LIVE STREAM

1
00:00:14,960 --> 00:00:42,830
my

2
00:02:20,830 --> 00:01:52,830
so

3
00:02:20,840 --> 00:03:48,550
do

4
00:03:52,869 --> 00:03:50,710
hi everyone welcome to the ufo hub live

5
00:03:55,350 --> 00:03:52,879
stream uh today's guest is going to be

6
00:03:57,350 --> 00:03:55,360
debbie cobble and i will be talking to

7
00:03:59,509 --> 00:03:57,360
her about her upcoming book called

8
00:04:00,470 --> 00:03:59,519
extraordinary contact life beyond

9
00:04:02,630 --> 00:04:00,480
intruders

10
00:04:03,830 --> 00:04:02,640
and whatever else might be coming up of

11
00:04:06,630 --> 00:04:03,840
course as always

12
00:04:07,589 --> 00:04:06,640
when we're getting close to finish up

13
00:04:09,830 --> 00:04:07,599

we'll be doing some

14

00:04:12,149 --> 00:04:09,840

q a so i hope you have your questions

15

00:04:13,429 --> 00:04:12,159

ready but uh first uh before we get

16

00:04:14,070 --> 00:04:13,439

started i would like to go over some

17

00:04:17,430 --> 00:04:14,080

some

18

00:04:20,069 --> 00:04:17,440

quick information so as you guys know

19

00:04:20,949 --> 00:04:20,079

things have been uh kind of busy for me

20

00:04:23,749 --> 00:04:20,959

here so

21

00:04:24,390 --> 00:04:23,759

um it's finally coming to a point where

22

00:04:26,629 --> 00:04:24,400

i can

23

00:04:28,070 --> 00:04:26,639

you know it's not interfering with so

24

00:04:31,350 --> 00:04:28,080

many interviews and and

25

00:04:33,350 --> 00:04:31,360

what i do here with the ufo hub so

26

00:04:35,430 --> 00:04:33,360

uh next week i'm going to have of course

27

00:04:38,629 --> 00:04:35,440

wednesday open lines as always

28

00:04:40,550 --> 00:04:38,639

so uh just install a telegram join the

29

00:04:41,350 --> 00:04:40,560

ufo hub group and i'll be able to talk

30

00:04:43,830 --> 00:04:41,360

to you that way

31

00:04:44,629 --> 00:04:43,840

as as you might have seen before so

32

00:04:46,790 --> 00:04:44,639

we're just

33

00:04:48,390 --> 00:04:46,800

simply sharing stories and just talking

34

00:04:50,629 --> 00:04:48,400

and hanging out online

35

00:04:52,390 --> 00:04:50,639

uh and then of course i'm not quite sure

36

00:04:54,230 --> 00:04:52,400

yet who i'm gonna have friday

37

00:04:55,430 --> 00:04:54,240

but uh something that's gonna be a bit

38

00:04:58,310 --> 00:04:55,440

different next week

39

00:05:00,070 --> 00:04:58,320

is that on monday i'm already have a

40

00:05:03,189 --> 00:05:00,080

confirmed date to talk to

41

00:05:05,110 --> 00:05:03,199

whitley streep so if you guys could um

42

00:05:07,029 --> 00:05:05,120

you know i'm sorry if it kind of messes

43

00:05:09,110 --> 00:05:07,039

up anything but i hope you could

44

00:05:10,870 --> 00:05:09,120

join me on monday it's also going to be

45

00:05:12,790 --> 00:05:10,880

at 7 pm central time

46

00:05:14,790 --> 00:05:12,800

and that was the only time we could work

47

00:05:16,710 --> 00:05:14,800

out i was hoping that maybe

48

00:05:19,189 --> 00:05:16,720

to get him on on a friday but it was

49

00:05:21,189 --> 00:05:19,199

just too busy so i figured um

50

00:05:22,550 --> 00:05:21,199

it would work out to just switch

51

00:05:24,469 --> 00:05:22,560

occasionally on the day

52

00:05:25,590 --> 00:05:24,479

and of course i'm sure some of you

53

00:05:29,029 --> 00:05:25,600

wouldn't mind either

54

00:05:32,469 --> 00:05:29,039

so anyway with uh that being said

55

00:05:34,710 --> 00:05:32,479

uh let me do some switching here

56

00:05:36,469 --> 00:05:34,720

all right uh well debbie thanks for

57

00:05:38,629 --> 00:05:36,479

being on welcome

58

00:05:40,310 --> 00:05:38,639

thank you thanks for having me i

59

00:05:42,790 --> 00:05:40,320

appreciate it

60

00:05:44,710 --> 00:05:42,800

well um so i figured uh if you could

61

00:05:46,629 --> 00:05:44,720

maybe start out with a little bit of

62

00:05:49,029 --> 00:05:46,639

background information about yourself

63

00:05:52,950 --> 00:05:49,039

and then we'll go from there

64

00:05:54,870 --> 00:05:52,960

all right well um

65

00:05:57,909 --> 00:05:54,880

it's been a long time since intruders

66

00:06:00,390 --> 00:05:57,919

was published and it's just recently

67

00:06:01,350 --> 00:06:00,400

being republished and re-available for

68

00:06:04,710 --> 00:06:01,360

the public

69

00:06:07,270 --> 00:06:04,720

but i am the kathy davis

70

00:06:08,629 --> 00:06:07,280

that bud hopkins wrote about in

71

00:06:10,629 --> 00:06:08,639

intruders

72

00:06:12,790 --> 00:06:10,639

that book was about my life and the

73

00:06:16,309 --> 00:06:12,800

things that i had experienced

74

00:06:18,830 --> 00:06:16,319

up until that point and in particular

75

00:06:20,469 --> 00:06:18,840

an incident that happened on june 30th

76

00:06:24,070 --> 00:06:20,479

1983

77

00:06:26,629 --> 00:06:24,080

at my mom and dad's home that

78

00:06:27,430 --> 00:06:26,639

left a mark in the yard that lasted for

79

00:06:30,710 --> 00:06:27,440

a couple years

80

00:06:31,749 --> 00:06:30,720

damaged the soil uh made my dog really

81

00:06:34,070 --> 00:06:31,759

sick

82

00:06:35,350 --> 00:06:34,080

to the point where she actually had to

83

00:06:37,990 --> 00:06:35,360

be put down

84

00:06:38,469 --> 00:06:38,000

a few months later and made me really

85

00:06:41,430 --> 00:06:38,479

sick

86

00:06:43,029 --> 00:06:41,440

and also triggered a lot of memories to

87

00:06:46,230 --> 00:06:43,039

come back

88

00:06:49,670 --> 00:06:46,240

of other

89

00:06:53,350 --> 00:06:49,680

contact with something um

90

00:06:54,950 --> 00:06:53,360

alien uh i use the word alien because

91

00:06:57,830 --> 00:06:54,960

it's something that i don't know what it

92

00:07:03,189 --> 00:06:57,840

is so um

93

00:07:06,070 --> 00:07:03,199

anyway um i've had a lot of experiences

94

00:07:07,830 --> 00:07:06,080

witnessing ufos i've had a couple of

95

00:07:14,830 --> 00:07:07,840

pretty

96

00:07:18,230 --> 00:07:16,150

um

97

00:07:20,710 --> 00:07:18,240

incidents in my life nothing like june

98

00:07:23,909 --> 00:07:20,720

3083 that left the mark in the yard but

99

00:07:27,510 --> 00:07:23,919

there was a thing that happened um

100

00:07:29,510 --> 00:07:27,520

to me in 2005 that was kind of

101
00:07:30,790 --> 00:07:29,520
involved the whole town i live in in a

102
00:07:32,150 --> 00:07:30,800
way

103
00:07:34,550 --> 00:07:32,160
i could talk about that in a little

104
00:07:38,309 --> 00:07:34,560
while if you remind me

105
00:07:41,510 --> 00:07:38,319
and um you know i

106
00:07:43,270 --> 00:07:41,520
i eventually and one of the ways i deal

107
00:07:44,150 --> 00:07:43,280
with things that scare me is i try to

108
00:07:46,150 --> 00:07:44,160
learn all

109
00:07:47,670 --> 00:07:46,160
that i can can about it because i feel

110
00:07:50,629 --> 00:07:47,680
like knowledge is power

111
00:07:52,070 --> 00:07:50,639
so back in the 90s i became an

112
00:07:54,869 --> 00:07:52,080
investigator for mufon

113
00:07:56,070 --> 00:07:54,879

and i went on to investigate quite a few

114

00:08:00,869 --> 00:07:56,080

cases over

115

00:08:06,550 --> 00:08:03,909

and then in about 2005

116

00:08:08,469 --> 00:08:06,560

i started getting more interested in

117

00:08:10,710 --> 00:08:08,479

paranormal stuff

118

00:08:12,150 --> 00:08:10,720

like um what people would call like

119

00:08:15,990 --> 00:08:12,160

ghost hunting

120

00:08:19,189 --> 00:08:16,000

and i joined a group down in

121

00:08:22,469 --> 00:08:19,199

indianapolis and i kind of helped bring

122

00:08:25,350 --> 00:08:22,479

the paranormal and ufology together

123

00:08:26,950 --> 00:08:25,360

in at least in the state of indiana i

124

00:08:27,830 --> 00:08:26,960

kind of helped do that which i was kind

125

00:08:31,909 --> 00:08:27,840

of proud of

126

00:08:36,070 --> 00:08:31,919

and um i got really interested in

127

00:08:38,790 --> 00:08:36,080

collecting evps seems like that's my

128

00:08:40,550 --> 00:08:38,800

the best thing i do i uh some of the

129

00:08:44,070 --> 00:08:40,560

people that i worked with call me the

130

00:08:47,350 --> 00:08:44,080

antenna i could get i can get evps

131

00:08:48,550 --> 00:08:47,360

on my recorder uh and somebody else

132

00:08:50,790 --> 00:08:48,560

sitting right next to me with their

133

00:08:53,509 --> 00:08:50,800

recorder running it won't even

134

00:08:55,350 --> 00:08:53,519

red they don't even get it so i don't

135

00:08:58,870 --> 00:08:55,360

know what that's about

136

00:09:01,030 --> 00:08:58,880

um but anyway

137

00:09:02,550 --> 00:09:01,040

i don't i don't know there's just so

138

00:09:06,630 --> 00:09:02,560

much i'm

139

00:09:08,550 --> 00:09:06,640

i've got 50 years of odd experiences in

140

00:09:11,750 --> 00:09:08,560

a strange life

141

00:09:16,630 --> 00:09:11,760

and bud wrote intruders and

142

00:09:19,190 --> 00:09:16,640

um i think it was published in 92 maybe

143

00:09:20,389 --> 00:09:19,200

um and then there was a mini series of

144

00:09:24,230 --> 00:09:20,399

the same

145

00:09:26,470 --> 00:09:24,240

roughly based on that book

146

00:09:28,070 --> 00:09:26,480

it was on cbs and i think that was in 92

147

00:09:31,509 --> 00:09:28,080

or 93

148

00:09:38,070 --> 00:09:34,710

my life continued on after intruders

149

00:09:39,990 --> 00:09:38,080

and i had in

150

00:09:41,350 --> 00:09:40,000

you know different weird strange kind of

151

00:09:44,630 --> 00:09:41,360

encounters and

152

00:09:47,670 --> 00:09:44,640

paranormal experiences later on

153

00:09:49,110 --> 00:09:47,680

and um and then life threw me some real

154

00:09:52,389 --> 00:09:49,120

big curveballs

155

00:09:53,910 --> 00:09:52,399

just what normal life well i wouldn't

156

00:09:56,630 --> 00:09:53,920

call it normal i had a

157

00:09:58,310 --> 00:09:56,640

house dropped on me by a tornado and i

158

00:09:58,949 --> 00:09:58,320

went through a suicide with my late

159

00:10:01,670 --> 00:09:58,959

husband

160

00:10:02,389 --> 00:10:01,680

and other things like that but i came

161

00:10:05,829 --> 00:10:02,399

through it all

162

00:10:08,310 --> 00:10:05,839

and that's quite a bit to go through

163

00:10:09,269 --> 00:10:08,320

i you know there there are times i could

164

00:10:27,430 --> 00:10:09,279

i

165

00:10:29,269 --> 00:10:27,440

recently

166

00:10:31,509 --> 00:10:29,279

it's going to be published uh it's going

167

00:10:34,470 --> 00:10:31,519

to be available on may the 30th

168

00:10:37,030 --> 00:10:34,480

that you spoke of earlier it's just like

169

00:10:40,630 --> 00:10:37,040

a compilation of

170

00:10:44,150 --> 00:10:40,640

my experiences that prompted

171

00:10:47,430 --> 00:10:44,160

the book intruders and

172

00:10:49,670 --> 00:10:47,440

how my life evolved after that

173

00:10:51,990 --> 00:10:49,680

and it does include you know some of

174

00:10:54,550 --> 00:10:52,000

these uh

175

00:10:55,269 --> 00:10:54,560

stories of uh the hard stuff that i went

176
00:10:58,829 --> 00:10:55,279
through

177
00:11:01,990 --> 00:10:58,839
with my husband and with the tornado but

178
00:11:05,350 --> 00:11:02,000
um it

179
00:11:06,230 --> 00:11:05,360
my goal was to share that part of myself

180
00:11:08,470 --> 00:11:06,240
with people and

181
00:11:10,949 --> 00:11:08,480
show people that you can get through all

182
00:11:13,269 --> 00:11:10,959
this crazy stuff and come out

183
00:11:13,990 --> 00:11:13,279
better than ever i mean because i feel

184
00:11:17,670 --> 00:11:14,000
like now

185
00:11:19,350 --> 00:11:17,680
at this point in my life i am uh

186
00:11:21,269 --> 00:11:19,360
i've learned that i'm a lot stronger

187
00:11:24,069 --> 00:11:21,279
person than i thought i was

188
00:11:25,350 --> 00:11:24,079

and the experiences that i had early on

189

00:11:28,389 --> 00:11:25,360

that were scary and

190

00:11:31,910 --> 00:11:28,399

physical have changed

191

00:11:34,470 --> 00:11:31,920

um and it's changed me you know

192

00:11:36,310 --> 00:11:34,480

i'm not having as much what i would

193

00:11:38,630 --> 00:11:36,320

consider physical contact

194

00:11:40,310 --> 00:11:38,640

with whatever this life form is that i

195

00:11:43,430 --> 00:11:40,320

have contact with

196

00:11:44,230 --> 00:11:43,440

but there it's something is still

197

00:11:46,870 --> 00:11:44,240

happening

198

00:11:48,550 --> 00:11:46,880

it's on just a different level it's on a

199

00:11:51,829 --> 00:11:48,560

a psychological level

200

00:11:54,790 --> 00:11:51,839

an intellectual level a spiritual level

201
00:11:55,350 --> 00:11:54,800
so um well debbie uh what do you say if

202
00:11:57,430 --> 00:11:55,360
we

203
00:11:59,030 --> 00:11:57,440
covered a little bit about what was

204
00:12:01,030 --> 00:11:59,040
originally um

205
00:12:03,350 --> 00:12:01,040
what was religion written about in

206
00:12:06,069 --> 00:12:03,360
intruders to give

207
00:12:08,069 --> 00:12:06,079
that background aspect and then we'll go

208
00:12:10,550 --> 00:12:08,079
into what you have uh going on in your

209
00:12:12,949 --> 00:12:10,560
new book

210
00:12:15,670 --> 00:12:12,959
okay intruders kind of it revolves

211
00:12:17,430 --> 00:12:15,680
around a june 30th 1983 incident that

212
00:12:21,269 --> 00:12:17,440
occurred at my parents

213
00:12:23,350 --> 00:12:21,279

home i was a single mom that had just

214

00:12:24,629 --> 00:12:23,360

recently had not too long ago moved back

215

00:12:26,389 --> 00:12:24,639

home with my parents going through a

216

00:12:29,509 --> 00:12:26,399

divorce

217

00:12:31,430 --> 00:12:29,519

and i was uh to make a little extra

218

00:12:32,949 --> 00:12:31,440

money i was cutting out patterns for a

219

00:12:35,430 --> 00:12:32,959

gal that lived behind us who was a

220

00:12:37,750 --> 00:12:35,440

friend of mine who made costumes

221

00:12:39,990 --> 00:12:37,760

and uh she'd pay me you know buy the

222

00:12:41,509 --> 00:12:40,000

piece to come and cut stuff out for her

223

00:12:44,069 --> 00:12:41,519

so i was getting ready to go over there

224

00:12:46,069 --> 00:12:44,079

and cut some patterns with her

225

00:12:47,509 --> 00:12:46,079

that night and as i was standing at the

226

00:12:49,110 --> 00:12:47,519

kitchen window

227

00:12:50,470 --> 00:12:49,120

waiting and you know washing my hands

228

00:12:51,030 --> 00:12:50,480

and waiting you know getting ready to

229

00:12:53,350 --> 00:12:51,040

leave

230

00:12:54,710 --> 00:12:53,360

i noticed an odd light in the pump house

231

00:12:56,389 --> 00:12:54,720

of the swimming pool that was out in the

232

00:13:00,230 --> 00:12:56,399

backyard

233

00:13:02,870 --> 00:13:00,240

and the pump house wasn't very big uh

234

00:13:04,230 --> 00:13:02,880

and it was like half the size of a like

235

00:13:07,350 --> 00:13:04,240

a aluminum shed

236

00:13:09,509 --> 00:13:07,360

you know only it was made of sandstone

237

00:13:11,590 --> 00:13:09,519

anyway something weird was there was

238

00:13:14,710 --> 00:13:11,600

something weird about the light that

239

00:13:16,389 --> 00:13:14,720

struck me odd that it just didn't seem

240

00:13:19,990 --> 00:13:16,399

like the right color

241

00:13:21,350 --> 00:13:20,000

but uh and i thought to myself i

242

00:13:24,150 --> 00:13:21,360

remember thinking to myself why is the

243

00:13:27,190 --> 00:13:24,160

door open because i knew i had shut it

244

00:13:28,870 --> 00:13:27,200

when i was out there last and i pointed

245

00:13:31,030 --> 00:13:28,880

it out to my mother

246

00:13:32,389 --> 00:13:31,040

and she kind of like don't worry about

247

00:13:34,069 --> 00:13:32,399

it you know

248

00:13:35,430 --> 00:13:34,079

my father was uh working the second

249

00:13:37,509 --> 00:13:35,440

shift at the

250

00:13:38,949 --> 00:13:37,519

that time and she said he'll be home

251
00:13:41,750 --> 00:13:38,959
later

252
00:13:42,389 --> 00:13:41,760
so i got my car and instead of just

253
00:13:45,750 --> 00:13:42,399
driving

254
00:13:48,389 --> 00:13:45,760
off i decided to go uh

255
00:13:49,670 --> 00:13:48,399
mom this house was a like a tri-level

256
00:13:51,590 --> 00:13:49,680
and it had two garage

257
00:13:53,829 --> 00:13:51,600
or two driveways one that went down into

258
00:13:56,230 --> 00:13:53,839
the front of the house in front of the

259
00:13:57,030 --> 00:13:56,240
attached two-car garage and then another

260
00:13:58,949 --> 00:13:57,040
drive

261
00:14:00,550 --> 00:13:58,959
that forked off and went along the side

262
00:14:02,870 --> 00:14:00,560
of the house

263
00:14:04,870 --> 00:14:02,880

past the swimming pool and then was like

264

00:14:05,509 --> 00:14:04,880

a circle in front of my dad's workshop

265

00:14:08,069 --> 00:14:05,519

which was back

266

00:14:09,350 --> 00:14:08,079

farther behind the house so i thought

267

00:14:11,670 --> 00:14:09,360

i'm just going to drive back around

268

00:14:15,829 --> 00:14:11,680

there and just take a look

269

00:14:16,310 --> 00:14:15,839

not thinking at all about aliens or ufo

270

00:14:18,550 --> 00:14:16,320

stuff

271

00:14:19,509 --> 00:14:18,560

whatsoever i was thinking about burglars

272

00:14:22,790 --> 00:14:19,519

and

273

00:14:25,110 --> 00:14:22,800

you know

274

00:14:25,829 --> 00:14:25,120

so anyway i i drove down the turnaround

275

00:14:28,550 --> 00:14:25,839

and came back

276

00:14:31,590 --> 00:14:28,560

up and at that point i noted the light

277

00:14:35,430 --> 00:14:31,600

was gone out of the pump house

278

00:14:37,269 --> 00:14:35,440

and uh i also noted that the door

279

00:14:38,629 --> 00:14:37,279

the pedestrian door to the attached

280

00:14:40,310 --> 00:14:38,639

garage was now open

281

00:14:42,629 --> 00:14:40,320

and i knew that wasn't supposed to be

282

00:14:44,470 --> 00:14:42,639

open because my dog penny

283

00:14:45,829 --> 00:14:44,480

was supposed to be in the garage we used

284

00:14:48,870 --> 00:14:45,839

to keep her in there at night

285

00:14:51,030 --> 00:14:48,880

because she was like

286

00:14:52,550 --> 00:14:51,040

the neighborhood floozy and we didn't

287

00:14:55,269 --> 00:14:52,560

want more puppies so

288

00:14:56,870 --> 00:14:55,279

we'd keep her in there at night she

289

00:14:59,110 --> 00:14:56,880

didn't like being in the house

290

00:15:00,790 --> 00:14:59,120

but she loved her little place in the

291

00:15:03,750 --> 00:15:00,800

garage

292

00:15:05,350 --> 00:15:03,760

anyway i made note of that and then i

293

00:15:07,030 --> 00:15:05,360

went

294

00:15:09,509 --> 00:15:07,040

to my friend's house was was right

295

00:15:11,269 --> 00:15:09,519

behind ours like took two minutes to get

296

00:15:13,910 --> 00:15:11,279

there and i called my mom

297

00:15:15,670 --> 00:15:13,920

and i told her what i'd seen i thought

298

00:15:16,150 --> 00:15:15,680

maybe the light bulb had just burned out

299

00:15:19,350 --> 00:15:16,160

in the

300

00:15:21,110 --> 00:15:19,360

pump house you know uh

301

00:15:22,870 --> 00:15:21,120

she said don't worry about it it's not

302

00:15:25,670 --> 00:15:22,880

that big a deal your dad will be home

303

00:15:27,030 --> 00:15:25,680

you know i'm like okay fine so i hung up

304

00:15:28,870 --> 00:15:27,040

and as soon as i hung up she called

305

00:15:31,430 --> 00:15:28,880

right back

306

00:15:33,030 --> 00:15:31,440

and i picked the phone up like i hadn't

307

00:15:34,790 --> 00:15:33,040

even really taken my hand off of the

308

00:15:36,710 --> 00:15:34,800

receiver when it rang again and picked

309

00:15:38,230 --> 00:15:36,720

it back up and it was my mom and it was

310

00:15:41,269 --> 00:15:38,240

her voice and she says

311

00:15:43,350 --> 00:15:41,279

i want you to come home right now and i

312

00:15:46,710 --> 00:15:43,360

was taken aback by this because

313

00:15:50,470 --> 00:15:46,720

nothing ever scared my mom my mom

314

00:15:52,629 --> 00:15:50,480

was a rock and she sounded scared

315

00:15:54,069 --> 00:15:52,639

and i said mom what's the matter and

316

00:15:57,829 --> 00:15:54,079

she's like i just want you to come home

317

00:15:59,670 --> 00:15:57,839

right now she never told me why

318

00:16:01,509 --> 00:15:59,680

until like a week later she said she'd

319

00:16:02,550 --> 00:16:01,519

seen a ball of light around the bird

320

00:16:04,069 --> 00:16:02,560

feeder out by the

321

00:16:06,230 --> 00:16:04,079

and behind the kitchen window where i

322

00:16:07,590 --> 00:16:06,240

had been standing looking out

323

00:16:09,509 --> 00:16:07,600

but she didn't tell me that to like a

324

00:16:15,749 --> 00:16:09,519

week later

325

00:16:19,430 --> 00:16:17,269

my friend's husband heard the

326

00:16:22,629 --> 00:16:19,440

conversation and he could hear that

327

00:16:25,509 --> 00:16:22,639

something was wrong and he

328

00:16:26,949 --> 00:16:25,519

yelled over me into the phone to my mom

329

00:16:27,829 --> 00:16:26,959

call the police that's what we pay him

330

00:16:29,430 --> 00:16:27,839

for

331

00:16:31,110 --> 00:16:29,440

and my mom heard him and she said i

332

00:16:33,030 --> 00:16:31,120

don't want anybody here but you and i'm

333

00:16:33,509 --> 00:16:33,040

like okay so i hung up and i went back

334

00:16:38,230 --> 00:16:33,519

home

335

00:16:40,629 --> 00:16:38,240

took me two minutes i got uh

336

00:16:42,069 --> 00:16:40,639

i pulled up the side yard where i had

337

00:16:43,189 --> 00:16:42,079

originally gone driving around the

338

00:16:45,189 --> 00:16:43,199

turnaround

339

00:16:46,710 --> 00:16:45,199

and got out parked there next to the

340

00:16:48,470 --> 00:16:46,720

patio room and

341

00:16:51,670 --> 00:16:48,480

went in my mom was standing in the

342

00:16:54,389 --> 00:16:51,680

doorway and i walked into the door

343

00:16:56,069 --> 00:16:54,399

into the patio room with her and she's

344

00:16:57,990 --> 00:16:56,079

like what are you gonna do and i grabbed

345

00:17:00,550 --> 00:16:58,000

my dad's shotgun he had a shotgun that

346

00:17:02,949 --> 00:17:00,560

he kept next to the trash compactor

347

00:17:04,470 --> 00:17:02,959

it was not loaded and mom says it's not

348

00:17:05,510 --> 00:17:04,480

loaded and i said whoever out there

349

00:17:07,270 --> 00:17:05,520

don't know that

350

00:17:09,110 --> 00:17:07,280

i can get close enough to him to swat

351

00:17:12,309 --> 00:17:09,120

him with it i bet you

352

00:17:18,230 --> 00:17:15,510

took that and i went outside i

353

00:17:19,909 --> 00:17:18,240

would looked through the backyard i went

354

00:17:22,150 --> 00:17:19,919

back into the pump house

355

00:17:24,150 --> 00:17:22,160

and looked around didn't see anything

356

00:17:26,309 --> 00:17:24,160

then i decided to look for my dog

357

00:17:27,350 --> 00:17:26,319

and i went back on the other side of the

358

00:17:29,909 --> 00:17:27,360

pool

359

00:17:31,990 --> 00:17:29,919

and i found my dog she was under my

360

00:17:34,789 --> 00:17:32,000

dad's panel truck and she was not

361

00:17:35,270 --> 00:17:34,799

happy and would not come out so i'm like

362

00:17:38,070 --> 00:17:35,280

fine

363

00:17:39,750 --> 00:17:38,080

stay there and i went back across the

364

00:17:41,029 --> 00:17:39,760

yard into the pedestrian door of the

365

00:17:44,070 --> 00:17:41,039

garage

366

00:17:46,070 --> 00:17:44,080

and there was a set of mattress

367

00:17:47,430 --> 00:17:46,080

leaned up against the garage otherwise

368

00:17:48,470 --> 00:17:47,440

there was nothing else in the garage and

369

00:17:52,870 --> 00:17:48,480

there was

370

00:17:56,710 --> 00:17:52,880

hidden except behind the mattress so i

371

00:17:58,310 --> 00:17:56,720

kind of pulled uh um you know i'm

372

00:18:00,390 --> 00:17:58,320

creeping up behind the mattress with the

373

00:18:04,070 --> 00:18:00,400

shotgun and i'm like you better

374

00:18:06,630 --> 00:18:04,080

i got you now you know i got a gun

375

00:18:07,990 --> 00:18:06,640

and uh close no one was there and just

376

00:18:09,590 --> 00:18:08,000

about the time i realized that there

377

00:18:12,390 --> 00:18:09,600

wasn't anybody behind that mattress i

378

00:18:14,630 --> 00:18:12,400

started feeling really weird

379

00:18:15,830 --> 00:18:14,640

my body tingled and burned and it felt

380

00:18:18,870 --> 00:18:15,840

like i was on fire

381

00:18:20,310 --> 00:18:18,880

everywhere and i remember thinking oh my

382

00:18:22,549 --> 00:18:20,320

god i'm gonna get out of here i'm gonna

383

00:18:22,870 --> 00:18:22,559

die and i headed to the pedestrian door

384

00:18:26,390 --> 00:18:22,880

and

385

00:18:29,669 --> 00:18:26,400

the minute i hit the open doorway bam

386

00:18:32,390 --> 00:18:29,679

something hit me in the chest right

387

00:18:33,510 --> 00:18:32,400

right in the chest right above my gut

388

00:18:39,350 --> 00:18:33,520

and

389

00:18:41,029 --> 00:18:39,360

i had my eyes closed

390

00:18:43,270 --> 00:18:41,039

but i could still see it i couldn't get

391

00:18:45,190 --> 00:18:43,280

away from it and i felt like i could

392

00:18:48,470 --> 00:18:45,200

feel every

393

00:18:49,990 --> 00:18:48,480

atom of my body vibrate

394

00:18:51,909 --> 00:18:50,000

and i felt like i was on fire and i

395

00:18:55,430 --> 00:18:51,919

remember thinking oh my god

396

00:18:57,110 --> 00:18:55,440

i'm going to die this is how it feels to

397

00:19:01,270 --> 00:18:57,120

die

398

00:19:06,390 --> 00:19:04,150

it i couldn't i couldn't see anything uh

399

00:19:09,510 --> 00:19:06,400

even after the vibration and the light

400

00:19:10,390 --> 00:19:09,520

the light intensity finally let got

401
00:19:12,870 --> 00:19:10,400
better

402
00:19:14,390 --> 00:19:12,880
went down the vibration slowly stopped

403
00:19:18,150 --> 00:19:14,400
but i couldn't move

404
00:19:21,350 --> 00:19:20,150
it felt like time stopped it was the

405
00:19:23,669 --> 00:19:21,360
weirdest feeling on

406
00:19:24,549 --> 00:19:23,679
i've nev i'd never had it felt like for

407
00:19:27,510 --> 00:19:24,559
a moment like

408
00:19:29,029 --> 00:19:27,520
time stopped i know that feeling that i

409
00:19:32,070 --> 00:19:29,039
had that i thought i was going to die

410
00:19:33,430 --> 00:19:32,080
it couldn't have lasted

411
00:19:35,590 --> 00:19:33,440
more than a few seconds i don't think i

412
00:19:37,510 --> 00:19:35,600
would have survived it but

413
00:19:39,029 --> 00:19:37,520

it felt like it had it went on forever

414

00:19:40,390 --> 00:19:39,039

and ever and then

415

00:19:42,310 --> 00:19:40,400

uh all of a sudden like i said

416

00:19:44,310 --> 00:19:42,320

everything kind of stopped vibration

417

00:19:47,590 --> 00:19:44,320

stopped the shaking stopped

418

00:19:50,789 --> 00:19:47,600

uh the light got dimmer and i could

419

00:19:51,750 --> 00:19:50,799

i could open my eyes but at that point

420

00:19:54,789 --> 00:19:51,760

now

421

00:19:56,390 --> 00:19:54,799

my my vision was so crummy

422

00:19:57,909 --> 00:19:56,400

like if you've ever gotten your picture

423

00:19:59,750 --> 00:19:57,919

taken by a bunch of people with flash

424

00:20:02,470 --> 00:19:59,760

bulbs and you got it in the eyes

425

00:20:04,390 --> 00:20:02,480

you know those those white those blight

426

00:20:05,830 --> 00:20:04,400

spots that you see in your vision that

427

00:20:07,110 --> 00:20:05,840

you can't see anything else that's the

428

00:20:09,430 --> 00:20:07,120

way my vision was

429

00:20:11,669 --> 00:20:09,440

i could see movement out in front of me

430

00:20:13,750 --> 00:20:11,679

in the yard and i realized at some point

431

00:20:16,070 --> 00:20:13,760

i was no longer in the doorway but

432

00:20:18,230 --> 00:20:16,080

actually out on the cement patio

433

00:20:19,830 --> 00:20:18,240

in front of the door i could see all

434

00:20:21,830 --> 00:20:19,840

this movement in front of me

435

00:20:24,149 --> 00:20:21,840

at one point i felt something pulled

436

00:20:27,430 --> 00:20:24,159

down on my shoulder

437

00:20:29,350 --> 00:20:27,440

on my right shoulder i felt a burning

438

00:20:32,830 --> 00:20:29,360

sensation in my right ear

439

00:20:36,310 --> 00:20:32,840

felt like in in my mind i could

440

00:20:37,110 --> 00:20:36,320

see uh it was like a a knitting needle

441

00:20:39,990 --> 00:20:37,120

that was

442

00:20:40,549 --> 00:20:40,000

hot as a poker that's what it felt like

443

00:20:43,750 --> 00:20:40,559

that's not

444

00:20:45,190 --> 00:20:43,760

what it was that's just what i that's

445

00:20:48,230 --> 00:20:45,200

how it felt

446

00:20:51,270 --> 00:20:48,240

and um as

447

00:20:53,190 --> 00:20:51,280

i saw these things there were six small

448

00:20:54,870 --> 00:20:53,200

bullet-shaped things in the yard and i

449

00:20:56,470 --> 00:20:54,880

began to realize they look like little

450

00:20:58,149 --> 00:20:56,480

children

451
00:20:59,830 --> 00:20:58,159
and they were moving around and they

452
00:21:02,149 --> 00:20:59,840
were but they weren't really walking it

453
00:21:05,110 --> 00:21:02,159
was more of a slide or glide

454
00:21:06,789 --> 00:21:05,120
and uh as they started to line up in the

455
00:21:07,669 --> 00:21:06,799
yard in front of me and glide down

456
00:21:11,430 --> 00:21:07,679
towards me

457
00:21:14,470 --> 00:21:11,440
but not directly at me uh

458
00:21:16,549 --> 00:21:14,480
that's when i saw this thing i don't

459
00:21:18,710 --> 00:21:16,559
know what this thing was

460
00:21:20,630 --> 00:21:18,720
for 30 years people have talked about it

461
00:21:22,390 --> 00:21:20,640
and called it a craft

462
00:21:24,230 --> 00:21:22,400
in retrospect there is no way on the

463
00:21:24,950 --> 00:21:24,240

planet or any other planet for that

464

00:21:27,430 --> 00:21:24,960

matter

465

00:21:28,070 --> 00:21:27,440

that six little kids could get in this

466

00:21:30,470 --> 00:21:28,080

thing

467

00:21:32,630 --> 00:21:30,480

and go anywhere because it wasn't much

468

00:21:35,909 --> 00:21:32,640

bigger than the pump house swimming pool

469

00:21:39,990 --> 00:21:35,919

i mean the swimming pool uh pump house

470

00:21:42,789 --> 00:21:40,000

i mean and then it just wasn't that big

471

00:21:43,510 --> 00:21:42,799

when i looked at it when i could see it

472

00:21:46,630 --> 00:21:43,520

it

473

00:21:49,750 --> 00:21:46,640

percent

474

00:21:50,710 --> 00:21:49,760

touching the ground because it almost

475

00:21:54,230 --> 00:21:50,720

looked like it was

476

00:21:57,110 --> 00:21:54,240

um like a bob or a fishing bobber on a

477

00:21:58,870 --> 00:21:57,120

on a calm lake that ever so slight

478

00:22:01,750 --> 00:21:58,880

little wobble

479

00:22:03,110 --> 00:22:01,760

and it did have four things protruding

480

00:22:06,149 --> 00:22:03,120

off of it

481

00:22:07,270 --> 00:22:06,159

on each side uh you know on each quarter

482

00:22:09,750 --> 00:22:07,280

of it

483

00:22:13,270 --> 00:22:09,760

but they weren't they didn't look sturdy

484

00:22:15,110 --> 00:22:13,280

enough to be legs to hold weight

485

00:22:18,390 --> 00:22:15,120

it looked more like something just to

486

00:22:21,590 --> 00:22:18,400

stabilize it you know i mean

487

00:22:24,950 --> 00:22:21,600

anyway um it

488

00:22:27,909 --> 00:22:24,960

uh at one point i remember hearing

489

00:22:29,270 --> 00:22:27,919

someone never saw anybody that i

490

00:22:30,710 --> 00:22:29,280

consciously remembered

491

00:22:33,669 --> 00:22:30,720

but hearing someone say it was

492

00:22:37,270 --> 00:22:33,679

unfortunate that i had felt that pain

493

00:22:39,110 --> 00:22:37,280

and um i also there was a white

494

00:22:41,190 --> 00:22:39,120

soft ball of light probably about 20

495

00:22:41,830 --> 00:22:41,200

feet in front of me i noticed it after

496

00:22:44,789 --> 00:22:41,840

the

497

00:22:45,430 --> 00:22:44,799

little people disappeared into this

498

00:22:48,230 --> 00:22:45,440

thing there's

499

00:22:49,350 --> 00:22:48,240

ball of light and it looked about the

500

00:22:51,270 --> 00:22:49,360

size of a basketball

501
00:22:52,630 --> 00:22:51,280
and it was much easier to look at and

502
00:22:54,950 --> 00:22:52,640
much softer

503
00:22:56,630 --> 00:22:54,960
and it seemed about as high up off the

504
00:22:57,669 --> 00:22:56,640
ground as i am tall and i'm five foot

505
00:22:59,510 --> 00:22:57,679
three

506
00:23:00,710 --> 00:22:59,520
and then it went down really slow and

507
00:23:03,190 --> 00:23:00,720
then it came back up

508
00:23:04,549 --> 00:23:03,200
slowly and i felt like it was looking at

509
00:23:13,350 --> 00:23:04,559
me

510
00:23:15,590 --> 00:23:13,360
i did not want to look at it because i

511
00:23:17,510 --> 00:23:15,600
needed to know where it was

512
00:23:19,590 --> 00:23:17,520
at all times because i felt like i was

513
00:23:23,190 --> 00:23:19,600

right on the edge of losing it

514

00:23:24,789 --> 00:23:23,200

and um

515

00:23:26,310 --> 00:23:24,799

all of a sudden i remember thinking oh

516

00:23:28,149 --> 00:23:26,320

my god my kids

517

00:23:30,390 --> 00:23:28,159

they're in the house with my mom and i'm

518

00:23:33,990 --> 00:23:30,400

thinking oh my god my kids

519

00:23:36,149 --> 00:23:34,000

and immediately after that thought

520

00:23:37,909 --> 00:23:36,159

i heard that voice again say your your

521

00:23:40,230 --> 00:23:37,919

children are fine

522

00:23:43,110 --> 00:23:40,240

basically that's what that they said

523

00:23:45,750 --> 00:23:43,120

your children are fine

524

00:23:47,750 --> 00:23:45,760

and then i heard my name and as soon as

525

00:23:49,110 --> 00:23:47,760

i heard my name

526
00:23:52,149 --> 00:23:49,120
it was like someone just snapped their

527
00:23:57,909 --> 00:23:52,159
fingers and i started to move

528
00:24:01,510 --> 00:23:59,830
and i noted at that point my mom was

529
00:24:04,549 --> 00:24:01,520
like had her head out the wind

530
00:24:06,950 --> 00:24:04,559
out the door of the upper kitchen

531
00:24:08,789 --> 00:24:06,960
she was in the kitchen door uh because

532
00:24:10,149 --> 00:24:08,799
the lower patio at the garage and

533
00:24:11,269 --> 00:24:10,159
remember this is a tri level and you

534
00:24:13,830 --> 00:24:11,279
walk up several

535
00:24:14,390 --> 00:24:13,840
steps to the the next porch which was

536
00:24:21,029 --> 00:24:14,400
the

537
00:24:23,190 --> 00:24:21,039
and i learned later that when i heard my

538
00:24:27,350 --> 00:24:23,200

name being called it was actually my mom

539

00:24:30,870 --> 00:24:27,360

that called my name which kind of just

540

00:24:31,990 --> 00:24:30,880

snapped me out of whatever trance i was

541

00:24:43,029 --> 00:24:32,000

in

542

00:24:44,549 --> 00:24:43,039

dude i don't want to go i don't really

543

00:24:47,669 --> 00:24:44,559

want to sew now

544

00:24:49,590 --> 00:24:47,679

i didn't feel right physically and i

545

00:24:53,190 --> 00:24:49,600

just felt like i wanted to get wet

546

00:24:57,590 --> 00:24:53,200

and it was a warm evening you know so

547

00:24:58,070 --> 00:24:57,600

um i got a hold of the gal whose house i

548

00:25:01,750 --> 00:24:58,080

was

549

00:25:04,390 --> 00:25:01,760

uh gonna sew with and i said what

550

00:25:04,950 --> 00:25:04,400

you and your daughter want to come swim

551
00:25:07,909 --> 00:25:04,960
you know

552
00:25:08,950 --> 00:25:07,919
and she's like yeah so i went over there

553
00:25:12,870 --> 00:25:08,960
and

554
00:25:15,750 --> 00:25:12,880
we went swimming

555
00:25:17,669 --> 00:25:15,760
and as we were walking across the back

556
00:25:20,149 --> 00:25:17,679
of the house

557
00:25:21,909 --> 00:25:20,159
in the area where i had seen those

558
00:25:25,830 --> 00:25:21,919
little

559
00:25:27,350 --> 00:25:25,840
figures move my friend's daughter

560
00:25:29,669 --> 00:25:27,360
suddenly stepped on something in the

561
00:25:31,269 --> 00:25:29,679
yard and she's like oh my god

562
00:25:32,870 --> 00:25:31,279
she said she thought she stepped on a

563
00:25:35,669 --> 00:25:32,880

bee because it stung

564

00:25:38,149 --> 00:25:35,679

and it and it felt funny and tingly and

565

00:25:39,990 --> 00:25:38,159

then her foot started to feel numb

566

00:25:41,430 --> 00:25:40,000

and her mom's like get you get get your

567

00:25:43,669 --> 00:25:41,440

foot in the water

568

00:25:45,510 --> 00:25:43,679

you know it'll it'll help it feel better

569

00:25:46,950 --> 00:25:45,520

so we all got to swimming pool we got in

570

00:25:48,789 --> 00:25:46,960

the water and within a couple of minutes

571

00:25:53,669 --> 00:25:48,799

of being in the pool

572

00:25:56,230 --> 00:25:53,679

uh all three of us were nauseated and i

573

00:25:57,269 --> 00:25:56,240

had a terrific headache and my eyes were

574

00:26:00,070 --> 00:25:57,279

killing me

575

00:26:02,470 --> 00:26:00,080

uh i was noticing white halos around all

576

00:26:06,710 --> 00:26:02,480

the lights outside

577

00:26:08,470 --> 00:26:06,720

and um around all the lights

578

00:26:10,230 --> 00:26:08,480

it's like when you put your head under

579

00:26:11,669 --> 00:26:10,240

chlorine and then you know you open your

580

00:26:14,390 --> 00:26:11,679

eyes and then your eyes are all

581

00:26:14,870 --> 00:26:14,400

blown for a while only i didn't put my

582

00:26:18,230 --> 00:26:14,880

head

583

00:26:20,789 --> 00:26:18,240

under water or open my eyes so we

584

00:26:22,470 --> 00:26:20,799

abandoned our swimming gig and

585

00:26:23,190 --> 00:26:22,480

eventually they went home and i went to

586

00:26:25,750 --> 00:26:23,200

bed

587

00:26:27,669 --> 00:26:25,760

and the next morning when i woke up i

588

00:26:28,950 --> 00:26:27,679

was so sick and my eyes were completely

589

00:26:30,710 --> 00:26:28,960

swelled shut

590

00:26:32,870 --> 00:26:30,720

and so my mom actually ended up taking

591

00:26:35,029 --> 00:26:32,880

me to the emergency room

592

00:26:37,029 --> 00:26:35,039

from the emergency room i was taken to

593

00:26:40,310 --> 00:26:37,039

an eye doctor whose office was across

594

00:26:41,590 --> 00:26:40,320

the street from the emergency room

595

00:26:43,430 --> 00:26:41,600

he said he didn't have the equipment

596

00:26:45,750 --> 00:26:43,440

there to look at me but would look at me

597

00:26:47,190 --> 00:26:45,760

in his office so they took me over there

598

00:26:48,870 --> 00:26:47,200

one of the first things he asked me is

599

00:26:50,390 --> 00:26:48,880

if i had looked into the arc of a

600

00:26:53,830 --> 00:26:50,400

welder's torch

601
00:26:55,590 --> 00:26:53,840
which i was like uh no why why would i

602
00:26:58,789 --> 00:26:55,600
do that that's dumb

603
00:27:01,350 --> 00:26:58,799
um but

604
00:27:01,909 --> 00:27:01,360
i you know so he prescribed me creams

605
00:27:06,470 --> 00:27:01,919
and

606
00:27:08,950 --> 00:27:06,480
for my eyes to heal

607
00:27:11,190 --> 00:27:08,960
i think that the diagnosis that he gave

608
00:27:12,950 --> 00:27:11,200
was like severe conjunctivitis

609
00:27:14,310 --> 00:27:12,960
and i do believe he was like i can't

610
00:27:16,390 --> 00:27:14,320
believe that they didn't bother you

611
00:27:19,909 --> 00:27:16,400
yesterday to be this bad today

612
00:27:20,950 --> 00:27:19,919
i said no when i went to bed they felt

613
00:27:24,630 --> 00:27:20,960

kind of weird but

614

00:27:26,870 --> 00:27:24,640

not like this so um

615

00:27:28,389 --> 00:27:26,880

well um debbie if i could uh ask a quick

616

00:27:31,590 --> 00:27:28,399

question

617

00:27:33,669 --> 00:27:31,600

so excuse me the

618

00:27:35,110 --> 00:27:33,679

so all this happened while during that

619

00:27:37,590 --> 00:27:35,120

day you had

620

00:27:38,630 --> 00:27:37,600

you know this occur and then that same

621

00:27:40,870 --> 00:27:38,640

days when you

622

00:27:42,389 --> 00:27:40,880

you were like okay i'm gonna then just

623

00:27:43,669 --> 00:27:42,399

call up my friend and have her come over

624

00:27:46,070 --> 00:27:43,679

instead is that

625

00:27:47,990 --> 00:27:46,080

just am i understanding that correctly

626
00:27:49,590 --> 00:27:48,000
that's the same evening yeah okay went

627
00:27:52,149 --> 00:27:49,600
over earlier to so

628
00:27:54,549 --> 00:27:52,159
then i came back to investigate whatever

629
00:27:57,190 --> 00:27:54,559
it was that my mom got upset about

630
00:27:58,470 --> 00:27:57,200
and then i went back to her house you

631
00:27:59,750 --> 00:27:58,480
know but i told her i really didn't feel

632
00:28:01,029 --> 00:27:59,760
like so and so you guys want to come

633
00:28:01,990 --> 00:28:01,039
over and go swimming and they're like

634
00:28:04,149 --> 00:28:02,000
yeah let's just do

635
00:28:06,230 --> 00:28:04,159
that so then we went back over to my mom

636
00:28:09,510 --> 00:28:06,240
and dad's house and got in the pool

637
00:28:12,549 --> 00:28:09,520
it was i think i went

638
00:28:15,510 --> 00:28:12,559

back to my mom's house around eight

639

00:28:15,990 --> 00:28:15,520

ish in the evening it was getting dark

640

00:28:18,230 --> 00:28:16,000

and then

641

00:28:20,230 --> 00:28:18,240

i think by the time uh i went back to

642

00:28:23,269 --> 00:28:20,240

diana's and then went back

643

00:28:25,350 --> 00:28:23,279

to my mom and dad's house again it was

644

00:28:26,470 --> 00:28:25,360

pretty close to around 11 11 30 at night

645

00:28:29,350 --> 00:28:26,480

because my dad

646

00:28:30,710 --> 00:28:29,360

either had just gotten home from work or

647

00:28:32,710 --> 00:28:30,720

was just about

648

00:28:34,470 --> 00:28:32,720

or got home right after we got there and

649

00:28:36,070 --> 00:28:34,480

you know he worked second shift so

650

00:28:37,510 --> 00:28:36,080

so other than that it happened the same

651
00:28:39,029 --> 00:28:37,520
night i see so other than the

652
00:28:40,549 --> 00:28:39,039
the side effects all you were pretty

653
00:28:44,549 --> 00:28:40,559
much doing is observing

654
00:28:47,590 --> 00:28:44,559
this happening correct that's

655
00:28:50,950 --> 00:28:47,600
was there more there i

656
00:28:54,870 --> 00:28:50,960
i never fully remembered

657
00:28:56,470 --> 00:28:54,880
uh the whole i think bud

658
00:28:58,630 --> 00:28:56,480
after he talked to my friend and her

659
00:29:00,149 --> 00:28:58,640
husband and my mom and dad and everybody

660
00:29:01,990 --> 00:29:00,159
he determined there was maybe about an

661
00:29:04,950 --> 00:29:02,000
hour and 15 minutes where i was

662
00:29:05,590 --> 00:29:04,960
actually missing like there was just the

663
00:29:09,510 --> 00:29:05,600

whole

664

00:29:12,710 --> 00:29:09,520

time was not there wasn't there for me

665

00:29:13,990 --> 00:29:12,720

uh it actually even my friends who lived

666

00:29:16,710 --> 00:29:14,000

the house over the girl

667

00:29:17,990 --> 00:29:16,720

the girl i went to sew with her and her

668

00:29:21,590 --> 00:29:18,000

husband seemed how

669

00:29:25,430 --> 00:29:21,600

be somehow affected by this time shift

670

00:29:27,430 --> 00:29:25,440

thing because uh they weren't even aware

671

00:29:29,430 --> 00:29:27,440

that i had been gone that long and now

672

00:29:31,110 --> 00:29:29,440

of course your mom was there too correct

673

00:29:33,350 --> 00:29:31,120

right and she didn't and she wasn't

674

00:29:34,710 --> 00:29:33,360

aware that i had that that much time had

675

00:29:38,070 --> 00:29:34,720

passed

676

00:29:41,750 --> 00:29:38,080

so you know now the next day

677

00:29:43,669 --> 00:29:41,760

you know when i woke up sick and then

678

00:29:45,029 --> 00:29:43,679

by that weekend which was the fourth of

679

00:29:47,990 --> 00:29:45,039

july weekend

680

00:29:48,470 --> 00:29:48,000

which was a few days uh the family came

681

00:29:50,789 --> 00:29:48,480

over

682

00:29:52,230 --> 00:29:50,799

and we're of course we're all gonna swim

683

00:29:55,029 --> 00:29:52,240

and have a cookout and

684

00:29:55,909 --> 00:29:55,039

light off an obscene amount of fireworks

685

00:29:57,990 --> 00:29:55,919

from kmart

686

00:29:59,110 --> 00:29:58,000

in your backyard and try not to set your

687

00:29:59,669 --> 00:29:59,120

house on fire you know what i mean

688

00:30:02,710 --> 00:29:59,679

that's what

689

00:30:04,789 --> 00:30:02,720

americans do but um

690

00:30:06,389 --> 00:30:04,799

so the kids all head out with their

691

00:30:08,070 --> 00:30:06,399

bathing suits

692

00:30:09,669 --> 00:30:08,080

and my nephew comes running back in he's

693

00:30:11,909 --> 00:30:09,679

like grandma what's what's wrong with

694

00:30:14,470 --> 00:30:11,919

your yard oh my god you know and so we

695

00:30:17,269 --> 00:30:14,480

all the grown-ups went running out there

696

00:30:19,110 --> 00:30:17,279

and there was the mark in the yard fully

697

00:30:20,070 --> 00:30:19,120

developed fully formed right there in

698

00:30:23,669 --> 00:30:20,080

your face

699

00:30:25,510 --> 00:30:23,679

and my mom looks at me and says oh

700

00:30:26,789 --> 00:30:25,520

that's where the ufo landed the other

701
00:30:30,389 --> 00:30:26,799
night and i went

702
00:30:31,909 --> 00:30:30,399
what excuse me i looked at her kind of

703
00:30:33,350 --> 00:30:31,919
weird but the moment

704
00:30:35,350 --> 00:30:33,360
i looked at her and then i looked back

705
00:30:37,430 --> 00:30:35,360
at that mark again

706
00:30:39,909 --> 00:30:37,440
you you could have knocked me over with

707
00:30:43,190 --> 00:30:39,919
a feather it hit me like a ton of bricks

708
00:30:46,710 --> 00:30:43,200
i started to

709
00:30:49,430 --> 00:30:46,720
remember some stuff

710
00:30:50,789 --> 00:30:49,440
it was like at that moment somebody

711
00:30:53,750 --> 00:30:50,799
pulled the finger

712
00:30:55,269 --> 00:30:53,760
out of the dam and here came the trickle

713
00:30:56,549 --> 00:30:55,279

i remember standing there looking at

714

00:30:59,669 --> 00:30:56,559

that mark

715

00:31:03,350 --> 00:30:59,679

and all i could suddenly see were two

716

00:31:04,549 --> 00:31:03,360

huge black eyes eyes that i had seen

717

00:31:08,630 --> 00:31:04,559

before

718

00:31:12,549 --> 00:31:08,640

uh prior to that day yes

719

00:31:15,909 --> 00:31:14,950

i think at that moment is when i began

720

00:31:20,470 --> 00:31:15,919

to have what i

721

00:31:23,110 --> 00:31:20,480

say was a nervous breakdown um

722

00:31:23,990 --> 00:31:23,120

i started before i had conscious

723

00:31:25,430 --> 00:31:24,000

memories of

724

00:31:28,149 --> 00:31:25,440

some things of that night i started

725

00:31:31,269 --> 00:31:28,159

having the remembering the fear

726

00:31:34,630 --> 00:31:31,279

and the terror you know what i mean

727

00:31:36,149 --> 00:31:34,640

but that night i

728

00:31:37,669 --> 00:31:36,159

i didn't well let me just put it this

729

00:31:40,950 --> 00:31:37,679

way i probably didn't sleep

730

00:31:42,389 --> 00:31:40,960

for a month honestly at night i would

731

00:31:45,350 --> 00:31:42,399

sit up all night long

732

00:31:46,389 --> 00:31:45,360

between my two children's beds in their

733

00:31:48,230 --> 00:31:46,399

room

734

00:31:49,909 --> 00:31:48,240

like i was waiting and there was a

735

00:31:51,909 --> 00:31:49,919

bathroom in my mom's house

736

00:31:53,590 --> 00:31:51,919

that overlooked that mark in the yard on

737

00:31:55,509 --> 00:31:53,600

the second floor

738

00:31:58,230 --> 00:31:55,519

i couldn't go to the bathroom in that

739

00:31:59,750 --> 00:31:58,240

bathroom at night

740

00:32:00,870 --> 00:31:59,760

at night i couldn't go i'd have to go

741

00:32:02,310 --> 00:32:00,880

all the way down the basement use the

742

00:32:04,149 --> 00:32:02,320

bathroom because there was a window in

743

00:32:05,669 --> 00:32:04,159

that bathroom that overlooked that mark

744

00:32:06,310 --> 00:32:05,679

in the yard and i don't know why but i

745

00:32:08,630 --> 00:32:06,320

felt

746

00:32:09,830 --> 00:32:08,640

this overwhelming terror that something

747

00:32:11,750 --> 00:32:09,840

was going to come through that window

748

00:32:15,029 --> 00:32:11,760

and take me

749

00:32:17,350 --> 00:32:15,039

it was pathetic and i felt crazy

750

00:32:19,190 --> 00:32:17,360

so this is all what came back to you

751
00:32:21,029 --> 00:32:19,200
after this

752
00:32:22,789 --> 00:32:21,039
visual experience that you started

753
00:32:24,789 --> 00:32:22,799
remembering more and more happening

754
00:32:26,870 --> 00:32:24,799
is is that correct yes okay that's

755
00:32:27,990 --> 00:32:26,880
correct not only did i remember more i

756
00:32:30,549 --> 00:32:28,000
started to remember things

757
00:32:32,389 --> 00:32:30,559
that happened years ago oh wow that i

758
00:32:35,990 --> 00:32:32,399
you things that you know you just

759
00:32:39,430 --> 00:32:36,000
put away let's face it

760
00:32:42,149 --> 00:32:39,440
life is weird and this

761
00:32:42,710 --> 00:32:42,159
world that we live in is weird and

762
00:32:45,750 --> 00:32:42,720
things

763
00:32:47,430 --> 00:32:45,760

everyone if you

764

00:32:49,509 --> 00:32:47,440

if you can honestly tell me that you've

765

00:32:51,190 --> 00:32:49,519

lived any time on this earth at all and

766

00:32:52,950 --> 00:32:51,200

not had at least one little weird thing

767

00:32:54,230 --> 00:32:52,960

happen then i'd say you're not paying

768

00:32:57,669 --> 00:32:54,240

attention

769

00:33:00,149 --> 00:32:57,679

but um they uh

770

00:33:01,830 --> 00:33:00,159

so i started remembering things like but

771

00:33:03,509 --> 00:33:01,840

one of my first things i remembered was

772

00:33:06,950 --> 00:33:03,519

back when i was uh

773

00:33:08,470 --> 00:33:06,960

first married and these two gray things

774

00:33:09,669 --> 00:33:08,480

came in my room at night

775

00:33:12,389 --> 00:33:09,679

while i was laying in bed next to my

776

00:33:15,750 --> 00:33:12,399

husband but he never woke up or moved

777

00:33:17,750 --> 00:33:15,760

and they came into my room and they had

778

00:33:19,909 --> 00:33:17,760

the same kind of eyes that i saw

779

00:33:21,029 --> 00:33:19,919

over the mark in the yard the big big

780

00:33:24,710 --> 00:33:21,039

black liquidy

781

00:33:26,470 --> 00:33:24,720

shimmery alive eyes that's what i call

782

00:33:29,830 --> 00:33:26,480

the the eyes are like

783

00:33:30,470 --> 00:33:29,840

living things you know they look into

784

00:33:34,549 --> 00:33:30,480

you not

785

00:33:36,870 --> 00:33:34,559

just at you but um

786

00:33:38,310 --> 00:33:36,880

yeah i remembered i that came back to me

787

00:33:40,149 --> 00:33:38,320

that dream and i i

788

00:33:41,350 --> 00:33:40,159

even asked my ex-husband because he was

789

00:33:42,630 --> 00:33:41,360

my ex-husband at that point do you

790

00:33:43,509 --> 00:33:42,640

remember when i woke you up and told you

791

00:33:44,950 --> 00:33:43,519

that he goes yeah

792

00:33:46,950 --> 00:33:44,960

i thought you had food poisoning or

793

00:33:48,389 --> 00:33:46,960

something because that was a crazy dream

794

00:33:50,070 --> 00:33:48,399

and i'm like yeah okay well

795

00:33:51,830 --> 00:33:50,080

i just wanted confirmation that you

796

00:33:52,389 --> 00:33:51,840

remembered that i told you about this

797

00:33:55,509 --> 00:33:52,399

you know

798

00:33:57,110 --> 00:33:55,519

right right but um yeah they just came

799

00:33:59,269 --> 00:33:57,120

into my room that was the time the two

800

00:34:02,470 --> 00:33:59,279

of them came into my room

801
00:34:04,870 --> 00:34:02,480
uh they just kind of appeared in my room

802
00:34:06,630 --> 00:34:04,880
by where the window was they came to the

803
00:34:07,350 --> 00:34:06,640
bed and i remember thinking to myself

804
00:34:10,710 --> 00:34:07,360
that same

805
00:34:14,230 --> 00:34:10,720
terror that i felt when that

806
00:34:15,990 --> 00:34:14,240
craft thing was close to me please just

807
00:34:16,629 --> 00:34:16,000
don't come any closer to me don't touch

808
00:34:18,069 --> 00:34:16,639
me

809
00:34:20,389 --> 00:34:18,079
and i might be able to hold it together

810
00:34:21,030 --> 00:34:20,399
you know i'll be all right just don't

811
00:34:23,589 --> 00:34:21,040
touch me

812
00:34:26,790 --> 00:34:23,599
don't come any closer but as they got

813
00:34:30,069 --> 00:34:26,800

closer to me i felt calmer

814

00:34:32,470 --> 00:34:30,079

and uh they said and this was back in

815

00:34:34,149 --> 00:34:32,480

let's see it was probably back in 78

816

00:34:38,069 --> 00:34:34,159

because i was married

817

00:34:39,909 --> 00:34:38,079

very new married uh he said

818

00:34:41,829 --> 00:34:39,919

he had a black box in his hand about the

819

00:34:45,190 --> 00:34:41,839

size of a shoe box more or less

820

00:34:45,589 --> 00:34:45,200

and it had a red light it looked like it

821

00:34:49,030 --> 00:34:45,599

was

822

00:34:52,470 --> 00:34:49,040

like a hole

823

00:34:57,270 --> 00:34:52,480

on top maybe about i don't know

824

00:35:03,589 --> 00:35:00,950

i i asked i remember asking what is this

825

00:35:04,230 --> 00:35:03,599

can i have it and they're like no you

826
00:35:06,710 --> 00:35:04,240
can't

827
00:35:07,510 --> 00:35:06,720
but when you see it again you will

828
00:35:09,510 --> 00:35:07,520
remember it

829
00:35:11,030 --> 00:35:09,520
and you will know how to use it and i

830
00:35:14,230 --> 00:35:11,040
said okay

831
00:35:16,390 --> 00:35:14,240
and then they were gone uh you know

832
00:35:17,589 --> 00:35:16,400
at one point i didn't freak out i mean i

833
00:35:18,390 --> 00:35:17,599
freaked out when i first saw him but

834
00:35:21,109 --> 00:35:18,400
then it was like

835
00:35:23,030 --> 00:35:21,119
some kind of calmness came over me well

836
00:35:26,470 --> 00:35:23,040
i forgot all about that

837
00:35:28,150 --> 00:35:26,480
crazy dream right until the mark in the

838
00:35:30,230 --> 00:35:28,160

yard that you know and then

839

00:35:31,190 --> 00:35:30,240

there are other things when i was a

840

00:35:34,310 --> 00:35:31,200

child i went

841

00:35:36,710 --> 00:35:34,320

on a a little weekend jaunt

842

00:35:37,829 --> 00:35:36,720

with my older sister up to michigan and

843

00:35:39,990 --> 00:35:37,839

i was missing for an

844

00:35:41,190 --> 00:35:40,000

entire day they had to call the police

845

00:35:42,870 --> 00:35:41,200

to try and find me

846

00:35:44,230 --> 00:35:42,880

and my sister ended up finding me and

847

00:35:46,710 --> 00:35:44,240

bringing me back home

848

00:35:48,470 --> 00:35:46,720

the only remember i have of that day and

849

00:35:49,750 --> 00:35:48,480

of being missing is being with a little

850

00:35:53,109 --> 00:35:49,760

boy

851
00:35:55,510 --> 00:35:53,119
my size but he had big black eyes and he

852
00:35:58,310 --> 00:35:55,520
wanted me to come into a room with him

853
00:35:59,990 --> 00:35:58,320
and play with these weird toys and then

854
00:36:03,190 --> 00:36:00,000
when we were playing

855
00:36:04,710 --> 00:36:03,200
um something bit me on the leg it's when

856
00:36:05,510 --> 00:36:04,720
i felt like something poked me in the

857
00:36:08,550 --> 00:36:05,520
leg

858
00:36:10,310 --> 00:36:08,560
and then i remember all of a sudden

859
00:36:12,069 --> 00:36:10,320
i'm by the door of the house that we

860
00:36:14,790 --> 00:36:12,079
were in and his mother

861
00:36:16,950 --> 00:36:14,800
come out and she was mad as hell that i

862
00:36:19,190 --> 00:36:16,960
was there and said why is she here

863
00:36:20,150 --> 00:36:19,200

she doesn't belong here she needs to

864

00:36:23,510 --> 00:36:20,160

leave right now

865

00:36:27,670 --> 00:36:23,520

boom and it felt like someone shoved me

866

00:36:32,310 --> 00:36:27,680

out the door but yet no one touched me

867

00:36:35,349 --> 00:36:32,320

and um at the end of the walkway

868

00:36:37,430 --> 00:36:35,359

from this house there stood my sister i

869

00:36:37,750 --> 00:36:37,440

walked up to her i'm like that oh you

870

00:36:40,790 --> 00:36:37,760

know

871

00:36:42,550 --> 00:36:40,800

she never had any kind of a

872

00:36:43,910 --> 00:36:42,560

reaction emotionally

873

00:36:46,069 --> 00:36:43,920

she never said anything to me she just

874

00:36:47,750 --> 00:36:46,079

took my hand walked me back to the house

875

00:36:49,829 --> 00:36:47,760

i was supposed to be at

876

00:36:51,670 --> 00:36:49,839

you know i mean all these things i

877

00:36:54,150 --> 00:36:51,680

remembered

878

00:36:55,670 --> 00:36:54,160

things like this flooding back because

879

00:36:57,510 --> 00:36:55,680

of that mark in the yard

880

00:37:00,150 --> 00:36:57,520

you know and then i started remembering

881

00:37:03,430 --> 00:37:00,160

other things

882

00:37:06,950 --> 00:37:03,440

i remembered a time uh

883

00:37:08,550 --> 00:37:06,960

it was right before my husband my first

884

00:37:11,430 --> 00:37:08,560

husband and i got married

885

00:37:12,310 --> 00:37:11,440

and was in the fall and me and two other

886

00:37:15,190 --> 00:37:12,320

girls

887

00:37:19,510 --> 00:37:15,200

were in a car out in the country on the

888

00:37:25,910 --> 00:37:22,790

i was like 16 i was 17

889

00:37:27,030 --> 00:37:25,920

early 17 so and but my friends were a

890

00:37:28,710 --> 00:37:27,040

little bit older

891

00:37:30,069 --> 00:37:28,720

and we were actually gonna stalk her

892

00:37:31,430 --> 00:37:30,079

boyfriend because she thought he was

893

00:37:33,190 --> 00:37:31,440

messing around on her

894

00:37:34,950 --> 00:37:33,200

so like two in the morning we're out

895

00:37:35,750 --> 00:37:34,960

driving around the country three teenage

896

00:37:37,670 --> 00:37:35,760

girls looking

897

00:37:38,870 --> 00:37:37,680

because the boy lived out in the country

898

00:37:41,030 --> 00:37:38,880

in a farmhouse

899

00:37:42,150 --> 00:37:41,040

so we're out driving around stalking her

900

00:37:45,109 --> 00:37:42,160

boyfriend

901
00:37:46,950 --> 00:37:45,119
and um we see a light in the sky acting

902
00:37:49,270 --> 00:37:46,960
weird and it got really big

903
00:37:51,109 --> 00:37:49,280
and the girl in the back seat actually

904
00:37:53,430 --> 00:37:51,119
flipped out

905
00:37:55,430 --> 00:37:53,440
she got panicky and went hysterical on

906
00:37:57,190 --> 00:37:55,440
us and was down on the floorboard crying

907
00:38:00,069 --> 00:37:57,200
and begging us to drive away

908
00:38:02,150 --> 00:38:00,079
and delores was laughing at her and i

909
00:38:04,150 --> 00:38:02,160
was like oh look that's ufo

910
00:38:05,910 --> 00:38:04,160
trying to be funny and then all of a

911
00:38:09,349 --> 00:38:05,920
sudden

912
00:38:13,109 --> 00:38:09,359
this thing gets really big

913
00:38:15,510 --> 00:38:13,119

and i remember we pulled over

914

00:38:17,670 --> 00:38:15,520

i did not remember dolores getting out

915

00:38:20,150 --> 00:38:17,680

of the car

916

00:38:20,950 --> 00:38:20,160

but i do remember our car being

917

00:38:24,390 --> 00:38:20,960

enveloped

918

00:38:28,230 --> 00:38:24,400

in some kind of black smoke or black

919

00:38:31,670 --> 00:38:28,240

cloud and i remember being pulled out

920

00:38:36,069 --> 00:38:31,680

of the car by my legs and a

921

00:38:40,550 --> 00:38:36,079

drug somewhere and i remembered

922

00:38:44,390 --> 00:38:40,560

um like being on a table in a

923

00:38:47,829 --> 00:38:44,400

operating theater and

924

00:38:51,910 --> 00:38:47,839

having painful stuff done to me and

925

00:38:54,390 --> 00:38:51,920

um then the next thing i remember

926
00:38:55,430 --> 00:38:54,400
we're back in the car and we're driving

927
00:38:57,270 --> 00:38:55,440
away

928
00:38:58,470 --> 00:38:57,280
and old girl is still in the back

929
00:39:02,069 --> 00:38:58,480
whimpering

930
00:39:05,829 --> 00:39:02,079
and dolores and not saying much

931
00:39:07,589 --> 00:39:05,839
and uh you know then years later and we

932
00:39:10,310 --> 00:39:07,599
never spoke of it again we never spoke

933
00:39:13,270 --> 00:39:10,320
of that whole thing that whole incident

934
00:39:13,750 --> 00:39:13,280
and uh then years later when bud came

935
00:39:16,310 --> 00:39:13,760
and

936
00:39:17,829 --> 00:39:16,320
to investigate we actually hadn't talked

937
00:39:19,829 --> 00:39:17,839
to dolores for years

938
00:39:21,430 --> 00:39:19,839

but i managed to get a hold of her

939

00:39:25,829 --> 00:39:21,440

through my older sister

940

00:39:28,069 --> 00:39:25,839

and we had a meeting with bud and bud

941

00:39:29,750 --> 00:39:28,079

asked her about that night and she says

942

00:39:31,109 --> 00:39:29,760

he says i want to talk to you about the

943

00:39:33,589 --> 00:39:31,119

light in the

944

00:39:35,190 --> 00:39:33,599

that you girls saw out in the country

945

00:39:36,630 --> 00:39:35,200

and she goes you mean the one in the sky

946

00:39:37,750 --> 00:39:36,640

or the one on the ground and i looked

947

00:39:38,710 --> 00:39:37,760

over and i'm like what do you mean the

948

00:39:40,310 --> 00:39:38,720

one on the ground

949

00:39:42,230 --> 00:39:40,320

i didn't remember seeing anything on the

950

00:39:45,510 --> 00:39:42,240

ground and she goes oh yeah she goes i

951
00:39:47,670 --> 00:39:45,520
we pulled over and i got out of the car

952
00:39:48,550 --> 00:39:47,680
and she goes the light was on the ground

953
00:39:51,349 --> 00:39:48,560
in the field

954
00:39:52,630 --> 00:39:51,359
i'm like what she i didn't even remember

955
00:39:57,430 --> 00:39:52,640
that part

956
00:39:59,510 --> 00:39:57,440
she did she did not she

957
00:40:01,349 --> 00:39:59,520
she did not want to do hypnosis she says

958
00:40:03,190 --> 00:40:01,359
look i have lived with it for these ye

959
00:40:06,069 --> 00:40:03,200
these many years and it hasn't bothered

960
00:40:09,510 --> 00:40:06,079
me i see no sense in stirring it up now

961
00:40:12,550 --> 00:40:09,520
i don't want to remember any more than i

962
00:40:16,150 --> 00:40:12,560
already do i'm good

963
00:40:18,870 --> 00:40:16,160

with not remembering uh she goes but i

964

00:40:19,910 --> 00:40:18,880

just she says i will tell you that night

965

00:40:22,950 --> 00:40:19,920

happened

966

00:40:26,309 --> 00:40:22,960

i was there so

967

00:40:27,670 --> 00:40:26,319

um a question regarding so listen to

968

00:40:30,390 --> 00:40:27,680

your story and maybe

969

00:40:32,550 --> 00:40:30,400

um you could maybe get a little bit into

970

00:40:35,349 --> 00:40:32,560

the the work then that you've done with

971

00:40:36,710 --> 00:40:35,359

bud hopkins were you able to determine

972

00:40:39,190 --> 00:40:36,720

if that event was

973

00:40:40,230 --> 00:40:39,200

done somehow on purpose for you to start

974

00:40:42,550 --> 00:40:40,240

remembering

975

00:40:43,990 --> 00:40:42,560

or do you have any thoughts regarding

976
00:40:47,510 --> 00:40:44,000
that

977
00:40:50,069 --> 00:40:47,520
always say

978
00:40:51,430 --> 00:40:50,079
um or i have said many times before that

979
00:40:55,750 --> 00:40:51,440
night

980
00:40:58,069 --> 00:40:55,760
something in me changed uh

981
00:40:59,829 --> 00:40:58,079
i i called myself debbie 2.0 at that

982
00:41:00,550 --> 00:40:59,839
point it's like a part of me died and a

983
00:41:04,790 --> 00:41:00,560
new

984
00:41:08,069 --> 00:41:04,800
exactly what happened

985
00:41:11,109 --> 00:41:08,079
that night uh it was definitely

986
00:41:13,589 --> 00:41:11,119
the most physically you know

987
00:41:15,190 --> 00:41:13,599
it affected me the physically the most

988
00:41:19,349 --> 00:41:15,200

um

989

00:41:22,069 --> 00:41:19,359

it i like it's a hypothesis

990

00:41:23,430 --> 00:41:22,079

it's it's a theory that perhaps that

991

00:41:25,190 --> 00:41:23,440

night happened

992

00:41:27,589 --> 00:41:25,200

to wake me up and start this whole

993

00:41:29,430 --> 00:41:27,599

process and the market that was left in

994

00:41:34,309 --> 00:41:29,440

the yard was left there for

995

00:41:36,069 --> 00:41:34,319

a purpose you know to

996

00:41:37,910 --> 00:41:36,079

because that's having the pictures of

997

00:41:39,829 --> 00:41:37,920

the mark in the yard is

998

00:41:41,270 --> 00:41:39,839

actually what finally got me to write

999

00:41:42,470 --> 00:41:41,280

bud hopkins i

1000

00:41:44,150 --> 00:41:42,480

probably wouldn't have even written him

1001
00:41:45,510 --> 00:41:44,160
had i not been able to have actual some

1002
00:41:50,550 --> 00:41:45,520
physical evidence

1003
00:41:53,829 --> 00:41:53,030
that's very possible that that that

1004
00:41:57,910 --> 00:41:53,839
night

1005
00:42:00,470 --> 00:41:57,920
was intentional to wake me up

1006
00:42:01,270 --> 00:42:00,480
uh i or or make some kind of change in

1007
00:42:04,150 --> 00:42:01,280
me right

1008
00:42:04,950 --> 00:42:04,160
you know to facilitate this whole next

1009
00:42:07,190 --> 00:42:04,960
journey

1010
00:42:08,710 --> 00:42:07,200
so with your work with bob hopkins were

1011
00:42:11,109 --> 00:42:08,720
you able to figure out

1012
00:42:12,069 --> 00:42:11,119
why you you know and what what else was

1013
00:42:14,309 --> 00:42:12,079

going on

1014

00:42:15,349 --> 00:42:14,319

you know throughout all these years of

1015

00:42:18,230 --> 00:42:15,359

these different

1016

00:42:20,309 --> 00:42:18,240

odd contexts besides besides what you

1017

00:42:23,910 --> 00:42:20,319

already have covered

1018

00:42:26,150 --> 00:42:23,920

well you know i was um

1019

00:42:27,750 --> 00:42:26,160

my whole family was a little unique

1020

00:42:32,069 --> 00:42:27,760

they're all very smart

1021

00:42:36,390 --> 00:42:32,079

they all have different kinds of gifts

1022

00:42:42,790 --> 00:42:39,670

it's very uh our our

1023

00:42:44,870 --> 00:42:42,800

g our dna is very

1024

00:42:46,230 --> 00:42:44,880

mixed there's a lot of a lot of

1025

00:42:50,309 --> 00:42:46,240

everything in us

1026

00:42:55,349 --> 00:42:53,190

there are a lot of theories that some of

1027

00:42:58,550 --> 00:42:55,359

this contact is

1028

00:43:02,470 --> 00:42:58,560

uh follows families and

1029

00:43:04,309 --> 00:43:02,480

i can say that my mother did have

1030

00:43:06,230 --> 00:43:04,319

strange experiences as a child that she

1031

00:43:07,670 --> 00:43:06,240

talked about about which i don't really

1032

00:43:09,910 --> 00:43:07,680

know a whole lot about

1033

00:43:12,230 --> 00:43:09,920

because i wasn't in the room when she

1034

00:43:16,150 --> 00:43:12,240

talked to him but i heard about it later

1035

00:43:16,790 --> 00:43:16,160

that you know she had a strange memory

1036

00:43:19,349 --> 00:43:16,800

of uh

1037

00:43:19,910 --> 00:43:19,359

being a child in the woods and a little

1038

00:43:25,829 --> 00:43:19,920

boy

1039

00:43:27,750 --> 00:43:25,839

caused her to fall and poke herself and

1040

00:43:30,150 --> 00:43:27,760

get her hurt her leg and

1041

00:43:32,150 --> 00:43:30,160

she got the same mark in her leg on the

1042

00:43:33,349 --> 00:43:32,160

same leg that i had when i played with

1043

00:43:38,150 --> 00:43:33,359

my little boy

1044

00:43:41,990 --> 00:43:38,160

so you know there's that um

1045

00:43:45,349 --> 00:43:42,000

and i guess genetic connections

1046

00:43:46,710 --> 00:43:45,359

familial family connections are kind of

1047

00:43:49,109 --> 00:43:46,720

common in

1048

00:43:50,230 --> 00:43:49,119

abduction reports usually it's like a

1049

00:43:52,550 --> 00:43:50,240

kid

1050

00:43:53,990 --> 00:43:52,560

a a person like me but then like my mom

1051
00:43:57,109 --> 00:43:54,000
and then maybe her mom

1052
00:43:58,790 --> 00:43:57,119
or her her father has had experiences

1053
00:44:00,230 --> 00:43:58,800
so it looked like it it looks like it

1054
00:44:04,150 --> 00:44:00,240
could run in families

1055
00:44:06,230 --> 00:44:04,160
i mean nobody really knows for sure i i

1056
00:44:09,030 --> 00:44:06,240
we just don't that's just a fact but it

1057
00:44:10,630 --> 00:44:09,040
kind of looks like that um

1058
00:44:12,230 --> 00:44:10,640
some people say i was in the wrong place

1059
00:44:13,510 --> 00:44:12,240
at the wrong time some people say i was

1060
00:44:15,430 --> 00:44:13,520
in the right place at the right time

1061
00:44:18,630 --> 00:44:15,440
depends on your perspective

1062
00:44:19,829 --> 00:44:18,640
and what you want but uh i think i was

1063
00:44:24,630 --> 00:44:19,839

just born this way

1064

00:44:29,030 --> 00:44:27,510

it's weird because my mom had my sister

1065

00:44:29,990 --> 00:44:29,040

and then she never had any more children

1066

00:44:33,109 --> 00:44:30,000

for like almost

1067

00:44:35,349 --> 00:44:33,119

almost 12 years 11 years and wanted more

1068

00:44:36,870 --> 00:44:35,359

tried for more never happened but the

1069

00:44:38,950 --> 00:44:36,880

minute they moved over here to where we

1070

00:44:40,630 --> 00:44:38,960

called the ufo house

1071

00:44:42,390 --> 00:44:40,640

which was in a neighborhood where people

1072

00:44:46,710 --> 00:44:42,400

used to climb up on their roof and

1073

00:44:49,270 --> 00:44:46,720

look at the sky i was conceived and born

1074

00:44:50,950 --> 00:44:49,280

and then 14 months later my brother was

1075

00:44:51,670 --> 00:44:50,960

born and then i think like 14 months

1076

00:44:55,589 --> 00:44:51,680

after him my

1077

00:44:58,630 --> 00:44:55,599

sister was born so you know

1078

00:44:59,829 --> 00:44:58,640

i don't maybe we uh maybe they helped us

1079

00:45:03,349 --> 00:44:59,839

get here i don't know

1080

00:45:04,790 --> 00:45:03,359

it's nobody knows um i hate to throw out

1081

00:45:06,230 --> 00:45:04,800

theories and stuff because

1082

00:45:07,829 --> 00:45:06,240

i don't want anybody to think that i

1083

00:45:10,150 --> 00:45:07,839

really actually know what's going

1084

00:45:10,950 --> 00:45:10,160

what what because i don't i can tell you

1085

00:45:13,109 --> 00:45:10,960

what i've

1086

00:45:14,230 --> 00:45:13,119

experienced and i can tell you what i

1087

00:45:17,270 --> 00:45:14,240

remember

1088

00:45:20,309 --> 00:45:17,280

uh but beyond that it's my opinion

1089

00:45:23,589 --> 00:45:20,319

and my theory you know and it may be or

1090

00:45:25,829 --> 00:45:23,599

may or may not jive with somebody else's

1091

00:45:27,430 --> 00:45:25,839

so uh debbie all these uh different

1092

00:45:27,990 --> 00:45:27,440

interactions were they always with these

1093

00:45:31,910 --> 00:45:28,000

small

1094

00:45:32,630 --> 00:45:31,920

big-eyed beings or was there anyone else

1095

00:45:35,430 --> 00:45:32,640

most

1096

00:45:37,270 --> 00:45:35,440

of mine were with these uh this

1097

00:45:38,150 --> 00:45:37,280

particular type and i almost got the

1098

00:45:41,589 --> 00:45:38,160

feeling

1099

00:45:43,990 --> 00:45:41,599

after a while you know

1100

00:45:44,870 --> 00:45:44,000

i've seen the same one several times

1101

00:45:49,990 --> 00:45:44,880

over the

1102

00:45:52,230 --> 00:45:50,000

course of my life i am 62 years old

1103

00:45:53,750 --> 00:45:52,240

he never changed i call him a geek but i

1104

00:45:57,510 --> 00:45:53,760

don't know for sure there's no

1105

00:45:59,829 --> 00:45:57,520

all of them look exactly the same but

1106

00:46:01,430 --> 00:45:59,839

it almost was a familiar feeling to him

1107

00:46:04,470 --> 00:46:01,440

and in retrospect

1108

00:46:05,589 --> 00:46:04,480

i think about it now and i'm a believer

1109

00:46:08,870 --> 00:46:05,599

in time

1110

00:46:12,950 --> 00:46:08,880

travel because of things i've felt about

1111

00:46:16,630 --> 00:46:12,960

time and period you know and

1112

00:46:19,750 --> 00:46:16,640

dimensions and i just feel like

1113

00:46:20,710 --> 00:46:19,760

maybe it's possible that uh these people

1114

00:46:22,710 --> 00:46:20,720

are from our far

1115

00:46:24,550 --> 00:46:22,720

far future and maybe that's my great

1116

00:46:26,550 --> 00:46:24,560

great great great great great

1117

00:46:28,470 --> 00:46:26,560

great great great to the 10th power

1118

00:46:30,550 --> 00:46:28,480

grandson i don't know maybe that's why

1119

00:46:33,670 --> 00:46:30,560

they felt so familiar with me

1120

00:46:35,990 --> 00:46:33,680

but uh right just visiting yeah

1121

00:46:37,430 --> 00:46:36,000

or trying to fix something right you

1122

00:46:40,470 --> 00:46:37,440

know

1123

00:46:42,230 --> 00:46:40,480

but uh my sister

1124

00:46:44,550 --> 00:46:42,240

interesting interestingly enough my

1125

00:46:47,589 --> 00:46:44,560

older sister who's had these experiences

1126
00:46:51,030 --> 00:46:47,599
hers have been mostly the people

1127
00:46:51,910 --> 00:46:51,040
that look like a mantis type the mantis

1128
00:46:54,790 --> 00:46:51,920
type

1129
00:46:57,510 --> 00:46:54,800
i don't really i don't have anything

1130
00:47:00,230 --> 00:46:57,520
like that now i have had

1131
00:47:01,990 --> 00:47:00,240
some uh experiences with people who look

1132
00:47:06,230 --> 00:47:02,000
like human beings

1133
00:47:10,150 --> 00:47:06,240
very beautiful um and kind

1134
00:47:13,270 --> 00:47:10,160
glowy people almost and i've also

1135
00:47:16,870 --> 00:47:13,280
seen uh

1136
00:47:18,150 --> 00:47:16,880
in the peripheral tall dark-haired

1137
00:47:20,630 --> 00:47:18,160
dark-eyed people

1138
00:47:21,430 --> 00:47:20,640

but they look like humans basically i

1139

00:47:24,470 --> 00:47:21,440

mean you know

1140

00:47:25,990 --> 00:47:24,480

you could they could probably pass they

1141

00:47:28,230 --> 00:47:26,000

could walk around on

1142

00:47:29,270 --> 00:47:28,240

in the street and nobody would pay him

1143

00:47:31,030 --> 00:47:29,280

much mind

1144

00:47:32,309 --> 00:47:31,040

except maybe on the blonde ones like

1145

00:47:34,870 --> 00:47:32,319

they're so pretty

1146

00:47:36,710 --> 00:47:34,880

but uh i've had a couple of interactions

1147

00:47:38,390 --> 00:47:36,720

with something like that

1148

00:47:40,230 --> 00:47:38,400

i've also had interaction with something

1149

00:47:41,589 --> 00:47:40,240

that i feel is was

1150

00:47:43,349 --> 00:47:41,599

i don't think it was a ghost i don't

1151

00:47:46,069 --> 00:47:43,359

think it was a an

1152

00:47:47,430 --> 00:47:46,079

alien i i don't know i i think it was

1153

00:47:49,030 --> 00:47:47,440

something that lives in some other

1154

00:47:50,150 --> 00:47:49,040

dimension because when it passed through

1155

00:47:52,630 --> 00:47:50,160

the hallway

1156

00:47:54,309 --> 00:47:52,640

it really wasn't it really didn't seem

1157

00:47:56,150 --> 00:47:54,319

like it even knew i was there it was

1158

00:47:58,309 --> 00:47:56,160

just passing through and it kind of just

1159

00:48:01,750 --> 00:47:58,319

flickered in and then flickered out

1160

00:48:03,670 --> 00:48:01,760

and it was all blue and and it

1161

00:48:06,069 --> 00:48:03,680

seemed like it passed through this

1162

00:48:07,430 --> 00:48:06,079

invisible door jamb where it just and it

1163

00:48:09,510 --> 00:48:07,440

went away and i'm like

1164

00:48:10,790 --> 00:48:09,520

it was at that point i thought i had

1165

00:48:13,109 --> 00:48:10,800

seen i i had

1166

00:48:14,549 --> 00:48:13,119

inadvertently seen something that i

1167

00:48:16,150 --> 00:48:14,559

probably wasn't supposed to or

1168

00:48:17,910 --> 00:48:16,160

shouldn't have been able to see let me

1169

00:48:20,790 --> 00:48:17,920

put it that way

1170

00:48:21,910 --> 00:48:20,800

and it was some other dimensional thing

1171

00:48:23,510 --> 00:48:21,920

you know so

1172

00:48:24,790 --> 00:48:23,520

i think there's a bunch of stuff going

1173

00:48:25,430 --> 00:48:24,800

on with a bunch of different kind of

1174

00:48:28,790 --> 00:48:25,440

creatures

1175

00:48:31,750 --> 00:48:28,800

i have not had any contact with anything

1176
00:48:33,510 --> 00:48:31,760
people people talk about reptilians i've

1177
00:48:35,829 --> 00:48:33,520
never seen anything like that

1178
00:48:38,069 --> 00:48:35,839
i mean so i can't speak on that i know

1179
00:48:41,589 --> 00:48:38,079
people that think they have or have

1180
00:48:43,190 --> 00:48:41,599
said that they have but that's

1181
00:48:45,190 --> 00:48:43,200
not something that i've had any kind of

1182
00:48:46,390 --> 00:48:45,200
interaction with right it's been mostly

1183
00:48:49,510 --> 00:48:46,400
the gray

1184
00:48:51,270 --> 00:48:49,520
um people i guess for

1185
00:48:52,950 --> 00:48:51,280
i don't know what else to call them i

1186
00:48:53,430 --> 00:48:52,960
call them those little guys most of the

1187
00:48:56,630 --> 00:48:53,440
time

1188
00:48:59,030 --> 00:48:56,640

right well uh debbie do you um

1189

00:49:00,630 --> 00:48:59,040

um what was it what did you cover in

1190

00:49:03,109 --> 00:49:00,640

this in this upcoming book do you want

1191

00:49:07,030 --> 00:49:03,119

to talk about that a little bit

1192

00:49:10,069 --> 00:49:07,040

yeah well i i do

1193

00:49:14,829 --> 00:49:10,079

include parts of my old book

1194

00:49:19,109 --> 00:49:17,829

um so i go back and i cover

1195

00:49:21,190 --> 00:49:19,119

some of the things that i've talked

1196

00:49:24,230 --> 00:49:21,200

about tonight here the mark in the yard

1197

00:49:27,510 --> 00:49:24,240

and some of the older stuff but i also

1198

00:49:31,510 --> 00:49:27,520

have included in this new book uh

1199

00:49:33,510 --> 00:49:31,520

some parts of my

1200

00:49:35,910 --> 00:49:33,520

everyday life things that have happened

1201

00:49:39,430 --> 00:49:35,920

in my everyday life my work life

1202

00:49:41,670 --> 00:49:39,440

with friends uh paranormal events

1203

00:49:44,470 --> 00:49:41,680

uh that have happened surrounding the

1204

00:49:48,069 --> 00:49:44,480

death of my husband and my mom and

1205

00:49:49,990 --> 00:49:48,079

um some of the experiences i've had as a

1206

00:49:53,190 --> 00:49:50,000

paranormal investigator

1207

00:49:54,309 --> 00:49:53,200

like for instance i i i told you i do a

1208

00:49:57,990 --> 00:49:54,319

lot of avp

1209

00:49:59,589 --> 00:49:58,000

work and i feel like um

1210

00:50:01,190 --> 00:49:59,599

some of the things that i've recorded i

1211

00:50:02,950 --> 00:50:01,200

don't necessarily think

1212

00:50:04,710 --> 00:50:02,960

they ever lived here on this planet i

1213

00:50:06,470 --> 00:50:04,720

wouldn't call them ghosts

1214

00:50:08,630 --> 00:50:06,480

i'm not quite sure who they are where

1215

00:50:10,870 --> 00:50:08,640

they are but

1216

00:50:12,230 --> 00:50:10,880

i had an epiphany once during one of my

1217

00:50:14,470 --> 00:50:12,240

earliest evp

1218

00:50:16,150 --> 00:50:14,480

recording sessions my nephew and i

1219

00:50:19,109 --> 00:50:16,160

actually recorded the voice of an old

1220

00:50:20,950 --> 00:50:19,119

man who said are the spirits listening

1221

00:50:23,349 --> 00:50:20,960

and then right after that immediately

1222

00:50:25,349 --> 00:50:23,359

after that we recorded a voice

1223

00:50:26,390 --> 00:50:25,359

of a child that said can i listen too

1224

00:50:28,150 --> 00:50:26,400

and it was

1225

00:50:31,109 --> 00:50:28,160

i had an epiphany in that moment i

1226

00:50:32,870 --> 00:50:31,119

realized i am the spirit

1227

00:50:35,589 --> 00:50:32,880

that somebody somewhere else is

1228

00:50:39,349 --> 00:50:35,599

listening for right now

1229

00:50:41,589 --> 00:50:39,359

and um yeah that's interesting

1230

00:50:43,349 --> 00:50:41,599

and that's when i got excited about the

1231

00:50:44,710 --> 00:50:43,359

whole paranormal research thing because

1232

00:50:46,230 --> 00:50:44,720

i really don't think

1233

00:50:48,309 --> 00:50:46,240

i don't think that some of that is what

1234

00:50:49,349 --> 00:50:48,319

people think it is i don't i don't go to

1235

00:50:51,829 --> 00:50:49,359

assume that

1236

00:50:53,589 --> 00:50:51,839

everything that we have been or that we

1237

00:50:56,549 --> 00:50:53,599

get in contact with

1238

00:50:58,390 --> 00:50:56,559

has lived here before ever and i don't

1239

00:50:59,990 --> 00:50:58,400

mean just demons and stuff like that i'm

1240

00:51:03,750 --> 00:51:00,000

talking about other

1241

00:51:07,510 --> 00:51:03,760

uh i believe that we can

1242

00:51:10,309 --> 00:51:07,520

in some instances maybe accidentally

1243

00:51:11,190 --> 00:51:10,319

contact you know another dimension for a

1244

00:51:12,710 --> 00:51:11,200

brief moment

1245

00:51:14,950 --> 00:51:12,720

i drew a picture one time and the

1246

00:51:17,750 --> 00:51:14,960

picture will be in my book of a

1247

00:51:20,150 --> 00:51:17,760

cluster of soap bubbles and i called it

1248

00:51:21,990 --> 00:51:20,160

casey's bubbles because my youngest son

1249

00:51:23,190 --> 00:51:22,000

absolutely loves soap bubbles we played

1250

00:51:26,069 --> 00:51:23,200

with them all the time

1251

00:51:28,390 --> 00:51:26,079

and i had one of those um close

1252

00:51:30,230 --> 00:51:28,400

encounter of the third time moments

1253

00:51:31,430 --> 00:51:30,240

with what the guy's name in close

1254

00:51:33,349 --> 00:51:31,440

encounters when he does the mashed

1255

00:51:36,790 --> 00:51:33,359

potato thing and he has that moment

1256

00:51:38,390 --> 00:51:36,800

right i i had a kind of a that's classic

1257

00:51:40,230 --> 00:51:38,400

i had a cut yeah i had a kind of a

1258

00:51:41,670 --> 00:51:40,240

moment with soap bubbles like that when

1259

00:51:44,630 --> 00:51:41,680

i was messing around with them with my

1260

00:51:45,910 --> 00:51:44,640

kids and that's what i ended up drawing

1261

00:51:48,950 --> 00:51:45,920

and i called it that

1262

00:51:49,589 --> 00:51:48,960

but in my mind as i drew them i'm

1263

00:51:52,630 --> 00:51:49,599

thinking

1264

00:51:53,829 --> 00:51:52,640

each one of those bubbles is a universe

1265

00:51:56,549 --> 00:51:53,839

or a dimension

1266

00:51:57,510 --> 00:51:56,559

a multiverse each one and they're all

1267

00:52:00,150 --> 00:51:57,520

hung together

1268

00:52:01,750 --> 00:52:00,160

in a cluster and everywhere that they

1269

00:52:05,030 --> 00:52:01,760

touch

1270

00:52:06,790 --> 00:52:05,040

that little flat smooth surface that

1271

00:52:08,630 --> 00:52:06,800

where it looks like both two bubbles

1272

00:52:10,790 --> 00:52:08,640

have become one

1273

00:52:13,030 --> 00:52:10,800

and there and they touch however

1274

00:52:15,109 --> 00:52:13,040

fleeting and brief it's not permanent

1275

00:52:16,309 --> 00:52:15,119

you know eventually one bubble pops or

1276
00:52:19,910 --> 00:52:16,319
they slide around

1277
00:52:21,589 --> 00:52:19,920
as they drop or move so that little spot

1278
00:52:24,710 --> 00:52:21,599
where these bubbles touch

1279
00:52:26,870 --> 00:52:24,720
moves and in my mind something was

1280
00:52:30,829 --> 00:52:26,880
saying to me in my brain

1281
00:52:34,870 --> 00:52:30,839
it's that spot where the two

1282
00:52:38,309 --> 00:52:34,880
meet that you can communicate

1283
00:52:39,990 --> 00:52:38,319
it's not permanent it's fleeting it it

1284
00:52:43,030 --> 00:52:40,000
moves around

1285
00:52:43,910 --> 00:52:43,040
but there's people on the other side who

1286
00:52:46,309 --> 00:52:43,920
know this

1287
00:52:47,829 --> 00:52:46,319
and they're making they're actively

1288
00:52:50,950 --> 00:52:47,839

working on equipment

1289

00:52:52,710 --> 00:52:50,960

to they know we're here

1290

00:52:54,150 --> 00:52:52,720

and i think there might be some people

1291

00:52:55,910 --> 00:52:54,160

here that know they're there

1292

00:52:57,349 --> 00:52:55,920

or at least in one of these bubbles you

1293

00:52:59,190 --> 00:52:57,359

know what i'm saying and i think that

1294

00:53:01,349 --> 00:52:59,200

some of the evps i've recorded have

1295

00:53:03,750 --> 00:53:01,359

actually been

1296

00:53:05,270 --> 00:53:03,760

not ghosts or dead people who used to be

1297

00:53:08,549 --> 00:53:05,280

here but

1298

00:53:11,349 --> 00:53:08,559

some something from one of those bubbles

1299

00:53:12,790 --> 00:53:11,359

as i call them well that's what i'm

1300

00:53:14,150 --> 00:53:12,800

saying excited about

1301

00:53:16,150 --> 00:53:14,160

i'm sorry tim trower just going to say

1302

00:53:16,790 --> 00:53:16,160

it seems like um that mashed potato

1303

00:53:18,549 --> 00:53:16,800

moment

1304

00:53:20,069 --> 00:53:18,559

or you know in your case that that

1305

00:53:22,150 --> 00:53:20,079

bubble moment it's

1306

00:53:24,230 --> 00:53:22,160

there's always something that i guess

1307

00:53:26,150 --> 00:53:24,240

triggers something hidden and

1308

00:53:28,390 --> 00:53:26,160

as you're trying to understand what that

1309

00:53:30,630 --> 00:53:28,400

is it kind of makes you look

1310

00:53:32,069 --> 00:53:30,640

from and someone outside kind of weird

1311

00:53:33,670 --> 00:53:32,079

because you're just staring at it or

1312

00:53:34,630 --> 00:53:33,680

doing something weird like in the mashed

1313

00:53:36,150 --> 00:53:34,640

potato

1314

00:53:37,910 --> 00:53:36,160

time you know and but instead you're

1315

00:53:39,990 --> 00:53:37,920

just remembering and trying to deal with

1316

00:53:42,950 --> 00:53:40,000

this internal feelings that are just

1317

00:53:44,470 --> 00:53:42,960

wreaking havoc with you right and i'm

1318

00:53:46,870 --> 00:53:44,480

like i don't

1319

00:53:49,109 --> 00:53:46,880

i mean it was at that point in my life

1320

00:53:51,510 --> 00:53:49,119

too and i got very interested in physics

1321

00:53:53,190 --> 00:53:51,520

um and string theory quantum physics all

1322

00:53:55,510 --> 00:53:53,200

the crazy part of physics

1323

00:53:57,750 --> 00:53:55,520

and i started to read things about it i

1324

00:54:00,630 --> 00:53:57,760

haven't read so much lately

1325

00:54:02,150 --> 00:54:00,640

life has a way of yanking my chain and

1326
00:54:04,630 --> 00:54:02,160
dragging me everywhere else i don't want

1327
00:54:08,790 --> 00:54:08,150
but i and i have no clue what i'm

1328
00:54:11,109 --> 00:54:08,800
reading

1329
00:54:12,470 --> 00:54:11,119
mind you when i read these books i don't

1330
00:54:14,390 --> 00:54:12,480
know what any of this stuff means but i

1331
00:54:16,790 --> 00:54:14,400
read it because i feel like

1332
00:54:18,150 --> 00:54:16,800
it needs to be up in here and eventually

1333
00:54:21,750 --> 00:54:18,160
i'll figure it out

1334
00:54:22,230 --> 00:54:21,760
but um so and then you know so that but

1335
00:54:25,030 --> 00:54:22,240
that was

1336
00:54:25,829 --> 00:54:25,040
a triggering moment for me when i had my

1337
00:54:27,349 --> 00:54:25,839
my roy

1338
00:54:29,430 --> 00:54:27,359

i think his name was roy but i had my

1339

00:54:32,710 --> 00:54:29,440

roy moment with the bubbles

1340

00:54:35,270 --> 00:54:32,720

but um and

1341

00:54:36,630 --> 00:54:35,280

uh that's my mind just kind of opened up

1342

00:54:39,670 --> 00:54:36,640

at that point but anyway that

1343

00:54:42,390 --> 00:54:39,680

that all is in my new book that

1344

00:54:42,789 --> 00:54:42,400

i talk about this uh this kind of stuff

1345

00:54:46,309 --> 00:54:42,799

and

1346

00:54:47,109 --> 00:54:46,319

um my theory about what i think human

1347

00:54:50,870 --> 00:54:47,119

beings are

1348

00:54:54,549 --> 00:54:50,880

and where we're headed and uh my theory

1349

00:54:57,670 --> 00:54:54,559

i'm i don't i let me say about

1350

00:54:58,789 --> 00:54:57,680

everything that i share with everybody i

1351

00:55:01,670 --> 00:54:58,799

will tell you

1352

00:55:03,349 --> 00:55:01,680

what i remember i'll tell you what i

1353

00:55:04,829 --> 00:55:03,359

know in the best way i know how i'm not

1354

00:55:08,069 --> 00:55:04,839

the

1355

00:55:08,710 --> 00:55:08,079

best uh uh to you know i don't know all

1356

00:55:11,589 --> 00:55:08,720

the best

1357

00:55:13,030 --> 00:55:11,599

biggest words but i'll tell you what i

1358

00:55:15,829 --> 00:55:13,040

remember what i know

1359

00:55:17,670 --> 00:55:15,839

and then i'll tell you what i think but

1360

00:55:22,069 --> 00:55:17,680

i want you to understand that it's

1361

00:55:25,430 --> 00:55:22,079

my opinion it's not a fact i don't know

1362

00:55:27,510 --> 00:55:25,440

i don't know who

1363

00:55:28,630 --> 00:55:27,520

i've had contact with i don't know where

1364

00:55:32,150 --> 00:55:28,640

they're from i don't know

1365

00:55:35,190 --> 00:55:32,160

what the agenda is i suspect it could be

1366

00:55:36,230 --> 00:55:35,200

multiple different agendas uh for a

1367

00:55:38,470 --> 00:55:36,240

variety of

1368

00:55:39,750 --> 00:55:38,480

you know different things i think there

1369

00:55:43,270 --> 00:55:39,760

are a bunch of stuff going on

1370

00:55:45,750 --> 00:55:43,280

not just one thing so but all that i

1371

00:55:48,630 --> 00:55:45,760

talk about in my new book and how

1372

00:55:49,750 --> 00:55:48,640

the experience has shaped me and has

1373

00:55:53,270 --> 00:55:49,760

affected my

1374

00:55:54,309 --> 00:55:53,280

whole life not just the paranormal part

1375

00:55:57,510 --> 00:55:54,319

of it

1376

00:55:59,750 --> 00:55:57,520

but my whole life honest to god had it

1377

00:56:04,309 --> 00:55:59,760

not been for bud hopkins

1378

00:56:08,230 --> 00:56:04,319

and meeting him even regardless of

1379

00:56:10,870 --> 00:56:08,240

of the experience in june of 83

1380

00:56:11,910 --> 00:56:10,880

had i not met bud there is not one

1381

00:56:15,270 --> 00:56:11,920

single thing

1382

00:56:18,870 --> 00:56:15,280

about my life right now that would be

1383

00:56:21,990 --> 00:56:18,880

in existence i can't even imagine

1384

00:56:24,390 --> 00:56:22,000

how my life would be without it

1385

00:56:26,309 --> 00:56:24,400

so even though the early parts of my ufo

1386

00:56:28,390 --> 00:56:26,319

experiences and paranormal experiences

1387

00:56:29,829 --> 00:56:28,400

were scary

1388

00:56:32,390 --> 00:56:29,839

i wouldn't trade them for the world

1389

00:56:34,710 --> 00:56:32,400

because they're the reason i have this

1390

00:56:35,990 --> 00:56:34,720

life i have now the husband i have the

1391

00:56:38,309 --> 00:56:36,000

grandkids i have

1392

00:56:39,270 --> 00:56:38,319

i mean nothing about my life would be

1393

00:56:42,069 --> 00:56:39,280

the way it is now

1394

00:56:44,150 --> 00:56:42,079

so i not so and i talk about all of this

1395

00:56:47,109 --> 00:56:44,160

i talk about how i've

1396

00:56:49,349 --> 00:56:47,119

survived it i've talked about how i've

1397

00:56:54,309 --> 00:56:49,359

used it to make me a better person

1398

00:56:57,109 --> 00:56:54,319

a stronger person um and a more um

1399

00:56:58,549 --> 00:56:57,119

i don't know enlightened person for i

1400

00:57:00,549 --> 00:56:58,559

don't know how to put it that sounds

1401

00:57:03,349 --> 00:57:00,559

kind of corny and hokey but

1402

00:57:05,349 --> 00:57:03,359

you know i become less religious and

1403

00:57:08,069 --> 00:57:05,359

more spiritual

1404

00:57:09,829 --> 00:57:08,079

as i've processed gone through this

1405

00:57:11,910 --> 00:57:09,839

process

1406

00:57:13,750 --> 00:57:11,920

and i want people out there who are like

1407

00:57:15,829 --> 00:57:13,760

me who've had a life like me

1408

00:57:17,990 --> 00:57:15,839

who are having a life like mine right

1409

00:57:21,349 --> 00:57:18,000

now to know they're not alone

1410

00:57:22,150 --> 00:57:21,359

i was blessed and so fortunate and

1411

00:57:24,069 --> 00:57:22,160

grateful

1412

00:57:25,670 --> 00:57:24,079

to have support of my family my

1413

00:57:28,150 --> 00:57:25,680

neighbors my coworkers

1414

00:57:29,430 --> 00:57:28,160

my employers pretty much everyone in my

1415

00:57:31,990 --> 00:57:29,440

immediate

1416

00:57:33,190 --> 00:57:32,000

circle you know i was very fortunate to

1417

00:57:36,150 --> 00:57:33,200

have all this support

1418

00:57:37,990 --> 00:57:36,160

and i know most people don't and i want

1419

00:57:39,990 --> 00:57:38,000

to pay that forward

1420

00:57:41,430 --> 00:57:40,000

debbie what do you say we go uh into

1421

00:57:44,150 --> 00:57:41,440

some question and answers

1422

00:57:45,510 --> 00:57:44,160

but uh uh i want to uh just make that

1423

00:57:46,470 --> 00:57:45,520

quick announcement that we're getting to

1424

00:57:48,710 --> 00:57:46,480

that stage

1425

00:57:50,470 --> 00:57:48,720

but and uh i have a question for you

1426

00:57:53,190 --> 00:57:50,480

that i hope you can um

1427

00:57:54,630 --> 00:57:53,200

uh get to first but uh to anyone

1428

00:57:57,670 --> 00:57:54,640

watching uh if you

1429

00:57:59,589 --> 00:57:57,680

simply put three three stars before you

1430

00:58:01,430 --> 00:57:59,599

in the chat three stars before your

1431

00:58:02,630 --> 00:58:01,440

question that way i know you're

1432

00:58:05,030 --> 00:58:02,640

referring or

1433

00:58:06,870 --> 00:58:05,040

have a question for the guest and uh

1434

00:58:08,470 --> 00:58:06,880

then i'll just go down the list whoever

1435

00:58:11,190 --> 00:58:08,480

has some questions for debbie

1436

00:58:12,549 --> 00:58:11,200

but uh debbie the question i wanted to

1437

00:58:14,549 --> 00:58:12,559

ask specifically

1438

00:58:16,150 --> 00:58:14,559

when you first started working with bud

1439

00:58:18,549 --> 00:58:16,160

hopkins what was

1440

00:58:19,589 --> 00:58:18,559

what was some of the first things that i

1441

00:58:21,990 --> 00:58:19,599

guess

1442

00:58:22,630 --> 00:58:22,000

kind of were revealed to you with you

1443

00:58:25,670 --> 00:58:22,640

know through

1444

00:58:27,589 --> 00:58:25,680

to the hypnosis process

1445

00:58:28,710 --> 00:58:27,599

well when i when i first started to work

1446

00:58:32,150 --> 00:58:28,720

with bud and

1447

00:58:34,390 --> 00:58:32,160

i went to new york for the first time

1448

00:58:36,710 --> 00:58:34,400

the first couple of hypnosis sessions i

1449

00:58:38,950 --> 00:58:36,720

had were actually with dr clamar

1450

00:58:40,069 --> 00:58:38,960

i think her name was aphrodite kamar she

1451

00:58:42,390 --> 00:58:40,079

was a psychologist

1452

00:58:44,230 --> 00:58:42,400

or psychotherapist or something that i

1453

00:58:45,190 --> 00:58:44,240

don't know how bud met her or got her

1454

00:58:48,390 --> 00:58:45,200

involved but

1455

00:58:51,750 --> 00:58:48,400

he took me to see her very nice woman

1456

00:58:54,069 --> 00:58:51,760

very calm and quiet and patient and

1457

00:58:55,750 --> 00:58:54,079

her intention i think was to um just

1458

00:58:56,470 --> 00:58:55,760

show me i was very leery of the whole

1459

00:59:02,630 --> 00:58:56,480

hypno

1460

00:59:03,990 --> 00:59:02,640

had had a very bad experience under the

1461

00:59:06,549 --> 00:59:04,000

one that had the experience

1462

00:59:07,990 --> 00:59:06,559

uh the the uh contact extraterrestrial

1463

00:59:10,150 --> 00:59:08,000

in 65

1464

00:59:11,430 --> 00:59:10,160

she years later tried to be hypnotized

1465

00:59:12,789 --> 00:59:11,440

to i don't know whether it was quit

1466

00:59:13,910 --> 00:59:12,799

smoking or lose weight might have been

1467

00:59:16,950 --> 00:59:13,920

to lose weight

1468

00:59:18,870 --> 00:59:16,960

went with a friend and to this like they

1469

00:59:20,549 --> 00:59:18,880

used to have those group hypnotherapy

1470

00:59:23,349 --> 00:59:20,559

things to lose weight and whatnot

1471

00:59:24,950 --> 00:59:23,359

and she did that and her friend yeah was

1472

00:59:27,829 --> 00:59:24,960

lose weight her friend did

1473

00:59:28,710 --> 00:59:27,839

great but when kathy came home that

1474

00:59:31,030 --> 00:59:28,720

night

1475

00:59:32,150 --> 00:59:31,040

she didn't feel right and she was like

1476

00:59:34,549 --> 00:59:32,160

she when she woke up

1477

00:59:36,470 --> 00:59:34,559

she couldn't speak she couldn't move it

1478

00:59:41,190 --> 00:59:36,480

was like she was having seizures

1479

00:59:42,870 --> 00:59:41,200

i mean she was messed up for a long time

1480

00:59:44,549 --> 00:59:42,880

and so that was in the back of my mind

1481

00:59:46,950 --> 00:59:44,559

i'm like i don't want no part of that

1482

00:59:47,750 --> 00:59:46,960

because i don't know if her reaction to

1483

00:59:49,829 --> 00:59:47,760

that

1484

00:59:51,910 --> 00:59:49,839

weight loss hypnosis was because of her

1485

00:59:55,510 --> 00:59:51,920

ufo stuff

1486

00:59:56,470 --> 00:59:55,520

but um dr kamar calmed me down and

1487

01:00:00,069 --> 00:59:56,480

reassured me

1488

01:00:02,950 --> 01:00:00,079

hypno hypnosis is simply an extremely

1489

01:00:04,549 --> 01:00:02,960

relaxed state of mind and that i won't

1490

01:00:07,589 --> 01:00:04,559

do anything

1491

01:00:10,069 --> 01:00:07,599

uh under hypnosis that

1492

01:00:11,270 --> 01:00:10,079

uh i wouldn't do consciously i mean it

1493

01:00:14,630 --> 01:00:11,280

wouldn't go against my

1494

01:00:16,230 --> 01:00:14,640

morals or anything like that uh

1495

01:00:18,390 --> 01:00:16,240

and the first couple sessions i had with

1496

01:00:20,549 --> 01:00:18,400

her really i didn't remember

1497

01:00:22,390 --> 01:00:20,559

anything i just kind of she just took me

1498

01:00:25,109 --> 01:00:22,400

to a relaxed place and then

1499

01:00:25,670 --> 01:00:25,119

let me see how it felt and then brought

1500

01:00:28,710 --> 01:00:25,680

me back

1501

01:00:31,829 --> 01:00:28,720

you know and then um

1502

01:00:33,829 --> 01:00:31,839

with bud basically i

1503

01:00:35,589 --> 01:00:33,839

he did basically the same thing that dr

1504

01:00:36,710 --> 01:00:35,599

klamar did the same he used the same

1505

01:00:40,230 --> 01:00:36,720

technique

1506

01:00:42,950 --> 01:00:40,240

and um he kind of just

1507

01:00:44,069 --> 01:00:42,960

you know let me be in a relaxed place

1508

01:00:47,750 --> 01:00:44,079

and then

1509

01:00:50,870 --> 01:00:47,760

uh i don't

1510

01:00:51,510 --> 01:00:50,880

really i didn't really remember a whole

1511

01:00:54,069 --> 01:00:51,520

bunch of

1512

01:00:54,789 --> 01:00:54,079

anything in any of our sessions there

1513

01:00:56,390 --> 01:00:54,799

might be

1514

01:00:58,950 --> 01:00:56,400

one or two sessions where i remembered

1515

01:01:02,549 --> 01:00:58,960

some stuff but the majority of

1516

01:01:03,349 --> 01:01:02,559

what i remembered usually came after the

1517

01:01:05,589 --> 01:01:03,359

session

1518

01:01:08,470 --> 01:01:05,599

for like two weeks because it was like

1519

01:01:11,750 --> 01:01:08,480

once i kind of opened that door in there

1520

01:01:15,109 --> 01:01:11,760

uh it would be like i would go home

1521

01:01:16,870 --> 01:01:15,119

from new york and then all of a sudden

1522

01:01:17,990 --> 01:01:16,880

something would trigger a memory and i'd

1523

01:01:19,829 --> 01:01:18,000

be like oh my god i can't believe i

1524

01:01:21,430 --> 01:01:19,839

forgot that my mom and i used to sit and

1525

01:01:24,470 --> 01:01:21,440

have conversations

1526

01:01:26,549 --> 01:01:24,480

about stuff that i was remembering after

1527

01:01:28,470 --> 01:01:26,559

coming home from new york

1528

01:01:30,390 --> 01:01:28,480

and my mom would be like oh my god i

1529

01:01:31,190 --> 01:01:30,400

can't i can't believe we forgot that you

1530

01:01:34,309 --> 01:01:31,200

know

1531

01:01:37,349 --> 01:01:34,319

so um i'm kind of

1532

01:01:38,950 --> 01:01:37,359

i'm going back on my original

1533

01:01:40,870 --> 01:01:38,960

message saying that you know i'll ask

1534

01:01:43,990 --> 01:01:40,880

you one more question and move on q

1535

01:01:46,630 --> 01:01:44,000

a but i do want to ask you about um

1536

01:01:47,270 --> 01:01:46,640

do you does did bud record any of these

1537

01:01:49,750 --> 01:01:47,280

um

1538

01:01:52,950 --> 01:01:49,760

regression sets yes so all of them were

1539

01:01:55,910 --> 01:01:52,960

recorded did you finally just

1540

01:01:57,910 --> 01:01:55,920

no i i never had copy of mine but every

1541

01:01:59,589 --> 01:01:57,920

session that i did have with bud i only

1542

01:02:01,349 --> 01:01:59,599

had i didn't have that many because

1543

01:02:03,270 --> 01:02:01,359

i mean he lived in new york and i lived

1544

01:02:03,750 --> 01:02:03,280

in indiana so i mean there wasn't that

1545

01:02:06,150 --> 01:02:03,760

many

1546

01:02:07,589 --> 01:02:06,160

opportunities to have you know

1547

01:02:09,829 --> 01:02:07,599

hypnotherapy

1548

01:02:12,150 --> 01:02:09,839

with him so i think maybe there might

1549

01:02:14,710 --> 01:02:12,160

have been five

1550

01:02:15,829 --> 01:02:14,720

or six sessions total i'm maybe not even

1551
01:02:19,190 --> 01:02:15,839
that many

1552
01:02:20,230 --> 01:02:19,200
um they were all recorded and there was

1553
01:02:22,549 --> 01:02:20,240
always someone there

1554
01:02:24,150 --> 01:02:22,559
it wasn't just him and me i know one

1555
01:02:28,069 --> 01:02:24,160
time tracy tormey sat

1556
01:02:31,430 --> 01:02:28,079
in on one of the sessions uh of course

1557
01:02:32,789 --> 01:02:31,440
dr kumar was in on one and

1558
01:02:34,710 --> 01:02:32,799
there but there were always there was

1559
01:02:37,270 --> 01:02:34,720
always somebody else

1560
01:02:39,829 --> 01:02:37,280
in there with me and him and he recorded

1561
01:02:42,069 --> 01:02:39,839
everything but i do not have

1562
01:02:46,390 --> 01:02:42,079
sadly i don't have those tapes i also

1563
01:02:49,589 --> 01:02:48,630

a lot of the artwork that i gave him

1564

01:02:51,349 --> 01:02:49,599

that i did

1565

01:02:53,109 --> 01:02:51,359

that i have pictures of which i have

1566

01:02:55,430 --> 01:02:53,119

photographs of them and the photographs

1567

01:02:57,589 --> 01:02:55,440

in my book of some of the artwork i did

1568

01:02:58,549 --> 01:02:57,599

but then i gave him all of my original

1569

01:03:01,589 --> 01:02:58,559

stuff

1570

01:03:03,190 --> 01:03:01,599

and it's all gone i don't know what

1571

01:03:03,829 --> 01:03:03,200

happened to all his stuff when he passed

1572

01:03:07,430 --> 01:03:03,839

away so

1573

01:03:09,270 --> 01:03:07,440

i i don't have any of it sadly

1574

01:03:11,109 --> 01:03:09,280

well um there's one question that came

1575

01:03:14,710 --> 01:03:11,119

through from uh fabrizia

1576

01:03:17,349 --> 01:03:14,720

he's uh he's asking with night terror

1577

01:03:18,309 --> 01:03:17,359

with night terrors intrusions and

1578

01:03:22,710 --> 01:03:18,319

predative

1579

01:03:25,510 --> 01:03:22,720

feel to it is this a legit feel to it

1580

01:03:27,510 --> 01:03:25,520

or need to reevaluate our personal

1581

01:03:30,710 --> 01:03:27,520

perspective

1582

01:03:32,870 --> 01:03:30,720

if does that make sense i'm not

1583

01:03:34,710 --> 01:03:32,880

i'm not quite clear on that i think you

1584

01:03:37,990 --> 01:03:34,720

helped me he's i think he's asking

1585

01:03:40,789 --> 01:03:38,000

uh particularly about the

1586

01:03:41,829 --> 01:03:40,799

the terrors if there's if that's the

1587

01:03:43,670 --> 01:03:41,839

genuine

1588

01:03:45,750 --> 01:03:43,680

feeling that you should be feeling is it

1589

01:03:49,029 --> 01:03:45,760

just our our perspective that

1590

01:03:51,270 --> 01:03:49,039

makes it scary oh yeah

1591

01:03:52,390 --> 01:03:51,280

right i think that's what he's asking

1592

01:03:54,470 --> 01:03:52,400

okay um

1593

01:03:56,390 --> 01:03:54,480

yeah well like i said i wouldn't i would

1594

01:04:01,670 --> 01:03:56,400

not have those experiences again

1595

01:04:07,109 --> 01:04:05,430

i mean like now i wouldn't be afraid but

1596

01:04:08,630 --> 01:04:07,119

i would certainly be startled

1597

01:04:10,390 --> 01:04:08,640

i mean because you don't expect that

1598

01:04:12,069 --> 01:04:10,400

just the sheer uh

1599

01:04:13,270 --> 01:04:12,079

something coming at you that you've

1600

01:04:15,270 --> 01:04:13,280

never seen before you don't know

1601
01:04:17,349 --> 01:04:15,280
anything about i mean you're gonna be

1602
01:04:18,390 --> 01:04:17,359
uh startled and your first thought as a

1603
01:04:19,829 --> 01:04:18,400
human being is go

1604
01:04:21,990 --> 01:04:19,839
is this thing gonna kill me and hate me

1605
01:04:22,870 --> 01:04:22,000
or you know i mean i think that's normal

1606
01:04:25,670 --> 01:04:22,880
reaction

1607
01:04:27,029 --> 01:04:25,680
to anything and then i i think to myself

1608
01:04:31,109 --> 01:04:27,039
look

1609
01:04:32,549 --> 01:04:31,119
when a when a child goes to the doctor

1610
01:04:35,029 --> 01:04:32,559
and the doctor gives that child a

1611
01:04:37,109 --> 01:04:35,039
vaccination that child doesn't know what

1612
01:04:39,670 --> 01:04:37,119
that vaccination is for

1613
01:04:40,390 --> 01:04:39,680

he doesn't know why this man is doing

1614

01:04:43,190 --> 01:04:40,400

this to him

1615

01:04:44,549 --> 01:04:43,200

it hurts it's the kid screams and he's

1616

01:04:46,870 --> 01:04:44,559

scared and he cries

1617

01:04:47,750 --> 01:04:46,880

but the doctor and the mother know this

1618

01:04:49,589 --> 01:04:47,760

is good

1619

01:04:51,430 --> 01:04:49,599

this is a good thing for this child this

1620

01:04:54,309 --> 01:04:51,440

is going to you know

1621

01:04:57,190 --> 01:04:54,319

save this child's life later so i kind

1622

01:05:00,710 --> 01:04:57,200

of feel like it in that some way

1623

01:05:02,950 --> 01:05:00,720

i don't i don't in any instance

1624

01:05:04,950 --> 01:05:02,960

feel as if anything that might have been

1625

01:05:07,990 --> 01:05:04,960

done to me that was harmful

1626

01:05:10,390 --> 01:05:08,000

or scared me was intentional

1627

01:05:11,670 --> 01:05:10,400

i do not feel that at all i do not feel

1628

01:05:15,270 --> 01:05:11,680

any kind of malice or

1629

01:05:18,470 --> 01:05:15,280

negative i feel like my fear was my own

1630

01:05:21,190 --> 01:05:18,480

my own not knowing what was going on and

1631

01:05:22,390 --> 01:05:21,200

and what was happening and not

1632

01:05:23,990 --> 01:05:22,400

understanding

1633

01:05:26,230 --> 01:05:24,000

that's where my fear and terror come

1634

01:05:29,190 --> 01:05:26,240

from you know and my my basic

1635

01:05:31,270 --> 01:05:29,200

primal instincts of not die you know

1636

01:05:34,829 --> 01:05:31,280

when you're faced with something unknown

1637

01:05:35,990 --> 01:05:34,839

it's scary but like i said in the bigger

1638

01:05:37,829 --> 01:05:36,000

picture

1639

01:05:39,270 --> 01:05:37,839

i i don't believe that anything that was

1640

01:05:43,109 --> 01:05:39,280

ever done to me was done

1641

01:05:45,829 --> 01:05:43,119

in malice with with bad intent

1642

01:05:46,470 --> 01:05:45,839

okay so uh the next question i have is

1643

01:05:48,789 --> 01:05:46,480

from m

1644

01:05:50,230 --> 01:05:48,799

roland says did your encounters feel

1645

01:05:52,470 --> 01:05:50,240

like dreams originally

1646

01:05:53,750 --> 01:05:52,480

sorry i missed most of the live live

1647

01:05:54,630 --> 01:05:53,760

show i guess that's what he's trying to

1648

01:05:58,150 --> 01:05:54,640

say

1649

01:06:02,069 --> 01:05:58,160

yeah my um i have always

1650

01:06:05,109 --> 01:06:02,079

referred to many of them as dreams

1651
01:06:07,190 --> 01:06:05,119
mostly and it would irritate researchers

1652
01:06:07,829 --> 01:06:07,200
to no end but look i got to live with it

1653
01:06:13,990 --> 01:06:07,839
i have to

1654
01:06:15,910 --> 01:06:14,000
there's some things that even now i have

1655
01:06:20,230 --> 01:06:15,920
a hard time

1656
01:06:22,870 --> 01:06:20,240
uh with but

1657
01:06:25,829 --> 01:06:22,880
i will tell you a lot of it wasn't a

1658
01:06:28,870 --> 01:06:25,839
dream i wasn't anywhere close to asleep

1659
01:06:31,430 --> 01:06:28,880
and um the the

1660
01:06:33,349 --> 01:06:31,440
i do have had i have had some what i

1661
01:06:34,630 --> 01:06:33,359
call vivid dreams they're not the same

1662
01:06:37,430 --> 01:06:34,640
as a regular dream

1663
01:06:38,710 --> 01:06:37,440

in those dreams i'm in the dream i'm

1664

01:06:41,670 --> 01:06:38,720

participating in it

1665

01:06:43,270 --> 01:06:41,680

it's very vivid it's color it's 3d and

1666

01:06:46,390 --> 01:06:43,280

once i wake up

1667

01:06:49,510 --> 01:06:46,400

i remember it and the longer i'm awake

1668

01:06:50,309 --> 01:06:49,520

the more of it i remember and it never

1669

01:06:53,910 --> 01:06:50,319

goes away

1670

01:06:54,710 --> 01:06:53,920

when i have a regular dream i might wake

1671

01:06:56,789 --> 01:06:54,720

up

1672

01:06:58,870 --> 01:06:56,799

and think oh i had a dream it was kind

1673

01:07:00,549 --> 01:06:58,880

of weird but like an hour later i don't

1674

01:07:03,910 --> 01:07:00,559

even remember having a dream

1675

01:07:06,789 --> 01:07:03,920

so i have these two different things and

1676

01:07:09,430 --> 01:07:06,799

some of my weird stuff is that second or

1677

01:07:12,390 --> 01:07:09,440

that first kind of vivid dream

1678

01:07:13,349 --> 01:07:12,400

but you know sometimes i think when i go

1679

01:07:16,470 --> 01:07:13,359

to sleep i go

1680

01:07:17,910 --> 01:07:16,480

somewhere else so i don't know you know

1681

01:07:20,950 --> 01:07:17,920

if maybe i'm

1682

01:07:21,589 --> 01:07:20,960

going somewhere else in my spirit you

1683

01:07:23,670 --> 01:07:21,599

know i mean

1684

01:07:25,670 --> 01:07:23,680

and having these experiences i don't

1685

01:07:29,510 --> 01:07:25,680

know i don't know that either

1686

01:07:32,630 --> 01:07:31,270

well i mean it's it's difficult trying

1687

01:07:35,109 --> 01:07:32,640

to figure it out when these

1688

01:07:35,670 --> 01:07:35,119

events just constantly it's not like you

1689

01:07:38,150 --> 01:07:35,680

remember

1690

01:07:38,789 --> 01:07:38,160

everything in a chronological order you

1691

01:07:40,710 --> 01:07:38,799

know it's

1692

01:07:42,390 --> 01:07:40,720

you just off the sudden this pops in or

1693

01:07:43,510 --> 01:07:42,400

that pops in and this happened different

1694

01:07:45,829 --> 01:07:43,520

times to different

1695

01:07:47,589 --> 01:07:45,839

different decades sometimes so you know

1696

01:07:50,470 --> 01:07:47,599

can't can't blame you for not

1697

01:07:52,390 --> 01:07:50,480

having it you know fully all figured out

1698

01:07:54,230 --> 01:07:52,400

but uh um

1699

01:07:56,470 --> 01:07:54,240

i probably never gonna fully all figured

1700

01:07:57,589 --> 01:07:56,480

out i'm still a work in progress as far

1701

01:08:00,309 --> 01:07:57,599

as my

1702

01:08:01,990 --> 01:08:00,319

growth and i and i occasionally might

1703

01:08:02,870 --> 01:08:02,000

pop up a remember something that

1704

01:08:05,990 --> 01:08:02,880

happened

1705

01:08:07,510 --> 01:08:06,000

you know 45 years ago and i'm like what

1706

01:08:08,549 --> 01:08:07,520

i can't remember what i had for dinner

1707

01:08:10,789 --> 01:08:08,559

yesterday

1708

01:08:13,510 --> 01:08:10,799

but i can remember something they had 25

1709

01:08:15,670 --> 01:08:13,520

years ago what's that

1710

01:08:17,510 --> 01:08:15,680

well i just want to uh quickly uh remind

1711

01:08:20,390 --> 01:08:17,520

everyone in the description below

1712

01:08:21,669 --> 01:08:20,400

uh debbie's website is there and also

1713

01:08:23,990 --> 01:08:21,679

the publishers

1714

01:08:24,789 --> 01:08:24,000

page where there's some more info about

1715

01:08:26,870 --> 01:08:24,799

the book

1716

01:08:28,550 --> 01:08:26,880

um i'll stay in touch with debbie and

1717

01:08:31,189 --> 01:08:28,560

and we'll get that updated when

1718

01:08:31,910 --> 01:08:31,199

if and when well when the book goes live

1719

01:08:33,990 --> 01:08:31,920

and so

1720

01:08:36,149 --> 01:08:34,000

that way there's a direct buy link there

1721

01:08:38,630 --> 01:08:36,159

but uh yeah check that out uh

1722

01:08:40,630 --> 01:08:38,640

while while you're watching the show so

1723

01:08:42,709 --> 01:08:40,640

uh debbie uh um while i'm waiting for

1724

01:08:45,910 --> 01:08:42,719

another question i wanted to

1725

01:08:48,149 --> 01:08:45,920

uh to ask you do you do you have you

1726

01:08:51,189 --> 01:08:48,159

recently still had some contacts

1727

01:08:53,349 --> 01:08:51,199

or or do you think as majority of it has

1728

01:08:56,470 --> 01:08:53,359

just subsided and you're allowed to kind

1729

01:08:58,149 --> 01:08:56,480

of go back to your normal life

1730

01:09:00,309 --> 01:08:58,159

well you know there were a few times in

1731

01:09:00,709 --> 01:09:00,319

my life when i actually actively tried

1732

01:09:07,829 --> 01:09:00,719

to

1733

01:09:09,910 --> 01:09:07,839

for periods of time but somehow the

1734

01:09:12,470 --> 01:09:09,920

phenomenon always found me and kind of

1735

01:09:14,550 --> 01:09:12,480

dropped kicked me right back into it

1736

01:09:15,590 --> 01:09:14,560

this point in my life now i haven't had

1737

01:09:19,430 --> 01:09:15,600

any

1738

01:09:22,789 --> 01:09:19,440

physical you know contact

1739

01:09:25,990 --> 01:09:22,799

that i'm aware of um i've been

1740

01:09:26,789 --> 01:09:26,000

having i guess i call them psychic

1741

01:09:30,149 --> 01:09:26,799

moments

1742

01:09:32,630 --> 01:09:30,159

little little visions and uh

1743

01:09:33,669 --> 01:09:32,640

psychic i guess if you want to call it

1744

01:09:36,950 --> 01:09:33,679

psychic

1745

01:09:42,149 --> 01:09:36,960

you know and spiritual

1746

01:09:42,159 --> 01:09:46,789

but i uh

1747

01:09:50,070 --> 01:09:49,110

and you know but it's not that i'm not

1748

01:09:51,749 --> 01:09:50,080

open to it now

1749

01:09:53,110 --> 01:09:51,759

it's just that i don't know that it's

1750

01:09:57,350 --> 01:09:53,120

necessary anymore

1751

01:10:00,709 --> 01:09:57,360

i think that uh it's like my contact

1752

01:10:01,750 --> 01:10:00,719

has gradually over years moved from a

1753

01:10:05,430 --> 01:10:01,760

physical

1754

01:10:08,709 --> 01:10:05,440

to a an energetic like maybe

1755

01:10:11,030 --> 01:10:08,719

level you know and

1756

01:10:12,790 --> 01:10:11,040

now i'm focused now that i'm retired you

1757

01:10:14,950 --> 01:10:12,800

know like i said life has a way of

1758

01:10:17,110 --> 01:10:14,960

yanking your chain and dragging you

1759

01:10:19,350 --> 01:10:17,120

a round where you really not necessarily

1760

01:10:21,270 --> 01:10:19,360

want to be but you got to pay the bills

1761

01:10:22,470 --> 01:10:21,280

you know so for 15 years i worked in a

1762

01:10:24,550 --> 01:10:22,480

factory and

1763

01:10:26,229 --> 01:10:24,560

it not only beat my body up but it

1764

01:10:29,990 --> 01:10:26,239

consumed a lot of time

1765

01:10:31,030 --> 01:10:30,000

in my life but when the pandemic came i

1766

01:10:34,630 --> 01:10:31,040

tried to find a

1767

01:10:36,229 --> 01:10:34,640

uh a silver lining in that cloud and

1768

01:10:37,750 --> 01:10:36,239

in that seven or eight weeks my plant

1769

01:10:39,510 --> 01:10:37,760

was shut down i finished i actually

1770

01:10:43,189 --> 01:10:39,520

finished the book that i started on

1771

01:10:46,470 --> 01:10:43,199

years before and so um

1772

01:10:48,390 --> 01:10:46,480

you know now i'm retired and uh

1773

01:10:49,830 --> 01:10:48,400

everything is dovetailing all at once as

1774

01:10:52,149 --> 01:10:49,840

a matter of fact actually

1775

01:10:53,510 --> 01:10:52,159

the publisher that's doing my book

1776

01:10:57,110 --> 01:10:53,520

august night press

1777

01:11:00,630 --> 01:10:57,120

just um i think last week uh

1778

01:11:04,070 --> 01:11:00,640

re-released intruders and missing time

1779

01:11:06,550 --> 01:11:04,080

two of bud's classic books for uh

1780

01:11:07,750 --> 01:11:06,560

to be reprinted and to be purchased so

1781

01:11:10,310 --> 01:11:07,760

now those are available

1782

01:11:11,270 --> 01:11:10,320

on amazon and all fine online book

1783

01:11:14,149 --> 01:11:11,280

places

1784

01:11:14,950 --> 01:11:14,159

and i think it's great obviously it's it

1785

01:11:17,430 --> 01:11:14,960

helps me

1786

01:11:19,110 --> 01:11:17,440

because uh intruders was my life you

1787

01:11:20,550 --> 01:11:19,120

know if you can send me that link i'll

1788

01:11:23,830 --> 01:11:20,560

put in the description below

1789

01:11:25,510 --> 01:11:23,840

uh later on okay and um

1790

01:11:28,390 --> 01:11:25,520

so but i think it's great for a whole

1791

01:11:30,950 --> 01:11:28,400

new crop of young uh people who are

1792

01:11:31,750 --> 01:11:30,960

interested in the subject now um to be

1793

01:11:35,030 --> 01:11:31,760

able to have

1794

01:11:37,990 --> 01:11:35,040

these uh really you know

1795

01:11:38,870 --> 01:11:38,000

pioneering books especially missing time

1796

01:11:44,149 --> 01:11:38,880

um

1797

01:11:45,990 --> 01:11:44,159

anybody who's interested seriously in

1798

01:11:47,350 --> 01:11:46,000

ufos really needs to have these books in

1799

01:11:48,950 --> 01:11:47,360

their library

1800

01:11:50,550 --> 01:11:48,960

uh and it comes and if you don't have a

1801
01:11:51,750 --> 01:11:50,560
library anymore i think you can get it

1802
01:11:55,910 --> 01:11:51,760
on kindle too

1803
01:11:57,189 --> 01:11:55,920
but um the the climate has changed so

1804
01:12:00,630 --> 01:11:57,199
much

1805
01:12:03,669 --> 01:12:00,640
in 35 years when i first came out

1806
01:12:05,830 --> 01:12:03,679
publicly i really wasn't uh

1807
01:12:08,310 --> 01:12:05,840
all that thrilled about it and had to

1808
01:12:10,470 --> 01:12:08,320
have a little coaxing by bud

1809
01:12:12,229 --> 01:12:10,480
but the thought of helping other people

1810
01:12:15,669 --> 01:12:12,239
was eventually

1811
01:12:17,750 --> 01:12:15,679
more powerful than me and i

1812
01:12:20,390 --> 01:12:17,760
succumbed to it and decided to go ahead

1813
01:12:22,310 --> 01:12:20,400

and let my story be public

1814

01:12:23,990 --> 01:12:22,320

i took one for my family team you know

1815

01:12:25,510 --> 01:12:24,000

nobody else wanted to go around and talk

1816

01:12:29,430 --> 01:12:25,520

about it so i did

1817

01:12:31,430 --> 01:12:29,440

and uh but they supported me and now

1818

01:12:32,470 --> 01:12:31,440

i mean but but you didn't you wouldn't

1819

01:12:34,630 --> 01:12:32,480

think of wearing an

1820

01:12:36,149 --> 01:12:34,640

alien head on a t-shirt by any means or

1821

01:12:38,630 --> 01:12:36,159

even talking about it

1822

01:12:41,189 --> 01:12:38,640

without whispering you know in a public

1823

01:12:43,110 --> 01:12:41,199

area and now it's like

1824

01:12:45,189 --> 01:12:43,120

it's cool i mean you go to walmart and

1825

01:12:46,310 --> 01:12:45,199

buy a lunchbox with alien heads on them

1826

01:12:50,630 --> 01:12:46,320

and

1827

01:12:51,270 --> 01:12:50,640

television shows on talking about them

1828

01:12:54,630 --> 01:12:51,280

and they have

1829

01:12:56,229 --> 01:12:54,640

huge followings and you know so

1830

01:12:58,229 --> 01:12:56,239

the climate has changed people are

1831

01:13:00,790 --> 01:12:58,239

changing so um

1832

01:13:01,590 --> 01:13:00,800

so it's almost like you know like me i'm

1833

01:13:05,110 --> 01:13:01,600

changing and

1834

01:13:06,390 --> 01:13:05,120

and becoming different and uh growing

1835

01:13:09,350 --> 01:13:06,400

from all this and i think

1836

01:13:09,830 --> 01:13:09,360

humanity as a whole is too at this time

1837

01:13:12,390 --> 01:13:09,840

so

1838

01:13:13,830 --> 01:13:12,400

uh well talking talking about shows one

1839

01:13:14,310 --> 01:13:13,840

of the other questions from william

1840

01:13:16,950 --> 01:13:14,320

divorce

1841

01:13:18,390 --> 01:13:16,960

i i watched a documentary with you in it

1842

01:13:22,470 --> 01:13:18,400

you talked about children

1843

01:13:28,070 --> 01:13:25,910

um yes i had when i

1844

01:13:30,709 --> 01:13:28,080

was married to my first husband the one

1845

01:13:31,830 --> 01:13:30,719

who i had was married to when i had that

1846

01:13:34,870 --> 01:13:31,840

with the two guys that came in the

1847

01:13:36,550 --> 01:13:34,880

bedroom um

1848

01:13:38,149 --> 01:13:36,560

before we got married i found out i was

1849

01:13:39,910 --> 01:13:38,159

pregnant we had intended on getting

1850

01:13:41,669 --> 01:13:39,920

married and having a wedding in june but

1851
01:13:43,030 --> 01:13:41,679
we moved it up to april because i found

1852
01:13:46,310 --> 01:13:43,040
out i was pregnant

1853
01:13:49,270 --> 01:13:46,320
and um

1854
01:13:50,070 --> 01:13:49,280
i was a few months along and i had a

1855
01:13:53,590 --> 01:13:50,080
strange

1856
01:13:55,750 --> 01:13:53,600
dream and i called it a dream because

1857
01:13:57,669 --> 01:13:55,760
it was one of those vivid dream like

1858
01:13:58,870 --> 01:13:57,679
things but the next morning when i woke

1859
01:14:00,070 --> 01:13:58,880
up i felt like

1860
01:14:02,229 --> 01:14:00,080
my there was something wrong with my

1861
01:14:03,830 --> 01:14:02,239
baby i

1862
01:14:06,550 --> 01:14:03,840
checked myself and everything looked

1863
01:14:09,350 --> 01:14:06,560

normal but i couldn't shake the feeling

1864

01:14:11,189 --> 01:14:09,360

and i started to remember little bits

1865

01:14:13,110 --> 01:14:11,199

and pieces of

1866

01:14:14,229 --> 01:14:13,120

some kind of a medical procedure and i

1867

01:14:19,110 --> 01:14:14,239

remembered feeling

1868

01:14:22,630 --> 01:14:22,149

so my girlfriend again the the same gal

1869

01:14:24,790 --> 01:14:22,640

that i

1870

01:14:26,070 --> 01:14:24,800

rode around in the country stalking her

1871

01:14:29,350 --> 01:14:26,080

boyfriend

1872

01:14:30,470 --> 01:14:29,360

um she says to me come on i'll take you

1873

01:14:32,070 --> 01:14:30,480

to planned parenthood you get a

1874

01:14:34,950 --> 01:14:32,080

pregnancy test

1875

01:14:37,270 --> 01:14:34,960

um it'll say you're pregnant and you

1876

01:14:40,149 --> 01:14:37,280

know you can calm down and shut up

1877

01:14:41,590 --> 01:14:40,159

so i went i had the pregnancy test there

1878

01:14:45,110 --> 01:14:41,600

it was negative

1879

01:14:46,630 --> 01:14:45,120

and the gal was telling me you know if

1880

01:14:48,070 --> 01:14:46,640

you don't have your period in the next

1881

01:14:51,030 --> 01:14:48,080

week you need to see your physician

1882

01:14:53,750 --> 01:14:51,040

at that point i was like out of my mind

1883

01:14:57,270 --> 01:14:56,229

so i went and my girlfriend was trying

1884

01:15:00,870 --> 01:14:57,280

to console me

1885

01:15:03,430 --> 01:15:00,880

and uh she

1886

01:15:04,630 --> 01:15:03,440

took me home i told my mom something was

1887

01:15:07,910 --> 01:15:04,640

wrong and i need to go to the doctor

1888

01:15:10,709 --> 01:15:07,920

right away so she took me to the doctor

1889

01:15:11,110 --> 01:15:10,719

i the doctor gave me another pregnancy

1890

01:15:13,430 --> 01:15:11,120

test

1891

01:15:14,310 --> 01:15:13,440

and another uh exam and then he had me

1892

01:15:17,510 --> 01:15:14,320

go into this

1893

01:15:19,350 --> 01:15:17,520

little office with my mom and he told my

1894

01:15:21,990 --> 01:15:19,360

mom that i was not pregnant

1895

01:15:23,189 --> 01:15:22,000

that he wasn't sure what happened but we

1896

01:15:26,550 --> 01:15:23,199

see this

1897

01:15:28,470 --> 01:15:26,560

a lot it's not that big a deal basically

1898

01:15:29,669 --> 01:15:28,480

he looked at me and said you're young

1899

01:15:31,270 --> 01:15:29,679

you're going to have other kids

1900

01:15:33,189 --> 01:15:31,280

if i really just forget this ever

1901
01:15:35,030 --> 01:15:33,199
happened and my mom is like well wait

1902
01:15:36,470 --> 01:15:35,040
does she need to have like a dnc

1903
01:15:38,070 --> 01:15:36,480
or something it's like no everything

1904
01:15:41,910 --> 01:15:38,080
looks fine

1905
01:15:45,510 --> 01:15:43,830
i remember saying to him i am never

1906
01:15:47,030 --> 01:15:45,520
going to forget this as long as i live

1907
01:15:48,709 --> 01:15:47,040
and we walked out of that place and we

1908
01:15:52,310 --> 01:15:48,719
never spoke of it again

1909
01:15:55,750 --> 01:15:52,320
never and um then

1910
01:15:59,189 --> 01:15:55,760
uh years later

1911
01:16:02,790 --> 01:15:59,199
during the investigation i have no

1912
01:16:03,510 --> 01:16:02,800
clue why i started thinking about this

1913
01:16:06,790 --> 01:16:03,520

pregnancy

1914

01:16:10,390 --> 01:16:06,800

and i blurted it out to bud one day and

1915

01:16:11,510 --> 01:16:10,400

i immediately regretted it because i saw

1916

01:16:14,709 --> 01:16:11,520

the look on his face

1917

01:16:16,870 --> 01:16:14,719

was one of first horror and then

1918

01:16:18,470 --> 01:16:16,880

oh my god she's crazy poor thing and

1919

01:16:20,149 --> 01:16:18,480

he's like well i'm sorry

1920

01:16:22,790 --> 01:16:20,159

i'm that you went through that and i

1921

01:16:24,550 --> 01:16:22,800

thought oh god i'm crazy i'm stupid

1922

01:16:25,910 --> 01:16:24,560

and i said i have no idea why i'm even

1923

01:16:27,510 --> 01:16:25,920

mentioning this to you and i don't know

1924

01:16:31,510 --> 01:16:27,520

why it

1925

01:16:37,750 --> 01:16:34,630

well years later

1926

01:16:41,030 --> 01:16:37,760

um i

1927

01:16:44,950 --> 01:16:41,040

i had uh dreams

1928

01:16:46,310 --> 01:16:44,960

of someone in a in a medical setting

1929

01:16:49,430 --> 01:16:46,320

taking my baby

1930

01:16:50,630 --> 01:16:49,440

i had further down the road i dreamed of

1931

01:16:54,550 --> 01:16:50,640

seeing

1932

01:16:57,669 --> 01:16:54,560

a child with these little guys

1933

01:16:58,229 --> 01:16:57,679

that didn't look like them looked more

1934

01:17:01,669 --> 01:16:58,239

like a

1935

01:17:03,510 --> 01:17:01,679

regular human being and

1936

01:17:05,110 --> 01:17:03,520

somehow feeling or being told that that

1937

01:17:09,110 --> 01:17:05,120

was my baby that was

1938

01:17:12,149 --> 01:17:09,120

my kid and um

1939

01:17:12,630 --> 01:17:12,159

but you know that sounds crazy and i

1940

01:17:15,990 --> 01:17:12,640

couldn't

1941

01:17:17,189 --> 01:17:16,000

accept it as and i still have a hard

1942

01:17:19,270 --> 01:17:17,199

time with it

1943

01:17:21,110 --> 01:17:19,280

first of all i lost a baby that i was

1944

01:17:22,790 --> 01:17:21,120

hoping to have and that was getting used

1945

01:17:24,870 --> 01:17:22,800

to being pregnant and you know that was

1946

01:17:27,830 --> 01:17:24,880

hard enough in and of itself but

1947

01:17:28,229 --> 01:17:27,840

the weird dreams around it were even

1948

01:17:29,830 --> 01:17:28,239

more

1949

01:17:31,270 --> 01:17:29,840

strange and at first i didn't want bud

1950

01:17:32,870 --> 01:17:31,280

to put any of it in the book

1951

01:17:34,709 --> 01:17:32,880

because it was embarrassing and i'm like

1952

01:17:35,990 --> 01:17:34,719

i don't want people i don't

1953

01:17:38,630 --> 01:17:36,000

i don't want to talk about this we

1954

01:17:41,030 --> 01:17:38,640

didn't talk about it for you know years

1955

01:17:41,990 --> 01:17:41,040

uh and i don't know why i even told you

1956

01:17:43,910 --> 01:17:42,000

but eventually

1957

01:17:45,990 --> 01:17:43,920

i guess he started having people

1958

01:17:49,750 --> 01:17:46,000

contacting him

1959

01:17:52,310 --> 01:17:49,760

similar things happen

1960

01:17:53,669 --> 01:17:52,320

and some even more way more

1961

01:17:57,510 --> 01:17:53,679

extraordinary than

1962

01:18:00,470 --> 01:17:57,520

mine and so um

1963

01:18:01,750 --> 01:18:00,480

you know eventually i gave him

1964

01:18:03,350 --> 01:18:01,760

permission to include it in the book

1965

01:18:04,550 --> 01:18:03,360

when he first wrote the book i'm like no

1966

01:18:05,750 --> 01:18:04,560

i don't want that in there don't put

1967

01:18:06,790 --> 01:18:05,760

that in there i don't want to talk about

1968

01:18:13,110 --> 01:18:06,800

it

1969

01:18:14,550 --> 01:18:13,120

and then i had dreams of seeing um

1970

01:18:17,669 --> 01:18:14,560

another child

1971

01:18:21,030 --> 01:18:17,679

i i thought it was mine it was a

1972

01:18:23,189 --> 01:18:21,040

different one but i don't remember how

1973

01:18:24,830 --> 01:18:23,199

this child came to be and i don't

1974

01:18:28,149 --> 01:18:24,840

remember having any dreams about it

1975

01:18:30,149 --> 01:18:28,159

so you know

1976

01:18:31,910 --> 01:18:30,159

bud's theory was that that was some kind

1977

01:18:35,430 --> 01:18:31,920

of hybrid between

1978

01:18:38,550 --> 01:18:35,440

us and them i don't know

1979

01:18:41,910 --> 01:18:38,560

maybe it was but i don't know

1980

01:18:45,430 --> 01:18:41,920

i honestly don't know and

1981

01:18:48,149 --> 01:18:45,440

so i i just i try to live with the

1982

01:18:49,669 --> 01:18:48,159

memory and i try to live with the fact

1983

01:18:51,189 --> 01:18:49,679

that i've told the whole world about it

1984

01:18:55,669 --> 01:18:51,199

now i look like an

1985

01:18:57,750 --> 01:18:55,679

idiot but uh you know i

1986

01:18:59,270 --> 01:18:57,760

it is what it is and i mean i have the

1987

01:19:01,430 --> 01:18:59,280

medical records

1988

01:19:02,870 --> 01:19:01,440

from well debbie i think it's not any

1989

01:19:06,229 --> 01:19:02,880

any

1990

01:19:07,830 --> 01:19:06,239

already just experienced

1991

01:19:09,750 --> 01:19:07,840

all these different things told us

1992

01:19:12,149 --> 01:19:09,760

earlier it's it's like

1993

01:19:12,950 --> 01:19:12,159

you know it's just the next evolution

1994

01:19:16,550 --> 01:19:12,960

well it's

1995

01:19:18,550 --> 01:19:16,560

yeah it feels crazier than just the mark

1996

01:19:20,149 --> 01:19:18,560

in the yard and all the other stuff

1997

01:19:22,709 --> 01:19:20,159

well you know sometimes you just have to

1998

01:19:24,310 --> 01:19:22,719

still you know to you still have to

1999

01:19:25,110 --> 01:19:24,320

mention it talk about it you know

2000

01:19:28,709 --> 01:19:25,120

because

2001

01:19:30,630 --> 01:19:28,719

time hasn't had that experience

2002

01:19:32,709 --> 01:19:30,640

doesn't mean that it's not real in some

2003

01:19:34,070 --> 01:19:32,719

way you know and of course we don't know

2004

01:19:37,110 --> 01:19:34,080

but the point is

2005

01:19:38,870 --> 01:19:37,120

who knows by you saying something doing

2006

01:19:40,709 --> 01:19:38,880

something for the first time you are the

2007

01:19:43,910 --> 01:19:40,719

trailblazer

2008

01:19:46,229 --> 01:19:43,920

the fact is i was pregnant

2009

01:19:47,750 --> 01:19:46,239

my doctor and my mom and i actually even

2010

01:19:49,189 --> 01:19:47,760

had a conversation about how

2011

01:19:51,110 --> 01:19:49,199

he thought i might be a little farther

2012

01:19:53,669 --> 01:19:51,120

along than i thought i was

2013

01:19:54,790 --> 01:19:53,679

and you know i was young i was i wasn't

2014

01:19:57,350 --> 01:19:54,800

even 18 yet

2015

01:19:58,550 --> 01:19:57,360

so i had no i know nothing about

2016

01:20:00,630 --> 01:19:58,560

pregnancy

2017

01:20:01,669 --> 01:20:00,640

i really wasn't looking to get pregnant

2018

01:20:04,950 --> 01:20:01,679

at that time

2019

01:20:07,350 --> 01:20:04,960

but it was what it was and so uh

2020

01:20:08,390 --> 01:20:07,360

and then all of a sudden i wasn't and

2021

01:20:10,629 --> 01:20:08,400

there was no

2022

01:20:12,070 --> 01:20:10,639

explanation for it and the only thing i

2023

01:20:15,270 --> 01:20:12,080

had left were these

2024

01:20:19,350 --> 01:20:15,280

horrible nightmares for years with

2025

01:20:21,510 --> 01:20:19,360

it you know so i called him nightmares

2026

01:20:22,950 --> 01:20:21,520

but you know so it is what it is it

2027

01:20:24,790 --> 01:20:22,960

happened

2028

01:20:26,470 --> 01:20:24,800

and i don't know what to make of it

2029

01:20:28,310 --> 01:20:26,480

sometimes and i don't expect

2030

01:20:29,990 --> 01:20:28,320

other people to figure out what to make

2031

01:20:31,669 --> 01:20:30,000

of it i know bud had his theory i know

2032

01:20:32,870 --> 01:20:31,679

dave jacobs has his series

2033

01:20:35,110 --> 01:20:32,880

i know a lot of people have their

2034

01:20:36,550 --> 01:20:35,120

theories and that's great

2035

01:20:39,030 --> 01:20:36,560

was that the only instance that you

2036

01:20:42,229 --> 01:20:39,040

remember or that you know of

2037

01:20:44,870 --> 01:20:42,239

that's the only one um

2038

01:20:45,990 --> 01:20:44,880

that was like that yeah the only time

2039

01:20:49,270 --> 01:20:46,000

that i know of that i was

2040

01:20:52,709 --> 01:20:49,280

actually pregnant i mean then i had my

2041

01:20:54,149 --> 01:20:52,719

son not too long after that i got

2042

01:20:57,350 --> 01:20:54,159

pregnant with my son

2043

01:20:59,830 --> 01:20:57,360

and then that was a horrible mess i had

2044

01:21:01,110 --> 01:20:59,840

i was i almost died he was born by

2045

01:21:03,430 --> 01:21:01,120

emergency c-section

2046

01:21:04,629 --> 01:21:03,440

when i was seven months pregnant and

2047

01:21:06,629 --> 01:21:04,639

then

2048

01:21:08,070 --> 01:21:06,639

you know shortly after him i got

2049

01:21:10,629 --> 01:21:08,080

pregnant with the

2050

01:21:11,750 --> 01:21:10,639

the other kid and you know my baby

2051
01:21:14,390 --> 01:21:11,760
making

2052
01:21:16,229 --> 01:21:14,400
days was over by the time i was 23 years

2053
01:21:17,830 --> 01:21:16,239
old i had they had to take all my

2054
01:21:19,750 --> 01:21:17,840
insides out the doctor said i was

2055
01:21:21,910 --> 01:21:19,760
trashed so that was

2056
01:21:23,590 --> 01:21:21,920
actually the word that the doctor used

2057
01:21:23,990 --> 01:21:23,600
when he did my hysterectomy he said you

2058
01:21:27,030 --> 01:21:24,000
were

2059
01:21:30,470 --> 01:21:27,040
trashed like okay

2060
01:21:30,790 --> 01:21:30,480
but um yeah i know that was the only

2061
01:21:33,110 --> 01:21:30,800
time

2062
01:21:33,830 --> 01:21:33,120
that first pregnancy was the weird one

2063
01:21:35,750 --> 01:21:33,840

that's very

2064

01:21:37,030 --> 01:21:35,760

emotional though especially when you

2065

01:21:39,990 --> 01:21:37,040

know that that

2066

01:21:41,510 --> 01:21:40,000

you you were you know having a baby

2067

01:21:43,110 --> 01:21:41,520

because i know my wife and i we had to

2068

01:21:45,510 --> 01:21:43,120

miscarriage you know and it's

2069

01:21:46,470 --> 01:21:45,520

it's so weird that even though you've

2070

01:21:48,629 --> 01:21:46,480

never

2071

01:21:50,629 --> 01:21:48,639

seen the baby you know know it's coming

2072

01:21:53,189 --> 01:21:50,639

but then understanding that

2073

01:21:55,270 --> 01:21:53,199

it's not going to be born it's it's a

2074

01:21:58,310 --> 01:21:55,280

feeling like

2075

01:22:00,149 --> 01:21:58,320

like a like a you know like

2076

01:22:01,990 --> 01:22:00,159

it's devastating it's a devastating but

2077

01:22:03,830 --> 01:22:02,000

it's like a person that you have known

2078

01:22:06,229 --> 01:22:03,840

although i've never seen a baby just the

2079

01:22:07,750 --> 01:22:06,239

thought and knowledge that it was there

2080

01:22:09,990 --> 01:22:07,760

and not there anymore

2081

01:22:11,350 --> 01:22:10,000

you know and um you know i feel your

2082

01:22:14,629 --> 01:22:11,360

pain i'm sorry that

2083

01:22:16,790 --> 01:22:14,639

that that you know did that

2084

01:22:18,310 --> 01:22:16,800

they and i i appreciate that thank you

2085

01:22:21,590 --> 01:22:18,320

you know i always said

2086

01:22:24,550 --> 01:22:21,600

it's hard to talk about it because

2087

01:22:27,350 --> 01:22:24,560

i mean it's it was a lot harder you know

2088

01:22:31,270 --> 01:22:27,360

25 or 30 years ago than it is now

2089

01:22:33,510 --> 01:22:31,280

uh but i mean it's still how societal

2090

01:22:36,070 --> 01:22:33,520

standards change huh

2091

01:22:37,430 --> 01:22:36,080

yeah and and people have to remember

2092

01:22:39,910 --> 01:22:37,440

when i'm talking about it

2093

01:22:40,629 --> 01:22:39,920

first and foremost i was a woman a young

2094

01:22:45,430 --> 01:22:40,639

woman

2095

01:22:48,629 --> 01:22:45,440

who lost a baby so keep that in mind

2096

01:22:52,310 --> 01:22:48,639

you know because that baby

2097

01:22:56,149 --> 01:22:52,320

was real that baby was there and

2098

01:22:58,870 --> 01:22:56,159

i have doctor records and

2099

01:22:59,750 --> 01:22:58,880

medical you know tests results and

2100

01:23:02,790 --> 01:22:59,760

everything else

2101
01:23:03,189 --> 01:23:02,800
pelvic exam the baby was there and when

2102
01:23:06,229 --> 01:23:03,199
i

2103
01:23:09,669 --> 01:23:06,239
heartbroken

2104
01:23:11,350 --> 01:23:09,679
i had you know i will

2105
01:23:13,510 --> 01:23:11,360
i'll tell you what let me let me put it

2106
01:23:16,709 --> 01:23:13,520
this way

2107
01:23:18,950 --> 01:23:16,719
after that after i lost that baby

2108
01:23:20,310 --> 01:23:18,960
every month that i had a period i cried

2109
01:23:23,510 --> 01:23:20,320
like a baby

2110
01:23:27,669 --> 01:23:23,520
until finally i got pregnant again

2111
01:23:29,270 --> 01:23:27,679
all i could think of was having

2112
01:23:32,229 --> 01:23:29,280
all i ever wanted in life was to be a

2113
01:23:35,430 --> 01:23:32,239

mom that was my number one goal in life

2114

01:23:36,310 --> 01:23:35,440

was to be a mother and uh so yeah after

2115

01:23:38,950 --> 01:23:36,320

i had that when i

2116

01:23:40,310 --> 01:23:38,960

after i lost that first baby i was you

2117

01:23:41,270 --> 01:23:40,320

know it was really hard and then they

2118

01:23:42,629 --> 01:23:41,280

have to

2119

01:23:45,270 --> 01:23:42,639

that's the main reason i don't want to

2120

01:23:47,270 --> 01:23:45,280

talk about it i don't even

2121

01:23:48,950 --> 01:23:47,280

i could smack myself in the head a

2122

01:23:50,950 --> 01:23:48,960

million times over

2123

01:23:52,149 --> 01:23:50,960

forever mentioning it to bud because i

2124

01:23:54,229 --> 01:23:52,159

have no idea why

2125

01:23:55,189 --> 01:23:54,239

i connected it all and then everything

2126

01:23:59,110 --> 01:23:55,199

started to come in

2127

01:24:02,070 --> 01:23:59,120

so i mean all the you know the memories

2128

01:24:02,870 --> 01:24:02,080

the dreams right right well um deb i

2129

01:24:05,030 --> 01:24:02,880

apologize

2130

01:24:06,629 --> 01:24:05,040

uh just before we continue could you

2131

01:24:08,390 --> 01:24:06,639

please do me a favor and i think

2132

01:24:09,669 --> 01:24:08,400

if you could turn a bit to your right

2133

01:24:10,790 --> 01:24:09,679

then you'll be more centered on my

2134

01:24:12,870 --> 01:24:10,800

screen

2135

01:24:14,070 --> 01:24:12,880

there you go yep yeah you were going i

2136

01:24:17,350 --> 01:24:14,080

wiggle around a lot

2137

01:24:18,709 --> 01:24:17,360

okay i just figured um that way since

2138

01:24:20,149 --> 01:24:18,719

everyone else is watching they'll have

2139

01:24:23,189 --> 01:24:20,159

you in a better position just a little

2140

01:24:25,270 --> 01:24:23,199

bit more to your right i think

2141

01:24:27,030 --> 01:24:25,280

to my right yeah there you go yep thank

2142

01:24:27,669 --> 01:24:27,040

you very much perfect you're centered

2143

01:24:30,550 --> 01:24:27,679

now

2144

01:24:31,830 --> 01:24:30,560

uh so the next question i have is is

2145

01:24:34,870 --> 01:24:31,840

from michael j

2146

01:24:37,910 --> 01:24:34,880

schuman uh asks where are all those

2147

01:24:41,350 --> 01:24:37,920

hybrids now um are they here to

2148

01:24:44,629 --> 01:24:41,360

be liaisons between us and ets or they

2149

01:24:47,669 --> 01:24:44,639

inhabiting some other planet i

2150

01:24:52,390 --> 01:24:47,679

don't know i honestly

2151

01:24:55,750 --> 01:24:53,990

i would love to be able to see that

2152

01:24:58,310 --> 01:24:55,760

first pregnancy again that

2153

01:25:00,070 --> 01:24:58,320

that that girl but you know i don't know

2154

01:25:01,430 --> 01:25:00,080

where they are or what they're doing

2155

01:25:03,990 --> 01:25:01,440

yeah that's a good question because

2156

01:25:06,550 --> 01:25:04,000

they're still um depends on from

2157

01:25:07,910 --> 01:25:06,560

from person to person and who had these

2158

01:25:09,590 --> 01:25:07,920

experiences there's

2159

01:25:11,510 --> 01:25:09,600

different stories on that but i wish

2160

01:25:13,189 --> 01:25:11,520

there was like with everything that

2161

01:25:15,110 --> 01:25:13,199

there was a little bit more concrete

2162

01:25:16,550 --> 01:25:15,120

information regarding it's like where

2163

01:25:16,950 --> 01:25:16,560

are they going are they hanging out with

2164

01:25:20,310 --> 01:25:16,960

them

2165

01:25:22,550 --> 01:25:20,320

are they doing something else

2166

01:25:23,830 --> 01:25:22,560

well she ain't hanging out with me so i

2167

01:25:25,990 --> 01:25:23,840

don't know i don't know where

2168

01:25:27,750 --> 01:25:26,000

no i don't i can't i'm sorry i can't

2169

01:25:30,470 --> 01:25:27,760

answer that question

2170

01:25:31,030 --> 01:25:30,480

i don't have an answer um the other one

2171

01:25:34,149 --> 01:25:31,040

is

2172

01:25:39,350 --> 01:25:34,159

another one from fabrice asking um have

2173

01:25:42,629 --> 01:25:41,910

i'm sorry the spelling on it is kind of

2174

01:25:45,430 --> 01:25:42,639

uh

2175

01:25:48,070 --> 01:25:45,440

jumbled around have you had dreams your

2176

01:25:50,709 --> 01:25:48,080

child to come off your child to come

2177

01:25:51,110 --> 01:25:50,719

was it outwardly fabrice i'm sorry if

2178

01:25:53,189 --> 01:25:51,120

you can

2179

01:25:54,870 --> 01:25:53,199

please uh reformat that question one

2180

01:25:56,870 --> 01:25:54,880

more time for me then i can

2181

01:25:58,390 --> 01:25:56,880

i can ask it it's it's a bit confusing

2182

01:26:00,470 --> 01:25:58,400

i'm not quite sure what what you're

2183

01:26:04,470 --> 01:26:00,480

asking

2184

01:26:10,629 --> 01:26:07,990

debbie so the

2185

01:26:12,390 --> 01:26:10,639

have i mean was there dude sometimes

2186

01:26:16,229 --> 01:26:12,400

speaking of dreams do you sometimes

2187

01:26:19,350 --> 01:26:16,239

do dream of of that girl older

2188

01:26:21,270 --> 01:26:19,360

you know and and i mean have there been

2189

01:26:21,990 --> 01:26:21,280

any kind of interactions in in that way

2190

01:26:24,470 --> 01:26:22,000

or was that

2191

01:26:26,550 --> 01:26:24,480

basically those instances and then that

2192

01:26:28,950 --> 01:26:26,560

was it

2193

01:26:30,229 --> 01:26:28,960

um one time when i lived in the

2194

01:26:35,590 --> 01:26:30,239

apartment complex so

2195

01:26:38,870 --> 01:26:35,600

that had to have been oh i don't know

2196

01:26:39,910 --> 01:26:38,880

over 20 years maybe 25 25 for 30 years

2197

01:26:44,629 --> 01:26:39,920

ago

2198

01:26:47,750 --> 01:26:46,550

it actually wasn't even a dream this

2199

01:26:51,189 --> 01:26:47,760

actually happened

2200

01:26:53,669 --> 01:26:51,199

i was sitting in my kitchen i'm sorry

2201
01:26:55,669 --> 01:26:53,679
and i was drinking a cup of coffee and i

2202
01:26:58,390 --> 01:26:55,679
was sitting in front of patio door

2203
01:26:59,669 --> 01:26:58,400
and there it was a you know it was a

2204
01:27:01,750 --> 01:26:59,679
privacy fence

2205
01:27:02,790 --> 01:27:01,760
around my little tiny backyard in my

2206
01:27:05,030 --> 01:27:02,800
apartment

2207
01:27:06,229 --> 01:27:05,040
and there were like slats on the privacy

2208
01:27:08,950 --> 01:27:06,239
fence

2209
01:27:10,390 --> 01:27:08,960
and you could see when people and kids

2210
01:27:11,669 --> 01:27:10,400
would walk by you could see their shoes

2211
01:27:13,110 --> 01:27:11,679
you could see them

2212
01:27:15,669 --> 01:27:13,120
through the slats you know because there

2213
01:27:18,229 --> 01:27:15,679

was big gaps and i felt something

2214

01:27:20,229 --> 01:27:18,239

funny and i looked up and there was a

2215

01:27:21,910 --> 01:27:20,239

kid

2216

01:27:23,590 --> 01:27:21,920

probably the height maybe of a

2217

01:27:26,790 --> 01:27:23,600

nine-year-old

2218

01:27:29,030 --> 01:27:26,800

or something uh aged the height

2219

01:27:29,990 --> 01:27:29,040

anyway i think it was a kid i thought it

2220

01:27:32,709 --> 01:27:30,000

was a kid

2221

01:27:33,750 --> 01:27:32,719

and i could see her looking at me

2222

01:27:37,189 --> 01:27:33,760

through the slat

2223

01:27:40,390 --> 01:27:37,199

and i saw one eye and it was very blue

2224

01:27:41,510 --> 01:27:40,400

big eye and she had lots of white hair

2225

01:27:44,070 --> 01:27:41,520

blonde super white

2226

01:27:46,870 --> 01:27:44,080

super blonde hair and she was wearing

2227

01:27:49,590 --> 01:27:46,880

all dark clothes dark pants starchers

2228

01:27:51,270 --> 01:27:49,600

even dark shoes and i thought what the

2229

01:27:52,709 --> 01:27:51,280

hell is that kid looking at and then i

2230

01:27:55,830 --> 01:27:52,719

thought

2231

01:27:57,590 --> 01:27:55,840

something feels weird and you know and

2232

01:27:59,910 --> 01:27:57,600

then i realized

2233

01:28:02,470 --> 01:27:59,920

why is what does that why does that

2234

01:28:04,709 --> 01:28:02,480

child have on all black

2235

01:28:05,990 --> 01:28:04,719

and i stood up and i started to go

2236

01:28:09,350 --> 01:28:06,000

outside

2237

01:28:11,030 --> 01:28:09,360

and as i stood up she took off and when

2238

01:28:14,310 --> 01:28:11,040

she took off

2239

01:28:17,189 --> 01:28:14,320

running i ran out the back door

2240

01:28:18,629 --> 01:28:17,199

opened up the gate and i ran behind the

2241

01:28:20,950 --> 01:28:18,639

alleyway

2242

01:28:22,390 --> 01:28:20,960

of grass between the two different

2243

01:28:25,189 --> 01:28:22,400

buildings with our

2244

01:28:26,790 --> 01:28:25,199

um privacy fences that butted up against

2245

01:28:29,270 --> 01:28:26,800

each other's kind of i mean there was a

2246

01:28:30,790 --> 01:28:29,280

there was a walk path

2247

01:28:32,790 --> 01:28:30,800

ran down to the end of the building and

2248

01:28:33,110 --> 01:28:32,800

looked both ways there was nobody that

2249

01:28:37,189 --> 01:28:33,120

kid

2250

01:28:40,709 --> 01:28:37,199

had to be like flying and and after she

2251

01:28:42,550 --> 01:28:40,719

left it dawned on me

2252

01:28:44,709 --> 01:28:42,560

i'd never seen any kid like that in the

2253

01:28:47,110 --> 01:28:44,719

neighborhood or around the apartments

2254

01:28:49,430 --> 01:28:47,120

and i never saw after that and and

2255

01:28:52,470 --> 01:28:49,440

something in my mind thought

2256

01:28:54,709 --> 01:28:52,480

was that her you know

2257

01:28:56,390 --> 01:28:54,719

in my mind i don't know who it was i

2258

01:28:58,149 --> 01:28:56,400

don't know if it was her but for some

2259

01:28:58,629 --> 01:28:58,159

reason that came up after all these

2260

01:29:02,390 --> 01:28:58,639

years

2261

01:29:05,270 --> 01:29:02,400

that was the last time that i remembered

2262

01:29:07,189 --> 01:29:05,280

anything or thought about her except

2263

01:29:10,310 --> 01:29:07,199

occasionally i would think about

2264

01:29:12,870 --> 01:29:10,320

she would be uh

2265

01:29:14,229 --> 01:29:12,880

42 years old now she wouldn't be she's

2266

01:29:17,270 --> 01:29:14,239

no little girl

2267

01:29:19,590 --> 01:29:17,280

she'd be 40 she'd be 43 maybe my my

2268

01:29:22,310 --> 01:29:19,600

oldest son is 41.

2269

01:29:23,990 --> 01:29:22,320

so she'd be like 40 maybe 43 years old

2270

01:29:26,149 --> 01:29:24,000

now so

2271

01:29:27,990 --> 01:29:26,159

i'm well you know there's something i'm

2272

01:29:29,270 --> 01:29:28,000

always in the back of my mind i always

2273

01:29:33,189 --> 01:29:29,280

thought

2274

01:29:36,070 --> 01:29:33,199

if she was

2275

01:29:38,229 --> 01:29:36,080

if if that was her if that dream i had

2276

01:29:39,270 --> 01:29:38,239

was really her if that was her that i

2277

01:29:41,110 --> 01:29:39,280

saw

2278

01:29:42,470 --> 01:29:41,120

in the apartments that day if that was

2279

01:29:44,390 --> 01:29:42,480

her i

2280

01:29:46,070 --> 01:29:44,400

hope and pray in the back of my mind

2281

01:29:47,189 --> 01:29:46,080

that there's a little piece of her

2282

01:29:50,310 --> 01:29:47,199

inside

2283

01:29:51,590 --> 01:29:50,320

that would want to seek me out and find

2284

01:29:55,669 --> 01:29:51,600

me

2285

01:29:58,070 --> 01:29:55,679

eventually you know but that's all i got

2286

01:29:59,510 --> 01:29:58,080

okay thank you for that um another

2287

01:30:01,350 --> 01:29:59,520

question from roland says

2288

01:30:03,590 --> 01:30:01,360

should we fear the extraterrestrials or

2289

01:30:07,430 --> 01:30:03,600

not like stephen greer believes we have

2290

01:30:10,310 --> 01:30:07,440

nothing to worry about

2291

01:30:10,709 --> 01:30:10,320

uh you know what again that's i i don't

2292

01:30:14,950 --> 01:30:10,719

know

2293

01:30:17,990 --> 01:30:14,960

i i can tell you my experience

2294

01:30:18,390 --> 01:30:18,000

and from my perspective whatever i've

2295

01:30:21,669 --> 01:30:18,400

had

2296

01:30:25,270 --> 01:30:21,679

contact with you know um

2297

01:30:28,950 --> 01:30:25,280

if it had wanted to destroy me

2298

01:30:31,669 --> 01:30:28,960

it could have easily years ago

2299

01:30:33,590 --> 01:30:31,679

and so and i and like i said i always

2300

01:30:36,870 --> 01:30:33,600

felt like there wasn't any

2301
01:30:40,149 --> 01:30:36,880
intentional harm done to me whatever

2302
01:30:43,910 --> 01:30:40,159
suffering or pain or fear i had

2303
01:30:46,149 --> 01:30:43,920
was unintentional but uh

2304
01:30:47,510 --> 01:30:46,159
that's just my experience i don't know

2305
01:30:48,790 --> 01:30:47,520
what's out there and like i've said

2306
01:30:51,189 --> 01:30:48,800
before

2307
01:30:52,790 --> 01:30:51,199
i think that there's probably as many

2308
01:30:56,870 --> 01:30:52,800
life forms

2309
01:30:59,270 --> 01:30:56,880
out there and around us

2310
01:31:00,550 --> 01:30:59,280
as there are humans on this planet as

2311
01:31:03,669 --> 01:31:00,560
well as

2312
01:31:05,110 --> 01:31:03,679
look how many agendas there are within

2313
01:31:08,709 --> 01:31:05,120

humanity

2314

01:31:11,350 --> 01:31:08,719

you know what i mean every group every

2315

01:31:13,750 --> 01:31:11,360

society has its agenda every religion

2316

01:31:16,390 --> 01:31:13,760

has its agent you know what i mean

2317

01:31:16,950 --> 01:31:16,400

there might be some out there that might

2318

01:31:18,870 --> 01:31:16,960

not be

2319

01:31:21,030 --> 01:31:18,880

so nice and might not really

2320

01:31:23,669 --> 01:31:21,040

particularly care for humans very much

2321

01:31:25,189 --> 01:31:23,679

i don't know i for my i can only speak

2322

01:31:26,310 --> 01:31:25,199

from my own experience and my own

2323

01:31:29,350 --> 01:31:26,320

perspective in that

2324

01:31:32,709 --> 01:31:29,360

i'm not afraid

2325

01:31:37,189 --> 01:31:35,590

um sorry i was just uh trying to to

2326

01:31:38,070 --> 01:31:37,199

write back there were some statements

2327

01:31:39,910 --> 01:31:38,080

that were made

2328

01:31:41,270 --> 01:31:39,920

but i would i was just going to write it

2329

01:31:44,790 --> 01:31:41,280

out if they could um

2330

01:31:47,830 --> 01:31:44,800

ask a question instead but um

2331

01:31:49,350 --> 01:31:47,840

yeah anyway so uh debbie what do you

2332

01:31:49,750 --> 01:31:49,360

what do you feel like do would you like

2333

01:31:51,910 --> 01:31:49,760

to

2334

01:31:53,430 --> 01:31:51,920

go on some more or or do you think this

2335

01:31:55,510 --> 01:31:53,440

is this has been a good time

2336

01:31:57,189 --> 01:31:55,520

because i i think it's it's been great

2337

01:31:59,030 --> 01:31:57,199

so far and thank you so much for sharing

2338

01:32:03,030 --> 01:31:59,040

for everything that you did

2339

01:32:04,709 --> 01:32:03,040

well you know it's i'm good it um

2340

01:32:06,149 --> 01:32:04,719

well it's up to you yeah let's uh let's

2341

01:32:07,750 --> 01:32:06,159

go a little longer

2342

01:32:09,189 --> 01:32:07,760

see if any more questions come through

2343

01:32:14,950 --> 01:32:09,199

and because i have some

2344

01:32:18,790 --> 01:32:17,189

i told you i love questions because i

2345

01:32:19,830 --> 01:32:18,800

mean i may not have the answers to

2346

01:32:22,229 --> 01:32:19,840

everything

2347

01:32:23,430 --> 01:32:22,239

i'll do the best i can but questions for

2348

01:32:25,990 --> 01:32:23,440

me are like little

2349

01:32:28,629 --> 01:32:26,000

little those little bumpers rails that

2350

01:32:31,750 --> 01:32:28,639

you pop up when you take a kid bowling

2351

01:32:33,430 --> 01:32:31,760

i've got 62 years worth of stuff up here

2352

01:32:36,390 --> 01:32:33,440

in this little head of mine

2353

01:32:38,149 --> 01:32:36,400

and sometimes i sound like squirrel

2354

01:32:40,790 --> 01:32:38,159

squirrel squirrel you know

2355

01:32:41,430 --> 01:32:40,800

cause and i get off track so questions

2356

01:32:43,270 --> 01:32:41,440

are great

2357

01:32:44,790 --> 01:32:43,280

because they keep me focused on one

2358

01:32:47,510 --> 01:32:44,800

particular thing okay

2359

01:32:48,790 --> 01:32:47,520

so so i like questions well one

2360

01:32:51,030 --> 01:32:48,800

particular one was

2361

01:32:52,950 --> 01:32:51,040

um i'm i'm assuming you got to know

2362

01:32:53,590 --> 01:32:52,960

about hopkins very well especially if

2363

01:32:57,990 --> 01:32:53,600

you have to

2364

01:33:00,070 --> 01:32:58,000

work that closely with them and um so

2365

01:33:01,830 --> 01:33:00,080

obviously whatever he wrote about is

2366

01:33:03,750 --> 01:33:01,840

what's on his mind and what

2367

01:33:06,149 --> 01:33:03,760

i would assume he was passionate about

2368

01:33:08,550 --> 01:33:06,159

but do you know anything maybe more on

2369

01:33:12,310 --> 01:33:08,560

insights about hopkins uh what

2370

01:33:14,629 --> 01:33:12,320

what was his um i guess if i can say his

2371

01:33:15,990 --> 01:33:14,639

his dying thoughts regarding the subject

2372

01:33:17,669 --> 01:33:16,000

you know something that

2373

01:33:19,189 --> 01:33:17,679

was there anything that he didn't share

2374

01:33:21,750 --> 01:33:19,199

with the public that he

2375

01:33:22,629 --> 01:33:21,760

uh you know had different different

2376

01:33:26,870 --> 01:33:22,639

thoughts on in

2377

01:33:30,229 --> 01:33:26,880

in private well

2378

01:33:32,390 --> 01:33:30,239

you know i i almost looked on him as a

2379

01:33:32,870 --> 01:33:32,400

father figure i was young when i met him

2380

01:33:36,790 --> 01:33:32,880

like

2381

01:33:38,950 --> 01:33:36,800

just 23 i think and uh

2382

01:33:41,350 --> 01:33:38,960

he and his wife at the time and his or

2383

01:33:44,870 --> 01:33:41,360

his family like really took me in

2384

01:33:47,270 --> 01:33:44,880

uh under their wing and and even

2385

01:33:47,910 --> 01:33:47,280

and my whole family my whole family

2386

01:33:51,189 --> 01:33:47,920

loved him

2387

01:33:53,270 --> 01:33:51,199

and um

2388

01:33:55,510 --> 01:33:53,280

he was a very compassionate and caring

2389

01:33:57,910 --> 01:33:55,520

person and everything he did

2390

01:34:00,310 --> 01:33:57,920

everything that he did to help somebody

2391

01:34:03,669 --> 01:34:00,320

was i mean or try to help somebody was

2392

01:34:06,950 --> 01:34:03,679

it came from a place of care and concern

2393

01:34:09,110 --> 01:34:06,960

and empathy you know i always had to

2394

01:34:11,270 --> 01:34:09,120

remind myself that

2395

01:34:13,590 --> 01:34:11,280

uh he might have tended to be a little

2396

01:34:16,709 --> 01:34:13,600

more negative about some things

2397

01:34:17,990 --> 01:34:16,719

but this man was working in the

2398

01:34:19,830 --> 01:34:18,000

emergency room of the

2399

01:34:21,910 --> 01:34:19,840

entire phenomenon right off in the

2400

01:34:24,470 --> 01:34:21,920

beginning and the people that he were

2401
01:34:25,350 --> 01:34:24,480
he was meeting and seeing or coming to

2402
01:34:27,990 --> 01:34:25,360
him were

2403
01:34:28,629 --> 01:34:28,000
hot messes like me i was practically

2404
01:34:30,149 --> 01:34:28,639
unfun

2405
01:34:32,070 --> 01:34:30,159
i practically couldn't even function in

2406
01:34:35,189 --> 01:34:32,080
life so i mean

2407
01:34:36,149 --> 01:34:35,199
i feel like that kind of probably helped

2408
01:34:39,030 --> 01:34:36,159
to

2409
01:34:40,390 --> 01:34:39,040
mold some of his you know at least

2410
01:34:41,830 --> 01:34:40,400
initial feelings about the whole

2411
01:34:44,310 --> 01:34:41,840
phenomenon you know and

2412
01:34:45,350 --> 01:34:44,320
and have maybe a little bit more of a

2413
01:34:49,270 --> 01:34:45,360

negative

2414

01:34:52,709 --> 01:34:49,280

look upon it than i would say now but um

2415

01:34:56,310 --> 01:34:52,719

overall i think he was he was a master

2416

01:34:57,590 --> 01:34:56,320

at telling a story he could mesmerize an

2417

01:34:59,910 --> 01:34:57,600

entire room

2418

01:35:01,109 --> 01:34:59,920

um he had a million of them because he

2419

01:35:03,669 --> 01:35:01,119

met so many people

2420

01:35:04,550 --> 01:35:03,679

in his life he was a fantastic artist

2421

01:35:06,550 --> 01:35:04,560

his art

2422

01:35:08,229 --> 01:35:06,560

was you know i think it was in the

2423

01:35:10,790 --> 01:35:08,239

guggenheim museum

2424

01:35:11,510 --> 01:35:10,800

i'm fortunate enough to have a couple of

2425

01:35:13,910 --> 01:35:11,520

his

2426

01:35:15,750 --> 01:35:13,920

pieces that i cherish and i was so

2427

01:35:17,270 --> 01:35:15,760

grateful when the tornado came

2428

01:35:18,950 --> 01:35:17,280

it's like all the stuff that meant

2429

01:35:20,790 --> 01:35:18,960

something to me i could find in the

2430

01:35:23,910 --> 01:35:20,800

rubble everything else was wrecked

2431

01:35:27,270 --> 01:35:23,920

but this good stuff was salvaged

2432

01:35:30,870 --> 01:35:27,280

um and he was um

2433

01:35:32,229 --> 01:35:30,880

um he was very intelligent he was very

2434

01:35:35,430 --> 01:35:32,239

well spoken

2435

01:35:35,750 --> 01:35:35,440

uh he he reached out to professionals

2436

01:35:39,270 --> 01:35:35,760

for

2437

01:35:40,470 --> 01:35:39,280

help uh like he reached out to dr clamar

2438

01:35:43,669 --> 01:35:40,480

he got her to help

2439

01:35:45,830 --> 01:35:43,679

with me and other people um he had other

2440

01:35:46,709 --> 01:35:45,840

um psychologists that he could refer

2441

01:35:48,950 --> 01:35:46,719

people to

2442

01:35:50,790 --> 01:35:48,960

i mean he he's he's the one that uh he

2443

01:35:54,470 --> 01:35:50,800

spent his own money

2444

01:35:56,790 --> 01:35:54,480

on me for several years getting me

2445

01:35:59,270 --> 01:35:56,800

tests i like i remember one time going

2446

01:36:03,109 --> 01:35:59,280

to new york and i had to have a

2447

01:36:06,070 --> 01:36:03,119

they did an eeg of my brain electrowave

2448

01:36:06,390 --> 01:36:06,080

of my brain and i did a cat scan with a

2449

01:36:08,870 --> 01:36:06,400

die

2450

01:36:09,990 --> 01:36:08,880

contrast i had to sign a waiver all of

2451

01:36:13,510 --> 01:36:10,000

this was paid for by

2452

01:36:14,149 --> 01:36:13,520

donations i don't know who donated the

2453

01:36:16,790 --> 01:36:14,159

money or

2454

01:36:17,430 --> 01:36:16,800

the facilities uh but to do for the

2455

01:36:20,550 --> 01:36:17,440

research

2456

01:36:21,990 --> 01:36:20,560

you know i had a a a voice stress test

2457

01:36:23,350 --> 01:36:22,000

which is kind of like a lie detector

2458

01:36:26,709 --> 01:36:23,360

test

2459

01:36:29,189 --> 01:36:26,719

and i had uh psychological and

2460

01:36:30,790 --> 01:36:29,199

written and verbal psychological testing

2461

01:36:32,709 --> 01:36:30,800

at which point i did tell one of the

2462

01:36:34,149 --> 01:36:32,719

doctors it's okay if i'm crazy you know

2463

01:36:36,149 --> 01:36:34,159

you can tell me that because they make

2464

01:36:37,990 --> 01:36:36,159

pills for that and i'm okay with that

2465

01:36:40,149 --> 01:36:38,000

because this this stuff was just way too

2466

01:36:40,950 --> 01:36:40,159

much you know at that point i was still

2467

01:36:44,070 --> 01:36:40,960

very delicate

2468

01:36:47,430 --> 01:36:44,080

i remember the the going to new york

2469

01:36:49,590 --> 01:36:47,440

for the very first time i had to sell

2470

01:36:50,550 --> 01:36:49,600

i had to sell my washer and dryer that i

2471

01:36:53,350 --> 01:36:50,560

had in storage

2472

01:36:55,990 --> 01:36:53,360

to get enough money for a bus ticket and

2473

01:36:58,709 --> 01:36:56,000

i took a bus to new york 17 hours good

2474

01:37:02,709 --> 01:36:58,719

god what a horrible long trip that was

2475

01:37:05,189 --> 01:37:02,719

but halfway through the trip

2476

01:37:06,470 --> 01:37:05,199

to new york i had this massive panic

2477

01:37:07,350 --> 01:37:06,480

attack and i thought what the hell is

2478

01:37:09,669 --> 01:37:07,360

wrong with you

2479

01:37:11,109 --> 01:37:09,679

you are a mother and you are on a bus to

2480

01:37:14,390 --> 01:37:11,119

new york city

2481

01:37:15,910 --> 01:37:14,400

uh and you're about to meet this man

2482

01:37:16,870 --> 01:37:15,920

that wrote this book about all this

2483

01:37:20,070 --> 01:37:16,880

crazy

2484

01:37:21,669 --> 01:37:20,080

stuff and he could be an ax murderer

2485

01:37:23,430 --> 01:37:21,679

what is wrong with you and i wanted to

2486

01:37:26,470 --> 01:37:23,440

stop the bus and jump off

2487

01:37:27,669 --> 01:37:26,480

and walk home but i calmed down and you

2488

01:37:29,990 --> 01:37:27,679

know

2489

01:37:32,310 --> 01:37:30,000

bud was so kind when he picked me up at

2490

01:37:35,990 --> 01:37:32,320

the bus station

2491

01:37:39,270 --> 01:37:36,000

and he he could see i was frazzled and

2492

01:37:42,310 --> 01:37:39,280

very anxious and he calmed me down

2493

01:37:43,510 --> 01:37:42,320

and uh who was so kind then my first

2494

01:37:45,189 --> 01:37:43,520

subway trip

2495

01:37:46,870 --> 01:37:45,199

first ride on a subway and we're on the

2496

01:37:48,870 --> 01:37:46,880

subway and i'm still like one

2497

01:37:50,950 --> 01:37:48,880

step away from having another panic

2498

01:37:53,430 --> 01:37:50,960

attack and all the lights go out

2499

01:37:54,950 --> 01:37:53,440

so i freak out again you know he's like

2500

01:37:56,790 --> 01:37:54,960

he pats me on the leg and he goes it's

2501

01:38:00,390 --> 01:37:56,800

okay it's okay this is normal

2502

01:38:02,870 --> 01:38:00,400

this is normal i'm like you know but uh

2503

01:38:03,750 --> 01:38:02,880

i mean he was just he that's the way he

2504

01:38:05,830 --> 01:38:03,760

was he was

2505

01:38:07,669 --> 01:38:05,840

he cared about me and he cared about all

2506

01:38:11,030 --> 01:38:07,679

the people that he tried to help

2507

01:38:13,430 --> 01:38:11,040

and um even when i

2508

01:38:15,270 --> 01:38:13,440

wrote my first book with my sister and

2509

01:38:17,109 --> 01:38:15,280

i'm pretty sure

2510

01:38:19,350 --> 01:38:17,119

there's a few things in there that i

2511

01:38:22,390 --> 01:38:19,360

shared you know that he probably

2512

01:38:22,950 --> 01:38:22,400

thought was kind of bullshit but i

2513

01:38:25,910 --> 01:38:22,960

mean

2514

01:38:28,070 --> 01:38:25,920

he was kind like a father and encouraged

2515

01:38:30,390 --> 01:38:28,080

me to express myself and

2516

01:38:32,070 --> 01:38:30,400

and do what i needed to do for me and he

2517

01:38:35,189 --> 01:38:32,080

was just so

2518

01:38:35,510 --> 01:38:35,199

you know i felt i feel blessed because i

2519

01:38:41,830 --> 01:38:35,520

was

2520

01:38:43,350 --> 01:38:41,840

people of his in his research early in

2521

01:38:45,510 --> 01:38:43,360

the beginning

2522

01:38:47,830 --> 01:38:45,520

as the years passed and he got more

2523

01:38:51,430 --> 01:38:47,840

famous for what he did and was more

2524

01:38:53,830 --> 01:38:51,440

well known he was absolutely swamped

2525

01:38:55,189 --> 01:38:53,840

flooded with people coming at him from

2526

01:38:57,350 --> 01:38:55,199

all directions

2527

01:38:58,709 --> 01:38:57,360

all the time and you know he was just

2528

01:39:02,229 --> 01:38:58,719

one man

2529

01:39:02,950 --> 01:39:02,239

and so uh i didn't get to see or talk to

2530

01:39:04,709 --> 01:39:02,960

him as much

2531

01:39:07,189 --> 01:39:04,719

as i would have liked as the years

2532

01:39:09,910 --> 01:39:07,199

progressed when he got cancer

2533

01:39:11,669 --> 01:39:09,920

of the kidney he called me he wanted me

2534

01:39:12,870 --> 01:39:11,679

to hear it from him before i saw it

2535

01:39:14,550 --> 01:39:12,880

somewhere else

2536

01:39:16,470 --> 01:39:14,560

and he told me about it and how it was

2537

01:39:19,270 --> 01:39:16,480

going to go and he did well with it

2538

01:39:21,350 --> 01:39:19,280

when he got lymphoma he called me and he

2539

01:39:23,350 --> 01:39:21,360

told me he wanted me to hear it from him

2540

01:39:24,870 --> 01:39:23,360

and not anybody else and he talked to me

2541

01:39:25,990 --> 01:39:24,880

about it for a long time because he knew

2542

01:39:29,350 --> 01:39:26,000

i'd be upset

2543

01:39:30,870 --> 01:39:29,360

when he wrote his final book art aliens

2544

01:39:32,790 --> 01:39:30,880

or well i can't remember what

2545

01:39:34,390 --> 01:39:32,800

i'm so i feel like an idiot i can't

2546

01:39:35,430 --> 01:39:34,400

remember the name of the last book he

2547

01:39:38,870 --> 01:39:35,440

wrote but it was about

2548

01:39:40,550 --> 01:39:38,880

art and aliens it was like his memoir

2549

01:39:42,070 --> 01:39:40,560

the last thing he did before he passed

2550

01:39:43,910 --> 01:39:42,080

away

2551
01:39:45,830 --> 01:39:43,920
i opened a package up i got in the mail

2552
01:39:47,270 --> 01:39:45,840
one day and it was that book

2553
01:39:48,870 --> 01:39:47,280
and i'm like i didn't even realize he

2554
01:39:50,390 --> 01:39:48,880
was working on this

2555
01:39:52,229 --> 01:39:50,400
and i pulled the book out a beautiful

2556
01:39:53,510 --> 01:39:52,239
cover i opened it up and it was

2557
01:39:53,990 --> 01:39:53,520
inscribed to me but there was an

2558
01:39:56,550 --> 01:39:54,000
envelope

2559
01:39:57,910 --> 01:39:56,560
inside the book and inside the book the

2560
01:39:59,189 --> 01:39:57,920
envelope was a letter that he had

2561
01:40:00,950 --> 01:39:59,199
written to me

2562
01:40:03,350 --> 01:40:00,960
and it was basically him telling me that

2563
01:40:06,390 --> 01:40:03,360

he knew he was about to die

2564

01:40:07,350 --> 01:40:06,400

and he wanted me you know to know how he

2565

01:40:09,430 --> 01:40:07,360

felt about me

2566

01:40:11,109 --> 01:40:09,440

and what we went through the life that

2567

01:40:12,790 --> 01:40:11,119

we had gone through together this

2568

01:40:15,510 --> 01:40:12,800

journey that we'd been on together

2569

01:40:16,310 --> 01:40:15,520

what it meant to him and and how you

2570

01:40:17,750 --> 01:40:16,320

know i mean it was just

2571

01:40:19,590 --> 01:40:17,760

it was full of some really wonderful

2572

01:40:22,070 --> 01:40:19,600

things that um

2573

01:40:24,149 --> 01:40:22,080

i will cherish for the rest of my life

2574

01:40:25,750 --> 01:40:24,159

that's a very touching story

2575

01:40:27,510 --> 01:40:25,760

you know he was that's the kind of man

2576

01:40:30,070 --> 01:40:27,520

he was he was just that way when

2577

01:40:31,669 --> 01:40:30,080

when i got news i think peter robbins is

2578

01:40:33,270 --> 01:40:31,679

actually the one who told me that he had

2579

01:40:36,310 --> 01:40:33,280

passed away and contacted me

2580

01:40:37,510 --> 01:40:36,320

i was devastated i probably cried as

2581

01:40:39,669 --> 01:40:37,520

much when he died

2582

01:40:40,950 --> 01:40:39,679

as i did when my parents died that's how

2583

01:40:42,709 --> 01:40:40,960

much it hurt

2584

01:40:44,229 --> 01:40:42,719

because that was how much of a part of

2585

01:40:47,270 --> 01:40:44,239

my life he had become

2586

01:40:49,350 --> 01:40:47,280

i and i had you know i

2587

01:40:51,270 --> 01:40:49,360

actually attributed my life to him in

2588

01:40:52,870 --> 01:40:51,280

some ways i

2589

01:40:54,790 --> 01:40:52,880

may i definitely wouldn't have had the

2590

01:40:57,109 --> 01:40:54,800

life i had now i don't even know if i'd

2591

01:41:00,709 --> 01:40:57,119

be here now if it weren't for him

2592

01:41:02,070 --> 01:41:00,719

but um you know i can only speak about

2593

01:41:05,750 --> 01:41:02,080

my experience with him

2594

01:41:07,990 --> 01:41:05,760

i know he always he treated me

2595

01:41:09,510 --> 01:41:08,000

with kid gloves i mean he he treated me

2596

01:41:11,750 --> 01:41:09,520

well he was kind to me

2597

01:41:13,030 --> 01:41:11,760

he didn't he never put me in jeopardy in

2598

01:41:14,550 --> 01:41:13,040

any way and

2599

01:41:16,550 --> 01:41:14,560

you know i was always grateful to him

2600

01:41:20,470 --> 01:41:16,560

for for his help

2601

01:41:23,270 --> 01:41:20,480

you know i know that uh

2602

01:41:24,629 --> 01:41:23,280

i did i'll tell you this dream i i know

2603

01:41:27,750 --> 01:41:24,639

he he

2604

01:41:28,950 --> 01:41:27,760

he really wasn't uh keen on like the

2605

01:41:32,790 --> 01:41:28,960

afterlife

2606

01:41:34,709 --> 01:41:32,800

much but uh and i would always say no

2607

01:41:36,550 --> 01:41:34,719

no i think there's more i think there's

2608

01:41:40,310 --> 01:41:36,560

more to it you know i think we

2609

01:41:43,750 --> 01:41:40,320

we go on after our bodies die um

2610

01:41:46,070 --> 01:41:43,760

not too terribly long ago as a matter of

2611

01:41:49,510 --> 01:41:46,080

fact it was like right after i finished

2612

01:41:51,109 --> 01:41:49,520

this book i had a dream about him

2613

01:41:53,990 --> 01:41:51,119

and it was one of those vivid dreams

2614

01:41:57,030 --> 01:41:54,000

like i have right before i wake up

2615

01:41:59,990 --> 01:41:57,040

and it was short and he's

2616

01:42:01,990 --> 01:42:00,000

we're sitting somewhere at a table and i

2617

01:42:05,270 --> 01:42:02,000

sit down i'm like bud is that you

2618

01:42:09,030 --> 01:42:05,280

he looked fabulous he looked young and

2619

01:42:12,550 --> 01:42:09,040

tan and happy and glowing

2620

01:42:13,350 --> 01:42:12,560

and he was wearing a hawaiian shirt and

2621

01:42:16,870 --> 01:42:13,360

if you knew

2622

01:42:17,990 --> 01:42:16,880

bud you knew you would never in this

2623

01:42:21,030 --> 01:42:18,000

life see bud

2624

01:42:23,430 --> 01:42:21,040

wearing a hawaiian shirt okay so

2625

01:42:24,870 --> 01:42:23,440

i have come to realize that when i do

2626

01:42:27,109 --> 01:42:24,880

have some dreams like this

2627

01:42:28,950 --> 01:42:27,119

some of that stuff is symbolic for other

2628

01:42:31,350 --> 01:42:28,960

things

2629

01:42:32,950 --> 01:42:31,360

so i'm you know i'm looking at him and

2630

01:42:34,390 --> 01:42:32,960

he's smiling and he's shaking his head

2631

01:42:37,510 --> 01:42:34,400

but he's not really saying anything

2632

01:42:38,390 --> 01:42:37,520

and uh you know i'm like i finished this

2633

01:42:40,830 --> 01:42:38,400

book

2634

01:42:42,390 --> 01:42:40,840

finally did it i finally did it you know

2635

01:42:44,550 --> 01:42:42,400

and all

2636

01:42:46,790 --> 01:42:44,560

right at the very end of the dream he he

2637

01:42:50,229 --> 01:42:46,800

just looked at me and he said

2638

01:42:52,550 --> 01:42:50,239

i'm proud of you kid he's to call me kid

2639

01:42:53,750 --> 01:42:52,560

he said he just said i'm proud of you

2640

01:42:55,910 --> 01:42:53,760

kid you know

2641

01:42:57,270 --> 01:42:55,920

i had said to him i said is it like i

2642

01:42:59,350 --> 01:42:57,280

said that it was

2643

01:43:01,430 --> 01:42:59,360

you know what's it like to be dead do

2644

01:43:03,990 --> 01:43:01,440

you is it like i said

2645

01:43:05,030 --> 01:43:04,000

and he never said yay or nay he just

2646

01:43:06,790 --> 01:43:05,040

smiled at me

2647

01:43:08,310 --> 01:43:06,800

and his head was bobbing but he was

2648

01:43:10,629 --> 01:43:08,320

smiling and that's

2649

01:43:11,990 --> 01:43:10,639

later i think that that hawaiian shirt

2650

01:43:14,470 --> 01:43:12,000

was symbolic

2651
01:43:16,390 --> 01:43:14,480
but he was telling me that he was

2652
01:43:19,430 --> 01:43:16,400
paradise

2653
01:43:21,510 --> 01:43:19,440
because but he never

2654
01:43:23,430 --> 01:43:21,520
answered my questions he just smiled at

2655
01:43:26,629 --> 01:43:23,440
me and and nodded

2656
01:43:27,910 --> 01:43:26,639
but um the way he used to do but yeah

2657
01:43:30,229 --> 01:43:27,920
the only thing he said to me was i'm

2658
01:43:31,830 --> 01:43:30,239
proud of you kid and then bam i woke up

2659
01:43:33,669 --> 01:43:31,840
but i also woke up

2660
01:43:35,669 --> 01:43:33,679
feeling like that message was not just

2661
01:43:37,350 --> 01:43:35,679
meant for me it was meant for somebody

2662
01:43:40,229 --> 01:43:37,360
else that he and i both knew

2663
01:43:42,229 --> 01:43:40,239

and so i contacted her and i passed that

2664

01:43:43,750 --> 01:43:42,239

on to her and she was

2665

01:43:46,629 --> 01:43:43,760

she's like i have no doubt that that was

2666

01:43:49,590 --> 01:43:46,639

him but yeah that and so that was really

2667

01:43:50,229 --> 01:43:49,600

an uh that was a gift to me that little

2668

01:43:54,550 --> 01:43:50,239

dream

2669

01:43:56,070 --> 01:43:54,560

whatever it was that little meeting um

2670

01:43:57,750 --> 01:43:56,080

that's the only time in my life i ever

2671

01:44:01,750 --> 01:43:57,760

dreamed of him

2672

01:44:03,030 --> 01:44:01,760

right right like 15 years after he's

2673

01:44:04,950 --> 01:44:03,040

passed away and all of a sudden i have a

2674

01:44:07,830 --> 01:44:04,960

dream and there he is so

2675

01:44:09,510 --> 01:44:07,840

it was weird but but yeah he he was a

2676

01:44:12,550 --> 01:44:09,520

one of a kind

2677

01:44:16,310 --> 01:44:12,560

the when he passed away

2678

01:44:18,950 --> 01:44:16,320

ufology lost a big one you know

2679

01:44:20,390 --> 01:44:18,960

right so well um thank you for saying

2680

01:44:22,870 --> 01:44:20,400

that debbie uh

2681

01:44:24,550 --> 01:44:22,880

there's uh there's several questions now

2682

01:44:26,229 --> 01:44:24,560

i hope i can get through some of them

2683

01:44:27,270 --> 01:44:26,239

but if we can't that's all right uh one

2684

01:44:30,470 --> 01:44:27,280

is from

2685

01:44:31,270 --> 01:44:30,480

um helio this the sosa junior saying uh

2686

01:44:33,830 --> 01:44:31,280

ms kabul

2687

01:44:35,350 --> 01:44:33,840

in any of your experiences with grace

2688

01:44:38,070 --> 01:44:35,360

have you seen any kind of

2689

01:44:39,510 --> 01:44:38,080

weird animal or something like that

2690

01:44:42,709 --> 01:44:39,520

things

2691

01:44:45,430 --> 01:44:42,719

maybe he means like some other form of a

2692

01:44:48,870 --> 01:44:45,440

being other than the grace

2693

01:44:52,229 --> 01:44:48,880

right i'm trying to think

2694

01:44:54,229 --> 01:44:52,239

uh it's not i i don't think so

2695

01:44:55,830 --> 01:44:54,239

right off the top of my head but that

2696

01:44:56,310 --> 01:44:55,840

doesn't mean i won't remember something

2697

01:44:59,270 --> 01:44:56,320

later

2698

01:45:03,430 --> 01:44:59,280

i do know that uh one at one point i was

2699

01:45:05,990 --> 01:45:03,440

in a place where i thought uh

2700

01:45:07,910 --> 01:45:06,000

i thought it was an animal it was

2701

01:45:10,149 --> 01:45:07,920

actually like on a tv screen and it was

2702

01:45:11,669 --> 01:45:10,159

dots and lines and it was in like 3d and

2703

01:45:13,430 --> 01:45:11,679

it was moving and at first i thought it

2704

01:45:15,189 --> 01:45:13,440

was alive like an animal but then i

2705

01:45:17,109 --> 01:45:15,199

realized it wasn't

2706

01:45:19,590 --> 01:45:17,119

so i don't guess that counts i'm trying

2707

01:45:22,470 --> 01:45:19,600

to think

2708

01:45:25,030 --> 01:45:22,480

i i can't think of anything right off

2709

01:45:27,910 --> 01:45:25,040

the top of my head right now

2710

01:45:31,350 --> 01:45:27,920

okay so uh the other the other question

2711

01:45:33,669 --> 01:45:31,360

is from lost my spot ah there it is

2712

01:45:35,270 --> 01:45:33,679

it's from michael again um asking did

2713

01:45:39,270 --> 01:45:35,280

you ever meet or talk to

2714

01:45:42,310 --> 01:45:39,280

dr john mack during his research

2715

01:45:44,310 --> 01:45:42,320

i met him a couple of times briefly

2716

01:45:45,990 --> 01:45:44,320

at a conference and there's a couple

2717

01:45:48,550 --> 01:45:46,000

pictures of me with him

2718

01:45:49,030 --> 01:45:48,560

but i never really got to talk to him at

2719

01:45:52,950 --> 01:45:49,040

length

2720

01:45:53,669 --> 01:45:52,960

and i was so uh upset when i found out

2721

01:45:59,030 --> 01:45:53,679

he

2722

01:46:02,310 --> 01:45:59,040

world

2723

01:46:04,070 --> 01:46:02,320

sad for him his family and uh sad for

2724

01:46:05,590 --> 01:46:04,080

myself because i really wanted to talk

2725

01:46:06,390 --> 01:46:05,600

to him more and get to know more about

2726

01:46:12,310 --> 01:46:06,400

him

2727

01:46:13,910 --> 01:46:12,320

but i just never had the opportunity you

2728

01:46:14,709 --> 01:46:13,920

know i'm in the middle of nowhere out

2729

01:46:18,470 --> 01:46:14,719

here in

2730

01:46:18,790 --> 01:46:18,480

the midwest and you know i'm never i'm

2731

01:46:22,149 --> 01:46:18,800

not

2732

01:46:25,270 --> 01:46:22,159

i've never been out in

2733

01:46:27,830 --> 01:46:25,280

you know there could be years go by when

2734

01:46:30,070 --> 01:46:27,840

i don't speak about anything like this

2735

01:46:31,510 --> 01:46:30,080

you know because i mean i'm right here

2736

01:46:33,030 --> 01:46:31,520

in in where i live

2737

01:46:35,030 --> 01:46:33,040

there isn't anything around me or

2738

01:46:36,390 --> 01:46:35,040

anybody around me so yeah i was really

2739

01:46:38,070 --> 01:46:36,400

disappointed that i didn't get to meet

2740

01:46:41,750 --> 01:46:38,080

him

2741

01:46:44,950 --> 01:46:41,760

he was pretty cool

2742

01:46:47,669 --> 01:46:44,960

okay uh the next one is from

2743

01:46:49,910 --> 01:46:47,679

uh uh this one is from roland do you

2744

01:46:52,629 --> 01:46:49,920

know about zechariah stitching

2745

01:46:54,550 --> 01:46:52,639

if so do you agree with how he explained

2746

01:46:58,390 --> 01:46:54,560

the origins of humanity's

2747

01:47:01,109 --> 01:46:58,400

beginning isn't he the um

2748

01:47:02,950 --> 01:47:01,119

uh ancient alien guy the ancient alien

2749

01:47:05,350 --> 01:47:02,960

theory

2750

01:47:07,270 --> 01:47:05,360

i think he's the the guy that that's

2751
01:47:09,990 --> 01:47:07,280
based on because he was the one that

2752
01:47:11,590 --> 01:47:10,000
originally i believe uh uh was one of

2753
01:47:13,030 --> 01:47:11,600
the few people that could translate

2754
01:47:14,950 --> 01:47:13,040
sumerian tablets

2755
01:47:16,470 --> 01:47:14,960
and did he write chariot of the gods no

2756
01:47:18,950 --> 01:47:16,480
is that him no that was um

2757
01:47:19,830 --> 01:47:18,960
that's fun that was from danican this

2758
01:47:22,229 --> 01:47:19,840
one uh

2759
01:47:24,229 --> 01:47:22,239
this one is basically wrote he basically

2760
01:47:26,149 --> 01:47:24,239
was translating his tablets that claimed

2761
01:47:26,870 --> 01:47:26,159
that there was a alien race that came

2762
01:47:30,229 --> 01:47:26,880
here

2763
01:47:32,950 --> 01:47:30,239

that were using or altering

2764

01:47:34,950 --> 01:47:32,960

i believe altering the existing species

2765

01:47:37,990 --> 01:47:34,960

genetically with theirs so they can

2766

01:47:40,950 --> 01:47:38,000

work and mine gold and i think that

2767

01:47:41,990 --> 01:47:40,960

yeah i think that um that's basically

2768

01:47:44,550 --> 01:47:42,000

yeah the whole ancient

2769

01:47:46,950 --> 01:47:44,560

like they've been here in our past yeah

2770

01:47:49,990 --> 01:47:46,960

i feel that that's very possible and

2771

01:47:53,189 --> 01:47:50,000

probable actually i mean yeah

2772

01:47:53,990 --> 01:47:53,199

i believe that i think we've done this a

2773

01:47:57,669 --> 01:47:54,000

few times

2774

01:48:00,550 --> 01:47:57,679

this this thing here called you know our

2775

01:48:02,629 --> 01:48:00,560

society i feel like you know i don't

2776

01:48:03,430 --> 01:48:02,639

think that our history that we have that

2777

01:48:06,550 --> 01:48:03,440

we teach

2778

01:48:07,590 --> 01:48:06,560

our youngans is really as accurate as we

2779

01:48:10,470 --> 01:48:07,600

think that it is

2780

01:48:11,990 --> 01:48:10,480

right well really you know there is uh

2781

01:48:14,070 --> 01:48:12,000

um i think there's a

2782

01:48:16,790 --> 01:48:14,080

forgotten name now it's a very thick

2783

01:48:19,830 --> 01:48:16,800

history historic book and it's all the

2784

01:48:22,790 --> 01:48:19,840

historic anomalies that basically

2785

01:48:24,390 --> 01:48:22,800

nobody wants to touch or talk about if

2786

01:48:25,030 --> 01:48:24,400

the forbidden history or something like

2787

01:48:26,709 --> 01:48:25,040

that

2788

01:48:29,270 --> 01:48:26,719

forbidden archaeology i don't know what

2789

01:48:30,790 --> 01:48:29,280

it was called um

2790

01:48:32,550 --> 01:48:30,800

i shouldn't have even said anything i

2791

01:48:34,149 --> 01:48:32,560

wish i would knew more influence i can

2792

01:48:35,109 --> 01:48:34,159

actually give something to someone to

2793

01:48:36,870 --> 01:48:35,119

look up

2794

01:48:38,229 --> 01:48:36,880

maybe if i look it up later i'll

2795

01:48:41,270 --> 01:48:38,239

remember but

2796

01:48:45,030 --> 01:48:41,280

yeah i believe that um i'm i tend to

2797

01:48:49,030 --> 01:48:47,830

it makes sense really i mean think about

2798

01:48:52,149 --> 01:48:49,040

it

2799

01:48:55,430 --> 01:48:52,159

right uh there's

2800

01:48:58,950 --> 01:48:55,440

oh yeah there's one from uh fabrics

2801
01:49:01,189 --> 01:48:58,960
saying um did you ever witness a medical

2802
01:49:06,629 --> 01:49:01,199
procedure aboard a ship when a

2803
01:49:06,639 --> 01:49:09,750
does that make sense

2804
01:49:13,510 --> 01:49:13,189
i had i had a medical i didn't i don't

2805
01:49:17,189 --> 01:49:13,520
know

2806
01:49:25,910 --> 01:49:17,199
if i you call it witnessing i remember

2807
01:49:25,920 --> 01:49:31,350
actually twice uh once when um

2808
01:49:36,790 --> 01:49:34,229
i remember i told you the story about my

2809
01:49:38,870 --> 01:49:36,800
girlfriend and me and the other girl and

2810
01:49:40,149 --> 01:49:38,880
she saw the light it land and i didn't

2811
01:49:41,510 --> 01:49:40,159
remember it and it dragged me out of the

2812
01:49:45,270 --> 01:49:41,520
car by my legs

2813
01:49:47,589 --> 01:49:45,280

i in that in that time um

2814

01:49:48,950 --> 01:49:47,599

eventually i started having dreams about

2815

01:49:51,350 --> 01:49:48,960

uh what look

2816

01:49:52,709 --> 01:49:51,360

what felt like a medical procedure had

2817

01:49:55,990 --> 01:49:52,719

to do with my

2818

01:49:58,950 --> 01:49:56,000

reproductive organs um

2819

01:49:59,910 --> 01:49:58,960

that was actually quite painful and then

2820

01:50:02,709 --> 01:49:59,920

uh

2821

01:50:03,910 --> 01:50:02,719

do you understand what i mean other than

2822

01:50:05,430 --> 01:50:03,920

do you understand

2823

01:50:07,589 --> 01:50:05,440

why they were doing that it was just

2824

01:50:09,910 --> 01:50:07,599

again for another

2825

01:50:11,350 --> 01:50:09,920

good i did not know what was going on i

2826

01:50:12,550 --> 01:50:11,360

didn't know what was happening i didn't

2827

01:50:15,510 --> 01:50:12,560

know why it was happening

2828

01:50:19,510 --> 01:50:15,520

uh no i did not know okay and then again

2829

01:50:23,990 --> 01:50:22,390

another medical procedure of some kind

2830

01:50:26,070 --> 01:50:24,000

that was very painful that also had to

2831

01:50:29,350 --> 01:50:26,080

do with my reproductive organs

2832

01:50:32,629 --> 01:50:29,360

in an uh you know several

2833

01:50:36,070 --> 01:50:32,639

months down the road um

2834

01:50:37,470 --> 01:50:36,080

so i don't remember seeing much of it i

2835

01:50:40,070 --> 01:50:37,480

mean i was

2836

01:50:41,510 --> 01:50:40,080

experiencing it was having it done to me

2837

01:50:44,310 --> 01:50:41,520

but i couldn't see

2838

01:50:45,830 --> 01:50:44,320

you know what was going on and i've not

2839

01:50:50,830 --> 01:50:45,840

seen it

2840

01:50:52,310 --> 01:50:50,840

happen to somebody else so

2841

01:50:55,030 --> 01:50:52,320

okay

2842

01:50:56,629 --> 01:50:55,040

all right uh i guess let's uh let's take

2843

01:50:58,790 --> 01:50:56,639

this as the last question

2844

01:51:00,390 --> 01:50:58,800

and this is from fabrice again saying

2845

01:51:04,470 --> 01:51:00,400

did you go

2846

01:51:10,950 --> 01:51:07,669

and so-called fake pregnancies was

2847

01:51:11,430 --> 01:51:10,960

explained yeah i'm sorry i don't know

2848

01:51:14,149 --> 01:51:11,440

it's uh

2849

01:51:15,910 --> 01:51:14,159

the the spelling of it and um uh fabrice

2850

01:51:17,350 --> 01:51:15,920

is actually he's up really late right

2851

01:51:20,550 --> 01:51:17,360

now because he's in france

2852

01:51:22,390 --> 01:51:20,560

you know and so i'll forgive the the

2853

01:51:23,669 --> 01:51:22,400

spelling of some of these did that make

2854

01:51:25,189 --> 01:51:23,679

sense or do you want me to

2855

01:51:26,790 --> 01:51:25,199

kind of try to figure out what that

2856

01:51:28,629 --> 01:51:26,800

means well here's what i can

2857

01:51:29,830 --> 01:51:28,639

i think i might understand here's what

2858

01:51:34,950 --> 01:51:29,840

i'm uh

2859

01:51:37,750 --> 01:51:34,960

i can tell him i remember um

2860

01:51:38,470 --> 01:51:37,760

i i do remember some interaction when

2861

01:51:41,510 --> 01:51:38,480

when i

2862

01:51:42,870 --> 01:51:41,520

if you if you remember the uh movie

2863

01:51:44,790 --> 01:51:42,880

intruders

2864

01:51:47,109 --> 01:51:44,800

at the end one of the they called the

2865

01:51:48,149 --> 01:51:47,119

presentation you know where i actually

2866

01:51:51,109 --> 01:51:48,159

see

2867

01:51:51,669 --> 01:51:51,119

this little girl they bring this little

2868

01:51:55,350 --> 01:51:51,679

child

2869

01:51:56,229 --> 01:51:55,360

toddler size in uh to see me in this

2870

01:51:59,510 --> 01:51:56,239

room

2871

01:52:00,310 --> 01:51:59,520

and i'm realizing i feel like that's my

2872

01:52:04,629 --> 01:52:00,320

kid

2873

01:52:09,750 --> 01:52:08,390

he there was some attempt at

2874

01:52:13,109 --> 01:52:09,760

communication between

2875

01:52:14,310 --> 01:52:13,119

he and i and i felt as if he did not

2876
01:52:18,709 --> 01:52:14,320
understand

2877
01:52:20,229 --> 01:52:18,719
why i felt upset and i felt like

2878
01:52:21,990 --> 01:52:20,239
you know i wanted to take her home with

2879
01:52:23,510 --> 01:52:22,000
me and he's like trying to

2880
01:52:26,229 --> 01:52:23,520
explain to me and i can't tell you it's

2881
01:52:29,910 --> 01:52:26,239
not like talking in words it's like

2882
01:52:31,750 --> 01:52:29,920
a transference of thought and idea and

2883
01:52:34,870 --> 01:52:31,760
images and whatnot of me

2884
01:52:36,629 --> 01:52:34,880
not being able to feed her you know keep

2885
01:52:39,109 --> 01:52:36,639
her alive so she could not

2886
01:52:39,669 --> 01:52:39,119
she had to stay there but it was a good

2887
01:52:41,270 --> 01:52:39,679
thing

2888
01:52:43,189 --> 01:52:41,280

it was like he was trying to express to

2889

01:52:46,870 --> 01:52:43,199

me that this was a good thing

2890

01:52:49,589 --> 01:52:46,880

why am i feeling all mad and

2891

01:52:51,750 --> 01:52:49,599

sad and crazy this is a good thing you

2892

01:52:54,790 --> 01:52:51,760

know it's like he didn't understand

2893

01:52:56,390 --> 01:52:54,800

my emotional reaction and i didn't

2894

01:52:58,390 --> 01:52:56,400

understand

2895

01:52:59,589 --> 01:52:58,400

what he it almost felt like he was

2896

01:53:02,550 --> 01:52:59,599

trying to

2897

01:53:02,870 --> 01:53:02,560

feel something that he wasn't accustomed

2898

01:53:06,310 --> 01:53:02,880

to

2899

01:53:07,910 --> 01:53:06,320

you know i mean okay so um

2900

01:53:09,589 --> 01:53:07,920

maybe that's what he's referring to in

2901

01:53:13,589 --> 01:53:09,599

his question yes i do

2902

01:53:14,550 --> 01:53:13,599

have this memory or this vivid dream of

2903

01:53:20,229 --> 01:53:14,560

this

2904

01:53:21,910 --> 01:53:20,239

and not understanding you know it but

2905

01:53:25,350 --> 01:53:21,920

yeah i do have that

2906

01:53:25,990 --> 01:53:25,360

okay so there was one more that snuck in

2907

01:53:27,750 --> 01:53:26,000

here and that's

2908

01:53:29,430 --> 01:53:27,760

it's a good question from roland i don't

2909

01:53:31,109 --> 01:53:29,440

want to ask that and then i promise this

2910

01:53:33,550 --> 01:53:31,119

is the last one

2911

01:53:35,510 --> 01:53:33,560

you know i'm good do you think the

2912

01:53:38,950 --> 01:53:35,520

extraterrestrials are working with the

2913

01:53:47,350 --> 01:53:42,470

um a lot of people say that

2914

01:53:47,360 --> 01:53:51,189

i tend

2915

01:53:55,030 --> 01:53:53,750

i know that governments do what

2916

01:53:57,270 --> 01:53:55,040

governments want to do

2917

01:53:58,149 --> 01:53:57,280

and it doesn't really matter what people

2918

01:54:01,430 --> 01:53:58,159

think and i

2919

01:54:02,950 --> 01:54:01,440

don't think they really um we

2920

01:54:04,790 --> 01:54:02,960

i don't think we really know all the

2921

01:54:06,550 --> 01:54:04,800

stuff that our government or any other

2922

01:54:09,109 --> 01:54:06,560

government on the planet does

2923

01:54:09,990 --> 01:54:09,119

you know so i mean i guess it's possible

2924

01:54:14,870 --> 01:54:10,000

i

2925

01:54:17,990 --> 01:54:14,880

sure

2926
01:54:19,669 --> 01:54:18,000
i don't know okay maybe we'll find out

2927
01:54:22,310 --> 01:54:19,679
one day soon i hear

2928
01:54:23,510 --> 01:54:22,320
that's people i hear the you know the

2929
01:54:25,510 --> 01:54:23,520
scuttle of

2930
01:54:26,709 --> 01:54:25,520
the disclosure and whatnot frankly i

2931
01:54:29,830 --> 01:54:26,719
don't i think

2932
01:54:32,390 --> 01:54:29,840
we've been disclosing for a while now

2933
01:54:33,910 --> 01:54:32,400
right yeah no it's it's like bit by bit

2934
01:54:36,149 --> 01:54:33,920
and um

2935
01:54:38,070 --> 01:54:36,159
i know let me see here there was just

2936
01:54:42,149 --> 01:54:38,080
something

2937
01:54:48,229 --> 01:54:45,990
and uh she always posts a

2938
01:54:49,750 --> 01:54:48,239

i'm sorry i'm just scrolling up to this

2939

01:54:52,310 --> 01:54:49,760

long chat i don't know if it's gone by

2940

01:54:54,070 --> 01:54:52,320

now but she always has that uh countdown

2941

01:54:55,910 --> 01:54:54,080

and that's kind of informative i

2942

01:54:56,390 --> 01:54:55,920

appreciate you her doing that oh here

2943

01:54:59,669 --> 01:54:56,400

you go

2944

01:55:00,870 --> 01:54:59,679

55 days six hours 19 minutes and 47

2945

01:55:03,109 --> 01:55:00,880

seconds till

2946

01:55:04,629 --> 01:55:03,119

the 100 days of disclosure because i

2947

01:55:06,950 --> 01:55:04,639

don't know if you heard there

2948

01:55:09,510 --> 01:55:06,960

there was um i don't know which stimulus

2949

01:55:12,470 --> 01:55:09,520

package but there was some kind of a

2950

01:55:14,390 --> 01:55:12,480

thing tagged on at the end to um

2951

01:55:16,070 --> 01:55:14,400

disclose about what the government knows

2952

01:55:19,430 --> 01:55:16,080

about ufos

2953

01:55:20,629 --> 01:55:19,440

i did not know right but not very right

2954

01:55:23,350 --> 01:55:20,639

but a lot of that i mean

2955

01:55:24,550 --> 01:55:23,360

yeah i just hope i mean it's really

2956

01:55:26,950 --> 01:55:24,560

turns out to be something

2957

01:55:27,750 --> 01:55:26,960

something greater than what we all

2958

01:55:29,750 --> 01:55:27,760

expect

2959

01:55:31,830 --> 01:55:29,760

um but it's supposed to be they can only

2960

01:55:33,589 --> 01:55:31,840

really discuss things that were already

2961

01:55:34,390 --> 01:55:33,599

declassified so i don't know how much

2962

01:55:38,390 --> 01:55:34,400

more exciting

2963

01:55:40,709 --> 01:55:38,400

it would be once the countdown ends

2964

01:55:42,070 --> 01:55:40,719

uh yeah i i don't i don't know how much

2965

01:55:42,790 --> 01:55:42,080

the government knows i'm pretty sure

2966

01:55:48,070 --> 01:55:42,800

they know

2967

01:55:48,080 --> 01:55:51,510

you know i mean

2968

01:55:55,030 --> 01:55:53,270

it will be some vindication for people

2969

01:55:59,669 --> 01:55:55,040

like me

2970

01:56:06,390 --> 01:56:03,030

dragged for years about our experiences

2971

01:56:08,629 --> 01:56:06,400

when they finally say hey you know

2972

01:56:09,669 --> 01:56:08,639

then that stuff is right that stuff is

2973

01:56:13,189 --> 01:56:09,679

real so

2974

01:56:15,990 --> 01:56:13,199

right right well we'll see so we'll see

2975

01:56:17,910 --> 01:56:16,000

this

2980

01:56:27,430 --> 01:56:26,480

so that they can directly access the

2981

01:56:29,910 --> 01:56:27,440

book that way

2982

01:56:31,669 --> 01:56:29,920
