

UFO HUB

LIVE STREAM

1
00:00:14,920 --> 00:01:38,830
do

2
00:01:38,840 --> 00:01:52,830
so

3
00:01:52,840 --> 00:03:50,309
food

4
00:03:54,789 --> 00:03:52,550
hi everyone welcome to geoff hub live

5
00:03:55,830 --> 00:03:54,799
stream uh today's guest is going to be

6
00:03:57,429 --> 00:03:55,840
whitley strieber

7
00:03:59,509 --> 00:03:57,439
and usually i have a whole bunch of

8
00:04:02,070 --> 00:03:59,519
stuff to tell you about but

9
00:04:02,630 --> 00:04:02,080
today i just figured we can get straight

10
00:04:05,990 --> 00:04:02,640
to it

11
00:04:11,429 --> 00:04:06,000
and get the show started

12
00:04:14,949 --> 00:04:13,750
all right whitley welcome thanks for

13
00:04:16,710 --> 00:04:14,959

being on

14

00:04:19,509 --> 00:04:16,720

well thank you for having me and it's a

15

00:04:21,349 --> 00:04:19,519

pleasure well i'm glad we were able to

16

00:04:23,030 --> 00:04:21,359

to work this out i appreciate you taking

17

00:04:25,270 --> 00:04:23,040

the time and um

18

00:04:27,270 --> 00:04:25,280

i figured i don't know if it's a loaded

19

00:04:30,070 --> 00:04:27,280

question but i wanted to ask you about

20

00:04:31,749 --> 00:04:30,080

can you start out what what it is for

21

00:04:33,990 --> 00:04:31,759

some of us that might not heard

22

00:04:37,510 --> 00:04:34,000

what what does this mean a new world but

23

00:04:42,790 --> 00:04:39,990

well the title started with colonel

24

00:04:45,990 --> 00:04:42,800

philip corso

25

00:04:49,990 --> 00:04:46,000

colonel corso appeared rather

26
00:04:53,670 --> 00:04:50,000
unexpectedly in the world of ufos

27
00:04:56,950 --> 00:04:53,680
about 20 years ago now

28
00:05:00,469 --> 00:04:56,960
and he

29
00:05:02,790 --> 00:05:00,479
wrote a book about ufos

30
00:05:04,629 --> 00:05:02,800
and about his experiences as an

31
00:05:07,830 --> 00:05:04,639
intelligence officer

32
00:05:11,430 --> 00:05:07,840
who was involved in the ufo world and

33
00:05:15,909 --> 00:05:11,440
ufo community and i had

34
00:05:21,189 --> 00:05:19,590
at the roswell 50th anniversary of the

35
00:05:24,710 --> 00:05:21,199
roswell incident

36
00:05:25,749 --> 00:05:24,720
which he also attended and during that

37
00:05:27,990 --> 00:05:25,759
conversation

38
00:05:30,230 --> 00:05:28,000

me i was there linda milton how a couple

39

00:05:33,590 --> 00:05:30,240

of others and my wife

40

00:05:36,870 --> 00:05:33,600

and he mentioned a an experience that he

41

00:05:40,070 --> 00:05:36,880

had at white sands when he had been

42

00:05:43,909 --> 00:05:42,469

i guess an alien or what he took to be

43

00:05:48,070 --> 00:05:43,919

one

44

00:05:52,629 --> 00:05:48,080

to turn off the radars for

45

00:05:55,909 --> 00:05:52,639

10 minutes or something in order to

46

00:06:02,070 --> 00:05:59,670

and he said

47

00:06:04,309 --> 00:06:02,080

that's a long time in my proof can be a

48

00:06:06,070 --> 00:06:04,319

long time in my profession what's in it

49

00:06:08,629 --> 00:06:06,080

for us

50

00:06:10,790 --> 00:06:08,639

the reply was a new world if you can

51
00:06:14,870 --> 00:06:10,800
take it

52
00:06:18,309 --> 00:06:14,880
and that reply has resonated with me

53
00:06:20,710 --> 00:06:18,319
ever since i don't know

54
00:06:23,830 --> 00:06:20,720
how much of what colonel corso said was

55
00:06:26,230 --> 00:06:23,840
true in an absolutely objective sense

56
00:06:28,390 --> 00:06:26,240
but i do know that like all of us who

57
00:06:30,070 --> 00:06:28,400
are dealing with this extremely strange

58
00:06:32,390 --> 00:06:30,080
material

59
00:06:35,350 --> 00:06:32,400
he made an effort to make sense of it

60
00:06:37,670 --> 00:06:35,360
that was serious it was a serious effort

61
00:06:39,110 --> 00:06:37,680
and i think the thought that that

62
00:06:42,469 --> 00:06:39,120
particular phrase

63
00:06:49,990 --> 00:06:46,150

very very telling a new world

64

00:06:53,110 --> 00:06:50,000

certainly if we can take it

65

00:06:55,270 --> 00:06:53,120

that means if we can take it

66

00:06:56,469 --> 00:06:55,280

by resting it right out of their hands

67

00:07:00,950 --> 00:06:56,479

because they're not going to give us

68

00:07:07,189 --> 00:07:04,070

if we can bear it also

69

00:07:08,950 --> 00:07:07,199

because there are things about it that

70

00:07:11,670 --> 00:07:08,960

will not be easy to bear

71

00:07:12,950 --> 00:07:11,680

and things about it that are very very

72

00:07:15,189 --> 00:07:12,960

new

73

00:07:17,189 --> 00:07:15,199

so that's the origin of the phrase in

74

00:07:21,830 --> 00:07:17,199

the book a new world

75

00:07:25,110 --> 00:07:23,830

whitley could you possibly go a little

76

00:07:30,070 --> 00:07:25,120

bit into what those

77

00:07:33,110 --> 00:07:30,080

what those things might be

78

00:07:34,950 --> 00:07:33,120

things that you just said regarding you

79

00:07:38,390 --> 00:07:34,960

know

80

00:07:45,270 --> 00:07:42,230

we have to understand this

81

00:07:48,790 --> 00:07:45,280

in some coherent and

82

00:07:56,230 --> 00:07:52,230

and that so far has been eluding us

83

00:07:59,909 --> 00:07:56,240

we have generated a lot of ideas about

84

00:08:03,350 --> 00:07:59,919

aliens and ufos and so forth

85

00:08:10,230 --> 00:08:06,710

ever had anything except

86

00:08:11,350 --> 00:08:10,240

at best statements from people who were

87

00:08:15,110 --> 00:08:11,360

told

88

00:08:16,790 --> 00:08:15,120

perhaps by the entities themselves

89

00:08:18,950 --> 00:08:16,800

bits of information but who's to know

90

00:08:21,670 --> 00:08:18,960

whether that's true or not

91

00:08:24,150 --> 00:08:21,680

you don't know we've never walked on the

92

00:08:27,350 --> 00:08:24,160

ground of another world

93

00:08:27,990 --> 00:08:27,360

and examined its history in the history

94

00:08:30,390 --> 00:08:28,000

of life

95

00:08:31,670 --> 00:08:30,400

there we don't even know where such a

96

00:08:35,110 --> 00:08:31,680

world might be

97

00:08:36,070 --> 00:08:35,120

in this universe in reality in some

98

00:08:39,110 --> 00:08:36,080

other way

99

00:08:44,389 --> 00:08:39,120

we don't know any of those things

100

00:08:48,710 --> 00:08:44,399

so we don't know where we are with this

101
00:08:52,070 --> 00:08:48,720
um there are and there will be in june

102
00:08:54,550 --> 00:08:52,080
a release of documents that in i'm not

103
00:08:57,829 --> 00:08:54,560
privy to it in some special way

104
00:09:00,949 --> 00:08:57,839
but my thought is that it will contain

105
00:09:03,430 --> 00:09:00,959
information not only about unknown

106
00:09:05,190 --> 00:09:03,440
objects and events but also about the

107
00:09:07,509 --> 00:09:05,200
fact that

108
00:09:09,110 --> 00:09:07,519
other countries have been involved in

109
00:09:11,350 --> 00:09:09,120
this too

110
00:09:13,750 --> 00:09:11,360
and some of them have made technological

111
00:09:16,470 --> 00:09:13,760
breakthroughs that we have not made

112
00:09:17,910 --> 00:09:16,480
uh specifically i think the russians

113
00:09:21,590 --> 00:09:17,920

have made some

114

00:09:25,750 --> 00:09:21,600

not some very complex breakthroughs

115

00:09:28,310 --> 00:09:25,760

that involve understanding

116

00:09:30,310 --> 00:09:28,320

of some of the psychic or psychological

117

00:09:35,190 --> 00:09:30,320

aspects of this

118

00:09:38,070 --> 00:09:35,200

as well as propulsion methodologies that

119

00:09:40,389 --> 00:09:38,080

and energy use methodologies that we

120

00:09:43,590 --> 00:09:40,399

don't understand yet

121

00:09:46,470 --> 00:09:43,600

but it obviously hasn't been enough to

122

00:09:47,910 --> 00:09:46,480

alter the trajectory of relationship

123

00:09:49,110 --> 00:09:47,920

between the countries or it would have

124

00:09:51,590 --> 00:09:49,120

done so

125

00:09:52,790 --> 00:09:51,600

and obviously that has not happened

126

00:09:56,150 --> 00:09:52,800

russia remains

127

00:09:59,430 --> 00:09:56,160

a a thin layer

128

00:10:02,949 --> 00:09:59,440

of first world

129

00:10:03,670 --> 00:10:02,959

cities only a couple two or three of

130

00:10:06,870 --> 00:10:03,680

them

131

00:10:10,230 --> 00:10:06,880

and then a vast shambolic

132

00:10:13,509 --> 00:10:10,240

uh back country that is essentially

133

00:10:16,829 --> 00:10:13,519

unchanged from the tsarist era

134

00:10:19,990 --> 00:10:16,839

so whatever they have

135

00:10:23,509 --> 00:10:20,000

learned it hasn't overwhelmed us

136

00:10:29,110 --> 00:10:23,519

uh i think in terms

137

00:10:32,550 --> 00:10:29,120

of what this means to the individual

138

00:10:35,750 --> 00:10:32,560

that's a that's the part of the at can

139

00:10:39,030 --> 00:10:35,760

if we can take it answer

140

00:10:42,790 --> 00:10:39,040

in that a lot of people

141

00:10:43,269 --> 00:10:42,800

me included have had at one time or

142

00:10:46,310 --> 00:10:43,279

another

143

00:10:48,949 --> 00:10:46,320

in their lives a very difficult

144

00:10:51,350 --> 00:10:48,959

experience with this

145

00:10:54,310 --> 00:10:51,360

and some of them have never had anything

146

00:10:56,069 --> 00:10:54,320

but a difficult experience

147

00:10:58,829 --> 00:10:56,079

some have been driven to their deaths by

148

00:11:02,230 --> 00:10:58,839

it quite out quite honestly

149

00:11:04,790 --> 00:11:02,240

um others have

150

00:11:06,230 --> 00:11:04,800

tried to take it in hand and make it

151

00:11:08,069 --> 00:11:06,240

work for them which was my

152

00:11:10,069 --> 00:11:08,079

objective when i realized that there was

153

00:11:12,389 --> 00:11:10,079

something very strange going on

154

00:11:14,550 --> 00:11:12,399

that was real in some way that was

155

00:11:15,590 --> 00:11:14,560

completely outside of my imagination in

156

00:11:18,710 --> 00:11:15,600

other words it had an

157

00:11:21,030 --> 00:11:18,720

objective reality to it

158

00:11:23,269 --> 00:11:21,040

it was very provocative i'd been beaten

159

00:11:25,910 --> 00:11:23,279

up i've been raped

160

00:11:28,870 --> 00:11:25,920

we've had i've had semen removed from my

161

00:11:32,630 --> 00:11:28,880

body we'd lost a baby to this

162

00:11:37,269 --> 00:11:32,640

it was hard it was very very hard and

163

00:11:41,509 --> 00:11:37,279

very dangerous but at the same time

164

00:11:43,430 --> 00:11:41,519

it was real somebody was there

165

00:11:45,350 --> 00:11:43,440

and so despite all the things that were

166

00:11:47,269 --> 00:11:45,360

going wrong for us

167

00:11:49,190 --> 00:11:47,279

i started going out in the woods at

168

00:11:52,230 --> 00:11:49,200

night

169

00:11:54,710 --> 00:11:52,240

and trying to by doing that

170

00:11:57,829 --> 00:11:54,720

trying to indicate my willingness to be

171

00:12:00,550 --> 00:11:57,839

re-engaged to re-engage

172

00:12:02,949 --> 00:12:00,560

that was hard that was terribly hard

173

00:12:06,710 --> 00:12:02,959

because i knew darn well

174

00:12:10,069 --> 00:12:06,720

that while these things were interested

175

00:12:11,670 --> 00:12:10,079

enough to be there i didn't have any

176

00:12:13,350 --> 00:12:11,680

evidence that they were friendly or

177

00:12:16,470 --> 00:12:13,360

pleasant or

178

00:12:19,190 --> 00:12:16,480

willing to treat with me in any way that

179

00:12:22,629 --> 00:12:19,200

was productive to me but i just thought

180

00:12:25,990 --> 00:12:22,639

you have to try and

181

00:12:29,350 --> 00:12:26,000

over the years there has been

182

00:12:30,949 --> 00:12:29,360

a definite i've learned a lot i wouldn't

183

00:12:32,470 --> 00:12:30,959

say

184

00:12:34,550 --> 00:12:32,480

it's been all sweetness and light

185

00:12:37,590 --> 00:12:34,560

because it hasn't

186

00:12:39,430 --> 00:12:37,600

but i've learned a lot i've

187

00:12:40,790 --> 00:12:39,440

ended up on the deepest spiritual

188

00:12:44,150 --> 00:12:40,800

journey i think i've ever

189

00:12:47,269 --> 00:12:44,160

could ever imagine being on and

190

00:12:48,870 --> 00:12:47,279

as well a tremendous intellectual

191

00:12:51,990 --> 00:12:48,880

journey

192

00:12:55,190 --> 00:12:52,000

i hope

193

00:12:57,269 --> 00:12:55,200

is maturity that i would never have

194

00:12:58,550 --> 00:12:57,279

reached had i not had to contend with

195

00:13:01,829 --> 00:12:58,560

this

196

00:13:03,110 --> 00:13:01,839

presence like all the visitors so on the

197

00:13:07,590 --> 00:13:03,120

whole

198

00:13:09,750 --> 00:13:07,600

it seems now that it has been worth it

199

00:13:12,470 --> 00:13:09,760

but i seem to be pretty much involved

200

00:13:16,949 --> 00:13:12,480

with two different sides

201
00:13:20,069 --> 00:13:16,959
one side operates through threat

202
00:13:20,470 --> 00:13:20,079
the other side through demand so there's

203
00:13:24,150 --> 00:13:20,480
no

204
00:13:26,310 --> 00:13:24,160
third side that wants to be a little

205
00:13:27,829 --> 00:13:26,320
more pleasant to deal with it's hard but

206
00:13:29,990 --> 00:13:27,839
i i wouldn't stop from

207
00:13:31,509 --> 00:13:30,000
at all and you know i'll meet the

208
00:13:33,670 --> 00:13:31,519
demands as best i can

209
00:13:35,030 --> 00:13:33,680
i will respond to the threats as best i

210
00:13:38,470 --> 00:13:35,040
can

211
00:13:43,350 --> 00:13:38,480
and out of it what do i get

212
00:13:47,509 --> 00:13:43,360
i get knowledge experience

213
00:13:48,150 --> 00:13:47,519

unlike anything that i would ever have

214

00:13:51,350 --> 00:13:48,160

imagined

215

00:13:56,069 --> 00:13:51,360

possible in this life it is i live in a

216

00:14:02,710 --> 00:13:59,430

so whitley um the

217

00:14:03,590 --> 00:14:02,720

obviously from what was it that changed

218

00:14:05,910 --> 00:14:03,600

for you from

219

00:14:07,350 --> 00:14:05,920

how you were initially viewing this

220

00:14:10,310 --> 00:14:07,360

phenomena one way

221

00:14:11,910 --> 00:14:10,320

and then changed into this super natural

222

00:14:13,189 --> 00:14:11,920

way can you talk a little bit more about

223

00:14:17,670 --> 00:14:13,199

that

224

00:14:20,710 --> 00:14:17,680

still a very physical component to it

225

00:14:23,750 --> 00:14:20,720

and there always will be

226

00:14:25,990 --> 00:14:23,760

what what changed was the care with

227

00:14:28,710 --> 00:14:26,000

which i was observing it

228

00:14:29,750 --> 00:14:28,720

and i began to notice that there were

229

00:14:33,430 --> 00:14:29,760

certain things that

230

00:14:36,629 --> 00:14:33,440

happened that that had reference

231

00:14:37,350 --> 00:14:36,639

to very ancient ideas and teachings that

232

00:14:41,509 --> 00:14:37,360

have been among

233

00:14:45,430 --> 00:14:41,519

us for a long time and especially

234

00:14:48,470 --> 00:14:45,440

to to number

235

00:14:48,790 --> 00:14:48,480

and i began to respond to that and to

236

00:14:53,430 --> 00:14:48,800

see

237

00:14:57,750 --> 00:14:53,440

reflections in our own past history

238

00:14:59,509 --> 00:14:57,760

of what these entities still seem to

239

00:15:02,310 --> 00:14:59,519

consider very meaningful i'll give you

240

00:15:10,790 --> 00:15:07,189

in 1989

241

00:15:14,389 --> 00:15:10,800

i think it was i was sitting in our

242

00:15:16,230 --> 00:15:14,399

living room in our little cabin in

243

00:15:17,990 --> 00:15:16,240

upstate new york that we had in those

244

00:15:23,509 --> 00:15:18,000

days

245

00:15:26,550 --> 00:15:23,519

and there came on the roof of the house

246

00:15:32,550 --> 00:15:26,560

nine knocks in

247

00:15:39,990 --> 00:15:36,949

the um they were very

248

00:15:43,269 --> 00:15:40,000

clear and loud and

249

00:15:46,870 --> 00:15:43,279

very precisely

250

00:15:50,150 --> 00:15:46,880

separated into three groups of three

251
00:15:53,670 --> 00:15:50,160
both of my cats were in the room

252
00:16:00,870 --> 00:15:57,189
sound was unlike anything

253
00:16:01,509 --> 00:16:00,880
i've ever seen from them before or since

254
00:16:04,710 --> 00:16:01,519
or

255
00:16:08,710 --> 00:16:04,720
they both passed on now

256
00:16:10,949 --> 00:16:08,720
they you know when a cat is scared his

257
00:16:13,430 --> 00:16:10,959
tail will puff up

258
00:16:15,829 --> 00:16:13,440
the entire cat puffed up from the neck

259
00:16:20,870 --> 00:16:18,310
he looked like gigantic caterpillars

260
00:16:23,910 --> 00:16:20,880
moving slowly along the back of the sofa

261
00:16:27,749 --> 00:16:23,920
crouched on flat on their tummies going

262
00:16:32,790 --> 00:16:27,759
yeah yeah and i thought

263
00:16:36,629 --> 00:16:32,800

those cats are more scared than

264

00:16:38,629 --> 00:16:36,639

cats should ever be

265

00:16:40,230 --> 00:16:38,639

but i'm not that scared and i think i

266

00:16:44,629 --> 00:16:40,240

might be making a mistake

267

00:16:47,509 --> 00:16:44,639

so however

268

00:16:49,430 --> 00:16:47,519

after a few seconds i didn't go outside

269

00:16:49,990 --> 00:16:49,440

i just stayed in the house after a few

270

00:16:53,110 --> 00:16:50,000

seconds there

271

00:16:53,749 --> 00:16:53,120

came this sort of final tap tap as if

272

00:16:57,189 --> 00:16:53,759

well

273

00:17:00,550 --> 00:16:57,199

we tried it's over and we're gone

274

00:17:04,470 --> 00:17:00,560

um but this group of nine

275

00:17:08,549 --> 00:17:04,480

uh in some orders of masonry

276

00:17:11,189 --> 00:17:08,559

the 33rd degrees is signified that

277

00:17:11,750 --> 00:17:11,199

initiated in the 33rd degree knocks on

278

00:17:14,789 --> 00:17:11,760

the door

279

00:17:17,990 --> 00:17:14,799

of the masonic hall nine

280

00:17:20,309 --> 00:17:18,000

times in three groups of three it is

281

00:17:22,949 --> 00:17:20,319

considered a number of nine is

282

00:17:24,949 --> 00:17:22,959

considered a number of completion

283

00:17:26,549 --> 00:17:24,959

because three tr it involves three

284

00:17:30,230 --> 00:17:26,559

triads

285

00:17:33,669 --> 00:17:30,240

uh each one in balance in harmony

286

00:17:37,110 --> 00:17:33,679

each a group of three and the three

287

00:17:39,029 --> 00:17:37,120

each are themselves part of the larger

288

00:17:41,750 --> 00:17:39,039

triad that can

289

00:17:42,870 --> 00:17:41,760

that makes the nine and you can find

290

00:17:46,150 --> 00:17:42,880

these

291

00:17:47,909 --> 00:17:46,160

ideas all the way back in in human

292

00:17:51,350 --> 00:17:47,919

esoteric thought

293

00:17:52,950 --> 00:17:51,360

to the ancient egyptians and

294

00:17:54,630 --> 00:17:52,960

they thought of the soul as being

295

00:17:59,029 --> 00:17:54,640

composed of three parts

296

00:18:00,789 --> 00:17:59,039

and a positive part an act a rather an

297

00:18:03,669 --> 00:18:00,799

active part which is the body

298

00:18:05,830 --> 00:18:03,679

the being composed of three parts an

299

00:18:08,150 --> 00:18:05,840

active part which is the body

300

00:18:09,190 --> 00:18:08,160

a passive part which is the soul that

301

00:18:11,990 --> 00:18:09,200

that

302

00:18:12,230 --> 00:18:12,000

gathers all of the experience the body

303

00:18:23,110 --> 00:18:12,240

is

304

00:18:26,789 --> 00:18:23,120

transfers the experience

305

00:18:30,230 --> 00:18:26,799

that the physical body is having into

306

00:18:34,549 --> 00:18:30,240

the soul and

307

00:18:38,710 --> 00:18:34,559

the egyptians had a system called the

308

00:18:42,230 --> 00:18:38,720

42 laws of ma'at

309

00:18:44,870 --> 00:18:42,240

which if you lived by these laws

310

00:18:47,750 --> 00:18:44,880

the food that your body gathered and

311

00:18:51,270 --> 00:18:47,760

gave to your soul would be rich food

312

00:18:54,070 --> 00:18:51,280

and when the body died the soul would be

313

00:18:54,390 --> 00:18:54,080

able to ascend and return to the stars

314

00:18:57,669 --> 00:18:54,400
from

315

00:19:02,470 --> 00:18:57,679
which in the egyptian mythology

316

00:19:04,710 --> 00:19:02,480
we came so all of that went into it

317

00:19:07,110 --> 00:19:04,720
but it still remains a very physical and

318

00:19:10,950 --> 00:19:07,120
very challenging experience

319

00:19:14,150 --> 00:19:10,960
to this day

320

00:19:17,510 --> 00:19:14,160
well whitley a lot of times um

321

00:19:19,029 --> 00:19:17,520
people that that uh also say they've had

322

00:19:21,350 --> 00:19:19,039
contacts they would often

323

00:19:22,710 --> 00:19:21,360
talk about in these very esoteric

324

00:19:25,590 --> 00:19:22,720
spiritual ways

325

00:19:26,310 --> 00:19:25,600
about why these different beings are

326

00:19:29,510 --> 00:19:26,320

there

327

00:19:30,950 --> 00:19:29,520

uh talking about soul contracts you know

328

00:19:33,990 --> 00:19:30,960

and all these different things what is

329

00:19:37,190 --> 00:19:34,000

your experience with that

330

00:19:40,710 --> 00:19:37,200

um i don't think

331

00:19:45,590 --> 00:19:43,830

has a barrier between what we think of

332

00:19:47,270 --> 00:19:45,600

as the living and what we think of as

333

00:19:50,630 --> 00:19:47,280

the dead

334

00:19:53,669 --> 00:19:50,640

i don't think they live that way

335

00:19:57,350 --> 00:19:53,679

i don't either anymore actually

336

00:20:00,470 --> 00:19:57,360

um because that barrier

337

00:20:01,830 --> 00:20:00,480

is artificial it's something that's

338

00:20:06,549 --> 00:20:01,840

constructed

339

00:20:07,669 --> 00:20:06,559

perhaps intentionally by us but we don't

340

00:20:12,710 --> 00:20:07,679

need to live with it

341

00:20:18,149 --> 00:20:16,149

the result of this is that when you are

342

00:20:20,230 --> 00:20:18,159

engaged with the visitors for any length

343

00:20:22,470 --> 00:20:20,240

of time you soon find yourself engaged

344

00:20:24,470 --> 00:20:22,480

with your own dad as well

345

00:20:25,830 --> 00:20:24,480

and then with many people on many

346

00:20:29,270 --> 00:20:25,840

different levels of

347

00:20:32,950 --> 00:20:29,280

of perception and reality

348

00:20:38,390 --> 00:20:36,630

you find yourself engaged with your own

349

00:20:51,029 --> 00:20:38,400

soul

350

00:20:52,710 --> 00:20:51,039

out

351
00:20:54,710 --> 00:20:52,720
that once you've realized you have a

352
00:20:57,110 --> 00:20:54,720
soul

353
00:20:58,870 --> 00:20:57,120
you think to yourself what does it want

354
00:21:02,149 --> 00:20:58,880
why isn't it more part of me

355
00:21:05,590 --> 00:21:02,159
why do why is it so passive

356
00:21:08,870 --> 00:21:05,600
and they will engage with you and take

357
00:21:10,549 --> 00:21:08,880
and go on that path of of discovery with

358
00:21:11,909 --> 00:21:10,559
you in other words if you ask the right

359
00:21:15,590 --> 00:21:11,919
questions

360
00:21:17,990 --> 00:21:15,600
these entities who are very practiced in

361
00:21:20,230 --> 00:21:18,000
living without a veil between the soul

362
00:21:24,789 --> 00:21:20,240
between the living and the dead

363
00:21:28,310 --> 00:21:24,799

will engage with you and help you learn

364

00:21:31,990 --> 00:21:28,320

on your own terms what it is

365

00:21:33,909 --> 00:21:32,000

one thing they won't do i don't think is

366

00:21:35,669 --> 00:21:33,919

they don't do it in terms of chapter and

367

00:21:39,270 --> 00:21:35,679

verse it's not like

368

00:21:44,070 --> 00:21:39,280

the revelations in a textbook

369

00:21:48,789 --> 00:21:44,080

it's a um it's a very personal

370

00:21:52,149 --> 00:21:48,799

deeply personal thing and in my case

371

00:21:54,710 --> 00:21:52,159

back in the mid

372

00:21:55,590 --> 00:21:54,720

early 90s when we were getting in the

373

00:21:58,950 --> 00:21:55,600

late 80s

374

00:22:02,070 --> 00:21:58,960

so many letters from people who had

375

00:22:02,080 --> 00:22:10,149

we heard from

376

00:22:15,750 --> 00:22:13,430

many people who had

377

00:22:17,830 --> 00:22:15,760

much more than what you would consider a

378

00:22:18,630 --> 00:22:17,840

classic close encounter of the third

379

00:22:20,470 --> 00:22:18,640

kind the

380

00:22:22,070 --> 00:22:20,480

the other ufo investigators were just

381

00:22:23,990 --> 00:22:22,080

pushing that aside and saying well

382

00:22:26,950 --> 00:22:24,000

that's kind of like

383

00:22:28,710 --> 00:22:26,960

white noise it's static the real

384

00:22:29,510 --> 00:22:28,720

experience has nothing to do with that

385

00:22:31,510 --> 00:22:29,520

because

386

00:22:32,549 --> 00:22:31,520

they were basically very materialistic

387

00:22:36,230 --> 00:22:32,559

and they didn't think that

388

00:22:37,590 --> 00:22:36,240

we lived on after death but i wasn't so

389

00:22:40,789 --> 00:22:37,600

sure

390

00:22:41,430 --> 00:22:40,799

and one day annie came out of her office

391

00:22:42,870 --> 00:22:41,440

and said

392

00:22:44,950 --> 00:22:42,880

this has something to do with what we

393

00:22:48,950 --> 00:22:44,960

call death

394

00:22:51,350 --> 00:22:48,960

and it does it definitely does um

395

00:22:53,510 --> 00:22:51,360

death and the world of the dead as we

396

00:22:56,390 --> 00:22:53,520

think of it and also

397

00:22:58,870 --> 00:22:56,400

other universes that are that are

398

00:23:02,390 --> 00:22:58,880

intermixed with this one somehow

399

00:23:06,310 --> 00:23:04,710

the ability to cross this universe very

400

00:23:10,549 --> 00:23:06,320

quickly

401
00:23:13,110 --> 00:23:10,559
and that was something that i always had

402
00:23:15,510 --> 00:23:13,120
great reservations about because you

403
00:23:19,270 --> 00:23:15,520
know how could you

404
00:23:21,590 --> 00:23:19,280
however it's been recently discovered

405
00:23:23,430 --> 00:23:21,600
that there could be such a thing as a

406
00:23:27,990 --> 00:23:23,440
human traversable wormhole

407
00:23:30,870 --> 00:23:28,000
in this universe and not only that

408
00:23:32,149 --> 00:23:30,880
we even have the materials necessary to

409
00:23:35,350 --> 00:23:32,159
build one they're not

410
00:23:39,029 --> 00:23:35,360
hypothetical they could exist

411
00:23:39,590 --> 00:23:39,039
which means that somebody in advance of

412
00:23:41,510 --> 00:23:39,600
us

413
00:23:44,310 --> 00:23:41,520

almost certainly does have this if it's

414

00:23:47,110 --> 00:23:44,320

possible to to have it

415

00:23:48,710 --> 00:23:47,120

and it could be that when you find

416

00:23:51,909 --> 00:23:48,720

yourself face to face when

417

00:23:54,310 --> 00:23:51,919

one of these little entities it's

418

00:23:55,830 --> 00:23:54,320

taken a single step across the half the

419

00:23:59,190 --> 00:23:55,840

universe

420

00:24:04,310 --> 00:23:59,200

in a moment from a star

421

00:24:09,110 --> 00:24:04,320

or a planet billions of light years away

422

00:24:12,390 --> 00:24:11,909

what do you think i i thought to myself

423

00:24:17,990 --> 00:24:12,400

what

424

00:24:20,310 --> 00:24:18,000

capabilities be like

425

00:24:22,230 --> 00:24:20,320

and i thought well they would live in a

426

00:24:26,149 --> 00:24:22,240

state of wonder

427

00:24:29,510 --> 00:24:26,159

or would they what if the universe

428

00:24:33,430 --> 00:24:29,520

the whole universe was no bigger to

429

00:24:36,630 --> 00:24:33,440

us than rhode island

430

00:24:38,549 --> 00:24:36,640

with the difference we can leave rhode

431

00:24:41,750 --> 00:24:38,559

island we can go to another state

432

00:24:45,110 --> 00:24:41,760

another country what if they have

433

00:24:49,269 --> 00:24:45,120

reached the end of the universe

434

00:24:53,110 --> 00:24:49,279

and to them it's a small

435

00:24:58,950 --> 00:24:56,070

but if that's the case then you would

436

00:25:03,590 --> 00:25:01,669

some things that for example the insight

437

00:25:10,950 --> 00:25:03,600

that

438

00:25:15,350 --> 00:25:10,960

and astronomer dbf dbh cooper

439

00:25:17,190 --> 00:25:15,360

kuiper and mark morris had back in 1977

440

00:25:19,110 --> 00:25:17,200

when they published a little monograph

441

00:25:21,110 --> 00:25:19,120

in science magazine saying that if

442

00:25:22,870 --> 00:25:21,120

aliens really came here

443

00:25:25,350 --> 00:25:22,880

they wouldn't be interested in anything

444

00:25:28,390 --> 00:25:25,360

about us except

445

00:25:31,669 --> 00:25:28,400

what our discoveries and what was new

446

00:25:33,590 --> 00:25:31,679

what we found new and because of this

447

00:25:35,590 --> 00:25:33,600

they would definitely keep themselves

448

00:25:37,990 --> 00:25:35,600

very well concealed

449

00:25:39,909 --> 00:25:38,000

because they would not want us to direct

450

00:25:41,830 --> 00:25:39,919

all of our attention toward them

451
00:25:45,269 --> 00:25:41,840
they would want us to continue to

452
00:25:47,909 --> 00:25:45,279
innovate and explore reality on our own

453
00:25:51,029 --> 00:25:47,919
and that's exactly what is happening and

454
00:25:53,110 --> 00:25:51,039
i think that once you get close to them

455
00:25:54,789 --> 00:25:53,120
you find that they want to live through

456
00:25:57,510 --> 00:25:54,799
your experience

457
00:25:58,549 --> 00:25:57,520
they are hungry for not just your

458
00:26:02,230 --> 00:25:58,559
happiness and your

459
00:26:05,909 --> 00:26:02,240
joy to to touch those pleasures

460
00:26:10,630 --> 00:26:05,919
but to touch above all

461
00:26:13,350 --> 00:26:10,640
the sense of space and enormity

462
00:26:14,950 --> 00:26:13,360
in which we live with no knowledge of

463
00:26:17,669 --> 00:26:14,960

the future

464

00:26:20,230 --> 00:26:17,679

no real knowledge of where we are who we

465

00:26:23,590 --> 00:26:20,240

are even what we are

466

00:26:28,310 --> 00:26:23,600

they want that

467

00:26:30,870 --> 00:26:28,320

because it makes them feel new again

468

00:26:31,990 --> 00:26:30,880

and it's i'm sure why they want us to

469

00:26:33,830 --> 00:26:32,000

survive

470

00:26:36,830 --> 00:26:33,840

when i read these things about alien

471

00:26:40,230 --> 00:26:36,840

invasions i have to laugh because

472

00:26:44,950 --> 00:26:40,240

they the last thing they want to do

473

00:26:47,269 --> 00:26:44,960

is pluck the fruit of mankind they want

474

00:26:50,830 --> 00:26:47,279

us to stay alive on the tree

475

00:26:54,390 --> 00:26:53,269

um it's a remarkable thing in

476

00:26:57,110 --> 00:26:54,400

relationship with them

477

00:26:59,430 --> 00:26:57,120

on the on the one hand on the other hand

478

00:27:01,350 --> 00:26:59,440

they're very demanding

479

00:27:03,029 --> 00:27:01,360

they want what they want and they're

480

00:27:07,190 --> 00:27:03,039

here for that

481

00:27:09,430 --> 00:27:07,200

now that i've understood this

482

00:27:10,310 --> 00:27:09,440

i can never leave this understanding

483

00:27:12,149 --> 00:27:10,320

again

484

00:27:13,830 --> 00:27:12,159

now that i've understood what they need

485

00:27:16,870 --> 00:27:13,840

and i'm willing to open myself

486

00:27:18,389 --> 00:27:16,880

inwardly to their presence i could never

487

00:27:22,149 --> 00:27:18,399

walk away from that

488

00:27:30,389 --> 00:27:27,510

it's a permanent marriage it's forever

489

00:27:33,510 --> 00:27:30,399

and so that's what a new world if you

490

00:27:37,909 --> 00:27:33,520

can take it another level of it is

491

00:27:42,549 --> 00:27:37,919

if you want this and you take it

492

00:27:45,590 --> 00:27:42,559

this is what you have forever

493

00:27:47,190 --> 00:27:45,600

so these um these things that they do

494

00:27:48,789 --> 00:27:47,200

that you just talked about was that

495

00:27:50,389 --> 00:27:48,799

something that they just um

496

00:27:52,470 --> 00:27:50,399

through your interactions with them that

497

00:27:54,470 --> 00:27:52,480

they gave that up to you did you

498

00:27:56,310 --> 00:27:54,480

specifically ask them of what is it that

499

00:27:58,470 --> 00:27:56,320

they want

500

00:27:59,350 --> 00:27:58,480

no i didn't specifically ask them it was

501
00:28:03,110 --> 00:27:59,360
always it was

502
00:28:06,230 --> 00:28:03,120
by demonstration i i was not

503
00:28:10,470 --> 00:28:06,240
going anywhere i was i kept trying

504
00:28:13,590 --> 00:28:10,480
and i kept i kept on and

505
00:28:16,789 --> 00:28:13,600
then the incident of

506
00:28:20,630 --> 00:28:16,799
my wife's death in august of

507
00:28:23,029 --> 00:28:20,640
2015 occurred you remember i said

508
00:28:23,669 --> 00:28:23,039
earlier that she had said that this has

509
00:28:27,029 --> 00:28:23,679
something to

510
00:28:29,750 --> 00:28:27,039
do with what we call death right well

511
00:28:31,029 --> 00:28:29,760
she became a real expert on the

512
00:28:34,389 --> 00:28:31,039
afterlife and

513
00:28:38,070 --> 00:28:34,399

on our our ideas of it and then

514

00:28:38,950 --> 00:28:38,080

in 2004 she had an aneurysm burst in her

515

00:28:40,870 --> 00:28:38,960

head

516

00:28:43,110 --> 00:28:40,880

and she nearly died and she had a

517

00:28:45,590 --> 00:28:43,120

near-death experience

518

00:28:47,029 --> 00:28:45,600

powerful one and like most near-death

519

00:28:49,029 --> 00:28:47,039

experiences she

520

00:28:50,950 --> 00:28:49,039

ended up no longer afraid of death at

521

00:28:55,350 --> 00:28:50,960

all

522

00:29:02,630 --> 00:28:59,269

then in 2015

523

00:29:08,230 --> 00:29:06,070

and an hour and a half i was sitting in

524

00:29:11,430 --> 00:29:08,240

the living room in this apartment

525

00:29:15,430 --> 00:29:11,440

an hour and a half afterwards

526

00:29:19,350 --> 00:29:15,440

thinking annie if you're anywhere still

527

00:29:21,269 --> 00:29:19,360

please give me some sort of a sign

528

00:29:23,430 --> 00:29:21,279

because i really sensed that she was

529

00:29:27,269 --> 00:29:23,440

very close

530

00:29:31,190 --> 00:29:27,279

sense of her presence

531

00:29:33,029 --> 00:29:31,200

my phone rang and it was someone

532

00:29:35,110 --> 00:29:33,039

a friend called belle fuller and i

533

00:29:35,830 --> 00:29:35,120

thought oh my god i can't talk to bell

534

00:29:40,310 --> 00:29:35,840

now

535

00:29:42,950 --> 00:29:40,320

he had died

536

00:29:44,149 --> 00:29:42,960

and but i thought i don't want to not

537

00:29:46,549 --> 00:29:44,159

answer

538

00:29:47,750 --> 00:29:46,559

and so i'll let belle know it's i guess

539

00:29:49,590 --> 00:29:47,760

it's

540

00:29:50,789 --> 00:29:49,600

the moment when belle is to find this

541

00:29:53,510 --> 00:29:50,799

sound

542

00:29:56,389 --> 00:29:53,520

so she called she i answered and she was

543

00:29:58,710 --> 00:29:56,399

very concerned she immediately said not

544

00:29:59,430 --> 00:29:58,720

hi whitley or i'd like to speak to anne

545

00:30:01,669 --> 00:29:59,440

which or she

546

00:30:04,870 --> 00:30:01,679

usually would have said she said whitley

547

00:30:12,310 --> 00:30:08,230

and i said bell

548

00:30:15,909 --> 00:30:12,320

and died an hour and a half ago

549

00:30:19,669 --> 00:30:15,919

and she said well i heard

550

00:30:22,789 --> 00:30:19,679

her voice in my ear say very clearly

551
00:30:25,510 --> 00:30:22,799
call whitley

552
00:30:27,750 --> 00:30:25,520
and i thought how odd i didn't make the

553
00:30:30,310 --> 00:30:27,760
connection yet but i would

554
00:30:31,190 --> 00:30:30,320
then things like that happened again and

555
00:30:34,470 --> 00:30:31,200
again over the

556
00:30:36,070 --> 00:30:34,480
next week or so and during that time i

557
00:30:39,430 --> 00:30:36,080
also became

558
00:30:42,870 --> 00:30:39,440
more comfortable with anne's presence

559
00:30:45,350 --> 00:30:42,880
and i began to realize this is real

560
00:30:46,070 --> 00:30:45,360
i'm not dreaming it up when a friend

561
00:30:49,430 --> 00:30:46,080
from

562
00:30:51,430 --> 00:30:49,440
tennessee calls knowing she knew

563
00:30:52,950 --> 00:30:51,440

of course by that point that anne had

564

00:30:56,149 --> 00:30:52,960

died but not that

565

00:30:59,350 --> 00:30:56,159

she would hear from anne

566

00:31:03,110 --> 00:30:59,360

and says whitley and i i just

567

00:31:05,350 --> 00:31:03,120

had heard anne tell me to call you

568

00:31:07,269 --> 00:31:05,360

and this was a few days after bell had

569

00:31:09,669 --> 00:31:07,279

called it that was uh

570

00:31:11,990 --> 00:31:09,679

claire henry and william henry's wife

571

00:31:13,990 --> 00:31:12,000

he's a

572

00:31:16,310 --> 00:31:14,000

a searcher and uh you can go and find

573

00:31:19,590 --> 00:31:16,320

their work on williamhenry.net

574

00:31:22,789 --> 00:31:19,600

in any case um it kept happening

575

00:31:25,590 --> 00:31:22,799

and finally i was dense thick-headed guy

576

00:31:30,389 --> 00:31:25,600

that i was i thought to myself

577

00:31:35,350 --> 00:31:33,110

the next couple of months i guess a

578

00:31:38,630 --> 00:31:35,360

month or so later

579

00:31:41,029 --> 00:31:38,640

william had a conference in um

580

00:31:42,710 --> 00:31:41,039

in nashville and because of what had

581

00:31:43,350 --> 00:31:42,720

happened i decided to go to the

582

00:31:45,990 --> 00:31:43,360

conference

583

00:31:48,230 --> 00:31:46,000

and he he and claire give wonderful

584

00:31:49,830 --> 00:31:48,240

conferences anyway in my show dreamland

585

00:31:52,789 --> 00:31:49,840

he was recently on my show

586

00:31:53,669 --> 00:31:52,799

dreamland and you can if you look up

587

00:31:56,789 --> 00:31:53,679

dreamland

588

00:31:58,789 --> 00:31:56,799

or on go to unknowncountry.com you can

589

00:32:00,149 --> 00:31:58,799

listen to that show it was lovely but in

590

00:32:03,350 --> 00:32:00,159

any case

591

00:32:04,630 --> 00:32:03,360

i went and while i was there a woman

592

00:32:07,830 --> 00:32:04,640

came up

593

00:32:11,750 --> 00:32:07,840

and said mr streeter

594

00:32:14,630 --> 00:32:11,760

something very odd just happened to me

595

00:32:15,750 --> 00:32:14,640

and i i i'm i'm afraid you might think

596

00:32:19,509 --> 00:32:15,760

it's too weird but

597

00:32:21,430 --> 00:32:19,519

i i i said how could i possibly think

598

00:32:22,870 --> 00:32:21,440

something somebody's gonna tell me is

599

00:32:26,310 --> 00:32:22,880

too weird

600

00:32:29,430 --> 00:32:26,320

of all people so she said i just

601
00:32:33,430 --> 00:32:29,440
heard anne's voice in my ear

602
00:32:37,269 --> 00:32:33,440
say tell quickly i can see him

603
00:32:41,430 --> 00:32:37,279
when he's sitting in the chair

604
00:32:42,710 --> 00:32:41,440
this was huge i knew immediately what

605
00:32:45,830 --> 00:32:42,720
she meant

606
00:32:47,990 --> 00:32:45,840
that she could contact me if

607
00:32:50,070 --> 00:32:48,000
i was sitting in a certain state because

608
00:32:54,830 --> 00:32:50,080
i meditate i've been meditating

609
00:32:58,149 --> 00:32:54,840
doing the sensing exercise since 1970

610
00:33:02,310 --> 00:32:58,159
and she could

611
00:33:10,710 --> 00:33:06,149
engage with me then after i came

612
00:33:13,750 --> 00:33:10,720
home not only did i i used to do it

613
00:33:17,190 --> 00:33:13,760

always at 11 o'clock at night

614

00:33:19,590 --> 00:33:17,200

once i came home i started

615

00:33:22,830 --> 00:33:19,600

doing i did it at 11 o'clock at night as

616

00:33:25,909 --> 00:33:22,840

usual and then suddenly one night

617

00:33:27,350 --> 00:33:25,919

something electrocuted one of my toes in

618

00:33:30,710 --> 00:33:27,360

the middle of the night

619

00:33:32,710 --> 00:33:30,720

and i took down a bed but there was no

620

00:33:34,070 --> 00:33:32,720

there was no wire or anything there so i

621

00:33:37,990 --> 00:33:34,080

immediately went on my phone

622

00:33:40,549 --> 00:33:38,000

looked up doubt no it wasn't gout so i

623

00:33:43,669 --> 00:33:40,559

went back to bed

624

00:33:46,630 --> 00:33:43,679

the next night a

625

00:33:47,029 --> 00:33:46,640

hand grabbed this nipple and shook it

626

00:33:50,470 --> 00:33:47,039

like

627

00:33:53,509 --> 00:33:50,480

digging i leaped out of bed of course

628

00:33:57,350 --> 00:33:53,519

because it was a hand i could feel it

629

00:33:59,590 --> 00:33:57,360

right and um then it hit me

630

00:34:02,070 --> 00:33:59,600

it's the three o'clock in the morning

631

00:34:04,950 --> 00:34:02,080

one they want

632

00:34:06,310 --> 00:34:04,960

uh and i didn't know why at the time but

633

00:34:09,589 --> 00:34:06,320

i did know that

634

00:34:13,030 --> 00:34:09,599

that there had been a very physical

635

00:34:15,030 --> 00:34:13,040

uh a series of very near physical events

636

00:34:16,869 --> 00:34:15,040

with dead people back in the 90s at the

637

00:34:19,109 --> 00:34:16,879

cabin in upstate new york

638

00:34:21,430 --> 00:34:19,119

and they had waked me up at three by

639

00:34:23,270 --> 00:34:21,440

banging on my shoulder

640

00:34:26,310 --> 00:34:23,280

and so i started getting up and doing

641

00:34:29,589 --> 00:34:26,320

the meditation at three again

642

00:34:33,190 --> 00:34:29,599

i later learned that this time

643

00:34:33,829 --> 00:34:33,200

between three and about five is known as

644

00:34:37,990 --> 00:34:33,839

brahma

645

00:34:41,430 --> 00:34:38,000

hurt the time the time of learning

646

00:34:44,790 --> 00:34:41,440

and it has become the most

647

00:34:48,069 --> 00:34:44,800

precious experience of my life i i'm

648

00:34:50,629 --> 00:34:48,079

up meditating doing the sensing exercise

649

00:34:51,270 --> 00:34:50,639

every morning at that time every single

650

00:34:53,829 --> 00:34:51,280

morning

651
00:34:56,550 --> 00:34:53,839
and have been since that first night i i

652
00:35:00,230 --> 00:34:56,560
realized that it was being asked for

653
00:35:03,750 --> 00:35:00,240
and i have now written three books

654
00:35:06,790 --> 00:35:03,760
based on it uh after life revolution

655
00:35:09,109 --> 00:35:06,800
which anne and i wrote together

656
00:35:10,550 --> 00:35:09,119
a new world and now my new one jesus a

657
00:35:13,270 --> 00:35:10,560
new vision

658
00:35:14,870 --> 00:35:13,280
which enables anyone whether they're an

659
00:35:17,030 --> 00:35:14,880
atheist an agnostic

660
00:35:19,109 --> 00:35:17,040
a christian a buddhist a muslim it

661
00:35:22,150 --> 00:35:19,119
doesn't matter

662
00:35:23,190 --> 00:35:22,160
to re-engage with the jesus teaching and

663
00:35:26,630 --> 00:35:23,200

to understand

664

00:35:30,150 --> 00:35:26,640

how to use it in their own lives

665

00:35:32,870 --> 00:35:30,160

you don't need to be to to be engaged

666

00:35:33,910 --> 00:35:32,880

with doctrine in any way whatsoever but

667

00:35:36,390 --> 00:35:33,920

if you are

668

00:35:38,150 --> 00:35:36,400

that's fine too you can do this and

669

00:35:39,750 --> 00:35:38,160

still be a hindu you can do it and still

670

00:35:41,430 --> 00:35:39,760

be a buddhist you can do it and still be

671

00:35:43,910 --> 00:35:41,440

a christian

672

00:35:46,470 --> 00:35:43,920

that was the idea so the three books are

673

00:35:49,750 --> 00:35:46,480

all of them very revolutionary

674

00:35:52,950 --> 00:35:49,760

and they all come from

675

00:35:53,829 --> 00:35:52,960

this time and from my relationship with

676

00:35:55,670 --> 00:35:53,839

ann

677

00:35:57,670 --> 00:35:55,680

i don't even think of us i think of us

678

00:35:59,829 --> 00:35:57,680

as still being married

679

00:36:00,790 --> 00:35:59,839

actively married and i'm engaged in a

680

00:36:04,230 --> 00:36:00,800

marriage

681

00:36:07,829 --> 00:36:04,240

physically available

682

00:36:09,589 --> 00:36:07,839

but i just said well okay i'm gonna wear

683

00:36:11,270 --> 00:36:09,599

both rings because now

684

00:36:13,670 --> 00:36:11,280

we're still married we're just down to

685

00:36:18,470 --> 00:36:13,680

one body

686

00:36:20,390 --> 00:36:18,480

right here you're looking at whitley

687

00:36:23,910 --> 00:36:20,400

but i think anne's looking out through

688

00:36:30,550 --> 00:36:27,430

you know um whitley a lot of times these

689

00:36:32,390 --> 00:36:30,560

uh that kind of understanding uh

690

00:36:34,630 --> 00:36:32,400

for some people and i know in my

691

00:36:37,829 --> 00:36:34,640

personal experience only through

692

00:36:39,270 --> 00:36:37,839

um great difficulty a great struggle can

693

00:36:41,589 --> 00:36:39,280

identif

694

00:36:42,870 --> 00:36:41,599

not that it has to be but i i it's just

695

00:36:44,710 --> 00:36:42,880

when i look back they always say

696

00:36:46,790 --> 00:36:44,720

hindsight it's 20 20.

697

00:36:48,550 --> 00:36:46,800

looking back is because of these

698

00:36:51,349 --> 00:36:48,560

struggles because of this

699

00:36:52,950 --> 00:36:51,359

this pain i gained a greater

700

00:36:55,349 --> 00:36:52,960

understanding you know

701
00:36:56,870 --> 00:36:55,359
got me to where i really needed to be

702
00:36:57,750 --> 00:36:56,880
you although it didn't look like it at

703
00:37:00,550 --> 00:36:57,760
that time

704
00:37:01,430 --> 00:37:00,560
and so does does that always have to be

705
00:37:03,510 --> 00:37:01,440
the case

706
00:37:04,870 --> 00:37:03,520
you know that the struggle has to be

707
00:37:07,030 --> 00:37:04,880
that the good and the bad

708
00:37:08,230 --> 00:37:07,040
has to come together you know to get the

709
00:37:11,829 --> 00:37:08,240
full picture or

710
00:37:17,510 --> 00:37:15,270
we're here to take a journey this is if

711
00:37:18,310 --> 00:37:17,520
if there's anything true about the whole

712
00:37:22,230 --> 00:37:18,320
spiritual

713
00:37:25,670 --> 00:37:22,240

side of life it is that this is a school

714

00:37:28,710 --> 00:37:25,680

and the journey is

715

00:37:31,349 --> 00:37:28,720

of of being educated and taking that

716

00:37:33,430 --> 00:37:31,359

journey is never going to be easy

717

00:37:38,069 --> 00:37:33,440

uh it doesn't necessarily have to be

718

00:37:44,069 --> 00:37:41,349

and it's certainly in

719

00:37:45,430 --> 00:37:44,079

my situation after all i've been through

720

00:37:47,349 --> 00:37:45,440

and all annie and i went through

721

00:37:51,910 --> 00:37:47,359

together

722

00:37:57,270 --> 00:37:51,920

now that my own wife has become

723

00:38:00,710 --> 00:37:57,280

my main teacher it's very joyous

724

00:38:02,550 --> 00:38:00,720

and the little gray people show up from

725

00:38:04,710 --> 00:38:02,560

time to time but

726

00:38:06,310 --> 00:38:04,720

this is mostly between it's a mostly

727

00:38:08,950 --> 00:38:06,320

human experience for me now

728

00:38:09,349 --> 00:38:08,960

between me and my wife and others who

729

00:38:12,470 --> 00:38:09,359

come

730

00:38:16,150 --> 00:38:12,480

from time to time and there's still a

731

00:38:16,160 --> 00:38:20,310

there are very

732

00:38:27,670 --> 00:38:24,150

if i don't if i don't do the 3 a.m

733

00:38:28,150 --> 00:38:27,680

meditation and it's hard every single

734

00:38:30,069 --> 00:38:28,160

night

735

00:38:31,270 --> 00:38:30,079

because the body does not want to do

736

00:38:33,430 --> 00:38:31,280

that

737

00:38:35,190 --> 00:38:33,440

does not want to get up out of nice warm

738

00:38:40,069 --> 00:38:35,200

bed at that hour at all

739

00:38:42,069 --> 00:38:40,079

at all but if i don't do it

740

00:38:44,390 --> 00:38:42,079

this is where i said that threats and

741

00:38:46,790 --> 00:38:44,400

demands

742

00:38:49,270 --> 00:38:46,800

are come in because there will be

743

00:38:52,550 --> 00:38:49,280

threats and there will be demands

744

00:38:55,589 --> 00:38:52,560

and there will be physical pain

745

00:38:58,710 --> 00:38:55,599

i mean they will make me they will

746

00:39:00,390 --> 00:38:58,720

give me pain sometimes if i don't do it

747

00:39:02,390 --> 00:39:00,400

in other knows they'll they're

748

00:39:06,710 --> 00:39:02,400

definitely

749

00:39:09,829 --> 00:39:06,720

you're i'm gonna do it i don't have

750

00:39:11,270 --> 00:39:09,839

i've had in since i guess it started in

751
00:39:14,790 --> 00:39:11,280
october of 2015

752
00:39:17,109 --> 00:39:14,800
it's now 2021

753
00:39:18,710 --> 00:39:17,119
um and i've been doing it every three

754
00:39:19,510 --> 00:39:18,720
o'clock every morning approximately it's

755
00:39:21,829 --> 00:39:19,520
not

756
00:39:23,270 --> 00:39:21,839
exact because i don't set an alarm on

757
00:39:27,349 --> 00:39:23,280
purpose

758
00:39:30,790 --> 00:39:27,359
i want them to have to engage with this

759
00:39:31,910 --> 00:39:30,800
if i'm going to struggle i want that

760
00:39:35,829 --> 00:39:31,920
struggle to be

761
00:39:39,510 --> 00:39:35,839
part of the experience and

762
00:39:41,589 --> 00:39:39,520
i want them to engage with my struggle

763
00:39:45,430 --> 00:39:41,599

and maybe they don't like that but and

764

00:39:47,510 --> 00:39:45,440

maybe they do maybe they consider it

765

00:39:48,790 --> 00:39:47,520

they understand it as well as i do as

766

00:39:50,790 --> 00:39:48,800

being an important part of the

767

00:39:55,030 --> 00:39:50,800

relationship

768

00:39:58,630 --> 00:39:55,040

but all i know is this that

769

00:40:01,990 --> 00:39:58,640

it remains very hard they remain

770

00:40:07,349 --> 00:40:02,000

very demanding but in this

771

00:40:11,190 --> 00:40:07,359

context now there is another presence

772

00:40:13,270 --> 00:40:11,200

which is and not as the ann i knew

773

00:40:14,870 --> 00:40:13,280

one of the first things she said after

774

00:40:17,990 --> 00:40:14,880

she passed away when i

775

00:40:21,589 --> 00:40:18,000

learned to listen to her was

776

00:40:24,630 --> 00:40:21,599

i'm not anne anymore but i'll always be

777

00:40:28,069 --> 00:40:24,640

anne for you now

778

00:40:31,109 --> 00:40:28,079

i've learned and i'm sure this is true

779

00:40:32,550 --> 00:40:31,119

that many of us most of us or maybe all

780

00:40:36,470 --> 00:40:32,560

of us

781

00:40:37,430 --> 00:40:36,480

have many lives and if you think about

782

00:40:40,390 --> 00:40:37,440

it

783

00:40:41,750 --> 00:40:40,400

whatever is out behind us projecting

784

00:40:45,270 --> 00:40:41,760

those lives

785

00:40:49,510 --> 00:40:45,280

into the world must be very different

786

00:40:51,910 --> 00:40:49,520

from the individuals whoever

787

00:40:53,589 --> 00:40:51,920

made whitley happen in the world has

788

00:40:56,950 --> 00:40:53,599

probably been making people happen in

789

00:41:00,390 --> 00:40:56,960

the world for thousands of years

790

00:41:05,349 --> 00:41:00,400

i've seen eleven images

791

00:41:11,990 --> 00:41:07,910

now that soul is very different from

792

00:41:16,630 --> 00:41:15,349

energy and memories from all god knows

793

00:41:19,670 --> 00:41:16,640

how many lives

794

00:41:22,790 --> 00:41:19,680

knows how far back it goes

795

00:41:25,589 --> 00:41:22,800

so this entity with

796

00:41:27,030 --> 00:41:25,599

whom i live and who i am still married

797

00:41:30,150 --> 00:41:27,040

to

798

00:41:36,230 --> 00:41:30,160

is not anne but it is

799

00:41:39,190 --> 00:41:36,240

very definitely very loving toward me

800

00:41:40,390 --> 00:41:39,200

and i am very loving toward this entity

801
00:41:43,510 --> 00:41:40,400
and i don't think

802
00:41:44,950 --> 00:41:43,520
that we're ever going to part again i

803
00:41:47,030 --> 00:41:44,960
think that this is permanent

804
00:41:47,990 --> 00:41:47,040
i think i think one of the things about

805
00:41:50,950 --> 00:41:48,000
a new world that's

806
00:41:51,910 --> 00:41:50,960
hard to take is that a lot of the things

807
00:41:54,950 --> 00:41:51,920
that happen

808
00:41:56,630 --> 00:41:54,960
are permanent we you know we we

809
00:41:58,230 --> 00:41:56,640
we have things that happen to us that

810
00:42:00,390 --> 00:41:58,240
end in death

811
00:42:02,790 --> 00:42:00,400
this is not about that it doesn't end in

812
00:42:05,109 --> 00:42:02,800
death it goes on

813
00:42:07,190 --> 00:42:05,119

my relationship with this whole

814

00:42:08,630 --> 00:42:07,200

experience with all of these entities

815

00:42:12,150 --> 00:42:08,640

and with

816

00:42:16,150 --> 00:42:12,160

my wife or what my wife came from

817

00:42:19,589 --> 00:42:16,160

is part of me permanently

818

00:42:22,950 --> 00:42:19,599

it will always be there all of it

819

00:42:23,589 --> 00:42:22,960

the struggle will continue it's a

820

00:42:28,390 --> 00:42:23,599

journey

821

00:42:31,589 --> 00:42:28,400

toward ecstasy you know when annie died

822

00:42:33,910 --> 00:42:31,599

the night she died a book

823

00:42:35,510 --> 00:42:33,920

came out of our bookcase and opened to a

824

00:42:39,190 --> 00:42:35,520

certain page

825

00:42:42,230 --> 00:42:39,200

no one had touched that book in 15 years

826

00:42:46,150 --> 00:42:42,240

the book was important to ann

827

00:42:50,870 --> 00:42:46,160

and in particular a specific passage

828

00:42:54,309 --> 00:42:50,880

the passage was the universe began

829

00:42:58,069 --> 00:42:54,319

with a single primordial quest

830

00:42:58,790 --> 00:42:58,079

for knowledge and i think that's the

831

00:43:01,270 --> 00:42:58,800

truth

832

00:43:02,230 --> 00:43:01,280

and i think that's why i think annie as

833

00:43:05,589 --> 00:43:02,240

she departed

834

00:43:07,750 --> 00:43:05,599

opened that book to that page

835

00:43:08,790 --> 00:43:07,760

because no one else came in here no one

836

00:43:10,309 --> 00:43:08,800

else did it

837

00:43:12,630 --> 00:43:10,319

there are only three people in the house

838

00:43:13,670 --> 00:43:12,640

besides annie and we were in the living

839

00:43:18,309 --> 00:43:13,680

room the three of us

840

00:43:21,670 --> 00:43:20,309

and she did that because at that moment

841

00:43:25,430 --> 00:43:21,680

her mind was free

842

00:43:28,069 --> 00:43:25,440

of the restraints of the physical world

843

00:43:29,430 --> 00:43:28,079

and she knew it to be true what was on

844

00:43:31,270 --> 00:43:29,440

that page

845

00:43:33,270 --> 00:43:31,280

it's a book called physics from fisher

846

00:43:38,829 --> 00:43:33,280

information

847

00:43:44,790 --> 00:43:41,589

that quest

848

00:43:47,589 --> 00:43:44,800

cannot be all sweetness in life

849

00:43:49,349 --> 00:43:47,599

there has to be struggle too because if

850

00:43:52,550 --> 00:43:49,359

you don't engage

851
00:43:55,750 --> 00:43:52,560
with struggle failure

852
00:43:57,670 --> 00:43:55,760
confusion darkness if you don't embrace

853
00:44:00,950 --> 00:43:57,680
the dark side too

854
00:44:05,750 --> 00:44:00,960
you are not on a real

855
00:44:12,630 --> 00:44:09,750
thank you for that whitley um

856
00:44:14,630 --> 00:44:12,640
i'd love to continue the path that you

857
00:44:17,270 --> 00:44:14,640
know down but i wanted to ask if we

858
00:44:20,150 --> 00:44:17,280
could just touch back just real quick

859
00:44:22,150 --> 00:44:20,160
maybe at least i know when when we learn

860
00:44:24,470 --> 00:44:22,160
about these new things i know for myself

861
00:44:26,150 --> 00:44:24,480
uh i often discuss things with my

862
00:44:28,630 --> 00:44:26,160
friends they're already

863
00:44:30,230 --> 00:44:28,640

you know we're already kind of past the

864

00:44:31,910 --> 00:44:30,240

basics kind of like when you

865

00:44:33,990 --> 00:44:31,920

look at ufology you have the nuts and

866

00:44:35,510 --> 00:44:34,000

bolts but then when you realize there's

867

00:44:37,750 --> 00:44:35,520

more to this field

868

00:44:39,750 --> 00:44:37,760

then all i did is just concentrate on

869

00:44:40,710 --> 00:44:39,760

this more part to understand it and

870

00:44:43,510 --> 00:44:40,720

evolve

871

00:44:44,950 --> 00:44:43,520

with it where nuts and bolts is not

872

00:44:46,710 --> 00:44:44,960

important to me anymore

873

00:44:48,309 --> 00:44:46,720

you know at least that's you know from

874

00:44:50,470 --> 00:44:48,319

my point of view

875

00:44:51,829 --> 00:44:50,480

so i wanted to to continue and talk to

876

00:44:53,430 --> 00:44:51,839

you about you know

877

00:44:55,190 --> 00:44:53,440

everything else that that you could

878

00:44:55,910 --> 00:44:55,200

possibly share with us or what what else

879

00:44:58,630 --> 00:44:55,920

you've learned

880

00:44:59,430 --> 00:44:58,640

but i for those that are maybe watching

881

00:45:02,630 --> 00:44:59,440

that are just now

882

00:45:03,030 --> 00:45:02,640

into this these different beings do they

883

00:45:05,430 --> 00:45:03,040

have

884

00:45:07,589 --> 00:45:05,440

a physicality to them and were there

885

00:45:08,790 --> 00:45:07,599

different ones did was it mainly a

886

00:45:10,390 --> 00:45:08,800

telepathic

887

00:45:12,150 --> 00:45:10,400

com you know conversation or

888

00:45:13,670 --> 00:45:12,160

communication or

889

00:45:15,349 --> 00:45:13,680

you know do they have the ability to

890

00:45:19,589 --> 00:45:15,359

speak and anything like that that you

891

00:45:22,230 --> 00:45:19,599

can share with us i'd appreciate it

892

00:45:25,109 --> 00:45:22,240

um i've heard a few words from some of

893

00:45:29,030 --> 00:45:27,270

there are these dark short dark blue

894

00:45:29,910 --> 00:45:29,040

figures that will speak in a guttural

895

00:45:33,349 --> 00:45:29,920

voice

896

00:45:37,030 --> 00:45:33,359

physically not many words

897

00:45:41,430 --> 00:45:37,040

um i've never heard the gray people

898

00:45:44,829 --> 00:45:41,440

utter anything except cries sounds

899

00:45:46,950 --> 00:45:44,839

and then there are these blonde people

900

00:45:49,270 --> 00:45:46,960

who

901
00:45:50,390 --> 00:45:49,280
as far as i know can speak quite

902
00:45:52,309 --> 00:45:50,400
normally i've had

903
00:45:53,829 --> 00:45:52,319
an extensive conversation with one of

904
00:45:58,630 --> 00:45:53,839
them

905
00:46:03,510 --> 00:46:02,390
they um it's a it's a variety of

906
00:46:06,550 --> 00:46:03,520
different

907
00:46:08,470 --> 00:46:06,560
things um but

908
00:46:09,910 --> 00:46:08,480
always remember that it's easy to jump

909
00:46:12,230 --> 00:46:09,920
to the conclusion that he's talking

910
00:46:15,670 --> 00:46:12,240
whitley's talking about

911
00:46:18,309 --> 00:46:15,680
aliens different types of alien

912
00:46:19,430 --> 00:46:18,319
i'm talking about different things i've

913
00:46:23,109 --> 00:46:19,440

seen

914

00:46:24,710 --> 00:46:23,119

and interacted with i'm not going to go

915

00:46:27,270 --> 00:46:24,720

beyond that

916

00:46:27,990 --> 00:46:27,280

and say therefore since they looked

917

00:46:30,069 --> 00:46:28,000

weird they must

918

00:46:31,670 --> 00:46:30,079

be aliens i'm not sure of that that's a

919

00:46:34,870 --> 00:46:31,680

good point

920

00:46:38,550 --> 00:46:34,880

eating yeah and it gives you an idea

921

00:46:40,550 --> 00:46:38,560

what i mean um

922

00:46:41,990 --> 00:46:40,560

there are plenty of species on this

923

00:46:44,790 --> 00:46:42,000

planet who have more than

924

00:46:46,030 --> 00:46:44,800

one form and these forms are often

925

00:46:47,750 --> 00:46:46,040

radically different

926
00:46:49,589 --> 00:46:47,760
unrecognizably different from one

927
00:46:52,630 --> 00:46:49,599
another the simple

928
00:46:56,710 --> 00:46:52,640
one you can grab to is the

929
00:46:58,390 --> 00:46:56,720
butterfly and the caterpillar

930
00:47:00,550 --> 00:46:58,400
what caterpillar could ever imagine

931
00:47:04,470 --> 00:47:00,560
himself a butterfly

932
00:47:08,069 --> 00:47:04,480
and uh what butterfly could ever believe

933
00:47:11,990 --> 00:47:08,079
that he'd come out of that that

934
00:47:15,510 --> 00:47:12,000
that gobbling hulk down there so

935
00:47:18,150 --> 00:47:15,520
um and what makes me think about this

936
00:47:20,230 --> 00:47:18,160
often is something that happened many

937
00:47:22,390 --> 00:47:20,240
years ago to a dear friend of ours

938
00:47:24,390 --> 00:47:22,400

who was and secretary for 15 years

939

00:47:26,790 --> 00:47:24,400

laurie burns

940

00:47:29,270 --> 00:47:26,800

anne had met laurie through uh the

941

00:47:31,829 --> 00:47:29,280

letters we would get and

942

00:47:33,109 --> 00:47:31,839

she she needed desperately needed the

943

00:47:35,190 --> 00:47:33,119

secretary because she had all these

944

00:47:37,430 --> 00:47:35,200

letters coming in

945

00:47:38,950 --> 00:47:37,440

and she said to me one day well this

946

00:47:40,549 --> 00:47:38,960

lady is going to be our secretary and

947

00:47:42,710 --> 00:47:40,559

handed me a letter

948

00:47:43,990 --> 00:47:42,720

and the letter talked about some very

949

00:47:45,829 --> 00:47:44,000

extraordinary

950

00:47:47,829 --> 00:47:45,839

close encounter experiences but it also

951
00:47:51,349 --> 00:47:47,839
talked about the fact that she was an

952
00:47:53,190 --> 00:47:51,359
actress and a singer and i said um

953
00:47:54,470 --> 00:47:53,200
she says here she says actress and a

954
00:47:57,109 --> 00:47:54,480
singer

955
00:47:58,150 --> 00:47:57,119
and she said and said well have you ever

956
00:48:00,950 --> 00:47:58,160
heard of her

957
00:48:02,549 --> 00:48:00,960
i said no i said okay well that's not

958
00:48:03,670 --> 00:48:02,559
what she does for a living is it look at

959
00:48:06,870 --> 00:48:03,680
her handwriting

960
00:48:09,910 --> 00:48:06,880
that's the handwriting of a professional

961
00:48:10,710 --> 00:48:09,920
and she called her up it turned out she

962
00:48:14,790 --> 00:48:10,720
lived

963
00:48:17,910 --> 00:48:14,800

a block away from us in manhattan

964

00:48:21,190 --> 00:48:17,920

and she was did secretarial work as

965

00:48:22,630 --> 00:48:21,200

a day job and she came over and hired

966

00:48:24,710 --> 00:48:22,640

her immediately and

967

00:48:26,470 --> 00:48:24,720

off they went now let me tell you

968

00:48:26,950 --> 00:48:26,480

laurie's story and what it has to do

969

00:48:28,470 --> 00:48:26,960

with this

970

00:48:30,470 --> 00:48:28,480

with the caterpillar and the butterfly

971

00:48:32,950 --> 00:48:30,480

because i'm not wandering

972

00:48:34,549 --> 00:48:32,960

the soul head is still i got a pretty

973

00:48:38,870 --> 00:48:34,559

fairly well organized

974

00:48:46,150 --> 00:48:42,950

the one night in the early 50s

975

00:48:48,790 --> 00:48:46,160

laurie was lying in bed

976
00:48:49,990 --> 00:48:48,800
her husband was a pianist and she was a

977
00:48:52,470 --> 00:48:50,000
singer

978
00:48:54,069 --> 00:48:52,480
and he was out on a gig it was about 11

979
00:48:56,710 --> 00:48:54,079
o'clock at night

980
00:48:59,430 --> 00:48:56,720
she was reading and she noticed movement

981
00:49:02,870 --> 00:48:59,440
beside the bed and she looked up

982
00:49:07,589 --> 00:49:02,880
and these short dark blue troll-like

983
00:49:13,750 --> 00:49:10,870
and she i mean this is like 1952

984
00:49:15,510 --> 00:49:13,760
she had no idea what to think of what

985
00:49:19,670 --> 00:49:15,520
she was seeing

986
00:49:23,430 --> 00:49:19,680
and she recoiled in horror

987
00:49:27,030 --> 00:49:23,440
and the lead one put his

988
00:49:28,549 --> 00:49:27,040

dark blue gloved hand on her wrist and

989

00:49:31,670 --> 00:49:28,559

said

990

00:49:35,349 --> 00:49:31,680

my dear do not be afraid

991

00:49:36,069 --> 00:49:35,359

we're not here for you we are interested

992

00:49:40,549 --> 00:49:36,079

in the girl

993

00:49:43,990 --> 00:49:42,710

and she was she was pregnant but in

994

00:49:47,990 --> 00:49:44,000

those days you couldn't tell whether it

995

00:49:53,510 --> 00:49:51,510

it was a girl when nine months came

996

00:49:55,349 --> 00:49:53,520

she's a very lovely person now she i've

997

00:49:58,150 --> 00:49:55,359

interviewed her on dreamland in fact

998

00:50:00,549 --> 00:49:58,160

and uh because laura has passed on and

999

00:50:03,829 --> 00:50:00,559

we had a sort of memorial for laurie

1000

00:50:05,510 --> 00:50:03,839

she and her sister and they've had very

1001
00:50:09,510 --> 00:50:05,520
little experience of this type

1002
00:50:19,270 --> 00:50:13,750
the next thing that happened though was

1003
00:50:21,750 --> 00:50:19,280
it said why do you fear us

1004
00:50:23,190 --> 00:50:21,760
and lori blurted out because you're so

1005
00:50:25,510 --> 00:50:23,200
ugly

1006
00:50:27,910 --> 00:50:25,520
and now get all the way back to the

1007
00:50:32,549 --> 00:50:27,920
caterpillar in the butterfly

1008
00:50:36,950 --> 00:50:32,559
because it responded one day my dear

1009
00:50:45,349 --> 00:50:40,710
could it be that that's another level of

1010
00:50:48,390 --> 00:50:45,359
human life one that has something to do

1011
00:50:51,670 --> 00:50:48,400
with the movement of souls and the and

1012
00:50:56,470 --> 00:50:51,680
the creation of bodies

1013
00:50:59,670 --> 00:50:56,480

that we don't even begin to understand

1014

00:51:01,030 --> 00:50:59,680

is it not that everything here that

1015

00:51:06,150 --> 00:51:01,040

looks strange to us

1016

00:51:09,349 --> 00:51:06,160

is an alien but that some of them

1017

00:51:13,190 --> 00:51:09,359

are strange to us because we

1018

00:51:16,069 --> 00:51:13,200

look right into our own eyes

1019

00:51:16,710 --> 00:51:16,079

and don't realize that that butterfly

1020

00:51:21,030 --> 00:51:16,720

which looks

1021

00:51:25,750 --> 00:51:21,040

quite frightening to us is really

1022

00:51:31,670 --> 00:51:29,510

so whitley with all that occurring

1023

00:51:32,630 --> 00:51:31,680

for some reason i it's a lot easier for

1024

00:51:35,510 --> 00:51:32,640

me to believe that

1025

00:51:37,030 --> 00:51:35,520

every restriction or things that we know

1026

00:51:39,750 --> 00:51:37,040

or don't know it's all

1027

00:51:41,349 --> 00:51:39,760

because of us but not necessarily

1028

00:51:43,030 --> 00:51:41,359

because of the other side where

1029

00:51:44,390 --> 00:51:43,040

whatever the other side is whether it's

1030

00:51:53,349 --> 00:51:44,400

a

1031

00:51:56,790 --> 00:51:53,359

more the stringent one

1032

00:51:59,990 --> 00:51:56,800

once and uh it's just you know

1033

00:52:01,670 --> 00:52:00,000

depends on how open-minded we want to be

1034

00:52:03,030 --> 00:52:01,680

that it would then depend on how much we

1035

00:52:06,870 --> 00:52:03,040

can learn from them

1036

00:52:16,630 --> 00:52:11,750

i think that flexibility of mind is

1037

00:52:19,030 --> 00:52:16,640

very essential and used to say

1038

00:52:20,309 --> 00:52:19,040

the human species is too young to have

1039

00:52:23,430 --> 00:52:20,319

beliefs

1040

00:52:28,150 --> 00:52:23,440

what we need are good questions

1041

00:52:29,829 --> 00:52:28,160

where the beliefs start the growth stops

1042

00:52:32,309 --> 00:52:29,839

as soon as you become a believer you

1043

00:52:34,390 --> 00:52:32,319

close your door the door on

1044

00:52:35,510 --> 00:52:34,400

whatever you've come to believe it's

1045

00:52:38,630 --> 00:52:35,520

better

1046

00:52:41,030 --> 00:52:38,640

to keep it in question in fact i can

1047

00:52:43,990 --> 00:52:41,040

very quickly and with a

1048

00:52:45,030 --> 00:52:44,000

cute little thought experiment prove to

1049

00:52:50,870 --> 00:52:45,040

you

1050

00:52:52,870 --> 00:52:50,880

here's the thought experiment it's

1051

00:52:55,190 --> 00:52:52,880

called the cow problem

1052

00:52:58,950 --> 00:52:55,200

it's based on the work of a philosopher

1053

00:53:06,549 --> 00:53:02,870

who proved it back in 1963 that there

1054

00:53:10,309 --> 00:53:06,559

was no such thing as final truth

1055

00:53:13,190 --> 00:53:10,319

a farmer has a heifer a

1056

00:53:15,910 --> 00:53:13,200

a holstein a black and white cow that

1057

00:53:18,950 --> 00:53:15,920

he's concerned about because the cow is

1058

00:53:21,430 --> 00:53:18,960

seems to be feeling ill

1059

00:53:23,430 --> 00:53:21,440

so he isolates the cow in a separate

1060

00:53:26,829 --> 00:53:23,440

field where he can watch

1061

00:53:28,230 --> 00:53:26,839

the cow from where he is when he's

1062

00:53:30,309 --> 00:53:28,240

working

1063

00:53:32,069 --> 00:53:30,319

in the field there are two features it's

1064

00:53:34,790 --> 00:53:32,079

otherwise completely flat

1065

00:53:37,589 --> 00:53:34,800

there is a tree and behind the tree

1066

00:53:40,150 --> 00:53:37,599

there is a little hollow

1067

00:53:41,990 --> 00:53:40,160

if the cow wanders into the hollow the

1068

00:53:43,670 --> 00:53:42,000

farmer will briefly not be able

1069

00:53:46,230 --> 00:53:43,680

to see the cow while the cow is in the

1070

00:53:51,109 --> 00:53:47,910

while the farmer is working the cow

1071

00:53:54,309 --> 00:53:51,119

wanders into the hollow

1072

00:53:55,589 --> 00:53:54,319

now the farmer can't see the cow but at

1073

00:53:57,829 --> 00:53:55,599

the same time

1074

00:53:58,790 --> 00:53:57,839

a piece of black and white paper blows

1075

00:54:01,910 --> 00:53:58,800

into the

1076
00:54:05,349 --> 00:54:01,920
field and gets caught under the tree

1077
00:54:06,790 --> 00:54:05,359
farmer glances into the field and sees

1078
00:54:07,190 --> 00:54:06,800
the black and white paper and thinks

1079
00:54:09,829 --> 00:54:07,200
that

1080
00:54:11,270 --> 00:54:09,839
it's the cow and thinks well the cow's

1081
00:54:14,309 --> 00:54:11,280
fine

1082
00:54:17,990 --> 00:54:14,319
continues with his work

1083
00:54:21,190 --> 00:54:18,000
now the farmer is in the most

1084
00:54:24,309 --> 00:54:21,200
fundamental of all

1085
00:54:28,950 --> 00:54:24,319
human conundrums intellectual conundrums

1086
00:54:32,630 --> 00:54:28,960
he is right the cow is fine

1087
00:54:35,109 --> 00:54:32,640
he is wrong he has not seen the cow

1088
00:54:37,190 --> 00:54:35,119

the farmer is right and wrong at the

1089

00:54:40,309 --> 00:54:37,200

same time

1090

00:54:41,670 --> 00:54:40,319

we're this is our life this is what we

1091

00:54:45,270 --> 00:54:41,680

are

1092

00:54:47,270 --> 00:54:45,280

this universe exists in a state of

1093

00:54:52,950 --> 00:54:47,280

superposition that means

1094

00:54:55,750 --> 00:54:52,960

it's not definite until it is observed

1095

00:54:57,670 --> 00:54:55,760

we never escape for an instant the

1096

00:55:01,589 --> 00:54:57,680

condition of the observer

1097

00:55:04,710 --> 00:55:01,599

we can't but there's a concept

1098

00:55:06,549 --> 00:55:04,720

then let's now sweep all the way back

1099

00:55:10,470 --> 00:55:06,559

through time to the beginnings

1100

00:55:13,589 --> 00:55:10,480

of alchemy the concept is

1101

00:55:17,990 --> 00:55:13,599

as above so below

1102

00:55:21,510 --> 00:55:18,000

you must make yourself

1103

00:55:24,230 --> 00:55:21,520

a mirror of higher levels

1104

00:55:24,950 --> 00:55:24,240

in order to yourself ascend on the

1105

00:55:28,549 --> 00:55:24,960

ladder

1106

00:55:31,670 --> 00:55:28,559

of jacob and how do you do that

1107

00:55:35,910 --> 00:55:31,680

above is indeterminate

1108

00:55:38,950 --> 00:55:35,920

therefore below you

1109

00:55:42,470 --> 00:55:38,960

you go through your life

1110

00:55:44,069 --> 00:55:42,480

and you convert your beliefs into

1111

00:55:47,990 --> 00:55:44,079

questions

1112

00:55:51,030 --> 00:55:48,000

you become a questioner and you join

1113

00:55:54,069 --> 00:55:51,040

the journey of the universe

1114

00:55:57,670 --> 00:55:54,079

toward the knowledge

1115

00:56:00,150 --> 00:55:57,680

the quest for knowledge that ann

1116

00:56:01,510 --> 00:56:00,160

indicated was the purpose of the

1117

00:56:07,510 --> 00:56:01,520

universe

1118

00:56:11,670 --> 00:56:10,390

but lee do you think some of these

1119

00:56:13,829 --> 00:56:11,680

beings

1120

00:56:14,710 --> 00:56:13,839

would what do what are your thoughts on

1121

00:56:17,430 --> 00:56:14,720

channeling

1122

00:56:19,109 --> 00:56:17,440

basically basically having your

1123

00:56:21,589 --> 00:56:19,119

experiences that you've had

1124

00:56:22,630 --> 00:56:21,599

the a lot of the channeled information

1125

00:56:26,470 --> 00:56:22,640

is then

1126

00:56:27,109 --> 00:56:26,480

taken on face value um and in my case i

1127

00:56:30,630 --> 00:56:27,119

know that

1128

00:56:34,230 --> 00:56:30,640

i had to follow it up to see okay um

1129

00:56:36,549 --> 00:56:34,240

is this you know full of bs or not

1130

00:56:38,549 --> 00:56:36,559

to to see how well it can apply in my

1131

00:56:41,510 --> 00:56:38,559

life and that's the only way how i

1132

00:56:43,589 --> 00:56:41,520

i validated how you know how how i

1133

00:56:47,109 --> 00:56:43,599

validated this particular channeling

1134

00:56:49,349 --> 00:56:47,119

but what i'm wondering is about having

1135

00:56:51,109 --> 00:56:49,359

gone through what you've gone through do

1136

00:56:53,030 --> 00:56:51,119

you think there are also other beings

1137

00:56:54,230 --> 00:56:53,040

that are reaching out through channeling

1138

00:56:57,510 --> 00:56:54,240

to convey

1139

00:56:58,309 --> 00:56:57,520

this more higher understanding about

1140

00:57:00,309 --> 00:56:58,319

life and

1141

00:57:01,349 --> 00:57:00,319

how to solve a problem and how to look

1142

00:57:03,750 --> 00:57:01,359

at certain things

1143

00:57:05,349 --> 00:57:03,760

or is it uh or is there something more

1144

00:57:08,630 --> 00:57:05,359

to that

1145

00:57:10,470 --> 00:57:08,640

i would not trust anyone

1146

00:57:13,030 --> 00:57:10,480

from every any level who calls

1147

00:57:15,030 --> 00:57:13,040

themselves a guide

1148

00:57:16,150 --> 00:57:15,040

because they're taking something from

1149

00:57:33,829 --> 00:57:16,160

you

1150

00:57:38,470 --> 00:57:33,839

i i i'm not keen on that

1151

00:57:41,270 --> 00:57:38,480

i think that we are we have to

1152

00:57:43,030 --> 00:57:41,280

live in a state of question and wonder

1153

00:57:47,430 --> 00:57:43,040

on our own terms

1154

00:57:50,309 --> 00:57:47,440

and not looking for for guidance

1155

00:57:51,109 --> 00:57:50,319

from anyone except one's own mind and

1156

00:57:54,950 --> 00:57:51,119

heart

1157

00:57:56,950 --> 00:57:54,960

and spirit live the mystery and don't

1158

00:57:59,910 --> 00:57:56,960

worry about being told

1159

00:58:02,710 --> 00:57:59,920

what to do by some disincarnate entity

1160

00:58:06,950 --> 00:58:02,720

who's probably a part of you

1161

00:58:12,549 --> 00:58:10,069

to really be a good channel and i think

1162

00:58:17,109 --> 00:58:12,559

it's possible you understand

1163

00:58:20,150 --> 00:58:17,119

that a person has to work

1164

00:58:24,390 --> 00:58:20,160

very hard

1165

00:58:27,829 --> 00:58:24,400

to understand and contain

1166

00:58:31,910 --> 00:58:27,839

their own ego so that their

1167

00:58:34,870 --> 00:58:31,920

consciousness can connect

1168

00:58:37,829 --> 00:58:34,880

with the larger more objective reality

1169

00:58:40,710 --> 00:58:37,839

in which we live

1170

00:58:43,349 --> 00:58:40,720

and that is rare it does happen there

1171

00:58:47,910 --> 00:58:43,359

are some channels that

1172

00:58:51,349 --> 00:58:47,920

do that but very frankly

1173

00:58:53,349 --> 00:58:51,359

i think that the

1174

00:58:55,430 --> 00:58:53,359

marvelous struggle of conventional

1175

00:58:57,349 --> 00:58:55,440

philosophy

1176

00:58:59,349 --> 00:58:57,359

is more powerful than channeling it's

1177

00:59:05,109 --> 00:58:59,359

just that it's harder to read

1178

00:59:09,990 --> 00:59:05,119

so uh i would take

1179

00:59:13,910 --> 00:59:10,000

kierkegaard and schopenhauer

1180

00:59:17,190 --> 00:59:13,920

over most channels any day

1181

00:59:20,230 --> 00:59:17,200

frankly but and i

1182

00:59:21,829 --> 00:59:20,240

i'm not looking to be told by a higher

1183

00:59:24,710 --> 00:59:21,839

power what to do

1184

00:59:25,030 --> 00:59:24,720

oh if you do this and that and uh this

1185

00:59:29,750 --> 00:59:25,040

is

1186

00:59:31,510 --> 00:59:29,760

interested in being told i'm interested

1187

00:59:33,430 --> 00:59:31,520

in finding it out for myself and that's

1188

00:59:34,309 --> 00:59:33,440

why i love my relationship with the

1189

00:59:36,150 --> 00:59:34,319

visitors

1190

00:59:37,589 --> 00:59:36,160

they're real teachers they don't tell

1191

00:59:41,190 --> 00:59:37,599

you anything

1192

00:59:43,829 --> 00:59:41,200

you find out you they they

1193

00:59:46,549 --> 00:59:43,839

they open a crack in a door and you

1194

00:59:48,390 --> 00:59:46,559

think oh my god and you go toward it

1195

00:59:50,150 --> 00:59:48,400

and then they close it right at the last

1196

00:59:51,750 --> 00:59:50,160

minute just when your eyes are getting

1197

00:59:53,030 --> 00:59:51,760

used to the light you're plunged into

1198

00:59:56,230 --> 00:59:53,040

darkness again

1199

00:59:58,870 --> 00:59:56,240

and what do you see in that darkness

1200

01:00:00,789 --> 00:59:58,880

you see yourself because it's in the

1201

01:00:02,950 --> 01:00:00,799

darkness that we learned

1202

01:00:05,109 --> 01:00:02,960

and people pretending to shine a light

1203

01:00:09,190 --> 01:00:05,119

in that darkness through the

1204

01:00:14,150 --> 01:00:11,349

through their own egos and calling

1205

01:00:16,390 --> 01:00:14,160

themselves channel or not helping anyone

1206

01:00:18,630 --> 01:00:16,400

that said i think there probably are

1207

01:00:20,710 --> 01:00:18,640

real channels i've known some

1208

01:00:23,190 --> 01:00:20,720

very powerful psychics who were

1209

01:00:27,109 --> 01:00:23,200

stunningly powerful

1210

01:00:30,309 --> 01:00:27,119

and that was real and most of them

1211

01:00:32,069 --> 01:00:30,319

were in contact with the dead i'm in

1212

01:00:34,390 --> 01:00:32,079

contact with the dead

1213

01:00:37,030 --> 01:00:34,400

but but i i don't have any contact with

1214

01:00:38,870 --> 01:00:37,040

anyone who's going to be telling you

1215

01:00:40,470 --> 01:00:38,880

what stock to buy tomorrow or anything

1216

01:00:43,510 --> 01:00:40,480

if i did i probably would

1217

01:00:45,510 --> 01:00:43,520

have bought it right well uh uh

1218

01:00:46,870 --> 01:00:45,520

let me to clarify a little bit more what

1219

01:00:50,789 --> 01:00:46,880

i'm what i was

1220

01:00:53,670 --> 01:00:50,799

specifically going for was regarding um

1221

01:00:56,069 --> 01:00:53,680

this idea that the channeling itself

1222

01:00:57,910 --> 01:00:56,079

it's not that they're

1223

01:00:59,190 --> 01:00:57,920

telling you kind of what to do or

1224

01:01:02,710 --> 01:00:59,200

following in some way

1225

01:01:05,750 --> 01:01:02,720

it's almost like the the idea is that

1226

01:01:08,069 --> 01:01:05,760

we're out there making first contact in

1227

01:01:12,150 --> 01:01:08,079

this way to get you used to the idea

1228

01:01:15,750 --> 01:01:12,160

before eventual contact occurs and um

1229

01:01:17,750 --> 01:01:15,760

the um the the idea was

1230

01:01:19,589 --> 01:01:17,760

regarding specific energies and maybe i

1231

01:01:21,430 --> 01:01:19,599

don't know if you can talk about this

1232

01:01:22,950 --> 01:01:21,440

regarding the different energies that

1233

01:01:26,069 --> 01:01:22,960

some of these beings

1234

01:01:29,990 --> 01:01:26,079

give off and

1235

01:01:33,030 --> 01:01:30,000

that there's a physicality that's

1236

01:01:36,069 --> 01:01:33,040

much harder or difficult to

1237

01:01:38,470 --> 01:01:36,079

be around as opposed to kind of

1238

01:01:39,109 --> 01:01:38,480

being asleep and interacting with them

1239

01:01:41,829 --> 01:01:39,119

through

1240

01:01:42,789 --> 01:01:41,839

let's say uh dreams or meditation or

1241

01:01:46,630 --> 01:01:42,799

some

1242

01:01:48,950 --> 01:01:46,640

understand what i'm trying to try and

1243

01:01:52,549 --> 01:01:48,960

just say

1244

01:01:53,750 --> 01:01:52,559

well what i'm basically wanting to to

1245

01:01:56,870 --> 01:01:53,760

ask you is that

1246

01:01:58,549 --> 01:01:56,880

from your experience is is

1247

01:02:01,029 --> 01:01:58,559

is that do you feel like something is

1248

01:02:03,430 --> 01:02:01,039

that happening or do you just um

1249

01:02:05,829 --> 01:02:03,440

um have not had any experience with that

1250

01:02:07,430 --> 01:02:05,839

that instead of them contacting the way

1251
01:02:10,230 --> 01:02:07,440
they have contacted you

1252
01:02:11,109 --> 01:02:10,240
that maybe a much larger mass of people

1253
01:02:13,510 --> 01:02:11,119
can be

1254
01:02:14,309 --> 01:02:13,520
contacted through a channel that they

1255
01:02:17,349 --> 01:02:14,319
claim

1256
01:02:19,510 --> 01:02:17,359
are the pleiades or whatever group

1257
01:02:21,109 --> 01:02:19,520
there's out there

1258
01:02:23,029 --> 01:02:21,119
i don't think channeling is going to

1259
01:02:26,630 --> 01:02:23,039
play very much of a role in this

1260
01:02:30,230 --> 01:02:26,640
frankly um

1261
01:02:31,670 --> 01:02:30,240
i don't i i i think that there are

1262
01:02:33,430 --> 01:02:31,680
as i've said there are probably some

1263
01:02:36,150 --> 01:02:33,440

good channels out there

1264

01:02:37,029 --> 01:02:36,160

who are channeling real entities that do

1265

01:02:41,589 --> 01:02:37,039

have

1266

01:02:44,470 --> 01:02:41,599

our best interests at heart but

1267

01:02:45,109 --> 01:02:44,480

as far as the evolution of the contact

1268

01:02:46,470 --> 01:02:45,119

experience

1269

01:02:51,750 --> 01:02:46,480

i don't think it's going to be very

1270

01:02:59,430 --> 01:02:56,150

i think that there are different

1271

01:03:03,430 --> 01:02:59,440

approaches from different what appear to

1272

01:03:07,670 --> 01:03:03,440

be different types of entity

1273

01:03:11,430 --> 01:03:07,680

to us but

1274

01:03:14,230 --> 01:03:11,440

i think that it's going to be a very

1275

01:03:16,309 --> 01:03:14,240

individual process it already is because

1276

01:03:17,349 --> 01:03:16,319

you know people think of oh well contact

1277

01:03:21,349 --> 01:03:17,359

is going to happen

1278

01:03:21,910 --> 01:03:21,359

one day what contact's been happening

1279

01:03:28,230 --> 01:03:21,920

since

1280

01:03:33,109 --> 01:03:28,240

right that's what i always say

1281

01:03:36,789 --> 01:03:33,119

contact of the type that people

1282

01:03:41,109 --> 01:03:36,799

are expecting tomorrow started

1283

01:03:44,710 --> 01:03:41,119

in the late 1940s it's already happened

1284

01:03:47,430 --> 01:03:44,720

just because some people won't

1285

01:03:49,349 --> 01:03:47,440

own up to what they have experienced in

1286

01:03:51,670 --> 01:03:49,359

the military and so forth

1287

01:03:53,029 --> 01:03:51,680

doesn't mean that it isn't happening

1288

01:03:55,670 --> 01:03:53,039

it's happening in

1289

01:03:56,230 --> 01:03:55,680

great huge numbers of people have had

1290

01:03:58,630 --> 01:03:56,240

direct

1291

01:04:00,549 --> 01:03:58,640

close encounters with the visitors and

1292

01:04:02,870 --> 01:04:00,559

go on my website you'll find

1293

01:04:04,950 --> 01:04:02,880

hundreds of people who live in very

1294

01:04:07,029 --> 01:04:04,960

highly sophisticated

1295

01:04:09,430 --> 01:04:07,039

relationships with the visitors right

1296

01:04:12,950 --> 01:04:09,440

now i mean this thing's going it's

1297

01:04:16,309 --> 01:04:12,960

it's going we're in contact

1298

01:04:20,870 --> 01:04:16,319

um it's it's it's not

1299

01:04:23,349 --> 01:04:20,880

there on a level that a person who is

1300

01:04:24,950 --> 01:04:23,359

very passive emotionally and

1301

01:04:26,870 --> 01:04:24,960

intellectually passive

1302

01:04:28,470 --> 01:04:26,880

and sort of sitting there in a chair

1303

01:04:29,670 --> 01:04:28,480

waiting for something to happen can

1304

01:04:32,710 --> 01:04:29,680

perceive

1305

01:04:34,150 --> 01:04:32,720

uh they're waiting for mr president to

1306

01:04:36,870 --> 01:04:34,160

come out and say

1307

01:04:37,510 --> 01:04:36,880

the aliens are here and then what

1308

01:04:39,029 --> 01:04:37,520

happens

1309

01:04:41,190 --> 01:04:39,039

i'll tell you what will happen if he

1310

01:04:44,789 --> 01:04:41,200

actually does that at some point

1311

01:04:47,270 --> 01:04:44,799

nothing it won't change anything

1312

01:04:47,990 --> 01:04:47,280

they're not going to change their

1313

01:04:51,430 --> 01:04:48,000

process

1314

01:04:54,630 --> 01:04:51,440
because of anything we do at all

1315

01:04:57,829 --> 01:04:54,640
not at all the reason being

1316

01:05:02,870 --> 01:04:57,839
that they

1317

01:05:06,630 --> 01:05:02,880
what they can do to teach

1318

01:05:08,309 --> 01:05:06,640
goes past most people frankly

1319

01:05:10,789 --> 01:05:08,319
it doesn't go past a lot of the people

1320

01:05:11,990 --> 01:05:10,799
listening to the show i can assure you

1321

01:05:13,750 --> 01:05:12,000
and if you're thinking you're listening

1322

01:05:14,789 --> 01:05:13,760
to the show and thinking oh my it'll go

1323

01:05:16,710 --> 01:05:14,799
past me

1324

01:05:17,910 --> 01:05:16,720
don't worry you wouldn't be here if it

1325

01:05:19,829 --> 01:05:17,920
would go past you

1326

01:05:21,190 --> 01:05:19,839

it's not going to you're in the right

1327

01:05:24,230 --> 01:05:21,200

place

1328

01:05:27,430 --> 01:05:24,240

um but

1329

01:05:28,789 --> 01:05:27,440

the um the the thing we have to

1330

01:05:30,470 --> 01:05:28,799

understand

1331

01:05:33,349 --> 01:05:30,480

is we have to get away from these

1332

01:05:37,270 --> 01:05:33,359

conventions and assumptions about

1333

01:05:38,230 --> 01:05:37,280

contact and are that we're all going to

1334

01:05:42,789 --> 01:05:38,240

be

1335

01:05:44,950 --> 01:05:42,799

somehow

1336

01:05:47,109 --> 01:05:44,960

given an official imprimatur of some

1337

01:05:48,950 --> 01:05:47,119

kind by the national security agency or

1338

01:05:51,430 --> 01:05:48,960

something

1339

01:05:54,630 --> 01:05:51,440

that is not i mean if that that happens

1340

01:05:58,870 --> 01:05:54,640

i'm i'm out of here i have my intention

1341

01:06:02,390 --> 01:05:58,880

of doing that i this is in my experience

1342

01:06:03,430 --> 01:06:02,400

at its best this is a deeply personal

1343

01:06:06,069 --> 01:06:03,440

thing

1344

01:06:07,510 --> 01:06:06,079

and very individualistic i would not be

1345

01:06:11,270 --> 01:06:07,520

surprised if

1346

01:06:13,750 --> 01:06:11,280

the visitors as i understand them

1347

01:06:15,990 --> 01:06:13,760

are hoping for an entirely different

1348

01:06:19,349 --> 01:06:16,000

type of relationship

1349

01:06:23,190 --> 01:06:19,359

with every single one of us

1350

01:06:26,630 --> 01:06:23,200

relationships as different as our faces

1351

01:06:29,990 --> 01:06:26,640

and as intimate as our

1352

01:06:33,190 --> 01:06:30,000

inner lives and no inner life is like

1353

01:06:36,069 --> 01:06:33,200

the interli another inner life they want

1354

01:06:39,109 --> 01:06:36,079

to get in those hidden places

1355

01:06:42,309 --> 01:06:39,119

and join us there not

1356

01:06:46,150 --> 01:06:44,230

so whitley with all these different

1357

01:06:48,549 --> 01:06:46,160

things have been happening in the media

1358

01:06:49,430 --> 01:06:48,559

and knowing what for example you know

1359

01:06:51,829 --> 01:06:49,440

what

1360

01:06:53,750 --> 01:06:51,839

the government has already been doing do

1361

01:06:55,910 --> 01:06:53,760

you think it is their eventual

1362

01:06:58,789 --> 01:06:55,920

way especially with this upcoming number

1363

01:07:01,910 --> 01:06:58,799

what was the june or july upcoming

1364

01:07:03,349 --> 01:07:01,920

disclosure but uh i

1365

01:07:05,589 --> 01:07:03,359

i personally don't think they're gonna

1366

01:07:06,789 --> 01:07:05,599

reveal much more than obviously they can

1367

01:07:10,069 --> 01:07:06,799

only reveal what's un

1368

01:07:12,150 --> 01:07:10,079

this you know declassified and um

1369

01:07:13,670 --> 01:07:12,160

i i hope that this is not some kind of

1370

01:07:17,029 --> 01:07:13,680

beginning of the

1371

01:07:19,990 --> 01:07:17,039

what we've always heard about this

1372

01:07:21,349 --> 01:07:20,000

you know alien invasion fear type

1373

01:07:22,549 --> 01:07:21,359

environment that they're trying to set

1374

01:07:25,349 --> 01:07:22,559

us up for

1375

01:07:27,829 --> 01:07:25,359

there's no invasion and there's not

1376

01:07:28,230 --> 01:07:27,839

going to be a false flag alien invasion

1377

01:07:31,190 --> 01:07:28,240

with

1378

01:07:32,309 --> 01:07:31,200

flying saucers made by human beings or

1379

01:07:36,710 --> 01:07:32,319

any of that is

1380

01:07:40,230 --> 01:07:36,720

never going to happen none of it and uh

1381

01:07:41,270 --> 01:07:40,240

i will eat my hat if it does and then

1382

01:07:44,390 --> 01:07:41,280

but

1383

01:07:47,589 --> 01:07:44,400

to hedge my bets

1384

01:07:52,950 --> 01:07:47,599

i reserve the right to have

1385

01:07:56,710 --> 01:07:55,910

in any case here's what's probably going

1386

01:07:59,510 --> 01:07:56,720

to happen

1387

01:08:00,710 --> 01:07:59,520

in july 1 in june if it is june june the

1388

01:08:03,430 --> 01:08:00,720

1st

1389

01:08:04,549 --> 01:08:03,440

first there is going to be an admission

1390

01:08:07,750 --> 01:08:04,559

that

1391

01:08:10,630 --> 01:08:07,760

other powers on this planet namely

1392

01:08:13,670 --> 01:08:10,640

russia and possibly china have achieved

1393

01:08:16,870 --> 01:08:13,680

technologies that we do not have

1394

01:08:20,309 --> 01:08:16,880

involving uh perhaps

1395

01:08:24,149 --> 01:08:20,319

uh gravity propulsion and

1396

01:08:28,149 --> 01:08:24,159

and uh and they have deployed

1397

01:08:29,269 --> 01:08:28,159

devices in this area i referred to this

1398

01:08:31,510 --> 01:08:29,279

earlier

1399

01:08:33,430 --> 01:08:31,520

and there's going to be a great deal of

1400

01:08:36,309 --> 01:08:33,440

chest beating because of this

1401

01:08:38,390 --> 01:08:36,319

just like there was when sputnik went up

1402

01:08:40,870 --> 01:08:38,400

but in the same sense that sputnik

1403

01:08:42,630 --> 01:08:40,880

actually didn't matter much whatever

1404

01:08:44,470 --> 01:08:42,640

they've got now doesn't matter much

1405

01:08:46,309 --> 01:08:44,480

either because if it did the world would

1406

01:08:52,470 --> 01:08:46,319

not be like it is

1407

01:08:53,829 --> 01:08:52,480

um and we'll catch up to them you know

1408

01:08:58,950 --> 01:08:53,839

there'll be a new

1409

01:09:01,990 --> 01:08:58,960

a new arms race of a very strange sort

1410

01:09:03,189 --> 01:09:02,000

now they probably will admit in a

1411

01:09:06,709 --> 01:09:03,199

limited way

1412

01:09:09,829 --> 01:09:06,719

that there are objects

1413

01:09:11,829 --> 01:09:09,839

flying around that nobody understands

1414

01:09:13,829 --> 01:09:11,839

the origin of

1415

01:09:16,550 --> 01:09:13,839

and they might show some video of these

1416

01:09:24,149 --> 01:09:21,110

they will they

1417

01:09:28,149 --> 01:09:24,159

refer to the abduction scenario

1418

01:09:32,070 --> 01:09:28,159

i don't know um the new yorker magazine

1419

01:09:34,950 --> 01:09:32,080

has been very much engaged in this

1420

01:09:36,870 --> 01:09:34,960

they had a wonderful piece last week

1421

01:09:38,229 --> 01:09:36,880

just it's just been published a few days

1422

01:09:40,789 --> 01:09:38,239

ago

1423

01:09:42,870 --> 01:09:40,799

uh a long interview with leslie keane

1424

01:09:44,070 --> 01:09:42,880

who is of course a central figure in all

1425

01:09:46,709 --> 01:09:44,080

of this

1426

01:09:47,990 --> 01:09:46,719

and a dear personal friend too i'm happy

1427

01:09:52,070 --> 01:09:48,000

to say

1428

01:09:53,910 --> 01:09:52,080

um and i mean i can't imagine a better

1429

01:09:57,750 --> 01:09:53,920

person than leslie who

1430

01:09:59,910 --> 01:09:57,760

cut her teeth on with learning

1431

01:10:01,990 --> 01:09:59,920

from bud hopkins all the darkest stuff

1432

01:10:04,550 --> 01:10:02,000

and then

1433

01:10:05,510 --> 01:10:04,560

went in the into the more spiritual

1434

01:10:09,430 --> 01:10:05,520

stuff with me

1435

01:10:13,030 --> 01:10:09,440

uh so she's an ideal person to be

1436

01:10:14,790 --> 01:10:13,040

to be there whoever however she's ended

1437

01:10:18,310 --> 01:10:14,800

up where she has

1438

01:10:21,669 --> 01:10:18,320

it's a good choice for mankind

1439

01:10:23,350 --> 01:10:21,679

in any case the new yorker

1440

01:10:25,830 --> 01:10:23,360

did a searching interview with her and a

1441

01:10:28,229 --> 01:10:25,840

very good one

1442

01:10:30,390 --> 01:10:28,239

earlier though a couple of weeks before

1443

01:10:31,350 --> 01:10:30,400

they also did an interview or a story

1444

01:10:34,630 --> 01:10:31,360

about

1445

01:10:36,790 --> 01:10:34,640

a psychologist called elizabeth loftus

1446

01:10:38,870 --> 01:10:36,800

he was a member i believe of the false

1447

01:10:40,630 --> 01:10:38,880

memory syndrome foundation and believes

1448

01:10:41,990 --> 01:10:40,640

essentially that any memory that we

1449

01:10:44,950 --> 01:10:42,000

can't

1450

01:10:47,189 --> 01:10:44,960

make sense of is faults especially

1451

01:10:49,110 --> 01:10:47,199

memories of childhood trauma and trauma

1452

01:10:52,630 --> 01:10:49,120

in general

1453

01:10:54,709 --> 01:10:52,640

now what they didn't say about the false

1454

01:10:58,470 --> 01:10:54,719

memory syndrome foundation that it was

1455

01:11:01,750 --> 01:10:58,480

founded by two people whose daughter

1456

01:11:05,270 --> 01:11:01,760

jennifer freud freed

1457

01:11:07,110 --> 01:11:05,280

wrote a book about them called betrayal

1458

01:11:08,550 --> 01:11:07,120

trauma and about the foundation called

1459

01:11:11,510 --> 01:11:08,560

betrayal trauma

1460

01:11:14,070 --> 01:11:11,520

saying that it was the foundation's

1461

01:11:16,390 --> 01:11:14,080

theories were themselves false

1462

01:11:18,709 --> 01:11:16,400

and they had founded it because they had

1463

01:11:22,229 --> 01:11:18,719

abused her

1464

01:11:23,110 --> 01:11:22,239

so i think that the existence of these

1465

01:11:26,149 --> 01:11:23,120

two things

1466

01:11:28,709 --> 01:11:26,159

in the same magazine may mean

1467

01:11:29,270 --> 01:11:28,719

and i hope this is not true that there

1468

01:11:31,669 --> 01:11:29,280

is

1469

01:11:32,550 --> 01:11:31,679

going to be social engineering going on

1470

01:11:34,630 --> 01:11:32,560

saying that

1471

01:11:36,470 --> 01:11:34,640

yes there is something very strange

1472

01:11:38,790 --> 01:11:36,480

going on in our skies

1473

01:11:40,950 --> 01:11:38,800

but all of these people who thought that

1474

01:11:43,270 --> 01:11:40,960

they had been abducted by aliens

1475

01:11:46,390 --> 01:11:43,280

that's all false memories you don't have

1476

01:11:51,189 --> 01:11:46,400

to worry about that it never happened

1477

01:11:55,189 --> 01:11:51,199

it happened and it does happen

1478

01:11:57,189 --> 01:11:55,199

it definitely did happen

1479

01:11:59,189 --> 01:11:57,199

and it does and there's plenty of

1480

01:12:01,830 --> 01:11:59,199

physical evidence

1481

01:12:03,669 --> 01:12:01,840

and and they will there's also another

1482

01:12:05,189 --> 01:12:03,679

big article on a website the name of

1483

01:12:07,110 --> 01:12:05,199

which i will not mention

1484

01:12:09,350 --> 01:12:07,120

because what i'm going to say is some of

1485

01:12:12,390 --> 01:12:09,360

the people who run it it's a ufo

1486

01:12:13,830 --> 01:12:12,400

website are are linked to the

1487

01:12:15,750 --> 01:12:13,840

intelligence community

1488

01:12:18,229 --> 01:12:15,760

and it's a long article about how

1489

01:12:18,950 --> 01:12:18,239

hypnosis generates false memories so you

1490

01:12:27,270 --> 01:12:18,960

see

1491

01:12:29,590 --> 01:12:27,280

a way of a method of denial forming here

1492

01:12:31,110 --> 01:12:29,600

false memory syndrome foundation

1493

01:12:33,990 --> 01:12:31,120

elizabeth loftus

1494

01:12:36,310 --> 01:12:34,000

hypnosis generating false memories and

1495

01:12:38,149 --> 01:12:36,320

then you can see

1496

01:12:39,750 --> 01:12:38,159

articles saying well these people were

1497

01:12:41,669 --> 01:12:39,760

all hypnotized

1498

01:12:43,669 --> 01:12:41,679

and they were hypnotized into believing

1499

01:12:45,270 --> 01:12:43,679

these false memories

1500

01:12:47,110 --> 01:12:45,280

when in fact most of them were never

1501

01:12:52,470 --> 01:12:47,120

hypnotized

1502

01:12:53,750 --> 01:12:52,480

in in in the whole close encounters

1503

01:12:58,149 --> 01:12:53,760

phenomenon

1504

01:13:01,030 --> 01:12:58,159

in all the letters we got over the years

1505

01:13:03,110 --> 01:13:01,040

i don't think 10 people out of the maybe

1506

01:13:07,430 --> 01:13:03,120

two or three hundred thousand

1507

01:13:10,470 --> 01:13:07,440

mentioned that they had been hypnotized

1508

01:13:13,110 --> 01:13:10,480

i was hypnotized by one of the leading

1509

01:13:13,830 --> 01:13:13,120

psycho psychiatric hypnotists in the

1510

01:13:17,750 --> 01:13:13,840

world dr

1511

01:13:21,350 --> 01:13:17,760

donald vine and

1512

01:13:25,189 --> 01:13:21,360

i don't think hypnosis in the right hand

1513

01:13:28,390 --> 01:13:25,199

generates false memories at all

1514

01:13:29,830 --> 01:13:28,400

so i see a possibility that the

1515

01:13:32,070 --> 01:13:29,840

abductees are going to be thrown

1516

01:13:34,550 --> 01:13:32,080

under the bus yet again but we're used

1517

01:13:37,830 --> 01:13:34,560

to it we live under the bus don't we

1518

01:13:40,149 --> 01:13:37,840

right well whitley i

1519

01:13:41,830 --> 01:13:40,159

wanted to ask um i have one more

1520

01:13:44,630 --> 01:13:41,840

question and just a quick uh

1521

01:13:45,990 --> 01:13:44,640

message to the to the audience but uh um

1522

01:13:48,070 --> 01:13:46,000

would it be okay if we go into

1523

01:13:49,750 --> 01:13:48,080

some of the questions that uh people

1524

01:13:52,390 --> 01:13:49,760

have in the chat

1525

01:13:53,830 --> 01:13:52,400

sure until my mentor so if i could keep

1526

01:13:55,750 --> 01:13:53,840

going i didn't bring in any water

1527

01:13:58,229 --> 01:13:55,760

unfortunately

1528

01:13:59,350 --> 01:13:58,239

i'm so excited one more time until my

1529

01:14:02,390 --> 01:13:59,360

mouth dries

1530

01:14:04,070 --> 01:14:02,400

up i can keep i cannot bring in a glass

1531

01:14:05,750 --> 01:14:04,080

of water unfortunately

1532

01:14:07,590 --> 01:14:05,760

well you know i can switch the camera to

1533

01:14:08,709 --> 01:14:07,600

me if you need to get some water real

1534

01:14:10,870 --> 01:14:08,719

quick just uh

1535

01:14:12,229 --> 01:14:10,880

putting that option out there i'm fine

1536

01:14:14,390 --> 01:14:12,239

let's keep going good deal

1537

01:14:15,270 --> 01:14:14,400

so everyone watching uh please if you

1538

01:14:18,149 --> 01:14:15,280

have a question

1539

01:14:19,030 --> 01:14:18,159

put if you can put three stars uh before

1540

01:14:22,709 --> 01:14:19,040

your question

1541

01:14:24,709 --> 01:14:22,719

um uh it's i believe shift eight

1542

01:14:25,750 --> 01:14:24,719

um so that way i know it's a question

1543

01:14:29,030 --> 01:14:25,760

for whitley and i

1544

01:14:30,870 --> 01:14:29,040

will be easier for me to identify it and

1545

01:14:32,390 --> 01:14:30,880

so i'll give you some time to put some

1546

01:14:34,470 --> 01:14:32,400

of the questions out there i know or

1547

01:14:36,630 --> 01:14:34,480

some of you have already put them out

1548

01:14:38,229 --> 01:14:36,640

but it's been early in the chat and i

1549

01:14:41,110 --> 01:14:38,239

would hate to scroll all the way

1550

01:14:41,990 --> 01:14:41,120

to the top and try to find it again so

1551

01:14:43,590 --> 01:14:42,000

anyway i

1552

01:14:45,189 --> 01:14:43,600

will have one more question for whitley

1553

01:14:47,030 --> 01:14:45,199

and then we'll go into q a

1554

01:14:48,790 --> 01:14:47,040

uh if you can line up your questions

1555

01:14:51,590 --> 01:14:48,800

they'll be great

1556

01:14:52,790 --> 01:14:51,600

all right um whitley when i wanted to

1557

01:14:55,830 --> 01:14:52,800

ask

1558

01:14:57,030 --> 01:14:55,840

and um i had it ready it escaped my mind

1559

01:15:00,070 --> 01:14:57,040

now

1560

01:15:03,350 --> 01:15:00,080

oh so for example these

1561

01:15:04,790 --> 01:15:03,360

this new new um i guess this new

1562

01:15:05,750 --> 01:15:04,800

understanding because of your own

1563

01:15:08,470 --> 01:15:05,760

experiences

1564

01:15:09,270 --> 01:15:08,480

you know interactions with anne and then

1565

01:15:13,910 --> 01:15:09,280

prior to

1566

01:15:17,350 --> 01:15:13,920

to that with with the different entities

1567

01:15:19,189 --> 01:15:17,360

how house one to come to an

1568

01:15:20,950 --> 01:15:19,199

understanding like you have

1569

01:15:22,310 --> 01:15:20,960

without having had or at least

1570

01:15:24,870 --> 01:15:22,320

remembering having had

1571

01:15:25,910 --> 01:15:24,880

contact in the way that you have is

1572

01:15:27,189 --> 01:15:25,920

there something that they can

1573

01:15:29,350 --> 01:15:27,199

individually do

1574

01:15:30,470 --> 01:15:29,360

let's say through meditation or just go

1575

01:15:32,310 --> 01:15:30,480

out in the woods hope to

1576

01:15:34,550 --> 01:15:32,320

make some contact or what what is it

1577

01:15:36,470 --> 01:15:34,560

that you would recommend to someone that

1578

01:15:38,229 --> 01:15:36,480

just has not had any experience on their

1579

01:15:41,110 --> 01:15:38,239

own well

1580

01:15:43,270 --> 01:15:41,120

um there's certainly ce5 programs of

1581

01:15:46,149 --> 01:15:43,280

various kinds that work

1582

01:15:47,189 --> 01:15:46,159

um the visitors will generally respond

1583

01:15:49,750 --> 01:15:47,199

to someone who's

1584

01:15:51,030 --> 01:15:49,760

who's who's interested and and they have

1585

01:15:53,750 --> 01:15:51,040

some reason to

1586

01:15:56,229 --> 01:15:53,760

believe that response would be

1587

01:15:59,110 --> 01:15:56,239

worthwhile and especially

1588

01:16:00,149 --> 01:15:59,120

if they are willing to open themselves

1589

01:16:05,830 --> 01:16:00,159

up to

1590

01:16:09,110 --> 01:16:05,840

to this and you know if you go into it

1591

01:16:14,550 --> 01:16:13,110

uh putting up all kinds of conditions

1592

01:16:15,350 --> 01:16:14,560

you're not likely to get much of a

1593

01:16:18,149 --> 01:16:15,360

response

1594

01:16:19,990 --> 01:16:18,159

because it's going to look like you know

1595

01:16:22,550 --> 01:16:20,000

you're not going to be able to listen to

1596

01:16:24,870 --> 01:16:22,560

anything that you've already got a

1597

01:16:27,830 --> 01:16:24,880

you've already got your agenda

1598

01:16:29,910 --> 01:16:27,840

um but if you're persistent i'll you

1599

01:16:32,310 --> 01:16:29,920

know i

1600

01:16:35,990 --> 01:16:32,320

my life in this contact situation

1601
01:16:39,350 --> 01:16:36,000
existed when i was a child i'm convinced

1602
01:16:41,030 --> 01:16:39,360
um i don't know if the things i wrote

1603
01:16:42,790 --> 01:16:41,040
about it in this my book the secret

1604
01:16:45,990 --> 01:16:42,800
school

1605
01:16:50,790 --> 01:16:46,000
are um accurate

1606
01:16:52,550 --> 01:16:50,800
but i do know that it existed i did have

1607
01:16:53,910 --> 01:16:52,560
close encounter experiences as a child

1608
01:16:55,830 --> 01:16:53,920
and they ended

1609
01:16:58,470 --> 01:16:55,840
about when i reached puberty at the age

1610
01:17:02,350 --> 01:16:58,480
of 11 or 12.

1611
01:17:06,550 --> 01:17:02,360
and i forgot about it completely

1612
01:17:08,229 --> 01:17:06,560
completely in 1970 ann and i

1613
01:17:10,550 --> 01:17:08,239

joined an organization called the

1614

01:17:13,669 --> 01:17:10,560

gergief foundation

1615

01:17:16,950 --> 01:17:13,679

that's g u r d j i

1616

01:17:20,070 --> 01:17:16,960

e f f foundation

1617

01:17:23,110 --> 01:17:20,080

uh george gerchief was a armenian

1618

01:17:24,950 --> 01:17:23,120

philosopher and search or spiritual

1619

01:17:28,709 --> 01:17:24,960

searcher

1620

01:17:31,830 --> 01:17:28,719

who ended up in france after the

1621

01:17:35,510 --> 01:17:31,840

russian revolution and

1622

01:17:38,709 --> 01:17:35,520

taught a method of

1623

01:17:40,790 --> 01:17:38,719

waking up that he'd worked out and

1624

01:17:41,830 --> 01:17:40,800

included in this method is the sensing

1625

01:17:44,950 --> 01:17:41,840

exercise which

1626

01:17:47,910 --> 01:17:44,960

most people know i do and

1627

01:17:48,630 --> 01:17:47,920

very simple exercise dividing the

1628

01:17:52,870 --> 01:17:48,640

attention

1629

01:17:55,510 --> 01:17:52,880

so that your thoughts continue to flow

1630

01:17:56,709 --> 01:17:55,520

but part of your attention is taken and

1631

01:18:00,630 --> 01:17:56,719

placed on your body

1632

01:18:04,790 --> 01:18:00,640

on your physical body and

1633

01:18:06,870 --> 01:18:04,800

you methodically amplify your awareness

1634

01:18:08,229 --> 01:18:06,880

of the sensations of each part of your

1635

01:18:12,630 --> 01:18:08,239

body

1636

01:18:14,630 --> 01:18:12,640

and as you do that apparently it causes

1637

01:18:17,270 --> 01:18:14,640

you to become noticeable in the other

1638

01:18:19,830 --> 01:18:17,280

level of reality that's why ann

1639

01:18:20,950 --> 01:18:19,840

said i can see you when you sit in the

1640

01:18:23,430 --> 01:18:20,960

chair because that's

1641

01:18:27,669 --> 01:18:23,440

i sit in a chair to do this every night

1642

01:18:33,590 --> 01:18:31,830

and uh that's she can she can find me

1643

01:18:37,430 --> 01:18:33,600

when i'm doing this

1644

01:18:40,630 --> 01:18:37,440

and they're originally one of the few

1645

01:18:43,350 --> 01:18:40,640

almost channeling like exchanges it was

1646

01:18:45,590 --> 01:18:43,360

it was a discussion with the visitors

1647

01:18:48,790 --> 01:18:45,600

that i've ever had i asked them

1648

01:18:50,790 --> 01:18:48,800

why they had come and the answer was we

1649

01:18:52,630 --> 01:18:50,800

saw a glow

1650

01:18:54,790 --> 01:18:52,640

and i thought that meant the glow of

1651

01:18:57,750 --> 01:18:54,800

cities and so forth

1652

01:18:58,229 --> 01:18:57,760

but later i realized that it didn't mean

1653

01:19:01,110 --> 01:18:58,239

that

1654

01:19:02,390 --> 01:19:01,120

it meant the glow of me sitting there in

1655

01:19:04,870 --> 01:19:02,400

those woods alone

1656

01:19:07,270 --> 01:19:04,880

in that little cabin every night at 11

1657

01:19:12,070 --> 01:19:07,280

doing my exercise

1658

01:19:14,470 --> 01:19:12,080

so uh if it that they showed up 15 years

1659

01:19:17,430 --> 01:19:14,480

after i started

1660

01:19:18,709 --> 01:19:17,440

so we you know we live in an immediacy

1661

01:19:22,149 --> 01:19:18,719

world

1662

01:19:25,669 --> 01:19:22,159

nobody's gonna 15 years are you crazy

1663

01:19:28,070 --> 01:19:25,679

generally people will try it for

1664

01:19:30,229 --> 01:19:28,080

you know once or twice maybe three times

1665

01:19:32,070 --> 01:19:30,239

and no nothing happens and so they go on

1666

01:19:34,790 --> 01:19:32,080

to the next thing

1667

01:19:36,229 --> 01:19:34,800

but if you if you get into a state in

1668

01:19:39,910 --> 01:19:36,239

the sensing exercise

1669

01:19:43,669 --> 01:19:39,920

a profound profoundly

1670

01:19:47,350 --> 01:19:43,679

open state and separated state and

1671

01:19:50,229 --> 01:19:47,360

you get into a ce5 group

1672

01:19:52,070 --> 01:19:50,239

interesting things can happen as far as

1673

01:19:54,390 --> 01:19:52,080

those groups are concerned it doesn't

1674

01:19:56,229 --> 01:19:54,400

really matter who does them

1675

01:19:57,510 --> 01:19:56,239

as long as they've got a good protocol

1676

01:19:59,189 --> 01:19:57,520

that's worked out

1677

01:20:01,990 --> 01:19:59,199

you can do it with somebody who you

1678

01:20:04,790 --> 01:20:02,000

think is an idiot who

1679

01:20:06,629 --> 01:20:04,800

who runs them and or you can just do it

1680

01:20:08,310 --> 01:20:06,639

with a group of friends

1681

01:20:10,550 --> 01:20:08,320

and if you're persistent you probably

1682

01:20:13,990 --> 01:20:10,560

will get some interest eventually

1683

01:20:15,669 --> 01:20:14,000

uh so it's not

1684

01:20:18,229 --> 01:20:15,679

it's not a special doesn't require a

1685

01:20:20,870 --> 01:20:18,239

special person to do any of this this is

1686

01:20:25,110 --> 01:20:20,880

for anybody who wants to do it

1687

01:20:27,030 --> 01:20:25,120

everyone okay thank you for that

1688

01:20:28,149 --> 01:20:27,040

so i believe uh the first question

1689

01:20:30,950 --> 01:20:28,159

whitley i think you

1690

01:20:32,470 --> 01:20:30,960

you covered it in in great length but if

1691

01:20:33,110 --> 01:20:32,480

there's something you would like to go

1692

01:20:35,669 --> 01:20:33,120

over it

1693

01:20:37,430 --> 01:20:35,679

you know please do if not it's perfectly

1694

01:20:38,870 --> 01:20:37,440

understandable it's just simply saying

1695

01:20:42,149 --> 01:20:38,880

can you ask whitley about his

1696

01:20:45,669 --> 01:20:42,159

communication with his wife

1697

01:20:47,430 --> 01:20:45,679

yeah sure we wrote

1698

01:20:50,629 --> 01:20:47,440

this book the afterlife revolution

1699

01:20:52,629 --> 01:20:50,639

together after i learned

1700

01:20:53,830 --> 01:20:52,639

that she was indeed communicating with

1701
01:20:57,590 --> 01:20:53,840
me

1702
01:21:01,350 --> 01:20:57,600
and i got used to the idea

1703
01:21:04,149 --> 01:21:01,360
and it became a dialogue and

1704
01:21:04,870 --> 01:21:04,159
it wasn't a like a channel thing she was

1705
01:21:08,229 --> 01:21:04,880
not

1706
01:21:12,310 --> 01:21:08,239
guide thing

1707
01:21:15,990 --> 01:21:12,320
at all but she will answer questions

1708
01:21:17,910 --> 01:21:16,000
and the answers quite frankly were some

1709
01:21:19,750 --> 01:21:17,920
of the most beautiful and

1710
01:21:21,430 --> 01:21:19,760
insightful things i have ever heard in

1711
01:21:25,430 --> 01:21:21,440
my life

1712
01:21:30,709 --> 01:21:28,629
what is enlightenment

1713
01:21:32,229 --> 01:21:30,719

and she said enlightenment is what

1714

01:21:37,830 --> 01:21:32,239

happens

1715

01:21:41,430 --> 01:21:39,910

that immediately gives you quite a life

1716

01:21:44,229 --> 01:21:41,440

aim

1717

01:21:45,910 --> 01:21:44,239

because you know i've got a corner here

1718

01:21:47,189 --> 01:21:45,920

and a corner there that's got a lot of

1719

01:21:50,550 --> 01:21:47,199

love in it

1720

01:21:56,149 --> 01:21:54,070

many many people scared and all of those

1721

01:21:58,310 --> 01:21:56,159

things we all are

1722

01:22:00,070 --> 01:21:58,320

but it's it's a it's a wonderful journey

1723

01:22:00,629 --> 01:22:00,080

if you start to take this journey toward

1724

01:22:04,229 --> 01:22:00,639

peace

1725

01:22:07,510 --> 01:22:04,239

say

1726

01:22:10,229 --> 01:22:07,520

have joy and i asked her after she

1727

01:22:12,550 --> 01:22:10,239

passed on what does what is joy what

1728

01:22:16,229 --> 01:22:12,560

does joy mean

1729

01:22:22,709 --> 01:22:19,910

when you buy a new tv that's happiness

1730

01:22:24,709 --> 01:22:22,719

you finally got what you wanted but hold

1731

01:22:26,709 --> 01:22:24,719

the baby in your arms and look at them

1732

01:22:27,830 --> 01:22:26,719

down at the baby and the baby will smile

1733

01:22:31,830 --> 01:22:27,840

at you

1734

01:22:37,030 --> 01:22:31,840

that's joy you'll feel that joy

1735

01:22:41,189 --> 01:22:39,510

she said also some very funny things

1736

01:22:43,030 --> 01:22:41,199

right at first

1737

01:22:47,189 --> 01:22:43,040

she said it looks like you're all

1738

01:22:53,430 --> 01:22:50,390

hilarious and i think it must be true

1739

01:22:56,470 --> 01:22:53,440

because at first she was very

1740

01:22:59,030 --> 01:22:56,480

you could feel her confusion

1741

01:23:00,310 --> 01:22:59,040

when i know she was talking and nothing

1742

01:23:03,910 --> 01:23:00,320

was happening

1743

01:23:12,149 --> 01:23:09,110

but now especially in the 3 a.m

1744

01:23:15,590 --> 01:23:12,159

meditation when when i'm working on

1745

01:23:19,750 --> 01:23:15,600

something it goes real

1746

01:23:22,790 --> 01:23:19,760

deep it's like annie comes into my brain

1747

01:23:26,229 --> 01:23:22,800

and and starts using my brain

1748

01:23:31,430 --> 01:23:26,239

to form thoughts that are that are

1749

01:23:38,149 --> 01:23:35,110

like it's like a dance of minds

1750

01:23:39,110 --> 01:23:38,159

both using the same brain it's way

1751
01:23:41,430 --> 01:23:39,120
beyond

1752
01:23:42,550 --> 01:23:41,440
talking or channeling or anything like

1753
01:23:45,750 --> 01:23:42,560
that

1754
01:23:48,550 --> 01:23:45,760
it's extremely intimate and productive

1755
01:23:52,470 --> 01:23:48,560
because of course she's

1756
01:23:55,910 --> 01:23:52,480
she is outside of the context

1757
01:23:59,030 --> 01:23:55,920
of all of the buffers of ego and

1758
01:24:02,149 --> 01:23:59,040
and the lack of knowledge and stuff

1759
01:24:04,390 --> 01:24:02,159
she this is a soul that created and it's

1760
01:24:06,470 --> 01:24:04,400
not an anymore

1761
01:24:09,910 --> 01:24:06,480
and i have the blessing of having the

1762
01:24:15,910 --> 01:24:12,950
thank you for that um the other question

1763
01:24:18,550 --> 01:24:15,920

the previous question was from jose jose

1764

01:24:21,030 --> 01:24:18,560

rivera i'm sorry i didn't read that

1765

01:24:23,030 --> 01:24:21,040

the next one is from scott brown asking

1766

01:24:24,229 --> 01:24:23,040

whitley do you still own the cabin and

1767

01:24:27,189 --> 01:24:24,239

have you considered

1768

01:24:29,669 --> 01:24:27,199

setting up motion activated night vision

1769

01:24:33,990 --> 01:24:31,750

i don't own the cabin this house is full

1770

01:24:37,030 --> 01:24:34,000

of motion activating cameras

1771

01:24:39,430 --> 01:24:37,040

i would love to get the visitors but i

1772

01:24:41,030 --> 01:24:39,440

i can tell you i always know when

1773

01:24:44,310 --> 01:24:41,040

they've come in

1774

01:24:46,070 --> 01:24:44,320

the physical ones first because of the

1775

01:24:47,270 --> 01:24:46,080

way i feel in the morning i often don't

1776

01:24:51,030 --> 01:24:47,280

remember them but

1777

01:24:51,910 --> 01:24:51,040

very very slightly at all but the system

1778

01:24:55,030 --> 01:24:51,920

turns itself

1779

01:24:57,110 --> 01:24:55,040

off in the software

1780

01:24:58,470 --> 01:24:57,120

you can't tell it's turned off from

1781

01:25:01,590 --> 01:24:58,480

looking at the cameras

1782

01:25:05,750 --> 01:25:01,600

they look as they always do

1783

01:25:08,950 --> 01:25:05,760

but but annie uses the cameras

1784

01:25:11,990 --> 01:25:08,960

she uses them back

1785

01:25:15,430 --> 01:25:12,000

in january

1786

01:25:18,229 --> 01:25:15,440

before she passed away she died in

1787

01:25:20,070 --> 01:25:18,239

august on some level annie was planning

1788

01:25:23,030 --> 01:25:20,080

things

1789

01:25:23,430 --> 01:25:23,040

she wanted me to memorize a certain poem

1790

01:25:26,709 --> 01:25:23,440

called

1791

01:25:28,470 --> 01:25:26,719

song of the wandering angus and

1792

01:25:30,709 --> 01:25:28,480

we were going to memorize it together

1793

01:25:31,590 --> 01:25:30,719

and when i couldn't seem to memorize it

1794

01:25:35,110 --> 01:25:31,600

she cried

1795

01:25:38,310 --> 01:25:35,120

and that was very unusual and so

1796

01:25:39,270 --> 01:25:38,320

boy i worked i worked on that poem and i

1797

01:25:42,550 --> 01:25:39,280

did memorize

1798

01:25:46,149 --> 01:25:42,560

every word of it and

1799

01:25:49,510 --> 01:25:46,159

one in one stanza of the poem

1800

01:25:52,149 --> 01:25:49,520

there is the line uh

1801
01:25:54,470 --> 01:25:52,159
when white moths were on the wing and

1802
01:25:57,910 --> 01:25:54,480
the moth like stars were flickering

1803
01:26:01,350 --> 01:25:57,920
out and that line is

1804
01:26:04,709 --> 01:26:01,360
terribly important to our relationship

1805
01:26:06,830 --> 01:26:04,719
because the last time before last not

1806
01:26:10,149 --> 01:26:06,840
when i was not

1807
01:26:11,830 --> 01:26:10,159
not this year or last year we didn't

1808
01:26:15,669 --> 01:26:11,840
have it but the year before

1809
01:26:19,270 --> 01:26:15,679
when we had the ozark mountain festival

1810
01:26:21,669 --> 01:26:19,280
i was amazed to see that my cameras

1811
01:26:23,590 --> 01:26:21,679
were showing this white moth flying

1812
01:26:26,790 --> 01:26:23,600
around in front of the

1813
01:26:28,149 --> 01:26:26,800

the the camera

1814

01:26:30,070 --> 01:26:28,159

in the living room and i thought what

1815

01:26:33,110 --> 01:26:30,080

could that be about

1816

01:26:34,790 --> 01:26:33,120

uh there's no moths in there

1817

01:26:37,030 --> 01:26:34,800

and it's all cold closed up all the

1818

01:26:38,629 --> 01:26:37,040

windows were closed when i left

1819

01:26:40,149 --> 01:26:38,639

so as soon as i got back home i

1820

01:26:40,709 --> 01:26:40,159

immediately started looking for this

1821

01:26:42,229 --> 01:26:40,719

moth

1822

01:26:45,350 --> 01:26:42,239

because i didn't wanted to eat all my

1823

01:26:48,550 --> 01:26:45,360

curtains and my clothes and everything

1824

01:26:49,430 --> 01:26:48,560

no moth one of the people at the

1825

01:26:52,870 --> 01:26:49,440

conference

1826

01:26:55,910 --> 01:26:52,880

is a very very psychics

1827

01:26:58,709 --> 01:26:55,920

sensitive individual said that's no

1828

01:26:59,430 --> 01:26:58,719

ordinary moth whitley and i thought to

1829

01:27:01,830 --> 01:26:59,440

myself oh

1830

01:27:05,430 --> 01:27:01,840

yeah nothing's ordinary around a ufo

1831

01:27:10,310 --> 01:27:07,590

but then the white moth began to appear

1832

01:27:13,990 --> 01:27:10,320

at opportune moments

1833

01:27:15,990 --> 01:27:14,000

it became clear that the white moth had

1834

01:27:17,590 --> 01:27:16,000

something to do with anne

1835

01:27:19,830 --> 01:27:17,600

because every time i was giving a

1836

01:27:23,189 --> 01:27:19,840

lecture i was giving a lecture

1837

01:27:26,070 --> 01:27:23,199

at a university in north carolina and i

1838

01:27:28,070 --> 01:27:26,080

was talking about anne and my phone made

1839

01:27:28,870 --> 01:27:28,080

a beeping noise and the white moth was

1840

01:27:32,629 --> 01:27:28,880

there

1841

01:27:35,830 --> 01:27:32,639

in the uh on the camera and uh

1842

01:27:37,110 --> 01:27:35,840

uh again when i went home there was no

1843

01:27:40,070 --> 01:27:37,120

more

1844

01:27:40,870 --> 01:27:40,080

then the most telling one moment came

1845

01:27:43,430 --> 01:27:40,880

when

1846

01:27:44,830 --> 01:27:43,440

it was christmas christmas afternoon and

1847

01:27:48,550 --> 01:27:44,840

this had happened three or four

1848

01:27:51,270 --> 01:27:48,560

times and i was with my son

1849

01:27:51,990 --> 01:27:51,280

at his house and he doesn't live near me

1850

01:27:55,270 --> 01:27:52,000

he lives

1851

01:27:57,910 --> 01:27:55,280

away far away and

1852

01:27:59,510 --> 01:27:57,920

uh i was telling him this story about

1853

01:28:02,629 --> 01:27:59,520

the white mall

1854

01:28:04,070 --> 01:28:02,639

and the phone goes and i look and

1855

01:28:07,750 --> 01:28:04,080

there's the white moth

1856

01:28:13,510 --> 01:28:11,030

at that at that instant

1857

01:28:16,070 --> 01:28:13,520

so it was obvious that the white moth

1858

01:28:18,629 --> 01:28:16,080

had a lot to do with anne

1859

01:28:20,629 --> 01:28:18,639

now but here's the thing that is so

1860

01:28:23,510 --> 01:28:20,639

extraordinary the reason she

1861

01:28:24,149 --> 01:28:23,520

chose it in the first place i didn't

1862

01:28:28,229 --> 01:28:24,159

remember

1863

01:28:28,629 --> 01:28:28,239

until later i wrote a short story years

1864

01:28:31,669 --> 01:28:28,639

ago

1865

01:28:33,590 --> 01:28:31,679

called the white moths it's about an old

1866

01:28:36,870 --> 01:28:33,600

woman who dies

1867

01:28:39,110 --> 01:28:36,880

and discovers realizing it's her process

1868

01:28:42,709 --> 01:28:39,120

of discovery and realizing

1869

01:28:46,070 --> 01:28:42,719

that she's now dead physically

1870

01:28:47,110 --> 01:28:46,080

and it was anne's absolute favorite

1871

01:28:49,430 --> 01:28:47,120

story of mine

1872

01:28:50,149 --> 01:28:49,440

that i wrote i you know being whitley

1873

01:28:51,750 --> 01:28:50,159

strieber

1874

01:28:53,590 --> 01:28:51,760

no publisher will publish me i have to

1875

01:28:57,110 --> 01:28:53,600

publish my own books but

1876

01:29:02,470 --> 01:28:57,120

uh the stories out there in any case

1877

01:29:08,950 --> 01:29:06,390

i looked at the story and i realized why

1878

01:29:11,750 --> 01:29:08,960

anne had chosen as her avatar in this

1879

01:29:15,430 --> 01:29:11,760

world the white moth

1880

01:29:18,950 --> 01:29:15,440

and why she had started way back when

1881

01:29:22,830 --> 01:29:18,960

with that poem and the poem is about

1882

01:29:27,350 --> 01:29:22,840

a man searching

1883

01:29:30,709 --> 01:29:27,360

for a beautiful soul

1884

01:29:33,990 --> 01:29:30,719

who comes to him it's

1885

01:29:38,790 --> 01:29:36,550

i went out to the hazel wood because a

1886

01:29:41,910 --> 01:29:38,800

fire was in my head

1887

01:29:45,189 --> 01:29:41,920

and cut and peeled a hazel wand

1888

01:29:47,189 --> 01:29:45,199

and hooked a berry to a thread

1889

01:29:50,390 --> 01:29:47,199

when white moths were on the wing and

1890

01:29:52,629 --> 01:29:50,400

the moth-like stars were flickering out

1891

01:29:53,430 --> 01:29:52,639

i dropped the berry in a stream and

1892

01:29:56,470 --> 01:29:53,440

caught

1893

01:29:59,350 --> 01:29:56,480

a little silver trout

1894

01:30:02,629 --> 01:29:59,360

when i laid it on the floor and went to

1895

01:30:04,709 --> 01:30:02,639

blow the fire flame

1896

01:30:08,149 --> 01:30:04,719

something shuttered on the floor and

1897

01:30:11,510 --> 01:30:08,159

someone called me by my name

1898

01:30:14,629 --> 01:30:11,520

it had become a glimmering girl

1899

01:30:17,750 --> 01:30:14,639

with apple blossom in her hair

1900

01:30:21,110 --> 01:30:17,760

who called me by my name and faded

1901

01:30:23,830 --> 01:30:21,120

through the brightening air though i

1902

01:30:25,750 --> 01:30:23,840

am old with wandering in hollow lands

1903

01:30:29,030 --> 01:30:25,760

and hilly lands

1904

01:30:29,830 --> 01:30:29,040

i will find where she has gone and kiss

1905

01:30:32,870 --> 01:30:29,840

her lips

1906

01:30:36,709 --> 01:30:32,880

and take her hands and walk

1907

01:30:40,310 --> 01:30:36,719

in long dappled grass and pluck

1908

01:30:42,229 --> 01:30:40,320

till time and times are done the silver

1909

01:30:46,390 --> 01:30:42,239

apples of the moon

1910

01:30:53,669 --> 01:30:49,750

that's ann's message and

1911

01:30:56,470 --> 01:30:53,679

it is a message to her searcher

1912

01:30:58,709 --> 01:30:56,480

that she will lead me on through the

1913

01:31:01,990 --> 01:30:58,719

long dappled grass

1914

01:31:04,310 --> 01:31:02,000

on this journey and you think that the

1915

01:31:06,229 --> 01:31:04,320

visitors may be tough cookies and they

1916

01:31:08,229 --> 01:31:06,239

may kick us around

1917

01:31:11,590 --> 01:31:08,239

but this extraordinary journey could

1918

01:31:15,350 --> 01:31:11,600

never have started without them

1919

01:31:16,470 --> 01:31:15,360

that's beautiful whitley i have a

1920

01:31:19,590 --> 01:31:16,480

question from

1921

01:31:23,270 --> 01:31:19,600

rick hicks says uh whitley have you

1922

01:31:29,189 --> 01:31:23,280

held any conversation with any nte

1923

01:31:29,199 --> 01:31:34,229

i'm not quite sure what nte means

1924

01:31:41,669 --> 01:31:37,270

is it n d is it gone

1925

01:31:48,229 --> 01:31:45,030

nte i'm not sure what it means either

1926

01:31:49,189 --> 01:31:48,239

it could well uh rick if you can please

1927

01:31:53,669 --> 01:31:49,199

um

1928

01:31:55,510 --> 01:31:53,679

those beings

1929

01:31:57,110 --> 01:31:55,520

i i don't really need any more

1930

01:31:59,910 --> 01:31:57,120

clarification i can tell you what i know

1931

01:32:03,750 --> 01:31:59,920

about the transmigration souls

1932

01:32:07,750 --> 01:32:03,760

um my life is very experiential

1933

01:32:10,070 --> 01:32:07,760

i i you know i i i like to think i'm a

1934

01:32:11,110 --> 01:32:10,080

an intellectual but most everything i

1935

01:32:13,830 --> 01:32:11,120

have to offer

1936

01:32:15,110 --> 01:32:13,840

comes from experience and here's an

1937

01:32:17,990 --> 01:32:15,120

experience that's

1938

01:32:20,470 --> 01:32:18,000

relevant to this question i had a dear

1939

01:32:22,870 --> 01:32:20,480

friend who was

1940

01:32:24,629 --> 01:32:22,880

i guess a criminal basically he was that

1941

01:32:27,990 --> 01:32:24,639

wasn't a real good guy

1942

01:32:30,629 --> 01:32:28,000

but um i'm not that

1943

01:32:31,590 --> 01:32:30,639

at all we've been friends since boyhood

1944

01:32:34,870 --> 01:32:31,600

so

1945

01:32:37,910 --> 01:32:34,880

the friendship continued and he

1946

01:32:41,350 --> 01:32:37,920

lit up quite a dissolute life and he was

1947

01:32:43,430 --> 01:32:41,360

dying he was in a surgery having a

1948

01:32:44,470 --> 01:32:43,440

desperate last-minute surgery and i was

1949

01:32:50,870 --> 01:32:44,480

in the

1950

01:32:53,830 --> 01:32:50,880

family and my wife and

1951

01:32:55,110 --> 01:32:53,840

all of a sudden he came walking out of

1952

01:32:58,550 --> 01:32:55,120

the

1953

01:33:01,830 --> 01:32:58,560

surgery and stared at us

1954

01:33:05,669 --> 01:33:01,840

and i said to anne

1955

01:33:07,430 --> 01:33:05,679

tommy just died because i knew from

1956

01:33:09,510 --> 01:33:07,440

experience at that point what i was

1957

01:33:12,390 --> 01:33:09,520

seeing was not his physical body

1958

01:33:12,790 --> 01:33:12,400

but his second body which was still very

1959

01:33:19,350 --> 01:33:12,800

much

1960

01:33:21,189 --> 01:33:19,360

part of this world no one not many

1961

01:33:25,189 --> 01:33:21,199

people can see those but you get

1962

01:33:27,510 --> 01:33:25,199

you get to what you can see them and so

1963

01:33:29,270 --> 01:33:27,520

the next thing i knew i saw in my mind's

1964

01:33:30,070 --> 01:33:29,280

eye some of these little dark blue

1965

01:33:32,629 --> 01:33:30,080

figures that

1966

01:33:33,990 --> 01:33:32,639

laurie burns had seen that we talked

1967

01:33:37,510 --> 01:33:34,000

about earlier

1968

01:33:40,950 --> 01:33:37,520

taking him and they placed him into the

1969

01:33:44,709 --> 01:33:40,960

body of a just born baby

1970

01:33:46,870 --> 01:33:44,719

in a third world country

1971

01:33:47,750 --> 01:33:46,880

and he was still fully conscious of who

1972

01:33:52,229 --> 01:33:47,760

he was

1973

01:33:55,110 --> 01:33:52,239

or had been at that moment and he

1974

01:33:56,390 --> 01:33:55,120

the baby burst out screaming of course

1975

01:34:00,390 --> 01:33:56,400

because

1976

01:34:03,910 --> 01:34:00,400

here was this wealthy man and you know

1977

01:34:04,790 --> 01:34:03,920

suddenly now he's going to be a a little

1978

01:34:08,550 --> 01:34:04,800

girl

1979

01:34:13,030 --> 01:34:08,560

in a very unpleasant and difficult

1980

01:34:15,990 --> 01:34:13,040

situation and i was told that if i ever

1981

01:34:19,590 --> 01:34:16,000

went to that country i would meet her

1982

01:34:20,390 --> 01:34:19,600

but i should not do it and so i haven't

1983

01:34:23,669 --> 01:34:20,400

done it

1984

01:34:26,390 --> 01:34:23,679

and now she's i supposedly a woman

1985

01:34:28,310 --> 01:34:26,400

she's been 20 years she must be in her

1986

01:34:30,149 --> 01:34:28,320

early 20s and

1987

01:34:32,070 --> 01:34:30,159

if she hasn't been taken yet by cohort

1988

01:34:34,950 --> 01:34:32,080

or something

1989

01:34:36,870 --> 01:34:34,960

but he earned that life and they moved

1990

01:34:40,470 --> 01:34:36,880

him fast

1991

01:34:45,030 --> 01:34:40,480

because if he hadn't been moved fast

1992

01:34:49,910 --> 01:34:46,229

that's what i know about the

1993

01:34:54,070 --> 01:34:52,790

okay thank you uh the next question is

1994

01:34:56,470 --> 01:34:54,080

from hazel blair

1995

01:34:58,709 --> 01:34:56,480

saying hello whitley in your opinion do

1996

01:34:59,270 --> 01:34:58,719

you think the dreams we remember for

1997

01:35:02,629 --> 01:34:59,280

years

1998

01:35:05,590 --> 01:35:02,639

are given as cryptic clues

1999

01:35:08,470 --> 01:35:05,600

i don't know i think that if you want to

2000

01:35:11,910 --> 01:35:08,480

find clues in your dreams you can

2001
01:35:15,030 --> 01:35:11,920
because they all contain them they all

2002
01:35:17,669 --> 01:35:15,040
they are green dreams

2003
01:35:18,310 --> 01:35:17,679
are another grammar they are they're

2004
01:35:21,750 --> 01:35:18,320
they're

2005
01:35:24,470 --> 01:35:21,760
different language

2006
01:35:25,430 --> 01:35:24,480
um the language of the inner light of

2007
01:35:29,270 --> 01:35:25,440
the inner

2008
01:35:33,270 --> 01:35:29,280
person the of the unconscious

2009
01:35:34,390 --> 01:35:33,280
i have had some powerful dreams we all

2010
01:35:37,990 --> 01:35:34,400
have

2011
01:35:39,109 --> 01:35:38,000
of course maddeningly our most powerful

2012
01:35:41,669 --> 01:35:39,119
dreams

2013
01:35:43,430 --> 01:35:41,679

you often wake up in the morning and you

2014

01:35:44,790 --> 01:35:43,440

think to yourself

2015

01:35:47,270 --> 01:35:44,800

i'm not going to forget that i'm going

2016

01:35:48,550 --> 01:35:47,280

to write it down and you get out of the

2017

01:35:51,350 --> 01:35:48,560

bed and you start to

2018

01:35:53,430 --> 01:35:51,360

write it down and it slipped your mind

2019

01:35:56,229 --> 01:35:53,440

that's happened to me many times

2020

01:35:57,910 --> 01:35:56,239

i have a dream book i haven't been

2021

01:36:00,870 --> 01:35:57,920

keeping it up lately

2022

01:36:02,550 --> 01:36:00,880

i've been bad and so my dreams rich as

2023

01:36:05,109 --> 01:36:02,560

they used to be and i've got to keep it

2024

01:36:06,629 --> 01:36:05,119

started again thanks for the question

2025

01:36:08,070 --> 01:36:06,639

you encouraged me to get back to my

2026
01:36:11,189 --> 01:36:08,080
dream

2027
01:36:11,830 --> 01:36:11,199
i guess a reminder uh this next question

2028
01:36:13,990 --> 01:36:11,840
is from

2029
01:36:18,390 --> 01:36:14,000
cyprus asking what's your take on the

2030
01:36:22,550 --> 01:36:20,070
the vatican's holding a conference in

2031
01:36:25,590 --> 01:36:22,560
june yes this one

2032
01:36:28,629 --> 01:36:25,600
i didn't know that i have no idea

2033
01:36:31,590 --> 01:36:28,639
no okay uh the other one is from

2034
01:36:32,870 --> 01:36:31,600
truth freedom asking whitley is there

2035
01:36:36,070 --> 01:36:32,880
anything that you can say

2036
01:36:39,430 --> 01:36:36,080
about the hybrid hybridization program

2037
01:36:43,270 --> 01:36:39,440
that some people claim that is taking

2038
01:36:52,950 --> 01:36:47,590

uh yeah i can say a lot about it i uh

2039

01:36:57,109 --> 01:36:52,960

the um

2040

01:37:01,830 --> 01:36:57,119

uh the i had an experience

2041

01:37:07,189 --> 01:37:01,840

with with um

2042

01:37:08,709 --> 01:37:07,199

that specifically this

2043

01:37:10,629 --> 01:37:08,719

toward the end of the time that we had

2044

01:37:11,109 --> 01:37:10,639

our cabin and i didn't mention by the

2045

01:37:13,750 --> 01:37:11,119

way

2046

01:37:16,229 --> 01:37:13,760

with the cabin we lost it because you

2047

01:37:19,270 --> 01:37:16,239

know if you're

2048

01:37:22,149 --> 01:37:19,280

if you're with a streamer

2049

01:37:22,790 --> 01:37:22,159

you're going to be beaten up a lot uh

2050

01:37:25,990 --> 01:37:22,800

anyone

2051

01:37:30,070 --> 01:37:26,000

and it's not just because it's me

2052

01:37:33,830 --> 01:37:30,080

it's because anyone who says things that

2053

01:37:37,910 --> 01:37:33,840

fly in the face of beliefs

2054

01:37:41,109 --> 01:37:37,920

is in trouble and um

2055

01:37:44,229 --> 01:37:41,119

i was a controversial author

2056

01:37:48,070 --> 01:37:44,239

up until i wrote majestic and and about

2057

01:37:51,510 --> 01:37:48,080

that kind of that time and at some point

2058

01:37:54,950 --> 01:37:51,520

a tv show called south park

2059

01:37:58,390 --> 01:37:54,960

made me into a laughingstock

2060

01:37:59,990 --> 01:37:58,400

my rape was turned into a joke

2061

01:38:01,430 --> 01:38:00,000

and you know you could the one thing

2062

01:38:04,950 --> 01:38:01,440

about the this

2063

01:38:05,910 --> 01:38:04,960

world the last people you can safely

2064

01:38:08,950 --> 01:38:05,920

bully

2065

01:38:10,310 --> 01:38:08,960

are the abductees you can't believe

2066

01:38:12,950 --> 01:38:10,320

anybody else

2067

01:38:15,510 --> 01:38:12,960

anymore you can't say anything

2068

01:38:15,750 --> 01:38:15,520

derogatory because a person is a pole or

2069

01:38:37,830 --> 01:38:15,760

a

2070

01:38:40,870 --> 01:38:37,840

of books

2071

01:38:43,510 --> 01:38:40,880

a author that's laughed at

2072

01:38:43,990 --> 01:38:43,520

won't sell any because nobody's going to

2073

01:38:48,070 --> 01:38:44,000

walk up

2074

01:38:50,149 --> 01:38:48,080

to a bookstore clerk and

2075

01:38:52,149 --> 01:38:50,159

buy a book and feel like the clerk is

2076

01:38:54,149 --> 01:38:52,159

snickering at him

2077

01:38:55,270 --> 01:38:54,159

now that the internet's come along i'm

2078

01:38:57,669 --> 01:38:55,280

coming back to life

2079

01:38:58,870 --> 01:38:57,679

in terms of books because no publisher

2080

01:39:00,390 --> 01:38:58,880

will ever

2081

01:39:02,470 --> 01:39:00,400

touch me because they see my sales

2082

01:39:04,229 --> 01:39:02,480

figures from the past

2083

01:39:05,830 --> 01:39:04,239

but what they don't know is that people

2084

01:39:06,229 --> 01:39:05,840

will buy my books on the internet

2085

01:39:09,830 --> 01:39:06,239

because

2086

01:39:12,229 --> 01:39:09,840

nobody can see them doing it and so i do

2087

01:39:15,669 --> 01:39:12,239

sell a lot of books on amazon that

2088

01:39:19,109 --> 01:39:15,679

made mostly on amazon in any case

2089

01:39:22,470 --> 01:39:21,590

yeah heck i diverted and now it

2090

01:39:24,229 --> 01:39:22,480

digressed

2091

01:39:26,310 --> 01:39:24,239

because i wanted to go back to that

2092

01:39:28,709 --> 01:39:26,320

business of why we lost the cabin

2093

01:39:30,470 --> 01:39:28,719

and so you know we'd never have anything

2094

01:39:31,109 --> 01:39:30,480

at the cabin because we have no cabin i

2095

01:39:34,070 --> 01:39:31,119

am

2096

01:39:34,790 --> 01:39:34,080

i'm you know i'm recovering financially

2097

01:39:36,870 --> 01:39:34,800

uh

2098

01:39:38,390 --> 01:39:36,880

the years of annie's illness took a

2099

01:39:40,790 --> 01:39:38,400

tremendous toll and the

2100

01:39:41,430 --> 01:39:40,800

period before that with having no sales

2101
01:39:45,109 --> 01:39:41,440
and no

2102
01:39:47,510 --> 01:39:45,119
ability to to get a publisher

2103
01:39:48,950 --> 01:39:47,520
and the loss of the cabin and everything

2104
01:39:51,590 --> 01:39:48,960
but i'm now i'm

2105
01:39:53,910 --> 01:39:51,600
i'm sort of half partly recovered it's

2106
01:39:54,229 --> 01:39:53,920
not like it used to be it never will be

2107
01:39:57,270 --> 01:39:54,239
but

2108
01:39:58,470 --> 01:39:57,280
um you're going to have to repeat the

2109
01:40:01,590 --> 01:39:58,480
question

2110
01:40:02,229 --> 01:40:01,600
that you started with because i my my my

2111
01:40:04,149 --> 01:40:02,239
digression

2112
01:40:05,750 --> 01:40:04,159
to finish the answer the other question

2113
01:40:08,790 --> 01:40:05,760

has caused me to forget

2114

01:40:09,510 --> 01:40:08,800

what place i am so please repeat it sure

2115

01:40:14,950 --> 01:40:09,520

sure let me

2116

01:40:18,390 --> 01:40:17,750

what's the highest hybrids i i got it

2117

01:40:21,750 --> 01:40:18,400

right yeah

2118

01:40:24,950 --> 01:40:21,760

that's right all i had to do

2119

01:40:28,229 --> 01:40:24,960

scroll back up yeah the hybrids yeah

2120

01:40:29,910 --> 01:40:28,239

okay when we had the cabin

2121

01:40:31,990 --> 01:40:29,920

toward the end of the time we had the

2122

01:40:33,910 --> 01:40:32,000

cabin

2123

01:40:37,109 --> 01:40:33,920

we began to notice that there was

2124

01:40:40,070 --> 01:40:37,119

someone in the woods

2125

01:40:41,189 --> 01:40:40,080

and that was disturbing what happened

2126

01:40:45,510 --> 01:40:41,199

was

2127

01:40:45,910 --> 01:40:45,520

saw what looked like a boy sitting under

2128

01:41:07,510 --> 01:40:45,920

a

2129

01:41:09,109 --> 01:41:07,520

this young fellow to

2130

01:41:10,629 --> 01:41:09,119

get away from that pitch pond because he

2131

01:41:12,229 --> 01:41:10,639

could blow the whole burn up the whole

2132

01:41:13,910 --> 01:41:12,239

place

2133

01:41:16,550 --> 01:41:13,920

and i walked over as i was walking over

2134

01:41:19,750 --> 01:41:16,560

to him he made a noise that

2135

01:41:24,790 --> 01:41:19,760

that scared me it was

2136

01:41:26,790 --> 01:41:24,800

obvious that it wasn't a normal person

2137

01:41:28,310 --> 01:41:26,800

and so i turned around and walked went

2138

01:41:32,229 --> 01:41:28,320

home

2139

01:41:33,669 --> 01:41:32,239

and uh we began to find places out in

2140

01:41:35,350 --> 01:41:33,679

the woods where there were hundreds of

2141

01:41:37,590 --> 01:41:35,360

cigarette butts

2142

01:41:39,350 --> 01:41:37,600

where he was standing in the on a still

2143

01:41:40,870 --> 01:41:39,360

night this smell of cigarette smoke

2144

01:41:43,350 --> 01:41:40,880

would fill the

2145

01:41:45,109 --> 01:41:43,360

house because he was nearby smoking

2146

01:41:46,870 --> 01:41:45,119

constantly

2147

01:41:48,709 --> 01:41:46,880

and i'd seen him he he was a

2148

01:41:50,870 --> 01:41:48,719

strange-looking fellow he looked about

2149

01:41:53,350 --> 01:41:50,880

11 or 12 years old

2150

01:41:55,350 --> 01:41:53,360

and he was very seemed very very

2151
01:41:59,189 --> 01:41:55,360
disturbed

2152
01:42:01,430 --> 01:41:59,199
and eventually

2153
01:42:02,470 --> 01:42:01,440
that october we lost the cabin and we

2154
01:42:04,870 --> 01:42:02,480
moved we

2155
01:42:06,950 --> 01:42:04,880
put our things you know we got our

2156
01:42:08,709 --> 01:42:06,960
things together and drove to texas

2157
01:42:11,590 --> 01:42:08,719
where we had a little condo my mother

2158
01:42:13,750 --> 01:42:11,600
had lived in and we still had that

2159
01:42:14,790 --> 01:42:13,760
so that was where we could grasp our

2160
01:42:18,070 --> 01:42:14,800
heads and

2161
01:42:26,310 --> 01:42:22,390
about three or four days after

2162
01:42:27,990 --> 01:42:26,320
we arrived there he became aware of the

2163
01:42:31,510 --> 01:42:28,000

fact that he was standing in a little

2164

01:42:34,870 --> 01:42:31,520

cul-de-sac uh

2165

01:42:36,709 --> 01:42:34,880

beside the bedroom

2166

01:42:38,790 --> 01:42:36,719

and we began to smell cigarette smoke

2167

01:42:40,149 --> 01:42:38,800

inside the bedroom

2168

01:42:42,070 --> 01:42:40,159

and the little it was on the ground

2169

01:42:43,270 --> 01:42:42,080

floor and when we went outside the

2170

01:42:44,709 --> 01:42:43,280

little cul-de-sac had all these

2171

01:42:47,669 --> 01:42:44,719

cigarette butts

2172

01:42:49,350 --> 01:42:47,679

and i thought my god he's followed us

2173

01:42:51,590 --> 01:42:49,360

here

2174

01:42:53,669 --> 01:42:51,600

then things began to happen in the condo

2175

01:42:56,870 --> 01:42:53,679

complex

2176

01:43:00,229 --> 01:42:56,880

people saw him climbing a wall and

2177

01:43:01,510 --> 01:43:00,239

he pulled the spokes out of the out of a

2178

01:43:05,350 --> 01:43:01,520

bicycle

2179

01:43:07,189 --> 01:43:05,360

wheel on a second floor a man saw him

2180

01:43:08,310 --> 01:43:07,199

hop off of a balcony into the swimming

2181

01:43:10,390 --> 01:43:08,320

pool

2182

01:43:12,149 --> 01:43:10,400

where you know you have to take a run to

2183

01:43:13,830 --> 01:43:12,159

do it he was impover what he did was

2184

01:43:16,310 --> 01:43:13,840

impossible

2185

01:43:16,870 --> 01:43:16,320

and people called social services

2186

01:43:19,510 --> 01:43:16,880

because

2187

01:43:22,149 --> 01:43:19,520

you know there was a feral child in the

2188

01:43:25,669 --> 01:43:22,159

in the condo complex

2189

01:43:26,629 --> 01:43:25,679

and um he was living right behind us

2190

01:43:30,550 --> 01:43:26,639

with two men

2191

01:43:31,510 --> 01:43:30,560

who were really the scariest people i've

2192

01:43:33,350 --> 01:43:31,520

ever met

2193

01:43:34,870 --> 01:43:33,360

i didn't meet him i mean ever seen they

2194

01:43:37,990 --> 01:43:34,880

were really

2195

01:43:40,790 --> 01:43:38,000

something if there are demons those were

2196

01:43:47,990 --> 01:43:44,629

and uh i finally

2197

01:43:51,830 --> 01:43:48,000

i could feel him inside me

2198

01:43:52,390 --> 01:43:51,840

inside my mind when he was standing

2199

01:43:55,990 --> 01:43:52,400

there

2200

01:43:57,750 --> 01:43:56,000

and it was very it wasn't pleasant it

2201
01:44:01,109 --> 01:43:57,760
was not a

2202
01:44:06,310 --> 01:44:04,550
um very intrusive

2203
01:44:08,550 --> 01:44:06,320
and almost a little bit sexually

2204
01:44:11,830 --> 01:44:08,560
perverse about it it was not

2205
01:44:15,669 --> 01:44:11,840
a pleasant experience at all so

2206
01:44:19,030 --> 01:44:15,679
um i put a motion sensitive light

2207
01:44:20,310 --> 01:44:19,040
up in there and the next night you could

2208
01:44:22,870 --> 01:44:20,320
hear him

2209
01:44:25,030 --> 01:44:22,880
gasping and jumping in and out of the

2210
01:44:26,629 --> 01:44:25,040
light and going on

2211
01:44:28,310 --> 01:44:26,639
the next morning i was working in the

2212
01:44:31,910 --> 01:44:28,320
little garden in front of the

2213
01:44:33,830 --> 01:44:31,920

condo and here he came barreling around

2214

01:44:35,990 --> 01:44:33,840

the corner

2215

01:44:40,149 --> 01:44:36,000

and he marched off down the middle of

2216

01:44:40,159 --> 01:44:46,870

now you go back to my abduction in 1985

2217

01:44:53,910 --> 01:44:50,709

i they took semen out of my body

2218

01:44:57,830 --> 01:44:53,920

now it's 1996.

2219

01:45:02,149 --> 01:44:57,840

he looks like a very strange 11 year old

2220

01:45:08,870 --> 01:45:02,159

very troubled

2221

01:45:13,030 --> 01:45:11,510

and i have to say oh wow there was

2222

01:45:16,709 --> 01:45:13,040

something

2223

01:45:21,669 --> 01:45:16,719

very unholy going

2224

01:45:24,229 --> 01:45:21,679

on but you must not

2225

01:45:25,910 --> 01:45:24,239

throw out the baby with the bathwater

2226

01:45:29,189 --> 01:45:25,920

because as complex as this

2227

01:45:33,030 --> 01:45:29,199

is as deeply

2228

01:45:35,590 --> 01:45:33,040

troubling as most of it is much of it is

2229

01:45:36,709 --> 01:45:35,600

there is also another side to it which

2230

01:45:39,750 --> 01:45:36,719

we have been discussing

2231

01:45:41,430 --> 01:45:39,760

extensively tonight i don't know if i

2232

01:45:43,270 --> 01:45:41,440

could say that well it's different

2233

01:45:44,550 --> 01:45:43,280

beings these are the bad guys those are

2234

01:45:47,830 --> 01:45:44,560

the good guys

2235

01:45:49,030 --> 01:45:47,840

right it's not that simple it's not that

2236

01:45:50,709 --> 01:45:49,040

simple they're no more

2237

01:45:52,390 --> 01:45:50,719

they're no they're not simpler than we

2238

01:45:53,430 --> 01:45:52,400

are and that would be a lot simpler than

2239

01:45:55,430 --> 01:45:53,440

human beings

2240

01:45:56,870 --> 01:45:55,440

i know a lot of people who have done bad

2241

01:45:59,510 --> 01:45:56,880

things who are good people

2242

01:46:01,510 --> 01:45:59,520

and a lot of people who are the opposite

2243

01:46:02,550 --> 01:46:01,520

this is a very complex species and

2244

01:46:04,470 --> 01:46:02,560

goodness knows

2245

01:46:06,229 --> 01:46:04,480

if we really are dealing with aliens

2246

01:46:07,189 --> 01:46:06,239

from another world who can get here at

2247

01:46:08,709 --> 01:46:07,199

all

2248

01:46:11,030 --> 01:46:08,719

they must be a hell of a lot more

2249

01:46:14,709 --> 01:46:11,040

complex than we are

2250

01:46:18,149 --> 01:46:14,719

so okay thank you for that hybrids

2251

01:46:20,390 --> 01:46:18,159

and does it help me the uh the next

2252

01:46:20,950 --> 01:46:20,400

question is from helio de sosa junior

2253

01:46:22,870 --> 01:46:20,960

asking

2254

01:46:24,070 --> 01:46:22,880

mr schreiber please in any of your

2255

01:46:26,229 --> 01:46:24,080

experiences

2256

01:46:28,629 --> 01:46:26,239

with extraterrestrials do you remember

2257

01:46:31,350 --> 01:46:28,639

seeing some kind of strange

2258

01:46:32,070 --> 01:46:31,360

animal with them that resembles her dog

2259

01:46:41,189 --> 01:46:32,080

or wolf

2260

01:46:41,590 --> 01:46:41,199

extraterrestrials or not again i've

2261

01:46:44,709 --> 01:46:41,600

never

2262

01:46:47,109 --> 01:46:44,719

that simple and i

2263

01:46:47,990 --> 01:46:47,119

i have to have proof if i'm taken to

2264

01:46:51,830 --> 01:46:48,000

another planet

2265

01:46:53,669 --> 01:46:51,840

and shown them and their towns and

2266

01:46:55,669 --> 01:46:53,679

whatever they have and then brought back

2267

01:46:56,870 --> 01:46:55,679

here again without my memory being

2268

01:46:58,390 --> 01:46:56,880

screwed up

2269

01:47:00,149 --> 01:46:58,400

then maybe i would say they were

2270

01:47:01,669 --> 01:47:00,159

extraterrestrials but right now i don't

2271

01:47:05,189 --> 01:47:01,679

know what they are

2272

01:47:07,109 --> 01:47:05,199

but yes i saw some animals there used to

2273

01:47:09,830 --> 01:47:07,119

be some very strange animals in the

2274

01:47:12,950 --> 01:47:09,840

woods behind our house

2275

01:47:14,950 --> 01:47:12,960

um you know it was really

2276

01:47:17,189 --> 01:47:14,960

i went out i don't know how in the world

2277

01:47:19,430 --> 01:47:17,199

i managed to go out there in the night

2278

01:47:21,030 --> 01:47:19,440

time and time again as i did because

2279

01:47:23,510 --> 01:47:21,040

looking back on it it was

2280

01:47:28,390 --> 01:47:23,520

pretty spectacularly creepy place at

2281

01:47:34,790 --> 01:47:31,830

but what i saw were these

2282

01:47:36,790 --> 01:47:34,800

i heard them first and then i saw them

2283

01:47:40,149 --> 01:47:36,800

they looked like big rats

2284

01:47:42,950 --> 01:47:40,159

and they had ferocious eyes

2285

01:47:44,709 --> 01:47:42,960

i thought to myself my god those things

2286

01:47:46,149 --> 01:47:44,719

those are not normal animals and i'm

2287

01:47:48,790 --> 01:47:46,159

afraid they might be as smart as

2288

01:47:50,709 --> 01:47:48,800

me or maybe smarter and i got out of

2289

01:47:54,790 --> 01:47:50,719

there quickly

2290

01:47:56,790 --> 01:47:54,800

a few days later our little siamese cat

2291

01:47:57,830 --> 01:47:56,800

decided to take an excursion in the

2292

01:48:01,189 --> 01:47:57,840

woods and he was

2293

01:48:05,030 --> 01:48:01,199

no woods he got lost

2294

01:48:06,550 --> 01:48:05,040

and uh i was out there with my ears

2295

01:48:07,910 --> 01:48:06,560

listening because i knew he would be

2296

01:48:10,950 --> 01:48:07,920

meowing

2297

01:48:13,270 --> 01:48:10,960

and i i finally tracked him down he'd

2298

01:48:15,030 --> 01:48:13,280

he'd been stopped by a little finger of

2299

01:48:16,870 --> 01:48:15,040

water about this wide

2300

01:48:18,390 --> 01:48:16,880

he couldn't get over that because it was

2301

01:48:21,030 --> 01:48:18,400

too wide and

2302

01:48:22,950 --> 01:48:21,040

he sure was happy to see me he just came

2303

01:48:26,229 --> 01:48:22,960

up into my arms

2304

01:48:29,669 --> 01:48:26,239

and i heard those animals in the

2305

01:48:33,189 --> 01:48:29,679

bushes right nearby making their very

2306

01:48:37,270 --> 01:48:33,199

scary weird noise and i thought

2307

01:48:39,910 --> 01:48:37,280

boy i got this cat just in time

2308

01:48:40,790 --> 01:48:39,920

that's my those are my that and also we

2309

01:48:45,109 --> 01:48:40,800

saw some

2310

01:48:46,870 --> 01:48:45,119

prints once i didn't take

2311

01:48:48,950 --> 01:48:46,880

samples of the prince because at the

2312

01:48:51,910 --> 01:48:48,960

time we didn't really

2313

01:48:54,470 --> 01:48:51,920

put two and two together but ann said as

2314

01:48:56,870 --> 01:48:54,480

we were walking oh no no i was alone but

2315

01:48:58,229 --> 01:48:56,880

ann didn't say this i saw these prints

2316

01:49:01,350 --> 01:48:58,239

and they looked like the prince of a

2317

01:49:03,109 --> 01:49:01,360

tiny elephant and i thought later

2318

01:49:05,350 --> 01:49:03,119

why didn't you do something about you

2319

01:49:06,950 --> 01:49:05,360

should release taking pictures of them

2320

01:49:08,390 --> 01:49:06,960

but it just never crossed my mind

2321

01:49:10,390 --> 01:49:08,400

because there's nothing like that that

2322

01:49:14,470 --> 01:49:10,400

walks around in upstate new york

2323

01:49:17,589 --> 01:49:14,480

right so maybe that was too i don't know

2324

01:49:19,350 --> 01:49:17,599

okay well uh whitley thank you very much

2325

01:49:20,870 --> 01:49:19,360

you know i really appreciate you doing

2326

01:49:22,950 --> 01:49:20,880

what you do i just have one last

2327

01:49:27,030 --> 01:49:22,960

question for you before we wrap up

2328

01:49:28,470 --> 01:49:27,040

um ufo joe i guess it has to be the most

2329

01:49:30,950 --> 01:49:28,480

difficult question i'm gonna

2330

01:49:32,550 --> 01:49:30,960

read it slowly because it has a lot of

2331

01:49:36,390 --> 01:49:32,560

different terms in there that

2332

01:49:39,589 --> 01:49:36,400

are difficult to pronounce so uh this is

2333

01:49:42,629 --> 01:49:39,599

says mactones wrote about

2334

01:49:45,669 --> 01:49:42,639

crypto terrestrials and hal put off

2335

01:49:48,070 --> 01:49:45,679

wrote wrote paper

2336

01:49:50,149 --> 01:49:48,080

unreleased as of yet on ultra

2337

01:49:53,750 --> 01:49:50,159

terrestrials

2338

01:49:56,629 --> 01:49:53,760

john keel also wrote about it

2339

01:49:58,870 --> 01:49:56,639

you think the being you you interacted

2340

01:50:01,270 --> 01:49:58,880

with are the same

2341

01:50:02,790 --> 01:50:01,280

well it's just a word isn't it i knew

2342

01:50:06,149 --> 01:50:02,800

mac

2343

01:50:08,870 --> 01:50:06,159

uh tony's and he had if he really if he

2344

01:50:09,270 --> 01:50:08,880

he was very iffy about me which is fine

2345

01:50:13,109 --> 01:50:09,280

i mean

2346

01:50:13,910 --> 01:50:13,119

you know i i am not a mr chapter verse

2347

01:50:16,790 --> 01:50:13,920

here i'm not

2348

01:50:18,950 --> 01:50:16,800

i'm not i'm not a believer myself and i

2349

01:50:22,149 --> 01:50:18,960

don't like believe belief

2350

01:50:22,950 --> 01:50:22,159

uh and uh so i i welcomed his

2351

01:50:26,709 --> 01:50:22,960

questioning

2352

01:50:28,550 --> 01:50:26,719

attitude uh i don't know

2353

01:50:30,070 --> 01:50:28,560

and we actually talked about this at one

2354

01:50:32,270 --> 01:50:30,080

point i think

2355

01:50:35,589 --> 01:50:32,280

i thought my attitude was

2356

01:50:38,709 --> 01:50:35,599

ultra-terrestrial is just a word

2357

01:50:40,149 --> 01:50:38,719

what does it mean and so my answer is

2358

01:50:41,510 --> 01:50:40,159

yeah i could be in touch with ultra

2359

01:50:42,790 --> 01:50:41,520

terrestrials i don't know what that

2360

01:50:46,310 --> 01:50:42,800

would mean

2361

01:50:49,510 --> 01:50:46,320

the term is very sketchily defined

2362

01:50:49,990 --> 01:50:49,520

for the most part and i didn't know hal

2363

01:50:51,990 --> 01:50:50,000

had read

2364

01:50:53,270 --> 01:50:52,000

written a paper that like that this is

2365

01:50:56,070 --> 01:50:53,280

uh unpublished i

2366

01:50:57,350 --> 01:50:56,080

uh know how quite well and i'd love to

2367

01:50:58,550 --> 01:50:57,360

read the paper i'm gonna send him an

2368

01:51:00,390 --> 01:50:58,560

email

2369

01:51:01,990 --> 01:51:00,400

because maybe he explains in it what he

2370

01:51:04,870 --> 01:51:02,000

means by that term i

2371

01:51:06,390 --> 01:51:04,880

i personally do not know what it means

2372

01:51:10,870 --> 01:51:06,400

um

2373

01:51:13,910 --> 01:51:10,880

except perhaps something from this world

2374

01:51:16,390 --> 01:51:13,920

that is beyond us

2375

01:51:18,550 --> 01:51:16,400

and i think this that's a very real

2376

01:51:22,550 --> 01:51:18,560

possibility

2377

01:51:25,669 --> 01:51:22,560

that we could be looking at another

2378

01:51:26,229 --> 01:51:25,679

that other forms of of life because like

2379

01:51:29,430 --> 01:51:26,239

sam

2380

01:51:36,390 --> 01:51:32,830

a chimpanzee or a dog

2381

01:51:39,430 --> 01:51:36,400

has no idea

2382

01:51:42,870 --> 01:51:39,440

where they are they have

2383

01:51:45,910 --> 01:51:42,880

no idea of the world they live in

2384

01:51:48,070 --> 01:51:45,920

and an animal living in the forest in in

2385

01:51:49,189 --> 01:51:48,080

in the jungle in africa or in the forest

2386

01:51:52,709 --> 01:51:49,199

somewhere

2387

01:51:56,149 --> 01:51:52,719

has no idea at all that

2388

01:52:00,550 --> 01:51:56,159

that this exists

2389

01:52:04,390 --> 01:52:02,550

so of course there could be another

2390

01:52:08,070 --> 01:52:04,400

level above us in fact

2391

01:52:11,189 --> 01:52:08,080

if rory barnes his experience

2392

01:52:13,430 --> 01:52:11,199

was anything true to it i actually know

2393

01:52:16,470 --> 01:52:13,440

somebody who's now an ultra terrestrial

2394

01:52:21,270 --> 01:52:16,480

who was a nice lady at one point

2395

01:52:27,669 --> 01:52:25,189

all right thank you so everyone watching

2396

01:52:30,149 --> 01:52:27,679

i hope you enjoyed today's show please

2397

01:52:33,510 --> 01:52:30,159

check out the description below i i

2398

01:52:36,149 --> 01:52:33,520

have the whitley's website uh also

2399

01:52:37,589 --> 01:52:36,159

a amazon link and i just recently

2400

01:52:39,030 --> 01:52:37,599

discovered if you actually click on the

2401

01:52:41,030 --> 01:52:39,040

author they give you their entire

2402

01:52:42,149 --> 01:52:41,040

library so i included that link in the

2403

01:52:45,189 --> 01:52:42,159

description below

2404

01:52:47,750 --> 01:52:45,199

so please check out the books um i'm

2405

01:52:49,430 --> 01:52:47,760

um brutally it was an honor thank you

2406

01:52:50,390 --> 01:52:49,440

very much for taking the time to talk to

2407

01:52:52,790 --> 01:52:50,400

me and and to

2408

01:52:54,629 --> 01:52:52,800

answer these questions from everyone

2409

01:52:57,990 --> 01:52:54,639

that watches here for hub

2410

01:52:59,830 --> 01:52:58,000

and um i just um i'm just very

2411

01:53:02,229 --> 01:52:59,840

grateful it's it's uh you know i've

2412

01:53:04,709 --> 01:53:02,239

talked to you once before in person and

2413

01:53:06,229 --> 01:53:04,719

before the show we talked about how i

2414

01:53:07,350 --> 01:53:06,239

was frantically trying to find you

2415

01:53:09,910 --> 01:53:07,360

before you left to

2416

01:53:11,030 --> 01:53:09,920

to have the book that i had of yours to

2417

01:53:13,350 --> 01:53:11,040

have you sign it

2418

01:53:14,390 --> 01:53:13,360

and so it's uh it's quite a different

2419

01:53:16,470 --> 01:53:14,400

experience to

2420

01:53:17,430 --> 01:53:16,480

to speak to the author in person you

2421

01:53:19,270 --> 01:53:17,440

know as opposed to

2422

01:53:21,189 --> 01:53:19,280

you know also just reading their books

2423

01:53:23,189 --> 01:53:21,199

so again thank you for taking the time

2424

01:53:24,790 --> 01:53:23,199

you know i know time is valuable and i

2425

01:53:26,790 --> 01:53:24,800

really appreciate it i'm sure everyone

2426

01:53:29,750 --> 01:53:26,800

else watching does too

2427

01:53:30,550 --> 01:53:29,760

thank you very much so everyone thanks

2428

01:53:32,149 --> 01:53:30,560

again um

2429

01:53:34,390 --> 01:53:32,159

tune in on wednesday we're going to have

2430

01:53:37,350 --> 01:53:34,400

our open lines um

2431

01:53:38,790 --> 01:53:37,360

log in through telegram to dial in and

2432

01:53:42,470 --> 01:53:38,800

share your stories

2433

01:53:45,270 --> 01:53:42,480

and uh okay looks like i've

2434

01:53:46,550 --> 01:53:45,280

lost oh you just simply logged off but

2435

01:53:48,790 --> 01:53:46,560

anyway um

2436

01:53:50,629 --> 01:53:48,800

so what i was going to say is that

2437

01:53:54,629 --> 01:53:50,639

wednesday we're going to have open lines

2438

01:53:57,350 --> 01:53:54,639

friday we're going to have um

2439

01:53:57,990 --> 01:53:57,360

oh another show i'm working on getting a

2440

01:54:00,870 --> 01:53:58,000

guest

2441

01:54:01,430 --> 01:54:00,880

and uh tomorrow is gonna be a webcast

2442

01:54:03,750 --> 01:54:01,440

drop

2443

01:54:04,709 --> 01:54:03,760

a very interesting interview with lisa

2444

01:54:08,470 --> 01:54:04,719

o'hara

2445

01:54:10,470 --> 01:54:08,480

about military abductions

2446

01:54:11,910 --> 01:54:10,480

it's a book she has written called

2447

01:54:14,390 --> 01:54:11,920

abducted and furious

2448

01:54:16,390 --> 01:54:14,400

um how i fought back and how you can too

2449

01:54:17,990 --> 01:54:16,400

so they'll be dropping tomorrow sometime

2450

01:54:20,470 --> 01:54:18,000

in the morning around 7.

2451

01:54:22,229 --> 01:54:20,480

so this week has been it's going to be

2452

01:54:24,709 --> 01:54:22,239

busy for me but that's kind of to make

2453

01:54:26,149 --> 01:54:24,719

up for the past two weeks that i haven't

2454

01:54:28,629 --> 01:54:26,159

other than the wednesday and friday i

2455

01:54:31,270 --> 01:54:28,639

haven't had much much else out here

2456

01:54:31,830 --> 01:54:31,280

so thank you again for for joining us

2457

01:54:34,870 --> 01:54:31,840

today
