

UFO HUB

LIVE STREAM

1
00:00:42,830 --> 00:00:23,200
[Music]

2
00:01:52,830 --> 00:00:45,090
so

3
00:01:52,840 --> 00:02:19,350
foreign food

4
00:03:02,830 --> 00:02:48,830
[Music]

5
00:03:52,390 --> 00:03:16,830
so

6
00:03:56,710 --> 00:03:54,470
hey everyone welcome to the yofohub

7
00:03:57,589 --> 00:03:56,720
livestream so as you know today i'm

8
00:04:00,589 --> 00:03:57,599
going to have

9
00:04:01,750 --> 00:04:00,599
red pill junkie on uh he and i met in

10
00:04:03,990 --> 00:04:01,760
2014

11
00:04:06,149 --> 00:04:04,000
which we were just discussing a bit ago

12
00:04:08,710 --> 00:04:06,159
in this almost seven years ago

13
00:04:10,149 --> 00:04:08,720

and i think i got in touch with him

14

00:04:11,670 --> 00:04:10,159

maybe three years ago

15

00:04:13,350 --> 00:04:11,680

and sent him an email but that was

16

00:04:16,469 --> 00:04:13,360

pretty much the only time we talked

17

00:04:20,469 --> 00:04:16,479

so today would be the the first time

18

00:04:23,430 --> 00:04:20,479

since we were at this event in 2014

19

00:04:24,950 --> 00:04:23,440

and uh he did an interview with me i was

20

00:04:27,030 --> 00:04:24,960

very grateful for that

21

00:04:28,790 --> 00:04:27,040

and so he brought a perspective about

22

00:04:30,390 --> 00:04:28,800

the ufo subject that we don't get to

23

00:04:32,230 --> 00:04:30,400

hear very often because

24

00:04:33,909 --> 00:04:32,240

obviously living in the united states

25

00:04:37,430 --> 00:04:33,919

the ufo subject is very

26

00:04:40,790 --> 00:04:37,440

u.s centric and um just having somebody

27

00:04:42,070 --> 00:04:40,800

from you know he's from uh mexico and i

28

00:04:44,469 --> 00:04:42,080

believe he's in mexico city

29

00:04:45,270 --> 00:04:44,479

will clarify that right you know uh as

30

00:04:48,469 --> 00:04:45,280

when he starts

31

00:04:51,110 --> 00:04:48,479

talking but um i wanted to find out

32

00:04:51,909 --> 00:04:51,120

how is the subject of ufology generally

33

00:04:54,230 --> 00:04:51,919

viewed

34

00:04:55,749 --> 00:04:54,240

there you know and because we know what

35

00:04:57,030 --> 00:04:55,759

we always talk about here

36

00:04:59,030 --> 00:04:57,040

it would be nice to have another

37

00:05:00,710 --> 00:04:59,040

perspective so

38

00:05:02,629 --> 00:05:00,720

let me see there was a few things i

39

00:05:03,270 --> 00:05:02,639

wanted to go over uh if you have any

40

00:05:05,909 --> 00:05:03,280

questions

41

00:05:06,870 --> 00:05:05,919

please make sure you have the the three

42

00:05:08,870 --> 00:05:06,880

little

43

00:05:10,390 --> 00:05:08,880

stars before your sentence so i know

44

00:05:11,990 --> 00:05:10,400

it'll pop out at me and that you're

45

00:05:14,310 --> 00:05:12,000

referring to

46

00:05:15,029 --> 00:05:14,320

to me and wanting to ask a question and

47

00:05:18,710 --> 00:05:15,039

then

48

00:05:21,029 --> 00:05:18,720

um also please make sure to

49

00:05:22,550 --> 00:05:21,039

sign up on on telegram i know some of

50

00:05:25,909 --> 00:05:22,560

you have texted me trying to

51
00:05:27,909 --> 00:05:25,919
to uh to sign up to do the open lines

52
00:05:29,990 --> 00:05:27,919
since i have that uh going and i

53
00:05:30,629 --> 00:05:30,000
apologize i was not able to answer any

54
00:05:33,110 --> 00:05:30,639
phone calls

55
00:05:34,310 --> 00:05:33,120
any messages or emails sent to me during

56
00:05:37,510 --> 00:05:34,320
that time because

57
00:05:38,629 --> 00:05:37,520
i again i'm live and so i i can't try to

58
00:05:40,469 --> 00:05:38,639
do troubleshoot

59
00:05:42,629 --> 00:05:40,479
uh with with somebody who has something

60
00:05:43,110 --> 00:05:42,639
very specific so i hope you have a

61
00:05:44,790 --> 00:05:43,120
friend

62
00:05:46,230 --> 00:05:44,800
neighbor someone you know that could

63
00:05:48,550 --> 00:05:46,240

potentially help you out

64

00:05:51,189 --> 00:05:48,560

to download it and then next open lines

65

00:05:53,189 --> 00:05:51,199

which is next week wednesday at 7 pm

66

00:05:55,430 --> 00:05:53,199

we'll get together and chat about your

67

00:05:57,909 --> 00:05:55,440

stories whatever it is ufos

68

00:06:00,150 --> 00:05:57,919

ghosts anything metaphysical what

69

00:06:03,510 --> 00:06:00,160

whatever you pretty much want

70

00:06:06,550 --> 00:06:03,520

so anyway let me make sure i

71

00:06:08,710 --> 00:06:06,560

bring rpg on

72

00:06:11,830 --> 00:06:08,720

here because i want to make sure i don't

73

00:06:15,749 --> 00:06:11,840

have my guests muted like i usually do

74

00:06:18,790 --> 00:06:15,759

and uh okay here we go

75

00:06:21,990 --> 00:06:18,800

rpg you're on can you hear me

76

00:06:22,950 --> 00:06:22,000

yes all right well uh thank you very

77

00:06:24,790 --> 00:06:22,960

much for being on

78

00:06:26,950 --> 00:06:24,800

and i don't know how much you heard of

79

00:06:29,110 --> 00:06:26,960

what i was saying uh regarding

80

00:06:31,670 --> 00:06:29,120

uh when we first met but it's been a

81

00:06:38,309 --> 00:06:35,189

it is i mean it's incredible how uh

82

00:06:38,790 --> 00:06:38,319

time flies you know like uh you blink an

83

00:06:40,950 --> 00:06:38,800

eye and say

84

00:06:42,870 --> 00:06:40,960

oh my god you know almost seven years

85

00:06:46,230 --> 00:06:42,880

it's uh i don't know it's

86

00:06:48,710 --> 00:06:46,240

almost like uh more than a you know

87

00:06:49,430 --> 00:06:48,720

college student yes definitely we will

88

00:06:51,510 --> 00:06:49,440

have a

89

00:06:53,430 --> 00:06:51,520

doctorate in ufology if there was such a

90

00:06:55,270 --> 00:06:53,440

thing like right

91

00:06:58,950 --> 00:06:55,280

well i wanted to ask you so can you

92

00:07:01,110 --> 00:06:58,960

clarify you are mexico city correct

93

00:07:02,950 --> 00:07:01,120

or at least in a general area because i

94

00:07:03,830 --> 00:07:02,960

i forgot to totally ask you before we

95

00:07:05,110 --> 00:07:03,840

started so

96

00:07:07,510 --> 00:07:05,120

this is the last thing i kind of

97

00:07:08,710 --> 00:07:07,520

remembered and so i sorry if that's not

98

00:07:10,550 --> 00:07:08,720

correct

99

00:07:12,469 --> 00:07:10,560

it's a good question because it's it's

100

00:07:13,350 --> 00:07:12,479

confusing it seems confusing to me or

101
00:07:17,749 --> 00:07:13,360
where am i

102
00:07:20,870 --> 00:07:17,759
it's like uh technically

103
00:07:23,110 --> 00:07:20,880
i'm part of uh mexico's

104
00:07:25,189 --> 00:07:23,120
i don't know trans metropolitan area you

105
00:07:27,830 --> 00:07:25,199
know uh

106
00:07:28,790 --> 00:07:27,840
if if this was a nicer city i would say

107
00:07:31,029 --> 00:07:28,800
i live in the

108
00:07:31,990 --> 00:07:31,039
in the suburbs oh okay uh which is not

109
00:07:35,830 --> 00:07:32,000
the case

110
00:07:38,390 --> 00:07:35,840
at all uh i mean

111
00:07:40,390 --> 00:07:38,400
i live in what is we'll call what is

112
00:07:42,870 --> 00:07:40,400
properly called the state of mexico

113
00:07:45,749 --> 00:07:42,880

which is kind of like envelopes

114

00:07:47,029 --> 00:07:45,759

envelopes from above mexico city which

115

00:07:49,990 --> 00:07:47,039

used to be called

116

00:07:51,510 --> 00:07:50,000

the street federal but now uh it is

117

00:07:53,189 --> 00:07:51,520

officially called

118

00:07:55,830 --> 00:07:53,199

mexico city but the problem is that

119

00:07:58,230 --> 00:07:55,840

there are you go on the city and then

120

00:07:59,029 --> 00:07:58,240

you see oh i passed like uh you know

121

00:08:01,670 --> 00:07:59,039

like the

122

00:08:02,950 --> 00:08:01,680

some some kind of border and i'm still

123

00:08:05,430 --> 00:08:02,960

in the city but now i'm

124

00:08:06,710 --> 00:08:05,440

i'm outside the city it's kind of it's

125

00:08:09,510 --> 00:08:06,720

if you see

126

00:08:11,749 --> 00:08:09,520

mexico like some kind of like a

127

00:08:12,869 --> 00:08:11,759

megalopolis that keeps growing and

128

00:08:15,830 --> 00:08:12,879

growing and growing

129

00:08:16,629 --> 00:08:15,840

like a cancer you will get a sense of

130

00:08:19,110 --> 00:08:16,639

pretty much how

131

00:08:19,909 --> 00:08:19,120

how this is okay well thank you for

132

00:08:22,950 --> 00:08:19,919

clarifying

133

00:08:23,350 --> 00:08:22,960

that uh so what i wanted to start out

134

00:08:26,869 --> 00:08:23,360

with

135

00:08:29,909 --> 00:08:26,879

and generally when it comes to ufos

136

00:08:31,430 --> 00:08:29,919

from the u.s point of view you know uh

137

00:08:34,949 --> 00:08:31,440

roswell is a major

138

00:08:37,509 --> 00:08:34,959

uh point in history um the initial

139

00:08:38,550 --> 00:08:37,519

the initial um you know the initial

140

00:08:41,190 --> 00:08:38,560

sightings for the

141

00:08:42,469 --> 00:08:41,200

the the term flying saucers kind of got

142

00:08:44,790 --> 00:08:42,479

you know got their name

143

00:08:46,790 --> 00:08:44,800

and so that's what kind of the story

144

00:08:48,710 --> 00:08:46,800

gets told in the united states

145

00:08:50,949 --> 00:08:48,720

please if there is a different point of

146

00:08:51,509 --> 00:08:50,959

view from anyone outside the united

147

00:08:55,110 --> 00:08:51,519

states

148

00:08:57,509 --> 00:08:55,120

please give it to me about

149

00:08:59,030 --> 00:08:57,519

about just the ufos in general like how

150

00:09:00,470 --> 00:08:59,040

you know we know that

151
00:09:02,310 --> 00:09:00,480
everything kind of started in the united

152
00:09:04,870 --> 00:09:02,320
states but obviously they're not just

153
00:09:07,750 --> 00:09:04,880
appearing in the united states

154
00:09:08,389 --> 00:09:07,760
well right i mean what is the metrics by

155
00:09:12,230 --> 00:09:08,399
which

156
00:09:16,949 --> 00:09:12,240
we determine the beginning of the

157
00:09:19,430 --> 00:09:16,959
the ufo era of obviously uh

158
00:09:20,630 --> 00:09:19,440
uh everybody knows the term flying

159
00:09:23,910 --> 00:09:20,640
saucers

160
00:09:27,990 --> 00:09:23,920
because of kenneth arnold the one who

161
00:09:31,190 --> 00:09:28,000
had that iconic uh encounter with these

162
00:09:34,870 --> 00:09:31,200
chevron-like objects when when he was

163
00:09:37,910 --> 00:09:34,880

flying over mount rainier in 1947

164

00:09:40,310 --> 00:09:37,920

but does that constitute the

165

00:09:41,030 --> 00:09:40,320

the beginning of the the ufo era what

166

00:09:43,590 --> 00:09:41,040

about uh

167

00:09:44,230 --> 00:09:43,600

what about the few fighters encounters

168

00:09:47,670 --> 00:09:44,240

that were

169

00:09:50,949 --> 00:09:47,680

occurring during uh

170

00:09:54,230 --> 00:09:50,959

world war ii at the uh

171

00:09:55,030 --> 00:09:54,240

european um uh what what do you call

172

00:09:58,949 --> 00:09:55,040

this uh

173

00:09:59,990 --> 00:09:58,959

you know uh what the european theater of

174

00:10:03,030 --> 00:10:00,000

war

175

00:10:04,949 --> 00:10:03,040

right why don't we use that to

176

00:10:06,470 --> 00:10:04,959

to determine why don't we say oh well

177

00:10:09,670 --> 00:10:06,480

that this is something that started

178

00:10:10,230 --> 00:10:09,680

in in in europe or or maybe we go even

179

00:10:12,310 --> 00:10:10,240

you know

180

00:10:14,150 --> 00:10:12,320

backwards sometimes for example i'm

181

00:10:17,670 --> 00:10:14,160

reminding that

182

00:10:20,710 --> 00:10:17,680

someone some people allege

183

00:10:24,630 --> 00:10:20,720

that the first true

184

00:10:26,949 --> 00:10:24,640

photograph of a ufo was taken actually

185

00:10:29,030 --> 00:10:26,959

by a mexican astronomer

186

00:10:30,630 --> 00:10:29,040

i don't remember his name i think his

187

00:10:33,110 --> 00:10:30,640

last name was arable

188

00:10:34,150 --> 00:10:33,120

like tree i don't know that was that was

189

00:10:37,509 --> 00:10:34,160

his last name

190

00:10:38,310 --> 00:10:37,519

and i think it was in the late 19th

191

00:10:41,190 --> 00:10:38,320

century

192

00:10:42,150 --> 00:10:41,200

when this astronomer was taking uh

193

00:10:44,790 --> 00:10:42,160

photographs

194

00:10:45,590 --> 00:10:44,800

of of the sun using obviously you know

195

00:10:48,710 --> 00:10:45,600

the

196

00:10:51,990 --> 00:10:48,720

to

197

00:10:55,590 --> 00:10:52,000

uh detect uh

198

00:10:58,389 --> 00:10:55,600

these uh obscure objects that were

199

00:10:59,030 --> 00:10:58,399

traversing obviously from from his point

200

00:11:01,190 --> 00:10:59,040

of view

201
00:11:02,230 --> 00:11:01,200
traversing the surface of the sun and

202
00:11:05,590 --> 00:11:02,240
some people say well

203
00:11:08,790 --> 00:11:05,600
that those were probably the first time

204
00:11:10,949 --> 00:11:08,800
that ufos were

205
00:11:12,870 --> 00:11:10,959
photographed you know so why don't we

206
00:11:16,550 --> 00:11:12,880
use that and say oh that was the

207
00:11:20,550 --> 00:11:16,560
start of the ufo era or why don't we

208
00:11:23,030 --> 00:11:20,560
go and and and use events like

209
00:11:24,470 --> 00:11:23,040
the fatima apparitions which is one of

210
00:11:27,590 --> 00:11:24,480
my favorite

211
00:11:30,870 --> 00:11:27,600
um 14 mysteries

212
00:11:32,790 --> 00:11:30,880
of all time i'm a big fan of of of

213
00:11:35,269 --> 00:11:32,800

of the favitima events and there's a

214

00:11:35,910 --> 00:11:35,279

wonderful book that i highly recommend

215

00:11:38,710 --> 00:11:35,920

called

216

00:11:39,269 --> 00:11:38,720

celestial lights that everybody should

217

00:11:42,470 --> 00:11:39,279

read

218

00:11:45,509 --> 00:11:42,480

it was written by joaquin fernandez and

219

00:11:50,389 --> 00:11:45,519

fina armada and obviously

220

00:11:53,990 --> 00:11:50,399

everybody knows that in 197 1917

221

00:11:56,949 --> 00:11:54,000

from may to october 1917 this

222

00:11:58,230 --> 00:11:56,959

group these three little shepherds where

223

00:12:01,509 --> 00:11:58,240

where were having

224

00:12:03,269 --> 00:12:01,519

very unusual experiences that started to

225

00:12:04,550 --> 00:12:03,279

gather a lot of attention to the point

226

00:12:08,310 --> 00:12:04,560

that at one point

227

00:12:10,550 --> 00:12:08,320

there were thousands of people you know

228

00:12:11,670 --> 00:12:10,560

that were gathered in a single place and

229

00:12:13,590 --> 00:12:11,680

they observed

230

00:12:14,710 --> 00:12:13,600

something that too many people

231

00:12:17,750 --> 00:12:14,720

constitute

232

00:12:21,269 --> 00:12:17,760

a true uh ufo experience

233

00:12:25,110 --> 00:12:21,279

so why don't we why why do we

234

00:12:29,030 --> 00:12:25,120

talk about flying saucers uh while

235

00:12:31,590 --> 00:12:29,040

instead of of talking about uh you know

236

00:12:33,750 --> 00:12:31,600

fatima experiences um and i guess the

237

00:12:36,949 --> 00:12:33,760

reason for it is well i mean

238

00:12:39,030 --> 00:12:36,959

not to be too critical about

239

00:12:40,230 --> 00:12:39,040

geopolitical things and artists and

240

00:12:44,230 --> 00:12:40,240

things like that but

241

00:12:45,910 --> 00:12:44,240

it's because for better or for worse and

242

00:12:49,430 --> 00:12:45,920

i think it's the latter

243

00:12:52,710 --> 00:12:49,440

the united states is the most powerful

244

00:12:53,990 --> 00:12:52,720

country in the world and that is why we

245

00:12:57,829 --> 00:12:54,000

perceive

246

00:13:01,670 --> 00:12:57,839

the ufo mystery from

247

00:13:03,509 --> 00:13:01,680

mainly an american lens

248

00:13:05,110 --> 00:13:03,519

well thank you for clarifying that and

249

00:13:08,389 --> 00:13:05,120

so i know

250

00:13:09,350 --> 00:13:08,399

uh there's a lot of uh footage one can

251

00:13:12,069 --> 00:13:09,360

find online

252

00:13:12,470 --> 00:13:12,079

and uh sometimes it's difficult to tell

253

00:13:13,910 --> 00:13:12,480

where

254

00:13:15,829 --> 00:13:13,920

exactly is because it's not always

255

00:13:17,829 --> 00:13:15,839

necessarily just mexico but you have the

256

00:13:20,629 --> 00:13:17,839

entire continent of south america

257

00:13:21,590 --> 00:13:20,639

you know in central america so um to

258

00:13:23,509 --> 00:13:21,600

figure out where

259

00:13:25,190 --> 00:13:23,519

they're from and i mean not what from

260

00:13:25,990 --> 00:13:25,200

where this particular video was taken

261

00:13:29,030 --> 00:13:26,000

but

262

00:13:30,470 --> 00:13:29,040

what is the general uh what is the

263

00:13:33,030 --> 00:13:30,480

general point of view

264

00:13:34,230 --> 00:13:33,040

from on of on of the average person

265

00:13:36,870 --> 00:13:34,240

let's say in mexico

266

00:13:39,350 --> 00:13:36,880

what would you say is their stance on

267

00:13:41,030 --> 00:13:39,360

ufos

268

00:13:42,550 --> 00:13:41,040

it's a it's a really good question and

269

00:13:46,790 --> 00:13:42,560

then it's something that

270

00:13:49,269 --> 00:13:46,800

people used to ask me when i began

271

00:13:50,150 --> 00:13:49,279

uh having interviews on podcasts and the

272

00:13:52,150 --> 00:13:50,160

such

273

00:13:54,629 --> 00:13:52,160

like what's the difference between the

274

00:13:57,829 --> 00:13:54,639

point of view of the average citizen

275

00:14:00,310 --> 00:13:57,839

in mexico uh with uh

276

00:14:03,430 --> 00:14:00,320

in contrast to people living in in the

277

00:14:07,269 --> 00:14:03,440

united states

278

00:14:11,590 --> 00:14:07,279

my answer will have to be

279

00:14:15,189 --> 00:14:11,600

very cautiously that there seems to be

280

00:14:18,150 --> 00:14:15,199

a lot more of implicit

281

00:14:19,269 --> 00:14:18,160

acceptance that yeah there are things

282

00:14:22,550 --> 00:14:19,279

out there

283

00:14:25,430 --> 00:14:22,560

that we don't really understand

284

00:14:26,470 --> 00:14:25,440

um you know like it's a given like you

285

00:14:30,389 --> 00:14:26,480

probably you know

286

00:14:31,350 --> 00:14:30,399

know someone you know your friend of a

287

00:14:34,230 --> 00:14:31,360

friend

288

00:14:35,910 --> 00:14:34,240

or a relative your aunt in my case you

289

00:14:36,230 --> 00:14:35,920

know i have relatives i have cousins i

290

00:14:44,150 --> 00:14:36,240

have

291

00:14:45,990 --> 00:14:44,160

had a ufo experiences when i wasn't

292

00:14:48,949 --> 00:14:46,000

present which is you know something that

293

00:14:50,150 --> 00:14:48,959

or really pisses me off it's like the

294

00:14:52,629 --> 00:14:50,160

the phenomenon

295

00:14:53,670 --> 00:14:52,639

is making fun of me but yeah there's

296

00:14:56,949 --> 00:14:53,680

this

297

00:14:59,030 --> 00:14:56,959

kind of like imp er tacit or

298

00:15:00,550 --> 00:14:59,040

implicit acceptance that yeah there's

299

00:15:04,470 --> 00:15:00,560

something out there

300

00:15:08,069 --> 00:15:04,480

but is at the same time not

301
00:15:11,670 --> 00:15:08,079
the center of a lot of interest

302
00:15:14,230 --> 00:15:11,680
if you know what i mean like for example

303
00:15:15,189 --> 00:15:14,240
all the latest revelations that happened

304
00:15:18,230 --> 00:15:15,199
after

305
00:15:21,430 --> 00:15:18,240
2017 when there was this

306
00:15:21,910 --> 00:15:21,440
uh i guess now historical uh new york

307
00:15:25,350 --> 00:15:21,920
times

308
00:15:25,990 --> 00:15:25,360
article uh describing the existence of

309
00:15:31,189 --> 00:15:26,000
this

310
00:15:35,430 --> 00:15:31,199
uh secret pentagon program to study ufos

311
00:15:38,710 --> 00:15:35,440
among other things you know awesome atip

312
00:15:39,430 --> 00:15:38,720
that was kind of uh revolutionary but i

313
00:15:44,389 --> 00:15:39,440

feel

314

00:15:50,069 --> 00:15:47,749

revelation was

315

00:15:51,269 --> 00:15:50,079

more centered among english-speaking

316

00:15:54,230 --> 00:15:51,279

countries because

317

00:15:55,829 --> 00:15:54,240

here in mexico yeah i noticed a certain

318

00:15:58,550 --> 00:15:55,839

amount of

319

00:16:00,230 --> 00:15:58,560

interest but it's something like okay

320

00:16:03,590 --> 00:16:00,240

yeah but in other news

321

00:16:06,710 --> 00:16:03,600

like there's so much going on

322

00:16:11,030 --> 00:16:06,720

here with regards to more

323

00:16:14,230 --> 00:16:11,040

pressing matters politics and the such

324

00:16:17,430 --> 00:16:14,240

uh that it wasn't really

325

00:16:19,990 --> 00:16:17,440

taking the the due you know

326

00:16:21,749 --> 00:16:20,000

interest that maybe in other

327

00:16:24,949 --> 00:16:21,759

circumstances

328

00:16:27,590 --> 00:16:24,959

would have gathered and

329

00:16:28,470 --> 00:16:27,600

i wonder why is it that maybe not only

330

00:16:31,749 --> 00:16:28,480

in mexico but

331

00:16:32,870 --> 00:16:31,759

also in latin america uh people have

332

00:16:39,430 --> 00:16:32,880

this

333

00:16:42,949 --> 00:16:39,440

things like ufos

334

00:16:45,670 --> 00:16:42,959

ghosts things like that and i

335

00:16:48,829 --> 00:16:45,680

wonder maybe it's because in latin

336

00:16:54,710 --> 00:16:51,509

uh like the culture

337

00:16:58,550 --> 00:16:54,720

like uh forces you to live or or

338

00:17:02,150 --> 00:16:58,560

to entertain what one might call

339

00:17:05,270 --> 00:17:02,160

a certain kind of like magic realism

340

00:17:08,789 --> 00:17:05,280

by this i mean this idea that

341

00:17:10,870 --> 00:17:08,799

reality is more than what you can

342

00:17:15,189 --> 00:17:10,880

perceive with your five senses

343

00:17:18,870 --> 00:17:15,199

i mean think about it mexico is uh

344

00:17:21,350 --> 00:17:18,880

a very catholic country and actually

345

00:17:22,949 --> 00:17:21,360

let me correct myself mexico is not a

346

00:17:25,990 --> 00:17:22,959

catholic country mexico is

347

00:17:29,270 --> 00:17:26,000

a guadalupe country by by this i mean

348

00:17:32,630 --> 00:17:29,280

that uh the main uh

349

00:17:36,310 --> 00:17:32,640

like uh center of worship

350

00:17:37,350 --> 00:17:36,320

in mexican culture is not god proper or

351

00:17:40,870 --> 00:17:37,360

jesus it's

352

00:17:43,350 --> 00:17:40,880

the virgin of guadalupe you know and

353

00:17:44,630 --> 00:17:43,360

last year i had my friend greg bishop

354

00:17:47,270 --> 00:17:44,640

with me

355

00:17:48,310 --> 00:17:47,280

and we uh among other things that we we

356

00:17:51,270 --> 00:17:48,320

we did you know i

357

00:17:51,990 --> 00:17:51,280

i took him to visit uh toyota i took him

358

00:17:54,310 --> 00:17:52,000

to visit

359

00:17:55,110 --> 00:17:54,320

the museum of anthropology i also took

360

00:17:59,350 --> 00:17:55,120

him to

361

00:18:02,230 --> 00:17:59,360

visit the uh la villa which is

362

00:18:03,110 --> 00:18:02,240

like the the the main center of worship

363

00:18:05,669 --> 00:18:03,120

of la virg

364

00:18:07,350 --> 00:18:05,679

uh of the virgin of guadalupe which is

365

00:18:10,710 --> 00:18:07,360

outside of the vatican city

366

00:18:13,270 --> 00:18:10,720

it is the largest uh catholic

367

00:18:14,310 --> 00:18:13,280

uh center in the whole world you know

368

00:18:16,950 --> 00:18:14,320

it's designed to

369

00:18:18,870 --> 00:18:16,960

you know house uh thousands of

370

00:18:23,270 --> 00:18:18,880

individuals

371

00:18:26,150 --> 00:18:23,280

so and and if you uh also if you analyze

372

00:18:27,510 --> 00:18:26,160

you know the legends of these uh you

373

00:18:30,789 --> 00:18:27,520

know

374

00:18:33,270 --> 00:18:30,799

a humble uh native

375

00:18:34,150 --> 00:18:33,280

american or native mexican man named

376

00:18:36,150 --> 00:18:34,160

juan diego

377

00:18:37,270 --> 00:18:36,160

and how he had these encounters with

378

00:18:41,029 --> 00:18:37,280

this entity

379

00:18:43,350 --> 00:18:41,039

that he uh connected with the virgin

380

00:18:44,310 --> 00:18:43,360

the virgin mary this has a lot of

381

00:18:48,390 --> 00:18:44,320

correlations with

382

00:18:50,150 --> 00:18:48,400

with with uh the ufo mystery so

383

00:18:52,310 --> 00:18:50,160

and this is and this is something that

384

00:18:54,630 --> 00:18:52,320

uh i think is always been present

385

00:18:57,430 --> 00:18:54,640

in mexico you know these these ideas

386

00:19:01,110 --> 00:18:57,440

this this uh coexistence

387

00:19:04,230 --> 00:19:01,120

with uh other other levels of reality

388

00:19:05,430 --> 00:19:04,240

so maybe that is the reason why when the

389

00:19:09,029 --> 00:19:05,440

ufo phenomenon

390

00:19:10,150 --> 00:19:09,039

popped up in history mexicans were like

391

00:19:13,430 --> 00:19:10,160

oh yeah

392

00:19:16,630 --> 00:19:13,440

sure there's also that like

393

00:19:18,630 --> 00:19:16,640

yeah flying saucers why not uh

394

00:19:20,150 --> 00:19:18,640

and we moved on you know to watch

395

00:19:23,669 --> 00:19:20,160

football or or

396

00:19:27,590 --> 00:19:23,679

or a bull fight i think that is

397

00:19:29,750 --> 00:19:27,600

maybe a cultural reason why acceptance

398

00:19:31,669 --> 00:19:29,760

of these kind of mysteries in latin

399

00:19:34,549 --> 00:19:31,679

america

400

00:19:35,909 --> 00:19:34,559

was easier than in countries like the

401
00:19:39,029 --> 00:19:35,919
united states which

402
00:19:42,310 --> 00:19:39,039
has maybe some kind of like more uh

403
00:19:45,909 --> 00:19:42,320
protestant uh culture like

404
00:19:49,190 --> 00:19:45,919
some more maybe more rooted on calvinism

405
00:19:52,070 --> 00:19:49,200
or more rooted on on some type of

406
00:19:53,590 --> 00:19:52,080
positive materialism materialist

407
00:19:56,470 --> 00:19:53,600
thinking

408
00:19:58,630 --> 00:19:56,480
which is the thing that gave rise to the

409
00:20:01,350 --> 00:19:58,640
industrial revolution from which

410
00:20:02,390 --> 00:20:01,360
the united states gathered the the

411
00:20:05,830 --> 00:20:02,400
amount of power

412
00:20:09,110 --> 00:20:05,840
that allowed it to become the the main

413
00:20:11,510 --> 00:20:09,120

you know country in the world

414

00:20:14,470 --> 00:20:11,520

but maybe that kind of like vision that

415

00:20:17,510 --> 00:20:14,480

allows you to to gain that kind of power

416

00:20:21,029 --> 00:20:17,520

also makes you resident

417

00:20:24,070 --> 00:20:21,039

to accept these kind of things that

418

00:20:24,789 --> 00:20:24,080

put into question your little model of

419

00:20:27,110 --> 00:20:24,799

reality

420

00:20:29,110 --> 00:20:27,120

like oh yeah you know things are people

421

00:20:31,830 --> 00:20:29,120

are saying that there's

422

00:20:32,470 --> 00:20:31,840

weird things in the sky ah it's probably

423

00:20:42,149 --> 00:20:32,480

you know

424

00:20:44,390 --> 00:20:42,159

a flock of seagulls and now we see whoa

425

00:20:47,590 --> 00:20:44,400

they saw drones

426

00:20:50,950 --> 00:20:47,600

but uh here in mexico if you

427

00:20:52,230 --> 00:20:50,960

say if you hear someone say well i saw a

428

00:20:55,270 --> 00:20:52,240

ufo

429

00:20:58,390 --> 00:20:55,280

the other day it's it's

430

00:21:01,990 --> 00:20:58,400

it's as preposterous

431

00:21:04,789 --> 00:21:02,000

and at the same time as

432

00:21:05,510 --> 00:21:04,799

uh easier to entertain that say well you

433

00:21:09,350 --> 00:21:05,520

know

434

00:21:12,230 --> 00:21:09,360

my my my granny was sick and i went

435

00:21:14,310 --> 00:21:12,240

to the to the church and i prayed and

436

00:21:17,190 --> 00:21:14,320

then there was a miracle and

437

00:21:17,830 --> 00:21:17,200

my gran granny was cured by god you know

438

00:21:20,870 --> 00:21:17,840

so

439

00:21:24,149 --> 00:21:20,880

and and people say yeah sure you know

440

00:21:26,549 --> 00:21:24,159

that sort of thing happens uh so maybe

441

00:21:29,029 --> 00:21:26,559

that's the reason why in mexico in latin

442

00:21:30,230 --> 00:21:29,039

america this sense of magical magical

443

00:21:33,430 --> 00:21:30,240

realism

444

00:21:36,390 --> 00:21:33,440

allows you to kind of like

445

00:21:37,750 --> 00:21:36,400

grapple with all these you know

446

00:21:40,870 --> 00:21:37,760

seemingly absurd

447

00:21:43,110 --> 00:21:40,880

phenomena and in a way they

448

00:21:45,590 --> 00:21:43,120

they are absurd you know they cannot i i

449

00:21:49,990 --> 00:21:45,600

i posit that they cannot be

450

00:21:53,029 --> 00:21:50,000

totally understood by rationality alone

451
00:21:56,390 --> 00:21:53,039
but it is easier for maybe for a mexican

452
00:21:59,990 --> 00:21:56,400
to deal with this than for

453
00:22:02,630 --> 00:22:00,000
an american with

454
00:22:03,909 --> 00:22:02,640
with an american there is this dichotomy

455
00:22:07,510 --> 00:22:03,919
it's either

456
00:22:11,590 --> 00:22:07,520
there

457
00:22:13,510 --> 00:22:11,600
in-between state

458
00:22:15,110 --> 00:22:13,520
well maybe there's something you know in

459
00:22:17,430 --> 00:22:15,120
the middle you know no

460
00:22:20,390 --> 00:22:17,440
it's either black or white one or zero

461
00:22:24,390 --> 00:22:20,400
that's that's very the kind of like uh

462
00:22:28,310 --> 00:22:24,400
uh mentality that i see more dominant

463
00:22:30,630 --> 00:22:28,320

in in the american culture

464

00:22:32,149 --> 00:22:30,640

you know that's interesting uh um i

465

00:22:34,310 --> 00:22:32,159

wanted to obviously hear point

466

00:22:35,190 --> 00:22:34,320

your point of view but one of my friends

467

00:22:37,190 --> 00:22:35,200

she's from

468

00:22:38,549 --> 00:22:37,200

uh colombia and so i got a chance to ask

469

00:22:40,630 --> 00:22:38,559

her about you know

470

00:22:42,470 --> 00:22:40,640

what it what is it like like what do

471

00:22:44,549 --> 00:22:42,480

people view it and they're like

472

00:22:46,390 --> 00:22:44,559

it and she's kind of said very similar

473

00:22:48,310 --> 00:22:46,400

you know what you were saying but

474

00:22:48,710 --> 00:22:48,320

generally within her vicinity it's

475

00:22:50,950 --> 00:22:48,720

almost

476

00:22:52,870 --> 00:22:50,960

there's this interest but then they go

477

00:22:54,310 --> 00:22:52,880

on you know watching soccer

478

00:22:56,070 --> 00:22:54,320

you can be like oh you're food that's

479

00:22:58,310 --> 00:22:56,080

great you know and then

480

00:23:00,549 --> 00:22:58,320

you know and but it's not we're here you

481

00:23:01,830 --> 00:23:00,559

get more of a iro like oh my god one of

482

00:23:04,149 --> 00:23:01,840

those ancient history

483

00:23:05,669 --> 00:23:04,159

people you know right because that's

484

00:23:07,750 --> 00:23:05,679

almost what seems like that

485

00:23:09,270 --> 00:23:07,760

dichotomy you know it's kind of split in

486

00:23:12,310 --> 00:23:09,280

that way to where

487

00:23:15,270 --> 00:23:12,320

you're either ancient in history um

488

00:23:16,310 --> 00:23:15,280

everything is a possible person you know

489

00:23:19,029 --> 00:23:16,320

or you're just

490

00:23:20,470 --> 00:23:19,039

you know crazy ufo you know person it's

491

00:23:22,310 --> 00:23:20,480

just you can't almost

492

00:23:23,909 --> 00:23:22,320

you cannot just have a general interest

493

00:23:25,669 --> 00:23:23,919

because if you do it's

494

00:23:27,830 --> 00:23:25,679

i don't know it depends i mean again i

495

00:23:29,669 --> 00:23:27,840

mean we're human beings we're so

496

00:23:31,350 --> 00:23:29,679

you know complex so it's there's not

497

00:23:32,470 --> 00:23:31,360

just one single answer i mean literally

498

00:23:34,710 --> 00:23:32,480

would depend from

499

00:23:36,149 --> 00:23:34,720

situation to situation where you think

500

00:23:37,909 --> 00:23:36,159

you should be you would be shunned

501
00:23:40,070 --> 00:23:37,919
you're not where you are you know where

502
00:23:40,950 --> 00:23:40,080
you expect to be accepted you're shunned

503
00:23:43,350 --> 00:23:40,960
i mean you just

504
00:23:44,470 --> 00:23:43,360
you just never know so um right i don't

505
00:23:46,310 --> 00:23:44,480
want to switch

506
00:23:48,830 --> 00:23:46,320
so let me let me let me also point out

507
00:24:11,190 --> 00:23:48,840
something that i

508
00:24:15,830 --> 00:24:13,669
he was very very interest in the

509
00:24:18,710 --> 00:24:15,840
interested in the ufo phenomenon

510
00:24:19,830 --> 00:24:18,720
so i kind of like wondered you know is

511
00:24:22,870 --> 00:24:19,840
it possible that

512
00:24:24,870 --> 00:24:22,880
you know the ufo obsession

513
00:24:26,710 --> 00:24:24,880

is and i'm trying not to be

514

00:24:29,909 --> 00:24:26,720

controversial and trying not to be

515

00:24:32,549 --> 00:24:29,919

like uh woke here but is it possible

516

00:24:35,430 --> 00:24:32,559

that you that the ufo obsession is

517

00:24:37,269 --> 00:24:35,440

something of a white male privilege you

518

00:24:40,549 --> 00:24:37,279

know like something that

519

00:24:42,710 --> 00:24:40,559

only if you have certain amount of

520

00:24:43,590 --> 00:24:42,720

comfort in your life central amount of

521

00:24:49,909 --> 00:24:43,600

stability

522

00:24:52,310 --> 00:24:49,919

to devote some time in trying

523

00:24:53,430 --> 00:24:52,320

to learn about the ufo phenomena because

524

00:24:56,630 --> 00:24:53,440

like you said

525

00:24:57,590 --> 00:24:56,640

maybe in in latin america yeah there are

526
00:25:00,230 --> 00:24:57,600
people who

527
00:25:00,870 --> 00:25:00,240
are too busy like trying to make a

528
00:25:03,830 --> 00:25:00,880
living

529
00:25:04,789 --> 00:25:03,840
in these developing countries you know

530
00:25:07,190 --> 00:25:04,799
countries that

531
00:25:08,549 --> 00:25:07,200
do not have the kind of wealth or

532
00:25:11,830 --> 00:25:08,559
political stability

533
00:25:12,870 --> 00:25:11,840
like in europe in england in the united

534
00:25:14,950 --> 00:25:12,880
states

535
00:25:16,950 --> 00:25:14,960
and the amount of free time that they

536
00:25:17,350 --> 00:25:16,960
have maybe they only want to you know

537
00:25:20,470 --> 00:25:17,360
like

538
00:25:24,230 --> 00:25:20,480

or

539

00:25:26,870 --> 00:25:24,240

know and and

540

00:25:28,390 --> 00:25:26,880

just a few few percentage of people are

541

00:25:30,950 --> 00:25:28,400

weird enough like me

542

00:25:31,830 --> 00:25:30,960

to take an interest in the ufo

543

00:25:34,870 --> 00:25:31,840

phenomenon

544

00:25:35,990 --> 00:25:34,880

so this that's something to people in

545

00:25:37,830 --> 00:25:36,000

the united states

546

00:25:39,110 --> 00:25:37,840

to maybe maybe it's kind of like an

547

00:25:42,470 --> 00:25:39,120

uncomfortable

548

00:25:43,350 --> 00:25:42,480

uh question but is it something of a

549

00:25:45,269 --> 00:25:43,360

privilege

550

00:25:46,470 --> 00:25:45,279

that you are enjoying that you have the

551
00:25:50,310 --> 00:25:46,480
time to

552
00:25:53,830 --> 00:25:50,320
be interested in the ufo phenomenon

553
00:25:55,430 --> 00:25:53,840
well you know i think um certainly from

554
00:25:57,190 --> 00:25:55,440
the meetings and all the places that

555
00:25:59,430 --> 00:25:57,200
have been in the united states

556
00:26:01,029 --> 00:25:59,440
and this is obviously antidotal because

557
00:26:01,510 --> 00:26:01,039
i don't know anyone that has some kind

558
00:26:04,870 --> 00:26:01,520
of

559
00:26:06,710 --> 00:26:04,880
done some concrete study on it um

560
00:26:07,990 --> 00:26:06,720
it's actually people that generally

561
00:26:11,029 --> 00:26:08,000
society would

562
00:26:13,830 --> 00:26:11,039
uh consider kind of odd you know

563
00:26:14,870 --> 00:26:13,840

and and and not only that to the point

564

00:26:17,669 --> 00:26:14,880

to where just

565

00:26:17,990 --> 00:26:17,679

they're not afraid to speak their mind

566

00:26:19,830 --> 00:26:18,000

so

567

00:26:21,990 --> 00:26:19,840

it's it's more of a characteristic in

568

00:26:24,230 --> 00:26:22,000

that way but um

569

00:26:26,390 --> 00:26:24,240

you know it would be interesting because

570

00:26:28,070 --> 00:26:26,400

it would be nicer if there were

571

00:26:30,390 --> 00:26:28,080

those types of people because then maybe

572

00:26:32,789 --> 00:26:30,400

the ufo field would kind of get like a

573

00:26:34,950 --> 00:26:32,799

little injection of of capital to

574

00:26:36,470 --> 00:26:34,960

where you can develop into something

575

00:26:38,310 --> 00:26:36,480

better because instead of just having

576

00:26:39,990 --> 00:26:38,320

these large corporations like

577

00:26:41,830 --> 00:26:40,000

you know history channel to be able to

578

00:26:45,510 --> 00:26:41,840

kind of control their narrative

579

00:26:48,230 --> 00:26:45,520

you know and so um i mean i've known

580

00:26:49,269 --> 00:26:48,240

so many people personally that some even

581

00:26:51,750 --> 00:26:49,279

lived in the van

582

00:26:52,950 --> 00:26:51,760

and they would pull in the van to the

583

00:26:55,029 --> 00:26:52,960

bowling alley where would

584

00:26:55,990 --> 00:26:55,039

we we would meet they'll come out you

585

00:26:57,830 --> 00:26:56,000

know sometimes

586

00:26:59,110 --> 00:26:57,840

you know i love them to death but this

587

00:27:01,110 --> 00:26:59,120

thing to high heaven

588

00:27:03,269 --> 00:27:01,120

you know and uh just talk about these

589

00:27:04,070 --> 00:27:03,279

different things so it's not necessarily

590

00:27:17,350 --> 00:27:04,080

a

591

00:27:19,590 --> 00:27:17,360

something different to do or they would

592

00:27:21,590 --> 00:27:19,600

say something better to do

593

00:27:23,269 --> 00:27:21,600

yeah let me clarify it's not like uh oh

594

00:27:25,190 --> 00:27:23,279

yeah you have a you know you have a

595

00:27:26,950 --> 00:27:25,200

mercedes if you are

596

00:27:28,789 --> 00:27:26,960

interested in ufos you must you must

597

00:27:31,830 --> 00:27:28,799

have a mercedes-benz

598

00:27:32,870 --> 00:27:31,840

parking garage that's not what i'm what

599

00:27:35,350 --> 00:27:32,880

i'm what i

600

00:27:36,470 --> 00:27:35,360

meant at all you know and and yeah you

601
00:27:39,909 --> 00:27:36,480
know there's a

602
00:27:44,149 --> 00:27:39,919
the idea of uh ufos

603
00:27:47,909 --> 00:27:44,159
and and liminal ways of living

604
00:27:49,269 --> 00:27:47,919
is is very much real the idea that yeah

605
00:27:51,750 --> 00:27:49,279
we are outsiders

606
00:27:54,149 --> 00:27:51,760
of society for better or for worse we're

607
00:27:56,470 --> 00:27:54,159
not the cool kids who you know sat

608
00:27:57,830 --> 00:27:56,480
with the jocks and the cheerleaders at

609
00:27:59,669 --> 00:27:57,840
the high school cafeteria

610
00:28:01,510 --> 00:27:59,679
we are like the guys who were sitting in

611
00:28:04,470 --> 00:28:01,520
the back talking about

612
00:28:04,950 --> 00:28:04,480
cool metal bands and also talking about

613
00:28:08,230 --> 00:28:04,960

cool

614

00:28:09,909 --> 00:28:08,240

books and and talking about ideas big

615

00:28:11,430 --> 00:28:09,919

ideas the kind of things that doesn't

616

00:28:14,549 --> 00:28:11,440

really make good

617

00:28:18,789 --> 00:28:14,559

small talk during cocktail parties

618

00:28:20,549 --> 00:28:18,799

uh if you know but we have to

619

00:28:22,710 --> 00:28:20,559

to also acknowledge that you know there

620

00:28:26,710 --> 00:28:22,720

are you know a lot of people who

621

00:28:29,990 --> 00:28:26,720

i mean uh i don't know working on

622

00:28:32,630 --> 00:28:30,000

sweatshops in you know hong kong and

623

00:28:33,669 --> 00:28:32,640

uh and working 24 7 or people yeah yeah

624

00:28:36,070 --> 00:28:33,679

maybe they're not

625

00:28:37,110 --> 00:28:36,080

not only living in in in trailer parks

626

00:28:38,070 --> 00:28:37,120

in the united states but they're also

627

00:28:40,870 --> 00:28:38,080

picking cotton

628

00:28:41,190 --> 00:28:40,880

you know they're or picking uh oranges

629

00:28:44,230 --> 00:28:41,200

uh

630

00:28:47,350 --> 00:28:44,240

don't know

631

00:28:47,830 --> 00:28:47,360

five dollars an hour in in california or

632

00:28:50,950 --> 00:28:47,840

whatever

633

00:28:53,350 --> 00:28:50,960

or here in mexico even worse uh

634

00:28:55,110 --> 00:28:53,360

it's the kind of thing it's kind of the

635

00:28:57,990 --> 00:28:55,120

kind of thing that i think about

636

00:28:58,310 --> 00:28:58,000

when i listen to uh people who are

637

00:29:01,350 --> 00:28:58,320

saying

638

00:29:04,710 --> 00:29:01,360

to compile

639

00:29:08,389 --> 00:29:04,720

databases using uh reports gathered

640

00:29:08,789 --> 00:29:08,399

by ufo researchers and they go and say

641

00:29:10,950 --> 00:29:08,799

well

642

00:29:12,549 --> 00:29:10,960

you know according to our preliminary

643

00:29:14,789 --> 00:29:12,559

studies we find that

644

00:29:15,990 --> 00:29:14,799

the united states is the country with

645

00:29:19,510 --> 00:29:16,000

the most amount of

646

00:29:22,630 --> 00:29:19,520

uh of ufo or

647

00:29:26,070 --> 00:29:22,640

ufo occupants reports they'll say well

648

00:29:27,430 --> 00:29:26,080

you know big surprise you're using the

649

00:29:31,110 --> 00:29:27,440

database from

650

00:29:31,990 --> 00:29:31,120

an american right you know and and what

651
00:29:38,870 --> 00:29:32,000
about

652
00:29:41,990 --> 00:29:38,880
uh also like you said you know have

653
00:29:43,830 --> 00:29:42,000
something uh extraordinary had happened

654
00:29:46,549 --> 00:29:43,840
to them but they didn't either have

655
00:29:47,750 --> 00:29:46,559
the time nor the inclination to actually

656
00:29:50,470 --> 00:29:47,760
file a report

657
00:29:52,470 --> 00:29:50,480
you know that's when talking about

658
00:29:55,350 --> 00:29:52,480
privilege you know

659
00:29:57,590 --> 00:29:55,360
the way that you you set your life in a

660
00:29:57,909 --> 00:29:57,600
way that you make your time to to devote

661
00:30:00,389 --> 00:29:57,919
it

662
00:30:02,070 --> 00:30:00,399
to ufo phenomena and sometimes people

663
00:30:04,789 --> 00:30:02,080

don't have that privilege

664

00:30:05,510 --> 00:30:04,799

even if they're well off maybe they they

665

00:30:08,789 --> 00:30:05,520

have to be

666

00:30:11,909 --> 00:30:08,799

very busy in order to you know

667

00:30:12,870 --> 00:30:11,919

take the kids to soccer practice and and

668

00:30:15,510 --> 00:30:12,880

then

669

00:30:17,269 --> 00:30:15,520

take the wife shopping to the mall and

670

00:30:20,710 --> 00:30:17,279

then they have to work uh

671

00:30:24,310 --> 00:30:20,720

you know uh eight days or seven

672

00:30:25,990 --> 00:30:24,320

seven days a week and at an office for i

673

00:30:28,230 --> 00:30:26,000

don't know eight ten hours

674

00:30:29,590 --> 00:30:28,240

and you know when that you're asking hey

675

00:30:32,870 --> 00:30:29,600

what do you think about your fault

676

00:30:34,630 --> 00:30:32,880

so i don't know you know

677

00:30:36,070 --> 00:30:34,640

why don't we talk about uh one division

678

00:30:37,750 --> 00:30:36,080

or or you know

679

00:30:39,350 --> 00:30:37,760

falcon on the winter solar is that you

680

00:30:42,710 --> 00:30:39,360

know let's talk about that

681

00:30:44,950 --> 00:30:42,720

so that's what i refer to you know the

682

00:30:46,389 --> 00:30:44,960

there's the ufo phenomenon is definitely

683

00:30:53,269 --> 00:30:46,399

a niche

684

00:30:55,510 --> 00:30:53,279

and and i think that happens across

685

00:30:58,789 --> 00:30:55,520

nations not only in the united states

686

00:30:59,509 --> 00:30:58,799

also in in latin america uh maybe even

687

00:31:01,990 --> 00:30:59,519

more so

688

00:31:03,509 --> 00:31:02,000

in places like latin america and other

689

00:31:04,310 --> 00:31:03,519
countries especially developing

690

00:31:07,909 --> 00:31:04,320
countries

691

00:31:12,470 --> 00:31:07,919
and i think that's something

692

00:31:15,509 --> 00:31:12,480
that you uh we should definitely try to

693

00:31:19,750 --> 00:31:15,519
correct that the idea that okay

694

00:31:22,549 --> 00:31:19,760
why is it that you ufo ufology is so

695

00:31:24,630 --> 00:31:22,559
american century why is it that we only

696

00:31:27,909 --> 00:31:24,640
hear the tales of american

697

00:31:29,350 --> 00:31:27,919
you know abductees or contactees or you

698

00:31:32,470 --> 00:31:29,360
follow jests

699

00:31:34,230 --> 00:31:32,480
you know and and and we don't hear too

700

00:31:38,549 --> 00:31:34,240
much about what happens

701
00:31:44,710 --> 00:31:41,590
economy politics uh

702
00:31:46,870 --> 00:31:44,720
and things like that

703
00:31:48,149 --> 00:31:46,880
have a heavy role you know or a heavy

704
00:31:51,350 --> 00:31:48,159
influence

705
00:31:52,950 --> 00:31:51,360
into that into the reason why our

706
00:31:56,070 --> 00:31:52,960
databases are so

707
00:31:59,190 --> 00:31:56,080
skewed our perception

708
00:32:00,149 --> 00:31:59,200
of of of the phenomenon is so so

709
00:32:02,630 --> 00:32:00,159
distorted

710
00:32:04,870 --> 00:32:02,640
it's like that uh you know that

711
00:32:08,070 --> 00:32:04,880
animation movie from a few years ago

712
00:32:09,190 --> 00:32:08,080
i think uh aliens versus monsters like

713
00:32:12,149 --> 00:32:09,200

say well you know

714

00:32:13,909 --> 00:32:12,159

i a ufo crash in the united states the

715

00:32:15,029 --> 00:32:13,919

only country in the world where ufos

716

00:32:18,389 --> 00:32:15,039

seems to crash

717

00:32:22,389 --> 00:32:18,399

like well maybe not necessarily i mean

718

00:32:25,830 --> 00:32:22,399

we hear stories about ufo crashes

719

00:32:28,310 --> 00:32:25,840

in peru or or mexico russia has a lot

720

00:32:31,750 --> 00:32:28,320

especially during the soviet times

721

00:32:34,310 --> 00:32:31,760

exactly but we're still

722

00:32:35,909 --> 00:32:34,320

you know like you said you know if you

723

00:32:38,389 --> 00:32:35,919

ask people hey

724

00:32:40,950 --> 00:32:38,399

tell me about the ufo case you know they

725

00:32:44,070 --> 00:32:40,960

will say oh we're roswell

726

00:32:47,509 --> 00:32:44,080

okay is it because roswell was the most

727

00:32:48,950 --> 00:32:47,519

important uh ufo case of all time or is

728

00:32:52,710 --> 00:32:48,960

it because

729

00:32:54,310 --> 00:32:52,720

due to economic influences it's the case

730

00:32:56,789 --> 00:32:54,320

that people have

731

00:32:57,830 --> 00:32:56,799

heard the most it's because there's the

732

00:33:00,549 --> 00:32:57,840

whole whole

733

00:33:01,990 --> 00:33:00,559

hollywood apparatus that is talking

734

00:33:03,750 --> 00:33:02,000

about oh yeah roswell

735

00:33:05,029 --> 00:33:03,760

the aliens that crash in rogue one area

736

00:33:07,909 --> 00:33:05,039

51 yeah yeah

737

00:33:09,509 --> 00:33:07,919

yeah yeah but you you have this all

738

00:33:11,669 --> 00:33:09,519

these millions and millions of dollars

739

00:33:14,230 --> 00:33:11,679

that are only repeating

740

00:33:14,710 --> 00:33:14,240

this sliver of narrative and they're

741

00:33:18,149 --> 00:33:14,720

leaving

742

00:33:20,950 --> 00:33:18,159

all these behind you know and and

743

00:33:21,350 --> 00:33:20,960

and that i think affects our perception

744

00:33:23,830 --> 00:33:21,360

of

745

00:33:26,870 --> 00:33:23,840

the phenomenon and also the way that

746

00:33:28,470 --> 00:33:26,880

people interact with the phenomenon

747

00:33:30,149 --> 00:33:28,480

well thank you for clarifying that can i

748

00:33:32,549 --> 00:33:30,159

ask you a quick question about

749

00:33:33,909 --> 00:33:32,559

uh what you were saying it was i believe

750

00:33:35,750 --> 00:33:33,919

it's before sometimes i get things

751

00:33:37,509 --> 00:33:35,760

confused before we went live

752

00:33:39,669 --> 00:33:37,519

you consider yourself what did you say

753

00:33:41,830 --> 00:33:39,679

you're 14

754

00:33:43,830 --> 00:33:41,840

yeah okay can you please maybe um kind

755

00:33:45,590 --> 00:33:43,840

of clarify what that is for those that

756

00:33:47,830 --> 00:33:45,600

might not have heard this before and

757

00:33:51,990 --> 00:33:47,840

what what does that mean sure

758

00:33:55,830 --> 00:33:52,000

sure uh for tien or fortianism

759

00:33:59,430 --> 00:33:55,840

uh is a direct reference to charles fort

760

00:34:02,789 --> 00:33:59,440

who was an american an american

761

00:34:06,470 --> 00:34:02,799

author econo class researcher uh

762

00:34:09,669 --> 00:34:06,480

that wrote in the i want to say

763

00:34:13,030 --> 00:34:09,679

early 20th century uh

764

00:34:15,829 --> 00:34:13,040

a a few very very influential books

765

00:34:16,470 --> 00:34:15,839

the the most uh famous one is the book

766

00:34:19,990 --> 00:34:16,480

of

767

00:34:22,869 --> 00:34:20,000

the damned like th this

768

00:34:24,149 --> 00:34:22,879

guy and and talking about a certain kind

769

00:34:27,829 --> 00:34:24,159

of privilege you know

770

00:34:31,430 --> 00:34:27,839

charles ford all he did

771

00:34:35,109 --> 00:34:31,440

you know for a living was going

772

00:34:39,669 --> 00:34:35,119

to the new york library every single day

773

00:34:42,869 --> 00:34:39,679

to go and read old newspapers

774

00:34:45,270 --> 00:34:42,879

uh all books like spent

775

00:34:46,389 --> 00:34:45,280

all his time there reading and taking

776
00:34:48,869 --> 00:34:46,399
notes

777
00:34:49,750 --> 00:34:48,879
you say well he was certainly uh you

778
00:34:52,869 --> 00:34:49,760
know rich

779
00:34:56,069 --> 00:34:52,879
well no he wasn't he he in

780
00:34:59,829 --> 00:34:56,079
managed to inherit a little bit of uh uh

781
00:35:03,030 --> 00:34:59,839
of of money and he decided

782
00:35:06,310 --> 00:35:03,040
to to uh

783
00:35:09,349 --> 00:35:06,320
use that money in in

784
00:35:10,870 --> 00:35:09,359
in a very frugal way in order to pursue

785
00:35:14,829 --> 00:35:10,880
his passion

786
00:35:18,069 --> 00:35:14,839
which was learning about this sort of

787
00:35:21,270 --> 00:35:18,079
historical facts that

788
00:35:22,150 --> 00:35:21,280

were recorded in a newspaper in

789

00:35:25,190 --> 00:35:22,160

chronicles

790

00:35:28,390 --> 00:35:25,200

of the time but

791

00:35:31,430 --> 00:35:28,400

that they were kind of like swept

792

00:35:32,310 --> 00:35:31,440

under the rock or relegated relegated to

793

00:35:35,670 --> 00:35:32,320

the sideways

794

00:35:40,710 --> 00:35:39,109

reigns of frogs or or mysterious

795

00:35:44,069 --> 00:35:40,720

disappearances

796

00:35:46,710 --> 00:35:44,079

you know or or uh

797

00:35:48,230 --> 00:35:46,720

strange lights in the sky or or cow

798

00:35:51,270 --> 00:35:48,240

mutilations

799

00:35:55,349 --> 00:35:51,280

etc etc so this is the first

800

00:35:58,950 --> 00:35:55,359

guy who started to kind of like say

801
00:36:01,829 --> 00:35:58,960
wait a minute you know why aren't we

802
00:36:02,790 --> 00:36:01,839
paying attention to this uh this

803
00:36:06,150 --> 00:36:02,800
happened

804
00:36:08,870 --> 00:36:06,160
and maybe if we paid attention

805
00:36:10,470 --> 00:36:08,880
to to these uh kind of like things that

806
00:36:12,470 --> 00:36:10,480
don't make any sense

807
00:36:13,990 --> 00:36:12,480
we might learn something something

808
00:36:18,069 --> 00:36:14,000
valuable about

809
00:36:21,349 --> 00:36:18,079
the universe and and in a way he

810
00:36:23,349 --> 00:36:21,359
kind of like paved the road for

811
00:36:26,150 --> 00:36:23,359
a lot of other people that following his

812
00:36:30,310 --> 00:36:26,160
steps and that's why uh

813
00:36:33,349 --> 00:36:30,320

a few people choose to call themselves

814

00:36:36,870 --> 00:36:33,359

14s or 14s depending on how you

815

00:36:39,990 --> 00:36:36,880

you you choose to to pronounce it

816

00:36:42,230 --> 00:36:40,000

and i to me that the main

817

00:36:44,310 --> 00:36:42,240

uh characteristic or the main difference

818

00:36:48,069 --> 00:36:44,320

between someone who calls

819

00:36:50,069 --> 00:36:48,079

themselves a 14 uh

820

00:36:52,069 --> 00:36:50,079

to someone who calls themselves simply

821

00:36:55,430 --> 00:36:52,079

oh well i'm a ufologist

822

00:36:58,470 --> 00:36:55,440

or i'm a cryptozoologist or i'm a

823

00:36:58,950 --> 00:36:58,480

you know i'm a ghost ghost hunter or or

824

00:37:03,910 --> 00:36:58,960

i'm a

825

00:37:07,589 --> 00:37:03,920

you know psychical researcher or xyz

826

00:37:08,150 --> 00:37:07,599

uh those guys they're only paying

827

00:37:11,510 --> 00:37:08,160

attention

828

00:37:15,109 --> 00:37:11,520

to these little little

829

00:37:18,230 --> 00:37:15,119

side or little piece of the pie

830

00:37:20,069 --> 00:37:18,240

and the portion said wait in order to

831

00:37:21,109 --> 00:37:20,079

really make sense of this we need to

832

00:37:24,230 --> 00:37:21,119

take

833

00:37:27,510 --> 00:37:24,240

the whole pie because

834

00:37:30,870 --> 00:37:27,520

all of these are related

835

00:37:31,589 --> 00:37:30,880

in a way that we just don't understand

836

00:37:35,430 --> 00:37:31,599

yet

837

00:37:39,270 --> 00:37:35,440

in other words ufos are

838

00:37:42,470 --> 00:37:39,280

related or connected to ufo

839

00:37:45,190 --> 00:37:42,480
ufo sightings and are related to

840

00:37:46,470 --> 00:37:45,200
religious operations and are related to

841

00:37:50,710 --> 00:37:46,480
ghost sightings

842

00:37:55,430 --> 00:37:50,720
and are related to reincarnation

843

00:37:58,790 --> 00:37:55,440
uh exp experiences near that experiences

844

00:38:00,230 --> 00:37:58,800
uh out-of-body experiences etc etc the

845

00:38:04,069 --> 00:38:00,240
fortion said

846

00:38:08,150 --> 00:38:04,079
all these all these

847

00:38:11,750 --> 00:38:08,160
is connected in ways that

848

00:38:15,270 --> 00:38:11,760
maybe we can only glimpse

849

00:38:18,390 --> 00:38:15,280
very very dimly because you know our

850

00:38:19,349 --> 00:38:18,400
the limitations of our of our brains of

851

00:38:22,550 --> 00:38:19,359

our understanding

852

00:38:25,910 --> 00:38:22,560

but in order to understand this

853

00:38:27,990 --> 00:38:25,920

we also need to take this into account

854

00:38:31,750 --> 00:38:28,000

otherwise we are really not going to

855

00:38:38,870 --> 00:38:35,190

oh okay sorry you could cut me off guard

856

00:38:40,950 --> 00:38:38,880

um no okay so basically it's um

857

00:38:42,230 --> 00:38:40,960

what i would always use the term uh

858

00:38:45,109 --> 00:38:42,240

metaphysics

859

00:38:46,710 --> 00:38:45,119

you know to kind of uh kind of put

860

00:38:51,510 --> 00:38:46,720

everything into perspective

861

00:38:53,910 --> 00:38:51,520

um so i wanted to then ask you

862

00:38:55,109 --> 00:38:53,920

how much you know and i don't apologize

863

00:38:58,470 --> 00:38:55,119

that i'm not

864

00:38:59,750 --> 00:38:58,480

very well versed in the in the things

865

00:39:02,310 --> 00:38:59,760

only in the research and the things

866

00:39:05,750 --> 00:39:02,320

you've written about but how opened

867

00:39:08,710 --> 00:39:05,760

uh is the the mexican government to ufos

868

00:39:10,069 --> 00:39:08,720

like how much are they willing to share

869

00:39:12,310 --> 00:39:10,079

because just recently you might have

870

00:39:14,069 --> 00:39:12,320

noticed you there's been a lot of little

871

00:39:15,990 --> 00:39:14,079

you know things dropped here and there

872

00:39:16,790 --> 00:39:16,000

and footage and acknowledgements by

873

00:39:18,550 --> 00:39:16,800

pentagon

874

00:39:20,150 --> 00:39:18,560

you know and that's sure kind of big

875

00:39:22,390 --> 00:39:20,160

news here in the united states but

876

00:39:26,390 --> 00:39:22,400

uh has the mexican government always

877

00:39:33,750 --> 00:39:30,550

the short answer is not really

878

00:39:36,870 --> 00:39:33,760

and to to elaborate on expand on that

879

00:39:40,710 --> 00:39:36,880

is uh i i always get a chuckle

880

00:39:43,270 --> 00:39:40,720

when i see in some documentary

881

00:39:44,790 --> 00:39:43,280

someone saying oh well there are

882

00:39:47,829 --> 00:39:44,800

governments out there

883

00:39:50,230 --> 00:39:47,839

that take the phenomenon seriously like

884

00:39:52,870 --> 00:39:50,240

the maxim the mexican government opened

885

00:39:56,069 --> 00:39:52,880

the ufo files you see

886

00:39:58,230 --> 00:39:56,079

and it's like no they didn't i mean

887

00:39:59,750 --> 00:39:58,240

what they are talking about is something

888

00:40:03,349 --> 00:39:59,760

that happened i guess

889

00:40:05,990 --> 00:40:03,359

i want to say 20 2006

890

00:40:08,829 --> 00:40:06,000

or maybe 2005 i'm not sure probably

891

00:40:13,030 --> 00:40:08,839

2006.

892

00:40:14,390 --> 00:40:13,040

uh to to give a bit a bit of historical

893

00:40:17,349 --> 00:40:14,400

context

894

00:40:18,030 --> 00:40:17,359

with the period between the year 2000

895

00:40:21,589 --> 00:40:18,040

and

896

00:40:24,470 --> 00:40:21,599

2006 is important in mexican history

897

00:40:26,710 --> 00:40:24,480

because it was the first time that a

898

00:40:27,510 --> 00:40:26,720

president that was not from the official

899

00:40:30,870 --> 00:40:27,520

party

900

00:40:31,910 --> 00:40:30,880

managed to win the presidency so that's

901
00:40:35,589 --> 00:40:31,920
when we

902
00:40:39,510 --> 00:40:35,599
mexico managed to

903
00:40:40,470 --> 00:40:39,520
uh enter democracy just in the 21st

904
00:40:44,550 --> 00:40:40,480
century

905
00:40:47,430 --> 00:40:44,560
before that it was a one rule

906
00:40:49,349 --> 00:40:47,440
uh party that it was some people call it

907
00:40:52,790 --> 00:40:49,359
the perfect dictatorship because

908
00:40:55,829 --> 00:40:52,800
they only like elected a new

909
00:40:58,950 --> 00:40:55,839
you know guy to the top

910
00:41:00,870 --> 00:40:58,960
from from the this party and all the

911
00:41:01,990 --> 00:41:00,880
elections were just the parts you know

912
00:41:05,589 --> 00:41:02,000
they're there

913
00:41:08,790 --> 00:41:05,599

and any kind of descent or any kind of

914

00:41:11,030 --> 00:41:08,800

uh uh political adversaries they were

915

00:41:14,470 --> 00:41:11,040

you know co-opted or silenced up

916

00:41:17,349 --> 00:41:14,480

or just killed so that was mexican

917

00:41:17,990 --> 00:41:17,359

mexican politics prior to the 21st

918

00:41:22,069 --> 00:41:18,000

century

919

00:41:25,670 --> 00:41:22,079

have our first

920

00:41:27,430 --> 00:41:25,680

truly democratic president and this guy

921

00:41:29,270 --> 00:41:27,440

wanted to make a difference and say well

922

00:41:31,589 --> 00:41:29,280

you know we are going to be

923

00:41:32,870 --> 00:41:31,599

different from our predecessors and

924

00:41:35,670 --> 00:41:32,880

that's when there was

925

00:41:36,950 --> 00:41:35,680

a very interesting event that happened

926

00:41:41,190 --> 00:41:36,960

involving

927

00:41:44,550 --> 00:41:41,200

uh members of the mexican military

928

00:41:48,150 --> 00:41:44,560

air forces that i think they were

929

00:41:51,190 --> 00:41:48,160

in the state of campeche

930

00:41:54,150 --> 00:41:51,200

which is in the uh southeast

931

00:41:56,710 --> 00:41:54,160

of mexico uh you know very close to the

932

00:41:59,349 --> 00:41:56,720

yucatan peninsula very close to well

933

00:42:00,309 --> 00:41:59,359

not that close but yeah like if you

934

00:42:03,030 --> 00:42:00,319

think cancan

935

00:42:04,950 --> 00:42:03,040

well kind of like you move a little bit

936

00:42:07,750 --> 00:42:04,960

to the to the west and and

937

00:42:09,910 --> 00:42:07,760

you can find campeche so they were these

938

00:42:12,630 --> 00:42:09,920

guys they were on patrol

939

00:42:13,750 --> 00:42:12,640

and and they saw using their their

940

00:42:16,309 --> 00:42:13,760

infrared uh

941

00:42:17,430 --> 00:42:16,319

systems they saw what they thought they

942

00:42:20,710 --> 00:42:17,440

were kind of like

943

00:42:24,309 --> 00:42:20,720

you know weird globes or or

944

00:42:27,030 --> 00:42:24,319

or or objects like they were following

945

00:42:28,390 --> 00:42:27,040

following their plane and they managed

946

00:42:31,670 --> 00:42:28,400

to record it

947

00:42:34,950 --> 00:42:31,680

and it was kind of like a a big thing

948

00:42:37,190 --> 00:42:34,960

because the president said okay we're go

949

00:42:38,790 --> 00:42:37,200

we are going to let civilian

950

00:42:42,470 --> 00:42:38,800

investigators

951
00:42:45,990 --> 00:42:42,480
to analyze what happened you know in

952
00:42:47,430 --> 00:42:46,000
in you know as a matter of uh political

953
00:42:50,470 --> 00:42:47,440
transparency

954
00:42:53,589 --> 00:42:50,480
like oh great so who

955
00:42:56,550 --> 00:42:53,599
did they choose uh to

956
00:42:57,589 --> 00:42:56,560
analyze this information well none other

957
00:43:00,790 --> 00:42:57,599
that

958
00:43:03,829 --> 00:43:00,800
than jaime mousan why because

959
00:43:05,190 --> 00:43:03,839
that she's the ufo guy right you know if

960
00:43:06,710 --> 00:43:05,200
you think of the people

961
00:43:08,550 --> 00:43:06,720
in mexico who are interested in the view

962
00:43:09,910 --> 00:43:08,560
of phenomenon well there's this guy

963
00:43:11,750 --> 00:43:09,920

hamilton you know he's been talking

964

00:43:14,230 --> 00:43:11,760

about ufos for 20 years

965

00:43:15,030 --> 00:43:14,240

let's give him the data you know and a

966

00:43:17,670 --> 00:43:15,040

lot of uh

967

00:43:19,270 --> 00:43:17,680

scientists and academicians they

968

00:43:21,109 --> 00:43:19,280

protested and said well he's not a

969

00:43:23,589 --> 00:43:21,119

scientist you know he's just uh

970

00:43:24,870 --> 00:43:23,599

a journalist he's just a a a show

971

00:43:28,309 --> 00:43:24,880

business man

972

00:43:31,109 --> 00:43:28,319

and and moussan

973

00:43:32,309 --> 00:43:31,119

using his very very questionable

974

00:43:35,589 --> 00:43:32,319

resources

975

00:43:38,870 --> 00:43:35,599

analyzed the the the video

976
00:43:41,589 --> 00:43:38,880
but more than more

977
00:43:43,910 --> 00:43:41,599
rather than actually making a scientific

978
00:43:46,309 --> 00:43:43,920
analysis he used that

979
00:43:47,190 --> 00:43:46,319
to you know for commercial purposes he

980
00:43:50,630 --> 00:43:47,200
used that

981
00:43:54,309 --> 00:43:50,640
to promote his tv shows

982
00:43:55,510 --> 00:43:54,319
uh you know and that's when people say

983
00:43:58,550 --> 00:43:55,520
well

984
00:44:00,230 --> 00:43:58,560
the the mexican government opened their

985
00:44:03,910 --> 00:44:00,240
ufo files well no

986
00:44:04,870 --> 00:44:03,920
they only open it once with that one

987
00:44:08,870 --> 00:44:04,880
case

988
00:44:13,109 --> 00:44:08,880

and i once read something on on a

989

00:44:16,390 --> 00:44:13,119

skeptic blog talking about how

990

00:44:19,589 --> 00:44:16,400

uh high members of the military

991

00:44:21,349 --> 00:44:19,599

mexican forces were so enraged by the

992

00:44:24,390 --> 00:44:21,359

way that jaime moussant had

993

00:44:27,829 --> 00:44:24,400

handled that case that they promised

994

00:44:30,550 --> 00:44:27,839

never ever again to disclose

995

00:44:31,510 --> 00:44:30,560

any ufo case to the public yeah and to

996

00:44:32,870 --> 00:44:31,520

my knowledge

997

00:44:34,870 --> 00:44:32,880

they never did that's unfortunate you

998

00:44:39,030 --> 00:44:34,880

know since 26

999

00:44:40,390 --> 00:44:39,040

2006 sorry well um

1000

00:44:42,470 --> 00:44:40,400

as you're telling me that i'm trying to

1001
00:44:44,230 --> 00:44:42,480
debate the debate in my head whether or

1002
00:44:45,589 --> 00:44:44,240
not i should go down this path but why

1003
00:44:48,470 --> 00:44:45,599
not it's not about

1004
00:44:50,550 --> 00:44:48,480
disparaging somebody but just it was a i

1005
00:44:52,230 --> 00:44:50,560
was wondering if you know or if you do

1006
00:44:54,870 --> 00:44:52,240
if you want to get into this

1007
00:44:55,990 --> 00:44:54,880
regarding this big reveal several years

1008
00:44:59,190 --> 00:44:56,000
back that

1009
00:45:02,630 --> 00:44:59,200
jaime had and there was

1010
00:45:04,550 --> 00:45:02,640
quite a stir regarding that would

1011
00:45:06,309 --> 00:45:04,560
do would you like to maybe expound on

1012
00:45:08,550 --> 00:45:06,319
that

1013
00:45:10,390 --> 00:45:08,560

are you talking about the roswell slide

1014

00:45:12,230 --> 00:45:10,400

yes

1015

00:45:13,910 --> 00:45:12,240

you know i don't know for those watching

1016

00:45:15,910 --> 00:45:13,920

maybe you can give a little background

1017

00:45:24,550 --> 00:45:15,920

if if that's okay uh just to hear it

1018

00:45:28,150 --> 00:45:26,309

you want to go to the national

1019

00:45:31,190 --> 00:45:28,160

auditorium to go and and

1020

00:45:34,230 --> 00:45:31,200

and watch time of some talk about about

1021

00:45:36,069 --> 00:45:34,240

aliens and he said yes because i mean my

1022

00:45:38,470 --> 00:45:36,079

cousin fernando god bless his soul he's

1023

00:45:41,750 --> 00:45:38,480

uh he's also been interested in in

1024

00:45:42,150 --> 00:45:41,760

ufo phenomenon uh since i was a kid you

1025

00:45:47,030 --> 00:45:42,160

know

1026

00:45:49,109 --> 00:45:47,040

he and i were very big fans

1027

00:45:50,309 --> 00:45:49,119

of moussan we wanted to be part of his

1028

00:45:52,870 --> 00:45:50,319

uh group of uh

1029

00:45:54,790 --> 00:45:52,880

sky watchers you know that's how big

1030

00:45:58,230 --> 00:45:54,800

fans of moussan

1031

00:46:01,589 --> 00:45:58,240

we were you know 20 25 years ago uh

1032

00:46:05,670 --> 00:46:01,599

but yeah i was there in 2005

1033

00:46:09,270 --> 00:46:05,680

or was it 2000 of and 15 i think it was

1034

00:46:11,670 --> 00:46:09,280

right 2015. uh we were there

1035

00:46:12,550 --> 00:46:11,680

at the national auditorium when when

1036

00:46:15,349 --> 00:46:12,560

moussan and

1037

00:46:19,430 --> 00:46:15,359

there were the the place was packed man

1038

00:46:22,390 --> 00:46:19,440

this is a big theater it's like um

1039

00:46:23,270 --> 00:46:22,400

damn ten thousand ten thousand seats i

1040

00:46:27,349 --> 00:46:23,280

think

1041

00:46:32,470 --> 00:46:27,359

uh and and it was packed and everybody

1042

00:46:38,710 --> 00:46:36,710

you know and and the guy was you know

1043

00:46:39,990 --> 00:46:38,720

he's a very good showman there's a

1044

00:46:43,510 --> 00:46:40,000

reason why the guy

1045

00:46:43,910 --> 00:46:43,520

has managed to stay where he is for so

1046

00:46:46,630 --> 00:46:43,920

long

1047

00:46:47,670 --> 00:46:46,640

because he really is a very good he

1048

00:46:51,990 --> 00:46:47,680

knows

1049

00:46:55,109 --> 00:46:52,000

television business

1050

00:46:55,750 --> 00:46:55,119

so he he gave a good show you know i

1051

00:46:59,030 --> 00:46:55,760

mean

1052

00:46:59,829 --> 00:46:59,040

he managed to spin this thing and then

1053

00:47:02,870 --> 00:46:59,839

show

1054

00:47:06,150 --> 00:47:02,880

uh this guy was that don schmidt

1055

00:47:09,190 --> 00:47:06,160

and and and the other guy uh

1056

00:47:10,230 --> 00:47:09,200

kerry or or uh don't schmidt call it i

1057

00:47:12,870 --> 00:47:10,240

don't remember his name

1058

00:47:13,589 --> 00:47:12,880

i i think i never occurred to remember

1059

00:47:15,190 --> 00:47:13,599

his name

1060

00:47:16,710 --> 00:47:15,200

and they were talking and they were

1061

00:47:21,349 --> 00:47:16,720

showing also all these

1062

00:47:23,430 --> 00:47:21,359

clips that they filmed with uh

1063

00:47:25,109 --> 00:47:23,440

the late dr edgar mitchell when they

1064

00:47:28,470 --> 00:47:25,119

went and talked to him about

1065

00:47:30,870 --> 00:47:28,480

oh yes how he he how he learned about

1066

00:47:33,430 --> 00:47:30,880

the old folks in in roswell about

1067

00:47:35,670 --> 00:47:33,440

the roswell crash and yada yada yada and

1068

00:47:36,549 --> 00:47:35,680

they show these clips of supposed

1069

00:47:39,750 --> 00:47:36,559

witnesses

1070

00:47:40,549 --> 00:47:39,760

and then after an hour or so of this

1071

00:47:43,589 --> 00:47:40,559

because this thing

1072

00:47:46,230 --> 00:47:43,599

lasted like easily three hours

1073

00:47:47,270 --> 00:47:46,240

easily three hours and and yeah i was

1074

00:47:49,510 --> 00:47:47,280

kind of like tweeting

1075

00:47:50,470 --> 00:47:49,520

live live trading with my friends in in

1076

00:47:52,630 --> 00:47:50,480

in the states of

1077

00:47:54,390 --> 00:47:52,640

what was happening was great because a

1078

00:47:57,030 --> 00:47:54,400

lot of some of them were actually

1079

00:47:58,069 --> 00:47:57,040

actually paid paid for the for the

1080

00:47:59,670 --> 00:47:58,079

streaming

1081

00:48:01,270 --> 00:47:59,680

oh yeah that's right the livestream was

1082

00:48:04,390 --> 00:48:01,280

happening too

1083

00:48:06,069 --> 00:48:04,400

right i think it cost like 20 or so

1084

00:48:07,910 --> 00:48:06,079

and some people were yeah they were

1085

00:48:09,510 --> 00:48:07,920

making having a great time you know i

1086

00:48:11,270 --> 00:48:09,520

don't know having some beers and making

1087

00:48:13,750 --> 00:48:11,280

a big laugh about all this

1088

00:48:15,030 --> 00:48:13,760

and then the moment when it happened and

1089

00:48:17,510 --> 00:48:15,040

they showed

1090

00:48:18,790 --> 00:48:17,520

at last what everybody you know or at

1091

00:48:23,589 --> 00:48:18,800

least people in the know

1092

00:48:27,750 --> 00:48:25,430

thing that looked for all intents and

1093

00:48:30,309 --> 00:48:27,760

purpose like a mummy

1094

00:48:33,030 --> 00:48:30,319

you know which had already leaked

1095

00:48:35,829 --> 00:48:33,040

because these guys were so careless

1096

00:48:37,109 --> 00:48:35,839

they only managed to to to they they

1097

00:48:40,710 --> 00:48:37,119

managed to show

1098

00:48:43,109 --> 00:48:40,720

like less than a second of the actual

1099

00:48:44,470 --> 00:48:43,119

slide in their trailer and someone you

1100

00:48:45,190 --> 00:48:44,480

know because the internet being the

1101
00:48:48,069 --> 00:48:45,200
internet

1102
00:48:48,390 --> 00:48:48,079
managed to grab it and and show it and

1103
00:48:49,990 --> 00:48:48,400
say

1104
00:48:51,829 --> 00:48:50,000
is this it this is what they're going to

1105
00:48:54,950 --> 00:48:51,839
show it just looks like

1106
00:48:56,870 --> 00:48:54,960
it doesn't look like a a a recovered

1107
00:48:58,069 --> 00:48:56,880
alien you know from a from a saucer

1108
00:49:00,230 --> 00:48:58,079
crash

1109
00:49:02,309 --> 00:49:00,240
and that's what they showed and then

1110
00:49:02,710 --> 00:49:02,319
they showed what it was some kind of

1111
00:49:06,710 --> 00:49:02,720
like

1112
00:49:09,430 --> 00:49:06,720
uh cgi reproduction of of of the alien

1113
00:49:10,390 --> 00:49:09,440

moving about very very very awkwardly

1114

00:49:14,470 --> 00:49:10,400

because he had

1115

00:49:16,710 --> 00:49:14,480

he had very very very very small

1116

00:49:18,150 --> 00:49:16,720

arms sorry sorry i had to but yeah i see

1117

00:49:21,270 --> 00:49:18,160

what you yeah the mic

1118

00:49:23,109 --> 00:49:21,280

but it was kind of like

1119

00:49:25,750 --> 00:49:23,119

ludicrous and then the piece of

1120

00:49:28,950 --> 00:49:25,760

resistance uh the idea that

1121

00:49:32,069 --> 00:49:28,960

uh the plakar that was next

1122

00:49:35,270 --> 00:49:32,079

to to the mummy or next to the

1123

00:49:38,150 --> 00:49:35,280

the alien uh oh oh oh i'm also

1124

00:49:40,549 --> 00:49:38,160

forgetting the fact that uh mel sand had

1125

00:49:43,190 --> 00:49:40,559

two guys one who was supposed to be some

1126

00:49:44,710 --> 00:49:43,200

kind of like a doctor a military doctor

1127

00:49:47,190 --> 00:49:44,720

who actually impressed me i don't

1128

00:49:48,150 --> 00:49:47,200

remember his name i i guess i i have it

1129

00:49:50,950 --> 00:49:48,160

on my notes

1130

00:49:53,190 --> 00:49:50,960

i i was you know right on my journal as

1131

00:49:57,190 --> 00:49:53,200

as all this was perspiring

1132

00:50:01,510 --> 00:49:57,200

and this guy like describing

1133

00:50:04,950 --> 00:50:01,520

the kind of like anatomical anomalies

1134

00:50:08,309 --> 00:50:04,960

that he supposedly could interpret

1135

00:50:11,829 --> 00:50:08,319

from the the this very

1136

00:50:14,950 --> 00:50:11,839

very blurry you know kodachrome slide

1137

00:50:17,990 --> 00:50:14,960

saying well you know we can see that

1138

00:50:19,589 --> 00:50:18,000

this and this and this is very different

1139

00:50:22,630 --> 00:50:19,599

and very strange

1140

00:50:25,670 --> 00:50:22,640

and doesn't really uh

1141

00:50:27,270 --> 00:50:25,680

relate to what we know about human

1142

00:50:29,109 --> 00:50:27,280

anatomy and it was

1143

00:50:30,630 --> 00:50:29,119

it was kind of impressive like say well

1144

00:50:33,589 --> 00:50:30,640

you know i mean this guy

1145

00:50:35,910 --> 00:50:33,599

probably knows a lot more about biology

1146

00:50:37,829 --> 00:50:35,920

and physiology and medicine anatomy than

1147

00:50:39,430 --> 00:50:37,839

i do so

1148

00:50:41,030 --> 00:50:39,440

i have to give him the benefit of the

1149

00:50:43,750 --> 00:50:41,040

doubt right and then

1150

00:50:45,349 --> 00:50:43,760

other guys saying things about i don't

1151

00:50:47,109 --> 00:50:45,359

know

1152

00:50:50,069 --> 00:50:47,119

i don't remember genetic analysis or

1153

00:50:53,190 --> 00:50:50,079

something to that effect

1154

00:50:53,750 --> 00:50:53,200

but yeah moussan's saying that they

1155

00:50:57,270 --> 00:50:53,760

haven't

1156

00:50:59,430 --> 00:50:57,280

managed to to to decipher

1157

00:51:01,990 --> 00:50:59,440

whatever it said in the in the little

1158

00:51:05,349 --> 00:51:02,000

big uh little placard

1159

00:51:06,230 --> 00:51:05,359

you know uh next to the the the next to

1160

00:51:09,670 --> 00:51:06,240

the alien

1161

00:51:11,990 --> 00:51:09,680

because they they like focused

1162

00:51:13,910 --> 00:51:12,000

more of their their their efforts in

1163

00:51:17,829 --> 00:51:13,920

trying to connect

1164

00:51:21,829 --> 00:51:17,839

these uh these kodakram slides

1165

00:51:22,470 --> 00:51:21,839

to these people that supposedly were mem

1166

00:51:25,990 --> 00:51:22,480

friends

1167

00:51:27,990 --> 00:51:26,000

of harry truman so

1168

00:51:29,910 --> 00:51:28,000

you see the idea of the will to believe

1169

00:51:33,589 --> 00:51:29,920

like connecting the dots you know

1170

00:51:37,829 --> 00:51:33,599

going from a to b to f

1171

00:51:41,430 --> 00:51:37,839

just by you know jumping to conclusions

1172

00:51:44,309 --> 00:51:41,440

and to make a very very long story short

1173

00:51:45,990 --> 00:51:44,319

uh jaime moussan didn't want actually to

1174

00:51:47,829 --> 00:51:46,000

show the second slide

1175

00:51:49,910 --> 00:51:47,839

he was kind of like forced to because

1176
00:51:51,109 --> 00:51:49,920
people in the public were like saying so

1177
00:51:51,910 --> 00:51:51,119
what's the second flight show on the

1178
00:51:56,150 --> 00:51:51,920
second slide

1179
00:51:59,430 --> 00:51:56,160
said that uh

1180
00:52:00,630 --> 00:51:59,440
second slide was kind of like even worse

1181
00:52:03,670 --> 00:52:00,640
than the first

1182
00:52:07,589 --> 00:52:03,680
it was actually wasn't and then

1183
00:52:11,109 --> 00:52:07,599
like less than 48 hours later

1184
00:52:14,069 --> 00:52:11,119
uh people some people that i actually

1185
00:52:15,829 --> 00:52:14,079
are friends with managed to decipher the

1186
00:52:19,030 --> 00:52:15,839
the placard using

1187
00:52:19,910 --> 00:52:19,040
you know software to show that that it

1188
00:52:23,030 --> 00:52:19,920

said

1189

00:52:25,270 --> 00:52:23,040

the mummy of a child that was found

1190

00:52:26,150 --> 00:52:25,280

at the mesa birthday archaeological

1191

00:52:29,109 --> 00:52:26,160

sites

1192

00:52:30,470 --> 00:52:29,119

you know and and you know the the

1193

00:52:37,030 --> 00:52:30,480

mystery was over

1194

00:52:40,230 --> 00:52:37,040

in the united states jaime moussan was

1195

00:52:42,630 --> 00:52:40,240

insisting that no uh this is still

1196

00:52:44,309 --> 00:52:42,640

something anomalous and maybe even if it

1197

00:52:47,910 --> 00:52:44,319

wasn't actually recovered

1198

00:52:50,309 --> 00:52:47,920

from the roswell crash uh maybe

1199

00:52:51,190 --> 00:52:50,319

it was some kind of like alien like some

1200

00:52:54,309 --> 00:52:51,200

kind of ancient

1201
00:52:55,430 --> 00:52:54,319
alien that was that had been found by

1202
00:52:59,030 --> 00:52:55,440
the archaeologist

1203
00:53:00,950 --> 00:52:59,040
at the mesa verde site so

1204
00:53:04,069 --> 00:53:00,960
the show must go on man you know it's

1205
00:53:07,109 --> 00:53:04,079
kind of like with these guys is like

1206
00:53:08,470 --> 00:53:07,119
there is this need to keep feeding the

1207
00:53:11,589 --> 00:53:08,480
machine

1208
00:53:15,030 --> 00:53:11,599
you know keep showing

1209
00:53:18,710 --> 00:53:15,040
something to the public that they cannot

1210
00:53:20,630 --> 00:53:18,720
or once go and say you know what

1211
00:53:22,309 --> 00:53:20,640
i guess we were wrong you know i guess

1212
00:53:23,430 --> 00:53:22,319
we were wrong this time guys we were

1213
00:53:28,150 --> 00:53:23,440

fooled

1214

00:53:30,950 --> 00:53:28,160

uh we you know we we had wrong

1215

00:53:31,750 --> 00:53:30,960

assessment okay let's keep looking no

1216

00:53:34,390 --> 00:53:31,760

with these guys

1217

00:53:35,750 --> 00:53:34,400

they like little people like hamilton

1218

00:53:38,790 --> 00:53:35,760

they double down

1219

00:53:39,349 --> 00:53:38,800

and and uh to my knowledge i don't know

1220

00:53:42,870 --> 00:53:39,359

if he

1221

00:53:45,750 --> 00:53:42,880

has ever accepted the fact that you know

1222

00:53:47,270 --> 00:53:45,760

the roswell slides were nothing but you

1223

00:53:48,790 --> 00:53:47,280

know some kind of like

1224

00:53:50,390 --> 00:53:48,800

i don't want to say it was a hoax i

1225

00:53:53,430 --> 00:53:50,400

think it was something

1226
00:53:57,030 --> 00:53:53,440
that was concocted by someone who had

1227
00:53:58,870 --> 00:53:57,040
found it and

1228
00:54:01,430 --> 00:53:58,880
thought it was kind of interesting and

1229
00:54:04,390 --> 00:54:01,440
show it to people who are so obsessed

1230
00:54:05,829 --> 00:54:04,400
with the roswell story that they jumped

1231
00:54:09,109 --> 00:54:05,839
into those conclusions and

1232
00:54:12,870 --> 00:54:09,119
say oh my god this could be proof

1233
00:54:13,510 --> 00:54:12,880
of alien bodies recovered the roswell

1234
00:54:15,190 --> 00:54:13,520
crash and

1235
00:54:17,190 --> 00:54:15,200
and because they are so obsessed with

1236
00:54:19,030 --> 00:54:17,200
that they have lost

1237
00:54:21,510 --> 00:54:19,040
all perspective you know and they and

1238
00:54:23,829 --> 00:54:21,520

and the whole thing ballooned

1239

00:54:25,190 --> 00:54:23,839

out of proportion you know the idea of

1240

00:54:28,069 --> 00:54:25,200

showing this

1241

00:54:29,829 --> 00:54:28,079

in some in a live event at a mexico

1242

00:54:33,589 --> 00:54:29,839

auditorium instead of

1243

00:54:36,230 --> 00:54:33,599

showing it to independent scientists

1244

00:54:37,270 --> 00:54:36,240

who could have easily said you know no

1245

00:54:44,150 --> 00:54:37,280

this is

1246

00:54:45,589 --> 00:54:44,160

but no these guys were obsessed with

1247

00:54:48,390 --> 00:54:45,599

their secrecy

1248

00:54:49,190 --> 00:54:48,400

and they're not showing their cards and

1249

00:54:52,470 --> 00:54:49,200

i remember

1250

00:54:55,109 --> 00:54:52,480

anthony bragalia uh

1251
00:54:55,990 --> 00:54:55,119
criticizing and attacking anyone who

1252
00:54:59,750 --> 00:54:56,000
dare

1253
00:55:02,710 --> 00:54:59,760
to to show some kind of like uh

1254
00:55:04,789 --> 00:55:02,720
criticism saying well wait a minute that

1255
00:55:07,829 --> 00:55:04,799
that doesn't look like what you

1256
00:55:12,069 --> 00:55:07,839
wanted to be you know uh

1257
00:55:14,630 --> 00:55:12,079
so the will to believe there uh

1258
00:55:15,990 --> 00:55:14,640
it was wild man i don't know what to me

1259
00:55:18,470 --> 00:55:16,000
i i don't i don't

1260
00:55:20,309 --> 00:55:18,480
regret going there because for better

1261
00:55:22,870 --> 00:55:20,319
for was it was historical

1262
00:55:24,150 --> 00:55:22,880
not the way in the way that these guys

1263
00:55:25,030 --> 00:55:24,160

were claiming it was going to be

1264

00:55:28,230 --> 00:55:25,040

historical

1265

00:55:30,549 --> 00:55:28,240

you know it was it was uh

1266

00:55:31,349 --> 00:55:30,559

but it was historical nonetheless

1267

00:55:34,470 --> 00:55:31,359

because it

1268

00:55:36,230 --> 00:55:34,480

kind of like went to show maybe it was

1269

00:55:37,829 --> 00:55:36,240

kind of like there was some kind of like

1270

00:55:41,829 --> 00:55:37,839

before and after

1271

00:55:44,950 --> 00:55:41,839

in in american ufology due to that event

1272

00:55:48,150 --> 00:55:44,960

uh you know that uh

1273

00:55:50,150 --> 00:55:48,160

that some people said you know this is

1274

00:55:52,870 --> 00:55:50,160

this is really getting out of control

1275

00:55:56,630 --> 00:55:52,880

and also it was a good example of how

1276

00:55:59,829 --> 00:55:56,640

uh how powerful crowd

1277

00:56:03,510 --> 00:55:59,839

efforts uh in the internet

1278

00:56:05,990 --> 00:56:03,520

can be in order to solve solve this kind

1279

00:56:09,030 --> 00:56:06,000

of mysteries because this was solved

1280

00:56:10,549 --> 00:56:09,040

by a group of independent uh i don't

1281

00:56:11,990 --> 00:56:10,559

want to see researchers you know it's a

1282

00:56:15,030 --> 00:56:12,000

group of independent

1283

00:56:17,670 --> 00:56:15,040

uh people interested in the field using

1284

00:56:18,230 --> 00:56:17,680

social media tools and all using using

1285

00:56:21,270 --> 00:56:18,240

um

1286

00:56:23,910 --> 00:56:21,280

online tools in order to go and make

1287

00:56:26,230 --> 00:56:23,920

some kind of group effort which in this

1288

00:56:28,470 --> 00:56:26,240

case turned out to be very effective

1289

00:56:31,270 --> 00:56:28,480

and other instances in which

1290

00:56:33,670 --> 00:56:31,280

crowdsourcing

1291

00:56:35,030 --> 00:56:33,680

efforts in ufology have been effective

1292

00:56:37,670 --> 00:56:35,040

have been with

1293

00:56:38,789 --> 00:56:37,680

it has to be said you know mick west's

1294

00:56:41,589 --> 00:56:38,799

metabonk

1295

00:56:42,630 --> 00:56:41,599

you know that he uses his group of

1296

00:56:46,309 --> 00:56:42,640

skeptics

1297

00:56:49,430 --> 00:56:46,319

in order to go and try to analyze

1298

00:56:52,309 --> 00:56:49,440

alleged uh ufos

1299

00:56:53,030 --> 00:56:52,319

in videos like for example the video

1300

00:56:56,710 --> 00:56:53,040

that was

1301

00:57:00,789 --> 00:56:56,720

presented by leslie king that

1302

00:57:03,670 --> 00:57:00,799

was given to her by this chilean

1303

00:57:04,549 --> 00:57:03,680

group of uh researchers it's called the

1304

00:57:09,190 --> 00:57:04,559

separa

1305

00:57:11,670 --> 00:57:09,200

it's an actually a an official body

1306

00:57:12,789 --> 00:57:11,680

that is connected to the civilian

1307

00:57:17,510 --> 00:57:12,799

chilean air force

1308

00:57:19,030 --> 00:57:17,520

i think uh maybe i'm i'm wrong but uh

1309

00:57:20,630 --> 00:57:19,040

it has some kind of like official

1310

00:57:23,510 --> 00:57:20,640

capacity and they go

1311

00:57:25,349 --> 00:57:23,520

and they analyze ufo cases and there was

1312

00:57:27,750 --> 00:57:25,359

this video that was taken by

1313

00:57:28,630 --> 00:57:27,760

a helicopter of something that they

1314

00:57:31,750 --> 00:57:28,640

concluded

1315

00:57:32,230 --> 00:57:31,760

that it was a true anomalous uh event a

1316

00:57:35,109 --> 00:57:32,240

true

1317

00:57:37,190 --> 00:57:35,119

ufo or something that was unidentified

1318

00:57:40,069 --> 00:57:37,200

and mick west and his group of uh

1319

00:57:41,430 --> 00:57:40,079

you know of uh crowdsourcer the skeptics

1320

00:57:43,510 --> 00:57:41,440

managed to debunk it

1321

00:57:45,430 --> 00:57:43,520

and said no this is just you know a

1322

00:57:48,470 --> 00:57:45,440

plane that is dumping

1323

00:57:51,750 --> 00:57:48,480

uh their their uh their fuel

1324

00:57:54,150 --> 00:57:51,760

case closed you know and

1325

00:57:55,109 --> 00:57:54,160

one has to applaud those kind of efforts

1326

00:57:58,390 --> 00:57:55,119

to be

1327

00:58:01,670 --> 00:57:58,400

if if one was one if one wants

1328

00:58:03,990 --> 00:58:01,680

ufology to move forward instead of just

1329

00:58:06,150 --> 00:58:04,000

peddling peddling stories like mousan

1330

00:58:09,430 --> 00:58:06,160

has done you know for 25 years

1331

00:58:13,190 --> 00:58:09,440

one has to use these kind of tools

1332

00:58:16,470 --> 00:58:13,200

in order to say well you know

1333

00:58:17,270 --> 00:58:16,480

this this is solved this is a case

1334

00:58:20,390 --> 00:58:17,280

closed

1335

00:58:22,710 --> 00:58:20,400

let's move on to the next one i am

1336

00:58:23,430 --> 00:58:22,720

um as we're speaking because i wasn't

1337

00:58:25,990 --> 00:58:23,440

really

1338

00:58:26,870 --> 00:58:26,000

prepped or prepared i'm kind of looking

1339

00:58:30,309 --> 00:58:26,880

to

1340

00:58:32,390 --> 00:58:30,319

because

1341

00:58:33,670 --> 00:58:32,400

this has been a while some people might

1342

00:58:35,750 --> 00:58:33,680

not know

1343

00:58:36,870 --> 00:58:35,760

what i'm referring to i found something

1344

00:58:40,710 --> 00:58:36,880

but i wasn't

1345

00:58:42,470 --> 00:58:40,720

sure if that was it um

1346

00:58:44,150 --> 00:58:42,480

were you i mean i hate to do this while

1347

00:58:46,230 --> 00:58:44,160

we're live uh can i

1348

00:58:47,829 --> 00:58:46,240

send you a picture real quick and have

1349

00:58:49,589 --> 00:58:47,839

you confirmed whether or not this one is

1350

00:58:51,349 --> 00:58:49,599

it so i can maybe share with everyone

1351

00:58:55,349 --> 00:58:51,359

watching

1352

00:58:55,829 --> 00:58:55,359

sure uh let me see i hope this is not

1353

00:58:58,390 --> 00:58:55,839

gonna

1354

00:58:58,950 --> 00:58:58,400

disconnect you no it's not that we're

1355

00:59:02,470 --> 00:58:58,960

great

1356

00:59:04,150 --> 00:59:02,480

we're going live folks yeah uh

1357

00:59:07,109 --> 00:59:04,160

there you go i just sent it to you so

1358

00:59:10,069 --> 00:59:07,119

what i'm trying to do is uh to find

1359

00:59:10,470 --> 00:59:10,079

the right yeah that's uh our good friend

1360

00:59:13,750 --> 00:59:10,480

uh

1361

00:59:17,349 --> 00:59:13,760

yeah that's the wrong well is that it

1362

00:59:18,950 --> 00:59:17,359

yeah sure okay let me sorry i told i did

1363

00:59:21,030 --> 00:59:18,960

not expect to share

1364

00:59:22,630 --> 00:59:21,040

any of this or to share my browser

1365

00:59:25,510 --> 00:59:22,640

usually have it uh prepped

1366

00:59:28,150 --> 00:59:25,520

otherwise it's it's uh it's very

1367

00:59:31,270 --> 00:59:28,160

difficult to

1368

00:59:33,270 --> 00:59:31,280

get it to display properly so let's see

1369

00:59:37,190 --> 00:59:33,280

if this is gonna work

1370

01:00:02,630 --> 00:59:40,309

all right sorry everyone i'm

1371

01:00:06,950 --> 01:00:05,349

these little you know alien yeah hold on

1372

01:00:07,510 --> 01:00:06,960

one quick second i'm sorry i had to add

1373

01:00:09,750 --> 01:00:07,520

to him

1374

01:00:11,510 --> 01:00:09,760

so everyone watching i apologize i'm

1375

01:00:12,630 --> 01:00:11,520

gonna have to switch the slide but i

1376

01:00:15,829 --> 01:00:12,640

don't have any audio

1377

01:00:19,109 --> 01:00:15,839

either from me or um

1378

01:00:21,670 --> 01:00:19,119

rpg so you you're not

1379

01:00:23,270 --> 01:00:21,680

if you didn't lose this stream just uh

1380

01:00:24,470 --> 01:00:23,280

sit tight i just want to bring in that

1381

01:00:25,589 --> 01:00:24,480

side because i really would like to show

1382

01:00:27,910 --> 01:00:25,599

you the photos so

1383

01:00:43,270 --> 01:00:27,920

it might go dark but we're still here so

1384

01:00:47,349 --> 01:00:43,280

sit tight

1385

01:00:50,870 --> 01:00:47,359

okay there we go we are

1386

01:00:54,390 --> 01:00:50,880

we are back and um

1387

01:00:55,990 --> 01:00:54,400

so uh i'm miguel i apologize i said your

1388

01:00:58,150 --> 01:00:56,000

name rpg um

1389

01:00:59,430 --> 01:00:58,160

so uh you know i was just gonna say

1390

01:01:00,789 --> 01:00:59,440

because right now you can't see it

1391

01:01:02,710 --> 01:01:00,799

they cannot hear you i'll switch you

1392

01:01:06,870 --> 01:01:02,720

back here very soon but this is the

1393

01:01:08,789 --> 01:01:06,880

photo that i had just sent out

1394

01:01:11,030 --> 01:01:08,799

let me see if i can maybe zoom in a

1395

01:01:14,390 --> 01:01:11,040

little bit more

1396

01:01:15,109 --> 01:01:14,400

so this is the the the evidence in

1397

01:01:17,750 --> 01:01:15,119

question

1398

01:01:19,589 --> 01:01:17,760

i guess this is what uh what's what was

1399

01:01:21,430 --> 01:01:19,599

presented at that time and so

1400

01:01:23,990 --> 01:01:21,440

just to give you a little reference what

1401

01:01:27,430 --> 01:01:24,000

rpg just talked about

1402

01:01:30,470 --> 01:01:27,440

all right let's get back to

1403

01:01:32,069 --> 01:01:30,480

my usual setup there we go and um so

1404

01:01:34,710 --> 01:01:32,079

anyway yeah i remember

1405

01:01:36,069 --> 01:01:34,720

there was just a little bit of a i

1406

01:01:39,589 --> 01:01:36,079

wouldn't call it a fallout

1407

01:01:43,030 --> 01:01:39,599

but it was just um um a lot of

1408

01:01:44,789 --> 01:01:43,040

people that uh i mean they're

1409

01:01:46,789 --> 01:01:44,799

i don't want to name any names it's just

1410

01:01:49,030 --> 01:01:46,799

they're very solid researchers

1411

01:01:50,789 --> 01:01:49,040

that later on i found out were invited

1412

01:01:51,990 --> 01:01:50,799

to go down there but they didn't have

1413

01:01:53,750 --> 01:01:52,000

much information

1414

01:01:55,029 --> 01:01:53,760

and they were just kind of uh there was

1415

01:01:56,950 --> 01:01:55,039

the first time that they were really

1416

01:01:57,670 --> 01:01:56,960

kind of seeing what this evidence and

1417

01:01:59,589 --> 01:01:57,680

photo is

1418

01:02:00,870 --> 01:01:59,599

to be analyzed and just the fact that

1419

01:02:02,710 --> 01:02:00,880

they went down there to

1420

01:02:04,950 --> 01:02:02,720

to look at it or research it they were

1421

01:02:06,950 --> 01:02:04,960

already kind of put in that bubble

1422

01:02:08,549 --> 01:02:06,960

to say you know well you're supporting

1423

01:02:09,990 --> 01:02:08,559

this therefore you have fraud with them

1424

01:02:10,630 --> 01:02:10,000

you know and it was very unfortunate

1425

01:02:12,150 --> 01:02:10,640

because

1426

01:02:14,230 --> 01:02:12,160

it took a while for them to kind of

1427

01:02:15,190 --> 01:02:14,240

distance themselves from from that whole

1428

01:02:17,029 --> 01:02:15,200

fiasco

1429

01:02:18,630 --> 01:02:17,039

i'll i'll do the work for you while

1430

01:02:20,870 --> 01:02:18,640

you're you are referring to

1431

01:02:22,390 --> 01:02:20,880

mr richard dolan who is actually a

1432

01:02:26,230 --> 01:02:22,400

person that i still

1433

01:02:29,589 --> 01:02:26,240

respect in the field despite uh

1434

01:02:33,670 --> 01:02:29,599

what some of my colleagues

1435

01:02:36,789 --> 01:02:33,680

think of him yeah i mean

1436

01:02:39,430 --> 01:02:36,799

you know richard richard to put it

1437

01:02:40,630 --> 01:02:39,440

uh mightily yeah is he screwed up

1438

01:02:44,230 --> 01:02:40,640

because

1439

01:02:47,270 --> 01:02:44,240

he trusted in these colleagues of him

1440

01:02:48,390 --> 01:02:47,280

saying to him hey there's gonna be this

1441

01:02:51,510 --> 01:02:48,400

event in mexico

1442

01:02:53,670 --> 01:02:51,520

and and we have this evidence

1443

01:02:55,589 --> 01:02:53,680

that we really think is the real thing

1444

01:02:58,630 --> 01:02:55,599

man will you come

1445

01:02:59,270 --> 01:02:58,640

uh you know to mexico to unveil this

1446

01:03:02,630 --> 01:02:59,280

thing

1447

01:03:05,910 --> 01:03:02,640

and and and richard i really think

1448

01:03:07,829 --> 01:03:05,920

he wasn't moved by uh

1449

01:03:09,510 --> 01:03:07,839

monetary reasons he wasn't in there for

1450

01:03:12,470 --> 01:03:09,520

the money i think

1451

01:03:14,150 --> 01:03:12,480

he was there because uh i guess well i

1452

01:03:15,750 --> 01:03:14,160

guess you know i want to go to mexico

1453

01:03:18,710 --> 01:03:15,760

i've never been to mexico and

1454

01:03:20,470 --> 01:03:18,720

and these guys these guys that i trust

1455

01:03:21,990 --> 01:03:20,480

uh they're telling me that this is

1456

01:03:25,029 --> 01:03:22,000

really important

1457

01:03:27,829 --> 01:03:25,039

sure you know and he was

1458

01:03:29,670 --> 01:03:27,839

caught you know in the whirlwind of it

1459

01:03:32,390 --> 01:03:29,680

but he was among the first

1460

01:03:33,750 --> 01:03:32,400

to say when when when the evidence was

1461

01:03:36,150 --> 01:03:33,760

was finally

1462

01:03:37,430 --> 01:03:36,160

when the evidence finally surfaced he

1463

01:03:40,470 --> 01:03:37,440

wants he was

1464

01:03:41,109 --> 01:03:40,480

among the first to say yeah this is not

1465

01:03:44,630 --> 01:03:41,119

really

1466

01:03:47,349 --> 01:03:44,640

what we thought it was this is clearly

1467

01:03:49,109 --> 01:03:47,359

just the mummy of a child right you know

1468

01:03:50,789 --> 01:03:49,119

well my understanding was and i don't

1469

01:03:53,270 --> 01:03:50,799

know i guess

1470

01:03:54,150 --> 01:03:53,280

it's hard to describe to people that are

1471

01:03:57,430 --> 01:03:54,160

that kind of

1472

01:03:59,190 --> 01:03:57,440

just watching it's um he was

1473

01:04:00,870 --> 01:03:59,200

my understanding at that time and i

1474

01:04:01,829 --> 01:04:00,880

could be wrong so there's that

1475

01:04:04,309 --> 01:04:01,839

possibility too

1476

01:04:06,230 --> 01:04:04,319

that it was just word of mouth we have

1477

01:04:07,750 --> 01:04:06,240

this come on down take a look at it but

1478

01:04:10,710 --> 01:04:07,760

then it turned into this

1479

01:04:12,470 --> 01:04:10,720

huge like it's also a reveal and it's

1480

01:04:13,910 --> 01:04:12,480

almost like well hold on

1481

01:04:16,230 --> 01:04:13,920

this is the first time i'm looking at

1482

01:04:17,109 --> 01:04:16,240

this as well so but they kind of kind of

1483

01:04:19,910 --> 01:04:17,119

tagged them

1484

01:04:21,750 --> 01:04:19,920

onto that but you know because i respect

1485

01:04:22,470 --> 01:04:21,760

you know richard greatly and it's just i

1486

01:04:24,870 --> 01:04:22,480

remember

1487

01:04:26,470 --> 01:04:24,880

it was just a small exchange it was just

1488

01:04:28,069 --> 01:04:26,480

over text about

1489

01:04:29,510 --> 01:04:28,079

look i understand what you're saying i'm

1490

01:04:31,829 --> 01:04:29,520

behind you 100 percent

1491

01:04:34,069 --> 01:04:31,839

and i'm sorry this has happened you know

1492

01:04:35,510 --> 01:04:34,079

i mean how else is a researcher other

1493

01:04:38,390 --> 01:04:35,520

than to go down

1494

01:04:39,349 --> 01:04:38,400

and look at it you know going to do the

1495

01:04:41,270 --> 01:04:39,359

research right

1496

01:04:43,270 --> 01:04:41,280

and so anyway um because they didn't

1497

01:04:45,430 --> 01:04:43,280

really release it to anyone they didn't

1498

01:04:46,870 --> 01:04:45,440

send it to anybody else it was like you

1499

01:04:49,589 --> 01:04:46,880

know tight knit

1500

01:04:51,829 --> 01:04:49,599

you know it was yes nobody knew what is

1501

01:04:53,990 --> 01:04:51,839

this great thing that they have so

1502

01:04:55,430 --> 01:04:54,000

and yeah they were so obsessed uh they

1503

01:04:57,750 --> 01:04:55,440

were so obsessed

1504

01:04:59,109 --> 01:04:57,760

with trying to keep a lead on the on on

1505

01:05:02,150 --> 01:04:59,119

this man

1506

01:05:02,710 --> 01:05:02,160

that you're right they didn't they tried

1507

01:05:05,349 --> 01:05:02,720

to not

1508

01:05:05,910 --> 01:05:05,359

show it to anyone they didn't even they

1509

01:05:09,270 --> 01:05:05,920

didn't

1510

01:05:12,069 --> 01:05:09,280

even show it to richard until he was

1511

01:05:12,870 --> 01:05:12,079

in mexico and and this is one of the

1512

01:05:16,630 --> 01:05:12,880

reasons

1513

01:05:19,109 --> 01:05:16,640

why you uh and i hate to say it because

1514

01:05:21,589 --> 01:05:19,119

people people say i'm being overly

1515

01:05:22,230 --> 01:05:21,599

critical but this is one of the reasons

1516

01:05:27,029 --> 01:05:22,240

why

1517

01:05:30,230 --> 01:05:27,039

ufology is a pseudoscience right

1518

01:05:32,870 --> 01:05:30,240

because it doesn't follow proper

1519

01:05:33,589 --> 01:05:32,880

scientific property protocols and one of

1520

01:05:37,190 --> 01:05:33,599

the proper

1521

01:05:40,950 --> 01:05:37,200

scientific protocols is you show your

1522

01:05:43,990 --> 01:05:40,960

evidence to peers in order for them

1523

01:05:45,750 --> 01:05:44,000

to break it apart

1524

01:05:47,029 --> 01:05:45,760

right yeah if you're claiming that you

1525

01:05:49,190 --> 01:05:47,039

have something physical

1526

01:05:50,150 --> 01:05:49,200

or whether it's photographs artifacts

1527

01:05:51,750 --> 01:05:50,160

whatever

1528

01:05:53,270 --> 01:05:51,760

uh well anyway so i wanted you to talk

1529

01:05:56,630 --> 01:05:53,280

about it because it happened

1530

01:05:58,390 --> 01:05:56,640

in mexico it was where you were at and

1531

01:06:01,589 --> 01:05:58,400

so i figured from a

1532

01:06:02,390 --> 01:06:01,599

um you know first eyewitness uh

1533

01:06:04,549 --> 01:06:02,400

perspective

1534

01:06:05,910 --> 01:06:04,559

well to talk about it but but that so i

1535

01:06:06,789 --> 01:06:05,920

appreciate you kind of going into it i

1536

01:06:08,630 --> 01:06:06,799

didn't really

1537

01:06:10,390 --> 01:06:08,640

i didn't had i didn't intend for this to

1538

01:06:11,589 --> 01:06:10,400

kind of become a larger segment but

1539

01:06:14,309 --> 01:06:11,599

thank you for sharing with

1540

01:06:15,190 --> 01:06:14,319

so far what you know um yeah my pleasure

1541

01:06:18,309 --> 01:06:15,200

so anyway

1542

01:06:21,750 --> 01:06:18,319

um what about the past

1543

01:06:25,270 --> 01:06:21,760

year and a half uh what how

1544

01:06:26,710 --> 01:06:25,280

how has you know this um with onset of

1545

01:06:28,390 --> 01:06:26,720

covet and all of this how has that

1546

01:06:30,150 --> 01:06:28,400

affected the field

1547

01:06:32,069 --> 01:06:30,160

can you maybe talk a little bit about

1548

01:06:35,589 --> 01:06:32,079

that and it's specifically in

1549

01:06:37,589 --> 01:06:35,599

mexico is there still um you know

1550

01:06:38,630 --> 01:06:37,599

still happening so it's just everything

1551

01:06:43,589 --> 01:06:38,640

just kind of

1552

01:06:50,789 --> 01:06:46,710

uh like i said uh

1553

01:06:53,990 --> 01:06:50,799

like i said there was a time when i

1554

01:06:57,430 --> 01:06:54,000

was a big fan of uh jaime osan and i

1555

01:07:00,630 --> 01:06:57,440

used to watch religiously uh

1556

01:07:02,789 --> 01:07:00,640

his tv shows i mean

1557

01:07:04,069 --> 01:07:02,799

thirsty millennial i think it's still

1558

01:07:07,349 --> 01:07:04,079

the name of his show

1559

01:07:10,150 --> 01:07:07,359

the third millennium uh

1560

01:07:10,710 --> 01:07:10,160

i don't watch it anymore i know i think

1561

01:07:13,589 --> 01:07:10,720

i have

1562

01:07:14,470 --> 01:07:13,599

better things to do but nevertheless i

1563

01:07:18,630 --> 01:07:14,480

feel

1564

01:07:21,990 --> 01:07:18,640

that mexican ufology

1565

01:07:25,990 --> 01:07:22,000

has black american info

1566

01:07:30,150 --> 01:07:26,000

it's it's it's only like looking

1567

01:07:33,430 --> 01:07:30,160

to what's happening in the united states

1568

01:07:36,630 --> 01:07:33,440

uh you know like moussan

1569

01:07:40,630 --> 01:07:36,640

is making use of

1570

01:07:45,029 --> 01:07:40,640

uh the revelations that came

1571

01:07:47,990 --> 01:07:45,039

thanks to both for due to

1572

01:07:49,589 --> 01:07:48,000

tom the long and and his to the stars

1573

01:07:52,150 --> 01:07:49,599

academy of science dude

1574

01:07:52,870 --> 01:07:52,160

which no longer exists anymore by the

1575

01:07:54,950 --> 01:07:52,880

way

1576

01:07:55,990 --> 01:07:54,960

you know and a lot of people talk about

1577

01:07:58,150 --> 01:07:56,000

that oh please do

1578

01:07:59,910 --> 01:07:58,160

because i feel like i'm in the dark

1579

01:08:03,510 --> 01:07:59,920

because i had no idea

1580

01:08:05,510 --> 01:08:03,520

again i don't follow necessarily other

1581

01:08:07,510 --> 01:08:05,520

you know other groups in that way if you

1582

01:08:09,670 --> 01:08:07,520

can share any info for anyone watching i

1583

01:08:13,829 --> 01:08:09,680

appreciate it

1584

01:08:16,229 --> 01:08:13,839

well i mean uh i think it was

1585

01:08:17,749 --> 01:08:16,239

by the beginning of the year when luis

1586

01:08:20,709 --> 01:08:17,759

elizondo

1587

01:08:22,309 --> 01:08:20,719

who was or supposedly was depending on

1588

01:08:25,349 --> 01:08:22,319

how we want to

1589

01:08:29,110 --> 01:08:25,359

address it he was the director of these

1590

01:08:32,309 --> 01:08:29,120

uh pentagon program you know the atip

1591

01:08:34,870 --> 01:08:32,319

uh aerial uh

1592

01:08:36,309 --> 01:08:34,880

identification threat something to that

1593

01:08:39,269 --> 01:08:36,319

effect i don't know i don't know

1594

01:08:41,030 --> 01:08:39,279

i don't remember the acronym but he went

1595

01:08:41,829 --> 01:08:41,040

to coast to coast i think he went to

1596

01:08:43,269 --> 01:08:41,839

talk to

1597

01:08:45,030 --> 01:08:43,279

i don't know if he was i think it was

1598

01:08:47,749 --> 01:08:45,040

george snapp and

1599

01:08:48,470 --> 01:08:47,759

and he told it very you know casually

1600

01:08:51,749 --> 01:08:48,480

that

1601
01:08:53,669 --> 01:08:51,759
he was no longer associated with tom the

1602
01:08:54,470 --> 01:08:53,679
long and to the stars which was like

1603
01:08:56,870 --> 01:08:54,480
what

1604
01:08:58,550 --> 01:08:56,880
you know because everybody thought that

1605
01:09:01,269 --> 01:08:58,560
to the stars was going to

1606
01:09:01,990 --> 01:09:01,279
bring us not only disclosure but they

1607
01:09:04,950 --> 01:09:02,000
they also

1608
01:09:06,390 --> 01:09:04,960
were kind of like alluding that among

1609
01:09:09,669 --> 01:09:06,400
their plans

1610
01:09:12,309 --> 01:09:09,679
was to develop uh

1611
01:09:14,229 --> 01:09:12,319
man-made ufos you know i mean that's the

1612
01:09:17,430 --> 01:09:14,239
thing that they showed

1613
01:09:20,390 --> 01:09:17,440

the during their october 2017 launch

1614

01:09:21,430 --> 01:09:20,400

you know there was this really cool uh

1615

01:09:24,550 --> 01:09:21,440

rendering

1616

01:09:27,590 --> 01:09:24,560

of these really weird very futuristic

1617

01:09:28,950 --> 01:09:27,600

craft that was windless that had kind of

1618

01:09:32,070 --> 01:09:28,960

like a big

1619

01:09:35,749 --> 01:09:32,080

like doughnut uh in the middle

1620

01:09:39,189 --> 01:09:35,759

and the to the stars you know insignia

1621

01:09:42,070 --> 01:09:39,199

in the fuselage was very very cool and

1622

01:09:42,470 --> 01:09:42,080

and and then came the pledge you know

1623

01:09:46,470 --> 01:09:42,480

please

1624

01:09:48,950 --> 01:09:46,480

invest you know in our little enterprise

1625

01:09:50,309 --> 01:09:48,960

you know and a lot of i guess a lot of

1626

01:09:52,229 --> 01:09:50,319

people did

1627

01:09:53,430 --> 01:09:52,239

give them money you know i don't know

1628

01:09:56,390 --> 01:09:53,440

how much because up

1629

01:09:57,590 --> 01:09:56,400

at one point in their when you visited

1630

01:09:59,510 --> 01:09:57,600

their website

1631

01:10:00,950 --> 01:09:59,520

you could see you know how much they had

1632

01:10:02,790 --> 01:10:00,960

managed to gather you know

1633

01:10:04,229 --> 01:10:02,800

like because they have a i think they

1634

01:10:07,669 --> 01:10:04,239

had a six million dollar

1635

01:10:08,550 --> 01:10:07,679

goal you know and by the end of the like

1636

01:10:11,270 --> 01:10:08,560

the first

1637

01:10:11,750 --> 01:10:11,280

month it was clear they were nowhere

1638

01:10:15,110 --> 01:10:11,760

near

1639

01:10:18,390 --> 01:10:15,120
their goal so at one point the the

1640

01:10:20,709 --> 01:10:18,400
that uh thing of of the

1641

01:10:22,310 --> 01:10:20,719
the the amount gathered disappeared from

1642

01:10:23,350 --> 01:10:22,320
their website and they're just you know

1643

01:10:27,030 --> 01:10:23,360
the pledge to in

1644

01:10:28,830 --> 01:10:27,040
in invest in in their in their

1645

01:10:31,510 --> 01:10:28,840
i don't want to say it was was it a

1646

01:10:34,950 --> 01:10:31,520
company i don't know i mean

1647

01:10:37,750 --> 01:10:34,960
anyway uh lu elizondo

1648

01:10:38,950 --> 01:10:37,760
then yeah because he's kind of like he

1649

01:10:41,910 --> 01:10:38,960
he's always never

1650

01:10:44,229 --> 01:10:41,920
very clear with what he has to say but

1651

01:10:47,430 --> 01:10:44,239

then yeah he clarified yes

1652

01:10:50,310 --> 01:10:47,440

we are no longer you know me and and

1653

01:10:51,189 --> 01:10:50,320

uh chris melon and and the other guys

1654

01:10:53,350 --> 01:10:51,199

were no longer

1655

01:10:54,950 --> 01:10:53,360

uh involved with to the stars because to

1656

01:10:58,870 --> 01:10:54,960

the stars she's pretty much

1657

01:11:01,910 --> 01:10:58,880

now focused on the entertainment

1658

01:11:03,590 --> 01:11:01,920

side of of of of of the project

1659

01:11:05,030 --> 01:11:03,600

you know they're they're only going to

1660

01:11:08,550 --> 01:11:05,040

make i don't know

1661

01:11:11,590 --> 01:11:08,560

books movies comic books whatever

1662

01:11:12,630 --> 01:11:11,600

and so this is not what they wanted to

1663

01:11:15,510 --> 01:11:12,640

do apparently

1664

01:11:16,070 --> 01:11:15,520

you know luella and and and they decided

1665

01:11:23,030 --> 01:11:16,080

to

1666

01:11:24,390 --> 01:11:23,040

and i don't know what okay well thank

1667

01:11:26,390 --> 01:11:24,400

you yeah no thanks for clarifying it

1668

01:11:27,350 --> 01:11:26,400

because i was i was not aware i was not

1669

01:11:29,669 --> 01:11:27,360

aware at all

1670

01:11:31,270 --> 01:11:29,679

but uh thank you for going down down

1671

01:11:33,270 --> 01:11:31,280

that direction because i

1672

01:11:35,430 --> 01:11:33,280

uh kind of immediately when you said

1673

01:11:36,950 --> 01:11:35,440

that i'm like what so anyway i apologize

1674

01:11:38,550 --> 01:11:36,960

the original question that i had then

1675

01:11:41,270 --> 01:11:38,560

was regarding the

1676

01:11:43,270 --> 01:11:41,280

uh what the this past year and a half

1677

01:11:45,669 --> 01:11:43,280

two years has pretty much done to the

1678

01:11:47,189 --> 01:11:45,679

ufology field in mexico so i apologize

1679

01:11:49,510 --> 01:11:47,199

you started out with that and

1680

01:11:52,229 --> 01:11:49,520

then when you said that i was like you

1681

01:11:54,950 --> 01:11:52,239

got to talk about that first

1682

01:11:55,910 --> 01:11:54,960

sure and and i don't mind the the

1683

01:11:59,510 --> 01:11:55,920

deviation

1684

01:12:04,790 --> 01:11:59,520

admin because to be honest i feel

1685

01:12:08,390 --> 01:12:04,800

that the ufo field in general

1686

01:12:13,430 --> 01:12:08,400

began to be kind of like absorbed

1687

01:12:16,550 --> 01:12:13,440

by the gravity field of to the stars

1688

01:12:17,910 --> 01:12:16,560

for the last uh you know two and a half

1689

01:12:20,390 --> 01:12:17,920

years

1690

01:12:21,110 --> 01:12:20,400

if you go and and i actually did that if

1691

01:12:25,110 --> 01:12:21,120

you go

1692

01:12:28,149 --> 01:12:25,120

and and use the google tools

1693

01:12:31,030 --> 01:12:28,159

to try to check you know the kind of

1694

01:12:34,070 --> 01:12:31,040

keywords that have been used

1695

01:12:37,270 --> 01:12:34,080

uh in in

1696

01:12:40,390 --> 01:12:37,280

online articles that you see that

1697

01:12:43,270 --> 01:12:40,400

after 2017 the spike

1698

01:12:46,310 --> 01:12:43,280

that you can observe with the keyword

1699

01:12:50,950 --> 01:12:46,320

ufos and to the stars and

1700

01:12:53,750 --> 01:12:50,960

rises dramatically you know so everybody

1701

01:12:55,510 --> 01:12:53,760

not only in mexico everybody and

1702

01:12:57,669 --> 01:12:55,520

elsewhere in the world

1703

01:12:58,790 --> 01:12:57,679

we're starting like looking at you know

1704

01:13:00,149 --> 01:12:58,800

what's going over there

1705

01:13:01,590 --> 01:13:00,159

you know what's going on over there with

1706

01:13:02,070 --> 01:13:01,600

the gringos you know what's going over

1707

01:13:04,870 --> 01:13:02,080

with

1708

01:13:06,550 --> 01:13:04,880

you know that like i guess you know yeah

1709

01:13:08,149 --> 01:13:06,560

they say that tom delong is going to

1710

01:13:10,550 --> 01:13:08,159

give us this closure okay

1711

01:13:11,910 --> 01:13:10,560

and everybody's was was like uh you know

1712

01:13:14,470 --> 01:13:11,920

crossing the ramp saying okay

1713

01:13:15,669 --> 01:13:14,480

yeah i guess we'll just wait for these

1714

01:13:18,229 --> 01:13:15,679

guys to you know

1715

01:13:19,910 --> 01:13:18,239

let's see what happens you know or maybe

1716

01:13:20,310 --> 01:13:19,920

maybe other people who are more in the

1717

01:13:22,390 --> 01:13:20,320

know

1718

01:13:23,669 --> 01:13:22,400

of what really is going on with the ufo

1719

01:13:26,149 --> 01:13:23,679

field or also

1720

01:13:26,790 --> 01:13:26,159

you know waiting to see what was going

1721

01:13:30,070 --> 01:13:26,800

on

1722

01:13:33,669 --> 01:13:30,080

with this new development in

1723

01:13:35,110 --> 01:13:33,679

uh ufology as a as a social or

1724

01:13:37,189 --> 01:13:35,120

sociological movement

1725

01:13:38,630 --> 01:13:37,199

because yeah it's it's very interesting

1726

01:13:42,229 --> 01:13:38,640

how

1727

01:13:45,990 --> 01:13:42,239

the expectations of the field began to

1728

01:13:49,669 --> 01:13:46,000

to to change dramatically

1729

01:13:51,750 --> 01:13:49,679

after the 2017 new york times article

1730

01:13:52,950 --> 01:13:51,760

i mean i remember i'm old enough to

1731

01:13:56,070 --> 01:13:52,960

remember uh

1732

01:13:59,270 --> 01:13:56,080

adnan how in old times

1733

01:14:01,669 --> 01:13:59,280

ufology when people talk about

1734

01:14:03,270 --> 01:14:01,679

the government they were considered to

1735

01:14:06,550 --> 01:14:03,280

be the bad guys you know

1736

01:14:07,669 --> 01:14:06,560

the cia the fbi yeah those are the guys

1737

01:14:10,470 --> 01:14:07,679

who are

1738

01:14:11,110 --> 01:14:10,480

uh keeping things promised you know they

1739

01:14:18,709 --> 01:14:11,120

are

1740

01:14:20,950 --> 01:14:18,719

isn't it interesting that after 2017

1741

01:14:22,550 --> 01:14:20,960

because of tom belong and because of

1742

01:14:27,510 --> 01:14:22,560

luella sando

1743

01:14:31,510 --> 01:14:29,750

the government guys are the good guys

1744

01:14:33,270 --> 01:14:31,520

and maybe not it's not just because of

1745

01:14:34,390 --> 01:14:33,280

alison though maybe i don't want to be

1746

01:14:38,149 --> 01:14:34,400

too

1747

01:14:41,350 --> 01:14:38,159

political here uh and some people

1748

01:14:43,030 --> 01:14:41,360

you know kind of resent when ufology

1749

01:14:44,630 --> 01:14:43,040

crosses with politics although

1750

01:14:46,550 --> 01:14:44,640

it is my opinion that everything is

1751

01:14:49,030 --> 01:14:46,560

political especially ufos

1752

01:14:50,630 --> 01:14:49,040

but even with what happened in the

1753

01:14:53,189 --> 01:14:50,640

united states with the trump

1754

01:14:57,270 --> 01:14:53,199

administration

1755

01:14:58,950 --> 01:14:57,280

the perception of uh agencies like the

1756

01:15:02,310 --> 01:14:58,960

fbi and the cia

1757

01:15:05,270 --> 01:15:02,320

also shifted dramatically you know

1758

01:15:07,430 --> 01:15:05,280

from being the bad guys who are keeping

1759

01:15:10,070 --> 01:15:07,440

things like i don't know

1760

01:15:10,870 --> 01:15:10,080

the crimes that happened during the iraq

1761

01:15:13,030 --> 01:15:10,880

war

1762

01:15:14,550 --> 01:15:13,040

abu ghraib and all that those things

1763

01:15:17,910 --> 01:15:14,560

remember all these things that

1764

01:15:19,750 --> 01:15:17,920

uh edwards know then and that

1765

01:15:21,030 --> 01:15:19,760

julian assange uncovered with the

1766

01:15:23,510 --> 01:15:21,040

wikileaks

1767

01:15:24,070 --> 01:15:23,520

and there was this perception right but

1768

01:15:27,430 --> 01:15:24,080

after

1769

01:15:29,510 --> 01:15:27,440

that with the trump

1770

01:15:32,070 --> 01:15:29,520

the government became the good guys

1771

01:15:34,790 --> 01:15:32,080

again and and i think that tom delong

1772

01:15:35,270 --> 01:15:34,800

played a role in that and i mean even if

1773

01:15:38,870 --> 01:15:35,280

you go

1774

01:15:43,030 --> 01:15:38,880

and and listen to to the

1775

01:15:45,350 --> 01:15:43,040

origin story if you wish of to the stars

1776

01:15:46,709 --> 01:15:45,360

tom the long went to these guys in the

1777

01:15:49,830 --> 01:15:46,719

know

1778

01:15:51,669 --> 01:15:49,840

said hey

1779

01:15:53,110 --> 01:15:51,679

you know you have a perception problem

1780

01:15:55,510 --> 01:15:53,120

with the younger audience

1781

01:15:56,709 --> 01:15:55,520

and i can't help you with that because

1782

01:16:00,550 --> 01:15:56,719

you need

1783

01:16:04,229 --> 01:16:00,560

someone like to clean your image

1784

01:16:07,910 --> 01:16:04,239

so you can go and recruit

1785

01:16:11,110 --> 01:16:07,920

new blocks younger people

1786

01:16:13,590 --> 01:16:11,120

to fill in your ranks and

1787

01:16:14,550 --> 01:16:13,600

i can provide that service for you and

1788

01:16:18,870 --> 01:16:14,560

that's why

1789

01:16:21,910 --> 01:16:18,880
came into being

1790

01:16:25,910 --> 01:16:21,920
so yeah there's there is

1791

01:16:29,669 --> 01:16:25,920
a lot of perception management going on

1792

01:16:33,510 --> 01:16:29,679
with the ufo field

1793

01:16:36,790 --> 01:16:33,520
in the last two years and a half

1794

01:16:40,630 --> 01:16:36,800
since the 2017 story

1795

01:16:44,149 --> 01:16:40,640
dropped and i feel

1796

01:16:49,110 --> 01:16:44,159
that all these to the stars

1797

01:16:53,510 --> 01:16:49,120
atip allsup the new

1798

01:16:56,950 --> 01:16:53,520
the the 2004 nimitz event

1799

01:17:01,030 --> 01:16:56,960
uh the tic tacs commander david frabor

1800

01:17:04,390 --> 01:17:01,040
this is all we've been talking about

1801

01:17:07,669 --> 01:17:04,400

for the last two

1802

01:17:10,630 --> 01:17:07,679

two three years and to be honest

1803

01:17:12,310 --> 01:17:10,640

i'm kind of tired of it man you know i'm

1804

01:17:15,510 --> 01:17:12,320

so

1805

01:17:19,430 --> 01:17:15,520

effing sick of seeing those

1806

01:17:23,750 --> 01:17:19,440

god damn grainy black and white

1807

01:17:26,630 --> 01:17:23,760

videos of the tic tac the gimbal

1808

01:17:27,910 --> 01:17:26,640

the thing i'm so tired of it the only

1809

01:17:30,709 --> 01:17:27,920

thing that is good about it

1810

01:17:31,189 --> 01:17:30,719

now is that after to the stars dissolved

1811

01:17:34,149 --> 01:17:31,199

uh

1812

01:17:34,550 --> 01:17:34,159

you no longer have to endure seeing

1813

01:17:37,910 --> 01:17:34,560

those

1814

01:17:38,870 --> 01:17:37,920

clips with their watermark on top of it

1815

01:17:42,149 --> 01:17:38,880

you know on the on the

1816

01:17:42,470 --> 01:17:42,159

you know upper left corner now anybody

1817

01:17:45,110 --> 01:17:42,480

can

1818

01:17:46,310 --> 01:17:45,120

you know put their own their own

1819

01:17:47,990 --> 01:17:46,320

watermark because

1820

01:17:49,350 --> 01:17:48,000

you know it turns out it wasn't

1821

01:17:52,870 --> 01:17:49,360

proprietary you know

1822

01:17:55,590 --> 01:17:52,880

they actually you know admitted that

1823

01:17:56,790 --> 01:17:55,600

everybody can make use of it right but

1824

01:17:59,430 --> 01:17:56,800

yeah i'm kind of

1825

01:18:00,310 --> 01:17:59,440

i'm kind of tired of of this there is

1826

01:18:03,990 --> 01:18:00,320

some kind of

1827

01:18:05,990 --> 01:18:04,000

stagnation

1828

01:18:07,590 --> 01:18:06,000

that is going on because everybody's so

1829

01:18:11,110 --> 01:18:07,600

expectant i'm seeing

1830

01:18:15,270 --> 01:18:11,120

oh my god this you uh

1831

01:18:18,149 --> 01:18:15,280

uip task force report that is coming

1832

01:18:18,870 --> 01:18:18,159

anytime now and it's going to be so

1833

01:18:21,350 --> 01:18:18,880

amazing

1834

01:18:23,350 --> 01:18:21,360

and it's going to be you know everything

1835

01:18:26,950 --> 01:18:23,360

we ever wanted and the government is

1836

01:18:29,750 --> 01:18:26,960

finally going to reveal to us

1837

01:18:30,390 --> 01:18:29,760

that ufos are real and that we're not

1838

01:18:32,630 --> 01:18:30,400

alone

1839

01:18:34,870 --> 01:18:32,640

and and and all these things will be

1840

01:18:38,229 --> 01:18:34,880

believed so we're going to go

1841

01:18:39,189 --> 01:18:38,239

and and and grab our tablet or grab the

1842

01:18:43,189 --> 01:18:39,199

newspaper and go

1843

01:18:45,510 --> 01:18:43,199

to our that girlfriend that left us

1844

01:18:47,110 --> 01:18:45,520

you know last year of college because we

1845

01:18:49,189 --> 01:18:47,120

were weirdos because we were believing

1846

01:18:52,310 --> 01:18:49,199

in ufos we're going to show it to

1847

01:18:54,790 --> 01:18:52,320

to her and said i was

1848

01:18:55,669 --> 01:18:54,800

right right right that's what everybody

1849

01:18:57,669 --> 01:18:55,679

wants right

1850

01:18:59,510 --> 01:18:57,679

well i think um you know talking about

1851

01:19:01,669 --> 01:18:59,520

different different perspectives

1852

01:19:02,550 --> 01:19:01,679

you know earlier you know because

1853

01:19:05,750 --> 01:19:02,560

there's of course

1854

01:19:08,070 --> 01:19:05,760

that stagnation in that way because

1855

01:19:09,750 --> 01:19:08,080

after a while as a as a researcher if

1856

01:19:10,310 --> 01:19:09,760

you're collaborating with other people

1857

01:19:13,270 --> 01:19:10,320

it does

1858

01:19:13,830 --> 01:19:13,280

get to a mundane point to where how can

1859

01:19:16,630 --> 01:19:13,840

we move

1860

01:19:18,709 --> 01:19:16,640

past a certain point because you know i

1861

01:19:19,270 --> 01:19:18,719

mean roswell still gets brought up all

1862

01:19:21,110 --> 01:19:19,280

the time

1863

01:19:23,350 --> 01:19:21,120

you know and again i mean there's still

1864

01:19:25,430 --> 01:19:23,360

new people all the time that still

1865

01:19:26,470 --> 01:19:25,440

you know because i mean i've had friends

1866

01:19:28,870 --> 01:19:26,480

that just recently

1867

01:19:30,070 --> 01:19:28,880

you know would would um just kind of i

1868

01:19:30,870 --> 01:19:30,080

don't know what happened in their lives

1869

01:19:32,550 --> 01:19:30,880

but they would

1870

01:19:34,390 --> 01:19:32,560

reach out to me it's like hey have you

1871

01:19:36,390 --> 01:19:34,400

heard of so and so i was like

1872

01:19:38,229 --> 01:19:36,400

yes i've interviewed them go check out

1873

01:19:40,470 --> 01:19:38,239

my site you know

1874

01:19:41,990 --> 01:19:40,480

you know it says like oh wow so you know

1875

01:19:43,350 --> 01:19:42,000

and then you know they'll talk about

1876

01:19:45,990 --> 01:19:43,360

different stuff and then

1877

01:19:46,390 --> 01:19:46,000

you know uh some even would i you know

1878

01:19:48,229 --> 01:19:46,400

meet

1879

01:19:50,390 --> 01:19:48,239

other you know significant others and

1880

01:19:52,310 --> 01:19:50,400

then they're into that so they kind of

1881

01:19:54,229 --> 01:19:52,320

kind of drag them down that rabbit hole

1882

01:19:57,189 --> 01:19:54,239

and then they get enthralled with it

1883

01:19:57,669 --> 01:19:57,199

and so anyway it has different different

1884

01:20:00,709 --> 01:19:57,679

um

1885

01:20:03,430 --> 01:20:00,719

uh ways of i guess

1886

01:20:04,149 --> 01:20:03,440

in a way it has a as for some people

1887

01:20:06,070 --> 01:20:04,159

it's

1888

01:20:07,750 --> 01:20:06,080

already old news and mundane and for

1889

01:20:09,910 --> 01:20:07,760

others it's like this brand new world

1890

01:20:12,470 --> 01:20:09,920

that just opened up and it's so

1891

01:20:13,990 --> 01:20:12,480

still out there and all these

1892

01:20:15,430 --> 01:20:14,000

possibilities and problem

1893

01:20:17,590 --> 01:20:15,440

probabilities you know they're kind of

1894

01:20:19,990 --> 01:20:17,600

like that have that twinkle in their eye

1895

01:20:21,430 --> 01:20:20,000

where a lot of us have lost it after 20

1896

01:20:23,830 --> 01:20:21,440

years or so you know

1897

01:20:25,590 --> 01:20:23,840

and but anyway what i was just going to

1898

01:20:27,590 --> 01:20:25,600

say it it does depend on

1899

01:20:28,790 --> 01:20:27,600

how you also look at certain things

1900

01:20:31,350 --> 01:20:28,800

because

1901

01:20:32,070 --> 01:20:31,360

i found myself when you have the the

1902

01:20:33,590 --> 01:20:32,080

physical and

1903

01:20:35,350 --> 01:20:33,600

talk about it often when you have the

1904

01:20:37,510 --> 01:20:35,360

the research nuts and bolts

1905

01:20:39,270 --> 01:20:37,520

it can get to a stagnant point of view

1906

01:20:39,590 --> 01:20:39,280

but when you've had experience on your

1907

01:20:41,910 --> 01:20:39,600

own

1908

01:20:43,350 --> 01:20:41,920

it leaves you with the many doors open

1909

01:20:45,510 --> 01:20:43,360

that you can now explore

1910

01:20:46,709 --> 01:20:45,520

and kind of go with because it leaves

1911

01:20:48,390 --> 01:20:46,719

you with certain

1912

01:20:49,910 --> 01:20:48,400

feelings and understandings about the

1913

01:20:52,550 --> 01:20:49,920

phenomena where you go like

1914

01:20:54,790 --> 01:20:52,560

wow this is this is big and then you can

1915

01:20:57,270 --> 01:20:54,800

go this route that route or that route

1916

01:20:58,070 --> 01:20:57,280

but usually it's a lonely route you know

1917

01:21:00,310 --> 01:20:58,080

it's it's

1918

01:21:02,310 --> 01:21:00,320

um you know some people stop that i've

1919

01:21:04,790 --> 01:21:02,320

had an experience and i don't know

1920

01:21:06,550 --> 01:21:04,800

how to deal with it to i've had the

1921

01:21:06,950 --> 01:21:06,560

experience i learned from it and now

1922

01:21:08,950 --> 01:21:06,960

learned

1923

01:21:10,550 --> 01:21:08,960

more you know and it just has so many

1924

01:21:11,750 --> 01:21:10,560

different varieties so depends on which

1925

01:21:13,990 --> 01:21:11,760

category you're in

1926

01:21:15,830 --> 01:21:14,000

you're either stagnant not moving or

1927

01:21:16,229 --> 01:21:15,840

you're kind of very far out there to

1928

01:21:19,270 --> 01:21:16,239

where

1929

01:21:21,830 --> 01:21:19,280

might as well be alien to everyone else

1930

01:21:22,310 --> 01:21:21,840

right i mean it's uh it's the rabbit

1931

01:21:25,669 --> 01:21:22,320

hole

1932

01:21:28,709 --> 01:21:25,679

right to use a metaphor from

1933

01:21:30,629 --> 01:21:28,719

one of my favorite films the matrix

1934

01:21:32,149 --> 01:21:30,639

it's the rabbit hole and the rabbit hole

1935

01:21:35,350 --> 01:21:32,159

is different

1936

01:21:39,030 --> 01:21:35,360

for everybody batman

1937

01:21:42,709 --> 01:21:39,040

you know yeah there are people who have

1938

01:21:43,510 --> 01:21:42,719

maybe an amazing experience i want to

1939

01:21:46,070 --> 01:21:43,520

think of

1940

01:21:46,950 --> 01:21:46,080

i don't know joe simonton you know the

1941

01:21:50,070 --> 01:21:46,960

famous uh

1942

01:21:53,590 --> 01:21:50,080

chicken farmer who received

1943

01:21:55,830 --> 01:21:53,600

the alien pancakes from these you know

1944

01:21:58,790 --> 01:21:55,840

he called them italian italian looking

1945

01:22:01,590 --> 01:21:58,800

you know small guys that you know

1946

01:22:04,310 --> 01:22:01,600

requested some water from him and you go

1947

01:22:06,709 --> 01:22:04,320

again he he filled his silver pitch

1948

01:22:07,830 --> 01:22:06,719

of water and then he you know they they

1949

01:22:10,550 --> 01:22:07,840

gave some

1950

01:22:11,350 --> 01:22:10,560

kind of like cookie burned out cookies

1951

01:22:14,149 --> 01:22:11,360

in return

1952

01:22:15,990 --> 01:22:14,159

and the guy you know try that and they

1953

01:22:18,709 --> 01:22:16,000

say yeah well you know these guys

1954

01:22:20,310 --> 01:22:18,719

came out came down and and they wanted

1955

01:22:24,070 --> 01:22:20,320

water and they gave me these

1956

01:22:26,149 --> 01:22:24,080

crappy pancakes that taste like crap

1957

01:22:27,270 --> 01:22:26,159

and that's that and they probably and

1958

01:22:29,189 --> 01:22:27,280

the guy probably

1959

01:22:31,669 --> 01:22:29,199

moved on with his life and there are

1960

01:22:34,790 --> 01:22:31,679

people who have probably less

1961

01:22:35,990 --> 01:22:34,800

dramatic experience if i i've never had

1962

01:22:38,950 --> 01:22:36,000

a a a

1963

01:22:39,830 --> 01:22:38,960

true really really interesting europe

1964

01:22:42,310 --> 01:22:39,840

outside and i've seen

1965

01:22:44,310 --> 01:22:42,320

i mean i've seen things in the sky you

1966

01:22:47,350 --> 01:22:44,320

know once or twice i'll say ah

1967

01:22:49,990 --> 01:22:47,360

you know you know maybe that was

1968

01:22:51,430 --> 01:22:50,000

something but nothing really you know

1969

01:22:54,470 --> 01:22:51,440

concluded that oh

1970

01:22:57,430 --> 01:22:54,480

what i saw was a true

1971

01:22:58,950 --> 01:22:57,440

ufo no never i'm sure if i had something

1972

01:23:02,149 --> 01:22:58,960

that was a tenth

1973

01:23:05,270 --> 01:23:02,159

of the experience of joe simonton

1974

01:23:05,990 --> 01:23:05,280

i would be like uh hugh hefner you know

1975

01:23:09,910 --> 01:23:06,000

man you know

1976

01:23:13,350 --> 01:23:09,920

not with nails this big

1977

01:23:16,790 --> 01:23:13,360

no jars full of peace

1978

01:23:19,350 --> 01:23:16,800

all around me like reading everything

1979

01:23:20,950 --> 01:23:19,360

i could about aliens because that's what

1980

01:23:22,310 --> 01:23:20,960

happens with some people some people get

1981

01:23:25,510 --> 01:23:22,320

obsessed with it

1982

01:23:27,669 --> 01:23:25,520

to the point that it really disrupts

1983

01:23:30,070 --> 01:23:27,679

their life maybe they had a very good

1984

01:23:32,870 --> 01:23:30,080

job a very stable marriage

1985

01:23:35,110 --> 01:23:32,880

they had a couple of kids they have they

1986

01:23:37,510 --> 01:23:35,120

have a relatively happy

1987

01:23:38,229 --> 01:23:37,520

but uneventful life and then something

1988

01:23:41,430 --> 01:23:38,239

like this

1989

01:23:44,950 --> 01:23:41,440

this happens to them and it

1990

01:23:46,470 --> 01:23:44,960

turns everything upside down and then

1991

01:23:49,830 --> 01:23:46,480

all of a sudden

1992

01:23:51,990 --> 01:23:49,840

they're living in some crappy motel

1993

01:23:55,189 --> 01:23:52,000

because their wives

1994

01:23:57,590 --> 01:23:55,199

left them they were fired

1995

01:23:59,430 --> 01:23:57,600

they lost custody they don't they they

1996

01:24:00,070 --> 01:23:59,440

don't have any money they're drinking

1997

01:24:03,030 --> 01:24:00,080

too much

1998

01:24:04,149 --> 01:24:03,040

or maybe they're shooting well let's not

1999

01:24:07,430 --> 01:24:04,159

get into details

2000

01:24:09,110 --> 01:24:07,440

but their lives totally ruined by this

2001

01:24:12,870 --> 01:24:09,120

and they're also people who

2002

01:24:16,229 --> 01:24:12,880

maybe they were totally uninterested

2003

01:24:19,350 --> 01:24:16,239

about things beyond their

2004

01:24:23,270 --> 01:24:19,360

small little simple grey lives

2005

01:24:25,110 --> 01:24:23,280

and something like this happens and then

2006

01:24:27,189 --> 01:24:25,120

everything is changed and maybe they're

2007

01:24:30,870 --> 01:24:27,199

interested in other things and maybe

2008

01:24:33,990 --> 01:24:30,880

even they are transformed

2009

01:24:34,629 --> 01:24:34,000

in ways that are very very interesting

2010

01:24:37,430 --> 01:24:34,639

and we

2011

01:24:38,709 --> 01:24:37,440

can't really comprehend fully yet that

2012

01:24:42,550 --> 01:24:38,719

there are people who

2013

01:24:45,669 --> 01:24:42,560

after a ufo experience uh

2014

01:24:48,709 --> 01:24:45,679

they develop psychic abilities right

2015

01:24:49,030 --> 01:24:48,719

or they develop artistic abilities you

2016

01:24:51,350 --> 01:24:49,040

know

2017

01:24:52,629 --> 01:24:51,360

and or they are become interested in

2018

01:24:54,870 --> 01:24:52,639

things like

2019

01:24:56,470 --> 01:24:54,880

uh reincarnation and maybe these people

2020

01:24:59,910 --> 01:24:56,480

are where only you know

2021

01:25:03,189 --> 01:24:59,920

people who went to church uh on

2022

01:25:05,110 --> 01:25:03,199

on christmas or maybe you know

2023

01:25:07,350 --> 01:25:05,120

weddings funeral or funeral service and

2024

01:25:08,229 --> 01:25:07,360

all of a sudden now they're interested

2025

01:25:13,790 --> 01:25:08,239

in

2026
01:25:15,270 --> 01:25:13,800
and maybe even magic practices

2027
01:25:18,310 --> 01:25:15,280
esotericism

2028
01:25:18,950 --> 01:25:18,320
and that is to me what is more

2029
01:25:22,229 --> 01:25:18,960
interesting

2030
01:25:25,510 --> 01:25:22,239
about the ufo phenomenon how it

2031
01:25:29,430 --> 01:25:25,520
can transform people

2032
01:25:32,709 --> 01:25:29,440
in ways that very few things in life

2033
01:25:35,830 --> 01:25:32,719
can do like maybe an ayahuasca

2034
01:25:39,350 --> 01:25:35,840
experience if you go that route or maybe

2035
01:25:42,870 --> 01:25:39,360
a near-death experience if

2036
01:25:45,350 --> 01:25:42,880
if you happen to to to survive that

2037
01:25:45,990 --> 01:25:45,360
that is to me what is more valuable

2038
01:25:50,390 --> 01:25:46,000

about

2039

01:25:54,390 --> 01:25:50,400

ufos not trying to determine

2040

01:25:54,790 --> 01:25:54,400

the propulsion system or the materials

2041

01:25:57,590 --> 01:25:54,800

that

2042

01:25:58,629 --> 01:25:57,600

they're made of or what the planets or

2043

01:26:01,910 --> 01:25:58,639

stars

2044

01:26:05,830 --> 01:26:01,920

i don't give a damn

2045

01:26:06,550 --> 01:26:05,840

where ufos come from i'm more interested

2046

01:26:09,910 --> 01:26:06,560

and

2047

01:26:12,950 --> 01:26:09,920

how they transform us well

2048

01:26:16,229 --> 01:26:12,960

that's a great

2049

01:26:18,310 --> 01:26:16,239

segue to actually what i want to do uh

2050

01:26:19,430 --> 01:26:18,320

a few things first thank you again very

2051

01:26:22,229 --> 01:26:19,440

much for being on

2052

01:26:23,510 --> 01:26:22,239

so for those watching um it's the show

2053

01:26:23,830 --> 01:26:23,520

obviously it's very different than what

2054

01:26:35,430 --> 01:26:23,840

i

2055

01:26:37,510 --> 01:26:35,440

the other

2056

01:26:39,350 --> 01:26:37,520

thing that i wanted to say is um i'm

2057

01:26:41,590 --> 01:26:39,360

going to ask

2058

01:26:43,350 --> 01:26:41,600

one more question uh to kind of as a

2059

01:26:46,390 --> 01:26:43,360

follow-up but also for those

2060

01:26:47,430 --> 01:26:46,400

watching um please go ahead start if you

2061

01:26:49,510 --> 01:26:47,440

have any questions

2062

01:26:51,189 --> 01:26:49,520

please start typing them up so i can see

2063

01:26:52,709 --> 01:26:51,199

them in the queue if you have any for

2064

01:26:56,149 --> 01:26:52,719

rpg

2065

01:26:58,709 --> 01:26:56,159

and so also while you're

2066

01:26:59,910 --> 01:26:58,719

watching this or maybe after this check

2067

01:27:02,229 --> 01:26:59,920

out the description

2068

01:27:03,270 --> 01:27:02,239

below it'll have the what is that tell

2069

01:27:06,470 --> 01:27:03,280

me again

2070

01:27:07,990 --> 01:27:06,480

rpg was it that the grail the what was

2071

01:27:11,189 --> 01:27:08,000

it again

2072

01:27:13,030 --> 01:27:11,199

yes the daily daily grill

2073

01:27:14,470 --> 01:27:13,040

yeah it's it's in the description and

2074

01:27:16,390 --> 01:27:14,480

then there's the other website that you

2075

01:27:19,510 --> 01:27:16,400

gave me as well

2076

01:27:20,950 --> 01:27:19,520

oh absorbed by design which is my

2077

01:27:22,790 --> 01:27:20,960

personal website

2078

01:27:25,270 --> 01:27:22,800

which is kind of like uh i don't know

2079

01:27:27,590 --> 01:27:25,280

it's more an art gallery right

2080

01:27:29,510 --> 01:27:27,600

than an actual you know uh you don't see

2081

01:27:32,629 --> 01:27:29,520

a lot of articles there because that's

2082

01:27:34,470 --> 01:27:32,639

not the main function uh but it's still

2083

01:27:36,310 --> 01:27:34,480

you know something that is the year

2084

01:27:40,310 --> 01:27:36,320

tomorrow so please check it out

2085

01:27:43,430 --> 01:27:42,790

because i don't know uh are you rpg are

2086

01:27:45,350 --> 01:27:43,440

you good

2087

01:27:47,270 --> 01:27:45,360

can can i just ask you another question

2088

01:27:49,030 --> 01:27:47,280

and then for us to do some q a

2089

01:27:51,110 --> 01:27:49,040

or how do you feel energy why is you

2090

01:27:51,910 --> 01:27:51,120

good sure sure okay well thank you thank

2091

01:27:56,070 --> 01:27:51,920

you very much

2092

01:27:57,830 --> 01:27:56,080

i may want uh to to to go for a refill

2093

01:27:59,430 --> 01:27:57,840

okay good deal well when you do that let

2094

01:28:01,350 --> 01:27:59,440

me um do you want me to

2095

01:28:03,669 --> 01:28:01,360

show you i'll search you out and then uh

2096

01:28:06,870 --> 01:28:03,679

when you uh you go into

2097

01:28:10,149 --> 01:28:06,880

leaving right now no no no

2098

01:28:12,390 --> 01:28:10,159

no no let's let's go let's uh

2099

01:28:13,669 --> 01:28:12,400

if there are questions you know i'll be

2100

01:28:15,910 --> 01:28:13,679

happy to to answer

2101
01:28:16,709 --> 01:28:15,920
all right so um anyway so please

2102
01:28:19,350 --> 01:28:16,719
remember

2103
01:28:19,990 --> 01:28:19,360
put the three stars uh uh before your

2104
01:28:21,990 --> 01:28:20,000
sentence

2105
01:28:24,390 --> 01:28:22,000
so that way i know it's a question for

2106
01:28:26,390 --> 01:28:24,400
the guest so

2107
01:28:28,390 --> 01:28:26,400
i know this is probably going to open up

2108
01:28:32,310 --> 01:28:28,400
rpg gonna open up a whole new

2109
01:28:34,310 --> 01:28:32,320
uh um i guess uh

2110
01:28:35,510 --> 01:28:34,320
i guess i don't know a barrage of things

2111
01:28:38,470 --> 01:28:35,520
to cover but

2112
01:28:40,390 --> 01:28:38,480
um because it it's probably i feel like

2113
01:28:43,910 --> 01:28:40,400

it's a subject that can be

2114

01:28:45,510 --> 01:28:43,920

gone into is for hours on end regarding

2115

01:28:47,110 --> 01:28:45,520

the the very thing you just described

2116

01:28:48,550 --> 01:28:47,120

about these experiences that are that

2117

01:28:50,629 --> 01:28:48,560

have been gotten from these

2118

01:28:51,750 --> 01:28:50,639

um you know different encounters ufo

2119

01:28:54,950 --> 01:28:51,760

encounters

2120

01:28:57,189 --> 01:28:54,960

is there any prominent stories

2121

01:28:59,110 --> 01:28:57,199

that are that you are aware of that

2122

01:29:00,149 --> 01:28:59,120

originated from mexico and you always

2123

01:29:03,350 --> 01:29:00,159

know the once in the

2124

01:29:03,830 --> 01:29:03,360

united states but do you can you share

2125

01:29:06,709 --> 01:29:03,840

some

2126
01:29:08,709 --> 01:29:06,719
that are from the mexican point of view

2127
01:29:11,030 --> 01:29:08,719
about certain experiences that are kind

2128
01:29:17,270 --> 01:29:14,070
made themselves known over the years

2129
01:29:20,149 --> 01:29:17,280
one of my favorite ufo

2130
01:29:21,430 --> 01:29:20,159
cases of all time i mean we're talking

2131
01:29:25,030 --> 01:29:21,440
about

2132
01:29:29,430 --> 01:29:25,040
giving more credence to

2133
01:29:31,669 --> 01:29:29,440
pilots right airplane pilots because

2134
01:29:35,350 --> 01:29:31,679
these are people who

2135
01:29:38,310 --> 01:29:35,360
are more trained about

2136
01:29:39,910 --> 01:29:38,320
you know perceiving things visually you

2137
01:29:43,110 --> 01:29:39,920
know and there are

2138
01:29:46,390 --> 01:29:43,120

we we think of them and you know

2139

01:29:49,590 --> 01:29:46,400

justifiably to be more reliable that

2140

01:29:52,870 --> 01:29:49,600

the average yo in the streets

2141

01:29:57,510 --> 01:29:52,880

and one of the one of the cases that i'm

2142

01:30:01,669 --> 01:29:57,520

more fond of involving a mexican pilot

2143

01:30:06,870 --> 01:30:01,679

happened i want to say 1977

2144

01:30:10,229 --> 01:30:06,880

or 17 now it was 77 it happened in 1977

2145

01:30:13,430 --> 01:30:10,239

with a young pilot called

2146

01:30:14,310 --> 01:30:13,440

carlos antonio de los santos who this is

2147

01:30:18,149 --> 01:30:14,320

a guy

2148

01:30:20,229 --> 01:30:18,159

who was starting his pilot career you

2149

01:30:23,430 --> 01:30:20,239

know he was just like uh

2150

01:30:24,870 --> 01:30:23,440

before you know before flying the big

2151
01:30:27,590 --> 01:30:24,880
planes you first need to

2152
01:30:28,550 --> 01:30:27,600
like cover a lot a certain number of

2153
01:30:31,110 --> 01:30:28,560
hours

2154
01:30:31,590 --> 01:30:31,120
piloting uh smaller planes you know

2155
01:30:34,629 --> 01:30:31,600
until

2156
01:30:36,870 --> 01:30:34,639
you you you get enough

2157
01:30:38,070 --> 01:30:36,880
experience right that's that's how the

2158
01:30:40,229 --> 01:30:38,080
thing goes with

2159
01:30:41,110 --> 01:30:40,239
with that kind of career and this is a

2160
01:30:44,229 --> 01:30:41,120
guy who was

2161
01:30:47,270 --> 01:30:44,239
flying from uh

2162
01:30:47,990 --> 01:30:47,280
si guatanejo in mexico is in the state

2163
01:30:51,430 --> 01:30:48,000

of guerrero

2164

01:30:54,470 --> 01:30:51,440

is in this is uh southwest

2165

01:30:56,390 --> 01:30:54,480

of mexico and and maybe if you are

2166

01:30:57,910 --> 01:30:56,400

a fan of the movie the shawshank

2167

01:31:00,709 --> 01:30:57,920

redemption you

2168

01:31:01,990 --> 01:31:00,719

probably heard see what anejo said about

2169

01:31:04,950 --> 01:31:02,000

morgan freeman or

2170

01:31:06,950 --> 01:31:04,960

or tim robbins so this guy was flying

2171

01:31:10,149 --> 01:31:06,960

from that place

2172

01:31:14,149 --> 01:31:10,159

back to mexico city you know in

2173

01:31:17,830 --> 01:31:14,159

a small piper airplane and suddenly

2174

01:31:21,030 --> 01:31:17,840

his he saw from his from his

2175

01:31:23,510 --> 01:31:21,040

cockpit window these objects we

2176
01:31:25,270 --> 01:31:23,520
which were kind of weird which were kind

2177
01:31:28,390 --> 01:31:25,280
of like a

2178
01:31:32,070 --> 01:31:28,400
small circular in in shape

2179
01:31:35,350 --> 01:31:32,080
uh uh a kind of like uh

2180
01:31:39,189 --> 01:31:35,360
opaque gray in texture

2181
01:31:43,110 --> 01:31:39,199
and had like a uh a polarized

2182
01:31:46,950 --> 01:31:43,120
uh cockpit you know kind of like a

2183
01:31:49,510 --> 01:31:46,960
tinted glass so you can really see

2184
01:31:50,229 --> 01:31:49,520
inside of it and and they were kind of

2185
01:31:53,430 --> 01:31:50,239
like

2186
01:31:56,709 --> 01:31:53,440
covering coming very silently uh

2187
01:32:00,470 --> 01:31:56,719
two from each side of his plane and

2188
01:32:03,990 --> 01:32:00,480

coming near him and and like positioning

2189

01:32:07,030 --> 01:32:04,000

themselves right above his

2190

01:32:09,750 --> 01:32:07,040

uh wing his the wings of his plane and

2191

01:32:12,629 --> 01:32:09,760

then a third one came like

2192

01:32:14,229 --> 01:32:12,639

right in front of him and and and dived

2193

01:32:17,590 --> 01:32:14,239

you know beneath his plane

2194

01:32:19,990 --> 01:32:17,600

and actually according to him he scraped

2195

01:32:21,910 --> 01:32:20,000

the plane you know he could hear you

2196

01:32:24,870 --> 01:32:21,920

know a metallic noise

2197

01:32:25,189 --> 01:32:24,880

provoked by by the object colliding with

2198

01:32:33,750 --> 01:32:25,199

the

2199

01:32:36,550 --> 01:32:33,760

longer

2200

01:32:37,990 --> 01:32:36,560

control uh the airplane you know the the

2201

01:32:40,550 --> 01:32:38,000

the the joystick

2202

01:32:41,350 --> 01:32:40,560

or or or or the controls were not

2203

01:32:44,550 --> 01:32:41,360

responding

2204

01:32:48,070 --> 01:32:44,560

you know and and the the

2205

01:32:49,350 --> 01:32:48,080

these objects were like took control of

2206

01:32:52,390 --> 01:32:49,360

his plane

2207

01:32:54,229 --> 01:32:52,400

for a number of minutes and imagine

2208

01:32:58,470 --> 01:32:54,239

imagine the kind of like panic

2209

01:33:01,750 --> 01:32:58,480

that you know this guy uh you know

2210

01:33:05,910 --> 01:33:01,760

experience and actually

2211

01:33:10,070 --> 01:33:05,920

you know no not only can imagine it

2212

01:33:13,910 --> 01:33:10,080

you can actually listen to it if you go

2213

01:33:15,430 --> 01:33:13,920

you can actually find the recording of

2214

01:33:19,189 --> 01:33:15,440

this guy

2215

01:33:22,229 --> 01:33:19,199

using his radio to contact the

2216

01:33:25,430 --> 01:33:22,239

mexico airport radio tower

2217

01:33:27,510 --> 01:33:25,440

and and you can hear this guy

2218

01:33:29,189 --> 01:33:27,520

talking and saying how he had lost

2219

01:33:32,149 --> 01:33:29,199

control of his plane and that

2220

01:33:33,910 --> 01:33:32,159

there were you know these objects that

2221

01:33:35,110 --> 01:33:33,920

had took control of the plane you you

2222

01:33:38,149 --> 01:33:35,120

can actually

2223

01:33:38,550 --> 01:33:38,159

uh maybe uh later on i can i can send

2224

01:33:41,990 --> 01:33:38,560

you

2225

01:33:45,030 --> 01:33:42,000

uh

2226

01:33:49,110 --> 01:33:45,040

you know type the name of the guy carlos

2227

01:33:52,390 --> 01:33:49,120

antonio de los santos and you put ufo or

2228

01:33:53,430 --> 01:33:52,400

opni event i'm sure you can find it it's

2229

01:33:57,270 --> 01:33:53,440

a it's a small

2230

01:33:59,510 --> 01:33:57,280

uh uh recording but it's the guy

2231

01:34:00,950 --> 01:33:59,520

talking and saying i'm no longer

2232

01:34:03,430 --> 01:34:00,960

controlling my plane

2233

01:34:04,870 --> 01:34:03,440

uh i lost control of my plan and and

2234

01:34:08,070 --> 01:34:04,880

this happened

2235

01:34:11,110 --> 01:34:08,080

and and and after a while

2236

01:34:14,709 --> 01:34:11,120

the objects departed

2237

01:34:17,750 --> 01:34:14,719

apparently they fled uh in route

2238

01:34:21,189 --> 01:34:17,760

to i think they he said

2239

01:34:21,990 --> 01:34:21,199

they were moving toward mount papoca

2240

01:34:25,990 --> 01:34:22,000

capital

2241

01:34:27,110 --> 01:34:26,000

which if you are uh aware of ufo events

2242

01:34:30,229 --> 01:34:27,120

in mexico

2243

01:34:31,510 --> 01:34:30,239

you might know that mount popo which is

2244

01:34:34,709 --> 01:34:31,520

an active volcano

2245

01:34:37,430 --> 01:34:34,719

mix near mexico city there's

2246

01:34:38,229 --> 01:34:37,440

a lot of recorded ufo activity in that

2247

01:34:41,030 --> 01:34:38,239

area you know

2248

01:34:42,070 --> 01:34:41,040

there's a lot of uh uh because if it

2249

01:34:45,590 --> 01:34:42,080

because if it is

2250

01:34:48,390 --> 01:34:45,600

it's an active volcano there are cameras

2251
01:34:50,790 --> 01:34:48,400
always recording the volcanic activity

2252
01:34:52,950 --> 01:34:50,800
and sometimes those cameras record

2253
01:34:54,550 --> 01:34:52,960
mysterious lights that sometimes go

2254
01:34:56,790 --> 01:34:54,560
inside the volcano

2255
01:34:57,830 --> 01:34:56,800
volcano and people and scientists say

2256
01:35:00,470 --> 01:34:57,840
well that's probably

2257
01:35:01,430 --> 01:35:00,480
uh some kind of meteorite i'm not so

2258
01:35:04,149 --> 01:35:01,440
sure about that

2259
01:35:04,790 --> 01:35:04,159
but anyway back to carlos antonio's

2260
01:35:08,470 --> 01:35:04,800
story

2261
01:35:10,970 --> 01:35:08,480
yeah those objects departed and the guy

2262
01:35:12,310 --> 01:35:10,980
uh with the help of of of the

2263
01:35:14,629 --> 01:35:12,320

[Music]

2264

01:35:16,950 --> 01:35:14,639

authorities from the mexican airport

2265

01:35:19,830 --> 01:35:16,960

managed to land his plane

2266

01:35:21,350 --> 01:35:19,840

and there after afterwards there was

2267

01:35:23,830 --> 01:35:21,360

this big report

2268

01:35:25,350 --> 01:35:23,840

you know this big this big investigation

2269

01:35:28,470 --> 01:35:25,360

about what happened

2270

01:35:31,350 --> 01:35:28,480

and it was determined that uh the

2271

01:35:33,750 --> 01:35:31,360

the rather the rather operators from the

2272

01:35:37,750 --> 01:35:33,760

from the radio tower in mexico city

2273

01:35:40,070 --> 01:35:37,760

did detect some kind of like uh blip

2274

01:35:41,030 --> 01:35:40,080

moving away from from carlos antonio's

2275

01:35:43,990 --> 01:35:41,040

plane

2276
01:35:44,470 --> 01:35:44,000
moving towards that direction so what he

2277
01:35:48,310 --> 01:35:44,480
said

2278
01:35:49,830 --> 01:35:48,320
was actually validated but by radar data

2279
01:35:52,870 --> 01:35:49,840
you know which is to me something very

2280
01:35:55,510 --> 01:35:52,880
interesting and also the idea that

2281
01:35:57,510 --> 01:35:55,520
there was a physical analysis of the

2282
01:35:59,669 --> 01:35:57,520
plane and yes it was shown

2283
01:36:00,790 --> 01:35:59,679
that it had suffered some kind of like

2284
01:36:04,550 --> 01:36:00,800
collision

2285
01:36:06,950 --> 01:36:04,560
in me there that had actually affected

2286
01:36:08,149 --> 01:36:06,960
the landing gear which was the reason

2287
01:36:11,750 --> 01:36:08,159
why he had so much

2288
01:36:13,830 --> 01:36:11,760

trouble landing the plane and

2289

01:36:15,990 --> 01:36:13,840

and also it was determined that the guy

2290

01:36:17,830 --> 01:36:16,000

hadn't been drinking hadn't been taking

2291

01:36:21,030 --> 01:36:17,840

any kind of like uh

2292

01:36:21,510 --> 01:36:21,040

drugs you know he was in good health he

2293

01:36:25,750 --> 01:36:21,520

wasn't

2294

01:36:28,709 --> 01:36:25,760

he had no reason to lie

2295

01:36:30,790 --> 01:36:28,719

and and they determined that you know

2296

01:36:32,870 --> 01:36:30,800

whatever it is

2297

01:36:34,550 --> 01:36:32,880

something something strange happened and

2298

01:36:38,229 --> 01:36:34,560

they let the guy keep

2299

01:36:38,950 --> 01:36:38,239

flying so another interesting thing

2300

01:36:42,229 --> 01:36:38,960

about this

2301

01:36:45,430 --> 01:36:42,239

this fantastic case is uh the fact

2302

01:36:48,950 --> 01:36:45,440

that dr j allen heineck

2303

01:36:51,510 --> 01:36:48,960

came to mexico at the behest of uh

2304

01:36:54,310 --> 01:36:51,520

don pedro ferris pedro ferris was like

2305

01:36:57,669 --> 01:36:54,320

the father of mexican ufologies

2306

01:37:01,510 --> 01:36:57,679

one of my personal heroes and

2307

01:37:04,390 --> 01:37:01,520

uh heinek learned of this case

2308

01:37:05,990 --> 01:37:04,400

thanks to feriz so he came to mexico to

2309

01:37:09,590 --> 01:37:06,000

interview

2310

01:37:10,390 --> 01:37:09,600

carlos antonio and the first time they

2311

01:37:13,669 --> 01:37:10,400

had agreed

2312

01:37:17,030 --> 01:37:13,679

to to meet so heineken

2313

01:37:19,109 --> 01:37:17,040

questioned the guy he didn't

2314

01:37:20,149 --> 01:37:19,119

arrive they didn't know what happened to

2315

01:37:24,149 --> 01:37:20,159

him and later

2316

01:37:27,430 --> 01:37:24,159

they found out that he had been actually

2317

01:37:30,870 --> 01:37:27,440

uh menaced uh

2318

01:37:33,990 --> 01:37:30,880

by some sorts of men in black and they

2319

01:37:36,550 --> 01:37:34,000

they threatened him and told him to keep

2320

01:37:37,430 --> 01:37:36,560

quiet and to my knowledge this is one of

2321

01:37:41,430 --> 01:37:37,440

the few

2322

01:37:44,229 --> 01:37:41,440

cases of alleged mibs

2323

01:37:44,709 --> 01:37:44,239

that happened here in mexico so this is

2324

01:37:48,950 --> 01:37:44,719

one of

2325

01:37:50,870 --> 01:37:48,960

so fascinating this is

2326

01:37:52,629 --> 01:37:50,880

i mean to me this is way better than

2327

01:37:53,189 --> 01:37:52,639

what happened with david fravor you know

2328

01:37:55,430 --> 01:37:53,199

like

2329

01:37:56,310 --> 01:37:55,440

i mean if you want physical evidence

2330

01:37:59,350 --> 01:37:56,320

about

2331

01:38:01,830 --> 01:37:59,360

the existence of ufos did this case has

2332

01:38:02,470 --> 01:38:01,840

more evidence about ufos than you know

2333

01:38:04,870 --> 01:38:02,480

those

2334

01:38:07,030 --> 01:38:04,880

goddamn tic tacs you know right and and

2335

01:38:10,070 --> 01:38:07,040

to me yeah this this is one of my

2336

01:38:12,629 --> 01:38:10,080

top 10 top 10 uh ufo

2337

01:38:13,830 --> 01:38:12,639

cases of all time well thank you very

2338

01:38:17,910 --> 01:38:13,840

much for sharing that i

2339

01:38:20,229 --> 01:38:17,920

really appreciate it and um you know um

2340

01:38:21,910 --> 01:38:20,239

again you know it's it's one of these

2341

01:38:22,870 --> 01:38:21,920

things that we don't get to hear very

2342

01:38:26,149 --> 01:38:22,880

often that

2343

01:38:28,870 --> 01:38:26,159

you have very not saying but similar

2344

01:38:30,870 --> 01:38:28,880

stories going on also than you obviously

2345

01:38:32,310 --> 01:38:30,880

in the united states but good to know

2346

01:38:35,030 --> 01:38:32,320

or at least i don't know if it's good to

2347

01:38:36,550 --> 01:38:35,040

know it's it's it's nice to share that

2348

01:38:38,070 --> 01:38:36,560

it's not just happening here

2349

01:38:39,990 --> 01:38:38,080

because sometimes you can you can

2350

01:38:41,669 --> 01:38:40,000

develop an ego-centric

2351

01:38:43,109 --> 01:38:41,679

point of view when when you think it's

2352

01:38:45,189 --> 01:38:43,119

just all about you

2353

01:38:46,790 --> 01:38:45,199

uh when i'm when it comes to us so

2354

01:38:49,830 --> 01:38:46,800

anyway uh thank you for that

2355

01:38:51,590 --> 01:38:49,840

um again every um everyone if you could

2356

01:38:53,270 --> 01:38:51,600

before you if you have a question please

2357

01:38:55,590 --> 01:38:53,280

make sure you put three

2358

01:38:57,270 --> 01:38:55,600

three stars there so that it pops out at

2359

01:39:00,149 --> 01:38:57,280

me you guys have been

2360

01:39:01,030 --> 01:39:00,159

awesomely busy today which is great uh

2361

01:39:02,709 --> 01:39:01,040

but sometimes

2362

01:39:04,950 --> 01:39:02,719

um when there's too much chatter going

2363

01:39:07,830 --> 01:39:04,960

on i can't discern who's asking what

2364

01:39:08,310 --> 01:39:07,840

but here we go so uh this question is

2365

01:39:10,390 --> 01:39:08,320

and i

2366

01:39:12,149 --> 01:39:10,400

i have not heard him say this name so

2367

01:39:15,430 --> 01:39:12,159

i'm gonna probably butcher it but it's

2368

01:39:16,950 --> 01:39:15,440

fabrice or fabrizi and i believe he said

2369

01:39:18,790 --> 01:39:16,960

he was in france which is

2370

01:39:20,070 --> 01:39:18,800

really late there right now so i think

2371

01:39:20,950 --> 01:39:20,080

it's pretty cool that he's still up

2372

01:39:23,590 --> 01:39:20,960

listening

2373

01:39:23,990 --> 01:39:23,600

um or watching in this case the question

2374

01:39:27,590 --> 01:39:24,000

he had

2375

01:39:30,550 --> 01:39:27,600

says question to miguel sorry rpg lol

2376

01:39:32,310 --> 01:39:30,560

can you see uh can you see soon a

2377

01:39:36,709 --> 01:39:32,320

possible platform where the us and

2378

01:39:41,270 --> 01:39:39,910

uh with regards to i think that's what

2379

01:39:44,550 --> 01:39:41,280

he meant

2380

01:39:47,750 --> 01:39:44,560

ah i mean

2381

01:39:48,709 --> 01:39:47,760

wouldn't that be great if there was some

2382

01:39:51,750 --> 01:39:48,719

kind of like

2383

01:39:54,550 --> 01:39:51,760

uh like

2384

01:39:56,550 --> 01:39:54,560

pact or kind of like the treaty i mean

2385

01:39:59,830 --> 01:39:56,560

we have commercial treaties like

2386

01:40:03,109 --> 01:39:59,840

in in north america we used to have uh

2387

01:40:03,830 --> 01:40:03,119

nafta now we have a another kind of like

2388

01:40:10,950 --> 01:40:03,840

uh

2389

01:40:14,310 --> 01:40:10,960

united states and canada and mexico

2390

01:40:16,790 --> 01:40:14,320

and wouldn't that be great if there was

2391

01:40:20,149 --> 01:40:16,800

some kind of like hey guys you know

2392

01:40:23,430 --> 01:40:20,159

let's share data shall we

2393

01:40:26,950 --> 01:40:23,440

if if this kind of things happened

2394

01:40:29,750 --> 01:40:26,960

although i fear fabrice

2395

01:40:31,030 --> 01:40:29,760

uh i hope i'm saying your name correctly

2396

01:40:32,790 --> 01:40:31,040

i fear that

2397

01:40:35,030 --> 01:40:32,800

with these kind of things with you the

2398

01:40:38,390 --> 01:40:35,040

ufo phenomenon

2399

01:40:42,390 --> 01:40:38,400

the situation has always been

2400

01:40:45,990 --> 01:40:42,400

very unilateral like

2401

01:40:50,470 --> 01:40:46,000

if something happens in mexico

2402

01:40:53,350 --> 01:40:50,480

or in brazil or in argentina

2403

01:40:54,550 --> 01:40:53,360

then the americans demand all

2404

01:40:57,830 --> 01:40:54,560

information and

2405

01:41:00,870 --> 01:40:57,840

data or maybe even material evidence

2406

01:41:03,109 --> 01:41:00,880

to be sent to them and

2407

01:41:04,149 --> 01:41:03,119

the latin american authorities they say

2408

01:41:08,709 --> 01:41:04,159

yeah

2409

01:41:10,950 --> 01:41:08,719

sure you know whatever you say senior

2410

01:41:12,629 --> 01:41:10,960

and and they never hear anything about

2411

01:41:16,070 --> 01:41:12,639

it because well you know

2412

01:41:18,629 --> 01:41:16,080

the americanos they they know probably

2413

01:41:20,229 --> 01:41:18,639

what's best you know they have they have

2414

01:41:21,590 --> 01:41:20,239

better equipment they have more

2415

01:41:25,510 --> 01:41:21,600

resources

2416

01:41:28,709 --> 01:41:25,520

so and and i feel

2417

01:41:30,390 --> 01:41:28,719

that for the majority of the governments

2418

01:41:34,550 --> 01:41:30,400

of this world

2419

01:41:38,229 --> 01:41:34,560

the ufo phenomenon is such a nuisance

2420

01:41:40,870 --> 01:41:38,239

that to have someone to say ah

2421

01:41:42,470 --> 01:41:40,880

let me get get this off your back you

2422

01:41:43,189 --> 01:41:42,480

know you don't have to worry about this

2423

01:41:46,470 --> 01:41:43,199

you know you

2424

01:41:49,830 --> 01:41:46,480

just give it to me they will say

2425

01:41:52,310 --> 01:41:49,840

thank you you know sure here you go

2426
01:41:53,270 --> 01:41:52,320
you know instead of trying to deal with

2427
01:41:56,470 --> 01:41:53,280
it you know

2428
01:41:57,669 --> 01:41:56,480
so i think that's what has happened in

2429
01:42:00,950 --> 01:41:57,679
the past

2430
01:42:03,030 --> 01:42:00,960
with regards to the ufo phenomenon

2431
01:42:04,149 --> 01:42:03,040
and i don't know i don't know i i don't

2432
01:42:07,910 --> 01:42:04,159
see

2433
01:42:09,189 --> 01:42:07,920
if something could happen that could

2434
01:42:12,550 --> 01:42:09,199
change that

2435
01:42:15,830 --> 01:42:12,560
unless maybe maybe and this is i'm

2436
01:42:19,030 --> 01:42:15,840
i'm putting my speculating cap

2437
01:42:23,510 --> 01:42:19,040
here maybe if the if the this

2438
01:42:27,030 --> 01:42:23,520

new report that is going to be presented

2439

01:42:30,149 --> 01:42:27,040

ends up saying yeah we have

2440

01:42:32,470 --> 01:42:30,159

evidence that

2441

01:42:33,510 --> 01:42:32,480

adversaries to the united states and

2442

01:42:36,149 --> 01:42:33,520

even to to

2443

01:42:37,189 --> 01:42:36,159

other countries like the chinese and the

2444

01:42:40,709 --> 01:42:37,199

russians

2445

01:42:43,750 --> 01:42:40,719

are threatening our airspace

2446

01:42:44,470 --> 01:42:43,760

our borders and we need more information

2447

01:42:47,910 --> 01:42:44,480

we we

2448

01:42:50,950 --> 01:42:47,920

we have this drone problem that we need

2449

01:42:52,550 --> 01:42:50,960

help to solve and maybe even you know

2450

01:42:54,950 --> 01:42:52,560

the americans saying

2451
01:42:56,709 --> 01:42:54,960
to the mexican authorities hey we have

2452
01:42:59,830 --> 01:42:56,719
evidence that i don't know

2453
01:43:04,149 --> 01:42:59,840
the cartels are using drones

2454
01:43:07,910 --> 01:43:04,159
in order to uh drop

2455
01:43:11,430 --> 01:43:07,920
their cargo of you know narcotics

2456
01:43:14,470 --> 01:43:11,440
uh through the borders so therefore

2457
01:43:15,030 --> 01:43:14,480
we need you guys to help us detect you

2458
01:43:17,430 --> 01:43:15,040
know

2459
01:43:19,750 --> 01:43:17,440
if there's something anomalous happening

2460
01:43:23,350 --> 01:43:19,760
uh between the

2461
01:43:25,590 --> 01:43:23,360
american mexico border with regards to

2462
01:43:27,510 --> 01:43:25,600
you know an anomalous thing these things

2463
01:43:29,910 --> 01:43:27,520

in the sky

2464

01:43:30,709 --> 01:43:29,920

that is to me the only way in which

2465

01:43:32,870 --> 01:43:30,719

maybe the

2466

01:43:34,390 --> 01:43:32,880

mexican government will say yeah well

2467

01:43:37,270 --> 01:43:34,400

okay we'll help you you know

2468

01:43:38,149 --> 01:43:37,280

you know okay boy i have so many

2469

01:43:40,310 --> 01:43:38,159

follow-up questions

2470

01:43:42,229 --> 01:43:40,320

but otherwise it'll just take us down

2471

01:43:43,750 --> 01:43:42,239

another tangent and i wanted to go ahead

2472

01:43:47,030 --> 01:43:43,760

and ask him this question

2473

01:43:48,629 --> 01:43:47,040

but uh uh man it's tempting but i'm not

2474

01:43:51,270 --> 01:43:48,639

gonna go i'm not gonna do it

2475

01:43:51,669 --> 01:43:51,280

so this other one this other question is

2476

01:43:53,510 --> 01:43:51,679

from

2477

01:43:55,830 --> 01:43:53,520

hazel i believe at one point she said

2478

01:43:59,030 --> 01:43:55,840

she's in spain right now so

2479

01:44:01,189 --> 01:43:59,040

uh the question is what

2480

01:44:02,950 --> 01:44:01,199

what is your gut feeling for the next

2481

01:44:06,070 --> 01:44:02,960

couple of years and i'm assuming it's

2482

01:44:09,430 --> 01:44:06,080

also regarding this ufo phenomena

2483

01:44:16,550 --> 01:44:12,870

such such a great question

2484

01:44:21,109 --> 01:44:16,560

so so difficult to answer

2485

01:44:24,229 --> 01:44:21,119

i mean if you had told me

2486

01:44:28,870 --> 01:44:24,239

in 2016

2487

01:44:32,790 --> 01:44:28,880

that there was going to be

2488

01:44:35,030 --> 01:44:32,800

articles about ufos appearing in the new

2489

01:44:38,790 --> 01:44:35,040

york times

2490

01:44:42,870 --> 01:44:38,800

i would have laughed out loud and said

2491

01:44:46,950 --> 01:44:42,880

no way man no way like gets real

2492

01:44:51,189 --> 01:44:46,960

uh i don't know it's difficult i mean

2493

01:44:54,470 --> 01:44:51,199

sometimes the scenic part of me feels

2494

01:44:58,229 --> 01:44:54,480

that this whole new

2495

01:45:02,709 --> 01:44:58,239

uh a social attention about ufos

2496

01:45:06,390 --> 01:45:02,719

is going to eventually fizzle out

2497

01:45:09,990 --> 01:45:06,400

because let us remember this is this new

2498

01:45:11,750 --> 01:45:10,000

uh interest in in in in ufos

2499

01:45:13,430 --> 01:45:11,760

it's kind of like i don't want to say

2500

01:45:17,510 --> 01:45:13,440

it's uh artificial

2501
01:45:21,189 --> 01:45:17,520
because apparently there has been ufo

2502
01:45:25,669 --> 01:45:21,199
or or uap related events happening

2503
01:45:28,870 --> 01:45:25,679
after 2017 but

2504
01:45:32,310 --> 01:45:28,880
there's not been any kind of like

2505
01:45:35,510 --> 01:45:32,320
one of those ufo waves you know like

2506
01:45:38,550 --> 01:45:35,520
happening in in in a certain uh

2507
01:45:39,510 --> 01:45:38,560
heavily populated area of the world like

2508
01:45:42,790 --> 01:45:39,520
you know like

2509
01:45:46,470 --> 01:45:42,800
what used to happen i i i want to say

2510
01:45:49,510 --> 01:45:46,480
in the new york state

2511
01:45:51,990 --> 01:45:49,520
in the late 1980s in the hudson

2512
01:45:54,310 --> 01:45:52,000
valley area when people used to see

2513
01:45:57,350 --> 01:45:54,320

these uh

2514

01:46:00,229 --> 01:45:57,360

boomerang type giant ufos or

2515

01:46:01,189 --> 01:46:00,239

in belgium in the 1990s you know this is

2516

01:46:11,590 --> 01:46:01,199

a

2517

01:46:14,229 --> 01:46:11,600

uh

2518

01:46:16,669 --> 01:46:14,239

prior to the fall of the soviet union

2519

01:46:19,270 --> 01:46:16,679

because of the

2520

01:46:23,030 --> 01:46:19,280

1989 1990

2521

01:46:25,750 --> 01:46:23,040

1989 landing in vorones

2522

01:46:26,790 --> 01:46:25,760

you know right before the fall of the

2523

01:46:29,189 --> 01:46:26,800

berlin wall

2524

01:46:30,149 --> 01:46:29,199

there was this case of uh you know a

2525

01:46:33,669 --> 01:46:30,159

landing

2526

01:46:35,990 --> 01:46:33,679

of a of a ufo near a park where children

2527

01:46:38,629 --> 01:46:36,000

were present and there was these giants

2528

01:46:39,510 --> 01:46:38,639

uh you know cyclops coming and one of

2529

01:46:42,629 --> 01:46:39,520

those

2530

01:46:44,070 --> 01:46:42,639

like um should shot something and one of

2531

01:46:47,590 --> 01:46:44,080

the children disappeared and

2532

01:46:49,669 --> 01:46:47,600

it was wild you know like what what is

2533

01:46:52,550 --> 01:46:49,679

going on

2534

01:46:53,270 --> 01:46:52,560

i there was there hasn't been something

2535

01:46:56,470 --> 01:46:53,280

like that

2536

01:46:59,669 --> 01:46:56,480

happening you know so

2537

01:47:01,189 --> 01:46:59,679

without that it's very difficult for

2538

01:47:05,350 --> 01:47:01,199

people to keep

2539

01:47:08,070 --> 01:47:05,360

an active interest in the ufo

2540

01:47:09,030 --> 01:47:08,080

phenomenon you know for a long periods

2541

01:47:11,590 --> 01:47:09,040

of time

2542

01:47:13,350 --> 01:47:11,600

except for us we're those who are

2543

01:47:15,430 --> 01:47:13,360

passionate about it you know

2544

01:47:17,430 --> 01:47:15,440

most people move on with their lives and

2545

01:47:18,709 --> 01:47:17,440

say well you know let's just check the

2546

01:47:22,149 --> 01:47:18,719

new episode of

2547

01:47:25,270 --> 01:47:22,159

i don't know the mandalorian whatever so

2548

01:47:26,870 --> 01:47:25,280

maybe a new ufo wave

2549

01:47:29,270 --> 01:47:26,880

will happen somewhere you know maybe

2550

01:47:32,870 --> 01:47:29,280

there will be some amazing

2551
01:47:33,990 --> 01:47:32,880
case happening in a few days or maybe

2552
01:47:37,350 --> 01:47:34,000
tomorrow

2553
01:47:40,629 --> 01:47:37,360
nobody can say for certain or maybe

2554
01:47:43,910 --> 01:47:40,639
the interest will fizzle out or it's

2555
01:47:45,109 --> 01:47:43,920
it's hard to tell i mean not to be too

2556
01:47:48,470 --> 01:47:45,119
grim about it but

2557
01:47:49,030 --> 01:47:48,480
if there is a war in ukraine starting

2558
01:47:52,550 --> 01:47:49,040
this

2559
01:47:55,109 --> 01:47:52,560
next week people will start to really

2560
01:47:56,870 --> 01:47:55,119
really don't care too much about ufos

2561
01:47:59,350 --> 01:47:56,880
yeah priority shift

2562
01:48:00,709 --> 01:47:59,360
that's for sure priority shift and let's

2563
01:48:03,990 --> 01:48:00,719

have let's see what

2564

01:48:07,750 --> 01:48:04,000

let's remember what happened last year

2565

01:48:09,910 --> 01:48:07,760

guys last year was

2566

01:48:12,070 --> 01:48:09,920

for the history books you are going to

2567

01:48:15,990 --> 01:48:12,080

if you manage to sort

2568

01:48:19,030 --> 01:48:16,000

if we manage to survive knocking on wood

2569

01:48:22,310 --> 01:48:19,040

we're going to tell our grandkids

2570

01:48:26,149 --> 01:48:22,320

what it was like to live in 2020

2571

01:48:29,109 --> 01:48:26,159

when we were all had to be quarantined

2572

01:48:30,550 --> 01:48:29,119

in our houses and when we had to get out

2573

01:48:34,070 --> 01:48:30,560

we had to use these

2574

01:48:37,430 --> 01:48:34,080

face masks in order to try to remain

2575

01:48:42,070 --> 01:48:37,440

uh from infecting each other you know

2576

01:48:45,350 --> 01:48:44,709

the the way the economy is going and

2577

01:48:48,629 --> 01:48:45,360

also

2578

01:48:50,470 --> 01:48:48,639

i mean climate change it's

2579

01:48:52,310 --> 01:48:50,480

it's difficult to ascertain what will

2580

01:48:56,149 --> 01:48:52,320

happen i mean

2581

01:49:00,390 --> 01:48:56,159

people think oh maybe the ufos will land

2582

01:49:03,910 --> 01:49:00,400

tomorrow that would be great but

2583

01:49:06,229 --> 01:49:03,920

i'm not counting on that this is what

2584

01:49:07,270 --> 01:49:06,239

so people in the united states right now

2585

01:49:10,390 --> 01:49:07,280

are obsessed

2586

01:49:14,149 --> 01:49:10,400

with uh disclosure you know which to me

2587

01:49:17,430 --> 01:49:14,159

is the more asinine and the more

2588

01:49:19,910 --> 01:49:17,440

uh you know stupid uh

2589

01:49:22,709 --> 01:49:19,920

trend that has been surfaced from from

2590

01:49:24,629 --> 01:49:22,719

ufology that the idea of

2591

01:49:26,310 --> 01:49:24,639

waiting for the people who have lied to

2592

01:49:28,229 --> 01:49:26,320

you for decades to to

2593

01:49:29,990 --> 01:49:28,239

finally tell you the truth and say yeah

2594

01:49:31,910 --> 01:49:30,000

you know what you were right all along

2595

01:49:33,350 --> 01:49:31,920

i was going to ask you about that like

2596

01:49:33,830 --> 01:49:33,360

especially with the there was early in

2597

01:49:35,510 --> 01:49:33,840

the chat

2598

01:49:37,430 --> 01:49:35,520

and very beginning uh somebody wrote

2599

01:49:40,790 --> 01:49:37,440

something about countdown to the

2600

01:49:42,470 --> 01:49:40,800

180 day um revelation of something that

2601
01:49:45,830 --> 01:49:42,480
they signed

2602
01:49:47,830 --> 01:49:45,840
but if if for some weird reason they

2603
01:49:49,270 --> 01:49:47,840
actually are serious this time which i

2604
01:49:50,790 --> 01:49:49,280
personally doubt it

2605
01:49:52,629 --> 01:49:50,800
don't you think you'll kind of set a

2606
01:49:54,870 --> 01:49:52,639
different mood for the rest of the world

2607
01:49:55,990 --> 01:49:54,880
once the united states if the united

2608
01:50:01,109 --> 01:49:56,000
states changes their

2609
01:50:05,669 --> 01:50:01,119
tomb i'm not sure

2610
01:50:08,709 --> 01:50:05,679
uh i'm not sure because

2611
01:50:12,550 --> 01:50:08,719
the you the united states is no longer

2612
01:50:15,990 --> 01:50:12,560
calling the shots in the world they were

2613
01:50:16,470 --> 01:50:16,000

the way they used to 20 years prior you

2614

01:50:18,950 --> 01:50:16,480

know

2615

01:50:20,709 --> 01:50:18,960

you remember jerry maguire the the

2616

01:50:21,189 --> 01:50:20,719

beginning of the movie jerry maguire the

2617

01:50:23,430 --> 01:50:21,199

units

2618

01:50:24,870 --> 01:50:23,440

the the united states still you know

2619

01:50:27,589 --> 01:50:24,880

setting the pace

2620

01:50:28,390 --> 01:50:27,599

that's no longer the case man i mean

2621

01:50:31,109 --> 01:50:28,400

again

2622

01:50:33,589 --> 01:50:31,119

not to be too political about it but

2623

01:50:36,149 --> 01:50:33,599

after donald trump

2624

01:50:37,669 --> 01:50:36,159

the rest of the world like looked at

2625

01:50:40,950 --> 01:50:37,679

each other and said

2626

01:50:45,350 --> 01:50:40,960

yeah i mean we are not going to look

2627

01:50:47,669 --> 01:50:45,360

for them to them for guidance you know

2628

01:50:49,189 --> 01:50:47,679

like we're on our own like the united

2629

01:50:52,229 --> 01:50:49,199

states left the

2630

01:50:54,229 --> 01:50:52,239

the party climate change agreement

2631

01:50:55,430 --> 01:50:54,239

the united states threatened to leave

2632

01:50:58,470 --> 01:50:55,440

the world health

2633

01:51:01,030 --> 01:50:58,480

organization it was kind of like

2634

01:51:01,510 --> 01:51:01,040

i mean i guess it's very cliché to say

2635

01:51:04,310 --> 01:51:01,520

but it's

2636

01:51:05,830 --> 01:51:04,320

it's kind of feels like the fall of rome

2637

01:51:06,470 --> 01:51:05,840

and and the rest of the world is going

2638

01:51:09,430 --> 01:51:06,480

to say well

2639

01:51:10,950 --> 01:51:09,440

i mean we're we are not going to look

2640

01:51:13,189 --> 01:51:10,960

for the romans

2641

01:51:14,790 --> 01:51:13,199

to tell us what are those you know

2642

01:51:18,830 --> 01:51:14,800

shields in the sky

2643

01:51:25,669 --> 01:51:22,390

if tomorrow president joe biden

2644

01:51:27,830 --> 01:51:25,679

were to appear on

2645

01:51:28,709 --> 01:51:27,840

you know in front of the white house and

2646

01:51:31,030 --> 01:51:28,719

said

2647

01:51:32,550 --> 01:51:31,040

my fellow american citizens of the world

2648

01:51:35,669 --> 01:51:32,560

you know

2649

01:51:38,470 --> 01:51:35,679

i am here to announce that we

2650

01:51:40,629 --> 01:51:38,480

are have finally discovered that we're

2651
01:51:43,910 --> 01:51:40,639
not alone in the universe and we

2652
01:51:47,109 --> 01:51:43,920
are in fact being visited by you know

2653
01:51:49,990 --> 01:51:47,119
intelligences coming from somewhere in

2654
01:51:50,000 --> 01:51:54,070
it's kind of like uh

2655
01:52:00,550 --> 01:51:57,990
well imagine imagine imagine if

2656
01:52:02,229 --> 01:52:00,560
if a representative of nasa were to have

2657
01:52:05,109 --> 01:52:02,239
also a press conference telling

2658
01:52:05,430 --> 01:52:05,119
telling us that they nasa has detected

2659
01:52:08,470 --> 01:52:05,440
an

2660
01:52:12,149 --> 01:52:08,480
asteroid that that is going to hit

2661
01:52:16,550 --> 01:52:12,159
the earth and destroyed the world

2662
01:52:20,149 --> 01:52:16,560
five years from now i i guarantee you

2663
01:52:23,589 --> 01:52:20,159

after that announcement

2664

01:52:26,470 --> 01:52:23,599

40 of of or 30 will

2665

01:52:28,070 --> 01:52:26,480

believe that announcement and the rest

2666

01:52:31,270 --> 01:52:28,080

of the world will say

2667

01:52:34,950 --> 01:52:31,280

nah that's [h__\h]

2668

01:52:37,750 --> 01:52:34,960

you know that's fake news

2669

01:52:38,629 --> 01:52:37,760

you know when was the last time that

2670

01:52:41,669 --> 01:52:38,639

that

2671

01:52:45,430 --> 01:52:41,679

we trusted implicitly

2672

01:52:48,229 --> 01:52:45,440

on what politicians told us you know

2673

01:52:49,189 --> 01:52:48,239

when was the last time that we trusted

2674

01:52:52,709 --> 01:52:49,199

implicitly

2675

01:52:56,070 --> 01:52:52,719

in what mainstream news told us

2676
01:52:57,189 --> 01:52:56,080
that is the reason why alternative sites

2677
01:53:00,550 --> 01:52:57,199
like

2678
01:53:04,149 --> 01:53:00,560
breitbart news or alex jones info wars

2679
01:53:04,870 --> 01:53:04,159
rose into popularity because there is

2680
01:53:11,350 --> 01:53:04,880
such a

2681
01:53:11,990 --> 01:53:11,360
official institutions i mean the world

2682
01:53:15,750 --> 01:53:12,000
is in such

2683
01:53:18,550 --> 01:53:15,760
a disarray you guys we don't we don't we

2684
01:53:21,589 --> 01:53:18,560
don't believe in anything anymore i mean

2685
01:53:23,430 --> 01:53:21,599
think about it there are people maybe

2686
01:53:26,229 --> 01:53:23,440
there are not too many people

2687
01:53:27,589 --> 01:53:26,239
now but there are still people in the

2688
01:53:33,270 --> 01:53:27,599

united states

2689

01:53:35,910 --> 01:53:33,280

who think the earth is flat

2690

01:53:36,310 --> 01:53:35,920

what do you say to that and then you

2691

01:53:39,189 --> 01:53:36,320

think

2692

01:53:40,870 --> 01:53:39,199

that there was there will be something

2693

01:53:44,709 --> 01:53:40,880

said by anyone

2694

01:53:48,629 --> 01:53:44,719

that everybody will believe in

2695

01:53:50,390 --> 01:53:48,639

i don't think so unless there was some

2696

01:53:53,990 --> 01:53:50,400

kind of like

2697

01:53:56,870 --> 01:53:54,000

tangible evidence right like

2698

01:53:57,510 --> 01:53:56,880

yeah everybody everybody can see like in

2699

01:53:59,589 --> 01:53:57,520

the movie

2700

01:54:00,950 --> 01:53:59,599

science you know and not shyamalan

2701

01:54:02,950 --> 01:54:00,960

science which

2702

01:54:04,229 --> 01:54:02,960

actually is a really good movie if you

2703

01:54:06,070 --> 01:54:04,239

know by the

2704

01:54:07,589 --> 01:54:06,080

third time you see it you'll be

2705

01:54:10,149 --> 01:54:07,599

beginning to appreciate it

2706

01:54:11,189 --> 01:54:10,159

but if if like in the movie science

2707

01:54:14,390 --> 01:54:11,199

everybody could

2708

01:54:18,790 --> 01:54:14,400

go outside and see you know like

2709

01:54:25,350 --> 01:54:22,149

nobody will implicitly believe in

2710

01:54:26,390 --> 01:54:25,360

anything said by anyone you know without

2711

01:54:30,709 --> 01:54:26,400

some kind of like

2712

01:54:32,470 --> 01:54:30,719

tangible proof that and unfortunately

2713

01:54:34,870 --> 01:54:32,480

you know with regards to the recent

2714

01:54:37,350 --> 01:54:34,880

revelations

2715

01:54:39,350 --> 01:54:37,360

there hasn't been any kind of compelling

2716

01:54:43,189 --> 01:54:39,360

evidence coming forward

2717

01:54:48,070 --> 01:54:43,199

like i said those videos

2718

01:54:51,109 --> 01:54:48,080

the clear one the the go fast the gimbal

2719

01:54:53,430 --> 01:54:51,119

their yeah kind of interesting but in

2720

01:54:55,750 --> 01:54:53,440

the end they're kind of crappy too

2721

01:54:56,629 --> 01:54:55,760

nobody will give a damn about the tic

2722

01:54:59,109 --> 01:54:56,639

tac

2723

01:55:00,870 --> 01:54:59,119

ufos if there wasn't someone like

2724

01:55:03,750 --> 01:55:00,880

commander david fravor

2725

01:55:04,070 --> 01:55:03,760

saying yeah i saw them they were real

2726

01:55:07,270 --> 01:55:04,080

they

2727

01:55:10,550 --> 01:55:07,280

were not you know

2728

01:55:13,030 --> 01:55:10,560

of human origin nobody will give a damn

2729

01:55:17,350 --> 01:55:13,040

about it

2730

01:55:21,030 --> 01:55:17,360

so we're we are still

2731

01:55:24,550 --> 01:55:21,040

i i also happen to to believe by the way

2732

01:55:28,870 --> 01:55:24,560

that that evidence has been doctored

2733

01:55:32,470 --> 01:55:28,880

or edited in such a way as to being

2734

01:55:35,750 --> 01:55:32,480

deliberately ambiguous

2735

01:55:38,149 --> 01:55:35,760

what i mean by that is that

2736

01:55:38,950 --> 01:55:38,159

they they keep telling us oh yeah and

2737

01:55:41,109 --> 01:55:38,960

and

2738

01:55:42,390 --> 01:55:41,119

some people actually that video was

2739

01:55:46,310 --> 01:55:42,400

actually longer

2740

01:55:47,350 --> 01:55:46,320

or or someone managed to get a better

2741

01:55:50,629 --> 01:55:47,360

glimpse of

2742

01:55:53,750 --> 01:55:50,639

of that object which was

2743

01:55:55,910 --> 01:55:53,760

much clearer and and left no doubt that

2744

01:55:58,709 --> 01:55:55,920

it was a true ufo

2745

01:55:59,270 --> 01:55:58,719

so far none of us have seen that

2746

01:56:03,030 --> 01:55:59,280

evidence

2747

01:56:05,990 --> 01:56:03,040

right we only seen seconds of

2748

01:56:06,550 --> 01:56:06,000

something some blurry pixels that is

2749

01:56:10,229 --> 01:56:06,560

there and

2750

01:56:13,350 --> 01:56:10,239

oh now it's gone or you know things that

2751
01:56:13,910 --> 01:56:13,360
moving and saying well it's rotating on

2752
01:56:16,629 --> 01:56:13,920
this road

2753
01:56:17,750 --> 01:56:16,639
and then there are skeptics like me

2754
01:56:20,070 --> 01:56:17,760
quest

2755
01:56:21,830 --> 01:56:20,080
who are you know i i want to give him a

2756
01:56:24,310 --> 01:56:21,840
hard time you know i mean

2757
01:56:25,589 --> 01:56:24,320
he's right to say i only have these to

2758
01:56:28,149 --> 01:56:25,599
work on

2759
01:56:30,070 --> 01:56:28,159
i i haven't seen the rest of the

2760
01:56:33,189 --> 01:56:30,080
evidence they supposedly have

2761
01:56:34,790 --> 01:56:33,199
kept somewhere you know that they

2762
01:56:38,229 --> 01:56:34,800
haven't provided because

2763
01:56:42,229 --> 01:56:38,239

of reasons of national security so

2764

01:56:43,189 --> 01:56:42,239

with that in mind i see this and i don't

2765

01:56:46,470 --> 01:56:43,199

buy it

2766

01:56:49,109 --> 01:56:46,480

either

2767

01:56:50,149 --> 01:56:49,119

it's really this evidence is really

2768

01:56:53,270 --> 01:56:50,159

really

2769

01:56:55,189 --> 01:56:53,280

uh underwhelming right right and and

2770

01:56:56,470 --> 01:56:55,199

i don't know what i i i guess i'm

2771

01:56:57,510 --> 01:56:56,480

ranting by now i don't know what i'm

2772

01:57:00,149 --> 01:56:57,520

going to do but but

2773

01:57:01,109 --> 01:57:00,159

i'm i feel that getting back to the

2774

01:57:03,510 --> 01:57:01,119

original question

2775

01:57:05,270 --> 01:57:03,520

where will we be i don't know maybe some

2776

01:57:09,669 --> 01:57:05,280

big revelation will come in

2777

01:57:13,430 --> 01:57:09,679

i don't think so i i rather live my life

2778

01:57:16,709 --> 01:57:13,440

not expecting not expecting

2779

01:57:19,990 --> 01:57:16,719

anything from people

2780

01:57:22,149 --> 01:57:20,000

uh on high positions of the government

2781

01:57:23,510 --> 01:57:22,159

i don't really feel that the ufo

2782

01:57:27,189 --> 01:57:23,520

phenomenon

2783

01:57:31,430 --> 01:57:27,199

moves that way i don't i don't believe

2784

01:57:33,589 --> 01:57:31,440

in revelations or disclosures

2785

01:57:35,990 --> 01:57:33,599

that happens from the top down like

2786

01:57:39,589 --> 01:57:36,000

trickle-down economics you know

2787

01:57:41,030 --> 01:57:39,599

that never works i believe in a kind of

2788

01:57:45,109 --> 01:57:41,040

like

2789

01:57:49,030 --> 01:57:45,119

grass roots contact

2790

01:57:52,870 --> 01:57:49,040

with this non-human intelligence

2791

01:57:56,629 --> 01:57:52,880

that instead of talking to

2792

01:57:59,750 --> 01:57:56,639

prince philip you know the the late

2793

01:58:00,790 --> 01:57:59,760

uh uh husband of queen eliza instead of

2794

01:58:02,790 --> 01:58:00,800

talking to

2795

01:58:05,830 --> 01:58:02,800

uh neil degrasse tyson or stephen

2796

01:58:08,550 --> 01:58:05,840

hawkings they prefer to talk to

2797

01:58:09,830 --> 01:58:08,560

make contact with chicken farmers

2798

01:58:13,350 --> 01:58:09,840

housewives

2799

01:58:16,870 --> 01:58:13,360

people living in trailer parks and they

2800

01:58:17,910 --> 01:58:16,880

interact with with those people in order

2801
01:58:20,950 --> 01:58:17,920
to have

2802
01:58:23,350 --> 01:58:20,960
some kind of influence on our society

2803
01:58:23,990 --> 01:58:23,360
from the bottom up and that kind of

2804
01:58:27,189 --> 01:58:24,000
influence

2805
01:58:30,390 --> 01:58:27,199
yes it takes a long time

2806
01:58:33,430 --> 01:58:30,400
to make a shift in our culture

2807
01:58:34,550 --> 01:58:33,440
right but guess what i think those guys

2808
01:58:36,709 --> 01:58:34,560
have all

2809
01:58:38,870 --> 01:58:36,719
the time in the world well miguel i

2810
01:58:40,070 --> 01:58:38,880
certainly i certainly appreciate your

2811
01:58:41,589 --> 01:58:40,080
you know your opinion and your

2812
01:58:41,990 --> 01:58:41,599
perspective and your point of view you

2813
01:58:43,830 --> 01:58:42,000

know

2814

01:58:45,109 --> 01:58:43,840

um just something about what you were

2815

01:58:48,470 --> 01:58:45,119

saying earlier

2816

01:58:49,510 --> 01:58:48,480

you know i was gone for about excuse me

2817

01:58:52,709 --> 01:58:49,520

for about two years

2818

01:58:54,790 --> 01:58:52,719

all together because for one um

2819

01:58:55,990 --> 01:58:54,800

you know where we were living is a very

2820

01:58:59,189 --> 01:58:56,000

small space and

2821

01:59:00,790 --> 01:58:59,199

our family is expanding so and

2822

01:59:02,709 --> 01:59:00,800

what i was trying to do just wasn't

2823

01:59:04,390 --> 01:59:02,719

going and then just intuitively kind of

2824

01:59:05,669 --> 01:59:04,400

like okay we need more space

2825

01:59:07,750 --> 01:59:05,679

well there's always you know the

2826
01:59:08,390 --> 01:59:07,760
monetary issues and all that but i never

2827
01:59:10,070 --> 01:59:08,400
let that

2828
01:59:12,310 --> 01:59:10,080
really like get get to my head it was

2829
01:59:13,430 --> 01:59:12,320
like well i just built what i need you

2830
01:59:14,870 --> 01:59:13,440
know and so

2831
01:59:16,470 --> 01:59:14,880
there was this talk and i'm like all

2832
01:59:17,510 --> 01:59:16,480
right i want to build this studio i'm

2833
01:59:18,870 --> 01:59:17,520
sitting in right now

2834
01:59:21,109 --> 01:59:18,880
and it took me about a year and a half

2835
01:59:22,709 --> 01:59:21,119
because uh with some health with my

2836
01:59:24,310 --> 01:59:22,719
father-in-law and whatnot you know we

2837
01:59:26,629 --> 01:59:24,320
were able to um

2838
01:59:29,189 --> 01:59:26,639

you know he helped me with he built

2839

01:59:31,510 --> 01:59:29,199

houses for like 30-plus years so he

2840

01:59:33,589 --> 01:59:31,520

i was whatever i was doing he could kind

2841

01:59:35,270 --> 01:59:33,599

of confirm about yes go ahead do it like

2842

01:59:37,350 --> 01:59:35,280

that and yes the foundation will be

2843

01:59:39,030 --> 01:59:37,360

great if you do this and that and so on

2844

01:59:40,629 --> 01:59:39,040

anyway what i'm trying to say is my

2845

01:59:42,390 --> 01:59:40,639

mindset was in a totally different

2846

01:59:44,550 --> 01:59:42,400

environment i was basically kind of

2847

01:59:45,510 --> 01:59:44,560

building the next thing which turned out

2848

01:59:47,430 --> 01:59:45,520

to be this

2849

01:59:49,589 --> 01:59:47,440

you know and it took a while but i was

2850

01:59:51,830 --> 01:59:49,599

focused on that when i came back

2851

01:59:53,589 --> 01:59:51,840

it was very polarized you know very

2852

01:59:54,149 --> 01:59:53,599

polarized because i felt like i was kind

2853

01:59:56,390 --> 01:59:54,159

of

2854

01:59:58,310 --> 01:59:56,400

like no pun intended dropped on a

2855

02:00:00,390 --> 01:59:58,320

foreign planet and i just there was all

2856

02:00:03,430 --> 02:00:00,400

these things going on to where

2857

02:00:05,589 --> 02:00:03,440

um people were talking about things

2858

02:00:07,430 --> 02:00:05,599

that i just didn't agree with but i

2859

02:00:07,910 --> 02:00:07,440

didn't understand where it came from you

2860

02:00:10,149 --> 02:00:07,920

know

2861

02:00:11,109 --> 02:00:10,159

and this could go both ways i'm kind of

2862

02:00:13,669 --> 02:00:11,119

i'm being

2863

02:00:14,149 --> 02:00:13,679

uh center based and elusive on purpose

2864

02:00:16,709 --> 02:00:14,159

and so

2865

02:00:17,830 --> 02:00:16,719

i had to kind of make a decision like

2866

02:00:20,470 --> 02:00:17,840

okay i've now

2867

02:00:22,950 --> 02:00:20,480

lost half my friends right because well

2868

02:00:25,270 --> 02:00:22,960

they strong-willed i'm strong-willed so

2869

02:00:25,990 --> 02:00:25,280

this is how it's going to be but i saw

2870

02:00:28,550 --> 02:00:26,000

it also go

2871

02:00:30,070 --> 02:00:28,560

into literally like into knitting groups

2872

02:00:31,430 --> 02:00:30,080

you know they would like separate

2873

02:00:34,229 --> 02:00:31,440

themselves between this

2874

02:00:35,270 --> 02:00:34,239

you know left right issue and i saw that

2875

02:00:37,270 --> 02:00:35,280

unfortunate

2876
02:00:39,030 --> 02:00:37,280
split happening and i was like how are

2877
02:00:41,510 --> 02:00:39,040
we ever going to get together figured

2878
02:00:43,109 --> 02:00:41,520
out anything if we can't agree on

2879
02:00:45,910 --> 02:00:43,119
something so i just made it a

2880
02:00:47,270 --> 02:00:45,920
i certainly always always want everyone

2881
02:00:48,709 --> 02:00:47,280
and any of my guests to

2882
02:00:50,709 --> 02:00:48,719
just say whatever is on their mind

2883
02:00:52,149 --> 02:00:50,719
because that's what i want for them to

2884
02:00:54,149 --> 02:00:52,159
truly speak on it

2885
02:00:55,669 --> 02:00:54,159
just when it came to me personally i

2886
02:00:57,830 --> 02:00:55,679
just wanted to

2887
02:00:59,510 --> 02:00:57,840
for that platform to be that open you

2888
02:01:01,510 --> 02:00:59,520

know it doesn't matter whether it's

2889

02:01:03,350 --> 02:01:01,520

whatever the issue is that's on the on

2890

02:01:06,310 --> 02:01:03,360

the guest chest for them to

2891

02:01:06,629 --> 02:01:06,320

to say it because i didn't want to have

2892

02:01:09,270 --> 02:01:06,639

then

2893

02:01:09,750 --> 02:01:09,280

another platform that divides again you

2894

02:01:13,990 --> 02:01:09,760

know

2895

02:01:17,189 --> 02:01:14,000

like the knitting groups and

2896

02:01:18,709 --> 02:01:17,199

all the like facebook was split um

2897

02:01:20,790 --> 02:01:18,719

you know even i called up some of my

2898

02:01:22,870 --> 02:01:20,800

friends to san luis or ufo meetings and

2899

02:01:25,270 --> 02:01:22,880

like half the group stopped showing up

2900

02:01:27,109 --> 02:01:25,280

because they were on on a different

2901
02:01:28,709 --> 02:01:27,119
aisle whatever that is doesn't matter

2902
02:01:30,790 --> 02:01:28,719
the point here is that

2903
02:01:32,390 --> 02:01:30,800
this you know talking about this huge

2904
02:01:33,830 --> 02:01:32,400
shift that was literally affecting

2905
02:01:35,589 --> 02:01:33,840
everyone in the united states i don't

2906
02:01:38,550 --> 02:01:35,599
think the outside world

2907
02:01:39,990 --> 02:01:38,560
truly understands what that means like

2908
02:01:41,430 --> 02:01:40,000
it's i almost feel like it's like a

2909
02:01:44,470 --> 02:01:41,440
birth of something new

2910
02:01:45,430 --> 02:01:44,480
i know even i i even feel like the news

2911
02:01:47,910 --> 02:01:45,440
is not even

2912
02:01:49,270 --> 02:01:47,920
covering it properly of the sentiment of

2913
02:01:51,990 --> 02:01:49,280

the actual

2914

02:01:54,149 --> 02:01:52,000

day-to-day people you know about how

2915

02:01:54,629 --> 02:01:54,159

polarized it is in the united states you

2916

02:01:59,669 --> 02:01:54,639

know

2917

02:02:01,030 --> 02:01:59,679

questioning point of view like how we're

2918

02:02:02,790 --> 02:02:01,040

gonna move on you know

2919

02:02:04,390 --> 02:02:02,800

and so i just kept thinking well you

2920

02:02:04,790 --> 02:02:04,400

know what i'm just going to have guests

2921

02:02:07,189 --> 02:02:04,800

on

2922

02:02:08,550 --> 02:02:07,199

you know and talk about you know tell me

2923

02:02:09,990 --> 02:02:08,560

more about your force share the

2924

02:02:10,709 --> 02:02:10,000

experience because by sharing an

2925

02:02:12,950 --> 02:02:10,719

experience

2926
02:02:14,070 --> 02:02:12,960
that connects us with that humanity and

2927
02:02:15,910 --> 02:02:14,080
so um

2928
02:02:17,270 --> 02:02:15,920
you know that somebody can relate

2929
02:02:19,030 --> 02:02:17,280
whether it's a struggle whether it's

2930
02:02:20,709 --> 02:02:19,040
something happy or whatever

2931
02:02:22,149 --> 02:02:20,719
but the second you get into that

2932
02:02:24,870 --> 02:02:22,159
headspace and

2933
02:02:25,189 --> 02:02:24,880
you know kind of help divide in a way

2934
02:02:27,030 --> 02:02:25,199
you know

2935
02:02:28,950 --> 02:02:27,040
not you i'm talking about in general you

2936
02:02:31,750 --> 02:02:28,960
know i should help divide

2937
02:02:32,310 --> 02:02:31,760
now of the sudden you know you you get

2938
02:02:34,229 --> 02:02:32,320

this

2939

02:02:35,910 --> 02:02:34,239

you know you can't come together to work

2940

02:02:38,470 --> 02:02:35,920

on something you know

2941

02:02:39,350 --> 02:02:38,480

because um i even had some people in my

2942

02:02:41,030 --> 02:02:39,360

life where i said

2943

02:02:43,270 --> 02:02:41,040

look we're i know we're not going to

2944

02:02:43,510 --> 02:02:43,280

agree but what does that have to do with

2945

02:02:45,669 --> 02:02:43,520

us

2946

02:02:47,830 --> 02:02:45,679

like right here right now where we are

2947

02:02:50,390 --> 02:02:47,840

we're kind of in our own little heaven

2948

02:02:52,470 --> 02:02:50,400

and now we used outside forces and

2949

02:02:55,669 --> 02:02:52,480

outside information to now split

2950

02:02:57,109 --> 02:02:55,679

us apart and so like if we do this

2951

02:02:59,109 --> 02:02:57,119

it'll be silly it's kind of like being

2952

02:03:00,950 --> 02:02:59,119

on an island where i have my side you

2953

02:03:02,709 --> 02:03:00,960

have your side and don't talk to me but

2954

02:03:04,070 --> 02:03:02,719

i'll survive on my own you survive on

2955

02:03:06,870 --> 02:03:04,080

your own you know

2956

02:03:08,229 --> 02:03:06,880

and that was kind of the the the the

2957

02:03:10,709 --> 02:03:08,239

bridge i was trying to gap

2958

02:03:11,350 --> 02:03:10,719

because i was like if we keep going down

2959

02:03:13,350 --> 02:03:11,360

this route

2960

02:03:15,189 --> 02:03:13,360

we're not going to be speaking with each

2961

02:03:16,629 --> 02:03:15,199

other i'm like do we need this here

2962

02:03:18,229 --> 02:03:16,639

i mean we're literally the only

2963

02:03:21,270 --> 02:03:18,239

neighbors together

2964

02:03:22,070 --> 02:03:21,280

you know and and and we're like so far

2965

02:03:24,470 --> 02:03:22,080

away from the

2966

02:03:26,629 --> 02:03:24,480

civilization but we're gonna you know i

2967

02:03:28,310 --> 02:03:26,639

said when we come together and enjoy

2968

02:03:29,910 --> 02:03:28,320

things that we do it's like i like

2969

02:03:31,510 --> 02:03:29,920

hanging out you like hanging out let's

2970

02:03:33,270 --> 02:03:31,520

do it do you like to watch movies i love

2971

02:03:33,990 --> 02:03:33,280

to watch movies let's hang out you know

2972

02:03:36,229 --> 02:03:34,000

and just find

2973

02:03:37,430 --> 02:03:36,239

these things again to remember that we

2974

02:03:39,830 --> 02:03:37,440

were friends once

2975

02:03:40,950 --> 02:03:39,840

you know we were we were family members

2976

02:03:43,430 --> 02:03:40,960

once you know we were

2977

02:03:44,629 --> 02:03:43,440

together in close with each other once

2978

02:03:47,189 --> 02:03:44,639

you know i kind of

2979

02:03:47,830 --> 02:03:47,199

getting back into that because it is

2980

02:03:50,069 --> 02:03:47,840

kind of

2981

02:03:51,750 --> 02:03:50,079

you know very uncertain especially we're

2982

02:03:54,229 --> 02:03:51,760

about to in about a month and a half

2983

02:03:56,390 --> 02:03:54,239

about to have another child and

2984

02:03:58,709 --> 02:03:56,400

you know it's like thank you but it's

2985

02:04:00,470 --> 02:03:58,719

kind of as a father you know it's

2986

02:04:02,550 --> 02:04:00,480

especially having had the experience of

2987

02:04:02,950 --> 02:04:02,560

a war breaking out in bosnia you know

2988

02:04:05,910 --> 02:04:02,960

and then

2989

02:04:06,310 --> 02:04:05,920

fleeing when i was a child i don't wish

2990

02:04:08,310 --> 02:04:06,320

that

2991

02:04:10,069 --> 02:04:08,320

you know for for my children to have

2992

02:04:13,030 --> 02:04:10,079

that experience so it's like

2993

02:04:14,790 --> 02:04:13,040

it's apparent if i can say something

2994

02:04:18,310 --> 02:04:14,800

that might help bridge a gap

2995

02:04:19,589 --> 02:04:18,320

to prevent it because you know it's it's

2996

02:04:21,270 --> 02:04:19,599

fine to be mad

2997

02:04:22,950 --> 02:04:21,280

you know but and you might even have

2998

02:04:23,669 --> 02:04:22,960

really bad thoughts towards some other

2999

02:04:25,990 --> 02:04:23,679

people

3000

02:04:28,470 --> 02:04:26,000

but those thoughts will not get you

3001
02:04:30,790 --> 02:04:28,480
anywhere because eventually once you cut

3002
02:04:33,030 --> 02:04:30,800
something you know in your head that now

3003
02:04:35,830 --> 02:04:33,040
this person is your enemy and you cannot

3004
02:04:36,229 --> 02:04:35,840
go back to that it destroys everything

3005
02:04:40,470 --> 02:04:36,239
like

3006
02:04:43,510 --> 02:04:40,480
braveheart movie where he says

3007
02:04:45,189 --> 02:04:43,520
uh war is what he says war is something

3008
02:04:45,990 --> 02:04:45,199
our children will learn of you know will

3009
02:04:47,750 --> 02:04:46,000
be fought

3010
02:04:49,030 --> 02:04:47,760
you know on the streets they will see it

3011
02:04:51,270 --> 02:04:49,040
with their own eyes

3012
02:04:52,550 --> 02:04:51,280
and it's something that i unfortunately

3013
02:04:56,069 --> 02:04:52,560

saw you know and

3014

02:04:56,629 --> 02:04:56,079

i just wish that i always loved to have

3015

02:04:58,390 --> 02:04:56,639

people

3016

02:04:59,910 --> 02:04:58,400

to have experiences right because then

3017

02:05:01,589 --> 02:04:59,920

you grow from them but this is something

3018

02:05:05,189 --> 02:05:01,599

i don't wish on my children

3019

02:05:12,709 --> 02:05:09,589

sorry to to to please i mean but

3020

02:05:14,790 --> 02:05:12,719

i mean uh i really appreciate that

3021

02:05:17,990 --> 02:05:14,800

perspective you know from someone who

3022

02:05:21,189 --> 02:05:18,000

who had that experience from from

3023

02:05:24,870 --> 02:05:21,199

fleeing from a song a a

3024

02:05:25,510 --> 02:05:24,880

zone of deep conflict and in mexico we

3025

02:05:29,589 --> 02:05:25,520

haven't

3026

02:05:32,950 --> 02:05:29,599

experienced uh that kind of a

3027

02:05:36,310 --> 02:05:32,960

social instability yet i mean

3028

02:05:39,589 --> 02:05:36,320

i'm sure that people listen to

3029

02:05:42,790 --> 02:05:39,599

horror stories that are true

3030

02:05:45,350 --> 02:05:42,800

happen in mexico that uh i mean

3031

02:05:45,990 --> 02:05:45,360

but they are not like concentrated in a

3032

02:05:49,750 --> 02:05:46,000

singular

3033

02:05:53,030 --> 02:05:49,760

area it's like

3034

02:05:56,229 --> 02:05:53,040

all around but what i wanted to say

3035

02:05:59,430 --> 02:05:56,239

is that in my experience at nan

3036

02:06:04,470 --> 02:05:59,440

there are events that

3037

02:06:07,510 --> 02:06:04,480

can very rapidly and very easily

3038

02:06:10,950 --> 02:06:07,520

shatter the very

3039

02:06:13,910 --> 02:06:10,960

petty differences that

3040

02:06:14,950 --> 02:06:13,920

uh you know distance people and separate

3041

02:06:18,149 --> 02:06:14,960

them and try to

3042

02:06:21,510 --> 02:06:18,159

go into camp a and camp a b

3043

02:06:25,109 --> 02:06:21,520

and between us and them red and blue

3044

02:06:29,589 --> 02:06:25,119

you know yellow and whatever uh

3045

02:06:33,189 --> 02:06:29,599

like for example uh in 2017

3046

02:06:36,790 --> 02:06:33,199

you know in in in september

3047

02:06:38,870 --> 02:06:36,800

19 we had a major earthquake here in

3048

02:06:41,109 --> 02:06:38,880

mexico and then

3049

02:06:42,790 --> 02:06:41,119

i don't know if you've ever lived in a

3050

02:06:45,750 --> 02:06:42,800

in a area of

3051

02:06:49,189 --> 02:06:45,760

active uh seismic activity san luis says

3052

02:06:52,790 --> 02:06:49,199

it's not heavy but they happen so often

3053

02:06:56,629 --> 02:06:52,800

exactly but here in mexico uh i

3054

02:07:00,310 --> 02:06:56,639

where i live you don't feel

3055

02:07:05,030 --> 02:07:00,320

quakes of that intensity so uh so

3056

02:07:08,550 --> 02:07:05,040

regularly but man when that happened

3057

02:07:11,109 --> 02:07:08,560

when when you get into one of those it's

3058

02:07:12,390 --> 02:07:11,119

an and i've experienced them twice in my

3059

02:07:14,470 --> 02:07:12,400

life

3060

02:07:16,990 --> 02:07:14,480

interestingly enough on the same date

3061

02:07:19,830 --> 02:07:17,000

september

3062

02:07:23,189 --> 02:07:19,840

1919 but

3063

02:07:26,229 --> 02:07:23,199

two different years 1985 when i was

3064

02:07:29,830 --> 02:07:26,239

13 to 2017

3065

02:07:32,629 --> 02:07:29,840

when i was i don't know 40 something

3066

02:07:33,189 --> 02:07:32,639

and what happens in the aftermath when

3067

02:07:36,709 --> 02:07:33,199

people

3068

02:07:40,149 --> 02:07:36,719

see the devastation

3069

02:07:41,510 --> 02:07:40,159

uh and you see obviously everybody's

3070

02:07:45,109 --> 02:07:41,520

afraid everybody

3071

02:07:48,069 --> 02:07:45,119

everybody experienced it it's different

3072

02:07:49,510 --> 02:07:48,079

than a pandemic because in a pandemic

3073

02:07:52,550 --> 02:07:49,520

you hear

3074

02:07:55,510 --> 02:07:52,560

oh yeah so-and-so got the virus

3075

02:07:56,069 --> 02:07:55,520

and or their mother died or you know

3076
02:07:58,310 --> 02:07:56,079
they got

3077
02:08:00,470 --> 02:07:58,320
sick but it hasn't happened to you with

3078
02:08:03,750 --> 02:08:00,480
that with an earthquake

3079
02:08:05,910 --> 02:08:03,760
it happens to everybody obviously on

3080
02:08:06,950 --> 02:08:05,920
different intensity but it happens to

3081
02:08:09,830 --> 02:08:06,960
everybody

3082
02:08:10,709 --> 02:08:09,840
and and when you see what you see

3083
02:08:15,830 --> 02:08:10,719
afterwards

3084
02:08:18,870 --> 02:08:15,840
is this move towards

3085
02:08:19,589 --> 02:08:18,880
a need to do something to go and help

3086
02:08:22,950 --> 02:08:19,599
out

3087
02:08:26,069 --> 02:08:22,960
you know and and and is

3088
02:08:29,109 --> 02:08:26,079

is beautiful the uh seeing

3089

02:08:31,510 --> 02:08:29,119

strangers coming to you know collection

3090

02:08:34,550 --> 02:08:31,520

centers because they need to collect

3091

02:08:36,629 --> 02:08:34,560

water and they need to collect uh food

3092

02:08:39,669 --> 02:08:36,639

supplies medicines

3093

02:08:43,109 --> 02:08:39,679

band-aids whatever and they go and go to

3094

02:08:46,390 --> 02:08:43,119

place to deliver them and people

3095

02:08:49,109 --> 02:08:46,400

gather them very spontaneously and say

3096

02:08:51,109 --> 02:08:49,119

hey what can i do i'm here what do you

3097

02:08:53,589 --> 02:08:51,119

need and

3098

02:08:55,270 --> 02:08:53,599

who needs help you know okay oh you need

3099

02:08:58,950 --> 02:08:55,280

me to go and move that okay

3100

02:09:02,470 --> 02:08:58,960

go and there they and and you leave that

3101
02:09:05,830 --> 02:09:02,480
you you live through that and that is uh

3102
02:09:07,350 --> 02:09:05,840
that is quite uplifting so that is one

3103
02:09:10,149 --> 02:09:07,360
of the things that give me hope

3104
02:09:11,750 --> 02:09:10,159
that i mean it's kind of like a downer

3105
02:09:14,069 --> 02:09:11,760
the idea that we need

3106
02:09:15,270 --> 02:09:14,079
things like natural disasters

3107
02:09:19,109 --> 02:09:15,280
earthquakes or

3108
02:09:22,149 --> 02:09:19,119
floods for in order to bring the best

3109
02:09:25,990 --> 02:09:22,159
out of people but

3110
02:09:28,229 --> 02:09:26,000
that is the human nature right so i mean

3111
02:09:30,069 --> 02:09:28,239
so there's that you know i mean and

3112
02:09:32,310 --> 02:09:30,079
unfortunately it seems that

3113
02:09:33,589 --> 02:09:32,320

that's where we are headed because of

3114

02:09:35,910 --> 02:09:33,599

climate change

3115

02:09:37,750 --> 02:09:35,920

you know and i guess some people go and

3116

02:09:41,189 --> 02:09:37,760

see the ufo phenomenon

3117

02:09:41,589 --> 02:09:41,199

and say oh the aliens are going to help

3118

02:09:46,390 --> 02:09:41,599

us

3119

02:09:50,069 --> 02:09:46,400

to you know the next dimension the next

3120

02:09:53,189 --> 02:09:50,079

uh level of vibration whatever

3121

02:09:55,830 --> 02:09:53,199

no i mean you better think that

3122

02:09:57,589 --> 02:09:55,840

no one is going to help us we are going

3123

02:10:00,470 --> 02:09:57,599

to have to help ourselves

3124

02:10:01,270 --> 02:10:00,480

and maybe after we learn to help

3125

02:10:04,870 --> 02:10:01,280

ourselves

3126

02:10:08,229 --> 02:10:04,880

after we learn to you know

3127

02:10:10,470 --> 02:10:08,239

see past petty you know

3128

02:10:11,510 --> 02:10:10,480

differences oh i believe in these do you

3129

02:10:13,910 --> 02:10:11,520

believe in that

3130

02:10:14,550 --> 02:10:13,920

i pray to this god you pray to the other

3131

02:10:18,709 --> 02:10:14,560

one

3132

02:10:21,430 --> 02:10:18,719

i i i identify with this gender

3133

02:10:22,870 --> 02:10:21,440

which you don't believe in or i voted

3134

02:10:25,910 --> 02:10:22,880

for the other guy

3135

02:10:29,270 --> 02:10:25,920

after we set those

3136

02:10:32,069 --> 02:10:29,280

ideas aside and say you know what

3137

02:10:33,189 --> 02:10:32,079

these lines that our great great great

3138

02:10:36,709 --> 02:10:33,199

grandparents

3139

02:10:39,189 --> 02:10:36,719

drew on a map they are [h__h]

3140

02:10:40,149 --> 02:10:39,199

and we probably should erase them and

3141

02:10:43,030 --> 02:10:40,159

after we said

3142

02:10:44,229 --> 02:10:43,040

we are one people and this is the only

3143

02:10:47,669 --> 02:10:44,239

planet

3144

02:10:50,870 --> 02:10:47,679

that we have elon musk's

3145

02:10:52,950 --> 02:10:50,880

says whatever he wants this is the only

3146

02:10:56,390 --> 02:10:52,960

one the only plant we know of

3147

02:10:59,830 --> 02:10:56,400

in which the human race can live

3148

02:11:03,350 --> 02:10:59,840

maybe after that you know the guys

3149

02:11:06,310 --> 02:11:03,360

from the other side will say ah finally

3150

02:11:06,950 --> 02:11:06,320

you monkey's got got it now we can

3151

02:11:10,310 --> 02:11:06,960

finally

3152

02:11:11,830 --> 02:11:10,320

you know get to have a one one to one

3153

02:11:15,270 --> 02:11:11,840

relation with you guys

3154

02:11:18,470 --> 02:11:15,280

finally the conversation can begin right

3155

02:11:20,310 --> 02:11:18,480

you know okay that is my hope well so um

3156

02:11:21,910 --> 02:11:20,320

i basically just want to finish with

3157

02:11:24,229 --> 02:11:21,920

with this one and uh

3158

02:11:25,510 --> 02:11:24,239

there's plenty of people chatting and i

3159

02:11:28,229 --> 02:11:25,520

appreciate everyone but

3160

02:11:28,790 --> 02:11:28,239

it seems like that fabricion and hazel

3161

02:11:30,390 --> 02:11:28,800

have

3162

02:11:31,830 --> 02:11:30,400

you know questions i'm very engaged in

3163

02:11:34,310 --> 02:11:31,840

it so thank you both

3164

02:11:35,910 --> 02:11:34,320

uh but uh just basically want to finish

3165

02:11:38,310 --> 02:11:35,920

up with the question from

3166

02:11:39,669 --> 02:11:38,320

um uh fabrice saying something about

3167

02:11:41,510 --> 02:11:39,679

mayans and ufos

3168

02:11:42,950 --> 02:11:41,520

maybe if you can maybe talk about that

3169

02:11:45,109 --> 02:11:42,960

and then we can uh

3170

02:11:47,270 --> 02:11:45,119

finish finish up finish up the show with

3171

02:11:50,390 --> 02:11:47,280

that if that's okay with you

3172

02:11:52,470 --> 02:11:50,400

sure okay thank you and and this has

3173

02:11:56,069 --> 02:11:52,480

been a blast you know i've

3174

02:11:57,510 --> 02:11:56,079

have a great time me too i'm glad you do

3175

02:11:59,669 --> 02:11:57,520

as well

3176

02:12:01,510 --> 02:11:59,679

thank you and getting back to the the

3177

02:12:05,030 --> 02:12:01,520

the the question

3178

02:12:09,510 --> 02:12:05,040

mayans and the ufos well surely

3179

02:12:13,030 --> 02:12:09,520

we've all seen at one point of our lives

3180

02:12:15,990 --> 02:12:13,040

uh you know something related to

3181

02:12:16,709 --> 02:12:16,000

eric von daniken and ancient aliens and

3182

02:12:23,350 --> 02:12:16,719

this

3183

02:12:25,669 --> 02:12:23,360

which she seems to be riding some kind

3184

02:12:28,149 --> 02:12:25,679

of like rockets

3185

02:12:29,589 --> 02:12:28,159

right right and that's that's been in

3186

02:12:32,830 --> 02:12:29,599

the cover of

3187

02:12:35,830 --> 02:12:32,840

who knows how many books

3188

02:12:38,390 --> 02:12:35,840

from how many languages

3189

02:12:40,229 --> 02:12:38,400

talking about how yeah you know the

3190

02:12:43,270 --> 02:12:40,239

mayans had contact with

3191

02:12:45,669 --> 02:12:43,280

ancient aliens uh

3192

02:12:47,030 --> 02:12:45,679

and i used to believe that too uh

3193

02:12:49,589 --> 02:12:47,040

obviously then

3194

02:12:50,470 --> 02:12:49,599

you grow older you learn more and say

3195

02:12:54,149 --> 02:12:50,480

well no

3196

02:12:58,310 --> 02:12:54,159

actually that is a very

3197

02:13:02,069 --> 02:12:58,320

symbolic depiction of a guy who actually

3198

02:13:02,470 --> 02:13:02,079

you know we have his remains we know his

3199

02:13:06,950 --> 02:13:02,480

name

3200

02:13:10,069 --> 02:13:06,960

ruler

3201

02:13:11,350 --> 02:13:10,079

of the maya city of palenque where you

3202

02:13:14,390 --> 02:13:11,360

have to remember guys

3203

02:13:17,750 --> 02:13:14,400

uh when people talk about the

3204

02:13:20,870 --> 02:13:17,760

mayan empire is more

3205

02:13:23,910 --> 02:13:20,880

akin to the greek empire

3206

02:13:24,470 --> 02:13:23,920

than you know the romans in the sense

3207

02:13:27,589 --> 02:13:24,480

that

3208

02:13:30,950 --> 02:13:27,599

the mayans divided the sames into

3209

02:13:33,589 --> 02:13:30,960

city states right so there was palenque

3210

02:13:36,790 --> 02:13:33,599

and there was ushmal and there was patan

3211

02:13:38,069 --> 02:13:36,800

and all these uh great cities that were

3212

02:13:41,189 --> 02:13:38,079

ruled by a different

3213

02:13:44,069 --> 02:13:41,199

uh how or or ruler that was

3214

02:13:44,709 --> 02:13:44,079

how they call themselves how so there's

3215

02:13:47,830 --> 02:13:44,719

this guy

3216

02:13:48,149 --> 02:13:47,840

you know who ruled that that place and

3217

02:13:51,510 --> 02:13:48,159

then

3218

02:13:54,790 --> 02:13:51,520

he got uh buried in that in that

3219

02:13:58,470 --> 02:13:54,800

tone and that representation

3220

02:14:01,990 --> 02:13:58,480

is him depicted as

3221

02:14:05,750 --> 02:14:02,000

the corn the corn dog sorry

3222

02:14:08,310 --> 02:14:05,760

the corn god the corn god

3223

02:14:11,189 --> 02:14:08,320

or or or like it's the typical

3224

02:14:13,750 --> 02:14:11,199

representation of the fertility god

3225

02:14:14,310 --> 02:14:13,760

rising from the underworld you know just

3226

02:14:17,589 --> 02:14:14,320

like

3227

02:14:18,470 --> 02:14:17,599

jesus christ you know all these uh these

3228

02:14:21,830 --> 02:14:18,480

rights

3229

02:14:24,870 --> 02:14:21,840

or these myths about fertility and

3230

02:14:26,390 --> 02:14:24,880

spring and the bringing of the crops so

3231

02:14:29,589 --> 02:14:26,400

this is the the corn

3232

02:14:33,669 --> 02:14:29,599

god rising from the

3233

02:14:36,950 --> 02:14:33,679

the underworld to the upper world

3234

02:14:39,990 --> 02:14:36,960

climbing the tree of life that that

3235

02:14:43,669 --> 02:14:40,000

weird kind of like rocket that we see

3236

02:14:47,270 --> 02:14:43,679

there it's only our modern

3237

02:14:50,550 --> 02:14:47,280

21st century perception because

3238

02:14:53,589 --> 02:14:50,560

all of us have has watched

3239

02:14:56,629 --> 02:14:53,599

uh return of the jedi and we saw

3240

02:14:58,870 --> 02:14:56,639

luke skywalker and leia riding

3241

02:14:59,669 --> 02:14:58,880

through those uh you know speed bikes

3242

02:15:01,669 --> 02:14:59,679

through the

3243

02:15:02,709 --> 02:15:01,679

forest of endor and that's where we see

3244

02:15:04,709 --> 02:15:02,719

oh well yeah

3245

02:15:05,910 --> 02:15:04,719

yeah that's a speed bike well no that's

3246

02:15:09,189 --> 02:15:05,920

our our

3247

02:15:10,390 --> 02:15:09,199

our modern interpretation of that the

3248

02:15:13,109 --> 02:15:10,400

same way that

3249

02:15:14,870 --> 02:15:13,119

we keep interpreting things about the

3250

02:15:17,910 --> 02:15:14,880

ancient world

3251
02:15:19,109 --> 02:15:17,920
using our modern sensibilities now does

3252
02:15:22,229 --> 02:15:19,119
that mean

3253
02:15:25,350 --> 02:15:22,239
that the mayas had no

3254
02:15:29,109 --> 02:15:25,360
contact with what we will call aliens no

3255
02:15:32,229 --> 02:15:29,119
that's not what i'm saying i mean

3256
02:15:32,790 --> 02:15:32,239
surely like other ancient civilizations

3257
02:15:36,870 --> 02:15:32,800
they had

3258
02:15:39,669 --> 02:15:36,880
myths about uh

3259
02:15:41,669 --> 02:15:39,679
non-human intelligences and i'm very

3260
02:15:44,709 --> 02:15:41,679
particularly interested

3261
02:15:48,310 --> 02:15:44,719
in their their legends about

3262
02:15:51,589 --> 02:15:48,320
what some people call the aluche

3263
02:15:55,109 --> 02:15:51,599

or alu shop which are kind of like

3264

02:15:58,790 --> 02:15:55,119

the irish fairy folk these are like uh

3265

02:15:59,669 --> 02:15:58,800

little people right that sometimes are

3266

02:16:02,870 --> 02:15:59,679

depicted

3267

02:16:04,149 --> 02:16:02,880

in their artwork you know their stone

3268

02:16:07,109 --> 02:16:04,159

work or the or their

3269

02:16:08,229 --> 02:16:07,119

their codexes and there are very

3270

02:16:12,149 --> 02:16:08,239

interesting legends

3271

02:16:13,189 --> 02:16:12,159

about these uh let's call them mayan

3272

02:16:15,510 --> 02:16:13,199

fairy folk

3273

02:16:16,390 --> 02:16:15,520

you know interacting with with with

3274

02:16:19,030 --> 02:16:16,400

mayas

3275

02:16:20,470 --> 02:16:19,040

like for example uh there's a story of

3276

02:16:24,550 --> 02:16:20,480

uh uh

3277

02:16:27,669 --> 02:16:24,560

uh one of those little guys

3278

02:16:30,790 --> 02:16:27,679

that was tasked with

3279

02:16:33,270 --> 02:16:30,800

building a pyramid

3280

02:16:34,549 --> 02:16:33,280

you know in order to get married with a

3281

02:16:36,549 --> 02:16:34,559

princess something like that

3282

02:16:38,469 --> 02:16:36,559

it's almost like a like a miso american

3283

02:16:41,270 --> 02:16:38,479

fairy tale and

3284

02:16:43,190 --> 02:16:41,280

this guy managed to build it according

3285

02:16:45,750 --> 02:16:43,200

to the legend in a single day

3286

02:16:47,110 --> 02:16:45,760

and you hear that and it's not that you

3287

02:16:51,110 --> 02:16:47,120

have to believe it but it

3288

02:16:52,230 --> 02:16:51,120

sounds so similar to stories coming from

3289

02:16:56,309 --> 02:16:52,240

other

3290

02:16:59,429 --> 02:16:56,319

you said the celtic law

3291

02:17:00,230 --> 02:16:59,439

or for example the the lore of the of

3292

02:17:08,070 --> 02:17:00,240

the

3293

02:17:10,950 --> 02:17:08,080

by angels

3294

02:17:13,509 --> 02:17:10,960

right were built by the angels using you

3295

02:17:16,469 --> 02:17:13,519

know the knowledge of uh

3296

02:17:17,589 --> 02:17:16,479

ran you know the the architect that was

3297

02:17:19,509 --> 02:17:17,599

supposed to be

3298

02:17:20,870 --> 02:17:19,519

the founder of the masonic lodge or

3299

02:17:26,709 --> 02:17:20,880

whatever

3300

02:17:35,349 --> 02:17:31,509

it's important to try not to

3301

02:17:39,349 --> 02:17:35,359

uh distort

3302

02:17:43,190 --> 02:17:39,359

the legacy of these cultures

3303

02:17:47,349 --> 02:17:43,200

you know i mean if whatever you saw

3304

02:17:50,389 --> 02:17:47,359

in in the ancient aliens you know that

3305

02:17:53,270 --> 02:17:50,399

tv series take that with a

3306

02:17:55,110 --> 02:17:53,280

mountain of salt amount everest of salt

3307

02:17:58,469 --> 02:17:55,120

you know

3308

02:18:01,990 --> 02:17:58,479

nevertheless yeah sure these people

3309

02:18:05,110 --> 02:18:02,000

they they had knowledge

3310

02:18:06,790 --> 02:18:05,120

that was very advanced you know for

3311

02:18:09,990 --> 02:18:06,800

their time

3312

02:18:12,790 --> 02:18:10,000

especially mathematical knowledge uh

3313

02:18:14,150 --> 02:18:12,800

and yeah surely like us they probably

3314

02:18:17,190 --> 02:18:14,160

had contact with

3315

02:18:20,309 --> 02:18:17,200

non-human intelligence especially i feel

3316

02:18:23,030 --> 02:18:20,319

uh by the use of and and

3317

02:18:24,469 --> 02:18:23,040

theogenic methods you know using drugs

3318

02:18:27,030 --> 02:18:24,479

user outer state

3319

02:18:28,709 --> 02:18:27,040

states of consciousness to me that is a

3320

02:18:31,190 --> 02:18:28,719

far more interesting

3321

02:18:32,469 --> 02:18:31,200

uh way of contacting non-human

3322

02:18:36,870 --> 02:18:32,479

intelligences

3323

02:18:39,669 --> 02:18:36,880

than the b movie kind of like sci-fi

3324

02:18:40,950 --> 02:18:39,679

need of the alien having to land in a

3325

02:18:44,150 --> 02:18:40,960

rocket and you need to

3326

02:18:44,629 --> 02:18:44,160

make the landing strip so the rocket can

3327

02:18:49,910 --> 02:18:44,639

land

3328

02:18:54,469 --> 02:18:52,469

surely there were probably you know if

3329

02:18:55,750 --> 02:18:54,479

if you are truly advanced you you you

3330

02:18:59,190 --> 02:18:55,760

don't really need to

3331

02:19:00,389 --> 02:18:59,200

copy our very rudimentary methods of

3332

02:19:01,910 --> 02:19:00,399

transport right you know

3333

02:19:03,589 --> 02:19:01,920

you don't need a space shuttle if you're

3334

02:19:06,230 --> 02:19:03,599

really really an advanced

3335

02:19:06,790 --> 02:19:06,240

civilization right so i don't know i

3336

02:19:08,950 --> 02:19:06,800

mean

3337

02:19:10,790 --> 02:19:08,960

yeah there are a lot of interesting

3338

02:19:13,990 --> 02:19:10,800

stories coming from

3339

02:19:17,589 --> 02:19:14,000

the mayas coming from uh

3340

02:19:21,110 --> 02:19:17,599

the aztecs if you ever get a chance

3341

02:19:23,910 --> 02:19:21,120

uh to visit mexico i highly highly

3342

02:19:27,110 --> 02:19:23,920

recommend visiting teotihuacan

3343

02:19:30,230 --> 02:19:27,120

you know the city where men became gods

3344

02:19:33,349 --> 02:19:30,240

which is truly truly fantastic

3345

02:19:37,270 --> 02:19:33,359

you know it's uh apparently

3346

02:19:40,309 --> 02:19:37,280

or is still regarded as the most

3347

02:19:43,429 --> 02:19:40,319

ancient city in the americas and

3348

02:19:45,910 --> 02:19:43,439

and and you get to see or you

3349

02:19:47,270 --> 02:19:45,920

climb the pyramid of the sun the pyramid

3350

02:19:50,070 --> 02:19:47,280

of the moon

3351
02:19:50,870 --> 02:19:50,080
and and you feel well yeah these guys

3352
02:19:53,510 --> 02:19:50,880
have

3353
02:19:53,990 --> 02:19:53,520
really really impressive knowledge was

3354
02:19:58,230 --> 02:19:54,000
that

3355
02:20:01,990 --> 02:19:58,240
knowledge imparted by alien beings

3356
02:20:04,150 --> 02:20:02,000
maybe or maybe it was imparted by by by

3357
02:20:05,590 --> 02:20:04,160
an even older civilization or maybe

3358
02:20:07,990 --> 02:20:05,600
these guys managed to

3359
02:20:10,070 --> 02:20:08,000
to get into some some kind of like uh

3360
02:20:12,389 --> 02:20:10,080
ultra state of consciousness that

3361
02:20:13,830 --> 02:20:12,399
provided all the answers for them you

3362
02:20:17,750 --> 02:20:13,840
know so they could build

3363
02:20:19,510 --> 02:20:17,760

those those great temples

3364

02:20:21,349 --> 02:20:19,520

these guys weren't perfect though of

3365

02:20:24,790 --> 02:20:21,359

course you know if you

3366

02:20:25,670 --> 02:20:24,800

learn about the wakan one of the things

3367

02:20:29,190 --> 02:20:25,680

that they are called

3368

02:20:32,710 --> 02:20:29,200

archaeologists tell you is that

3369

02:20:34,309 --> 02:20:32,720

that city as great as it was eventually

3370

02:20:35,030 --> 02:20:34,319

was abandoned because there was some

3371

02:20:38,230 --> 02:20:35,040

kind of like

3372

02:20:38,630 --> 02:20:38,240

uh social unrest or some some kind of

3373

02:20:41,750 --> 02:20:38,640

like

3374

02:20:43,429 --> 02:20:41,760

upheaval you know some kind of revolt of

3375

02:20:45,429 --> 02:20:43,439

the lower classes

3376

02:20:47,349 --> 02:20:45,439

that kind of like destroy the city there

3377

02:20:50,950 --> 02:20:47,359

was some kind of big fire

3378

02:20:52,870 --> 02:20:50,960

and nobody knows what happened but

3379

02:20:54,309 --> 02:20:52,880

obviously the city eventually ended up

3380

02:20:57,349 --> 02:20:54,319

being abandoned

3381

02:20:58,070 --> 02:20:57,359

right and that i feel is a great

3382

02:21:01,270 --> 02:20:58,080

metaphor

3383

02:21:04,630 --> 02:21:01,280

you know for our cities you know every

3384

02:21:08,550 --> 02:21:04,640

the the best way to start or to go with

3385

02:21:12,710 --> 02:21:08,560

uh some kind of like uh sci-fi dystopic

3386

02:21:15,750 --> 02:21:12,720

uh hollywood movie is to show uh

3387

02:21:17,670 --> 02:21:15,760

new york or or or the

3388

02:21:19,830 --> 02:21:17,680

like in the planet of the apes the study

3389

02:21:20,630 --> 02:21:19,840

the statue leave it you were to destroy

3390

02:21:23,990 --> 02:21:20,640

it

3391

02:21:26,150 --> 02:21:24,000

and we see that some part of us say

3392

02:21:28,790 --> 02:21:26,160

well that will never happen to us

3393

02:21:31,830 --> 02:21:28,800

because we are the advanced ones well no

3394

02:21:33,670 --> 02:21:31,840

i mean if it happened to account it

3395

02:21:36,870 --> 02:21:33,680

could certainly happen to us

3396

02:21:41,270 --> 02:21:36,880

so i guess

3397

02:21:43,510 --> 02:21:41,280

i don't know what i'm going with this is

3398

02:21:45,510 --> 02:21:43,520

there's a lot of great knowledge that is

3399

02:21:48,870 --> 02:21:45,520

to be gained from looking at the past

3400

02:21:52,120 --> 02:21:48,880

to try not to fall into this

3401

02:21:53,590 --> 02:21:52,130

their same mistakes but also

3402

02:21:57,270 --> 02:21:53,600

[Music]

3403

02:22:00,710 --> 02:21:57,280

we have to to to

3404

02:22:04,070 --> 02:22:00,720

give those cultures their due credit

3405

02:22:07,190 --> 02:22:04,080

you know not everything that was

3406

02:22:09,750 --> 02:22:07,200

amazing about the past was

3407

02:22:10,790 --> 02:22:09,760

uh has to be attributed to ancient

3408

02:22:13,270 --> 02:22:10,800

aliens in fact

3409

02:22:15,270 --> 02:22:13,280

probably none of it should be attributed

3410

02:22:18,710 --> 02:22:15,280

to ancient titles we know who

3411

02:22:21,429 --> 02:22:18,720

we know how the egyptians built

3412

02:22:22,150 --> 02:22:21,439

the pyramids the big question to me is

3413

02:22:24,710 --> 02:22:22,160

not

3414

02:22:25,590 --> 02:22:24,720

how they build it but why you know and

3415

02:22:27,510 --> 02:22:25,600

also

3416

02:22:28,790 --> 02:22:27,520

to me the big question about all these

3417

02:22:31,830 --> 02:22:28,800

uh temples is

3418

02:22:34,150 --> 02:22:31,840

why they needed to build them

3419

02:22:36,469 --> 02:22:34,160

chichen itza like the one of the

3420

02:22:39,990 --> 02:22:36,479

greatest cities of the mayas

3421

02:22:43,510 --> 02:22:40,000

the great pyramid of kukulcan

3422

02:22:44,150 --> 02:22:43,520

the feather serpent is built right on

3423

02:22:47,750 --> 02:22:44,160

top

3424

02:22:51,750 --> 02:22:47,760

of cenote which is one of the sacred

3425

02:22:52,070 --> 02:22:51,760

wells of water who in their right mind

3426

02:22:55,750 --> 02:22:52,080

will

3427

02:22:59,270 --> 02:22:55,760

build a temple

3428

02:23:01,990 --> 02:22:59,280

right on top of a of a well of water

3429

02:23:02,710 --> 02:23:02,000

you know why would you do it and

3430

02:23:05,670 --> 02:23:02,720

obviously

3431

02:23:06,630 --> 02:23:05,680

they had a reason for it and if you

3432

02:23:10,389 --> 02:23:06,640

learn

3433

02:23:13,990 --> 02:23:10,399

the the the etymology of of of the word

3434

02:23:16,790 --> 02:23:14,000

itsai which is how the the those uh

3435

02:23:17,590 --> 02:23:16,800

uh descendants of the mayans call

3436

02:23:21,910 --> 02:23:17,600

themselves

3437

02:23:25,349 --> 02:23:21,920

itzai means what water wizards

3438

02:23:28,389 --> 02:23:25,359

you know so these guys

3439

02:23:31,510 --> 02:23:28,399

have some deep knowledge we

3440

02:23:33,270 --> 02:23:31,520

may not have an inkling about may have

3441

02:23:36,870 --> 02:23:33,280

something to do with ancient illness

3442

02:23:38,950 --> 02:23:36,880

maybe not but yeah there's something

3443

02:23:39,910 --> 02:23:38,960

to be learned there and we are learning

3444

02:23:42,469 --> 02:23:39,920

more and more

3445

02:23:43,910 --> 02:23:42,479

now using our modern technology that

3446

02:23:47,670 --> 02:23:43,920

we're finding

3447

02:23:50,710 --> 02:23:47,680

uh more uh

3448

02:23:52,630 --> 02:23:50,720

cities of the mayas scattered where

3449

02:23:54,150 --> 02:23:52,640

we only thought there were jungles you

3450

02:23:56,070 --> 02:23:54,160

know that we thought oh yeah

3451
02:23:57,270 --> 02:23:56,080
you know their mayas were just a few

3452
02:24:00,550 --> 02:23:57,280
cities no we're actually

3453
02:24:02,950 --> 02:24:00,560
finding cities all around the

3454
02:24:04,790 --> 02:24:02,960
the central central america and we're

3455
02:24:07,349 --> 02:24:04,800
also finding cities uh

3456
02:24:08,150 --> 02:24:07,359
in the amazons where we thought that

3457
02:24:11,670 --> 02:24:08,160
only

3458
02:24:13,830 --> 02:24:11,680
uh nomadic tribes you know uh amazonian

3459
02:24:15,110 --> 02:24:13,840
you know indians that are

3460
02:24:17,750 --> 02:24:15,120
hunter-gatherers

3461
02:24:19,110 --> 02:24:17,760
lived no we're actually finding very

3462
02:24:22,710 --> 02:24:19,120
advanced

3463
02:24:30,070 --> 02:24:25,750

urban centers there there's a lot to be

3464

02:24:33,030 --> 02:24:30,080

to be learned and we i'm i'm sure that

3465

02:24:33,830 --> 02:24:33,040

if if returning to the the previous

3466

02:24:36,630 --> 02:24:33,840

questions

3467

02:24:37,750 --> 02:24:36,640

one thing that i'm sure of is that five

3468

02:24:40,469 --> 02:24:37,760

years from now we're

3469

02:24:42,230 --> 02:24:40,479

going to learn a whole lot more about

3470

02:24:45,270 --> 02:24:42,240

our past

3471

02:24:45,830 --> 02:24:45,280

than what we knew you know or what we

3472

02:24:49,830 --> 02:24:45,840

not

3473

02:24:51,830 --> 02:24:49,840

know today rpg that's a great wrap-up

3474

02:24:52,950 --> 02:24:51,840

i really i really appreciate it you know

3475

02:24:55,349 --> 02:24:52,960

i again

3476

02:24:55,990 --> 02:24:55,359

thank you so much for being on and and

3477

02:24:58,790 --> 02:24:56,000

sharing

3478

02:24:59,830 --> 02:24:58,800

you know everything that you have and um

3479

02:25:03,270 --> 02:24:59,840

you know i'm glad

3480

02:25:05,429 --> 02:25:03,280

we got to connect again um so i hope

3481

02:25:06,950 --> 02:25:05,439

i hope uh maybe in the future we can do

3482

02:25:09,990 --> 02:25:06,960

this hopefully sooner

3483

02:25:12,389 --> 02:25:10,000

next time maybe if you will

3484

02:25:13,349 --> 02:25:12,399

yeah at least sooner than seven years

3485

02:25:15,349 --> 02:25:13,359

right we should

3486

02:25:16,790 --> 02:25:15,359

we should do uh you know every seven

3487

02:25:19,670 --> 02:25:16,800

years we'll just do an interview how

3488

02:25:22,790 --> 02:25:21,270

well thank you i i can't thank you

3489

02:25:23,990 --> 02:25:22,800

enough and i'm sure everyone else

3490

02:25:26,550 --> 02:25:24,000

watching would appreciate

3491

02:25:27,590 --> 02:25:26,560

your perspective too so everyone else

3492

02:25:30,790 --> 02:25:27,600

watching please

3493

02:25:33,349 --> 02:25:30,800

uh check out rpg's websites

3494

02:25:35,270 --> 02:25:33,359

and all that he does with that rpg the

3495

02:25:37,349 --> 02:25:35,280

first the grail website is

3496

02:25:39,830 --> 02:25:37,359

do they search for your name to see the

3497

02:25:43,110 --> 02:25:39,840

articles that you've written

3498

02:25:43,510 --> 02:25:43,120

okay yes yes there's only you know two

3499

02:25:46,550 --> 02:25:43,520

main

3500

02:25:48,230 --> 02:25:46,560

writers on that website is greg taylor

3501

02:25:50,710 --> 02:25:48,240

the owner of the site

3502

02:25:53,030 --> 02:25:50,720

myself red pill junkie you'll see you

3503

02:25:57,190 --> 02:25:53,040

will easily see who wrote what

3504

02:26:00,550 --> 02:25:57,200

and if i may uh if you can if you

3505

02:26:01,030 --> 02:26:00,560

go to the site and if you read and and

3506

02:26:05,510 --> 02:26:01,040

you find

3507

02:26:08,070 --> 02:26:05,520

if you can

3508

02:26:09,110 --> 02:26:08,080

find it that you can want us to support

3509

02:26:11,830 --> 02:26:09,120

us we have a

3510

02:26:12,790 --> 02:26:11,840

patreon page but we will greatly

3511

02:26:17,750 --> 02:26:12,800

appreciate

3512

02:26:19,429 --> 02:26:17,760

give us you know even you know one

3513

02:26:21,270 --> 02:26:19,439

dollar a month would be greatly

3514

02:26:24,630 --> 02:26:21,280

appreciated you know this is

3515

02:26:25,910 --> 02:26:24,640

uh uh something that we that rake taylor

3516

02:26:28,389 --> 02:26:25,920

has been doing since

3517

02:26:30,710 --> 02:26:28,399

you know the 1990s you know the daily

3518

02:26:34,309 --> 02:26:30,720

grill is one of the longest running

3519

02:26:37,590 --> 02:26:34,319

uh websites about paranormal

3520

02:26:40,389 --> 02:26:37,600

alternative news out there in

3521

02:26:41,429 --> 02:26:40,399

in the internet so if you can help us

3522

02:26:45,349 --> 02:26:41,439

out

3523

02:26:47,910 --> 02:26:45,359

i would greatly appreciate it we are

3524

02:26:49,030 --> 02:26:47,920

trying to prepare a lot of cool contact

3525

02:26:52,070 --> 02:26:49,040

content for our

3526
02:26:53,910 --> 02:26:52,080
patreon subscribers not just the content

3527
02:26:57,270 --> 02:26:53,920
of the page we're also thinking about

3528
02:26:57,750 --> 02:26:57,280
having interviews with authors uh you

3529
02:27:01,270 --> 02:26:57,760
know

3530
02:27:03,830 --> 02:27:01,280
videos also giving away

3531
02:27:04,790 --> 02:27:03,840
books the the kind of books that we uh

3532
02:27:11,670 --> 02:27:04,800
publish

3533
02:27:13,349 --> 02:27:11,680
for example one of the things that we

3534
02:27:18,550 --> 02:27:13,359
have recently released

3535
02:27:20,870 --> 02:27:18,560
is uh 50th year anniversary edition

3536
02:27:21,670 --> 02:27:20,880
of passport to magonia and these are

3537
02:27:25,030 --> 02:27:21,680
books that are

3538
02:27:29,110 --> 02:27:25,040

signed by jacques valene so anderson

3539

02:27:32,309 --> 02:27:29,120

this is a very limited edition uh uh

3540

02:27:35,510 --> 02:27:32,319

of only 300 copies so if

3541

02:27:38,550 --> 02:27:35,520

you are a collector of rare books

3542

02:27:40,550 --> 02:27:38,560

about ufology this is something that you

3543

02:27:41,670 --> 02:27:40,560

would definitely like to add to your

3544

02:27:45,990 --> 02:27:41,680

your

3545

02:27:47,590 --> 02:27:46,000

book collection uh as for myself well

3546

02:27:49,110 --> 02:27:47,600

i mean aside from the daily grail

3547

02:27:51,270 --> 02:27:49,120

there's my other website

3548

02:27:52,150 --> 02:27:51,280

absorbed by design.com like i said is

3549

02:27:54,150 --> 02:27:52,160

like my

3550

02:27:55,830 --> 02:27:54,160

art gallery this work this is where

3551

02:27:58,870 --> 02:27:55,840

people can contact me

3552

02:28:00,870 --> 02:27:58,880

if they want to hire me

3553

02:28:02,630 --> 02:28:00,880

to create some kind of art commission or

3554

02:28:05,910 --> 02:28:02,640

maybe to design

3555

02:28:07,429 --> 02:28:05,920

a book cover i've designed the covers of

3556

02:28:10,469 --> 02:28:07,439

some of my friends

3557

02:28:14,469 --> 02:28:10,479

uh like greg bishop alan gore rightly

3558

02:28:17,750 --> 02:28:14,479

susan susan demeter robbie graham

3559

02:28:21,190 --> 02:28:17,760

i'm trying to improve the quality of the

3560

02:28:22,469 --> 02:28:21,200

designed in in ufo related books one

3561

02:28:25,270 --> 02:28:22,479

book at a time

3562

02:28:26,309 --> 02:28:25,280

uh it's a level of love but somebody has

3563

02:28:29,750 --> 02:28:26,319

got it to it

3564

02:28:32,950 --> 02:28:29,760

uh and yeah i mean that that's where

3565

02:28:35,270 --> 02:28:32,960

people can find me and

3566

02:28:36,150 --> 02:28:35,280

and if you also they want to there's

3567

02:28:38,710 --> 02:28:36,160

also ways to

3568

02:28:39,670 --> 02:28:38,720

you know contact me if you have you know

3569

02:28:42,309 --> 02:28:39,680

uh

3570

02:28:43,750 --> 02:28:42,319

other types of i wish um i forgive me i

3571

02:28:46,150 --> 02:28:43,760

wish i would have thought of you

3572

02:28:48,790 --> 02:28:46,160

a while back when i was um i had this

3573

02:28:51,590 --> 02:28:48,800

concept of this idea in my head where

3574

02:28:53,349 --> 02:28:51,600

um scientists you know they're so um

3575

02:28:55,510 --> 02:28:53,359

focused on the nuts and bolts

3576

02:28:56,389 --> 02:28:55,520

and and the aliens are like pretty much

3577

02:28:57,830 --> 02:28:56,399

here

3578

02:28:59,429 --> 02:28:57,840

all we've got to do is just turn around

3579

02:29:01,510 --> 02:28:59,439

and greet them so to say

3580

02:29:03,270 --> 02:29:01,520

i was trying to find i was looking for

3581

02:29:05,270 --> 02:29:03,280

an artist and i found somebody

3582

02:29:06,710 --> 02:29:05,280

to sketch it out and make it into a

3583

02:29:07,510 --> 02:29:06,720

t-shirt where there's a scientist

3584

02:29:09,910 --> 02:29:07,520

looking at the

3585

02:29:11,670 --> 02:29:09,920

footprints of an alien and the alien

3586

02:29:12,790 --> 02:29:11,680

standing behind him saying excuse me and

3587

02:29:15,750 --> 02:29:12,800

the scientist says

3588

02:29:16,710 --> 02:29:15,760

you know uh um it says um i forgot what

3589

02:29:18,710 --> 02:29:16,720

he said something like

3590

02:29:20,230 --> 02:29:18,720

leave me alone i'm looking for aliens or

3591

02:29:22,790 --> 02:29:20,240

something like that you know

3592

02:29:24,389 --> 02:29:22,800

anyway so i i definitely have some other

3593

02:29:27,030 --> 02:29:24,399

future ideas and and

3594

02:29:27,590 --> 02:29:27,040

uh you know that i that i want to kind

3595

02:29:29,830 --> 02:29:27,600

of put

3596

02:29:30,870 --> 02:29:29,840

out there and i'm glad you said that i

3597

02:29:32,309 --> 02:29:30,880

really will you know

3598

02:29:33,910 --> 02:29:32,319

would like to then reach out to you and

3599

02:29:35,990 --> 02:29:33,920

see if you would be interested

3600

02:29:38,070 --> 02:29:36,000

you know not not many maybe one one or

3601

02:29:40,309 --> 02:29:38,080

two other shirts that i just had kind of

3602

02:29:42,710 --> 02:29:40,319

sure mine i mean i i can draw myself but

3603

02:29:44,870 --> 02:29:42,720

i have so much stuff going on that the

3604

02:29:46,790 --> 02:29:44,880

if i can just give that to someone else

3605

02:29:50,070 --> 02:29:46,800

to help out that would be great so

3606

02:29:50,790 --> 02:29:50,080

i'll keep you in mind for sure so yeah i

3607

02:29:52,550 --> 02:29:50,800

certainly hope

3608

02:29:55,030 --> 02:29:52,560

uh uh you know people check out your

3609

02:29:56,950 --> 02:29:55,040

site you know and consider donating and

3610

02:29:58,309 --> 02:29:56,960

and uh you have done great work and

3611

02:30:00,630 --> 02:29:58,319

that's why i wanted to talk to you

3612

02:30:02,630 --> 02:30:00,640

as well today so i'm glad you were able

3613

02:30:04,630 --> 02:30:02,640

to share you know your vast knowledge

3614

02:30:06,309 --> 02:30:04,640

and again i really mean it i hope we get

3615

02:30:08,710 --> 02:30:06,319

to uh do this again

3616

02:30:10,630 --> 02:30:08,720

in the future and then go go more into

3617

02:30:12,070 --> 02:30:10,640

the research side of things where today

3618

02:30:14,870 --> 02:30:12,080

we kind of just kind of exchange

3619

02:30:17,270 --> 02:30:14,880

perspectives you know and um so i hope

3620

02:30:20,389 --> 02:30:17,280

everyone else enjoyed i'm sure they did

3621

02:30:23,030 --> 02:30:20,399

and so again check out rpgs websites

3622

02:30:24,630 --> 02:30:23,040

um rpg again thank you thank you so much

3623

02:30:27,190 --> 02:30:24,640

we stayed way longer than

3624

02:30:27,990 --> 02:30:27,200

initially anticipated but i'm i'm glad

3625

02:30:31,110 --> 02:30:28,000

you did

3626

02:30:31,990 --> 02:30:31,120

and um so everyone else watching uh tune

3627

02:30:35,349 --> 02:30:32,000

in next week

3628

02:30:36,070 --> 02:30:35,359

uh for open lines at 7. i'm not sure if

3629

02:30:38,870 --> 02:30:36,080

i will have an

3630

02:30:39,830 --> 02:30:38,880

interview for webcast for you to drop on

3631

02:30:42,550 --> 02:30:39,840

wednesday but

3632

02:30:42,950 --> 02:30:42,560

i'll see i'm working on on something uh

3633

02:30:49,750 --> 02:30:42,960

if

3634

02:30:51,349 --> 02:30:49,760

7 p.m central time open lines and again

3635

02:30:54,070 --> 02:30:51,359

if you go to telegram you can use

3636

02:30:54,950 --> 02:30:54,080

telegram to basically sign up find a ufo

3637

02:30:58,230 --> 02:30:54,960

hub group

3638

02:31:00,150 --> 02:30:58,240

and then wait for the voice chat and

3639

02:31:01,429 --> 02:31:00,160

we can we can chat last time i think we

3640

02:31:03,110 --> 02:31:01,439

did it three hour

3641

02:31:05,270 --> 02:31:03,120

where people were sharing their stories

3642

02:31:05,910 --> 02:31:05,280

and experiences and i found it awesome

3643

02:31:07,510 --> 02:31:05,920

and

3644

02:31:09,270 --> 02:31:07,520

it seems like a lot of other people did

3645

02:31:11,670 --> 02:31:09,280

too so everyone

3646

02:31:12,710 --> 02:31:11,680

rpj thank you everyone watching thank

3647

02:31:26,830 --> 02:31:12,720

you very much
