

UFO HUB

LIVE STREAM

1
00:01:38,830 --> 00:00:21,780
[Music]

2
00:01:38,840 --> 00:01:52,830
so

3
00:01:52,840 --> 00:02:17,950
oh

4
00:02:17,960 --> 00:02:34,830
[Music]

5
00:02:34,840 --> 00:02:39,450
do

6
00:02:39,460 --> 00:03:44,830
[Music]

7
00:03:44,840 --> 00:03:51,430
so

8
00:03:55,910 --> 00:03:53,670
hey everyone welcome to ufo hub live

9
00:03:57,670 --> 00:03:55,920
stream so today's guest as you already

10
00:03:59,429 --> 00:03:57,680
know is going to be mike dooley i've

11
00:04:02,070 --> 00:03:59,439
been meaning to get together with mike

12
00:04:06,070 --> 00:04:02,080
and talk to him for a very long time

13
00:04:08,949 --> 00:04:06,080

about 2017 i get this book

14

00:04:10,390 --> 00:04:08,959

by mike and a very nice handwritten

15

00:04:13,110 --> 00:04:10,400

message

16

00:04:13,589 --> 00:04:13,120

as you can see right here and at that

17

00:04:15,830 --> 00:04:13,599

time

18

00:04:16,710 --> 00:04:15,840

as all of you know i was not able to do

19

00:04:18,870 --> 00:04:16,720

any interviews

20

00:04:20,150 --> 00:04:18,880

and i was nowhere ready to where i am

21

00:04:23,350 --> 00:04:20,160

today but

22

00:04:26,230 --> 00:04:23,360

we made it work and i have mike on today

23

00:04:27,110 --> 00:04:26,240

so let's get started i'm going to switch

24

00:04:30,390 --> 00:04:27,120

over to mike

25

00:04:32,950 --> 00:04:30,400

and then i figured we'll um

26

00:04:33,990 --> 00:04:32,960

just get going with asking mike about

27

00:04:39,189 --> 00:04:34,000

his background

28

00:04:43,990 --> 00:04:42,310

hi mike welcome thanks for being on

29

00:04:45,350 --> 00:04:44,000

hey adnan great to be with you thanks

30

00:04:48,469 --> 00:04:45,360

for the opportunity

31

00:04:48,870 --> 00:04:48,479

so uh i met mike in kansas city and it

32

00:04:51,510 --> 00:04:48,880

was

33

00:04:53,110 --> 00:04:51,520

uh right before you were publishing your

34

00:04:55,030 --> 00:04:53,120

your book it was called the

35

00:04:56,230 --> 00:04:55,040

the top 10 things that people want to

36

00:04:58,550 --> 00:04:56,240

tell you

37

00:05:00,710 --> 00:04:58,560

and uh it's it's it's been a while but

38

00:05:04,150 --> 00:05:00,720

it's been that long ago since i've uh

39

00:05:06,870 --> 00:05:04,160

talked to you and um

40

00:05:07,430 --> 00:05:06,880

so mike if you could uh go a little bit

41

00:05:10,150 --> 00:05:07,440

uh

42

00:05:11,909 --> 00:05:10,160

into the the background story about how

43

00:05:15,350 --> 00:05:11,919

it is that you started out and

44

00:05:17,189 --> 00:05:15,360

and with basically what's called tut

45

00:05:20,629 --> 00:05:17,199

that had originally different meaning

46

00:05:23,749 --> 00:05:20,639

but maybe you can go into that

47

00:05:23,990 --> 00:05:23,759

okay sure uh boy i'll take you all the

48

00:05:26,550 --> 00:05:24,000

way

49

00:05:28,550 --> 00:05:26,560

back uh to give context to it and i'll

50

00:05:32,070 --> 00:05:28,560

try to make it a short story but

51
00:05:35,909 --> 00:05:32,080
um i've always been driven my whole life

52
00:05:39,270 --> 00:05:35,919
including uh as a young teenager

53
00:05:42,150 --> 00:05:39,280
pre-teens even to wonder

54
00:05:43,510 --> 00:05:42,160
about who we are how we got here and

55
00:05:47,029 --> 00:05:43,520
what's the dang point

56
00:05:47,430 --> 00:05:47,039
of a life on earth and unbeknownst to me

57
00:05:51,350 --> 00:05:47,440
that

58
00:05:53,830 --> 00:05:51,360
searching led to answers um

59
00:05:55,430 --> 00:05:53,840
you know the law of attraction like

60
00:05:58,790 --> 00:05:55,440
attracts like

61
00:06:01,189 --> 00:05:58,800
if you are eating sleeping and breathing

62
00:06:01,830 --> 00:06:01,199
in your quest for truth truth is looking

63
00:06:05,590 --> 00:06:01,840

for you

64

00:06:05,990 --> 00:06:05,600

if you will and it started to catch up

65

00:06:08,870 --> 00:06:06,000

with me

66

00:06:10,390 --> 00:06:08,880

and by the time i was say 20 i had

67

00:06:13,189 --> 00:06:10,400

discovered a few books that were

68

00:06:15,749 --> 00:06:13,199

confirming my own inner suspicions about

69

00:06:18,070 --> 00:06:15,759

life purpose who we are how we got here

70

00:06:20,390 --> 00:06:18,080

what we can do with our time and space

71

00:06:22,950 --> 00:06:20,400

and it really lit me up because there

72

00:06:25,430 --> 00:06:22,960

was no dogma there was no religion

73

00:06:26,309 --> 00:06:25,440

um everyone's doing their best were all

74

00:06:29,749 --> 00:06:26,319

of source

75

00:06:32,230 --> 00:06:29,759

energy all of divine mind here by

76

00:06:33,270 --> 00:06:32,240

choice for the adventure of it to love

77

00:06:35,749 --> 00:06:33,280

and be loved

78

00:06:37,830 --> 00:06:35,759

and so taking those answers and those

79

00:06:40,309 --> 00:06:37,840

confirmations

80

00:06:43,189 --> 00:06:40,319

to a place that's near and dear to me my

81

00:06:45,029 --> 00:06:43,199

my inner soul if you will

82

00:06:47,270 --> 00:06:45,039

having been handed the keys to the

83

00:06:50,390 --> 00:06:47,280

kingdom if you will

84

00:06:50,950 --> 00:06:50,400

my life in time and space it was all

85

00:06:53,990 --> 00:06:50,960

about

86

00:06:55,749 --> 00:06:54,000

rocking my life and making my dreams

87

00:06:58,469 --> 00:06:55,759

come true a very

88

00:06:59,350 --> 00:06:58,479

selfish pursuit but i think there's room

89

00:07:00,710 --> 00:06:59,360

for that

90

00:07:02,870 --> 00:07:00,720

because when you take care of business

91

00:07:04,550 --> 00:07:02,880

at home it opens you up to take care of

92

00:07:06,230 --> 00:07:04,560

business elsewhere and you become a

93

00:07:09,110 --> 00:07:06,240

light and a model to others

94

00:07:10,550 --> 00:07:09,120

i never was selfish to the degree that i

95

00:07:13,110 --> 00:07:10,560

would want to make

96

00:07:15,749 --> 00:07:13,120

progress at the expense of anybody else

97

00:07:21,029 --> 00:07:15,759

so i took my very traditional normal

98

00:07:23,510 --> 00:07:21,039

background middle middle class american

99

00:07:25,589 --> 00:07:23,520

got an accounting degree to become

100

00:07:27,510 --> 00:07:25,599

ultimately an entrepreneur

101
00:07:29,270 --> 00:07:27,520
after a few years of working with

102
00:07:35,510 --> 00:07:29,280
pricewaterhouse

103
00:07:36,230 --> 00:07:35,520
to enjoy the journey of my life and it's

104
00:07:39,029 --> 00:07:36,240
been an

105
00:07:41,110 --> 00:07:39,039
incredible ride i went from being

106
00:07:42,790 --> 00:07:41,120
certified public accountant to

107
00:07:44,950 --> 00:07:42,800
running a business with my brother and

108
00:07:45,830 --> 00:07:44,960
mother selling t-shirts my brother's art

109
00:07:47,749 --> 00:07:45,840
and my

110
00:07:49,510 --> 00:07:47,759
philosophical sayings about thoughts

111
00:07:53,670 --> 00:07:49,520
become things

112
00:07:54,230 --> 00:07:53,680
and then parlayed that in the year 2000

113
00:07:56,469 --> 00:07:54,240

into

114

00:07:57,909 --> 00:07:56,479

tut.com it was a difficult transition

115

00:07:59,029 --> 00:07:57,919

because there was a lot of scary things

116

00:08:01,189 --> 00:07:59,039

happening in my life

117

00:08:02,869 --> 00:08:01,199

i don't claim to have all the answers

118

00:08:05,909 --> 00:08:02,879

and it certainly hasn't been

119

00:08:07,670 --> 00:08:05,919

you know smooth sailing

120

00:08:09,830 --> 00:08:07,680

21 years ago at the turn of the

121

00:08:12,790 --> 00:08:09,840

millennium was my dark night of the soul

122

00:08:14,710 --> 00:08:12,800

everything came undone we liquidated our

123

00:08:16,469 --> 00:08:14,720

t-shirt company it had been an amazing

124

00:08:19,110 --> 00:08:16,479

10-year run

125

00:08:20,950 --> 00:08:19,120

we had made millions of dollars i still

126

00:08:22,869 --> 00:08:20,960

nevertheless had a big mortgage and i

127

00:08:24,150 --> 00:08:22,879

had to make ends meet and i was

128

00:08:25,749 --> 00:08:24,160

terrified and

129

00:08:27,350 --> 00:08:25,759

my girlfriend at the time had a

130

00:08:30,390 --> 00:08:27,360

boyfriend and it wasn't me

131

00:08:33,350 --> 00:08:30,400

and i found out uh in

132

00:08:34,949 --> 00:08:33,360

the most bizarre of you know freaky ways

133

00:08:39,350 --> 00:08:34,959

that would only

134

00:08:42,870 --> 00:08:39,360

leave you wanting to hurl and um

135

00:08:45,990 --> 00:08:42,880

and so with the following i had

136

00:08:49,030 --> 00:08:46,000

gathered with my philosophical

137

00:08:51,670 --> 00:08:49,040

musings on t-shirts believe it or not

138

00:08:53,350 --> 00:08:51,680

um and the nest egg that had still been

139

00:08:54,310 --> 00:08:53,360

preserved even though we liquidated the

140

00:08:57,150 --> 00:08:54,320

t-shirt business

141

00:08:58,310 --> 00:08:57,160

i took the same company 10 years old t

142

00:09:00,470 --> 00:08:58,320

ut.com

143

00:09:01,910 --> 00:09:00,480

totally unique t-shirts and turned it

144

00:09:05,190 --> 00:09:01,920

into today's

145

00:09:08,470 --> 00:09:05,200

the universe talks and

146

00:09:10,710 --> 00:09:08,480

my lifelong quest for answers not only

147

00:09:11,829 --> 00:09:10,720

fueled an amazing life with amazing

148

00:09:13,990 --> 00:09:11,839

adventures

149

00:09:15,269 --> 00:09:14,000

gallivanting all over the world for

150

00:09:17,670 --> 00:09:15,279

price waterhouse

151
00:09:19,190 --> 00:09:17,680
and as an entrepreneur for t-shirts we

152
00:09:19,829 --> 00:09:19,200
never went bankrupt in the t-shirt

153
00:09:21,750 --> 00:09:19,839
business

154
00:09:23,110 --> 00:09:21,760
we just decided to close before that

155
00:09:26,790 --> 00:09:23,120
ship sunk

156
00:09:30,070 --> 00:09:26,800
and so i we closed and i had money and

157
00:09:32,710 --> 00:09:30,080
lo and behold as the millennia dawned

158
00:09:33,269 --> 00:09:32,720
um following my bliss a hope and a

159
00:09:34,949 --> 00:09:33,279
prayer

160
00:09:37,750 --> 00:09:34,959
thinking it was really beyond all

161
00:09:41,509 --> 00:09:37,760
reasonableness reasonableness to

162
00:09:44,150 --> 00:09:41,519
to have a life where i got to

163
00:09:45,829 --> 00:09:44,160

163 speak and dwell on the nature of reality

164

00:09:47,110 --> 00:09:45,839

because i'm still learning as much as i

165

00:09:51,509 --> 00:09:47,120

figured out back then

166

00:09:53,829 --> 00:09:51,519

i am still so much the student and

167

00:09:54,550 --> 00:09:53,839

i started sending out these emails from

168

00:09:57,269 --> 00:09:54,560

mike

169

00:09:59,269 --> 00:09:57,279

every day which were never very popular

170

00:10:01,750 --> 00:09:59,279

but they led to notes from the universe

171

00:10:03,509 --> 00:10:01,760

which have almost made me famous now

172

00:10:05,509 --> 00:10:03,519

almost a million people

173

00:10:06,870 --> 00:10:05,519

every monday through friday get a note

174

00:10:10,949 --> 00:10:06,880

from the universe

175

00:10:12,630 --> 00:10:10,959

20 years later i've written 17 books all

176

00:10:14,870 --> 00:10:12,640

about living deliberately creating

177

00:10:16,069 --> 00:10:14,880

consciously metaphysical thinking who we

178

00:10:18,150 --> 00:10:16,079

are how we got here

179

00:10:20,870 --> 00:10:18,160

what we can do with our time in space

180

00:10:22,630 --> 00:10:20,880

i've uh hosted four world tours

181

00:10:23,990 --> 00:10:22,640

literally to every continent except

182

00:10:27,190 --> 00:10:24,000

antarctica

183

00:10:28,470 --> 00:10:27,200

um i have i mean i could go on and on

184

00:10:31,990 --> 00:10:28,480

and now

185

00:10:35,030 --> 00:10:32,000

i i'm a late blooming uh

186

00:10:37,269 --> 00:10:35,040

first-time husband as of about

187

00:10:39,190 --> 00:10:37,279

a decade ago and a late blooming

188

00:10:41,590 --> 00:10:39,200

first-time dad

189

00:10:43,590 --> 00:10:41,600

my life truly and this has been true for

190

00:10:46,150 --> 00:10:43,600

a very long time now

191

00:10:47,190 --> 00:10:46,160

is like a fairy tale but i continue to

192

00:10:50,150 --> 00:10:47,200

teach

193

00:10:52,630 --> 00:10:50,160

what i've used in my life with regard to

194

00:10:55,350 --> 00:10:52,640

my understanding of the benevolence and

195

00:10:57,910 --> 00:10:55,360

the benign nature of divine intelligence

196

00:10:58,389 --> 00:10:57,920

that we're all children of god if you

197

00:11:00,630 --> 00:10:58,399

will

198

00:11:02,630 --> 00:11:00,640

we're all pushed onto greatness every

199

00:11:05,910 --> 00:11:02,640

single day in a world

200

00:11:08,630 --> 00:11:05,920

where our positive thoughts

201
00:11:10,150 --> 00:11:08,640
are at least 10 000 times more powerful

202
00:11:12,069 --> 00:11:10,160
than our negative thoughts and it's our

203
00:11:15,910 --> 00:11:12,079
thoughts alone

204
00:11:18,710 --> 00:11:15,920
that dictate how our days and our years

205
00:11:22,389 --> 00:11:18,720
and our life will unfold we create

206
00:11:24,550 --> 00:11:22,399
our own fortunes and misfortunes i know

207
00:11:27,590 --> 00:11:24,560
that creates a lot of questions

208
00:11:30,230 --> 00:11:27,600
and deservedly so

209
00:11:30,949 --> 00:11:30,240
i i have a i have a dog in my heart

210
00:11:32,790 --> 00:11:30,959
that's all right

211
00:11:34,630 --> 00:11:32,800
this is one of the joys of working at

212
00:11:37,190 --> 00:11:34,640
home um

213
00:11:38,150 --> 00:11:37,200

but uh i can take any kind of tangent

214

00:11:44,550 --> 00:11:38,160

that

215

00:11:45,910 --> 00:11:44,560

create our own fortunes and misfortunes

216

00:11:48,230 --> 00:11:45,920

um

217

00:11:50,470 --> 00:11:48,240

you know might bring to mind adnan for

218

00:11:52,870 --> 00:11:50,480

you or for listeners i certainly address

219

00:11:53,670 --> 00:11:52,880

all of those tangents like you know why

220

00:11:56,470 --> 00:11:53,680

do

221

00:11:57,910 --> 00:11:56,480

bad things happen to good people and uh

222

00:11:59,350 --> 00:11:57,920

what about those things that happened to

223

00:12:00,790 --> 00:11:59,360

us that we never thought about

224

00:12:02,949 --> 00:12:00,800

whose thoughts were those if thoughts

225

00:12:04,870 --> 00:12:02,959

become things mike dooley i mean

226

00:12:07,110 --> 00:12:04,880

you know i can put legs under this table

227

00:12:09,990 --> 00:12:07,120

and i do that's my life's work

228

00:12:11,590 --> 00:12:10,000

through 3000 notes from the universe the

229

00:12:13,910 --> 00:12:11,600

books the courses the

230

00:12:15,269 --> 00:12:13,920

programs the workshops etc and so that's

231

00:12:18,550 --> 00:12:15,279

kind of how i got here

232

00:12:20,710 --> 00:12:18,560

uh and it has been an adventure

233

00:12:23,190 --> 00:12:20,720

uh one with lots of lessons and lots and

234

00:12:26,310 --> 00:12:23,200

lots of love

235

00:12:27,990 --> 00:12:26,320

well mike um what i was gonna say you

236

00:12:28,550 --> 00:12:28,000

know when i first when i first met you

237

00:12:31,190 --> 00:12:28,560

you were

238

00:12:32,230 --> 00:12:31,200

to me kind of uh truly the physical

239

00:12:35,030 --> 00:12:32,240

embodiment

240

00:12:35,829 --> 00:12:35,040

of confidence and no doubt you know it

241

00:12:37,509 --> 00:12:35,839

was almost

242

00:12:38,870 --> 00:12:37,519

you know it's like you're sure you can

243

00:12:40,550 --> 00:12:38,880

see a lot of people that

244

00:12:42,870 --> 00:12:40,560

you know they always um you know

245

00:12:44,949 --> 00:12:42,880

confidently say things and whatnot but

246

00:12:46,949 --> 00:12:44,959

you can tell you're living it too and

247

00:12:48,150 --> 00:12:46,959

it's and then when you also speak about

248

00:12:49,110 --> 00:12:48,160

these different things that just

249

00:12:51,670 --> 00:12:49,120

encourage people

250

00:12:52,150 --> 00:12:51,680

it's just it's like a this complete uh

251
00:12:56,230 --> 00:12:52,160
you know

252
00:12:58,389 --> 00:12:56,240
that's something that

253
00:13:00,629 --> 00:12:58,399
just um you know i really really

254
00:13:02,790 --> 00:13:00,639
appreciated when i met you way back when

255
00:13:04,550 --> 00:13:02,800
you know and especially when we just had

256
00:13:05,750 --> 00:13:04,560
this you know conversation you and i you

257
00:13:06,470 --> 00:13:05,760
said something to me i don't know if you

258
00:13:09,350 --> 00:13:06,480
remember

259
00:13:10,790 --> 00:13:09,360
but you know you and i you know i hope i

260
00:13:12,310 --> 00:13:10,800
didn't know you that well but based on

261
00:13:13,030 --> 00:13:12,320
whatever you perceive for me you just

262
00:13:14,550 --> 00:13:13,040
said

263
00:13:16,069 --> 00:13:14,560

you're going to be very successful you

264

00:13:17,509 --> 00:13:16,079

know just keep doing what you're doing

265

00:13:19,269 --> 00:13:17,519

and it's going to be great and

266

00:13:20,949 --> 00:13:19,279

that stuck with me it was almost like

267

00:13:22,870 --> 00:13:20,959

all right i'll just keep going

268

00:13:23,990 --> 00:13:22,880

you know and it's very encouraging so i

269

00:13:25,509 --> 00:13:24,000

appreciate that very much

270

00:13:27,670 --> 00:13:25,519

especially for someone at that time when

271

00:13:30,949 --> 00:13:27,680

i first started out it was just

272

00:13:33,829 --> 00:13:30,959

two cameras and me you know so so uh you

273

00:13:37,829 --> 00:13:36,230

yeah i remember well i was i was on one

274

00:13:39,189 --> 00:13:37,839

of my world tours and you had

275

00:13:41,269 --> 00:13:39,199

intercepted me

276

00:13:43,189 --> 00:13:41,279

in advance knowing that i was coming and

277

00:13:44,870 --> 00:13:43,199

it was a great interview you did a great

278

00:13:46,550 --> 00:13:44,880

job and uh

279

00:13:48,069 --> 00:13:46,560

you know maybe we're birds of a feather

280

00:13:50,629 --> 00:13:48,079

but i could feel your energy

281

00:13:51,110 --> 00:13:50,639

anybody watching now can hear you as

282

00:13:53,509 --> 00:13:51,120

well

283

00:13:55,110 --> 00:13:53,519

and uh you're the real deal you're a

284

00:13:57,030 --> 00:13:55,120

genuine guy and uh

285

00:13:58,310 --> 00:13:57,040

the sky's the limit well thank you thank

286

00:14:00,949 --> 00:13:58,320

you very much so

287

00:14:01,990 --> 00:14:00,959

of course i want to get into more what

288

00:14:04,550 --> 00:14:02,000

you know this this

289

00:14:05,509 --> 00:14:04,560

um self-empowering path that definitely

290

00:14:07,990 --> 00:14:05,519

a lot of people

291

00:14:08,870 --> 00:14:08,000

want to hear during these times but i

292

00:14:10,389 --> 00:14:08,880

just want to ask you

293

00:14:12,949 --> 00:14:10,399

for a little bit regarding the book

294

00:14:14,949 --> 00:14:12,959

itself that i just mentioned earlier

295

00:14:16,870 --> 00:14:14,959

the from deep space with love a

296

00:14:17,509 --> 00:14:16,880

conversation about consciousness the

297

00:14:19,430 --> 00:14:17,519

universe

298

00:14:22,629 --> 00:14:19,440

and building a better world how did that

299

00:14:29,030 --> 00:14:25,829

well i've got a dear friend um

300

00:14:33,189 --> 00:14:29,040

from gosh probably about 10 years ago

301
00:14:35,430 --> 00:14:33,199
tracy farquhar who

302
00:14:37,189 --> 00:14:35,440
we crossed paths she's one of my

303
00:14:40,470 --> 00:14:37,199
certified trainers

304
00:14:42,150 --> 00:14:40,480
she is a psychic medium in her own right

305
00:14:44,870 --> 00:14:42,160
world class she's got a website

306
00:14:49,189 --> 00:14:44,880
everybody tracy farquhar

307
00:14:52,949 --> 00:14:49,199
and she relayed to me at one of our

308
00:14:56,470 --> 00:14:52,959
workshops that she had been channeling

309
00:14:59,590 --> 00:14:56,480
a collective of beings now that's not

310
00:15:01,509 --> 00:14:59,600
unusual these days 20 years ago

311
00:15:03,670 --> 00:15:01,519
her books would have been in the occult

312
00:15:05,430 --> 00:15:03,680
section um but i have some of the most

313
00:15:06,870 --> 00:15:05,440

profound stuff i've ever read in my life

314

00:15:09,269 --> 00:15:06,880

has been channeled

315

00:15:10,470 --> 00:15:09,279

uh famous channels are like seth jane

316

00:15:14,629 --> 00:15:10,480

roberts ramfa

317

00:15:17,590 --> 00:15:14,639

jay-z knight abraham

318

00:15:18,710 --> 00:15:17,600

esther hicks profound stuff can come

319

00:15:20,790 --> 00:15:18,720

through channels and

320

00:15:22,870 --> 00:15:20,800

let me add to that list tracy farquhar's

321

00:15:27,030 --> 00:15:22,880

stuff is amazing

322

00:15:30,629 --> 00:15:27,040

but there's a twist tracy

323

00:15:31,030 --> 00:15:30,639

channels frank a collective of i think

324

00:15:34,710 --> 00:15:31,040

it's

325

00:15:38,550 --> 00:15:34,720

eight uh i can't say people

326
00:15:41,749 --> 00:15:38,560
um eight beings from another planet and

327
00:15:43,910 --> 00:15:41,759
unlike most channels who draw

328
00:15:45,030 --> 00:15:43,920
down if you will metaphorically their

329
00:15:47,189 --> 00:15:45,040
information

330
00:15:48,069 --> 00:15:47,199
from beyond the curtains of time and

331
00:15:50,710 --> 00:15:48,079
space from

332
00:15:51,749 --> 00:15:50,720
other dimensions of which we all came

333
00:15:54,790 --> 00:15:51,759
from and still

334
00:15:58,150 --> 00:15:54,800
reside in as multi-dimensional beings

335
00:15:59,110 --> 00:15:58,160
unlike other channels tracy channeled

336
00:16:01,509 --> 00:15:59,120
frank

337
00:16:02,550 --> 00:16:01,519
not from beyond the curtains of time and

338
00:16:05,910 --> 00:16:02,560

space but from

339

00:16:09,509 --> 00:16:05,920

this time and from this space

340

00:16:11,189 --> 00:16:09,519

on planet prohoshka now you know your i

341

00:16:12,790 --> 00:16:11,199

don't know if your viewers are

342

00:16:14,230 --> 00:16:12,800

well i think your viewers are probably

343

00:16:17,430 --> 00:16:14,240

ready for that uh

344

00:16:19,269 --> 00:16:17,440

i'm sure they are it was it was wild to

345

00:16:21,030 --> 00:16:19,279

to hear her tell me that but knowing of

346

00:16:26,069 --> 00:16:21,040

her integrity and her

347

00:16:30,710 --> 00:16:26,079

talent i eagerly dove into this

348

00:16:35,030 --> 00:16:30,720

first book i think it's called uh

349

00:16:37,110 --> 00:16:35,040

frank speaks frank speaks and it was

350

00:16:39,110 --> 00:16:37,120

it just lit me up and i reached out and

351

00:16:40,150 --> 00:16:39,120

said this is just solid gold and it's

352

00:16:43,269 --> 00:16:40,160

amazing

353

00:16:44,790 --> 00:16:43,279

um anything i can do to help promote and

354

00:16:47,670 --> 00:16:44,800

facilitate i would

355

00:16:50,310 --> 00:16:47,680

i'm i'm i'm there and in our

356

00:16:51,030 --> 00:16:50,320

conversations the idea came up that we

357

00:16:55,350 --> 00:16:51,040

might

358

00:16:59,110 --> 00:16:55,360

co-author a book where i interview

359

00:17:00,310 --> 00:16:59,120

frank and uh that is the book you're

360

00:17:03,670 --> 00:17:00,320

speaking to

361

00:17:04,150 --> 00:17:03,680

um we i think it's with love from deep

362

00:17:06,870 --> 00:17:04,160

space

363

00:17:08,309 --> 00:17:06,880

was the original title for the hardback

364

00:17:10,230 --> 00:17:08,319

and then the paperback

365

00:17:11,750 --> 00:17:10,240

they changed the title a little bit

366

00:17:14,870 --> 00:17:11,760

channeled messages

367

00:17:16,069 --> 00:17:14,880

from deep space i see um so

368

00:17:17,990 --> 00:17:16,079

if you're interested i'll tell you a

369

00:17:21,829 --> 00:17:18,000

little bit more about it or please do

370

00:17:22,710 --> 00:17:21,839

please do about it well the the amazing

371

00:17:25,750 --> 00:17:22,720

thing is

372

00:17:27,829 --> 00:17:25,760

frank uh when

373

00:17:29,430 --> 00:17:27,839

asked some very basic questions like you

374

00:17:33,190 --> 00:17:29,440

know are you human

375

00:17:36,150 --> 00:17:33,200

um replied that

376

00:17:36,710 --> 00:17:36,160

not only is their planet and their world

377

00:17:40,390 --> 00:17:36,720

and their

378

00:17:43,510 --> 00:17:40,400

life unimaginably

379

00:17:45,270 --> 00:17:43,520

different think of that i mean this is a

380

00:17:46,310 --> 00:17:45,280

really profound source of wisdom when

381

00:17:49,990 --> 00:17:46,320

they're talking about

382

00:17:53,590 --> 00:17:50,000

consciousness when they say our world

383

00:17:54,470 --> 00:17:53,600

is unimaginable to you unimaginably

384

00:17:56,549 --> 00:17:54,480

different

385

00:17:58,310 --> 00:17:56,559

it's like whoa and they said that they

386

00:18:01,350 --> 00:17:58,320

they themselves

387

00:18:05,350 --> 00:18:01,360

as physical beings

388

00:18:07,669 --> 00:18:05,360

are also unimaginably

389

00:18:08,710 --> 00:18:07,679

different than ourselves i will be

390

00:18:12,789 --> 00:18:08,720

honest

391

00:18:15,590 --> 00:18:12,799

that i didn't have the courage

392

00:18:17,110 --> 00:18:15,600

to ask them what they look like and it

393

00:18:21,029 --> 00:18:17,120

wasn't

394

00:18:24,310 --> 00:18:21,039

for a fear of shocking my system

395

00:18:26,549 --> 00:18:24,320

but i just know how irrelevant

396

00:18:28,150 --> 00:18:26,559

that is what they look like whether they

397

00:18:30,070 --> 00:18:28,160

look humanoid

398

00:18:31,990 --> 00:18:30,080

whether they look like an octopus or

399

00:18:32,510 --> 00:18:32,000

they're a bunch of dolphins or there's

400

00:18:35,510 --> 00:18:32,520

something

401
00:18:36,950 --> 00:18:35,520
unimaginable with 42 eyeballs and who

402
00:18:39,830 --> 00:18:36,960
knows what

403
00:18:40,470 --> 00:18:39,840
it's unimportant because this is what

404
00:18:43,669 --> 00:18:40,480
kind of

405
00:18:47,430 --> 00:18:43,679
blew my mind they said while we

406
00:18:50,390 --> 00:18:47,440
are and our existence is unimaginably

407
00:18:54,549 --> 00:18:50,400
different than yours

408
00:18:58,630 --> 00:18:54,559
our spiritual evolution

409
00:19:02,310 --> 00:18:58,640
is virtually identical

410
00:19:03,750 --> 00:19:02,320
to ours as human beings and they do live

411
00:19:07,270 --> 00:19:03,760
on a planet they do have

412
00:19:10,950 --> 00:19:07,280
homes they do have commerce they do have

413
00:19:12,789 --> 00:19:10,960

um politics uh and they

414

00:19:15,350 --> 00:19:12,799
shared in the book some of the

415

00:19:17,190 --> 00:19:15,360
information from each of those facets of

416

00:19:18,870 --> 00:19:17,200
their life their homes are underground

417

00:19:22,470 --> 00:19:18,880
they have two sons

418

00:19:22,870 --> 00:19:22,480
um their planet is virtually devoid of

419

00:19:25,669 --> 00:19:22,880
life

420

00:19:27,110 --> 00:19:25,679
as we know it i mean here every crook

421

00:19:30,390 --> 00:19:27,120
and cranning

422

00:19:34,390 --> 00:19:30,400
is crawling with life there um

423

00:19:36,230 --> 00:19:34,400
it's very isolated to a very few

424

00:19:38,470 --> 00:19:36,240
areas of their planet and living

425

00:19:40,710 --> 00:19:38,480
conditions are extremely

426

00:19:42,789 --> 00:19:40,720

harsh they're all vegetarians because

427

00:19:47,270 --> 00:19:42,799

there ain't no other creatures

428

00:19:49,110 --> 00:19:47,280

they have to eat you know plant matter

429

00:19:51,750 --> 00:19:49,120

but their plant matter is very limited

430

00:19:54,150 --> 00:19:51,760

so i think it's more like

431

00:19:54,789 --> 00:19:54,160

bacteria or mold or i don't i don't know

432

00:19:57,909 --> 00:19:54,799

what

433

00:20:00,070 --> 00:19:57,919

but when they said that their spiritual

434

00:20:02,230 --> 00:20:00,080

evolution is nearly identical it was

435

00:20:06,630 --> 00:20:02,240

just like god

436

00:20:07,430 --> 00:20:06,640

of course you know i mean i think as

437

00:20:10,870 --> 00:20:07,440

your

438

00:20:14,070 --> 00:20:10,880

viewers and listeners will know that

439

00:20:15,669 --> 00:20:14,080

life proven by einstein is relative

440

00:20:17,669 --> 00:20:15,679

different from one person to the next

441

00:20:20,789 --> 00:20:17,679

not this not just time

442

00:20:23,190 --> 00:20:20,799

but space and by extrapolation matter

443

00:20:24,870 --> 00:20:23,200

it's illusionary it's relative different

444

00:20:25,430 --> 00:20:24,880

from one person to the next it's not

445

00:20:27,830 --> 00:20:25,440

solid

446

00:20:28,870 --> 00:20:27,840

scientists have told us since i was in

447

00:20:31,669 --> 00:20:28,880

grade school

448

00:20:33,510 --> 00:20:31,679

that matter is not solid the closer you

449

00:20:36,070 --> 00:20:33,520

get the more space there is

450

00:20:37,190 --> 00:20:36,080

it's actually whirling organized energy

451
00:20:40,070 --> 00:20:37,200
i i like to add

452
00:20:41,590 --> 00:20:40,080
who organized it evidencing divine

453
00:20:43,430 --> 00:20:41,600
intelligence or forget

454
00:20:45,190 --> 00:20:43,440
divine because that throws a lot of

455
00:20:46,070 --> 00:20:45,200
people i'm not talking about any god of

456
00:20:49,430 --> 00:20:46,080
religion

457
00:20:52,470 --> 00:20:49,440
but source energy um intelligence

458
00:20:53,750 --> 00:20:52,480
uh whatever you want to call it um is

459
00:20:55,830 --> 00:20:53,760
what organized it

460
00:20:58,070 --> 00:20:55,840
and it's all an illusion there is

461
00:21:00,950 --> 00:20:58,080
something closer to source

462
00:21:03,029 --> 00:21:00,960
and so this realm where there is time

463
00:21:07,110 --> 00:21:03,039

space and matter is

464

00:21:10,149 --> 00:21:07,120

a stage and arena to discover by

465

00:21:11,190 --> 00:21:10,159

all creatures love adventure for

466

00:21:14,149 --> 00:21:11,200

humanoids

467

00:21:15,669 --> 00:21:14,159

that our thoughts become things um

468

00:21:18,750 --> 00:21:15,679

unequivocally for frank

469

00:21:20,549 --> 00:21:18,760

as well conscious sentient

470

00:21:23,750 --> 00:21:20,559

self-reflecting

471

00:21:26,149 --> 00:21:23,760

creatures not a tree not a dog but um

472

00:21:27,270 --> 00:21:26,159

you know the typical et that can build a

473

00:21:30,470 --> 00:21:27,280

spaceship or

474

00:21:33,669 --> 00:21:30,480

travel you know astral

475

00:21:37,270 --> 00:21:33,679

through astral projection

476

00:21:41,190 --> 00:21:37,280

is a creature with with god-like

477

00:21:43,350 --> 00:21:41,200

qualities and attributes chiefly

478

00:21:44,950 --> 00:21:43,360

that what you think about you bring

479

00:21:46,630 --> 00:21:44,960

about thoughts become things there's a

480

00:21:47,350 --> 00:21:46,640

law of attraction and so that's

481

00:21:49,750 --> 00:21:47,360

something

482

00:21:50,870 --> 00:21:49,760

that we have totally in common with them

483

00:21:55,029 --> 00:21:50,880

as well

484

00:21:58,470 --> 00:21:55,039

as learning love uh cooperation

485

00:22:00,789 --> 00:21:58,480

community the values of diversity

486

00:22:03,430 --> 00:22:00,799

uh that we're all one that we're all in

487

00:22:06,710 --> 00:22:03,440

this together that love is the glue

488

00:22:07,590 --> 00:22:06,720

that holds time space uh and matter

489

00:22:10,070 --> 00:22:07,600

together

490

00:22:11,029 --> 00:22:10,080

and so suddenly frank no matter what the

491

00:22:14,549 --> 00:22:11,039

heck he looks like

492

00:22:17,350 --> 00:22:14,559

is a kindred spirit and they were there

493

00:22:19,590 --> 00:22:17,360

because their planet about a thousand

494

00:22:21,430 --> 00:22:19,600

years ago although for them time is more

495

00:22:23,830 --> 00:22:21,440

circular they said than linear

496

00:22:25,110 --> 00:22:23,840

they realize that we track time almost

497

00:22:27,430 --> 00:22:25,120

exclusively

498

00:22:28,870 --> 00:22:27,440

linearly but they said approximately a

499

00:22:30,870 --> 00:22:28,880

thousand years ago

500

00:22:32,390 --> 00:22:30,880

their planet was at a crossroads much

501
00:22:36,630 --> 00:22:32,400
like the one we're now

502
00:22:39,270 --> 00:22:36,640
facing where old systems were collapsing

503
00:22:40,390 --> 00:22:39,280
whether it was you know political or

504
00:22:45,029 --> 00:22:40,400
commerce

505
00:22:48,390 --> 00:22:45,039
um socioeconomic etc collapsing

506
00:22:50,149 --> 00:22:48,400
creating way for better systems

507
00:22:52,470 --> 00:22:50,159
so when the old is falling down around

508
00:22:54,149 --> 00:22:52,480
you that's not necessarily

509
00:22:56,070 --> 00:22:54,159
a bad thing it could be the best thing

510
00:22:56,870 --> 00:22:56,080
that ever happened to a planetary

511
00:22:59,510 --> 00:22:56,880
civilization

512
00:23:00,950 --> 00:22:59,520
depending on their interpretation of

513
00:23:04,149 --> 00:23:00,960

what's going on

514

00:23:08,470 --> 00:23:04,159

and depending on the choices they make

515

00:23:11,669 --> 00:23:08,480

through the transition well frank having

516

00:23:15,029 --> 00:23:11,679

successfully as a civilization uh

517

00:23:17,350 --> 00:23:15,039

moved through this massive upheaval

518

00:23:19,270 --> 00:23:17,360

about a thousand years ago where

519

00:23:21,909 --> 00:23:19,280

everything seemed at risk

520

00:23:23,750 --> 00:23:21,919

where everything was precarious where no

521

00:23:24,710 --> 00:23:23,760

one knew for certain if they would make

522

00:23:27,909 --> 00:23:24,720

it another

523

00:23:29,110 --> 00:23:27,919

year much less another century or

524

00:23:33,029 --> 00:23:29,120

millennia

525

00:23:36,190 --> 00:23:33,039

and yet they prevailed

526

00:23:37,669 --> 00:23:36,200

to use that word again in ways

527

00:23:41,430 --> 00:23:37,679

unimaginable

528

00:23:44,710 --> 00:23:41,440

they bound together they respected one

529

00:23:47,269 --> 00:23:44,720

another they even the playing field

530

00:23:48,390 --> 00:23:47,279

they said through the arts through

531

00:23:51,350 --> 00:23:48,400

commerce

532

00:23:53,590 --> 00:23:51,360

um through self-discovery through

533

00:23:56,870 --> 00:23:53,600

spiritual exploration

534

00:24:00,149 --> 00:23:56,880

they made progress

535

00:24:04,149 --> 00:24:00,159

in in rapid rapid ways

536

00:24:06,909 --> 00:24:04,159

okay doggy doggy

537

00:24:08,549 --> 00:24:06,919

she's snoring oh they made ways

538

00:24:11,909 --> 00:24:08,559

unimaginable

539

00:24:13,990 --> 00:24:11,919

to themselves prior to

540

00:24:15,350 --> 00:24:14,000

the transformation of life on their

541

00:24:18,470 --> 00:24:15,360

planet they said

542

00:24:19,430 --> 00:24:18,480

that the transformation was so scary for

543

00:24:22,710 --> 00:24:19,440

some of their

544

00:24:26,630 --> 00:24:24,549

for many this will put it into context

545

00:24:27,990 --> 00:24:26,640

for others it's irrelevant but i think

546

00:24:31,350 --> 00:24:28,000

it's mind-blowing

547

00:24:34,630 --> 00:24:32,870

they were committing suicide they're

548

00:24:37,430 --> 00:24:34,640

like i'm not going along

549

00:24:38,390 --> 00:24:37,440

with this hair brain scheme of love thy

550

00:24:42,549 --> 00:24:38,400

brother

551
00:24:45,350 --> 00:24:42,559
share thy goods uh and people were just

552
00:24:47,269 --> 00:24:45,360
dropping out of society living in the

553
00:24:48,070 --> 00:24:47,279
woods they said they still have some

554
00:24:55,750 --> 00:24:48,080
people

555
00:24:58,549 --> 00:24:55,760
who absolutely refused for this to

556
00:25:00,190 --> 00:24:58,559
partake in any way in this evolution and

557
00:25:03,269 --> 00:25:00,200
of course

558
00:25:06,630 --> 00:25:03,279
technologically economically

559
00:25:09,909 --> 00:25:06,640
the arts those outposts have been

560
00:25:12,950 --> 00:25:09,919
totally left behind

561
00:25:14,710 --> 00:25:12,960
to what they would now consider a stone

562
00:25:18,870 --> 00:25:14,720
age

563
00:25:22,390 --> 00:25:18,880

existence because they refused to change

564

00:25:25,669 --> 00:25:22,400

at this crossroads in the history of

565

00:25:27,750 --> 00:25:25,679

brohashka and so i asked frank

566

00:25:29,029 --> 00:25:27,760

not only about their planet and their

567

00:25:31,830 --> 00:25:29,039

systems

568

00:25:32,310 --> 00:25:31,840

um but what they've observed from ours

569

00:25:35,269 --> 00:25:32,320

and they're

570

00:25:36,950 --> 00:25:35,279

highly complementary zero agenda they're

571

00:25:38,710 --> 00:25:36,960

not trying to take us over

572

00:25:40,230 --> 00:25:38,720

they don't have any way to get here

573

00:25:43,990 --> 00:25:40,240

physically unlike

574

00:25:45,990 --> 00:25:44,000

some aliens who have clearly developed

575

00:25:46,549 --> 00:25:46,000

the technology we see video of it every

576

00:25:49,909 --> 00:25:46,559

day

577

00:25:53,909 --> 00:25:49,919

right um to visit us in spaceships or

578

00:25:57,190 --> 00:25:53,919

or through wormholes or whatever frank

579

00:26:00,070 --> 00:25:57,200

with no natural resources to speak of

580

00:26:02,149 --> 00:26:00,080

comparable to what we have given the

581

00:26:05,990 --> 00:26:02,159

desolate nature of their planet

582

00:26:08,390 --> 00:26:06,000

they evolved psychically and spiritually

583

00:26:11,029 --> 00:26:08,400

to the point of and this is common

584

00:26:12,630 --> 00:26:11,039

nomenclature on planet earth astral

585

00:26:15,190 --> 00:26:12,640

projection

586

00:26:15,750 --> 00:26:15,200

remote viewing there are people who do

587

00:26:17,750 --> 00:26:15,760

this

588

00:26:18,789 --> 00:26:17,760

and there's amazing books and stories

589

00:26:21,510 --> 00:26:18,799

told about it

590

00:26:23,029 --> 00:26:21,520

some might need to be persuaded i don't

591

00:26:25,110 --> 00:26:23,039

that totally resonates with me

592

00:26:26,870 --> 00:26:25,120

if life's an illusion and we're of god

593

00:26:29,269 --> 00:26:26,880

by god pure god or source

594

00:26:31,510 --> 00:26:29,279

energy we are actually individually you

595

00:26:33,909 --> 00:26:31,520

me and everybody watching right now

596

00:26:34,870 --> 00:26:33,919

everywhere always at once and we've

597

00:26:37,029 --> 00:26:34,880

momentarily

598

00:26:38,070 --> 00:26:37,039

agreed to blot that out so that we can

599

00:26:40,470 --> 00:26:38,080

have this

600

00:26:42,630 --> 00:26:40,480

spiritual human experience believing in

601
00:26:44,310 --> 00:26:42,640
hear versus there now versus then have

602
00:26:46,789 --> 00:26:44,320
versus have not get it on

603
00:26:48,549 --> 00:26:46,799
fall in love follow your heart be afraid

604
00:26:51,909 --> 00:26:48,559
drama unfolds and

605
00:26:54,230 --> 00:26:51,919
and you've got life on earth so anyway

606
00:26:58,390 --> 00:26:54,240
they have developed the ability

607
00:27:00,950 --> 00:26:58,400
to um astral projects

608
00:27:01,510 --> 00:27:00,960
all over the flipping universe and they

609
00:27:05,110 --> 00:27:01,520
have

610
00:27:07,909 --> 00:27:05,120
many other planets

611
00:27:09,430 --> 00:27:07,919
exotic life forms other systems to

612
00:27:12,630 --> 00:27:09,440
compare theirs to

613
00:27:15,029 --> 00:27:12,640

to learn from etc and

614

00:27:17,190 --> 00:27:15,039

what had initially prompted them to

615

00:27:19,830 --> 00:27:17,200

reach out to tracy

616

00:27:21,029 --> 00:27:19,840

when they were back home on brahaska

617

00:27:24,630 --> 00:27:21,039

beyond

618

00:27:27,990 --> 00:27:24,640

the transition and suddenly

619

00:27:29,510 --> 00:27:28,000

life is flourishing in peace and harmony

620

00:27:31,590 --> 00:27:29,520

and prosperity

621

00:27:32,870 --> 00:27:31,600

like it never could have before in their

622

00:27:35,110 --> 00:27:32,880

dark ages

623

00:27:36,789 --> 00:27:35,120

suddenly they're like and this is the

624

00:27:40,310 --> 00:27:36,799

this is the nature

625

00:27:43,110 --> 00:27:40,320

in all of us it's like who

626
00:27:44,149 --> 00:27:43,120
else out there might be going through

627
00:27:47,269 --> 00:27:44,159
right now

628
00:27:49,430 --> 00:27:47,279
those precarious daunting scary times

629
00:27:50,950 --> 00:27:49,440
that we've already gone through that

630
00:27:54,789 --> 00:27:50,960
might be open

631
00:27:58,389 --> 00:27:54,799
and eager and wanting to hear from us

632
00:27:59,669 --> 00:27:58,399
to perhaps you know smooth out their own

633
00:28:02,710 --> 00:27:59,679
learning curve

634
00:28:03,110 --> 00:28:02,720
and so they literally went out in search

635
00:28:04,710 --> 00:28:03,120
of

636
00:28:06,710 --> 00:28:04,720
you know thoughts become things like

637
00:28:11,110 --> 00:28:06,720
attracts like in search of

638
00:28:14,070 --> 00:28:11,120

other planetary systems civilizations

639

00:28:15,430 --> 00:28:14,080

that were at the crossroads that they

640

00:28:19,110 --> 00:28:15,440

had

641

00:28:20,149 --> 00:28:19,120

triumphed over and have made themselves

642

00:28:23,110 --> 00:28:20,159

available

643

00:28:23,510 --> 00:28:23,120

for help i mean the cosmos is filled

644

00:28:26,149 --> 00:28:23,520

with

645

00:28:28,870 --> 00:28:26,159

brotherly love that's the nature of

646

00:28:31,029 --> 00:28:28,880

reality that is the nature of divine

647

00:28:33,669 --> 00:28:31,039

intelligence or call it source energy

648

00:28:37,029 --> 00:28:33,679

there's a benevolence there is a love

649

00:28:38,070 --> 00:28:37,039

far surpassing human love which is

650

00:28:41,029 --> 00:28:38,080

emotional

651
00:28:43,190 --> 00:28:41,039
which is conditional which is you know a

652
00:28:45,110 --> 00:28:43,200
many splendor thing

653
00:28:46,950 --> 00:28:45,120
but there's a greater love an

654
00:28:49,190 --> 00:28:46,960
unconditional love

655
00:28:51,669 --> 00:28:49,200
that holds the physical universe and

656
00:28:56,470 --> 00:28:51,679
other realms together that gave it all

657
00:28:59,510 --> 00:28:56,480
rise and and when we all

658
00:29:02,630 --> 00:28:59,520
find that breathing room that space

659
00:29:05,269 --> 00:29:02,640
um when our needs are being met and

660
00:29:06,389 --> 00:29:05,279
suddenly we can exhale and life is

661
00:29:09,510 --> 00:29:06,399
beautiful

662
00:29:12,789 --> 00:29:09,520
it arises within all of us

663
00:29:14,950 --> 00:29:12,799

to seek out others in need to be

664

00:29:17,669 --> 00:29:14,960

of assistance i have seen that in my own

665

00:29:19,110 --> 00:29:17,679

life from my dark night of the soul to a

666

00:29:22,789 --> 00:29:19,120

fairy tale existence

667

00:29:23,430 --> 00:29:22,799

from kind of failure from fear to

668

00:29:26,389 --> 00:29:23,440

fortune

669

00:29:27,110 --> 00:29:26,399

i call my little story um i'm in a place

670

00:29:29,669 --> 00:29:27,120

and i do

671

00:29:30,389 --> 00:29:29,679

i help financially i help emotionally my

672

00:29:33,350 --> 00:29:30,399

whole life's

673

00:29:33,909 --> 00:29:33,360

work if you will um is about helping

674

00:29:35,990 --> 00:29:33,919

other people

675

00:29:38,470 --> 00:29:36,000

understand their power and life's beauty

676
00:29:39,110 --> 00:29:38,480
and that they're inclined to succeed and

677
00:29:42,230 --> 00:29:39,120
that they

678
00:29:45,430 --> 00:29:42,240
were born deserving here to thrive

679
00:29:46,710 --> 00:29:45,440
and so that's where frank is in addition

680
00:29:50,230 --> 00:29:46,720
to their own

681
00:29:53,510 --> 00:29:50,240
uh adventure and making it better

682
00:29:55,269 --> 00:29:53,520
and their own curiosity of finding out

683
00:29:57,909 --> 00:29:55,279
what else is happening in the physical

684
00:29:59,830 --> 00:29:57,919
comma in the physical cosmos

685
00:30:01,430 --> 00:29:59,840
who else is doing it a different way

686
00:30:01,909 --> 00:30:01,440
what could we learn how can we make it

687
00:30:04,549 --> 00:30:01,919
better

688
00:30:06,549 --> 00:30:04,559

in addition to all of that they likened

689

00:30:09,990 --> 00:30:06,559

their visit to our earth

690

00:30:13,350 --> 00:30:10,000

as a humanitarian

691

00:30:15,750 --> 00:30:13,360

mission so uh wow

692

00:30:16,789 --> 00:30:15,760

yeah definitely you know i i didn't tell

693

00:30:18,870 --> 00:30:16,799

you earlier i was

694

00:30:20,789 --> 00:30:18,880

i'm gonna be interviewing tracy on

695

00:30:22,630 --> 00:30:20,799

monday and probably editing it and

696

00:30:26,149 --> 00:30:22,640

putting it up on wednesday as well

697

00:30:28,630 --> 00:30:26,159

you know and um so

698

00:30:29,350 --> 00:30:28,640

just a few things here uh regarding

699

00:30:31,430 --> 00:30:29,360

there's some

700

00:30:33,430 --> 00:30:31,440

things going on in the chat so deb r

701
00:30:34,310 --> 00:30:33,440
mike has already answered how he got to

702
00:30:37,430 --> 00:30:34,320
communicate with

703
00:30:37,990 --> 00:30:37,440
this entity frank and hazel had a

704
00:30:40,310 --> 00:30:38,000
question

705
00:30:41,430 --> 00:30:40,320
uh if you don't mind me asking it mike

706
00:30:44,070 --> 00:30:41,440
she was basically saying

707
00:30:46,389 --> 00:30:44,080
uh would we be able to contact them if

708
00:30:47,269 --> 00:30:46,399
we talk to them in our heads so what

709
00:30:49,510 --> 00:30:47,279
would you say

710
00:30:50,310 --> 00:30:49,520
regarding a possible communication with

711
00:30:53,350 --> 00:30:50,320
them on

712
00:30:55,830 --> 00:30:53,360
individual basis oh yes oh yes frank

713
00:30:57,029 --> 00:30:55,840

frank invites it encourages it i'm

714

00:30:59,110 --> 00:30:57,039

working on it

715

00:31:01,190 --> 00:30:59,120

uh we're all channels we can all do what

716

00:31:02,070 --> 00:31:01,200

tracy does or what esther hicks does or

717

00:31:05,590 --> 00:31:02,080

jane roberts

718

00:31:07,590 --> 00:31:05,600

did um and you know what neil donald

719

00:31:09,669 --> 00:31:07,600

walsh does when he wrote conversations

720

00:31:12,310 --> 00:31:09,679

with god he channeled all of that

721

00:31:14,230 --> 00:31:12,320

so absolutely you can reach frank here's

722

00:31:16,630 --> 00:31:14,240

a shortcut

723

00:31:17,669 --> 00:31:16,640

i know there's a waiting list but tracy

724

00:31:20,549 --> 00:31:17,679

farquhar

725

00:31:22,149 --> 00:31:20,559

will actually she did at one point i

726

00:31:25,190 --> 00:31:22,159

think you can still actually

727

00:31:27,509 --> 00:31:25,200

book a session with tracy

728

00:31:29,190 --> 00:31:27,519

for either you know her psychic

729

00:31:32,470 --> 00:31:29,200

mediumship or

730

00:31:34,389 --> 00:31:32,480

um to have a conversation with frank

731

00:31:36,230 --> 00:31:34,399

so you can do it on your own you can do

732

00:31:36,549 --> 00:31:36,240

it with tracy i'm not trying to upsell

733

00:31:39,990 --> 00:31:36,559

you

734

00:31:41,590 --> 00:31:40,000

here um but yeah we're all spiritual

735

00:31:43,110 --> 00:31:41,600

beings we're all brothers and sisters

736

00:31:45,669 --> 00:31:43,120

we're all connected

737

00:31:47,110 --> 00:31:45,679

thought is the prime mover of all

738

00:31:49,750 --> 00:31:47,120

realities

739

00:31:51,669 --> 00:31:49,760

physical and ethereal and if you can

740

00:31:54,710 --> 00:31:51,679

think it you can do it

741

00:31:55,269 --> 00:31:54,720

so mike i have a question regarding i'm

742

00:31:57,269 --> 00:31:55,279

sure

743

00:31:58,870 --> 00:31:57,279

throughout your travels and people

744

00:32:00,950 --> 00:31:58,880

always come to you

745

00:32:02,070 --> 00:32:00,960

always asking for some advice of what

746

00:32:03,430 --> 00:32:02,080

they can possibly do

747

00:32:05,110 --> 00:32:03,440

and i'm sorry to be putting you on the

748

00:32:06,470 --> 00:32:05,120

spot regarding this because i'm sure

749

00:32:09,750 --> 00:32:06,480

it's such a vast

750

00:32:12,630 --> 00:32:09,760

uh subjects to be to be discussed but

751
00:32:14,630 --> 00:32:12,640
what is kind of like the top number one

752
00:32:17,029 --> 00:32:14,640
thing that most people come to you

753
00:32:18,789 --> 00:32:17,039
saying i'm really having challenges with

754
00:32:22,630 --> 00:32:18,799
this one thing can you

755
00:32:26,149 --> 00:32:25,430
well you know i'm the platform i've

756
00:32:28,710 --> 00:32:26,159
created

757
00:32:29,590 --> 00:32:28,720
is one in which i speak on what i want

758
00:32:31,350 --> 00:32:29,600
to speak on

759
00:32:34,070 --> 00:32:31,360
and my favorite thing to talk about is

760
00:32:37,430 --> 00:32:34,080
the fact the immovable

761
00:32:39,509 --> 00:32:37,440
truth that our thoughts become things

762
00:32:40,950 --> 00:32:39,519
not sometimes but all the time not just

763
00:32:41,350 --> 00:32:40,960

our positive thoughts but the other ones

764

00:32:42,789 --> 00:32:41,360

too

765

00:32:44,549 --> 00:32:42,799

although the positive ones are ten

766

00:32:45,430 --> 00:32:44,559

thousand times more powerful than the

767

00:32:47,590 --> 00:32:45,440

other ones

768

00:32:49,590 --> 00:32:47,600

um and so generally when people come to

769

00:32:52,389 --> 00:32:49,600

me but mind you adnan

770

00:32:52,789 --> 00:32:52,399

i'm not a coach i i don't want to coach

771

00:32:55,509 --> 00:32:52,799

uh

772

00:32:56,230 --> 00:32:55,519

i have a large platform now i just kind

773

00:33:00,389 --> 00:32:56,240

of

774

00:33:02,149 --> 00:33:00,399

share what just gushes forth

775

00:33:04,070 --> 00:33:02,159

and it seems to hit the right spot at

776

00:33:05,830 --> 00:33:04,080

the right time when the student's ready

777

00:33:07,590 --> 00:33:05,840

the teacher appears sometimes i get to

778

00:33:09,350 --> 00:33:07,600

be that teacher sometimes i get to be

779

00:33:11,830 --> 00:33:09,360

that student

780

00:33:13,830 --> 00:33:11,840

so the thing that people given my

781

00:33:16,789 --> 00:33:13,840

platform and my

782

00:33:18,630 --> 00:33:16,799

message uh being thoughts become things

783

00:33:19,750 --> 00:33:18,640

approached me for is how to create

784

00:33:21,509 --> 00:33:19,760

change in their life

785

00:33:24,950 --> 00:33:21,519

how to live deliberately and create

786

00:33:29,590 --> 00:33:24,960

consciously and my answer is invariably

787

00:33:32,870 --> 00:33:29,600

um probably if i could encapsulate it

788

00:33:36,630 --> 00:33:32,880

generally generically you know i would

789

00:33:37,190 --> 00:33:36,640

encourage anybody to really be grounded

790

00:33:39,029 --> 00:33:37,200

in truth

791

00:33:41,190 --> 00:33:39,039

understand first and foremost that there

792

00:33:41,909 --> 00:33:41,200

is a truth don't be one of those people

793

00:33:43,909 --> 00:33:41,919

who thinks

794

00:33:45,909 --> 00:33:43,919

everybody has their own truth okay

795

00:33:49,590 --> 00:33:45,919

because there goes all of your power

796

00:33:51,750 --> 00:33:49,600

everybody has their own way to truth

797

00:33:53,190 --> 00:33:51,760

there may be an infinite number of roads

798

00:33:56,549 --> 00:33:53,200

to rome

799

00:33:58,549 --> 00:33:56,559

but none of those roads changes rome

800

00:34:00,149 --> 00:33:58,559

the truth is the truth it is absolute

801
00:34:00,549 --> 00:34:00,159
and there's not a whole lot of truth out

802
00:34:02,630 --> 00:34:00,559
there

803
00:34:05,350 --> 00:34:02,640
other than we're all of god by god pure

804
00:34:07,110 --> 00:34:05,360
god we're all one there's only love

805
00:34:08,710 --> 00:34:07,120
everything is god our thoughts become

806
00:34:09,750 --> 00:34:08,720
things it's all working out for our

807
00:34:11,909 --> 00:34:09,760
greater good

808
00:34:13,829 --> 00:34:11,919
done those are the truths i'm talking

809
00:34:15,349 --> 00:34:13,839
about everything else is subjective

810
00:34:17,510 --> 00:34:15,359
so i'm not trying to start a religion

811
00:34:19,270 --> 00:34:17,520
here i'm just trying to say it's simple

812
00:34:21,109 --> 00:34:19,280
but you've got to hang your hat on

813
00:34:22,869 --> 00:34:21,119

something otherwise you could believe

814

00:34:25,990 --> 00:34:22,879

that elephants will turn into

815

00:34:28,470 --> 00:34:26,000

carrots and who knows what random wacky

816

00:34:30,389 --> 00:34:28,480

crappy thing might land on you tomorrow

817

00:34:32,230 --> 00:34:30,399

you know nothing can land on you

818

00:34:34,790 --> 00:34:32,240

tomorrow that you don't ordain

819

00:34:35,909 --> 00:34:34,800

consciously or unconsciously for your

820

00:34:37,589 --> 00:34:35,919

greater good

821

00:34:39,030 --> 00:34:37,599

and if you're not in that place it's

822

00:34:40,950 --> 00:34:39,040

hard to live deliberately and create

823

00:34:43,349 --> 00:34:40,960

consciously if you think god's deciding

824

00:34:46,230 --> 00:34:43,359

god's not deciding god decided to be you

825

00:34:49,190 --> 00:34:46,240

so that you could get get it on and live

826

00:34:52,069 --> 00:34:49,200

with your god-given powers

827

00:34:53,349 --> 00:34:52,079

and it's not going to behoove you or

828

00:34:54,869 --> 00:34:53,359

help you to know that your thoughts

829

00:34:57,109 --> 00:34:54,879

become things if you think there's

830

00:34:58,230 --> 00:34:57,119

faith or there's destiny or there's a

831

00:35:01,349 --> 00:34:58,240

law of

832

00:35:03,829 --> 00:35:01,359

karma that that can't be mitigated

833

00:35:05,750 --> 00:35:03,839

karma is a phenomenon so all these

834

00:35:07,510 --> 00:35:05,760

tangents i teach on all of them to give

835

00:35:09,109 --> 00:35:07,520

people a rock of truth

836

00:35:10,550 --> 00:35:09,119

from which they can live deliberately

837

00:35:13,829 --> 00:35:10,560

and create consciously

838

00:35:14,470 --> 00:35:13,839

so karma is real but not as an absolute

839

00:35:17,030 --> 00:35:14,480

law

840

00:35:19,430 --> 00:35:17,040

ancient spiritual contracts are real but

841

00:35:22,550 --> 00:35:19,440

we can rewrite them or throw them away

842

00:35:24,790 --> 00:35:22,560

at any given moment of our life

843

00:35:26,069 --> 00:35:24,800

none of us are limited by anything not

844

00:35:28,390 --> 00:35:26,079

past lives not

845

00:35:29,990 --> 00:35:28,400

karmic score not ancient spiritual

846

00:35:33,270 --> 00:35:30,000

agreements not the mood that

847

00:35:34,150 --> 00:35:33,280

god is in we freely get to choose what

848

00:35:35,910 --> 00:35:34,160

our thoughts are

849

00:35:37,510 --> 00:35:35,920

our thoughts unfailingly become the

850

00:35:41,190 --> 00:35:37,520

things and events of our life

851
00:35:43,270 --> 00:35:41,200
done and with this magic wand

852
00:35:44,470 --> 00:35:43,280
there's nothing you can't do nothing you

853
00:35:46,950 --> 00:35:44,480
can't be

854
00:35:47,589 --> 00:35:46,960
nothing you can't have the world is your

855
00:35:50,390 --> 00:35:47,599
oyster

856
00:35:51,750 --> 00:35:50,400
let it be easy follow your heart it's

857
00:35:55,430 --> 00:35:51,760
all here for you

858
00:35:57,510 --> 00:35:55,440
you can do it

859
00:35:59,670 --> 00:35:57,520
and so those are my you know get into

860
00:36:00,550 --> 00:35:59,680
truth know that you're the creator of

861
00:36:02,150 --> 00:36:00,560
your life

862
00:36:04,069 --> 00:36:02,160
believe it but believing will come

863
00:36:05,589 --> 00:36:04,079

automatically as you immerse yourself in

864

00:36:08,310 --> 00:36:05,599

truth and see the validity

865

00:36:09,750 --> 00:36:08,320

of these concepts and then of course the

866

00:36:13,270 --> 00:36:09,760

other message that

867

00:36:16,310 --> 00:36:13,280

too often isn't acted upon through

868

00:36:18,870 --> 00:36:16,320

the tangled webs we weave of confusion

869

00:36:20,150 --> 00:36:18,880

giving away our power folks don't take

870

00:36:21,270 --> 00:36:20,160

action on their dreams

871

00:36:23,430 --> 00:36:21,280

you know it's not enough to know that

872

00:36:24,870 --> 00:36:23,440

there's a law of attraction and think

873

00:36:26,390 --> 00:36:24,880

that you know oprah winfrey is going to

874

00:36:27,510 --> 00:36:26,400

call you because you thought about it

875

00:36:30,230 --> 00:36:27,520

she's not calling

876

00:36:32,310 --> 00:36:30,240

ever until you get out there physically

877

00:36:35,990 --> 00:36:32,320

and

878

00:36:38,150 --> 00:36:36,000

embody these truths okay you can't just

879

00:36:39,750 --> 00:36:38,160

you can't think that your life is gonna

880

00:36:39,990 --> 00:36:39,760

change because you found the truth and

881

00:36:43,430 --> 00:36:40,000

you're

882

00:36:44,470 --> 00:36:43,440

not being judged and all things are

883

00:36:46,230 --> 00:36:44,480

possible and so

884

00:36:49,109 --> 00:36:46,240

i i went through that everybody goes to

885

00:36:51,750 --> 00:36:49,119

that who who evolves to this point

886

00:36:53,910 --> 00:36:51,760

but the excitement for having discovered

887

00:36:55,430 --> 00:36:53,920

the truth will not change your life

888

00:36:56,470 --> 00:36:55,440

because if you're excited about it but

889

00:36:57,910 --> 00:36:56,480

you're not living it

890

00:36:59,190 --> 00:36:57,920

if you're excited about it but you're

891

00:36:59,990 --> 00:36:59,200

not going out because something's

892

00:37:04,069 --> 00:37:00,000

holding you back

893

00:37:08,870 --> 00:37:04,079

fear or limiting beliefs you know

894

00:37:11,910 --> 00:37:08,880

thinking big but acting small

895

00:37:13,349 --> 00:37:11,920

is the same as thinking small so you got

896

00:37:15,910 --> 00:37:13,359

to be congruent

897

00:37:17,510 --> 00:37:15,920

so while it's only and totally thoughts

898

00:37:19,109 --> 00:37:17,520

become things that dictates the

899

00:37:20,950 --> 00:37:19,119

unfoldment of your life

900

00:37:22,310 --> 00:37:20,960

we think a lot of thoughts and we need

901
00:37:24,470 --> 00:37:22,320
to kind of strip them down

902
00:37:25,750 --> 00:37:24,480
and uh do some soul-searching and

903
00:37:28,550 --> 00:37:25,760
self-reflection and be

904
00:37:30,630 --> 00:37:28,560
honest with yourself which often is the

905
00:37:32,790 --> 00:37:30,640
last person we're honest with

906
00:37:34,470 --> 00:37:32,800
um and so there's there's a there's a

907
00:37:36,630 --> 00:37:34,480
lot to learn but it's easy

908
00:37:37,750 --> 00:37:36,640
you're the boss okay you're the boss and

909
00:37:40,950 --> 00:37:37,760
stop arguing

910
00:37:42,870 --> 00:37:40,960
that you can't do it because of what

911
00:37:43,190 --> 00:37:42,880
happened three years ago or 30 years ago

912
00:37:47,990 --> 00:37:43,200
or

913
00:37:49,829 --> 00:37:48,000

stop thinking that there's some other

914

00:37:53,670 --> 00:37:49,839

agenda stop

915

00:37:55,270 --> 00:37:53,680

stop with the fear um and then

916

00:37:57,510 --> 00:37:55,280

you clear the way for your thoughts to

917

00:37:58,150 --> 00:37:57,520

become things far more quickly than they

918

00:38:00,870 --> 00:37:58,160

otherwise

919

00:38:01,910 --> 00:38:00,880

could have been if your other 60 000

920

00:38:03,589 --> 00:38:01,920

thoughts a day

921

00:38:06,310 --> 00:38:03,599

are telling you that god is angry and

922

00:38:08,710 --> 00:38:06,320

people are jerks

923

00:38:10,470 --> 00:38:08,720

you know i i totally totally agree with

924

00:38:12,310 --> 00:38:10,480

what you're saying if i may just give a

925

00:38:15,510 --> 00:38:12,320

quick little story regarding the

926
00:38:17,109 --> 00:38:15,520
notes from the universe so this was when

927
00:38:18,310 --> 00:38:17,119
i first learned about you and i signed

928
00:38:21,109 --> 00:38:18,320
up for it for the

929
00:38:22,069 --> 00:38:21,119
for the list and this was really really

930
00:38:24,069 --> 00:38:22,079
interesting

931
00:38:26,230 --> 00:38:24,079
and i just love how it actually works

932
00:38:27,270 --> 00:38:26,240
whether you're there or whether the

933
00:38:29,190 --> 00:38:27,280
notes themselves

934
00:38:30,710 --> 00:38:29,200
but let's say you know talking about

935
00:38:33,190 --> 00:38:30,720
people having doubts and all these

936
00:38:35,349 --> 00:38:33,200
things at that time i was trying to

937
00:38:37,109 --> 00:38:35,359
get things going with my with my life

938
00:38:37,829 --> 00:38:37,119

and all these other things and you know

939

00:38:41,030 --> 00:38:37,839

i'm very

940

00:38:42,950 --> 00:38:41,040

ufo alien heavy you know

941

00:38:44,150 --> 00:38:42,960

involvement you know that's my interest

942

00:38:46,390 --> 00:38:44,160

and so

943

00:38:48,550 --> 00:38:46,400

uh long story short with my little bit

944

00:38:49,990 --> 00:38:48,560

of experiences that i had at that time

945

00:38:51,589 --> 00:38:50,000

it was kind of these things where i was

946

00:38:53,589 --> 00:38:51,599

like well i would like to

947

00:38:55,349 --> 00:38:53,599

proceed with the next step and blah blah

948

00:38:57,349 --> 00:38:55,359

blah you know and all these things i was

949

00:39:00,710 --> 00:38:57,359

putting that out there as i was kind of

950

00:39:02,390 --> 00:39:00,720

meditating to myself the next day

951
00:39:04,230 --> 00:39:02,400
uh you know after i had done this that

952
00:39:06,310 --> 00:39:04,240
was like before before night time the

953
00:39:07,430 --> 00:39:06,320
next day i wake up and i get one of the

954
00:39:09,190 --> 00:39:07,440
notes from the universe

955
00:39:11,190 --> 00:39:09,200
and i can't remember exactly what was

956
00:39:13,270 --> 00:39:11,200
written but i said something literally

957
00:39:14,710 --> 00:39:13,280
you know we've heard you and everything

958
00:39:16,390 --> 00:39:14,720
is set in motion

959
00:39:18,550 --> 00:39:16,400
and i just kind of cut the chills down

960
00:39:20,950 --> 00:39:18,560
my spine you know it's like wow i mean

961
00:39:22,390 --> 00:39:20,960
whether this is you know if anyone else

962
00:39:23,589 --> 00:39:22,400
is looking on the outside they're like

963
00:39:26,630 --> 00:39:23,599

well this is you know

964

00:39:28,390 --> 00:39:26,640

um the notes were preset and

965

00:39:29,990 --> 00:39:28,400

there's no way it could be relating to

966

00:39:32,069 --> 00:39:30,000

you but it was

967

00:39:33,190 --> 00:39:32,079

synchronistically i've attracted it to

968

00:39:35,030 --> 00:39:33,200

myself and

969

00:39:37,190 --> 00:39:35,040

however it happened doesn't matter the

970

00:39:41,190 --> 00:39:37,200

point was it gave me the boost to go

971

00:39:44,230 --> 00:39:41,200

okay i'm good let's go let's get it done

972

00:39:46,470 --> 00:39:44,240

wow that's a great story adnan you know

973

00:39:48,550 --> 00:39:46,480

and the fact of the matter is is you did

974

00:39:49,910 --> 00:39:48,560

draw that to yourself you're a co-writer

975

00:39:50,790 --> 00:39:49,920

of these notes from the universe that's

976
00:39:54,390 --> 00:39:50,800
right

977
00:39:56,710 --> 00:39:54,400
life on earth is is every bit like

978
00:39:58,710 --> 00:39:56,720
our nighttime dreams and in our

979
00:40:00,150 --> 00:39:58,720
nighttime dreams we think it's so real

980
00:40:02,150 --> 00:40:00,160
and in our nighttime dreams i've had

981
00:40:03,670 --> 00:40:02,160
dreams that are so patently ridiculous

982
00:40:06,550 --> 00:40:03,680
but in the dream they seemed real

983
00:40:07,829 --> 00:40:06,560
but in that patently ridiculous dream

984
00:40:11,510 --> 00:40:07,839
there was a built-in

985
00:40:13,910 --> 00:40:11,520
had a past

986
00:40:14,910 --> 00:40:13,920
in that ridiculous dream which i know

987
00:40:19,030 --> 00:40:14,920
was

988
00:40:22,069 --> 00:40:19,040

streaming

989

00:40:23,910 --> 00:40:22,079

and that's true here and now we think

990

00:40:24,790 --> 00:40:23,920

there's a past we think it's linear we

991

00:40:26,870 --> 00:40:24,800

think we all

992

00:40:28,870 --> 00:40:26,880

would agree on everything and while

993

00:40:29,990 --> 00:40:28,880

there's a lot we have in common

994

00:40:32,069 --> 00:40:30,000

that's because there's certain

995

00:40:33,750 --> 00:40:32,079

parameters we've all agreed to

996

00:40:36,230 --> 00:40:33,760

when we took this adventure at this

997

00:40:39,510 --> 00:40:36,240

primitive time in space

998

00:40:39,910 --> 00:40:39,520

but there is a greater truth than oh

999

00:40:41,990 --> 00:40:39,920

well

1000

00:40:43,910 --> 00:40:42,000

it just happened to relate to you and oh

1001
00:40:45,829 --> 00:40:43,920
well um

1002
00:40:47,270 --> 00:40:45,839
you know it's just kind of a coincidence

1003
00:40:50,630 --> 00:40:47,280
it's like no no no

1004
00:40:54,069 --> 00:40:50,640
there is something far more

1005
00:40:56,150 --> 00:40:54,079
magical and wild going on in every

1006
00:40:57,910 --> 00:40:56,160
moment of our lives that here too far

1007
00:41:01,109 --> 00:40:57,920
has completely escaped us

1008
00:41:03,030 --> 00:41:01,119
we are all creating a hundred percent

1009
00:41:05,109 --> 00:41:03,040
of our experience you are creating me

1010
00:41:07,510 --> 00:41:05,119
right now i am creating you right now

1011
00:41:08,150 --> 00:41:07,520
and we could diverge if necessary so

1012
00:41:10,230 --> 00:41:08,160
that our

1013
00:41:12,630 --> 00:41:10,240

beliefs would be able to hold together

1014

00:41:15,349 --> 00:41:12,640

in alignment with what comes next

1015

00:41:16,470 --> 00:41:15,359

um it is a freaky multi-dimensional

1016

00:41:18,630 --> 00:41:16,480

world

1017

00:41:20,470 --> 00:41:18,640

what's important is that you are here

1018

00:41:22,309 --> 00:41:20,480

and now and that you follow your heart

1019

00:41:26,069 --> 00:41:22,319

and you face your fears and you move

1020

00:41:28,550 --> 00:41:26,079

forward all of the bizarre wild parallel

1021

00:41:30,470 --> 00:41:28,560

universe logistics and stuff like that

1022

00:41:32,630 --> 00:41:30,480

that'll make sense later on when our

1023

00:41:35,750 --> 00:41:32,640

mind is expanded to the size of

1024

00:41:38,870 --> 00:41:35,760

jupiter but right now what's important

1025

00:41:40,390 --> 00:41:38,880

is living the rocking blessed life we've

1026

00:41:42,950 --> 00:41:40,400

each been given or that we've each

1027

00:41:45,829 --> 00:41:42,960

chosen to live

1028

00:41:47,750 --> 00:41:45,839

mike um sorry i have a this is i believe

1029

00:41:49,510 --> 00:41:47,760

a question that will probably be more

1030

00:41:51,589 --> 00:41:49,520

for tracy but i don't know if you want

1031

00:41:54,550 --> 00:41:51,599

to speak on this this one is from

1032

00:41:54,950 --> 00:41:54,560

fabrice saying hi mr dooley question

1033

00:41:58,550 --> 00:41:54,960

when

1034

00:42:00,630 --> 00:41:58,560

communicating uh what are the clues

1035

00:42:02,309 --> 00:42:00,640

that the interaction it's not actually

1036

00:42:05,510 --> 00:42:02,319

just a mind

1037

00:42:06,630 --> 00:42:05,520

construct from the self-ego

1038

00:42:08,870 --> 00:42:06,640

i don't know if you want to speak to

1039

00:42:09,589 --> 00:42:08,880

that phenomenal question and trickier

1040

00:42:12,230 --> 00:42:09,599

than it may

1041

00:42:13,750 --> 00:42:12,240

appear to be because as i was just

1042

00:42:16,710 --> 00:42:13,760

saying

1043

00:42:17,510 --> 00:42:16,720

everything's a mind construct but i

1044

00:42:20,950 --> 00:42:17,520

asked

1045

00:42:23,430 --> 00:42:20,960

that question to kneel donald walsh

1046

00:42:25,910 --> 00:42:23,440

uh your reader your viewers may know he

1047

00:42:28,550 --> 00:42:25,920

wrote this phenomenal series

1048

00:42:29,030 --> 00:42:28,560

titled conversations with god when he

1049

00:42:31,349 --> 00:42:29,040

started

1050

00:42:32,630 --> 00:42:31,359

journaling out of frustration that his

1051
00:42:34,470 --> 00:42:32,640
life was

1052
00:42:35,910 --> 00:42:34,480
not working the way he wanted it to be

1053
00:42:38,950 --> 00:42:35,920
would write a question

1054
00:42:39,589 --> 00:42:38,960
and then he would write an answer and he

1055
00:42:42,069 --> 00:42:39,599
was

1056
00:42:43,430 --> 00:42:42,079
playing both roles to the point where

1057
00:42:46,710 --> 00:42:43,440
all of a sudden

1058
00:42:49,349 --> 00:42:46,720
the answers were just gushing out of him

1059
00:42:51,109 --> 00:42:49,359
and they included ideas and concepts

1060
00:42:54,870 --> 00:42:51,119
that he felt were not his

1061
00:42:57,910 --> 00:42:54,880
at all like where did that come from

1062
00:42:59,589 --> 00:42:57,920
and then in his dialogue with god

1063
00:43:01,430 --> 00:42:59,599

because you know it's all god we're

1064

00:43:03,190 --> 00:43:01,440

everything is god god's not some dude in

1065

00:43:05,750 --> 00:43:03,200

a chair you know it's like it's all

1066

00:43:07,030 --> 00:43:05,760

god and there's layers of layers of

1067

00:43:11,270 --> 00:43:07,040

consciousness

1068

00:43:15,349 --> 00:43:11,280

but neil said how do i know

1069

00:43:18,470 --> 00:43:15,359

god that you're not just my imagination

1070

00:43:21,589 --> 00:43:18,480

and god said something to the effect of

1071

00:43:22,550 --> 00:43:21,599

oh i am your imagination and don't you

1072

00:43:24,550 --> 00:43:22,560

think

1073

00:43:27,270 --> 00:43:24,560

if i'm looking for every way to reach

1074

00:43:29,990 --> 00:43:27,280

you that i would be smart enough to use

1075

00:43:33,670 --> 00:43:30,000

your imagination to reach you

1076

00:43:34,550 --> 00:43:33,680

so i would try to distill what neil said

1077

00:43:37,990 --> 00:43:34,560

to answer

1078

00:43:44,230 --> 00:43:41,430

i wouldn't go into a

1079

00:43:46,870 --> 00:43:44,240

a session uh trying to have a

1080

00:43:49,670 --> 00:43:46,880

conversation with frank or my inner self

1081

00:43:50,230 --> 00:43:49,680

without some kind of intention i want

1082

00:43:52,150 --> 00:43:50,240

truth

1083

00:43:53,510 --> 00:43:52,160

i want revelation i want to know what

1084

00:43:55,030 --> 00:43:53,520

broca's like

1085

00:43:56,950 --> 00:43:55,040

i want some ideas i've never heard

1086

00:44:00,710 --> 00:43:56,960

before go with intention

1087

00:44:04,309 --> 00:44:00,720

don't go with don't go like is this real

1088

00:44:06,870 --> 00:44:04,319

is anybody there no that might work

1089

00:44:08,069 --> 00:44:06,880

but i think that you're even here

1090

00:44:09,750 --> 00:44:08,079

watching this right now you know

1091

00:44:11,910 --> 00:44:09,760

darn well it works and you know darn

1092

00:44:13,750 --> 00:44:11,920

well it's real and you know darn well

1093

00:44:15,510 --> 00:44:13,760

people are listening people are

1094

00:44:16,950 --> 00:44:15,520

listening so go in there with an

1095

00:44:18,790 --> 00:44:16,960

intention i know you're there

1096

00:44:19,990 --> 00:44:18,800

and i bless you and i want the highest

1097

00:44:23,750 --> 00:44:20,000

and best for all

1098

00:44:26,790 --> 00:44:23,760

now um you know ask a question

1099

00:44:28,870 --> 00:44:26,800

uh show me the way give me clarity on

1100

00:44:30,550 --> 00:44:28,880

this decision i'm making with my career

1101

00:44:35,030 --> 00:44:30,560

or my relationships

1102

00:44:37,670 --> 00:44:35,040

go with intention and then

1103

00:44:38,069 --> 00:44:37,680

you're going to have some sense of how

1104

00:44:41,430 --> 00:44:38,079

to

1105

00:44:43,670 --> 00:44:41,440

feel what you're getting

1106

00:44:45,990 --> 00:44:43,680

and if what you're getting resonates

1107

00:44:47,910 --> 00:44:46,000

with you if what you're getting

1108

00:44:50,710 --> 00:44:47,920

moves you a little bit further to a

1109

00:44:51,670 --> 00:44:50,720

decision with confidence makes you feel

1110

00:44:54,150 --> 00:44:51,680

loved

1111

00:44:55,589 --> 00:44:54,160

you can be you can be pretty sure you're

1112

00:44:57,670 --> 00:44:55,599

doing this right

1113

00:44:58,630 --> 00:44:57,680

and to answer the question is it you or

1114

00:45:01,670 --> 00:44:58,640

a portion of you

1115

00:45:03,270 --> 00:45:01,680

like don't even go there a similar

1116

00:45:06,790 --> 00:45:03,280

exercise that i've done

1117

00:45:08,790 --> 00:45:06,800

um is that it's just simple journaling

1118

00:45:11,270 --> 00:45:08,800

modeled after what neil donald walsh

1119

00:45:14,390 --> 00:45:11,280

would do in different

1120

00:45:16,470 --> 00:45:14,400

challenging times in my life i even

1121

00:45:16,870 --> 00:45:16,480

recently i will write down a question

1122

00:45:20,309 --> 00:45:16,880

like

1123

00:45:22,470 --> 00:45:20,319

how else can i see this situation

1124

00:45:23,670 --> 00:45:22,480

what am i not seeing that is clearly

1125

00:45:26,470 --> 00:45:23,680

there

1126

00:45:28,950 --> 00:45:26,480

how can i navigate for a win-win

1127

00:45:32,230 --> 00:45:28,960

situation if somebody else is involved

1128

00:45:34,630 --> 00:45:32,240

and then

1129

00:45:35,990 --> 00:45:34,640

write the answer and you will think

1130

00:45:38,230 --> 00:45:36,000

you're kidding yourself and you will

1131

00:45:41,510 --> 00:45:38,240

wonder is it just my imagination

1132

00:45:42,069 --> 00:45:41,520

but i am sure like me like so many

1133

00:45:44,630 --> 00:45:42,079

others

1134

00:45:46,309 --> 00:45:44,640

like neil donald walsh you will get to a

1135

00:45:47,670 --> 00:45:46,319

point and it might not be the first time

1136

00:45:49,109 --> 00:45:47,680

you do it it might not be the first

1137

00:45:51,349 --> 00:45:49,119

sentence it might not be the first

1138

00:45:52,950 --> 00:45:51,359

session it might be after you've

1139

00:45:55,990 --> 00:45:52,960

developed this muscle

1140

00:45:58,630 --> 00:45:56,000

a half a dozen a dozen times but

1141

00:45:59,109 --> 00:45:58,640

probably not much longer than than that

1142

00:46:01,670 --> 00:45:59,119

you

1143

00:46:02,630 --> 00:46:01,680

will start writing stuff and thinking

1144

00:46:05,589 --> 00:46:02,640

stuff

1145

00:46:07,349 --> 00:46:05,599

that you'd be like dang that's a really

1146

00:46:10,390 --> 00:46:07,359

good answer

1147

00:46:13,270 --> 00:46:10,400

and it doesn't matter where it came from

1148

00:46:15,829 --> 00:46:13,280

and you might start writing such odd

1149

00:46:17,430 --> 00:46:15,839

stuff like when tracy goes into a chance

1150

00:46:19,750 --> 00:46:17,440

for frank to channel

1151
00:46:21,109 --> 00:46:19,760
she she like almost falls asleep at the

1152
00:46:23,750 --> 00:46:21,119
keyboard and wakes up

1153
00:46:25,109 --> 00:46:23,760
45 minutes later and there's all this

1154
00:46:29,030 --> 00:46:25,119
information on her

1155
00:46:29,589 --> 00:46:29,040
screen it could be completely removed

1156
00:46:32,230 --> 00:46:29,599
from you

1157
00:46:33,829 --> 00:46:32,240
and your own vocabulary or it could seem

1158
00:46:34,390 --> 00:46:33,839
very very similar but that's not

1159
00:46:40,790 --> 00:46:34,400
important

1160
00:46:43,030 --> 00:46:40,800
met and did you find greater peace

1161
00:46:44,790 --> 00:46:43,040
greater clarity and the more you work

1162
00:46:46,550 --> 00:46:44,800
that muscle flex that muscle the

1163
00:46:50,150 --> 00:46:46,560

stronger it gets we all

1164

00:46:52,630 --> 00:46:50,160

have access to infinite wisdom

1165

00:46:53,670 --> 00:46:52,640

whether it's frank or jesus or buddha or

1166

00:46:56,069 --> 00:46:53,680

your higher self

1167

00:46:57,829 --> 00:46:56,079

is really not so important when you have

1168

00:47:00,150 --> 00:46:57,839

access to infinite wisdom

1169

00:47:01,589 --> 00:47:00,160

it'll get to you in the shortest

1170

00:47:04,550 --> 00:47:01,599

quickest way permissible

1171

00:47:07,270 --> 00:47:04,560

through your worldview your beliefs and

1172

00:47:10,309 --> 00:47:07,280

expectations

1173

00:47:13,430 --> 00:47:10,319

mike thank you for that so mike just

1174

00:47:15,270 --> 00:47:13,440

um just real quick so uh

1175

00:47:16,630 --> 00:47:15,280

thank you very much for being on uh i

1176

00:47:18,630 --> 00:47:16,640

know we have limited time

1177

00:47:20,230 --> 00:47:18,640

so i just want to ask you one more

1178

00:47:20,790 --> 00:47:20,240

question i was uh we don't have any

1179

00:47:22,150 --> 00:47:20,800

questions

1180

00:47:24,390 --> 00:47:22,160

yet i guess everybody's still just

1181

00:47:25,829 --> 00:47:24,400

listening from from the uh from the

1182

00:47:29,829 --> 00:47:25,839

listeners but anyway

1183

00:47:31,190 --> 00:47:29,839

um so a lot of times it's the initial i

1184

00:47:32,630 --> 00:47:31,200

know you mentioned that a bit earlier

1185

00:47:35,270 --> 00:47:32,640

but a lot of times is that

1186

00:47:37,190 --> 00:47:35,280

initial fear that it always feels so

1187

00:47:41,510 --> 00:47:37,200

debilitating but yet it's

1188

00:47:43,510 --> 00:47:41,520

maybe the most my new smallest

1189

00:47:44,870 --> 00:47:43,520

barrier to overcome to what it is that

1190

00:47:46,790 --> 00:47:44,880

you want you know

1191

00:47:47,990 --> 00:47:46,800

um are there any you know because of

1192

00:47:50,150 --> 00:47:48,000

course when you simply just tell

1193

00:47:50,790 --> 00:47:50,160

somebody just try this or go this way or

1194

00:47:53,589 --> 00:47:50,800

whatever

1195

00:47:54,150 --> 00:47:53,599

you know is there something physically

1196

00:47:56,069 --> 00:47:54,160

by them

1197

00:47:57,990 --> 00:47:56,079

that needing to do to make it happen is

1198

00:47:59,190 --> 00:47:58,000

it just to literally just set out to it

1199

00:48:00,870 --> 00:47:59,200

put their shoes on and

1200

00:48:04,390 --> 00:48:00,880

and get going towards the goal that they

1201

00:48:09,670 --> 00:48:08,230

yeah you know as has been said by others

1202

00:48:12,870 --> 00:48:09,680

maybe there's even a book title

1203

00:48:13,589 --> 00:48:12,880

feel the fear and do it anyway but i i

1204

00:48:16,150 --> 00:48:13,599

also

1205

00:48:17,030 --> 00:48:16,160

kind of advocate you know welcome the

1206

00:48:23,190 --> 00:48:17,040

fear

1207

00:48:25,430 --> 00:48:23,200

maybe it's advising you to watch your

1208

00:48:25,910 --> 00:48:25,440

step or that maybe this week isn't that

1209

00:48:28,390 --> 00:48:25,920

weak

1210

00:48:29,990 --> 00:48:28,400

but you've got to be your own kind of

1211

00:48:33,030 --> 00:48:30,000

truth barometer here

1212

00:48:36,790 --> 00:48:33,040

you know is it fear just procrastinating

1213

00:48:39,109 --> 00:48:36,800

you know or is it is it an intuitional

1214

00:48:40,470 --> 00:48:39,119

type feeling that says you know maybe

1215

00:48:40,790 --> 00:48:40,480

there's something else you could do this

1216

00:48:42,309 --> 00:48:40,800

week

1217

00:48:44,150 --> 00:48:42,319

in that direction but not place that

1218

00:48:46,950 --> 00:48:44,160

phone call just yet or

1219

00:48:48,950 --> 00:48:46,960

get on that stage just yet or or

1220

00:48:50,230 --> 00:48:48,960

whatever um there was a note from the

1221

00:48:52,710 --> 00:48:50,240

universe i once wrote

1222

00:48:53,589 --> 00:48:52,720

something to the effect of you know if

1223

00:48:56,390 --> 00:48:53,599

in your journey

1224

00:48:57,510 --> 00:48:56,400

sometime along the path when you least

1225

00:49:02,470 --> 00:48:57,520

expect it

1226

00:49:05,030 --> 00:49:02,480

fear shows up it invariably means

1227

00:49:06,870 --> 00:49:05,040

you're exactly where you should be keep

1228

00:49:09,990 --> 00:49:06,880

on going

1229

00:49:12,870 --> 00:49:10,000

um you know unless

1230

00:49:13,510 --> 00:49:12,880

it's because wildebeests are chasing you

1231

00:49:15,910 --> 00:49:13,520

or something

1232

00:49:16,630 --> 00:49:15,920

silly like that i mean listen to your

1233

00:49:19,750 --> 00:49:16,640

fear

1234

00:49:20,870 --> 00:49:19,760

you know give it an ear but don't let it

1235

00:49:24,069 --> 00:49:20,880

hijack

1236

00:49:29,190 --> 00:49:24,079

your life or your dreams um

1237

00:49:32,870 --> 00:49:29,200

i i think if there's a quality i have

1238

00:49:37,109 --> 00:49:32,880

this helped me significantly

1239

00:49:40,470 --> 00:49:37,119

it would be my almost

1240

00:49:43,910 --> 00:49:40,480

um extreme

1241

00:49:45,829 --> 00:49:43,920

audacious nature to just kind of stick

1242

00:49:48,870 --> 00:49:45,839

my neck out

1243

00:49:52,230 --> 00:49:48,880

and risk being really foolish or

1244

00:49:54,790 --> 00:49:52,240

ignorant or i don't know i i don't know

1245

00:49:56,549 --> 00:49:54,800

i mean sometimes i mean the audacity of

1246

00:49:57,270 --> 00:49:56,559

writing a note from the universe you

1247

00:49:59,270 --> 00:49:57,280

know

1248

00:50:00,630 --> 00:49:59,280

um what the hell i'm gonna do it see how

1249

00:50:02,549 --> 00:50:00,640

it goes turns out it was much more

1250

00:50:05,109 --> 00:50:02,559

popular than writing his mic

1251
00:50:05,990 --> 00:50:05,119
um but you know there was room for

1252
00:50:09,750 --> 00:50:06,000
ridicule

1253
00:50:12,790 --> 00:50:09,760
and can you know accusations

1254
00:50:15,190 --> 00:50:12,800
i'm full of myself or conceited

1255
00:50:16,630 --> 00:50:15,200
really none of those ever manifested

1256
00:50:19,990 --> 00:50:16,640
none

1257
00:50:21,910 --> 00:50:20,000
so you know i think fear is a part of

1258
00:50:23,829 --> 00:50:21,920
the journey it doesn't go away

1259
00:50:25,190 --> 00:50:23,839
don't wait for your fear to obey it's

1260
00:50:27,990 --> 00:50:25,200
not but

1261
00:50:30,390 --> 00:50:28,000
you can manage it you can listen to it

1262
00:50:32,069 --> 00:50:30,400
you can move with it and then ultimately

1263
00:50:33,349 --> 00:50:32,079

through it and then one day you'll be so

1264

00:50:34,790 --> 00:50:33,359

far down the path

1265

00:50:37,270 --> 00:50:34,800

that it'll still be back there saying

1266

00:50:40,390 --> 00:50:37,280

wait man you shouldn't have gone

1267

00:50:41,270 --> 00:50:40,400

but it'll be relegated to that proper

1268

00:50:43,990 --> 00:50:41,280

place

1269

00:50:44,790 --> 00:50:44,000

um and the panacea of your memory and

1270

00:50:46,950 --> 00:50:44,800

all of your

1271

00:50:48,069 --> 00:50:46,960

collective thoughts to some little speck

1272

00:50:50,710 --> 00:50:48,079

back there

1273

00:50:52,470 --> 00:50:50,720

um that that just didn't know that you

1274

00:50:55,670 --> 00:50:52,480

were as ready as you really were

1275

00:50:57,190 --> 00:50:55,680

um so you can manage fear that doesn't

1276

00:50:59,589 --> 00:50:57,200

mean it's going to go away

1277

00:51:02,710 --> 00:50:59,599

but ultimately it will be relegated to

1278

00:51:06,230 --> 00:51:02,720

its proper place in the archives of

1279

00:51:07,910 --> 00:51:06,240

your mind well mike thank you very much

1280

00:51:09,670 --> 00:51:07,920

i really appreciate it i know you have

1281

00:51:13,270 --> 00:51:09,680

to go but um

1282

00:51:15,510 --> 00:51:13,280

i just wanted to say um to everyone

1283

00:51:16,710 --> 00:51:15,520

in the description box below there's

1284

00:51:18,950 --> 00:51:16,720

mike's website

1285

00:51:20,309 --> 00:51:18,960

uh different the website to all of his

1286

00:51:22,150 --> 00:51:20,319

books as well

1287

00:51:23,589 --> 00:51:22,160

and of course a direct link where you

1288

00:51:26,150 --> 00:51:23,599

can sign up for the notes

1289

00:51:28,309 --> 00:51:26,160

um notes of wait no forgetting the name

1290

00:51:31,750 --> 00:51:28,319

the notes from the universe right

1291

00:51:33,349 --> 00:51:31,760

um and so uh please check it out and uh

1292

00:51:34,790 --> 00:51:33,359

it's it's very inspirational

1293

00:51:36,710 --> 00:51:34,800

and especially for those that are having

1294

00:51:39,270 --> 00:51:36,720

some difficulties just kind of

1295

00:51:40,309 --> 00:51:39,280

just getting a you know a great message

1296

00:51:41,990 --> 00:51:40,319

to start off the day

1297

00:51:43,349 --> 00:51:42,000

it's it's perfect for that you know

1298

00:51:46,230 --> 00:51:43,359

along with your coffee

1299

00:51:47,510 --> 00:51:46,240

so anyway mike thank you again very much

1300

00:51:49,990 --> 00:51:47,520

i really appreciate it

1301
00:51:50,790 --> 00:51:50,000
and thanks everyone else that has been

1302
00:51:52,950 --> 00:51:50,800
tuning in

1303
00:51:53,990 --> 00:51:52,960
next week i'm going to have tracy that

1304
00:51:56,390 --> 00:51:54,000
has co-written

1305
00:51:57,510 --> 00:51:56,400
this book with with mike and we'll talk

1306
00:51:59,910 --> 00:51:57,520
more about that

1307
00:52:00,790 --> 00:51:59,920
and uh it'll be interview will be done

1308
00:52:02,870 --> 00:52:00,800
on monday

1309
00:52:03,990 --> 00:52:02,880
we'll go live on on wednesday and then

1310
00:52:06,069 --> 00:52:04,000
of course wednesday evening

1311
00:52:07,030 --> 00:52:06,079
we're going to have our open lines so

1312
00:52:09,510 --> 00:52:07,040
please uh

1313
00:52:11,910 --> 00:52:09,520

join me as well remember to go to

1314

00:52:12,470 --> 00:52:11,920

telegram sign up go to the ufo hub group

1315

00:52:15,270 --> 00:52:12,480

and

1316

00:52:16,710 --> 00:52:15,280

then we can take it from there all right

1317

00:52:20,390 --> 00:52:16,720

well everyone thanks very much

1318

00:52:44,829 --> 00:52:20,400

mike again thank you a lot and so i hope
