Leave

1
00:01:52,830 --> 00:00:27,130
[Music]

2
00:01:52,840 --> 00:02:16,900
food

3
00:02:16,910 --> 00:03:02,830
[Music]

4
00:03:02,840 --> 00:03:11,930
so

5
00:03:11,940 --> 00:03:49,750
[Music]

6
00:03:52,949 --> 00:03:51,830
hey everyone welcome to geoff hub

7
00:03:55,030 --> 00:03:52,959
livestream and

8
00:03:57,030 --> 00:03:55,040
i'm back i know it's been at least two

9
00:03:59,270 --> 00:03:57,040
weeks but today is open lines and i'm

10
00:04:02,070 --> 00:03:59,280
hoping to talk to some of you today

11
00:04:02,869 --> 00:04:02,080
so uh let me cover a few things i got a

12
00:04:04,949 --> 00:04:02,879
list going

13
00:04:06,390 --> 00:04:04,959

i wanted to cover it quite a bit and uh

14

00:04:09,190 --> 00:04:06,400

don't want to forget about it

15

00:04:10,949 --> 00:04:09,200

so first things first um welcome back

16

00:04:13,990 --> 00:04:10,959

good to see some of you or

17

00:04:15,990 --> 00:04:14,000

vice versa but if you would like to

18

00:04:17,749 --> 00:04:16,000

chat with me please download the

19

00:04:20,870 --> 00:04:17,759

telegram app on your phone

20

00:04:22,790 --> 00:04:20,880

or on your computer and uh simply uh

21

00:04:24,550 --> 00:04:22,800

find the ufo hub group

22

00:04:26,950 --> 00:04:24,560

the link is also in this description

23

00:04:28,469 --> 00:04:26,960

below but whichever video you happen to

24

00:04:30,230 --> 00:04:28,479

watch and

25

00:04:32,550 --> 00:04:30,240

you can just join the group join the

26

00:04:33,350 --> 00:04:32,560

chat and you'll be able to directly talk

27

00:04:36,790 --> 00:04:33,360

to me

28

00:04:40,390 --> 00:04:36,800

so also tonight uh looks like

29

00:04:43,270 --> 00:04:40,400

uh we're streaming on youtube facebook

30

00:04:44,790 --> 00:04:43,280

and twitch all three platforms i know

31

00:04:46,390 --> 00:04:44,800

that was one of

32

00:04:48,550 --> 00:04:46,400

the things that i was working on for the

33

00:04:50,469 --> 00:04:48,560

past two weeks as some of you know

34

00:04:52,150 --> 00:04:50,479

my daughter adeline was born about two

35

00:04:54,950 --> 00:04:52,160

weeks ago so that was

36

00:04:55,430 --> 00:04:54,960

my main focus and precedence after that

37

00:04:57,270 --> 00:04:55,440

when

38

00:04:59,189 --> 00:04:57,280

she kind of got her own own little

39

00:05:00,629 --> 00:04:59,199

rhythm i figured i could maybe work on

40

00:05:04,150 --> 00:05:00,639

these things

41

00:05:05,270 --> 00:05:04,160

also moving on in the future um i know

42

00:05:07,590 --> 00:05:05,280

i've had some

43

00:05:09,110 --> 00:05:07,600

issues while i was testing my system

44

00:05:11,189 --> 00:05:09,120

kept crashing it seems like uh

45

00:05:13,029 --> 00:05:11,199

that the problem was resolved i was

46

00:05:15,430 --> 00:05:13,039

trying to make it so that

47

00:05:17,590 --> 00:05:15,440

whenever i have a guest on on skype you

48

00:05:20,150 --> 00:05:17,600

can directly talk to them

49

00:05:22,310 --> 00:05:20,160

over telegram and hear the answer back

50

00:05:24,230 --> 00:05:22,320

so that way i can also read the

51
00:05:25,909 --> 00:05:24,240
questions off from the from the

52
00:05:28,150 --> 00:05:25,919
different chats are coming in

53
00:05:29,029 --> 00:05:28,160
or you can directly speak to the person

54
00:05:30,870 --> 00:05:29,039
if you like

55
00:05:32,710 --> 00:05:30,880
so i wanted to just have that ability

56
00:05:34,710 --> 00:05:32,720
have that option in there and uh

57
00:05:38,310 --> 00:05:34,720
thankfully knock on wood to look like

58
00:05:40,870 --> 00:05:38,320
it worked out so um

59
00:05:41,590 --> 00:05:40,880
all right got that covered let's uh yeah

60
00:05:44,150 --> 00:05:41,600
also

61
00:05:45,510 --> 00:05:44,160
wanted to make sure to thank my brother

62
00:05:48,150 --> 00:05:45,520
and my sister-in-law

63
00:05:49,909 --> 00:05:48,160

uh without them i don't know that i

64

00:05:52,870 --> 00:05:49,919

would have been able to do this because

65

00:05:54,150 --> 00:05:52,880

they uh graciously were on skype acting

66

00:05:57,350 --> 00:05:54,160

as a guest for me

67

00:05:59,830 --> 00:05:57,360

for several hours maybe you know at

68

00:06:00,950 --> 00:05:59,840

a time two to three hours uh sometimes

69

00:06:02,790 --> 00:06:00,960

we cut it shorter

70

00:06:04,390 --> 00:06:02,800

but they were there to help me test and

71

00:06:07,430 --> 00:06:04,400

my wife was on telegram

72

00:06:08,870 --> 00:06:07,440

kind of acting like you know as a person

73

00:06:11,110 --> 00:06:08,880

watching or wanting to ask

74

00:06:12,230 --> 00:06:11,120

ask a question while i was basically

75

00:06:14,469 --> 00:06:12,240

going through all the

76

00:06:15,749 --> 00:06:14,479

issues and crashes and whatever else i

77

00:06:17,590 --> 00:06:15,759

needed to work out so

78

00:06:19,270 --> 00:06:17,600

i want to thank them both and thank my

79

00:06:21,029 --> 00:06:19,280

wife as well we kept

80

00:06:22,710 --> 00:06:21,039

hearing the baby in the background but

81

00:06:23,430 --> 00:06:22,720

it didn't matter it was just for testing

82

00:06:26,790 --> 00:06:23,440

purposes

83

00:06:29,029 --> 00:06:26,800

so i hope everything else

84

00:06:30,230 --> 00:06:29,039

goes fine for for the rest of the stream

85

00:06:33,270 --> 00:06:30,240

if something happens

86

00:06:35,029 --> 00:06:33,280

and you know i go offline of course i'll

87

00:06:37,510 --> 00:06:35,039

try to come back

88

00:06:38,390 --> 00:06:37,520

so the other things that i wanted to

89

00:06:41,510 --> 00:06:38,400

cover

90

00:06:42,550 --> 00:06:41,520

is basically um where's the report i

91

00:06:45,270 --> 00:06:42,560

know we've been

92

00:06:46,710 --> 00:06:45,280

uh kind of talking about it or some

93

00:06:47,990 --> 00:06:46,720

people in chat have been mentioning it

94

00:06:51,350 --> 00:06:48,000

that it's coming it was supposed

95

00:06:53,830 --> 00:06:51,360

to be june 1st but then it was delayed

96

00:06:54,469 --> 00:06:53,840

and i don't know where they are right

97

00:06:57,110 --> 00:06:54,479

now

98

00:06:57,749 --> 00:06:57,120

so um there was some an interesting

99

00:07:00,950 --> 00:06:57,759

video

100

00:07:03,430 --> 00:07:00,960

that was um that was

101
00:07:05,510 --> 00:07:03,440
recorded from the pentagon i will show

102
00:07:08,150 --> 00:07:05,520
you this in a bit

103
00:07:09,350 --> 00:07:08,160
regarding um very interesting question

104
00:07:12,070 --> 00:07:09,360
this person asked

105
00:07:13,990 --> 00:07:12,080
and uh then there's uh there's been i

106
00:07:17,029 --> 00:07:14,000
guess it's old news for you guys now

107
00:07:18,150 --> 00:07:17,039
which is the ufo that kind of was

108
00:07:20,950 --> 00:07:18,160
hovering

109
00:07:22,070 --> 00:07:20,960
above the water and then um disappeared

110
00:07:23,990 --> 00:07:22,080
into the water and

111
00:07:25,589 --> 00:07:24,000
the navy went out to try to find it and

112
00:07:28,550 --> 00:07:25,599
couldn't that was also

113
00:07:29,430 --> 00:07:28,560

uh published on on jeremy corbell's

114

00:07:35,749 --> 00:07:29,440

website

115

00:07:39,510 --> 00:07:37,589

and i want to play that to you so i

116

00:07:40,230 --> 00:07:39,520

understand this is all news for some of

117

00:07:42,230 --> 00:07:40,240

you but

118

00:07:46,150 --> 00:07:42,240

uh those that haven't seen it yet it

119

00:07:50,309 --> 00:07:48,390

and so this was the the footage that it

120

00:07:53,670 --> 00:07:50,319

seems to be a recording

121

00:07:57,029 --> 00:07:53,680

of a screen wherever this was

122

00:07:59,430 --> 00:07:57,039

initially recorded from and then sent to

123

00:08:22,950 --> 00:07:59,440

jeremy i would assume but yeah here's

124

00:08:30,309 --> 00:08:25,990

frank omaha picnic kid rafael peralta

125

00:08:33,829 --> 00:08:30,319

ability to launch hilo asap

126
00:08:36,870 --> 00:08:33,839
splashing and bearing you got your wings

127
00:08:50,790 --> 00:08:36,880
keep going bro we're making sense we

128
00:08:58,389 --> 00:08:54,710
yeah we have uh 31 knots sustained wind

129
00:09:03,430 --> 00:08:58,399
topside august 40

130
00:09:10,310 --> 00:09:08,550
okay so there was that

131
00:09:12,070 --> 00:09:10,320
came out a while back so the background

132
00:09:15,030 --> 00:09:12,080
says this footage was

133
00:09:15,750 --> 00:09:15,040
filmed in the cic combat information

134
00:09:20,389 --> 00:09:15,760
center

135
00:09:23,509 --> 00:09:20,399
of the uss omaha on july 15 2019

136
00:09:27,190 --> 00:09:23,519
in a warning area of san diego

137
00:09:28,550 --> 00:09:27,200
this footage depicts a uap event series

138
00:09:31,670 --> 00:09:28,560

that

139

00:09:35,269 --> 00:09:31,680

reach a crescendo crescendo with

140

00:09:36,550 --> 00:09:35,279

one of the unknown targets entering the

141

00:09:39,509 --> 00:09:36,560

water

142

00:09:40,870 --> 00:09:39,519

um no wreckage found none of the unknown

143

00:09:43,750 --> 00:09:40,880

craft were recovered

144

00:09:44,470 --> 00:09:43,760

so that's a low background info so i

145

00:09:47,190 --> 00:09:44,480

want to

146

00:09:48,310 --> 00:09:47,200

talk about this too later on but i

147

00:09:51,030 --> 00:09:48,320

wanted to show you

148

00:09:51,910 --> 00:09:51,040

show you that for now and then of course

149

00:09:54,790 --> 00:09:51,920

um

150

00:09:55,990 --> 00:09:54,800

this is this was uh i apologize i don't

151
00:09:57,590 --> 00:09:56,000
have the dates i was

152
00:09:59,350 --> 00:09:57,600
trying to set up a whole bunch of stuff

153
00:10:02,470 --> 00:09:59,360
but this was not that long ago

154
00:10:05,750 --> 00:10:02,480
you can easily look it up and this was a

155
00:10:07,750 --> 00:10:05,760
recording um during the the press

156
00:10:10,069 --> 00:10:07,760
briefing at the pentagon and

157
00:10:15,750 --> 00:10:10,079
um i'll talk a little bit about it after

158
00:10:15,760 --> 00:10:19,190
uh jeff

159
00:10:22,870 --> 00:10:22,389
hey john happy birthday uh there's no

160
00:10:25,190 --> 00:10:22,880
way

161
00:10:27,030 --> 00:10:25,200
that i can like sugarcoat this the i was

162
00:10:29,269 --> 00:10:27,040
talking to a gentleman about the uap

163
00:10:31,430 --> 00:10:29,279

report and he contends the pentagon has

164

00:10:33,269 --> 00:10:31,440

alien bodies and crafts

165

00:10:35,430 --> 00:10:33,279

so i just wanted to run this past you is

166

00:10:38,150 --> 00:10:35,440

this does dod have these things and if

167

00:10:38,160 --> 00:10:41,350

uh jeff the

168

00:10:47,910 --> 00:10:44,389

the uap task force is really

169

00:10:50,389 --> 00:10:47,920

designed to uh to take a look at these

170

00:10:51,190 --> 00:10:50,399

unexplained aerial phenomena try to help

171

00:10:53,829 --> 00:10:51,200

us

172

00:10:55,829 --> 00:10:53,839

uh get a better understanding of them

173

00:10:58,310 --> 00:10:55,839

again i'm not going to get ahead of the

174

00:11:00,630 --> 00:10:58,320

uh of the report that the dni will

175

00:11:04,150 --> 00:11:00,640

submit that we are helping obviously

176

00:11:05,990 --> 00:11:04,160

and providing input to um and uh

177

00:11:09,910 --> 00:11:06,000

i think i'll just i'll just leave it at

178

00:11:12,949 --> 00:11:12,230

so anyway i thought that was interesting

179

00:11:15,110 --> 00:11:12,959

of course

180

00:11:17,350 --> 00:11:15,120

um in the past the government has always

181

00:11:18,630 --> 00:11:17,360

played these games about uh you know no

182

00:11:20,150 --> 00:11:18,640

comment or

183

00:11:22,550 --> 00:11:20,160

um you know they're no threat or

184

00:11:24,470 --> 00:11:22,560

whatever this could be nothing

185

00:11:26,470 --> 00:11:24,480

this is you know this could just be them

186

00:11:27,990 --> 00:11:26,480

not wanting to get ahead of this report

187

00:11:31,430 --> 00:11:28,000

and even the report itself

188

00:11:33,750 --> 00:11:31,440

it could just be um maybe some more

189

00:11:35,670 --> 00:11:33,760

uh studies that were done and things

190

00:11:36,310 --> 00:11:35,680

that they were researching and whatnot

191

00:11:38,230 --> 00:11:36,320

so

192

00:11:40,310 --> 00:11:38,240

you know i don't i don't know how how

193

00:11:41,350 --> 00:11:40,320

excited to get for some of those out

194

00:11:43,829 --> 00:11:41,360

there and how

195

00:11:45,350 --> 00:11:43,839

you know or or not but the point here is

196

00:11:48,790 --> 00:11:45,360

that um

197

00:11:51,910 --> 00:11:48,800

uh at the end of the day uh

198

00:11:53,190 --> 00:11:51,920

it's all this stuff is for basically

199

00:11:55,990 --> 00:11:53,200

everyone that

200

00:11:57,990 --> 00:11:56,000

um that really was kind of sitting in

201
00:11:59,590 --> 00:11:58,000
the back seat and was not really that

202
00:12:02,870 --> 00:11:59,600
much into ufos

203
00:12:04,870 --> 00:12:02,880
to to have footage come out and see

204
00:12:06,310 --> 00:12:04,880
pictures and whatnot you know those have

205
00:12:08,550 --> 00:12:06,320
always been into ufos

206
00:12:09,509 --> 00:12:08,560
we've seen that for decades you know and

207
00:12:13,509 --> 00:12:09,519
it's

208
00:12:15,670 --> 00:12:13,519
you know cat and mouse game between

209
00:12:16,629 --> 00:12:15,680
you know the the people and the

210
00:12:18,310 --> 00:12:16,639
government about

211
00:12:19,750 --> 00:12:18,320
who knows what what are you gonna admit

212
00:12:23,190 --> 00:12:19,760
what are you holding back

213
00:12:24,230 --> 00:12:23,200

and so um for those that are just now

214

00:12:27,670 --> 00:12:24,240

getting into it

215

00:12:29,590 --> 00:12:27,680

um having kind of like um by my french

216

00:12:33,509 --> 00:12:29,600

i'm not trying to be fascist but

217

00:12:35,030 --> 00:12:33,519

like this this like waiting for daddy to

218

00:12:37,750 --> 00:12:35,040

give the approval about

219

00:12:38,389 --> 00:12:37,760

hey you know only now can you you know

220

00:12:41,750 --> 00:12:38,399

once i

221

00:12:43,990 --> 00:12:41,760

admit that ufos are real can you also

222

00:12:46,150 --> 00:12:44,000

seriously start looking into this i was

223

00:12:47,829 --> 00:12:46,160

never really a fan of it and most of us

224

00:12:49,829 --> 00:12:47,839

have been in this field are not a fan of

225

00:12:51,829 --> 00:12:49,839

it either you know it's like we just

226

00:12:53,509 --> 00:12:51,839

started doing our own research and going

227

00:12:54,710 --> 00:12:53,519

about our own business and discovering

228

00:12:57,910 --> 00:12:54,720

what we discovered

229

00:12:59,670 --> 00:12:57,920

so we really even to this day don't need

230

00:13:02,310 --> 00:12:59,680

necessarily the government but

231

00:13:03,829 --> 00:13:02,320

for our brothers sisters close friends

232

00:13:04,870 --> 00:13:03,839

everyone else that we've always been

233

00:13:06,870 --> 00:13:04,880

friends with

234

00:13:08,870 --> 00:13:06,880

that they've always known what we're

235

00:13:09,910 --> 00:13:08,880

into but they necessarily didn't always

236

00:13:11,990 --> 00:13:09,920

want to join

237

00:13:13,509 --> 00:13:12,000

this would be kind of for them as a

238

00:13:15,829 --> 00:13:13,519

beginning to start

239

00:13:17,750 --> 00:13:15,839

looking into it because the other things

240

00:13:21,030 --> 00:13:17,760

that i wanted to

241

00:13:23,190 --> 00:13:21,040

uh to cover regarding this it's um

242

00:13:24,069 --> 00:13:23,200

i don't know how the government is gonna

243

00:13:27,509 --> 00:13:24,079

play this out

244

00:13:29,350 --> 00:13:27,519

at first it started out in a

245

00:13:30,629 --> 00:13:29,360

um you know oh that's cool you know

246

00:13:33,509 --> 00:13:30,639

finally uh

247

00:13:34,069 --> 00:13:33,519

pentagon admitted something but then it

248

00:13:36,310 --> 00:13:34,079

didn't

249

00:13:37,190 --> 00:13:36,320

really disappear from the public eye it

250

00:13:38,550 --> 00:13:37,200

continued

251
00:13:40,310 --> 00:13:38,560
and so i was just kind of watching i was

252
00:13:44,150 --> 00:13:40,320
like where are they going with this

253
00:13:44,790 --> 00:13:44,160
because when you open up the pandora's

254
00:13:46,230 --> 00:13:44,800
box

255
00:13:48,310 --> 00:13:46,240
there's all these other things that

256
00:13:51,670 --> 00:13:48,320
you're going to have to consider how

257
00:13:54,069 --> 00:13:51,680
does now the abduction phenomena

258
00:13:55,509 --> 00:13:54,079
play into this you know and then you

259
00:13:57,750 --> 00:13:55,519
start looking into that

260
00:13:59,590 --> 00:13:57,760
okay well that's great how does let's

261
00:14:02,790 --> 00:13:59,600
say the hybrid

262
00:14:05,269 --> 00:14:02,800
you know program you know play into this

263
00:14:06,949 --> 00:14:05,279

and all these different things that that

264

00:14:10,389 --> 00:14:06,959

now are going to have to be looked at

265

00:14:13,030 --> 00:14:10,399

because you can't just overnight call

266

00:14:14,389 --> 00:14:13,040

millions of people crazy that have had

267

00:14:16,069 --> 00:14:14,399

those experiences

268

00:14:17,590 --> 00:14:16,079

it's something that i believe they're

269

00:14:20,629 --> 00:14:17,600

going to have to start

270

00:14:22,310 --> 00:14:20,639

releasing slowly now i still think we're

271

00:14:23,990 --> 00:14:22,320

pretty much on track like i've said a

272

00:14:27,189 --> 00:14:24,000

while back um

273

00:14:29,110 --> 00:14:27,199

to be about five years of this so maybe

274

00:14:32,470 --> 00:14:29,120

to 2025 or just

275

00:14:33,670 --> 00:14:32,480

lights in the sky and you know we we had

276

00:14:36,150 --> 00:14:33,680

um you know team

277

00:14:38,069 --> 00:14:36,160

sent here they checked it out and did

278

00:14:40,629 --> 00:14:38,079

this recording so more of

279

00:14:41,750 --> 00:14:40,639

you know cool footage to look at but i

280

00:14:44,470 --> 00:14:41,760

think

281

00:14:45,590 --> 00:14:44,480

after that kind of settles in for then

282

00:14:48,629 --> 00:14:45,600

more to start

283

00:14:50,069 --> 00:14:48,639

coming out because i would be pleasantly

284

00:14:52,790 --> 00:14:50,079

surprised if they just

285

00:14:54,150 --> 00:14:52,800

really got to the point to where most of

286

00:14:57,269 --> 00:14:54,160

us are here now

287

00:14:58,550 --> 00:14:57,279

is to just initiating this contact but

288

00:15:00,629 --> 00:14:58,560

you know i don't know how freaked out

289

00:15:01,509 --> 00:15:00,639

most people would be because it's brand

290

00:15:02,949 --> 00:15:01,519

new to them

291

00:15:04,629 --> 00:15:02,959

and then they're gonna have to start

292

00:15:06,150 --> 00:15:04,639

considering you know all these other

293

00:15:09,030 --> 00:15:06,160

things too because

294

00:15:10,310 --> 00:15:09,040

um you know it's gonna put a lot of

295

00:15:12,870 --> 00:15:10,320

people's beliefs

296

00:15:14,069 --> 00:15:12,880

and and also religious beliefs and and

297

00:15:16,949 --> 00:15:14,079

other belief systems

298

00:15:18,230 --> 00:15:16,959

into you know into this um you know

299

00:15:21,350 --> 00:15:18,240

questioning mode

300

00:15:23,670 --> 00:15:21,360

because uh it's not

301
00:15:25,590 --> 00:15:23,680
as simple as you know hi you know i want

302
00:15:27,030 --> 00:15:25,600
to shake your hand and nice to meet you

303
00:15:29,189 --> 00:15:27,040
what planet are you from

304
00:15:30,550 --> 00:15:29,199
that type of scenario it's it's more

305
00:15:31,829 --> 00:15:30,560
about we're going to be learning more

306
00:15:34,230 --> 00:15:31,839
about who we are

307
00:15:35,350 --> 00:15:34,240
you know what what this life is about

308
00:15:37,509 --> 00:15:35,360
and um

309
00:15:38,629 --> 00:15:37,519
i don't quite know that everyone would

310
00:15:41,749 --> 00:15:38,639
be ready for it

311
00:15:43,350 --> 00:15:41,759
now of course we were kind of shaken you

312
00:15:44,150 --> 00:15:43,360
know by this you know pandemic or

313
00:15:47,509 --> 00:15:44,160

whatever

314

00:15:48,150 --> 00:15:47,519

um to to maybe kind of start changing

315

00:15:50,150 --> 00:15:48,160

our

316

00:15:51,590 --> 00:15:50,160

behaviors about certain things but i

317

00:15:54,230 --> 00:15:51,600

don't know how far

318

00:15:55,670 --> 00:15:54,240

you know and so with that kind of being

319

00:15:57,749 --> 00:15:55,680

the catalyst for

320

00:15:58,710 --> 00:15:57,759

for a lot of soul searching you know a

321

00:16:01,749 --> 00:15:58,720

lot of uh

322

00:16:03,670 --> 00:16:01,759

reflection uh maybe we can

323

00:16:05,110 --> 00:16:03,680

we can be more accepting of whatever

324

00:16:07,749 --> 00:16:05,120

they might come out with

325

00:16:08,470 --> 00:16:07,759

and so i'm really hoping that the report

326

00:16:12,069 --> 00:16:08,480

would

327

00:16:12,949 --> 00:16:12,079

you know give um give enough credence

328

00:16:15,590 --> 00:16:12,959

and not

329

00:16:16,550 --> 00:16:15,600

you know give the same old answers to

330

00:16:18,389 --> 00:16:16,560

where now

331

00:16:19,910 --> 00:16:18,399

it would be just the first report of

332

00:16:23,030 --> 00:16:19,920

many an answer

333

00:16:25,749 --> 00:16:23,040

for it to start slowly uh growing and

334

00:16:27,350 --> 00:16:25,759

and and basically uh becoming more and

335

00:16:29,670 --> 00:16:27,360

more prevalent to where

336

00:16:30,470 --> 00:16:29,680

you know now you know shows like this

337

00:16:32,629 --> 00:16:30,480

and other shows

338

00:16:34,389 --> 00:16:32,639

are not just going to be you know these

339

00:16:36,710 --> 00:16:34,399

weird obscure shows but

340

00:16:38,069 --> 00:16:36,720

it will be covered more in a serious

341

00:16:39,990 --> 00:16:38,079

manner you know although

342

00:16:41,910 --> 00:16:40,000

i've always covered in a serious manner

343

00:16:42,949 --> 00:16:41,920

for me to talk about the subjects that

344

00:16:45,590 --> 00:16:42,959

i've talked about

345

00:16:46,150 --> 00:16:45,600

you know to the quote-unquote normies

346

00:16:49,189 --> 00:16:46,160

are just

347

00:16:50,550 --> 00:16:49,199

batshit crazy and i understand that but

348

00:16:51,910 --> 00:16:50,560

you know just because you don't

349

00:16:53,350 --> 00:16:51,920

understand what i'm talking about

350

00:16:56,230 --> 00:16:53,360

doesn't mean i'm crazy

351
00:16:58,150 --> 00:16:56,240
you know and so but we're here you know

352
00:16:59,110 --> 00:16:58,160
and and as you guys know i'm not the

353
00:17:01,829 --> 00:16:59,120
only one and

354
00:17:04,069 --> 00:17:01,839
ufo hub has interviewed you know many

355
00:17:04,549 --> 00:17:04,079
other people the researchers experiences

356
00:17:06,789 --> 00:17:04,559
that

357
00:17:08,870 --> 00:17:06,799
i would urge you to go in and and listen

358
00:17:10,710 --> 00:17:08,880
to their stories and hear them out

359
00:17:12,789 --> 00:17:10,720
see from their perspective what they

360
00:17:13,590 --> 00:17:12,799
found and so if you're in the beginning

361
00:17:15,350 --> 00:17:13,600
of this

362
00:17:17,189 --> 00:17:15,360
this would be i would think a great

363
00:17:19,909 --> 00:17:17,199

library for you to

364

00:17:21,750 --> 00:17:19,919

really start diving into more behind

365

00:17:23,110 --> 00:17:21,760

behind the nuts and bolts or beyond the

366

00:17:25,510 --> 00:17:23,120

nuts and bolts or the

367

00:17:26,549 --> 00:17:25,520

the video footage that you can see and

368

00:17:29,510 --> 00:17:26,559

i'm hoping that

369

00:17:30,549 --> 00:17:29,520

um do you you have to you have to

370

00:17:33,750 --> 00:17:30,559

realize and

371

00:17:36,070 --> 00:17:33,760

that what i have so far

372

00:17:37,669 --> 00:17:36,080

covered in all the videos from seven

373

00:17:40,630 --> 00:17:37,679

years ago up until now

374

00:17:41,750 --> 00:17:40,640

uh you literally have everything that

375

00:17:43,110 --> 00:17:41,760

you would need

376

00:17:44,950 --> 00:17:43,120

to really have a pretty good

377

00:17:48,070 --> 00:17:44,960

understanding about the

378

00:17:50,470 --> 00:17:48,080

the ufos before then you can

379

00:17:51,350 --> 00:17:50,480

feel comfortable enough to move forward

380

00:17:54,390 --> 00:17:51,360

on your own

381

00:17:57,430 --> 00:17:54,400

to just kind of um

382

00:17:59,110 --> 00:17:57,440

be educated enough and understand

383

00:18:01,110 --> 00:17:59,120

many different perspectives and many

384

00:18:02,710 --> 00:18:01,120

different different experiences before

385

00:18:04,950 --> 00:18:02,720

you can kind of try to

386

00:18:06,789 --> 00:18:04,960

act on your own to say okay i want to

387

00:18:08,950 --> 00:18:06,799

know more and so i don't know

388

00:18:09,990 --> 00:18:08,960

but that where the government is going

389

00:18:11,669 --> 00:18:10,000

to be at that time

390

00:18:13,750 --> 00:18:11,679

because a lot of us were kind of moved

391

00:18:16,710 --> 00:18:13,760

on while the government stayed in the

392

00:18:17,830 --> 00:18:16,720

1950s mode and so now they're trying to

393

00:18:21,110 --> 00:18:17,840

skip from

394

00:18:22,549 --> 00:18:21,120

1950s you know all the way um you know

395

00:18:25,510 --> 00:18:22,559

till now

396

00:18:26,070 --> 00:18:25,520

and overnight seemingly but wherever it

397

00:18:28,870 --> 00:18:26,080

goes

398

00:18:30,630 --> 00:18:28,880

i hope that they don't shut it down that

399

00:18:32,789 --> 00:18:30,640

they reveal more and more

400

00:18:33,750 --> 00:18:32,799

um to most of us it's not gonna be

401
00:18:36,310 --> 00:18:33,760
surprising

402
00:18:38,950 --> 00:18:36,320
uh it'll be it'll be cool that finally

403
00:18:41,590 --> 00:18:38,960
we can we can talk about it and um

404
00:18:44,230 --> 00:18:41,600
so there would be all the different

405
00:18:46,789 --> 00:18:44,240
resources that were always existing

406
00:18:48,470 --> 00:18:46,799
others can start looking at them and

407
00:18:50,630 --> 00:18:48,480
start learning from them because

408
00:18:51,510 --> 00:18:50,640
we don't have to reinvent the wheel i've

409
00:18:55,750 --> 00:18:51,520
noticed um

410
00:18:57,750 --> 00:18:55,760
i found myself being a little bit

411
00:18:59,669 --> 00:18:57,760
how should i say maybe just a little bit

412
00:19:01,510 --> 00:18:59,679
cynical because

413
00:19:04,150 --> 00:19:01,520

when you know when i was watching some

414

00:19:05,990 --> 00:19:04,160

of the the different clips i don't watch

415

00:19:07,669 --> 00:19:06,000

mainstream news but

416

00:19:09,430 --> 00:19:07,679

with the different apps that i have they

417

00:19:11,909 --> 00:19:09,440

show certain five

418

00:19:12,549 --> 00:19:11,919

six minute clips of different news that

419

00:19:16,070 --> 00:19:12,559

has uh

420

00:19:17,590 --> 00:19:16,080

let's say um whatever some of the pilots

421

00:19:19,270 --> 00:19:17,600

on the show and and talking about

422

00:19:21,029 --> 00:19:19,280

whatever they're talking about

423

00:19:22,710 --> 00:19:21,039

and um it just irked me a little bit in

424

00:19:25,110 --> 00:19:22,720

the very beginning about

425

00:19:26,789 --> 00:19:25,120

you know it's like we're way past this

426

00:19:28,950 --> 00:19:26,799

there's so much out there if you

427

00:19:29,830 --> 00:19:28,960

simply just willing to look into it but

428

00:19:31,190 --> 00:19:29,840

then i just

429

00:19:33,350 --> 00:19:31,200

had to immediately stop myself and

430

00:19:35,590 --> 00:19:33,360

realize we

431

00:19:36,390 --> 00:19:35,600

as a planet we have to start somewhere

432

00:19:38,630 --> 00:19:36,400

you know and

433

00:19:40,549 --> 00:19:38,640

even though we're not all on the same

434

00:19:42,710 --> 00:19:40,559

level you know i just

435

00:19:43,830 --> 00:19:42,720

you know understood then and still you

436

00:19:46,230 --> 00:19:43,840

know feel like it's

437

00:19:47,669 --> 00:19:46,240

okay you know we all gotta you know have

438

00:19:49,590 --> 00:19:47,679

to start somewhere so

439

00:19:51,350 --> 00:19:49,600

look at whatever you information you

440

00:19:53,590 --> 00:19:51,360

might come up you know might

441

00:19:55,110 --> 00:19:53,600

come across whether it's my channel

442

00:19:57,110 --> 00:19:55,120

whether it's who some of the other

443

00:20:00,230 --> 00:19:57,120

researchers you watch and follow

444

00:20:02,710 --> 00:20:00,240

you know and um uh just help

445

00:20:04,470 --> 00:20:02,720

guide those that finally go hey what's

446

00:20:06,789 --> 00:20:04,480

up with these ufos that

447

00:20:08,549 --> 00:20:06,799

wouldn't give it the time of day before

448

00:20:11,590 --> 00:20:08,559

so anyway

449

00:20:13,590 --> 00:20:11,600

and um before i go and

450

00:20:15,909 --> 00:20:13,600

check to see you know how chat is doing

451

00:20:18,070 --> 00:20:15,919

and seeing if there's anyone in um

452

00:20:19,110 --> 00:20:18,080

in telegram that would like to chat and

453

00:20:22,390 --> 00:20:19,120

share a story

454

00:20:24,870 --> 00:20:22,400

i wanted to to cover a

455

00:20:26,390 --> 00:20:24,880

just one one aspect i wish you know it

456

00:20:27,510 --> 00:20:26,400

was something that i would have thought

457

00:20:30,310 --> 00:20:27,520

of myself

458

00:20:30,950 --> 00:20:30,320

but something i heard about a long time

459

00:20:34,630 --> 00:20:30,960

ago

460

00:20:36,789 --> 00:20:34,640

it's been at least at least 10 years and

461

00:20:37,990 --> 00:20:36,799

i don't necessarily hear it talked about

462

00:20:41,110 --> 00:20:38,000

very much

463

00:20:43,990 --> 00:20:41,120

and that's in reference to contact

464

00:20:44,549 --> 00:20:44,000

and the different abduction scenarios

465

00:20:48,549 --> 00:20:44,559

and

466

00:20:50,950 --> 00:20:48,559

dna now i'm not

467

00:20:51,590 --> 00:20:50,960

you know well versed in trying to

468

00:20:54,390 --> 00:20:51,600

understand

469

00:20:57,029 --> 00:20:54,400

dna and biology in that sense but

470

00:21:00,870 --> 00:20:57,039

everyone has a basic understanding that

471

00:21:03,750 --> 00:21:00,880

compatibility is a huge factor in this

472

00:21:05,190 --> 00:21:03,760

and that's something to maybe ponder

473

00:21:05,669 --> 00:21:05,200

about when you think about these

474

00:21:08,390 --> 00:21:05,679

different

475

00:21:10,310 --> 00:21:08,400

uh abduction scenarios and hybridization

476
00:21:13,350 --> 00:21:10,320
programs that

477
00:21:15,110 --> 00:21:13,360
if they were not that compatible to us

478
00:21:17,029 --> 00:21:15,120
you know they wouldn't be able to do

479
00:21:19,510 --> 00:21:17,039
what they do so just

480
00:21:20,710 --> 00:21:19,520
ponder about that for for a second you

481
00:21:24,390 --> 00:21:20,720
know it's like if they're that

482
00:21:27,270 --> 00:21:24,400
that alien to us you know why would

483
00:21:28,149 --> 00:21:27,280
you know um how is it that they're

484
00:21:31,270 --> 00:21:28,159
having

485
00:21:33,750 --> 00:21:31,280
you know um basically the ability to

486
00:21:34,310 --> 00:21:33,760
create these different hybrids because

487
00:21:36,630 --> 00:21:34,320
um

488
00:21:37,590 --> 00:21:36,640

you have to be compatible on some level

489

00:21:39,270 --> 00:21:37,600

and um

490

00:21:40,630 --> 00:21:39,280

i don't know if i forgive me if i

491

00:21:41,590 --> 00:21:40,640

mentioned it before there was something

492

00:21:44,950 --> 00:21:41,600

brought up to me by

493

00:21:45,750 --> 00:21:44,960

bashar and um that kind of startled me

494

00:21:47,590 --> 00:21:45,760

and i've always

495

00:21:49,669 --> 00:21:47,600

thought about it on and off the whole

496

00:21:51,510 --> 00:21:49,679

the bottom line is supposed to say that

497

00:21:54,789 --> 00:21:51,520

there is a relation

498

00:21:56,710 --> 00:21:54,799

between them and us and um and

499

00:21:58,549 --> 00:21:56,720

the story that eventually he end up

500

00:22:01,190 --> 00:21:58,559

telling is that basically

501
00:22:02,310 --> 00:22:01,200
they are us from a different dimension

502
00:22:04,710 --> 00:22:02,320
so

503
00:22:05,750 --> 00:22:04,720
there we go with the crazy stuff again

504
00:22:07,029 --> 00:22:05,760
you know science

505
00:22:09,029 --> 00:22:07,039
already knows that there's different

506
00:22:09,590 --> 00:22:09,039
dimensions but they only know it in

507
00:22:12,470 --> 00:22:09,600
theory

508
00:22:13,750 --> 00:22:12,480
and that it's plausible but they're not

509
00:22:17,110 --> 00:22:13,760
quite there yet to

510
00:22:20,149 --> 00:22:17,120
have entire beings cross dimensions

511
00:22:20,549 --> 00:22:20,159
and you know saying hello but anyway in

512
00:22:23,430 --> 00:22:20,559
time

513
00:22:23,990 --> 00:22:23,440

maybe 10 15 years maybe 20 or more you

514

00:22:26,950 --> 00:22:24,000

know will

515

00:22:28,710 --> 00:22:26,960

will basically know more and our science

516

00:22:30,470 --> 00:22:28,720

will finally catch up to the point

517

00:22:32,310 --> 00:22:30,480

to where we can make a little bit more

518

00:22:37,830 --> 00:22:32,320

progress

519

00:22:37,840 --> 00:22:42,710

see what we got going on here with

520

00:22:42,720 --> 00:22:51,270

with chat and

521

00:22:56,070 --> 00:22:54,310

okay i have right now in voice chat

522

00:22:58,230 --> 00:22:56,080

i only have bradley and i don't know if

523

00:23:00,070 --> 00:22:58,240

bradley wants to speak to me so he knows

524

00:23:06,870 --> 00:23:00,080

to raise his hand if he does

525

00:23:06,880 --> 00:23:11,430

and

526

00:23:17,510 --> 00:23:14,950

let's see here i'm having my entire

527

00:23:21,430 --> 00:23:17,520

new system i'm trying to figure out

528

00:23:21,440 --> 00:23:26,710

how to get back to

529

00:23:34,830 --> 00:23:28,390

nothing it tells you to say tonight all

530

00:23:59,750 --> 00:23:54,149

okay

531

00:24:04,390 --> 00:24:02,630

i have this uh restream that basically

532

00:24:06,789 --> 00:24:04,400

supposed to show me

533

00:24:08,310 --> 00:24:06,799

so many show me some chat messages and

534

00:24:11,350 --> 00:24:08,320

there's a ton more

535

00:24:18,470 --> 00:24:11,360

in on youtube than it is

536

00:24:21,830 --> 00:24:18,480

having them here coming through

537

00:24:25,190 --> 00:24:21,840

okay what we got

538

00:24:28,070 --> 00:24:25,200

oh there's a thank you for

539

00:24:31,190 --> 00:24:28,080

i i'm sorry i can't pronounce this at

540

00:24:34,789 --> 00:24:31,200

all it says seems to be

541

00:24:36,950 --> 00:24:34,799

um like russian

542

00:24:38,390 --> 00:24:36,960

and i can't i can't read it but thank

543

00:24:40,230 --> 00:24:38,400

you very much for your ten dollar

544

00:24:44,630 --> 00:24:40,240

donation it says um

545

00:24:48,710 --> 00:24:44,640

at the time which

546

00:24:50,789 --> 00:24:48,720

visiting my family in san diego

547

00:24:54,230 --> 00:24:50,799

california at around 8 p.m

548

00:24:57,430 --> 00:24:54,240

pacific time i heard a sound like a car

549

00:24:59,669 --> 00:24:57,440

and then the house shook any leads i've

550

00:25:01,029 --> 00:24:59,679

seen ufos here

551
00:25:02,789 --> 00:25:01,039
well it's it's interesting i mean

552
00:25:04,149 --> 00:25:02,799
sometimes i mean there are seismic

553
00:25:06,950 --> 00:25:04,159
activities i don't want to just

554
00:25:08,390 --> 00:25:06,960
easily just explain it away but uh it's

555
00:25:10,710 --> 00:25:08,400
it's difficult to tell

556
00:25:13,190 --> 00:25:10,720
you know it's it's something i would

557
00:25:15,590 --> 00:25:13,200
just urge you to see if you can

558
00:25:16,789 --> 00:25:15,600
do some research see if others

559
00:25:18,710 --> 00:25:16,799
experience the same thing

560
00:25:21,990 --> 00:25:18,720
felt the same thing and maybe you might

561
00:25:26,149 --> 00:25:22,000
be able to come across some answers

562
00:25:31,110 --> 00:25:26,159
but yes so uh peter welcome um bradley

563
00:25:31,120 --> 00:25:40,950

isa peacekeeper hello how are you

564

00:25:44,549 --> 00:25:42,789

david hicks thank you very much for your

565

00:25:47,970 --> 00:25:44,559

donation i really appreciate it

566

00:25:49,190 --> 00:25:47,980

um david uh says ever seen

567

00:25:51,430 --> 00:25:49,200

[Music]

568

00:25:52,789 --> 00:25:51,440

ever seen the curse of the man who sees

569

00:25:55,190 --> 00:25:52,799

ufos

570

00:25:56,390 --> 00:25:55,200

lots of uncut footage of glowing lights

571

00:26:01,669 --> 00:25:56,400

uap

572

00:26:02,710 --> 00:26:01,679

in monter monterrey montreal monterey

573

00:26:05,269 --> 00:26:02,720

california

574

00:26:06,870 --> 00:26:05,279

sorry i suck at reading today it would

575

00:26:10,070 --> 00:26:06,880

take me uh

576

00:26:10,470 --> 00:26:10,080

take me a bit to get used to no i have

577

00:26:13,990 --> 00:26:10,480

not

578

00:26:17,029 --> 00:26:14,000

man who sees your foes is that

579

00:26:21,190 --> 00:26:17,039

the title of the um

580

00:26:21,200 --> 00:26:26,149

uh hazel hello welcome

581

00:26:26,159 --> 00:26:36,830

v also welcome

582

00:26:41,190 --> 00:26:39,269

okay

583

00:26:44,950 --> 00:26:41,200

it's interesting i was trying to figure

584

00:26:44,960 --> 00:26:48,149

how i can have

585

00:26:55,269 --> 00:26:52,070

my other screen update more often

586

00:26:57,590 --> 00:26:55,279

but anyway so yeah if um if

587

00:26:58,549 --> 00:26:57,600

some of you want to uh join me please

588

00:27:02,549 --> 00:26:58,559

remember uh

589

00:27:05,990 --> 00:27:02,559

check out uh telegram in your either

590

00:27:09,430 --> 00:27:06,000

app store if you're using a phone

591

00:27:12,630 --> 00:27:09,440

or the if you're using the iphone or

592

00:27:14,950 --> 00:27:12,640

the google play if you're on android and

593

00:27:15,990 --> 00:27:14,960

uh or just go to the website for

594

00:27:18,310 --> 00:27:16,000

telegram on

595

00:27:20,870 --> 00:27:18,320

on your computer download it join the

596

00:27:27,669 --> 00:27:20,880

ufo hub group and join the voice chat

597

00:27:27,679 --> 00:27:43,750

let's see

598

00:27:49,750 --> 00:27:45,990

yeah it's been um the two weeks it seems

599

00:27:51,909 --> 00:27:49,760

like it's been quite a bit

600

00:27:53,510 --> 00:27:51,919

because it seemed like uh forever there

601
00:27:54,789 --> 00:27:53,520
were so many things that were happening

602
00:27:56,630 --> 00:27:54,799
that

603
00:27:58,710 --> 00:27:56,640
it just seemed seemed like a month

604
00:28:00,830 --> 00:27:58,720
instead of just two weeks

605
00:28:02,710 --> 00:28:00,840
but i guess it'll take me just a little

606
00:28:06,950 --> 00:28:02,720
bit

607
00:28:10,149 --> 00:28:06,960
used to

608
00:28:13,190 --> 00:28:10,159
looking at many different things at once

609
00:28:15,510 --> 00:28:13,200
because i was usually by by time i i

610
00:28:18,789 --> 00:28:15,520
stopped i got

611
00:28:19,669 --> 00:28:18,799
pretty much well versed in trying to

612
00:28:22,630 --> 00:28:19,679
multitask

613
00:28:23,110 --> 00:28:22,640

but it just seems like right now uh it's

614

00:28:25,990 --> 00:28:23,120

gonna

615

00:28:27,090 --> 00:28:26,000

take me a while all right let's see who

616

00:28:28,830 --> 00:28:27,100

else we got here

617

00:28:31,909 --> 00:28:28,840

[Music]

618

00:28:36,789 --> 00:28:34,549

if there's if you or any of you have any

619

00:28:40,149 --> 00:28:36,799

questions

620

00:28:43,830 --> 00:28:40,159

just make sure to please include the

621

00:28:45,590 --> 00:28:43,840

three stars before your question so that

622

00:28:55,669 --> 00:28:45,600

way i know it pops out at me and it'll

623

00:29:02,870 --> 00:28:59,669

so hazel says um hello hello everyone

624

00:29:05,830 --> 00:29:02,880

edna and how's it going uh just fine uh

625

00:29:18,310 --> 00:29:05,840

maybe i hope you caught the beginning i

626

00:29:22,070 --> 00:29:20,549

yeah so easel hazel was just asking

627

00:29:24,710 --> 00:29:22,080

about is there any

628

00:29:25,990 --> 00:29:24,720

uh news come out after the 180 days or

629

00:29:28,470 --> 00:29:26,000

are they stalling

630

00:29:30,149 --> 00:29:28,480

yeah they're they're stalling and unless

631

00:29:33,190 --> 00:29:30,159

i'm mistaken and it actually

632

00:29:35,110 --> 00:29:33,200

dropped today that i wasn't aware of or

633

00:29:37,190 --> 00:29:35,120

you know or it will be sometime in the

634

00:29:40,070 --> 00:29:37,200

future but based on the

635

00:29:40,950 --> 00:29:40,080

the footage that i showed you earlier uh

636

00:29:44,630 --> 00:29:40,960

regarding

637

00:29:46,549 --> 00:29:44,640

um i don't know his name the pentagon

638

00:29:49,830 --> 00:29:46,559

person that was speaking

639

00:29:52,070 --> 00:29:49,840

i don't know i hope i hope he's hesitant

640

00:29:55,029 --> 00:29:52,080

because there is something to the

641

00:29:58,470 --> 00:29:55,039

statement made by the reporter regarding

642

00:29:59,669 --> 00:29:58,480

ufo wreckage and bodies or he just maybe

643

00:30:01,830 --> 00:29:59,679

doesn't want to jump the gun

644

00:30:03,909 --> 00:30:01,840

and wants to wait to once the report

645

00:30:07,350 --> 00:30:03,919

come out comes out to just

646

00:30:12,070 --> 00:30:07,360

not say more than than necessary

647

00:30:18,070 --> 00:30:15,669

so yeah we'll we'll see um i don't know

648

00:30:21,029 --> 00:30:18,080

what what you know what the issue was

649

00:30:24,470 --> 00:30:23,110

uh after the after the first they were

650

00:30:26,070 --> 00:30:24,480

saying any

651
00:30:28,310 --> 00:30:26,080
you know any time now it should be

652
00:30:32,149 --> 00:30:28,320
coming now but right now we're

653
00:30:34,149 --> 00:30:32,159
in june on june 6th and well no june 9th

654
00:30:35,510 --> 00:30:34,159
and there's still still nothing coming

655
00:30:41,510 --> 00:30:35,520
out and so i don't know

656
00:30:41,520 --> 00:30:45,269
so hazel you didn't miss much

657
00:30:49,350 --> 00:30:47,029
the second something comes out i might

658
00:30:52,549 --> 00:30:49,360
even do a separate show

659
00:30:55,190 --> 00:30:52,559
and just have it covered uh to

660
00:30:57,269 --> 00:30:55,200
basically uh just talk about it to see

661
00:30:58,710 --> 00:30:57,279
what i was able to read up on in

662
00:31:00,389 --> 00:30:58,720
in case some of you haven't had the

663
00:31:02,549 --> 00:31:00,399

chance or or usually

664

00:31:03,590 --> 00:31:02,559

you know don't spend the time to do that

665

00:31:05,750 --> 00:31:03,600

and so

666

00:31:07,669 --> 00:31:05,760

um i was thinking about very much doing

667

00:31:13,669 --> 00:31:07,679

that the second day

668

00:31:19,190 --> 00:31:16,710

the the five the 5d raver

669

00:31:19,750 --> 00:31:19,200

high yes the the daughter has arrived i

670

00:31:22,549 --> 00:31:19,760

have a

671

00:31:22,950 --> 00:31:22,559

under the community tab on the channel

672

00:31:25,430 --> 00:31:22,960

um

673

00:31:26,549 --> 00:31:25,440

i did post like a short give about gif

674

00:31:29,590 --> 00:31:26,559

about her

675

00:31:31,190 --> 00:31:29,600

just being maybe three hours old and so

676
00:31:31,669 --> 00:31:31,200
you can see the pictures there but yeah

677
00:31:37,269 --> 00:31:31,679
she's

678
00:31:38,710 --> 00:31:37,279
my wife keeps telling me not to not to

679
00:31:39,990 --> 00:31:38,720
say it in this way but every time i see

680
00:31:41,430 --> 00:31:40,000
her you know it's like i hug her it's

681
00:31:43,029 --> 00:31:41,440
like she's my favorite she's like you're

682
00:31:53,909 --> 00:31:43,039
not supposed to have favorites i'm like

683
00:31:59,110 --> 00:31:57,029
vincent says of which which guest that

684
00:32:03,110 --> 00:31:59,120
you have interviewed

685
00:32:06,710 --> 00:32:03,120
has had the most profound effect on you

686
00:32:14,789 --> 00:32:06,720
so one

687
00:32:27,430 --> 00:32:14,799
while i have my browser open let's see

688
00:32:30,870 --> 00:32:29,509

there you go i didn't expect that so i'm

689

00:32:40,230 --> 00:32:30,880

going to open up my

690

00:32:44,630 --> 00:32:42,789

so right now i'm on the channel here

691

00:32:46,630 --> 00:32:44,640

let's see if i can maybe go all the way

692

00:32:50,630 --> 00:32:46,640

down

693

00:32:53,830 --> 00:32:50,640

there's what happened to

694

00:32:55,430 --> 00:32:53,840

you know when i turned 25

695

00:32:57,350 --> 00:32:55,440

uh with all these different experiences

696

00:32:59,190 --> 00:32:57,360

by that time that i had already had

697

00:33:00,950 --> 00:32:59,200

all the good stuff wasn't wasn't

698

00:33:03,590 --> 00:33:00,960

happening for me until later

699

00:33:05,509 --> 00:33:03,600

but this gal right here uh says past

700

00:33:08,230 --> 00:33:05,519

life readings and regressions

701
00:33:09,509 --> 00:33:08,240
that one was pretty interesting because

702
00:33:11,190 --> 00:33:09,519
there was

703
00:33:13,990 --> 00:33:11,200
although i've known about it that was

704
00:33:17,750 --> 00:33:14,000
kind of me stepping out the ufo closet

705
00:33:22,710 --> 00:33:17,760
and she was a gal that was uh

706
00:33:25,350 --> 00:33:22,720
local to san luis and she can either

707
00:33:25,909 --> 00:33:25,360
put you under and have you regressed or

708
00:33:27,830 --> 00:33:25,919
she

709
00:33:29,190 --> 00:33:27,840
basically kind of taps into the akashic

710
00:33:31,110 --> 00:33:29,200
record and she does it

711
00:33:32,470 --> 00:33:31,120
you know for you to where she gives you

712
00:33:34,389 --> 00:33:32,480
different information

713
00:33:35,909 --> 00:33:34,399

so because i already knew quite a bit

714

00:33:38,310 --> 00:33:35,919

about it i didn't want to attain

715

00:33:39,590 --> 00:33:38,320

the experience and you know have just my

716

00:33:42,630 --> 00:33:39,600

imagination flow

717

00:33:43,269 --> 00:33:42,640

so i just had her basically do do

718

00:33:45,190 --> 00:33:43,279

reading

719

00:33:46,549 --> 00:33:45,200

you know for me and what she went

720

00:33:48,630 --> 00:33:46,559

through i still have that she actually

721

00:33:51,830 --> 00:33:48,640

was recording on the cassette tapes

722

00:33:52,149 --> 00:33:51,840

um although it wasn't that long ago um

723

00:33:54,230 --> 00:33:52,159

but

724

00:33:55,190 --> 00:33:54,240

yeah i had the cassette tape still and

725

00:33:58,070 --> 00:33:55,200

she basically was

726
00:33:59,830 --> 00:33:58,080
covering uh the different past lifetimes

727
00:34:02,950 --> 00:33:59,840
that kind of come together

728
00:34:05,830 --> 00:34:02,960
to to basically to work out

729
00:34:07,350 --> 00:34:05,840
what was happening in this one and so

730
00:34:10,470 --> 00:34:07,360
that was my

731
00:34:13,109 --> 00:34:10,480
uh sort of first coming

732
00:34:13,829 --> 00:34:13,119
out the ufo closet but actually uh

733
00:34:16,069 --> 00:34:13,839
genuinely

734
00:34:16,869 --> 00:34:16,079
seriously talking to another person

735
00:34:18,550 --> 00:34:16,879
about this

736
00:34:19,990 --> 00:34:18,560
because before it was always you know

737
00:34:21,829 --> 00:34:20,000
friends and family and

738
00:34:23,669 --> 00:34:21,839

we won't ever cover any of those

739

00:34:26,550 --> 00:34:23,679

subjects or talk about those things

740

00:34:27,030 --> 00:34:26,560

but this was seriously sitting down and

741

00:34:30,230 --> 00:34:27,040

paying

742

00:34:31,909 --> 00:34:30,240

somebody to say okay you know i

743

00:34:34,389 --> 00:34:31,919

want to you know hear what you have to

744

00:34:37,109 --> 00:34:34,399

say and which was really interesting

745

00:34:39,030 --> 00:34:37,119

you know because i went in it with the

746

00:34:41,430 --> 00:34:39,040

skeptical mind so i didn't want to say

747

00:34:43,270 --> 00:34:41,440

too much i didn't i did just wanted to

748

00:34:44,950 --> 00:34:43,280

um just kind of have her tell me

749

00:34:47,990 --> 00:34:44,960

whatever she needed to tell me

750

00:34:49,829 --> 00:34:48,000

it was interesting that let's say the

751
00:34:52,230 --> 00:34:49,839
different lives that she was telling me

752
00:34:54,069 --> 00:34:52,240
about that then came together to

753
00:34:56,470 --> 00:34:54,079
kind of be worked out in this lifetime

754
00:34:58,630 --> 00:34:56,480
and to do what i'm here to do

755
00:35:00,069 --> 00:34:58,640
um let's see all of that was was made

756
00:35:03,349 --> 00:35:00,079
out the

757
00:35:06,069 --> 00:35:03,359
made up the information that she was

758
00:35:07,910 --> 00:35:06,079
basically telling me you know the

759
00:35:08,470 --> 00:35:07,920
information she was telling me that that

760
00:35:11,910 --> 00:35:08,480
was

761
00:35:14,870 --> 00:35:11,920
um very pertinent and very

762
00:35:16,390 --> 00:35:14,880
uh personal you know that that what i'm

763
00:35:19,430 --> 00:35:16,400

supposed to kind of

764

00:35:21,829 --> 00:35:19,440

uh do uh you know in in this life

765

00:35:23,190 --> 00:35:21,839

so she would just to give an example so

766

00:35:23,990 --> 00:35:23,200

i'm not just kind of dancing around the

767

00:35:27,270 --> 00:35:24,000

bush here

768

00:35:30,069 --> 00:35:27,280

so one of the example was uh

769

00:35:31,430 --> 00:35:30,079

one of the past lifetimes was that i was

770

00:35:35,270 --> 00:35:31,440

one of the

771

00:35:37,510 --> 00:35:35,280

genghis khan

772

00:35:38,550 --> 00:35:37,520

right i have no way of knowing that or

773

00:35:42,310 --> 00:35:38,560

proving that

774

00:35:44,230 --> 00:35:42,320

i don't have any recollection of this

775

00:35:45,510 --> 00:35:44,240

but what's interesting is that okay that

776

00:35:47,670 --> 00:35:45,520

sounds cool

777

00:35:50,069 --> 00:35:47,680

but then whatever information she was

778

00:35:53,270 --> 00:35:50,079

getting what came out from that is that

779

00:35:55,670 --> 00:35:53,280

she said that i should do um

780

00:35:56,390 --> 00:35:55,680

something with some some form of martial

781

00:35:58,710 --> 00:35:56,400

arts

782

00:36:00,790 --> 00:35:58,720

because it would help me you know just

783

00:36:01,430 --> 00:36:00,800

health wise and just mentally and all

784

00:36:04,310 --> 00:36:01,440

these

785

00:36:05,270 --> 00:36:04,320

things that you know some people they

786

00:36:07,589 --> 00:36:05,280

love to play

787

00:36:08,470 --> 00:36:07,599

basketball or some other sport for me

788

00:36:11,430 --> 00:36:08,480

specifically

789

00:36:12,069 --> 00:36:11,440

would be martial arts well one thing i

790

00:36:15,190 --> 00:36:12,079

knew

791

00:36:17,510 --> 00:36:15,200

that she was spot on because from a

792

00:36:19,630 --> 00:36:17,520

you know from age of eight um all the

793

00:36:21,190 --> 00:36:19,640

way up until we left germany which was

794

00:36:24,710 --> 00:36:21,200

2014

795

00:36:28,230 --> 00:36:24,720

um no not 14 um i was 14 but

796

00:36:28,790 --> 00:36:28,240

left germany um i'm getting all my days

797

00:36:31,990 --> 00:36:28,800

confused

798

00:36:33,430 --> 00:36:32,000

since i was eight 2014 i did a martial

799

00:36:35,270 --> 00:36:33,440

arts show to come karate

800

00:36:38,310 --> 00:36:35,280

and then i continued when we came to the

801
00:36:42,870 --> 00:36:40,950
what she was saying is very much true

802
00:36:46,230 --> 00:36:42,880
because for one i never told her

803
00:36:48,390 --> 00:36:46,240
that i was into that and to exactly what

804
00:36:50,150 --> 00:36:48,400
she describes is what i was

805
00:36:51,990 --> 00:36:50,160
that i know to be true because i was

806
00:36:54,310 --> 00:36:52,000
going through that and

807
00:36:55,349 --> 00:36:54,320
it's you know it i just understood that

808
00:36:57,670 --> 00:36:55,359
she was correct

809
00:36:59,109 --> 00:36:57,680
in advising me to do this because it

810
00:37:01,510 --> 00:36:59,119
would be beneficial to me

811
00:37:02,790 --> 00:37:01,520
on so many other levels then she covered

812
00:37:05,990 --> 00:37:02,800
many other things

813
00:37:08,150 --> 00:37:06,000

to go into many different aspects of

814

00:37:10,230 --> 00:37:08,160

what else would be beneficial for me but

815

00:37:11,030 --> 00:37:10,240

that's a like hour and a half to two

816

00:37:13,750 --> 00:37:11,040

hour long

817

00:37:14,870 --> 00:37:13,760

thing to go into but i just wanted to

818

00:37:18,630 --> 00:37:14,880

give you an example

819

00:37:21,190 --> 00:37:18,640

so anyway in a roundabout long way to me

820

00:37:23,030 --> 00:37:21,200

because she was the first person that i

821

00:37:28,390 --> 00:37:23,040

had kind of

822

00:37:32,950 --> 00:37:31,190

coming out and seeing like okay it was

823

00:37:34,950 --> 00:37:32,960

kind of embarrassing too because

824

00:37:35,990 --> 00:37:34,960

this was a weird conversation to have to

825

00:37:38,150 --> 00:37:36,000

be had because

826

00:37:39,510 --> 00:37:38,160

when you first come out this your full

827

00:37:41,270 --> 00:37:39,520

closet you know it's like

828

00:37:43,190 --> 00:37:41,280

you know oh god like i'm sitting here

829

00:37:45,910 --> 00:37:43,200

i'm talking about past life regressions

830

00:37:47,829 --> 00:37:45,920

i've never experienced um you know or

831

00:37:48,870 --> 00:37:47,839

having a memory of any past lives and

832

00:37:51,910 --> 00:37:48,880

here i am

833

00:37:54,069 --> 00:37:51,920

talking to her dead serious about what

834

00:37:57,109 --> 00:37:54,079

it is that she has to tell me and

835

00:37:57,910 --> 00:37:57,119

i'm responding to it and so that video

836

00:38:00,950 --> 00:37:57,920

out of or

837

00:38:04,069 --> 00:38:00,960

that interview out of um all of them

838

00:38:06,390 --> 00:38:04,079

really had um you know

839

00:38:07,190 --> 00:38:06,400

the most profound effect on me then you

840

00:38:10,069 --> 00:38:07,200

know after that

841

00:38:11,589 --> 00:38:10,079

once you once you kind of like david

842

00:38:13,910 --> 00:38:11,599

dyke always says once you step

843

00:38:15,349 --> 00:38:13,920

out of the little box you know that that

844

00:38:17,589 --> 00:38:15,359

you that you've lived in

845

00:38:18,950 --> 00:38:17,599

do you realize how small the box really

846

00:38:21,270 --> 00:38:18,960

is you know and

847

00:38:22,710 --> 00:38:21,280

i never really looked back again i just

848

00:38:25,190 --> 00:38:22,720

continued doing what i do

849

00:38:25,829 --> 00:38:25,200

and then eventually had the experiences

850

00:38:29,910 --> 00:38:25,839

that i did

851
00:38:48,870 --> 00:38:32,310
all right that was a long roundabout way

852
00:38:54,950 --> 00:38:51,990
uh this other question is from kenny

853
00:38:56,390 --> 00:38:54,960
moreno says how can i get in contact

854
00:39:01,430 --> 00:38:56,400
with you in order

855
00:39:03,109 --> 00:39:01,440
to share experience with unidentified

856
00:39:04,870 --> 00:39:03,119
unidentified entities that i have

857
00:39:08,630 --> 00:39:04,880
encountered

858
00:39:11,670 --> 00:39:08,640
with over here in san antonio texas they

859
00:39:13,349 --> 00:39:11,680
are here uh kenny uh

860
00:39:15,990 --> 00:39:13,359
i don't know if you heard earlier you

861
00:39:19,670 --> 00:39:16,000
can right now if you like

862
00:39:20,230 --> 00:39:19,680
you can download download the telegram

863
00:39:23,589 --> 00:39:20,240

app

864

00:39:25,750 --> 00:39:23,599

and basically join the

865

00:39:27,030 --> 00:39:25,760

sign up join the ufo hub group and

866

00:39:29,829 --> 00:39:27,040

you'll see the voice chat

867

00:39:30,550 --> 00:39:29,839

and you will be able to chat with me

868

00:39:32,710 --> 00:39:30,560

okay i have

869

00:39:33,670 --> 00:39:32,720

jim james waiting i'm sorry about that

870

00:39:41,109 --> 00:39:33,680

let me see

871

00:39:44,310 --> 00:39:42,950

jim uh you should be able to unmute

872

00:39:47,670 --> 00:39:44,320

yourself and uh

873

00:39:50,069 --> 00:39:47,680

uh say what you uh wanted to say

874

00:39:51,990 --> 00:39:50,079

hello my friend can you hear me yes i

875

00:39:55,349 --> 00:39:52,000

can hear you how are you

876

00:39:56,230 --> 00:39:55,359

very good um i'm actually okay how are

877

00:39:59,510 --> 00:39:56,240

you

878

00:40:02,870 --> 00:39:59,520

work

879

00:40:03,270 --> 00:40:02,880

past two weeks but i'll get the hang of

880

00:40:06,390 --> 00:40:03,280

it yeah

881

00:40:07,030 --> 00:40:06,400

you have you have and you've put a lot

882

00:40:10,550 --> 00:40:07,040

of work

883

00:40:13,910 --> 00:40:10,560

into this channel and the way it's grown

884

00:40:15,670 --> 00:40:13,920

over countless months um the point i was

885

00:40:19,349 --> 00:40:15,680

actually wanting to get across to

886

00:40:20,950 --> 00:40:19,359

the uh last um um

887

00:40:22,550 --> 00:40:20,960

person that you were speaking with about

888

00:40:25,990 --> 00:40:22,560

how to get in contact

889

00:40:29,109 --> 00:40:26,000

with the entities above so to speak

890

00:40:33,270 --> 00:40:29,119

it actually all really derives

891

00:40:37,109 --> 00:40:33,280

from what comes within yourself

892

00:40:39,750 --> 00:40:37,119

what i mean is that there is um

893

00:40:42,069 --> 00:40:39,760

like you can meditate and ask for these

894

00:40:44,309 --> 00:40:42,079

entities to show themselves to you

895

00:40:45,510 --> 00:40:44,319

but nine times out of ten you don't want

896

00:40:48,870 --> 00:40:45,520

that to happen

897

00:40:51,030 --> 00:40:48,880

because sure you can see them sure

898

00:40:53,750 --> 00:40:51,040

they will show themselves to you and

899

00:40:57,510 --> 00:40:53,760

they will do their things but then

900

00:41:02,309 --> 00:40:57,520

at the end of the day how can you

901
00:41:06,230 --> 00:41:02,319
say to someone i saw a ufo i saw aliens

902
00:41:07,750 --> 00:41:06,240
for example and

903
00:41:10,790 --> 00:41:07,760
how do you expect anyone to take you

904
00:41:14,790 --> 00:41:13,670
well jim that's a good question well the

905
00:41:17,670 --> 00:41:14,800
the decision that

906
00:41:18,230 --> 00:41:17,680
eventually i had to make is you know do

907
00:41:33,109 --> 00:41:18,240
i

908
00:41:35,349 --> 00:41:33,119
you know back then

909
00:41:37,829 --> 00:41:35,359
and so and you don't have a bullet in

910
00:41:41,270 --> 00:41:37,839
your head

911
00:41:44,230 --> 00:41:41,280
what do you mean many other people do

912
00:41:44,870 --> 00:41:44,240
well i mean i never understood why would

913
00:41:47,910 --> 00:41:44,880

have to be

914

00:41:50,069 --> 00:41:47,920

because um if this is a crazy subject

915

00:41:52,550 --> 00:41:50,079

which a lot of people have labeled then

916

00:41:53,829 --> 00:41:52,560

you know i figured everyone i don't know

917

00:41:56,309 --> 00:41:53,839

but no i understand

918

00:41:57,670 --> 00:41:56,319

but um if it's always labeled as crazy

919

00:41:59,270 --> 00:41:57,680

by let's say mainstream and the

920

00:42:01,190 --> 00:41:59,280

government or the powers-to-be

921

00:42:02,550 --> 00:42:01,200

you know then it's just a crazy person

922

00:42:04,390 --> 00:42:02,560

talking and so

923

00:42:06,069 --> 00:42:04,400

why would you want to harm her how crazy

924

00:42:08,230 --> 00:42:06,079

person just let him be crazy you know

925

00:42:10,309 --> 00:42:08,240

that's the way i always thought that

926
00:42:12,950 --> 00:42:10,319
you know they'll just you know not

927
00:42:16,069 --> 00:42:15,190
right right right and how long have you

928
00:42:17,910 --> 00:42:16,079
been doing this

929
00:42:19,589 --> 00:42:17,920
if you don't mind me asking um i'm just

930
00:42:21,990 --> 00:42:19,599
going off subject here

931
00:42:23,030 --> 00:42:22,000
well no i mean the the channel itself um

932
00:42:26,069 --> 00:42:23,040
i've had since two days

933
00:42:28,470 --> 00:42:26,079
no yourself yourself

934
00:42:30,309 --> 00:42:28,480
like when did you yourself become

935
00:42:32,710 --> 00:42:30,319
interested in the subject

936
00:42:33,670 --> 00:42:32,720
oh it motivated you to actually start

937
00:42:35,750 --> 00:42:33,680
speaking about it

938
00:42:38,230 --> 00:42:35,760

right well it's it's all um i just make

939

00:42:41,030 --> 00:42:38,240

a short it was actually an experience

940

00:42:41,829 --> 00:42:41,040

that i had when i was 11. uh basically

941

00:42:44,550 --> 00:42:41,839

what

942

00:42:45,910 --> 00:42:44,560

um i wouldn't call it a remote viewing

943

00:42:47,750 --> 00:42:45,920

but it was something that

944

00:42:49,589 --> 00:42:47,760

you know we lived in in germany at that

945

00:42:52,470 --> 00:42:49,599

time and it was just a

946

00:42:53,270 --> 00:42:52,480

something i was uh so weird to say but

947

00:42:55,910 --> 00:42:53,280

during that

948

00:42:57,829 --> 00:42:55,920

period like i always loved to go to bed

949

00:42:58,230 --> 00:42:57,839

and every time i would lay down i would

950

00:43:01,109 --> 00:42:58,240

i would

951
00:43:02,550 --> 00:43:01,119
just you know close my eyelids but i

952
00:43:05,349 --> 00:43:02,560
would always see this

953
00:43:06,950 --> 00:43:05,359
white tentacles and this shape of

954
00:43:08,150 --> 00:43:06,960
something and i would open my eyes and i

955
00:43:08,870 --> 00:43:08,160
was trying to figure out how is this

956
00:43:10,309 --> 00:43:08,880
possible

957
00:43:12,470 --> 00:43:10,319
you know but then after a while i just

958
00:43:14,550 --> 00:43:12,480
gave up trying to figure it out and just

959
00:43:16,309 --> 00:43:14,560
you know just let it dance basically do

960
00:43:17,990 --> 00:43:16,319
whatever it did in this void

961
00:43:19,829 --> 00:43:18,000
and but it each night it would always

962
00:43:20,710 --> 00:43:19,839
come closer and closer and closer to

963
00:43:23,829 --> 00:43:20,720

eventually

964

00:43:26,710 --> 00:43:23,839

it just kind of took over my my

965

00:43:28,550 --> 00:43:26,720

entire vision you know if you could call

966

00:43:31,829 --> 00:43:28,560

it that even though i had my eyes closed

967

00:43:33,510 --> 00:43:31,839

and um it just basically um i found

968

00:43:36,950 --> 00:43:33,520

myself to be in this very

969

00:43:39,990 --> 00:43:36,960

humid uh environment very forest like

970

00:43:43,430 --> 00:43:40,000

um you know like a you know jungle

971

00:43:44,950 --> 00:43:43,440

and so everything was although i could

972

00:43:47,589 --> 00:43:44,960

perceive it was very warm

973

00:43:49,510 --> 00:43:47,599

very humid um i you know things were

974

00:43:52,150 --> 00:43:49,520

blurry i could make up shapes

975

00:43:53,109 --> 00:43:52,160

but it was basically these beings around

976
00:43:55,990 --> 00:43:53,119
this table

977
00:43:57,430 --> 00:43:56,000
looking at someone i just till to this

978
00:43:58,470 --> 00:43:57,440
day i don't know if it was me or

979
00:44:01,190 --> 00:43:58,480
somebody else

980
00:44:03,349 --> 00:44:01,200
but it was it was too blurry initially

981
00:44:06,630 --> 00:44:03,359
so i was just kind of being a fly

982
00:44:09,510 --> 00:44:06,640
there hovering around this environment

983
00:44:10,309 --> 00:44:09,520
and trying to focus more to see what is

984
00:44:12,630 --> 00:44:10,319
going on

985
00:44:13,990 --> 00:44:12,640
and at one point i was you know it's

986
00:44:15,109 --> 00:44:14,000
been going on for a while trying to

987
00:44:17,510 --> 00:44:15,119
focus trying to focus

988
00:44:18,790 --> 00:44:17,520

i just got so frustrated i just put all

989

00:44:21,829 --> 00:44:18,800

my world behind it

990

00:44:23,349 --> 00:44:21,839

and i focused on you know to see who is

991

00:44:25,030 --> 00:44:23,359

it there that's laying there

992

00:44:26,870 --> 00:44:25,040

and the second i did the entire

993

00:44:29,270 --> 00:44:26,880

environment just became clear

994

00:44:31,589 --> 00:44:29,280

you know it wasn't blurry anymore it

995

00:44:33,430 --> 00:44:31,599

became clear and it was basically

996

00:44:35,030 --> 00:44:33,440

more like a i still don't know if it was

997

00:44:36,950 --> 00:44:35,040

just kind of an image

998

00:44:38,150 --> 00:44:36,960

that was just betrayed to me or what was

999

00:44:41,030 --> 00:44:38,160

actually happening but

1000

00:44:42,550 --> 00:44:41,040

it was basically um i couldn't tell if

1001

00:44:46,390 --> 00:44:42,560

it was me but it was

1002

00:44:49,829 --> 00:44:46,400

a b being laying on this stone altar

1003

00:44:51,270 --> 00:44:49,839

with these seven or more little um

1004

00:44:54,309 --> 00:44:51,280

hooded beings

1005

00:44:55,510 --> 00:44:54,319

and one of them turned real fast the

1006

00:44:59,030 --> 00:44:55,520

second i focused

1007

00:45:02,069 --> 00:44:59,040

turned real fast in my direction and um

1008

00:45:04,630 --> 00:45:02,079

it had a very frog like face and

1009

00:45:06,069 --> 00:45:04,640

it just kind of in this weird way um you

1010

00:45:06,630 --> 00:45:06,079

know well not weird but like you know

1011

00:45:09,190 --> 00:45:06,640

how uh

1012

00:45:10,710 --> 00:45:09,200

shorter people run and just kind of hop

1013

00:45:13,510 --> 00:45:10,720

towards me and just

1014

00:45:15,750 --> 00:45:13,520

hit me in my what i guess what i know

1015

00:45:18,630 --> 00:45:15,760

now to be the third eye with seemingly

1016

00:45:20,470 --> 00:45:18,640

this king scepter and when it did that i

1017

00:45:22,309 --> 00:45:20,480

just kind of got up from my bed

1018

00:45:23,510 --> 00:45:22,319

it didn't feel like i was asleep or

1019

00:45:26,630 --> 00:45:23,520

anything just basically

1020

00:45:29,430 --> 00:45:26,640

shifted from there to my room again and

1021

00:45:30,630 --> 00:45:29,440

from that experience right and fro so

1022

00:45:34,150 --> 00:45:30,640

from that experience

1023

00:45:37,270 --> 00:45:34,160

um it just i kept you know um uh

1024

00:45:38,309 --> 00:45:37,280

basically not looking back if this was

1025

00:45:41,190 --> 00:45:38,319

something that

1026
00:45:42,790 --> 00:45:41,200
you haven't available by any chance i

1027
00:45:45,190 --> 00:45:42,800
apologize for interrupting do you have a

1028
00:45:48,870 --> 00:45:45,200
book by any chance

1029
00:45:51,349 --> 00:45:48,880
a book of what your experiences i'm sure

1030
00:45:54,150 --> 00:45:51,359
you would have scrapped that alone and

1031
00:45:54,870 --> 00:45:54,160
no actually i i didn't but i do on the

1032
00:45:56,710 --> 00:45:54,880
channel

1033
00:45:58,069 --> 00:45:56,720
i don't know if it's going to cover

1034
00:46:00,550 --> 00:45:58,079
enough because there's

1035
00:46:01,589 --> 00:46:00,560
different opportunities that i had a

1036
00:46:04,710 --> 00:46:01,599
chance to speak

1037
00:46:06,630 --> 00:46:04,720
and so i go at the length or

1038
00:46:08,710 --> 00:46:06,640

you know different experiences that i

1039

00:46:10,950 --> 00:46:08,720

had because there's many others

1040

00:46:13,270 --> 00:46:10,960

that came years later and it's under if

1041

00:46:16,230 --> 00:46:13,280

you go to the ufo hub channel

1042

00:46:17,030 --> 00:46:16,240

under the playlist you're gonna see um

1043

00:46:20,390 --> 00:46:17,040

uh

1044

00:46:22,630 --> 00:46:20,400

playlist that's

1045

00:46:24,069 --> 00:46:22,640

just called talks and you should be able

1046

00:46:26,150 --> 00:46:24,079

to see all the talks

1047

00:46:28,710 --> 00:46:26,160

uh that i had given yes so i don't know

1048

00:46:30,950 --> 00:46:28,720

if that might help

1049

00:46:31,829 --> 00:46:30,960

and thank you so very much for asking my

1050

00:46:34,710 --> 00:46:31,839

questions but i

1051
00:46:35,750 --> 00:46:34,720
honestly just have one final one since

1052
00:46:38,710 --> 00:46:35,760
the

1053
00:46:40,309 --> 00:46:38,720
since your experiences you have never

1054
00:46:44,950 --> 00:46:40,319
actually witnessed or

1055
00:46:47,670 --> 00:46:44,960
witnessed to a uap

1056
00:46:49,349 --> 00:46:47,680
well yes sir um right no yeah i have it

1057
00:46:51,430 --> 00:46:49,359
which was in 2011.

1058
00:46:53,349 --> 00:46:51,440
but that i tell that story also in in

1059
00:46:53,750 --> 00:46:53,359
the talks if you get a chance to look it

1060
00:46:55,430 --> 00:46:53,760
over

1061
00:46:56,870 --> 00:46:55,440
i just don't want to get into a full

1062
00:46:58,470 --> 00:46:56,880
life long story because i feel like i

1063
00:46:59,190 --> 00:46:58,480

always repeat my own story on the

1064

00:47:02,230 --> 00:46:59,200

channel

1065

00:47:05,270 --> 00:47:02,240

but um you know just welcome to the club

1066

00:47:07,190 --> 00:47:05,280

welcome to the club right what do you

1067

00:47:12,150 --> 00:47:07,200

think i'm calling

1068

00:47:13,750 --> 00:47:12,160

welcome to the club

1069

00:47:15,589 --> 00:47:13,760

of course we've got to repeat it over

1070

00:47:17,270 --> 00:47:15,599

and over and over oh right of course it

1071

00:47:18,710 --> 00:47:17,280

seems like a broken record but

1072

00:47:20,790 --> 00:47:18,720

right at the end of the day it's not a

1073

00:47:22,790 --> 00:47:20,800

broken record because hundreds of

1074

00:47:25,670 --> 00:47:22,800

thousands of people out there

1075

00:47:26,549 --> 00:47:25,680

potentially could be listening to this

1076

00:47:28,870 --> 00:47:26,559

podcast

1077

00:47:30,390 --> 00:47:28,880

and potentially they could learn

1078

00:47:32,069 --> 00:47:30,400

something from this podcast

1079

00:47:34,150 --> 00:47:32,079

so even though we have to go over it

1080

00:47:36,950 --> 00:47:34,160

again and again and again and again

1081

00:47:38,150 --> 00:47:36,960

that's our duty because we're going out

1082

00:47:41,030 --> 00:47:38,160

there

1083

00:47:41,829 --> 00:47:41,040

to speak our mind well i mean that's why

1084

00:47:43,829 --> 00:47:41,839

i always mentioned

1085

00:47:44,870 --> 00:47:43,839

it's it's there in the recorded because

1086

00:47:47,349 --> 00:47:44,880

at these um

1087

00:47:49,349 --> 00:47:47,359

the talks it gave me a chance to kind of

1088

00:47:49,990 --> 00:47:49,359

put my thoughts together and focus on

1089

00:47:51,910 --> 00:47:50,000

those

1090

00:47:53,190 --> 00:47:51,920

and so basically it would be a lot

1091

00:47:55,349 --> 00:47:53,200

easier for them to

1092

00:47:57,910 --> 00:47:55,359

look over and listen to that instead of

1093

00:47:59,990 --> 00:47:57,920

me uh i'm preparingly trying to

1094

00:48:01,109 --> 00:48:00,000

reiterate everything again that's why i

1095

00:48:03,829 --> 00:48:01,119

always just say check

1096

00:48:04,950 --> 00:48:03,839

you know to check out the playlist no

1097

00:48:08,309 --> 00:48:04,960

worries no worries

1098

00:48:10,309 --> 00:48:08,319

well again i hope you do take care with

1099

00:48:11,430 --> 00:48:10,319

the entire climate and the way the world

1100

00:48:12,870 --> 00:48:11,440

is and

1101
00:48:14,470 --> 00:48:12,880
thank you for joining me you don't have

1102
00:48:16,150 --> 00:48:14,480
to go quite yet i was wondering would

1103
00:48:18,069 --> 00:48:16,160
you be interested maybe sharing some of

1104
00:48:21,190 --> 00:48:18,079
your stories

1105
00:48:22,710 --> 00:48:21,200
well yeah of course definitely um

1106
00:48:24,710 --> 00:48:22,720
well please do i mean you'd like to know

1107
00:48:27,910 --> 00:48:24,720
about uap or

1108
00:48:29,670 --> 00:48:27,920
dreams or entities or

1109
00:48:31,829 --> 00:48:29,680
what what what exactly are you looking

1110
00:48:33,589 --> 00:48:31,839
for well whatever whatever

1111
00:48:35,109 --> 00:48:33,599
you know whatever it is more prevalent

1112
00:48:35,589 --> 00:48:35,119
to you you've got to start with a

1113
00:48:38,710 --> 00:48:35,599

question

1114

00:48:40,069 --> 00:48:38,720

you can't ask you can't

1115

00:48:42,470 --> 00:48:40,079

you obviously can't just tell someone

1116

00:48:45,349 --> 00:48:42,480

tell me what you know and then right

1117

00:48:47,270 --> 00:48:45,359

no i didn't i mean like what you feel

1118

00:48:47,829 --> 00:48:47,280

more but if you need something then of

1119

00:48:49,270 --> 00:48:47,839

course

1120

00:48:51,990 --> 00:48:49,280

maybe for the sake of everyone else

1121

00:48:54,710 --> 00:48:52,000

listening why not

1122

00:48:56,470 --> 00:48:54,720

given the entire climate i think this is

1123

00:48:57,750 --> 00:48:56,480

i honestly think given the entire

1124

00:48:59,349 --> 00:48:57,760

climate this is just a complete

1125

00:49:04,549 --> 00:48:59,359

distraction

1126

00:49:08,309 --> 00:49:06,890

child trafficking um

1127

00:49:11,910 --> 00:49:08,319

[Music]

1128

00:49:13,270 --> 00:49:11,920

that was unleashed before covert 19 came

1129

00:49:16,549 --> 00:49:13,280

about

1130

00:49:19,990 --> 00:49:16,559

you know the whole jeffrey epstein and

1131

00:49:20,790 --> 00:49:20,000

his little compatriots and how everyone

1132

00:49:24,069 --> 00:49:20,800

in the west

1133

00:49:27,349 --> 00:49:24,079

here all your celebrities all of your

1134

00:49:31,270 --> 00:49:27,359

movie stars all of your princes

1135

00:49:34,870 --> 00:49:31,280

in the united kingdom are all pedophiles

1136

00:49:37,430 --> 00:49:34,880

and yet as soon as that news dropped

1137

00:49:38,230 --> 00:49:37,440

now we're talking about kovan 19 and all

1138

00:49:41,030 --> 00:49:38,240

of a sudden

1139

00:49:42,870 --> 00:49:41,040

now we're talking about ufos what a

1140

00:49:46,030 --> 00:49:42,880

grand distraction

1141

00:49:51,030 --> 00:49:46,040

we've been talking about ufos since the

1142

00:49:55,510 --> 00:49:54,790

and yet we're just labeled as conspiracy

1143

00:50:00,150 --> 00:49:55,520

theorists

1144

00:50:03,589 --> 00:50:00,160

by the cia by the 1960s i think it is

1145

00:50:06,230 --> 00:50:03,599

probably mid 50s um but

1146

00:50:07,670 --> 00:50:06,240

yeah either way it's just another form

1147

00:50:10,950 --> 00:50:07,680

of uh distraction

1148

00:50:13,349 --> 00:50:10,960

right now take it away from you know

1149

00:50:15,750 --> 00:50:13,359

what is actually going on whether or not

1150

00:50:18,870 --> 00:50:15,760

these beings or these artificial

1151

00:50:19,430 --> 00:50:18,880

aircraft are ours or not obviously

1152

00:50:24,230 --> 00:50:19,440

they're not

1153

00:50:26,950 --> 00:50:24,240

they're only going to go as far

1154

00:50:28,150 --> 00:50:26,960

as you know as necessary to just not

1155

00:50:32,150 --> 00:50:28,160

reveal too much but

1156

00:50:32,470 --> 00:50:32,160

enough to just hide um uh to hide that

1157

00:50:34,390 --> 00:50:32,480

part

1158

00:50:36,069 --> 00:50:34,400

it's like i said it's like i said to a

1159

00:50:37,430 --> 00:50:36,079

friend of mine when trump left office

1160

00:50:40,630 --> 00:50:37,440

last year

1161

00:50:42,950 --> 00:50:40,640

he left um an executive order for

1162

00:50:46,630 --> 00:50:42,960

congress to release all information

1163

00:50:50,710 --> 00:50:46,640

about uaps or ufos formerly

1164

00:50:53,030 --> 00:50:50,720

um by june of 2021

1165

00:50:53,990 --> 00:50:53,040

um and what i've said to my friend all

1166

00:50:57,750 --> 00:50:54,000

this time since

1167

00:51:00,470 --> 00:50:57,760

then redacted redacted redacted

1168

00:51:01,109 --> 00:51:00,480

so whatever gets put forward in this

1169

00:51:04,630 --> 00:51:01,119

next

1170

00:51:07,109 --> 00:51:04,640

little uh uh

1171

00:51:09,430 --> 00:51:07,119

coming together of congress about

1172

00:51:12,630 --> 00:51:09,440

they're gonna talk about uaps

1173

00:51:16,069 --> 00:51:12,640

no it's gonna be redacted redacted

1174

00:51:18,309 --> 00:51:16,079

redacted you know why because

1175

00:51:19,589 --> 00:51:18,319

that's where the mystery is and it's

1176

00:51:23,430 --> 00:51:19,599

something to keep you

1177

00:51:26,470 --> 00:51:23,440

guessing you're not going to figure out

1178

00:51:30,309 --> 00:51:26,480

why the hell jezebel maxwell

1179

00:51:34,549 --> 00:51:30,319

is still in prison and i think

1180

00:51:37,750 --> 00:51:34,559

i think um maxwell she's on her sixth

1181

00:51:41,109 --> 00:51:37,760

uh appeal for uh getting

1182

00:51:44,230 --> 00:51:41,119

like for like you know getting bail

1183

00:51:46,309 --> 00:51:44,240

her sixth appeal for getting bail

1184

00:51:48,829 --> 00:51:46,319

and this is the woman who was uh jeffrey

1185

00:51:51,829 --> 00:51:48,839

epstein's pimp

1186

00:51:53,589 --> 00:51:51,839

right that's unfortunate if that's the

1187

00:51:57,030 --> 00:51:53,599

case that they're gonna then

1188

00:51:59,589 --> 00:51:57,040

use the aspect of ufos and the

1189

00:52:01,750 --> 00:51:59,599

curiosity to distract everybody because

1190

00:52:03,750 --> 00:52:01,760

it deserves its own due attention on its

1191

00:52:06,870 --> 00:52:03,760

own without being used as a cover-up

1192

00:52:07,910 --> 00:52:06,880

in some way but that would be a shame it

1193

00:52:12,870 --> 00:52:07,920

is what it is

1194

00:52:16,069 --> 00:52:12,880

doesn't need to be

1195

00:52:17,990 --> 00:52:16,079

you have to remember timeline the

1196

00:52:20,790 --> 00:52:18,000

timeline of when this information

1197

00:52:22,309 --> 00:52:20,800

first came out and then the distraction

1198

00:52:24,309 --> 00:52:22,319

being coveted 19

1199

00:52:25,829 --> 00:52:24,319

and then the second distraction to make

1200

00:52:27,710 --> 00:52:25,839

everyone think of something totally

1201
00:52:32,309 --> 00:52:27,720
different other than cover 19

1202
00:52:35,349 --> 00:52:32,319
ufos now they're not ufos anymore but

1203
00:52:39,030 --> 00:52:35,359
funnily enough the cia and

1204
00:52:44,230 --> 00:52:39,040
everyone in the normal sense

1205
00:52:47,190 --> 00:52:44,240
called us conspiracy theorists

1206
00:52:47,750 --> 00:52:47,200
right about believing in ufos of course

1207
00:52:49,109 --> 00:52:47,760
they're here

1208
00:52:50,870 --> 00:52:49,119
of course they're all around where are

1209
00:52:53,990 --> 00:52:50,880
they from god

1210
00:52:55,190 --> 00:52:54,000
god only knows the government doesn't

1211
00:52:58,710 --> 00:52:55,200
even know

1212
00:53:01,030 --> 00:52:58,720
as far as i'm concerned and i mean the

1213
00:53:02,710 --> 00:53:01,040

us government the us government doesn't

1214

00:53:04,710 --> 00:53:02,720

know where they're from as far as i am

1215

00:53:05,829 --> 00:53:04,720

concerned

1216

00:53:07,589 --> 00:53:05,839

do you think they're going to keep it

1217

00:53:08,470 --> 00:53:07,599

that general just kind of like just

1218

00:53:09,670 --> 00:53:08,480

admit just

1219

00:53:11,670 --> 00:53:09,680

do you think they'll keep it that

1220

00:53:13,750 --> 00:53:11,680

general that they'll admit just enough

1221

00:53:15,910 --> 00:53:13,760

to keep us guessing and just keep going

1222

00:53:19,109 --> 00:53:15,920

keep that going for years

1223

00:53:25,910 --> 00:53:22,549

when it comes to the public light

1224

00:53:30,470 --> 00:53:25,920

the sam the um the um

1225

00:53:34,150 --> 00:53:30,480

was it it's a protocol by uh

1226

00:53:36,790 --> 00:53:34,160

what is it the samsung samsung

1227

00:53:38,150 --> 00:53:36,800

protocol i think it is samsung which is

1228

00:53:41,190 --> 00:53:38,160

basically um

1229

00:53:42,950 --> 00:53:41,200

there are like it's basically

1230

00:53:44,950 --> 00:53:42,960

in the sense of before you know the

1231

00:53:48,630 --> 00:53:44,960

truth the whole world will

1232

00:53:51,030 --> 00:53:48,640

go bang first um

1233

00:53:52,710 --> 00:53:51,040

it's called the samsung option i'm sure

1234

00:53:55,990 --> 00:53:52,720

your viewers can

1235

00:53:58,549 --> 00:53:56,000

look it up in the meantime but um yeah

1236

00:53:59,190 --> 00:53:58,559

before the whole world knows about it

1237

00:54:01,349 --> 00:53:59,200

like

1238

00:54:02,390 --> 00:54:01,359

we've got to be on a higher vibrational

1239

00:54:04,390 --> 00:54:02,400

frequency

1240

00:54:05,990 --> 00:54:04,400

before we can at least comprehend what

1241

00:54:08,549 --> 00:54:06,000

the hell is going on here

1242

00:54:10,710 --> 00:54:08,559

because you have to remember everything

1243

00:54:14,230 --> 00:54:10,720

is interconnected

1244

00:54:17,270 --> 00:54:14,240

every [h__h] thing right

1245

00:54:20,630 --> 00:54:17,280

everything is god i'm connected

1246

00:54:22,069 --> 00:54:20,640

when it comes to the draconian prince

1247

00:54:26,630 --> 00:54:22,079

charles

1248

00:54:30,950 --> 00:54:26,640

as he likes to so proclaim himself to be

1249

00:54:34,470 --> 00:54:30,960

the descendant of count vlad of dracula

1250

00:54:38,470 --> 00:54:34,480

the house of draco

1251

00:54:40,549 --> 00:54:38,480

which he does that's a fact um

1252

00:54:42,309 --> 00:54:40,559

they all believe in bloodlines who

1253

00:54:45,430 --> 00:54:42,319

controls most of the manx

1254

00:54:47,270 --> 00:54:45,440

rothschilds and they are also

1255

00:54:49,349 --> 00:54:47,280

a little bit messed up in the head when

1256

00:54:53,589 --> 00:54:49,359

it comes to bloodlines

1257

00:54:56,630 --> 00:54:53,599

and when it came to

1258

00:55:00,710 --> 00:54:56,640

i'm going i'm backtracking here again um

1259

00:55:04,829 --> 00:55:00,720

when it came to the whole epstein um

1260

00:55:07,829 --> 00:55:04,839

inter national child sexual

1261

00:55:08,630 --> 00:55:07,839

exploitation all of that was quickly

1262

00:55:13,030 --> 00:55:08,640

thrown another

1263

00:55:14,710 --> 00:55:13,040

under the rug for covert 19.

1264

00:55:17,030 --> 00:55:14,720

and that's a fact and now everyone's

1265

00:55:19,349 --> 00:55:17,040

talking about uaps ups have been going

1266

00:55:21,430 --> 00:55:19,359

on for the past 100 years

1267

00:55:23,510 --> 00:55:21,440

even more so if you look into ancient

1268

00:55:26,390 --> 00:55:23,520

history paintings

1269

00:55:27,430 --> 00:55:26,400

there are paintings there are paintings

1270

00:55:31,349 --> 00:55:27,440

depicting

1271

00:55:33,910 --> 00:55:31,359

ufos paintings

1272

00:55:34,390 --> 00:55:33,920

by this well to me yeah if i could just

1273

00:55:36,549 --> 00:55:34,400

ask

1274

00:55:38,069 --> 00:55:36,559

real quick and and i hope you know i

1275

00:55:38,950 --> 00:55:38,079

don't need to offend you but to me the

1276

00:55:41,030 --> 00:55:38,960

whole

1277

00:55:42,470 --> 00:55:41,040

rearrangement or reclassification to

1278

00:55:44,470 --> 00:55:42,480

your piece it's like

1279

00:55:45,670 --> 00:55:44,480

calling a turd by a different name you

1280

00:55:46,789 --> 00:55:45,680

know at the end of the day it's still

1281

00:55:48,390 --> 00:55:46,799

going to be a turd

1282

00:55:50,710 --> 00:55:48,400

you know it's like uh it's to me it

1283

00:55:52,870 --> 00:55:50,720

seems like they they they hit a wall

1284

00:55:54,470 --> 00:55:52,880

yeah with wha without afar they could go

1285

00:55:55,270 --> 00:55:54,480

with quote-unquote science so they're

1286

00:55:57,190 --> 00:55:55,280

like hey

1287

00:55:58,870 --> 00:55:57,200

let's rearrange it to call it something

1288

00:56:02,390 --> 00:55:58,880

different i mean you know

1289

00:56:04,390 --> 00:56:02,400

you can call it a you know wms you know

1290

00:56:06,309 --> 00:56:04,400

and waste management system at the end

1291

00:56:09,030 --> 00:56:06,319

of the day it's still a turd you know

1292

00:56:10,630 --> 00:56:09,040

and so uh it just seems like a limited

1293

00:56:13,910 --> 00:56:10,640

call a turkey turk

1294

00:56:15,270 --> 00:56:13,920

right a turkey turk but i mean at the

1295

00:56:17,109 --> 00:56:15,280

end of the day what is the matter for

1296

00:56:19,430 --> 00:56:17,119

the individual

1297

00:56:21,349 --> 00:56:19,440

because right now more and more more and

1298

00:56:21,910 --> 00:56:21,359

more more and more we're finding out

1299

00:56:24,549 --> 00:56:21,920

that the

1300

00:56:26,230 --> 00:56:24,559

these entities and these vehicles are

1301
00:56:28,069 --> 00:56:26,240
not coming here for the

1302
00:56:29,349 --> 00:56:28,079
uh masses they're coming here for the

1303
00:56:31,910 --> 00:56:29,359
individual

1304
00:56:33,589 --> 00:56:31,920
right and what the hell does that mean

1305
00:56:35,510 --> 00:56:33,599
for the individual

1306
00:56:37,030 --> 00:56:35,520
because it's the individual who

1307
00:56:38,950 --> 00:56:37,040
experiences it

1308
00:56:41,109 --> 00:56:38,960
and then everyone else has to have an

1309
00:56:43,349 --> 00:56:41,119
outside perspective

1310
00:56:44,230 --> 00:56:43,359
right look into that story and what the

1311
00:56:46,789 --> 00:56:44,240
hell does that mean

1312
00:56:47,910 --> 00:56:46,799
for the individual itself and this is a

1313
00:56:50,549 --> 00:56:47,920

question that i don't think

1314

00:56:50,950 --> 00:56:50,559

many people are asking instead of asking

1315

00:56:53,270 --> 00:56:50,960

okay

1316

00:56:54,230 --> 00:56:53,280

why are they here to begin with why are

1317

00:56:57,270 --> 00:56:54,240

they targeting

1318

00:57:00,309 --> 00:56:57,280

individuals in these individual places

1319

00:57:04,230 --> 00:57:00,319

for example in australia there was a

1320

00:57:08,309 --> 00:57:04,240

ranch owner

1321

00:57:12,309 --> 00:57:08,319

there was a ufo by

1322

00:57:14,630 --> 00:57:12,319

definition that flew over his water uh

1323

00:57:15,670 --> 00:57:14,640

tanks like i don't know why he had water

1324

00:57:17,910 --> 00:57:15,680

tanks on this uh

1325

00:57:19,750 --> 00:57:17,920

ranch but you're in the middle of

1326

00:57:21,990 --> 00:57:19,760

australia you're not gonna have

1327

00:57:23,270 --> 00:57:22,000

much water but he had this entire tank

1328

00:57:27,349 --> 00:57:23,280

filled with water

1329

00:57:30,630 --> 00:57:27,359

anyway um

1330

00:57:32,230 --> 00:57:30,640

it's a true situation in which he

1331

00:57:33,589 --> 00:57:32,240

actually went outside one night because

1332

00:57:36,870 --> 00:57:33,599

he heard this

1333

00:57:39,670 --> 00:57:36,880

god awful yell from a cow or two

1334

00:57:40,309 --> 00:57:39,680

and when he looked up to see this bright

1335

00:57:43,910 --> 00:57:40,319

light

1336

00:57:47,109 --> 00:57:43,920

above his water tower he shot at it

1337

00:57:49,670 --> 00:57:47,119

didn't do anything but then bright light

1338

00:57:50,950 --> 00:57:49,680

shone in his face and he was just about

1339

00:57:53,910 --> 00:57:50,960

for the camera

1340

00:57:54,789 --> 00:57:53,920

but the fact of the matter is my friend

1341

00:57:58,069 --> 00:57:54,799

is that

1342

00:58:00,789 --> 00:57:58,079

they are here to visit

1343

00:58:02,470 --> 00:58:00,799

individuals and why the hell is he doing

1344

00:58:05,589 --> 00:58:02,480

that

1345

00:58:07,750 --> 00:58:05,599

like when it comes to the us nimitz

1346

00:58:08,950 --> 00:58:07,760

encounter forget about that forget about

1347

00:58:11,109 --> 00:58:08,960

that

1348

00:58:13,230 --> 00:58:11,119

but for decades upon decades upon

1349

00:58:16,390 --> 00:58:13,240

decades they have been visiting

1350

00:58:20,710 --> 00:58:18,710

why right well i have my own theory on

1351

00:58:22,069 --> 00:58:20,720

that but we can get into that some other

1352

00:58:24,150 --> 00:58:22,079

time too

1353

00:58:25,990 --> 00:58:24,160

uh jim can i ask you a question that

1354

00:58:28,549 --> 00:58:26,000

came in from from hazel

1355

00:58:29,990 --> 00:58:28,559

hazel was asking can you ask jim please

1356

00:58:33,190 --> 00:58:30,000

has he had that one

1357

00:58:35,670 --> 00:58:33,200

one-on-one has he had a one-on-one with

1358

00:58:39,109 --> 00:58:35,680

an e.t

1359

00:58:43,270 --> 00:58:41,270

would you like to maybe maybe share some

1360

00:58:46,309 --> 00:58:43,280

of the other experiences that uh

1361

00:58:49,510 --> 00:58:46,319

of any kind of sightings

1362

00:58:52,230 --> 00:58:49,520

yeah um sightings definitely um

1363

00:58:53,430 --> 00:58:52,240

pulsating orbs in the sky obviously

1364

00:58:56,630 --> 00:58:53,440

satellites and

1365

00:58:58,150 --> 00:58:56,640

uh aircraft uh aircraft by themselves go

1366

00:59:01,829 --> 00:58:58,160

by blinking lights

1367

00:59:04,630 --> 00:59:01,839

obviously um but when you're

1368

00:59:06,150 --> 00:59:04,640

looking up at the sky aircraft don't

1369

00:59:10,710 --> 00:59:06,160

pulse

1370

00:59:13,670 --> 00:59:10,720

they don't write policy with light

1371

00:59:14,309 --> 00:59:13,680

there were three different occasions

1372

00:59:17,430 --> 00:59:14,319

each

1373

00:59:21,510 --> 00:59:17,440

different colors and these were

1374

00:59:25,190 --> 00:59:21,520

singular orbs that were pulsating

1375

00:59:28,710 --> 00:59:25,200

as they were traveling across the

1376

00:59:30,950 --> 00:59:28,720

the sky there was another which was

1377

00:59:32,549 --> 00:59:30,960

quite significant but i won't get into a

1378

00:59:35,349 --> 00:59:32,559

fear of the

1379

00:59:36,710 --> 00:59:35,359

men of black to be honest with you i

1380

00:59:37,910 --> 00:59:36,720

don't know whether or not that's just

1381

00:59:40,950 --> 00:59:37,920

schizophrenia

1382

00:59:43,829 --> 00:59:40,960

i i don't have i've never been diagnosed

1383

00:59:47,349 --> 00:59:43,839

with schizophrenia but i do believe in

1384

00:59:50,710 --> 00:59:47,359

the men and black so i won't speak about

1385

00:59:53,910 --> 00:59:50,720

the closest encounter that i've had

1386

00:59:54,390 --> 00:59:53,920

however the other accountants that i've

1387

00:59:58,150 --> 00:59:54,400

had

1388

01:00:00,630 --> 00:59:58,160

um have not been direct to

1389

01:00:01,589 --> 01:00:00,640

other entities other than in my

1390

01:00:05,349 --> 01:00:01,599

peripheral

1391

01:00:08,789 --> 01:00:05,359

vision um aside from that

1392

01:00:10,789 --> 01:00:08,799

irl in real life it's been orbs in the

1393

01:00:14,470 --> 01:00:10,799

sky that have pulsated

1394

01:00:17,510 --> 01:00:14,480

and there was one occasion in which i

1395

01:00:18,150 --> 01:00:17,520

was um looking at the window as i do at

1396

01:00:20,630 --> 01:00:18,160

night time

1397

01:00:22,470 --> 01:00:20,640

because i'm usually up at night you see

1398

01:00:25,990 --> 01:00:22,480

and

1399

01:00:29,030 --> 01:00:26,000

this night it was particularly clear

1400

01:00:33,190 --> 01:00:29,040

and i saw a

1401

01:00:35,510 --> 01:00:33,200

um a formation of two stars

1402

01:00:37,190 --> 01:00:35,520

just two just two stars and i thought to

1403

01:00:38,870 --> 01:00:37,200

myself that's very strange i've never

1404

01:00:40,710 --> 01:00:38,880

seen that there before

1405

01:00:42,470 --> 01:00:40,720

so then i thought to myself okay i'm

1406

01:00:44,950 --> 01:00:42,480

gonna go take a

1407

01:00:46,309 --> 01:00:44,960

quick video recording of this i want to

1408

01:00:49,349 --> 01:00:46,319

go pick up my phone

1409

01:00:54,829 --> 01:00:49,359

and then i checked the window again

1410

01:01:03,109 --> 01:00:57,589

disappeared

1411

01:01:09,990 --> 01:01:06,470

two one

1412

01:01:13,349 --> 01:01:10,000

okay i can get two that's a little bit

1413

01:01:16,390 --> 01:01:13,359

funny when i initially thought

1414

01:01:19,829 --> 01:01:16,400

i'm gonna pick up this phone i'm gonna

1415

01:01:22,829 --> 01:01:19,839

hit record and then they both

1416

01:01:26,390 --> 01:01:22,839

disappear before i could even go get my

1417

01:01:31,190 --> 01:01:28,950

right that always seems to be the case i

1418

01:01:33,430 --> 01:01:31,200

know uh um

1419

01:01:35,430 --> 01:01:33,440

it's it's um you know well it's not

1420

01:01:35,829 --> 01:01:35,440

unfortunate now i'm hoping that more and

1421

01:01:41,750 --> 01:01:35,839

more

1422

01:01:43,430 --> 01:01:41,760

everyone else looks forward to

1423

01:01:45,589 --> 01:01:43,440

but can i ask you a question jim

1424

01:01:47,829 --> 01:01:45,599

regarding your your

1425

01:01:48,789 --> 01:01:47,839

experience with them with the different

1426

01:01:51,990 --> 01:01:48,799

orb like

1427

01:01:55,190 --> 01:01:52,000

um objects did you what what what

1428

01:01:58,309 --> 01:01:55,200

was your feeling feeling wise while

1429

01:01:59,589 --> 01:01:58,319

while you were observing it what do you

1430

01:02:01,670 --> 01:01:59,599

want me to say

1431

01:02:03,430 --> 01:02:01,680

well specifically i'm asking because i

1432

01:02:05,109 --> 01:02:03,440

know there was a

1433

01:02:07,349 --> 01:02:05,119

the second i know for a fact it wasn't

1434

01:02:11,750 --> 01:02:07,359

one of ours like i said

1435

01:02:15,430 --> 01:02:11,760

um our aircraft blink they don't pulse

1436

01:02:16,630 --> 01:02:15,440

right and the pulsing object was a

1437

01:02:20,150 --> 01:02:16,640

singular

1438

01:02:23,829 --> 01:02:20,160

have

1439

01:02:26,950 --> 01:02:23,839

any distinctive markings it was just

1440

01:02:27,670 --> 01:02:26,960

this light in the sky that looked like a

1441

01:02:30,789 --> 01:02:27,680

star

1442

01:02:32,950 --> 01:02:30,799

that pulsed and

1443

01:02:34,150 --> 01:02:32,960

every time it got brighter and dimmer

1444

01:02:37,270 --> 01:02:34,160

there was no outline

1445

01:02:40,549 --> 01:02:37,280

of anything else it was just

1446

01:02:42,549 --> 01:02:40,559

it it is what it was it was a light in

1447

01:02:46,309 --> 01:02:42,559

the sky that pulsed

1448

01:02:49,430 --> 01:02:46,319

now i've seen those different um

1449

01:02:51,109 --> 01:02:49,440

craft on three different occasions some

1450

01:02:53,190 --> 01:02:51,119

people may call them spirits

1451
01:02:56,069 --> 01:02:53,200
i don't know what they are as far as i'm

1452
01:03:00,829 --> 01:02:56,079
concerned they are uap

1453
01:03:00,839 --> 01:03:12,309
whoa

1454
01:03:19,270 --> 01:03:14,309
your connection is breaking up a bit can

1455
01:03:19,280 --> 01:03:23,400
jim can you hear me

1456
01:03:30,309 --> 01:03:25,029
[Music]

1457
01:03:34,069 --> 01:03:30,319
you sound very robotic right now

1458
01:03:37,670 --> 01:03:34,079
oh well then hold on

1459
01:03:47,270 --> 01:03:37,680
uh did you maybe move move a location

1460
01:03:50,309 --> 01:03:49,510
jim i can't um i know you're trying to

1461
01:03:53,349 --> 01:03:50,319
speak

1462
01:04:03,829 --> 01:03:53,359
but it's all robotic right now like

1463
01:04:07,750 --> 01:04:05,910

yes no no it's good now it's good now i

1464

01:04:11,190 --> 01:04:07,760

don't know what you did

1465

01:04:14,630 --> 01:04:13,750

oh talking me what exactly do you want

1466

01:04:16,630 --> 01:04:14,640

me to say

1467

01:04:18,150 --> 01:04:16,640

okay no there they go no no you're clear

1468

01:04:19,829 --> 01:04:18,160

now you know you were sounding like a

1469

01:04:22,069 --> 01:04:19,839

computer

1470

01:04:23,750 --> 01:04:22,079

so i guess you weren't yourself welcome

1471

01:04:24,309 --> 01:04:23,760

to the simulation what do you want me to

1472

01:04:27,109 --> 01:04:24,319

say

1473

01:04:27,910 --> 01:04:27,119

right well um the reason i was asking is

1474

01:04:30,390 --> 01:04:27,920

i know the

1475

01:04:31,829 --> 01:04:30,400

close proximity of the two red orbs that

1476

01:04:34,630 --> 01:04:31,839

were over my house

1477

01:04:35,349 --> 01:04:34,640

the the initially you know my mind was

1478

01:04:37,270 --> 01:04:35,359

trying to

1479

01:04:38,950 --> 01:04:37,280

justify what i was looking at and the

1480

01:04:41,270 --> 01:04:38,960

way it made a sound

1481

01:04:42,069 --> 01:04:41,280

it was similar to a helicopter from a

1482

01:04:44,069 --> 01:04:42,079

distance

1483

01:04:45,270 --> 01:04:44,079

and although i couldn't see the rest of

1484

01:04:47,270 --> 01:04:45,280

her body i wanted

1485

01:04:48,710 --> 01:04:47,280

it to be helicopter i just kept trying

1486

01:04:49,829 --> 01:04:48,720

to convince myself that it's a

1487

01:04:51,910 --> 01:04:49,839

helicopter

1488

01:04:53,029 --> 01:04:51,920

you know and the closer and closer it

1489

01:04:55,589 --> 01:04:53,039

got you know

1490

01:04:56,710 --> 01:04:55,599

uh there was initially just one and then

1491

01:04:59,670 --> 01:04:56,720

a second one

1492

01:05:00,549 --> 01:04:59,680

uh maybe like 50 feet apart just came

1493

01:05:03,029 --> 01:05:00,559

right on

1494

01:05:04,230 --> 01:05:03,039

with you know uh basically there was

1495

01:05:07,430 --> 01:05:04,240

there was nothing that

1496

01:05:10,789 --> 01:05:07,440

that the the sky was like a beautiful um

1497

01:05:12,950 --> 01:05:10,799

night sky with um full moon so

1498

01:05:14,789 --> 01:05:12,960

uh if there was something like flying

1499

01:05:17,270 --> 01:05:14,799

through you could easily see it

1500

01:05:19,589 --> 01:05:17,280

but it just came came out of nowhere and

1501
01:05:21,670 --> 01:05:19,599
what was interesting is that the second

1502
01:05:22,789 --> 01:05:21,680
the second one came on i immediately

1503
01:05:24,789 --> 01:05:22,799
froze

1504
01:05:26,150 --> 01:05:24,799
you know it was that close to helicopter

1505
01:05:28,870 --> 01:05:26,160
weird

1506
01:05:30,390 --> 01:05:28,880
right but anyways but anyway it wasn't a

1507
01:05:33,270 --> 01:05:30,400
calico it was basically two

1508
01:05:34,549 --> 01:05:33,280
red orbs but my mind wanted it to be a

1509
01:05:36,710 --> 01:05:34,559
helicopter until

1510
01:05:38,710 --> 01:05:36,720
i basically couldn't continue lying to

1511
01:05:39,510 --> 01:05:38,720
myself anymore that's why i was asking

1512
01:05:45,349 --> 01:05:39,520
if

1513
01:05:49,109 --> 01:05:45,359

too to where it affected me physically

1514

01:05:52,230 --> 01:05:49,119

no um it only affected me physically

1515

01:05:55,670 --> 01:05:52,240

later in life when

1516

01:05:56,710 --> 01:05:55,680

it's in the sense of deja vu if you ever

1517

01:06:01,670 --> 01:05:56,720

get deja vu

1518

01:06:04,549 --> 01:06:01,680

that is usually during a very um

1519

01:06:04,950 --> 01:06:04,559

hyper intensive moment in your life it

1520

01:06:08,710 --> 01:06:04,960

could

1521

01:06:11,829 --> 01:06:08,720

either be

1522

01:06:15,190 --> 01:06:11,839

from a breakup and

1523

01:06:17,750 --> 01:06:15,200

then you like like

1524

01:06:19,029 --> 01:06:17,760

what i mean by hyper intensive is the

1525

01:06:23,510 --> 01:06:19,039

fact that

1526

01:06:26,950 --> 01:06:23,520

like um you know at that moment in time

1527

01:06:27,670 --> 01:06:26,960

that a path has been chosen and you snap

1528

01:06:31,430 --> 01:06:27,680

back

1529

01:06:33,750 --> 01:06:31,440

to reality um whatever that means

1530

01:06:34,789 --> 01:06:33,760

to anyone who's listening unto anyone

1531

01:06:36,789 --> 01:06:34,799

who's out there

1532

01:06:38,710 --> 01:06:36,799

maybe they've experienced it maybe they

1533

01:06:56,770 --> 01:06:38,720

haven't maybe they will experience it

1534

01:07:00,470 --> 01:06:59,029

[Music]

1535

01:07:09,990 --> 01:07:00,480

i know you're trying to speak to me but

1536

01:07:13,990 --> 01:07:12,870

well um if you can maybe move back to

1537

01:07:17,190 --> 01:07:14,000

the same spot and

1538

01:07:20,870 --> 01:07:17,200

and then continue from there okay

1539

01:07:21,990 --> 01:07:20,880

maybe disconnected now maybe jim will

1540

01:07:25,349 --> 01:07:22,000

come back on

1541

01:07:27,349 --> 01:07:25,359

um just wanted to

1542

01:07:28,549 --> 01:07:27,359

address i'm waiting for jim to come back

1543

01:07:30,150 --> 01:07:28,559

on and then we can

1544

01:07:32,150 --> 01:07:30,160

going to do a conversation unless

1545

01:07:32,870 --> 01:07:32,160

someone else maybe bradley or brand that

1546

01:07:35,910 --> 01:07:32,880

would like to

1547

01:07:38,950 --> 01:07:35,920

come on and speak to me but to answer um

1548

01:07:41,750 --> 01:07:38,960

kenny moreno i says

1549

01:07:43,910 --> 01:07:41,760

no you do not have to uh you're not have

1550

01:07:44,710 --> 01:07:43,920

to pay just simply download the app on

1551
01:07:47,270 --> 01:07:44,720
your phone

1552
01:07:49,430 --> 01:07:47,280
which called telegram or on the computer

1553
01:07:51,829 --> 01:07:49,440
wherever whatever device you're using

1554
01:07:54,950 --> 01:07:51,839
and you should be able to when you set

1555
01:07:57,190 --> 01:07:54,960
it up uh do a search for ufo hub

1556
01:07:59,750 --> 01:07:57,200
and the link is also below this video

1557
01:08:03,190 --> 01:07:59,760
whether you're watching this on um

1558
01:08:04,789 --> 01:08:03,200
youtube facebook or twitch it's

1559
01:08:06,710 --> 01:08:04,799
below the video and you should be able

1560
01:08:08,230 --> 01:08:06,720
to click on it and it'll take you

1561
01:08:10,950 --> 01:08:08,240
directly to the group

1562
01:08:12,710 --> 01:08:10,960
just simply join it um and join the

1563
01:08:15,029 --> 01:08:12,720

voice chat and then you and i can

1564

01:08:15,990 --> 01:08:15,039

can speak there but yeah i would um i

1565

01:08:17,430 --> 01:08:16,000

would uh

1566

01:08:19,030 --> 01:08:17,440

love to hear what you have to say

1567

01:08:21,349 --> 01:08:19,040

because that's the whole point of

1568

01:08:23,430 --> 01:08:21,359

um these open lines is for anyone else

1569

01:08:25,910 --> 01:08:23,440

to call in and speak to me

1570

01:08:27,749 --> 01:08:25,920

and of course then in in turn shared

1571

01:08:29,349 --> 01:08:27,759

their story with everyone else

1572

01:08:30,950 --> 01:08:29,359

that's watching live and will be

1573

01:08:34,149 --> 01:08:30,960

watching for many weeks

1574

01:08:38,709 --> 01:08:34,159

months and years to come

1575

01:08:40,550 --> 01:08:38,719

okay i guess jim i guess uh

1576

01:08:41,829 --> 01:08:40,560

jim is probably still working something

1577

01:08:43,590 --> 01:08:41,839

out

1578

01:08:45,990 --> 01:08:43,600

for now but let me see then i'll catch

1579

01:08:49,349 --> 01:08:46,000

up with you

1580

01:08:50,070 --> 01:08:49,359

guys on here if there's any other

1581

01:09:04,829 --> 01:08:50,080

questions

1582

01:09:04,839 --> 01:09:08,950

okay

1583

01:09:12,789 --> 01:09:10,870

sometimes i'm trying to decide i'm not

1584

01:09:15,829 --> 01:09:12,799

100 sure if

1585

01:09:16,709 --> 01:09:15,839

the app i'm using is too slow or if i'm

1586

01:09:22,630 --> 01:09:16,719

actually getting

1587

01:09:22,640 --> 01:09:28,709

so i'm going to log in

1588

01:09:42,630 --> 01:09:32,870

and read it directly off of

1589

01:09:51,269 --> 01:09:49,030

all right so

1590

01:09:52,390 --> 01:09:51,279

nope doesn't seem like it was it was

1591

01:10:06,630 --> 01:09:52,400

pretty much

1592

01:10:11,189 --> 01:10:09,990

all right um but yeah if if any of you

1593

01:10:20,310 --> 01:10:11,199

have any

1594

01:10:24,630 --> 01:10:22,149

sounded like you muted yourself there

1595

01:10:28,390 --> 01:10:24,640

for a second

1596

01:10:30,149 --> 01:10:28,400

go oh can you hear me now

1597

01:10:32,630 --> 01:10:30,159

i can hear you now can you hear me now

1598

01:10:35,910 --> 01:10:32,640

yes yes you're clear now

1599

01:10:37,430 --> 01:10:35,920

oh goodness me well again i apologize

1600

01:10:38,950 --> 01:10:37,440

for the connection issues i don't know

1601

01:10:41,590 --> 01:10:38,960

why the hell that is happening

1602

01:10:43,669 --> 01:10:41,600

but um oh no problem i just uh you know

1603

01:10:45,350 --> 01:10:43,679

i'm glad we're working it out and

1604

01:10:46,950 --> 01:10:45,360

you know i don't want you thinking it's

1605

01:10:48,390 --> 01:10:46,960

me doing something everyone can

1606

01:10:50,149 --> 01:10:48,400

hear the same thing i'm hearing it's

1607

01:10:50,790 --> 01:10:50,159

just very robotic maybe you're out of

1608

01:10:53,590 --> 01:10:50,800

signal

1609

01:10:55,669 --> 01:10:53,600

or if you're using a a wi-fi or

1610

01:10:58,870 --> 01:10:55,679

something or if you're using a

1611

01:11:00,870 --> 01:10:58,880

cell tower um

1612

01:11:01,910 --> 01:11:00,880

i'm not using the satellite phone not

1613

01:11:03,910 --> 01:11:01,920

just here anyway

1614

01:11:05,830 --> 01:11:03,920

i don't know i meant like no using the

1615

01:11:07,110 --> 01:11:05,840

cell phone tower to connect instead of

1616

01:11:12,390 --> 01:11:07,120

your local wi-fi

1617

01:11:12,870 --> 01:11:12,400

yeah all right data yeah yeah well i

1618

01:11:15,590 --> 01:11:12,880

could be

1619

01:11:19,750 --> 01:11:15,600

but um right you know you're clear now

1620

01:11:24,470 --> 01:11:22,709

so yeah um like like there's nothing

1621

01:11:25,510 --> 01:11:24,480

really much i can tell except for my

1622

01:11:28,149 --> 01:11:25,520

experience and

1623

01:11:29,430 --> 01:11:28,159

like how that correlates to others

1624

01:11:31,590 --> 01:11:29,440

experiences

1625

01:11:33,270 --> 01:11:31,600

well i don't want to push it try to say

1626

01:11:33,750 --> 01:11:33,280

right i don't want to push it too far it

1627

01:11:35,669 --> 01:11:33,760

was

1628

01:11:37,189 --> 01:11:35,679

can you maybe get into why you don't

1629

01:11:40,390 --> 01:11:37,199

necessarily don't want to

1630

01:11:43,510 --> 01:11:40,400

share some of the bt contacts

1631

01:11:47,110 --> 01:11:43,520

uh fear of the mib

1632

01:11:50,390 --> 01:11:47,120

to be honest with you fear just fear

1633

01:11:53,510 --> 01:11:50,400

um fear and that's the way it is

1634

01:11:54,950 --> 01:11:53,520

like for me to get into contact with him

1635

01:11:56,870 --> 01:11:54,960

in the first place it came through

1636

01:12:00,390 --> 01:11:56,880

meditation and that

1637

01:12:04,229 --> 01:12:00,400

that i didn't actually know

1638

01:12:07,350 --> 01:12:04,239

any form of like how to

1639

01:12:10,070 --> 01:12:07,360

um later in

1640

01:12:12,550 --> 01:12:10,080

life as of like a year ago i know that

1641

01:12:14,790 --> 01:12:12,560

there are specific hand guides

1642

01:12:16,630 --> 01:12:14,800

you can try to do with meditation to get

1643

01:12:19,270 --> 01:12:16,640

in contact with these beings

1644

01:12:19,830 --> 01:12:19,280

but when i done it i knew nothing about

1645

01:12:22,550 --> 01:12:19,840

it

1646

01:12:23,669 --> 01:12:22,560

and if i could reverse time i never

1647

01:12:26,310 --> 01:12:23,679

would have

1648

01:12:27,910 --> 01:12:26,320

because i saw what i saw and it was not

1649

01:12:31,030 --> 01:12:27,920

for the better

1650

01:12:32,229 --> 01:12:31,040

so i'm a firm believer in uaps i'm a

1651
01:12:35,910 --> 01:12:32,239
firm believer

1652
01:12:38,229 --> 01:12:35,920
in the beyond but if i could roll back

1653
01:12:41,430 --> 01:12:38,239
time i would never

1654
01:12:43,590 --> 01:12:41,440
have done that for the it's not for the

1655
01:12:44,630 --> 01:12:43,600
better in your own personal life or what

1656
01:12:47,750 --> 01:12:44,640
what are you referring to

1657
01:12:49,030 --> 01:12:47,760
specifically in my own personal life i

1658
01:12:50,310 --> 01:12:49,040
would never have done it because it's

1659
01:12:57,910 --> 01:12:50,320
not worth it

1660
01:12:59,430 --> 01:12:57,920
but what good is knowing

1661
01:13:04,550 --> 01:12:59,440
what good means just the fact that you

1662
01:13:09,830 --> 01:13:04,560
know uh you wished you didn't

1663
01:13:14,149 --> 01:13:09,840

wish that's that's a different subject

1664

01:13:17,669 --> 01:13:16,390

i wish to know about it and i know about

1665

01:13:20,390 --> 01:13:17,679

it now

1666

01:13:21,910 --> 01:13:20,400

do i wish that i took it back no of

1667

01:13:25,270 --> 01:13:21,920

course not

1668

01:13:28,390 --> 01:13:25,280

but would i like to

1669

01:13:30,229 --> 01:13:28,400

yes because it's not worth it it's not

1670

01:13:32,550 --> 01:13:30,239

worth knowing about it

1671

01:13:33,590 --> 01:13:32,560

it's not worth it because once you know

1672

01:13:35,830 --> 01:13:33,600

about the

1673

01:13:37,350 --> 01:13:35,840

things that are out there in the sense

1674

01:13:39,510 --> 01:13:37,360

of like they are here

1675

01:13:41,590 --> 01:13:39,520

they are being witnessed on people's

1676

01:13:43,430 --> 01:13:41,600

phones and you've got hundreds of

1677

01:13:44,709 --> 01:13:43,440

thousands of people asking what the hell

1678

01:13:48,229 --> 01:13:44,719

are these things

1679

01:13:51,110 --> 01:13:48,239

um like like like what do you want

1680

01:13:53,110 --> 01:13:51,120

like you can't have someone just answer

1681

01:13:55,590 --> 01:13:53,120

it for you

1682

01:13:56,709 --> 01:13:55,600

that's not the way it goes you can only

1683

01:14:00,310 --> 01:13:56,719

go by other

1684

01:14:01,990 --> 01:14:00,320

individual experiences to try and figure

1685

01:14:03,750 --> 01:14:02,000

out the puzzle

1686

01:14:05,669 --> 01:14:03,760

they're not just gonna come down here

1687

01:14:09,110 --> 01:14:05,679

and say hey guys

1688

01:14:12,630 --> 01:14:09,120

we're gonna come on to your mnbcb

1689

01:14:16,390 --> 01:14:12,640

monday 8pm tune in

1690

01:14:20,310 --> 01:14:16,400

that's not the way it works right it's

1691

01:14:22,709 --> 01:14:20,320

case by case individual um

1692

01:14:23,510 --> 01:14:22,719

experiences and that's why i was saying

1693

01:14:26,950 --> 01:14:23,520

earlier

1694

01:14:31,030 --> 01:14:26,960

that it's like the the whole uap

1695

01:14:33,990 --> 01:14:31,040

phenomenon is going on the television

1696

01:14:35,750 --> 01:14:34,000

to inform the masses okay these things

1697

01:14:38,550 --> 01:14:35,760

are here

1698

01:14:40,390 --> 01:14:38,560

but what are they exactly they're not

1699

01:14:40,790 --> 01:14:40,400

talking about that they're just talking

1700

01:14:45,270 --> 01:14:40,800

about

1701

01:14:47,189 --> 01:14:45,280

they are here what are they so to speak

1702

01:14:48,630 --> 01:14:47,199

and then you get all the disinformation

1703

01:14:51,669 --> 01:14:48,640

about what they

1704

01:14:54,630 --> 01:14:51,679

are are they a breakaway civilization

1705

01:14:56,310 --> 01:14:54,640

well they down well could be they damn

1706

01:14:59,189 --> 01:14:56,320

well could be

1707

01:15:03,270 --> 01:14:59,199

three trillion dollars went missing on

1708

01:15:07,189 --> 01:15:03,280

the 10th of september 2001

1709

01:15:13,430 --> 01:15:11,110

that is a fact but it could be it could

1710

01:15:14,229 --> 01:15:13,440

it could be who knows who knows what

1711

01:15:17,590 --> 01:15:14,239

you're talking about

1712

01:15:18,470 --> 01:15:17,600

day before he makes that announcement

1713

01:15:21,669 --> 01:15:18,480

the next day

1714

01:15:25,430 --> 01:15:21,679

9 11 happens yeah

1715

01:15:28,550 --> 01:15:25,440

of course i am yeah i know okay

1716

01:15:30,149 --> 01:15:28,560

i mean where where's silver where's

1717

01:15:33,189 --> 01:15:30,159

silverstein

1718

01:15:36,470 --> 01:15:33,199

he's been absent for

1719

01:15:37,110 --> 01:15:36,480

the past 20 years i'd love to know where

1720

01:15:39,270 --> 01:15:37,120

he is

1721

01:15:40,950 --> 01:15:39,280

or is it goldstein i can't remember i

1722

01:15:43,990 --> 01:15:40,960

think it's silverstein

1723

01:15:47,430 --> 01:15:44,000

the um the owner of the twin towers

1724

01:15:48,790 --> 01:15:47,440

he put a quite a luxurious uh insurance

1725

01:15:51,590 --> 01:15:48,800

policy

1726

01:15:52,310 --> 01:15:51,600

and uh cashed out on that and finally

1727

01:15:56,070 --> 01:15:52,320

enough

1728

01:16:00,950 --> 01:15:56,080

the fbi in 1996 um according to

1729

01:16:04,790 --> 01:16:00,960

leaked um documents from wikileaks

1730

01:16:07,590 --> 01:16:04,800

um apparently the fbi were training

1731

01:16:08,790 --> 01:16:07,600

during the clinton administration for a

1732

01:16:11,030 --> 01:16:08,800

terrorist attack

1733

01:16:12,790 --> 01:16:11,040

in the us that just so happened to

1734

01:16:14,870 --> 01:16:12,800

involve the pentagon

1735

01:16:15,990 --> 01:16:14,880

and the world trade center but that is

1736

01:16:20,709 --> 01:16:16,000

hearsay

1737

01:16:22,790 --> 01:16:20,719

well if you do some research it's not

1738

01:16:24,070 --> 01:16:22,800

here say there is

1739

01:16:25,990 --> 01:16:24,080

of course a seriously of course it's

1740

01:16:27,590 --> 01:16:26,000

your site because no one can search for

1741

01:16:30,149 --> 01:16:27,600

it no one can search for you go on to

1742

01:16:32,950 --> 01:16:30,159

google scrub

1743

01:16:34,310 --> 01:16:32,960

go to wikileaks wikileaks because it was

1744

01:16:36,149 --> 01:16:34,320

the it was the fema

1745

01:16:40,709 --> 01:16:36,159

initially that were that were uh

1746

01:16:44,870 --> 01:16:42,630

i said there was fema initially that was

1747

01:16:47,830 --> 01:16:44,880

scheduling that that um

1748

01:16:48,470 --> 01:16:47,840

that uh terrorist attack basically they

1749

01:16:50,229 --> 01:16:48,480

were they were

1750

01:16:52,229 --> 01:16:50,239

they were practicing they were saying

1751
01:16:53,590 --> 01:16:52,239
they were like oh we're simulating the

1752
01:16:56,310 --> 01:16:53,600
scenario and then

1753
01:16:57,910 --> 01:16:56,320
it just so happened and then the exact

1754
01:17:00,149 --> 01:16:57,920
exactly same thing they're practicing

1755
01:17:03,350 --> 01:17:00,159
for happened the next day

1756
01:17:04,790 --> 01:17:03,360
you're 100 correct however um i don't

1757
01:17:06,870 --> 01:17:04,800
know anything about fema

1758
01:17:08,470 --> 01:17:06,880
being involved i don't know anything

1759
01:17:10,390 --> 01:17:08,480
about females

1760
01:17:11,910 --> 01:17:10,400
are you so are you in the us by any

1761
01:17:12,470 --> 01:17:11,920
chance just wondering because sometimes

1762
01:17:15,669 --> 01:17:12,480
i am

1763
01:17:17,110 --> 01:17:15,679

mentioning certain um things and people

1764

01:17:19,510 --> 01:17:17,120

that are not in the u.s they might not

1765

01:17:26,229 --> 01:17:23,110

i'm in europe okay

1766

01:17:27,910 --> 01:17:26,239

all right well jim um uh it was nice

1767

01:17:29,669 --> 01:17:27,920

chatting with you let me if you can hang

1768

01:17:31,430 --> 01:17:29,679

tight i want to get to kenny he had

1769

01:17:33,350 --> 01:17:31,440

raised his hand i want to get everyone a

1770

01:17:36,070 --> 01:17:33,360

chance that wanted to speak if

1771

01:17:36,630 --> 01:17:36,080

if you know if you're okay with that you

1772

01:17:38,070 --> 01:17:36,640

know if

1773

01:17:40,310 --> 01:17:38,080

i i don't know how much longer we'll

1774

01:17:41,990 --> 01:17:40,320

keep going but i'll i'll be here

1775

01:17:43,590 --> 01:17:42,000

forever longer so you're saying this is

1776

01:17:45,350 --> 01:17:43,600

going to turn into a group session in

1777

01:17:46,709 --> 01:17:45,360

which i answer questions from the

1778

01:17:50,310 --> 01:17:46,719

audience

1779

01:17:51,990 --> 01:17:50,320

no no no i'm i'm talking right

1780

01:17:53,350 --> 01:17:52,000

you know the same way you had a chance

1781

01:17:55,590 --> 01:17:53,360

your platform that's okay

1782

01:17:57,430 --> 01:17:55,600

in the same way you have a chance to to

1783

01:18:01,430 --> 01:17:57,440

come and speak i want to give also kenny

1784

01:18:01,440 --> 01:18:04,630

can you hear me

1785

01:18:12,630 --> 01:18:08,149

oh okay i guess you already left uh

1786

01:18:14,709 --> 01:18:12,640

let me meet you and kenny you are

1787

01:18:19,270 --> 01:18:14,719

you are unmuted if you unmute yourself

1788

01:18:25,750 --> 01:18:22,709

hello hi can you hear me can you hear me

1789

01:18:26,870 --> 01:18:25,760

okay cool i can hear you okay um

1790

01:18:29,110 --> 01:18:26,880

where do i begin what do you want to

1791

01:18:32,070 --> 01:18:29,120

know uh you know what i'll just tell you

1792

01:18:33,430 --> 01:18:32,080

all right straight up there are there

1793

01:18:37,750 --> 01:18:33,440

are certain things

1794

01:18:41,750 --> 01:18:37,760

that our eyes or basically our senses

1795

01:18:44,950 --> 01:18:41,760

our whole entire senses is uh completely

1796

01:18:47,110 --> 01:18:44,960

um warped it's uh manipulated

1797

01:18:48,310 --> 01:18:47,120

i know it sounds crazy but this is this

1798

01:18:51,430 --> 01:18:48,320

is what i know

1799

01:18:53,030 --> 01:18:51,440

there are certain individuals who are

1800

01:18:56,149 --> 01:18:53,040

working

1801

01:18:59,430 --> 01:18:56,159

in the air force of the united states

1802

01:19:02,870 --> 01:18:59,440

america they appear to be human

1803

01:19:04,950 --> 01:19:02,880

but they are not what they claim to be

1804

01:19:06,950 --> 01:19:04,960

okay i can describe them how they look

1805

01:19:09,990 --> 01:19:06,960

like they're some of them

1806

01:19:10,550 --> 01:19:10,000

look you know occasion some of them look

1807

01:19:14,070 --> 01:19:10,560

like they're

1808

01:19:14,550 --> 01:19:14,080

uh you know african-american or mexican

1809

01:19:26,310 --> 01:19:14,560

they

1810

01:19:32,229 --> 01:19:26,320

tongue

1811

01:19:32,950 --> 01:19:32,239

like a snake all right i guess these

1812

01:19:35,990 --> 01:19:32,960

people are

1813

01:19:39,750 --> 01:19:36,000

reptilians and uh the thing

1814

01:19:42,149 --> 01:19:39,760

is that their eyes they have like a

1815

01:19:43,669 --> 01:19:42,159

uh you know like a normal human being

1816

01:19:47,669 --> 01:19:43,679

eyes look it's like a spear or

1817

01:19:51,030 --> 01:19:47,679

a fear and uh they can change

1818

01:19:53,669 --> 01:19:51,040

those eye eyelids those eyeballs those

1819

01:19:54,390 --> 01:19:53,679

those things into like a lizard and like

1820

01:19:56,149 --> 01:19:54,400

a snake

1821

01:19:58,070 --> 01:19:56,159

like like a cat would do you know how

1822

01:20:00,550 --> 01:19:58,080

cats usually uh

1823

01:20:02,310 --> 01:20:00,560

change their eyes from a solid sphere a

1824

01:20:06,390 --> 01:20:02,320

sphere

1825

01:20:10,709 --> 01:20:06,400

to a vertical line

1826

01:20:14,229 --> 01:20:10,719

okay so okay so they have uh

1827

01:20:17,189 --> 01:20:14,239

they can do that all right and um

1828

01:20:18,790 --> 01:20:17,199

hold on you're talking about cat's eyes

1829

01:20:19,590 --> 01:20:18,800

yes you know how cat's eyes changes

1830

01:20:22,149 --> 01:20:19,600

right

1831

01:20:23,189 --> 01:20:22,159

well i always knew that they are more

1832

01:20:25,590 --> 01:20:23,199

like a

1833

01:20:26,950 --> 01:20:25,600

vertical and they're that they're pretty

1834

01:20:28,470 --> 01:20:26,960

much vertical all the time are you

1835

01:20:31,270 --> 01:20:28,480

saying they can actually adjust them i

1836

01:20:34,790 --> 01:20:33,510

okay but these things can do that they

1837

01:20:38,310 --> 01:20:34,800

can manipulate their

1838

01:20:41,110 --> 01:20:38,320

their pupils to be spear fears

1839

01:20:41,990 --> 01:20:41,120

into uh to a vertical lines like a snake

1840

01:20:45,669 --> 01:20:42,000

would be

1841

01:20:48,709 --> 01:20:45,679

all right and these things

1842

01:20:52,070 --> 01:20:48,719

they are they have this this the stench

1843

01:20:55,350 --> 01:20:52,080

this this the smell that that can

1844

01:20:59,990 --> 01:20:55,360

literally work your entire world

1845

01:21:01,910 --> 01:21:00,000

like it's um it's a phenomenon

1846

01:21:06,550 --> 01:21:01,920

i we don't even know what we're truly

1847

01:21:09,990 --> 01:21:09,110

everything we see is a lie they are some

1848

01:21:12,550 --> 01:21:10,000

type of my

1849

01:21:13,590 --> 01:21:12,560

master manipulators these things smell

1850

01:21:17,270 --> 01:21:13,600

so bad

1851

01:21:19,590 --> 01:21:17,280

that they literally smell as as old as

1852

01:21:21,350 --> 01:21:19,600

far back as the dinosaurs even older

1853

01:21:21,990 --> 01:21:21,360

than the dinosaurs that's how bad their

1854

01:21:24,870 --> 01:21:22,000

stance

1855

01:21:25,830 --> 01:21:24,880

is if you ever get a riff of it it'll

1856

01:21:29,830 --> 01:21:25,840

literally warp

1857

01:21:32,470 --> 01:21:29,840

your entire mind it's it's insane

1858

01:21:32,950 --> 01:21:32,480

okay and i saw kenny just real quick i'm

1859

01:21:35,990 --> 01:21:32,960

sorry

1860

01:21:36,390 --> 01:21:36,000

so before before you continue i must

1861

01:21:38,950 --> 01:21:36,400

have missed

1862

01:21:40,550 --> 01:21:38,960

in the beginning are you speaking about

1863

01:21:42,310 --> 01:21:40,560

something you know or

1864

01:21:43,990 --> 01:21:42,320

things you just generally were learning

1865

01:21:46,790 --> 01:21:44,000

about

1866

01:21:48,070 --> 01:21:46,800

i know i seen it i worked at a

1867

01:21:50,629 --> 01:21:48,080

convenience store

1868

01:21:51,669 --> 01:21:50,639

for about nine and a half years so i'm

1869

01:21:54,629 --> 01:21:51,679

always

1870

01:21:55,430 --> 01:21:54,639

seeing every everybody needs to get gas

1871

01:21:57,910 --> 01:21:55,440

everybody

1872

01:21:59,189 --> 01:21:57,920

needs to get something and i've

1873

01:22:01,750 --> 01:21:59,199

encountered

1874

01:22:02,470 --> 01:22:01,760

a multiple a variety of different

1875

01:22:04,070 --> 01:22:02,480

creatures

1876

01:22:05,910 --> 01:22:04,080

some that you might not even believe

1877

01:22:08,870 --> 01:22:05,920

their real but they do

1878

01:22:10,229 --> 01:22:08,880

exist some that you think that oh it's

1879

01:22:12,470 --> 01:22:10,239

only in the movies

1880

01:22:13,910 --> 01:22:12,480

but you know it's some of these things

1881

01:22:15,510 --> 01:22:13,920

i'm only going to talk about this one

1882

01:22:16,229 --> 01:22:15,520

specific thing because this one specific

1883

01:22:19,510 --> 01:22:16,239

thing

1884

01:22:22,870 --> 01:22:19,520

was literally working at the air first

1885

01:22:26,709 --> 01:22:22,880

and this thing where i saw was a

1886

01:22:29,430 --> 01:22:26,719

large massive triangular ship

1887

01:22:30,390 --> 01:22:29,440

like very large i want to say maybe four

1888

01:22:33,750 --> 01:22:30,400

or five

1889

01:22:36,830 --> 01:22:33,760

football fields i'm estimating and

1890

01:22:38,629 --> 01:22:36,840

the that was the the the length and the

1891

01:22:40,390 --> 01:22:38,639

riff

1892

01:22:41,750 --> 01:22:40,400

it's you know a triangle is perfect so

1893

01:22:45,270 --> 01:22:41,760

it's it's just as

1894

01:22:47,510 --> 01:22:45,280

long as it was as its rift and the the

1895

01:22:48,470 --> 01:22:47,520

higher how you said the death of it

1896

01:22:51,430 --> 01:22:48,480

maybe uh

1897

01:22:52,709 --> 01:22:51,440

maybe like a a building like a tower

1898

01:22:56,310 --> 01:22:52,719

like a building

1899

01:22:58,629 --> 01:22:56,320

like this this was hovering over uh

1900

01:23:00,390 --> 01:22:58,639

was it uh lachlan air force base i

1901

01:23:03,189 --> 01:23:00,400

believe i'm not mistaken

1902

01:23:04,070 --> 01:23:03,199

and this thing was literally a massive

1903

01:23:07,189 --> 01:23:04,080

ship

1904

01:23:11,030 --> 01:23:07,199

and it was i it had no noise

1905

01:23:11,590 --> 01:23:11,040

i mean no no no no sign of uh any noise

1906

01:23:14,950 --> 01:23:11,600

to

1907

01:23:16,550 --> 01:23:14,960

nothing

1908

01:23:18,470 --> 01:23:16,560

the fact is that there's a there's a

1909

01:23:21,270 --> 01:23:18,480

massive triangle ship and these

1910

01:23:23,030 --> 01:23:21,280

ships can disguise themselves as the sky

1911

01:23:23,750 --> 01:23:23,040

they can manipulate themselves to be a

1912

01:23:26,790 --> 01:23:23,760

cloud

1913

01:23:28,149 --> 01:23:26,800

or just the sky itself

1914

01:23:29,430 --> 01:23:28,159

i know this sounds crazy but you know

1915

01:23:30,390 --> 01:23:29,440

what i ain't got no choice i ain't got

1916

01:23:33,430 --> 01:23:30,400

nothing else to lose

1917

01:23:35,110 --> 01:23:33,440

i don't know i

1918

01:23:37,750 --> 01:23:35,120

i understand so were you saying you

1919

01:23:40,229 --> 01:23:37,760

worked by the base or you were on the

1920

01:23:43,510 --> 01:23:40,239

base when this happened

1921

01:23:44,229 --> 01:23:43,520

let's just say that i was driving by the

1922

01:23:47,270 --> 01:23:44,239

base

1923

01:23:50,950 --> 01:23:47,280

okay i see okay okay

1924

01:23:54,709 --> 01:23:50,960

now let's just say that i have a gift

1925

01:23:58,310 --> 01:23:54,719

that's that i could see things that well

1926

01:24:02,070 --> 01:23:58,320

i've i've i've died when i was a child

1927

01:24:03,830 --> 01:24:02,080

i came back all right and

1928

01:24:05,189 --> 01:24:03,840

i know this sounds biblical but you know

1929

01:24:08,470 --> 01:24:05,199

what if you

1930

01:24:09,590 --> 01:24:08,480

if you listen then it might make sense

1931

01:24:11,830 --> 01:24:09,600

i'm not gonna get biblical i'm just

1932

01:24:15,110 --> 01:24:11,840

trying to tell you what i know so far

1933

01:24:17,910 --> 01:24:15,120

okay this thing the

1934

01:24:18,950 --> 01:24:17,920

the the they're everywhere you don't

1935

01:24:22,550 --> 01:24:18,960

know who they are

1936

01:24:26,229 --> 01:24:22,560

what they are the mind manipulations

1937

01:24:27,590 --> 01:24:26,239

i mean we're we're being told a lie

1938

01:24:30,550 --> 01:24:27,600

all right we're living in a world of

1939

01:24:32,870 --> 01:24:30,560

lies and

1940

01:24:33,669 --> 01:24:32,880

i don't know who was going to believe me

1941

01:24:35,750 --> 01:24:33,679

or

1942

01:24:37,189 --> 01:24:35,760

who i could really talk to i've been

1943

01:24:38,550 --> 01:24:37,199

trying to get to mufon

1944

01:24:40,310 --> 01:24:38,560

i've been trying to get to third phase

1945

01:24:41,750 --> 01:24:40,320

moon i've been trying to i've been

1946

01:24:43,910 --> 01:24:41,760

trying to reach anybody who

1947

01:24:45,990 --> 01:24:43,920

would listen to me nobody wants to

1948

01:24:47,510 --> 01:24:46,000

listen to me nobody wants to hear me

1949

01:24:49,910 --> 01:24:47,520

and i saw your platform i figured you

1950

01:24:52,310 --> 01:24:49,920

know if i just give them the brief

1951

01:24:53,669 --> 01:24:52,320

details of what i know okay here's

1952

01:24:57,030 --> 01:24:53,679

here's i may have been

1953

01:24:58,870 --> 01:24:57,040

experimented onto this is i have

1954

01:25:01,350 --> 01:24:58,880

i've gone to the doctors to get myself

1955

01:25:01,990 --> 01:25:01,360

checked up not even the doctors would

1956

01:25:04,310 --> 01:25:02,000

fill me

1957

01:25:05,910 --> 01:25:04,320

up he's my physician and he didn't want

1958

01:25:08,149 --> 01:25:05,920

to fill my body

1959

01:25:09,750 --> 01:25:08,159

i have something inside my chest the

1960

01:25:10,310 --> 01:25:09,760

last time i went to the doctor was when

1961

01:25:13,350 --> 01:25:10,320

i was

1962

01:25:14,390 --> 01:25:13,360

probably and they said that they had

1963

01:25:16,790 --> 01:25:14,400

found like a

1964

01:25:17,910 --> 01:25:16,800

an object underneath my chest plate my

1965

01:25:20,149 --> 01:25:17,920

chest

1966

01:25:21,270 --> 01:25:20,159

is warped and it wasn't never like that

1967

01:25:24,470 --> 01:25:21,280

before i was

1968

01:25:27,189 --> 01:25:24,480

uh in bandar school and i

1969

01:25:28,390 --> 01:25:27,199

woke up to get ready to go to school and

1970

01:25:31,669 --> 01:25:28,400

then i realized

1971

01:25:33,510 --> 01:25:31,679

that my chest was warped it wasn't like

1972

01:25:35,750 --> 01:25:33,520

that before when i went to sleep

1973

01:25:36,870 --> 01:25:35,760

but when i woke up it was warped we went

1974

01:25:39,030 --> 01:25:36,880

to the doctors

1975

01:25:40,709 --> 01:25:39,040

10 doctors when you when you hear 10

1976

01:25:42,870 --> 01:25:40,719

doctors going into your room

1977

01:25:44,790 --> 01:25:42,880

and they took blood work and they took

1978

01:25:46,070 --> 01:25:44,800

you know cat scans they did everything

1979

01:25:48,310 --> 01:25:46,080

and then when 10 doctors come to your

1980

01:25:50,709 --> 01:25:48,320

room and they say that there's an object

1981

01:25:51,830 --> 01:25:50,719

underneath your chest plate the size of

1982

01:26:07,350 --> 01:25:51,840

a

1983

01:26:11,030 --> 01:26:07,360

one of those two now i'm

1984

01:26:14,149 --> 01:26:11,040

35 years old i'm in no pain

1985

01:26:17,990 --> 01:26:14,159

and i said i am

1986

01:26:21,030 --> 01:26:18,000

like i still have this warped chest

1987

01:26:24,310 --> 01:26:21,040

and the thing is i heal quickly

1988

01:26:26,790 --> 01:26:24,320

i i like my they say i had a

1989

01:26:27,830 --> 01:26:26,800

high fast metabolism all right all right

1990

01:26:30,310 --> 01:26:27,840

so

1991

01:26:31,430 --> 01:26:30,320

i didn't i you know i heal very quickly

1992

01:26:34,229 --> 01:26:31,440

for some reason

1993

01:26:35,669 --> 01:26:34,239

and i'm also able to do minor minor

1994

01:26:37,750 --> 01:26:35,679

healing like

1995

01:26:39,669 --> 01:26:37,760

you know it's like i could hear you know

1996

01:26:40,870 --> 01:26:39,679

how long have you ever had a knot in

1997

01:26:42,470 --> 01:26:40,880

your head like someone over hit you over

1998

01:26:45,270 --> 01:26:42,480

the head and you got a bump

1999

01:26:47,030 --> 01:26:45,280

right okay how long does that usually

2000

01:26:50,149 --> 01:26:47,040

take to go away

2001

01:26:53,350 --> 01:26:50,159

about a week week and a half possibly

2002

01:26:57,590 --> 01:26:53,360

yeah well it takes that long i know

2003

01:26:59,910 --> 01:26:57,600

but i was able to heal an individual

2004

01:27:01,110 --> 01:26:59,920

and it went away like in less than

2005

01:27:03,110 --> 01:27:01,120

seconds

2006

01:27:05,270 --> 01:27:03,120

i freaked out when i when i was doing

2007

01:27:08,790 --> 01:27:05,280

this but when i did

2008

01:27:10,790 --> 01:27:08,800

i continued to do it because i had to

2009

01:27:12,709 --> 01:27:10,800

get the thing out of the way so i did

2010

01:27:16,310 --> 01:27:12,719

and it happened

2011

01:27:19,669 --> 01:27:16,320

okay so i i'm able to heal minor things

2012

01:27:20,790 --> 01:27:19,679

not big things i'm able to to heal

2013

01:27:22,790 --> 01:27:20,800

quickly

2014

01:27:24,390 --> 01:27:22,800

uh i'm able to see things that no one

2015

01:27:27,750 --> 01:27:24,400

else is capable of saying look at

2016

01:27:29,189 --> 01:27:27,760

um there are what if i said

2017

01:27:30,950 --> 01:27:29,199

rocky you know what those rocky

2018

01:27:32,790 --> 01:27:30,960

inflatable balloon things never heard of

2019

01:27:33,510 --> 01:27:32,800

them the ones you see at the car

2020

01:27:36,390 --> 01:27:33,520

dealership

2021

01:27:37,270 --> 01:27:36,400

yeah yeah i know if i told you those

2022

01:27:41,030 --> 01:27:37,280

things

2023

01:27:43,189 --> 01:27:41,040

were actually well

2024

01:27:44,390 --> 01:27:43,199

you wouldn't believe it right i wouldn't

2025

01:27:46,550 --> 01:27:44,400

believe it

2026
01:27:48,149 --> 01:27:46,560
but these things these entities whatever

2027
01:27:50,550 --> 01:27:48,159
these things are

2028
01:27:52,390 --> 01:27:50,560
they're they revealing themselves to me

2029
01:27:55,510 --> 01:27:52,400
for some reason

2030
01:27:58,390 --> 01:27:55,520
and i don't i don't know why and

2031
01:28:00,229 --> 01:27:58,400
i've witnessed people who literally just

2032
01:28:00,629 --> 01:28:00,239
real quick just to clarify you're using

2033
01:28:02,950 --> 01:28:00,639
that

2034
01:28:04,390 --> 01:28:02,960
example to say if you were asking me

2035
01:28:06,310 --> 01:28:04,400
you're not saying

2036
01:28:08,070 --> 01:28:06,320
those things are revealing themselves to

2037
01:28:11,350 --> 01:28:08,080
be real you just use it as an example

2038
01:28:14,149 --> 01:28:11,360

am i correct no they're

2039

01:28:15,430 --> 01:28:14,159

real i'm just giving you brief brief

2040

01:28:17,669 --> 01:28:15,440

informations of what i've been

2041

01:28:19,830 --> 01:28:17,679

encountering with

2042

01:28:21,510 --> 01:28:19,840

there are alien people there are there

2043

01:28:22,550 --> 01:28:21,520

are snake like people there are pig like

2044

01:28:25,510 --> 01:28:22,560

people

2045

01:28:27,110 --> 01:28:25,520

there are there are things that i

2046

01:28:30,149 --> 01:28:27,120

couldn't even begin to describe

2047

01:28:31,270 --> 01:28:30,159

but they they look normal they act like

2048

01:28:32,629 --> 01:28:31,280

normal people

2049

01:28:34,310 --> 01:28:32,639

they could be your neighbors they could

2050

01:28:36,709 --> 01:28:34,320

be your brothers your sisters

2051

01:28:37,830 --> 01:28:36,719

it could be anyone because they can

2052

01:28:41,669 --> 01:28:37,840

manipulate

2053

01:28:46,390 --> 01:28:43,990

right you mean of our perception what we

2054

01:28:47,910 --> 01:28:46,400

can see is that what you're referring to

2055

01:28:50,149 --> 01:28:47,920

i'm just trying i'm just trying not to

2056

01:28:52,390 --> 01:28:50,159

put yeah you're right

2057

01:28:54,870 --> 01:28:52,400

our deception of what we see what we

2058

01:28:58,149 --> 01:28:54,880

feel our entire senses

2059

01:29:01,990 --> 01:28:58,159

is a lie i mean we all we

2060

01:29:04,550 --> 01:29:02,000

were taught what we we

2061

01:29:05,270 --> 01:29:04,560

grew up in what we grew up in we only

2062

01:29:08,790 --> 01:29:05,280

know what

2063

01:29:11,830 --> 01:29:08,800

they taught us to know they

2064

01:29:15,189 --> 01:29:11,840

like i was able to taste

2065

01:29:18,470 --> 01:29:15,199

certain foods that i've ate had

2066

01:29:19,910 --> 01:29:18,480

eaten a long time and when i had this

2067

01:29:22,070 --> 01:29:19,920

new taste but

2068

01:29:23,350 --> 01:29:22,080

i started tasting the things like soda

2069

01:29:26,870 --> 01:29:23,360

and chips

2070

01:29:28,229 --> 01:29:26,880

it was not what it appeared to be

2071

01:29:30,550 --> 01:29:28,239

okay have you heard of the mandela

2072

01:29:34,950 --> 01:29:30,560

effect yes

2073

01:29:37,030 --> 01:29:34,960

okay what mandela effect affected you

2074

01:29:38,790 --> 01:29:37,040

if if you have been affected by it not

2075

01:29:41,189 --> 01:29:38,800

everyone has

2076

01:29:43,030 --> 01:29:41,199

no i just i mean i was affected by the

2077

01:29:44,310 --> 01:29:43,040

fact that it existed because

2078

01:29:46,229 --> 01:29:44,320

you know when people started talking

2079

01:29:49,110 --> 01:29:46,239

about that they remembered certain

2080

01:29:50,790 --> 01:29:49,120

uh past events differently certain you

2081

01:29:52,870 --> 01:29:50,800

know silly things like

2082

01:29:53,990 --> 01:29:52,880

phrases that we all grew up as children

2083

01:29:56,709 --> 01:29:54,000

with on tv

2084

01:29:58,229 --> 01:29:56,719

but they said it differently you know um

2085

01:30:00,870 --> 01:29:58,239

the most famous one is that

2086

01:30:01,669 --> 01:30:00,880

uh star wars one where they when they

2087

01:30:03,990 --> 01:30:01,679

say

2088

01:30:05,030 --> 01:30:04,000

you know like then star wars he never

2089

01:30:08,149 --> 01:30:05,040

actually says

2090

01:30:10,950 --> 01:30:08,159

um luke i am your father

2091

01:30:11,590 --> 01:30:10,960

you know he just says you know luke i am

2092

01:30:13,030 --> 01:30:11,600

with father

2093

01:30:14,870 --> 01:30:13,040

something like that and i can't i'm

2094

01:30:15,510 --> 01:30:14,880

maybe butchering it but it's a different

2095

01:30:17,350 --> 01:30:15,520

saying

2096

01:30:19,110 --> 01:30:17,360

and so the way we always thought he said

2097

01:30:22,390 --> 01:30:19,120

it it's not what actually occurred

2098

01:30:25,430 --> 01:30:22,400

and so some people what did you remember

2099

01:30:27,669 --> 01:30:25,440

i remember that luke i am your father

2100

01:30:28,629 --> 01:30:27,679

okay that's what i remember too okay do

2101

01:30:31,830 --> 01:30:28,639

you know anything about

2102

01:30:33,590 --> 01:30:31,840

astronomy oh it's a

2103

01:30:34,950 --> 01:30:33,600

huge subject i mean if you give me just

2104

01:30:36,950 --> 01:30:34,960

a little little

2105

01:30:38,149 --> 01:30:36,960

little idea of what what you're

2106

01:30:41,910 --> 01:30:38,159

referring to i could

2107

01:30:43,830 --> 01:30:41,920

maybe say okay um

2108

01:30:48,070 --> 01:30:43,840

where do you remember the earth being

2109

01:30:51,350 --> 01:30:48,080

located at in the milky way

2110

01:30:52,790 --> 01:30:51,360

on the outer rims have you have you

2111

01:30:55,430 --> 01:30:52,800

checked lately to see where

2112

01:30:57,750 --> 01:30:55,440

the what google or the internet will

2113

01:31:03,510 --> 01:30:57,760

tell you where the earth is located at

2114

01:31:06,550 --> 01:31:03,520

no are you are you saying that it's not

2115

01:31:08,790 --> 01:31:06,560

they're saying that the earth is located

2116

01:31:11,350 --> 01:31:08,800

inside the milky way now here's the

2117

01:31:14,950 --> 01:31:11,360

funny thing is the funny picture is

2118

01:31:17,990 --> 01:31:14,960

i was nowhere near the milky way

2119

01:31:20,629 --> 01:31:18,000

we were never near the milky way we sent

2120

01:31:22,390 --> 01:31:20,639

probes into the milky way to see if

2121

01:31:24,550 --> 01:31:22,400

there were earth-like planets

2122

01:31:25,990 --> 01:31:24,560

we took pictures of the milky way okay

2123

01:31:26,629 --> 01:31:26,000

it's like uh say if you want to take a

2124

01:31:29,030 --> 01:31:26,639

picture of

2125

01:31:30,470 --> 01:31:29,040

the eiffel tower right you want to get

2126

01:31:33,430 --> 01:31:30,480

back far back

2127

01:31:35,910 --> 01:31:33,440

so that you get a good good picture of

2128

01:31:39,030 --> 01:31:35,920

it right the whole deal right

2129

01:31:39,590 --> 01:31:39,040

so that's what that's how far back our

2130

01:31:42,070 --> 01:31:39,600

planet

2131

01:31:42,709 --> 01:31:42,080

was from the milky way we were so far

2132

01:31:44,870 --> 01:31:42,719

back

2133

01:31:46,950 --> 01:31:44,880

that we were able to just take a whole

2134

01:31:50,390 --> 01:31:46,960

picture of the milky way whenever

2135

01:31:53,990 --> 01:31:50,400

we were never in it nor were we

2136

01:31:56,470 --> 01:31:54,000

beside it and just real quick how do you

2137

01:31:59,270 --> 01:31:56,480

uh was this information you was conveyed

2138

01:32:02,390 --> 01:31:59,280

to you in one way or another

2139

01:32:06,870 --> 01:32:02,400

okay let's just say like this i'm

2140

01:32:10,629 --> 01:32:06,880

i'm uh i'm learning impaired right

2141

01:32:12,790 --> 01:32:10,639

but i'm not i'm like not completely

2142

01:32:13,910 --> 01:32:12,800

mentally challenged okay i just like for

2143

01:32:16,070 --> 01:32:13,920

me

2144

01:32:17,750 --> 01:32:16,080

would would you guys take seconds to

2145

01:32:20,550 --> 01:32:17,760

learn and figure out right

2146

01:32:21,270 --> 01:32:20,560

it takes me years to go over it and

2147

01:32:23,750 --> 01:32:21,280

study it and

2148

01:32:25,270 --> 01:32:23,760

we confirm and we we go at it again and

2149

01:32:26,629 --> 01:32:25,280

again until i finally figure out okay

2150

01:32:29,669 --> 01:32:26,639

this is the answer

2151

01:32:33,430 --> 01:32:29,679

you know what i mean so i

2152

01:32:35,510 --> 01:32:33,440

love i love geography i love astronomy

2153

01:32:37,030 --> 01:32:35,520

i was never good with reading or

2154

01:32:39,350 --> 01:32:37,040

spelling

2155

01:32:40,550 --> 01:32:39,360

i have a sixth grade level of reading if

2156

01:32:42,790 --> 01:32:40,560

that makes any sense

2157

01:32:44,310 --> 01:32:42,800

but i'm able to read all right i'm able

2158

01:32:47,430 --> 01:32:44,320

to learn i'm able

2159

01:32:48,950 --> 01:32:47,440

to remember like history because let's

2160

01:32:49,750 --> 01:32:48,960

face it if you're not good with math if

2161

01:32:53,189 --> 01:32:49,760

you're not good with

2162

01:32:56,310 --> 01:32:53,199

reading

2163

01:32:58,790 --> 01:32:56,320

you have to adapt your ability to uh

2164

01:32:59,750 --> 01:32:58,800

to to succeed in life like dancing

2165

01:33:02,870 --> 01:32:59,760

singing

2166

01:33:03,510 --> 01:33:02,880

uh memorization of uh you know geography

2167

01:33:05,270 --> 01:33:03,520

or uh

2168

01:33:07,030 --> 01:33:05,280

astronomy you know stuff like that that

2169

01:33:09,990 --> 01:33:07,040

got me interested and

2170

01:33:10,390 --> 01:33:10,000

i love star wars and yes i remember him

2171

01:33:12,629 --> 01:33:10,400

saying

2172

01:33:15,110 --> 01:33:12,639

luke i am your father and the way he

2173

01:33:16,870 --> 01:33:15,120

said it was more passionate more emotion

2174

01:33:19,030 --> 01:33:16,880

and when you hear it now it just seems

2175

01:33:19,750 --> 01:33:19,040

emptiness it feels nothing you feel

2176
01:33:22,790 --> 01:33:19,760
nothing

2177
01:33:24,390 --> 01:33:22,800
you know what i mean okay and and the

2178
01:33:26,550 --> 01:33:24,400
reason why i remember these things

2179
01:33:27,590 --> 01:33:26,560
because i lived a very traumatic life

2180
01:33:29,910 --> 01:33:27,600
and people who are

2181
01:33:30,629 --> 01:33:29,920
who've been traumatized are always going

2182
01:33:32,950 --> 01:33:30,639
to remember

2183
01:33:35,110 --> 01:33:32,960
how things went no matter what you know

2184
01:33:38,149 --> 01:33:35,120
what i mean

2185
01:33:39,430 --> 01:33:38,159
so the thing is have you looked at the

2186
01:33:42,629 --> 01:33:39,440
geography of the

2187
01:33:46,629 --> 01:33:42,639
the earth i mean

2188
01:33:47,990 --> 01:33:46,639

what i remember is cuba was never inside

2189

01:33:51,189 --> 01:33:48,000

the gulf of mexico

2190

01:33:51,830 --> 01:33:51,199

it was on the outskirts but if you look

2191

01:33:55,189 --> 01:33:51,840

at it

2192

01:33:57,189 --> 01:33:55,199

you can see that cuba is like the tip is

2193

01:33:59,270 --> 01:33:57,199

in the gulf of mexico and it makes you

2194

01:34:01,350 --> 01:33:59,280

really think why jfk

2195

01:34:03,350 --> 01:34:01,360

was worried about cuba launching

2196

01:34:07,430 --> 01:34:03,360

missiles to the united states because

2197

01:34:12,310 --> 01:34:09,990

right right so you're saying you do

2198

01:34:16,390 --> 01:34:12,320

remember two different

2199

01:34:20,870 --> 01:34:20,070

i remember my geographic i am looking i

2200

01:34:23,990 --> 01:34:20,880

have to do

2201

01:34:26,709 --> 01:34:24,000

i have to read i have to relearn

2202

01:34:27,030 --> 01:34:26,719

everything because everything that they

2203

01:34:29,910 --> 01:34:27,040

put

2204

01:34:30,390 --> 01:34:29,920

on this online or whatever they're

2205

01:34:33,430 --> 01:34:30,400

saying

2206

01:34:34,950 --> 01:34:33,440

wrong it's all wrong the graphics

2207

01:34:37,430 --> 01:34:34,960

have you looked at the united states

2208

01:34:38,070 --> 01:34:37,440

lately it looked like we shrunk a little

2209

01:34:39,910 --> 01:34:38,080

bit

2210

01:34:41,270 --> 01:34:39,920

canada looks like it's gotten more of

2211

01:34:43,510 --> 01:34:41,280

the great lakes

2212

01:34:45,590 --> 01:34:43,520

than we do i remember us having the

2213

01:34:49,350 --> 01:34:45,600

great lakes the lakes were ours

2214

01:34:55,510 --> 01:34:52,550

texas has gotten a lot bigger and it

2215

01:34:56,070 --> 01:34:55,520

yeah and there's no explanation we had

2216

01:34:57,350 --> 01:34:56,080

an

2217

01:35:00,310 --> 01:34:57,360

outage i don't know if you heard about

2218

01:35:02,229 --> 01:35:00,320

it texas had a winter storm

2219

01:35:03,910 --> 01:35:02,239

and we had an outage right and you're

2220

01:35:07,030 --> 01:35:03,920

going to ask yourself why do we have an

2221

01:35:09,430 --> 01:35:07,040

outage we the state

2222

01:35:10,390 --> 01:35:09,440

was only prepared to handle what it had

2223

01:35:13,270 --> 01:35:10,400

had

2224

01:35:14,070 --> 01:35:13,280

originally but because of this mandela

2225

01:35:17,109 --> 01:35:14,080

effect

2226

01:35:19,189 --> 01:35:17,119

we've gained more land now by

2227

01:35:20,950 --> 01:35:19,199

having more land and not having enough

2228

01:35:23,590 --> 01:35:20,960

equipment to prepare

2229

01:35:27,590 --> 01:35:23,600

to to cover the the landmass you're

2230

01:35:33,590 --> 01:35:31,030

now they're

2231

01:35:34,550 --> 01:35:33,600

they're these things are everywhere

2232

01:35:36,629 --> 01:35:34,560

right

2233

01:35:38,149 --> 01:35:36,639

they are in the military they are well

2234

01:35:40,310 --> 01:35:38,159

you're certainly going to make me

2235

01:35:41,590 --> 01:35:40,320

you you're just you talking just

2236

01:35:43,189 --> 01:35:41,600

certainly it's going to make me just

2237

01:35:44,950 --> 01:35:43,199

because of my own interest want to

2238

01:35:46,790 --> 01:35:44,960

look that up and see what what is it

2239

01:35:47,750 --> 01:35:46,800

that i remember last and if it's still

2240

01:35:50,070 --> 01:35:47,760

the same just to

2241

01:35:51,189 --> 01:35:50,080

just to double check so thanks for that

2242

01:35:53,270 --> 01:35:51,199

hey uh

2243

01:35:55,109 --> 01:35:53,280

have you ever had fruit of the looms the

2244

01:35:58,550 --> 01:35:55,119

underwears or clothing

2245

01:36:02,870 --> 01:35:58,560

yeah okay do you remember it having a

2246

01:36:06,229 --> 01:36:05,030

it's like a basket no no i know i'm just

2247

01:36:08,550 --> 01:36:06,239

trying to i don't

2248

01:36:10,550 --> 01:36:08,560

know actually i never really paid that

2249

01:36:12,229 --> 01:36:10,560

much close attention to it i know

2250

01:36:14,870 --> 01:36:12,239

off the brand but it's not something

2251
01:36:15,510 --> 01:36:14,880
that i can specifically save was one way

2252
01:36:17,910 --> 01:36:15,520
this time

2253
01:36:20,149 --> 01:36:17,920
and different way this you know another

2254
01:36:21,510 --> 01:36:20,159
time so i can't i'm not a good example

2255
01:36:23,910 --> 01:36:21,520
to be used for that

2256
01:36:25,270 --> 01:36:23,920
so let me tell you how i know for sure

2257
01:36:28,870 --> 01:36:25,280
okay i'm

2258
01:36:31,430 --> 01:36:28,880
i'm not we're not a very rich people

2259
01:36:33,430 --> 01:36:31,440
or were you ever heard of a

2260
01:36:36,070 --> 01:36:33,440
hand-me-downs

2261
01:36:38,070 --> 01:36:36,080
um yeah that's how i grew up just

2262
01:36:39,350 --> 01:36:38,080
kidding i was the oldest my brother grew

2263
01:36:41,350 --> 01:36:39,360

up with that

2264

01:36:43,189 --> 01:36:41,360

but you're having his you're close to

2265

01:36:46,070 --> 01:36:43,199

him or something like that right right

2266

01:36:49,430 --> 01:36:46,080

so so basically i had a whole lot of

2267

01:36:52,550 --> 01:36:49,440

hand-me-downs including the drawers

2268

01:36:54,790 --> 01:36:52,560

okay and i remember the cornucopia

2269

01:36:56,310 --> 01:36:54,800

i remember it because it had a basket

2270

01:37:00,149 --> 01:36:56,320

you go up there right

2271

01:37:02,950 --> 01:37:00,159

and you see that they

2272

01:37:04,950 --> 01:37:02,960

they will tell you that it's never had a

2273

01:37:06,310 --> 01:37:04,960

conucopia that they never they never put

2274

01:37:08,149 --> 01:37:06,320

that in there it was always just the

2275

01:37:09,830 --> 01:37:08,159

fruit

2276

01:37:12,070 --> 01:37:09,840

okay i used to look at a gas and i keep

2277

01:37:15,189 --> 01:37:12,080

saying this because as a guest

2278

01:37:17,189 --> 01:37:15,199

as a clerk as a csr i'm always

2279

01:37:18,709 --> 01:37:17,199

front facing and fifo you know first in

2280

01:37:20,550 --> 01:37:18,719

first out right

2281

01:37:24,229 --> 01:37:20,560

so do you how do you remember a

2282

01:37:25,669 --> 01:37:24,239

coca-cola symbol look like

2283

01:37:27,750 --> 01:37:25,679

can you like can you describe the

2284

01:37:30,870 --> 01:37:27,760

coca-cola the logo

2285

01:37:31,350 --> 01:37:30,880

well it would be the coca-cola with that

2286

01:37:35,430 --> 01:37:31,360

little

2287

01:37:37,590 --> 01:37:35,440

um swish going through the center

2288

01:37:38,950 --> 01:37:37,600

kind of like a design like a little

2289

01:37:42,149 --> 01:37:38,960

ribbon going through

2290

01:37:44,470 --> 01:37:42,159

the center of it if i remember correctly

2291

01:37:46,149 --> 01:37:44,480

okay it's like a it's kind of like a

2292

01:37:46,790 --> 01:37:46,159

like a line like a horizontal line it's

2293

01:37:48,709 --> 01:37:46,800

in the middle

2294

01:37:50,310 --> 01:37:48,719

is that what you're talking about right

2295

01:37:51,669 --> 01:37:50,320

i don't i don't know too much about like

2296

01:37:53,270 --> 01:37:51,679

i said i was bad in english

2297

01:37:55,189 --> 01:37:53,280

but that's what i'm talking about if you

2298

01:37:56,790 --> 01:37:55,199

look at it it looks like it's french now

2299

01:38:00,229 --> 01:37:56,800

it has like a like a little

2300

01:38:02,550 --> 01:38:00,239

line going like uh not vertical or

2301

01:38:03,910 --> 01:38:02,560

horizontal it's uh like a slash

2302

01:38:06,070 --> 01:38:03,920

you know and it looks like french it

2303

01:38:08,390 --> 01:38:06,080

looks like it's just

2304

01:38:09,750 --> 01:38:08,400

okay we kick cat right hold on one quick

2305

01:38:12,470 --> 01:38:09,760

second let me see

2306

01:38:13,590 --> 01:38:12,480

browser go ahead say something else

2307

01:38:15,590 --> 01:38:13,600

please

2308

01:38:16,950 --> 01:38:15,600

okay so look hold on one quick second

2309

01:38:18,390 --> 01:38:16,960

can you hold on one second

2310

01:38:19,669 --> 01:38:18,400

what i'm doing i'm switching over to my

2311

01:38:21,189 --> 01:38:19,679

browser but i want to make sure that

2312

01:38:22,870 --> 01:38:21,199

they can all still hear you

2313

01:38:24,950 --> 01:38:22,880

while i'm showing the graphics that's

2314

01:38:26,950 --> 01:38:24,960

i'm just just sit tight please

2315

01:38:28,070 --> 01:38:26,960

if you guys can confirm real quick can

2316

01:38:33,270 --> 01:38:28,080

you still

2317

01:38:37,270 --> 01:38:33,280

just get a confirmation in the chat i'll

2318

01:38:40,950 --> 01:38:39,189

uh yeah kenny you were you were saying

2319

01:38:42,830 --> 01:38:40,960

something um because i'm pulling up the

2320

01:38:44,390 --> 01:38:42,840

image now to see because it made me

2321

01:38:45,910 --> 01:38:44,400

curious

2322

01:38:48,550 --> 01:38:45,920

okay yes they can still hear you i'm

2323

01:38:50,310 --> 01:38:48,560

sorry go ahead continue so you're saying

2324

01:38:51,669 --> 01:38:50,320

okay i'm looking at it right now so it's

2325

01:38:53,750 --> 01:38:51,679

just a

2326

01:38:55,590 --> 01:38:53,760

line yeah like a little line in the

2327

01:38:57,830 --> 01:38:55,600

middle

2328

01:38:59,990 --> 01:38:57,840

yeah but they will swear that they will

2329

01:39:02,390 --> 01:39:00,000

say it was never been like that

2330

01:39:05,109 --> 01:39:02,400

okay you you ever seen the movie um uh

2331

01:39:13,189 --> 01:39:08,149

uh the the sk

2332

01:39:16,390 --> 01:39:13,199

original oh yes yes yeah the original

2333

01:39:16,790 --> 01:39:16,400

uh yes it's been a while okay there is

2334

01:39:19,910 --> 01:39:16,800

this

2335

01:39:22,070 --> 01:39:19,920

pardon a pardon

2336

01:39:23,270 --> 01:39:22,080

of the the original movie of uh the

2337

01:39:25,830 --> 01:39:23,280

sixth sense

2338

01:39:27,590 --> 01:39:25,840

okay instead of instead of him saying i

2339

01:39:30,629 --> 01:39:27,600

see dead people right

2340

01:39:34,070 --> 01:39:30,639

it's ice you know

2341

01:39:38,070 --> 01:39:34,080

the original line was i see white people

2342

01:39:41,189 --> 01:39:38,080

all right but if you look at it again

2343

01:39:43,030 --> 01:39:41,199

it will say i see dead people where's

2344

01:39:44,390 --> 01:39:43,040

the joke at where's the pardon

2345

01:39:46,390 --> 01:39:44,400

the funny what's the pun at you know

2346

01:39:49,830 --> 01:39:46,400

what i mean right

2347

01:39:52,070 --> 01:39:49,840

okay and okay look

2348

01:39:52,870 --> 01:39:52,080

they're they're i will say that there is

2349

01:39:55,030 --> 01:39:52,880

something

2350

01:39:57,590 --> 01:39:55,040

trying to communicate with me but i

2351

01:39:59,750 --> 01:39:57,600

don't know who or what it is

2352

01:40:00,950 --> 01:39:59,760

okay in my world i know this is gonna

2353

01:40:05,750 --> 01:40:00,960

sound unbelievable

2354

01:40:08,070 --> 01:40:05,760

but the moon in my world actually spend

2355

01:40:09,109 --> 01:40:08,080

but in this world the moon doesn't spin

2356

01:40:11,270 --> 01:40:09,119

it's there it's

2357

01:40:12,390 --> 01:40:11,280

it's straight it's impossible it's

2358

01:40:15,189 --> 01:40:12,400

impossible because

2359

01:40:16,470 --> 01:40:15,199

if the world was created was created by

2360

01:40:17,590 --> 01:40:16,480

the big bang right

2361

01:40:18,950 --> 01:40:17,600

everything out there should be

2362

01:40:20,629 --> 01:40:18,960

constantly moving because there's

2363

01:40:22,550 --> 01:40:20,639

nothing out there to stop it

2364

01:40:23,830 --> 01:40:22,560

it's like one of those uh those fidget

2365

01:40:25,189 --> 01:40:23,840

spinners you know

2366

01:40:27,030 --> 01:40:25,199

the big bang started when somebody

2367

01:40:28,550 --> 01:40:27,040

started the spinner right and

2368

01:40:30,149 --> 01:40:28,560

there's nothing there that's going to

2369

01:40:31,750 --> 01:40:30,159

stop it but

2370

01:40:33,990 --> 01:40:31,760

for something to stop it means that

2371

01:40:35,510 --> 01:40:34,000

there's some type of entity out there

2372

01:40:38,550 --> 01:40:35,520

that is able to

2373

01:40:40,310 --> 01:40:38,560

hold the moon in place well that's

2374

01:40:41,109 --> 01:40:40,320

interesting yeah no i've always i've

2375

01:40:42,709 --> 01:40:41,119

always

2376

01:40:44,390 --> 01:40:42,719

i'm sure i don't know what everyone else

2377

01:40:47,350 --> 01:40:44,400

would say on on chat

2378

01:40:48,149 --> 01:40:47,360

but i've always known it as um not

2379

01:40:50,870 --> 01:40:48,159

spinning

2380

01:40:53,030 --> 01:40:50,880

personally yeah i know i know it has

2381

01:40:54,790 --> 01:40:53,040

changed

2382

01:40:56,870 --> 01:40:54,800

but if you look if you've ever been

2383

01:40:59,189 --> 01:40:56,880

around the country

2384

01:41:01,109 --> 01:40:59,199

there's so much stars so many stars that

2385

01:41:04,070 --> 01:41:01,119

i can't even locate the north star

2386

01:41:05,910 --> 01:41:04,080

that's how that's that's how bad i am

2387

01:41:09,030 --> 01:41:05,920

i'm in this because i'm

2388

01:41:10,950 --> 01:41:09,040

i'm in a world that is not my own

2389

01:41:13,030 --> 01:41:10,960
and it's it's it's hard to live in this

2390

01:41:15,430 --> 01:41:13,040
world because i'm trying to

2391

01:41:17,990 --> 01:41:15,440
re-educate myself and how to function in

2392

01:41:20,470 --> 01:41:18,000
the society and

2393

01:41:22,149 --> 01:41:20,480
the sun is a lot closer the stars are a

2394

01:41:22,790 --> 01:41:22,159
lot closer the moon seems to be a lot

2395

01:41:24,870 --> 01:41:22,800
closer

2396

01:41:26,470 --> 01:41:24,880
and it's only because we're inside the

2397

01:41:29,030 --> 01:41:26,480
milky way

2398

01:41:31,270 --> 01:41:29,040
and right well nobody's nobody is

2399

01:41:34,070 --> 01:41:31,280
talking about the mandela effect but

2400

01:41:34,790 --> 01:41:34,080
if there was ever a hostile takeover

2401

01:41:37,350 --> 01:41:34,800

this would be

2402

01:41:39,270 --> 01:41:37,360

it people should be afraid because

2403

01:41:41,350 --> 01:41:39,280

someone who's able to change

2404

01:41:42,390 --> 01:41:41,360

history world war two have you looked up

2405

01:41:43,750 --> 01:41:42,400

that

2406

01:41:45,350 --> 01:41:43,760

there's if you look up world war two

2407

01:41:46,310 --> 01:41:45,360

you're gonna notice a lot of strange

2408

01:41:49,109 --> 01:41:46,320

changes

2409

01:41:49,910 --> 01:41:49,119

that occurred and it's it's it's scary

2410

01:41:52,709 --> 01:41:49,920

because

2411

01:41:55,030 --> 01:41:52,719

if if anyone were to change the past

2412

01:41:58,070 --> 01:41:55,040

would create a butterfly effect

2413

01:42:00,950 --> 01:41:58,080

like maybe 9 11 wouldn't that happen

2414

01:42:02,470 --> 01:42:00,960

if uh you know germany didn't or japan

2415

01:42:05,430 --> 01:42:02,480

didn't send like balloons

2416

01:42:06,790 --> 01:42:05,440

that exploded you know what i mean look

2417

01:42:09,510 --> 01:42:06,800

it up i'm telling you

2418

01:42:12,629 --> 01:42:09,520

okay um what else was there something

2419

01:42:14,950 --> 01:42:12,639

specific for world war ii because i know

2420

01:42:15,910 --> 01:42:14,960

i mean with my because only i mean

2421

01:42:18,550 --> 01:42:15,920

obviously besides

2422

01:42:19,910 --> 01:42:18,560

history because i know my grandfather my

2423

01:42:21,910 --> 01:42:19,920

mom's dad he was

2424

01:42:23,350 --> 01:42:21,920

in one of the concentration camps and

2425

01:42:25,910 --> 01:42:23,360

when he was let

2426

01:42:26,709 --> 01:42:25,920

let go he had to basically walk back

2427

01:42:30,070 --> 01:42:26,719

from wherever

2428

01:42:31,189 --> 01:42:30,080

he was at uh back to basia so i still

2429

01:42:32,950 --> 01:42:31,199

have that memory

2430

01:42:35,350 --> 01:42:32,960

unless something has changed and i

2431

01:42:38,550 --> 01:42:35,360

wouldn't remember that i remember that

2432

01:42:39,109 --> 01:42:38,560

unless unless something came yes there

2433

01:42:40,870 --> 01:42:39,119

is like

2434

01:42:42,470 --> 01:42:40,880

everybody knows about pearl harbor right

2435

01:42:43,430 --> 01:42:42,480

we were attacked and that's how we began

2436

01:42:46,310 --> 01:42:43,440

the war right

2437

01:42:47,590 --> 01:42:46,320

right but if you look it up there you're

2438

01:42:49,669 --> 01:42:47,600

gonna see that that

2439

01:42:50,870 --> 01:42:49,679

it wasn't just per harbor that we were

2440

01:42:53,669 --> 01:42:50,880

attacked that they had

2441

01:42:55,350 --> 01:42:53,679

sent like um those uh there's air

2442

01:42:57,750 --> 01:42:55,360

balloons or something like that

2443

01:42:58,790 --> 01:42:57,760

and that they are they were bombing us

2444

01:43:00,149 --> 01:42:58,800

from the

2445

01:43:01,669 --> 01:43:00,159

probably for california i believe

2446

01:43:02,390 --> 01:43:01,679

without a mistake i have to go look at

2447

01:43:04,550 --> 01:43:02,400

it again

2448

01:43:07,109 --> 01:43:04,560

but if you look it up you you'll notice

2449

01:43:10,550 --> 01:43:07,119

that that you will notice that

2450

01:43:12,790 --> 01:43:10,560

all right and uh look

2451

01:43:14,550 --> 01:43:12,800

i know everything that i'm saying is is

2452

01:43:16,709 --> 01:43:14,560

insane but

2453

01:43:19,350 --> 01:43:16,719

well no i mean i'm glad i mean this is

2454

01:43:21,430 --> 01:43:19,360

the the exact channel for you to

2455

01:43:22,390 --> 01:43:21,440

be sharing your story i mean it's the

2456

01:43:24,870 --> 01:43:22,400

point here is that

2457

01:43:25,750 --> 01:43:24,880

you know you have an experience that

2458

01:43:29,669 --> 01:43:25,760

maybe some

2459

01:43:30,950 --> 01:43:29,679

not but at least you know you had the

2460

01:43:32,790 --> 01:43:30,960

opportunity to do that

2461

01:43:34,470 --> 01:43:32,800

you know don't don't be afraid that

2462

01:43:34,950 --> 01:43:34,480

somebody's going to be ridiculing for it

2463

01:43:39,109 --> 01:43:34,960

i mean

2464

01:43:40,790 --> 01:43:39,119

it's if if the very least it's always

2465

01:43:41,910 --> 01:43:40,800

entertaining even with anything i have

2466

01:43:43,990 --> 01:43:41,920

to say to people

2467

01:43:45,430 --> 01:43:44,000

only when they come across information

2468

01:43:46,790 --> 01:43:45,440

that they're faced with

2469

01:43:48,709 --> 01:43:46,800

you know that's something that they're

2470

01:43:49,189 --> 01:43:48,719

gonna realize they're gonna have to deal

2471

01:43:51,030 --> 01:43:49,199

with

2472

01:43:52,550 --> 01:43:51,040

you know but so it's always better to

2473

01:43:53,430 --> 01:43:52,560

just have all this information in the

2474

01:43:56,470 --> 01:43:53,440

back of the head

2475

01:43:58,149 --> 01:43:56,480

to use it when they need it okay

2476

01:43:59,510 --> 01:43:58,159

so like i was saying like like i have

2477

01:44:02,950 --> 01:43:59,520

this thing in my chest right

2478

01:44:05,750 --> 01:44:02,960

now this thing it feeds off of energy

2479

01:44:06,470 --> 01:44:05,760

all right like like i don't know what i

2480

01:44:09,510 --> 01:44:06,480

don't know

2481

01:44:10,550 --> 01:44:09,520

what it is i'm i'm up against but i feed

2482

01:44:13,590 --> 01:44:10,560

off their hate

2483

01:44:16,709 --> 01:44:13,600

i feed off their i feed off the positive

2484

01:44:20,070 --> 01:44:16,719

i mean okay like there

2485

01:44:22,629 --> 01:44:20,080

is a darkness that

2486

01:44:24,070 --> 01:44:22,639

can blanket the whole world and pure

2487

01:44:25,910 --> 01:44:24,080

pure darkness right

2488

01:44:27,750 --> 01:44:25,920

and everyone would think oh just because

2489

01:44:30,790 --> 01:44:27,760

it's dark it has no energy right

2490

01:44:32,070 --> 01:44:30,800

but this thing is energy i mean people

2491

01:44:34,070 --> 01:44:32,080

will talk about the

2492

01:44:35,750 --> 01:44:34,080

the sun as it being the light and the

2493

01:44:37,669 --> 01:44:35,760

source and the energy

2494

01:44:39,510 --> 01:44:37,679

but there's there's there's something

2495

01:44:41,990 --> 01:44:39,520

out there i don't know what it is

2496

01:44:43,590 --> 01:44:42,000

they call it the net planet naboo they

2497

01:44:45,830 --> 01:44:43,600

call it planet x

2498

01:44:48,070 --> 01:44:45,840

they call it you know whatever i like to

2499

01:44:50,950 --> 01:44:48,080

call it the the anti-god or the

2500

01:44:52,070 --> 01:44:50,960

you know the the black sun and this

2501

01:44:54,790 --> 01:44:52,080

thing

2502

01:44:57,430 --> 01:44:54,800

exists it's it's revealed itself to me

2503

01:44:58,709 --> 01:44:57,440

multiple times i've took pictures of it

2504

01:45:00,550 --> 01:44:58,719

and people would say oh this is the

2505

01:45:03,189 --> 01:45:00,560

camera and all this but

2506

01:45:04,070 --> 01:45:03,199

i mean i'm telling you there's something

2507

01:45:06,709 --> 01:45:04,080

out there

2508

01:45:07,669 --> 01:45:06,719

and it's been revealing stuff to me

2509

01:45:09,750 --> 01:45:07,679

stuff to me that

2510

01:45:10,709 --> 01:45:09,760

i don't want to know but i don't know

2511

01:45:13,030 --> 01:45:10,719

any of this i just

2512

01:45:13,990 --> 01:45:13,040

want i just wanted to have a normal life

2513

01:45:16,149 --> 01:45:14,000

right can you actually

2514

01:45:17,189 --> 01:45:16,159

i know what you're talking about because

2515

01:45:20,070 --> 01:45:17,199

um

2516

01:45:20,790 --> 01:45:20,080

i can't i can't speak to everything you

2517

01:45:22,709 --> 01:45:20,800

mentioned

2518

01:45:24,470 --> 01:45:22,719

but one of the things that i always you

2519

01:45:27,910 --> 01:45:24,480

know tell people about when it comes to

2520

01:45:29,669 --> 01:45:27,920

contact in general too there's a certain

2521

01:45:31,510 --> 01:45:29,679

level of your perception that gets

2522

01:45:33,510 --> 01:45:31,520

changed to where

2523

01:45:35,030 --> 01:45:33,520

you are now looking at things

2524

01:45:37,910 --> 01:45:35,040

differently you know

2525

01:45:38,470 --> 01:45:37,920

and that on a mass scale can mess with

2526

01:45:40,310 --> 01:45:38,480

people

2527

01:45:41,830 --> 01:45:40,320

you know because it's one thing for

2528

01:45:43,350 --> 01:45:41,840

let's say you to go through what you're

2529

01:45:44,629 --> 01:45:43,360

going through for me to have gone

2530

01:45:46,310 --> 01:45:44,639

through what i did and

2531

01:45:48,470 --> 01:45:46,320

other individuals while the rest of

2532

01:45:51,109 --> 01:45:48,480

society is still functioning just right

2533

01:45:52,709 --> 01:45:51,119

you know or just fine i mean but if all

2534

01:45:54,390 --> 01:45:52,719

of a sudden everyone was kind of going

2535

01:45:56,149 --> 01:45:54,400

through this like wow there's something

2536

01:45:58,470 --> 01:45:56,159

going on without reality

2537

01:46:00,470 --> 01:45:58,480

and you know being closer and closer in

2538

01:46:03,990 --> 01:46:00,480

contact with these different beings

2539

01:46:06,149 --> 01:46:04,000

you know um would open that up more um

2540

01:46:07,270 --> 01:46:06,159

you know it would you know start messing

2541

01:46:09,830 --> 01:46:07,280

with people

2542

01:46:11,750 --> 01:46:09,840

worldwide you know and so what what

2543

01:46:14,390 --> 01:46:11,760

you're referring to i i'm

2544

01:46:14,870 --> 01:46:14,400

i've been familiar with the feelings and

2545

01:46:18,390 --> 01:46:14,880

the

2546

01:46:19,109 --> 01:46:18,400

what you're talking about now i can't

2547

01:46:20,870 --> 01:46:19,119

confirm

2548

01:46:22,310 --> 01:46:20,880

any of the stuff regarding mandela

2549

01:46:23,910 --> 01:46:22,320

effect all this other stuff it seems

2550

01:46:25,669 --> 01:46:23,920

interesting that i want to look up

2551

01:46:27,189 --> 01:46:25,679

but i just wanted to confirm that that

2552

01:46:29,109 --> 01:46:27,199

once this is

2553

01:46:30,709 --> 01:46:29,119

you know i don't know what it is it's uh

2554

01:46:31,669 --> 01:46:30,719

i guess you can call it some kind of

2555

01:46:33,430 --> 01:46:31,679

awakening

2556

01:46:35,189 --> 01:46:33,440

to where all of the sudden you are more

2557

01:46:35,590 --> 01:46:35,199

aware of different things happening

2558

01:46:37,990 --> 01:46:35,600

there

2559

01:46:39,270 --> 01:46:38,000

and others are you aware of uh nikola

2560

01:46:42,550 --> 01:46:39,280

tesla

2561

01:46:45,990 --> 01:46:42,560

i know of him yes okay

2562

01:46:49,109 --> 01:46:46,000

he's born around my next woods

2563

01:46:49,750 --> 01:46:49,119

nikola tesla can testify to what i've

2564

01:46:51,669 --> 01:46:49,760

been through

2565

01:46:53,350 --> 01:46:51,679

he got electrocuted when he was

2566

01:46:58,149 --> 01:46:53,360

discovering electricity

2567

01:47:01,510 --> 01:46:58,159

i died by you know electricity

2568

01:47:03,910 --> 01:47:01,520

i mean i i put okay like here's

2569

01:47:05,669 --> 01:47:03,920

here's how it happened i was playing in

2570

01:47:06,950 --> 01:47:05,679

my sister's room and i'm i'm playing

2571

01:47:09,270 --> 01:47:06,960

with my toys and

2572

01:47:09,990 --> 01:47:09,280

like at the corner of my eye something

2573

01:47:13,510 --> 01:47:10,000

appears

2574

01:47:15,750 --> 01:47:13,520

i i looked at it

2575

01:47:17,510 --> 01:47:15,760

and i saw this uh object it's metal it

2576

01:47:19,669 --> 01:47:17,520

looks like it's copper it's flat

2577

01:47:21,030 --> 01:47:19,679

it's flexible i didn't know what it was

2578

01:47:22,950 --> 01:47:21,040

but i can only describe it as

2579

01:47:24,950 --> 01:47:22,960

copper looking and i kept on telling

2580

01:47:26,709 --> 01:47:24,960

myself is it my dad's tools

2581

01:47:28,550 --> 01:47:26,719

where did it come from how did it get

2582

01:47:29,830 --> 01:47:28,560

there and then finally something was

2583

01:47:30,550 --> 01:47:29,840

saying you know i'll stick it into the

2584

01:47:32,470 --> 01:47:30,560

socket

2585

01:47:33,750 --> 01:47:32,480

and so you know i did because i didn't

2586

01:47:34,070 --> 01:47:33,760

know any better all right i was probably

2587

01:47:37,109 --> 01:47:34,080

like

2588

01:47:38,629 --> 01:47:37,119

four maybe five and then something was

2589

01:47:40,229 --> 01:47:38,639

telling me okay now bend it and put the

2590

01:47:41,750 --> 01:47:40,239

other one in and i was like then i was

2591

01:47:43,510 --> 01:47:41,760

telling myself okay maybe

2592

01:47:45,270 --> 01:47:43,520

maybe this is a bad idea you know this

2593

01:47:46,310 --> 01:47:45,280

this is gonna hurt and then something

2594

01:47:48,709 --> 01:47:46,320

was telling me

2595

01:47:51,030 --> 01:47:48,719

you're not gonna get hurt and you know

2596

01:47:53,189 --> 01:47:51,040

what he was right about the first time

2597

01:47:55,189 --> 01:47:53,199

i put the medal in and i mean why

2598

01:47:57,669 --> 01:47:55,199

wouldn't he be right the second time

2599

01:47:58,390 --> 01:47:57,679

so i bent it and i put it in and as soon

2600

01:48:01,510 --> 01:47:58,400

as i pin

2601

01:48:04,310 --> 01:48:01,520

put the metal in like that i was

2602

01:48:05,430 --> 01:48:04,320

i was here i was there i was everywhere

2603

01:48:08,629 --> 01:48:05,440

i was in the past

2604

01:48:10,709 --> 01:48:08,639

the future the present i was you know i

2605

01:48:13,109 --> 01:48:10,719

was in the heavens i was in hell i was

2606

01:48:13,830 --> 01:48:13,119

i'm only describing it the way i as you

2607

01:48:15,590 --> 01:48:13,840

know as i

2608

01:48:17,350 --> 01:48:15,600

can describe it there's purgatory

2609

01:48:20,390 --> 01:48:17,360

there's a pit of

2610

01:48:20,790 --> 01:48:20,400

you know darkness is it's all real this

2611

01:48:24,149 --> 01:48:20,800

thing

2612

01:48:27,430 --> 01:48:24,159

does exist there is there is a god and

2613

01:48:27,910 --> 01:48:27,440

he told me what was going to happen to

2614

01:48:31,189 --> 01:48:27,920

this

2615

01:48:33,750 --> 01:48:31,199

about my

2616

01:48:34,470 --> 01:48:33,760

world not the world that i'm in now i

2617

01:48:36,550 --> 01:48:34,480

mean

2618

01:48:38,470 --> 01:48:36,560

he told me that the world was going to

2619

01:48:41,030 --> 01:48:38,480

suffer a fate worse than hell

2620

01:48:41,750 --> 01:48:41,040

and if you look around it is because if

2621

01:48:43,510 --> 01:48:41,760

you're in hell

2622

01:48:44,870 --> 01:48:43,520

all you're doing is burning right you're

2623

01:48:46,629 --> 01:48:44,880

burning and you know what the

2624

01:48:48,629 --> 01:48:46,639

consequences is but

2625

01:48:49,669 --> 01:48:48,639

in this place you got to pay bills you

2626

01:48:52,550 --> 01:48:49,679

got to pay

2627

01:48:52,950 --> 01:48:52,560

light water uh electricity you got to

2628

01:48:59,430 --> 01:48:52,960

pay

2629

01:49:01,669 --> 01:48:59,440

these bills that will never analyse on

2630

01:49:04,149 --> 01:49:01,679

like it'll never end and

2631

01:49:05,990 --> 01:49:04,159

we will never have time to have fun

2632

01:49:08,629 --> 01:49:06,000

because everyone's too busy working

2633

01:49:09,750 --> 01:49:08,639

like i was i was super working by the

2634

01:49:12,550 --> 01:49:09,760

time i realized that

2635

01:49:14,310 --> 01:49:12,560

major changes were happening it was too

2636

01:49:16,629 --> 01:49:14,320

late i was like

2637

01:49:19,030 --> 01:49:16,639

i finally figured out that whoa i like i

2638

01:49:21,189 --> 01:49:19,040

knew i knew that there was something off

2639

01:49:22,629 --> 01:49:21,199

like but i i just didn't want to believe

2640

01:49:24,470 --> 01:49:22,639

it because i just

2641

01:49:25,990 --> 01:49:24,480

i just noticed like the matrix you break

2642

01:49:27,669 --> 01:49:26,000

out of the matrix and then

2643

01:49:29,030 --> 01:49:27,679

you find out that maybe nothing is what

2644

01:49:33,750 --> 01:49:29,040

it was like

2645

01:49:36,790 --> 01:49:33,760

and the thing is that i'm living

2646

01:49:37,589 --> 01:49:36,800

in this world and there are people i

2647

01:49:40,310 --> 01:49:37,599

don't know if

2648

01:49:42,070 --> 01:49:40,320

i don't believe in telekinesis or uh

2649

01:49:45,109 --> 01:49:42,080

mind readers but

2650

01:49:46,629 --> 01:49:45,119

there are things that no i mean like i

2651
01:49:48,070 --> 01:49:46,639
said i've been speaking to this entity i

2652
01:49:50,790 --> 01:49:48,080
don't know what it is is it an angel

2653
01:49:52,470 --> 01:49:50,800
is it god is it an alien i don't know i

2654
01:49:52,870 --> 01:49:52,480
don't know it hasn't revealed itself to

2655
01:49:55,430 --> 01:49:52,880
me

2656
01:49:56,790 --> 01:49:55,440
but like i would put on the like i'm

2657
01:49:59,030 --> 01:49:56,800
watching a movie on tv

2658
01:50:00,550 --> 01:49:59,040
and i i mute it right and i'm listening

2659
01:50:02,470 --> 01:50:00,560
to the closed caption right

2660
01:50:04,790 --> 01:50:02,480
and then like i've seen this episode

2661
01:50:07,030 --> 01:50:04,800
like a hundred different times i love it

2662
01:50:08,629 --> 01:50:07,040
and it's not saying what it's supposed

2663
01:50:11,990 --> 01:50:08,639

to be saying instead it's

2664

01:50:12,390 --> 01:50:12,000

telling me about my day and what i've

2665

01:50:15,750 --> 01:50:12,400

been

2666

01:50:17,350 --> 01:50:15,760

doing and i'm like wow i love i love

2667

01:50:18,870 --> 01:50:17,360

lucy and i don't remember her ever

2668

01:50:21,669 --> 01:50:18,880

saying this

2669

01:50:23,430 --> 01:50:21,679

and it's not only that it can change the

2670

01:50:25,350 --> 01:50:23,440

books like magazines

2671

01:50:26,470 --> 01:50:25,360

like when i'm reading an article like a

2672

01:50:28,229 --> 01:50:26,480

game informer

2673

01:50:29,510 --> 01:50:28,239

and i'm reading this article and it's

2674

01:50:33,109 --> 01:50:29,520

practically trying to

2675

01:50:34,470 --> 01:50:33,119

speak to me or like you know like

2676

01:50:36,550 --> 01:50:34,480

it goes like this i would speak to

2677

01:50:38,470 --> 01:50:36,560

individuals right and sometimes it feels

2678

01:50:39,589 --> 01:50:38,480

like i'm not talking to the individual

2679

01:50:41,510 --> 01:50:39,599

that's in front of me

2680

01:50:44,229 --> 01:50:41,520

i'm talking through the individual as if

2681

01:50:44,870 --> 01:50:44,239

someone is using that individual to talk

2682

01:50:47,589 --> 01:50:44,880

to me

2683

01:50:49,189 --> 01:50:47,599

and i i i know this because i'm playing

2684

01:50:49,830 --> 01:50:49,199

my monika and i usually play it to the

2685

01:50:53,510 --> 01:50:49,840

moon

2686

01:50:56,229 --> 01:50:53,520

this lady

2687

01:50:57,990 --> 01:50:56,239

who was a friend of ours and she started

2688

01:50:59,030 --> 01:50:58,000

saying like oh look he's singing a song

2689

01:51:00,390 --> 01:50:59,040

to me

2690

01:51:01,750 --> 01:51:00,400

and i was like i'm not seeing this i'm

2691

01:51:02,310 --> 01:51:01,760

not playing the harmonica for you lady

2692

01:51:04,709 --> 01:51:02,320

i'm

2693

01:51:06,550 --> 01:51:04,719

standing for the moon and then like as i

2694

01:51:08,390 --> 01:51:06,560

go back over it you know like because i

2695

01:51:09,830 --> 01:51:08,400

like to go over things like

2696

01:51:11,910 --> 01:51:09,840

what i've done and all this and i

2697

01:51:14,709 --> 01:51:11,920

realized maybe

2698

01:51:15,750 --> 01:51:14,719

maybe it wasn't her maybe it was this

2699

01:51:20,070 --> 01:51:15,760

entity that is

2700

01:51:23,990 --> 01:51:20,080

capable of you know manipulating people

2701

01:51:27,109 --> 01:51:24,000

it's it's insane but it's true

2702

01:51:29,510 --> 01:51:27,119

well honestly um based on my

2703

01:51:31,350 --> 01:51:29,520

personal experience and again i'm not

2704

01:51:34,470 --> 01:51:31,360

devaluing what you had experienced

2705

01:51:35,270 --> 01:51:34,480

all i could speak about that was when i

2706

01:51:40,229 --> 01:51:35,280

had

2707

01:51:40,550 --> 01:51:40,239

long story short it made me understand

2708

01:51:43,510 --> 01:51:40,560

that

2709

01:51:43,830 --> 01:51:43,520

um when i whenever i was interacting

2710

01:51:51,430 --> 01:51:43,840

with

2711

01:51:53,589 --> 01:51:51,440

i was talking to their higher self

2712

01:51:54,950 --> 01:51:53,599

and it seemed like it wasn't the their

2713

01:51:57,589 --> 01:51:54,960

direct body

2714

01:51:58,870 --> 01:51:57,599

their direct mind that i was interacting

2715

01:52:02,870 --> 01:51:58,880

with it was the

2716

01:52:05,270 --> 01:52:02,880

higher being that they are that i was uh

2717

01:52:06,310 --> 01:52:05,280

conversing and sharing stories with you

2718

01:52:08,550 --> 01:52:06,320

know and so

2719

01:52:10,550 --> 01:52:08,560

um i wonder if you could maybe think

2720

01:52:12,550 --> 01:52:10,560

about if you think

2721

01:52:14,070 --> 01:52:12,560

it was something similar to that because

2722

01:52:16,229 --> 01:52:14,080

i mean i it could be something

2723

01:52:17,510 --> 01:52:16,239

what you specifically described that

2724

01:52:19,270 --> 01:52:17,520

that's exactly what's

2725

01:52:20,709 --> 01:52:19,280

what's happening you know just from my

2726

01:52:23,270 --> 01:52:20,719

personal experience

2727

01:52:25,030 --> 01:52:23,280

sounding similar that that that's as

2728

01:52:27,109 --> 01:52:25,040

close that i can relate to what you're

2729

01:52:29,030 --> 01:52:27,119

talking about

2730

01:52:32,629 --> 01:52:29,040

are you a religious person or do you

2731

01:52:35,669 --> 01:52:34,390

i know of the bible i know certain

2732

01:52:39,109 --> 01:52:35,679

passages but not

2733

01:52:40,229 --> 01:52:39,119

not in the industry how do you remember

2734

01:52:42,390 --> 01:52:40,239

this uh do you

2735

01:52:43,589 --> 01:52:42,400

remember uh and the lion so lay with the

2736

01:52:45,189 --> 01:52:43,599

lamb or

2737

01:52:46,629 --> 01:52:45,199

the dwarf cell layer of the lamb which

2738

01:52:49,750 --> 01:52:46,639

one do you remember

2739

01:52:53,109 --> 01:52:49,760

that i wouldn't know i'm sorry okay

2740

01:52:55,189 --> 01:52:53,119

because i'm very religious i've i've

2741

01:52:58,149 --> 01:52:55,199

gone to bible study and all that

2742

01:52:59,589 --> 01:52:58,159

but i remember it saying and the lion

2743

01:53:02,790 --> 01:52:59,599

shall lay with the lamb

2744

01:53:05,030 --> 01:53:02,800

all right as its protector you know but

2745

01:53:06,390 --> 01:53:05,040

if you read the bible it says the wharf

2746

01:53:08,229 --> 01:53:06,400

shall lay with the lamb but if

2747

01:53:10,229 --> 01:53:08,239

that doesn't sound right because the

2748

01:53:12,950 --> 01:53:10,239

wolf are usually the ones

2749

01:53:14,870 --> 01:53:12,960

that will kill the lambs and i know the

2750

01:53:16,310 --> 01:53:14,880

lion doesn't make any sense too but

2751

01:53:19,109 --> 01:53:16,320

if you think about it the lion would

2752

01:53:22,149 --> 01:53:19,119

definitely beat up a wolf

2753

01:53:24,149 --> 01:53:22,159

i mean right theoretically

2754

01:53:25,910 --> 01:53:24,159

but that's what i remember yeah you know

2755

01:53:26,470 --> 01:53:25,920

i wish i could speak to that but i don't

2756

01:53:28,629 --> 01:53:26,480

i don't

2757

01:53:30,310 --> 01:53:28,639

i'm not too familiar with with that uh

2758

01:53:33,350 --> 01:53:30,320

specific phrase

2759

01:53:34,310 --> 01:53:33,360

um nope okay um what else can i say

2760

01:53:37,830 --> 01:53:34,320

before

2761

01:53:38,229 --> 01:53:37,840

um okay i've i've been trying to get

2762

01:53:42,470 --> 01:53:38,239

help

2763

01:53:45,430 --> 01:53:42,480

like i said i tried to uh

2764

01:53:46,709 --> 01:53:45,440

contact third phase moon uh they haven't

2765

01:53:47,750 --> 01:53:46,719

caught me back yet i don't blame them

2766

01:53:49,830 --> 01:53:47,760

because no come on

2767

01:53:50,950 --> 01:53:49,840

everything that i sent them like it

2768

01:53:54,550 --> 01:53:50,960

seems ridiculous

2769

01:53:57,430 --> 01:53:54,560

but i i captured a footage of the moon

2770

01:53:59,189 --> 01:53:57,440

now it's not what people think it is

2771

01:54:01,430 --> 01:53:59,199

it's like a bright star

2772

01:54:03,189 --> 01:54:01,440

that's like the sun but there's

2773

01:54:06,470 --> 01:54:03,199

definitely activities

2774

01:54:07,589 --> 01:54:06,480

happening in the moon and i know the k

2775

01:54:09,350 --> 01:54:07,599

i know people would say oh it's the

2776

01:54:10,229 --> 01:54:09,360

camera flare and all this but i'm

2777

01:54:11,830 --> 01:54:10,239

telling you

2778

01:54:13,510 --> 01:54:11,840

it is you're talking about you can you

2779

01:54:14,950 --> 01:54:13,520

were talking about capturing on the moon

2780

01:54:16,870 --> 01:54:14,960

itself you're not talking about inside

2781

01:54:18,950 --> 01:54:16,880

the moon oh how do you refer it to

2782

01:54:20,470 --> 01:54:18,960

what do you mean when you say in the

2783

01:54:23,510 --> 01:54:20,480

moon

2784

01:54:24,149 --> 01:54:23,520

talking about okay like i'm recording

2785

01:54:27,189 --> 01:54:24,159

the moon

2786

01:54:30,070 --> 01:54:27,199

recording okay all right okay

2787

01:54:30,470 --> 01:54:30,080

but the moon like i said is a lie i mean

2788

01:54:33,830 --> 01:54:30,480

it's

2789

01:54:35,910 --> 01:54:33,840

like a spear of our of uh like

2790

01:54:37,109 --> 01:54:35,920

an aura or an energy or like it's like

2791

01:54:40,709 --> 01:54:37,119

the sun

2792

01:54:42,870 --> 01:54:40,719

and then and yes there is a black

2793

01:54:45,430 --> 01:54:42,880

sun out there it's it's it's as big as

2794

01:54:47,430 --> 01:54:45,440

the sun and it is uh

2795

01:54:49,350 --> 01:54:47,440

it's revealed itself to me multiple

2796

01:54:51,109 --> 01:54:49,360

times and i took pictures of it and i

2797

01:54:53,669 --> 01:54:51,119

sent it to a third phase moon

2798

01:54:54,229 --> 01:54:53,679

and i i mean where did they believe it

2799

01:54:56,149 --> 01:54:54,239

or not i

2800

01:54:58,070 --> 01:54:56,159

i have a youtube channel and i just

2801
01:54:59,669 --> 01:54:58,080
posted about that too recently

2802
01:55:01,510 --> 01:54:59,679
so i don't know you know you be the

2803
01:55:04,229 --> 01:55:01,520
judge you mean i don't

2804
01:55:05,189 --> 01:55:04,239
like i i'm not afraid of these things

2805
01:55:07,109 --> 01:55:05,199
i'm not

2806
01:55:08,709 --> 01:55:07,119
afraid well if they give you a name if

2807
01:55:10,790 --> 01:55:08,719
you give your uh youtube name

2808
01:55:13,030 --> 01:55:10,800
out then people could possibly go and

2809
01:55:14,310 --> 01:55:13,040
check it out for themselves

2810
01:55:15,669 --> 01:55:14,320
it's uh if you want to look up my

2811
01:55:16,470 --> 01:55:15,679
youtube channel just look up kenny

2812
01:55:20,709 --> 01:55:16,480
moreno

2813
01:55:24,390 --> 01:55:20,719

k e k-e-n-n-y-m-o-r-e-n-o

2814

01:55:27,350 --> 01:55:24,400

now look i i said like can a kid

2815

01:55:30,149 --> 01:55:27,360

survive 120 volts of pure electricity at

2816

01:55:33,270 --> 01:55:30,159

age four or five

2817

01:55:37,270 --> 01:55:33,280

no right impossible right

2818

01:55:38,950 --> 01:55:37,280

well but yeah i i've i've survived it

2819

01:55:40,790 --> 01:55:38,960

now it's a good question i don't it's

2820

01:55:41,750 --> 01:55:40,800

it's a yeah i don't know i would have to

2821

01:55:43,990 --> 01:55:41,760

think about it because

2822

01:55:45,109 --> 01:55:44,000

i've been zapped before just working on

2823

01:55:49,990 --> 01:55:45,119

this building and

2824

01:55:53,669 --> 01:55:50,000

if you you feel it but trust me

2825

01:55:56,790 --> 01:55:53,679

right okay now

2826

01:56:00,070 --> 01:55:56,800

look um like i said

2827

01:56:01,830 --> 01:56:00,080

like these entities they will they can

2828

01:56:04,550 --> 01:56:01,840

literally manipulate your body to make

2829

01:56:06,870 --> 01:56:04,560

your heart go faster or they can

2830

01:56:08,629 --> 01:56:06,880

raise your temperature it's not just

2831

01:56:09,350 --> 01:56:08,639

someone has a remote to each and every

2832

01:56:12,390 --> 01:56:09,360

one of us and

2833

01:56:16,629 --> 01:56:12,400

can hit these buttons it's insane right

2834

01:56:21,189 --> 01:56:19,750

astral projection you heard of it

2835

01:56:22,870 --> 01:56:21,199

i have i mean you're you're switching

2836

01:56:24,390 --> 01:56:22,880

over too many subjects let me let me ask

2837

01:56:25,669 --> 01:56:24,400

you something about real quick here

2838

01:56:27,990 --> 01:56:25,679

uh i'm trying to get everything out as

2839

01:56:29,109 --> 01:56:28,000

much as i can right i'm sure i want to

2840

01:56:30,470 --> 01:56:29,119

ask you just something real quick

2841

01:56:32,870 --> 01:56:30,480

regarding the thing you said

2842

01:56:34,390 --> 01:56:32,880

that's in your chest are you saying that

2843

01:56:35,990 --> 01:56:34,400

a lot of the the healing

2844

01:56:37,510 --> 01:56:36,000

that's happening a lot quicker that you

2845

01:56:40,629 --> 01:56:37,520

mentioned is that happening

2846

01:56:41,990 --> 01:56:40,639

because of your you said your near-death

2847

01:56:44,950 --> 01:56:42,000

experience when you were younger

2848

01:56:45,750 --> 01:56:44,960

because of the thing in your chest see

2849

01:56:48,149 --> 01:56:45,760

that's the thing

2850

01:56:48,790 --> 01:56:48,159

like i felt like my entire life i've

2851
01:56:53,189 --> 01:56:48,800
been

2852
01:56:56,229 --> 01:56:53,199
like i remember coming home

2853
01:56:56,629 --> 01:56:56,239
uh you know you know drunk but not too

2854
01:56:58,070 --> 01:56:56,639
drunk

2855
01:57:00,470 --> 01:56:58,080
enough to go to bed and lay down and

2856
01:57:00,870 --> 01:57:00,480
fall asleep i woke up immediately

2857
01:57:03,510 --> 01:57:00,880
because

2858
01:57:03,990 --> 01:57:03,520
i felt as if someone had operated on my

2859
01:57:07,109 --> 01:57:04,000
left

2860
01:57:07,910 --> 01:57:07,119
knee and i have scars there i have scars

2861
01:57:10,470 --> 01:57:07,920
and i i

2862
01:57:12,229 --> 01:57:10,480
like i said i'm not very rich and i

2863
01:57:13,990 --> 01:57:12,239

can't go to the doctors okay

2864

01:57:15,510 --> 01:57:14,000

so there's there's no reason for me to

2865

01:57:18,950 --> 01:57:15,520

have scars on my

2866

01:57:21,910 --> 01:57:18,960

left knee right and on my back

2867

01:57:24,790 --> 01:57:21,920

there's a scar like right where the

2868

01:57:27,350 --> 01:57:24,800

torso is that connects to the spine it's

2869

01:57:28,229 --> 01:57:27,360

i mean these are all signs of alien

2870

01:57:30,950 --> 01:57:28,239

abductees

2871

01:57:31,990 --> 01:57:30,960

if you if you study uh about alien

2872

01:57:33,669 --> 01:57:32,000

abductees

2873

01:57:35,189 --> 01:57:33,679

you know these are all signs that

2874

01:57:37,910 --> 01:57:35,199

individuals who are

2875

01:57:39,669 --> 01:57:37,920

either operated by something and they

2876

01:57:40,950 --> 01:57:39,679

have scars that they kind of explain how

2877

01:57:42,709 --> 01:57:40,960

they got there and i don't

2878

01:57:44,709 --> 01:57:42,719

i'm not a violent man i don't get into

2879

01:57:45,750 --> 01:57:44,719

fight and i i can't afford to go to the

2880

01:57:47,669 --> 01:57:45,760

doctor so i can't

2881

01:57:49,109 --> 01:57:47,679

afford to get surgery and i know i'm

2882

01:57:51,750 --> 01:57:49,119

talking about all these

2883

01:57:54,070 --> 01:57:51,760

subjects but like i said i i have to get

2884

01:57:57,189 --> 01:57:54,080

everything out as much as i know because

2885

01:57:58,790 --> 01:57:57,199

something is trying to change history

2886

01:58:00,229 --> 01:57:58,800

and the more they change the more they

2887

01:58:03,510 --> 01:58:00,239

change my reality

2888

01:58:05,109 --> 01:58:03,520

more it this

2889

01:58:06,870 --> 01:58:05,119

meaning i think about the mandela effect

2890

01:58:09,910 --> 01:58:06,880

could be the reason why people have

2891

01:58:11,669 --> 01:58:09,920

alzheimer's or short-term memory or

2892

01:58:12,950 --> 01:58:11,679

or other symptoms like that because

2893

01:58:16,790 --> 01:58:12,960

they've been

2894

01:58:19,430 --> 01:58:16,800

don't know who it is or who's doing it

2895

01:58:20,790 --> 01:58:19,440

but the government they have no control

2896

01:58:23,030 --> 01:58:20,800

no one has control

2897

01:58:25,750 --> 01:58:23,040

these things whatever these things are

2898

01:58:26,629 --> 01:58:25,760

they run the entire world they control

2899

01:58:29,669 --> 01:58:26,639

everything

2900

01:58:31,830 --> 01:58:29,679

fighting

2901

01:58:33,109 --> 01:58:31,840

each other rights against blacks

2902

01:58:37,030 --> 01:58:33,119

mexicans against

2903

01:58:39,510 --> 01:58:37,040

whites uh gays against straights i mean

2904

01:58:40,950 --> 01:58:39,520

they have us going left and right and

2905

01:58:43,510 --> 01:58:40,960

i'm the only one who's

2906

01:58:45,189 --> 01:58:43,520

like totally clear everything out of the

2907

01:58:47,430 --> 01:58:45,199

the table

2908

01:58:48,229 --> 01:58:47,440

and i'm i'm looking back at this the

2909

01:58:51,109 --> 01:58:48,239

puzzle

2910

01:58:51,589 --> 01:58:51,119

i'm seeing the bigger picture well i

2911

01:58:55,910 --> 01:58:51,599

can't

2912

01:58:58,709 --> 01:58:57,589

the pharaohs did they ever lose control

2913

01:58:59,669 --> 01:58:58,719

because the more and more i think about

2914

01:59:01,270 --> 01:58:59,679

it i see

2915

01:59:03,510 --> 01:59:01,280

if you look around these houses these

2916

01:59:05,350 --> 01:59:03,520

houses are built like pyramids

2917

01:59:07,109 --> 01:59:05,360

there and then you see all these poles

2918

01:59:09,669 --> 01:59:07,119

which were like obelisks or

2919

01:59:10,709 --> 01:59:09,679

monoliths and they're everywhere if you

2920

01:59:13,750 --> 01:59:10,719

look at society

2921

01:59:15,109 --> 01:59:13,760

it felt like the egyptians either the

2922

01:59:16,790 --> 01:59:15,119

egyptians were steering control the

2923

01:59:20,149 --> 01:59:16,800

firewall is a strong control or

2924

01:59:21,830 --> 01:59:20,159

we stole technology that's like you see

2925

01:59:24,229 --> 01:59:21,840

people would say oh it's ufo but

2926

01:59:25,510 --> 01:59:24,239

that's i mean it's old technology

2927

01:59:28,070 --> 01:59:25,520

everything we're seeing about

2928

01:59:30,310 --> 01:59:28,080

ufos and all of that is old technology

2929

01:59:31,990 --> 01:59:30,320

it's old technology it's been around

2930

01:59:33,430 --> 01:59:32,000

since the the pharaoh was even longer

2931

01:59:35,589 --> 01:59:33,440

before them and these

2932

01:59:36,790 --> 01:59:35,599

i mean if you look at the aztecs and the

2933

01:59:38,229 --> 01:59:36,800

incas and

2934

01:59:41,430 --> 01:59:38,239

everything that we've learned we've

2935

01:59:43,589 --> 01:59:41,440

learned from these things and we

2936

01:59:44,950 --> 01:59:43,599

i guess you could say the the use this

2937

01:59:48,390 --> 01:59:44,960

technology

2938

01:59:49,510 --> 01:59:48,400

even uh even uh nazis were worshipping

2939

01:59:52,790 --> 01:59:49,520

this black sun

2940

01:59:53,669 --> 01:59:52,800

even the pharaoh was forcibly this black

2941

01:59:57,430 --> 01:59:53,679

sun

2942

02:00:00,149 --> 01:59:57,440

i mean someone is giving

2943

02:00:00,550 --> 02:00:00,159

these people information someone has

2944

02:00:03,109 --> 02:00:00,560

given

2945

02:00:04,550 --> 02:00:03,119

me information well can you i can't um

2946

02:00:08,070 --> 02:00:04,560

yeah i certainly don't know

2947

02:00:11,510 --> 02:00:08,080

if it is you know i'm um

2948

02:00:12,950 --> 02:00:11,520

i can't speak 100 excuse me i can't

2949

02:00:14,870 --> 02:00:12,960

speak 100

2950

02:00:16,629 --> 02:00:14,880

on whether or not there is some kind of

2951
02:00:17,669 --> 02:00:16,639
hidden hand controlling different things

2952
02:00:19,589 --> 02:00:17,679
but i can

2953
02:00:21,430 --> 02:00:19,599
and i'm sure everyone else can contest

2954
02:00:23,750 --> 02:00:21,440
to this that it just seems like

2955
02:00:25,270 --> 02:00:23,760
the past two years has been almost like

2956
02:00:28,470 --> 02:00:25,280
somebody switched a

2957
02:00:30,229 --> 02:00:28,480
script on and all the all the media and

2958
02:00:31,189 --> 02:00:30,239
everyone just kind of going according to

2959
02:00:33,589 --> 02:00:31,199
a script

2960
02:00:34,629 --> 02:00:33,599
you know and uh that's kind of that's

2961
02:00:37,750 --> 02:00:34,639
very obvious

2962
02:00:40,229 --> 02:00:37,760
been obvious to me but that's all i can

2963
02:00:41,750 --> 02:00:40,239

really speak on regarding that you know

2964

02:00:44,550 --> 02:00:41,760

yes

2965

02:00:45,350 --> 02:00:44,560

okay uh how long has aids been around

2966

02:00:48,070 --> 02:00:45,360

how long has

2967

02:00:49,510 --> 02:00:48,080

cancer been around very long time right

2968

02:00:52,470 --> 02:00:49,520

yeah

2969

02:00:54,790 --> 02:00:52,480

okay now imagine this covert 19 a new

2970

02:00:57,109 --> 02:00:54,800

virus appears out of nowhere right

2971

02:00:57,830 --> 02:00:57,119

a new strain of virus that comes out

2972

02:01:00,629 --> 02:00:57,840

right

2973

02:01:01,510 --> 02:01:00,639

and within a matter of a year or less

2974

02:01:03,830 --> 02:01:01,520

within a year

2975

02:01:05,589 --> 02:01:03,840

there's a vaccine for it are you telling

2976

02:01:07,669 --> 02:01:05,599

me that they found a cure

2977

02:01:08,950 --> 02:01:07,679

for a new virus that's appeared out of

2978

02:01:11,350 --> 02:01:08,960

nowhere and

2979

02:01:12,870 --> 02:01:11,360

then there's a cure for it and then but

2980

02:01:16,149 --> 02:01:12,880

there's no cure for aids

2981

02:01:17,830 --> 02:01:16,159

or or cancer doesn't that seem a little

2982

02:01:20,149 --> 02:01:17,840

weird that i mean

2983

02:01:21,109 --> 02:01:20,159

personally i don't know which

2984

02:01:22,790 --> 02:01:21,119

information you're

2985

02:01:24,629 --> 02:01:22,800

referring to i know they were saying you

2986

02:01:26,149 --> 02:01:24,639

can still get the virus even after

2987

02:01:29,910 --> 02:01:26,159

you've been vaccinated

2988

02:01:31,510 --> 02:01:29,920

um that's that's the last information

2989

02:01:32,870 --> 02:01:31,520

but i don't want to get too much into it

2990

02:01:33,430 --> 02:01:32,880

i'm not going to talk too much because

2991

02:01:36,550 --> 02:01:33,440

it is a

2992

02:01:39,109 --> 02:01:36,560

touchy subject to people but look

2993

02:01:41,350 --> 02:01:39,119

get the shot don't get the shot i i

2994

02:01:44,310 --> 02:01:41,360

really don't care because it is

2995

02:01:44,629 --> 02:01:44,320

it doesn't really matter i mean none of

2996

02:01:48,870 --> 02:01:44,639

it

2997

02:01:49,830 --> 02:01:48,880

like have you ever seen a toy story do

2998

02:01:52,390 --> 02:01:49,840

you remember a

2999

02:01:54,229 --> 02:01:52,400

buzz lightyear when he finally realized

3000

02:01:55,910 --> 02:01:54,239

that he's a toy

3001

02:01:58,550 --> 02:01:55,920

and that he can't even fly out the

3002

02:02:01,750 --> 02:01:58,560

window and that he's having tea with mrs

3003

02:02:03,669 --> 02:02:01,760

crumpet and tisbit

3004

02:02:05,510 --> 02:02:03,679

right that's who i feel like right now i

3005

02:02:09,109 --> 02:02:05,520

feel like buzz lightyear

3006

02:02:11,750 --> 02:02:09,119

who who believed himself to be a space

3007

02:02:13,589 --> 02:02:11,760

soldier but only to realize that my

3008

02:02:15,669 --> 02:02:13,599

whole entire life is completely

3009

02:02:18,390 --> 02:02:15,679

lying everyone is believing they're

3010

02:02:21,430 --> 02:02:18,400

spoon feeding us this information

3011

02:02:21,830 --> 02:02:21,440

and it's scary because there are there

3012

02:02:24,470 --> 02:02:21,840

are

3013

02:02:24,950 --> 02:02:24,480

people like me but not quite like me

3014

02:02:26,070 --> 02:02:24,960

because

3015

02:02:27,350 --> 02:02:26,080

they're i believe it was in the

3016

02:02:28,470 --> 02:02:27,360

thousands there are thousands of

3017

02:02:30,950 --> 02:02:28,480

individuals

3018

02:02:33,750 --> 02:02:30,960

who are experiencing this mandela effect

3019

02:02:35,189 --> 02:02:33,760

but not everyone's from the same planet

3020

02:02:36,470 --> 02:02:35,199

some some people would say or they were

3021

02:02:38,149 --> 02:02:36,480

in the milky way or some people would

3022

02:02:40,390 --> 02:02:38,159

say they are out the milky way

3023

02:02:41,430 --> 02:02:40,400

i'm like not even near the milky way but

3024

02:02:44,390 --> 02:02:41,440

i it's like

3025

02:02:45,270 --> 02:02:44,400

as as if someone has gathered all of us

3026

02:02:49,189 --> 02:02:45,280

into this

3027

02:02:51,030 --> 02:02:49,199

this planet um have you if you're

3028

02:02:52,390 --> 02:02:51,040

are you a marvelous fan are you uh you

3029

02:02:55,270 --> 02:02:52,400

you big marvels fan

3030

02:02:55,589 --> 02:02:55,280

uh do you know the individual name yeah

3031

02:02:57,669 --> 02:02:55,599

well

3032

02:02:59,990 --> 02:02:57,679

i used i used to like it but then with

3033

02:03:00,709 --> 02:03:00,000

the recent political things happening i

3034

02:03:04,070 --> 02:03:00,719

just kind of

3035

02:03:06,470 --> 02:03:04,080

just fully disconnected from it

3036

02:03:07,669 --> 02:03:06,480

okay so look i'm only speaking about the

3037

02:03:11,109 --> 02:03:07,679

beyonder because

3038

02:03:14,229 --> 02:03:11,119

the beyonder was able to gather

3039

02:03:14,790 --> 02:03:14,239

uh mass lands and and putting together

3040

02:03:16,950 --> 02:03:14,800

and making

3041

02:03:18,470 --> 02:03:16,960

one world out of it right and then he

3042

02:03:20,390 --> 02:03:18,480

tells the avengers well

3043

02:03:22,149 --> 02:03:20,400

oh the different difference the avengers

3044

02:03:24,870 --> 02:03:22,159

wants to know his name and so he says

3045

02:03:25,830 --> 02:03:24,880

who what's your name beyond is like i am

3046

02:03:28,950 --> 02:03:25,840

from a place

3047

02:03:30,229 --> 02:03:28,960

from beyond and then like i'm sorry you

3048

02:03:33,669 --> 02:03:30,239

got a certain name than that

3049

02:03:34,790 --> 02:03:33,679

like i am from a place far from beyond

3050

02:03:37,350 --> 02:03:34,800

and then you know what we're just gonna

3051
02:03:37,910 --> 02:03:37,360
call you beyond her so it's a joke i'm

3052
02:03:40,310 --> 02:03:37,920
sorry

3053
02:03:41,109 --> 02:03:40,320
but that's how i feel like i'm from a

3054
02:03:44,550 --> 02:03:41,119
place

3055
02:03:46,470 --> 02:03:44,560
from beyond and kenny i'm certainly

3056
02:03:47,830 --> 02:03:46,480
you know um i want to cut it short

3057
02:03:49,030 --> 02:03:47,840
because i want to finish up the show

3058
02:03:51,830 --> 02:03:49,040
here pretty soon but

3059
02:03:53,510 --> 02:03:51,840
i certainly do appreciate you uh logging

3060
02:03:54,709 --> 02:03:53,520
in i know he was you you were in the

3061
02:03:57,750 --> 02:03:54,719
chat hoping to connect

3062
02:03:59,270 --> 02:03:57,760
earlier and i i'm sorry i it wasn't you

3063
02:03:59,589 --> 02:03:59,280

know i tried to always make it clear

3064

02:04:01,510 --> 02:03:59,599

that

3065

02:04:03,669 --> 02:04:01,520

people can always download the telegram

3066

02:04:05,910 --> 02:04:03,679

app and simply join the voice chat like

3067

02:04:07,430 --> 02:04:05,920

you did

3068

02:04:09,030 --> 02:04:07,440

i'm not that like i said i'm not that

3069

02:04:10,390 --> 02:04:09,040

very bright you know like like

3070

02:04:12,149 --> 02:04:10,400

i'm telling you something that's helping

3071

02:04:13,109 --> 02:04:12,159

me oh you worked it out within minutes

3072

02:04:16,229 --> 02:04:13,119

seemingly so

3073

02:04:18,709 --> 02:04:16,239

you know don't be so hard on yourself

3074

02:04:19,990 --> 02:04:18,719

i know i'm actually like i i'm terrible

3075

02:04:21,750 --> 02:04:20,000

with technology i am

3076

02:04:24,069 --> 02:04:21,760

like if you see the videos that is on my

3077

02:04:25,910 --> 02:04:24,079

youtube channel look it up kenny moreno

3078

02:04:28,149 --> 02:04:25,920

and just look at the video all right i

3079

02:04:29,350 --> 02:04:28,159

don't know how to manipulate you know

3080

02:04:31,350 --> 02:04:29,360

i don't want to do any of that i just

3081

02:04:32,390 --> 02:04:31,360

like i just i point and i shoot and i

3082

02:04:35,189 --> 02:04:32,400

record

3083

02:04:36,069 --> 02:04:35,199

and the channel name is spelled right i

3084

02:04:38,310 --> 02:04:36,079

have right now it's

3085

02:04:39,589 --> 02:04:38,320

displaying displaying uh the the

3086

02:04:41,910 --> 02:04:39,599

telegram on the screen

3087

02:04:43,910 --> 02:04:41,920

so if your name is spelled the same way

3088

02:04:45,750 --> 02:04:43,920

then they can just take that name and

3089

02:04:47,830 --> 02:04:45,760

search it on youtube

3090

02:04:49,750 --> 02:04:47,840

go to facebook go to my instagram it's

3091

02:04:51,189 --> 02:04:49,760

basically my name the way it is i am not

3092

02:04:53,669 --> 02:04:51,199

afraid to speak out

3093

02:04:55,030 --> 02:04:53,679

and tell the truth i'm not afraid to die

3094

02:04:57,750 --> 02:04:55,040

because i'm telling you

3095

02:04:58,390 --> 02:04:57,760

if they kill me right if they find a way

3096

02:05:00,550 --> 02:04:58,400

to kill me

3097

02:05:02,149 --> 02:05:00,560

trust me i've there's been many times

3098

02:05:03,030 --> 02:05:02,159

where i've had near-death experience i

3099

02:05:05,669 --> 02:05:03,040

got shot at

3100

02:05:06,950 --> 02:05:05,679

stabbed at i got electrocuted i choked

3101

02:05:09,189 --> 02:05:06,960

on a lifesaver

3102

02:05:10,870 --> 02:05:09,199

i mean like every time all this stuff

3103

02:05:11,990 --> 02:05:10,880

happened i've kept coming back

3104

02:05:13,910 --> 02:05:12,000

you know it's like the movie it's like

3105

02:05:15,589 --> 02:05:13,920

that's tough part who killed kenny you

3106

02:05:17,990 --> 02:05:15,599

bastards

3107

02:05:19,589 --> 02:05:18,000

well honestly kenny you know you know

3108

02:05:21,189 --> 02:05:19,599

just just live your life the way you

3109

02:05:22,470 --> 02:05:21,199

want to live it and don't don't be too

3110

02:05:24,229 --> 02:05:22,480

afraid about things

3111

02:05:26,229 --> 02:05:24,239

because if i was you know too afraid

3112

02:05:27,189 --> 02:05:26,239

about speaking about some things that i

3113

02:05:28,950 --> 02:05:27,199

speaking about

3114

02:05:30,790 --> 02:05:28,960

i mean i wouldn't never get anything

3115

02:05:32,470 --> 02:05:30,800

done i mean you only have one life to

3116

02:05:33,750 --> 02:05:32,480

live and might as well live it to the

3117

02:05:35,030 --> 02:05:33,760

fullest

3118

02:05:36,390 --> 02:05:35,040

like you remember that last guy who was

3119

02:05:36,950 --> 02:05:36,400

speaking earlier i don't remember his

3120

02:05:39,669 --> 02:05:36,960

name but

3121

02:05:41,589 --> 02:05:39,679

uh jim like he was he was kind of

3122

02:05:43,669 --> 02:05:41,599

speaking in tongues like a bullet to the

3123

02:05:45,030 --> 02:05:43,679

head and stuff like that i mean like

3124

02:05:46,950 --> 02:05:45,040

i mean that sounded kind of cryptic to

3125

02:05:48,229 --> 02:05:46,960

me but i didn't care you know like i

3126

02:05:50,709 --> 02:05:48,239

just i'm not afraid

3127

02:05:51,910 --> 02:05:50,719

and if anyone wants to know the truth

3128

02:05:54,709 --> 02:05:51,920

contact me

3129

02:05:56,390 --> 02:05:54,719

facebook me message me or this new thing

3130

02:05:57,350 --> 02:05:56,400

talk to me and i'll tell you as much

3131

02:05:58,629 --> 02:05:57,360

as i can

3132

02:06:00,470 --> 02:05:58,639

and i'll try to give out as much

3133

02:06:01,030 --> 02:06:00,480

information as i can because i'm not

3134

02:06:03,109 --> 02:06:01,040

like

3135

02:06:05,189 --> 02:06:03,119

afraid of this thing and i'm not i don't

3136

02:06:08,069 --> 02:06:05,199

care i want people to know the truth

3137

02:06:08,709 --> 02:06:08,079

right thank you no well kenny thank you

3138

02:06:11,350 --> 02:06:08,719

very much

3139

02:06:13,030 --> 02:06:11,360

i really appreciate you um calling in

3140

02:06:15,669 --> 02:06:13,040

and sharing your story

3141

02:06:16,629 --> 02:06:15,679

and um you know i'm glad you were able

3142

02:06:19,510 --> 02:06:16,639

to connect

3143

02:06:20,629 --> 02:06:19,520

um like like you've seen with kenny he

3144

02:06:23,830 --> 02:06:20,639

just within minutes

3145

02:06:24,870 --> 02:06:23,840

he was able to i guess download it join

3146

02:06:27,109 --> 02:06:24,880

the group and

3147

02:06:28,950 --> 02:06:27,119

then of course join the voice chat to to

3148

02:06:31,350 --> 02:06:28,960

share a story with me online

3149

02:06:32,069 --> 02:06:31,360

well we're about a little over two hours

3150

02:06:34,790 --> 02:06:32,079

into it

3151

02:06:35,510 --> 02:06:34,800

so i want to make it quits i'm sorry

3152

02:06:38,950 --> 02:06:35,520

that

3153

02:06:40,950 --> 02:06:38,960

i can't stick around for much longer but

3154

02:06:43,109 --> 02:06:40,960

this friday i'm hoping to to have a

3155

02:06:45,189 --> 02:06:43,119

guest we're trying to figure out some

3156

02:06:48,069 --> 02:06:45,199

technical difficulties on his hand

3157

02:06:49,189 --> 02:06:48,079

uh his end it would be um kawani

3158

02:06:52,310 --> 02:06:49,199

lefseritis

3159

02:06:55,750 --> 02:06:52,320

to talk about the interdimensionality of

3160

02:06:59,350 --> 02:06:55,760

um of sasquatch and so

3161

02:07:00,149 --> 02:06:59,360

i'm basically gonna uh let me switch

3162

02:07:03,669 --> 02:07:00,159

that over

3163

02:07:05,910 --> 02:07:03,679

i'm um i'm trying to tomorrow we'll try

3164

02:07:07,910 --> 02:07:05,920

to make it work to see if i can if we

3165

02:07:10,149 --> 02:07:07,920

can get a connection because he's using

3166

02:07:11,030 --> 02:07:10,159

a satellite uh because he's kind of

3167

02:07:13,030 --> 02:07:11,040

somewhere

3168

02:07:14,950 --> 02:07:13,040

deep in the woods and sometimes the

3169

02:07:17,109 --> 02:07:14,960

connection is not that great anyway

3170

02:07:18,149 --> 02:07:17,119

we'll hopefully work it out tomorrow

3171

02:07:20,709 --> 02:07:18,159

then i'll have him guest

3172

02:07:21,750 --> 02:07:20,719

on friday as a guest on friday if not

3173

02:07:24,950 --> 02:07:21,760

i'll see if i can

3174

02:07:28,149 --> 02:07:24,960

um have someone else jump in last minute

3175

02:07:30,629 --> 02:07:28,159

but it would be on friday uh 7 p.m

3176

02:07:31,350 --> 02:07:30,639

also streaming like we've been tonight

3177

02:07:35,270 --> 02:07:31,360

on

3178

02:07:38,149 --> 02:07:35,280

twitch

3179

02:07:40,390 --> 02:07:38,159

so i want to thank all of you that have

3180

02:07:43,510 --> 02:07:40,400

joined me today i know it's been a while

3181

02:07:45,350 --> 02:07:43,520

and um yeah just

3182

02:07:47,669 --> 02:07:45,360

it will be usually the same scheduling

3183

02:07:50,950 --> 02:07:47,679

on wednesday 7 p.m open lines

3184

02:07:53,910 --> 02:07:50,960

friday 7 p.m um usually a guest

3185

02:07:54,950 --> 02:07:53,920

and now that i have the ability and have

3186

02:07:57,189 --> 02:07:54,960

worked it out

3187

02:07:58,229 --> 02:07:57,199

you should be able to also then log in

3188

02:08:01,350 --> 02:07:58,239

on telegram

3189

02:08:03,109 --> 02:08:01,360

and then when it's time to ask the

3190

02:08:05,030 --> 02:08:03,119

guest some questions you can ask the

3191

02:08:06,950 --> 02:08:05,040

guest yourself you simply

3192

02:08:08,870 --> 02:08:06,960

get on telegram raise your hand and i

3193

02:08:11,910 --> 02:08:08,880

know that you're in the queue

3194

02:08:13,350 --> 02:08:11,920

and when it's time for that i'll open it

3195

02:08:16,310 --> 02:08:13,360

up and have you asked to

3196

02:08:17,750 --> 02:08:16,320

ask it ask the guest directly i'm

3197

02:08:20,790 --> 02:08:17,760

getting too tired

3198

02:08:23,830 --> 02:08:20,800

so anyway i want to thank you all again

3199

02:08:25,990 --> 02:08:23,840

very much i really appreciate it and um

3200

02:08:27,109 --> 02:08:26,000

thank you all also uh very much for the

3201

02:08:30,069 --> 02:08:27,119

well wishes uh

3202

02:08:31,750 --> 02:08:30,079

for adeline uh the the youngest member

3203

02:08:35,030 --> 02:08:31,760

in addition to the family

3204

02:08:38,229 --> 02:08:35,040

so yeah i should be back to
