:12:40,560

ask in in the case of aliens i

235

00:12:46,310 --> 00:12:43,040

specifically ask any visitors

236

00:12:47,670 --> 00:12:46,320

to earth who are willing to communicate

237

00:12:51,030 --> 00:12:47,680

and answer my questions

238

00:12:52,790 --> 00:12:51,040

to do so because alien extraterrestrials

239

00:12:55,030 --> 00:12:52,800

are telepathic number one

240

00:12:55,829 --> 00:12:55,040

and number two because they are visiting

241

00:12:59,670 --> 00:12:55,839

earth

242

00:13:02,790 --> 00:12:59,680

with the intent the express purpose

243

00:13:03,590 --> 00:13:02,800

of observing us uh and there are many of

244

00:13:06,870 --> 00:13:03,600

them

245

00:13:09,910 --> 00:13:06,880

around earth pretty much all the time

246

00:13:10,790 --> 00:13:09,920

in most cases i'm able to establish the

247

00:13:13,350 --> 00:13:10,800

connection

248

00:13:15,030 --> 00:13:13,360

my guardian angel guides help out quite

249

00:13:17,190 --> 00:13:15,040

a bit

250

00:13:18,310 --> 00:13:17,200

every human being has them one or

251
00:13:21,990 --> 00:13:18,320
several

252
00:13:25,110 --> 00:13:22,000
and when a human being is attempting to

253
00:13:26,870 --> 00:13:25,120
telepathically communicate

254
00:13:28,069 --> 00:13:26,880
if there's no problem and there usually

255
00:13:29,910 --> 00:13:28,079
isn't certainly not with alien

256
00:13:31,509 --> 00:13:29,920
extraterrestrials

257
00:13:35,670 --> 00:13:31,519
they'll help establish that connection

258
00:13:40,310 --> 00:13:35,680
and they have for me

259
00:13:45,269 --> 00:13:42,629
i guess maybe when it comes to the ufo

260
00:13:47,910 --> 00:13:45,279
phenomena with contact itself that

261
00:13:48,629 --> 00:13:47,920
you can share about about what why is it

262
00:13:52,389 --> 00:13:48,639
that they're

263
00:13:56,150 --> 00:13:52,399

even here to begin with human beings

264

00:13:57,910 --> 00:13:56,160

are not a native evolved species to

265

00:13:59,829 --> 00:13:57,920

earth

266

00:14:01,110 --> 00:13:59,839

just about all life plant and animal

267

00:14:04,949 --> 00:14:01,120

life on earth

268

00:14:08,230 --> 00:14:04,959

was originally planted or seeded here

269

00:14:10,389 --> 00:14:08,240

by visitors from other planets as soon

270

00:14:13,269 --> 00:14:10,399

as conditions on earth

271

00:14:13,829 --> 00:14:13,279

were appropriate for the growth of

272

00:14:18,790 --> 00:14:13,839

whatever

273

00:14:23,910 --> 00:14:22,150

eons ago long long ago much of what

274

00:14:24,790 --> 00:14:23,920

humans understand about evolution

275

00:14:28,629 --> 00:14:24,800

particularly

276

00:14:30,790 --> 00:14:28,639

plant life is accurate however

277

00:14:32,150 --> 00:14:30,800

when it comes to animal life we know

278

00:14:35,189 --> 00:14:32,160

quite a bit about

279

00:14:35,910 --> 00:14:35,199

many different animals and evolution but

280

00:14:38,230 --> 00:14:35,920

what is

281

00:14:40,629 --> 00:14:38,240

not recognized is that humans are

282

00:14:42,629 --> 00:14:40,639

essentially

283

00:14:45,269 --> 00:14:42,639

a parasite species and i don't want to

284

00:14:48,230 --> 00:14:45,279

say parasite because we're not parasites

285

00:14:49,829 --> 00:14:48,240

in the sense that anthropology normally

286

00:14:52,870 --> 00:14:49,839

classifies a parasite of

287

00:14:54,470 --> 00:14:52,880

one living being living off of or living

288

00:14:57,430 --> 00:14:54,480

on or because of another and

289

00:14:59,030 --> 00:14:57,440

and clinging to them because we don't do

290

00:15:01,910 --> 00:14:59,040

that with other beings but we are

291

00:15:03,990 --> 00:15:01,920

in a sense parasites to the planet earth

292

00:15:06,870 --> 00:15:04,000

we're not native

293

00:15:07,509 --> 00:15:06,880

the very commonly held belief is that

294

00:15:11,430 --> 00:15:07,519

humans

295

00:15:14,150 --> 00:15:11,440

are evolved from simians

296

00:15:15,590 --> 00:15:14,160

which would mean chimpanzees monkeys and

297

00:15:18,150 --> 00:15:15,600

and primates in general

298

00:15:19,030 --> 00:15:18,160

that's not true but we we are not

299

00:15:22,389 --> 00:15:19,040

evolved

300

00:15:25,590 --> 00:15:22,399

from those animals humans were created

301
00:15:26,949 --> 00:15:25,600
and the biblical story of the garden of

302
00:15:29,829 --> 00:15:26,959
eden

303
00:15:30,230 --> 00:15:29,839
where god created adam and then created

304
00:15:33,269 --> 00:15:30,240
eve

305
00:15:36,389 --> 00:15:33,279
by taking a piece of adam's rib etc

306
00:15:40,389 --> 00:15:36,399
that's an allegory

307
00:15:43,430 --> 00:15:40,399
but it reflects the correct and accurate

308
00:15:44,790 --> 00:15:43,440
process of gene splicing and dna

309
00:15:47,749 --> 00:15:44,800
manipulation

310
00:15:50,069 --> 00:15:47,759
which initially took place to create the

311
00:15:52,790 --> 00:15:50,079
first humanoids which preceded

312
00:15:53,670 --> 00:15:52,800
human beings as we now exist this

313
00:15:55,990 --> 00:15:53,680

occurred

314

00:15:56,870 --> 00:15:56,000

approximately a hundred thousand years

315

00:15:59,110 --> 00:15:56,880

ago

316

00:16:00,790 --> 00:15:59,120

and that's roughly the period of time

317

00:16:04,949 --> 00:16:00,800

that humans have been on earth

318

00:16:07,189 --> 00:16:04,959

the idea of hybrids well that's

319

00:16:08,310 --> 00:16:07,199

every human being is a hybrid in that we

320

00:16:11,749 --> 00:16:08,320

are all

321

00:16:15,189 --> 00:16:11,759

a creation which used different

322

00:16:17,509 --> 00:16:15,199

uh contributions of dna from

323

00:16:18,949 --> 00:16:17,519

animal life which already existed on

324

00:16:20,870 --> 00:16:18,959

earth at the time

325

00:16:22,230 --> 00:16:20,880

the alien extraterrestrial visitors

326

00:16:24,949 --> 00:16:22,240

created us

327

00:16:27,749 --> 00:16:24,959

and dna that they had some of their own

328

00:16:29,829 --> 00:16:27,759

and from many different civilizations

329

00:16:33,670 --> 00:16:29,839

and that's how humans were created there

330

00:16:36,710 --> 00:16:33,680

is no quote-unquote proof or evidence

331

00:16:38,870 --> 00:16:36,720

on earth to substantiate this so it is

332

00:16:41,670 --> 00:16:38,880

very easy for people to say

333

00:16:42,230 --> 00:16:41,680

we don't believe it however one very

334

00:16:45,509 --> 00:16:42,240

large

335

00:16:45,990 --> 00:16:45,519

and nagging question hangs over the

336

00:16:48,829 --> 00:16:46,000

whole

337

00:16:50,790 --> 00:16:48,839

discussion which is why have

338

00:16:54,069 --> 00:16:50,800

anthropologists been able to

339

00:16:54,310 --> 00:16:54,079

clearly establish a pattern of evolution

340

00:16:57,590 --> 00:16:54,320

in

341

00:16:59,910 --> 00:16:57,600

so many different types of earth life

342

00:17:00,629 --> 00:16:59,920

but they continually run into what is

343

00:17:04,309 --> 00:17:00,639

called this

344

00:17:06,470 --> 00:17:04,319

missing link between primates

345

00:17:08,069 --> 00:17:06,480

and humans well the reason there's a

346

00:17:09,350 --> 00:17:08,079

missing link is because it's missing it

347

00:17:11,669 --> 00:17:09,360

doesn't exist

348

00:17:13,750 --> 00:17:11,679

there's no link we are not descended

349

00:17:16,870 --> 00:17:13,760

from chimps or monkeys or gorillas

350

00:17:23,909 --> 00:17:16,880

humans are unique to earth and

351

00:17:30,150 --> 00:17:27,110

so pat do you is there any

352

00:17:32,549 --> 00:17:30,160

specific i guess a

353

00:17:33,510 --> 00:17:32,559

message or anything specifically that i

354

00:17:35,909 --> 00:17:33,520

guess if

355

00:17:37,830 --> 00:17:35,919

they're coming here what is it that they

356

00:17:39,350 --> 00:17:37,840

want us to to know what is it they want

357

00:17:43,909 --> 00:17:39,360

us to do maybe

358

00:17:47,110 --> 00:17:43,919

uh they observe us earth is protected

359

00:17:49,510 --> 00:17:47,120

very strongly by a number of alien

360

00:17:52,789 --> 00:17:49,520

extraterrestrial civilizations

361

00:17:55,830 --> 00:17:52,799

who form a federation or an association

362

00:17:59,110 --> 00:17:55,840

in our particular

363

00:18:00,710 --> 00:17:59,120

sector or star cluster

364

00:18:02,789 --> 00:18:00,720

uh there are all sorts of planets and a

365

00:18:05,029 --> 00:18:02,799

number of stars in it but there are four

366

00:18:07,190 --> 00:18:05,039

or five civilizations that spend

367

00:18:08,789 --> 00:18:07,200

most of their time watching over earth

368

00:18:12,070 --> 00:18:08,799

very closely

369

00:18:13,669 --> 00:18:12,080

uh in many science fiction television

370

00:18:15,350 --> 00:18:13,679

shows and movies

371

00:18:17,029 --> 00:18:15,360

reference is made to something called a

372

00:18:19,350 --> 00:18:17,039

prime directive well that's a reference

373

00:18:22,150 --> 00:18:19,360

to something that is truly in effect

374

00:18:25,190 --> 00:18:22,160

which is observation of earth is

375

00:18:29,190 --> 00:18:25,200

perfectly okay but interference

376

00:18:32,710 --> 00:18:29,200

in human activity and progress

377

00:18:34,710 --> 00:18:32,720

is completely prohibited so we are

378

00:18:36,390 --> 00:18:34,720

watched very closely by alien

379

00:18:39,750 --> 00:18:36,400

extraterrestrial visitors

380

00:18:40,070 --> 00:18:39,760

they look at us through what we would

381

00:18:43,029 --> 00:18:40,080

call

382

00:18:44,549 --> 00:18:43,039

telescopes but their technology is far

383

00:18:49,830 --> 00:18:44,559

more advanced than that

384

00:18:55,990 --> 00:18:53,350

broadcast electromagnetic transmission

385

00:18:57,990 --> 00:18:56,000

telephone call anything that we transmit

386

00:19:01,190 --> 00:18:58,000

or produce

387

00:19:01,990 --> 00:19:01,200

they can walk and do watch observe and

388

00:19:05,830 --> 00:19:02,000

understand

389

00:19:08,070 --> 00:19:05,840

like a scientist studying a species

390

00:19:09,350 --> 00:19:08,080

in a certain part of the world but they

391

00:19:12,070 --> 00:19:09,360

don't interfere

392

00:19:14,390 --> 00:19:12,080

this is a a big challenge because

393

00:19:15,909 --> 00:19:14,400

continuously for decades

394

00:19:18,390 --> 00:19:15,919

alien extraterrestrials have been

395

00:19:20,789 --> 00:19:18,400

portrayed in popular culture

396

00:19:22,830 --> 00:19:20,799

and in movies as being hostile and

397

00:19:25,430 --> 00:19:22,840

dangerous

398

00:19:26,870 --> 00:19:25,440

and capable of invading us

399

00:19:29,990 --> 00:19:26,880

that is the complete opposite of the

400

00:19:33,029 --> 00:19:30,000

truth the alien extraterrestrials

401
00:19:35,909 --> 00:19:33,039
who come to earth to observe us love us

402
00:19:37,909 --> 00:19:35,919
like their brothers and sisters

403
00:19:40,630 --> 00:19:37,919
they would never harm us they would

404
00:19:43,110 --> 00:19:40,640
never do anything to anybody willingly

405
00:19:44,710 --> 00:19:43,120
in many cases they have made contact

406
00:19:46,470 --> 00:19:44,720
with humans and they have scared the

407
00:19:49,990 --> 00:19:46,480
heck out of them

408
00:19:51,990 --> 00:19:50,000
and made those humans very much believe

409
00:19:53,270 --> 00:19:52,000
that those people were being abducted

410
00:19:55,190 --> 00:19:53,280
and that's certainly how it seemed

411
00:19:57,029 --> 00:19:55,200
that's not wrong

412
00:19:59,830 --> 00:19:57,039
but those people were never harmed

413
00:20:03,350 --> 00:19:59,840

there's virtually no evidence of anybody

414

00:20:06,390 --> 00:20:03,360

suffering physically or mentally

415

00:20:08,070 --> 00:20:06,400

any even short or long-term effects of

416

00:20:10,470 --> 00:20:08,080

being contacted by

417

00:20:11,510 --> 00:20:10,480

or having an encounter with visitors to

418

00:20:14,789 --> 00:20:11,520

earth

419

00:20:15,270 --> 00:20:14,799

but yes very scary but that's simply

420

00:20:17,350 --> 00:20:15,280

part of

421

00:20:19,110 --> 00:20:17,360

that person's life plan and agreement to

422

00:20:23,029 --> 00:20:19,120

do that sort of thing

423

00:20:23,909 --> 00:20:23,039

but for 99.99999 of humanity that won't

424

00:20:25,750 --> 00:20:23,919

occur

425

00:20:28,230 --> 00:20:25,760

uh alien extraterrestrials are our

426

00:20:31,430 --> 00:20:29,909

what do you mean part of agreement can

427

00:20:32,149 --> 00:20:31,440

you please go a little bit more into

428

00:20:34,230 --> 00:20:32,159

that

429

00:20:37,270 --> 00:20:34,240

every human being has a life agreement

430

00:20:40,710 --> 00:20:37,280

every human being is a spiritual being

431

00:20:41,029 --> 00:20:40,720

who then voluntarily willingly decides

432

00:20:44,710 --> 00:20:41,039

to

433

00:20:47,510 --> 00:20:44,720

incarnate in a body and before

434

00:20:50,950 --> 00:20:47,520

every human being does that they go

435

00:20:54,390 --> 00:20:50,960

through an extensive planning process

436

00:20:56,149 --> 00:20:54,400

with the souls of all the people

437

00:20:58,630 --> 00:20:56,159

who they're going to encounter during

438

00:21:00,070 --> 00:20:58,640

their life with their guardian angel

439

00:21:01,669 --> 00:21:00,080

guides and often the guardian angel

440

00:21:04,310 --> 00:21:01,679

guides of all the other souls

441

00:21:06,470 --> 00:21:04,320

meaning the human beings that they will

442

00:21:10,230 --> 00:21:06,480

come across either casually or

443

00:21:12,789 --> 00:21:10,240

in a big way and we plan a life

444

00:21:14,630 --> 00:21:12,799

course and we include certain steps and

445

00:21:16,549 --> 00:21:14,640

phases and important things in it

446

00:21:19,190 --> 00:21:16,559

and then we leave a great amount of

447

00:21:21,029 --> 00:21:19,200

latitude in between those

448

00:21:22,870 --> 00:21:21,039

those of those highway markers those

449

00:21:26,230 --> 00:21:22,880

high points

450

00:21:27,750 --> 00:21:26,240

for us to act out our life and to make

451

00:21:28,789 --> 00:21:27,760

our decisions and live our lives as we

452

00:21:31,270 --> 00:21:28,799

choose

453

00:21:32,950 --> 00:21:31,280

who we get married to for example who

454

00:21:35,110 --> 00:21:32,960

our children will be

455

00:21:37,110 --> 00:21:35,120

uh generally where we will live what

456

00:21:40,950 --> 00:21:37,120

country what part of the country

457

00:21:43,909 --> 00:21:40,960

certain uh important things like a a job

458

00:21:46,630 --> 00:21:43,919

uh a long-term position things like that

459

00:21:50,070 --> 00:21:46,640

those are almost always planned

460

00:21:51,510 --> 00:21:50,080

we go to sleep every night and our soul

461

00:21:53,669 --> 00:21:51,520

leaves our body

462

00:21:54,950 --> 00:21:53,679

and we meet up with our guardian angel

463

00:21:58,110 --> 00:21:54,960

guides and other beings

464

00:22:01,510 --> 00:21:58,120

and review and adjust if necessary we

465

00:22:03,909 --> 00:22:01,520

specifically tell ourselves not to

466

00:22:06,950 --> 00:22:03,919

remember these things

467

00:22:08,789 --> 00:22:06,960

when they happen we specifically blot

468

00:22:11,430 --> 00:22:08,799

that out of our conscious memory

469

00:22:12,710 --> 00:22:11,440

so that when we wake up at best the only

470

00:22:15,830 --> 00:22:12,720

thing we remember

471

00:22:18,230 --> 00:22:15,840

is the dream we were having for the last

472

00:22:21,510 --> 00:22:18,240

part of the rem sleep

473

00:22:23,590 --> 00:22:21,520

but each one of us has a life

474

00:22:25,510 --> 00:22:23,600

plan and a course and a contract or an

475

00:22:28,870 --> 00:22:25,520

agreement

476

00:22:30,870 --> 00:22:28,880

including uh several potential exit

477

00:22:33,270 --> 00:22:30,880

points where we might die and we can

478

00:22:36,549 --> 00:22:33,280

choose as we approach or pass them

479

00:22:38,470 --> 00:22:36,559

and eventually the place and the manner

480

00:22:40,390 --> 00:22:38,480

of when life will end and we will return

481

00:22:41,990 --> 00:22:40,400

home to heaven

482

00:22:44,630 --> 00:22:42,000

most of this information we could never

483

00:22:46,630 --> 00:22:44,640

know just imagine if a human being

484

00:22:48,630 --> 00:22:46,640

knew specifically where when and how

485

00:22:51,350 --> 00:22:48,640

they would pass away

486

00:22:52,070 --> 00:22:51,360

what would happen well just mentioning

487

00:22:53,669 --> 00:22:52,080

the concept

488

00:22:56,549 --> 00:22:53,679

explains itself and that's why we don't

489

00:23:02,149 --> 00:23:00,230

so when you say heaven are you

490

00:23:03,830 --> 00:23:02,159

is it just of your way of saying like

491

00:23:04,870 --> 00:23:03,840

just a very nice place or do you mean

492

00:23:07,990 --> 00:23:04,880

that in the big

493

00:23:10,549 --> 00:23:08,000

biblical sense

494

00:23:11,669 --> 00:23:10,559

well it's a very nice place yes in the

495

00:23:13,669 --> 00:23:11,679

biblical sense but

496

00:23:15,350 --> 00:23:13,679

it's not a place that's often separate

497

00:23:17,110 --> 00:23:15,360

we're all in heaven now

498

00:23:18,630 --> 00:23:17,120

we just don't know it because we can't

499

00:23:20,549 --> 00:23:18,640

perceive the higher dimensions and the

500

00:23:23,350 --> 00:23:20,559

vibrations

501

00:23:25,110 --> 00:23:23,360

uh that that that heaven involves so

502

00:23:26,470 --> 00:23:25,120

people in heaven souls in heaven can see

503

00:23:29,430 --> 00:23:26,480

us

504

00:23:31,669 --> 00:23:29,440

uh after a human being passes away the

505

00:23:33,669 --> 00:23:31,679

body dies but the human doesn't

506

00:23:35,510 --> 00:23:33,679

and we can see everything on earth

507

00:23:36,230 --> 00:23:35,520

exactly as if we were still incarnated

508

00:23:38,950 --> 00:23:36,240

in a body

509

00:23:39,510 --> 00:23:38,960

the difference is we choose not to be

510

00:23:42,630 --> 00:23:39,520

able to

511

00:23:45,830 --> 00:23:42,640

interact with and interfere with people

512

00:23:47,510 --> 00:23:45,840

who are on a sacred mission which is the

513

00:23:49,990 --> 00:23:47,520

journey of life across earth

514

00:23:51,590 --> 00:23:50,000

which we are all on how many now 8

515

00:23:56,789 --> 00:23:51,600

billion of us

516

00:24:01,590 --> 00:23:59,990

so patrick is there is there a specific

517

00:24:03,510 --> 00:24:01,600

i guess information that you might have

518

00:24:06,310 --> 00:24:03,520

received about

519

00:24:07,510 --> 00:24:06,320

is there is a specific i asked that of

520

00:24:09,830 --> 00:24:07,520

my last guest to

521

00:24:10,630 --> 00:24:09,840

specific raelian race that's supposed to

522

00:24:14,070 --> 00:24:10,640

contact us

523

00:24:15,830 --> 00:24:14,080

and initiate this contact or is it just

524

00:24:17,590 --> 00:24:15,840

depends on which agreements as you

525

00:24:18,870 --> 00:24:17,600

mentioned have been made that's how it

526
00:24:22,070 --> 00:24:18,880
will be

527
00:24:24,390 --> 00:24:22,080
well human human beings have already

528
00:24:26,549 --> 00:24:24,400
been contacted quite a bit

529
00:24:28,870 --> 00:24:26,559
by alien extraterrestrials the problem

530
00:24:32,390 --> 00:24:28,880
is the humans cover it up and conceal it

531
00:24:34,390 --> 00:24:32,400
they hide it from us the ones that do

532
00:24:37,269 --> 00:24:34,400
and i explain this in detail in my book

533
00:24:40,630 --> 00:24:37,279
but essentially it's this

534
00:24:43,830 --> 00:24:40,640
how human societies are organized

535
00:24:45,590 --> 00:24:43,840
how we form for example sovereign

536
00:24:47,430 --> 00:24:45,600
nations and how we form agreements

537
00:24:49,029 --> 00:24:47,440
between the nations the european union

538
00:24:51,750 --> 00:24:49,039

is one example

539

00:24:53,269 --> 00:24:51,760

is all up to humans how a society

540

00:24:54,870 --> 00:24:53,279

chooses a leader a king

541

00:24:58,310 --> 00:24:54,880

a president a prime minister what have

542

00:25:00,310 --> 00:24:58,320

you these are all human decisions

543

00:25:01,990 --> 00:25:00,320

aliens are absolutely not allowed to

544

00:25:03,590 --> 00:25:02,000

interfere or have any effect or

545

00:25:07,590 --> 00:25:03,600

influence on this directly

546

00:25:11,269 --> 00:25:07,600

that would distort our decisions

547

00:25:14,950 --> 00:25:11,279

so they see the hierarchies that

548

00:25:16,950 --> 00:25:14,960

human societies have arranged

549

00:25:18,390 --> 00:25:16,960

and they are completely respectful of

550

00:25:22,149 --> 00:25:18,400

that so

551
00:25:23,990 --> 00:25:22,159
they can't contact

552
00:25:25,590 --> 00:25:24,000
take the united states 300 million

553
00:25:28,549 --> 00:25:25,600
people 200 million

554
00:25:29,830 --> 00:25:28,559
adults 250 million over the age of 12 or

555
00:25:31,430 --> 00:25:29,840
13 something like that

556
00:25:33,430 --> 00:25:31,440
how are they going to contact hundreds

557
00:25:37,430 --> 00:25:33,440
of millions of people well they don't

558
00:25:42,230 --> 00:25:37,440
so they contact the leaders we choose

559
00:25:44,549 --> 00:25:42,240
and they tell the leaders we choose

560
00:25:45,350 --> 00:25:44,559
that's why they're doing it whether or

561
00:25:48,070 --> 00:25:45,360
not those

562
00:25:49,990 --> 00:25:48,080
leaders choose to turn around and

563
00:25:52,230 --> 00:25:50,000

disclose this information

564

00:25:53,350 --> 00:25:52,240

to the rest of the nation or the region

565

00:25:57,830 --> 00:25:53,360

or to other countries

566

00:26:00,710 --> 00:25:57,840

is up to them principally 99.99

567

00:26:01,590 --> 00:26:00,720

of the information and the contacts are

568

00:26:04,070 --> 00:26:01,600

kept

569

00:26:07,350 --> 00:26:04,080

secret and concealed from the knowledge

570

00:26:11,110 --> 00:26:10,310

but they have contacted us many times

571

00:26:14,630 --> 00:26:11,120

they will

572

00:26:15,669 --> 00:26:14,640

contact humans openly across the board

573

00:26:17,669 --> 00:26:15,679

in a way

574

00:26:19,350 --> 00:26:17,679

that nobody attempting to censor or

575

00:26:21,350 --> 00:26:19,360

control the information

576
00:26:23,029 --> 00:26:21,360
could keep away from the general public

577
00:26:26,710 --> 00:26:23,039
in any part of the world

578
00:26:30,549 --> 00:26:26,720
all it takes is enough human beings

579
00:26:33,590 --> 00:26:30,559
to willingly invite the aliens

580
00:26:34,870 --> 00:26:33,600
to disclose their presence in ways that

581
00:26:38,070 --> 00:26:34,880
can't be covered up

582
00:26:40,390 --> 00:26:38,080
or speculated about but this has to come

583
00:26:41,350 --> 00:26:40,400
collectively from the majority of the

584
00:26:43,510 --> 00:26:41,360
people

585
00:26:45,990 --> 00:26:43,520
i don't think with the current

586
00:26:47,909 --> 00:26:46,000
structures and mentality

587
00:26:50,149 --> 00:26:47,919
of of governments and central

588
00:26:51,990 --> 00:26:50,159

authorities around the world

589

00:26:53,990 --> 00:26:52,000

that it's ever going to happen if the

590

00:26:56,870 --> 00:26:54,000

contact is

591

00:26:57,669 --> 00:26:56,880

with military forces in one nation or

592

00:26:59,750 --> 00:26:57,679

another

593

00:27:01,269 --> 00:26:59,760

those military forces are never going to

594

00:27:02,870 --> 00:27:01,279

turn around and disclose to the general

595

00:27:04,950 --> 00:27:02,880

public

596

00:27:06,870 --> 00:27:04,960

things that they believe are best kept

597

00:27:08,870 --> 00:27:06,880

concealed for a number of social reasons

598

00:27:11,029 --> 00:27:08,880

we all understand

599

00:27:12,789 --> 00:27:11,039

but they will contact us openly and

600

00:27:14,870 --> 00:27:12,799

regularly all we have to do is invite

601
00:27:16,470 --> 00:27:14,880
them enough of us

602
00:27:19,269 --> 00:27:16,480
is it a specific race that you're

603
00:27:22,149 --> 00:27:19,279
referring to or do you mean

604
00:27:22,630 --> 00:27:22,159
one of the numbers that are contacting

605
00:27:25,909 --> 00:27:22,640
us

606
00:27:28,070 --> 00:27:25,919
that can initiate actual contact

607
00:27:29,669 --> 00:27:28,080
well anyone can initiate contact with

608
00:27:30,870 --> 00:27:29,679
permission they all coordinate amongst

609
00:27:33,590 --> 00:27:30,880
themselves

610
00:27:34,870 --> 00:27:33,600
humans are specifically watched over by

611
00:27:38,230 --> 00:27:34,880
four

612
00:27:41,510 --> 00:27:38,240
civilizations

613
00:27:43,990 --> 00:27:41,520

that come from uh planets revolving

614

00:27:47,110 --> 00:27:44,000

around four stars we recognize very well

615

00:27:48,230 --> 00:27:47,120

sirius canopus arcturus and the pleiades

616

00:27:52,710 --> 00:27:48,240

cluster

617

00:27:55,990 --> 00:27:52,720

often referred to as the seven

618

00:27:59,510 --> 00:27:56,000

sisters uh

619

00:28:02,789 --> 00:27:59,520

sirius is much closer arcturus and

620

00:28:03,430 --> 00:28:02,799

and uh canopus are a little bit farther

621

00:28:06,710 --> 00:28:03,440

away

622

00:28:08,149 --> 00:28:06,720

it would be probably representatives

623

00:28:11,830 --> 00:28:08,159

from the civilizations

624

00:28:13,190 --> 00:28:11,840

of those uh those uh star systems those

625

00:28:16,070 --> 00:28:13,200

solar systems

626

00:28:17,590 --> 00:28:16,080

that would make the first contact if we

627

00:28:21,750 --> 00:28:17,600

extended

628

00:28:28,630 --> 00:28:24,870

okay so uh

629

00:28:31,830 --> 00:28:28,640

was there a kind of like a dumb down

630

00:28:34,630 --> 00:28:31,840

simplified way that they say okay

631

00:28:36,470 --> 00:28:34,640

what we see we recommend doing this for

632

00:28:38,630 --> 00:28:36,480

yourself and your planet and

633

00:28:39,510 --> 00:28:38,640

such and such is there do they ever give

634

00:28:42,230 --> 00:28:39,520

you

635

00:28:44,470 --> 00:28:42,240

any kind of guidance in that way or is

636

00:28:47,830 --> 00:28:44,480

it just always this general picture

637

00:28:49,669 --> 00:28:47,840

type messages i haven't asked for

638

00:28:51,269 --> 00:28:49,679

specific recommendations about what

639

00:28:54,230 --> 00:28:51,279

humans should do

640

00:28:54,870 --> 00:28:54,240

but we humans generally know what we

641

00:28:57,669 --> 00:28:54,880

should do

642

00:28:58,070 --> 00:28:57,679

anyway but somehow we can't bring

643

00:29:01,590 --> 00:28:58,080

ourselves

644

00:29:04,710 --> 00:29:01,600

to actually do it uh

645

00:29:06,389 --> 00:29:04,720

how to protect the environment

646

00:29:08,389 --> 00:29:06,399

for our best long-term interest for

647

00:29:08,950 --> 00:29:08,399

example i don't think that there's

648

00:29:11,830 --> 00:29:08,960

anybody

649

00:29:12,630 --> 00:29:11,840

sane that thinks it's a really good idea

650

00:29:21,510 --> 00:29:12,640

to

651

00:29:22,870 --> 00:29:21,520

produce a little bit of nuclear waste

652

00:29:24,549 --> 00:29:22,880

i don't think that there's anybody that

653

00:29:26,470 --> 00:29:24,559

thinks that using a nuclear weapon for

654

00:29:28,470 --> 00:29:26,480

example is a good idea

655

00:29:30,870 --> 00:29:28,480

i've never heard anybody normal say oh

656

00:29:34,470 --> 00:29:30,880

yeah let's set off a nuclear bomb

657

00:29:36,950 --> 00:29:34,480

but we have them etc etc etc

658

00:29:40,950 --> 00:29:36,960

things like protecting the environment

659

00:29:43,350 --> 00:29:40,960

not polluting certain things

660

00:29:44,470 --> 00:29:43,360

not polluting the air we know most of

661

00:29:47,350 --> 00:29:44,480

these things

662

00:29:48,630 --> 00:29:47,360

the aliens would certainly help us if we

663

00:29:51,029 --> 00:29:48,640

ask them for it

664

00:29:52,870 --> 00:29:51,039

because that would not be a distortion

665

00:29:54,549 --> 00:29:52,880

to

666

00:29:57,510 --> 00:29:54,559

humanity in the development of human

667

00:29:58,870 --> 00:29:57,520

societies we ask each other things

668

00:30:00,549 --> 00:29:58,880

somebody in one country invents

669

00:30:02,389 --> 00:30:00,559

something and they give it to somebody

670

00:30:03,990 --> 00:30:02,399

in another country that's perfectly

671

00:30:06,070 --> 00:30:04,000

normal that happens all the time

672

00:30:08,230 --> 00:30:06,080

they will be happy to help us if we ask

673

00:30:11,350 --> 00:30:08,240

for it but they can't

674

00:30:14,230 --> 00:30:11,360

impose they can't interfere and they

675

00:30:16,789 --> 00:30:14,240

certainly are not going to hand us

676
00:30:18,710 --> 00:30:16,799
technology for things that they know are

677
00:30:20,710 --> 00:30:18,720
a bit dangerous the the comparison i

678
00:30:22,549 --> 00:30:20,720
drew in the book would be

679
00:30:25,029 --> 00:30:22,559
would we go around and give

680
00:30:26,230 --> 00:30:25,039
semi-automatic rifles to 13 or 14 year

681
00:30:27,990 --> 00:30:26,240
old boys

682
00:30:29,590 --> 00:30:28,000
i don't think any normal person would

683
00:30:32,230 --> 00:30:29,600
ever want to do that

684
00:30:34,070 --> 00:30:32,240
could you give semi-automatic rifles to

685
00:30:36,149 --> 00:30:34,080
an organized police department

686
00:30:38,230 --> 00:30:36,159
well we already do that they have them

687
00:30:40,149 --> 00:30:38,240
what's the difference it explains itself

688
00:30:41,669 --> 00:30:40,159

so that that's a bit of the issue a lot

689

00:30:44,870 --> 00:30:41,679

of the technologies that

690

00:30:46,710 --> 00:30:44,880

they could offer us they won't because

691

00:30:48,789 --> 00:30:46,720

they know that we would almost

692

00:30:49,750 --> 00:30:48,799

immediately attempt to use that

693

00:30:51,750 --> 00:30:49,760

knowledge

694

00:30:52,870 --> 00:30:51,760

to produce a very efficient and more

695

00:30:55,510 --> 00:30:52,880

effective weapon

696

00:30:56,950 --> 00:30:55,520

well a weapon is just a tool that all by

697

00:30:59,830 --> 00:30:56,960

itself isn't bad

698

00:31:01,190 --> 00:30:59,840

it's the human being that has the weapon

699

00:31:03,990 --> 00:31:01,200

and there are some among us

700

00:31:05,669 --> 00:31:04,000

a small minority to be sure but some

701
00:31:07,430 --> 00:31:05,679
among us that would see the ability to

702
00:31:09,669 --> 00:31:07,440
turn a profit by selling those weapons

703
00:31:11,350 --> 00:31:09,679
to somebody else

704
00:31:13,590 --> 00:31:11,360
that that exists all the time we see

705
00:31:15,110 --> 00:31:13,600
that everywhere so things like that they

706
00:31:17,509 --> 00:31:15,120
are going to be very very

707
00:31:18,549 --> 00:31:17,519
reluctant to provide because the

708
00:31:20,630 --> 00:31:18,559
potential

709
00:31:21,990 --> 00:31:20,640
downside to that is much larger than the

710
00:31:24,149 --> 00:31:22,000
benefit however

711
00:31:25,750 --> 00:31:24,159
other things they would be happy to show

712
00:31:31,430 --> 00:31:25,760
us

713
00:31:34,870 --> 00:31:33,350

so patrick i'm sure uh the people

714

00:31:37,190 --> 00:31:34,880

watching they're going to ask

715

00:31:39,029 --> 00:31:37,200

other questions maybe some that that i

716

00:31:40,789 --> 00:31:39,039

don't know to ask or just

717

00:31:42,230 --> 00:31:40,799

have not gotten into yet but i figured

718

00:31:44,230 --> 00:31:42,240

i'll leave that up to them

719

00:31:45,509 --> 00:31:44,240

to give them a chance and so we'll do

720

00:31:47,990 --> 00:31:45,519

that during the q a

721

00:31:49,590 --> 00:31:48,000

i would like to then basically shift it

722

00:31:52,389 --> 00:31:49,600

over to the other part that

723

00:31:54,070 --> 00:31:52,399

i was not sure how youtube will react to

724

00:31:56,230 --> 00:31:54,080

uh which is basically

725

00:31:59,350 --> 00:31:56,240

how do they from their point of view do

726

00:32:02,870 --> 00:32:01,190

i guess this mess that's going on on the

727

00:32:04,710 --> 00:32:02,880

planet right now uh

728

00:32:06,310 --> 00:32:04,720

do you have any any kind of information

729

00:32:07,430 --> 00:32:06,320

from them regarding it regarding

730

00:32:10,070 --> 00:32:07,440

specific governments

731

00:32:11,430 --> 00:32:10,080

maybe america maybe other places

732

00:32:14,230 --> 00:32:11,440

whatever you might have

733

00:32:15,990 --> 00:32:14,240

yes uh it's not as much of a mess as we

734

00:32:18,389 --> 00:32:16,000

think it is

735

00:32:20,470 --> 00:32:18,399

actually what they tell me is that what

736

00:32:21,029 --> 00:32:20,480

earth earth societies are experiencing

737

00:32:23,909 --> 00:32:21,039

now

738

00:32:24,950 --> 00:32:23,919

are really growing pains because we are

739

00:32:27,990 --> 00:32:24,960

advancing

740

00:32:29,750 --> 00:32:28,000

but we advance much better

741

00:32:31,750 --> 00:32:29,760

often through a little bit of strife and

742

00:32:33,830 --> 00:32:31,760

pain and difficulty because we learn

743

00:32:35,590 --> 00:32:33,840

interesting things about ourselves one

744

00:32:37,909 --> 00:32:35,600

of the great challenges

745

00:32:38,789 --> 00:32:37,919

that are being faced by many societies

746

00:32:42,789 --> 00:32:38,799

around the world

747

00:32:45,990 --> 00:32:42,799

is free speech it's a very nice

748

00:32:47,750 --> 00:32:46,000

idea it's a very nice concept the

749

00:32:50,470 --> 00:32:47,760

problem is

750

00:32:52,070 --> 00:32:50,480

many many people in many quarters a lot

751
00:32:53,830 --> 00:32:52,080
of them in the media

752
00:32:55,430 --> 00:32:53,840
all say free speech is wonderful but

753
00:32:56,789 --> 00:32:55,440
what they really mean by that is i get

754
00:32:59,110 --> 00:32:56,799
to say whatever i think

755
00:33:00,149 --> 00:32:59,120
but that's good but then those same

756
00:33:02,389 --> 00:33:00,159
people

757
00:33:04,070 --> 00:33:02,399
hear an idea or they hear an opinion

758
00:33:05,430 --> 00:33:04,080
that they disagree with or they just

759
00:33:08,710 --> 00:33:05,440
don't like

760
00:33:11,990 --> 00:33:08,720
and then what happens look for example

761
00:33:14,310 --> 00:33:12,000
at the uh the most previous leader of

762
00:33:17,669 --> 00:33:14,320
the united states

763
00:33:19,830 --> 00:33:17,679

i don't think anybody would think

764

00:33:21,830 --> 00:33:19,840

that that that man was somebody who

765

00:33:23,590 --> 00:33:21,840

didn't know what he was talking about

766

00:33:24,950 --> 00:33:23,600

and was afraid to say what was on his

767

00:33:25,990 --> 00:33:24,960

mind now some people thought that was

768

00:33:27,590 --> 00:33:26,000

great some people thought it was

769

00:33:30,070 --> 00:33:27,600

terrible

770

00:33:31,830 --> 00:33:30,080

but there was a level of directness and

771

00:33:35,590 --> 00:33:31,840

transparency

772

00:33:37,350 --> 00:33:35,600

that is very rare from world leaders

773

00:33:38,710 --> 00:33:37,360

some people thought it was great some

774

00:33:40,549 --> 00:33:38,720

people didn't care some people thought

775

00:33:44,310 --> 00:33:40,559

it was horrible

776
00:33:48,789 --> 00:33:44,320
but we are now seeing a concerted effort

777
00:33:53,590 --> 00:33:48,799
to restrict that person

778
00:33:57,350 --> 00:33:53,600
ideas opinions points of view

779
00:33:58,789 --> 00:33:57,360
disputes discussions or anything related

780
00:34:01,590 --> 00:33:58,799
to the change in leadership in the

781
00:34:04,950 --> 00:34:01,600
united states

782
00:34:06,389 --> 00:34:04,960
that's a growing pain some people think

783
00:34:06,870 --> 00:34:06,399
it's great that those things are

784
00:34:09,270 --> 00:34:06,880
happening

785
00:34:11,349 --> 00:34:09,280
other people like me think it's terrible

786
00:34:14,869 --> 00:34:11,359
free speech is something that

787
00:34:16,230 --> 00:34:14,879
is a right that every every living being

788
00:34:17,829 --> 00:34:16,240

should have

789

00:34:20,710 --> 00:34:17,839

but it's not as much of a mess as we

790

00:34:22,710 --> 00:34:20,720

think it is it's it's it's a phase that

791

00:34:24,790 --> 00:34:22,720

very soon we're all going to turn around

792

00:34:27,589 --> 00:34:24,800

and look back at

793

00:34:28,149 --> 00:34:27,599

and we're going to see the value and the

794

00:34:33,109 --> 00:34:28,159

benefit

795

00:34:36,550 --> 00:34:35,750

patrick um one specific question that i

796

00:34:39,190 --> 00:34:36,560

that i had

797

00:34:41,430 --> 00:34:39,200

was something that i came across on your

798

00:34:43,109 --> 00:34:41,440

website which was

799

00:34:45,349 --> 00:34:43,119

i mean ever since the internet there's

800

00:34:46,149 --> 00:34:45,359

always been uh conspiracy theories of

801
00:34:49,349 --> 00:34:46,159
all kinds

802
00:34:51,349 --> 00:34:49,359
and um to me that's not necessarily a

803
00:34:53,109 --> 00:34:51,359
bad thing everyone always thinks if you

804
00:34:54,710 --> 00:34:53,119
say conspiracy that you're

805
00:34:56,790 --> 00:34:54,720
you know hating on something or putting

806
00:35:00,790 --> 00:34:56,800
it down in some way which

807
00:35:03,910 --> 00:35:00,800
for me that's not the case um so

808
00:35:05,990 --> 00:35:03,920
being online all the time and

809
00:35:07,510 --> 00:35:06,000
everything that i come across they were

810
00:35:08,390 --> 00:35:07,520
for a while there especially right

811
00:35:11,670 --> 00:35:08,400
before

812
00:35:15,349 --> 00:35:11,680
um the elections there were um these

813
00:35:17,430 --> 00:35:15,359

talks about um that somehow

814

00:35:18,390 --> 00:35:17,440

the current president is not exactly the

815

00:35:20,630 --> 00:35:18,400

president

816

00:35:22,150 --> 00:35:20,640

and i wanted to know what channel

817

00:35:23,910 --> 00:35:22,160

information do you have about that

818

00:35:25,510 --> 00:35:23,920

because i just want to kind of cut to

819

00:35:28,630 --> 00:35:25,520

the core of it and just

820

00:35:29,990 --> 00:35:28,640

see what you might have oh the the the

821

00:35:34,069 --> 00:35:30,000

current president who's in office

822

00:35:36,790 --> 00:35:34,079

is the president in in entitled but

823

00:35:38,470 --> 00:35:36,800

uh his political career was compromised

824

00:35:41,349 --> 00:35:38,480

a long long time ago

825

00:35:42,069 --> 00:35:41,359

he was bought off by specific interests

826
00:35:44,710 --> 00:35:42,079
and was

827
00:35:45,829 --> 00:35:44,720
essentially drafted into the position

828
00:35:49,109 --> 00:35:45,839
that he is now

829
00:35:51,750 --> 00:35:49,119
he was not elected in the way that many

830
00:35:54,630 --> 00:35:51,760
people believe he was installed

831
00:35:55,829 --> 00:35:54,640
certainly the process of counting the

832
00:36:00,710 --> 00:35:55,839
votes

833
00:36:04,790 --> 00:36:00,720
was twisted with specific plans

834
00:36:06,870 --> 00:36:04,800
the prior election in 2016

835
00:36:08,470 --> 00:36:06,880
went down the way it was because a lot

836
00:36:09,910 --> 00:36:08,480
of people in a position to do what i

837
00:36:12,870 --> 00:36:09,920
just mentioned

838
00:36:14,710 --> 00:36:12,880

believe their own rhetoric that there

839

00:36:16,550 --> 00:36:14,720

was no chance

840

00:36:19,510 --> 00:36:16,560

that the former president the 45th

841

00:36:21,589 --> 00:36:19,520

president would be elected in 2016 the

842

00:36:24,069 --> 00:36:21,599

way he was

843

00:36:25,190 --> 00:36:24,079

as soon as they discovered to their

844

00:36:27,589 --> 00:36:25,200

horror

845

00:36:29,190 --> 00:36:27,599

that he had been elected began the

846

00:36:30,950 --> 00:36:29,200

campaign

847

00:36:33,349 --> 00:36:30,960

to arrange the election to have him

848

00:36:36,470 --> 00:36:33,359

removed now the reason i say that

849

00:36:38,470 --> 00:36:36,480

is elective history in the united states

850

00:36:40,710 --> 00:36:38,480

shows very clearly

851
00:36:41,589 --> 00:36:40,720
going back to the time of abraham

852
00:36:43,670 --> 00:36:41,599
lincoln

853
00:36:44,870 --> 00:36:43,680
that generally the political pendulum

854
00:36:47,270 --> 00:36:44,880
swings

855
00:36:48,310 --> 00:36:47,280
two elected terms for one party and then

856
00:36:50,710 --> 00:36:48,320
two for the other

857
00:36:52,630 --> 00:36:50,720
the one big exception being the great

858
00:36:53,670 --> 00:36:52,640
depression in the 1930s and the second

859
00:36:55,430 --> 00:36:53,680
world war

860
00:36:57,349 --> 00:36:55,440
where there were two presidents over a

861
00:36:59,430 --> 00:36:57,359
period of 20 years from the same party

862
00:37:02,550 --> 00:36:59,440
one president and a vice president

863
00:37:04,310 --> 00:37:02,560

but then after the second world war

864

00:37:06,069 --> 00:37:04,320

ended the cycle of

865

00:37:07,910 --> 00:37:06,079

eight one party at the other party

866

00:37:09,030 --> 00:37:07,920

returned and has pretty much continued

867

00:37:10,550 --> 00:37:09,040

ever since

868

00:37:12,310 --> 00:37:10,560

with a couple little exceptions but

869

00:37:14,390 --> 00:37:12,320

that's pretty much been the pattern

870

00:37:15,430 --> 00:37:14,400

so the powers that be that arranged and

871

00:37:18,630 --> 00:37:15,440

twisted everything

872

00:37:19,589 --> 00:37:18,640

knew that barring some tremendous

873

00:37:23,349 --> 00:37:19,599

scandal

874

00:37:26,069 --> 00:37:23,359

or some huge problem the 45th president

875

00:37:29,109 --> 00:37:26,079

would be re-elected

876

00:37:29,670 --> 00:37:29,119

so they made sure that that would not

877

00:37:31,589 --> 00:37:29,680

occur

878

00:37:35,030 --> 00:37:31,599

even though it did in other words if the

879

00:37:38,550 --> 00:37:35,040

legitimate votes cast by

880

00:37:40,310 --> 00:37:38,560

by uh bonafide voters were counted

881

00:37:41,829 --> 00:37:40,320

properly

882

00:37:44,630 --> 00:37:41,839

uh that would be revealed well that

883

00:37:48,390 --> 00:37:44,640

information has been very skillfully

884

00:37:51,430 --> 00:37:48,400

and very carefully concealed

885

00:37:52,470 --> 00:37:51,440

this was an engineered removal and the

886

00:37:55,510 --> 00:37:52,480

installation

887

00:37:57,270 --> 00:37:55,520

of a puppet and the current president of

888

00:38:00,390 --> 00:37:57,280

the united states the 40-46

889

00:38:02,069 --> 00:38:00,400

president is a figurehead who

890

00:38:03,990 --> 00:38:02,079

is going through the motions and

891

00:38:06,390 --> 00:38:04,000

following instructions

892

00:38:07,670 --> 00:38:06,400

i think that's becoming increasingly

893

00:38:10,230 --> 00:38:07,680

apparent

894

00:38:11,190 --> 00:38:10,240

as it becomes more and more difficult by

895

00:38:13,990 --> 00:38:11,200

the day

896

00:38:15,829 --> 00:38:14,000

for the press to cover up for the

897

00:38:18,790 --> 00:38:15,839

missteps and the mistakes

898

00:38:19,349 --> 00:38:18,800

that seem to be occurring with and it's

899

00:38:23,510 --> 00:38:19,359

i say

900

00:38:27,430 --> 00:38:25,349

but that's also i'm being told by my

901
00:38:30,790 --> 00:38:27,440
guides that's part of the plan

902
00:38:32,710 --> 00:38:30,800
the objective is to then install

903
00:38:34,069 --> 00:38:32,720
the vice president into the position of

904
00:38:36,470 --> 00:38:34,079
the presidency

905
00:38:38,310 --> 00:38:36,480
and that's going to happen at some point

906
00:38:39,430 --> 00:38:38,320
but i'm not being told exactly when that

907
00:38:43,030 --> 00:38:39,440
will happen

908
00:38:46,069 --> 00:38:45,190
many people take great exception to this

909
00:38:48,870 --> 00:38:46,079
idea

910
00:38:51,190 --> 00:38:48,880
because they say there's no proof and

911
00:38:54,390 --> 00:38:51,200
the answer is no there's no proof

912
00:38:56,710 --> 00:38:54,400
that is being allowed to air publicly

913
00:38:57,750 --> 00:38:56,720

but doesn't anybody find it awfully

914

00:39:00,790 --> 00:38:57,760

strange that

915

00:39:03,109 --> 00:39:00,800

absolutely no court anywhere

916

00:39:05,030 --> 00:39:03,119

many of which were approached very

917

00:39:08,390 --> 00:39:05,040

openly and very directly

918

00:39:09,270 --> 00:39:08,400

in a very public way was even willing to

919

00:39:11,510 --> 00:39:09,280

give

920

00:39:12,950 --> 00:39:11,520

any evidence or any arguments a public

921

00:39:14,790 --> 00:39:12,960

airing

922

00:39:16,310 --> 00:39:14,800

every single one of the courts simply

923

00:39:17,349 --> 00:39:16,320

dismissed the whole case saying no

924

00:39:19,589 --> 00:39:17,359

standing

925

00:39:20,870 --> 00:39:19,599

no possibility well that might be true

926

00:39:24,470 --> 00:39:20,880

that

927

00:39:26,470 --> 00:39:24,480

case was made

928

00:39:27,990 --> 00:39:26,480

how was a case made well one party is

929

00:39:29,430 --> 00:39:28,000

arguing against the other party they

930

00:39:30,950 --> 00:39:29,440

have to go through a legal process to

931

00:39:31,910 --> 00:39:30,960

present their arguments and show their

932

00:39:34,150 --> 00:39:31,920

evidence

933

00:39:36,310 --> 00:39:34,160

and then the court will accept or not

934

00:39:37,670 --> 00:39:36,320

accept or decide or not decide

935

00:39:39,990 --> 00:39:37,680

none of that has ever been allowed to

936

00:39:40,790 --> 00:39:40,000

happen i think that more than anything

937

00:39:43,990 --> 00:39:40,800

is a very

938

00:39:47,349 --> 00:39:44,000

telling and a very indicative symptom

939

00:39:49,670 --> 00:39:47,359

of what's going on as i just described

940

00:39:52,150 --> 00:39:49,680

but again this is coming to me from my

941

00:39:54,310 --> 00:39:52,160

guardian angel guides

942

00:39:55,349 --> 00:39:54,320

so can you maybe go into the details

943

00:39:56,870 --> 00:39:55,359

about

944

00:39:59,270 --> 00:39:56,880

what i specifically wanted to ask you

945

00:40:00,790 --> 00:39:59,280

about was regarding that info that's on

946

00:40:04,069 --> 00:40:00,800

your website

947

00:40:06,150 --> 00:40:04,079

what i mean i hate to say it like i know

948

00:40:06,790 --> 00:40:06,160

online everyone just uses the the term

949

00:40:09,589 --> 00:40:06,800

cabal

950

00:40:09,990 --> 00:40:09,599

or whatever can you give more details

951
00:40:12,790 --> 00:40:10,000
about

952
00:40:13,510 --> 00:40:12,800
who who is this who are these people

953
00:40:16,150 --> 00:40:13,520
that

954
00:40:17,030 --> 00:40:16,160
are doing this or wanting this to happen

955
00:40:20,790 --> 00:40:17,040
absolutely

956
00:40:23,030 --> 00:40:20,800
as societies have developed

957
00:40:24,550 --> 00:40:23,040
and i'm referring specifically to the

958
00:40:26,710 --> 00:40:24,560
industrial age

959
00:40:27,589 --> 00:40:26,720
principally in united kingdom and

960
00:40:29,349 --> 00:40:27,599
england

961
00:40:32,790 --> 00:40:29,359
and the united states in the 19th

962
00:40:35,109 --> 00:40:32,800
century and then through europe

963
00:40:36,870 --> 00:40:35,119

tremendous increases in social

964

00:40:39,430 --> 00:40:36,880

development technological

965

00:40:43,109 --> 00:40:39,440

development and wealth occurred history

966

00:40:43,119 --> 00:40:48,470

by the time the 20th century arrived

967

00:40:55,510 --> 00:40:52,309

interests around the world who sought to

968

00:40:58,630 --> 00:40:55,520

control the development

969

00:41:00,550 --> 00:40:58,640

of societies of industry and to control

970

00:41:02,710 --> 00:41:00,560

wealth

971

00:41:03,750 --> 00:41:02,720

began to formulate what has now been

972

00:41:06,470 --> 00:41:03,760

going on

973

00:41:08,069 --> 00:41:06,480

for more than 100 years in a very

974

00:41:11,589 --> 00:41:08,079

vigorous way

975

00:41:14,150 --> 00:41:11,599

as the information explosion

976
00:41:15,270 --> 00:41:14,160
has occurred in the last one-fifth of

977
00:41:17,750 --> 00:41:15,280
this period

978
00:41:19,349 --> 00:41:17,760
basically over the last 20 or 25 years

979
00:41:23,349 --> 00:41:19,359
with the internet

980
00:41:27,270 --> 00:41:23,359
the ability to control human societies

981
00:41:30,870 --> 00:41:27,280
has grown ever sharper and ever

982
00:41:32,470 --> 00:41:30,880
more refined there are many many names

983
00:41:34,230 --> 00:41:32,480
that are used to refer to these

984
00:41:36,390 --> 00:41:34,240
controlling forces

985
00:41:38,150 --> 00:41:36,400
but these are just outside names the the

986
00:41:39,109 --> 00:41:38,160
people that are that are that are really

987
00:41:43,589 --> 00:41:39,119
a part of it

988
00:41:46,150 --> 00:41:43,599

don't have any name uh by design

989

00:41:47,670 --> 00:41:46,160

uh outside people say illuminati the

990

00:41:50,309 --> 00:41:47,680

kabul the uh

991

00:41:51,750 --> 00:41:50,319

the the the new world order there's

992

00:41:53,670 --> 00:41:51,760

there's

993

00:41:56,150 --> 00:41:53,680

other nicknames or labels that are put

994

00:41:58,870 --> 00:41:56,160

on it but it's

995

00:42:00,550 --> 00:41:58,880

a group of depending on how powerful and

996

00:42:02,790 --> 00:42:00,560

how influential

997

00:42:04,309 --> 00:42:02,800

one wants to consider each level or each

998

00:42:08,550 --> 00:42:04,319

compartment of the

999

00:42:10,470 --> 00:42:08,560

the organization several thousand people

1000

00:42:11,990 --> 00:42:10,480

who control pretty much everything that

1001
00:42:12,790 --> 00:42:12,000
goes on in the world certainly when i

1002
00:42:15,510 --> 00:42:12,800
say control

1003
00:42:15,990 --> 00:42:15,520
heavily influence it they can't really

1004
00:42:19,990 --> 00:42:16,000
control

1005
00:42:23,910 --> 00:42:20,000
people is to convince them to act

1006
00:42:28,150 --> 00:42:23,920
on their own this is what a uh

1007
00:42:29,750 --> 00:42:28,160
this is what a a uh a fraudster does for

1008
00:42:31,829 --> 00:42:29,760
example that is trying to steal from

1009
00:42:33,750 --> 00:42:31,839
people

1010
00:42:35,190 --> 00:42:33,760
it creates a hoax etc we've all we've

1011
00:42:35,990 --> 00:42:35,200
all heard about those things in many

1012
00:42:38,470 --> 00:42:36,000
different ways

1013
00:42:39,190 --> 00:42:38,480

well this goes on at a very high level

1014

00:42:42,630 --> 00:42:39,200

and almost

1015

00:42:46,950 --> 00:42:42,640

everything that we see in here

1016

00:42:48,630 --> 00:42:46,960

involving education public policy etc

1017

00:42:50,550 --> 00:42:48,640

is to a greater or lesser extent

1018

00:42:52,550 --> 00:42:50,560

massaged or influenced

1019

00:42:54,790 --> 00:42:52,560

by these forces and there are many many

1020

00:42:58,069 --> 00:42:54,800

people not a part of it

1021

00:43:00,309 --> 00:42:58,079

who get caught up and swept along

1022

00:43:01,750 --> 00:43:00,319

with the ideas and the ways of thinking

1023

00:43:02,870 --> 00:43:01,760

and we see this reflected around the

1024

00:43:06,150 --> 00:43:02,880

world

1025

00:43:07,829 --> 00:43:06,160

in many many different ways

1026
00:43:09,589 --> 00:43:07,839
people say there's a great conspiracy

1027
00:43:12,870 --> 00:43:09,599
well

1028
00:43:15,990 --> 00:43:12,880
the simple solution to all of this is

1029
00:43:19,109 --> 00:43:16,000
awareness and a general sense of

1030
00:43:24,630 --> 00:43:19,119
individual understanding

1031
00:43:27,190 --> 00:43:24,640
and individual belief not group belief

1032
00:43:28,870 --> 00:43:27,200
in the united states there are one

1033
00:43:30,790 --> 00:43:28,880
example in the united states that has

1034
00:43:33,230 --> 00:43:30,800
occurred is

1035
00:43:34,630 --> 00:43:33,240
the almost automatic and reflexive

1036
00:43:38,309 --> 00:43:34,640
identification of

1037
00:43:42,550 --> 00:43:38,319
people by skin color race

1038
00:43:44,309 --> 00:43:42,560

ethnic origin etc that's a fairly new

1039

00:43:45,829 --> 00:43:44,319

thing in the united states traditionally

1040

00:43:47,430 --> 00:43:45,839

almost throughout

1041

00:43:49,430 --> 00:43:47,440

the history of the united states the

1042

00:43:51,750 --> 00:43:49,440

idea was that yes all of these things

1043

00:43:54,150 --> 00:43:51,760

exist they always did

1044

00:43:55,190 --> 00:43:54,160

there always were a great mixture of

1045

00:43:56,470 --> 00:43:55,200

different people

1046

00:43:57,910 --> 00:43:56,480

from different parts of the world who

1047

00:44:00,230 --> 00:43:57,920

were very obviously different

1048

00:44:01,990 --> 00:44:00,240

linguistically culturally socially

1049

00:44:03,190 --> 00:44:02,000

religiously that's been a part of the

1050

00:44:05,109 --> 00:44:03,200

fabric of the united states since the

1051

00:44:09,589 --> 00:44:05,119

beginning of the country

1052

00:44:13,349 --> 00:44:09,599

but most people did not elevate that

1053

00:44:17,829 --> 00:44:13,359

to a level of separation from a group

1054

00:44:23,270 --> 00:44:21,349

racist behavior is never ending

1055

00:44:25,510 --> 00:44:23,280

none of this is accidental this is all

1056

00:44:28,390 --> 00:44:25,520

done by design

1057

00:44:30,630 --> 00:44:28,400

if the idea can be inculcated into any

1058

00:44:33,910 --> 00:44:30,640

identifiable group

1059

00:44:37,349 --> 00:44:33,920

that somehow they're separate

1060

00:44:39,430 --> 00:44:37,359

from other groups in their same area

1061

00:44:40,550 --> 00:44:39,440

that now presents an opportunity for

1062

00:44:42,390 --> 00:44:40,560

control

1063

00:44:43,990 --> 00:44:42,400

and wealth and we see this happening all

1064

00:44:45,670 --> 00:44:44,000

the time it happens in europe it happens

1065

00:44:48,069 --> 00:44:45,680

all around the world

1066

00:44:49,030 --> 00:44:48,079

a lot that's one small example of many

1067

00:44:50,950 --> 00:44:49,040

things

1068

00:44:52,950 --> 00:44:50,960

which are controlled or influenced

1069

00:44:55,670 --> 00:44:52,960

certainly behind the scenes

1070

00:44:56,470 --> 00:44:55,680

by this group of people they can get to

1071

00:44:59,910 --> 00:44:56,480

anybody

1072

00:45:01,430 --> 00:44:59,920

they can get to the president of the

1073

00:45:01,990 --> 00:45:01,440

united states a prime minister of great

1074

00:45:04,550 --> 00:45:02,000

britain

1075

00:45:07,190 --> 00:45:04,560

or any other world leader and they do

1076

00:45:09,990 --> 00:45:07,200

and they have

1077

00:45:10,950 --> 00:45:10,000

patrick what are these two committees

1078

00:45:12,870 --> 00:45:10,960

that you are

1079

00:45:14,470 --> 00:45:12,880

uh writing about can you maybe go into

1080

00:45:16,150 --> 00:45:14,480

that specifically that's just my

1081

00:45:17,270 --> 00:45:16,160

nickname for my guardian angel guides i

1082

00:45:19,750 --> 00:45:17,280

call them a committee

1083

00:45:21,190 --> 00:45:19,760

because when i communicate with them uh

1084

00:45:23,030 --> 00:45:21,200

there are three

1085

00:45:24,630 --> 00:45:23,040

i gave them names a long time ago that

1086

00:45:26,069 --> 00:45:24,640

they repeated back to me so that i would

1087

00:45:28,390 --> 00:45:26,079

be able to identify them

1088

00:45:29,670 --> 00:45:28,400

because we humans like names we like to

1089

00:45:31,109 --> 00:45:29,680

give everything a name

1090

00:45:32,470 --> 00:45:31,119

so that makes it easy to think of them

1091

00:45:33,270 --> 00:45:32,480

but i kind of nicknamed them the

1092

00:45:35,349 --> 00:45:33,280

committee

1093

00:45:36,550 --> 00:45:35,359

because i will often get a collective

1094

00:45:37,910 --> 00:45:36,560

voice from them

1095

00:45:39,750 --> 00:45:37,920

as if it were a committee of three

1096

00:45:41,910 --> 00:45:39,760

people talking to me at once

1097

00:45:43,030 --> 00:45:41,920

okay so but specifically about the

1098

00:45:46,470 --> 00:45:43,040

current

1099

00:45:47,829 --> 00:45:46,480

administration i guess what um

1100

00:45:50,230 --> 00:45:47,839

you were talking about two different

1101
00:45:52,390 --> 00:45:50,240
groups one that's more public and one

1102
00:45:53,589 --> 00:45:52,400
that's not so much if you could go into

1103
00:45:56,470 --> 00:45:53,599
that please

1104
00:45:58,550 --> 00:45:56,480
well the the the the the people and the

1105
00:45:59,430 --> 00:45:58,560
groups of people that hold the real

1106
00:46:01,990 --> 00:45:59,440
power

1107
00:46:04,069 --> 00:46:02,000
the real influence the real the real

1108
00:46:04,630 --> 00:46:04,079
power to be able to influence what goes

1109
00:46:07,829 --> 00:46:04,640
on

1110
00:46:08,710 --> 00:46:07,839
in many aspects of modern societies they

1111
00:46:11,589 --> 00:46:08,720
have no name

1112
00:46:14,069 --> 00:46:11,599
they're hidden and have been hidden for

1113
00:46:16,870 --> 00:46:14,079

a long time

1114

00:46:19,190 --> 00:46:16,880

they're very good at compartmentalizing

1115

00:46:22,630 --> 00:46:19,200

information

1116

00:46:24,710 --> 00:46:22,640

so that very very few

1117

00:46:27,430 --> 00:46:24,720

of the members within even know the

1118

00:46:33,750 --> 00:46:30,870

and they are very tightly controlled

1119

00:46:36,710 --> 00:46:33,760

uh with incentives rewards but also

1120

00:46:39,430 --> 00:46:36,720

implicit threats

1121

00:46:41,030 --> 00:46:39,440

so that they don't disclose or reveal

1122

00:46:42,950 --> 00:46:41,040

who they are and what they're really up

1123

00:46:44,790 --> 00:46:42,960

to

1124

00:46:46,470 --> 00:46:44,800

and they're often their their general

1125

00:46:50,069 --> 00:46:46,480

method their general approach

1126
00:46:51,349 --> 00:46:50,079
is to lure anyone who they believe will

1127
00:46:53,910 --> 00:46:51,359
serve their purposes

1128
00:46:56,309 --> 00:46:53,920
with all sorts of honey but they will

1129
00:46:59,430 --> 00:46:56,319
happily pour acid on anything

1130
00:47:00,790 --> 00:46:59,440
that gets in their way if it becomes

1131
00:47:03,990 --> 00:47:00,800
enough of a problem

1132
00:47:05,670 --> 00:47:04,000
an impediment or a risk

1133
00:47:07,030 --> 00:47:05,680
and are very good at covering those

1134
00:47:08,870 --> 00:47:07,040
things up or

1135
00:47:12,470 --> 00:47:08,880
being able to influence the people who

1136
00:47:17,510 --> 00:47:15,750
so what do you know uh of if they give

1137
00:47:20,069 --> 00:47:17,520
you any information for the next

1138
00:47:21,750 --> 00:47:20,079

four years let's say if if you can give

1139

00:47:24,630 --> 00:47:21,760

as much detail as you can

1140

00:47:26,549 --> 00:47:24,640

about maybe where the country would be

1141

00:47:27,990 --> 00:47:26,559

at that time and maybe where would we be

1142

00:47:29,910 --> 00:47:28,000

standing politically and

1143

00:47:32,069 --> 00:47:29,920

any details that you could give

1144

00:47:35,109 --> 00:47:32,079

certainly

1145

00:47:38,309 --> 00:47:35,119

there is a very large issue looming

1146

00:47:40,150 --> 00:47:38,319

over earth and human societies

1147

00:47:42,870 --> 00:47:40,160

which is going to affect all of us and

1148

00:47:46,150 --> 00:47:42,880

there's nothing anybody on earth can do

1149

00:47:48,470 --> 00:47:46,160

to generally change the events which are

1150

00:47:50,710 --> 00:47:48,480

already beginning to transpire

1151
00:47:52,870 --> 00:47:50,720
typically many people have referred to

1152
00:47:55,430 --> 00:47:52,880
this as the shift other people have said

1153
00:47:56,309 --> 00:47:55,440
the ascension it can go by a number of

1154
00:47:59,030 --> 00:47:56,319
different names

1155
00:48:01,349 --> 00:47:59,040
but essentially we are beginning to see

1156
00:48:04,549 --> 00:48:01,359
geophysical events

1157
00:48:05,270 --> 00:48:04,559
occur on earth earthquakes tsunamis that

1158
00:48:08,309 --> 00:48:05,280
they produce

1159
00:48:09,270 --> 00:48:08,319
under seaquakes volcanic eruptions uh

1160
00:48:12,470 --> 00:48:09,280
disturbances

1161
00:48:16,309 --> 00:48:12,480
to earth's electromagnetic field

1162
00:48:19,349 --> 00:48:16,319
the the the magnetism of earth

1163
00:48:22,710 --> 00:48:19,359

these things are going to change

1164

00:48:26,069 --> 00:48:22,720

a lot of what happens in

1165

00:48:29,030 --> 00:48:26,079

earth society the electromagnetic energy

1166

00:48:31,589 --> 00:48:29,040

for example is going to begin to affect

1167

00:48:33,270 --> 00:48:31,599

fertility in many countries around the

1168

00:48:34,870 --> 00:48:33,280

world especially the countries that are

1169

00:48:36,069 --> 00:48:34,880

more technologically developed or

1170

00:48:38,230 --> 00:48:36,079

advanced

1171

00:48:39,910 --> 00:48:38,240

the rates of marriage the rates of

1172

00:48:42,309 --> 00:48:39,920

childbirth are falling

1173

00:48:44,390 --> 00:48:42,319

almost precipitously in some cases to

1174

00:48:45,589 --> 00:48:44,400

the point where countries are shrinking

1175

00:48:47,430 --> 00:48:45,599

this is occurring in europe in the

1176

00:48:50,630 --> 00:48:47,440

united states and is beginning to occur

1177

00:48:58,230 --> 00:48:54,950

many observers of these changes in

1178

00:49:02,390 --> 00:48:58,240

population growth want to attribute

1179

00:49:04,710 --> 00:49:02,400

these changes entirely to social factors

1180

00:49:06,790 --> 00:49:04,720

decisions and choices well those social

1181

00:49:09,670 --> 00:49:06,800

factors decisions and choices

1182

00:49:10,470 --> 00:49:09,680

certainly are part of it no doubt about

1183

00:49:12,230 --> 00:49:10,480

it

1184

00:49:14,470 --> 00:49:12,240

but there are greater energetic

1185

00:49:16,150 --> 00:49:14,480

influences occurring

1186

00:49:19,030 --> 00:49:16,160

we are beginning to see an interesting

1187

00:49:21,670 --> 00:49:19,040

series of volcanic eruptions essentially

1188

00:49:23,270 --> 00:49:21,680

earth is over the next several years and

1189

00:49:25,430 --> 00:49:23,280

unfortunately i'm not getting specific

1190

00:49:28,710 --> 00:49:25,440

timing

1191

00:49:30,549 --> 00:49:28,720

but earth is going to become

1192

00:49:31,829 --> 00:49:30,559

a difficult place to be for a little

1193

00:49:35,030 --> 00:49:31,839

while

1194

00:49:38,790 --> 00:49:35,040

because of these geophysical changes

1195

00:49:42,230 --> 00:49:38,800

they are going to affect transportation

1196

00:49:44,309 --> 00:49:42,240

crops agriculture

1197

00:49:45,270 --> 00:49:44,319

and all the things related to that we

1198

00:49:47,990 --> 00:49:45,280

are going to see

1199

00:49:48,710 --> 00:49:48,000

economic changes what many would call

1200

00:49:51,750 --> 00:49:48,720

economic

1201
00:49:54,630 --> 00:49:51,760
collapse and the complete restructuring

1202
00:49:56,630 --> 00:49:54,640
of the global industrialized society

1203
00:49:59,990 --> 00:49:56,640
that we're in now

1204
00:50:02,870 --> 00:50:00,000
when these things happen it will be

1205
00:50:04,309 --> 00:50:02,880
up to us collectively and individually

1206
00:50:06,790 --> 00:50:04,319
as humans to decide

1207
00:50:08,309 --> 00:50:06,800
how we are going to react or not react

1208
00:50:09,670 --> 00:50:08,319
we always we can always choose how we

1209
00:50:12,069 --> 00:50:09,680
react to something

1210
00:50:13,910 --> 00:50:12,079
or choose not to react to it but as

1211
00:50:16,309 --> 00:50:13,920
these things occur

1212
00:50:19,030 --> 00:50:16,319
the forces and the influences that we

1213
00:50:20,470 --> 00:50:19,040

were talking about earlier

1214

00:50:22,790 --> 00:50:20,480

they're going to have all the air go out

1215

00:50:25,430 --> 00:50:22,800

of their balloon and they're essentially

1216

00:50:28,549 --> 00:50:25,440

going to disappear

1217

00:50:30,470 --> 00:50:28,559

more specifically to your question what

1218

00:50:31,829 --> 00:50:30,480

is going to happen over the next several

1219

00:50:34,630 --> 00:50:31,839

years

1220

00:50:36,390 --> 00:50:34,640

in many societies on earth is very much

1221

00:50:39,030 --> 00:50:36,400

up to us

1222

00:50:40,710 --> 00:50:39,040

in general many people are going to

1223

00:50:42,549 --> 00:50:40,720

discover

1224

00:50:44,069 --> 00:50:42,559

how the central authorities the

1225

00:50:46,710 --> 00:50:44,079

governments

1226
00:50:47,750 --> 00:50:46,720
of countries or regions where they live

1227
00:50:50,950 --> 00:50:47,760
are essentially

1228
00:50:52,470 --> 00:50:50,960
incompetent and inept at dealing with

1229
00:50:54,390 --> 00:50:52,480
some of the challenges

1230
00:50:56,710 --> 00:50:54,400
that these geophysical events are going

1231
00:50:58,549 --> 00:50:56,720
to cause

1232
00:51:00,150 --> 00:50:58,559
and people are going to turn away from

1233
00:51:04,390 --> 00:51:00,160
government

1234
00:51:05,430 --> 00:51:04,400
as the the solution or the answer to a

1235
00:51:07,109 --> 00:51:05,440
problem

1236
00:51:09,670 --> 00:51:07,119
we're going through a period of this

1237
00:51:13,430 --> 00:51:09,680
right now with the

1238
00:51:14,309 --> 00:51:13,440

worldwide pandemic the arguments and the

1239

00:51:16,150 --> 00:51:14,319

protests

1240

00:51:17,349 --> 00:51:16,160

against many of the measures that

1241

00:51:20,230 --> 00:51:17,359

governments

1242

00:51:21,750 --> 00:51:20,240

seem to have taken are not slowing down

1243

00:51:25,750 --> 00:51:21,760

in fact if anything they're gaining

1244

00:51:28,150 --> 00:51:25,760

energy there are many arguments i just

1245

00:51:29,750 --> 00:51:28,160

read yesterday about a very vigorous

1246

00:51:31,750 --> 00:51:29,760

argument between

1247

00:51:33,910 --> 00:51:31,760

a united states senator who's also a

1248

00:51:36,549 --> 00:51:33,920

doctor and an eye surgeon

1249

00:51:38,390 --> 00:51:36,559

arguing with the head of infectious

1250

00:51:39,910 --> 00:51:38,400

diseases in the united states

1251
00:51:41,750 --> 00:51:39,920
about whether or not people should wear

1252
00:51:42,710 --> 00:51:41,760
a mask or not wear a mask and whether or

1253
00:51:44,390 --> 00:51:42,720
not

1254
00:51:46,150 --> 00:51:44,400
the vaccine is effective and should

1255
00:51:48,309 --> 00:51:46,160
somebody who's already been vaccinated

1256
00:51:51,510 --> 00:51:48,319
and supposedly is now protected

1257
00:51:53,589 --> 00:51:51,520
should even be wearing a mask

1258
00:51:54,950 --> 00:51:53,599
these aren't too casual people strolling

1259
00:51:57,349 --> 00:51:54,960
down the street an eye

1260
00:51:58,870 --> 00:51:57,359
surgeon is an expert in anything that

1261
00:52:00,950 --> 00:51:58,880
involves the human head

1262
00:52:03,510 --> 00:52:00,960
how else do you become an eye surgeon so

1263
00:52:06,150 --> 00:52:03,520

when somebody prominent like that

1264

00:52:07,190 --> 00:52:06,160

starts taking issue with another doctor

1265

00:52:09,750 --> 00:52:07,200

publicly

1266

00:52:11,510 --> 00:52:09,760

that's an that's an indicator that not

1267

00:52:15,109 --> 00:52:11,520

everything

1268

00:52:17,990 --> 00:52:15,119

is as it seems that there is

1269

00:52:19,829 --> 00:52:18,000

significant dissent about what to do but

1270

00:52:23,910 --> 00:52:19,839

backing away from this particular

1271

00:52:27,910 --> 00:52:23,920

issue the pandemic is occurring

1272

00:52:31,829 --> 00:52:27,920

now on earth as a

1273

00:52:32,790 --> 00:52:31,839

warm-up to prepare the human race in

1274

00:52:34,870 --> 00:52:32,800

general

1275

00:52:36,069 --> 00:52:34,880

for a lot of changes that are coming

1276

00:52:38,790 --> 00:52:36,079

many of us have seen

1277

00:52:39,750 --> 00:52:38,800

restrictions cause businesses to shut

1278

00:52:41,589 --> 00:52:39,760

down to fail

1279

00:52:42,870 --> 00:52:41,599

many people to lose their jobs a lot of

1280

00:52:44,470 --> 00:52:42,880

unemployment

1281

00:52:46,710 --> 00:52:44,480

more of that is coming but not because

1282

00:52:47,589 --> 00:52:46,720

of pandemics more of that is coming

1283

00:52:50,390 --> 00:52:47,599

because the

1284

00:52:51,109 --> 00:52:50,400

global ability to move goods and

1285

00:52:54,710 --> 00:52:51,119

services

1286

00:52:56,150 --> 00:52:54,720

is going to be severely constrained

1287

00:52:57,750 --> 00:52:56,160

we are going to see some events we're

1288

00:53:00,150 --> 00:52:57,760

seeing them already

1289

00:53:02,069 --> 00:53:00,160

which are going to constrain the ability

1290

00:53:04,549 --> 00:53:02,079

of crude oil to be

1291

00:53:06,390 --> 00:53:04,559

produced and transported there are going

1292

00:53:09,190 --> 00:53:06,400

to be some very spicy events

1293

00:53:10,710 --> 00:53:09,200

i'm been told specifically by my guides

1294

00:53:11,750 --> 00:53:10,720

but i haven't been told exactly what

1295

00:53:13,750 --> 00:53:11,760

event and where

1296

00:53:15,270 --> 00:53:13,760

or when but that they're going to happen

1297

00:53:16,549 --> 00:53:15,280

well a couple have already happened the

1298

00:53:18,630 --> 00:53:16,559

new administration

1299

00:53:19,910 --> 00:53:18,640

decided to cancel the construction of a

1300

00:53:21,910 --> 00:53:19,920

large pipeline

1301
00:53:23,510 --> 00:53:21,920
between canada and the united states

1302
00:53:25,990 --> 00:53:23,520
which would have represented a

1303
00:53:29,829 --> 00:53:26,000
significant supply

1304
00:53:31,349 --> 00:53:29,839
of crude oil to key areas in the united

1305
00:53:34,470 --> 00:53:31,359
states that refine it and then

1306
00:53:37,990 --> 00:53:34,480
distribute it because that supply

1307
00:53:39,829 --> 00:53:38,000
is not coming what is that going to do

1308
00:53:41,589 --> 00:53:39,839
to the price and the availability

1309
00:53:43,510 --> 00:53:41,599
of all the products like gasoline and

1310
00:53:44,710 --> 00:53:43,520
diesel fuel etc that are refined out of

1311
00:53:47,030 --> 00:53:44,720
gasoline

1312
00:53:48,150 --> 00:53:47,040
well that's one small event there are

1313
00:53:50,150 --> 00:53:48,160

others coming

1314

00:53:52,950 --> 00:53:50,160

the subsequent events are going to be

1315

00:53:55,430 --> 00:53:52,960

generally geophysical in nature

1316

00:53:56,710 --> 00:53:55,440

earthquakes seaquakes tsunamis storms

1317

00:53:58,790 --> 00:53:56,720

and things like that

1318

00:54:00,790 --> 00:53:58,800

which are going to affect it that's

1319

00:54:05,589 --> 00:54:00,800

going to have a profound

1320

00:54:08,829 --> 00:54:05,599

profound influence if not direct effect

1321

00:54:10,790 --> 00:54:08,839

on human societies and transportation

1322

00:54:14,470 --> 00:54:10,800

airplanes boats ships

1323

00:54:15,990 --> 00:54:14,480

trucks and the cost of almost everything

1324

00:54:17,900 --> 00:54:16,000

these changes are all these changes are

1325

00:54:19,270 --> 00:54:17,910

all coming and are largely going to

1326

00:54:22,790 --> 00:54:19,280

[Music]

1327

00:54:25,670 --> 00:54:22,800

nullify a good deal of the influence

1328

00:54:27,670 --> 00:54:25,680

that has grown hidden behind the scenes

1329

00:54:34,150 --> 00:54:27,680

very powerfully

1330

00:54:38,150 --> 00:54:36,710

but do they see a way out eventually

1331

00:54:40,549 --> 00:54:38,160

things would subside and

1332

00:54:42,710 --> 00:54:40,559

things would eventually prove or is it

1333

00:54:44,230 --> 00:54:42,720

something that if we don't work hard on

1334

00:54:47,430 --> 00:54:44,240

it that it will not

1335

00:54:48,309 --> 00:54:47,440

it will not change we can't change any

1336

00:54:51,750 --> 00:54:48,319

of these things

1337

00:54:55,430 --> 00:54:51,760

we can only control how we react to them

1338

00:54:57,829 --> 00:54:55,440

things are going to go back to normal

1339

00:54:59,430 --> 00:54:57,839

but what does normal mean it's going to

1340

00:55:02,470 --> 00:54:59,440

be a new normal

1341

00:55:04,549 --> 00:55:02,480

and it's going to be a lot different

1342

00:55:06,150 --> 00:55:04,559

than things have been over the past 5 10

1343

00:55:10,549 --> 00:55:06,160

or 15 years

1344

00:55:13,430 --> 00:55:10,559

spiritually socially much much better

1345

00:55:14,789 --> 00:55:13,440

human life will localize a good deal

1346

00:55:20,710 --> 00:55:14,799

more

1347

00:55:22,309 --> 00:55:20,720

recent 20 or 30 years in general

1348

00:55:23,829 --> 00:55:22,319

where people don't often know their

1349

00:55:24,950 --> 00:55:23,839

neighbors very well they're going to get

1350

00:55:28,150 --> 00:55:24,960

to know their neighbors

1351

00:55:31,670 --> 00:55:28,160

a lot better again emphasis

1352

00:55:34,710 --> 00:55:31,680

on and concern for money

1353

00:55:36,309 --> 00:55:34,720

wealth status well-being pursuit of

1354

00:55:40,870 --> 00:55:36,319

position

1355

00:55:42,470 --> 00:55:40,880

social values social hierarchies

1356

00:55:44,549 --> 00:55:42,480

is all going to be reduced it's not that

1357

00:55:46,470 --> 00:55:44,559

these things are going to go away

1358

00:55:47,670 --> 00:55:46,480

but many many human beings are going to

1359

00:55:51,430 --> 00:55:47,680

come through this with a new

1360

00:55:54,230 --> 00:55:51,440

understanding we have a large number of

1361

00:55:55,510 --> 00:55:54,240

young people and some maybe not so young

1362

00:55:57,750 --> 00:55:55,520

like myself

1363

00:55:59,510 --> 00:55:57,760

that have incarnated on earth with the

1364

00:56:02,870 --> 00:55:59,520

specific purpose

1365

00:56:05,829 --> 00:56:02,880

of seeing things and doing things

1366

00:56:07,349 --> 00:56:05,839

differently and raising general

1367

00:56:09,430 --> 00:56:07,359

awareness of the public

1368

00:56:12,069 --> 00:56:09,440

for example in just the past couple of

1369

00:56:14,390 --> 00:56:12,079

years look at the changes in attitudes

1370

00:56:16,630 --> 00:56:14,400

and behavior towards

1371

00:56:18,990 --> 00:56:16,640

homosexuals or a person being

1372

00:56:21,829 --> 00:56:19,000

transgender or

1373

00:56:22,789 --> 00:56:21,839

dissatisfied with their gender role in

1374

00:56:27,109 --> 00:56:22,799

life

1375

00:56:29,190 --> 00:56:27,119

for a long time in human societies

1376

00:56:31,030 --> 00:56:29,200

even talking about subjects like these

1377

00:56:32,069 --> 00:56:31,040

was often a taboo if not outright

1378

00:56:34,390 --> 00:56:32,079

dangerous

1379

00:56:36,630 --> 00:56:34,400

that has changed to a great extent that

1380

00:56:38,630 --> 00:56:36,640

represents a significant step forward a

1381

00:56:41,270 --> 00:56:38,640

significant advance

1382

00:56:44,069 --> 00:56:41,280

in human societies one personally that i

1383

00:56:45,510 --> 00:56:44,079

welcome very much my entire life

1384

00:56:47,910 --> 00:56:45,520

that i've ever even been aware of

1385

00:56:49,270 --> 00:56:47,920

subjects like that i've always wondered

1386

00:56:51,589 --> 00:56:49,280

what the problem is and what the

1387

00:56:54,870 --> 00:56:51,599

opposition is to accepting that

1388

00:56:56,870 --> 00:56:54,880

some people are different we've all from

1389

00:56:59,589 --> 00:56:56,880

time to time run across somebody

1390

00:57:01,270 --> 00:56:59,599

that had a certain uh difference in

1391

00:57:03,430 --> 00:57:01,280

their physical appearance

1392

00:57:04,549 --> 00:57:03,440

because of how they were born a

1393

00:57:06,549 --> 00:57:04,559

deformity

1394

00:57:07,990 --> 00:57:06,559

in the shape of their ears or their nose

1395

00:57:11,030 --> 00:57:08,000

or their face

1396

00:57:14,950 --> 00:57:11,040

or or their skin

1397

00:57:16,630 --> 00:57:14,960

patches of skin that were very red

1398

00:57:18,710 --> 00:57:16,640

against the rest of their skin it was

1399

00:57:20,309 --> 00:57:18,720

very white or patches that were very

1400

00:57:21,349 --> 00:57:20,319

clear against the rest of their skin

1401

00:57:23,589 --> 00:57:21,359

that was very brown

1402

00:57:24,950 --> 00:57:23,599

we've all seen people like that uh

1403

00:57:30,309 --> 00:57:24,960

they're very rare and unique

1404

00:57:36,150 --> 00:57:33,349

we were allowed to to accept differences

1405

00:57:38,470 --> 00:57:36,160

that couldn't be hidden in people that

1406

00:57:40,549 --> 00:57:38,480

had a certain appearance

1407

00:57:42,470 --> 00:57:40,559

but in the way people thought and and

1408

00:57:43,750 --> 00:57:42,480

wanted to behave oh no we couldn't do

1409

00:57:47,270 --> 00:57:43,760

that

1410

00:57:49,430 --> 00:57:47,280

now

1411

00:57:50,950 --> 00:57:49,440

a young a young girl can dye her hair

1412

00:57:53,510 --> 00:57:50,960

blue if she wants to

1413

00:57:54,630 --> 00:57:53,520

and she doesn't get socially ostracized

1414

00:57:57,750 --> 00:57:54,640

immediately

1415

00:57:59,270 --> 00:57:57,760

by everyone she's ever met it wasn't so

1416

00:58:00,870 --> 00:57:59,280

many decades ago that that would have

1417

00:58:03,910 --> 00:58:00,880

been an automatic

1418

00:58:04,470 --> 00:58:03,920

automatic outcome now not so much the

1419

00:58:06,710 --> 00:58:04,480

case

1420

00:58:07,510 --> 00:58:06,720

so those are just some small examples of

1421

00:58:10,630 --> 00:58:07,520

advances

1422

00:58:12,230 --> 00:58:10,640

in awareness and acceptance

1423

00:58:13,990 --> 00:58:12,240

one of the things personally that

1424

00:58:15,670 --> 00:58:14,000

bothers me and my my guardian angel

1425

00:58:18,549 --> 00:58:15,680

guides have kind of smiled about this

1426
00:58:20,069 --> 00:58:18,559
is very popular to talk about tolerance

1427
00:58:20,549 --> 00:58:20,079
and i think that's absolutely the wrong

1428
00:58:24,950 --> 00:58:20,559
approach

1429
00:58:28,549 --> 00:58:24,960
who wants to just be tolerated tolerance

1430
00:58:31,910 --> 00:58:28,559
hang on parking dog that's all right

1431
00:58:33,349 --> 00:58:31,920
tolerating just means somebody's putting

1432
00:58:34,710 --> 00:58:33,359
up with you but would prefer not to have

1433
00:58:37,349 --> 00:58:34,720
you around

1434
00:58:39,670 --> 00:58:37,359
if they had their choice that's not what

1435
00:58:41,829 --> 00:58:39,680
we want we want acceptance

1436
00:58:43,190 --> 00:58:41,839
acceptance of what we like and also

1437
00:58:45,430 --> 00:58:43,200
acceptance of differences

1438
00:58:46,710 --> 00:58:45,440

and that's how we get accepted ourselves

1439

00:58:50,150 --> 00:58:46,720

these things are all making

1440

00:58:52,390 --> 00:58:50,160

great advances in human societies

1441

00:58:54,630 --> 00:58:52,400

around the world and i think are not

1442

00:58:55,750 --> 00:58:54,640

getting the credit that they deserve to

1443

00:58:57,829 --> 00:58:55,760

represent the

1444

00:58:59,030 --> 00:58:57,839

the the betterments of human societies

1445

00:59:04,069 --> 00:58:59,040

in general

1446

00:59:08,950 --> 00:59:04,079

more of this is coming

1447

00:59:12,630 --> 00:59:08,960

um what about uh

1448

00:59:14,950 --> 00:59:12,640

well is there specific areas that

1449

00:59:16,789 --> 00:59:14,960

we need to i guess concentrate on first

1450

00:59:18,390 --> 00:59:16,799

from our individual point of view i know

1451

00:59:19,510 --> 00:59:18,400

they didn't exactly give any kind of

1452

00:59:21,349 --> 00:59:19,520

those directions

1453

00:59:23,270 --> 00:59:21,359

is it just kind of like get your own

1454

00:59:25,109 --> 00:59:23,280

house in order and then see what you can

1455

00:59:28,390 --> 00:59:25,119

do for the neighbor

1456

00:59:28,950 --> 00:59:28,400

well yes my guys say that everybody

1457

00:59:32,470 --> 00:59:28,960

pretty much

1458

00:59:34,230 --> 00:59:32,480

has their house in order long as they

1459

00:59:37,349 --> 00:59:34,240

look upon everyone that they

1460

00:59:39,030 --> 00:59:37,359

see and everyone that they know as their

1461

00:59:41,430 --> 00:59:39,040

brother and sister

1462

00:59:43,030 --> 00:59:41,440

in other words somebody lives in a

1463

00:59:45,349 --> 00:59:43,040

country with 50 million

1464

00:59:46,789 --> 00:59:45,359

citizens how many of those 50 million

1465

00:59:48,309 --> 00:59:46,799

people are they ever going to meet or

1466

00:59:50,230 --> 00:59:48,319

influence

1467

00:59:52,950 --> 00:59:50,240

almost none of them so who are they

1468

00:59:54,789 --> 00:59:52,960

really going to cross paths with

1469

00:59:56,470 --> 00:59:54,799

the very few that are members of their

1470

00:59:59,109 --> 00:59:56,480

family or

1471

01:00:00,069 --> 00:59:59,119

their friends associates co-workers

1472

01:00:02,230 --> 01:00:00,079

things like that

1473

01:00:04,069 --> 01:00:02,240

well that's where we start how do we

1474

01:00:05,910 --> 01:00:04,079

treat and interact with other people

1475

01:00:08,309 --> 01:00:05,920

do we have the choice to be gentle and

1476

01:00:09,750 --> 01:00:08,319

generous and kind

1477

01:00:11,910 --> 01:00:09,760

or do we have this well we have a choice

1478

01:00:14,150 --> 01:00:11,920

to do whatever we want

1479

01:00:17,190 --> 01:00:14,160

always look upon other people in other

1480

01:00:21,270 --> 01:00:17,200

situations as an opportunity

1481

01:00:22,549 --> 01:00:21,280

to be good to be pleasant to be helpful

1482

01:00:24,870 --> 01:00:22,559

because that's the best way to help

1483

01:00:26,470 --> 01:00:24,880

ourselves

1484

01:00:27,910 --> 01:00:26,480

sometimes we have to do things we

1485

01:00:31,030 --> 01:00:27,920

dislike

1486

01:00:32,470 --> 01:00:31,040

driving very very aggressively is

1487

01:00:35,510 --> 01:00:32,480

something that is too often

1488

01:00:37,349 --> 01:00:35,520

tolerated by some drivers and it's

1489

01:00:39,270 --> 01:00:37,359

tragic because

1490

01:00:40,630 --> 01:00:39,280

in the united states alone and this is

1491

01:00:42,309 --> 01:00:40,640

the case in many countries where there

1492

01:00:44,150 --> 01:00:42,319

are a lot of motor vehicles the number

1493

01:00:46,309 --> 01:00:44,160

one cause of death

1494

01:00:47,750 --> 01:00:46,319

for all people natural and accidental

1495

01:00:49,750 --> 01:00:47,760

causes all put together

1496

01:00:51,990 --> 01:00:49,760

up until the point where people are in

1497

01:00:54,950 --> 01:00:52,000

their earlier mid 30s

1498

01:00:55,990 --> 01:00:54,960

is motor vehicles either riding in them

1499

01:00:58,069 --> 01:00:56,000

driving them or getting hit

1500

01:00:59,589 --> 01:00:58,079

by them on a bicycle whatever what have

1501

01:01:02,549 --> 01:00:59,599

you

1502

01:01:03,910 --> 01:01:02,559

that doesn't need to happen that can be

1503

01:01:07,109 --> 01:01:03,920

reduced

1504

01:01:08,069 --> 01:01:07,119

tomorrow or starting tomorrow we can

1505

01:01:11,270 --> 01:01:08,079

reduce that

1506

01:01:12,309 --> 01:01:11,280

significantly but there doesn't seem to

1507

01:01:15,349 --> 01:01:12,319

be a collective

1508

01:01:17,829 --> 01:01:15,359

will for people to get in a car

1509

01:01:19,030 --> 01:01:17,839

and drive it and understand that they

1510

01:01:21,190 --> 01:01:19,040

are essentially

1511

01:01:22,470 --> 01:01:21,200

running around with a loaded shotgun

1512

01:01:25,190 --> 01:01:22,480

pointing it at other people

1513

01:01:27,430 --> 01:01:25,200

because that car can do as much or more

1514

01:01:30,870 --> 01:01:27,440

damage as or more quickly

1515

01:01:32,789 --> 01:01:30,880

than the gun can uh and every once in a

1516

01:01:35,109 --> 01:01:32,799

while we hear about that

1517

01:01:37,030 --> 01:01:35,119

most often when we hear about it it's

1518

01:01:38,390 --> 01:01:37,040

it's reckless or careless driving or an

1519

01:01:39,910 --> 01:01:38,400

impaired driver that does something

1520

01:01:42,470 --> 01:01:39,920

really stupid

1521

01:01:43,750 --> 01:01:42,480

but it can also be done intentionally

1522

01:01:46,710 --> 01:01:43,760

well what can we do

1523

01:01:48,470 --> 01:01:46,720

when we get behind the wheel can we just

1524

01:01:50,150 --> 01:01:48,480

drive a little more prudently and

1525

01:01:52,630 --> 01:01:50,160

understand that all those other

1526

01:01:54,549 --> 01:01:52,640

vehicles around us are human beings who

1527

01:01:57,829 --> 01:01:54,559

have families

1528

01:01:58,470 --> 01:01:57,839

who have loved ones who we might love

1529

01:02:01,990 --> 01:01:58,480

them

1530

01:02:03,829 --> 01:02:02,000

treat us nicely

1531

01:02:05,670 --> 01:02:03,839

i don't know that anybody gets into a

1532

01:02:05,990 --> 01:02:05,680

car and drives around and says i can't

1533

01:02:08,309 --> 01:02:06,000

wait

1534

01:02:09,910 --> 01:02:08,319

to make somebody else angry at me and

1535

01:02:11,829 --> 01:02:09,920

tend to get out of their car and then

1536

01:02:13,029 --> 01:02:11,839

come up to me and attack me and insult

1537

01:02:14,390 --> 01:02:13,039

me and threaten me

1538

01:02:16,069 --> 01:02:14,400

i don't know i don't know anybody that

1539

01:02:17,270 --> 01:02:16,079

wants that

1540

01:02:19,670 --> 01:02:17,280

most people are just doing it around

1541

01:02:20,390 --> 01:02:19,680

that's one small example but the larger

1542

01:02:23,270 --> 01:02:20,400

example

1543

01:02:26,230 --> 01:02:23,280

what we can do is we all have to

1544

01:02:29,670 --> 01:02:26,240

understand that we're spiritual beings

1545

01:02:33,430 --> 01:02:29,680

not physical beings that

1546

01:02:35,430 --> 01:02:33,440

our essence is our soul not our body

1547

01:02:37,109 --> 01:02:35,440

that we're here on earth temporarily

1548

01:02:38,309 --> 01:02:37,119

even though it can seem like a very long

1549

01:02:41,109 --> 01:02:38,319

period of time

1550

01:02:42,309 --> 01:02:41,119

decades and decades in many cases it

1551
01:02:45,270 --> 01:02:42,319
really isn't

1552
01:02:45,670 --> 01:02:45,280
and that we're here to learn lessons and

1553
01:02:53,829 --> 01:02:45,680
to

1554
01:02:54,870 --> 01:02:53,839
some of those situations we choose for

1555
01:02:57,990 --> 01:02:54,880
ourselves

1556
01:03:01,910 --> 01:02:58,000
and we choose to see those situations as

1557
01:03:03,029 --> 01:03:01,920
hazard or fortuitous or unforeseen or

1558
01:03:04,789 --> 01:03:03,039
unfortunate

1559
01:03:06,630 --> 01:03:04,799
but we've chosen them and then we can

1560
01:03:08,950 --> 01:03:06,640
react to them

1561
01:03:10,870 --> 01:03:08,960
and we can take a positive point of view

1562
01:03:14,870 --> 01:03:10,880
or we can take a negative point of view

1563
01:03:18,710 --> 01:03:14,880

and then carry out negative attitudes

1564

01:03:22,390 --> 01:03:18,720

behaviors and treatments of other people

1565

01:03:24,390 --> 01:03:22,400

or positive it's up to us these events

1566

01:03:24,950 --> 01:03:24,400

that i've discussed earlier are going to

1567

01:03:27,990 --> 01:03:24,960

give

1568

01:03:30,470 --> 01:03:28,000

a great number of human beings the

1569

01:03:31,829 --> 01:03:30,480

opportunity to very closely look at

1570

01:03:34,950 --> 01:03:31,839

themselves

1571

01:03:37,349 --> 01:03:34,960

and look at that very small number of

1572

01:03:38,950 --> 01:03:37,359

people in society around them

1573

01:03:40,470 --> 01:03:38,960

who they interact with or who they might

1574

01:03:42,630 --> 01:03:40,480

interact with and decide

1575

01:03:43,990 --> 01:03:42,640

is there a way that i can be better to

1576

01:03:47,349 --> 01:03:44,000

them and in

1577

01:03:48,870 --> 01:03:47,359

and by doing so they'll be better to me

1578

01:03:50,390 --> 01:03:48,880

they'll be nicer to me and what can i

1579

01:03:51,829 --> 01:03:50,400

learn from this this is the great

1580

01:03:53,109 --> 01:03:51,839

opportunity that we're that we're that

1581

01:03:54,069 --> 01:03:53,119

we're coming up against that we're going

1582

01:04:01,670 --> 01:03:54,079

to face

1583

01:04:04,710 --> 01:04:01,680

okay mark mark sorry um patrick

1584

01:04:06,630 --> 01:04:04,720

i basically uh i asked

1585

01:04:09,029 --> 01:04:06,640

questions that i thought i should ask

1586

01:04:12,150 --> 01:04:09,039

and now i figured we can leave it open

1587

01:04:13,990 --> 01:04:12,160

for some q a if you don't mind

1588

01:04:15,430 --> 01:04:14,000

everyone watching if you could just

1589

01:04:18,230 --> 01:04:15,440

please remember to

1590

01:04:19,670 --> 01:04:18,240

have the three stars uh before your

1591

01:04:21,589 --> 01:04:19,680

sentence so that way i know that's the

1592

01:04:23,589 --> 01:04:21,599

actual question for patrick

1593

01:04:26,549 --> 01:04:23,599

and uh i guess we'll get going with the

1594

01:04:28,789 --> 01:04:26,559

first question then

1595

01:04:30,390 --> 01:04:28,799

let's see here you're going to read the

1596

01:04:32,870 --> 01:04:30,400

questions out yes yes i'm going to read

1597

01:04:34,789 --> 01:04:32,880

them i'm just looking to see if um

1598

01:04:36,069 --> 01:04:34,799

because i'm just now opening it up so

1599

01:04:37,349 --> 01:04:36,079

we'll see which which

1600

01:04:38,789 --> 01:04:37,359

questions would come through because i'm

1601
01:04:40,390 --> 01:04:38,799
sure they might have some questions

1602
01:04:47,190 --> 01:04:40,400
based on what you said

1603
01:04:52,630 --> 01:04:50,549
i did uh there's one from

1604
01:04:54,630 --> 01:04:52,640
pop reality uh thank you for your super

1605
01:04:55,910 --> 01:04:54,640
chat i think this was something you were

1606
01:04:58,309 --> 01:04:55,920
talking about so

1607
01:04:59,029 --> 01:04:58,319
this might be something 30 minutes you

1608
01:05:05,990 --> 01:04:59,039
said

1609
01:05:08,710 --> 01:05:06,000
you mean uh calcazoid

1610
01:05:11,190 --> 01:05:08,720
ancient africa before colonizations were

1611
01:05:12,870 --> 01:05:11,200
not polluting

1612
01:05:15,029 --> 01:05:12,880
so i'm sorry i don't know what you

1613
01:05:21,029 --> 01:05:15,039

specifically said that that

1614

01:05:24,390 --> 01:05:21,039

prompted that human beings were created

1615

01:05:26,390 --> 01:05:24,400

on earth in an area which is now a part

1616

01:05:28,230 --> 01:05:26,400

of south africa but there was no nation

1617

01:05:29,990 --> 01:05:28,240

of south africa a hundred thousand years

1618

01:05:33,349 --> 01:05:30,000

ago obviously

1619

01:05:35,270 --> 01:05:33,359

and there is almost no evidence there is

1620

01:05:38,470 --> 01:05:35,280

none that we could find or

1621

01:05:41,430 --> 01:05:38,480

or identify to demonstrate what happened

1622

01:05:44,309 --> 01:05:41,440

there but that was the beginning

1623

01:05:45,190 --> 01:05:44,319

of human society the first humanoids

1624

01:05:48,270 --> 01:05:45,200

were created

1625

01:05:51,270 --> 01:05:48,280

the purpose that the alien

1626

01:05:54,390 --> 01:05:51,280

extraterrestrials had was specifically

1627

01:05:56,630 --> 01:05:54,400

to extract gold to mine it

1628

01:05:57,910 --> 01:05:56,640

the reason they did it was because they

1629

01:05:59,910 --> 01:05:57,920

couldn't

1630

01:06:01,670 --> 01:05:59,920

the environment of earth's atmosphere

1631

01:06:04,390 --> 01:06:01,680

was unsuitable for them

1632

01:06:05,270 --> 01:06:04,400

the gravity of the surface the mixture

1633

01:06:07,910 --> 01:06:05,280

of gases

1634

01:06:09,510 --> 01:06:07,920

the temperature humidity dust in the air

1635

01:06:11,270 --> 01:06:09,520

the same thing would happen to humans if

1636

01:06:14,430 --> 01:06:11,280

we went to nearly any other

1637

01:06:16,470 --> 01:06:14,440

any other planet where alien

1638

01:06:18,150 --> 01:06:16,480

extraterrestrials live

1639

01:06:20,309 --> 01:06:18,160

we would have the same challenges and

1640

01:06:22,870 --> 01:06:20,319

problems in many cases

1641

01:06:23,589 --> 01:06:22,880

uh so that's natural that they come here

1642

01:06:27,349 --> 01:06:23,599

so those

1643

01:06:30,829 --> 01:06:27,359

aliens knew that they could not

1644

01:06:32,870 --> 01:06:30,839

simply send machinery down to the

1645

01:06:35,270 --> 01:06:32,880

surface

1646

01:06:36,630 --> 01:06:35,280

the idea that alien extraterrestrials

1647

01:06:38,230 --> 01:06:36,640

have this wonderful technology where

1648

01:06:39,109 --> 01:06:38,240

they can simply snap their fingers and

1649

01:06:42,630 --> 01:06:39,119

synthesize

1650

01:06:44,150 --> 01:06:42,640

anything they want or bring and produce

1651

01:06:45,750 --> 01:06:44,160

anything they want by snapping their

1652

01:06:47,349 --> 01:06:45,760

fingers no that's not true

1653

01:06:50,069 --> 01:06:47,359

they're subject to the same constraints

1654

01:06:53,270 --> 01:06:50,079

and laws of physics that we are

1655

01:06:56,789 --> 01:06:53,280

in many cases much more advanced in in

1656

01:07:00,710 --> 01:06:59,190

in order to get the gold out of the

1657

01:07:04,549 --> 01:07:00,720

ground

1658

01:07:07,510 --> 01:07:04,559

uh they were going to need workers

1659

01:07:09,270 --> 01:07:07,520

so they did they created them those were

1660

01:07:12,309 --> 01:07:09,280

the first humanoids

1661

01:07:15,589 --> 01:07:12,319

that took place in africa the they

1662

01:07:17,670 --> 01:07:15,599

very much looked over and cared for and

1663

01:07:19,750 --> 01:07:17,680

loved these humanoids that they they

1664

01:07:23,029 --> 01:07:19,760

created

1665

01:07:25,510 --> 01:07:23,039

babies

1666

01:07:28,230 --> 01:07:25,520

would not be an inaccurate description

1667

01:07:29,990 --> 01:07:28,240

but certainly not their slaves and we're

1668

01:07:31,829 --> 01:07:30,000

certainly not

1669

01:07:33,990 --> 01:07:31,839

there they're they're pack animals quite

1670

01:07:36,549 --> 01:07:34,000

the contra but they were very simple

1671

01:07:39,109 --> 01:07:36,559

very basic beings

1672

01:07:39,910 --> 01:07:39,119

very large very strong we refer the

1673

01:07:43,109 --> 01:07:39,920

remains

1674

01:07:44,950 --> 01:07:43,119

of these first humanoids as cro-magnon

1675

01:07:47,829 --> 01:07:44,960

or neanderthal

1676

01:07:50,150 --> 01:07:47,839

and we have all sorts of timelines where

1677

01:07:52,549 --> 01:07:50,160

we guess it when they lived and

1678

01:07:54,150 --> 01:07:52,559

how they evolved none of those are very

1679

01:07:57,510 --> 01:07:54,160

accurate

1680

01:08:00,549 --> 01:07:57,520

but that all took place in africa and

1681

01:08:02,309 --> 01:08:00,559

they did not pollute the

1682

01:08:03,829 --> 01:08:02,319

alien extraterrestrials that created

1683

01:08:06,150 --> 01:08:03,839

these first humanoids

1684

01:08:07,750 --> 01:08:06,160

did not use machinery and fuels and

1685

01:08:09,829 --> 01:08:07,760

chemicals or anything else

1686

01:08:11,670 --> 01:08:09,839

to do the work and that's why there

1687

01:08:12,789 --> 01:08:11,680

there's no evidence no debris

1688

01:08:15,990 --> 01:08:12,799

they didn't pollute they simply

1689

01:08:18,149 --> 01:08:16,000

extracted the gold and took it away

1690

01:08:19,829 --> 01:08:18,159

most of earth's gold they took away the

1691

01:08:23,110 --> 01:08:19,839

reason they did it

1692

01:08:25,910 --> 01:08:23,120

was for their own atmosphere and their

1693

01:08:27,510 --> 01:08:25,920

own planets on the other side of the

1694

01:08:29,430 --> 01:08:27,520

galaxy

1695

01:08:30,950 --> 01:08:29,440

and they knew earth was a good source of

1696

01:08:32,950 --> 01:08:30,960

a lot of it

1697

01:08:35,189 --> 01:08:32,960

how did they know that earth has been

1698

01:08:38,149 --> 01:08:35,199

visited by alien extraterrestrials for

1699

01:08:39,269 --> 01:08:38,159

millions of years the planet has been

1700

01:08:42,309 --> 01:08:39,279

well

1701

01:08:44,070 --> 01:08:42,319

understood

1702

01:08:46,149 --> 01:08:44,080

far better by the alien

1703

01:08:47,829 --> 01:08:46,159

extraterrestrials than we know earth

1704

01:08:50,950 --> 01:08:47,839

they know things about earth we couldn't

1705

01:08:55,510 --> 01:08:53,510

so essentially the the the beginnings of

1706

01:08:59,030 --> 01:08:55,520

of mankind

1707

01:09:02,070 --> 01:08:59,040

and human beings as we now exist began

1708

01:09:02,630 --> 01:09:02,080

in africa specifically what is now a

1709

01:09:05,430 --> 01:09:02,640

part of

1710

01:09:06,789 --> 01:09:05,440

northeastern south africa the nation of

1711

01:09:11,269 --> 01:09:06,799

south africa

1712

01:09:12,870 --> 01:09:11,279

near uh mozambique i speak the language

1713

01:09:13,749 --> 01:09:12,880

of the nation of mozambique which is

1714

01:09:15,910 --> 01:09:13,759

portuguese

1715

01:09:17,829 --> 01:09:15,920

so that's the name of the country in in

1716

01:09:20,950 --> 01:09:17,839

africa mozambique

1717

01:09:23,590 --> 01:09:20,960

or mozambique that that was the area i

1718

01:09:26,149 --> 01:09:23,600

hope that answers the question

1719

01:09:28,550 --> 01:09:26,159

the next question is from exploring the

1720

01:09:31,590 --> 01:09:28,560

car with rock

1721

01:09:32,149 --> 01:09:31,600

castaldo says what does patrick think of

1722

01:09:38,070 --> 01:09:32,159

cern

1723

01:09:41,990 --> 01:09:39,110

personally i think they're an

1724

01:09:44,149 --> 01:09:42,000

interesting scientific experiment

1725

01:09:45,829 --> 01:09:44,159

what the significance of those things

1726

01:09:49,430 --> 01:09:45,839

are

1727

01:09:50,309 --> 01:09:49,440

is limited not because that there's

1728

01:09:54,790 --> 01:09:50,319

anything wrong

1729

01:09:59,669 --> 01:09:54,800

but that they are attempting

1730

01:10:04,390 --> 01:09:59,679

to discover things about

1731

01:10:08,070 --> 01:10:04,400

velocity energy and and related topics

1732

01:10:09,750 --> 01:10:08,080

inside of the technology that humans

1733

01:10:12,790 --> 01:10:09,760

already have and this is the

1734

01:10:16,550 --> 01:10:12,800

the self-defeating uh

1735

01:10:19,189 --> 01:10:16,560

circular firing squad that humans suffer

1736

01:10:23,510 --> 01:10:19,199

under too often by our own design

1737

01:10:25,990 --> 01:10:23,520

when somebody says there is x y or z

1738

01:10:26,950 --> 01:10:26,000

immediately the scientific community

1739

01:10:29,110 --> 01:10:26,960

says

1740

01:10:30,229 --> 01:10:29,120

but there's no proof of any of that well

1741

01:10:31,590 --> 01:10:30,239

that's true

1742

01:10:33,590 --> 01:10:31,600

the reason there's no proof of it is

1743

01:10:36,709 --> 01:10:33,600

because we don't know anything about it

1744

01:10:39,910 --> 01:10:36,719

we look back in our own human history

1745

01:10:43,350 --> 01:10:39,920

and we can see many examples of this

1746

01:10:44,149 --> 01:10:43,360

100 years ago we didn't even have a

1747

01:10:47,910 --> 01:10:44,159

microscope

1748

01:10:49,350 --> 01:10:47,920

yet that could identify a virus 120 or

1749

01:10:51,750 --> 01:10:49,360

130 years ago

1750

01:10:53,110 --> 01:10:51,760

we weren't a or whatever the time was we

1751

01:10:56,470 --> 01:10:53,120

did not have a microscope

1752

01:10:59,990 --> 01:10:56,480

that could identify bacteria which are

1753

01:11:01,910 --> 01:11:00,000

much larger than viruses 150 years ago

1754

01:11:06,630 --> 01:11:01,920

we didn't even know what they were

1755

01:11:07,990 --> 01:11:06,640

microbes in general so in 1980 or 1870

1756

01:11:11,350 --> 01:11:08,000

whenever it was

1757

01:11:13,830 --> 01:11:11,360

somebody said oh bacteria exist

1758

01:11:15,110 --> 01:11:13,840

these little microscopic living beings

1759

01:11:16,790 --> 01:11:15,120

these little cells

1760

01:11:17,990 --> 01:11:16,800

and they cause infections they get into

1761

01:11:19,350 --> 01:11:18,000

your body and they multiply and they

1762

01:11:21,030 --> 01:11:19,360

give you an infection sometimes they

1763

01:11:23,189 --> 01:11:21,040

kill you

1764

01:11:25,350 --> 01:11:23,199

the immediate response from the medical

1765

01:11:28,229 --> 01:11:25,360

community was we have no proof of that

1766

01:11:29,750 --> 01:11:28,239

today let's just accept it as a fact a

1767

01:11:31,430 --> 01:11:29,760

very accurate one why

1768

01:11:33,590 --> 01:11:31,440

well because the technology advanced we

1769

01:11:36,630 --> 01:11:33,600

were able to to uh

1770

01:11:38,830 --> 01:11:36,640

to establish that throughout

1771

01:11:40,149 --> 01:11:38,840

the development of technology in many

1772

01:11:43,669 --> 01:11:40,159

areas

1773

01:11:47,030 --> 01:11:43,679

these psychological barriers

1774

01:11:50,310 --> 01:11:47,040

have have popped up where we say

1775

01:11:53,350 --> 01:11:52,709

and then the technology comes along very

1776

01:11:56,470 --> 01:11:53,360

often

1777

01:11:59,030 --> 01:11:56,480

sometimes planted by the

1778

01:12:00,870 --> 01:11:59,040

guardian angel guides of the humans

1779

01:12:02,709 --> 01:12:00,880

involved in quote unquote discovering

1780

01:12:04,790 --> 01:12:02,719

that technology

1781

01:12:06,310 --> 01:12:04,800

or sometimes the aliens themselves if

1782

01:12:06,950 --> 01:12:06,320

that's part of the life plan and the

1783

01:12:09,510 --> 01:12:06,960

schedule

1784

01:12:11,430 --> 01:12:09,520

many things we have on earth come from

1785

01:12:13,830 --> 01:12:11,440

alien extraterrestrials

1786

01:12:16,390 --> 01:12:13,840

such as integrated circuits and many

1787

01:12:20,149 --> 01:12:18,709

accidentally or on purpose so back to

1788

01:12:21,830 --> 01:12:20,159

the thing about the the particle

1789

01:12:24,790 --> 01:12:21,840
accelerator

1790

01:12:26,149 --> 01:12:24,800
in in europe what's happening there is

1791

01:12:29,669 --> 01:12:26,159
that

1792

01:12:31,510 --> 01:12:29,679
things are being discovered but

1793

01:12:34,390 --> 01:12:31,520
things that we don't understand because

1794

01:12:35,910 --> 01:12:34,400
they occur outside of the scientific

1795

01:12:36,630 --> 01:12:35,920
evidence that we have assembled and

1796

01:12:41,270 --> 01:12:36,640
decided

1797

01:12:42,870 --> 01:12:41,280
is acceptable and viable

1798

01:12:44,390 --> 01:12:42,880
human beings for example do not

1799

01:12:47,430 --> 01:12:44,400
understand technology

1800

01:12:50,790 --> 01:12:47,440
do not understand magnetism

1801
01:12:52,550 --> 01:12:50,800
or electricity as well as we think we do

1802
01:12:54,229 --> 01:12:52,560
this is how all of these alien

1803
01:12:57,590 --> 01:12:54,239
extraterrestrial ships

1804
01:13:00,709 --> 01:12:57,600
that have recently been reported

1805
01:13:02,870 --> 01:13:00,719
even disclosed by military organizations

1806
01:13:05,350 --> 01:13:02,880
such as the united states navy

1807
01:13:05,910 --> 01:13:05,360
have disclosed seeing things following

1808
01:13:08,630 --> 01:13:05,920
uh

1809
01:13:10,550 --> 01:13:08,640
naval aircraft fighter aircraft moving

1810
01:13:12,870 --> 01:13:10,560
at speeds that are unimaginable

1811
01:13:13,669 --> 01:13:12,880
well how are they able to do it magnetic

1812
01:13:16,310 --> 01:13:13,679
differential

1813
01:13:17,669 --> 01:13:16,320

we don't understand magnetism to that

1814

01:13:19,910 --> 01:13:17,679

extent we certainly don't have the

1815

01:13:22,790 --> 01:13:19,920

technology to be able to do it

1816

01:13:24,470 --> 01:13:22,800

well how are they able to do it well the

1817

01:13:25,830 --> 01:13:24,480

the easy answer is well there's no proof

1818

01:13:29,669 --> 01:13:25,840

of that well no not yet

1819

01:13:33,030 --> 01:13:29,679

that's coming so the cern experiments

1820

01:13:36,390 --> 01:13:33,040

are beginning to butt up against or

1821

01:13:38,950 --> 01:13:36,400

reveal areas of knowledge

1822

01:13:39,830 --> 01:13:38,960

regarding particle physics that we don't

1823

01:13:43,430 --> 01:13:39,840

understand

1824

01:13:46,630 --> 01:13:43,440

yet but that information is coming

1825

01:13:47,510 --> 01:13:46,640

i hope that answers the question patrick

1826

01:13:50,229 --> 01:13:47,520

deep

1827

01:13:51,590 --> 01:13:50,239

excuse me the next question is from gen

1828

01:13:53,590 --> 01:13:51,600

set

1829

01:13:55,430 --> 01:13:53,600

the question is does patrick know about

1830

01:13:58,550 --> 01:13:55,440

kryon and esther hicks

1831

01:14:01,030 --> 01:13:58,560

abraham what's his thoughts on this

1832

01:14:03,270 --> 01:14:01,040

and also how do we get in contact with

1833

01:14:05,669 --> 01:14:03,280

our own spirit guides

1834

01:14:08,470 --> 01:14:05,679

i've heard the name but i i confess i

1835

01:14:11,270 --> 01:14:08,480

don't really know much other than that

1836

01:14:11,750 --> 01:14:11,280

uh how do we get in contact with our

1837

01:14:15,510 --> 01:14:11,760

guides

1838

01:14:15,990 --> 01:14:15,520

well first of all have the belief that

1839

01:14:19,189 --> 01:14:16,000

you are

1840

01:14:21,430 --> 01:14:19,199

already in contact with them

1841

01:14:23,350 --> 01:14:21,440

once you believe that then it's just a

1842

01:14:24,390 --> 01:14:23,360

matter of learning how to sift one from

1843

01:14:27,110 --> 01:14:24,400

the other

1844

01:14:28,310 --> 01:14:27,120

your own thoughts versus the thoughts

1845

01:14:31,669 --> 01:14:28,320

that are planted

1846

01:14:32,709 --> 01:14:31,679

in your mind which are really telepathic

1847

01:14:35,510 --> 01:14:32,719

communication

1848

01:14:36,070 --> 01:14:35,520

coming from your own guides the way to

1849

01:14:39,830 --> 01:14:36,080

do this

1850

01:14:41,910 --> 01:14:39,840

is think of learning a language

1851
01:14:43,750 --> 01:14:41,920
you go to a new country and you don't

1852
01:14:46,870 --> 01:14:43,760
understand

1853
01:14:48,630 --> 01:14:46,880
anything but they probably have water

1854
01:14:51,669 --> 01:14:48,640
and you have water too

1855
01:14:53,110 --> 01:14:51,679
so get a cup fill it with water put your

1856
01:14:55,510 --> 01:14:53,120
finger in it

1857
01:14:57,189 --> 01:14:55,520
say wet and say water water and show it

1858
01:14:58,630 --> 01:14:57,199
to them they'll smile

1859
01:15:00,950 --> 01:14:58,640
and they'll say the word in that

1860
01:15:04,229 --> 01:15:00,960
language for water

1861
01:15:06,149 --> 01:15:04,239
so if you go to angola in africa

1862
01:15:07,590 --> 01:15:06,159
and you stick your finger in that cup of

1863
01:15:09,110 --> 01:15:07,600

water

1864

01:15:11,990 --> 01:15:09,120

they're going to look at your look at

1865

01:15:15,270 --> 01:15:12,000

you and say agua

1866

01:15:18,790 --> 01:15:17,030

and then you can repeat that word well

1867

01:15:21,110 --> 01:15:18,800

it just goes downhill from there

1868

01:15:23,750 --> 01:15:21,120

you can learn the language that way by

1869

01:15:25,669 --> 01:15:23,760

building your vocabulary

1870

01:15:27,030 --> 01:15:25,679

on certain things that you see around

1871

01:15:29,669 --> 01:15:27,040

you learning

1872

01:15:31,189 --> 01:15:29,679

to understand and get in contact with

1873

01:15:32,950 --> 01:15:31,199

your guides

1874

01:15:34,790 --> 01:15:32,960

is essentially the same process but it

1875

01:15:37,189 --> 01:15:34,800

goes much much faster

1876
01:15:38,870 --> 01:15:37,199
because you're not learning words you're

1877
01:15:42,550 --> 01:15:38,880
learning to identify

1878
01:15:45,270 --> 01:15:42,560
thoughts which you already understand

1879
01:15:47,350 --> 01:15:45,280
when somebody looks at something and

1880
01:15:48,870 --> 01:15:47,360
sees something happening

1881
01:15:50,550 --> 01:15:48,880
they open the door and they walk out of

1882
01:15:51,910 --> 01:15:50,560
their house or apartment and they see

1883
01:15:53,030 --> 01:15:51,920
something falling from the sky they

1884
01:15:55,990 --> 01:15:53,040
don't have to sit and look at it and

1885
01:15:57,910 --> 01:15:56,000
then formulate words to describe it

1886
01:15:59,750 --> 01:15:57,920
quite the contrary you look up at it and

1887
01:16:01,030 --> 01:15:59,760
you see it you know immediately what it

1888
01:16:03,270 --> 01:16:01,040

is

1889

01:16:04,390 --> 01:16:03,280

it's almost instant that's how thoughts

1890

01:16:07,590 --> 01:16:04,400

will come

1891

01:16:09,990 --> 01:16:07,600

from guardian angels and guides

1892

01:16:11,669 --> 01:16:10,000

they'll come that quickly that instantly

1893

01:16:14,709 --> 01:16:11,679

and they will come

1894

01:16:17,590 --> 01:16:14,719

very clearly that's another

1895

01:16:19,590 --> 01:16:17,600

very strong indicator that a person is

1896

01:16:19,990 --> 01:16:19,600

getting good telepathic information from

1897

01:16:23,830 --> 01:16:20,000

their own

1898

01:16:26,870 --> 01:16:23,840

guys the insight and the information

1899

01:16:27,669 --> 01:16:26,880

seems to come very clearly especially

1900

01:16:31,189 --> 01:16:27,679

when it comes

1901

01:16:32,149 --> 01:16:31,199

on the other end of a well-formulated

1902

01:16:36,630 --> 01:16:32,159

question

1903

01:16:38,310 --> 01:16:36,640

some people find it beneficial to write

1904

01:16:39,990 --> 01:16:38,320

out the question with words

1905

01:16:41,590 --> 01:16:40,000

other people don't do that at all they

1906

01:16:42,390 --> 01:16:41,600

just formulate the question in their

1907

01:16:45,270 --> 01:16:42,400

mind

1908

01:16:46,830 --> 01:16:45,280

but the effort that is invested in

1909

01:16:50,229 --> 01:16:46,840

formulating a clear

1910

01:16:52,950 --> 01:16:50,239

question draws the answer forward

1911

01:16:55,590 --> 01:16:52,960

and the answer will come back with

1912

01:16:58,550 --> 01:16:55,600

amazing surprising clarity

1913

01:17:00,709 --> 01:16:58,560

as long as the person understands that

1914

01:17:03,110 --> 01:17:00,719

they are not quote unquote remembering

1915

01:17:05,189 --> 01:17:03,120

something that they already knew

1916

01:17:06,310 --> 01:17:05,199

oh yeah i just remembered that no you

1917

01:17:08,390 --> 01:17:06,320

didn't just remember that

1918

01:17:10,790 --> 01:17:08,400

your guides told you they're helping you

1919

01:17:13,669 --> 01:17:10,800

out they're communicating with you

1920

01:17:14,630 --> 01:17:13,679

just as walking around in that new

1921

01:17:17,189 --> 01:17:14,640

country

1922

01:17:17,750 --> 01:17:17,199

learning the word for cup and water and

1923

01:17:20,229 --> 01:17:17,760

ground

1924

01:17:22,229 --> 01:17:20,239

and doorknob and shoelace and all these

1925

01:17:23,990 --> 01:17:22,239

other things

1926

01:17:26,470 --> 01:17:24,000

come by pointing at them and getting

1927

01:17:29,189 --> 01:17:26,480

somebody to tell you the word

1928

01:17:30,310 --> 01:17:29,199

in the same way as a person asks

1929

01:17:32,709 --> 01:17:30,320

questions

1930

01:17:34,550 --> 01:17:32,719

and concentrates on the thought that

1931

01:17:38,229 --> 01:17:34,560

comes to them

1932

01:17:40,790 --> 01:17:38,239

after they complete their question

1933

01:17:42,830 --> 01:17:40,800

they'll get into contact and will

1934

01:17:46,229 --> 01:17:42,840

surprise themselves at how

1935

01:17:48,630 --> 01:17:46,239

quickly in some cases a matter of days

1936

01:17:50,390 --> 01:17:48,640

typically in a matter of weeks certainly

1937

01:17:52,149 --> 01:17:50,400

within a month

1938

01:17:54,070 --> 01:17:52,159

they are suddenly getting all this

1939

01:17:55,590 --> 01:17:54,080

information

1940

01:17:57,590 --> 01:17:55,600

and they were always getting it they

1941

01:18:00,790 --> 01:17:57,600

just didn't know it

1942

01:18:02,870 --> 01:18:00,800

so that's how you do it essentially

1943

01:18:04,709 --> 01:18:02,880

so just a quick reminder for those

1944

01:18:07,030 --> 01:18:04,719

watching and maybe those just

1945

01:18:08,390 --> 01:18:07,040

tuning in if you would like to ask a

1946

01:18:10,149 --> 01:18:08,400

question of patrick

1947

01:18:12,229 --> 01:18:10,159

please make sure you have the three

1948

01:18:14,310 --> 01:18:12,239

stars before your sentence

1949

01:18:16,070 --> 01:18:14,320

they'll pop out at me knowing that this

1950

01:18:18,310 --> 01:18:16,080

is a question for patrick and

1951

01:18:19,590 --> 01:18:18,320

it'll be easy for me to relay it so

1952

01:18:22,229 --> 01:18:19,600

please just remember

1953

01:18:23,910 --> 01:18:22,239

three stars uh it's basically i think

1954

01:18:26,070 --> 01:18:23,920

shift eight

1955

01:18:27,990 --> 01:18:26,080

with the little star on top and uh

1956

01:18:29,990 --> 01:18:28,000

they'll help me out a great deal

1957

01:18:32,070 --> 01:18:30,000

so patrick the next question i have here

1958

01:18:36,709 --> 01:18:32,080

is uh if i can find my

1959

01:18:41,350 --> 01:18:39,910

it's from uh monocle of mayhem semper

1960

01:18:44,229 --> 01:18:41,360

type

1961

01:18:44,950 --> 01:18:44,239

says is there a secret space program and

1962

01:18:48,310 --> 01:18:44,960

is there a

1963

01:18:52,390 --> 01:18:48,320

mars colony uh

1964

01:18:53,510 --> 01:18:52,400

yes to both space operations and

1965

01:18:57,030 --> 01:18:53,520

exploration

1966

01:19:00,470 --> 01:18:57,040

have been more or less secret

1967

01:19:02,229 --> 01:19:00,480

since they were begun large

1968

01:19:03,830 --> 01:19:02,239

what seem to be large bits of

1969

01:19:07,750 --> 01:19:03,840

information are given

1970

01:19:12,550 --> 01:19:07,760

out to the general public but

1971

01:19:19,270 --> 01:19:16,229

we know this and my guides tell me this

1972

01:19:21,110 --> 01:19:19,280

from the earliest days of aviation

1973

01:19:23,510 --> 01:19:21,120

within i don't know how soon but it must

1974

01:19:26,390 --> 01:19:23,520

have been within 20 minutes

1975

01:19:27,110 --> 01:19:26,400

after they built a biplane that could

1976

01:19:30,790 --> 01:19:27,120

fly around

1977

01:19:32,149 --> 01:19:30,800

pretty reliably to a certain altitude

1978

01:19:34,830 --> 01:19:32,159

and for a certain distance

1979

01:19:36,149 --> 01:19:34,840

you know i'm talking like you know 1910

1980

01:19:38,630 --> 01:19:36,159

1915

1981

01:19:41,189 --> 01:19:38,640

i think the first flight was uh well it

1982

01:19:43,110 --> 01:19:41,199

was a brazilian who did it

1983

01:19:44,709 --> 01:19:43,120

was the first person to fly although the

1984

01:19:45,750 --> 01:19:44,719

wright brothers in north carolina were

1985

01:19:47,750 --> 01:19:45,760

given the credit but they were the

1986

01:19:50,950 --> 01:19:47,760

second ones

1987

01:19:52,950 --> 01:19:50,960

by 1910 certainly 1915 they had aircraft

1988

01:19:55,110 --> 01:19:52,960

that could pretty much fly around

1989

01:19:57,270 --> 01:19:55,120

what was being done with them well one

1990

01:20:00,790 --> 01:19:57,280

of the first uses was

1991

01:20:02,870 --> 01:20:00,800

was uh military well when

1992

01:20:05,350 --> 01:20:02,880

space travel and exploration sending

1993

01:20:07,030 --> 01:20:05,360

rockets up

1994

01:20:08,790 --> 01:20:07,040

was developed again same thing happened

1995

01:20:09,669 --> 01:20:08,800

who were the leaders in rocket

1996

01:20:11,030 --> 01:20:09,679

technology

1997

01:20:12,790 --> 01:20:11,040

germans and what did they do with the

1998

01:20:17,110 --> 01:20:12,800

rockets

1999

01:20:20,229 --> 01:20:17,120

weapons so airplanes and air travel

2000

01:20:23,189 --> 01:20:20,239

and the ability to control the skies

2001

01:20:24,790 --> 01:20:23,199

created which still exists until today

2002

01:20:28,709 --> 01:20:24,800

military superiority

2003

01:20:32,470 --> 01:20:28,719

well as soon as we could put satellites

2004

01:20:34,870 --> 01:20:32,480

into orbit around earth starting in the

2005

01:20:37,430 --> 01:20:34,880

1950s with the soviet sputnik

2006

01:20:39,510 --> 01:20:37,440

satellite it became very apparent to

2007

01:20:42,790 --> 01:20:39,520

world leaders and governments

2008

01:20:43,270 --> 01:20:42,800

that space exploration and orbiting

2009

01:20:46,950 --> 01:20:43,280

earth

2010

01:20:49,990 --> 01:20:46,960

certainly represented great tactical

2011

01:20:51,990 --> 01:20:50,000

informational and military advantages

2012

01:20:53,669 --> 01:20:52,000

well that's the case until today

2013

01:20:54,790 --> 01:20:53,679

recently about two years ago the united

2014

01:20:57,910 --> 01:20:54,800

states created

2015

01:20:59,750 --> 01:20:57,920

a sixth armed force called the united

2016

01:21:02,709 --> 01:20:59,760

states space force

2017

01:21:03,510 --> 01:21:02,719

i think up until now it is considered a

2018

01:21:07,189 --> 01:21:03,520

department

2019

01:21:07,910 --> 01:21:07,199

or a sub-military division of the united

2020

01:21:10,870 --> 01:21:07,920

states

2021

01:21:13,110 --> 01:21:10,880

air force but it is simply an

2022

01:21:15,030 --> 01:21:13,120

acknowledgement or a confirmation

2023

01:21:16,470 --> 01:21:15,040

of what has been going on for decades

2024

01:21:17,430 --> 01:21:16,480

already they're not really doing

2025

01:21:20,950 --> 01:21:17,440

anything new

2026

01:21:23,270 --> 01:21:20,960

it's just being formalized and given its

2027

01:21:26,550 --> 01:21:23,280

own name identity logo

2028

01:21:28,310 --> 01:21:26,560

and hierarchy for the purposes of

2029

01:21:30,709 --> 01:21:28,320

developing it

2030

01:21:32,629 --> 01:21:30,719

and and refining it but the united

2031

01:21:34,149 --> 01:21:32,639

states by no means is the only nation

2032

01:21:35,510 --> 01:21:34,159

that does this

2033

01:21:38,070 --> 01:21:35,520

it's just the only nation that has

2034

01:21:39,669 --> 01:21:38,080

formalized it into a military force

2035

01:21:41,189 --> 01:21:39,679

certainly russia has done it for a long

2036

01:21:42,470 --> 01:21:41,199

time the united kingdom and other

2037

01:21:45,990 --> 01:21:42,480

countries

2038

01:21:47,510 --> 01:21:46,000

well known but what we are allowed to

2039

01:21:50,070 --> 01:21:47,520

know

2040

01:21:51,990 --> 01:21:50,080

in the general public is a minority

2041

01:21:53,830 --> 01:21:52,000

portion of the total information

2042

01:21:55,990 --> 01:21:53,840

and the activities most of it is kept

2043

01:21:59,590 --> 01:21:56,000

concealed so to answer the question

2044

01:22:03,350 --> 01:21:59,600

about is there a secret space program

2045

01:22:05,189 --> 01:22:03,360

yes many secrets involved

2046

01:22:06,950 --> 01:22:05,199

many things being done that the general

2047

01:22:10,950 --> 01:22:06,960

public might even consider

2048

01:22:13,510 --> 01:22:10,960

criminal but what sort of laws apply to

2049

01:22:15,270 --> 01:22:13,520

outer space

2050

01:22:17,669 --> 01:22:15,280

i guess it only really matters what you

2051

01:22:18,229 --> 01:22:17,679

do to the people and the human beings on

2052

01:22:21,590 --> 01:22:18,239

the ground

2053

01:22:22,870 --> 01:22:21,600

or flying around in the atmosphere uh

2054

01:22:24,870 --> 01:22:22,880

and again we're never going to know

2055

01:22:25,669 --> 01:22:24,880

anything about that uh the second part

2056

01:22:26,870 --> 01:22:25,679

of that question

2057

01:22:30,310 --> 01:22:26,880

is what was the second part of that

2058

01:22:33,750 --> 01:22:30,320

question again is there a colony on mars

2059

01:22:37,950 --> 01:22:33,760

human colony no

2060

01:22:39,430 --> 01:22:37,960

uh but are is there a presence of alien

2061

01:22:42,790 --> 01:22:39,440

extraterrestrials

2062

01:22:44,550 --> 01:22:42,800

and other beings on mars yes

2063

01:22:46,870 --> 01:22:44,560

beings that we can't see and don't

2064

01:22:49,910 --> 01:22:46,880

understand what we would generally

2065

01:22:52,470 --> 01:22:49,920

categorize as alien extraterrestrials

2066

01:22:54,470 --> 01:22:52,480

but they don't live there in the sense

2067

01:22:56,149 --> 01:22:54,480

that humans would see a colony

2068

01:22:57,910 --> 01:22:56,159

humans can't live on mars because

2069

01:23:00,950 --> 01:22:57,920

there's almost no atmosphere

2070

01:23:02,950 --> 01:23:00,960

i think relative to the earth mars has

2071

01:23:04,470 --> 01:23:02,960

like five percent

2072

01:23:06,470 --> 01:23:04,480

of earth's atmosphere so there's almost

2073

01:23:09,189 --> 01:23:06,480

nothing there that could be

2074

01:23:11,189 --> 01:23:09,199

that could be breathed anyway if a

2075

01:23:12,629 --> 01:23:11,199

colony were created on mars it would

2076

01:23:14,790 --> 01:23:12,639

have to be similar to for example a

2077

01:23:16,709 --> 01:23:14,800

colony created on the moon

2078

01:23:18,310 --> 01:23:16,719

it would have to have artificial air it

2079

01:23:20,629 --> 01:23:18,320

would have to be enclosed

2080

01:23:21,510 --> 01:23:20,639

etc there's nothing like that on mars

2081

01:23:24,830 --> 01:23:21,520

but there

2082

01:23:26,550 --> 01:23:24,840

is a regular presence of alien

2083

01:23:30,470 --> 01:23:26,560

extraterrestrial

2084

01:23:33,990 --> 01:23:32,149

and yes humans are there visiting all

2085

01:23:37,669 --> 01:23:34,000

the time

2086

01:23:40,709 --> 01:23:37,679

again we know about a portion of that

2087

01:23:42,709 --> 01:23:40,719

humans from the secret space program

2088

01:23:44,229 --> 01:23:42,719

yes and we're allowed to know things

2089

01:23:45,590 --> 01:23:44,239

about the mars rover

2090

01:23:47,350 --> 01:23:45,600

and we're allowed to know things about

2091

01:23:48,950 --> 01:23:47,360

satellites that go and

2092

01:23:50,629 --> 01:23:48,960

orbit the planet and take pictures but

2093

01:23:52,790 --> 01:23:50,639

we're not told everything that's going

2094

01:24:01,750 --> 01:23:52,800

on

2095

01:24:08,070 --> 01:24:05,030

no apology required ah found it again

2096

01:24:13,390 --> 01:24:08,080

this one is from charlie salvato

2097

01:24:17,750 --> 01:24:15,510

u-r-a-n-t-i-a do you know what that is

2098

01:24:18,629 --> 01:24:17,760

patrick no what do you know what is that

2099

01:24:21,750 --> 01:24:18,639

i don't know

2100

01:24:22,470 --> 01:24:21,760

i'm sorry i should but i apologize i'm

2101

01:24:24,390 --> 01:24:22,480

sorry uh

2102

01:24:25,990 --> 01:24:24,400

charlie if you can please just give a

2103

01:24:28,830 --> 01:24:26,000

little um

2104

01:24:30,470 --> 01:24:28,840

little background information on what it

2105

01:24:33,030 --> 01:24:30,480

is

2106

01:24:34,310 --> 01:24:33,040

asking a good question with a brief

2107

01:24:36,870 --> 01:24:34,320

explanation

2108

01:24:37,669 --> 01:24:36,880

is the mechanism that draws the

2109

01:24:40,950 --> 01:24:37,679

information

2110

01:24:43,110 --> 01:24:40,960

out just by

2111

01:24:46,470 --> 01:24:43,120

throwing out a label often for me that

2112

01:24:49,590 --> 01:24:48,229

if a robber comes up to you and waves a

2113

01:24:51,110 --> 01:24:49,600

knife at you and says give me what you

2114

01:24:55,189 --> 01:24:51,120

got

2115

01:24:56,629 --> 01:24:55,199

what does he want presumably money

2116

01:24:58,070 --> 01:24:56,639

but what if you pull out the money and

2117

01:24:59,590 --> 01:24:58,080

then he says i don't want that he slaps

2118

01:25:01,830 --> 01:24:59,600

it out of your hand onto the ground

2119

01:25:03,430 --> 01:25:01,840

i said give me what you got now you're

2120

01:25:05,910 --> 01:25:03,440

into a guessing game

2121

01:25:07,270 --> 01:25:05,920

so explaining a little bit sure really

2122

01:25:09,270 --> 01:25:07,280

helps

2123

01:25:11,030 --> 01:25:09,280

yeah they might they might have it later

2124

01:25:14,310 --> 01:25:11,040

on in the in the the chat

2125

01:25:14,650 --> 01:25:14,320

so the the next question i see uh is

2126

01:25:15,910 --> 01:25:14,660

from

2127

01:25:19,030 --> 01:25:15,920

[Music]

2128

01:25:22,229 --> 01:25:19,040

omega point singularity says do you know

2129

01:25:27,830 --> 01:25:22,239

anything about the 20

2130

01:25:29,430 --> 01:25:27,840

i guess they want to say black secret

2131

01:25:29,990 --> 01:25:29,440

space program because it says back

2132

01:25:33,990 --> 01:25:30,000

secret

2133

01:25:37,830 --> 01:25:34,000

where they use

2134

01:25:42,070 --> 01:25:37,840

uh you as a slave and age repression

2135

01:25:44,870 --> 01:25:42,080

and put you back in time um

2136

01:25:46,550 --> 01:25:44,880

no i don't okay sometimes the way the

2137

01:25:46,950 --> 01:25:46,560

questions are asked i get they can be

2138

01:25:49,990 --> 01:25:46,960

very

2139

01:25:51,669 --> 01:25:50,000

what's the word um shocking

2140

01:25:53,669 --> 01:25:51,679

in certain things that have been hidden

2141

01:25:55,430 --> 01:25:53,679

from us but sometimes i can't tell if

2142

01:25:56,390 --> 01:25:55,440

somebody's being sarcastic or if they're

2143

01:25:59,030 --> 01:25:56,400

really

2144

01:26:00,470 --> 01:25:59,040

um just just throwing something out

2145

01:26:03,990 --> 01:26:00,480

there seeing what sticks

2146

01:26:05,590 --> 01:26:04,000

so if you have no info i get it

2147

01:26:07,910 --> 01:26:05,600

well what happens i can say in general

2148

01:26:09,830 --> 01:26:07,920

is i often get asked questions that

2149

01:26:11,270 --> 01:26:09,840

sometimes the question or knows

2150

01:26:14,470 --> 01:26:11,280

sometimes they don't know

2151
01:26:15,030 --> 01:26:14,480
there is a criminal element to it i

2152
01:26:18,149 --> 01:26:15,040
almost

2153
01:26:19,750 --> 01:26:18,159
always draw a blank when it comes to

2154
01:26:22,470 --> 01:26:19,760
criminality questions i

2155
01:26:25,110 --> 01:26:22,480
certainly in every case draw a question

2156
01:26:27,990 --> 01:26:25,120
a draw blank when it comes to

2157
01:26:31,189 --> 01:26:28,000
criminal liability or innocence for

2158
01:26:33,910 --> 01:26:31,199
individual people or groups of them

2159
01:26:35,669 --> 01:26:33,920
i sometimes will get information as to

2160
01:26:38,870 --> 01:26:35,679
the background or an explanation

2161
01:26:41,910 --> 01:26:38,880
of a criminal issue in general

2162
01:26:45,669 --> 01:26:41,920
but i don't get i don't get names

2163
01:26:47,189 --> 01:26:45,679

just real quick michael wrote it says 20

2164

01:26:48,790 --> 01:26:47,199
and back in time travel are you

2165

01:26:52,149 --> 01:26:48,800
referring to the

2166

01:26:53,830 --> 01:26:52,159
20 they've been uh that's the

2167

01:26:55,270 --> 01:26:53,840
the stories on the internet that's

2168

01:26:57,510 --> 01:26:55,280
basically say

2169

01:26:59,350 --> 01:26:57,520
uh there were 20 people that were doing

2170

01:27:00,790 --> 01:26:59,360
this exchange program with a certain

2171

01:27:02,390 --> 01:27:00,800
type of alien races

2172

01:27:04,070 --> 01:27:02,400
is that what you're referring to if you

2173

01:27:07,350 --> 01:27:04,080
can give me more info in chat then

2174

01:27:09,990 --> 01:27:07,360
i know i'll know to ask patrick

2175

01:27:11,310 --> 01:27:10,000
okay i can speak to that a little bit

2176
01:27:14,790 --> 01:27:11,320
all

2177
01:27:18,149 --> 01:27:14,800
interplanetary travel

2178
01:27:21,350 --> 01:27:18,159
is time travel because

2179
01:27:25,030 --> 01:27:21,360
this involves the perception of time

2180
01:27:33,030 --> 01:27:28,149
let's say a human being could hover

2181
01:27:37,430 --> 01:27:33,040
over earth at an altitude of

2182
01:27:39,510 --> 01:27:37,440
30 000 feet so somebody is at sea level

2183
01:27:41,510 --> 01:27:39,520
and they go 30 000 feet up well the

2184
01:27:42,629 --> 01:27:41,520
tallest mountain on earth is about 28

2185
01:27:44,870 --> 01:27:42,639
000

2186
01:27:46,629 --> 01:27:44,880
so that mountain will pass below that

2187
01:27:48,629 --> 01:27:46,639
well that

2188
01:27:50,310 --> 01:27:48,639

in in practice that can't be done

2189

01:27:52,790 --> 01:27:50,320

because earth rotates

2190

01:27:54,950 --> 01:27:52,800

but the atmosphere rotates also and

2191

01:27:58,229 --> 01:27:54,960

earth rotates at a speed of about

2192

01:28:00,709 --> 01:27:58,239

a thousand miles an hour uh

2193

01:28:01,910 --> 01:28:00,719

the circumference of earth is about 24

2194

01:28:05,430 --> 01:28:01,920

000 miles or 40

2195

01:28:08,550 --> 01:28:05,440

000 kilometers so earth makes one full

2196

01:28:10,070 --> 01:28:08,560

rotation in 24 hours

2197

01:28:12,229 --> 01:28:10,080

uh we know that for a fact that's how

2198

01:28:14,950 --> 01:28:12,239

that's time that's clocks

2199

01:28:16,709 --> 01:28:14,960

so earth is moving every hour about

2200

01:28:19,030 --> 01:28:16,719

sixteen hundred kilometers times twenty

2201
01:28:21,430 --> 01:28:19,040
four it's forty thousand

2202
01:28:22,950 --> 01:28:21,440
but the atmosphere moves along with it

2203
01:28:25,110 --> 01:28:22,960
because if the atmosphere

2204
01:28:26,709 --> 01:28:25,120
stayed still that means anything on the

2205
01:28:28,229 --> 01:28:26,719
surface would encounter winds of a

2206
01:28:29,910 --> 01:28:28,239
thousand miles an hour

2207
01:28:31,350 --> 01:28:29,920
so you know that that's a joke right

2208
01:28:34,149 --> 01:28:31,360
there but

2209
01:28:34,709 --> 01:28:34,159
let's assume that the ability to hover

2210
01:28:38,790 --> 01:28:34,719
above

2211
01:28:40,629 --> 01:28:38,800
earth without wind affecting us

2212
01:28:43,750 --> 01:28:40,639
were possible so we're hovering at

2213
01:28:45,510 --> 01:28:43,760

thirty 000 feet well what would happen

2214

01:28:47,110 --> 01:28:45,520

well if you stayed in the same spot and

2215

01:28:48,229 --> 01:28:47,120

you waited 24 hours and you looked at

2216

01:28:50,950 --> 01:28:48,239

your watch

2217

01:28:52,950 --> 01:28:50,960

the very exact point that you were above

2218

01:28:55,669 --> 01:28:52,960

when you lifted up vertically would pass

2219

01:28:57,430 --> 01:28:55,679

below you 24 hours later

2220

01:29:00,229 --> 01:28:57,440

so let's say you go and you look over

2221

01:29:02,229 --> 01:29:00,239

and you can see the sun

2222

01:29:03,830 --> 01:29:02,239

as you hover above earth well if you

2223

01:29:05,510 --> 01:29:03,840

stay in the same position

2224

01:29:08,390 --> 01:29:05,520

you're still going to see the sun 24

2225

01:29:11,189 --> 01:29:08,400

hours later the sun doesn't rise

2226

01:29:11,990 --> 01:29:11,199

and the sun doesn't set it stays right

2227

01:29:13,430 --> 01:29:12,000

there

2228

01:29:15,110 --> 01:29:13,440

the only reason the sun looks like it's

2229

01:29:15,510 --> 01:29:15,120

rising or setting because you're on the

2230

01:29:16,709 --> 01:29:15,520

earth

2231

01:29:19,990 --> 01:29:16,719

you're on the surface and the surface

2232

01:29:23,110 --> 01:29:20,000

moves and that's time

2233

01:29:24,629 --> 01:29:23,120

because time is the changing angle of

2234

01:29:27,669 --> 01:29:24,639

the sunlight

2235

01:29:29,910 --> 01:29:27,679

uh that's that's how a sundial works

2236

01:29:31,030 --> 01:29:29,920

and pretty much every analog wristwatch

2237

01:29:34,229 --> 01:29:31,040

does what

2238

01:29:36,790 --> 01:29:34,239

it's a facsimile of a sundial which in

2239

01:29:38,550 --> 01:29:36,800

itself is just a depiction of earth

2240

01:29:39,990 --> 01:29:38,560

then we have digital clocks that we just

2241

01:29:41,669 --> 01:29:40,000

decide to assign numbers and then the

2242

01:29:44,070 --> 01:29:41,679

digital clock counts the numbers

2243

01:29:46,550 --> 01:29:44,080

same difference but if we hover above

2244

01:29:49,110 --> 01:29:46,560

earth without leaving the atmosphere

2245

01:29:49,910 --> 01:29:49,120

just hover above the surface high enough

2246

01:29:51,669 --> 01:29:49,920

so that

2247

01:29:53,030 --> 01:29:51,679

no mountains or surface features are

2248

01:29:55,990 --> 01:29:53,040

going to hit us

2249

01:29:57,990 --> 01:29:56,000

and stay there we'll watch the ground

2250

01:30:01,030 --> 01:29:58,000

moving underneath us at a thousand miles

2251
01:30:06,149 --> 01:30:04,310
and time stops because the sun doesn't

2252
01:30:07,990 --> 01:30:06,159
rise and the sun doesn't set

2253
01:30:09,830 --> 01:30:08,000
that's staying in earth's atmosphere

2254
01:30:11,510 --> 01:30:09,840
imagine if we leave the atmosphere

2255
01:30:13,110 --> 01:30:11,520
and we start traveling out across the

2256
01:30:15,110 --> 01:30:13,120
solar system

2257
01:30:16,629 --> 01:30:15,120
so we know that okay this is how fast

2258
01:30:19,510 --> 01:30:16,639
earth rotates around the sun

2259
01:30:21,430 --> 01:30:19,520
this is how fast mars rotates around the

2260
01:30:22,950 --> 01:30:21,440
sun so we just calculate the distance

2261
01:30:24,950 --> 01:30:22,960
and the changing angle

2262
01:30:26,229 --> 01:30:24,960
and we aim ourselves and we launch the

2263
01:30:28,310 --> 01:30:26,239

satellite and off we go

2264

01:30:30,390 --> 01:30:28,320

and after the amount of time we've

2265

01:30:31,030 --> 01:30:30,400

calculated at the speed we're going to

2266

01:30:33,270 --> 01:30:31,040

travel

2267

01:30:37,030 --> 01:30:33,280

after that passes what happens we get to

2268

01:30:38,870 --> 01:30:37,040

mars and we've already done this

2269

01:30:40,470 --> 01:30:38,880

what time is it is we're crossing that

2270

01:30:42,870 --> 01:30:40,480

distance

2271

01:30:45,830 --> 01:30:42,880

well there's no time because there's no

2272

01:30:49,030 --> 01:30:45,840

sunrise there's no sunset

2273

01:30:52,470 --> 01:30:49,040

so time measurement devices that we have

2274

01:30:55,430 --> 01:30:52,480

don't exist so what happens we're time

2275

01:30:56,070 --> 01:30:55,440

traveling so when somebody says what

2276

01:30:59,189 --> 01:30:56,080

about time

2277

01:31:00,629 --> 01:30:59,199

travelers with earth it's very easy to

2278

01:31:02,310 --> 01:31:00,639

time travel all you have to do is just

2279

01:31:04,310 --> 01:31:02,320

put somebody into orbit

2280

01:31:05,590 --> 01:31:04,320

and put them into orbit in an orbit that

2281

01:31:07,189 --> 01:31:05,600

goes in the opposite direction of the

2282

01:31:09,830 --> 01:31:07,199

rotation of earth

2283

01:31:10,950 --> 01:31:09,840

and what happens time stops they time

2284

01:31:13,510 --> 01:31:10,960

travel

2285

01:31:15,030 --> 01:31:13,520

from there on in it only becomes a

2286

01:31:18,310 --> 01:31:15,040

matter of

2287

01:31:21,669 --> 01:31:18,320

how do we time travel now in

2288

01:31:25,350 --> 01:31:21,679

practice the idea of time travel means

2289

01:31:28,950 --> 01:31:25,360

how to time travel between

2290

01:31:32,070 --> 01:31:28,960

different segments of the earth calendar

2291

01:31:33,750 --> 01:31:32,080

timeline well that can be done also but

2292

01:31:37,270 --> 01:31:33,760

it cannot be done

2293

01:31:39,030 --> 01:31:37,280

in our three dimensionality exist

2294

01:31:40,870 --> 01:31:39,040

three dimension existence we have to

2295

01:31:43,990 --> 01:31:40,880

move to a higher dimensionality

2296

01:31:47,669 --> 01:31:44,000

that we're not part of or we have

2297

01:31:50,709 --> 01:31:47,679

to have the technology to attain

2298

01:31:52,950 --> 01:31:50,719

velocities above the speed of light

2299

01:31:55,830 --> 01:31:52,960

well above the speed of light which our

2300

01:31:59,510 --> 01:31:55,840

alien extraterrestrial visitor friends

2301

01:32:03,510 --> 01:31:59,520

have and have shown us

2302

01:32:05,430 --> 01:32:03,520

bits and pieces of to certain

2303

01:32:07,030 --> 01:32:05,440

military representatives let's put it

2304

01:32:10,310 --> 01:32:07,040

that way

2305

01:32:14,149 --> 01:32:10,320

the question is referring to

2306

01:32:17,270 --> 01:32:14,159

very rudimentary and basic experiments

2307

01:32:21,510 --> 01:32:17,280

that have been attempted with the

2308

01:32:25,430 --> 01:32:21,520

tiny tiny crumbs of information

2309

01:32:28,790 --> 01:32:25,440

that have been given to us by alien

2310

01:32:30,310 --> 01:32:28,800

extraterrestrial visitors all of this

2311

01:32:32,310 --> 01:32:30,320

all this foregoing information by the

2312

01:32:33,830 --> 01:32:32,320

way is coming from my guardian angel

2313

01:32:35,189 --> 01:32:33,840

guides

2314

01:32:36,790 --> 01:32:35,199

i personally don't know anything about

2315

01:32:37,830 --> 01:32:36,800

time frame i'm just giving the

2316

01:32:40,229 --> 01:32:37,840

information i get

2317

01:32:42,229 --> 01:32:40,239

i got more info there was basically

2318

01:32:46,229 --> 01:32:42,239

saying

2319

01:32:50,950 --> 01:32:46,239

apparently there's this 20

2320

01:32:54,790 --> 01:32:50,960

um 20 people or so that are taken

2321

01:32:57,350 --> 01:32:54,800

to a different time for

2322

01:32:59,110 --> 01:32:57,360

i'm sorry either 20 years to 20 people i

2323

01:33:02,070 --> 01:32:59,120

take it to a different time

2324

01:33:04,390 --> 01:33:02,080

to do some certain i guess slave work

2325

01:33:07,030 --> 01:33:04,400

and then take him back to the original

2326

01:33:08,470 --> 01:33:07,040

time period this was i think that's

2327

01:33:10,470 --> 01:33:08,480

they're referring to i don't know if you

2328

01:33:11,510 --> 01:33:10,480

my guides are saying the specific answer

2329

01:33:14,390 --> 01:33:11,520

to that question

2330

01:33:16,790 --> 01:33:14,400

is you the questioner have to locate

2331

01:33:18,070 --> 01:33:16,800

those people and you have to ask them

2332

01:33:19,910 --> 01:33:18,080

and they will they will tell you what

2333

01:33:22,390 --> 01:33:19,920

you want to know okay

2334

01:33:23,750 --> 01:33:22,400

so this is not your place say my guides

2335

01:33:25,910 --> 01:33:23,760

it is not your place

2336

01:33:27,590 --> 01:33:25,920

to interfere in their lives and it is

2337

01:33:29,270 --> 01:33:27,600

not a part of your life

2338

01:33:31,030 --> 01:33:29,280

to have this information information

2339

01:33:34,310 --> 01:33:31,040

interfere with yours

2340

01:33:36,950 --> 01:33:34,320

beyond the value of entertainment which

2341

01:33:38,070 --> 01:33:36,960

you are having now which is fine say my

2342

01:33:39,669 --> 01:33:38,080

guides but

2343

01:33:41,350 --> 01:33:39,679

to know more you will have to locate

2344

01:33:42,790 --> 01:33:41,360

these people and ask them directly

2345

01:33:44,229 --> 01:33:42,800

and hopefully they will share with you

2346

01:33:45,750 --> 01:33:44,239

what they know and what their experience

2347

01:33:49,510 --> 01:33:45,760

was

2348

01:33:51,750 --> 01:33:49,520

the next question is from bikerx1981

2349

01:33:54,790 --> 01:33:51,760

says do you happen to know any info on

2350

01:33:57,590 --> 01:33:54,800

sasquatch and ufo connections

2351
01:33:58,790 --> 01:33:57,600
uh none essentially the sasquatch or the

2352
01:34:01,830 --> 01:33:58,800
yeti or whatever

2353
01:34:04,870 --> 01:34:01,840
term we want to use for them are

2354
01:34:08,229 --> 01:34:04,880
the natural evolution of species

2355
01:34:11,750 --> 01:34:08,239
on earth they are the most advanced

2356
01:34:15,990 --> 01:34:11,760
animal that has indeed and in fact

2357
01:34:20,870 --> 01:34:16,000
involved evolved on earth naturally

2358
01:34:24,229 --> 01:34:20,880
not as a result of creation like humans

2359
01:34:27,350 --> 01:34:24,239
the yeti and the sasquatch

2360
01:34:29,750 --> 01:34:27,360
are interdimensional and

2361
01:34:31,990 --> 01:34:29,760
can essentially at will although not

2362
01:34:34,070 --> 01:34:32,000
instantly

2363
01:34:35,669 --> 01:34:34,080

make themselves invisible and disappear

2364

01:34:37,990 --> 01:34:35,679

for brief periods of time and then

2365

01:34:40,470 --> 01:34:38,000

return

2366

01:34:42,550 --> 01:34:40,480

they are generally more intelligent than

2367

01:34:44,870 --> 01:34:42,560

humans overall they're very perceptive

2368

01:34:47,270 --> 01:34:44,880

they're very large physically they have

2369

01:34:52,070 --> 01:34:47,280

met with alien extraterrestrials

2370

01:34:55,950 --> 01:34:52,080

many times so there is that connection

2371

01:34:59,109 --> 01:34:55,960

but they are not a product of alien

2372

01:35:02,070 --> 01:34:59,119

extraterrestrial uh

2373

01:35:04,870 --> 01:35:02,080

activity they are a natural they are a

2374

01:35:06,950 --> 01:35:04,880

natural species to the planet earth

2375

01:35:08,310 --> 01:35:06,960

they are very wary of human beings and

2376

01:35:10,070 --> 01:35:08,320

they hide from us because they know that

2377

01:35:13,270 --> 01:35:10,080

we're very dangerous

2378

01:35:14,790 --> 01:35:13,280

how are we dangerous just ask a pack of

2379

01:35:16,870 --> 01:35:14,800

wolves pack of coyotes

2380

01:35:18,709 --> 01:35:16,880

fox what do they do when they know

2381

01:35:21,750 --> 01:35:18,719

there's a human around

2382

01:35:24,229 --> 01:35:21,760

they hide they run why because they know

2383

01:35:26,709 --> 01:35:24,239

humans are bad news for them

2384

01:35:28,390 --> 01:35:26,719

well the sasquatch of the yeti know the

2385

01:35:30,390 --> 01:35:28,400

same thing

2386

01:35:32,629 --> 01:35:30,400

and they know that there is a chance

2387

01:35:35,109 --> 01:35:32,639

depending on who the human is

2388

01:35:36,470 --> 01:35:35,119

a human might attack them or do

2389

01:35:37,910 --> 01:35:36,480

something unpleasant and

2390

01:35:39,750 --> 01:35:37,920

like most living beings they will

2391

01:35:41,990 --> 01:35:39,760

attempt to defend themselves

2392

01:35:43,350 --> 01:35:42,000

well who wants that they would just

2393

01:35:46,310 --> 01:35:43,360

prefer to avoid it

2394

01:35:47,910 --> 01:35:46,320

since having an encounter with a human

2395

01:35:52,149 --> 01:35:47,920

generally provides for them

2396

01:35:52,790 --> 01:35:52,159

no benefit it's only potential bad news

2397

01:35:55,430 --> 01:35:52,800

for them

2398

01:35:59,910 --> 01:35:55,440

so they avoid it just like most animals

2399

01:36:06,790 --> 01:36:02,709

the other question is do you have any

2400

01:36:09,910 --> 01:36:06,800

information on the q and on movement

2401
01:36:10,629 --> 01:36:09,920
uh just a little bit i've heard the name

2402
01:36:13,750 --> 01:36:10,639
and

2403
01:36:14,470 --> 01:36:13,760
i'm being told that a good deal of the

2404
01:36:18,870 --> 01:36:14,480
initial

2405
01:36:22,229 --> 01:36:18,880
information that was offered

2406
01:36:25,270 --> 01:36:22,239
is accurate but that

2407
01:36:30,629 --> 01:36:25,280
observers and outside participants

2408
01:36:36,870 --> 01:36:33,750
to an almost unrecognizable version of

2409
01:36:40,870 --> 01:36:36,880
its original self when it came about in

2410
01:36:42,950 --> 01:36:40,880
they're telling me 2017 2018

2411
01:36:45,430 --> 01:36:42,960
several years ago when it first uh came

2412
01:36:47,350 --> 01:36:45,440
on the scene

2413
01:36:49,510 --> 01:36:47,360

uh the next question i've gotten this

2414

01:36:50,950 --> 01:36:49,520

before is

2415

01:36:52,709 --> 01:36:50,960

who are the human beings and what are

2416

01:36:53,350 --> 01:36:52,719

their names and the answer my guides

2417

01:36:55,350 --> 01:36:53,360

give me

2418

01:36:56,870 --> 01:36:55,360

it is certainly not our place or yours

2419

01:36:59,750 --> 01:36:56,880

to know this or reveal it

2420

01:37:00,310 --> 01:36:59,760

the people involved will do so at the

2421

01:37:04,470 --> 01:37:00,320

time

2422

01:37:08,470 --> 01:37:04,480

they believe it is to their and

2423

01:37:08,480 --> 01:37:12,550

okay the next question is from

2424

01:37:16,310 --> 01:37:14,390

um i believe you might have answered

2425

01:37:18,709 --> 01:37:16,320

this in one way or another from

2426

01:37:20,310 --> 01:37:18,719

uh jen said says are the public ready

2427

01:37:23,350 --> 01:37:20,320

for alien interaction

2428

01:37:28,629 --> 01:37:23,360

basically finding out that we've been

2429

01:37:32,950 --> 01:37:31,590

that information yes they are my guides

2430

01:37:37,990 --> 01:37:32,960

are telling me that

2431

01:37:41,189 --> 01:37:38,000

depending on how alien extraterrestrials

2432

01:37:44,870 --> 01:37:41,199

present themselves in a larger way

2433

01:37:47,830 --> 01:37:44,880

to mankind humans are very ready for it

2434

01:37:49,669 --> 01:37:47,840

the problem is the general human

2435

01:37:53,270 --> 01:37:49,679

population

2436

01:37:57,270 --> 01:37:53,280

has deliberately and affirmatively

2437

01:38:00,629 --> 01:37:57,280

created the notion of the sovereign

2438

01:38:01,669 --> 01:38:00,639

state and the government the sovereign

2439

01:38:05,510 --> 01:38:01,679

state has to have

2440

01:38:06,390 --> 01:38:05,520

in order to be one what's an example of

2441

01:38:08,070 --> 01:38:06,400

a sovereign nation

2442

01:38:09,750 --> 01:38:08,080

russia does russia have no government

2443

01:38:11,750 --> 01:38:09,760

quite the contrary

2444

01:38:14,070 --> 01:38:11,760

well how did that government get created

2445

01:38:17,189 --> 01:38:14,080

it was entirely and solely due

2446

01:38:20,550 --> 01:38:17,199

to human decision activity

2447

01:38:23,750 --> 01:38:20,560

there was no evil force or benef

2448

01:38:24,790 --> 01:38:23,760

beneficent force from mars that came to

2449

01:38:27,590 --> 01:38:24,800

earth and said

2450

01:38:28,870 --> 01:38:27,600

let me create brazil colombia russia

2451
01:38:32,790 --> 01:38:28,880
thailand

2452
01:38:37,109 --> 01:38:32,800
and australia

2453
01:38:40,229 --> 01:38:37,119
this is all human creation so

2454
01:38:41,669 --> 01:38:40,239
for aliens to reveal themselves means

2455
01:38:45,750 --> 01:38:41,679
they would have to go

2456
01:38:46,709 --> 01:38:45,760
around the very human societies and

2457
01:38:49,669 --> 01:38:46,719
structures

2458
01:38:50,870 --> 01:38:49,679
we have created we haven't given them

2459
01:38:54,629 --> 01:38:50,880
permission

2460
01:38:57,350 --> 01:38:54,639
to do that most humans are completely

2461
01:38:59,189 --> 01:38:57,360
unaware of that

2462
01:39:00,629 --> 01:38:59,199
most humans don't understand that

2463
01:39:02,550 --> 01:39:00,639

collectively

2464

01:39:03,990 --> 01:39:02,560

the human race very much has the

2465

01:39:06,470 --> 01:39:04,000

authority

2466

01:39:07,510 --> 01:39:06,480

we call it a general referendum that's

2467

01:39:09,350 --> 01:39:07,520

the concept

2468

01:39:12,310 --> 01:39:09,360

to certainly collectively get together

2469

01:39:15,350 --> 01:39:12,320

and invite the aliens to show themselves

2470

01:39:18,229 --> 01:39:15,360

and say let's pick the united states

2471

01:39:20,550 --> 01:39:18,239

300 i think 20 million people more than

2472

01:39:23,750 --> 01:39:20,560

200 million adults certainly

2473

01:39:26,870 --> 01:39:23,760

what if 150 out of the 200 million

2474

01:39:29,910 --> 01:39:26,880

adults in the united states

2475

01:39:32,149 --> 01:39:29,920

said to alien extraterrestrials i don't

2476

01:39:33,750 --> 01:39:32,159

care what anybody in washington dc or

2477

01:39:35,750 --> 01:39:33,760

any military organization

2478

01:39:37,270 --> 01:39:35,760

or any secret police or what have you

2479

01:39:40,070 --> 01:39:37,280

says

2480

01:39:43,830 --> 01:39:40,080

come show yourselves to us they would

2481

01:39:47,990 --> 01:39:47,030

but how do we get 100 or 150 million

2482

01:39:51,109 --> 01:39:48,000

people

2483

01:39:54,550 --> 01:39:51,119

or less even a significant number

2484

01:39:55,990 --> 01:39:54,560

5 percent 10 percent to truly believe

2485

01:39:58,070 --> 01:39:56,000

and say that

2486

01:39:59,109 --> 01:39:58,080

and as soon as someone starts to say

2487

01:40:03,390 --> 01:39:59,119

that

2488

01:40:06,310 --> 01:40:03,400

what happens the disinformation

2489

01:40:08,470 --> 01:40:06,320

misinformation campaign begins

2490

01:40:10,950 --> 01:40:08,480

how does it begin well for example just

2491

01:40:12,550 --> 01:40:10,960

look at most humans interest in alien

2492

01:40:15,030 --> 01:40:12,560

extraterrestrials revolves around

2493

01:40:16,390 --> 01:40:15,040

thrills and entertainment most humans

2494

01:40:19,830 --> 01:40:16,400

don't want to

2495

01:40:23,990 --> 01:40:19,840

know anything the aliens can tell us

2496

01:40:25,189 --> 01:40:24,000

about mankind about our societies and

2497

01:40:28,070 --> 01:40:25,199

about our future

2498

01:40:29,350 --> 01:40:28,080

no no no no no most humans want to hear

2499

01:40:30,950 --> 01:40:29,360

about human history

2500

01:40:33,510 --> 01:40:30,960

they want to see gadgets they want to

2501

01:40:36,790 --> 01:40:33,520

see ray guns they want to see spaceships

2502

01:40:40,149 --> 01:40:36,800

and they want to go wow and be

2503

01:40:41,990 --> 01:40:40,159

fascinated and thrilled by

2504

01:40:44,070 --> 01:40:42,000

all the differences between aliens and

2505

01:40:45,750 --> 01:40:44,080

us aliens are not here to entertain us

2506

01:40:46,709 --> 01:40:45,760

or thrill us

2507

01:40:49,109 --> 01:40:46,719

because if they were they would have

2508

01:40:51,990 --> 01:40:49,119

done it already no no

2509

01:40:54,390 --> 01:40:52,000

no no quite the country however they're

2510

01:40:57,590 --> 01:40:54,400

our friends our cousins and they love us

2511

01:40:59,669 --> 01:40:57,600

they would be happy to contact us

2512

01:41:00,870 --> 01:40:59,679

in a very broad way we have to invite

2513

01:41:04,550 --> 01:41:00,880

them

2514

01:41:07,350 --> 01:41:04,560

and when the people we put in charge

2515

01:41:07,910 --> 01:41:07,360

the people that we decide are going to

2516

01:41:11,590 --> 01:41:07,920

lead us

2517

01:41:14,390 --> 01:41:11,600

and speak for us object which they do

2518

01:41:15,270 --> 01:41:14,400

all the time on a hundred different

2519

01:41:18,390 --> 01:41:15,280

issues

2520

01:41:21,669 --> 01:41:18,400

every week do that again

2521

01:41:24,470 --> 01:41:21,679

when those people object once again

2522

01:41:25,430 --> 01:41:24,480

and tell anybody oh no you're crazy

2523

01:41:27,590 --> 01:41:25,440

you're nuts

2524

01:41:29,109 --> 01:41:27,600

you don't know what you're doing what

2525

01:41:32,470 --> 01:41:29,119

will we do

2526

01:41:35,350 --> 01:41:32,480

will we override them and

2527

01:41:37,510 --> 01:41:35,360

and kick them aside mentally and say to

2528

01:41:39,030 --> 01:41:37,520

the aliens don't listen to them

2529

01:41:41,830 --> 01:41:39,040

how many people are there in government

2530

01:41:44,149 --> 01:41:41,840

200 000 how many of us are here

2531

01:41:45,669 --> 01:41:44,159

inviting you 100 million and the aliens

2532

01:41:47,109 --> 01:41:45,679

would say

2533

01:41:49,910 --> 01:41:47,119

you win the election and they would show

2534

01:41:52,709 --> 01:41:49,920

right up how much they would tell

2535

01:41:54,070 --> 01:41:52,719

us how much they would show us would

2536

01:41:55,830 --> 01:41:54,080

depend on

2537

01:41:58,870 --> 01:41:55,840

how prepared they believe we are to

2538

01:42:02,629 --> 01:41:58,880

handle the information to our benefit

2539

01:42:06,149 --> 01:42:02,639

not for the purposes of entertainment

2540

01:42:09,430 --> 01:42:06,159

and thrills which is unfortunately

2541

01:42:10,310 --> 01:42:09,440

the general focus that most people have

2542

01:42:11,669 --> 01:42:10,320

there's nothing wrong with being

2543

01:42:12,790 --> 01:42:11,679

thrilled or entertained everybody likes

2544

01:42:15,990 --> 01:42:12,800

to go to the movies

2545

01:42:17,990 --> 01:42:16,000

especially me but that's not the

2546

01:42:19,350 --> 01:42:18,000

the the beginning and the end of it so

2547

01:42:21,510 --> 01:42:19,360

when we do it all together

2548

01:42:22,790 --> 01:42:21,520

we'll have those aliens arrive and show

2549

01:42:25,270 --> 01:42:22,800

themselves to us

2550

01:42:25,910 --> 01:42:25,280

they're pushing this and and and

2551
01:42:27,270 --> 01:42:25,920
bringing it

2552
01:42:29,430 --> 01:42:27,280
higher and higher in the level of

2553
01:42:31,990 --> 01:42:29,440
consciousness by revealing

2554
01:42:33,830 --> 01:42:32,000
their presence more and more often in

2555
01:42:37,109 --> 01:42:33,840
ways that they know

2556
01:42:40,149 --> 01:42:37,119
we are going to pick up on camera

2557
01:42:44,870 --> 01:42:40,159
and so often so many people will see it

2558
01:42:47,830 --> 01:42:46,550
and sometimes they want ratings and

2559
01:42:49,270 --> 01:42:47,840
they're thrilled so they'll take

2560
01:42:50,790 --> 01:42:49,280
somebody's video and they'll put it on

2561
01:42:53,590 --> 01:42:50,800
the air and somebody will see it

2562
01:42:55,030 --> 01:42:53,600
and that's how it's going okay i hope

2563
01:42:57,830 --> 01:42:55,040

i've answered that question

2564

01:43:00,070 --> 01:42:57,840

patrick how are you doing um i can you

2565

01:43:02,870 --> 01:43:00,080

take some more questions so i'm turnt to

2566

01:43:03,590 --> 01:43:02,880

taking a cue from you um i already

2567

01:43:06,790 --> 01:43:03,600

appreciate

2568

01:43:08,550 --> 01:43:06,800

the time you've already given my guides

2569

01:43:11,350 --> 01:43:08,560

are energizing me

2570

01:43:12,229 --> 01:43:11,360

okay good deal so next question is from

2571

01:43:15,990 --> 01:43:12,239

uh

2572

01:43:20,149 --> 01:43:16,000

patrick patrick's thoughts on the

2573

01:43:24,310 --> 01:43:20,159

theory that some et's people

2574

01:43:26,629 --> 01:43:24,320

uh see i'm sorry the sentence kind of

2575

01:43:27,669 --> 01:43:26,639

basically saying what's your theory that

2576

01:43:31,430 --> 01:43:27,679

some of the

2577

01:43:32,149 --> 01:43:31,440

et's are actually very advanced humans

2578

01:43:35,430 --> 01:43:32,159

from the

2579

01:43:38,550 --> 01:43:35,440

distant future coming back to study us

2580

01:43:47,030 --> 01:43:38,560

yes that's true

2581

01:43:52,629 --> 01:43:50,149

uh there's says this one is from

2582

01:43:53,510 --> 01:43:52,639

i sky high since i think we are all

2583

01:43:57,189 --> 01:43:53,520

curious about

2584

01:44:00,629 --> 01:43:57,199

what elon musk role may be in any of the

2585

01:44:04,149 --> 01:44:00,639

um this monocle of mayhem

2586

01:44:05,590 --> 01:44:04,159

semper fi type what is the relationship

2587

01:44:09,189 --> 01:44:05,600

and significance with

2588

01:44:11,350 --> 01:44:09,199

rh so i'm sorry there was just a

2589

01:44:12,390 --> 01:44:11,360

whole scrumble scrum scramble message so

2590

01:44:15,830 --> 01:44:12,400

maybe two

2591

01:44:18,470 --> 01:44:15,840

one is what's elon musk's role in

2592

01:44:19,350 --> 01:44:18,480

in this and the other one would be

2593

01:44:23,510 --> 01:44:19,360

regarding the

2594

01:44:30,229 --> 01:44:26,629

okay what's elon musk's role in what

2595

01:44:34,149 --> 01:44:30,239

um in role

2596

01:44:36,790 --> 01:44:34,159

role me being any of in any of this

2597

01:44:39,270 --> 01:44:36,800

or something like that well he's getting

2598

01:44:41,750 --> 01:44:39,280

involved in space exploration

2599

01:44:44,390 --> 01:44:41,760

as everybody knows publicly what my

2600

01:44:47,910 --> 01:44:44,400

guides are telling me is that

2601
01:44:48,550 --> 01:44:47,920
he is doing this half with the blessing

2602
01:44:51,910 --> 01:44:48,560
of and

2603
01:44:54,070 --> 01:44:51,920
half resisted by the space

2604
01:44:55,430 --> 01:44:54,080
force authorities i was talking about

2605
01:44:58,229 --> 01:44:55,440
earlier

2606
01:44:59,430 --> 01:44:58,239
they're very happy to have him lift the

2607
01:45:02,310 --> 01:44:59,440
profile

2608
01:45:04,149 --> 01:45:02,320
of space exploration with his company

2609
01:45:04,709 --> 01:45:04,159
called spacex that's what my guys were

2610
01:45:08,390 --> 01:45:04,719
telling me

2611
01:45:13,189 --> 01:45:11,030
because it's a sort of positive

2612
01:45:15,510 --> 01:45:13,199
publicity

2613
01:45:17,350 --> 01:45:15,520

that they like that isn't associated

2614

01:45:19,270 --> 01:45:17,360

with

2615

01:45:21,910 --> 01:45:19,280

uh military activity or government

2616

01:45:24,470 --> 01:45:21,920

activity so that that part they like

2617

01:45:25,430 --> 01:45:24,480

but what they don't like is that he

2618

01:45:28,390 --> 01:45:25,440

might

2619

01:45:29,510 --> 01:45:28,400

discover learn or do things that don't

2620

01:45:33,109 --> 01:45:29,520

completely

2621

01:45:36,790 --> 01:45:33,119

coordinate with

2622

01:45:39,510 --> 01:45:36,800

what the the military interests have

2623

01:45:40,870 --> 01:45:39,520

and like any high-profile business

2624

01:45:44,470 --> 01:45:40,880

person

2625

01:45:48,709 --> 01:45:44,480

he is exposed to

2626

01:45:51,990 --> 01:45:48,719

deception and espionage

2627

01:45:54,390 --> 01:45:52,000

so could sinister interests

2628

01:45:55,189 --> 01:45:54,400

infiltrate his organization for their

2629

01:45:57,189 --> 01:45:55,199

own ends

2630

01:45:58,870 --> 01:45:57,199

to the detriment of for example the

2631

01:46:02,149 --> 01:45:58,880

united states

2632

01:46:04,229 --> 01:46:02,159

that's a low risk but it's never a zero

2633

01:46:05,669 --> 01:46:04,239

risk

2634

01:46:07,270 --> 01:46:05,679

so my guides are telling me that's the

2635

01:46:09,189 --> 01:46:07,280

other part of it that the public will

2636

01:46:13,350 --> 01:46:09,199

never know about

2637

01:46:16,870 --> 01:46:13,360

in general okay

2638

01:46:20,229 --> 01:46:16,880

what it was i guess i sky high copied

2639

01:46:22,149 --> 01:46:20,239

the previous comment from monocle monaco

2640

01:46:23,750 --> 01:46:22,159

i was also asking about

2641

01:46:26,229 --> 01:46:23,760

uh what is the relationship and

2642

01:46:26,790 --> 01:46:26,239

significance with the rh negative blood

2643

01:46:38,709 --> 01:46:26,800

type

2644

01:46:41,229 --> 01:46:38,719

in humans say my guides

2645

01:46:42,709 --> 01:46:41,239

occur for reasons that biologically and

2646

01:46:47,669 --> 01:46:42,719

anthropologically

2647

01:46:55,430 --> 01:46:52,070

the current form of the human body

2648

01:46:58,070 --> 01:46:55,440

is the result of contributions of dna

2649

01:47:00,550 --> 01:46:58,080

from many alien extraterrestrial

2650

01:47:02,709 --> 01:47:00,560

civilizations many of them fairly minor

2651
01:47:03,910 --> 01:47:02,719
but important for certain systems in the

2652
01:47:06,550 --> 01:47:03,920
human body

2653
01:47:08,310 --> 01:47:06,560
circulatory and muscular immune systems

2654
01:47:10,790 --> 01:47:08,320
and many others

2655
01:47:12,390 --> 01:47:10,800
including the different blood types to

2656
01:47:15,590 --> 01:47:12,400
serve different purposes so

2657
01:47:17,590 --> 01:47:15,600
it could be argued yes that there is a

2658
01:47:18,870 --> 01:47:17,600
connection to alien extraterrestrials

2659
01:47:21,830 --> 01:47:18,880
and that

2660
01:47:22,310 --> 01:47:21,840
the genetic programming to produce

2661
01:47:25,109 --> 01:47:22,320
different

2662
01:47:26,709 --> 01:47:25,119
blood types and factors a positive a

2663
01:47:27,990 --> 01:47:26,719

negative or positive or negative and

2664

01:47:29,510 --> 01:47:28,000

what have you

2665

01:47:31,590 --> 01:47:29,520

is attributed to the alien

2666

01:47:34,390 --> 01:47:31,600

extraterrestrial contributions

2667

01:47:36,229 --> 01:47:34,400

and creation of human beings but beyond

2668

01:47:38,709 --> 01:47:36,239

that initial phase

2669

01:47:39,669 --> 01:47:38,719

there's no ongoing connection today

2670

01:47:41,510 --> 01:47:39,679

aliens are not

2671

01:47:44,870 --> 01:47:41,520

influencing human blood or blood types

2672

01:47:44,880 --> 01:47:48,550

the other question

2673

01:47:56,149 --> 01:47:51,750

is from chris griff head

2674

01:48:00,149 --> 01:47:56,159

um it says uh does he know if covad19 is

2675

01:48:04,550 --> 01:48:00,159

radiation poisoning yes i know

2676

01:48:06,629 --> 01:48:04,560

no it is not um

2677

01:48:11,189 --> 01:48:06,639

now i'm curious what is that regarding

2678

01:48:15,030 --> 01:48:12,870

can you maybe go a little bit into that

2679

01:48:18,629 --> 01:48:15,040

so that clarifies more

2680

01:48:21,430 --> 01:48:18,639

yes the virus was created

2681

01:48:22,629 --> 01:48:21,440

it was released in china just as

2682

01:48:25,590 --> 01:48:22,639

everyone suspects

2683

01:48:26,470 --> 01:48:25,600

even though no official confirmation of

2684

01:48:28,870 --> 01:48:26,480

this

2685

01:48:32,149 --> 01:48:28,880

has been given and my guides are telling

2686

01:48:34,790 --> 01:48:32,159

me no official confirmation ever will

2687

01:48:35,430 --> 01:48:34,800

but it was pretty obvious that the first

2688

01:48:37,590 --> 01:48:35,440

outbreak

2689

01:48:38,790 --> 01:48:37,600
occurred in a market that they're

2690

01:48:40,709 --> 01:48:38,800
willing to talk about but

2691

01:48:42,870 --> 01:48:40,719
it occurred in a city certainly whether

2692

01:48:44,790 --> 01:48:42,880
it was the market or elsewhere

2693

01:48:48,070 --> 01:48:44,800
doesn't matter it occurred in a city

2694

01:48:51,430 --> 01:48:48,080
that contain a biological lab

2695

01:48:54,149 --> 01:48:51,440
well it doesn't take it doesn't take

2696

01:48:55,590 --> 01:48:54,159
my guides or any other mysterious

2697

01:48:57,350 --> 01:48:55,600
information

2698

01:49:00,870 --> 01:48:57,360
to connect those dots it's pretty

2699

01:49:04,550 --> 01:49:00,880
obvious what they are telling me is that

2700

01:49:08,470 --> 01:49:04,560
it's a human-created virus

2701

01:49:11,030 --> 01:49:08,480

it was developed by

2702

01:49:13,750 --> 01:49:11,040

the chinese political opposition in

2703

01:49:17,510 --> 01:49:13,760

other words the political opposition

2704

01:49:20,310 --> 01:49:17,520

against the chinese communist party

2705

01:49:21,910 --> 01:49:20,320

in power the dynamic between the

2706

01:49:22,790 --> 01:49:21,920

political leadership and the political

2707

01:49:24,470 --> 01:49:22,800

opposition

2708

01:49:26,149 --> 01:49:24,480

in china is no different than it is in

2709

01:49:27,350 --> 01:49:26,159

any sovereign nation or any human

2710

01:49:29,030 --> 01:49:27,360

society

2711

01:49:30,229 --> 01:49:29,040

there's one group of party that hud's

2712

01:49:33,030 --> 01:49:30,239

the power there's the other group that

2713

01:49:37,350 --> 01:49:35,910

but very often in many democratic

2714

01:49:38,870 --> 01:49:37,360

societies there are different parts of

2715

01:49:40,070 --> 01:49:38,880

the governments there are separations of

2716

01:49:42,629 --> 01:49:40,080

power

2717

01:49:44,070 --> 01:49:42,639

and different parts of the government

2718

01:49:45,910 --> 01:49:44,080

are controlled by different parts of

2719

01:49:48,229 --> 01:49:45,920

different political parties

2720

01:49:49,669 --> 01:49:48,239

like the united states europe etc not so

2721

01:49:51,189 --> 01:49:49,679

much the case in china pretty much the

2722

01:49:53,830 --> 01:49:51,199

chinese communist party

2723

01:49:55,589 --> 01:49:53,840

controls a lot of what goes on so

2724

01:49:55,990 --> 01:49:55,599

there's a political opposition in the

2725

01:49:59,430 --> 01:49:56,000

political

2726
01:50:02,709 --> 01:49:59,440
opposition they're not boy scouts

2727
01:50:03,990 --> 01:50:02,719
and but they were duped they believed

2728
01:50:05,189 --> 01:50:04,000
that they were developing something on

2729
01:50:07,990 --> 01:50:05,199
their own

2730
01:50:10,149 --> 01:50:08,000
but there were elements that were

2731
01:50:13,589 --> 01:50:10,159
inserted into their organization

2732
01:50:14,790 --> 01:50:13,599
without the greater knowledge the idea

2733
01:50:18,070 --> 01:50:14,800
was that they would develop

2734
01:50:21,669 --> 01:50:18,080
this virus fairly mild and in terms of

2735
01:50:23,669 --> 01:50:21,679
serious diseases it is fairly mild

2736
01:50:25,510 --> 01:50:23,679
the the death rate is appearing to

2737
01:50:26,550 --> 01:50:25,520
approach something similar but for its

2738
01:50:29,350 --> 01:50:26,560

novelty

2739

01:50:31,109 --> 01:50:29,360

and the relative lack of immunity the

2740

01:50:32,629 --> 01:50:31,119

death rate is appearing to approach

2741

01:50:35,830 --> 01:50:32,639

something not too different

2742

01:50:37,990 --> 01:50:35,840

from the flu the problem is

2743

01:50:39,109 --> 01:50:38,000

we're having a lot more people seem to

2744

01:50:39,830 --> 01:50:39,119

get it because there's a lot more

2745

01:50:41,189 --> 01:50:39,840

testing

2746

01:50:43,589 --> 01:50:41,199

most people that get the flu don't quit

2747

01:50:45,589 --> 01:50:43,599

run down to get a flu test

2748

01:50:47,350 --> 01:50:45,599

and many people might have mild flu

2749

01:50:48,870 --> 01:50:47,360

symptoms they don't go get a flu test

2750

01:50:50,550 --> 01:50:48,880

so we don't know how many people get the

2751
01:50:52,550 --> 01:50:50,560
flu virus every year

2752
01:50:54,310 --> 01:50:52,560
plus because many people get the flu

2753
01:50:55,910 --> 01:50:54,320
it's a known disease it occurs all the

2754
01:50:58,629 --> 01:50:55,920
time

2755
01:51:00,149 --> 01:50:58,639
there is a relatively higher immunity

2756
01:51:01,430 --> 01:51:00,159
and everybody knows this this is coming

2757
01:51:04,390 --> 01:51:01,440
from my guides

2758
01:51:06,229 --> 01:51:04,400
this particular variation was

2759
01:51:07,669 --> 01:51:06,239
intentionally created in a lab from a

2760
01:51:08,950 --> 01:51:07,679
virus which has been identified and

2761
01:51:10,390 --> 01:51:08,960
known about for many decades the

2762
01:51:13,510 --> 01:51:10,400
coronavirus

2763
01:51:17,189 --> 01:51:13,520

but this this iteration of it the idea

2764

01:51:20,470 --> 01:51:17,199

was because it's new and therefore

2765

01:51:22,629 --> 01:51:20,480

more likely to cause sickness or

2766

01:51:23,270 --> 01:51:22,639

hospitalization and in some cases death

2767

01:51:24,870 --> 01:51:23,280

and

2768

01:51:27,030 --> 01:51:24,880

again this is in the news they've

2769

01:51:29,109 --> 01:51:27,040

identified who is much more likely to

2770

01:51:30,550 --> 01:51:29,119

have serious complications or pass away

2771

01:51:32,709 --> 01:51:30,560

and that's a person with underlying

2772

01:51:34,390 --> 01:51:32,719

medical conditions

2773

01:51:36,870 --> 01:51:34,400

people that are generally healthy and or

2774

01:51:38,310 --> 01:51:36,880

don't have those medical conditions

2775

01:51:40,070 --> 01:51:38,320

are very likely going to come out of it

2776

01:51:43,109 --> 01:51:40,080

okay or recover

2777

01:51:44,950 --> 01:51:43,119

uh for the most part that doesn't

2778

01:51:46,310 --> 01:51:44,960

mean that it's okay it's not when people

2779

01:51:47,750 --> 01:51:46,320

are getting sick and dying that's always

2780

01:51:49,750 --> 01:51:47,760

terrible but people are getting sick and

2781

01:51:53,030 --> 01:51:49,760

dying from things all the time

2782

01:51:54,070 --> 01:51:53,040

so that that part isn't new but what my

2783

01:51:58,390 --> 01:51:54,080

guides told me

2784

01:52:03,189 --> 01:51:58,400

is that there were greater forces

2785

01:52:06,550 --> 01:52:03,199

at work and these forces did this

2786

01:52:09,589 --> 01:52:06,560

with several specific intentions

2787

01:52:12,629 --> 01:52:09,599

one intent was to cause

2788

01:52:14,229 --> 01:52:12,639

a mass reaction through not only the

2789

01:52:17,990 --> 01:52:14,239

release of the virus and its

2790

01:52:19,910 --> 01:52:18,000

spread but also an information campaign

2791

01:52:23,430 --> 01:52:19,920

which essentially amounts to

2792

01:52:26,709 --> 01:52:23,440

propaganda the objective behind this

2793

01:52:28,550 --> 01:52:26,719

is to create generalized fear and the

2794

01:52:30,470 --> 01:52:28,560

imposition of restrictions which we have

2795

01:52:32,310 --> 01:52:30,480

seen around the world

2796

01:52:33,830 --> 01:52:32,320

these restrictions have created an

2797

01:52:37,189 --> 01:52:33,840

economic downturn

2798

01:52:39,430 --> 01:52:37,199

this was intentional for two purposes

2799

01:52:41,750 --> 01:52:39,440

one of them was to create the opening

2800

01:52:43,510 --> 01:52:41,760

for economic downturn

2801
01:52:45,270 --> 01:52:43,520
which would be used politically to

2802
01:52:45,990 --> 01:52:45,280
remove the president of the united

2803
01:52:49,189 --> 01:52:46,000
states

2804
01:52:51,189 --> 01:52:49,199
which it was uh through a number of

2805
01:52:52,310 --> 01:52:51,199
means including mail-in ballots and

2806
01:52:55,910 --> 01:52:52,320
election

2807
01:52:58,950 --> 01:52:55,920
uh twisting and it happened

2808
01:53:00,149 --> 01:52:58,960
that was one part of it and the other

2809
01:53:03,189 --> 01:53:00,159
was to cause

2810
01:53:05,030 --> 01:53:03,199
general economic downturn and

2811
01:53:09,510 --> 01:53:05,040
unhappiness

2812
01:53:12,070 --> 01:53:09,520
further enhancing financial control

2813
01:53:13,669 --> 01:53:12,080

over the world's economies by the

2814

01:53:16,390 --> 01:53:13,679

central banks

2815

01:53:17,589 --> 01:53:16,400

and the hidden powers behind them who

2816

01:53:21,350 --> 01:53:17,599

manipulate

2817

01:53:27,109 --> 01:53:22,550

that's from my guides i hope that

2818

01:53:30,310 --> 01:53:27,119

answers the question

2819

01:53:30,870 --> 01:53:30,320

patrick uh what about um this is a

2820

01:53:32,950 --> 01:53:30,880

question

2821

01:53:34,709 --> 01:53:32,960

for me actually something that i saw on

2822

01:53:37,189 --> 01:53:34,719

your website about

2823

01:53:37,990 --> 01:53:37,199

uh the current administration that he

2824

01:53:40,070 --> 01:53:38,000

would

2825

01:53:41,830 --> 01:53:40,080

uh not make the full term what do you

2826

01:53:45,990 --> 01:53:41,840

know about that

2827

01:53:47,510 --> 01:53:46,000

he won't uh as things are going

2828

01:53:49,109 --> 01:53:47,520

my guides they're not giving me a

2829

01:53:52,470 --> 01:53:49,119

timetable they're not

2830

01:53:54,470 --> 01:53:52,480

giving me dates but they are saying

2831

01:53:56,550 --> 01:53:54,480

certainly will not make it to reelection

2832

01:53:59,030 --> 01:53:56,560

might not make it to the midterms but

2833

01:54:02,149 --> 01:53:59,040

this was understood and planned

2834

01:54:03,350 --> 01:54:02,159

from the beginning of the process the

2835

01:54:06,390 --> 01:54:03,360

vice president

2836

01:54:08,790 --> 01:54:06,400

in power at the moment is the proxy

2837

01:54:10,709 --> 01:54:08,800

for the 44th the former president united

2838

01:54:15,109 --> 01:54:10,719

states the 44th

2839

01:54:17,830 --> 01:54:15,119

who is leading the political power

2840

01:54:19,750 --> 01:54:17,840

behind the scenes through a number of

2841

01:54:23,910 --> 01:54:19,760

mechanisms

2842

01:54:26,709 --> 01:54:23,920

the objective is to elevate

2843

01:54:28,310 --> 01:54:26,719

the current vice president to the office

2844

01:54:32,950 --> 01:54:28,320

of the presidency

2845

01:54:34,830 --> 01:54:32,960

and then in turn have a loyal

2846

01:54:37,350 --> 01:54:34,840

deputy the word i'm being told the

2847

01:54:39,350 --> 01:54:37,360

senator appointed as the new vice

2848

01:54:42,470 --> 01:54:39,360

president

2849

01:54:45,910 --> 01:54:42,480

and the objective here is to

2850

01:54:49,189 --> 01:54:45,920

gain complete control

2851

01:54:50,790 --> 01:54:49,199

of the us government by

2852

01:54:55,350 --> 01:54:50,800

the party now controlling the white

2853

01:54:58,709 --> 01:54:57,109

i'm not getting specifics as to the

2854

01:54:59,910 --> 01:54:58,719

timeline right

2855

01:55:02,070 --> 01:54:59,920

just exactly when this is going to

2856

01:55:03,669 --> 01:55:02,080

happen but this is the plan and it is

2857

01:55:07,990 --> 01:55:03,679

unfolding

2858

01:55:10,709 --> 01:55:08,000

as we watch the news yeah you just um

2859

01:55:12,390 --> 01:55:10,719

triggered a rabbit hole of questions

2860

01:55:14,629 --> 01:55:12,400

within me but i figured we can

2861

01:55:17,030 --> 01:55:14,639

do this some other time let me get to

2862

01:55:19,750 --> 01:55:17,040

some more questions if that's okay

2863

01:55:21,189 --> 01:55:19,760

sure go ahead um this is from omega

2864

01:55:23,270 --> 01:55:21,199

point singularity

2865

01:55:26,149 --> 01:55:23,280

asking how do you know that your guides

2866

01:55:29,510 --> 01:55:27,350

well because i know the difference

2867

01:55:30,070 --> 01:55:29,520

between good and bad most human beings

2868

01:55:32,550 --> 01:55:30,080

do

2869

01:55:34,229 --> 01:55:32,560

i know that sounds almost childish and i

2870

01:55:37,589 --> 01:55:34,239

don't mean to sound that way

2871

01:55:39,430 --> 01:55:37,599

but very early on in life we learn

2872

01:55:41,109 --> 01:55:39,440

what those differences are not just in

2873

01:55:42,950 --> 01:55:41,119

the things that we see

2874

01:55:44,310 --> 01:55:42,960

and the way people behave but in the

2875

01:55:47,589 --> 01:55:44,320

feelings that we get

2876

01:55:49,669 --> 01:55:47,599

we all know when we are being

2877

01:55:51,189 --> 01:55:49,679

deceived we all know when we're being

2878

01:55:53,189 --> 01:55:51,199

mistreated

2879

01:55:54,950 --> 01:55:53,199

and by the time we're teenagers in

2880

01:55:56,470 --> 01:55:54,960

almost every case

2881

01:55:58,229 --> 01:55:56,480

we learn to recognize when somebody

2882

01:55:58,950 --> 01:55:58,239

gives us a bad feeling or rubs us the

2883

01:56:02,629 --> 01:55:58,960

wrong way

2884

01:56:07,910 --> 01:56:04,229

well after the number of years i've been

2885

01:56:14,709 --> 01:56:12,470

i've gotten better at identifying this

2886

01:56:15,990 --> 01:56:14,719

the type of information i'm just hitting

2887

01:56:18,149 --> 01:56:16,000

the high points

2888

01:56:20,070 --> 01:56:18,159

i have channeled and written and

2889

01:56:25,109 --> 01:56:20,080

published

2890

01:56:27,109 --> 01:56:25,119

i've lost track thousands of pages

2891

01:56:28,870 --> 01:56:27,119

of channelings on a wide variety of

2892

01:56:31,910 --> 01:56:28,880

subjects and had been given

2893

01:56:34,950 --> 01:56:31,920

inside information predictions on things

2894

01:56:36,149 --> 01:56:34,960

with what almost scares me with the rate

2895

01:56:37,990 --> 01:56:36,159

of accuracy

2896

01:56:39,430 --> 01:56:38,000

that i get the information every once in

2897

01:56:41,750 --> 01:56:39,440

a while something is off a little bit or

2898

01:56:43,750 --> 01:56:41,760

needs more of an explanation

2899

01:56:45,189 --> 01:56:43,760

or is just wrong but it's rare my

2900

01:56:46,870 --> 01:56:45,199

accuracy rate

2901
01:56:48,310 --> 01:56:46,880
on predicting the outcomes of things

2902
01:56:51,750 --> 01:56:48,320
when i'm willing to go there

2903
01:56:54,149 --> 01:56:51,760
is north of 95 percent

2904
01:56:56,149 --> 01:56:54,159
no human being is that good i'm

2905
01:56:58,070 --> 01:56:56,159
certainly not

2906
01:57:00,070 --> 01:56:58,080
if i were i'd be in a casino every other

2907
01:57:03,189 --> 01:57:00,080
day

2908
01:57:06,550 --> 01:57:03,199
unfortunately i get no assistance

2909
01:57:08,390 --> 01:57:06,560
playing cards but that's how i know my

2910
01:57:10,390 --> 01:57:08,400
guides are good

2911
01:57:11,430 --> 01:57:10,400
patrick the next question is from deb

2912
01:57:13,750 --> 01:57:11,440
arm

2913
01:57:16,550 --> 01:57:13,760

the question is are there alien hybrid

2914

01:57:21,430 --> 01:57:16,560

beings living among humans today

2915

01:57:26,790 --> 01:57:23,750

what the question really means is are

2916

01:57:31,189 --> 01:57:26,800

there visitors from other planets

2917

01:57:34,950 --> 01:57:31,199

among humans yes a few very few

2918

01:57:37,350 --> 01:57:34,960

impossible to identify or distinguish

2919

01:57:37,990 --> 01:57:37,360

and attention given to this and

2920

01:57:42,070 --> 01:57:38,000

fascination

2921

01:57:42,790 --> 01:57:42,080

with it is a wasted emotion and effort

2922

01:57:45,750 --> 01:57:42,800

it will provide

2923

01:57:46,310 --> 01:57:45,760

no benefit to the human pursuing it if

2924

01:57:48,470 --> 01:57:46,320

you feel

2925

01:57:51,189 --> 01:57:48,480

entertained with the idea that it's a

2926

01:57:53,910 --> 01:57:51,199

possibility that's great

2927

01:57:55,750 --> 01:57:53,920

but getting specific information about

2928

01:57:59,510 --> 01:57:55,760

who and what they're doing

2929

01:58:01,589 --> 01:57:59,520

that's not available not to anybody

2930

01:58:03,030 --> 01:58:01,599

so uh given the subjects that we're

2931

01:58:05,669 --> 01:58:03,040

covering and i know

2932

01:58:06,149 --> 01:58:05,679

how any of this would sound to anybody

2933

01:58:08,310 --> 01:58:06,159

even

2934

01:58:09,990 --> 01:58:08,320

you know the interviews and that i've

2935

01:58:13,109 --> 01:58:10,000

done over all these years

2936

01:58:14,310 --> 01:58:13,119

uh there's one question i think

2937

01:58:15,750 --> 01:58:14,320

i know where they're going with that

2938

01:58:16,870 --> 01:58:15,760

it's up to you if you want to answer it

2939

01:58:19,189 --> 01:58:16,880

or not

2940

01:58:20,229 --> 01:58:19,199

okay good but this one says why did

2941

01:58:23,990 --> 01:58:20,239

private rockets

2942

01:58:27,030 --> 01:58:24,000

shot straight up two separate companies

2943

01:58:29,510 --> 01:58:27,040

and videos stopped spinning like

2944

01:58:32,870 --> 01:58:29,520

brakes were applied did they hit the

2945

01:58:40,070 --> 01:58:37,990

no there's no dome okay

2946

01:58:41,270 --> 01:58:40,080

uh it's the next question is from

2947

01:58:44,629 --> 01:58:41,280

russell

2948

01:58:48,070 --> 01:58:44,639

clearly it says uh was there or

2949

01:58:53,270 --> 01:58:48,080

is there now a alien base in

2950

01:58:57,030 --> 01:58:55,430

landing zone is a better term in human

2951

01:59:01,589 --> 01:58:57,040

language

2952

01:59:07,189 --> 01:59:05,270

is not a good one say my guides

2953

01:59:09,189 --> 01:59:07,199

one example i've been told many times is

2954

01:59:11,270 --> 01:59:09,199

are there alien bases on the dark side

2955

01:59:14,550 --> 01:59:11,280

of the moon or the far side of the moon

2956

01:59:17,589 --> 01:59:15,910

every side of the moon is dark just

2957

01:59:19,030 --> 01:59:17,599

depends

2958

01:59:22,149 --> 01:59:19,040

there's the far side that we can never

2959

01:59:24,229 --> 01:59:22,159

see because the moon doesn't rotate

2960

01:59:25,990 --> 01:59:24,239

the same side always faces us so the

2961

01:59:27,910 --> 01:59:26,000

idea is are there bases no there are

2962

01:59:28,950 --> 01:59:27,920

places where aliens will put down in

2963

01:59:31,830 --> 01:59:28,960

land

2964

01:59:33,189 --> 01:59:31,840

the idea of the base involves some sort

2965

01:59:34,550 --> 01:59:33,199

of permanent construction and

2966

01:59:36,470 --> 01:59:34,560

infrastructure

2967

01:59:37,669 --> 01:59:36,480

with facilities or operations or

2968

01:59:39,510 --> 01:59:37,679

activities

2969

01:59:41,030 --> 01:59:39,520

for example if we have a human military

2970

01:59:44,709 --> 01:59:41,040

base what's there

2971

01:59:45,589 --> 01:59:44,719

dormitory cafeteria an armory et cetera

2972

01:59:47,030 --> 01:59:45,599

et cetera all the things that the

2973

01:59:48,550 --> 01:59:47,040

military base has they don't have any of

2974

01:59:50,790 --> 01:59:48,560

those things there are no civil works

2975

01:59:53,669 --> 01:59:50,800

there's nothing constructed there

2976
01:59:56,390 --> 01:59:53,679
there are locations where they will land

2977
02:00:00,310 --> 01:59:56,400
from time to time yes

2978
02:00:03,270 --> 02:00:00,320
are there any of those in antarctica yes

2979
02:00:05,990 --> 02:00:03,280
but there's no base as such they don't

2980
02:00:10,149 --> 02:00:07,100
the next question

2981
02:00:13,430 --> 02:00:10,159
[Music]

2982
02:00:16,149 --> 02:00:13,440
is um by deb

2983
02:00:17,030 --> 02:00:16,159
r says are cow mutilations related to

2984
02:00:19,830 --> 02:00:17,040
finding or

2985
02:00:26,310 --> 02:00:19,840
manufacturing a perfect food source for

2986
02:00:30,149 --> 02:00:26,320
the alien human hybrids

2987
02:00:32,390 --> 02:00:30,159
no aliens that visit earth

2988
02:00:34,310 --> 02:00:32,400

have already provided for their own

2989

02:00:37,830 --> 02:00:34,320

nutritional needs

2990

02:00:38,870 --> 02:00:37,840

completely independently of us there is

2991

02:00:43,030 --> 02:00:38,880

no

2992

02:00:47,030 --> 02:00:43,040

need for earth materials crops

2993

02:00:51,350 --> 02:00:47,040

minerals chemicals what have you

2994

02:00:53,990 --> 02:00:51,360

to serve as fertilizer or food itself

2995

02:00:55,990 --> 02:00:54,000

for any alien extraterrestrial visitor

2996

02:00:59,430 --> 02:00:56,000

they are not coming to earth

2997

02:01:01,589 --> 02:00:59,440

to mine it for the purposes of foods

2998

02:01:03,990 --> 02:01:01,599

alien hybrids again to answer the

2999

02:01:07,669 --> 02:01:04,000

question all human beings are an alien

3000

02:01:12,149 --> 02:01:10,390

so yes yes is the answer to that part of

3001
02:01:14,950 --> 02:01:12,159
it because all human beings eat the last

3002
02:01:21,669 --> 02:01:18,149
the next question is

3003
02:01:24,149 --> 02:01:21,679
um is from jen jensen

3004
02:01:26,550 --> 02:01:24,159
says do you guys have any information on

3005
02:01:28,550 --> 02:01:26,560
the vaccine

3006
02:01:31,189 --> 02:01:28,560
uh the corona virus vaccine i believe

3007
02:01:32,790 --> 02:01:31,199
that's what it's referring to

3008
02:01:34,950 --> 02:01:32,800
well yes they have information what's

3009
02:01:37,270 --> 02:01:34,960
the question a dentist

3010
02:01:39,109 --> 02:01:37,280
that's all i got maybe yeah i need a

3011
02:01:40,550 --> 02:01:39,119
better friend i'd reiterate more

3012
02:01:42,470 --> 02:01:40,560
so jensen you need to have a more

3013
02:01:46,149 --> 02:01:42,480

specific question right

3014

02:01:49,430 --> 02:01:46,159

okay uh let's see

3015

02:01:52,390 --> 02:01:49,440

um this is from uh

3016

02:01:52,790 --> 02:01:52,400

create head uh what does what does he

3017

02:01:55,910 --> 02:01:52,800

think

3018

02:01:57,350 --> 02:01:55,920

of project looking glass

3019

02:02:02,830 --> 02:01:57,360

what is project looking glass you have

3020

02:02:07,510 --> 02:02:04,310

okay right

3021

02:02:11,109 --> 02:02:07,520

i think i'm if if i'm not getting

3022

02:02:11,910 --> 02:02:11,119

uh uh they might write in to explain

3023

02:02:16,390 --> 02:02:11,920

more

3024

02:02:19,589 --> 02:02:16,400

gotten to the bottom

3025

02:02:23,189 --> 02:02:19,599

of um of this list

3026

02:02:24,870 --> 02:02:23,199

of questions is there um if you want we

3027

02:02:27,270 --> 02:02:24,880

can we can make this be it

3028

02:02:28,310 --> 02:02:27,280

and uh i certainly appreciate you coming

3029

02:02:29,669 --> 02:02:28,320

on unless

3030

02:02:33,910 --> 02:02:29,679

there's something else you would like to

3031

02:02:39,430 --> 02:02:37,750

oh i i could talk about

3032

02:02:41,430 --> 02:02:39,440

zillions of things but it would take me

3033

02:02:43,030 --> 02:02:41,440

some time to organize the different

3034

02:02:44,229 --> 02:02:43,040

topics and go back through my past

3035

02:02:46,070 --> 02:02:44,239

writings and notes

3036

02:02:47,510 --> 02:02:46,080

no i think we've covered the important

3037

02:02:49,189 --> 02:02:47,520

things for the moment

3038

02:02:51,030 --> 02:02:49,199

well i mean i'm sorry to interrupt just

3039

02:02:52,229 --> 02:02:51,040

for those that that want to especially

3040

02:02:53,990 --> 02:02:52,239

because of your website

3041

02:02:55,830 --> 02:02:54,000

the website's in the description below

3042

02:02:57,830 --> 02:02:55,840

guys if you just go to the bottom

3043

02:02:58,950 --> 02:02:57,840

you'll be able to click there there's

3044

02:03:02,470 --> 02:02:58,960

also a link

3045

02:03:04,790 --> 02:03:02,480

to to patrick's alien handbook book

3046

02:03:05,589 --> 02:03:04,800

and please check it out and the website

3047

02:03:08,950 --> 02:03:05,599

is

3048

02:03:11,830 --> 02:03:08,960

uh has a vast amount of information

3049

02:03:13,589 --> 02:03:11,840

that's where um once i knew that he was

3050

02:03:15,830 --> 02:03:13,599

touching on these different subjects

3051

02:03:17,830 --> 02:03:15,840

that's why i brought up a few of them

3052

02:03:18,629 --> 02:03:17,840

but there's a lot more that i didn't ask

3053

02:03:20,310 --> 02:03:18,639

here so

3054

02:03:23,350 --> 02:03:20,320

check it out there's definitely a lot

3055

02:03:29,189 --> 02:03:23,360

there for you to to read and um

3056

02:03:31,990 --> 02:03:29,199

it's widely available on this site

3057

02:03:33,990 --> 02:03:32,000

okay well uh thank you patrick i think

3058

02:03:34,629 --> 02:03:34,000

this is it i'm i'm sorry i was just uh

3059

02:03:37,270 --> 02:03:34,639

looking at

3060

02:03:38,390 --> 02:03:37,280

at the list here um thank you again i

3061

02:03:41,270 --> 02:03:38,400

really appreciate it

3062

02:03:43,030 --> 02:03:41,280

it's been a great two-hour marathon and

3063

02:03:43,510 --> 02:03:43,040

um we've been on for two hours oh yeah

3064

02:03:46,790 --> 02:03:43,520

we have

3065

02:03:49,430 --> 02:03:46,800

yep time flies so um thank you

3066

02:03:50,229 --> 02:03:49,440

for coming on i think everyone else that

3067

02:03:52,950 --> 02:03:50,239

has stuck

3068

02:03:55,589 --> 02:03:52,960

around to to ask questions and listen

3069

02:03:58,550 --> 02:03:55,599

and i hope you enjoyed the content

3070

02:03:59,510 --> 02:03:58,560

like i said please check out patrick's

3071

02:04:01,589 --> 02:03:59,520

book

3072

02:04:03,030 --> 02:04:01,599

check out the website everything's in

3073

02:04:06,470 --> 02:04:03,040

the description below

3074

02:04:09,510 --> 02:04:06,480

and yeah thank you again

3075

02:04:11,030 --> 02:04:09,520

patrick i appreciate you and

3076

02:04:12,629 --> 02:04:11,040

i hope maybe in the future we can do

3077

02:04:14,229 --> 02:04:12,639

this again sometime

3078

02:04:15,910 --> 02:04:14,239

it was a pleasure i enjoyed it yes i

3079

02:04:17,350 --> 02:04:15,920

would like to thank you thank you adnan

3080

02:04:19,430 --> 02:04:17,360

thank you everyone

3081

02:04:21,109 --> 02:04:19,440

do you have any finishing thoughts i'm

3082

02:04:23,750 --> 02:04:21,119

sorry i didn't realize i

3083

02:04:24,950 --> 02:04:23,760

i gave you that option well for anybody

3084

02:04:30,550 --> 02:04:24,960

that's still listening

3085

02:04:34,950 --> 02:04:33,589

if anybody pays any normal amount of

3086

02:04:38,470 --> 02:04:34,960

attention

3087

02:04:39,669 --> 02:04:38,480

to social media mass media news in

3088

02:04:43,589 --> 02:04:39,679

general

3089

02:04:47,270 --> 02:04:43,599

it is very easy to see a narrative

3090

02:04:50,470 --> 02:04:47,280

being pushed one way or the other

3091

02:04:52,790 --> 02:04:50,480

perfectly okay to look at that and look

3092

02:04:55,270 --> 02:04:52,800

at it very closely

3093

02:04:55,990 --> 02:04:55,280

my recommendation would be understand

3094

02:04:59,030 --> 02:04:56,000

that there are

3095

02:05:02,149 --> 02:04:59,040

bigger things going on

3096

02:05:03,830 --> 02:05:02,159

there are forces and interests behind

3097

02:05:06,629 --> 02:05:03,840

the scenes

3098

02:05:07,589 --> 02:05:06,639

who would like to tell you a narrative

3099

02:05:11,350 --> 02:05:07,599

with the objective

3100

02:05:14,950 --> 02:05:11,360

of influencing you to their benefit

3101

02:05:20,870 --> 02:05:17,990

so a little bit of skepticism

3102

02:05:23,109 --> 02:05:20,880

is good there however the good news is

3103

02:05:25,669 --> 02:05:23,119

flip that coin over

3104

02:05:27,910 --> 02:05:25,679

there are much greater interests much

3105

02:05:32,390 --> 02:05:27,920

more powerful

3106

02:05:38,629 --> 02:05:35,189

and we by our collected individual first

3107

02:05:42,149 --> 02:05:38,639

and then our collective decisions

3108

02:05:45,830 --> 02:05:42,159

can do much more benefit to ourselves

3109

02:05:48,870 --> 02:05:48,149

by acknowledging that and then moving

3110

02:05:52,069 --> 02:05:48,880

forward

3111

02:05:53,430 --> 02:05:52,079

with that confidence that's it that's

3112

02:05:55,990 --> 02:05:53,440

all i have to say

3113

02:05:57,030 --> 02:05:56,000

patrick i don't want to go backwards but

3114

02:05:59,030 --> 02:05:57,040

this came in

3115

02:06:02,790 --> 02:05:59,040

last last second basically about the

3116

02:06:05,589 --> 02:06:02,800

vaccine just simply saying is it safe

3117

02:06:06,709 --> 02:06:05,599

generally but this is coming from my

3118

02:06:11,189 --> 02:06:06,719

guides

3119

02:06:14,790 --> 02:06:11,199

the answer is safe to what percentage

3120

02:06:16,310 --> 02:06:14,800

for which people asking the question is

3121

02:06:18,149 --> 02:06:16,320

the vaccine safe

3122

02:06:19,350 --> 02:06:18,159

means should i take it and can you

3123

02:06:20,470 --> 02:06:19,360

guarantee for me

3124

02:06:22,790 --> 02:06:20,480

that there will be no negative

3125

02:06:26,229 --> 02:06:22,800

consequences and the answer is

3126
02:06:32,229 --> 02:06:26,239
this guarantee does not exist comma

3127
02:06:38,790 --> 02:06:36,550
weigh the knowledge and the risk

3128
02:06:40,149 --> 02:06:38,800
of the virus and the symptoms and the

3129
02:06:43,510 --> 02:06:40,159
sickness

3130
02:06:47,350 --> 02:06:43,520
which you might incur compared to

3131
02:06:50,870 --> 02:06:47,360
the knowledge of

3132
02:06:53,270 --> 02:06:50,880
detrimental effects from the vaccine

3133
02:06:54,069 --> 02:06:53,280
the disease is well known the

3134
02:06:56,950 --> 02:06:54,079
information

3135
02:06:58,149 --> 02:06:56,960
and the assessment of the vaccine's

3136
02:07:01,830 --> 02:06:58,159
effects

3137
02:07:02,550 --> 02:07:01,840
is being developed but somewhat being

3138
02:07:05,109 --> 02:07:02,560

distorted

3139

02:07:06,709 --> 02:07:05,119

my guides are telling me one example to

3140

02:07:09,830 --> 02:07:06,719

pay attention to

3141

02:07:11,350 --> 02:07:09,840

is the widespread recommendation that a

3142

02:07:15,109 --> 02:07:11,360

vaccinated person

3143

02:07:21,750 --> 02:07:20,069

then they say why should you wear a mask

3144

02:07:23,510 --> 02:07:21,760

isn't the vaccination supposed to

3145

02:07:25,669 --> 02:07:23,520

protect you

3146

02:07:26,709 --> 02:07:25,679

and if you are protected from becoming

3147

02:07:30,069 --> 02:07:26,719

infected

3148

02:07:31,830 --> 02:07:30,079

you cannot become contagious so what is

3149

02:07:35,270 --> 02:07:31,840

the purpose of the mask

3150

02:07:37,030 --> 02:07:35,280

if you've been vaccinated so why are you

3151
02:07:40,550 --> 02:07:37,040
being told this

3152
02:07:42,069 --> 02:07:40,560
say my guides so back to the original

3153
02:07:45,189 --> 02:07:42,079
question

3154
02:07:48,069 --> 02:07:45,199
generally the vaccine is very safe

3155
02:07:50,470 --> 02:07:48,079
many tens of millions of people have

3156
02:07:53,270 --> 02:07:50,480
been administered the vaccine

3157
02:07:55,669 --> 02:07:53,280
however the news media and the mass

3158
02:07:57,750 --> 02:07:55,679
media and social media

3159
02:07:58,790 --> 02:07:57,760
will not gain much viewership or

3160
02:08:02,310 --> 02:07:58,800
readership

3161
02:08:04,709 --> 02:08:02,320
by telling you that they will however

3162
02:08:07,109 --> 02:08:04,719
gain your attention and higher ratings

3163
02:08:09,510 --> 02:08:07,119

and more money from advertising revenue

3164

02:08:10,950 --> 02:08:09,520

if they can tell you horror stories of

3165

02:08:15,189 --> 02:08:10,960

people who have been

3166

02:08:19,030 --> 02:08:15,199

harmed or killed by the vaccine

3167

02:08:22,550 --> 02:08:19,040

which have occurred and like many things

3168

02:08:26,069 --> 02:08:22,560

it is of those events that you will hear

3169

02:08:29,109 --> 02:08:26,079

do not allow an improper volume

3170

02:08:31,589 --> 02:08:29,119

of air pressure to be used to inflate

3171

02:08:34,310 --> 02:08:31,599

and conflate these things

3172

02:08:35,510 --> 02:08:34,320

away from what we said initially which

3173

02:08:41,189 --> 02:08:35,520

is

3174

02:08:43,750 --> 02:08:41,199

symptoms and sickness and

3175

02:08:46,870 --> 02:08:43,760

hospitalization versus the

3176

02:08:50,790 --> 02:08:46,880

as of yet not well developed

3177

02:08:54,069 --> 02:08:50,800

risk of complications from the vaccine

3178

02:08:54,870 --> 02:08:54,079

weighing those two one will arrive at a

3179

02:08:57,350 --> 02:08:54,880

good decision

3180

02:09:00,310 --> 02:08:57,360

however generally the vaccines are

3181

02:09:01,830 --> 02:09:00,320

proving to be safe

3182

02:09:03,109 --> 02:09:01,840

okay i hope that answers the question

3183

02:09:03,990 --> 02:09:03,119

yeah thank you very much for the

3184

02:09:06,709 --> 02:09:04,000

follow-up

3185

02:09:07,750 --> 02:09:06,719

so okay i'm sure they got an answer

3186

02:09:10,550 --> 02:09:07,760

regarding that

3187

02:09:11,030 --> 02:09:10,560

so again patrick thank you um everyone

3188

02:09:14,229 --> 02:09:11,040

else

3189

02:09:16,950 --> 02:09:14,239

watching

3190

02:09:18,870 --> 02:09:16,960

still thank you very much so uh stay

3191

02:09:21,189 --> 02:09:18,880

tuned for next week wednesday i should

3192

02:09:22,069 --> 02:09:21,199

have the mary rodwell interview edited

3193

02:09:25,350 --> 02:09:22,079

and posted

3194

02:09:25,750 --> 02:09:25,360

for you and uh i haven't figured out yet

3195

02:09:28,629 --> 02:09:25,760

for

3196

02:09:29,030 --> 02:09:28,639

next friday at 7 pm uh who to have on

3197

02:09:31,910 --> 02:09:29,040

but

3198

02:09:33,589 --> 02:09:31,920

as always just check on ufo channel and

3199

02:09:35,990 --> 02:09:33,599

the different social media i have

3200

02:09:37,510 --> 02:09:36,000

usually a few days ahead of time i'll

3201

02:09:40,069 --> 02:09:37,520

make an announcement

3202

02:09:41,030 --> 02:09:40,079

in some rare cases it would be a day

3203

02:09:43,189 --> 02:09:41,040

beforehand but

3204

02:09:45,030 --> 02:09:43,199

i hope that's enough time for you guys

3205

02:09:46,709 --> 02:09:45,040

so again thank you all very much

3206

02:09:48,069 --> 02:09:46,719

thank you for participating i hope you

3207

02:09:50,149 --> 02:09:48,079

found this useful

3208

02:09:51,750 --> 02:09:50,159

i understand sometimes people get

3209

02:09:54,149 --> 02:09:51,760

emotional about

3210

02:09:56,229 --> 02:09:54,159

certain information if it kind of goes

3211

02:09:57,750 --> 02:09:56,239

against what they initially believe but

3212

02:10:00,069 --> 02:09:57,760

please just keep this in mind it's

3213

02:10:00,709 --> 02:10:00,079

information if you can use it take it if

3214

02:10:03,430 --> 02:10:00,719

you can't

3215

02:10:04,709 --> 02:10:03,440

leave it and so thank you for sticking

3216

02:10:06,229 --> 02:10:04,719

around for this long

3217

02:10:08,629 --> 02:10:06,239

you guys have a good weekend have a good

3218

02:10:12,790 --> 02:10:08,639

night have a good day patrick again

3219

02:10:26,830 --> 02:10:12,800

take care and uh have a good one
