You are Live

Leave

1  
00:01:52,830 --> 00:00:14,910

[Music]

2  
00:01:52,840 --> 00:02:19,820

uh

3  
00:02:19,830 --> 00:03:48,630

[Music]

4  
00:03:53,750 --> 00:03:50,789

hey everyone welcome to geofeahub

5  
00:03:55,830 --> 00:03:53,760

livestream and today is open lines

6  
00:03:57,110 --> 00:03:55,840

it um looks like we already have a few

7  
00:03:59,190 --> 00:03:57,120

people in in the

8  
00:04:00,470 --> 00:03:59,200

voice chat for telegram and we've been

9  
00:04:02,949 --> 00:04:00,480

chatting for a little bit

10  
00:04:04,149 --> 00:04:02,959

it's always nice just to get in touch

11  
00:04:06,869 --> 00:04:04,159

with everyone

12  
00:04:07,830 --> 00:04:06,879

and seeing how they're doing and getting

13  
00:04:09,589 --> 00:04:07,840

the voice chat

14

00:04:11,670 --> 00:04:09,599

going in general for those of you who

15

00:04:12,630 --> 00:04:11,680

also want to join it's the worst chat is

16

00:04:15,270 --> 00:04:12,640

in telegram

17

00:04:16,469 --> 00:04:15,280

if you can simply download the app on

18

00:04:19,749 --> 00:04:16,479

your computer or

19

00:04:21,990 --> 00:04:19,759

on your phone install it as

20

00:04:23,350 --> 00:04:22,000

usually you can sign up by number phone

21

00:04:26,469 --> 00:04:23,360

number or an email

22

00:04:29,189 --> 00:04:26,479

and that should get you an account

23

00:04:30,710 --> 00:04:29,199

find the ufo hub group and you should be

24

00:04:33,749 --> 00:04:30,720

able to see us there

25

00:04:35,749 --> 00:04:33,759

um today i don't necessarily

26  
00:04:37,670 --> 00:04:35,759  
as i've always mentioned for anyone that

27  
00:04:38,070 --> 00:04:37,680  
just tuned in we do not have a guest

28  
00:04:40,790 --> 00:04:38,080  
today

29  
00:04:42,469 --> 00:04:40,800  
we don't have any particular topic and

30  
00:04:45,270 --> 00:04:42,479  
um i was kind of

31  
00:04:46,230 --> 00:04:45,280  
running late uh coming in today so i

32  
00:04:48,550 --> 00:04:46,240  
didn't necessarily

33  
00:04:49,670 --> 00:04:48,560  
even prep anything new they might be out

34  
00:04:52,469 --> 00:04:49,680  
there to show to you

35  
00:04:54,310 --> 00:04:52,479  
all i simply wanted to come in and just

36  
00:04:57,110 --> 00:04:54,320  
chat with all of you

37  
00:04:57,749 --> 00:04:57,120  
over telegram and maybe even look at

38  
00:05:00,710 --> 00:04:57,759

some

39

00:05:02,550 --> 00:05:00,720

chat questions uh if there are any and

40

00:05:05,189 --> 00:05:02,560

just basically hang out online

41

00:05:06,469 --> 00:05:05,199

i used to do this all the time when i

42

00:05:09,110 --> 00:05:06,479

was in san luis

43

00:05:09,590 --> 00:05:09,120

and uh but i don't get to do that very

44

00:05:12,710 --> 00:05:09,600

often

45

00:05:16,310 --> 00:05:12,720

so this way we're creating a online

46

00:05:20,150 --> 00:05:16,320

meeting for lack of a better word

47

00:05:22,629 --> 00:05:20,160

i this week and last week as you guys

48

00:05:24,310 --> 00:05:22,639

might have noticed it's been very busy

49

00:05:26,870 --> 00:05:24,320

for me in general because

50

00:05:28,390 --> 00:05:26,880

um i have a lot of things i need to do

51

00:05:30,710 --> 00:05:28,400

you know with the family

52

00:05:32,310 --> 00:05:30,720

my wife is due any minute now and that

53

00:05:34,230 --> 00:05:32,320

was one of the reasons why i was

54

00:05:35,749 --> 00:05:34,240

when i was late she was having some

55

00:05:38,550 --> 00:05:35,759

pains and we're trying to discuss

56

00:05:39,189 --> 00:05:38,560

um doing what you you know tell me what

57

00:05:42,629 --> 00:05:39,199

you

58

00:05:44,150 --> 00:05:42,639

the hospital now is this just one of

59

00:05:46,710 --> 00:05:44,160

those um

60

00:05:47,749 --> 00:05:46,720

uh what do you call them like these

61

00:05:51,270 --> 00:05:47,759

they're they're

62

00:05:53,029 --> 00:05:51,280

kind of like those those

63

00:05:55,189 --> 00:05:53,039

fake contractions if there's such a

64

00:05:58,550 --> 00:05:55,199

thing although they

65

00:06:00,469 --> 00:05:58,560

hurt a lot um but the doc said if

66

00:06:01,670 --> 00:06:00,479

she doesn't you know if she gets these

67

00:06:03,990 --> 00:06:01,680

strong contractions

68

00:06:04,950 --> 00:06:04,000

of at least four per hour that's when

69

00:06:07,510 --> 00:06:04,960

she should come in

70

00:06:08,390 --> 00:06:07,520

and she says she's nowhere close to that

71

00:06:11,830 --> 00:06:08,400

so anyway

72

00:06:13,510 --> 00:06:11,840

there's a lot going on i was also um

73

00:06:15,749 --> 00:06:13,520

i know a lot of a lot of times i don't

74

00:06:17,670 --> 00:06:15,759

get to discuss the environment here

75

00:06:19,270 --> 00:06:17,680

but every time i'm streaming whether i'm

76

00:06:20,469 --> 00:06:19,280

doing an interview or just chatting with

77

00:06:22,230 --> 00:06:20,479

you guys

78

00:06:24,150 --> 00:06:22,240

it's very cold in here it's about 50

79

00:06:24,550 --> 00:06:24,160

degrees i don't know what that makes at

80

00:06:29,029 --> 00:06:24,560

10

81

00:06:31,029 --> 00:06:29,039

has gone out a while back

82

00:06:32,150 --> 00:06:31,039

and just today i received a new one and

83

00:06:35,189 --> 00:06:32,160

it was the wrong one

84

00:06:36,629 --> 00:06:35,199

so i thought um for you know for a

85

00:06:38,629 --> 00:06:36,639

little bit there then i might have to

86

00:06:41,110 --> 00:06:38,639

delay this today or

87

00:06:42,710 --> 00:06:41,120

possibly friday depends on when the new

88

00:06:45,430 --> 00:06:42,720

unit will be put in

89

00:06:46,790 --> 00:06:45,440

and um so if you see me constantly kind

90

00:06:47,990 --> 00:06:46,800

of clenching my fingers is because

91

00:06:50,870 --> 00:06:48,000

they're actually cold

92

00:06:52,070 --> 00:06:50,880

and i'm just trying not to jitter here

93

00:06:55,430 --> 00:06:52,080

so

94

00:06:56,230 --> 00:06:55,440

anyway everything seems to be streaming

95

00:06:59,110 --> 00:06:56,240

pretty good

96

00:07:00,629 --> 00:06:59,120

um welcome everyone else that's that's

97

00:07:04,150 --> 00:07:00,639

uh

98

00:07:06,390 --> 00:07:04,160

in chat right now and so um

99

00:07:07,189 --> 00:07:06,400

yeah join us for for those that are

100

00:07:09,110 --> 00:07:07,199

already at

101  
00:07:10,790 --> 00:07:09,120  
in telegram if you would like to start

102  
00:07:13,350 --> 00:07:10,800  
out please just raise your hand

103  
00:07:15,270 --> 00:07:13,360  
so that i can i can see it otherwise

104  
00:07:17,110 --> 00:07:15,280  
i'll just chit-chat and kind of interact

105  
00:07:20,710 --> 00:07:17,120  
with whoever else is

106  
00:07:24,629 --> 00:07:20,720  
in um in chat right now

107  
00:07:28,830 --> 00:07:24,639  
okay um so

108  
00:07:29,990 --> 00:07:28,840  
there's bradley cortez welcome saying hi

109  
00:07:34,710 --> 00:07:30,000  
everyone

110  
00:07:38,790 --> 00:07:34,720  
um our sprockets welcome

111  
00:07:41,110 --> 00:07:38,800  
deb r welcome uh

112  
00:07:43,350 --> 00:07:41,120  
one of these times i'm gonna i might

113  
00:07:47,589 --> 00:07:43,360

even ask you guys to

114

00:07:49,830 --> 00:07:47,599

take um before your question

115

00:07:51,589 --> 00:07:49,840

to actually also just put just a generic

116

00:07:52,309 --> 00:07:51,599

name even if it's not your name just

117

00:07:54,950 --> 00:07:52,319

something like

118

00:07:56,550 --> 00:07:54,960

bob or susan or something that i can

119

00:08:00,390 --> 00:07:56,560

just easily pronounce

120

00:08:02,550 --> 00:08:00,400

because these these names are very

121

00:08:04,390 --> 00:08:02,560

very uh colorful but also difficult to

122

00:08:05,189 --> 00:08:04,400

pronounce because half the time i'm not

123

00:08:07,510 --> 00:08:05,199

sure

124

00:08:09,029 --> 00:08:07,520

if um if i'm saying it right or if

125

00:08:13,110 --> 00:08:09,039

anyone is getting their feelings hurt

126  
00:08:14,869 --> 00:08:13,120  
because of that

127  
00:08:17,909 --> 00:08:14,879  
oh yeah and also for those that have

128  
00:08:19,670 --> 00:08:17,919  
been kind of keeping track there's also

129  
00:08:22,309 --> 00:08:19,680  
i don't know how many more days there's

130  
00:08:24,309 --> 00:08:22,319  
usually um this one gal in the chat room

131  
00:08:27,670 --> 00:08:24,319  
that always gives the countdown to

132  
00:08:31,749 --> 00:08:27,680  
how many more days are left for this

133  
00:08:33,110 --> 00:08:31,759  
disclosure that they had planned again

134  
00:08:35,350 --> 00:08:33,120  
as i mentioned before i don't think

135  
00:08:37,829 --> 00:08:35,360  
they're going to disclose much

136  
00:08:38,790 --> 00:08:37,839  
and you know even then they can't

137  
00:08:43,269 --> 00:08:38,800  
disclose

138  
00:08:46,310 --> 00:08:43,279

anything that's not already declassified

139

00:08:47,269 --> 00:08:46,320

so that right there tells you that there

140

00:08:54,310 --> 00:08:47,279

probably isn't

141

00:08:57,350 --> 00:08:54,320

much there that they can talk about

142

00:09:01,030 --> 00:08:57,360

um elk

143

00:09:05,030 --> 00:09:01,040

elk rats welcome uh stargate traveler

144

00:09:08,550 --> 00:09:05,040

welcome fabrizio welcome

145

00:09:10,389 --> 00:09:08,560

seeing who else is here all right yeah

146

00:09:13,670 --> 00:09:10,399

and uh for those of you just uh

147

00:09:17,030 --> 00:09:13,680

logging in please join us on on telegram

148

00:09:20,470 --> 00:09:17,040

we're you know um we're just gonna and

149

00:09:21,910 --> 00:09:20,480

any topic is open anything metaphysical

150

00:09:24,870 --> 00:09:21,920

spiritual

151  
00:09:26,710 --> 00:09:24,880  
ufos aliens you name it this this is

152  
00:09:29,110 --> 00:09:26,720  
kind of the the show for that

153  
00:09:29,990 --> 00:09:29,120  
and i know i apologize for those that

154  
00:09:32,230 --> 00:09:30,000  
just are very

155  
00:09:34,870 --> 00:09:32,240  
agenda driven to say okay what's now

156  
00:09:36,550 --> 00:09:34,880  
what's next at this time at that time

157  
00:09:38,150 --> 00:09:36,560  
this is the one thing that i just don't

158  
00:09:40,470 --> 00:09:38,160  
have any specific

159  
00:09:43,910 --> 00:09:40,480  
control for so i'm just letting it go

160  
00:09:43,920 --> 00:09:48,829  
okay we have

161  
00:09:56,310 --> 00:09:50,389  
carlos

162  
00:09:58,310 --> 00:09:56,320  
start whenever you're ready

163  
00:09:59,750 --> 00:09:58,320

hey thank you so much for the live

164

00:10:01,590 --> 00:09:59,760

stream uh

165

00:10:03,829 --> 00:10:01,600

during these times of your family

166

00:10:06,630 --> 00:10:03,839

matters we all

167

00:10:08,470 --> 00:10:06,640

understand you know the situation uh as

168

00:10:10,150 --> 00:10:08,480

you've explained so

169

00:10:11,829 --> 00:10:10,160

yeah i just wanted to make some little

170

00:10:14,630 --> 00:10:11,839

chit chat until someone

171

00:10:16,710 --> 00:10:14,640

decides to raise their hand and decide

172

00:10:18,870 --> 00:10:16,720

to speak about their experience

173

00:10:21,509 --> 00:10:18,880

i would encourage i just went on your

174

00:10:24,550 --> 00:10:21,519

show probably what two weeks ago i think

175

00:10:25,269 --> 00:10:24,560

yeah yeah i think so yeah so i just

176

00:10:27,829 --> 00:10:25,279

wanted to share

177

00:10:29,430 --> 00:10:27,839

you know i decided to share my stories

178

00:10:31,509 --> 00:10:29,440

uh i saw like a bunch of

179

00:10:32,949 --> 00:10:31,519

i think three or four times that i've

180

00:10:35,990 --> 00:10:32,959

seen uh ufo

181

00:10:37,509 --> 00:10:36,000

uh on unidentified right um the

182

00:10:38,949 --> 00:10:37,519

the very first time like i mentioned

183

00:10:39,750 --> 00:10:38,959

before it was something that i could

184

00:10:42,150 --> 00:10:39,760

identify

185

00:10:43,030 --> 00:10:42,160

in terms of like like that i could see

186

00:10:45,750 --> 00:10:43,040

the actual

187

00:10:47,750 --> 00:10:45,760

uh disc shape and uh you know this was

188

00:10:50,550 --> 00:10:47,760

no drone this was no plane

189

00:10:51,350 --> 00:10:50,560

so i know that we call them unidentified

190

00:10:55,030 --> 00:10:51,360

but um

191

00:10:58,389 --> 00:10:55,040

you know we here in the ufo community we

192

00:11:01,430 --> 00:10:58,399

we uh we have some understanding of uh

193

00:11:03,430 --> 00:11:01,440

some witnesses uh or you know

194

00:11:04,790 --> 00:11:03,440

people who've actually seen something

195

00:11:06,630 --> 00:11:04,800

something like that right right

196

00:11:07,910 --> 00:11:06,640

i don't think we you know like you said

197

00:11:09,110 --> 00:11:07,920

i don't think the people in this

198

00:11:13,030 --> 00:11:09,120

community take it

199

00:11:15,350 --> 00:11:13,040

uh to be the literal unidentified flying

200

00:11:16,550 --> 00:11:15,360

object translation you know it's it's

201

00:11:19,990 --> 00:11:16,560

basically anything

202

00:11:22,790 --> 00:11:20,000

if if we say ufo it means aliens flying

203

00:11:24,470 --> 00:11:22,800

ships uh uh whatever you know it's just

204

00:11:26,630 --> 00:11:24,480

like a general term

205

00:11:28,150 --> 00:11:26,640

that's what i found over the years i

206

00:11:31,269 --> 00:11:28,160

don't know if if you would

207

00:11:33,829 --> 00:11:31,279

agree with that yeah 100

208

00:11:34,389 --> 00:11:33,839

i do agree with that i just i want to be

209

00:11:37,030 --> 00:11:34,399

sensitive

210

00:11:38,710 --> 00:11:37,040

around you know the some of the people

211

00:11:41,269 --> 00:11:38,720

in the comment section in case

212

00:11:42,470 --> 00:11:41,279

someone gets triggered by that but um

213

00:11:44,550 --> 00:11:42,480

yeah i wanted to talk

214

00:11:46,470 --> 00:11:44,560

just really briefly again until someone

215

00:11:50,150 --> 00:11:46,480

shows up in one yeah

216

00:11:52,629 --> 00:11:50,160

knock yourself out thank you

217

00:11:53,750 --> 00:11:52,639

so if i have the time i just wanted to

218

00:11:56,310 --> 00:11:53,760

talk about how

219

00:11:56,949 --> 00:11:56,320

you know just like we human beings we

220

00:11:59,590 --> 00:11:56,959

are living

221

00:12:00,470 --> 00:11:59,600

you know entities we have some people

222

00:12:03,590 --> 00:12:00,480

who have

223

00:12:06,790 --> 00:12:03,600

good um uh good mindsets

224

00:12:09,110 --> 00:12:06,800

other others have some negative mindsets

225

00:12:10,230 --> 00:12:09,120

i i could only imagine with my limited

226

00:12:13,670 --> 00:12:10,240

mind that

227

00:12:16,069 --> 00:12:13,680

out in space uh you know if they're i

228

00:12:17,110 --> 00:12:16,079

i'm almost certain that there is life

229

00:12:19,030 --> 00:12:17,120

out there

230

00:12:20,629 --> 00:12:19,040

that that life uh whether it be

231

00:12:23,590 --> 00:12:20,639

intelligent or

232

00:12:24,150 --> 00:12:23,600

you know just like humans being just

233

00:12:27,269 --> 00:12:24,160

like us

234

00:12:29,590 --> 00:12:27,279

human beings here where we uh

235

00:12:30,629 --> 00:12:29,600

seem not to be able to get off the

236

00:12:32,389 --> 00:12:30,639

ground yet

237

00:12:34,150 --> 00:12:32,399

but i think regardless you know any

238

00:12:35,670 --> 00:12:34,160

living entity i think has

239

00:12:37,430 --> 00:12:35,680

the potential to have that kind of

240

00:12:40,310 --> 00:12:37,440

mindset either good or bad

241

00:12:41,509 --> 00:12:40,320

you know liz i i think i know in uh

242

00:12:43,590 --> 00:12:41,519

native americans

243

00:12:45,110 --> 00:12:43,600

they they believe in this thing called

244

00:12:47,590 --> 00:12:45,120

the good dog and the bad dog

245

00:12:48,870 --> 00:12:47,600

within your own mind so sometimes we

246

00:12:51,670 --> 00:12:48,880

tend to

247

00:12:53,350 --> 00:12:51,680

listen to the bad dog barking away and

248

00:12:55,350 --> 00:12:53,360

and it's easier for us to get carried

249

00:12:57,750 --> 00:12:55,360

away with these kinds of

250

00:12:59,030 --> 00:12:57,760

negative thoughts right so um just

251

00:13:01,590 --> 00:12:59,040

turning it down with uh

252

00:13:03,590 --> 00:13:01,600

with the ufo is that um i do think that

253

00:13:08,550 --> 00:13:03,600

there could be

254

00:13:10,389 --> 00:13:08,560

also very positive entities and i'm sure

255

00:13:12,310 --> 00:13:10,399

maybe some of your listeners or maybe

256

00:13:13,590 --> 00:13:12,320

yourself have uh interviewed people

257

00:13:16,790 --> 00:13:13,600

who've talked about

258

00:13:18,389 --> 00:13:16,800

you know these um good beings and

259

00:13:20,389 --> 00:13:18,399

and or i don't know if you've heard

260

00:13:22,230 --> 00:13:20,399

about the reptilians or the the grey

261

00:13:25,110 --> 00:13:22,240

aliens i think i might have heard

262

00:13:26,790 --> 00:13:25,120

actually from your own channel so

263

00:13:28,310 --> 00:13:26,800

yeah just wanted to chime in and say

264

00:13:30,150 --> 00:13:28,320

that right

265

00:13:32,949 --> 00:13:30,160

you know it's interesting um i hope you

266

00:13:35,110 --> 00:13:32,959

don't mind me sharing and

267

00:13:36,550 --> 00:13:35,120

mean at least i i followed what you were

268

00:13:38,310 --> 00:13:36,560

saying and now i'm not

269

00:13:40,790 --> 00:13:38,320

i don't think i'm switching any subjects

270

00:13:42,870 --> 00:13:40,800

here so if i am for that i apologize

271

00:13:45,350 --> 00:13:42,880

but you said reptilians and there was

272

00:13:47,350 --> 00:13:45,360

something that actually just

273

00:13:48,870 --> 00:13:47,360

i thought about this today out of

274

00:13:49,829 --> 00:13:48,880

everything that i could possibly

275

00:13:52,150 --> 00:13:49,839

thinking about

276

00:13:53,509 --> 00:13:52,160

you know um there was one particular

277

00:13:55,350 --> 00:13:53,519

experience talking about

278

00:13:56,710 --> 00:13:55,360

how i always said pay attention to your

279

00:13:58,870 --> 00:13:56,720

dreams because

280

00:13:59,910 --> 00:13:58,880

you know sometimes your dreams you know

281

00:14:02,629 --> 00:13:59,920

are the

282

00:14:04,150 --> 00:14:02,639

kind of uh you your subconscious working

283

00:14:07,350 --> 00:14:04,160

out of the day's events

284

00:14:08,629 --> 00:14:07,360

and and and whatnot and a lot of times

285

00:14:11,110 --> 00:14:08,639

you have to kind of write them down

286

00:14:12,710 --> 00:14:11,120

because it the two there's a lot of

287

00:14:14,870 --> 00:14:12,720

symbolism is too strange

288

00:14:16,550 --> 00:14:14,880

trying to figure it out right away

289

00:14:17,509 --> 00:14:16,560

but if you write it down come back to it

290

00:14:20,310 --> 00:14:17,519

later it makes sense

291

00:14:21,110 --> 00:14:20,320

in different ways but these other uh

292

00:14:23,110 --> 00:14:21,120

dreams that i

293

00:14:24,870 --> 00:14:23,120

consider communications that are very

294

00:14:27,269 --> 00:14:24,880

straightforward very

295

00:14:28,550 --> 00:14:27,279

very um there's nothing confusing about

296

00:14:31,910 --> 00:14:28,560

it it's very clear

297

00:14:34,150 --> 00:14:31,920

right so um

298

00:14:35,990 --> 00:14:34,160

i found myself i can't remember

299

00:14:39,269 --> 00:14:36,000

obviously when i

300

00:14:41,189 --> 00:14:39,279

when i fell asleep because i i doubt

301  
00:14:42,949 --> 00:14:41,199  
that i was still sleeping but i found

302  
00:14:45,990 --> 00:14:42,959  
myself just staring

303  
00:14:49,189 --> 00:14:46,000  
down or at least looking into the eyes

304  
00:14:51,350 --> 00:14:49,199  
of a being and i the more i tried focus

305  
00:14:54,150 --> 00:14:51,360  
on it i realized it was a reptilian

306  
00:14:55,030 --> 00:14:54,160  
right and i immediately started freaking

307  
00:14:57,750 --> 00:14:55,040  
out and kind of

308  
00:14:58,870 --> 00:14:57,760  
backing up from it because it was very

309  
00:15:00,870 --> 00:14:58,880  
menacing to see

310  
00:15:03,269 --> 00:15:00,880  
you know there was nothing that it was

311  
00:15:04,870 --> 00:15:03,279  
doing to threaten me in any way but

312  
00:15:07,030 --> 00:15:04,880  
you know it's it's kind of like being

313  
00:15:09,110 --> 00:15:07,040

too close to a snake or crocodile when

314

00:15:11,829 --> 00:15:09,120

you realize like oh you know

315

00:15:13,829 --> 00:15:11,839

and um but what happened was something

316

00:15:14,389 --> 00:15:13,839

that i didn't expect like i could just

317

00:15:17,430 --> 00:15:14,399

sense

318

00:15:18,790 --> 00:15:17,440

and also see the facial expression of of

319

00:15:20,629 --> 00:15:18,800

just kind of like

320

00:15:22,389 --> 00:15:20,639

you know and for those that are just

321

00:15:24,150 --> 00:15:22,399

listening it's kind of like um

322

00:15:25,990 --> 00:15:24,160

like uh like an annoyance or

323

00:15:26,870 --> 00:15:26,000

disappointment almost where you kind of

324

00:15:29,590 --> 00:15:26,880

smirk like

325

00:15:30,470 --> 00:15:29,600

oh not not this again type type feeling

326

00:15:32,790 --> 00:15:30,480

you know

327

00:15:35,670 --> 00:15:32,800

and then as i was backing up he was

328

00:15:39,670 --> 00:15:35,680

backing up and he had a full suit on

329

00:15:41,269 --> 00:15:39,680

you know full i guess a full space suit

330

00:15:42,150 --> 00:15:41,279

or whatever it is it was just a one

331

00:15:44,470 --> 00:15:42,160

piece

332

00:15:46,389 --> 00:15:44,480

and it was kind of walking into this

333

00:15:49,829 --> 00:15:46,399

weird way towards this

334

00:15:52,629 --> 00:15:49,839

um egg shape thing and that's when i

335

00:15:54,389 --> 00:15:52,639

started thinking it is so weird because

336

00:15:56,069 --> 00:15:54,399

in dreams you don't usually get to do

337

00:15:59,350 --> 00:15:56,079

that not that it's impossible

338

00:16:00,550 --> 00:15:59,360

but i was rationalizing my my experience

339

00:16:02,150 --> 00:16:00,560

you know i was looking to like

340

00:16:04,949 --> 00:16:02,160

what in the world is this you know like

341

00:16:07,269 --> 00:16:04,959

why am i seeing this and then

342

00:16:09,189 --> 00:16:07,279

he seems to be like walking this really

343

00:16:11,269 --> 00:16:09,199

weird way it's almost like

344

00:16:12,470 --> 00:16:11,279

seeing an alligator walking upright but

345

00:16:15,829 --> 00:16:12,480

with longer legs

346

00:16:17,110 --> 00:16:15,839

and shorter tail you know and anyway he

347

00:16:20,310 --> 00:16:17,120

just kind of turned around

348

00:16:20,790 --> 00:16:20,320

and kind of sat back into what looked

349

00:16:24,069 --> 00:16:20,800

like an

350

00:16:25,350 --> 00:16:24,079

egg with three fins which my

351

00:16:27,670 --> 00:16:25,360

understanding was

352

00:16:29,509 --> 00:16:27,680

this is some kind of craft i said but it

353

00:16:30,150 --> 00:16:29,519

can't be you know it's got no rockets

354

00:16:33,670 --> 00:16:30,160

it's

355

00:16:36,470 --> 00:16:33,680

too little to carry any kind of you know

356

00:16:38,230 --> 00:16:36,480

long-term term fuel you know but anyway

357

00:16:41,430 --> 00:16:38,240

he said backed into it

358

00:16:42,949 --> 00:16:41,440

it closed down into uh the door closed

359

00:16:44,550 --> 00:16:42,959

and it was seamless you couldn't see

360

00:16:46,150 --> 00:16:44,560

where the door was anymore it was just

361

00:16:47,350 --> 00:16:46,160

basically an egg and he just kind of

362

00:16:50,310 --> 00:16:47,360

flew up

363

00:16:51,189 --> 00:16:50,320

what surprised me the most and as i was

364

00:16:54,150 --> 00:16:51,199

looking up

365

00:16:55,030 --> 00:16:54,160

i saw even larger what i what i believe

366

00:16:56,470 --> 00:16:55,040

it was

367

00:16:58,470 --> 00:16:56,480

i guess would have been their ship or

368

00:17:01,030 --> 00:16:58,480

something that he was flying to

369

00:17:03,110 --> 00:17:01,040

but it was also very large and x-shaped

370

00:17:06,230 --> 00:17:03,120

and it was glowing

371

00:17:08,390 --> 00:17:06,240

bright yellowish and brownish colors

372

00:17:10,309 --> 00:17:08,400

and so i was just amazed that how could

373

00:17:11,669 --> 00:17:10,319

i not immediately pay attention to that

374

00:17:13,110 --> 00:17:11,679

because it was right above me and

375

00:17:15,510 --> 00:17:13,120

hovering so low

376

00:17:16,829 --> 00:17:15,520

and as i was paying attention to it it

377

00:17:19,990 --> 00:17:16,839

just kind of

378

00:17:22,390 --> 00:17:20,000

um this telepathic message

379

00:17:24,470 --> 00:17:22,400

came from it and it was just kind of a

380

00:17:25,829 --> 00:17:24,480

greeting it wasn't a word but if i had

381

00:17:28,230 --> 00:17:25,839

to translate it into

382

00:17:29,350 --> 00:17:28,240

words it would be kind of like hello or

383

00:17:30,789 --> 00:17:29,360

greetings or something

384

00:17:32,630 --> 00:17:30,799

something along those terms because it

385

00:17:35,990 --> 00:17:32,640

wasn't auditory you know

386

00:17:38,950 --> 00:17:36,000

and i just freaked out to you know to be

387

00:17:39,510 --> 00:17:38,960

to look at something that big that large

388

00:17:42,230 --> 00:17:39,520

and be

389

00:17:43,909 --> 00:17:42,240

self-aware or have consciousness you

390

00:17:45,110 --> 00:17:43,919

know and this was like way back when

391

00:17:46,390 --> 00:17:45,120

when i was still

392

00:17:48,710 --> 00:17:46,400

you know having all these weird

393

00:17:50,789 --> 00:17:48,720

experiences and trying to make

394

00:17:51,990 --> 00:17:50,799

make some sense of it and then of course

395

00:17:54,230 --> 00:17:52,000

i just got up

396

00:17:56,950 --> 00:17:54,240

from my bed you know and then again i

397

00:17:59,029 --> 00:17:56,960

wasn't tired i wasn't yawning i wasn't

398

00:18:00,070 --> 00:17:59,039

you know any of that it was almost as if

399

00:18:03,430 --> 00:18:00,080

i just

400

00:18:05,750 --> 00:18:03,440

you know was you know traveling

401  
00:18:06,630 --> 00:18:05,760  
wherever that is and so anyway i'm sorry

402  
00:18:08,310 --> 00:18:06,640  
you just

403  
00:18:10,230 --> 00:18:08,320  
reminded me of that story again when you

404  
00:18:12,230 --> 00:18:10,240  
said reptilians and i just felt like and

405  
00:18:14,310 --> 00:18:12,240  
i needed to share it and i figured why

406  
00:18:16,390 --> 00:18:14,320  
not now

407  
00:18:17,750 --> 00:18:16,400  
yeah thank you for sharing that i think

408  
00:18:19,510 --> 00:18:17,760  
we all uh enjoy

409  
00:18:20,870 --> 00:18:19,520  
really like listening to these kinds of

410  
00:18:23,190 --> 00:18:20,880  
uh experiences

411  
00:18:24,070 --> 00:18:23,200  
uh whether they're in you know dream

412  
00:18:26,710 --> 00:18:24,080  
form or

413  
00:18:27,590 --> 00:18:26,720

you know real life but i do i do want to

414

00:18:31,110 --> 00:18:27,600

say that um

415

00:18:33,110 --> 00:18:31,120

i've had some pretty vivid dreams and uh

416

00:18:34,390 --> 00:18:33,120

i i don't keep my journal right beside

417

00:18:36,789 --> 00:18:34,400

my bed anymore but i

418

00:18:38,310 --> 00:18:36,799

i used to just a few a few months ago

419

00:18:42,070 --> 00:18:38,320

and it's it's very

420

00:18:42,950 --> 00:18:42,080

um interesting i i wouldn't i don't know

421

00:18:44,950 --> 00:18:42,960

if i would say

422

00:18:46,870 --> 00:18:44,960

i would i would only say beneficial only

423

00:18:47,830 --> 00:18:46,880

if you're trying to look back and seeing

424

00:18:50,870 --> 00:18:47,840

how much

425

00:18:51,909 --> 00:18:50,880

you've progressed in terms of um you

426

00:18:54,549 --> 00:18:51,919

know your life and

427

00:18:56,150 --> 00:18:54,559

experiences that have shaped you to be

428

00:18:58,390 --> 00:18:56,160

you know where you are now

429

00:18:59,909 --> 00:18:58,400

um but i do see the importance of

430

00:19:02,070 --> 00:18:59,919

writing things down so

431

00:19:04,230 --> 00:19:02,080

uh really good uh good on you for

432

00:19:08,470 --> 00:19:04,240

writing or for keeping a journal and

433

00:19:10,710 --> 00:19:08,480

and especially with these vivid dreams

434

00:19:12,070 --> 00:19:10,720

i know i had one and i'm going back to i

435

00:19:13,029 --> 00:19:12,080

don't know if i can share mine right now

436

00:19:15,190 --> 00:19:13,039

i actually

437

00:19:16,870 --> 00:19:15,200

i wrote it all down as soon as i woke up

438

00:19:20,150 --> 00:19:16,880

from it but it was a very

439

00:19:25,750 --> 00:19:23,190

yeah so if i may just share

440

00:19:26,630 --> 00:19:25,760

uh just one entry no please go ahead i

441

00:19:29,350 --> 00:19:26,640

mean like i said

442

00:19:31,029 --> 00:19:29,360

this is all of us just chatting and

443

00:19:32,950 --> 00:19:31,039

hanging out online and you're the only

444

00:19:34,950 --> 00:19:32,960

one who wants to speak at this time so

445

00:19:36,789 --> 00:19:34,960

you you have the floor and if anyone

446

00:19:38,549 --> 00:19:36,799

else wants to say something please join

447

00:19:42,070 --> 00:19:38,559

us otherwise um

448

00:19:44,470 --> 00:19:42,080

you know you just stuck with us

449

00:19:45,830 --> 00:19:44,480

yeah again i encourage people to just

450

00:19:47,430 --> 00:19:45,840

come forward and

451  
00:19:49,350 --> 00:19:47,440  
you know don't be shy this is a

452  
00:19:52,789 --> 00:19:49,360  
community-based

453  
00:19:53,430 --> 00:19:52,799  
chat or a podcast so anyways this is

454  
00:19:57,029 --> 00:19:53,440  
from

455  
00:19:59,029 --> 00:19:57,039  
march 4th uh to the fifth so it's that i

456  
00:20:00,870 --> 00:19:59,039  
actually make titles for these uh

457  
00:20:03,430 --> 00:20:00,880  
entries and i call it swimming in a

458  
00:20:05,990 --> 00:20:03,440  
crowd finding something

459  
00:20:06,950 --> 00:20:06,000  
trust and follow that uh sorry finding

460  
00:20:09,830 --> 00:20:06,960  
something out

461  
00:20:10,630 --> 00:20:09,840  
trust and follow the dolphins so let me

462  
00:20:13,190 --> 00:20:10,640  
get to it

463  
00:20:15,110 --> 00:20:13,200

um i will come from a very intense dream

464

00:20:17,430 --> 00:20:15,120

i saw myself in a world

465

00:20:18,390 --> 00:20:17,440

where it was clear by the way these

466

00:20:19,669 --> 00:20:18,400

entries are

467

00:20:22,390 --> 00:20:19,679

i've never really shared them with

468

00:20:25,669 --> 00:20:22,400

anyone aside from like my significant

469

00:20:29,029 --> 00:20:25,679

uh partner so just bear with uh

470

00:20:31,190 --> 00:20:29,039

the the writing style and so on this is

471

00:20:32,870 --> 00:20:31,200

very personal so understood thank you

472

00:20:34,950 --> 00:20:32,880

for sharing

473

00:20:36,710 --> 00:20:34,960

yeah thank you so i saw myself in a

474

00:20:38,549 --> 00:20:36,720

world where it was clear to me that i

475

00:20:40,149 --> 00:20:38,559

could see people suffer and

476

00:20:42,789 --> 00:20:40,159

not knowing how to control their

477

00:20:44,710 --> 00:20:42,799

emotions and i put in parentheses my

478

00:20:46,630 --> 00:20:44,720

cousin and my dad i guess i saw them in

479

00:20:47,750 --> 00:20:46,640

in that vivid dream what i would call a

480

00:20:49,510 --> 00:20:47,760

lucid dream

481

00:20:50,870 --> 00:20:49,520

later in my dream i found myself in a

482

00:20:51,909 --> 00:20:50,880

place full of people with different

483

00:20:53,990 --> 00:20:51,919

goals in life

484

00:20:57,190 --> 00:20:54,000

however at one point we were all in a

485

00:20:59,350 --> 00:20:57,200

boat looking for a missing person

486

00:21:00,230 --> 00:20:59,360

and we were all told to say something

487

00:21:02,149 --> 00:21:00,240

repeatedly

488

00:21:03,750 --> 00:21:02,159

or everyone was just saying the same

489

00:21:06,630 --> 00:21:03,760

example we are

490

00:21:08,789 --> 00:21:06,640

trying to find you times 10 but i

491

00:21:11,909 --> 00:21:08,799

snapped back and i knew that i should be

492

00:21:13,590 --> 00:21:11,919

praying and so i did after this we were

493

00:21:14,630 --> 00:21:13,600

all swimming in a pool and some of us

494

00:21:16,549 --> 00:21:14,640

were diving deep

495

00:21:18,710 --> 00:21:16,559

for some reason i would see myself

496

00:21:20,789 --> 00:21:18,720

telling two girls that i wanted to meet

497

00:21:21,669 --> 00:21:20,799

a girl who was rich in spirituality and

498

00:21:24,950 --> 00:21:21,679

beautiful

499

00:21:26,870 --> 00:21:24,960

this was after um sorry

500

00:21:28,549 --> 00:21:26,880

this was after they approached me

501  
00:21:30,950 --> 00:21:28,559  
telling me that they wanted to set me up

502  
00:21:31,990 --> 00:21:30,960  
for the girl bear with me again once

503  
00:21:33,990 --> 00:21:32,000  
again

504  
00:21:35,830 --> 00:21:34,000  
um when we were swimming i would see

505  
00:21:37,590 --> 00:21:35,840  
some people look at parts of the pool

506  
00:21:40,390 --> 00:21:37,600  
where it was completely black

507  
00:21:40,950 --> 00:21:40,400  
deep waters and scared to swim or dive

508  
00:21:43,270 --> 00:21:40,960  
by it

509  
00:21:44,310 --> 00:21:43,280  
however i continued to perform dives

510  
00:21:46,390 --> 00:21:44,320  
with tricks

511  
00:21:47,990 --> 00:21:46,400  
i remember that i dove with an intention

512  
00:21:50,549 --> 00:21:48,000  
of diving deep down

513  
00:21:52,470 --> 00:21:50,559

i dove deep down and my in my dream all

514

00:21:54,070 --> 00:21:52,480

of a sudden change in a way that i was

515

00:21:56,870 --> 00:21:54,080

able to recognize

516

00:21:58,390 --> 00:21:56,880

i was i was under control in a physical

517

00:22:00,390 --> 00:21:58,400

slash mental state

518

00:22:01,590 --> 00:22:00,400

it seemed as though we were all in a

519

00:22:04,230 --> 00:22:01,600

simulation

520

00:22:05,750 --> 00:22:04,240

as i as i came back up from the dive and

521

00:22:08,710 --> 00:22:05,760

after floating for a bit

522

00:22:10,310 --> 00:22:08,720

i felt a magnetic pull so strong it was

523

00:22:12,549 --> 00:22:10,320

out of my control

524

00:22:14,710 --> 00:22:12,559

i looked around and yelled out sorry i

525

00:22:16,870 --> 00:22:14,720

looked around and yelled out loud asking

526

00:22:19,750 --> 00:22:16,880

if anybody had felt this pull

527

00:22:21,029 --> 00:22:19,760

two people felt it while the rest didn't

528

00:22:24,630 --> 00:22:21,039

the pull happened again

529

00:22:26,870 --> 00:22:24,640

and i noticed i noticed uh i said i i

530

00:22:27,669 --> 00:22:26,880

noticed visually so i guess what if i

531

00:22:31,110 --> 00:22:27,679

can remember

532

00:22:33,590 --> 00:22:31,120

um it was like very magnetic pull

533

00:22:35,590 --> 00:22:33,600

in within like a swimming pool or a lake

534

00:22:36,390 --> 00:22:35,600

as i was trying to describe it and i

535

00:22:38,070 --> 00:22:36,400

felt like

536

00:22:39,590 --> 00:22:38,080

we were all kind of being dragged

537

00:22:42,149 --> 00:22:39,600

towards this

538

00:22:43,510 --> 00:22:42,159

uh wherever this magnetic force is

539

00:22:46,710 --> 00:22:43,520

coming from

540

00:22:47,510 --> 00:22:46,720

so i'll continue on some people being uh

541

00:22:49,909 --> 00:22:47,520

moved by this

542

00:22:51,990 --> 00:22:49,919

pull at this point of my dream i came to

543

00:22:53,590 --> 00:22:52,000

feel as though i was aware of something

544

00:22:55,510 --> 00:22:53,600

i wasn't supposed to know

545

00:22:56,950 --> 00:22:55,520

and all of a sudden everything quote

546

00:22:59,909 --> 00:22:56,960

unquote turned off

547

00:23:01,029 --> 00:22:59,919

we were all disconnected i felt like i

548

00:23:04,149 --> 00:23:01,039

was conscious but i

549

00:23:06,549 --> 00:23:04,159

i drowned in the pool with everyone else

550

00:23:07,190 --> 00:23:06,559

and i could not do anything about it as

551  
00:23:11,350 --> 00:23:07,200  
i thought

552  
00:23:13,669 --> 00:23:11,360  
found myself awake

553  
00:23:15,669 --> 00:23:13,679  
now in land it seemed as though we were

554  
00:23:19,190 --> 00:23:15,679  
part of a huge world

555  
00:23:22,149 --> 00:23:19,200  
uh of a playhouse where we our actions

556  
00:23:24,390 --> 00:23:22,159  
were predetermined or somehow controlled

557  
00:23:26,310 --> 00:23:24,400  
but i was free to roam around within the

558  
00:23:27,190 --> 00:23:26,320  
same consciousness i had before the

559  
00:23:29,110 --> 00:23:27,200  
disconnection

560  
00:23:30,789 --> 00:23:29,120  
i walked around seeing a boy and a girl

561  
00:23:33,830 --> 00:23:30,799  
interact the one thing

562  
00:23:36,230 --> 00:23:33,840  
uh the one talking something sorry the

563  
00:23:38,789 --> 00:23:36,240

one taking something from the other

564

00:23:40,789 --> 00:23:38,799

affecting each other's emotions at this

565

00:23:43,269 --> 00:23:40,799

point i understood that i was

566

00:23:45,269 --> 00:23:43,279

in full awareness of consequences

567

00:23:47,269 --> 00:23:45,279

abilities knowing reactions

568

00:23:49,110 --> 00:23:47,279

but i did not do anything i forgot to

569

00:23:51,190 --> 00:23:49,120

mention that while at the pool

570

00:23:53,830 --> 00:23:51,200

with everyone swimming and after the

571

00:23:57,029 --> 00:23:53,840

magnetic pull i told everyone that i was

572

00:23:59,029 --> 00:23:57,039

a one-point observant from sorry

573

00:24:01,110 --> 00:23:59,039

i told everyone that i was at one point

574

00:24:02,390 --> 00:24:01,120

observing from a glass above them their

575

00:24:04,950 --> 00:24:02,400

actions and how they

576

00:24:06,870 --> 00:24:04,960

had consequences and i warned them that

577

00:24:07,750 --> 00:24:06,880

i thought they were somehow being

578

00:24:10,310 --> 00:24:07,760

controlled

579

00:24:12,390 --> 00:24:10,320

so that's like that was the end of my

580

00:24:14,950 --> 00:24:12,400

entry and when i woke up i

581

00:24:15,909 --> 00:24:14,960

i i didn't know what to make of this

582

00:24:18,950 --> 00:24:15,919

really but

583

00:24:20,630 --> 00:24:18,960

now that i'm reading it and uh you know

584

00:24:21,669 --> 00:24:20,640

just trying to make sense of these kinds

585

00:24:24,789 --> 00:24:21,679

of dreams um

586

00:24:26,630 --> 00:24:24,799

i can only um you know just share

587

00:24:28,070 --> 00:24:26,640

what i think about it right many people

588

00:24:30,230 --> 00:24:28,080

can can just say oh

589

00:24:31,830 --> 00:24:30,240

you know this is just a weird you know

590

00:24:33,350 --> 00:24:31,840

you're swimming and whatever kind of

591

00:24:35,830 --> 00:24:33,360

dream that you had is

592

00:24:38,470 --> 00:24:35,840

weird right but to me it's like very

593

00:24:41,269 --> 00:24:38,480

like introspective like i see

594

00:24:41,590 --> 00:24:41,279

um our consciousness as a as a whole you

595

00:24:45,830 --> 00:24:41,600

know

596

00:24:46,310 --> 00:24:45,840

to there kind of like a pendulum swing

597

00:24:47,909 --> 00:24:46,320

right

598

00:24:49,350 --> 00:24:47,919

we're being we're being told these

599

00:24:52,710 --> 00:24:49,360

things and sometimes we're

600

00:24:55,669 --> 00:24:52,720

you know deviating from uh

601  
00:24:56,310 --> 00:24:55,679  
in another way and so i started to

602  
00:24:58,630 --> 00:24:56,320  
actually

603  
00:25:00,789 --> 00:24:58,640  
dig really deep down the rabbit hole in

604  
00:25:03,830 --> 00:25:00,799  
terms of

605  
00:25:06,070 --> 00:25:03,840  
ufos and agendas and you know

606  
00:25:08,630 --> 00:25:06,080  
some some people would call them

607  
00:25:11,830 --> 00:25:08,640  
conspiracy theories right

608  
00:25:13,110 --> 00:25:11,840  
now this by doing this you can actually

609  
00:25:15,510 --> 00:25:13,120  
get yourself

610  
00:25:16,630 --> 00:25:15,520  
uh in to a state of mind that can be

611  
00:25:18,870 --> 00:25:16,640  
very disturbing

612  
00:25:20,470 --> 00:25:18,880  
especially when you find out you know

613  
00:25:22,950 --> 00:25:20,480

for example there is a thing called

614

00:25:24,950 --> 00:25:22,960

agenda 21 or agenda 20

615

00:25:27,029 --> 00:25:24,960

2030 or 2050 or something like that

616

00:25:29,110 --> 00:25:27,039

right right

617

00:25:30,950 --> 00:25:29,120

i'm not sure if you're aware of this but

618

00:25:33,269 --> 00:25:30,960

uh okay so

619

00:25:35,269 --> 00:25:33,279

yeah so if you you know if you go down

620

00:25:39,110 --> 00:25:35,279

those kinds of rabbit holes and

621

00:25:42,390 --> 00:25:40,710

really play with like those things can

622

00:25:43,350 --> 00:25:42,400

actually play with your mind just like

623

00:25:46,230 --> 00:25:43,360

you know

624

00:25:47,750 --> 00:25:46,240

um let's say the media can can tell you

625

00:25:51,430 --> 00:25:47,760

a story and that can actually

626

00:25:53,750 --> 00:25:51,440

uh impact you in a way that it impacts

627

00:25:55,190 --> 00:25:53,760

your whole body in a sense right if you

628

00:25:56,630 --> 00:25:55,200

put something in your mind some kind of

629

00:25:59,029 --> 00:25:56,640

a fear let's say

630

00:26:00,310 --> 00:25:59,039

so like for example agenda 21 or

631

00:26:01,669 --> 00:26:00,320

something like this that is kind of like

632

00:26:04,310 --> 00:26:01,679

scary to know like

633

00:26:05,110 --> 00:26:04,320

is this real or is it not real um you

634

00:26:08,470 --> 00:26:05,120

can

635

00:26:11,750 --> 00:26:08,480

your your not only your

636

00:26:13,669 --> 00:26:11,760

your mind but also your body and uh

637

00:26:15,110 --> 00:26:13,679

so anyways just reflecting on this dream

638

00:26:17,750 --> 00:26:15,120

it's uh you know

639

00:26:19,269 --> 00:26:17,760

i'm trying to like dive really deep down

640

00:26:21,669 --> 00:26:19,279

and uh trying to find

641

00:26:22,710 --> 00:26:21,679

the truth within what we call the

642

00:26:24,870 --> 00:26:22,720

consciousness

643

00:26:26,310 --> 00:26:24,880

where we're floating in or where we're

644

00:26:28,870 --> 00:26:26,320

you know stationed

645

00:26:31,430 --> 00:26:28,880

right so well i think um you know if i

646

00:26:34,789 --> 00:26:31,440

if i might add when it comes to dreams

647

00:26:37,269 --> 00:26:34,799

um this is not anything particular that

648

00:26:38,230 --> 00:26:37,279

that i can point you to somebody i guess

649

00:26:40,710 --> 00:26:38,240

that that can

650

00:26:41,269 --> 00:26:40,720

um talk a bit more intelligently about

651  
00:26:43,430 --> 00:26:41,279  
this

652  
00:26:45,350 --> 00:26:43,440  
but just uh from my personal experience

653  
00:26:47,430 --> 00:26:45,360  
i found that

654  
00:26:48,950 --> 00:26:47,440  
um when i was you know like you

655  
00:26:50,310 --> 00:26:48,960  
mentioned earlier just being into

656  
00:26:52,390 --> 00:26:50,320  
spirituality and trying to understand

657  
00:26:54,230 --> 00:26:52,400  
what this is all about um

658  
00:26:55,590 --> 00:26:54,240  
when it comes to dreams it's a lot of

659  
00:26:58,230 --> 00:26:55,600  
the unresolved

660  
00:26:59,510 --> 00:26:58,240  
feelings and emotions that are still

661  
00:27:02,630 --> 00:26:59,520  
playing themselves out

662  
00:27:05,110 --> 00:27:02,640  
and of course what the brain does

663  
00:27:06,230 --> 00:27:05,120

you know being developed for what it is

664

00:27:09,110 --> 00:27:06,240

um

665

00:27:09,590 --> 00:27:09,120

it it has to overpresent something

666

00:27:12,950 --> 00:27:09,600

that's

667

00:27:15,029 --> 00:27:12,960

visible you know and so of course then

668

00:27:16,630 --> 00:27:15,039

um these different pictures you know

669

00:27:18,470 --> 00:27:16,640

they seem weird but it's

670

00:27:21,190 --> 00:27:18,480

those pictures is what they represent to

671

00:27:24,070 --> 00:27:21,200

us regarding a specific emotion

672

00:27:25,269 --> 00:27:24,080

now of course there's like a um i

673

00:27:29,190 --> 00:27:25,279

believe this is like a

674

00:27:33,590 --> 00:27:31,430

what you might call it like a missing

675

00:27:37,110 --> 00:27:33,600

the words here

676

00:27:39,269 --> 00:27:37,120

general dictionary for certain emotions

677

00:27:41,590 --> 00:27:39,279

to be linked with certain imagery

678

00:27:42,630 --> 00:27:41,600

like uh what do snakes represent in

679

00:27:44,950 --> 00:27:42,640

dreams what

680

00:27:46,149 --> 00:27:44,960

do uh certain animals represent in

681

00:27:49,350 --> 00:27:46,159

dreams and they

682

00:27:51,669 --> 00:27:49,360

and they kind of um you know

683

00:27:52,789 --> 00:27:51,679

these different dream interpreters i'm

684

00:27:55,110 --> 00:27:52,799

sure they can kind of

685

00:27:55,830 --> 00:27:55,120

break it down and tell you all about it

686

00:27:57,750 --> 00:27:55,840

um

687

00:27:59,430 --> 00:27:57,760

oh my goodness what is the word like a

688

00:28:04,389 --> 00:27:59,440

universal

689

00:28:06,870 --> 00:28:04,399

that's kind of true for everyone so that

690

00:28:10,149 --> 00:28:06,880

if you have dreamt about

691

00:28:11,669 --> 00:28:10,159

um certain animals that

692

00:28:13,590 --> 00:28:11,679

doesn't matter where in the planet you

693

00:28:15,510 --> 00:28:13,600

are that animal has the same meaning to

694

00:28:16,549 --> 00:28:15,520

you same representation of what it

695

00:28:19,350 --> 00:28:16,559

represents

696

00:28:21,430 --> 00:28:19,360

you know yeah right and then but then

697

00:28:21,750 --> 00:28:21,440

there's some that are very specific to

698

00:28:23,510 --> 00:28:21,760

you

699

00:28:25,510 --> 00:28:23,520

that that's the the challenging part of

700

00:28:27,430 --> 00:28:25,520

having to figure out what did what does

701  
00:28:30,710 --> 00:28:27,440  
that emotion mean at that time

702  
00:28:34,149 --> 00:28:30,720  
you know i've been um i interviewed um

703  
00:28:36,310 --> 00:28:34,159  
um it was called um

704  
00:28:38,310 --> 00:28:36,320  
oh my goodness i can't i can't remember

705  
00:28:40,710 --> 00:28:38,320  
anything today

706  
00:28:43,430 --> 00:28:40,720  
let me look it up uh it's basically he's

707  
00:28:46,549 --> 00:28:43,440  
um uh he got into dreams long time ago

708  
00:28:49,750 --> 00:28:46,559  
and he david ravinus that's his name

709  
00:28:51,990 --> 00:28:49,760  
david ravinus he's um i think

710  
00:28:53,029 --> 00:28:52,000  
author of the book is always dreaming or

711  
00:28:55,350 --> 00:28:53,039  
something like that

712  
00:28:57,990 --> 00:28:55,360  
maybe not i'm butchering it right now

713  
00:29:01,269 --> 00:28:58,000

but what i'm trying to say is that

714

00:29:03,510 --> 00:29:01,279

he kind of discovered through

715

00:29:04,470 --> 00:29:03,520

simply through psychology and how he

716

00:29:06,470 --> 00:29:04,480

started out

717

00:29:08,149 --> 00:29:06,480

that there's this connection to what's

718

00:29:10,870 --> 00:29:08,159

actually happening in real life

719

00:29:12,789 --> 00:29:10,880

is also a representation you know in the

720

00:29:15,029 --> 00:29:12,799

same way that a dream would be

721

00:29:16,310 --> 00:29:15,039

so that if something happens in your

722

00:29:19,269 --> 00:29:16,320

waking state

723

00:29:20,710 --> 00:29:19,279

that is sort of a symbol to you you know

724

00:29:23,110 --> 00:29:20,720

that needs to be looked at

725

00:29:23,830 --> 00:29:23,120

something that most people like myself

726

00:29:25,830 --> 00:29:23,840

and others

727

00:29:27,669 --> 00:29:25,840

kind of discover when they get on the

728

00:29:29,669 --> 00:29:27,679

spiritual spiritual path

729

00:29:31,029 --> 00:29:29,679

not really connected to any kind of

730

00:29:33,110 --> 00:29:31,039

field of study

731

00:29:34,950 --> 00:29:33,120

you know like psychology uh you know and

732

00:29:37,430 --> 00:29:34,960

something that you discover after

733

00:29:38,230 --> 00:29:37,440

you know a dmt trip or ayahuasca or

734

00:29:41,590 --> 00:29:38,240

whatever

735

00:29:44,710 --> 00:29:41,600

you know where you realize that um

736

00:29:46,710 --> 00:29:44,720

you are always dreaming and that

737

00:29:47,750 --> 00:29:46,720

everything that happens to you for

738

00:29:51,350 --> 00:29:47,760

example

739

00:29:53,110 --> 00:29:51,360

before everything happened in my life to

740

00:29:56,149 --> 00:29:53,120

just kind of snowball into this whole

741

00:29:59,190 --> 00:29:56,159

new direction i was

742

00:30:03,029 --> 00:29:59,200

let's just give you a stark comparison

743

00:30:05,190 --> 00:30:03,039

i was single living by myself

744

00:30:06,389 --> 00:30:05,200

where i was working in a totally

745

00:30:08,470 --> 00:30:06,399

different town

746

00:30:09,510 --> 00:30:08,480

and this one particular event was i was

747

00:30:11,110 --> 00:30:09,520

driving and

748

00:30:13,029 --> 00:30:11,120

out of nowhere it could there was

749

00:30:15,909 --> 00:30:13,039

nothing i could do about a deer

750

00:30:18,310 --> 00:30:15,919

just jumped up and hit hit the you know

751

00:30:19,110 --> 00:30:18,320

hit the car hit it and it went over the

752

00:30:21,669 --> 00:30:19,120

windshield

753

00:30:23,029 --> 00:30:21,679

and i pulled over and it had i believe i

754

00:30:24,950 --> 00:30:23,039

broke its spine

755

00:30:26,710 --> 00:30:24,960

and it had you know he couldn't move and

756

00:30:29,750 --> 00:30:26,720

i just felt i felt horrible

757

00:30:32,389 --> 00:30:29,760

you know i felt horrible and i called

758

00:30:34,870 --> 00:30:32,399

i guess the the people that i guess i

759

00:30:36,630 --> 00:30:34,880

call 9-1-1 they sent somebody over

760

00:30:38,149 --> 00:30:36,640

and the cop literally just asked me said

761

00:30:40,789 --> 00:30:38,159

do you want to meet

762

00:30:42,789 --> 00:30:40,799

i was like uh what you know i was more

763

00:30:44,070 --> 00:30:42,799

distraught of i just heard something or

764

00:30:46,310 --> 00:30:44,080

someone you know

765

00:30:47,510 --> 00:30:46,320

and he's you know looking at it as you

766

00:30:51,510 --> 00:30:47,520

know no

767

00:30:53,350 --> 00:30:51,520

like um you know as deer meat basically

768

00:30:55,029 --> 00:30:53,360

it's like i'm going to kill it and

769

00:30:57,750 --> 00:30:55,039

take it somewhere else if you don't want

770

00:31:00,549 --> 00:30:57,760

to meet this is what's going to happen

771

00:31:01,830 --> 00:31:00,559

and i just i was kind of kind of shaken

772

00:31:04,230 --> 00:31:01,840

by the experience but

773

00:31:05,830 --> 00:31:04,240

also just kind of confused by the

774

00:31:07,190 --> 00:31:05,840

questions he was asking because he's so

775

00:31:09,750 --> 00:31:07,200

nonchalant about it

776

00:31:13,269 --> 00:31:09,760

anyway so i said no i was able to get

777

00:31:15,669 --> 00:31:13,279

back in my car and i started going back

778

00:31:17,669 --> 00:31:15,679

after that everything in my life changed

779

00:31:20,470 --> 00:31:17,679

i moved to arkansas

780

00:31:21,669 --> 00:31:20,480

you know met my wife uh you know got the

781

00:31:24,549 --> 00:31:21,679

new job

782

00:31:26,870 --> 00:31:24,559

all of it like literally 180 in my life

783

00:31:27,430 --> 00:31:26,880

not that where i was going was any any

784

00:31:29,110 --> 00:31:27,440

bad

785

00:31:31,430 --> 00:31:29,120

there was nothing wrong with it it's

786

00:31:34,230 --> 00:31:31,440

just the deer later on i learned

787

00:31:35,830 --> 00:31:34,240

symbolizes a great change and you want

788

00:31:37,190 --> 00:31:35,840

to talk about a great change but just

789

00:31:39,590 --> 00:31:37,200

having a deer

790

00:31:41,830 --> 00:31:39,600

you know head on smack the car you know

791

00:31:43,430 --> 00:31:41,840

and now of course you can say well

792

00:31:45,509 --> 00:31:43,440

you know there's so many deer on the

793

00:31:45,990 --> 00:31:45,519

road there's hundreds if not thousands

794

00:31:48,230 --> 00:31:46,000

of people

795

00:31:49,669 --> 00:31:48,240

that you know hit a deer with the car

796

00:31:50,230 --> 00:31:49,679

you know and it's like that doesn't mean

797

00:31:53,029 --> 00:31:50,240

anything

798

00:31:54,470 --> 00:31:53,039

but when you have that understanding

799

00:31:56,950 --> 00:31:54,480

that that's what that means

800

00:31:58,630 --> 00:31:56,960

and you just personally take it into

801  
00:32:01,830 --> 00:31:58,640  
your life and see how does this

802  
00:32:04,710 --> 00:32:01,840  
you know work for me you'll see an

803  
00:32:06,070 --> 00:32:04,720  
actual you know representation like this

804  
00:32:07,590 --> 00:32:06,080  
is valid for you

805  
00:32:09,830 --> 00:32:07,600  
now of course if you want to be a

806  
00:32:11,430 --> 00:32:09,840  
naysayer you can of course you know

807  
00:32:13,190 --> 00:32:11,440  
talk it away and have some kind of

808  
00:32:15,269 --> 00:32:13,200  
excuse but

809  
00:32:17,190 --> 00:32:15,279  
that was pretty interesting because you

810  
00:32:18,389 --> 00:32:17,200  
know i was already kind of started to

811  
00:32:20,310 --> 00:32:18,399  
become aware of

812  
00:32:22,230 --> 00:32:20,320  
of that because of my experiences like

813  
00:32:23,669 --> 00:32:22,240

it messes with your reality you kind of

814

00:32:26,710 --> 00:32:23,679

start realizing

815

00:32:29,190 --> 00:32:26,720

well existence is like a dream

816

00:32:31,269 --> 00:32:29,200

upon a dream upon a dream you know every

817

00:32:33,750 --> 00:32:31,279

time

818

00:32:34,870 --> 00:32:33,760

i'm sorry you say that again i was gonna

819

00:32:38,310 --> 00:32:34,880

go there too so

820

00:32:40,230 --> 00:32:38,320

you know the um you know this dream

821

00:32:43,029 --> 00:32:40,240

sorry this life potentially being a

822

00:32:46,870 --> 00:32:43,039

dream right um

823

00:32:47,750 --> 00:32:46,880

anyway sorry go continue right no i mean

824

00:32:49,509 --> 00:32:47,760

that's exactly

825

00:32:51,669 --> 00:32:49,519

what it is so i've been kind of paying

826

00:32:53,430 --> 00:32:51,679

attention to to that in those terms

827

00:32:55,509 --> 00:32:53,440

those in the interview that i did with

828

00:32:57,190 --> 00:32:55,519

david ravinus he gave an example

829

00:32:58,549 --> 00:32:57,200

which was pretty interesting it's about

830

00:32:59,909 --> 00:32:58,559

a gentleman that had

831

00:33:01,830 --> 00:32:59,919

some health issues and i believe

832

00:33:04,630 --> 00:33:01,840

something with his diabetes

833

00:33:05,669 --> 00:33:04,640

right and he he came home and he had

834

00:33:07,509 --> 00:33:05,679

some marmalade

835

00:33:09,190 --> 00:33:07,519

that he really loved to eat i believe

836

00:33:09,669 --> 00:33:09,200

was orange marmalade or something like

837

00:33:12,149 --> 00:33:09,679

that

838

00:33:14,789 --> 00:33:12,159

and he had brought it home and the back

839

00:33:16,710 --> 00:33:14,799

bro the bag broke or something somehow

840

00:33:18,389 --> 00:33:16,720

happened to where the marmalade

841

00:33:19,830 --> 00:33:18,399

had fallen down and splattered

842

00:33:22,230 --> 00:33:19,840

everywhere right

843

00:33:23,029 --> 00:33:22,240

and so i never really you know at that

844

00:33:24,789 --> 00:33:23,039

time i didn't

845

00:33:26,549 --> 00:33:24,799

think twice about it i'm like okay cool

846

00:33:28,870 --> 00:33:26,559

story but then he broke it down for me

847

00:33:30,870 --> 00:33:28,880

to where what does the flow represent

848

00:33:32,950 --> 00:33:30,880

what does the the marmalade with the

849

00:33:33,509 --> 00:33:32,960

shards of glass inside represent you

850

00:33:36,630 --> 00:33:33,519

know

851  
00:33:37,590 --> 00:33:36,640  
the the the diabetes and the harmfulness

852  
00:33:38,870 --> 00:33:37,600  
in your bloodstream

853  
00:33:41,509 --> 00:33:38,880  
and all this other stuff you see what i

854  
00:33:43,269 --> 00:33:41,519  
mean and he just was breaking it down i

855  
00:33:45,029 --> 00:33:43,279  
maybe not doing the justice maybe i'm

856  
00:33:46,710 --> 00:33:45,039  
butchering something but

857  
00:33:48,149 --> 00:33:46,720  
you can watch it on your for hobbies

858  
00:33:51,669 --> 00:33:48,159  
david ravinus

859  
00:33:53,750 --> 00:33:51,679  
and um it was it was interesting to just

860  
00:33:57,110 --> 00:33:53,760  
kind of know that there's someone that

861  
00:33:58,710 --> 00:33:57,120  
um for those that are

862  
00:34:00,149 --> 00:33:58,720  
there's different people that always

863  
00:34:01,909 --> 00:34:00,159

thought out of spiritual path in

864

00:34:03,990 --> 00:34:01,919

different ways you know sometimes they

865

00:34:05,190 --> 00:34:04,000

started out with ayahuasca sometimes

866

00:34:06,710 --> 00:34:05,200

they started out by

867

00:34:09,030 --> 00:34:06,720

just simply being a student of

868

00:34:10,710 --> 00:34:09,040

psychology or something you know or

869

00:34:12,069 --> 00:34:10,720

you know they're driving a truck one day

870

00:34:13,669 --> 00:34:12,079

and the next thing you know they want to

871

00:34:14,149 --> 00:34:13,679

understand why they're here and what

872

00:34:16,069 --> 00:34:14,159

this

873

00:34:17,589 --> 00:34:16,079

universe is all about you know so

874

00:34:18,389 --> 00:34:17,599

obviously there's all these different

875

00:34:21,510 --> 00:34:18,399

ways

876

00:34:24,310 --> 00:34:21,520

but um what's interesting is that um

877

00:34:24,950 --> 00:34:24,320

he at least i don't know i didn't ask

878

00:34:28,069 --> 00:34:24,960

him he

879

00:34:30,470 --> 00:34:28,079

didn't do any kind of um drugs or

880

00:34:31,109 --> 00:34:30,480

lsd i don't i don't call him drugs

881

00:34:32,550 --> 00:34:31,119

there's a

882

00:34:34,629 --> 00:34:32,560

there should be a different word for

883

00:34:37,909 --> 00:34:34,639

those because you know

884

00:34:41,510 --> 00:34:37,919

street i don't know

885

00:34:42,629 --> 00:34:41,520

what i'll say that again psychedelic

886

00:34:44,470 --> 00:34:42,639

substances

887

00:34:45,909 --> 00:34:44,480

right but i'm talking about that all

888

00:34:47,430 --> 00:34:45,919

these words come with negative

889

00:34:48,470 --> 00:34:47,440

connotations you know there should be

890

00:34:50,629 --> 00:34:48,480

like um

891

00:34:51,669 --> 00:34:50,639

a different word for it you know just

892

00:34:53,589 --> 00:34:51,679

something because

893

00:34:56,069 --> 00:34:53,599

a lot of my experiences i mean i've

894

00:34:58,710 --> 00:34:56,079

never experienced

895

00:35:00,550 --> 00:34:58,720

like a lot of times you know they always

896

00:35:02,950 --> 00:35:00,560

afraid of the side effects of

897

00:35:03,670 --> 00:35:02,960

what it does to you and i'm like well

898

00:35:05,349 --> 00:35:03,680

excuse me

899

00:35:06,790 --> 00:35:05,359

everyone that knows my story there were

900

00:35:09,589 --> 00:35:06,800

seven different instances

901  
00:35:11,670 --> 00:35:09,599  
where i uh purposely and specifically

902  
00:35:15,430 --> 00:35:11,680  
went to try these different

903  
00:35:17,670 --> 00:35:15,440  
psychedelics and you know i went from

904  
00:35:19,030 --> 00:35:17,680  
not knowing where what i'm doing where

905  
00:35:22,150 --> 00:35:19,040  
i'm going to

906  
00:35:23,990 --> 00:35:22,160  
literally uh straighten out my life

907  
00:35:25,510 --> 00:35:24,000  
starting a business you know and having

908  
00:35:28,630 --> 00:35:25,520  
a purpose you know

909  
00:35:30,470 --> 00:35:28,640  
and it's like i wish maybe occasionally

910  
00:35:32,390 --> 00:35:30,480  
you know someone would

911  
00:35:33,910 --> 00:35:32,400  
you know have a chance to take some lsd

912  
00:35:34,790 --> 00:35:33,920  
themselves and just kind of have that

913  
00:35:37,510 --> 00:35:34,800

experience

914

00:35:38,790 --> 00:35:37,520

you know but then again i'm i'm not

915

00:35:40,550 --> 00:35:38,800

there's just a suggestion

916

00:35:41,829 --> 00:35:40,560

not saying you all should go out there

917

00:35:43,750 --> 00:35:41,839

and do it but

918

00:35:45,030 --> 00:35:43,760

what i'm saying is i didn't see any side

919

00:35:48,069 --> 00:35:45,040

effect of it it's like it

920

00:35:51,349 --> 00:35:48,079

made everyone that i've personally met

921

00:35:54,470 --> 00:35:51,359

has literally given them a drive in life

922

00:35:55,750 --> 00:35:54,480

you know and uh mainstream would not not

923

00:35:57,510 --> 00:35:55,760

want to look at those

924

00:35:59,430 --> 00:35:57,520

in that way they always always want to

925

00:36:03,109 --> 00:35:59,440

attach a negative

926

00:36:07,190 --> 00:36:03,119

connotation to it yeah i i have

927

00:36:09,349 --> 00:36:07,200

personally experienced with like

928

00:36:10,710 --> 00:36:09,359

mushrooms and magic mushrooms whatever

929

00:36:14,069 --> 00:36:10,720

you want to call them

930

00:36:16,230 --> 00:36:14,079

i've also experienced with marijuana

931

00:36:17,190 --> 00:36:16,240

and obviously not obvious sorry but um

932

00:36:20,230 --> 00:36:17,200

i've also

933

00:36:22,790 --> 00:36:20,240

experienced with alcohol so

934

00:36:23,829 --> 00:36:22,800

um i'm free like i'm not doing any of

935

00:36:26,790 --> 00:36:23,839

those three

936

00:36:28,069 --> 00:36:26,800

anymore but i definitely have my own

937

00:36:30,790 --> 00:36:28,079

take on it right

938

00:36:31,829 --> 00:36:30,800

in terms of uh what it does to me

939

00:36:34,870 --> 00:36:31,839

personally

940

00:36:37,270 --> 00:36:34,880

um or you know i mean you can go really

941

00:36:39,349 --> 00:36:37,280

down to the google you know research and

942

00:36:42,470 --> 00:36:39,359

and you know try to find out how these

943

00:36:45,589 --> 00:36:42,480

three different i think uh

944

00:36:49,030 --> 00:36:45,599

alcohol and and

945

00:36:52,230 --> 00:36:49,040

sorry marijuana have like these um

946

00:36:54,790 --> 00:36:52,240

uh suppressing um things within him

947

00:36:55,510 --> 00:36:54,800

uh whereas mush like magic mushrooms

948

00:36:57,349 --> 00:36:55,520

they what

949

00:36:59,109 --> 00:36:57,359

what they did to me as opposed to

950

00:36:59,829 --> 00:36:59,119

suppress my feelings and so on they

951  
00:37:02,950 --> 00:36:59,839  
actually

952  
00:37:06,710 --> 00:37:02,960  
enhanced every aspect of those

953  
00:37:08,630 --> 00:37:06,720  
i guess feelings and and some vision and

954  
00:37:10,230 --> 00:37:08,640  
i wouldn't say hearing but more vision

955  
00:37:12,870 --> 00:37:10,240  
and so it actually

956  
00:37:13,510 --> 00:37:12,880  
affected my brain in that way um

957  
00:37:16,150 --> 00:37:13,520  
actually

958  
00:37:18,630 --> 00:37:16,160  
funny enough that is another way aside

959  
00:37:20,630 --> 00:37:18,640  
from you seeing ufos is that's how i

960  
00:37:21,990 --> 00:37:20,640  
also got myself into spirituality so

961  
00:37:22,630 --> 00:37:22,000  
like you said you know some people go

962  
00:37:26,870 --> 00:37:22,640  
through

963  
00:37:30,710 --> 00:37:26,880

witnessing

964

00:37:33,829 --> 00:37:30,720

uh ufos and also trying some

965

00:37:36,069 --> 00:37:33,839

some magic mushrooms and also acid

966

00:37:38,390 --> 00:37:36,079

i only tried acid one time but i

967

00:37:41,109 --> 00:37:38,400

wouldn't really recommend it to anyone

968

00:37:43,270 --> 00:37:41,119

um if anything you know for a better

969

00:37:45,190 --> 00:37:43,280

word i think

970

00:37:46,390 --> 00:37:45,200

you know magic mushrooms because they

971

00:37:49,030 --> 00:37:46,400

come from the earth

972

00:37:51,589 --> 00:37:49,040

itself you can literally just pick it

973

00:37:53,910 --> 00:37:51,599

out anywhere where you know you have um

974

00:37:55,349 --> 00:37:53,920

uh the terrain for it but you know these

975

00:37:57,910 --> 00:37:55,359

things um

976

00:37:59,030 --> 00:37:57,920

can be called remedies you know in some

977

00:38:02,150 --> 00:37:59,040

cultures

978

00:38:03,589 --> 00:38:02,160

they used to use them a lot right and

979

00:38:05,510 --> 00:38:03,599

you know people have experiences with

980

00:38:07,270 --> 00:38:05,520

them so um i've uh

981

00:38:08,870 --> 00:38:07,280

i've heard of many positive and also

982

00:38:11,109 --> 00:38:08,880

negative experiences

983

00:38:12,069 --> 00:38:11,119

um with me i think it it really does

984

00:38:13,990 --> 00:38:12,079

have a lot to do

985

00:38:16,069 --> 00:38:14,000

you know this is what i think i i guess

986

00:38:19,349 --> 00:38:16,079

it has a lot to do with how your

987

00:38:20,950 --> 00:38:19,359

mind is um currently you know when

988

00:38:22,710 --> 00:38:20,960

you're gonna take them like you might

989

00:38:24,790 --> 00:38:22,720

you really have to be in the

990

00:38:26,230 --> 00:38:24,800

in the best state of mind to be able to

991

00:38:27,670 --> 00:38:26,240

do that otherwise if you're in a

992

00:38:29,190 --> 00:38:27,680

negative state of mind

993

00:38:31,510 --> 00:38:29,200

if you have something in the back of

994

00:38:34,069 --> 00:38:31,520

your let's say subconscious mind

995

00:38:35,910 --> 00:38:34,079

um i think it can definitely work um you

996

00:38:38,150 --> 00:38:35,920

know not so much

997

00:38:39,190 --> 00:38:38,160

for your benefits right because i think

998

00:38:41,510 --> 00:38:39,200

that it's just

999

00:38:42,870 --> 00:38:41,520

it enhances right whatever feeling

1000

00:38:45,109 --> 00:38:42,880

you're going through

1001  
00:38:45,990 --> 00:38:45,119  
again you almost want to have to have

1002  
00:38:49,349 --> 00:38:46,000  
the mindset

1003  
00:38:50,870 --> 00:38:49,359  
of i want to be on a journey

1004  
00:38:52,870 --> 00:38:50,880  
you know something like that in those

1005  
00:38:55,670 --> 00:38:52,880  
terms but you know it's funny because

1006  
00:38:56,150 --> 00:38:55,680  
a lot of times um before you know

1007  
00:38:57,990 --> 00:38:56,160  
because

1008  
00:39:00,069 --> 00:38:58,000  
the way it started out for me it's like

1009  
00:39:03,750 --> 00:39:00,079  
okay i made this decision to

1010  
00:39:05,670 --> 00:39:03,760  
um you know figure out okay is bashar

1011  
00:39:06,950 --> 00:39:05,680  
you know full of it or if is there

1012  
00:39:09,829 --> 00:39:06,960  
something to what he's saying

1013  
00:39:10,390 --> 00:39:09,839

right and so when i was working on this

1014

00:39:12,630 --> 00:39:10,400

stage

1015

00:39:13,990 --> 00:39:12,640

that i call it my changing my beliefs

1016

00:39:16,870 --> 00:39:14,000

while i was going through everything

1017

00:39:18,630 --> 00:39:16,880

looking through friends and environments

1018

00:39:19,829 --> 00:39:18,640

and places and things i was doing just

1019

00:39:21,829 --> 00:39:19,839

simply looking at

1020

00:39:24,150 --> 00:39:21,839

all my belief systems and everything

1021

00:39:26,950 --> 00:39:24,160

that i was interacting with right

1022

00:39:27,510 --> 00:39:26,960

and so that's one thing that was very

1023

00:39:30,470 --> 00:39:27,520

strong

1024

00:39:31,990 --> 00:39:30,480

that just kind of hit me um it was like

1025

00:39:34,230 --> 00:39:32,000

everybody keeps telling me

1026

00:39:35,190 --> 00:39:34,240

you know the drugs are bad and i'm a

1027

00:39:37,190 --> 00:39:35,200

good boy so

1028

00:39:38,550 --> 00:39:37,200

i'm going to follow exactly as everyone

1029

00:39:40,550 --> 00:39:38,560

says that i should do

1030

00:39:41,990 --> 00:39:40,560

you know and then when i was going

1031

00:39:44,069 --> 00:39:42,000

through this process i was like

1032

00:39:45,109 --> 00:39:44,079

why am i believing this you know here i

1033

00:39:47,349 --> 00:39:45,119

am going to be

1034

00:39:48,470 --> 00:39:47,359

this middle-aged man i'm going to be old

1035

00:39:50,390 --> 00:39:48,480

and die eventually

1036

00:39:51,910 --> 00:39:50,400

but you know what do i have to show for

1037

00:39:54,230 --> 00:39:51,920

it laying on my

1038

00:39:56,150 --> 00:39:54,240

my deathbed going well at least i

1039

00:39:57,829 --> 00:39:56,160

followed the rules like everyone else

1040

00:40:00,950 --> 00:39:57,839

said what i should or shouldn't do

1041

00:40:03,829 --> 00:40:00,960

you know and so the thing is

1042

00:40:05,270 --> 00:40:03,839

i agree with rules you know the point is

1043

00:40:06,230 --> 00:40:05,280

this is something that would have

1044

00:40:09,030 --> 00:40:06,240

absolutely and

1045

00:40:10,470 --> 00:40:09,040

entirely only affected me physically at

1046

00:40:13,190 --> 00:40:10,480

least you know

1047

00:40:14,710 --> 00:40:13,200

and so i was like why why did i just buy

1048

00:40:17,589 --> 00:40:14,720

into that belief system and

1049

00:40:18,630 --> 00:40:17,599

it kept pushing it forward you know and

1050

00:40:21,589 --> 00:40:18,640

so

1051

00:40:23,030 --> 00:40:21,599

um anyway what was interesting is when

1052

00:40:26,790 --> 00:40:23,040

when i had the opportunity to

1053

00:40:27,510 --> 00:40:26,800

kind of then start out my first time you

1054

00:40:30,790 --> 00:40:27,520

know i went to

1055

00:40:33,270 --> 00:40:30,800

up to my friend and you know was kind of

1056

00:40:35,270 --> 00:40:33,280

you know always do everyone always knows

1057

00:40:36,870 --> 00:40:35,280

that one guy that you can go to he's got

1058

00:40:39,190 --> 00:40:36,880

everything you want you know

1059

00:40:40,630 --> 00:40:39,200

and um so i was talking to him and he's

1060

00:40:43,510 --> 00:40:40,640

like okay well he'd try

1061

00:40:44,309 --> 00:40:43,520

you know here's this um you know lsd and

1062

00:40:46,230 --> 00:40:44,319

he's like

1063

00:40:47,910 --> 00:40:46,240

you know he was telling me these things

1064

00:40:51,109 --> 00:40:47,920

about don't

1065

00:40:52,470 --> 00:40:51,119

um do anything you love while you're on

1066

00:40:54,550 --> 00:40:52,480

it i was like why

1067

00:40:56,309 --> 00:40:54,560

you know he said because if you eat

1068

00:40:59,109 --> 00:40:56,319

something you love it's gonna taste

1069

00:41:01,270 --> 00:40:59,119

so good that you know when you eat it

1070

00:41:03,430 --> 00:41:01,280

again it's not gonna taste the same

1071

00:41:05,109 --> 00:41:03,440

i was like okay it's like if you love

1072

00:41:06,230 --> 00:41:05,119

doing something don't do it because it's

1073

00:41:07,910 --> 00:41:06,240

going to be so great

1074

00:41:09,510 --> 00:41:07,920

because then when you're down from it

1075

00:41:10,150 --> 00:41:09,520

you know you just kept talking about

1076

00:41:13,190 --> 00:41:10,160

these very

1077

00:41:14,150 --> 00:41:13,200

literal steps right and so i'm kind of

1078

00:41:16,069 --> 00:41:14,160

like thinking

1079

00:41:17,589 --> 00:41:16,079

okay well you know i'm going to feel

1080

00:41:19,270 --> 00:41:17,599

funny and and and

1081

00:41:20,710 --> 00:41:19,280

things are going to be accentuated and

1082

00:41:23,670 --> 00:41:20,720

all this other stuff

1083

00:41:25,750 --> 00:41:23,680

boy was i wrong you know because when

1084

00:41:27,349 --> 00:41:25,760

when i considered my very first trip

1085

00:41:29,430 --> 00:41:27,359

it's like when that happened you know it

1086

00:41:30,790 --> 00:41:29,440

was literally like the universe said sit

1087

00:41:33,190 --> 00:41:30,800

down i'm going to show you

1088

00:41:33,990 --> 00:41:33,200

what how things really work and that's

1089

00:41:36,550 --> 00:41:34,000

when i realized

1090

00:41:38,550 --> 00:41:36,560

that this wasn't just an accident i was

1091

00:41:40,230 --> 00:41:38,560

meant to start this out and there was a

1092

00:41:41,670 --> 00:41:40,240

specific beginning and ending to this

1093

00:41:43,510 --> 00:41:41,680

that's why i keep referring to the

1094

00:41:45,990 --> 00:41:43,520

seven times seven times seven times

1095

00:41:47,990 --> 00:41:46,000

because i didn't go beyond those seven

1096

00:41:49,750 --> 00:41:48,000

during my those different lessons but

1097

00:41:51,910 --> 00:41:49,760

what was interesting is that

1098

00:41:52,790 --> 00:41:51,920

each one of these whether it would be

1099

00:41:57,109 --> 00:41:52,800

mushrooms

1100

00:42:00,870 --> 00:41:57,119

lsd a weed um

1101  
00:42:02,150 --> 00:42:00,880  
dmt um and others i can't remember right

1102  
00:42:04,309 --> 00:42:02,160  
now

1103  
00:42:05,270 --> 00:42:04,319  
each one of them you can achieve

1104  
00:42:07,109 --> 00:42:05,280  
naturally

1105  
00:42:08,390 --> 00:42:07,119  
but it wasn't clear to me before that it

1106  
00:42:10,870 --> 00:42:08,400  
was only once i went

1107  
00:42:11,670 --> 00:42:10,880  
there and realized oh this is what you

1108  
00:42:14,069 --> 00:42:11,680  
have to do to

1109  
00:42:15,430 --> 00:42:14,079  
get to this state and understand it it

1110  
00:42:18,710 --> 00:42:15,440  
made perfect sense

1111  
00:42:19,430 --> 00:42:18,720  
but you know that's what was stuck with

1112  
00:42:24,069 --> 00:42:19,440  
me it was

1113  
00:42:24,710 --> 00:42:24,079

gonna feel funny or or you're just gonna

1114

00:42:26,390 --> 00:42:24,720

feel

1115

00:42:28,230 --> 00:42:26,400

weird or laugh or whatever it was

1116

00:42:31,190 --> 00:42:28,240

literal lessons that i would

1117

00:42:32,950 --> 00:42:31,200

need months after each trip to dissect

1118

00:42:35,030 --> 00:42:32,960

and realize like oh

1119

00:42:37,349 --> 00:42:35,040

this is what the big meg was about this

1120

00:42:38,309 --> 00:42:37,359

is how time works you know oh this is

1121

00:42:40,390 --> 00:42:38,319

what consciousness

1122

00:42:41,510 --> 00:42:40,400

is and i'm part of it and all of this

1123

00:42:43,109 --> 00:42:41,520

you know and it's just

1124

00:42:45,349 --> 00:42:43,119

basically i mean you couldn't help

1125

00:42:46,550 --> 00:42:45,359

yourself but just go through this whole

1126

00:42:48,790 --> 00:42:46,560

process of just

1127

00:42:50,230 --> 00:42:48,800

self-reflection and you couldn't you

1128

00:42:52,230 --> 00:42:50,240

know it wasn't i'd never

1129

00:42:53,270 --> 00:42:52,240

ever looked at it as like oh let's just

1130

00:42:55,589 --> 00:42:53,280

do it for fun

1131

00:42:57,430 --> 00:42:55,599

because every time where i was taken

1132

00:43:00,390 --> 00:42:57,440

every time something happened you know

1133

00:43:02,309 --> 00:43:00,400

it would change my life it's almost like

1134

00:43:04,870 --> 00:43:02,319

the whole core of my being

1135

00:43:05,829 --> 00:43:04,880

and so i'd never took it lightly you

1136

00:43:07,670 --> 00:43:05,839

know where

1137

00:43:09,750 --> 00:43:07,680

where i almost envied my friends that

1138

00:43:10,150 --> 00:43:09,760

could just you know i like i can't smoke

1139

00:43:14,550 --> 00:43:10,160

weed

1140

00:43:15,589 --> 00:43:14,560

and i'm gone for hours and come back

1141

00:43:18,870 --> 00:43:15,599

with some amazing

1142

00:43:20,550 --> 00:43:18,880

information you know and so i never took

1143

00:43:22,630 --> 00:43:20,560

it lightly to just be like

1144

00:43:23,829 --> 00:43:22,640

use it recreationally because it's just

1145

00:43:25,750 --> 00:43:23,839

not possible for me

1146

00:43:27,910 --> 00:43:25,760

you know that was after the first time i

1147

00:43:31,430 --> 00:43:27,920

learned that i left it be it that

1148

00:43:34,230 --> 00:43:31,440

you know so anyway if um if i

1149

00:43:35,670 --> 00:43:34,240

just uh with with exactly what you're

1150

00:43:38,309 --> 00:43:35,680

saying right now i have a po

1151

00:43:41,030 --> 00:43:38,319

i pulled up a quote here by alan watts

1152

00:43:43,109 --> 00:43:41,040

not sure if you know who he is yes i do

1153

00:43:44,870 --> 00:43:43,119

okay so the quote goes if you get the

1154

00:43:46,710 --> 00:43:44,880

message hang up the phone

1155

00:43:48,470 --> 00:43:46,720

for psychedelic drugs there's simply

1156

00:43:51,430 --> 00:43:48,480

instruments like microscopes

1157

00:43:52,550 --> 00:43:51,440

telescopes and telephones the biologist

1158

00:43:54,710 --> 00:43:52,560

does not sit

1159

00:43:56,710 --> 00:43:54,720

with i permanently glued to the

1160

00:43:58,150 --> 00:43:56,720

microscope he goes away and works on

1161

00:44:00,309 --> 00:43:58,160

what he has seen

1162

00:44:02,230 --> 00:44:00,319

so that that like that ties in i think

1163

00:44:03,510 --> 00:44:02,240

from my perspective with everything that

1164

00:44:05,750 --> 00:44:03,520

you're saying that sometimes

1165

00:44:06,790 --> 00:44:05,760

you know if we open our doors or you

1166

00:44:09,510 --> 00:44:06,800

know um

1167

00:44:11,270 --> 00:44:09,520

our possibilities to these experiences

1168

00:44:12,470 --> 00:44:11,280

that a lot of people are saying you know

1169

00:44:14,870 --> 00:44:12,480

you shouldn't do this you shouldn't do

1170

00:44:18,309 --> 00:44:14,880

that we only limit ourselves right

1171

00:44:20,309 --> 00:44:18,319

but the moment we actually start to um

1172

00:44:22,069 --> 00:44:20,319

to experience these things of oneness

1173

00:44:24,550 --> 00:44:22,079

for example this is what i personally

1174

00:44:25,430 --> 00:44:24,560

experienced through the the mushroom the

1175

00:44:27,510 --> 00:44:25,440

mushrooms

1176

00:44:28,790 --> 00:44:27,520

right i felt like i was you know in in

1177

00:44:29,910 --> 00:44:28,800

connection with everything that

1178

00:44:32,390 --> 00:44:29,920

everything was like

1179

00:44:33,670 --> 00:44:32,400

alive and just like waving and doing the

1180

00:44:35,910 --> 00:44:33,680

spiral dance

1181

00:44:37,270 --> 00:44:35,920

you know i understood that i was like a

1182

00:44:40,470 --> 00:44:37,280

part of all of this

1183

00:44:42,870 --> 00:44:40,480

like i understood that living beings uh

1184

00:44:44,470 --> 00:44:42,880

it includes you know like trees it

1185

00:44:46,230 --> 00:44:44,480

includes anything that lives

1186

00:44:48,470 --> 00:44:46,240

you know through the same means that we

1187

00:44:50,790 --> 00:44:48,480

do right like light and water

1188

00:44:52,150 --> 00:44:50,800

yeah well i mean what's interesting and

1189

00:44:53,750 --> 00:44:52,160

i don't know if if you had these

1190

00:44:56,309 --> 00:44:53,760

experiences too you know

1191

00:44:58,150 --> 00:44:56,319

there is nothing else but consciousness

1192

00:45:00,069 --> 00:44:58,160

so everything you're interacting with

1193

00:45:02,470 --> 00:45:00,079

it had to be created out of

1194

00:45:04,550 --> 00:45:02,480

consciousness therefore everything else

1195

00:45:06,150 --> 00:45:04,560

is conscious but we played these

1196

00:45:09,030 --> 00:45:06,160

different games to where

1197

00:45:10,150 --> 00:45:09,040

you know um you're going to be you and

1198

00:45:11,990 --> 00:45:10,160

i'm going to be me

1199

00:45:13,589 --> 00:45:12,000

and this table is going to be the table

1200

00:45:15,270 --> 00:45:13,599

you know and everything else around it

1201

00:45:16,710 --> 00:45:15,280

and so i'm just going to interact

1202

00:45:18,950 --> 00:45:16,720

basically you're interacting with

1203

00:45:20,950 --> 00:45:18,960

yourself all the time but playing this

1204

00:45:24,950 --> 00:45:20,960

game that you don't remember

1205

00:45:27,430 --> 00:45:24,960

you know and uh that's that's the basic

1206

00:45:28,790 --> 00:45:27,440

real quick to the point premise of

1207

00:45:31,270 --> 00:45:28,800

what's really going on

1208

00:45:32,550 --> 00:45:31,280

you know um i don't i don't know if you

1209

00:45:34,150 --> 00:45:32,560

ever got to that

1210

00:45:36,390 --> 00:45:34,160

stage or understanding or if you have

1211

00:45:39,349 --> 00:45:36,400

anything to say about that

1212

00:45:40,230 --> 00:45:39,359

yeah 100 um it's the stage of

1213

00:45:42,150 --> 00:45:40,240

remembering

1214

00:45:43,510 --> 00:45:42,160

sorry forgetting and remembrance yeah i

1215

00:45:47,430 --> 00:45:43,520

think this is what

1216

00:45:50,950 --> 00:45:47,440

um what i've gotten uh to in terms of

1217

00:45:51,829 --> 00:45:50,960

my uh spirituality or you know my belief

1218

00:45:54,950 --> 00:45:51,839

system

1219

00:45:56,790 --> 00:45:54,960

um is is that we have forgotten that

1220

00:45:58,390 --> 00:45:56,800

where we come from or what we are

1221

00:46:00,230 --> 00:45:58,400

actually made up of

1222

00:46:02,309 --> 00:46:00,240

so i can you know i can give you an

1223

00:46:03,030 --> 00:46:02,319

example you know there's a rock and then

1224

00:46:05,190 --> 00:46:03,040

there's me

1225

00:46:06,630 --> 00:46:05,200

we're both made out of the same material

1226

00:46:08,470 --> 00:46:06,640

elements however

1227

00:46:09,829 --> 00:46:08,480

you know the rock is not conscious but

1228

00:46:13,109 --> 00:46:09,839

i'm conscious

1229

00:46:16,150 --> 00:46:13,119

so it just i've gotten to a point where

1230

00:46:18,390 --> 00:46:16,160

i've i've now seen living entities

1231

00:46:19,750 --> 00:46:18,400

for what they truly are and that's like

1232

00:46:23,109 --> 00:46:19,760

spirit form

1233

00:46:25,109 --> 00:46:23,119

um not you know the science itself um

1234

00:46:27,349 --> 00:46:25,119

can only speak up to a certain point but

1235

00:46:29,670 --> 00:46:27,359

they don't dare to go into the

1236

00:46:31,030 --> 00:46:29,680

um i don't know if i want to call it

1237

00:46:33,430 --> 00:46:31,040

metaphysics but it's like

1238

00:46:34,390 --> 00:46:33,440

like the other realm or the anti-matter

1239

00:46:37,670 --> 00:46:34,400

you know

1240

00:46:38,230 --> 00:46:37,680

they do um talk about it very briefly i

1241

00:46:39,670 --> 00:46:38,240

think uh

1242

00:46:41,510 --> 00:46:39,680

science has also said something about

1243

00:46:43,510 --> 00:46:41,520

anti-matter or dark

1244

00:46:44,710 --> 00:46:43,520

matter or something like that but uh

1245

00:46:47,190 --> 00:46:44,720

they haven't

1246

00:46:48,069 --> 00:46:47,200

we haven't as as a as a whole we haven't

1247

00:46:51,109 --> 00:46:48,079

gotten much

1248

00:46:53,670 --> 00:46:51,119

um studies

1249

00:46:56,309 --> 00:46:53,680

uh from that other realm but i do feel

1250

00:46:59,270 --> 00:46:56,319

like you know there is a spirit

1251  
00:46:59,829 --> 00:46:59,280  
side to um to where we are we're at

1252  
00:47:02,470 --> 00:46:59,839  
right

1253  
00:47:03,670 --> 00:47:02,480  
we may see material things but you know

1254  
00:47:05,750 --> 00:47:03,680  
we're not the same as

1255  
00:47:07,270 --> 00:47:05,760  
those material things we have these

1256  
00:47:09,270 --> 00:47:07,280  
material bodies but that doesn't mean

1257  
00:47:09,990 --> 00:47:09,280  
that we are just chemicals interacting

1258  
00:47:11,910 --> 00:47:10,000  
with each other we

1259  
00:47:13,510 --> 00:47:11,920  
have something more than just the rock

1260  
00:47:15,270 --> 00:47:13,520  
we have the consciousness you know we

1261  
00:47:17,349 --> 00:47:15,280  
have the intelligence we have feelings

1262  
00:47:20,549 --> 00:47:17,359  
we have all these other things

1263  
00:47:21,990 --> 00:47:20,559

so um yeah right well

1264

00:47:24,390 --> 00:47:22,000

that's why i was asking i don't know if

1265

00:47:26,150 --> 00:47:24,400

you had you know if you got

1266

00:47:27,430 --> 00:47:26,160

to go that deep to to get that

1267

00:47:29,910 --> 00:47:27,440

experience too but

1268

00:47:31,589 --> 00:47:29,920

everything including i mean i'm being

1269

00:47:34,630 --> 00:47:31,599

serious when i say including

1270

00:47:38,230 --> 00:47:34,640

things like inanimate objects you know

1271

00:47:39,589 --> 00:47:38,240

there because there's nothing outside of

1272

00:47:43,030 --> 00:47:39,599

this consciousness

1273

00:47:45,030 --> 00:47:43,040

right and it there's no um

1274

00:47:46,870 --> 00:47:45,040

something else outside of it it just

1275

00:47:49,030 --> 00:47:46,880

knows itself as this energy

1276

00:47:50,790 --> 00:47:49,040

now that energy vibrating in different

1277

00:47:53,349 --> 00:47:50,800

ways creates these things that we

1278

00:47:55,750 --> 00:47:53,359

recognize as physical

1279

00:47:57,190 --> 00:47:55,760

you know but it is still created out of

1280

00:47:59,910 --> 00:47:57,200

it nonetheless

1281

00:48:00,309 --> 00:47:59,920

you know and um that is you know and

1282

00:48:02,549 --> 00:48:00,319

it's

1283

00:48:03,670 --> 00:48:02,559

only on on a certain like i don't know

1284

00:48:06,710 --> 00:48:03,680

if you if you've

1285

00:48:08,870 --> 00:48:06,720

ever listened to some of the other um

1286

00:48:10,309 --> 00:48:08,880

um like coast to coast that was years

1287

00:48:12,470 --> 00:48:10,319

ago some you know

1288

00:48:13,430 --> 00:48:12,480

this person was talking about how well

1289

00:48:14,790 --> 00:48:13,440

they understood

1290

00:48:16,470 --> 00:48:14,800

you know technology and you know they

1291

00:48:17,510 --> 00:48:16,480

were working with airplanes and all this

1292

00:48:19,349 --> 00:48:17,520

other stuff

1293

00:48:21,589 --> 00:48:19,359

and i don't know who the host was

1294

00:48:23,270 --> 00:48:21,599

whether it was george nori or or

1295

00:48:25,030 --> 00:48:23,280

art bell but they asked them

1296

00:48:26,790 --> 00:48:25,040

specifically he said something like

1297

00:48:28,710 --> 00:48:26,800

how do you know to fix this plane or

1298

00:48:31,270 --> 00:48:28,720

something like that he said

1299

00:48:32,309 --> 00:48:31,280

the plane tells me like i can tell you

1300

00:48:34,950 --> 00:48:32,319

know it tells me

1301

00:48:36,150 --> 00:48:34,960

this is off with me this circuit here

1302

00:48:38,950 --> 00:48:36,160

and and so on

1303

00:48:40,069 --> 00:48:38,960

you know and and to him that connection

1304

00:48:42,790 --> 00:48:40,079

that he had

1305

00:48:44,710 --> 00:48:42,800

you know it worked you know and so

1306

00:48:47,270 --> 00:48:44,720

whether you want to call it crazy or not

1307

00:48:48,390 --> 00:48:47,280

you know he it allowed him to do his job

1308

00:48:50,230 --> 00:48:48,400

you know which was

1309

00:48:51,990 --> 00:48:50,240

you know which then obviously years

1310

00:48:54,069 --> 00:48:52,000

years later with my own experience i

1311

00:48:56,390 --> 00:48:54,079

finally understood what he meant

1312

00:48:58,069 --> 00:48:56,400

because anyone i guess uh for lack of a

1313

00:48:59,510 --> 00:48:58,079

better word ignore me

1314

00:49:01,750 --> 00:48:59,520

you know but i don't know if that's

1315

00:49:03,829 --> 00:49:01,760

supposed to be a condescending word but

1316

00:49:04,630 --> 00:49:03,839

it just means to encompass everyone

1317

00:49:06,710 --> 00:49:04,640

that's

1318

00:49:08,390 --> 00:49:06,720

that is not into these things you know

1319

00:49:10,470 --> 00:49:08,400

into this what we are

1320

00:49:11,510 --> 00:49:10,480

uh to them they wouldn't understand it

1321

00:49:13,349 --> 00:49:11,520

because they

1322

00:49:15,349 --> 00:49:13,359

wouldn't see the train of thought they

1323

00:49:17,270 --> 00:49:15,359

wouldn't see they wouldn't understand

1324

00:49:19,510 --> 00:49:17,280

like how do you connect

1325

00:49:20,870 --> 00:49:19,520

consciousness with the table you know

1326

00:49:21,750 --> 00:49:20,880

they're like i don't get it i don't

1327

00:49:23,270 --> 00:49:21,760

understand

1328

00:49:25,670 --> 00:49:23,280

you know and they'll only look at it in

1329

00:49:27,750 --> 00:49:25,680

those terms

1330

00:49:29,750 --> 00:49:27,760

yeah if we want to i mean speak about

1331

00:49:32,150 --> 00:49:29,760

something so let's say for

1332

00:49:33,430 --> 00:49:32,160

the first person that thought about you

1333

00:49:36,230 --> 00:49:33,440

know an airplane

1334

00:49:37,349 --> 00:49:36,240

uh like like we're talking way back and

1335

00:49:40,150 --> 00:49:37,359

and what the

1336

00:49:41,670 --> 00:49:40,160

the the thoughts that came along in

1337

00:49:44,069 --> 00:49:41,680

actually building a plane

1338

00:49:45,510 --> 00:49:44,079

you know i can only imagine you know the

1339

00:49:48,790 --> 00:49:45,520

the person might have seen

1340

00:49:51,750 --> 00:49:48,800

you know a a bird fly and he could have

1341

00:49:54,150 --> 00:49:51,760

gotten this idea but the way that he

1342

00:49:55,430 --> 00:49:54,160

mechanically went through the process of

1343

00:49:57,510 --> 00:49:55,440

putting things together

1344

00:50:00,150 --> 00:49:57,520

it's just you know to me is

1345

00:50:01,510 --> 00:50:00,160

mind-boggling right um i don't

1346

00:50:03,510 --> 00:50:01,520

i don't know that's like something to

1347

00:50:05,510 --> 00:50:03,520

play around with right like the idea of

1348

00:50:07,030 --> 00:50:05,520

where he has come from well in the

1349

00:50:09,430 --> 00:50:07,040

united states um

1350

00:50:10,710 --> 00:50:09,440

everyone probably knows it was well from

1351

00:50:13,109 --> 00:50:10,720

the united states

1352

00:50:14,790 --> 00:50:13,119

story there a lot of people here would

1353

00:50:15,589 --> 00:50:14,800

say that it was the wright brothers they

1354

00:50:17,829 --> 00:50:15,599

used to have a

1355

00:50:19,190 --> 00:50:17,839

used to own a bike shop and i forgot

1356

00:50:20,790 --> 00:50:19,200

exactly how they

1357

00:50:22,790 --> 00:50:20,800

you know got to that what the

1358

00:50:24,710 --> 00:50:22,800

inspiration behind that was but

1359

00:50:27,109 --> 00:50:24,720

they were kind of the first ones you

1360

00:50:28,390 --> 00:50:27,119

know to start meddling with that using

1361

00:50:31,510 --> 00:50:28,400

bike parts to

1362

00:50:34,549 --> 00:50:31,520

create different shapes and try to get

1363

00:50:36,470 --> 00:50:34,559

you know make a make a plane to

1364

00:50:37,670 --> 00:50:36,480

to where they can fly through the air

1365

00:50:39,750 --> 00:50:37,680

now of course if you're

1366

00:50:42,470 --> 00:50:39,760

talking to people from from south

1367

00:50:44,630 --> 00:50:42,480

america i believe it was um

1368

00:50:47,349 --> 00:50:44,640

either individual two individuals that

1369

00:50:50,390 --> 00:50:47,359

have individuals that are from brazil

1370

00:50:53,990 --> 00:50:50,400

and that was pretty interesting because

1371

00:50:57,510 --> 00:50:54,000

of the the um

1372

00:50:58,790 --> 00:50:57,520

the olympics in in brazil when they had

1373

00:51:00,549 --> 00:50:58,800

those you know how they always have

1374

00:51:02,790 --> 00:51:00,559

these huge intros and

1375

00:51:04,390 --> 00:51:02,800

ever you know there's this huge show

1376

00:51:07,670 --> 00:51:04,400

that they do and whatnot

1377

00:51:09,270 --> 00:51:07,680

they actually um showed an airplane

1378

00:51:12,710 --> 00:51:09,280

flying with this individual

1379

00:51:15,109 --> 00:51:12,720

in it and um i remember the nbc

1380

00:51:16,790 --> 00:51:15,119

moderator said well they believed this

1381

00:51:17,750 --> 00:51:16,800

person blah blah blah first cemented

1382

00:51:19,430 --> 00:51:17,760

airplanes

1383

00:51:21,030 --> 00:51:19,440

and they kind of left it at that you

1384

00:51:23,190 --> 00:51:21,040

know and i was like oh that was

1385

00:51:25,109 --> 00:51:23,200

i never really thought i mean of course

1386

00:51:26,390 --> 00:51:25,119

i've known that other inventions came

1387

00:51:29,270 --> 00:51:26,400

from other places but

1388

00:51:31,109 --> 00:51:29,280

i always associated that only during

1389

00:51:32,069 --> 00:51:31,119

this time it was the wright brothers but

1390

00:51:33,910 --> 00:51:32,079

apparently

1391

00:51:35,990 --> 00:51:33,920

very close to each other the wright

1392

00:51:39,030 --> 00:51:36,000

brothers and this individual

1393

00:51:42,309 --> 00:51:39,040

from from brazil were developing the

1394

00:51:44,390 --> 00:51:42,319

the airplane almost at the same time

1395

00:51:46,309 --> 00:51:44,400

yeah and speaking of the wright brothers

1396

00:51:47,910 --> 00:51:46,319

i don't know if you heard about this i

1397

00:51:49,990 --> 00:51:47,920

it could be just speculation at this

1398

00:51:53,030 --> 00:51:50,000

point but um i think that in

1399

00:51:54,790 --> 00:51:53,040

the the what is it the the robot that

1400

00:51:56,870 --> 00:51:54,800

they sent to mars

1401  
00:51:58,309 --> 00:51:56,880  
apparently they put a clock the marsh

1402  
00:52:01,030 --> 00:51:58,319  
rover

1403  
00:52:01,750 --> 00:52:01,040  
yeah apparently to put a cloth belonging

1404  
00:52:03,430 --> 00:52:01,760  
to

1405  
00:52:05,349 --> 00:52:03,440  
one of the wright's brothers like i

1406  
00:52:06,630 --> 00:52:05,359  
don't know first flying craft or

1407  
00:52:07,589 --> 00:52:06,640  
something i don't know if someone in the

1408  
00:52:10,150 --> 00:52:07,599  
chat can

1409  
00:52:11,990 --> 00:52:10,160  
can uh verify this information but again

1410  
00:52:14,309 --> 00:52:12,000  
it's i think it's just speculation

1411  
00:52:15,589 --> 00:52:14,319  
that i heard it somewhere i'm not sure

1412  
00:52:17,589 --> 00:52:15,599  
if you know about this

1413  
00:52:19,349 --> 00:52:17,599

no i didn't i didn't thanks for sharing

1414

00:52:20,470 --> 00:52:19,359

that i mean it's it's pretty cool if

1415

00:52:22,470 --> 00:52:20,480

that's

1416

00:52:23,990 --> 00:52:22,480

i don't i mean i guess they got a drone

1417

00:52:27,190 --> 00:52:24,000

going on there too right

1418

00:52:29,990 --> 00:52:27,200

right well i mean um i mean

1419

00:52:31,190 --> 00:52:30,000

it's kind of nice you know when when uh

1420

00:52:33,270 --> 00:52:31,200

generations later

1421

00:52:34,230 --> 00:52:33,280

different scientists pay homage to their

1422

00:52:37,270 --> 00:52:34,240

predecessors

1423

00:52:40,870 --> 00:52:37,280

in a way you know um because

1424

00:52:42,150 --> 00:52:40,880

there's always uh been this um

1425

00:52:43,670 --> 00:52:42,160

i don't want to change the subject i

1426  
00:52:46,710 --> 00:52:43,680  
just won't mention this quickly because

1427  
00:52:49,829 --> 00:52:46,720  
it i believe it will take us off subject

1428  
00:52:50,549 --> 00:52:49,839  
like for example the the rainbow colored

1429  
00:52:53,030 --> 00:52:50,559  
apple

1430  
00:52:54,230 --> 00:52:53,040  
have half bitten out of the original

1431  
00:52:57,430 --> 00:52:54,240  
apple logo from

1432  
00:52:57,910 --> 00:52:57,440  
apple computers you know well a lot of

1433  
00:53:00,309 --> 00:52:57,920  
have

1434  
00:53:01,349 --> 00:53:00,319  
you know if you've read anything about

1435  
00:53:04,309 --> 00:53:01,359  
alan turing

1436  
00:53:05,030 --> 00:53:04,319  
you know um he was gay at you know at

1437  
00:53:08,710 --> 00:53:05,040  
that time

1438  
00:53:11,589 --> 00:53:08,720

and he um in england it was illegal

1439

00:53:12,150 --> 00:53:11,599

and so they um i guess put him with some

1440

00:53:15,190 --> 00:53:12,160

kind of

1441

00:53:16,870 --> 00:53:15,200

uh inhibiting drugs that basically it

1442

00:53:17,750 --> 00:53:16,880

chemically castrates you you know which

1443

00:53:21,349 --> 00:53:17,760

is horrible and

1444

00:53:23,270 --> 00:53:21,359

on its own but what really got to him is

1445

00:53:26,630 --> 00:53:23,280

that the way he thought

1446

00:53:28,790 --> 00:53:26,640

it was not it was hindered and he just

1447

00:53:31,670 --> 00:53:28,800

couldn't live with himself any longer

1448

00:53:33,750 --> 00:53:31,680

being that you know inhibited from being

1449

00:53:36,390 --> 00:53:33,760

able to do the work that he was doing

1450

00:53:37,670 --> 00:53:36,400

and so basically um the in one of the

1451

00:53:40,069 --> 00:53:37,680

books is stated that

1452

00:53:41,670 --> 00:53:40,079

because his his mom was very religious

1453

00:53:42,870 --> 00:53:41,680

and catholic and if you kill yourself

1454

00:53:45,990 --> 00:53:42,880

you go to

1455

00:53:48,390 --> 00:53:46,000

want that

1456

00:53:49,910 --> 00:53:48,400

on her so he injected an apple with

1457

00:53:51,589 --> 00:53:49,920

cyanide and ate it

1458

00:53:53,109 --> 00:53:51,599

you know so that it looked like it was

1459

00:53:55,190 --> 00:53:53,119

food poisoning so that she

1460

00:53:56,309 --> 00:53:55,200

doesn't think that he's in hell you know

1461

00:53:58,470 --> 00:53:56,319

anyway and so then

1462

00:54:00,230 --> 00:53:58,480

then you see the story you know the

1463

00:54:01,270 --> 00:54:00,240

story of alan turing and then you see

1464

00:54:03,190 --> 00:54:01,280

apple doing that

1465

00:54:05,190 --> 00:54:03,200

and then them kind of from the beginning

1466

00:54:06,470 --> 00:54:05,200

claiming no no no that's not what it was

1467

00:54:09,670 --> 00:54:06,480

about at all

1468

00:54:11,270 --> 00:54:09,680

it's like really you know what i mean

1469

00:54:13,510 --> 00:54:11,280

it's one of those things i mean at least

1470

00:54:15,030 --> 00:54:13,520

if if nasa put the cloth in there and

1471

00:54:15,990 --> 00:54:15,040

they're being obvious about it that's

1472

00:54:19,030 --> 00:54:16,000

nice but

1473

00:54:21,109 --> 00:54:19,040

um that's one of those little references

1474

00:54:22,549 --> 00:54:21,119

about about apple computers too where

1475

00:54:24,069 --> 00:54:22,559

they're i believe they were trying to

1476

00:54:27,349 --> 00:54:24,079

pay homage but why they don't want to

1477

00:54:31,349 --> 00:54:30,790

interesting um before you were speaking

1478

00:54:34,069 --> 00:54:31,359

on this

1479

00:54:36,470 --> 00:54:34,079

um i was gonna ask you just like going

1480

00:54:38,069 --> 00:54:36,480

back to ufo community uh have you heard

1481

00:54:41,190 --> 00:54:38,079

about the the

1482

00:54:43,510 --> 00:54:41,200

channel uh what is it called uh

1483

00:54:46,150 --> 00:54:43,520

shoot now it's getting out of my head uh

1484

00:54:50,630 --> 00:54:48,150

uh let me look it up here sorry secure

1485

00:54:51,349 --> 00:54:50,640

team secure team 10 or something yes

1486

00:54:54,710 --> 00:54:51,359

i've heard of

1487

00:54:56,710 --> 00:54:54,720

yeah yeah so i i like i

1488

00:54:58,789 --> 00:54:56,720

subscribe to them um i'm not trying to

1489

00:55:00,470 --> 00:54:58,799

like shame or sorry uh plug their

1490

00:55:01,750 --> 00:55:00,480

channel in like oh no please do i mean

1491

00:55:03,829 --> 00:55:01,760

why not

1492

00:55:05,109 --> 00:55:03,839

but i think like there's a lot of um

1493

00:55:08,390 --> 00:55:05,119

content that he

1494

00:55:10,710 --> 00:55:08,400

uh this the creator of that channel

1495

00:55:12,549 --> 00:55:10,720

um he compiled a bunch of videos you

1496

00:55:13,510 --> 00:55:12,559

know throughout the years and uh you

1497

00:55:15,030 --> 00:55:13,520

know for

1498

00:55:18,390 --> 00:55:15,040

the chat here just for the sake of

1499

00:55:20,390 --> 00:55:18,400

people you know if they want to get some

1500

00:55:22,950 --> 00:55:20,400

video sightings and stuff like that i

1501

00:55:26,150 --> 00:55:22,960

think that channel has a lot of uh

1502

00:55:27,910 --> 00:55:26,160

a lot of cool videos i would say um

1503

00:55:30,390 --> 00:55:27,920

you know with nowadays with uh

1504

00:55:31,750 --> 00:55:30,400

technology cgi and all these things

1505

00:55:34,309 --> 00:55:31,760

a lot of things you know you can

1506

00:55:34,630 --> 00:55:34,319

question but um i i take everything with

1507

00:55:35,910 --> 00:55:34,640

the

1508

00:55:38,150 --> 00:55:35,920

with a grain of salt you know i don't

1509

00:55:39,910 --> 00:55:38,160

say everything is you know for sure

1510

00:55:41,829 --> 00:55:39,920

you know the real deal but there's

1511

00:55:42,470 --> 00:55:41,839

definitely some footage that i'm like

1512

00:55:45,670 --> 00:55:42,480

wow i

1513

00:55:47,670 --> 00:55:45,680

you know interesting right right

1514

00:55:49,670 --> 00:55:47,680

well no i mean i just for anyone

1515

00:55:52,309 --> 00:55:49,680

watching this and even just

1516

00:55:52,710 --> 00:55:52,319

to give feedback to you i mean if

1517

00:55:54,710 --> 00:55:52,720

there's

1518

00:55:56,390 --> 00:55:54,720

channels out there that you know some

1519

00:55:57,109 --> 00:55:56,400

find interesting please do plug them i

1520

00:55:58,950 --> 00:55:57,119

mean i

1521

00:56:01,190 --> 00:55:58,960

honestly don't care because for one i

1522

00:56:03,430 --> 00:56:01,200

don't have a monopoly on ufos

1523

00:56:05,430 --> 00:56:03,440

and what i do is a very specific way

1524

00:56:07,430 --> 00:56:05,440

it's mainly based on my own experiences

1525

00:56:08,470 --> 00:56:07,440

and how i wanted to go about doing what

1526

00:56:11,270 --> 00:56:08,480

i do

1527

00:56:11,910 --> 00:56:11,280

and um i should take that back it's more

1528

00:56:14,950 --> 00:56:11,920

about

1529

00:56:19,510 --> 00:56:14,960

how i was downloaded to do what i do

1530

00:56:21,589 --> 00:56:19,520

you know um and so uh you know it's not

1531

00:56:22,630 --> 00:56:21,599

you know i know i don't know why anyone

1532

00:56:25,829 --> 00:56:22,640

would ever

1533

00:56:27,589 --> 00:56:25,839

not want to um i guess if you are in the

1534

00:56:28,630 --> 00:56:27,599

interest of helping people out and

1535

00:56:31,030 --> 00:56:28,640

educate them

1536

00:56:33,190 --> 00:56:31,040

then you know you you ought to

1537

00:56:34,789 --> 00:56:33,200

understand you're not the only educator

1538

00:56:37,270 --> 00:56:34,799

there's many people out there so it's

1539

00:56:37,990 --> 00:56:37,280

like so to kind of claim a monopoly on

1540

00:56:39,430 --> 00:56:38,000

certain things

1541

00:56:41,349 --> 00:56:39,440

that i think i don't know it's just

1542

00:56:43,910 --> 00:56:41,359

silly to me but yeah so

1543

00:56:44,390 --> 00:56:43,920

for anyone watching don't ever hesitate

1544

00:56:46,870 --> 00:56:44,400

to just

1545

00:56:47,589 --> 00:56:46,880

you know you know say something out

1546

00:56:49,750 --> 00:56:47,599

there because

1547

00:56:50,789 --> 00:56:49,760

if what you can't find here you might

1548

00:56:53,670 --> 00:56:50,799

find it there

1549

00:56:54,069 --> 00:56:53,680

you know and so that's always welcome

1550

00:56:56,870 --> 00:56:54,079

yeah

1551  
00:56:58,789 --> 00:56:56,880  
so and i i i stumble upon your channel

1552  
00:57:01,510 --> 00:56:58,799  
uh quite a few years ago i just

1553  
00:57:02,630 --> 00:57:01,520  
i started recently i think you you were

1554  
00:57:05,829 --> 00:57:02,640  
off for like a bit

1555  
00:57:07,349 --> 00:57:05,839  
and then came back um so

1556  
00:57:09,270 --> 00:57:07,359  
i've never seen you do like one of these

1557  
00:57:12,470 --> 00:57:09,280  
live shows before so

1558  
00:57:15,750 --> 00:57:12,480  
really no this all started uh just

1559  
00:57:17,750 --> 00:57:15,760  
literally a month ago because um um

1560  
00:57:19,190 --> 00:57:17,760  
i had you know i've been doing these

1561  
00:57:22,230 --> 00:57:19,200  
interviews in person

1562  
00:57:24,150 --> 00:57:22,240  
and uh um just filming them in the way

1563  
00:57:26,390 --> 00:57:24,160

you've seen them with just uh

1564

00:57:28,789 --> 00:57:26,400

whatever go to a hotel room set up the

1565

00:57:31,030 --> 00:57:28,799

the background get set up the lighting

1566

00:57:33,349 --> 00:57:31,040

and then um before i even get there i

1567

00:57:34,710 --> 00:57:33,359

already have several interviews lined up

1568

00:57:36,789 --> 00:57:34,720

because i didn't want to get there and

1569

00:57:38,309 --> 00:57:36,799

then maybe hope i could get somebody

1570

00:57:40,710 --> 00:57:38,319

you know so anyway so i've been doing

1571

00:57:43,990 --> 00:57:40,720

that for quite quite a bit and then

1572

00:57:45,349 --> 00:57:44,000

um i was thinking well i always go to

1573

00:57:48,230 --> 00:57:45,359

these different conferences

1574

00:57:49,589 --> 00:57:48,240

to to um i guess get the interviews and

1575

00:57:52,470 --> 00:57:49,599

set up in hotel rooms

1576

00:57:53,430 --> 00:57:52,480

it's become very tedious i mean some of

1577

00:57:54,950 --> 00:57:53,440

these conferences

1578

00:57:57,190 --> 00:57:54,960

you know it's like they don't

1579

00:57:57,990 --> 00:57:57,200

necessarily have all the space for media

1580

00:58:00,549 --> 00:57:58,000

so like

1581

00:58:02,390 --> 00:58:00,559

few interviews uh i'm i'm glad nobody

1582

00:58:03,270 --> 00:58:02,400

was able to tell i literally did him in

1583

00:58:06,150 --> 00:58:03,280

a pantry

1584

00:58:08,150 --> 00:58:06,160

closet you know and it was just you know

1585

00:58:09,430 --> 00:58:08,160

there were cants and all of that stuff

1586

00:58:11,589 --> 00:58:09,440

that was stored for this

1587

00:58:13,270 --> 00:58:11,599

place that they were using as a pantry

1588

00:58:14,950 --> 00:58:13,280

and i just put the backdrop in there

1589

00:58:17,030 --> 00:58:14,960

work the lighting and just

1590

00:58:18,069 --> 00:58:17,040

you know let the interview turn out the

1591

00:58:20,789 --> 00:58:18,079

way it did

1592

00:58:21,990 --> 00:58:20,799

you know but it becomes a bit tedious

1593

00:58:24,710 --> 00:58:22,000

having to constantly

1594

00:58:25,190 --> 00:58:24,720

um you know not having a secure way to

1595

00:58:26,789 --> 00:58:25,200

deal

1596

00:58:28,710 --> 00:58:26,799

you know to be able to do an interview

1597

00:58:29,270 --> 00:58:28,720

so i thought well why not see if i can

1598

00:58:32,390 --> 00:58:29,280

set up

1599

00:58:36,789 --> 00:58:32,400

lecture series

1600

00:58:37,510 --> 00:58:36,799

which we did two years ago i think 2019

1601  
00:58:40,630 --> 00:58:37,520  
or so

1602  
00:58:42,789 --> 00:58:40,640  
late 2019. well anyway and that was

1603  
00:58:44,789 --> 00:58:42,799  
going in such a difficult way because

1604  
00:58:45,990 --> 00:58:44,799  
i wanted to set up the the lecture

1605  
00:58:49,030 --> 00:58:46,000  
series to where

1606  
00:58:52,069 --> 00:58:49,040  
i can bring people in um stream

1607  
00:58:53,990 --> 00:58:52,079  
the the lectures and then have the the

1608  
00:58:55,910 --> 00:58:54,000  
lectures individually available to be

1609  
00:58:56,950 --> 00:58:55,920  
watched and i would get some interviews

1610  
00:58:58,630 --> 00:58:56,960  
out of them too

1611  
00:59:00,390 --> 00:58:58,640  
so then that way there's constantly

1612  
00:59:02,950 --> 00:59:00,400  
content just going out there

1613  
00:59:03,990 --> 00:59:02,960

well everything i was trying to do with

1614

00:59:06,309 --> 00:59:04,000

that the conference

1615

00:59:07,030 --> 00:59:06,319

turned out great but not to the point

1616

00:59:08,789 --> 00:59:07,040

where it could

1617

00:59:10,549 --> 00:59:08,799

sustain itself to do another one you

1618

00:59:11,190 --> 00:59:10,559

know just basically it the turnout

1619

00:59:12,950 --> 00:59:11,200

wasn't

1620

00:59:15,030 --> 00:59:12,960

that great although everyone loved it

1621

00:59:15,270 --> 00:59:15,040

being there because i set the conference

1622

00:59:17,349 --> 00:59:15,280

up

1623

00:59:19,349 --> 00:59:17,359

exactly how i wanted with like actual

1624

00:59:20,549 --> 00:59:19,359

tables so you can rest and not just sit

1625

00:59:23,030 --> 00:59:20,559

in a thai chair

1626  
00:59:23,670 --> 00:59:23,040  
had coffee and snacks and food there

1627  
00:59:25,430 --> 00:59:23,680  
ready

1628  
00:59:27,109 --> 00:59:25,440  
so you could just you know go up there

1629  
00:59:28,950 --> 00:59:27,119  
drink some coffee listen

1630  
00:59:30,549 --> 00:59:28,960  
get up do ask some questions you know

1631  
00:59:32,390 --> 00:59:30,559  
exactly how i always wanted to

1632  
00:59:33,990 --> 00:59:32,400  
participate in conferences

1633  
00:59:36,230 --> 00:59:34,000  
anyway long story short that was the

1634  
00:59:39,030 --> 00:59:36,240  
whole point of that that didn't work out

1635  
00:59:39,829 --> 00:59:39,040  
so then i was like well we've been

1636  
00:59:41,510 --> 00:59:39,839  
struggling with

1637  
00:59:43,270 --> 00:59:41,520  
where we live it's a very small space

1638  
00:59:43,990 --> 00:59:43,280

it's like i guess you call it a double

1639

00:59:45,510 --> 00:59:44,000

wide

1640

00:59:48,549 --> 00:59:45,520

and there's not enough room we have a

1641

00:59:50,390 --> 00:59:48,559

third kid come you know on the way and

1642

00:59:51,829 --> 00:59:50,400

you know there's just no room all the

1643

00:59:54,630 --> 00:59:51,839

closets have been taken up

1644

00:59:55,829 --> 00:59:54,640

and so i kept suggesting my wife well i

1645

00:59:57,990 --> 00:59:55,839

could build something

1646

01:00:00,470 --> 00:59:58,000

to where i can use it as a studio which

1647

01:00:03,670 --> 01:00:00,480

is this now and i can make a storage

1648

01:00:04,390 --> 01:00:03,680

room as well and so anyway when i wanted

1649

01:00:05,910 --> 01:00:04,400

to do that

1650

01:00:08,230 --> 01:00:05,920

that kind of came together it's

1651  
01:00:09,109 --> 01:00:08,240  
immediately kind of all the doors open

1652  
01:00:11,030 --> 01:00:09,119  
that way where

1653  
01:00:12,870 --> 01:00:11,040  
everything i wanted to do here the doors

1654  
01:00:15,030 --> 01:00:12,880  
were shut and i was surprised because

1655  
01:00:17,430 --> 01:00:15,040  
every step i took it's like no i want to

1656  
01:00:19,190 --> 01:00:17,440  
do this no i want to do that no

1657  
01:00:20,549 --> 01:00:19,200  
you know but i want to go this direction

1658  
01:00:22,630 --> 01:00:20,559  
it's like yes yes yes

1659  
01:00:24,390 --> 01:00:22,640  
everything is possible you know and so i

1660  
01:00:25,190 --> 01:00:24,400  
just went that way instead you know

1661  
01:00:27,510 --> 01:00:25,200  
following that

1662  
01:00:29,190 --> 01:00:27,520  
intuition and little did i know that

1663  
01:00:31,750 --> 01:00:29,200

about a year and a half later

1664

01:00:34,230 --> 01:00:31,760

upon completing this which then this is

1665

01:00:38,470 --> 01:00:34,240

that was my hiatus of no videos

1666

01:00:41,670 --> 01:00:38,480

nothing happening you know um uh

1667

01:00:42,069 --> 01:00:41,680

covet hit and then it all made sense to

1668

01:00:44,630 --> 01:00:42,079

me

1669

01:00:45,190 --> 01:00:44,640

why it happened the way it happened

1670

01:00:47,349 --> 01:00:45,200

because

1671

01:00:48,630 --> 01:00:47,359

now i'm doing this from here and i'm

1672

01:00:51,510 --> 01:00:48,640

able to

1673

01:00:53,190 --> 01:00:51,520

to to have it and and do over skype and

1674

01:00:55,030 --> 01:00:53,200

bring in people that way

1675

01:00:56,549 --> 01:00:55,040

instead of having to physically set up

1676

01:00:58,390 --> 01:00:56,559

these events all the time which would

1677

01:00:59,349 --> 01:00:58,400

have been a lot more tedious and a bit

1678

01:01:01,829 --> 01:00:59,359

more difficult

1679

01:01:02,390 --> 01:01:01,839

not that i in the future will not do it

1680

01:01:05,349 --> 01:01:02,400

but

1681

01:01:06,150 --> 01:01:05,359

that is one of the reasons why i just

1682

01:01:08,069 --> 01:01:06,160

you know

1683

01:01:10,470 --> 01:01:08,079

i've always just done personal

1684

01:01:12,470 --> 01:01:10,480

interviews and then when this happened

1685

01:01:13,910 --> 01:01:12,480

it just kind of forced me to then be in

1686

01:01:15,030 --> 01:01:13,920

front of the camera because i was always

1687

01:01:18,069 --> 01:01:15,040

behind the camera

1688

01:01:20,150 --> 01:01:18,079

up until i first spoke um

1689

01:01:22,829 --> 01:01:20,160

in kansas city a few years back i don't

1690

01:01:24,470 --> 01:01:22,839

think anybody knew who was behind ufo

1691

01:01:26,870 --> 01:01:24,480

hub

1692

01:01:27,910 --> 01:01:26,880

i don't think i knew either i think i

1693

01:01:30,630 --> 01:01:27,920

saw your face

1694

01:01:31,670 --> 01:01:30,640

speaking at that conference if i'm not

1695

01:01:33,750 --> 01:01:31,680

mistaken

1696

01:01:35,430 --> 01:01:33,760

and then that's when i could potentially

1697

01:01:37,190 --> 01:01:35,440

put a face to the channel but

1698

01:01:38,870 --> 01:01:37,200

um yeah like you were saying you have to

1699

01:01:41,750 --> 01:01:38,880

adjust and i think your

1700

01:01:43,829 --> 01:01:41,760

perseverance uh you know did so well

1701

01:01:44,549 --> 01:01:43,839

that you're still continuing this ufo

1702

01:01:47,109 --> 01:01:44,559

hub

1703

01:01:49,190 --> 01:01:47,119

um if i may put you on the spot um is

1704

01:01:51,589 --> 01:01:49,200

there anything that you haven't shared

1705

01:01:52,950 --> 01:01:51,599

so far um in regards to your own

1706

01:01:56,470 --> 01:01:52,960

personal experiences

1707

01:01:59,109 --> 01:01:56,480

with uh either ufo or spirituality or

1708

01:02:02,710 --> 01:01:59,119

something like that

1709

01:02:04,950 --> 01:02:02,720

i think i i i don't know if it was

1710

01:02:05,990 --> 01:02:04,960

uh was it somebody else i would think it

1711

01:02:08,950 --> 01:02:06,000

was about two three weeks

1712

01:02:10,870 --> 01:02:08,960

ago that we're doing this show and there

1713

01:02:13,109 --> 01:02:10,880

there is something but there's still

1714

01:02:13,990 --> 01:02:13,119

i'm trying to work it out on my own

1715

01:02:18,630 --> 01:02:14,000

still

1716

01:02:21,670 --> 01:02:18,640

to figure it out because it uh

1717

01:02:22,870 --> 01:02:21,680

i don't you know fear is as the lord's

1718

01:02:25,109 --> 01:02:22,880

canon always used to say

1719

01:02:26,069 --> 01:02:25,119

fears for entertainment purposes only

1720

01:02:28,230 --> 01:02:26,079

you know and so

1721

01:02:29,829 --> 01:02:28,240

there was something that had occurred

1722

01:02:30,470 --> 01:02:29,839

something that happened i learned a lot

1723

01:02:32,710 --> 01:02:30,480

from

1724

01:02:33,670 --> 01:02:32,720

but it it left me with a lot of fear and

1725

01:02:36,309 --> 01:02:33,680

despair

1726

01:02:37,750 --> 01:02:36,319

and and i don't want to put that out

1727

01:02:40,230 --> 01:02:37,760

there i mean i

1728

01:02:42,069 --> 01:02:40,240

know more than what i just said because

1729

01:02:43,109 --> 01:02:42,079

i've been working on it trying to truly

1730

01:02:45,670 --> 01:02:43,119

understand it

1731

01:02:47,349 --> 01:02:45,680

get beyond that because i've always

1732

01:02:50,470 --> 01:02:47,359

everything i've ever experienced

1733

01:02:52,390 --> 01:02:50,480

i always had this huge fear of despair

1734

01:02:54,150 --> 01:02:52,400

all of this stuff and eventually be kind

1735

01:02:55,430 --> 01:02:54,160

of turned into this beautiful flower

1736

01:02:57,029 --> 01:02:55,440

that i could just then

1737

01:02:58,710 --> 01:02:57,039

see the whole picture and then i was

1738

01:03:01,190 --> 01:02:58,720

like oh okay now i get it

1739

01:03:01,990 --> 01:03:01,200

and so i always had to overcome these

1740

01:03:03,750 --> 01:03:02,000

those hurdles

1741

01:03:05,430 --> 01:03:03,760

as i call them so i feel like i'm in

1742

01:03:07,990 --> 01:03:05,440

that hurdle now and when

1743

01:03:08,710 --> 01:03:08,000

when i get through it i i would be more

1744

01:03:12,309 --> 01:03:08,720

than happy to

1745

01:03:14,470 --> 01:03:12,319

to discuss it you know and um but yeah

1746

01:03:16,309 --> 01:03:14,480

there is there always is you know it's

1747

01:03:18,309 --> 01:03:16,319

just i i didn't

1748

01:03:20,069 --> 01:03:18,319

because if i say it in the way i say it

1749

01:03:23,670 --> 01:03:20,079

now and if you

1750

01:03:25,750 --> 01:03:23,680

are really hanging on every word that i

1751

01:03:28,789 --> 01:03:25,760

say i don't want to leave you hopeless

1752

01:03:29,910 --> 01:03:28,799

if that makes sense yeah yeah no no

1753

01:03:31,829 --> 01:03:29,920

worries i just uh

1754

01:03:33,270 --> 01:03:31,839

you know wanted to see if any any other

1755

01:03:35,510 --> 01:03:33,280

positive things

1756

01:03:37,430 --> 01:03:35,520

uh that you um that you haven't

1757

01:03:39,190 --> 01:03:37,440

mentioned up to this point but yeah yeah

1758

01:03:41,190 --> 01:03:39,200

they always start out negative though

1759

01:03:43,430 --> 01:03:41,200

that that one thing i can tell you don't

1760

01:03:45,029 --> 01:03:43,440

you know a lot of times because then you

1761

01:03:46,069 --> 01:03:45,039

are filtering it through your own

1762

01:03:48,390 --> 01:03:46,079

mechanism

1763

01:03:50,230 --> 01:03:48,400

and then um you know you're going

1764

01:03:53,990 --> 01:03:50,240

through all these different processes

1765

01:03:56,630 --> 01:03:54,000

and all this stuff and um

1766

01:03:58,470 --> 01:03:56,640

you know that creates a lot of fear only

1767

01:04:00,630 --> 01:03:58,480

then when you keep keep at it

1768

01:04:02,230 --> 01:04:00,640

keep at it and finally overcome this

1769

01:04:04,789 --> 01:04:02,240

difficulty do you understand the bigger

1770

01:04:07,029 --> 01:04:04,799

picture and then becomes a huge positive

1771

01:04:08,309 --> 01:04:07,039

you know but not many people are willing

1772

01:04:10,390 --> 01:04:08,319

willing to do that

1773

01:04:11,589 --> 01:04:10,400

you know and i'm not scolding anyone for

1774

01:04:14,309 --> 01:04:11,599

it it's just how my

1775

01:04:14,630 --> 01:04:14,319

mind works it's like okay i don't you

1776

01:04:17,750 --> 01:04:14,640

know

1777

01:04:19,750 --> 01:04:17,760

like i don't like fear i don't like

1778

01:04:22,630 --> 01:04:19,760

being afraid it's like so if i'm afraid

1779

01:04:23,029 --> 01:04:22,640

why you know so i just ask why why why

1780

01:04:24,789 --> 01:04:23,039

why

1781

01:04:29,510 --> 01:04:24,799

until they finally break through and

1782

01:04:34,309 --> 01:04:32,630

but uh so anyway no uh carlos i'd love

1783

01:04:35,109 --> 01:04:34,319

to chat with you and we'll continue let

1784

01:04:37,750 --> 01:04:35,119

me just ask

1785

01:04:38,230 --> 01:04:37,760

anyone else that's in uh telegram who

1786

01:04:40,470 --> 01:04:38,240

would

1787

01:04:41,829 --> 01:04:40,480

like to share any of their stories or

1788

01:04:44,710 --> 01:04:41,839

talk to me please just

1789

01:04:45,270 --> 01:04:44,720

raise your hand or there's a little

1790

01:04:47,910 --> 01:04:45,280

button

1791

01:04:49,029 --> 01:04:47,920

that raises the hand for you and then i

1792

01:04:52,470 --> 01:04:49,039

know you want to

1793

01:04:54,309 --> 01:04:52,480

you want to chat carlos

1794

01:04:56,470 --> 01:04:54,319

bradley wanted to be on i hope you don't

1795

01:04:57,910 --> 01:04:56,480

mind and if i if there's more time later

1796

01:04:59,029 --> 01:04:57,920

i'd love to come back to you if that's

1797

01:05:00,549 --> 01:04:59,039

okay

1798

01:05:03,190 --> 01:05:00,559

yeah not at all thank you so much for

1799

01:05:05,349 --> 01:05:03,200

having me i'm i'm glad i appreciate you

1800

01:05:07,109 --> 01:05:05,359

you know starting out the conversation i

1801

01:05:09,029 --> 01:05:07,119

i'm grateful for that

1802

01:05:11,430 --> 01:05:09,039

thank you so much sir okay have a nice

1803

01:05:13,109 --> 01:05:11,440

night don't go away i might get back to

1804

01:05:18,549 --> 01:05:13,119

you later

1805

01:05:25,430 --> 01:05:22,069

oh it keeps shifting on me mute

1806

01:05:26,390 --> 01:05:25,440

um bradley i believe you're on if you

1807

01:05:30,789 --> 01:05:26,400

unmute yourself

1808

01:05:34,470 --> 01:05:30,799

uh just uh go on and start sharing

1809

01:05:36,309 --> 01:05:34,480

yeah uh just hi everyone um

1810

01:05:37,670 --> 01:05:36,319

you know edna and i were talking a

1811

01:05:40,150 --> 01:05:37,680

little bit earlier uh

1812

01:05:41,029 --> 01:05:40,160

there is just one little thing i'd like

1813

01:05:43,510 --> 01:05:41,039

to share with

1814

01:05:46,390 --> 01:05:43,520

with everyone just to as a affirmation

1815

01:05:50,069 --> 01:05:46,400

if this ever happens to anybody else

1816

01:05:53,270 --> 01:05:50,079

uh a few days ago we had a family member

1817

01:05:55,510 --> 01:05:53,280

pass and the the thing to share about

1818

01:05:58,309 --> 01:05:55,520

this story is uh

1819

01:06:00,150 --> 01:05:58,319

the day before she passed uh she was

1820

01:06:01,829 --> 01:06:00,160

saying that you know one of her children

1821

01:06:03,750 --> 01:06:01,839

were in the room

1822

01:06:05,430 --> 01:06:03,760

and you know of course these things

1823

01:06:07,829 --> 01:06:05,440

sound silly but

1824

01:06:08,630 --> 01:06:07,839

when you look back it's quite

1825

01:06:11,109 --> 01:06:08,640

interesting

1826  
01:06:13,029 --> 01:06:11,119  
um because all of our family members

1827  
01:06:14,710 --> 01:06:13,039  
before they they pass they've all told

1828  
01:06:16,470 --> 01:06:14,720  
me the exact same thing

1829  
01:06:18,789 --> 01:06:16,480  
you know that some other family member

1830  
01:06:20,549 --> 01:06:18,799  
was there waiting for them

1831  
01:06:22,069 --> 01:06:20,559  
i don't know about anybody else but to

1832  
01:06:23,670 --> 01:06:22,079  
me that's quite a positive thing

1833  
01:06:26,230 --> 01:06:23,680  
that i think it's a nice thing to look

1834  
01:06:30,870 --> 01:06:29,349  
yeah bradley my condolences again i know

1835  
01:06:33,990 --> 01:06:30,880  
we talked about it a bit

1836  
01:06:35,829 --> 01:06:34,000  
earlier before before the show began

1837  
01:06:37,829 --> 01:06:35,839  
and i appreciate you still you know

1838  
01:06:39,670 --> 01:06:37,839

logging in and being here with us

1839

01:06:41,109 --> 01:06:39,680

you know i was kind of confirming just

1840

01:06:42,789 --> 01:06:41,119

for anyone else that

1841

01:06:44,309 --> 01:06:42,799

wasn't previewed to our conversation

1842

01:06:47,349 --> 01:06:44,319

earlier is that

1843

01:06:48,150 --> 01:06:47,359

i had a good friend of mine and uh i

1844

01:06:52,069 --> 01:06:48,160

believe nathan

1845

01:06:54,870 --> 01:06:52,079

would know him uh rick he's um

1846

01:06:56,069 --> 01:06:54,880

he kind of volunteered uh to work at

1847

01:06:59,109 --> 01:06:56,079

this place where they

1848

01:07:05,670 --> 01:07:02,789

ah why can't i remember it's um um

1849

01:07:06,630 --> 01:07:05,680

people basically that that are in the

1850

01:07:08,549 --> 01:07:06,640

last stages

1851

01:07:10,630 --> 01:07:08,559

and there is no other help for them

1852

01:07:12,390 --> 01:07:10,640

medically hospice basically he was

1853

01:07:13,270 --> 01:07:12,400

volunteering at these different hospice

1854

01:07:17,029 --> 01:07:13,280

places

1855

01:07:20,549 --> 01:07:17,039

and something that uh you know he

1856

01:07:21,270 --> 01:07:20,559

he described was you know very much the

1857

01:07:22,950 --> 01:07:21,280

same thing

1858

01:07:24,710 --> 01:07:22,960

like you said bradley's that you know

1859

01:07:27,430 --> 01:07:24,720

they um he's

1860

01:07:28,710 --> 01:07:27,440

he noticed within a day or two if

1861

01:07:31,190 --> 01:07:28,720

somebody would tell them

1862

01:07:32,549 --> 01:07:31,200

about that they saw a loved one or

1863

01:07:35,349 --> 01:07:32,559

relative come to them

1864

01:07:37,190 --> 01:07:35,359

that usually soon after they pass and i

1865

01:07:39,109 --> 01:07:37,200

wonder if somebody has

1866

01:07:41,990 --> 01:07:39,119

you know has done more of extensive you

1867

01:07:45,190 --> 01:07:42,000

know research in some way or another

1868

01:07:45,829 --> 01:07:45,200

about that to see if if um you know if

1869

01:07:48,390 --> 01:07:45,839

there's

1870

01:07:49,910 --> 01:07:48,400

more to it if that's kind of like you

1871

01:07:52,309 --> 01:07:49,920

know a worldwide

1872

01:07:53,349 --> 01:07:52,319

thing but then again as you said earlier

1873

01:07:55,670 --> 01:07:53,359

you're in

1874

01:07:56,710 --> 01:07:55,680

south africa i'm in the united states

1875

01:07:59,510 --> 01:07:56,720

and that's pretty

1876

01:08:03,190 --> 01:07:59,520

far apart and there's identical stories

1877

01:08:06,150 --> 01:08:03,200

to be told so there's something to it

1878

01:08:07,589 --> 01:08:06,160

yeah and then uh forgive me i'll go off

1879

01:08:10,789 --> 01:08:07,599

on a tangent on a second

1880

01:08:12,069 --> 01:08:10,799

sure um you know if we if we take things

1881

01:08:15,589 --> 01:08:12,079

into context like

1882

01:08:17,510 --> 01:08:15,599

you were mentioning dmt earlier um

1883

01:08:20,229 --> 01:08:17,520

you know they say the dmt is released

1884

01:08:21,990 --> 01:08:20,239

before you know moments of death or

1885

01:08:23,269 --> 01:08:22,000

maybe in this case it was a day early

1886

01:08:25,749 --> 01:08:23,279

who knows because

1887

01:08:27,669 --> 01:08:25,759

this person was on a lot of uh hippie

1888

01:08:30,870 --> 01:08:27,679

pain medication

1889

01:08:33,189 --> 01:08:30,880

and you know if you think about that

1890

01:08:36,149 --> 01:08:33,199

that's sort of the catalyst it seems to

1891

01:08:37,349 --> 01:08:36,159

to sort of invoke these experiences or

1892

01:08:40,950 --> 01:08:37,359

maybe just to see

1893

01:08:41,829 --> 01:08:40,960

i don't know um you know i think that's

1894

01:08:43,349 --> 01:08:41,839

maybe

1895

01:08:45,269 --> 01:08:43,359

something that's got to do with it i

1896

01:08:47,430 --> 01:08:45,279

mean because dmt

1897

01:08:49,189 --> 01:08:47,440

like you say there are natural ways to

1898

01:08:51,349 --> 01:08:49,199

to go about it i don't think it'll be as

1899

01:08:53,030 --> 01:08:51,359

potent as doing ayahuasca but

1900

01:08:56,789 --> 01:08:53,040

there are different natural ways to do

1901

01:09:00,550 --> 01:08:58,630

right oh okay is that what you were

1902

01:09:01,990 --> 01:09:00,560

going to say i thought when you meant a

1903

01:09:04,950 --> 01:09:02,000

tangent to

1904

01:09:05,430 --> 01:09:04,960

go off something a lot longer than that

1905

01:09:09,430 --> 01:09:05,440

uh

1906

01:09:13,269 --> 01:09:09,440

i'll buy everybody with that so

1907

01:09:16,070 --> 01:09:13,279

i gave it a miss we know um

1908

01:09:17,030 --> 01:09:16,080

uh riley what's what's interesting is uh

1909

01:09:20,070 --> 01:09:17,040

something that's

1910

01:09:22,149 --> 01:09:20,080

um that's been happening so

1911

01:09:23,349 --> 01:09:22,159

i don't know i can't talk about it much

1912

01:09:26,550 --> 01:09:23,359

now but within

1913

01:09:29,590 --> 01:09:26,560

um the the greater family

1914

01:09:33,349 --> 01:09:29,600

and my in-laws there's a lot going on

1915

01:09:36,870 --> 01:09:33,359

and uh so there's

1916

01:09:39,349 --> 01:09:36,880

let's just say an individual

1917

01:09:40,309 --> 01:09:39,359

or several individuals that are you know

1918

01:09:43,669 --> 01:09:40,319

related to

1919

01:09:46,229 --> 01:09:43,679

to dolores cannon that um

1920

01:09:47,189 --> 01:09:46,239

there's some disputes going on let's

1921

01:09:50,070 --> 01:09:47,199

just say that

1922

01:09:50,470 --> 01:09:50,080

and so anyway it's been a long process

1923

01:09:53,030 --> 01:09:50,480

you know

1924

01:09:54,550 --> 01:09:53,040

two three years in the making and what

1925

01:09:57,910 --> 01:09:54,560

was interesting is that

1926

01:10:00,470 --> 01:09:57,920

my wife and i at different times

1927

01:10:01,990 --> 01:10:00,480

and long enough apart to where i had

1928

01:10:05,110 --> 01:10:02,000

already forgotten what she told

1929

01:10:06,950 --> 01:10:05,120

me but we both dreamt something similar

1930

01:10:10,310 --> 01:10:06,960

to where

1931

01:10:12,790 --> 01:10:10,320

dolores was part of our dreams

1932

01:10:14,229 --> 01:10:12,800

and she was there and present and she

1933

01:10:19,750 --> 01:10:14,239

was kind of

1934

01:10:21,510 --> 01:10:19,760

came back to life so to say and we were

1935

01:10:23,669 --> 01:10:21,520

all telling her what had occurred

1936

01:10:25,430 --> 01:10:23,679

what had happened and she was kind of

1937

01:10:28,709 --> 01:10:25,440

you know to to let her know like

1938

01:10:30,390 --> 01:10:28,719

you know we made sure that

1939

01:10:32,149 --> 01:10:30,400

you know this individual doesn't keep

1940

01:10:33,510 --> 01:10:32,159

doing these certain things that could be

1941

01:10:35,830 --> 01:10:33,520

potentially damaging

1942

01:10:37,510 --> 01:10:35,840

but anyway um so my wife had dreamed

1943

01:10:39,830 --> 01:10:37,520

something similar to that and

1944

01:10:41,430 --> 01:10:39,840

and i did as well you know and it's

1945

01:10:43,910 --> 01:10:41,440

funny that in real life

1946

01:10:44,630 --> 01:10:43,920

this process is coming to a conclusion

1947

01:10:46,870 --> 01:10:44,640

and

1948

01:10:48,470 --> 01:10:46,880

you know it's almost like um like a

1949

01:10:50,390 --> 01:10:48,480

premonition so to say

1950

01:10:52,390 --> 01:10:50,400

that we weren't you know before we

1951

01:10:54,630 --> 01:10:52,400

weren't too

1952

01:10:56,310 --> 01:10:54,640

too sure where it's gonna go but with

1953

01:10:59,590 --> 01:10:56,320

her of the sudden

1954

01:11:01,590 --> 01:10:59,600

entering our dreams and we're kind of um

1955

01:11:02,709 --> 01:11:01,600

talking and discussing in these ways it

1956

01:11:04,870 --> 01:11:02,719

was almost like

1957

01:11:06,709 --> 01:11:04,880

like a signal that this is slowly coming

1958

01:11:09,350 --> 01:11:06,719

to an end and sure enough it's almost

1959

01:11:13,270 --> 01:11:11,750

yeah yeah i mean it's it's it's amazing

1960

01:11:14,470 --> 01:11:13,280

how these things happen i mean just

1961

01:11:17,590 --> 01:11:14,480

mentioning dolores

1962

01:11:20,070 --> 01:11:17,600

um you know just for me personally

1963

01:11:21,590 --> 01:11:20,080

i think when it comes to the content she

1964

01:11:23,110 --> 01:11:21,600

put out i don't think

1965

01:11:24,630 --> 01:11:23,120

there's nothing i haven't seen or heard

1966

01:11:26,470 --> 01:11:24,640

from it or

1967

01:11:27,750 --> 01:11:26,480

read for that fact except i think the

1968

01:11:30,790 --> 01:11:27,760

last book

1969

01:11:32,630 --> 01:11:30,800

um you know and same for your content

1970

01:11:34,390 --> 01:11:32,640

there's i've watched everything over and

1971

01:11:36,390 --> 01:11:34,400

over and over you know

1972

01:11:38,310 --> 01:11:36,400

and uh you were mentioning earlier sort

1973

01:11:40,709 --> 01:11:38,320

of about well in a previous

1974

01:11:42,470 --> 01:11:40,719

uh you know cast as well you were

1975

01:11:45,510 --> 01:11:42,480

mentioning about connecting dots

1976

01:11:46,790 --> 01:11:45,520

uh i'm not quite there but you're right

1977

01:11:49,510 --> 01:11:46,800

you know whether we're speaking of

1978

01:11:51,910 --> 01:11:49,520

dreams or physical realities it's just

1979

01:11:52,790 --> 01:11:51,920

at some point everything does connect

1980

01:11:56,790 --> 01:11:52,800

you know it's

1981

01:11:59,830 --> 01:11:56,800

it's strange how it works right

1982

01:12:02,630 --> 01:11:59,840

but you know um uh if i

1983

01:12:03,110 --> 01:12:02,640

if i may share and if i'm not being too

1984

01:12:05,350 --> 01:12:03,120

bold

1985

01:12:06,630 --> 01:12:05,360

um you know i don't know if you heard my

1986

01:12:08,470 --> 01:12:06,640

experience but

1987

01:12:09,669 --> 01:12:08,480

you know when i had my my near-death

1988

01:12:12,950 --> 01:12:09,679

experience

1989

01:12:15,270 --> 01:12:12,960

you know um it was it was

1990

01:12:17,270 --> 01:12:15,280

something that obviously no one no one

1991

01:12:18,070 --> 01:12:17,280

expects to ever really come back from it

1992

01:12:22,310 --> 01:12:18,080

you know

1993

01:12:25,830 --> 01:12:22,320

um but it was interesting how um

1994

01:12:28,790 --> 01:12:25,840

there was no there was no

1995

01:12:30,070 --> 01:12:28,800

there was no pain there was no worry

1996

01:12:33,030 --> 01:12:30,080

there was no sorrow

1997

01:12:33,910 --> 01:12:33,040

that it was simply like like a suit has

1998

01:12:36,870 --> 01:12:33,920

just been

1999

01:12:37,990 --> 01:12:36,880

taken off it's it's gone and all there

2000

01:12:41,270 --> 01:12:38,000

is is just this

2001

01:12:44,310 --> 01:12:41,280

this uh peaceful tranquil state of of

2002

01:12:47,669 --> 01:12:44,320

of being you know that then you can

2003

01:12:49,590 --> 01:12:47,679

kind of start to analyze and think about

2004

01:12:52,630 --> 01:12:49,600

whichever new direction you want that

2005

01:12:53,430 --> 01:12:52,640

but uninhibited to where before you

2006

01:12:56,550 --> 01:12:53,440

always

2007

01:12:57,030 --> 01:12:56,560

would would think about planetary things

2008

01:12:59,350 --> 01:12:57,040

with

2009

01:13:01,590 --> 01:12:59,360

consequences like if i do this this is

2010

01:13:03,669 --> 01:13:01,600

going to happen if i do that then this

2011

01:13:05,910 --> 01:13:03,679

is going to occur you know and there's

2012

01:13:09,189 --> 01:13:05,920

always consequences in some way

2013

01:13:11,910 --> 01:13:09,199

and so we they we either move forward

2014

01:13:13,830 --> 01:13:11,920

or backwards based on those those

2015

01:13:15,510 --> 01:13:13,840

consequences whereas in on the other

2016

01:13:15,990 --> 01:13:15,520

side there's just absolutely none of

2017

01:13:20,630 --> 01:13:16,000

that

2018

01:13:25,030 --> 01:13:22,630

it's what i would what i was just gonna

2019

01:13:27,189 --> 01:13:25,040

say is that you know

2020

01:13:28,310 --> 01:13:27,199

one you know if there's if there's one

2021

01:13:31,430 --> 01:13:28,320

thing that's

2022

01:13:34,149 --> 01:13:31,440

that's for sure is that um

2023

01:13:34,709 --> 01:13:34,159

we are more in in pain now being alive

2024

01:13:38,950 --> 01:13:34,719

than

2025

01:13:39,990 --> 01:13:38,960

like they've already moved on and to a

2026

01:13:42,790 --> 01:13:40,000

point to where

2027

01:13:44,550 --> 01:13:42,800

they just you know they can just take

2028

01:13:45,030 --> 01:13:44,560

whatever direction they want to take

2029

01:13:47,510 --> 01:13:45,040

next

2030

01:13:48,229 --> 01:13:47,520

you know and without having to to worry

2031

01:13:52,470 --> 01:13:48,239

about

2032

01:13:55,669 --> 01:13:52,480

stuck with here

2033

01:13:57,990 --> 01:13:55,679

you know edna um

2034

01:14:00,390 --> 01:13:58,000

forgive me for saying this but you know

2035

01:14:00,950 --> 01:14:00,400

you and i don't exactly uh originate

2036

01:14:04,310 --> 01:14:00,960

from

2037

01:14:06,229 --> 01:14:04,320

first world countries so you know

2038

01:14:07,590 --> 01:14:06,239

we had to put it younger life we got

2039

01:14:09,270 --> 01:14:07,600

used to things a little bit different

2040

01:14:10,950 --> 01:14:09,280

compared to to most people probably

2041

01:14:13,189 --> 01:14:10,960

watching the watching your show right

2042

01:14:16,870 --> 01:14:13,199

now

2043

01:14:19,350 --> 01:14:16,880

consequence

2044

01:14:21,510 --> 01:14:19,360

to me what i find fascinating about this

2045

01:14:23,830 --> 01:14:21,520

whole thing that we call humanity

2046

01:14:27,110 --> 01:14:23,840

and i speak from my heart not from you

2047

01:14:31,110 --> 01:14:29,270

when i think of all the suffering and

2048

01:14:34,709 --> 01:14:31,120

everything that's gone on

2049

01:14:36,470 --> 01:14:34,719

usually um it's it's some bad definition

2050

01:14:38,310 --> 01:14:36,480

that we've created or it's some bad

2051

01:14:41,750 --> 01:14:38,320

definition that somebody else has

2052

01:14:42,709 --> 01:14:41,760

created for us um you know the the

2053

01:14:44,630 --> 01:14:42,719

actual

2054

01:14:46,870 --> 01:14:44,640

incidence that really creates suffering

2055

01:14:49,910 --> 01:14:46,880

is actually very very minimal

2056

01:14:53,189 --> 01:14:49,920

um you know borrowing economic

2057

01:14:55,350 --> 01:14:53,199

uh how do i put it um economic backlash

2058

01:14:57,350 --> 01:14:55,360

you know like um hunger and homelessness

2059

01:14:59,830 --> 01:14:57,360

that's a very different topic

2060

01:15:01,110 --> 01:14:59,840

um you know but when i look overall at

2061

01:15:02,709 --> 01:15:01,120

the average person

2062

01:15:05,430 --> 01:15:02,719

you know most of our suffering is just

2063

01:15:06,390 --> 01:15:05,440

self-created i mean i'm so guilty of

2064

01:15:09,350 --> 01:15:06,400

this in my life

2065

01:15:10,950 --> 01:15:09,360

i think we all are we all do it um you

2066

01:15:13,990 --> 01:15:10,960

know so when you say

2067

01:15:14,790 --> 01:15:14,000

you know in that state people are as you

2068

01:15:17,270 --> 01:15:14,800

say they

2069

01:15:18,229 --> 01:15:17,280

in the state of tranquility i believe

2070

01:15:20,630 --> 01:15:18,239

you i mean

2071

01:15:22,870 --> 01:15:20,640

um i never had a near-death experience

2072

01:15:24,630 --> 01:15:22,880

but i hadn't experienced one which was

2073

01:15:28,070 --> 01:15:24,640

drug induced

2074

01:15:30,070 --> 01:15:28,080

and you know i was i can't say i was a

2075

01:15:32,229 --> 01:15:30,080

i was in a conscious state but i had an

2076

01:15:33,990 --> 01:15:32,239

experience where

2077

01:15:36,070 --> 01:15:34,000

you were aware of certain things and i'm

2078

01:15:38,229 --> 01:15:36,080

not talking about seeing you know

2079

01:15:39,189 --> 01:15:38,239

like hallucinations but you were just

2080

01:15:40,630 --> 01:15:39,199

there's no other

2081

01:15:42,950 --> 01:15:40,640

thing i'm just saying you were just

2082

01:15:44,470 --> 01:15:42,960

aware um and you sort of

2083

01:15:46,630 --> 01:15:44,480

you feel like you snapped back to

2084

01:15:49,350 --> 01:15:46,640

reality so yeah i can i can relate to

2085

01:15:52,870 --> 01:15:49,360

what you're saying there

2086

01:15:55,430 --> 01:15:52,880

right well you know um yeah

2087

01:15:56,390 --> 01:15:55,440

the thing is i think um just the way the

2088

01:16:02,630 --> 01:15:56,400

the

2089

01:16:03,350 --> 01:16:02,640

you know which this is that's all we all

2090

01:16:05,590 --> 01:16:03,360

are

2091

01:16:07,189 --> 01:16:05,600

you know and eventually we just stop

2092

01:16:10,950 --> 01:16:07,199

playing this character

2093

01:16:13,990 --> 01:16:10,960

you know um it um it doesn't like

2094

01:16:14,630 --> 01:16:14,000

negative things and so it creates this

2095

01:16:17,430 --> 01:16:14,640

entire

2096

01:16:19,510 --> 01:16:17,440

world an environment based on on all

2097

01:16:21,830 --> 01:16:19,520

these negative possibilities

2098

01:16:22,550 --> 01:16:21,840

from which it needs to guard itself you

2099

01:16:25,510 --> 01:16:22,560

know

2100

01:16:27,510 --> 01:16:25,520

and um and it's those things that often

2101  
01:16:28,550 --> 01:16:27,520  
are just kind of they sneak up on you to

2102  
01:16:31,270 --> 01:16:28,560  
where like you said

2103  
01:16:33,189 --> 01:16:31,280  
you don't realize that you created them

2104  
01:16:35,590 --> 01:16:33,199  
you know this worrisome is something you

2105  
01:16:38,149 --> 01:16:35,600  
started out and only you can stop it

2106  
01:16:38,790 --> 01:16:38,159  
you know but we think then make make it

2107  
01:16:40,950 --> 01:16:38,800  
into

2108  
01:16:43,350 --> 01:16:40,960  
something that is outside of our control

2109  
01:16:45,990 --> 01:16:43,360  
and it's out there and always be out

2110  
01:16:48,149 --> 01:16:46,000  
there and all we can do is just still

2111  
01:16:51,110 --> 01:16:48,159  
suffer but either we can maybe

2112  
01:16:51,510 --> 01:16:51,120  
mitigate whether it's a lot or less you

2113  
01:16:55,189 --> 01:16:51,520

know

2114

01:16:57,110 --> 01:16:55,199

and i just um i wish that

2115

01:16:59,830 --> 01:16:57,120

people would come to an understanding on

2116

01:17:01,750 --> 01:16:59,840

their own to work and just realize like

2117

01:17:03,590 --> 01:17:01,760

just come straight down to your belief

2118

01:17:04,470 --> 01:17:03,600

system change it the way you look at

2119

01:17:07,430 --> 01:17:04,480

something and it will

2120

01:17:09,270 --> 01:17:07,440

change you know the the way the way you

2121

01:17:11,750 --> 01:17:09,280

interact with it

2122

01:17:13,270 --> 01:17:11,760

yeah yeah uh and then i'm gonna share a

2123

01:17:14,630 --> 01:17:13,280

very quick personal story on that

2124

01:17:17,669 --> 01:17:14,640

because

2125

01:17:19,750 --> 01:17:17,679

you know when i was very young um

2126

01:17:20,709 --> 01:17:19,760

i had a girlfriend whose father was

2127

01:17:22,550 --> 01:17:20,719

basically and

2128

01:17:25,189 --> 01:17:22,560

he was a known murderer he's been

2129

01:17:28,390 --> 01:17:25,199

convicted for stuff and whatnot

2130

01:17:30,149 --> 01:17:28,400

and anyway long story short uh

2131

01:17:32,229 --> 01:17:30,159

i don't know i did something to really

2132

01:17:34,310 --> 01:17:32,239

pee this guy off one day

2133

01:17:35,430 --> 01:17:34,320

and he said to me oh i'm gonna come get

2134

01:17:37,830 --> 01:17:35,440

you i'm gonna come get you and i

2135

01:17:40,149 --> 01:17:37,840

remember sitting in my office in fear

2136

01:17:41,669 --> 01:17:40,159

you know and you're thinking is this guy

2137

01:17:43,350 --> 01:17:41,679

coming is he not coming and then

2138

01:17:46,550 --> 01:17:43,360

eventually i said you know what

2139

01:17:49,189 --> 01:17:46,560

what happens happens and then after that

2140

01:17:50,709 --> 01:17:49,199

i confronted the guy and i said well we

2141

01:17:51,430 --> 01:17:50,719

can sort things out like this and that

2142

01:17:53,510 --> 01:17:51,440

was the end of it

2143

01:17:54,790 --> 01:17:53,520

fear was gone there was no situation to

2144

01:17:57,990 --> 01:17:54,800

handle

2145

01:18:00,470 --> 01:17:58,000

you know but what i'm playing at is that

2146

01:18:01,910 --> 01:18:00,480

if i went with the mental construct i

2147

01:18:02,709 --> 01:18:01,920

could have gone home and sat in my room

2148

01:18:07,110 --> 01:18:02,719

and locked myself

2149

01:18:13,590 --> 01:18:11,669

right right you know

2150

01:18:15,669 --> 01:18:13,600

that was you know one of one of the

2151

01:18:17,430 --> 01:18:15,679

things when i when i first moved to

2152

01:18:19,510 --> 01:18:17,440

to robertsville when i first moved out

2153

01:18:23,110 --> 01:18:19,520

of my parents house and bought a house

2154

01:18:23,750 --> 01:18:23,120

and all of this basically began for me

2155

01:18:26,229 --> 01:18:23,760

just being

2156

01:18:28,310 --> 01:18:26,239

by myself in the woods you know one of

2157

01:18:31,430 --> 01:18:28,320

the things that were constantly

2158

01:18:35,030 --> 01:18:31,440

was turning into quite a fear was

2159

01:18:38,070 --> 01:18:35,040

that somebody would break in and take

2160

01:18:40,310 --> 01:18:38,080

the little that i have right and

2161

01:18:42,149 --> 01:18:40,320

i just constantly kept just thinking

2162

01:18:43,030 --> 01:18:42,159

about it and and all these other things

2163

01:18:44,709 --> 01:18:43,040

were just

2164

01:18:47,110 --> 01:18:44,719

constantly every time i went you know i

2165

01:18:48,630 --> 01:18:47,120

was trying to put a security system in

2166

01:18:51,669 --> 01:18:48,640

and all these other things

2167

01:18:53,430 --> 01:18:51,679

and so this was

2168

01:18:54,870 --> 01:18:53,440

something that was interesting talking

2169

01:18:56,390 --> 01:18:54,880

about you know some of the things i've

2170

01:18:59,030 --> 01:18:56,400

shared in the past but i'll just

2171

01:18:59,910 --> 01:18:59,040

use it as a um an experience that

2172

01:19:02,390 --> 01:18:59,920

actually

2173

01:19:03,189 --> 01:19:02,400

um was like a perfect reflection to me

2174

01:19:05,590 --> 01:19:03,199

at that time

2175

01:19:07,590 --> 01:19:05,600

understanding how this whole interaction

2176  
01:19:07,990 --> 01:19:07,600  
between all of us interacting with each

2177  
01:19:11,750 --> 01:19:08,000  
other's

2178  
01:19:12,630 --> 01:19:11,760  
work um so i had one some of the

2179  
01:19:15,350 --> 01:19:12,640  
experiences

2180  
01:19:17,270 --> 01:19:15,360  
by that by us by the certain point where

2181  
01:19:17,990 --> 01:19:17,280  
i just realized we're playing a role for

2182  
01:19:21,030 --> 01:19:18,000  
each other

2183  
01:19:21,669 --> 01:19:21,040  
right and so i then i was understanding

2184  
01:19:24,950 --> 01:19:21,679  
okay well

2185  
01:19:27,510 --> 01:19:24,960  
that means i'm

2186  
01:19:28,870 --> 01:19:27,520  
i'm attracting what what i'm attracting

2187  
01:19:31,030 --> 01:19:28,880  
with because of these

2188  
01:19:33,270 --> 01:19:31,040

emotions that are just vibrating into

2189

01:19:35,910 --> 01:19:33,280

this strong signal toward

2190

01:19:37,590 --> 01:19:35,920

i attract whatever it is that i fear you

2191

01:19:38,870 --> 01:19:37,600

attract whatever it is that you love you

2192

01:19:40,630 --> 01:19:38,880

know everything you know

2193

01:19:42,550 --> 01:19:40,640

whatever whatever it is you you

2194

01:19:44,709 --> 01:19:42,560

immediately attracted to you

2195

01:19:46,310 --> 01:19:44,719

well one of my strongest that was over

2196

01:19:48,229 --> 01:19:46,320

and over and over happening was being

2197

01:19:49,830 --> 01:19:48,239

broken into being broken into

2198

01:19:51,830 --> 01:19:49,840

so then i realized that that was

2199

01:19:54,950 --> 01:19:51,840

happening you know and then

2200

01:19:57,430 --> 01:19:54,960

i got broken into right and

2201

01:19:59,030 --> 01:19:57,440

as i was at the house i see the broken

2202

01:20:00,630 --> 01:19:59,040

door and all of the stuff and i'm

2203

01:20:03,030 --> 01:20:00,640

standing in the room and i'm

2204

01:20:04,470 --> 01:20:03,040

as i'm thinking about this i could

2205

01:20:08,390 --> 01:20:04,480

almost feel

2206

01:20:12,310 --> 01:20:08,400

and sense the people that broke into

2207

01:20:14,149 --> 01:20:12,320

my place and it was almost like you know

2208

01:20:16,070 --> 01:20:14,159

there you go now you have the experience

2209

01:20:18,070 --> 01:20:16,080

of what it feels like being broken into

2210

01:20:20,310 --> 01:20:18,080

you've been fearing is all this time

2211

01:20:22,149 --> 01:20:20,320

right i'm pretty sure they had no idea

2212

01:20:24,709 --> 01:20:22,159

that this is what was going on in

2213

01:20:26,550 --> 01:20:24,719

you know on this different level to them

2214

01:20:27,590 --> 01:20:26,560

they were just doing things as every

2215

01:20:30,709 --> 01:20:27,600

other criminal does

2216

01:20:33,750 --> 01:20:30,719

but you know it was something that

2217

01:20:36,390 --> 01:20:33,760

it was a it was an understanding

2218

01:20:37,270 --> 01:20:36,400

that it was very uh hands-on it was you

2219

01:20:39,430 --> 01:20:37,280

know i could i

2220

01:20:40,870 --> 01:20:39,440

could almost have an immediate

2221

01:20:42,709 --> 01:20:40,880

reflection of

2222

01:20:44,629 --> 01:20:42,719

this is what you felt were here it is

2223

01:20:46,550 --> 01:20:44,639

for you and so

2224

01:20:48,070 --> 01:20:46,560

i worked on a great deal on overcoming

2225

01:20:48,709 --> 01:20:48,080

that and overcoming these different

2226

01:20:51,910 --> 01:20:48,719

fears

2227

01:20:53,830 --> 01:20:51,920

and so then i was like okay well i'm

2228

01:20:55,910 --> 01:20:53,840

you know i'm you know i think i

2229

01:20:57,430 --> 01:20:55,920

understand this i i don't have that fear

2230

01:20:59,350 --> 01:20:57,440

anymore i mean if something happens

2231

01:21:01,910 --> 01:20:59,360

happens which is you know fine

2232

01:21:03,510 --> 01:21:01,920

because now i'm not accessing it from

2233

01:21:06,709 --> 01:21:03,520

this fearful i'm a victim

2234

01:21:08,709 --> 01:21:06,719

point of view right and then soon after

2235

01:21:09,910 --> 01:21:08,719

i came to that realization i got broken

2236

01:21:12,070 --> 01:21:09,920

into again

2237

01:21:13,910 --> 01:21:12,080

right and it was like you know and i was

2238

01:21:15,030 --> 01:21:13,920

just looking at it and i could only just

2239

01:21:18,229 --> 01:21:15,040

kind of like

2240

01:21:20,070 --> 01:21:18,239

like laugh because i understood now why

2241

01:21:20,870 --> 01:21:20,080

it was happening again because it was

2242

01:21:27,430 --> 01:21:20,880

like a

2243

01:21:27,990 --> 01:21:27,440

and now i got a chance to then say okay

2244

01:21:29,830 --> 01:21:28,000

i got over

2245

01:21:31,990 --> 01:21:29,840

this feeling i understand my emotions

2246

01:21:33,590 --> 01:21:32,000

i'm okay with that bam it happens again

2247

01:21:35,669 --> 01:21:33,600

it's almost like a test like are you

2248

01:21:39,030 --> 01:21:35,679

really okay with that right

2249

01:21:39,990 --> 01:21:39,040

and so um yeah and i had now perfectly

2250

01:21:41,990 --> 01:21:40,000

was i just

2251  
01:21:43,430 --> 01:21:42,000  
because there was nothing that that was

2252  
01:21:45,430 --> 01:21:43,440  
taken that i didn't need

2253  
01:21:46,790 --> 01:21:45,440  
it was everything i just had left over

2254  
01:21:49,350 --> 01:21:46,800  
because i had this huge

2255  
01:21:50,550 --> 01:21:49,360  
place you know single person five

2256  
01:21:52,310 --> 01:21:50,560  
bedroom house

2257  
01:21:54,149 --> 01:21:52,320  
you know um you know my parents

2258  
01:21:54,870 --> 01:21:54,159  
everything they had kept giving me stuff

2259  
01:21:56,870 --> 01:21:54,880  
because they

2260  
01:21:58,390 --> 01:21:56,880  
had it you know taking up space in their

2261  
01:22:01,030 --> 01:21:58,400  
house well anyway

2262  
01:22:03,110 --> 01:22:01,040  
none of that was needed and i was

2263  
01:22:05,110 --> 01:22:03,120

perfectly okay with that like that fear

2264

01:22:07,189 --> 01:22:05,120

wasn't holding on to me anymore and then

2265

01:22:09,590 --> 01:22:07,199

sure enough i get a call

2266

01:22:11,590 --> 01:22:09,600

this was like two three months later

2267

01:22:13,669 --> 01:22:11,600

that eventually they got caught

2268

01:22:15,590 --> 01:22:13,679

because they had stolen enough things

2269

01:22:16,950 --> 01:22:15,600

and enough weapons from different people

2270

01:22:18,950 --> 01:22:16,960

to where now it became a

2271

01:22:19,990 --> 01:22:18,960

federal matter and then the fbi was

2272

01:22:22,470 --> 01:22:20,000

after them

2273

01:22:23,270 --> 01:22:22,480

you know and and found them you know and

2274

01:22:25,110 --> 01:22:23,280

um

2275

01:22:27,110 --> 01:22:25,120

uh do you want to know the very funny

2276

01:22:30,550 --> 01:22:27,120

part about that is that i've actually

2277

01:22:32,870 --> 01:22:30,560

met them and here's how prior to

2278

01:22:34,070 --> 01:22:32,880

their arrest maybe about a week or two

2279

01:22:35,830 --> 01:22:34,080

before i found out that they were

2280

01:22:38,709 --> 01:22:35,840

arrested i was driving

2281

01:22:40,550 --> 01:22:38,719

and i always stop by whoever needs help

2282

01:22:41,350 --> 01:22:40,560

if i can give them a ride i give them a

2283

01:22:44,950 --> 01:22:41,360

ride if they

2284

01:22:47,750 --> 01:22:44,960

need some gas i always had about a um

2285

01:22:49,590 --> 01:22:47,760

a two gallon jug of gas in my trunk

2286

01:22:51,110 --> 01:22:49,600

because i always run low and that you

2287

01:22:53,430 --> 01:22:51,120

know i'll have something to

2288

01:22:54,550 --> 01:22:53,440

fill it back up well they were on the

2289

01:22:57,110 --> 01:22:54,560

side of the road

2290

01:22:58,390 --> 01:22:57,120

pulled over and it looked like they had

2291

01:23:00,629 --> 01:22:58,400

you know that they were out of gas

2292

01:23:02,709 --> 01:23:00,639

and sure enough then i saw a guy you

2293

01:23:05,110 --> 01:23:02,719

know basically holding on a sign

2294

01:23:06,870 --> 01:23:05,120

and so i stopped i went up there and i

2295

01:23:08,149 --> 01:23:06,880

said do you guys need gas like yes you

2296

01:23:10,950 --> 01:23:08,159

know and so there was

2297

01:23:12,390 --> 01:23:10,960

uh two guys in this girl and i wasn't

2298

01:23:13,350 --> 01:23:12,400

asking much about where they're going

2299

01:23:16,790 --> 01:23:13,360

what they're doing

2300

01:23:19,030 --> 01:23:16,800

but i gave them um you know the jug and

2301

01:23:20,070 --> 01:23:19,040

he filled it up and i was like oh pretty

2302

01:23:22,070 --> 01:23:20,080

hot today i'm

2303

01:23:23,750 --> 01:23:22,080

you know glad that you'll be able to

2304

01:23:25,110 --> 01:23:23,760

turn on the car here pretty soon

2305

01:23:26,870 --> 01:23:25,120

and you know get the air conditioning

2306

01:23:30,070 --> 01:23:26,880

and whatnot and um

2307

01:23:31,990 --> 01:23:30,080

anyway that was i actually interacted

2308

01:23:33,910 --> 01:23:32,000

with the people that had broken into my

2309

01:23:35,270 --> 01:23:33,920

place not realizing only later when they

2310

01:23:37,669 --> 01:23:35,280

were arrested

2311

01:23:38,790 --> 01:23:37,679

you know and because what they stole is

2312

01:23:40,629 --> 01:23:38,800

i had a shotgun

2313

01:23:42,629 --> 01:23:40,639

and some other stuff there but it was

2314

01:23:45,750 --> 01:23:42,639

the shotgun that was traced

2315

01:23:46,550 --> 01:23:45,760

and so um they basically were identified

2316

01:23:50,229 --> 01:23:46,560

that way

2317

01:23:52,709 --> 01:23:50,239

and i just you know there was

2318

01:23:54,709 --> 01:23:52,719

anyone that in general you could have

2319

01:23:56,550 --> 01:23:54,719

simply had that experience of just

2320

01:23:58,390 --> 01:23:56,560

have that fearful experience i got

2321

01:23:59,270 --> 01:23:58,400

broken into be the victim for the rest

2322

01:24:02,629 --> 01:23:59,280

of your life

2323

01:24:05,110 --> 01:24:02,639

or have the experience in the manner i

2324

01:24:07,430 --> 01:24:05,120

chose to have it by simply figuring

2325

01:24:10,629 --> 01:24:07,440

out what's happening why is it happening

2326

01:24:13,270 --> 01:24:10,639

and what can i do about it

2327

01:24:14,629 --> 01:24:13,280

you know what you said there's quite uh

2328

01:24:15,590 --> 01:24:14,639

you know given what's happening in my

2329

01:24:18,470 --> 01:24:15,600

life at the moment

2330

01:24:19,270 --> 01:24:18,480

it's quite the message to hear um you

2331

01:24:22,550 --> 01:24:19,280

know there's

2332

01:24:24,310 --> 01:24:22,560

yeah i i'll reflect on that because uh

2333

01:24:25,990 --> 01:24:24,320

yeah as we spoke earlier i won't make it

2334

01:24:27,270 --> 01:24:26,000

public here but i mean that's that's

2335

01:24:31,030 --> 01:24:27,280

some very wise words

2336

01:24:33,430 --> 01:24:31,040

thank you well you know i i wish it was

2337

01:24:35,430 --> 01:24:33,440

just this wisdom that was just given in

2338

01:24:37,030 --> 01:24:35,440

some way it was all stuff i had to do

2339

01:24:39,189 --> 01:24:37,040

the hard way

2340

01:24:40,310 --> 01:24:39,199

you know through a lot of uh you know

2341

01:24:43,669 --> 01:24:40,320

fear and and

2342

01:24:45,270 --> 01:24:43,679

all kinds of silliness um

2343

01:24:46,709 --> 01:24:45,280

but bradley thank you thank you for

2344

01:24:48,390 --> 01:24:46,719

sharing your story um

2345

01:24:50,310 --> 01:24:48,400

looks like my friend nathan wants to

2346

01:24:52,070 --> 01:24:50,320

come on as well so uh you know if you

2347

01:24:55,430 --> 01:24:52,080

hang around i'll get back to you

2348

01:24:58,470 --> 01:24:55,440

you know later on this you know um

2349

01:25:00,470 --> 01:24:58,480

if and when nathan and i finish up yeah

2350

01:25:01,669 --> 01:25:00,480

yeah no great thanks very much ed man no

2351

01:25:05,990 --> 01:25:01,679

thank you thank you for

2352

01:25:06,000 --> 01:25:09,110

okay good dad

2353

01:25:15,350 --> 01:25:10,870

all right nathan just unmute yourself

2354

01:25:18,870 --> 01:25:17,669

yeah hey anan um no i just wanted to

2355

01:25:20,550 --> 01:25:18,880

chime in because uh

2356

01:25:22,149 --> 01:25:20,560

what you what you're saying is like i

2357

01:25:23,270 --> 01:25:22,159

feel like you hit the nail right on the

2358

01:25:25,669 --> 01:25:23,280

head how

2359

01:25:26,470 --> 01:25:25,679

humanity's gonna get through this this

2360

01:25:30,790 --> 01:25:26,480

time

2361

01:25:34,470 --> 01:25:30,800

and

2362

01:25:36,310 --> 01:25:34,480

overcoming you like it's what it is

2363

01:25:38,070 --> 01:25:36,320

they're they're they're throwing

2364

01:25:39,910 --> 01:25:38,080

everything in the kitchen sink at us to

2365

01:25:41,350 --> 01:25:39,920

be afraid of and it's really it's become

2366

01:25:42,229 --> 01:25:41,360

so obvious that those are those are the

2367

01:25:45,669 --> 01:25:42,239

chains

2368

01:25:47,750 --> 01:25:45,679

that these uh that these uh uh

2369

01:25:49,669 --> 01:25:47,760

occultists uh cabal whatever you want to

2370

01:25:51,910 --> 01:25:49,679

call them people you know use

2371

01:25:53,430 --> 01:25:51,920

to you know keep people chained down

2372

01:25:55,350 --> 01:25:53,440

basically it's fear

2373

01:25:57,030 --> 01:25:55,360

well nathan hold on one quick second

2374

01:25:57,990 --> 01:25:57,040

before you continue and for everyone

2375

01:26:00,390 --> 01:25:58,000

else watching

2376

01:26:01,750 --> 01:26:00,400

nathan is a really good friend of mine i

2377

01:26:05,910 --> 01:26:01,760

consider him one of my

2378

01:26:07,830 --> 01:26:05,920

best friends you know so he uh

2379

01:26:09,830 --> 01:26:07,840

he was all over the place i guess what

2380

01:26:11,990 --> 01:26:09,840

you were in ecuador or colombia and then

2381

01:26:14,470 --> 01:26:12,000

came back to san luis

2382

01:26:15,990 --> 01:26:14,480

yeah yeah we were in congress for a

2383

01:26:17,430 --> 01:26:16,000

couple months just got back

2384

01:26:19,750 --> 01:26:17,440

anyway so i just want to give a little

2385

01:26:20,470 --> 01:26:19,760

context there so because we just started

2386

01:26:23,350 --> 01:26:20,480

talking and

2387

01:26:24,229 --> 01:26:23,360

i realized you guys might not know um so

2388

01:26:27,350 --> 01:26:24,239

nathan i'm sorry

2389

01:26:29,430 --> 01:26:27,360

continue with what you were saying

2390

01:26:30,629 --> 01:26:29,440

okay so yeah i was just you hit the nail

2391

01:26:31,990 --> 01:26:30,639

right on the head with the

2392

01:26:33,910 --> 01:26:32,000

the getting over the fears thing and

2393

01:26:36,950 --> 01:26:33,920

then you know and kind of how it's done

2394

01:26:37,510 --> 01:26:36,960

so i mean just uh you're in that that'll

2395

01:26:40,070 --> 01:26:37,520

help

2396

01:26:42,070 --> 01:26:40,080

raise the whole vibration of first you

2397

01:26:43,669 --> 01:26:42,080

and then and then everything around you

2398

01:26:45,110 --> 01:26:43,679

and and even something you said even

2399

01:26:48,229 --> 01:26:45,120

earlier in that like

2400

01:26:49,510 --> 01:26:48,239

well like uh love attracts love

2401

01:26:51,350 --> 01:26:49,520

fear attracts fears that was that was

2402

01:26:53,830 --> 01:26:51,360

how you kind of how do you get it

2403

01:26:54,709 --> 01:26:53,840

yeah so so let's just put more love out

2404

01:26:55,830 --> 01:26:54,719

there get our

2405

01:26:57,910 --> 01:26:55,840

and stop being afraid of all this

2406

01:26:58,390 --> 01:26:57,920

ridiculous stuff like i mean it's just

2407

01:27:01,510 --> 01:26:58,400

gotten

2408

01:27:04,149 --> 01:27:01,520

preposterous and uh and

2409

01:27:04,870 --> 01:27:04,159

and that'll help that's i mean is that a

2410

01:27:07,910 --> 01:27:04,880

network

2411

01:27:08,629 --> 01:27:07,920

right well you know um it doesn't always

2412

01:27:12,790 --> 01:27:08,639

have to be

2413

01:27:15,510 --> 01:27:12,800

you know um i think what a lot of us

2414

01:27:16,629 --> 01:27:15,520

you know don't don't dare to do is just

2415

01:27:19,910 --> 01:27:16,639

kind of

2416

01:27:22,149 --> 01:27:19,920

live in our own in our own way because

2417

01:27:23,990 --> 01:27:22,159

a lot of times when when something comes

2418

01:27:25,189 --> 01:27:24,000

down the pike to where everyone in the

2419

01:27:28,870 --> 01:27:25,199

group has to follow

2420

01:27:31,910 --> 01:27:28,880

um everyone else kind of falls in line

2421

01:27:33,030 --> 01:27:31,920

and uh the thing is it's everything

2422

01:27:35,590 --> 01:27:33,040

should also be done

2423

01:27:36,790 --> 01:27:35,600

in a very reasonable way meaning what

2424

01:27:40,229 --> 01:27:36,800

i'm about to do

2425

01:27:41,430 --> 01:27:40,239

is this going you know against possibly

2426

01:27:43,510 --> 01:27:41,440

someone else's

2427

01:27:45,030 --> 01:27:43,520

well-being you know or is this just

2428

01:27:48,310 --> 01:27:45,040

something that'll affect me

2429

01:27:49,110 --> 01:27:48,320

right and so one of the things that i've

2430

01:27:51,990 --> 01:27:49,120

noticed when

2431

01:27:53,830 --> 01:27:52,000

any everything started and just uh not

2432

01:27:55,030 --> 01:27:53,840

not that i was planning to get into this

2433

01:27:57,189 --> 01:27:55,040

conversation but hey

2434

01:27:58,629 --> 01:27:57,199

you know the channel is it's open lines

2435

01:27:59,750 --> 01:27:58,639

for whatever else you would like to

2436

01:28:02,870 --> 01:27:59,760

discuss

2437

01:28:04,310 --> 01:28:02,880

you know um whether

2438

01:28:06,390 --> 01:28:04,320

you know and i was thinking about maybe

2439

01:28:07,990 --> 01:28:06,400

putting out a video with just this

2440

01:28:09,830 --> 01:28:08,000

focused message about this

2441

01:28:12,629 --> 01:28:09,840

because it's um you know something

2442

01:28:14,950 --> 01:28:12,639

that's been weighing heavily on my mind

2443

01:28:16,149 --> 01:28:14,960

you know us being involved in this field

2444

01:28:19,350 --> 01:28:16,159

with of ufos

2445

01:28:21,750 --> 01:28:19,360

and dealing with with the government and

2446

01:28:23,189 --> 01:28:21,760

them never being honest with us and and

2447

01:28:25,750 --> 01:28:23,199

all the things that are

2448

01:28:26,310 --> 01:28:25,760

out there that some people still depend

2449

01:28:29,669 --> 01:28:26,320

on

2450

01:28:31,430 --> 01:28:29,679

tell them about ufos

2451

01:28:32,709 --> 01:28:31,440

but always had this mistrusting

2452

01:28:35,830 --> 01:28:32,719

relationship right

2453

01:28:38,390 --> 01:28:35,840

but so then when 911 came around our

2454

01:28:39,189 --> 01:28:38,400

mindsets was looking at 911 entirely

2455

01:28:41,270 --> 01:28:39,199

differently than

2456

01:28:43,350 --> 01:28:41,280

a person watching it through cnn or

2457

01:28:45,910 --> 01:28:43,360

msnbc and everything else

2458

01:28:47,990 --> 01:28:45,920

and then when the epidemic hit or again

2459

01:28:50,149 --> 01:28:48,000

we're looking at everything differently

2460

01:28:51,750 --> 01:28:50,159

than everyone else that's quote unquote

2461

01:28:54,470 --> 01:28:51,760

normal would look at

2462

01:28:56,709 --> 01:28:54,480

you know and so there's all these things

2463

01:28:58,390 --> 01:28:56,719

that then we would ask to say well why

2464

01:29:00,310 --> 01:28:58,400

aren't you considering this regarding

2465

01:29:01,750 --> 01:29:00,320

that subject i want you considering that

2466

01:29:04,310 --> 01:29:01,760

regarding this subject

2467

01:29:05,669 --> 01:29:04,320

you know to where the mainstream mindset

2468

01:29:07,350 --> 01:29:05,679

would just be like well

2469

01:29:09,030 --> 01:29:07,360

i don't know i just that's what they

2470

01:29:11,430 --> 01:29:09,040

said so i'll just do it

2471

01:29:12,070 --> 01:29:11,440

but our thinking or level of thinking is

2472

01:29:15,430 --> 01:29:12,080

like

2473

01:29:17,750 --> 01:29:15,440

two three levels deep you know and it's

2474

01:29:18,790 --> 01:29:17,760

it's one of these things to where if you

2475

01:29:20,470 --> 01:29:18,800

understand that

2476

01:29:22,709 --> 01:29:20,480

and there's an opposite point of view

2477

01:29:24,310 --> 01:29:22,719

that you have try to show it by just

2478

01:29:26,550 --> 01:29:24,320

simply living it right

2479

01:29:28,470 --> 01:29:26,560

because um you know when when it comes

2480

01:29:30,709 --> 01:29:28,480

to sharing stories about ufos

2481

01:29:32,629 --> 01:29:30,719

i would just you know share them without

2482

01:29:34,550 --> 01:29:32,639

any fear of repercussions

2483

01:29:36,310 --> 01:29:34,560

you know when it comes to you know

2484

01:29:37,830 --> 01:29:36,320

talking about the pandemic i would just

2485

01:29:39,590 --> 01:29:37,840

talk about it without any fear of

2486

01:29:40,470 --> 01:29:39,600

repercussions and a lot of times it

2487

01:29:42,229 --> 01:29:40,480

would get me

2488

01:29:43,750 --> 01:29:42,239

you know in in these situations with

2489

01:29:44,629 --> 01:29:43,760

people to where they want to argue with

2490

01:29:47,270 --> 01:29:44,639

me about it

2491

01:29:49,110 --> 01:29:47,280

and so i simply broke it down and this

2492

01:29:50,870 --> 01:29:49,120

one particular conversation was

2493

01:29:52,709 --> 01:29:50,880

they were saying this is the only thing

2494

01:29:54,470 --> 01:29:52,719

you need to know about the pandemic

2495

01:29:55,910 --> 01:29:54,480

i said well hold on a minute when you go

2496

01:29:57,990 --> 01:29:55,920

to a doctor and they

2497

01:29:59,590 --> 01:29:58,000

analyze you or and and discover

2498

01:30:01,830 --> 01:29:59,600

something you go to

2499

01:30:02,790 --> 01:30:01,840

another doctor get a second opinion you

2500

01:30:05,030 --> 01:30:02,800

know to

2501  
01:30:06,950 --> 01:30:05,040  
sometimes even third or fourth opinion

2502  
01:30:08,709 --> 01:30:06,960  
before you can make up the mind and say

2503  
01:30:09,270 --> 01:30:08,719  
okay this is what i want regarding my

2504  
01:30:11,590 --> 01:30:09,280  
health

2505  
01:30:12,550 --> 01:30:11,600  
well for some reason this narrative was

2506  
01:30:14,390 --> 01:30:12,560  
allowed

2507  
01:30:16,070 --> 01:30:14,400  
you know when it comes to epidemic but

2508  
01:30:18,550 --> 01:30:16,080  
this narrative was not

2509  
01:30:19,990 --> 01:30:18,560  
and believe me this direction there's a

2510  
01:30:23,110 --> 01:30:20,000  
lot to look into that most

2511  
01:30:24,390 --> 01:30:23,120  
people don't know you know and um uh i

2512  
01:30:27,110 --> 01:30:24,400  
just basically started

2513  
01:30:27,830 --> 01:30:27,120

living and moving around in my life

2514

01:30:29,590 --> 01:30:27,840

according to

2515

01:30:31,030 --> 01:30:29,600

this information that i that i

2516

01:30:33,350 --> 01:30:31,040

understood and knew

2517

01:30:34,390 --> 01:30:33,360

you know that were given by thousands of

2518

01:30:36,390 --> 01:30:34,400

other doctors

2519

01:30:38,310 --> 01:30:36,400

that are available at your fingertips

2520

01:30:40,070 --> 01:30:38,320

you know to be researched to

2521

01:30:41,750 --> 01:30:40,080

be looked up to look up their

2522

01:30:42,470 --> 01:30:41,760

credentials and what it is that they're

2523

01:30:43,990 --> 01:30:42,480

saying

2524

01:30:45,510 --> 01:30:44,000

and the fact that they weren't allowed

2525

01:30:48,070 --> 01:30:45,520

to speak spoke

2526

01:30:48,790 --> 01:30:48,080

loudly then you know than everything

2527

01:30:51,270 --> 01:30:48,800

else

2528

01:30:53,270 --> 01:30:51,280

because never in our in our history you

2529

01:30:55,189 --> 01:30:53,280

know would you think that the world has

2530

01:30:56,070 --> 01:30:55,199

a problem but you can only look at it in

2531

01:30:57,830 --> 01:30:56,080

one way

2532

01:30:59,669 --> 01:30:57,840

you know it's like you know having

2533

01:31:01,350 --> 01:30:59,679

having a coin you know but you can only

2534

01:31:07,830 --> 01:31:01,360

look at one side and that just didn't

2535

01:31:13,350 --> 01:31:11,990

yeah that's right

2536

01:31:15,110 --> 01:31:13,360

sorry i didn't mean to put you on the

2537

01:31:16,390 --> 01:31:15,120

spot i just kind of finished my train of

2538

01:31:18,470 --> 01:31:16,400

thought and i thought you were going to

2539

01:31:20,390 --> 01:31:18,480

add something to that

2540

01:31:21,510 --> 01:31:20,400

yeah no no you're right it's been it's

2541

01:31:23,270 --> 01:31:21,520

been weighing heavy on my

2542

01:31:24,310 --> 01:31:23,280

on my mind too and actually you put

2543

01:31:25,669 --> 01:31:24,320

you've helped me put some things into

2544

01:31:28,550 --> 01:31:25,679

perspective so

2545

01:31:30,790 --> 01:31:28,560

it's uh um and this is this is it this

2546

01:31:32,550 --> 01:31:30,800

is uh this is the this

2547

01:31:34,149 --> 01:31:32,560

i mean yeah you gotta you gotta just

2548

01:31:35,990 --> 01:31:34,159

talk with everybody openly and

2549

01:31:37,270 --> 01:31:36,000

and freely without fear and that's

2550

01:31:39,510 --> 01:31:37,280

that's a big step but then

2551

01:31:40,870 --> 01:31:39,520

but like platforms like this is or is

2552

01:31:42,790 --> 01:31:40,880

fantastic what you're doing and not as

2553

01:31:44,149 --> 01:31:42,800

fantastic were you how you got

2554

01:31:45,830 --> 01:31:44,159

how you got here you're sharing your

2555

01:31:48,229 --> 01:31:45,840

stories uh

2556

01:31:49,030 --> 01:31:48,239

thank you appreciate it yeah it's all

2557

01:31:51,030 --> 01:31:49,040

fantastic

2558

01:31:52,070 --> 01:31:51,040

well hey do tell me while i have you on

2559

01:31:54,390 --> 01:31:52,080

um you know because

2560

01:31:56,229 --> 01:31:54,400

some of you that are watching like i

2561

01:31:56,550 --> 01:31:56,239

mentioned i know nathan from san luis

2562

01:31:58,790 --> 01:31:56,560

and

2563

01:31:59,830 --> 01:31:58,800

we were going to different meetings ufo

2564

01:32:01,750 --> 01:31:59,840

meetings uh

2565

01:32:03,030 --> 01:32:01,760

there would be what two three a week i

2566

01:32:04,390 --> 01:32:03,040

mean not a week a month

2567

01:32:06,070 --> 01:32:04,400

that we would go to because there's the

2568

01:32:07,750 --> 01:32:06,080

coasties there's the

2569

01:32:09,510 --> 01:32:07,760

mufa meetings and all these different

2570

01:32:11,750 --> 01:32:09,520

ones that we would always attend

2571

01:32:13,430 --> 01:32:11,760

have you been attending any of them or

2572

01:32:15,990 --> 01:32:13,440

what's it looking like in san luis right

2573

01:32:20,790 --> 01:32:19,189

uh well in st louis i mean uh

2574

01:32:22,149 --> 01:32:20,800

i think it keeps going back and forth

2575

01:32:22,950 --> 01:32:22,159

right now everything's kind of you're

2576

01:32:25,990 --> 01:32:22,960

not a lot of meat

2577

01:32:27,189 --> 01:32:26,000

you know i've been allowed to um not a

2578

01:32:29,590 --> 01:32:27,199

lot of really

2579

01:32:31,189 --> 01:32:29,600

i guess it depends on where you are you

2580

01:32:32,070 --> 01:32:31,199

know but uh no the meetings i haven't

2581

01:32:34,470 --> 01:32:32,080

been to any of those

2582

01:32:35,750 --> 01:32:34,480

in quite a while okay like the ones

2583

01:32:38,629 --> 01:32:35,760

you're talking about though

2584

01:32:40,550 --> 01:32:38,639

right well i was i was reaching out to

2585

01:32:41,669 --> 01:32:40,560

some of the organizers of those meetings

2586

01:32:43,270 --> 01:32:41,679

and i told them hey

2587

01:32:44,950 --> 01:32:43,280

you know i have these wednesday nights

2588

01:32:45,830 --> 01:32:44,960

open lines so if they would like to

2589

01:32:48,709 --> 01:32:45,840

attend

2590

01:32:49,189 --> 01:32:48,719

and and meet up online in a way and

2591

01:32:51,270 --> 01:32:49,199

share

2592

01:32:53,350 --> 01:32:51,280

over over their phone using using

2593

01:32:56,870 --> 01:32:53,360

telegram that would be an option

2594

01:32:59,350 --> 01:32:56,880

you know um i guess you know because i

2595

01:33:02,229 --> 01:32:59,360

know coasties wasn't meeting anymore

2596

01:33:05,189 --> 01:33:02,239

and uh or at least they're they're going

2597

01:33:06,950 --> 01:33:05,199

to hopefully soon but we'll see

2598

01:33:08,390 --> 01:33:06,960

okay so yeah yeah in lieu of a physical

2599

01:33:09,830 --> 01:33:08,400

meeting place that this works

2600

01:33:11,830 --> 01:33:09,840

this works great so you actually talk to

2601

01:33:12,629 --> 01:33:11,840

a couple of the the organizers like ray

2602

01:33:14,470 --> 01:33:12,639

and stuff or rate

2603

01:33:16,709 --> 01:33:14,480

or ray's not around anymore is he no rey

2604

01:33:19,350 --> 01:33:16,719

is not uh but ginger is

2605

01:33:19,990 --> 01:33:19,360

uh and uh yep i talked to her because

2606

01:33:24,310 --> 01:33:20,000

she's the

2607

01:33:27,910 --> 01:33:24,320

watching that are possible

2608

01:33:29,750 --> 01:33:27,920

living in san luis she

2609

01:33:31,030 --> 01:33:29,760

helped me out was it the bowling alley

2610

01:33:34,470 --> 01:33:31,040

on watson

2611

01:33:36,149 --> 01:33:34,480

um yes nathan okay so for those of you

2612

01:33:38,149 --> 01:33:36,159

living in san luis the bowling

2613

01:33:39,669 --> 01:33:38,159

alley sunset i believe is called on

2614

01:33:41,669 --> 01:33:39,679

watson

2615

01:33:42,870 --> 01:33:41,679

once a month i believe it was the first

2616

01:33:45,350 --> 01:33:42,880

monday

2617

01:33:47,590 --> 01:33:45,360

a month they would meet and basically

2618

01:33:49,590 --> 01:33:47,600

discuss any subjects that were discussed

2619

01:33:49,990 --> 01:33:49,600

on coast to coast or are generally

2620

01:33:52,790 --> 01:33:50,000

discussed

2621

01:33:53,590 --> 01:33:52,800

on coast to coast and so usually a lot

2622

01:33:55,669 --> 01:33:53,600

of people

2623

01:33:57,910 --> 01:33:55,679

go there and attend and then there's

2624

01:34:00,629 --> 01:33:57,920

some other meetings i think second

2625

01:34:02,390 --> 01:34:00,639

monday of the month is or third monday

2626

01:34:04,950 --> 01:34:02,400

of the month is mufon

2627

01:34:05,910 --> 01:34:04,960

which is in webster groves so i

2628

01:34:07,750 --> 01:34:05,920

apologize for

2629

01:34:09,830 --> 01:34:07,760

any of you that don't live anywhere

2630

01:34:10,149 --> 01:34:09,840

close to there and that makes no sense

2631

01:34:12,310 --> 01:34:10,159

but

2632

01:34:14,149 --> 01:34:12,320

at least hey we got this platform right

2633

01:34:18,310 --> 01:34:14,159

now to just discuss and chat

2634

01:34:21,270 --> 01:34:18,320

about whatever it is on our mind

2635

01:34:23,030 --> 01:34:21,280

so um yeah nathan do you uh would you

2636

01:34:24,629 --> 01:34:23,040

like to share some of your uh your

2637

01:34:25,270 --> 01:34:24,639

stories that i know you have out there

2638

01:34:27,990 --> 01:34:25,280

or uh

2639

01:34:29,270 --> 01:34:28,000

maybe some other time i don't want to

2640

01:34:32,470 --> 01:34:29,280

put you on the spot

2641

01:34:33,510 --> 01:34:32,480

okay uh because there were several

2642

01:34:35,030 --> 01:34:33,520

things i wanted to share when you guys

2643

01:34:36,629 --> 01:34:35,040

were talking about and then and then we

2644

01:34:39,750 --> 01:34:36,639

just kept going and going and

2645

01:34:41,109 --> 01:34:39,760

i lost track so i'll uh i'll make drop

2646

01:34:41,590 --> 01:34:41,119

some things down in the next maybe next

2647

01:34:44,310 --> 01:34:41,600

week

2648

01:34:46,070 --> 01:34:44,320

i'll share some stories right all right

2649

01:34:46,870 --> 01:34:46,080

well you you know you know you're always

2650

01:34:48,629 --> 01:34:46,880

welcome and

2651  
01:34:50,470 --> 01:34:48,639  
yeah this is what the first time i've

2652  
01:34:51,189 --> 01:34:50,480  
actually talked to you i know we texted

2653  
01:34:54,629 --> 01:34:51,199  
but

2654  
01:34:55,910 --> 01:34:54,639  
man it's been years since i've seen you

2655  
01:34:57,990 --> 01:34:55,920  
when was the last time i've seen you

2656  
01:35:01,430 --> 01:34:58,000  
since the wedding

2657  
01:35:04,070 --> 01:35:01,440  
oh my gosh yeah i think so yeah no no

2658  
01:35:05,750 --> 01:35:04,080  
we saw him we saw you one other time oh

2659  
01:35:06,870 --> 01:35:05,760  
oh wait there's somebody else on the

2660  
01:35:10,310 --> 01:35:06,880  
line

2661  
01:35:11,669 --> 01:35:10,320  
yes my wife is here yeah hello hi how

2662  
01:35:14,070 --> 01:35:11,679  
are you

2663  
01:35:15,669 --> 01:35:14,080

i'm good just listen to your interviews

2664

01:35:18,709 --> 01:35:15,679

very interesting

2665

01:35:21,669 --> 01:35:18,719

all right but that's cool i um i'm

2666

01:35:22,790 --> 01:35:21,679

jessica right uh i was um it cracks me

2667

01:35:24,550 --> 01:35:22,800

up every time because

2668

01:35:28,390 --> 01:35:24,560

every time you see me like you look like

2669

01:35:30,950 --> 01:35:28,400

my uncle

2670

01:35:32,229 --> 01:35:30,960

like like they say like uh they can are

2671

01:35:35,430 --> 01:35:32,239

like twins

2672

01:35:36,470 --> 01:35:35,440

or person that look very similar to two

2673

01:35:39,350 --> 01:35:36,480

other person

2674

01:35:40,550 --> 01:35:39,360

in in the planet i say my my uncle and

2675

01:35:43,910 --> 01:35:40,560

you are

2676

01:35:45,830 --> 01:35:43,920

oh wow you played the same well that's

2677

01:35:47,030 --> 01:35:45,840

good to know that i have a doppelganger

2678

01:35:49,830 --> 01:35:47,040

there somewhere

2679

01:35:54,950 --> 01:35:49,840

right yeah well good to hear from you as

2680

01:35:58,070 --> 01:35:56,950

oh i don't know if that i'm pretty sure

2681

01:36:01,030 --> 01:35:58,080

they're still there

2682

01:36:02,470 --> 01:36:01,040

so anyway uh any of you watching um join

2683

01:36:04,870 --> 01:36:02,480

us on on telegram

2684

01:36:06,550 --> 01:36:04,880

uh simply download the app on your phone

2685

01:36:08,870 --> 01:36:06,560

or on the computer

2686

01:36:10,310 --> 01:36:08,880

and you can set up an account using your

2687

01:36:12,629 --> 01:36:10,320

phone or an email

2688

01:36:14,709 --> 01:36:12,639

and once you have done that search for

2689

01:36:15,510 --> 01:36:14,719

ufo hub and you should be able to find

2690

01:36:19,590 --> 01:36:15,520

this group

2691

01:36:19,990 --> 01:36:19,600

and then um you can just join the voice

2692

01:36:23,990 --> 01:36:20,000

chat

2693

01:36:27,030 --> 01:36:24,000

and be part of part of it and um

2694

01:36:28,550 --> 01:36:27,040

um so anyway welcome to

2695

01:36:30,229 --> 01:36:28,560

chat with anyone else that's already

2696

01:36:32,790 --> 01:36:30,239

chatting in the in the

2697

01:36:34,229 --> 01:36:32,800

uh youtube uh chat i don't know what's

2698

01:36:36,390 --> 01:36:34,239

been going on there i just know it's

2699

01:36:39,430 --> 01:36:36,400

just been going up and down

2700

01:36:41,189 --> 01:36:39,440

but um uh well nathan let me let me

2701

01:36:43,350 --> 01:36:41,199

bring uh uh bradley in and

2702

01:36:44,390 --> 01:36:43,360

and uh you know unless there's something

2703

01:36:47,590 --> 01:36:44,400

else you would like to

2704

01:36:49,750 --> 01:36:47,600

do to say no go ahead

2705

01:36:51,430 --> 01:36:49,760

okay nice to hear look yeah good to hear

2706

01:36:53,830 --> 01:36:51,440

from both of you we should actually

2707

01:36:55,510 --> 01:36:53,840

talk one of these days like awful

2708

01:37:00,470 --> 01:36:55,520

offline

2709

01:37:04,709 --> 01:37:00,480

i agree okay okey-dokey

2710

01:37:10,870 --> 01:37:07,750

okay bradley uh you're unmuted and uh

2711

01:37:13,109 --> 01:37:10,880

go on whenever you're ready yeah

2712

01:37:13,990 --> 01:37:13,119

just listening to nathan there it's not

2713

01:37:16,229 --> 01:37:14,000

a long thing

2714

01:37:17,990 --> 01:37:16,239

just uh you know he's talking about the

2715

01:37:19,990 --> 01:37:18,000

pandemic and how you know we're all

2716

01:37:21,910 --> 01:37:20,000

being fit a bunch of uh

2717

01:37:21,910 --> 01:37:24,629

uh i've always had to swig can i say

2718

01:37:29,910 --> 01:37:27,750

yeah you definitely can you know

2719

01:37:30,950 --> 01:37:29,920

uh just just from a south african

2720

01:37:33,189 --> 01:37:30,960

perspective

2721

01:37:34,310 --> 01:37:33,199

uh in you know this country is really

2722

01:37:37,189 --> 01:37:34,320

riddled with uh

2723

01:37:37,750 --> 01:37:37,199

a very bad past and a lot of tensions

2724

01:37:39,830 --> 01:37:37,760

and

2725

01:37:42,310 --> 01:37:39,840

you know that still exists today not as

2726

01:37:44,550 --> 01:37:42,320

bad but i mean it's still there

2727

01:37:46,470 --> 01:37:44,560

and just just to be positive i mean

2728

01:37:48,070 --> 01:37:46,480

during the pandemic i've seen people

2729

01:37:50,870 --> 01:37:48,080

come together in a way i've never

2730

01:37:52,229 --> 01:37:50,880

seen before don't get me wrong the

2731

01:37:55,270 --> 01:37:52,239

problems are not solved

2732

01:37:57,669 --> 01:37:55,280

but you know if when people just put

2733

01:37:59,910 --> 01:37:57,679

aside all the rubbish and actually just

2734

01:38:00,790 --> 01:37:59,920

really help each other that's really you

2735

01:38:03,750 --> 01:38:00,800

know that's where

2736

01:38:04,310 --> 01:38:03,760

things are going here which is great um

2737

01:38:06,950 --> 01:38:04,320

you know

2738

01:38:07,590 --> 01:38:06,960

we had a lady here help another family

2739

01:38:08,950 --> 01:38:07,600

who

2740

01:38:10,470 --> 01:38:08,960

you know couldn't afford food because

2741

01:38:11,350 --> 01:38:10,480

they didn't have a job because of this

2742

01:38:14,629 --> 01:38:11,360

pandemic

2743

01:38:16,470 --> 01:38:14,639

and you know she took i think just to

2744

01:38:18,390 --> 01:38:16,480

put a value to it she took about

2745

01:38:19,510 --> 01:38:18,400

what was it five to ten thousand ran

2746

01:38:22,229 --> 01:38:19,520

which is about

2747

01:38:23,430 --> 01:38:22,239

eight hundred dollars and just went and

2748

01:38:26,310 --> 01:38:23,440

took them shopping

2749

01:38:28,310 --> 01:38:26,320

i mean it's been fantastic so anyway i

2750

01:38:29,830 --> 01:38:28,320

had to chime that in because yeah i

2751  
01:38:31,270 --> 01:38:29,840  
totally agree with what nathan's saying

2752  
01:38:33,430 --> 01:38:31,280  
there

2753  
01:38:35,990 --> 01:38:33,440  
well you know it's you know i'm really

2754  
01:38:37,830 --> 01:38:36,000  
glad i'm glad and very happy to to know

2755  
01:38:40,950 --> 01:38:37,840  
that that had occurred at least

2756  
01:38:43,109 --> 01:38:40,960  
where you are it's just unfortunate that

2757  
01:38:45,270 --> 01:38:43,119  
i don't know i don't know i guess if the

2758  
01:38:46,870 --> 01:38:45,280  
whole world is watching via news

2759  
01:38:49,030 --> 01:38:46,880  
what what's been happening in the united

2760  
01:38:49,669 --> 01:38:49,040  
states but it's done the opposite you

2761  
01:38:51,189 --> 01:38:49,679  
know

2762  
01:38:53,109 --> 01:38:51,199  
at least in the past there were always

2763  
01:38:56,070 --> 01:38:53,119

events that could unite us

2764

01:38:57,350 --> 01:38:56,080

you know but uh this pandemic and and

2765

01:38:59,430 --> 01:38:57,360

politics have

2766

01:39:01,510 --> 01:38:59,440

literally divided brother against

2767

01:39:04,629 --> 01:39:01,520

brother friend against friend

2768

01:39:09,910 --> 01:39:04,639

you know and and this is you know

2769

01:39:11,430 --> 01:39:09,920

years and years of of um you know

2770

01:39:13,990 --> 01:39:11,440

decades-long friendships and

2771

01:39:17,109 --> 01:39:14,000

relationships that are just basically

2772

01:39:20,550 --> 01:39:17,119

on the verge of being fully broken apart

2773

01:39:21,590 --> 01:39:20,560

or or you know have already separated

2774

01:39:23,350 --> 01:39:21,600

long time ago

2775

01:39:24,709 --> 01:39:23,360

you know it's it literally separated

2776

01:39:27,109 --> 01:39:24,719

itself between

2777

01:39:27,910 --> 01:39:27,119

you know those with mass and no mass

2778

01:39:29,590 --> 01:39:27,920

those who

2779

01:39:31,590 --> 01:39:29,600

want to get vaccinated those that don't

2780

01:39:33,669 --> 01:39:31,600

want to get vaccinated those are

2781

01:39:35,350 --> 01:39:33,679

those that are for republicans those

2782

01:39:36,790 --> 01:39:35,360

that are for democrats

2783

01:39:39,030 --> 01:39:36,800

and it's just been going all these

2784

01:39:41,430 --> 01:39:39,040

directions and um

2785

01:39:43,109 --> 01:39:41,440

it's you know it's always it's it would

2786

01:39:45,189 --> 01:39:43,119

be nice to find something

2787

01:39:47,030 --> 01:39:45,199

a unifying factor you know because

2788

01:39:47,910 --> 01:39:47,040

initially when the epidemic started it

2789

01:39:49,990 --> 01:39:47,920

was all about

2790

01:39:51,510 --> 01:39:50,000

wow what can i do as a human being to

2791

01:39:53,109 --> 01:39:51,520

help my fellow man

2792

01:39:54,870 --> 01:39:53,119

you know my fellow neighbors you know

2793

01:39:57,189 --> 01:39:54,880

whatever can be possible

2794

01:39:59,109 --> 01:39:57,199

but i guess we've all allowed the news

2795

01:40:02,070 --> 01:39:59,119

here in the united states to then

2796

01:40:03,030 --> 01:40:02,080

start giving us a separate narrative to

2797

01:40:04,950 --> 01:40:03,040

where now

2798

01:40:07,350 --> 01:40:04,960

we can literally be living next to each

2799

01:40:09,189 --> 01:40:07,360

other you know and then you have someone

2800

01:40:10,709 --> 01:40:09,199

else that's hundreds of miles away

2801

01:40:12,310 --> 01:40:10,719

via news giving you different

2802

01:40:13,910 --> 01:40:12,320

information that now makes you think

2803

01:40:15,750 --> 01:40:13,920

about that person differently

2804

01:40:17,030 --> 01:40:15,760

instead of going up to them and saying

2805

01:40:19,590 --> 01:40:17,040

hey brother how are you

2806

01:40:21,189 --> 01:40:19,600

what can i do can we help each other or

2807

01:40:23,750 --> 01:40:21,199

or whatever or

2808

01:40:25,590 --> 01:40:23,760

just to say no that you can depend on me

2809

01:40:26,390 --> 01:40:25,600

you know that now was not possible

2810

01:40:29,590 --> 01:40:26,400

because

2811

01:40:30,390 --> 01:40:29,600

um it was it was a perfect signal it was

2812

01:40:33,189 --> 01:40:30,400

this perfect

2813

01:40:35,189 --> 01:40:33,199

example how so many people say oh i

2814

01:40:35,990 --> 01:40:35,199

don't watch the news that's all rubbish

2815

01:40:38,629 --> 01:40:36,000

and blah blah

2816

01:40:39,910 --> 01:40:38,639

blah but yet the exact act exactly as

2817

01:40:43,350 --> 01:40:39,920

the news tells them to

2818

01:40:45,109 --> 01:40:43,360

to act you know and and follow

2819

01:40:47,189 --> 01:40:45,119

you know almost verbatim what they're

2820

01:40:49,830 --> 01:40:47,199

being told and so

2821

01:40:52,149 --> 01:40:49,840

um i always i always had thought that

2822

01:40:53,830 --> 01:40:52,159

when i first got into this ufo subject

2823

01:40:56,149 --> 01:40:53,840

that i always thought it would be

2824

01:40:58,149 --> 01:40:56,159

this divide would happen between the

2825

01:41:00,550 --> 01:40:58,159

people that believe

2826

01:41:02,950 --> 01:41:00,560

that there's more more out there like

2827

01:41:04,149 --> 01:41:02,960

ufos aliens and the spiritual level and

2828

01:41:06,709 --> 01:41:04,159

those that don't

2829

01:41:08,870 --> 01:41:06,719

you know and i always thought that well

2830

01:41:11,030 --> 01:41:08,880

well one way to remedy that is

2831

01:41:12,390 --> 01:41:11,040

well eventually if we make contact

2832

01:41:14,470 --> 01:41:12,400

they're gonna land and

2833

01:41:16,550 --> 01:41:14,480

my fellow brothers and sisters are gonna

2834

01:41:18,070 --> 01:41:16,560

see that so they know i wasn't i wasn't

2835

01:41:20,310 --> 01:41:18,080

crazy and i was telling them

2836

01:41:21,430 --> 01:41:20,320

what some of us had already experienced

2837

01:41:22,870 --> 01:41:21,440

ahead of time right

2838

01:41:25,590 --> 01:41:22,880

so i thought that that would be the

2839

01:41:27,350 --> 01:41:25,600

dividing factor never did i think that

2840

01:41:28,870 --> 01:41:27,360

it would be something like this to where

2841

01:41:30,310 --> 01:41:28,880

it divides us to where

2842

01:41:32,149 --> 01:41:30,320

it's very difficult to come back

2843

01:41:35,270 --> 01:41:32,159

together because

2844

01:41:36,950 --> 01:41:35,280

you know it you know

2845

01:41:39,030 --> 01:41:36,960

again like i was mentioned earlier i

2846

01:41:42,390 --> 01:41:39,040

just don't know what what could be

2847

01:41:44,390 --> 01:41:42,400

possibly what can be said to bring

2848

01:41:47,910 --> 01:41:44,400

people together because

2849

01:41:50,149 --> 01:41:47,920

i love them regardless you know but the

2850

01:41:53,189 --> 01:41:50,159

thing is

2851  
01:41:53,510 --> 01:41:53,199  
i often found that there is the way they

2852  
01:41:56,070 --> 01:41:53,520  
live

2853  
01:41:58,390 --> 01:41:56,080  
and what they're requiring of me is that

2854  
01:42:00,550 --> 01:41:58,400  
there is no space for me there

2855  
01:42:01,750 --> 01:42:00,560  
but where i'm at there's plenty of space

2856  
01:42:04,709 --> 01:42:01,760  
for them here

2857  
01:42:06,070 --> 01:42:04,719  
you know and the way i like to see the

2858  
01:42:09,109 --> 01:42:06,080  
world and go about

2859  
01:42:10,229 --> 01:42:09,119  
the world and so anyway i just want to

2860  
01:42:12,149 --> 01:42:10,239  
get that out there i

2861  
01:42:13,430 --> 01:42:12,159  
just don't you know i'm glad to hear

2862  
01:42:16,070 --> 01:42:13,440  
that something like that

2863  
01:42:17,830 --> 01:42:16,080

was happening you know at least in in

2864

01:42:19,510 --> 01:42:17,840

south africa i'm sure everywhere else

2865

01:42:22,070 --> 01:42:19,520

but it was

2866

01:42:23,350 --> 01:42:22,080

we hardly saw any of that in the united

2867

01:42:26,629 --> 01:42:23,360

states because it was very

2868

01:42:28,709 --> 01:42:26,639

divisive from the get-go yeah

2869

01:42:29,990 --> 01:42:28,719

i mean uh again i'll tell you from a

2870

01:42:33,270 --> 01:42:30,000

personal perspective

2871

01:42:36,310 --> 01:42:33,280

i moved to cities in literally

2872

01:42:37,830 --> 01:42:36,320

the day of lockdown and um

2873

01:42:39,750 --> 01:42:37,840

you know when i got here there was no

2874

01:42:40,790 --> 01:42:39,760

furniture or anything and the community

2875

01:42:43,510 --> 01:42:40,800

had they don't

2876

01:42:45,510 --> 01:42:43,520

know me from a borrow soap and we had a

2877

01:42:48,550 --> 01:42:45,520

fully furnished apartment here you know

2878

01:42:50,390 --> 01:42:48,560

it was fantastic um you know

2879

01:42:52,229 --> 01:42:50,400

and then like i say since that whole

2880

01:42:53,750 --> 01:42:52,239

lockdown happened it was the same

2881

01:42:54,790 --> 01:42:53,760

scenario where people could help they

2882

01:42:57,030 --> 01:42:54,800

could help i mean

2883

01:42:58,550 --> 01:42:57,040

even in business where people were

2884

01:42:59,510 --> 01:42:58,560

earning commissions the first thing they

2885

01:43:01,350 --> 01:42:59,520

were talking about

2886

01:43:03,109 --> 01:43:01,360

is how much percentage can we take to

2887

01:43:05,590 --> 01:43:03,119

donate i mean

2888

01:43:07,510 --> 01:43:05,600

nobody asked anybody to do this nobody's

2889

01:43:10,550 --> 01:43:07,520

instructed to do this this was all just

2890

01:43:12,629 --> 01:43:10,560

people being people um

2891

01:43:14,149 --> 01:43:12,639

you know it doesn't solve the problems

2892

01:43:16,310 --> 01:43:14,159

but it's a hell of a good step in the

2893

01:43:19,590 --> 01:43:16,320

right direction

2894

01:43:22,470 --> 01:43:19,600

right right yeah it's um

2895

01:43:24,790 --> 01:43:22,480

you know i don't i don't know if um you

2896

01:43:25,590 --> 01:43:24,800

know so many times uh when when we all

2897

01:43:28,470 --> 01:43:25,600

talk about

2898

01:43:29,430 --> 01:43:28,480

somebody being asleep and someone being

2899

01:43:33,510 --> 01:43:29,440

awake

2900

01:43:36,550 --> 01:43:33,520

you know um it's it has never been

2901  
01:43:39,270 --> 01:43:36,560  
more apparent who's awake and who's

2902  
01:43:43,109 --> 01:43:39,280  
asleep during this pandemic

2903  
01:43:45,510 --> 01:43:43,119  
you know because the information

2904  
01:43:47,189 --> 01:43:45,520  
is there but how you look at that

2905  
01:43:48,229 --> 01:43:47,199  
information and how you choose to

2906  
01:43:52,149 --> 01:43:48,239  
interpret it

2907  
01:43:53,990 --> 01:43:52,159  
is what what's actually dividing a lot

2908  
01:43:55,669 --> 01:43:54,000  
because you can you can literally have

2909  
01:43:58,870 --> 01:43:55,679  
two people next to each other

2910  
01:44:00,390 --> 01:43:58,880  
looking at at some data and

2911  
01:44:02,470 --> 01:44:00,400  
one would say this the other one would

2912  
01:44:05,510 --> 01:44:02,480  
say that but i noticed

2913  
01:44:07,189 --> 01:44:05,520

where one has said okay

2914

01:44:08,709 --> 01:44:07,199

we can agree to disagree but you're

2915

01:44:10,870 --> 01:44:08,719

still my brother the other must say i

2916

01:44:14,149 --> 01:44:10,880

will have nothing to do with you

2917

01:44:15,270 --> 01:44:14,159

you know yeah and so right you know and

2918

01:44:17,830 --> 01:44:15,280

that's what's so

2919

01:44:19,590 --> 01:44:17,840

what's so weird about that is that it it

2920

01:44:22,950 --> 01:44:19,600

you know to see that

2921

01:44:25,350 --> 01:44:22,960

full divide and it's um you know

2922

01:44:27,350 --> 01:44:25,360

because everyone is wants to talk about

2923

01:44:28,629 --> 01:44:27,360

love and always wants to talk about you

2924

01:44:31,990 --> 01:44:28,639

know getting together

2925

01:44:34,149 --> 01:44:32,000

but you know where is the

2926

01:44:35,590 --> 01:44:34,159

love like if i'm not wearing the mask

2927

01:44:37,510 --> 01:44:35,600

and you're spitting at me because i'm

2928

01:44:39,430 --> 01:44:37,520

not wearing a mask where's the love

2929

01:44:41,189 --> 01:44:39,440

right you know are you willing to

2930

01:44:43,430 --> 01:44:41,199

understand and listen to what i have to

2931

01:44:46,229 --> 01:44:43,440

say and what i've seen that you

2932

01:44:46,870 --> 01:44:46,239

were not privy to right and all these

2933

01:44:50,070 --> 01:44:46,880

things

2934

01:44:52,229 --> 01:44:50,080

that that kind of that are not i guess

2935

01:44:53,750 --> 01:44:52,239

generally publicly shared you know all

2936

01:44:55,910 --> 01:44:53,760

they know is like you know government

2937

01:44:57,350 --> 01:44:55,920

said this do as you told or else

2938

01:44:59,430 --> 01:44:57,360

you know and then i think that's very

2939

01:44:59,990 --> 01:44:59,440

sad especially for the american mindset

2940

01:45:02,390 --> 01:45:00,000

that

2941

01:45:03,510 --> 01:45:02,400

you know as americans we always just you

2942

01:45:06,709 --> 01:45:03,520

know live our

2943

01:45:08,470 --> 01:45:06,719

um

2944

01:45:10,629 --> 01:45:08,480

you know like i was saying several weeks

2945

01:45:12,550 --> 01:45:10,639

back like americans in a very good way

2946

01:45:14,550 --> 01:45:12,560

have this you mentality

2947

01:45:15,669 --> 01:45:14,560

you know it's like yeah uh in anything

2948

01:45:17,590 --> 01:45:15,679

they do it's like

2949

01:45:18,870 --> 01:45:17,600

you know when i lived in germany germans

2950

01:45:21,750 --> 01:45:18,880

you know are very

2951  
01:45:22,470 --> 01:45:21,760  
you know like let's say about to start a

2952  
01:45:24,870 --> 01:45:22,480  
business

2953  
01:45:25,830 --> 01:45:24,880  
you know they would um look at the cost

2954  
01:45:27,990 --> 01:45:25,840  
analysis

2955  
01:45:29,910 --> 01:45:28,000  
uh pre you know do projections figure

2956  
01:45:30,950 --> 01:45:29,920  
things out and sometimes not even start

2957  
01:45:33,030 --> 01:45:30,960  
before

2958  
01:45:34,629 --> 01:45:33,040  
they would not even go anywhere

2959  
01:45:35,189 --> 01:45:34,639  
basically it'll end before it even

2960  
01:45:37,270 --> 01:45:35,199  
started

2961  
01:45:39,350 --> 01:45:37,280  
right because they they logically

2962  
01:45:40,950 --> 01:45:39,360  
analyzed it and said okay well this is

2963  
01:45:42,709 --> 01:45:40,960

not feasible we can't do this we're

2964

01:45:43,189 --> 01:45:42,719

going to go out of business in two years

2965

01:45:46,870 --> 01:45:43,199

so

2966

01:45:47,430 --> 01:45:46,880

you're perfect be perfect you think

2967

01:45:49,510 --> 01:45:47,440

about

2968

01:45:51,350 --> 01:45:49,520

and america is the only place i've seen

2969

01:45:53,030 --> 01:45:51,360

they're like we have no plan we have no

2970

01:45:57,109 --> 01:45:53,040

money let's do it

2971

01:45:58,790 --> 01:45:57,119

you know yeah yeah no i mean

2972

01:46:00,229 --> 01:45:58,800

what you talking about just going to the

2973

01:46:02,310 --> 01:46:00,239

mosques um

2974

01:46:03,750 --> 01:46:02,320

you know like i mentioned you just got

2975

01:46:06,629 --> 01:46:03,760

to bear in mind that

2976

01:46:08,550 --> 01:46:06,639

uh a lot of south africans especially

2977

01:46:09,830 --> 01:46:08,560

the black community

2978

01:46:11,910 --> 01:46:09,840

with what they've been through in the

2979

01:46:13,109 --> 01:46:11,920

past they're not educated people

2980

01:46:15,750 --> 01:46:13,119

normally

2981

01:46:17,510 --> 01:46:15,760

so you know in south africa the the

2982

01:46:19,030 --> 01:46:17,520

mentality is if you

2983

01:46:21,590 --> 01:46:19,040

if you're a black guy you work in

2984

01:46:23,189 --> 01:46:21,600

security or you work in

2985

01:46:25,350 --> 01:46:23,199

i don't want to call them menial jobs

2986

01:46:28,790 --> 01:46:25,360

because they're not menial jobs but they

2987

01:46:31,430 --> 01:46:28,800

you know low qualification jobs um

2988

01:46:32,390 --> 01:46:31,440

so anyway with the masks i mean uh like

2989

01:46:34,310 --> 01:46:32,400

you were saying

2990

01:46:35,990 --> 01:46:34,320

in the beginning they were saying well

2991

01:46:36,870 --> 01:46:36,000

please put your mask over your nose and

2992

01:46:39,350 --> 01:46:36,880

we would say no

2993

01:46:41,750 --> 01:46:39,360

you're crazy sorry not happening and it

2994

01:46:44,390 --> 01:46:41,760

would be this like huge public outcry

2995

01:46:46,229 --> 01:46:44,400

and they they can't understand why and

2996

01:46:47,189 --> 01:46:46,239

it i just thought about this it must be

2997

01:46:49,990 --> 01:46:47,199

confusing

2998

01:46:50,470 --> 01:46:50,000

as anything to someone who doesn't know

2999

01:46:52,709 --> 01:46:50,480

um

3000

01:46:53,990 --> 01:46:52,719

but look as time went on people actually

3001

01:46:55,990 --> 01:46:54,000

just educated each other

3002

01:46:58,950 --> 01:46:56,000

and these problems went away i mean it

3003

01:47:01,189 --> 01:46:58,960

was amazing to see

3004

01:47:02,390 --> 01:47:01,199

so you know from my perspective it's so

3005

01:47:04,070 --> 01:47:02,400

easy to say

3006

01:47:05,990 --> 01:47:04,080

this is wrong that's wrong this is wrong

3007

01:47:09,590 --> 01:47:06,000

but you always over look at what's

3008

01:47:11,430 --> 01:47:09,600

right right you know so

3009

01:47:12,870 --> 01:47:11,440

it's from from where i'm standing i just

3010

01:47:14,629 --> 01:47:12,880

saw some amazing things

3011

01:47:16,950 --> 01:47:14,639

it's it's i don't put it it's not all

3012

01:47:18,229 --> 01:47:16,960

roses but it's there was so much good to

3013

01:47:20,310 --> 01:47:18,239

see

3014

01:47:21,270 --> 01:47:20,320

right but that's good i'm glad i'm

3015

01:47:23,109 --> 01:47:21,280

really glad to

3016

01:47:25,910 --> 01:47:23,119

to to hear that and you know and thank

3017

01:47:28,070 --> 01:47:25,920

you and thank you for sharing that

3018

01:47:29,270 --> 01:47:28,080

yeah no sorry i had been the two cents

3019

01:47:31,350 --> 01:47:29,280

with that then it's just

3020

01:47:33,109 --> 01:47:31,360

you know that's pandemic yeah no don't

3021

01:47:33,590 --> 01:47:33,119

be sorry that's exactly why we're here

3022

01:47:37,189 --> 01:47:33,600

i'm just

3023

01:47:39,750 --> 01:47:37,199

uh trying to you know um because

3024

01:47:40,629 --> 01:47:39,760

it's smaller group on telegram you know

3025

01:47:43,030 --> 01:47:40,639

it's like i just

3026

01:47:45,030 --> 01:47:43,040

give more time to people chatting you

3027

01:47:47,189 --> 01:47:45,040

know back and forth if there were more

3028

01:47:48,790 --> 01:47:47,199

you know that would want to speak uh

3029

01:47:49,590 --> 01:47:48,800

maybe in the future i would have to

3030

01:47:51,270 --> 01:47:49,600

limit

3031

01:47:52,870 --> 01:47:51,280

you know the amount of time and then get

3032

01:47:53,590 --> 01:47:52,880

back to that person maybe later or

3033

01:47:55,830 --> 01:47:53,600

something but

3034

01:47:58,550 --> 01:47:55,840

there's no no no reason for excuse we're

3035

01:48:03,189 --> 01:47:58,560

just literally hanging out online

3036

01:48:05,270 --> 01:48:03,199

because we i don't know i just

3037

01:48:07,270 --> 01:48:05,280

like doing what we do i like doing what

3038

01:48:09,430 --> 01:48:07,280

i do and you guys find some value in

3039

01:48:11,830 --> 01:48:09,440

that so i'm glad you all here so

3040

01:48:14,310 --> 01:48:11,840

you know don't uh you know don't

3041

01:48:16,149 --> 01:48:14,320

apologize

3042

01:48:17,910 --> 01:48:16,159

yeah no no no as i say thank you for the

3043

01:48:20,390 --> 01:48:17,920

platform uh nathan no thanks for

3044

01:48:22,550 --> 01:48:20,400

bringing that up because you know

3045

01:48:24,310 --> 01:48:22,560

i know everybody's different around the

3046

01:48:25,270 --> 01:48:24,320

world and how we're experiencing things

3047

01:48:28,149 --> 01:48:25,280

but

3048

01:48:29,910 --> 01:48:28,159

you know for me i i really there's a lot

3049

01:48:31,270 --> 01:48:29,920

of bad but i mean i saw a lot of good

3050

01:48:32,149 --> 01:48:31,280

and that's that's really what i want to

3051

01:48:35,830 --> 01:48:32,159

convey

3052

01:48:36,550 --> 01:48:35,840

right um i just want to put the info out

3053

01:48:38,229 --> 01:48:36,560

there so if

3054

01:48:40,470 --> 01:48:38,239

if any of you watching this who would

3055

01:48:41,830 --> 01:48:40,480

like to maybe uh share your story

3056

01:48:43,910 --> 01:48:41,840

whatever it is that you would like to

3057

01:48:46,629 --> 01:48:43,920

talk about generally we discuss

3058

01:48:48,390 --> 01:48:46,639

um you know ufo spirituality metaphysics

3059

01:48:49,830 --> 01:48:48,400

but sometimes we cover other things like

3060

01:48:53,270 --> 01:48:49,840

we did today so

3061

01:48:53,750 --> 01:48:53,280

you know the topics are you know endless

3062

01:48:56,149 --> 01:48:53,760

you know

3063

01:48:58,229 --> 01:48:56,159

of course we always like to talk about

3064

01:48:59,030 --> 01:48:58,239

the good and weird stuff when it comes

3065

01:49:00,390 --> 01:48:59,040

to aliens

3066

01:49:03,270 --> 01:49:00,400

you know so you're always welcome to

3067

01:49:05,910 --> 01:49:03,280

share those stories but yeah just uh

3068

01:49:06,550 --> 01:49:05,920

log in raise your hand if you would like

3069

01:49:09,669 --> 01:49:06,560

to

3070

01:49:12,229 --> 01:49:09,679

we'll chat

3071

01:49:13,430 --> 01:49:12,239

if you just want to use a telegram to

3072

01:49:15,589 --> 01:49:13,440

just listen

3073

01:49:16,870 --> 01:49:15,599

since this is also simultaneously being

3074

01:49:20,310 --> 01:49:16,880

broadcasted there

3075

01:49:23,350 --> 01:49:20,320

then just uh tune in and enjoy listening

3076

01:49:27,270 --> 01:49:23,360

on your device that way

3077

01:49:28,550 --> 01:49:27,280

but yeah uh so uh bradley what that

3078

01:49:30,629 --> 01:49:28,560

is there anything else that you would

3079

01:49:32,070 --> 01:49:30,639

like to discuss or maybe

3080

01:49:33,750 --> 01:49:32,080

take a direction you would like to go

3081

01:49:36,390 --> 01:49:33,760

into

3082

01:49:37,109 --> 01:49:36,400

yeah and uh uh forgive me tonight and

3083

01:49:38,870 --> 01:49:37,119

then uh

3084

01:49:40,790 --> 01:49:38,880

on any other occasion i would have but

3085

01:49:46,149 --> 01:49:40,800

uh yeah let's just say my head's not

3086

01:49:49,350 --> 01:49:48,470

well thank you thank you for still

3087

01:49:52,229 --> 01:49:49,360

taking the time

3088

01:49:53,189 --> 01:49:52,239

you know and and and being being here

3089

01:49:54,629 --> 01:49:53,199

with us i

3090

01:49:56,629 --> 01:49:54,639

again i you know offer you my

3091

01:49:57,830 --> 01:49:56,639

condolences and just you know hang in

3092

01:50:00,870 --> 01:49:57,840

there you know you

3093

01:50:03,830 --> 01:50:00,880

you know by being part of the

3094

01:50:05,510 --> 01:50:03,840

the ufo hub group i'm more easily

3095

01:50:07,669 --> 01:50:05,520

accessible than any other platform

3096

01:50:10,070 --> 01:50:07,679

because that directly is connected to me

3097

01:50:10,790 --> 01:50:10,080

so anyone that ever wants to send me

3098

01:50:13,990 --> 01:50:10,800

messages

3099

01:50:17,510 --> 01:50:14,000

or even you know dial in through that

3100

01:50:20,070 --> 01:50:17,520

using the the the voice

3101

01:50:21,589 --> 01:50:20,080

uh chat you know can can do that so

3102

01:50:23,030 --> 01:50:21,599

you're always welcome to reach out that

3103

01:50:24,629 --> 01:50:23,040

way

3104

01:50:26,470 --> 01:50:24,639

yeah no as i say i just want to say

3105

01:50:27,830 --> 01:50:26,480

thank you i mean i followed you from

3106

01:50:29,589 --> 01:50:27,840

you know the first time you published

3107

01:50:31,830 --> 01:50:29,599

your first video and that's uh

3108

01:50:33,910 --> 01:50:31,840

yeah i i won't stay up it's not about a

3109

01:50:35,189 --> 01:50:33,920

groupie thing uh it's just i really

3110

01:50:38,310 --> 01:50:35,199

enjoy the subject and

3111

01:50:39,830 --> 01:50:38,320

i think so you're accessible i

3112

01:50:41,910 --> 01:50:39,840

appreciate it

3113

01:50:43,189 --> 01:50:41,920

all right well bradley i'm gonna meet

3114

01:50:46,229 --> 01:50:43,199

you and then i'll put

3115

01:50:51,510 --> 01:50:46,239

a new new paradigm think tank on

3116

01:50:56,149 --> 01:50:54,070

okay all right a new new paradigm you're

3117

01:50:59,350 --> 01:50:56,159

on just um mute yourself and uh

3118

01:51:04,310 --> 01:51:02,149

hello hello thank you hey it's the first

3119

01:51:07,589 --> 01:51:04,320

time i am using a voice

3120

01:51:09,510 --> 01:51:07,599

chat ever you're also

3121

01:51:11,990 --> 01:51:09,520

you're also broadcasted on youtube too

3122

01:51:15,189 --> 01:51:12,000

just in case you didn't know

3123

01:51:16,470 --> 01:51:15,199

oh no i didn't know i thought it was

3124

01:51:19,510 --> 01:51:16,480

only the four of us

3125

01:51:20,870 --> 01:51:19,520

oh jesus that's okay i mean if you don't

3126

01:51:22,229 --> 01:51:20,880

you know just letting you know in case

3127

01:51:26,149 --> 01:51:22,239

you didn't know i mean you're more than

3128

01:51:29,830 --> 01:51:27,910

i just mentioned it because you said oh

3129

01:51:31,589 --> 01:51:29,840

i'm you know my first time here and i

3130

01:51:32,310 --> 01:51:31,599

was like oh you might not know that this

3131

01:51:34,550 --> 01:51:32,320

is also

3132

01:51:35,510 --> 01:51:34,560

being broadcasted it's it's under in the

3133

01:51:38,470 --> 01:51:35,520

ufo hub

3134

01:51:40,470 --> 01:51:38,480

uh chat in the window itself there's a

3135

01:51:43,350 --> 01:51:40,480

open line link to it you can click it

3136

01:51:46,550 --> 01:51:43,360

and you can see a 20 second delay of me

3137

01:51:51,270 --> 01:51:49,669

okay okay good to know i'm almost empty

3138

01:51:54,629 --> 01:51:51,280

battery on my cell phone

3139

01:51:56,070 --> 01:51:54,639

okay oh sorry i'm an experiencer i am an

3140

01:51:58,390 --> 01:51:56,080

experiencer

3141

01:51:59,510 --> 01:51:58,400

and i never really talked about me like

3142

01:52:02,229 --> 01:51:59,520

that i

3143

01:52:06,070 --> 01:52:02,239

i decided to do so to reconcile my

3144

01:52:09,430 --> 01:52:06,080

spiritual and professional identity

3145

01:52:11,910 --> 01:52:09,440

so i am now a blockchain developer

3146

01:52:12,550 --> 01:52:11,920

and i'm working to develop some platform

3147

01:52:14,629 --> 01:52:12,560

for

3148

01:52:16,149 --> 01:52:14,639

free speech so people like me can have

3149

01:52:19,750 --> 01:52:16,159

their story told

3150

01:52:23,430 --> 01:52:19,760

and no one to censor them so i invite

3151

01:52:26,950 --> 01:52:23,440

your listeners to to ex to explore what

3152

01:52:30,550 --> 01:52:26,960

the web 3.0 has to offer and especially

3153

01:52:33,109 --> 01:52:30,560

the blockchain technologies and

3154

01:52:34,310 --> 01:52:33,119

maybe specifically one of the blockchain

3155

01:52:37,669 --> 01:52:34,320

i am working on

3156

01:52:39,990 --> 01:52:37,679

the hive blockchain and

3157

01:52:41,589 --> 01:52:40,000

this is uh my message if your battery if

3158

01:52:43,030 --> 01:52:41,599

your battery allows can you

3159

01:52:46,310 --> 01:52:43,040

give us a little bit more info that

3160

01:52:49,350 --> 01:52:48,790

uh you would like to receive more info

3161

01:52:51,270 --> 01:52:49,360

yeah just

3162

01:52:52,950 --> 01:52:51,280

for you telling us a little more about

3163

01:52:54,870 --> 01:52:52,960

um uh

3164

01:52:56,149 --> 01:52:54,880

for those that are not too aware the web

3165

01:53:00,550 --> 01:52:56,159

3.0

3166

01:53:04,950 --> 01:53:03,189

okay well i am not an expert but i can

3167

01:53:08,390 --> 01:53:04,960

tell what i know

3168

01:53:11,830 --> 01:53:08,400

it is uh let's say an evolution of the

3169

01:53:14,229 --> 01:53:11,840

web technology and internet technology

3170

01:53:15,510 --> 01:53:14,239

you know everything runs on servers but

3171

01:53:18,310 --> 01:53:15,520

if those servers are

3172

01:53:19,030 --> 01:53:18,320

centralized there's a kill switch that

3173

01:53:22,149 --> 01:53:19,040

can

3174

01:53:25,430 --> 01:53:22,159

terminate all internet access to that

3175

01:53:28,870 --> 01:53:25,440

server it could be a video

3176

01:53:31,669 --> 01:53:28,880

databank or your personal information

3177

01:53:32,950 --> 01:53:31,679

whereas blockchain has some sort of a

3178

01:53:35,270 --> 01:53:32,960

different way to

3179

01:53:36,790 --> 01:53:35,280

to host data and that data can be

3180

01:53:40,550 --> 01:53:36,800

distributed on multiple

3181

01:53:43,830 --> 01:53:40,560

servers and spiritually speaking it's

3182

01:53:46,870 --> 01:53:43,840

a lot more secure to censorship and

3183

01:53:49,189 --> 01:53:46,880

banning and or attacks of any sort in

3184

01:53:52,149 --> 01:53:49,199

the digital world you know

3185

01:53:54,070 --> 01:53:52,159

we are under a digital war and

3186

01:53:58,149 --> 01:53:54,080

protecting data and data access

3187

01:54:01,589 --> 01:53:58,159

and data distribution in a digital war

3188

01:54:03,750 --> 01:54:01,599

is very uh important so blockchain is

3189

01:54:06,950 --> 01:54:03,760

coming as a solution to all those

3190

01:54:10,310 --> 01:54:06,960

problems what is um

3191

01:54:12,229 --> 01:54:10,320

so the blockchain itself is obviously um

3192

01:54:13,669 --> 01:54:12,239

would you if i'm understanding correctly

3193

01:54:15,030 --> 01:54:13,679

it's independent from the different

3194

01:54:16,790 --> 01:54:15,040

cryptos out there correct

3195

01:54:19,430 --> 01:54:16,800

because you can create a blockchain

3196

01:54:22,950 --> 01:54:19,440

based on anything

3197

01:54:25,750 --> 01:54:22,960

well the way i understand it and

3198

01:54:27,189 --> 01:54:25,760

all the blockchains that exist uh have

3199

01:54:31,109 --> 01:54:27,199

uh what they call a basic

3200

01:54:34,950 --> 01:54:31,119

coin or the a basic crypto

3201

01:54:36,950 --> 01:54:34,960

so like bitcoin is a bitcoin

3202

01:54:38,310 --> 01:54:36,960

oh so so basically the are you saying

3203

01:54:41,270 --> 01:54:38,320

that the infrastructure

3204

01:54:41,669 --> 01:54:41,280

the the blockchain in which each crypto

3205

01:54:43,750 --> 01:54:41,679

is

3206

01:54:44,790 --> 01:54:43,760

based on that's the same blockchain

3207

01:54:48,629 --> 01:54:44,800

being used

3208

01:54:51,830 --> 01:54:48,639

now to i guess develop different things

3209

01:54:55,189 --> 01:54:51,840

oh yes the blockchain let's say a block

3210

01:54:55,510 --> 01:54:55,199

is let's say three minutes of um an open

3211

01:54:58,709 --> 01:54:55,520

book

3212

01:55:01,830 --> 01:54:58,719

ledger all the transactions that occur

3213

01:55:05,990 --> 01:55:01,840

on the network are record

3214

01:55:08,950 --> 01:55:06,000

in a ledger so a block of three minutes

3215

01:55:09,910 --> 01:55:08,960

correspond of all the transactions that

3216

01:55:11,669 --> 01:55:09,920

occur

3217

01:55:12,950 --> 01:55:11,679

on the blockchain within that three

3218

01:55:15,830 --> 01:55:12,960

minutes

3219

01:55:16,830 --> 01:55:15,840

so that box get encrypted and a new

3220

01:55:19,669 --> 01:55:16,840

three minute blocks

3221

01:55:20,470 --> 01:55:19,679

starts and you cannot read the second

3222

01:55:23,430 --> 01:55:20,480

block

3223

01:55:25,510 --> 01:55:23,440

without being able to decrypt the first

3224

01:55:29,030 --> 01:55:25,520

and there and so on

3225

01:55:32,149 --> 01:55:29,040

you cannot alter

3226

01:55:35,030 --> 01:55:32,159

the history of the database because

3227

01:55:36,149 --> 01:55:35,040

okay it's secure that way well thank you

3228

01:55:38,709 --> 01:55:36,159

thank you very much for

3229

01:55:42,229 --> 01:55:38,719

for clarifying that would you maybe like

3230

01:55:48,950 --> 01:55:46,629

uh yeah well as an experimenter

3231

01:55:50,790 --> 01:55:48,960

well i have a very creative mind and

3232

01:55:55,350 --> 01:55:50,800

sometimes i wonder

3233

01:55:58,310 --> 01:55:55,360

where that creativity comes from because

3234

01:56:01,030 --> 01:55:58,320

it seems to me that there's there's

3235

01:56:04,470 --> 01:56:01,040

something uh

3236

01:56:06,550 --> 01:56:04,480

possibly um pushing thoughts on us on

3237

01:56:09,669 --> 01:56:06,560

people like

3238

01:56:11,910 --> 01:56:09,679

you know insights sometimes

3239

01:56:13,750 --> 01:56:11,920

right well i mean i was asking

3240

01:56:17,589 --> 01:56:13,760

specifically about the experience itself

3241

01:56:23,669 --> 01:56:19,189

when you say experience are you talking

3242

01:56:31,750 --> 01:56:28,070

yeah all that esps um

3243

01:56:36,149 --> 01:56:31,760

weird dreams uh out of body experiences

3244

01:56:39,189 --> 01:56:36,159

um everything that makes uh the weird uh

3245

01:56:42,870 --> 01:56:39,199

and fringe community i experienced it

3246

01:56:45,510 --> 01:56:42,880

since my childhood and i rather

3247

01:56:48,070 --> 01:56:45,520

kept it hidden because you know the

3248

01:56:50,149 --> 01:56:48,080

community and judgement from others

3249

01:56:51,430 --> 01:56:50,159

but you know over time learning about

3250

01:56:54,550 --> 01:56:51,440

the self-empowerment

3251

01:56:57,830 --> 01:56:54,560

and knowing to uh learning to

3252

01:56:58,870 --> 01:56:57,840

honor throat you know inner truth to be

3253

01:57:01,990 --> 01:56:58,880

in resonance

3254

01:57:02,709 --> 01:57:02,000

with the inner truth helps one being

3255

01:57:06,390 --> 01:57:02,719

more

3256

01:57:12,629 --> 01:57:06,400

powerful and

3257

01:57:18,950 --> 01:57:16,310

with truth and love yeah

3258

01:57:19,830 --> 01:57:18,960

okay um maybe you said this um can you

3259

01:57:24,470 --> 01:57:19,840

at least share

3260

01:57:28,070 --> 01:57:24,480

which general location you're from

3261

01:57:31,270 --> 01:57:28,080

i am from canada okay good deal

3262

01:57:32,790 --> 01:57:31,280

so um so any

3263

01:57:34,390 --> 01:57:32,800

you don't want to share any of the

3264

01:57:37,109 --> 01:57:34,400

specific ones now just

3265

01:57:38,629 --> 01:57:37,119

something give us a little little intro

3266

01:57:41,189 --> 01:57:38,639

to it

3267

01:57:42,550 --> 01:57:41,199

uh yeah well maybe i could uh invite

3268

01:57:44,629 --> 01:57:42,560

people because

3269

01:57:45,830 --> 01:57:44,639

my story a big bunch of my story i've

3270

01:57:49,430 --> 01:57:45,840

already told on

3271

01:57:52,709 --> 01:57:49,440

five blockchain so those posts

3272

01:57:55,430 --> 01:57:52,719

they cannot be deleted so

3273

01:57:58,070 --> 01:57:55,440

if i am saying something there that some

3274

01:58:01,189 --> 01:57:58,080

powers that they don't want me to say

3275

01:58:04,470 --> 01:58:01,199

well it's there anyway right

3276

01:58:05,990 --> 01:58:04,480

so instead of me spending a lot of time

3277

01:58:09,189 --> 01:58:06,000

right now to talk to your

3278

01:58:09,910 --> 01:58:09,199

listeners i invite them to to google or

3279

01:58:11,990 --> 01:58:09,920

something

3280

01:58:13,109 --> 01:58:12,000

to find a way to access the hive

3281

01:58:16,390 --> 01:58:13,119

blockchain

3282

01:58:20,870 --> 01:58:16,400

and look for the username new paradigm

3283

01:58:22,790 --> 01:58:20,880

tt so that's me me

3284

01:58:24,790 --> 01:58:22,800

are you on telegram using your computer

3285

01:58:28,629 --> 01:58:24,800

or the phone

3286

01:58:30,310 --> 01:58:28,639

i am on a phone almost out of battery

3287

01:58:32,229 --> 01:58:30,320

yeah okay oh yeah that's right you said

3288

01:58:33,030 --> 01:58:32,239

earlier what i was gonna say there's

3289

01:58:35,109 --> 01:58:33,040

also

3290

01:58:36,709 --> 01:58:35,119

because of i wanted the ability for

3291

01:58:40,870 --> 01:58:36,719

everyone to be able to comment

3292

01:58:42,790 --> 01:58:40,880

on the things i post on in on ufo hub

3293

01:58:44,470 --> 01:58:42,800

telegram for some reason requires them

3294

01:58:47,990 --> 01:58:44,480

to set up like a separate

3295

01:58:51,189 --> 01:58:48,000

uh i guess separate link or

3296

01:58:53,750 --> 01:58:51,199

room for it and it's called ufo hub chat

3297

01:58:54,550 --> 01:58:53,760

so from the main ufo hub group which you

3298

01:58:56,229 --> 01:58:54,560

are in now

3299

01:58:57,990 --> 01:58:56,239

obviously because we're listening you

3300

01:59:00,470 --> 01:58:58,000

know you'll be able to log in

3301  
01:59:01,270 --> 01:59:00,480  
there's ufo hub chat and in there you

3302  
01:59:04,550 --> 01:59:01,280  
can

3303  
01:59:07,750 --> 01:59:04,560  
yourself in there

3304  
01:59:10,229 --> 01:59:07,760  
so that anyone else that sees it can

3305  
01:59:11,350 --> 01:59:10,239  
can visit it and go see what it is now

3306  
01:59:13,589 --> 01:59:11,360  
you explain to me what

3307  
01:59:14,470 --> 01:59:13,599  
i usually just you know discourage

3308  
01:59:16,149 --> 01:59:14,480  
things that are

3309  
01:59:17,589 --> 01:59:16,159  
pornographic in nature or something

3310  
01:59:19,510 --> 01:59:17,599  
disturbing and some

3311  
01:59:21,350 --> 01:59:19,520  
silly stuff but if it's something

3312  
01:59:22,550 --> 01:59:21,360  
pertinent to the subject we talked about

3313  
01:59:24,550 --> 01:59:22,560

i welcome people

3314

01:59:28,390 --> 01:59:24,560

you know to share you know something

3315

01:59:30,310 --> 01:59:28,400

what you just mentioned or other things

3316

01:59:31,430 --> 01:59:30,320

of course thank you yes i'll do i'll

3317

01:59:33,669 --> 01:59:31,440

post bling

3318

01:59:35,109 --> 01:59:33,679

and i'll say you uh goodbye and thank

3319

01:59:39,030 --> 01:59:35,119

you for receiving me tonight

3320

01:59:42,390 --> 01:59:39,040

thank you thank you thank you

3321

01:59:42,950 --> 01:59:42,400

all right um so if if no one else wants

3322

01:59:46,310 --> 01:59:42,960

to

3323

01:59:50,870 --> 01:59:46,320

this conversation

3324

01:59:53,830 --> 01:59:50,880

um on on telegram i i guess we can um

3325

01:59:54,229 --> 01:59:53,840

you know end it today uh for today i'm

3326

01:59:57,669 --> 01:59:54,239

still

3327

01:59:59,669 --> 01:59:57,679

trying to um to figure out some things

3328

02:00:00,950 --> 01:59:59,679

which had delayed me and trying to find

3329

02:00:03,189 --> 02:00:00,960

a guest this friday

3330

02:00:04,390 --> 02:00:03,199

but as soon as i have a guest you will

3331

02:00:07,430 --> 02:00:04,400

know because then i

3332

02:00:10,470 --> 02:00:07,440

i'll usually post this the stream

3333

02:00:13,830 --> 02:00:10,480

um up there and uh

3334

02:00:15,750 --> 02:00:13,840

you'll be able to um

3335

02:00:18,070 --> 02:00:15,760

to see it as part of the page because

3336

02:00:20,070 --> 02:00:18,080

it'll be scheduled saying friday 7 p.m

3337

02:00:21,990 --> 02:00:20,080

central time and then it'll show up

3338

02:00:24,149 --> 02:00:22,000

which guest is going to be on

3339

02:00:25,510 --> 02:00:24,159

i know i'm having a an interview

3340

02:00:28,070 --> 02:00:25,520

tomorrow which will

3341

02:00:29,109 --> 02:00:28,080

be part of the webcast which i'll post

3342

02:00:32,790 --> 02:00:29,119

next week

3343

02:00:35,830 --> 02:00:32,800

and um you'll find out more about that

3344

02:00:36,790 --> 02:00:35,840

but um i guess maybe it might be too

3345

02:00:39,189 --> 02:00:36,800

late now because

3346

02:00:40,070 --> 02:00:39,199

not enough people could you know are

3347

02:00:42,709 --> 02:00:40,080

probably aware

3348

02:00:44,070 --> 02:00:42,719

are watching right now but i will most

3349

02:00:47,189 --> 02:00:44,080

likely gonna have a

3350

02:00:50,709 --> 02:00:47,199

a interview or a live show

3351  
02:00:52,950 --> 02:00:50,719  
on monday just for this one time um

3352  
02:00:54,070 --> 02:00:52,960  
at least for next week because this

3353  
02:00:56,790 --> 02:00:54,080  
person that

3354  
02:00:57,990 --> 02:00:56,800  
i have not 100 confirmed i think you

3355  
02:01:00,629 --> 02:00:58,000  
guys would like very much

3356  
02:01:02,070 --> 02:01:00,639  
he's a very well-known uh figure in the

3357  
02:01:05,030 --> 02:01:02,080  
ufo community

3358  
02:01:06,870 --> 02:01:05,040  
and he cannot do any of the other days

3359  
02:01:09,750 --> 02:01:06,880  
but monday at 7 pm

3360  
02:01:10,470 --> 02:01:09,760  
works best for him so i hope you can

3361  
02:01:13,109 --> 02:01:10,480  
tune in

3362  
02:01:14,629 --> 02:01:13,119  
and just you know listen to the

3363  
02:01:15,430 --> 02:01:14,639

interview and then chime in with some

3364

02:01:19,510 --> 02:01:15,440

questions later

3365

02:01:21,430 --> 02:01:19,520

later on but um yeah so

3366

02:01:23,510 --> 02:01:21,440

occasionally as i mentioned in other

3367

02:01:25,510 --> 02:01:23,520

shows i would have to do

3368

02:01:27,109 --> 02:01:25,520

some odd days where i have like let's

3369

02:01:28,950 --> 02:01:27,119

say a monday live show

3370

02:01:30,390 --> 02:01:28,960

and i'll still have wednesdays open

3371

02:01:34,629 --> 02:01:30,400

lines and fridays

3372

02:01:38,229 --> 02:01:34,639

um fridays live stream as well

3373

02:01:39,189 --> 02:01:38,239

but this would be a third live stream

3374

02:01:41,910 --> 02:01:39,199

for that week

3375

02:01:42,790 --> 02:01:41,920

which would be monday but it's not 100

3376

02:01:44,950 --> 02:01:42,800

confirmed

3377

02:01:46,149 --> 02:01:44,960

and uh once i know that for sure i'll

3378

02:01:47,750 --> 02:01:46,159

create again a

3379

02:01:49,990 --> 02:01:47,760

live stream put it out there and it'll

3380

02:01:53,430 --> 02:01:50,000

be clear that it's happening

3381

02:01:54,950 --> 02:01:53,440

plus also on the ufo hub youtube channel

3382

02:01:57,830 --> 02:01:54,960

under the community tab

3383

02:01:58,629 --> 02:01:57,840

i like to keep you guys posted as often

3384

02:02:01,830 --> 02:01:58,639

as i can

3385

02:02:02,470 --> 02:02:01,840

so please keep keep keep a look out for

3386

02:02:04,950 --> 02:02:02,480

that

3387

02:02:05,510 --> 02:02:04,960

and just anything new will pop out on

3388

02:02:08,310 --> 02:02:05,520

there

3389

02:02:09,109 --> 02:02:08,320

i use some of the other platforms as

3390

02:02:12,629 --> 02:02:09,119

well like

3391

02:02:14,790 --> 02:02:12,639

facebook and twitter but i find

3392

02:02:15,990 --> 02:02:14,800

it's more engaging using youtube and the

3393

02:02:18,149 --> 02:02:16,000

community tab

3394

02:02:19,589 --> 02:02:18,159

and using telegram than any of these

3395

02:02:20,629 --> 02:02:19,599

other platforms i don't know what's

3396

02:02:22,950 --> 02:02:20,639

going on if it's

3397

02:02:25,350 --> 02:02:22,960

like shadow banning or just less

3398

02:02:28,070 --> 02:02:25,360

engagement or whatever it is the point

3399

02:02:29,750 --> 02:02:28,080

uh is that i feel like i'm getting to

3400

02:02:32,790 --> 02:02:29,760

more people using

3401

02:02:34,629 --> 02:02:32,800

the community tab to post messages there

3402

02:02:35,189 --> 02:02:34,639

as opposed to any of the other social

3403

02:02:37,109 --> 02:02:35,199

media

3404

02:02:39,109 --> 02:02:37,119

but of course whatever i post there i

3405

02:02:41,030 --> 02:02:39,119

copy and paste it throughout so that if

3406

02:02:43,430 --> 02:02:41,040

you are following your for hub on

3407

02:02:44,070 --> 02:02:43,440

on facebook or twitter you'll still be

3408

02:02:47,589 --> 02:02:44,080

able to

3409

02:02:50,709 --> 02:02:47,599

to see what's going on okay

3410

02:02:51,109 --> 02:02:50,719

all right well there's i guess no one

3411

02:02:54,149 --> 02:02:51,119

else

3412

02:02:54,870 --> 02:02:54,159

wants raising your hand to to chat and

3413

02:02:57,030 --> 02:02:54,880

um

3414

02:02:59,109 --> 02:02:57,040

it sounds like you guys have been having

3415

02:03:01,109 --> 02:02:59,119

an awesome time in the chat room

3416

02:03:03,109 --> 02:03:01,119

going back and forth i don't you know

3417

02:03:05,510 --> 02:03:03,119

unfortunately i don't have a moderator

3418

02:03:06,149 --> 02:03:05,520

so i'm hoping that things were going

3419

02:03:09,589 --> 02:03:06,159

okay

3420

02:03:10,310 --> 02:03:09,599

i'm working on um uh getting somebody to

3421

02:03:13,030 --> 02:03:10,320

just kind of

3422

02:03:14,070 --> 02:03:13,040

keep an eye on on the chat because

3423

02:03:16,950 --> 02:03:14,080

sometimes

3424

02:03:18,310 --> 02:03:16,960

some people are constantly being rude or

3425

02:03:20,470 --> 02:03:18,320

belligerent to

3426

02:03:22,070 --> 02:03:20,480

you know have them basically removed so

3427

02:03:23,510 --> 02:03:22,080

that the rest of the group can

3428

02:03:25,270 --> 02:03:23,520

you know have a have a peaceful

3429

02:03:28,390 --> 02:03:25,280

conversation

3430

02:03:29,189 --> 02:03:28,400

but okay so thank you all very much

3431

02:03:32,470 --> 02:03:29,199

everyone

3432

02:03:34,709 --> 02:03:32,480

on telegram thanks um thanks a lot for

3433

02:03:35,510 --> 02:03:34,719

for being on i really appreciate you and

3434

02:03:38,149 --> 02:03:35,520

um

3435

02:03:39,510 --> 02:03:38,159

uh tune in again next week and uh love

3436

02:03:42,629 --> 02:03:39,520

to chat with you guys

3437

02:03:44,870 --> 02:03:42,639

um if you like this video please

3438

02:03:46,310 --> 02:03:44,880

uh subscribe or hit a like which would

3439

02:03:49,350 --> 02:03:46,320

help with the

3440

02:03:50,310 --> 02:03:49,360

youtube algorithm and of course share it

3441

02:03:52,550 --> 02:03:50,320

with your friends

3442

02:03:53,350 --> 02:03:52,560

and let them know about it if they're

3443

02:03:56,229 --> 02:03:53,360

just

3444

02:03:58,550 --> 02:03:56,239

interested in listening or maybe sharing

3445

02:04:00,709 --> 02:03:58,560

some of their stories themselves

3446

02:04:01,589 --> 02:04:00,719

let them know how they can do that using

3447

02:04:03,510 --> 02:04:01,599

telegram

3448

02:04:04,870 --> 02:04:03,520

and that way they'll connect to me

3449

02:04:07,669 --> 02:04:04,880

directly and

3450

02:04:08,870 --> 02:04:07,679

we can we can discuss the stories so

3451

02:04:11,990 --> 02:04:08,880

anyway

3452

02:04:13,589 --> 02:04:12,000

everyone in telegram have a good day

3453

02:04:14,310 --> 02:04:13,599

have a good night wherever you are i

3454

02:04:17,109 --> 02:04:14,320

appreciate it

3455

02:04:17,750 --> 02:04:17,119

everyone in chat on youtube thank you

3456

02:04:21,430 --> 02:04:17,760

all

3457

02:04:25,109 --> 02:04:21,440

um have a good day have a good night and

3458

02:04:27,669 --> 02:04:25,119

so tune in friday 7 p.m central time

3459

02:04:30,149 --> 02:04:27,679

and hopefully but then we'll have a

3460

02:04:32,069 --> 02:04:30,159

guest secured and we'll go from there
