

A middle-aged man with grey hair and a mustache, wearing a dark suit, white shirt, and striped tie, is shown from the chest up. He is gesturing with both hands, palms facing each other, as if speaking or explaining something. The background is plain white.

UFO HUB

LIVE STREAM

1
00:01:38,830 --> 00:00:19,680

[Music]

2
00:01:38,840 --> 00:02:20,080

so

3
00:02:20,090 --> 00:03:49,110

[Music]

4
00:03:53,350 --> 00:03:51,270
hey everyone welcome to the ufo hub live

5
00:03:56,229 --> 00:03:53,360
stream well we worked it out

6
00:03:58,070 --> 00:03:56,239
uh ray and i we finally connected he had

7
00:04:00,470 --> 00:03:58,080
a presentation he wanted to share

8
00:04:02,390 --> 00:04:00,480
and i usually uh i haven't done that on

9
00:04:04,470 --> 00:04:02,400
my system before so we

10
00:04:06,229 --> 00:04:04,480
worked it out actually it was mainly me

11
00:04:08,390 --> 00:04:06,239
working out what else i have to do or

12
00:04:09,990 --> 00:04:08,400
what what else i can do because i wanted

13
00:04:11,350 --> 00:04:10,000

you guys to see what he has to present

14

00:04:11,910 --> 00:04:11,360

because it's a lot of facts a lot of

15

00:04:14,390 --> 00:04:11,920

data

16

00:04:15,429 --> 00:04:14,400

and i wanted him to have the ability to

17

00:04:17,509 --> 00:04:15,439

present that to you

18

00:04:18,629 --> 00:04:17,519

so i'm glad we're going to be going over

19

00:04:20,870 --> 00:04:18,639

that later on

20

00:04:22,310 --> 00:04:20,880

uh for for now i wanted to cover a few

21

00:04:25,670 --> 00:04:22,320

things with you guys so

22

00:04:28,310 --> 00:04:25,680

uh open lines on wednesdays at 7 00 pm

23

00:04:29,990 --> 00:04:28,320

um for those of you i still get some

24

00:04:30,950 --> 00:04:30,000

sometimes some messages regarding

25

00:04:34,790 --> 00:04:30,960

telegram

26

00:04:36,550 --> 00:04:34,800

on your computer or phone

27

00:04:38,710 --> 00:04:36,560

and you should be able to search for the

28

00:04:41,030 --> 00:04:38,720

ufo hub group and then that way

29

00:04:42,150 --> 00:04:41,040

when the voice chat has started you can

30

00:04:45,189 --> 00:04:42,160

basically just

31

00:04:47,510 --> 00:04:45,199

join the voice chat and then uh just

32

00:04:48,950 --> 00:04:47,520

pretty much be in queue and be ready to

33

00:04:50,629 --> 00:04:48,960

you know to

34

00:04:52,230 --> 00:04:50,639

start telling your story whenever it is

35

00:04:54,230 --> 00:04:52,240

you turn so

36

00:04:55,270 --> 00:04:54,240

that's regarding that part what i wanted

37

00:04:58,230 --> 00:04:55,280

to go over next

38

00:04:58,870 --> 00:04:58,240

is about the the videos so i've been

39

00:05:01,270 --> 00:04:58,880

trying

40

00:05:02,550 --> 00:05:01,280

real hard to at least get a webcast in

41

00:05:05,590 --> 00:05:02,560

along with the

42

00:05:08,230 --> 00:05:05,600

wednesday and friday live shows

43

00:05:10,150 --> 00:05:08,240

but sometimes different schedules don't

44

00:05:11,350 --> 00:05:10,160

necessarily work out work out between

45

00:05:12,950 --> 00:05:11,360

mine and the guests

46

00:05:15,430 --> 00:05:12,960

and sometimes i have to do an interview

47

00:05:17,270 --> 00:05:15,440

on thursday sometimes it's on tuesday

48

00:05:18,629 --> 00:05:17,280

so i can't always make sure that it

49

00:05:20,390 --> 00:05:18,639

comes out on wednesdays

50

00:05:21,670 --> 00:05:20,400

so i have to kind of change the format

51

00:05:23,110 --> 00:05:21,680

around

52

00:05:25,430 --> 00:05:23,120

i'm going to have to keep it open from

53

00:05:27,670 --> 00:05:25,440

monday to friday so anytime between

54

00:05:29,749 --> 00:05:27,680

monday and friday a webcast will drop

55

00:05:31,830 --> 00:05:29,759

with a with a guess that i have it's a

56

00:05:35,110 --> 00:05:31,840

pre-recorded interview and not live

57

00:05:37,590 --> 00:05:35,120

and um so if that you know

58

00:05:38,629 --> 00:05:37,600

um if that ever happens i'm usually just

59

00:05:40,629 --> 00:05:38,639

gonna uh

60

00:05:42,469 --> 00:05:40,639

upload it as soon as i have it rendered

61

00:05:44,710 --> 00:05:42,479

and worked out with the guests after

62

00:05:46,070 --> 00:05:44,720

if they're okay with the uh the final

63

00:05:49,189 --> 00:05:46,080

outcome but then

64

00:05:49,749 --> 00:05:49,199

um when it comes to some of the live

65

00:05:51,990 --> 00:05:49,759

shows

66

00:05:53,270 --> 00:05:52,000

because of the different schedules i'm

67

00:05:55,749 --> 00:05:53,280

also going to have to

68

00:05:56,710 --> 00:05:55,759

i'll at least give you a day a day's

69

00:05:59,110 --> 00:05:56,720

notice where i

70

00:06:00,550 --> 00:05:59,120

already create the live stream and put

71

00:06:02,790 --> 00:06:00,560

it up there and it'll tell you what the

72

00:06:04,390 --> 00:06:02,800

countdown is and when when it will be

73

00:06:06,070 --> 00:06:04,400

because some of the guests that i really

74

00:06:08,309 --> 00:06:06,080

would like to have on they

75

00:06:09,430 --> 00:06:08,319

really cannot do fridays and uh

76

00:06:11,749 --> 00:06:09,440

sometimes

77

00:06:12,469 --> 00:06:11,759

you know i have some that is great for

78

00:06:16,309 --> 00:06:12,479

monday

79

00:06:18,309 --> 00:06:16,319

others uh thursday so i they're not 100

80

00:06:21,189 --> 00:06:18,319

set yet but you will see as soon as i

81

00:06:22,950 --> 00:06:21,199

have them i'll put them out there so

82

00:06:24,230 --> 00:06:22,960

basically look at look into the

83

00:06:27,110 --> 00:06:24,240

community tab

84

00:06:28,309 --> 00:06:27,120

and come monday if i cannot put an

85

00:06:29,909 --> 00:06:28,319

interview out

86

00:06:32,150 --> 00:06:29,919

or something changes with some of the

87

00:06:34,950 --> 00:06:32,160

live shows i will always let you know

88

00:06:36,469 --> 00:06:34,960

on mondays in the community tab and so

89

00:06:37,189 --> 00:06:36,479

that way you know what you're looking

90

00:06:41,270 --> 00:06:37,199

forward to

91

00:06:43,110 --> 00:06:41,280

uh for the week and

92

00:06:44,870 --> 00:06:43,120

okay i think i pretty much covered all

93

00:06:46,790 --> 00:06:44,880

of that so i'm hoping that you guys can

94

00:06:48,950 --> 00:06:46,800

work out with the with the telegram

95

00:06:50,390 --> 00:06:48,960

and during the voice chat because i like

96

00:06:52,070 --> 00:06:50,400

that a lot better instead of

97

00:06:53,909 --> 00:06:52,080

a phone call because i don't have a way

98

00:06:56,950 --> 00:06:53,919

to hook up a phone

99

00:06:59,430 --> 00:06:56,960

uh to basically do a call-in

100

00:07:00,790 --> 00:06:59,440

and have you live on the air that way as

101

00:07:03,350 --> 00:07:00,800

you've noticed before

102

00:07:04,309 --> 00:07:03,360

with telegram it works out a lot better

103

00:07:07,830 --> 00:07:04,319

so

104

00:07:13,589 --> 00:07:07,840

with uh with that being said let me

105

00:07:17,830 --> 00:07:15,830

all right still streaming everything's

106

00:07:21,189 --> 00:07:17,840

looking good

107

00:07:23,909 --> 00:07:21,199

so without any further ado

108

00:07:26,309 --> 00:07:23,919

here's ray hernandez ray thanks for

109

00:07:28,230 --> 00:07:26,319

being on how are you

110

00:07:30,309 --> 00:07:28,240

thank you very much adnan i'm very well

111

00:07:32,309 --> 00:07:30,319

okay well i'm really really happy we're

112

00:07:34,230 --> 00:07:32,319

able to work this out i appreciate your

113

00:07:36,469 --> 00:07:34,240

patience and and again thank you for

114

00:07:38,870 --> 00:07:36,479

being on

115

00:07:40,710 --> 00:07:38,880

you're very welcome so uh i figured what

116

00:07:41,670 --> 00:07:40,720

i always uh do if you could please give

117

00:07:43,589 --> 00:07:41,680

me a little bit of background

118

00:07:44,309 --> 00:07:43,599

information about you specifically and

119

00:07:45,830 --> 00:07:44,319

what it is

120

00:07:48,550 --> 00:07:45,840

what is it that got you in this field

121

00:07:53,029 --> 00:07:48,560

and then we'll go from there

122

00:07:55,909 --> 00:07:53,039

okay um basically i um

123

00:07:58,070 --> 00:07:55,919

i've been working for many years now as

124

00:08:01,029 --> 00:07:58,080

a tax attorney with the

125

00:08:01,990 --> 00:08:01,039

u.s department of treasury previous to

126

00:08:05,350 --> 00:08:02,000

that i was

127

00:08:11,749 --> 00:08:08,950

before i had attended law school i

128

00:08:13,670 --> 00:08:11,759

was a phd student at the university of

129

00:08:16,869 --> 00:08:13,680

california berkeley

130

00:08:19,189 --> 00:08:16,879

and before that i attended cornell

131

00:08:21,029 --> 00:08:19,199

university for a master's

132

00:08:23,350 --> 00:08:21,039

so i've been in school for many many

133

00:08:27,029 --> 00:08:23,360

years i have numerous degrees

134

00:08:29,670 --> 00:08:27,039

and i had zero interest in ufos

135

00:08:31,589 --> 00:08:29,680

and anything that was paranormal related

136

00:08:35,029 --> 00:08:31,599

and consciousness related

137

00:08:38,230 --> 00:08:35,039

and then in march of 2012

138

00:08:41,350 --> 00:08:38,240

my wife and i had

139

00:08:44,310 --> 00:08:41,360

an experience with an energy being

140

00:08:46,310 --> 00:08:44,320

that appeared in our living room and um

141

00:08:46,949 --> 00:08:46,320

and that resulted because my wife was

142

00:08:51,030 --> 00:08:46,959

praying

143

00:08:53,750 --> 00:08:51,040

all night uh for an angelic intervention

144

00:08:56,070 --> 00:08:53,760

uh she was a hardcore catholic because

145

00:08:56,870 --> 00:08:56,080

our dog a 15 year old jack russell

146

00:09:00,070 --> 00:08:56,880

terrier

147

00:09:01,990 --> 00:09:00,080

became totally paralyzed and so then the

148

00:09:02,870 --> 00:09:02,000

very next morning at six o'clock in the

149

00:09:06,790 --> 00:09:02,880

morning

150

00:09:09,910 --> 00:09:08,790

made my wife and the dog disappear right

151
00:09:12,310 --> 00:09:09,920
in front of me

152
00:09:14,470 --> 00:09:12,320
uh put me to sleep and then when i woke

153
00:09:15,750 --> 00:09:14,480
up an hour later the dog was completely

154
00:09:18,949 --> 00:09:15,760
healed and running around

155
00:09:21,590 --> 00:09:18,959
the living room and then my wife after

156
00:09:23,590 --> 00:09:21,600
that would go outside and to pray

157
00:09:25,350 --> 00:09:23,600
uh to her angels that that did the

158
00:09:28,470 --> 00:09:25,360
healing and these huge

159
00:09:30,310 --> 00:09:28,480
ufos would appear and that was

160
00:09:31,590 --> 00:09:30,320
uh that happened over a four month

161
00:09:35,030 --> 00:09:31,600
period

162
00:09:36,070 --> 00:09:35,040
and then in september no no in august of

163
00:09:39,269 --> 00:09:36,080

2012 so

164

00:09:42,550 --> 00:09:39,279

six months after my initial experience i

165

00:09:44,710 --> 00:09:42,560

um called down the ufo that my wife had

166

00:09:49,030 --> 00:09:44,720

been

167

00:09:51,670 --> 00:09:49,040

calling down for four months and um

168

00:09:53,750 --> 00:09:51,680

and uh i was just killing time you know

169

00:09:56,790 --> 00:09:53,760

i didn't even know how to do it uh

170

00:09:59,829 --> 00:09:56,800

later on i found out it's called ce5 or

171

00:10:00,790 --> 00:09:59,839

human initiated contact experiences and

172

00:10:04,470 --> 00:10:00,800

this huge

173

00:10:05,829 --> 00:10:04,480

uh uap unidentified aerial phenomenon

174

00:10:07,590 --> 00:10:05,839

appeared

175

00:10:10,150 --> 00:10:07,600

that was witnessed by my then 10 year

176

00:10:12,949 --> 00:10:10,160

old daughter and three adult friends

177

00:10:13,750 --> 00:10:12,959

and it was uh basically less than 30

178

00:10:17,110 --> 00:10:13,760

feet

179

00:10:20,150 --> 00:10:17,120

on top of us to the side because it was

180

00:10:21,590 --> 00:10:20,160

on top of our next door neighbor's house

181

00:10:23,430 --> 00:10:21,600

literally i could have thrown a rock and

182

00:10:26,630 --> 00:10:23,440

hit it and um

183

00:10:29,269 --> 00:10:26,640

and we saw that object there for over

184

00:10:31,750 --> 00:10:29,279

an hour and uh there was telepathic

185

00:10:34,870 --> 00:10:31,760

communications that took place it was

186

00:10:37,350 --> 00:10:34,880

a mind-blowing experience and then after

187

00:10:38,710 --> 00:10:37,360

that particular date of august 2012 then

188

00:10:41,590 --> 00:10:38,720

i began

189

00:10:44,230 --> 00:10:41,600

um pretty much non-stop paranormal

190

00:10:47,670 --> 00:10:44,240

experiences for the next four months

191

00:10:50,710 --> 00:10:47,680

and so um being uh

192

00:10:52,949 --> 00:10:50,720

an academic that i was for many years

193

00:10:54,069 --> 00:10:52,959

i began to do an academic literature

194

00:10:57,030 --> 00:10:54,079

review of what

195

00:10:58,310 --> 00:10:57,040

uh what had happened to us and i found

196

00:11:00,550 --> 00:10:58,320

out that at least

197

00:11:01,750 --> 00:11:00,560

regarding the ufo-related contact

198

00:11:03,990 --> 00:11:01,760

experiences

199

00:11:04,790 --> 00:11:04,000

there was a very little academic

200

00:11:07,110 --> 00:11:04,800

research

201
00:11:08,710 --> 00:11:07,120
there certainly was no statistical

202
00:11:11,670 --> 00:11:08,720
research study

203
00:11:13,030 --> 00:11:11,680
and so with the help of the late apollo

204
00:11:16,710 --> 00:11:13,040
14 astronaut

205
00:11:20,150 --> 00:11:16,720
dr edgar mitchell harvard astrophysicist

206
00:11:22,230 --> 00:11:20,160
dr rudy shield and mary rodwell

207
00:11:24,230 --> 00:11:22,240
someone who had been researching the

208
00:11:27,269 --> 00:11:24,240
experiencer contact phenomenon

209
00:11:27,990 --> 00:11:27,279
for over 30 years we formed this

210
00:11:29,829 --> 00:11:28,000
organization

211
00:11:31,110 --> 00:11:29,839
called the dr edgar mitchell free

212
00:11:33,590 --> 00:11:31,120
foundation

213
00:11:35,269 --> 00:11:33,600

and then we brought in an additional 10

214

00:11:38,630 --> 00:11:35,279

phd academics

215

00:11:40,470 --> 00:11:38,640

and many other researchers in the field

216

00:11:43,430 --> 00:11:40,480

people like kathleen martin

217

00:11:45,590 --> 00:11:43,440

barbara lamb dr leo sprinkle et cetera

218

00:11:48,150 --> 00:11:45,600

to work with our phd academics

219

00:11:49,350 --> 00:11:48,160

and then we undertook the world's first

220

00:11:51,910 --> 00:11:49,360

and only

221

00:11:54,629 --> 00:11:51,920

comprehensive academic research study on

222

00:11:56,069 --> 00:11:54,639

ufo contact experiencers

223

00:11:57,990 --> 00:11:56,079

and i'm going to give a presentation

224

00:12:01,030 --> 00:11:58,000

about that data

225

00:12:01,670 --> 00:12:01,040

the data findings but uh i am now

226

00:12:04,230 --> 00:12:01,680

currently

227

00:12:07,350 --> 00:12:04,240

the director of the consciousness in

228

00:12:10,470 --> 00:12:07,360

contact research institute or ccri

229

00:12:11,910 --> 00:12:10,480

and uh which is a 501c3 academic

230

00:12:14,949 --> 00:12:11,920

research institute

231

00:12:15,750 --> 00:12:14,959

and i want everyone right now to copy my

232

00:12:17,430 --> 00:12:15,760

email

233

00:12:19,990 --> 00:12:17,440

because i will be giving out free

234

00:12:23,269 --> 00:12:20,000

chapters for these two books that

235

00:12:23,990 --> 00:12:23,279

our organizations have written for the

236

00:12:27,030 --> 00:12:24,000

free research

237

00:12:30,870 --> 00:12:27,040

study um uh just chapter one alone

238

00:12:33,509 --> 00:12:30,880

is 120 pages and it's 120 pages of data

239

00:12:35,590 --> 00:12:33,519

pure research data

240

00:12:37,110 --> 00:12:35,600

and um and i'm going to be sending you

241

00:12:40,150 --> 00:12:37,120

numerous other chapters

242

00:12:41,750 --> 00:12:40,160

chapter 2 which is a review of our

243

00:12:43,430 --> 00:12:41,760

qualitative data

244

00:12:45,509 --> 00:12:43,440

from our research study that's close to

245

00:12:49,750 --> 00:12:45,519

200 pages in length

246

00:12:52,710 --> 00:12:49,760

so so you'll be getting almost 325 pages

247

00:12:53,829 --> 00:12:52,720

of pure data analysis from our research

248

00:12:56,870 --> 00:12:53,839

study

249

00:12:58,509 --> 00:12:56,880

and and several other chapters so the

250

00:13:01,829 --> 00:12:58,519

email is info

251
00:13:04,949 --> 00:13:01,839
experiencer.org info at

252
00:13:12,069 --> 00:13:08,870
e e-x-p-e-r-i-e-n c e r dot o r g

253
00:13:14,790 --> 00:13:12,079
uh ask for uh for me to send you uh

254
00:13:16,389 --> 00:13:14,800
these uh chapters for our two books

255
00:13:17,910 --> 00:13:16,399
and i will certainly send you that

256
00:13:20,790 --> 00:13:17,920
information

257
00:13:22,230 --> 00:13:20,800
so um that's um that's what i'm going to

258
00:13:24,230 --> 00:13:22,240
be discussing today

259
00:13:26,069 --> 00:13:24,240
which is pure academic research of the

260
00:13:28,230 --> 00:13:26,079
ufo contact phenomenon

261
00:13:29,350 --> 00:13:28,240
and also what we're calling the contact

262
00:13:30,949 --> 00:13:29,360
modalities

263
00:13:33,670 --> 00:13:30,959

and i'll be defining that in a couple of

264

00:13:35,910 --> 00:13:33,680

minutes and we do have two websites but

265

00:13:37,670 --> 00:13:35,920

they're currently under development

266

00:13:40,550 --> 00:13:37,680

and uh they'll be opened up to the

267

00:13:43,829 --> 00:13:40,560

public on september 1st when we release

268

00:13:47,189 --> 00:13:43,839

our second book okay well

269

00:13:48,150 --> 00:13:47,199

ray um the for everyone watching the

270

00:13:49,829 --> 00:13:48,160

link is actually

271

00:13:51,269 --> 00:13:49,839

in the description i mean the email is

272

00:13:55,189 --> 00:13:51,279

in the description below

273

00:13:57,350 --> 00:13:55,199

and so um just copy it email ray and

274

00:13:59,350 --> 00:13:57,360

he'll hook you up as he mentioned so

275

00:14:00,470 --> 00:13:59,360

what i figured i'll let ray get started

276

00:14:03,030 --> 00:14:00,480

on this presentation

277

00:14:03,590 --> 00:14:03,040

and uh just um let him let him run with

278

00:14:05,990 --> 00:14:03,600

it

279

00:14:08,150 --> 00:14:06,000

so uh ray uh please go ahead and begin

280

00:14:10,470 --> 00:14:08,160

whenever you are ready

281

00:14:12,230 --> 00:14:10,480

thank you very much first of all for the

282

00:14:14,949 --> 00:14:12,240

uh for the audience members

283

00:14:17,350 --> 00:14:14,959

i blink a lot and that's because i have

284

00:14:19,590 --> 00:14:17,360

problems with my eyes

285

00:14:22,150 --> 00:14:19,600

so i hope it's not a major distraction

286

00:14:23,750 --> 00:14:22,160

to you this first slide

287

00:14:25,750 --> 00:14:23,760

is our organization it's titled

288

00:14:29,990 --> 00:14:25,760

consciousness and contact research

289

00:14:32,389 --> 00:14:30,000

institute or ccri it's a 501c3 academic

290

00:14:33,590 --> 00:14:32,399

research institute and i said before our

291

00:14:36,710 --> 00:14:33,600

email is info

292

00:14:38,310 --> 00:14:36,720

at experiencer.org and our two websites

293

00:14:43,590 --> 00:14:38,320

are currently under development

294

00:14:48,389 --> 00:14:46,790

ccri is a 501c not-for-profit academic

295

00:14:50,710 --> 00:14:48,399

research institute

296

00:14:52,230 --> 00:14:50,720

focused on researching what is

297

00:14:54,790 --> 00:14:52,240

consciousness

298

00:14:57,110 --> 00:14:54,800

what is the nature of our reality by

299

00:14:58,389 --> 00:14:57,120

undertaking cross-comparative research

300

00:15:01,269 --> 00:14:58,399

on individuals

301
00:15:02,350 --> 00:15:01,279
that are having various types of contact

302
00:15:05,750 --> 00:15:02,360
experiences with

303
00:15:08,230 --> 00:15:05,760
non-human intelligence via what we are

304
00:15:10,470 --> 00:15:08,240
calling the contact modalities

305
00:15:12,310 --> 00:15:10,480
and to the right you will see our next

306
00:15:13,829 --> 00:15:12,320
book

307
00:15:19,829 --> 00:15:13,839
i'll talk a little bit more about that

308
00:15:26,470 --> 00:15:23,110
ccri is comprised of 15 phd

309
00:15:29,350 --> 00:15:26,480
academics and five medical doctors

310
00:15:31,110 --> 00:15:29,360
we also have 10 lay researchers these

311
00:15:34,389 --> 00:15:31,120
are non-academics

312
00:15:38,310 --> 00:15:34,399
so the total amount is 30

313
00:15:39,509 --> 00:15:38,320

individuals most of these individuals

314

00:15:42,629 --> 00:15:39,519

have been

315

00:15:45,269 --> 00:15:42,639

working and researching the phenomenon

316

00:15:47,509 --> 00:15:45,279

of consciousness and the paranormal for

317

00:15:49,749 --> 00:15:47,519

more than 30 years

318

00:15:52,150 --> 00:15:49,759

our organization is about to embark a

319

00:15:54,230 --> 00:15:52,160

five-year academic research study

320

00:15:55,430 --> 00:15:54,240

on the major experiences of the contact

321

00:15:58,870 --> 00:15:55,440

modalities

322

00:16:03,350 --> 00:15:58,880

via qualitative and quantitative surveys

323

00:16:08,150 --> 00:16:05,590

ccri hypothesizes that we are

324

00:16:11,430 --> 00:16:08,160

interacting with non-human intelligence

325

00:16:13,910 --> 00:16:11,440

via various paranormal modalities

326
00:16:15,110 --> 00:16:13,920
and that all of these contact modalities

327
00:16:18,069 --> 00:16:15,120
might be derived from

328
00:16:21,030 --> 00:16:18,079
one source in other words it might be

329
00:16:23,509 --> 00:16:21,040
one phenomenon

330
00:16:24,710 --> 00:16:23,519
we hypothesize that consciousness is

331
00:16:27,189 --> 00:16:24,720
what unifies

332
00:16:28,069 --> 00:16:27,199
the contact modalities and that

333
00:16:32,230 --> 00:16:28,079
consciousness

334
00:16:35,110 --> 00:16:32,240
is primary and not our material reality

335
00:16:35,990 --> 00:16:35,120
in other words the reality that we see

336
00:16:39,509 --> 00:16:36,000
that we're accustomed

337
00:16:41,829 --> 00:16:39,519
to is a facade it's an illusion

338
00:16:46,150 --> 00:16:41,839

that there's another external reality

339

00:16:52,230 --> 00:16:49,350

now this is a post materialist view of

340

00:16:54,069 --> 00:16:52,240

our reality and consciousness

341

00:16:55,990 --> 00:16:54,079

the vast majority of academic

342

00:16:58,550 --> 00:16:56,000

researchers who

343

00:16:59,749 --> 00:16:58,560

also hypothesize that we are living

344

00:17:02,790 --> 00:16:59,759

within what is now

345

00:17:04,710 --> 00:17:02,800

commonly called a virtual reality so

346

00:17:07,669 --> 00:17:04,720

these are the academic researchers

347

00:17:08,230 --> 00:17:07,679

in our organization and that this might

348

00:17:10,549 --> 00:17:08,240

explain

349

00:17:12,230 --> 00:17:10,559

why all of the contact modalities are

350

00:17:15,470 --> 00:17:12,240

interrelated

351

00:17:16,870 --> 00:17:15,480

this view of our reality is considered a

352

00:17:20,390 --> 00:17:16,880

post-materialist

353

00:17:23,669 --> 00:17:20,400

view of reality now mind you we have a

354

00:17:25,909 --> 00:17:23,679

phd physicist from harvard university

355

00:17:26,949 --> 00:17:25,919

we have a phd physicist from princeton

356

00:17:29,990 --> 00:17:26,959

university

357

00:17:33,110 --> 00:17:30,000

and another individual who's not public

358

00:17:36,549 --> 00:17:33,120

but he's associated with caltech

359

00:17:37,909 --> 00:17:36,559

again a physicist the vast majority of

360

00:17:40,710 --> 00:17:37,919

the researchers

361

00:17:43,190 --> 00:17:40,720

of the contact modalities they have a

362

00:17:45,510 --> 00:17:43,200

materialist perspective

363

00:17:46,230 --> 00:17:45,520

our organization and our researchers do

364

00:17:48,950 --> 00:17:46,240

not

365

00:17:50,630 --> 00:17:48,960

for example the vast majority of people

366

00:17:53,110 --> 00:17:50,640

that are studying ufos

367

00:17:54,310 --> 00:17:53,120

they have a nuts and bolts perspective

368

00:17:59,430 --> 00:17:54,320

of

369

00:18:00,470 --> 00:17:59,440

they basically focus on pictures and

370

00:18:03,430 --> 00:18:00,480

videos

371

00:18:03,990 --> 00:18:03,440

roswell ufo crashes things of that sort

372

00:18:05,909 --> 00:18:04,000

okay

373

00:18:07,750 --> 00:18:05,919

that is not our focus because that

374

00:18:10,230 --> 00:18:07,760

particular perspective

375

00:18:12,150 --> 00:18:10,240

has uh contributed very little over the

376

00:18:14,710 --> 00:18:12,160

last 80 years

377

00:18:16,630 --> 00:18:14,720

to a better understanding of what is the

378

00:18:18,230 --> 00:18:16,640

ufo contact phenomenon

379

00:18:19,909 --> 00:18:18,240

and i'll describe that in a couple of

380

00:18:23,590 --> 00:18:19,919

minutes

381

00:18:26,630 --> 00:18:23,600

okay materialism materialism is the idea

382

00:18:29,110 --> 00:18:26,640

that matter is the only reality

383

00:18:29,669 --> 00:18:29,120

and the belief system that the mind is

384

00:18:32,310 --> 00:18:29,679

nothing

385

00:18:33,190 --> 00:18:32,320

but the physical activity of the brain

386

00:18:35,510 --> 00:18:33,200

and that our

387

00:18:37,590 --> 00:18:35,520

thoughts cannot have any effect upon our

388

00:18:40,950 --> 00:18:37,600

brains and bodies

389

00:18:43,990 --> 00:18:40,960

our actions and the physical world okay

390

00:18:45,270 --> 00:18:44,000

however research in quantum physics the

391

00:18:47,190 --> 00:18:45,280

psi phenomenon

392

00:18:49,190 --> 00:18:47,200

near-death experiences out-of-body

393

00:18:52,630 --> 00:18:49,200

experiences mediumship

394

00:18:55,270 --> 00:18:52,640

hallucinogenic uh contact experiences

395

00:18:56,150 --> 00:18:55,280

and now our free uap experimenter

396

00:18:58,870 --> 00:18:56,160

research

397

00:18:59,750 --> 00:18:58,880

study supports the hypotheses that the

398

00:19:02,789 --> 00:18:59,760

mind

399

00:19:03,909 --> 00:19:02,799

can exist separate from the brain and

400

00:19:06,789 --> 00:19:03,919

that consciousness

401
00:19:08,150 --> 00:19:06,799
is the key to be able to understand this

402
00:19:11,110 --> 00:19:08,160
relationship

403
00:19:12,070 --> 00:19:11,120
and i'll be articulating this point of

404
00:19:15,750 --> 00:19:12,080
view in

405
00:19:19,110 --> 00:19:15,760
over the next few minutes ccri

406
00:19:21,190 --> 00:19:19,120
wants to eventually compare uh

407
00:19:22,789 --> 00:19:21,200
uap which is unidentified aerial

408
00:19:24,710 --> 00:19:22,799
phenomenon

409
00:19:27,029 --> 00:19:24,720
the vast majority of the world calls

410
00:19:27,430 --> 00:19:27,039
them ufos but our organization calls

411
00:19:31,110 --> 00:19:27,440
them

412
00:19:32,549 --> 00:19:31,120
uaps the uap contact experience or

413
00:19:34,470 --> 00:19:32,559

research data

414

00:19:36,789 --> 00:19:34,480

from its free experience or research

415

00:19:38,710 --> 00:19:36,799

study with individuals that have had

416

00:19:39,909 --> 00:19:38,720

other types of paranormal contact

417

00:19:42,549 --> 00:19:39,919

experiences

418

00:19:45,430 --> 00:19:42,559

with non-human intelligence through what

419

00:19:48,230 --> 00:19:45,440

we're calling the contact modalities

420

00:19:49,750 --> 00:19:48,240

now what are the contact modalities the

421

00:19:54,470 --> 00:19:49,760

contact modalities are

422

00:19:57,110 --> 00:19:54,480

ufo uap contact near-death experiences

423

00:19:58,470 --> 00:19:57,120

out-of-body experiences spirit and ghost

424

00:20:02,470 --> 00:19:58,480

communications

425

00:20:03,990 --> 00:20:02,480

remote viewing hallucinogenic contact

426
00:20:06,149 --> 00:20:04,000
for example those are people that take

427
00:20:08,789 --> 00:20:06,159
dmt or ayahuasca or

428
00:20:11,669 --> 00:20:08,799
magic mushroom psilocybin and they have

429
00:20:15,190 --> 00:20:11,679
contact with non-human intelligence

430
00:20:17,110 --> 00:20:15,200
mediumship channeling and other types of

431
00:20:18,310 --> 00:20:17,120
human communication with non-human

432
00:20:20,950 --> 00:20:18,320
intelligence

433
00:20:21,350 --> 00:20:20,960
and it's related paranormal experiences

434
00:20:24,710 --> 00:20:21,360
uh

435
00:20:26,870 --> 00:20:24,720
currently um the vast majority of

436
00:20:29,909 --> 00:20:26,880
researchers in this field

437
00:20:32,950 --> 00:20:29,919
um they do not understand that it's

438
00:20:35,110 --> 00:20:32,960

all interrelated for example the uap

439

00:20:37,110 --> 00:20:35,120

the ufo folks they'll say what does ufo

440

00:20:38,630 --> 00:20:37,120

have to do with near-death experiences

441

00:20:40,070 --> 00:20:38,640

you go to a near-death experience

442

00:20:41,830 --> 00:20:40,080

conference and then they'll tell you

443

00:20:44,470 --> 00:20:41,840

what in the world does

444

00:20:46,870 --> 00:20:44,480

ndes have to do with ufos same thing

445

00:20:49,110 --> 00:20:46,880

with out-of-body experiences

446

00:20:49,909 --> 00:20:49,120

the ghost hunters et cetera et cetera

447

00:20:51,669 --> 00:20:49,919

okay our

448

00:20:53,270 --> 00:20:51,679

organization which i said is uh

449

00:20:57,350 --> 00:20:53,280

comprised of uh

450

00:21:00,830 --> 00:20:57,360

um numerous phd academics believe

451
00:21:02,230 --> 00:21:00,840
that it's all interrelated and it's one

452
00:21:03,909 --> 00:21:02,240
phenomenon

453
00:21:06,870 --> 00:21:03,919
this is just a graphic depiction

454
00:21:09,669 --> 00:21:06,880
depiction of the contact modalities

455
00:21:13,669 --> 00:21:09,679
and consciousness is the glue that's

456
00:21:17,909 --> 00:21:17,110
george knapp um george knapp i

457
00:21:20,630 --> 00:21:17,919
interviewed him

458
00:21:21,350 --> 00:21:20,640
about a year a year and a half ago and

459
00:21:23,830 --> 00:21:21,360
here uh

460
00:21:24,870 --> 00:21:23,840
i'm holding our book on the ufo contact

461
00:21:27,190 --> 00:21:24,880
phenomenon

462
00:21:28,070 --> 00:21:27,200
and george knapp agrees with our

463
00:21:31,990 --> 00:21:28,080

organization

464

00:21:35,669 --> 00:21:32,000

110 however he doesn't publicly discuss

465

00:21:38,470 --> 00:21:35,679

uh these uh his personal viewpoints

466

00:21:39,750 --> 00:21:38,480

uh with his audience too frequently but

467

00:21:42,549 --> 00:21:39,760

let me see if i can get a

468

00:21:45,830 --> 00:21:42,559

an audio replay to work if not i'll just

469

00:21:47,590 --> 00:21:45,840

have to show the graphic display

470

00:21:49,029 --> 00:21:47,600

okay i guess it's not working sorry

471

00:21:51,750 --> 00:21:49,039

about that um

472

00:21:53,510 --> 00:21:51,760

what he basically said is uh the lesson

473

00:21:54,630 --> 00:21:53,520

is that all of these paranormal

474

00:21:56,830 --> 00:21:54,640

phenomena

475

00:21:59,190 --> 00:21:56,840

the contact modalities they're all

476
00:22:00,470 --> 00:21:59,200
interrelated he said flying saucers

477
00:22:03,270 --> 00:22:00,480
might not be crafts

478
00:22:04,070 --> 00:22:03,280
from other worlds these visitors might

479
00:22:06,710 --> 00:22:04,080
not be

480
00:22:07,510 --> 00:22:06,720
from another planet he says flying

481
00:22:09,350 --> 00:22:07,520
saucers

482
00:22:12,549 --> 00:22:09,360
which is a materialist ufology

483
00:22:15,029 --> 00:22:12,559
perspective that i previously discussed

484
00:22:16,789 --> 00:22:15,039
flying saucers is not the answer to

485
00:22:18,950 --> 00:22:16,799
these bigger questions

486
00:22:20,950 --> 00:22:18,960
he said you need to have a much more

487
00:22:23,669 --> 00:22:20,960
broader understanding

488
00:22:25,750 --> 00:22:23,679

of the nature of our reality that

489

00:22:28,470 --> 00:22:25,760

reality is far more complex

490

00:22:29,350 --> 00:22:28,480

than we can imagine he said it makes

491

00:22:34,789 --> 00:22:29,360

ufos

492

00:22:41,669 --> 00:22:37,830

dr john alexander john alexander

493

00:22:44,789 --> 00:22:41,679

is been lecturing on ufos for close to

494

00:22:46,070 --> 00:22:44,799

30 years he also did his phd

495

00:22:49,669 --> 00:22:46,080

dissertation

496

00:22:52,070 --> 00:22:49,679

on um on near-death experiences

497

00:22:53,990 --> 00:22:52,080

he also has been the president of the

498

00:22:56,789 --> 00:22:54,000

international association of remote

499

00:22:57,669 --> 00:22:56,799

viewers on and off again over the last

500

00:23:01,669 --> 00:22:57,679

30 years

501
00:23:04,710 --> 00:23:01,679
so this man is an expert on on ufos

502
00:23:08,870 --> 00:23:04,720
expert on near-death experiences

503
00:23:10,950 --> 00:23:08,880
expert on um on remote viewing and also

504
00:23:14,870 --> 00:23:10,960
out-of-body experiences because

505
00:23:17,110 --> 00:23:14,880
he um uh worked with robert monroe

506
00:23:17,990 --> 00:23:17,120
many many years ago when dr monroe was

507
00:23:21,110 --> 00:23:18,000
alive

508
00:23:22,390 --> 00:23:21,120
on auto body research so uh john is the

509
00:23:24,870 --> 00:23:22,400
real mccoy

510
00:23:26,630 --> 00:23:24,880
and again i apologize for the audio not

511
00:23:28,149 --> 00:23:26,640
popping up because the audio should

512
00:23:29,990 --> 00:23:28,159
should have been playing

513
00:23:31,750 --> 00:23:30,000

uh with this video but let me go

514

00:23:35,270 --> 00:23:31,760

straight to the

515

00:23:37,270 --> 00:23:35,280

the screen of what dr alexander said uh

516

00:23:39,029 --> 00:23:37,280

john as i said before was the second

517

00:23:41,269 --> 00:23:39,039

president of the international

518

00:23:43,510 --> 00:23:41,279

association of near death studies

519

00:23:45,590 --> 00:23:43,520

his phd dissertation was on the

520

00:23:47,590 --> 00:23:45,600

afterlife and ndes

521

00:23:50,149 --> 00:23:47,600

and he said to understand the ufo

522

00:23:52,549 --> 00:23:50,159

phenomenon we need to look at it via

523

00:23:54,390 --> 00:23:52,559

a wider context of the contact

524

00:23:57,830 --> 00:23:54,400

modalities

525

00:24:00,870 --> 00:23:57,840

he said and not as uh as

526

00:24:02,950 --> 00:24:00,880

uh as a viewpoint that all of these uh

527

00:24:04,870 --> 00:24:02,960

contact modalities are separate

528

00:24:05,990 --> 00:24:04,880

and distinct phenomenon he said they're

529

00:24:07,830 --> 00:24:06,000

not separate

530

00:24:09,430 --> 00:24:07,840

he says one of the problems is that we

531

00:24:12,070 --> 00:24:09,440

tend to stovepipe

532

00:24:13,750 --> 00:24:12,080

each phenomenon as a single discipline

533

00:24:15,830 --> 00:24:13,760

instead of viewing it via an

534

00:24:18,630 --> 00:24:15,840

interdisciplinary approach

535

00:24:21,269 --> 00:24:18,640

he said somehow all of these phenomenon

536

00:24:24,149 --> 00:24:21,279

are connected

537

00:24:24,549 --> 00:24:24,159

okay what we want to be able to do as i

538

00:24:28,149 --> 00:24:24,559

said

539

00:24:31,190 --> 00:24:28,159

earlier is uh how can we compare the ufo

540

00:24:32,230 --> 00:24:31,200

uh contact experiences to experiencers

541

00:24:35,269 --> 00:24:32,240

of ndes

542

00:24:36,470 --> 00:24:35,279

obes remote viewers people have seen

543

00:24:38,070 --> 00:24:36,480

ghosts and spirits

544

00:24:39,669 --> 00:24:38,080

to all experiences of the contact

545

00:24:41,909 --> 00:24:39,679

modalities okay

546

00:24:43,510 --> 00:24:41,919

but how can we do this how could we have

547

00:24:46,549 --> 00:24:43,520

done this when there was no

548

00:24:48,230 --> 00:24:46,559

comprehensive statistical data on ufo

549

00:24:51,830 --> 00:24:48,240

contact experiences

550

00:24:53,909 --> 00:24:51,840

and if anyone knows of any ufo

551
00:24:55,110 --> 00:24:53,919
comprehensive statistical data let me

552
00:24:57,990 --> 00:24:55,120
know because

553
00:24:59,269 --> 00:24:58,000
it doesn't exist besides outside of our

554
00:25:01,830 --> 00:24:59,279
research study

555
00:25:02,390 --> 00:25:01,840
okay thus if we're able to compare for

556
00:25:06,710 --> 00:25:02,400
example

557
00:25:09,750 --> 00:25:06,720
ndes to the ufo contact experiences

558
00:25:13,430 --> 00:25:09,760
we needed data on the ufo contact these

559
00:25:15,590 --> 00:25:13,440
data which never existed so we needed

560
00:25:18,230 --> 00:25:15,600
data in a formal comprehensive

561
00:25:20,710 --> 00:25:18,240
multinational and multi-language

562
00:25:21,669 --> 00:25:20,720
academic research study and that's what

563
00:25:25,190 --> 00:25:21,679

we we did

564

00:25:26,950 --> 00:25:25,200

over a five-year period okay

565

00:25:29,029 --> 00:25:26,960

so the free experience for research

566

00:25:30,390 --> 00:25:29,039

study okay as you can see to the right

567

00:25:33,830 --> 00:25:30,400

is our first book

568

00:25:36,149 --> 00:25:33,840

our first book is titled beyond ufos

569

00:25:38,149 --> 00:25:36,159

the science of consciousness and contact

570

00:25:41,190 --> 00:25:38,159

with non-human intelligence

571

00:25:44,549 --> 00:25:41,200

we had uh three co-editors

572

00:25:47,750 --> 00:25:44,559

for that book dr rudy shields

573

00:25:49,110 --> 00:25:47,760

was an emeritus professor of

574

00:25:51,350 --> 00:25:49,120

astrophysics

575

00:25:53,110 --> 00:25:51,360

at harvard university i mean you can't

576

00:25:55,669 --> 00:25:53,120

get more credible than that

577

00:25:57,909 --> 00:25:55,679

the other person was dr john clemo and

578

00:25:59,909 --> 00:25:57,919

he was a professor of psychology for

579

00:26:02,710 --> 00:25:59,919

over 45 years

580

00:26:05,269 --> 00:26:02,720

and he taught research methodology for

581

00:26:07,430 --> 00:26:05,279

those 45 years at numerous universities

582

00:26:08,549 --> 00:26:07,440

starting with brown university an ivy

583

00:26:12,390 --> 00:26:08,559

league school

584

00:26:14,310 --> 00:26:12,400

and um and uh uh so as i said before

585

00:26:16,070 --> 00:26:14,320

these are just two of the many

586

00:26:17,909 --> 00:26:16,080

academics some of the other academics

587

00:26:21,110 --> 00:26:17,919

that work very closely with us

588

00:26:23,750 --> 00:26:21,120

was dr bob davis and he also was a

589

00:26:26,149 --> 00:26:23,760

retired professor of neuroscience

590

00:26:26,789 --> 00:26:26,159

from the state university of new york

591

00:26:30,149 --> 00:26:26,799

and uh

592

00:26:33,590 --> 00:26:30,159

john alexander as i mentioned before uh

593

00:26:36,310 --> 00:26:33,600

worked with us we also had dean raiden

594

00:26:37,590 --> 00:26:36,320

uh very well known in the field of

595

00:26:39,909 --> 00:26:37,600

consciousness and

596

00:26:41,669 --> 00:26:39,919

the lead scientists at the institute for

597

00:26:44,070 --> 00:26:41,679

uh noetic sciences

598

00:26:44,870 --> 00:26:44,080

the research study lasted five years

599

00:26:47,029 --> 00:26:44,880

okay

600

00:26:48,310 --> 00:26:47,039

and um oh one person that i failed to

601
00:26:51,430 --> 00:26:48,320
mention was edgar mitchell

602
00:26:52,070 --> 00:26:51,440
obviously he got a phd in aeronautical

603
00:26:53,909 --> 00:26:52,080
engineering

604
00:26:55,830 --> 00:26:53,919
from mit so i mean these are

605
00:26:57,830 --> 00:26:55,840
heavyweights that are working on this

606
00:27:00,470 --> 00:26:57,840
and this book that you see there to your

607
00:27:02,390 --> 00:27:00,480
right is 820 pages

608
00:27:04,149 --> 00:27:02,400
so as i said before if you send me your

609
00:27:07,350 --> 00:27:04,159
email

610
00:27:13,190 --> 00:27:07,360
to info experiencer.org i will send you

611
00:27:16,230 --> 00:27:15,510
the following data presentation is based

612
00:27:18,950 --> 00:27:16,240
solely

613
00:27:19,990 --> 00:27:18,960

from our academic research study now in

614

00:27:22,310 --> 00:27:20,000

order to qualify

615

00:27:24,470 --> 00:27:22,320

to take our survey you needed two things

616

00:27:27,350 --> 00:27:24,480

one is you needed to have

617

00:27:30,230 --> 00:27:27,360

seen a ufo and number two you needed to

618

00:27:34,070 --> 00:27:30,240

have had some type of contact experience

619

00:27:37,190 --> 00:27:34,080

with a non-human intelligence

620

00:27:38,549 --> 00:27:37,200

the four co-founders of the dr edgar

621

00:27:42,230 --> 00:27:38,559

mittell free foundation

622

00:27:43,990 --> 00:27:42,240

was dr edgar mittell uh who passed away

623

00:27:46,710 --> 00:27:44,000

in 2016.

624

00:27:50,230 --> 00:27:46,720

we started our research study in 2013

625

00:27:52,789 --> 00:27:50,240

and we published our book in 2018

626
00:27:54,389 --> 00:27:52,799
so he passed away after three years and

627
00:27:57,830 --> 00:27:54,399
he never got to see

628
00:27:59,750 --> 00:27:57,840
uh the publication of our book and so as

629
00:28:01,510 --> 00:27:59,760
i said before he was the sixth man to

630
00:28:04,789 --> 00:28:01,520
walk on the moon

631
00:28:07,590 --> 00:28:04,799
and he was a member of apollo 14.

632
00:28:08,950 --> 00:28:07,600
edgar also as i said before got a phd in

633
00:28:11,830 --> 00:28:08,960
aeronautical and gene

634
00:28:13,909 --> 00:28:11,840
engineering from mit the other

635
00:28:16,070 --> 00:28:13,919
co-founder is dr rudy shield

636
00:28:18,710 --> 00:28:16,080
and rudy shield is an emeritus professor

637
00:28:21,909 --> 00:28:18,720
of astrophysics from harvard university

638
00:28:23,590 --> 00:28:21,919

at the center for um the

639

00:28:25,990 --> 00:28:23,600

harvard smithsonian center for

640

00:28:27,110 --> 00:28:26,000

astrophysics he's published more than

641

00:28:30,230 --> 00:28:27,120

300

642

00:28:31,669 --> 00:28:30,240

peer-reviewed academic research papers

643

00:28:35,110 --> 00:28:31,679

on astrophysics

644

00:28:35,750 --> 00:28:35,120

and he called out um stephen hawking

645

00:28:37,269 --> 00:28:35,760

said he was

646

00:28:40,710 --> 00:28:37,279

completely wrong on his theories of

647

00:28:42,710 --> 00:28:40,720

black holes this was five years before

648

00:28:44,389 --> 00:28:42,720

stephen hawking publicly admitted that

649

00:28:47,269 --> 00:28:44,399

he was wrong on black holes

650

00:28:50,149 --> 00:28:47,279

so we're talking with uh with two

651
00:28:54,710 --> 00:28:53,669
as members of the co-founders the other

652
00:28:56,870 --> 00:28:54,720
uh co-founder

653
00:28:58,389 --> 00:28:56,880
is mary rodwell and she's been

654
00:29:02,230 --> 00:28:58,399
researching and lecturing

655
00:29:04,310 --> 00:29:02,240
on ufo contact these uh ufo abductees

656
00:29:07,350 --> 00:29:04,320
for over 30 years and there's a picture

657
00:29:12,070 --> 00:29:09,830
and i'm the fourth uh co-founder and

658
00:29:15,029 --> 00:29:12,080
that was me lecturing several years ago

659
00:29:15,750 --> 00:29:15,039
at the ozark martin ufo conference and

660
00:29:21,110 --> 00:29:15,760
that's where

661
00:29:25,510 --> 00:29:24,630
now the other member of our research

662
00:29:29,029 --> 00:29:25,520
team

663
00:29:31,830 --> 00:29:29,039

dr john clemo he was the co-chair

664

00:29:32,389 --> 00:29:31,840

of the research study and as i said

665

00:29:34,950 --> 00:29:32,399

before

666

00:29:37,350 --> 00:29:34,960

john taught research methodology at

667

00:29:41,430 --> 00:29:37,360

various universities he was a professor

668

00:29:44,870 --> 00:29:41,440

of psychology for over 45 years

669

00:29:47,430 --> 00:29:44,880

and dr bob davis um he wrote

670

00:29:49,750 --> 00:29:47,440

three books actually one was a ufo book

671

00:29:52,389 --> 00:29:49,760

another one was a book on um

672

00:29:53,990 --> 00:29:52,399

on uh on the afterlife and then his last

673

00:29:57,430 --> 00:29:54,000

book published last year

674

00:29:58,870 --> 00:29:57,440

is a book about consciousness and so dr

675

00:30:01,990 --> 00:29:58,880

bob davis is a

676

00:30:04,710 --> 00:30:02,000

an emeritus professor of um

677

00:30:08,470 --> 00:30:04,720

cognitive neuroscience at the state

678

00:30:10,549 --> 00:30:08,480

university of new york

679

00:30:12,230 --> 00:30:10,559

now our research methodology we

680

00:30:15,029 --> 00:30:12,240

developed three surveys

681

00:30:15,750 --> 00:30:15,039

surveys one and two were quantitative in

682

00:30:19,029 --> 00:30:15,760

nature

683

00:30:22,230 --> 00:30:19,039

yes or no um fill in the blanks

684

00:30:25,190 --> 00:30:22,240

um the best choice between these five uh

685

00:30:26,470 --> 00:30:25,200

responses that sort of thing so we asked

686

00:30:29,669 --> 00:30:26,480

um

687

00:30:31,430 --> 00:30:29,679

600 quantitative questions

688

00:30:33,269 --> 00:30:31,440

it took forever for these people to do

689

00:30:35,990 --> 00:30:33,279

these surveys very lengthy

690

00:30:36,710 --> 00:30:36,000

and then survey three was 70 open-ended

691

00:30:38,389 --> 00:30:36,720

questions

692

00:30:40,389 --> 00:30:38,399

where we asked people open-ended

693

00:30:42,630 --> 00:30:40,399

questions and they got to

694

00:30:43,590 --> 00:30:42,640

write out the details for these 70

695

00:30:45,350 --> 00:30:43,600

questions

696

00:30:47,110 --> 00:30:45,360

in total for these 70 open-ended

697

00:30:50,389 --> 00:30:47,120

questions we received over 10

698

00:30:52,870 --> 00:30:50,399

000 pages okay of writings

699

00:30:53,990 --> 00:30:52,880

of their personal experiences so we have

700

00:30:57,110 --> 00:30:54,000

enough for uh

701

00:30:59,590 --> 00:30:57,120

numerous uh novels um

702

00:31:02,230 --> 00:30:59,600

a lot of work and so for three years we

703

00:31:05,029 --> 00:31:02,240

advertised our surveys on youtube

704

00:31:06,230 --> 00:31:05,039

on weekly weekly postings to over 500

705

00:31:10,310 --> 00:31:06,240

facebook sites

706

00:31:13,509 --> 00:31:10,320

uh monthly mailings over uh 8 000 emails

707

00:31:15,269 --> 00:31:13,519

um internet postings and we appeared in

708

00:31:17,590 --> 00:31:15,279

over 200 uh radio

709

00:31:19,350 --> 00:31:17,600

interviews and some of the people are

710

00:31:20,950 --> 00:31:19,360

very well known within ufology for

711

00:31:23,029 --> 00:31:20,960

example kathy martin

712

00:31:23,990 --> 00:31:23,039

um she was not one of the co-founders

713

00:31:25,909 --> 00:31:24,000

but she was uh

714

00:31:27,909 --> 00:31:25,919

working with us as on our research

715

00:31:29,909 --> 00:31:27,919

committee from day one

716

00:31:32,230 --> 00:31:29,919

and kathy almost every weekend she's

717

00:31:34,470 --> 00:31:32,240

appear she's appears on the radio show

718

00:31:35,430 --> 00:31:34,480

so uh kathy is a very very important

719

00:31:37,509 --> 00:31:35,440

part person

720

00:31:38,870 --> 00:31:37,519

that was part of our research committee

721

00:31:42,230 --> 00:31:38,880

um also uh

722

00:31:45,350 --> 00:31:42,240

several people that have passed away um

723

00:31:48,710 --> 00:31:45,360

uh um rosemary

724

00:31:50,549 --> 00:31:48,720

uh uh ellen giley uh who uh

725

00:31:52,470 --> 00:31:50,559

also had her own radio show on the

726

00:31:54,470 --> 00:31:52,480

paranormal and um

727

00:31:55,990 --> 00:31:54,480

she was on numerous radio interviews so

728

00:31:57,110 --> 00:31:56,000

so we took advantage of all these

729

00:32:00,230 --> 00:31:57,120

individuals

730

00:32:03,590 --> 00:32:00,240

uh and to publicize our research study

731

00:32:06,630 --> 00:32:03,600

uh we only allowed uh memory from uh

732

00:32:08,870 --> 00:32:06,640

conscious memory recollections and not

733

00:32:10,870 --> 00:32:08,880

memory from hypnotic regressions from

734

00:32:12,710 --> 00:32:10,880

lucid dreams or channeling

735

00:32:13,990 --> 00:32:12,720

the reason for that is extremely

736

00:32:16,470 --> 00:32:14,000

important because

737

00:32:18,870 --> 00:32:16,480

hypnotic regressions uh uh there are

738

00:32:20,789 --> 00:32:18,880

numerous problems associated with that

739

00:32:22,630 --> 00:32:20,799

uh also with lucid dreams what's the

740

00:32:24,310 --> 00:32:22,640

difference between what is a lucid dream

741

00:32:25,990 --> 00:32:24,320

and what is not a lucid dream

742

00:32:27,509 --> 00:32:26,000

same thing with channeling how do you

743

00:32:30,310 --> 00:32:27,519

know someone's channeling

744

00:32:31,830 --> 00:32:30,320

a real entity versus someone that's uh

745

00:32:32,470 --> 00:32:31,840

you know thinking that he's channeling

746

00:32:34,549 --> 00:32:32,480

someone

747

00:32:36,230 --> 00:32:34,559

so we just only allowed conscious

748

00:32:38,470 --> 00:32:36,240

explicit memories

749

00:32:39,430 --> 00:32:38,480

also we develop our surveys in multiple

750

00:32:42,470 --> 00:32:39,440

languages in

751
00:32:45,830 --> 00:32:42,480
english spanish french german

752
00:32:46,710 --> 00:32:45,840
slovak and very soon in the chinese

753
00:32:48,710 --> 00:32:46,720
language

754
00:32:50,630 --> 00:32:48,720
so what i'm going to tell you now are

755
00:32:54,389 --> 00:32:50,640
the data research findings

756
00:32:58,549 --> 00:32:56,149
all together for the english language

757
00:33:03,710 --> 00:32:58,559
survey and we closed the survey

758
00:33:06,630 --> 00:33:03,720
june the 1st 2018. for phase one we had

759
00:33:09,669 --> 00:33:06,640
4145 individuals that responded

760
00:33:09,990 --> 00:33:09,679
from over 125 countries that's why i

761
00:33:14,070 --> 00:33:10,000
said

762
00:33:15,830 --> 00:33:14,080
before that there's no quantitative data

763
00:33:18,230 --> 00:33:15,840

anywhere near what we're doing the

764

00:33:21,350 --> 00:33:18,240

closest thing was dr kenneth ring

765

00:33:22,870 --> 00:33:21,360

uh he compared 85 people that had ufo

766

00:33:25,509 --> 00:33:22,880

contact experiences

767

00:33:27,110 --> 00:33:25,519

mainly abductees with 85 people had

768

00:33:30,470 --> 00:33:27,120

near-death experiences

769

00:33:31,430 --> 00:33:30,480

so that's just uh 85 people and here we

770

00:33:35,350 --> 00:33:31,440

have 4

771

00:33:38,070 --> 00:33:35,360

145 people which is a huge number

772

00:33:38,950 --> 00:33:38,080

for phase 2 we had two hundred ninety

773

00:33:41,590 --> 00:33:38,960

two people

774

00:33:43,750 --> 00:33:41,600

that responded and for phase three we

775

00:33:44,710 --> 00:33:43,760

had one thousand four hundred and fifty

776
00:33:46,870 --> 00:33:44,720
six people

777
00:33:47,750 --> 00:33:46,880
that responded to phase three now as i

778
00:33:50,230 --> 00:33:47,760
said before

779
00:33:51,750 --> 00:33:50,240
phase three is our open-ended survey and

780
00:33:54,710 --> 00:33:51,760
we receive more than 10

781
00:33:57,269 --> 00:33:54,720
000 pages of written responses to these

782
00:33:59,509 --> 00:33:57,279
open-ended questions

783
00:34:01,669 --> 00:33:59,519
now there are four major findings there

784
00:34:03,190 --> 00:34:01,679
are literally hundreds of of findings

785
00:34:05,509 --> 00:34:03,200
for this research study

786
00:34:08,069 --> 00:34:05,519
and these findings totally contradict

787
00:34:09,909 --> 00:34:08,079
what is circulating in ufology

788
00:34:12,389 --> 00:34:09,919

i highly recommend people if you're

789

00:34:15,430 --> 00:34:12,399

there on the internet all the time

790

00:34:16,869 --> 00:34:15,440

or following ufo conferences the vast

791

00:34:18,629 --> 00:34:16,879

majority of these people you think

792

00:34:20,389 --> 00:34:18,639

they're experts you know

793

00:34:22,310 --> 00:34:20,399

no they're not experts because they're

794

00:34:24,230 --> 00:34:22,320

not researchers okay

795

00:34:26,310 --> 00:34:24,240

these people have never collected uh

796

00:34:27,190 --> 00:34:26,320

data anywhere near the level that we've

797

00:34:29,030 --> 00:34:27,200

gotten

798

00:34:30,950 --> 00:34:29,040

so why does it contradict what's

799

00:34:33,270 --> 00:34:30,960

circulating in ufology

800

00:34:34,710 --> 00:34:33,280

very simple because no one has ever done

801
00:34:37,430 --> 00:34:34,720
the data collection before

802
00:34:37,750 --> 00:34:37,440
no no one has ever done what we did okay

803
00:34:39,030 --> 00:34:37,760
and

804
00:34:40,869 --> 00:34:39,040
certainly the people that have these

805
00:34:43,909 --> 00:34:40,879
small data sets

806
00:34:46,389 --> 00:34:43,919
uh these are not phd academics they not

807
00:34:48,310 --> 00:34:46,399
uh do this over a five year period they

808
00:34:50,230 --> 00:34:48,320
did not do it with uh

809
00:34:51,990 --> 00:34:50,240
responses from thousands of people over

810
00:34:53,669 --> 00:34:52,000
125 countries

811
00:34:55,510 --> 00:34:53,679
so let's go over these four important

812
00:34:59,109 --> 00:34:55,520
findings findings number one

813
00:35:02,150 --> 00:34:59,119

okay these experiences were overwhelming

814

00:35:03,990 --> 00:35:02,160

positive okay overwhelmingly they were

815

00:35:07,270 --> 00:35:04,000

positive experiences

816

00:35:08,069 --> 00:35:07,280

number two these experiences resulted in

817

00:35:14,150 --> 00:35:08,079

a positive

818

00:35:15,990 --> 00:35:14,160

view of the individual so they were

819

00:35:17,750 --> 00:35:16,000

totally transformed

820

00:35:19,349 --> 00:35:17,760

okay not in a negative way but in a

821

00:35:21,750 --> 00:35:19,359

positive way

822

00:35:22,550 --> 00:35:21,760

now number three these experiences were

823

00:35:25,270 --> 00:35:22,560

parallel

824

00:35:25,990 --> 00:35:25,280

primarily paranormal experiences they

825

00:35:28,870 --> 00:35:26,000

were not

826

00:35:31,030 --> 00:35:28,880

necessarily physical experiences now

827

00:35:32,790 --> 00:35:31,040

while you might have seen a ufo

828

00:35:34,630 --> 00:35:32,800

while you might have seen a physical

829

00:35:37,829 --> 00:35:34,640

being appear right in front of you

830

00:35:38,710 --> 00:35:37,839

okay the overwhelming majority of these

831

00:35:41,030 --> 00:35:38,720

people's ex

832

00:35:42,230 --> 00:35:41,040

these individuals experiences were

833

00:35:44,710 --> 00:35:42,240

paranormal

834

00:35:46,710 --> 00:35:44,720

and that's my case is a classic example

835

00:35:49,109 --> 00:35:46,720

but as you will soon see

836

00:35:50,870 --> 00:35:49,119

okay that's the vast majority of people

837

00:35:52,390 --> 00:35:50,880

that have had ufo-related contact

838

00:35:55,510 --> 00:35:52,400

experiences

839

00:35:57,270 --> 00:35:55,520

number four okay what we concluded based

840

00:35:59,829 --> 00:35:57,280

upon this research data

841

00:36:00,870 --> 00:35:59,839

is what's taking place with contact

842

00:36:03,910 --> 00:36:00,880

experiences

843

00:36:06,870 --> 00:36:03,920

is a manipulation of space-time okay

844

00:36:08,510 --> 00:36:06,880

which leads to the hypotheses that these

845

00:36:11,670 --> 00:36:08,520

experiences might be

846

00:36:13,430 --> 00:36:11,680

inter-dimensional in nature and that is

847

00:36:17,750 --> 00:36:13,440

one of the major reasons

848

00:36:19,510 --> 00:36:17,760

how they are correlated and associated

849

00:36:21,829 --> 00:36:19,520

with the other contact modalities

850

00:36:23,589 --> 00:36:21,839

because with near-death experiences with

851
00:36:26,390 --> 00:36:23,599
out-of-body experiences with ghosts and

852
00:36:27,190 --> 00:36:26,400
spirits with hallucinogenic journeys etc

853
00:36:30,310 --> 00:36:27,200
etc

854
00:36:32,950 --> 00:36:30,320
remote viewing all of these experiences

855
00:36:33,510 --> 00:36:32,960
involve a manipulation of space-time

856
00:36:34,790 --> 00:36:33,520
okay

857
00:36:36,870 --> 00:36:34,800
and if we're dealing with something that

858
00:36:38,390 --> 00:36:36,880
involves with manipulation of space-time

859
00:36:41,589 --> 00:36:38,400
we're still dealing with something

860
00:36:44,470 --> 00:36:41,599
that's uh interdimensional in nature

861
00:36:45,670 --> 00:36:44,480
and that's consciousness based okay so

862
00:36:49,430 --> 00:36:45,680
let me go into some more

863
00:36:52,390 --> 00:36:49,440

specifics we asked this question

864

00:36:53,030 --> 00:36:52,400

or in whether your experience was

865

00:36:56,230 --> 00:36:53,040

positive

866

00:36:58,550 --> 00:36:56,240

negative or neutral we asked it via 40

867

00:37:00,870 --> 00:36:58,560

different questions okay because

868

00:37:02,950 --> 00:37:00,880

depending on how you ask a question

869

00:37:04,310 --> 00:37:02,960

you will get a different response okay

870

00:37:05,990 --> 00:37:04,320

so we wanted to cover

871

00:37:07,589 --> 00:37:06,000

all of our tracks and we asked it in

872

00:37:10,470 --> 00:37:07,599

numerous ways

873

00:37:12,710 --> 00:37:10,480

so the following are just a few of these

874

00:37:14,870 --> 00:37:12,720

examples

875

00:37:16,150 --> 00:37:14,880

okay how would you describe your

876
00:37:19,349 --> 00:37:16,160
experiences

877
00:37:22,069 --> 00:37:19,359
okay was it positive negative

878
00:37:22,870 --> 00:37:22,079
or neutral now a lot of the people that

879
00:37:24,710 --> 00:37:22,880
didn't like

880
00:37:26,870 --> 00:37:24,720
the data the results of our research

881
00:37:27,990 --> 00:37:26,880
study they said oh you're asking tons of

882
00:37:30,150 --> 00:37:28,000
leading questions

883
00:37:31,030 --> 00:37:30,160
you're leading the person to pick uh a

884
00:37:33,589 --> 00:37:31,040
choice

885
00:37:36,150 --> 00:37:33,599
okay well take a look at this question

886
00:37:39,109 --> 00:37:36,160
how would you describe your experiences

887
00:37:40,150 --> 00:37:39,119
was it positive negative or neutral is

888
00:37:44,470 --> 00:37:40,160

that a biased

889

00:37:46,710 --> 00:37:44,480

question is that a leading question

890

00:37:48,710 --> 00:37:46,720

compare it with what all the bs that's

891

00:37:50,710 --> 00:37:48,720

circulating in ufology which is

892

00:37:52,310 --> 00:37:50,720

overwhelmingly based upon hypnotic

893

00:37:54,310 --> 00:37:52,320

regressions okay

894

00:37:56,710 --> 00:37:54,320

hypnotic regressions you go to david

895

00:37:58,550 --> 00:37:56,720

jacobs and he's asking you one leading

896

00:38:02,550 --> 00:37:58,560

question after another

897

00:38:04,710 --> 00:38:02,560

also david uh jacobs has publicly stated

898

00:38:05,990 --> 00:38:04,720

he has never met anyone that's ever had

899

00:38:09,190 --> 00:38:06,000

a positive experience

900

00:38:11,829 --> 00:38:09,200

never but yet richard dolan

901
00:38:13,349 --> 00:38:11,839
holds david jacobs out as the world's

902
00:38:16,230 --> 00:38:13,359
leading

903
00:38:18,069 --> 00:38:16,240
researcher in this arena okay that's

904
00:38:19,349 --> 00:38:18,079
richard dolan he gets invited to every

905
00:38:21,990 --> 00:38:19,359
ufo conference

906
00:38:22,950 --> 00:38:22,000
known to mankind he said david jacobs is

907
00:38:26,390 --> 00:38:22,960
the best

908
00:38:31,430 --> 00:38:29,430
they're all evil they're all bad i've

909
00:38:34,390 --> 00:38:31,440
never met not one person

910
00:38:35,430 --> 00:38:34,400
that's ever had a positive experience

911
00:38:37,430 --> 00:38:35,440
and by the way

912
00:38:39,109 --> 00:38:37,440
i know why they're here on earth these

913
00:38:41,190 --> 00:38:39,119

et's

914

00:38:43,670 --> 00:38:41,200

they're here to create hybrids and to

915

00:38:46,390 --> 00:38:43,680

take over our planet

916

00:38:47,670 --> 00:38:46,400

okay so that's what's circulating in

917

00:38:52,310 --> 00:38:47,680

ufology

918

00:38:55,510 --> 00:38:52,320

of misinformation

919

00:38:56,470 --> 00:38:55,520

and disinformation okay now let's look

920

00:39:00,550 --> 00:38:56,480

at our data

921

00:39:03,589 --> 00:39:00,560

our data is real information from 4 000

922

00:39:06,950 --> 00:39:03,599

almost 400 individuals that have taken

923

00:39:08,630 --> 00:39:06,960

our surveys from over 125 countries

924

00:39:11,349 --> 00:39:08,640

surveys that were supervised and

925

00:39:14,630 --> 00:39:11,359

developed by phd academics

926
00:39:15,750 --> 00:39:14,640
okay not someone that at most work with

927
00:39:18,069 --> 00:39:15,760
200 people

928
00:39:19,510 --> 00:39:18,079
in his own living room the feeding them

929
00:39:22,310 --> 00:39:19,520
leading questions

930
00:39:23,430 --> 00:39:22,320
okay and then say the uh et's uh hybrids

931
00:39:26,550 --> 00:39:23,440
are taking over the world

932
00:39:29,030 --> 00:39:26,560
no that's okay let's

933
00:39:30,390 --> 00:39:29,040
look at this question now when people

934
00:39:32,069 --> 00:39:30,400
were asked that question how would you

935
00:39:32,630 --> 00:39:32,079
describe your experiences were they

936
00:39:35,270 --> 00:39:32,640
positive

937
00:39:37,349 --> 00:39:35,280
negative and neutral the response was 66

938
00:39:41,270 --> 00:39:37,359

percent said it was positive

939

00:39:44,950 --> 00:39:41,280

5 said it was negative and 29

940

00:39:49,670 --> 00:39:46,870

now we even asked for the different

941

00:39:52,390 --> 00:39:49,680

types of beings we had 12 categories

942

00:39:53,430 --> 00:39:52,400

of physical beings uh for people

943

00:39:56,230 --> 00:39:53,440

categorized

944

00:39:57,910 --> 00:39:56,240

what we determined was that the number

945

00:40:00,069 --> 00:39:57,920

one type of being that was seen by

946

00:40:02,630 --> 00:40:00,079

people was not the short grace

947

00:40:04,470 --> 00:40:02,640

but yet if you go to the internet if you

948

00:40:06,230 --> 00:40:04,480

go to these ufo conferences

949

00:40:08,390 --> 00:40:06,240

you know all you think about is just the

950

00:40:11,589 --> 00:40:08,400

short grays or the evil reptilians

951
00:40:11,990 --> 00:40:11,599
okay no that's bs the number one type of

952
00:40:14,870 --> 00:40:12,000
being

953
00:40:15,829 --> 00:40:14,880
seen by ufo contact experiencers were

954
00:40:19,270 --> 00:40:15,839
categorized as

955
00:40:21,750 --> 00:40:19,280
energy beans and other people

956
00:40:23,829 --> 00:40:21,760
okay and the total number of people that

957
00:40:26,950 --> 00:40:23,839
saw an energy being from our survey

958
00:40:29,349 --> 00:40:26,960
was a thousand three hundred and five

959
00:40:30,790 --> 00:40:29,359
now out of those in towards the right we

960
00:40:31,670 --> 00:40:30,800
had the percent that said it was

961
00:40:33,589 --> 00:40:31,680
positive

962
00:40:35,190 --> 00:40:33,599
the percent that said it was negative

963
00:40:37,670 --> 00:40:35,200

and that's in the color red

964

00:40:39,910 --> 00:40:37,680

and the percent that said it was neutral

965

00:40:42,870 --> 00:40:39,920

as you can see for the energy being

966

00:40:44,950 --> 00:40:42,880

48 said it was positive seven percent

967

00:40:48,630 --> 00:40:44,960

seven percent said it was negative

968

00:40:50,870 --> 00:40:48,640

and 45 percent said it was neutral okay

969

00:40:52,150 --> 00:40:50,880

now in terms of the human looking being

970

00:40:55,190 --> 00:40:52,160

that was the number two

971

00:40:59,030 --> 00:40:55,200

type of being okay that was 52

972

00:41:01,109 --> 00:40:59,040

of the people and positive was 61

973

00:41:02,630 --> 00:41:01,119

why because it looked like us it looked

974

00:41:05,670 --> 00:41:02,640

like a human you know

975

00:41:06,309 --> 00:41:05,680

five percent it was negative 24 said it

976

00:41:10,150 --> 00:41:06,319

was

977

00:41:12,550 --> 00:41:10,160

neutral now the evil short grays

978

00:41:14,150 --> 00:41:12,560

okay that david jacobs says that they're

979

00:41:15,349 --> 00:41:14,160

taking over the world that they're

980

00:41:19,109 --> 00:41:15,359

creating hybrids

981

00:41:21,670 --> 00:41:19,119

okay well what did real experiencers say

982

00:41:23,270 --> 00:41:21,680

okay again this is a thousand one

983

00:41:25,510 --> 00:41:23,280

hundred seventy three this is

984

00:41:27,349 --> 00:41:25,520

we did an early cutoff for this data but

985

00:41:29,750 --> 00:41:27,359

we eventually had all more than

986

00:41:31,670 --> 00:41:29,760

uh about a thousand four hundred people

987

00:41:34,230 --> 00:41:31,680

uh in the short gray category

988

00:41:34,870 --> 00:41:34,240

and for the energy beans was over 1600

989

00:41:36,470 --> 00:41:34,880

people

990

00:41:37,990 --> 00:41:36,480

but anyway let's use the this number

991

00:41:41,430 --> 00:41:38,000

that i plucked out

992

00:41:45,030 --> 00:41:41,440

uh out of those 29 29 said it was

993

00:41:46,150 --> 00:41:45,040

positive only 11 percent said it was

994

00:41:49,270 --> 00:41:46,160

negative

995

00:41:50,550 --> 00:41:49,280

and 59 said it was neutral okay

996

00:41:53,670 --> 00:41:50,560

and that's not what's circulating in

997

00:41:54,309 --> 00:41:53,680

ufology now uh the other categories uh

998

00:41:56,230 --> 00:41:54,319

were

999

00:41:57,670 --> 00:41:56,240

spirit or the ghost forms that was the

1000

00:41:59,349 --> 00:41:57,680

number four type of being

1001
00:42:00,950 --> 00:41:59,359
the tall grace and those can be

1002
00:42:03,910 --> 00:42:00,960
described as a

1003
00:42:05,589 --> 00:42:03,920
the the gray looking beans but they were

1004
00:42:06,950 --> 00:42:05,599
five to nine feet tall

1005
00:42:09,829 --> 00:42:06,960
versus the short grays they were three

1006
00:42:12,630 --> 00:42:09,839
to four feet tall the reptilians okay

1007
00:42:14,150 --> 00:42:12,640
the evil dreaded reptilians okay the

1008
00:42:16,550 --> 00:42:14,160
ones that are uh

1009
00:42:17,190 --> 00:42:16,560
raping your wife they're eating your

1010
00:42:20,390 --> 00:42:17,200
daughter

1011
00:42:21,190 --> 00:42:20,400
and barack obama is a reptilian okay all

1012
00:42:24,710 --> 00:42:21,200
of that is

1013
00:42:27,910 --> 00:42:24,720

bs okay 25

1014

00:42:29,990 --> 00:42:27,920

644 people said that they saw reptilians

1015

00:42:32,390 --> 00:42:30,000

okay we're not talking one two or three

1016

00:42:35,510 --> 00:42:32,400

or four people there's 644 people

1017

00:42:35,990 --> 00:42:35,520

okay out of those only 23 said it was

1018

00:42:39,030 --> 00:42:36,000

negative

1019

00:42:40,790 --> 00:42:39,040

that's it 23 okay but when we looked in

1020

00:42:42,069 --> 00:42:40,800

phase three when people wrote out the

1021

00:42:44,390 --> 00:42:42,079

details

1022

00:42:45,990 --> 00:42:44,400

these 644 people they wrote out the

1023

00:42:48,309 --> 00:42:46,000

details of their experiences

1024

00:42:49,190 --> 00:42:48,319

what did we find out it wasn't that the

1025

00:42:51,589 --> 00:42:49,200

reptilian

1026

00:42:52,550 --> 00:42:51,599

raped their wife or um ate their

1027

00:42:55,030 --> 00:42:52,560

children and

1028

00:42:56,630 --> 00:42:55,040

uh i saw barack obama as a reptilian all

1029

00:42:57,589 --> 00:42:56,640

that that's circulating on the

1030

00:42:59,510 --> 00:42:57,599

incident no

1031

00:43:01,510 --> 00:42:59,520

what it was that people were scared of

1032

00:43:04,870 --> 00:43:01,520

what the reptilian looked like

1033

00:43:06,870 --> 00:43:04,880

okay most of these experiences occurred

1034

00:43:08,150 --> 00:43:06,880

up close within a few feet all of a

1035

00:43:08,550 --> 00:43:08,160

sudden the reptilian is right in front

1036

00:43:10,069 --> 00:43:08,560

of you

1037

00:43:11,910 --> 00:43:10,079

and it's just staring at you that's the

1038

00:43:12,950 --> 00:43:11,920

vast majority of these cases staring and

1039

00:43:16,230 --> 00:43:12,960

looking at you

1040

00:43:18,870 --> 00:43:16,240

okay imagine these are

1041

00:43:19,349 --> 00:43:18,880

uh entities that are like seven to eight

1042

00:43:23,750 --> 00:43:19,359

feet

1043

00:43:26,550 --> 00:43:23,760

body with a long tail

1044

00:43:28,230 --> 00:43:26,560

they have a slit like a cat eyes okay

1045

00:43:29,430 --> 00:43:28,240

and they're massive they're like four or

1046

00:43:30,550 --> 00:43:29,440

five hundred pounds

1047

00:43:33,349 --> 00:43:30,560

and they're right in front of you

1048

00:43:35,829 --> 00:43:33,359

looking at you okay the average human

1049

00:43:39,030 --> 00:43:35,839

being would be defecating in their pants

1050

00:43:42,069 --> 00:43:39,040

if this occurred to them okay so

1051
00:43:42,550 --> 00:43:42,079
that's why the 23 said that it was

1052
00:43:44,550 --> 00:43:42,560
negative

1053
00:43:45,990 --> 00:43:44,560
because they were scared of what it

1054
00:43:49,349 --> 00:43:46,000
looked like okay

1055
00:43:51,510 --> 00:43:49,359
now many of these people over time

1056
00:43:53,349 --> 00:43:51,520
they thought well what did it do did it

1057
00:43:55,670 --> 00:43:53,359
harm me no it didn't harm me

1058
00:43:57,430 --> 00:43:55,680
so that's why you get 60 said it was a

1059
00:43:59,109 --> 00:43:57,440
neutral experience

1060
00:44:00,950 --> 00:43:59,119
okay but that wasn't their initial

1061
00:44:02,230 --> 00:44:00,960
experience the initial experience was

1062
00:44:04,710 --> 00:44:02,240
dread and fear

1063
00:44:05,990 --> 00:44:04,720

but yet over time when they reflected

1064

00:44:08,470 --> 00:44:06,000

upon their experience

1065

00:44:09,589 --> 00:44:08,480

then the negativity went down

1066

00:44:11,030 --> 00:44:09,599

tremendously

1067

00:44:13,589 --> 00:44:11,040

and i'm going to show you a couple of

1068

00:44:15,990 --> 00:44:13,599

examples of that

1069

00:44:16,630 --> 00:44:16,000

okay now again this is another leading

1070

00:44:23,910 --> 00:44:16,640

question

1071

00:44:26,630 --> 00:44:23,920

you were gearing people to uh to a fixed

1072

00:44:28,790 --> 00:44:26,640

answer okay that's the type of

1073

00:44:31,910 --> 00:44:28,800

response we got when people didn't like

1074

00:44:33,109 --> 00:44:31,920

the the data findings okay so we asked

1075

00:44:35,430 --> 00:44:33,119

this question

1076

00:44:36,230 --> 00:44:35,440

if you could stop your et contact

1077

00:44:37,990 --> 00:44:36,240

experiences

1078

00:44:39,270 --> 00:44:38,000

would you very simple and

1079

00:44:43,109 --> 00:44:39,280

straightforward question

1080

00:44:45,109 --> 00:44:43,119

well 84 said no don't stop it keep it

1081

00:44:48,069 --> 00:44:45,119

coming baby keep it coming

1082

00:44:48,790 --> 00:44:48,079

okay again that's hardcore data those

1083

00:44:50,630 --> 00:44:48,800

are facts

1084

00:44:53,109 --> 00:44:50,640

that's not the bs that's circulating in

1085

00:44:55,670 --> 00:44:53,119

ufology

1086

00:44:56,710 --> 00:44:55,680

another question oh this is another

1087

00:44:59,829 --> 00:44:56,720

leading question

1088

00:45:00,870 --> 00:44:59,839

another bias question okay so you tell

1089

00:45:03,910 --> 00:45:00,880

me

1090

00:45:06,069 --> 00:45:03,920

do you believe that the et's are bad

1091

00:45:11,829 --> 00:45:06,079

malevolent or evil

1092

00:45:16,550 --> 00:45:15,030

okay let's go into this next category

1093

00:45:18,069 --> 00:45:16,560

okay that the contact experience

1094

00:45:20,790 --> 00:45:18,079

resulted in a positive

1095

00:45:22,390 --> 00:45:20,800

transformation of the experimenter in

1096

00:45:23,510 --> 00:45:22,400

other words these people were totally

1097

00:45:26,309 --> 00:45:23,520

transformed

1098

00:45:27,670 --> 00:45:26,319

to become better human beings okay now

1099

00:45:28,950 --> 00:45:27,680

let's go over those details

1100

00:45:32,230 --> 00:45:28,960

again you won't hear that in your

1101
00:45:33,589 --> 00:45:32,240
apology okay you won't hear that okay

1102
00:45:35,910 --> 00:45:33,599
but if you talk to experiencers

1103
00:45:36,870 --> 00:45:35,920
one-on-one the vast majority will tell

1104
00:45:38,870 --> 00:45:36,880
you that

1105
00:45:40,710 --> 00:45:38,880
uh unlike david jacobs if someone

1106
00:45:42,710 --> 00:45:40,720
approached bud hopkins or david jacobs

1107
00:45:45,190 --> 00:45:42,720
with a positive experience

1108
00:45:47,030 --> 00:45:45,200
they said no no i'm too busy i won't be

1109
00:45:47,750 --> 00:45:47,040
able to hypnotically regress you i'm not

1110
00:45:50,790 --> 00:45:47,760
interested

1111
00:45:51,750 --> 00:45:50,800
okay that's widely known okay with so

1112
00:45:54,390 --> 00:45:51,760
many people

1113
00:45:55,430 --> 00:45:54,400

that uh that approach uh david jacobs

1114

00:45:57,670 --> 00:45:55,440

and bob hopkins

1115

00:45:59,670 --> 00:45:57,680

they will not work with you if you had a

1116

00:46:01,349 --> 00:45:59,680

positive experience

1117

00:46:03,829 --> 00:46:01,359

and if people want names i'll give them

1118

00:46:05,109 --> 00:46:03,839

names of people that approach them

1119

00:46:07,910 --> 00:46:05,119

and that because they had a positive

1120

00:46:11,349 --> 00:46:07,920

experience they said no

1121

00:46:14,870 --> 00:46:11,359

now we got this uh

1122

00:46:16,710 --> 00:46:14,880

the questions from this research study

1123

00:46:19,430 --> 00:46:16,720

this research study was done by dr

1124

00:46:21,430 --> 00:46:19,440

kenneth ring he was a tenured professor

1125

00:46:22,710 --> 00:46:21,440

of psychology at the university of

1126
00:46:24,710 --> 00:46:22,720
connecticut

1127
00:46:25,990 --> 00:46:24,720
uh he was a tenured professor for over

1128
00:46:29,190 --> 00:46:26,000
35 years

1129
00:46:30,950 --> 00:46:29,200
and in 1992 he published a book uh

1130
00:46:33,670 --> 00:46:30,960
titled the omega project

1131
00:46:35,829 --> 00:46:33,680
near-death experiences ufo encounters

1132
00:46:37,829 --> 00:46:35,839
and the mind at large

1133
00:46:40,230 --> 00:46:37,839
and this is as i said before one of the

1134
00:46:43,910 --> 00:46:40,240
few statistical research studies

1135
00:46:45,910 --> 00:46:43,920
that incorporated ufo uh abductees

1136
00:46:49,190 --> 00:46:45,920
and in this statistical research study

1137
00:46:51,510 --> 00:46:49,200
he had 85 ufo abductees

1138
00:46:53,109 --> 00:46:51,520

and he compared them he gave them both

1139

00:46:56,550 --> 00:46:53,119

the same questions

1140

00:46:58,069 --> 00:46:56,560

uh to 85 nde experiencers so he asked

1141

00:47:01,030 --> 00:46:58,079

over 400 questions

1142

00:47:02,069 --> 00:47:01,040

to both groups and he asked over 70

1143

00:47:05,349 --> 00:47:02,079

questions

1144

00:47:07,270 --> 00:47:05,359

on how did both groups change

1145

00:47:08,790 --> 00:47:07,280

from these experiences how were they

1146

00:47:11,829 --> 00:47:08,800

before and how were they

1147

00:47:13,990 --> 00:47:11,839

after their experiences and what he

1148

00:47:16,470 --> 00:47:14,000

found out was that for both groups

1149

00:47:17,829 --> 00:47:16,480

for both the abductees and the nde

1150

00:47:19,430 --> 00:47:17,839

experiencers that between

1151
00:47:21,670 --> 00:47:19,440
the the questions that would ask of

1152
00:47:22,150 --> 00:47:21,680
these 70 questions it was anywhere from

1153
00:47:25,270 --> 00:47:22,160
between

1154
00:47:27,430 --> 00:47:25,280
75 to 85 percent stated that these were

1155
00:47:29,589 --> 00:47:27,440
positive changes

1156
00:47:31,030 --> 00:47:29,599
now what we did is we borrowed about 60

1157
00:47:34,549 --> 00:47:31,040
of these questions

1158
00:47:36,470 --> 00:47:34,559
and we put them in our questionnaire

1159
00:47:37,750 --> 00:47:36,480
because we wanted to see what were

1160
00:47:40,870 --> 00:47:37,760
thousands of people saying

1161
00:47:42,549 --> 00:47:40,880
instead of 85 ufo objectives okay to see

1162
00:47:43,349 --> 00:47:42,559
if it matches up with what kenneth ring

1163
00:47:44,630 --> 00:47:43,359

came up with

1164

00:47:46,790 --> 00:47:44,640

so let's take a look at some of that

1165

00:47:50,710 --> 00:47:46,800

data okay

1166

00:47:52,230 --> 00:47:50,720

again another leading question oh ray

1167

00:47:54,549 --> 00:47:52,240

you know you got the answers you got

1168

00:47:57,510 --> 00:47:54,559

because you were so biased

1169

00:47:59,190 --> 00:47:57,520

this survey was so biased okay these

1170

00:47:59,990 --> 00:47:59,200

people had never even read the research

1171

00:48:02,309 --> 00:48:00,000

questions

1172

00:48:03,030 --> 00:48:02,319

or knew them so we asked this question

1173

00:48:07,510 --> 00:48:03,040

okay

1174

00:48:09,510 --> 00:48:07,520

how did et contact change your life

1175

00:48:10,950 --> 00:48:09,520

was it highly positive effect on

1176

00:48:12,870 --> 00:48:10,960

changing your life

1177

00:48:14,069 --> 00:48:12,880

slightly positive effect on changing

1178

00:48:18,549 --> 00:48:14,079

your life

1179

00:48:19,109 --> 00:48:18,559

slightly negative effect on changing

1180

00:48:21,510 --> 00:48:19,119

your life

1181

00:48:22,390 --> 00:48:21,520

or highly negative effect on changing

1182

00:48:25,750 --> 00:48:22,400

your life

1183

00:48:28,390 --> 00:48:25,760

well guess what 73

1184

00:48:31,270 --> 00:48:28,400

said it was a positive effect on

1185

00:48:35,109 --> 00:48:31,280

changing my life for the positive

1186

00:48:35,990 --> 00:48:35,119

neutral was 17 slightly negative was six

1187

00:48:37,990 --> 00:48:36,000

percent

1188

00:48:39,589 --> 00:48:38,000

okay highly negative which is what's

1189

00:48:42,790 --> 00:48:39,599

circulating in ufology

1190

00:48:45,829 --> 00:48:42,800

and david jacobs and bud hopkins okay

1191

00:48:48,150 --> 00:48:45,839

only four percent all right

1192

00:48:50,069 --> 00:48:48,160

four percent but yet that's the

1193

00:48:51,670 --> 00:48:50,079

that's circulating within ufology with

1194

00:48:54,470 --> 00:48:51,680

some of these researchers

1195

00:48:55,670 --> 00:48:54,480

why because they never did the data they

1196

00:48:57,910 --> 00:48:55,680

never did the data

1197

00:48:59,030 --> 00:48:57,920

all they do is going word of mouth of

1198

00:49:01,030 --> 00:48:59,040

what's circulating

1199

00:49:03,190 --> 00:49:01,040

okay they never did any statistical

1200

00:49:05,750 --> 00:49:03,200

analysis where they asked the same

1201
00:49:08,390 --> 00:49:05,760
question to thousands of people ufo

1202
00:49:10,710 --> 00:49:08,400
experiencers both objectives

1203
00:49:12,710 --> 00:49:10,720
and contactees now let me get into that

1204
00:49:16,230 --> 00:49:12,720
in a couple of minutes

1205
00:49:16,950 --> 00:49:16,240
okay overall depending on the questions

1206
00:49:20,150 --> 00:49:16,960
that we asked

1207
00:49:21,270 --> 00:49:20,160
between 73 to 85 of the ufo related

1208
00:49:23,910 --> 00:49:21,280
contact experiences

1209
00:49:26,630 --> 00:49:23,920
underwent a profound psychological

1210
00:49:29,190 --> 00:49:26,640
profile change for the positive

1211
00:49:31,510 --> 00:49:29,200
now the following is just a few examples

1212
00:49:35,030 --> 00:49:31,520
of the various questions we asked

1213
00:49:36,390 --> 00:49:35,040

okay in here we started a question that

1214

00:49:39,190 --> 00:49:36,400

says since i first became

1215

00:49:40,069 --> 00:49:39,200

interested or had my ufo contact

1216

00:49:43,190 --> 00:49:40,079

experience

1217

00:49:45,349 --> 00:49:43,200

okay and to the left you'll see

1218

00:49:47,109 --> 00:49:45,359

the question and let me just repeat some

1219

00:49:48,069 --> 00:49:47,119

of these questions my desire to help

1220

00:49:54,470 --> 00:49:48,079

others

1221

00:49:57,030 --> 00:49:54,480

of the ordinary things of life my

1222

00:49:59,349 --> 00:49:57,040

sensitivity to the suffering of others

1223

00:50:01,670 --> 00:49:59,359

my concern with spiritual matters my

1224

00:50:05,750 --> 00:50:01,680

desire to achieve a higher consciousness

1225

00:50:08,069 --> 00:50:05,760

all of this increased okay substantially

1226

00:50:09,829 --> 00:50:08,079

okay as you can see the two columns one

1227

00:50:11,190 --> 00:50:09,839

is strongly increased the other one is

1228

00:50:14,150 --> 00:50:11,200

increased somewhat

1229

00:50:16,069 --> 00:50:14,160

almost all of these are above 75 percent

1230

00:50:17,589 --> 00:50:16,079

now strongly decrease as you could see

1231

00:50:18,470 --> 00:50:17,599

it's like less than one percent there

1232

00:50:22,470 --> 00:50:18,480

was one

1233

00:50:25,030 --> 00:50:22,480

that was uh uh almost three percent

1234

00:50:25,990 --> 00:50:25,040

all right but almost all of these almost

1235

00:50:29,990 --> 00:50:26,000

75 percent

1236

00:50:32,630 --> 00:50:30,000

were increased okay all right um

1237

00:50:33,430 --> 00:50:32,640

for the positive having more compassion

1238

00:50:35,589 --> 00:50:33,440

for people

1239

00:50:37,270 --> 00:50:35,599

okay compassion for the sufferings of

1240

00:50:39,750 --> 00:50:37,280

others spirituality

1241

00:50:41,430 --> 00:50:39,760

okay let me go for some other questions

1242

00:50:42,069 --> 00:50:41,440

my appreciation of nature all of a

1243

00:50:43,589 --> 00:50:42,079

sudden

1244

00:50:45,349 --> 00:50:43,599

they're not polluting things they're not

1245

00:50:46,710 --> 00:50:45,359

throwing garbage out the street you know

1246

00:50:48,790 --> 00:50:46,720

they'll tell someone look pick up that

1247

00:50:50,390 --> 00:50:48,800

cigarette butt you know their spiritual

1248

00:50:50,870 --> 00:50:50,400

feelings okay all of a sudden they

1249

00:50:53,430 --> 00:50:50,880

become

1250

00:50:54,790 --> 00:50:53,440

highly spiritual and less religious and

1251
00:50:55,430 --> 00:50:54,800
you'll see that in a couple of minutes

1252
00:50:57,750 --> 00:50:55,440
okay

1253
00:50:58,870 --> 00:50:57,760
their concern for the welfare of planet

1254
00:51:01,030 --> 00:50:58,880
earth again

1255
00:51:01,910 --> 00:51:01,040
what is that 85 percent of the people

1256
00:51:03,990 --> 00:51:01,920
okay

1257
00:51:06,150 --> 00:51:04,000
uh strong strongly increased their

1258
00:51:08,069 --> 00:51:06,160
concern for the welfare planet earth

1259
00:51:10,390 --> 00:51:08,079
their understanding of what life is all

1260
00:51:11,109 --> 00:51:10,400
about before like myself i ran through

1261
00:51:12,790 --> 00:51:11,119
life

1262
00:51:14,790 --> 00:51:12,800
thinking you live and you die and that's

1263
00:51:16,710 --> 00:51:14,800

it okay all of a sudden

1264

00:51:18,150 --> 00:51:16,720

you know i have a better understanding

1265

00:51:19,829 --> 00:51:18,160

of what life is all about

1266

00:51:21,670 --> 00:51:19,839

what what is my mission here what am i

1267

00:51:24,470 --> 00:51:21,680

doing here what i'm supposed to do

1268

00:51:25,829 --> 00:51:24,480

okay my purpose in life my concern with

1269

00:51:28,950 --> 00:51:25,839

ecological matters

1270

00:51:32,150 --> 00:51:28,960

okay now let's look at the opposite okay

1271

00:51:32,870 --> 00:51:32,160

what decreased okay again we asked that

1272

00:51:34,870 --> 00:51:32,880

same question

1273

00:51:37,589 --> 00:51:34,880

since i first became interested or since

1274

00:51:41,109 --> 00:51:37,599

i first had my ufo contact experience

1275

00:51:42,470 --> 00:51:41,119

okay um let uh my concern with material

1276
00:51:46,069 --> 00:51:42,480
things

1277
00:51:46,630 --> 00:51:46,079
decreased 67 decreased okay all of a

1278
00:51:47,750 --> 00:51:46,640
sudden

1279
00:51:49,829 --> 00:51:47,760
they didn't care about having a new

1280
00:51:51,750 --> 00:51:49,839
mercedes benz every year okay they'll

1281
00:51:53,510 --> 00:51:51,760
drive the same old honda accord

1282
00:51:55,190 --> 00:51:53,520
you know uh that they've had for the

1283
00:51:55,750 --> 00:51:55,200
last 15 years that's that's good and

1284
00:51:57,670 --> 00:51:55,760
dandy

1285
00:51:59,109 --> 00:51:57,680
i don't need money i don't need material

1286
00:52:01,430 --> 00:51:59,119
things okay

1287
00:52:02,390 --> 00:52:01,440
my interest in organized religion all of

1288
00:52:06,069 --> 00:52:02,400

a sudden

1289

00:52:09,430 --> 00:52:06,079

was that 63 decreased okay

1290

00:52:12,549 --> 00:52:09,440

um neutral was uh didn't change was

1291

00:52:14,710 --> 00:52:12,559

uh 27 okay so

1292

00:52:15,670 --> 00:52:14,720

people's interest in organized religion

1293

00:52:19,430 --> 00:52:15,680

went down

1294

00:52:21,430 --> 00:52:19,440

okay my wife was a case example every

1295

00:52:22,710 --> 00:52:21,440

sunday we had to go to mass every

1296

00:52:25,670 --> 00:52:22,720

thursday we had a group

1297

00:52:27,190 --> 00:52:25,680

go to a group prayer meeting you know um

1298

00:52:29,030 --> 00:52:27,200

all of a sudden my wife now

1299

00:52:30,309 --> 00:52:29,040

once every six months he goes to mass

1300

00:52:33,270 --> 00:52:30,319

okay

1301
00:52:35,589 --> 00:52:33,280
but yet that's most of the people that

1302
00:52:37,910 --> 00:52:35,599
have had these ufo contact experiences

1303
00:52:39,190 --> 00:52:37,920
my competitive tendencies again

1304
00:52:39,750 --> 00:52:39,200
decreased all of a sudden they don't

1305
00:52:43,589 --> 00:52:39,760
care

1306
00:52:45,270 --> 00:52:43,599
to squash someone else okay no

1307
00:52:46,870 --> 00:52:45,280
they're not as competitive they don't

1308
00:52:47,829 --> 00:52:46,880
want to destroy someone else to get

1309
00:52:50,549 --> 00:52:47,839
ahead

1310
00:52:51,430 --> 00:52:50,559
very important fear of death okay as you

1311
00:52:53,829 --> 00:52:51,440
can see

1312
00:52:55,589 --> 00:52:53,839
73 percent of the people strongly

1313
00:52:59,190 --> 00:52:55,599

decrease their fear of death

1314

00:53:01,589 --> 00:52:59,200

okay change that was neutral about 24

1315

00:53:03,270 --> 00:53:01,599

okay for the people that then had a fear

1316

00:53:04,870 --> 00:53:03,280

of death afterwards

1317

00:53:07,829 --> 00:53:04,880

okay that increased or increased

1318

00:53:09,589 --> 00:53:07,839

somewhat it was what four percent

1319

00:53:11,589 --> 00:53:09,599

that's it those are usually the people

1320

00:53:14,069 --> 00:53:11,599

that are fear-based okay

1321

00:53:14,710 --> 00:53:14,079

um the four percent that view it is

1322

00:53:18,710 --> 00:53:14,720

strictly

1323

00:53:20,950 --> 00:53:18,720

uh negative so again my fear of death

1324

00:53:21,750 --> 00:53:20,960

strongly decreased for the vast majority

1325

00:53:23,670 --> 00:53:21,760

of these people

1326

00:53:24,870 --> 00:53:23,680

my desire to become a well-known person

1327

00:53:28,150 --> 00:53:24,880

to become famous again

1328

00:53:30,390 --> 00:53:28,160

strongly decreased so that's why we

1329

00:53:32,710 --> 00:53:30,400

argue that these experiences

1330

00:53:33,829 --> 00:53:32,720

totally change the psychological profile

1331

00:53:36,630 --> 00:53:33,839

the worldview

1332

00:53:39,589 --> 00:53:36,640

of these experiences for the positive

1333

00:53:42,150 --> 00:53:39,599

wouldn't it be great not to fear death

1334

00:53:44,390 --> 00:53:42,160

wouldn't it be great okay for you not to

1335

00:53:46,309 --> 00:53:44,400

be concerned with material things

1336

00:53:48,390 --> 00:53:46,319

okay wouldn't it be great for you to

1337

00:53:50,470 --> 00:53:48,400

become much much more spiritual

1338

00:53:52,069 --> 00:53:50,480

okay for you to become much more

1339

00:53:54,230 --> 00:53:52,079

ecological okay

1340

00:53:55,670 --> 00:53:54,240

for you to have compassion for others to

1341

00:53:59,750 --> 00:53:55,680

become more loving

1342

00:54:03,589 --> 00:53:59,760

for uh uh for humanity and your friends

1343

00:54:04,309 --> 00:54:03,599

okay so this is what ufology doesn't

1344

00:54:07,270 --> 00:54:04,319

talk about

1345

00:54:09,270 --> 00:54:07,280

okay but yet our research study our free

1346

00:54:12,710 --> 00:54:09,280

research study from thousands of people

1347

00:54:13,510 --> 00:54:12,720

confirms this now the third major

1348

00:54:15,910 --> 00:54:13,520

finding

1349

00:54:17,190 --> 00:54:15,920

that ufo contact experiences have

1350

00:54:20,390 --> 00:54:17,200

primarily had

1351

00:54:23,030 --> 00:54:20,400

paranormal experiences and not

1352

00:54:24,950 --> 00:54:23,040

primarily physical contact experiences

1353

00:54:27,670 --> 00:54:24,960

with non-human intelligence

1354

00:54:28,390 --> 00:54:27,680

before or after their sighting of a ufo

1355

00:54:30,630 --> 00:54:28,400

okay

1356

00:54:32,790 --> 00:54:30,640

now let's discuss this as i said before

1357

00:54:34,470 --> 00:54:32,800

people are seeing a ufo

1358

00:54:36,829 --> 00:54:34,480

okay they've had to have some type of

1359

00:54:38,150 --> 00:54:36,839

contact experience with a non-human

1360

00:54:40,710 --> 00:54:38,160

intelligence

1361

00:54:43,030 --> 00:54:40,720

but the overwhelming majority of these

1362

00:54:44,549 --> 00:54:43,040

people's experiences

1363

00:54:46,390 --> 00:54:44,559

were paranormal in nature all of a

1364

00:54:47,829 --> 00:54:46,400

sudden you begin to see ghosts and

1365

00:54:49,670 --> 00:54:47,839

spirits all of a sudden you begin to

1366

00:54:52,950 --> 00:54:49,680

have out-of-body experiences

1367

00:54:55,910 --> 00:54:52,960

i'll give you some of those examples

1368

00:54:57,109 --> 00:54:55,920

okay question have you ever had an

1369

00:54:59,750 --> 00:54:57,119

out-of-body experience

1370

00:55:01,829 --> 00:54:59,760

again oh ray your research study asked

1371

00:55:04,549 --> 00:55:01,839

all of these leading questions

1372

00:55:05,990 --> 00:55:04,559

okay is that a leading question have you

1373

00:55:09,349 --> 00:55:06,000

ever had an out-of-body experience yes

1374

00:55:10,630 --> 00:55:09,359

or no of course not okay so these people

1375

00:55:11,910 --> 00:55:10,640

that are attacking this is because they

1376

00:55:13,670 --> 00:55:11,920

don't like the results

1377

00:55:15,750 --> 00:55:13,680

they don't like what really is happening

1378

00:55:19,030 --> 00:55:15,760

to experience they rather listen

1379

00:55:21,510 --> 00:55:19,040

to david jacobs talk about um you know

1380

00:55:23,910 --> 00:55:21,520

e.t you know uh uh taking over the

1381

00:55:26,390 --> 00:55:23,920

planet and richard dolan saying that uh

1382

00:55:27,750 --> 00:55:26,400

that david jacobs is the best researcher

1383

00:55:28,789 --> 00:55:27,760

that's out there he's the best thing

1384

00:55:31,829 --> 00:55:28,799

since sliced bread

1385

00:55:33,190 --> 00:55:31,839

okay that's what ufology gets okay from

1386

00:55:35,670 --> 00:55:33,200

these people that are totally

1387

00:55:36,870 --> 00:55:35,680

clueless as to what's going on okay so

1388

00:55:38,630 --> 00:55:36,880

have you ever had an out-of-body

1389

00:55:40,230 --> 00:55:38,640

experience well 80 percent of the people

1390

00:55:42,069 --> 00:55:40,240

said yes

1391

00:55:43,670 --> 00:55:42,079

huge numbers have you ever had a

1392

00:55:47,349 --> 00:55:43,680

near-death experience

1393

00:55:49,270 --> 00:55:47,359

37 said yes okay

1394

00:55:51,430 --> 00:55:49,280

um have you ever had a medical healing

1395

00:55:52,309 --> 00:55:51,440

either on yourself or a member of your

1396

00:55:56,870 --> 00:55:52,319

family

1397

00:56:00,470 --> 00:55:56,880

by non-human intelligence you know iet

1398

00:56:02,309 --> 00:56:00,480

50 said yes huge numbers 50

1399

00:56:04,789 --> 00:56:02,319

like remember i told you about my dog

1400

00:56:06,789 --> 00:56:04,799

that was healed by this energy being

1401
00:56:08,230 --> 00:56:06,799
well guess what i'm not the only game in

1402
00:56:09,829 --> 00:56:08,240
town here 50

1403
00:56:12,470 --> 00:56:09,839
of the people had a medical healing as a

1404
00:56:15,190 --> 00:56:12,480
matter of fact i will send to everyone

1405
00:56:16,390 --> 00:56:15,200
that requests chapter six from our book

1406
00:56:18,950 --> 00:56:16,400
which is a book

1407
00:56:20,230 --> 00:56:18,960
that has a chapter on medical healings

1408
00:56:22,950 --> 00:56:20,240
it has uh 12

1409
00:56:23,589 --> 00:56:22,960
case studies and our entire research

1410
00:56:26,069 --> 00:56:23,599
data

1411
00:56:26,950 --> 00:56:26,079
on medical healings that's 50 of the

1412
00:56:29,510 --> 00:56:26,960
people okay

1413
00:56:30,789 --> 00:56:29,520

did you ever exp that your experience

1414

00:56:33,670 --> 00:56:30,799

involves some type of

1415

00:56:34,950 --> 00:56:33,680

telepathic communication or a thought

1416

00:56:38,789 --> 00:56:34,960

transference

1417

00:56:41,829 --> 00:56:38,799

okay given to you by et well 78

1418

00:56:45,510 --> 00:56:41,839

almost eight out of 10 people

1419

00:56:47,670 --> 00:56:45,520

have had telepathic uh communication or

1420

00:56:48,870 --> 00:56:47,680

uh what is commonly called a download a

1421

00:56:52,789 --> 00:56:48,880

thought transference

1422

00:56:57,349 --> 00:56:52,799

okay from uh from et huge numbers

1423

00:56:59,589 --> 00:56:57,359

78 okay have you had contact with et or

1424

00:57:00,910 --> 00:56:59,599

non-human intelligence in a matrix like

1425

00:57:02,150 --> 00:57:00,920

reality which means in a

1426

00:57:04,630 --> 00:57:02,160

multi-dimensional

1427

00:57:05,349 --> 00:57:04,640

type of reality and that's 50 of the

1428

00:57:08,710 --> 00:57:05,359

people again

1429

00:57:09,670 --> 00:57:08,720

huge numbers if any of you saw the movie

1430

00:57:12,309 --> 00:57:09,680

contact

1431

00:57:13,750 --> 00:57:12,319

with um goodness that actress that won

1432

00:57:16,950 --> 00:57:13,760

two academy awards

1433

00:57:19,430 --> 00:57:16,960

i forgot really but uh look yes

1434

00:57:20,950 --> 00:57:19,440

yes jody foster very very famous actress

1435

00:57:24,150 --> 00:57:20,960

two academy awards

1436

00:57:27,270 --> 00:57:24,160

um this movie contact she was brought to

1437

00:57:29,670 --> 00:57:27,280

a multi-dimensional matrix reality okay

1438

00:57:30,870 --> 00:57:29,680

well guess what jody foster's not the

1439

00:57:33,549 --> 00:57:30,880

only game in town

1440

00:57:35,510 --> 00:57:33,559

50 of the people were brought to this

1441

00:57:38,470 --> 00:57:35,520

multi-dimensional matrix reality

1442

00:57:39,990 --> 00:57:38,480

i had that experience myself okay well i

1443

00:57:40,870 --> 00:57:40,000

was driving my car in the middle of a

1444

00:57:42,789 --> 00:57:40,880

traffic jam

1445

00:57:44,069 --> 00:57:42,799

okay all of a sudden boom i'm not in the

1446

00:57:46,150 --> 00:57:44,079

car anymore i'm in

1447

00:57:48,309 --> 00:57:46,160

some other reality and i was taken

1448

00:57:50,549 --> 00:57:48,319

outside of space-time because

1449

00:57:52,710 --> 00:57:50,559

time did not elapse when i was brought

1450

00:57:55,030 --> 00:57:52,720

back i was brought right back to the car

1451
00:57:56,230 --> 00:57:55,040
no time had elapsed but yet i was in

1452
00:57:58,870 --> 00:57:56,240
that other reality like

1453
00:58:00,630 --> 00:57:58,880
20 to 30 minutes okay but yet this is

1454
00:58:01,589 --> 00:58:00,640
extremely common people have heard of

1455
00:58:03,990 --> 00:58:01,599
missing time

1456
00:58:05,349 --> 00:58:04,000
okay this is sort of like a parallel to

1457
00:58:08,549 --> 00:58:05,359
this missing time

1458
00:58:10,390 --> 00:58:08,559
uh past life memories okay have you ever

1459
00:58:11,990 --> 00:58:10,400
had a past life memory for example a

1460
00:58:13,190 --> 00:58:12,000
memory of your consciousness in a

1461
00:58:16,309 --> 00:58:13,200
previous life

1462
00:58:18,549 --> 00:58:16,319
66 so as you can get

1463
00:58:20,150 --> 00:58:18,559

enough a feel for it these people were

1464

00:58:22,549 --> 00:58:20,160

not just seeing ufos

1465

00:58:23,990 --> 00:58:22,559

okay they were having a whole array of

1466

00:58:27,270 --> 00:58:24,000

paranormal experiences

1467

00:58:29,349 --> 00:58:27,280

and our data proves it

1468

00:58:30,950 --> 00:58:29,359

have you ever seen what can be described

1469

00:58:34,150 --> 00:58:30,960

as a ghost or a spirit

1470

00:58:37,030 --> 00:58:34,160

76 almost 8 out of 10 people

1471

00:58:37,990 --> 00:58:37,040

uh you know have seen a ghost through

1472

00:58:40,630 --> 00:58:38,000

spirit

1473

00:58:41,190 --> 00:58:40,640

again this is not just about ufos people

1474

00:58:43,670 --> 00:58:41,200

this is

1475

00:58:44,950 --> 00:58:43,680

way way more complicated way way more

1476

00:58:47,670 --> 00:58:44,960

complicated than just

1477

00:58:49,270 --> 00:58:47,680

ufology nuts and bolts ufology all those

1478

00:58:50,230 --> 00:58:49,280

people that you pay hundreds of dollars

1479

00:58:52,549 --> 00:58:50,240

to go lecture

1480

00:58:53,829 --> 00:58:52,559

at a ufo conference okay the vast

1481

00:58:54,870 --> 00:58:53,839

majority of these people are totally

1482

00:58:57,990 --> 00:58:54,880

clueless

1483

00:59:01,349 --> 00:58:58,000

okay of what this is all about okay

1484

00:59:03,670 --> 00:59:01,359

why because they're saying

1485

00:59:05,109 --> 00:59:03,680

no no the data uk came up with that's

1486

00:59:07,030 --> 00:59:05,119

totally impossible

1487

00:59:09,030 --> 00:59:07,040

you know why because no one has ever

1488

00:59:13,030 --> 00:59:09,040

done it before we did it

1489

00:59:15,190 --> 00:59:13,040

okay have do you have memories

1490

00:59:16,069 --> 00:59:15,200

of visiting or receiving a glimpse of

1491

00:59:18,630 --> 00:59:16,079

heaven

1492

00:59:19,270 --> 00:59:18,640

or what is uh commonly called the spirit

1493

00:59:21,829 --> 00:59:19,280

world

1494

00:59:22,789 --> 00:59:21,839

we're 46 almost one out of every two

1495

00:59:25,109 --> 00:59:22,799

people

1496

00:59:26,470 --> 00:59:25,119

you know we're actually shown heaven

1497

00:59:29,589 --> 00:59:26,480

okay with the spirit world

1498

00:59:33,030 --> 00:59:29,599

after death huge numbers

1499

00:59:34,470 --> 00:59:33,040

orbs again what the hell does ufos have

1500

00:59:37,670 --> 00:59:34,480

to do with orbs

1501
00:59:41,030 --> 00:59:37,680
well guess what

1502
00:59:41,910 --> 00:59:41,040
67 of the people have seen small colored

1503
00:59:43,750 --> 00:59:41,920
orbs

1504
00:59:45,829 --> 00:59:43,760
at close range now we're talking about a

1505
00:59:47,270 --> 00:59:45,839
foot in diameter we're not talking orbs

1506
00:59:49,670 --> 00:59:47,280
in the sky you know like uh

1507
00:59:50,309 --> 00:59:49,680
when people do ce5 we're talking about

1508
00:59:51,670 --> 00:59:50,319
clothes

1509
00:59:53,349 --> 00:59:51,680
we're not talking about photos either

1510
00:59:54,870 --> 00:59:53,359
because in the question we ask them

1511
00:59:56,630 --> 00:59:54,880
we're not talking about you seeing them

1512
01:00:00,870 --> 00:59:56,640
in photos okay we're seeing

1513
01:00:03,349 --> 01:00:00,880

in-person you know uh orbs

1514

01:00:04,230 --> 01:00:03,359

have objects mysteriously appeared right

1515

01:00:06,630 --> 01:00:04,240

in front of you

1516

01:00:09,030 --> 01:00:06,640

or other members of your family the term

1517

01:00:11,829 --> 01:00:09,040

in parapsychology is called a ports

1518

01:00:13,430 --> 01:00:11,839

okay very very common except people

1519

01:00:13,990 --> 01:00:13,440

don't talk about it because they think

1520

01:00:16,390 --> 01:00:14,000

that

1521

01:00:17,430 --> 01:00:16,400

you might think they're crazy okay i've

1522

01:00:18,789 --> 01:00:17,440

had that

1523

01:00:20,950 --> 01:00:18,799

so many of the people that i've spoken

1524

01:00:21,750 --> 01:00:20,960

with you know objects up here and all of

1525

01:00:25,030 --> 01:00:21,760

a sudden

1526

01:00:27,349 --> 01:00:25,040

they'll disappear um 25

1527

01:00:28,470 --> 01:00:27,359

one out of every four people take that

1528

01:00:30,789 --> 01:00:28,480

you ufologists

1529

01:00:32,549 --> 01:00:30,799

okay this is what really is happening to

1530

01:00:35,030 --> 01:00:32,559

experiences not the

1531

01:00:37,190 --> 01:00:35,040

that you guys are trying to push okay

1532

01:00:39,829 --> 01:00:37,200

have material objects ever fallen

1533

01:00:41,510 --> 01:00:39,839

or suddenly moved around you or other

1534

01:00:43,990 --> 01:00:41,520

members of your family without any

1535

01:00:47,670 --> 01:00:44,000

reasonable explanation

1536

01:00:50,390 --> 01:00:47,680

extremely common 61 percent

1537

01:00:52,150 --> 01:00:50,400

can you see or feel energy or auras

1538

01:00:56,710 --> 01:00:52,160

around people

1539

01:01:00,309 --> 01:00:56,720

74 3 out of 4 people yes uh at one point

1540

01:01:02,710 --> 01:01:00,319

i saw energy auras around people okay or

1541

01:01:04,789 --> 01:01:02,720

seen the energy of people and and for

1542

01:01:06,470 --> 01:01:04,799

the ufo contact experiences most of the

1543

01:01:08,870 --> 01:01:06,480

time is after they've had

1544

01:01:09,589 --> 01:01:08,880

direct physical contact with the being

1545

01:01:11,190 --> 01:01:09,599

okay

1546

01:01:12,630 --> 01:01:11,200

after you've had direct physical contact

1547

01:01:14,150 --> 01:01:12,640

with the being then that

1548

01:01:15,910 --> 01:01:14,160

triggers all these paranormal

1549

01:01:18,230 --> 01:01:15,920

experiences okay

1550

01:01:19,510 --> 01:01:18,240

again you go to a ufo conference they

1551
01:01:21,430 --> 01:01:19,520
wouldn't know any of these things

1552
01:01:24,069 --> 01:01:21,440
because these people they're focused on

1553
01:01:24,950 --> 01:01:24,079
you know roswell roswell for the four

1554
01:01:27,589 --> 01:01:24,960
thousand time

1555
01:01:28,069 --> 01:01:27,599
or render sim forest for the thousand

1556
01:01:31,190 --> 01:01:28,079
time

1557
01:01:31,589 --> 01:01:31,200
you know or the nimitz for the the 200th

1558
01:01:33,670 --> 01:01:31,599
time

1559
01:01:34,710 --> 01:01:33,680
you know or like oh here's a new tick

1560
01:01:38,150 --> 01:01:34,720
tock video

1561
01:01:40,789 --> 01:01:38,160
that's what these people are interested

1562
01:01:41,190 --> 01:01:40,799
in okay what has that approach giving

1563
01:01:47,030 --> 01:01:41,200

you

1564

01:01:48,549 --> 01:01:47,040

what has that materialist nuts and bolts

1565

01:01:49,589 --> 01:01:48,559

utholic approach giving you over the

1566

01:01:52,309 --> 01:01:49,599

last 80 years

1567

01:01:54,390 --> 01:01:52,319

okay my opinion and the opinion of all

1568

01:01:57,910 --> 01:01:54,400

the members of our organization

1569

01:01:59,670 --> 01:01:57,920

is very little okay very little

1570

01:02:01,750 --> 01:01:59,680

what better understanding you have of

1571

01:02:04,390 --> 01:02:01,760

the ufo contact phenomenon

1572

01:02:07,029 --> 01:02:04,400

given that approach versus what we're

1573

01:02:08,789 --> 01:02:07,039

presenting here which took five years to

1574

01:02:11,670 --> 01:02:08,799

do

1575

01:02:12,470 --> 01:02:11,680

from phd academics that supervised and

1576
01:02:15,670 --> 01:02:12,480
developed

1577
01:02:18,230 --> 01:02:15,680
the the surveys okay

1578
01:02:19,349 --> 01:02:18,240
four thousand more than four thousand

1579
01:02:22,150 --> 01:02:19,359
experiencers

1580
01:02:24,150 --> 01:02:22,160
from over 125 countries so this is not

1581
01:02:25,750 --> 01:02:24,160
just some bs type of uh

1582
01:02:27,910 --> 01:02:25,760
research study here okay this is the

1583
01:02:30,950 --> 01:02:27,920
real deal

1584
01:02:32,150 --> 01:02:30,960
okay so in summary 756 percent i've seen

1585
01:02:34,950 --> 01:02:32,160
a ghost or a spirit

1586
01:02:36,230 --> 01:02:34,960
67 percent have had past my life memory

1587
01:02:38,230 --> 01:02:36,240
49

1588
01:02:39,589 --> 01:02:38,240

have had their body out in space like

1589

01:02:42,630 --> 01:02:39,599

leaving planet earth

1590

01:02:43,589 --> 01:02:42,640

47 have met and converse with a deceased

1591

01:02:46,230 --> 01:02:43,599

person

1592

01:02:46,870 --> 01:02:46,240

okay not only met but they converse with

1593

01:02:51,109 --> 01:02:46,880

that ghost

1594

01:02:52,950 --> 01:02:51,119

47 huge numbers 45 percent have memories

1595

01:02:56,630 --> 01:02:52,960

of visiting what is commonly called

1596

01:02:59,670 --> 01:02:56,640

the spirit world 29 have channeled

1597

01:03:02,390 --> 01:02:59,680

a non-human intelligence uh

1598

01:03:03,510 --> 01:03:02,400

60 have repeatedly experienced objects

1599

01:03:07,270 --> 01:03:03,520

moving in their home

1600

01:03:09,270 --> 01:03:07,280

without any logical explanation 47

1601
01:03:11,430 --> 01:03:09,280
have seen what can be considered shadow

1602
01:03:12,470 --> 01:03:11,440
people in their homes beings that look

1603
01:03:15,349 --> 01:03:12,480
like cloudy

1604
01:03:16,470 --> 01:03:15,359
human uh thin human like that streak

1605
01:03:18,309 --> 01:03:16,480
across the home that's

1606
01:03:20,230 --> 01:03:18,319
i've i've seen it okay as a matter of

1607
01:03:20,789 --> 01:03:20,240
fact i was on a skype call several years

1608
01:03:22,470 --> 01:03:20,799
ago

1609
01:03:23,910 --> 01:03:22,480
with two volunteers for the free

1610
01:03:25,349 --> 01:03:23,920
foundation and

1611
01:03:27,510 --> 01:03:25,359
all of a sudden they freaked out and i

1612
01:03:29,750 --> 01:03:27,520
saw it on my uh tv camera

1613
01:03:31,750 --> 01:03:29,760

this shadow person street right behind

1614

01:03:33,750 --> 01:03:31,760

me and went right through the

1615

01:03:35,270 --> 01:03:33,760

the glass windows okay and they were

1616

01:03:36,870 --> 01:03:35,280

screaming like

1617

01:03:38,309 --> 01:03:36,880

what the hell was that right i said

1618

01:03:39,349 --> 01:03:38,319

don't worry it's just a shadow person

1619

01:03:41,510 --> 01:03:39,359

you know

1620

01:03:43,990 --> 01:03:41,520

so 40 percent have physically seen an

1621

01:03:47,109 --> 01:03:44,000

orb and 66 percent of these were seen

1622

01:03:49,029 --> 01:03:47,119

in their home 46 percent saw the orb go

1623

01:03:51,190 --> 01:03:49,039

through an object such as a wall

1624

01:03:52,309 --> 01:03:51,200

and 82 believe that the orbs are

1625

01:03:54,950 --> 01:03:52,319

conscious living

1626
01:03:55,829 --> 01:03:54,960
beings now what information has been

1627
01:03:59,510 --> 01:03:55,839
received

1628
01:04:02,230 --> 01:03:59,520
by non-human intelligence okay

1629
01:04:04,390 --> 01:04:02,240
again another leading question oh ray

1630
01:04:06,470 --> 01:04:04,400
your study was so biased because you're

1631
01:04:09,510 --> 01:04:06,480
asking tons of leading questions

1632
01:04:11,670 --> 01:04:09,520
okay is it so bs you know you're like

1633
01:04:13,349 --> 01:04:11,680
guiding the people to answer a question

1634
01:04:15,829 --> 01:04:13,359
well take a look at this other question

1635
01:04:17,029 --> 01:04:15,839
okay did you receive any form of

1636
01:04:20,309 --> 01:04:17,039
communication

1637
01:04:23,829 --> 01:04:20,319
from an et is that leading

1638
01:04:26,710 --> 01:04:23,839

well 80 percent said yes i received

1639

01:04:28,789 --> 01:04:26,720

some type of communication from an et

1640

01:04:31,829 --> 01:04:28,799

now let's analyze this communication

1641

01:04:33,990 --> 01:04:31,839

okay we had to find et when we used the

1642

01:04:35,029 --> 01:04:34,000

word et we had defined it as non-human

1643

01:04:37,109 --> 01:04:35,039

intelligence

1644

01:04:38,230 --> 01:04:37,119

okay so we had always had the

1645

01:04:41,109 --> 01:04:38,240

equivalence of

1646

01:04:43,190 --> 01:04:41,119

et and non-human intelligence so the

1647

01:04:45,750 --> 01:04:43,200

responses was either yes or no

1648

01:04:47,430 --> 01:04:45,760

okay so was the communication in your

1649

01:04:50,069 --> 01:04:47,440

native language

1650

01:04:51,109 --> 01:04:50,079

well guess what in all of the different

1651
01:04:52,549 --> 01:04:51,119
language surveys

1652
01:04:54,150 --> 01:04:52,559
for example in the spanish language

1653
01:04:57,990 --> 01:04:54,160
survey the same thing

1654
01:04:59,829 --> 01:04:58,000
75 said yes in german 75

1655
01:05:01,430 --> 01:04:59,839
the german speaker said yes it was in

1656
01:05:03,990 --> 01:05:01,440
german okay

1657
01:05:04,789 --> 01:05:04,000
in slovak yes 75 said yes it was in

1658
01:05:06,230 --> 01:05:04,799
slovak

1659
01:05:08,150 --> 01:05:06,240
approximately give or take five

1660
01:05:10,069 --> 01:05:08,160
percentage points okay

1661
01:05:11,829 --> 01:05:10,079
so we asked that in english was the

1662
01:05:13,990 --> 01:05:11,839
communication in your native language

1663
01:05:17,109 --> 01:05:14,000

well 75 percent said yes

1664

01:05:19,109 --> 01:05:17,119

they impart reassuring messages to you

1665

01:05:20,309 --> 01:05:19,119

like don't worry i'm not going to harm

1666

01:05:23,510 --> 01:05:20,319

you okay

1667

01:05:24,710 --> 01:05:23,520

61 said yes very important you won't

1668

01:05:27,109 --> 01:05:24,720

hear this in ufology

1669

01:05:28,549 --> 01:05:27,119

okay did it provide you with a spiritual

1670

01:05:31,750 --> 01:05:28,559

message

1671

01:05:33,750 --> 01:05:31,760

ufology will not cross that line they

1672

01:05:37,430 --> 01:05:33,760

will not talk about this but we did

1673

01:05:39,190 --> 01:05:37,440

okay 54 okay more than half of the

1674

01:05:40,630 --> 01:05:39,200

people said yes it gave me a spiritual

1675

01:05:45,029 --> 01:05:40,640

message

1676

01:05:46,710 --> 01:05:45,039

oneness again 54

1677

01:05:48,630 --> 01:05:46,720

that expressed you concern about

1678

01:05:51,270 --> 01:05:48,640

humanity's behavior

1679

01:05:53,190 --> 01:05:51,280

and usually it results that we're

1680

01:05:54,549 --> 01:05:53,200

destroying our planet

1681

01:05:56,789 --> 01:05:54,559

that we need to become much more

1682

01:05:57,589 --> 01:05:56,799

spiritual that we need to learn how to

1683

01:06:00,230 --> 01:05:57,599

love each other

1684

01:06:01,109 --> 01:06:00,240

okay well 45 said yes that expressed

1685

01:06:05,750 --> 01:06:01,119

concerns

1686

01:06:08,870 --> 01:06:05,760

about humans how they're behaving

1687

01:06:09,349 --> 01:06:08,880

okay again yes or no do you believe you

1688

01:06:11,430 --> 01:06:09,359

possess

1689

01:06:13,750 --> 01:06:11,440

information about advanced technology

1690

01:06:15,589 --> 01:06:13,760

physics or other scientific information

1691

01:06:18,710 --> 01:06:15,599

that you've never read or learned

1692

01:06:19,829 --> 01:06:18,720

in your normal environment 42 said yes

1693

01:06:22,390 --> 01:06:19,839

this is extremely

1694

01:06:24,630 --> 01:06:22,400

important because so many especially the

1695

01:06:27,510 --> 01:06:24,640

advanced experiencers are getting

1696

01:06:29,270 --> 01:06:27,520

physics downloads science downloads okay

1697

01:06:31,990 --> 01:06:29,280

chris bledsoe who a lot of people might

1698

01:06:34,870 --> 01:06:32,000

know in in the ufo field okay

1699

01:06:36,390 --> 01:06:34,880

um chris bledsoe major experiencer okay

1700

01:06:37,109 --> 01:06:36,400

he's been getting tons of physics

1701

01:06:38,710 --> 01:06:37,119

downloads

1702

01:06:41,190 --> 01:06:38,720

okay there was a period where i was

1703

01:06:43,829 --> 01:06:41,200

getting a ton of physics downloads okay

1704

01:06:45,670 --> 01:06:43,839

so this is not just only chris bledsoe

1705

01:06:46,390 --> 01:06:45,680

myself there's 42 percent of these

1706

01:06:49,349 --> 01:06:46,400

people

1707

01:06:49,670 --> 01:06:49,359

that are their contact experiences okay

1708

01:06:52,710 --> 01:06:49,680

that

1709

01:06:54,150 --> 01:06:52,720

to share with others

1710

01:06:55,750 --> 01:06:54,160

like look we want to tell you something

1711

01:06:56,309 --> 01:06:55,760

but you need to repeat it and share with

1712

01:06:58,470 --> 01:06:56,319

others

1713

01:07:00,390 --> 01:06:58,480

41 did it give your environmental

1714

01:07:02,789 --> 01:07:00,400
message regarding planet earth

1715

01:07:04,230 --> 01:07:02,799
39 did it tell you about a future

1716

01:07:08,069 --> 01:07:04,240
natural catastrophe

1717

01:07:10,309 --> 01:07:08,079
or adopt depopulation of humanity 32

1718

01:07:11,829 --> 01:07:10,319
did it give you any message of god or of

1719

01:07:13,670 --> 01:07:11,839
our creator

1720

01:07:15,589 --> 01:07:13,680
again ufology doesn't talk about this

1721

01:07:17,750 --> 01:07:15,599
well almost one out of every three

1722

01:07:21,829 --> 01:07:17,760
individuals that took our survey said

1723

01:07:24,710 --> 01:07:21,839
yes they told me e.t told me about god

1724

01:07:26,630 --> 01:07:24,720
okay parallel universes they tell you

1725

01:07:29,750 --> 01:07:26,640
about parallel universes

1726

01:07:31,829 --> 01:07:29,760

okay many universes 31

1727

01:07:33,109 --> 01:07:31,839

okay let me just skip some of these

1728

01:07:36,309 --> 01:07:33,119

other questions

1729

01:07:38,230 --> 01:07:36,319

oh then about the death process

1730

01:07:39,910 --> 01:07:38,240

about life after death about the spirit

1731

01:07:42,710 --> 01:07:39,920

world that e.t tell you

1732

01:07:43,829 --> 01:07:42,720

about heaven well one out of every three

1733

01:07:47,270 --> 01:07:43,839

people said yes

1734

01:07:49,510 --> 01:07:47,280

e.t told me about heaven okay so let me

1735

01:07:52,950 --> 01:07:49,520

skip some of these questions

1736

01:07:55,029 --> 01:07:52,960

okay all right now the abductions okay

1737

01:07:56,870 --> 01:07:55,039

if you talk to any of these nuts and

1738

01:07:57,589 --> 01:07:56,880

bolts you apologize if you talk to david

1739

01:08:00,309 --> 01:07:57,599

jacobs

1740

01:08:01,270 --> 01:08:00,319

if you talk to bud hopkins okay not

1741

01:08:03,670 --> 01:08:01,280

willie streeper

1742

01:08:04,549 --> 01:08:03,680

because whitley strieber totally has a

1743

01:08:05,990 --> 01:08:04,559

totally diverse

1744

01:08:08,470 --> 01:08:06,000

perspective on it than when he first

1745

01:08:09,430 --> 01:08:08,480

started in the 1980s okay if you talk to

1746

01:08:12,230 --> 01:08:09,440

richard dolan

1747

01:08:13,910 --> 01:08:12,240

okay all these people that you go to a

1748

01:08:14,470 --> 01:08:13,920

major ufo conference and you hear them

1749

01:08:17,269 --> 01:08:14,480

lecture

1750

01:08:17,829 --> 01:08:17,279

okay they will think that all type of et

1751

01:08:22,630 --> 01:08:17,839

contact

1752

01:08:24,870 --> 01:08:22,640

is associated with an abduction okay

1753

01:08:26,229 --> 01:08:24,880

all et contact is associated with an

1754

01:08:29,349 --> 01:08:26,239

abduction well that's

1755

01:08:33,269 --> 01:08:29,359

false okay let me show you why

1756

01:08:36,390 --> 01:08:33,279

and i'll show you via hardcore data

1757

01:08:38,550 --> 01:08:36,400

okay we asked this question okay

1758

01:08:39,510 --> 01:08:38,560

again all right you're asking all these

1759

01:08:40,789 --> 01:08:39,520

leading questions

1760

01:08:42,709 --> 01:08:40,799

okay well take a look at this question

1761

01:08:43,990 --> 01:08:42,719

you tell me if it's leading or not have

1762

01:08:46,950 --> 01:08:44,000

you ever had

1763

01:08:49,990 --> 01:08:46,960

e.t contact but have no conscious

1764

01:08:52,070 --> 01:08:50,000

recollection of ever being abducted

1765

01:08:53,990 --> 01:08:52,080

which is defined as taken against your

1766

01:08:56,470 --> 01:08:54,000

will to another location

1767

01:08:57,749 --> 01:08:56,480

so in other words have you ever had e.t

1768

01:08:59,110 --> 01:08:57,759

contact but you've never had an

1769

01:09:02,550 --> 01:08:59,120

abduction

1770

01:09:04,709 --> 01:09:02,560

68 said yes i've had et contact

1771

01:09:05,990 --> 01:09:04,719

but i've never had an abduction so right

1772

01:09:09,269 --> 01:09:06,000

there that tells you

1773

01:09:11,349 --> 01:09:09,279

that all these um researchers

1774

01:09:13,189 --> 01:09:11,359

they're missing two-thirds of the people

1775

01:09:16,309 --> 01:09:13,199

okay because everything to them

1776

01:09:19,349 --> 01:09:16,319

is an abduction okay

1777

01:09:20,950 --> 01:09:19,359

now we ask the opposite okay and the

1778

01:09:22,229 --> 01:09:20,960

opposite the people that actually have

1779

01:09:26,070 --> 01:09:22,239

had an abduction

1780

01:09:32,789 --> 01:09:29,189

we also asked the question okay

1781

01:09:34,870 --> 01:09:32,799

how would you categorize your first few

1782

01:09:36,070 --> 01:09:34,880

and how would you categorize your last

1783

01:09:39,349 --> 01:09:36,080

few et

1784

01:09:40,630 --> 01:09:39,359

contact experiences okay and to the

1785

01:09:44,070 --> 01:09:40,640

right you'll see

1786

01:09:46,309 --> 01:09:44,080

the first few and the last view

1787

01:09:48,470 --> 01:09:46,319

okay so in other words the first few

1788

01:09:49,669 --> 01:09:48,480

experiences might be someone that saw

1789

01:09:53,910 --> 01:09:49,679

for example uh

1790

01:09:56,950 --> 01:09:53,920

an e.t okay a um a palladian being or

1791

01:10:00,149 --> 01:09:56,960

a short gray or or a reptilian

1792

01:10:01,750 --> 01:10:00,159

back in 1980 okay they took our survey

1793

01:10:06,070 --> 01:10:01,760

now in 19

1794

01:10:09,830 --> 01:10:06,080

in 2000 and let's say in 16

1795

01:10:12,950 --> 01:10:09,840

2016 okay so we're talking about

1796

01:10:14,950 --> 01:10:12,960

how many years 20 36 years later okay

1797

01:10:17,590 --> 01:10:14,960

so the first few experiences when they

1798

01:10:19,189 --> 01:10:17,600

had the initial experience in 1980

1799

01:10:21,030 --> 01:10:19,199

and then the last few let's say the last

1800

01:10:23,590 --> 01:10:21,040

one was in 2016.

1801
01:10:24,550 --> 01:10:23,600
so that's the response for your last

1802
01:10:27,590 --> 01:10:24,560
experience

1803
01:10:30,709 --> 01:10:27,600
okay so we asked this question

1804
01:10:33,030 --> 01:10:30,719
okay we asked five different categories

1805
01:10:35,669 --> 01:10:33,040
of these people how would you put

1806
01:10:38,310 --> 01:10:35,679
yourself which category

1807
01:10:39,510 --> 01:10:38,320
one of these boxes now let's start with

1808
01:10:40,870 --> 01:10:39,520
the most negative

1809
01:10:43,030 --> 01:10:40,880
and that's what's circulating in

1810
01:10:45,030 --> 01:10:43,040
mainstream ufology this this last

1811
01:10:48,470 --> 01:10:45,040
question is basically david jacobs

1812
01:10:49,590 --> 01:10:48,480
and bud hopkins okay it was a case of

1813
01:10:52,070 --> 01:10:49,600

abduction of the most

1814

01:10:53,510 --> 01:10:52,080

negative kind this is the most negative

1815

01:10:54,790 --> 01:10:53,520

stuff that ever happened to me

1816

01:10:56,790 --> 01:10:54,800

now mind you these are the people who

1817

01:10:58,310 --> 01:10:56,800

have had abductions not the people that

1818

01:10:59,030 --> 01:10:58,320

have never had abductions these are

1819

01:11:01,669 --> 01:10:59,040

people have had

1820

01:11:02,390 --> 01:11:01,679

an abduction okay which is one-third of

1821

01:11:04,390 --> 01:11:02,400

the people

1822

01:11:06,390 --> 01:11:04,400

okay so out of those one-third of the

1823

01:11:09,030 --> 01:11:06,400

people that have had an abduction

1824

01:11:09,669 --> 01:11:09,040

the ones that view their experiences

1825

01:11:13,350 --> 01:11:09,679

okay

1826
01:11:14,870 --> 01:11:13,360
in the very beginning 18 said yes it was

1827
01:11:17,030 --> 01:11:14,880
an abduction of the most negative

1828
01:11:21,110 --> 01:11:17,040
horrible kind

1829
01:11:23,430 --> 01:11:21,120
but now now that they reflect on it okay

1830
01:11:25,030 --> 01:11:23,440
the last few experiences only eight

1831
01:11:26,149 --> 01:11:25,040
percent said it was the most negative

1832
01:11:28,709 --> 01:11:26,159
kind

1833
01:11:29,750 --> 01:11:28,719
okay it was a case of abduction but a

1834
01:11:31,669 --> 01:11:29,760
milder kind

1835
01:11:32,870 --> 01:11:31,679
a slightly more caring kind okay it was

1836
01:11:34,630 --> 01:11:32,880
still an abduction

1837
01:11:36,390 --> 01:11:34,640
but it was a you know more milder than

1838
01:11:37,750 --> 01:11:36,400

one of these horrid experiences it was a

1839

01:11:40,630 --> 01:11:37,760

little bit more caring

1840

01:11:42,550 --> 01:11:40,640

okay well again in the beginning was 18

1841

01:11:45,669 --> 01:11:42,560

and a half percent

1842

01:11:47,590 --> 01:11:45,679

and that changed to 13 okay

1843

01:11:48,790 --> 01:11:47,600

in their last few contact experiences so

1844

01:11:51,350 --> 01:11:48,800

you're seeing a shift

1845

01:11:52,390 --> 01:11:51,360

over time of how these people are

1846

01:11:55,590 --> 01:11:52,400

viewing

1847

01:11:56,070 --> 01:11:55,600

the abduction phenomenon okay now in the

1848

01:11:59,110 --> 01:11:56,080

middle

1849

01:12:02,790 --> 01:11:59,120

was it was still a case of abduction

1850

01:12:05,430 --> 01:12:02,800

but they sought my permission okay

1851
01:12:07,030 --> 01:12:05,440
they were more they were more humane and

1852
01:12:09,910 --> 01:12:07,040
compassionate

1853
01:12:10,470 --> 01:12:09,920
okay so they asked me you know can we

1854
01:12:12,390 --> 01:12:10,480
take you

1855
01:12:14,310 --> 01:12:12,400
you know that was eight and a half

1856
01:12:15,830 --> 01:12:14,320
percent eight point seven percent for

1857
01:12:18,870 --> 01:12:15,840
both for the first few

1858
01:12:21,590 --> 01:12:18,880
and the last few now let's get into the

1859
01:12:23,830 --> 01:12:21,600
the positivity aspects of it okay

1860
01:12:25,350 --> 01:12:23,840
you are not an abductee but you are a

1861
01:12:27,430 --> 01:12:25,360
contactee

1862
01:12:28,790 --> 01:12:27,440
where you are being treated with respect

1863
01:12:31,910 --> 01:12:28,800

and understanding

1864

01:12:35,030 --> 01:12:31,920

okay no i wasn't abducted okay

1865

01:12:36,870 --> 01:12:35,040

i allowed them to go okay and i was also

1866

01:12:39,630 --> 01:12:36,880

treated with respect

1867

01:12:41,590 --> 01:12:39,640

and understanding well initially was

1868

01:12:44,149 --> 01:12:41,600

34.9

1869

01:12:45,189 --> 01:12:44,159

and towards the end it was 35 not much

1870

01:12:47,910 --> 01:12:45,199

of a change

1871

01:12:48,630 --> 01:12:47,920

okay now let's look at the people that

1872

01:12:50,630 --> 01:12:48,640

said

1873

01:12:51,669 --> 01:12:50,640

it was a case of being a conscious

1874

01:12:54,149 --> 01:12:51,679

contactee

1875

01:12:54,870 --> 01:12:54,159

an egalitarian an equal relationship

1876

01:12:56,870 --> 01:12:54,880

that's like

1877

01:12:57,990 --> 01:12:56,880

the highest level of being a contact

1878

01:13:00,070 --> 01:12:58,000

dean okay

1879

01:13:02,550 --> 01:13:00,080

well the first few experiences was only

1880

01:13:04,790 --> 01:13:02,560

19 20

1881

01:13:07,189 --> 01:13:04,800

okay but towards the end their last few

1882

01:13:10,630 --> 01:13:07,199

experiences jumped all the way from 20

1883

01:13:12,870 --> 01:13:10,640

to 35 so it was a huge change in how

1884

01:13:15,910 --> 01:13:12,880

they viewed their abduction experiences

1885

01:13:18,470 --> 01:13:15,920

okay so overall

1886

01:13:21,189 --> 01:13:18,480

what this showed to us was uh for the

1887

01:13:23,990 --> 01:13:21,199

objectives the more experiences you had

1888

01:13:24,790 --> 01:13:24,000

the more positive it became now let me

1889

01:13:27,990 --> 01:13:24,800

show you a bar

1890

01:13:29,590 --> 01:13:28,000

chart that shows that oh um

1891

01:13:31,270 --> 01:13:29,600

before we get to there we asked

1892

01:13:32,310 --> 01:13:31,280

approximately how many times have you

1893

01:13:34,870 --> 01:13:32,320

seen or

1894

01:13:35,990 --> 01:13:34,880

interacted with these non-human

1895

01:13:38,149 --> 01:13:36,000

intelligence

1896

01:13:40,310 --> 01:13:38,159

and what uh this pie chart shows was

1897

01:13:43,430 --> 01:13:40,320

that the vast majority of people

1898

01:13:45,189 --> 01:13:43,440

over 40 percent have had a contact more

1899

01:13:49,830 --> 01:13:45,199

than 20 times

1900

01:13:53,990 --> 01:13:49,840

okay now um the ones that only once

1901

01:13:56,470 --> 01:13:54,000

was only 14 and two to four times was 22

1902

01:13:58,870 --> 01:13:56,480

now the most negative people the people

1903

01:14:00,709 --> 01:13:58,880

that viewed it as the most negative

1904

01:14:02,630 --> 01:14:00,719

experience those are the people that

1905

01:14:04,709 --> 01:14:02,640

have had it once or twice

1906

01:14:06,870 --> 01:14:04,719

okay those people that you're looking at

1907

01:14:08,950 --> 01:14:06,880

they're 20 or 11 to 20

1908

01:14:10,550 --> 01:14:08,960

uh or eight to ten those people these

1909

01:14:11,510 --> 01:14:10,560

are contactees okay

1910

01:14:13,270 --> 01:14:11,520

they initially might have been

1911

01:14:15,590 --> 01:14:13,280

frightened by these experiences but

1912

01:14:18,229 --> 01:14:15,600

after so many repeated experiences

1913

01:14:19,189 --> 01:14:18,239

they underwent the total transformation

1914

01:14:20,630 --> 01:14:19,199

okay

1915

01:14:22,790 --> 01:14:20,640

um and i'll talk about that a little bit

1916

01:14:24,229 --> 01:14:22,800

later on but basically the most negative

1917

01:14:28,390 --> 01:14:24,239

ones were the ones that only had one or

1918

01:14:30,070 --> 01:14:28,400

two contact experiences

1919

01:14:31,430 --> 01:14:30,080

now this is the bar graph that i was

1920

01:14:33,669 --> 01:14:31,440

talking about okay

1921

01:14:34,630 --> 01:14:33,679

this indicates that the more experiences

1922

01:14:38,390 --> 01:14:34,640

you had

1923

01:14:40,870 --> 01:14:38,400

the more positive was your outlook

1924

01:14:42,709 --> 01:14:40,880

of the experience okay if you only had

1925

01:14:43,990 --> 01:14:42,719

it once only happen one contact

1926

01:14:47,270 --> 01:14:44,000

experience okay

1927

01:14:49,030 --> 01:14:47,280

50 view that is positive okay but if

1928

01:14:52,310 --> 01:14:49,040

you've had more than 20 times

1929

01:14:55,510 --> 01:14:52,320

et contact we're talking about 75 as

1930

01:14:57,110 --> 01:14:55,520

positive okay now remember the responses

1931

01:14:59,110 --> 01:14:57,120

were positive negative or neutral

1932

01:15:01,110 --> 01:14:59,120

okay some of these people the

1933

01:15:04,310 --> 01:15:01,120

overwhelming number of these people

1934

01:15:07,110 --> 01:15:04,320

that are more than 20 times um of that

1935

01:15:08,470 --> 01:15:07,120

of that extra 25 percent uh those are

1936

01:15:11,669 --> 01:15:08,480

the categories of neutral

1937

01:15:12,229 --> 01:15:11,679

okay uh almost no one viewed it as

1938

01:15:15,430 --> 01:15:12,239

negative

1939

01:15:17,669 --> 01:15:15,440

uh for more than 20 times okay so

1940

01:15:20,709 --> 01:15:17,679

the more contact you had the more

1941

01:15:24,229 --> 01:15:23,270

okay now the summary of of the abduction

1942

01:15:27,430 --> 01:15:24,239

phenomenon

1943

01:15:29,750 --> 01:15:27,440

uh what we determined was that uh 60

1944

01:15:31,270 --> 01:15:29,760

68 two-thirds of the people have never

1945

01:15:33,750 --> 01:15:31,280

had an abduction

1946

01:15:34,870 --> 01:15:33,760

and only one-third 32 percent have had

1947

01:15:37,430 --> 01:15:34,880

an abduction

1948

01:15:39,430 --> 01:15:37,440

thus the ufo-related contact phenomenon

1949

01:15:42,310 --> 01:15:39,440

is not just about abductions

1950

01:15:43,830 --> 01:15:42,320

so that's why all these ufologists these

1951

01:15:45,270 --> 01:15:43,840

materialist nuts and bolts these people

1952

01:15:47,189 --> 01:15:45,280

like david jacobs

1953

01:15:48,950 --> 01:15:47,199

bud hopkins and so many others richard

1954

01:15:50,310 --> 01:15:48,960

dalnut et cetera

1955

01:15:51,750 --> 01:15:50,320

those people are totally clueless

1956

01:15:53,430 --> 01:15:51,760

because they just assume that everything

1957

01:15:57,110 --> 01:15:53,440

is all abduction related

1958

01:15:58,709 --> 01:15:57,120

okay now out of those that were abducted

1959

01:16:01,350 --> 01:15:58,719

out of the one-third that actually had

1960

01:16:02,350 --> 01:16:01,360

an abduction 71 percent now call

1961

01:16:06,709 --> 01:16:02,360

themselves

1962

01:16:08,470 --> 01:16:06,719

contactees and not abductees

1963

01:16:10,229 --> 01:16:08,480

okay if someone introduced you oh this

1964

01:16:11,110 --> 01:16:10,239

is an abductee no no don't call me an

1965

01:16:14,390 --> 01:16:11,120

abductee

1966

01:16:15,350 --> 01:16:14,400

okay i'm a contactee even though they

1967

01:16:17,510 --> 01:16:15,360

started off

1968

01:16:18,870 --> 01:16:17,520

perceiving their experiences as an

1969

01:16:21,990 --> 01:16:18,880

abductee as having a

1970

01:16:23,510 --> 01:16:22,000

an abduction okay now um

1971

01:16:25,030 --> 01:16:23,520

nine percent stated that it was an

1972

01:16:27,030 --> 01:16:25,040

abduction but where non-human

1973

01:16:28,870 --> 01:16:27,040

intelligence sought their permission

1974

01:16:30,310 --> 01:16:28,880

and there was more uh humane

1975

01:16:32,709 --> 01:16:30,320

compassionate treatment

1976

01:16:34,070 --> 01:16:32,719

only eight percent of the abductees the

1977

01:16:35,669 --> 01:16:34,080

people who had an abduction

1978

01:16:38,149 --> 01:16:35,679

viewed their experience as the most

1979

01:16:39,350 --> 01:16:38,159

negative kind okay

1980

01:16:41,350 --> 01:16:39,360

and that's not what's circulating in

1981

01:16:43,910 --> 01:16:41,360

ufology

1982

01:16:44,470 --> 01:16:43,920

now remember i mentioned to each of you

1983

01:16:46,950 --> 01:16:44,480

all of you

1984

01:16:48,149 --> 01:16:46,960

that 50 of the people were brought to a

1985

01:16:50,229 --> 01:16:48,159

matrix reality

1986

01:16:52,950 --> 01:16:50,239

to another multi-dimensional reality

1987

01:16:56,390 --> 01:16:52,960

like jolie jodie foster's movie in the

1988

01:16:58,229 --> 01:16:56,400

movie content okay now that leads to the

1989

01:17:00,390 --> 01:16:58,239

hypothesis that we're dealing with

1990

01:17:02,390 --> 01:17:00,400

something involving a manipulation of

1991

01:17:04,070 --> 01:17:02,400

space-time okay

1992

01:17:05,510 --> 01:17:04,080

in that movie jordy foster she was

1993

01:17:07,030 --> 01:17:05,520

brought to another reality

1994

01:17:08,709 --> 01:17:07,040

and they said that she was only gone for

1995

01:17:10,390 --> 01:17:08,719

a few seconds okay

1996

01:17:11,750 --> 01:17:10,400

but yet in that reality that she was

1997

01:17:15,030 --> 01:17:11,760

transported to

1998

01:17:17,830 --> 01:17:15,040

lasted you know quite a bit of time um

1999

01:17:18,390 --> 01:17:17,840

and so it's a manipulation of time okay

2000

01:17:21,350 --> 01:17:18,400

and then

2001

01:17:22,070 --> 01:17:21,360

space in that uh movie contact okay she

2002

01:17:24,790 --> 01:17:22,080

was not

2003

01:17:26,630 --> 01:17:24,800

on earth you know her consciousness her

2004

01:17:29,110 --> 01:17:26,640

physical body mind might have been

2005

01:17:30,229 --> 01:17:29,120

in that machine that she was in but her

2006

01:17:32,870 --> 01:17:30,239

consciousness

2007

01:17:33,669 --> 01:17:32,880

was brought to another multi-dimensional

2008

01:17:35,910 --> 01:17:33,679

reality

2009

01:17:37,189 --> 01:17:35,920

so i encourage everyone to watch that

2010

01:17:39,590 --> 01:17:37,199

movie contact

2011

01:17:41,270 --> 01:17:39,600

uh with jody foster and that'll give you

2012

01:17:44,630 --> 01:17:41,280

a much much better idea

2013

01:17:46,550 --> 01:17:44,640

of what i'm about to talk okay

2014

01:17:47,830 --> 01:17:46,560

which is the 50 of the people half of

2015

01:17:48,550 --> 01:17:47,840

the people were brought to a matrix

2016

01:17:52,430 --> 01:17:48,560

reality

2017

01:17:56,390 --> 01:17:52,440

myself included now

2018

01:17:58,390 --> 01:17:56,400

749 uh ufo contact experiences have had

2019

01:18:00,870 --> 01:17:58,400

contact with non-human intelligence

2020

01:18:02,790 --> 01:18:00,880

in an out-of-body type of reality a

2021

01:18:05,270 --> 01:18:02,800

reality with no boundaries

2022

01:18:06,709 --> 01:18:05,280

in a multi-dimensional dimension and a

2023

01:18:08,149 --> 01:18:06,719

matrix reality

2024

01:18:10,390 --> 01:18:08,159

i said before this happened to me while

2025

01:18:12,550 --> 01:18:10,400

i was driving my car

2026

01:18:13,910 --> 01:18:12,560

now out of those people we asked various

2027

01:18:15,510 --> 01:18:13,920

questions okay

2028

01:18:17,430 --> 01:18:15,520

we asked questions were you physically

2029

01:18:19,669 --> 01:18:17,440

present in your body

2030

01:18:21,030 --> 01:18:19,679

okay was caught your consciousness

2031

01:18:23,430 --> 01:18:21,040

separated from your body

2032

01:18:25,669 --> 01:18:23,440

did your thoughts speed up were your

2033

01:18:27,910 --> 01:18:25,679

senses more vivid than usual

2034

01:18:29,590 --> 01:18:27,920

did you feel separated from your body

2035

01:18:30,790 --> 01:18:29,600

okay and as you can see all the

2036

01:18:33,350 --> 01:18:30,800

responses to yes

2037

01:18:34,070 --> 01:18:33,360

okay very large numbers as a matter of

2038

01:18:36,870 --> 01:18:34,080

fact uh

2039

01:18:37,350 --> 01:18:36,880

where your thoughts sped up it was 57

2040

01:18:39,270 --> 01:18:37,360

now

2041

01:18:41,590 --> 01:18:39,280

most of those people said it was faster

2042

01:18:45,189 --> 01:18:41,600

than usual and 27

2043

01:18:47,830 --> 01:18:45,199

said yes it was incredibly fast uh uh

2044

01:18:49,510 --> 01:18:47,840

my my thoughts the consciousness

2045

01:18:52,870 --> 01:18:49,520

separation like jody foster

2046

01:18:53,990 --> 01:18:52,880

67 some people still viewed themselves

2047

01:18:57,189 --> 01:18:54,000

inside their body

2048

01:18:59,669 --> 01:18:57,199

okay but they viewed their consciousness

2049

01:19:01,189 --> 01:18:59,679

as separate from their body

2050

01:19:03,110 --> 01:19:01,199

did you have a feeling of peace of

2051

01:19:04,950 --> 01:19:03,120

pleasantness 73

2052

01:19:06,950 --> 01:19:04,960

did you see or feel surrounded by

2053

01:19:09,910 --> 01:19:06,960

brilliant light 52

2054

01:19:10,790 --> 01:19:09,920

did you encounter a mystical presence a

2055

01:19:14,550 --> 01:19:10,800

being

2056

01:19:16,310 --> 01:19:14,560

or hear a voice 79 did you see deceased

2057

01:19:19,270 --> 01:19:16,320

or religious spirits

2058

01:19:20,950 --> 01:19:19,280

37 did scenes from the past come

2059

01:19:23,990 --> 01:19:20,960

flashing back to you

2060

01:19:27,110 --> 01:19:26,070

did you seem to encounter some other

2061

01:19:30,149 --> 01:19:27,120

unworldly

2062

01:19:34,229 --> 01:19:30,159

unearthly world 70 did time

2063

01:19:36,630 --> 01:19:34,239

seem to speed up or slow down 76

2064

01:19:37,830 --> 01:19:36,640

did you feel a sense of harmony or unity

2065

01:19:40,870 --> 01:19:37,840

with the universe

2066

01:19:44,149 --> 01:19:40,880

69 did you suddenly seem to understand

2067

01:19:45,830 --> 01:19:44,159

everything 59 that was what happened

2068

01:19:47,590 --> 01:19:45,840

edgar mitchell out in space

2069

01:19:49,110 --> 01:19:47,600

he had a samadhi experience where all of

2070

01:19:51,510 --> 01:19:49,120

a sudden he had a download

2071

01:19:53,189 --> 01:19:51,520

of like universal knowledge and just as

2072

01:19:56,070 --> 01:19:53,199

quickly it was taken away

2073

01:19:57,750 --> 01:19:56,080

and when he came back uh from the moon

2074

01:19:59,590 --> 01:19:57,760

he was like what the hell happened to me

2075

01:20:01,430 --> 01:19:59,600

he began to do research on that

2076

01:20:03,110 --> 01:20:01,440

and he found out it was uh called the

2077

01:20:05,350 --> 01:20:03,120

samadhi experience

2078

01:20:07,270 --> 01:20:05,360

and then from that led him to start the

2079

01:20:09,830 --> 01:20:07,280

institute for noetic sciences

2080

01:20:11,590 --> 01:20:09,840

uh which is actually the probably the

2081

01:20:13,990 --> 01:20:11,600

world's leading academic research

2082

01:20:16,390 --> 01:20:14,000

institute on consciousness and the psy

2083

01:20:18,870 --> 01:20:16,400

phenomenon

2084

01:20:20,550 --> 01:20:18,880

okay the scenes from the future come to

2085

01:20:24,149 --> 01:20:20,560

you 41

2086

01:20:26,790 --> 01:20:24,159

this seems from the past come to you 30

2087

01:20:27,910 --> 01:20:26,800

and again let's talk about um near-death

2088

01:20:29,430 --> 01:20:27,920

experiences

2089

01:20:31,270 --> 01:20:29,440

one-fourth of the people that have had

2090

01:20:33,590 --> 01:20:31,280

near-death experiences

2091

01:20:34,870 --> 01:20:33,600

were shown their past lives all the good

2092

01:20:35,910 --> 01:20:34,880

things they have done in their life and

2093

01:20:37,990 --> 01:20:35,920

all the bad things

2094

01:20:40,229 --> 01:20:38,000

okay well look at these ufo contact

2095

01:20:42,790 --> 01:20:40,239

experiences 31

2096

01:20:43,750 --> 01:20:42,800

said they saw scenes from their past so

2097

01:20:45,990 --> 01:20:43,760

somehow

2098

01:20:47,030 --> 01:20:46,000

it seems like these two phenomenon are

2099

01:20:49,350 --> 01:20:47,040

interrelated

2100

01:20:51,189 --> 01:20:49,360

okay the scenes from the future in the

2101

01:20:52,870 --> 01:20:51,199

uh 41

2102

01:20:55,430 --> 01:20:52,880

were shown scenes of the future that's

2103

01:20:58,310 --> 01:20:55,440

usually in the ufo contact

2104

01:20:59,990 --> 01:20:58,320

arena was the individuals shown planet

2105

01:21:00,870 --> 01:21:00,000

earth being torched up being totally

2106

01:21:02,870 --> 01:21:00,880

destroyed

2107

01:21:04,629 --> 01:21:02,880

why because humanity's not taking care

2108

01:21:07,110 --> 01:21:04,639

of it okay

2109

01:21:07,830 --> 01:21:07,120

a lot of people are shown their futures

2110

01:21:09,990 --> 01:21:07,840

um

2111

01:21:11,030 --> 01:21:10,000

uh look you're gonna have a child you're

2112

01:21:12,470 --> 01:21:11,040

gonna have a girl

2113

01:21:14,070 --> 01:21:12,480

you know you're gonna have two kids you

2114

01:21:15,510 --> 01:21:14,080

know tons of people were shown things

2115

01:21:17,830 --> 01:21:15,520

from their future

2116

01:21:19,590 --> 01:21:17,840

did reality of this multi-dimensional

2117

01:21:22,870 --> 01:21:19,600

experience seem real to you

2118

01:21:25,110 --> 01:21:22,880

well 83 yes it was real just as

2119

01:21:26,149 --> 01:21:25,120

you know uh here on planet earth it was

2120

01:21:28,550 --> 01:21:26,159

very very real

2121

01:21:29,510 --> 01:21:28,560

okay did you perceive that time did not

2122

01:21:31,830 --> 01:21:29,520

exist

2123

01:21:33,430 --> 01:21:31,840

71 again remember i told you about the

2124

01:21:35,110 --> 01:21:33,440

manipulation of space-time

2125

01:21:36,870 --> 01:21:35,120

okay and just like near-death

2126
01:21:38,629 --> 01:21:36,880
experiences and not about the experience

2127
01:21:41,510 --> 01:21:38,639
the communication that took place

2128
01:21:42,310 --> 01:21:41,520
it's all telepathic okay uh you never

2129
01:21:45,030 --> 01:21:42,320
had an e.t

2130
01:21:46,950 --> 01:21:45,040
flapping his gums or a human looking

2131
01:21:47,510 --> 01:21:46,960
being a palladium being or reptilian

2132
01:21:49,510 --> 01:21:47,520
being

2133
01:21:51,110 --> 01:21:49,520
that's communicating with you you know

2134
01:21:54,470 --> 01:21:51,120
flapping his lips no

2135
01:21:55,270 --> 01:21:54,480
it's all telepathic just like near-death

2136
01:21:59,350 --> 01:21:55,280
experiences

2137
01:22:02,070 --> 01:21:59,360
are numerous commonalities

2138
01:22:03,350 --> 01:22:02,080

between all of them now let's focus on

2139

01:22:05,189 --> 01:22:03,360

spirituality again

2140

01:22:06,629 --> 01:22:05,199

you know richard dolan called our

2141

01:22:09,189 --> 01:22:06,639

research study woo-woo

2142

01:22:10,390 --> 01:22:09,199

science okay now this band is not even a

2143

01:22:13,510 --> 01:22:10,400

freaking scientist

2144

01:22:14,070 --> 01:22:13,520

okay yet we had tons of real scientists

2145

01:22:16,950 --> 01:22:14,080

okay

2146

01:22:17,830 --> 01:22:16,960

we have a three phd physicist in our

2147

01:22:20,310 --> 01:22:17,840

organization

2148

01:22:22,470 --> 01:22:20,320

okay and yet this man is not a scientist

2149

01:22:24,229 --> 01:22:22,480

at all but yet he had the audacity

2150

01:22:25,830 --> 01:22:24,239

of quoting our research study woo-woo

2151

01:22:27,350 --> 01:22:25,840

science why

2152

01:22:29,990 --> 01:22:27,360

because he doesn't understand the

2153

01:22:32,390 --> 01:22:30,000

concept of the multiverse okay

2154

01:22:34,870 --> 01:22:32,400

rudy shields told me one time he said

2155

01:22:36,310 --> 01:22:34,880

ray if you graduate today with a phd in

2156

01:22:38,629 --> 01:22:36,320

theoretical physics

2157

01:22:39,990 --> 01:22:38,639

you will come out an adherent to a

2158

01:22:42,310 --> 01:22:40,000

multiverse theory

2159

01:22:43,110 --> 01:22:42,320

that means that you will finish your phd

2160

01:22:45,350 --> 01:22:43,120

knowing

2161

01:22:47,510 --> 01:22:45,360

that we don't live in one reality okay

2162

01:22:51,590 --> 01:22:47,520

we live in a multi-dimensional reality

2163

01:22:53,110 --> 01:22:51,600

okay so again when when these people

2164

01:22:54,470 --> 01:22:53,120

there are nuts and bolts upon just they

2165

01:22:55,669 --> 01:22:54,480

listen to this they're like no it's

2166

01:22:57,910 --> 01:22:55,679

impossible it can't be

2167

01:22:59,350 --> 01:22:57,920

we'll tell that to stephen hawking tell

2168

01:23:01,350 --> 01:22:59,360

that to michukaku

2169

01:23:02,470 --> 01:23:01,360

okay tell that to all these well-known

2170

01:23:05,750 --> 01:23:02,480

psd uh

2171

01:23:08,149 --> 01:23:05,760

uh uh uh scientists out there okay

2172

01:23:09,030 --> 01:23:08,159

so let's focus now on the relationship

2173

01:23:11,910 --> 01:23:09,040

between

2174

01:23:13,110 --> 01:23:11,920

uh this et the non-human intelligence

2175

01:23:17,510 --> 01:23:13,120

the experiencers

2176
01:23:20,629 --> 01:23:19,030
now again what i'm going to tell you now

2177
01:23:22,629 --> 01:23:20,639
is what these people believe not what

2178
01:23:24,790 --> 01:23:22,639
they were told this is what they believe

2179
01:23:25,830 --> 01:23:24,800
okay after many many years of having

2180
01:23:27,830 --> 01:23:25,840
these experiences

2181
01:23:29,590 --> 01:23:27,840
okay and again these are thousands of

2182
01:23:31,110 --> 01:23:29,600
people this is not one or two or three

2183
01:23:32,149 --> 01:23:31,120
or four or five six people these are

2184
01:23:35,189 --> 01:23:32,159
thousands of people

2185
01:23:37,270 --> 01:23:35,199
okay 97 believe that non-human

2186
01:23:41,030 --> 01:23:37,280
intelligence i-e-e-t

2187
01:23:44,229 --> 01:23:41,040
can travel to other dimensions 97

2188
01:23:45,669 --> 01:23:44,239

okay yeah these ets they're traveling to

2189

01:23:47,990 --> 01:23:45,679

other dimensions it's not just of

2190

01:23:49,750 --> 01:23:48,000

to venus or mars okay and they're not

2191

01:23:50,310 --> 01:23:49,760

from venus or mars as a matter of fact

2192

01:23:53,510 --> 01:23:50,320

okay

2193

01:23:55,030 --> 01:23:53,520

they're multi-dimensional beings 91

2194

01:23:56,950 --> 01:23:55,040

believe that there is some sort of a

2195

01:23:59,830 --> 01:23:56,960

grand plan in motion

2196

01:24:00,709 --> 01:23:59,840

and that experiences are all part of it

2197

01:24:02,070 --> 01:24:00,719

89

2198

01:24:03,990 --> 01:24:02,080

believe that there is a connection

2199

01:24:04,870 --> 01:24:04,000

between non-human intelligence and the

2200

01:24:08,310 --> 01:24:04,880

paranormal

2201
01:24:10,950 --> 01:24:08,320
look at that these experiences 89

2202
01:24:13,990 --> 01:24:10,960
yes these et's are related to the

2203
01:24:17,350 --> 01:24:15,510
that's your worldview science there

2204
01:24:19,189 --> 01:24:17,360
richard dolan

2205
01:24:20,870 --> 01:24:19,199
82 and a half percent believe that there

2206
01:24:22,870 --> 01:24:20,880
is a connection between non-human

2207
01:24:26,629 --> 01:24:22,880
intelligence and the spirit world

2208
01:24:27,830 --> 01:24:26,639
again david jacobs 82 and a half percent

2209
01:24:28,310 --> 01:24:27,840
believe that there is a connection

2210
01:24:31,430 --> 01:24:28,320
between

2211
01:24:32,870 --> 01:24:31,440
et's and the spirit world you don't know

2212
01:24:33,590 --> 01:24:32,880
about it because you're totally clueless

2213
01:24:36,950 --> 01:24:33,600

because you're

2214

01:24:38,870 --> 01:24:36,960

focusing on regressing only 200 people

2215

01:24:40,390 --> 01:24:38,880

feeding them leading questions you're

2216

01:24:41,750 --> 01:24:40,400

pre-selecting them because you're only

2217

01:24:43,350 --> 01:24:41,760

getting the people with the negative

2218

01:24:45,430 --> 01:24:43,360

experiences you're not getting anyone

2219

01:24:46,390 --> 01:24:45,440

with any positive experiences and then

2220

01:24:47,910 --> 01:24:46,400

you're feeding them

2221

01:24:49,830 --> 01:24:47,920

one leading question after another and

2222

01:24:50,870 --> 01:24:49,840

then you come your conclusion just like

2223

01:24:52,950 --> 01:24:50,880

richard dolan

2224

01:24:54,470 --> 01:24:52,960

is that et's are creating hybrids to

2225

01:24:58,310 --> 01:24:54,480

take over the world

2226

01:25:00,149 --> 01:24:58,320

okay now does that world view

2227

01:25:01,430 --> 01:25:00,159

compared to what i just presented in

2228

01:25:04,790 --> 01:25:01,440

this research study

2229

01:25:07,110 --> 01:25:04,800

now is the total opposite

2230

01:25:09,270 --> 01:25:07,120

82 believe that non-human intelligence

2231

01:25:12,470 --> 01:25:09,280

ets can travel to the past

2232

01:25:15,750 --> 01:25:12,480

and also travel to the future

2233

01:25:17,830 --> 01:25:15,760

75 24 believe that there is a connection

2234

01:25:20,390 --> 01:25:17,840

between et's and reincarnation

2235

01:25:21,590 --> 01:25:20,400

look at that 75 percent three out of

2236

01:25:23,750 --> 01:25:21,600

four people

2237

01:25:26,390 --> 01:25:23,760

45 percent have reached an agreement

2238

01:25:29,990 --> 01:25:26,400

with e.t look at that 45 percent yes

2239

01:25:33,669 --> 01:25:30,000

okay they might have adopted abducted me

2240

01:25:35,830 --> 01:25:33,679

but i agreed to it okay 45

2241

01:25:36,870 --> 01:25:35,840

38 believe that non-human intelligent

2242

01:25:39,110 --> 01:25:36,880

beings are

2243

01:25:41,189 --> 01:25:39,120

modern angels that's how i perceive them

2244

01:25:43,910 --> 01:25:41,199

okay not from a biblical

2245

01:25:44,629 --> 01:25:43,920

biblical term but they have all the

2246

01:25:47,189 --> 01:25:44,639

powers

2247

01:25:48,470 --> 01:25:47,199

of what people consider modern angels

2248

01:25:50,310 --> 01:25:48,480

okay

2249

01:25:51,669 --> 01:25:50,320

that's these ets these non-human

2250

01:25:53,669 --> 01:25:51,679

intelligent beings

2251
01:25:54,870 --> 01:25:53,679
thirty percent agreed to be taken aboard

2252
01:25:58,390 --> 01:25:54,880
a ufo craft

2253
01:25:59,990 --> 01:25:58,400
thirty percent three out of ten

2254
01:26:01,590 --> 01:26:00,000
thirty one percent were given a message

2255
01:26:03,350 --> 01:26:01,600
about god look at that

2256
01:26:05,590 --> 01:26:03,360
three out of ten they were given a

2257
01:26:06,310 --> 01:26:05,600
message of god so this is what the et's

2258
01:26:08,229 --> 01:26:06,320
told them

2259
01:26:09,350 --> 01:26:08,239
this is not what they believe anymore

2260
01:26:12,950 --> 01:26:09,360
this is what e.t

2261
01:26:15,270 --> 01:26:12,960
told them 31 said yeah

2262
01:26:16,629 --> 01:26:15,280
e.t talked to me and he told me about

2263
01:26:19,430 --> 01:26:16,639

god

2264

01:26:20,390 --> 01:26:19,440

30 were told by the et's about the death

2265

01:26:23,669 --> 01:26:20,400

process

2266

01:26:26,070 --> 01:26:23,679

and the spirit world okay

2267

01:26:27,270 --> 01:26:26,080

28 percent were told where they were

2268

01:26:33,750 --> 01:26:27,280

from

2269

01:26:36,950 --> 01:26:33,760

were given a message about reincarnation

2270

01:26:39,110 --> 01:26:36,960

from the et's tony 275

2271

01:26:40,310 --> 01:26:39,120

told them of what their mission here is

2272

01:26:43,350 --> 01:26:40,320

on earth

2273

01:26:45,750 --> 01:26:43,360

why are they here 25

2274

01:26:46,629 --> 01:26:45,760

were shown how to do energy work if you

2275

01:26:50,470 --> 01:26:46,639

ever go to

2276

01:26:51,669 --> 01:26:50,480

an nde conference you'll see tons of

2277

01:26:54,870 --> 01:26:51,679

these people

2278

01:26:57,270 --> 01:26:54,880

the nde people uh experiencers

2279

01:26:58,709 --> 01:26:57,280

that are into reiki healing you go to a

2280

01:27:01,590 --> 01:26:58,719

ufo conference

2281

01:27:03,189 --> 01:27:01,600

tons of these ufo contact experiences

2282

01:27:05,189 --> 01:27:03,199

are into reiki healing

2283

01:27:06,550 --> 01:27:05,199

okay i don't need to tell you just go to

2284

01:27:07,990 --> 01:27:06,560

one of these conferences

2285

01:27:09,510 --> 01:27:08,000

don't don't go and listen to these

2286

01:27:10,550 --> 01:27:09,520

lectures because they're totally

2287

01:27:14,310 --> 01:27:10,560

clueless

2288

01:27:16,830 --> 01:27:14,320

go talk to the experiencers okay 25

2289

01:27:18,229 --> 01:27:16,840

were told that at one time they were an

2290

01:27:21,030 --> 01:27:18,239

et

2291

01:27:23,830 --> 01:27:21,040

24 percent were told by e.t about the

2292

01:27:26,070 --> 01:27:23,840

experiencers past lives

2293

01:27:28,149 --> 01:27:26,080

okay jack valet too bad i don't have his

2294

01:27:31,830 --> 01:27:28,159

uh quote it's not working my

2295

01:27:34,950 --> 01:27:31,840

my audio here but jack valet um

2296

01:27:38,709 --> 01:27:34,960

i consider the world's preeminent um

2297

01:27:40,470 --> 01:27:38,719

uh scholar on the ufo contact phenomenon

2298

01:27:41,910 --> 01:27:40,480

and he basically wouldn't will not go

2299

01:27:44,950 --> 01:27:41,920

near a ufo conference

2300

01:27:46,950 --> 01:27:44,960

with a 10 foot pole okay and his

2301

01:27:48,870 --> 01:27:46,960

perspective is the total

2302

01:27:51,030 --> 01:27:48,880

opposite of all these materialist

2303

01:27:53,990 --> 01:27:51,040

ufologists the total opposite

2304

01:27:55,590 --> 01:27:54,000

so he wrote a book uh titled ufos the

2305

01:28:00,229 --> 01:27:55,600

psychic solution

2306

01:28:05,030 --> 01:28:00,239

ufo influences on the human race

2307

01:28:05,040 --> 01:28:09,270

now let me go into the

2308

01:28:14,310 --> 01:28:12,870

also um he wrote as a forward to this

2309

01:28:17,110 --> 01:28:14,320

book

2310

01:28:18,470 --> 01:28:17,120

the simulation hypothesis jack vallee

2311

01:28:21,590 --> 01:28:18,480

wrote the following

2312

01:28:23,510 --> 01:28:21,600

okay the simulation hypothesis presents

2313

01:28:26,709 --> 01:28:23,520

a radical alternative

2314

01:28:29,270 --> 01:28:26,719

to current models of reality

2315

01:28:29,830 --> 01:28:29,280

many fields rejected or neglected by

2316

01:28:32,709 --> 01:28:29,840

modern

2317

01:28:33,510 --> 01:28:32,719

science such as religion religious

2318

01:28:37,990 --> 01:28:33,520

visions

2319

01:28:41,030 --> 01:28:38,000

ndes psychic phenomenon and even ufos

2320

01:28:43,430 --> 01:28:41,040

can be brought under this framework the

2321

01:28:45,990 --> 01:28:43,440

result is a stunning reappraisal

2322

01:28:46,950 --> 01:28:46,000

of what it means to be human in an

2323

01:28:50,070 --> 01:28:46,960

infinite

2324

01:28:52,310 --> 01:28:50,080

universe so this is jack malay writing

2325

01:28:55,110 --> 01:28:52,320

the forward to this man's book

2326

01:28:55,990 --> 01:28:55,120

okay uh jacques vallee together with all

2327

01:28:58,790 --> 01:28:56,000

of the academic

2328

01:29:00,550 --> 01:28:58,800

researchers of our organization okay we

2329

01:29:01,590 --> 01:29:00,560

all believe that consciousness is

2330

01:29:04,709 --> 01:29:01,600

primary

2331

01:29:07,030 --> 01:29:04,719

not our material reality and just like

2332

01:29:10,550 --> 01:29:07,040

jack valet that we could be

2333

01:29:13,750 --> 01:29:10,560

within a simulated reality

2334

01:29:16,550 --> 01:29:13,760

okay so that's dr

2335

01:29:17,430 --> 01:29:16,560

jacques villa the most important and

2336

01:29:20,550 --> 01:29:17,440

most um

2337

01:29:22,550 --> 01:29:20,560

credible ufo researcher in the world by

2338

01:29:25,030 --> 01:29:22,560

far

2339

01:29:26,229 --> 01:29:25,040

dr john mack he was up there right at

2340

01:29:29,750 --> 01:29:26,239

the level of dr

2341

01:29:33,030 --> 01:29:29,760

jean villain okay uh dr john mcfar

2342

01:29:36,310 --> 01:29:33,040

those who do not know who who he was he

2343

01:29:37,910 --> 01:29:36,320

was a tenured academic professor at the

2344

01:29:40,149 --> 01:29:37,920

harvard medical school he was a

2345

01:29:43,110 --> 01:29:40,159

professor of psychiatry

2346

01:29:43,590 --> 01:29:43,120

and he really was the one the first high

2347

01:29:46,550 --> 01:29:43,600

level

2348

01:29:48,310 --> 01:29:46,560

academics to become interested in the

2349

01:29:51,830 --> 01:29:48,320

ufo contact phenomenon

2350

01:29:53,590 --> 01:29:51,840

and the experiencers okay and in 1999 he

2351

01:29:56,550 --> 01:29:53,600

published a book titled

2352

01:29:57,990 --> 01:29:56,560

passport to the cosmos human

2353

01:30:01,270 --> 01:29:58,000

transformation

2354

01:30:03,030 --> 01:30:01,280

and alien encounters okay and this is

2355

01:30:05,189 --> 01:30:03,040

what dr john mack wrote

2356

01:30:06,229 --> 01:30:05,199

okay he said people know their

2357

01:30:08,310 --> 01:30:06,239

experiences

2358

01:30:10,550 --> 01:30:08,320

and what they have undergone does not

2359

01:30:12,229 --> 01:30:10,560

fit with the previewing

2360

01:30:13,750 --> 01:30:12,239

with the prevailing mechanistic

2361

01:30:16,950 --> 01:30:13,760

worldview i.e

2362

01:30:18,470 --> 01:30:16,960

nuts and bolts materialist ufology

2363

01:30:19,990 --> 01:30:18,480

they know it doesn't fit under that

2364

01:30:22,310 --> 01:30:20,000

umbrella he

2365

01:30:23,510 --> 01:30:22,320

said large percentages of people seem to

2366

01:30:27,270 --> 01:30:23,520

know there is an

2367

01:30:31,110 --> 01:30:27,280

unseen world or hidden dimensions

2368

01:30:33,830 --> 01:30:31,120

of reality okay this is coming straight

2369

01:30:35,590 --> 01:30:33,840

from the two leading researchers in this

2370

01:30:40,149 --> 01:30:35,600

field dr john mack

2371

01:30:44,629 --> 01:30:41,990

jeffrey long he's one of the leading

2372

01:30:47,110 --> 01:30:44,639

academic research scholars

2373

01:30:48,149 --> 01:30:47,120

on the near-death experiences he is the

2374

01:30:50,310 --> 01:30:48,159

co-chair

2375

01:30:52,310 --> 01:30:50,320

of the ccri organization the

2376

01:30:55,430 --> 01:30:52,320

organization that i started off with

2377

01:30:56,629 --> 01:30:55,440

okay um uh the one that's researching

2378

01:30:59,350 --> 01:30:56,639

the experiences of the

2379

01:31:01,750 --> 01:30:59,360

of the contact modalities and again i

2380

01:31:04,390 --> 01:31:01,760

had an audio clip of him i apologize

2381

01:31:06,229 --> 01:31:04,400

it's not working

2382

01:31:09,669 --> 01:31:06,239

so he is one of the co-chairs together

2383

01:31:11,350 --> 01:31:09,679

with dr rudy shields and myself

2384

01:31:13,430 --> 01:31:11,360

and he's a medical doctor he's an

2385

01:31:15,910 --> 01:31:13,440

oncologist a cancer specialist

2386

01:31:16,870 --> 01:31:15,920

and he uh one of the few individuals

2387

01:31:20,229 --> 01:31:16,880

that has

2388

01:31:23,350 --> 01:31:20,239

um thousands of um survey data

2389

01:31:26,310 --> 01:31:23,360

from nde experiencers and also

2390

01:31:27,830 --> 01:31:26,320

obe experiencers okay and when i and

2391

01:31:29,110 --> 01:31:27,840

when i talked to him and gave him all of

2392

01:31:31,910 --> 01:31:29,120

our data he said ray

2393

01:31:33,189 --> 01:31:31,920

you know this is just like ndes almost

2394

01:31:35,430 --> 01:31:33,199

exactly like it

2395

01:31:37,110 --> 01:31:35,440

you know can i join your organization

2396

01:31:41,510 --> 01:31:37,120

and so he became

2397

01:31:46,870 --> 01:31:44,790

now our book beyond ufos

2398

01:31:48,550 --> 01:31:46,880

the science of consciousness and contact

2399

01:31:52,790 --> 01:31:48,560

with non-human intelligence

2400

01:31:53,590 --> 01:31:52,800

that was published in uh 2018. it's 820

2401
01:31:56,310 --> 01:31:53,600
pages

2402
01:31:57,189 --> 01:31:56,320
and it can be purchased on amazon or

2403
01:31:59,510 --> 01:31:57,199
which is a value

2404
01:32:00,709 --> 01:31:59,520
available in book form or in kindle but

2405
01:32:03,030 --> 01:32:00,719
as i said before

2406
01:32:04,790 --> 01:32:03,040
before you even buy it okay send me an

2407
01:32:07,830 --> 01:32:04,800
email and i will send you

2408
01:32:10,629 --> 01:32:07,840
uh numerous chapters from that book okay

2409
01:32:11,510 --> 01:32:10,639
and um it will have our two main

2410
01:32:13,669 --> 01:32:11,520
chapters we

2411
01:32:15,270 --> 01:32:13,679
where we present most of our data

2412
01:32:17,350 --> 01:32:15,280
findings uh certainly

2413
01:32:18,950 --> 01:32:17,360

what i presented in today's lecture

2414

01:32:20,310 --> 01:32:18,960

except you'll be getting in a much more

2415

01:32:21,910 --> 01:32:20,320

comprehensive format

2416

01:32:23,750 --> 01:32:21,920

you'll be also getting a couple of

2417

01:32:26,149 --> 01:32:23,760

articles that were um

2418

01:32:28,470 --> 01:32:26,159

academic publications that myself and

2419

01:32:30,709 --> 01:32:28,480

several phd academics uh published

2420

01:32:32,229 --> 01:32:30,719

in peer-reviewed academics uh some of

2421

01:32:34,229 --> 01:32:32,239

them were actually uh

2422

01:32:35,350 --> 01:32:34,239

publications like where jack valet

2423

01:32:37,910 --> 01:32:35,360

published many of his

2424

01:32:40,950 --> 01:32:37,920

academic articles in the journal for a

2425

01:32:43,910 --> 01:32:40,960

society of scientific exploration

2426

01:32:45,110 --> 01:32:43,920

i'll send that to you as well okay now

2427

01:32:46,629 --> 01:32:45,120

let's take a look at some of the

2428

01:32:48,950 --> 01:32:46,639

similarities between

2429

01:32:50,310 --> 01:32:48,960

the ufo contact experience and

2430

01:32:53,030 --> 01:32:50,320

near-death experiences

2431

01:32:54,229 --> 01:32:53,040

okay again our argument that is one

2432

01:32:56,229 --> 01:32:54,239

phenomenon

2433

01:32:58,709 --> 01:32:56,239

and it's all derived from one source

2434

01:33:00,870 --> 01:32:58,719

okay telepathic communications in one's

2435

01:33:04,070 --> 01:33:00,880

native language

2436

01:33:06,709 --> 01:33:04,080

as i said before these are not

2437

01:33:09,510 --> 01:33:06,719

beings slapping their gums around and

2438

01:33:11,430 --> 01:33:09,520

talking to you all telepathic

2439

01:33:13,110 --> 01:33:11,440

just like in near-death experiences just

2440

01:33:16,229 --> 01:33:13,120

like in out-of-body experiences

2441

01:33:18,310 --> 01:33:16,239

okay just like in shamanic journeys the

2442

01:33:18,870 --> 01:33:18,320

people that take ayahuasca or dmt or

2443

01:33:20,310 --> 01:33:18,880

magic

2444

01:33:21,910 --> 01:33:20,320

mushrooms when they're having

2445

01:33:23,750 --> 01:33:21,920

communication with

2446

01:33:25,910 --> 01:33:23,760

a perceived non-human intelligence and

2447

01:33:28,550 --> 01:33:25,920

so what telepathic communications

2448

01:33:29,510 --> 01:33:28,560

okay the out-of-body experience is

2449

01:33:32,310 --> 01:33:29,520

common to both

2450

01:33:33,110 --> 01:33:32,320

ndes and ufos as i showed before with

2451

01:33:36,950 --> 01:33:33,120

the ufos

2452

01:33:39,669 --> 01:33:36,960

it's 80 of these people okay and the nde

2453

01:33:40,870 --> 01:33:39,679

almost by definition involves an out of

2454

01:33:43,510 --> 01:33:40,880

body experience

2455

01:33:45,030 --> 01:33:43,520

okay uh as a matter of fact the the

2456

01:33:46,070 --> 01:33:45,040

numbers the percentages of people that

2457

01:33:47,910 --> 01:33:46,080

when they have an ide

2458

01:33:49,430 --> 01:33:47,920

nde before that they're out of their

2459

01:33:50,550 --> 01:33:49,440

body and they're looking at their dead

2460

01:33:53,990 --> 01:33:50,560

body underneath

2461

01:33:57,030 --> 01:33:54,000

again

2462

01:34:00,070 --> 01:33:57,040

huge percentages okay okay

2463

01:34:01,030 --> 01:34:00,080

energy being human looking being and

2464

01:34:03,110 --> 01:34:01,040

ghost beings

2465

01:34:04,709 --> 01:34:03,120

these are three out of the four top

2466

01:34:07,910 --> 01:34:04,719

beings that people

2467

01:34:11,189 --> 01:34:07,920

have seen in ufo contact

2468

01:34:13,350 --> 01:34:11,199

the the fourth one is the short gray

2469

01:34:15,830 --> 01:34:13,360

well guess what the energy being the

2470

01:34:18,229 --> 01:34:15,840

human looking being and the ghost beings

2471

01:34:20,510 --> 01:34:18,239

are the three major types of beings seen

2472

01:34:23,990 --> 01:34:20,520

in a near-death experience

2473

01:34:27,110 --> 01:34:24,000

coincidence my friends coincidence

2474

01:34:30,870 --> 01:34:27,120

no i don't think so medical healings

2475

01:34:33,030 --> 01:34:30,880

okay you saw that in the ufo study 50

2476
01:34:34,709 --> 01:34:33,040
of these people had a medical healing

2477
01:34:35,750 --> 01:34:34,719
well guess what with near-death

2478
01:34:38,229 --> 01:34:35,760
experiences

2479
01:34:39,750 --> 01:34:38,239
there are tons of people that had ndes

2480
01:34:42,629 --> 01:34:39,760
that had medical healings

2481
01:34:43,590 --> 01:34:42,639
the most famous people are two of the

2482
01:34:46,390 --> 01:34:43,600
most well-known

2483
01:34:47,350 --> 01:34:46,400
nde experiencers in the world anita

2484
01:34:50,629 --> 01:34:47,360
morgani

2485
01:34:51,750 --> 01:34:50,639
she had stage four cancer okay she had

2486
01:34:53,590 --> 01:34:51,760
an nde

2487
01:34:55,109 --> 01:34:53,600
she woke up totally healed from her

2488
01:34:56,310 --> 01:34:55,119

cancer

2489

01:34:58,709 --> 01:34:56,320
she was told when she had her

2490

01:35:00,149 --> 01:34:58,719
communications with with god

2491

01:35:01,830 --> 01:35:00,159
you know the being that she identified

2492

01:35:03,830 --> 01:35:01,840
as god you know i told her look

2493

01:35:05,910 --> 01:35:03,840
when you go back to the doctors tell

2494

01:35:06,470 --> 01:35:05,920
them no more chemotherapy you know

2495

01:35:08,310 --> 01:35:06,480
because

2496

01:35:10,070 --> 01:35:08,320
you've been totally healed so when she

2497

01:35:11,669 --> 01:35:10,080
woke up out of her coma after several

2498

01:35:12,390 --> 01:35:11,679
days she told us to the doctors and the

2499

01:35:13,590 --> 01:35:12,400
doctor said

2500

01:35:15,430 --> 01:35:13,600
we're not going to give you any more

2501

01:35:16,390 --> 01:35:15,440

treatments anyway because

2502

01:35:17,830 --> 01:35:16,400

you know they're not going to do

2503

01:35:19,030 --> 01:35:17,840

anything your whole body is littered

2504

01:35:20,870 --> 01:35:19,040

with cancer

2505

01:35:22,870 --> 01:35:20,880

okay well within two weeks she walked

2506

01:35:26,310 --> 01:35:22,880

out of that hospital

2507

01:35:28,950 --> 01:35:26,320

okay same thing with dr evan alexander

2508

01:35:30,870 --> 01:35:28,960

okay another harvard professor at the

2509

01:35:32,950 --> 01:35:30,880

harvard medical school just like dr john

2510

01:35:36,149 --> 01:35:32,960

mack except evan alexander

2511

01:35:36,870 --> 01:35:36,159

was a neurosurgeon a professor of

2512

01:35:39,350 --> 01:35:36,880

surgery

2513

01:35:41,109 --> 01:35:39,360

of the brain okay he had a very famous

2514

01:35:43,109 --> 01:35:41,119

near-death experiences

2515

01:35:45,590 --> 01:35:43,119

where he had a bacterial infection of

2516

01:35:48,950 --> 01:35:45,600

his brain his brain was turned to

2517

01:35:50,870 --> 01:35:48,960

to mashed potato okay and so no one

2518

01:35:52,149 --> 01:35:50,880

could understand how this man could walk

2519

01:35:53,830 --> 01:35:52,159

away from

2520

01:35:55,189 --> 01:35:53,840

his near-death experience and within a

2521

01:35:56,790 --> 01:35:55,199

couple of weeks have all of his

2522

01:35:58,550 --> 01:35:56,800

cognitive functions

2523

01:35:59,830 --> 01:35:58,560

and and and memories back it took him

2524

01:36:00,950 --> 01:35:59,840

like two weeks to get all of his full

2525

01:36:03,350 --> 01:36:00,960

memories back

2526
01:36:04,950 --> 01:36:03,360
but this is a brain that was mush it was

2527
01:36:06,070 --> 01:36:04,960
mashed potatoes how could that take

2528
01:36:08,629 --> 01:36:06,080
place

2529
01:36:10,709 --> 01:36:08,639
because of a medical healing because of

2530
01:36:13,270 --> 01:36:10,719
the near-death experience

2531
01:36:14,550 --> 01:36:13,280
so again coincidence my friend i don't

2532
01:36:17,830 --> 01:36:14,560
think so

2533
01:36:19,669 --> 01:36:17,840
reincarnation both groups

2534
01:36:21,350 --> 01:36:19,679
deal have dealt with in their

2535
01:36:23,750 --> 01:36:21,360
experiences with reincarnation

2536
01:36:24,950 --> 01:36:23,760
you saw that over 25 of the people were

2537
01:36:27,590 --> 01:36:24,960
told by e.t

2538
01:36:28,470 --> 01:36:27,600

about reincarnation and close to what

2539

01:36:30,229 --> 01:36:28,480

was it like

2540

01:36:32,229 --> 01:36:30,239

over 90 percent of the people believed

2541

01:36:34,870 --> 01:36:32,239

in reincarnation okay

2542

01:36:36,310 --> 01:36:34,880

uh you know in the ufo contact survey so

2543

01:36:38,709 --> 01:36:36,320

another similarity

2544

01:36:39,510 --> 01:36:38,719

visions of the future and visions of the

2545

01:36:42,149 --> 01:36:39,520

past

2546

01:36:44,149 --> 01:36:42,159

for visions of the future uh much more

2547

01:36:45,189 --> 01:36:44,159

common the ufo contact experiences than

2548

01:36:47,430 --> 01:36:45,199

the usually shown

2549

01:36:49,350 --> 01:36:47,440

an ecological vision of planet earth

2550

01:36:51,430 --> 01:36:49,360

that we're totally destroying our planet

2551
01:36:53,030 --> 01:36:51,440
okay or that we need to become much more

2552
01:36:55,350 --> 01:36:53,040
spiritual okay

2553
01:36:56,149 --> 01:36:55,360
now visions of the past are again much

2554
01:36:58,070 --> 01:36:56,159
more prevalent

2555
01:36:59,750 --> 01:36:58,080
in the near-death experience where

2556
01:37:01,109 --> 01:36:59,760
people are being shown

2557
01:37:02,390 --> 01:37:01,119
all the good things that they had done

2558
01:37:03,750 --> 01:37:02,400
in their life and all the bad things

2559
01:37:06,229 --> 01:37:03,760
that's called a life review

2560
01:37:07,669 --> 01:37:06,239
one out of every four people and an nde

2561
01:37:10,629 --> 01:37:07,679
has a life review

2562
01:37:12,149 --> 01:37:10,639
okay so again these manipulations of

2563
01:37:13,189 --> 01:37:12,159

space time in terms of the future in

2564

01:37:15,669 --> 01:37:13,199

terms of the past

2565

01:37:17,350 --> 01:37:15,679

okay these two types of intelligence

2566

01:37:20,550 --> 01:37:17,360

both the near-death experience

2567

01:37:22,149 --> 01:37:20,560

and the ets are able to manipulate

2568

01:37:24,709 --> 01:37:22,159

visions of the future and visions of the

2569

01:37:25,990 --> 01:37:24,719

past total personality transformation

2570

01:37:27,030 --> 01:37:26,000

like i told you before i went through

2571

01:37:28,950 --> 01:37:27,040

part of my lecture

2572

01:37:30,310 --> 01:37:28,960

how these people totally changed towards

2573

01:37:33,590 --> 01:37:30,320

the positive okay

2574

01:37:33,990 --> 01:37:33,600

same thing with nde experiencers totally

2575

01:37:36,070 --> 01:37:34,000

changed

2576

01:37:37,189 --> 01:37:36,080

or the positive and that was in dr

2577

01:37:39,830 --> 01:37:37,199

kenneth ring's book

2578

01:37:41,990 --> 01:37:39,840

that i told you about i talked about

2579

01:37:43,669 --> 01:37:42,000

being taken to a matrix reality 50

2580

01:37:45,990 --> 01:37:43,679

of the people that took our surveys were

2581

01:37:49,270 --> 01:37:46,000

brought to a matrix reality

2582

01:37:51,189 --> 01:37:49,280

okay and by definition having an nde is

2583

01:37:54,390 --> 01:37:51,199

being brought to a matrix reality

2584

01:37:57,350 --> 01:37:54,400

okay um precognition okay

2585

01:37:57,990 --> 01:37:57,360

uh when people return from an nde and

2586

01:38:01,030 --> 01:37:58,000

also

2587

01:38:03,030 --> 01:38:01,040

have uh um et contact

2588

01:38:05,109 --> 01:38:03,040

okay all of a sudden these people have

2589

01:38:08,310 --> 01:38:05,119

these huge precognition abilities

2590

01:38:09,830 --> 01:38:08,320

my wife detected a tumor in my back she

2591

01:38:11,350 --> 01:38:09,840

knew that our engine was going to blow

2592

01:38:13,510 --> 01:38:11,360

up if we went to this uh

2593

01:38:14,550 --> 01:38:13,520

our first ever ufo conference you know

2594

01:38:16,470 --> 01:38:14,560

three hours away

2595

01:38:17,910 --> 01:38:16,480

the driving distance you know she just

2596

01:38:19,189 --> 01:38:17,920

knew his car was going to blow up she

2597

01:38:19,750 --> 01:38:19,199

was harassing me hounding me and

2598

01:38:21,830 --> 01:38:19,760

hounding me

2599

01:38:23,350 --> 01:38:21,840

i brought to my mechanic the mechanic

2600

01:38:24,550 --> 01:38:23,360

said right thank goodness she didn't

2601

01:38:25,910 --> 01:38:24,560

take it on that long trip

2602

01:38:27,750 --> 01:38:25,920

because the whole motor would have blown

2603

01:38:29,830 --> 01:38:27,760

up okay so uh

2604

01:38:31,109 --> 01:38:29,840

she detected a huge tumor on my back i

2605

01:38:33,590 --> 01:38:31,119

had no idea

2606

01:38:34,310 --> 01:38:33,600

no one knew i brought it went to the

2607

01:38:37,830 --> 01:38:34,320

doctor

2608

01:38:39,830 --> 01:38:37,840

other tests

2609

01:38:41,270 --> 01:38:39,840

and uh x-rays and then wound up putting

2610

01:38:43,109 --> 01:38:41,280

a huge scar in my back

2611

01:38:45,109 --> 01:38:43,119

the surgeon to take this huge tumor out

2612

01:38:45,830 --> 01:38:45,119

of my back my wife knew about it and

2613

01:38:47,750 --> 01:38:45,840

told me

2614

01:38:49,030 --> 01:38:47,760

so again precognition things of the

2615

01:38:50,390 --> 01:38:49,040

future that are going to happen my wife

2616

01:38:51,990 --> 01:38:50,400

is like a dime a dozen

2617

01:38:54,950 --> 01:38:52,000

you know telling me all these things

2618

01:38:57,430 --> 01:38:54,960

same thing with nde contact experiencers

2619

01:38:58,790 --> 01:38:57,440

okay paranormal experiences already went

2620

01:39:00,070 --> 01:38:58,800

through all the paranormal experiences

2621

01:39:02,709 --> 01:39:00,080

with ufo contact

2622

01:39:03,270 --> 01:39:02,719

same thing happens with nde experiences

2623

01:39:05,350 --> 01:39:03,280

okay

2624

01:39:06,550 --> 01:39:05,360

once they have their nde experience all

2625

01:39:07,590 --> 01:39:06,560

of a sudden all these people are seeing

2626

01:39:09,270 --> 01:39:07,600

ghosts and spirits

2627

01:39:10,790 --> 01:39:09,280

okay they're having a lot of body

2628

01:39:12,870 --> 01:39:10,800

experiences okay

2629

01:39:14,310 --> 01:39:12,880

tons of paranormal experiences people

2630

01:39:16,709 --> 01:39:14,320

later see ghosts and spirits

2631

01:39:18,390 --> 01:39:16,719

very common to both groups manipulation

2632

01:39:20,790 --> 01:39:18,400

of electronic devices okay

2633

01:39:21,990 --> 01:39:20,800

i saw a lecture of uh dr bruce grayson

2634

01:39:24,310 --> 01:39:22,000

one of the leading

2635

01:39:25,910 --> 01:39:24,320

academic researchers a tenant professor

2636

01:39:28,470 --> 01:39:25,920

at the university of virginia a

2637

01:39:31,350 --> 01:39:28,480

professor of psychiatry he's now retired

2638

01:39:33,270 --> 01:39:31,360

he gave a lecture of how nde

2639

01:39:34,550 --> 01:39:33,280

experiencers were having difficulty with

2640

01:39:38,950 --> 01:39:34,560

electronic devices

2641

01:39:41,030 --> 01:39:38,960

okay um electronic uh watches

2642

01:39:42,550 --> 01:39:41,040

quick your camera with switch shift it a

2643

01:39:44,310 --> 01:39:42,560

bit if you could uh move a bit to your

2644

01:39:47,350 --> 01:39:44,320

right please

2645

01:39:50,629 --> 01:39:47,360

this is that good no no

2646

01:39:54,550 --> 01:39:50,639

keep keep going it shifted quite a bit

2647

01:39:57,270 --> 01:39:54,560

okay the other way oh the other way

2648

01:39:58,629 --> 01:39:57,280

keep going please okay keep going it's

2649

01:39:59,030 --> 01:39:58,639

it went quite a bit i don't know how it

2650

01:40:01,430 --> 01:39:59,040

happened

2651
01:40:02,790 --> 01:40:01,440
keep going it's not there yet okay keep

2652
01:40:05,430 --> 01:40:02,800
going okay and so

2653
01:40:07,189 --> 01:40:05,440
and so here we have something i meant i

2654
01:40:08,550 --> 01:40:07,199
apologize you slide keep going

2655
01:40:10,229 --> 01:40:08,560
you're way off i don't know how it

2656
01:40:13,189 --> 01:40:10,239
happened just

2657
01:40:14,229 --> 01:40:13,199
okay what number am i in the slide what

2658
01:40:16,870 --> 01:40:14,239
does it show for you

2659
01:40:17,270 --> 01:40:16,880
for me it shows nde and ufo content yes

2660
01:40:20,310 --> 01:40:17,280
no

2661
01:40:20,950 --> 01:40:20,320
you you're good there okay good good

2662
01:40:22,790 --> 01:40:20,960
okay

2663
01:40:24,550 --> 01:40:22,800

so the whole issue of manipulation of

2664

01:40:25,830 --> 01:40:24,560

electronic devices very well known

2665

01:40:29,030 --> 01:40:25,840

within the ufo field

2666

01:40:32,229 --> 01:40:29,040

okay uh spiritual messages as i

2667

01:40:34,790 --> 01:40:32,239

said in my presentation very very common

2668

01:40:37,030 --> 01:40:34,800

huge numbers of spiritual percentages of

2669

01:40:38,870 --> 01:40:37,040

spiritual minds and dees again

2670

01:40:40,470 --> 01:40:38,880

that by definition these people are

2671

01:40:41,669 --> 01:40:40,480

getting these spiritual messages of the

2672

01:40:44,229 --> 01:40:41,679

afterlife

2673

01:40:45,830 --> 01:40:44,239

um consciousness is non-local that's one

2674

01:40:49,270 --> 01:40:45,840

of the major conclusions

2675

01:40:52,709 --> 01:40:49,280

that um uh our reality is uh

2676
01:40:54,149 --> 01:40:52,719
um is not 3d okay that consciousness

2677
01:41:02,830 --> 01:40:54,159
that our spirit

2678
01:41:09,750 --> 01:41:05,750
stopped

2679
01:41:14,310 --> 01:41:09,760
okay um all right let me see here let me

2680
01:41:18,470 --> 01:41:16,950
okay sorry about that uh we had a little

2681
01:41:21,270 --> 01:41:18,480
disconnection in the

2682
01:41:23,270 --> 01:41:21,280
in the actual stream so you should be

2683
01:41:25,030 --> 01:41:23,280
seeing me now and we'll just continue

2684
01:41:27,669 --> 01:41:25,040
where rayleigh had left off

2685
01:41:29,830 --> 01:41:27,679
so ray uh go ahead continue where you

2686
01:41:32,470 --> 01:41:29,840
had left off

2687
01:41:32,950 --> 01:41:32,480
okay uh there's new organization that i

2688
01:41:34,950 --> 01:41:32,960

mentioned

2689

01:41:36,709 --> 01:41:34,960

the consciousness and contact research

2690

01:41:39,350 --> 01:41:36,719

institute which is uh

2691

01:41:41,189 --> 01:41:39,360

much much larger than the uh previous

2692

01:41:42,229 --> 01:41:41,199

organization the dr edgar mitchell free

2693

01:41:44,470 --> 01:41:42,239

foundation

2694

01:41:46,709 --> 01:41:44,480

uh this new organization we're gonna be

2695

01:41:47,750 --> 01:41:46,719

publishing a new book it's actually four

2696

01:41:50,390 --> 01:41:47,760

volumes

2697

01:41:51,590 --> 01:41:50,400

and the title of the book is a greater

2698

01:41:54,390 --> 01:41:51,600

reality

2699

01:41:55,590 --> 01:41:54,400

the new paradigm of consciousness the

2700

01:42:00,070 --> 01:41:55,600

paranormal

2701

01:42:02,470 --> 01:42:00,080

and the contact modalities

2702

01:42:04,709 --> 01:42:02,480

the four volumes uh we don't know

2703

01:42:07,990 --> 01:42:04,719

exactly but uh we envision having

2704

01:42:11,990 --> 01:42:08,000

approximately 800 pages for each book

2705

01:42:15,030 --> 01:42:12,000

we will have uh not 90 our authors but

2706

01:42:17,350 --> 01:42:15,040

more than 100 authors and approximately

2707

01:42:19,590 --> 01:42:17,360

25 of these will be phd academic

2708

01:42:21,590 --> 01:42:19,600

professors

2709

01:42:23,590 --> 01:42:21,600

volumes 1 and 2 will be theoretical

2710

01:42:24,870 --> 01:42:23,600

books that will present diverse personal

2711

01:42:27,109 --> 01:42:24,880

hypotheses

2712

01:42:28,070 --> 01:42:27,119

of the nature of our multi-dimensional

2713

01:42:30,790 --> 01:42:28,080

reality

2714

01:42:31,350 --> 01:42:30,800
of consciousness of the of uh the

2715

01:42:34,629 --> 01:42:31,360
different

2716

01:42:37,109 --> 01:42:34,639
contact modalities um so this will be a

2717

01:42:37,990 --> 01:42:37,119
theoretical books talking about uh how

2718

01:42:40,830 --> 01:42:38,000
ufos

2719

01:42:43,990 --> 01:42:40,840
are are related to consciousness and our

2720

01:42:47,109 --> 01:42:44,000
multiverse how ndes are related to

2721

01:42:49,189 --> 01:42:47,119
consciousness and the multiverse ghosts

2722

01:42:52,709 --> 01:42:49,199
and spirits

2723

01:42:54,390 --> 01:42:52,719
remote viewing out of body experiences

2724

01:42:57,750 --> 01:42:54,400
etc etc

2725

01:42:59,510 --> 01:42:57,760
and so in other words um uh

2726

01:43:01,109 --> 01:42:59,520

this book and first of books will be

2727

01:43:03,350 --> 01:43:01,119

exploring the relationship between

2728

01:43:05,270 --> 01:43:03,360

consciousness or cosmology

2729

01:43:07,510 --> 01:43:05,280

and contact with non-human intelligence

2730

01:43:09,430 --> 01:43:07,520

via the contact modalities

2731

01:43:11,030 --> 01:43:09,440

and volumes three and four will be

2732

01:43:13,990 --> 01:43:11,040

volumes that will be written by

2733

01:43:15,350 --> 01:43:14,000

experiencers of the contact modalities

2734

01:43:16,390 --> 01:43:15,360

and these are going to be individuals

2735

01:43:19,430 --> 01:43:16,400

that have had

2736

01:43:21,189 --> 01:43:19,440

more than three different types of

2737

01:43:22,709 --> 01:43:21,199

experiences with the content modalities

2738

01:43:25,109 --> 01:43:22,719

for example

2739

01:43:25,910 --> 01:43:25,119

the first author will be this medical

2740

01:43:29,510 --> 01:43:25,920

doctor

2741

01:43:32,629 --> 01:43:29,520

dr melinda greer and she's had uh 12

2742

01:43:35,030 --> 01:43:32,639

ufo sightings all of them very up close

2743

01:43:37,350 --> 01:43:35,040

she's had two near-death experiences

2744

01:43:40,310 --> 01:43:37,360

numerous out-of-body experiences

2745

01:43:41,350 --> 01:43:40,320

she's um astral traveled since she was a

2746

01:43:44,229 --> 01:43:41,360

young kid

2747

01:43:45,830 --> 01:43:44,239

she's had three sashquash experiences

2748

01:43:48,709 --> 01:43:45,840

but yet at the same time

2749

01:43:50,790 --> 01:43:48,719

she works at a hospital for children

2750

01:43:51,350 --> 01:43:50,800

saving the lives of hundreds of children

2751
01:43:54,709 --> 01:43:51,360
a year

2752
01:43:58,149 --> 01:43:54,719
okay highly intelligent woman

2753
01:44:00,070 --> 01:43:58,159
uh very professional um and so again

2754
01:44:00,790 --> 01:44:00,080
someone that has had not one type of

2755
01:44:03,109 --> 01:44:00,800
experience

2756
01:44:05,189 --> 01:44:03,119
but numerous diverse types of

2757
01:44:09,270 --> 01:44:05,199
experiences via the contact modalities

2758
01:44:11,990 --> 01:44:09,280
so that's volumes three and volume four

2759
01:44:13,430 --> 01:44:12,000
okay so this is what the cover of our

2760
01:44:14,229 --> 01:44:13,440
book looks like if you can see on the

2761
01:44:16,950 --> 01:44:14,239
right

2762
01:44:18,470 --> 01:44:16,960
a greater reality we're gonna have four

2763
01:44:20,709 --> 01:44:18,480

uh co-editors i

2764

01:44:21,750 --> 01:44:20,719

i need to replace this because uh this

2765

01:44:24,870 --> 01:44:21,760

is the cover uh

2766

01:44:27,030 --> 01:44:24,880

the first draft that we did and um over

2767

01:44:29,189 --> 01:44:27,040

a year ago we added a fourth professor

2768

01:44:30,070 --> 01:44:29,199

the professor uh the co-editors or

2769

01:44:31,750 --> 01:44:30,080

myself

2770

01:44:33,510 --> 01:44:31,760

dr rudy shields the professor of

2771

01:44:36,109 --> 01:44:33,520

astrophysics from harvard

2772

01:44:37,590 --> 01:44:36,119

dr john clemo the professor of

2773

01:44:40,629 --> 01:44:37,600

psychology

2774

01:44:43,109 --> 01:44:40,639

for over 40 years 45 years and dr

2775

01:44:44,149 --> 01:44:43,119

john clemo who is a retired professor of

2776

01:44:46,550 --> 01:44:44,159

philosophy

2777

01:44:48,870 --> 01:44:46,560

also a major experiencer and he's

2778

01:44:51,669 --> 01:44:48,880

written over 10 books on the paranormal

2779

01:44:53,109 --> 01:44:51,679

that's um and he's a phd from columbia

2780

01:44:55,910 --> 01:44:53,119

university that's uh

2781

01:44:56,629 --> 01:44:55,920

dr michael grosso so again you can see

2782

01:44:58,550 --> 01:44:56,639

you know

2783

01:44:59,669 --> 01:44:58,560

high of the highest level type of

2784

01:45:02,149 --> 01:44:59,679

academics

2785

01:45:03,830 --> 01:45:02,159

that are the co-editors for this book

2786

01:45:07,030 --> 01:45:03,840

and in this book we're talking about

2787

01:45:08,470 --> 01:45:07,040

uh you name it uh on this front cover

2788

01:45:11,350 --> 01:45:08,480

near-death experiences out of body

2789

01:45:13,270 --> 01:45:11,360

experiences ufos ghosts and spirits

2790

01:45:15,189 --> 01:45:13,280

angels non-human intelligence

2791

01:45:18,470 --> 01:45:15,199

psychedelic journeys remote viewing

2792

01:45:21,669 --> 01:45:18,480

praying channeling lucid dreams

2793

01:45:22,629 --> 01:45:21,679

telepathy poltergeist orbs precognition

2794

01:45:26,229 --> 01:45:22,639

clairvoyance

2795

01:45:30,870 --> 01:45:29,030

so again the name of the organization is

2796

01:45:32,149 --> 01:45:30,880

consciousness and contact research

2797

01:45:35,430 --> 01:45:32,159

institute

2798

01:45:37,430 --> 01:45:35,440

or ccri if you send me an email

2799

01:45:39,350 --> 01:45:37,440

please write it down because i'll be

2800

01:45:40,470 --> 01:45:39,360

sending you free information free

2801
01:45:44,149 --> 01:45:40,480
chapters

2802
01:45:47,430 --> 01:45:44,159
info experiencer.org that's i

2803
01:45:50,709 --> 01:45:47,440
n f o at e x

2804
01:45:53,750 --> 01:45:50,719
p e r i e n

2805
01:45:55,350 --> 01:45:53,760
c e r dot o r g

2806
01:45:57,990 --> 01:45:55,360
we do have two websites but they're

2807
01:45:59,590 --> 01:45:58,000
being developed and by september 1st

2808
01:46:01,669 --> 01:45:59,600
when the new book is published

2809
01:46:03,189 --> 01:46:01,679
that's when we'll be opening up our two

2810
01:46:06,229 --> 01:46:03,199
new websites

2811
01:46:09,270 --> 01:46:06,239
so that is my um

2812
01:46:10,950 --> 01:46:09,280
my slideshow okay all right well ray

2813
01:46:12,790 --> 01:46:10,960

just sit tight you don't

2814

01:46:14,470 --> 01:46:12,800

don't touch anything please otherwise we

2815

01:46:17,669 --> 01:46:14,480

might have more difficulties but you

2816

01:46:20,950 --> 01:46:17,679

you're coming in uh great now okay let

2817

01:46:21,830 --> 01:46:20,960

me let's see if i have this going all

2818

01:46:24,390 --> 01:46:21,840

right great

2819

01:46:26,070 --> 01:46:24,400

all right well thanks everyone uh so or

2820

01:46:27,510 --> 01:46:26,080

at least thanks everyone thanks everyone

2821

01:46:29,430 --> 01:46:27,520

for being patient with me that's what i

2822

01:46:29,990 --> 01:46:29,440

meant to say i'm kind of flustered

2823

01:46:31,990 --> 01:46:30,000

because i got

2824

01:46:33,669 --> 01:46:32,000

all these slides and connection dropping

2825

01:46:34,950 --> 01:46:33,679

on us but we're back and everything's

2826

01:46:36,390 --> 01:46:34,960

running great so

2827

01:46:38,149 --> 01:46:36,400

ray thanks very much again for your

2828

01:46:41,350 --> 01:46:38,159

presentation i appreciate it

2829

01:46:43,510 --> 01:46:41,360

um so as always um if you guys would

2830

01:46:45,189 --> 01:46:43,520

like to ask a question of rey make sure

2831

01:46:45,830 --> 01:46:45,199

that you have the three stars before

2832

01:46:47,910 --> 01:46:45,840

your

2833

01:46:48,870 --> 01:46:47,920

question so that way i know it's for the

2834

01:46:51,590 --> 01:46:48,880

guest and it'll pop

2835

01:46:52,310 --> 01:46:51,600

out easier for me in in the in the chat

2836

01:46:54,790 --> 01:46:52,320

so um

2837

01:46:56,470 --> 01:46:54,800

just i guess start uh putting them out

2838

01:46:56,950 --> 01:46:56,480

there i have already a few to have come

2839

01:47:00,470 --> 01:46:56,960

in

2840

01:47:02,390 --> 01:47:00,480

some questions for you if you're okay

2841

01:47:04,229 --> 01:47:02,400

then

2842

01:47:05,750 --> 01:47:04,239

all right yes i'm okay do are people

2843

01:47:06,390 --> 01:47:05,760

able to see yeah everything's fine

2844

01:47:08,950 --> 01:47:06,400

thanks

2845

01:47:10,070 --> 01:47:08,960

all right so uh the first one is from

2846

01:47:13,270 --> 01:47:10,080

fabrice

2847

01:47:15,109 --> 01:47:13,280

he's um he's asking concerning

2848

01:47:16,870 --> 01:47:15,119

concerning visitation during night

2849

01:47:20,390 --> 01:47:16,880

terror experiences

2850

01:47:21,109 --> 01:47:20,400

uh can they be seen as valid reality or

2851
01:47:23,910 --> 01:47:21,119
just

2852
01:47:26,310 --> 01:47:23,920
neurological byproduct of the dream

2853
01:47:28,550 --> 01:47:26,320
state

2854
01:47:30,229 --> 01:47:28,560
okay so these are experiences while

2855
01:47:32,709 --> 01:47:30,239
you're dreaming

2856
01:47:33,990 --> 01:47:32,719
he's if that's if that's my

2857
01:47:36,070 --> 01:47:34,000
understanding

2858
01:47:37,430 --> 01:47:36,080
he said concerning visitations during

2859
01:47:40,470 --> 01:47:37,440
night terrors

2860
01:47:43,109 --> 01:47:40,480
experiences so he's asking if they are a

2861
01:47:44,310 --> 01:47:43,119
byproduct or neurological byproduct of

2862
01:47:46,709 --> 01:47:44,320
the dream state

2863
01:47:48,950 --> 01:47:46,719

or are they valid or is it a valid

2864

01:47:52,790 --> 01:47:48,960

reality

2865

01:47:55,030 --> 01:47:52,800

okay uh dreams um

2866

01:47:55,830 --> 01:47:55,040

you know people have been researching

2867

01:47:57,910 --> 01:47:55,840

dreams and

2868

01:47:59,109 --> 01:47:57,920

and what they see and experience of your

2869

01:48:01,470 --> 01:47:59,119

dreams

2870

01:48:03,030 --> 01:48:01,480

um at least that i'm aware of since the

2871

01:48:06,390 --> 01:48:03,040

1960s

2872

01:48:08,950 --> 01:48:06,400

uh stanley krypner i think was uh

2873

01:48:11,109 --> 01:48:08,960

one of the academics that actually did

2874

01:48:14,310 --> 01:48:11,119

uh experiments and tests on on

2875

01:48:17,030 --> 01:48:14,320

on what is called lucid dreams okay

2876

01:48:19,350 --> 01:48:17,040

now some of these lucid dreams are can

2877

01:48:21,669 --> 01:48:19,360

be uh um

2878

01:48:23,109 --> 01:48:21,679

very frightful and some of them you know

2879

01:48:24,229 --> 01:48:23,119

people being brought to heaven and

2880

01:48:29,030 --> 01:48:24,239

having francis

2881

01:48:30,709 --> 01:48:29,040

uh uh shown heaven so um

2882

01:48:32,709 --> 01:48:30,719

lucid dreams unfortunately is not

2883

01:48:34,149 --> 01:48:32,719

something that you could really study

2884

01:48:37,270 --> 01:48:34,159

scientifically

2885

01:48:38,070 --> 01:48:37,280

um extensively like like asking data

2886

01:48:41,510 --> 01:48:38,080

sets

2887

01:48:44,709 --> 01:48:41,520

um and i really don't know about uh

2888

01:48:45,350 --> 01:48:44,719

whether lucid dreams are or real or not

2889

01:48:46,870 --> 01:48:45,360

real i

2890

01:48:49,430 --> 01:48:46,880

i don't know because i'm not a dream

2891

01:48:51,590 --> 01:48:49,440

expert but i know that there isn't a lot

2892

01:48:53,510 --> 01:48:51,600

of research on on lucid dreams there

2893

01:48:55,030 --> 01:48:53,520

have been various books written about it

2894

01:48:58,830 --> 01:48:55,040

but it's difficult to conduct

2895

01:49:02,550 --> 01:48:58,840

experimental research on lucid dreaming

2896

01:49:02,950 --> 01:49:02,560

okay uh there we go let me change that

2897

01:49:06,310 --> 01:49:02,960

around

2898

01:49:10,149 --> 01:49:06,320

so the second question is from um from

2899

01:49:12,830 --> 01:49:10,159

the 5d rave raver says so what does

2900

01:49:14,870 --> 01:49:12,840

ray think their intentions are with

2901
01:49:17,189 --> 01:49:14,880
humans

2902
01:49:18,790 --> 01:49:17,199
well if you paid attention to my

2903
01:49:21,109 --> 01:49:18,800
presentation

2904
01:49:22,390 --> 01:49:21,119
uh it's certainly not to uh take over

2905
01:49:25,750 --> 01:49:22,400
the world okay

2906
01:49:26,950 --> 01:49:25,760
like david jacobs says and um i i think

2907
01:49:29,109 --> 01:49:26,960
what's happening is that they are

2908
01:49:31,470 --> 01:49:29,119
awakening humanity okay

2909
01:49:33,430 --> 01:49:31,480
they're awakening humanity to our

2910
01:49:35,189 --> 01:49:33,440
multi-dimensional nature

2911
01:49:37,109 --> 01:49:35,199
uh they're telling us to become more

2912
01:49:38,070 --> 01:49:37,119
spiritual much more loving much more

2913
01:49:41,189 --> 01:49:38,080

caring

2914

01:49:44,149 --> 01:49:41,199

um and so it's an awakening process

2915

01:49:45,990 --> 01:49:44,159

that's taking place

2916

01:49:47,669 --> 01:49:46,000

and for example let me pose this

2917

01:49:49,510 --> 01:49:47,679

question to your um

2918

01:49:50,790 --> 01:49:49,520

to uh the person that asked that

2919

01:49:54,629 --> 01:49:50,800

question okay

2920

01:49:58,149 --> 01:49:54,639

uh the whole um topic of

2921

01:49:59,589 --> 01:49:58,159

et contact the people being going to

2922

01:50:02,790 --> 01:49:59,599

other planets

2923

01:50:04,390 --> 01:50:02,800

having contact with uh non-human

2924

01:50:05,510 --> 01:50:04,400

intelligence and other planets and

2925

01:50:07,270 --> 01:50:05,520

things like that when did that really

2926
01:50:10,149 --> 01:50:07,280
take off

2927
01:50:11,669 --> 01:50:10,159
worldwide on a worldwide basis this was

2928
01:50:15,109 --> 01:50:11,679
with star trek i would argue

2929
01:50:18,149 --> 01:50:15,119
this was in uh the early 70s 1970

2930
01:50:20,470 --> 01:50:18,159
okay so this is way before the internet

2931
01:50:22,310 --> 01:50:20,480
okay the near-death experiences when did

2932
01:50:24,550 --> 01:50:22,320
that really become popular

2933
01:50:26,390 --> 01:50:24,560
at an international level okay well that

2934
01:50:30,470 --> 01:50:26,400
was with raymond moody's book

2935
01:50:33,589 --> 01:50:30,480
life after life what year was that 1975.

2936
01:50:35,910 --> 01:50:33,599
that resulted in an explosion of

2937
01:50:37,270 --> 01:50:35,920
our research and people interested in

2938
01:50:40,229 --> 01:50:37,280

other medical doctors

2939

01:50:41,750 --> 01:50:40,239

in near-death experiences that was 1975

2940

01:50:42,870 --> 01:50:41,760

out-of-body experiences when did it

2941

01:50:45,189 --> 01:50:42,880

become popular

2942

01:50:46,629 --> 01:50:45,199

well i would argue with robert monroe

2943

01:50:49,430 --> 01:50:46,639

okay he published two

2944

01:50:51,910 --> 01:50:49,440

highly influential books on his research

2945

01:50:53,510 --> 01:50:51,920

on out-of-body experiences one was that

2946

01:50:55,910 --> 01:50:53,520

early 70s

2947

01:50:57,669 --> 01:50:55,920

so within a five year period you had

2948

01:50:59,109 --> 01:50:57,679

three out of the four major contact

2949

01:51:02,870 --> 01:50:59,119

modalities you had

2950

01:51:04,709 --> 01:51:02,880

um contact with uh et beings go you know

2951
01:51:06,550 --> 01:51:04,719
from other planets from other realities

2952
01:51:09,830 --> 01:51:06,560
of the universes okay

2953
01:51:10,550 --> 01:51:09,840
uh that was star trek you had near death

2954
01:51:12,950 --> 01:51:10,560
experiences

2955
01:51:15,189 --> 01:51:12,960
that was with raymond moody out of body

2956
01:51:16,870 --> 01:51:15,199
experiences that was with robert monroe

2957
01:51:18,390 --> 01:51:16,880
now the question i want to pose to all

2958
01:51:20,709 --> 01:51:18,400
the listeners out there

2959
01:51:23,510 --> 01:51:20,719
this is before the internet now so my

2960
01:51:29,030 --> 01:51:26,950
okay was that interrelated okay or was

2961
01:51:30,629 --> 01:51:29,040
this a mere coincidence

2962
01:51:32,470 --> 01:51:30,639
that all these experiences got

2963
01:51:33,189 --> 01:51:32,480

international awareness before the

2964

01:51:34,950 --> 01:51:33,199

internet

2965

01:51:36,950 --> 01:51:34,960

within five years of each other was it

2966

01:51:39,510 --> 01:51:36,960

just a mere coincidence

2967

01:51:41,669 --> 01:51:39,520

i would say no it was pre-planned it was

2968

01:51:44,790 --> 01:51:41,679

programmed

2969

01:51:45,669 --> 01:51:44,800

okay so he answered uh right before you

2970

01:51:47,750 --> 01:51:45,679

gave that uh

2971

01:51:49,669 --> 01:51:47,760

the the long answer so he might get back

2972

01:51:51,830 --> 01:51:49,679

to later he was just saying

2973

01:51:54,950 --> 01:51:51,840

just real quick said i paid attention is

2974

01:51:56,550 --> 01:51:54,960

it just spirituality oh no i i i

2975

01:51:58,790 --> 01:51:56,560

yes i didn't mean it to in a

2976
01:52:01,910 --> 01:51:58,800
condescending way i apologize for that

2977
01:52:02,950 --> 01:52:01,920
what i meant was that um that what's

2978
01:52:05,430 --> 01:52:02,960
taking place

2979
01:52:07,270 --> 01:52:05,440
okay and that's that's not my uh opinion

2980
01:52:08,629 --> 01:52:07,280
but the experience of many of the

2981
01:52:10,070 --> 01:52:08,639
advanced researchers

2982
01:52:12,229 --> 01:52:10,080
is that what's taking place is that

2983
01:52:16,229 --> 01:52:12,239
humanity's being

2984
01:52:18,470 --> 01:52:16,239
awakened to the um the spiritual nature

2985
01:52:21,030 --> 01:52:18,480
the multi-dimensional nature of who we

2986
01:52:22,149 --> 01:52:21,040
are the essence of who we are as humans

2987
01:52:23,990 --> 01:52:22,159
and that's what's taking place and

2988
01:52:25,589 --> 01:52:24,000

that's why throughout near-death

2989

01:52:26,550 --> 01:52:25,599

experiences out of body experiences and

2990

01:52:28,629 --> 01:52:26,560

the ufo

2991

01:52:30,629 --> 01:52:28,639

context stuff that it all happened

2992

01:52:32,470 --> 01:52:30,639

within five years of each other

2993

01:52:34,229 --> 01:52:32,480

and and it wasn't a coincidence it was

2994

01:52:36,149 --> 01:52:34,239

being planned out by

2995

01:52:37,830 --> 01:52:36,159

non-human intelligence by uh the

2996

01:52:42,709 --> 01:52:37,840

universal mind

2997

01:52:44,790 --> 01:52:42,719

okay so uh uh mr catfish 2100

2998

01:52:47,750 --> 01:52:44,800

says what is the purpose of the tall

2999

01:52:50,790 --> 01:52:47,760

grace and their agenda for our genetics

3000

01:52:56,390 --> 01:52:50,800

please what race

3001

01:52:59,430 --> 01:52:56,400

the tall grace oh the tall grays

3002

01:53:00,790 --> 01:52:59,440

well in terms of the genetic aspects you

3003

01:53:03,109 --> 01:53:00,800

have to think of um

3004

01:53:03,830 --> 01:53:03,119

what people associate as an abduction

3005

01:53:06,470 --> 01:53:03,840

okay

3006

01:53:08,390 --> 01:53:06,480

what's taking place is that um they're

3007

01:53:09,589 --> 01:53:08,400

doing medical experiments on us

3008

01:53:11,510 --> 01:53:09,599

okay most of the people that are

3009

01:53:13,589 --> 01:53:11,520

abductees they know this

3010

01:53:15,189 --> 01:53:13,599

okay that's why they call themselves

3011

01:53:18,550 --> 01:53:15,199

contactees okay

3012

01:53:19,189 --> 01:53:18,560

they're monetary uh monitoring us as

3013

01:53:21,270 --> 01:53:19,199

humans

3014

01:53:22,550 --> 01:53:21,280

for example okay you have to think as

3015

01:53:26,149 --> 01:53:22,560

these beings as an

3016

01:53:27,109 --> 01:53:26,159

intelligence not from mars or venus or

3017

01:53:29,390 --> 01:53:27,119

something like that but

3018

01:53:31,430 --> 01:53:29,400

you know super highly evolved

3019

01:53:34,870 --> 01:53:31,440

multi-dimensional type of beings

3020

01:53:37,270 --> 01:53:34,880

okay and um they

3021

01:53:38,390 --> 01:53:37,280

they are monitoring us for example

3022

01:53:41,510 --> 01:53:38,400

radiation

3023

01:53:43,990 --> 01:53:41,520

okay pollution okay um

3024

01:53:46,229 --> 01:53:44,000

the sperm count for humans okay i think

3025

01:53:48,390 --> 01:53:46,239

a recent recent article came out by

3026
01:53:50,709 --> 01:53:48,400
um a faculty member at mount sinai

3027
01:53:53,510 --> 01:53:50,719
saying that that humans might be coming

3028
01:53:54,790 --> 01:53:53,520
extinct because of the ever decreasing

3029
01:53:57,589 --> 01:53:54,800
uh low sperm count

3030
01:53:59,910 --> 01:53:57,599
of of the male species okay so there's

3031
01:54:03,589 --> 01:53:59,920
numerous things that can lead uh

3032
01:54:05,030 --> 01:54:03,599
humanity to depopulate itself okay um

3033
01:54:07,430 --> 01:54:05,040
and so what they're doing is they're

3034
01:54:10,470 --> 01:54:07,440
monitoring us just like you monitor

3035
01:54:13,510 --> 01:54:10,480
um you know cows and sheep

3036
01:54:16,550 --> 01:54:13,520
or any type of other animal uh

3037
01:54:18,790 --> 01:54:16,560
to to see their uh viability

3038
01:54:19,750 --> 01:54:18,800

and their health so that's what's taking

3039

01:54:23,109 --> 01:54:19,760

place when

3040

01:54:26,310 --> 01:54:23,119

when they're doing these um

3041

01:54:27,109 --> 01:54:26,320

medical checkups on us okay thank you

3042

01:54:30,070 --> 01:54:27,119

for that

3043

01:54:31,270 --> 01:54:30,080

um so i'm just asking the chat for some

3044

01:54:33,510 --> 01:54:31,280

clarifications

3045

01:54:35,109 --> 01:54:33,520

just to get back real quick and answer

3046

01:54:38,870 --> 01:54:35,119

again just to finish this off

3047

01:54:41,430 --> 01:54:38,880

um between you and and uh 5d raver says

3048

01:54:42,149 --> 01:54:41,440

thanks ray i shared the same same views

3049

01:54:44,070 --> 01:54:42,159

with you

3050

01:54:45,189 --> 01:54:44,080

i just wanted to double check so that

3051

01:54:48,070 --> 01:54:45,199

was that

3052

01:54:49,990 --> 01:54:48,080

okay and then i asked hazel had another

3053

01:54:51,510 --> 01:54:50,000

question i asked her to clarify but i'm

3054

01:54:52,550 --> 01:54:51,520

going to ask it the way it is so we're

3055

01:54:55,830 --> 01:54:52,560

not waiting

3056

01:55:02,229 --> 01:54:55,840

um he she said who are the

3057

01:55:05,830 --> 01:55:05,189

well we asked that question you know did

3058

01:55:07,350 --> 01:55:05,840

the e.t

3059

01:55:09,350 --> 01:55:07,360

say that they're related to you or

3060

01:55:10,629 --> 01:55:09,360

associated with it too that they created

3061

01:55:13,830 --> 01:55:10,639

us that sort of thing

3062

01:55:14,790 --> 01:55:13,840

and you we really did not get uh large

3063

01:55:16,790 --> 01:55:14,800

numbers

3064

01:55:18,629 --> 01:55:16,800

saying that they created us that they

3065

01:55:20,390 --> 01:55:18,639

made us okay

3066

01:55:22,390 --> 01:55:20,400

unlike the stuff that's circulating on

3067

01:55:24,310 --> 01:55:22,400

the internet

3068

01:55:25,830 --> 01:55:24,320

so there appears to be a very strong

3069

01:55:29,030 --> 01:55:25,840

relationship between

3070

01:55:31,189 --> 01:55:29,040

us and um and non-human intelligence

3071

01:55:33,430 --> 01:55:31,199

um we still don't understand the

3072

01:55:37,189 --> 01:55:33,440

complexities of that relationship

3073

01:55:39,589 --> 01:55:37,199

because um folks have to understand that

3074

01:55:40,550 --> 01:55:39,599

there are no answers to this this is the

3075

01:55:43,750 --> 01:55:40,560

world's biggest

3076

01:55:44,950 --> 01:55:43,760

jigsaw puzzle okay we don't even know

3077

01:55:47,669 --> 01:55:44,960

what questions to ask

3078

01:55:49,830 --> 01:55:47,679

to tell you quite frankly so all these

3079

01:55:51,430 --> 01:55:49,840

people that act like they know it all

3080

01:55:53,830 --> 01:55:51,440

no you know no one really knows what the

3081

01:55:55,669 --> 01:55:53,840

hell is going on but

3082

01:55:57,030 --> 01:55:55,679

based upon our research data we have a

3083

01:56:02,149 --> 01:55:57,040

better understanding

3084

01:56:07,589 --> 01:56:05,189

okay um erica luis is asking

3085

01:56:09,830 --> 01:56:07,599

why do they contact some of us who were

3086

01:56:12,629 --> 01:56:09,840

never interested in the ufo subject

3087

01:56:13,990 --> 01:56:12,639

prior to the experience and yet it feels

3088

01:56:17,669 --> 01:56:14,000

so personal

3089

01:56:20,629 --> 01:56:17,679

so why these specific individuals

3090

01:56:22,070 --> 01:56:20,639

well you raised a very good point uh one

3091

01:56:23,669 --> 01:56:22,080

is that

3092

01:56:25,510 --> 01:56:23,679

there are many individuals that had

3093

01:56:28,550 --> 01:56:25,520

experiences since they were young

3094

01:56:29,589 --> 01:56:28,560

paranormal experiences and people like

3095

01:56:31,669 --> 01:56:29,599

myself

3096

01:56:33,830 --> 01:56:31,679

i never had an experience i never had an

3097

01:56:37,189 --> 01:56:33,840

interest in any of these topics

3098

01:56:39,910 --> 01:56:37,199

until 2012 and i'm 64 years old

3099

01:56:41,430 --> 01:56:39,920

okay so uh we really don't have an

3100

01:56:42,149 --> 01:56:41,440

answer for that we really need to do

3101

01:56:44,390 --> 01:56:42,159

more

3102

01:56:46,070 --> 01:56:44,400

statistical research study of what we're

3103

01:56:46,870 --> 01:56:46,080

doing to try to be able to get better

3104

01:56:48,950 --> 01:56:46,880

answers

3105

01:56:50,149 --> 01:56:48,960

now in terms of these experiences these

3106

01:56:53,270 --> 01:56:50,159

experiences

3107

01:56:55,430 --> 01:56:53,280

while they might seem very similar

3108

01:56:56,310 --> 01:56:55,440

they're actually very distinct to the

3109

01:56:59,510 --> 01:56:56,320

experiencer

3110

01:57:01,270 --> 01:56:59,520

they're unique experiences okay um

3111

01:57:02,550 --> 01:57:01,280

even in terms of the type of beings that

3112

01:57:03,750 --> 01:57:02,560

are seen you know people talk about

3113

01:57:06,070 --> 01:57:03,760

short grades but

3114

01:57:07,910 --> 01:57:06,080

literally we documented hundreds of

3115

01:57:11,030 --> 01:57:07,920

different types of

3116

01:57:12,709 --> 01:57:11,040

colors uh for the the short grays and

3117

01:57:16,149 --> 01:57:12,719

for these different types of beings

3118

01:57:18,390 --> 01:57:16,159

okay so um and also we also

3119

01:57:19,510 --> 01:57:18,400

um categorize hundreds of different

3120

01:57:22,550 --> 01:57:19,520

types of beings

3121

01:57:24,550 --> 01:57:22,560

okay now one could take the uh the

3122

01:57:25,669 --> 01:57:24,560

position of these materialist ufologists

3123

01:57:27,510 --> 01:57:25,679

and say okay

3124

01:57:29,350 --> 01:57:27,520

you know all these hundreds of different

3125

01:57:30,709 --> 01:57:29,360

type of beings we came with hundreds of

3126

01:57:32,629 --> 01:57:30,719

different types of planets

3127

01:57:34,149 --> 01:57:32,639

okay but you can also take an

3128

01:57:35,910 --> 01:57:34,159

alternative perspective which is not

3129

01:57:38,310 --> 01:57:35,920

only my perspective but the perspective

3130

01:57:40,470 --> 01:57:38,320

of many individuals in our group is that

3131

01:57:42,709 --> 01:57:40,480

these are virtual reality

3132

01:57:44,149 --> 01:57:42,719

holographic projections you're not

3133

01:57:46,629 --> 01:57:44,159

actually seeing

3134

01:57:48,629 --> 01:57:46,639

um this particular being okay you're

3135

01:57:51,270 --> 01:57:48,639

seeing a holographic projection

3136

01:57:52,550 --> 01:57:51,280

of that being okay and i have a lot of

3137

01:57:54,709 --> 01:57:52,560

arguments for that

3138

01:57:56,070 --> 01:57:54,719

but this is not the place to do that

3139

01:57:57,910 --> 01:57:56,080

because it's quite extensive

3140

01:57:59,430 --> 01:57:57,920

uh actually we will have an article by

3141

01:58:01,270 --> 01:57:59,440

dr joseph burks

3142

01:58:02,550 --> 01:58:01,280

who is a retired medical doctor he's a

3143

01:58:04,830 --> 01:58:02,560

major experimenter

3144

01:58:05,990 --> 01:58:04,840

and he wrote about the virtual reality

3145

01:58:08,950 --> 01:58:06,000

hypothesis

3146

01:58:09,990 --> 01:58:08,960

of ufo contact so um so yes these

3147

01:58:13,830 --> 01:58:10,000

experiences are

3148

01:58:16,149 --> 01:58:13,840

very unique okay to the individual

3149

01:58:18,470 --> 01:58:16,159

okay um ray just real quick before i

3150

01:58:20,629 --> 01:58:18,480

move on to the next question um

3151

01:58:21,990 --> 01:58:20,639

this skype skypist being very janky is

3152

01:58:23,830 --> 01:58:22,000

there let's try

3153

01:58:25,990 --> 01:58:23,840

if you can stop sharing your screen and

3154

01:58:29,189 --> 01:58:26,000

i want to see if your original

3155

01:58:36,070 --> 01:58:29,199

video goes back to its original size

3156

01:58:42,550 --> 01:58:39,430

the uh okay there you go

3157

01:58:45,350 --> 01:58:42,560

right here right okay we'll see

3158

01:58:46,629 --> 01:58:45,360

you coming in no it says let's start

3159

01:58:48,950 --> 01:58:46,639

sharing no no good good

3160

01:58:50,470 --> 01:58:48,960

i don't no you don't you you stopped now

3161

01:58:52,229 --> 01:58:50,480

i just see your camera so this way

3162

01:58:53,589 --> 01:58:52,239

if there's because uh my screen kept

3163

01:58:54,870 --> 01:58:53,599

going up and down and

3164

01:58:56,229 --> 01:58:54,880

i don't want to keep messing with the

3165

01:58:56,709 --> 01:58:56,239

audience they could have been very

3166

01:58:59,350 --> 01:58:56,719

patient

3167

01:59:00,229 --> 01:58:59,360

and i just been resizing and making all

3168

01:59:03,430 --> 01:59:00,239

these changes

3169

01:59:06,550 --> 01:59:03,440

but anyway so the other question is from

3170

01:59:09,030 --> 01:59:06,560

um learning to love one one one

3171

01:59:10,470 --> 01:59:09,040

says have you heard of the book uh alien

3172

01:59:13,990 --> 01:59:10,480

identities by richard

3173

01:59:15,589 --> 01:59:14,000

I thompson it talks about alien races

3174

01:59:18,709 --> 01:59:15,599

from

3175

01:59:21,830 --> 01:59:18,719

ancient scriptures vedic tradition

3176
01:59:22,790 --> 01:59:21,840
and consciousness yes i'm familiar with

3177
01:59:25,510 --> 01:59:22,800
richard thompson

3178
01:59:28,790 --> 01:59:25,520
i think he's um has written several

3179
01:59:32,229 --> 01:59:28,800
outstanding books and he's now deceased

3180
01:59:33,910 --> 01:59:32,239
and again he's not just talking about um

3181
01:59:35,589 --> 01:59:33,920
you know he didn't make this thing up

3182
01:59:39,990 --> 01:59:35,599
this came straight from

3183
01:59:42,870 --> 01:59:40,000
ancient um um uh a vedic text

3184
01:59:44,470 --> 01:59:42,880
so yes i am familiar with it okay the

3185
01:59:46,790 --> 01:59:44,480
other question is from joe

3186
01:59:48,229 --> 01:59:46,800
joe urban it says have the aliens ever

3187
01:59:51,109 --> 01:59:48,239
communicated to

3188
01:59:52,149 --> 01:59:51,119

abductees anything about our origins or

3189

01:59:54,790 --> 01:59:52,159

if they discovered

3190

01:59:55,189 --> 01:59:54,800

how the universe came to be i have heard

3191

01:59:57,990 --> 01:59:55,199

of

3192

02:00:01,430 --> 01:59:58,000

abductees being allowed a question or

3193

02:00:06,550 --> 02:00:04,229

well again um we could have asked

3194

02:00:09,669 --> 02:00:06,560

thousands of questions to these people

3195

02:00:11,350 --> 02:00:09,679

okay and even then

3196

02:00:13,030 --> 02:00:11,360

people complained that it was too long

3197

02:00:16,870 --> 02:00:13,040

to do these three surveys

3198

02:00:19,510 --> 02:00:16,880

okay we did get people that told us

3199

02:00:20,950 --> 02:00:19,520

that information responses but it wasn't

3200

02:00:24,149 --> 02:00:20,960

a direct um

3201

02:00:27,669 --> 02:00:24,159

open-ended question that we asked

3202

02:00:29,270 --> 02:00:27,679

in our book on um chapter two we do have

3203

02:00:31,270 --> 02:00:29,280

some of those comments

3204

02:00:32,390 --> 02:00:31,280

um and they're quite diverse what what

3205

02:00:34,149 --> 02:00:32,400

people uh

3206

02:00:35,430 --> 02:00:34,159

don't understand is that uh whatever

3207

02:00:37,750 --> 02:00:35,440

this intelligence is that we're

3208

02:00:39,910 --> 02:00:37,760

interacting with they're very coy

3209

02:00:41,350 --> 02:00:39,920

they will not tell you directly you know

3210

02:00:43,990 --> 02:00:41,360

where from palladium

3211

02:00:45,510 --> 02:00:44,000

from that you know uh a particular star

3212

02:00:47,270 --> 02:00:45,520

system while you hear that in the

3213

02:00:50,709 --> 02:00:47,280

ufology circles

3214

02:00:54,310 --> 02:00:50,719

um um typically

3215

02:00:57,189 --> 02:00:54,320

most individuals uh that get uh uh

3216

02:00:58,709 --> 02:00:57,199

information uh as to you know where

3217

02:01:01,189 --> 02:00:58,719

human beings are from

3218

02:01:02,070 --> 02:01:01,199

or where the error from or whether you

3219

02:01:04,629 --> 02:01:02,080

know

3220

02:01:05,350 --> 02:01:04,639

god is from that those type of questions

3221

02:01:16,790 --> 02:01:05,360

the

3222

02:01:18,709 --> 02:01:16,800

okay um i'm just mainly because

3223

02:01:20,870 --> 02:01:18,719

sometimes with the quick chat and the

3224

02:01:22,310 --> 02:01:20,880

way people write things out um

3225

02:01:23,830 --> 02:01:22,320

spelling it's not all there so i'm

3226

02:01:25,189 --> 02:01:23,840

trying to understand the greater picture

3227

02:01:26,870 --> 02:01:25,199

before i ask you the question so i

3228

02:01:29,589 --> 02:01:26,880

apologize if some of these

3229

02:01:31,830 --> 02:01:29,599

are sounding too confusing but this is

3230

02:01:34,709 --> 02:01:31,840

from fabrice again saying

3231

02:01:36,790 --> 02:01:34,719

if regressive hypnosis is approached

3232

02:01:38,950 --> 02:01:36,800

with non-leading questions

3233

02:01:40,070 --> 02:01:38,960

and only with the mind frame of the

3234

02:01:43,430 --> 02:01:40,080

experience

3235

02:01:44,470 --> 02:01:43,440

thus non-intrusive should it be then a

3236

02:01:48,870 --> 02:01:44,480

good way

3237

02:01:51,189 --> 02:01:48,880

to get a better picture yes

3238

02:01:52,070 --> 02:01:51,199

hypnotic regressions can be utilized

3239

02:01:55,430 --> 02:01:52,080

effectively

3240

02:01:56,229 --> 02:01:55,440

for example uh dr john mack okay uh he

3241

02:01:57,750 --> 02:01:56,239

was trained

3242

02:01:59,910 --> 02:01:57,760

in hypnotic regressions uh

3243

02:02:02,390 --> 02:01:59,920

professionally um he

3244

02:02:04,310 --> 02:02:02,400

took videos of those regressions uh you

3245

02:02:07,189 --> 02:02:04,320

did not see one leading question of it

3246

02:02:08,310 --> 02:02:07,199

okay but then when you have a man that

3247

02:02:10,950 --> 02:02:08,320

publicly stated

3248

02:02:13,430 --> 02:02:10,960

in hundreds of his interviews that all

3249

02:02:17,589 --> 02:02:13,440

contact e.t contact is negative

3250

02:02:20,870 --> 02:02:17,599

evil okay that he's never met one person

3251

02:02:23,669 --> 02:02:20,880

that's had a positive experience

3252

02:02:24,709 --> 02:02:23,679

okay and he's doing hypnotic regressions

3253

02:02:26,470 --> 02:02:24,719

of people

3254

02:02:28,709 --> 02:02:26,480

and actually i've seen some of those

3255

02:02:29,669 --> 02:02:28,719

sessions and it was one leading question

3256

02:02:31,589 --> 02:02:29,679

after another

3257

02:02:33,990 --> 02:02:31,599

i believe it was bud hopkins wife

3258

02:02:36,470 --> 02:02:34,000

recorded some of those sessions

3259

02:02:37,669 --> 02:02:36,480

with both jacobs and bud hopkins so

3260

02:02:38,310 --> 02:02:37,679

these are videos it's right in front of

3261

02:02:40,629 --> 02:02:38,320

your face

3262

02:02:43,109 --> 02:02:40,639

it's not like i'm making it up okay and

3263

02:02:45,750 --> 02:02:43,119

you'll see all these leading questions

3264

02:02:47,189 --> 02:02:45,760

so when someone has an agenda an

3265

02:02:50,390 --> 02:02:47,199

arterial motive

3266

02:02:53,109 --> 02:02:50,400

to it okay hypnotic regressions is

3267

02:02:54,149 --> 02:02:53,119

you cannot use it okay so that's why for

3268

02:02:57,510 --> 02:02:54,159

our surveys

3269

02:02:58,870 --> 02:02:57,520

we did not ask people to answer their

3270

02:03:00,390 --> 02:02:58,880

questions based upon hypnotic

3271

02:03:03,109 --> 02:03:00,400

regressions because

3272

02:03:03,990 --> 02:03:03,119

there could be you know 50 percent of

3273

02:03:06,950 --> 02:03:04,000

the people

3274

02:03:07,990 --> 02:03:06,960

that had hypnotic regression but the

3275

02:03:09,589 --> 02:03:08,000

person

3276

02:03:11,430 --> 02:03:09,599

did not ask a leading question they were

3277

02:03:12,870 --> 02:03:11,440

professionally trained okay

3278

02:03:14,550 --> 02:03:12,880

then you have another 50 percent of the

3279

02:03:16,390 --> 02:03:14,560

people that were not professionally

3280

02:03:17,830 --> 02:03:16,400

trained or people that were asking one

3281

02:03:20,629 --> 02:03:17,840

leading question after another

3282

02:03:22,070 --> 02:03:20,639

that people had a hidden agenda okay so

3283

02:03:23,990 --> 02:03:22,080

that's why we didn't allow

3284

02:03:25,270 --> 02:03:24,000

hypnotic regressions as part of our

3285

02:03:28,470 --> 02:03:25,280

survey we only allowed

3286

02:03:29,750 --> 02:03:28,480

conscious explicit memory and we did not

3287

02:03:31,750 --> 02:03:29,760

allowed lucid dreams

3288

02:03:33,750 --> 02:03:31,760

just like that man who sent that

3289

02:03:35,350 --> 02:03:33,760

question about lucid dreams you know

3290

02:03:37,589 --> 02:03:35,360

if someone has a frightening nightmare

3291

02:03:40,870 --> 02:03:37,599

and it recurs night after night you know

3292

02:03:43,910 --> 02:03:40,880

should we allow that as a vivid

3293

02:03:47,270 --> 02:03:43,920

uh experience of the person okay

3294

02:03:48,790 --> 02:03:47,280

no what what what is a a lucid dream

3295

02:03:51,270 --> 02:03:48,800

what is not a lucid dream

3296

02:03:51,910 --> 02:03:51,280

you know so we just did not allow lucid

3297

02:03:54,310 --> 02:03:51,920

dreams

3298

02:03:57,109 --> 02:03:54,320

and channeling as well only conscious

3299

02:03:59,830 --> 02:03:57,119

explicit memory

3300

02:04:00,709 --> 02:03:59,840

so ray uh uh how are you doing

3301

02:04:04,310 --> 02:04:00,719

energy-wise

3302

02:04:05,910 --> 02:04:04,320

do you have a time for okay one question

3303

02:04:07,669 --> 02:04:05,920

yes we can go for a couple more if you

3304

02:04:09,510 --> 02:04:07,679

have a couple okay yeah i'm just

3305

02:04:11,910 --> 02:04:09,520

waiting to see if you know as they come

3306

02:04:12,470 --> 02:04:11,920

in so there's another one from from mr

3307

02:04:14,470 --> 02:04:12,480

kevin

3308

02:04:15,830 --> 02:04:14,480

let me just uh get a little water go

3309

02:04:19,990 --> 02:04:15,840

ahead

3310

02:04:24,629 --> 02:04:20,000

but anyway the question is um

3311

02:04:27,109 --> 02:04:24,639

um yeah there it is from mr catfish 2100

3312

02:04:27,990 --> 02:04:27,119

it says who are who are the five five

3313

02:04:32,950 --> 02:04:28,000

foot light

3314

02:04:37,589 --> 02:04:35,430

as i said before people have seen

3315

02:04:41,510 --> 02:04:37,599

hundreds of different types of beings

3316

02:04:43,830 --> 02:04:41,520

okay uh hundreds okay we're talking

3317

02:04:44,870 --> 02:04:43,840

over 800 different types of beings in

3318

02:04:47,109 --> 02:04:44,880

our survey

3319

02:04:48,390 --> 02:04:47,119

in terms of the grace you name it people

3320

02:04:51,589 --> 02:04:48,400

have seen okay

3321

02:04:52,470 --> 02:04:51,599

so the white chalky grays you know um

3322

02:04:54,709 --> 02:04:52,480

there are people

3323

02:04:55,750 --> 02:04:54,719

that have described that people have

3324

02:04:59,589 --> 02:04:55,760

described

3325

02:05:02,790 --> 02:04:59,599

yellowish beings people of disguise uh

3326

02:05:04,470 --> 02:05:02,800

or orange glowing like the sun

3327

02:05:06,310 --> 02:05:04,480

you know the little grays people

3328

02:05:09,350 --> 02:05:06,320

described as pure white light

3329

02:05:11,350 --> 02:05:09,360

the short grays okay now in terms of why

3330

02:05:13,910 --> 02:05:11,360

they all appear in different colors

3331

02:05:15,030 --> 02:05:13,920

um you know we don't know we don't know

3332

02:05:16,870 --> 02:05:15,040

the difference we don't even know

3333

02:05:18,629 --> 02:05:16,880

whether they're actual grays

3334

02:05:20,470 --> 02:05:18,639

okay whether there's some type of

3335

02:05:22,950 --> 02:05:20,480

holographic projections

3336

02:05:23,990 --> 02:05:22,960

from some other type of conscious entity

3337

02:05:25,830 --> 02:05:24,000

okay

3338

02:05:27,669 --> 02:05:25,840

we know that holographic projections

3339

02:05:29,750 --> 02:05:27,679

exist the members in our group

3340

02:05:31,430 --> 02:05:29,760

and as i said before this is quite

3341

02:05:34,470 --> 02:05:31,440

extensive

3342

02:05:35,910 --> 02:05:34,480

i guess people will need to read joseph

3343

02:05:37,830 --> 02:05:35,920

uh

3344

02:05:39,030 --> 02:05:37,840

dr joseph burke's article in our

3345

02:05:41,109 --> 02:05:39,040

forthcoming book

3346

02:05:42,390 --> 02:05:41,119

where he talks about the virtual reality

3347

02:05:44,950 --> 02:05:42,400

hypothesis

3348

02:05:46,470 --> 02:05:44,960

and that they're contacting these

3349

02:05:47,510 --> 02:05:46,480

entities and these are holographic

3350

02:05:49,990 --> 02:05:47,520

projections

3351

02:05:52,149 --> 02:05:50,000

so that that's my suspicion of what's

3352

02:05:54,950 --> 02:05:52,159

going on

3353

02:05:56,870 --> 02:05:54,960

okay well ray um a lot of the other

3354

02:06:00,310 --> 02:05:56,880

comments were simply just to say

3355

02:06:03,350 --> 02:06:00,320

uh uh thank you uh one particular was

3356

02:06:03,910 --> 02:06:03,360

uh please tell him thank you on our

3357

02:06:06,870 --> 02:06:03,920

behalf

3358

02:06:08,629 --> 02:06:06,880

we appreciate his work and uh dedication

3359

02:06:11,189 --> 02:06:08,639

to the ufo phenomena

3360

02:06:12,310 --> 02:06:11,199

another one thanking you you and i both

3361

02:06:14,229 --> 02:06:12,320

you know so

3362

02:06:15,750 --> 02:06:14,239

i think this would this would be it for

3363

02:06:17,750 --> 02:06:15,760

today but um

3364

02:06:19,030 --> 02:06:17,760

thank you ray i appreciate it i'm just

3365

02:06:23,270 --> 02:06:19,040

um

3366

02:06:24,870 --> 02:06:23,280

well you know what other info i have in

3367

02:06:26,790 --> 02:06:24,880

the description box and then

3368

02:06:28,550 --> 02:06:26,800

we should be good but thanks again for

3369

02:06:30,229 --> 02:06:28,560

being on

3370

02:06:31,589 --> 02:06:30,239

you're very welcome i just want to uh

3371

02:06:36,229 --> 02:06:31,599

remind folks

3372

02:06:39,990 --> 02:06:36,239

uh send me an email to info info

3373

02:06:40,470 --> 02:06:40,000

experiencer dot o r g and i will send

3374

02:06:42,550 --> 02:06:40,480

you

3375

02:06:44,870 --> 02:06:42,560

numerous chapters from our forthcoming

3376

02:06:46,229 --> 02:06:44,880

book and i'll send you an extensive

3377

02:06:48,550 --> 02:06:46,239

written detail about

3378

02:06:50,310 --> 02:06:48,560

the new organization what's our mission

3379

02:06:51,910 --> 02:06:50,320

some of the individuals involved some of

3380

02:06:53,669 --> 02:06:51,920

the professors involved

3381

02:06:55,350 --> 02:06:53,679

and these are very well known famous

3382

02:06:58,149 --> 02:06:55,360

names and um

3383

02:07:00,390 --> 02:06:58,159

and and in the future we'll be sending

3384

02:07:02,990 --> 02:07:00,400

you free chapters from the new book

3385

02:07:04,229 --> 02:07:03,000

so uh send me an email info

3386

02:07:06,550 --> 02:07:04,239

experiencer.org

3387

02:07:08,470 --> 02:07:06,560

great thank you for that ray so everyone

3388

02:07:11,990 --> 02:07:08,480

watching this video in the description

3389

02:07:14,550 --> 02:07:12,000

there's a amazon link to

3390

02:07:15,990 --> 02:07:14,560

the book and there's also the the email

3391

02:07:17,270 --> 02:07:16,000

address there as well if you just want

3392

02:07:21,189 --> 02:07:17,280

to copy and paste it

3393

02:07:23,430 --> 02:07:21,199

and uh shoot an email over to ray but um

3394

02:07:24,629 --> 02:07:23,440

so this should be it for today um thank

3395

02:07:27,030 --> 02:07:24,639

you all very much

3396

02:07:28,069 --> 02:07:27,040

for logging in for spending and friday

3397

02:07:29,830 --> 02:07:28,079

with us

3398

02:07:31,430 --> 02:07:29,840

next week again on wednesday we're going

3399

02:07:34,870 --> 02:07:31,440

to have open lines at

3400

02:07:37,109 --> 02:07:34,880

7 00 pm friday i should

3401

02:07:38,870 --> 02:07:37,119

manage to get another guest and then of

3402

02:07:40,390 --> 02:07:38,880

course as i mentioned earlier or the

3403

02:07:43,750 --> 02:07:40,400

very beginning of this

3404

02:07:46,229 --> 02:07:43,760

of this show is that i will try

3405

02:07:48,229 --> 02:07:46,239

to get a webcast in sometime next week

3406

02:07:50,950 --> 02:07:48,239

and it can drop anywhere from monday

3407

02:07:51,990 --> 02:07:50,960

through through friday if there's

3408

02:07:54,069 --> 02:07:52,000

nothing coming

3409

02:07:55,189 --> 02:07:54,079

that week i will have it in the

3410

02:07:57,430 --> 02:07:55,199

community

3411

02:07:58,310 --> 02:07:57,440

section on the on the ufo hub page on

3412

02:08:00,229 --> 02:07:58,320

the youtube

3413

02:08:01,430 --> 02:08:00,239

uh just check it there i'll always

3414

02:08:03,189 --> 02:08:01,440

update you there and

3415

02:08:05,030 --> 02:08:03,199

say okay i'm going to have something or

3416

02:08:09,350 --> 02:08:05,040

i'm not but anyway

3417

02:08:13,430 --> 02:08:11,589

we'll chat some more after the show but

3418

02:08:15,830 --> 02:08:13,440

everyone else have a good weekend

3419

02:08:17,990 --> 02:08:15,840

and again ray thanks a lot and uh hope
