[Music]

2
00:01:52,840 --> 00:02:06,830
foreign

3
00:02:06,840 --> 00:02:23,350
oh

4
00:02:23,360 --> 00:03:52,949
[Music]

5
00:03:56,390 --> 00:03:55,830
hey everyone welcome to the ufo hub live

6
00:03:58,789 --> 00:03:56,400
stream

7
00:04:00,789 --> 00:03:58,799
so today is a bit different i know

8
00:04:03,670 --> 00:04:00,799
usually i have fridays which

9
00:04:04,789 --> 00:04:03,680
i will uh um have another show this

10
00:04:07,589 --> 00:04:04,799
friday as well

11
00:04:08,149 --> 00:04:07,599
but um i wanted to uh it was an actual

12
00:04:10,229 --> 00:04:08,159
idea

13
00:04:11,509 --> 00:04:10,239

by one of uh one of the people that had

14

00:04:14,869 --> 00:04:11,519

left a comment

15

00:04:16,629 --> 00:04:14,879

uh initially um well actually let me let

16

00:04:21,990 --> 00:04:16,639

me show you where it's at

17

00:04:26,230 --> 00:04:22,000

initially this person

18

00:04:31,909 --> 00:04:28,629

i believe it was here the comment

19

00:04:38,150 --> 00:04:34,150

okay let me make this a bit bigger for

20

00:04:44,150 --> 00:04:41,590

all right um

21

00:04:45,909 --> 00:04:44,160

i love these colorful usernames i can't

22

00:04:49,350 --> 00:04:45,919

never pronounce them since

23

00:04:52,870 --> 00:04:49,360

you go ghetto

24

00:04:55,189 --> 00:04:52,880

ugado oh anyway well the the

25

00:04:56,150 --> 00:04:55,199

question was what about doing a q a and

26

00:04:58,870 --> 00:04:56,160

interview

27

00:05:00,230 --> 00:04:58,880

some of your viewers on discord now of

28

00:05:02,550 --> 00:05:00,240

course i've heard of discord

29

00:05:04,629 --> 00:05:02,560

i've always used telegram but i

30

00:05:06,550 --> 00:05:04,639

eventually left it up as an option

31

00:05:08,629 --> 00:05:06,560

i had replied here saying working on it

32

00:05:11,510 --> 00:05:08,639

this was about six days ago

33

00:05:12,790 --> 00:05:11,520

and um it uh the tests that i've done

34

00:05:16,550 --> 00:05:12,800

worked out great

35

00:05:19,350 --> 00:05:16,560

and so check out if you if you are

36

00:05:20,230 --> 00:05:19,360

part of telegram find your for hub group

37

00:05:22,950 --> 00:05:20,240

and uh

38

00:05:23,590 --> 00:05:22,960

the voice chat should be already active

39

00:05:26,870 --> 00:05:23,600

and going

40

00:05:28,629 --> 00:05:26,880

there so yeah i'll uh later on i have

41

00:05:31,909 --> 00:05:28,639

some announcements to take but

42

00:05:34,230 --> 00:05:31,919

to do but uh go ahead and join the group

43

00:05:36,150 --> 00:05:34,240

um unmute yourself and raise your hand

44

00:05:38,150 --> 00:05:36,160

so that that will tell me

45

00:05:39,990 --> 00:05:38,160

whether or not you want to partake i

46

00:05:41,189 --> 00:05:40,000

haven't checked yet if there was anyone

47

00:05:42,870 --> 00:05:41,199

else in the group but

48

00:05:44,310 --> 00:05:42,880

if not we'll we'll find something else

49

00:05:47,110 --> 00:05:44,320

to talk about but

50

00:05:47,830 --> 00:05:47,120

it's it's something that depends on how

51

00:05:51,110 --> 00:05:47,840

popular

52

00:05:53,110 --> 00:05:51,120

it gets they were about let me make the

53

00:06:03,909 --> 00:05:53,120

smaller again

54

00:06:13,270 --> 00:06:08,150

77 so out of out of 70 votes

55

00:06:16,230 --> 00:06:13,280

77 were for telegram and 23 for discord

56

00:06:18,150 --> 00:06:16,240

so i just went ahead and set it up for

57

00:06:20,230 --> 00:06:18,160

telegram because i was already

58

00:06:21,590 --> 00:06:20,240

very comfortable with it i kind of

59

00:06:23,670 --> 00:06:21,600

already knew how it functioned

60

00:06:25,350 --> 00:06:23,680

so i figured why not just stick to that

61

00:06:27,510 --> 00:06:25,360

since even um

62

00:06:29,430 --> 00:06:27,520

the majority of people are interested to

63

00:06:34,710 --> 00:06:29,440

want to be on and share their story

64

00:06:40,710 --> 00:06:34,720

uh we're using telegram anyway so

65

00:06:48,070 --> 00:06:44,150

the other part that i wanted to cover

66

00:06:51,110 --> 00:06:48,080

is this friday i'm going to have

67

00:06:51,670 --> 00:06:51,120

mike dooley on he's the gentleman do you

68

00:06:53,990 --> 00:06:51,680

see here

69

00:06:55,589 --> 00:06:54,000

on the on the screen and i've

70

00:06:58,710 --> 00:06:55,599

interviewed him a while back

71

00:07:01,430 --> 00:06:58,720

it was on right before he came out

72

00:07:02,230 --> 00:07:01,440

with his book thoughts become things or

73

00:07:03,909 --> 00:07:02,240

something like that

74

00:07:05,510 --> 00:07:03,919

i'm sorry i'm probably butchering it now

75

00:07:08,390 --> 00:07:05,520

i can't remember the detail

76

00:07:10,070 --> 00:07:08,400

but i'm going to have him on at 7 00 pm

77

00:07:13,350 --> 00:07:10,080

central time on friday

78

00:07:16,390 --> 00:07:13,360

and we'll be discussing different topics

79

00:07:18,070 --> 00:07:16,400

and of course he will then if you submit

80

00:07:21,270 --> 00:07:18,080

your question in the chat

81

00:07:23,270 --> 00:07:21,280

with the three three stars um if you

82

00:07:24,870 --> 00:07:23,280

have a question for him i'll i'll ask

83

00:07:26,790 --> 00:07:24,880

him and hopefully get your answer

84

00:07:28,469 --> 00:07:26,800

so anyway mike dooley is gonna be the

85

00:07:32,950 --> 00:07:28,479

guest at 7 pm

86

00:07:35,670 --> 00:07:32,960

this friday and 7 p.m central time

87

00:07:36,070 --> 00:07:35,680

uh the if you if you paid attention last

88

00:07:38,550 --> 00:07:36,080

time

89

00:07:40,230 --> 00:07:38,560

i've kind of started uh it's not an

90

00:07:42,870 --> 00:07:40,240

endorsement of different websites but

91

00:07:45,990 --> 00:07:42,880

people that have reached out and

92

00:07:46,710 --> 00:07:46,000

wanted kind of their website to to be

93

00:07:48,869 --> 00:07:46,720

mentioned

94

00:07:49,990 --> 00:07:48,879

or wanted to do some kind of partnership

95

00:07:52,230 --> 00:07:50,000

which i don't do

96

00:07:54,150 --> 00:07:52,240

but at least i can you know just say hey

97

00:07:56,950 --> 00:07:54,160

uh there's this site check it out

98

00:07:57,350 --> 00:07:56,960

um i'm you know i'm not endorsing them

99

00:07:59,350 --> 00:07:57,360

uh

100

00:08:01,029 --> 00:07:59,360

if they seem interesting how it's simply

101
00:08:02,150 --> 00:08:01,039
me just saying hey check this out if

102
00:08:05,749 --> 00:08:02,160
you're interested

103
00:08:10,790 --> 00:08:05,759
if not you know that's up to you but um

104
00:08:14,629 --> 00:08:12,869
this this website is it's called uh

105
00:08:16,710 --> 00:08:14,639
what's up with ufos

106
00:08:18,550 --> 00:08:16,720
and they do these different different

107
00:08:19,430 --> 00:08:18,560
videos where they're short and they

108
00:08:22,390 --> 00:08:19,440
cover

109
00:08:23,110 --> 00:08:22,400
certain subjects about ufos whether it

110
00:08:25,830 --> 00:08:23,120
would be

111
00:08:26,790 --> 00:08:25,840
uh the research or or different kind of

112
00:08:29,189 --> 00:08:26,800
stuff so anyway

113
00:08:30,629 --> 00:08:29,199

check it out i promised them i was going

114

00:08:32,790 --> 00:08:30,639

to mention them so

115

00:08:33,990 --> 00:08:32,800

if you find something useful there knock

116

00:08:35,670 --> 00:08:34,000

yourself out

117

00:08:37,430 --> 00:08:35,680

if not i'm sure you'll find it somewhere

118

00:08:41,029 --> 00:08:37,440

else

119

00:08:43,350 --> 00:08:41,039

the other part is

120

00:08:45,590 --> 00:08:43,360

would be more for the for the speaking

121

00:08:47,670 --> 00:08:45,600

uh german speaking audience

122

00:08:48,710 --> 00:08:47,680

one of the websites that had reached out

123

00:08:50,630 --> 00:08:48,720

to me and this

124

00:08:51,829 --> 00:08:50,640

just tells you how much i slack

125

00:08:55,110 --> 00:08:51,839

sometimes

126

00:08:56,150 --> 00:08:55,120

almost a year ago and it's basically

127

00:08:59,190 --> 00:08:56,160

called

128

00:09:02,150 --> 00:08:59,200

afghavat which basically i guess

129

00:09:04,870 --> 00:09:02,160

translated would mean awakened

130

00:09:05,829 --> 00:09:04,880

and so he wanted to do an interview with

131

00:09:08,470 --> 00:09:05,839

me in german

132

00:09:11,430 --> 00:09:08,480

and i was i'm not hesitant to talk about

133

00:09:13,670 --> 00:09:11,440

the subject but it's been

134

00:09:14,870 --> 00:09:13,680

pretty good you know pretty much 20

135

00:09:17,190 --> 00:09:14,880

years since

136

00:09:18,550 --> 00:09:17,200

i've spoken a lengthy period of time

137

00:09:20,870 --> 00:09:18,560

with somebody in german

138

00:09:22,710 --> 00:09:20,880

usually it's been a sentence or two and

139

00:09:24,550 --> 00:09:22,720

i still understand very well

140

00:09:26,550 --> 00:09:24,560

i'm sure if i just start speaking again

141

00:09:28,630 --> 00:09:26,560

i can get used to it but

142

00:09:30,070 --> 00:09:28,640

it's just been too long and i was trying

143

00:09:32,389 --> 00:09:30,080

to tell them i'm not sure if i

144

00:09:33,670 --> 00:09:32,399

would know the german equivalent of some

145

00:09:36,710 --> 00:09:33,680

of these terms

146

00:09:38,710 --> 00:09:36,720

that that i would have to use to convey

147

00:09:40,630 --> 00:09:38,720

whatever we're going to be talking about

148

00:09:43,110 --> 00:09:40,640

when it comes to ufos and

149

00:09:45,269 --> 00:09:43,120

aliens in that subject in general but

150

00:09:47,430 --> 00:09:45,279

for those of you that do speak german

151
00:09:49,269 --> 00:09:47,440
and live in germany and are looking for

152
00:09:52,310 --> 00:09:49,279
maybe more resources

153
00:09:55,590 --> 00:09:52,320
he has a different style of presenting

154
00:09:58,870 --> 00:09:55,600
the different interviews

155
00:10:02,389 --> 00:09:58,880
that he does it's i believe

156
00:10:05,750 --> 00:10:02,399
mainly phone phone interviews

157
00:10:07,829 --> 00:10:05,760
that then he superimposes some pictures

158
00:10:09,190 --> 00:10:07,839
regarding whatever it is that they're

159
00:10:12,630 --> 00:10:09,200
talking about

160
00:10:14,630 --> 00:10:12,640
and um so that's something that

161
00:10:17,269 --> 00:10:14,640
maybe could be a resource for those of

162
00:10:19,430 --> 00:10:17,279
you who live in germany and

163
00:10:21,190 --> 00:10:19,440

need to would like to know about another

164

00:10:24,949 --> 00:10:21,200

german channel

165

00:10:29,670 --> 00:10:27,509

let me see here the other one is this

166

00:10:33,110 --> 00:10:29,680

also a german website

167

00:10:35,350 --> 00:10:33,120

it's akasha dash interview dot d

168

00:10:37,190 --> 00:10:35,360

e and from my understanding it's

169

00:10:40,550 --> 00:10:37,200

basically

170

00:10:44,150 --> 00:10:40,560

um these interviews that are being done

171

00:10:46,230 --> 00:10:44,160

accessing the the akashic record

172

00:10:48,069 --> 00:10:46,240

and all kinds of questions basically all

173

00:10:48,949 --> 00:10:48,079

the subjects that most of us that are

174

00:10:52,710 --> 00:10:48,959

into this are

175

00:10:55,430 --> 00:10:52,720

aware of but it's basically in german

176
00:10:56,230 --> 00:10:55,440
and so i haven't extensively checked it

177
00:10:58,630 --> 00:10:56,240
out myself

178
00:11:01,990 --> 00:10:58,640
but again it seemed interesting if you

179
00:11:04,710 --> 00:11:02,000
are interested in it please check it out

180
00:11:06,870 --> 00:11:04,720
so anyway that's regarding the the the

181
00:11:10,470 --> 00:11:06,880
coverage i wanted to do

182
00:11:16,630 --> 00:11:10,480
um with all of you guys

183
00:11:18,550 --> 00:11:16,640
let me there's mike dooley again

184
00:11:20,949 --> 00:11:18,560
yeah i don't know if he's i have it on

185
00:11:23,110 --> 00:11:20,959
the list if you go on the ufo hub

186
00:11:24,069 --> 00:11:23,120
youtube channel and go to the actual

187
00:11:25,430 --> 00:11:24,079
videos

188
00:11:27,110 --> 00:11:25,440

you might have to scroll down a bit

189

00:11:28,389 --> 00:11:27,120

because it might have been maybe four or

190

00:11:29,110 --> 00:11:28,399

five years since we've done this

191

00:11:31,430 --> 00:11:29,120

interview

192

00:11:32,870 --> 00:11:31,440

so i was glad he was he's able to to

193

00:11:36,150 --> 00:11:32,880

come on and

194

00:11:41,590 --> 00:11:37,670

just bear with me i want to check on

195

00:11:47,590 --> 00:11:45,110

okay yeah and again if uh if some of you

196

00:11:48,470 --> 00:11:47,600

would like uh again would like to talk

197

00:11:51,190 --> 00:11:48,480

to me

198

00:11:52,230 --> 00:11:51,200

uh just don't hesitate to just go to

199

00:11:56,389 --> 00:11:52,240

telegram

200

00:11:58,150 --> 00:11:56,399

and basically join the voice chat and

201
00:12:08,829 --> 00:11:58,160
raise your hand and i'll be able to see

202
00:12:14,230 --> 00:12:10,949
okay

203
00:12:19,350 --> 00:12:14,240
so i'm going to be periodically

204
00:12:19,360 --> 00:12:27,350
i'll be periodically checking on the

205
00:12:35,350 --> 00:12:30,629
okay i'm glad chat is

206
00:12:41,190 --> 00:12:35,360
alive and well uh welcome everyone there

207
00:12:41,200 --> 00:12:49,829
greetings from san francisco welcome

208
00:13:00,470 --> 00:12:53,320
hazel how are you welcome

209
00:13:11,470 --> 00:13:04,829
space gypsy welcome and uh

210
00:13:17,750 --> 00:13:14,389
statuegov from australia

211
00:13:21,430 --> 00:13:17,760
so welcome as well i'm sorry i can't i'm

212
00:13:24,870 --> 00:13:21,440
butchering the hell out of it

213
00:13:26,150 --> 00:13:24,880

um gopro vid from the netherlands also

214

00:13:27,750 --> 00:13:26,160

welcome

215

00:13:29,269 --> 00:13:27,760

this this must be pretty late for you

216

00:13:31,030 --> 00:13:29,279

guys there now

217

00:13:33,030 --> 00:13:31,040

so i appreciate you staying on because

218

00:13:34,629 --> 00:13:33,040

it i know hazel had some

219

00:13:37,110 --> 00:13:34,639

said something early in the comments

220

00:13:41,910 --> 00:13:37,120

about it's being

221

00:13:44,949 --> 00:13:41,920

um being 1am

222

00:13:46,550 --> 00:13:44,959

uh so basically 7 pm central time here

223

00:13:48,550 --> 00:13:46,560

is 1am

224

00:13:50,310 --> 00:13:48,560

where she said and i believe she was she

225

00:13:57,750 --> 00:13:50,320

mentioned something about being

226

00:14:06,550 --> 00:14:01,670

so yeah if you if you do have

227

00:14:11,990 --> 00:14:09,590

maybe just give me something simple like

228

00:14:13,189 --> 00:14:12,000

bob from australia that would be a lot

229

00:14:16,310 --> 00:14:13,199

easier

230

00:14:20,150 --> 00:14:16,320

um or an australian

231

00:14:23,910 --> 00:14:20,160

equivalent of bob but anyway

232

00:14:27,189 --> 00:14:23,920

so uh don't hesitate to um

233

00:14:30,710 --> 00:14:27,199

to go to to telegram right now the

234

00:14:32,150 --> 00:14:30,720

chat is going excuse me the voice chat

235

00:14:34,230 --> 00:14:32,160

is going and it's also

236

00:14:35,750 --> 00:14:34,240

simultaneously streaming on there as

237

00:14:38,069 --> 00:14:35,760

well

238

00:14:39,670 --> 00:14:38,079

so if you want to talk to me and share

239

00:14:42,310 --> 00:14:39,680

your story

240

00:14:53,590 --> 00:14:42,320

just don't don't hesitate to to join

241

00:14:58,389 --> 00:14:56,389

sorry i'm just looking over some of the

242

00:15:03,269 --> 00:14:58,399

the different comment sections

243

00:15:05,990 --> 00:15:03,279

all right well before i go over

244

00:15:07,509 --> 00:15:06,000

anything else here oh i don't know if

245

00:15:11,110 --> 00:15:07,519

i've

246

00:15:17,509 --> 00:15:14,710

to do credit so again to the

247

00:15:18,069 --> 00:15:17,519

whoever that person was that suggested

248

00:15:21,269 --> 00:15:18,079

to all

249

00:15:24,550 --> 00:15:21,279

create these open lines this

250

00:15:27,269 --> 00:15:24,560

ugo ogoado uh thank you again

251

00:15:28,949 --> 00:15:27,279

i'm usually very busy to try to follow

252

00:15:29,670 --> 00:15:28,959

up on every idea that somebody would

253

00:15:31,749 --> 00:15:29,680

have for me

254

00:15:33,430 --> 00:15:31,759

but it seemed pretty reasonable it's

255

00:15:36,310 --> 00:15:33,440

something that it wasn't

256

00:15:37,670 --> 00:15:36,320

it didn't take from technological and

257

00:15:40,230 --> 00:15:37,680

technical point of view

258

00:15:42,150 --> 00:15:40,240

for me wasn't didn't seem that difficult

259

00:15:43,269 --> 00:15:42,160

to do it would just require a setup and

260

00:15:46,550 --> 00:15:43,279

a test

261

00:15:54,310 --> 00:15:46,560

and so it would

262

00:16:00,389 --> 00:15:54,320

to all of you out there

263

00:16:00,399 --> 00:16:06,389

appear like this so you should be

264

00:16:13,030 --> 00:16:10,550

should be able to uh to see it

265

00:16:13,829 --> 00:16:13,040

right now it's just uh obviously me

266

00:16:18,550 --> 00:16:13,839

speaking

267

00:16:20,790 --> 00:16:18,560

so um there's nobody there

268

00:16:22,389 --> 00:16:20,800

but anyway we'll get back to this later

269

00:16:22,949 --> 00:16:22,399

if there is somebody would like to come

270

00:16:28,870 --> 00:16:22,959

on

271

00:16:32,710 --> 00:16:30,870

and go back to this story some of you

272

00:16:33,749 --> 00:16:32,720

might have already seen this or heard

273

00:16:35,910 --> 00:16:33,759

about this and

274

00:16:36,790 --> 00:16:35,920

again as i mentioned a long time ago i

275

00:16:38,790 --> 00:16:36,800

don't usually cover

276

00:16:40,230 --> 00:16:38,800

news but this was something that was

277

00:16:43,829 --> 00:16:40,240

signed or

278

00:16:46,629 --> 00:16:43,839

reported actually december 29 to 2020

279

00:16:47,670 --> 00:16:46,639

and it's from the new york post uh kovit

280

00:16:50,949 --> 00:16:47,680

19 bill

281

00:16:53,189 --> 00:16:50,959

started a 180-day 180 day countdown for

282

00:16:55,990 --> 00:16:53,199

ufo disclosures

283

00:16:57,189 --> 00:16:56,000

i don't know and i have not looked into

284

00:16:59,670 --> 00:16:57,199

the detail of

285

00:17:00,470 --> 00:16:59,680

what was exactly in it because according

286

00:17:03,590 --> 00:17:00,480

to these

287

00:17:03,990 --> 00:17:03,600

two paragraphs it said at that time so

288

00:17:06,630 --> 00:17:04,000

this is

289

00:17:07,429 --> 00:17:06,640

old news uh president trump's signature

290

00:17:10,630 --> 00:17:07,439

sunday

291

00:17:13,270 --> 00:17:10,640

on the 2.3 trillion kovi 19 relief

292

00:17:15,029 --> 00:17:13,280

and government funding bill started a

293

00:17:18,230 --> 00:17:15,039

180 day countdown

294

00:17:21,350 --> 00:17:18,240

for the pentagon and spy agencies to say

295

00:17:22,069 --> 00:17:21,360

what they know about ufos uh the

296

00:17:24,150 --> 00:17:22,079

provision

297

00:17:26,470 --> 00:17:24,160

received very little attention in part

298

00:17:30,150 --> 00:17:26,480

because it wasn't included in the

299

00:17:34,070 --> 00:17:30,160

text of the 5593 page

300

00:17:36,310 --> 00:17:34,080

legislation but as a committee comment

301
00:17:37,510 --> 00:17:36,320
attached to the annual intelligence

302
00:17:39,990 --> 00:17:37,520
authorization act

303
00:17:41,510 --> 00:17:40,000
which was rolled out into into the

304
00:17:44,230 --> 00:17:41,520
massive bill

305
00:17:45,350 --> 00:17:44,240
so i don't know what they're actually

306
00:17:48,470 --> 00:17:45,360
going to

307
00:17:49,990 --> 00:17:48,480
reveal because it would be very very

308
00:17:52,150 --> 00:17:50,000
much against

309
00:17:54,630 --> 00:17:52,160
government character for them to just

310
00:17:56,549 --> 00:17:54,640
kind of be open and honest about things

311
00:18:00,710 --> 00:17:56,559
of course over the years they've been

312
00:18:02,230 --> 00:18:00,720
leaking things and always conjecturing

313
00:18:04,789 --> 00:18:02,240

about

314

00:18:06,710 --> 00:18:04,799

what this could be and you know how

315

00:18:07,990 --> 00:18:06,720

amazing it is how these different ships

316

00:18:11,990 --> 00:18:08,000

move what they do but

317

00:18:14,950 --> 00:18:12,000

i'm not sure that that's gonna um

318

00:18:16,230 --> 00:18:14,960

you know i think they just give us just

319

00:18:18,549 --> 00:18:16,240

a tiny bit

320

00:18:20,710 --> 00:18:18,559

to just give a little bit of

321

00:18:23,190 --> 00:18:20,720

acknowledgement just a tiny bit

322

00:18:24,310 --> 00:18:23,200

to get the the hardcore researchers

323

00:18:26,789 --> 00:18:24,320

going and saying oh

324

00:18:29,190 --> 00:18:26,799

we're on the verge of something new and

325

00:18:31,190 --> 00:18:29,200

we actually where we all might be

326

00:18:34,230 --> 00:18:31,200

and i hope so you know but i just don't

327

00:18:37,750 --> 00:18:34,240

know that they might just have another

328

00:18:39,750 --> 00:18:37,760

you know very whitewashed meeting about

329

00:18:40,789 --> 00:18:39,760

you know well we don't know what they

330

00:18:43,430 --> 00:18:40,799

are and

331

00:18:44,310 --> 00:18:43,440

the characteristics and the way they're

332

00:18:47,990 --> 00:18:44,320

you know

333

00:18:48,549 --> 00:18:48,000

they're from but they don't know you

334

00:18:51,750 --> 00:18:48,559

know

335

00:18:52,230 --> 00:18:51,760

they don't uh oppose a national security

336

00:18:54,549 --> 00:18:52,240

threat

337

00:18:57,350 --> 00:18:54,559

and they would kind of block the book on

338

00:18:59,669 --> 00:18:57,360

that it would be very awesome

339

00:19:00,789 --> 00:18:59,679

and i encouraged for the latter to

340

00:19:03,750 --> 00:19:00,799

happen which is

341

00:19:04,230 --> 00:19:03,760

to kind of them just come out and and be

342

00:19:08,070 --> 00:19:04,240

more

343

00:19:12,789 --> 00:19:08,080

then again i don't know

344

00:19:15,990 --> 00:19:14,710

against each other you know and always

345

00:19:17,510 --> 00:19:16,000

have been so

346

00:19:19,669 --> 00:19:17,520

maybe one government doesn't want to

347

00:19:21,990 --> 00:19:19,679

reveal more than the other one knows

348

00:19:23,510 --> 00:19:22,000

but then again the united states out of

349

00:19:26,789 --> 00:19:23,520

all these different

350

00:19:28,870 --> 00:19:26,799

um governments has always been the the

351

00:19:30,070 --> 00:19:28,880

the last one still this the last one to

352

00:19:33,590 --> 00:19:30,080

kind of

353

00:19:35,830 --> 00:19:33,600

officially uh as far as i know

354

00:19:37,510 --> 00:19:35,840

i could be wrong to release what it is

355

00:19:39,909 --> 00:19:37,520

exactly that they know

356

00:19:41,909 --> 00:19:39,919

and just to acknowledge about the tic

357

00:19:44,870 --> 00:19:41,919

tac and the different ships

358

00:19:47,110 --> 00:19:44,880

and the videos of those it's not exactly

359

00:19:51,029 --> 00:19:47,120

revealing everything they know

360

00:19:52,870 --> 00:19:51,039

but not not this friday obviously

361

00:19:55,830 --> 00:19:52,880

mike dooley will be on but the friday

362

00:19:57,909 --> 00:19:55,840

after that i'm going to be talking to

363

00:19:59,270 --> 00:19:57,919

to red pill junkie is his name i

364

00:20:01,029 --> 00:19:59,280

actually

365

00:20:04,789 --> 00:20:01,039

yes i do know his first name i have to

366

00:20:06,630 --> 00:20:04,799

check with him first if he wants to

367

00:20:09,430 --> 00:20:06,640

wants me to reveal it obviously he'll be

368

00:20:10,789 --> 00:20:09,440

on video but he's uh from mexico and so

369

00:20:13,990 --> 00:20:10,799

i'll be talking to him

370

00:20:15,990 --> 00:20:14,000

about ufos and how it is that you know

371

00:20:16,789 --> 00:20:16,000

mexican government and the researchers

372

00:20:20,789 --> 00:20:16,799

there

373

00:20:23,669 --> 00:20:20,799

um view the phenomena as opposed to

374

00:20:25,350 --> 00:20:23,679

american researchers and maybe in the

375

00:20:26,870 --> 00:20:25,360

future i might find other people from

376

00:20:28,710 --> 00:20:26,880

different countries that are kind of in

377

00:20:32,230 --> 00:20:28,720

a similar field and i'm hoping then to

378

00:20:34,630 --> 00:20:32,240

be able to talk to them about it as well

379

00:20:36,630 --> 00:20:34,640

but yeah so this i don't know i don't

380

00:20:40,470 --> 00:20:36,640

know what's going to be

381

00:20:46,830 --> 00:20:40,480

coming about of of this to be to be

382

00:20:46,840 --> 00:20:50,549

okay

383

00:20:50,559 --> 00:20:58,070

let me see here i have

384

00:21:02,950 --> 00:20:59,990

sometimes it's it's challenging and

385

00:21:05,669 --> 00:21:02,960

difficult having to go through and

386

00:21:06,390 --> 00:21:05,679

figure out where i'm at and what windows

387

00:21:11,510 --> 00:21:06,400

i have open

388

00:21:11,520 --> 00:21:22,549

all right let's go to the chat

389

00:21:28,390 --> 00:21:25,110

so this first question i conceive is

390

00:21:30,789 --> 00:21:28,400

from hazel says have you heard

391

00:21:32,070 --> 00:21:30,799

anything about the god code in our dna

392

00:21:35,110 --> 00:21:32,080

this proves

393

00:21:37,510 --> 00:21:35,120

uh we was designed well i mean

394

00:21:38,630 --> 00:21:37,520

i've heard about this before and there's

395

00:21:41,830 --> 00:21:38,640

always

396

00:21:45,430 --> 00:21:41,840

uh more of the scientific approach

397

00:21:46,630 --> 00:21:45,440

about what what is dna exactly and then

398

00:21:48,470 --> 00:21:46,640

there's of course this

399

00:21:50,149 --> 00:21:48,480

what they call the junk dna and they're

400

00:21:53,590 --> 00:21:50,159

trying to figure all that out

401
00:21:55,350 --> 00:21:53,600
but like i said um just ages ago now

402
00:21:56,870 --> 00:21:55,360
i've kind of shifted away from that but

403
00:22:08,160 --> 00:21:56,880
yes i've i've heard of that

404
00:22:13,830 --> 00:22:09,830
[Music]

405
00:22:17,669 --> 00:22:13,840
bradley cortez welcome says 2am here

406
00:22:19,590 --> 00:22:17,679
wow thank you all for being up this late

407
00:22:20,950 --> 00:22:19,600
i didn't i didn't realize that there was

408
00:22:31,669 --> 00:22:20,960
going to be

409
00:22:33,750 --> 00:22:31,679
enthusiastic uh people up this late

410
00:22:35,750 --> 00:22:33,760
but i remember being in being a night

411
00:22:38,870 --> 00:22:35,760
owl but long time ago

412
00:22:40,789 --> 00:22:38,880
now usually if um unless i absolutely

413
00:22:43,029 --> 00:22:40,799

have to

414

00:22:58,789 --> 00:22:43,039

you know i try to go to bed at a

415

00:23:01,830 --> 00:23:00,789

uh bradley regarding the link sure i

416

00:23:04,070 --> 00:23:01,840

mean if you just

417

00:23:05,510 --> 00:23:04,080

if it's not spam or it's something that

418

00:23:06,710 --> 00:23:05,520

you actually would like to convey to

419

00:23:10,630 --> 00:23:06,720

someone else in chat

420

00:23:10,950 --> 00:23:10,640

please do if it comes up and it denies

421

00:23:19,270 --> 00:23:10,960

it

422

00:23:24,789 --> 00:23:22,710

yeah because i had actually turned off

423

00:23:26,710 --> 00:23:24,799

the slow mode on the chat because the

424

00:23:28,950 --> 00:23:26,720

slow mode helps me a lot but

425

00:23:31,350 --> 00:23:28,960

i didn't exactly anticipate that i was

426

00:23:34,870 --> 00:23:31,360

going to have to

427

00:23:39,909 --> 00:23:38,070

uh focusing on the chat too much

428

00:23:41,510 --> 00:23:39,919

and again if you would like to talk to

429

00:23:44,789 --> 00:23:41,520

me just

430

00:23:48,149 --> 00:23:44,799

open up your your um telegram

431

00:23:49,909 --> 00:23:48,159

go over to ufo hub group you should be

432

00:23:51,430 --> 00:23:49,919

able to find it i believe it's also in

433

00:23:54,789 --> 00:23:51,440

the description box

434

00:23:57,190 --> 00:23:54,799

below the specific link to the group and

435

00:23:58,070 --> 00:23:57,200

there's i have a voice chat running now

436

00:24:00,390 --> 00:23:58,080

and

437

00:24:01,269 --> 00:24:00,400

you'll be able to talk to me directly

438

00:24:03,430 --> 00:24:01,279

over voice

439

00:24:07,750 --> 00:24:03,440

and everyone else on youtube should be

440

00:24:11,990 --> 00:24:11,350

because i had earlier today when i was

441

00:24:15,510 --> 00:24:12,000

posting

442

00:24:17,830 --> 00:24:15,520

i had obviously had zero because

443

00:24:19,430 --> 00:24:17,840

nobody else was part of the group and

444

00:24:22,870 --> 00:24:19,440

there's about

445

00:24:24,870 --> 00:24:22,880

15 part of the group now and so

446

00:24:26,950 --> 00:24:24,880

i was hoping maybe somebody would log in

447

00:24:30,149 --> 00:24:26,960

because early when i made a video i said

448

00:24:32,630 --> 00:24:30,159

there could be nobody one person or

449

00:24:33,750 --> 00:24:32,640

you know several i just don't know but

450

00:24:36,230 --> 00:24:33,760

i've i'll

451
00:24:36,950 --> 00:24:36,240
i figured uh maybe if it caught people

452
00:24:38,549 --> 00:24:36,960
off guard

453
00:24:40,950 --> 00:24:38,559
that i was going to be doing this on

454
00:24:43,830 --> 00:24:40,960
wednesday um

455
00:24:46,710 --> 00:24:43,840
because either i would post a video of

456
00:24:50,149 --> 00:24:46,720
an interview on wednesday or i'll

457
00:24:52,390 --> 00:24:50,159
do a live show like open lines and it

458
00:24:53,830 --> 00:24:52,400
possibly both you know there's nothing

459
00:24:55,110 --> 00:24:53,840
stopping me from doing that it just

460
00:24:58,830 --> 00:24:55,120
depends on

461
00:25:10,310 --> 00:24:58,840
what sentiment is i guess by the overall

462
00:25:10,320 --> 00:25:18,149
so i have just wanted to

463
00:25:18,159 --> 00:25:23,269

to also indicate that

464

00:25:27,669 --> 00:25:26,149

on the ufo hub channel list itself i've

465

00:25:30,789 --> 00:25:27,679

been trying to use this

466

00:25:37,190 --> 00:25:30,799

community tab a lot more

467

00:25:41,350 --> 00:25:40,310

i've had you know today's video that's

468

00:25:44,630 --> 00:25:41,360

coming out

469

00:25:45,909 --> 00:25:44,640

previous videos some polls um conference

470

00:25:48,230 --> 00:25:45,919

is coming up also

471

00:25:49,029 --> 00:25:48,240

which is the ozark mountain ufo

472

00:25:51,750 --> 00:25:49,039

conference it's

473

00:25:52,390 --> 00:25:51,760

going to start this saturday and sunday

474

00:25:55,430 --> 00:25:52,400

and um

475

00:25:59,269 --> 00:25:55,440

it's the welcome is going to be around 8

476

00:26:04,149 --> 00:25:59,279

30 a.m central standard time on saturday

477

00:26:08,390 --> 00:26:06,149

and yeah so obviously it's going to be

478

00:26:11,350 --> 00:26:08,400

virtual so you can watch it

479

00:26:12,149 --> 00:26:11,360

from your home and i hope you do join i

480

00:26:15,110 --> 00:26:12,159

will be

481

00:26:17,029 --> 00:26:15,120

i've done a lot of the basically we did

482

00:26:18,710 --> 00:26:17,039

like a practice session with each one of

483

00:26:21,990 --> 00:26:18,720

the speakers who did several

484

00:26:25,110 --> 00:26:22,000

and uh today i had uh whitley strieber

485

00:26:26,149 --> 00:26:25,120

we were just kind of going over um you

486

00:26:28,630 --> 00:26:26,159

know his connection

487

00:26:29,190 --> 00:26:28,640

and and um based on the hop-in platform

488

00:26:31,590 --> 00:26:29,200

how it

489

00:26:32,630 --> 00:26:31,600

allows to share the screen and any

490

00:26:35,750 --> 00:26:32,640

videos or pictures

491

00:26:39,110 --> 00:26:35,760

or presentation anything like that so

492

00:26:41,830 --> 00:26:39,120

it's been great that um that i kind of

493

00:26:42,549 --> 00:26:41,840

stumbled across that platform to be able

494

00:26:44,549 --> 00:26:42,559

to do that

495

00:26:47,269 --> 00:26:44,559

because it would suck otherwise there

496

00:26:50,549 --> 00:26:47,279

would have been another year without

497

00:26:52,470 --> 00:26:50,559

the ozark conference now of course

498

00:26:54,230 --> 00:26:52,480

from the boss down there's always the

499

00:26:57,029 --> 00:26:54,240

hopes that

500

00:26:57,990 --> 00:26:57,039

it will be live again in eureka springs

501
00:27:01,269 --> 00:26:58,000
arkansas

502
00:27:03,269 --> 00:27:01,279
uh like it has been since the 80s and uh

503
00:27:05,190 --> 00:27:03,279
just to kind of continue that tradition

504
00:27:07,269 --> 00:27:05,200
and it seems like that it's it's gonna

505
00:27:08,950 --> 00:27:07,279
go that way but again i i don't know i

506
00:27:10,630 --> 00:27:08,960
mean anything can happen between now and

507
00:27:13,830 --> 00:27:10,640
then

508
00:27:17,029 --> 00:27:13,840
but yeah i will i'm using this

509
00:27:17,909 --> 00:27:17,039
uh community tab uh almost like my my

510
00:27:21,430 --> 00:27:17,919
facebook

511
00:27:23,430 --> 00:27:21,440
feed because i noticed uh

512
00:27:24,470 --> 00:27:23,440
there's not that much engagement on on

513
00:27:27,269 --> 00:27:24,480

facebook

514

00:27:29,909 --> 00:27:27,279

and i don't know i can't help i can't

515

00:27:32,549 --> 00:27:29,919

figure out the algorithms anymore what

516

00:27:34,710 --> 00:27:32,559

what how often the post what should be

517

00:27:37,269 --> 00:27:34,720

posted or should not be posted so

518

00:27:38,389 --> 00:27:37,279

i mean i i copy over whatever i have on

519

00:27:41,510 --> 00:27:38,399

the twitter ufo

520

00:27:44,630 --> 00:27:41,520

twitter and your facebook and instagram

521

00:27:46,310 --> 00:27:44,640

but um i i just don't know how well

522

00:27:47,269 --> 00:27:46,320

it'll come across or how many people

523

00:27:48,950 --> 00:27:47,279

will find out

524

00:27:52,710 --> 00:27:48,960

i noticed that in the under this

525

00:27:54,549 --> 00:27:52,720

community tab there's a lot more people

526

00:27:56,149 --> 00:27:54,559

partaking in whatever it is i'm saying

527

00:27:56,630 --> 00:27:56,159

and they're more aware of what's going

528

00:27:59,190 --> 00:27:56,640

to come

529

00:28:00,789 --> 00:27:59,200

come up next so check that often and i'm

530

00:28:04,230 --> 00:28:00,799

sure it might come up in your feed

531

00:28:07,430 --> 00:28:04,240

on youtube but i always try to

532

00:28:20,789 --> 00:28:07,440

just use that as my main go-to for

533

00:28:26,870 --> 00:28:24,149

okay let me see here

534

00:28:43,269 --> 00:28:26,880

i'm going back to the chat to see if

535

00:28:46,710 --> 00:28:45,990

uh spaceships he says donald connect on

536

00:28:51,029 --> 00:28:46,720

telegram

537

00:28:55,110 --> 00:28:53,909

oh okay sorry i guess i'm i thought

538

00:28:56,870 --> 00:28:55,120

there was something

539

00:29:00,950 --> 00:28:56,880

uh in reference to me but i guess you

540

00:29:05,750 --> 00:29:02,789

yeah let's uh you know i'll take some

541

00:29:09,269 --> 00:29:05,760

questions if i can answer them i will

542

00:29:12,310 --> 00:29:09,279

otherwise like i said this is totally

543

00:29:15,190 --> 00:29:12,320

last minute it was last night i

544

00:29:16,950 --> 00:29:15,200

was excited i was like yes i got it

545

00:29:18,070 --> 00:29:16,960

figured out it's working great on

546

00:29:19,909 --> 00:29:18,080

telegram

547

00:29:22,470 --> 00:29:19,919

let's you know let's put that out that

548

00:29:24,070 --> 00:29:22,480

it's has been figured out and and see

549

00:29:26,950 --> 00:29:24,080

what happens so this morning was the

550

00:29:29,990 --> 00:29:26,960

first time i posted about it and so

551
00:29:33,590 --> 00:29:30,000
um i didn't mean to blindside anyone but

552
00:29:36,070 --> 00:29:33,600
that's all right so maybe i'll um

553
00:29:36,710 --> 00:29:36,080
have several more days in advance next

554
00:29:39,110 --> 00:29:36,720
time

555
00:29:41,269 --> 00:29:39,120
uh to just post to say okay another open

556
00:29:42,630 --> 00:29:41,279
lines on telegram and see what happens

557
00:29:45,269 --> 00:29:42,640
and i'll and i'll keep that up

558
00:29:46,149 --> 00:29:45,279
and keep it going for a while and see

559
00:29:49,669 --> 00:29:46,159
how

560
00:29:52,149 --> 00:29:49,679
um if it picks up or not but if

561
00:29:53,430 --> 00:29:52,159
nobody logs into to want to chat and

562
00:29:55,830 --> 00:29:53,440
share their story then

563
00:30:00,070 --> 00:29:55,840

i can't there's not much i can do about

564

00:30:00,080 --> 00:30:03,350

okay

565

00:30:06,470 --> 00:30:05,990

and uh for for those of you that are new

566

00:30:08,470 --> 00:30:06,480

and

567

00:30:10,149 --> 00:30:08,480

please remember to if you have a

568

00:30:12,549 --> 00:30:10,159

question directly for me

569

00:30:13,830 --> 00:30:12,559

i'll put three stars right before you

570

00:30:15,350 --> 00:30:13,840

ask a question because then

571

00:30:17,909 --> 00:30:15,360

that way i know it's it's something for

572

00:30:20,310 --> 00:30:17,919

me and i'll and i'll read it

573

00:30:21,909 --> 00:30:20,320

otherwise like i just did early i would

574

00:30:39,110 --> 00:30:21,919

just read off a comment thinking it's

575

00:30:43,190 --> 00:30:41,669

um there's bradley asking ednan would

576
00:30:45,510 --> 00:30:43,200
you be

577
00:30:47,190 --> 00:30:45,520
up to hosting stephen greer's new ufo

578
00:30:49,990 --> 00:30:47,200
documentary coming in

579
00:30:51,190 --> 00:30:50,000
out two months time hosting on your

580
00:30:54,870 --> 00:30:51,200
youtube channel

581
00:30:57,830 --> 00:30:54,880
um it's a good question

582
00:30:58,870 --> 00:30:57,840
and just to be straightforward just

583
00:31:02,149 --> 00:30:58,880
thank you for the

584
00:31:04,789 --> 00:31:02,159
for the for letting me know but no

585
00:31:06,630 --> 00:31:04,799
i just just because there are other

586
00:31:08,389 --> 00:31:06,640
avenues that i'm sure he

587
00:31:10,789 --> 00:31:08,399
he can use and he doesn't necessarily

588
00:31:14,710 --> 00:31:10,799

need my channel but i just want to

589

00:31:15,190 --> 00:31:14,720

um when i when i know more personally

590

00:31:17,669 --> 00:31:15,200

about

591

00:31:19,110 --> 00:31:17,679

each person that i've talked to or

592

00:31:21,830 --> 00:31:19,120

interacted with

593

00:31:23,669 --> 00:31:21,840

maybe i might feel comfortable to maybe

594

00:31:26,230 --> 00:31:23,679

collaborate with them

595

00:31:27,269 --> 00:31:26,240

but um for example like mike dooley a

596

00:31:28,950 --> 00:31:27,279

while back has

597

00:31:30,710 --> 00:31:28,960

reached out and said hey i've written

598

00:31:33,590 --> 00:31:30,720

this channeling book with this

599

00:31:35,029 --> 00:31:33,600

other gal which then i will i don't know

600

00:31:37,029 --> 00:31:35,039

exactly when but i'll have her on the

601
00:31:40,630 --> 00:31:37,039
show as well to talk about it

602
00:31:42,070 --> 00:31:40,640
and so you know um i know mike i trust

603
00:31:44,870 --> 00:31:42,080
him and so i'll i'll

604
00:31:46,710 --> 00:31:44,880
kind of go with that but i don't i don't

605
00:31:51,110 --> 00:31:46,720
want to

606
00:31:54,630 --> 00:31:51,120
i mean i'll mention channels like i

607
00:32:03,830 --> 00:31:54,640
did early in this show but um not not to

608
00:32:11,350 --> 00:32:06,950
um next question is

609
00:32:17,669 --> 00:32:15,190
so vicky uh said hello and then have you

610
00:32:18,549 --> 00:32:17,679
ever had an experience with dts yes i

611
00:32:20,950 --> 00:32:18,559
have and

612
00:32:22,470 --> 00:32:20,960
that's a very long story i've i've had

613
00:32:25,750 --> 00:32:22,480

if you go to the ufo

614

00:32:26,710 --> 00:32:25,760

hub playlist there's a playlist called

615

00:32:28,549 --> 00:32:26,720

talks and

616

00:32:30,789 --> 00:32:28,559

you can see all the different talks that

617

00:32:32,870 --> 00:32:30,799

i've done up until recently

618

00:32:34,070 --> 00:32:32,880

i also had a live show called the five

619

00:32:36,470 --> 00:32:34,080

stages of contact

620

00:32:38,310 --> 00:32:36,480

more details where i tried to go into a

621

00:32:40,149 --> 00:32:38,320

little bit more details about what it is

622

00:32:41,750 --> 00:32:40,159

that i experienced and

623

00:32:43,190 --> 00:32:41,760

and different subjects and answer

624

00:32:44,789 --> 00:32:43,200

different questions so

625

00:32:46,710 --> 00:32:44,799

i hope that helps it's just not

626

00:33:04,630 --> 00:32:46,720

something i would like to go into

627

00:33:08,310 --> 00:33:07,669

sorry if i go silent a little bit i

628

00:33:10,310 --> 00:33:08,320

haven't been

629

00:33:12,710 --> 00:33:10,320

i'm trying to read what's going on in

630

00:33:13,990 --> 00:33:12,720

the in the comments at the same time

631

00:33:15,990 --> 00:33:14,000

i'm sorry it's probably not that

632

00:33:21,509 --> 00:33:16,000

exciting for you to watch but i

633

00:33:28,950 --> 00:33:24,710

paul crocker says think think mars is

634

00:33:34,070 --> 00:33:32,789

um this might be

635

00:33:36,230 --> 00:33:34,080

this might sound like i'm trying to

636

00:33:36,710 --> 00:33:36,240

evade a question but it's not i i don't

637

00:33:39,590 --> 00:33:36,720

believe

638

00:33:40,389 --> 00:33:39,600

that within this this dimension that it

639

00:33:43,350 --> 00:33:40,399

is

640

00:33:45,110 --> 00:33:43,360

that it's it's bearing for a reason

641

00:33:46,230 --> 00:33:45,120

that's why we see it the way we see it

642

00:33:48,549 --> 00:33:46,240

but

643

00:33:50,549 --> 00:33:48,559

i mean this can technically apply to

644

00:33:54,149 --> 00:33:50,559

anything that exists but

645

00:33:55,669 --> 00:33:54,159

on on a different dimension most likely

646

00:33:58,950 --> 00:33:55,679

that

647

00:34:02,230 --> 00:33:58,960

we still possibly can

648

00:34:03,750 --> 00:34:02,240

get in touch with the different um

649

00:34:05,750 --> 00:34:03,760

i guess with the civilization that was

650

00:34:06,789 --> 00:34:05,760

there at that time which of course

651

00:34:10,310 --> 00:34:06,799

depends on who you

652

00:34:13,669 --> 00:34:10,320

whose book you read and follow um

653

00:34:15,270 --> 00:34:13,679

technically they say that we are the

654

00:34:17,430 --> 00:34:15,280

descendants of that martian

655

00:34:18,389 --> 00:34:17,440

race that once mars were destroyed we

656

00:34:21,750 --> 00:34:18,399

kind of

657

00:34:24,230 --> 00:34:21,760

used all the technology moved over to um

658

00:34:26,069 --> 00:34:24,240

to obviously earth now but anyway that's

659

00:34:30,310 --> 00:34:26,079

again all theories

660

00:34:33,349 --> 00:34:30,320

but uh yeah no not i think they would

661

00:34:36,790 --> 00:34:33,359

that i don't know if nasa is hiding it

662

00:34:38,629 --> 00:34:36,800

on purpose you know or or what because

663

00:34:40,629 --> 00:34:38,639

again it would just be conspiracy theory

664

00:34:43,030 --> 00:34:40,639

but i think the more

665

00:34:43,909 --> 00:34:43,040

uh probes are being sent to mars that we

666

00:34:45,829 --> 00:34:43,919

would

667

00:34:46,950 --> 00:34:45,839

see that there potentially was another

668

00:34:49,190 --> 00:34:46,960

civilization

669

00:34:50,230 --> 00:34:49,200

long ago with the different artifacts

670

00:34:54,790 --> 00:34:50,240

still

671

00:34:57,670 --> 00:34:54,800

amazing um ufo i mean not ufo

672

00:34:58,950 --> 00:34:57,680

amazing um artifact pictures to where

673

00:35:01,910 --> 00:34:58,960

they just

674

00:35:02,950 --> 00:35:01,920

look very no pun intended alien when you

675

00:35:05,270 --> 00:35:02,960

look at that picture

676
00:35:07,589 --> 00:35:05,280
you'll see rock sand and then this

677
00:35:09,349 --> 00:35:07,599
obviously constructed shape and there's

678
00:35:11,670 --> 00:35:09,359
hundreds of those there's different

679
00:35:12,230 --> 00:35:11,680
websites i used to follow maybe 15 years

680
00:35:13,670 --> 00:35:12,240
ago

681
00:35:16,230 --> 00:35:13,680
that would kind of that would be the

682
00:35:18,710 --> 00:35:16,240
whole job there was scour

683
00:35:20,230 --> 00:35:18,720
anything that nasa has about mars and

684
00:35:20,710 --> 00:35:20,240
they will look over the pictures and

685
00:35:23,190 --> 00:35:20,720
then

686
00:35:24,150 --> 00:35:23,200
point out any anomalies so it's always

687
00:35:25,990 --> 00:35:24,160
it's always fun

688
00:35:27,670 --> 00:35:26,000

but at the end it just leaves you you

689

00:35:27,990 --> 00:35:27,680

know leaves you guessing if anything it

690

00:35:31,750 --> 00:35:28,000

was

691

00:35:33,190 --> 00:35:31,760

about it

692

00:35:35,349 --> 00:35:33,200

try to look at it i mean no different

693

00:35:37,990 --> 00:35:35,359

than reading a science fiction book

694

00:35:38,710 --> 00:35:38,000

even though you know if the author says

695

00:35:40,630 --> 00:35:38,720

this is

696

00:35:43,030 --> 00:35:40,640

you know made-up story like you know

697

00:35:46,150 --> 00:35:43,040

star trek and all of that at least it's

698

00:35:46,870 --> 00:35:46,160

um entertainment but you can also look

699

00:35:50,390 --> 00:35:46,880

at

700

00:35:52,630 --> 00:35:50,400

being true

701
00:35:53,750 --> 00:35:52,640
you know and and kind of just follow

702
00:35:56,630 --> 00:35:53,760
that you know

703
00:35:58,069 --> 00:35:56,640
to where well it is possible for nasa to

704
00:36:00,310 --> 00:35:58,079
possibly hide

705
00:36:01,349 --> 00:36:00,320
something you know it is possible that

706
00:36:03,349 --> 00:36:01,359
whatever

707
00:36:05,349 --> 00:36:03,359
gets through you know is actually

708
00:36:12,150 --> 00:36:05,359
another artifact from a civilization

709
00:36:15,750 --> 00:36:12,160
long gone

710
00:36:19,270 --> 00:36:15,760
and so um don't uh

711
00:36:21,349 --> 00:36:19,280
don't forget to um

712
00:36:22,870 --> 00:36:21,359
if you do have telegram and you would

713
00:36:25,829 --> 00:36:22,880

like to share your story and

714

00:36:27,829 --> 00:36:25,839

want to talk to me just go to telegram

715

00:36:28,630 --> 00:36:27,839

search for ufo hub then you'll find a

716

00:36:30,390 --> 00:36:28,640

group

717

00:36:32,870 --> 00:36:30,400

where there should be a voice chat going

718

00:36:33,750 --> 00:36:32,880

on right now and uh feel free to join

719

00:36:58,950 --> 00:36:33,760

and uh

720

00:37:04,230 --> 00:37:02,550

well yeah naturally nathan

721

00:37:05,910 --> 00:37:04,240

it says can i ask my question on

722

00:37:07,510 --> 00:37:05,920

telegram sure i mean

723

00:37:09,270 --> 00:37:07,520

that's why it's there even if you don't

724

00:37:12,069 --> 00:37:09,280

have a story i mean why not

725

00:37:12,550 --> 00:37:12,079

they can just be because i have it open

726
00:37:15,270 --> 00:37:12,560
you know

727
00:37:17,109 --> 00:37:15,280
for for this purpose we could just you

728
00:37:23,349 --> 00:37:17,119
can just ask a question instead of

729
00:37:25,109 --> 00:37:23,359
it being having to be read on on chat

730
00:37:51,109 --> 00:37:25,119
and that goes for for anyone that would

731
00:37:55,990 --> 00:37:53,589
uh this one is from uh donald it says

732
00:37:58,790 --> 00:37:56,000
anything to add to the through

733
00:38:00,310 --> 00:37:58,800
i guess third july 1947 roswell new

734
00:38:03,510 --> 00:38:00,320
mexico crash

735
00:38:08,069 --> 00:38:03,520
retrievals and ebe corpse

736
00:38:10,069 --> 00:38:08,079
autopsy um

737
00:38:11,750 --> 00:38:10,079
maybe i don't know maybe some of you

738
00:38:12,710 --> 00:38:11,760

already know about this but something

739

00:38:17,589 --> 00:38:12,720

that

740

00:38:18,790 --> 00:38:17,599

told through bashar which was really

741

00:38:22,950 --> 00:38:18,800

interesting

742

00:38:26,390 --> 00:38:22,960

that he mentioned what initially caused

743

00:38:28,550 --> 00:38:26,400

caused the crash was the the radar

744

00:38:29,910 --> 00:38:28,560

that was being tested at that time

745

00:38:32,630 --> 00:38:29,920

because it was

746

00:38:33,270 --> 00:38:32,640

they were still developing different um

747

00:38:36,550 --> 00:38:33,280

i guess

748

00:38:39,750 --> 00:38:36,560

different radar devices and um

749

00:38:41,510 --> 00:38:39,760

i guess mess with their

750

00:38:43,829 --> 00:38:41,520

navigations and their ships and it

751
00:38:44,230 --> 00:38:43,839
caused the crash that's what what he was

752
00:38:46,310 --> 00:38:44,240
saying

753
00:38:47,910 --> 00:38:46,320
and i thought that was interesting i

754
00:38:50,069 --> 00:38:47,920
don't know if it's wildly known

755
00:38:51,430 --> 00:38:50,079
or if some of you have read about that

756
00:38:53,349 --> 00:38:51,440
but um

757
00:38:54,870 --> 00:38:53,359
if anything just take it in put it in

758
00:38:57,030 --> 00:38:54,880
the back of your head and

759
00:38:59,349 --> 00:38:57,040
see maybe eventually if there's more

760
00:39:01,109 --> 00:38:59,359
data about this then

761
00:39:11,510 --> 00:39:01,119
you know at least you have some kind of

762
00:39:20,150 --> 00:39:15,190
okay well we have um i don't mean to put

763
00:39:35,750 --> 00:39:25,270

but we have one person

764

00:39:35,760 --> 00:39:45,109

hi copper clad lad can you hear me

765

00:39:45,119 --> 00:39:53,430

hello can you hear me

766

00:40:10,870 --> 00:39:56,470

okay let's see what what the problem he

767

00:40:22,550 --> 00:40:10,880

could be

768

00:40:41,270 --> 00:40:24,069

okay let's try this one more time can

769

00:40:41,280 --> 00:40:46,710

that's a bummer

770

00:40:46,720 --> 00:40:51,190

let's see

771

00:40:51,200 --> 00:40:56,950

how about now oh yes i can hear you now

772

00:41:02,069 --> 00:41:00,230

oh which which part

773

00:41:03,910 --> 00:41:02,079

push to talk on and i wasn't pressing

774

00:41:06,790 --> 00:41:03,920

the button

775

00:41:07,270 --> 00:41:06,800

oh okay there's setting in telegram that

776

00:41:17,190 --> 00:41:07,280

i

777

00:41:21,510 --> 00:41:17,200

to

778

00:41:23,829 --> 00:41:21,520

see if i can get some feedback from

779

00:41:25,589 --> 00:41:23,839

from the chat can can you guys hear this

780

00:41:26,230 --> 00:41:25,599

i know it's there's about a 20 second

781

00:41:28,470 --> 00:41:26,240

delay

782

00:41:30,309 --> 00:41:28,480

if you can let me know that you hear

783

00:41:30,630 --> 00:41:30,319

hear him then we should be good to go

784

00:41:38,790 --> 00:41:30,640

and

785

00:41:42,069 --> 00:41:40,230

but yeah thank you uh thank you for

786

00:41:45,109 --> 00:41:42,079

joining me yeah

787

00:41:46,470 --> 00:41:45,119

um well my name is nathan okay yeah if

788

00:41:48,069 --> 00:41:46,480

you don't mind sharing i just didn't

789

00:41:49,910 --> 00:41:48,079

want to um

790

00:41:53,109 --> 00:41:49,920

i didn't want to give out any other

791

00:41:55,910 --> 00:41:53,119

information that you might i understand

792

00:41:57,510 --> 00:41:55,920

this is fine i'm pretty open myself

793

00:42:00,630 --> 00:41:57,520

right

794

00:42:03,349 --> 00:42:00,640

uh my question if if you don't mind i

795

00:42:06,390 --> 00:42:03,359

can ask it now um

796

00:42:09,670 --> 00:42:06,400

you um i don't know if you know this

797

00:42:12,390 --> 00:42:09,680

uh series on gaia tv they have a

798

00:42:13,990 --> 00:42:12,400

one called cosmic disclosure and on

799

00:42:15,349 --> 00:42:14,000

cosmic disclosure there's a guy named

800

00:42:20,550 --> 00:42:15,359

emery smith

801
00:42:21,990 --> 00:42:20,560
heard the name

802
00:42:24,470 --> 00:42:22,000
okay yeah go ahead what were you going

803
00:42:27,990 --> 00:42:24,480
to ask well he he has

804
00:42:31,030 --> 00:42:28,000
very interesting uh like recounts of his

805
00:42:34,069 --> 00:42:31,040
of his involving with uh like

806
00:42:36,630 --> 00:42:34,079
live uh aliens and such uh

807
00:42:38,230 --> 00:42:36,640
he has apparently uh accounted on gaia

808
00:42:40,870 --> 00:42:38,240
tv on this

809
00:42:42,710 --> 00:42:40,880
like the first season of cosmic

810
00:42:46,230 --> 00:42:42,720
disclosure that he has

811
00:42:46,870 --> 00:42:46,240
uh seen this technology that uh possibly

812
00:42:50,069 --> 00:42:46,880
has like

813
00:42:52,870 --> 00:42:50,079

healing technology out there and what he

814

00:42:54,790 --> 00:42:52,880

what he claims and what he says is that

815

00:42:57,589 --> 00:42:54,800

every time he goes on to like

816

00:42:59,430 --> 00:42:57,599

get interviewed or goes on say cosmic

817

00:43:01,910 --> 00:42:59,440

disclosure and gets interviewed

818

00:43:03,990 --> 00:43:01,920

that he may accidentally slip and like

819

00:43:05,750 --> 00:43:04,000

say too much or something and then

820

00:43:07,349 --> 00:43:05,760

the next thing he knows is that he

821

00:43:08,630 --> 00:43:07,359

notices that this technology is now

822

00:43:10,309 --> 00:43:08,640

being developed by com

823

00:43:11,910 --> 00:43:10,319

companies they're starting this new

824

00:43:13,270 --> 00:43:11,920

healing programs and stuff like that so

825

00:43:14,309 --> 00:43:13,280

i was wondering if there's anything

826

00:43:17,030 --> 00:43:14,319

about that

827

00:43:18,470 --> 00:43:17,040

anywhere else other than you know emory

828

00:43:19,990 --> 00:43:18,480

talking about that there's healing

829

00:43:24,309 --> 00:43:20,000

technology being developed

830

00:43:26,309 --> 00:43:24,319

like with this like new incoming age of

831

00:43:28,230 --> 00:43:26,319

you know technology and such are you

832

00:43:30,150 --> 00:43:28,240

referring to what's also

833

00:43:31,910 --> 00:43:30,160

um generally kind of known as like the

834

00:43:33,990 --> 00:43:31,920

med med beds

835

00:43:36,630 --> 00:43:34,000

yeah kind of okay like that i would

836

00:43:38,390 --> 00:43:36,640

think that too

837

00:43:40,470 --> 00:43:38,400

you know that's it's you know very

838

00:43:42,390 --> 00:43:40,480

interesting because

839

00:43:43,829 --> 00:43:42,400

the one the one part that's that's

840

00:43:45,510 --> 00:43:43,839

really um

841

00:43:46,870 --> 00:43:45,520

i guess it really sucks about different

842

00:43:50,150 --> 00:43:46,880

governments is because

843

00:43:51,910 --> 00:43:50,160

because of their lack of

844

00:43:54,470 --> 00:43:51,920

transparency and because they don't want

845

00:43:55,990 --> 00:43:54,480

to they don't want to talk about what it

846

00:43:59,430 --> 00:43:56,000

is that they know

847

00:44:00,790 --> 00:43:59,440

you know um it's the possibility for

848

00:44:03,990 --> 00:44:00,800

something like that to

849

00:44:08,630 --> 00:44:04,000

to exist out there is obviously

850

00:44:10,870 --> 00:44:08,640

you know great and if it is you know

851

00:44:12,069 --> 00:44:10,880

it's very psychopathic almost for them

852

00:44:14,230 --> 00:44:12,079

not to share it

853

00:44:15,670 --> 00:44:14,240

you know to just kind of it to be hidden

854

00:44:17,910 --> 00:44:15,680

you know because

855

00:44:19,190 --> 00:44:17,920

why would you you know if if everyone

856

00:44:21,270 --> 00:44:19,200

can benefit from this

857

00:44:22,630 --> 00:44:21,280

eventually the whole world will be you

858

00:44:25,510 --> 00:44:22,640

know

859

00:44:26,630 --> 00:44:25,520

a better place so to say and it's it's

860

00:44:28,870 --> 00:44:26,640

it's

861

00:44:29,829 --> 00:44:28,880

you know i don't know because here's the

862

00:44:31,990 --> 00:44:29,839

other part

863

00:44:33,829 --> 00:44:32,000

there would have to be a lot of people

864

00:44:34,950 --> 00:44:33,839

that then down this chain that would

865

00:44:38,069 --> 00:44:34,960

have to be

866

00:44:39,910 --> 00:44:38,079

so deluded and so twisted

867

00:44:41,670 --> 00:44:39,920

to just keep it a secret all the way

868

00:44:44,230 --> 00:44:41,680

down from the the

869

00:44:45,750 --> 00:44:44,240

smallest engineer to all the way up to

870

00:44:46,790 --> 00:44:45,760

the person that's supposed to be in

871

00:44:50,630 --> 00:44:46,800

charge of this

872

00:44:52,390 --> 00:44:50,640

to for it to um you know to

873

00:44:54,150 --> 00:44:52,400

somehow leak out the documents or the

874

00:44:55,349 --> 00:44:54,160

mainstream signs they can maybe do

875

00:44:58,950 --> 00:44:55,359

something with it

876

00:45:00,950 --> 00:44:58,960

you know but yeah i mean um

877

00:45:02,470 --> 00:45:00,960

you know i don't i don't know i've heard

878

00:45:04,550 --> 00:45:02,480

the name vaguely and i

879

00:45:06,230 --> 00:45:04,560

don't know that much but i'm glad you

880

00:45:06,950 --> 00:45:06,240

you filled maine on what it is that it

881

00:45:09,349 --> 00:45:06,960

covers

882

00:45:10,150 --> 00:45:09,359

and i don't have i don't have gaia tv

883

00:45:12,710 --> 00:45:10,160

either

884

00:45:14,470 --> 00:45:12,720

yeah i i i do i don't really look at it

885

00:45:16,950 --> 00:45:14,480

that much there's just so much on there

886

00:45:18,470 --> 00:45:16,960

but he he opened me up to that and a lot

887

00:45:21,349 --> 00:45:18,480

of what he talks about

888

00:45:22,710 --> 00:45:21,359

um he now actually hosts uh that show

889

00:45:25,030 --> 00:45:22,720

now which is

890

00:45:25,990 --> 00:45:25,040

you know very interesting on my part to

891

00:45:27,430 --> 00:45:26,000

think that

892

00:45:28,790 --> 00:45:27,440

you know what else is he saying like

893

00:45:29,910 --> 00:45:28,800

what else is he not saying and stuff

894

00:45:33,510 --> 00:45:29,920

like that so

895

00:45:35,270 --> 00:45:33,520

uh that that um his main thing

896

00:45:37,190 --> 00:45:35,280

would be that his main thing he he

897

00:45:38,069 --> 00:45:37,200

apparently did autopsies on aliens and

898

00:45:40,069 --> 00:45:38,079

such in his

899

00:45:41,190 --> 00:45:40,079

his recounting so he has a medical

900

00:45:42,790 --> 00:45:41,200

background

901
00:45:44,630 --> 00:45:42,800
in that you know military medical

902
00:45:47,670 --> 00:45:44,640
background and so-called

903
00:45:49,270 --> 00:45:47,680
he recounts it all on gaia um and so i

904
00:45:53,270 --> 00:45:49,280
just thought that was really cool to

905
00:45:56,630 --> 00:45:53,280
share and ask right let me actually

906
00:46:00,150 --> 00:45:56,640
well uh can you uh

907
00:46:02,069 --> 00:46:00,160
is it e-m-e-r-y emery

908
00:46:03,589 --> 00:46:02,079
or am i spelling someone may have put it

909
00:46:07,510 --> 00:46:03,599
in the chat i don't know

910
00:46:09,829 --> 00:46:07,520
okay i'll check let's figure well

911
00:46:11,030 --> 00:46:09,839
i hope you don't mind um just hanging

912
00:46:12,790 --> 00:46:11,040
out with me for a little bit

913
00:46:14,390 --> 00:46:12,800

there's doesn't seem to be anyone else

914

00:46:16,230 --> 00:46:14,400

and i certainly appreciate you being on

915

00:46:18,230 --> 00:46:16,240

because the whole goal was to

916

00:46:19,750 --> 00:46:18,240

pretty much test it out forever for the

917

00:46:22,150 --> 00:46:19,760

first time so

918

00:46:23,109 --> 00:46:22,160

thank you nathan i appreciate it i'm

919

00:46:26,470 --> 00:46:23,119

glad to

920

00:46:29,270 --> 00:46:26,480

to help and and i don't know um just a

921

00:46:31,109 --> 00:46:29,280

quick recounting of how i found you i

922

00:46:32,630 --> 00:46:31,119

think this was part of my awakening when

923

00:46:34,550 --> 00:46:32,640

it came to just

924

00:46:36,470 --> 00:46:34,560

learning about all this stuff so maybe

925

00:46:38,470 --> 00:46:36,480

about five six years ago

926

00:46:39,750 --> 00:46:38,480

i you know looked at my facebook i

927

00:46:41,349 --> 00:46:39,760

looked at my youtube i'm like

928

00:46:43,349 --> 00:46:41,359

why do i have all these things i don't

929

00:46:44,630 --> 00:46:43,359

like i don't really care for mcdonald's

930

00:46:46,790 --> 00:46:44,640

or south park so

931

00:46:47,670 --> 00:46:46,800

let me start liking the things i do like

932

00:46:49,349 --> 00:46:47,680

and

933

00:46:50,790 --> 00:46:49,359

so i really just deleted all the things

934

00:46:52,630 --> 00:46:50,800

i didn't like on social media and then

935

00:46:54,069 --> 00:46:52,640

started liking all the things i did

936

00:46:55,990 --> 00:46:54,079

and then i started looking at all the

937

00:46:58,390 --> 00:46:56,000

all the new things like

938

00:47:00,950 --> 00:46:58,400

a lot of new age stuff myself i come

939

00:47:02,950 --> 00:47:00,960

from a new age background but not fully

940

00:47:05,270 --> 00:47:02,960

and now it's a lot of it is also ufos

941

00:47:07,190 --> 00:47:05,280

and a lot of other esoteric stuff

942

00:47:08,470 --> 00:47:07,200

and i think in that i think i found your

943

00:47:10,630 --> 00:47:08,480

channel that way

944

00:47:12,710 --> 00:47:10,640

and uh it's just always been on my you

945

00:47:14,710 --> 00:47:12,720

know my news feed and my subscriptions

946

00:47:16,470 --> 00:47:14,720

and and then i saw your your one of your

947

00:47:18,069 --> 00:47:16,480

live streams recently

948

00:47:19,910 --> 00:47:18,079

and i hadn't asked a question on that

949

00:47:22,230 --> 00:47:19,920

and it was really inspiring for me to

950

00:47:23,750 --> 00:47:22,240

to keep listening because you asked you

951
00:47:23,990 --> 00:47:23,760
answered my question pretty well and i

952
00:47:26,710 --> 00:47:24,000
really

953
00:47:27,190 --> 00:47:26,720
enjoyed that well thank you i appreciate

954
00:47:29,109 --> 00:47:27,200
that

955
00:47:30,390 --> 00:47:29,119
yeah well i mean it's it's a little bit

956
00:47:34,309 --> 00:47:30,400
um

957
00:47:36,230 --> 00:47:34,319
hard for somebody to

958
00:47:37,990 --> 00:47:36,240
unless they have sort of an inspiration

959
00:47:40,150 --> 00:47:38,000
like you did and during my time

960
00:47:42,470 --> 00:47:40,160
i had the same thing to where you just

961
00:47:44,549 --> 00:47:42,480
go out and look for whatever it is that

962
00:47:45,670 --> 00:47:44,559
whatever food your soul is looking for

963
00:47:49,589 --> 00:47:45,680

you know

964

00:47:50,069 --> 00:47:49,599

and uh and and so when you do that you

965

00:47:52,309 --> 00:47:50,079

kind of

966

00:47:54,150 --> 00:47:52,319

you know it resonates with you and you

967

00:47:55,910 --> 00:47:54,160

you kind of go along with that

968

00:47:57,349 --> 00:47:55,920

but then when you're off the sudden in a

969

00:47:59,670 --> 00:47:57,359

spot like where

970

00:48:01,270 --> 00:47:59,680

what i'm doing now is i don't want

971

00:48:01,829 --> 00:48:01,280

people to hang on every word that i'm

972

00:48:03,430 --> 00:48:01,839

saying

973

00:48:05,109 --> 00:48:03,440

you know i would like for them to go

974

00:48:07,190 --> 00:48:05,119

about you know do

975

00:48:08,950 --> 00:48:07,200

do their own research now of course if

976

00:48:11,030 --> 00:48:08,960

if i can help maybe to talk to another

977

00:48:12,390 --> 00:48:11,040

person that knows more than i do about

978

00:48:14,309 --> 00:48:12,400

different subjects then

979

00:48:15,829 --> 00:48:14,319

at least i've helped to feel that much

980

00:48:18,630 --> 00:48:15,839

more but um

981

00:48:19,750 --> 00:48:18,640

it is a bit nerve-wracking that when um

982

00:48:21,589 --> 00:48:19,760

you know

983

00:48:22,790 --> 00:48:21,599

people would would want to know more

984

00:48:25,109 --> 00:48:22,800

about you

985

00:48:26,390 --> 00:48:25,119

and and why am i doing this and what's

986

00:48:28,870 --> 00:48:26,400

going on especially

987

00:48:29,990 --> 00:48:28,880

when it comes to talking about these

988

00:48:32,309 --> 00:48:30,000

personal and very

989

00:48:35,190 --> 00:48:32,319

sometimes intimate stories but it's i

990

00:48:37,030 --> 00:48:35,200

guess sometimes it's required to just

991

00:48:39,030 --> 00:48:37,040

connect on that human level to say hey

992

00:48:39,349 --> 00:48:39,040

i'm human too and this is what happened

993

00:48:43,829 --> 00:48:39,359

so

994

00:48:49,910 --> 00:48:47,109

yeah yeah it's like your

995

00:48:50,870 --> 00:48:49,920

amount amalgamating all of the different

996

00:48:53,349 --> 00:48:50,880

stuff about

997

00:48:55,670 --> 00:48:53,359

what you like and kind of doing your

998

00:48:58,230 --> 00:48:55,680

best on producing that

999

00:48:59,510 --> 00:48:58,240

right well i mean initially you know

1000

00:49:00,950 --> 00:48:59,520

because i was collecting all these

1001
00:49:03,109 --> 00:49:00,960
different documents and i had them in

1002
00:49:05,510 --> 00:49:03,119
pdf form this was

1003
00:49:07,589 --> 00:49:05,520
all about what does the government know

1004
00:49:10,470 --> 00:49:07,599
and um

1005
00:49:12,309 --> 00:49:10,480
you know it there's so much stuff that

1006
00:49:15,109 --> 00:49:12,319
eventually was

1007
00:49:16,470 --> 00:49:15,119
not leaked but you know released and

1008
00:49:19,349 --> 00:49:16,480
declassified

1009
00:49:20,150 --> 00:49:19,359
and when you read it in details it's

1010
00:49:23,190 --> 00:49:20,160
very

1011
00:49:25,030 --> 00:49:23,200
something

1012
00:49:26,790 --> 00:49:25,040
that they're not what they're saying

1013
00:49:27,750 --> 00:49:26,800

publicly but what they're doing in the

1014

00:49:29,109 --> 00:49:27,760

background

1015

00:49:31,030 --> 00:49:29,119

is not the same they would say oh

1016

00:49:31,349 --> 00:49:31,040

there's nothing there they're no threat

1017

00:49:32,630 --> 00:49:31,359

to

1018

00:49:34,230 --> 00:49:32,640

national security but they're

1019

00:49:35,990 --> 00:49:34,240

frantically in the background doing

1020

00:49:37,910 --> 00:49:36,000

everything they can to find out as much

1021

00:49:39,589 --> 00:49:37,920

information as possible

1022

00:49:41,750 --> 00:49:39,599

but it's funny how they release it in

1023

00:49:42,790 --> 00:49:41,760

these very obscure different documents

1024

00:49:46,150 --> 00:49:42,800

and it's

1025

00:49:48,630 --> 00:49:46,160

they're not directly stating things but

1026

00:49:49,270 --> 00:49:48,640

enough to where you can tell some money

1027

00:49:51,190 --> 00:49:49,280

and

1028

00:49:54,390 --> 00:49:51,200

millions upon millions were spent on

1029

00:50:01,829 --> 00:49:58,390

yeah yeah i i am shocked at how much

1030

00:50:04,470 --> 00:50:01,839

disinformation campaigning is

1031

00:50:06,549 --> 00:50:04,480

there is going on there's so much money

1032

00:50:09,910 --> 00:50:06,559

being dumped in this direction

1033

00:50:10,470 --> 00:50:09,920

just to hide it i i'm just absolutely

1034

00:50:13,990 --> 00:50:10,480

shocked

1035

00:50:16,390 --> 00:50:14,000

like ufo and a lot of this stuff is

1036

00:50:18,309 --> 00:50:16,400

isn't really my main subject but i come

1037

00:50:20,150 --> 00:50:18,319

on into it at time to time like recently

1038

00:50:23,670 --> 00:50:20,160

someone shared a ufo

1039

00:50:25,990 --> 00:50:23,680

uh like a a moon moon based documentary

1040

00:50:26,870 --> 00:50:26,000

for me and i was just blown away at how

1041

00:50:28,069 --> 00:50:26,880

much like

1042

00:50:30,230 --> 00:50:28,079

all these different people were

1043

00:50:33,349 --> 00:50:30,240

connecting these dots and everything and

1044

00:50:35,270 --> 00:50:33,359

it was just amazing right well it's in

1045

00:50:36,470 --> 00:50:35,280

what is your initial focus if you don't

1046

00:50:40,790 --> 00:50:36,480

mind me asking

1047

00:50:41,990 --> 00:50:40,800

oh my main focus is just a general um

1048

00:50:44,069 --> 00:50:42,000

i would figure it's a lot of the

1049

00:50:46,630 --> 00:50:44,079

esoteric occult sciences

1050

00:50:48,790 --> 00:50:46,640

natural law um i really really am

1051

00:50:51,030 --> 00:50:48,800

enjoying that where it comes to

1052

00:50:52,069 --> 00:50:51,040

uh some of the things that got me on to

1053

00:50:54,549 --> 00:50:52,079

that were

1054

00:50:57,030 --> 00:50:54,559

ufos and and aliens and things like that

1055

00:50:59,430 --> 00:50:57,040

but a lot of it came from

1056

00:51:00,630 --> 00:50:59,440

uh like health a lot of it was from

1057

00:51:03,190 --> 00:51:00,640

health and then

1058

00:51:05,670 --> 00:51:03,200

i turned into like just seeking like

1059

00:51:07,670 --> 00:51:05,680

different forms of thought like uh

1060

00:51:09,270 --> 00:51:07,680

new age thought like the power

1061

00:51:11,030 --> 00:51:09,280

empowerment training and

1062

00:51:12,950 --> 00:51:11,040

uh like you know personal development

1063

00:51:14,950 --> 00:51:12,960

stuff and then it kind of went into

1064

00:51:17,270 --> 00:51:14,960

the sciences and then from there i

1065

00:51:19,030 --> 00:51:17,280

learned about a guy named mar pacio

1066

00:51:20,470 --> 00:51:19,040

and mark pouncillo really took me on

1067

00:51:23,349 --> 00:51:20,480

that yep

1068

00:51:24,390 --> 00:51:23,359

yeah mark mark uh i i'm actually really

1069

00:51:26,710 --> 00:51:24,400

close with him and

1070

00:51:27,430 --> 00:51:26,720

and his work and and keep keep in touch

1071

00:51:30,630 --> 00:51:27,440

with him a lot

1072

00:51:32,549 --> 00:51:30,640

and uh he has really opened my eyes to a

1073

00:51:35,030 --> 00:51:32,559

lot of that stuff and i really have

1074

00:51:35,589 --> 00:51:35,040

you know put my heart on that line of of

1075

00:51:39,430 --> 00:51:35,599

work

1076

00:51:40,950 --> 00:51:39,440

of natural law in you know it was very

1077

00:51:43,510 --> 00:51:40,960

interesting the first time i met

1078

00:51:45,589 --> 00:51:43,520

mark it was um actually organized by a

1079

00:51:46,470 --> 00:51:45,599

late friend of mine called ray mummy and

1080

00:51:49,510 --> 00:51:46,480

it's this was

1081

00:51:51,270 --> 00:51:49,520

taking place in san luis he said this

1082

00:51:52,630 --> 00:51:51,280

guy mark is going to come to talk can

1083

00:51:54,870 --> 00:51:52,640

you come record

1084

00:51:56,470 --> 00:51:54,880

and i had no idea what this is for i did

1085

00:51:57,109 --> 00:51:56,480

i could didn't understand if he wanted

1086

00:52:00,470 --> 00:51:57,119

to re

1087

00:52:03,670 --> 00:52:00,480

you know

1088

00:52:06,549 --> 00:52:03,680

favor as a friend or what but um

1089

00:52:06,950 --> 00:52:06,559

i wasn't quite sure what i signed up for

1090

00:52:09,030 --> 00:52:06,960

then

1091

00:52:10,309 --> 00:52:09,040

when i saw him i immediately realized

1092

00:52:11,829 --> 00:52:10,319

that i actually watched some of his

1093

00:52:12,790 --> 00:52:11,839

other videos where he breaks down the

1094

00:52:15,270 --> 00:52:12,800

matrix

1095

00:52:17,589 --> 00:52:15,280

and the meaning and this uh is it

1096

00:52:20,790 --> 00:52:17,599

symbolism or symbology i'm kind of

1097

00:52:23,349 --> 00:52:20,800

doing symbolism okay

1098

00:52:24,069 --> 00:52:23,359

symbolism in that movie you know and the

1099

00:52:27,190 --> 00:52:24,079

the

1100

00:52:30,230 --> 00:52:27,200

three three three

1101
00:52:32,950 --> 00:52:30,240
yeah one zero one rooms one zero one

1102
00:52:34,710 --> 00:52:32,960
right right but anyway so and i thought

1103
00:52:35,190 --> 00:52:34,720
this was just going to be a you know

1104
00:52:37,349 --> 00:52:35,200
like a

1105
00:52:38,230 --> 00:52:37,359
you know hour to talk this went on for

1106
00:52:40,630 --> 00:52:38,240
hours

1107
00:52:41,430 --> 00:52:40,640
and i still i have it on the ufo hub

1108
00:52:45,190 --> 00:52:41,440
channel

1109
00:52:48,549 --> 00:52:45,200
um and interesting um so anyways

1110
00:52:49,109 --> 00:52:48,559
uh when when i was when i was talking to

1111
00:52:51,670 --> 00:52:49,119
him

1112
00:52:52,790 --> 00:52:51,680
initially uh because we i recorded the

1113
00:52:55,190 --> 00:52:52,800

whole show and then

1114

00:52:56,390 --> 00:52:55,200

later on when we met up at at uh my

1115

00:52:58,230 --> 00:52:56,400

friend ray's house

1116

00:53:00,150 --> 00:52:58,240

now i asked him if he wouldn't mind

1117

00:53:01,270 --> 00:53:00,160

doing another interview just one-on-one

1118

00:53:03,510 --> 00:53:01,280

with me

1119

00:53:04,470 --> 00:53:03,520

and uh he he agreed and i was very happy

1120

00:53:06,630 --> 00:53:04,480

about that but

1121

00:53:08,309 --> 00:53:06,640

he was saying just you know i can't go

1122

00:53:09,829 --> 00:53:08,319

on much longer because i just spoke for

1123

00:53:11,589 --> 00:53:09,839

eight hours straight and my voice is

1124

00:53:14,950 --> 00:53:11,599

given out

1125

00:53:17,829 --> 00:53:14,960

i didn't think about that you know

1126

00:53:18,230 --> 00:53:17,839

right that's cool i see it here actually

1127

00:53:20,710 --> 00:53:18,240

the

1128

00:53:22,230 --> 00:53:20,720

six years ago right right it's yeah it's

1129

00:53:24,069 --> 00:53:22,240

been a it's been a while

1130

00:53:26,069 --> 00:53:24,079

and it was weird for me too because i

1131

00:53:28,630 --> 00:53:26,079

didn't initially connect the name

1132

00:53:30,710 --> 00:53:28,640

when he was saying to come and see if i

1133

00:53:32,870 --> 00:53:30,720

can record mark pastor i

1134

00:53:35,190 --> 00:53:32,880

said that's fine totally slipped my mind

1135

00:53:37,270 --> 00:53:35,200

that i was watching some of the videos

1136

00:53:39,270 --> 00:53:37,280

of those breakdowns and i like those

1137

00:53:41,910 --> 00:53:39,280

because it has

1138

00:53:44,390 --> 00:53:41,920

you know it the the connection of this

1139

00:53:46,950 --> 00:53:44,400

oneness that we all generally talk about

1140

00:53:49,510 --> 00:53:46,960

it has all these very interesting ways

1141

00:53:52,069 --> 00:53:49,520

of expressing itself to where

1142

00:53:54,630 --> 00:53:52,079

you think you're talking about one thing

1143

00:53:56,950 --> 00:53:54,640

but in reality it's

1144

00:53:57,829 --> 00:53:56,960

it's connecting everything together you

1145

00:54:01,510 --> 00:53:57,839

know and

1146

00:54:01,910 --> 00:54:01,520

um it it's this i guess call it natural

1147

00:54:05,829 --> 00:54:01,920

law

1148

00:54:08,710 --> 00:54:05,839

it's these um different symbols

1149

00:54:10,309 --> 00:54:08,720

you know these occult things that i

1150

00:54:11,829 --> 00:54:10,319

guess they were occult because they

1151
00:54:13,589 --> 00:54:11,839
they really couldn't discuss them back

1152
00:54:14,549 --> 00:54:13,599
then openly otherwise they would

1153
00:54:17,589 --> 00:54:14,559
immediately

1154
00:54:19,910 --> 00:54:17,599
you know label this uh witches and and

1155
00:54:20,710 --> 00:54:19,920
devils and demons and all kinds of stuff

1156
00:54:24,069 --> 00:54:20,720
because

1157
00:54:25,910 --> 00:54:24,079
a very very different point of view

1158
00:54:27,190 --> 00:54:25,920
from what was going on at that time

1159
00:54:28,870 --> 00:54:27,200
would have been would have been

1160
00:54:30,150 --> 00:54:28,880
perceived as a threat so of course it

1161
00:54:36,630 --> 00:54:30,160
had to go into

1162
00:54:41,270 --> 00:54:40,150
i agree yeah a lot a lot of that

1163
00:54:44,309 --> 00:54:41,280

connection

1164

00:54:47,670 --> 00:54:44,319

is really deep and i

1165

00:54:51,510 --> 00:54:47,680

he he had said something to me oh

1166

00:54:54,069 --> 00:54:51,520

not to me on one of his lectures

1167

00:54:56,309 --> 00:54:54,079

where it the truth speaks and the the

1168

00:54:58,309 --> 00:54:56,319

once the truth spoke i i don't know i

1169

00:54:59,910 --> 00:54:58,319

he he seemed to have just spoke

1170

00:55:01,030 --> 00:54:59,920

something that really resonated with me

1171

00:55:04,390 --> 00:55:01,040

to the point where i just

1172

00:55:06,789 --> 00:55:04,400

i heard exactly what i needed to hear

1173

00:55:08,309 --> 00:55:06,799

and it really you know that comes to

1174

00:55:11,510 --> 00:55:08,319

people in different ways

1175

00:55:14,630 --> 00:55:11,520

i know that it may not be for everyone

1176
00:55:16,150 --> 00:55:14,640
and i'll give everyone that uh you know

1177
00:55:17,990 --> 00:55:16,160
benefit of the doubt on

1178
00:55:20,309 --> 00:55:18,000
whether or not they can understand that

1179
00:55:20,950 --> 00:55:20,319
and it it really is a connection of

1180
00:55:22,870 --> 00:55:20,960
things that's a

1181
00:55:24,789 --> 00:55:22,880
it's i think i've heard him say this

1182
00:55:26,309 --> 00:55:24,799
it's like a tapestry

1183
00:55:28,789 --> 00:55:26,319
and you don't have to have all the

1184
00:55:30,150 --> 00:55:28,799
pieces but you can kind of get the

1185
00:55:33,430 --> 00:55:30,160
general picture

1186
00:55:37,750 --> 00:55:35,670
right well it's amazing how much

1187
00:55:38,950 --> 00:55:37,760
information he's able to retain just

1188
00:55:40,950 --> 00:55:38,960

within a talk

1189

00:55:42,549 --> 00:55:40,960

and maybe of course when you practice uh

1190

00:55:44,789 --> 00:55:42,559

certain things enough

1191

00:55:45,670 --> 00:55:44,799

it makes sense that he would be able to

1192

00:55:47,510 --> 00:55:45,680

but just even

1193

00:55:49,829 --> 00:55:47,520

talking to him just later on at the

1194

00:55:50,950 --> 00:55:49,839

after party and uh just having

1195

00:55:53,190 --> 00:55:50,960

discussion

1196

00:55:55,270 --> 00:55:53,200

that he already already talked for eight

1197

00:55:57,750 --> 00:55:55,280

hours on so many different levels and

1198

00:55:58,630 --> 00:55:57,760

subjects and then expounded on even more

1199

00:56:00,870 --> 00:55:58,640

afterwards

1200

00:56:04,390 --> 00:56:00,880

you know and and that's quite quite a

1201
00:56:11,750 --> 00:56:07,750
yeah he is a one tough cookie as well

1202
00:56:15,670 --> 00:56:11,760
like he is in a repository

1203
00:56:19,109 --> 00:56:15,680
uh a wizard and a a a tech whiz

1204
00:56:24,390 --> 00:56:22,390
right right they remember he was uh

1205
00:56:26,549 --> 00:56:24,400
one particular you know always talking

1206
00:56:29,750 --> 00:56:26,559
about people hiding things

1207
00:56:30,950 --> 00:56:29,760
in this particular talk he was he was

1208
00:56:33,750 --> 00:56:30,960
discussing

1209
00:56:34,950 --> 00:56:33,760
um i believe it was forgive me it's like

1210
00:56:36,950 --> 00:56:34,960
you said it's been what six

1211
00:56:38,309 --> 00:56:36,960
seven years ago whatever it said on

1212
00:56:40,470 --> 00:56:38,319
there he um

1213
00:56:41,910 --> 00:56:40,480

he was being he was an i.t guy at this

1214

00:56:43,190 --> 00:56:41,920

place where they were doing research

1215

00:56:47,270 --> 00:56:43,200

about cancer

1216

00:56:49,030 --> 00:56:47,280

and he overheard that somebody

1217

00:56:51,030 --> 00:56:49,040

said something like something along the

1218

00:56:54,309 --> 00:56:51,040

lines of we might have

1219

00:56:57,510 --> 00:56:54,319

we might have a cure here and then this

1220

00:56:59,910 --> 00:56:57,520

higher up person just kind of darted

1221

00:57:01,589 --> 00:56:59,920

straight to towards this person that

1222

00:57:02,069 --> 00:57:01,599

that uttered those words and just said

1223

00:57:04,470 --> 00:57:02,079

to them

1224

00:57:05,190 --> 00:57:04,480

i don't ever want to hear you say these

1225

00:57:07,109 --> 00:57:05,200

words

1226
00:57:09,190 --> 00:57:07,119
here again if you want to keep working

1227
00:57:11,270 --> 00:57:09,200
here and sort of to imply

1228
00:57:13,030 --> 00:57:11,280
that they're they're not in the business

1229
00:57:16,150 --> 00:57:13,040
of finding cures

1230
00:57:17,990 --> 00:57:16,160
right they'll lose their funding right

1231
00:57:20,309 --> 00:57:18,000
right now that's that's the sad part

1232
00:57:22,150 --> 00:57:20,319
when you when you're in such a lack

1233
00:57:23,750 --> 00:57:22,160
and living a life from such a point of

1234
00:57:25,589 --> 00:57:23,760
view of lack that

1235
00:57:26,950 --> 00:57:25,599
you read the hang on to the job then

1236
00:57:29,109 --> 00:57:26,960
actually

1237
00:57:30,230 --> 00:57:29,119
fulfill what it is that you potentially

1238
00:57:32,950 --> 00:57:30,240

could fulfill which

1239

00:57:35,589 --> 00:57:32,960

could in that case you know be a cure

1240

00:57:38,789 --> 00:57:35,599

for cancer

1241

00:57:41,829 --> 00:57:38,799

right the lack mindset

1242

00:57:43,829 --> 00:57:41,839

right yeah very cool very cool very cool

1243

00:57:45,750 --> 00:57:43,839

well it is it is quite a it's almost

1244

00:57:49,430 --> 00:57:45,760

like uh like the word itself

1245

00:57:52,870 --> 00:57:49,440

it says it's a like a dis ease disease

1246

00:57:55,990 --> 00:57:52,880

you know um and and you basically if you

1247

00:57:58,390 --> 00:57:56,000

if you you know it's hard to get out

1248

00:57:59,750 --> 00:57:58,400

of these different mindsets whether it's

1249

00:58:01,829 --> 00:57:59,760

being a victim

1250

00:58:03,589 --> 00:58:01,839

uh feeling you're in lack all the time

1251
00:58:06,309 --> 00:58:03,599
and all these other things

1252
00:58:06,630 --> 00:58:06,319
whether we just i know unknowingly kind

1253
00:58:08,950 --> 00:58:06,640
of

1254
00:58:10,789 --> 00:58:08,960
bought bought into it let's say let's

1255
00:58:12,710 --> 00:58:10,799
take out all the spiritual stuff

1256
00:58:13,910 --> 00:58:12,720
out right let's say you have no idea

1257
00:58:16,789 --> 00:58:13,920
about any of them

1258
00:58:17,510 --> 00:58:16,799
when you see the world and the way it is

1259
00:58:20,470 --> 00:58:17,520
it's almost

1260
00:58:21,030 --> 00:58:20,480
easier and better you know when you

1261
00:58:24,230 --> 00:58:21,040
perceive

1262
00:58:26,630 --> 00:58:24,240
the world as a younger person to

1263
00:58:27,750 --> 00:58:26,640

want to be the victim because then you

1264

00:58:30,789 --> 00:58:27,760

get more help

1265

00:58:32,309 --> 00:58:30,799

you want to be somebody who depends on

1266

00:58:33,910 --> 00:58:32,319

somebody else because then you don't

1267

00:58:37,750 --> 00:58:33,920

have to stand up for yourself

1268

00:58:40,390 --> 00:58:37,760

you know and um it's

1269

00:58:41,190 --> 00:58:40,400

that right there is such a unfortunate

1270

00:58:44,870 --> 00:58:41,200

thing

1271

00:58:47,270 --> 00:58:44,880

to basically not have um

1272

00:58:48,870 --> 00:58:47,280

the most people continue that mindset

1273

00:58:49,510 --> 00:58:48,880

and they don't have anyone to tell them

1274

00:58:51,990 --> 00:58:49,520

otherwise

1275

00:58:52,549 --> 00:58:52,000

now of course i was fortunate to always

1276

00:58:54,309 --> 00:58:52,559

had

1277

00:58:56,390 --> 00:58:54,319

you know very strong-willed parents

1278

00:58:59,750 --> 00:58:56,400

other people in my life that

1279

00:59:01,829 --> 00:58:59,760

basically victimhood was not an option

1280

00:59:03,829 --> 00:59:01,839

you know you either stand up for

1281

00:59:05,349 --> 00:59:03,839

yourself or you die and it was kind of

1282

00:59:07,990 --> 00:59:05,359

that kind of mindset

1283

00:59:10,150 --> 00:59:08,000

you know and so it i find it challenging

1284

00:59:11,910 --> 00:59:10,160

sometimes to talk to people because

1285

00:59:13,589 --> 00:59:11,920

when they speak to me i would always

1286

00:59:14,069 --> 00:59:13,599

given my point of view they would kind

1287

00:59:15,589 --> 00:59:14,079

of

1288

00:59:17,430 --> 00:59:15,599

lift them up a little bit or encourage

1289

00:59:17,990 --> 00:59:17,440

them to do something else but then they

1290

00:59:20,789 --> 00:59:18,000

always come

1291

00:59:21,750 --> 00:59:20,799

up with these perfect pre-programmed uh

1292

00:59:23,750 --> 00:59:21,760

answers of

1293

00:59:24,870 --> 00:59:23,760

but i can't because of this but i can't

1294

00:59:27,190 --> 00:59:24,880

because of that

1295

00:59:30,069 --> 00:59:27,200

you know well i tried it didn't work out

1296

00:59:32,390 --> 00:59:30,079

you know and all these it's basically

1297

00:59:33,190 --> 00:59:32,400

just stay the victim in every step of

1298

00:59:35,910 --> 00:59:33,200

the way just

1299

00:59:36,789 --> 00:59:35,920

do not try you know to to get out of it

1300

00:59:38,710 --> 00:59:36,799

because

1301
00:59:39,990 --> 00:59:38,720
god forbid what kind of person would you

1302
00:59:42,470 --> 00:59:40,000
be when you realize

1303
00:59:43,670 --> 00:59:42,480
you're you know powerful powerful human

1304
00:59:46,309 --> 00:59:43,680
being to begin with

1305
00:59:46,950 --> 00:59:46,319
you know and without those limitations

1306
00:59:50,230 --> 00:59:46,960
just

1307
00:59:53,589 --> 00:59:52,710
yeah i i've come across that a lot my

1308
00:59:55,670 --> 00:59:53,599
family

1309
00:59:56,870 --> 00:59:55,680
a lot of my friends feel the same way

1310
00:59:59,990 --> 00:59:56,880
and i

1311
01:00:01,670 --> 01:00:00,000
uh with the circumstances in my life i i

1312
01:00:03,589 --> 01:00:01,680
do my best to mitigate that victim

1313
01:00:07,109 --> 01:00:03,599

mentality and i do

1314

01:00:07,510 --> 01:00:07,119

i do lean on that a lot in in my work

1315

01:00:11,750 --> 01:00:07,520

and

1316

01:00:14,870 --> 01:00:11,760

on which part

1317

01:00:18,390 --> 01:00:14,880

uh leaning on my on my victim mentality

1318

01:00:19,750 --> 01:00:18,400

oh i see sometimes i do sometimes i

1319

01:00:21,910 --> 01:00:19,760

don't but i feel like

1320

01:00:23,910 --> 01:00:21,920

because of where i am and what the

1321

01:00:25,910 --> 01:00:23,920

circumstances in my life

1322

01:00:27,510 --> 01:00:25,920

that i've gone through a lot of work

1323

01:00:30,150 --> 01:00:27,520

like if some people call it work

1324

01:00:31,670 --> 01:00:30,160

like working on themselves right i i

1325

01:00:32,150 --> 01:00:31,680

don't want to toot my own horn that much

1326

01:00:35,270 --> 01:00:32,160

but it's

1327

01:00:38,309 --> 01:00:35,280

it seems that i i can recognize when it

1328

01:00:38,630 --> 01:00:38,319

when it when it happens and i and i kind

1329

01:00:40,710 --> 01:00:38,640

of

1330

01:00:42,230 --> 01:00:40,720

do my best to mitigate that it doesn't

1331

01:00:46,230 --> 01:00:42,240

always work i i

1332

01:00:48,309 --> 01:00:46,240

always have to you know work on that and

1333

01:00:49,510 --> 01:00:48,319

it helps sometimes to just kind of get

1334

01:00:51,990 --> 01:00:49,520

out there do it live

1335

01:00:53,510 --> 01:00:52,000

and and and see what works you know you

1336

01:00:55,589 --> 01:00:53,520

can't just do nothing

1337

01:00:57,349 --> 01:00:55,599

as well that's also you know fight

1338

01:00:58,710 --> 01:00:57,359

flight or freeze is a part of

1339

01:01:00,710 --> 01:00:58,720

the victim mentality it's a lot of

1340

01:01:02,309 --> 01:01:00,720

people are just frozen stiff

1341

01:01:04,470 --> 01:01:02,319

you gotta really you know shake it a

1342

01:01:06,150 --> 01:01:04,480

little bit to kind of right right

1343

01:01:08,630 --> 01:01:06,160

get out of that and thought thaw

1344

01:01:10,230 --> 01:01:08,640

yourself from being frozen

1345

01:01:11,990 --> 01:01:10,240

nathan just give me one quick second i

1346

01:01:14,630 --> 01:01:12,000

would like to acknowledge john t

1347

01:01:15,990 --> 01:01:14,640

is also in the group and uh john if you

1348

01:01:19,270 --> 01:01:16,000

also would like to

1349

01:01:19,589 --> 01:01:19,280

uh to chat uh let me know and whenever i

1350

01:01:21,990 --> 01:01:19,599

am

1351

01:01:22,789 --> 01:01:22,000

uh whenever i have concluded with nathan

1352

01:01:24,870 --> 01:01:22,799

you know i'll

1353

01:01:27,109 --> 01:01:24,880

bring you back in and then because what

1354

01:01:29,829 --> 01:01:27,119

i would like to do is just do one person

1355

01:01:31,349 --> 01:01:29,839

at a time and discuss any ideas and

1356

01:01:32,789 --> 01:01:31,359

whatever else we have to talk about

1357

01:01:34,630 --> 01:01:32,799

because then if there's too many people

1358

01:01:35,750 --> 01:01:34,640

chatting at the same time it might get

1359

01:01:38,309 --> 01:01:35,760

too chaotic

1360

01:01:39,270 --> 01:01:38,319

but if you would like to chat chat john

1361

01:01:41,910 --> 01:01:39,280

just

1362

01:01:42,870 --> 01:01:41,920

kind of raise your hand so that i know

1363

01:01:47,510 --> 01:01:42,880

that you're interested

1364

01:01:50,710 --> 01:01:47,520

otherwise you're just listening so um

1365

01:01:52,150 --> 01:01:50,720

the nathan what we were talking about

1366

01:01:54,870 --> 01:01:52,160

just earlier if you don't mind me

1367

01:01:58,309 --> 01:01:54,880

sharing a quick story with you about

1368

01:01:59,109 --> 01:01:58,319

um you know finding talking about

1369

01:02:01,750 --> 01:01:59,119

reasons right

1370

01:02:03,349 --> 01:02:01,760

so before i moved where i moved now to

1371

01:02:05,670 --> 01:02:03,359

to arkansas

1372

01:02:07,430 --> 01:02:05,680

i was very much single and out of all

1373

01:02:08,470 --> 01:02:07,440

the different co-workers that i had they

1374

01:02:12,950 --> 01:02:08,480

were all

1375

01:02:14,390 --> 01:02:12,960

worked there for a long time they were

1376

01:02:16,230 --> 01:02:14,400

comfortable where they were

1377

01:02:18,069 --> 01:02:16,240

and of course they just were in the

1378

01:02:18,630 --> 01:02:18,079

mindset of let's not rock the boat which

1379

01:02:19,990 --> 01:02:18,640

is fine

1380

01:02:21,750 --> 01:02:20,000

you know it's like i can't expect

1381

01:02:23,829 --> 01:02:21,760

everyone to of the sudden be this

1382

01:02:25,990 --> 01:02:23,839

braveheart character you know

1383

01:02:27,990 --> 01:02:26,000

but uh what had happened is where i was

1384

01:02:29,510 --> 01:02:28,000

working is none of us for about seven

1385

01:02:32,950 --> 01:02:29,520

years have gotten any

1386

01:02:33,670 --> 01:02:32,960

uh any raises you know and a year prior

1387

01:02:35,430 --> 01:02:33,680

to that

1388

01:02:37,430 --> 01:02:35,440

you know what had happened is they have

1389

01:02:40,870 --> 01:02:37,440

asked everyone to say well

1390

01:02:43,349 --> 01:02:40,880

we could fire 500 people roughly or

1391

01:02:44,630 --> 01:02:43,359

um everyone takes a furlough basically a

1392

01:02:46,789 --> 01:02:44,640

pay cut for a year

1393

01:02:48,309 --> 01:02:46,799

and which will allow us to keep keep

1394

01:02:52,230 --> 01:02:48,319

those people so of course

1395

01:02:53,670 --> 01:02:52,240

you know like the you know good little

1396

01:02:55,349 --> 01:02:53,680

you know crabs in the buckets we're

1397

01:02:56,870 --> 01:02:55,359

trying to well no i think

1398

01:02:58,710 --> 01:02:56,880

that's the wrong word to use crabs

1399

01:02:59,829 --> 01:02:58,720

usually pull each other down whenever

1400

01:03:02,470 --> 01:02:59,839

somebody wants to

1401

01:03:03,270 --> 01:03:02,480

do better uh maybe wrong term i'm using

1402

01:03:05,109 --> 01:03:03,280

but basically

1403

01:03:06,789 --> 01:03:05,119

being these you know good human beings

1404

01:03:09,589 --> 01:03:06,799

we want to help the fellow

1405

01:03:11,029 --> 01:03:09,599

you know fellow co-workers out all of us

1406

01:03:13,750 --> 01:03:11,039

took a pay cut so that ev

1407

01:03:14,549 --> 01:03:13,760

those 500 people could stay on after the

1408

01:03:16,470 --> 01:03:14,559

year

1409

01:03:17,750 --> 01:03:16,480

they then brought us all back up to what

1410

01:03:18,630 --> 01:03:17,760

we were originally getting paid and then

1411

01:03:20,630 --> 01:03:18,640

guess what

1412

01:03:21,990 --> 01:03:20,640

they still fired everybody ordered those

1413

01:03:25,190 --> 01:03:22,000

500.

1414

01:03:25,910 --> 01:03:25,200

yep and so you talking about you know

1415

01:03:30,390 --> 01:03:25,920

morale

1416

01:03:32,390 --> 01:03:30,400

and the the sentiment just was just

1417

01:03:34,789 --> 01:03:32,400

not great the energy you know talking

1418

01:03:37,910 --> 01:03:34,799

about spiritual terms was just

1419

01:03:39,750 --> 01:03:37,920

really heavy and so what i was what i

1420

01:03:41,990 --> 01:03:39,760

was at that time and i guess

1421

01:03:42,950 --> 01:03:42,000

because not not because i was single not

1422

01:03:45,589 --> 01:03:42,960

because i had

1423

01:03:45,990 --> 01:03:45,599

less to lose than everyone else because

1424

01:03:48,789 --> 01:03:46,000

well

1425

01:03:49,589 --> 01:03:48,799

the things that i had meant a lot to me

1426

01:03:51,910 --> 01:03:49,599

at that time

1427

01:03:52,630 --> 01:03:51,920

but i was willing to put him on the line

1428

01:03:55,430 --> 01:03:52,640

you know

1429

01:03:56,470 --> 01:03:55,440

and i was generally saying i said look

1430

01:03:59,910 --> 01:03:56,480

if all of us

1431

01:04:03,190 --> 01:03:59,920

would just simply stand up and say

1432

01:04:05,510 --> 01:04:03,200

you know this is unfair and if

1433

01:04:06,870 --> 01:04:05,520

we would let's say boycott the place you

1434

01:04:09,349 --> 01:04:06,880

know

1435

01:04:11,190 --> 01:04:09,359

because of the intricacies of everyone's

1436

01:04:12,950 --> 01:04:11,200

job it would take

1437

01:04:14,950 --> 01:04:12,960

it would just be it really impossible

1438

01:04:16,950 --> 01:04:14,960

for them to replace every single

1439

01:04:18,150 --> 01:04:16,960

person and this was at least a couple

1440

01:04:20,390 --> 01:04:18,160

hundred people

1441

01:04:22,069 --> 01:04:20,400

you know and i was just trying to get

1442

01:04:24,630 --> 01:04:22,079

them to understand i said we're not

1443

01:04:26,630 --> 01:04:24,640

we're not asking for anything you know

1444

01:04:28,230 --> 01:04:26,640

out of the ordinary the whole point was

1445

01:04:30,069 --> 01:04:28,240

you know they haven't given us raises

1446

01:04:31,270 --> 01:04:30,079

for seven years the company was going

1447

01:04:32,870 --> 01:04:31,280

through bankruptcy

1448

01:04:34,950 --> 01:04:32,880

the person that put the company through

1449

01:04:36,470 --> 01:04:34,960

the bankruptcy successfully she ended up

1450

01:04:37,190 --> 01:04:36,480

getting about nine hundred thousand

1451
01:04:38,630 --> 01:04:37,200
dollars

1452
01:04:40,549 --> 01:04:38,640
and they kept telling us there's no

1453
01:04:43,029 --> 01:04:40,559
money you know

1454
01:04:44,390 --> 01:04:43,039
and so um what i eventually ended up

1455
01:04:46,390 --> 01:04:44,400
doing and i said

1456
01:04:48,230 --> 01:04:46,400
you know i was trying to get somebody to

1457
01:04:50,549 --> 01:04:48,240
join and they still didn't

1458
01:04:52,309 --> 01:04:50,559
so i just instead of just saying well

1459
01:04:53,750 --> 01:04:52,319
there's no one else there joining me

1460
01:04:54,470 --> 01:04:53,760
therefore i should better not do

1461
01:04:57,029 --> 01:04:54,480
anything

1462
01:04:57,589 --> 01:04:57,039
i still not knowing what the outcome

1463
01:04:59,990 --> 01:04:57,599

would be

1464

01:05:01,670 --> 01:05:00,000

went to you know my boss's office at

1465

01:05:02,870 --> 01:05:01,680

that time and actually higher up it was

1466

01:05:03,990 --> 01:05:02,880

more of a director for the whole

1467

01:05:05,430 --> 01:05:04,000

department

1468

01:05:07,589 --> 01:05:05,440

and i just told him i said i'm not

1469

01:05:09,829 --> 01:05:07,599

speaking for anyone else specifically

1470

01:05:11,829 --> 01:05:09,839

but i know that they what i'm saying

1471

01:05:13,910 --> 01:05:11,839

they would feel about it the same way

1472

01:05:16,069 --> 01:05:13,920

is that you keep telling us you want us

1473

01:05:18,710 --> 01:05:16,079

to do these different jobs you want us

1474

01:05:19,190 --> 01:05:18,720

you expect us to perform but yet you're

1475

01:05:20,950 --> 01:05:19,200

not

1476

01:05:23,349 --> 01:05:20,960

upholding your end of the bargain you're

1477

01:05:24,630 --> 01:05:23,359

not giving us you know the cut that of

1478

01:05:27,029 --> 01:05:24,640

the money that you

1479

01:05:27,670 --> 01:05:27,039

you're making out of whatever it is that

1480

01:05:29,349 --> 01:05:27,680

they earn

1481

01:05:31,109 --> 01:05:29,359

now the point is i'm not asking for more

1482

01:05:33,910 --> 01:05:31,119

than was originally agreed upon

1483

01:05:35,589 --> 01:05:33,920

but the bottom line was per e every

1484

01:05:38,309 --> 01:05:35,599

person's contract

1485

01:05:39,750 --> 01:05:38,319

you know if everyone should get paid

1486

01:05:42,870 --> 01:05:39,760

what was agreed upon

1487

01:05:44,710 --> 01:05:42,880

no more no less you know and so

1488

01:05:46,630 --> 01:05:44,720

there his mindset was why the company

1489

01:05:48,150 --> 01:05:46,640

just went through through bankruptcy you

1490

01:05:48,710 --> 01:05:48,160

know the company went through bankruptcy

1491

01:05:50,710 --> 01:05:48,720

and

1492

01:05:51,990 --> 01:05:50,720

you know we just don't have you know

1493

01:05:54,870 --> 01:05:52,000

have the money and

1494

01:05:56,470 --> 01:05:54,880

and so there'll be no raises happening i

1495

01:05:58,470 --> 01:05:56,480

said well i understand but what does

1496

01:06:00,470 --> 01:05:58,480

that have to do with me

1497

01:06:03,190 --> 01:06:00,480

you know he was he was tugging on my

1498

01:06:04,789 --> 01:06:03,200

emotions on my understanding to say oh

1499

01:06:05,670 --> 01:06:04,799

you went through a bankruptcy i better

1500

01:06:08,470 --> 01:06:05,680

understand

1501
01:06:08,789 --> 01:06:08,480
i said would you feel the same way that

1502
01:06:11,109 --> 01:06:08,799
if

1503
01:06:12,069 --> 01:06:11,119
you called me into this office and said

1504
01:06:13,829 --> 01:06:12,079
you're fired

1505
01:06:16,069 --> 01:06:13,839
and i said well you can't because i just

1506
01:06:18,549 --> 01:06:16,079
bought a house and i need this job

1507
01:06:19,190 --> 01:06:18,559
you know it's like if it doesn't work

1508
01:06:21,270 --> 01:06:19,200
that way

1509
01:06:23,029 --> 01:06:21,280
it can't work the other way around i'm

1510
01:06:24,710 --> 01:06:23,039
sorry you had to go to bankruptcy but it

1511
01:06:26,549 --> 01:06:24,720
has nothing to do with the contract and

1512
01:06:27,109 --> 01:06:26,559
agreement that i had specifically with

1513
01:06:29,589 --> 01:06:27,119

you

1514

01:06:31,430 --> 01:06:29,599

and everyone else in this department no

1515

01:06:32,230 --> 01:06:31,440

long story short nothing else happened

1516

01:06:36,470 --> 01:06:32,240

from that

1517

01:06:38,870 --> 01:06:36,480

but the point was to me as sort of a

1518

01:06:40,309 --> 01:06:38,880

mindset of i graduated from this

1519

01:06:42,950 --> 01:06:40,319

victimhood mentality

1520

01:06:43,670 --> 01:06:42,960

you know i was just able to go and talk

1521

01:06:45,349 --> 01:06:43,680

to him

1522

01:06:47,029 --> 01:06:45,359

or you know one-on-one from another

1523

01:06:48,470 --> 01:06:47,039

human to another human instead of

1524

01:06:50,549 --> 01:06:48,480

looking at it as

1525

01:06:52,470 --> 01:06:50,559

oh god if i lose my job i can't pay for

1526

01:06:54,390 --> 01:06:52,480

the car i can't pay for the house

1527

01:06:56,630 --> 01:06:54,400

you know and then you know what am i

1528

01:06:59,510 --> 01:06:56,640

going to do then you know it was

1529

01:07:01,670 --> 01:06:59,520

basically taking control on my own and

1530

01:07:04,470 --> 01:07:01,680

just speaking

1531

01:07:06,549 --> 01:07:04,480

truthfully from my heart without wanting

1532

01:07:08,950 --> 01:07:06,559

anything extra than what was actually

1533

01:07:11,190 --> 01:07:08,960

agreed upon so i'm sorry i'm going kind

1534

01:07:14,630 --> 01:07:11,200

of going into this long story about

1535

01:07:18,230 --> 01:07:14,640

what what it is that um

1536

01:07:20,150 --> 01:07:18,240

you know what i what i went through but

1537

01:07:21,670 --> 01:07:20,160

what i was saying is like there will be

1538

01:07:23,190 --> 01:07:21,680

times where

1539

01:07:25,109 --> 01:07:23,200

it would seem like it's just best to

1540

01:07:27,430 --> 01:07:25,119

keep your head down and not do anything

1541

01:07:28,630 --> 01:07:27,440

and that is exactly the the mindset that

1542

01:07:31,750 --> 01:07:28,640

a lot of us have to

1543

01:07:33,910 --> 01:07:31,760

try to get out of because after that

1544

01:07:35,510 --> 01:07:33,920

it opened my eyes even more and then

1545

01:07:36,630 --> 01:07:35,520

gave me even more of a boost to just

1546

01:07:38,870 --> 01:07:36,640

realize well

1547

01:07:39,829 --> 01:07:38,880

well hold on a minute why am i here they

1548

01:07:41,990 --> 01:07:39,839

don't want to pay me

1549

01:07:43,190 --> 01:07:42,000

they keep expecting work for me so i

1550

01:07:45,270 --> 01:07:43,200

just left

1551

01:07:47,270 --> 01:07:45,280

you know and again i had no plans but i

1552

01:07:48,950 --> 01:07:47,280

again you know because

1553

01:07:51,430 --> 01:07:48,960

i've been going through this for several

1554

01:07:53,670 --> 01:07:51,440

years at that time i just trusted the

1555

01:07:54,950 --> 01:07:53,680

something would come up and sure enough

1556

01:07:58,230 --> 01:07:54,960

i moved to arkansas

1557

01:08:00,630 --> 01:07:58,240

got a new job and and

1558

01:08:01,990 --> 01:08:00,640

basically just things continued

1559

01:08:04,950 --> 01:08:02,000

perfectly normal for me

1560

01:08:05,750 --> 01:08:04,960

but if i never never stood up for myself

1561

01:08:08,309 --> 01:08:05,760

never

1562

01:08:10,069 --> 01:08:08,319

did this sort of graduating move from

1563

01:08:12,230 --> 01:08:10,079

all these years of learning

1564

01:08:13,430 --> 01:08:12,240

and trying to understand you know i

1565

01:08:16,870 --> 01:08:13,440

wouldn't have never really

1566

01:08:18,309 --> 01:08:16,880

recognized my own power and so anyway

1567

01:08:21,829 --> 01:08:18,319

anyway so i just want to tell you that

1568

01:08:24,070 --> 01:08:21,839

regarding taking responsibility and

1569

01:08:24,950 --> 01:08:24,080

staying out of that that victimhood

1570

01:08:27,669 --> 01:08:24,960

mentality

1571

01:08:32,309 --> 01:08:27,679

because it just it just limits you at

1572

01:08:38,149 --> 01:08:35,510

a very profound answer thank you

1573

01:08:39,510 --> 01:08:38,159

so nathan um i'm just gonna uh you know

1574

01:08:40,950 --> 01:08:39,520

please stay on whether you're still

1575

01:08:43,990 --> 01:08:40,960

watching and and um

1576

01:08:45,910 --> 01:08:44,000

um if i just would like to then uh

1577

01:08:47,110 --> 01:08:45,920

bring john in and uh chat with him a

1578

01:09:00,470 --> 01:08:47,120

little bit if that's okay

1579

01:09:07,910 --> 01:09:03,910

um john uh you're on if you can hear me

1580

01:09:09,430 --> 01:09:07,920

can you hear me yes i can oh great

1581

01:09:10,950 --> 01:09:09,440

all right just speak up a little bit you

1582

01:09:11,749 --> 01:09:10,960

seem a bit distant from the mic but

1583

01:09:15,910 --> 01:09:11,759

other than that

1584

01:09:18,789 --> 01:09:15,920

you're coming through all right oh okay

1585

01:09:21,269 --> 01:09:18,799

how's this for levels that's pretty good

1586

01:09:24,309 --> 01:09:21,279

what would you like to talk about

1587

01:09:28,630 --> 01:09:24,319

uh well i just happened to uh see your

1588

01:09:31,349 --> 01:09:28,640

site i watched a couple of your videos

1589

01:09:32,870 --> 01:09:31,359

over the last week i dabble and see

1590

01:09:37,510 --> 01:09:32,880

what's

1591

01:09:43,189 --> 01:09:40,789

saw where you were gonna test

1592

01:09:44,870 --> 01:09:43,199

test this evening with a simulcast if

1593

01:09:46,950 --> 01:09:44,880

you will and uh

1594

01:09:50,789 --> 01:09:46,960

thought i'd come in and i do have a

1595

01:09:54,550 --> 01:09:50,799

actually i have a fairly lengthy ufo

1596

01:09:57,270 --> 01:09:54,560

uh background and experience and uh

1597

01:09:59,030 --> 01:09:57,280

you'd say about talking about maybe some

1598

01:10:02,310 --> 01:09:59,040

experiences and

1599

01:10:04,149 --> 01:10:02,320

thought i'd just call in and see if you

1600

01:10:06,630 --> 01:10:04,159

wanted to test

1601
01:10:07,990 --> 01:10:06,640
guinea if you will you know of course i

1602
01:10:10,390 --> 01:10:08,000
mean test the platform but

1603
01:10:11,990 --> 01:10:10,400
mainly to hear you actually share what

1604
01:10:14,070 --> 01:10:12,000
it is that you would like to share

1605
01:10:15,750 --> 01:10:14,080
i mean looks like everything's working

1606
01:10:17,669 --> 01:10:15,760
so um i'd love to

1607
01:10:19,270 --> 01:10:17,679
to hear from especially from you know

1608
01:10:20,709 --> 01:10:19,280
someone else has also been in the field

1609
01:10:22,310 --> 01:10:20,719
for a long time i mean you

1610
01:10:24,870 --> 01:10:22,320
you experience stuff that's always

1611
01:10:26,630 --> 01:10:24,880
interesting to hear about

1612
01:10:28,229 --> 01:10:26,640
well my background goes is actually

1613
01:10:31,189 --> 01:10:28,239

pretty deep

1614

01:10:33,110 --> 01:10:31,199

and i worked in uh i've worked in media

1615

01:10:36,790 --> 01:10:33,120

for many years

1616

01:10:40,149 --> 01:10:36,800

and did a lot of shows on the paranormal

1617

01:10:43,270 --> 01:10:40,159

and um a lot of subject matters

1618

01:10:46,709 --> 01:10:43,280

of that realm

1619

01:10:48,310 --> 01:10:46,719

and i have a i'm a little older than you

1620

01:10:50,950 --> 01:10:48,320

are and i have a perspective of i've

1621

01:10:53,990 --> 01:10:50,960

seen a lot of this

1622

01:10:57,669 --> 01:10:54,000

take place uh

1623

01:11:01,910 --> 01:10:57,679

over many many years and i've seen uh

1624

01:11:04,950 --> 01:11:01,920

the evil the evolution of things and

1625

01:11:07,750 --> 01:11:04,960

how this is kind of pointing into it

1626

01:11:09,830 --> 01:11:07,760

it's kind of forming in a direction um

1627

01:11:11,430 --> 01:11:09,840

society's picking up on things like just

1628

01:11:14,709 --> 01:11:11,440

watching yourself

1629

01:11:17,990 --> 01:11:14,719

many of the things you say i'm

1630

01:11:19,030 --> 01:11:18,000

i've been very cluey too for for many

1631

01:11:21,590 --> 01:11:19,040

years and it was

1632

01:11:23,270 --> 01:11:21,600

it's nice and refreshing that people

1633

01:11:26,070 --> 01:11:23,280

such as yourself and

1634

01:11:27,110 --> 01:11:26,080

it's coming actually pretty quickly

1635

01:11:30,390 --> 01:11:27,120

about people

1636

01:11:33,189 --> 01:11:30,400

getting the connection between

1637

01:11:33,910 --> 01:11:33,199

um off-planet beings and our own

1638

01:11:38,149 --> 01:11:33,920

development

1639

01:11:40,790 --> 01:11:38,159

because this is in my humble opinion

1640

01:11:41,830 --> 01:11:40,800

this is all pointing towards the w the

1641

01:11:45,110 --> 01:11:41,840

wake up call

1642

01:11:46,390 --> 01:11:45,120

of what we are not who we are but what

1643

01:11:47,910 --> 01:11:46,400

we are

1644

01:11:49,910 --> 01:11:47,920

because you we all have names and

1645

01:11:51,750 --> 01:11:49,920

personalities but that's not really what

1646

01:11:56,310 --> 01:11:51,760

we are

1647

01:11:59,430 --> 01:11:56,320

and the i think the ufo the et

1648

01:12:06,310 --> 01:12:02,709

subject that we here see here

1649

01:12:08,550 --> 01:12:06,320

on this earth many of them and it's a

1650

01:12:09,030 --> 01:12:08,560

very complicated it's a very complicated

1651

01:12:12,950 --> 01:12:09,040

subject

1652

01:12:15,590 --> 01:12:12,960

it's not as you've probably found out

1653

01:12:16,950 --> 01:12:15,600

it's not just cut and dry there's a lot

1654

01:12:18,310 --> 01:12:16,960

of things going on here

1655

01:12:20,390 --> 01:12:18,320

there's a lot of different cross

1656

01:12:20,870 --> 01:12:20,400

currents but one of the big cross

1657

01:12:24,310 --> 01:12:20,880

currents

1658

01:12:26,550 --> 01:12:24,320

is they're here we've i

1659

01:12:27,990 --> 01:12:26,560

i believe through my work and through

1660

01:12:30,790 --> 01:12:28,000

interviewing lots of people

1661

01:12:33,990 --> 01:12:30,800

and being around for a long time i think

1662

01:12:38,310 --> 01:12:36,390

we have almost on a subconscious level

1663

01:12:41,669 --> 01:12:38,320

as a species here on this

1664

01:12:44,709 --> 01:12:41,679

this earth we have called out

1665

01:12:46,070 --> 01:12:44,719

to help us through this great

1666

01:12:47,990 --> 01:12:46,080

i'll call it a great leap in

1667

01:12:52,390 --> 01:12:48,000

consciousness

1668

01:12:56,630 --> 01:12:52,400

again

1669

01:12:59,750 --> 01:12:56,640

it goes back to what we are ultimately

1670

01:13:00,390 --> 01:12:59,760

in in the work i've done it boils down

1671

01:13:03,510 --> 01:13:00,400

to

1672

01:13:05,510 --> 01:13:03,520

there's only one of us here

1673

01:13:07,189 --> 01:13:05,520

right that we're all we are all

1674

01:13:08,149 --> 01:13:07,199

scattered separate beings that were

1675

01:13:11,270 --> 01:13:08,159

created

1676

01:13:13,669 --> 01:13:11,280

long time ago but the

1677

01:13:16,229 --> 01:13:13,679

you you know everything comes back

1678

01:13:19,910 --> 01:13:16,239

around to

1679

01:13:23,669 --> 01:13:19,920

uh linkage synchronicities

1680

01:13:25,270 --> 01:13:23,679

um just phenomenal personal experiences

1681

01:13:27,669 --> 01:13:25,280

and what that's all point one

1682

01:13:28,790 --> 01:13:27,679

what that's pointing to is that we are

1683

01:13:32,310 --> 01:13:28,800

all one

1684

01:13:35,189 --> 01:13:32,320

we are all from the same

1685

01:13:38,390 --> 01:13:35,199

spark source whatever you want to call

1686

01:13:42,070 --> 01:13:40,550

right right can you can you um well

1687

01:13:43,430 --> 01:13:42,080

before i say anything else can you

1688

01:13:44,870 --> 01:13:43,440

expound a little bit more on that

1689

01:13:46,070 --> 01:13:44,880

there's only one of us here

1690

01:13:47,350 --> 01:13:46,080

because i i think i know where you're

1691

01:13:51,270 --> 01:13:47,360

going with that but if you could tell me

1692

01:13:55,270 --> 01:13:53,510

um yeah let me preface this by saying

1693

01:13:57,270 --> 01:13:55,280

anything i speak about or anything any

1694

01:14:00,149 --> 01:13:57,280

of my comments i'm not i'm not

1695

01:14:01,030 --> 01:14:00,159

i'm not are not meant to be religious

1696

01:14:05,189 --> 01:14:01,040

although i was

1697

01:14:08,470 --> 01:14:05,199

respect religion and there they are

1698

01:14:11,910 --> 01:14:08,480

just i think people that

1699

01:14:13,990 --> 01:14:11,920

you really can listen to and get a lot

1700

01:14:17,350 --> 01:14:14,000

out of or just people that are

1701

01:14:20,790 --> 01:14:17,360

into the into the truth

1702

01:14:24,709 --> 01:14:20,800

and so

1703

01:14:28,070 --> 01:14:24,719

the the oneness

1704

01:14:31,110 --> 01:14:28,080

is this thing some people

1705

01:14:32,790 --> 01:14:31,120

might call god but has a lot of that has

1706

01:14:33,590 --> 01:14:32,800

a lot of baggage obviously with the

1707

01:14:40,070 --> 01:14:33,600

label

1708

01:14:42,630 --> 01:14:40,080

but it's this spark of energy of again

1709

01:14:43,430 --> 01:14:42,640

not who you are but what you are and

1710

01:14:47,830 --> 01:14:43,440

what you are

1711

01:14:50,790 --> 01:14:47,840

what we all are is this spark of energy

1712

01:14:52,390 --> 01:14:50,800

that we find and we're you know spirits

1713

01:14:56,709 --> 01:14:52,400

and chemical clothing

1714

01:14:59,990 --> 01:14:56,719

we find ourselves here in this time

1715

01:15:03,350 --> 01:15:00,000

in this illusion and it's a

1716

01:15:03,669 --> 01:15:03,360

and it's it's waking up to what you

1717

01:15:05,189 --> 01:15:03,679

really

1718

01:15:07,510 --> 01:15:05,199

are and that's what's going on on the

1719

01:15:10,950 --> 01:15:07,520

planet that's really

1720

01:15:13,350 --> 01:15:10,960

what it boils down to and things are

1721

01:15:14,149 --> 01:15:13,360

we're in the middle of it right now that

1722

01:15:15,910 --> 01:15:14,159

you can look at

1723

01:15:17,350 --> 01:15:15,920

and everything that you see in the world

1724

01:15:20,550 --> 01:15:17,360

outside

1725

01:15:21,990 --> 01:15:20,560

is is a learning experience for you to

1726

01:15:25,270 --> 01:15:22,000

wake up to that even

1727

01:15:28,550 --> 01:15:25,280

the crazy political stuff the

1728

01:15:33,189 --> 01:15:28,560

um the mainstream media and the

1729

01:15:38,870 --> 01:15:36,550

to see that and wake up to it of course

1730

01:15:41,830 --> 01:15:38,880

you're very correct when you say when

1731

01:15:44,070 --> 01:15:41,840

you talk about going within oneself

1732

01:15:45,910 --> 01:15:44,080

because everything you see outside

1733

01:15:48,550 --> 01:15:45,920

yourself

1734

01:15:50,630 --> 01:15:48,560

is really coming from within and

1735

01:15:52,470 --> 01:15:50,640

projected outward

1736

01:15:56,870 --> 01:15:52,480

and one thing i wanted to say before i

1737

01:16:04,229 --> 01:16:00,790

i knew of bashar back in the early 80s

1738

01:16:06,709 --> 01:16:04,239

when daryl was just getting started

1739

01:16:07,910 --> 01:16:06,719

and what's that can give you kind of

1740

01:16:10,149 --> 01:16:07,920

some perspective i don't know if you

1741

01:16:13,830 --> 01:16:10,159

were aware of this or not but

1742

01:16:16,870 --> 01:16:13,840

um people like the show our channelers

1743

01:16:20,470 --> 01:16:16,880

in the 1980s were really coming on in

1744

01:16:23,270 --> 01:16:20,480

the early to mid 1980s especially

1745

01:16:24,550 --> 01:16:23,280

focused in southern california and daryl

1746

01:16:28,070 --> 01:16:24,560

with darylanka was

1747

01:16:30,950 --> 01:16:28,080

one of them and it was even uh

1748

01:16:32,630 --> 01:16:30,960

shirley mclean and i i don't know are

1749

01:16:35,110 --> 01:16:32,640

you familiar with her

1750

01:16:37,110 --> 01:16:35,120

yes i've i wasn't aware until very

1751

01:16:40,709 --> 01:16:37,120

recently just maybe about a year ago

1752

01:16:42,550 --> 01:16:40,719

that she was also very much into this

1753

01:16:44,630 --> 01:16:42,560

so so what happened i was in the middle

1754

01:16:47,030 --> 01:16:44,640

of all this and i interviewed

1755

01:16:48,709 --> 01:16:47,040

i i've never interviewed daryl anchor

1756

01:16:51,830 --> 01:16:48,719

anchor but

1757

01:16:54,550 --> 01:16:51,840

um i've interviewed others and i noticed

1758

01:16:55,270 --> 01:16:54,560

at that time because part of my job was

1759

01:16:58,709 --> 01:16:55,280

to go out

1760

01:16:59,189 --> 01:16:58,719

and look for interesting subject matters

1761

01:17:05,750 --> 01:16:59,199

to

1762

01:17:07,030 --> 01:17:05,760

and this channeling thing started coming

1763

01:17:10,229 --> 01:17:07,040

up

1764

01:17:12,070 --> 01:17:10,239

and uh i noticed this pattern and there

1765

01:17:13,669 --> 01:17:12,080

were channelers popping up left and

1766

01:17:16,310 --> 01:17:13,679

right again

1767

01:17:17,350 --> 01:17:16,320

mostly in southern california not all

1768

01:17:19,590 --> 01:17:17,360

but

1769

01:17:21,590 --> 01:17:19,600

and daryl was one of them there was

1770

01:17:23,910 --> 01:17:21,600

probably i don't know there's probably

1771

01:17:27,750 --> 01:17:23,920

i'd say a handful

1772

01:17:31,270 --> 01:17:27,760

and then if you look at shirley maclaine

1773

01:17:34,390 --> 01:17:31,280

and her experiences

1774

01:17:37,510 --> 01:17:34,400

uh she wrote about she wrote about them

1775

01:17:39,669 --> 01:17:37,520

in the book out on a limb and she was

1776

01:17:42,709 --> 01:17:39,679

very i was really taken aback

1777

01:17:43,590 --> 01:17:42,719

at how candid she was and how honest she

1778

01:17:46,390 --> 01:17:43,600

was because she

1779

01:17:47,830 --> 01:17:46,400

didn't have she didn't have a lot to

1780

01:17:49,750 --> 01:17:47,840

gain from that you know

1781

01:17:51,910 --> 01:17:49,760

right back in the day she was made fun

1782

01:17:54,470 --> 01:17:51,920

of still is

1783

01:17:56,310 --> 01:17:54,480

uh she was made fun of and and the butt

1784

01:17:59,990 --> 01:17:56,320

of jokes and that kind of thing but she

1785

01:18:03,750 --> 01:18:00,000

she really put it out there and

1786

01:18:06,870 --> 01:18:03,760

uh so i saw this pattern and

1787

01:18:10,229 --> 01:18:06,880

and there was really a

1788

01:18:13,590 --> 01:18:10,239

everything came forward in the

1789

01:18:15,590 --> 01:18:13,600

again early to mid 1980s and that

1790

01:18:18,229 --> 01:18:15,600

brought with it a real well

1791

01:18:19,430 --> 01:18:18,239

and a swelling of this very

1792

01:18:27,830 --> 01:18:19,440

controversial

1793

01:18:29,830 --> 01:18:27,840

form of communication

1794

01:18:31,189 --> 01:18:29,840

um oh you so you basically just kind of

1795

01:18:33,110 --> 01:18:31,199

give me a little background of

1796

01:18:34,470 --> 01:18:33,120

how it initially began is that what

1797

01:18:37,430 --> 01:18:34,480

you're trying to say yeah

1798

01:18:38,950 --> 01:18:37,440

i think because i know you you you like

1799

01:18:40,390 --> 01:18:38,960

bashar and i do too i mean

1800

01:18:41,990 --> 01:18:40,400

there's a lot of things that he says are

1801

01:18:43,590 --> 01:18:42,000

very much right in line

1802

01:18:45,910 --> 01:18:43,600

but i just wanted to give you that

1803

01:18:48,550 --> 01:18:45,920

history to say hey there was a lot

1804

01:18:49,910 --> 01:18:48,560

going on when uh when bashar came out

1805

01:18:53,990 --> 01:18:49,920

and was made public

1806

01:18:57,350 --> 01:18:54,000

and it wasn't as he was nowhere near

1807

01:18:59,750 --> 01:18:57,360

uh publicly um

1808

01:19:00,550 --> 01:18:59,760

acknowledged or known about it's a small

1809

01:19:04,390 --> 01:19:00,560

you know

1810

01:19:07,990 --> 01:19:07,030

so when you see this pattern and then

1811

01:19:10,470 --> 01:19:08,000

and then shirley maclaine

1812

01:19:11,510 --> 01:19:10,480

came out and then shirley did a um she

1813

01:19:14,950 --> 01:19:11,520

did they did a

1814

01:19:18,070 --> 01:19:14,960

um and i think was abc

1815

01:19:20,070 --> 01:19:18,080

brandon tartigoff tartakov which was an

1816

01:19:24,310 --> 01:19:20,080

executive i believe

1817

01:19:27,990 --> 01:19:24,320

i think it was abc he

1818

01:19:29,189 --> 01:19:28,000

uh got surely approved for shirley

1819

01:19:32,310 --> 01:19:29,199

maclaine to do

1820

01:19:34,310 --> 01:19:32,320

a mini-series on television based on her

1821

01:19:36,550 --> 01:19:34,320

book out on a limb

1822

01:19:38,229 --> 01:19:36,560

and being in the business you you know

1823

01:19:39,189 --> 01:19:38,239

you know what's coming up and you read

1824

01:19:42,390 --> 01:19:39,199

the trades and

1825

01:19:43,750 --> 01:19:42,400

variety and it was it was uh announced

1826

01:19:45,350 --> 01:19:43,760

that she was going to do this mini

1827

01:19:46,149 --> 01:19:45,360

series out on a limb and i knew what

1828

01:19:48,229 --> 01:19:46,159

adele

1829

01:19:50,310 --> 01:19:48,239

lim was and i knew how controversial

1830

01:19:53,830 --> 01:19:50,320

this subject us

1831

01:19:57,270 --> 01:19:53,840

just laughing that is

1832

01:20:02,070 --> 01:19:57,280

for them to do that and put this

1833

01:20:03,990 --> 01:20:02,080

out there uh on a mainstream

1834

01:20:05,430 --> 01:20:04,000

network of course this is the of the day

1835

01:20:07,030 --> 01:20:05,440

when there was there was no cable

1836

01:20:09,030 --> 01:20:07,040

television

1837

01:20:11,189 --> 01:20:09,040

it was the three main networks and for

1838

01:20:16,390 --> 01:20:11,199

this and knowing

1839

01:20:17,830 --> 01:20:16,400

having insight on the um

1840

01:20:20,070 --> 01:20:17,840

you know kind of the inside track i

1841

01:20:22,229 --> 01:20:20,080

guess if you will of

1842

01:20:24,149 --> 01:20:22,239

all these spiritual things that were

1843

01:20:26,629 --> 01:20:24,159

coming up

1844

01:20:29,110 --> 01:20:26,639

i said that that is a that's a major

1845

01:20:31,350 --> 01:20:29,120

marker in a timeline

1846

01:20:33,510 --> 01:20:31,360

right well it almost seems like

1847

01:20:35,350 --> 01:20:33,520

obviously that there was

1848

01:20:37,430 --> 01:20:35,360

to use that cliché there there was no

1849

01:20:40,709 --> 01:20:37,440

accident for it to begin when it did

1850

01:20:42,149 --> 01:20:40,719

you know but even um um yeah i was i

1851

01:20:44,390 --> 01:20:42,159

researched as much as i could about

1852

01:20:46,310 --> 01:20:44,400

bashar because i don't if you

1853

01:20:48,709 --> 01:20:46,320

for what you how much you heard about me

1854

01:20:52,390 --> 01:20:48,719

speak about different things about him

1855

01:20:54,310 --> 01:20:52,400

i was you know i initially started out

1856

01:20:56,070 --> 01:20:54,320

looking into this information to find

1857

01:20:59,110 --> 01:20:56,080

out is this another religion

1858

01:21:02,310 --> 01:20:59,120

you know that because they had these

1859

01:21:03,910 --> 01:21:02,320

these what i perceived at that time is

1860

01:21:05,430 --> 01:21:03,920

these religious undertones you know but

1861

01:21:07,350 --> 01:21:05,440

i'm like i don't want to buy into

1862

01:21:09,110 --> 01:21:07,360

another religion you know and and those

1863

01:21:10,870 --> 01:21:09,120

that are religious you know i don't

1864

01:21:12,790 --> 01:21:10,880

mean anything negative by it it's just

1865

01:21:16,070 --> 01:21:12,800

personally what i didn't want to do

1866

01:21:17,189 --> 01:21:16,080

and so you know what was what was

1867

01:21:20,149 --> 01:21:17,199

interesting for me

1868

01:21:21,110 --> 01:21:20,159

is the i know some people say and this

1869

01:21:23,350 --> 01:21:21,120

is what i don't get

1870

01:21:24,629 --> 01:21:23,360

they would say he contradicts himself

1871

01:21:27,350 --> 01:21:24,639

and i'd love to see that

1872

01:21:28,310 --> 01:21:27,360

you know those those examples because i

1873

01:21:31,430 --> 01:21:28,320

have a lot of his

1874

01:21:35,270 --> 01:21:31,440

videos especially from those 10

1875

01:21:38,629 --> 01:21:35,280

15 years ago days for me where i just

1876

01:21:40,229 --> 01:21:38,639

watched it all the time trying to

1877

01:21:41,910 --> 01:21:40,239

see what else what does he say about

1878

01:21:43,189 --> 01:21:41,920

pain what does he say about this what

1879

01:21:47,110 --> 01:21:43,199

does he say about that

1880

01:21:49,270 --> 01:21:47,120

you know and um maybe maybe i've

1881

01:21:50,950 --> 01:21:49,280

indoctrinated myself in this way to

1882

01:21:53,669 --> 01:21:50,960

where i don't see

1883

01:21:55,030 --> 01:21:53,679

any contradictions in some in some way

1884

01:21:55,990 --> 01:21:55,040

but what's interesting is that the

1885

01:21:59,430 --> 01:21:56,000

information he was

1886

01:22:03,030 --> 01:21:59,440

given it changed my life

1887

01:22:05,030 --> 01:22:03,040

right and so changed it to

1888

01:22:06,470 --> 01:22:05,040

it wasn't just like oh i feel better now

1889

01:22:09,350 --> 01:22:06,480

it was such a profound

1890

01:22:09,990 --> 01:22:09,360

change in my life to where even if he's

1891

01:22:11,669 --> 01:22:10,000

just some guy

1892

01:22:13,510 --> 01:22:11,679

with his eyes closed and i've said that

1893

01:22:15,669 --> 01:22:13,520

before um

1894

01:22:17,030 --> 01:22:15,679

why wouldn't i listen you know why

1895

01:22:19,990 --> 01:22:17,040

wouldn't i listen because it

1896

01:22:21,669 --> 01:22:20,000

improved my life i you know i learned

1897

01:22:24,629 --> 01:22:21,679

more i understood more

1898

01:22:26,390 --> 01:22:24,639

you know it it improved everything

1899

01:22:27,669 --> 01:22:26,400

friendships relationships all these

1900

01:22:30,950 --> 01:22:27,679

different things and so

1901

01:22:32,390 --> 01:22:30,960

it's like you know and and other than

1902

01:22:34,629 --> 01:22:32,400

daryl

1903

01:22:35,510 --> 01:22:34,639

especially now charging to watch some of

1904

01:22:38,629 --> 01:22:35,520

these

1905

01:22:40,070 --> 01:22:38,639

on which before

1906

01:22:42,629 --> 01:22:40,080

i guess i don't know if you had to buy a

1907

01:22:44,229 --> 01:22:42,639

ticket back then like in person when you

1908

01:22:46,149 --> 01:22:44,239

when you would go to watch the different

1909

01:22:48,709 --> 01:22:46,159

channels you know but

1910

01:22:49,430 --> 01:22:48,719

like you know when it comes to that like

1911

01:22:52,550 --> 01:22:49,440

i can't

1912

01:22:53,669 --> 01:22:52,560

expect them to you know it sounds great

1913

01:22:55,110 --> 01:22:53,679

it helps somebody

1914

01:22:56,950 --> 01:22:55,120

you know but people say well this

1915

01:23:00,390 --> 01:22:56,960

information should be free

1916

01:23:02,470 --> 01:23:00,400

you know well i understand but but then

1917

01:23:04,229 --> 01:23:02,480

you know if you're a doctor you know and

1918

01:23:05,830 --> 01:23:04,239

you help somebody well that's a great

1919

01:23:07,030 --> 01:23:05,840

thing well why don't you just offer your

1920

01:23:08,629 --> 01:23:07,040

services for free

1921

01:23:10,629 --> 01:23:08,639

you see what i'm seeing you that that

1922

01:23:12,950 --> 01:23:10,639

and that

1923

01:23:14,790 --> 01:23:12,960

that mindset quickly breaks down when

1924

01:23:16,229 --> 01:23:14,800

you when it comes to that person you ask

1925

01:23:17,669 --> 01:23:16,239

them what are they doing and say i'm a

1926

01:23:19,430 --> 01:23:17,679

mechanic well that's great

1927

01:23:20,709 --> 01:23:19,440

that helps a lot of people why don't you

1928

01:23:22,790 --> 01:23:20,719

just do it for free

1929

01:23:23,910 --> 01:23:22,800

you see what i mean the point here is

1930

01:23:26,070 --> 01:23:23,920

it's not that

1931

01:23:27,910 --> 01:23:26,080

you know if you hate what they're saying

1932

01:23:29,110 --> 01:23:27,920

let's say you know what bashar is saying

1933

01:23:31,750 --> 01:23:29,120

then of course you're gonna

1934

01:23:32,229 --> 01:23:31,760

pick that out as as one thing you know

1935

01:23:36,070 --> 01:23:32,239

to

1936

01:23:38,629 --> 01:23:36,080

point is

1937

01:23:39,430 --> 01:23:38,639

why shouldn't somebody get something you

1938

01:23:42,950 --> 01:23:39,440

know some

1939

01:23:44,950 --> 01:23:42,960

uh an exchange of some sorts for

1940

01:23:46,629 --> 01:23:44,960

efforts given you know the same way

1941

01:23:49,270 --> 01:23:46,639

bakers and doctors

1942

01:23:51,669 --> 01:23:49,280

and mechanics everyone they go to work

1943

01:23:53,669 --> 01:23:51,679

they provide the service they get

1944

01:23:55,510 --> 01:23:53,679

quote unquote some energy back in the

1945

01:23:57,990 --> 01:23:55,520

form of money so they can then

1946

01:23:59,750 --> 01:23:58,000

you know spend it on other things and so

1947

01:24:00,229 --> 01:23:59,760

i never understood that mindset that

1948

01:24:02,070 --> 01:24:00,239

just

1949

01:24:03,590 --> 01:24:02,080

oh this should be available to everybody

1950

01:24:06,070 --> 01:24:03,600

and put it out there for free and if you

1951

01:24:09,270 --> 01:24:06,080

don't you are a greedy person it's like

1952

01:24:11,750 --> 01:24:09,280

what you know anyway

1953

01:24:12,310 --> 01:24:11,760

so um but what i was gonna say is is i

1954

01:24:14,950 --> 01:24:12,320

watched

1955

01:24:16,310 --> 01:24:14,960

i have i found a lot of the early videos

1956

01:24:20,070 --> 01:24:16,320

like i think was that

1957

01:24:23,350 --> 01:24:20,080

83 maybe or 86 or something when he

1958

01:24:25,510 --> 01:24:23,360

you know still had you know quite quite

1959

01:24:27,270 --> 01:24:25,520

a lot more hair than he does now and and

1960

01:24:29,750 --> 01:24:27,280

it was very interesting to

1961

01:24:31,510 --> 01:24:29,760

to hear the the channeling evolution of

1962

01:24:33,350 --> 01:24:31,520

how much more high-pitched

1963

01:24:34,709 --> 01:24:33,360

he was channeling rashad and what he

1964

01:24:37,430 --> 01:24:34,719

does now i guess

1965

01:24:38,709 --> 01:24:37,440

if you are just you know believing that

1966

01:24:41,030 --> 01:24:38,719

it is an alien being

1967

01:24:42,229 --> 01:24:41,040

communicating through you then of course

1968

01:24:44,149 --> 01:24:42,239

you know over time you get

1969

01:24:45,669 --> 01:24:44,159

more practiced in and tuned in to their

1970

01:24:49,030 --> 01:24:45,679

energy so of course

1971

01:24:51,430 --> 01:24:49,040

it's just gonna it's gonna um change

1972

01:24:53,910 --> 01:24:51,440

into the voice and and the manner that

1973

01:24:55,270 --> 01:24:53,920

that he channels bashar now but what i

1974

01:24:57,350 --> 01:24:55,280

was gonna say earlier

1975

01:24:58,709 --> 01:24:57,360

um you know there were so many

1976

01:25:02,149 --> 01:24:58,719

experiences that i

1977

01:25:02,950 --> 01:25:02,159

i don't it depends on when i speak to a

1978

01:25:09,110 --> 01:25:02,960

person

1979

01:25:11,830 --> 01:25:09,120

they go that's how far i go with certain

1980

01:25:13,430 --> 01:25:11,840

experiences and even then since you

1981

01:25:14,390 --> 01:25:13,440

mentioned it and i know this might go

1982

01:25:16,950 --> 01:25:14,400

over somebody's

1983

01:25:17,830 --> 01:25:16,960

you know people's heads but a lot of the

1984

01:25:20,470 --> 01:25:17,840

experiences

1985

01:25:21,430 --> 01:25:20,480

eventually when i was driven to a

1986

01:25:24,830 --> 01:25:21,440

certain point

1987

01:25:26,870 --> 01:25:24,840

to where that truly it was like the most

1988

01:25:29,590 --> 01:25:26,880

terrifying realization

1989

01:25:31,590 --> 01:25:29,600

that i could ever come to which was that

1990

01:25:34,390 --> 01:25:31,600

there is no one else here

1991

01:25:35,430 --> 01:25:34,400

it's just simply me as this individual

1992

01:25:37,750 --> 01:25:35,440

of the whole

1993

01:25:40,149 --> 01:25:37,760

is trying to understand itself

1994

01:25:41,910 --> 01:25:40,159

reflecting things to itself and growing

1995

01:25:44,550 --> 01:25:41,920

and understanding from it

1996

01:25:45,669 --> 01:25:44,560

and in order to do that something has to

1997

01:25:47,830 --> 01:25:45,679

be created

1998

01:25:48,709 --> 01:25:47,840

from itself to have an interaction

1999

01:25:51,750 --> 01:25:48,719

otherwise

2000

01:25:55,110 --> 01:25:51,760

it would just be stillness you know

2001
01:25:56,310 --> 01:25:55,120
and i don't know if if you would agree

2002
01:25:58,870 --> 01:25:56,320
with what i'm saying

2003
01:26:00,709 --> 01:25:58,880
but there was something that was that

2004
01:26:02,149 --> 01:26:00,719
instilled such a fear in me that

2005
01:26:04,149 --> 01:26:02,159
you know i don't usually share with

2006
01:26:05,750 --> 01:26:04,159
people that often because

2007
01:26:07,510 --> 01:26:05,760
it's something that i'm trying to figure

2008
01:26:08,470 --> 01:26:07,520
out on my own and overcome on my own

2009
01:26:10,629 --> 01:26:08,480
before i can

2010
01:26:11,590 --> 01:26:10,639
talk about it in more great detail

2011
01:26:14,470 --> 01:26:11,600
because i don't want to

2012
01:26:15,990 --> 01:26:14,480
leave people hopeless you know it's like

2013
01:26:17,830 --> 01:26:16,000

that's why i went through what i did

2014

01:26:19,189 --> 01:26:17,840

before i could speak about certain

2015

01:26:23,110 --> 01:26:19,199

things but some things

2016

01:26:25,510 --> 01:26:23,120

i still have not been i guess

2017

01:26:26,310 --> 01:26:25,520

haven't overcome this great fear because

2018

01:26:29,510 --> 01:26:26,320

it is such

2019

01:26:32,550 --> 01:26:29,520

a fearful experience

2020

01:26:34,470 --> 01:26:32,560

you know because to to to realize like

2021

01:26:36,709 --> 01:26:34,480

you're just talking to yourself that's

2022

01:26:41,830 --> 01:26:36,719

all existence is

2023

01:26:46,229 --> 01:26:44,390

well the fear that you experience and

2024

01:26:47,030 --> 01:26:46,239

let me also say i've spent many many

2025

01:26:49,830 --> 01:26:47,040

many years

2026

01:26:50,790 --> 01:26:49,840

on my own personal development because

2027

01:26:52,950 --> 01:26:50,800

that's the game

2028

01:26:54,310 --> 01:26:52,960

that i mean that's where it's at is is

2029

01:26:57,669 --> 01:26:54,320

awakening waking

2030

01:26:59,669 --> 01:26:57,679

up to what you are and

2031

01:27:01,910 --> 01:26:59,679

i think what you're experiencing is

2032

01:27:04,229 --> 01:27:01,920

you're experiencing ego

2033

01:27:05,430 --> 01:27:04,239

and without getting into week that goes

2034

01:27:08,470 --> 01:27:05,440

on and on and on

2035

01:27:09,110 --> 01:27:08,480

the understanding what ego is and ego

2036

01:27:13,030 --> 01:27:09,120

has

2037

01:27:17,110 --> 01:27:13,040

function here

2038

01:27:19,030 --> 01:27:17,120

in the world that we see and really

2039

01:27:21,430 --> 01:27:19,040

uh for lack of a better word at this

2040

01:27:23,669 --> 01:27:21,440

point there's a portion of the mind that

2041

01:27:26,310 --> 01:27:23,679

is your personality and that is ego

2042

01:27:28,310 --> 01:27:26,320

and ego doesn't want you to discover

2043

01:27:29,510 --> 01:27:28,320

what you really are because once you do

2044

01:27:31,990 --> 01:27:29,520

that

2045

01:27:32,870 --> 01:27:32,000

then you don't need ego and depend on it

2046

01:27:36,470 --> 01:27:32,880

like you

2047

01:27:39,590 --> 01:27:36,480

you do now or you once did so ego

2048

01:27:42,149 --> 01:27:39,600

only operates out of fear and god

2049

01:27:42,950 --> 01:27:42,159

operates only out of love and puts you

2050

01:27:44,870 --> 01:27:42,960

in joy

2051
01:27:46,550 --> 01:27:44,880
and again when i say these things and i

2052
01:27:50,390 --> 01:27:46,560
know we're you know

2053
01:27:53,669 --> 01:27:50,400
and it really it really involves

2054
01:27:56,629 --> 01:27:53,679
what the uh for lack of better

2055
01:27:57,030 --> 01:27:56,639
label ets are doing and not all but many

2056
01:27:59,510 --> 01:27:57,040
of them

2057
01:28:02,310 --> 01:27:59,520
are here is to help us wake up to this

2058
01:28:05,669 --> 01:28:02,320
so the fear that you're experiencing

2059
01:28:06,149 --> 01:28:05,679
and everybody does is your ego trying to

2060
01:28:08,390 --> 01:28:06,159
tell you

2061
01:28:09,669 --> 01:28:08,400
there's nothing you know adam there's

2062
01:28:12,709 --> 01:28:09,679
nothing else here

2063
01:28:14,790 --> 01:28:12,719

your you know your your it once you

2064

01:28:16,070 --> 01:28:14,800

once you pass that's it you go into

2065

01:28:18,070 --> 01:28:16,080

nothingness

2066

01:28:19,270 --> 01:28:18,080

and when i said there's only one of us

2067

01:28:21,669 --> 01:28:19,280

here

2068

01:28:23,030 --> 01:28:21,679

i'm speaking in terms we are part of a

2069

01:28:27,830 --> 01:28:23,040

greater

2070

01:28:29,990 --> 01:28:27,840

for sake of this conversation and

2071

01:28:31,750 --> 01:28:30,000

brevity we'll just call it god now

2072

01:28:33,510 --> 01:28:31,760

there's a lot of misconceptions out

2073

01:28:36,310 --> 01:28:33,520

there about what that is and

2074

01:28:37,910 --> 01:28:36,320

some are obvious and some some are not

2075

01:28:41,110 --> 01:28:37,920

but

2076
01:28:44,629 --> 01:28:41,120
by by understanding how your ego works

2077
01:28:46,629 --> 01:28:44,639
and i will share uh have you ever heard

2078
01:28:49,750 --> 01:28:46,639
of a course in miracles

2079
01:28:51,510 --> 01:28:49,760
yes i mean i'm waiting for you to finish

2080
01:28:53,350 --> 01:28:51,520
i was what i was going to say i'm very

2081
01:28:55,669 --> 01:28:53,360
well aware of what you're talking about

2082
01:28:56,950 --> 01:28:55,679
but i was just saying it from the point

2083
01:29:00,950 --> 01:28:56,960
of view that

2084
01:29:02,870 --> 01:29:00,960
um there's there's uh

2085
01:29:04,870 --> 01:29:02,880
i haven't gone into the details to tell

2086
01:29:07,270 --> 01:29:04,880
you because i'm still trying to

2087
01:29:09,270 --> 01:29:07,280
come to a certain conclusion on my own

2088
01:29:11,590 --> 01:29:09,280

before i feel comfortable to go on and

2089

01:29:13,510 --> 01:29:11,600

just publicly be very blatant about it

2090

01:29:15,510 --> 01:29:13,520

as i have been with a lot of the other

2091

01:29:17,590 --> 01:29:15,520

experiences up to this point

2092

01:29:18,950 --> 01:29:17,600

you know but yes i know exactly what you

2093

01:29:20,550 --> 01:29:18,960

what you're talking about

2094

01:29:22,149 --> 01:29:20,560

um i'm sorry i didn't mean to interrupt

2095

01:29:22,870 --> 01:29:22,159

you but yeah it is it is very

2096

01:29:26,229 --> 01:29:22,880

interesting

2097

01:29:28,310 --> 01:29:26,239

uh to analyze that aspect of it

2098

01:29:29,430 --> 01:29:28,320

um but anyway i'll i'll just let you

2099

01:29:31,110 --> 01:29:29,440

finish with that and

2100

01:29:32,709 --> 01:29:31,120

beyond what i've already said i don't

2101

01:29:34,870 --> 01:29:32,719

want to go into you know

2102

01:29:36,310 --> 01:29:34,880

into more but i've been still kind of

2103

01:29:38,149 --> 01:29:36,320

going at it for

2104

01:29:40,390 --> 01:29:38,159

i wonder how long that's going to take

2105

01:29:43,510 --> 01:29:40,400

before i can officially speak on it

2106

01:29:44,870 --> 01:29:43,520

for myself that is yeah no i can i

2107

01:29:46,550 --> 01:29:44,880

can respect that i've been in that

2108

01:29:50,229 --> 01:29:46,560

position myself where i have been

2109

01:29:53,350 --> 01:29:50,239

um invited to go on as a

2110

01:29:54,470 --> 01:29:53,360

as myself to explain uh and discuss

2111

01:29:57,990 --> 01:29:54,480

certain things

2112

01:30:01,030 --> 01:29:58,000

experiences i've had ufos i've seen ufos

2113

01:30:03,510 --> 01:30:01,040

we've filmed ufos

2114

01:30:05,750 --> 01:30:03,520

you know the typical story and then i

2115

01:30:06,470 --> 01:30:05,760

know a lot more but i hesitate to say it

2116

01:30:08,950 --> 01:30:06,480

because

2117

01:30:09,990 --> 01:30:08,960

it's just it's just gonna get out there

2118

01:30:11,750 --> 01:30:10,000

however

2119

01:30:14,390 --> 01:30:11,760

i'll share one thing i can share with

2120

01:30:16,229 --> 01:30:14,400

you is i'm at the point now

2121

01:30:18,709 --> 01:30:16,239

where and i you know i would still

2122

01:30:19,350 --> 01:30:18,719

probably be a little bit reserved not as

2123

01:30:22,310 --> 01:30:19,360

much

2124

01:30:22,870 --> 01:30:22,320

but something that i find really helps

2125

01:30:25,110 --> 01:30:22,880

me now

2126
01:30:27,270 --> 01:30:25,120
both professionally and personally is

2127
01:30:27,990 --> 01:30:27,280
the idea of you know what the bottom

2128
01:30:31,510 --> 01:30:28,000
line is

2129
01:30:32,390 --> 01:30:31,520
i just don't care right meaning i don't

2130
01:30:36,550 --> 01:30:32,400
care what any

2131
01:30:37,350 --> 01:30:36,560
thinks that's their problem and i'm not

2132
01:30:38,790 --> 01:30:37,360
going to spend

2133
01:30:41,510 --> 01:30:38,800
i've been on shows where i've had to

2134
01:30:44,709 --> 01:30:41,520
almost debate people

2135
01:30:46,550 --> 01:30:44,719
about are ufos real and this was this

2136
01:30:50,310 --> 01:30:46,560
was some time back it's not

2137
01:30:53,910 --> 01:30:50,320
i haven't engaged this much lately

2138
01:30:57,510 --> 01:30:53,920

but when someone wants to go into a uh

2139

01:30:59,030 --> 01:30:57,520

debate on it is it real uh it gets to a

2140

01:31:01,030 --> 01:30:59,040

point where you know you're just wasting

2141

01:31:03,990 --> 01:31:01,040

your time so

2142

01:31:04,390 --> 01:31:04,000

i would say to everybody listening to

2143

01:31:07,270 --> 01:31:04,400

this

2144

01:31:07,750 --> 01:31:07,280

actually if i could share one thing with

2145

01:31:17,350 --> 01:31:07,760

you

2146

01:31:20,550 --> 01:31:17,360

that goes obviously we always look at

2147

01:31:22,870 --> 01:31:20,560

this this idea in the ufo field

2148

01:31:24,149 --> 01:31:22,880

of disclosure and you know when's the

2149

01:31:25,590 --> 01:31:24,159

government going to tell us and we're

2150

01:31:28,229 --> 01:31:25,600

all waiting with baited breath

2151
01:31:29,270 --> 01:31:28,239
hey you're looking at the government

2152
01:31:31,510 --> 01:31:29,280
saying

2153
01:31:32,629 --> 01:31:31,520
not you personally but people are

2154
01:31:34,390 --> 01:31:32,639
looking at the government

2155
01:31:35,669 --> 01:31:34,400
because they look to government as their

2156
01:31:38,870 --> 01:31:35,679
authority

2157
01:31:44,310 --> 01:31:38,880
no the lesson here right now is you

2158
01:31:46,870 --> 01:31:44,320
are your own authority no one else

2159
01:31:47,990 --> 01:31:46,880
so right right no i i agree but you know

2160
01:31:49,750 --> 01:31:48,000
there was some

2161
01:31:51,270 --> 01:31:49,760
it was interesting at the very very

2162
01:31:53,030 --> 01:31:51,280
beginning you know because

2163
01:31:55,590 --> 01:31:53,040

uh when i when i was starting out with

2164

01:31:58,310 --> 01:31:55,600

with ufo hub you know i was looking for

2165

01:31:59,830 --> 01:31:58,320

different people to just come kind of uh

2166

01:32:00,790 --> 01:31:59,840

see if they will be willing to come out

2167

01:32:02,390 --> 01:32:00,800

of their shelf

2168

01:32:04,310 --> 01:32:02,400

shell and it doesn't matter who it was

2169

01:32:07,350 --> 01:32:04,320

maybe people that i know from these

2170

01:32:08,229 --> 01:32:07,360

different ufo meetings um maybe you know

2171

01:32:10,229 --> 01:32:08,239

eventually

2172

01:32:12,229 --> 01:32:10,239

you know somebody more well known like

2173

01:32:14,550 --> 01:32:12,239

richard dolan and all of that

2174

01:32:16,310 --> 01:32:14,560

and talking about you know i mean this

2175

01:32:17,990 --> 01:32:16,320

is still a process that it takes

2176
01:32:19,590 --> 01:32:18,000
people some time i'm not i don't want to

2177
01:32:21,030 --> 01:32:19,600
put a limitation on because

2178
01:32:22,629 --> 01:32:21,040
i mean sometimes you can overcome it

2179
01:32:24,550 --> 01:32:22,639
quickly sometimes it takes

2180
01:32:26,070 --> 01:32:24,560
you years you know and i don't want to

2181
01:32:28,149 --> 01:32:26,080
you know put put a number

2182
01:32:29,669 --> 01:32:28,159
in your head that it has to take so long

2183
01:32:32,790 --> 01:32:29,679
i'm just saying that it took

2184
01:32:35,590 --> 01:32:32,800
you know a while back it took me

2185
01:32:37,030 --> 01:32:35,600
took me a while to also then get over

2186
01:32:37,750 --> 01:32:37,040
there and speaking about authority and

2187
01:32:39,270 --> 01:32:37,760
whatnot

2188
01:32:40,950 --> 01:32:39,280

when i started talking to these

2189

01:32:42,070 --> 01:32:40,960

different people that are wonderful

2190

01:32:44,229 --> 01:32:42,080

people you know and

2191

01:32:45,910 --> 01:32:44,239

and are very well known but at the end

2192

01:32:47,910 --> 01:32:45,920

of the day they were just

2193

01:32:49,510 --> 01:32:47,920

average joe's like you and i and

2194

01:32:51,669 --> 01:32:49,520

everyone else listening

2195

01:32:52,550 --> 01:32:51,679

you know that eventually just got into a

2196

01:32:54,790 --> 01:32:52,560

subject

2197

01:32:56,629 --> 01:32:54,800

and you know totally hardcore about it

2198

01:32:57,830 --> 01:32:56,639

and then just started talking about

2199

01:33:00,070 --> 01:32:57,840

what's on their mind

2200

01:33:02,070 --> 01:33:00,080

and other people found it valuable and

2201

01:33:04,070 --> 01:33:02,080

that's all it is at the end of the day

2202

01:33:05,750 --> 01:33:04,080

you know and of course they could find

2203

01:33:07,590 --> 01:33:05,760

an actual physical things like a

2204

01:33:08,229 --> 01:33:07,600

document or whatever that they can talk

2205

01:33:11,270 --> 01:33:08,239

about

2206

01:33:13,350 --> 01:33:11,280

interest

2207

01:33:15,189 --> 01:33:13,360

and basically speaking their mind out

2208

01:33:15,990 --> 01:33:15,199

loud and then more and more people just

2209

01:33:18,550 --> 01:33:16,000

wanted to

2210

01:33:19,669 --> 01:33:18,560

have them recorded and and speak about

2211

01:33:21,669 --> 01:33:19,679

it and next thing you know

2212

01:33:22,790 --> 01:33:21,679

they're looked up as an authority now of

2213

01:33:25,270 --> 01:33:22,800

course that's not to

2214

01:33:27,030 --> 01:33:25,280

um you know disparage them in any way

2215

01:33:28,950 --> 01:33:27,040

they're awesome with what it is that to

2216

01:33:29,910 --> 01:33:28,960

do but everyone else can get to that

2217

01:33:32,229 --> 01:33:29,920

point

2218

01:33:33,990 --> 01:33:32,239

you know everyone else should you know

2219

01:33:35,590 --> 01:33:34,000

really just go about

2220

01:33:37,430 --> 01:33:35,600

whatever it is i mean even if you're a

2221

01:33:38,870 --> 01:33:37,440

painter then just be the best painter

2222

01:33:40,709 --> 01:33:38,880

you can possibly be the next thing you

2223

01:33:42,550 --> 01:33:40,719

know you'll have people come wanting to

2224

01:33:44,310 --> 01:33:42,560

you know take lessons from you because

2225

01:33:49,510 --> 01:33:44,320

they find it very awesome of

2226
01:33:54,950 --> 01:33:53,350
but anyway john yeah john sorry i was

2227
01:33:56,709 --> 01:33:54,960
looking at several names and

2228
01:33:58,070 --> 01:33:56,719
don't want to give you the wrong name

2229
01:33:59,750 --> 01:33:58,080
but is there anything else you would

2230
01:34:03,189 --> 01:33:59,760
like to share maybe um

2231
01:34:05,030 --> 01:34:03,199
some some other um uh

2232
01:34:06,310 --> 01:34:05,040
experience or just anything else

2233
01:34:10,070 --> 01:34:06,320
interesting that you found

2234
01:34:14,709 --> 01:34:12,390
um if you like i don't want to put you

2235
01:34:18,470 --> 01:34:14,719
on the spot that's fine

2236
01:34:19,750 --> 01:34:18,480
one thing before um i forget is uh are

2237
01:34:23,430 --> 01:34:19,760
you familiar with

2238
01:34:26,709 --> 01:34:23,440

uh farsight institute

2239

01:34:29,990 --> 01:34:26,719

um yes um we

2240

01:34:31,110 --> 01:34:30,000

i tried to way back when again i hate to

2241

01:34:33,430 --> 01:34:31,120

say it all the time but

2242

01:34:34,149 --> 01:34:33,440

i had both of his books and i tried to

2243

01:34:38,229 --> 01:34:34,159

get him

2244

01:34:38,709 --> 01:34:38,239

um the my boss now i was recommending to

2245

01:34:41,510 --> 01:34:38,719

her

2246

01:34:42,950 --> 01:34:41,520

for ozark to for having come and speak

2247

01:34:44,709 --> 01:34:42,960

for this weekend

2248

01:34:46,229 --> 01:34:44,719

you know when when this was initially

2249

01:34:48,629 --> 01:34:46,239

done and instead

2250

01:34:49,430 --> 01:34:48,639

he wrote back that he doesn't do much

2251
01:34:51,350 --> 01:34:49,440
speaking

2252
01:34:53,030 --> 01:34:51,360
anymore and he recommended one of his

2253
01:34:55,990 --> 01:34:53,040
students and she's going to be

2254
01:34:57,510 --> 01:34:56,000
um a speaker there this weekend for the

2255
01:35:00,790 --> 01:34:57,520
ozark conference

2256
01:35:02,629 --> 01:35:00,800
the reason i bring him up is um he

2257
01:35:05,830 --> 01:35:02,639
actually remote viewed

2258
01:35:08,950 --> 01:35:05,840
bashar right so

2259
01:35:10,950 --> 01:35:08,960
have you seen that i haven't um

2260
01:35:12,470 --> 01:35:10,960
if it wasn't in his two books i think

2261
01:35:15,030 --> 01:35:12,480
one book was um

2262
01:35:16,870 --> 01:35:15,040
cosmic explorers the other other one is

2263
01:35:20,070 --> 01:35:16,880

that cosmic

2264

01:35:22,070 --> 01:35:20,080

something if it wasn't in that then was

2265

01:35:25,109 --> 01:35:22,080

it a video

2266

01:35:29,030 --> 01:35:25,119

this was this was uh

2267

01:35:29,750 --> 01:35:29,040

in the last year he's got a uh he's got

2268

01:35:32,070 --> 01:35:29,760

a website

2269

01:35:34,470 --> 01:35:32,080

it's a member some things he'll publish

2270

01:35:35,189 --> 01:35:34,480

on youtube for free and some things you

2271

01:35:37,350 --> 01:35:35,199

pay

2272

01:35:39,350 --> 01:35:37,360

but i've seen the bashar remote viewing

2273

01:35:42,470 --> 01:35:39,360

it's quite it's quite interesting

2274

01:35:42,870 --> 01:35:42,480

please tell me more about it well

2275

01:35:45,590 --> 01:35:42,880

actually

2276

01:35:46,310 --> 01:35:45,600

if you have more info right uh well i

2277

01:35:49,510 --> 01:35:46,320

mean the just

2278

01:35:50,310 --> 01:35:49,520

the just if it is if you saw they remote

2279

01:35:54,830 --> 01:35:50,320

view

2280

01:35:57,669 --> 01:35:54,840

they do double blind so

2281

01:35:58,070 --> 01:35:57,679

or well that might have been a single

2282

01:36:01,350 --> 01:35:58,080

blind

2283

01:36:05,270 --> 01:36:01,360

uh remote view but um

2284

01:36:08,870 --> 01:36:05,280

it it is pretty positive to show

2285

01:36:10,950 --> 01:36:08,880

i mean it it really supports that

2286

01:36:14,470 --> 01:36:10,960

theralanka what he's bringing through

2287

01:36:15,830 --> 01:36:14,480

is is definitely a being that is

2288

01:36:18,149 --> 01:36:15,840

detached from daryl

2289

01:36:19,109 --> 01:36:18,159

and uh they get into it it's like it's

2290

01:36:21,030 --> 01:36:19,119

very fairly

2291

01:36:23,590 --> 01:36:21,040

lengthy but i would just put it this way

2292

01:36:25,830 --> 01:36:23,600

it actually supports

2293

01:36:27,750 --> 01:36:25,840

uh that daryl ankle is the real deal or

2294

01:36:29,109 --> 01:36:27,760

that there is some separate energy that

2295

01:36:30,950 --> 01:36:29,119

moves into him and of course

2296

01:36:32,310 --> 01:36:30,960

when they are remote viewing this they

2297

01:36:33,750 --> 01:36:32,320

don't even they have no idea what

2298

01:36:37,830 --> 01:36:33,760

they're remote viewing

2299

01:36:39,270 --> 01:36:37,840

daryl anka they're just given a target

2300

01:36:41,109 --> 01:36:39,280

it doesn't have a name it's just a

2301

01:36:41,910 --> 01:36:41,119

number and then they remote view it so i

2302

01:36:44,950 --> 01:36:41,920

would say it

2303

01:36:50,629 --> 01:36:44,960

actually supports

2304

01:36:53,990 --> 01:36:50,639

um bashar and darylankus

2305

01:36:55,830 --> 01:36:54,000

um i was thinking about it go ahead

2306

01:36:57,270 --> 01:36:55,840

no i was just saying right i mean it's

2307

01:37:02,070 --> 01:36:57,280

just basically confirms

2308

01:37:09,030 --> 01:37:06,149

um i will uh i'll share this um

2309

01:37:11,590 --> 01:37:09,040

personal experience this was years ago i

2310

01:37:17,189 --> 01:37:14,870

i was hired to do a

2311

01:37:18,709 --> 01:37:17,199

story on a gentleman who was claimed to

2312

01:37:22,629 --> 01:37:18,719

have uh

2313

01:37:22,950 --> 01:37:22,639

experiences and ufos on his property up

2314

01:37:28,870 --> 01:37:22,960

in

2315

01:37:31,189 --> 01:37:28,880

before now this this is some time ago

2316

01:37:35,430 --> 01:37:33,990

when i was putting together everything i

2317

01:37:38,870 --> 01:37:35,440

had on this story

2318

01:37:40,790 --> 01:37:38,880

to get ready to kind of plan and i was

2319

01:37:43,910 --> 01:37:40,800

i was going up there for actually a

2320

01:37:46,149 --> 01:37:43,920

number of weeks because i had convinced

2321

01:37:48,070 --> 01:37:46,159

the powers that be to let me go up there

2322

01:37:48,629 --> 01:37:48,080

and see if we could hang out on this

2323

01:37:50,790 --> 01:37:48,639

property

2324

01:37:52,629 --> 01:37:50,800

on this j if this was indeed the case

2325

01:37:55,830 --> 01:37:52,639

and they'd already been up there

2326

01:37:57,109 --> 01:37:55,840

and done one short shorter story

2327

01:38:00,070 --> 01:37:57,119

and i said well if you guys really

2328

01:38:02,870 --> 01:38:00,080

believe that these

2329

01:38:04,390 --> 01:38:02,880

um ufos are showing up on this this

2330

01:38:07,910 --> 01:38:04,400

gentleman's property

2331

01:38:09,830 --> 01:38:07,920

uh this is he was a farmer and a rancher

2332

01:38:12,229 --> 01:38:09,840

he had like uh i don't know something

2333

01:38:15,350 --> 01:38:12,239

like six seven hundred acres

2334

01:38:18,229 --> 01:38:15,360

and it was just north of uh laramie

2335

01:38:19,430 --> 01:38:18,239

wyoming and he claimed that these things

2336

01:38:22,629 --> 01:38:19,440

had been coming around

2337

01:38:24,629 --> 01:38:22,639

for a number of years and there had been

2338

01:38:27,830 --> 01:38:24,639

other witnesses

2339

01:38:30,950 --> 01:38:27,840

so i was going up to do the second show

2340

01:38:32,070 --> 01:38:30,960

and my pitch to the producers of series

2341

01:38:33,510 --> 01:38:32,080

producers was

2342

01:38:35,590 --> 01:38:33,520

why don't you let me go up there and

2343

01:38:38,950 --> 01:38:35,600

i'll see i'll hang out with a crew

2344

01:38:42,229 --> 01:38:38,960

and see if we can get anything on film

2345

01:38:44,550 --> 01:38:42,239

and then i'll just do a follow-up story

2346

01:38:46,629 --> 01:38:44,560

so we'll have we'll have a program and

2347

01:38:48,709 --> 01:38:46,639

they to my surprise

2348

01:38:50,950 --> 01:38:48,719

it was like yeah that's great idea want

2349

01:38:51,430 --> 01:38:50,960

to write us up a proposal and budget and

2350

01:38:55,350 --> 01:38:51,440

all that

2351

01:38:58,070 --> 01:38:55,360

so i said great and

2352

01:38:59,510 --> 01:38:58,080

while i was putting it all together uh

2353

01:39:00,070 --> 01:38:59,520

and got approval they got the green

2354

01:39:03,510 --> 01:39:00,080

light

2355

01:39:06,310 --> 01:39:03,520

okay you know here's the you know

2356

01:39:07,830 --> 01:39:06,320

you're approved and we put some dates

2357

01:39:12,310 --> 01:39:07,840

together

2358

01:39:15,270 --> 01:39:12,320

and so i remember sitting in my office

2359

01:39:16,629 --> 01:39:15,280

and thinking to myself so i've got all

2360

01:39:19,189 --> 01:39:16,639

this information

2361

01:39:19,750 --> 01:39:19,199

i have a i have a psychological profile

2362

01:39:22,870 --> 01:39:19,760

in from

2363

01:39:25,990 --> 01:39:22,880

of the individual i have um he

2364

01:39:29,430 --> 01:39:26,000

actually was working with a um

2365

01:39:31,510 --> 01:39:29,440

psychologist up there uh

2366

01:39:33,669 --> 01:39:31,520

and then he was working with um leo

2367

01:39:35,350 --> 01:39:33,679

sprinkle who was

2368

01:39:38,149 --> 01:39:35,360

who is i think he's still around

2369

01:39:40,550 --> 01:39:38,159

actually and he's at the university of

2370

01:39:42,390 --> 01:39:40,560

wyoming at laramie and he worked with

2371

01:39:45,669 --> 01:39:42,400

kant he was one of the first guys to

2372

01:39:49,350 --> 01:39:45,679

work with contactees

2373

01:39:54,310 --> 01:39:49,360

and as i was sitting

2374

01:39:56,229 --> 01:39:54,320

and i i i knew i i was pretty

2375

01:39:57,510 --> 01:39:56,239

sure certain that this was a real story

2376

01:39:59,590 --> 01:39:57,520

it was a real story i didn't think the

2377

01:40:01,590 --> 01:39:59,600

guy was making it up and then

2378

01:40:04,149 --> 01:40:01,600

i'd worked on another television show

2379

01:40:06,629 --> 01:40:04,159

where uh

2380

01:40:08,070 --> 01:40:06,639

in wyoming another gentleman a few years

2381

01:40:11,430 --> 01:40:08,080

ago had had an experience

2382

01:40:13,990 --> 01:40:11,440

and it was in it was in the news uh

2383

01:40:14,790 --> 01:40:14,000

i think it was out of uh rawlings

2384

01:40:17,030 --> 01:40:14,800

wyoming

2385

01:40:19,270 --> 01:40:17,040

and it was it was in it was in the

2386

01:40:23,109 --> 01:40:19,280

papers it was a fairly large story dr

2387

01:40:23,830 --> 01:40:23,119

heineck uh had gotten involved with it i

2388

01:40:26,870 --> 01:40:23,840

believe

2389

01:40:28,550 --> 01:40:26,880

and there were it was

2390

01:40:29,910 --> 01:40:28,560

pretty involved itself and it made that

2391

01:40:31,910 --> 01:40:29,920

it made the news so

2392

01:40:34,470 --> 01:40:31,920

and and i looked at a map to see how far

2393

01:40:37,189 --> 01:40:34,480

that incident was from

2394

01:40:37,590 --> 01:40:37,199

uh where where i was going and it was i

2395

01:40:40,229 --> 01:40:37,600

think

2396

01:40:42,790 --> 01:40:40,239

uh you know as far as the crow flies in

2397

01:40:45,590 --> 01:40:42,800

a straight line it was something like uh

2398

01:40:48,830 --> 01:40:45,600

you know 60 70 miles 80 miles and i said

2399

01:40:53,669 --> 01:40:51,830

so when i was sitting there

2400

01:40:55,990 --> 01:40:53,679

figuring how am i gonna how am i gonna

2401

01:40:58,390 --> 01:40:56,000

do this and we got a motor home

2402

01:40:59,430 --> 01:40:58,400

and we were gonna sit up on the property

2403

01:41:02,870 --> 01:40:59,440

and

2404

01:41:06,790 --> 01:41:02,880

uh hang out you know almost 24

2405

01:41:10,709 --> 01:41:06,800

7 for multiple weeks

2406

01:41:11,510 --> 01:41:10,719

and i sat there and i said to myself you

2407

01:41:16,629 --> 01:41:11,520

know

2408

01:41:19,590 --> 01:41:18,149

difficult to come up with but back in

2409

01:41:21,430 --> 01:41:19,600

the day i think it was pretty novel and

2410

01:41:22,629 --> 01:41:21,440

i said you know i need to go find a good

2411

01:41:26,070 --> 01:41:22,639

psychic

2412

01:41:29,510 --> 01:41:26,080

know tell me if she

2413

01:41:32,790 --> 01:41:29,520

or he can hit on anything so

2414

01:41:36,070 --> 01:41:32,800
having used psychics before and

2415

01:41:39,030 --> 01:41:36,080
on different television shows and um

2416

01:41:39,430 --> 01:41:39,040
who predicted certain events that we

2417

01:41:42,629 --> 01:41:39,440
knew

2418

01:41:46,229 --> 01:41:42,639
that that were that happened

2419

01:41:48,149 --> 01:41:46,239
um a friend of mine actually recommended

2420

01:41:51,750 --> 01:41:48,159
somebody

2421

01:41:53,990 --> 01:41:51,760
so i called this particular individual

2422

01:41:55,830 --> 01:41:54,000
and i did not tell i gave her my name i

2423

01:41:57,990 --> 01:41:55,840
didn't tell her

2424

01:41:59,430 --> 01:41:58,000
what i was doing but i just said well

2425

01:42:02,870 --> 01:41:59,440
i'm go i'm going i'm

2426

01:42:06,310 --> 01:42:02,880

i'm doing a story and i'd like to know

2427

01:42:09,350 --> 01:42:06,320

if what you might be able to

2428

01:42:10,709 --> 01:42:09,360

can you get from it i don't even

2429

01:42:14,790 --> 01:42:10,719

i don't even know if i told her it was

2430

01:42:16,470 --> 01:42:14,800

television related so we uh i went to

2431

01:42:19,990 --> 01:42:16,480

her house one night

2432

01:42:23,109 --> 01:42:20,000

and um had had my questions and i

2433

01:42:26,390 --> 01:42:23,119

even brought some maps of wyoming

2434

01:42:27,510 --> 01:42:26,400

and some other things and um she didn't

2435

01:42:29,669 --> 01:42:27,520

want to know anything

2436

01:42:30,550 --> 01:42:29,679

she was she goes don't tell me anything

2437

01:42:33,669 --> 01:42:30,560

that's fine

2438

01:42:35,669 --> 01:42:33,679

uh and we started and she started

2439

01:42:37,910 --> 01:42:35,679

describing

2440

01:42:39,430 --> 01:42:37,920

she says well you're and she didn't know

2441

01:42:41,669 --> 01:42:39,440

i was going to wyoming or anything i

2442

01:42:44,470 --> 01:42:41,679

didn't show her the maps at that point

2443

01:42:45,030 --> 01:42:44,480

she said well i i see a person who he's

2444

01:42:46,950 --> 01:42:45,040

not like

2445

01:42:49,189 --> 01:42:46,960

her words were he's not a city slicker

2446

01:42:52,470 --> 01:42:49,199

he's like wearing overalls and

2447

01:42:55,669 --> 01:42:52,480

he looks like a he looks like a rancher

2448

01:42:56,870 --> 01:42:55,679

or something and he he and then she

2449

01:42:58,709 --> 01:42:56,880

started

2450

01:43:01,189 --> 01:42:58,719

hitting on certain things that i knew

2451

01:43:05,030 --> 01:43:01,199

she was tagging

2452

01:43:07,830 --> 01:43:05,040

with what i was doing and so

2453

01:43:09,990 --> 01:43:07,840

she got a lot of she got a lot she said

2454

01:43:13,030 --> 01:43:10,000

a lot of things that

2455

01:43:14,070 --> 01:43:13,040

were very um confirming but she never

2456

01:43:17,109 --> 01:43:14,080

said ufo

2457

01:43:18,870 --> 01:43:17,119

or these are beings

2458

01:43:20,229 --> 01:43:18,880

and i just let her talk until she was

2459

01:43:21,030 --> 01:43:20,239

pretty much spent didn't have anything

2460

01:43:24,229 --> 01:43:21,040

more to say

2461

01:43:27,430 --> 01:43:24,239

and that's when i said uh

2462

01:43:29,430 --> 01:43:27,440

well i'm going up there a gentleman's

2463

01:43:31,030 --> 01:43:29,440

been having some strange experiences on

2464

01:43:33,850 --> 01:43:31,040

his land

2465

01:43:35,109 --> 01:43:33,860

and they said

2466

01:43:37,350 --> 01:43:35,119

[Music]

2467

01:43:39,750 --> 01:43:37,360

then i said and he claims that he's

2468

01:43:41,030 --> 01:43:39,760

seeing you know odd things on his land

2469

01:43:45,189 --> 01:43:41,040

and

2470

01:43:47,350 --> 01:43:45,199

that

2471

01:43:48,950 --> 01:43:47,360

and i had my critical mind at the time i

2472

01:43:52,709 --> 01:43:48,960

was on i

2473

01:43:55,990 --> 01:43:52,719

i was you know uh i was listening

2474

01:43:56,950 --> 01:43:56,000

and i've had this all recorded and i

2475

01:44:00,709 --> 01:43:56,960

said uh she

2476

01:44:02,870 --> 01:44:00,719

she i said well it's about a guy having

2477

01:44:03,669 --> 01:44:02,880

these these strange experiences up there

2478

01:44:05,430 --> 01:44:03,679

and there's

2479

01:44:06,709 --> 01:44:05,440

maybe these being there's some beings

2480

01:44:09,030 --> 01:44:06,719

involved and then she

2481

01:44:11,510 --> 01:44:09,040

as soon as i said that like everything

2482

01:44:13,430 --> 01:44:11,520

all the dots connected for her

2483

01:44:14,790 --> 01:44:13,440

and she said she looked at me and she

2484

01:44:17,910 --> 01:44:14,800

said that's it that's

2485

01:44:20,470 --> 01:44:17,920

it he's having visitations

2486

01:44:21,109 --> 01:44:20,480

and they're they're actually happening

2487

01:44:25,030 --> 01:44:21,119

and she would

2488

01:44:29,189 --> 01:44:25,040

she went into all kinds of um

2489

01:44:31,350 --> 01:44:29,199

discussion hang on just say

2490

01:44:34,790 --> 01:44:31,360

okay i got my dog in here he's got he

2491

01:44:36,790 --> 01:44:34,800

brought his bone in oh i see

2492

01:44:38,390 --> 01:44:36,800

that was that's what the noise was uh

2493

01:44:39,830 --> 01:44:38,400

please hold that train of thought real

2494

01:44:40,870 --> 01:44:39,840

quick i just want to remind everyone

2495

01:44:44,149 --> 01:44:40,880

else watching

2496

01:44:47,430 --> 01:44:44,159

that um if you you can join us

2497

01:44:51,030 --> 01:44:47,440

on telegram and simply go to

2498

01:44:52,390 --> 01:44:51,040

find a ufo hub group and join the voice

2499

01:44:55,109 --> 01:44:52,400

chat and

2500

01:44:56,550 --> 01:44:55,119

when john and i have concluded if you're

2501

01:45:00,390 --> 01:44:56,560

there and you would like to speak

2502

01:45:02,790 --> 01:45:00,400

you know i'll bring you in otherwise

2503

01:45:03,669 --> 01:45:02,800

john and i will keep on chatting until

2504

01:45:05,270 --> 01:45:03,679

um

2505

01:45:07,830 --> 01:45:05,280

one of us gets tired and i think it's

2506

01:45:11,109 --> 01:45:07,840

gonna be me first

2507

01:45:14,149 --> 01:45:11,119

so i'm sorry john go ahead so

2508

01:45:18,950 --> 01:45:16,870

she's so she she looked at me and it was

2509

01:45:21,350 --> 01:45:18,960

like like i said all these dots

2510

01:45:23,270 --> 01:45:21,360

i just got this image that all these

2511

01:45:23,669 --> 01:45:23,280

dots came together for her and she said

2512

01:45:25,590 --> 01:45:23,679

that's

2513

01:45:27,030 --> 01:45:25,600

it and she said he's having these

2514

01:45:30,070 --> 01:45:27,040

experiences it's

2515

01:45:32,470 --> 01:45:30,080

it's it's uh it's it's a real

2516

01:45:33,590 --> 01:45:32,480

it's real he's really having these

2517

01:45:36,550 --> 01:45:33,600

experiences

2518

01:45:37,750 --> 01:45:36,560

and then she said uh there were a lot of

2519

01:45:38,390 --> 01:45:37,760

things that were discussed but one of

2520

01:45:40,550 --> 01:45:38,400

the things she

2521

01:45:41,510 --> 01:45:40,560

said was there's someone that knows more

2522

01:45:43,189 --> 01:45:41,520

than he does

2523

01:45:45,189 --> 01:45:43,199

up there and you need to find that

2524

01:45:48,070 --> 01:45:45,199

person

2525

01:45:49,669 --> 01:45:48,080

and i said well who would that be she

2526

01:45:51,669 --> 01:45:49,679

goes i don't know but he feels native

2527

01:45:53,510 --> 01:45:51,679

american she feels indian to me

2528

01:45:55,750 --> 01:45:53,520

and you need to find that person and

2529

01:45:57,750 --> 01:45:55,760

then she went on talking more and more

2530

01:45:59,750 --> 01:45:57,760

about the event and then i remember one

2531

01:46:01,990 --> 01:45:59,760

thing that scared the heck out of me

2532

01:46:03,830 --> 01:46:02,000

actually at the time and then she said

2533

01:46:06,790 --> 01:46:03,840

to she stopped

2534

01:46:08,390 --> 01:46:06,800

and she looked at me kind of in a in a

2535

01:46:13,189 --> 01:46:08,400

phased

2536

01:46:14,790 --> 01:46:13,199

way and she said why do you think

2537

01:46:16,629 --> 01:46:14,800

and she was kind of half there and half

2538

01:46:17,270 --> 01:46:16,639

not and she said why do you think this

2539

01:46:20,790 --> 01:46:17,280

has been so

2540

01:46:24,070 --> 01:46:20,800

easy for you to put this this

2541

01:46:26,070 --> 01:46:24,080

project together she says it's been

2542

01:46:27,669 --> 01:46:26,080

it came together pretty easily didn't it

2543

01:46:29,270 --> 01:46:27,679

now i looked at her and i had never

2544

01:46:30,229 --> 01:46:29,280

thought about that actually and i said

2545

01:46:34,390 --> 01:46:30,239

well

2546

01:46:36,149 --> 01:46:34,400

yes it yes it has actually and she goes

2547

01:46:38,830 --> 01:46:36,159

they've they're helping you they want

2548

01:46:43,750 --> 01:46:41,990

right so so you can imagine i was like

2549

01:46:45,669 --> 01:46:43,760

yeah right i mean part of my

2550

01:46:47,109 --> 01:46:45,679

my critical mind jumped right in and

2551

01:46:51,109 --> 01:46:47,119

said yeah sure

2552

01:46:52,629 --> 01:46:51,119

but um i i and then she went on explain

2553

01:46:53,510 --> 01:46:52,639

some things she said you've got to find

2554

01:46:56,229 --> 01:46:53,520

the indian

2555

01:46:58,390 --> 01:46:56,239

and that's just the very beginning of it

2556

01:46:59,990 --> 01:46:58,400

i ended up

2557

01:47:03,350 --> 01:47:00,000

she said they will show themselves to

2558

01:47:06,550 --> 01:47:03,360

you you will see them

2559

01:47:08,550 --> 01:47:06,560

uh and it's going to be a little

2560

01:47:11,669 --> 01:47:08,560

different than you expect but

2561

01:47:15,270 --> 01:47:11,679

uh just you know be

2562

01:47:17,270 --> 01:47:15,280

be ready be aware be awake so uh

2563

01:47:18,390 --> 01:47:17,280

you know i can go on and on and not try

2564

01:47:22,790 --> 01:47:18,400

to

2565

01:47:26,149 --> 01:47:22,800

of that

2566

01:47:30,070 --> 01:47:26,159

was i did eventually find the indian

2567

01:47:32,070 --> 01:47:30,080

right uh he and um

2568

01:47:34,390 --> 01:47:32,080

he told me he was actually someone who's

2569

01:47:37,669 --> 01:47:34,400

fairly was fairly well known

2570

01:47:39,910 --> 01:47:37,679

in the the public and i

2571

01:47:41,510 --> 01:47:39,920

i didn't meet him while i was in wyoming

2572

01:47:43,910 --> 01:47:41,520

i met him

2573

01:47:45,990 --> 01:47:43,920

kind of synchronistic events had to lead

2574

01:47:48,070 --> 01:47:46,000

me somewhere else to find the guy but i

2575

01:47:49,189 --> 01:47:48,080

eventually did and he told me many many

2576

01:47:50,870 --> 01:47:49,199

many things

2577

01:47:52,310 --> 01:47:50,880

because he's met with he met with these

2578

01:47:56,310 --> 01:47:52,320

beings i did see

2579

01:48:00,310 --> 01:47:56,320

i saw my cameraman and i did see

2580

01:48:03,430 --> 01:48:00,320

the see these um oh

2581

01:48:06,070 --> 01:48:03,440

we never saw like a ship as more it was

2582

01:48:06,950 --> 01:48:06,080

like something was enveloped in a plasma

2583

01:48:10,229 --> 01:48:06,960

else cap

2584

01:48:12,790 --> 01:48:10,239

i'll describe it as a plasma field and

2585

01:48:13,910 --> 01:48:12,800

and it was enveloped in this and we saw

2586

01:48:16,149 --> 01:48:13,920

that and then

2587

01:48:18,310 --> 01:48:16,159

we there's a whole nother we actually

2588

01:48:23,189 --> 01:48:18,320

got physical evidence

2589

01:48:30,470 --> 01:48:26,550

we got photos we didn't take them the

2590

01:48:34,550 --> 01:48:33,910

and the film that he ex asked me to

2591

01:48:38,629 --> 01:48:34,560

develop

2592

01:48:40,470 --> 01:48:38,639

but there were physical holes

2593

01:48:42,149 --> 01:48:40,480

in the film and the physical emulsion

2594

01:48:43,590 --> 01:48:42,159

this was slide film back in the day

2595

01:48:46,390 --> 01:48:43,600

before digital

2596

01:48:47,270 --> 01:48:46,400

right and where these objects appeared

2597

01:48:49,350 --> 01:48:47,280

in the picture

2598

01:48:50,709 --> 01:48:49,360

there were literally physic i took these

2599

01:48:53,030 --> 01:48:50,719

phone i took these

2600

01:48:54,550 --> 01:48:53,040

films to the jet propulsion laboratory

2601

01:48:56,470 --> 01:48:54,560

in pasadena

2602

01:48:57,830 --> 01:48:56,480

where the voi at that time voyager the

2603

01:49:00,790 --> 01:48:57,840

voyager spacecraft

2604

01:49:02,229 --> 01:49:00,800

had been launched and i being with i was

2605

01:49:04,149 --> 01:49:02,239

working for a network at that time

2606

01:49:05,430 --> 01:49:04,159

television network so i had entree there

2607

01:49:09,910 --> 01:49:05,440

very very nice

2608

01:49:10,950 --> 01:49:09,920

uh tour of the facility and

2609

01:49:12,310 --> 01:49:10,960

they were willing to look at the

2610

01:49:14,070 --> 01:49:12,320

photographs but they didn't they weren't

2611

01:49:15,510 --> 01:49:14,080

going to go on televisions

2612

01:49:17,189 --> 01:49:15,520

because they just said we don't believe

2613

01:49:18,950 --> 01:49:17,199

in ufos but we'll take a look at your

2614

01:49:21,589 --> 01:49:18,960

photographs if you want us to and

2615

01:49:22,470 --> 01:49:21,599

from that analysis they came up with

2616

01:49:24,390 --> 01:49:22,480

holes that were

2617

01:49:26,390 --> 01:49:24,400

physical holes were burnt and the

2618

01:49:30,310 --> 01:49:26,400

emulsion was blistered

2619

01:49:33,109 --> 01:49:30,320

from these objects that were uh

2620

01:49:34,629 --> 01:49:33,119

taking pictures of in the sky so there

2621

01:49:37,270 --> 01:49:34,639

was physical evidence to that

2622

01:49:41,830 --> 01:49:37,280

and um anyway the show went on this is

2623

01:49:43,589 --> 01:49:41,840

again this is back in 1980

2624

01:49:45,109 --> 01:49:43,599

it was it was pretty dramatic it really

2625

01:49:48,310 --> 01:49:45,119

changed it changed my life

2626

01:49:51,510 --> 01:49:48,320

certainly uh the the experience

2627

01:49:53,669 --> 01:49:51,520

there or you're talking about having

2628

01:49:56,629 --> 01:49:53,679

talking to us to to a psychic and having

2629

01:50:00,229 --> 01:49:56,639

those validations

2630

01:50:01,189 --> 01:50:00,239

so you know i'm not easily i'm a pretty

2631

01:50:03,669 --> 01:50:01,199

practical guy

2632

01:50:05,990 --> 01:50:03,679

i'm oh i'm very open i'm open but if i

2633

01:50:08,070 --> 01:50:06,000

see any evidence to lead to the contrary

2634

01:50:09,589 --> 01:50:08,080

of what i'm being told then or or does

2635

01:50:11,589 --> 01:50:09,599

it seem quite right then

2636

01:50:13,750 --> 01:50:11,599

then i will dig into it further and i

2637

01:50:15,510 --> 01:50:13,760

will

2638

01:50:16,790 --> 01:50:15,520

especially as a journalist you if you're

2639

01:50:18,070 --> 01:50:16,800

going to put something out there you

2640

01:50:21,589 --> 01:50:18,080

have to back it up so

2641

01:50:23,270 --> 01:50:21,599

right you know um

2642

01:50:24,709 --> 01:50:23,280

well john thank you very much for for

2643

01:50:27,430 --> 01:50:24,719

sharing that um

2644

01:50:29,589 --> 01:50:27,440

there's someone else also in in the room

2645

01:50:32,149 --> 01:50:29,599

uh sean that i wanted to see if he

2646

01:50:34,070 --> 01:50:32,159

just wanted to say if uh wanted to share

2647

01:50:34,709 --> 01:50:34,080

a story please make sure to raise your

2648

01:50:37,030 --> 01:50:34,719

hand so

2649

01:50:38,790 --> 01:50:37,040

that way i know you're wanting to speak

2650

01:50:41,510 --> 01:50:38,800

instead of just listening and

2651

01:50:42,629 --> 01:50:41,520

it looks like nathan is back so also if

2652

01:50:44,629 --> 01:50:42,639

nathan if you have

2653

01:50:46,709 --> 01:50:44,639

something you would like to share also

2654

01:50:48,149 --> 01:50:46,719

just raise your hand in the in the voice

2655

01:50:50,790 --> 01:50:48,159

chat that way i know

2656

01:50:53,109 --> 01:50:50,800

um you guys would like to interact

2657

01:50:55,830 --> 01:50:53,119

instead of just listening as i've said

2658

01:50:57,669 --> 01:50:55,840

but uh um yeah john on on your end you

2659

01:50:59,270 --> 01:50:57,679

know it's very interesting there was

2660

01:51:01,510 --> 01:50:59,280

it's one of those things that when you

2661

01:51:03,189 --> 01:51:01,520

find uh it sounds so weird to say when

2662

01:51:05,030 --> 01:51:03,199

you find a good psychic you hold on to

2663

01:51:07,669 --> 01:51:05,040

him and don't let go

2664

01:51:08,870 --> 01:51:07,679

because i know a very that's become a

2665

01:51:10,070 --> 01:51:08,880

very good friend of mine and i

2666

01:51:13,030 --> 01:51:10,080

interviewed her

2667

01:51:14,709 --> 01:51:13,040

um actually there's both of them one of

2668

01:51:17,669 --> 01:51:14,719

them is uh

2669

01:51:19,350 --> 01:51:17,679

cat i call up it's catherine hughes and

2670

01:51:22,550 --> 01:51:19,360

the other one is uh

2671

01:51:24,790 --> 01:51:22,560

justine alessi and she does tarot where

2672

01:51:27,430 --> 01:51:24,800

the other one does more of uh

2673

01:51:28,550 --> 01:51:27,440

psychic reading and what's really cool

2674

01:51:33,030 --> 01:51:28,560

was

2675

01:51:35,589 --> 01:51:33,040

i don't have to say anything

2676

01:51:37,030 --> 01:51:35,599

i just go sit down and they literally

2677

01:51:38,870 --> 01:51:37,040

lay everything out

2678

01:51:40,870 --> 01:51:38,880

and that's when you know they're they're

2679

01:51:43,669 --> 01:51:40,880

tapped into what it is that

2680

01:51:44,390 --> 01:51:43,679

you know you what you would like to know

2681

01:51:46,709 --> 01:51:44,400

because

2682

01:51:47,990 --> 01:51:46,719

very rarely and actually i have to say

2683

01:51:49,910 --> 01:51:48,000

i've i personally just

2684

01:51:51,430 --> 01:51:49,920

always been lucky to always talk to

2685

01:51:54,870 --> 01:51:51,440

somebody that has

2686

01:51:57,910 --> 01:51:54,880

um some level of skill but uh

2687

01:52:00,310 --> 01:51:57,920

some it becomes very obvious that

2688

01:52:01,270 --> 01:52:00,320

they were just born to do this and one

2689

01:52:04,310 --> 01:52:01,280

particular one

2690

01:52:04,870 --> 01:52:04,320

um justine alessi she does a tarot card

2691

01:52:07,910 --> 01:52:04,880

reading

2692

01:52:10,950 --> 01:52:07,920

and um i my wife and i would talk to her

2693

01:52:11,589 --> 01:52:10,960

at least one well not at least once a

2694

01:52:14,950 --> 01:52:11,599

year

2695

01:52:18,390 --> 01:52:14,960

and uh before my wife and i met she had

2696

01:52:19,510 --> 01:52:18,400

told her about me and that that we would

2697

01:52:21,430 --> 01:52:19,520

eventually meet

2698

01:52:23,350 --> 01:52:21,440

and that she kind of knows me but not

2699

01:52:26,229 --> 01:52:23,360

directly and all these other things

2700

01:52:27,350 --> 01:52:26,239

which was confusing her you know but and

2701
01:52:30,550 --> 01:52:27,360
then later when

2702
01:52:31,270 --> 01:52:30,560
when when my wife and i we did meet uh

2703
01:52:33,109 --> 01:52:31,280
then we

2704
01:52:34,629 --> 01:52:33,119
we both went to talk to her and she

2705
01:52:40,229 --> 01:52:34,639
basically

2706
01:52:42,550 --> 01:52:40,239
told us about the the son we're gonna

2707
01:52:44,709 --> 01:52:42,560
have and the daughter afterwards

2708
01:52:46,149 --> 01:52:44,719
and um you know all these things

2709
01:52:48,709 --> 01:52:46,159
happening at specific

2710
01:52:49,750 --> 01:52:48,719
dates and and times which was just

2711
01:52:53,189 --> 01:52:49,760
amazing because

2712
01:52:55,589 --> 01:52:53,199
usually most most would depends on their

2713
01:52:57,669 --> 01:52:55,599

skill level would give you a vague idea

2714

01:52:59,030 --> 01:52:57,679

you know not necessarily i don't mean in

2715

01:53:01,270 --> 01:52:59,040

a bad way it's just that

2716

01:53:02,070 --> 01:53:01,280

sometimes probabilities are not always

2717

01:53:05,189 --> 01:53:02,080

certain

2718

01:53:07,109 --> 01:53:05,199

you know and so um but with justine

2719

01:53:07,669 --> 01:53:07,119

specifically i mean she just gets to the

2720

01:53:09,510 --> 01:53:07,679

point

2721

01:53:10,950 --> 01:53:09,520

and so does my friend kat hughes you

2722

01:53:14,550 --> 01:53:10,960

know catherine hughes because

2723

01:53:17,109 --> 01:53:14,560

the very first time i had an experience

2724

01:53:18,870 --> 01:53:17,119

or to talk to a psychic was her and this

2725

01:53:19,589 --> 01:53:18,880

was way back when when i started all

2726

01:53:22,310 --> 01:53:19,599

this

2727

01:53:23,189 --> 01:53:22,320

and i just sat there and she just laid

2728

01:53:26,470 --> 01:53:23,199

everything out

2729

01:53:28,550 --> 01:53:26,480

and i one interesting part was

2730

01:53:29,990 --> 01:53:28,560

i haven't told her that at that time you

2731

01:53:30,790 --> 01:53:30,000

know i just interviewed two of my

2732

01:53:33,430 --> 01:53:30,800

friends

2733

01:53:35,430 --> 01:53:33,440

and just by whatever happenstance i

2734

01:53:37,270 --> 01:53:35,440

would manage at that time to

2735

01:53:39,589 --> 01:53:37,280

get a hold of george nori and to have

2736

01:53:41,830 --> 01:53:39,599

him uh to interview him asking

2737

01:53:43,830 --> 01:53:41,840

to if he would be willing to talk to me

2738

01:53:47,270 --> 01:53:43,840

and he agreed and that was

2739

01:53:50,709 --> 01:53:47,280

like this whole you know it was this

2740

01:53:53,669 --> 01:53:50,719

mind it was this uh mindset changer

2741

01:53:54,070 --> 01:53:53,679

that i never went back to this oh i'm so

2742

01:53:56,870 --> 01:53:54,080

unsure

2743

01:53:58,870 --> 01:53:56,880

about myself blah blah blah the very

2744

01:54:00,790 --> 01:53:58,880

simple fact that he agreed to talk to me

2745

01:54:01,350 --> 01:54:00,800

just took all doubt out of my mind and

2746

01:54:02,870 --> 01:54:01,360

just

2747

01:54:04,709 --> 01:54:02,880

basically made me move forward with

2748

01:54:06,470 --> 01:54:04,719

confidence but what's interesting is

2749

01:54:08,149 --> 01:54:06,480

when i was talking to her

2750

01:54:09,510 --> 01:54:08,159

she just kind of looked off like she

2751
01:54:11,910 --> 01:54:09,520
usually does and

2752
01:54:13,350 --> 01:54:11,920
i can't i can't remember if i told her i

2753
01:54:15,350 --> 01:54:13,360
want to say that i didn't

2754
01:54:17,350 --> 01:54:15,360
but the response that she gave me was

2755
01:54:19,910 --> 01:54:17,360
interested she she laughed

2756
01:54:21,350 --> 01:54:19,920
and she said they're telling me that

2757
01:54:22,870 --> 01:54:21,360
you're going to interview many more

2758
01:54:25,910 --> 01:54:22,880
georgia nori's

2759
01:54:29,669 --> 01:54:25,920
you know and i just kind of look back

2760
01:54:31,430 --> 01:54:29,679
like how do you know you know and so

2761
01:54:33,350 --> 01:54:31,440
like i said what you know it sounds

2762
01:54:34,629 --> 01:54:33,360
silly to say but when you know you got a

2763
01:54:37,109 --> 01:54:34,639

good one you just

2764

01:54:38,870 --> 01:54:37,119

want to basically you know hold on to

2765

01:54:41,669 --> 01:54:38,880

them and just

2766

01:54:42,390 --> 01:54:41,679

you know but sometimes you know it can

2767

01:54:45,589 --> 01:54:42,400

get

2768

01:54:46,149 --> 01:54:45,599

you know we try at least once a year

2769

01:54:48,470 --> 01:54:46,159

maybe

2770

01:54:49,830 --> 01:54:48,480

once every two years or whatnot because

2771

01:54:51,669 --> 01:54:49,840

you want to live your life

2772

01:54:53,669 --> 01:54:51,679

not constantly going okay which steps

2773

01:54:54,709 --> 01:54:53,679

should i take next because then it takes

2774

01:54:56,870 --> 01:54:54,719

the fun out of it the

2775

01:54:59,030 --> 01:54:56,880

whole point is for you to decide and do

2776

01:54:59,990 --> 01:54:59,040

but it's fun at least on occasion to

2777

01:55:02,390 --> 01:55:00,000

just kind of

2778

01:55:05,350 --> 01:55:02,400

um go in and say hey what can you tell

2779

01:55:07,910 --> 01:55:05,360

me what's coming up

2780

01:55:08,390 --> 01:55:07,920

and uh so yeah again so nathan and sean

2781

01:55:12,629 --> 01:55:08,400

if you

2782

01:55:12,950 --> 01:55:12,639

or uh simply uh come on to talk to me

2783

01:55:16,709 --> 01:55:12,960

just

2784

01:55:19,189 --> 01:55:16,719

raise your hand and um then then i know

2785

01:55:21,030 --> 01:55:19,199

what your intentions are well john thank

2786

01:55:21,830 --> 01:55:21,040

you i'm going to go back to nathan just

2787

01:55:24,950 --> 01:55:21,840

to see

2788

01:55:26,870 --> 01:55:24,960

what he has to say but you know um

2789

01:55:28,709 --> 01:55:26,880

please sit tight you know if we're still

2790

01:55:29,830 --> 01:55:28,719

on you know i'll see if you want to come

2791

01:55:32,070 --> 01:55:29,840

back on but

2792

01:55:34,070 --> 01:55:32,080

i'm very grateful that you came on to

2793

01:55:35,350 --> 01:55:34,080

talk to me and to be part of this very

2794

01:55:37,430 --> 01:55:35,360

first open line

2795

01:55:38,950 --> 01:55:37,440

i'm hoping that i can just uh keep doing

2796

01:55:41,430 --> 01:55:38,960

this maybe once a week

2797

01:55:43,990 --> 01:55:41,440

and so uh to just give the opportunity

2798

01:55:46,229 --> 01:55:44,000

to more people to just chat

2799

01:55:47,830 --> 01:55:46,239

yeah sure good luck to you i'll stay on

2800

01:55:51,270 --> 01:55:47,840

for a little while i want to say

2801

01:55:54,550 --> 01:55:51,280

uh good luck for you to you

2802

01:55:56,950 --> 01:55:54,560

and thank you and continue it continue

2803

01:55:59,270 --> 01:55:56,960

it man it'll get stronger

2804

01:56:00,310 --> 01:55:59,280

thank you john i appreciate it thank you

2805

01:56:03,990 --> 01:56:00,320

yeah uh

2806

01:56:13,830 --> 01:56:04,000

i'm gonna go over to to nathan

2807

01:56:20,470 --> 01:56:17,669

okay um nathan can you hear me yeah hey

2808

01:56:22,070 --> 01:56:20,480

okay good deal yeah uh yeah there for a

2809

01:56:24,870 --> 01:56:22,080

second i thought maybe

2810

01:56:26,149 --> 01:56:24,880

yeah that was my bad my my client on my

2811

01:56:28,149 --> 01:56:26,159

computer crashed

2812

01:56:29,350 --> 01:56:28,159

it's no no problem at all i was just

2813

01:56:30,550 --> 01:56:29,360

wondering because i know i told you i

2814

01:56:33,750 --> 01:56:30,560

was going to come back to you and i was

2815

01:56:35,350 --> 01:56:33,760

like oh shoot i never did

2816

01:56:37,669 --> 01:56:35,360

well i caught the last part there

2817

01:56:39,270 --> 01:56:37,679

actually because i just got back on

2818

01:56:41,109 --> 01:56:39,280

and he was talking about psychics and i

2819

01:56:43,990 --> 01:56:41,119

really wanted to chime in there

2820

01:56:45,750 --> 01:56:44,000

um about one that um like you said you

2821

01:56:47,910 --> 01:56:45,760

really want to hold on to the one that

2822

01:56:49,350 --> 01:56:47,920

really like if you find one you really

2823

01:56:51,189 --> 01:56:49,360

want to hold on to that one then i did

2824

01:56:53,109 --> 01:56:51,199

for a while actually

2825

01:56:56,070 --> 01:56:53,119

um find one that was actually in my own

2826

01:56:58,709 --> 01:56:56,080

town which is very lucky

2827

01:57:01,350 --> 01:56:58,719

so a story i'll go into just to clarify

2828

01:57:05,109 --> 01:57:01,360

it goes into something that you actually

2829

01:57:06,470 --> 01:57:05,119

said um so the the person that's in my

2830

01:57:07,350 --> 01:57:06,480

own town is actually the one that my mom

2831

01:57:08,550 --> 01:57:07,360

goes to

2832

01:57:10,709 --> 01:57:08,560

and so a lot of the stuff that i've

2833

01:57:12,870 --> 01:57:10,719

learned from is from my mom's work

2834

01:57:14,550 --> 01:57:12,880

and my mom has gone through pretty much

2835

01:57:15,510 --> 01:57:14,560

just everything you can think of that's

2836

01:57:18,790 --> 01:57:15,520

been like

2837

01:57:19,830 --> 01:57:18,800

over 30 plus years of just research and

2838

01:57:22,870 --> 01:57:19,840

such

2839

01:57:25,350 --> 01:57:22,880

and so you know naturally

2840

01:57:25,910 --> 01:57:25,360

just by her interests my interests were

2841

01:57:28,709 --> 01:57:25,920

kind of

2842

01:57:30,149 --> 01:57:28,719

you know simultaneously hers so she

2843

01:57:31,270 --> 01:57:30,159

she's like hey you know you want to go

2844

01:57:32,709 --> 01:57:31,280

to this thing i'm like

2845

01:57:34,470 --> 01:57:32,719

you know first off i'm like nah i don't

2846

01:57:35,589 --> 01:57:34,480

know what this is you know she's she's

2847

01:57:38,390 --> 01:57:35,599

weird but

2848

01:57:39,109 --> 01:57:38,400

sorry but i don't want to curse on the

2849

01:57:42,149 --> 01:57:39,119

show but

2850

01:57:43,350 --> 01:57:42,159

uh the the it was really weird at first

2851
01:57:44,470 --> 01:57:43,360
i'm like okay you know i'll give it a

2852
01:57:45,990 --> 01:57:44,480
chance you know she was going to these

2853
01:57:48,149 --> 01:57:46,000
like spiritualist churches like

2854
01:57:49,430 --> 01:57:48,159
non-denominational it's like oh look a

2855
01:57:51,030 --> 01:57:49,440
lot of it just was

2856
01:57:52,790 --> 01:57:51,040
you know under under the guise of you

2857
01:57:54,790 --> 01:57:52,800
know just kind of community

2858
01:57:57,510 --> 01:57:54,800
and as i was starting to get into it

2859
01:57:59,589 --> 01:57:57,520
she's like oh so that's what that is

2860
01:58:00,870 --> 01:57:59,599
you know you know she was doing a lot of

2861
01:58:02,390 --> 01:58:00,880
things with reiki and

2862
01:58:04,070 --> 01:58:02,400
and and spiritual healings and stuff

2863
01:58:07,109 --> 01:58:04,080

like that and then she got into

2864

01:58:08,390 --> 01:58:07,119

um kind of channeling and and

2865

01:58:10,629 --> 01:58:08,400

interdimensional stuff

2866

01:58:12,310 --> 01:58:10,639

but it wasn't really specific so a lot

2867

01:58:13,109 --> 01:58:12,320

of it was just for healing and for reiki

2868

01:58:15,270 --> 01:58:13,119

reasons

2869

01:58:17,189 --> 01:58:15,280

but one thing that i wanted to talk

2870

01:58:20,149 --> 01:58:17,199

about was dolores cannon

2871

01:58:20,550 --> 01:58:20,159

and my mom got really deep into her work

2872

01:58:22,870 --> 01:58:20,560

and

2873

01:58:24,149 --> 01:58:22,880

it really moved me to think like all

2874

01:58:26,229 --> 01:58:24,159

this other stuff that kind of

2875

01:58:28,470 --> 01:58:26,239

really like answered my questions of

2876

01:58:31,510 --> 01:58:28,480

like why like at a young age

2877

01:58:33,270 --> 01:58:31,520

um really answered it for me was like

2878

01:58:34,790 --> 01:58:33,280

why are we here like why do i feel this

2879

01:58:35,910 --> 01:58:34,800

way like why do i feel different from

2880

01:58:38,310 --> 01:58:35,920

everyone else

2881

01:58:39,350 --> 01:58:38,320

and a lot of that was just from me being

2882

01:58:42,229 --> 01:58:39,360

curious

2883

01:58:42,709 --> 01:58:42,239

and my mom helping me out with that um

2884

01:58:44,229 --> 01:58:42,719

you know

2885

01:58:45,589 --> 01:58:44,239

answering some of those questions is

2886

01:58:45,910 --> 01:58:45,599

just not really like answering it for

2887

01:58:47,910 --> 01:58:45,920

her

2888

01:58:49,109 --> 01:58:47,920

or for me but like pouring in the right

2889

01:58:51,990 --> 01:58:49,119

direction

2890

01:58:53,510 --> 01:58:52,000

and so she got into dolores cannon i got

2891

01:58:54,709 --> 01:58:53,520

into the stuff that she was doing i was

2892

01:58:57,030 --> 01:58:54,719

going with her

2893

01:58:58,070 --> 01:58:57,040

to see the same psychic that she was

2894

01:59:00,149 --> 01:58:58,080

going to

2895

01:59:02,070 --> 01:59:00,159

and it really opened up my that world

2896

01:59:04,470 --> 01:59:02,080

for me in in a lot of that

2897

01:59:05,270 --> 01:59:04,480

and so with all these restrictions now

2898

01:59:07,030 --> 01:59:05,280

it's not really

2899

01:59:08,550 --> 01:59:07,040

well with the state of the world it's

2900

01:59:10,629 --> 01:59:08,560

not really happening anymore like i used

2901

01:59:13,189 --> 01:59:10,639

to go there pretty much every week

2902

01:59:13,830 --> 01:59:13,199

and uh it slowed down it tapered off and

2903

01:59:16,790 --> 01:59:13,840

then

2904

01:59:17,270 --> 01:59:16,800

kind of just was non-existent um but i

2905

01:59:19,430 --> 01:59:17,280

feel like

2906

01:59:20,629 --> 01:59:19,440

you know the time will come you know i

2907

01:59:23,109 --> 01:59:20,639

think she's still around

2908

01:59:23,750 --> 01:59:23,119

she's in her later years but uh of

2909

01:59:27,030 --> 01:59:23,760

course

2910

01:59:27,589 --> 01:59:27,040

it is the the psychic that oh i see my

2911

01:59:30,040 --> 01:59:27,599

comment

2912

01:59:31,510 --> 01:59:30,050

yeah and so the psychic

2913

01:59:34,629 --> 01:59:31,520

[Music]

2914

01:59:36,470 --> 01:59:34,639

had really like profound insights at

2915

01:59:39,589 --> 01:59:36,480

least for me because it was just so

2916

01:59:40,870 --> 01:59:39,599

new and so amazing that it really put me

2917

01:59:44,149 --> 01:59:40,880

on a springboard

2918

01:59:46,870 --> 01:59:44,159

to my later lives and where i am now so

2919

01:59:48,790 --> 01:59:46,880

i do agree with your sentiment right i

2920

01:59:50,790 --> 01:59:48,800

think it puts things in perspective that

2921

01:59:53,430 --> 01:59:50,800

if you had a little bit of doubt

2922

01:59:55,270 --> 01:59:53,440

then here's a person that by all means

2923

01:59:57,189 --> 01:59:55,280

should not know anything about you

2924

01:59:58,950 --> 01:59:57,199

and everything coming out of their mouth

2925

02:00:02,229 --> 01:59:58,960

should be as kind of

2926

02:00:03,270 --> 02:00:02,239

this fraudulent uh fishing for

2927

02:00:05,990 --> 02:00:03,280

information right

2928

02:00:06,709 --> 02:00:06,000

but when you have those that that really

2929

02:00:11,990 --> 02:00:06,719

just

2930

02:00:12,550 --> 02:00:12,000

dumbfounded i'm like i didn't tell them

2931

02:00:18,149 --> 02:00:12,560

anything

2932

02:00:21,669 --> 02:00:20,870

but yeah um i don't know if uh well

2933

02:00:25,109 --> 02:00:21,679

because

2934

02:00:27,910 --> 02:00:25,119

the dolores cannon i've i personally

2935

02:00:28,550 --> 02:00:27,920

well disclosure i'm married into the

2936

02:00:31,189 --> 02:00:28,560

family

2937

02:00:31,830 --> 02:00:31,199

you know and uh because my wife is her

2938

02:00:35,350 --> 02:00:31,840

grand

2939

02:00:36,390 --> 02:00:35,360

is dolores is her or my wife is dolores

2940

02:00:39,910 --> 02:00:36,400

granddaughter

2941

02:00:41,350 --> 02:00:39,920

and um i only got to interview dolores

2942

02:00:45,109 --> 02:00:41,360

the very first time

2943

02:00:45,750 --> 02:00:45,119

in 2014 which was right around that time

2944

02:00:48,149 --> 02:00:45,760

that i

2945

02:00:49,430 --> 02:00:48,159

met my wife because that's how the

2946

02:00:52,149 --> 02:00:49,440

connection came about

2947

02:00:52,550 --> 02:00:52,159

with the psychic telling her that she

2948

02:00:55,669 --> 02:00:52,560

knows

2949

02:00:56,070 --> 02:00:55,679

of me but we haven't officially met you

2950

02:00:58,550 --> 02:00:56,080

know

2951
02:00:59,430 --> 02:00:58,560
and that was actually also the time when

2952
02:01:01,830 --> 02:00:59,440
when

2953
02:01:02,950 --> 02:01:01,840
my wife and i first met but anyway what

2954
02:01:04,950 --> 02:01:02,960
i was going to say is

2955
02:01:06,149 --> 02:01:04,960
i wish i had more chances to talk to her

2956
02:01:08,229 --> 02:01:06,159
because

2957
02:01:09,669 --> 02:01:08,239
what i found very interesting about her

2958
02:01:11,669 --> 02:01:09,679
work is that

2959
02:01:12,950 --> 02:01:11,679
it's not just hypnosis in the

2960
02:01:15,350 --> 02:01:12,960
traditional sense but

2961
02:01:17,669 --> 02:01:15,360
she makes uh she talks them through to

2962
02:01:19,910 --> 02:01:17,679
get to a point to where they're so deep

2963
02:01:22,470 --> 02:01:19,920

into the trance to where

2964

02:01:23,990 --> 02:01:22,480

so much information and things like

2965

02:01:26,709 --> 02:01:24,000

weird things start

2966

02:01:27,189 --> 02:01:26,719

happening in the sense of uh information

2967

02:01:33,990 --> 02:01:27,199

and

2968

02:01:36,390 --> 02:01:34,000

would let's say

2969

02:01:38,149 --> 02:01:36,400

put a person in a trance she'll go to

2970

02:01:38,790 --> 02:01:38,159

that level where she needs to go with

2971

02:01:40,870 --> 02:01:38,800

them

2972

02:01:42,709 --> 02:01:40,880

to where they can do to seek help for

2973

02:01:45,430 --> 02:01:42,719

them but then after that's done

2974

02:01:47,430 --> 02:01:45,440

this this um i guess what she called the

2975

02:01:49,270 --> 02:01:47,440

source would come through and give her

2976
02:01:50,550 --> 02:01:49,280
sets of information which she eventually

2977
02:01:52,310 --> 02:01:50,560
based her books on

2978
02:01:54,229 --> 02:01:52,320
but what's interesting is now she'll go

2979
02:01:56,070 --> 02:01:54,239
to china talk to

2980
02:01:57,669 --> 02:01:56,080
a person that lives in china lived in

2981
02:02:01,030 --> 02:01:57,679
there all their life it it to

2982
02:02:04,229 --> 02:02:01,040
you know in that town and um you know

2983
02:02:06,149 --> 02:02:04,239
um then you know to whatever means

2984
02:02:07,510 --> 02:02:06,159
learned english well enough for her to

2985
02:02:10,149 --> 02:02:07,520
be able to then

2986
02:02:10,550 --> 02:02:10,159
talk them through to hypnosis and that

2987
02:02:12,629 --> 02:02:10,560
same

2988
02:02:13,589 --> 02:02:12,639

source would come through and continue

2989

02:02:16,310 --> 02:02:13,599

the information

2990

02:02:17,830 --> 02:02:16,320

that where they left off in america

2991

02:02:19,270 --> 02:02:17,840

through an entirely different person

2992

02:02:19,990 --> 02:02:19,280

that there's no way they could know each

2993

02:02:21,750 --> 02:02:20,000

other

2994

02:02:23,030 --> 02:02:21,760

so that's it was very interesting

2995

02:02:25,430 --> 02:02:23,040

information that

2996

02:02:26,629 --> 02:02:25,440

the books were written in that way you

2997

02:02:30,629 --> 02:02:26,639

know to where

2998

02:02:33,189 --> 02:02:30,639

um you know that it's coming through in

2999

02:02:34,149 --> 02:02:33,199

in this in in this esoteric and

3000

02:02:37,430 --> 02:02:34,159

interesting and

3001
02:02:38,470 --> 02:02:37,440
and very unless to say the least

3002
02:02:40,470 --> 02:02:38,480
interesting way

3003
02:02:41,910 --> 02:02:40,480
you know and it was information that's

3004
02:02:44,310 --> 02:02:41,920
very useful helpful

3005
02:02:45,669 --> 02:02:44,320
you know uh to because some people

3006
02:02:47,430 --> 02:02:45,679
always if you if you

3007
02:02:49,510 --> 02:02:47,440
depends on which religion you are you

3008
02:02:51,589 --> 02:02:49,520
would think well that's a demon that's

3009
02:02:55,510 --> 02:02:51,599
satan's work that's so and so

3010
02:02:58,229 --> 02:02:55,520
but you know why would the information

3011
02:02:59,669 --> 02:02:58,239
in the way it's it's told you know it

3012
02:03:01,510 --> 02:02:59,679
betters people's lives

3013
02:03:03,350 --> 02:03:01,520

so if it's supposed to be so negative

3014

02:03:04,390 --> 02:03:03,360

what's the point i mean did satan just

3015

02:03:06,790 --> 02:03:04,400

go through a

3016

02:03:08,550 --> 02:03:06,800

you know um you know some kind of

3017

02:03:09,910 --> 02:03:08,560

program to where i'm gonna do good from

3018

02:03:11,589 --> 02:03:09,920

now on you know what i mean

3019

02:03:13,109 --> 02:03:11,599

i don't mean to make any you know when i

3020

02:03:14,390 --> 02:03:13,119

say it in this way i don't need to make

3021

02:03:17,109 --> 02:03:14,400

fun of it i'm just saying

3022

02:03:17,750 --> 02:03:17,119

it it makes no sense logically to me

3023

02:03:20,790 --> 02:03:17,760

that it would

3024

02:03:22,950 --> 02:03:20,800

be a negative entity when

3025

02:03:24,790 --> 02:03:22,960

when based on the books that you read

3026

02:03:28,149 --> 02:03:24,800

and information given it's just there to

3027

02:03:31,030 --> 02:03:28,159

give information and help

3028

02:03:32,070 --> 02:03:31,040

um also sean i uh just letting you know

3029

02:03:34,709 --> 02:03:32,080

you probably heard this

3030

02:03:36,790 --> 02:03:34,719

if you also interested to talk um just

3031

02:03:38,149 --> 02:03:36,800

raise your hand let me know otherwise uh

3032

02:03:40,550 --> 02:03:38,159

you know welcome and

3033

02:03:41,990 --> 02:03:40,560

uh just listen in and anyone else

3034

02:03:43,589 --> 02:03:42,000

watching this

3035

02:03:45,270 --> 02:03:43,599

looks like we'll be on there just you

3036

02:03:48,310 --> 02:03:45,280

know a little bit longer here so

3037

02:03:50,229 --> 02:03:48,320

if you want to join us on telegram or or

3038

02:03:53,910 --> 02:03:50,239

maybe next time please make sure you

3039

02:03:56,550 --> 02:03:53,920

download telegram find ufo hub and

3040

02:03:57,669 --> 02:03:56,560

if i manage to have these open lines

3041

02:03:59,750 --> 02:03:57,679

once a week then

3042

02:04:02,550 --> 02:03:59,760

you know to chime in and share your

3043

02:04:04,870 --> 02:04:02,560

story story with us

3044

02:04:07,750 --> 02:04:04,880

so um nathan is there anything else you

3045

02:04:09,669 --> 02:04:07,760

would like to talk about

3046

02:04:11,510 --> 02:04:09,679

no i think that was a good uh a good

3047

02:04:12,229 --> 02:04:11,520

point that you you made and i really

3048

02:04:14,470 --> 02:04:12,239

appreciate that

3049

02:04:16,470 --> 02:04:14,480

i just found that your connection with

3050

02:04:18,310 --> 02:04:16,480

dolores cannon to be pretty cool

3051
02:04:19,750 --> 02:04:18,320
i i had no idea that you were connected

3052
02:04:21,990 --> 02:04:19,760
in such a way

3053
02:04:23,750 --> 02:04:22,000
uh secretary city has has to find a way

3054
02:04:26,390 --> 02:04:23,760
you know

3055
02:04:27,189 --> 02:04:26,400
right right well it worked out great too

3056
02:04:28,950 --> 02:04:27,199
because uh

3057
02:04:30,550 --> 02:04:28,960
for the company that she started which

3058
02:04:34,470 --> 02:04:30,560
is ozark mountain publishing

3059
02:04:36,709 --> 02:04:34,480
back in 1992 um for the location where

3060
02:04:39,430 --> 02:04:36,719
it's at it's very difficult to find

3061
02:04:41,910 --> 02:04:39,440
people that can help out into this to

3062
02:04:45,990 --> 02:04:41,920
jump over to this new digital age

3063
02:04:48,870 --> 02:04:46,000

and what's interesting is that

3064

02:04:49,910 --> 02:04:48,880

it just so happened that not only was it

3065

02:04:52,310 --> 02:04:49,920

synchronicity

3066

02:04:53,910 --> 02:04:52,320

in my own personal life you know talking

3067

02:04:55,669 --> 02:04:53,920

about let's just talk to you about my

3068

02:04:57,990 --> 02:04:55,679

previous job where i just quit it and

3069

02:05:00,629 --> 02:04:58,000

next thing i know i found another

3070

02:05:01,510 --> 02:05:00,639

it just so worked out that i found the

3071

02:05:05,430 --> 02:05:01,520

job

3072

02:05:08,149 --> 02:05:05,440

working for the company that my

3073

02:05:09,669 --> 02:05:08,159

um my wife's grandmother started and of

3074

02:05:11,750 --> 02:05:09,679

course they met my wife

3075

02:05:12,709 --> 02:05:11,760

and in return they're getting the skills

3076

02:05:15,830 --> 02:05:12,719

that i had

3077

02:05:17,109 --> 02:05:15,840

initially you know started out as

3078

02:05:19,030 --> 02:05:17,119

you know when i was younger about

3079

02:05:19,669 --> 02:05:19,040

technology so that i can help them out

3080

02:05:22,470 --> 02:05:19,679

with

3081

02:05:23,350 --> 02:05:22,480

websites and videos and editing and

3082

02:05:26,550 --> 02:05:23,360

recording

3083

02:05:27,430 --> 02:05:26,560

and pictures and i t and network and all

3084

02:05:29,430 --> 02:05:27,440

of that stuff

3085

02:05:31,350 --> 02:05:29,440

so talking about things working out

3086

02:05:33,510 --> 02:05:31,360

that's like the ultimate

3087

02:05:38,709 --> 02:05:33,520

you know everything falling into place

3088

02:05:44,550 --> 02:05:42,629

definitely okay well um

3089

02:05:46,550 --> 02:05:44,560

so nathan well thank you very much again

3090

02:05:48,709 --> 02:05:46,560

and john is still on looks like sean is

3091

02:05:51,669 --> 02:05:48,719

left which is fine and i was gonna

3092

02:05:52,629 --> 02:05:51,679

conclude right now so it's been about

3093

02:05:54,870 --> 02:05:52,639

two hours

3094

02:05:55,669 --> 02:05:54,880

and i know all of us haven't talked for

3095

02:05:58,069 --> 02:05:55,679

that long but

3096

02:05:58,709 --> 02:05:58,079

uh i thank you all very much for coming

3097

02:06:01,109 --> 02:05:58,719

on to

3098

02:06:02,709 --> 02:06:01,119

for the first recording this whole the

3099

02:06:04,870 --> 02:06:02,719

this live stream will stay on and

3100

02:06:07,510 --> 02:06:04,880

continue to stay on live on

3101
02:06:09,350 --> 02:06:07,520
on youtube and if anyone out there wants

3102
02:06:11,589 --> 02:06:09,360
to rewatch it but uh

3103
02:06:12,709 --> 02:06:11,599
uh anyone else that is still watching

3104
02:06:15,830 --> 02:06:12,719
this is supposed to be

3105
02:06:18,229 --> 02:06:15,840
a basically just a trial to see how open

3106
02:06:20,310 --> 02:06:18,239
open line open lines would work and it

3107
02:06:23,910 --> 02:06:20,320
seems to be working pretty good

3108
02:06:25,669 --> 02:06:23,920
so that any of you out there have a

3109
02:06:27,030 --> 02:06:25,679
have an experience to share i would like

3110
02:06:29,189 --> 02:06:27,040
to hear from you because i mean it's

3111
02:06:31,270 --> 02:06:29,199
great i'll always continue having the

3112
02:06:33,750 --> 02:06:31,280
more known people to talk about stuff

3113
02:06:36,470 --> 02:06:33,760

but you're you're matter just as much

3114

02:06:37,750 --> 02:06:36,480

you know and uh in whatever little way

3115

02:06:41,030 --> 02:06:37,760

you think you matter

3116

02:06:43,189 --> 02:06:41,040

you know um and so maybe just by

3117

02:06:44,950 --> 02:06:43,199

by being a little bit more courageous

3118

02:06:46,870 --> 02:06:44,960

just come out and talk

3119

02:06:48,229 --> 02:06:46,880

because with everyone else having the

3120

02:06:50,870 --> 02:06:48,239

same mindset to come out

3121

02:06:51,830 --> 02:06:50,880

and want to publicly discuss the stories

3122

02:06:54,069 --> 02:06:51,840

it wouldn't be

3123

02:06:55,430 --> 02:06:54,079

an obscure topic anymore it would become

3124

02:06:59,669 --> 02:06:55,440

the new mainstream

3125

02:07:02,229 --> 02:06:59,679

and so yeah everyone else watching thank

3126

02:07:08,950 --> 02:07:05,669

yeah i'm gonna um there's andy they just

3127

02:07:10,550 --> 02:07:08,960

uh hopped on andy if you wanted to um

3128

02:07:12,470 --> 02:07:10,560

to ask a question please let me know and

3129

02:07:15,750 --> 02:07:12,480

i'll stay stay on longer and

3130

02:07:18,149 --> 02:07:15,760

and hear what you have to say but um

3131

02:07:18,870 --> 02:07:18,159

if you're just here to listen i'm sorry

3132

02:07:20,550 --> 02:07:18,880

to say where

3133

02:07:22,069 --> 02:07:20,560

we're concluding but i would love to

3134

02:07:24,149 --> 02:07:22,079

hear any stories that

3135

02:07:25,350 --> 02:07:24,159

if you have any so just raise your hand

3136

02:07:27,910 --> 02:07:25,360

if you do

3137

02:07:29,830 --> 02:07:27,920

otherwise if you stay as a listener then

3138

02:07:32,950 --> 02:07:29,840

i just know you just

3139

02:07:34,709 --> 02:07:32,960

came by to to listen but unfortunately

3140

02:07:37,030 --> 02:07:34,719

we're concluding nathan i'm going to

3141

02:07:39,589 --> 02:07:37,040

meet you thank you again you know and uh

3142

02:07:40,950 --> 02:07:39,599

um i appreciate you uh listening and

3143

02:07:47,750 --> 02:07:40,960

watching

3144

02:07:53,669 --> 02:07:51,030

okay so

3145

02:07:55,589 --> 02:07:53,679

um let me see i just want to go back a

3146

02:07:57,430 --> 02:07:55,599

little bit to the chat

3147

02:07:59,430 --> 02:07:57,440

yeah any of you watching that are in

3148

02:08:01,109 --> 02:07:59,440

chat i'm sorry i haven't focused so much

3149

02:08:03,669 --> 02:08:01,119

on the chat itself

3150

02:08:04,550 --> 02:08:03,679

um this was mainly a focus for open

3151

02:08:09,350 --> 02:08:04,560

lines

3152

02:08:11,589 --> 02:08:09,360

and um i'm uh grateful to

3153

02:08:13,589 --> 02:08:11,599

some of you that logged in john and

3154

02:08:17,750 --> 02:08:13,599

nathan i appreciate that

3155

02:08:20,470 --> 02:08:17,760

and to speak to me instead of me just

3156

02:08:21,430 --> 02:08:20,480

reading more of the chat list but yeah

3157

02:08:24,310 --> 02:08:21,440

please download

3158

02:08:25,669 --> 02:08:24,320

telegram and it's very easy or at least

3159

02:08:28,229 --> 02:08:25,679

a lot easier for me

3160

02:08:29,430 --> 02:08:28,239

and it's a great messenger software i

3161

02:08:33,109 --> 02:08:29,440

use it all the time

3162

02:08:34,950 --> 02:08:33,119

i've replaced facebook messenger and

3163

02:08:37,030 --> 02:08:34,960

which was something i was using heavily

3164

02:08:38,310 --> 02:08:37,040

but on my personal account i cancelled

3165

02:08:41,510 --> 02:08:38,320

my account a while back

3166

02:08:43,990 --> 02:08:41,520

i maintained the ufo hub account

3167

02:08:44,950 --> 02:08:44,000

you know but um you know and i got you

3168

02:08:46,950 --> 02:08:44,960

know

3169

02:08:49,109 --> 02:08:46,960

got out of messenger and using this

3170

02:08:51,510 --> 02:08:49,119

instead it's a great platform it has

3171

02:08:53,189 --> 02:08:51,520

a lot less limitations on how many

3172

02:08:54,870 --> 02:08:53,199

videos you can post

3173

02:08:56,629 --> 02:08:54,880

uh connecting with friends and when i

3174

02:08:58,550 --> 02:08:56,639

did a lot of other friends

3175

02:08:59,830 --> 02:08:58,560

were reaching out basically tell you

3176

02:09:02,470 --> 02:08:59,840

know welcoming me and

3177

02:09:03,669 --> 02:09:02,480

i had no idea they were on it because

3178

02:09:03,990 --> 02:09:03,679

you can either sign up through your

3179

02:09:07,510 --> 02:09:04,000

phone

3180

02:09:10,550 --> 02:09:07,520

number or you can sign up i believe

3181

02:09:13,669 --> 02:09:10,560

through an email but

3182

02:09:16,470 --> 02:09:13,679

yeah if you have telegram you can

3183

02:09:18,390 --> 02:09:16,480

just after you open an account then the

3184

02:09:20,950 --> 02:09:18,400

search search for the ufo

3185

02:09:21,910 --> 02:09:20,960

uh group and uh you'll find the channel

3186

02:09:24,069 --> 02:09:21,920

and um

3187

02:09:26,149 --> 02:09:24,079

i'll see i'll do another poll and i'm

3188

02:09:28,069 --> 02:09:26,159

hoping that a lot of you will partake to

3189

02:09:30,629 --> 02:09:28,079

give me good feedback to see where

3190

02:09:33,350 --> 02:09:30,639

everybody's mindset stands um i was

3191

02:09:35,350 --> 02:09:33,360

gonna see if this is something you guys

3192

02:09:36,790 --> 02:09:35,360

would like me to do maybe once a week

3193

02:09:39,189 --> 02:09:36,800

which i don't mind doing

3194

02:09:41,109 --> 02:09:39,199

if i know that uh there's enough

3195

02:09:44,550 --> 02:09:41,119

interest for people to want to

3196

02:09:46,390 --> 02:09:44,560

uh come on and um to just share

3197

02:09:48,470 --> 02:09:46,400

share their experiences because like i

3198

02:09:50,709 --> 02:09:48,480

said a lot of times you just hear me

3199

02:09:51,910 --> 02:09:50,719

talk to a person that has published a

3200

02:09:54,069 --> 02:09:51,920

book or

3201

02:09:55,589 --> 02:09:54,079

has some sort of experience and whatnot

3202

02:09:57,430 --> 02:09:55,599

that's well known

3203

02:10:00,629 --> 02:09:57,440

but you know you matter as well of

3204

02:10:03,030 --> 02:10:00,639

course and um

3205

02:10:04,950 --> 02:10:03,040

it's at least something to start doing

3206

02:10:07,350 --> 02:10:04,960

more publicly because i used to attend a

3207

02:10:09,830 --> 02:10:07,360

lot of meetings in san luis to where

3208

02:10:11,750 --> 02:10:09,840

it was so you know people liked it that

3209

02:10:13,910 --> 02:10:11,760

it was behind closed doors

3210

02:10:15,430 --> 02:10:13,920

and they always felt comfortable to

3211

02:10:16,870 --> 02:10:15,440

share their stories because they know

3212

02:10:19,109 --> 02:10:16,880

they wouldn't be judged

3213

02:10:20,709 --> 02:10:19,119

but it was always interesting eventually

3214

02:10:22,629 --> 02:10:20,719

the meeting would turn into

3215

02:10:23,990 --> 02:10:22,639

how government is always doing something

3216

02:10:25,750 --> 02:10:24,000

behind closed doors

3217

02:10:27,589 --> 02:10:25,760

and i brought that up in a meeting one

3218

02:10:29,109 --> 02:10:27,599

time and i said well you can't always

3219

02:10:29,589 --> 02:10:29,119

blame the government for always doing

3220

02:10:31,109 --> 02:10:29,599

everything

3221

02:10:32,790 --> 02:10:31,119

you know behind closed doors and you

3222

02:10:33,430 --> 02:10:32,800

complaining about why you don't know

3223

02:10:35,510 --> 02:10:33,440

more

3224

02:10:38,069 --> 02:10:35,520

but yet here we are doing the same thing

3225

02:10:39,830 --> 02:10:38,079

you know it's not

3226

02:10:41,750 --> 02:10:39,840

anything that you should be afraid of

3227

02:10:44,790 --> 02:10:41,760

you know any experiences whether it's

3228

02:10:46,390 --> 02:10:44,800

ghost encounters uh cryptids uh you know

3229

02:10:49,109 --> 02:10:46,400

like bigfoot encounters

3230

02:10:50,709 --> 02:10:49,119

uh ufos aliens you know abductions all

3231

02:10:52,950 --> 02:10:50,719

these different things are

3232

02:10:54,310 --> 02:10:52,960

you know part of this this collective

3233

02:10:56,950 --> 02:10:54,320

psyche that's

3234

02:10:59,189 --> 02:10:56,960

that's had no head no in a way i see

3235

02:11:01,350 --> 02:10:59,199

they had no choice but to spill out into

3236

02:11:02,629 --> 02:11:01,360

forms like mine and many others that are

3237

02:11:04,069 --> 02:11:02,639

out there on youtube

3238

02:11:06,550 --> 02:11:04,079

to where finally people are going to

3239

02:11:10,229 --> 02:11:06,560

have to talk about it and they cannot be

3240

02:11:13,189 --> 02:11:10,239

constantly be oppressed people need some

3241

02:11:14,709 --> 02:11:13,199

someone out there to talk to or share

3242

02:11:16,470 --> 02:11:14,719

their experiences to know that they're

3243

02:11:18,149 --> 02:11:16,480

not the only ones that had these

3244

02:11:20,950 --> 02:11:18,159

weird things that a lot of family

3245

02:11:23,350 --> 02:11:20,960

members don't accept

3246

02:11:24,149 --> 02:11:23,360

but when you do come out as i've said

3247

02:11:26,069 --> 02:11:24,159

many times

3248

02:11:27,270 --> 02:11:26,079

it's amazing how many more will then

3249

02:11:29,030 --> 02:11:27,280

look at you as the

3250

02:11:31,109 --> 02:11:29,040

go-to person where they would feel

3251

02:11:32,550 --> 02:11:31,119

comfortable to say well i had these same

3252

02:11:34,709 --> 02:11:32,560

experiences but i didn't want to speak

3253

02:11:37,510 --> 02:11:34,719

up but now you said something first and

3254

02:11:38,310 --> 02:11:37,520

then you know i'm able to come and talk

3255

02:11:39,910 --> 02:11:38,320

to you

3256

02:11:41,990 --> 02:11:39,920

and the next thing you know there's four

3257

02:11:45,270 --> 02:11:42,000

or five people in within your immediate

3258

02:11:46,149 --> 02:11:45,280

uh uh family that basically felt the

3259

02:11:47,830 --> 02:11:46,159

same way but

3260

02:11:49,750 --> 02:11:47,840

didn't quite have the same courage as

3261

02:11:51,910 --> 02:11:49,760

you did to just be more

3262

02:11:53,750 --> 02:11:51,920

public about it i don't mean necessarily

3263

02:11:55,750 --> 02:11:53,760

pushing it on other people but just not

3264

02:11:57,350 --> 02:11:55,760

make it a secret when you're being asked

3265

02:11:58,069 --> 02:11:57,360

what are you doing i'm going to ufo

3266

02:11:59,430 --> 02:11:58,079

meeting

3267

02:12:01,750 --> 02:11:59,440

where you go next week and i'm going to

3268

02:12:03,589 --> 02:12:01,760

a conference where they discuss ufos

3269

02:12:05,109 --> 02:12:03,599

you know and things like that to just be

3270

02:12:07,030 --> 02:12:05,119

nonchalant about it

3271

02:12:08,709 --> 02:12:07,040

you know because you should be able to

3272

02:12:09,990 --> 02:12:08,719

say that in the same sense that people

3273

02:12:11,270 --> 02:12:10,000

when they talk about

3274

02:12:13,109 --> 02:12:11,280

oh what are you doing next week i'm

3275

02:12:14,069 --> 02:12:13,119

going a baseball game or oh we're having

3276

02:12:16,069 --> 02:12:14,079

a barbecue

3277

02:12:18,229 --> 02:12:16,079

you know to discuss topics like this

3278

02:12:20,870 --> 02:12:18,239

should be just as simple as that

3279

02:12:22,229 --> 02:12:20,880

and so the more of you just find the

3280

02:12:24,310 --> 02:12:22,239

courage to speak

3281

02:12:25,589 --> 02:12:24,320

at least from the videos you've seen

3282

02:12:28,629 --> 02:12:25,599

that i've done and

3283

02:12:31,030 --> 02:12:28,639

the way i like to talk to people that

3284

02:12:32,069 --> 02:12:31,040

there is no judgment is just talking to

3285

02:12:34,550 --> 02:12:32,079

each other

3286

02:12:35,109 --> 02:12:34,560

you know exchanging ideas and seeing who

3287

02:12:36,950 --> 02:12:35,119

knows

3288

02:12:38,310 --> 02:12:36,960

different information and what else is

3289

02:12:40,310 --> 02:12:38,320

out there that

3290

02:12:41,350 --> 02:12:40,320

you know another may not have

3291

02:12:44,390 --> 02:12:41,360

experienced

3292

02:12:46,390 --> 02:12:44,400

so feel free to to just download

3293

02:12:50,790 --> 02:12:46,400

telegram come and speak to me

3294

02:12:51,030 --> 02:12:50,800

you know uh just subscribe to ufo hub

3295

02:12:53,030 --> 02:12:51,040

and

3296

02:12:54,310 --> 02:12:53,040

watch some other interviews that i'll

3297

02:12:56,149 --> 02:12:54,320

you know keep on doing

3298

02:12:57,830 --> 02:12:56,159

with uh like i said a bit more

3299

02:13:00,229 --> 02:12:57,840

well-known people but

3300

02:13:01,350 --> 02:13:00,239

uh just don't don't be afraid don't be

3301

02:13:04,149 --> 02:13:01,360

afraid to

3302

02:13:05,270 --> 02:13:04,159

um to just come out come out the closet

3303

02:13:09,030 --> 02:13:05,280

so to say

3304

02:13:11,990 --> 02:13:09,040

out of the ufo metaphysical closet

3305

02:13:12,629 --> 02:13:12,000

so anyway thank you all very much again

3306

02:13:15,750 --> 02:13:12,639

uh john

3307

02:13:16,870 --> 02:13:15,760

and nathan and andy and sean earlier

3308

02:13:19,430 --> 02:13:16,880

that were listening

3309

02:13:20,229 --> 02:13:19,440

thank you for helping me figure out that

3310

02:13:22,950 --> 02:13:20,239

this

3311

02:13:25,189 --> 02:13:22,960

experiment was working out great and

3312

02:13:27,430 --> 02:13:25,199

that it's something that we can continue

3313

02:13:29,910 --> 02:13:27,440

maybe in the future because if there's

3314

02:13:31,270 --> 02:13:29,920

more people there might be less time to

3315

02:13:34,229 --> 02:13:31,280

to give to each person

3316

02:13:35,430 --> 02:13:34,239

but you know if you keep coming back

3317

02:13:37,350 --> 02:13:35,440

week after week

3318

02:13:39,669 --> 02:13:37,360

eventually you know i will i will get to

3319

02:13:42,229 --> 02:13:39,679

you so

3320

02:13:42,709 --> 02:13:42,239

yeah well thank you all very much again

3321

02:13:45,109 --> 02:13:42,719

i'm

3322

02:13:46,390 --> 02:13:45,119

just going to be stopping the stream

3323

02:13:49,510 --> 02:13:46,400

here real soon

3324

02:13:52,709 --> 02:13:49,520

and closing out the the telegram

3325

02:13:55,350 --> 02:13:52,719

voice chat so thank you for tuning in

3326

02:13:56,950 --> 02:13:55,360

i hope you enjoyed this and uh tune in

3327

02:14:00,149 --> 02:13:56,960

for friday 7 p.m

3328

02:14:03,669 --> 02:14:00,159

i'm going to be talking to mike dooley

3329

02:14:05,750 --> 02:14:03,679

and i hope you can log in there

3330

02:14:07,030 --> 02:14:05,760

and get to ask some questions as well
