00:01:52,830 --> 00:00:14,630
[Music]

2
00:01:52,840 --> 00:02:15,030
so

3
00:02:15,040 --> 00:03:16,830
[Music]

4
00:03:43,990 --> 00:03:19,810
do

5
00:03:47,350 --> 00:03:46,390
hey everyone welcome to the of hub live

6
00:03:49,750 --> 00:03:47,360
stream and

7
00:03:51,910 --> 00:03:49,760
today is open lines where we basically

8
00:03:52,630 --> 00:03:51,920
just share stories and hang out together

9
00:03:54,070 --> 00:03:52,640
online

10
00:03:56,789 --> 00:03:54,080
so for those of you who have joined

11
00:03:58,470 --> 00:03:56,799
welcome um for those that have expected

12
00:03:59,350 --> 00:03:58,480
an interview i'm sorry that's not what

13
00:04:03,670 --> 00:03:59,360

we're having today

14

00:04:06,229 --> 00:04:03,680

is simply just uh people calling in and

15

00:04:08,949 --> 00:04:06,239

through telegram sharing their stories

16

00:04:10,789 --> 00:04:08,959

and just basically hanging out

17

00:04:12,710 --> 00:04:10,799

i still don't have anyone lined up for

18

00:04:14,309 --> 00:04:12,720

friday but tune in friday or check out

19

00:04:16,469 --> 00:04:14,319

some of the other interviews

20

00:04:18,069 --> 00:04:16,479

that i've did earlier there was one with

21

00:04:20,390 --> 00:04:18,079

lisa o'hara

22

00:04:21,909 --> 00:04:20,400

that was about her a book called

23

00:04:24,629 --> 00:04:21,919

abducted and furious

24

00:04:26,230 --> 00:04:24,639

and it's basically about alien and

25

00:04:28,790 --> 00:04:26,240

military abductions

26

00:04:30,469 --> 00:04:28,800

and of course then monday i had the one

27

00:04:31,350 --> 00:04:30,479

and only whitley streeter so please

28

00:04:34,710 --> 00:04:31,360

check that out

29

00:04:37,270 --> 00:04:34,720

but today is just hanging out online um

30

00:04:39,270 --> 00:04:37,280

before i begin or before i uh check to

31

00:04:40,870 --> 00:04:39,280

see who else is in telegram

32

00:04:42,390 --> 00:04:40,880

uh there's a few things i wanted to

33

00:04:45,510 --> 00:04:42,400

cover with you today i made a

34

00:04:48,550 --> 00:04:45,520

made myself a little list so

35

00:04:49,350 --> 00:04:48,560

first things first i usually don't don't

36

00:04:51,670 --> 00:04:49,360

check my phone

37

00:04:53,350 --> 00:04:51,680

i turn it off you know and whatever you

38

00:04:53,990 --> 00:04:53,360

know could happen i'll just let it

39

00:04:56,150 --> 00:04:54,000

happen

40

00:04:57,030 --> 00:04:56,160

but today i have it closely watching

41

00:04:58,950 --> 00:04:57,040

because

42

00:05:00,710 --> 00:04:58,960

um some of you i might have noticed i

43

00:05:02,629 --> 00:05:00,720

mentioned my wife being pregnant and

44

00:05:03,749 --> 00:05:02,639

yada yada throughout these different

45

00:05:07,110 --> 00:05:03,759

shows well

46

00:05:09,350 --> 00:05:07,120

she's getting to pop any minute now so

47

00:05:10,310 --> 00:05:09,360

today we thought it was probably baby

48

00:05:12,710 --> 00:05:10,320

time and

49

00:05:15,189 --> 00:05:12,720

i expected i was going to cancel this

50

00:05:16,230 --> 00:05:15,199

but then it turned out just a very heavy

51

00:05:19,670 --> 00:05:16,240

contraction

52

00:05:22,390 --> 00:05:19,680

anyway so i have my phone here if i

53

00:05:23,990 --> 00:05:22,400

see it depends on what the message is

54

00:05:24,550 --> 00:05:24,000

she might just need my assistance a

55

00:05:26,469 --> 00:05:24,560

little bit

56

00:05:28,150 --> 00:05:26,479

or i might just leave and shut off the

57

00:05:29,990 --> 00:05:28,160

screen of the stream

58

00:05:32,390 --> 00:05:30,000

so i apologize for that i know it's very

59

00:05:35,749 --> 00:05:32,400

unprofessional but i hope you understand

60

00:05:37,189 --> 00:05:35,759

i love you all but she's uh the one and

61

00:05:38,710 --> 00:05:37,199

only in my life so

62

00:05:41,670 --> 00:05:38,720

well of course i have my kids but

63

00:05:44,870 --> 00:05:41,680

they're second and third and fourth

64

00:05:46,870 --> 00:05:44,880

so anyway um the

65

00:05:48,070 --> 00:05:46,880

regarding that so got to get that

66

00:05:51,029 --> 00:05:48,080

covered what i wanted to

67

00:05:52,629 --> 00:05:51,039

talk about next was um something i know

68

00:05:56,150 --> 00:05:52,639

it's not ufo related but

69

00:05:59,029 --> 00:05:56,160

it's regarding colombia and um i

70

00:06:00,950 --> 00:05:59,039

got across some of the footage of some

71

00:06:03,590 --> 00:06:00,960

some stuff happening

72

00:06:05,110 --> 00:06:03,600

there and a whole bunch of chaos and

73

00:06:07,430 --> 00:06:05,120

protests and kind of

74

00:06:10,150 --> 00:06:07,440

escalating beyond protests so i was on

75

00:06:11,749 --> 00:06:10,160

the phone for quite a bit with my um

76

00:06:14,150 --> 00:06:11,759

with my friend rick who is down there

77

00:06:15,990 --> 00:06:14,160

right now actually in that general area

78

00:06:18,629 --> 00:06:16,000

where a lot of that is happening

79

00:06:19,350 --> 00:06:18,639

and um he's trying to see you know what

80

00:06:21,670 --> 00:06:19,360

he can do

81

00:06:23,430 --> 00:06:21,680

to maybe you know flee the country or

82

00:06:25,749 --> 00:06:23,440

leave it you know depends on how

83

00:06:27,189 --> 00:06:25,759

how bad it get it gets because it

84

00:06:29,590 --> 00:06:27,199

already got bad enough

85

00:06:30,550 --> 00:06:29,600

so anyway i was i was just shocked you

86

00:06:32,390 --> 00:06:30,560

know talking

87

00:06:34,230 --> 00:06:32,400

with him and joking around i said hey if

88

00:06:35,830 --> 00:06:34,240

you need me to send the arkansas

89

00:06:37,270 --> 00:06:35,840

national guard i will you just let me

90

00:06:39,909 --> 00:06:37,280

know what i got to do

91

00:06:40,550 --> 00:06:39,919

and um so i hope he has some options i

92

00:06:42,390 --> 00:06:40,560

don't know if

93

00:06:44,629 --> 00:06:42,400

going to the u.s embassy would help him

94

00:06:46,390 --> 00:06:44,639

out any but a lot of stuff is happening

95

00:06:49,950 --> 00:06:46,400

that's un

96

00:06:51,189 --> 00:06:49,960

um you know on um claire not clarified

97

00:06:54,070 --> 00:06:51,199

unverified

98

00:06:55,510 --> 00:06:54,080

and so um i don't i don't want to say it

99

00:06:57,990 --> 00:06:55,520

in case it is false

100

00:06:58,950 --> 00:06:58,000

but it seemed very disturbing so i don't

101
00:07:02,150 --> 00:06:58,960
want to just

102
00:07:04,309 --> 00:07:02,160
spread you know fake news or lies so

103
00:07:05,430 --> 00:07:04,319
i'm not gonna say anything other than

104
00:07:07,510 --> 00:07:05,440
what i've heard from

105
00:07:08,790 --> 00:07:07,520
from my friends and people that that

106
00:07:11,909 --> 00:07:08,800
live down there

107
00:07:13,830 --> 00:07:11,919
so um usually i don't have any

108
00:07:15,350 --> 00:07:13,840
any topics that i would like to start

109
00:07:18,390 --> 00:07:15,360
out with and

110
00:07:20,309 --> 00:07:18,400
again this um open you know

111
00:07:21,589 --> 00:07:20,319
this open lines it's literally open for

112
00:07:23,270 --> 00:07:21,599
us to talk about

113
00:07:24,870 --> 00:07:23,280

everything and anything that we can

114

00:07:28,230 --> 00:07:24,880

possibly talk about

115

00:07:29,990 --> 00:07:28,240

and um um i mean i hope to stick to the

116

00:07:30,790 --> 00:07:30,000

ufo alien and all this stuff but

117

00:07:32,710 --> 00:07:30,800

sometimes

118

00:07:35,110 --> 00:07:32,720

some other things come up that are just

119

00:07:38,629 --> 00:07:35,120

pertinent and important so why not

120

00:07:40,870 --> 00:07:38,639

um something that i didn't

121

00:07:42,469 --> 00:07:40,880

i didn't think about because my outlook

122

00:07:43,110 --> 00:07:42,479

when it comes to alien contact it's

123

00:07:46,309 --> 00:07:43,120

always very

124

00:07:46,790 --> 00:07:46,319

positive to you know always thinking

125

00:07:48,230 --> 00:07:46,800

then

126

00:07:50,150 --> 00:07:48,240

you know if anything is government

127

00:07:52,230 --> 00:07:50,160

related if they release it it's always

128

00:07:55,270 --> 00:07:52,240

yay we're close to disclosure

129

00:07:55,909 --> 00:07:55,280

but the thought occurred to me that i

130

00:07:57,749 --> 00:07:55,919

hope

131

00:07:59,589 --> 00:07:57,759

that all these different releases and

132

00:08:03,110 --> 00:07:59,599

all this stuff that's been happening

133

00:08:06,469 --> 00:08:03,120

that it's not something that

134

00:08:09,909 --> 00:08:06,479

they're setting up to then come

135

00:08:11,430 --> 00:08:09,919

come june i believe or july when they do

136

00:08:13,510 --> 00:08:11,440

release some of these documents that

137

00:08:15,830 --> 00:08:13,520

they're not trying to set it up or

138

00:08:16,710 --> 00:08:15,840

portrayed somehow as some kind of alien

139

00:08:18,869 --> 00:08:16,720

invasion

140

00:08:20,230 --> 00:08:18,879

you know that i hope they really don't

141

00:08:21,909 --> 00:08:20,240

go that direction

142

00:08:23,510 --> 00:08:21,919

you know i because i kept just thinking

143

00:08:24,869 --> 00:08:23,520

oh yeah they're just gonna disclose what

144

00:08:27,350 --> 00:08:24,879

they know and whatnot but

145

00:08:28,950 --> 00:08:27,360

never you know not never but not at this

146

00:08:32,389 --> 00:08:28,960

moment it never really

147

00:08:34,790 --> 00:08:32,399

hasn't occurred to me to go what if they

148

00:08:35,670 --> 00:08:34,800

setting all this up to be something more

149

00:08:37,350 --> 00:08:35,680

negative

150

00:08:40,389 --> 00:08:37,360

because i wouldn't i wouldn't let it

151
00:08:43,509 --> 00:08:40,399
pass the government because generally

152
00:08:46,550 --> 00:08:43,519
you know if you're a victim you know

153
00:08:48,630 --> 00:08:46,560
and and there's a danger you know

154
00:08:49,910 --> 00:08:48,640
to be worried about then you need the

155
00:08:51,990 --> 00:08:49,920
government for this

156
00:08:54,150 --> 00:08:52,000
you know to protect you and help you you

157
00:08:57,509 --> 00:08:54,160
know but if it's something that

158
00:08:58,870 --> 00:08:57,519
generally would kind of put them out of

159
00:09:00,470 --> 00:08:58,880
their job so to say

160
00:09:02,070 --> 00:09:00,480
i don't know how well or how much they

161
00:09:03,990 --> 00:09:02,080
would like that so

162
00:09:05,829 --> 00:09:04,000
it's just some some thoughts have been

163
00:09:08,389 --> 00:09:05,839

rattling around in my melon

164

00:09:08,949 --> 00:09:08,399

uh for a couple of days now and so um i

165

00:09:11,509 --> 00:09:08,959

just

166

00:09:12,949 --> 00:09:11,519

wanted to kind of share them with you

167

00:09:14,550 --> 00:09:12,959

i'm sure everyone that has their own

168

00:09:17,829 --> 00:09:14,560

thoughts and opinion on this

169

00:09:21,030 --> 00:09:17,839

so again i'm hoping they'll release more

170

00:09:22,949 --> 00:09:21,040

and those that need it will find out

171

00:09:25,670 --> 00:09:22,959

what it is that they know and

172

00:09:27,509 --> 00:09:25,680

helps them out somehow some of us and

173

00:09:28,630 --> 00:09:27,519

most of us that are actually at contact

174

00:09:30,150 --> 00:09:28,640

we already

175

00:09:31,670 --> 00:09:30,160

know what's going on they're there they

176

00:09:34,790 --> 00:09:31,680

exist and we're just

177

00:09:37,829 --> 00:09:34,800

trying to work more on our internal

178

00:09:40,389 --> 00:09:37,839

um i guess internal

179

00:09:42,550 --> 00:09:40,399

understanding of what contact means

180

00:09:44,630 --> 00:09:42,560

because anyone that had that content it

181

00:09:46,710 --> 00:09:44,640

contacted changes your life forever

182

00:09:47,910 --> 00:09:46,720

and you kind of are still dealing with

183

00:09:49,829 --> 00:09:47,920

it for years and

184

00:09:51,030 --> 00:09:49,839

going back and trying to to figure

185

00:09:52,870 --> 00:09:51,040

things out so

186

00:09:54,470 --> 00:09:52,880

anyway i'm just putting that out there

187

00:09:56,310 --> 00:09:54,480

that i hope that they're not going to go

188

00:09:58,710 --> 00:09:56,320

that direction but

189

00:09:59,509 --> 00:09:58,720

you know you never know so if some of

190

00:10:01,829 --> 00:09:59,519

you uh

191

00:10:03,590 --> 00:10:01,839

if you have an opinion on it or just

192

00:10:04,389 --> 00:10:03,600

have a cool story that you would like to

193

00:10:06,150 --> 00:10:04,399

share or

194

00:10:07,509 --> 00:10:06,160

any story that you would like to share

195

00:10:08,630 --> 00:10:07,519

that you haven't shared with anyone

196

00:10:12,870 --> 00:10:08,640

before

197

00:10:15,910 --> 00:10:12,880

you're welcome so just to come come by

198

00:10:18,150 --> 00:10:15,920

download the the telegram app

199

00:10:19,350 --> 00:10:18,160

on your computer or on your phone and

200

00:10:22,630 --> 00:10:19,360

you can

201

00:10:25,269 --> 00:10:22,640

basically find a ufo hub group

202

00:10:25,750 --> 00:10:25,279

and just join the voice chat it should

203

00:10:27,670 --> 00:10:25,760

be

204

00:10:29,110 --> 00:10:27,680

right on top saying that it's ongoing

205

00:10:31,670 --> 00:10:29,120

right now and then

206

00:10:32,630 --> 00:10:31,680

you can just be in contact with me

207

00:10:37,829 --> 00:10:32,640

directly

208

00:10:37,839 --> 00:10:40,949

there we go

209

00:10:44,470 --> 00:10:43,910

okay so we have bradley and patrick so

210

00:10:46,550 --> 00:10:44,480

far

211

00:10:48,550 --> 00:10:46,560

so yeah i mean if you want to join

212

00:10:50,710 --> 00:10:48,560

telegram just to use it to listen

213

00:10:52,230 --> 00:10:50,720

please do uh do you might pop up on the

214

00:10:53,670 --> 00:10:52,240

list but only when you raise your hand

215

00:10:54,870 --> 00:10:53,680

does that tell me that you actually want

216

00:10:58,310 --> 00:10:54,880

to talk to me

217

00:11:01,670 --> 00:10:58,320

but right now we have

218

00:11:05,110 --> 00:11:01,680

uh in chat uh bradley cortez

219

00:11:08,790 --> 00:11:05,120

welcome um learning to love one one one

220

00:11:12,470 --> 00:11:08,800

welcome and uh renee cruz

221

00:11:15,509 --> 00:11:12,480

also welcome so um

222

00:11:17,670 --> 00:11:15,519

yeah let me let me see if there's anyone

223

00:11:18,710 --> 00:11:17,680

uh in telegram that would like to start

224

00:11:21,430 --> 00:11:18,720

off uh let me know

225

00:11:23,670 --> 00:11:21,440

otherwise i'll just keep on chitchat and

226

00:11:25,269 --> 00:11:23,680

if there's any of you in in chat that

227

00:11:27,030 --> 00:11:25,279

might have a question you know

228

00:11:27,990 --> 00:11:27,040

especially when it's slow like this i'll

229

00:11:30,949 --> 00:11:28,000

uh

230

00:11:31,350 --> 00:11:30,959

read it and see if i can interact with

231

00:11:34,310 --> 00:11:31,360

you

232

00:11:35,590 --> 00:11:34,320

somehow because this is mainly just for

233

00:11:38,630 --> 00:11:35,600

everyone that's

234

00:11:39,829 --> 00:11:38,640

that's just uh everyone else like me

235

00:11:42,470 --> 00:11:39,839

we're just

236

00:11:43,269 --> 00:11:42,480

hanging out online having our own little

237

00:11:46,550 --> 00:11:43,279

open lines

238

00:11:47,990 --> 00:11:46,560

meetings and sharing stories and

239

00:11:50,470 --> 00:11:48,000

you know usually i always just have

240

00:11:51,829 --> 00:11:50,480

these interviews that start out with a

241

00:11:53,670 --> 00:11:51,839

very specific purpose

242

00:11:55,670 --> 00:11:53,680

let's ask questions let's get to the

243

00:11:56,710 --> 00:11:55,680

bottom some things interview ends and

244

00:11:59,269 --> 00:11:56,720

it's done

245

00:12:00,069 --> 00:11:59,279

but uh this is the most unorganized

246

00:12:02,550 --> 00:12:00,079

things

247

00:12:03,990 --> 00:12:02,560

a thing that i that i've done and i kind

248

00:12:06,230 --> 00:12:04,000

of would like to keep it that way

249

00:12:08,230 --> 00:12:06,240

because when you try to force something

250

00:12:10,550 --> 00:12:08,240

that you know oh it has to

251
00:12:12,470 --> 00:12:10,560
happen you know in you know we have to

252
00:12:15,670 --> 00:12:12,480
speak i have to

253
00:12:17,190 --> 00:12:15,680
say something it's you just you're just

254
00:12:20,550 --> 00:12:17,200
kind of you know pushing a ball

255
00:12:22,310 --> 00:12:20,560
uphill and i would just

256
00:12:24,629 --> 00:12:22,320
i would just rather chill with everyone

257
00:12:27,670 --> 00:12:24,639
else here and and see whatever else

258
00:12:31,750 --> 00:12:30,069
yeah bradley said family first yeah i

259
00:12:33,829 --> 00:12:31,760
think my wife would agree because yeah

260
00:12:35,829 --> 00:12:33,839
we were we were not sure because

261
00:12:37,509 --> 00:12:35,839
she was cooking some some food for the

262
00:12:39,350 --> 00:12:37,519
kids and i was just sitting there

263
00:12:39,990 --> 00:12:39,360

relaxing before i come out here to do

264

00:12:43,190 --> 00:12:40,000

this and

265

00:12:44,310 --> 00:12:43,200

um i guess just standing it's gotten to

266

00:12:46,870 --> 00:12:44,320

a point towards

267

00:12:48,629 --> 00:12:46,880

heavy enough and um so she sat down and

268

00:12:50,790 --> 00:12:48,639

just had that look on her face

269

00:12:52,629 --> 00:12:50,800

and i was like uh is it is it baby time

270

00:12:54,150 --> 00:12:52,639

she's like i don't know

271

00:12:56,069 --> 00:12:54,160

it's like well you just let me know

272

00:12:57,509 --> 00:12:56,079

because we got things in plan

273

00:12:59,190 --> 00:12:57,519

what we need to bring with us where

274

00:13:00,710 --> 00:12:59,200

we're gonna take the kids and who's

275

00:13:02,710 --> 00:13:00,720

gonna watch them and

276

00:13:04,150 --> 00:13:02,720

they got their hopefully their clothes

277

00:13:07,509 --> 00:13:04,160

ready in their backpacks

278

00:13:09,990 --> 00:13:07,519

so um but yeah it's

279

00:13:10,870 --> 00:13:10,000

it could be any any moment now anytime

280

00:13:12,790 --> 00:13:10,880

between now

281

00:13:14,629 --> 00:13:12,800

it i love the doctors they're almost you

282

00:13:16,790 --> 00:13:14,639

know they're worse than the cable people

283

00:13:18,150 --> 00:13:16,800

you know oh it could be any time between

284

00:13:21,350 --> 00:13:18,160

now and two weeks

285

00:13:22,710 --> 00:13:21,360

it's like okay so can you give us a bit

286

00:13:24,310 --> 00:13:22,720

more info it's like well

287

00:13:25,750 --> 00:13:24,320

look for your contractions if they

288

00:13:28,550 --> 00:13:25,760

happen so many per

289

00:13:30,790 --> 00:13:28,560

hour then come out if not then it's just

290

00:13:32,949 --> 00:13:30,800

your body getting ready to have the baby

291

00:13:33,990 --> 00:13:32,959

and sometimes when when they kick in

292

00:13:36,550 --> 00:13:34,000

they're so heavy

293

00:13:38,470 --> 00:13:36,560

you know and and and difficult you know

294

00:13:40,949 --> 00:13:38,480

to deal with that you don't know is it

295

00:13:43,269 --> 00:13:40,959

is it time or is it not time will it

296

00:13:44,790 --> 00:13:43,279

pass in a few minutes you know

297

00:13:46,389 --> 00:13:44,800

because you don't want to get going and

298

00:13:50,790 --> 00:13:46,399

you're halfway there it's like oh

299

00:13:55,670 --> 00:13:50,800

no false alarm but yeah

300

00:14:01,910 --> 00:13:59,350

uh gnome bear said abducted

301
00:14:02,710 --> 00:14:01,920
repeatedly most of my life i remember

302
00:14:04,949 --> 00:14:02,720
much of it

303
00:14:05,910 --> 00:14:04,959
through hypnosis well if you if you

304
00:14:09,670 --> 00:14:05,920
would like to

305
00:14:17,030 --> 00:14:09,680
log into to telegram please log in and

306
00:14:20,629 --> 00:14:17,040
share your story love to hear it

307
00:14:22,470 --> 00:14:20,639
uh uk lady welcome uh roland hello

308
00:14:25,670 --> 00:14:22,480
welcome just joined chat

309
00:14:27,350 --> 00:14:25,680
i realized that my my chat i think is

310
00:14:30,069 --> 00:14:27,360
about 20 second delayed

311
00:14:31,110 --> 00:14:30,079
so sometimes it throws me off looking at

312
00:14:33,269 --> 00:14:31,120
all my screens

313
00:14:34,949 --> 00:14:33,279

i was like why am i silent and then i

314

00:14:39,590 --> 00:14:34,959

realized oh it hasn't gone

315

00:14:45,590 --> 00:14:43,110

well uh some of you that are in um in

316

00:14:47,110 --> 00:14:45,600

on telegram right now do you just uh

317

00:14:48,949 --> 00:14:47,120

want to chit chat a little bit just so

318

00:14:50,790 --> 00:14:48,959

that there's another voice

319

00:14:53,910 --> 00:14:50,800

uh if not that's okay i'm just putting

320

00:14:59,670 --> 00:14:58,790

okay patrick all right patrick you're

321

00:15:03,350 --> 00:14:59,680

unmuted just

322

00:15:06,710 --> 00:15:03,360

mute yourself uh with your end and uh uh

323

00:15:09,990 --> 00:15:06,720

just start talking hey there we go

324

00:15:13,670 --> 00:15:10,000

hello my name is pat malloy uh

325

00:15:14,230 --> 00:15:13,680

i was raising yeah i was raised in south

326

00:15:17,829 --> 00:15:14,240

texas

327

00:15:19,829 --> 00:15:17,839

uh out in the middle of nowhere and uh

328

00:15:21,110 --> 00:15:19,839

i thought it was about three that i

329

00:15:24,389 --> 00:15:21,120

remember

330

00:15:27,430 --> 00:15:24,399

uh the first abduction and uh

331

00:15:29,509 --> 00:15:27,440

uh there were uh they

332

00:15:30,629 --> 00:15:29,519

they look like little monks you know

333

00:15:34,389 --> 00:15:30,639

little old

334

00:15:36,389 --> 00:15:34,399

old old monks and uh i remember the

335

00:15:37,350 --> 00:15:36,399

first time i was aware of them i was in

336

00:15:39,430 --> 00:15:37,360

the kitchen

337

00:15:41,350 --> 00:15:39,440

and getting a drink of water and i'm

338

00:15:44,310 --> 00:15:41,360

just a little bitty guy and i'm on

339

00:15:45,670 --> 00:15:44,320
a stool uh getting the water and i

340

00:15:48,790 --> 00:15:45,680
looked up in the window

341

00:15:49,749 --> 00:15:48,800
and there they were staring at me and i

342

00:15:52,550 --> 00:15:49,759
could see them

343

00:15:54,470 --> 00:15:52,560
clearly the deal is i knew they were

344

00:15:57,350 --> 00:15:54,480
floating in air because

345

00:15:58,230 --> 00:15:57,360
uh that window was a good nine feet off

346

00:16:01,430 --> 00:15:58,240
the ground

347

00:16:04,550 --> 00:16:01,440
on the outside so uh that's pretty

348

00:16:07,030 --> 00:16:04,560
scary yeah so

349

00:16:07,990 --> 00:16:07,040
they they scared the heck out of me and

350

00:16:10,389 --> 00:16:08,000
uh

351

00:16:11,910 --> 00:16:10,399

but from then on i i knew that i was

352

00:16:14,069 --> 00:16:11,920

being adopted

353

00:16:15,910 --> 00:16:14,079

i just knew that things things were

354

00:16:19,269 --> 00:16:15,920

going on

355

00:16:22,389 --> 00:16:19,279

my father was also being abducted and

356

00:16:24,310 --> 00:16:22,399

the deal is uh i i was so angry with him

357

00:16:25,269 --> 00:16:24,320

as a child because he wasn't protecting

358

00:16:28,389 --> 00:16:25,279

me from

359

00:16:29,590 --> 00:16:28,399

these these people and uh you know it

360

00:16:31,990 --> 00:16:29,600

was only in with an

361

00:16:33,030 --> 00:16:32,000

adult mind i could look back and see

362

00:16:35,509 --> 00:16:33,040

well he was

363

00:16:37,829 --> 00:16:35,519

he was on the same boat that i was in he

364

00:16:41,430 --> 00:16:37,839

was being abducted as well

365

00:16:42,389 --> 00:16:41,440

so i i i'm not so sure but i'm pretty

366

00:16:46,790 --> 00:16:42,399

sure that

367

00:16:49,990 --> 00:16:46,800

been my siblings have been

368

00:16:51,030 --> 00:16:50,000

abducted as well so this this has

369

00:16:54,069 --> 00:16:51,040

continued on

370

00:16:56,150 --> 00:16:54,079

until i was in my 60s and

371

00:16:57,910 --> 00:16:56,160

i was working in healthcare i was about

372

00:17:00,790 --> 00:16:57,920

to retire

373

00:17:02,069 --> 00:17:00,800

and uh i was having problems with claw

374

00:17:04,710 --> 00:17:02,079

marks on my back

375

00:17:06,230 --> 00:17:04,720

and scabs and bleeding uh when i went to

376

00:17:07,189 --> 00:17:06,240

work in the morning and working in a

377

00:17:10,230 --> 00:17:07,199

hospital

378

00:17:12,870 --> 00:17:10,240

uh you know that's they were very

379

00:17:14,789 --> 00:17:12,880

careful with blood so a bloody shirt

380

00:17:15,909 --> 00:17:14,799

usually sent me home right away i mean i

381

00:17:17,909 --> 00:17:15,919

i usually

382

00:17:19,270 --> 00:17:17,919

but the scabs would they would be gone

383

00:17:22,309 --> 00:17:19,280

by the end of the day

384

00:17:24,710 --> 00:17:22,319

uh you know it'd almost be healed up

385

00:17:25,510 --> 00:17:24,720

and there's just no way i could have

386

00:17:28,150 --> 00:17:25,520

scratched it

387

00:17:29,830 --> 00:17:28,160

no way i wasn't wearing any necklaces or

388

00:17:31,190 --> 00:17:29,840

anything that could have left those claw

389

00:17:34,230 --> 00:17:31,200

marks

390

00:17:37,350 --> 00:17:34,240

and i've joined uh a ufo

391

00:17:40,310 --> 00:17:37,360

uh experience or support group

392

00:17:41,669 --> 00:17:40,320

where i live and the stories are pretty

393

00:17:44,789 --> 00:17:41,679

much the same

394

00:17:47,270 --> 00:17:44,799

uh some some have more vivid memories

395

00:17:47,990 --> 00:17:47,280

uh you know they they've been taught a

396

00:17:50,070 --> 00:17:48,000

language

397

00:17:52,549 --> 00:17:50,080

or some people say they've they've

398

00:17:55,590 --> 00:17:52,559

actually flown a ship or whatever but

399

00:17:56,710 --> 00:17:55,600

i did regression uh with the dolores

400

00:17:59,110 --> 00:17:56,720

cannon

401
00:18:01,190 --> 00:17:59,120
trained uh hypnotherapist regression

402
00:18:02,870 --> 00:18:01,200
therapist we did five regressions

403
00:18:05,909 --> 00:18:02,880
and that's that's where most of the

404
00:18:09,830 --> 00:18:05,919
information came forward

405
00:18:14,390 --> 00:18:09,840
it's been an interesting journey um

406
00:18:17,270 --> 00:18:14,400
i i think it formed uh or molded my life

407
00:18:18,070 --> 00:18:17,280
into the direction that i've gone in uh

408
00:18:20,710 --> 00:18:18,080
i work in

409
00:18:22,390 --> 00:18:20,720
high technology and have worked in

410
00:18:26,230 --> 00:18:22,400
technology for many many years

411
00:18:29,510 --> 00:18:26,240
so right that's it well patrick um

412
00:18:32,390 --> 00:18:29,520
do you um what i was going to ask about

413
00:18:33,909 --> 00:18:32,400

have you then you know discovered what

414

00:18:34,710 --> 00:18:33,919

what some of the reasoning for your

415

00:18:38,150 --> 00:18:34,720

abductions

416

00:18:39,830 --> 00:18:38,160

what was the um was there any point to

417

00:18:42,549 --> 00:18:39,840

him or were you just still confused

418

00:18:46,390 --> 00:18:42,559

about what's happening uh

419

00:18:51,350 --> 00:18:48,230

that one got infected when i was a

420

00:18:54,870 --> 00:18:51,360

little boy and they

421

00:18:56,870 --> 00:18:54,880

i could play with them and

422

00:18:58,150 --> 00:18:56,880

within no time they would become very

423

00:19:00,230 --> 00:18:58,160

sore and

424

00:19:01,990 --> 00:19:00,240

so i had to have i think i saw the

425

00:19:03,029 --> 00:19:02,000

scarves where they've been cut out by

426

00:19:06,470 --> 00:19:03,039

surgeons

427

00:19:09,510 --> 00:19:06,480

but uh it was mainly uh

428

00:19:11,669 --> 00:19:09,520

harvesting uh from me you know whatever

429

00:19:14,789 --> 00:19:11,679

it was they were harvesting

430

00:19:16,230 --> 00:19:14,799

and uh i'm just

431

00:19:18,470 --> 00:19:16,240

go ahead i was just gonna said you said

432

00:19:20,310 --> 00:19:18,480

they looked uh uh they were monk like or

433

00:19:23,510 --> 00:19:20,320

behave like monks do you know what

434

00:19:25,510 --> 00:19:23,520

yeah yeah well the ones that would take

435

00:19:26,870 --> 00:19:25,520

me look like monks but once i was on

436

00:19:29,029 --> 00:19:26,880

board those

437

00:19:31,350 --> 00:19:29,039

those people were like wearing lab coats

438

00:19:34,230 --> 00:19:31,360

and it was it had the smell of a

439

00:19:35,270 --> 00:19:34,240

dirty refrigerator and i just had that

440

00:19:37,350 --> 00:19:35,280

that funky

441

00:19:38,789 --> 00:19:37,360

refrigerator needs to be cleaned out

442

00:19:42,310 --> 00:19:38,799

smell and

443

00:19:44,390 --> 00:19:42,320

the people uh they're very kind and very

444

00:19:48,470 --> 00:19:44,400

gentle but it was frightening

445

00:19:50,390 --> 00:19:48,480

nevertheless and

446

00:19:51,510 --> 00:19:50,400

there were beings there that i wasn't

447

00:19:54,950 --> 00:19:51,520

allowed to

448

00:19:56,470 --> 00:19:54,960

see uh but i have a suspicion this one

449

00:19:59,029 --> 00:19:56,480

was a mantis

450

00:19:59,669 --> 00:19:59,039

type character but the the feeling of

451
00:20:03,029 --> 00:19:59,679
love

452
00:20:05,590 --> 00:20:03,039
and bliss would would overflow me

453
00:20:06,390 --> 00:20:05,600
sometimes and it would be like right

454
00:20:09,029 --> 00:20:06,400
here

455
00:20:09,990 --> 00:20:09,039
and i really felt loved at the same time

456
00:20:13,029 --> 00:20:10,000
i was scared

457
00:20:15,029 --> 00:20:13,039
you know right

458
00:20:16,630 --> 00:20:15,039
so did you ever talk to your dad about

459
00:20:18,390 --> 00:20:16,640
you know what was happening to him did

460
00:20:19,029 --> 00:20:18,400
you guys ever exchange or share any

461
00:20:21,909 --> 00:20:19,039
stories

462
00:20:23,029 --> 00:20:21,919
yes we did yes we did before he died he

463
00:20:26,230 --> 00:20:23,039

said but

464

00:20:27,669 --> 00:20:26,240

uh i know how you feel and i and

465

00:20:29,510 --> 00:20:27,679

he said there was nothing there's

466

00:20:32,630 --> 00:20:29,520

nothing i can do about it

467

00:20:34,310 --> 00:20:32,640

and uh but i wasn't hearing it at the

468

00:20:37,510 --> 00:20:34,320

time i was still

469

00:20:39,669 --> 00:20:37,520

full of rage and uh

470

00:20:40,630 --> 00:20:39,679

i really wished if i had if i could go

471

00:20:43,510 --> 00:20:40,640

back in time

472

00:20:44,549 --> 00:20:43,520

uh i would like to have just discussed

473

00:20:47,990 --> 00:20:44,559

it without

474

00:20:51,029 --> 00:20:48,000

the the emotions there yeah

475

00:20:52,549 --> 00:20:51,039

right right well i mean i i can i guess

476
00:20:53,669 --> 00:20:52,559
in a way i can understand especially

477
00:20:56,630 --> 00:20:53,679
when your child

478
00:20:57,990 --> 00:20:56,640
you know that's the idea that's put kind

479
00:21:01,029 --> 00:20:58,000
of in your head that your parents are

480
00:21:06,789 --> 00:21:04,070
right i became extremely fearful

481
00:21:07,750 --> 00:21:06,799
of uh situations where i didn't have

482
00:21:11,430 --> 00:21:07,760
control

483
00:21:14,710 --> 00:21:11,440
and uh i have studied uh

484
00:21:16,230 --> 00:21:14,720
child sexual abuse and the dynamics are

485
00:21:19,510 --> 00:21:16,240
very much the same

486
00:21:20,789 --> 00:21:19,520
and i think it's because of the uh the

487
00:21:22,710 --> 00:21:20,799
sexual nature

488
00:21:26,390 --> 00:21:22,720

it wasn't really sexual but the way they

489

00:21:30,789 --> 00:21:26,400

harvested uh whatever it was they were

490

00:21:32,470 --> 00:21:30,799

it was a violation and so uh but i have

491

00:21:35,669 --> 00:21:32,480

never been sexually molested

492

00:21:38,149 --> 00:21:35,679

uh not not by anybody on this planet

493

00:21:39,510 --> 00:21:38,159

you know i'm not kind of a big guy kind

494

00:21:43,510 --> 00:21:39,520

of a big guy too

495

00:21:45,190 --> 00:21:43,520

i mean so you know it there there's a

496

00:21:47,430 --> 00:21:45,200

lot of stuff that finally

497

00:21:49,110 --> 00:21:47,440

came to a head when i got the uh

498

00:21:52,789 --> 00:21:49,120

regression therapy

499

00:21:55,990 --> 00:21:52,799

and uh i'm very thankful for that very

500

00:21:57,909 --> 00:21:56,000

very much right and so uh were these

501
00:21:59,990 --> 00:21:57,919
abductions happening

502
00:22:01,270 --> 00:22:00,000
i said you should i'm sorry if i missed

503
00:22:02,950 --> 00:22:01,280
it earlier you said so

504
00:22:04,470 --> 00:22:02,960
the first event was when you're younger

505
00:22:06,070 --> 00:22:04,480
and then did it continue throughout your

506
00:22:08,710 --> 00:22:06,080
life

507
00:22:10,470 --> 00:22:08,720
i think uh it was happening before i

508
00:22:13,990 --> 00:22:10,480
remembered

509
00:22:15,190 --> 00:22:14,000
i think that probably as a baby or maybe

510
00:22:18,390 --> 00:22:15,200
even in vitro

511
00:22:21,350 --> 00:22:18,400
i was uh probably probably watched

512
00:22:21,830 --> 00:22:21,360
uh but most of my life i felt like i've

513
00:22:24,950 --> 00:22:21,840

been

514

00:22:27,110 --> 00:22:24,960

i'm being watched and i have lived

515

00:22:28,789 --> 00:22:27,120

all over the planet i have worked

516

00:22:32,149 --> 00:22:28,799

everywhere and

517

00:22:34,470 --> 00:22:32,159

and it's uh it's not

518

00:22:37,830 --> 00:22:34,480

uh you know it's just not that it

519

00:22:40,870 --> 00:22:37,840

doesn't matter it doesn't match up

520

00:22:42,870 --> 00:22:40,880

right and so was there

521

00:22:43,909 --> 00:22:42,880

um were there any more interactions was

522

00:22:45,830 --> 00:22:43,919

it just basically

523

00:22:48,070 --> 00:22:45,840

them coming to do whatever they felt

524

00:22:50,070 --> 00:22:48,080

like they need to do and move on or

525

00:22:51,190 --> 00:22:50,080

did you get to have more interactions

526
00:22:53,110 --> 00:22:51,200
and and and

527
00:22:55,029 --> 00:22:53,120
speak to them in some way or at least to

528
00:22:56,789 --> 00:22:55,039
express anger or rage or

529
00:22:58,710 --> 00:22:56,799
or whatever were you able to recall any

530
00:23:01,669 --> 00:22:58,720
of that

531
00:23:02,870 --> 00:23:01,679
well i i have interactions with them uh

532
00:23:07,270 --> 00:23:02,880
sometimes they're

533
00:23:09,110 --> 00:23:07,280
was in

534
00:23:11,350 --> 00:23:09,120
out in the middle of nowhere in arizona

535
00:23:14,470 --> 00:23:11,360
i was driving to

536
00:23:16,870 --> 00:23:14,480
prescott and uh i kept seeing what i

537
00:23:19,350 --> 00:23:16,880
thought were balloons weather balloons

538
00:23:21,430 --> 00:23:19,360

it was the middle of the day and they

539

00:23:24,470 --> 00:23:21,440

were beautiful they were iridescent

540

00:23:26,470 --> 00:23:24,480

in color and i just kept looking at them

541

00:23:28,390 --> 00:23:26,480

while i was going down the highway there

542

00:23:28,870 --> 00:23:28,400

were no other cars on the highway which

543

00:23:33,110 --> 00:23:28,880

i thought

544

00:23:34,390 --> 00:23:33,120

strange and i kept thinking i was going

545

00:23:37,350 --> 00:23:34,400

to go over a rise

546

00:23:38,950 --> 00:23:37,360

and i would see a car lot and these

547

00:23:41,430 --> 00:23:38,960

balloons would be tethered to

548

00:23:42,310 --> 00:23:41,440

you know some used car lot or something

549

00:23:44,390 --> 00:23:42,320

you know

550

00:23:46,070 --> 00:23:44,400

and that didn't happen as a matter of

551
00:23:46,710 --> 00:23:46,080
fact i stopped on the side of the road

552
00:23:49,909 --> 00:23:46,720
and just

553
00:23:51,510 --> 00:23:49,919
watched them and but i could not let out

554
00:23:55,350 --> 00:23:51,520
of my mind

555
00:23:58,070 --> 00:23:55,360
balloons balloons balloons when actually

556
00:23:59,110 --> 00:23:58,080
i could see that these were not balloons

557
00:24:00,950 --> 00:23:59,120
they were orphaning

558
00:24:02,630 --> 00:24:00,960
orbiting each other they would fly away

559
00:24:05,590 --> 00:24:02,640
from each other and come back

560
00:24:06,390 --> 00:24:05,600
they appear to meld and then and then

561
00:24:09,110 --> 00:24:06,400
this went

562
00:24:10,470 --> 00:24:09,120
on for some time and then they just took

563
00:24:13,590 --> 00:24:10,480

off

564

00:24:17,029 --> 00:24:13,600
just flew away quickly abruptly

565

00:24:20,549 --> 00:24:17,039
and uh i still could not get

566

00:24:23,029 --> 00:24:20,559
get loose from the balloon uh

567

00:24:24,149 --> 00:24:23,039
monica cure if you call it i i just

568

00:24:26,149 --> 00:24:24,159
couldn't let it go

569

00:24:29,909 --> 00:24:26,159
when everything else in my mind said

570

00:24:31,590 --> 00:24:29,919
these are not balloons you idiot

571

00:24:32,950 --> 00:24:31,600
well you know that's interesting if i

572

00:24:34,070 --> 00:24:32,960
you know i don't want to take away too

573

00:24:37,669 --> 00:24:34,080
much of yesterday but

574

00:24:39,350 --> 00:24:37,679
when i had my um uh physical experience

575

00:24:40,710 --> 00:24:39,360
there was a similar thing where it was

576

00:24:43,830 --> 00:24:40,720

just uh initially

577

00:24:45,510 --> 00:24:43,840

one red orb and then turned into two

578

00:24:47,510 --> 00:24:45,520

and the whole time i just kept thinking

579

00:24:49,350 --> 00:24:47,520

helicopter helicopter helicopter but

580

00:24:50,149 --> 00:24:49,360

there's nothing like helicopter like

581

00:24:52,230 --> 00:24:50,159

about it

582

00:24:54,230 --> 00:24:52,240

you know i don't know i don't know if it

583

00:24:55,190 --> 00:24:54,240

was just my mind trying to make sense of

584

00:24:56,870 --> 00:24:55,200

it and so

585

00:24:58,630 --> 00:24:56,880

if i was telling myself something it

586

00:25:00,710 --> 00:24:58,640

would just make me feel better

587

00:25:05,269 --> 00:25:00,720

or what but i know exactly what you're

588

00:25:09,430 --> 00:25:07,990

so we're okay in healthcare uh yes

589

00:25:12,710 --> 00:25:09,440

working in healthcare

590

00:25:13,430 --> 00:25:12,720

uh it seems like they were very

591

00:25:17,110 --> 00:25:13,440

interested

592

00:25:19,909 --> 00:25:17,120

in what i was doing and

593

00:25:21,830 --> 00:25:19,919

there were times when i'd be alone in a

594

00:25:23,510 --> 00:25:21,840

server room with a bunch of servers

595

00:25:24,390 --> 00:25:23,520

there in the bottom in the basement of a

596

00:25:27,430 --> 00:25:24,400

hospital

597

00:25:31,029 --> 00:25:27,440

and i would feel a presence

598

00:25:33,029 --> 00:25:31,039

uh you know i it was friendly i i didn't

599

00:25:34,549 --> 00:25:33,039

feel weird about it and hospitals are

600

00:25:36,070 --> 00:25:34,559

haunted anyway but

601
00:25:37,909 --> 00:25:36,080
i just felt there was somebody

602
00:25:40,310 --> 00:25:37,919
overseeing some of the highly

603
00:25:41,909 --> 00:25:40,320
technical work that i was doing at the

604
00:25:43,830 --> 00:25:41,919
time

605
00:25:46,310 --> 00:25:43,840
i was part of the what they called

606
00:25:48,390 --> 00:25:46,320
informatics healthcare informatics

607
00:25:50,470 --> 00:25:48,400
where you get all of these diverse

608
00:25:51,430 --> 00:25:50,480
technologies to communicate with each

609
00:25:55,590 --> 00:25:51,440
other

610
00:25:57,909 --> 00:25:55,600
and uh it uh it was in its infancy and

611
00:25:59,430 --> 00:25:57,919
i've always been sort of a

612
00:26:01,350 --> 00:25:59,440
troubleshooter and out there on the

613
00:26:04,230 --> 00:26:01,360

front line with technology

614

00:26:04,950 --> 00:26:04,240

my entire life so i don't know if that

615

00:26:07,430 --> 00:26:04,960

has a

616

00:26:09,269 --> 00:26:07,440

direct connection to it or not but i do

617

00:26:11,510 --> 00:26:09,279

have these guides

618

00:26:12,870 --> 00:26:11,520

that are invisible that have helped me

619

00:26:16,310 --> 00:26:12,880

solve some serious

620

00:26:19,750 --> 00:26:16,320

problems and i call them my old

621

00:26:22,149 --> 00:26:19,760

dead geeks but i don't know who they are

622

00:26:24,149 --> 00:26:22,159

but they have walked me right right to

623

00:26:24,789 --> 00:26:24,159

the problem when nobody else could find

624

00:26:27,669 --> 00:26:24,799

it

625

00:26:29,510 --> 00:26:27,679

so i i just have learned to rely on them

626

00:26:30,789 --> 00:26:29,520

and you're talking about problems uh in

627

00:26:32,789 --> 00:26:30,799

your job like some

628

00:26:35,430 --> 00:26:32,799

some something broke or something didn't

629

00:26:38,870 --> 00:26:35,440

work is that what you're referring to

630

00:26:42,230 --> 00:26:38,880

yes yes highly tech technical problems

631

00:26:45,029 --> 00:26:42,240

um and also in my

632

00:26:47,590 --> 00:26:45,039

my regular life i i i learned to give a

633

00:26:50,710 --> 00:26:47,600

lot of stuff over to

634

00:26:53,590 --> 00:26:50,720

my i call it higher power that

635

00:26:55,830 --> 00:26:53,600

i just can't handle uh sometimes it's a

636

00:26:58,549 --> 00:26:55,840

relationship that's gone bad or

637

00:27:01,029 --> 00:26:58,559

or i wouldn't say gone bad but just gone

638

00:27:04,830 --> 00:27:03,190

you know pain and that sort of thing

639

00:27:07,269 --> 00:27:04,840

that we deal with in the human

640

00:27:11,190 --> 00:27:07,279

experience

641

00:27:14,310 --> 00:27:11,200

i also work as a healer i do healing i

642

00:27:17,909 --> 00:27:14,320

am able to channel healing energy

643

00:27:21,350 --> 00:27:17,919

and i remain

644

00:27:23,590 --> 00:27:21,360

astounded every time i see it work

645

00:27:25,590 --> 00:27:23,600

i don't understand it i just know i can

646

00:27:29,590 --> 00:27:25,600

feel it and so i do it

647

00:27:31,590 --> 00:27:29,600

and is this something that came about

648

00:27:33,909 --> 00:27:31,600

from interactions with them or just

649

00:27:36,310 --> 00:27:33,919

because you were initially interested in

650

00:27:38,789 --> 00:27:36,320

in in this ufology field that you came

651
00:27:42,630 --> 00:27:38,799
across it

652
00:27:43,190 --> 00:27:42,640
well it was um it was something that

653
00:27:45,590 --> 00:27:43,200
suddenly

654
00:27:46,389 --> 00:27:45,600
was just in my face and i couldn't look

655
00:27:49,909 --> 00:27:46,399
any other

656
00:27:52,470 --> 00:27:49,919
way and this happened in a hospital uh

657
00:27:56,389 --> 00:27:52,480
i was working in the intensive care unit

658
00:28:02,630 --> 00:27:59,510
i just heard this voice that said uh

659
00:28:05,909 --> 00:28:02,640
this person can be easily healed

660
00:28:08,389 --> 00:28:05,919
just put your hand on them and so i did

661
00:28:09,269 --> 00:28:08,399
and i felt something go through me into

662
00:28:12,389 --> 00:28:09,279
this person

663
00:28:13,350 --> 00:28:12,399

and so since then i have studied many

664

00:28:17,029 --> 00:28:13,360

different

665

00:28:20,630 --> 00:28:17,039

types of healing reiki the reconnection

666

00:28:23,029 --> 00:28:20,640

uh oh you name it i've looked into it

667

00:28:24,470 --> 00:28:23,039

and i don't really have a label for it i

668

00:28:27,110 --> 00:28:24,480

just know

669

00:28:28,149 --> 00:28:27,120

that i'm able to do this sort of thing

670

00:28:31,590 --> 00:28:28,159

and i've seen

671

00:28:32,789 --> 00:28:31,600

miraculous things happen uh yeah i can't

672

00:28:35,590 --> 00:28:32,799

take credit for it

673

00:28:38,389 --> 00:28:35,600

uh it's not coming from me it's just

674

00:28:40,310 --> 00:28:38,399

coming through me

675

00:28:42,470 --> 00:28:40,320

right now i see what you mean i've

676

00:28:46,630 --> 00:28:42,480

actually a lot of people i talk to

677

00:28:49,110 --> 00:28:46,640

i've noticed that because they um

678

00:28:50,710 --> 00:28:49,120

they just they just feel this this

679

00:28:53,190 --> 00:28:50,720

energy and they're

680

00:28:54,870 --> 00:28:53,200

basically guided to do certain things

681

00:28:56,549 --> 00:28:54,880

you know over time they kind of

682

00:28:58,389 --> 00:28:56,559

get to know what they are and develop

683

00:29:01,190 --> 00:28:58,399

them into their own little movements

684

00:29:02,870 --> 00:29:01,200

you know and uh but it's it's just

685

00:29:03,669 --> 00:29:02,880

something that they do and feel like

686

00:29:05,750 --> 00:29:03,679

doing and

687

00:29:07,430 --> 00:29:05,760

it benefits us you know to people and

688

00:29:09,909 --> 00:29:07,440

what was what was weird is

689

00:29:11,830 --> 00:29:09,919

there was um an interview in the very

690

00:29:12,470 --> 00:29:11,840

very beginning when i first started i

691

00:29:14,950 --> 00:29:12,480

did with

692

00:29:15,750 --> 00:29:14,960

ginny blankenship and she's she's a

693

00:29:18,710 --> 00:29:15,760

healer too

694

00:29:19,990 --> 00:29:18,720

and um so after we did the session she's

695

00:29:21,750 --> 00:29:20,000

like you know would you like me to

696

00:29:22,389 --> 00:29:21,760

demonstrate and this wasn't on camera i

697

00:29:26,070 --> 00:29:22,399

wish

698

00:29:27,430 --> 00:29:26,080

the time so it's ready you know so

699

00:29:29,909 --> 00:29:27,440

something happens it can be

700

00:29:30,789 --> 00:29:29,919

you know captured but so i just sat

701
00:29:32,950 --> 00:29:30,799
there and

702
00:29:34,950 --> 00:29:32,960
she's you know she just asked me you

703
00:29:36,389 --> 00:29:34,960
know just to relax if i wanted to close

704
00:29:37,909 --> 00:29:36,399
my eyes and make myself

705
00:29:40,230 --> 00:29:37,919
feel a bit more comfortable you know

706
00:29:43,029 --> 00:29:40,240
what whatever helps me to just relax

707
00:29:44,789 --> 00:29:43,039
and i was sitting upright and so she was

708
00:29:46,630 --> 00:29:44,799
just doing whatever she was doing but

709
00:29:50,630 --> 00:29:46,640
with my eyes closed i couldn't see it

710
00:29:54,549 --> 00:29:50,640
i just kept seeing um like this

711
00:29:56,630 --> 00:29:54,559
purplish energy likes

712
00:29:58,230 --> 00:29:56,640
go going back and forth i was like i

713
00:30:01,269 --> 00:29:58,240

know my eyes are closed

714

00:30:03,909 --> 00:30:01,279

i can tell the the the sun

715

00:30:04,310 --> 00:30:03,919

is to to my right but it's it was kind

716

00:30:06,070 --> 00:30:04,320

of

717

00:30:07,669 --> 00:30:06,080

already dampened through some other

718

00:30:09,269 --> 00:30:07,679

curtains so it wasn't as strong but

719

00:30:10,149 --> 00:30:09,279

there was still light coming through and

720

00:30:11,750 --> 00:30:10,159

you can kind of

721

00:30:13,669 --> 00:30:11,760

tell when your eyes are closed the same

722

00:30:15,590 --> 00:30:13,679

way when i do now i see where the

723

00:30:16,950 --> 00:30:15,600

main light source is coming from well

724

00:30:19,669 --> 00:30:16,960

anyway

725

00:30:20,549 --> 00:30:19,679

what's interesting is that i opened my

726

00:30:22,149 --> 00:30:20,559

eyes

727

00:30:24,230 --> 00:30:22,159

through one of those things and it was

728

00:30:27,750 --> 00:30:24,240

her arm moving around

729

00:30:30,710 --> 00:30:27,760

but i could feel i could see it purplish

730

00:30:31,590 --> 00:30:30,720

color and senses like almost um you know

731

00:30:34,630 --> 00:30:31,600

when there's like

732

00:30:36,789 --> 00:30:34,640

enough energy that when you get close to

733

00:30:38,630 --> 00:30:36,799

your hair it kind of like starts

734

00:30:40,630 --> 00:30:38,640

kind of going up that's what it felt

735

00:30:43,110 --> 00:30:40,640

like but she was much further away from

736

00:30:45,190 --> 00:30:43,120

from my head you know and whatever she

737

00:30:47,350 --> 00:30:45,200

was doing so that was interesting

738

00:30:49,269 --> 00:30:47,360

you know whether there's a scientific

739

00:30:50,950 --> 00:30:49,279

explanation for that or not it doesn't

740

00:30:53,430 --> 00:30:50,960

matter it was cool either way

741

00:30:55,190 --> 00:30:53,440

you know and but it did make me feel

742

00:30:57,590 --> 00:30:55,200

better i wasn't as tense

743

00:30:59,350 --> 00:30:57,600

and you know just just this you know

744

00:31:00,070 --> 00:30:59,360

minute or two that's that's all it took

745

00:31:02,789 --> 00:31:00,080

so

746

00:31:03,509 --> 00:31:02,799

um i don't know if it's exactly how it

747

00:31:06,950 --> 00:31:03,519

how it is that

748

00:31:08,789 --> 00:31:06,960

that you go about it but um when when i

749

00:31:10,630 --> 00:31:08,799

you know it's it's always refreshing to

750

00:31:12,070 --> 00:31:10,640

me when um

751

00:31:14,149 --> 00:31:12,080

you know when when i get to witness

752

00:31:15,590 --> 00:31:14,159

something for myself for the first time

753

00:31:17,590 --> 00:31:15,600

you know because you always hear about

754

00:31:17,990 --> 00:31:17,600

reiki healing and everyone's looking at

755

00:31:20,470 --> 00:31:18,000

you know

756

00:31:22,230 --> 00:31:20,480

looking at videos or looking at from the

757

00:31:23,350 --> 00:31:22,240

outside and going what are these silly

758

00:31:25,110 --> 00:31:23,360

people doing you know

759

00:31:29,590 --> 00:31:25,120

and they don't understand maybe the

760

00:31:33,669 --> 00:31:32,389

all right right so i'm just the guy with

761

00:31:35,909 --> 00:31:33,679

the garden nose

762

00:31:37,029 --> 00:31:35,919

and uh i'm just standing there watering

763

00:31:39,590 --> 00:31:37,039

the plants

764

00:31:41,430 --> 00:31:39,600

and the energy isn't coming from me but

765

00:31:44,870 --> 00:31:41,440

just through me and i'm directing

766

00:31:46,710 --> 00:31:44,880

it but i don't always know on a

767

00:31:48,389 --> 00:31:46,720

you know on a conscious level where i'm

768

00:31:50,710 --> 00:31:48,399

directing it that

769

00:31:53,590 --> 00:31:50,720

it seems to take control over my hands

770

00:31:57,269 --> 00:31:53,600

and it will go where it wants to go

771

00:31:57,909 --> 00:31:57,279

uh i don't need to be even on the same

772

00:32:00,630 --> 00:31:57,919

planet

773

00:32:02,549 --> 00:32:00,640

with the person i'm doing this energy

774

00:32:03,509 --> 00:32:02,559

work with they can be in another city

775

00:32:05,669 --> 00:32:03,519

another state

776

00:32:07,590 --> 00:32:05,679

as far as i know they can be on the moon

777

00:32:09,669 --> 00:32:07,600

if i just have an

778

00:32:11,509 --> 00:32:09,679

idea of what they look like or a

779

00:32:14,549 --> 00:32:11,519

connection

780

00:32:17,190 --> 00:32:14,559

um like knowing somebody that knows them

781

00:32:17,830 --> 00:32:17,200

then it i can do it at a prescribed time

782

00:32:21,029 --> 00:32:17,840

with them

783

00:32:22,710 --> 00:32:21,039

and i love doing it i always get

784

00:32:27,110 --> 00:32:22,720

something out of it it uh

785

00:32:29,029 --> 00:32:27,120

it renews me as it renews them

786

00:32:30,310 --> 00:32:29,039

so i don't do it all the time i'm not

787

00:32:35,509 --> 00:32:30,320

doing it professionally

788

00:32:38,870 --> 00:32:35,519

uh i have offered many many many friends

789

00:32:40,230 --> 00:32:38,880

my services and and some kind of are

790

00:32:43,830 --> 00:32:40,240

tummy cheek about it

791

00:32:47,029 --> 00:32:43,840

but none of them ever refuse it

792

00:32:50,389 --> 00:32:49,029

as a matter of fact i've had some people

793

00:32:52,630 --> 00:32:50,399

ask me to do

794

00:32:53,750 --> 00:32:52,640

they call it voodoo if i could do some

795

00:32:57,110 --> 00:32:53,760

more voodoo on them

796

00:32:57,830 --> 00:32:57,120

that it worked right that's funny it's

797

00:33:01,909 --> 00:32:57,840

not voodoo

798

00:33:03,750 --> 00:33:01,919

it's it's just i i think i'm channeling

799

00:33:05,909 --> 00:33:03,760

maybe the energy that maybe some of

800

00:33:09,269 --> 00:33:05,919

these beings that have worked on me

801
00:33:11,430 --> 00:33:09,279
have gifted me with so

802
00:33:12,389 --> 00:33:11,440
that's right well patrick sit tight i

803
00:33:13,909 --> 00:33:12,399
just want to ask you a few more

804
00:33:15,509 --> 00:33:13,919
questions i just want to address the

805
00:33:18,070 --> 00:33:15,519
general audience real quick

806
00:33:19,830 --> 00:33:18,080
so anyone that's watching right now uh

807
00:33:21,590 --> 00:33:19,840
you can join me on telegram

808
00:33:23,509 --> 00:33:21,600
uh if you have some stories you would

809
00:33:26,149 --> 00:33:23,519
like to share come on in

810
00:33:27,110 --> 00:33:26,159
uh just download the app telegram and

811
00:33:28,789 --> 00:33:27,120
you can

812
00:33:30,149 --> 00:33:28,799
also find a link in the description

813
00:33:32,870 --> 00:33:30,159

below and

814

00:33:34,070 --> 00:33:32,880

find a ufo hub group and join it there's

815

00:33:36,470 --> 00:33:34,080

a voice chat

816

00:33:37,909 --> 00:33:36,480

going on right now and just simply

817

00:33:39,990 --> 00:33:37,919

there's there should be a button that

818

00:33:41,750 --> 00:33:40,000

looks like uh like you're raising your

819

00:33:43,750 --> 00:33:41,760

hand which tells me that you

820

00:33:45,350 --> 00:33:43,760

want to speak and then that way i'll

821

00:33:47,590 --> 00:33:45,360

just keep you in my queue and have you

822

00:33:50,710 --> 00:33:47,600

come on next whenever you are ready so

823

00:33:53,350 --> 00:33:50,720

don't be afraid uh join us

824

00:33:54,470 --> 00:33:53,360

whenever you can so um uh patrick i just

825

00:33:57,590 --> 00:33:54,480

want to ask you as

826

00:34:01,350 --> 00:33:57,600

regarding again um the the monk like

827

00:34:03,990 --> 00:34:01,360

was it something um does those beings

828

00:34:05,990 --> 00:34:04,000

could is it just something how you would

829

00:34:08,550 --> 00:34:06,000

you say would you label them as grace or

830

00:34:10,869 --> 00:34:08,560

were they something else

831

00:34:11,750 --> 00:34:10,879

there was something else um i have seen

832

00:34:14,550 --> 00:34:11,760

grace

833

00:34:16,950 --> 00:34:14,560

and they look more like i i work in

834

00:34:18,470 --> 00:34:16,960

alaska and they look to me like paul art

835

00:34:20,470 --> 00:34:18,480

arctic hares

836

00:34:23,030 --> 00:34:20,480

i mean they're not tall beings but they

837

00:34:26,550 --> 00:34:23,040

look they look like huge rabbits uh

838

00:34:28,950 --> 00:34:26,560

to me and with big eyes and uh

839

00:34:30,149 --> 00:34:28,960

and where i lived in alaska there were a

840

00:34:33,510 --> 00:34:30,159

lot of uh

841

00:34:36,550 --> 00:34:33,520

there was a lot of ufo activity um

842

00:34:38,790 --> 00:34:36,560

so getting back to uh these

843

00:34:40,869 --> 00:34:38,800

creatures that i initially remembered

844

00:34:41,430 --> 00:34:40,879

they they i i just got the feeling they

845

00:34:44,710 --> 00:34:41,440

were

846

00:34:47,829 --> 00:34:44,720

incredibly old very old i mean

847

00:34:51,109 --> 00:34:47,839

you know maybe a thousand years old

848

00:34:53,990 --> 00:34:51,119

they looked like ancient ancient men

849

00:34:55,270 --> 00:34:54,000

and these robes that they had on they it

850

00:34:57,430 --> 00:34:55,280

made them look like oh

851
00:34:59,190 --> 00:34:57,440
they were brown uh they were they made

852
00:35:01,030 --> 00:34:59,200
them look like little bitty franciscan

853
00:35:03,990 --> 00:35:01,040
monks

854
00:35:05,270 --> 00:35:04,000
so you know they were they were sweet

855
00:35:11,750 --> 00:35:05,280
they were

856
00:35:12,630 --> 00:35:11,760
violent with me i mean they had to

857
00:35:15,670 --> 00:35:12,640
restrain me

858
00:35:15,990 --> 00:35:15,680
but i was just a little boy oh and one

859
00:35:19,190 --> 00:35:16,000
time

860
00:35:20,470 --> 00:35:19,200
i drowned and they pulled me out of the

861
00:35:23,589 --> 00:35:20,480
river

862
00:35:26,630 --> 00:35:23,599
excuse me uh i was probably about four

863
00:35:28,790 --> 00:35:26,640

and i fell in a river and into a deep

864

00:35:29,990 --> 00:35:28,800

current and it drugged me under and i

865

00:35:33,109 --> 00:35:30,000

was breathing water

866

00:35:35,589 --> 00:35:33,119

in and i could see

867

00:35:36,630 --> 00:35:35,599

i i know that i left the body because i

868

00:35:39,589 --> 00:35:36,640

uh

869

00:35:41,510 --> 00:35:39,599

i was separated from it and then it was

870

00:35:43,109 --> 00:35:41,520

like this huge hand

871

00:35:44,710 --> 00:35:43,119

just reached into the river and put me

872

00:35:48,390 --> 00:35:44,720

on the shore and

873

00:35:51,190 --> 00:35:48,400

uh and then i was coughing water

874

00:35:52,390 --> 00:35:51,200

and that sort of thing but yeah it was

875

00:35:54,870 --> 00:35:52,400

uh

876

00:35:56,470 --> 00:35:54,880

i i know they were watching me you know

877

00:35:57,910 --> 00:35:56,480

i mean

878

00:35:58,960 --> 00:35:57,920

they were doing a lot better job than my

879

00:36:02,790 --> 00:35:58,970

mother i might add

880

00:36:05,670 --> 00:36:02,800

[Laughter]

881

00:36:07,270 --> 00:36:05,680

right well i mean well i hope that

882

00:36:08,069 --> 00:36:07,280

because there's some kind of compassion

883

00:36:10,150 --> 00:36:08,079

and they they

884

00:36:12,150 --> 00:36:10,160

want to save you because of that instead

885

00:36:14,150 --> 00:36:12,160

they're like oh our test subject is

886

00:36:17,829 --> 00:36:14,160

gonna die we better save them for

887

00:36:20,950 --> 00:36:17,839

many more years of testing you know

888

00:36:22,870 --> 00:36:20,960

yeah well they uh this year

889

00:36:25,109 --> 00:36:22,880

i had probably about twenty thousand

890

00:36:28,150 --> 00:36:25,119

dollars worth of medical tests run

891

00:36:31,750 --> 00:36:28,160

and there is absolutely nothing

892

00:36:33,589 --> 00:36:31,760

wrong with me whatsoever and uh

893

00:36:35,910 --> 00:36:33,599

we were chasing after some problems

894

00:36:39,270 --> 00:36:35,920

which i we later identified as

895

00:36:41,270 --> 00:36:39,280

uh as a dietary issue and so i've just

896

00:36:41,829 --> 00:36:41,280

changed my diet and most of it's gone

897

00:36:44,870 --> 00:36:41,839

but

898

00:36:46,470 --> 00:36:44,880

uh i've seen seven special specialist

899

00:36:49,510 --> 00:36:46,480

heart specialists whatever

900

00:36:50,230 --> 00:36:49,520

and for somebody my age to have that

901
00:36:53,190 --> 00:36:50,240
kind of

902
00:36:54,150 --> 00:36:53,200
clean bill of health it's just um it's

903
00:36:56,870 --> 00:36:54,160
phenomenal

904
00:36:59,910 --> 00:36:56,880
it's good it really is so yeah that is

905
00:37:04,230 --> 00:37:02,069
um patrick i think you you answered this

906
00:37:06,550 --> 00:37:04,240
one credit for a lot

907
00:37:08,550 --> 00:37:06,560
oh i see like them helping you out

908
00:37:11,589 --> 00:37:08,560
throughout the years

909
00:37:13,510 --> 00:37:11,599
yes uh uh i think i

910
00:37:14,790 --> 00:37:13,520
asked you disarray but this one is from

911
00:37:16,950 --> 00:37:14,800
roland in chat

912
00:37:21,349 --> 00:37:16,960
he's asking did they say anything to him

913
00:37:25,349 --> 00:37:22,710

you know they did the way they

914

00:37:28,470 --> 00:37:25,359

communicate with me is like downloads

915

00:37:30,550 --> 00:37:28,480

and they also plant seeds

916

00:37:31,829 --> 00:37:30,560

and uh when i say seeds there are

917

00:37:34,870 --> 00:37:31,839

thought seeds

918

00:37:38,069 --> 00:37:34,880

that sort of blossom later on uh

919

00:37:38,950 --> 00:37:38,079

like later after the event uh maybe in

920

00:37:41,670 --> 00:37:38,960

the week

921

00:37:41,990 --> 00:37:41,680

some people just hit me and it will be

922

00:37:44,390 --> 00:37:42,000

so

923

00:37:45,829 --> 00:37:44,400

clear and i'll understand it uh

924

00:37:49,270 --> 00:37:45,839

implicitly

925

00:37:51,030 --> 00:37:49,280

uh so eric it was never verbal

926
00:37:52,470 --> 00:37:51,040
and probably my screaming was the most

927
00:37:55,270 --> 00:37:52,480
verbal thing uh

928
00:37:56,550 --> 00:37:55,280
but when i was a kid but it was always

929
00:37:58,630 --> 00:37:56,560
telepathic

930
00:38:01,430 --> 00:37:58,640
right yeah but and that's was it just

931
00:38:04,790 --> 00:38:03,910
no so far a better way to communicate

932
00:38:07,750 --> 00:38:04,800
it's far better

933
00:38:08,710 --> 00:38:07,760
than verbal but because you implicitly

934
00:38:12,069 --> 00:38:08,720
understand it

935
00:38:14,470 --> 00:38:12,079
and it's a lot of information at once

936
00:38:16,230 --> 00:38:14,480
right and regarding your screaming was

937
00:38:17,750 --> 00:38:16,240
it just because you were scared and not

938
00:38:18,150 --> 00:38:17,760

knowing and understanding what's going

939

00:38:20,470 --> 00:38:18,160

on

940

00:38:22,150 --> 00:38:20,480

or was there something that that caused

941

00:38:30,310 --> 00:38:22,160

pain

942

00:38:32,790 --> 00:38:30,320

um

943

00:38:33,990 --> 00:38:32,800

because a lot of different stories when

944

00:38:36,950 --> 00:38:34,000

early i mentioned that i

945

00:38:37,829 --> 00:38:36,960

interviewed lisa o'hara and she had a

946

00:38:40,390 --> 00:38:37,839

lot of

947

00:38:41,270 --> 00:38:40,400

what i guess what's what described mill

948

00:38:45,670 --> 00:38:41,280

lab or

949

00:38:47,990 --> 00:38:45,680

military abduction type scenarios and

950

00:38:49,910 --> 00:38:48,000

i think halfway through she she sent me

951
00:38:50,630 --> 00:38:49,920
some pictures so i put the pictures up

952
00:38:53,670 --> 00:38:50,640
on the two

953
00:38:54,790 --> 00:38:53,680
to to show what she was what she was

954
00:38:58,310 --> 00:38:54,800
referring to

955
00:39:00,950 --> 00:38:58,320
different uh triangular marks um

956
00:39:02,870 --> 00:39:00,960
of i guess some kind of type of syringes

957
00:39:05,990 --> 00:39:02,880
that were left these bruises

958
00:39:07,910 --> 00:39:06,000
behind and and whatnot and um

959
00:39:09,750 --> 00:39:07,920
you know the just this whole general

960
00:39:12,870 --> 00:39:09,760
scenario in my experience

961
00:39:13,990 --> 00:39:12,880
has always been very very like growing

962
00:39:16,630 --> 00:39:14,000
and understanding

963
00:39:17,109 --> 00:39:16,640

you know experience and so it's almost

964

00:39:19,510 --> 00:39:17,119

like

965

00:39:21,670 --> 00:39:19,520

uh this is going somewhere catch up

966

00:39:22,630 --> 00:39:21,680

understand it so that you can convey it

967

00:39:24,310 --> 00:39:22,640

eventually

968

00:39:25,910 --> 00:39:24,320

you know that was my understanding but i

969

00:39:27,910 --> 00:39:25,920

can't say that

970

00:39:29,430 --> 00:39:27,920

obviously there are more some that i've

971

00:39:31,990 --> 00:39:29,440

talked to and and most have

972

00:39:32,550 --> 00:39:32,000

that i've heard of that it's it's always

973

00:39:36,870 --> 00:39:32,560

those

974

00:39:38,470 --> 00:39:36,880

with while while they're

975

00:39:40,710 --> 00:39:38,480

while it's happening having to either be

976

00:39:43,750 --> 00:39:40,720

scared because of how they look or

977

00:39:45,990 --> 00:39:43,760

some procedure is very you know menacing

978

00:39:48,470 --> 00:39:46,000

in some way or it actually does hurt

979

00:39:49,109 --> 00:39:48,480

physically so it's just there's a wide

980

00:39:50,550 --> 00:39:49,119

variety

981

00:39:52,710 --> 00:39:50,560

of you know of people out there that

982

00:39:54,950 --> 00:39:52,720

have conveyed very much the same thing

983

00:39:56,470 --> 00:39:54,960

but i wanted to ask you while you were

984

00:39:59,190 --> 00:39:56,480

those remembrances

985

00:39:59,990 --> 00:39:59,200

obviously do you remember was there

986

00:40:01,750 --> 00:40:00,000

anything

987

00:40:03,670 --> 00:40:01,760

uh during your regressions there were

988

00:40:05,670 --> 00:40:03,680

also that you remembered more of your

989

00:40:07,829 --> 00:40:05,680

state of mind of what you felt

990

00:40:08,710 --> 00:40:07,839

was it was it like a weird feeling to be

991

00:40:11,589 --> 00:40:08,720

on these different

992

00:40:12,309 --> 00:40:11,599

ships or locations wherever they are or

993

00:40:15,349 --> 00:40:12,319

did you

994

00:40:18,470 --> 00:40:15,359

do do you have any information on that

995

00:40:19,910 --> 00:40:18,480

yes yes i do as an adult i remembered

996

00:40:23,510 --> 00:40:19,920

some of the

997

00:40:23,990 --> 00:40:23,520

abductions i would remember snippets by

998

00:40:27,910 --> 00:40:24,000

the way they

999

00:40:31,589 --> 00:40:27,920

did take scoops of flesh

1000

00:40:34,630 --> 00:40:31,599

and so i had scoop marks as well um

1001

00:40:38,309 --> 00:40:34,640

so one i felt

1002

00:40:41,190 --> 00:40:38,319

i was sort of shown my future and that

1003

00:40:41,670 --> 00:40:41,200

i would always be working in technology

1004

00:40:45,670 --> 00:40:41,680

but

1005

00:40:47,589 --> 00:40:45,680

uh at one point i was in a spacecraft

1006

00:40:48,790 --> 00:40:47,599

and i called the spacecraft i don't know

1007

00:40:51,589 --> 00:40:48,800

where we were

1008

00:40:53,030 --> 00:40:51,599

uh i i suspect we were above the year

1009

00:40:55,750 --> 00:40:53,040

and uh

1010

00:40:55,990 --> 00:40:55,760

i was with a bunch of really young young

1011

00:40:57,349 --> 00:40:56,000

men

1012

00:41:00,470 --> 00:40:57,359

[Music]

1013

00:41:03,109 --> 00:41:00,480

and we were all engineers of sorts

1014

00:41:04,550 --> 00:41:03,119

and i was looking at them with some

1015

00:41:08,230 --> 00:41:04,560

degree of nd

1016

00:41:10,790 --> 00:41:08,240

but also some degree of resolve like uh

1017

00:41:11,270 --> 00:41:10,800

i i was i was envy that they were they

1018

00:41:13,349 --> 00:41:11,280

had

1019

00:41:14,390 --> 00:41:13,359

so much ahead of them and so much to

1020

00:41:17,349 --> 00:41:14,400

accomplish

1021

00:41:18,069 --> 00:41:17,359

and uh the rewards of that and at the

1022

00:41:20,150 --> 00:41:18,079

same time

1023

00:41:21,270 --> 00:41:20,160

i was like i'm glad i've gotten through

1024

00:41:24,150 --> 00:41:21,280

that

1025

00:41:26,790 --> 00:41:24,160

so it was a mixed feeling if you will

1026
00:41:29,589 --> 00:41:26,800
and then another time i was on a deck

1027
00:41:31,270 --> 00:41:29,599
and uh i'm looking at the earth and it

1028
00:41:34,150 --> 00:41:31,280
was like being on someone's patio at

1029
00:41:37,750 --> 00:41:34,160
their house a concrete patio but it was

1030
00:41:40,790 --> 00:41:37,760
um they had like a plasma type

1031
00:41:44,309 --> 00:41:40,800
window where it's not really glass it's

1032
00:41:47,349 --> 00:41:44,319
some sort of electronic field that

1033
00:41:50,069 --> 00:41:47,359
i i want to say it's plasma and

1034
00:41:51,510 --> 00:41:50,079
it was really nice just taking a look at

1035
00:41:53,430 --> 00:41:51,520
the planet from that

1036
00:41:55,109 --> 00:41:53,440
that point we were way out beyond the

1037
00:41:57,430 --> 00:41:55,119
satellites

1038
00:42:00,710 --> 00:41:57,440

we were you know probably halfway

1039

00:42:03,510 --> 00:42:00,720

between the moon and planet

1040

00:42:03,990 --> 00:42:03,520

so those were two that really stood out

1041

00:42:07,670 --> 00:42:04,000

and then

1042

00:42:11,829 --> 00:42:07,680

other times um it's it's just been

1043

00:42:14,550 --> 00:42:11,839

a routine you know like uh assembly line

1044

00:42:17,589 --> 00:42:17,109

right um pauline b from the chat she

1045

00:42:20,630 --> 00:42:17,599

wanted

1046

00:42:22,790 --> 00:42:20,640

she was wondering says um hi edna can

1047

00:42:24,390 --> 00:42:22,800

you ask him if he can remember any

1048

00:42:25,829 --> 00:42:24,400

before life agreements

1049

00:42:27,510 --> 00:42:25,839

do you know what she's referring to

1050

00:42:30,990 --> 00:42:27,520

there

1051

00:42:33,990 --> 00:42:31,000

uh yes okay as i was shown uh

1052

00:42:37,190 --> 00:42:34,000

a group of like beings that

1053

00:42:39,750 --> 00:42:37,200

are apparently beings that i

1054

00:42:42,710 --> 00:42:39,760

uh returned to earth over and over with

1055

00:42:45,670 --> 00:42:42,720

and we played different roles

1056

00:42:47,750 --> 00:42:45,680

they were um there i want to say there

1057

00:42:50,470 --> 00:42:47,760

was 144 that's a number that

1058

00:42:51,430 --> 00:42:50,480

picked out and they were varying

1059

00:42:53,430 --> 00:42:51,440

intensities

1060

00:42:55,030 --> 00:42:53,440

of light and i understood that i was one

1061

00:42:57,349 --> 00:42:55,040

of them um

1062

00:42:58,309 --> 00:42:57,359

if i looked at them they would show me a

1063

00:43:01,990 --> 00:42:58,319

human form

1064

00:43:04,630 --> 00:43:02,000

but that was just for my uh reference

1065

00:43:06,390 --> 00:43:04,640

you know something that i could you know

1066

00:43:09,990 --> 00:43:06,400

they said well that we're

1067

00:43:10,470 --> 00:43:10,000

we're this and uh and a lot of times

1068

00:43:14,390 --> 00:43:10,480

they

1069

00:43:17,030 --> 00:43:14,400

will

1070

00:43:18,550 --> 00:43:17,040

understand it with references of this

1071

00:43:21,430 --> 00:43:18,560

planet and the work i do

1072

00:43:22,790 --> 00:43:21,440

for example like a computer network they

1073

00:43:26,470 --> 00:43:22,800

just showed me

1074

00:43:28,950 --> 00:43:26,480

all of this light energy and i just

1075

00:43:29,829 --> 00:43:28,960

assumed it was the equivalent to fiber

1076

00:43:32,550 --> 00:43:29,839

optic

1077

00:43:33,109 --> 00:43:32,560

and uh it was a huge tube of light

1078

00:43:36,309 --> 00:43:33,119

energy

1079

00:43:37,910 --> 00:43:36,319

and apparently it was a memory device

1080

00:43:41,190 --> 00:43:37,920

and now they store memory it's all

1081

00:43:44,390 --> 00:43:41,200

stored in light like particles

1082

00:43:48,390 --> 00:43:45,829

oh well yeah wow that's pretty

1083

00:43:50,790 --> 00:43:48,400

interesting um i mean please continue

1084

00:43:52,630 --> 00:43:50,800

was was there more i mean whatever you

1085

00:43:53,030 --> 00:43:52,640

might remember you know please do share

1086

00:43:54,550 --> 00:43:53,040

i mean

1087

00:43:56,230 --> 00:43:54,560

people out there would would love to

1088

00:43:59,829 --> 00:43:56,240

hear

1089

00:44:01,829 --> 00:43:59,839

and i do as well obviously

1090

00:44:03,430 --> 00:44:01,839

most of this came out during the

1091

00:44:05,430 --> 00:44:03,440

regression therapy with

1092

00:44:07,109 --> 00:44:05,440

dolores cannon trainer it was a fellow

1093

00:44:10,550 --> 00:44:07,119

out of dallas texas

1094

00:44:12,390 --> 00:44:10,560

and i saw him five times and i really i

1095

00:44:15,190 --> 00:44:12,400

just wanted to find out why i had

1096

00:44:16,870 --> 00:44:15,200

a physical problem that could not be

1097

00:44:18,870 --> 00:44:16,880

treated medically and

1098

00:44:20,870 --> 00:44:18,880

once i realized what it was through the

1099

00:44:23,270 --> 00:44:20,880

therapy the problem went away

1100

00:44:24,550 --> 00:44:23,280

it dissipated i've never been bothered

1101

00:44:27,829 --> 00:44:24,560

with it since

1102

00:44:30,710 --> 00:44:27,839

but uh uh it was the life between

1103

00:44:31,910 --> 00:44:30,720

live things that really got me that way

1104

00:44:35,750 --> 00:44:31,920

we sort of pick

1105

00:44:38,150 --> 00:44:35,760

uh what we want to experience um

1106

00:44:38,870 --> 00:44:38,160

we come up with kind of a plan but we

1107

00:44:42,550 --> 00:44:38,880

have

1108

00:44:46,390 --> 00:44:42,560

freedom of um freedom of choice

1109

00:44:48,630 --> 00:44:46,400

and so these variables

1110

00:44:50,309 --> 00:44:48,640

are some of them are up to us but there

1111

00:44:53,109 --> 00:44:50,319

are some hardcore stuff that

1112

00:44:54,630 --> 00:44:53,119

we will experience and i i can remember

1113

00:44:56,950 --> 00:44:54,640

that when i chose this life

1114

00:44:57,670 --> 00:44:56,960

that there were there were just some

1115

00:45:00,950 --> 00:44:57,680

things i

1116

00:45:03,270 --> 00:45:00,960

i really wanted to experience and uh

1117

00:45:04,390 --> 00:45:03,280

i think i i think i've accomplished that

1118

00:45:07,670 --> 00:45:04,400

to some degree

1119

00:45:09,750 --> 00:45:07,680

um you know um i

1120

00:45:11,349 --> 00:45:09,760

they have their list i have my list and

1121

00:45:12,470 --> 00:45:11,359

uh sometimes i don't like what's on

1122

00:45:16,309 --> 00:45:12,480

their list but

1123

00:45:18,820 --> 00:45:16,319

i just went through it anyway right

1124

00:45:21,430 --> 00:45:18,830

and um what about um

1125

00:45:24,630 --> 00:45:21,440

[Music]

1126

00:45:26,150 --> 00:45:24,640

what were they with so did they

1127

00:45:28,470 --> 00:45:26,160

are they continuing this contact with

1128

00:45:31,030 --> 00:45:28,480

you even now or is this

1129

00:45:32,710 --> 00:45:31,040

something that seems yeah but it's it's

1130

00:45:34,870 --> 00:45:32,720

not like uh

1131

00:45:37,109 --> 00:45:34,880

they just come and visit and uh usually

1132

00:45:39,030 --> 00:45:37,119

i talk with them through meditation

1133

00:45:40,150 --> 00:45:39,040

and there is a group of us that get

1134

00:45:42,790 --> 00:45:40,160

together who are

1135

00:45:44,470 --> 00:45:42,800

pretty much on the same experiencing the

1136

00:45:46,230 --> 00:45:44,480

same thing we were experiencers

1137

00:45:48,470 --> 00:45:46,240

and when we go into our meditation it's

1138

00:45:51,510 --> 00:45:48,480

really not a meditation

1139

00:45:52,550 --> 00:45:51,520

it's more of a communication uh last

1140

00:45:54,950 --> 00:45:52,560

night

1141

00:45:55,910 --> 00:45:54,960

they show us symbols uh they talk to us

1142

00:45:57,589 --> 00:45:55,920

in symbols

1143

00:45:59,270 --> 00:45:57,599

and then it's up to us to do the

1144

00:46:00,069 --> 00:45:59,280

research on the symbol to find out what

1145

00:46:02,470 --> 00:46:00,079

the symbols are

1146

00:46:04,710 --> 00:46:02,480

and i'm not the sharpest attack in the

1147

00:46:07,589 --> 00:46:04,720

box when it comes to some of this stuff

1148

00:46:08,470 --> 00:46:07,599

and when it's happening i'll file it

1149

00:46:10,630 --> 00:46:08,480

away but i

1150

00:46:11,670 --> 00:46:10,640

i don't register what they're trying to

1151

00:46:13,910 --> 00:46:11,680

say

1152

00:46:14,790 --> 00:46:13,920

until later on after the fact and then i

1153

00:46:16,950 --> 00:46:14,800

can do

1154

00:46:18,630 --> 00:46:16,960

some thought and meditation on it and

1155

00:46:20,550 --> 00:46:18,640

then it comes through me what they're

1156

00:46:23,910 --> 00:46:20,560

trying to tell me or direct me

1157

00:46:27,109 --> 00:46:23,920

to do so

1158

00:46:30,309 --> 00:46:27,119

like i said they're thought bombs right

1159

00:46:31,270 --> 00:46:30,319

you know um see i don't you know i don't

1160

00:46:33,829 --> 00:46:31,280

know if if

1161

00:46:35,190 --> 00:46:33,839

when you say that if that means the same

1162

00:46:37,190 --> 00:46:35,200

thing that what i

1163

00:46:38,470 --> 00:46:37,200

uh you know experience because sometimes

1164

00:46:41,349 --> 00:46:38,480

somebody asked me how

1165

00:46:42,150 --> 00:46:41,359

does these what is it what is this

1166

00:46:45,270 --> 00:46:42,160

communication

1167

00:46:47,109 --> 00:46:45,280

like and especially like psychic if if

1168

00:46:49,030 --> 00:46:47,119

you are conveyed something or a lot of

1169

00:46:50,790 --> 00:46:49,040

the information i was conveyed it was so

1170

00:46:52,950 --> 00:46:50,800

weird because

1171

00:46:54,790 --> 00:46:52,960

you know how a lot of us we don't pay

1172

00:46:55,349 --> 00:46:54,800

attention to this but happens to us all

1173

00:46:57,430 --> 00:46:55,359

the time

1174

00:46:59,430 --> 00:46:57,440

like let's say you have a thought that

1175

00:47:01,670 --> 00:46:59,440

oh i'm thirsty i would like some water

1176
00:47:03,750 --> 00:47:01,680
and then there's this rush of like okay

1177
00:47:05,670 --> 00:47:03,760
i'm gonna get up there's the decision

1178
00:47:06,309 --> 00:47:05,680
that you will get up to go get that

1179
00:47:08,950 --> 00:47:06,319
water

1180
00:47:11,190 --> 00:47:08,960
is there you know and and it's a lot of

1181
00:47:13,750 --> 00:47:11,200
times like oh i want to turn on the tv

1182
00:47:14,790 --> 00:47:13,760
and and right before you do it that that

1183
00:47:16,950 --> 00:47:14,800
decision

1184
00:47:19,190 --> 00:47:16,960
is made and there's like this jolt and

1185
00:47:19,589 --> 00:47:19,200
flow little force behind it that makes

1186
00:47:22,710 --> 00:47:19,599
you go

1187
00:47:24,470 --> 00:47:22,720
click you know and so uh that's how i

1188
00:47:26,630 --> 00:47:24,480

often describe it it's almost like these

1189

00:47:29,190 --> 00:47:26,640

emotions and feelings that are conveyed

1190

00:47:29,990 --> 00:47:29,200

that i translate what they would mean

1191

00:47:31,990 --> 00:47:30,000

you know

1192

00:47:33,829 --> 00:47:32,000

because it's it's almost like the

1193

00:47:36,710 --> 00:47:33,839

emotion is conveyed and then i would

1194

00:47:39,030 --> 00:47:36,720

translate it into what i understand

1195

00:47:39,910 --> 00:47:39,040

it to be now the sentence could be a bit

1196

00:47:45,109 --> 00:47:39,920

different but

1197

00:47:49,109 --> 00:47:47,589

right but i mean do you do you do you

1198

00:47:49,589 --> 00:47:49,119

agree on that is it something similar to

1199

00:47:52,710 --> 00:47:49,599

what's

1200

00:47:53,990 --> 00:47:52,720

okay right okay well for example um they

1201
00:47:55,990 --> 00:47:54,000
wanted me to

1202
00:47:57,190 --> 00:47:56,000
tell somebody something and forget what

1203
00:47:59,430 --> 00:47:57,200
the message was

1204
00:48:01,270 --> 00:47:59,440
and a lot of times when i relay messages

1205
00:48:03,030 --> 00:48:01,280
i don't uh

1206
00:48:04,710 --> 00:48:03,040
i don't i don't remember them because

1207
00:48:07,270 --> 00:48:04,720
the message really isn't for me it's for

1208
00:48:10,230 --> 00:48:07,280
somebody else and

1209
00:48:13,030 --> 00:48:10,240
this particular person uh i just

1210
00:48:16,309 --> 00:48:13,040
remembered the

1211
00:48:18,230 --> 00:48:16,319
the process of it uh because i had to

1212
00:48:20,870 --> 00:48:18,240
explain it to the individual

1213
00:48:21,349 --> 00:48:20,880

in a way that they would understand and

1214

00:48:23,829 --> 00:48:21,359

uh

1215

00:48:24,950 --> 00:48:23,839

so it it can be very complicated

1216

00:48:27,990 --> 00:48:24,960

communicating

1217

00:48:30,790 --> 00:48:28,000

with them and uh

1218

00:48:31,829 --> 00:48:30,800

you know it's uh my limitations as a

1219

00:48:36,230 --> 00:48:31,839

human are

1220

00:48:39,589 --> 00:48:36,240

are so apparent when i'm in that role

1221

00:48:39,990 --> 00:48:39,599

it's it a lot of it also involves i

1222

00:48:44,390 --> 00:48:40,000

think

1223

00:48:48,150 --> 00:48:44,400

imaginations are the key to opening

1224

00:48:48,549 --> 00:48:48,160

the doors over there and i think that

1225

00:48:57,349 --> 00:48:48,559

that

1226

00:49:00,390 --> 00:48:57,359

we just don't capital cap uh

1227

00:49:03,109 --> 00:49:00,400

we just don't take into account that our

1228

00:49:03,750 --> 00:49:03,119

our imaginations are our creative part

1229

00:49:10,390 --> 00:49:03,760

of us

1230

00:49:14,230 --> 00:49:10,400

over there much better than here

1231

00:49:16,549 --> 00:49:14,240

right well um did they ever

1232

00:49:17,990 --> 00:49:16,559

give you any more information or was it

1233

00:49:20,390 --> 00:49:18,000

ever discussed about

1234

00:49:21,190 --> 00:49:20,400

um what from their point of view how

1235

00:49:23,829 --> 00:49:21,200

they saw

1236

00:49:26,069 --> 00:49:23,839

eventual uh full contact with humans or

1237

00:49:30,150 --> 00:49:26,079

was it just not something that

1238

00:49:34,150 --> 00:49:30,160

you ever came across well i i know that

1239

00:49:37,349 --> 00:49:34,160

uh uh i was with a group

1240

00:49:37,829 --> 00:49:37,359

and we were we were taken all of us were

1241

00:49:40,950 --> 00:49:37,839

in this

1242

00:49:42,549 --> 00:49:40,960

place and there were different levels of

1243

00:49:45,670 --> 00:49:42,559

us because

1244

00:49:48,470 --> 00:49:45,680

i i just knew that some people were

1245

00:49:50,309 --> 00:49:48,480

had better levels of understanding and

1246

00:49:53,990 --> 00:49:50,319

uh

1247

00:49:57,510 --> 00:49:54,000

individuals these

1248

00:50:00,549 --> 00:49:57,520

entities than i did but there's no

1249

00:50:03,510 --> 00:50:00,559

jealousy there's no uh you know i'm not

1250

00:50:04,069 --> 00:50:03,520

jealous of somebody that's more capable

1251

00:50:07,109 --> 00:50:04,079

i just

1252

00:50:09,589 --> 00:50:07,119

am and i appreciate who i am and

1253

00:50:10,309 --> 00:50:09,599

and for the gifts that i have but uh

1254

00:50:14,069 --> 00:50:10,319

there are

1255

00:50:18,069 --> 00:50:14,079

those that are taken that are far more

1256

00:50:20,390 --> 00:50:18,079

i should say self-literate than i am

1257

00:50:21,589 --> 00:50:20,400

and uh they have a better grasp and

1258

00:50:23,670 --> 00:50:21,599

better

1259

00:50:25,430 --> 00:50:23,680

understanding it's almost like parts of

1260

00:50:28,470 --> 00:50:25,440

my brain are blocked

1261

00:50:29,349 --> 00:50:28,480

and i'm only allowed to understand just

1262

00:50:32,309 --> 00:50:29,359

so much

1263

00:50:32,950 --> 00:50:32,319

and then there's a glass wall that i run

1264

00:50:36,470 --> 00:50:32,960

into

1265

00:50:37,990 --> 00:50:36,480

a lot very frequently so i just take

1266

00:50:40,549 --> 00:50:38,000

what i can

1267

00:50:42,069 --> 00:50:40,559

so you mean so regarding the so you mean

1268

00:50:43,910 --> 00:50:42,079

regarding a contact

1269

00:50:45,990 --> 00:50:43,920

it's not something that you generally

1270

00:50:46,950 --> 00:50:46,000

are too too familiar with or something

1271

00:50:51,270 --> 00:50:46,960

that you couldn't

1272

00:50:53,829 --> 00:50:51,280

really see what what it would look like

1273

00:50:55,270 --> 00:50:53,839

that's right that's right it's it's it's

1274

00:50:58,309 --> 00:50:55,280

something i'm not able to

1275

00:51:01,109 --> 00:50:58,319

penetrate and maybe it's not for me

1276

00:51:02,549 --> 00:51:01,119

right um but it it definitely is for

1277

00:51:06,309 --> 00:51:02,559

other people who

1278

00:51:10,790 --> 00:51:06,319

uh i interact with who have gone gone on

1279

00:51:13,030 --> 00:51:10,800

i mean okay now i understand

1280

00:51:14,549 --> 00:51:13,040

well uh patrick i'd love to talk to you

1281

00:51:15,829 --> 00:51:14,559

if you could just uh sit tight real

1282

00:51:16,950 --> 00:51:15,839

quick i just want to address the

1283

00:51:20,309 --> 00:51:16,960

audience again

1284

00:51:22,069 --> 00:51:20,319

um so right now for those of you who

1285

00:51:23,430 --> 00:51:22,079

might have logged in or watching uh

1286

00:51:25,589 --> 00:51:23,440

we're

1287

00:51:27,270 --> 00:51:25,599

broadcasting on telegram at the same

1288

00:51:30,630 --> 00:51:27,280

time as we are on youtube

1289

00:51:33,349 --> 00:51:30,640

so on there's i think between what

1290

00:51:35,270 --> 00:51:33,359

you're getting on telegram and what's

1291

00:51:36,069 --> 00:51:35,280

being broadcasted out there's like a 20

1292

00:51:39,430 --> 00:51:36,079

maybe

1293

00:51:41,750 --> 00:51:39,440

30 minute 30 second delay but anyway

1294

00:51:42,630 --> 00:51:41,760

uh we'll all all this is just simply

1295

00:51:45,270 --> 00:51:42,640

open lines

1296

00:51:46,150 --> 00:51:45,280

please join us if you like download the

1297

00:51:48,950 --> 00:51:46,160

telegram app

1298

00:51:50,549 --> 00:51:48,960

on your computer or your phone and just

1299

00:51:53,030 --> 00:51:50,559

find a ufo hub group

1300

00:51:54,710 --> 00:51:53,040

join the voice chat raise your hand and

1301

00:51:57,430 --> 00:51:54,720

i'll know you want to talk to me

1302

00:51:59,589 --> 00:51:57,440

but uh if you're just uh using telegram

1303

00:52:03,349 --> 00:51:59,599

or are online to just to watch

1304

00:52:06,790 --> 00:52:03,359

welcome enjoy yourself um so patrick

1305

00:52:08,150 --> 00:52:06,800

uh the have you have you moved

1306

00:52:09,829 --> 00:52:08,160

through if you if you don't want to

1307

00:52:11,349 --> 00:52:09,839

share this info it's okay but generally

1308

00:52:13,589 --> 00:52:11,359

why i'm asking have you moved

1309

00:52:15,510 --> 00:52:13,599

um in different places or you generally

1310

00:52:17,750 --> 00:52:15,520

always lived where you live now

1311

00:52:19,030 --> 00:52:17,760

um i'm sorry if you said something only

1312

00:52:22,790 --> 00:52:19,040

before because i was going to say

1313

00:52:25,670 --> 00:52:22,800

where they obviously be able to find you

1314

00:52:26,309 --> 00:52:25,680

no i've uh lived all over the planet and

1315

00:52:43,349 --> 00:52:26,319

i

1316

00:52:45,910 --> 00:52:43,359

no matter what

1317

00:52:48,230 --> 00:52:45,920

right they did show me a vision when i

1318

00:52:49,510 --> 00:52:48,240

was in saigon one time that was sort of

1319

00:52:51,910 --> 00:52:49,520

astounding

1320

00:52:52,630 --> 00:52:51,920

i was tired i'd come home on a day of

1321

00:52:55,190 --> 00:52:52,640

hiking

1322

00:52:57,190 --> 00:52:55,200

and i was at the hotel and i was laying

1323

00:52:59,510 --> 00:52:57,200

on the bed and i looked up

1324

00:53:00,309 --> 00:52:59,520

and i could see through the wall through

1325

00:53:03,510 --> 00:53:00,319

the building

1326
00:53:04,630 --> 00:53:03,520
out into the sky and i could see a hole

1327
00:53:07,670 --> 00:53:04,640
in the sky

1328
00:53:09,829 --> 00:53:07,680
and it was i just laid there in

1329
00:53:11,670 --> 00:53:09,839
awe i just could not believe what i was

1330
00:53:13,589 --> 00:53:11,680
seeing that

1331
00:53:16,230 --> 00:53:13,599
what they were showing me is that a lot

1332
00:53:18,710 --> 00:53:16,240
of what i think is real is not real

1333
00:53:20,470 --> 00:53:18,720
it's uh just the way i perceive it the

1334
00:53:22,069 --> 00:53:20,480
way it's the way the illusion is

1335
00:53:27,510 --> 00:53:22,079
presented to me

1336
00:53:32,790 --> 00:53:30,549
and um so

1337
00:53:34,309 --> 00:53:32,800
would were there just how many different

1338
00:53:36,230 --> 00:53:34,319

uh beings did you

1339

00:53:38,150 --> 00:53:36,240

interact throughout this lifetime dude

1340

00:53:40,829 --> 00:53:38,160

can you maybe count it or

1341

00:53:42,470 --> 00:53:40,839

is it uh just something difficult to to

1342

00:53:45,990 --> 00:53:42,480

discern

1343

00:53:49,589 --> 00:53:46,000

i i don't have a number uh and

1344

00:53:51,750 --> 00:53:49,599

it wasn't any one particular type and

1345

00:53:53,030 --> 00:53:51,760

some of them i think i've interacted

1346

00:53:56,309 --> 00:53:53,040

with and

1347

00:53:57,829 --> 00:53:56,319

you know recently here on earth uh

1348

00:54:01,270 --> 00:53:57,839

there are just some people that stand

1349

00:54:05,190 --> 00:54:03,109

they weren't they weren't us you know

1350

00:54:08,870 --> 00:54:05,200

they weren't uh

1351
00:54:11,670 --> 00:54:08,880
they weren't earthlings so to speak and

1352
00:54:12,790 --> 00:54:11,680
you know i just in their presence i felt

1353
00:54:16,710 --> 00:54:12,800
i could feel it

1354
00:54:19,030 --> 00:54:16,720
you know it's just something you feel um

1355
00:54:21,109 --> 00:54:19,040
and and like i said i've not had any

1356
00:54:21,670 --> 00:54:21,119
really bad experiences with any of it

1357
00:54:26,630 --> 00:54:21,680
it's just

1358
00:54:29,670 --> 00:54:26,640
it just is and i just have to be awake

1359
00:54:32,390 --> 00:54:29,680
i i have some other abilities too that

1360
00:54:34,630 --> 00:54:32,400
uh i don't always talk about but one of

1361
00:54:39,190 --> 00:54:34,640
the abilities is sometimes

1362
00:54:42,150 --> 00:54:39,200
i get a communication for someone from

1363
00:54:42,789 --> 00:54:42,160

someone that's deceased or maybe about

1364

00:54:46,309 --> 00:54:42,799

to die

1365

00:54:48,549 --> 00:54:46,319

and i just relay the information to them

1366

00:54:49,589 --> 00:54:48,559

and sometimes well i wouldn't say

1367

00:54:53,670 --> 00:54:49,599

sometimes it's almost

1368

00:54:55,430 --> 00:54:53,680

always an explanation um

1369

00:54:57,349 --> 00:54:55,440

and that this doesn't happen frequently

1370

00:55:00,309 --> 00:54:57,359

it's just once a blue moon

1371

00:55:01,670 --> 00:55:00,319

but these things i don't forget i mean

1372

00:55:08,810 --> 00:55:01,680

they're too

1373

00:55:14,950 --> 00:55:08,820

right well you know um

1374

00:55:18,230 --> 00:55:17,829

well i'm just trying to to formulate you

1375

00:55:29,510 --> 00:55:18,240

know

1376

00:55:31,030 --> 00:55:29,520

what uh

1377

00:55:33,109 --> 00:55:31,040

because i was generally going to speak

1378

00:55:33,990 --> 00:55:33,119

about us humans you know but then i was

1379

00:55:36,549 --> 00:55:34,000

like i don't i don't

1380

00:55:38,630 --> 00:55:36,559

know if anyone well maybe why not maybe

1381

00:55:40,390 --> 00:55:38,640

maybe they might understand maybe not

1382

00:55:41,670 --> 00:55:40,400

you know a lot of these different

1383

00:55:44,230 --> 00:55:41,680

communications uh

1384

00:55:45,190 --> 00:55:44,240

i think this differentiation we make it

1385

00:55:46,950 --> 00:55:45,200

between

1386

00:55:48,950 --> 00:55:46,960

what's what we consider alien because

1387

00:55:51,990 --> 00:55:48,960

technically they could just be

1388

00:55:53,109 --> 00:55:52,000

um different dimensions that's not

1389

00:55:56,309 --> 00:55:53,119

necessarily alien

1390

00:55:58,230 --> 00:55:56,319

and it's just simply um other beings

1391

00:55:59,270 --> 00:55:58,240

expressing themselves in the way they

1392

00:56:01,109 --> 00:55:59,280

express it

1393

00:56:02,470 --> 00:56:01,119

and doesn't necessarily have to have

1394

00:56:05,030 --> 00:56:02,480

this um

1395

00:56:05,589 --> 00:56:05,040

layered way of understanding the way we

1396

00:56:09,030 --> 00:56:05,599

do

1397

00:56:10,870 --> 00:56:09,040

to where well if we go further out of

1398

00:56:12,069 --> 00:56:10,880

this planet there can only be other

1399

00:56:14,870 --> 00:56:12,079

planets and

1400

00:56:15,589 --> 00:56:14,880

because we live on a planet that means

1401

00:56:17,349 --> 00:56:15,599

only

1402

00:56:18,630 --> 00:56:17,359

other beings have to be in another

1403

00:56:20,789 --> 00:56:18,640

planet where they have their

1404

00:56:22,630 --> 00:56:20,799

civilization and their own history and

1405

00:56:24,950 --> 00:56:22,640

stories and things like that

1406

00:56:25,670 --> 00:56:24,960

where i find it that that's not the case

1407

00:56:27,270 --> 00:56:25,680

at all

1408

00:56:29,349 --> 00:56:27,280

you know i don't know if you'd agree

1409

00:56:30,309 --> 00:56:29,359

with that you know it's simply that we

1410

00:56:32,950 --> 00:56:30,319

are the ones

1411

00:56:33,829 --> 00:56:32,960

being so stringent on how we look at it

1412

00:56:35,750 --> 00:56:33,839

because

1413

00:56:37,510 --> 00:56:35,760

really between talking to aliens and

1414

00:56:38,230 --> 00:56:37,520

talking to people that we considered

1415

00:56:40,230 --> 00:56:38,240

past

1416

00:56:42,069 --> 00:56:40,240

you have passed on you know to quote

1417

00:56:44,470 --> 00:56:42,079

unquote the the next life

1418

00:56:46,309 --> 00:56:44,480

there is no difference you know that's

1419

00:56:48,789 --> 00:56:46,319

what what's um

1420

00:56:50,150 --> 00:56:48,799

what might be i guess i don't know a

1421

00:56:50,789 --> 00:56:50,160

little bit hard for some people to

1422

00:56:53,829 --> 00:56:50,799

understand

1423

00:56:54,470 --> 00:56:53,839

maybe even consider it bs but you know

1424

00:56:57,030 --> 00:56:54,480

in my

1425

00:56:58,069 --> 00:56:57,040

you know my experience and i'm speaking

1426

00:57:01,270 --> 00:56:58,079

as an opinion

1427

00:57:03,990 --> 00:57:01,280

what would you say about that patrick

1428

00:57:04,789 --> 00:57:04,000

well uh it's not just limited to uh

1429

00:57:07,990 --> 00:57:04,799

beings

1430

00:57:10,950 --> 00:57:08,000

uh of the human kind i actually

1431

00:57:12,390 --> 00:57:10,960

was visiting someone whom i did not know

1432

00:57:19,670 --> 00:57:12,400

uh

1433

00:57:20,789 --> 00:57:19,680

a cat jumped on my lap and it was a very

1434

00:57:23,030 --> 00:57:20,799

heavy

1435

00:57:24,069 --> 00:57:23,040

cat and it started digging its claws and

1436

00:57:26,390 --> 00:57:24,079

the only thing is

1437

00:57:29,829 --> 00:57:26,400

there was no cat there but i could feel

1438

00:57:34,870 --> 00:57:33,030

right oh okay i thought you were you

1439

00:57:37,349 --> 00:57:34,880

did that's all you were trying to say

1440

00:57:39,349 --> 00:57:37,359

that you perceived that

1441

00:57:45,910 --> 00:57:39,359

even though you couldn't see it that it

1442

00:57:45,920 --> 00:57:51,430

patrick can you hear me

1443

00:57:55,910 --> 00:57:54,549

i guess we patrick drop

1444

00:57:57,349 --> 00:57:55,920

off i don't know what happened maybe he

1445

00:58:01,910 --> 00:57:57,359

might come back i'll leave him i'll

1446

00:58:06,069 --> 00:58:03,750

okay i don't know he might come back

1447

00:58:07,510 --> 00:58:06,079

here so anyway um that was patrick

1448

00:58:09,910 --> 00:58:07,520

sharing his story and uh

1449

00:58:12,710 --> 00:58:09,920

which is basically chatting online uh if

1450

00:58:15,990 --> 00:58:12,720

you if you maybe have some questions for

1451

00:58:18,069 --> 00:58:16,000

the people uh that are talking please

1452

00:58:19,670 --> 00:58:18,079

uh let me know in your chat just make

1453

00:58:22,390 --> 00:58:19,680

sure to put the three

1454

00:58:23,670 --> 00:58:22,400

three stars before your question and

1455

00:58:26,150 --> 00:58:23,680

thank you hazel again

1456

00:58:27,589 --> 00:58:26,160

she reminded everyone in the chat so i

1457

00:58:30,150 --> 00:58:27,599

appreciate it

1458

00:58:31,510 --> 00:58:30,160

um yeah we just basically it's just

1459

00:58:34,549 --> 00:58:31,520

hanging online

1460

00:58:35,670 --> 00:58:34,559

sharing stories exchanging certain

1461

00:58:38,710 --> 00:58:35,680

experiences

1462

00:58:40,549 --> 00:58:38,720

so it's not something that you know it's

1463

00:58:42,230 --> 00:58:40,559

not a fully structured

1464

00:58:44,710 --> 00:58:42,240

you know event like an interview but

1465

00:58:46,789 --> 00:58:44,720

it's simply just hanging out and then

1466

00:58:49,190 --> 00:58:46,799

talking to each other so yeah if you if

1467

00:58:52,150 --> 00:58:49,200

you have any questions in chat

1468

00:58:52,789 --> 00:58:52,160

please do ask it um either of me or or

1469

00:59:00,390 --> 00:58:52,799

the

1470

00:59:04,789 --> 00:59:00,400

and um just uh just jot it down

1471

00:59:07,109 --> 00:59:04,799

but yeah we uh i'm not uh i'm not sure

1472

00:59:08,150 --> 00:59:07,119

uh what else we got you know we'll have

1473

00:59:11,430 --> 00:59:08,160

going on

1474

00:59:12,870 --> 00:59:11,440

and um i just uh there's as i mentioned

1475

00:59:13,510 --> 00:59:12,880

earlier there's so many things that have

1476

00:59:15,910 --> 00:59:13,520

been

1477

00:59:16,549 --> 00:59:15,920

happening in my life that's uh more

1478

00:59:18,150 --> 00:59:16,559

earthly

1479

00:59:20,470 --> 00:59:18,160

regarding what's been happening in

1480

00:59:22,549 --> 00:59:20,480

colombia and and my friends there

1481

00:59:24,230 --> 00:59:22,559

and i was um just wanting to see if i

1482

00:59:27,109 --> 00:59:24,240

can help them in some way and then

1483

00:59:28,630 --> 00:59:27,119

my wife on the verge of giving birth so

1484

00:59:32,230 --> 00:59:28,640

you know there's all these things

1485

00:59:33,910 --> 00:59:32,240

that are that are happening that

1486

00:59:36,069 --> 00:59:33,920

you know just kind of almost didn't make

1487

00:59:37,829 --> 00:59:36,079

the show happen

1488

00:59:39,270 --> 00:59:37,839

because we thought initially that we're

1489

00:59:42,630 --> 00:59:39,280

going to have to go

1490

00:59:46,549 --> 00:59:42,640

but um it just turned out to be false

1491

00:59:48,789 --> 00:59:46,559

alarm and here we are

1492

00:59:49,670 --> 00:59:48,799

but yeah if um if you guys have any

1493

00:59:51,349 --> 00:59:49,680

other questions

1494

00:59:52,789 --> 00:59:51,359

you know if there's something else you

1495

00:59:55,829 --> 00:59:52,799

would like me to cover

1496

00:59:57,190 --> 00:59:55,839

if um i don't know if bradley feels like

1497

00:59:59,349 --> 00:59:57,200

coming on today

1498

01:00:02,950 --> 00:59:59,359

and chatting with me on on telegram more

1499

01:00:07,589 --> 01:00:05,430

okay patrick just said message said my

1500

01:00:10,470 --> 01:00:07,599

phone suddenly powered down

1501

01:00:15,270 --> 01:00:10,480

okay let's see if we can get then

1502

01:00:17,190 --> 01:00:15,280

patrick back

1503

01:00:19,190 --> 01:00:17,200

patrick you're unmuted just to meet

1504

01:00:26,230 --> 01:00:19,200

yourself on your end and uh

1505

01:00:29,829 --> 01:00:29,430

i'm back the phone just suddenly powered

1506

01:00:33,109 --> 01:00:29,839

down

1507

01:00:33,910 --> 01:00:33,119

uh so it's back um so i was talking

1508

01:00:36,950 --> 01:00:33,920

about this cat

1509

01:00:40,309 --> 01:00:36,960

well the cat showed me

1510

01:00:42,870 --> 01:00:40,319

and it doesn't talk but it showed me um

1511

01:00:45,349 --> 01:00:42,880

that it had a medical problem on the jaw

1512

01:00:47,910 --> 01:00:45,359

and that was showing me that

1513

01:00:49,910 --> 01:00:47,920

it loved the owner very much but it did

1514

01:00:53,589 --> 01:00:49,920

not like the owner's husband

1515

01:00:57,589 --> 01:00:53,599

and uh but the cat was very uh

1516

01:01:01,430 --> 01:00:57,599

adamant that i show the lady the cat's

1517

01:01:03,910 --> 01:01:01,440

jaw and uh so i told the lady

1518

01:01:05,190 --> 01:01:03,920

i said excuse me uh i don't know how to

1519

01:01:07,670 --> 01:01:05,200

tell you this but there's this very

1520

01:01:09,510 --> 01:01:07,680

large cat sitting in my lap right now

1521

01:01:11,270 --> 01:01:09,520

you can't see him and i can't see him

1522

01:01:13,430 --> 01:01:11,280

but i can certainly feel him

1523

01:01:15,270 --> 01:01:13,440

and he's just told me there was a

1524

01:01:18,069 --> 01:01:15,280

problem with his jaw

1525

01:01:20,309 --> 01:01:18,079

and she said yes uh he starved to death

1526

01:01:23,030 --> 01:01:20,319

we thought it was an intestinal problem

1527

01:01:23,589 --> 01:01:23,040

the vet was sure it was in in his

1528

01:01:25,190 --> 01:01:23,599

stomach

1529

01:01:27,430 --> 01:01:25,200

and i said well the cat's saying it was

1530

01:01:30,710 --> 01:01:27,440

his jaw it was too sore

1531

01:01:33,109 --> 01:01:30,720

it was painful for him to eat so

1532

01:01:34,630 --> 01:01:33,119

but that's the only time that's the only

1533

01:01:36,829 --> 01:01:34,640

time i've had any kind of animal

1534

01:01:38,789 --> 01:01:36,839

communication

1535

01:01:42,150 --> 01:01:38,799

right yeah you know

1536

01:01:43,990 --> 01:01:42,160

a good friend of mine um uh

1537

01:01:45,670 --> 01:01:44,000

catherine hughes and i also did an

1538

01:01:48,710 --> 01:01:45,680

interview with her as well

1539

01:01:51,109 --> 01:01:48,720

um she's basically a main thing

1540

01:01:52,710 --> 01:01:51,119

initially that she started out was

1541

01:01:55,510 --> 01:01:52,720

animal communicator

1542

01:01:57,430 --> 01:01:55,520

and um she does you know she described

1543

01:01:59,109 --> 01:01:57,440

that there's a different feel to the

1544

01:01:59,750 --> 01:01:59,119

different spirits coming through whether

1545

01:02:02,870 --> 01:01:59,760

it's human

1546

01:02:06,710 --> 01:02:02,880

or or more animal

1547

01:02:07,589 --> 01:02:06,720

animal spirit whether it be a cat a dog

1548

01:02:14,069 --> 01:02:07,599

or

1549

01:02:18,390 --> 01:02:14,079

and

1550

01:02:21,109 --> 01:02:18,400

don't necessarily have to be

1551

01:02:22,309 --> 01:02:21,119

you know uh moved on they just you know

1552

01:02:24,549 --> 01:02:22,319

while they're still alive

1553

01:02:25,349 --> 01:02:24,559

having some some difficulties and their

1554

01:02:29,349 --> 01:02:25,359

their

1555

01:02:30,950 --> 01:02:29,359

the end of the line they don't know what

1556

01:02:32,549 --> 01:02:30,960

else they can do to help them and they

1557

01:02:33,349 --> 01:02:32,559

reach out to her and it's interesting

1558

01:02:35,270 --> 01:02:33,359

how

1559

01:02:36,710 --> 01:02:35,280

she can just help him you know and do

1560

01:02:38,950 --> 01:02:36,720

all kinds of

1561

01:02:40,150 --> 01:02:38,960

analysis that goes kind of beyond

1562

01:02:42,150 --> 01:02:40,160

medicine now of course

1563

01:02:43,910 --> 01:02:42,160

she would analyze it and medicine is

1564

01:02:46,870 --> 01:02:43,920

used you know to then

1565

01:02:48,150 --> 01:02:46,880

eventually help and get to the point but

1566

01:02:51,349 --> 01:02:48,160

you know it's interesting

1567

01:02:53,430 --> 01:02:51,359

um that you know just

1568

01:02:54,870 --> 01:02:53,440

just these perceptions that everyone can

1569

01:02:56,710 --> 01:02:54,880

you know can have them depends on what

1570

01:02:59,029 --> 01:02:56,720

you want to focus on to

1571

01:03:00,950 --> 01:02:59,039

to be you know to work on more of your

1572

01:03:04,710 --> 01:03:00,960

natural abilities to become psychic

1573

01:03:06,950 --> 01:03:04,720

or just kind of um kind of

1574

01:03:07,910 --> 01:03:06,960

walk around the planet like the rest of

1575

01:03:09,910 --> 01:03:07,920

people do and

1576

01:03:15,029 --> 01:03:09,920

just live your life have fun and

1577

01:03:18,870 --> 01:03:18,230

being psychic uh comes with a uh a heavy

1578

01:03:21,910 --> 01:03:18,880

burden

1579

01:03:24,309 --> 01:03:21,920

it's an obligation um

1580

01:03:25,510 --> 01:03:24,319

and i'm not always willing let's put it

1581

01:03:28,630 --> 01:03:25,520

that way

1582

01:03:30,390 --> 01:03:28,640

right yeah no it's

1583

01:03:32,069 --> 01:03:30,400

someone sometimes you know it's so weird

1584

01:03:33,670 --> 01:03:32,079

because uh sometimes

1585

01:03:35,910 --> 01:03:33,680

it's not necessarily psychic but

1586

01:03:37,270 --> 01:03:35,920

intuition it plays such a large role in

1587

01:03:38,470 --> 01:03:37,280

all our lives but if we don't give it

1588

01:03:40,470 --> 01:03:38,480

enough credit

1589

01:03:42,710 --> 01:03:40,480

you know and all of us get that you know

1590

01:03:45,349 --> 01:03:42,720

that that's the kind of like

1591

01:03:47,670 --> 01:03:45,359

the the the part that sometimes saves us

1592

01:03:50,230 --> 01:03:47,680

or helps us out in some way to make us

1593

01:03:51,589 --> 01:03:50,240

act in ways that we usually wouldn't

1594

01:03:53,750 --> 01:03:51,599

that eventually turn

1595

01:03:56,789 --> 01:03:53,760

turn out to be very beneficial you know

1596

01:04:00,069 --> 01:03:56,799

i had uh one particular experience i was

1597

01:04:01,990 --> 01:04:00,079

working in san luis and often i

1598

01:04:03,109 --> 01:04:02,000

would not like where i was at at that

1599

01:04:05,349 --> 01:04:03,119

time at my job

1600

01:04:07,349 --> 01:04:05,359

so i would go out for lunch and i would

1601

01:04:09,349 --> 01:04:07,359

kind of try to slack and spend

1602

01:04:11,029 --> 01:04:09,359

more time at lunch and then kind of

1603

01:04:13,109 --> 01:04:11,039

return to the office late which will

1604

01:04:14,470 --> 01:04:13,119

kind of cut down into the day and then i

1605

01:04:16,710 --> 01:04:14,480

can get to go home

1606

01:04:18,390 --> 01:04:16,720

well anyway this one particular time for

1607

01:04:19,510 --> 01:04:18,400

whatever reason because of parking and

1608

01:04:21,750 --> 01:04:19,520

all that i was very

1609

01:04:22,870 --> 01:04:21,760

you know very late and i was like shoot

1610

01:04:24,789 --> 01:04:22,880

i better head back

1611

01:04:26,470 --> 01:04:24,799

and so i'm hurrying through every stop

1612

01:04:28,630 --> 01:04:26,480

sign every light that's there because

1613

01:04:30,630 --> 01:04:28,640

all those blocks have their own lights

1614

01:04:31,750 --> 01:04:30,640

and i'm just trying to get through and

1615

01:04:34,390 --> 01:04:31,760

so with this

1616

01:04:36,230 --> 01:04:34,400

full-on feeling of like i gotta go i

1617

01:04:37,510 --> 01:04:36,240

gotta i gotta be there i gotta get there

1618

01:04:39,670 --> 01:04:37,520

as soon as i can

1619

01:04:40,950 --> 01:04:39,680

um i'm waiting and waiting for this

1620

01:04:43,589 --> 01:04:40,960

light to turn green

1621

01:04:45,430 --> 01:04:43,599

and it turned green and out of nowhere

1622

01:04:47,109 --> 01:04:45,440

that feeling just disappeared

1623

01:04:48,789 --> 01:04:47,119

you know just disappeared and it's like

1624

01:04:50,630 --> 01:04:48,799

you know it's it's you know like

1625

01:04:52,230 --> 01:04:50,640

you don't have to rush everything's fine

1626

01:04:55,589 --> 01:04:52,240

what's gonna happen right

1627

01:04:58,390 --> 01:04:55,599

and so that made me stop for just about

1628

01:04:59,270 --> 01:04:58,400

maybe five seconds to just hold on the

1629

01:05:01,589 --> 01:04:59,280

green

1630

01:05:03,510 --> 01:05:01,599

and then i kind of came to my senses and

1631

01:05:05,109 --> 01:05:03,520

like why what i got to go why am i

1632

01:05:08,789 --> 01:05:05,119

stopping at that instant

1633

01:05:11,510 --> 01:05:08,799

a car at least 70 miles an hour just

1634

01:05:13,109 --> 01:05:11,520

you know just flew by you know and he i

1635

01:05:16,549 --> 01:05:13,119

don't know what he was doing i mean

1636

01:05:17,430 --> 01:05:16,559

you know usually you know and i mean it

1637

01:05:19,750 --> 01:05:17,440

was close to

1638

01:05:20,470 --> 01:05:19,760

60 70 and this was supposed to be like a

1639

01:05:23,510 --> 01:05:20,480

25

1640

01:05:26,230 --> 01:05:23,520

30 miles per hour uh speedway

1641

01:05:27,029 --> 01:05:26,240

and uh if i was at this point where i

1642

01:05:29,510 --> 01:05:27,039

would have been

1643

01:05:31,029 --> 01:05:29,520

when i you know if it turned green and i

1644

01:05:34,069 --> 01:05:31,039

hit the gas he would have just

1645

01:05:34,710 --> 01:05:34,079

full on t-bone uh t-boned the car and

1646

01:05:37,190 --> 01:05:34,720

would have been

1647

01:05:38,470 --> 01:05:37,200

in horrible accident and so it's one of

1648

01:05:41,190 --> 01:05:38,480

these things to where

1649

01:05:43,510 --> 01:05:41,200

i can't you know there was no more

1650

01:05:46,230 --> 01:05:43,520

message given it was just simply

1651
01:05:47,750 --> 01:05:46,240
that feeling that changed it made me

1652
01:05:51,109 --> 01:05:47,760
just stop my usual

1653
01:05:56,309 --> 01:05:51,119
what i was doing and it it's potentially

1654
01:05:59,589 --> 01:05:58,390
oh sorry patrick i was just i was just

1655
01:06:01,029 --> 01:05:59,599
kind of

1656
01:06:03,270 --> 01:06:01,039
sharing a little bit of a story but

1657
01:06:03,990 --> 01:06:03,280
anyway patrick if there's more that you

1658
01:06:06,710 --> 01:06:04,000
would like to share

1659
01:06:08,710 --> 01:06:06,720
please uh please do otherwise uh bradley

1660
01:06:10,549 --> 01:06:08,720
seems to be just want to listen

1661
01:06:12,390 --> 01:06:10,559
and uh if he wants to talk he can just

1662
01:06:14,870 --> 01:06:12,400
raise his hand but there's no one else

1663
01:06:17,589 --> 01:06:14,880

that is joining us on telegram so

1664

01:06:17,990 --> 01:06:17,599

please continue if you like and i'll see

1665

01:06:20,870 --> 01:06:18,000

if there's

1666

01:06:23,430 --> 01:06:20,880

any more questions in in chat for for

1667

01:06:24,390 --> 01:06:23,440

you either you or i or in general and uh

1668

01:06:28,870 --> 01:06:24,400

we'll just

1669

01:06:32,789 --> 01:06:31,029

well i pretty much summed it up i mean

1670

01:06:35,430 --> 01:06:32,799

there there are a lot of details i could

1671

01:06:38,309 --> 01:06:35,440

write volumes about it but uh

1672

01:06:41,029 --> 01:06:38,319

for the most part it just uh that's

1673

01:06:44,230 --> 01:06:41,039

that's the high point so that um

1674

01:06:47,910 --> 01:06:44,240

you know i just feel sometimes i'm more

1675

01:06:48,710 --> 01:06:47,920

in in some other place in time some

1676

01:06:52,549 --> 01:06:48,720

other

1677

01:06:55,670 --> 01:06:52,559

vibration if you will than i am here

1678

01:06:57,990 --> 01:06:55,680

in this 3d reality it's like i'm

1679

01:07:01,510 --> 01:06:58,000

straddling it

1680

01:07:04,470 --> 01:07:01,520

so i have to really focus hard to stay

1681

01:07:07,750 --> 01:07:04,480

here and stay focused on

1682

01:07:11,029 --> 01:07:07,760

and i i don't know what that's all about

1683

01:07:13,029 --> 01:07:11,039

i really don't um it's just the way it

1684

01:07:15,589 --> 01:07:13,039

is and i've learned to live with it

1685

01:07:16,549 --> 01:07:15,599

and it's very difficult for people to

1686

01:07:20,309 --> 01:07:16,559

live with me

1687

01:07:25,990 --> 01:07:24,390

so there you go and that that's really

1688

01:07:28,870 --> 01:07:26,000

about all i have to offer

1689

01:07:30,230 --> 01:07:28,880

thank you right okay well patrick uh no

1690

01:07:32,470 --> 01:07:30,240

no problem thank you very much

1691

01:07:33,750 --> 01:07:32,480

for for joining me and sharing your

1692

01:07:35,589 --> 01:07:33,760

story i appreciate it

1693

01:07:37,510 --> 01:07:35,599

i hope more have the courage to come

1694

01:07:39,430 --> 01:07:37,520

forward and and simply share it

1695

01:07:40,870 --> 01:07:39,440

it's just um you know this is just

1696

01:07:43,910 --> 01:07:40,880

supposed to be you know

1697

01:07:44,789 --> 01:07:43,920

a platform online for everyone else to

1698

01:07:46,390 --> 01:07:44,799

hang out

1699

01:07:49,190 --> 01:07:46,400

even though we're not local to each

1700

01:07:49,670 --> 01:07:49,200

other so that way we i know uh bradley

1701

01:07:52,069 --> 01:07:49,680

is in

1702

01:07:53,270 --> 01:07:52,079

south africa and others you know spain

1703

01:07:55,349 --> 01:07:53,280

and france and

1704

01:07:57,029 --> 01:07:55,359

all over the place so that way we can

1705

01:08:01,670 --> 01:07:57,039

kind of have a

1706

01:08:03,990 --> 01:08:01,680

a um international uh weekly ufo meeting

1707

01:08:04,789 --> 01:08:04,000

so uh you know thank you thank you for

1708

01:08:08,069 --> 01:08:04,799

joining

1709

01:08:09,670 --> 01:08:08,079

or sharing your story but yeah so if

1710

01:08:11,430 --> 01:08:09,680

if any of you would like to share the

1711

01:08:14,950 --> 01:08:11,440

story join me on telegram

1712

01:08:17,189 --> 01:08:14,960

and um i don't know if um if uh

1713

01:08:18,470 --> 01:08:17,199

bradley maybe wants to talk a little and

1714

01:08:20,789 --> 01:08:18,480

share his

1715

01:08:22,390 --> 01:08:20,799

story or talk about something but uh

1716

01:08:25,349 --> 01:08:22,400

i'll just leave him be

1717

01:08:27,110 --> 01:08:25,359

and if any of you in chat have anything

1718

01:08:30,070 --> 01:08:27,120

else to say that you would like to

1719

01:08:31,349 --> 01:08:30,080

maybe um have me talk about something if

1720

01:08:34,229 --> 01:08:31,359

you're interested

1721

01:08:34,870 --> 01:08:34,239

but um other than that it's just a i

1722

01:08:39,349 --> 01:08:34,880

don't know

1723

01:08:41,349 --> 01:08:39,359

if it's a wednesday still for everybody

1724

01:08:43,110 --> 01:08:41,359

a wednesday for everyone else or you

1725

01:08:44,470 --> 01:08:43,120

know obviously not for everyone around

1726

01:08:46,870 --> 01:08:44,480

the world because i know in

1727

01:08:47,590 --> 01:08:46,880

australia it would already be thursday

1728

01:08:56,630 --> 01:08:47,600

and

1729

01:08:59,430 --> 01:08:56,640

those in europe it should uh

1730

01:09:00,229 --> 01:08:59,440

probably be around three or four um

1731

01:09:04,550 --> 01:09:00,239

o'clock

1732

01:09:09,189 --> 01:09:07,189

to do this all the stuff going back and

1733

01:09:11,110 --> 01:09:09,199

forth

1734

01:09:13,590 --> 01:09:11,120

let me see if there's any other

1735

01:09:15,669 --> 01:09:13,600

questions in chat

1736

01:09:23,990 --> 01:09:15,679

but yeah those that are just now uh

1737

01:09:28,070 --> 01:09:26,550

yep uh patrick v says uh thank you

1738

01:09:35,910 --> 01:09:28,080

patrick

1739

01:09:40,709 --> 01:09:39,349

uh pauline b you said your higher self

1740

01:09:43,910 --> 01:09:40,719

maybe adnan

1741

01:09:45,829 --> 01:09:43,920

can you can you are you asking me to

1742

01:09:47,590 --> 01:09:45,839

talk about

1743

01:09:49,189 --> 01:09:47,600

the higher self is that what you're

1744

01:09:58,630 --> 01:09:49,199

referring to if you can clarify

1745

01:10:02,310 --> 01:10:00,709

oh hazel says adnan have you worked it

1746

01:10:06,709 --> 01:10:02,320

out yet

1747

01:10:11,669 --> 01:10:06,719

you you have something going on that

1748

01:10:14,790 --> 01:10:11,679

that you wasn't sure about um

1749

01:10:15,430 --> 01:10:14,800

i haven't it's it's it takes a lot

1750

01:10:18,470 --> 01:10:15,440

longer

1751

01:10:19,350 --> 01:10:18,480

to work out and i think i i gotten to to

1752

01:10:23,030 --> 01:10:19,360

a point

1753

01:10:24,630 --> 01:10:23,040

to where i've just recently gotten an

1754

01:10:28,830 --> 01:10:24,640

understanding about it

1755

01:10:30,149 --> 01:10:28,840

uh oh hell why not let's talk about it i

1756

01:10:31,830 --> 01:10:30,159

know

1757

01:10:33,830 --> 01:10:31,840

you brought it up so i guess there's no

1758

01:10:36,070 --> 01:10:33,840

accidents you know to

1759

01:10:37,669 --> 01:10:36,080

there's no better better time than to

1760

01:10:40,470 --> 01:10:37,679

talk about it now

1761

01:10:42,070 --> 01:10:40,480

so the things that i you know a lot of

1762

01:10:44,229 --> 01:10:42,080

times as i mentioned before

1763

01:10:46,070 --> 01:10:44,239

when something occurs i like to kind of

1764

01:10:48,470 --> 01:10:46,080

understand it myself go through that

1765

01:10:50,390 --> 01:10:48,480

experience however fearful or joyful

1766

01:10:52,310 --> 01:10:50,400

whatever it is going through it

1767

01:10:54,630 --> 01:10:52,320

understanding it and then

1768

01:10:56,390 --> 01:10:54,640

convey to the people like oh well this

1769

01:10:58,149 --> 01:10:56,400

is how i understood it and others

1770

01:11:00,070 --> 01:10:58,159

usually like oh yeah me too and it

1771

01:11:01,750 --> 01:11:00,080

matches but sometimes i learned

1772

01:11:03,750 --> 01:11:01,760

something different from

1773

01:11:05,590 --> 01:11:03,760

certain experiences where i know someone

1774

01:11:07,270 --> 01:11:05,600

had maybe told me about it but based on

1775

01:11:10,070 --> 01:11:07,280

my experience i could

1776

01:11:10,870 --> 01:11:10,080

you know show it showed me more and i

1777

01:11:13,189 --> 01:11:10,880

understood it

1778

01:11:14,630 --> 01:11:13,199

differently and so not in a way to where

1779

01:11:16,709 --> 01:11:14,640

i have to correct them but

1780

01:11:18,950 --> 01:11:16,719

you know again it's the personal private

1781

01:11:20,070 --> 01:11:18,960

experience that i trust most before i

1782

01:11:22,870 --> 01:11:20,080

can speak about it

1783

01:11:25,510 --> 01:11:22,880

because if i'm just you know conveying

1784

01:11:25,990 --> 01:11:25,520

someone else's story it leaves room for

1785

01:11:27,669 --> 01:11:26,000

errors

1786

01:11:29,430 --> 01:11:27,679

and misunderstanding and all kinds of

1787

01:11:31,830 --> 01:11:29,440

things so

1788

01:11:33,350 --> 01:11:31,840

with that being said one of the

1789

01:11:36,149 --> 01:11:33,360

particular things that i

1790

01:11:38,229 --> 01:11:36,159

wasn't it was so a lot of a lot of

1791

01:11:42,149 --> 01:11:38,239

fearful things that that occur

1792

01:11:45,270 --> 01:11:42,159

and things that are very hard to

1793

01:11:49,110 --> 01:11:45,280

um i guess to to

1794

01:11:52,229 --> 01:11:49,120

kind of disseminate um i usually just

1795

01:11:54,870 --> 01:11:52,239

keep keep looking at it keep keep

1796

01:11:56,630 --> 01:11:54,880

you know going along with it until more

1797

01:11:57,350 --> 01:11:56,640

understanding comes to me and usually

1798

01:11:59,590 --> 01:11:57,360

through

1799

01:12:01,110 --> 01:11:59,600

synchronicity or just simply like these

1800

01:12:03,669 --> 01:12:01,120

short downloads where i just

1801
01:12:04,950 --> 01:12:03,679
okay i understand you know now why this

1802
01:12:07,189 --> 01:12:04,960
is happening this way

1803
01:12:09,430 --> 01:12:07,199
and it alleviates that fear so that now

1804
01:12:11,990 --> 01:12:09,440
i'm not speaking to you about something

1805
01:12:12,790 --> 01:12:12,000
fearful and potentially spreading that

1806
01:12:14,550 --> 01:12:12,800
it gives me

1807
01:12:16,070 --> 01:12:14,560
this higher and better understanding so

1808
01:12:18,709 --> 01:12:16,080
i can convey to you

1809
01:12:19,590 --> 01:12:18,719
so with that being said there was an

1810
01:12:23,750 --> 01:12:19,600
experience that

1811
01:12:25,830 --> 01:12:23,760
after i had uh uh i'm not gonna go into

1812
01:12:27,669 --> 01:12:25,840
great detail about it now but when i had

1813
01:12:30,709 --> 01:12:27,679

my near-death experience and i

1814

01:12:33,270 --> 01:12:30,719

came back and

1815

01:12:34,390 --> 01:12:33,280

when i came back i was still very much

1816

01:12:37,350 --> 01:12:34,400

in tune

1817

01:12:37,990 --> 01:12:37,360

with these with this connection that's

1818

01:12:40,390 --> 01:12:38,000

for out

1819

01:12:41,990 --> 01:12:40,400

there even though i wasn't i came back

1820

01:12:44,070 --> 01:12:42,000

from there but i'm still very much

1821

01:12:47,669 --> 01:12:44,080

connected to that frequency

1822

01:12:49,030 --> 01:12:47,679

and um so i just kind of used it to then

1823

01:12:51,110 --> 01:12:49,040

even though i was very weak

1824

01:12:53,030 --> 01:12:51,120

you know and and what i had went through

1825

01:12:54,390 --> 01:12:53,040

i basically poisoned myself i took too

1826

01:12:56,390 --> 01:12:54,400

much of this certain

1827

01:12:58,870 --> 01:12:56,400

substance by accident it wasn't inten

1828

01:13:02,070 --> 01:12:58,880

you know i was i wasn't intending that

1829

01:13:05,590 --> 01:13:02,080

so the point was even though i was so

1830

01:13:07,590 --> 01:13:05,600

very much tired i just kind of

1831

01:13:09,350 --> 01:13:07,600

wanted to still continue asking and

1832

01:13:10,229 --> 01:13:09,360

searching and seeking however much i

1833

01:13:13,030 --> 01:13:10,239

could

1834

01:13:13,990 --> 01:13:13,040

one of uh one of the things that had

1835

01:13:17,270 --> 01:13:14,000

occurred is

1836

01:13:18,709 --> 01:13:17,280

as i was connected and

1837

01:13:21,350 --> 01:13:18,719

you know i had just come back and i

1838

01:13:22,390 --> 01:13:21,360

understand what that there's that life

1839

01:13:25,110 --> 01:13:22,400

doesn't end

1840

01:13:25,910 --> 01:13:25,120

right it continues it it always just

1841

01:13:29,110 --> 01:13:25,920

transforms

1842

01:13:30,630 --> 01:13:29,120

and evolves into something new of the

1843

01:13:33,510 --> 01:13:30,640

sudden i had this

1844

01:13:35,830 --> 01:13:33,520

and you know this feeling to where now

1845

01:13:38,950 --> 01:13:35,840

that connection was cut

1846

01:13:39,830 --> 01:13:38,960

then the connection of for my outside

1847

01:13:42,390 --> 01:13:39,840

world was cut

1848

01:13:43,830 --> 01:13:42,400

to where i saw my room and everything

1849

01:13:46,470 --> 01:13:43,840

but i the meaning of

1850

01:13:47,669 --> 01:13:46,480

of it lost it was lost you know usually

1851

01:13:48,630 --> 01:13:47,679

when you look at something you

1852

01:13:52,390 --> 01:13:48,640

immediately go

1853

01:13:55,270 --> 01:13:52,400

oh room light switch you know whatever

1854

01:13:55,830 --> 01:13:55,280

items you recognize your brain kind of

1855

01:13:58,550 --> 01:13:55,840

um

1856

01:13:59,669 --> 01:13:58,560

identifies it for you and you see it and

1857

01:13:59,990 --> 01:13:59,679

you're comfortable because it's

1858

01:14:03,430 --> 01:14:00,000

something

1859

01:14:05,590 --> 01:14:03,440

you recognize but all of that went away

1860

01:14:07,750 --> 01:14:05,600

and it was just going away going away

1861

01:14:08,870 --> 01:14:07,760

going away till i just found myself in

1862

01:14:11,910 --> 01:14:08,880

the darkness

1863

01:14:15,750 --> 01:14:11,920

to where there was nothing else existed

1864

01:14:19,270 --> 01:14:15,760

but me and it was this

1865

01:14:22,470 --> 01:14:19,280

deep understanding that you know that

1866

01:14:24,870 --> 01:14:22,480

there is only just me there there's

1867

01:14:27,510 --> 01:14:24,880

different versions of me out there

1868

01:14:29,590 --> 01:14:27,520

that knows themselves as all of you you

1869

01:14:30,070 --> 01:14:29,600

know and and all of us collectively as

1870

01:14:31,990 --> 01:14:30,080

god

1871

01:14:34,390 --> 01:14:32,000

but when it comes down to it that was

1872

01:14:37,750 --> 01:14:34,400

just me but that experience

1873

01:14:41,350 --> 01:14:37,760

that darkness that nothingness that void

1874

01:14:42,790 --> 01:14:41,360

uh created such a um psychotic shock in

1875

01:14:45,830 --> 01:14:42,800

me to where

1876

01:14:48,950 --> 01:14:45,840

it it basically i i passed out

1877

01:14:51,910 --> 01:14:48,960

it was so much fear it was so much

1878

01:14:52,470 --> 01:14:51,920

um despair that i just basically shut

1879

01:14:54,470 --> 01:14:52,480

down i

1880

01:14:56,149 --> 01:14:54,480

i couldn't handle it physically and i

1881

01:14:58,229 --> 01:14:56,159

just i fell i had

1882

01:14:59,510 --> 01:14:58,239

i was standing at that point and i fell

1883

01:15:01,270 --> 01:14:59,520

over not you know

1884

01:15:02,630 --> 01:15:01,280

i was already weak to begin with but

1885

01:15:05,750 --> 01:15:02,640

with that understanding

1886

01:15:08,229 --> 01:15:05,760

it's just something so profound

1887

01:15:09,750 --> 01:15:08,239

to have to come to terms with it's

1888

01:15:11,990 --> 01:15:09,760

almost

1889

01:15:12,950 --> 01:15:12,000

i can definitely see now if people that

1890

01:15:15,110 --> 01:15:12,960

that often

1891

01:15:16,470 --> 01:15:15,120

uh when they're faced with something um

1892

01:15:17,430 --> 01:15:16,480

out in the world with something that

1893

01:15:20,790 --> 01:15:17,440

they can't deal with

1894

01:15:23,110 --> 01:15:20,800

that they uh create this multiple

1895

01:15:24,630 --> 01:15:23,120

personality or disorder tour a

1896

01:15:27,350 --> 01:15:24,640

personality just

1897

01:15:29,189 --> 01:15:27,360

like splits itself into the one that

1898

01:15:31,110 --> 01:15:29,199

can't deal with it and a different one

1899

01:15:32,870 --> 01:15:31,120

that has a the solution that can deal

1900

01:15:34,950 --> 01:15:32,880

with it to sustain this

1901

01:15:36,790 --> 01:15:34,960

body right to for you to continue to

1902

01:15:38,149 --> 01:15:36,800

exist so i understand how that can

1903

01:15:40,470 --> 01:15:38,159

happen in my case

1904

01:15:41,430 --> 01:15:40,480

as far as i know thankfully he didn't i

1905

01:15:44,550 --> 01:15:41,440

still remain my

1906

01:15:47,030 --> 01:15:44,560

you know me who i always have been but

1907

01:15:48,310 --> 01:15:47,040

it's i just couldn't deal with it you

1908

01:15:51,830 --> 01:15:48,320

know it was something that

1909

01:15:53,990 --> 01:15:51,840

it's like oh my god like am i just

1910

01:15:55,910 --> 01:15:54,000

here talking to myself that there really

1911

01:15:57,430 --> 01:15:55,920

is nothing and no one out there

1912

01:15:59,830 --> 01:15:57,440

and so anyway that's something that

1913

01:16:02,630 --> 01:15:59,840

created um

1914

01:16:04,390 --> 01:16:02,640

a lot of anxiety and fear in me because

1915

01:16:05,750 --> 01:16:04,400

i didn't want to go there i don't want

1916

01:16:07,270 --> 01:16:05,760

to go there again you know

1917

01:16:09,030 --> 01:16:07,280

and i didn't understand how did that

1918

01:16:11,910 --> 01:16:09,040

come in it's like i was just

1919

01:16:12,390 --> 01:16:11,920

in this place that that you go to that

1920

01:16:15,590 --> 01:16:12,400

i've

1921

01:16:18,550 --> 01:16:15,600

known you know that when you pass pass

1922

01:16:19,430 --> 01:16:18,560

on that's where you go but then what is

1923

01:16:21,669 --> 01:16:19,440

this place

1924

01:16:23,189 --> 01:16:21,679

i do you know it's a plus the fear and

1925

01:16:25,110 --> 01:16:23,199

love difference was

1926

01:16:26,470 --> 01:16:25,120

tremendous you know here you are just

1927

01:16:29,750 --> 01:16:26,480

just absolute love to

1928

01:16:31,990 --> 01:16:29,760

just absolute fear it's almost like

1929

01:16:33,830 --> 01:16:32,000

you know it had to balance itself out

1930

01:16:35,669 --> 01:16:33,840

within that experience you had you had

1931

01:16:38,229 --> 01:16:35,679

this awesome experience but here's

1932

01:16:40,390 --> 01:16:38,239

extreme fear just for these few minutes

1933

01:16:41,590 --> 01:16:40,400

so anyway all of that happened and i

1934

01:16:42,870 --> 01:16:41,600

didn't didn't want to

1935

01:16:44,950 --> 01:16:42,880

didn't want to talk about i didn't want

1936

01:16:46,470 --> 01:16:44,960

to convey because i i've still felt deep

1937

01:16:48,630 --> 01:16:46,480

down it's like there's there has to be

1938

01:16:51,350 --> 01:16:48,640

something there there has to be

1939

01:16:53,110 --> 01:16:51,360

a different understanding and so i

1940

01:16:55,030 --> 01:16:53,120

understood that either through download

1941

01:16:56,709 --> 01:16:55,040

or synchronicity or some way i will

1942

01:16:57,510 --> 01:16:56,719

understand it but i didn't want to talk

1943

01:17:00,709 --> 01:16:57,520

about it

1944

01:17:01,189 --> 01:17:00,719

and so uh somebody asked me that and i

1945

01:17:02,630 --> 01:17:01,199

forgot

1946

01:17:04,149 --> 01:17:02,640

exactly who it was that was there

1947

01:17:05,430 --> 01:17:04,159

something that i experienced that i

1948

01:17:08,229 --> 01:17:05,440

didn't talk about

1949

01:17:09,910 --> 01:17:08,239

in any length of time and that was

1950

01:17:11,030 --> 01:17:09,920

primarily it i might have maybe

1951

01:17:14,149 --> 01:17:11,040

mentioned it but

1952

01:17:15,189 --> 01:17:14,159

not to this extent and so what had

1953

01:17:18,070 --> 01:17:15,199

happened was

1954

01:17:18,790 --> 01:17:18,080

um usually because it's been years since

1955

01:17:20,709 --> 01:17:18,800

i've been

1956

01:17:22,229 --> 01:17:20,719

basically listening to any kind of uh

1957

01:17:24,470 --> 01:17:22,239

channeling from bashar

1958

01:17:26,470 --> 01:17:24,480

and um you know the the core

1959

01:17:27,669 --> 01:17:26,480

understanding that that i took from it i

1960

01:17:29,510 --> 01:17:27,679

basically just take it

1961

01:17:31,830 --> 01:17:29,520

and can live my life that way i have

1962

01:17:33,990 --> 01:17:31,840

that tool to look at things to analyze

1963

01:17:35,590 --> 01:17:34,000

and then with my own personal experience

1964

01:17:37,669 --> 01:17:35,600

you don't need to kind of go back to

1965

01:17:39,350 --> 01:17:37,679

square one having to listen to channel

1966

01:17:40,550 --> 01:17:39,360

over and over again so at this point

1967

01:17:43,669 --> 01:17:40,560

it's been years

1968

01:17:46,470 --> 01:17:43,679

you know and um

1969

01:17:47,110 --> 01:17:46,480

so what was interesting is that there

1970

01:17:50,470 --> 01:17:47,120

was a

1971

01:17:52,790 --> 01:17:50,480

an event that they were doing it was um

1972

01:17:54,390 --> 01:17:52,800

it was still pre-covered where you can

1973

01:17:56,790 --> 01:17:54,400

watch the streaming or

1974

01:17:58,950 --> 01:17:56,800

uh be there in person well i've i

1975

01:18:00,709 --> 01:17:58,960

usually i just i don't have the time and

1976

01:18:02,390 --> 01:18:00,719

i know i can't watch them so

1977

01:18:04,229 --> 01:18:02,400

i always want to always receive their

1978

01:18:06,470 --> 01:18:04,239

emails but i delete them sometimes like

1979

01:18:08,470 --> 01:18:06,480

oh great to have an event i can't attend

1980

01:18:09,830 --> 01:18:08,480

well this one particular one just stuck

1981

01:18:12,070 --> 01:18:09,840

out and i was

1982

01:18:14,149 --> 01:18:12,080

wondering like why did that just happen

1983

01:18:15,750 --> 01:18:14,159

so i called my wife and i said i know we

1984

01:18:17,270 --> 01:18:15,760

got some plans but do you want to watch

1985

01:18:18,870 --> 01:18:17,280

this with me and she's like sure let's

1986

01:18:20,630 --> 01:18:18,880

let's watch it whatever is happening

1987

01:18:22,470 --> 01:18:20,640

it was happening within a short period

1988

01:18:25,110 --> 01:18:22,480

of time of when i got the email

1989

01:18:25,510 --> 01:18:25,120

like a few days later it was gonna

1990

01:18:27,350 --> 01:18:25,520

happen

1991

01:18:28,790 --> 01:18:27,360

not like they make an announcement and

1992

01:18:31,990 --> 01:18:28,800

then several months later

1993

01:18:34,229 --> 01:18:32,000

to some way you sometimes forget and so

1994

01:18:35,430 --> 01:18:34,239

we bought the tickets and so we sat

1995

01:18:37,270 --> 01:18:35,440

there and we're watching and i'm

1996

01:18:38,870 --> 01:18:37,280

watching just to see i mean a lot of

1997

01:18:39,990 --> 01:18:38,880

things that people bringing up i'm

1998

01:18:41,430 --> 01:18:40,000

understanding i'm very

1999

01:18:43,030 --> 01:18:41,440

well familiar with it i'm trying to

2000

01:18:44,790 --> 01:18:43,040

understand maybe is there something that

2001

01:18:45,990 --> 01:18:44,800

i don't know that i should maybe take in

2002

01:18:47,990 --> 01:18:46,000

more

2003

01:18:49,910 --> 01:18:48,000

and then it what happened was the

2004

01:18:53,350 --> 01:18:49,920

gentleman got in line

2005

01:18:54,070 --> 01:18:53,360

and he described my feeling he described

2006

01:18:56,709 --> 01:18:54,080

my feeling

2007

01:18:59,189 --> 01:18:56,719

exactly to bashar and i just kind of

2008

01:19:00,870 --> 01:18:59,199

tuned in i was like this is exactly why

2009

01:19:02,390 --> 01:19:00,880

i was watching this

2010

01:19:04,390 --> 01:19:02,400

because i was trying to see what what

2011

01:19:07,669 --> 01:19:04,400

will what will he

2012

01:19:08,070 --> 01:19:07,679

describe and then he just and and bashar

2013

01:19:10,070 --> 01:19:08,080

just

2014

01:19:11,110 --> 01:19:10,080

you know is always without skipping a

2015

01:19:12,870 --> 01:19:11,120

beat

2016

01:19:14,630 --> 01:19:12,880

he the way he would describe it and once

2017

01:19:15,189 --> 01:19:14,640

he described it it just made perfect

2018

01:19:19,830 --> 01:19:15,199

sense

2019

01:19:21,350 --> 01:19:19,840

that it would work that way which was

2020

01:19:24,470 --> 01:19:21,360

this

2021

01:19:27,110 --> 01:19:24,480

between these different realities

2022

01:19:29,030 --> 01:19:27,120

if you as your as i'm understanding it

2023

01:19:30,390 --> 01:19:29,040

so i'm paraphrasing in my own way

2024

01:19:33,830 --> 01:19:30,400

if you're switching these different

2025

01:19:40,470 --> 01:19:37,669

there's a focus on everything here

2026

01:19:41,270 --> 01:19:40,480

so there's definitions that are already

2027

01:19:43,350 --> 01:19:41,280

pre-built

2028

01:19:44,870 --> 01:19:43,360

that you interacting with this world so

2029

01:19:47,669 --> 01:19:44,880

you understand you're

2030

01:19:49,350 --> 01:19:47,679

you're breathing air there's buildings

2031

01:19:50,790 --> 01:19:49,360

there's this knowledge right this is

2032

01:19:53,110 --> 01:19:50,800

this dimension

2033

01:19:55,270 --> 01:19:53,120

when you're shifting these dimensions to

2034

01:19:55,830 --> 01:19:55,280

shift into something else or somewhere

2035

01:19:57,830 --> 01:19:55,840

else

2036

01:19:58,950 --> 01:19:57,840

you almost have to he calls it a shift

2037

01:20:00,790 --> 01:19:58,960

into neutral

2038

01:20:03,110 --> 01:20:00,800

well that neutral spot is going to be

2039

01:20:05,669 --> 01:20:03,120

absolutely neutral

2040

01:20:07,750 --> 01:20:05,679

which is that that it has no meaning

2041

01:20:09,270 --> 01:20:07,760

there is no one else there it's just

2042

01:20:12,550 --> 01:20:09,280

simply you

2043

01:20:14,229 --> 01:20:12,560

right and then before you then

2044

01:20:16,070 --> 01:20:14,239

while you know when you shift that

2045

01:20:17,510 --> 01:20:16,080

through that then you shift on to

2046

01:20:19,110 --> 01:20:17,520

wherever you need to go

2047

01:20:21,430 --> 01:20:19,120

you know there's no specific direction

2048

01:20:23,590 --> 01:20:21,440

shifting up shifting down the point is

2049

01:20:25,030 --> 01:20:23,600

that feeling that understanding was the

2050

01:20:28,470 --> 01:20:25,040

neutral zone

2051
01:20:29,750 --> 01:20:28,480
before you let go of one reality to join

2052
01:20:31,510 --> 01:20:29,760
the other reality

2053
01:20:33,430 --> 01:20:31,520
and that's what had happened so when it

2054
01:20:34,070 --> 01:20:33,440
occurred to me i didn't understand what

2055
01:20:36,149 --> 01:20:34,080
it was

2056
01:20:38,149 --> 01:20:36,159
nor was i willing to sit around much

2057
01:20:40,470 --> 01:20:38,159
longer to find out where this is going

2058
01:20:41,270 --> 01:20:40,480
i just freaked out got you know had the

2059
01:20:44,709 --> 01:20:41,280
shock and

2060
01:20:47,350 --> 01:20:44,719
and and passed out and so um

2061
01:20:48,390 --> 01:20:47,360
so hazel uh i guess thanks for bringing

2062
01:20:50,149 --> 01:20:48,400
it out in me

2063
01:20:52,550 --> 01:20:50,159

but uh yeah it wasn't something i

2064

01:20:54,790 --> 01:20:52,560

necessarily meant to speak

2065

01:20:55,590 --> 01:20:54,800

but uh because there's each one of these

2066

01:20:57,110 --> 01:20:55,600

events

2067

01:20:59,189 --> 01:20:57,120

they always they have these all these

2068

01:20:59,990 --> 01:20:59,199

stories on their own like i could focus

2069

01:21:02,390 --> 01:21:00,000

a whole

2070

01:21:04,229 --> 01:21:02,400

hour sometime or more to talk about them

2071

01:21:07,350 --> 01:21:04,239

and when it comes to these conference

2072

01:21:10,149 --> 01:21:07,360

settings everyone just wants the the the

2073

01:21:10,550 --> 01:21:10,159

meat of the story what most of the time

2074

01:21:17,430 --> 01:21:10,560

the

2075

01:21:18,870 --> 01:21:17,440

events to go on you know and so anyway

2076

01:21:21,430 --> 01:21:18,880

i hope that kind of answers your

2077

01:21:23,510 --> 01:21:21,440

question um if you can confirm to me in

2078

01:21:26,149 --> 01:21:23,520

chat i'd appreciate it since i can't see

2079

01:21:27,110 --> 01:21:26,159

you know see you or hear you but uh that

2080

01:21:29,030 --> 01:21:27,120

that was the

2081

01:21:30,229 --> 01:21:29,040

that's the part that i wasn't willing to

2082

01:21:33,510 --> 01:21:30,239

talk about yet

2083

01:21:34,950 --> 01:21:33,520

but um i figured i guess

2084

01:21:37,510 --> 01:21:34,960

at this point i don't know that i will

2085

01:21:38,390 --> 01:21:37,520

get more from it all i know is that it

2086

01:21:42,070 --> 01:21:38,400

was

2087

01:21:46,629 --> 01:21:42,080

an absolutely absolutely terrifying

2088

01:21:48,950 --> 01:21:46,639

state to be in when there's when you are

2089

01:21:50,070 --> 01:21:48,960

whenever all the all the understandings

2090

01:21:52,870 --> 01:21:50,080

all the meanings

2091

01:21:54,070 --> 01:21:52,880

has been cut off from your general

2092

01:21:57,270 --> 01:21:54,080

understanding

2093

01:22:00,149 --> 01:21:57,280

and you understand there's just you

2094

01:22:01,270 --> 01:22:00,159

in that space in that neutral space

2095

01:22:03,430 --> 01:22:01,280

because it's not as

2096

01:22:04,390 --> 01:22:03,440

nothing is assigned to it it's a simple

2097

01:22:06,229 --> 01:22:04,400

void

2098

01:22:08,149 --> 01:22:06,239

you know before you shift over to

2099

01:22:10,629 --> 01:22:08,159

something new to where then you

2100

01:22:11,510 --> 01:22:10,639

you have other understandings and you

2101
01:22:13,990 --> 01:22:11,520
you adapt

2102
01:22:15,110 --> 01:22:14,000
those so anyway i hope that makes sense

2103
01:22:18,229 --> 01:22:15,120
to you if if it

2104
01:22:19,110 --> 01:22:18,239
if it didn't ask me to clarify something

2105
01:22:22,550 --> 01:22:19,120
about it but

2106
01:22:27,350 --> 01:22:22,560
uh that is basically the the the gist of

2107
01:22:40,390 --> 01:22:30,390
uh okay let me see let me catch up on

2108
01:22:44,950 --> 01:22:43,910
okay we have um okay 5d raven just want

2109
01:23:03,750 --> 01:22:44,960
to say hello

2110
01:23:08,629 --> 01:23:07,110
yeah if uh yeah i don't know

2111
01:23:10,390 --> 01:23:08,639
do you guys are just chatting with each

2112
01:23:12,149 --> 01:23:10,400
other which is perfectly fine i was just

2113
01:23:13,510 --> 01:23:12,159

trying to see if there was some

2114

01:23:15,910 --> 01:23:13,520

something or someone out there that

2115

01:23:20,070 --> 01:23:15,920

wanted to um

2116

01:23:20,550 --> 01:23:20,080

to say something or ask a question but

2117

01:23:24,709 --> 01:23:20,560

yeah

2118

01:23:27,030 --> 01:23:24,719

it's uh in general it's it's

2119

01:23:28,870 --> 01:23:27,040

you know i i i'm glad that whatever

2120

01:23:31,510 --> 01:23:28,880

happened happened when i was still

2121

01:23:32,790 --> 01:23:31,520

single and and there was no way that i

2122

01:23:35,669 --> 01:23:32,800

could go through these things

2123

01:23:37,350 --> 01:23:35,679

in the manner that i did with having you

2124

01:23:37,750 --> 01:23:37,360

know two children and a third one on the

2125

01:23:40,070 --> 01:23:37,760

way

2126
01:23:40,870 --> 01:23:40,080
and all the things that are happening

2127
01:23:43,990 --> 01:23:40,880
because

2128
01:23:47,189 --> 01:23:44,000
a family always needs you know

2129
01:23:48,070 --> 01:23:47,199
preferably a stable household with both

2130
01:23:49,830 --> 01:23:48,080
parents

2131
01:23:51,910 --> 01:23:49,840
good heads on their shoulders and having

2132
01:23:53,350 --> 01:23:51,920
to go through this crazy stuff that i

2133
01:23:55,669 --> 01:23:53,360
did years ago

2134
01:23:56,790 --> 01:23:55,679
now i could not imagine that i would i

2135
01:23:59,510 --> 01:23:56,800
would be a

2136
01:24:00,149 --> 01:23:59,520
total mess it would just be i would just

2137
01:24:02,470 --> 01:24:00,159
not

2138
01:24:04,470 --> 01:24:02,480

i would just be kind of sitting in a

2139

01:24:06,790 --> 01:24:04,480

chair staring off at one point

2140

01:24:07,510 --> 01:24:06,800

trying to like you know to to make sense

2141

01:24:09,510 --> 01:24:07,520

of what had

2142

01:24:10,629 --> 01:24:09,520

happened to me and it would not be

2143

01:24:12,709 --> 01:24:10,639

beneficial to

2144

01:24:13,830 --> 01:24:12,719

anyone in the family so i'm glad that

2145

01:24:16,950 --> 01:24:13,840

all of that is

2146

01:24:19,270 --> 01:24:16,960

the the the root core

2147

01:24:20,629 --> 01:24:19,280

understandings about certain concepts

2148

01:24:23,510 --> 01:24:20,639

have been already

2149

01:24:24,550 --> 01:24:23,520

explored by me and so of course there's

2150

01:24:27,189 --> 01:24:24,560

never an end to that

2151

01:24:28,229 --> 01:24:27,199

i'll always continue but at least i'm

2152

01:24:31,350 --> 01:24:28,239

not gonna

2153

01:24:33,030 --> 01:24:31,360

be a total head basket uh moving forward

2154

01:24:35,110 --> 01:24:33,040

you know with having a family almost

2155

01:24:37,270 --> 01:24:35,120

can't and still got to go to work and

2156

01:24:39,030 --> 01:24:37,280

make sure the kids are fed and there's

2157

01:24:40,310 --> 01:24:39,040

still a roof over the you know over

2158

01:24:42,790 --> 01:24:40,320

everyone's head and

2159

01:24:43,430 --> 01:24:42,800

and of course my wife is doing the same

2160

01:24:45,590 --> 01:24:43,440

job

2161

01:24:46,550 --> 01:24:45,600

you know it's not just me but i'm just

2162

01:24:48,310 --> 01:24:46,560

saying that

2163

01:24:50,229 --> 01:24:48,320

it wouldn't have been fair to her if i

2164

01:24:52,629 --> 01:24:50,239

was if she had a

2165

01:24:54,149 --> 01:24:52,639

fourth kid to take care of other than

2166

01:25:01,830 --> 01:24:54,159

the the

2167

01:25:08,709 --> 01:25:05,189

um pauline bees asked

2168

01:25:11,510 --> 01:25:08,719

ednan have you heard of the uh

2169

01:25:12,790 --> 01:25:11,520

obe i assume out of body experience

2170

01:25:16,390 --> 01:25:12,800

writer

2171

01:25:20,229 --> 01:25:16,400

jurgen sivi

2172

01:25:21,430 --> 01:25:20,239

siva is a german um no i have not i'm

2173

01:25:30,950 --> 01:25:21,440

sorry pauline

2174

01:25:35,110 --> 01:25:33,830

uh sorry if i'm silent i hate to have uh

2175

01:25:38,149 --> 01:25:35,120

just silence on

2176

01:25:40,070 --> 01:25:38,159

on the live stream but this uh

2177

01:25:41,510 --> 01:25:40,080

hazel asks another question asking do

2178

01:25:44,950 --> 01:25:41,520

you think that all this

2179

01:25:46,390 --> 01:25:44,960

happened to you at the right time so in

2180

01:25:48,149 --> 01:25:46,400

latter years you had a better

2181

01:25:51,189 --> 01:25:48,159

understanding yeah okay

2182

01:25:52,950 --> 01:25:51,199

maybe i just if

2183

01:25:54,629 --> 01:25:52,960

you listen to it i was just explaining

2184

01:25:58,310 --> 01:25:54,639

you beat me to it or

2185

01:26:03,990 --> 01:26:01,910

yes but basically it just there was

2186

01:26:06,229 --> 01:26:04,000

very well a reason why all of that was

2187

01:26:07,510 --> 01:26:06,239

occurring because it's it's weird it's

2188

01:26:10,550 --> 01:26:07,520

um

2189

01:26:13,910 --> 01:26:10,560

uh you have to understand for for

2190

01:26:17,430 --> 01:26:13,920

me to kind of do this even though i had

2191

01:26:18,550 --> 01:26:17,440

experiences younger um for me to do this

2192

01:26:22,149 --> 01:26:18,560

it's almost

2193

01:26:22,470 --> 01:26:22,159

as surreal or weird to be able to do to

2194

01:26:24,709 --> 01:26:22,480

have

2195

01:26:26,229 --> 01:26:24,719

ufo hub and continue it with the with

2196

01:26:29,430 --> 01:26:26,239

the passion that i do

2197

01:26:33,430 --> 01:26:29,440

it's as weird as let's say

2198

01:26:35,350 --> 01:26:33,440

a quarterback football player um

2199

01:26:36,950 --> 01:26:35,360

not that i was i'm just giving you these

2200

01:26:38,629 --> 01:26:36,960

drastic differences

2201
01:26:41,110 --> 01:26:38,639
like having a quarterback football

2202
01:26:44,229 --> 01:26:41,120
player being passionately

2203
01:26:45,350 --> 01:26:44,239
involved in knitting okay it's that

2204
01:26:47,830 --> 01:26:45,360
different

2205
01:26:49,189 --> 01:26:47,840
you know to to where they're just

2206
01:26:51,590 --> 01:26:49,199
enthralled in knitting

2207
01:26:53,350 --> 01:26:51,600
and are all into it and talking to

2208
01:26:55,189 --> 01:26:53,360
people about knitting and going to

2209
01:26:57,910 --> 01:26:55,199
knitting groups and all of that

2210
01:26:59,750 --> 01:26:57,920
that's how this feels to me to go from

2211
01:27:02,950 --> 01:26:59,760
how my life was before

2212
01:27:04,070 --> 01:27:02,960
to literally just be disenthralled with

2213
01:27:07,430 --> 01:27:04,080

the ufo subject

2214

01:27:10,390 --> 01:27:07,440

and doing you for hub and interviews and

2215

01:27:11,030 --> 01:27:10,400

and all these things um sometimes yeah

2216

01:27:13,270 --> 01:27:11,040

i'm not

2217

01:27:14,790 --> 01:27:13,280

um not exactly sure where it's going but

2218

01:27:18,149 --> 01:27:14,800

i just know that i always

2219

01:27:19,189 --> 01:27:18,159

like to talk about it and so um i just

2220

01:27:21,110 --> 01:27:19,199

figured well why

2221

01:27:22,229 --> 01:27:21,120

why not do this with with all of you

2222

01:27:24,070 --> 01:27:22,239

guys online

2223

01:27:26,310 --> 01:27:24,080

but although it first just started out

2224

01:27:29,030 --> 01:27:26,320

with interview interviewees and

2225

01:27:30,310 --> 01:27:29,040

and people that have um generally put

2226

01:27:32,790 --> 01:27:30,320

themselves out there

2227

01:27:33,830 --> 01:27:32,800

and are very you know very well known to

2228

01:27:35,669 --> 01:27:33,840

already

2229

01:27:37,030 --> 01:27:35,679

talk about the ufology field but it's

2230

01:27:38,709 --> 01:27:37,040

like i know there's

2231

01:27:40,709 --> 01:27:38,719

everyone else out there like me that

2232

01:27:42,149 --> 01:27:40,719

just wants to talk about it so i figured

2233

01:27:43,590 --> 01:27:42,159

um open lines

2234

01:27:45,510 --> 01:27:43,600

creating something like that would be

2235

01:27:46,870 --> 01:27:45,520

great after it was suggested to me by

2236

01:27:50,550 --> 01:27:46,880

one of the

2237

01:27:51,510 --> 01:27:50,560

they were saying they originally wanted

2238

01:27:55,669 --> 01:27:51,520

me to

2239

01:27:57,750 --> 01:27:55,679

um they were saying what if i started um

2240

01:28:01,430 --> 01:27:57,760

what's the other one there's telegram

2241

01:28:07,750 --> 01:28:04,470

discord to open up a discord group

2242

01:28:08,629 --> 01:28:07,760

and have basically people contact me

2243

01:28:11,669 --> 01:28:08,639

that way

2244

01:28:14,870 --> 01:28:11,679

so i looked into it and i put that

2245

01:28:16,870 --> 01:28:14,880

that poll out there and i asked you on

2246

01:28:18,470 --> 01:28:16,880

telegram or discord and a lot of you

2247

01:28:20,870 --> 01:28:18,480

chose telegram so

2248

01:28:21,910 --> 01:28:20,880

i already had telegram i've been using

2249

01:28:23,669 --> 01:28:21,920

it for a while now

2250

01:28:25,030 --> 01:28:23,679

so it worked out great especially with

2251

01:28:26,709 --> 01:28:25,040

their new um

2252

01:28:28,709 --> 01:28:26,719

voice chat option they had just

2253

01:28:29,669 --> 01:28:28,719

implemented it so it worked out great to

2254

01:28:34,629 --> 01:28:29,679

be able to

2255

01:28:39,990 --> 01:28:37,350

okay give me one second patrick raise

2256

01:28:47,189 --> 01:28:43,510

all right patrick you are unmuted

2257

01:28:49,430 --> 01:28:47,199

yes uh i um want to

2258

01:28:50,870 --> 01:28:49,440

mention that i uh i do this uh

2259

01:28:55,110 --> 01:28:50,880

meditation with a group of

2260

01:28:57,189 --> 01:28:55,120

men and we're pretty diverse it's uh

2261

01:28:58,229 --> 01:28:57,199

one is a building contractor one owns a

2262

01:29:01,750 --> 01:28:58,239

restaurant one

2263

01:29:03,430 --> 01:29:01,760

owns uh uh some sort of uh

2264

01:29:04,870 --> 01:29:03,440

he works for some sort of not private

2265

01:29:07,350 --> 01:29:04,880

non-profit

2266

01:29:08,390 --> 01:29:07,360

but uh we were just gonna get together

2267

01:29:11,750 --> 01:29:08,400

and do

2268

01:29:13,910 --> 01:29:11,760

uh you know meditation for about an hour

2269

01:29:15,669 --> 01:29:13,920

one night a week and just force

2270

01:29:19,110 --> 01:29:15,679

ourselves into doing it

2271

01:29:22,550 --> 01:29:19,120

and what has happened is that

2272

01:29:25,270 --> 01:29:22,560

one of them started seeing entities

2273

01:29:26,149 --> 01:29:25,280

and then all of us started seeing

2274

01:29:29,669 --> 01:29:26,159

entities

2275

01:29:31,030 --> 01:29:29,679

when doing our meditation um you were

2276

01:29:33,189 --> 01:29:31,040

you mentioned about the someone

2277

01:29:34,629 --> 01:29:33,199

mentioned about the color

2278

01:29:36,870 --> 01:29:34,639

as they were doing the work you could

2279

01:29:37,510 --> 01:29:36,880

see the color well these colors with

2280

01:29:39,990 --> 01:29:37,520

blood

2281

01:29:41,510 --> 01:29:40,000

over our closed eyes when we were doing

2282

01:29:44,790 --> 01:29:41,520

this and then

2283

01:29:45,350 --> 01:29:44,800

um i'm sorry say that again somebody

2284

01:29:47,350 --> 01:29:45,360

mentioned

2285

01:29:48,950 --> 01:29:47,360

what uh your connection kind of was

2286

01:29:51,510 --> 01:29:48,960

shifting when you

2287

01:29:53,350 --> 01:29:51,520

when you were doing uh like some energy

2288

01:29:54,470 --> 01:29:53,360

work somebody was doing some energy work

2289

01:29:57,270 --> 01:29:54,480

and there was

2290

01:29:58,310 --> 01:29:57,280

color floating over you color yes i

2291

01:30:01,590 --> 01:29:58,320

didn't hear that part

2292

01:30:03,830 --> 01:30:01,600

i i it was it uh

2293

01:30:06,149 --> 01:30:03,840

go ahead okay so there were color

2294

01:30:09,430 --> 01:30:06,159

floating uh flooding over us well

2295

01:30:12,870 --> 01:30:09,440

we we would start seeing images of uh

2296

01:30:15,110 --> 01:30:12,880

entities and uh they appeared

2297

01:30:16,629 --> 01:30:15,120

one appeared to be like a 16 year old

2298

01:30:19,750 --> 01:30:16,639

girl just beautiful

2299

01:30:19,990 --> 01:30:19,760

beautiful beautiful and she would show

2300

01:30:23,430 --> 01:30:20,000

up

2301

01:30:26,229 --> 01:30:23,440

on a regular basis uh never never

2302

01:30:28,550 --> 01:30:26,239

anything verbal communicated with us but

2303

01:30:30,790 --> 01:30:28,560

she wanted to show us something

2304

01:30:31,990 --> 01:30:30,800

and it was like in another realm if you

2305

01:30:35,750 --> 01:30:32,000

will

2306

01:30:38,229 --> 01:30:35,760

well so uh it was about this time

2307

01:30:39,189 --> 01:30:38,239

it was last summer as a matter of fact i

2308

01:30:42,950 --> 01:30:39,199

was

2309

01:30:44,950 --> 01:30:42,960

ready to fire this doctor because i

2310

01:30:47,990 --> 01:30:44,960

we weren't coming up with any pro any

2311

01:30:51,430 --> 01:30:48,000

solutions to a problem i was having

2312

01:30:54,629 --> 01:30:51,440

but i just had to hear him out and uh

2313

01:30:54,950 --> 01:30:54,639

so he's going on about that time i had

2314

01:31:01,270 --> 01:30:54,960

an

2315

01:31:04,149 --> 01:31:01,280

uh like fracture fractals of light

2316

01:31:06,070 --> 01:31:04,159

it's like looking through kaleidoscope

2317

01:31:07,350 --> 01:31:06,080

and you just sort of go blind for about

2318

01:31:09,750 --> 01:31:07,360

15 minutes

2319

01:31:10,550 --> 01:31:09,760

and there's no pain involved with it but

2320

01:31:12,310 --> 01:31:10,560

it

2321

01:31:14,070 --> 01:31:12,320

you're not going to go anywhere while

2322

01:31:16,310 --> 01:31:14,080

you're experiencing one of these because

2323

01:31:19,110 --> 01:31:16,320

you can't see the drive so

2324

01:31:21,270 --> 01:31:19,120

i was just i told the doctor i had i was

2325

01:31:24,070 --> 01:31:21,280

experiencing an aura migraine

2326

01:31:25,030 --> 01:31:24,080

and the doctor put me in a dark waiting

2327

01:31:27,270 --> 01:31:25,040

room

2328

01:31:28,310 --> 01:31:27,280

uh about that time when i was sitting

2329

01:31:31,590 --> 01:31:28,320

there a text

2330

01:31:34,870 --> 01:31:31,600

came in from a friend in vietnam

2331

01:31:36,790 --> 01:31:34,880

and he said he wanted to know why

2332

01:31:39,350 --> 01:31:36,800

i was in a doctor's office and why i

2333

01:31:42,629 --> 01:31:39,360

wasn't taking the doctor seriously

2334

01:31:44,229 --> 01:31:42,639

and what was wrong with me and he

2335

01:31:45,669 --> 01:31:44,239

picked that up in the middle of the

2336

01:31:48,790 --> 01:31:45,679

night in vietnam

2337

01:31:52,950 --> 01:31:48,800

and texted me to confirm it

2338

01:31:55,990 --> 01:31:52,960

and uh i was i was blown away to

2339

01:31:59,270 --> 01:31:56,000

to say the least and so

2340

01:31:59,750 --> 01:31:59,280

apparently we've connected on another

2341

01:32:03,510 --> 01:31:59,760

level

2342

01:32:06,229 --> 01:32:03,520

that's over and above our comprehension

2343

01:32:06,870 --> 01:32:06,239

or our level of understanding and so

2344

01:32:09,350 --> 01:32:06,880

we're

2345

01:32:10,149 --> 01:32:09,360

as a meditating group we seem to be

2346

01:32:13,510 --> 01:32:10,159

connected

2347

01:32:15,830 --> 01:32:13,520

uh to something larger

2348

01:32:16,790 --> 01:32:15,840

if you will like a a light network or

2349

01:32:19,910 --> 01:32:16,800

whatever

2350

01:32:22,390 --> 01:32:19,920

but he uh if he tunes into me

2351
01:32:23,189 --> 01:32:22,400
he knows what i'm doing and and the

2352
01:32:25,750 --> 01:32:23,199
thing is

2353
01:32:27,590 --> 01:32:25,760
he understood everything that was going

2354
01:32:29,350 --> 01:32:27,600
on between the doctor and i it was just

2355
01:32:31,350 --> 01:32:29,360
he were standing right there

2356
01:32:33,030 --> 01:32:31,360
but he better still he was reading my

2357
01:32:37,270 --> 01:32:33,040
thoughts

2358
01:32:39,590 --> 01:32:37,280
and uh so i just thought i'd add that uh

2359
01:32:40,470 --> 01:32:39,600
thank you you know they don't think for

2360
01:32:44,629 --> 01:32:40,480
sharing that

2361
01:32:48,149 --> 01:32:44,639
don't go don't go away yet um

2362
01:32:50,870 --> 01:32:48,159
um well what i was what i was gonna say

2363
01:32:51,750 --> 01:32:50,880

is this this happening only with this

2364

01:32:54,870 --> 01:32:51,760

group that you

2365

01:32:59,270 --> 01:32:54,880

that you have or yes

2366

01:33:00,950 --> 01:32:59,280

we seem to be linked up okay and uh

2367

01:33:02,870 --> 01:33:00,960

there was i've tried to bring other

2368

01:33:06,229 --> 01:33:02,880

people into the group

2369

01:33:07,430 --> 01:33:06,239

and uh they don't they don't seem to be

2370

01:33:09,590 --> 01:33:07,440

able to connect

2371

01:33:11,110 --> 01:33:09,600

like those of us that have started the

2372

01:33:12,550 --> 01:33:11,120

glute group it's almost like we're in

2373

01:33:15,189 --> 01:33:12,560

nucleus

2374

01:33:16,470 --> 01:33:15,199

and they can see something is going on

2375

01:33:19,750 --> 01:33:16,480

that they can't

2376

01:33:22,790 --> 01:33:19,760

interact with it if you will

2377

01:33:23,590 --> 01:33:22,800

so one of us recently left and moved to

2378

01:33:26,550 --> 01:33:23,600

costa rica

2379

01:33:27,530 --> 01:33:26,560

because he did not want a vaccination

2380

01:33:29,430 --> 01:33:27,540

and

2381

01:33:31,350 --> 01:33:29,440

[Music]

2382

01:33:34,149 --> 01:33:31,360

it was extremely difficult for the rest

2383

01:33:37,510 --> 01:33:34,159

of us it was almost like

2384

01:33:40,390 --> 01:33:37,520

somebody had cut something out of us

2385

01:33:41,910 --> 01:33:40,400

uh if you will and uh we felt a real

2386

01:33:43,830 --> 01:33:41,920

disconnect with him

2387

01:33:46,070 --> 01:33:43,840

but was he thinking the vaccination was

2388

01:33:48,310 --> 01:33:46,080

going to be forced on him or something

2389

01:33:50,310 --> 01:33:48,320

oh i don't know you know he started

2390

01:33:54,070 --> 01:33:50,320

hearing voices and he decided to leave

2391

01:33:57,350 --> 01:33:54,080

and so it was his decision all right

2392

01:33:59,910 --> 01:33:57,360

but it was it was like something

2393

01:34:01,669 --> 01:33:59,920

was extricated from us almost like

2394

01:34:05,669 --> 01:34:01,679

somebody had pulled a tooth

2395

01:34:08,870 --> 01:34:05,679

and uh it was very painful for us

2396

01:34:09,590 --> 01:34:08,880

uh you know my other friends aren't as

2397

01:34:12,070 --> 01:34:09,600

easy

2398

01:34:13,910 --> 01:34:12,080

to express what's going on with them as

2399

01:34:15,990 --> 01:34:13,920

i am but for me it was

2400

01:34:18,070 --> 01:34:16,000

it was worse than any kind of breakup

2401

01:34:20,870 --> 01:34:18,080

i've ever experienced in my life and i

2402

01:34:22,070 --> 01:34:20,880

i'm talking about teenage angst it was

2403

01:34:25,189 --> 01:34:22,080

worse than that

2404

01:34:26,950 --> 01:34:25,199

it was painful right now i mean

2405

01:34:29,990 --> 01:34:26,960

if you have that stronger connection i

2406

01:34:31,830 --> 01:34:30,000

mean it makes sense

2407

01:34:33,750 --> 01:34:31,840

it would make perfect sense why that

2408

01:34:36,310 --> 01:34:33,760

would be happening

2409

01:34:37,270 --> 01:34:36,320

i've split up with partners of 17 years

2410

01:34:40,709 --> 01:34:37,280

and it wasn't

2411

01:34:43,750 --> 01:34:40,719

nearly nothing this was really painful

2412

01:34:46,470 --> 01:34:43,760

right well i mean

2413

01:34:47,750 --> 01:34:46,480

is there do you guys still uh do you

2414

01:34:48,709 --> 01:34:47,760

sense oh you're still kind of all

2415

01:34:51,990 --> 01:34:48,719

connected though

2416

01:34:53,669 --> 01:34:52,000

uh on we since we're connected and we

2417

01:34:55,669 --> 01:34:53,679

we we continue to get together on

2418

01:34:56,629 --> 01:34:55,679

tuesday nights and uh that's our big

2419

01:35:00,070 --> 01:34:56,639

deal

2420

01:35:03,990 --> 01:35:00,080

um and so we we still feel very much

2421

01:35:07,189 --> 01:35:04,000

um like a unit if you will

2422

01:35:10,870 --> 01:35:07,199

and uh we're so diverse though in

2423

01:35:13,830 --> 01:35:10,880

who we are in this world and what we do

2424

01:35:15,430 --> 01:35:13,840

that it it's almost comical that the

2425

01:35:18,950 --> 01:35:15,440

three of us come together

2426

01:35:22,310 --> 01:35:18,960

in this other place and have such uh

2427

01:35:25,350 --> 01:35:22,320

unity yeah

2428

01:35:27,109 --> 01:35:25,360

right okay well thanks

2429

01:35:29,830 --> 01:35:27,119

thanks for sharing patrick i appreciate

2430

01:35:33,510 --> 01:35:29,840

it sure

2431

01:35:34,149 --> 01:35:33,520

um okay well if uh and generally if

2432

01:35:41,189 --> 01:35:34,159

there's

2433

01:35:42,310 --> 01:35:41,199

uh no one else on on telegram that wants

2434

01:35:45,990 --> 01:35:42,320

to

2435

01:35:49,510 --> 01:35:46,000

just continue continue chatting

2436

01:35:49,750 --> 01:35:49,520

and patrick had shared a great deal and

2437

01:35:56,709 --> 01:35:49,760

i

2438

01:36:00,070 --> 01:35:56,719

you know

2439

01:36:01,750 --> 01:36:00,080

ending ending the stream if you um

2440

01:36:03,990 --> 01:36:01,760

i guess i don't know if you guys want to

2441

01:36:07,270 --> 01:36:04,000

keep keep going if you

2442

01:36:09,669 --> 01:36:07,280

you guys in the chat can can share a

2443

01:36:12,070 --> 01:36:09,679

thumbs up and then that that way i can

2444

01:36:15,350 --> 01:36:12,080

kind of get a sense consensus

2445

01:36:16,950 --> 01:36:15,360

if you would rather be done with it then

2446

01:36:22,149 --> 01:36:16,960

i guess put it thumbs down i'm just

2447

01:36:26,550 --> 01:36:24,790

it's going to take about 20 seconds for

2448

01:36:30,070 --> 01:36:26,560

you guys to

2449

01:36:36,070 --> 01:36:30,080

to hear me and then convey

2450

01:36:40,149 --> 01:36:39,030

because there's always a chance for and

2451

01:36:43,270 --> 01:36:40,159

and anyone that

2452

01:36:44,310 --> 01:36:43,280

would like to is to also join join

2453

01:37:00,870 --> 01:36:44,320

telegram and

2454

01:37:06,070 --> 01:37:02,950

okay well hazel looks like she wrote

2455

01:37:09,430 --> 01:37:06,080

thumbs up

2456

01:37:16,870 --> 01:37:09,440

let me see if i can i think i can have a

2457

01:37:24,070 --> 01:37:20,870

uh oh no never really check out these

2458

01:37:25,830 --> 01:37:24,080

emojis and see what they have available

2459

01:37:28,870 --> 01:37:25,840

trying to see if i can find a thumbs up

2460

01:37:33,030 --> 01:37:30,629

yeah it's here somewhere i don't want to

2461

01:37:34,550 --> 01:37:33,040

spend half the night looking for

2462

01:37:47,189 --> 01:37:34,560

there's just so many of them out there

2463

01:37:47,199 --> 01:37:51,350

okay we have hazel

2464

01:37:57,510 --> 01:37:55,189

uh the 5d raven peace

2465

01:37:58,790 --> 01:37:57,520

and then zzz so i guess he's going to

2466

01:38:03,270 --> 01:37:58,800

sleep and he's tired

2467

01:38:12,470 --> 01:38:03,280

or something oh okay for

2468

01:38:19,189 --> 01:38:17,189

well if um i i guess then i'll i'll i

2469

01:38:22,070 --> 01:38:19,199

figured i'll just end the stream here

2470

01:38:23,109 --> 01:38:22,080

and uh i appreciate you guys joining in

2471

01:38:26,470 --> 01:38:23,119

so far

2472

01:38:28,470 --> 01:38:26,480

and um maybe maybe next time for all of

2473

01:38:30,709 --> 01:38:28,480

you still watching if you already know

2474

01:38:33,669 --> 01:38:30,719

ahead of time if there's if it's a

2475

01:38:34,709 --> 01:38:33,679

bit of a slow open lines if you guys

2476

01:38:37,109 --> 01:38:34,719

have some other questions

2477

01:38:38,470 --> 01:38:37,119

are you lined up just uh throw those out

2478

01:38:41,189 --> 01:38:38,480

and we'll we'll see who

2479

01:38:42,229 --> 01:38:41,199

um you know to to to address them or

2480

01:38:45,430 --> 01:38:42,239

talk about them

2481

01:38:47,990 --> 01:38:45,440

but i do appreciate you logging in today

2482

01:38:49,270 --> 01:38:48,000

we've been on for about an hour 40

2483

01:38:52,870 --> 01:38:49,280

minutes roughly

2484

01:38:56,229 --> 01:38:52,880

so um share it with others

2485

01:38:58,629 --> 01:38:56,239

let others know if more join

2486

01:39:00,149 --> 01:38:58,639

join the group that would like to talk

2487

01:39:02,950 --> 01:39:00,159

the more the merrier

2488

01:39:03,350 --> 01:39:02,960

and if you if you generally like the

2489

01:39:06,870 --> 01:39:03,360

channel

2490

01:39:08,229 --> 01:39:06,880

please subscribe and uh interact with

2491

01:39:11,030 --> 01:39:08,239

the like or dislike

2492

01:39:12,229 --> 01:39:11,040

button on any of the videos on ufo hub

2493

01:39:13,189 --> 01:39:12,239

because that usually helps with the

2494

01:39:15,990 --> 01:39:13,199

algorithm

2495

01:39:17,669 --> 01:39:16,000

the more uh people find out the more

2496

01:39:19,350 --> 01:39:17,679

we'll be hopefully drawn to it and then

2497

01:39:20,229 --> 01:39:19,360

we'll just draw a larger and larger

2498

01:39:22,070 --> 01:39:20,239

community

2499

01:39:23,350 --> 01:39:22,080

not that there isn't some communities

2500

01:39:25,830 --> 01:39:23,360

already out there but

2501
01:39:26,390 --> 01:39:25,840
i'm hoping that we can just uh you know

2502
01:39:29,910 --> 01:39:26,400
have this

2503
01:39:32,550 --> 01:39:29,920
truly be a ufo hub of just

2504
01:39:33,990 --> 01:39:32,560
people meeting talking about ufos and

2505
01:39:37,830 --> 01:39:34,000
and whatever else that's

2506
01:39:40,950 --> 01:39:37,840
uh metaphysical in general so

2507
01:39:41,830 --> 01:39:40,960
um all right well thank you all very

2508
01:39:44,229 --> 01:39:41,840
much

2509
01:39:45,109 --> 01:39:44,239
um it looks like i haven't heard any

2510
01:39:47,109 --> 01:39:45,119
news from

2511
01:39:48,550 --> 01:39:47,119
from my wife yet which is good that

2512
01:39:50,709 --> 01:39:48,560
means she's uh

2513
01:39:52,149 --> 01:39:50,719

either resting watching the show or or

2514

01:39:54,870 --> 01:39:52,159

doing something else

2515

01:39:55,830 --> 01:39:54,880

so thank you all again very much for for

2516

01:39:58,390 --> 01:39:55,840

logging in

2517

01:39:58,950 --> 01:39:58,400

and uh or tuning in and and watching

2518

01:40:01,830 --> 01:39:58,960

this

2519

01:40:03,510 --> 01:40:01,840

uh please tune in on friday i'm i'm

2520

01:40:05,590 --> 01:40:03,520

working on getting a guest

2521

01:40:08,229 --> 01:40:05,600

i don't have anyone lined up yet i have

2522

01:40:11,270 --> 01:40:08,239

a few that i reached out to so we'll see

2523

01:40:12,709 --> 01:40:11,280

what will work out and as always either

2524

01:40:15,270 --> 01:40:12,719

the night before

2525

01:40:16,629 --> 01:40:15,280

or on that day in the morning i will

2526

01:40:18,229 --> 01:40:16,639

already create a

2527

01:40:19,910 --> 01:40:18,239

live stream and put it out there and

2528

01:40:21,030 --> 01:40:19,920

i'll tell you when it's going to be and

2529

01:40:24,229 --> 01:40:21,040

usually it's at 7

2530

01:40:28,149 --> 01:40:24,239

00 p.m central's time central time

2531

01:40:30,790 --> 01:40:28,159

and so um so that way you can

2532

01:40:31,590 --> 01:40:30,800

kind of hit the reminder button make

2533

01:40:34,149 --> 01:40:31,600

sure also

2534

01:40:34,629 --> 01:40:34,159

in the subscription on the notifications

2535

01:40:39,350 --> 01:40:34,639

to

2536

01:40:41,750 --> 01:40:39,360

because

2537

01:40:42,790 --> 01:40:41,760

some people say oh you went live but i

2538

01:40:44,629 --> 01:40:42,800

didn't get this

2539

01:40:46,470 --> 01:40:44,639

and i've noticed a lot of youtubers do

2540

01:40:48,950 --> 01:40:46,480

that i don't know if they're just

2541

01:40:49,990 --> 01:40:48,960

uh saying that to because they hurt

2542

01:40:51,510 --> 01:40:50,000

others but i just

2543

01:40:53,990 --> 01:40:51,520

know from personal experience and what

2544

01:40:57,109 --> 01:40:54,000

y'all you all have told me on on chat

2545

01:40:59,109 --> 01:40:57,119

that you don't get the notifications so

2546

01:41:00,470 --> 01:40:59,119

it's supposed to notify you but if it

2547

01:41:03,669 --> 01:41:00,480

doesn't work for some reason

2548

01:41:05,910 --> 01:41:03,679

youtube is slacking some way um you know

2549

01:41:07,910 --> 01:41:05,920

hopefully all notifications might

2550

01:41:09,030 --> 01:41:07,920

do something different because they have

2551

01:41:12,310 --> 01:41:09,040

three different

2552

01:41:15,990 --> 01:41:12,320

tiers of those notification belts so

2553

01:41:17,750 --> 01:41:16,000

anyway um yeah i'd appreciate any share

2554

01:41:19,030 --> 01:41:17,760

tell your friends family whoever you

2555

01:41:21,189 --> 01:41:19,040

like that

2556

01:41:23,510 --> 01:41:21,199

you know to join us and just make this

2557

01:41:26,950 --> 01:41:23,520

more of an open online group

2558

01:41:29,590 --> 01:41:26,960

um okay well um

2559

01:41:30,310 --> 01:41:29,600

thank you all very much uh take care and
