

UFO HUB

LIVE STREAM

1
00:01:52,830 --> 00:00:17,940
[Music]

2
00:01:52,840 --> 00:02:06,830
food

3
00:02:06,840 --> 00:02:18,350
do

4
00:02:18,360 --> 00:02:34,830
[Music]

5
00:02:34,840 --> 00:02:38,000
do

6
00:02:38,010 --> 00:03:02,830
[Music]

7
00:03:02,840 --> 00:03:14,110
do

8
00:03:14,120 --> 00:03:47,110
[Music]

9
00:03:51,430 --> 00:03:49,750
hi everyone welcome to the of livestream

10
00:03:52,869 --> 00:03:51,440
as you all know we're having cindy

11
00:03:54,789 --> 00:03:52,879
carter back on again

12
00:03:56,949 --> 00:03:54,799
and um so this time around i'm going to

13
00:03:58,789 --> 00:03:56,959

be watching the stream very closely

14

00:03:59,990 --> 00:03:58,799

because last time she had warned me

15

00:04:01,910 --> 00:04:00,000

ahead of time

16

00:04:04,149 --> 00:04:01,920

letting me know that there would be some

17

00:04:05,190 --> 00:04:04,159

interference and uh this whole time i've

18

00:04:06,470 --> 00:04:05,200

had to show

19

00:04:08,949 --> 00:04:06,480

everything has been always going

20

00:04:09,830 --> 00:04:08,959

smoothly and this past wednesday i had

21

00:04:13,509 --> 00:04:09,840

another

22

00:04:16,550 --> 00:04:13,519

hours without any problems

23

00:04:19,030 --> 00:04:16,560

and uh for some reason you know um

24

00:04:20,870 --> 00:04:19,040

that particular day you know all kinds

25

00:04:22,469 --> 00:04:20,880

of things were going on and the stream

26

00:04:24,550 --> 00:04:22,479

kept dropping so anyway

27

00:04:26,710 --> 00:04:24,560

um i have cindy back on we're going to

28

00:04:28,469 --> 00:04:26,720

be talking about sasquatch and a lot

29

00:04:31,350 --> 00:04:28,479

more things

30

00:04:34,230 --> 00:04:31,360

last time i believe we covered origins

31

00:04:37,510 --> 00:04:34,240

of or who the sasquatch are

32

00:04:38,070 --> 00:04:37,520

the different clans portals and i think

33

00:04:40,870 --> 00:04:38,080

also

34

00:04:41,430 --> 00:04:40,880

some some of the other happenings like i

35

00:04:44,469 --> 00:04:41,440

shine

36

00:04:45,350 --> 00:04:44,479

and what that means and so anyway this

37

00:04:47,990 --> 00:04:45,360

will be kind of a

38

00:04:48,550 --> 00:04:48,000

part two continuation of where we left

39

00:04:51,110 --> 00:04:48,560

off

40

00:04:52,790 --> 00:04:51,120

and uh she will be going into uh many

41

00:04:54,469 --> 00:04:52,800

different things today or

42

00:04:56,469 --> 00:04:54,479

you know whatever whatever else might

43

00:04:57,270 --> 00:04:56,479

come up and uh i'm letting you know

44

00:04:59,110 --> 00:04:57,280

ahead of time

45

00:05:00,550 --> 00:04:59,120

if you have any questions please put

46

00:05:02,390 --> 00:05:00,560

them already in the chat

47

00:05:04,230 --> 00:05:02,400

make sure that you have uh the three

48

00:05:04,870 --> 00:05:04,240

little stars before your question so i

49

00:05:08,230 --> 00:05:04,880

know that

50

00:05:11,350 --> 00:05:08,240

it's directly for directed to cindy so

51
00:05:13,110 --> 00:05:11,360
then that way um because we might uh

52
00:05:14,550 --> 00:05:13,120
you know depends on what you might ask

53
00:05:16,150 --> 00:05:14,560
it might jot

54
00:05:17,830 --> 00:05:16,160
the conversation into a whole new

55
00:05:20,469 --> 00:05:17,840
direction and open up

56
00:05:21,749 --> 00:05:20,479
more more information to be shared so

57
00:05:24,230 --> 00:05:21,759
please get us ready

58
00:05:25,430 --> 00:05:24,240
we're gonna get going first with a

59
00:05:27,189 --> 00:05:25,440
little bit more information whatever

60
00:05:29,110 --> 00:05:27,199
else cindy wanted to start out with

61
00:05:30,310 --> 00:05:29,120
and we'll we'll pretty much start with

62
00:05:38,390 --> 00:05:30,320
that

63
00:05:41,029 --> 00:05:38,400

so let me go back here

64

00:05:43,029 --> 00:05:41,039

hi cindy how are you welcome back oh

65

00:05:43,590 --> 00:05:43,039

thank you adnan i appreciate you having

66

00:05:45,510 --> 00:05:43,600

me back

67

00:05:47,430 --> 00:05:45,520

okay good deal all right well you know

68

00:05:47,909 --> 00:05:47,440

everything's running great and i figured

69

00:05:49,510 --> 00:05:47,919

um

70

00:05:52,310 --> 00:05:49,520

let's not worry about that we'll just

71

00:05:55,430 --> 00:05:52,320

keep it going and so i know

72

00:05:57,670 --> 00:05:55,440

last time we were we were talking about

73

00:05:58,870 --> 00:05:57,680

specifically um i don't know if this is

74

00:05:59,510 --> 00:05:58,880

something you want to get into right

75

00:06:01,830 --> 00:05:59,520

away

76

00:06:03,270 --> 00:06:01,840

regarding the uh happenings of the

77

00:06:06,870 --> 00:06:03,280

different agencies

78

00:06:09,990 --> 00:06:06,880

that happen to show up at

79

00:06:11,909 --> 00:06:10,000

the specific time when when there's some

80

00:06:13,350 --> 00:06:11,919

kind of sightings with the sasquatch or

81

00:06:15,029 --> 00:06:13,360

do you want to go into some of the other

82

00:06:17,270 --> 00:06:15,039

information first

83

00:06:18,309 --> 00:06:17,280

uh no that's fine i can go back and

84

00:06:21,430 --> 00:06:18,319

reiterate that one

85

00:06:23,909 --> 00:06:21,440

it was a story i was telling about

86

00:06:24,790 --> 00:06:23,919

a researcher team that was doing

87

00:06:26,469 --> 00:06:24,800

something that

88

00:06:28,550 --> 00:06:26,479

i wouldn't agree with but they were

89

00:06:31,830 --> 00:06:28,560

doing this anyway they were

90

00:06:33,909 --> 00:06:31,840

out at night at a known sasquatch area

91

00:06:36,710 --> 00:06:33,919

and where they had had numerous

92

00:06:38,950 --> 00:06:36,720

sightings and maybe even

93

00:06:40,070 --> 00:06:38,960

maybe information had got out to others

94

00:06:42,469 --> 00:06:40,080

about that place

95

00:06:43,350 --> 00:06:42,479

but anyway they were there with a drone

96

00:06:46,710 --> 00:06:43,360

cameras

97

00:06:49,350 --> 00:06:46,720

with the floor night camera and so

98

00:06:49,990 --> 00:06:49,360

night vision so what they were doing was

99

00:06:51,990 --> 00:06:50,000

was

100

00:06:53,189 --> 00:06:52,000

sending the drone out and they found the

101

00:06:56,629 --> 00:06:53,199

sasquatch

102

00:06:58,150 --> 00:06:56,639

uh it showed the image and it that

103

00:07:00,070 --> 00:06:58,160

it was obvious that the sasquatch was

104

00:07:02,790 --> 00:07:00,080

getting quite agitated

105

00:07:04,790 --> 00:07:02,800

by its running style instead of running

106

00:07:07,589 --> 00:07:04,800

straight it was starting to dart

107

00:07:07,990 --> 00:07:07,599

and try to get away from the drone um

108

00:07:10,629 --> 00:07:08,000

they're

109

00:07:12,629 --> 00:07:10,639

highly sensitive beings so they do kind

110

00:07:15,469 --> 00:07:12,639

of work with sonar so

111

00:07:16,629 --> 00:07:15,479

here one is feeling the energy of

112

00:07:18,710 --> 00:07:16,639

infiltration

113

00:07:21,270 --> 00:07:18,720

um because that's what that is you know

114

00:07:22,870 --> 00:07:21,280

and so the infiltration was right there

115

00:07:26,390 --> 00:07:22,880

they were running from it

116

00:07:27,430 --> 00:07:26,400

and as they started running um they saw

117

00:07:30,550 --> 00:07:27,440

on the

118

00:07:33,589 --> 00:07:30,560

camera an area that came

119

00:07:36,870 --> 00:07:33,599

open like a white area like

120

00:07:38,870 --> 00:07:36,880

in an oval uh and it was just

121

00:07:40,870 --> 00:07:38,880

there in front of the sasquatch here

122

00:07:43,909 --> 00:07:40,880

comes the sasquatch running and it ran

123

00:07:45,749 --> 00:07:43,919

right into this white area on the camera

124

00:07:48,950 --> 00:07:45,759

and disappeared

125

00:07:51,990 --> 00:07:48,960

so they assumed that it was a portal and

126
00:07:53,589 --> 00:07:52,000
um they came got the drone back um it

127
00:07:54,710 --> 00:07:53,599
was quite a lengthy time to get the

128
00:07:57,189 --> 00:07:54,720
drone back

129
00:07:58,390 --> 00:07:57,199
and right as they landed the drone here

130
00:08:00,390 --> 00:07:58,400
come

131
00:08:02,469 --> 00:08:00,400
i don't know which agencies but they

132
00:08:05,990 --> 00:08:02,479
were obviously ready

133
00:08:09,189 --> 00:08:06,000
to you know come after this

134
00:08:12,469 --> 00:08:09,199
evidence if there was any because i feel

135
00:08:14,550 --> 00:08:12,479
that the frequency fence had been

136
00:08:16,629 --> 00:08:14,560
infiltrated so when that is broken

137
00:08:19,430 --> 00:08:16,639
through through frequency

138
00:08:20,710 --> 00:08:19,440

through energy you know we have a matrix

139

00:08:23,350 --> 00:08:20,720

and the matrix

140

00:08:25,510 --> 00:08:23,360

uh is a certain frequency and it's a

141

00:08:26,710 --> 00:08:25,520

kind of a low frequency when higher

142

00:08:30,150 --> 00:08:26,720

frequency

143

00:08:32,949 --> 00:08:30,160

um you know exits the matrix it is known

144

00:08:34,310 --> 00:08:32,959

on a frequency level that's quite wide

145

00:08:37,190 --> 00:08:34,320

with the deep state

146

00:08:37,909 --> 00:08:37,200

so you know some investigators came they

147

00:08:41,110 --> 00:08:37,919

took the

148

00:08:43,909 --> 00:08:41,120

card out of the camera and

149

00:08:45,910 --> 00:08:43,919

um and said see you later you know i

150

00:08:48,389 --> 00:08:45,920

think he got his drone back but

151
00:08:49,110 --> 00:08:48,399
uh so he he knew then you know he wasn't

152
00:08:52,630 --> 00:08:49,120
sure

153
00:08:54,470 --> 00:08:52,640
you know had someone told someone about

154
00:08:55,030 --> 00:08:54,480
it he you know wasn't sure about that

155
00:08:56,710 --> 00:08:55,040
but

156
00:08:58,710 --> 00:08:56,720
i definitely know about a frequency

157
00:09:00,630 --> 00:08:58,720
fence and so there's a high possibility

158
00:09:02,790 --> 00:09:00,640
that that could have happened

159
00:09:03,910 --> 00:09:02,800
so the the frequency fence just to

160
00:09:06,949 --> 00:09:03,920
clarify are you

161
00:09:09,430 --> 00:09:06,959
referring to um this grid pattern

162
00:09:09,990 --> 00:09:09,440
that's all over the all over the world

163
00:09:12,230 --> 00:09:10,000

so that

164

00:09:14,710 --> 00:09:12,240

you're saying that they're kind of based

165

00:09:16,470 --> 00:09:14,720

on that interruption they kind of know

166

00:09:18,310 --> 00:09:16,480

okay something is going on there let's

167

00:09:21,269 --> 00:09:18,320

go to this location

168

00:09:23,190 --> 00:09:21,279

yes okay and so yeah because it's all

169

00:09:26,310 --> 00:09:23,200

based on frequency levels

170

00:09:30,230 --> 00:09:26,320

uh hertz frequency amplitude

171

00:09:33,829 --> 00:09:30,240

uh speed of light the luminosity levels

172

00:09:34,870 --> 00:09:33,839

um they have you know such technologies

173

00:09:36,710 --> 00:09:34,880

these are you know

174

00:09:38,710 --> 00:09:36,720

extraterrestrial technologies that they

175

00:09:41,829 --> 00:09:38,720

can use to

176
00:09:45,269 --> 00:09:41,839
ascertain what's happening on the fence

177
00:09:46,949 --> 00:09:45,279
or above the earth i consider the earth

178
00:09:49,190 --> 00:09:46,959
to have a frequency

179
00:09:50,550 --> 00:09:49,200
fence around it which kind of keeps it

180
00:09:53,350 --> 00:09:50,560
held in

181
00:09:54,470 --> 00:09:53,360
um so that we're you know part of

182
00:09:56,550 --> 00:09:54,480
gravitational

183
00:09:58,790 --> 00:09:56,560
forces which is not natural are you

184
00:10:02,069 --> 00:09:58,800
talking about alien technology had

185
00:10:04,550 --> 00:10:02,079
meaning the different agencies uh they

186
00:10:05,350 --> 00:10:04,560
use those yes okay and i guess they

187
00:10:07,910 --> 00:10:05,360
obtained it

188
00:10:09,829 --> 00:10:07,920

by by what like coming across the the

189

00:10:12,550 --> 00:10:09,839

technology crash ships or

190

00:10:13,990 --> 00:10:12,560

or actual collaboration like some of us

191

00:10:16,389 --> 00:10:14,000

know

192

00:10:17,670 --> 00:10:16,399

i think it's collaboration okay i think

193

00:10:19,750 --> 00:10:17,680

it's collaboration

194

00:10:21,269 --> 00:10:19,760

um i think you know we've been doing a

195

00:10:24,790 --> 00:10:21,279

lot of collaboration for

196

00:10:26,630 --> 00:10:24,800

you know several decades with uh ets

197

00:10:29,509 --> 00:10:26,640

on a level that we have been trading

198

00:10:33,110 --> 00:10:29,519

technologies for humans

199

00:10:36,150 --> 00:10:33,120

uh you know and technologies for testing

200

00:10:36,949 --> 00:10:36,160

technologies for whatever and it takes

201
00:10:38,870 --> 00:10:36,959
humans

202
00:10:40,710 --> 00:10:38,880
to operate a lot of the technologies

203
00:10:43,509 --> 00:10:40,720
that are et based because they're

204
00:10:44,870 --> 00:10:43,519
uh you know carbon based they're not

205
00:10:46,710 --> 00:10:44,880
plasma machines

206
00:10:48,870 --> 00:10:46,720
they can't be plasma sheet my machines

207
00:10:49,670 --> 00:10:48,880
here on earth on the 3d plane we have to

208
00:10:51,990 --> 00:10:49,680
build them

209
00:10:53,030 --> 00:10:52,000
you mean so you're referring to you're

210
00:10:56,389 --> 00:10:53,040
saying that

211
00:10:59,590 --> 00:10:56,399
quite possibly certain agencies were

212
00:11:00,230 --> 00:10:59,600
what in exchange for technology here's

213
00:11:03,430 --> 00:11:00,240

these

214

00:11:05,190 --> 00:11:03,440

undesirable humans or something what

215

00:11:06,710 --> 00:11:05,200

is that in relation to this hybrid

216

00:11:08,310 --> 00:11:06,720

program are you referring to something

217

00:11:11,750 --> 00:11:08,320

different

218

00:11:13,750 --> 00:11:11,760

uh i'm i'm not sure exactly where you're

219

00:11:15,110 --> 00:11:13,760

going with that um

220

00:11:16,389 --> 00:11:15,120

because you were because maybe i

221

00:11:17,030 --> 00:11:16,399

misunderstood because you were saying

222

00:11:19,509 --> 00:11:17,040

that they

223

00:11:20,230 --> 00:11:19,519

res you said something like they

224

00:11:22,230 --> 00:11:20,240

received the

225

00:11:24,310 --> 00:11:22,240

technology through collaboration in

226

00:11:26,470 --> 00:11:24,320

exchange for humans

227

00:11:27,990 --> 00:11:26,480

yeah you know uh i'm think thinking of

228

00:11:31,670 --> 00:11:28,000

uh you know the eisenhower

229

00:11:34,069 --> 00:11:31,680

exchange um you know what is it 1952

230

00:11:35,190 --> 00:11:34,079

40 whatever okay yeah right that

231

00:11:39,670 --> 00:11:35,200

agreement

232

00:11:43,670 --> 00:11:39,680

with reptilian forces that

233

00:11:46,470 --> 00:11:43,680

allowed them to experiment on humans

234

00:11:47,750 --> 00:11:46,480

okay and so you know i think we did some

235

00:11:50,710 --> 00:11:47,760

trading then

236

00:11:52,150 --> 00:11:50,720

um that kind of brings me into something

237

00:11:53,750 --> 00:11:52,160

i wanted to bring up but i'm

238

00:11:56,790 --> 00:11:53,760

you know wasn't sure where it would be

239

00:11:58,069 --> 00:11:56,800

fit in this is a perfect place um

240

00:12:01,110 --> 00:11:58,079

i was going to talk about fourth

241

00:12:03,990 --> 00:12:01,120

dimensional doorways and the sasquatch

242

00:12:04,470 --> 00:12:04,000

certainly know how to utilize doorways

243

00:12:12,310 --> 00:12:04,480

and

244

00:12:13,509 --> 00:12:12,320

portal how does the deep state

245

00:12:16,710 --> 00:12:13,519

understand

246

00:12:18,150 --> 00:12:16,720

um how a stargate works well they know

247

00:12:21,350 --> 00:12:18,160

full well how to use them

248

00:12:22,949 --> 00:12:21,360

so we're now into development of

249

00:12:25,030 --> 00:12:22,959

uh well not development of it's

250

00:12:29,030 --> 00:12:25,040

utilization of

251
00:12:32,230 --> 00:12:29,040
high technologies in military forces

252
00:12:33,590 --> 00:12:32,240
that use um let's say directed energy

253
00:12:36,949 --> 00:12:33,600
weaponry

254
00:12:39,590 --> 00:12:36,959
um and say helicopters

255
00:12:40,790 --> 00:12:39,600
blackhawks through fourth dimensional

256
00:12:43,829 --> 00:12:40,800
doorways

257
00:12:44,790 --> 00:12:43,839
so say somebody breaks the frequency

258
00:12:47,190 --> 00:12:44,800
fence

259
00:12:48,790 --> 00:12:47,200
way over here and there's no military

260
00:12:51,829 --> 00:12:48,800
anywhere close

261
00:12:54,310 --> 00:12:51,839
well they can actually do what's

262
00:12:56,550 --> 00:12:54,320
somewhat like a jump room

263
00:12:57,590 --> 00:12:56,560

in a fourth dimensional space and send

264

00:13:00,710 --> 00:12:57,600

that whole helicopter

265

00:13:03,750 --> 00:13:00,720

and the crew through a doorway and

266

00:13:06,310 --> 00:13:03,760

open it somewhere else

267

00:13:07,269 --> 00:13:06,320

i know this because i've witnessed it

268

00:13:10,790 --> 00:13:07,279

and so

269

00:13:12,310 --> 00:13:10,800

this is how they can come into a space

270

00:13:15,350 --> 00:13:12,320

and be right there when something

271

00:13:17,990 --> 00:13:15,360

happens if a ufo lands if a ufo falls

272

00:13:18,790 --> 00:13:18,000

you wonder how our jets are on top of a

273

00:13:21,110 --> 00:13:18,800

ufo as

274

00:13:22,870 --> 00:13:21,120

quickly as possible well it's because

275

00:13:24,389 --> 00:13:22,880

they have fourth dimensional doorway

276

00:13:27,829 --> 00:13:24,399

access

277

00:13:30,150 --> 00:13:27,839

that can come out of mountains um

278

00:13:30,870 --> 00:13:30,160

it sounds crazy but you can actually

279

00:13:33,590 --> 00:13:30,880

there

280

00:13:34,790 --> 00:13:33,600

are mountains that open up big steel

281

00:13:38,069 --> 00:13:34,800

doors

282

00:13:41,110 --> 00:13:38,079

that's a fourth dimensional doorway

283

00:13:42,150 --> 00:13:41,120

oh wow so yeah this well i mean there's

284

00:13:45,750 --> 00:13:42,160

there will be i guess

285

00:13:47,509 --> 00:13:45,760

um quite a day of reckoning if

286

00:13:49,350 --> 00:13:47,519

ever there is this disclosure that

287

00:13:50,949 --> 00:13:49,360

everybody wishes i mean this all is

288

00:13:53,350 --> 00:13:50,959

going to have to come out in the open

289

00:13:56,470 --> 00:13:53,360

and how do you explain that right

290

00:13:57,670 --> 00:13:56,480

yeah yeah i mean it gets it's just so

291

00:13:59,910 --> 00:13:57,680

multi-layered

292

00:14:02,069 --> 00:13:59,920

you know we can talk about sasquatch and

293

00:14:04,389 --> 00:14:02,079

we can talk about bigfoot

294

00:14:06,790 --> 00:14:04,399

but what are we talking about as a

295

00:14:08,949 --> 00:14:06,800

deeper understanding

296

00:14:10,870 --> 00:14:08,959

what we're really talking about is kind

297

00:14:13,910 --> 00:14:10,880

of like first contact

298

00:14:16,470 --> 00:14:13,920

with our et brothers

299

00:14:17,350 --> 00:14:16,480

they're the closest thing we have to our

300

00:14:21,350 --> 00:14:17,360

e.t brothers

301

00:14:24,470 --> 00:14:21,360

in bodies because they're partly e.t

302

00:14:25,269 --> 00:14:24,480

and we're here to be in first contact

303

00:14:28,870 --> 00:14:25,279

with this

304

00:14:32,389 --> 00:14:28,880

humanity that has a love for us

305

00:14:34,790 --> 00:14:32,399

that maybe we forgot but a lot of us

306

00:14:36,790 --> 00:14:34,800

are understanding and remembering you

307

00:14:41,269 --> 00:14:36,800

know the remembrance is what

308

00:14:42,230 --> 00:14:41,279

um i i am just amazed at all the people

309

00:14:45,189 --> 00:14:42,240

i meet all across

310

00:14:45,670 --> 00:14:45,199

the world like through social media or

311

00:14:48,110 --> 00:14:45,680

through

312

00:14:49,990 --> 00:14:48,120

like events that i might go to that are

313

00:14:53,269 --> 00:14:50,000

absolutely

314

00:14:57,829 --> 00:14:53,279

um brought to their spiritual needs

315

00:15:01,189 --> 00:14:59,509

regarding just real quick uh so

316

00:15:02,550 --> 00:15:01,199

regarding that these different groups

317

00:15:04,310 --> 00:15:02,560

you're not talking about

318

00:15:06,150 --> 00:15:04,320

contact with the group that already made

319

00:15:08,310 --> 00:15:06,160

these deals apparently they don't

320

00:15:09,829 --> 00:15:08,320

have the best interest in mind for us

321

00:15:13,030 --> 00:15:09,839

yeah okay

322

00:15:16,310 --> 00:15:13,040

no i'm sorry please continue yeah yeah

323

00:15:18,629 --> 00:15:16,320

yeah so it's it's just an interesting um

324

00:15:19,670 --> 00:15:18,639

idea for us to get into a little deeper

325

00:15:23,269 --> 00:15:19,680

understanding of

326

00:15:26,230 --> 00:15:23,279

why are we actually um communicating

327

00:15:27,430 --> 00:15:26,240

interacting uh having what i'm calling a

328

00:15:29,030 --> 00:15:27,440

phenomenon

329

00:15:31,430 --> 00:15:29,040

even though it's been going on in some

330

00:15:33,990 --> 00:15:31,440

people's lives their whole life

331

00:15:35,430 --> 00:15:34,000

i know people that have had uh sasquatch

332

00:15:37,749 --> 00:15:35,440

in their life their whole life

333

00:15:39,590 --> 00:15:37,759

you know through their family line and

334

00:15:41,430 --> 00:15:39,600

they learned about it

335

00:15:43,829 --> 00:15:41,440

learned about how to act with them how

336

00:15:45,509 --> 00:15:43,839

to barter with them

337

00:15:47,030 --> 00:15:45,519

people here in tennessee people in

338

00:15:50,550 --> 00:15:47,040

arkansas

339

00:15:52,389 --> 00:15:50,560

in kentucky and all over the world

340

00:15:55,110 --> 00:15:52,399

are having these interactions that are

341

00:15:57,590 --> 00:15:55,120

like family clans with family clans

342

00:15:58,230 --> 00:15:57,600

so it becomes deeper understanding well

343

00:16:01,670 --> 00:15:58,240

it's

344

00:16:02,470 --> 00:16:01,680

not just dealing with um a being on the

345

00:16:09,990 --> 00:16:02,480

earth

346

00:16:12,230 --> 00:16:10,000

highly spiritual understanding of

347

00:16:14,310 --> 00:16:12,240

consciousness because this consciousness

348

00:16:18,230 --> 00:16:14,320

has the ability to understand itself

349

00:16:19,110 --> 00:16:18,240

as source well you know can a marlin do

350

00:16:21,829 --> 00:16:19,120

that

351
00:16:22,870 --> 00:16:21,839
i don't know you know maybe a dolphin

352
00:16:24,790 --> 00:16:22,880
can

353
00:16:25,910 --> 00:16:24,800
uh you know from sirius b but i don't

354
00:16:28,389 --> 00:16:25,920
know that

355
00:16:29,350 --> 00:16:28,399
um we have any representation here on

356
00:16:33,509 --> 00:16:29,360
earth as

357
00:16:36,550 --> 00:16:33,519
sentient to source energy

358
00:16:40,150 --> 00:16:36,560
the availability to be as sentient as

359
00:16:44,550 --> 00:16:40,160
source to use every aspect

360
00:16:48,790 --> 00:16:48,470
skills and consciousness can be utilized

361
00:16:50,870 --> 00:16:48,800
by

362
00:16:52,230 --> 00:16:50,880
a sasquatch and that's kind of hard for

363
00:16:53,829 --> 00:16:52,240

some people to understand they just

364

00:16:57,030 --> 00:16:53,839

think that they're smelly and

365

00:17:00,790 --> 00:16:57,040

angry and and yell a lot and

366

00:17:04,549 --> 00:17:00,800

bang on trees but that is like

367

00:17:07,590 --> 00:17:04,559

totally not what they are as an essence

368

00:17:11,350 --> 00:17:07,600

they're a loving family

369

00:17:14,470 --> 00:17:11,360

type kindness

370

00:17:15,990 --> 00:17:14,480

and then once they know you in one

371

00:17:18,069 --> 00:17:16,000

lifetime

372

00:17:19,990 --> 00:17:18,079

they will continue to know you in

373

00:17:22,710 --> 00:17:20,000

another lifetime

374

00:17:24,390 --> 00:17:22,720

and it happens over and over with people

375

00:17:26,470 --> 00:17:24,400

that they have the same occurrence

376

00:17:29,510 --> 00:17:26,480

happen from lifetime to lifetime

377

00:17:30,310 --> 00:17:29,520

with sasquatch and it makes the

378

00:17:33,350 --> 00:17:30,320

remembrance

379

00:17:34,230 --> 00:17:33,360

deeper and deeper where you have no idea

380

00:17:37,909 --> 00:17:34,240

why you're

381

00:17:40,549 --> 00:17:37,919

attracted to these beings or why

382

00:17:41,669 --> 00:17:40,559

they've even come near you why did you

383

00:17:43,830 --> 00:17:41,679

get pushed

384

00:17:46,470 --> 00:17:43,840

you know to see them or why are you

385

00:17:48,549 --> 00:17:46,480

enamored with them

386

00:17:49,909 --> 00:17:48,559

it's quite the pull and it's a spiritual

387

00:17:52,710 --> 00:17:49,919

pull

388

00:17:53,830 --> 00:17:52,720

from lifetimes and lifetimes yeah that's

389

00:17:56,230 --> 00:17:53,840

pretty interesting

390

00:17:58,549 --> 00:17:56,240

well i mean it's kind of nice knowing

391

00:18:01,270 --> 00:17:58,559

maybe next time around you don't have to

392

00:18:02,710 --> 00:18:01,280

go to all these different challenges to

393

00:18:04,230 --> 00:18:02,720

make contact sooner

394

00:18:06,150 --> 00:18:04,240

you know you might remember things

395

00:18:10,310 --> 00:18:06,160

quicker or something like that

396

00:18:13,669 --> 00:18:10,320

um so uh do you want to then go into

397

00:18:14,470 --> 00:18:13,679

more about uh uh what else regarding the

398

00:18:17,190 --> 00:18:14,480

trilogy

399

00:18:19,830 --> 00:18:17,200

letter eight inch three letter agencies

400

00:18:22,549 --> 00:18:19,840

and the connection with sasquatch

401
00:18:24,470 --> 00:18:22,559
yeah i'll briefly do that um i'll say

402
00:18:27,990 --> 00:18:24,480
that this is a subject they do not like

403
00:18:30,070 --> 00:18:28,000
and um so this is where i talk about

404
00:18:31,350 --> 00:18:30,080
the deep state and their involvement

405
00:18:34,230 --> 00:18:31,360
with sasquatch

406
00:18:34,710 --> 00:18:34,240
um i've known for quite a long time now

407
00:18:37,830 --> 00:18:34,720
that

408
00:18:38,950 --> 00:18:37,840
the uh three-letter agencies and now i'm

409
00:18:42,310 --> 00:18:38,960
talking about any

410
00:18:45,430 --> 00:18:42,320
any and all of them are involved at

411
00:18:48,150 --> 00:18:45,440
given levels and um we're talking about

412
00:18:50,549 --> 00:18:48,160
galactic involvement nefarious

413
00:18:53,430 --> 00:18:50,559

involvement as well as

414

00:18:54,950 --> 00:18:53,440

uh earthly involvement that's nefarious

415

00:18:58,150 --> 00:18:54,960

so what they have done is we

416

00:19:01,430 --> 00:18:58,160

the deep state is involved in

417

00:19:03,110 --> 00:19:01,440

trafficking human trafficking uh at a

418

00:19:06,390 --> 00:19:03,120

level that is so

419

00:19:09,830 --> 00:19:06,400

grand that they had to come up with

420

00:19:10,390 --> 00:19:09,840

uh great scapegoats for explanation of

421

00:19:13,190 --> 00:19:10,400

course

422

00:19:13,590 --> 00:19:13,200

you know so all the missing people in

423

00:19:16,870 --> 00:19:13,600

the

424

00:19:19,029 --> 00:19:16,880

woods of course are now uh thought of as

425

00:19:20,870 --> 00:19:19,039

being snatched by a bigfoot or snatched

426

00:19:23,669 --> 00:19:20,880

by a sasquatch

427

00:19:25,029 --> 00:19:23,679

now um this is happening you know all

428

00:19:28,310 --> 00:19:25,039

over the world

429

00:19:29,590 --> 00:19:28,320

where the fear is now brought to bigfoot

430

00:19:32,549 --> 00:19:29,600

sasquatch

431

00:19:33,669 --> 00:19:32,559

and it's uh it was put out as a social

432

00:19:37,430 --> 00:19:33,679

media

433

00:19:38,390 --> 00:19:37,440

um kind of an ai so that anyone that put

434

00:19:41,590 --> 00:19:38,400

up any

435

00:19:43,830 --> 00:19:41,600

uh videos about sasquatch or bigfoot

436

00:19:45,990 --> 00:19:43,840

these bots would come up and just start

437

00:19:48,710 --> 00:19:46,000

spewing information about

438

00:19:49,270 --> 00:19:48,720

human humans being taken humans being

439

00:19:52,710 --> 00:19:49,280

taken

440

00:19:53,990 --> 00:19:52,720

about sasquatch by sasquatch and i just

441

00:19:56,150 --> 00:19:54,000

knew that it was a

442

00:19:58,150 --> 00:19:56,160

deep state involvement and it just came

443

00:20:04,630 --> 00:19:58,160

up truer and truer for me

444

00:20:08,870 --> 00:20:07,750

and so here's the other part uh they had

445

00:20:11,029 --> 00:20:08,880

to also

446

00:20:12,950 --> 00:20:11,039

you know make the sasquatch into a very

447

00:20:14,630 --> 00:20:12,960

nefarious and fearful being

448

00:20:16,950 --> 00:20:14,640

so they did that through all social

449

00:20:19,590 --> 00:20:16,960

media through television

450

00:20:20,149 --> 00:20:19,600

uh and i know i have friends that are

451
00:20:23,350 --> 00:20:20,159
you know

452
00:20:26,310 --> 00:20:23,360
very um good researchers

453
00:20:27,510 --> 00:20:26,320
and these researchers were approached by

454
00:20:30,710 --> 00:20:27,520
very large

455
00:20:34,230 --> 00:20:30,720
uh companies in the movie industry to

456
00:20:35,909 --> 00:20:34,240
do movies and they actually would have

457
00:20:39,110 --> 00:20:35,919
changed the whole

458
00:20:41,430 --> 00:20:39,120
truth of what actually happened

459
00:20:42,230 --> 00:20:41,440
to in any of these stories to their own

460
00:20:44,710 --> 00:20:42,240
truth

461
00:20:45,750 --> 00:20:44,720
and they would conglomerate like eight

462
00:20:49,110 --> 00:20:45,760
stories into

463
00:20:51,430 --> 00:20:49,120

one occurrence and it was totally

464

00:20:53,110 --> 00:20:51,440

made up and this happened to i know

465

00:20:55,909 --> 00:20:53,120

three different researchers

466

00:20:57,190 --> 00:20:55,919

so it's just a false narrative that's

467

00:21:00,470 --> 00:20:57,200

been brought up and now

468

00:21:03,750 --> 00:21:00,480

the other false narrative is in religion

469

00:21:05,909 --> 00:21:03,760

so that the bots started bringing on

470

00:21:07,750 --> 00:21:05,919

uh anything mentioning religion or

471

00:21:10,630 --> 00:21:07,760

spirituality was brought into

472

00:21:11,669 --> 00:21:10,640

bigfoot and sasquatch like uh they were

473

00:21:15,510 --> 00:21:11,679

fallen

474

00:21:18,950 --> 00:21:15,520

they were nephilim

475

00:21:21,669 --> 00:21:18,960

and so anyone who has a religious bend

476

00:21:23,190 --> 00:21:21,679

is being taught that the bigfoot are

477

00:21:26,070 --> 00:21:23,200

nefarious

478

00:21:27,669 --> 00:21:26,080

um yeah like giants but even though they

479

00:21:30,950 --> 00:21:27,679

would have walked with giants

480

00:21:32,710 --> 00:21:30,960

at one time i don't feel that

481

00:21:33,990 --> 00:21:32,720

any of that is true and it's just a

482

00:21:37,750 --> 00:21:34,000

narrative that

483

00:21:39,750 --> 00:21:37,760

our deep state is uh putting out but

484

00:21:41,350 --> 00:21:39,760

um i know a lot of people kind of buy

485

00:21:43,909 --> 00:21:41,360

into that because they're

486

00:21:45,909 --> 00:21:43,919

into mainstream media so anyone that's

487

00:21:48,149 --> 00:21:45,919

not into mainstream media is getting

488

00:21:49,830 --> 00:21:48,159

another story

489

00:21:52,070 --> 00:21:49,840

i will say that when i came out with my

490

00:21:55,110 --> 00:21:52,080

interview about my interaction

491

00:21:56,470 --> 00:21:55,120

um i i had a youtube channel that was

492

00:21:59,990 --> 00:21:56,480

just spiritual

493

00:22:03,590 --> 00:22:00,000

alchemy uh podcast and i put it out

494

00:22:05,270 --> 00:22:03,600

and it went viral in one day

495

00:22:07,110 --> 00:22:05,280

i had like a hundred thousand views in

496

00:22:10,230 --> 00:22:07,120

one day and

497

00:22:13,029 --> 00:22:10,240

they demonetized it and took it

498

00:22:14,149 --> 00:22:13,039

off the search bar like you couldn't

499

00:22:17,029 --> 00:22:14,159

find it

500

00:22:17,990 --> 00:22:17,039

for a long time they don't want this

501
00:22:20,390 --> 00:22:18,000
information out

502
00:22:21,350 --> 00:22:20,400
so that's why i feel it's really

503
00:22:24,549 --> 00:22:21,360
important for us

504
00:22:26,870 --> 00:22:24,559
all to communicate with each other

505
00:22:28,710 --> 00:22:26,880
you know if the subject comes up if it's

506
00:22:32,310 --> 00:22:28,720
not a you know

507
00:22:35,190 --> 00:22:32,320
derogatory or sarcastic conversation

508
00:22:36,549 --> 00:22:35,200
you might be able to um discuss the fact

509
00:22:39,750 --> 00:22:36,559
that they are compassionate

510
00:22:41,510 --> 00:22:39,760
and kind um all over the world well it

511
00:22:42,470 --> 00:22:41,520
seems so you know it's very unfortunate

512
00:22:44,149 --> 00:22:42,480
that

513
00:22:45,990 --> 00:22:44,159

all these three different letter

514

00:22:48,630 --> 00:22:46,000

agencies and these

515

00:22:50,070 --> 00:22:48,640

different hidden parts of every every

516

00:22:52,470 --> 00:22:50,080

country's government

517

00:22:54,230 --> 00:22:52,480

you know always have to uh i guess relay

518

00:22:55,350 --> 00:22:54,240

the aliens or the sasquatch to be

519

00:22:56,630 --> 00:22:55,360

something of a threat

520

00:22:59,510 --> 00:22:56,640

you know just recently was so

521

00:23:02,870 --> 00:22:59,520

disappointing um

522

00:23:04,870 --> 00:23:02,880

i only saw it so don't don't take my

523

00:23:07,110 --> 00:23:04,880

word for it because i only saw the title

524

00:23:07,990 --> 00:23:07,120

i usually i'm very careful about what i

525

00:23:10,230 --> 00:23:08,000

generally talk about

526
00:23:11,190 --> 00:23:10,240
because i want to see the actual video

527
00:23:13,590 --> 00:23:11,200
or the footage

528
00:23:14,710 --> 00:23:13,600
for myself before i could you know speak

529
00:23:17,110 --> 00:23:14,720
more on this but

530
00:23:19,029 --> 00:23:17,120
the title generally said and again this

531
00:23:20,789 --> 00:23:19,039
this was this could probably not be true

532
00:23:22,149 --> 00:23:20,799
because i did not see it for myself but

533
00:23:23,909 --> 00:23:22,159
i will you know because

534
00:23:25,350 --> 00:23:23,919
it's just something i've had so many

535
00:23:28,630 --> 00:23:25,360
other things on my hand

536
00:23:31,510 --> 00:23:28,640
but it was even um on fox um

537
00:23:32,390 --> 00:23:31,520
some the titles that tucker carlson is

538
00:23:34,230 --> 00:23:32,400

wondering

539

00:23:36,549 --> 00:23:34,240

we're asking the pentagon how they're

540

00:23:39,270 --> 00:23:36,559

going to address the ufo threat

541

00:23:41,350 --> 00:23:39,280

and i'm just like here we go you know

542

00:23:44,630 --> 00:23:41,360

after all these years you know now

543

00:23:46,950 --> 00:23:44,640

you know um mr ufologist

544

00:23:47,830 --> 00:23:46,960

five seconds you know in in the scheme

545

00:23:49,990 --> 00:23:47,840

of this

546

00:23:51,510 --> 00:23:50,000

hundred year plus research and all these

547

00:23:53,029 --> 00:23:51,520

people that have done all this research

548

00:23:54,149 --> 00:23:53,039

he gets involved and you know

549

00:23:57,430 --> 00:23:54,159

immediately

550

00:24:00,710 --> 00:23:57,440

as that

551
00:24:02,470 --> 00:24:00,720
if that's what he said so again i i hope

552
00:24:04,630 --> 00:24:02,480
not i will go back and i want to

553
00:24:05,669 --> 00:24:04,640
actually see that segment for myself but

554
00:24:06,710 --> 00:24:05,679
at least for the sake of this

555
00:24:08,070 --> 00:24:06,720
conversation

556
00:24:10,390 --> 00:24:08,080
you know it is something that we've

557
00:24:12,630 --> 00:24:10,400
heard many other times before that

558
00:24:14,070 --> 00:24:12,640
they are wanting or planning to just

559
00:24:16,230 --> 00:24:14,080
create more of a fear

560
00:24:17,990 --> 00:24:16,240
aspect to these different possible

561
00:24:19,190 --> 00:24:18,000
contexts whether it be sasquatch or

562
00:24:22,070 --> 00:24:19,200
alien

563
00:24:23,350 --> 00:24:22,080

yeah because it you know what would

564

00:24:26,149 --> 00:24:23,360

happen to humanity

565

00:24:27,110 --> 00:24:26,159

if we learned more about them well we

566

00:24:29,590 --> 00:24:27,120

would learn that we

567

00:24:32,390 --> 00:24:29,600

are not the puppets for the deep state

568

00:24:34,630 --> 00:24:32,400

we would learn our true powers

569

00:24:37,110 --> 00:24:34,640

right because they they understand uh

570

00:24:38,870 --> 00:24:37,120

their powers

571

00:24:40,549 --> 00:24:38,880

they understand the full level of their

572

00:24:43,190 --> 00:24:40,559

consciousness

573

00:24:44,230 --> 00:24:43,200

and we don't we haven't been kept from

574

00:24:47,909 --> 00:24:44,240

it

575

00:24:51,669 --> 00:24:47,919

kicks in

576

00:24:54,630 --> 00:24:51,679

it's gonna kick in hard and uh

577

00:24:55,350 --> 00:24:54,640

you know that's when we can unify you

578

00:24:58,149 --> 00:24:55,360

know in it we

579

00:24:58,950 --> 00:24:58,159

we really can't unify yet until we get

580

00:25:02,230 --> 00:24:58,960

um

581

00:25:05,350 --> 00:25:02,240

more congenial with our

582

00:25:07,669 --> 00:25:05,360

forest brothers and sisters our star

583

00:25:09,750 --> 00:25:07,679

brothers and sisters

584

00:25:12,390 --> 00:25:09,760

because they're you know here right

585

00:25:14,390 --> 00:25:12,400

they're here on earth too

586

00:25:16,149 --> 00:25:14,400

so uh cindy what did what was the next

587

00:25:18,149 --> 00:25:16,159

part that you wanted to go into

588

00:25:19,430 --> 00:25:18,159

i'm sorry i couldn't i didn't remember

589

00:25:22,230 --> 00:25:19,440

all the things that's okay

590

00:25:23,990 --> 00:25:22,240

um i think it was uh i could give you a

591

00:25:27,110 --> 00:25:24,000

couple of healing examples

592

00:25:27,510 --> 00:25:27,120

yeah please do um you know the sasquatch

593

00:25:30,630 --> 00:25:27,520

are

594

00:25:31,909 --> 00:25:30,640

very well known for healing um it's an

595

00:25:34,870 --> 00:25:31,919

amazing

596

00:25:36,789 --> 00:25:34,880

thing to hear people's stories of

597

00:25:39,350 --> 00:25:36,799

healing that has happened with them

598

00:25:40,070 --> 00:25:39,360

um it's sometimes spiritual healing it's

599

00:25:43,350 --> 00:25:40,080

sometimes

600

00:25:45,590 --> 00:25:43,360

physical healing um i have talked to

601
00:25:47,350 --> 00:25:45,600
i don't know dozens of people who have

602
00:25:50,470 --> 00:25:47,360
told me stories of

603
00:25:51,510 --> 00:25:50,480
um being healed by sasquatch now this

604
00:25:54,310 --> 00:25:51,520
could be

605
00:25:55,430 --> 00:25:54,320
someone laying in the woods at night

606
00:25:57,909 --> 00:25:55,440
sleeping

607
00:25:59,110 --> 00:25:57,919
and then being healed overnight this

608
00:26:02,630 --> 00:25:59,120
could be someone

609
00:26:06,390 --> 00:26:02,640
in an area um where the sasquatch are

610
00:26:09,590 --> 00:26:06,400
and they hysterically come near you

611
00:26:13,510 --> 00:26:09,600
and heal you or they can come to you in

612
00:26:15,750 --> 00:26:13,520
in dream time and heal you and so

613
00:26:17,350 --> 00:26:15,760

or you can have a remembrance of a past

614

00:26:20,230 --> 00:26:17,360

life where they healed you

615

00:26:21,590 --> 00:26:20,240

so i have an instance where i was at a

616

00:26:23,909 --> 00:26:21,600

sasquatch conference

617

00:26:24,950 --> 00:26:23,919

in washington and there was a big

618

00:26:28,070 --> 00:26:24,960

amphitheater

619

00:26:28,549 --> 00:26:28,080

and during the night time the sasquatch

620

00:26:31,190 --> 00:26:28,559

were

621

00:26:32,390 --> 00:26:31,200

you could feel them there we could take

622

00:26:35,669 --> 00:26:32,400

photos

623

00:26:37,830 --> 00:26:35,679

there were huge heads of sasquatch

624

00:26:39,510 --> 00:26:37,840

in the sky they could project their

625

00:26:40,390 --> 00:26:39,520

image and their consciousness it's quite

626
00:26:43,350 --> 00:26:40,400
amazing

627
00:26:44,789 --> 00:26:43,360
uh space we were in but and it was late

628
00:26:46,230 --> 00:26:44,799
late at night and there were only maybe

629
00:26:48,950 --> 00:26:46,240
a handful of people

630
00:26:49,909 --> 00:26:48,960
up on this theater i was with a husband

631
00:26:51,830 --> 00:26:49,919
and wife

632
00:26:53,510 --> 00:26:51,840
and there were some other people there

633
00:26:56,230 --> 00:26:53,520
and we came up to sit

634
00:26:56,710 --> 00:26:56,240
and just feel the energy well all of a

635
00:27:00,789 --> 00:26:56,720
sudden

636
00:27:03,350 --> 00:27:00,799
i felt something huge pushing me down

637
00:27:04,630 --> 00:27:03,360
from this level of the amphitheater down

638
00:27:07,269 --> 00:27:04,640

to the next level

639

00:27:08,470 --> 00:27:07,279

i was like i wish what and i just went

640

00:27:10,470 --> 00:27:08,480

to the next level and i

641

00:27:11,669 --> 00:27:10,480

wasn't sure what it was but i figured it

642

00:27:13,830 --> 00:27:11,679

was sasquatch but i

643

00:27:15,269 --> 00:27:13,840

couldn't figure out why i was being

644

00:27:17,750 --> 00:27:15,279

pushed

645

00:27:19,269 --> 00:27:17,760

you just don't ask you just do you so i

646

00:27:20,789 --> 00:27:19,279

was being pushed down and pushed down

647

00:27:21,430 --> 00:27:20,799

and i finally got pushed down to my

648

00:27:23,029 --> 00:27:21,440

friends

649

00:27:25,510 --> 00:27:23,039

who were sitting together husband and

650

00:27:26,389 --> 00:27:25,520

wife and i got pushed right next to my

651
00:27:29,990 --> 00:27:26,399
friend

652
00:27:33,190 --> 00:27:30,000
the wife and i could feel

653
00:27:34,470 --> 00:27:33,200
you have to leave now in in my head it

654
00:27:36,230 --> 00:27:34,480
was mine speak

655
00:27:37,750 --> 00:27:36,240
uh you have to leave now and i was like

656
00:27:41,029 --> 00:27:37,760
we just got here

657
00:27:42,470 --> 00:27:41,039
you know like i was bummed so i took my

658
00:27:43,590 --> 00:27:42,480
friends by the hand and i said we have

659
00:27:46,310 --> 00:27:43,600
to leave now

660
00:27:47,590 --> 00:27:46,320
and she got up to get her husband and it

661
00:27:49,350 --> 00:27:47,600
was not his turn

662
00:27:51,430 --> 00:27:49,360
he was not supposed to leave he couldn't

663
00:27:54,149 --> 00:27:51,440

leave he was like frozen

664

00:27:54,710 --> 00:27:54,159

so we left down the hill and we left him

665

00:27:57,029 --> 00:27:54,720

there for

666

00:27:58,149 --> 00:27:57,039

probably an hour and he came down

667

00:28:00,789 --> 00:27:58,159

finally

668

00:28:01,990 --> 00:28:00,799

and what had happened was he had a set

669

00:28:04,789 --> 00:28:02,000

he had um

670

00:28:05,669 --> 00:28:04,799

he's a horse chiropractor so he had uh

671

00:28:09,350 --> 00:28:05,679

like a shoulder

672

00:28:12,470 --> 00:28:09,360

injury that was bothering him and

673

00:28:16,230 --> 00:28:12,480

he could feel the energy

674

00:28:17,269 --> 00:28:16,240

of the sasquatch here over him and then

675

00:28:20,470 --> 00:28:17,279

could feel

676

00:28:25,029 --> 00:28:20,480

the energy of that a hand

677

00:28:27,830 --> 00:28:25,039

go under his scapula in his shoulder

678

00:28:28,470 --> 00:28:27,840

and the energy went through his arm and

679

00:28:31,909 --> 00:28:28,480

the pain

680

00:28:35,190 --> 00:28:31,919

left him and this is his first

681

00:28:37,430 --> 00:28:35,200

interaction and he was

682

00:28:39,430 --> 00:28:37,440

quite amazed and so he got up and left

683

00:28:42,549 --> 00:28:39,440

and of course he was tearful

684

00:28:45,430 --> 00:28:42,559

um when you have that level of

685

00:28:47,190 --> 00:28:45,440

healing it's it's almost like an angel

686

00:28:49,430 --> 00:28:47,200

just healed you

687

00:28:50,630 --> 00:28:49,440

right you know like oh my gosh how did

688

00:28:53,430 --> 00:28:50,640

this happen

689

00:28:54,389 --> 00:28:53,440

um and so that was one example of a

690

00:28:56,950 --> 00:28:54,399

healing that

691

00:28:57,430 --> 00:28:56,960

that you know i was kind of part of to

692

00:29:00,070 --> 00:28:57,440

witness

693

00:29:01,430 --> 00:29:00,080

and it was quite amazing the emotion

694

00:29:05,110 --> 00:29:01,440

level that was

695

00:29:08,950 --> 00:29:05,120

involved um and then uh

696

00:29:12,549 --> 00:29:08,960

let's see this is not a

697

00:29:15,430 --> 00:29:12,559

a healing as much as it was um

698

00:29:16,389 --> 00:29:15,440

just a fun story i have a friend in

699

00:29:19,750 --> 00:29:16,399

belgium

700

00:29:21,430 --> 00:29:19,760

named pat and he has horses and he has

701
00:29:23,269 --> 00:29:21,440
horses on his property and he

702
00:29:24,470 --> 00:29:23,279
communicates with sasquatch there in

703
00:29:27,750 --> 00:29:24,480
belgium

704
00:29:31,430 --> 00:29:27,760
and they frequently come and braid

705
00:29:32,870 --> 00:29:31,440
the horses manes just fully braid them

706
00:29:34,549 --> 00:29:32,880
and it's kind of not like the way we

707
00:29:36,389 --> 00:29:34,559
would braid them you know it's kind of

708
00:29:38,950 --> 00:29:36,399
like a little bit of a jumble

709
00:29:40,870 --> 00:29:38,960
but then there's true braids in there

710
00:29:41,830 --> 00:29:40,880
and he's found that on so many different

711
00:29:43,669 --> 00:29:41,840
occasions that i

712
00:29:45,830 --> 00:29:43,679
you know he sent me a video and i put it

713
00:29:46,470 --> 00:29:45,840

on my youtube you can see that it's just

714

00:29:50,230 --> 00:29:46,480

a

715

00:29:53,110 --> 00:29:50,240

like

716

00:29:53,990 --> 00:29:53,120

it's very sweet it was just one little

717

00:29:56,310 --> 00:29:54,000

sweet braid

718

00:29:57,510 --> 00:29:56,320

it's not what other people are saying

719

00:30:00,710 --> 00:29:57,520

braids are used for

720

00:30:04,389 --> 00:30:00,720

i i won't even comment about that but uh

721

00:30:07,669 --> 00:30:04,399

you know that just like a sweet story um

722

00:30:09,269 --> 00:30:07,679

the the healings though i've heard from

723

00:30:12,789 --> 00:30:09,279

other people that

724

00:30:14,470 --> 00:30:12,799

um once they had contact with sasquatch

725

00:30:17,430 --> 00:30:14,480

either in dream time

726

00:30:18,630 --> 00:30:17,440

or in an interaction say with them

727

00:30:21,029 --> 00:30:18,640

etherically

728

00:30:23,350 --> 00:30:21,039

that they were in a different space in

729

00:30:25,029 --> 00:30:23,360

their head afterwards

730

00:30:27,750 --> 00:30:25,039

they were maybe closer to their heart

731

00:30:31,430 --> 00:30:27,760

space they were more loving

732

00:30:34,710 --> 00:30:31,440

and kind if they had been an angry

733

00:30:38,310 --> 00:30:34,720

person or agitated person

734

00:30:41,510 --> 00:30:38,320

or sad that kind of took it away so it's

735

00:30:42,149 --> 00:30:41,520

almost like an upliftment of energy when

736

00:30:45,190 --> 00:30:42,159

they

737

00:30:47,269 --> 00:30:45,200

choose to interact with you um and so

738

00:30:51,190 --> 00:30:47,279

who do they interact with

739

00:30:54,470 --> 00:30:51,200

anyone do you have to be special no

740

00:30:57,669 --> 00:30:54,480

no do you have to be only of pure light

741

00:31:01,029 --> 00:30:57,679

no do you have to have a good

742

00:31:01,509 --> 00:31:01,039

moral background yes did you have to

743

00:31:04,630 --> 00:31:01,519

have

744

00:31:07,990 --> 00:31:04,640

something awful

745

00:31:09,029 --> 00:31:08,000

the day before or that day yes they are

746

00:31:12,389 --> 00:31:09,039

just like

747

00:31:14,789 --> 00:31:12,399

any um sentient human

748

00:31:16,870 --> 00:31:14,799

we have activities that we're involved

749

00:31:21,430 --> 00:31:16,880

in and activities we're not involved in

750

00:31:24,310 --> 00:31:21,440

but they don't require us to be

751
00:31:26,549 --> 00:31:24,320
consciously better than others or more

752
00:31:29,750 --> 00:31:26,559
clear spiritually or woke

753
00:31:30,870 --> 00:31:29,760
they don't care they care about the love

754
00:31:33,909 --> 00:31:30,880
that

755
00:31:35,430 --> 00:31:33,919
happens between and the communication

756
00:31:38,470 --> 00:31:35,440
that happens between

757
00:31:41,669 --> 00:31:38,480
the two well so

758
00:31:43,509 --> 00:31:41,679
um i know i think i

759
00:31:44,950 --> 00:31:43,519
lasted at last time and i'm mainly

760
00:31:47,190 --> 00:31:44,960
asking because uh

761
00:31:49,269 --> 00:31:47,200
i wanted i wanted to build on that and

762
00:31:52,549 --> 00:31:49,279
i'm not 100

763
00:31:53,909 --> 00:31:52,559

um remembering a week ago what you said

764

00:31:56,549 --> 00:31:53,919

specifically about this but

765

00:31:57,509 --> 00:31:56,559

i think i asked you something about is

766

00:31:59,909 --> 00:31:57,519

it up to

767

00:32:01,669 --> 00:31:59,919

will the sasquatch become more prevalent

768

00:32:05,669 --> 00:32:01,679

and be more and more visible

769

00:32:07,990 --> 00:32:05,679

out there or is it kind of up to us to

770

00:32:11,190 --> 00:32:08,000

take that first step to say okay we're

771

00:32:14,149 --> 00:32:11,200

ready for for more contact

772

00:32:15,669 --> 00:32:14,159

i think it's a two-way street um i'm

773

00:32:18,310 --> 00:32:15,679

hearing from people

774

00:32:19,830 --> 00:32:18,320

who in the interactions they're having

775

00:32:22,070 --> 00:32:19,840

that the

776

00:32:23,110 --> 00:32:22,080

sasquatch are being more forward with

777

00:32:26,389 --> 00:32:23,120

them

778

00:32:29,430 --> 00:32:26,399

than they ever have um and it's like

779

00:32:31,669 --> 00:32:29,440

they're feeling the understanding too

780

00:32:33,430 --> 00:32:31,679

they're feeling the connection should be

781

00:32:36,950 --> 00:32:33,440

happening also

782

00:32:39,110 --> 00:32:36,960

so it is partly our responsibility

783

00:32:40,870 --> 00:32:39,120

to show them kindness and compassion

784

00:32:43,029 --> 00:32:40,880

back right

785

00:32:44,470 --> 00:32:43,039

um it's like meeting them with an olive

786

00:32:46,230 --> 00:32:44,480

branch

787

00:32:48,389 --> 00:32:46,240

you know if we've bartered with them for

788

00:32:50,070 --> 00:32:48,399

ages and ages here we need to meet them

789

00:32:53,029 --> 00:32:50,080

with an olive branch

790

00:32:55,190 --> 00:32:53,039

uh and say you know here we are in pure

791

00:32:58,389 --> 00:32:55,200

kindness and compassion at this

792

00:33:00,950 --> 00:32:58,399

very uh important stage of our

793

00:33:03,110 --> 00:33:00,960

humanities process where we have to

794

00:33:06,310 --> 00:33:03,120

learn peace and love now

795

00:33:07,110 --> 00:33:06,320

right now can you help us and they can

796

00:33:10,070 --> 00:33:07,120

help us

797

00:33:11,430 --> 00:33:10,080

and now can help you individually they

798

00:33:13,990 --> 00:33:11,440

can help you with

799

00:33:15,110 --> 00:33:14,000

spiritual matters that you might be

800

00:33:16,789 --> 00:33:15,120

involved in

801
00:33:18,710 --> 00:33:16,799
they might help you with trauma

802
00:33:23,590 --> 00:33:18,720
clearings they might help you

803
00:33:25,350 --> 00:33:23,600
understand your like place in society

804
00:33:26,789 --> 00:33:25,360
they might under help you understand

805
00:33:29,350 --> 00:33:26,799
nature better

806
00:33:31,509 --> 00:33:29,360
i mean you can ask and i'm saying these

807
00:33:34,549 --> 00:33:31,519
things because

808
00:33:37,750 --> 00:33:34,559
each individual person has their own

809
00:33:41,190 --> 00:33:37,760
individual connection so there's no

810
00:33:42,630 --> 00:33:41,200
manual or book out there that can say

811
00:33:46,549 --> 00:33:42,640
well this means this

812
00:33:50,070 --> 00:33:46,559
and this means this and this means this

813
00:33:53,350 --> 00:33:50,080

because it's completely subjective um

814

00:33:55,029 --> 00:33:53,360

when two consciousnesses meet um

815

00:33:56,950 --> 00:33:55,039

who's going to limit the conversation by

816

00:33:59,750 --> 00:33:56,960

getting putting it in a book

817

00:34:01,509 --> 00:33:59,760

right how to act or you know and i think

818

00:34:04,549 --> 00:34:01,519

you said last time that they're not

819

00:34:06,149 --> 00:34:04,559

necessarily too keen on gifts you know

820

00:34:07,509 --> 00:34:06,159

simply the presence

821

00:34:09,589 --> 00:34:07,519

you know your presence and your

822

00:34:10,470 --> 00:34:09,599

intention yeah that's all that's really

823

00:34:13,430 --> 00:34:10,480

needed to

824

00:34:14,950 --> 00:34:13,440

you to potentially start some kind of

825

00:34:15,510 --> 00:34:14,960

communication you don't necessarily have

826
00:34:18,149 --> 00:34:15,520
to

827
00:34:19,349 --> 00:34:18,159
come bringing gifts like a bribe in some

828
00:34:22,790 --> 00:34:19,359
way

829
00:34:24,069 --> 00:34:22,800
sure you know it's like are you bribing

830
00:34:27,430 --> 00:34:24,079
me you're not like

831
00:34:29,510 --> 00:34:27,440
people but you know it's okay

832
00:34:30,869 --> 00:34:29,520
to bring gifts it's like you know they

833
00:34:32,869 --> 00:34:30,879
understand we're human

834
00:34:33,990 --> 00:34:32,879
we have limitations they understand this

835
00:34:37,109 --> 00:34:34,000
and they understand that we need

836
00:34:38,790 --> 00:34:37,119
validation and that's why we do gifts

837
00:34:40,710 --> 00:34:38,800
you know sometimes they can enjoy these

838
00:34:43,030 --> 00:34:40,720

gifts but

839

00:34:44,310 --> 00:34:43,040

i got kind of caught up in the beginning

840

00:34:47,190 --> 00:34:44,320

when i was dealing with

841

00:34:47,990 --> 00:34:47,200

the sasquatch that i felt this need to

842

00:34:50,389 --> 00:34:48,000

assist

843

00:34:52,790 --> 00:34:50,399

them you know like especially with the

844

00:34:55,349 --> 00:34:52,800

story i was involved in

845

00:34:56,310 --> 00:34:55,359

uh i i felt oh my god the this family

846

00:35:00,069 --> 00:34:56,320

got displaced

847

00:35:01,910 --> 00:35:00,079

can i help them gonna

848

00:35:04,230 --> 00:35:01,920

you know i was like thinking of should i

849

00:35:06,069 --> 00:35:04,240

like write a grant to buy this property

850

00:35:08,470 --> 00:35:06,079

so i can sit on it so they can have it

851
00:35:10,950 --> 00:35:08,480
forever i mean crazy stuff

852
00:35:11,829 --> 00:35:10,960
but then you know kiwoni is the one that

853
00:35:13,430 --> 00:35:11,839
told me

854
00:35:16,470 --> 00:35:13,440
you know do not worry about what a

855
00:35:17,910 --> 00:35:16,480
sasquatch needs or wants that is not

856
00:35:20,310 --> 00:35:17,920
your concern

857
00:35:22,550 --> 00:35:20,320
and we all get caught up in that you

858
00:35:27,030 --> 00:35:22,560
know once we get into a little bit of a

859
00:35:29,670 --> 00:35:27,040
communication um we feel like

860
00:35:30,630 --> 00:35:29,680
we have to have that communication to

861
00:35:32,950 --> 00:35:30,640
live

862
00:35:33,910 --> 00:35:32,960
to to breathe and some people get you

863
00:35:36,710 --> 00:35:33,920

know very

864

00:35:38,310 --> 00:35:36,720

uh myopic about their sasquatch

865

00:35:41,990 --> 00:35:38,320

experiences and

866

00:35:44,790 --> 00:35:42,000

don't look at other things

867

00:35:46,390 --> 00:35:44,800

which they should because sasquatch can

868

00:35:47,030 --> 00:35:46,400

be all encompassing but you know there

869

00:35:50,390 --> 00:35:47,040

is a life

870

00:35:52,230 --> 00:35:50,400

you have one right

871

00:35:53,990 --> 00:35:52,240

so uh cindy is there anything else you

872

00:35:55,910 --> 00:35:54,000

wanted to cover because then i was going

873

00:35:57,190 --> 00:35:55,920

to ask you one more question and give an

874

00:35:59,270 --> 00:35:57,200

opportunity for

875

00:36:01,109 --> 00:35:59,280

everyone else watching to to submit

876

00:36:02,230 --> 00:36:01,119

their questions i figured we can go into

877

00:36:04,069 --> 00:36:02,240

some q a

878

00:36:05,750 --> 00:36:04,079

and i'm sure they'll jot us into new

879

00:36:07,910 --> 00:36:05,760

directions sure i just wanted to

880

00:36:09,430 --> 00:36:07,920

kind of mention one story i have on my

881

00:36:12,710 --> 00:36:09,440

youtube channel

882

00:36:16,470 --> 00:36:12,720

that somebody could go and look at um

883

00:36:19,670 --> 00:36:16,480

it's the vietnam vet named dale

884

00:36:21,670 --> 00:36:19,680

who holds a sasquatch baby and it's

885

00:36:23,750 --> 00:36:21,680

quite an amazing story i won't

886

00:36:25,109 --> 00:36:23,760

ruin it for you because it's a a nice

887

00:36:28,150 --> 00:36:25,119

story but

888

00:36:30,150 --> 00:36:28,160

he's a logger in vancouver island and

889

00:36:34,550 --> 00:36:30,160

he's been logging a lot of years

890

00:36:36,390 --> 00:36:34,560

and he uh knows what the sasquatch

891

00:36:38,390 --> 00:36:36,400

where they live and what they're doing

892

00:36:40,710 --> 00:36:38,400

and he just has always lived with them

893

00:36:42,390 --> 00:36:40,720

and among them and never really had too

894

00:36:45,109 --> 00:36:42,400

much interaction other than

895

00:36:45,910 --> 00:36:45,119

you know saying hello and moving on his

896

00:36:49,510 --> 00:36:45,920

way

897

00:36:52,230 --> 00:36:49,520

but one day he had a huge interaction

898

00:36:54,390 --> 00:36:52,240

it was with a baby a mother and a cougar

899

00:36:58,069 --> 00:36:54,400

so you could go and look at that one

900

00:37:00,550 --> 00:36:58,079

quite a good story oh okay

901
00:37:01,430 --> 00:37:00,560
and you said that is on your on your

902
00:37:04,710 --> 00:37:01,440
website

903
00:37:05,750 --> 00:37:04,720
youtube yes and anyone else watching too

904
00:37:08,870 --> 00:37:05,760
in the description

905
00:37:09,750 --> 00:37:08,880
this um cindy has submitted uh all the

906
00:37:11,750 --> 00:37:09,760
different

907
00:37:13,829 --> 00:37:11,760
sites and avenues and things that she's

908
00:37:16,390 --> 00:37:13,839
involved in so please go check it out

909
00:37:17,030 --> 00:37:16,400
and the youtube channel is there as well

910
00:37:19,910 --> 00:37:17,040
so

911
00:37:21,349 --> 00:37:19,920
uh you know i was would like to focus

912
00:37:21,990 --> 00:37:21,359
some attention on all the guests i

913
00:37:23,829 --> 00:37:22,000

usually have

914

00:37:25,349 --> 00:37:23,839

because i wouldn't have them on if they

915

00:37:26,069 --> 00:37:25,359

wouldn't have some interesting things to

916

00:37:28,950 --> 00:37:26,079

share

917

00:37:30,310 --> 00:37:28,960

so anyways uh do you want to do you want

918

00:37:32,069 --> 00:37:30,320

me to go ahead and start with the first

919

00:37:35,109 --> 00:37:32,079

question

920

00:37:36,870 --> 00:37:35,119

okay this one is um that i can tell

921

00:37:39,270 --> 00:37:36,880

i don't know if there's some first ones

922

00:37:42,230 --> 00:37:39,280

previously but this one is from

923

00:37:43,030 --> 00:37:42,240

basil sorbet said could they protect

924

00:37:45,510 --> 00:37:43,040

someone from

925

00:37:48,150 --> 00:37:45,520

being abducted for instance while hiking

926
00:37:52,710 --> 00:37:50,950
i am certain that that probably has

927
00:37:55,670 --> 00:37:52,720
happened uh

928
00:37:56,550 --> 00:37:55,680
there has been stories of um being

929
00:38:03,030 --> 00:37:56,560
protected by

930
00:38:04,470 --> 00:38:03,040
cliffs falling off cliffs um being

931
00:38:07,829 --> 00:38:04,480
protected by running

932
00:38:09,510 --> 00:38:07,839
uh rapids in water so uh i

933
00:38:13,750 --> 00:38:09,520
i could believe that i haven't heard

934
00:38:20,069 --> 00:38:17,430
okay let me i might have we might have

935
00:38:21,750 --> 00:38:20,079
jumped a bit too early for everyone i

936
00:38:23,910 --> 00:38:21,760
also noticed when it comes to these

937
00:38:25,430 --> 00:38:23,920
q and a's people love to just sit back

938
00:38:28,310 --> 00:38:25,440

and listen and want everyone else

939

00:38:29,430 --> 00:38:28,320

asking questions and um and then there's

940

00:38:32,550 --> 00:38:29,440

those that just like

941

00:38:35,829 --> 00:38:32,560

really just want to know um but anyways

942

00:38:37,670 --> 00:38:35,839

regarding the the

943

00:38:39,589 --> 00:38:37,680

the question i wanted to ask maybe to

944

00:38:42,710 --> 00:38:39,599

give to give them more time to

945

00:38:44,069 --> 00:38:42,720

submit their questions so we talked

946

00:38:46,150 --> 00:38:44,079

about different clans

947

00:38:47,349 --> 00:38:46,160

and i was calling the communities and

948

00:38:48,550 --> 00:38:47,359

someone in the

949

00:38:51,109 --> 00:38:48,560

in the chat they were like they're

950

00:38:54,150 --> 00:38:51,119

clients i'm like okay sorry the clans

951
00:38:56,790 --> 00:38:54,160
um they um

952
00:38:58,390 --> 00:38:56,800
is there always a prevalent group in

953
00:39:01,670 --> 00:38:58,400
many of the different areas

954
00:39:02,150 --> 00:39:01,680
or are there kind of known to be this

955
00:39:04,790 --> 00:39:02,160
clan

956
00:39:05,430 --> 00:39:04,800
is kind of going to cover this northwest

957
00:39:08,150 --> 00:39:05,440
side of

958
00:39:09,670 --> 00:39:08,160
usa and then this clan will be in asia

959
00:39:12,870 --> 00:39:09,680
and that clan and so on

960
00:39:15,030 --> 00:39:12,880
is that such a grouping

961
00:39:17,349 --> 00:39:15,040
in you know you know if you can call

962
00:39:19,910 --> 00:39:17,359
that or or is it just kind of sporadic

963
00:39:21,750 --> 00:39:19,920

from i guess that differs from sasquatch

964

00:39:24,390 --> 00:39:21,760

to sasquatch yeah i think it's different

965

00:39:26,470 --> 00:39:24,400

um just like we are so different uh from

966

00:39:27,829 --> 00:39:26,480

region to region to region

967

00:39:29,510 --> 00:39:27,839

you know we might look a little bit

968

00:39:32,310 --> 00:39:29,520

different a little bit

969

00:39:34,550 --> 00:39:32,320

the same when we are from the south that

970

00:39:37,030 --> 00:39:34,560

then from the north i mean we might

971

00:39:38,710 --> 00:39:37,040

have different colorations same thing

972

00:39:41,510 --> 00:39:38,720

happens with sasquatch

973

00:39:43,349 --> 00:39:41,520

um i know i've talked to some people

974

00:39:46,550 --> 00:39:43,359

from australia and they say that

975

00:39:49,349 --> 00:39:46,560

you know the sasquatch uh grow taller

976
00:39:50,870 --> 00:39:49,359
you know in uh parts of australia where

977
00:39:53,910 --> 00:39:50,880
the trees are taller

978
00:39:56,950 --> 00:39:53,920
and they grow shorter um where the

979
00:39:57,910 --> 00:39:56,960
scrub is shorter so that's just their

980
00:40:00,390 --> 00:39:57,920
physical height

981
00:40:01,670 --> 00:40:00,400
well what about their um understanding

982
00:40:05,990 --> 00:40:01,680
of each other well it's

983
00:40:08,390 --> 00:40:06,000
regional as in like family units

984
00:40:10,710 --> 00:40:08,400
so they do a lot of traveling uh there

985
00:40:11,910 --> 00:40:10,720
are a lot of corridors i know that a lot

986
00:40:13,670 --> 00:40:11,920
of people talk about the pacific

987
00:40:16,630 --> 00:40:13,680
northwest corridor and

988
00:40:18,309 --> 00:40:16,640

some of the mid midwest corridors

989

00:40:20,390 --> 00:40:18,319

especially in the ozarks too

990

00:40:21,750 --> 00:40:20,400

there's a lot of passageways where they

991

00:40:24,950 --> 00:40:21,760

you know come and go

992

00:40:26,630 --> 00:40:24,960

from season to season and so i i feel

993

00:40:27,829 --> 00:40:26,640

like it's migratory

994

00:40:29,670 --> 00:40:27,839

um and there's probably a lot of

995

00:40:30,630 --> 00:40:29,680

bartering but i think they stick to

996

00:40:34,630 --> 00:40:30,640

their own

997

00:40:37,030 --> 00:40:34,640

kind of clan um some clans like

998

00:40:38,230 --> 00:40:37,040

we just call them clans because that's

999

00:40:40,470 --> 00:40:38,240

what feels proper

1000

00:40:42,309 --> 00:40:40,480

and a lot of people have used that same

1001
00:40:43,270 --> 00:40:42,319
verbiage over and over all over the

1002
00:40:45,670 --> 00:40:43,280
world

1003
00:40:47,430 --> 00:40:45,680
um because it's more than just a

1004
00:40:50,550 --> 00:40:47,440
generational family unit

1005
00:40:51,589 --> 00:40:50,560
it's usually added uh other units other

1006
00:40:53,910 --> 00:40:51,599
family

1007
00:40:54,710 --> 00:40:53,920
other people be i call them people they

1008
00:40:57,589 --> 00:40:54,720
are people they're

1009
00:40:58,950 --> 00:40:57,599
forest people um it's it's hard to just

1010
00:41:02,069 --> 00:40:58,960
call them sasquatch

1011
00:41:05,430 --> 00:41:02,079
because they feel like a person to me

1012
00:41:08,550 --> 00:41:05,440
but uh the clans have can have special

1013
00:41:10,790 --> 00:41:08,560

things that they're involved in you know

1014

00:41:11,910 --> 00:41:10,800

according to like you say can say

1015

00:41:18,150 --> 00:41:11,920

lineage

1016

00:41:20,309 --> 00:41:18,160

stargates and portals and they have a

1017

00:41:21,990 --> 00:41:20,319

keen understanding of those and they can

1018

00:41:25,430 --> 00:41:22,000

disappear at will

1019

00:41:26,790 --> 00:41:25,440

maybe others had a keen understanding of

1020

00:41:29,030 --> 00:41:26,800

sonar ability

1021

00:41:30,870 --> 00:41:29,040

or have that ability just like humans

1022

00:41:33,030 --> 00:41:30,880

some of us are psychic some of us

1023

00:41:34,150 --> 00:41:33,040

aren't as psychic even though we have

1024

00:41:36,630 --> 00:41:34,160

the ability

1025

00:41:38,710 --> 00:41:36,640

all of us have it same with sasquatch

1026
00:41:41,109 --> 00:41:38,720
they all have the same abilities

1027
00:41:42,550 --> 00:41:41,119
whether they utilize them or not so some

1028
00:41:45,910 --> 00:41:42,560
have specialties

1029
00:41:48,230 --> 00:41:45,920
disappearance levitation

1030
00:41:48,950 --> 00:41:48,240
comedy you know there's some that are

1031
00:41:52,230 --> 00:41:48,960
just like

1032
00:41:54,230 --> 00:41:52,240
comedians yeah that's interesting you

1033
00:41:56,710 --> 00:41:54,240
say that it's almost kind of like we

1034
00:41:58,230 --> 00:41:56,720
i mean some people are athletic and can

1035
00:41:59,829 --> 00:41:58,240
run a lot faster than

1036
00:42:01,670 --> 00:41:59,839
most people on the planet you know and

1037
00:42:03,829 --> 00:42:01,680
while others you know do

1038
00:42:04,710 --> 00:42:03,839

you know specialize specialize in other

1039

00:42:06,950 --> 00:42:04,720

things so

1040

00:42:08,630 --> 00:42:06,960

it would only be i guess natural even

1041

00:42:09,670 --> 00:42:08,640

with an advanced race like them that

1042

00:42:12,069 --> 00:42:09,680

they would still have

1043

00:42:13,829 --> 00:42:12,079

different p different i guess i wouldn't

1044

00:42:15,589 --> 00:42:13,839

call them people different entities

1045

00:42:17,510 --> 00:42:15,599

can't train on different things yeah

1046

00:42:18,710 --> 00:42:17,520

different uh variations of their

1047

00:42:21,589 --> 00:42:18,720

consciousness and

1048

00:42:23,270 --> 00:42:21,599

just like us we're individuals and we

1049

00:42:25,349 --> 00:42:23,280

have our own

1050

00:42:26,309 --> 00:42:25,359

um likes and dislikes and they're the

1051
00:42:29,750 --> 00:42:26,319
same way

1052
00:42:30,069 --> 00:42:29,760
and so you know we can take it into well

1053
00:42:33,829 --> 00:42:30,079
how

1054
00:42:36,870 --> 00:42:33,839
far do they um want to communicate

1055
00:42:38,710 --> 00:42:36,880
with us well i just talked to a

1056
00:42:41,829 --> 00:42:38,720
researcher today

1057
00:42:42,829 --> 00:42:41,839
that um i was in the ozarks with and he

1058
00:42:46,309 --> 00:42:42,839
told me

1059
00:42:49,670 --> 00:42:46,319
that they have spoken english to him

1060
00:42:50,710 --> 00:42:49,680
in response to his um speaking into the

1061
00:42:53,910 --> 00:42:50,720
woods

1062
00:42:56,309 --> 00:42:53,920
they have responded back in english

1063
00:42:57,349 --> 00:42:56,319

so this is not the only ones i mean

1064

00:43:00,390 --> 00:42:57,359

there are people

1065

00:43:04,870 --> 00:43:00,400

um mike patterson in ontario

1066

00:43:11,990 --> 00:43:08,790

like most involved with one sasquatch

1067

00:43:15,190 --> 00:43:12,000

that's been documented and his name

1068

00:43:17,030 --> 00:43:15,200

is nefetia and he's watched him grow

1069

00:43:18,230 --> 00:43:17,040

and watched him talk and i think i was a

1070

00:43:20,950 --> 00:43:18,240

little um

1071

00:43:21,750 --> 00:43:20,960

i i bogged up what i was talking about

1072

00:43:25,750 --> 00:43:21,760

that

1073

00:43:28,790 --> 00:43:25,760

and he would call

1074

00:43:30,150 --> 00:43:28,800

mike he would call him mike

1075

00:43:31,910 --> 00:43:30,160

you know you can hear it on some of the

1076

00:43:34,710 --> 00:43:31,920

videos that he has

1077

00:43:35,589 --> 00:43:34,720

and it's always the resonance just you

1078

00:43:38,950 --> 00:43:35,599

know

1079

00:43:41,670 --> 00:43:38,960

uh feels so true and

1080

00:43:42,950 --> 00:43:41,680

you know i know it's true for me but

1081

00:43:46,230 --> 00:43:42,960

that's all really

1082

00:43:49,589 --> 00:43:46,240

any of us can do about sasquatch bigfoot

1083

00:43:51,589 --> 00:43:49,599

um is the know that they're true

1084

00:43:54,230 --> 00:43:51,599

and know that they're real when you do

1085

00:43:57,030 --> 00:43:54,240

that they can become real to you

1086

00:43:59,109 --> 00:43:57,040

well does that mean it's a fantasy no

1087

00:44:02,150 --> 00:43:59,119

because they're interdimensional

1088

00:44:03,750 --> 00:44:02,160

they can come into a space and bang on

1089

00:44:05,510 --> 00:44:03,760

my window right now

1090

00:44:07,589 --> 00:44:05,520

and scream into this window and make

1091

00:44:10,710 --> 00:44:07,599

some hand print prints

1092

00:44:13,829 --> 00:44:10,720

and some prints in the lawn maybe even

1093

00:44:14,710 --> 00:44:13,839

one print in the lawn they're known for

1094

00:44:17,030 --> 00:44:14,720

doing that

1095

00:44:19,670 --> 00:44:17,040

how do they do that just one

1096

00:44:21,589 --> 00:44:19,680

interdimensional foot

1097

00:44:23,030 --> 00:44:21,599

was because they just brought the

1098

00:44:26,309 --> 00:44:23,040

consciousness of the foot

1099

00:44:29,349 --> 00:44:26,319

imprint like sonar

1100

00:44:30,150 --> 00:44:29,359

and printed it for you it's for us you

1101

00:44:33,670 --> 00:44:30,160

know

1102

00:44:35,510 --> 00:44:33,680

it's for us to see there it's like um

1103

00:44:38,550 --> 00:44:35,520

kind of like a game you know some of

1104

00:44:40,150 --> 00:44:38,560

them think it's quite fun

1105

00:44:42,309 --> 00:44:40,160

some of them don't want to be near you

1106

00:44:44,069 --> 00:44:42,319

at all

1107

00:44:45,750 --> 00:44:44,079

right yeah we talked about that last

1108

00:44:48,470 --> 00:44:45,760

time because i was asking you about that

1109

00:44:50,230 --> 00:44:48,480

is there what the consensus was are

1110

00:44:52,230 --> 00:44:50,240

there some groups that just want to stay

1111

00:44:53,589 --> 00:44:52,240

away from humans and others that want to

1112

00:44:56,390 --> 00:44:53,599

try to make more

1113

00:44:57,349 --> 00:44:56,400

uh contact and interact yeah i you know

1114

00:45:00,470 --> 00:44:57,359

even

1115

00:45:01,190 --> 00:45:00,480

at one trip i went uh into the ozarks

1116

00:45:03,190 --> 00:45:01,200

and

1117

00:45:06,230 --> 00:45:03,200

even though this was a very friendly

1118

00:45:09,349 --> 00:45:06,240

family unit that we were coming upon

1119

00:45:10,630 --> 00:45:09,359

and they were very um playful with us

1120

00:45:13,349 --> 00:45:10,640

because there were some juveniles

1121

00:45:14,150 --> 00:45:13,359

involved they they were throwing rocks

1122

00:45:16,790 --> 00:45:14,160

at our tent

1123

00:45:17,510 --> 00:45:16,800

and throwing rocks into our four-wheeler

1124

00:45:19,430 --> 00:45:17,520

and

1125

00:45:20,790 --> 00:45:19,440

um you know it was just kind of a

1126

00:45:23,510 --> 00:45:20,800

playful event but

1127

00:45:24,150 --> 00:45:23,520

we got a little too close to uh the

1128

00:45:26,950 --> 00:45:24,160

elders

1129

00:45:27,990 --> 00:45:26,960

area and when we got to the top of the

1130

00:45:30,550 --> 00:45:28,000

mountain to

1131

00:45:32,230 --> 00:45:30,560

kind of hang with the elders we were

1132

00:45:36,150 --> 00:45:32,240

sent off that mountain

1133

00:45:39,670 --> 00:45:36,160

within two minutes maybe

1134

00:45:43,349 --> 00:45:39,680

uh a typhoon hurricane

1135

00:45:46,550 --> 00:45:43,359

tornado came out of nowhere and

1136

00:45:48,150 --> 00:45:46,560

was a black cloud above us and

1137

00:45:49,510 --> 00:45:48,160

if we hadn't gotten off that mountain

1138

00:45:50,470 --> 00:45:49,520

right then we would have been stuck

1139

00:45:52,309 --> 00:45:50,480

there

1140

00:45:54,309 --> 00:45:52,319

um because it was a slippery slippery

1141

00:45:57,190 --> 00:45:54,319

ride down quite a long

1142

00:45:58,950 --> 00:45:57,200

ride down the mountain but those elders

1143

00:46:00,390 --> 00:45:58,960

did not want us there so what did they

1144

00:46:05,670 --> 00:46:00,400

do they commanded

1145

00:46:09,750 --> 00:46:07,750

well it's funny uh i was the next

1146

00:46:13,190 --> 00:46:09,760

question was actually from

1147

00:46:15,430 --> 00:46:13,200

um i lost it uh

1148

00:46:17,349 --> 00:46:15,440

cooper young was basically wanting to

1149

00:46:18,790 --> 00:46:17,359

know can sasquatch manipulate the

1150

00:46:22,230 --> 00:46:18,800

weather

1151
00:46:24,150 --> 00:46:22,240
oh yeah and i was scared to death going

1152
00:46:27,109 --> 00:46:24,160
down that four-wheeler

1153
00:46:27,510 --> 00:46:27,119
but screaming you know happy all the way

1154
00:46:29,750 --> 00:46:27,520
um

1155
00:46:30,630 --> 00:46:29,760
it's kind of interesting to be scared

1156
00:46:32,069 --> 00:46:30,640
and be happy

1157
00:46:34,230 --> 00:46:32,079
but at the same time but it was

1158
00:46:36,309 --> 00:46:34,240
happening and uh you can go watch that

1159
00:46:36,710 --> 00:46:36,319
video too i've got a video on youtube

1160
00:46:39,430 --> 00:46:36,720
about

1161
00:46:40,150 --> 00:46:39,440
my trip to the ozarks but um that just

1162
00:46:42,309 --> 00:46:40,160
proved to me

1163
00:46:43,270 --> 00:46:42,319

you know they know the intention of

1164

00:46:47,030 --> 00:46:43,280

every person

1165

00:46:49,270 --> 00:46:47,040

involved so

1166

00:46:50,790 --> 00:46:49,280

if you are deciding that you're going to

1167

00:46:51,990 --> 00:46:50,800

you know get a group of people and go

1168

00:46:53,430 --> 00:46:52,000

out into the woods because you've

1169

00:46:55,670 --> 00:46:53,440

that felt that there was some kind of

1170

00:46:57,589 --> 00:46:55,680

activity going on you can first see

1171

00:46:58,870 --> 00:46:57,599

that there are tree marks there are

1172

00:47:02,230 --> 00:46:58,880

trees bowed

1173

00:47:04,630 --> 00:47:02,240

there are trees and in laden glyphs

1174

00:47:05,349 --> 00:47:04,640

well if you've got that inkling and you

1175

00:47:07,430 --> 00:47:05,359

want to go

1176

00:47:09,030 --> 00:47:07,440

into an area well it is a really good

1177

00:47:13,030 --> 00:47:09,040

idea

1178

00:47:15,829 --> 00:47:13,040

to go there um in the clearest of mind

1179

00:47:17,670 --> 00:47:15,839

to not go there as an angry person and

1180

00:47:21,670 --> 00:47:17,680

to not bring an angry person

1181

00:47:24,549 --> 00:47:21,680

or say someone who has

1182

00:47:25,990 --> 00:47:24,559

you know emotional issues into the deep

1183

00:47:29,589 --> 00:47:26,000

woods with you

1184

00:47:32,790 --> 00:47:29,599

um yeah

1185

00:47:35,750 --> 00:47:32,800

okay that's just a good idea not um

1186

00:47:36,870 --> 00:47:35,760

the the other question that coming

1187

00:47:39,750 --> 00:47:36,880

through is from v

1188

00:47:41,349 --> 00:47:39,760

and i'm not exactly sure if this is a

1189

00:47:43,030 --> 00:47:41,359

misspell so i've been trying

1190

00:47:44,870 --> 00:47:43,040

i'm staring at it trying to formulate to

1191

00:47:45,829 --> 00:47:44,880

figure out what what this person might

1192

00:47:48,950 --> 00:47:45,839

have meant

1193

00:47:49,349 --> 00:47:48,960

it basically says is m first nation i

1194

00:47:53,270 --> 00:47:49,359

don't know

1195

00:47:56,390 --> 00:47:53,280

if she's saying i am first nations or

1196

00:47:59,589 --> 00:47:56,400

anyway the way it's written is m

1197

00:48:00,390 --> 00:47:59,599

first nations we call bigfoot uncle

1198

00:48:02,390 --> 00:48:00,400

sasquatch

1199

00:48:03,430 --> 00:48:02,400

are you familiar with this term and have

1200

00:48:06,870 --> 00:48:03,440

you worked with

1201
00:48:07,510 --> 00:48:06,880
tribes yes i have worked with several

1202
00:48:10,790 --> 00:48:07,520
tribes

1203
00:48:12,790 --> 00:48:10,800
that have come to me um

1204
00:48:14,470 --> 00:48:12,800
a couple of first nations tribes and

1205
00:48:17,670 --> 00:48:14,480
then a couple of uh us

1206
00:48:18,230 --> 00:48:17,680
tribes um one of them came to me because

1207
00:48:24,230 --> 00:48:18,240
he was

1208
00:48:24,630 --> 00:48:24,240
the keeper of the land it was an elder

1209
00:48:26,630 --> 00:48:24,640
uh

1210
00:48:28,549 --> 00:48:26,640
and he was the keeper of the land and

1211
00:48:29,670 --> 00:48:28,559
there was some unusual activity going on

1212
00:48:31,510 --> 00:48:29,680
on the land

1213
00:48:33,750 --> 00:48:31,520

uh the sasquatch were starting to get

1214

00:48:34,630 --> 00:48:33,760

upset that were on the land because of

1215

00:48:37,670 --> 00:48:34,640

uh nearby

1216

00:48:39,829 --> 00:48:37,680

encroachment and so there were some

1217

00:48:43,670 --> 00:48:39,839

nefarious activities there and so i

1218

00:48:46,710 --> 00:48:43,680

i i had to kind of explain to him how

1219

00:48:47,990 --> 00:48:46,720

to change the alchemy of the space so

1220

00:48:50,150 --> 00:48:48,000

that the out the

1221

00:48:51,670 --> 00:48:50,160

sasquatch would feel more comfortable to

1222

00:48:54,630 --> 00:48:51,680

stay or remain

1223

00:48:56,470 --> 00:48:54,640

and he did that within 24 hours the

1224

00:48:59,589 --> 00:48:56,480

sasquatch came back

1225

00:49:02,950 --> 00:48:59,599

um but the the connection but

1226

00:49:06,230 --> 00:49:02,960

and i have heard the elders speak

1227

00:49:09,510 --> 00:49:06,240

of uncle sasquatch i know that

1228

00:49:11,510 --> 00:49:09,520

they feel them as family and

1229

00:49:13,990 --> 00:49:11,520

that's why they don't necessarily want

1230

00:49:16,710 --> 00:49:14,000

to talk about them

1231

00:49:17,910 --> 00:49:16,720

if you're just kind of at a reservation

1232

00:49:19,510 --> 00:49:17,920

and you just happen to

1233

00:49:21,990 --> 00:49:19,520

come upon someone and ask them a

1234

00:49:25,109 --> 00:49:22,000

question they might just look at you

1235

00:49:27,190 --> 00:49:25,119

and not say a word uh it's just they

1236

00:49:30,230 --> 00:49:27,200

they have a keen respect for keeping

1237

00:49:32,870 --> 00:49:30,240

them close and keeping them safe because

1238

00:49:35,349 --> 00:49:32,880

of their long long history with them

1239

00:49:36,230 --> 00:49:35,359

okay oh yeah and i didn't look too far

1240

00:49:38,069 --> 00:49:36,240

enough right

1241

00:49:39,829 --> 00:49:38,079

right under it it said there was a

1242

00:49:40,630 --> 00:49:39,839

correction and the the sentence was

1243

00:49:43,910 --> 00:49:40,640

supposed to be

1244

00:49:45,589 --> 00:49:43,920

i am first nations okay so sorry v i

1245

00:49:46,309 --> 00:49:45,599

apologize thanks for the correction i

1246

00:49:47,910 --> 00:49:46,319

was just

1247

00:49:50,470 --> 00:49:47,920

i have too many things going on right

1248

00:49:52,630 --> 00:49:50,480

now um the other question i

1249

00:49:53,910 --> 00:49:52,640

was well actually was yeah it's a

1250

00:49:56,390 --> 00:49:53,920

question from uh

1251

00:49:57,109 --> 00:49:56,400

cj dem saying so what you're saying

1252

00:49:58,950 --> 00:49:57,119

cindy is

1253

00:50:02,230 --> 00:49:58,960

when in the woods i don't need to be in

1254

00:50:08,549 --> 00:50:05,430

i i personally am not in fear

1255

00:50:10,630 --> 00:50:08,559

of sasquatch ever and never have

1256

00:50:11,670 --> 00:50:10,640

most of the people that i know that have

1257

00:50:15,109 --> 00:50:11,680

the connection

1258

00:50:17,270 --> 00:50:15,119

have no fear of them now

1259

00:50:19,270 --> 00:50:17,280

there are going to be times when they'll

1260

00:50:22,390 --> 00:50:19,280

scare the heck out of you

1261

00:50:24,549 --> 00:50:22,400

i mean how could you not be uh startled

1262

00:50:26,630 --> 00:50:24,559

by something and you don't know if it's

1263

00:50:30,470 --> 00:50:26,640

a cougar a bear uh

1264

00:50:33,030 --> 00:50:30,480

you know a cat or a um a squirrel

1265

00:50:33,829 --> 00:50:33,040

or a sasquatch so like until you realize

1266

00:50:36,309 --> 00:50:33,839

what it is

1267

00:50:36,950 --> 00:50:36,319

uh then you can maybe realize your level

1268

00:50:40,150 --> 00:50:36,960

of

1269

00:50:43,910 --> 00:50:40,160

scared um but the

1270

00:50:46,390 --> 00:50:43,920

energy changes around you

1271

00:50:47,270 --> 00:50:46,400

where you become in an interdimensional

1272

00:50:50,390 --> 00:50:47,280

space so the

1273

00:50:50,950 --> 00:50:50,400

energy and the woods change so it might

1274

00:50:55,270 --> 00:50:50,960

change the

1275

00:50:58,390 --> 00:50:55,280

um the temperature might become ice cold

1276

00:50:59,829 --> 00:50:58,400

you know in a certain area um and it

1277

00:51:01,910 --> 00:50:59,839

just feels sweet

1278

00:51:04,150 --> 00:51:01,920

sweet spot that's what i call um the

1279

00:51:05,430 --> 00:51:04,160

portals and that's just a portal that

1280

00:51:07,030 --> 00:51:05,440

that has nothing to do with where the

1281

00:51:08,710 --> 00:51:07,040

sasquatch are they don't just hang out

1282

00:51:11,829 --> 00:51:08,720

at portals

1283

00:51:13,030 --> 00:51:11,839

uh they can go anywhere they come to

1284

00:51:16,390 --> 00:51:13,040

your consciousness

1285

00:51:19,589 --> 00:51:16,400

in the city you know in the suburbs

1286

00:51:22,950 --> 00:51:19,599

at the golf course okay you know

1287

00:51:23,670 --> 00:51:22,960

they took my friend's keys from his

1288

00:51:28,470 --> 00:51:23,680

truck

1289

00:51:32,069 --> 00:51:28,480

for a couple days

1290

00:51:37,349 --> 00:51:32,079

okay and then laid him back right where

1291

00:51:40,309 --> 00:51:37,359

he left them so it's an interesting

1292

00:51:41,829 --> 00:51:40,319

relationship and it is a relationship uh

1293

00:51:44,470 --> 00:51:41,839

in some way

1294

00:51:45,030 --> 00:51:44,480

so um i have there's two questions um

1295

00:51:48,870 --> 00:51:45,040

i'm

1296

00:51:51,589 --> 00:51:48,880

second one first

1297

00:51:52,230 --> 00:51:51,599

because a lot of times i mentioned this

1298

00:51:54,470 --> 00:51:52,240

often

1299

00:51:55,829 --> 00:51:54,480

i don't know if somebody is genuinely

1300

00:51:57,990 --> 00:51:55,839

wanting to ask questions

1301
00:51:59,109 --> 00:51:58,000
about the subject or if they're just

1302
00:52:01,030 --> 00:51:59,119
basically putting out

1303
00:52:02,390 --> 00:52:01,040
anything that's silly out there to

1304
00:52:04,150 --> 00:52:02,400
basically make fun of

1305
00:52:05,589 --> 00:52:04,160
you know the interaction going oh my god

1306
00:52:06,790 --> 00:52:05,599
look at these idiots they'll believe in

1307
00:52:08,549 --> 00:52:06,800
anything

1308
00:52:09,910 --> 00:52:08,559
but this particular statement whether

1309
00:52:12,150 --> 00:52:09,920
it's meant that way

1310
00:52:13,670 --> 00:52:12,160
and this this person i've seen him on

1311
00:52:15,349 --> 00:52:13,680
here before so i don't know that he

1312
00:52:17,670 --> 00:52:15,359
means it in a in a

1313
00:52:19,030 --> 00:52:17,680

i guess silly way but it's a it's a

1314

00:52:21,750 --> 00:52:19,040

question that i wouldn't

1315

00:52:22,470 --> 00:52:21,760

i didn't wouldn't have thought of so

1316

00:52:23,829 --> 00:52:22,480

what

1317

00:52:25,910 --> 00:52:23,839

it's up to you whether or not you want

1318

00:52:28,870 --> 00:52:25,920

to answer it but

1319

00:52:32,710 --> 00:52:28,880

the 5d raver says have they ever had sex

1320

00:52:35,270 --> 00:52:32,720

with humans in the woods

1321

00:52:36,309 --> 00:52:35,280

well actually i believe there are a long

1322

00:52:40,309 --> 00:52:36,319

history

1323

00:52:40,950 --> 00:52:40,319

of that um yeah i mean you can you can

1324

00:52:43,990 --> 00:52:40,960

hear

1325

00:52:45,510 --> 00:52:44,000

um i don't think too many people talk

1326

00:52:48,069 --> 00:52:45,520

about it i don't think it happens

1327

00:52:49,510 --> 00:52:48,079

like right now but i think in the past

1328

00:52:52,950 --> 00:52:49,520

it has

1329

00:52:53,589 --> 00:52:52,960

um it it's a different interaction style

1330

00:52:58,309 --> 00:52:53,599

now

1331

00:53:00,790 --> 00:52:58,319

considered a sentient life form

1332

00:53:01,829 --> 00:53:00,800

right now we consider them an anomaly

1333

00:53:05,430 --> 00:53:01,839

right

1334

00:53:05,990 --> 00:53:05,440

and a threat so they they steer clear

1335

00:53:08,549 --> 00:53:06,000

from us

1336

00:53:09,990 --> 00:53:08,559

okay so then the other question is from

1337

00:53:12,630 --> 00:53:10,000

basil sorbet again

1338

00:53:13,270 --> 00:53:12,640

saying what do you recommend to do as

1339

00:53:16,230 --> 00:53:13,280

the

1340

00:53:17,589 --> 00:53:16,240

quote uh right respectable thing end

1341

00:53:20,710 --> 00:53:17,599

quote

1342

00:53:23,190 --> 00:53:20,720

um as we build a home in the woods and

1343

00:53:24,950 --> 00:53:23,200

would like to let them know we we want

1344

00:53:27,990 --> 00:53:24,960

to be good caretakers

1345

00:53:29,910 --> 00:53:28,000

of this beautiful land

1346

00:53:31,750 --> 00:53:29,920

that's a great question and i have a lot

1347

00:53:33,109 --> 00:53:31,760

of people um come to me and ask me what

1348

00:53:36,870 --> 00:53:33,119

can they do

1349

00:53:40,230 --> 00:53:36,880

um and so it's like

1350

00:53:41,270 --> 00:53:40,240

they have a connection that can be

1351
00:53:43,910 --> 00:53:41,280
anywhere

1352
00:53:45,270 --> 00:53:43,920
at any time so time and space means

1353
00:53:48,950 --> 00:53:45,280
nothing

1354
00:53:52,870 --> 00:53:48,960
um but repetition does mean something

1355
00:53:54,950 --> 00:53:52,880
so repetition is in your mind

1356
00:53:56,150 --> 00:53:54,960
as you walk through your own front door

1357
00:53:58,069 --> 00:53:56,160
every day

1358
00:53:59,510 --> 00:53:58,079
you could say you know i welcome you to

1359
00:54:01,750 --> 00:53:59,520
my home

1360
00:54:02,790 --> 00:54:01,760
you could uh as you drink coffee each

1361
00:54:05,270 --> 00:54:02,800
morning i wonder

1362
00:54:06,390 --> 00:54:05,280
if you're out there you know it's

1363
00:54:09,349 --> 00:54:06,400

repetition of

1364

00:54:10,230 --> 00:54:09,359

thought and understanding and intention

1365

00:54:13,270 --> 00:54:10,240

so

1366

00:54:15,270 --> 00:54:13,280

i would say if it was my property i

1367

00:54:16,309 --> 00:54:15,280

would go to all four corners of my

1368

00:54:19,430 --> 00:54:16,319

property

1369

00:54:21,750 --> 00:54:19,440

and i would put piezoelectric

1370

00:54:23,030 --> 00:54:21,760

uh rocks there what is that that would

1371

00:54:25,670 --> 00:54:23,040

be quartz

1372

00:54:26,950 --> 00:54:25,680

something electrical and so they can

1373

00:54:28,549 --> 00:54:26,960

feel that

1374

00:54:30,710 --> 00:54:28,559

and put that energy there and then put

1375

00:54:33,910 --> 00:54:30,720

something in the center of your property

1376

00:54:36,549 --> 00:54:33,920

that's also quartz so that it can be a

1377

00:54:39,589 --> 00:54:36,559

conductor of the energy coming around

1378

00:54:41,589 --> 00:54:39,599

and then make intentions at each of the

1379

00:54:45,670 --> 00:54:41,599

four corners

1380

00:54:48,230 --> 00:54:45,680

about your incidents with sasquatch

1381

00:54:49,430 --> 00:54:48,240

that you will honor them you will treat

1382

00:54:51,430 --> 00:54:49,440

them well

1383

00:54:53,109 --> 00:54:51,440

they that they're fully respected there

1384

00:54:56,309 --> 00:54:53,119

and then you would like for them to

1385

00:54:57,589 --> 00:54:56,319

teach you something and if that was all

1386

00:55:01,270 --> 00:54:57,599

that was laid out

1387

00:55:05,430 --> 00:55:01,280

as a repetitive motion then sentient

1388

00:55:08,150 --> 00:55:05,440

life might come there if you fill the

1389

00:55:08,710 --> 00:55:08,160

area with oh my god i hope they don't

1390

00:55:10,950 --> 00:55:08,720

you know

1391

00:55:11,990 --> 00:55:10,960

scare me or i hope they don't tear down

1392

00:55:13,430 --> 00:55:12,000

this or hope

1393

00:55:15,270 --> 00:55:13,440

you know what are they going to bring a

1394

00:55:19,109 --> 00:55:15,280

dog man with them or you know like

1395

00:55:20,710 --> 00:55:19,119

don't fill the area with that intention

1396

00:55:22,309 --> 00:55:20,720

fill it with another intention on a

1397

00:55:24,309 --> 00:55:22,319

repetitive basis and

1398

00:55:26,390 --> 00:55:24,319

this is how you can meet them in dream

1399

00:55:29,270 --> 00:55:26,400

time on your own property but

1400

00:55:29,670 --> 00:55:29,280

you know honoring your own property if

1401
00:55:42,789 --> 00:55:29,680
you

1402
00:55:43,990 --> 00:55:42,799
the grass and the trees and the sky

1403
00:55:47,589 --> 00:55:44,000
there

1404
00:55:47,990 --> 00:55:47,599
this is how they live okay uh just real

1405
00:55:50,470 --> 00:55:48,000
quick

1406
00:55:51,349 --> 00:55:50,480
for um for those asking questions thank

1407
00:55:53,190 --> 00:55:51,359
you very much i

1408
00:55:55,349 --> 00:55:53,200
appreciate you participating just makes

1409
00:55:57,670 --> 00:55:55,359
it you know a lot more interesting and

1410
00:55:59,270 --> 00:55:57,680
you know cindy can get to share all

1411
00:55:59,750 --> 00:55:59,280
these all these things that she knows

1412
00:56:01,750 --> 00:55:59,760
that

1413
00:56:03,349 --> 00:56:01,760

i might not know to ask because i know i

1414

00:56:03,910 --> 00:56:03,359

usually ask people please ask me a

1415

00:56:05,430 --> 00:56:03,920

question

1416

00:56:06,950 --> 00:56:05,440

otherwise i don't know what's pertinent

1417

00:56:08,470 --> 00:56:06,960

or important to you for me to cover

1418

00:56:11,030 --> 00:56:08,480

regarding a certain subject

1419

00:56:12,789 --> 00:56:11,040

but regarding questions if i miss your

1420

00:56:14,870 --> 00:56:12,799

questions i apologize but please make

1421

00:56:16,789 --> 00:56:14,880

sure it's important i put that in the

1422

00:56:18,950 --> 00:56:16,799

chat several times

1423

00:56:19,829 --> 00:56:18,960

my message will pop up with this yellow

1424

00:56:22,069 --> 00:56:19,839

ufo hub

1425

00:56:23,750 --> 00:56:22,079

it says please use the three stars

1426
00:56:24,710 --> 00:56:23,760
before you question because it pops out

1427
00:56:27,030 --> 00:56:24,720
at me easier

1428
00:56:28,230 --> 00:56:27,040
so that that way i know it's meant as a

1429
00:56:29,910 --> 00:56:28,240
question for cindy

1430
00:56:31,510 --> 00:56:29,920
instead of me having to figure out are

1431
00:56:32,150 --> 00:56:31,520
you chatting with someone else in the

1432
00:56:35,750 --> 00:56:32,160
group

1433
00:56:37,829 --> 00:56:35,760
or is you know or what so um i have

1434
00:56:38,870 --> 00:56:37,839
i missed one particular person i'm sorry

1435
00:56:43,030 --> 00:56:38,880
about that it was

1436
00:56:51,030 --> 00:56:43,040
from abc 123 asking

1437
00:56:55,910 --> 00:56:54,470
i am yes actually that's uh the state

1438
00:56:59,430 --> 00:56:55,920

that i spoke to

1439

00:57:03,589 --> 00:56:59,440

the uh elder shaman

1440

00:57:07,270 --> 00:57:03,599

of the of one of the tribes

1441

00:57:08,710 --> 00:57:07,280

with the land um that he had to change

1442

00:57:09,670 --> 00:57:08,720

the alchemy of the land because the

1443

00:57:11,109 --> 00:57:09,680

sasquatch had left

1444

00:57:13,349 --> 00:57:11,119

okay that was kind and it was just the

1445

00:57:13,750 --> 00:57:13,359

same person follow-up saying or further

1446

00:57:19,430 --> 00:57:13,760

up

1447

00:57:21,430 --> 00:57:19,440

oh yeah i mean you just you could almost

1448

00:57:23,510 --> 00:57:21,440

name any state

1449

00:57:25,670 --> 00:57:23,520

in the union and they're there

1450

00:57:29,430 --> 00:57:25,680

especially canada too

1451
00:57:32,470 --> 00:57:29,440
so right even florida they're everywhere

1452
00:57:35,670 --> 00:57:32,480
okay yeah

1453
00:57:38,950 --> 00:57:35,680
yeah um if you were to ask

1454
00:57:41,670 --> 00:57:38,960
and and they know your intentions

1455
00:57:43,190 --> 00:57:41,680
would they uh would they allow you to

1456
00:57:45,510 --> 00:57:43,200
take a picture and film them

1457
00:57:47,349 --> 00:57:45,520
even though they're very reserved when

1458
00:57:50,950 --> 00:57:47,359
it comes to that i mean

1459
00:57:52,390 --> 00:57:50,960
what would you do to to potentially gain

1460
00:57:53,990 --> 00:57:52,400
their trust so they know where you're

1461
00:57:55,030 --> 00:57:54,000
coming from and what it is that you're

1462
00:57:58,309 --> 00:57:55,040
trying to do

1463
00:58:01,589 --> 00:57:58,319

with pictures and and photos and video

1464

00:58:04,150 --> 00:58:01,599

i mean okay what that's a great question

1465

00:58:05,510 --> 00:58:04,160

because um everyone of course wants a

1466

00:58:08,470 --> 00:58:05,520

photo

1467

00:58:10,150 --> 00:58:08,480

and sometimes they will project their

1468

00:58:13,670 --> 00:58:10,160

consciousness

1469

00:58:15,430 --> 00:58:13,680

into a photo for you that you didn't

1470

00:58:18,630 --> 00:58:15,440

take

1471

00:58:22,549 --> 00:58:18,640

that's an understanding but it is

1472

00:58:26,470 --> 00:58:22,559

almost a spiritual um

1473

00:58:30,150 --> 00:58:26,480

infiltration to take photos

1474

00:58:33,349 --> 00:58:30,160

of their consciousness

1475

00:58:37,109 --> 00:58:33,359

i think it's a something sacred that is

1476

00:58:39,510 --> 00:58:37,119

um not to be messed with

1477

00:58:40,630 --> 00:58:39,520

now i know in the research that i've

1478

00:58:43,829 --> 00:58:40,640

been involved in and

1479

00:58:45,990 --> 00:58:43,839

what other people have told me is that

1480

00:58:46,950 --> 00:58:46,000

you know anytime that audio has been

1481

00:58:50,069 --> 00:58:46,960

brought out

1482

00:58:53,829 --> 00:58:50,079

uh video and audio

1483

00:58:55,910 --> 00:58:53,839

oftentimes the sasquatch will slap the

1484

00:58:57,430 --> 00:58:55,920

video camera out of the hands of the

1485

00:59:00,150 --> 00:58:57,440

person

1486

00:59:01,589 --> 00:59:00,160

or they will come behind the video

1487

00:59:03,750 --> 00:59:01,599

camera where you can hear

1488

00:59:04,870 --> 00:59:03,760

them on the camera but you can't see

1489

00:59:06,950 --> 00:59:04,880

them

1490

00:59:08,950 --> 00:59:06,960

because they know what it is they have a

1491

00:59:12,230 --> 00:59:08,960

sonar they understand

1492

00:59:16,069 --> 00:59:12,240

so i just um i know that they

1493

00:59:18,710 --> 00:59:16,079

steer way clear uh always of the

1494

00:59:19,589 --> 00:59:18,720

there might be an occasional photo like

1495

00:59:23,510 --> 00:59:19,599

you can catch

1496

00:59:25,190 --> 00:59:23,520

a sasquatch off guard like you know

1497

00:59:26,470 --> 00:59:25,200

they might be sentient and they might be

1498

00:59:27,430 --> 00:59:26,480

able to go through a portal but you

1499

00:59:30,630 --> 00:59:27,440

might catch one

1500

00:59:33,910 --> 00:59:30,640

you know on the ground eating some grub

1501
00:59:36,549 --> 00:59:33,920
and uh catch them off guard you know

1502
00:59:37,510 --> 00:59:36,559
it's like come on they're not so perfect

1503
00:59:40,549 --> 00:59:37,520
uh and you might

1504
00:59:42,789 --> 00:59:40,559
catch a catch the image but they also

1505
00:59:44,390 --> 00:59:42,799
might have the ability to take scrub

1506
00:59:47,990 --> 00:59:44,400
that image off of your

1507
00:59:50,870 --> 00:59:48,000
neck you know digital process

1508
00:59:52,390 --> 00:59:50,880
so what i do know is that you are

1509
00:59:55,750 --> 00:59:52,400
welcome in the woods

1510
00:59:58,630 --> 00:59:55,760
with an audio device you are not welcome

1511
01:00:02,789 --> 00:59:58,640
in the woods with a video device

1512
01:00:05,910 --> 01:00:02,799
they almost understand now um

1513
01:00:08,309 --> 01:00:05,920

i do also have you know that's with

1514

01:00:09,750 --> 01:00:08,319

photos but let's talk about guns same

1515

01:00:13,270 --> 01:00:09,760

situation

1516

01:00:16,950 --> 01:00:13,280

um if you're there with a gun

1517

01:00:18,549 --> 01:00:16,960

as protection from them they'll know it

1518

01:00:20,789 --> 01:00:18,559

if you're there with a gun for

1519

01:00:23,750 --> 01:00:20,799

protection from a grizzly bear

1520

01:00:24,630 --> 01:00:23,760

they're fine with it it's an interesting

1521

01:00:27,670 --> 01:00:24,640

concept of

1522

01:00:32,390 --> 01:00:30,069

so you know i i that's good to know

1523

01:00:35,270 --> 01:00:32,400

that's good to know because sometimes

1524

01:00:36,150 --> 01:00:35,280

you know i don't know i often i i mean

1525

01:00:39,670 --> 01:00:36,160

i've been

1526

01:00:41,990 --> 01:00:39,680

uh the reason why i you know it was um

1527

01:00:43,829 --> 01:00:42,000

just a little just quick background long

1528

01:00:45,430 --> 01:00:43,839

time ago when i finally moved out to the

1529

01:00:46,230 --> 01:00:45,440

woods and then kind of started my own

1530

01:00:48,870 --> 01:00:46,240

journey

1531

01:00:49,829 --> 01:00:48,880

if prior to that my friend and i we were

1532

01:00:52,950 --> 01:00:49,839

going camping

1533

01:00:53,510 --> 01:00:52,960

almost every weekend for forever you

1534

01:00:55,349 --> 01:00:53,520

know and

1535

01:00:57,190 --> 01:00:55,359

i just kept thinking why am i not just

1536

01:00:58,710 --> 01:00:57,200

moving out out here and just live out

1537

01:00:59,910 --> 01:00:58,720

here because i keep wanting to escape

1538

01:01:02,549 --> 01:00:59,920

the city you know

1539

01:01:04,630 --> 01:01:02,559

and so um not that you know i'm not a

1540

01:01:06,950 --> 01:01:04,640

violent person by nature but i will not

1541

01:01:08,710 --> 01:01:06,960

sit back and not defend myself you know

1542

01:01:10,630 --> 01:01:08,720

and so we're always cautious because

1543

01:01:12,309 --> 01:01:10,640

there's always uh you know bears

1544

01:01:13,750 --> 01:01:12,319

snakes different things so we'll always

1545

01:01:15,750 --> 01:01:13,760

have some weapon with us

1546

01:01:16,789 --> 01:01:15,760

you know whether it be uh pistol shotgun

1547

01:01:19,510 --> 01:01:16,799

rifle whatever

1548

01:01:21,190 --> 01:01:19,520

and so i'm glad that you know they know

1549

01:01:23,109 --> 01:01:21,200

and are kind of scanning us in that

1550

01:01:24,309 --> 01:01:23,119

sense that they know what our intentions

1551
01:01:26,870 --> 01:01:24,319
are that it's

1552
01:01:28,069 --> 01:01:26,880
our fears of these other things

1553
01:01:30,870 --> 01:01:28,079
necessarily that

1554
01:01:32,470 --> 01:01:30,880
we want that protection from you know

1555
01:01:33,190 --> 01:01:32,480
and the ones that understand your

1556
01:01:36,630 --> 01:01:33,200
intention

1557
01:01:37,430 --> 01:01:36,640
that's a level you might have to speak

1558
01:01:41,670 --> 01:01:37,440
it

1559
01:01:43,829 --> 01:01:41,680
into the woods i'm carrying a gun y'all

1560
01:01:45,510 --> 01:01:43,839
uh and it's not meant for you in any way

1561
01:01:46,549 --> 01:01:45,520
it's meant for my own protection against

1562
01:01:48,789 --> 01:01:46,559
a bear

1563
01:01:51,190 --> 01:01:48,799

you know you might have to say that you

1564

01:01:53,829 --> 01:01:51,200

know um

1565

01:01:55,270 --> 01:01:53,839

yeah it works all different ways and the

1566

01:01:56,789 --> 01:01:55,280

the sentient ability of

1567

01:01:58,309 --> 01:01:56,799

each sasquatch is going to be different

1568

01:02:00,069 --> 01:01:58,319

so you might be talking to a juvenile

1569

01:02:03,109 --> 01:02:00,079

that doesn't have the ability

1570

01:02:05,990 --> 01:02:03,119

quite yet of uh the sentience that the

1571

01:02:06,390 --> 01:02:06,000

elders do even though they they live to

1572

01:02:09,910 --> 01:02:06,400

be

1573

01:02:13,430 --> 01:02:09,920

so old i don't speculate how old but

1574

01:02:17,510 --> 01:02:13,440

quite old right uh there's

1575

01:02:20,630 --> 01:02:17,520

another question from um abc123 says

1576

01:02:25,270 --> 01:02:20,640

where do sasquatch sleep i.e are they in

1577

01:02:32,069 --> 01:02:28,630

um you know i think people have

1578

01:02:35,589 --> 01:02:32,079

found beds and bedding um

1579

01:02:38,950 --> 01:02:35,599

in the woods uh they nap of course

1580

01:02:42,069 --> 01:02:38,960

in places uh they even make pins

1581

01:02:42,870 --> 01:02:42,079

little play pins out of wood sticks for

1582

01:02:46,069 --> 01:02:42,880

the babies

1583

01:02:48,630 --> 01:02:46,079

to sleep in um and

1584

01:02:49,589 --> 01:02:48,640

when i was interacting with that one

1585

01:02:52,470 --> 01:02:49,599

family

1586

01:02:53,029 --> 01:02:52,480

in north carolina um that there was a

1587

01:02:56,870 --> 01:02:53,039

cave

1588

01:03:00,150 --> 01:02:56,880

on the property and i got the mind speak

1589

01:03:04,309 --> 01:03:00,160

i also got imagery and the imagery was

1590

01:03:04,630 --> 01:03:04,319

of their cave area and i swear it looked

1591

01:03:07,990 --> 01:03:04,640

like

1592

01:03:11,829 --> 01:03:08,000

flintstones um kind of

1593

01:03:13,349 --> 01:03:11,839

you know rock bed with some shrubs on it

1594

01:03:15,910 --> 01:03:13,359

to lay on and

1595

01:03:17,349 --> 01:03:15,920

maybe a palm frond in the corner as

1596

01:03:21,430 --> 01:03:17,359

decoration

1597

01:03:23,109 --> 01:03:21,440

you know uh yeah okay

1598

01:03:24,950 --> 01:03:23,119

they sleep in caves they sleep above the

1599

01:03:26,309 --> 01:03:24,960

ground uh i don't think they have to go

1600

01:03:28,710 --> 01:03:26,319

right

1601

01:03:29,430 --> 01:03:28,720

invisible well uh this goes uh to go

1602

01:03:31,510 --> 01:03:29,440

back real quick

1603

01:03:33,270 --> 01:03:31,520

regarding recordings and you know if you

1604

01:03:33,670 --> 01:03:33,280

can speak to this great if not i'm kind

1605

01:03:36,950 --> 01:03:33,680

of

1606

01:03:39,510 --> 01:03:36,960

uh we haven't discussed this at all so

1607

01:03:41,029 --> 01:03:39,520

you know i don't know if if you can or

1608

01:03:42,630 --> 01:03:41,039

want to talk about this but have you

1609

01:03:44,549 --> 01:03:42,640

ever heard of

1610

01:03:47,270 --> 01:03:44,559

this particular recording that was done

1611

01:03:49,750 --> 01:03:47,280

by uh ron moorhead but then later

1612

01:03:52,309 --> 01:03:49,760

analyzed by uh scott nelson

1613

01:03:54,309 --> 01:03:52,319

and i've had him on as interviews and

1614

01:03:56,789 --> 01:03:54,319

when i had the ufo hub conference

1615

01:03:58,390 --> 01:03:56,799

i had him come to speak about this

1616

01:03:59,349 --> 01:03:58,400

what's what they call the samurai

1617

01:04:01,430 --> 01:03:59,359

chatter

1618

01:04:03,109 --> 01:04:01,440

it's this recording yes and so he

1619

01:04:04,870 --> 01:04:03,119

basically his

1620

01:04:06,309 --> 01:04:04,880

uh if you for those that don't know you

1621

01:04:07,990 --> 01:04:06,319

might you might know

1622

01:04:09,990 --> 01:04:08,000

what his background is he was he had

1623

01:04:12,470 --> 01:04:10,000

this career in the navy to basically

1624

01:04:13,829 --> 01:04:12,480

transcribe human voice and codes and all

1625

01:04:15,990 --> 01:04:13,839

this other stuff so

1626

01:04:17,910 --> 01:04:16,000

he was you know knows these different

1627

01:04:21,190 --> 01:04:17,920

languages and basically his

1628

01:04:23,430 --> 01:04:21,200

spec uh speciality is uh language

1629

01:04:25,349 --> 01:04:23,440

and so when he came across this you know

1630

01:04:26,789 --> 01:04:25,359

his son was asking him what is sasquatch

1631

01:04:29,270 --> 01:04:26,799

sounding like and he was just

1632

01:04:30,390 --> 01:04:29,280

making a a whoop sound you know just

1633

01:04:31,829 --> 01:04:30,400

joking around

1634

01:04:33,430 --> 01:04:31,839

and then said i don't know let's look it

1635

01:04:36,069 --> 01:04:33,440

up and then came across

1636

01:04:37,990 --> 01:04:36,079

this stuff and he kind of was mesmerized

1637

01:04:39,670 --> 01:04:38,000

by it it still stumps me every time i

1638

01:04:42,470 --> 01:04:39,680

hear him talk about it or if i

1639

01:04:43,430 --> 01:04:42,480

happen to re-watch some of it how he

1640

01:04:46,150 --> 01:04:43,440

talks about

1641

01:04:47,190 --> 01:04:46,160

um you know he he heard it right and he

1642

01:04:48,630 --> 01:04:47,200

kept listening to it

1643

01:04:50,150 --> 01:04:48,640

it listened to it again and over and

1644

01:04:50,870 --> 01:04:50,160

over again the way he would do it in the

1645

01:04:52,789 --> 01:04:50,880

navy

1646

01:04:54,150 --> 01:04:52,799

and his son was like dad like what's

1647

01:04:55,349 --> 01:04:54,160

wrong with you you know like he was

1648

01:04:57,430 --> 01:04:55,359

almost possessed by it

1649

01:04:59,109 --> 01:04:57,440

he says there's language here and he

1650

01:05:00,710 --> 01:04:59,119

basically spent all this time since oh

1651
01:05:03,829 --> 01:05:00,720
wait breaking it apart

1652
01:05:05,430 --> 01:05:03,839
and so um not trying to divert you you

1653
01:05:07,990 --> 01:05:05,440
guys from this but you know

1654
01:05:09,190 --> 01:05:08,000
possibly after this interview check out

1655
01:05:12,390 --> 01:05:09,200
it's actually

1656
01:05:15,190 --> 01:05:12,400
um it's in the the the download

1657
01:05:15,829 --> 01:05:15,200
it's on the upload videos uh it was uh

1658
01:05:19,990 --> 01:05:15,839
the

1659
01:05:21,750 --> 01:05:20,000
hub lecture series that i had

1660
01:05:23,349 --> 01:05:21,760
and he actually did the whole

1661
01:05:25,029 --> 01:05:23,359
presentation and showed

1662
01:05:26,630 --> 01:05:25,039
the different recordings and he breaks

1663
01:05:27,270 --> 01:05:26,640

it down and talks about that so check

1664

01:05:29,270 --> 01:05:27,280

that out

1665

01:05:30,309 --> 01:05:29,280

but uh cindy what what are your thoughts

1666

01:05:33,829 --> 01:05:30,319

on that

1667

01:05:36,630 --> 01:05:33,839

oh yeah um i'm familiar with that and um

1668

01:05:37,750 --> 01:05:36,640

i have had probably maybe four or five

1669

01:05:41,510 --> 01:05:37,760

different researchers

1670

01:05:44,789 --> 01:05:41,520

share with me audio recordings of

1671

01:05:48,150 --> 01:05:44,799

what sounds like uh asian language

1672

01:05:48,870 --> 01:05:48,160

you know a chattering between two or

1673

01:05:52,230 --> 01:05:48,880

more

1674

01:05:53,430 --> 01:05:52,240

beings that sound like two chinese or

1675

01:05:56,870 --> 01:05:53,440

japanese

1676

01:05:59,430 --> 01:05:56,880

asian korean thai something

1677

01:06:00,870 --> 01:05:59,440

uh i'm not a language expert so i don't

1678

01:06:02,309 --> 01:06:00,880

know but i have heard the language

1679

01:06:04,950 --> 01:06:02,319

myself

1680

01:06:05,750 --> 01:06:04,960

and i've i've heard it even uh in the

1681

01:06:07,349 --> 01:06:05,760

ozarks

1682

01:06:09,750 --> 01:06:07,359

uh through the researcher i was there

1683

01:06:12,069 --> 01:06:09,760

with well what's interesting

1684

01:06:13,829 --> 01:06:12,079

uh especially the ones that he analyzed

1685

01:06:14,630 --> 01:06:13,839

i just want to share this real quick if

1686

01:06:17,349 --> 01:06:14,640

you don't mind

1687

01:06:18,069 --> 01:06:17,359

he was talking about how we we speak on

1688

01:06:19,990 --> 01:06:18,079

the exhale

1689

01:06:22,470 --> 01:06:20,000

part when we're exhaling is when we're

1690

01:06:24,150 --> 01:06:22,480

usually speaking very rarely we'll be

1691

01:06:26,309 --> 01:06:24,160

you know inhale and try to speak at the

1692

01:06:28,630 --> 01:06:26,319

same time well he

1693

01:06:29,750 --> 01:06:28,640

broke that down in the sounds and in the

1694

01:06:31,349 --> 01:06:29,760

video or the

1695

01:06:33,270 --> 01:06:31,359

the lecture series that's also on your

1696

01:06:35,270 --> 01:06:33,280

for hub you can watch it you know he

1697

01:06:37,910 --> 01:06:35,280

says they speak on both

1698

01:06:40,150 --> 01:06:37,920

both ends you know they speak exhaling

1699

01:06:42,950 --> 01:06:40,160

and inhaling which is amazing to

1700

01:06:43,990 --> 01:06:42,960

to begin with yeah and so and you can

1701

01:06:47,109 --> 01:06:44,000

distinctly hear

1702

01:06:48,470 --> 01:06:47,119

a male female and a juvenile in those

1703

01:06:50,549 --> 01:06:48,480

three different recordings

1704

01:06:52,309 --> 01:06:50,559

i love his explanation because some of

1705

01:06:55,270 --> 01:06:52,319

the criticism he received

1706

01:06:56,870 --> 01:06:55,280

he says either this is a mentally

1707

01:06:59,990 --> 01:06:56,880

[h__\h] sasquatch

1708

01:07:00,630 --> 01:07:00,000

or it is a very intelligent thing do you

1709

01:07:03,670 --> 01:07:00,640

think that

1710

01:07:04,549 --> 01:07:03,680

it is mentally [h__\h] yeah and you

1711

01:07:06,870 --> 01:07:04,559

know so it's like

1712

01:07:08,390 --> 01:07:06,880

it was a funny explanation but so true

1713

01:07:10,150 --> 01:07:08,400

because uh you know because he always

1714

01:07:11,190 --> 01:07:10,160

says i'm not a sasquatch guy i'm a

1715

01:07:13,910 --> 01:07:11,200

language guy and

1716

01:07:15,589 --> 01:07:13,920

there's language here now i wish um he

1717

01:07:17,349 --> 01:07:15,599

didn't do this during the conference but

1718

01:07:19,910 --> 01:07:17,359

i watched him at another place where he

1719

01:07:22,069 --> 01:07:19,920

actually broke down the different sounds

1720

01:07:23,670 --> 01:07:22,079

and and all of that i mean he went into

1721

01:07:25,990 --> 01:07:23,680

great detail of it so

1722

01:07:27,029 --> 01:07:26,000

you know it's it's really amazing so i'm

1723

01:07:29,589 --> 01:07:27,039

and he he said

1724

01:07:31,109 --> 01:07:29,599

whoever was collaborating with him you

1725

01:07:31,670 --> 01:07:31,119

know he was sent it to him and they said

1726

01:07:33,750 --> 01:07:31,680

well

1727

01:07:35,510 --> 01:07:33,760

this has aspects of japanese in it then

1728

01:07:37,750 --> 01:07:35,520

he sends it to spain he said well this

1729

01:07:40,870 --> 01:07:37,760

has aspects of spanish language in it

1730

01:07:42,549 --> 01:07:40,880

you know and so it was almost like this

1731

01:07:44,309 --> 01:07:42,559

truly universal language to where

1732

01:07:45,430 --> 01:07:44,319

there's like words of almost every

1733

01:07:49,510 --> 01:07:45,440

language in it

1734

01:07:52,789 --> 01:07:49,520

wow yeah i i totally believe that and

1735

01:07:54,230 --> 01:07:52,799

mike patterson's uh videos that he had

1736

01:07:57,270 --> 01:07:54,240

up for quite a long time

1737

01:08:01,270 --> 01:07:57,280

sasquatch ontario his uh

1738

01:08:05,829 --> 01:08:01,280

nephitea often time would do the inhale

1739

01:08:07,910 --> 01:08:05,839

uh you know it was a really high

1740

01:08:10,549 --> 01:08:07,920

you know uh sound it can start out

1741

01:08:11,270 --> 01:08:10,559

really guttural and then go to this huge

1742

01:08:14,630 --> 01:08:11,280

high-pitched

1743

01:08:17,749 --> 01:08:14,640

sound it was the inhale really

1744

01:08:21,749 --> 01:08:17,759

really amazing okay

1745

01:08:24,870 --> 01:08:21,759

uh so the next question is also from

1746

01:08:27,430 --> 01:08:24,880

cooper young it says could commute

1747

01:08:28,470 --> 01:08:27,440

could human beings go through one of

1748

01:08:31,749 --> 01:08:28,480

these portals

1749

01:08:31,759 --> 01:08:34,789

uh

1750

01:08:41,110 --> 01:08:38,229

i don't feel that

1751

01:08:43,269 --> 01:08:41,120

humans are ready to go through portals

1752

01:08:50,229 --> 01:08:43,279

um

1753

01:08:53,590 --> 01:08:50,239

and this is just a time dimensional

1754

01:08:56,309 --> 01:08:53,600

hop like a a dimension hop and

1755

01:08:57,749 --> 01:08:56,319

sometimes you can just leave a doorway

1756

01:08:59,269 --> 01:08:57,759

and come into another time

1757

01:09:00,870 --> 01:08:59,279

space and that's just a little bit of

1758

01:09:04,149 --> 01:09:00,880

lost time which

1759

01:09:06,709 --> 01:09:04,159

i have had occur when you're

1760

01:09:07,829 --> 01:09:06,719

doing say some type of intentional work

1761

01:09:11,349 --> 01:09:07,839

on the land

1762

01:09:14,950 --> 01:09:11,359

and you're in a portal type area um

1763

01:09:16,390 --> 01:09:14,960

you can actually leave and

1764

01:09:19,269 --> 01:09:16,400

but you don't feel like you've left

1765

01:09:21,430 --> 01:09:19,279

anywhere and then you're just

1766

01:09:22,309 --> 01:09:21,440

you realize that all kinds of time was

1767

01:09:24,789 --> 01:09:22,319

gone

1768

01:09:26,630 --> 01:09:24,799

and it happened so severely one time

1769

01:09:29,110 --> 01:09:26,640

that i was on a trail

1770

01:09:31,990 --> 01:09:29,120

um and came back down the trail and

1771

01:09:35,189 --> 01:09:32,000

there were all new trail signs

1772

01:09:35,910 --> 01:09:35,199

on every trailhead like but there was no

1773

01:09:39,189 --> 01:09:35,920

one there

1774

01:09:42,470 --> 01:09:39,199

banging on the trees so

1775

01:09:45,590 --> 01:09:42,480

it's a yeah so people can go through if

1776

01:09:47,189 --> 01:09:45,600

by accident like um but it's

1777

01:09:50,229 --> 01:09:47,199

it's not something that you would know

1778

01:09:52,309 --> 01:09:50,239

where you're going to end up

1779

01:09:53,590 --> 01:09:52,319

and it's quite risky right or whether or

1780

01:09:54,950 --> 01:09:53,600

not you can come back

1781

01:09:57,030 --> 01:09:54,960

you know if it's right for some reason

1782

01:09:59,750 --> 01:09:57,040

collapses after right

1783

01:10:01,750 --> 01:09:59,760

um there's two questions actually from

1784

01:10:02,149 --> 01:10:01,760

abc one two three and i figured i asked

1785

01:10:04,550 --> 01:10:02,159

them

1786

01:10:06,070 --> 01:10:04,560

and i guess you can go into whatever

1787

01:10:09,830 --> 01:10:06,080

length you like on those

1788

01:10:11,910 --> 01:10:09,840

one is can you divulge what town was it

1789

01:10:14,470 --> 01:10:11,920

in north carolina where those people

1790

01:10:15,990 --> 01:10:14,480

flooded the sasquatch cave

1791

01:10:17,590 --> 01:10:16,000

i won't tell you the exact town but i'll

1792

01:10:19,270 --> 01:10:17,600

tell you the towns near it it's

1793

01:10:21,669 --> 01:10:19,280

highlands and cashiers

1794

01:10:24,070 --> 01:10:21,679

north carolina so it's just over the

1795

01:10:25,590 --> 01:10:24,080

georgia border

1796

01:10:27,030 --> 01:10:25,600

and there's a lot of uh you know in

1797

01:10:28,950 --> 01:10:27,040

northern georgia there's a lot of

1798

01:10:31,270 --> 01:10:28,960

activity there too but this was called

1799

01:10:33,910 --> 01:10:31,280

the highlands and cashiers

1800

01:10:35,430 --> 01:10:33,920

area okay and then the other question

1801

01:10:36,709 --> 01:10:35,440

was what's the relationship with

1802

01:10:40,070 --> 01:10:36,719

sasquatch and

1803

01:10:42,550 --> 01:10:40,080

gray gray aliens i listened to

1804

01:10:43,669 --> 01:10:42,560

to a story once about them being very

1805

01:10:46,709 --> 01:10:43,679

close

1806

01:10:49,510 --> 01:10:46,719

yes um in my story uh there's

1807

01:10:50,950 --> 01:10:49,520

quite a bit of reference to them too

1808

01:10:53,430 --> 01:10:50,960

because the woman

1809

01:10:55,350 --> 01:10:53,440

that was on the property who had the

1810

01:10:58,070 --> 01:10:55,360

sasquatch on the property

1811

01:10:58,470 --> 01:10:58,080

had great aliens i mentioned this last

1812

01:11:00,390 --> 01:10:58,480

uh

1813

01:11:02,070 --> 01:11:00,400

time but i had great aliens on her

1814

01:11:04,310 --> 01:11:02,080

property that would walk across the

1815

01:11:06,470 --> 01:11:04,320

pasture pick up two baby sasquatches and

1816

01:11:09,590 --> 01:11:06,480

walk across the pasture again

1817

01:11:12,550 --> 01:11:09,600

like they were babysitting so

1818

01:11:14,070 --> 01:11:12,560

um there's been uh you know there are

1819

01:11:15,189 --> 01:11:14,080

other people that can speak about this

1820

01:11:19,350 --> 01:11:15,199

more eloquently

1821

01:11:22,630 --> 01:11:19,360

um i just know that um there is

1822

01:11:26,390 --> 01:11:22,640

uh a companionship

1823

01:11:30,550 --> 01:11:26,400

with sasquatch and gray's

1824

01:11:34,790 --> 01:11:30,560

grays are drones grays do not have souls

1825

01:11:37,590 --> 01:11:34,800

grays do what they're commanded to do

1826

01:11:39,510 --> 01:11:37,600

so i would assume that they're there to

1827

01:11:43,430 --> 01:11:39,520

fly some ships

1828

01:11:46,950 --> 01:11:43,440

uh to babysit some kids maybe work some

1829

01:11:51,350 --> 01:11:46,960

you know electrical magic on the grid

1830

01:11:52,830 --> 01:11:51,360

and that's about it black magic

1831

01:11:54,950 --> 01:11:52,840

you know i'm not really fond of great

1832

01:11:58,149 --> 01:11:54,960

aliens right and so

1833

01:12:00,310 --> 01:11:58,159

uh commanded by whom by other

1834

01:12:01,990 --> 01:12:00,320

they can be commanded by their faction

1835

01:12:03,350 --> 01:12:02,000

yes they can be commanded by other

1836

01:12:06,709 --> 01:12:03,360

civilizations

1837

01:12:07,030 --> 01:12:06,719

off planet or on planet or other beings

1838

01:12:10,709 --> 01:12:07,040

so

1839

01:12:13,590 --> 01:12:10,719

i would assume that this is the same

1840

01:12:14,390 --> 01:12:13,600

very deep spiritual lesson that we're

1841

01:12:17,669 --> 01:12:14,400

trying to

1842

01:12:19,110 --> 01:12:17,679

um assimilate is that how are we to love

1843

01:12:21,990 --> 01:12:19,120

a gray alien

1844

01:12:24,149 --> 01:12:22,000

well the sasquatch has become sentient

1845

01:12:25,990 --> 01:12:24,159

with the grey alien

1846

01:12:29,030 --> 01:12:26,000

and here i don't like them so much

1847

01:12:31,510 --> 01:12:29,040

because i've had some incident well

1848

01:12:34,550 --> 01:12:31,520

i am to come to some kind of conclusion

1849

01:12:37,430 --> 01:12:34,560

that grey aliens are not all bad

1850

01:12:39,030 --> 01:12:37,440

just like all reptilians are not all bad

1851

01:12:42,070 --> 01:12:39,040

but we have to come into a

1852

01:12:44,630 --> 01:12:42,080

sentient understanding that all life

1853

01:12:47,510 --> 01:12:44,640

forms whether they have a soul or not

1854

01:12:48,310 --> 01:12:47,520

can be met with kindness and compassion

1855

01:12:51,430 --> 01:12:48,320

and if they

1856

01:12:53,669 --> 01:12:51,440

you know do not want to go through the

1857

01:12:55,430 --> 01:12:53,679

process of compassion and kindness

1858

01:12:57,189 --> 01:12:55,440

on the other side then you know you

1859

01:12:58,790 --> 01:12:57,199

either mark an x and walk away or you

1860

01:13:02,070 --> 01:12:58,800

deal with it

1861

01:13:07,430 --> 01:13:02,080

right um so the the

1862

01:13:10,630 --> 01:13:10,229

i'm sorry i i missed the spot because

1863

01:13:13,750 --> 01:13:10,640

there's

1864

01:13:18,310 --> 01:13:13,760

uh oh here it is it's from daniel

1865

01:13:21,750 --> 01:13:18,320

pereira says hi our giants and sasquatch

1866

01:13:25,189 --> 01:13:21,760

related to one another um

1867

01:13:29,430 --> 01:13:25,199

i don't know about the exact relation

1868

01:13:32,229 --> 01:13:29,440

uh we are you know um

1869

01:13:35,510 --> 01:13:32,239

all related in some respect but i do

1870

01:13:38,470 --> 01:13:35,520

know that the areas where sasquatch are

1871

01:13:41,270 --> 01:13:38,480

heavily concentrated there has been a

1872

01:13:44,630 --> 01:13:41,280

lot of giant activity in the past

1873

01:13:48,149 --> 01:13:44,640

there seemed to be sacred lands uh

1874

01:13:50,950 --> 01:13:48,159

involved and um

1875

01:13:53,030 --> 01:13:50,960

probably a similar mission you know uh

1876

01:13:57,430 --> 01:13:53,040

on earth

1877

01:14:04,229 --> 01:14:01,510

yeah it's uh i just

1878

01:14:05,030 --> 01:14:04,239

uh it says this one is from cooper young

1879

01:14:08,310 --> 01:14:05,040

says have you

1880

01:14:11,110 --> 01:14:08,320

heard stories of drone versions of

1881

01:14:15,590 --> 01:14:14,310

uh no uh sasquatch have souls they are

1882

01:14:18,709 --> 01:14:15,600

sentient life forms

1883

01:14:19,990 --> 01:14:18,719

with uh souls and hearts so they cannot

1884

01:14:26,310 --> 01:14:20,000

be droned

1885

01:14:26,950 --> 01:14:26,320

right which i get a clone a drone i just

1886

01:14:29,830 --> 01:14:26,960

use those

1887

01:14:32,310 --> 01:14:29,840

words kind of simultaneous i'm not being

1888

01:14:35,510 --> 01:14:32,320

very specific uh scientifically

1889

01:14:38,790 --> 01:14:35,520

right you know um

1890

01:14:40,950 --> 01:14:38,800

i'm trying to i want to see if

1891

01:14:42,149 --> 01:14:40,960

i might not be able to get to it now but

1892

01:14:44,950 --> 01:14:42,159

you know it's very interesting

1893

01:14:45,830 --> 01:14:44,960

when i was a long time ago when i was

1894

01:14:47,830 --> 01:14:45,840

kind of going through

1895

01:14:49,030 --> 01:14:47,840

understanding these different things

1896

01:14:52,950 --> 01:14:49,040

about ourselves

1897

01:14:54,550 --> 01:14:52,960

about these different alien races and

1898

01:14:55,990 --> 01:14:54,560

just generally what in the world is

1899

01:14:59,510 --> 01:14:56,000

going on and i

1900

01:15:03,110 --> 01:14:59,520

had um searching for it now

1901

01:15:05,830 --> 01:15:03,120

because um it was a something it was a

1902

01:15:06,950 --> 01:15:05,840

it was almost like an answer to a

1903

01:15:09,270 --> 01:15:06,960

question that i had

1904

01:15:11,189 --> 01:15:09,280

and it was seemed like so profound to me

1905

01:15:13,750 --> 01:15:11,199

that i had to just kind of

1906

01:15:15,669 --> 01:15:13,760

write it down and i made a meme into it

1907

01:15:19,110 --> 01:15:15,679

on my instagram page but i

1908

01:15:24,870 --> 01:15:19,120

want to read it out properly so that

1909

01:15:30,870 --> 01:15:24,880

um so i'm not butchering it

1910

01:15:34,709 --> 01:15:34,070

um it was in it wasn't i guess i wrote

1911

01:15:37,350 --> 01:15:34,719

it out in

1912

01:15:38,149 --> 01:15:37,360

in a form of an answer i said uh of

1913

01:15:41,910 --> 01:15:38,159

course

1914

01:15:42,950 --> 01:15:41,920

most of the beings have evolved to

1915

01:15:45,189 --> 01:15:42,960

better adapt

1916

01:15:46,709 --> 01:15:45,199

to the environment in order to survive

1917

01:15:49,590 --> 01:15:46,719

then look at the human

1918

01:15:51,830 --> 01:15:49,600

fertilist vulnerable living in a box

1919

01:15:52,790 --> 01:15:51,840

everything works with nature that is of

1920

01:15:56,630 --> 01:15:52,800

nature but not

1921

01:15:58,870 --> 01:15:56,640

us yeah and so

1922

01:16:00,630 --> 01:15:58,880

it was it was it wasn't meant like in a

1923

01:16:02,390 --> 01:16:00,640

negative way it was just kind of like a

1924

01:16:04,550 --> 01:16:02,400

obvious answer to

1925

01:16:06,790 --> 01:16:04,560

you know if you see a bird it works with

1926

01:16:09,030 --> 01:16:06,800

the the things around it in a very

1927

01:16:11,510 --> 01:16:09,040

primitive way to create a nest

1928

01:16:12,149 --> 01:16:11,520

you know a bear would use a cave you

1929

01:16:14,950 --> 01:16:12,159

know uh

1930

01:16:16,950 --> 01:16:14,960

and they don't other bears don't go kill

1931

01:16:18,390 --> 01:16:16,960

other bears and then use their fur for

1932

01:16:20,630 --> 01:16:18,400

more warmth you know

1933

01:16:21,910 --> 01:16:20,640

and things like that um it was just kind

1934

01:16:25,270 --> 01:16:21,920

of it was

1935

01:16:28,070 --> 01:16:25,280

that kind of obvious um um

1936

01:16:29,110 --> 01:16:28,080

i guess an example that was given to to

1937

01:16:30,950 --> 01:16:29,120

understand that

1938

01:16:33,030 --> 01:16:30,960

you know there's more to us you know but

1939

01:16:36,709 --> 01:16:33,040

that's i guess maybe a different subject

1940

01:16:37,030 --> 01:16:36,719

you know it's but it's a very good one

1941

01:16:39,030 --> 01:16:37,040

to

1942

01:16:40,630 --> 01:16:39,040

bring up you know while we're talking

1943

01:16:43,189 --> 01:16:40,640

about sasquatch

1944

01:16:44,630 --> 01:16:43,199

um because there's a deep sentient to

1945

01:16:47,910 --> 01:16:44,640

sentience to that and

1946

01:16:48,950 --> 01:16:47,920

here they've adapted to our the natural

1947

01:16:51,830 --> 01:16:48,960

ways

1948

01:16:52,470 --> 01:16:51,840

um and they've watched us get stray away

1949

01:16:55,590 --> 01:16:52,480

well we

1950

01:16:57,990 --> 01:16:55,600

do we blame humanity for it not really

1951

01:16:59,910 --> 01:16:58,000

um the proof that you can advance

1952

01:17:01,110 --> 01:16:59,920

without building skyscrapers to prove

1953

01:17:04,229 --> 01:17:01,120

that you're advanced

1954

01:17:07,910 --> 01:17:04,239

yeah yeah that's right i mean

1955

01:17:09,110 --> 01:17:07,920

um we we could uh advance this society

1956

01:17:10,709 --> 01:17:09,120

in so many different ways

1957

01:17:14,149 --> 01:17:10,719

we hadn't been mind controlled by

1958

01:17:17,110 --> 01:17:14,159

reptilians for hundreds of years

1959

01:17:18,870 --> 01:17:17,120

right um the next question is also from

1960

01:17:20,790 --> 01:17:18,880

abc one two three uh is there any

1961

01:17:25,110 --> 01:17:20,800

relationship between the

1962

01:17:28,709 --> 01:17:25,120

stories of australian um aboriginals

1963

01:17:32,630 --> 01:17:28,719

being able to disappear and

1964

01:17:34,870 --> 01:17:32,640

sasquatch oh i guess this is

1965

01:17:36,310 --> 01:17:34,880

like the australians yeah right uh you

1966

01:17:39,830 --> 01:17:36,320

know i have heard some

1967

01:17:40,550 --> 01:17:39,840

um amazing stories about uh indigenous

1968

01:17:45,189 --> 01:17:40,560

shaman of

1969

01:17:48,310 --> 01:17:45,199

uh australia and they

1970

01:17:51,350 --> 01:17:48,320

tend to have a huge command

1971

01:17:53,270 --> 01:17:51,360

of the toroidal field of the body

1972

01:17:55,110 --> 01:17:53,280

and the toroidal field of the body is

1973

01:17:58,709 --> 01:17:55,120

exactly how

1974

01:18:03,750 --> 01:17:58,719

the spins have to occur to be able to

1975

01:18:06,070 --> 01:18:03,760

disappear and so it's uh like

1976

01:18:07,430 --> 01:18:06,080

it's almost like well it is like a

1977

01:18:11,030 --> 01:18:07,440

radiation device

1978

01:18:13,910 --> 01:18:11,040

in the body that excels out of the crown

1979

01:18:14,470 --> 01:18:13,920

and i know that uh the indigenous shaman

1980

01:18:18,070 --> 01:18:14,480

have

1981

01:18:21,669 --> 01:18:18,080

the ability to move matter um

1982

01:18:25,110 --> 01:18:21,679

with their mind and this is the same

1983

01:18:28,390 --> 01:18:25,120

uh activity that um the sasquatch

1984

01:18:31,830 --> 01:18:28,400

can do and this is that also

1985

01:18:32,630 --> 01:18:31,840

something that i um have the skill of

1986

01:18:34,229 --> 01:18:32,640

doing when i

1987

01:18:36,870 --> 01:18:34,239

woke up very different that was one of

1988

01:18:38,870 --> 01:18:36,880

the skills that i had i didn't really

1989

01:18:41,189 --> 01:18:38,880

realize what it was

1990

01:18:42,709 --> 01:18:41,199

but to be able to move matter with your

1991

01:18:45,189 --> 01:18:42,719

mind at a distance

1992

01:18:46,630 --> 01:18:45,199

which is like uh you know healing

1993

01:18:49,750 --> 01:18:46,640

through the

1994

01:18:51,430 --> 01:18:49,760

uh by long distance waves so it's a your

1995

01:18:54,950 --> 01:18:51,440

body has to create

1996

01:18:56,070 --> 01:18:54,960

a long distance wave pattern to be able

1997

01:18:58,709 --> 01:18:56,080

to

1998

01:18:59,830 --> 01:18:58,719

move through the dimensional fields so i

1999

01:19:04,390 --> 01:18:59,840

i really feel that

2000

01:19:09,030 --> 01:19:04,400

um the sasquatch have the ability to

2001

01:19:12,149 --> 01:19:09,040

alter kind of time and space that way

2002

01:19:14,470 --> 01:19:12,159

was that the original question

2003

01:19:15,350 --> 01:19:14,480

i don't know i don't remember yeah it

2004

01:19:18,950 --> 01:19:15,360

was the original

2005

01:19:20,550 --> 01:19:18,960

um uh i don't even know

2006

01:19:23,750 --> 01:19:20,560

though it was the relationship between

2007

01:19:25,430 --> 01:19:23,760

the australian

2008

01:19:28,149 --> 01:19:25,440

you know i i don't know about

2009

01:19:30,390 --> 01:19:28,159

disappearing um

2010

01:19:33,910 --> 01:19:30,400

absolutely disappearing but they have

2011

01:19:38,149 --> 01:19:36,470

so would you this other question is from

2012

01:19:46,229 --> 01:19:38,159

um

2013

01:19:49,350 --> 01:19:46,239

uh no that would be an

2014

01:19:52,070 --> 01:19:49,360

see i don't have a narrative

2015

01:19:52,950 --> 01:19:52,080

a religious narrative i never grew up

2016

01:19:56,070 --> 01:19:52,960

with any

2017

01:19:57,750 --> 01:19:56,080

religion so i don't have mythology uh

2018

01:20:01,669 --> 01:19:57,760

stories

2019

01:20:05,030 --> 01:20:01,679

of any kind so i can't even answer

2020

01:20:08,070 --> 01:20:05,040

that it doesn't feel uh true or

2021

01:20:12,470 --> 01:20:10,790

okay um cindy is there anything else i'm

2022

01:20:15,350 --> 01:20:12,480

waiting for the questions to come in

2023

01:20:17,990 --> 01:20:15,360

uh was did you cover all your all the

2024

01:20:21,590 --> 01:20:18,000

subjects you wanted to cover

2025

01:20:25,669 --> 01:20:21,600

uh i think uh i think i did um

2026

01:20:27,590 --> 01:20:25,679

okay probably i would you know if i was

2027

01:20:28,870 --> 01:20:27,600

winding it up i would i would want to

2028

01:20:31,669 --> 01:20:28,880

say

2029

01:20:33,030 --> 01:20:31,679

um you know the only reason i'm asking

2030

01:20:33,830 --> 01:20:33,040

if there's something else you wanted to

2031

01:20:35,830 --> 01:20:33,840

go on because i'm

2032

01:20:37,189 --> 01:20:35,840

not really i'm basically just um

2033

01:20:39,189 --> 01:20:37,199

stalling for more questions

2034

01:20:40,310 --> 01:20:39,199

because sometimes when i get distracted

2035

01:20:42,790 --> 01:20:40,320

having to listen

2036

01:20:43,669 --> 01:20:42,800

and try to sift through questions that's

2037

01:20:45,430 --> 01:20:43,679

when um

2038

01:20:47,110 --> 01:20:45,440

you know i don't get i don't really have

2039

01:20:49,350 --> 01:20:47,120

one of my own things going

2040

01:20:50,790 --> 01:20:49,360

okay yeah good deal yeah i mean are you

2041

01:20:52,790 --> 01:20:50,800

good uh energy wise

2042

01:20:53,990 --> 01:20:52,800

you know uh yeah i'm okay if yeah okay

2043

01:20:56,310 --> 01:20:54,000

because i know you were saying

2044

01:20:58,310 --> 01:20:56,320

sometimes depends on how long things go

2045

01:20:59,189 --> 01:20:58,320

your energy wanes down so just let me

2046

01:21:01,910 --> 01:20:59,199

know and

2047

01:21:03,350 --> 01:21:01,920

and we'll we'll finish up but uh things

2048

01:21:05,030 --> 01:21:03,360

have been going great and

2049

01:21:06,790 --> 01:21:05,040

i'm glad you finally be able to talk

2050

01:21:08,229 --> 01:21:06,800

about what you need to talk about i mean

2051

01:21:11,350 --> 01:21:08,239

what you need to talk about

2052

01:21:12,390 --> 01:21:11,360

yes sure um so this other question is

2053

01:21:16,390 --> 01:21:12,400

from

2054

01:21:19,669 --> 01:21:16,400

rob uh horner says uh

2055

01:21:22,950 --> 01:21:19,679

do you think todd standings

2056

01:21:25,510 --> 01:21:22,960

2012 documentary discovering bigfoot is

2057

01:21:32,870 --> 01:21:28,550

um i haven't watched tv in 10 years

2058

01:21:35,830 --> 01:21:32,880

so um i can't speak to that

2059

01:21:37,830 --> 01:21:35,840

but i can tell you that the ones that i

2060

01:21:39,270 --> 01:21:37,840

have witnessed just little excerpts of

2061

01:21:42,709 --> 01:21:39,280

on the internet

2062

01:21:47,030 --> 01:21:42,719

um are manipulated to make people

2063

01:21:50,629 --> 01:21:47,040

feel fear okay

2064

01:21:52,310 --> 01:21:50,639

yeah i had i i was um my wife and i came

2065

01:21:54,550 --> 01:21:52,320

across a documentary

2066

01:21:56,070 --> 01:21:54,560

um i wish i remembered what it was

2067

01:22:00,550 --> 01:21:56,080

called but

2068

01:22:03,590 --> 01:22:00,560

it was if true was the most clearest

2069

01:22:04,390 --> 01:22:03,600

pictures of bigfoot i have ever seen and

2070

01:22:06,550 --> 01:22:04,400

it's basically

2071

01:22:08,550 --> 01:22:06,560

out in the middle of nowhere and they

2072

01:22:10,870 --> 01:22:08,560

would he would have this camera going

2073

01:22:12,229 --> 01:22:10,880

and then they would be kind of peeking

2074

01:22:14,310 --> 01:22:12,239

from behind trees

2075

01:22:15,350 --> 01:22:14,320

and it would be different types some

2076

01:22:18,149 --> 01:22:15,360

juvenile some

2077

01:22:18,870 --> 01:22:18,159

not and so it made me really wonder

2078

01:22:20,229 --> 01:22:18,880

because

2079

01:22:23,110 --> 01:22:20,239

it's not something i generally

2080

01:22:25,669 --> 01:22:23,120

concentrated on very much my

2081

01:22:27,590 --> 01:22:25,679

my focus has always been kind of this

2082

01:22:29,910 --> 01:22:27,600

metaphysics the spirituality

2083

01:22:31,910 --> 01:22:29,920

and et connections you know but haven't

2084

01:22:34,229 --> 01:22:31,920

spent much time considering i live

2085

01:22:35,270 --> 01:22:34,239

i lived been living in the woods since

2086

01:22:38,629 --> 01:22:35,280

2010

2087

01:22:39,750 --> 01:22:38,639

so always been uh you know i would have

2088

01:22:41,510 --> 01:22:39,760

thought that that's something that would

2089

01:22:42,790 --> 01:22:41,520

have come to mind earlier for me to just

2090

01:22:46,070 --> 01:22:42,800

kind of go out there

2091

01:22:49,030 --> 01:22:46,080

walk around and see what happens

2092

01:22:51,110 --> 01:22:49,040

well you could you know it's sometimes

2093

01:22:52,070 --> 01:22:51,120

like i lived in a couple of places that

2094

01:22:54,229 --> 01:22:52,080

i didn't even realize

2095

01:22:56,070 --> 01:22:54,239

i was having sasquatch experience before

2096

01:22:58,070 --> 01:22:56,080

i even met the sasquatch

2097

01:22:59,430 --> 01:22:58,080

so there was a property i was living on

2098

01:23:02,149 --> 01:22:59,440

it was a about

2099

01:23:03,350 --> 01:23:02,159

maybe 12 acre little farm and i would

2100

01:23:06,229 --> 01:23:03,360

just go out back and

2101
01:23:08,149 --> 01:23:06,239
and sit and watch the deer eat you know

2102
01:23:09,110 --> 01:23:08,159
uh watermelon or corn and i would leave

2103
01:23:12,390 --> 01:23:09,120
for them

2104
01:23:13,830 --> 01:23:12,400
and i would feel this presence and i i

2105
01:23:17,030 --> 01:23:13,840
knew it was a large

2106
01:23:19,270 --> 01:23:17,040
presence physically large

2107
01:23:21,030 --> 01:23:19,280
uh is in consciousness a huge

2108
01:23:21,910 --> 01:23:21,040
consciousness and i wasn't sure if i was

2109
01:23:25,590 --> 01:23:21,920
dealing with

2110
01:23:27,750 --> 01:23:25,600
you know fairies or interdimensional

2111
01:23:28,950 --> 01:23:27,760
creature of some kind but it felt very

2112
01:23:31,430 --> 01:23:28,960
loving

2113
01:23:33,030 --> 01:23:31,440

and i would sit at this one place and i

2114

01:23:36,070 --> 01:23:33,040

would just almost feel them

2115

01:23:38,229 --> 01:23:36,080

hugging me like whatever it was was

2116

01:23:41,110 --> 01:23:38,239

hugging me and the air would get real

2117

01:23:43,189 --> 01:23:41,120

thin uh and time would just be real

2118

01:23:45,189 --> 01:23:43,199

wishy-washy for a few minutes you know

2119

01:23:47,110 --> 01:23:45,199

kind of strange and i would take a

2120

01:23:47,750 --> 01:23:47,120

couple of photos one time i took a

2121

01:23:51,110 --> 01:23:47,760

selfie

2122

01:23:53,510 --> 01:23:51,120

and there was like this brown um mist

2123

01:23:54,310 --> 01:23:53,520

behind me still i didn't know what that

2124

01:23:56,390 --> 01:23:54,320

was

2125

01:23:58,470 --> 01:23:56,400

uh until one day i went over to this

2126
01:23:59,510 --> 01:23:58,480
dilapidated barn on the property and i

2127
01:24:03,030 --> 01:23:59,520
was planting some

2128
01:24:04,790 --> 01:24:03,040
flowers over in the corner and i got too

2129
01:24:06,709 --> 01:24:04,800
close to this barn which i had never

2130
01:24:08,310 --> 01:24:06,719
even walked over to because it was like

2131
01:24:11,830 --> 01:24:08,320
halfway down

2132
01:24:13,350 --> 01:24:11,840
and uh as i got halfway to it this is in

2133
01:24:16,550 --> 01:24:13,360
the middle of the day with a

2134
01:24:17,430 --> 01:24:16,560
sun shining nice a tree came out of

2135
01:24:21,030 --> 01:24:17,440
nowhere and

2136
01:24:24,070 --> 01:24:21,040
fell right in front of my path

2137
01:24:25,189 --> 01:24:24,080
as i'm walking right to this barn and

2138
01:24:29,270 --> 01:24:25,199

then another tree

2139

01:24:33,270 --> 01:24:29,280

fell on the barn and there's no wind

2140

01:24:35,110 --> 01:24:33,280

okay and then and i'm in the house and

2141

01:24:38,229 --> 01:24:35,120

there's like

2142

01:24:40,790 --> 01:24:38,239

bam bam on the side of the house

2143

01:24:41,830 --> 01:24:40,800

or on the roof and i'm like looking

2144

01:24:44,550 --> 01:24:41,840

around

2145

01:24:46,070 --> 01:24:44,560

thinking it's a raccoon you know i knew

2146

01:24:49,110 --> 01:24:46,080

it wasn't a person

2147

01:24:50,310 --> 01:24:49,120

so i i really didn't know until then i

2148

01:24:51,830 --> 01:24:50,320

met the sasquatch

2149

01:24:54,070 --> 01:24:51,840

that's the house i was living in that i

2150

01:24:57,189 --> 01:24:54,080

was sent to see the sasquatch from

2151
01:25:00,070 --> 01:24:57,199
i knew then that they had been you know

2152
01:25:01,350 --> 01:25:00,080
trying to wake me up or trying to

2153
01:25:03,990 --> 01:25:01,360
communicate and

2154
01:25:06,229 --> 01:25:04,000
i was too dense to see it so you know

2155
01:25:09,590 --> 01:25:06,239
when you have property like you have

2156
01:25:12,310 --> 01:25:09,600
um you know it's like i didn't even know

2157
01:25:13,110 --> 01:25:12,320
to say anything i didn't even know to be

2158
01:25:15,750 --> 01:25:13,120
inquisitive

2159
01:25:17,430 --> 01:25:15,760
or be curious so now people are

2160
01:25:19,110 --> 01:25:17,440
understanding that they can

2161
01:25:20,629 --> 01:25:19,120
you know go to their neighbor park

2162
01:25:24,070 --> 01:25:20,639
neighborhood park

2163
01:25:27,669 --> 01:25:24,080

you know they can go to the forest

2164

01:25:30,550 --> 01:25:27,679

they can go to your own yard and

2165

01:25:31,189 --> 01:25:30,560

um communicate and sometimes they will

2166

01:25:35,590 --> 01:25:31,199

live

2167

01:25:37,990 --> 01:25:35,600

and they will communicate with you that

2168

01:25:40,070 --> 01:25:38,000

way or they will live somewhere else

2169

01:25:42,310 --> 01:25:40,080

and communicate with you etherically now

2170

01:25:46,070 --> 01:25:42,320

i know that sounds really woo-woo

2171

01:25:49,590 --> 01:25:46,080

um but that's how it works right

2172

01:25:55,590 --> 01:25:49,600

um one another question from abc

2173

01:25:58,629 --> 01:25:55,600

saying uh do you have any

2174

01:25:59,189 --> 01:25:58,639

skip forward oh there there it is can

2175

01:26:01,350 --> 01:25:59,199

you talk

2176
01:26:03,030 --> 01:26:01,360
more about the healing abilities of the

2177
01:26:05,430 --> 01:26:03,040
sasquatch and yourself

2178
01:26:08,790 --> 01:26:05,440
do they share any similarities with the

2179
01:26:12,229 --> 01:26:08,800
shamanic traditions

2180
01:26:13,030 --> 01:26:12,239
um you know i i have a memory uh that

2181
01:26:14,709 --> 01:26:13,040
came up

2182
01:26:16,629 --> 01:26:14,719
um sometimes past life memories will

2183
01:26:17,510 --> 01:26:16,639
come up for me i really don't focus on

2184
01:26:19,350 --> 01:26:17,520
them at all because i

2185
01:26:21,030 --> 01:26:19,360
i don't think they're very helpful but

2186
01:26:24,070 --> 01:26:21,040
this one came up um

2187
01:26:27,750 --> 01:26:24,080
and it was me as a young

2188
01:26:29,110 --> 01:26:27,760

uh indian boy and i think i might have

2189

01:26:32,229 --> 01:26:29,120

told the story last time

2190

01:26:32,870 --> 01:26:32,239

but i got cut off but anyway a sasquatch

2191

01:26:35,750 --> 01:26:32,880

put their

2192

01:26:36,790 --> 01:26:35,760

hand above my leg and at at the bottom

2193

01:26:39,430 --> 01:26:36,800

of my foot

2194

01:26:40,229 --> 01:26:39,440

and ran light and sound through my leg

2195

01:26:44,229 --> 01:26:40,239

to repair

2196

01:26:47,750 --> 01:26:44,239

crushed bones this is a memory i had

2197

01:26:53,270 --> 01:26:47,760

um i do know that um

2198

01:26:56,870 --> 01:26:53,280

of a shaman no not a shaman but an elder

2199

01:27:00,709 --> 01:26:56,880

of a united states

2200

01:27:03,669 --> 01:27:00,719

reservation and he had some

2201
01:27:04,310 --> 01:27:03,679
fallen off of a pretty high cliff and

2202
01:27:07,510 --> 01:27:04,320
broken

2203
01:27:08,470 --> 01:27:07,520
several bones and he asked for

2204
01:27:11,510 --> 01:27:08,480
assistance

2205
01:27:15,750 --> 01:27:11,520
and he had recorders in his house

2206
01:27:18,950 --> 01:27:15,760
and he had gray alien

2207
01:27:22,950 --> 01:27:18,960
and sasquatch in his home

2208
01:27:26,149 --> 01:27:22,960
for weeks and weeks working with him

2209
01:27:28,629 --> 01:27:26,159
and he became very uh

2210
01:27:30,950 --> 01:27:28,639
you know he got better and better as

2211
01:27:33,270 --> 01:27:30,960
time and he was really broken

2212
01:27:35,110 --> 01:27:33,280
uh and he was living by himself and so

2213
01:27:37,669 --> 01:27:35,120

he they helped him heal

2214

01:27:38,950 --> 01:27:37,679

and he could hear their chatter just

2215

01:27:41,990 --> 01:27:38,960

like you spoke about

2216

01:27:43,270 --> 01:27:42,000

that same chatter he had on on audio

2217

01:27:45,189 --> 01:27:43,280

recorder

2218

01:27:46,310 --> 01:27:45,199

and they were like over his body while

2219

01:27:48,550 --> 01:27:46,320

he was sleeping

2220

01:27:50,149 --> 01:27:48,560

doing the chatter so he assumed they

2221

01:27:53,270 --> 01:27:50,159

were doing healing

2222

01:27:57,750 --> 01:27:53,280

um on him but the shamanic

2223

01:27:59,590 --> 01:27:57,760

energy i i consider my you know

2224

01:28:01,510 --> 01:27:59,600

i'll say that there are shamanic

2225

01:28:04,070 --> 01:28:01,520

tendencies that i hold

2226

01:28:04,950 --> 01:28:04,080

i will never say that i am a shaman that

2227

01:28:08,229 --> 01:28:04,960

i think that's a

2228

01:28:11,910 --> 01:28:08,239

insult to uh first nations and

2229

01:28:14,709 --> 01:28:11,920

native american people um but there are

2230

01:28:16,870 --> 01:28:14,719

um acquired skills that i have that are

2231

01:28:20,470 --> 01:28:16,880

very similar to shaman and

2232

01:28:24,470 --> 01:28:20,480

uh that be being able to move

2233

01:28:27,669 --> 01:28:24,480

energy with your hand or your mind

2234

01:28:28,550 --> 01:28:27,679

is exactly how the sasquatch have

2235

01:28:32,390 --> 01:28:28,560

learned

2236

01:28:34,550 --> 01:28:32,400

how to manipulate energy so

2237

01:28:36,070 --> 01:28:34,560

there's a story of i think it was mike

2238

01:28:38,870 --> 01:28:36,080

patterson

2239

01:28:40,310 --> 01:28:38,880

and his friend they were in separate

2240

01:28:43,750 --> 01:28:40,320

locations

2241

01:28:46,550 --> 01:28:43,760

talking about marbles and a marble

2242

01:28:46,950 --> 01:28:46,560

that he had put out for the sasquatch

2243

01:28:51,590 --> 01:28:46,960

was

2244

01:28:54,830 --> 01:28:51,600

gifted to his friend in another state

2245

01:28:57,830 --> 01:28:54,840

just through the discussion of it the

2246

01:28:59,590 --> 01:28:57,840

sasquatch dropped it for her

2247

01:29:01,590 --> 01:28:59,600

it's like well i think that's how it

2248

01:29:04,709 --> 01:29:01,600

went but it was something like that and

2249

01:29:06,870 --> 01:29:04,719

so it's a very intricate way of

2250

01:29:10,310 --> 01:29:06,880

uh manipulating energy and but they

2251

01:29:13,110 --> 01:29:10,320

don't do it in a black magic way

2252

01:29:14,310 --> 01:29:13,120

it's not for your it can be for your fun

2253

01:29:18,390 --> 01:29:14,320

and amusement i

2254

01:29:21,669 --> 01:29:18,400

that was mostly the what i saw

2255

01:29:23,430 --> 01:29:21,679

but the healing does happen um i don't

2256

01:29:25,110 --> 01:29:23,440

have too many more personal stories

2257

01:29:28,629 --> 01:29:25,120

about it but

2258

01:29:29,590 --> 01:29:28,639

um okay uh the other one is also from

2259

01:29:32,470 --> 01:29:29,600

maybe c

2260

01:29:33,669 --> 01:29:32,480

and um just uh whoever has a question

2261

01:29:36,550 --> 01:29:33,679

you know please do ask it

2262

01:29:37,990 --> 01:29:36,560

because even if it's a person that just

2263

01:29:39,510 --> 01:29:38,000

you know keeps some wanting to know

2264

01:29:41,270 --> 01:29:39,520

certain things you're more than welcome

2265

01:29:41,910 --> 01:29:41,280

to because that's what this platform is

2266

01:29:43,830 --> 01:29:41,920

for

2267

01:29:45,669 --> 01:29:43,840

whether that question came from one

2268

01:29:48,149 --> 01:29:45,679

person or five different people

2269

01:29:50,310 --> 01:29:48,159

it's still valid and it will still jot

2270

01:29:51,030 --> 01:29:50,320

to open up a new box of information to

2271

01:29:53,110 --> 01:29:51,040

be shared

2272

01:29:55,350 --> 01:29:53,120

but uh don't be afraid you know cindy

2273

01:29:57,030 --> 01:29:55,360

doesn't bite as you've noticed she

2274

01:29:58,870 --> 01:29:57,040

is more if she can answer it she'll

2275

01:30:00,550 --> 01:29:58,880

answer otherwise you know we'll

2276

01:30:02,229 --> 01:30:00,560

i'm hope i'm hoping you find the answer

2277

01:30:02,950 --> 01:30:02,239

somewhere else but always please

2278

01:30:05,510 --> 01:30:02,960

remember

2279

01:30:06,709 --> 01:30:05,520

use the three little stars before your

2280

01:30:08,310 --> 01:30:06,719

question so it'll pop

2281

01:30:10,070 --> 01:30:08,320

out at me and then i know you have the

2282

01:30:12,390 --> 01:30:10,080

question for cindy

2283

01:30:14,550 --> 01:30:12,400

uh the it's so anyway so this one is

2284

01:30:15,590 --> 01:30:14,560

also from abc one two three saying do

2285

01:30:17,830 --> 01:30:15,600

you have any

2286

01:30:19,830 --> 01:30:17,840

thoughts or relationship about or with

2287

01:30:21,990 --> 01:30:19,840

kawani lepsoritis the sasquatch

2288

01:30:24,550 --> 01:30:22,000

researcher

2289

01:30:25,510 --> 01:30:24,560

oh yes uh kawani is a personal friend of

2290

01:30:28,550 --> 01:30:25,520

mine

2291

01:30:29,189 --> 01:30:28,560

um i do know that uh he has had some

2292

01:30:31,830 --> 01:30:29,199

pretty

2293

01:30:33,430 --> 01:30:31,840

very interesting over the many years of

2294

01:30:36,950 --> 01:30:33,440

his research

2295

01:30:39,990 --> 01:30:36,960

um that he's had some really interesting

2296

01:30:42,229 --> 01:30:40,000

occurrences where there was one

2297

01:30:43,350 --> 01:30:42,239

i think her name was it was a female her

2298

01:30:45,669 --> 01:30:43,360

name was hello

2299

01:30:46,470 --> 01:30:45,679

i think it was helote not sure i may

2300

01:30:48,390 --> 01:30:46,480

have that

2301

01:30:51,910 --> 01:30:48,400

totally wrong uh but that they

2302

01:30:55,030 --> 01:30:51,920

communicated in writing in english

2303

01:30:55,990 --> 01:30:55,040

and you know uh he was ridiculed most of

2304

01:30:59,030 --> 01:30:56,000

his life

2305

01:31:02,470 --> 01:30:59,040

for it uh and he's still

2306

01:31:06,550 --> 01:31:02,480

you know uh standing you know some

2307

01:31:11,110 --> 01:31:06,560

some people don't uh care for others who

2308

01:31:14,629 --> 01:31:11,120

speak about these crazy anomalies

2309

01:31:15,750 --> 01:31:14,639

right um because i was originally

2310

01:31:19,430 --> 01:31:15,760

i didn't mention that in the very

2311

01:31:22,390 --> 01:31:19,440

beginning about a month and a half ago

2312

01:31:23,270 --> 01:31:22,400

i was actually scheduled uh this friday

2313

01:31:26,629 --> 01:31:23,280

to

2314

01:31:28,310 --> 01:31:26,639

kawani

2315

01:31:30,390 --> 01:31:28,320

and yesterday we did a test stream and

2316

01:31:32,390 --> 01:31:30,400

it and it didn't quite work out

2317

01:31:34,070 --> 01:31:32,400

and so i had already talked to cindy and

2318

01:31:35,669 --> 01:31:34,080

said i would like to have you on just to

2319

01:31:37,510 --> 01:31:35,679

make up for all the different

2320

01:31:39,030 --> 01:31:37,520

whatever happenings were happening last

2321

01:31:41,189 --> 01:31:39,040

weekend well um

2322

01:31:42,870 --> 01:31:41,199

we i couldn't help i couldn't establish

2323

01:31:45,750 --> 01:31:42,880

the connection and and he

2324

01:31:46,229 --> 01:31:45,760

basically is using satellite to to to

2325

01:31:47,830 --> 01:31:46,239

chat

2326

01:31:50,070 --> 01:31:47,840

or or to make the connection to the

2327

01:31:51,669 --> 01:31:50,080

internet so it didn't work out we

2328

01:31:53,430 --> 01:31:51,679

pushed it off again for another three

2329

01:31:55,669 --> 01:31:53,440

weeks and then last minute i

2330

01:31:57,430 --> 01:31:55,679

just contacted cindy i said would you be

2331

01:31:58,390 --> 01:31:57,440

interested i'm sorry it's such a short

2332

01:32:00,470 --> 01:31:58,400

notice i didn't

2333

01:32:02,390 --> 01:32:00,480

you know in a way didn't expect this and

2334

01:32:03,910 --> 01:32:02,400

uh she was more than willing to support

2335

01:32:05,430 --> 01:32:03,920

which is great i think because

2336

01:32:06,950 --> 01:32:05,440

it just kind of coincides from last

2337

01:32:09,030 --> 01:32:06,960

weekend this weekend and then

2338

01:32:10,229 --> 01:32:09,040

to finally make up what we couldn't make

2339

01:32:13,990 --> 01:32:10,239

up last friday

2340

01:32:15,910 --> 01:32:14,000

um yeah so but yeah eventually if we

2341

01:32:17,030 --> 01:32:15,920

if i managed to work out the the

2342

01:32:19,110 --> 01:32:17,040

connection excuse

2343

01:32:20,070 --> 01:32:19,120

and and because um he was saying he's

2344

01:32:23,350 --> 01:32:20,080

not that well

2345

01:32:25,030 --> 01:32:23,360

worth well versed with the computer so i

2346

01:32:26,550 --> 01:32:25,040

was trying to talk him through certain

2347

01:32:28,550 --> 01:32:26,560

things but sometimes

2348

01:32:30,149 --> 01:32:28,560

um you know when you don't know certain

2349

01:32:32,390 --> 01:32:30,159

terms you're just not sure

2350

01:32:33,830 --> 01:32:32,400

where where to go and what to do but i'm

2351

01:32:35,430 --> 01:32:33,840

sure it will work out so

2352

01:32:36,870 --> 01:32:35,440

there's another attempt three weeks from

2353

01:32:39,669 --> 01:32:36,880

now and so

2354

01:32:41,270 --> 01:32:39,679

we'll see what happens with that but um

2355

01:32:44,950 --> 01:32:41,280

a quick question for

2356

01:32:47,270 --> 01:32:44,960

rob rob horner there's

2357

01:32:49,430 --> 01:32:47,280

looks like you're you made a statement

2358

01:32:49,990 --> 01:32:49,440

and i'm not quite sure what it says we

2359

01:32:51,830 --> 01:32:50,000

said

2360

01:32:53,590 --> 01:32:51,840

i think you just described what i'm

2361

01:32:55,990 --> 01:32:53,600

talking about if you could

2362

01:32:57,669 --> 01:32:56,000

maybe because you put three three stars

2363

01:32:59,910 --> 01:32:57,679

there so it popped out at me

2364

01:33:01,669 --> 01:32:59,920

if you can um describe a little bit more

2365

01:33:02,629 --> 01:33:01,679

what you meant by that i'd appreciate it

2366

01:33:05,910 --> 01:33:02,639

in the

2367

01:33:10,790 --> 01:33:08,709

another question is uh what are the

2368

01:33:14,070 --> 01:33:10,800

earliest references or stories

2369

01:33:16,310 --> 01:33:14,080

to do with sasquatch that you know of

2370

01:33:18,950 --> 01:33:16,320

in art or history books and that was

2371

01:33:21,910 --> 01:33:18,960

also from abc

2372

01:33:23,350 --> 01:33:21,920

oh gosh what a good question um i

2373

01:33:23,990 --> 01:33:23,360

haven't really done too much research of

2374

01:33:25,910 --> 01:33:24,000

that

2375

01:33:28,870 --> 01:33:25,920

and i you think i would have i'm an

2376

01:33:31,910 --> 01:33:28,880

artist um

2377

01:33:35,189 --> 01:33:31,920

i i don't know i think i've seen

2378

01:33:36,310 --> 01:33:35,199

some reference to them in early early

2379

01:33:40,229 --> 01:33:36,320

texts like

2380

01:33:44,310 --> 01:33:40,239

i don't know 1800s or something but

2381

01:33:45,750 --> 01:33:44,320

um i know there are hillbillies in the

2382

01:33:47,270 --> 01:33:45,760

mountains of north carolina

2383

01:33:48,950 --> 01:33:47,280

that have written stuff about wooly

2384

01:33:53,990 --> 01:33:48,960

boogers

2385

01:33:57,270 --> 01:33:54,000

it have been sasquatch

2386

01:33:58,629 --> 01:33:57,280

um but i don't know specifically that's

2387

01:34:00,550 --> 01:33:58,639

a really good question and i'd love to

2388

01:34:03,350 --> 01:34:00,560

know uh if there are some really good

2389

01:34:04,950 --> 01:34:03,360

art references from whatever era

2390

01:34:06,870 --> 01:34:04,960

about them but i'm sure there's

2391

01:34:11,590 --> 01:34:06,880

something

2392

01:34:12,790 --> 01:34:11,600

regarding locations and possibilities

2393

01:34:14,870 --> 01:34:12,800

like where they can

2394

01:34:16,870 --> 01:34:14,880

show up or that they're not really

2395

01:34:18,790 --> 01:34:16,880

constricted to a certain area

2396

01:34:20,390 --> 01:34:18,800

it's just something that i haven't

2397

01:34:22,390 --> 01:34:20,400

really talked about in a while and

2398

01:34:23,910 --> 01:34:22,400

and i'll make it short it popped into my

2399

01:34:25,910 --> 01:34:23,920

head um you know

2400

01:34:27,910 --> 01:34:25,920

when you get into these kind of things

2401
01:34:28,390 --> 01:34:27,920
doing what what i do with ufo hub and

2402
01:34:30,070 --> 01:34:28,400
just

2403
01:34:31,669 --> 01:34:30,080
all these things that i constantly go to

2404
01:34:34,390 --> 01:34:31,679
these meetings and all that

2405
01:34:35,350 --> 01:34:34,400
my parents really don't care you know

2406
01:34:38,070 --> 01:34:35,360
and so

2407
01:34:39,669 --> 01:34:38,080
uh but they know that i'm kind of that

2408
01:34:41,590 --> 01:34:39,679
weird person that if there's something

2409
01:34:42,310 --> 01:34:41,600
weird to be talked about they can come

2410
01:34:44,629 --> 01:34:42,320
to me

2411
01:34:45,990 --> 01:34:44,639
so generally it's not brought up unless

2412
01:34:48,870 --> 01:34:46,000
something happens and they're like

2413
01:34:51,109 --> 01:34:48,880

oh i need to speak to you about this so

2414

01:34:53,830 --> 01:34:51,119

this was years ago now

2415

01:34:54,390 --> 01:34:53,840

but my mom she was like i saw the oddest

2416

01:34:56,310 --> 01:34:54,400

thing and

2417

01:34:57,510 --> 01:34:56,320

this was in san luis and she was going i

2418

01:35:00,629 --> 01:34:57,520

think

2419

01:35:02,229 --> 01:35:00,639

64 highway 64 in san luis i don't know

2420

01:35:04,550 --> 01:35:02,239

exactly which direction

2421

01:35:06,790 --> 01:35:04,560

and she said you know she was passenger

2422

01:35:07,430 --> 01:35:06,800

i believe my mom and dad were going

2423

01:35:09,669 --> 01:35:07,440

somewhere

2424

01:35:10,629 --> 01:35:09,679

and she said i was looking at this you

2425

01:35:12,629 --> 01:35:10,639

know and this is

2426

01:35:14,149 --> 01:35:12,639

she's just straight face without even

2427

01:35:14,709 --> 01:35:14,159

thinking about what she's trying to tell

2428

01:35:17,189 --> 01:35:14,719

me here

2429

01:35:18,149 --> 01:35:17,199

or how absurd it may initially seem

2430

01:35:20,149 --> 01:35:18,159

she's like

2431

01:35:21,990 --> 01:35:20,159

i saw this monkey on the side of a road

2432

01:35:24,149 --> 01:35:22,000

you know he was really tall and big

2433

01:35:25,750 --> 01:35:24,159

you know and i was trying to you know i

2434

01:35:27,350 --> 01:35:25,760

was wondering why would the monkey be

2435

01:35:28,070 --> 01:35:27,360

there maybe i thought he escaped from

2436

01:35:31,109 --> 01:35:28,080

the zoo

2437

01:35:32,149 --> 01:35:31,119

and just you know she did just talking

2438

01:35:33,990 --> 01:35:32,159

about it

2439

01:35:35,830 --> 01:35:34,000

such so matter of factually and just

2440

01:35:37,669 --> 01:35:35,840

describing what she saw without

2441

01:35:39,590 --> 01:35:37,679

really putting any kind of judgment on

2442

01:35:40,149 --> 01:35:39,600

it that yes she knows the sasquatch or

2443

01:35:43,750 --> 01:35:40,159

whatever

2444

01:35:44,790 --> 01:35:43,760

came to her mind that's how she spit it

2445

01:35:46,709 --> 01:35:44,800

out to me

2446

01:35:48,790 --> 01:35:46,719

you know and i was like you know that

2447

01:35:49,430 --> 01:35:48,800

that could very well be sasquatch you

2448

01:35:52,790 --> 01:35:49,440

know

2449

01:35:54,950 --> 01:35:52,800

talked about that a little bit but

2450

01:35:56,310 --> 01:35:54,960

it's just funny how you know i guess if

2451

01:35:57,910 --> 01:35:56,320

you call them normies

2452

01:36:00,229 --> 01:35:57,920

that are not into this kind of stuff

2453

01:36:02,310 --> 01:36:00,239

when they witness things that are so

2454

01:36:04,470 --> 01:36:02,320

weird and different they just go with

2455

01:36:06,870 --> 01:36:04,480

the plain simple explanations

2456

01:36:08,870 --> 01:36:06,880

that then later i guess fills in all the

2457

01:36:10,629 --> 01:36:08,880

the gaps in their in their vocabulary in

2458

01:36:13,189 --> 01:36:10,639

mind

2459

01:36:15,350 --> 01:36:13,199

yeah i i spoke to somebody just a couple

2460

01:36:19,109 --> 01:36:15,360

months ago they they were here fixing my

2461

01:36:20,870 --> 01:36:19,119

uh washing machine and i said well

2462

01:36:23,430 --> 01:36:20,880

you're from the area and they said yeah

2463

01:36:25,030 --> 01:36:23,440

and i said well uh you had any sasquatch

2464

01:36:27,270 --> 01:36:25,040

sightings up in here

2465

01:36:29,510 --> 01:36:27,280

and she's like oh yeah over on highway

2466

01:36:30,310 --> 01:36:29,520

so and so i see him all the time running

2467

01:36:33,910 --> 01:36:30,320

over the

2468

01:36:37,030 --> 01:36:33,920

uh the guardrail like okay

2469

01:36:39,750 --> 01:36:37,040

just they knew exactly what turn

2470

01:36:41,270 --> 01:36:39,760

curve in the road that they see them all

2471

01:36:43,109 --> 01:36:41,280

the time and they don't really bother

2472

01:36:46,550 --> 01:36:43,119

them or even want to care

2473

01:36:52,470 --> 01:36:49,590

you know um interesting

2474

01:36:54,470 --> 01:36:52,480

i am just a little shift here happened

2475

01:36:57,510 --> 01:36:54,480

i'm trying to figure out exactly

2476

01:36:59,030 --> 01:36:57,520

why there we go got you fixed again i

2477

01:37:04,229 --> 01:36:59,040

hope it doesn't

2478

01:37:06,310 --> 01:37:04,239

split back up but i witnessed that

2479

01:37:08,470 --> 01:37:06,320

before with uh with skype

2480

01:37:10,390 --> 01:37:08,480

the resolution just goes a bit bit

2481

01:37:11,669 --> 01:37:10,400

smaller it's not a problem it's just a

2482

01:37:13,590 --> 01:37:11,679

little

2483

01:37:14,870 --> 01:37:13,600

the resolutions switch up for some

2484

01:37:17,590 --> 01:37:14,880

reason and so

2485

01:37:18,149 --> 01:37:17,600

i just have to go in and fix it up

2486

01:37:20,070 --> 01:37:18,159

because

2487

01:37:21,830 --> 01:37:20,080

you know usually full screen and then it

2488

01:37:25,109 --> 01:37:21,840

just goes up to the corner

2489

01:37:31,030 --> 01:37:25,119

anyway so let me see what else what are

2490

01:37:34,390 --> 01:37:32,470

yeah i'm glad there's you know some

2491

01:37:36,310 --> 01:37:34,400

interactions with uh

2492

01:37:38,550 --> 01:37:36,320

people talking to each other and which

2493

01:37:40,790 --> 01:37:38,560

is great yeah just i just wanted to see

2494

01:37:41,910 --> 01:37:40,800

yeah i just wanted to see what um what

2495

01:37:43,990 --> 01:37:41,920

else there might be

2496

01:37:45,910 --> 01:37:44,000

might be out there because sometimes you

2497

01:37:47,189 --> 01:37:45,920

know i keep repeating uh when i have to

2498

01:37:49,189 --> 01:37:47,199

talk about certain things i keep

2499

01:37:52,149 --> 01:37:49,199

repeating my own stories

2500

01:37:53,750 --> 01:37:52,159

um you know because those are the main

2501

01:37:54,550 --> 01:37:53,760

parts that i always think people would

2502

01:37:57,189 --> 01:37:54,560

want to know

2503

01:37:59,270 --> 01:37:57,199

and only when when a specific detailed

2504

01:38:00,550 --> 01:37:59,280

question is asked then i can branch out

2505

01:38:02,709 --> 01:38:00,560

and be like oh yeah

2506

01:38:04,229 --> 01:38:02,719

let's talk about this part you know but

2507

01:38:07,030 --> 01:38:04,239

it never it doesn't happen

2508

01:38:08,390 --> 01:38:07,040

until somebody jots that that chain of

2509

01:38:10,470 --> 01:38:08,400

thought

2510

01:38:11,590 --> 01:38:10,480

yeah that's right but yeah i had it

2511

01:38:13,030 --> 01:38:11,600

because there's a lot of things

2512

01:38:14,790 --> 01:38:13,040

i don't even know what people might be

2513

01:38:18,070 --> 01:38:14,800

curious about you know

2514

01:38:19,030 --> 01:38:18,080

um right you know it was also surprising

2515

01:38:22,149 --> 01:38:19,040

to me that

2516

01:38:22,790 --> 01:38:22,159

uh i'm not sure like what surprise level

2517

01:38:26,070 --> 01:38:22,800

people are at

2518

01:38:27,990 --> 01:38:26,080

anymore right well

2519

01:38:29,430 --> 01:38:28,000

one thing that i'm um you know

2520

01:38:31,189 --> 01:38:29,440

definitely with all these things going

2521

01:38:34,550 --> 01:38:31,199

on uh

2522

01:38:37,109 --> 01:38:34,560

you know i want to to just take the time

2523

01:38:38,070 --> 01:38:37,119

and walk around this beautiful property

2524

01:38:39,669 --> 01:38:38,080

you know because there's

2525

01:38:42,709 --> 01:38:39,679

you know such a beautiful scenery and

2526

01:38:43,590 --> 01:38:42,719

sometimes uh to a wooden area it opens

2527

01:38:45,510 --> 01:38:43,600

up to

2528

01:38:47,109 --> 01:38:45,520

do you see that you're more of a top of

2529

01:38:48,390 --> 01:38:47,119

a hill or a mountain and then you kind

2530

01:38:50,229 --> 01:38:48,400

of see further out

2531

01:38:51,910 --> 01:38:50,239

and it looks you know very beautiful and

2532

01:38:53,590 --> 01:38:51,920

so just generally

2533

01:38:55,350 --> 01:38:53,600

that would be something for me

2534

01:38:56,470 --> 01:38:55,360

personally to start looking into you

2535

01:38:59,750 --> 01:38:56,480

know i always just been more

2536

01:39:03,910 --> 01:38:59,760

concentrated on one way of

2537

01:39:05,830 --> 01:39:03,920

i guess um one way of metaphysical types

2538

01:39:07,109 --> 01:39:05,840

if if that makes sense you know yeah

2539

01:39:09,430 --> 01:39:07,119

that there is i understand what you're

2540

01:39:13,030 --> 01:39:11,830

it's about physically being on the land

2541

01:39:15,830 --> 01:39:13,040

now right with your

2542

01:39:17,510 --> 01:39:15,840

body and the toroidal field of your body

2543

01:39:18,149 --> 01:39:17,520

and the consciousness and intention of

2544

01:39:22,470 --> 01:39:18,159

your body

2545

01:39:22,709 --> 01:39:22,480

on the land it it really uh communicates

2546

01:39:25,350 --> 01:39:22,719

to

2547

01:39:26,310 --> 01:39:25,360

you know the tree trees communicate and

2548

01:39:29,830 --> 01:39:26,320

i know

2549

01:39:34,390 --> 01:39:29,840

that the sasquatch have a very sentient

2550

01:39:37,669 --> 01:39:34,400

way of communicating with animals and

2551

01:39:39,189 --> 01:39:37,679

you know plant and plant life so

2552

01:39:41,270 --> 01:39:39,199

if you're communicating with the plants

2553

01:39:44,390 --> 01:39:41,280

and trees on your property

2554

01:39:46,709 --> 01:39:44,400

you can ask them to right also

2555

01:39:48,229 --> 01:39:46,719

that was one question and i'm hoping i

2556

01:39:51,030 --> 01:39:48,239

think i might have missed it it was

2557

01:39:52,830 --> 01:39:51,040

something about

2558

01:39:54,070 --> 01:39:52,840

somebody asked i don't know if i can go

2559

01:39:57,030 --> 01:39:54,080

back

2560

01:39:57,990 --> 01:39:57,040

or trying to find it now in a timely

2561

01:40:01,270 --> 01:39:58,000

manner

2562

01:40:05,750 --> 01:40:03,030

oh okay i found it perfect this one's

2563

01:40:08,070 --> 01:40:05,760

from cooper young it says

2564

01:40:10,149 --> 01:40:08,080

is there a strong relationship between

2565

01:40:13,189 --> 01:40:10,159

sasquatch and the nature spirits or

2566

01:40:16,709 --> 01:40:13,199

fae oh i

2567

01:40:21,750 --> 01:40:19,830

in the area where i was sent to the

2568

01:40:24,870 --> 01:40:21,760

highlands cashiers area there

2569

01:40:27,590 --> 01:40:24,880

are a lot of little people

2570

01:40:29,590 --> 01:40:27,600

uh evidence of little people um real

2571

01:40:33,030 --> 01:40:29,600

evidence of little people like

2572

01:40:34,470 --> 01:40:33,040

um from the university and so i have

2573

01:40:37,750 --> 01:40:34,480

always felt like uh

2574

01:40:41,350 --> 01:40:37,760

you know the fey or uh little people

2575

01:40:44,390 --> 01:40:41,360

um were a you know

2576

01:40:46,629 --> 01:40:44,400

sentient life with sasquatch uh in the

2577

01:40:49,910 --> 01:40:46,639

same era in time as them

2578

01:40:50,870 --> 01:40:49,920

um they were inner earth beings together

2579

01:40:52,950 --> 01:40:50,880

and

2580

01:40:54,390 --> 01:40:52,960

coming out of the inner earth onto the

2581

01:40:57,590 --> 01:40:54,400

surface of the earth they

2582

01:40:59,990 --> 01:40:57,600

make their way and over the

2583

01:41:01,830 --> 01:41:00,000

you know years they've been able to or

2584

01:41:03,910 --> 01:41:01,840

the centuries they've been able to

2585

01:41:05,189 --> 01:41:03,920

you know find places that they can live

2586

01:41:08,390 --> 01:41:05,199

on top of the

2587

01:41:10,149 --> 01:41:08,400

ground and not be detected um but there

2588

01:41:13,430 --> 01:41:10,159

is a lot of evidence

2589

01:41:16,070 --> 01:41:13,440

um of them in the same area so i i can

2590

01:41:18,870 --> 01:41:16,080

imagine that they would

2591

01:41:19,830 --> 01:41:18,880

right so here's another one-off question

2592

01:41:21,910 --> 01:41:19,840

i guess uh

2593

01:41:23,189 --> 01:41:21,920

i i don't i don't know if we should even

2594

01:41:25,350 --> 01:41:23,199

entertain this

2595

01:41:27,109 --> 01:41:25,360

the the 5d raver i appreciate it but

2596

01:41:27,990 --> 01:41:27,119

sometimes the questions i'm not sure if

2597

01:41:31,030 --> 01:41:28,000

you're being serious

2598

01:41:34,229 --> 01:41:31,040

or really wants to know but

2599

01:41:36,310 --> 01:41:34,239

what the heck just for fun i'll ask it

2600

01:41:38,709 --> 01:41:36,320

it says is that hairy creature in star

2601
01:41:43,910 --> 01:41:38,719
wars the sasquatch

2602
01:41:47,430 --> 01:41:46,790
so the other one is from crypto mojito

2603
01:41:49,910 --> 01:41:47,440
says

2604
01:41:54,709 --> 01:41:49,920
where could one vacation to best

2605
01:42:01,990 --> 01:41:58,870
um you know the pacific northwest

2606
01:42:04,229 --> 01:42:02,000
is uh a hot bed because they're

2607
01:42:05,350 --> 01:42:04,239
they grow huge there we're talking you

2608
01:42:08,950 --> 01:42:05,360
know

2609
01:42:12,950 --> 01:42:08,960
12 16 foot and

2610
01:42:13,270 --> 01:42:12,960
um so you know you pick mount shasta you

2611
01:42:17,189 --> 01:42:13,280
pick

2612
01:42:18,310 --> 01:42:17,199
and you go there there's a real good

2613
01:42:20,550 --> 01:42:18,320

chance you could

2614

01:42:21,990 --> 01:42:20,560

but you could also just pick you know

2615

01:42:23,270 --> 01:42:22,000

right down the road here in north

2616

01:42:26,149 --> 01:42:23,280

carolina

2617

01:42:28,310 --> 01:42:26,159

there's some lakes and marion north

2618

01:42:29,189 --> 01:42:28,320

carolina has a lot they have a festival

2619

01:42:32,310 --> 01:42:29,199

there but they have

2620

01:42:35,430 --> 01:42:32,320

a lot of sightings in the rory uh

2621

01:42:38,629 --> 01:42:35,440

forest the urari forest is

2622

01:42:41,990 --> 01:42:38,639

is huge with activity so

2623

01:42:45,430 --> 01:42:42,000

you can find places that have activity

2624

01:42:48,950 --> 01:42:45,440

um and then go there um

2625

01:42:51,430 --> 01:42:48,960

see how you do just just announce your

2626

01:42:53,189 --> 01:42:51,440

presence before you go right set your

2627

01:42:55,030 --> 01:42:53,199

intention before you go like

2628

01:42:57,109 --> 01:42:55,040

set your itinerary you know like

2629

01:42:57,750 --> 01:42:57,119

sasquatch i'm flying to see you but i

2630

01:42:59,350 --> 01:42:57,760

think that's

2631

01:43:01,350 --> 01:42:59,360

what i'm driving to see right that kind

2632

01:43:04,149 --> 01:43:01,360

of answers the other question

2633

01:43:05,750 --> 01:43:04,159

that was next one coming up says um how

2634

01:43:09,430 --> 01:43:05,760

would you meditate

2635

01:43:12,070 --> 01:43:09,440

communicate with sasquatch and i think

2636

01:43:14,470 --> 01:43:12,080

you just kind of covered that

2637

01:43:16,550 --> 01:43:14,480

yeah yeah i mean if you're meditating it

2638

01:43:18,390 --> 01:43:16,560

would be a little different activity but

2639

01:43:19,830 --> 01:43:18,400

sometimes you can sit and have tea with

2640

01:43:20,390 --> 01:43:19,840

them you know sit and have coffee with

2641

01:43:22,629 --> 01:43:20,400

them and just

2642

01:43:24,709 --> 01:43:22,639

have a discussion just like you could

2643

01:43:29,430 --> 01:43:24,719

with any sentient

2644

01:43:32,870 --> 01:43:29,440

multi-dimensional being or deity

2645

01:43:35,910 --> 01:43:32,880

but to

2646

01:43:38,950 --> 01:43:35,920

communicate at a heart level

2647

01:43:41,990 --> 01:43:38,960

is done through song through

2648

01:43:43,510 --> 01:43:42,000

singing through dance through life

2649

01:43:45,910 --> 01:43:43,520

through creativity

2650

01:43:47,030 --> 01:43:45,920

it's um the communication can happen

2651
01:43:50,390 --> 01:43:47,040
anyway

2652
01:43:50,870 --> 01:43:50,400
um i'll tell you i i was um this happens

2653
01:43:54,149 --> 01:43:50,880
like

2654
01:43:54,870 --> 01:43:54,159
when i paint sasquatch for a long period

2655
01:43:58,470 --> 01:43:54,880
of time

2656
01:44:01,590 --> 01:43:58,480
i'll have communication i painted

2657
01:44:04,470 --> 01:44:01,600
bears recently for a week

2658
01:44:05,030 --> 01:44:04,480
and a bear showed up in my backyard so

2659
01:44:08,790 --> 01:44:05,040
it's like

2660
01:44:09,350 --> 01:44:08,800
the consciousness uh is drawn to your

2661
01:44:11,430 --> 01:44:09,360
consciousness

2662
01:44:12,709 --> 01:44:11,440
well not too not to make light of it

2663
01:44:14,390 --> 01:44:12,719

yeah not to make light of it but it's

2664

01:44:16,470 --> 01:44:14,400

almost similar to when you

2665

01:44:18,950 --> 01:44:16,480

um you know you go and you purchase a

2666

01:44:21,030 --> 01:44:18,960

car and and you didn't necessarily

2667

01:44:22,870 --> 01:44:21,040

see this car on the road that often but

2668

01:44:24,310 --> 01:44:22,880

the second you're with it you have that

2669

01:44:24,790 --> 01:44:24,320

car you bought it it's yours you see

2670

01:44:26,790 --> 01:44:24,800

them all

2671

01:44:28,550 --> 01:44:26,800

everywhere you know it's almost like you

2672

01:44:31,669 --> 01:44:28,560

switch that frequency and now they're

2673

01:44:32,310 --> 01:44:31,679

visible to you wherever you look yeah

2674

01:44:34,950 --> 01:44:32,320

i'm sure there's

2675

01:44:35,669 --> 01:44:34,960

another scientific term for that but i'm

2676

01:44:37,590 --> 01:44:35,679

pretty sure

2677

01:44:39,510 --> 01:44:37,600

yeah most people understand that's

2678

01:44:42,229 --> 01:44:39,520

called sasquatch eyes like

2679

01:44:42,629 --> 01:44:42,239

you only see things through sasquatch

2680

01:44:45,669 --> 01:44:42,639

eyes

2681

01:44:48,790 --> 01:44:45,679

and that's kind of a malady that

2682

01:44:52,149 --> 01:44:48,800

has hit the sasquatch communities

2683

01:44:55,189 --> 01:44:52,159

um and it's a where they can't

2684

01:44:57,510 --> 01:44:55,199

see outside of sasquatch and

2685

01:44:59,430 --> 01:44:57,520

ever they think everything that happens

2686

01:45:00,310 --> 01:44:59,440

in their life is because of sasquatch

2687

01:45:02,550 --> 01:45:00,320

and

2688

01:45:03,910 --> 01:45:02,560

they're kind of limiting uh their own

2689

01:45:06,709 --> 01:45:03,920

soul's progress

2690

01:45:08,550 --> 01:45:06,719

and their own soul's ability by limiting

2691

01:45:11,590 --> 01:45:08,560

themselves just to sasquatch

2692

01:45:13,910 --> 01:45:11,600

right this next question is from

2693

01:45:15,750 --> 01:45:13,920

cooper young saying do certain clans of

2694

01:45:18,629 --> 01:45:15,760

sasquatch have certain

2695

01:45:21,830 --> 01:45:18,639

purposes or designated tasks thank you

2696

01:45:25,270 --> 01:45:21,840

cindy you are a blessing

2697

01:45:26,950 --> 01:45:25,280

um like i think we answered a similar

2698

01:45:30,229 --> 01:45:26,960

question earlier but it is

2699

01:45:33,750 --> 01:45:30,239

like this uh some clans are

2700

01:45:37,910 --> 01:45:33,760

uh here to be loving community

2701

01:45:40,950 --> 01:45:37,920

uh minded beings and then others

2702

01:45:44,229 --> 01:45:40,960

are more like teaching others lessons

2703

01:45:47,350 --> 01:45:44,239

others are communicating on a spiritual

2704

01:45:50,390 --> 01:45:47,360

uh metaphysical level others are

2705

01:45:53,030 --> 01:45:50,400

are communicating leaving footprints

2706

01:45:53,910 --> 01:45:53,040

so it's like every one of them has their

2707

01:45:57,030 --> 01:45:53,920

own

2708

01:45:57,350 --> 01:45:57,040

um interest or ability or they just

2709

01:46:00,470 --> 01:45:57,360

don't

2710

01:46:02,870 --> 01:46:00,480

even want to talk to a human or see one

2711

01:46:04,870 --> 01:46:02,880

i'm gonna not not see one but yeah they

2712

01:46:07,990 --> 01:46:04,880

have all different abilities

2713

01:46:09,109 --> 01:46:08,000

um some i know of a lady in colorado who

2714

01:46:12,470 --> 01:46:09,119

has been taught

2715

01:46:13,430 --> 01:46:12,480

how to disappear and you know i i think

2716

01:46:15,750 --> 01:46:13,440

that if she was

2717

01:46:16,629 --> 01:46:15,760

really uh mindful that she probably

2718

01:46:19,990 --> 01:46:16,639

could

2719

01:46:23,350 --> 01:46:20,000

okay uh this other question is

2720

01:46:26,070 --> 01:46:23,360

from official quantum nova

2721

01:46:29,030 --> 01:46:26,080

asking are the sasquatch community aware

2722

01:46:31,750 --> 01:46:29,040

of that famous patterson gimli video

2723

01:46:32,870 --> 01:46:31,760

that that blurry video of the first

2724

01:46:35,830 --> 01:46:32,880

bigfoot sighting

2725

01:46:36,629 --> 01:46:35,840

and do they know who of their kind was

2726

01:46:42,950 --> 01:46:36,639

it

2727

01:46:44,950 --> 01:46:42,960

was he saying are they yeah are they

2728

01:46:48,709 --> 01:46:44,960

aware of that footage that

2729

01:46:51,830 --> 01:46:48,719

that's kind of um i would say

2730

01:46:54,950 --> 01:46:51,840

that there's a sentence that

2731

01:46:55,990 --> 01:46:54,960

reaches a level of like the sasquatch

2732

01:46:58,310 --> 01:46:56,000

nation

2733

01:47:00,709 --> 01:46:58,320

understanding everything about the

2734

01:47:01,990 --> 01:47:00,719

sasquatch as a humanity

2735

01:47:04,070 --> 01:47:02,000

that doesn't mean that every little

2736

01:47:07,189 --> 01:47:04,080

sasquatch understands

2737

01:47:10,790 --> 01:47:07,199

what their humanity is dealing with

2738

01:47:13,830 --> 01:47:10,800

just like our humans some are you know

2739

01:47:15,510 --> 01:47:13,840

drinking beer and others are like

2740

01:47:17,350 --> 01:47:15,520

looking at the collective consciousness

2741

01:47:19,270 --> 01:47:17,360

so the same thing with uh maybe

2742

01:47:22,229 --> 01:47:19,280

sasquatch elders looking at the

2743

01:47:23,350 --> 01:47:22,239

consciousness of the collective of the

2744

01:47:26,470 --> 01:47:23,360

sasquatch nation

2745

01:47:29,030 --> 01:47:26,480

and what that would be is oh um

2746

01:47:29,669 --> 01:47:29,040

you know we've had a sighting to the

2747

01:47:33,189 --> 01:47:29,679

humans

2748

01:47:34,709 --> 01:47:33,199

that is so large that now the exposure

2749

01:47:36,709 --> 01:47:34,719

is going to grow

2750

01:47:38,149 --> 01:47:36,719

right i'm certain that they understand

2751

01:47:40,709 --> 01:47:38,159

that yeah

2752

01:47:41,270 --> 01:47:40,719

okay you know that would be interesting

2753

01:47:43,270 --> 01:47:41,280

especially

2754

01:47:44,870 --> 01:47:43,280

if you know that they're aware of

2755

01:47:48,310 --> 01:47:44,880

certain things makes you wonder if

2756

01:47:50,390 --> 01:47:48,320

they're aware to that extent

2757

01:47:51,830 --> 01:47:50,400

yeah well there's an awareness and then

2758

01:47:54,629 --> 01:47:51,840

there's a level of care

2759

01:47:56,070 --> 01:47:54,639

like there's so much in our matrix that

2760

01:47:58,870 --> 01:47:56,080

they don't care about

2761

01:48:00,709 --> 01:47:58,880

right that they don't there's no reason

2762

01:48:04,790 --> 01:48:00,719

for them to care

2763

01:48:08,149 --> 01:48:04,800

like governments and politics and

2764

01:48:11,910 --> 01:48:08,159

big pharma you know

2765

01:48:13,669 --> 01:48:11,920

right okay well um cindy what do you

2766

01:48:15,270 --> 01:48:13,679

what do you think we uh kind of come to

2767

01:48:18,229 --> 01:48:15,280

a natural conclusion here

2768

01:48:19,350 --> 01:48:18,239

yeah if you're okay with that and uh

2769

01:48:22,070 --> 01:48:19,360

yeah i think so i think

2770

01:48:24,149 --> 01:48:22,080

we we got a huge variety of questions

2771

01:48:27,430 --> 01:48:24,159

answered i think it worked out great

2772

01:48:29,350 --> 01:48:27,440

i've just um towards the end here

2773

01:48:31,189 --> 01:48:29,360

the screen kept shifting bigger larger

2774

01:48:33,510 --> 01:48:31,199

but that's not that big of a deal

2775

01:48:35,510 --> 01:48:33,520

it was just something i noticed uh skype

2776

01:48:36,390 --> 01:48:35,520

did that to another guest of mine before

2777

01:48:37,990 --> 01:48:36,400

and but it

2778

01:48:39,350 --> 01:48:38,000

but i'm glad you you were able to say

2779

01:48:39,910 --> 01:48:39,360

what you needed to say because i felt

2780

01:48:41,910 --> 01:48:39,920

bad

2781

01:48:43,510 --> 01:48:41,920

you know i was like why you know because

2782

01:48:45,030 --> 01:48:43,520

you were literally the first one i was

2783

01:48:46,870 --> 01:48:45,040

like i'm really sorry i have a pretty

2784

01:48:49,270 --> 01:48:46,880

good connection here it's close to

2785

01:48:51,109 --> 01:48:49,280

gigabyte connection and so i shouldn't

2786

01:48:52,470 --> 01:48:51,119

have any issues having your signal come

2787

01:48:54,629 --> 01:48:52,480

in and then taking my

2788

01:48:55,590 --> 01:48:54,639

camera like this and then all sending it

2789

01:48:58,310 --> 01:48:55,600

out so

2790

01:48:59,590 --> 01:48:58,320

what's the problem so but yeah it's

2791

01:49:02,790 --> 01:48:59,600

called infiltration

2792

01:49:04,950 --> 01:49:02,800

right it's called shut up um

2793

01:49:06,709 --> 01:49:04,960

but what i was going to say is that i do

2794

01:49:09,510 --> 01:49:06,719

spiritual counseling

2795

01:49:10,709 --> 01:49:09,520

so if people want to contact me and talk

2796

01:49:13,030 --> 01:49:10,719

about their sasquatch

2797

01:49:13,990 --> 01:49:13,040

encounter or how they would approach

2798

01:49:16,950 --> 01:49:14,000

them or what's happening

2799

01:49:18,790 --> 01:49:16,960

on their land i really enjoyed those uh

2800

01:49:22,390 --> 01:49:18,800

conversations with people

2801

01:49:26,470 --> 01:49:22,400

um i go much deeper than that i'm into

2802

01:49:29,750 --> 01:49:26,480

quantum physics and i understand

2803

01:49:33,109 --> 01:49:29,760

uh people's uh

2804

01:49:34,390 --> 01:49:33,119

time frames their timelines and the node

2805

01:49:37,750 --> 01:49:34,400

points that create

2806

01:49:40,870 --> 01:49:37,760

these opportunities for them for change

2807

01:49:44,149 --> 01:49:40,880

or opportunity for uh acceleration

2808

01:49:47,109 --> 01:49:44,159

into what their truth might be so if you

2809

01:49:49,830 --> 01:49:47,119

wanted to contact me just email me

2810

01:49:50,390 --> 01:49:49,840

also i'm also offering that template of

2811

01:49:53,910 --> 01:49:50,400

grace

2812

01:49:56,070 --> 01:49:53,920

meditation series for free for

2813

01:49:57,430 --> 01:49:56,080

the people that are viewing this and all

2814

01:49:58,390 --> 01:49:57,440

you'd have to do is email me at

2815

01:50:01,990 --> 01:49:58,400

knowingdoe

2816

01:50:04,629 --> 01:50:02,000

yahoo.com which is below

2817

01:50:05,030 --> 01:50:04,639

and i will get that template out to you

2818

01:50:08,550 --> 01:50:05,040

it's a

2819

01:50:11,430 --> 01:50:08,560

it's 11 day activation of grace it's

2820

01:50:13,350 --> 01:50:11,440

very powerful also but if if you're

2821

01:50:14,070 --> 01:50:13,360

willing to contact me for those things

2822

01:50:17,030 --> 01:50:14,080

i'm i'm

2823

01:50:19,510 --> 01:50:17,040

currently not doing energy healing um

2824

01:50:22,950 --> 01:50:19,520

kind of conserving my energy for myself

2825

01:50:25,669 --> 01:50:22,960

right now uh but i am open for

2826

01:50:26,550 --> 01:50:25,679

uh spiritual consultants and the site

2827

01:50:29,350 --> 01:50:26,560

that you have

2828

01:50:30,149 --> 01:50:29,360

with your art how does that is that just

2829

01:50:32,390 --> 01:50:30,159

you know i guess

2830

01:50:33,189 --> 01:50:32,400

uh do you go about it like every artist

2831

01:50:35,189 --> 01:50:33,199

does to where

2832

01:50:36,830 --> 01:50:35,199

whatever inspires you that's what you'll

2833

01:50:38,870 --> 01:50:36,840

what you'll paint or was there more

2834

01:50:41,430 --> 01:50:38,880

specific reasons

2835

01:50:41,910 --> 01:50:41,440

actually when i first started painting i

2836

01:50:45,830 --> 01:50:41,920

was

2837

01:50:47,510 --> 01:50:45,840

um being given uh these beings that

2838

01:50:49,669 --> 01:50:47,520

started coming into my mind

2839

01:50:51,350 --> 01:50:49,679

and they were from this area called the

2840

01:50:53,510 --> 01:50:51,360

cosmic pools

2841

01:50:54,950 --> 01:50:53,520

and they were kind of an angelic version

2842

01:50:57,109 --> 01:50:54,960

of nature

2843

01:50:58,709 --> 01:50:57,119

so i was seeing these heightened and

2844

01:51:01,910 --> 01:50:58,719

vibrational color

2845

01:51:06,070 --> 01:51:01,920

schemes around a fox or

2846

01:51:09,510 --> 01:51:06,080

uh or a dove or a bird

2847

01:51:13,430 --> 01:51:09,520

and so i was painting these uh deer and

2848

01:51:16,390 --> 01:51:13,440

bear and everything and um so that's

2849

01:51:17,830 --> 01:51:16,400

i i end up connecting with them before i

2850

01:51:20,070 --> 01:51:17,840

start painting and

2851

01:51:21,669 --> 01:51:20,080

um sometimes i have no idea what's going

2852

01:51:22,950 --> 01:51:21,679

to come out but i've been painting

2853

01:51:26,149 --> 01:51:22,960

sasquatch and dogman

2854

01:51:26,790 --> 01:51:26,159

and other things and so i have a website

2855

01:51:28,790 --> 01:51:26,800

there

2856

01:51:30,870 --> 01:51:28,800

that but most of it's on my facebook

2857

01:51:32,390 --> 01:51:30,880

page i just put them up there i do have

2858

01:51:35,750 --> 01:51:32,400

them in a gallery

2859

01:51:38,870 --> 01:51:35,760

in asheville um some of my painting

2860

01:51:41,109 --> 01:51:38,880

bigger paintings i do some large ones

2861

01:51:42,950 --> 01:51:41,119

okay thank you for asking that's that's

2862

01:51:45,030 --> 01:51:42,960

really my love my joy if i could just

2863

01:51:46,629 --> 01:51:45,040

paint all day i would be happy but

2864

01:51:48,470 --> 01:51:46,639

you know there's some service i have to

2865

01:51:50,070 --> 01:51:48,480

do too yeah all the links of course are

2866

01:51:53,510 --> 01:51:50,080

in the the description

2867

01:51:55,830 --> 01:51:53,520

description below um cindy uh

2868

01:51:57,830 --> 01:51:55,840

i wanted to i know we were closing up

2869

01:52:00,390 --> 01:51:57,840

but there were

2870

01:52:02,229 --> 01:52:00,400

three questions that came up and others

2871

01:52:04,550 --> 01:52:02,239

were referencing to another question

2872

01:52:05,910 --> 01:52:04,560

asking is it possible to to answer it i

2873

01:52:07,430 --> 01:52:05,920

wanted to ask if i could

2874

01:52:08,950 --> 01:52:07,440

just those three and then we'll make

2875

01:52:12,229 --> 01:52:08,960

that be it for sure

2876

01:52:16,070 --> 01:52:12,239

um so one here is from um

2877

01:52:18,629 --> 01:52:16,080

from abc again uh which was it says what

2878

01:52:20,149 --> 01:52:18,639

impact will deforestation have on the

2879

01:52:23,910 --> 01:52:20,159

sasquatch community

2880

01:52:25,990 --> 01:52:23,920

and do they ever communicate about this

2881

01:52:27,430 --> 01:52:26,000

well they communicate about this

2882

01:52:29,350 --> 01:52:27,440

probably primarily over

2883

01:52:31,430 --> 01:52:29,360

everything else that i've ever had

2884

01:52:33,669 --> 01:52:31,440

anytime there is a sasquatch

2885

01:52:35,030 --> 01:52:33,679

incident it's usually about

2886

01:52:38,390 --> 01:52:35,040

deforestation

2887

01:52:39,030 --> 01:52:38,400

uh or taking down of trees um there have

2888

01:52:42,550 --> 01:52:39,040

been some

2889

01:52:45,990 --> 01:52:42,560

pretty awkward um

2890

01:52:48,229 --> 01:52:46,000

incidents of whole whole clans

2891

01:52:50,390 --> 01:52:48,239

that had to leave sacred areas like i

2892

01:52:53,910 --> 01:52:50,400

was mentioning before in connecticut

2893

01:52:57,270 --> 01:52:53,920

uh because of deforest deforestation uh

2894

01:52:59,830 --> 01:52:57,280

that and encroaching um development

2895

01:53:00,629 --> 01:52:59,840

so this is going to be a continual issue

2896

01:53:04,070 --> 01:53:00,639

and

2897

01:53:06,870 --> 01:53:04,080

um i believe that the

2898

01:53:07,750 --> 01:53:06,880

abilities of the sasquatch will probably

2899

01:53:10,950 --> 01:53:07,760

enhance

2900

01:53:13,990 --> 01:53:10,960

so that they can move about the earth uh

2901

01:53:17,189 --> 01:53:14,000

a little more unencumbered and

2902

01:53:19,510 --> 01:53:17,199

keep himself a little safer

2903

01:53:20,790 --> 01:53:19,520

but i think that we're coming upon a

2904

01:53:22,709 --> 01:53:20,800

time where

2905

01:53:25,109 --> 01:53:22,719

there's going to be a neutral energy

2906

01:53:28,709 --> 01:53:25,119

that we can all work with

2907

01:53:32,709 --> 01:53:28,719

to connect with them and it not be

2908

01:53:35,350 --> 01:53:32,719

such a skew of frequency you know

2909

01:53:37,030 --> 01:53:35,360

okay and i'm trying to cover some that

2910

01:53:38,310 --> 01:53:37,040

have not that are just new to the

2911

01:53:40,470 --> 01:53:38,320

channel because i want to give them that

2912

01:53:42,629 --> 01:53:40,480

opportunity to have a chance to ask

2913

01:53:43,990 --> 01:53:42,639

and if someone already had asked it i'm

2914

01:53:48,070 --> 01:53:44,000

sorry i might not

2915

01:53:51,589 --> 01:53:48,080

ask you a question but this one is from

2916

01:53:54,470 --> 01:53:51,599

uh tana

2917

01:53:55,430 --> 01:53:54,480

khalid keldit and says in a face-to-face

2918

01:54:01,589 --> 01:53:55,440

encounter

2919

01:54:08,629 --> 01:54:04,870

uh no i have not heard that that is

2920

01:54:11,270 --> 01:54:08,639

um disrespectful you will know

2921

01:54:12,470 --> 01:54:11,280

you'll know uh immediately if this is

2922

01:54:15,750 --> 01:54:12,480

something that is

2923

01:54:19,030 --> 01:54:15,760

warranted uh is wanted by

2924

01:54:22,390 --> 01:54:19,040

them or not um they can produce

2925

01:54:25,830 --> 01:54:22,400

an energy from their being that is

2926

01:54:29,669 --> 01:54:25,840

um volatile

2927

01:54:33,430 --> 01:54:29,679

and disruptive to your being and

2928

01:54:34,470 --> 01:54:33,440

so uh i think that would happen before

2929

01:54:40,629 --> 01:54:34,480

the

2930

01:54:41,910 --> 01:54:40,639

i i don't think that that is an issue

2931

01:54:45,030 --> 01:54:41,920

and

2932

01:54:45,669 --> 01:54:45,040

i i don't yeah but all these great

2933

01:54:47,990 --> 01:54:45,679

questions

2934

01:54:50,790 --> 01:54:48,000

you know come in now when it's when it's

2935

01:54:52,229 --> 01:54:50,800

time to go okay

2936

01:54:54,550 --> 01:54:52,239

well there was one that actually i'm

2937

01:54:58,390 --> 01:54:54,560

interested in and it was you know uh

2938

01:55:00,629 --> 01:54:58,400

uh i guess the 5d ravers is is asking

2939

01:55:02,950 --> 01:55:00,639

you know something that's that i know

2940

01:55:05,990 --> 01:55:02,960

he's not making a joke out of it says

2941

01:55:12,870 --> 01:55:09,589

what do they eat well i know we have

2942

01:55:16,790 --> 01:55:12,880

you know seen and heard witness of them

2943

01:55:19,589 --> 01:55:16,800

eating deer um rabbit

2944

01:55:20,470 --> 01:55:19,599

but a lot of fruit and a lot of uh

2945

01:55:23,990 --> 01:55:20,480

vegetable

2946

01:55:28,310 --> 01:55:24,000

like you know from wherever

2947

01:55:31,990 --> 01:55:28,320

so um we've seen them in apple trees

2948

01:55:33,510 --> 01:55:32,000

and pear trees and stealing corn out of

2949

01:55:36,790 --> 01:55:33,520

fields and

2950

01:55:40,229 --> 01:55:36,800

you know mushrooms out of fields

2951

01:55:43,430 --> 01:55:40,239

herbs out of herb gardens but

2952

01:55:45,270 --> 01:55:43,440

i don't i think they have a pretty clean

2953

01:55:45,990 --> 01:55:45,280

standard diet but you know they'll eat

2954

01:55:49,189 --> 01:55:46,000

power bars

2955

01:55:51,510 --> 01:55:49,199

and candy bars and stuff too oh wow okay

2956

01:55:53,109 --> 01:55:51,520

i guess yeah well i mean in a way it's

2957

01:55:55,109 --> 01:55:53,119

it shows that um

2958

01:55:57,430 --> 01:55:55,119

you know kind of um there's always been

2959

01:55:58,629 --> 01:55:57,440

this constant fight between veganism and

2960

01:56:00,709 --> 01:55:58,639

meat eaters and

2961

01:56:02,550 --> 01:56:00,719

that one is supposed to be more more

2962

01:56:04,870 --> 01:56:02,560

advanced more enlightened but

2963

01:56:06,550 --> 01:56:04,880

it shows that when you have such um you

2964

01:56:08,790 --> 01:56:06,560

know delicate beings

2965

01:56:10,950 --> 01:56:08,800

you know and and be that that advance

2966

01:56:13,189 --> 01:56:10,960

and still eat meat that it's

2967

01:56:14,870 --> 01:56:13,199

more about where you come from and not

2968

01:56:16,550 --> 01:56:14,880

exactly what it is that you consume does

2969

01:56:18,709 --> 01:56:16,560

not always have to be looked at some

2970

01:56:19,589 --> 01:56:18,719

negative because at the end of the day i

2971

01:56:21,910 --> 01:56:19,599

mean

2972

01:56:23,510 --> 01:56:21,920

a mushroom is alive too that you ended

2973

01:56:25,189 --> 01:56:23,520

you know that you consumed

2974

01:56:27,430 --> 01:56:25,199

you know just because everything has

2975

01:56:28,790 --> 01:56:27,440

consciousness right every single thing

2976

01:56:30,870 --> 01:56:28,800

has consciousness so

2977

01:56:32,149 --> 01:56:30,880

you know you're eating grass that grass

2978

01:56:38,870 --> 01:56:32,159

has consciousness

2979

01:56:41,270 --> 01:56:38,880

right right okay so last one then um

2980

01:56:42,470 --> 01:56:41,280

this one it's basically just people that

2981

01:56:46,390 --> 01:56:42,480

are new so i would like to

2982

01:56:50,229 --> 01:56:46,400

you know have this you know

2983

01:56:53,589 --> 01:56:50,239

put out there for them so lightning

2984

01:56:59,189 --> 01:56:53,599

will i am robin that's the name um

2985

01:57:05,830 --> 01:57:02,310

oh very interesting

2986

01:57:09,990 --> 01:57:05,840

i bet that they don't take

2987

01:57:12,070 --> 01:57:10,000

any [h__h] i just i just have that feeling

2988

01:57:13,510 --> 01:57:12,080

you know that there are humans on the

2989

01:57:15,350 --> 01:57:13,520

earth that don't take any [h__h] from

2990

01:57:17,669 --> 01:57:15,360

reptilians so like i can imagine that

2991

01:57:19,030 --> 01:57:17,679

sasquatch wouldn't either

2992

01:57:20,310 --> 01:57:19,040

because you know they i think they have

2993

01:57:21,189 --> 01:57:20,320

their own command of their own

2994

01:57:24,310 --> 01:57:21,199

dimensions

2995

01:57:28,790 --> 01:57:24,320

and i think they're really

2996

01:57:32,149 --> 01:57:28,800

almost like angelic on the cosmic plane

2997

01:57:35,910 --> 01:57:32,159

and reptilians are very low vibrating

2998

01:57:39,189 --> 01:57:35,920

and they don't have souls so

2999

01:57:42,629 --> 01:57:39,199

okay all right well so as we

3000

01:57:45,189 --> 01:57:42,639

were covering a bit earlier uh regarding

3001
01:57:46,950 --> 01:57:45,199
the different websites please check out

3002
01:57:47,589 --> 01:57:46,960
some of the websites that cindy has to

3003
01:57:50,709 --> 01:57:47,599
offer

3004
01:57:52,390 --> 01:57:50,719
and uh you know i hope at least some

3005
01:57:53,910 --> 01:57:52,400
follow-up questions that you didn't get

3006
01:57:56,149 --> 01:57:53,920
to ask i'm sure you can

3007
01:57:57,350 --> 01:57:56,159
contact sydney and if you have some time

3008
01:58:00,310 --> 01:57:57,360
she'll get back to you

3009
01:58:00,790 --> 01:58:00,320
so um cindy thank you very much again

3010
01:58:02,950 --> 01:58:00,800
and

3011
01:58:04,149 --> 01:58:02,960
i hope we can do this again sometime in

3012
01:58:06,870 --> 01:58:04,159
the future i'm glad we

3013
01:58:08,390 --> 01:58:06,880

we made up this time for the previous

3014

01:58:08,870 --> 01:58:08,400

interruptions but i think everything

3015

01:58:11,189 --> 01:58:08,880

went

3016

01:58:12,709 --> 01:58:11,199

a lot better knock on wood and you know

3017

01:58:14,790 --> 01:58:12,719

because i was telling you on the phone

3018

01:58:15,990 --> 01:58:14,800

jokingly too you know i was saying i'll

3019

01:58:19,270 --> 01:58:16,000

tell my guys to tell

3020

01:58:21,189 --> 01:58:19,280

those guys to quit it you know yeah

3021

01:58:23,430 --> 01:58:21,199

whatever it is let's have a look have a

3022

01:58:25,669 --> 01:58:23,440

calm right whatever was going on

3023

01:58:26,870 --> 01:58:25,679

so i do i enjoyed it i appreciate it you

3024

01:58:28,790 --> 01:58:26,880

know and and i know

3025

01:58:30,310 --> 01:58:28,800

uh you know i guess maybe because i'm

3026

01:58:31,510 --> 01:58:30,320

finally switched up to something new

3027

01:58:33,430 --> 01:58:31,520

other than ufos

3028

01:58:34,870 --> 01:58:33,440

it's been more receptive people wanting

3029

01:58:37,589 --> 01:58:34,880

to hear from you and

3030

01:58:39,030 --> 01:58:37,599

and are interacting more in and chat and

3031

01:58:40,070 --> 01:58:39,040

then of course the questions that come

3032

01:58:41,030 --> 01:58:40,080

in after so

3033

01:58:42,709 --> 01:58:41,040

you know it's it's something that

3034

01:58:43,669 --> 01:58:42,719

sparked people's interest so i'm glad i

3035

01:58:46,550 --> 01:58:43,679

had you on

3036

01:58:47,270 --> 01:58:46,560

yeah that's great you know anything we

3037

01:58:49,109 --> 01:58:47,280

can do to

3038

01:58:51,669 --> 01:58:49,119

pass on the message that the sasquatch

3039

01:58:52,470 --> 01:58:51,679

are a sentient kind community right

3040

01:58:55,990 --> 01:58:52,480

right

3041

01:58:58,070 --> 01:58:56,000

is well um so everyone watching

3042

01:58:59,270 --> 01:58:58,080

thank you very much cindy thank you

3043

01:59:01,430 --> 01:58:59,280

again and

3044

01:59:03,109 --> 01:59:01,440

i'll chat with you in a bit but for

3045

01:59:04,550 --> 01:59:03,119

those of you who've logged in today i

3046

01:59:05,910 --> 01:59:04,560

appreciate you spending your time with

3047

01:59:08,790 --> 01:59:05,920

us

3048

01:59:10,550 --> 01:59:08,800

next week i will please pay close

3049

01:59:13,109 --> 01:59:10,560

attention to the community tab

3050

01:59:14,790 --> 01:59:13,119

under the ufo hub channel because that's

3051
01:59:15,270 --> 01:59:14,800
where i will be posting whether or not

3052
01:59:18,550 --> 01:59:15,280
i'll be

3053
01:59:21,669 --> 01:59:18,560
canceling any kind of open lines or

3054
01:59:23,669 --> 01:59:21,679
interviews for that week because it's

3055
01:59:25,990 --> 01:59:23,679
really getting to the final stages and

3056
01:59:28,390 --> 01:59:26,000
due dates for the baby so

3057
01:59:30,550 --> 01:59:28,400
i'm wanting to see if it happens i'll

3058
01:59:33,109 --> 01:59:30,560
take off for the week and then we'll

3059
01:59:34,070 --> 01:59:33,119
we'll resume the week after so look out

3060
01:59:35,589 --> 01:59:34,080
for that

3061
01:59:37,270 --> 01:59:35,599
again as i mentioned check out the

3062
01:59:41,030 --> 01:59:37,280
different websites for cindy

3063
01:59:44,149 --> 01:59:41,040

and give her you know

3064

01:59:44,470 --> 01:59:44,159

a patron decides and cindy again thank

3065

01:59:47,109 --> 01:59:44,480

you
