hey everyone welcome to geoff hub live

stream

8
00:03:57,429 --> 00:03:55,360
and uh open lines so uh welcome

9
00:03:59,910 --> 00:03:57,439
if you would like to share uh some of

10
00:04:00,470 --> 00:03:59,920
your stories please join me on telegram

11
00:04:02,550 --> 00:04:00,480
and

12
00:04:03,509 --> 00:04:02,560
you can simply install the app on your

13
00:04:05,910 --> 00:04:03,519

phone or computer

14

00:04:06,869 --> 00:04:05,920

find the ufo hub group and you should be

15

00:04:09,110 --> 00:04:06,879

able to join

16

00:04:10,949 --> 00:04:09,120

and basically chat with me share your

17

00:04:12,869 --> 00:04:10,959

stories but before i begin

18

00:04:14,149 --> 00:04:12,879

and i figured i'll make this a habit

19

00:04:16,949 --> 00:04:14,159

each time we start

20

00:04:18,069 --> 00:04:16,959

this is not an official interview so if

21

00:04:19,909 --> 00:04:18,079

you're someone who came

22

00:04:21,349 --> 00:04:19,919

thinking that this is what what's going

23

00:04:23,189 --> 00:04:21,359

on today it is not

24

00:04:24,550 --> 00:04:23,199

we're just simply chatting uh people

25

00:04:27,990 --> 00:04:24,560

sharing their stories

26

00:04:30,550 --> 00:04:28,000

and um just hanging out online and so

27

00:04:31,510 --> 00:04:30,560

if you expected something uh like an

28

00:04:34,230 --> 00:04:31,520

interview i'm sorry

29

00:04:35,110 --> 00:04:34,240

i apologize but uh i'm sure you can find

30

00:04:37,270 --> 00:04:35,120

some other

31

00:04:38,710 --> 00:04:37,280

interviews like last friday did a great

32

00:04:42,310 --> 00:04:38,720

interview with um

33

00:04:44,070 --> 00:04:42,320

red pill junkie and this coming friday

34

00:04:45,670 --> 00:04:44,080

i'm trying to work some things out to

35

00:04:48,070 --> 00:04:45,680

have ray hernandez

36

00:04:49,749 --> 00:04:48,080

on we're trying to uh basically having

37

00:04:51,830 --> 00:04:49,759

some technical difficulties

38

00:04:52,950 --> 00:04:51,840

we'll we'll um i'll have him come in

39

00:04:55,030 --> 00:04:52,960

later on today and

40

00:04:56,870 --> 00:04:55,040

we'll see how it works out with his

41

00:05:00,070 --> 00:04:56,880

connection and my system but

42

00:05:02,790 --> 00:05:00,080

anyway so i hope you can join us

43

00:05:05,029 --> 00:05:02,800

have fun um if not i'm sure you'll find

44

00:05:07,430 --> 00:05:05,039

another show that you might enjoy more

45

00:05:09,590 --> 00:05:07,440

so anyone else watching and here for the

46

00:05:10,870 --> 00:05:09,600

reasons for open line uh welcome thank

47

00:05:13,909 --> 00:05:10,880

you for being here

48

00:05:16,550 --> 00:05:13,919

and um so this this week has been a bit

49

00:05:17,830 --> 00:05:16,560

slow for me when it comes to ufo hub but

50

00:05:21,590 --> 00:05:17,840

very busy outside

51

00:05:24,950 --> 00:05:21,600

and um i basically i promised

52

00:05:26,629 --> 00:05:24,960

my kids for five six years now a whole

53

00:05:29,830 --> 00:05:26,639

bunch of things that i was going to

54

00:05:30,150 --> 00:05:29,840

build in the yard and always pushed it

55

00:05:32,469 --> 00:05:30,160

off

56

00:05:34,629 --> 00:05:32,479

always having some kind of excuse so we

57

00:05:36,230 --> 00:05:34,639

figured this year is finally kind of

58

00:05:38,629 --> 00:05:36,240

getting to the point to where they

59

00:05:40,550 --> 00:05:38,639

really really want

60

00:05:43,029 --> 00:05:40,560

all the things that i told them about

61

00:05:44,710 --> 00:05:43,039

and i might do a little video about it i

62

00:05:45,990 --> 00:05:44,720

sometimes like to record things as i

63

00:05:49,029 --> 00:05:46,000

built them so

64

00:05:50,469 --> 00:05:49,039

um probably we'll upload them on another

65

00:05:52,150 --> 00:05:50,479

channel that i have which is called

66

00:05:55,350 --> 00:05:52,160

totally red everything

67

00:05:57,670 --> 00:05:55,360

and and also i started

68

00:05:59,670 --> 00:05:57,680

a brand new channel on rumble as well so

69

00:06:02,950 --> 00:05:59,680

we'll see wherever it ends up

70

00:06:05,350 --> 00:06:02,960

being uploaded but um uh welcome for now

71

00:06:07,430 --> 00:06:05,360

so i'm just i don't necessarily have

72

00:06:11,110 --> 00:06:07,440

anything planned for today i have some

73

00:06:13,590 --> 00:06:11,120

people that are um in in the

74

00:06:14,230 --> 00:06:13,600

telegram chat we'll see who wants to

75

00:06:15,990 --> 00:06:14,240

start out

76

00:06:18,629 --> 00:06:16,000

to tell their story if they're just here

77

00:06:21,350 --> 00:06:18,639

to listen that's perfectly fine too

78

00:06:22,390 --> 00:06:21,360

you can either watch this and interact

79

00:06:26,550 --> 00:06:22,400

online and chat

80

00:06:30,230 --> 00:06:26,560

or just listen to it over telegram

81

00:06:33,749 --> 00:06:30,240

all right let me see what we are here

82

00:06:34,070 --> 00:06:33,759

streams looking good for those that are

83

00:06:36,950 --> 00:06:34,080

on

84

00:06:38,309 --> 00:06:36,960

telegram uh simply uh raise your hand

85

00:06:40,710 --> 00:06:38,319

which would tell me that

86

00:06:41,350 --> 00:06:40,720

um what i mean by that there should be a

87

00:06:43,670 --> 00:06:41,360

button

88

00:06:44,469 --> 00:06:43,680

that allows you to be unmuted or you're

89

00:06:46,309 --> 00:06:44,479

asking to

90

00:06:47,990 --> 00:06:46,319

to talk and it tells me that you're

91

00:06:49,830 --> 00:06:48,000

interested to to talk to me and share

92

00:06:50,550 --> 00:06:49,840

your story so that way i know i can

93

00:06:52,629 --> 00:06:50,560

bring you in

94

00:06:56,790 --> 00:06:52,639

otherwise i just know you're you're here

95

00:06:56,800 --> 00:07:00,230

all right

96

00:07:08,230 --> 00:07:04,870

we get here uh we got on the chat today

97

00:07:09,909 --> 00:07:08,240

uh foreign invasion welcome fabrice

98

00:07:11,830 --> 00:07:09,919

uh one of these days i'm gonna get the

99

00:07:16,550 --> 00:07:11,840

name right welcome

100

00:07:19,749 --> 00:07:16,560

bradley welcome so

101
00:07:21,749 --> 00:07:19,759
let me see here yeah i don't

102
00:07:23,430 --> 00:07:21,759
uh i don't necessarily usually there's

103
00:07:26,390 --> 00:07:23,440
uh there's something that

104
00:07:27,189 --> 00:07:26,400
i'm going over first uh covering make

105
00:07:29,270 --> 00:07:27,199
sure to

106
00:07:31,430 --> 00:07:29,280
if there's anything big in the ufo news

107
00:07:33,110 --> 00:07:31,440
even though i'm not necessarily into it

108
00:07:35,589 --> 00:07:33,120
maybe some of you might want to know

109
00:07:37,189 --> 00:07:35,599
about it or have not heard about it

110
00:07:39,430 --> 00:07:37,199
it's just not something i generally

111
00:07:41,189 --> 00:07:39,440
follow i'm sure there's so many people

112
00:07:45,029 --> 00:07:41,199
out there that could

113
00:07:46,070 --> 00:07:45,039

help you out and do videos on on that

114

00:07:47,830 --> 00:07:46,080

specific thing

115

00:07:49,350 --> 00:07:47,840

but it's just never been my thing it's

116

00:07:50,869 --> 00:07:49,360

always i've been more interested in

117

00:07:54,790 --> 00:07:50,879

trying to figure out

118

00:07:57,990 --> 00:07:54,800

what is the whole uh point of of this

119

00:08:01,830 --> 00:07:58,000

ufo phenomena why why is it happening

120

00:08:04,390 --> 00:08:01,840

and so all my

121

00:08:05,749 --> 00:08:04,400

my path i guess kind of took me going

122

00:08:07,589 --> 00:08:05,759

down down that route

123

00:08:09,110 --> 00:08:07,599

to figure that out instead of doing the

124

00:08:11,350 --> 00:08:09,120

nuts and bolts part you

125

00:08:13,029 --> 00:08:11,360

for those of you who are visiting his

126

00:08:14,150 --> 00:08:13,039

channel often they know me mentioning

127

00:08:16,469 --> 00:08:14,160

that all the time

128

00:08:17,589 --> 00:08:16,479

so if you know i don't have any

129

00:08:21,110 --> 00:08:17,599

particular news

130

00:08:23,670 --> 00:08:21,120

you all know that and we all know

131

00:08:24,390 --> 00:08:23,680

ufos exist whether you want to call them

132

00:08:27,430 --> 00:08:24,400

ufos

133

00:08:29,589 --> 00:08:27,440

uaps where they came from

134

00:08:31,270 --> 00:08:29,599

why they're here i guess i'm just gonna

135

00:08:33,029 --> 00:08:31,280

have to let the government kind of

136

00:08:34,709 --> 00:08:33,039

struggle with that one because most of

137

00:08:36,949 --> 00:08:34,719

us did you know 20

138

00:08:37,990 --> 00:08:36,959

30 years ago you know and if we found

139

00:08:40,469 --> 00:08:38,000

our answers

140

00:08:42,389 --> 00:08:40,479

if and when they're ready to to i guess

141

00:08:43,350 --> 00:08:42,399

hear from the different experiences i'm

142

00:08:45,670 --> 00:08:43,360

sure we're here

143

00:08:47,350 --> 00:08:45,680

otherwise they're just gonna start the

144

00:08:49,670 --> 00:08:47,360

whole path out on their own

145

00:08:50,630 --> 00:08:49,680

trying to figure it out what it is about

146

00:08:53,190 --> 00:08:50,640

and uh

147

00:08:54,230 --> 00:08:53,200

i guess struggle and stumble as we all

148

00:08:56,630 --> 00:08:54,240

did

149

00:08:57,750 --> 00:08:56,640

because i have a feeling in some way

150

00:09:01,190 --> 00:08:57,760

they want to have and

151
00:09:03,110 --> 00:09:01,200
have an upper hand um over the over this

152
00:09:03,829 --> 00:09:03,120
phenomena so that they can still come

153
00:09:06,790 --> 00:09:03,839
out as

154
00:09:08,070 --> 00:09:06,800
as an authority to basically have

155
00:09:11,350 --> 00:09:08,080
something to tell us

156
00:09:13,430 --> 00:09:11,360
to make us feel safe and

157
00:09:14,470 --> 00:09:13,440
to just say don't worry we're in control

158
00:09:16,870 --> 00:09:14,480
of whatever this

159
00:09:19,350 --> 00:09:16,880
new thing is don't be afraid which in

160
00:09:22,070 --> 00:09:19,360
essence is kind of the job

161
00:09:23,269 --> 00:09:22,080
of the government but as we all know

162
00:09:25,350 --> 00:09:23,279
governments can sometimes

163
00:09:27,190 --> 00:09:25,360

overdo it and overstep so many

164

00:09:30,790 --> 00:09:27,200

boundaries and

165

00:09:33,430 --> 00:09:30,800

just cross all kinds of lines so anyway

166

00:09:35,350 --> 00:09:33,440

um all right we don't have anyone else

167

00:09:38,710 --> 00:09:35,360

sharing anything or wanting to

168

00:09:42,310 --> 00:09:38,720

speak to me yet in

169

00:09:44,230 --> 00:09:42,320

in telegram so i'm just gonna go through

170

00:09:51,670 --> 00:09:44,240

and see what it is that all of you are

171

00:09:56,310 --> 00:09:51,680

chatting about

172

00:09:57,670 --> 00:09:56,320

okay but you guys can hear me right

173

00:09:59,829 --> 00:09:57,680

my connection is coming through all

174

00:10:01,829 --> 00:09:59,839

right because i'm i'm seeing everything

175

00:10:04,310 --> 00:10:01,839

being streamed out and pushed out

176
00:10:05,750 --> 00:10:04,320
because i saw fabrizio said that there's

177
00:10:07,110 --> 00:10:05,760
no sound

178
00:10:11,590 --> 00:10:07,120
but it looks like it was probably

179
00:10:11,600 --> 00:10:20,230
um isa peacekeeper welcome as well

180
00:10:23,910 --> 00:10:22,389
so until we have somebody who would like

181
00:10:26,550 --> 00:10:23,920
to maybe uh

182
00:10:28,550 --> 00:10:26,560
talk and share this story on on telegram

183
00:10:30,870 --> 00:10:28,560
if there's any questions that you guys

184
00:10:44,389 --> 00:10:30,880
might have that maybe i could address

185
00:10:54,790 --> 00:10:47,509
all right

186
00:10:58,069 --> 00:10:56,790
yeah because what i what i sometimes do

187
00:11:00,870 --> 00:10:58,079
i log in

188
00:11:02,230 --> 00:11:00,880

and open the chat ahead of time just so

189

00:11:05,190 --> 00:11:02,240

that i can get it going

190

00:11:06,310 --> 00:11:05,200

and um bring it into obs and stream it

191

00:11:09,350 --> 00:11:06,320

out to you guys

192

00:11:12,710 --> 00:11:09,360

uh the voice chat that is so um

193

00:11:15,990 --> 00:11:12,720

just earlier today i got to chat

194

00:11:18,550 --> 00:11:16,000

with with uh bradley a bit and so

195

00:11:19,269 --> 00:11:18,560

it's always nice and if you would like

196

00:11:21,829 --> 00:11:19,279

to

197

00:11:22,389 --> 00:11:21,839

kind of get i guess it's not necessarily

198

00:11:42,949 --> 00:11:22,399

a

199

00:11:46,710 --> 00:11:42,959

else is going

200

00:11:47,910 --> 00:11:46,720

on by myself because i have the

201

00:11:49,269 --> 00:11:47,920

connections we got

202

00:11:51,110 --> 00:11:49,279

everything going on so i'm like all

203

00:11:54,069 --> 00:11:51,120

right click here click there connect

204

00:11:54,079 --> 00:12:03,910

all right

205

00:12:11,030 --> 00:12:07,670

okay and yeah welcome to

206

00:12:12,550 --> 00:12:11,040

to all of you in in telegram if you

207

00:12:14,470 --> 00:12:12,560

would like to chat with me

208

00:12:15,910 --> 00:12:14,480

just raise your hand let me know

209

00:12:19,030 --> 00:12:15,920

otherwise

210

00:12:20,629 --> 00:12:19,040

hang tight and just listen to me

211

00:12:23,430 --> 00:12:20,639

rambling on and on

212

00:12:24,949 --> 00:12:23,440

i'm hoping that i could have some of you

213

00:12:26,470 --> 00:12:24,959

log in share some of your stories

214

00:12:29,910 --> 00:12:26,480

because that's the whole point of having

215

00:12:31,430 --> 00:12:29,920

open lines um otherwise

216

00:12:33,030 --> 00:12:31,440

that is pretty much my whole sole

217

00:12:34,629 --> 00:12:33,040

purpose because it's always i always

218

00:12:37,190 --> 00:12:34,639

usually have somebody else

219

00:12:38,310 --> 00:12:37,200

that's someone who's written a book or

220

00:12:41,350 --> 00:12:38,320

had an experience

221

00:12:42,310 --> 00:12:41,360

uh having always you know being in this

222

00:12:45,750 --> 00:12:42,320

official

223

00:12:47,910 --> 00:12:45,760

uh interview but um you know

224

00:12:49,430 --> 00:12:47,920

a lot of times like like we've seen in

225

00:12:50,470 --> 00:12:49,440

previous open lines there's so many

226

00:12:52,310 --> 00:12:50,480

people that have

227

00:12:54,790 --> 00:12:52,320

experiences on their own that are worth

228

00:12:57,030 --> 00:12:54,800

sharing and um

229

00:12:58,069 --> 00:12:57,040

i just wanted to kind of open that up

230

00:13:01,430 --> 00:12:58,079

and and just

231

00:13:05,430 --> 00:13:01,440

create an online version of a ufo

232

00:13:08,470 --> 00:13:05,440

hub meeting so that and

233

00:13:11,829 --> 00:13:08,480

even though you we may not live close by

234

00:13:13,829 --> 00:13:11,839

um even though um you know we might have

235

00:13:15,750 --> 00:13:13,839

slightly different interests at least

236

00:13:18,310 --> 00:13:15,760

this is a one day week

237

00:13:20,389 --> 00:13:18,320

where all of us could just come together

238

00:13:22,069 --> 00:13:20,399

listen to others and and talk

239

00:13:23,509 --> 00:13:22,079

because i remember when i still lived in

240

00:13:25,670 --> 00:13:23,519

san luis there were all these

241

00:13:26,870 --> 00:13:25,680

at least three four different meetings

242

00:13:29,110 --> 00:13:26,880

uh throughout the month

243

00:13:30,949 --> 00:13:29,120

going on around town and there'll be

244

00:13:32,230 --> 00:13:30,959

hundreds of people so it was always fun

245

00:13:34,949 --> 00:13:32,240

meeting and you

246

00:13:35,590 --> 00:13:34,959

you chitchat and you you share stories

247

00:13:38,310 --> 00:13:35,600

and

248

00:13:39,590 --> 00:13:38,320

um some would have latest experiences so

249

00:13:43,030 --> 00:13:39,600

they tell us about it

250

00:13:45,269 --> 00:13:43,040

and so um all of us being kind of

251

00:13:47,430 --> 00:13:45,279

isolated now it kind of just helps to

252

00:13:49,189 --> 00:13:47,440

just make it public make it go online

253

00:13:53,110 --> 00:13:49,199

and and give everyone a

254

00:13:55,670 --> 00:13:53,120

a fly on a wall kind of a

255

00:14:01,189 --> 00:13:55,680

view of what is going on with all these

256

00:14:08,150 --> 00:14:04,870

all right we got uh bran brian i'm gonna

257

00:14:08,870 --> 00:14:08,160

you are muted and uh uh i'll meet

258

00:14:13,910 --> 00:14:08,880

yourself

259

00:14:18,230 --> 00:14:16,870

um hi um i'm brynn and i've been a

260

00:14:21,750 --> 00:14:18,240

contactee for

261

00:14:23,910 --> 00:14:21,760

uh many years decades

262

00:14:25,509 --> 00:14:23,920

thank you very much thank you anan i

263

00:14:27,430 --> 00:14:25,519

wanted to thank you

264

00:14:29,110 --> 00:14:27,440

for i've not spoken so i'm not sure if

265

00:14:29,590 --> 00:14:29,120

my voice is coming across okay i have a

266

00:14:33,189 --> 00:14:29,600

very

267

00:14:35,910 --> 00:14:33,199

quiet low voice but i'm just

268

00:14:37,110 --> 00:14:35,920

okay cool um i just wanted to thank you

269

00:14:38,550 --> 00:14:37,120

for the work that you do

270

00:14:40,550 --> 00:14:38,560

and i know you guys are a small

271

00:14:43,910 --> 00:14:40,560

operation and i really appreciate you

272

00:14:45,189 --> 00:14:43,920

so much i noticed in your uh ozark

273

00:14:47,990 --> 00:14:45,199

conference that she had

274

00:14:50,310 --> 00:14:48,000

mary rodwell there and she had

275

00:14:53,670 --> 00:14:50,320

interviewed me

276

00:14:56,389 --> 00:14:53,680

over some of my contact experience in at

277

00:14:58,550 --> 00:14:56,399

gary hesselin or hasseltine depending on

278

00:15:01,910 --> 00:14:58,560

how you pronounce it

279

00:15:05,750 --> 00:15:01,920

emag it's called truth

280

00:15:07,430 --> 00:15:05,760

ufo truth magazine at any rate she did

281

00:15:09,990 --> 00:15:07,440

an article on me after a couple years of

282

00:15:12,069 --> 00:15:10,000

emailing me about my contact experience

283

00:15:13,509 --> 00:15:12,079

and included in some of that stuff was

284

00:15:15,189 --> 00:15:13,519

and you had started out talking about

285

00:15:17,189 --> 00:15:15,199

the government's obligation to bring

286

00:15:20,310 --> 00:15:17,199

forward the information and that

287

00:15:22,550 --> 00:15:20,320

uh you know it's gonna clearly everybody

288

00:15:25,350 --> 00:15:22,560

has had an opinion on that

289

00:15:28,230 --> 00:15:25,360

about um how much it's actually going to

290

00:15:31,590 --> 00:15:30,550

i'm so sorry i'm trying to take this

291

00:15:34,870 --> 00:15:31,600

hold on

292

00:15:39,030 --> 00:15:37,509

all right i guess uh we she had a phone

293

00:15:39,430 --> 00:15:39,040

call she needed to take but that's all

294

00:15:42,629 --> 00:15:39,440

right

295

00:15:43,430 --> 00:15:42,639

she'll she'll probably be back and uh

296

00:15:45,829 --> 00:15:43,440

yeah it's it's

297

00:15:47,590 --> 00:15:45,839

it's all unscripted there's um you know

298

00:15:48,310 --> 00:15:47,600

i appreciate you spending your wednesday

299

00:15:51,189 --> 00:15:48,320

with us

300

00:15:51,910 --> 00:15:51,199

and we don't have any or i try not to

301
00:15:53,910 --> 00:15:51,920
have any

302
00:15:56,389 --> 00:15:53,920
uh specific guidance because there's so

303
00:15:57,910 --> 00:15:56,399
many so many structured things and

304
00:16:00,150 --> 00:15:57,920
i'm sure if you just want to watch a

305
00:16:00,870 --> 00:16:00,160
movie you can switch off this and do

306
00:16:02,790 --> 00:16:00,880
that but

307
00:16:03,990 --> 00:16:02,800
this is just basically kind of showing

308
00:16:07,749 --> 00:16:04,000
you what is happening

309
00:16:10,870 --> 00:16:07,759
as we're all um just meeting online and

310
00:16:14,629 --> 00:16:10,880
chatting about our experiences

311
00:16:16,470 --> 00:16:14,639
um bran are you ready yes absolutely and

312
00:16:20,230 --> 00:16:16,480
i do apologize for that no problem

313
00:16:21,590 --> 00:16:20,240

um uh yeah it's getting back to the

314

00:16:24,629 --> 00:16:21,600

government's obligation

315

00:16:26,310 --> 00:16:24,639

um i had described in my contact

316

00:16:29,030 --> 00:16:26,320

experiences

317

00:16:30,710 --> 00:16:29,040

to marry into richard dolan who i really

318

00:16:32,550 --> 00:16:30,720

didn't understand about the nuts and

319

00:16:34,710 --> 00:16:32,560

bolts thing and me being an experiercer

320

00:16:37,430 --> 00:16:34,720

it was kind of a weird thing but

321

00:16:38,310 --> 00:16:37,440

um but even though many experiencers

322

00:16:40,310 --> 00:16:38,320

contact him

323

00:16:41,749 --> 00:16:40,320

it's really not his approach to it he

324

00:16:44,949 --> 00:16:41,759

likes to go for hardcore

325

00:16:45,670 --> 00:16:44,959

uh evidence and while there's evidence

326

00:16:49,030 --> 00:16:45,680

there

327

00:16:51,350 --> 00:16:49,040

um and my entire family ended up

328

00:16:52,470 --> 00:16:51,360

being mill lab uh four times over the

329

00:16:55,590 --> 00:16:52,480

years

330

00:16:57,509 --> 00:16:55,600

uh i had a lot of contact and uh

331

00:16:58,870 --> 00:16:57,519

the government had evidence of it

332

00:17:00,949 --> 00:16:58,880

obviously or they wouldn't have come

333

00:17:06,309 --> 00:17:00,959

after me and my family

334

00:17:12,789 --> 00:17:09,590

well literally uh

335

00:17:13,909 --> 00:17:12,799

what's uh termed as a mill lab i'm sorry

336

00:17:16,230 --> 00:17:13,919

a what

337

00:17:18,390 --> 00:17:16,240

a it's called a mill lab starts with an

338

00:17:20,630 --> 00:17:18,400

m as in mary

339

00:17:21,909 --> 00:17:20,640

a military abduction oh okay and they

340

00:17:27,029 --> 00:17:21,919

take

341

00:17:28,950 --> 00:17:27,039

drug you question you they

342

00:17:31,110 --> 00:17:28,960

yeah you know what i'm talking about

343

00:17:34,150 --> 00:17:31,120

yeah i don't know i'm sorry i did

344

00:17:36,950 --> 00:17:34,160

no it's okay it's all right so uh but

345

00:17:39,350 --> 00:17:36,960

some people pronounce it my lab but it's

346

00:17:40,789 --> 00:17:39,360

an acronym of military abduction

347

00:17:43,350 --> 00:17:40,799

and i've always thought about that and

348

00:17:49,909 --> 00:17:43,360

went well it's military isn't pronounced

349

00:17:55,110 --> 00:17:53,270

so my experience has been that they uh

350

00:17:57,029 --> 00:17:55,120

and this is going back a number of years

351
00:18:01,590 --> 00:17:57,039
now

352
00:18:04,150 --> 00:18:01,600
that they used impunity for many years

353
00:18:04,789 --> 00:18:04,160
against people that they knew that had

354
00:18:06,630 --> 00:18:04,799
uh

355
00:18:08,789 --> 00:18:06,640
that they had hardcore evidence of

356
00:18:09,510 --> 00:18:08,799
pictures some kind of evidence that the

357
00:18:12,150 --> 00:18:09,520
person had

358
00:18:13,590 --> 00:18:12,160
direct contact and i have a lot of

359
00:18:15,190 --> 00:18:13,600
empathy for the

360
00:18:16,710 --> 00:18:15,200
experiencer and contact community

361
00:18:17,830 --> 00:18:16,720
because they're considered some of the

362
00:18:21,430 --> 00:18:17,840
least

363
00:18:23,830 --> 00:18:21,440

reliable witnesses um i that

364

00:18:25,270 --> 00:18:23,840

that wouldn't be my case or a number of

365

00:18:28,390 --> 00:18:25,280

people that

366

00:18:30,789 --> 00:18:28,400

uh clearly

367

00:18:33,350 --> 00:18:30,799

they had targeted you know in terms of

368

00:18:34,470 --> 00:18:33,360

of trying to silence but for years they

369

00:18:36,870 --> 00:18:34,480

had

370

00:18:38,310 --> 00:18:36,880

and i have this feeling and i was

371

00:18:40,870 --> 00:18:38,320

thinking about it i have this feeling

372

00:18:42,789 --> 00:18:40,880

that the government will not

373

00:18:44,390 --> 00:18:42,799

be completely forthcoming about how

374

00:18:47,510 --> 00:18:44,400

they've been

375

00:18:48,150 --> 00:18:47,520

used impunity violated human rights

376

00:18:51,909 --> 00:18:48,160

treaties

377

00:18:55,110 --> 00:18:51,919

over the years uh with their handling of

378

00:18:55,590 --> 00:18:55,120

my labs or mill labs and others that

379

00:18:58,870 --> 00:18:55,600

they

380

00:18:59,350 --> 00:18:58,880

knew had contact because their policy

381

00:19:04,310 --> 00:18:59,360

for

382

00:19:08,070 --> 00:19:04,320

uh the utmost secrecy

383

00:19:09,750 --> 00:19:08,080

so uh my you know my my take on that was

384

00:19:11,830 --> 00:19:09,760

just the fact that i don't i don't see

385

00:19:13,590 --> 00:19:11,840

them coming forward and admitting

386

00:19:15,430 --> 00:19:13,600

the human rights violations in the

387

00:19:16,870 --> 00:19:15,440

process of

388

00:19:18,789 --> 00:19:16,880

getting the evidence and things that

389

00:19:21,029 --> 00:19:18,799

they wanted which was mostly

390

00:19:21,990 --> 00:19:21,039

uh wanting technology that first and

391

00:19:24,470 --> 00:19:22,000

foremost it was

392

00:19:26,150 --> 00:19:24,480

wanting technology but i was wondering

393

00:19:29,590 --> 00:19:26,160

what how you felt about the

394

00:19:32,789 --> 00:19:29,600

uh june release that's coming up and

395

00:19:35,669 --> 00:19:32,799

the government revealing those things

396

00:19:36,789 --> 00:19:35,679

and how much you think they'll reveal

397

00:19:40,230 --> 00:19:36,799

well you know

398

00:19:42,630 --> 00:19:40,240

i mentioned that i think last time that

399

00:19:43,590 --> 00:19:42,640

somebody was putting up a little

400

00:19:47,029 --> 00:19:43,600

countdown

401
00:19:50,230 --> 00:19:47,039
you know 180 days t minus so and so

402
00:19:52,390 --> 00:19:50,240
and um to be honest i i don't know

403
00:19:53,750 --> 00:19:52,400
where exactly you know where it would

404
00:19:55,510 --> 00:19:53,760
land other than

405
00:19:57,590 --> 00:19:55,520
there would be at the very beginning

406
00:19:58,230 --> 00:19:57,600
stages of where most of us were years

407
00:20:00,470 --> 00:19:58,240
ago

408
00:20:01,750 --> 00:20:00,480
about you know okay fine we're gonna

409
00:20:03,669 --> 00:20:01,760
admit that there's

410
00:20:05,669 --> 00:20:03,679
you know there's lights there's lights

411
00:20:06,470 --> 00:20:05,679
in the sky you know there's things that

412
00:20:07,830 --> 00:20:06,480
we don't know

413
00:20:09,190 --> 00:20:07,840

what they are you know and it's

414

00:20:10,549 --> 00:20:09,200

basically it's going to be the very

415

00:20:12,710 --> 00:20:10,559

beginning stages

416

00:20:14,710 --> 00:20:12,720

of you know where all of us were past it

417

00:20:16,310 --> 00:20:14,720

we're like okay get let's get ready to

418

00:20:18,710 --> 00:20:16,320

get on the ships and travel to the next

419

00:20:21,669 --> 00:20:18,720

galaxy they're still right back to where

420

00:20:22,230 --> 00:20:21,679

there's lights you know and so uh if

421

00:20:24,390 --> 00:20:22,240

there is

422

00:20:25,669 --> 00:20:24,400

going to be a kind of some kind of

423

00:20:28,710 --> 00:20:25,679

disclosure it's going to be

424

00:20:30,630 --> 00:20:28,720

that really slow drawn out

425

00:20:32,950 --> 00:20:30,640

way to where i mean they already

426

00:20:35,029 --> 00:20:32,960

admitted that you know ufos exist

427

00:20:36,950 --> 00:20:35,039

but yet everyone just kind of okay great

428

00:20:39,190 --> 00:20:36,960

and then went about their lives

429

00:20:40,870 --> 00:20:39,200

you know pentagon didn't deny that you

430

00:20:43,270 --> 00:20:40,880

know the footage that they were

431

00:20:44,870 --> 00:20:43,280

that they released uh that was released

432

00:20:46,149 --> 00:20:44,880

about uh those um

433

00:20:49,110 --> 00:20:46,159

what is that that night vision

434

00:20:52,070 --> 00:20:49,120

triangular craft and um

435

00:20:53,029 --> 00:20:52,080

and even prior to that yeah well no not

436

00:20:56,230 --> 00:20:53,039

phoenix likes

437

00:21:00,070 --> 00:20:56,240

this was taken on uh on board of the um

438

00:21:03,029 --> 00:21:00,080

of this navy this navy

439

00:21:03,669 --> 00:21:03,039

yeah it was a pilot like a pilot screen

440

00:21:05,270 --> 00:21:03,679

yeah

441

00:21:07,110 --> 00:21:05,280

right and so anyway so but then going

442

00:21:10,310 --> 00:21:07,120

back in you know new york times

443

00:21:12,310 --> 00:21:10,320

in 2017 with the tick tock and um

444

00:21:14,390 --> 00:21:12,320

you know all the releases that came out

445

00:21:15,750 --> 00:21:14,400

there i mean i don't know what it would

446

00:21:17,669 --> 00:21:15,760

take for people to

447

00:21:19,669 --> 00:21:17,679

to be more interested in it it's it's

448

00:21:23,350 --> 00:21:19,679

still almost seems like a

449

00:21:24,950 --> 00:21:23,360

um i don't know how to call it but you

450

00:21:26,710 --> 00:21:24,960

know how when you have these uh

451
00:21:27,990 --> 00:21:26,720
tabloids and you're in the supermarket

452
00:21:30,390 --> 00:21:28,000
and you go um

453
00:21:32,390 --> 00:21:30,400
so-and-so famous uh broke up with

454
00:21:34,789 --> 00:21:32,400
so-and-so famous and you're like oh

455
00:21:37,029 --> 00:21:34,799
okay how bad and they're like oh let me

456
00:21:39,350 --> 00:21:37,039
get a snickers and then you check out

457
00:21:40,950 --> 00:21:39,360
you know it's it's kind of like that

458
00:21:42,630 --> 00:21:40,960
which is fine i mean i don't

459
00:21:43,990 --> 00:21:42,640
i've always said i don't need anyone to

460
00:21:46,470 --> 00:21:44,000
really believe what

461
00:21:47,990 --> 00:21:46,480
it is that i know about um it's just

462
00:21:49,830 --> 00:21:48,000
this is what i'm passionate about i

463
00:21:52,230 --> 00:21:49,840

shared with other people um

464

00:21:53,430 --> 00:21:52,240

offer opportunities to just chat with

465

00:21:56,470 --> 00:21:53,440

like we are now

466

00:21:58,390 --> 00:21:56,480

but you know it's my

467

00:21:59,750 --> 00:21:58,400

life it's not going to change that much

468

00:22:02,230 --> 00:21:59,760

more other than

469

00:22:04,310 --> 00:22:02,240

maybe now you know there will be more

470

00:22:05,430 --> 00:22:04,320

outlets to hopefully get to the bottom

471

00:22:07,110 --> 00:22:05,440

of it quicker

472

00:22:09,270 --> 00:22:07,120

you know because somebody's you know

473

00:22:10,710 --> 00:22:09,280

most people always live in this

474

00:22:12,549 --> 00:22:10,720

i don't mean this in a negative way but

475

00:22:16,230 --> 00:22:12,559

in this herd mentality it's like

476

00:22:19,029 --> 00:22:16,240

okay well you know i need

477

00:22:19,510 --> 00:22:19,039

one billion people right to be believing

478

00:22:21,750 --> 00:22:19,520

in this

479

00:22:23,350 --> 00:22:21,760

then i can okay get into this if it's

480

00:22:24,950 --> 00:22:23,360

you know if it's not a billion people

481

00:22:26,710 --> 00:22:24,960

then all right then i'll just

482

00:22:27,990 --> 00:22:26,720

go on going to work take care of family

483

00:22:31,029 --> 00:22:28,000

and just go

484

00:22:33,110 --> 00:22:31,039

you know to a day-to-day business so

485

00:22:35,190 --> 00:22:33,120

regarding that i i doubt it will be

486

00:22:36,070 --> 00:22:35,200

anything of significance i'll be really

487

00:22:38,870 --> 00:22:36,080

surprised if it

488

00:22:40,149 --> 00:22:38,880

is you know but it's it's still up to us

489

00:22:42,390 --> 00:22:40,159

to just continue

490

00:22:43,510 --> 00:22:42,400

you know sharing our stories talking any

491

00:22:45,190 --> 00:22:43,520

pictures that we have

492

00:22:46,789 --> 00:22:45,200

thanks to youtube we can upload thanks

493

00:22:48,630 --> 00:22:46,799

to rumble thanks to

494

00:22:50,710 --> 00:22:48,640

you know all these different outlets out

495

00:22:52,950 --> 00:22:50,720

there we don't necessarily need

496

00:22:53,990 --> 00:22:52,960

the mainstream news anymore or the

497

00:22:55,909 --> 00:22:54,000

governments to really

498

00:22:57,669 --> 00:22:55,919

put the information out there you know

499

00:22:58,390 --> 00:22:57,679

we can just kind of circumvent it and

500

00:23:00,310 --> 00:22:58,400

say hey

501
00:23:01,510 --> 00:23:00,320
well i have this if you're interested

502
00:23:04,549 --> 00:23:01,520
look at it if not

503
00:23:04,950 --> 00:23:04,559
okay you know it's the part is when when

504
00:23:11,270 --> 00:23:04,960
you

505
00:23:11,830 --> 00:23:11,280
someone else's validation that's when

506
00:23:16,549 --> 00:23:11,840
you

507
00:23:19,669 --> 00:23:16,559
little trouble so to say because then

508
00:23:21,270 --> 00:23:19,679
you make everything conditional

509
00:23:23,270 --> 00:23:21,280
exactly and i couldn't agree with you

510
00:23:26,870 --> 00:23:23,280
more on the release of that data

511
00:23:29,110 --> 00:23:26,880
and that basically uh disclosure

512
00:23:30,310 --> 00:23:29,120
occurred a long time ago but then you

513
00:23:33,510 --> 00:23:30,320

know you ha you have

514

00:23:36,310 --> 00:23:33,520

uh you have outfits like nasa

515

00:23:37,909 --> 00:23:36,320

that are constantly on the hunt for

516

00:23:39,510 --> 00:23:37,919

intelligent life and they might find

517

00:23:42,630 --> 00:23:39,520

some intelligent organism

518

00:23:44,470 --> 00:23:42,640

if you continue to fund them and it's

519

00:23:47,110 --> 00:23:44,480

like the endless font for a

520

00:23:48,070 --> 00:23:47,120

or hunt for a heffalump you know what

521

00:23:51,110 --> 00:23:48,080

i'm saying it

522

00:23:54,230 --> 00:23:51,120

it's some creature that is non-existent

523

00:23:56,870 --> 00:23:54,240

and they're not going to find and for

524

00:23:57,350 --> 00:23:56,880

us it's not never going to change uh

525

00:24:00,470 --> 00:23:57,360

once

526

00:24:03,110 --> 00:24:00,480

experiencer

527

00:24:04,789 --> 00:24:03,120

as a contactee however your contact came

528

00:24:05,669 --> 00:24:04,799

whether it was uh something visual

529

00:24:09,350 --> 00:24:05,679

whether it was

530

00:24:10,950 --> 00:24:09,360

c c four on uh taking on ships or

531

00:24:14,230 --> 00:24:10,960

whatever it is

532

00:24:16,310 --> 00:24:14,240

um once you once

533

00:24:18,070 --> 00:24:16,320

your paradigm has been shifted like that

534

00:24:21,269 --> 00:24:18,080

there's no unlooking it

535

00:24:22,950 --> 00:24:21,279

you know basically and so we just moved

536

00:24:23,990 --> 00:24:22,960

from there but i i couldn't agree with

537

00:24:26,549 --> 00:24:24,000

you more i

538

00:24:28,390 --> 00:24:26,559

absolutely that um this is something

539

00:24:29,029 --> 00:24:28,400

that's not new to us that's not going to

540

00:24:32,470 --> 00:24:29,039

change

541

00:24:33,830 --> 00:24:32,480

uh our perspective uh as contactees or

542

00:24:36,070 --> 00:24:33,840

experiencers

543

00:24:37,510 --> 00:24:36,080

um it help it's nice that uh they

544

00:24:39,029 --> 00:24:37,520

validate those things

545

00:24:40,630 --> 00:24:39,039

but we don't need validation because

546

00:24:41,430 --> 00:24:40,640

we've already had plenty of it that's

547

00:24:43,669 --> 00:24:41,440

for sure

548

00:24:45,190 --> 00:24:43,679

right well bren i don't mean to change

549

00:24:47,029 --> 00:24:45,200

the subject but uh

550

00:24:49,029 --> 00:24:47,039

you kind of dropped a huge bombshell

551
00:24:51,510 --> 00:24:49,039
there about uh my lab or

552
00:24:52,390 --> 00:24:51,520
military lab and then you we went off on

553
00:24:55,750 --> 00:24:52,400
a different tension

554
00:24:59,510 --> 00:24:58,470
well okay i had enough contact over the

555
00:25:02,630 --> 00:24:59,520
years that

556
00:25:03,269 --> 00:25:02,640
they had evidence and through photos and

557
00:25:06,630 --> 00:25:03,279
i knew through

558
00:25:09,510 --> 00:25:06,640
the actual contact experience that they

559
00:25:11,909 --> 00:25:09,520
had photos in one case it was

560
00:25:13,190 --> 00:25:11,919
navy divers as the craft itself was

561
00:25:15,909 --> 00:25:13,200
underwater

562
00:25:16,470 --> 00:25:15,919
and in another case uh they allowed a

563
00:25:19,909 --> 00:25:16,480

live

564

00:25:21,430 --> 00:25:19,919

feed through so that they could

565

00:25:23,430 --> 00:25:21,440

see and when they did could see me

566

00:25:25,190 --> 00:25:23,440

inside the ship and they weren't really

567

00:25:29,110 --> 00:25:25,200

expecting it and

568

00:25:31,269 --> 00:25:29,120

i think because of my youth and uh

569

00:25:32,950 --> 00:25:31,279

and the fact that i didn't look like i

570

00:25:34,630 --> 00:25:32,960

was attached to

571

00:25:36,789 --> 00:25:34,640

or might not have been a part of the

572

00:25:38,630 --> 00:25:36,799

craft meaning coming from the the et

573

00:25:41,909 --> 00:25:38,640

perspective

574

00:25:43,430 --> 00:25:41,919

even though they would take me and do

575

00:25:47,110 --> 00:25:43,440

things even right uh

576

00:25:49,029 --> 00:25:47,120

going to like uh contacting other

577

00:25:50,470 --> 00:25:49,039

people here and asking them if they

578

00:25:52,630 --> 00:25:50,480

would be willing to take information

579

00:25:54,630 --> 00:25:52,640

back to earth and that kind of thing

580

00:25:56,390 --> 00:25:54,640

so it was a lot of contact experience

581

00:25:58,549 --> 00:25:56,400

over the years

582

00:25:59,830 --> 00:25:58,559

i'm sorry i i i hate to interrupt and

583

00:26:01,909 --> 00:25:59,840

usually i don't if you

584

00:26:03,590 --> 00:26:01,919

know how i do it's okay oh i talked with

585

00:26:04,710 --> 00:26:03,600

you but can you go back i'm just a

586

00:26:06,710 --> 00:26:04,720

little bit confused

587

00:26:08,310 --> 00:26:06,720

how you started out your story just give

588

00:26:10,230 --> 00:26:08,320

me a little bit more context who

589

00:26:11,350 --> 00:26:10,240

who exactly you're referring to i'm

590

00:26:15,110 --> 00:26:11,360

sorry

591

00:26:17,669 --> 00:26:15,120

okay excuse me

592

00:26:19,990 --> 00:26:17,679

since i was a child i had contact that

593

00:26:21,830 --> 00:26:20,000

would have been i forgot what they

594

00:26:23,669 --> 00:26:21,840

what heineck method would have

595

00:26:27,990 --> 00:26:23,679

classified it as

596

00:26:31,510 --> 00:26:28,000

but it was taken on craft a big part of

597

00:26:33,669 --> 00:26:31,520

my contact was their almost

598

00:26:35,909 --> 00:26:33,679

it seemed like almost overnight them

599

00:26:36,549 --> 00:26:35,919

being able to communicate telepathically

600

00:26:38,230 --> 00:26:36,559

and

601
00:26:40,789 --> 00:26:38,240
their contact with me has really

602
00:26:42,149 --> 00:26:40,799
expanded my own gifts at things like

603
00:26:44,950 --> 00:26:42,159
remote viewing

604
00:26:45,830 --> 00:26:44,960
uh telepathy these kind of things it was

605
00:26:49,510 --> 00:26:45,840
like

606
00:26:51,909 --> 00:26:49,520
dna by by having that

607
00:26:53,110 --> 00:26:51,919
contact close contact but they would

608
00:26:57,430 --> 00:26:53,120
take me and their

609
00:26:59,430 --> 00:26:57,440
central focus was the nuclear problem

610
00:27:01,669 --> 00:26:59,440
and they had said to me as a young child

611
00:27:03,269 --> 00:27:01,679
they didn't want

612
00:27:05,430 --> 00:27:03,279
they asked for my help and i said to

613
00:27:07,350 --> 00:27:05,440

them well what do you want my help for

614

00:27:10,230 --> 00:27:07,360

i'm just a little girl

615

00:27:12,310 --> 00:27:10,240

and they said uh because we don't want

616

00:27:14,310 --> 00:27:12,320

them to annihilate each other

617

00:27:15,909 --> 00:27:14,320

and while i had a very wide vocabulary

618

00:27:18,630 --> 00:27:15,919

for a young girl i said

619

00:27:21,110 --> 00:27:18,640

uh what do you mean by annihilate and

620

00:27:22,389 --> 00:27:21,120

they said uh we don't want them to

621

00:27:25,110 --> 00:27:22,399

destroy each other

622

00:27:25,750 --> 00:27:25,120

and then i said what do you mean destroy

623

00:27:27,990 --> 00:27:25,760

each other

624

00:27:28,870 --> 00:27:28,000

and then instead of speaking in words

625

00:27:32,630 --> 00:27:28,880

they spoke in

626

00:27:36,149 --> 00:27:32,640

uh visual visual pictures

627

00:27:37,669 --> 00:27:36,159

very alive as if you're standing on

628

00:27:38,950 --> 00:27:37,679

those grounds wherever it was in

629

00:27:41,110 --> 00:27:38,960

different parts of the world where they

630

00:27:43,190 --> 00:27:41,120

had launches of these

631

00:27:44,549 --> 00:27:43,200

at these missile sites but they'd go up

632

00:27:46,470 --> 00:27:44,559

and they wouldn't have enough lift come

633

00:27:48,710 --> 00:27:46,480

down crash blow up the pad

634

00:27:49,830 --> 00:27:48,720

another one would go up come down nose

635

00:27:52,870 --> 00:27:49,840

front

636

00:27:54,950 --> 00:27:52,880

first blow up the launch pad

637

00:27:56,710 --> 00:27:54,960

others would you know get so far up into

638

00:27:59,110 --> 00:27:56,720

the to the air and everyone's clapping

639

00:28:01,669 --> 00:27:59,120

then suddenly the thing blows up

640

00:28:04,149 --> 00:28:01,679

and then it finishes it off with a big

641

00:28:07,430 --> 00:28:04,159

orange mushroom cloud

642

00:28:09,750 --> 00:28:07,440

and said uh

643

00:28:11,510 --> 00:28:09,760

and said nothing and at that point i was

644

00:28:13,990 --> 00:28:11,520

so shocked by the imagery

645

00:28:15,590 --> 00:28:14,000

and what they were saying which i took

646

00:28:17,750 --> 00:28:15,600

very seriously

647

00:28:18,630 --> 00:28:17,760

as i didn't question it you know i knew

648

00:28:20,710 --> 00:28:18,640

that in all

649

00:28:22,070 --> 00:28:20,720

sincerity that they were being honest

650

00:28:25,590 --> 00:28:22,080

compassionate and

651
00:28:28,950 --> 00:28:25,600
care about uh people here on earth

652
00:28:31,990 --> 00:28:28,960
and then ended up on a

653
00:28:35,190 --> 00:28:32,000
about a 22 to 25-year odyssey

654
00:28:37,750 --> 00:28:35,200
of going being taken with them

655
00:28:39,750 --> 00:28:37,760
during the buzzing of different missile

656
00:28:41,669 --> 00:28:39,760
facilities around the world

657
00:28:44,710 --> 00:28:41,679
along with contact experience in which

658
00:28:46,870 --> 00:28:44,720
they were showing me things

659
00:28:48,310 --> 00:28:46,880
in which i was connected to them and

660
00:28:50,149 --> 00:28:48,320
they had told me from the very beginning

661
00:28:52,230 --> 00:28:50,159
that i was like one of them

662
00:28:53,990 --> 00:28:52,240
and that they were here to protect me

663
00:28:55,669 --> 00:28:54,000

well i really couldn't digest that for a

664

00:28:56,950 --> 00:28:55,679

long time because i'm a pretty sensible

665

00:28:59,830 --> 00:28:56,960

person

666

00:29:01,110 --> 00:28:59,840

i didn't really i didn't really

667

00:29:03,590 --> 00:29:01,120

understand that

668

00:29:05,029 --> 00:29:03,600

until many years later when the subject

669

00:29:07,029 --> 00:29:05,039

of a

670

00:29:08,789 --> 00:29:07,039

star seed and that kind of thing and the

671

00:29:11,190 --> 00:29:08,799

experience there and how

672

00:29:12,950 --> 00:29:11,200

some experiencers can be with the same

673

00:29:14,950 --> 00:29:12,960

beings lifetime after lifetime and

674

00:29:19,750 --> 00:29:14,960

that's been my experience with them so

675

00:29:24,389 --> 00:29:23,750

and so in their quest to send a strong

676
00:29:28,149 --> 00:29:24,399
message

677
00:29:29,990 --> 00:29:28,159
to the military there were times when

678
00:29:32,230 --> 00:29:30,000
they were just

679
00:29:33,669 --> 00:29:32,240
i would call it a joy ride after you

680
00:29:36,389 --> 00:29:33,679
know so many years

681
00:29:37,590 --> 00:29:36,399
of being taken like that and treated

682
00:29:40,870 --> 00:29:37,600
like family

683
00:29:42,789 --> 00:29:40,880
protected and given the most profound

684
00:29:45,350 --> 00:29:42,799
experiences

685
00:29:46,630 --> 00:29:45,360
and then sometimes it was just like i

686
00:29:50,149 --> 00:29:46,640
said a joyride

687
00:29:52,710 --> 00:29:50,159
but they had pictures of it and

688
00:29:54,389 --> 00:29:52,720

within 20 minutes in the first incident

689

00:29:55,350 --> 00:29:54,399

in which they ended up my labbing my

690

00:29:57,190 --> 00:29:55,360

family

691

00:29:59,510 --> 00:29:57,200

within the first within 20 minutes of

692

00:30:05,750 --> 00:29:59,520

being floated back through the wall

693

00:30:09,350 --> 00:30:08,070

my my dad who was a naval intelligence

694

00:30:11,350 --> 00:30:09,360

officer

695

00:30:12,710 --> 00:30:11,360

had received a phone call about 20

696

00:30:14,230 --> 00:30:12,720

minutes later from his commanding

697

00:30:17,110 --> 00:30:14,240

officer saying there'd been an incident

698

00:30:19,669 --> 00:30:17,120

and then he started asking questions

699

00:30:20,549 --> 00:30:19,679

and he said things like uh and my dad

700

00:30:23,830 --> 00:30:20,559

was on

701
00:30:27,830 --> 00:30:23,840
only home on leave for about three days

702
00:30:29,750 --> 00:30:27,840
from vietnam and he said

703
00:30:32,950 --> 00:30:29,760
uh whoever was on the phone with him

704
00:30:35,830 --> 00:30:32,960
said must have said is she there because

705
00:30:37,029 --> 00:30:35,840
my dad winks at me you know in my

706
00:30:40,310 --> 00:30:37,039
jammies my mom's in the

707
00:30:42,310 --> 00:30:40,320
in the kitchen making coffee and

708
00:30:43,990 --> 00:30:42,320
there's only two women in the house and

709
00:30:47,110 --> 00:30:44,000
i'm in the living room and the other

710
00:30:48,950 --> 00:30:47,120
female is in the kitchen and he says

711
00:30:51,830 --> 00:30:48,960
well i begging your pardon sir

712
00:30:53,350 --> 00:30:51,840
i have two females here meaning you know

713
00:30:54,710 --> 00:30:53,360

is she there

714

00:30:56,470 --> 00:30:54,720

and then they must have specified

715

00:30:58,149 --> 00:30:56,480

because my dad shot me this kind of look

716

00:30:59,750 --> 00:30:58,159

like he was the good cop and my mom was

717

00:31:02,070 --> 00:30:59,760

a bad cop and he shot me and looked like

718

00:31:05,110 --> 00:31:02,080

what have you gotten into now

719

00:31:08,230 --> 00:31:05,120

and it was a very public a

720

00:31:09,110 --> 00:31:08,240

very public story that many people are

721

00:31:12,389 --> 00:31:09,120

really

722

00:31:14,950 --> 00:31:12,399

very well aware of very well documented

723

00:31:16,389 --> 00:31:14,960

but what wasn't documented by the

724

00:31:17,750 --> 00:31:16,399

government or published by the

725

00:31:19,669 --> 00:31:17,760

government even though they acknowledged

726

00:31:23,110 --> 00:31:19,679

that it was a ufo incident

727

00:31:27,190 --> 00:31:23,120

to the public was the fact that they

728

00:31:29,350 --> 00:31:27,200

had pictures of two occupants but

729

00:31:31,590 --> 00:31:29,360

during the line of questioning the mill

730

00:31:33,269 --> 00:31:31,600

the subsequent mill lab

731

00:31:35,430 --> 00:31:33,279

there's a lot of details here i wrote

732

00:31:37,669 --> 00:31:35,440

about it at a blog i

733

00:31:38,950 --> 00:31:37,679

would rather keep kind of private i have

734

00:31:42,549 --> 00:31:38,960

nominal uh

735

00:31:43,669 --> 00:31:42,559

traffic there but i i had to finally

736

00:31:46,230 --> 00:31:43,679

write about it because it was

737

00:31:47,620 --> 00:31:46,240

a lot of details to it the way that uh

738

00:31:48,710 --> 00:31:47,630

these men in grey from

739

00:31:50,389 --> 00:31:48,720

[Music]

740

00:31:51,990 --> 00:31:50,399

because the incident happened in canada

741

00:31:54,789 --> 00:31:52,000

so these men in grey

742

00:31:55,430 --> 00:31:54,799

seemed to appear out of thin air and

743

00:31:58,389 --> 00:31:55,440

when they

744

00:31:59,669 --> 00:31:58,399

they took after they talked my mother

745

00:32:02,710 --> 00:31:59,679

into bringing me

746

00:32:04,870 --> 00:32:02,720

up there or with uh

747

00:32:06,070 --> 00:32:04,880

airfare and accommodations provided by

748

00:32:08,149 --> 00:32:06,080

them and then paying her

749

00:32:10,070 --> 00:32:08,159

they just wanted to ask questions they

750

00:32:12,830 --> 00:32:10,080

just wanted to ask a couple questions

751
00:32:14,070 --> 00:32:12,840
but it ended up to be a seven day

752
00:32:18,070 --> 00:32:14,080
nightmarish

753
00:32:20,950 --> 00:32:18,080
surreptitiously drugging our food

754
00:32:23,430 --> 00:32:20,960
stay at this place up on a small

755
00:32:25,269 --> 00:32:23,440
mountain or a small hill it was maybe

756
00:32:26,789 --> 00:32:25,279
eight hundred to a thousand feet high

757
00:32:31,269 --> 00:32:26,799
over a valley

758
00:32:33,029 --> 00:32:31,279
at any rate their line of questioning

759
00:32:35,509 --> 00:32:33,039
i believe was based on the fact that

760
00:32:37,590 --> 00:32:35,519
they thought that i was one of them

761
00:32:39,350 --> 00:32:37,600
because they were asking things like who

762
00:32:41,190 --> 00:32:39,360
are you what are you and where are you

763
00:32:43,350 --> 00:32:41,200

from

764

00:32:45,029 --> 00:32:43,360

but the the military would never

765

00:32:51,110 --> 00:32:45,039

acknowledge

766

00:32:52,070 --> 00:32:51,120

which i won't name here it's very well

767

00:32:54,789 --> 00:32:52,080

known

768

00:32:56,070 --> 00:32:54,799

they acknowledge the incident and it's

769

00:32:58,870 --> 00:32:56,080

even on the paperwork

770

00:32:59,909 --> 00:32:58,880

itself that you know ufo that they

771

00:33:01,830 --> 00:32:59,919

identified this

772

00:33:03,509 --> 00:33:01,840

but they do not they never published the

773

00:33:05,909 --> 00:33:03,519

pictures they never

774

00:33:07,350 --> 00:33:05,919

published uh what the yellow foam was

775

00:33:09,350 --> 00:33:07,360

which i could describe to a t

776

00:33:10,389 --> 00:33:09,360

and why it was floating on the surface

777

00:33:14,230 --> 00:33:10,399

and

778

00:33:16,710 --> 00:33:14,240

rest of it which i had

779

00:33:18,389 --> 00:33:16,720

written and shared with mary rodwell as

780

00:33:20,549 --> 00:33:18,399

well

781

00:33:22,310 --> 00:33:20,559

and i had even contacted paul hellyer

782

00:33:25,750 --> 00:33:22,320

over that particular

783

00:33:27,669 --> 00:33:25,760

case uh a handful of years ago um

784

00:33:28,950 --> 00:33:27,679

asking if i could you know talk with him

785

00:33:30,950 --> 00:33:28,960

about that

786

00:33:33,029 --> 00:33:30,960

since it was such a big issue and since

787

00:33:36,470 --> 00:33:33,039

he was on deck at the time

788

00:33:38,389 --> 00:33:36,480

that it went down and

789

00:33:39,830 --> 00:33:38,399

so there was my dad getting this call

790

00:33:41,029 --> 00:33:39,840

from his commanding officer saying

791

00:33:44,389 --> 00:33:41,039

there'd been an incident

792

00:33:46,710 --> 00:33:44,399

and so they debriefed him for two days

793

00:33:48,230 --> 00:33:46,720

and then when he came home basically

794

00:33:50,310 --> 00:33:48,240

told the family that we weren't allowed

795

00:33:52,230 --> 00:33:50,320

to whisper about it even in the confines

796

00:33:55,029 --> 00:33:52,240

of our home

797

00:33:57,029 --> 00:33:55,039

the men in grey had literally about

798

00:33:58,070 --> 00:33:57,039

three days after dad took leave back to

799

00:34:00,070 --> 00:33:58,080

vietnam

800

00:34:01,350 --> 00:34:00,080

appeared out of nowhere as mom and i and

801
00:34:02,870 --> 00:34:01,360
out of thin air because there was no

802
00:34:05,269 --> 00:34:02,880
cars

803
00:34:05,990 --> 00:34:05,279
there was no movement no sound they just

804
00:34:07,830 --> 00:34:06,000
started walking

805
00:34:09,669 --> 00:34:07,840
up towards us and at first i thought

806
00:34:10,310 --> 00:34:09,679
where'd they come from but it didn't

807
00:34:12,230 --> 00:34:10,320
really

808
00:34:14,550 --> 00:34:12,240
become clear to my mother and i until

809
00:34:17,669 --> 00:34:14,560
after they took their leave

810
00:34:19,349 --> 00:34:17,679
and uh we were unloading groceries

811
00:34:21,190 --> 00:34:19,359
all these paper bags out of the back end

812
00:34:23,030 --> 00:34:21,200
of the car

813
00:34:24,389 --> 00:34:23,040

and they came up and they made the

814

00:34:26,230 --> 00:34:24,399

proposal to be able to

815

00:34:27,510 --> 00:34:26,240

talk with me and and ask me a few

816

00:34:29,750 --> 00:34:27,520

questions

817

00:34:31,750 --> 00:34:29,760

and so then while my mother agreed she

818

00:34:34,310 --> 00:34:31,760

was reluctant

819

00:34:35,589 --> 00:34:34,320

but before the seven days were up she

820

00:34:36,149 --> 00:34:35,599

was like i can't wait to get out of this

821

00:34:40,550 --> 00:34:36,159

place

822

00:34:42,149 --> 00:34:40,560

and it was nightmarish um

823

00:34:43,669 --> 00:34:42,159

but when they went to take their leave

824

00:34:44,550 --> 00:34:43,679

was the oddest thing and i've heard

825

00:34:46,230 --> 00:34:44,560

other people

826
00:34:47,589 --> 00:34:46,240
refer to this where these men and black

827
00:34:50,149 --> 00:34:47,599
men and gray

828
00:34:51,270 --> 00:34:50,159
will appear what it seems to be out of

829
00:34:54,550 --> 00:34:51,280
nowhere out of thin

830
00:34:57,750 --> 00:34:54,560
air and then they disappear again

831
00:35:00,950 --> 00:34:57,760
and this is what i truly believe is that

832
00:35:02,150 --> 00:35:00,960
they are a non-terrestrial element that

833
00:35:05,030 --> 00:35:02,160
has pretty much uh

834
00:35:05,829 --> 00:35:05,040
secured very powerful agencies of this

835
00:35:09,750 --> 00:35:05,839
world

836
00:35:11,910 --> 00:35:09,760
and that's my take on it and

837
00:35:14,950 --> 00:35:11,920
while they may look very human i i do

838
00:35:19,270 --> 00:35:17,829

and this is because the way that they

839

00:35:21,910 --> 00:35:19,280

disappeared

840

00:35:23,109 --> 00:35:21,920

as i started to look right at them they

841

00:35:24,230 --> 00:35:23,119

were supposed to be turning around to

842

00:35:26,069 --> 00:35:24,240

walk away

843

00:35:27,430 --> 00:35:26,079

i caught part of them just disappearing

844

00:35:30,150 --> 00:35:27,440

into thin air

845

00:35:30,790 --> 00:35:30,160

and what not sure of it as a young girl

846

00:35:33,670 --> 00:35:30,800

of nine

847

00:35:33,990 --> 00:35:33,680

i said because this is a number this is

848

00:35:37,109 --> 00:35:34,000

about

849

00:35:38,069 --> 00:35:37,119

a handful of decades ago in 1967 as i'd

850

00:35:40,150 --> 00:35:38,079

stated

851
00:35:41,589 --> 00:35:40,160
and i looked at my mom and i said where

852
00:35:43,270 --> 00:35:41,599
did they go

853
00:35:45,349 --> 00:35:43,280
and she's like almost looking right at

854
00:35:47,270 --> 00:35:45,359
him too but just kind of scans around

855
00:35:49,670 --> 00:35:47,280
and this is a street that's tree-lined

856
00:35:51,270 --> 00:35:49,680
that almost the trees almost grow right

857
00:35:54,790 --> 00:35:51,280
over the top of the street

858
00:35:56,470 --> 00:35:54,800
but it it goes on for it's more than

859
00:35:57,589 --> 00:35:56,480
just a regular city block it's more like

860
00:35:59,990 --> 00:35:57,599
three blocks long

861
00:36:00,870 --> 00:36:00,000
without breaking broken up and it's all

862
00:36:04,470 --> 00:36:00,880
homes and

863
00:36:06,310 --> 00:36:04,480

condominiums now and

864

00:36:08,310 --> 00:36:06,320

so you can look both directions on that

865

00:36:10,829 --> 00:36:08,320

street and for as far as you can see on

866

00:36:13,829 --> 00:36:10,839

the rise in each direction

867

00:36:14,950 --> 00:36:13,839

uh you can see activity people walking

868

00:36:18,470 --> 00:36:14,960

on the street

869

00:36:21,349 --> 00:36:18,480

cars moving etc and

870

00:36:23,190 --> 00:36:21,359

they never got in the car they just

871

00:36:24,950 --> 00:36:23,200

seemed to disappear into thin air just

872

00:36:26,790 --> 00:36:24,960

as they were turning around to walk away

873

00:36:28,150 --> 00:36:26,800

and i just happened to look up and catch

874

00:36:30,870 --> 00:36:28,160

part of it

875

00:36:31,829 --> 00:36:30,880

and you know was like mom where'd they

876

00:36:36,069 --> 00:36:31,839

go

877

00:36:38,950 --> 00:36:36,079

and then she said uh i don't know

878

00:36:40,230 --> 00:36:38,960

they didn't even get into a car and

879

00:36:41,750 --> 00:36:40,240

she's like we're just stood there

880

00:36:43,750 --> 00:36:41,760

baffled but

881

00:36:45,670 --> 00:36:43,760

that was the first one and then there

882

00:36:46,150 --> 00:36:45,680

was a second one a couple of months

883

00:36:49,030 --> 00:36:46,160

later

884

00:36:50,470 --> 00:36:49,040

and in all frames just have a quick

885

00:36:53,510 --> 00:36:50,480

follow-up question real quick

886

00:36:56,069 --> 00:36:53,520

uh so okay were you the main focus

887

00:36:56,790 --> 00:36:56,079

for doing this you said your family as

888

00:37:00,550 --> 00:36:56,800

well was

889

00:37:02,150 --> 00:37:00,560

was drugged you said yes uh well my my

890

00:37:04,790 --> 00:37:02,160

mother and i were drugged i'm not sure

891

00:37:06,870 --> 00:37:04,800

about my dad's debriefing with the navy

892

00:37:09,829 --> 00:37:06,880

the navy wasn't happy you know i don't

893

00:37:11,829 --> 00:37:09,839

have a non-disclosure agreement so

894

00:37:13,190 --> 00:37:11,839

after a while and then you kept being

895

00:37:16,230 --> 00:37:13,200

you were held there

896

00:37:19,430 --> 00:37:16,240

the whole seven days or

897

00:37:22,630 --> 00:37:19,440

no we my mother was asked to fly

898

00:37:23,270 --> 00:37:22,640

with me to back to nova scotia where the

899

00:37:26,870 --> 00:37:23,280

event

900

00:37:28,630 --> 00:37:26,880

took place and it and the uh place that

901
00:37:29,910 --> 00:37:28,640
they took us to was about 45 minutes

902
00:37:32,630 --> 00:37:29,920
outside of halifax

903
00:37:35,430 --> 00:37:32,640
airport okay all right thanks for

904
00:37:38,550 --> 00:37:37,750
and uh and it was a military

905
00:37:40,790 --> 00:37:38,560
installation

906
00:37:41,910 --> 00:37:40,800
and has been turned into a provincial

907
00:37:45,990 --> 00:37:41,920
park

908
00:37:49,349 --> 00:37:47,750
okay and then what was the you were

909
00:37:51,349 --> 00:37:49,359
saying something about second experience

910
00:37:54,550 --> 00:37:51,359
and i cut you off i'm sorry

911
00:37:55,030 --> 00:37:54,560
no it's okay uh so pertaining to that

912
00:37:57,670 --> 00:37:55,040
event

913
00:37:58,550 --> 00:37:57,680

was a second mill lab but they turned it

914

00:38:01,910 --> 00:37:58,560

they

915

00:38:05,430 --> 00:38:01,920

approached my

916

00:38:06,870 --> 00:38:05,440

mom knowing her name she said she

917

00:38:09,190 --> 00:38:06,880

was very handsome man but she didn't

918

00:38:12,550 --> 00:38:09,200

know him she said that

919

00:38:13,510 --> 00:38:12,560

uh they approached her knowing her name

920

00:38:15,430 --> 00:38:13,520

knowing my name

921

00:38:16,829 --> 00:38:15,440

knowing family and friends and said they

922

00:38:19,910 --> 00:38:16,839

were a friend

923

00:38:21,990 --> 00:38:19,920

of our family

924

00:38:23,589 --> 00:38:22,000

or a friend of a friend of the family

925

00:38:25,349 --> 00:38:23,599

kind of thing and that there was this

926
00:38:26,630 --> 00:38:25,359
kid's party in april

927
00:38:28,150 --> 00:38:26,640
even though it was a little bit early

928
00:38:30,470 --> 00:38:28,160
for san jose it's kind of cool in

929
00:38:32,230 --> 00:38:30,480
central california

930
00:38:34,550 --> 00:38:32,240
beginning of april first couple of weeks

931
00:38:36,230 --> 00:38:34,560
they had a a pool party for kids and

932
00:38:40,950 --> 00:38:36,240
invited me if brenda would like to

933
00:38:44,870 --> 00:38:43,349
she she was she's like you know i don't

934
00:38:46,950 --> 00:38:44,880
know them but they knew everybody

935
00:38:48,230 --> 00:38:46,960
in our family so i'll check it out and

936
00:38:49,829 --> 00:38:48,240
if i feel it's um

937
00:38:51,670 --> 00:38:49,839
safe then i'll let you go to this a

938
00:38:53,589 --> 00:38:51,680

little kid's pool party

939

00:38:55,190 --> 00:38:53,599

and it was a big house and it had lots

940

00:38:57,589 --> 00:38:55,200

of food everywhere

941

00:38:58,470 --> 00:38:57,599

and lots of kids and everyone's enjoying

942

00:39:02,069 --> 00:38:58,480

the

943

00:39:05,430 --> 00:39:02,079

having a good time but at some point

944

00:39:08,470 --> 00:39:05,440

they i went in to get uh

945

00:39:09,910 --> 00:39:08,480

i went in to get some punch it was like

946

00:39:11,990 --> 00:39:09,920

and you know you want red punch or

947

00:39:14,710 --> 00:39:12,000

orange punch and here i'll get it for

948

00:39:17,190 --> 00:39:14,720

you well as they went to get it for me

949

00:39:18,310 --> 00:39:17,200

as you know looking like clean-cut

950

00:39:21,589 --> 00:39:18,320

middle-class

951
00:39:24,310 --> 00:39:21,599
hosts with you know bermuda shorts and

952
00:39:26,230 --> 00:39:24,320
collared t-shirts on they uh

953
00:39:29,430 --> 00:39:26,240
surreptitiously drugged the

954
00:39:32,310 --> 00:39:29,440
punch and then guided me into a hallway

955
00:39:32,630 --> 00:39:32,320
to a side bedroom and then wanted to ask

956
00:39:35,190 --> 00:39:32,640
or

957
00:39:37,190 --> 00:39:35,200
start asking questions but but the ones

958
00:39:38,230 --> 00:39:37,200
asking questions were in the bedroom and

959
00:39:39,589 --> 00:39:38,240
never seen

960
00:39:41,910 --> 00:39:39,599
at all during the party and they were

961
00:39:44,230 --> 00:39:41,920
wearing suits

962
00:39:45,270 --> 00:39:44,240
and the two the two in the suits then

963
00:39:47,589 --> 00:39:45,280

said

964

00:39:49,670 --> 00:39:47,599

uh they laid me down on the small bed

965

00:39:51,349 --> 00:39:49,680

and started asking me questions and i

966

00:39:53,190 --> 00:39:51,359

was scared because while i was a little

967

00:39:54,710 --> 00:39:53,200

woozy from whatever they put in there

968

00:39:56,870 --> 00:39:54,720

they didn't put too much in there and i

969

00:39:58,710 --> 00:39:56,880

was on like whoa

970

00:39:59,750 --> 00:39:58,720

and it was scary because you know am i

971

00:40:01,030 --> 00:39:59,760

going to go through the same thing are

972

00:40:01,670 --> 00:40:01,040

they going to hurt me what's going to

973

00:40:03,589 --> 00:40:01,680

happen what

974

00:40:04,950 --> 00:40:03,599

you know what are their intentions and

975

00:40:07,030 --> 00:40:04,960

ironically

976

00:40:09,430 --> 00:40:07,040

they ask the same line of questioning

977

00:40:11,589 --> 00:40:09,440

that they did up in nova scotia

978

00:40:13,510 --> 00:40:11,599

who are you what are you and where are

979

00:40:16,550 --> 00:40:13,520

you from

980

00:40:19,750 --> 00:40:16,560

to put it into context because they had

981

00:40:20,309 --> 00:40:19,760

photos at one point the very human

982

00:40:23,510 --> 00:40:20,319

looking

983

00:40:25,670 --> 00:40:23,520

uh being had

984

00:40:27,990 --> 00:40:25,680

on in the ship had was trying to get it

985

00:40:30,309 --> 00:40:28,000

uh to shut it down properly so he's

986

00:40:31,829 --> 00:40:30,319

doing all of these things manually and i

987

00:40:32,790 --> 00:40:31,839

walked towards the front to ask him what

988

00:40:35,109 --> 00:40:32,800

he was doing

989

00:40:36,470 --> 00:40:35,119

and he tells me this he says but don't

990

00:40:38,150 --> 00:40:36,480

don't look out the window because

991

00:40:40,309 --> 00:40:38,160

they're looking

992

00:40:41,670 --> 00:40:40,319

and i said who's looking and as i said

993

00:40:43,109 --> 00:40:41,680

that i just because it's kind of a wrap

994

00:40:43,910 --> 00:40:43,119

around window and i'm standing next to

995

00:40:46,470 --> 00:40:43,920

him like by

996

00:40:47,990 --> 00:40:46,480

in the front by a control panel i just

997

00:40:49,270 --> 00:40:48,000

turned to my right and looked through

998

00:40:51,750 --> 00:40:49,280

the window

999

00:40:53,750 --> 00:40:51,760

you know with my maybe my maybe a slight

1000

00:40:56,390 --> 00:40:53,760

scowl on my face like who's looking

1001
00:40:58,710 --> 00:40:56,400
kind of thing and right then there was

1002
00:41:00,630 --> 00:40:58,720
flashes of light in the water

1003
00:41:02,470 --> 00:41:00,640
two big divers and one smaller one

1004
00:41:03,589 --> 00:41:02,480
trying to take pictures over their

1005
00:41:04,870 --> 00:41:03,599
shoulders

1006
00:41:06,790 --> 00:41:04,880
and so we could see that they were

1007
00:41:09,190 --> 00:41:06,800
taking pictures and and

1008
00:41:10,150 --> 00:41:09,200
this is at night during that event and

1009
00:41:12,309 --> 00:41:10,160
by

1010
00:41:13,349 --> 00:41:12,319
8 20 that morning the navy was calling

1011
00:41:14,470 --> 00:41:13,359
my dad saying

1012
00:41:17,430 --> 00:41:14,480
there's been an incident there's going

1013
00:41:19,670 --> 00:41:17,440

to be a debriefing

1014

00:41:22,390 --> 00:41:19,680

and those those in the water those were

1015

00:41:25,430 --> 00:41:22,400

you they're humans right

1016

00:41:28,390 --> 00:41:25,440

in the water taking pictures of us

1017

00:41:29,510 --> 00:41:28,400

yeah they were navy divers of which navy

1018

00:41:32,550 --> 00:41:29,520

i couldn't identify

1019

00:41:34,230 --> 00:41:32,560

by their uh scuba suits but you know it

1020

00:41:36,550 --> 00:41:34,240

was either the uh

1021

00:41:37,430 --> 00:41:36,560

rnc is that what they call it up in

1022

00:41:40,870 --> 00:41:37,440

canada

1023

00:41:43,109 --> 00:41:40,880

or uh uh the u.s navy

1024

00:41:44,390 --> 00:41:43,119

uh but somehow the u.s knew about it too

1025

00:41:45,589 --> 00:41:44,400

because then they questioned me with the

1026

00:41:49,829 --> 00:41:45,599

same line of questioning

1027

00:41:53,190 --> 00:41:49,839

you know back in my uh home city

1028

00:41:55,990 --> 00:41:53,200

right well that's um

1029

00:41:57,349 --> 00:41:56,000

so i mean your parents were they aware

1030

00:41:58,950 --> 00:41:57,359

of what was discussed

1031

00:42:01,109 --> 00:41:58,960

or were they not allowed to ask you any

1032

00:42:03,030 --> 00:42:01,119

questions

1033

00:42:05,190 --> 00:42:03,040

that was the most uncomfortable

1034

00:42:06,309 --> 00:42:05,200

breakfast of my entire life because now

1035

00:42:08,950 --> 00:42:06,319

my parents have both

1036

00:42:10,950 --> 00:42:08,960

talked about it quietly in the kitchen

1037

00:42:12,870 --> 00:42:10,960

and i know that the you know what's just

1038

00:42:14,309 --> 00:42:12,880

hit the band and i was hoping that i

1039

00:42:17,349 --> 00:42:14,319

could

1040

00:42:18,870 --> 00:42:17,359

play off that it was really strange

1041

00:42:20,309 --> 00:42:18,880

because i was hoping that i could play

1042

00:42:21,829 --> 00:42:20,319

off that i was just sleeping under my

1043

00:42:23,270 --> 00:42:21,839

cover still and that mom didn't pull the

1044

00:42:25,670 --> 00:42:23,280

covers back to look at me because you

1045

00:42:28,630 --> 00:42:25,680

could see it from the ship

1046

00:42:30,309 --> 00:42:28,640

so the ship that was a rescue ship it

1047

00:42:30,790 --> 00:42:30,319

wasn't exactly like we could turn around

1048

00:42:32,309 --> 00:42:30,800

and say

1049

00:42:34,230 --> 00:42:32,319

oh hey could you step on it we don't

1050

00:42:37,190 --> 00:42:34,240

want her mother to find out and he kept

1051
00:42:38,309 --> 00:42:37,200
saying inside the ship the uh rescued

1052
00:42:39,670 --> 00:42:38,319
pilot with me

1053
00:42:41,349 --> 00:42:39,680
i don't want her to find out i don't

1054
00:42:42,790 --> 00:42:41,359
want her to find out i didn't really

1055
00:42:44,390 --> 00:42:42,800
know at first what he was talking about

1056
00:42:44,790 --> 00:42:44,400
but then suddenly from the ship i can

1057
00:42:46,950 --> 00:42:44,800
see

1058
00:42:49,190 --> 00:42:46,960
through this remote view my parents

1059
00:42:50,870 --> 00:42:49,200
looking for me my mom all over the house

1060
00:42:52,470 --> 00:42:50,880
and my dad around the perimeter around a

1061
00:42:53,670 --> 00:42:52,480
couple of houses and asking neighbors

1062
00:42:55,910 --> 00:42:53,680
and everything

1063
00:42:56,710 --> 00:42:55,920

and then them him coming back and saying

1064

00:42:58,230 --> 00:42:56,720

she's nowhere

1065

00:43:00,150 --> 00:42:58,240

and said should we call the police let's

1066

00:43:02,790 --> 00:43:00,160

give it a few more minutes

1067

00:43:03,910 --> 00:43:02,800

and we were and it we were going at what

1068

00:43:05,750 --> 00:43:03,920

i felt

1069

00:43:08,550 --> 00:43:05,760

even though there was no windows open i

1070

00:43:12,069 --> 00:43:08,560

felt like we were going at a very

1071

00:43:13,510 --> 00:43:12,079

modest to extremely cautious pace

1072

00:43:15,270 --> 00:43:13,520

but at the same time it's not like you

1073

00:43:16,870 --> 00:43:15,280

could turn around and tell your rescuers

1074

00:43:18,309 --> 00:43:16,880

hey could you step on it you know we

1075

00:43:19,670 --> 00:43:18,319

don't want her mother to find out that

1076

00:43:22,790 --> 00:43:19,680

she's missing

1077

00:43:23,910 --> 00:43:22,800

so while i'd been having ongoing contact

1078

00:43:26,150 --> 00:43:23,920

i was trying to keep

1079

00:43:28,150 --> 00:43:26,160

you know the contact experience in the

1080

00:43:29,510 --> 00:43:28,160

back and the business in the front

1081

00:43:31,510 --> 00:43:29,520

and trying to keep the two separate and

1082

00:43:32,390 --> 00:43:31,520

it was one of the uh one of the first

1083

00:43:35,430 --> 00:43:32,400

times that they

1084

00:43:37,990 --> 00:43:35,440

technically were advised by an

1085

00:43:40,550 --> 00:43:38,000

agency in this in this case the navy

1086

00:43:41,750 --> 00:43:40,560

that i was having contact but as a young

1087

00:43:44,630 --> 00:43:41,760

child when they had

1088

00:43:45,910 --> 00:43:44,640

uh as i had started to describe they had

1089

00:43:49,190 --> 00:43:45,920

come to me about these

1090

00:43:50,470 --> 00:43:49,200

um the nuclear issue

1091

00:43:52,950 --> 00:43:50,480

and said they didn't want them to

1092

00:43:55,829 --> 00:43:52,960

annihilate each other i was missing

1093

00:43:57,510 --> 00:43:55,839

uh shortly thereafter i was missing for

1094

00:43:59,670 --> 00:43:57,520

two straight days

1095

00:44:00,630 --> 00:43:59,680

and uh i was living in montana at the

1096

00:44:02,230 --> 00:44:00,640

time and was

1097

00:44:03,829 --> 00:44:02,240

they searched everywhere for me and

1098

00:44:05,829 --> 00:44:03,839

couldn't find me for two days but when i

1099

00:44:08,309 --> 00:44:05,839

was returned was returned to exactly the

1100

00:44:10,069 --> 00:44:08,319

spot they had taken me from

1101
00:44:11,030 --> 00:44:10,079
and it initially didn't have any memory

1102
00:44:13,510 --> 00:44:11,040
of it and couldn't understand why

1103
00:44:15,430 --> 00:44:13,520
everybody was so angry at me for uh

1104
00:44:16,870 --> 00:44:15,440
just showing up and they were certain

1105
00:44:19,750 --> 00:44:16,880
that somebody uh

1106
00:44:21,349 --> 00:44:19,760
in my locality had taken me and made me

1107
00:44:23,270 --> 00:44:21,359
promise to stay quiet

1108
00:44:24,870 --> 00:44:23,280
you know about them taking me but i said

1109
00:44:26,630 --> 00:44:24,880
no it wasn't like that

1110
00:44:28,150 --> 00:44:26,640
and when i tried to convide and confide

1111
00:44:30,950 --> 00:44:28,160
in someone to say

1112
00:44:32,309 --> 00:44:30,960
uh do you believe in flying saucers who

1113
00:44:35,510 --> 00:44:32,319

was a dear friend of mine

1114

00:44:37,750 --> 00:44:35,520

uh at the time a few years older than me

1115

00:44:38,870 --> 00:44:37,760

um because he kind of said it in the

1116

00:44:41,190 --> 00:44:38,880

mocking way um

1117

00:44:42,870 --> 00:44:41,200

oh you mean like little green men from

1118

00:44:44,069 --> 00:44:42,880

mars and was smiling at me like in a

1119

00:44:46,309 --> 00:44:44,079

loving way but

1120

00:44:47,910 --> 00:44:46,319

patronizing and i looked at him and put

1121

00:44:49,510 --> 00:44:47,920

my hand up and said forget it

1122

00:44:51,030 --> 00:44:49,520

and walked away and he said no no tell

1123

00:44:53,589 --> 00:44:51,040

me tell me no

1124

00:44:54,309 --> 00:44:53,599

forget it and i just i even knew at a

1125

00:44:58,550 --> 00:44:54,319

young age

1126

00:45:00,630 --> 00:44:58,560

that discussing it discussing it at all

1127

00:45:03,829 --> 00:45:00,640

meant putting up with everybody else's

1128

00:45:05,990 --> 00:45:03,839

uh debunking

1129

00:45:08,230 --> 00:45:06,000

taunting applause and all the rest of it

1130

00:45:11,030 --> 00:45:08,240

and i just wasn't going to have it

1131

00:45:12,790 --> 00:45:11,040

so back to that first experience where

1132

00:45:13,270 --> 00:45:12,800

while i had many experiences in between

1133

00:45:15,349 --> 00:45:13,280

many

1134

00:45:16,470 --> 00:45:15,359

the parents and authorities didn't find

1135

00:45:19,589 --> 00:45:16,480

out about them

1136

00:45:20,630 --> 00:45:19,599

each time but they uh while they they

1137

00:45:23,190 --> 00:45:20,640

knew that i was missing

1138

00:45:24,470 --> 00:45:23,200

the first time they did the earl in the

1139

00:45:28,069 --> 00:45:24,480

earlier days

1140

00:45:30,470 --> 00:45:28,079

they uh did not get confirmation whereas

1141

00:45:32,230 --> 00:45:30,480

you know a handful of years later

1142

00:45:33,510 --> 00:45:32,240

they had utter confirmation of it so

1143

00:45:34,870 --> 00:45:33,520

there we are sitting there having

1144

00:45:36,790 --> 00:45:34,880

breakfast the most uncomfortable

1145

00:45:38,390 --> 00:45:36,800

breakfast of my entire life

1146

00:45:39,990 --> 00:45:38,400

my parents are at one end of the table

1147

00:45:43,270 --> 00:45:40,000

i'm at the other end of this

1148

00:45:45,430 --> 00:45:43,280

like long rectangle table not too long

1149

00:45:47,430 --> 00:45:45,440

and everybody's really quiet and my

1150

00:45:49,190 --> 00:45:47,440

mom's kind of whispering to my dad and i

1151
00:45:51,190 --> 00:45:49,200
can tell that she wants to

1152
00:45:52,710 --> 00:45:51,200
say something and he's saying telling

1153
00:45:55,589 --> 00:45:52,720
her you know now

1154
00:45:56,309 --> 00:45:55,599
take it easy you know she's been through

1155
00:46:00,309 --> 00:45:56,319
a lot and

1156
00:46:01,670 --> 00:46:00,319
and don't like you know so so again

1157
00:46:03,430 --> 00:46:01,680
dad's playing the good cop and he's

1158
00:46:05,270 --> 00:46:03,440
trying you know and then

1159
00:46:07,109 --> 00:46:05,280
my mom kept going i have to ask i have

1160
00:46:08,150 --> 00:46:07,119
to ask and finally she burst out and

1161
00:46:11,990 --> 00:46:08,160
says

1162
00:46:15,750 --> 00:46:12,000
why would you why would you even go with

1163
00:46:19,109 --> 00:46:15,760

with with beings like that

1164

00:46:21,030 --> 00:46:19,119

and i looked at her and i said like

1165

00:46:23,910 --> 00:46:21,040

all i just looked at her with a butt

1166

00:46:26,829 --> 00:46:23,920

hurt face and said

1167

00:46:29,109 --> 00:46:26,839

those are my friends and if you can

1168

00:46:31,270 --> 00:46:29,119

imagine they're like

1169

00:46:32,150 --> 00:46:31,280

you're a parent you're concerned you're

1170

00:46:34,150 --> 00:46:32,160

scared

1171

00:46:35,430 --> 00:46:34,160

and you know when you get so mad you're

1172

00:46:37,829 --> 00:46:35,440

almost shaking

1173

00:46:38,550 --> 00:46:37,839

and they're like she's shaking and and

1174

00:46:43,750 --> 00:46:38,560

going

1175

00:46:46,309 --> 00:46:43,760

they're not your friends and my poor mom

1176

00:46:47,670 --> 00:46:46,319

and uh i got up from the table and i was

1177

00:46:48,710 --> 00:46:47,680

gonna have any of it and i left the

1178

00:46:50,150 --> 00:46:48,720

breakfast but it was the most

1179

00:46:51,990 --> 00:46:50,160

uncomfortable breakfast of my life

1180

00:46:54,309 --> 00:46:52,000

because yeah my parents were quite aware

1181

00:46:57,430 --> 00:46:54,319

of what was going on they just been told

1182

00:46:59,510 --> 00:46:57,440

dad's in trouble with with work because

1183

00:47:01,030 --> 00:46:59,520

well the navy wasn't happy about his

1184

00:47:03,349 --> 00:47:01,040

daughter having contact

1185

00:47:04,550 --> 00:47:03,359

i mean it was just like because nothing

1186

00:47:06,390 --> 00:47:04,560

had happened

1187

00:47:08,630 --> 00:47:06,400

during that whole event that uh would

1188

00:47:12,390 --> 00:47:08,640

have warranted it being an issue of

1189

00:47:12,630 --> 00:47:12,400

national security or it being a a breach

1190

00:47:19,990 --> 00:47:12,640

of

1191

00:47:21,349 --> 00:47:20,000

or a protected facility or anything like

1192

00:47:22,150 --> 00:47:21,359

that of some of the other stuff that

1193

00:47:25,190 --> 00:47:22,160

they did

1194

00:47:26,150 --> 00:47:25,200

it was simply to show me how they fly in

1195

00:47:28,309 --> 00:47:26,160

the air

1196

00:47:29,190 --> 00:47:28,319

and then they they morph their their

1197

00:47:31,829 --> 00:47:29,200

shape to

1198

00:47:32,549 --> 00:47:31,839

more like a tic tac and then go under

1199

00:47:34,470 --> 00:47:32,559

water

1200

00:47:36,230 --> 00:47:34,480

but was there no concern yeah was there

1201

00:47:39,670 --> 00:47:36,240

no concern on their end just

1202

00:47:43,270 --> 00:47:39,680

you know never mind you know um

1203

00:47:45,589 --> 00:47:43,280

uh you know official um and

1204

00:47:47,270 --> 00:47:45,599

what do you call them um basically like

1205

00:47:47,750 --> 00:47:47,280

which parent would not be concerned

1206

00:47:49,670 --> 00:47:47,760

about

1207

00:47:51,190 --> 00:47:49,680

you know are you okay you know what

1208

00:47:52,390 --> 00:47:51,200

happened to you you know it's a kind of

1209

00:47:55,030 --> 00:47:52,400

like having

1210

00:47:55,829 --> 00:47:55,040

sleepless nights instead of just kind of

1211

00:47:57,670 --> 00:47:55,839

uh

1212

00:47:59,430 --> 00:47:57,680

letting the government say okay don't

1213

00:48:01,910 --> 00:47:59,440

don't talk to her about this and

1214

00:48:03,750 --> 00:48:01,920

kind of letting them control the family

1215

00:48:07,349 --> 00:48:03,760

dynamics

1216

00:48:09,910 --> 00:48:07,359

well my dad was a lifer in the navy

1217

00:48:10,950 --> 00:48:09,920

my mom and dad have divorced since then

1218

00:48:13,349 --> 00:48:10,960

i had more

1219

00:48:14,950 --> 00:48:13,359

uh a contact experience that they had

1220

00:48:17,349 --> 00:48:14,960

evidence of and

1221

00:48:19,349 --> 00:48:17,359

then and i i won't be describing it but

1222

00:48:21,430 --> 00:48:19,359

there was a second mill lab or two more

1223

00:48:23,349 --> 00:48:21,440

mill labs over a second incident about

1224

00:48:26,150 --> 00:48:23,359

two years later

1225

00:48:27,430 --> 00:48:26,160

and it was i feel lucky to have survived

1226
00:48:29,589 --> 00:48:27,440
it

1227
00:48:31,430 --> 00:48:29,599
and they had attacked my mom in front of

1228
00:48:33,829 --> 00:48:31,440
me using uh

1229
00:48:35,190 --> 00:48:33,839
impunitive techniques in uh that were

1230
00:48:37,190 --> 00:48:35,200
right out of the windsec

1231
00:48:38,549 --> 00:48:37,200
manual on torture you know hurting a

1232
00:48:39,910 --> 00:48:38,559
child in front of a parent

1233
00:48:42,230 --> 00:48:39,920
hurting a parent in front of a child

1234
00:48:44,549 --> 00:48:42,240
kind of stuff right

1235
00:48:46,390 --> 00:48:44,559
so for them to do that they had to have

1236
00:48:49,910 --> 00:48:46,400
hardcore evidence they did

1237
00:48:51,349 --> 00:48:49,920
and uh but my parents my parents were

1238
00:48:53,510 --> 00:48:51,359

too intimidated

1239

00:48:55,270 --> 00:48:53,520

my dad was and mom were just too

1240

00:48:56,710 --> 00:48:55,280

intimidated and i have no idea really

1241

00:48:58,470 --> 00:48:56,720

because my dad didn't discuss it with me

1242

00:48:59,030 --> 00:48:58,480

and want to scare me more than i already

1243

00:49:02,150 --> 00:48:59,040

was

1244

00:49:03,829 --> 00:49:02,160

going through and

1245

00:49:05,190 --> 00:49:03,839

may have discussed it with my mom who

1246

00:49:08,150 --> 00:49:05,200

might have kept it to herself

1247

00:49:09,109 --> 00:49:08,160

but i have no idea what what the navy

1248

00:49:12,230 --> 00:49:09,119

threatened

1249

00:49:14,870 --> 00:49:12,240

silence for many

1250

00:49:15,589 --> 00:49:14,880

many years did you by any chance discuss

1251
00:49:18,630 --> 00:49:15,599
any of it

1252
00:49:19,430 --> 00:49:18,640
later with with them once you got bit

1253
00:49:22,710 --> 00:49:19,440
older or

1254
00:49:25,349 --> 00:49:22,720
did that ever happen well

1255
00:49:25,750 --> 00:49:25,359
i it was discussed later because at one

1256
00:49:27,670 --> 00:49:25,760
point

1257
00:49:28,790 --> 00:49:27,680
well it was discussed a couple of years

1258
00:49:32,390 --> 00:49:28,800
later

1259
00:49:35,750 --> 00:49:32,400
with my mom not at great length but

1260
00:49:36,630 --> 00:49:35,760
she it was more like she she wasn't mad

1261
00:49:40,870 --> 00:49:36,640
or upset

1262
00:49:44,230 --> 00:49:40,880
about me having contact

1263
00:49:48,150 --> 00:49:44,240

as much as she was more upset

1264

00:49:51,910 --> 00:49:50,069

i'm sorry one more time she was she

1265

00:49:53,829 --> 00:49:51,920

wasn't upset she was

1266

00:49:55,589 --> 00:49:53,839

yeah she was it wasn't so much that she

1267

00:49:57,349 --> 00:49:55,599

wasn't upset about it because initially

1268

00:49:58,309 --> 00:49:57,359

they were just in shock and scared for

1269

00:50:01,510 --> 00:49:58,319

me

1270

00:50:04,630 --> 00:50:01,520

but a couple years later

1271

00:50:05,910 --> 00:50:04,640

what was instead of it being that being

1272

00:50:07,990 --> 00:50:05,920

the focus

1273

00:50:09,589 --> 00:50:08,000

of you know my god you're having contact

1274

00:50:10,950 --> 00:50:09,599

and this is scary or whatever and trying

1275

00:50:12,309 --> 00:50:10,960

to address it

1276

00:50:14,390 --> 00:50:12,319

she didn't know they just didn't know

1277

00:50:17,430 --> 00:50:14,400

how to to deal with it

1278

00:50:20,390 --> 00:50:17,440

and um and when

1279

00:50:22,150 --> 00:50:20,400

their reaction during a second or

1280

00:50:23,190 --> 00:50:22,160

actually a third and fourth which is a

1281

00:50:25,030 --> 00:50:23,200

separate

1282

00:50:27,750 --> 00:50:25,040

uh contact experience that they had

1283

00:50:28,870 --> 00:50:27,760

evidence of me being inside a ship

1284

00:50:31,349 --> 00:50:28,880

because of both of them they had

1285

00:50:34,790 --> 00:50:31,359

pictures of me inside the ship

1286

00:50:37,910 --> 00:50:34,800

and um you mean your parents did

1287

00:50:39,510 --> 00:50:37,920

no the military military okay

1288

00:50:40,950 --> 00:50:39,520

yeah the military had pictures my

1289

00:50:42,549 --> 00:50:40,960

parents didn't know anything they're

1290

00:50:44,710 --> 00:50:42,559

just being told by

1291

00:50:47,990 --> 00:50:44,720

the military did you have a friend how

1292

00:50:53,589 --> 00:50:51,589

okay the the the pictures

1293

00:50:56,069 --> 00:50:53,599

in the first case were taken by some

1294

00:50:59,190 --> 00:50:56,079

kind of navy divers either the

1295

00:51:01,270 --> 00:50:59,200

rnc oh i seen that okay

1296

00:51:03,589 --> 00:51:01,280

and then the pictures the picture the

1297

00:51:08,150 --> 00:51:03,599

picture was a still from a live

1298

00:51:10,390 --> 00:51:08,160

feed that had to do with

1299

00:51:11,670 --> 00:51:10,400

it i can't go into it right now because

1300

00:51:13,829 --> 00:51:11,680

i haven't really revealed

1301
00:51:15,270 --> 00:51:13,839
come forward with that story yet sure

1302
00:51:19,109 --> 00:51:15,280
but it involved

1303
00:51:23,190 --> 00:51:21,510
it involved the military a branch of the

1304
00:51:26,790 --> 00:51:23,200
military the army

1305
00:51:32,470 --> 00:51:26,800
which conducts my labs or mill labs

1306
00:51:36,470 --> 00:51:35,589
and they and the picture that they had

1307
00:51:40,549 --> 00:51:36,480
was a still

1308
00:51:41,829 --> 00:51:40,559
of a live beat and they knew that i was

1309
00:51:45,430 --> 00:51:41,839
in that ship and they

1310
00:51:46,630 --> 00:51:45,440
they found me uh within a couple of

1311
00:51:49,829 --> 00:51:46,640
short days

1312
00:51:51,270 --> 00:51:49,839
they came to my school in a uniform in

1313
00:51:54,390 --> 00:51:51,280

brown uniforms

1314

00:51:54,950 --> 00:51:54,400

uh three men asking for me by name and

1315

00:51:56,549 --> 00:51:54,960

we were

1316

00:51:58,870 --> 00:51:56,559

had just moved from san jose to the

1317

00:52:00,870 --> 00:51:58,880

lancaster palmdale area

1318

00:52:02,630 --> 00:52:00,880

and mom had taken a job temporarily and

1319

00:52:03,030 --> 00:52:02,640

then was going to be moving closer into

1320

00:52:04,870 --> 00:52:03,040

the los

1321

00:52:06,309 --> 00:52:04,880

angeles basin to be closer to her

1322

00:52:07,829 --> 00:52:06,319

brother and my aunt and uncle and

1323

00:52:11,990 --> 00:52:07,839

everybody

1324

00:52:13,430 --> 00:52:12,000

and uh and cousins and at any rate

1325

00:52:16,230 --> 00:52:13,440

we were only going to be living there a

1326

00:52:19,270 --> 00:52:16,240

short while and at the time i had

1327

00:52:22,710 --> 00:52:19,280

no idea adnan that

1328

00:52:23,430 --> 00:52:22,720

palmdale was a snake pit of black ops

1329

00:52:25,430 --> 00:52:23,440

for

1330

00:52:26,790 --> 00:52:25,440

the space programs or even secret space

1331

00:52:30,309 --> 00:52:26,800

program

1332

00:52:31,670 --> 00:52:30,319

no idea and so they came to the door

1333

00:52:33,829 --> 00:52:31,680

asking for me they wouldn't give any

1334

00:52:34,950 --> 00:52:33,839

other information the teacher was

1335

00:52:36,470 --> 00:52:34,960

reluctant to let me go

1336

00:52:38,230 --> 00:52:36,480

she goes you know she shuts the door in

1337

00:52:39,829 --> 00:52:38,240

their face and says do you know why

1338

00:52:41,510 --> 00:52:39,839

men in uniform are coming to ask for you

1339

00:52:42,309 --> 00:52:41,520

i said well my dad's away in vietnam

1340

00:52:44,069 --> 00:52:42,319

right now

1341

00:52:46,230 --> 00:52:44,079

but as a child i wasn't thinking that it

1342

00:52:47,990 --> 00:52:46,240

wouldn't be army branch that would come

1343

00:52:49,270 --> 00:52:48,000

to me to give me the bad news and they

1344

00:52:50,150 --> 00:52:49,280

wouldn't go to the child that would go

1345

00:52:52,390 --> 00:52:50,160

to the next

1346

00:52:53,670 --> 00:52:52,400

living adult but i wasn't thinking at

1347

00:52:56,630 --> 00:52:53,680

the time

1348

00:52:56,950 --> 00:52:56,640

brian can i ask you real quick so why is

1349

00:53:00,069 --> 00:52:56,960

it

1350

00:53:02,309 --> 00:53:00,079

they could just ask you

1351
00:53:04,390 --> 00:53:02,319
to have them tell what you know instead

1352
00:53:06,950 --> 00:53:04,400
for them having to go to that extent

1353
00:53:08,309 --> 00:53:06,960
to traumatize you and dramatize your

1354
00:53:11,510 --> 00:53:08,319
family to that level

1355
00:53:13,750 --> 00:53:11,520
and that gets yeah i'm sorry that gets

1356
00:53:14,390 --> 00:53:13,760
back to what i had said before which is

1357
00:53:16,950 --> 00:53:14,400
uh

1358
00:53:18,630 --> 00:53:16,960
there were great i can't i cannot be the

1359
00:53:19,910 --> 00:53:18,640
only contact either was dragged in by

1360
00:53:21,670 --> 00:53:19,920
the government

1361
00:53:25,109 --> 00:53:21,680
and i cannot be the only contactee that

1362
00:53:27,270 --> 00:53:25,119
they showed impunity to

1363
00:53:30,390 --> 00:53:27,280

so you know that over the years and it

1364

00:53:33,270 --> 00:53:30,400

being decades almost seven decades of

1365

00:53:35,589 --> 00:53:33,280

airtight secrecy that others had to have

1366

00:53:38,950 --> 00:53:35,599

experienced something similar or worse

1367

00:53:41,990 --> 00:53:38,960

that's all i know right but

1368

00:53:43,190 --> 00:53:42,000

what i'm saying is why did they feel

1369

00:53:45,510 --> 00:53:43,200

like or do you have any

1370

00:53:47,030 --> 00:53:45,520

answers regarding that why drag you why

1371

00:53:49,030 --> 00:53:47,040

not just say what happened

1372

00:53:50,790 --> 00:53:49,040

you know or ins instead instead of

1373

00:53:51,589 --> 00:53:50,800

having to you know go through these

1374

00:53:53,030 --> 00:53:51,599

instead of doing

1375

00:53:55,829 --> 00:53:53,040

doing all the horrible things that they

1376

00:53:59,510 --> 00:53:55,839

did and they did they went to great even

1377

00:54:02,069 --> 00:53:59,520

that first one um they had

1378

00:54:03,109 --> 00:54:02,079

at one point surreptitiously drugged our

1379

00:54:05,670 --> 00:54:03,119

meal

1380

00:54:07,510 --> 00:54:05,680

not gone through the daily routine of

1381

00:54:08,549 --> 00:54:07,520

asking the same questions again the

1382

00:54:10,630 --> 00:54:08,559

questioning

1383

00:54:12,390 --> 00:54:10,640

they took and moved my mother from the

1384

00:54:15,750 --> 00:54:12,400

area we were sleeping in

1385

00:54:16,950 --> 00:54:15,760

at this lodge and put her wherever i

1386

00:54:21,030 --> 00:54:16,960

don't know where

1387

00:54:23,349 --> 00:54:21,040

and then um when i i came to

1388

00:54:24,230 --> 00:54:23,359

after falling asleep right after uh

1389

00:54:26,790 --> 00:54:24,240

eating uh

1390

00:54:28,150 --> 00:54:26,800

something for dinner i realized my mom

1391

00:54:29,430 --> 00:54:28,160

wasn't there so i started calling out to

1392

00:54:30,710 --> 00:54:29,440

her no response

1393

00:54:32,470 --> 00:54:30,720

i went to turn the light on because it

1394

00:54:33,510 --> 00:54:32,480

felt scary in the dark

1395

00:54:35,750 --> 00:54:33,520

and because i'm a kid i'm a

1396

00:54:36,870 --> 00:54:35,760

nine-year-old kid i was eight at that

1397

00:54:39,829 --> 00:54:36,880

actually i was eight

1398

00:54:41,589 --> 00:54:39,839

and i uh went to flip the light switches

1399

00:54:43,430 --> 00:54:41,599

on and that there was three men there

1400

00:54:44,630 --> 00:54:43,440

that wore suits that claimed that they

1401
00:54:46,150 --> 00:54:44,640
were from the government but they never

1402
00:54:48,230 --> 00:54:46,160
showed id the whole time

1403
00:54:50,069 --> 00:54:48,240
okay they won the same ones that

1404
00:54:51,910 --> 00:54:50,079
disappeared out of appeared up thin air

1405
00:54:53,349 --> 00:54:51,920
and disappeared into thin air by asking

1406
00:54:56,870 --> 00:54:53,359
us to go there

1407
00:54:57,910 --> 00:54:56,880
then they uh had met us at the airport

1408
00:54:58,789 --> 00:54:57,920
they were there they were doing the

1409
00:55:00,789 --> 00:54:58,799
questioning

1410
00:55:02,230 --> 00:55:00,799
so suddenly i can't find them but there

1411
00:55:04,470 --> 00:55:02,240
were these

1412
00:55:07,430 --> 00:55:04,480
lumbering big men that were wearing

1413
00:55:09,030 --> 00:55:07,440

clown masks jumping out of shadows

1414

00:55:11,270 --> 00:55:09,040

when the light switch wouldn't go on so

1415

00:55:13,190 --> 00:55:11,280

they they flipped off the breaker

1416

00:55:14,470 --> 00:55:13,200

they're hiding her somewhere and then

1417

00:55:17,829 --> 00:55:14,480

they're using

1418

00:55:22,150 --> 00:55:17,839

this this

1419

00:55:24,870 --> 00:55:22,160

some kind of shock method on me

1420

00:55:27,030 --> 00:55:24,880

to scare the wits out of me and i think

1421

00:55:30,230 --> 00:55:27,040

a big part of that

1422

00:55:34,390 --> 00:55:30,240

has to do with the type of beings

1423

00:55:40,069 --> 00:55:34,400

that have are controlling those

1424

00:55:44,390 --> 00:55:42,549

what we think are humans occupying

1425

00:55:45,430 --> 00:55:44,400

places like the men in black the men in

1426

00:55:47,349 --> 00:55:45,440

gray

1427

00:55:49,510 --> 00:55:47,359

this gets down to the shadow people but

1428

00:55:51,270 --> 00:55:49,520

i believe that they're all archonic

1429

00:55:52,789 --> 00:55:51,280

because they do move interdimensionally

1430

00:55:54,549 --> 00:55:52,799

and i was having a conversation about

1431

00:55:56,470 --> 00:55:54,559

this the other day about how

1432

00:55:58,630 --> 00:55:56,480

shadow people are not a separate entity

1433

00:55:59,670 --> 00:55:58,640

it is just the the soul or the being of

1434

00:56:02,069 --> 00:55:59,680

the archonic

1435

00:56:02,710 --> 00:56:02,079

body or it would be like our solar or

1436

00:56:05,109 --> 00:56:02,720

spirit

1437

00:56:07,589 --> 00:56:05,119

our light body but there's this black it

1438

00:56:09,589 --> 00:56:07,599

doesn't hold any light

1439

00:56:11,109 --> 00:56:09,599

and looks like a shadow and they move

1440

00:56:12,870 --> 00:56:11,119

interdimensionally all the time while

1441

00:56:16,150 --> 00:56:12,880

they tell you to hold on to your

1442

00:56:19,030 --> 00:56:16,160

your skin and uh be grateful for the one

1443

00:56:22,309 --> 00:56:19,040

life that you do have

1444

00:56:25,430 --> 00:56:22,319

so at any rate i

1445

00:56:27,750 --> 00:56:25,440

i truly believe that that has

1446

00:56:28,549 --> 00:56:27,760

that has everything to do with the

1447

00:56:30,950 --> 00:56:28,559

impunity

1448

00:56:32,870 --> 00:56:30,960

and the secrecy because that particular

1449

00:56:33,990 --> 00:56:32,880

race of the few races that are known to

1450

00:56:36,950 --> 00:56:34,000

be here

1451

00:56:38,069 --> 00:56:36,960

is one that really wants to hide its uh

1452

00:56:42,309 --> 00:56:38,079

its

1453

00:56:46,470 --> 00:56:42,319

earth

1454

00:56:48,870 --> 00:56:46,480

and they are extremely malevolent

1455

00:56:49,670 --> 00:56:48,880

and they feed off of the like draco

1456

00:56:52,950 --> 00:56:49,680

types

1457

00:56:55,190 --> 00:56:52,960

as what they are the archonic dracos

1458

00:56:56,470 --> 00:56:55,200

is what i call them because the archons

1459

00:56:58,870 --> 00:56:56,480

are not separate the

1460

00:57:00,390 --> 00:56:58,880

men in black or the uh shadow people are

1461

00:57:01,990 --> 00:57:00,400

not separate that is just them moving

1462

00:57:05,109 --> 00:57:02,000

about in a different way

1463

00:57:06,630 --> 00:57:05,119

same ones and they are very malevolent

1464

00:57:09,670 --> 00:57:06,640

but they feed off of

1465

00:57:11,030 --> 00:57:09,680

the energy field of humans uh in fear so

1466

00:57:14,390 --> 00:57:11,040

they create a lot of fear

1467

00:57:18,230 --> 00:57:14,400

and this really matches their um

1468

00:57:21,670 --> 00:57:18,240

the way that they're hardwired as a as

1469

00:57:24,789 --> 00:57:21,680

beings as a species and so there's where

1470

00:57:26,230 --> 00:57:24,799

your impunity comes from

1471

00:57:28,630 --> 00:57:26,240

so are you basically saying throughout

1472

00:57:29,430 --> 00:57:28,640

your life so you go off you have an

1473

00:57:32,069 --> 00:57:29,440

experience

1474

00:57:33,109 --> 00:57:32,079

with these um extraterrestrials then the

1475

00:57:35,190 --> 00:57:33,119

military

1476
00:57:36,710 --> 00:57:35,200
interrogates you then you go back having

1477
00:57:38,710 --> 00:57:36,720
another experience again

1478
00:57:39,910 --> 00:57:38,720
then they interrogate you after that

1479
00:57:41,510 --> 00:57:39,920
trying to find out what you're so it

1480
00:57:42,390 --> 00:57:41,520
just kind of goes back and forth for you

1481
00:57:45,589 --> 00:57:42,400
is that

1482
00:57:46,870 --> 00:57:45,599
i mean uh yeah simplify but would you

1483
00:57:49,750 --> 00:57:46,880
kind of

1484
00:57:50,390 --> 00:57:49,760
yeah that would be a nutshell that's

1485
00:57:52,549 --> 00:57:50,400
pretty much

1486
00:57:53,990 --> 00:57:52,559
in a nutshell there was two mill labs my

1487
00:57:55,430 --> 00:57:54,000
labs for the first

1488
00:57:57,190 --> 00:57:55,440

event that they actually had pic a

1489

00:57:58,950 --> 00:57:57,200

picture of me in a ship

1490

00:58:01,430 --> 00:57:58,960

and with the second event that they had

1491

00:58:03,430 --> 00:58:01,440

a picture of me inside of a ship

1492

00:58:06,829 --> 00:58:03,440

they used fake spacemen because they

1493

00:58:11,430 --> 00:58:09,589

get they wanted to try to get start off

1494

00:58:12,470 --> 00:58:11,440

by getting technological information

1495

00:58:13,910 --> 00:58:12,480

about his ship

1496

00:58:16,150 --> 00:58:13,920

which they could have given me had he

1497

00:58:18,309 --> 00:58:16,160

not had to use the baton that one very

1498

00:58:20,069 --> 00:58:18,319

one time in all those decades with the

1499

00:58:21,829 --> 00:58:20,079

little lights on top of it

1500

00:58:23,670 --> 00:58:21,839

because before he brought me back the

1501

00:58:26,549 --> 00:58:23,680

night of

1502

00:58:27,910 --> 00:58:26,559

the in question where they had an open

1503

00:58:29,190 --> 00:58:27,920

line of visual

1504

00:58:30,710 --> 00:58:29,200

and if you had the whole story then

1505

00:58:32,470 --> 00:58:30,720

you'd understand the context of it we

1506

00:58:36,150 --> 00:58:32,480

don't think we have enough time for that

1507

00:58:37,990 --> 00:58:36,160

tonight but the um nobody else has

1508

00:58:40,710 --> 00:58:38,000

raised their hand to want to talk so

1509

00:58:42,069 --> 00:58:40,720

you know feel free and welcome to share

1510

00:58:44,470 --> 00:58:42,079

what you like

1511

00:58:46,069 --> 00:58:44,480

but part of that is a little bit

1512

00:58:47,990 --> 00:58:46,079

reluctant to come forward on that

1513

00:58:50,390 --> 00:58:48,000

particular story yet

1514

00:58:52,549 --> 00:58:50,400

but it like naming it but let's put it

1515

00:58:55,109 --> 00:58:52,559

this way both of them were extremely

1516

00:58:56,710 --> 00:58:55,119

high profile in that they hit the news

1517

00:59:01,030 --> 00:58:56,720

they were investigated

1518

00:59:03,910 --> 00:59:01,040

they were known to be ufos involved

1519

00:59:05,190 --> 00:59:03,920

and one of them happened to be something

1520

00:59:07,670 --> 00:59:05,200

involving nasa

1521

00:59:09,109 --> 00:59:07,680

the first one involved canada but the

1522

00:59:12,789 --> 00:59:09,119

united states acted like

1523

00:59:16,309 --> 00:59:12,799

that was their jurisdiction and uh

1524

00:59:17,990 --> 00:59:16,319

the second one involved the an army

1525

00:59:21,670 --> 00:59:18,000

branch that carried out the mylab

1526

00:59:24,950 --> 00:59:21,680

mill lab and uh and

1527

00:59:28,390 --> 00:59:24,960

and got et assistance so at

1528

00:59:30,710 --> 00:59:28,400

between two different mill or i should

1529

00:59:31,990 --> 00:59:30,720

let me get the count straight there's

1530

00:59:34,390 --> 00:59:32,000

two mill labs associated

1531

00:59:35,190 --> 00:59:34,400

to the first event that they had

1532

00:59:37,030 --> 00:59:35,200

evidence of

1533

00:59:40,069 --> 00:59:37,040

because i've had much con a lot of

1534

00:59:44,150 --> 00:59:40,079

contact in between and before and after

1535

00:59:46,150 --> 00:59:44,160

decades of it and they

1536

00:59:47,750 --> 00:59:46,160

and but they they only came after me

1537

00:59:51,829 --> 00:59:47,760

during the times that they had hard

1538

00:59:53,349 --> 00:59:51,839

evidence of me uh having that contact

1539

00:59:55,349 --> 00:59:53,359

in the first one they thought that i was

1540

00:59:57,990 --> 00:59:55,359

one of them in the second one

1541

00:59:59,109 --> 00:59:58,000

uh they wanted to know a first about his

1542

01:00:01,190 --> 00:59:59,119

uh ship

1543

01:00:02,309 --> 01:00:01,200

they protect the fake spaceman pretended

1544

01:00:04,710 --> 01:00:02,319

that they knew

1545

01:00:05,430 --> 01:00:04,720

uh him from a dis from a planet far far

1546

01:00:08,069 --> 01:00:05,440

away yes

1547

01:00:09,270 --> 01:00:08,079

they actually said that from a planet

1548

01:00:10,950 --> 01:00:09,280

far far away

1549

01:00:12,390 --> 01:00:10,960

and i i thought that it was so odd that

1550

01:00:15,670 --> 01:00:12,400

they were wearing gloves

1551

01:00:17,990 --> 01:00:15,680

and and uh dark advisors

1552

01:00:19,109 --> 01:00:18,000

as they asked these things because and

1553

01:00:21,190 --> 01:00:19,119

they were trying to pretend you know

1554

01:00:21,829 --> 01:00:21,200

like my name is garfon and i'm from a

1555

01:00:24,390 --> 01:00:21,839

planet far

1556

01:00:25,270 --> 01:00:24,400

far away and we think we know the person

1557

01:00:26,870 --> 01:00:25,280

you know whose

1558

01:00:28,630 --> 01:00:26,880

ship you were on and we were wondering

1559

01:00:30,150 --> 01:00:28,640

if you could tell us a little bit about

1560

01:00:33,190 --> 01:00:30,160

his ship

1561

01:00:35,109 --> 01:00:33,200

and they had but this is where they had

1562

01:00:37,190 --> 01:00:35,119

taken me from my school

1563

01:00:40,069 --> 01:00:37,200

they manhandled me when they took me out

1564

01:00:42,950 --> 01:00:40,079

the door they grabbed me by the arms

1565

01:00:44,630 --> 01:00:42,960

and they manhandled me and i had already

1566

01:00:46,470 --> 01:00:44,640

told my teacher my teacher's like

1567

01:00:48,309 --> 01:00:46,480

well if it is your dad would you please

1568

01:00:50,870 --> 01:00:48,319

report back and i had said

1569

01:00:51,349 --> 01:00:50,880

i don't know my dad's in vietnam well my

1570

01:00:54,470 --> 01:00:51,359

dad

1571

01:00:56,069 --> 01:00:54,480

uh was okay but i of course at that time

1572

01:00:57,750 --> 01:00:56,079

didn't understand and

1573

01:00:59,109 --> 01:00:57,760

here i've got army people i'm thinking

1574

01:01:01,190 --> 01:00:59,119

it's related to my dad

1575

01:01:02,549 --> 01:01:01,200

is this about my dad is my dad what is

1576

01:01:04,230 --> 01:01:02,559

this about and is there

1577

01:01:06,470 --> 01:01:04,240

man handling me and squeezing my arms

1578

01:01:09,190 --> 01:01:06,480

with a vice grip

1579

01:01:10,630 --> 01:01:09,200

two big guys a shorter one came around

1580

01:01:12,390 --> 01:01:10,640

the front of me as soon as my

1581

01:01:13,670 --> 01:01:12,400

classroom door clicked shut and she

1582

01:01:15,270 --> 01:01:13,680

stopped looking through the

1583

01:01:17,430 --> 01:01:15,280

you know crack of it she's watching the

1584

01:01:18,230 --> 01:01:17,440

man handling me and i'm shaking my head

1585

01:01:19,589 --> 01:01:18,240

like oh

1586

01:01:22,390 --> 01:01:19,599

help me help me kind of thing but i'm

1587

01:01:24,230 --> 01:01:22,400

not trying not to vocalize it

1588

01:01:25,910 --> 01:01:24,240

so that i don't draw their attention or

1589

01:01:29,109 --> 01:01:25,920

their ear

1590

01:01:31,030 --> 01:01:29,119

and then uh the the third guy

1591

01:01:32,549 --> 01:01:31,040

came around to the front of me and walks

1592

01:01:34,069 --> 01:01:32,559

backwards and sprays me with this little

1593

01:01:36,150 --> 01:01:34,079

tiny canister and his hand

1594

01:01:37,109 --> 01:01:36,160

smells like wd-40 and everything went

1595

01:01:39,270 --> 01:01:37,119

black

1596

01:01:42,390 --> 01:01:39,280

so when i did finally return to school

1597

01:01:45,750 --> 01:01:43,750

everybody had asked me are you in

1598

01:01:47,990 --> 01:01:45,760

trouble with the military why did the

1599

01:01:49,750 --> 01:01:48,000

military drag you out to a car

1600

01:01:51,270 --> 01:01:49,760

and this kind of thing there were a lot

1601
01:01:52,789 --> 01:01:51,280
of witnesses

1602
01:01:55,190 --> 01:01:52,799
and it could have been very bad and they

1603
01:01:58,470 --> 01:01:55,200
were actually contemplating much worse

1604
01:02:00,150 --> 01:01:58,480
and i may not i if things had not gone

1605
01:02:01,190 --> 01:02:00,160
better or gone as well as they did i

1606
01:02:03,190 --> 01:02:01,200
should say

1607
01:02:05,990 --> 01:02:03,200
even as horrific as it was with those

1608
01:02:09,430 --> 01:02:06,000
two mill labs to me and to my mom

1609
01:02:10,309 --> 01:02:09,440
um i wouldn't be here to be able to talk

1610
01:02:13,910 --> 01:02:10,319
about it

1611
01:02:16,950 --> 01:02:13,920
right and so i mean

1612
01:02:18,630 --> 01:02:16,960
i guess there's no end no end in sight

1613
01:02:19,670 --> 01:02:18,640

for this that just as long as you keep

1614

01:02:21,190 --> 01:02:19,680

having contact

1615

01:02:22,549 --> 01:02:21,200

they'll just keep going as long as they

1616

01:02:25,430 --> 01:02:22,559

feel like they can get something from

1617

01:02:27,190 --> 01:02:25,440

you information wise right

1618

01:02:28,870 --> 01:02:27,200

if if they have hard enough evidence

1619

01:02:32,150 --> 01:02:28,880

they'll drag anybody in

1620

01:02:33,750 --> 01:02:32,160

that's what i have witnessed i can't

1621

01:02:34,230 --> 01:02:33,760

believe that i'm the exception to the

1622

01:02:37,670 --> 01:02:34,240

rule

1623

01:02:40,470 --> 01:02:37,680

with millions of contactees

1624

01:02:43,750 --> 01:02:40,480

right and so what what do you think this

1625

01:02:48,950 --> 01:02:43,760

is ultimately going with you personally

1626

01:02:51,029 --> 01:02:48,960

well it really it was uh it was very um

1627

01:02:53,589 --> 01:02:51,039

secret for i just kept those two lives

1628

01:02:56,630 --> 01:02:53,599

separate i kept my contact life

1629

01:02:59,349 --> 01:02:56,640

and my mundane everyday earth life

1630

01:02:59,670 --> 01:02:59,359

kind of just separate um even though

1631

01:03:04,630 --> 01:02:59,680

they

1632

01:03:05,829 --> 01:03:04,640

just my mother not able to find me for

1633

01:03:08,150 --> 01:03:05,839

hours and i would be

1634

01:03:09,829 --> 01:03:08,160

somewhere else all together and i

1635

01:03:11,430 --> 01:03:09,839

wouldn't tell her i would never tell her

1636

01:03:13,270 --> 01:03:11,440

i would just you know i'm sorry i was

1637

01:03:14,829 --> 01:03:13,280

out playing i didn't hear you that kind

1638

01:03:18,309 --> 01:03:14,839

of thing

1639

01:03:20,309 --> 01:03:18,319

i i didn't want them

1640

01:03:21,589 --> 01:03:20,319

shocked and upset because it was obvious

1641

01:03:22,309 --> 01:03:21,599

from the first time that they didn't

1642

01:03:24,710 --> 01:03:22,319

know that

1643

01:03:25,670 --> 01:03:24,720

it was very upsetting to them but my

1644

01:03:28,829 --> 01:03:25,680

experience was

1645

01:03:30,230 --> 01:03:28,839

with very peaceful beings and a very

1646

01:03:31,910 --> 01:03:30,240

enlightening

1647

01:03:33,829 --> 01:03:31,920

and there were things that they showed

1648

01:03:36,150 --> 01:03:33,839

me over time too about

1649

01:03:38,230 --> 01:03:36,160

some aspects of the military and

1650

01:03:39,910 --> 01:03:38,240

different things about other races

1651

01:03:42,470 --> 01:03:39,920

here that are not so nice they're

1652

01:03:46,069 --> 01:03:42,480

malevolent and it told me

1653

01:03:47,270 --> 01:03:46,079

that they care a lot not only about me

1654

01:03:50,390 --> 01:03:47,280

personally but about

1655

01:03:53,589 --> 01:03:50,400

humanity in general with their focus on

1656

01:03:55,829 --> 01:03:53,599

nuclear weapons and they're pointing out

1657

01:03:58,710 --> 01:03:55,839

of things that you we really don't have

1658

01:04:00,870 --> 01:03:58,720

access to uh

1659

01:04:02,789 --> 01:04:00,880

popping in like to tell taking intel

1660

01:04:06,069 --> 01:04:02,799

saying they would say he would say to me

1661

01:04:08,390 --> 01:04:06,079

this same contact he would say to me

1662

01:04:09,190 --> 01:04:08,400

uh you need to see this and then he

1663

01:04:12,309 --> 01:04:09,200

would would

1664

01:04:12,710 --> 01:04:12,319

remain reserved not tried to impress me

1665

01:04:14,789 --> 01:04:12,720

or

1666

01:04:15,990 --> 01:04:14,799

not try to influence me so he wouldn't

1667

01:04:17,910 --> 01:04:16,000

say anything even when i would turn

1668

01:04:20,069 --> 01:04:17,920

around and go what was that

1669

01:04:21,910 --> 01:04:20,079

like that was scary what was that and he

1670

01:04:23,589 --> 01:04:21,920

would just show me because he wanted me

1671

01:04:26,150 --> 01:04:23,599

to walk away with what

1672

01:04:28,470 --> 01:04:26,160

i saw and how i was digesting it not

1673

01:04:31,829 --> 01:04:28,480

adding anything to it

1674

01:04:34,470 --> 01:04:31,839

and and so there was a lot of

1675

01:04:36,069 --> 01:04:34,480

uh additional experiences in there in

1676

01:04:37,109 --> 01:04:36,079

which they were trying to expose some of

1677

01:04:39,109 --> 01:04:37,119

the things

1678

01:04:40,150 --> 01:04:39,119

that these more malevolent ones are

1679

01:04:43,670 --> 01:04:40,160

doing or involved

1680

01:04:46,630 --> 01:04:43,680

with and and there is a a much

1681

01:04:48,150 --> 01:04:46,640

wider relationship with uh

1682

01:04:51,349 --> 01:04:48,160

non-terrestrials at least

1683

01:04:53,750 --> 01:04:51,359

four of five known malevolent

1684

01:04:55,029 --> 01:04:53,760

racess these are just the malevolent ones

1685

01:04:57,670 --> 01:04:55,039

you know they try to say that there's

1686

01:05:00,230 --> 01:04:57,680

three races of three different competing

1687

01:05:01,990 --> 01:05:00,240

racess here but there's a lot more and

1688

01:05:04,390 --> 01:05:02,000

they're not really competing

1689

01:05:06,870 --> 01:05:04,400

uh they're it's more of a case of the

1690

01:05:08,950 --> 01:05:06,880

peaceful ones want to maintain diplomacy

1691

01:05:11,589 --> 01:05:08,960

and not use action

1692

01:05:12,950 --> 01:05:11,599

but there's these other malevolent ones

1693

01:05:14,309 --> 01:05:12,960

that have been present on earth for

1694

01:05:17,670 --> 01:05:14,319

thousands of years

1695

01:05:19,349 --> 01:05:17,680

that have their agenda and

1696

01:05:22,470 --> 01:05:19,359

uh and the peaceful ones try to

1697

01:05:25,190 --> 01:05:22,480

intervene when they can but

1698

01:05:27,109 --> 01:05:25,200

it's a quagmire and i and i honestly and

1699

01:05:29,589 --> 01:05:27,119

this is what i honestly believe adam

1700

01:05:31,670 --> 01:05:29,599

i truly believe that the united states

1701

01:05:34,150 --> 01:05:31,680

as much as it brags of being the

1702

01:05:37,270 --> 01:05:34,160

strongest military in the world is

1703

01:05:39,349 --> 01:05:37,280

unwilling to admit that they have gotten

1704

01:05:41,349 --> 01:05:39,359

that these malevolent ones that they

1705

01:05:43,510 --> 01:05:41,359

made deals with the wrong ones back in

1706

01:05:44,789 --> 01:05:43,520

the late 30s early 40s

1707

01:05:46,950 --> 01:05:44,799

and that these malevolent ones have

1708

01:05:49,510 --> 01:05:46,960

gotten their foot in the door

1709

01:05:51,270 --> 01:05:49,520

and they can't extricate themselves

1710

01:05:52,710 --> 01:05:51,280

therein from the situation

1711

01:05:55,029 --> 01:05:52,720

and that they don't have any control

1712

01:05:55,750 --> 01:05:55,039

over it and that these malevolent ones

1713

01:05:58,150 --> 01:05:55,760

really run

1714

01:05:58,789 --> 01:05:58,160

a lot it's not just the united states

1715

01:06:01,109 --> 01:05:58,799

though it is

1716

01:06:02,390 --> 01:06:01,119

other countries but not all countries as

1717

01:06:04,950 --> 01:06:02,400

they've shown me

1718

01:06:06,069 --> 01:06:04,960

have malevolent races there some have

1719

01:06:09,270 --> 01:06:06,079

peaceful ones

1720

01:06:10,630 --> 01:06:09,280

right bren uh uh just please hold on one

1721

01:06:11,829 --> 01:06:10,640

quick second i just want to address the

1722

01:06:14,150 --> 01:06:11,839

audience real quick

1723

01:06:15,910 --> 01:06:14,160

so anyone everyone watching uh brandon

1724

01:06:19,029 --> 01:06:15,920

has been sharing their

1725

01:06:22,309 --> 01:06:19,039

you know experiences that are just

1726
01:06:23,510 --> 01:06:22,319
um very riveting and um you know i hope

1727
01:06:26,549 --> 01:06:23,520
you get something from it

1728
01:06:28,710 --> 01:06:26,559
you know and uh different contexts

1729
01:06:30,390 --> 01:06:28,720
different things are happening they they

1730
01:06:31,270 --> 01:06:30,400
happen differently to different people

1731
01:06:33,510 --> 01:06:31,280
sometimes

1732
01:06:34,789 --> 01:06:33,520
we i guess if you can consider yourself

1733
01:06:36,789 --> 01:06:34,799
lucky we have these

1734
01:06:37,829 --> 01:06:36,799
great experiences and contacts where

1735
01:06:40,950 --> 01:06:37,839
just these

1736
01:06:43,029 --> 01:06:40,960
loving caring beings

1737
01:06:44,870 --> 01:06:43,039
share this you know information that's

1738
01:06:47,270 --> 01:06:44,880

very beneficial to us and then

1739

01:06:47,910 --> 01:06:47,280

we have an experience like bren did and

1740

01:06:50,150 --> 01:06:47,920

i'm very

1741

01:06:51,270 --> 01:06:50,160

happy and glad that she finally you know

1742

01:06:53,910 --> 01:06:51,280

i'm sure she

1743

01:06:55,270 --> 01:06:53,920

she mentioned she she shared it with um

1744

01:06:56,630 --> 01:06:55,280

may rodwell and

1745

01:06:59,029 --> 01:06:56,640

you know has been talking about her

1746

01:07:01,190 --> 01:06:59,039

experiences but um

1747

01:07:02,150 --> 01:07:01,200

throughout research you know throughout

1748

01:07:03,750 --> 01:07:02,160

my research and

1749

01:07:06,710 --> 01:07:03,760

i'm sure everyone else has been into

1750

01:07:10,150 --> 01:07:06,720

this it's there is a

1751

01:07:12,069 --> 01:07:10,160

a a sliver of that

1752

01:07:13,430 --> 01:07:12,079

military involvement that's always kind

1753

01:07:15,109 --> 01:07:13,440

of in the background

1754

01:07:17,029 --> 01:07:15,119

and it's not often talked about so i'm

1755

01:07:17,910 --> 01:07:17,039

glad she was able to call in and talk

1756

01:07:21,270 --> 01:07:17,920

about that

01:07:23,670 --> 01:07:21,280

subscribe hit your like button

1777

01:08:04,549 --> 01:08:02,960

and um i would like to get back to to

1778

01:08:08,069 --> 01:08:04,559

talk to brent some more

1779

01:08:10,069 --> 01:08:08,079

so brian i wanted to just real quick um

1780

01:08:11,349 --> 01:08:10,079

um sorry i had to i wanted to make that

1781

01:08:13,190 --> 01:08:11,359

announcement because i've been seeing

1782

01:08:13,910 --> 01:08:13,200

people coming in and out so i don't know

1783

01:08:16,470 --> 01:08:13,920

who else

1784

01:08:17,430 --> 01:08:16,480

is new watching or who's been here this

1785

01:08:20,149 --> 01:08:17,440

whole time

1786

01:08:21,269 --> 01:08:20,159

but um during the conference uh the very

1787

01:08:24,149 --> 01:08:21,279

first speaker was

1788

01:08:25,669 --> 01:08:24,159

princess janae and she's from the far

1789

01:08:26,950 --> 01:08:25,679

side institute that was started by

1790

01:08:29,349 --> 01:08:26,960

courtney brown

1791

01:08:30,709 --> 01:08:29,359

and uh it was interesting she talked uh

1792

01:08:32,630 --> 01:08:30,719

there was a

1793

01:08:34,390 --> 01:08:32,640

the whole segment that they covered

1794

01:08:37,189 --> 01:08:34,400

about the remote viewed

1795

01:08:38,390 --> 01:08:37,199

um and this person remote viewing it was

1796

01:08:39,910 --> 01:08:38,400

very interesting the way he was

1797

01:08:43,349 --> 01:08:39,920

describing and he says

1798

01:08:46,709 --> 01:08:43,359

these people here kind of have this

1799

01:08:49,269 --> 01:08:46,719

i guess this alternative motive

1800

01:08:50,309 --> 01:08:49,279

and the the other people that were more

1801

01:08:51,910 --> 01:08:50,319

human looking

1802

01:08:53,189 --> 01:08:51,920

which then he felt like there were more

1803

01:08:54,950 --> 01:08:53,199

government types they felt like they

1804

01:08:56,950 --> 01:08:54,960

were getting something out of it

1805

01:08:58,709 --> 01:08:56,960

while in reality they were part of my

1806

01:09:01,590 --> 01:08:58,719

french getting screwed you know

1807

01:09:03,030 --> 01:09:01,600

and so um it's interesting you said that

1808

01:09:04,709 --> 01:09:03,040

because when i was watching

1809

01:09:06,470 --> 01:09:04,719

uh what she was presenting and talking

1810

01:09:10,550 --> 01:09:06,480

about you know it kind of correlates

1811

01:09:14,070 --> 01:09:13,189

uh yeah i i'm familiar with the far side

1812

01:09:17,430 --> 01:09:14,080

institute and

1813

01:09:19,430 --> 01:09:17,440

uh that guy was very talented um

1814

01:09:20,709 --> 01:09:19,440

and courtney is a great guy he's a

1815

01:09:22,149 --> 01:09:20,719

really good person i think he's doing a

1816

01:09:23,829 --> 01:09:22,159

good thing there trying to get

1817

01:09:25,669 --> 01:09:23,839

other people trained to do that kind of

1818

01:09:28,709 --> 01:09:25,679

stuff really miss

1819

01:09:30,950 --> 01:09:28,719

ingo too it's really sad but

1820

01:09:32,149 --> 01:09:30,960

um yeah you know as far as the

1821

01:09:35,430 --> 01:09:32,159

experience goes

1822

01:09:38,309 --> 01:09:35,440

my only real negative experience

1823

01:09:39,829 --> 01:09:38,319

was not with my contact experience over

1824

01:09:42,470 --> 01:09:39,839

decades

1825

01:09:43,749 --> 01:09:42,480

it was with the military and or

1826

01:09:47,189 --> 01:09:43,759

government's reaction

1827

01:09:47,590 --> 01:09:47,199

to my contact yeah other than that it

1828

01:09:49,189 --> 01:09:47,600

was

1829

01:09:50,709 --> 01:09:49,199

the most wonderful experience and i

1830

01:09:52,870 --> 01:09:50,719

wouldn't have changed or

1831

01:09:54,149 --> 01:09:52,880

a regret i have never regretted any any

1832

01:09:56,070 --> 01:09:54,159

of my contact experience but i wouldn't

1833

01:09:59,750 --> 01:09:56,080

have changed it for anything

1834

01:10:00,870 --> 01:09:59,760

um you know it just it is what it is but

1835

01:10:03,030 --> 01:10:00,880

once you um

1836

01:10:03,990 --> 01:10:03,040

once you cross that threshold and it's

1837

01:10:06,630 --> 01:10:04,000

you know

1838

01:10:08,070 --> 01:10:06,640

you see the technology in work you

1839

01:10:11,590 --> 01:10:08,080

experience it

1840

01:10:13,350 --> 01:10:11,600

uh the telepathy the expansion of the

1841

01:10:16,229 --> 01:10:13,360

consciousness

1842

01:10:17,030 --> 01:10:16,239

the uh even bouncing through time like

1843

01:10:19,510 --> 01:10:17,040

you know

1844

01:10:20,229 --> 01:10:19,520

going ahead a few years and coming back

1845

01:10:23,669 --> 01:10:20,239

again

1846

01:10:26,470 --> 01:10:23,679

it is all part and parcel

1847

01:10:28,070 --> 01:10:26,480

of an awakening experience and i'd say

1848

01:10:30,070 --> 01:10:28,080

50 percent of

1849

01:10:32,470 --> 01:10:30,080

of contact experience isn't about

1850

01:10:34,709 --> 01:10:32,480

technology and nuts and bolts evidence

1851

01:10:36,229 --> 01:10:34,719

it is about consciousness and the

1852

01:10:40,070 --> 01:10:36,239

expansion of consciousness

1853

01:10:43,350 --> 01:10:40,080

and uh and i i feel absolutely uh

1854

01:10:45,669 --> 01:10:43,360

almost uh more than fortunate

1855

01:10:47,590 --> 01:10:45,679

almost like gifted that i had the

1856

01:10:49,510 --> 01:10:47,600

positive experience that i did that they

1857

01:10:50,709 --> 01:10:49,520

opened my eyes to so many things around

1858

01:10:52,390 --> 01:10:50,719

us

1859

01:10:54,070 --> 01:10:52,400

and you know putting it all to print

1860

01:10:57,430 --> 01:10:54,080

i've got to i'm thinking

1861

01:10:58,870 --> 01:10:57,440

i really need to write all of it and

1862

01:11:00,550 --> 01:10:58,880

a lot of people it's very easy for them

1863

01:11:02,229 --> 01:11:00,560

to publish for me it's hard putting

1864

01:11:04,709 --> 01:11:02,239

those things out there

1865

01:11:07,030 --> 01:11:04,719

um but i come from uh you know i'm a

1866

01:11:09,830 --> 01:11:07,040

child of the 60s

1867

01:11:12,149 --> 01:11:09,840

i'll be 62 at the end of the month and

1868

01:11:15,590 --> 01:11:12,159

i'm a child of the 60s and back then

1869

01:11:19,110 --> 01:11:15,600

as you know 60s and 70s uh it was

1870

01:11:22,550 --> 01:11:19,120

not widely discussed there was

1871

01:11:23,669 --> 01:11:22,560

so much um and even before that in the

1872

01:11:27,030 --> 01:11:23,679

50s

1873

01:11:30,790 --> 01:11:27,040

so much stigma surrounding

1874

01:11:34,149 --> 01:11:30,800

uh being a contactee almost as if uh

1875

01:11:35,270 --> 01:11:34,159

you know i you know

1876

01:11:36,470 --> 01:11:35,280

as if you're some kind of loose

1877

01:11:38,550 --> 01:11:36,480

candidate or something like there's

1878

01:11:41,350 --> 01:11:38,560

something wrong with you but

1879

01:11:43,110 --> 01:11:41,360

uh that's all part and parcel of the

1880

01:11:44,709 --> 01:11:43,120

propaganda we all know that and i know

1881

01:11:46,229 --> 01:11:44,719

that i'm preaching to the choir too

1882

01:11:48,390 --> 01:11:46,239

about that

1883

01:11:49,750 --> 01:11:48,400

but there was a lot of impunity attached

1884

01:11:52,550 --> 01:11:49,760

to that and it's not that wasn't

1885

01:11:54,070 --> 01:11:52,560

really so much the focus of what i

1886

01:11:55,590 --> 01:11:54,080

wanted to say i just wanted to say that

1887

01:11:58,310 --> 01:11:55,600

it was such a contrast

1888

01:12:00,070 --> 01:11:58,320

between the two between the you know my

1889

01:12:03,110 --> 01:12:00,080

contact experience was

1890

01:12:04,709 --> 01:12:03,120

absolutely uber and uh

1891

01:12:06,830 --> 01:12:04,719

the reaction of the government was

1892

01:12:09,189 --> 01:12:06,840

absolutely

1893

01:12:12,229 --> 01:12:09,199

horrific right and

1894

01:12:13,669 --> 01:12:12,239

you know good yeah no i was just going

1895

01:12:15,110 --> 01:12:13,679

to say and and so here they want to

1896

01:12:16,709 --> 01:12:15,120

release all of this information but i

1897

01:12:21,030 --> 01:12:16,719

can guarantee you

1898

01:12:26,630 --> 01:12:24,709

um it's very interesting you know we als

1899

01:12:29,030 --> 01:12:26,640

we all really start out you know with

1900

01:12:31,030 --> 01:12:29,040

this scientific approach right because

1901

01:12:33,270 --> 01:12:31,040

everything's about what you see

1902

01:12:35,030 --> 01:12:33,280

you know what can you prove what you

1903

01:12:37,030 --> 01:12:35,040

hear you know all these things that you

1904

01:12:37,669 --> 01:12:37,040

can have maybe a recording of whether

1905

01:12:40,709 --> 01:12:37,679

visuals

1906

01:12:42,470 --> 01:12:40,719

or more tangible and more nuts and bolts

1907

01:12:42,870 --> 01:12:42,480

that's what nuts and bolts is all about

1908

01:12:44,630 --> 01:12:42,880

yeah

1909

01:12:46,630 --> 01:12:44,640

right and and the thing is it's not that

1910

01:12:48,149 --> 01:12:46,640

most of us immediately wanted to kind of

1911

01:12:50,950 --> 01:12:48,159

get out of that it's where

1912

01:12:52,630 --> 01:12:50,960

it eventually led that showed that

1913

01:12:55,910 --> 01:12:52,640

that's not what's happening

1914

01:12:58,149 --> 01:12:55,920

in in the general uh picture i mean

1915

01:12:59,830 --> 01:12:58,159

it's one thing to you know to say oh

1916

01:13:01,750 --> 01:12:59,840

it's all about love and light and

1917

01:13:03,750 --> 01:13:01,760

it truly is but it's one of these things

1918

01:13:06,149 --> 01:13:03,760

when somebody has been through some very

1919

01:13:07,830 --> 01:13:06,159

you know horrific and horrible things

1920

01:13:09,669 --> 01:13:07,840

you know it's it's so difficult to just

1921

01:13:11,750 --> 01:13:09,679

kind of um

1922

01:13:13,270 --> 01:13:11,760

have them even to get to start this

1923

01:13:16,070 --> 01:13:13,280

healing process to where

1924

01:13:16,790 --> 01:13:16,080

uh try to look past it you know try to

1925

01:13:18,630 --> 01:13:16,800

see

1926

01:13:20,149 --> 01:13:18,640

you know what was the whole point of

1927

01:13:21,669 --> 01:13:20,159

that you know and then there's of course

1928

01:13:24,630 --> 01:13:21,679

these different understandings like

1929

01:13:25,590 --> 01:13:24,640

i don't know if you if you agree but you

1930

01:13:27,270 --> 01:13:25,600

know i was always

1931

01:13:29,830 --> 01:13:27,280

during my experiences you know there was

1932

01:13:31,830 --> 01:13:29,840

a time when um i was kind of

1933

01:13:33,669 --> 01:13:31,840

you know having these experiences where

1934

01:13:34,149 --> 01:13:33,679

i have a thought and i would get an

1935

01:13:36,310 --> 01:13:34,159

answer

1936

01:13:38,070 --> 01:13:36,320

you know so i would play around with

1937

01:13:39,669 --> 01:13:38,080

that and so i had this thought about

1938

01:13:42,630 --> 01:13:39,679

well what is about this government

1939

01:13:43,430 --> 01:13:42,640

right what why is government so behind

1940

01:13:46,870 --> 01:13:43,440

and so

1941

01:13:49,270 --> 01:13:46,880

i saw it as the government is there as

1942

01:13:53,510 --> 01:13:49,280

i've said before it's like there for the

1943

01:13:55,270 --> 01:13:53,520

i guess um for the smallest

1944

01:13:56,550 --> 01:13:55,280

group of people that are still in this

1945

01:13:59,669 --> 01:13:56,560

extreme fear that

1946

01:14:02,870 --> 01:13:59,679

need that kind of level of protection

1947

01:14:04,550 --> 01:14:02,880

to where somebody would kick in for them

1948

01:14:05,910 --> 01:14:04,560

to protect them from these things when

1949

01:14:06,709 --> 01:14:05,920

they're not willing to look at them

1950

01:14:08,870 --> 01:14:06,719

themselves

1951

01:14:10,310 --> 01:14:08,880

which is the people that we know as that

1952

01:14:11,830 --> 01:14:10,320

just absolutely don't want to have

1953

01:14:14,070 --> 01:14:11,840

anything to do with ufos

1954

01:14:15,270 --> 01:14:14,080

they don't care to know and if you try

1955

01:14:17,110 --> 01:14:15,280

to talk to them about they just roll

1956

01:14:18,870 --> 01:14:17,120

their eyes and go about their way

1957

01:14:20,709 --> 01:14:18,880

you know and so because i was trying to

1958

01:14:21,350 --> 01:14:20,719

understand okay fine there's all these

1959

01:14:22,630 --> 01:14:21,360

spiritual

1960

01:14:24,229 --> 01:14:22,640

teachings to everything that i've

1961

01:14:25,910 --> 01:14:24,239

experienced so what's up with government

1962

01:14:26,630 --> 01:14:25,920

what's so spiritual about government you

1963

01:14:29,990 --> 01:14:26,640

know

1964

01:14:33,510 --> 01:14:30,000
and it just basically is is this um

1965

01:14:35,430 --> 01:14:33,520
uh this created collective

1966

01:14:36,550 --> 01:14:35,440
that we call government that's just

1967

01:14:39,830 --> 01:14:36,560
there to

1968

01:14:42,709 --> 01:14:39,840
to uh cater to the strongest fear

1969

01:14:44,149 --> 01:14:42,719
to the to the biggest unknown to say

1970

01:14:46,310 --> 01:14:44,159
don't worry you don't have to do

1971

01:14:48,950 --> 01:14:46,320
anything about this i will protect you

1972

01:14:50,470 --> 01:14:48,960
you know uh um i will be strong for you

1973

01:14:51,270 --> 01:14:50,480
because you cannot be strong for

1974

01:14:54,550 --> 01:14:51,280
yourself

1975

01:14:57,189 --> 01:14:54,560
you know and naturally with that

1976

01:14:57,830 --> 01:14:57,199

understanding then it attracts all kinds

1977

01:14:59,910 --> 01:14:57,840

of people

1978

01:15:02,229 --> 01:14:59,920

as you've mentioned you know to where

1979

01:15:02,950 --> 01:15:02,239

they you know it translates in this

1980

01:15:05,350 --> 01:15:02,960

weird way

1981

01:15:07,830 --> 01:15:05,360

starts out with this beautiful spiritual

1982

01:15:10,229 --> 01:15:07,840

concept but then it attracts these very

1983

01:15:12,070 --> 01:15:10,239

morally bankrupt people to where they

1984

01:15:12,790 --> 01:15:12,080

don't see the bigger picture they just

1985

01:15:15,669 --> 01:15:12,800

know that

1986

01:15:16,790 --> 01:15:15,679

for the greater good we must do this one

1987

01:15:20,550 --> 01:15:16,800

horrible thing

1988

01:15:23,910 --> 01:15:20,560

you know for this you know uh go ahead

1989

01:15:24,390 --> 01:15:23,920

yeah no exactly and um i i tell you if

1990

01:15:26,310 --> 01:15:24,400

they're

1991

01:15:27,830 --> 01:15:26,320

when the consciousness part of it and

1992

01:15:32,229 --> 01:15:27,840

i'll i'll describe part of

1993

01:15:35,350 --> 01:15:32,239

the the uh second set of mill labs that

1994

01:15:37,669 --> 01:15:35,360

where they were they were warning me

1995

01:15:39,750 --> 01:15:37,679

first of all that they were trying to

1996

01:15:40,390 --> 01:15:39,760

tell me telepathically as i'm freaking

1997

01:15:42,149 --> 01:15:40,400

out

1998

01:15:43,990 --> 01:15:42,159

so drugged up they're taking me to this

1999

01:15:45,350 --> 01:15:44,000

building and there's all these people

2000

01:15:46,630 --> 01:15:45,360

with uniforms and stuff and all these

2001

01:15:48,070 --> 01:15:46,640

men and i'm scared

2002

01:15:50,149 --> 01:15:48,080

and i keep pinching myself because i

2003

01:15:50,630 --> 01:15:50,159

think i'm dreaming and they start to say

2004

01:15:54,950 --> 01:15:50,640

to me

2005

01:15:57,030 --> 01:15:54,960

don't believe them they lie to people

2006

01:15:59,110 --> 01:15:57,040

they hurt people so they're trying not

2007

01:15:59,990 --> 01:15:59,120

to be alarmist but they're trying to

2008

01:16:01,910 --> 01:16:00,000

tell me

2009

01:16:03,830 --> 01:16:01,920

like in so many words you're not

2010

01:16:05,510 --> 01:16:03,840

dreaming this is happening

2011

01:16:06,870 --> 01:16:05,520

this is what they're like trying to

2012

01:16:08,870 --> 01:16:06,880

understand it

2013

01:16:09,990 --> 01:16:08,880

and so they kept repeating that and it

2014

01:16:12,149 --> 01:16:10,000

was actually

2015

01:16:13,350 --> 01:16:12,159

helping to almost counteract the effects

2016

01:16:15,350 --> 01:16:13,360

of the drug and

2017

01:16:16,950 --> 01:16:15,360

and giving me like a little bit more of

2018

01:16:19,590 --> 01:16:16,960

an adrenaline surge

2019

01:16:19,990 --> 01:16:19,600

at another time they told me that i my

2020

01:16:22,470 --> 01:16:20,000

life was

2021

01:16:24,149 --> 01:16:22,480

in mortal danger so at some point

2022

01:16:25,110 --> 01:16:24,159

they're contemplating that the desert's

2023

01:16:27,430 --> 01:16:25,120

a big place and

2024

01:16:29,270 --> 01:16:27,440

nobody's going to find me kind of thing

2025

01:16:31,110 --> 01:16:29,280

and they showed me exactly what they

2026
01:16:34,550 --> 01:16:31,120
were contemplating as i sat in the chair

2027
01:16:35,990 --> 01:16:34,560
looking at this lower ranking

2028
01:16:37,669 --> 01:16:36,000
he had a couple of bars but he was a

2029
01:16:39,750 --> 01:16:37,679
lower ranking commander

2030
01:16:41,270 --> 01:16:39,760
to the blue uniforms that had all kinds

2031
01:16:42,149 --> 01:16:41,280
of stars and bars on them that was

2032
01:16:43,669 --> 01:16:42,159
listening

2033
01:16:45,510 --> 01:16:43,679
to try and see if they could get some

2034
01:16:49,430 --> 01:16:45,520
technology earlier

2035
01:16:53,030 --> 01:16:49,440
and so many levels of of power

2036
01:16:56,630 --> 01:16:53,040
it's not just some person in

2037
01:16:58,310 --> 01:16:56,640
or some low ranking uh military person

2038
01:16:59,750 --> 01:16:58,320

the you know high ranking officials were

2039

01:17:01,350 --> 01:16:59,760

there

2040

01:17:03,430 --> 01:17:01,360

this lower ranking person was

2041

01:17:06,950 --> 01:17:03,440

contemplating my fate

2042

01:17:08,550 --> 01:17:06,960

they told me telepathically from above

2043

01:17:10,790 --> 01:17:08,560

that the

2044

01:17:12,149 --> 01:17:10,800

that my life was in mortal danger i

2045

01:17:13,270 --> 01:17:12,159

needed to find a way out of there and i

2046

01:17:15,189 --> 01:17:13,280

actually thought

2047

01:17:16,390 --> 01:17:15,199

i hadn't seen anybody in all these hours

2048

01:17:18,149 --> 01:17:16,400

with any guns

2049

01:17:19,430 --> 01:17:18,159

there's two doors between me and the

2050

01:17:21,350 --> 01:17:19,440

dirt parking lot

2051
01:17:23,030 --> 01:17:21,360
i bet i could run up to the highway fast

2052
01:17:24,630 --> 01:17:23,040
enough and flag somebody down before

2053
01:17:28,149 --> 01:17:24,640
they could grab me

2054
01:17:30,550 --> 01:17:28,159
i honestly thought that i could do it

2055
01:17:31,590 --> 01:17:30,560
and then suddenly i got this wave coming

2056
01:17:34,149 --> 01:17:31,600
over me because they've

2057
01:17:36,390 --> 01:17:34,159
stuck needles in me they have uh they at

2058
01:17:38,709 --> 01:17:36,400
one point had to give me a shot

2059
01:17:40,310 --> 01:17:38,719
to counteract that it was slowing my

2060
01:17:41,110 --> 01:17:40,320
heart to a stop and i couldn't use my

2061
01:17:43,430 --> 01:17:41,120
limbs

2062
01:17:44,950 --> 01:17:43,440
that's how much they had yeah and i

2063
01:17:46,550 --> 01:17:44,960

don't think that they realize because

2064

01:17:48,229 --> 01:17:46,560

they're trying to continue to ask me

2065

01:17:50,149 --> 01:17:48,239

questions

2066

01:17:51,270 --> 01:17:50,159

under a certain state of you know

2067

01:17:53,590 --> 01:17:51,280

intoxicated

2068

01:17:55,430 --> 01:17:53,600

inebriation there and i'm just a young

2069

01:17:57,350 --> 01:17:55,440

child and

2070

01:17:58,550 --> 01:17:57,360

you know my body's small and and i'm not

2071

01:18:00,070 --> 01:17:58,560

gonna i'm not a

2072

01:18:02,470 --> 01:18:00,080

frail looking child i'm pretty you know

2073

01:18:04,390 --> 01:18:02,480

healthy but i you know i

2074

01:18:05,910 --> 01:18:04,400

i wasn't handling it and then they had

2075

01:18:06,790 --> 01:18:05,920

they called a medic and they gave me a

2076

01:18:10,229 --> 01:18:06,800

shot and

2077

01:18:12,950 --> 01:18:10,239

so i'm already so doped up that um i'm

2078

01:18:14,470 --> 01:18:12,960

i get this wave coming over me and i'm

2079

01:18:15,669 --> 01:18:14,480

sitting in a chair in front of this in a

2080

01:18:17,270 --> 01:18:15,679

small office in front of this other

2081

01:18:18,229 --> 01:18:17,280

lower ranking commander and he's looking

2082

01:18:21,990 --> 01:18:18,239

at the file

2083

01:18:23,669 --> 01:18:22,000

everything that they possibly know about

2084

01:18:24,709 --> 01:18:23,679

me and my family including any prior

2085

01:18:28,870 --> 01:18:24,719

experiences

2086

01:18:30,149 --> 01:18:28,880

that they had evidence of and

2087

01:18:32,229 --> 01:18:30,159

when they told me that my life was

2088

01:18:33,830 --> 01:18:32,239

immortal danger they showed me

2089

01:18:35,110 --> 01:18:33,840

and even though i could feel the arms of

2090

01:18:36,790 --> 01:18:35,120

the chair and knew that i was still

2091

01:18:39,590 --> 01:18:36,800

sitting in the chair it was as if i was

2092

01:18:39,990 --> 01:18:39,600

transported outside into a fetal

2093

01:18:42,630 --> 01:18:40,000

position

2094

01:18:44,470 --> 01:18:42,640

with my cheek pressing against the dirt

2095

01:18:46,709 --> 01:18:44,480

and or the hard rock the

2096

01:18:48,149 --> 01:18:46,719

caliche with the little pieces of rock

2097

01:18:50,630 --> 01:18:48,159

stuck in the bedrock

2098

01:18:51,669 --> 01:18:50,640

and with my cheek on the ground looking

2099

01:18:54,630 --> 01:18:51,679

off to one side

2100

01:18:56,790 --> 01:18:54,640

all i could see was desert and sky but i

2101

01:18:57,669 --> 01:18:56,800

could feel cold steel a bit behind my

2102

01:19:00,149 --> 01:18:57,679

neck

2103

01:19:02,470 --> 01:19:00,159

at this point i started looking at this

2104

01:19:04,950 --> 01:19:02,480

man because they're trying to tell me

2105

01:19:06,790 --> 01:19:04,960

through imagery some and they speak that

2106

01:19:08,310 --> 01:19:06,800

way many times they don't just use words

2107

01:19:09,510 --> 01:19:08,320

they'll speak their imagery

2108

01:19:11,189 --> 01:19:09,520

and they're trying to tell me through

2109

01:19:12,229 --> 01:19:11,199

imagery that my my that's immortal

2110

01:19:13,910 --> 01:19:12,239

dangerous i start

2111

01:19:15,510 --> 01:19:13,920

uh saying to this guy you know are you

2112

01:19:16,149 --> 01:19:15,520

going to hurt me what are you going to

2113

01:19:17,910 --> 01:19:16,159

do to me

2114

01:19:19,510 --> 01:19:17,920

please don't hurt me i'm begging you but

2115

01:19:20,630 --> 01:19:19,520

i'm begging for my life and he looks up

2116

01:19:22,790 --> 01:19:20,640

from the paperwork

2117

01:19:23,750 --> 01:19:22,800

or from the files and looks at me almost

2118

01:19:26,390 --> 01:19:23,760

like

2119

01:19:27,590 --> 01:19:26,400

how did you know what i was thinking you

2120

01:19:29,750 --> 01:19:27,600

know and then he kind of shakes it away

2121

01:19:33,350 --> 01:19:29,760

and looks back at the material again

2122

01:19:37,189 --> 01:19:33,360

at that point the one who had actually

2123

01:19:39,590 --> 01:19:37,199

been the pilot that was there at the

2124

01:19:41,590 --> 01:19:39,600

time that i was in the craft

2125

01:19:43,510 --> 01:19:41,600

the intervening pilot we'll just call

2126

01:19:47,830 --> 01:19:43,520

him for now

2127

01:19:51,590 --> 01:19:49,990

he he he makes an appearance but you

2128

01:19:54,149 --> 01:19:51,600

can't see him solid

2129

01:19:55,510 --> 01:19:54,159

and he appeared behind the right

2130

01:19:57,110 --> 01:19:55,520

shoulder of this commander sitting at

2131

01:19:59,270 --> 01:19:57,120

this desk

2132

01:20:00,790 --> 01:19:59,280

and i can see it's him and somehow

2133

01:20:03,430 --> 01:20:00,800

innately inside of me

2134

01:20:05,030 --> 01:20:03,440

from another time and place i knew that

2135

01:20:07,189 --> 01:20:05,040

he was going to try to get into his head

2136

01:20:10,070 --> 01:20:07,199

and convince him of something

2137

01:20:11,110 --> 01:20:10,080

so i started praying to myself please

2138

01:20:13,110 --> 01:20:11,120

make this work i

2139

01:20:14,629 --> 01:20:13,120

kept saying i'm praying to god on one

2140

01:20:16,310 --> 01:20:14,639

hand going you know please god make this

2141

01:20:19,270 --> 01:20:16,320

work please god make this work

2142

01:20:20,470 --> 01:20:19,280

and as he stands over him behind him he

2143

01:20:23,750 --> 01:20:20,480

makes it sound as if

2144

01:20:25,590 --> 01:20:23,760

it's a premonition that's going to come

2145

01:20:28,390 --> 01:20:25,600

washing over him later on

2146

01:20:29,750 --> 01:20:28,400

and probably bite him in the butt so he

2147

01:20:32,550 --> 01:20:29,760

better listen kind of thing

2148

01:20:34,310 --> 01:20:32,560

it it had that feel to it and he says

2149

01:20:35,910 --> 01:20:34,320

you know

2150

01:20:37,510 --> 01:20:35,920

her father is a hard-working naval

2151
01:20:39,590 --> 01:20:37,520
intelligence officer and there's this

2152
01:20:42,790 --> 01:20:39,600
pregnant pause

2153
01:20:44,550 --> 01:20:42,800
he's not going to let this die pregnant

2154
01:20:47,030 --> 01:20:44,560
pause

2155
01:20:48,790 --> 01:20:47,040
there's going to be questions so he

2156
01:20:49,430 --> 01:20:48,800
makes it seem to this this commanding

2157
01:20:52,950 --> 01:20:49,440
officer

2158
01:20:54,470 --> 01:20:52,960
in his head and i'm watching him doing

2159
01:20:56,470 --> 01:20:54,480
doing it and while he's transparent i

2160
01:21:00,070 --> 01:20:56,480
can see that it's him but he's kind of

2161
01:21:01,750 --> 01:21:00,080
transparent and he's saying this in

2162
01:21:03,750 --> 01:21:01,760
hopes that it's going to work

2163
01:21:05,669 --> 01:21:03,760

then he disappears and i'm praying it's

2164

01:21:07,830 --> 01:21:05,679

going to work and eventually he makes

2165

01:21:09,189 --> 01:21:07,840

some signal to the door which had no

2166

01:21:09,750 --> 01:21:09,199

window and i couldn't figure that one

2167

01:21:11,430 --> 01:21:09,760

out

2168

01:21:13,270 --> 01:21:11,440

and the guy comes from inside the

2169

01:21:15,270 --> 01:21:13,280

hallway comes into the office

2170

01:21:16,550 --> 01:21:15,280

and said what's it going to be sir a

2171

01:21:19,110 --> 01:21:16,560

blankety blank or

2172

01:21:19,590 --> 01:21:19,120

looks at me like he's ready to take me

2173

01:21:21,910 --> 01:21:19,600

out and

2174

01:21:23,030 --> 01:21:21,920

had no conscience over it and i knew

2175

01:21:25,270 --> 01:21:23,040

that's what he was

2176

01:21:26,790 --> 01:21:25,280

implying but i can't remember to this

2177

01:21:27,590 --> 01:21:26,800

day the couple of words that they used

2178

01:21:30,629 --> 01:21:27,600

it was something

2179

01:21:33,750 --> 01:21:30,639

coded and

2180

01:21:35,430 --> 01:21:33,760

the commanding officer looked at him

2181

01:21:38,390 --> 01:21:35,440

and then looked at me and discussed and

2182

01:21:39,910 --> 01:21:38,400

he shuts the file and he says apparently

2183

01:21:42,390 --> 01:21:39,920

her father is a hard-working naval

2184

01:21:43,510 --> 01:21:42,400

intelligence officer there would be

2185

01:21:45,350 --> 01:21:43,520

questions

2186

01:21:47,110 --> 01:21:45,360

and then he waves his hand kind of in

2187

01:21:49,110 --> 01:21:47,120

the air kind of imperiously when you

2188

01:21:51,510 --> 01:21:49,120

would like to dismiss somebody

2189

01:21:53,430 --> 01:21:51,520

so he just kind of you know dismisses

2190

01:21:54,709 --> 01:21:53,440

the whole situation with his hand

2191

01:21:55,990 --> 01:21:54,719

another guy comes in the office and

2192

01:21:57,430 --> 01:21:56,000

grabbed me by the arms and dragged me

2193

01:21:58,070 --> 01:21:57,440

out to the same car that they brought me

2194

01:21:59,750 --> 01:21:58,080

in

2195

01:22:01,750 --> 01:21:59,760

and they took me back to my elementary

2196

01:22:05,590 --> 01:22:01,760

school it's now almost dusk

2197

01:22:10,870 --> 01:22:08,629

when my when i did finally i i couldn't

2198

01:22:12,149 --> 01:22:10,880

move my limbs and you know it was one of

2199

01:22:14,870 --> 01:22:12,159

these things where it was it was really

2200

01:22:17,590 --> 01:22:14,880

a terrible and traumatic experience

2201

01:22:18,870 --> 01:22:17,600

the point of all of this is that the

2202

01:22:22,830 --> 01:22:18,880

government's never going to

2203

01:22:26,070 --> 01:22:22,840

admit to these kind of things and

2204

01:22:26,870 --> 01:22:26,080

while while they don't it doesn't really

2205

01:22:29,430 --> 01:22:26,880

matter

2206

01:22:30,070 --> 01:22:29,440

and i i you know i i myself and i can't

2207

01:22:31,910 --> 01:22:30,080

speak for

2208

01:22:33,270 --> 01:22:31,920

the other contactees that went through

2209

01:22:38,709 --> 01:22:33,280

similar things

2210

01:22:40,550 --> 01:22:38,719

um but i do know that

2211

01:22:42,390 --> 01:22:40,560

you know the time of impunity is long

2212

01:22:46,149 --> 01:22:42,400

gone it's time to

2213

01:22:47,750 --> 01:22:46,159

release this information and to uh

2214

01:22:49,430 --> 01:22:47,760

to offer the you know the people the

2215

01:22:52,149 --> 01:22:49,440

truth but

2216

01:22:54,870 --> 01:22:52,159

these kind of some of the practices at

2217

01:22:59,030 --> 01:22:54,880

some of these bases and dumbs

2218

01:23:02,950 --> 01:22:59,040

is beyond the culture of of

2219

01:23:04,870 --> 01:23:02,960

impunity and uh

2220

01:23:05,990 --> 01:23:04,880

some of the it's just heinous some very

2221

01:23:08,229 --> 01:23:06,000

heinous stuff

2222

01:23:11,110 --> 01:23:08,239

that is not something for medical

2223

01:23:14,149 --> 01:23:11,120

research it's not something for these

2224

01:23:15,669 --> 01:23:14,159

it it has no beneficial it has no

2225

01:23:17,189 --> 01:23:15,679

benefit to humanity

2226

01:23:18,870 --> 01:23:17,199

but they're trying to do these things

2227

01:23:21,669 --> 01:23:18,880

continuously and feed

2228

01:23:23,990 --> 01:23:21,679

money into these programs whether it's

2229

01:23:26,790 --> 01:23:24,000

technology or whether it's some other

2230

01:23:28,790 --> 01:23:26,800

thing going on because they've just had

2231

01:23:30,950 --> 01:23:28,800

it going for so long but it's a culture

2232

01:23:34,149 --> 01:23:30,960

of impunity

2233

01:23:36,950 --> 01:23:34,159

in a lot of these bases and

2234

01:23:38,390 --> 01:23:36,960

it's just a high time that they uh be

2235

01:23:40,310 --> 01:23:38,400

open about it because i really

2236

01:23:41,590 --> 01:23:40,320

you know they keep saying how over the

2237

01:23:43,189 --> 01:23:41,600

years

2238

01:23:44,870 --> 01:23:43,199

how it's going to ruin religion it's

2239

01:23:45,510 --> 01:23:44,880

going to ruin the economy well what does

2240

01:23:50,390 --> 01:23:45,520

that tell

2241

01:23:51,830 --> 01:23:50,400

if it's going to ruin the economy then

2242

01:23:55,110 --> 01:23:51,840

the economy is a

2243

01:23:58,229 --> 01:23:55,120

false false paradigm in the first place

2244

01:24:01,110 --> 01:23:58,239

and a form of enslavement

2245

01:24:02,550 --> 01:24:01,120

why is it going to ruin religion not

2246

01:24:04,470 --> 01:24:02,560

only that they're going to have to

2247

01:24:05,910 --> 01:24:04,480

admit to what had happened for example

2248

01:24:08,149 --> 01:24:05,920

to you too

2249

01:24:10,229 --> 01:24:08,159

you know the same way that once the once

2250

01:24:11,830 --> 01:24:10,239

uh east uh germany fell

2251

01:24:13,669 --> 01:24:11,840

they had to release all the files and

2252

01:24:14,470 --> 01:24:13,679

what the stasi had and all the people

2253

01:24:17,510 --> 01:24:14,480

that they were

2254

01:24:20,310 --> 01:24:17,520

and and

2255

01:24:22,629 --> 01:24:20,320

just having a fire on it's funny you

2256

01:24:26,070 --> 01:24:22,639

break that up because my family is a

2257

01:24:28,550 --> 01:24:26,080

german russian and yugoslavian and

2258

01:24:29,430 --> 01:24:28,560

uh older family members had gone through

2259

01:24:30,950 --> 01:24:29,440

a lot of stuff

2260

01:24:32,629 --> 01:24:30,960

you know it looks like we have all three

2261

01:24:35,910 --> 01:24:32,639

in common

2262

01:24:38,790 --> 01:24:35,920

there but

2263

01:24:40,390 --> 01:24:38,800

but you know in in and i i totally agree

2264

01:24:44,229 --> 01:24:40,400

that they may have to

2265

01:24:45,990 --> 01:24:44,239

to admit to how really harsh they were

2266

01:24:47,830 --> 01:24:46,000

about it but at this point

2267

01:24:49,750 --> 01:24:47,840

it's not going to change in any of my

2268

01:24:51,990 --> 01:24:49,760

experience

2269

01:24:52,870 --> 01:24:52,000

i can understand their animosity to a

2270

01:24:55,350 --> 01:24:52,880

point but i

2271

01:24:57,750 --> 01:24:55,360

truly believe i truly honestly believe

2272

01:24:59,669 --> 01:24:57,760

that there is no justification

2273

01:25:03,110 --> 01:24:59,679

regarding anything that they would claim

2274

01:25:05,910 --> 01:25:03,120

as a national national security issue

2275

01:25:06,870 --> 01:25:05,920

to violate all human rights treaties and

2276

01:25:10,229 --> 01:25:06,880

even breach

2277

01:25:11,990 --> 01:25:10,239

geneva convention in trying to get

2278

01:25:15,590 --> 01:25:12,000

whatever it is that they want or trying

2279

01:25:17,270 --> 01:25:15,600

to instill in uh or trying to get people

2280

01:25:19,590 --> 01:25:17,280

silenced like through it through

2281

01:25:21,910 --> 01:25:19,600

intimidation instilling intimidation

2282

01:25:23,350 --> 01:25:21,920

right brandon uh let me uh just real

2283

01:25:26,310 --> 01:25:23,360

quick i wanted to

2284

01:25:27,270 --> 01:25:26,320

um looks like fabricio what also wanted

2285

01:25:30,629 --> 01:25:27,280

to to talk

2286

01:25:31,910 --> 01:25:30,639

but you know um after he's done if we

2287

01:25:33,990 --> 01:25:31,920

you know have more time i'd like to

2288

01:25:36,070 --> 01:25:34,000

bring you back uh but

2289

01:25:37,750 --> 01:25:36,080

before i switch over to him i wanted to

2290

01:25:39,350 --> 01:25:37,760

ask you something about nasa real quick

2291

01:25:41,510 --> 01:25:39,360

if that's okay

2292

01:25:43,669 --> 01:25:41,520

okay you were saying something about you

2293

01:25:46,149 --> 01:25:43,679

kept mentioning nasa do you saying

2294

01:25:48,070 --> 01:25:46,159

that the actual nasa itself or a faction

2295

01:25:50,629 --> 01:25:48,080

of nasa

2296

01:25:51,189 --> 01:25:50,639

that basically was more involved in what

2297

01:25:54,709 --> 01:25:51,199

what

2298

01:25:58,709 --> 01:25:54,719

you had going on with you no it was

2299

01:26:00,470 --> 01:25:58,719

it it involved what the incident itself

2300

01:26:03,510 --> 01:26:00,480

which was very high profile

2301

01:26:07,590 --> 01:26:03,520

involved you know mission control

2302

01:26:14,790 --> 01:26:10,709

whoever whatever part of

2303

01:26:18,709 --> 01:26:14,800

this nasa administration uh

2304

01:26:20,070 --> 01:26:18,719

helped the army to help hunt me down and

2305

01:26:21,350 --> 01:26:20,080

find me and bring me and

2306

01:26:23,430 --> 01:26:21,360

you know pull me out of my school and

2307

01:26:26,070 --> 01:26:23,440

and bring me in for questioning

2308

01:26:26,790 --> 01:26:26,080

i believe was a joint thing uh right

2309

01:26:30,709 --> 01:26:26,800

what

2310

01:26:33,590 --> 01:26:30,719

idea but there it was a

2311

01:26:35,030 --> 01:26:33,600

uh it was i don't know that that was it

2312

01:26:36,470 --> 01:26:35,040

would have been a faction it would have

2313

01:26:37,910 --> 01:26:36,480

been a

2314

01:26:40,950 --> 01:26:37,920

high up administration that would have

2315

01:26:43,830 --> 01:26:40,960

been aware of that particular situation

2316

01:26:44,870 --> 01:26:43,840

they just it just just so happened that

2317

01:26:48,149 --> 01:26:44,880

they took me

2318

01:26:49,030 --> 01:26:48,159

along for this it ended up being a huge

2319

01:26:51,350 --> 01:26:49,040

event

2320

01:26:52,070 --> 01:26:51,360

and then uh nasa they had a lot of

2321

01:26:54,229 --> 01:26:52,080

questions but

2322

01:26:55,430 --> 01:26:54,239

nasa was not present during the mill lab

2323

01:26:59,110 --> 01:26:55,440

only

2324

01:27:03,350 --> 01:26:59,120

second one

2325

01:27:05,750 --> 01:27:03,360

it involved bringing in malevolent e.t

2326

01:27:07,110 --> 01:27:05,760

to pull us out of the house float us out

2327

01:27:09,189 --> 01:27:07,120

of the house and do a ship

2328

01:27:11,110 --> 01:27:09,199

take us back to the same room that they

2329

01:27:11,910 --> 01:27:11,120

had a conference room that they were

2330

01:27:15,030 --> 01:27:11,920

questioning me

2331

01:27:18,709 --> 01:27:15,040

at uh out just outside of palmdale in

2332

01:27:21,270 --> 01:27:18,719

this white two-story windowless building

2333

01:27:22,070 --> 01:27:21,280

and uh had my mom there and then

2334

01:27:25,669 --> 01:27:22,080

assaulted us

2335

01:27:27,990 --> 01:27:25,679

and her and just all this stuff

2336

01:27:28,870 --> 01:27:28,000

so the second one was e.t assisted but

2337

01:27:32,629 --> 01:27:28,880

nasa

2338

01:27:35,990 --> 01:27:32,639

was nowhere and i really didn't uh

2339

01:27:38,870 --> 01:27:36,000

realize let's put it this way

2340

01:27:39,350 --> 01:27:38,880

my mother uh my mother passed away uh in

2341

01:27:45,189 --> 01:27:39,360

may

2342

01:27:49,990 --> 01:27:47,830

and she was she went to retire

2343

01:27:52,790 --> 01:27:50,000

semi-retire out in florida

2344

01:27:53,270 --> 01:27:52,800

but she's right next to space coast and

2345

01:27:54,870 --> 01:27:53,280

for

2346

01:27:57,990 --> 01:27:54,880

the better part of four years i couldn't

2347

01:28:00,390 --> 01:27:58,000

find work out there except as a temp

2348

01:28:02,310 --> 01:28:00,400

and then when i i was supposed to be

2349

01:28:04,390 --> 01:28:02,320

hired as a full-time employee

2350

01:28:06,790 --> 01:28:04,400

and way below my pay scale and my

2351

01:28:10,470 --> 01:28:06,800

background as a medical biller

2352

01:28:11,510 --> 01:28:10,480

uh for years i uh i found it difficult

2353

01:28:13,430 --> 01:28:11,520

that i couldn't find

2354

01:28:15,750 --> 01:28:13,440

work anywhere out there which was really

2355

01:28:17,590 --> 01:28:15,760

odd and then

2356

01:28:19,590 --> 01:28:17,600

with this position that i was taking of

2357

01:28:21,669 --> 01:28:19,600

you know quite a bit of a cut

2358

01:28:23,350 --> 01:28:21,679

with but was willing to take at that

2359

01:28:24,629 --> 01:28:23,360

point

2360

01:28:27,990 --> 01:28:24,639

when they found out that i was a

2361

01:28:29,750 --> 01:28:28,000

contactee who i was

2362

01:28:31,350 --> 01:28:29,760

they turned around and said to me in the

2363

01:28:33,350 --> 01:28:31,360

uncertain terms

2364

01:28:36,229 --> 01:28:33,360

the management of this uh particular

2365

01:28:39,270 --> 01:28:36,239

fiat dealer we have to cater to the

2366

01:28:40,310 --> 01:28:39,280

space coast community and uh this will

2367

01:28:43,430 --> 01:28:40,320

not do

2368

01:28:45,590 --> 01:28:43,440

meaning me me being a contactee

2369

01:28:47,030 --> 01:28:45,600

and uh and i think it it goes deeper

2370

01:28:48,550 --> 01:28:47,040

than that and i think that there's this

2371

01:28:52,470 --> 01:28:48,560

culture of hate

2372

01:28:54,470 --> 01:28:52,480

with nasa over um

2373

01:28:55,510 --> 01:28:54,480

over the difference between their

2374

01:28:58,870 --> 01:28:55,520

official narrative

2375

01:29:02,149 --> 01:28:58,880

in certain events and the real

2376

01:29:03,189 --> 01:29:02,159

story or real narrative right well brian

2377

01:29:05,830 --> 01:29:03,199

01:29:15,350 --> 01:29:14,560

orderly way in the book form i just so

2382

01:29:19,030 --> 01:29:15,360

01:30:27,510 --> 01:30:25,440

but anyway i'll leave that open for now

2405

01:30:29,110 --> 01:30:27,520

yeah that was it's a it's a very

2406

01:30:32,229 --> 01:30:29,120

riveting hi are you

2407

01:30:35,189 --> 01:30:32,239

hear me oh yes i hear you now

2408

01:30:36,870 --> 01:30:35,199

wow sorry my microphone is not really

2409

01:30:39,350 --> 01:30:36,880

working out too good

2410

01:30:41,350 --> 01:30:39,360

that's all right so please tell me your

2411

01:30:46,070 --> 01:30:41,360

name

2412

01:30:50,870 --> 01:30:48,149

right so you are not very far from it at

2413

01:30:53,430 --> 01:30:50,880

all okay good i'm sorry i i hate to

2414

01:30:54,790 --> 01:30:53,440

butcher people's names and i always felt

2415

01:30:58,629 --> 01:30:54,800

bad so it's just

2416

01:31:01,430 --> 01:30:58,639

let me take one more test fabrice

2417

01:31:03,669 --> 01:31:01,440

fabricia i've i have heard very much

2418

01:31:05,830 --> 01:31:03,679

words on that before so

2419

01:31:06,709 --> 01:31:05,840

he's doing quite fine right right all

2420

01:31:09,830 --> 01:31:06,719

right so

2421

01:31:11,110 --> 01:31:09,840

what's on your mind well i just wanted

2422

01:31:13,110 --> 01:31:11,120

to communicate with you

2423

01:31:16,310 --> 01:31:13,120

uh it's more about saying a big big

2424

01:31:18,229 --> 01:31:16,320

thank you about what you are doing

2425

01:31:20,229 --> 01:31:18,239

i think it's quite wonderful you know to

2426

01:31:24,790 --> 01:31:20,239

have uh to have the opportunity

2427

01:31:27,030 --> 01:31:24,800

uh uh to to actually communicate

2428

01:31:28,070 --> 01:31:27,040

uh it looks like you're doing a

2429

01:31:30,390 --> 01:31:28,080

wonderful work

2430

01:31:31,270 --> 01:31:30,400

it must be hard work as well to put all

2431

01:31:34,470 --> 01:31:31,280

this together

2432

01:31:36,149 --> 01:31:34,480

so so thumbs up and uh this

2433

01:31:37,830 --> 01:31:36,159

communication really just

2434

01:31:39,350 --> 01:31:37,840

saying thank you you know it's it's

2435

01:31:43,189 --> 01:31:39,360

really good to to hear

2436

01:31:46,709 --> 01:31:43,199

different stories about people

2437

01:31:48,950 --> 01:31:46,719

the way you mediate among all these you

2438

01:31:51,270 --> 01:31:48,960

know with calm patients

2439

01:31:52,390 --> 01:31:51,280

understanding and open-mindedness i mean

2440

01:31:54,870 --> 01:31:52,400

you know it's uh

2441

01:31:55,750 --> 01:31:54,880

it's uh it's a breath of fresh fresh air

2442

01:31:57,510 --> 01:31:55,760

really

2443

01:31:59,350 --> 01:31:57,520

well thank you i appreciate it i mean

2444

01:32:00,310 --> 01:31:59,360

it's it's uh something i'm passionate

2445

01:32:02,709 --> 01:32:00,320

about but

2446

01:32:04,229 --> 01:32:02,719

yeah i wish um you know if this darn

2447

01:32:05,910 --> 01:32:04,239

thing like family wouldn't get in the

2448

01:32:09,350 --> 01:32:05,920

way i'll be doing a lot more stuff with

2449

01:32:12,470 --> 01:32:09,360

ufo hub i'm just kidding

2450

01:32:14,310 --> 01:32:12,480

what you mean i know what you and uh the

2451
01:32:15,189 --> 01:32:14,320
good thing as well about about your ab

2452
01:32:17,590 --> 01:32:15,199
you know

2453
01:32:19,510 --> 01:32:17,600
luckily we have uh we have technology

2454
01:32:20,310 --> 01:32:19,520
now which is which is really awesome by

2455
01:32:22,790 --> 01:32:20,320
that

2456
01:32:23,950 --> 01:32:22,800
uh back in the 80s or 90s you know when

2457
01:32:26,790 --> 01:32:23,960
you had

2458
01:32:28,070 --> 01:32:26,800
experiences about a bit strange let's

2459
01:32:29,350 --> 01:32:28,080
say you see and you wanted to

2460
01:32:31,270 --> 01:32:29,360
communicate

2461
01:32:33,270 --> 01:32:31,280
uh to find out basically what what's

2462
01:32:35,510 --> 01:32:33,280
going on what's what's what's happening

2463
01:32:37,590 --> 01:32:35,520

you know this is quite strange all this

2464

01:32:39,590 --> 01:32:37,600

well the the only people that you have

2465

01:32:40,229 --> 01:32:39,600

to talk about this was was people around

2466

01:32:42,870 --> 01:32:40,239

you you know

2467

01:32:44,390 --> 01:32:42,880

your close friend and and so forth and

2468

01:32:46,790 --> 01:32:44,400

and to find someone

2469

01:32:47,590 --> 01:32:46,800

that that had more or less the same

2470

01:32:50,390 --> 01:32:47,600

experience

2471

01:32:51,990 --> 01:32:50,400

nowadays your your chances here are next

2472

01:32:54,709 --> 01:32:52,000

to nothing you see

2473

01:32:55,750 --> 01:32:54,719

and with uh we've had like like at your

2474

01:32:58,629 --> 01:32:55,760

hub you know it's

2475

01:32:59,189 --> 01:32:58,639

it's it's it's really awesome you can

2476

01:33:02,310 --> 01:32:59,199

actually

2477

01:33:04,629 --> 01:33:02,320

uh listen a lot and and

2478

01:33:05,669 --> 01:33:04,639

and and see actually what's what's been

2479

01:33:07,830 --> 01:33:05,679

happening for

2480

01:33:09,270 --> 01:33:07,840

to you for for years and years on years

2481

01:33:10,470 --> 01:33:09,280

it's just not that you are crazy

2482

01:33:12,229 --> 01:33:10,480

basically and

2483

01:33:13,669 --> 01:33:12,239

and there are other people that can

2484

01:33:16,070 --> 01:33:13,679

relate to that and you can

2485

01:33:17,030 --> 01:33:16,080

you can relate to other stories as well

2486

01:33:19,189 --> 01:33:17,040

right so

2487

01:33:21,030 --> 01:33:19,199

but i also like to think that it doesn't

2488

01:33:21,990 --> 01:33:21,040

have that doesn't have that controlled

2489

01:33:23,669 --> 01:33:22,000

aspect because usually

2490

01:33:25,510 --> 01:33:23,679

media would always want the most

2491

01:33:27,750 --> 01:33:25,520

sensationalized stories

2492

01:33:29,590 --> 01:33:27,760

you know and i'm so glad that there's a

2493

01:33:31,830 --> 01:33:29,600

you know this opportunity to just

2494

01:33:33,590 --> 01:33:31,840

even to tell the most mundane

2495

01:33:36,229 --> 01:33:33,600

experiences you know like

2496

01:33:36,629 --> 01:33:36,239

that involve something spiritual or ufos

2497

01:33:38,629 --> 01:33:36,639

because

2498

01:33:40,390 --> 01:33:38,639

tv was always there just to sell the

2499

01:33:42,070 --> 01:33:40,400

story and get the most views

2500

01:33:43,510 --> 01:33:42,080

instead of really kind of getting down

2501
01:33:48,709 --> 01:33:43,520
to the bottom of it and

2502
01:33:52,870 --> 01:33:51,110
yeah for sure you know unfortunately we

2503
01:33:56,310 --> 01:33:52,880
we are washed with uh

2504
01:33:57,830 --> 01:33:56,320
uh some sensation and in all these

2505
01:34:00,550 --> 01:33:57,840
things really um

2506
01:34:01,669 --> 01:34:00,560
um it seems to me that the experience is

2507
01:34:05,510 --> 01:34:01,679
uh

2508
01:34:07,510 --> 01:34:05,520
people that are just killing people

2509
01:34:10,229 --> 01:34:07,520
normal people and

2510
01:34:11,830 --> 01:34:10,239
and there's no no need to spin the story

2511
01:34:16,709 --> 01:34:11,840
into some some unknown

2512
01:34:23,030 --> 01:34:19,189
well so um please tell me how did you

2513
01:34:26,870 --> 01:34:25,110

whether it's whether it's ufo related

2514

01:34:28,629 --> 01:34:26,880

spirituality related i mean

2515

01:34:31,110 --> 01:34:28,639

whatever it is there's something that

2516

01:34:33,430 --> 01:34:31,120

got you going

2517

01:34:34,629 --> 01:34:33,440

well it's uh yeah it's it's ufo stuff

2518

01:34:36,709 --> 01:34:34,639

for sure you know it uh

2519

01:34:38,550 --> 01:34:36,719

it happened to me uh to start with when

2520

01:34:39,750 --> 01:34:38,560

i was really really young you know it's

2521

01:34:43,510 --> 01:34:39,760

been around for about

2522

01:34:45,750 --> 01:34:43,520

50 years on and off uh

2523

01:34:48,629 --> 01:34:45,760

that's it you know i'm just a normal guy

2524

01:34:51,990 --> 01:34:48,639

trying to get on with life you know and

2525

01:34:55,430 --> 01:34:52,000

this these things keep on occurring and

2526

01:34:55,830 --> 01:34:55,440

and uh that's it you know so for about

2527

01:34:57,750 --> 01:34:55,840

uh

2528

01:34:59,990 --> 01:34:57,760

yeah 50 years i've been looking around

2529

01:35:03,189 --> 01:35:00,000

and trying to talk to people not

2530

01:35:07,350 --> 01:35:03,199

so much you know in a

2531

01:35:08,870 --> 01:35:07,360

life sentence you know a few times i've

2532

01:35:10,550 --> 01:35:08,880

been trying to sort of be

2533

01:35:12,629 --> 01:35:10,560

very open about it obviously you know

2534

01:35:13,189 --> 01:35:12,639

you've been looking back as you're crazy

2535

01:35:18,310 --> 01:35:13,199

or

2536

01:35:21,109 --> 01:35:18,320

gonna take your medicine

2537

01:35:22,629 --> 01:35:21,119

and uh it's a bit of a shock i can i can

2538

01:35:26,390 --> 01:35:22,639

understand people you know we

2539

01:35:28,470 --> 01:35:26,400

react to that if i didn't have

2540

01:35:30,229 --> 01:35:28,480

my experience is you know someone would

2541

01:35:31,350 --> 01:35:30,239

come to me and say well listen you know

2542

01:35:34,550 --> 01:35:31,360

i've been taking those

2543

01:35:37,109 --> 01:35:34,560

ships and uh this sort of thing and

2544

01:35:38,550 --> 01:35:37,119

and you know you'd be going what okay

2545

01:35:39,750 --> 01:35:38,560

you know

2546

01:35:41,990 --> 01:35:39,760

maybe you're not drinking the right

2547

01:35:44,709 --> 01:35:42,000

stuff you know bribe right well you know

2548

01:35:46,709 --> 01:35:44,719

i know from previous chats you mentioned

2549

01:35:48,709 --> 01:35:46,719

you were in france so not only

2550

01:35:51,910 --> 01:35:48,719

are you from there yeah it's probably

2551

01:35:54,149 --> 01:35:51,920

like way early right now is it

2552

01:35:55,669 --> 01:35:54,159

yeah it's about 3 30 in the morning wow

2553

01:35:57,750 --> 01:35:55,679

well thank you very much for still

2554

01:36:00,390 --> 01:35:57,760

for still staying up i mean do you mind

2555

01:36:03,669 --> 01:36:00,400

sharing a little bit uh just from your

2556

01:36:05,590 --> 01:36:03,679

immediate vicinity what what uh i guess

2557

01:36:08,149 --> 01:36:05,600

the french people how they kind of look

2558

01:36:10,310 --> 01:36:08,159

at the subject

2559

01:36:12,390 --> 01:36:10,320

well i've been spending most of my my

2560

01:36:16,550 --> 01:36:12,400

time on the series actually uh

2561

01:36:19,590 --> 01:36:16,560

i've been back home about six years ago

2562

01:36:21,750 --> 01:36:19,600

while it seems uh but the

2563

01:36:23,109 --> 01:36:21,760

general outlook about francis we are

2564

01:36:26,310 --> 01:36:23,119

very open about

2565

01:36:28,390 --> 01:36:26,320

ufos there is disclosure and and all

2566

01:36:30,070 --> 01:36:28,400

this sort of thing but

2567

01:36:32,870 --> 01:36:30,080

i don't know if they open the file you

2568

01:36:33,350 --> 01:36:32,880

know they forgot to read them properly

2569

01:36:36,390 --> 01:36:33,360

and

2570

01:36:40,709 --> 01:36:38,709

once in a while we can we can hear

2571

01:36:44,149 --> 01:36:40,719

stories you know but usually it's

2572

01:36:45,990 --> 01:36:44,159

not taking with really cool and uh

2573

01:36:48,390 --> 01:36:46,000

they're not all that open-minded about

2574

01:36:51,430 --> 01:36:48,400

it as as what we are left

2575

01:36:52,709 --> 01:36:51,440

you know left to believe which is a bit

2576

01:36:55,830 --> 01:36:52,719

of a shame really

2577

01:36:56,950 --> 01:36:55,840

right that's the way it goes well i mean

2578

01:36:58,550 --> 01:36:56,960

do you think it's uh

2579

01:37:00,149 --> 01:36:58,560

um because i think last time i was

2580

01:37:02,950 --> 01:37:00,159

mentioning something um

2581

01:37:04,070 --> 01:37:02,960

um that it was it i would think it's

2582

01:37:06,070 --> 01:37:04,080

more cultural

2583

01:37:07,510 --> 01:37:06,080

you know because it all depends on where

2584

01:37:10,149 --> 01:37:07,520

you are and

2585

01:37:11,990 --> 01:37:10,159

what's more culturally acceptable that's

2586

01:37:13,910 --> 01:37:12,000

that's how you can kind of gauge

2587

01:37:17,590 --> 01:37:13,920

that barometer or how far you can push

2588

01:37:21,109 --> 01:37:19,350

yeah well you know back home you know we

2589

01:37:23,510 --> 01:37:21,119

are very open-minded to uh

2590

01:37:24,550 --> 01:37:23,520

to to lots of things that's for sure but

2591

01:37:27,590 --> 01:37:24,560

we don't really

2592

01:37:28,229 --> 01:37:27,600

believe anything really you know which

2593

01:37:30,550 --> 01:37:28,239

is

2594

01:37:31,990 --> 01:37:30,560

quite funny so yeah they talk about

2595

01:37:36,149 --> 01:37:32,000

everything really but

2596

01:37:41,270 --> 01:37:39,430

you know as far as ua for concern

2597

01:37:42,790 --> 01:37:41,280

well you know people talk about it but

2598

01:37:45,030 --> 01:37:42,800

it's still still something you know

2599

01:37:46,149 --> 01:37:45,040

which is science fiction or something

2600

01:37:49,830 --> 01:37:46,159

you know it's not quite

2601
01:37:51,350 --> 01:37:49,840
with you right i mean the two free times

2602
01:37:54,950 --> 01:37:51,360
you know

2603
01:37:57,109 --> 01:37:54,960
conversation but

2604
01:37:58,390 --> 01:37:57,119
you know and so western uh that oh my

2605
01:38:00,709 --> 01:37:58,400
god you know what

2606
01:38:01,990 --> 01:38:00,719
what have i just done again you know i

2607
01:38:03,669 --> 01:38:02,000
should get my mouth shut

2608
01:38:05,669 --> 01:38:03,679
man let's see it's a bit of a shine you

2609
01:38:07,750 --> 01:38:05,679
know right

2610
01:38:09,910 --> 01:38:07,760
well you know at the same time you're

2611
01:38:11,830 --> 01:38:09,920
not doing yourself a favor if you can't

2612
01:38:13,350 --> 01:38:11,840
be yourself i mean if you're around

2613
01:38:14,390 --> 01:38:13,360

friends that don't want to hear what you

2614

01:38:16,629 --> 01:38:14,400

have to say maybe

2615

01:38:18,950 --> 01:38:16,639

you just need different friends if you

2616

01:38:21,109 --> 01:38:18,960

don't mind me saying yeah that's it

2617

01:38:22,470 --> 01:38:21,119

yeah yeah of course of course yeah well

2618

01:38:24,070 --> 01:38:22,480

it's right you know

2619

01:38:25,990 --> 01:38:24,080

i mean speaking of family it's funny

2620

01:38:28,550 --> 01:38:26,000

because uh obviously

2621

01:38:30,070 --> 01:38:28,560

uh you know my parents they still very

2622

01:38:31,830 --> 01:38:30,080

much want to be part of my life

2623

01:38:34,310 --> 01:38:31,840

and all of that but they do not want to

2624

01:38:34,790 --> 01:38:34,320

look into what it is that i do with ufo

2625

01:38:36,790 --> 01:38:34,800

hub

2626

01:38:38,310 --> 01:38:36,800

and it's okay but it's funny because

2627

01:38:40,550 --> 01:38:38,320

occasionally they would want to

2628

01:38:42,310 --> 01:38:40,560

you know just kind of ask just a little

2629

01:38:42,709 --> 01:38:42,320

bit but not to do too much and they

2630

01:38:44,470 --> 01:38:42,719

always

2631

01:38:46,310 --> 01:38:44,480

just started out with well how's

2632

01:38:48,390 --> 01:38:46,320

business you know i'm thinking

2633

01:38:50,149 --> 01:38:48,400

you know it's not business i told you

2634

01:38:52,070 --> 01:38:50,159

this once before i started this because

2635

01:38:54,310 --> 01:38:52,080

of all these experiences which you chose

2636

01:38:55,270 --> 01:38:54,320

to just overlook and never ask me about

2637

01:38:58,390 --> 01:38:55,280

it again

2638

01:38:59,030 --> 01:38:58,400

you know you know but it's their way of

2639

01:39:01,669 --> 01:38:59,040

trying to be

2640

01:39:03,590 --> 01:39:01,679

friendly without really you know

2641

01:39:05,430 --> 01:39:03,600

stepping too far into it because i can

2642

01:39:07,669 --> 01:39:05,440

tell you know if they ask me and i

2643

01:39:09,030 --> 01:39:07,679

go into too much detail they can kind of

2644

01:39:11,669 --> 01:39:09,040

like uh

2645

01:39:13,510 --> 01:39:11,679

you know like why do we ask him you know

2646

01:39:15,109 --> 01:39:13,520

but it's okay you know it just cracks me

2647

01:39:16,709 --> 01:39:15,119

up i think it's funny you know and then

2648

01:39:18,550 --> 01:39:16,719

my wife and i would just kind of laugh

2649

01:39:20,310 --> 01:39:18,560

about it

2650

01:39:21,990 --> 01:39:20,320

yeah you need a sense of remembrance for

2651
01:39:22,470 --> 01:39:22,000
sure you know people are curious you

2652
01:39:23,510 --> 01:39:22,480
know but

2653
01:39:26,070 --> 01:39:23,520
somewhere along the line they don't want

2654
01:39:29,270 --> 01:39:26,080
to get burnt with

2655
01:39:30,790 --> 01:39:29,280
right right so um um

2656
01:39:32,470 --> 01:39:30,800
since you said you were in you know

2657
01:39:32,870 --> 01:39:32,480
you've been into it you know into this

2658
01:39:36,390 --> 01:39:32,880
for

2659
01:39:37,990 --> 01:39:36,400
what's been happening

2660
01:39:39,750 --> 01:39:38,000
france particularly or are you talking

2661
01:39:42,629 --> 01:39:39,760
about the ufo field just

2662
01:39:44,870 --> 01:39:42,639
worldwide no i left home when i was i

2663
01:39:47,350 --> 01:39:44,880

was really young i was 16

2664

01:39:48,229 --> 01:39:47,360

and i've been back here about six years

2665

01:39:52,149 --> 01:39:48,239

ago not eight years

2666

01:39:55,270 --> 01:39:52,159

ago now so most of my time i spend in uh

2667

01:39:57,750 --> 01:39:55,280

in england new zealand australia

2668

01:39:59,590 --> 01:39:57,760

and switzerland as well you know and uh

2669

01:40:01,750 --> 01:39:59,600

i have to seven in all those countries

2670

01:40:03,430 --> 01:40:01,760

not france included you know i've always

2671

01:40:04,790 --> 01:40:03,440

did something or some something has been

2672

01:40:07,910 --> 01:40:04,800

happening you know that

2673

01:40:09,430 --> 01:40:07,920

orbs are definitely being seen all over

2674

01:40:11,350 --> 01:40:09,440

the world you know

2675

01:40:12,950 --> 01:40:11,360

it's uh well i haven't been all over the

2676

01:40:14,070 --> 01:40:12,960

world but everywhere i've been you know

2677

01:40:15,750 --> 01:40:14,080

it's been at least orbs

2678

01:40:17,270 --> 01:40:15,760

and other things you know to be witness

2679

01:40:17,990 --> 01:40:17,280

to the sky you know beyond shadow

2680

01:40:21,510 --> 01:40:18,000

without

2681

01:40:25,270 --> 01:40:21,520

right well i would say

2682

01:40:27,669 --> 01:40:25,280

have you had any experiences on your own

2683

01:40:28,709 --> 01:40:27,679

oh yes yes yes yes is there one

2684

01:40:31,350 --> 01:40:28,719

particular one

2685

01:40:32,229 --> 01:40:31,360

otherwise i will be looking into it for

2686

01:40:35,109 --> 01:40:32,239

for

2687

01:40:36,390 --> 01:40:35,119

50 years uh well i would say that new

2688

01:40:39,189 --> 01:40:36,400

zealand

2689

01:40:39,910 --> 01:40:39,199

is probably uh the country the place you

2690

01:40:43,590 --> 01:40:39,920

know which is

2691

01:40:46,070 --> 01:40:43,600

which is a hot spot for ufos

2692

01:40:48,229 --> 01:40:46,080

right and actually uh when when you talk

2693

01:40:51,910 --> 01:40:48,239

to people down there you know it's it's

2694

01:40:53,350 --> 01:40:51,920

all almost almost a matter of fact you

2695

01:40:55,590 --> 01:40:53,360

know that there are also there are

2696

01:40:57,430 --> 01:40:55,600

things flying around you know they're

2697

01:40:59,189 --> 01:40:57,440

quite open about it they don't really

2698

01:41:01,270 --> 01:40:59,199

talk about it you know but

2699

01:41:03,350 --> 01:41:01,280

it's not oh wow you know what do you

2700

01:41:05,669 --> 01:41:03,360

mean you don't listen that you know

2701
01:41:06,390 --> 01:41:05,679
it's just like yes it's kind of

2702
01:41:10,390 --> 01:41:06,400
up life

2703
01:41:11,430 --> 01:41:10,400
right right right right well my personal

2704
01:41:12,709 --> 01:41:11,440
experiences

2705
01:41:14,229 --> 01:41:12,719
started really young you know i was

2706
01:41:15,669 --> 01:41:14,239
about four or five years old you know

2707
01:41:20,229 --> 01:41:15,679
when

2708
01:41:27,189 --> 01:41:20,239
in a

2709
01:41:29,910 --> 01:41:27,199
well it was a

2710
01:41:31,189 --> 01:41:29,920
i would say a room like like a glass

2711
01:41:35,430 --> 01:41:31,199
room a

2712
01:41:37,669 --> 01:41:35,440
bubble room kind of

2713
01:41:39,990 --> 01:41:37,679

plexiglass looking you know with walls

2714

01:41:43,910 --> 01:41:40,000

and floors and everything was

2715

01:41:45,030 --> 01:41:43,920

wrong with the same stem lines and

2716

01:41:46,790 --> 01:41:45,040

everything

2717

01:41:48,870 --> 01:41:46,800

even the furnitures and themselves you

2718

01:41:50,790 --> 01:41:48,880

know they they were part of

2719

01:41:52,390 --> 01:41:50,800

of the whole you know it's not like a

2720

01:41:54,470 --> 01:41:52,400

room where

2721

01:41:56,870 --> 01:41:54,480

where you have let's say here's a table

2722

01:42:00,470 --> 01:41:56,880

or here's a chair or

2723

01:42:03,510 --> 01:42:00,480

something else you know

2724

01:42:05,910 --> 01:42:03,520

table i was on basically i just had one

2725

01:42:07,030 --> 01:42:05,920

one one foot you know coming out of the

2726
01:42:09,350 --> 01:42:07,040
middle

2727
01:42:10,790 --> 01:42:09,360
and and the table itself you know was

2728
01:42:13,109 --> 01:42:10,800
was part of

2729
01:42:15,350 --> 01:42:13,119
what a little in front of the species

2730
01:42:18,149 --> 01:42:15,360
you on spacecraft

2731
01:42:19,750 --> 01:42:18,159
and uh so but you know that was well

2732
01:42:23,510 --> 01:42:19,760
that was a bit unusual to uh

2733
01:42:27,030 --> 01:42:23,520
to say the least there was all other

2734
01:42:30,390 --> 01:42:27,040
pieces of furniture again yes you know

2735
01:42:31,669 --> 01:42:30,400
true but i i didn't know what they were

2736
01:42:32,790 --> 01:42:31,679
you know i didn't make any sense

2737
01:42:35,350 --> 01:42:32,800
whatsoever

2738
01:42:37,030 --> 01:42:35,360

what they were for uh the only thing

2739

01:42:39,109 --> 01:42:37,040

that makes sense to my mind

2740

01:42:41,030 --> 01:42:39,119

you know was was there was a table here

2741

01:42:43,030 --> 01:42:41,040

and there was there was this wrong room

2742

01:42:45,669 --> 01:42:43,040

you know that looks like

2743

01:42:46,950 --> 01:42:45,679

plastic i would say you know like like a

2744

01:42:51,830 --> 01:42:46,960

like a smoky

2745

01:42:59,750 --> 01:42:55,510

and uh and then there was actually

2746

01:43:04,390 --> 01:43:02,310

not really stick quite well they were

2747

01:43:07,910 --> 01:43:04,400

hooded

2748

01:43:09,510 --> 01:43:07,920

actually wore like a soap of a robe

2749

01:43:11,669 --> 01:43:09,520

you know with with a hood on the

2750

01:43:12,709 --> 01:43:11,679

shoulder down all the way to the feet

2751

01:43:15,830 --> 01:43:12,719

you couldn't see the feet

2752

01:43:17,910 --> 01:43:15,840

rather you could see their hands

2753

01:43:19,030 --> 01:43:17,920

and uh yeah i remember being next to

2754

01:43:22,550 --> 01:43:19,040

this uh

2755

01:43:29,350 --> 01:43:26,149

that she helped me out from the table

2756

01:43:30,470 --> 01:43:29,360

uh the the room in itself you know it's

2757

01:43:32,310 --> 01:43:30,480

quite a room you know

2758

01:43:34,310 --> 01:43:32,320

the the room itself was about i don't

2759

01:43:35,830 --> 01:43:34,320

know about seven meters wide you know it

2760

01:43:39,030 --> 01:43:35,840

was like oblong

2761

01:43:39,350 --> 01:43:39,040

oblong shaped almost like an egg you

2762

01:43:42,070 --> 01:43:39,360

know

2763

01:43:43,750 --> 01:43:42,080

it was it was more more than round and

2764

01:43:47,189 --> 01:43:43,760

about

2765

01:43:49,590 --> 01:43:47,199

four meters to the ceilings

2766

01:43:50,470 --> 01:43:49,600

and there was also a second being there

2767

01:43:53,030 --> 01:43:50,480

but

2768

01:43:54,390 --> 01:43:53,040

quite a bit uh stronger and bigger i

2769

01:43:57,189 --> 01:43:54,400

think that there'll be about like two

2770

01:44:01,109 --> 01:43:57,199

meters two meters on enough

2771

01:44:01,510 --> 01:44:01,119

and uh that one i could not quite see

2772

01:44:05,669 --> 01:44:01,520

you know

2773

01:44:07,430 --> 01:44:05,679

it had its back turned away

2774

01:44:09,930 --> 01:44:07,440

but i could see that he was sort of

2775

01:44:12,470 --> 01:44:09,940

doing stuff you know with what the

2776

01:44:15,750 --> 01:44:12,480

[Music]

2777

01:44:17,350 --> 01:44:15,760

boobs and and and objects you know

2778

01:44:21,030 --> 01:44:17,360

strange shapes and

2779

01:44:22,790 --> 01:44:21,040

and they seem to be like a sort of a

2780

01:44:25,189 --> 01:44:22,800

board like sort of floating in the air

2781

01:44:27,510 --> 01:44:25,199

you know with little lights no flashing

2782

01:44:31,590 --> 01:44:27,520

back and forth etc

2783

01:44:33,510 --> 01:44:31,600

and uh and so yeah that was uh

2784

01:44:34,790 --> 01:44:33,520

that was a bit strange you know i was

2785

01:44:35,830 --> 01:44:34,800

young you know four or five years old

2786

01:44:37,669 --> 01:44:35,840

but it was

2787

01:44:38,870 --> 01:44:37,679

you know i was like wow what am i doing

2788

01:44:42,149 --> 01:44:38,880

here you know

2789

01:44:44,629 --> 01:44:42,159

and uh and the

2790

01:44:47,510 --> 01:44:44,639

the first thing kind of say oh don't

2791

01:44:50,950 --> 01:44:47,520

worry no don't be scared you know and

2792

01:44:54,229 --> 01:44:50,960

and there was no voice huh

2793

01:44:55,830 --> 01:44:54,239

there was no voice so could it telepathy

2794

01:44:58,950 --> 01:44:55,840

if you'd like

2795

01:45:01,270 --> 01:44:58,960

and uh you know and kind of say well

2796

01:45:03,750 --> 01:45:01,280

i am not scared you know i was

2797

01:45:06,070 --> 01:45:03,760

bewildered and everything

2798

01:45:08,310 --> 01:45:06,080

and i was trying to really look you know

2799

01:45:11,830 --> 01:45:08,320

i'd heard under the hood you know to see

2800

01:45:14,470 --> 01:45:11,840

who i was talking to you know and uh

2801
01:45:16,149 --> 01:45:14,480
and then that's when the the other one

2802
01:45:16,870 --> 01:45:16,159
turned around you know and basically

2803
01:45:21,669 --> 01:45:16,880
said that

2804
01:45:25,830 --> 01:45:21,679
you you are not allowed to look at us

2805
01:45:28,310 --> 01:45:25,840
right and with a voice well a voice

2806
01:45:29,030 --> 01:45:28,320
with very strong feeling of forbidding

2807
01:45:32,390 --> 01:45:29,040
of

2808
01:45:35,590 --> 01:45:32,400
that

2809
01:45:37,990 --> 01:45:35,600
right so i kind of

2810
01:45:39,750 --> 01:45:38,000
oh you you keep breaking up can you hear

2811
01:45:42,870 --> 01:45:39,760
me it will not stop because

2812
01:45:46,149 --> 01:45:42,880
you know that thing in my business

2813
01:45:48,470 --> 01:45:46,159

yes oh you were uh i can't hear you

2814

01:45:50,390 --> 01:45:48,480

yeah you you're breaking breaking up on

2815

01:45:52,149 --> 01:45:50,400

and off occasionally and um

2816

01:45:53,669 --> 01:45:52,159

i don't know what i don't know if it's

2817

01:45:56,550 --> 01:45:53,679

trying to do it

2818

01:45:58,950 --> 01:45:56,560

okay i'm sure keep going yeah i hear you

2819

01:46:01,270 --> 01:45:58,960

now so keep going we'll see what happens

2820

01:46:03,030 --> 01:46:01,280

so we we which spot you didn't get you

2821

01:46:05,109 --> 01:46:03,040

know no no you said uh they said

2822

01:46:06,709 --> 01:46:05,119

you were not allowed to look at us and

2823

01:46:08,470 --> 01:46:06,719

then that's the last part i heard

2824

01:46:09,830 --> 01:46:08,480

yeah you're not going to look at us

2825

01:46:11,109 --> 01:46:09,840

absolutely you know

2826
01:46:13,750 --> 01:46:11,119
the only thing that you could really see

2827
01:46:15,910 --> 01:46:13,760
was what was their hands

2828
01:46:18,390 --> 01:46:15,920
right they look what humanoid you know

2829
01:46:20,709 --> 01:46:18,400
but with long fingers

2830
01:46:22,550 --> 01:46:20,719
i i did not count them you know i didn't

2831
01:46:25,030 --> 01:46:22,560
come to my mind but

2832
01:46:26,070 --> 01:46:25,040
but when i was really trying to look

2833
01:46:28,310 --> 01:46:26,080
under the hood you know

2834
01:46:29,669 --> 01:46:28,320
i was quite small obviously on they were

2835
01:46:33,189 --> 01:46:29,679
really tall

2836
01:46:35,510 --> 01:46:33,199
it was it was like no go don't do that

2837
01:46:36,790 --> 01:46:35,520
you're not allowed to look at us but

2838
01:46:38,709 --> 01:46:36,800

hold on i'm sorry

2839

01:46:40,229 --> 01:46:38,719

maybe i missed it in the beginning so

2840

01:46:43,270 --> 01:46:40,239

but weren't you taken

2841

01:46:45,990 --> 01:46:43,280

onto the ship yeah

2842

01:46:47,430 --> 01:46:46,000

this place so but then but then even

2843

01:46:50,070 --> 01:46:47,440

though you were taken there they told

2844

01:46:53,590 --> 01:46:50,080

you okay you can't look at us

2845

01:46:55,830 --> 01:46:53,600

you can't look at us no no

2846

01:46:57,910 --> 01:46:55,840

no okay i guess did they explain more

2847

01:47:01,750 --> 01:46:57,920

why why they had that

2848

01:47:05,669 --> 01:47:01,760

no just don't do that okay

2849

01:47:12,470 --> 01:47:08,709

and uh

2850

01:47:14,310 --> 01:47:12,480

so the the smaller one

2851
01:47:15,910 --> 01:47:14,320
that was right next to me that helped me

2852
01:47:19,350 --> 01:47:15,920
out at the table and you know

2853
01:47:21,669 --> 01:47:19,360
seemed to be uh somehow empathic

2854
01:47:22,709 --> 01:47:21,679
you know when the other was what was not

2855
01:47:29,910 --> 01:47:22,719
you know

2856
01:47:33,270 --> 01:47:29,920
was more of a

2857
01:47:35,669 --> 01:47:33,280
scientific kind of

2858
01:47:37,030 --> 01:47:35,679
approach you know to the whole thing

2859
01:47:39,430 --> 01:47:37,040
when the other one was

2860
01:47:40,629 --> 01:47:39,440
was was a bit more empathic was it was

2861
01:47:42,790 --> 01:47:40,639
more like

2862
01:47:43,830 --> 01:47:42,800
how did i say like like a bit more of a

2863
01:47:47,430 --> 01:47:43,840

caretaker

2864

01:47:49,510 --> 01:47:47,440

i see she seemed to care about

2865

01:47:51,350 --> 01:47:49,520

a bit more when when i think for the

2866

01:47:55,030 --> 01:47:51,360

other one it was just more like

2867

01:47:57,910 --> 01:47:55,040

some sort of experiments to go through

2868

01:47:59,270 --> 01:47:57,920

which i could feel did not go quite well

2869

01:48:02,709 --> 01:47:59,280

like actually and

2870

01:48:05,750 --> 01:48:02,719

and he said well it's time to go

2871

01:48:09,030 --> 01:48:05,760

so uh so the other one can kind of

2872

01:48:10,629 --> 01:48:09,040

uh say well well and and

2873

01:48:12,310 --> 01:48:10,639

and when when she talked you know i

2874

01:48:15,990 --> 01:48:12,320

looked again you know and

2875

01:48:19,189 --> 01:48:16,000

i almost saw what what

2876

01:48:22,470 --> 01:48:19,199

what it looked like but it was very

2877

01:48:24,550 --> 01:48:22,480

fuzzy and and uh but i would say it's

2878

01:48:27,030 --> 01:48:24,560

probably humanoid

2879

01:48:27,750 --> 01:48:27,040

it's probably you might know it and then

2880

01:48:30,310 --> 01:48:27,760

uh

2881

01:48:31,990 --> 01:48:30,320

she said that come with me on there we

2882

01:48:36,470 --> 01:48:32,000

did a couple of meters

2883

01:48:41,430 --> 01:48:39,910

it's like an opening started to well

2884

01:48:44,950 --> 01:48:41,440

obviously open

2885

01:48:46,470 --> 01:48:44,960

and and then i i i could you know like

2886

01:48:49,270 --> 01:48:46,480

peer routes

2887

01:48:51,109 --> 01:48:49,280

and and then i just realized oh i'm in

2888

01:48:55,750 --> 01:48:51,119

the sky

2889

01:48:57,750 --> 01:48:55,760

then she said

2890

01:49:00,070 --> 01:48:57,760

she was i don't know where i said she

2891

01:49:00,709 --> 01:49:00,080

but you know perhaps there was more a

2892

01:49:04,310 --> 01:49:00,719

feminine

2893

01:49:08,709 --> 01:49:04,320

empathic feel to uh to

2894

01:49:10,390 --> 01:49:08,719

do to this thing and uh

2895

01:49:11,910 --> 01:49:10,400

sorry you know it's hard for me to talk

2896

01:49:13,430 --> 01:49:11,920

you know i've never been on the chat

2897

01:49:15,589 --> 01:49:13,440

line before and that's all right

2898

01:49:17,109 --> 01:49:15,599

i mean take your time right and it's

2899

01:49:20,390 --> 01:49:17,119

it's it's uh

2900

01:49:21,990 --> 01:49:20,400

it's maybe talking to 12 to 2 percent

2901

01:49:24,229 --> 01:49:22,000

about this so

2902

01:49:25,830 --> 01:49:24,239

that's what's so great about ua4 by the

2903

01:49:26,790 --> 01:49:25,840

way you know you can talk about your

2904

01:49:29,270 --> 01:49:26,800

stuff and then

2905

01:49:31,510 --> 01:49:29,280

same time you know remain more anonymous

2906

01:49:33,910 --> 01:49:31,520

you know it really helps

2907

01:49:35,510 --> 01:49:33,920

and uh yeah i'm going to say oh well you

2908

01:49:36,950 --> 01:49:35,520

know we we're going to take you back you

2909

01:49:40,629 --> 01:49:36,960

know

2910

01:49:41,589 --> 01:49:40,639

and then what i saw is is all suddenly

2911

01:49:45,270 --> 01:49:41,599

you know like the

2912

01:49:47,750 --> 01:49:45,280

the star starts to sort of spin and move

2913

01:49:48,470 --> 01:49:47,760

a little bit you know almost like we

2914

01:49:51,510 --> 01:49:48,480

were going

2915

01:49:52,550 --> 01:49:51,520

down to the right and as we went down to

2916

01:49:56,709 --> 01:49:52,560

the right and then

2917

01:49:59,510 --> 01:49:56,719

when i saw this globe you know globe

2918

01:50:00,310 --> 01:49:59,520

coming faster and faster and faster to

2919

01:50:03,350 --> 01:50:00,320

towards us

2920

01:50:07,109 --> 01:50:03,360

and then hello

2921

01:50:10,229 --> 01:50:07,119

yeah i'm here and you're still here

2922

01:50:11,750 --> 01:50:10,239

so i'm taking a lot of time here is i

2923

01:50:12,950 --> 01:50:11,760

did not expect to sort of

2924

01:50:15,109 --> 01:50:12,960

talk you know i just wanted to say thank

2925

01:50:17,990 --> 01:50:15,119

you really and that's all right

2926

01:50:18,390 --> 01:50:18,000

and uh that group came up thanks and

2927

01:50:24,790 --> 01:50:18,400

then

2928

01:50:27,310 --> 01:50:24,800

was you know but

2929

01:50:29,910 --> 01:50:27,320

i'm talking here you know it's back in

2930

01:50:31,589 --> 01:50:29,920

1971 you know at that time you know we

2931

01:50:33,990 --> 01:50:31,599

uh i didn't have

2932

01:50:35,510 --> 01:50:34,000

you know i didn't even have a tv so we

2933

01:50:37,510 --> 01:50:35,520

didn't have google earth

2934

01:50:39,589 --> 01:50:37,520

or anything but it was quite obvious you

2935

01:50:40,229 --> 01:50:39,599

know it explained it came out came up

2936

01:50:43,589 --> 01:50:40,239

came up

2937

01:50:45,750 --> 01:50:43,599

the

2938

01:50:47,750 --> 01:50:45,760

delete everyone says well that's it you

2939

01:50:50,390 --> 01:50:47,760

know you're going back home

2940

01:50:50,790 --> 01:50:50,400

you're going back home you know so i

2941

01:50:54,070 --> 01:50:50,800

felt

2942

01:50:58,550 --> 01:50:54,080

sort of a drain coming down etc

2943

01:51:00,870 --> 01:50:58,560

and i can't tell you much more

2944

01:51:04,310 --> 01:51:00,880

how long it took you know but more or

2945

01:51:06,070 --> 01:51:04,320

less the same thing you know but

2946

01:51:07,830 --> 01:51:06,080

the thing that i remember you know it

2947

01:51:08,629 --> 01:51:07,840

was my mum looking at me you know and

2948

01:51:11,830 --> 01:51:08,639

she's where

2949

01:51:14,629 --> 01:51:11,840

where where did you go you know and then

2950

01:51:15,350 --> 01:51:14,639

when i told her i said well you know

2951
01:51:18,629 --> 01:51:15,360
well

2952
01:51:19,510 --> 01:51:18,639
you know obviously uh with kids point of

2953
01:51:21,589 --> 01:51:19,520
view

2954
01:51:24,229 --> 01:51:21,599
and then when she said well you know

2955
01:51:26,149 --> 01:51:24,239
she's a bit worried actually

2956
01:51:29,189 --> 01:51:26,159
and uh with retrospect you know like

2957
01:51:32,390 --> 01:51:29,199
like she knew what i was talking about

2958
01:51:33,669 --> 01:51:32,400
and and then she said to me never never

2959
01:51:37,189 --> 01:51:33,679
forget this

2960
01:51:40,550 --> 01:51:37,199
my song and don't tell to anyone

2961
01:51:41,350 --> 01:51:40,560
but do not forget about it all right so

2962
01:51:44,790 --> 01:51:41,360
that

2963
01:51:46,950 --> 01:51:44,800

know then it's been going on and off

2964

01:51:49,189 --> 01:51:46,960

you know not that type you know it's

2965

01:51:51,270 --> 01:51:49,199

been going on on earth for about

2966

01:51:53,270 --> 01:51:51,280

about 50 years well it's definitely a

2967

01:51:55,270 --> 01:51:53,280

noteworthy experience i mean

2968

01:51:57,430 --> 01:51:55,280

one you can't forget it i can definitely

2969

01:51:59,350 --> 01:51:57,440

see how that would you know keep on

2970

01:52:03,669 --> 01:51:59,360

driving you throughout your life to just

2971

01:52:07,510 --> 01:52:03,679

keep on seeking for the answers

2972

01:52:09,910 --> 01:52:07,520

for sure for sure for sure and uh

2973

01:52:11,350 --> 01:52:09,920

i mean i can i can remember you know

2974

01:52:13,589 --> 01:52:11,360

i've been

2975

01:52:16,470 --> 01:52:13,599

going up you know about at least but i

2976

01:52:19,030 --> 01:52:16,480

can't remember you know three times

2977

01:52:20,790 --> 01:52:19,040

so you know the first time you're too

2978

01:52:22,629 --> 01:52:20,800

young actually to make any sense out of

2979

01:52:25,750 --> 01:52:22,639

it and then after that went back

2980

01:52:28,149 --> 01:52:25,760

when i was a little bit older and then

2981

01:52:29,189 --> 01:52:28,159

again when my mid-twenties and then i

2982

01:52:31,589 --> 01:52:29,199

get

2983

01:52:32,870 --> 01:52:31,599

in my 30s you know and then that's when

2984

01:52:35,189 --> 01:52:32,880

you start going well

2985

01:52:35,990 --> 01:52:35,199

right you know something is going on

2986

01:52:37,510 --> 01:52:36,000

here

2987

01:52:39,350 --> 01:52:37,520

and you're starting to look for answers

2988

01:52:42,950 --> 01:52:39,360

you're starting to

2989

01:52:43,430 --> 01:52:42,960

to to actually see see what's going on

2990

01:52:45,750 --> 01:52:43,440

you know

2991

01:52:47,270 --> 01:52:45,760

from what you're hearing from from the

2992

01:52:49,430 --> 01:52:47,280

tv the movies

2993

01:52:51,270 --> 01:52:49,440

the event after the internet came up you

2994

01:52:54,550 --> 01:52:51,280

know so i've been researching

2995

01:52:56,790 --> 01:52:54,560

that you know quite a lot and didn't

2996

01:52:57,589 --> 01:52:56,800

find really many answers whatsoever you

2997

01:52:59,270 --> 01:52:57,599

know but

2998

01:53:01,510 --> 01:52:59,280

at least it was possible to find out

2999

01:53:04,390 --> 01:53:01,520

that there were other people that

3000

01:53:06,950 --> 01:53:04,400

that seemed to to have had this type of

3001
01:53:09,589 --> 01:53:06,960
experience

3002
01:53:10,470 --> 01:53:09,599
fabrica do they have um especially you

3003
01:53:12,709 --> 01:53:10,480
said you've been back

3004
01:53:14,470 --> 01:53:12,719
for six years do they have uh meeting

3005
01:53:16,149 --> 01:53:14,480
groups because i know i often talk about

3006
01:53:18,229 --> 01:53:16,159
them in the united states where

3007
01:53:20,390 --> 01:53:18,239
a bunch of us get together and it can be

3008
01:53:21,350 --> 01:53:20,400
groups from 50 to 100 and just basically

3009
01:53:23,270 --> 01:53:21,360
doing this

3010
01:53:26,149 --> 01:53:23,280
you know talking i mean do they have

3011
01:53:28,790 --> 01:53:26,159
meetings like that in france at all

3012
01:53:29,270 --> 01:53:28,800
uh i've looked around a little bit and i

3013
01:53:31,030 --> 01:53:29,280

have not

3014

01:53:33,030 --> 01:53:31,040

found anything that sort of strikes my

3015

01:53:34,709 --> 01:53:33,040

fans right right

3016

01:53:36,870 --> 01:53:34,719

okay i just wanted to ask because you

3017

01:53:38,470 --> 01:53:36,880

know it's it's not every day that

3018

01:53:40,070 --> 01:53:38,480

you know i'm usually always chatting

3019

01:53:42,709 --> 01:53:40,080

somebody with uh

3020

01:53:43,430 --> 01:53:42,719

they're from the united states or you

3021

01:53:44,950 --> 01:53:43,440

know

3022

01:53:46,709 --> 01:53:44,960

basically anywhere in the united states

3023

01:53:50,070 --> 01:53:46,719

you'll find a group

3024

01:53:54,470 --> 01:53:52,830

i found a group back back in new zealand

3025

01:53:56,790 --> 01:53:54,480

right

3026

01:54:00,229 --> 01:53:56,800

i was just very not to participate you

3027

01:54:01,910 --> 01:54:00,239

know not really talking and

3028

01:54:03,669 --> 01:54:01,920

but you know that was quite interesting

3029

01:54:06,470 --> 01:54:03,679

you know stay with them for that

3030

01:54:07,030 --> 01:54:06,480

for about six months interestingly

3031

01:54:10,790 --> 01:54:07,040

enough

3032

01:54:12,790 --> 01:54:10,800

once we had the meeting and uh

3033

01:54:14,310 --> 01:54:12,800

you know all those people very nice

3034

01:54:17,030 --> 01:54:14,320

people and more like new

3035

01:54:18,709 --> 01:54:17,040

age you know right to ready and healing

3036

01:54:21,189 --> 01:54:18,719

and spiritual healing that was

3037

01:54:21,990 --> 01:54:21,199

really really great so they were let's

3038

01:54:24,229 --> 01:54:22,000

say like proper

3039

01:54:26,390 --> 01:54:24,239

people you know not smoking not drinking

3040

01:54:28,470 --> 01:54:26,400

you know and you know i kind of

3041

01:54:30,629 --> 01:54:28,480

was hanging for a cigarette you know so

3042

01:54:33,430 --> 01:54:30,639

i just went outside you know

3043

01:54:34,950 --> 01:54:33,440

two or three of us you know actually

3044

01:54:36,870 --> 01:54:34,960

having a sick right there

3045

01:54:38,870 --> 01:54:36,880

and then and then somebody looks up you

3046

01:54:41,910 --> 01:54:38,880

know and then and goes you know those

3047

01:54:43,830 --> 01:54:41,920

those were stars there you know they

3048

01:54:45,669 --> 01:54:43,840

getting there for quite a while you know

3049

01:54:49,510 --> 01:54:45,679

so we look up you know

3050

01:54:50,790 --> 01:54:49,520

and and then lo and behold you're

3051

01:54:53,270 --> 01:54:50,800

starting to move around you know it's

3052

01:54:58,229 --> 01:54:55,910

30 of them you know it was like a whole

3053

01:55:00,070 --> 01:54:58,239

constellation the whole part of the sky

3054

01:55:00,709 --> 01:55:00,080

you know was sort of spinning around a

3055

01:55:02,790 --> 01:55:00,719

little bit

3056

01:55:03,750 --> 01:55:02,800

and going this way going back way you

3057

01:55:06,790 --> 01:55:03,760

know

3058

01:55:09,350 --> 01:55:06,800

they sort of moved with some sort of

3059

01:55:10,790 --> 01:55:09,360

uniformity you know they were there was

3060

01:55:13,510 --> 01:55:10,800

cohesion

3061

01:55:14,709 --> 01:55:13,520

in in the movement and and so forth and

3062

01:55:16,790 --> 01:55:14,719

then uh

3063

01:55:18,550 --> 01:55:16,800

even a couple of people came out as well

3064

01:55:19,189 --> 01:55:18,560

and then after about five minutes not

3065

01:55:22,470 --> 01:55:19,199

like

3066

01:55:24,709 --> 01:55:22,480

would say

3067

01:55:25,990 --> 01:55:24,719

uh this came out you know but it's best

3068

01:55:29,030 --> 01:55:26,000

at night you know it's about

3069

01:55:31,350 --> 01:55:29,040

11 o'clock at night and uh you know in

3070

01:55:35,430 --> 01:55:31,360

winter so it was it was really uh

3071

01:55:37,510 --> 01:55:35,440

dark no clouds etc and uh

3072

01:55:38,629 --> 01:55:37,520

and then we looked you know and then so

3073

01:55:40,550 --> 01:55:38,639

we started making comments

3074

01:55:42,390 --> 01:55:40,560

oh look this one is doing this and look

3075

01:55:44,709 --> 01:55:42,400

this one is doing bad and

3076
01:55:47,030 --> 01:55:44,719
and so and what was quite interesting in

3077
01:55:50,550 --> 01:55:47,040
all this is

3078
01:55:52,950 --> 01:55:50,560
there must have been let's say 20 of us

3079
01:55:54,629 --> 01:55:52,960
really looking at all this and being a

3080
01:55:57,910 --> 01:55:54,639
shadow without you know you could not

3081
01:55:59,430 --> 01:55:57,920
miss it but funnily enough there was

3082
01:56:01,350 --> 01:55:59,440
about

3083
01:56:03,430 --> 01:56:01,360
10 others from the group you know that

3084
01:56:05,750 --> 01:56:03,440
were looking in that very same direction

3085
01:56:07,669 --> 01:56:05,760
and could not see a thing could not see

3086
01:56:09,910 --> 01:56:07,679
a thing and it actually uh

3087
01:56:11,430 --> 01:56:09,920
a figure upset you know because they

3088
01:56:15,270 --> 01:56:11,440

thought we were actually playing a joke

3089

01:56:19,270 --> 01:56:15,280

on them

3090

01:56:21,990 --> 01:56:19,280

so there you go you know it's it's uh

3091

01:56:24,149 --> 01:56:22,000

some people can can can see see that

3092

01:56:26,070 --> 01:56:24,159

thing and is it denial is it

3093

01:56:27,510 --> 01:56:26,080

someone more open to this do you

3094

01:56:30,950 --> 01:56:27,520

actually need to have previous

3095

01:56:35,589 --> 01:56:30,960

experience when you are younger

3096

01:56:41,350 --> 01:56:39,830

pre-framed you know to for later on to

3097

01:56:43,430 --> 01:56:41,360

see a bit more than what other people

3098

01:56:44,790 --> 01:56:43,440

are saying i don't know right

3099

01:56:47,109 --> 01:56:44,800

one thing for sure you know there is

3100

01:56:52,070 --> 01:56:47,119

nothing there's nothing special about me

3101

01:56:56,870 --> 01:56:55,109

yes well you know how

3102

01:56:58,709 --> 01:56:56,880

you're online now speaking about your

3103

01:57:01,990 --> 01:56:58,719

experience so i guess there was

3104

01:57:05,750 --> 01:57:02,000

you're meant to have it you know it's

3105

01:57:08,070 --> 01:57:05,760

yes yes it's yeah i'm really stoked

3106

01:57:09,430 --> 01:57:08,080

using what you're doing you see no way

3107

01:57:13,109 --> 01:57:09,440

no way

3108

01:57:16,870 --> 01:57:15,109

i was just gonna say there's this saying

3109

01:57:19,189 --> 01:57:16,880

you know they say um

3110

01:57:20,790 --> 01:57:19,199

uh see to believe it but i think it's

3111

01:57:21,109 --> 01:57:20,800

actually the other way around you have

3112

01:57:25,350 --> 01:57:21,119

to

3113

01:57:26,870 --> 01:57:25,360

you're

3114

01:57:28,709 --> 01:57:26,880

cordoned off from it you know when

3115

01:57:30,790 --> 01:57:28,719

you're blocking it then just

3116

01:57:32,950 --> 01:57:30,800

simply say you don't you don't believe

3117

01:57:36,470 --> 01:57:32,960

it it doesn't set you on that

3118

01:57:37,510 --> 01:57:36,480

um open-mindedness to to perceive what

3119

01:57:39,990 --> 01:57:37,520

is happening

3120

01:57:40,709 --> 01:57:40,000

you know and um i know if you're

3121

01:57:43,030 --> 01:57:40,719

scientifically

3122

01:57:44,709 --> 01:57:43,040

trying that that's not a good example

3123

01:57:47,430 --> 01:57:44,719

that's not a good way about

3124

01:57:48,390 --> 01:57:47,440

uh uh going about to prove something but

3125

01:57:51,430 --> 01:57:48,400

it truly is

3126

01:57:53,990 --> 01:57:51,440

in a way to where you have to uh be open

3127

01:57:54,790 --> 01:57:54,000

uh to it to begin with in order to have

3128

01:57:57,910 --> 01:57:54,800

this

3129

01:58:00,229 --> 01:57:57,920

information to come to you if you're

3130

01:58:02,310 --> 01:58:00,239

seeking it

3131

01:58:03,669 --> 01:58:02,320

yeah it seems to be that way and it

3132

01:58:04,390 --> 01:58:03,679

reminds me a lot of the time as well you

3133

01:58:06,790 --> 01:58:04,400

know but

3134

01:58:07,510 --> 01:58:06,800

in london london is as we all know a big

3135

01:58:11,350 --> 01:58:07,520

city

3136

01:58:13,109 --> 01:58:11,360

eight nine o'clock at night uh i was uh

3137

01:58:16,629 --> 01:58:13,119

coming back from work

3138

01:58:18,149 --> 01:58:16,639

and uh obviously uh i tend to look up in

3139

01:58:19,270 --> 01:58:18,159

the skies quite a lot you know and

3140

01:58:21,030 --> 01:58:19,280

that's what i'll tell

3141

01:58:22,790 --> 01:58:21,040

of people now if you if you only see a

3142

01:58:24,390 --> 01:58:22,800

spacecraft if you want to see a ua-4 or

3143

01:58:26,070 --> 01:58:24,400

orbs or whatever

3144

01:58:27,510 --> 01:58:26,080

you gotta look up you know it's like

3145

01:58:28,310 --> 01:58:27,520

going fishing you're going to catch some

3146

01:58:30,550 --> 01:58:28,320

fish

3147

01:58:31,990 --> 01:58:30,560

you have to fall line your water so i

3148

01:58:35,350 --> 01:58:32,000

kind of you know have my

3149

01:58:38,550 --> 01:58:35,360

my nose most of the time

3150

01:58:41,350 --> 01:58:38,560

and and here we're looking like in i'm

3151
01:58:43,430 --> 01:58:41,360
about five kids from the city center and

3152
01:58:46,709 --> 01:58:43,440
i just look up you know and

3153
01:58:50,070 --> 01:58:46,719
i'm just going i'm just seeing that

3154
01:58:52,149 --> 01:58:50,080
big airliner you know flying by you know

3155
01:58:53,350 --> 01:58:52,159
whoa that's that's unusual because

3156
01:58:56,390 --> 01:58:53,360
usually you know that

3157
01:58:58,790 --> 01:58:56,400
with heathrow and so forth you know

3158
01:58:59,589 --> 01:58:58,800
big jumbo airplane you know they don't

3159
01:59:02,470 --> 01:58:59,599
they don't

3160
01:59:04,070 --> 01:59:02,480
go go freely you know it's not the waste

3161
01:59:07,030 --> 01:59:04,080
it's from the roots

3162
01:59:08,070 --> 01:59:07,040
and uh i'm just going well it must be

3163
01:59:09,750 --> 01:59:08,080

chocolate

3164

01:59:11,510 --> 01:59:09,760

and then there was somebody else i

3165

01:59:15,189 --> 01:59:11,520

didn't know right next to me

3166

01:59:17,030 --> 01:59:15,199

and uh and then uh so i just shook up on

3167

01:59:18,550 --> 01:59:17,040

you and stopped some you know i was like

3168

01:59:19,990 --> 01:59:18,560

sort of staring at it for about a good

3169

01:59:21,589 --> 01:59:20,000

10 seconds

3170

01:59:23,109 --> 01:59:21,599

and then or suddenly i'm i'm just

3171

01:59:26,550 --> 01:59:23,119

thinking to myself yeah

3172

01:59:30,310 --> 01:59:26,560

jumbo jet well not because it's it's

3173

01:59:32,390 --> 01:59:30,320

it's not making any noise and and it's

3174

01:59:33,669 --> 01:59:32,400

it hasn't got any wings and it was you

3175

01:59:35,270 --> 01:59:33,679

know fairly close no it's

3176

01:59:37,430 --> 01:59:35,280

not it's like an airplane it's just

3177

01:59:38,229 --> 01:59:37,440

about to to land about two three minutes

3178

01:59:42,070 --> 01:59:38,239

you know

3179

01:59:44,149 --> 01:59:42,080

you can see the details of the plane now

3180

01:59:45,830 --> 01:59:44,159

you can see actually uh

3181

01:59:47,750 --> 01:59:45,840

you know the commercial line you know if

3182

01:59:49,189 --> 01:59:47,760

it's cantas or usa

3183

01:59:50,870 --> 01:59:49,199

or whatever you know and there was

3184

01:59:53,589 --> 01:59:50,880

absolutely nothing

3185

01:59:55,189 --> 01:59:53,599

and it was also nothing you know and uh

3186

01:59:55,830 --> 01:59:55,199

it kind of looked like you know what

3187

01:59:57,830 --> 01:59:55,840

other people

3188

01:59:58,910 --> 01:59:57,840

are saying you know but it's it was like

3189

02:00:23,990 --> 01:59:58,920

a

3190

02:00:28,070 --> 02:00:24,000

you know

3191

02:00:30,229 --> 02:00:28,080

which is right in in the middle of a big

3192

02:00:31,830 --> 02:00:30,239

city

3193

02:00:33,669 --> 02:00:31,840

right on some time you know we're

3194

02:00:38,790 --> 02:00:33,679

thinking yeah

3195

02:00:45,430 --> 02:00:42,390

that's the one that's the one so so

3196

02:00:49,750 --> 02:00:45,440

you know it doesn't look like

3197

02:00:55,830 --> 02:00:52,790

right um

3198

02:00:59,430 --> 02:00:55,840

fabrica uh i hate to cut you off i was

3199

02:00:59,669 --> 02:00:59,440

um well no i mean thank you very much

3200

02:01:04,229 --> 02:00:59,679

for

3201

02:01:06,390 --> 02:01:04,239

misery you know it's been really hard

3202

02:01:09,350 --> 02:01:06,400

for me to talk

3203

02:01:11,189 --> 02:01:09,360

i'm glad no no please do call in i mean

3204

02:01:12,470 --> 02:01:11,199

anytime we have these you know love to

3205

02:01:15,350 --> 02:01:12,480

love to talk to you

3206

02:01:15,750 --> 02:01:15,360

um i'm just uh it's actually now on my

3207

02:01:17,990 --> 02:01:15,760

end

3208

02:01:19,109 --> 02:01:18,000

not so much on your guys and that i have

3209

02:01:20,790 --> 02:01:19,119

to um

3210

02:01:22,950 --> 02:01:20,800

get going but i do appreciate you

3211

02:01:24,709 --> 02:01:22,960

calling in and and sharing your story

3212

02:01:25,270 --> 02:01:24,719

i'm glad you finally connected because i

3213

02:01:27,109 --> 02:01:25,280

know

3214

02:01:28,629 --> 02:01:27,119

it looked like based on the chat that

3215

02:01:29,430 --> 02:01:28,639

you at least tried couple more other

3216

02:01:31,350 --> 02:01:29,440

times

3217

02:01:33,109 --> 02:01:31,360

you know to to get on to this i'm glad

3218

02:01:35,910 --> 02:01:33,119

you finally did

3219

02:01:36,790 --> 02:01:35,920

yeah it was to say thank you for for

3220

02:01:38,790 --> 02:01:36,800

your work and

3221

02:01:40,070 --> 02:01:38,800

and you know it's it's really awesome

3222

02:01:40,550 --> 02:01:40,080

what you're doing but that's why i

3223

02:01:43,109 --> 02:01:40,560

reckon

3224

02:01:44,149 --> 02:01:43,119

we need a lot more black bags thank you

3225

02:01:46,470 --> 02:01:44,159

thank you i appreciate it

3226

02:01:50,470 --> 02:01:46,480

it means a lot i mean at least i know

3227

02:01:51,990 --> 02:01:50,480

the effort has not gone unnoticed

3228

02:01:54,790 --> 02:01:52,000

and that's why i put the effort you know

3229

02:01:57,830 --> 02:01:54,800

to sort of participate a little bit

3230

02:01:58,950 --> 02:01:57,840

in in in a way to show appreciation you

3231

02:02:02,229 --> 02:01:58,960

know

3232

02:02:05,270 --> 02:02:02,239

yeah thank you for that thank you okay

3233

02:02:11,030 --> 02:02:06,950

i was gonna say you better go to bed

3234

02:02:13,990 --> 02:02:12,390

all right well hey okay thanks for your

3235

02:02:17,270 --> 02:02:14,000

attention yeah we'll hopefully get in

3236

02:02:21,270 --> 02:02:19,510

uh due to work for the next two weeks

3237

02:02:22,149 --> 02:02:21,280

you know i'm i'm i'm off you know except

3238

02:02:24,229 --> 02:02:22,159

for the weekend but

3239

02:02:25,589 --> 02:02:24,239

in about three weeks time you know maybe

3240

02:02:27,589 --> 02:02:25,599

i'm popping to say hello you know

3241

02:02:28,950 --> 02:02:27,599

if i have not bored you today just yet

3242

02:02:30,629 --> 02:02:28,960

you know but i have no idea

3243

02:02:32,390 --> 02:02:30,639

definitely not definitely not i'm glad

3244

02:02:36,870 --> 02:02:32,400

i'm glad you you did when you had the

3245

02:02:42,149 --> 02:02:38,629

alright thanks good night all right good

3246

02:02:45,270 --> 02:02:44,390

okay all right everyone well thank you

3247

02:02:48,870 --> 02:02:45,280

very much

3248

02:02:50,229 --> 02:02:48,880

um uh thanks for uh uh to to everyone

3249

02:02:52,629 --> 02:02:50,239

that had called in today

3250

02:02:53,910 --> 02:02:52,639

and shared their stories and as you've

3251

02:02:57,109 --> 02:02:53,920

seen the format

3252

02:02:59,510 --> 02:02:57,119

is just what it is and um i don't

3253

02:03:00,390 --> 02:02:59,520

you know i i'd like to give everyone all

3254

02:03:05,910 --> 02:03:00,400

their

3255

02:03:07,669 --> 02:03:05,920

stories as much as they can because

3256

02:03:09,189 --> 02:03:07,679

you know i i don't want to be like the

3257

02:03:11,830 --> 02:03:09,199

regular media where it's just

3258

02:03:12,470 --> 02:03:11,840

small bits get to the point you know and

3259

02:03:13,910 --> 02:03:12,480

of course

3260

02:03:15,510 --> 02:03:13,920

if you want that you can get that

3261

02:03:18,870 --> 02:03:15,520

somewhere else um

3262

02:03:21,350 --> 02:03:18,880

it's sometimes in the long

3263

02:03:22,470 --> 02:03:21,360

details whatever is given that a better

3264

02:03:24,070 --> 02:03:22,480

point is made

3265

02:03:25,669 --> 02:03:24,080

you know and if you have the patience to

3266

02:03:27,109 --> 02:03:25,679

listen through it you'll learn from a

3267

02:03:28,470 --> 02:03:27,119

lot that's being told

3268

02:03:30,149 --> 02:03:28,480

you know and it's always been in my

3269

02:03:32,470 --> 02:03:30,159

experience um

3270

02:03:34,229 --> 02:03:32,480

you know it's it's almost like a song

3271

02:03:36,070 --> 02:03:34,239

when you you know when you listen to it

3272

02:03:37,430 --> 02:03:36,080

you don't want to go okay hurry up get

3273

02:03:38,550 --> 02:03:37,440

to the end of the song you know you

3274

02:03:41,030 --> 02:03:38,560

enjoy the whole

3275

02:03:42,709 --> 02:03:41,040

whole experience of it whatever tones

3276

02:03:44,629 --> 02:03:42,719

and whatever it has to tell you

3277

02:03:46,229 --> 02:03:44,639

so i kind of look at conversations in a

3278

02:03:48,629 --> 02:03:46,239

similar way to where

3279

02:03:49,750 --> 02:03:48,639

you know um however long it take however

3280

02:03:51,430 --> 02:03:49,760

they happen to be

3281

02:03:53,510 --> 02:03:51,440

i will get from it what i need to get

3282

02:03:54,870 --> 02:03:53,520

from it and of course everyone else

3283

02:03:57,830 --> 02:03:54,880

listening as well

3284

02:03:59,189 --> 02:03:57,840

so um please join us next week we're

3285

02:04:02,390 --> 02:03:59,199

gonna have open lines

3286

02:04:04,550 --> 02:04:02,400

um part of the reason why i'm leaving

3287

02:04:06,069 --> 02:04:04,560

but sooner today is actually right after

3288

02:04:08,470 --> 02:04:06,079

this i'm gonna try to get

3289

02:04:09,510 --> 02:04:08,480

uh together with ray hernandez to see to

3290

02:04:11,430 --> 02:04:09,520

work out

3291

02:04:12,550 --> 02:04:11,440

our technical difficulties so that i can

3292

02:04:15,350 --> 02:04:12,560

have him as a guest

3293

02:04:15,830 --> 02:04:15,360

this friday at 7 00 pm central time and

3294

02:04:18,870 --> 02:04:15,840

so

3295

02:04:20,870 --> 02:04:18,880

he will be talking about

3296

02:04:22,550 --> 02:04:20,880

his book and the research that they've

3297

02:04:25,109 --> 02:04:22,560

done

3298

02:04:25,750 --> 02:04:25,119

with different contactees and abductees

3299

02:04:29,030 --> 02:04:25,760

and they

3300

02:04:31,589 --> 02:04:29,040

did this huge survey that um you know

3301

02:04:32,550 --> 02:04:31,599

uh yielded some really important

3302

02:04:34,870 --> 02:04:32,560

information

3303

02:04:36,790 --> 02:04:34,880

uh from from what they found i think i

3304

02:04:37,990 --> 02:04:36,800

forgot how long they did the study for

3305

02:04:39,750 --> 02:04:38,000

but it's very interesting to

3306

02:04:41,589 --> 02:04:39,760

talk to him about it so anyway so we're

3307

02:04:44,950 --> 02:04:41,599

going to try to figure that out

3308

02:04:48,069 --> 02:04:44,960

for next week please tune in again join

3309

02:04:49,430 --> 02:04:48,079

join me on telegram so you can talk to

3310

02:04:51,669 --> 02:04:49,440

me share your story

3311

02:04:52,550 --> 02:04:51,679

simply install it the app on your

3312

02:04:55,430 --> 02:04:52,560

computer or

3313

02:04:55,910 --> 02:04:55,440

on your telephone find the ufo hub group

3314

02:04:58,310 --> 02:04:55,920

and

3315

02:04:59,189 --> 02:04:58,320

just join the voice chat when it when i

3316

02:05:01,109 --> 02:04:59,199

started

3317

02:05:02,790 --> 02:05:01,119

usually before when when it's time for

3318

02:05:04,629 --> 02:05:02,800

open lines i opened it about

3319

02:05:06,470 --> 02:05:04,639

half hour earlier just so that i can

3320

02:05:08,390 --> 02:05:06,480

test it out on my end before it

3321

02:05:09,750 --> 02:05:08,400

gets pushed out to a live stream at

3322

02:05:12,229 --> 02:05:09,760

seven so

3323

02:05:13,109 --> 02:05:12,239

like today i um talk to bradley for a

3324

02:05:16,229 --> 02:05:13,119

bit

3325

02:05:17,910 --> 02:05:16,239

you know and um so that way we can just

3326

02:05:19,589 --> 02:05:17,920

have a dialogue going i usually just

3327

02:05:20,550 --> 02:05:19,599

whoever happens to be in the room at

3328

02:05:23,669 --> 02:05:20,560

that time i just

3329

02:05:27,589 --> 02:05:23,679

unmute everybody and we just you know

3330

02:05:31,109 --> 02:05:27,599

chat so that's at least my goal and so

3331

02:05:33,669 --> 02:05:31,119

um yeah so please uh

3332

02:05:34,870 --> 02:05:33,679

hit the like button subscribe if you if

3333

02:05:38,069 --> 02:05:34,880

you enjoyed this

3334

02:05:39,669 --> 02:05:38,079

um hoping that uh next week we'll get to

3335

02:05:41,350 --> 02:05:39,679

have more people calling in

3336

02:05:42,790 --> 02:05:41,360

maybe calling in for a first time

3337

02:05:43,510 --> 02:05:42,800

sharing their experiences because it

3338

02:05:46,870 --> 02:05:43,520

can't be

3339

02:05:49,270 --> 02:05:46,880

friend

3340

02:05:50,550 --> 02:05:49,280

around you i hope you do but someone

3341

02:05:53,830 --> 02:05:50,560

that you can't

3342

02:05:56,550 --> 02:05:53,840

talk to in the the same way that

3343

02:05:57,990 --> 02:05:56,560

that you may be found here uh call in

3344

02:05:59,830 --> 02:05:58,000

you know share your story i know it's a

3345

02:06:01,589 --> 02:05:59,840

bit more public than that but

3346

02:06:03,669 --> 02:06:01,599

you know i'm certainly here to listen

3347

02:06:05,830 --> 02:06:03,679

and maybe give a little feedback and

3348

02:06:06,709 --> 02:06:05,840

i'm sure everyone else that enjoys these

3349

02:06:09,669 --> 02:06:06,719

stories would

3350

02:06:10,470 --> 02:06:09,679

would appreciate you sharing them so

3351

02:06:13,270 --> 02:06:10,480

this friday

3352

02:06:15,030 --> 02:06:13,280

7 p.m i'm hoping to have ray hernandez

3353

02:06:16,870 --> 02:06:15,040

if that doesn't work out i'm going to

3354

02:06:19,910 --> 02:06:16,880

try to

3355

02:06:21,990 --> 02:06:19,920

get somebody else in it's very short

3356

02:06:23,510 --> 02:06:22,000

usually it's difficult to find somebody

3357

02:06:26,629 --> 02:06:23,520

in that short notice but

3358

02:06:29,589 --> 02:06:26,639

hopefully we'll work it all out and so

3359

02:06:31,910 --> 02:06:29,599

join me next week or join me this friday

3360

02:06:35,030 --> 02:06:31,920

and then next week for other open lines
