

# UFO HUB

LIVE STREAM

1  
00:01:27,460 --> 00:00:20,830

[Music]

2  
00:02:14,830 --> 00:01:27,470

so

3  
00:02:14,840 --> 00:03:43,990

[Music]

4  
00:03:48,550 --> 00:03:46,229  
hi everyone welcome to ufo hub live

5  
00:03:49,190 --> 00:03:48,560  
stream and as promised today we're going

6  
00:03:52,309 --> 00:03:49,200  
to have

7  
00:03:55,910 --> 00:03:52,319  
kiwani lipsoritis on so guest so

8  
00:03:58,470 --> 00:03:55,920  
before we begin just quick disclaimer we

9  
00:03:58,949 --> 00:03:58,480  
tested yesterday everything went fine

10  
00:04:00,630 --> 00:03:58,959  
and

11  
00:04:02,470 --> 00:04:00,640  
today we're supposed to log in a bit

12  
00:04:03,670 --> 00:04:02,480  
earlier and as always there's always

13  
00:04:05,670 --> 00:04:03,680

some some snags

14

00:04:06,710 --> 00:04:05,680

so i quickly was able just to patch

15

00:04:09,080 --> 00:04:06,720

through on the phone

16

00:04:10,229 --> 00:04:09,090

and get him to

17

00:04:12,949 --> 00:04:10,239

[Music]

18

00:04:14,869 --> 00:04:12,959

to connect with me over skype and so

19

00:04:16,949 --> 00:04:14,879

unfortunately we're not gonna have

20

00:04:17,990 --> 00:04:16,959

the the video but we'll have his voice

21

00:04:20,629 --> 00:04:18,000

over the phone and i

22

00:04:22,950 --> 00:04:20,639

hope you don't mind uh he was originally

23

00:04:25,430 --> 00:04:22,960

gonna connect with us via a satellite

24

00:04:26,550 --> 00:04:25,440

and there was a slight three three

25

00:04:28,710 --> 00:04:26,560

second delay

26

00:04:29,990 --> 00:04:28,720

but it worked out great this was maybe

27

00:04:33,350 --> 00:04:30,000

the the the

28

00:04:34,790 --> 00:04:33,360

fastest 10 minute rehash redo everything

29

00:04:36,629 --> 00:04:34,800

that i've ever done so

30

00:04:37,990 --> 00:04:36,639

i'm glad we're still having him on

31

00:04:39,590 --> 00:04:38,000

instead of you know

32

00:04:41,270 --> 00:04:39,600

giving you a disappointing message

33

00:04:42,469 --> 00:04:41,280

saying that we were not able to work it

34

00:04:45,510 --> 00:04:42,479

out so

35

00:04:48,790 --> 00:04:45,520

anyway let me see here

36

00:04:49,670 --> 00:04:48,800

let me see if i can patch him through

37

00:04:53,110 --> 00:04:49,680

now

38

00:04:56,629 --> 00:04:53,120

oh kawani can you hear me

39

00:04:58,469 --> 00:04:56,639

yes i can okay good deal well um

40

00:05:00,390 --> 00:04:58,479

thanks for being on i really appreciate

41

00:05:02,230 --> 00:05:00,400

it i'm uh it's unfortunate that

42

00:05:03,909 --> 00:05:02,240

i didn't work out with the with the

43

00:05:04,950 --> 00:05:03,919

video but that's all right i'm glad i

44

00:05:08,830 --> 00:05:04,960

was able to

45

00:05:15,749 --> 00:05:12,469

yes i'm glad happy to be on

46

00:05:16,469 --> 00:05:15,759

all right good deal um okay so what i

47

00:05:19,590 --> 00:05:16,479

usually

48

00:05:21,830 --> 00:05:19,600

do is um

49

00:05:23,590 --> 00:05:21,840

let me see here uh what i usually do i

50

00:05:24,950 --> 00:05:23,600

would like to

51

00:05:26,469 --> 00:05:24,960

ask the guests a little bit of

52

00:05:28,310 --> 00:05:26,479

background information not just for

53

00:05:29,909 --> 00:05:28,320

myself but everyone else watching that

54

00:05:31,510 --> 00:05:29,919

might not know much about you

55

00:05:33,909 --> 00:05:31,520

and then now we'll go from there is that

56

00:05:37,270 --> 00:05:33,919

okay with you

57

00:05:38,390 --> 00:05:37,280

yes okay so uh please tell me how how

58

00:05:41,110 --> 00:05:38,400

did you get into this

59

00:05:45,189 --> 00:05:41,120

uh to to basically uh be be in contact

60

00:05:50,150 --> 00:05:47,909

uh well uh overall uh first of all i'm a

61

00:05:52,550 --> 00:05:50,160

social scientist uh

62

00:05:54,550 --> 00:05:52,560

that used to teach anthropology at a new

63

00:05:57,029 --> 00:05:54,560

england college for a short time and

64

00:05:59,830 --> 00:05:57,039

later became a health consultant but

65

00:06:02,870 --> 00:05:59,840

i've been doing this for 65 years

66

00:06:07,029 --> 00:06:02,880

now the research 65 years

67

00:06:11,189 --> 00:06:07,039

and i started back in the mid 1950s

68

00:06:14,590 --> 00:06:11,199

and uh i started having experiences

69

00:06:17,990 --> 00:06:14,600

uh in the first week of september

70

00:06:21,830 --> 00:06:18,000

1979 when i was living in wisconsin

71

00:06:23,670 --> 00:06:21,840

uh it was the shock of my life i was not

72

00:06:24,950 --> 00:06:23,680

afraid or anything else i was just

73

00:06:28,070 --> 00:06:24,960

confused

74

00:06:31,670 --> 00:06:28,080

uh i was with some i was working for a

75

00:06:35,110 --> 00:06:31,680

urban native american agency

76

00:06:37,749 --> 00:06:35,120

as assistant director and at the time

77

00:06:38,469 --> 00:06:37,759

and i was asked to go out with a group

78

00:06:42,390 --> 00:06:38,479

of

79

00:06:44,710 --> 00:06:42,400

indians in order to bless this land that

80

00:06:46,309 --> 00:06:44,720

one of them had purchased so there are

81

00:06:49,830 --> 00:06:46,319

only about

82

00:06:52,469 --> 00:06:49,840

six of us there and uh so

83

00:06:54,070 --> 00:06:52,479

this was 60 miles north of milwaukee

84

00:06:56,870 --> 00:06:54,080

wisconsin

85

00:06:59,350 --> 00:06:56,880

and while they were discussing uh the

86

00:07:01,830 --> 00:06:59,360

property and stuff and sitting

87

00:07:02,710 --> 00:07:01,840

at the in the field but at the edge of

88

00:07:05,510 --> 00:07:02,720

the woods

89

00:07:07,990 --> 00:07:05,520

uh i stood up and kind of stretched and

90

00:07:11,029 --> 00:07:08,000

went down walking by the woods and

91

00:07:13,350 --> 00:07:11,039

uh all of a sudden the voice started to

92

00:07:14,469 --> 00:07:13,360

talk to me and saying i am the sasquatch

93

00:07:16,150 --> 00:07:14,479

man i'm here

94

00:07:17,749 --> 00:07:16,160

and i've been watching you for a long

95

00:07:21,430 --> 00:07:17,759

time and

96

00:07:22,309 --> 00:07:21,440

i just i thought what you know i i just

97

00:07:24,710 --> 00:07:22,319

it was

98

00:07:26,950 --> 00:07:24,720

i'm looking around i didn't see anything

99

00:07:28,710 --> 00:07:26,960

and it kept repeating and every time i

100

00:07:32,710 --> 00:07:28,720

thought of something

101  
00:07:34,550 --> 00:07:32,720  
he would answer but i finally said i'm

102  
00:07:37,270 --> 00:07:34,560  
going to walk out into the field here i

103  
00:07:38,870 --> 00:07:37,280  
i just uh i don't know what this is go

104  
00:07:41,909 --> 00:07:38,880  
you know i was hard to believe

105  
00:07:44,909 --> 00:07:41,919  
at that time and all of a sudden

106  
00:07:47,189 --> 00:07:44,919  
an et started talking to me in a more

107  
00:07:51,270 --> 00:07:47,199  
sophisticated voice

108  
00:07:53,830 --> 00:07:51,280  
and uh he said i am a star person

109  
00:07:54,790 --> 00:07:53,840  
and he said i've been also watching you

110  
00:07:57,430 --> 00:07:54,800  
for many years

111  
00:07:58,629 --> 00:07:57,440  
longer than you know or understand right

112  
00:08:00,150 --> 00:07:58,639  
now

113  
00:08:01,749 --> 00:08:00,160

and so i'm looking around i said i

114

00:08:05,350 --> 00:08:01,759

wonder where he is what was it

115

00:08:08,790 --> 00:08:05,360

he said oh well right now i'm in a a

116

00:08:11,990 --> 00:08:08,800

above you in another dimension uh in a

117

00:08:13,749 --> 00:08:12,000

ufo as you people call it

118

00:08:15,589 --> 00:08:13,759

so every time i thought of something he

119

00:08:17,189 --> 00:08:15,599

would answer and i said i guess this is

120

00:08:20,230 --> 00:08:17,199

telepathy

121

00:08:23,029 --> 00:08:20,240

it was very confusing and so i

122

00:08:24,309 --> 00:08:23,039

uh we talked for a while in a very short

123

00:08:27,430 --> 00:08:24,319

time and then i

124

00:08:29,830 --> 00:08:27,440

decided to go back to the group who were

125

00:08:32,469 --> 00:08:29,840

busy discussing the land

126  
00:08:32,949 --> 00:08:32,479  
so i walked back and sat among them and

127  
00:08:35,589 --> 00:08:32,959  
as

128  
00:08:37,509 --> 00:08:35,599  
i said well that's the end of this

129  
00:08:37,829 --> 00:08:37,519  
telepathy thing whatever was going on

130  
00:08:39,509 --> 00:08:37,839  
here

131  
00:08:41,350 --> 00:08:39,519  
i didn't know what to make of it at

132  
00:08:44,949 --> 00:08:41,360  
first and

133  
00:08:46,630 --> 00:08:44,959  
uh i said well it's they're not there

134  
00:08:48,389 --> 00:08:46,640  
now anymore and then the sasquatch

135  
00:08:49,990 --> 00:08:48,399  
started talking to me and he said yes we

136  
00:08:52,790 --> 00:08:50,000  
are he said i am here and

137  
00:08:54,870 --> 00:08:52,800  
and i'm still watching you and i go holy

138  
00:08:57,910 --> 00:08:54,880

gee you know

139

00:08:59,910 --> 00:08:57,920

so at the conversation uh with the

140

00:09:01,829 --> 00:08:59,920

native american people was the

141

00:09:03,990 --> 00:09:01,839

they had a medicine man there a

142

00:09:07,030 --> 00:09:04,000

potawatomi medicine man

143

00:09:09,430 --> 00:09:07,040

and uh one of the

144

00:09:11,350 --> 00:09:09,440

people said you know you should build

145

00:09:13,430 --> 00:09:11,360

your sweat lodge over there

146

00:09:14,949 --> 00:09:13,440

and the head of house said no no i will

147

00:09:16,790 --> 00:09:14,959

not build it there

148

00:09:18,630 --> 00:09:16,800

and then the medicine man spoke up and

149

00:09:19,269 --> 00:09:18,640

said yes that's an excellent place to

150

00:09:23,110 --> 00:09:19,279

have

151  
00:09:23,750 --> 00:09:23,120  
a sweat lodge and the head of house said

152  
00:09:27,990 --> 00:09:23,760  
no

153  
00:09:29,430 --> 00:09:28,000  
have been landing their spaceships there

154  
00:09:30,949 --> 00:09:29,440  
and i don't want to disrupt their

155  
00:09:33,990 --> 00:09:30,959  
activity

156  
00:09:36,230 --> 00:09:34,000  
and with that it shocked me

157  
00:09:38,230 --> 00:09:36,240  
even a little bit more again i wasn't

158  
00:09:39,590 --> 00:09:38,240  
afraid i was just this was a shock and

159  
00:09:43,350 --> 00:09:39,600  
so i stood up

160  
00:09:46,389 --> 00:09:43,360  
and quickly and left the group and i

161  
00:09:47,750 --> 00:09:46,399  
jogged all the way back uh probably uh

162  
00:09:51,670 --> 00:09:47,760  
my guess is about

163  
00:09:53,990 --> 00:09:51,680

80 yards back to the house and

164

00:09:56,070 --> 00:09:54,000

i was just i had to think this thing

165

00:09:59,590 --> 00:09:56,080

through what just had happened

166

00:10:03,509 --> 00:09:59,600

and so the

167

00:10:05,350 --> 00:10:03,519

right after i left as not long at all

168

00:10:06,550 --> 00:10:05,360

uh all of them started to come to their

169

00:10:08,790 --> 00:10:06,560

cars and and

170

00:10:09,910 --> 00:10:08,800

finish up what they were doing and i was

171

00:10:11,750 --> 00:10:09,920

sitting there

172

00:10:13,190 --> 00:10:11,760

and the head of house came over to me

173

00:10:16,470 --> 00:10:13,200

and he said

174

00:10:19,670 --> 00:10:16,480

uh uh i've been watching you you're

175

00:10:22,790 --> 00:10:19,680

uh uh my

176

00:10:23,990 --> 00:10:22,800

i saw you hugging petting and hugging my

177

00:10:27,509 --> 00:10:24,000

dog

178

00:10:30,230 --> 00:10:27,519

nobody can

179

00:10:32,150 --> 00:10:30,240

and uh you know i didn't know what to

180

00:10:32,870 --> 00:10:32,160

make of it he says animals are attracted

181

00:10:34,870 --> 00:10:32,880

to you

182

00:10:36,069 --> 00:10:34,880

and then he said so is the sasquatch

183

00:10:39,030 --> 00:10:36,079

people

184

00:10:41,030 --> 00:10:39,040

and i whoa so they were having

185

00:10:41,750 --> 00:10:41,040

experiences there and i didn't know it

186

00:10:45,430 --> 00:10:41,760

until i

187

00:10:46,230 --> 00:10:45,440

showed up and so i said well i'll never

188

00:10:49,110 --> 00:10:46,240

tell anybody

189

00:10:50,310 --> 00:10:49,120

i mean this is outrageous i don't want

190

00:10:53,350 --> 00:10:50,320

to destroy my

191

00:10:56,710 --> 00:10:53,360

uh reputation or anything

192

00:11:00,230 --> 00:10:56,720

and uh but two nights later

193

00:11:02,230 --> 00:11:00,240

i was sleeping and i still remember it

194

00:11:05,110 --> 00:11:02,240

was quarter to three in the morning

195

00:11:06,710 --> 00:11:05,120

uh a voice said to me wake up my friend

196

00:11:09,110 --> 00:11:06,720

we are here

197

00:11:10,949 --> 00:11:09,120

and i opened my eyes i was facing the

198

00:11:13,509 --> 00:11:10,959

wall and i said oh no

199

00:11:15,829 --> 00:11:13,519

a burglar broke in and i expected a gun

200

00:11:17,910 --> 00:11:15,839

in my face when i rolled over

201  
00:11:19,030 --> 00:11:17,920  
but there were two sasquatch standing

202  
00:11:22,310 --> 00:11:19,040  
there

203  
00:11:24,790 --> 00:11:22,320  
uh as living apparitions

204  
00:11:26,870 --> 00:11:24,800  
they were living apparitions they had

205  
00:11:28,230 --> 00:11:26,880  
astral projected there

206  
00:11:31,190 --> 00:11:28,240  
and they were standing there when i

207  
00:11:33,910 --> 00:11:31,200  
rolled over the big one

208  
00:11:34,550 --> 00:11:33,920  
floated down through the floor so his

209  
00:11:38,870 --> 00:11:34,560  
head

210  
00:11:42,230 --> 00:11:38,880  
about three feet away

211  
00:11:44,550 --> 00:11:42,240  
while we were talking so i could see

212  
00:11:47,030 --> 00:11:44,560  
every wrinkle in his face and when he

213  
00:11:47,750 --> 00:11:47,040

moved his eyes from side to side to look

214

00:11:49,750 --> 00:11:47,760

around

215

00:11:51,509 --> 00:11:49,760

i could see his pupils move just

216

00:11:55,030 --> 00:11:51,519

everything about him

217

00:11:56,550 --> 00:11:55,040

so uh they

218

00:11:58,310 --> 00:11:56,560

wanted to let me know that they were

219

00:12:01,350 --> 00:11:58,320

interdimensional

220

00:12:04,470 --> 00:12:01,360

and they for almost two months

221

00:12:05,910 --> 00:12:04,480

they came and visited me uh every so

222

00:12:08,150 --> 00:12:05,920

many days

223

00:12:09,030 --> 00:12:08,160

and one of the times they came there was

224

00:12:11,829 --> 00:12:09,040

a female

225

00:12:12,870 --> 00:12:11,839

with him and then another time there was

226

00:12:43,030 --> 00:12:12,880

a

227

00:12:46,629 --> 00:12:43,040

this

228

00:12:50,150 --> 00:12:46,639

so they chose me for that

229

00:12:50,790 --> 00:12:50,160

and so why uh because i have four

230

00:12:54,389 --> 00:12:50,800

degrees

231

00:12:57,110 --> 00:12:54,399

and uh almost 10 years of college and

232

00:12:58,949 --> 00:12:57,120

i've got a vast background in terms of

233

00:13:01,990 --> 00:12:58,959

academics and stuff

234

00:13:03,670 --> 00:13:02,000

so they wanted someone with credentials

235

00:13:07,190 --> 00:13:03,680

apparently and

236

00:13:09,910 --> 00:13:07,200

and yet with an open mind and but the

237

00:13:12,150 --> 00:13:09,920

interesting thing about this was that it

238

00:13:15,590 --> 00:13:12,160

opened me up to opened up my

239

00:13:18,710 --> 00:13:15,600

what some people would call my kundalini

240

00:13:20,470 --> 00:13:18,720

and i became psychic overnight

241

00:13:21,750 --> 00:13:20,480

i i don't even like the word psychic

242

00:13:23,670 --> 00:13:21,760

because it has

243

00:13:25,030 --> 00:13:23,680

for in some groups it has a negative

244

00:13:28,710 --> 00:13:25,040

connotation because

245

00:13:31,350 --> 00:13:28,720

they consider that uh unscientific

246

00:13:31,990 --> 00:13:31,360

well i got news for those people who

247

00:13:35,030 --> 00:13:32,000

think that

248

00:13:36,069 --> 00:13:35,040

this is quantum physics this is quantum

249

00:13:39,350 --> 00:13:36,079

physics which is

250

00:13:39,910 --> 00:13:39,360

a part of mainstream science so there's

251  
00:13:42,230 --> 00:13:39,920  
nothing

252  
00:13:43,910 --> 00:13:42,240  
weird about it and the more we make

253  
00:13:46,230 --> 00:13:43,920  
believe it doesn't exist

254  
00:13:49,350 --> 00:13:46,240  
the more problems we're going to have

255  
00:13:51,990 --> 00:13:49,360  
it's just not a a

256  
00:13:52,550 --> 00:13:52,000  
a situation where they're going to find

257  
00:13:54,550 --> 00:13:52,560  
anything

258  
00:13:55,590 --> 00:13:54,560  
if the with their attitude this is

259  
00:13:59,030 --> 00:13:55,600  
mainstream

260  
00:14:01,030 --> 00:13:59,040  
researchers uh they have an attitude and

261  
00:14:02,790 --> 00:14:01,040  
they go out in groups

262  
00:14:04,230 --> 00:14:02,800  
and they bring guns and they bring

263  
00:14:06,949 --> 00:14:04,240

cameras

264

00:14:08,629 --> 00:14:06,959

they're very very naive i don't care how

265

00:14:10,949 --> 00:14:08,639

much education they have

266

00:14:12,470 --> 00:14:10,959

and i have to say that because i've been

267

00:14:16,310 --> 00:14:12,480

called a fraud

268

00:14:19,590 --> 00:14:16,320

and a bunch of other things because

269

00:14:22,069 --> 00:14:19,600

i'm telling the truth because i i chose

270

00:14:23,910 --> 00:14:22,079

to believe in what the sasquatch were

271

00:14:28,829 --> 00:14:23,920

telling me and

272

00:14:34,629 --> 00:14:32,069

i uh they even said he said well you're

273

00:14:36,790 --> 00:14:34,639

actually our ambassador and i just said

274

00:14:38,949 --> 00:14:36,800

i don't want to use that word i don't

275

00:14:40,790 --> 00:14:38,959

this is not about me it's not an ego

276

00:14:43,030 --> 00:14:40,800

trip it's about them

277

00:14:44,790 --> 00:14:43,040

and getting to the truth of who they are

278

00:14:46,470 --> 00:14:44,800

what they want what are they doing here

279

00:14:49,990 --> 00:14:46,480

and so on

280

00:14:51,670 --> 00:14:50,000

so uh it was very interesting i said

281

00:14:53,509 --> 00:14:51,680

well i'm the only person around that's

282

00:14:55,430 --> 00:14:53,519

had these experiences

283

00:14:56,870 --> 00:14:55,440

so i started taking even though i've

284

00:15:00,470 --> 00:14:56,880

done a lot of writing and i had

285

00:15:03,670 --> 00:15:00,480

published in magazines and newspapers

286

00:15:06,710 --> 00:15:03,680

to i needed to polish up as a writer and

287

00:15:08,790 --> 00:15:06,720

and i wrote two different thesis one was

288

00:15:12,470 --> 00:15:08,800

55 pages long the other was

289

00:15:14,389 --> 00:15:12,480

110 pages long so i've done

290

00:15:15,990 --> 00:15:14,399

a lot of writing but never written a

291

00:15:19,509 --> 00:15:16,000

book so i

292

00:15:23,110 --> 00:15:19,519

took a professional writing course uh

293

00:15:26,710 --> 00:15:23,120

at night at marquette university with a

294

00:15:30,629 --> 00:15:26,720

top professor of who's got all kinds of

295

00:15:33,829 --> 00:15:30,639

uh national awards and so

296

00:15:35,350 --> 00:15:33,839

uh i told him what i'd be writing about

297

00:15:37,030 --> 00:15:35,360

because he wants people to write and i

298

00:15:39,590 --> 00:15:37,040

said i'm going to write

299

00:15:40,629 --> 00:15:39,600

about sasquatch because i had these

300

00:15:43,670 --> 00:15:40,639

experiences

301

00:15:46,310 --> 00:15:43,680

but i don't want people to know i i

302

00:15:47,829 --> 00:15:46,320

didn't want to people make fun of me or

303

00:15:49,829 --> 00:15:47,839

whatever i said so

304

00:15:51,749 --> 00:15:49,839

just don't let the class know well there

305

00:15:53,269 --> 00:15:51,759

was a lawyer in the class there was a

306

00:15:56,230 --> 00:15:53,279

housewife there was a

307

00:15:57,509 --> 00:15:56,240

engineer there were people from all

308

00:16:00,949 --> 00:15:57,519

walks of life

309

00:16:05,590 --> 00:16:00,959

uh about uh let me guess i think they're

310

00:16:08,629 --> 00:16:05,600

about 15 or 16 people there

311

00:16:12,150 --> 00:16:08,639

so i wrote about this

312

00:16:19,269 --> 00:16:16,389

he evaluated it for me and critiqued it

313

00:16:20,710 --> 00:16:19,279

so when i came into class at night

314

00:16:22,790 --> 00:16:20,720

another day

315

00:16:24,470 --> 00:16:22,800

he handed it to me we i went in early

316

00:16:26,470 --> 00:16:24,480

and we discussed it why there was nobody

317

00:16:29,110 --> 00:16:26,480

there and he gave it back to me

318

00:16:32,069 --> 00:16:29,120

so i went to sit down to go through it

319

00:16:34,550 --> 00:16:32,079

all again to several pages

320

00:16:36,230 --> 00:16:34,560

and while i'm sitting there the woman

321

00:16:38,550 --> 00:16:36,240

that usually sits beside

322

00:16:40,550 --> 00:16:38,560

me there was no actually nobody there in

323

00:16:43,430 --> 00:16:40,560

the room yet i was real early

324

00:16:44,310 --> 00:16:43,440

so i got involved with reading the

325

00:16:46,790 --> 00:16:44,320

critique

326

00:16:49,590 --> 00:16:46,800

and all of a sudden a voice said to me

327

00:16:52,310 --> 00:16:49,600

oh you write about sasquatch

328

00:16:53,749 --> 00:16:52,320

my best friend has interacted with them

329

00:16:56,550 --> 00:16:53,759

they talked to her

330

00:16:57,910 --> 00:16:56,560

i go uh what because at first i didn't

331

00:17:00,310 --> 00:16:57,920

want anybody to know

332

00:17:01,430 --> 00:17:00,320

and here she was sitting beside me for a

333

00:17:04,549 --> 00:17:01,440

few weeks and

334

00:17:07,510 --> 00:17:04,559

and all of a sudden uh

335

00:17:09,110 --> 00:17:07,520

the revealing what i was doing was a

336

00:17:11,189 --> 00:17:09,120

positive thing

337

00:17:12,470 --> 00:17:11,199

and i didn't let anyone else know in

338

00:17:16,870 --> 00:17:12,480

class but

339

00:17:20,230 --> 00:17:16,880

i met her friends several times and

340

00:17:22,789 --> 00:17:20,240

in my first book uh my second chapter is

341

00:17:23,909 --> 00:17:22,799

about her friend and what happened and

342

00:17:27,429 --> 00:17:23,919

so on with

343

00:17:29,110 --> 00:17:27,439

both spaceships and sasquatch because

344

00:17:35,430 --> 00:17:29,120

they

345

00:17:38,710 --> 00:17:35,440

many years

346

00:17:41,190 --> 00:17:38,720

and for for four years

347

00:17:42,230 --> 00:17:41,200

actually she was talking to them so her

348

00:17:45,110 --> 00:17:42,240

husband

349

00:17:45,990 --> 00:17:45,120

they lived in milwaukee would drive it

350

00:17:48,789 --> 00:17:46,000

was a

351

00:17:49,270 --> 00:17:48,799

a seven six and a half or seven hour

352

00:17:52,630 --> 00:17:49,280

drive

353

00:17:55,110 --> 00:17:52,640

way to the northern end of wisconsin

354

00:17:56,789 --> 00:17:55,120

in a very wild area and they had a

355

00:17:59,669 --> 00:17:56,799

little cabin there

356

00:18:01,350 --> 00:17:59,679

and it was at the end of a dirt at the

357

00:18:04,230 --> 00:18:01,360

end of a dirt road and it was all

358

00:18:06,470 --> 00:18:04,240

thickly forested so every year her

359

00:18:09,669 --> 00:18:06,480

husband would drop her off for

360

00:18:11,590 --> 00:18:09,679

uh anywhere from four to six and i think

361

00:18:13,909 --> 00:18:11,600

a few times eight weeks

362

00:18:15,830 --> 00:18:13,919

by herself and she would bring the bible

363

00:18:18,870 --> 00:18:15,840

and bring books and read and

364

00:18:21,350 --> 00:18:18,880

uh a neighbor down uh the

365

00:18:23,990 --> 00:18:21,360

the the road would help her to get

366

00:18:26,789 --> 00:18:24,000

groceries and stuff uh periodically and

367

00:18:28,630 --> 00:18:26,799

check on her they were old friends so

368

00:18:31,029 --> 00:18:28,640

this was going on for four years

369

00:18:32,230 --> 00:18:31,039

interacting with the sasquatch and one

370

00:18:36,630 --> 00:18:32,240

of the times

371

00:18:40,789 --> 00:18:36,640

uh the uh when the

372

00:18:42,789 --> 00:18:40,799

neighbor brought some groceries for her

373

00:18:45,029 --> 00:18:42,799

brought the newspaper and said it was a

374

00:18:47,110 --> 00:18:45,039

local newspaper and a small one

375

00:18:48,549 --> 00:18:47,120

and said there's people breaking into

376

00:18:51,590 --> 00:18:48,559

houses and stuff

377

00:18:54,470 --> 00:18:51,600

uh and and so forth so uh

378

00:18:56,150 --> 00:18:54,480

to be people should be aware of that so

379

00:18:59,270 --> 00:18:56,160

she thought nothing of it

380

00:19:02,789 --> 00:18:59,280

but a couple of days later

381

00:19:04,950 --> 00:19:02,799

uh she was hearing someone's talking

382

00:19:05,990 --> 00:19:04,960

and she looked out back and there was a

383

00:19:07,750 --> 00:19:06,000

shed out there

384

00:19:09,669 --> 00:19:07,760

and she could see someone lighting a

385

00:19:13,110 --> 00:19:09,679

cigarette and there were two

386

00:19:15,750 --> 00:19:13,120

forms there so she quickly locked every

387

00:19:17,270 --> 00:19:15,760

all the doors windows and everything and

388

00:19:20,630 --> 00:19:17,280

she had a baseball bat

389

00:19:23,590 --> 00:19:20,640

she told me and she went into the corner

390

00:19:25,190 --> 00:19:23,600

uh and and held it and waited and

391

00:19:27,909 --> 00:19:25,200

actually she was about five foot

392

00:19:28,470 --> 00:19:27,919

tall and and rather heavy set a very

393

00:19:31,669 --> 00:19:28,480

lovely

394

00:19:33,909 --> 00:19:31,679

woman and this is what she told me that

395

00:19:35,750 --> 00:19:33,919

she says then they try to get in

396

00:19:39,430 --> 00:19:35,760

uh the front door should get up on the

397

00:19:41,110 --> 00:19:39,440

porch and try to get in and uh

398

00:19:43,430 --> 00:19:41,120

all of a sudden one of them says oh my

399

00:19:44,310 --> 00:19:43,440

god look at that quick let's get out of

400

00:19:46,230 --> 00:19:44,320

here

401  
00:19:49,430 --> 00:19:46,240  
and they ran one guy fell right off the

402  
00:19:50,789 --> 00:19:49,440  
porch he fell down the steps

403  
00:19:52,870 --> 00:19:50,799  
when she looked quickly got up and

404  
00:19:55,590 --> 00:19:52,880  
looked out the window there was a

405  
00:19:56,549 --> 00:19:55,600  
a 10 to 12 foot sasquatch walking

406  
00:19:59,430 --> 00:19:56,559  
towards them

407  
00:20:00,390 --> 00:19:59,440  
and they ran and ran down the road and

408  
00:20:03,830 --> 00:20:00,400  
never came back

409  
00:20:05,350 --> 00:20:03,840  
of course and the next day while she was

410  
00:20:08,070 --> 00:20:05,360  
sitting out on the porch

411  
00:20:09,110 --> 00:20:08,080  
uh he came and stood where he always did

412  
00:20:12,230 --> 00:20:09,120  
she could see

413  
00:20:13,270 --> 00:20:12,240

his auburn hair not fur they're they're

414

00:20:15,270 --> 00:20:13,280

a humanoid

415

00:20:17,270 --> 00:20:15,280

there there are people the fact they're

416

00:20:19,270 --> 00:20:17,280

more human than we are

417

00:20:21,830 --> 00:20:19,280

they don't go around killing people

418

00:20:23,830 --> 00:20:21,840

murdering they don't start wars

419

00:20:25,990 --> 00:20:23,840

and they don't destroy the environment

420

00:20:29,669 --> 00:20:26,000

that's sustaining them

421

00:20:33,830 --> 00:20:29,679

so they're very human and

422

00:20:34,470 --> 00:20:33,840

they said last night those men were bad

423

00:20:39,029 --> 00:20:34,480

uh

424

00:20:42,149 --> 00:20:39,039

ever need me

425

00:20:44,950 --> 00:20:42,159

so uh it's a

426

00:20:46,390 --> 00:20:44,960

this is just one of the situations that

427

00:20:50,310 --> 00:20:46,400

i first learned

428

00:20:55,270 --> 00:20:50,320

early on in uh trying to understand

429

00:20:58,470 --> 00:20:56,870

well that's quite a bit to unpack to

430

00:21:01,510 --> 00:20:58,480

begin with but that's great

431

00:21:04,470 --> 00:21:01,520

um so have you been

432

00:21:05,029 --> 00:21:04,480

so basically uh you've been in contact

433

00:21:08,870 --> 00:21:05,039

with them

434

00:21:12,230 --> 00:21:08,880

ever since the very first time correct

435

00:21:13,270 --> 00:21:12,240

yes for 42 years now no matter where i

436

00:21:16,390 --> 00:21:13,280

go

437

00:21:18,789 --> 00:21:16,400

no matter what i do they're there uh

438

00:21:19,990 --> 00:21:18,799

when i had to i've lectured all over the

439

00:21:23,430 --> 00:21:20,000

united states

440

00:21:26,710 --> 00:21:23,440

and in a lot of canada and

441

00:21:30,710 --> 00:21:26,720

when i had to speak in florida

442

00:21:33,270 --> 00:21:30,720

the they were there waiting for me

443

00:21:34,950 --> 00:21:33,280

uh when i went out to massachusetts and

444

00:21:35,909 --> 00:21:34,960

vermont they were there again waiting

445

00:21:39,190 --> 00:21:35,919

for me

446

00:21:42,390 --> 00:21:39,200

uh no matter where i go and okay

447

00:21:45,510 --> 00:21:42,400

so is that uh well that naturally

448

00:21:49,669 --> 00:21:45,520

wants me to ask so they were not

449

00:21:51,750 --> 00:21:49,679

necessarily stuck so to say or basically

450

00:21:53,750 --> 00:21:51,760

needing to be at only one location they

451  
00:21:55,350 --> 00:21:53,760  
could they could kind of go wherever

452  
00:21:59,110 --> 00:21:55,360  
you're going because they have a

453  
00:22:02,549 --> 00:21:59,120  
what a different way to travel around

454  
00:22:04,549 --> 00:22:02,559  
yes they told me they have access to

455  
00:22:08,789 --> 00:22:04,559  
eight different dimensions

456  
00:22:11,909 --> 00:22:11,350  
can astral project anywhere and control

457  
00:22:15,510 --> 00:22:11,919  
that

458  
00:22:18,630 --> 00:22:15,520  
very very well uh i

459  
00:22:20,950 --> 00:22:18,640  
i went camping here

460  
00:22:22,950 --> 00:22:20,960  
several years ago i go periodically but

461  
00:22:26,070 --> 00:22:22,960  
i'm one particular incident

462  
00:22:29,110 --> 00:22:26,080  
i was driving along in my uh

463  
00:22:32,310 --> 00:22:29,120

guide who is ten and a half feet tall

464

00:22:34,390 --> 00:22:32,320

uh his name is snowhawk he's

465

00:22:35,430 --> 00:22:34,400

all of a sudden while i'm driving along

466

00:22:37,590 --> 00:22:35,440

on the freeway

467

00:22:38,470 --> 00:22:37,600

uh wanting to go into the deeper

468

00:22:41,830 --> 00:22:38,480

wilderness

469

00:22:43,590 --> 00:22:41,840

uh he said hey you know you didn't leave

470

00:22:46,950 --> 00:22:43,600

me much room back here did you

471

00:22:48,549 --> 00:22:46,960

and it was all packed in the back of the

472

00:22:51,270 --> 00:22:48,559

car i mean just packed up

473

00:22:52,950 --> 00:22:51,280

with supplies and a tent and sleeping

474

00:22:55,669 --> 00:22:52,960

bag and all that stuff and

475

00:22:56,870 --> 00:22:55,679

that i needed you know cans for water

476  
00:22:59,510 --> 00:22:56,880  
and everything

477  
00:23:00,950 --> 00:22:59,520  
uh so that was his joke you know then

478  
00:23:03,909 --> 00:23:00,960  
and uh

479  
00:23:05,750 --> 00:23:03,919  
so everyone's in the car i when i flew

480  
00:23:08,950 --> 00:23:05,760  
down to texas to speak

481  
00:23:12,310 --> 00:23:08,960  
uh they were there in the in the plane

482  
00:23:15,830 --> 00:23:12,320  
at thirty thousand feet kind of thing

483  
00:23:19,909 --> 00:23:15,840  
uh so uh and i've seen

484  
00:23:21,350 --> 00:23:19,919  
uh seven different races of ets that

485  
00:23:23,750 --> 00:23:21,360  
have come to me

486  
00:23:24,390 --> 00:23:23,760  
so i've been very fortunate very

487  
00:23:28,149 --> 00:23:24,400  
fortunate

488  
00:23:28,549 --> 00:23:28,159

indeed uh with this and that's because i

489

00:23:33,590 --> 00:23:28,559

have

490

00:23:35,270 --> 00:23:33,600

and that i'm very sensitive which is

491

00:23:40,149 --> 00:23:35,280

true

492

00:23:40,870 --> 00:23:40,159

so uh i'm i'm against violence and and

493

00:23:44,470 --> 00:23:40,880

so forth

494

00:23:47,669 --> 00:23:44,480

so all these things uh apparently uh

495

00:23:49,669 --> 00:23:47,679

attracted uh their attention and uh they

496

00:23:50,549 --> 00:23:49,679

wanted me to get all this stuff out to

497

00:23:52,710 --> 00:23:50,559

the public

498

00:23:54,230 --> 00:23:52,720

and so now i've it's gone all over the

499

00:23:57,909 --> 00:23:54,240

world to

500

00:24:01,430 --> 00:23:57,919

new zealand australia and everything

501  
00:24:04,789 --> 00:24:01,440  
i uh have started

502  
00:24:08,789 --> 00:24:04,799  
a a few years ago a conference

503  
00:24:12,310 --> 00:24:08,799  
a psychic sasquatch conference and uh

504  
00:24:14,789 --> 00:24:12,320  
here in eastern washington and uh

505  
00:24:15,590 --> 00:24:14,799  
with the covet thing i haven't had it

506  
00:24:18,310 --> 00:24:15,600  
for

507  
00:24:20,070 --> 00:24:18,320  
last year or this year i'm waiting to

508  
00:24:23,590 --> 00:24:20,080  
see what happens here

509  
00:24:26,390 --> 00:24:23,600  
but uh the last one there

510  
00:24:26,950 --> 00:24:26,400  
every year where we have it which which

511  
00:24:37,990 --> 00:24:26,960  
i

512  
00:24:42,630 --> 00:24:38,000  
thousand feet

513  
00:24:45,909 --> 00:24:42,640

and uh or i guess it's 3 500 feet

514

00:24:47,190 --> 00:24:45,919

and it's beautiful people camped there

515

00:24:48,710 --> 00:24:47,200

when they wake up in the morning

516

00:24:51,909 --> 00:24:48,720

sometimes there's a moose

517

00:24:52,870 --> 00:24:51,919

walking through uh some people saw a

518

00:24:54,390 --> 00:24:52,880

black wolf

519

00:24:56,950 --> 00:24:54,400

because a lot of wolves in this area

520

00:25:00,230 --> 00:24:56,960

fact there's uh 23

521

00:25:01,350 --> 00:25:00,240

uh packs of wolves in eastern washington

522

00:25:04,470 --> 00:25:01,360

now

523

00:25:07,190 --> 00:25:04,480

uh and uh so it's a wild

524

00:25:07,830 --> 00:25:07,200

area but at night when the people are

525

00:25:10,310 --> 00:25:07,840

camping

526

00:25:12,470 --> 00:25:10,320

there and there's uh uh there's

527

00:25:13,430 --> 00:25:12,480

dormitories and so on that i guess the

528

00:25:18,230 --> 00:25:13,440

last time there were

529

00:25:22,070 --> 00:25:18,240

we had i had 333 people that attended

530

00:25:22,630 --> 00:25:22,080

uh so uh there's always a spaceship

531

00:25:25,669 --> 00:25:22,640

hovering

532

00:25:29,510 --> 00:25:25,679

above the campus at night

533

00:25:32,549 --> 00:25:29,520

and you can see it plain as day and

534

00:25:34,950 --> 00:25:32,559

the last time which was 2019

535

00:25:35,750 --> 00:25:34,960

i had to stay up there till 10 or 11

536

00:25:38,870 --> 00:25:35,760

o'clock

537

00:25:40,710 --> 00:25:38,880

and i drove 23 miles back down

538

00:25:42,230 --> 00:25:40,720

out of the mountain to another

539

00:25:45,510 --> 00:25:42,240

wilderness area where

540

00:25:48,470 --> 00:25:45,520

where i live now and so uh

541

00:25:49,830 --> 00:25:48,480

when i did the spaceship followed me all

542

00:25:52,470 --> 00:25:49,840

the way home

543

00:25:54,070 --> 00:25:52,480

i did this four nights in a row that i

544

00:25:56,070 --> 00:25:54,080

had to stay there and come

545

00:25:57,510 --> 00:25:56,080

in late and they followed me home every

546

00:25:58,390 --> 00:25:57,520

time no matter where i looked there it

547

00:26:01,350 --> 00:25:58,400

was

548

00:26:03,269 --> 00:26:01,360

and when i left this big field which is

549

00:26:04,070 --> 00:26:03,279

just down the road here to go into the

550

00:26:07,269 --> 00:26:04,080

woods

551  
00:26:08,789 --> 00:26:07,279  
into the mountain here uh they were

552  
00:26:11,990 --> 00:26:08,799  
hovering already above my

553  
00:26:13,830 --> 00:26:12,000  
my house just to escort me home to let

554  
00:26:14,950 --> 00:26:13,840  
me know that they're being supportive of

555  
00:26:17,990 --> 00:26:14,960  
me

556  
00:26:21,190 --> 00:26:18,000  
so this is this is this is

557  
00:26:23,269 --> 00:26:21,200  
unique and fun in a way and and yet it's

558  
00:26:25,990 --> 00:26:23,279  
serious research because

559  
00:26:27,590 --> 00:26:26,000  
why would they do that well because i

560  
00:26:29,590 --> 00:26:27,600  
don't go out in groups

561  
00:26:31,510 --> 00:26:29,600  
with guns and cameras which they don't

562  
00:26:34,630 --> 00:26:31,520  
want and

563  
00:26:37,590 --> 00:26:34,640

they select their selective with people

564

00:26:38,310 --> 00:26:37,600

and they want to talk to more people and

565

00:26:40,149 --> 00:26:38,320

they are

566

00:26:41,510 --> 00:26:40,159

they're more and more more people are

567

00:26:43,909 --> 00:26:41,520

contacting me saying

568

00:26:45,430 --> 00:26:43,919

my god they're been talking to me and so

569

00:26:48,310 --> 00:26:45,440

on especially since

570

00:26:50,470 --> 00:26:48,320

they read my two books the first book

571

00:26:52,470 --> 00:26:50,480

came out in 1998

572

00:26:54,310 --> 00:26:52,480

called the psychic sasquatch and their

573

00:26:58,789 --> 00:26:54,320

ufo connection

574

00:27:01,669 --> 00:26:58,799

the second book came out in uh 2011

575

00:27:02,710 --> 00:27:01,679

called the sasquatch people and their

576  
00:27:05,269 --> 00:27:02,720  
interdimensional

577  
00:27:06,470 --> 00:27:05,279  
connection which people can get by going

578  
00:27:11,510 --> 00:27:06,480  
to

579  
00:27:14,950 --> 00:27:11,520  
my website at sasquatchpeople.com

580  
00:27:18,310 --> 00:27:14,960  
now they've told me that

581  
00:27:19,110 --> 00:27:18,320  
sometime soon they've taken me twice the

582  
00:27:22,389 --> 00:27:19,120  
et's

583  
00:27:25,430 --> 00:27:22,399  
have several times and the the

584  
00:27:27,430 --> 00:27:25,440  
the sasquatch did once but

585  
00:27:28,870 --> 00:27:27,440  
they said they want to take me through a

586  
00:27:31,269 --> 00:27:28,880  
portal

587  
00:27:33,029 --> 00:27:31,279  
to their parallel world where they they

588  
00:27:35,029 --> 00:27:33,039

live a lot of the times

589

00:27:36,310 --> 00:27:35,039

to live with them for a while in that

590

00:27:39,669 --> 00:27:36,320

dimension

591

00:27:41,190 --> 00:27:39,679

and to then come back and write my third

592

00:27:43,830 --> 00:27:41,200

book about it

593

00:27:45,590 --> 00:27:43,840

and they said be very concise and sure

594

00:27:48,710 --> 00:27:45,600

keep it short and concise

595

00:27:50,310 --> 00:27:48,720

but they know as a social scientist as

596

00:27:53,830 --> 00:27:50,320

an anthropologist i

597

00:27:57,269 --> 00:27:53,840

i am uh aware

598

00:28:00,549 --> 00:27:57,279

of you know my feelings my uh

599

00:28:03,510 --> 00:28:00,559

the environment and i'm very detailed

600

00:28:04,870 --> 00:28:03,520

and that's what they want so i'm waiting

601  
00:28:07,269 --> 00:28:04,880  
for that to happen

602  
00:28:09,350 --> 00:28:07,279  
uh and that that would it's going to be

603  
00:28:12,310 --> 00:28:09,360  
one of the most unique experiences of my

604  
00:28:16,630 --> 00:28:15,430  
so uh just real quick uh i wanted to for

605  
00:28:19,190 --> 00:28:16,640  
those who are watching we're

606  
00:28:20,630 --> 00:28:19,200  
i'm speaking uh to uh kiwani

607  
00:28:22,950 --> 00:28:20,640  
ellipsoritis today

608  
00:28:25,590 --> 00:28:22,960  
uh we originally were going to connect

609  
00:28:27,669 --> 00:28:25,600  
over uh skype with video and voice

610  
00:28:28,710 --> 00:28:27,679  
but uh due to some technical

611  
00:28:31,269 --> 00:28:28,720  
difficulties

612  
00:28:32,710 --> 00:28:31,279  
i quickly in the last 10 minutes had to

613  
00:28:33,269 --> 00:28:32,720

real quick connect with him over the

614

00:28:35,990 --> 00:28:33,279

phone

615

00:28:37,830 --> 00:28:36,000

and so basically we get to still talk to

616

00:28:40,070 --> 00:28:37,840

him but unfortunately no video

617

00:28:41,990 --> 00:28:40,080

and he would have been connected with us

618

00:28:44,549 --> 00:28:42,000

via satellite and uh

619

00:28:46,230 --> 00:28:44,559

initially there would have been a three

620

00:28:48,389 --> 00:28:46,240

three second delay or so

621

00:28:50,149 --> 00:28:48,399

so i guess maybe there's no accidents

622

00:28:51,750 --> 00:28:50,159

everything works out at the end and he's

623

00:28:53,750 --> 00:28:51,760

coming through loud and clear

624

00:28:54,870 --> 00:28:53,760

and i just want to quickly tell everyone

625

00:28:58,070 --> 00:28:54,880

that uh

626

00:29:00,710 --> 00:28:58,080

towards the end when it's time for q a

627

00:29:01,830 --> 00:29:00,720

we'll do some q a with with kawani and

628

00:29:04,389 --> 00:29:01,840

currently this is

629

00:29:05,269 --> 00:29:04,399

uh streaming on on youtube facebook and

630

00:29:08,310 --> 00:29:05,279

and twitch

631

00:29:10,549 --> 00:29:08,320

and also uh on telegram so

632

00:29:12,950 --> 00:29:10,559

right now you can listen to this on

633

00:29:15,430 --> 00:29:12,960

telegram as well and when it comes

634

00:29:17,190 --> 00:29:15,440

for some q a later on when it comes time

635

00:29:19,750 --> 00:29:17,200

i'll be taking some questions for

636

00:29:21,190 --> 00:29:19,760

over the the chat but uh for the first

637

00:29:21,990 --> 00:29:21,200

time we'll also be able to take

638

00:29:23,750 --> 00:29:22,000

questions

639

00:29:25,430 --> 00:29:23,760

uh over telegram where you will be able

640

00:29:27,830 --> 00:29:25,440

to ask one yourself

641

00:29:29,029 --> 00:29:27,840

so in the description below you should

642

00:29:31,909 --> 00:29:29,039

be able to see the

643

00:29:33,110 --> 00:29:31,919

telegram link to the to the group uh

644

00:29:35,990 --> 00:29:33,120

download the app

645

00:29:36,630 --> 00:29:36,000

find the ufo hub group join the voice

646

00:29:39,669 --> 00:29:36,640

chat

647

00:29:42,310 --> 00:29:39,679

and you'll either be able to listen or

648

00:29:43,029 --> 00:29:42,320

get a chance to ask kawani otherwise as

649

00:29:45,190 --> 00:29:43,039

always

650

00:29:46,070 --> 00:29:45,200

in the chat please make sure you put the

651  
00:29:47,750 --> 00:29:46,080  
three stars

652  
00:29:49,350 --> 00:29:47,760  
before your question so i know that

653  
00:29:51,350 --> 00:29:49,360  
that's a question for kawani

654  
00:29:52,870 --> 00:29:51,360  
you'll jump out a lot easier at me and

655  
00:29:56,549 --> 00:29:52,880  
i'll be able to ask it

656  
00:29:58,549 --> 00:29:56,559  
so kawani i wanted to ask if um

657  
00:29:59,909 --> 00:29:58,559  
you could maybe talk a little bit about

658  
00:30:02,470 --> 00:29:59,919  
the family structure

659  
00:30:04,310 --> 00:30:02,480  
uh if if you learned anything about that

660  
00:30:08,149 --> 00:30:04,320  
um are they very similar to ours

661  
00:30:11,750 --> 00:30:08,159  
or what what do you what did you learn

662  
00:30:14,389 --> 00:30:11,760  
well a lot of what they do is similar to

663  
00:30:15,269 --> 00:30:14,399

the first nations people in a sense i

664

00:30:17,190 --> 00:30:15,279

guess they're

665

00:30:18,549 --> 00:30:17,200

the sasquatchy nation and that's how

666

00:30:21,990 --> 00:30:18,559

they say it uh

667

00:30:24,070 --> 00:30:22,000

is really the first first people

668

00:30:26,710 --> 00:30:24,080

but the native americans they live

669

00:30:27,350 --> 00:30:26,720

similar similarly to native americans

670

00:30:39,029 --> 00:30:27,360

they

671

00:30:42,549 --> 00:30:39,039

live

672

00:30:45,190 --> 00:30:42,559

a lot underground in caves however they

673

00:30:48,389 --> 00:30:45,200

will make structures from time to time

674

00:30:52,149 --> 00:30:48,399

depending where they're at uh

675

00:30:56,070 --> 00:30:52,159

they uh usually only have

676

00:30:59,269 --> 00:30:56,080

one young uh one child

677

00:31:02,310 --> 00:30:59,279

and when i moved here

678

00:31:05,750 --> 00:31:02,320

where i'm at now uh

679

00:31:07,269 --> 00:31:05,760

there are twins uh they were 18 years

680

00:31:10,710 --> 00:31:07,279

old at the time

681

00:31:14,950 --> 00:31:10,720

uh raja and tobin

682

00:31:17,350 --> 00:31:14,960

is their name and i discovered them

683

00:31:17,990 --> 00:31:17,360

because they were still moving in and

684

00:31:20,070 --> 00:31:18,000

things they're

685

00:31:21,110 --> 00:31:20,080

still boxes and we're still unpacking

686

00:31:24,230 --> 00:31:21,120

and

687

00:31:25,990 --> 00:31:24,240

the first night here

688

00:31:27,430 --> 00:31:26,000

there was a bang on the side of the

689

00:31:29,509 --> 00:31:27,440

building and uh

690

00:31:31,509 --> 00:31:29,519

and so on and then somebody walking down

691

00:31:34,070 --> 00:31:31,519

the hallway towards the

692

00:31:36,389 --> 00:31:34,080

bedroom and then another night there was

693

00:31:40,149 --> 00:31:36,399

somebody on the roof above the bedroom

694

00:31:43,430 --> 00:31:40,159

walking around so uh finally they

695

00:31:45,350 --> 00:31:43,440

they said well we're having fun and uh

696

00:31:46,789 --> 00:31:45,360

you know my brother and i and having fun

697

00:31:49,830 --> 00:31:46,799

here and so on

698

00:31:51,750 --> 00:31:49,840

and uh there

699

00:31:54,230 --> 00:31:51,760

about let's see i think four or five

700

00:31:55,509 --> 00:31:54,240

days after i moved in i was unpacking

701  
00:31:59,190 --> 00:31:55,519  
dishes in the

702  
00:32:02,630 --> 00:31:59,200  
in the kitchen and uh a

703  
00:32:05,509 --> 00:32:02,640  
the elder came down to welcome me and

704  
00:32:05,909 --> 00:32:05,519  
said that they've been preparing for me

705  
00:32:09,029 --> 00:32:05,919  
to

706  
00:32:10,789 --> 00:32:09,039  
move here so they knew ahead of time and

707  
00:32:11,430 --> 00:32:10,799  
even though i got the place at the last

708  
00:32:13,190 --> 00:32:11,440  
minute

709  
00:32:15,590 --> 00:32:13,200  
because there wasn't very many many

710  
00:32:19,269 --> 00:32:15,600  
places here

711  
00:32:21,909 --> 00:32:19,279  
that i could move to and uh so

712  
00:32:23,990 --> 00:32:21,919  
they they're very psychic and i don't

713  
00:32:27,830 --> 00:32:24,000

mind saying that because it's the truth

714

00:32:29,990 --> 00:32:27,840

uh they can astral project and and

715

00:32:33,190 --> 00:32:30,000

go into other dimensions i've seen them

716

00:32:36,310 --> 00:32:33,200

twice dematerialize in front of me

717

00:32:37,750 --> 00:32:36,320

so there's a another group there's

718

00:32:39,909 --> 00:32:37,760

several different

719

00:32:41,350 --> 00:32:39,919

beings that live in the forest i call

720

00:32:44,310 --> 00:32:41,360

them the forest people

721

00:32:45,350 --> 00:32:44,320

not just sasquatch but people get

722

00:32:47,350 --> 00:32:45,360

confused

723

00:32:49,190 --> 00:32:47,360

the other group is called the ancient

724

00:32:52,630 --> 00:32:49,200

ones and they have a human

725

00:32:55,190 --> 00:32:52,640

face not an ape-like face uh

726

00:32:56,870 --> 00:32:55,200

incidentally the sasquatch are not apes

727

00:33:00,230 --> 00:32:56,880

and they are not affiliated

728

00:33:04,149 --> 00:33:00,240

or did they did not uh

729

00:33:06,789 --> 00:33:04,159

uh descend from apes this is

730

00:33:09,029 --> 00:33:06,799

never was true they said uh so they're

731

00:33:10,710 --> 00:33:09,039

not the north american great ape

732

00:33:13,990 --> 00:33:10,720

that people are labeling them

733

00:33:17,190 --> 00:33:14,000

mislabeled them i should say

734

00:33:20,870 --> 00:33:17,200

they um

735

00:33:23,269 --> 00:33:20,880

the ancient ones have a round head not a

736

00:33:24,549 --> 00:33:23,279

sagittal crest or a peaked head like the

737

00:33:27,750 --> 00:33:24,559

sasquatch

738

00:33:31,029 --> 00:33:27,760

uh and plus they don't they don't have

739

00:33:38,149 --> 00:33:35,350

they have a uh human face

740

00:33:40,070 --> 00:33:38,159

their arms are in proportion to their

741

00:33:43,750 --> 00:33:40,080

body like ours

742

00:33:46,389 --> 00:33:43,760

and they but the sasquatch

743

00:33:47,430 --> 00:33:46,399

arms are down to their knees very

744

00:33:51,350 --> 00:33:47,440

different

745

00:33:52,710 --> 00:33:51,360

so uh i'm affiliated a lot also with the

746

00:33:55,110 --> 00:33:52,720

ancient ones

747

00:33:56,310 --> 00:33:55,120

both of these beings these different

748

00:33:59,590 --> 00:33:56,320

tribes

749

00:34:02,710 --> 00:33:59,600

uh here in the mountains there's also

750

00:34:04,870 --> 00:34:02,720

uh the guardians another totally

751

00:34:06,549 --> 00:34:04,880

different beings of tribes

752

00:34:09,270 --> 00:34:06,559

some people call them the dog face

753

00:34:12,149 --> 00:34:09,280

people some people the werewolf people

754

00:34:14,310 --> 00:34:12,159

they're actually friendly but people

755

00:34:17,909 --> 00:34:14,320

freak out when they see them

756

00:34:20,710 --> 00:34:17,919

and they're less tolerant of humans

757

00:34:22,149 --> 00:34:20,720

than the sasquatch are but they are

758

00:34:26,149 --> 00:34:22,159

friendly they're psychic

759

00:34:27,750 --> 00:34:26,159

they're interdimensional and

760

00:34:29,510 --> 00:34:27,760

yeah they've chased people out of the

761

00:34:32,790 --> 00:34:29,520

area and people

762

00:34:35,589 --> 00:34:32,800

don't understand if you're carrying guns

763

00:34:36,389 --> 00:34:35,599

if you've got a negative attitude and

764

00:34:39,829 --> 00:34:36,399

your

765

00:34:42,550 --> 00:34:39,839

house they

766

00:34:44,069 --> 00:34:42,560

this bothers them this really bothers

767

00:34:46,629 --> 00:34:44,079

them because they're that

768

00:34:47,589 --> 00:34:46,639

ultra sensitive this is all of the

769

00:34:51,030 --> 00:34:47,599

beings

770

00:34:51,829 --> 00:34:51,040

but some people are saying the the the

771

00:34:53,750 --> 00:34:51,839

dog face

772

00:34:55,190 --> 00:34:53,760

will attack you and all this stuff and

773

00:34:57,030 --> 00:34:55,200

that's i've never

774

00:34:58,950 --> 00:34:57,040

heard any of that that's baloney it's

775

00:35:02,069 --> 00:34:58,960

baloney uh

776

00:35:05,030 --> 00:35:02,079

one person from uh i believe it was

777

00:35:06,470 --> 00:35:05,040

indiana yes uh call me we were talking

778

00:35:07,510 --> 00:35:06,480

and he said well a neighbor down the

779

00:35:10,550 --> 00:35:07,520

street

780

00:35:14,470 --> 00:35:10,560

on a farm was attacked by a

781

00:35:17,670 --> 00:35:14,480

a dog face a werewolf type i said really

782

00:35:20,390 --> 00:35:17,680

i said you know did he you did

783

00:35:21,990 --> 00:35:20,400

what happened well they she heard noise

784

00:35:23,829 --> 00:35:22,000

out in the barn at night and

785

00:35:25,750 --> 00:35:23,839

they had the window cracked and the

786

00:35:27,270 --> 00:35:25,760

woman got up with a flashlight and

787

00:35:30,150 --> 00:35:27,280

walked out to the barn

788

00:35:31,990 --> 00:35:30,160

and when she walked by a horse trailer

789

00:35:34,550 --> 00:35:32,000

that was sitting there

790

00:35:36,150 --> 00:35:34,560

she literally bumped right into one of

791

00:35:39,349 --> 00:35:36,160

the dogface men

792

00:35:40,550 --> 00:35:39,359

and again they are humanoid they could

793

00:35:44,310 --> 00:35:40,560

walk on

794

00:35:48,069 --> 00:35:44,320

a lot on on two legs they're bipedals

795

00:35:50,710 --> 00:35:48,079

so uh she bumped into it

796

00:35:51,829 --> 00:35:50,720

not knowing it was even there and it

797

00:35:54,950 --> 00:35:51,839

pushed her

798

00:35:58,470 --> 00:35:54,960

against the uh the trailer just

799

00:36:00,630 --> 00:35:58,480

and and quickly walked away and

800

00:36:02,069 --> 00:36:00,640

because again she walked right into his

801  
00:36:04,390 --> 00:36:02,079  
chest and he just

802  
00:36:05,589 --> 00:36:04,400  
he pushed her aside he's calling that an

803  
00:36:08,310 --> 00:36:05,599  
attack

804  
00:36:09,430 --> 00:36:08,320  
which really bothers me because all this

805  
00:36:11,430 --> 00:36:09,440  
people want to

806  
00:36:12,790 --> 00:36:11,440  
settle everything with violence and this

807  
00:36:14,710 --> 00:36:12,800  
isn't true

808  
00:36:16,710 --> 00:36:14,720  
it's a mirror if you go out in the

809  
00:36:17,109 --> 00:36:16,720  
forest and you're sending love or you

810  
00:36:19,510 --> 00:36:17,119  
walk

811  
00:36:21,670 --> 00:36:19,520  
in unconditional love this is what the

812  
00:36:23,190 --> 00:36:21,680  
sasquatch say walk in unconditional love

813  
00:36:25,990 --> 00:36:23,200

and trust

814

00:36:26,870 --> 00:36:26,000

for every living thing and so that's

815

00:36:31,750 --> 00:36:26,880

what i do

816

00:36:34,870 --> 00:36:33,589

they don't go around attacking people

817

00:36:36,710 --> 00:36:34,880

like people think

818

00:36:38,030 --> 00:36:36,720

because there's other beings out there

819

00:36:41,430 --> 00:36:38,040

that are not

820

00:36:43,349 --> 00:36:41,440

nice the

821

00:36:45,750 --> 00:36:43,359

one man when i was lecturing down in

822

00:36:48,069 --> 00:36:45,760

oregon

823

00:36:49,589 --> 00:36:48,079

told me that he was attacked by a

824

00:36:51,349 --> 00:36:49,599

sasquatch

825

00:36:53,109 --> 00:36:51,359

and i'm thinking this is over the phone

826

00:36:55,030 --> 00:36:53,119

and i'm thinking

827

00:36:56,550 --> 00:36:55,040

this is crazy and i said oh did he tear

828

00:37:00,150 --> 00:36:56,560

your arm off

829

00:37:03,270 --> 00:37:00,160

uh did he what did he do and he goes no

830

00:37:04,230 --> 00:37:03,280

well i should tell me your story and he

831

00:37:06,829 --> 00:37:04,240

said well

832

00:37:08,470 --> 00:37:06,839

uh he was renting this place in the

833

00:37:10,470 --> 00:37:08,480

country and

834

00:37:11,910 --> 00:37:10,480

uh he had a motorcycle and there was a

835

00:37:13,670 --> 00:37:11,920

garage and he'd lift

836

00:37:16,790 --> 00:37:13,680

the big door up and he'd work on his

837

00:37:19,030 --> 00:37:16,800

motorcycle and this is in the summertime

838

00:37:20,870 --> 00:37:19,040

and all of a sudden there was a shadow

839

00:37:22,150 --> 00:37:20,880

that came from the door that was open

840

00:37:23,990 --> 00:37:22,160

the great big door

841

00:37:25,990 --> 00:37:24,000

and he looked and there was a sasquatch

842

00:37:29,109 --> 00:37:26,000

bending down peeking in

843

00:37:30,550 --> 00:37:29,119

watching what he's doing well a

844

00:37:32,710 --> 00:37:30,560

sasquatch can catch you

845

00:37:33,829 --> 00:37:32,720

in a split second they can run 70 miles

846

00:37:36,630 --> 00:37:33,839

an hour that's

847

00:37:37,109 --> 00:37:36,640

absolutely true and they can catch a

848

00:37:40,950 --> 00:37:37,119

person

849

00:37:43,589 --> 00:37:40,960

easily but they don't so uh

850

00:37:44,550 --> 00:37:43,599

if he wanted that person to to chow down

851  
00:37:46,790 --> 00:37:44,560  
on her

852  
00:37:48,069 --> 00:37:46,800  
i'm being facetious here uh he could

853  
00:37:48,790 --> 00:37:48,079  
have walked right in the garage and

854  
00:37:52,310 --> 00:37:48,800  
grabbed him

855  
00:37:54,310 --> 00:37:52,320  
again they don't do that so

856  
00:37:56,390 --> 00:37:54,320  
the next day he was in there working on

857  
00:37:58,390 --> 00:37:56,400  
it again and the same thing happened and

858  
00:38:02,310 --> 00:37:58,400  
it freaked the guy out

859  
00:38:04,310 --> 00:38:02,320  
so about a week later he decided

860  
00:38:06,150 --> 00:38:04,320  
to go for a walk in one of the trails

861  
00:38:07,349 --> 00:38:06,160  
and back in the woods in back of his

862  
00:38:10,230 --> 00:38:07,359  
place

863  
00:38:10,950 --> 00:38:10,240

and uh because it's summertime and up

864

00:38:15,030 --> 00:38:10,960

here

865

00:38:18,230 --> 00:38:15,040

quarter to ten

866

00:38:21,030 --> 00:38:18,240

so at any rate he went for a

867

00:38:22,710 --> 00:38:21,040

walk and then he said uh a sasquatch

868

00:38:25,910 --> 00:38:22,720

stepped out into the

869

00:38:28,150 --> 00:38:25,920

uh into the trail and i said then what

870

00:38:30,950 --> 00:38:28,160

happened is then he attacked me

871

00:38:32,630 --> 00:38:30,960

and i says okay what what happened he

872

00:38:33,990 --> 00:38:32,640

said well he was walking towards me he

873

00:38:36,630 --> 00:38:34,000

was attacking me

874

00:38:38,150 --> 00:38:36,640

i said what did you do he said i ran i

875

00:38:41,109 --> 00:38:38,160

said well

876

00:38:42,550 --> 00:38:41,119

where's the attack i said you that's

877

00:38:44,470 --> 00:38:42,560

you're using the wrong words

878

00:38:45,750 --> 00:38:44,480

i said he was walking towards you and if

879

00:38:47,109 --> 00:38:45,760

you stood there he would have walked up

880

00:38:49,510 --> 00:38:47,119

to you and maybe

881

00:38:51,829 --> 00:38:49,520

maybe would have communicated with you

882

00:38:53,270 --> 00:38:51,839

so they don't attack people

883

00:38:56,069 --> 00:38:53,280

and i said he could have caught you

884

00:38:58,150 --> 00:38:56,079

easily so it was not an attack

885

00:38:59,109 --> 00:38:58,160

so that bothered me because i represent

886

00:39:03,030 --> 00:38:59,119

them

887

00:39:04,870 --> 00:39:03,040

uh to uh tell the truth

888

00:39:06,230 --> 00:39:04,880

and the truth is they're they don't go

889

00:39:08,230 --> 00:39:06,240

around attacking people

890

00:39:15,030 --> 00:39:08,240

yeah it's important it's important to

891

00:39:16,790 --> 00:39:15,040

make clarifications like that for sure

892

00:39:18,870 --> 00:39:16,800

yes there is a phenomenon out there now

893

00:39:22,790 --> 00:39:18,880

where there's a lot of missing people

894

00:39:24,870 --> 00:39:22,800

and it has to do with et's bad et's

895

00:39:27,510 --> 00:39:24,880

there are the good bad and the

896

00:39:31,349 --> 00:39:27,520

indifferent everywhere in the universe

897

00:39:33,190 --> 00:39:31,359

so these and there are many bases the

898

00:39:34,950 --> 00:39:33,200

sasquatch said there's bases for

899

00:39:38,550 --> 00:39:34,960

millions of years

900

00:39:41,030 --> 00:39:38,560

all over the planet many of them are

901  
00:39:42,230 --> 00:39:41,040  
in in the great lakes at the bottom of

902  
00:39:47,910 --> 00:39:42,240  
the great lakes

903  
00:39:54,950 --> 00:39:51,829  
are you talking about basis of ets

904  
00:39:57,109 --> 00:39:54,960  
yes et bases and that

905  
00:39:58,390 --> 00:39:57,119  
uh they're even inside of dormant

906  
00:40:00,150 --> 00:39:58,400  
volcanoes

907  
00:40:01,430 --> 00:40:00,160  
and which i found two different

908  
00:40:03,510 --> 00:40:01,440  
volcanoes

909  
00:40:05,910 --> 00:40:03,520  
that are dormant and had experiences

910  
00:40:08,710 --> 00:40:05,920  
with et's and sasquatch there

911  
00:40:10,710 --> 00:40:08,720  
and you could hear them below in the

912  
00:40:11,270 --> 00:40:10,720  
lava tubes walking around the clinging

913  
00:40:15,349 --> 00:40:11,280

of

914

00:40:18,550 --> 00:40:15,359

or something

915

00:40:19,829 --> 00:40:18,560

so it's uh

916

00:40:21,750 --> 00:40:19,839

they they said they've been here for

917

00:40:23,990 --> 00:40:21,760

millions of years and all of a sudden

918

00:40:25,589 --> 00:40:24,000

they said oh in the 40s 1940s they

919

00:40:29,109 --> 00:40:25,599

started seeing

920

00:40:31,109 --> 00:40:29,119

you know ufos well

921

00:40:32,630 --> 00:40:31,119

they just arrived kind of thing well

922

00:40:34,790 --> 00:40:32,640

they didn't just arrive they've been

923

00:40:37,109 --> 00:40:34,800

here forever

924

00:40:40,470 --> 00:40:37,119

this is the sasquatch say they've been

925

00:40:44,309 --> 00:40:40,480

here for 200 million years

926  
00:40:48,150 --> 00:40:44,319  
and were bio-engineered meaning

927  
00:40:52,710 --> 00:40:51,030  
genetically engineered they said their

928  
00:40:55,750 --> 00:40:52,720  
words bio-engineered

929  
00:40:59,109 --> 00:40:55,760  
in lemuria by friendly et's

930  
00:41:01,030 --> 00:40:59,119  
and i said well when did the humans

931  
00:41:03,109 --> 00:41:01,040  
evolve here they said they didn't

932  
00:41:04,550 --> 00:41:03,119  
they said they were they your people

933  
00:41:08,309 --> 00:41:04,560  
came later

934  
00:41:11,750 --> 00:41:08,319  
they took some of the uh

935  
00:41:13,270 --> 00:41:11,760  
uh dna from the ancient ones the ones

936  
00:41:16,550 --> 00:41:13,280  
with the human face

937  
00:41:20,390 --> 00:41:16,560  
and put dna in there without

938  
00:41:21,270 --> 00:41:20,400

uh hair and without the giantism and

939

00:41:25,750 --> 00:41:21,280

everything

940

00:41:29,109 --> 00:41:25,760

and created humans this is this is how

941

00:41:32,309 --> 00:41:29,119

homo sapiens were created this is a

942

00:41:35,510 --> 00:41:32,319

uh kind of thing we did not

943

00:41:36,870 --> 00:41:35,520

evolve from apes uh and monkeys and

944

00:41:40,150 --> 00:41:36,880

stuff

945

00:41:43,430 --> 00:41:40,160

which is which you know i think

946

00:41:46,470 --> 00:41:43,440

i mean i was raised in a way uh

947

00:41:47,990 --> 00:41:46,480

and that uh going through uh the

948

00:41:50,550 --> 00:41:48,000

university and in college

949

00:41:51,430 --> 00:41:50,560

and everything that from the darwinian

950

00:41:54,630 --> 00:41:51,440

standpoint

951  
00:41:55,829 --> 00:41:54,640  
and that's all i knew until this makes

952  
00:41:58,470 --> 00:41:55,839  
more sense

953  
00:42:00,230 --> 00:41:58,480  
they keep saying that this happened and

954  
00:42:02,550 --> 00:42:00,240  
that happened from

955  
00:42:04,309 --> 00:42:02,560  
three and a half million years ago that

956  
00:42:07,109 --> 00:42:04,319  
our ancestors

957  
00:42:08,069 --> 00:42:07,119  
arrived you know or started is slowing

958  
00:42:10,710 --> 00:42:08,079  
into humans

959  
00:42:12,630 --> 00:42:10,720  
where there are many different hominoid

960  
00:42:16,630 --> 00:42:12,640  
type beings out there

961  
00:42:19,190 --> 00:42:16,640  
uh that some of them were created by ets

962  
00:42:22,870 --> 00:42:19,200  
to see how they could sustain themselves

963  
00:42:29,670 --> 00:42:26,309

i'm not positive but i believe that

964

00:42:30,870 --> 00:42:29,680

the neanderthals were also created by

965

00:42:35,270 --> 00:42:30,880

them

966

00:42:38,470 --> 00:42:35,280

so uh they

967

00:42:41,109 --> 00:42:38,480

there's a few researchers that believe

968

00:42:42,230 --> 00:42:41,119

that people in outer mongolia are having

969

00:42:45,990 --> 00:42:42,240

experiences with

970

00:42:48,630 --> 00:42:46,000

what's been described as neanderthals

971

00:42:49,589 --> 00:42:48,640

and they make tools and stuff and there

972

00:42:52,790 --> 00:42:49,599

was a

973

00:42:55,510 --> 00:42:52,800

top anthropo physical anthropologist

974

00:42:56,069 --> 00:42:55,520

from england that was doing research

975

00:42:58,550 --> 00:42:56,079

there

976  
00:43:00,390 --> 00:42:58,560  
and she found all these tools she said

977  
00:43:02,870 --> 00:43:00,400  
gee these look almost

978  
00:43:03,829 --> 00:43:02,880  
you know they don't look as old as as i

979  
00:43:05,190 --> 00:43:03,839  
thought they would be

980  
00:43:06,630 --> 00:43:05,200  
and he says well there's plenty of them

981  
00:43:07,750 --> 00:43:06,640  
up in the mountains where they make them

982  
00:43:10,069 --> 00:43:07,760  
all the time

983  
00:43:11,190 --> 00:43:10,079  
and she said what are you talking about

984  
00:43:13,750 --> 00:43:11,200  
and he told her

985  
00:43:14,550 --> 00:43:13,760  
so these beings these hominids since

986  
00:43:17,430 --> 00:43:14,560  
they're

987  
00:43:18,790 --> 00:43:17,440  
uh and described them exactly like a

988  
00:43:21,349 --> 00:43:18,800

neanderthal

989

00:43:22,390 --> 00:43:21,359

so there's we're not getting the true

990

00:43:25,430 --> 00:43:22,400

picture

991

00:43:28,710 --> 00:43:25,440

and science has let us down and

992

00:43:30,550 --> 00:43:28,720

uh i'm i'm a scientist but i'm an

993

00:43:33,349 --> 00:43:30,560

open-minded scientist

994

00:43:35,109 --> 00:43:33,359

and when i'm told the truth what i

995

00:43:39,349 --> 00:43:35,119

believe to be the truth i'm gonna

996

00:43:42,870 --> 00:43:39,359

i'm gonna say it i don't um

997

00:43:46,150 --> 00:43:42,880

they they've never completely proven

998

00:43:46,630 --> 00:43:46,160

that we came from monkeys and this kind

999

00:43:51,190 --> 00:43:46,640

of

1000

00:43:53,510 --> 00:43:51,200

between

1001  
00:43:55,510 --> 00:43:53,520  
one hominid and the little more evolved

1002  
00:43:57,990 --> 00:43:55,520  
common there's a big gap there

1003  
00:43:59,910 --> 00:43:58,000  
so how did wait a minute why are we

1004  
00:44:02,630 --> 00:43:59,920  
jumping from one thing to another

1005  
00:44:03,190 --> 00:44:02,640  
plus all of these hominids were uh

1006  
00:44:06,710 --> 00:44:03,200  
hunter

1007  
00:44:08,950 --> 00:44:06,720  
come

1008  
00:44:10,069 --> 00:44:08,960  
all of a sudden overnight literally

1009  
00:44:12,390 --> 00:44:10,079  
overnight

1010  
00:44:14,470 --> 00:44:12,400  
we have the sumerian culture where they

1011  
00:44:18,069 --> 00:44:14,480  
have the hanging gardens of babylon

1012  
00:44:19,829 --> 00:44:18,079  
and and the irrigation and even air

1013  
00:44:22,230 --> 00:44:19,839

conditioning kind of thing

1014

00:44:22,870 --> 00:44:22,240

where they they had water that they

1015

00:44:25,190 --> 00:44:22,880

could

1016

00:44:27,750 --> 00:44:25,200

bring down through a building and when

1017

00:44:32,390 --> 00:44:27,760

the wind came through it it created a

1018

00:44:35,349 --> 00:44:32,400

a cooling system all of these things

1019

00:44:36,790 --> 00:44:35,359

were there how did they know uh they

1020

00:44:40,150 --> 00:44:36,800

have the cuneiforms

1021

00:44:43,030 --> 00:44:40,160

that have the planet earth

1022

00:44:44,870 --> 00:44:43,040

on it but it has the entire solar system

1023

00:44:47,990 --> 00:44:44,880

of all the planets there

1024

00:44:49,349 --> 00:44:48,000

in certain positions well wait a minute

1025

00:44:51,670 --> 00:44:49,359

how do they get that

1026  
00:44:52,550 --> 00:44:51,680  
sumerians how did they get it i mean

1027  
00:44:57,270 --> 00:44:52,560  
this is

1028  
00:44:59,430 --> 00:44:57,280  
if 2 000 years ago but how could that be

1029  
00:45:01,430 --> 00:44:59,440  
uh they jumped from hunter gatherers all

1030  
00:45:04,870 --> 00:45:01,440  
of a sudden having all this

1031  
00:45:08,150 --> 00:45:04,880  
knowledge and technology well the

1032  
00:45:12,390 --> 00:45:08,160  
scientists that found this took it to

1033  
00:45:16,230 --> 00:45:12,400  
an astronomer and they went back

1034  
00:45:19,829 --> 00:45:16,240  
over the years where they figured

1035  
00:45:22,870 --> 00:45:19,839  
that this cuneiform

1036  
00:45:26,790 --> 00:45:22,880  
was formed was created

1037  
00:45:28,390 --> 00:45:26,800  
and uh all the planets were exactly

1038  
00:45:30,390 --> 00:45:28,400

in the same place when they put it

1039

00:45:31,670 --> 00:45:30,400

through a computer as it was on that

1040

00:45:34,950 --> 00:45:31,680

cuneiform

1041

00:45:37,190 --> 00:45:34,960

at that time in history

1042

00:45:39,589 --> 00:45:37,200

so there's a lot of things that are

1043

00:45:42,870 --> 00:45:39,599

being dismissed by science

1044

00:45:46,150 --> 00:45:42,880

uh and by sasquatch researchers because

1045

00:45:48,550 --> 00:45:46,160

it just doesn't seem true

1046

00:45:51,349 --> 00:45:48,560

rather than to seek it out and gather

1047

00:45:54,870 --> 00:45:51,359

more information in that area

1048

00:45:55,829 --> 00:45:54,880

it's uh it seems too fantasy-like to

1049

00:45:58,870 --> 00:45:55,839

them

1050

00:46:00,230 --> 00:45:58,880

but that's part of the reality here

1051  
00:46:02,309 --> 00:46:00,240  
and this is the things that the

1052  
00:46:03,430 --> 00:46:02,319  
sasquatch people also have shared with

1053  
00:46:06,870 --> 00:46:03,440  
me

1054  
00:46:08,470 --> 00:46:06,880  
so kawani basically once they've been

1055  
00:46:10,069 --> 00:46:08,480  
once they were created did they then

1056  
00:46:13,829 --> 00:46:10,079  
basically just kind of uh

1057  
00:46:14,390 --> 00:46:13,839  
grow with their uh creator alien race

1058  
00:46:24,950 --> 00:46:14,400  
and

1059  
00:46:28,390 --> 00:46:24,960  
hair they have

1060  
00:46:32,309 --> 00:46:28,400  
all this they ets

1061  
00:46:36,230 --> 00:46:32,319  
gave them all the tools psychic tools

1062  
00:46:37,750 --> 00:46:36,240  
to to live in any environment on this

1063  
00:46:41,670 --> 00:46:37,760

planet

1064

00:46:42,230 --> 00:46:41,680

and i asked one uh a one of the ancient

1065

00:46:43,589 --> 00:46:42,240

ones

1066

00:46:45,270 --> 00:46:43,599

and there was a group of them there and

1067

00:46:46,150 --> 00:46:45,280

they kind of chuckled when i asked them

1068

00:46:48,950 --> 00:46:46,160

i said well

1069

00:46:49,829 --> 00:46:48,960

uh i said you've never told me how you

1070

00:46:53,109 --> 00:46:49,839

can

1071

00:46:56,150 --> 00:46:53,119

live uh you don't have clothes

1072

00:46:59,030 --> 00:46:56,160

you go bare feet barefooted in the snow

1073

00:46:59,670 --> 00:46:59,040

and everything how can you do all that

1074

00:47:02,470 --> 00:46:59,680

what do

1075

00:47:02,870 --> 00:47:02,480

why is that any chocolate he said well

1076

00:47:05,030 --> 00:47:02,880

uh

1077

00:47:06,069 --> 00:47:05,040

that's because we can control our body

1078

00:47:08,470 --> 00:47:06,079

heat

1079

00:47:10,390 --> 00:47:08,480

our body temperature if we want to cool

1080

00:47:13,910 --> 00:47:10,400

down when we're in the desert

1081

00:47:16,390 --> 00:47:13,920

uh see they do

1082

00:47:18,470 --> 00:47:16,400

they help out the et's at times some of

1083

00:47:21,670 --> 00:47:18,480

the some of the sasquatch do

1084

00:47:22,870 --> 00:47:21,680

the the good ets and they do mining work

1085

00:47:24,470 --> 00:47:22,880

for the et's

1086

00:47:26,069 --> 00:47:24,480

i don't know i never really asked them

1087

00:47:28,710 --> 00:47:26,079

what they're mining for

1088

00:47:30,309 --> 00:47:28,720

i know some of it is gold but there's

1089

00:47:33,349 --> 00:47:30,319

other minerals that they do

1090

00:47:36,470 --> 00:47:33,359

mine uh in this planet but

1091

00:47:38,549 --> 00:47:36,480

you don't see all the rubble and and

1092

00:47:40,069 --> 00:47:38,559

all the pollution and everything else

1093

00:47:43,510 --> 00:47:40,079

the mess that we make

1094

00:47:47,109 --> 00:47:43,520

when we care into mother earth

1095

00:47:49,349 --> 00:47:47,119

so uh they they they do this

1096

00:47:50,150 --> 00:47:49,359

this is what they do they help out and

1097

00:47:53,990 --> 00:47:50,160

they

1098

00:47:56,470 --> 00:47:54,000

et's

1099

00:47:58,069 --> 00:47:56,480

and the sasquatch sit in on all this

1100

00:48:03,109 --> 00:47:58,079

they sit in on it

1101

00:48:07,109 --> 00:48:05,750

uh there are some good greys the the

1102

00:48:09,910 --> 00:48:07,119

grays are not bad

1103

00:48:11,589 --> 00:48:09,920

uh there's some good reptilians that do

1104

00:48:14,950 --> 00:48:11,599

not agree with the mainstream

1105

00:48:18,390 --> 00:48:14,960

reptilian agenda which is evil

1106

00:48:20,950 --> 00:48:18,400

and they they are you know uh

1107

00:48:21,430 --> 00:48:20,960

just like during world war ii uh with

1108

00:48:26,230 --> 00:48:21,440

the

1109

00:48:27,109 --> 00:48:26,240

people here didn't want to get involved

1110

00:48:29,190 --> 00:48:27,119

in any of that

1111

00:48:30,710 --> 00:48:29,200

they're they were americans they're

1112

00:48:32,390 --> 00:48:30,720

enjoying america they were they're

1113

00:48:35,589 --> 00:48:32,400

american citizens

1114

00:48:37,510 --> 00:48:35,599

so they were backing america

1115

00:48:39,190 --> 00:48:37,520

uh of course we didn't know it at the

1116

00:48:41,589 --> 00:48:39,200

time and put put them in a

1117

00:48:42,549 --> 00:48:41,599

and what basically was a concentration

1118

00:48:45,589 --> 00:48:42,559

camp

1119

00:48:46,150 --> 00:48:45,599

uh not they were treated still decently

1120

00:48:48,390 --> 00:48:46,160

but

1121

00:48:49,589 --> 00:48:48,400

uh still that that they uprooted all

1122

00:48:53,109 --> 00:48:49,599

those people

1123

00:48:56,470 --> 00:48:53,119

and i don't think that's right but again

1124

00:48:57,910 --> 00:48:56,480

at that time uh so many ugly things were

1125

00:48:59,589 --> 00:48:57,920

happening in the world that

1126

00:49:01,430 --> 00:48:59,599

i i think the american government just

1127

00:49:03,109 --> 00:49:01,440

didn't know how to protect themselves

1128

00:49:06,309 --> 00:49:03,119

and that was one way that

1129

00:49:08,309 --> 00:49:06,319

they thought they could in case you know

1130

00:49:12,230 --> 00:49:08,319

there was an insurrection or

1131

00:49:14,790 --> 00:49:12,240

someone the the

1132

00:49:16,870 --> 00:49:14,800

japanese americans may start helping

1133

00:49:21,430 --> 00:49:16,880

their their homeland or something

1134

00:49:29,430 --> 00:49:25,829

so anyway they

1135

00:49:32,630 --> 00:49:29,440

have worked with many different

1136

00:49:34,630 --> 00:49:32,640

racess of people and i've seen seven

1137

00:49:36,470 --> 00:49:34,640

different races myself that have come to

1138

00:49:40,150 --> 00:49:36,480

me

1139

00:49:42,549 --> 00:49:40,160

different races that they've

1140

00:49:43,589 --> 00:49:42,559

seen and discussed and some that i knew

1141

00:49:45,430 --> 00:49:43,599

of even

1142

00:49:47,030 --> 00:49:45,440

so how would they know about it unless

1143

00:49:50,710 --> 00:49:47,040

they had that experience so they

1144

00:49:55,109 --> 00:49:53,750

so for 200 million years they said

1145

00:49:58,710 --> 00:49:55,119

they've been here

1146

00:50:01,910 --> 00:49:58,720

and they were here during the time uh

1147

00:50:04,549 --> 00:50:01,920

also of atlantis so these

1148

00:50:05,589 --> 00:50:04,559

they said it goes so far back that it's

1149

00:50:08,150 --> 00:50:05,599

it's a legend

1150

00:50:09,270 --> 00:50:08,160

or a myth kind of thing but it's really

1151

00:50:11,109 --> 00:50:09,280

not

1152

00:50:12,710 --> 00:50:11,119

but we you know we don't have a handle

1153

00:50:14,309 --> 00:50:12,720

on it and maybe the government does and

1154

00:50:17,910 --> 00:50:14,319

isn't telling us

1155

00:50:19,270 --> 00:50:17,920

so why they keep hiding this stuff from

1156

00:50:22,950 --> 00:50:19,280

people and treating

1157

00:50:25,270 --> 00:50:22,960

uh the public like children uh

1158

00:50:25,990 --> 00:50:25,280

i don't know but they they they're very

1159

00:50:27,829 --> 00:50:26,000

secret about

1160

00:50:29,190 --> 00:50:27,839

stuff and now they're trying to say

1161

00:50:33,270 --> 00:50:29,200

let's come out with

1162

00:50:34,710 --> 00:50:33,280

with a and tell the public that the et's

1163

00:50:37,030 --> 00:50:34,720

are real

1164

00:50:38,630 --> 00:50:37,040

well gosh the public has so many et's

1165

00:50:41,030 --> 00:50:38,640

experiences themselves

1166

00:50:42,549 --> 00:50:41,040

this is ridiculous almost why are they

1167

00:50:43,829 --> 00:50:42,559

hiding when people already have the

1168

00:50:45,510 --> 00:50:43,839

experience they've already seen

1169

00:50:48,790 --> 00:50:45,520

spaceships and stuff

1170

00:50:50,150 --> 00:50:48,800

the thing is that there is the good bad

1171

00:50:51,589 --> 00:50:50,160

in the indifferent everywhere in the

1172

00:50:54,390 --> 00:50:51,599

universe and

1173

00:50:56,230 --> 00:50:54,400

there are some bad guys out there you

1174

00:50:58,470 --> 00:50:56,240

may say well wait a minute this

1175

00:51:00,549 --> 00:50:58,480

alliance of good guys why don't they

1176

00:51:03,670 --> 00:51:00,559

attack and get rid of the bad guys

1177

00:51:04,390 --> 00:51:03,680

no that's human thinking that's violent

1178

00:51:08,390 --> 00:51:04,400

thinking

1179

00:51:10,790 --> 00:51:08,400

that's not based on universal law

1180

00:51:12,150 --> 00:51:10,800

and so everything they do is based on

1181

00:51:15,589 --> 00:51:12,160

universal law

1182

00:51:16,870 --> 00:51:15,599

and karma the et's told me about karma

1183

00:51:19,510 --> 00:51:16,880

i already knew about it but the

1184

00:51:20,390 --> 00:51:19,520

importance of it and also the importance

1185

00:51:29,589 --> 00:51:20,400

of

1186

00:51:33,109 --> 00:51:29,599

listened in i'm

1187

00:51:36,790 --> 00:51:33,119

a hypnotherapist uh and a healthcare

1188

00:51:38,990 --> 00:51:36,800

professional and uh

1189

00:51:40,390 --> 00:51:39,000

they listened in on me when i was in

1190

00:51:42,470 --> 00:51:40,400

1984

1191

00:51:43,430 --> 00:51:42,480

when i was invited to a party it was a

1192

00:51:45,990 --> 00:51:43,440

it was a

1193

00:51:46,710 --> 00:51:46,000

a pool party kind of thing and just

1194

00:51:48,549 --> 00:51:46,720

people

1195

00:51:50,069 --> 00:51:48,559

chatting and outside they're all

1196

00:51:53,750 --> 00:51:50,079

professional people

1197

00:51:55,829 --> 00:51:53,760

lawyers and and business owners and so

1198

00:51:59,030 --> 00:51:55,839

forth of the town at the time

1199

00:52:01,589 --> 00:51:59,040

down in oregon and when i

1200

00:52:03,670 --> 00:52:01,599

a few people knew that i was a

1201  
00:52:07,109 --> 00:52:03,680  
hypnotherapist

1202  
00:52:09,510 --> 00:52:07,119  
one of my skills and so we talked about

1203  
00:52:13,030 --> 00:52:09,520  
past lives and this kind of thing

1204  
00:52:16,549 --> 00:52:13,040  
uh as a part of the party there well

1205  
00:52:18,069 --> 00:52:16,559  
the next morning an et started talking

1206  
00:52:19,829 --> 00:52:18,079  
to me right away

1207  
00:52:21,109 --> 00:52:19,839  
and said well we're glad that you're

1208  
00:52:23,430 --> 00:52:21,119  
talking about

1209  
00:52:24,230 --> 00:52:23,440  
you know past lives and stuff but it

1210  
00:52:27,829 --> 00:52:24,240  
isn't like

1211  
00:52:31,190 --> 00:52:27,839  
i had this past life here he said

1212  
00:52:34,309 --> 00:52:31,200  
each life that you have is it's really

1213  
00:52:35,190 --> 00:52:34,319

all one life you just weave in and out

1214

00:52:37,990 --> 00:52:35,200

of lives

1215

00:52:38,870 --> 00:52:38,000

when you choose to have another body and

1216

00:52:40,950 --> 00:52:38,880

some of these

1217

00:52:42,470 --> 00:52:40,960

bodies are from other planets that

1218

00:52:46,150 --> 00:52:42,480

people can go to

1219

00:52:46,950 --> 00:52:46,160

and some people here that are in a human

1220

00:52:49,670 --> 00:52:46,960

form

1221

00:52:50,470 --> 00:52:49,680

their souls are that are et's and

1222

00:52:54,630 --> 00:52:50,480

perhaps

1223

00:52:57,510 --> 00:52:54,640

emmanuel swedenborg who wrote 150 books

1224

00:52:59,349 --> 00:52:57,520

uh even about submarines and stuff this

1225

00:53:00,710 --> 00:52:59,359

is back in the 1700s and people didn't

1226

00:53:03,190 --> 00:53:00,720

think of any of that stuff

1227

00:53:03,990 --> 00:53:03,200

flying machines you know airplanes and

1228

00:53:07,349 --> 00:53:04,000

so on

1229

00:53:10,390 --> 00:53:07,359

he was so evolved uh einstein

1230

00:53:14,230 --> 00:53:10,400

there we go again uh and so forth

1231

00:53:15,109 --> 00:53:14,240

uh uh max plant plank all these people

1232

00:53:18,470 --> 00:53:15,119

that were

1233

00:53:21,750 --> 00:53:18,480

came out and influenced the world

1234

00:53:24,150 --> 00:53:21,760

uh they said that

1235

00:53:25,510 --> 00:53:24,160

they have to push humans ahead to keep

1236

00:53:28,790 --> 00:53:25,520

evolving

1237

00:53:31,270 --> 00:53:28,800

and this is part of it but

1238

00:53:31,829 --> 00:53:31,280

we're settling i mean like the bible

1239

00:53:33,750 --> 00:53:31,839

says

1240

00:53:35,030 --> 00:53:33,760

in revelations there'll be wars and

1241

00:53:37,829 --> 00:53:35,040

rumors of wars

1242

00:53:39,750 --> 00:53:37,839

during the during the end times and this

1243

00:53:42,069 --> 00:53:39,760

is exactly what's happening and i

1244

00:53:42,870 --> 00:53:42,079

i'm not trying to preach this stuff or

1245

00:53:45,670 --> 00:53:42,880

anything but

1246

00:53:47,750 --> 00:53:45,680

it's interesting based on what they were

1247

00:53:51,910 --> 00:53:47,760

telling me it matches up

1248

00:53:54,230 --> 00:53:51,920

so i started to read all prophecy

1249

00:53:55,270 --> 00:53:54,240

world prophecy now native american

1250

00:54:02,470 --> 00:53:55,280

prophecy

1251  
00:54:04,150 --> 00:54:02,480  
all this different prophecies and it all

1252  
00:54:06,390 --> 00:54:04,160  
matches up it's just there's not a

1253  
00:54:09,990 --> 00:54:06,400  
specific time

1254  
00:54:13,589 --> 00:54:10,000  
so what we seem to be in that time zone

1255  
00:54:15,910 --> 00:54:13,599  
of all this negativity and it it bothers

1256  
00:54:17,990 --> 00:54:15,920  
me because i love this planet too and

1257  
00:54:19,109 --> 00:54:18,000  
i've lived all over the world i lived

1258  
00:54:21,109 --> 00:54:19,119  
everywhere

1259  
00:54:22,790 --> 00:54:21,119  
and i spent five years out of the

1260  
00:54:25,510 --> 00:54:22,800  
country

1261  
00:54:26,710 --> 00:54:25,520  
living in england later almost two years

1262  
00:54:29,270 --> 00:54:26,720  
in east africa

1263  
00:54:30,549 --> 00:54:29,280

then i moved to japan then i immigrated

1264

00:54:33,030 --> 00:54:30,559

to australia

1265

00:54:35,030 --> 00:54:33,040

and then later lived on the amazon uh

1266

00:54:36,829 --> 00:54:35,040

amongst the tucuna indians

1267

00:54:38,150 --> 00:54:36,839

a place called the upper real

1268

00:54:41,589 --> 00:54:38,160

lorettayaku

1269

00:54:43,109 --> 00:54:41,599

so i i've can see

1270

00:54:45,670 --> 00:54:43,119

all these different things that were

1271

00:54:48,390 --> 00:54:45,680

happening and

1272

00:54:50,309 --> 00:54:48,400

the sasquatch people said that well when

1273

00:54:51,910 --> 00:54:50,319

things get bad

1274

00:54:54,390 --> 00:54:51,920

they're going to start taking certain

1275

00:54:55,910 --> 00:54:54,400

people and i thought

1276

00:54:58,390 --> 00:54:55,920

well wait why would they even say that

1277

00:55:00,549 --> 00:54:58,400

unless they really are going to get bad

1278

00:55:02,870 --> 00:55:00,559

so you can see now there's things

1279

00:55:05,589 --> 00:55:02,880

happening in the world in this country

1280

00:55:06,870 --> 00:55:05,599

that's changing and a lot of it is not

1281

00:55:09,750 --> 00:55:06,880

for the better

1282

00:55:10,950 --> 00:55:09,760

so you have to assess this and each

1283

00:55:13,270 --> 00:55:10,960

person has to

1284

00:55:15,589 --> 00:55:13,280

has their own belief system and has to

1285

00:55:17,750 --> 00:55:15,599

figure this out for themselves

1286

00:55:21,670 --> 00:55:17,760

but we're living in very difficult times

1287

00:55:24,870 --> 00:55:21,680

and uh they say the sasquatch say to

1288

00:55:27,270 --> 00:55:24,880

meditate learn to meditate uh and

1289

00:55:27,910 --> 00:55:27,280

to pray more you don't have to join a

1290

00:55:31,349 --> 00:55:27,920

religion

1291

00:55:33,430 --> 00:55:31,359

i don't uh i don't have

1292

00:55:34,630 --> 00:55:33,440

i've never i i don't belong to any

1293

00:55:36,630 --> 00:55:34,640

religion but i do

1294

00:55:38,950 --> 00:55:36,640

pray every single day several times a

1295

00:55:40,069 --> 00:55:38,960

day because i believe in the power of

1296

00:55:45,510 --> 00:55:40,079

prayer

1297

00:55:48,710 --> 00:55:45,520

or talking to the universe

1298

00:55:49,829 --> 00:55:48,720

meditation is quieting the mind and

1299

00:55:52,309 --> 00:55:49,839

listening to god

1300

00:55:53,750 --> 00:55:52,319

listening to the universe because we're

1301  
00:55:56,950 --> 00:55:53,760  
all interrelated

1302  
00:56:00,150 --> 00:55:56,960  
and interconnected and this is how

1303  
00:56:01,349 --> 00:56:00,160  
we get information this is spiritual

1304  
00:56:05,030 --> 00:56:01,359  
stuff not

1305  
00:56:08,309 --> 00:56:05,040  
religious stuff uh it's spiritual

1306  
00:56:09,030 --> 00:56:08,319  
and uh why because we're all spiritual

1307  
00:56:13,910 --> 00:56:09,040  
here

1308  
00:56:17,270 --> 00:56:13,920  
they said

1309  
00:56:20,309 --> 00:56:17,280  
have made

1310  
00:56:25,030 --> 00:56:20,319  
uh drugs their god alcohol their god

1311  
00:56:27,829 --> 00:56:25,040  
sex their god materialism their god

1312  
00:56:29,670 --> 00:56:27,839  
all these things are their god because

1313  
00:56:31,030 --> 00:56:29,680

that's where they focus on and they

1314

00:56:33,589 --> 00:56:31,040

they're not focusing on

1315

00:56:34,309 --> 00:56:33,599

the evolution of the soul that we should

1316

00:56:37,990 --> 00:56:34,319

have been taught

1317

00:56:39,670 --> 00:56:38,000

anyway and to understand but

1318

00:56:41,430 --> 00:56:39,680

anyway we're down here to figure it out

1319

00:56:43,750 --> 00:56:41,440

and those that haven't will be able to

1320

00:56:45,670 --> 00:56:43,760

do it in several other lifetimes

1321

00:56:48,150 --> 00:56:45,680

that if they don't get it they'll maybe

1322

00:56:51,589 --> 00:56:48,160

they'll get it in 10 or 20 lifetimes

1323

00:56:55,670 --> 00:56:51,599

you want to have a quick question so uh

1324

00:56:57,990 --> 00:56:55,680

regarding them their existence and

1325

00:56:59,750 --> 00:56:58,000

the way they've always obviously been

1326

00:57:02,950 --> 00:56:59,760

here

1327

00:57:04,950 --> 00:57:02,960

is it is it their uh

1328

00:57:06,069 --> 00:57:04,960

i wouldn't say their desire but they

1329

00:57:08,710 --> 00:57:06,079

have nothing against

1330

00:57:09,270 --> 00:57:08,720

us kind of trying to initiate contact

1331

00:57:11,349 --> 00:57:09,280

with them

1332

00:57:12,309 --> 00:57:11,359

am i correct to assume that so they

1333

00:57:15,190 --> 00:57:12,319

wouldn't mind us

1334

00:57:17,190 --> 00:57:15,200

trying to reach out and and but

1335

00:57:18,630 --> 00:57:17,200

obviously not in those negative ways as

1336

00:57:20,390 --> 00:57:18,640

you mentioned earlier

1337

00:57:21,990 --> 00:57:20,400

but it's not something that's taboo or

1338

00:57:23,510 --> 00:57:22,000

that they just want to be left alone to

1339

00:57:27,829 --> 00:57:23,520

do whatever they've always

1340

00:57:28,710 --> 00:57:27,839

been doing they told me 10 or 12 years i

1341

00:57:32,470 --> 00:57:28,720

think

1342

00:57:33,670 --> 00:57:32,480

no i'm it's closer to closer to 14 years

1343

00:57:36,230 --> 00:57:33,680

ago now

1344

00:57:38,230 --> 00:57:36,240

they told me that they they're going to

1345

00:57:40,549 --> 00:57:38,240

be connecting with more and more people

1346

00:57:43,190 --> 00:57:40,559

and talking to more and more people

1347

00:57:44,230 --> 00:57:43,200

to let them know that they're real and

1348

00:57:46,069 --> 00:57:44,240

so

1349

00:57:47,990 --> 00:57:46,079

there's more people but they have their

1350

00:57:50,950 --> 00:57:48,000

selective because some people

1351  
00:57:52,630 --> 00:57:50,960  
ran away from them some people uh who

1352  
00:57:55,510 --> 00:57:52,640  
are into their own

1353  
00:57:56,069 --> 00:57:55,520  
uh gods uh materialism whatever it is

1354  
00:57:58,390 --> 00:57:56,079  
that

1355  
00:57:59,349 --> 00:57:58,400  
they they don't even think about stuff

1356  
00:58:01,829 --> 00:57:59,359  
like this so if

1357  
00:58:03,430 --> 00:58:01,839  
they try to approach certain people

1358  
00:58:06,630 --> 00:58:03,440  
people got afraid

1359  
00:58:09,510 --> 00:58:06,640  
so uh they just want to reach people

1360  
00:58:11,430 --> 00:58:09,520  
with a higher vibrational frequency

1361  
00:58:12,950 --> 00:58:11,440  
this is important their higher

1362  
00:58:15,510 --> 00:58:12,960  
vibrational frequency

1363  
00:58:16,390 --> 00:58:15,520

which you get through meditation you get

1364

00:58:20,549 --> 00:58:16,400

through

1365

00:58:22,630 --> 00:58:20,559

positive thinking i was raised

1366

00:58:24,390 --> 00:58:22,640

to help people you always reach out to

1367

00:58:27,510 --> 00:58:24,400

your neighbors and help

1368

00:58:29,589 --> 00:58:27,520

so it was easy for me to be empathetic

1369

00:58:33,190 --> 00:58:29,599

and reach out and help others and

1370

00:58:36,069 --> 00:58:33,200

if you're empathetic uh and open-minded

1371

00:58:36,789 --> 00:58:36,079

and have an open heart they'll contact

1372

00:58:40,150 --> 00:58:36,799

you

1373

00:58:43,589 --> 00:58:40,160

so they are contacting people

1374

00:58:47,190 --> 00:58:43,599

and i have helped people

1375

00:58:50,710 --> 00:58:47,200

if people want to contact me

1376

00:58:53,990 --> 00:58:50,720

they can at sasquatch people

1377

00:58:54,710 --> 00:58:54,000

at hotmail.com all one word sasquatch

1378

00:58:57,589 --> 00:58:54,720

people

1379

00:58:58,390 --> 00:58:57,599

at hotmail.com i've helped dozens of

1380

00:58:59,990 --> 00:58:58,400

people make

1381

00:59:02,230 --> 00:59:00,000

connections and now they're friends with

1382

00:59:05,510 --> 00:59:02,240

them and talk to them periodically

1383

00:59:07,510 --> 00:59:05,520

just like i do so uh

1384

00:59:10,309 --> 00:59:07,520

it doesn't matter where are you who you

1385

00:59:13,829 --> 00:59:12,470

right but i have the ability they've

1386

00:59:16,390 --> 00:59:13,839

given me the ability

1387

00:59:17,349 --> 00:59:16,400

to find them anywhere anywhere in the

1388

00:59:20,390 --> 00:59:17,359

world

1389

00:59:22,150 --> 00:59:20,400

i found them 11 000 miles away in

1390

00:59:24,150 --> 00:59:22,160

southern siberia

1391

00:59:25,349 --> 00:59:24,160

a woman went there i sent her to that

1392

00:59:28,150 --> 00:59:25,359

area and

1393

00:59:30,069 --> 00:59:28,160

i said there's a female almost which is

1394

00:59:33,430 --> 00:59:30,079

the sasquatch type there

1395

00:59:34,069 --> 00:59:33,440

by a portal by a lake and it was 15

1396

00:59:36,230 --> 00:59:34,079

miles

1397

00:59:38,390 --> 00:59:36,240

off way off the trail in the middle of

1398

00:59:39,349 --> 00:59:38,400

nowhere and she went there and camped

1399

00:59:42,950 --> 00:59:39,359

out

1400

00:59:45,109 --> 00:59:42,960

by herself and the first night there

1401

00:59:46,470 --> 00:59:45,119

with by the fire she was sitting a

1402

00:59:48,950 --> 00:59:46,480

female almost ran

1403

00:59:50,789 --> 00:59:48,960

right through her her camp deliberately

1404

00:59:53,910 --> 00:59:50,799

to show herself

1405

00:59:57,910 --> 00:59:53,920

so i help people in the united states

1406

01:00:01,750 --> 00:59:57,920

find uh sasquatch in their areas

1407

01:00:04,069 --> 01:00:01,760

california wisconsin

1408

01:00:05,430 --> 01:00:04,079

massachusetts anywhere i found and

1409

01:00:09,670 --> 01:00:05,440

people go there

1410

01:00:13,190 --> 01:00:12,069

i'm working with a young man in sweden

1411

01:00:16,630 --> 01:00:13,200

right now

1412

01:00:19,109 --> 01:00:16,640

who's sent him out to this area and he's

1413

01:00:21,349 --> 01:00:19,119

starting to have experiences

1414

01:00:22,390 --> 01:00:21,359

i mark a map when he sends me a map and

1415

01:00:26,630 --> 01:00:22,400

everything

1416

01:00:29,190 --> 01:00:26,640

and they go out to there and i teach him

1417

01:00:30,870 --> 01:00:29,200

how to think and i teach the person how

1418

01:00:34,470 --> 01:00:30,880

to telepath

1419

01:00:37,190 --> 01:00:34,480

so some people are afraid so

1420

01:00:38,309 --> 01:00:37,200

i tell them let go of all fear and if

1421

01:00:40,470 --> 01:00:38,319

you

1422

01:00:41,349 --> 01:00:40,480

some people still cannot let go of the

1423

01:00:48,069 --> 01:00:41,359

fear

1424

01:00:51,589 --> 01:00:48,079

is a will block you anger

1425

01:00:54,069 --> 01:00:51,599

uh will block the communication any

1426

01:00:55,190 --> 01:00:54,079

any negativity any emotion negative

1427

01:00:58,549 --> 01:00:55,200

emotion

1428

01:00:58,870 --> 01:00:58,559

so if a person practices that and lets

1429

01:01:01,430 --> 01:00:58,880

go

1430

01:01:02,390 --> 01:01:01,440

of the negativity and starts to learn

1431

01:01:04,630 --> 01:01:02,400

that if that's

1432

01:01:05,750 --> 01:01:04,640

if it's that important to them they'll

1433

01:01:09,270 --> 01:01:05,760

be connected

1434

01:01:10,390 --> 01:01:09,280

they'll it works so people can contact

1435

01:01:13,510 --> 01:01:10,400

me i've helped

1436

01:01:14,630 --> 01:01:13,520

dozens and dozens of people generally

1437

01:01:18,150 --> 01:01:14,640

about eight

1438

01:01:21,349 --> 01:01:18,160

to twelve people a year i help

1439

01:01:33,750 --> 01:01:21,359

they can also call me if if they want

1440

01:01:35,670 --> 01:01:33,760

at 509 590-0415-509-590-0415

1441

01:01:37,589 --> 01:01:35,680

in eastern washington i'd be happy to

1442

01:01:38,230 --> 01:01:37,599

speak with them they had experience and

1443

01:01:41,990 --> 01:01:38,240

they

1444

01:01:44,630 --> 01:01:42,000

for me to help

1445

01:01:45,430 --> 01:01:44,640

to define the situation what really

1446

01:01:47,990 --> 01:01:45,440

happened

1447

01:01:49,510 --> 01:01:48,000

i'd be happy to to chat with people

1448

01:01:53,030 --> 01:01:49,520

because i'm here to help

1449

01:01:56,230 --> 01:01:53,040

that's what i do well kawani

1450

01:01:57,829 --> 01:01:56,240

um the different alien races or the

1451

01:01:59,029 --> 01:01:57,839

different et's that you've mentioned

1452

01:02:04,069 --> 01:01:59,039

that have talked to you

1453

01:02:08,230 --> 01:02:07,910

well i i can it's difficult to describe

1454

01:02:11,829 --> 01:02:08,240

them

1455

01:02:13,430 --> 01:02:11,839

but uh some were small

1456

01:02:15,270 --> 01:02:13,440

you know four feet three and a half to

1457

01:02:17,750 --> 01:02:15,280

four feet tall they had

1458

01:02:19,750 --> 01:02:17,760

uh little suits on so they weren't the

1459

01:02:22,630 --> 01:02:19,760

typical grays at all

1460

01:02:23,910 --> 01:02:22,640

in fact they didn't look like the grays

1461

01:02:27,829 --> 01:02:23,920

but there was a slight

1462

01:02:30,069 --> 01:02:27,839

similarity uh one

1463

01:02:31,670 --> 01:02:30,079

you know how spiderman when he puts on

1464

01:02:33,829 --> 01:02:31,680

his mask and everything the

1465

01:02:35,430 --> 01:02:33,839

the way the eyes wrap around and so

1466

01:02:39,270 --> 01:02:35,440

forth

1467

01:02:43,670 --> 01:02:39,280

well there was a a warrior class

1468

01:02:46,150 --> 01:02:43,680

uh that was protecting me

1469

01:02:47,190 --> 01:02:46,160

back when i was living in oregon back in

1470

01:02:51,510 --> 01:02:47,200

the 80s

1471

01:02:54,630 --> 01:02:51,520

and he floated right through the

1472

01:02:57,029 --> 01:02:54,640

the wall from outside and came right

1473

01:02:58,549 --> 01:02:57,039

to the edge of my bed and looked right

1474

01:03:02,150 --> 01:02:58,559

at me and smiled and

1475

01:03:04,150 --> 01:03:02,160

and then drifted back out again and uh

1476

01:03:05,910 --> 01:03:04,160

all all that was told is that i'm

1477

01:03:09,190 --> 01:03:05,920

protecting you

1478

01:03:12,230 --> 01:03:09,200

so the negative et's

1479

01:03:14,789 --> 01:03:12,240

do not want this information out this

1480

01:03:17,349 --> 01:03:14,799

may seem science fiction but

1481

01:03:19,029 --> 01:03:17,359

i make no apologies for my life has been

1482

01:03:21,589 --> 01:03:19,039

like a science fiction movie

1483

01:03:22,630 --> 01:03:21,599

the thing is it's all for real is this

1484

01:03:28,549 --> 01:03:22,640

so they can keep

1485

01:03:31,589 --> 01:03:30,710

what's that i was saying is it uh

1486

01:03:35,109 --> 01:03:31,599

because

1487

01:03:37,510 --> 01:03:35,119

they want to keep doing what they're

1488

01:03:40,710 --> 01:03:37,520

doing in the shadows

1489

01:03:41,910 --> 01:03:40,720

so yes yes that's true they don't want

1490

01:03:45,190 --> 01:03:41,920

the truth out there

1491

01:03:47,910 --> 01:03:45,200

another e.t

1492

01:03:49,510 --> 01:03:47,920

that came to me had a a bulbous head but

1493

01:03:52,549 --> 01:03:49,520

a human face

1494

01:03:54,390 --> 01:03:52,559

and he was about five five foot

1495

01:03:55,910 --> 01:03:54,400

five and a half feet so i wasn't very

1496

01:03:59,670 --> 01:03:55,920

very big

1497

01:04:01,270 --> 01:03:59,680

and this is what happened uh i started

1498

01:04:03,990 --> 01:04:01,280

to have

1499

01:04:04,630 --> 01:04:04,000

horrific headaches and i couldn't figure

1500

01:04:06,390 --> 01:04:04,640

out why

1501  
01:04:08,710 --> 01:04:06,400  
because i never get headache no matter

1502  
01:04:10,390 --> 01:04:08,720  
what i took it would work

1503  
01:04:11,990 --> 01:04:10,400  
just for a short time and the headaches

1504  
01:04:15,190 --> 01:04:12,000  
would come back

1505  
01:04:18,870 --> 01:04:15,200  
so i telepath to

1506  
01:04:21,910 --> 01:04:18,880  
at the time i was living in a cabin

1507  
01:04:24,789 --> 01:04:21,920  
where i was on a ufo

1508  
01:04:25,990 --> 01:04:24,799  
flight line literally and about twice a

1509  
01:04:29,589 --> 01:04:26,000  
week i could go out on my

1510  
01:04:32,950 --> 01:04:29,599  
deck and with my zoom lens

1511  
01:04:35,430 --> 01:04:32,960  
uh binoculars i could watch this

1512  
01:04:36,870 --> 01:04:35,440  
a spaceship come in i mean it's and i

1513  
01:04:38,549 --> 01:04:36,880

had other people

1514

01:04:41,029 --> 01:04:38,559

that didn't believe me and i said you

1515

01:04:43,990 --> 01:04:41,039

come and camp out here and we'll

1516

01:04:46,309 --> 01:04:44,000

watch and every time every single time

1517

01:04:49,829 --> 01:04:46,319

they saw spaceships just like i i did

1518

01:04:52,710 --> 01:04:49,839

so i telepath to them and ask for help

1519

01:04:54,870 --> 01:04:52,720

and that i had a headache and i'd

1520

01:04:58,150 --> 01:04:54,880

understand what was going on with me and

1521

01:04:59,589 --> 01:04:58,160

uh i'm not big on doctors and so i

1522

01:05:02,789 --> 01:04:59,599

figured well this is a headache but

1523

01:05:06,230 --> 01:05:02,799

what's going on is kind of very acute

1524

01:05:10,390 --> 01:05:06,240

so one night i went to bed

1525

01:05:14,309 --> 01:05:10,400

and uh before i could fall asleep

1526

01:05:17,990 --> 01:05:14,319

i was feeling feeling somebody there

1527

01:05:22,390 --> 01:05:18,000

and i kind of sat up and looked in this

1528

01:05:24,549 --> 01:05:22,400

light like a flashlight like you hit the

1529

01:05:26,230 --> 01:05:24,559

the button and then hit it again just

1530

01:05:29,270 --> 01:05:26,240

for a flash

1531

01:05:33,270 --> 01:05:29,280

but this guy appeared and he

1532

01:05:35,910 --> 01:05:33,280

uh again had a bulb kind of a squarish

1533

01:05:39,510 --> 01:05:35,920

bulbous forehead and head

1534

01:05:40,549 --> 01:05:39,520

and but a human face uh he looked like

1535

01:05:42,710 --> 01:05:40,559

one of the ones

1536

01:05:44,230 --> 01:05:42,720

at the beginning of the star trek series

1537

01:05:47,270 --> 01:05:44,240

way way back

1538

01:05:48,470 --> 01:05:47,280

uh because he had a long gown on a white

1539

01:05:51,270 --> 01:05:48,480

gown

1540

01:05:52,069 --> 01:05:51,280

and he just smiled and reached towards

1541

01:05:59,029 --> 01:05:52,079

me

1542

01:06:02,390 --> 01:05:59,039

the next morning i woke up and uh

1543

01:06:06,710 --> 01:06:02,400

i said well i got to call

1544

01:06:10,150 --> 01:06:06,720

the repair shop auto repair

1545

01:06:14,309 --> 01:06:10,160

and i quickly called and

1546

01:06:18,710 --> 01:06:14,319

told them i wanted to them to check my

1547

01:06:22,549 --> 01:06:18,720

uh exhaust system in my car

1548

01:06:25,750 --> 01:06:22,559

and i hung up and made an appointment

1549

01:06:29,029 --> 01:06:25,760

and after i hung up i said wait a minute

1550

01:06:32,470 --> 01:06:29,039

why am i doing this i i might

1551

01:06:34,470 --> 01:06:32,480

there's no noise in the uh in the car

1552

01:06:36,390 --> 01:06:34,480

there's no you know how it could when

1553

01:06:38,390 --> 01:06:36,400

you have a uh

1554

01:06:39,750 --> 01:06:38,400

it starts to make noise and and

1555

01:06:42,230 --> 01:06:39,760

everything and you knew

1556

01:06:43,990 --> 01:06:42,240

you know you needed the system checked

1557

01:06:46,870 --> 01:06:44,000

well

1558

01:06:47,430 --> 01:06:46,880

i i didn't understand what i was doing

1559

01:06:51,589 --> 01:06:47,440

uh

1560

01:06:54,150 --> 01:06:51,599

they programmed me so i went to

1561

01:06:55,910 --> 01:06:54,160

i got my car and i started it up and i

1562

01:06:57,029 --> 01:06:55,920

sat there for a minute in the driveway

1563

01:06:59,270 --> 01:06:57,039

thinking

1564

01:07:00,870 --> 01:06:59,280

gee this is crazy and then all of a

1565

01:07:04,150 --> 01:07:00,880

sudden i smelt it

1566

01:07:06,150 --> 01:07:04,160

it was i had a leak and it would the in

1567

01:07:07,910 --> 01:07:06,160

the exhaust system and i was breathing

1568

01:07:08,630 --> 01:07:07,920

all that stuff in that was giving me a

1569

01:07:12,069 --> 01:07:08,640

headache

1570

01:07:13,750 --> 01:07:12,079

oh wow if i had gone to a doctor if i

1571

01:07:15,829 --> 01:07:13,760

went to a doctor he would have given me

1572

01:07:17,510 --> 01:07:15,839

pills and i would still have been

1573

01:07:20,470 --> 01:07:17,520

breathing in all this poison and it

1574

01:07:22,390 --> 01:07:20,480

wasn't that oh it was not an old car

1575

01:07:24,789 --> 01:07:22,400

but i'm in and out of the wilderness and

1576

01:07:26,630 --> 01:07:24,799

rugged areas and stuff

1577

01:07:28,069 --> 01:07:26,640

so as soon as i went there the guys yeah

1578

01:07:31,270 --> 01:07:28,079

you need a new system

1579

01:07:32,710 --> 01:07:31,280

you got a bad leak which i didn't know

1580

01:07:35,750 --> 01:07:32,720

of course so they

1581

01:07:39,029 --> 01:07:35,760

helped me there um

1582

01:07:42,470 --> 01:07:39,039

they've healed me several times

1583

01:07:46,549 --> 01:07:42,480

when when i moved to arizona

1584

01:07:49,750 --> 01:07:46,559

after oregon uh i

1585

01:07:51,910 --> 01:07:49,760

met uh in flagstaff a

1586

01:07:54,309 --> 01:07:51,920

medicine woman a hopi medicine woman and

1587

01:07:57,589 --> 01:07:54,319

she was living in sedona

1588

01:08:00,150 --> 01:07:57,599

and she realized that i'm also

1589

01:08:01,190 --> 01:08:00,160

a medicine man and i'm a master

1590

01:08:03,750 --> 01:08:01,200

herbalist

1591

01:08:04,390 --> 01:08:03,760

specializing in life-threatening

1592

01:08:07,589 --> 01:08:04,400

diseases

1593

01:08:10,870 --> 01:08:07,599

and stuff well

1594

01:08:13,829 --> 01:08:10,880

uh we talked uh

1595

01:08:16,149 --> 01:08:13,839

until quarter to 12 at night i remember

1596

01:08:20,630 --> 01:08:16,159

this this is 1991

1597

01:08:23,189 --> 01:08:20,640

january of 91. and she i kept yawning

1598

01:08:23,990 --> 01:08:23,199

uh for the last hour there that we were

1599

01:08:27,110 --> 01:08:24,000

talking but

1600

01:08:29,910 --> 01:08:27,120

the conversation was so interesting and

1601  
01:08:31,669 --> 01:08:29,920  
for both of us and so we just kept going

1602  
01:08:33,430 --> 01:08:31,679  
and i said i better leave soon here i

1603  
01:08:35,910 --> 01:08:33,440  
said it's almost midnight

1604  
01:08:37,590 --> 01:08:35,920  
and it was an hour back or a little over

1605  
01:08:40,309 --> 01:08:37,600  
an hour back to

1606  
01:08:41,430 --> 01:08:40,319  
flat staff and i she said look she said

1607  
01:08:43,030 --> 01:08:41,440  
you look tired

1608  
01:08:45,349 --> 01:08:43,040  
she said why don't you stay in my guest

1609  
01:08:46,470 --> 01:08:45,359  
room tonight she says you can leave in

1610  
01:08:47,910 --> 01:08:46,480  
the morning she's i don't want you

1611  
01:08:50,229 --> 01:08:47,920  
driving off a cliff or

1612  
01:08:51,269 --> 01:08:50,239  
getting to an accident and i thought

1613  
01:08:55,269 --> 01:08:51,279

about it for a second

1614

01:08:58,070 --> 01:08:55,279

okay that's that's fine so i went in

1615

01:08:59,829 --> 01:08:58,080

the bedroom shut the door got in bed and

1616

01:09:02,229 --> 01:08:59,839

i reached over as soon as i shut the

1617

01:09:05,829 --> 01:09:02,239

light off which is right beside me

1618

01:09:09,349 --> 01:09:05,839

four six and a half foot kachinas

1619

01:09:13,189 --> 01:09:09,359

appeared at the foot of my bed

1620

01:09:17,189 --> 01:09:15,669

feathers ruffling i could hear the bells

1621

01:09:20,550 --> 01:09:17,199

around their ankles

1622

01:09:23,510 --> 01:09:20,560

and they stood one

1623

01:09:24,550 --> 01:09:23,520

in in front and then another like behind

1624

01:09:25,749 --> 01:09:24,560

the other

1625

01:09:27,189 --> 01:09:25,759

even though they're all in a row and

1626

01:09:29,030 --> 01:09:27,199

then another one in front and then

1627

01:09:32,309 --> 01:09:29,040

another one in back

1628

01:09:35,269 --> 01:09:32,319

later i was told by uh hopi

1629

01:09:36,630 --> 01:09:35,279

people that that's how they appear and

1630

01:09:39,349 --> 01:09:36,640

so they knew that i wasn't

1631

01:09:40,149 --> 01:09:39,359

just making this stuff up they stayed

1632

01:09:43,749 --> 01:09:40,159

there

1633

01:09:46,630 --> 01:09:43,759

for 50 minutes telling me about my life

1634

01:09:48,229 --> 01:09:46,640

and at the time i was diagnosed with

1635

01:09:51,910 --> 01:09:48,239

liver cancer which is

1636

01:09:52,870 --> 01:09:51,920

fatal so they said if you take these

1637

01:09:55,030 --> 01:09:52,880

herbs

1638

01:09:56,310 --> 01:09:55,040

you'll be fine and explained all that to

1639

01:09:59,350 --> 01:09:56,320

me says but the

1640

01:10:01,030 --> 01:09:59,360

key to it all is releasing negative

1641

01:10:03,990 --> 01:10:01,040

emotions

1642

01:10:04,630 --> 01:10:04,000

you need to to do affirmations and

1643

01:10:08,550 --> 01:10:04,640

release

1644

01:10:10,310 --> 01:10:08,560

these negative emotions because uh

1645

01:10:12,070 --> 01:10:10,320

some of the experiences you've had in

1646

01:10:14,470 --> 01:10:12,080

life recently

1647

01:10:15,270 --> 01:10:14,480

angered you and the anger goes to your

1648

01:10:19,030 --> 01:10:15,280

liver

1649

01:10:21,669 --> 01:10:19,040

must do that

1650

01:10:22,310 --> 01:10:21,679

in order for the herbs to work properly

1651  
01:10:24,550 --> 01:10:22,320  
otherwise

1652  
01:10:25,669 --> 01:10:24,560  
it could come it will come back because

1653  
01:10:28,390 --> 01:10:25,679  
you haven't reached

1654  
01:10:30,630 --> 01:10:28,400  
the seed of the problem the source of it

1655  
01:10:36,790 --> 01:10:30,640  
which is negative emotions

1656  
01:10:42,550 --> 01:10:39,910  
i read books that said the same thing

1657  
01:10:45,590 --> 01:10:42,560  
but i did what they said and five and a

1658  
01:10:48,870 --> 01:10:45,600  
half weeks later i was cancer-free

1659  
01:10:50,790 --> 01:10:48,880  
so uh now

1660  
01:10:52,550 --> 01:10:50,800  
i've used some of their formulas and

1661  
01:10:55,910 --> 01:10:52,560  
things that they taught me

1662  
01:10:59,110 --> 01:10:55,920  
so this is wonderful i mean i i

1663  
01:11:04,310 --> 01:10:59,120

it's hard to believe that that they

1664

01:11:07,430 --> 01:11:05,750

they've healed me several different

1665

01:11:11,270 --> 01:11:07,440

times uh

1666

01:11:13,669 --> 01:11:11,280

it's they one time i have a

1667

01:11:14,870 --> 01:11:13,679

i injured myself my back when i was in

1668

01:11:17,910 --> 01:11:14,880

the service

1669

01:11:21,350 --> 01:11:17,920

uh very severely and uh

1670

01:11:23,270 --> 01:11:21,360

so later on uh

1671

01:11:24,550 --> 01:11:23,280

my back went on me and i was in a

1672

01:11:25,990 --> 01:11:24,560

wheelchair twice

1673

01:11:27,669 --> 01:11:26,000

they told me i'd probably never walk

1674

01:11:32,630 --> 01:11:27,679

again

1675

01:11:36,470 --> 01:11:32,640

but the i didn't know what to do

1676

01:11:39,990 --> 01:11:36,480

but i telepath to

1677

01:11:43,750 --> 01:11:40,000

the friendly et's and two i'm sorry

1678

01:11:46,630 --> 01:11:43,760

three a little uh three and a half

1679

01:11:48,390 --> 01:11:46,640

to four foot beings appeared and said

1680

01:11:53,510 --> 01:11:48,400

we're here to heal you

1681

01:11:56,709 --> 01:11:55,430

actually i said thank you god bless you

1682

01:12:00,229 --> 01:11:56,719

come ahead

1683

01:12:03,189 --> 01:12:00,239

and so i could not walk

1684

01:12:04,229 --> 01:12:03,199

i was in a wheelchair and the pain was

1685

01:12:06,870 --> 01:12:04,239

so bad

1686

01:12:08,310 --> 01:12:06,880

in my lower back that on a scale of one

1687

01:12:11,750 --> 01:12:08,320

to ten ten

1688

01:12:12,950 --> 01:12:11,760

being excruciating mine was a ten and a

1689

01:12:15,189 --> 01:12:12,960

half

1690

01:12:16,709 --> 01:12:15,199

i mean when i looked in the mirror i

1691

01:12:17,510 --> 01:12:16,719

didn't even look like the same person

1692

01:12:20,149 --> 01:12:17,520

because

1693

01:12:22,070 --> 01:12:20,159

my face was always scrunched up with

1694

01:12:24,470 --> 01:12:22,080

with pain uh

1695

01:12:25,110 --> 01:12:24,480

and neighbors and friends were coming to

1696

01:12:28,470 --> 01:12:25,120

me i

1697

01:12:31,750 --> 01:12:28,480

was in bed all the time uh sitting up

1698

01:12:36,229 --> 01:12:31,760

it hurt even more so laying down was was

1699

01:12:37,830 --> 01:12:36,239

you know what i was doing so uh

1700

01:12:39,669 --> 01:12:37,840

the next thing i remember when these

1701

01:12:42,709 --> 01:12:39,679

beings put me out

1702

01:12:44,630 --> 01:12:42,719

and i was only getting four to five

1703

01:12:45,669 --> 01:12:44,640

hours sleep a night and it was not a

1704

01:12:47,830 --> 01:12:45,679

restful sleep

1705

01:12:49,510 --> 01:12:47,840

i was exhausted constantly had very

1706

01:12:52,070 --> 01:12:49,520

little energy

1707

01:12:53,430 --> 01:12:52,080

and generally i jog and hike and do all

1708

01:12:56,470 --> 01:12:53,440

this stuff

1709

01:12:59,110 --> 01:12:56,480

and work out and i couldn't do anything

1710

01:13:00,630 --> 01:12:59,120

and i said my god my life is over i'm

1711

01:13:03,270 --> 01:13:00,640

i'm a

1712

01:13:04,070 --> 01:13:03,280

but the next thing i remember is i heard

1713

01:13:07,110 --> 01:13:04,080

a strange

1714

01:13:07,750 --> 01:13:07,120

voice that woke me up after they put me

1715

01:13:12,229 --> 01:13:07,760

out

1716

01:13:15,750 --> 01:13:13,990

you know something like that you know

1717

01:13:18,229 --> 01:13:15,760

that's their language apparently and i

1718

01:13:18,790 --> 01:13:18,239

woke up and it was one to my right it

1719

01:13:20,870 --> 01:13:18,800

was another

1720

01:13:21,910 --> 01:13:20,880

little e.t to the left and then one

1721

01:13:23,910 --> 01:13:21,920

behind me

1722

01:13:25,430 --> 01:13:23,920

with some kind of a cylindrical object

1723

01:13:27,750 --> 01:13:25,440

in his hand

1724

01:13:28,950 --> 01:13:27,760

and i said oh it's only you guys i said

1725

01:13:32,070 --> 01:13:28,960

i love you

1726

01:13:35,110 --> 01:13:32,080

and i you know they put me right back

1727

01:13:38,310 --> 01:13:35,120

out i mean what do you say to people

1728

01:13:40,870 --> 01:13:38,320

that come to heal you uh that

1729

01:13:43,110 --> 01:13:40,880

god bless you and i love you are the two

1730

01:13:45,830 --> 01:13:43,120

highest forms of adulation

1731

01:13:46,310 --> 01:13:45,840

in the universe i mean they didn't say

1732

01:13:48,550 --> 01:13:46,320

to me

1733

01:13:49,830 --> 01:13:48,560

well we're not going to do anything uh

1734

01:13:50,709 --> 01:13:49,840

first we need to find out if you have

1735

01:13:54,070 --> 01:13:50,719

insurance

1736

01:13:58,709 --> 01:13:54,080

no they didn't say that you know

1737

01:14:02,070 --> 01:13:58,719

so i woke up the next morning

1738

01:14:04,070 --> 01:14:02,080

right after that i slept the whole night

1739

01:14:06,709 --> 01:14:04,080

i never moved the whole night

1740

01:14:07,750 --> 01:14:06,719

ten and a half hours later and when i

1741

01:14:10,950 --> 01:14:07,760

woke up

1742

01:14:11,830 --> 01:14:10,960

i was pain-free and i sat at the edge of

1743

01:14:15,830 --> 01:14:11,840

the bed

1744

01:14:19,110 --> 01:14:15,840

giggling while i'm praying thanking god

1745

01:14:21,110 --> 01:14:19,120

for what had happened but i noticed when

1746

01:14:23,350 --> 01:14:21,120

i walked to the bathroom

1747

01:14:24,950 --> 01:14:23,360

i didn't have my full gait there was

1748

01:14:27,189 --> 01:14:24,960

still a pull back there

1749

01:14:28,790 --> 01:14:27,199

some kind of pressure uh there even

1750

01:14:31,910 --> 01:14:28,800

though there was no pain

1751

01:14:33,110 --> 01:14:31,920

so i stayed at home giggling off and on

1752

01:14:36,470 --> 01:14:33,120

during the day and

1753

01:14:37,669 --> 01:14:36,480

just in disbelief and i uh that night

1754

01:14:39,830 --> 01:14:37,679

when i went to bed again

1755

01:14:41,669 --> 01:14:39,840

shut the light off as soon as i did i

1756

01:14:43,110 --> 01:14:41,679

heard shuffling behind me and i turned

1757

01:14:45,350 --> 01:14:43,120

and there they were again

1758

01:14:46,709 --> 01:14:45,360

they said we have one more we need to do

1759

01:14:49,910 --> 01:14:46,719

one more healing on you

1760

01:14:50,709 --> 01:14:49,920

i said thank you come ahead and so they

1761

01:14:53,110 --> 01:14:50,719

put me out

1762

01:14:55,270 --> 01:14:53,120

immediately again and i woke up the next

1763

01:14:58,950 --> 01:14:55,280

morning with a full gate

1764

01:15:01,590 --> 01:14:58,960

my normal self and

1765

01:15:03,030 --> 01:15:01,600

two weeks later i want to visit

1766

01:15:05,030 --> 01:15:03,040

everybody every month

1767

01:15:07,590 --> 01:15:05,040

or two i would visit one of my closest

1768

01:15:10,630 --> 01:15:07,600

friends who owned a thousand acre ranch

1769

01:15:11,910 --> 01:15:10,640

in the deep wilderness and i'd visit him

1770

01:15:14,790 --> 01:15:11,920

sometimes help out with

1771

01:15:15,189 --> 01:15:14,800

feeding the cattle and things like that

1772

01:15:20,870 --> 01:15:15,199

and

1773

01:15:22,870 --> 01:15:20,880

but i realized on a friday that i didn't

1774

01:15:24,470 --> 01:15:22,880

stop at the bank to drop money to get

1775

01:15:26,310 --> 01:15:24,480

gas money because it was a little ways

1776

01:15:28,709 --> 01:15:26,320

to drive and everything

1777

01:15:31,110 --> 01:15:28,719

so they didn't have atms back then and

1778

01:15:34,390 --> 01:15:31,120

this was 1987.

1779

01:15:36,709 --> 01:15:34,400

so uh i quickly drove into town

1780

01:15:38,070 --> 01:15:36,719

the bank closed at five o'clock and i

1781

01:15:40,630 --> 01:15:38,080

looked at my watch and it was

1782

01:15:41,990 --> 01:15:40,640

seven minutes to five i remember this

1783

01:15:45,189 --> 01:15:42,000

distinctly

1784

01:15:46,070 --> 01:15:45,199

so i parked the car and i ran up the

1785

01:15:48,790 --> 01:15:46,080

street

1786

01:15:50,149 --> 01:15:48,800

okay all the way up to the end and right

1787

01:15:52,870 --> 01:15:50,159

across the street is the

1788

01:15:53,669 --> 01:15:52,880

bank and why as soon as i got to the

1789

01:15:55,270 --> 01:15:53,679

corner

1790

01:15:57,750 --> 01:15:55,280

i looked to my left and there's one of

1791

01:16:00,229 --> 01:15:57,760

the doctors that evaluated me

1792

01:16:01,590 --> 01:16:00,239

walking and he told me i may never walk

1793

01:16:05,189 --> 01:16:01,600

again

1794

01:16:08,470 --> 01:16:05,199

here i was running and he pointed to my

1795

01:16:10,149 --> 01:16:08,480

my legs and was rubbing his ball head

1796

01:16:11,590 --> 01:16:10,159

his mouth was going up and down and

1797

01:16:13,750 --> 01:16:11,600

nothing was coming out

1798

01:16:15,110 --> 01:16:13,760

he couldn't speak and i said have a nice

1799

01:16:16,790 --> 01:16:15,120

day doctor

1800

01:16:18,830 --> 01:16:16,800

and i jogged across the street to the

1801

01:16:21,990 --> 01:16:18,840

bank so

1802

01:16:24,790 --> 01:16:22,000

uh i suppose if i told him he'd say i

1803

01:16:26,630 --> 01:16:24,800

needed a psychiatrist or something but

1804

01:16:27,430 --> 01:16:26,640

uh these things are happening to other

1805

01:16:29,990 --> 01:16:27,440

people

1806

01:16:31,030 --> 01:16:30,000

around the world and around the country

1807

01:16:34,149 --> 01:16:31,040

as well

1808

01:16:37,910 --> 01:16:34,159

but i was so fortunate to to

1809

01:16:40,709 --> 01:16:37,920

have their help i mean this is a miracle

1810

01:16:42,149 --> 01:16:40,719

i wonder definitely kawani i have a uh i

1811

01:16:44,390 --> 01:16:42,159

wanted to ask you

1812

01:16:45,990 --> 01:16:44,400

uh would you mind if we go over to some

1813

01:16:49,110 --> 01:16:46,000

questions and they might know to ask you

1814

01:16:52,149 --> 01:16:49,120

something i don't would that be okay

1815

01:16:56,950 --> 01:16:52,159

that's perfectly fine uh yes go ahead

1816

01:17:01,830 --> 01:16:59,990

okay i had um this is the actually

1817

01:17:03,270 --> 01:17:01,840

uh i'm trying this for the very first

1818

01:17:05,830 --> 01:17:03,280

time so we'll see how it works

1819

01:17:06,310 --> 01:17:05,840

uh roadie had a question earlier and he

1820

01:17:08,149 --> 01:17:06,320

won't

1821

01:17:11,110 --> 01:17:08,159

he would be asking it yourself uh just

1822

01:17:13,910 --> 01:17:11,120

give me one quick second

1823

01:17:22,310 --> 01:17:13,920

rodeo just unmute yourself and uh please

1824

01:17:25,510 --> 01:17:24,390

okay maybe he's i don't hear anything

1825

01:17:27,270 --> 01:17:25,520

right no me neither

1826

01:17:28,830 --> 01:17:27,280

i think he's he was just listening but

1827

01:17:31,910 --> 01:17:28,840

he'll probably

1828

01:17:34,470 --> 01:17:31,920

um when he gets back he'll he'll he'll

1829

01:17:36,310 --> 01:17:34,480

unmute himself then oh he's back now

1830

01:17:37,830 --> 01:17:36,320

all right let's try this again brody go

1831

01:17:45,669 --> 01:17:37,840

ahead and mute yourself if

1832

01:17:50,390 --> 01:17:45,679

if you can and uh ask a question

1833

01:17:56,229 --> 01:17:54,070

sorry that's okay hello

1834

01:17:57,430 --> 01:17:56,239

i did the same thing go ahead please

1835

01:17:59,430 --> 01:17:57,440

yeah that's all right please go ahead

1836

01:18:02,630 --> 01:17:59,440

ask a question

1837

01:18:05,110 --> 01:18:02,640

so thank you for um for uh the ufo hub

1838

01:18:06,790 --> 01:18:05,120

and also you for speaking up about the

1839

01:18:10,709 --> 01:18:06,800

subject because um

1840

01:18:12,149 --> 01:18:10,719

yeah my question is you said before i

1841

01:18:15,510 --> 01:18:12,159

called when you were talking about

1842

01:18:18,550 --> 01:18:15,520

that you you communicate with many um

1843

01:18:19,590 --> 01:18:18,560

when et races what are the main races

1844

01:18:22,470 --> 01:18:19,600

that you talk to

1845

01:18:23,430 --> 01:18:22,480

like the arcturians the pleiadians who

1846

01:18:25,030 --> 01:18:23,440

are they

1847

01:18:27,590 --> 01:18:25,040

like which ones are the main ones that

1848

01:18:30,630 --> 01:18:27,600

you are in contact the most

1849

01:18:32,950 --> 01:18:30,640

yes uh i i never asked them

1850

01:18:33,669 --> 01:18:32,960

what star system they were from i never

1851

01:18:36,390 --> 01:18:33,679

did

1852

01:18:37,990 --> 01:18:36,400

and it was very brief it was very brief

1853

01:18:41,270 --> 01:18:38,000

but it but it happened

1854

01:18:43,189 --> 01:18:41,280

uh the um

1855

01:18:44,550 --> 01:18:43,199

i've just never asked any of any of

1856

01:18:47,830 --> 01:18:44,560

those people

1857

01:18:48,950 --> 01:18:47,840

so i i really cannot honestly answer

1858

01:18:52,149 --> 01:18:48,960

your question

1859

01:18:55,270 --> 01:18:52,159

uh there are those beings from

1860

01:18:57,350 --> 01:18:55,280

the star systems pleiades and so on uh

1861

01:19:00,870 --> 01:18:57,360

arcturians that are here

1862

01:19:03,830 --> 01:19:00,880

uh uh if if i talk to them

1863

01:19:05,669 --> 01:19:03,840

uh or if i've encountered them i didn't

1864

01:19:06,950 --> 01:19:05,679

know that they were arcturians or

1865

01:19:07,750 --> 01:19:06,960

whatever i would have known if they're

1866

01:19:11,430 --> 01:19:07,760

pleiadians

1867

01:19:14,709 --> 01:19:11,440

because i'm i've seen uh

1868

01:19:18,470 --> 01:19:14,719

pictures or i should say uh sketches

1869

01:19:21,110 --> 01:19:18,480

that they're very human-like like us

1870

01:19:21,990 --> 01:19:21,120

so i cannot answer that particular

1871

01:19:26,149 --> 01:19:22,000

question sorry about

1872

01:19:28,390 --> 01:19:26,159

that okay uh so uh just real quick for

1873

01:19:30,149 --> 01:19:28,400

those still watching uh you can log in

1874

01:19:33,750 --> 01:19:30,159

to or download telegram

1875

01:19:35,510 --> 01:19:33,760

log into the ufo hub chat voice chat

1876

01:19:37,270 --> 01:19:35,520

and you'll be able to ask kawani a

1877

01:19:39,110 --> 01:19:37,280

question yourself otherwise

1878

01:19:40,470 --> 01:19:39,120

whether you're watching this on twitch

1879

01:19:42,950 --> 01:19:40,480

uh youtube

1880

01:19:43,990 --> 01:19:42,960

or facebook simply leave a comment with

1881

01:19:47,590 --> 01:19:44,000

three stars

1882

01:19:49,750 --> 01:19:47,600

beforehand that way i know you're

1883

01:19:51,510 --> 01:19:49,760

mean to ask a question for the guest so

1884

01:19:54,709 --> 01:19:51,520

kawani this one is from a

1885

01:19:59,189 --> 01:19:54,719

uh from kenny he's watching on youtube

1886

01:20:05,430 --> 01:20:02,390

yes yes the

1887

01:20:08,870 --> 01:20:05,440

they live hundreds of years i mean i

1888

01:20:13,110 --> 01:20:08,880

i i haven't pinned it down but

1889

01:20:16,070 --> 01:20:13,120

uh when they were made

1890

01:20:16,470 --> 01:20:16,080

or created bio-engineered that they

1891

01:20:18,950 --> 01:20:16,480

those

1892

01:20:21,030 --> 01:20:18,960

genes were there and for humans they

1893

01:20:24,790 --> 01:20:21,040

didn't put those genes in

1894

01:20:29,110 --> 01:20:24,800

uh so we live we don't live as long

1895

01:20:35,430 --> 01:20:32,550

that back in 2014

1896

01:20:37,430 --> 01:20:35,440

they took the et's took me several times

1897

01:20:40,470 --> 01:20:37,440

to restructure my dna

1898

01:20:43,430 --> 01:20:40,480

so i would live longer uh

1899

01:20:46,550 --> 01:20:43,440

i really uh don't have any wrinkles or

1900

01:20:50,070 --> 01:20:46,560

anything i'll be 78 real soon here

1901  
01:20:52,550 --> 01:20:50,080  
that i i don't have any wrinkles i have

1902  
01:20:53,990 --> 01:20:52,560  
lots of energy i i still hike and do

1903  
01:20:57,510 --> 01:20:54,000  
everything

1904  
01:21:00,470 --> 01:20:57,520  
so it's somehow affected me in a

1905  
01:21:02,629 --> 01:21:00,480  
positive way

1906  
01:21:03,750 --> 01:21:02,639  
uh the next question is also from

1907  
01:21:07,110 --> 01:21:03,760  
someone on youtube

1908  
01:21:10,229 --> 01:21:07,120  
uh c c j dam asks

1909  
01:21:13,110 --> 01:21:10,239  
what do the x structures mean

1910  
01:21:15,030 --> 01:21:13,120  
i don't know if that makes sense to you

1911  
01:21:16,149 --> 01:21:15,040  
uh i think they're talking about the

1912  
01:21:18,790 --> 01:21:16,159  
structures that

1913  
01:21:20,070 --> 01:21:18,800

people find in the forest of different

1914

01:21:23,750 --> 01:21:20,080

limbs that are

1915

01:21:26,629 --> 01:21:23,760

crossed and so on uh these

1916

01:21:28,550 --> 01:21:26,639

have to do with the ley lines i don't

1917

01:21:31,270 --> 01:21:28,560

understand that completely

1918

01:21:32,149 --> 01:21:31,280

but the one of the jobs of the sasquatch

1919

01:21:34,950 --> 01:21:32,159

people

1920

01:21:36,229 --> 01:21:34,960

and the ancient ones is to keep the

1921

01:21:39,110 --> 01:21:36,239

earth in balance

1922

01:21:39,910 --> 01:21:39,120

through the ley lines which are like

1923

01:21:43,270 --> 01:21:39,920

meridians

1924

01:21:45,510 --> 01:21:43,280

in a person's body because they say

1925

01:21:46,470 --> 01:21:45,520

mother earth is literally a living

1926

01:21:49,910 --> 01:21:46,480

planet

1927

01:21:51,270 --> 01:21:49,920

the the streams and and rivers and

1928

01:21:54,629 --> 01:21:51,280

everything are

1929

01:21:55,430 --> 01:21:54,639

are like our blood uh going through our

1930

01:21:57,669 --> 01:21:55,440

system

1931

01:21:58,470 --> 01:21:57,679

and we're polluting it now we're we've

1932

01:22:00,550 --> 01:21:58,480

destroyed

1933

01:22:02,950 --> 01:22:00,560

so much they said the planet is dying

1934

01:22:06,149 --> 01:22:02,960

now because of this

1935

01:22:10,229 --> 01:22:06,159

so uh

1936

01:22:13,110 --> 01:22:10,239

yeah that's that's it's sad

1937

01:22:14,550 --> 01:22:13,120

okay yeah those structures those

1938

01:22:18,550 --> 01:22:14,560

structures somehow

1939

01:22:22,550 --> 01:22:20,950

energetically and psychically that they

1940

01:22:24,629 --> 01:22:22,560

can tune right in

1941

01:22:25,750 --> 01:22:24,639

and they make these structures uh

1942

01:22:28,470 --> 01:22:25,760

they're not they look

1943

01:22:30,070 --> 01:22:28,480

sometimes like a lean-to or something

1944

01:22:30,790 --> 01:22:30,080

but wait a minute there's nothing it's

1945

01:22:35,990 --> 01:22:30,800

all open

1946

01:22:42,229 --> 01:22:39,669

it has to do with ley lines and working

1947

01:22:43,270 --> 01:22:42,239

with with the planet somehow to to keep

1948

01:22:45,830 --> 01:22:43,280

it stable

1949

01:22:46,950 --> 01:22:45,840

keep in mind there's all this the

1950

01:22:48,870 --> 01:22:46,960

nuclear bombs

1951

01:22:50,149 --> 01:22:48,880

and and all the stuff that we've done on

1952

01:22:52,310 --> 01:22:50,159

this planet to

1953

01:22:54,310 --> 01:22:52,320

throw everything off we've thrown the

1954

01:22:54,950 --> 01:22:54,320

magnetic field off we've done a lot of

1955

01:22:56,470 --> 01:22:54,960

stuff

1956

01:22:58,550 --> 01:22:56,480

the government's not telling people

1957

01:23:00,709 --> 01:22:58,560

about any of this stuff

1958

01:23:02,629 --> 01:23:00,719

some scientists are finding out but the

1959

01:23:04,709 --> 01:23:02,639

average person doesn't know and most

1960

01:23:06,310 --> 01:23:04,719

scientists don't even know

1961

01:23:07,750 --> 01:23:06,320

so there's a lot of things happening

1962

01:23:09,510 --> 01:23:07,760

behind the scenes that

1963

01:23:11,430 --> 01:23:09,520

a scientist would say oh no that's not

1964

01:23:13,110 --> 01:23:11,440

true you can't prove that

1965

01:23:14,629 --> 01:23:13,120

well guess what i'm really not out to

1966

01:23:17,990 --> 01:23:14,639

prove all this stuff

1967

01:23:21,189 --> 01:23:18,000

that i could help people tune in

1968

01:23:23,669 --> 01:23:21,199

and to locate them in their area to make

1969

01:23:25,430 --> 01:23:23,679

make contact

1970

01:23:27,750 --> 01:23:25,440

they can find out for themselves that

1971

01:23:31,990 --> 01:23:27,760

reality but

1972

01:23:34,470 --> 01:23:32,000

the to people that go out with guns

1973

01:23:35,110 --> 01:23:34,480

and all this other stuff i'm very upset

1974

01:23:38,070 --> 01:23:35,120

with

1975

01:23:39,430 --> 01:23:38,080

uh the governor of oklahoma and i've

1976

01:23:43,270 --> 01:23:39,440

done

1977

01:23:44,149 --> 01:23:43,280

see three times i did expeditions in

1978

01:23:46,950 --> 01:23:44,159

oklahoma

1979

01:23:48,550 --> 01:23:46,960

and it was super positive i mean every

1980

01:23:50,070 --> 01:23:48,560

night even during the day i'd have

1981

01:23:52,790 --> 01:23:50,080

experiences with them

1982

01:23:53,990 --> 01:23:52,800

all the time they'd like walk they'd

1983

01:23:57,030 --> 01:23:54,000

walk up to me

1984

01:23:57,910 --> 01:23:57,040

while they're invisible and and move

1985

01:24:01,110 --> 01:23:57,920

things around

1986

01:24:01,750 --> 01:24:01,120

and so forth and i sit on the porch of a

1987

01:24:04,390 --> 01:24:01,760

cabin

1988

01:24:05,510 --> 01:24:04,400

there in the kyamichi wilderness and and

1989

01:24:10,070 --> 01:24:05,520

and talk to them

1990

01:24:17,189 --> 01:24:13,110

they just put out a reward of three

1991

01:24:20,229 --> 01:24:17,199

million dollars to catch one alive

1992

01:24:22,229 --> 01:24:20,239

which is never going to happen but

1993

01:24:24,229 --> 01:24:22,239

that encourages people to go out with

1994

01:24:25,430 --> 01:24:24,239

guns and say well i got one anyway here

1995

01:24:29,189 --> 01:24:25,440

you know

1996

01:24:30,229 --> 01:24:29,199

so i i really you get this redneck

1997

01:24:32,310 --> 01:24:30,239

attitude

1998

01:24:33,910 --> 01:24:32,320

uh with people say oh yeah but they did

1999

01:24:37,189 --> 01:24:33,920

this and they did that

2000

01:24:40,229 --> 01:24:37,199

for example down uh

2001  
01:24:43,270 --> 01:24:40,239  
boggy creek for example that's a real uh

2002  
01:24:47,030 --> 01:24:43,280  
classic now of way back in this

2003  
01:24:49,990 --> 01:24:47,040  
in the seventies how these two couples

2004  
01:24:52,229 --> 01:24:50,000  
rented a place uh in the country and

2005  
01:24:54,870 --> 01:24:52,239  
they had rabbits and stuff there

2006  
01:24:56,550 --> 01:24:54,880  
and sasquatch started coming around

2007  
01:24:58,790 --> 01:24:56,560  
where they grabbed the gun

2008  
01:25:00,070 --> 01:24:58,800  
and went out and the sasquatch turned

2009  
01:25:02,870 --> 01:25:00,080  
around and stood there looking at him

2010  
01:25:05,030 --> 01:25:02,880  
and they fired and wounded it

2011  
01:25:06,950 --> 01:25:05,040  
wait a minute is that how to welcome

2012  
01:25:08,950 --> 01:25:06,960  
people or how to treat

2013  
01:25:10,390 --> 01:25:08,960

other beings just because it has hair it

2014

01:25:14,390 --> 01:25:10,400

looks different than us

2015

01:25:16,390 --> 01:25:14,400

because it's a giant well the next night

2016

01:25:17,750 --> 01:25:16,400

uh or the next day i guess they went out

2017

01:25:19,590 --> 01:25:17,760

to feed the rabbits and they were all

2018

01:25:23,669 --> 01:25:19,600

torn to pieces

2019

01:25:24,550 --> 01:25:23,679

it perturbed this sasquatch so now all

2020

01:25:27,669 --> 01:25:24,560

of a sudden

2021

01:25:29,030 --> 01:25:27,679

oh sasquatches are are evil all

2022

01:25:30,870 --> 01:25:29,040

sasquatches

2023

01:25:32,310 --> 01:25:30,880

are dangerous look they're tearing up

2024

01:25:34,070 --> 01:25:32,320

and they they're coming around our house

2025

01:25:36,229 --> 01:25:34,080

look what they did the rabbits

2026

01:25:37,590 --> 01:25:36,239

no they don't mention what they did to

2027

01:25:40,390 --> 01:25:37,600

the sasquatch

2028

01:25:42,229 --> 01:25:40,400

so a lot of people will tell you stories

2029

01:25:44,629 --> 01:25:42,239

about how aggressive they are

2030

01:25:46,709 --> 01:25:44,639

but it's the person that's aggressive

2031

01:25:48,470 --> 01:25:46,719

this is a mirror whatever you do you're

2032

01:25:51,189 --> 01:25:48,480

going to get back

2033

01:25:52,790 --> 01:25:51,199

so you walk in unconditional love and

2034

01:25:55,910 --> 01:25:52,800

trust

2035

01:26:00,070 --> 01:25:55,920

and they will feel that they will know

2036

01:26:03,110 --> 01:26:00,080

and they you know uh if you get my books

2037

01:26:04,390 --> 01:26:03,120

they there's so much material there if

2038

01:26:05,510 --> 01:26:04,400

people are really interested in

2039

01:26:09,350 --> 01:26:05,520

connecting

2040

01:26:11,350 --> 01:26:09,360

uh again especially in my latest book

2041

01:26:13,189 --> 01:26:11,360

uh the sasquatch people and their

2042

01:26:16,030 --> 01:26:13,199

interdimensional connection

2043

01:26:17,590 --> 01:26:16,040

uh that they can get by going to

2044

01:26:20,790 --> 01:26:17,600

sasquatchpeople.com

2045

01:26:23,830 --> 01:26:20,800

but it explains a lot of this stuff so

2046

01:26:25,189 --> 01:26:23,840

people start to understand and not be

2047

01:26:28,390 --> 01:26:25,199

fearful

2048

01:26:29,430 --> 01:26:28,400

uh you know the mainstream researchers

2049

01:26:31,830 --> 01:26:29,440

are shocked

2050

01:26:33,510 --> 01:26:31,840

that i go out by myself no gun and no

2051

01:26:36,790 --> 01:26:33,520

camera

2052

01:26:38,629 --> 01:26:36,800

well why not they go in groups uh

2053

01:26:39,830 --> 01:26:38,639

and so they see nothing because they've

2054

01:26:42,790 --> 01:26:39,840

got cameras

2055

01:26:43,189 --> 01:26:42,800

and which sasquatch don't want pictures

2056

01:26:48,470 --> 01:26:43,199

uh

2057

01:26:51,590 --> 01:26:48,480

want anything to do with these

2058

01:26:53,669 --> 01:26:51,600

these uh ignorant people right

2059

01:26:55,189 --> 01:26:53,679

that are that thinking that think in

2060

01:26:58,790 --> 01:26:55,199

terms of violence

2061

01:27:01,750 --> 01:26:58,800

so that's i'll leave it at that but

2062

01:27:03,990 --> 01:27:01,760

that that's why they're unsuccessful and

2063

01:27:06,229 --> 01:27:04,000

why they kind of poke fun at me

2064

01:27:07,669 --> 01:27:06,239

uh part of the woo-woo research thing

2065

01:27:09,030 --> 01:27:07,679

well they can say whatever they want

2066

01:27:12,310 --> 01:27:09,040

while i'm enjoying

2067

01:27:15,430 --> 01:27:12,320

the camaraderie of the sasquatch people

2068

01:27:16,470 --> 01:27:15,440

and plus uh how many times have they

2069

01:27:20,390 --> 01:27:16,480

helped me it was just

2070

01:27:23,830 --> 01:27:20,400

unreal when uh five years ago

2071

01:27:26,950 --> 01:27:23,840

when my son i believe he was

2072

01:27:30,709 --> 01:27:26,960

five and a half or six years old

2073

01:27:32,470 --> 01:27:30,719

my wife at the time just made some tea

2074

01:27:33,990 --> 01:27:32,480

in the kitchen and when he came in with

2075

01:27:36,229 --> 01:27:34,000

toys she said don't

2076

01:27:37,510 --> 01:27:36,239

stay away from this here don't put your

2077

01:27:40,709 --> 01:27:37,520

toys up here

2078

01:27:43,910 --> 01:27:40,719

uh this is still very very hot this

2079

01:27:45,430 --> 01:27:43,920

plate so to challenge her he laid he

2080

01:27:46,070 --> 01:27:45,440

didn't just trying to touch it a little

2081

01:27:48,550 --> 01:27:46,080

bit he

2082

01:27:50,550 --> 01:27:48,560

literally laid his hand right on it just

2083

01:27:52,629 --> 01:27:50,560

to challenge her authority

2084

01:27:54,470 --> 01:27:52,639

he went screaming through the living

2085

01:27:58,070 --> 01:27:54,480

room holding on to his hand

2086

01:28:00,709 --> 01:27:58,080

running in circles i mean i almost

2087

01:28:02,310 --> 01:28:00,719

started to cry because i couldn't get a

2088

01:28:04,310 --> 01:28:02,320

handle on helping him

2089

01:28:07,270 --> 01:28:04,320

skin was hanging down from the tips of

2090

01:28:10,629 --> 01:28:07,280

his fingers this was serious stuff

2091

01:28:14,390 --> 01:28:10,639

so i quickly ran in the kitchen uh put

2092

01:28:17,669 --> 01:28:14,400

some ice in a ziploc bag

2093

01:28:18,229 --> 01:28:17,679

and sat him down he was still running in

2094

01:28:20,550 --> 01:28:18,239

circles

2095

01:28:23,350 --> 01:28:20,560

screaming i sat him down as soon as his

2096

01:28:26,629 --> 01:28:23,360

hand went on the ice i could see his

2097

01:28:27,510 --> 01:28:26,639

relief and so we got the pain under

2098

01:28:31,270 --> 01:28:27,520

control

2099

01:28:33,669 --> 01:28:31,280

my wife put uh antibiotic cream on it

2100

01:28:34,870 --> 01:28:33,679

and wrapped it in gauze and we put him

2101  
01:28:37,590 --> 01:28:34,880  
to bed

2102  
01:28:39,270 --> 01:28:37,600  
uh i said to her well he won't be going

2103  
01:28:40,149 --> 01:28:39,280  
to kindergarten he won't be going to

2104  
01:28:42,470 --> 01:28:40,159  
school

2105  
01:28:44,629 --> 01:28:42,480  
for quite a while because he's always

2106  
01:28:47,510 --> 01:28:44,639  
playing in the dirt and on the floor

2107  
01:28:48,149 --> 01:28:47,520  
and i said he could get infected easily

2108  
01:28:51,189 --> 01:28:48,159  
this is

2109  
01:28:53,910 --> 01:28:51,199  
really a very serious burn

2110  
01:28:55,030 --> 01:28:53,920  
and uh we'll take him to the doctor

2111  
01:28:57,669 --> 01:28:55,040  
first thing in the morning

2112  
01:28:58,870 --> 01:28:57,679  
and she agreed well when i went to bed

2113  
01:29:01,430 --> 01:28:58,880

that night

2114

01:29:02,470 --> 01:29:01,440

i telepath to the sasquatch people and

2115

01:29:04,950 --> 01:29:02,480

asked for help

2116

01:29:07,110 --> 01:29:04,960

if they would heal him but i meant you

2117

01:29:10,709 --> 01:29:07,120

know to take away the pain

2118

01:29:12,229 --> 01:29:10,719

you know i i mean pay when you get skin

2119

01:29:15,270 --> 01:29:12,239

hanging off of you from a burn

2120

01:29:18,310 --> 01:29:15,280

this is this is this is serious

2121

01:29:19,750 --> 01:29:18,320

well i fell asleep after that and this

2122

01:29:22,790 --> 01:29:19,760

is what i remember

2123

01:29:24,229 --> 01:29:22,800

when i woke up i was facing the wall and

2124

01:29:27,510 --> 01:29:24,239

my wife said

2125

01:29:29,030 --> 01:29:27,520

to my son who was you couldn't get him

2126

01:29:30,629 --> 01:29:29,040

up for school you had to go in about

2127

01:29:32,229 --> 01:29:30,639

three times all the time to

2128

01:29:34,470 --> 01:29:32,239

get him up to go to school well of

2129

01:29:36,830 --> 01:29:34,480

course he wasn't going to go to school

2130

01:29:38,070 --> 01:29:36,840

but she said to him what are you doing

2131

01:29:39,510 --> 01:29:38,080

up

2132

01:29:41,270 --> 01:29:39,520

and she said i'm getting ready for

2133

01:29:42,870 --> 01:29:41,280

school she said no you're not we're

2134

01:29:44,550 --> 01:29:42,880

going to take you to the doc

2135

01:29:47,030 --> 01:29:44,560

and that's as far as she got to say

2136

01:29:49,910 --> 01:29:47,040

doctor she said what did you do with the

2137

01:29:51,510 --> 01:29:49,920

with your bandages and he said well

2138

01:29:52,149 --> 01:29:51,520

there's nothing there i took him off

2139

01:29:54,470 --> 01:29:52,159

look

2140

01:29:57,590 --> 01:29:54,480

and he's whacking his fingertips and i

2141

01:30:00,229 --> 01:29:57,600

rolled over and said don't do that no

2142

01:30:01,669 --> 01:30:00,239

but there's nothing there as if it never

2143

01:30:04,390 --> 01:30:01,679

happened

2144

01:30:05,350 --> 01:30:04,400

wait a minute does this sound sci-fi it

2145

01:30:08,070 --> 01:30:05,360

really happened

2146

01:30:10,149 --> 01:30:08,080

it really truly happened this is how

2147

01:30:12,870 --> 01:30:10,159

powerful these beings are

2148

01:30:14,390 --> 01:30:12,880

and they want to help us but they the

2149

01:30:17,430 --> 01:30:14,400

18s don't want to give

2150

01:30:19,350 --> 01:30:17,440

healing technology

2151

01:30:20,470 --> 01:30:19,360

to us because we'll turn it into a

2152

01:30:22,790 --> 01:30:20,480

weapon

2153

01:30:24,390 --> 01:30:22,800

of some type because they know we're

2154

01:30:27,669 --> 01:30:24,400

still too immature

2155

01:30:30,870 --> 01:30:27,679

we're not evolved enough we're still

2156

01:30:33,830 --> 01:30:30,880

you know playing the game of of uh

2157

01:30:36,229 --> 01:30:33,840

you hit me i'll hit you rather than to

2158

01:30:39,750 --> 01:30:36,239

stop all this stuff into

2159

01:30:42,149 --> 01:30:39,760

on a world level and try to uh

2160

01:30:43,910 --> 01:30:42,159

have a friendly relationship without all

2161

01:30:46,629 --> 01:30:43,920

this stuff which is

2162

01:30:48,070 --> 01:30:46,639

now it's difficult you know and it's

2163

01:30:51,270 --> 01:30:48,080

it's crazy out there now

2164

01:30:54,709 --> 01:30:51,280

it's a crazy world it's sad it's

2165

01:30:57,590 --> 01:30:54,719

it is dangerous okay

2166

01:30:58,229 --> 01:30:57,600

uh any other questions yes i do i have a

2167

01:31:02,470 --> 01:30:58,239

question

2168

01:31:04,790 --> 01:31:02,480

uh from glp he's on on telegram

2169

01:31:07,590 --> 01:31:04,800

so please unmute yourself and you'll be

2170

01:31:10,629 --> 01:31:07,600

able to ask a question

2171

01:31:11,510 --> 01:31:10,639

hi yes this is very interesting um i had

2172

01:31:14,790 --> 01:31:11,520

a question

2173

01:31:17,990 --> 01:31:14,800

do do they ever make appearances

2174

01:31:19,189 --> 01:31:18,000

in urban areas or is it only kind of out

2175

01:31:21,510 --> 01:31:19,199

in the woods

2176  
01:31:23,270 --> 01:31:21,520  
and another question is i've had friends

2177  
01:31:25,510 --> 01:31:23,280  
help me

2178  
01:31:27,030 --> 01:31:25,520  
i've had friends tell me they've seen

2179  
01:31:29,189 --> 01:31:27,040  
little orbs

2180  
01:31:30,310 --> 01:31:29,199  
maybe in the woods or remote areas is

2181  
01:31:32,870 --> 01:31:30,320  
that maybe related

2182  
01:31:33,830 --> 01:31:32,880  
to sasquatch thanks thank you for your

2183  
01:31:36,149 --> 01:31:33,840  
question okay

2184  
01:31:36,950 --> 01:31:36,159  
yes well you thank you yes i'll answer

2185  
01:31:39,750 --> 01:31:36,960  
that question

2186  
01:31:41,669 --> 01:31:39,760  
first of all they do go into urban areas

2187  
01:31:44,149 --> 01:31:41,679  
they can stay invisible

2188  
01:31:45,270 --> 01:31:44,159

and sometimes they go in at night when

2189

01:31:47,350 --> 01:31:45,280

people are sleeping

2190

01:31:49,110 --> 01:31:47,360

and they can avoid if a car went by they

2191

01:31:52,950 --> 01:31:49,120

can de-materialize

2192

01:31:53,270 --> 01:31:52,960

uh and uh and then materialize again and

2193

01:31:56,870 --> 01:31:53,280

look

2194

01:32:01,350 --> 01:31:56,880

check the neighborhood out uh

2195

01:32:04,629 --> 01:32:01,360

the uh back in 1986

2196

01:32:07,750 --> 01:32:04,639

uh in a suburb of seattle

2197

01:32:11,030 --> 01:32:07,760

and this was in the newspaper uh that

2198

01:32:13,350 --> 01:32:11,040

a elderly woman had a little dog one of

2199

01:32:16,229 --> 01:32:13,360

these little squeaky dogs

2200

01:32:16,870 --> 01:32:16,239

and living in her home and she had a

2201

01:32:19,990 --> 01:32:16,880

deck

2202

01:32:22,790 --> 01:32:20,000

and a sliding glass uh door there

2203

01:32:23,510 --> 01:32:22,800

and and so on but she had the curtains

2204

01:32:26,390 --> 01:32:23,520

over it

2205

01:32:27,110 --> 01:32:26,400

and the dog all of a sudden went berserk

2206

01:32:30,070 --> 01:32:27,120

and

2207

01:32:31,270 --> 01:32:30,080

went there you know barking at the door

2208

01:32:33,430 --> 01:32:31,280

so she

2209

01:32:35,910 --> 01:32:33,440

moved the curtains and there was a

2210

01:32:37,750 --> 01:32:35,920

sasquatch standing there on the deck

2211

01:32:39,270 --> 01:32:37,760

and she was shocked by this and it just

2212

01:32:41,030 --> 01:32:39,280

stood there looking at her

2213

01:32:43,990 --> 01:32:41,040

and all of a sudden she reached up with

2214

01:32:46,070 --> 01:32:44,000

her fist and shook her fist at it

2215

01:32:47,030 --> 01:32:46,080

and he turned to walk away and he looked

2216

01:32:51,189 --> 01:32:47,040

back at her

2217

01:32:54,229 --> 01:32:51,199

[Laughter]

2218

01:32:55,910 --> 01:32:54,239

so you know gonna stop that you know

2219

01:32:56,709 --> 01:32:55,920

don't shake your fist at me i didn't do

2220

01:32:59,430 --> 01:32:56,719

nothing

2221

01:33:01,110 --> 01:32:59,440

kind of thing uh yeah there's many

2222

01:33:04,149 --> 01:33:01,120

different areas now

2223

01:33:07,189 --> 01:33:04,159

i when i i live in the wilderness now

2224

01:33:10,070 --> 01:33:07,199

uh it's very wild here this

2225

01:33:11,990 --> 01:33:10,080

mountain lion all my people in this area

2226

01:33:14,950 --> 01:33:12,000

have seen lots of mountain lion elk

2227

01:33:17,110 --> 01:33:14,960

moose uh someone shot a 700 pound moose

2228

01:33:19,270 --> 01:33:17,120

in back in my place last fall

2229

01:33:21,669 --> 01:33:19,280

uh there's bear there's the black bear

2230

01:33:24,950 --> 01:33:21,679

there's grizzly bear here

2231

01:33:27,830 --> 01:33:24,960

so uh and there's uh 23

2232

01:33:28,310 --> 01:33:27,840

packs of wolves in the area and so forth

2233

01:33:30,629 --> 01:33:28,320

so it's

2234

01:33:33,030 --> 01:33:30,639

it's it's quite wild but when i first

2235

01:33:36,149 --> 01:33:33,040

moved here the little town of chihuilla

2236

01:33:37,750 --> 01:33:36,159

uh has 2600 people and uh

2237

01:33:39,590 --> 01:33:37,760

it's just a tiny town but that's the

2238

01:33:42,950 --> 01:33:39,600

only place i could find

2239

01:33:44,550 --> 01:33:42,960

to uh at the time moving from the

2240

01:33:47,750 --> 01:33:44,560

seattle area

2241

01:33:51,350 --> 01:33:47,760

so uh

2242

01:33:52,070 --> 01:33:51,360

as soon as uh about a week after moving

2243

01:33:55,430 --> 01:33:52,080

in

2244

01:33:58,470 --> 01:33:55,440

the et's came and built a

2245

01:34:02,310 --> 01:33:58,480

created a portal in the backyard

2246

01:34:05,510 --> 01:34:02,320

about 20 feet uh 20 25 feet

2247

01:34:07,910 --> 01:34:05,520

from my back door and this was all

2248

01:34:09,590 --> 01:34:07,920

fenced in okay and it was a wooden fence

2249

01:34:13,189 --> 01:34:09,600

so you couldn't see in

2250

01:34:14,550 --> 01:34:13,199

they made a a they told us they were

2251

01:34:17,030 --> 01:34:14,560

making a portal

2252

01:34:18,070 --> 01:34:17,040

and so the sasquatch would be there all

2253

01:34:21,990 --> 01:34:18,080

the time to

2254

01:34:24,229 --> 01:34:22,000

come in and out and help us so uh

2255

01:34:25,110 --> 01:34:24,239

they were there frequently i mean like

2256

01:34:28,790 --> 01:34:25,120

here they're

2257

01:34:32,070 --> 01:34:28,800

on a daily basis they visit me uh

2258

01:34:35,350 --> 01:34:32,080

now somebody said that us one

2259

01:34:38,229 --> 01:34:35,360

street over from us that some teenager

2260

01:34:38,950 --> 01:34:38,239

looked out the window at uh one o'clock

2261

01:34:42,390 --> 01:34:38,960

in the morning

2262

01:34:45,910 --> 01:34:42,400

for whatever reason he was up and saw

2263

01:34:47,430 --> 01:34:45,920

a 12-foot sasquatch standing in the road

2264

01:34:49,910 --> 01:34:47,440

and this was right behind

2265

01:34:51,109 --> 01:34:49,920

my house at the time and i chuckled i

2266

01:34:52,310 --> 01:34:51,119

said well they stepped through the

2267

01:34:53,750 --> 01:34:52,320

portal and they want to

2268

01:34:57,109 --> 01:34:53,760

kind of roam the neighborhood a little

2269

01:35:00,229 --> 01:34:57,119

bit we're right at the edge of the

2270

01:35:02,229 --> 01:35:00,239

the town anyway but there are no forest

2271

01:35:03,990 --> 01:35:02,239

this area is not forested or anything

2272

01:35:07,030 --> 01:35:04,000

it's in a valley

2273

01:35:10,229 --> 01:35:07,040

so they do that okay plus

2274

01:35:13,790 --> 01:35:10,239

the orbs this is part of what they do

2275

01:35:16,550 --> 01:35:13,800

uh at the conference uh in 2

2276

01:35:20,709 --> 01:35:16,560

2019 there's a man

2277

01:35:24,070 --> 01:35:20,719

that comes every year to our conference

2278

01:35:27,109 --> 01:35:24,080

to my conference and had

2279

01:35:29,030 --> 01:35:27,119

taken all kinds of pictures so

2280

01:35:31,590 --> 01:35:29,040

he started taking pictures in different

2281

01:35:34,790 --> 01:35:31,600

areas where he could hear a sasquatch

2282

01:35:37,030 --> 01:35:34,800

and there were all these orbs uh in his

2283

01:35:38,070 --> 01:35:37,040

immediately he could look and see them

2284

01:35:41,590 --> 01:35:38,080

so uh

2285

01:35:42,950 --> 01:35:41,600

he uh got a group of people

2286

01:35:44,950 --> 01:35:42,960

this is right on the campus the

2287

01:35:48,629 --> 01:35:44,960

wilderness campus up in that

2288

01:35:49,910 --> 01:35:48,639

3 500 feet and he and it's all wooded

2289

01:35:52,470 --> 01:35:49,920

and it's very wild

2290

01:35:54,070 --> 01:35:52,480

people see mountain lion and wolves and

2291

01:35:57,830 --> 01:35:54,080

moose and everything there

2292

01:36:00,550 --> 01:35:57,840

and they uh

2293

01:36:01,430 --> 01:36:00,560

those people some of the people were in

2294

01:36:03,669 --> 01:36:01,440

motels

2295

01:36:05,750 --> 01:36:03,679

here some were camped out some were in

2296

01:36:07,430 --> 01:36:05,760

the the dormitory

2297

01:36:09,109 --> 01:36:07,440

and those that were camping out would

2298

01:36:11,910 --> 01:36:09,119

always gather and

2299

01:36:12,550 --> 01:36:11,920

around at night and talk and so forth

2300

01:36:13,990 --> 01:36:12,560

and

2301  
01:36:16,229 --> 01:36:14,000  
so he got a group of these people

2302  
01:36:19,669 --> 01:36:16,239  
together and said uh

2303  
01:36:23,270 --> 01:36:19,679  
let's all telepath together uh

2304  
01:36:27,030 --> 01:36:23,280  
think of the sasquatch and ask them to

2305  
01:36:29,030 --> 01:36:27,040  
uh come to us with through orbs

2306  
01:36:30,550 --> 01:36:29,040  
and so they did this for 10 minutes and

2307  
01:36:33,990 --> 01:36:30,560  
it was you know

2308  
01:36:35,910 --> 01:36:34,000  
a group of about 10 people so before he

2309  
01:36:38,390 --> 01:36:35,920  
did that though he took a picture

2310  
01:36:39,350 --> 01:36:38,400  
of this open area that led into the

2311  
01:36:41,189 --> 01:36:39,360  
woods

2312  
01:36:44,229 --> 01:36:41,199  
uh where the sasquatch had been seen

2313  
01:36:48,070 --> 01:36:44,239

before and he had three orbs there

2314

01:36:49,109 --> 01:36:48,080

three orbs then after 10 minutes of all

2315

01:36:52,149 --> 01:36:49,119

these people

2316

01:36:55,189 --> 01:36:52,159

telepathic to the sasquatch which

2317

01:36:56,310 --> 01:36:55,199

incidentally the sasquatch come from all

2318

01:36:58,790 --> 01:36:56,320

around

2319

01:36:59,510 --> 01:36:58,800

uh from everywhere to attend the

2320

01:37:02,950 --> 01:36:59,520

conference

2321

01:37:04,229 --> 01:37:02,960

to give support there's a few hundred of

2322

01:37:06,790 --> 01:37:04,239

them there

2323

01:37:08,470 --> 01:37:06,800

so uh and they get to meet some of their

2324

01:37:09,750 --> 01:37:08,480

old friends and stuff too i mean there

2325

01:37:12,550 --> 01:37:09,760

are people

2326

01:37:13,830 --> 01:37:12,560

so after 10 minutes of telepathic he

2327

01:37:15,830 --> 01:37:13,840

took another picture

2328

01:37:16,870 --> 01:37:15,840

of that area and it looked like a

2329

01:37:22,550 --> 01:37:16,880

blizzard

2330

01:37:24,070 --> 01:37:22,560

see the trees anymore hardly there are

2331

01:37:27,270 --> 01:37:24,080

so many orbs

2332

01:37:28,149 --> 01:37:27,280

they're all forms that the sasquatch can

2333

01:37:35,030 --> 01:37:28,159

take

2334

01:37:38,790 --> 01:37:35,040

some uh discarnate

2335

01:37:42,070 --> 01:37:38,800

entities uh can take that form as well

2336

01:37:45,109 --> 01:37:42,080

it's it's a some kind of a dimensional

2337

01:37:47,910 --> 01:37:45,119

area or vibrational form that people

2338

01:37:49,590 --> 01:37:47,920

that different beings can can tap into

2339

01:37:54,950 --> 01:37:49,600

and can take apparently

2340

01:37:58,629 --> 01:37:57,750

okay more questions please yes i have a

2341

01:38:01,189 --> 01:37:58,639

question from

2342

01:38:02,870 --> 01:38:01,199

hazel and um i just want to note that

2343

01:38:04,470 --> 01:38:02,880

she's actually from spain

2344

01:38:05,910 --> 01:38:04,480

and i don't know how she's still up

2345

01:38:07,830 --> 01:38:05,920

right now but anyway

2346

01:38:09,830 --> 01:38:07,840

her question is uh can you ask your

2347

01:38:11,750 --> 01:38:09,840

guest please how does he

2348

01:38:13,350 --> 01:38:11,760

go about asking for contact i know we

2349

01:38:16,870 --> 01:38:13,360

might have covered this earlier maybe if

2350

01:38:20,229 --> 01:38:16,880

you want to reiterate again

2351

01:38:23,510 --> 01:38:20,239

uh well of course i just

2352

01:38:26,229 --> 01:38:23,520

telepath and like today i was uh

2353

01:38:27,830 --> 01:38:26,239

making breakfast and they were here and

2354

01:38:29,189 --> 01:38:27,840

i thanked them for being here for

2355

01:38:31,430 --> 01:38:29,199

visiting me and

2356

01:38:33,830 --> 01:38:31,440

and i went about my day you know i don't

2357

01:38:37,109 --> 01:38:33,840

this happens all the time for

2358

01:38:39,189 --> 01:38:37,119

for 42 years so you know it's it's

2359

01:38:40,950 --> 01:38:39,199

just i'm casual about it you know i

2360

01:38:45,430 --> 01:38:40,960

don't make a big deal of it

2361

01:38:48,550 --> 01:38:45,440

uh but uh if she contacted me

2362

01:38:54,149 --> 01:38:48,560

they are in the pyrenees mountains

2363

01:38:57,990 --> 01:38:54,159

uh there are uh the french i already

2364

01:39:01,830 --> 01:38:58,000

somebody sent me maps of the pyrenees

2365

01:39:02,629 --> 01:39:01,840

uh about two years ago and i told him

2366

01:39:05,669 --> 01:39:02,639

where

2367

01:39:07,430 --> 01:39:05,679

was sasquatch

2368

01:39:09,510 --> 01:39:07,440

and he went there and he had an

2369

01:39:12,790 --> 01:39:09,520

experience immediately

2370

01:39:15,189 --> 01:39:12,800

uh so uh

2371

01:39:16,790 --> 01:39:15,199

historically if you check on it they are

2372

01:39:17,910 --> 01:39:16,800

there and up in the mountains so if she

2373

01:39:20,229 --> 01:39:17,920

goes north

2374

01:39:20,950 --> 01:39:20,239

or wants me to help her she can contact

2375

01:39:24,870 --> 01:39:20,960

me

2376

01:39:27,430 --> 01:39:24,880

maps and so on but i would teach her

2377

01:39:28,470 --> 01:39:27,440

how to do all this stuff this is what a

2378

01:39:31,510 --> 01:39:28,480

part of what i do

2379

01:39:33,990 --> 01:39:31,520

they want to find the right people they

2380

01:39:36,229 --> 01:39:34,000

don't want curiosity seekers

2381

01:39:37,830 --> 01:39:36,239

and they don't want scientists because

2382

01:39:40,390 --> 01:39:37,840

scientists want proof

2383

01:39:42,950 --> 01:39:40,400

which means they want a body so they

2384

01:39:45,510 --> 01:39:42,960

stay away from that kind of energy

2385

01:39:46,709 --> 01:39:45,520

so but people who want to help the

2386

01:39:49,669 --> 01:39:46,719

planet

2387

01:39:51,030 --> 01:39:49,679

uh i tell people what what do you want

2388

01:39:52,629 --> 01:39:51,040

to do what are you doing now for the

2389

01:39:55,990 --> 01:39:52,639

planet

2390

01:39:58,550 --> 01:39:56,000

have you joined any organizations uh uh

2391

01:40:00,790 --> 01:39:58,560

are you planting trees uh so we'd have

2392

01:40:02,870 --> 01:40:00,800

more oxygen to the planet and so on

2393

01:40:03,990 --> 01:40:02,880

what are you doing and if you are

2394

01:40:06,790 --> 01:40:04,000

sincere

2395

01:40:07,430 --> 01:40:06,800

in wanting to help in some way then

2396

01:40:11,030 --> 01:40:07,440

because these

2397

01:40:13,109 --> 01:40:11,040

these beings these forest people are

2398

01:40:15,350 --> 01:40:13,119

the ultimate environmentalists kind of

2399

01:40:18,149 --> 01:40:15,360

thing they blend with nature

2400

01:40:19,270 --> 01:40:18,159

they can go inside of a tree a solid

2401

01:40:20,870 --> 01:40:19,280

tree

2402

01:40:22,310 --> 01:40:20,880

and still see you because they're in

2403

01:40:24,149 --> 01:40:22,320

another dimension

2404

01:40:26,709 --> 01:40:24,159

they can walk through your door through

2405

01:40:29,750 --> 01:40:26,719

walls easily

2406

01:40:30,950 --> 01:40:29,760

this is again this all sounds sci-fi but

2407

01:40:33,590 --> 01:40:30,960

it's not

2408

01:40:34,310 --> 01:40:33,600

so they do want to connect with more

2409

01:40:36,950 --> 01:40:34,320

people and

2410

01:40:39,510 --> 01:40:36,960

and if she's a spiritual person and

2411

01:40:43,950 --> 01:40:39,520

wants to learn more she can contact me

2412

01:40:47,030 --> 01:40:43,960

at uh sasquatch people

2413

01:40:48,390 --> 01:40:47,040

hotmail.com uh and

2414

01:40:50,070 --> 01:40:48,400  
in fact anyone if they have more

2415

01:40:51,590 --> 01:40:50,080  
questions and stuff

2416

01:40:54,390 --> 01:40:51,600  
i'm having computer problems at the

2417

01:40:57,030 --> 01:40:54,400  
moment so be patient with me until i

2418

01:40:58,870 --> 01:40:57,040  
i get this get back online and

2419

01:41:00,950 --> 01:40:58,880  
everything

2420

01:41:02,310 --> 01:41:00,960  
for those still watching i will add the

2421

01:41:04,709 --> 01:41:02,320  
phone number and

2422

01:41:06,629 --> 01:41:04,719  
the emails and uh below the video

2423

01:41:08,709 --> 01:41:06,639  
there's the website there right now but

2424

01:41:09,910 --> 01:41:08,719  
will be added as soon as we're done here

2425

01:41:12,310 --> 01:41:09,920  
just wanted to okay

2426

01:41:13,189 --> 01:41:12,320

good thank you yes yeah have your

2427

01:41:15,189 --> 01:41:13,199

website there i

2428

01:41:16,790 --> 01:41:15,199

didn't mention it earlier yeah well

2429

01:41:20,550 --> 01:41:16,800

there's a question coming through

2430

01:41:21,990 --> 01:41:20,560

on on telegram from uh kenny

2431

01:41:28,149 --> 01:41:22,000

can you go ahead and mute yourself and

2432

01:41:34,390 --> 01:41:31,990

hello yes go ahead kenny hello yes

2433

01:41:36,390 --> 01:41:34,400

questions oh i just say uh it's an hour

2434

01:41:38,149 --> 01:41:36,400

it's an honor to meet you

2435

01:41:39,669 --> 01:41:38,159

and i have two questions hopefully you

2436

01:41:43,669 --> 01:41:39,679

can answer them both

2437

01:41:49,350 --> 01:41:45,430

have you physically talked to a

2438

01:41:53,750 --> 01:41:52,550

to who to a rover right

2439

01:41:56,390 --> 01:41:53,760

and go ahead what is your second

2440

01:41:58,070 --> 01:41:56,400

question please and the second question

2441

01:42:01,109 --> 01:41:58,080

is

2442

01:42:02,310 --> 01:42:01,119

um since the pandemic are you more able

2443

01:42:04,310 --> 01:42:02,320

to telepath

2444

01:42:05,669 --> 01:42:04,320

telepathically talk to people because of

2445

01:42:11,350 --> 01:42:05,679

the mask

2446

01:42:15,669 --> 01:42:14,390

okay look oh

2447

01:42:17,430 --> 01:42:15,679

what i'm trying to say is that when

2448

01:42:19,030 --> 01:42:17,440

people have the mask on right

2449

01:42:20,550 --> 01:42:19,040

and you're thinking right you're

2450

01:42:23,109 --> 01:42:20,560

thinking out loud

2451

01:42:24,229 --> 01:42:23,119

but you see the other person stare at

2452

01:42:27,510 --> 01:42:24,239

you as if they

2453

01:42:28,149 --> 01:42:27,520

know what you're saying have you ever

2454

01:42:32,870 --> 01:42:28,159

have you

2455

01:42:35,990 --> 01:42:32,880

it more easily to contact

2456

01:42:37,350 --> 01:42:36,000

telepathically like that because

2457

01:42:38,950 --> 01:42:37,360

we'll get to the questions then i'm

2458

01:42:39,510 --> 01:42:38,960

going to have to meet you but we'll so

2459

01:42:41,510 --> 01:42:39,520

uh

2460

01:42:42,629 --> 01:42:41,520

did the first one if you do you want to

2461

01:42:47,030 --> 01:42:42,639

start out with that one

2462

01:42:51,189 --> 01:42:47,040

um yeah did i talk to aliens

2463

01:42:55,270 --> 01:42:51,199

uh yes uh a lot of them just appeared

2464

01:42:58,550 --> 01:42:55,280

and and uh stood there uh some of them

2465

01:43:02,550 --> 01:43:01,350

it's just it was very basic they weren't

2466

01:43:05,590 --> 01:43:02,560

trying to

2467

01:43:06,149 --> 01:43:05,600

they were just having me familiarize and

2468

01:43:10,629 --> 01:43:06,159

be

2469

01:43:13,590 --> 01:43:10,639

they're interdimensional

2470

01:43:15,270 --> 01:43:13,600

so some of them uh came down from

2471

01:43:18,470 --> 01:43:15,280

spaceships

2472

01:43:19,910 --> 01:43:18,480

directly uh and just just like

2473

01:43:22,149 --> 01:43:19,920

it's really interesting because just

2474

01:43:25,590 --> 01:43:22,159

like star trek how they can

2475

01:43:27,189 --> 01:43:25,600

be teleported down uh they've teleported

2476

01:43:28,629 --> 01:43:27,199

in front of me before i heard him

2477

01:43:31,189 --> 01:43:28,639

walking behind me

2478

01:43:33,030 --> 01:43:31,199

and i kept uh turning around when i

2479

01:43:33,669 --> 01:43:33,040

stopped in the forest they would stop

2480

01:43:36,390 --> 01:43:33,679

when i

2481

01:43:38,229 --> 01:43:36,400

walked they would walk and i asked them

2482

01:43:39,270 --> 01:43:38,239

for some help one time and they were

2483

01:43:40,709 --> 01:43:39,280

following me

2484

01:43:41,830 --> 01:43:40,719

then i turned around and there was one

2485

01:43:43,030 --> 01:43:41,840

right in front of me when there was

2486

01:43:45,990 --> 01:43:43,040

nobody there

2487

01:43:47,510 --> 01:43:46,000

just a few seconds before so they can

2488

01:43:54,149 --> 01:43:47,520

teleport

2489

01:43:57,590 --> 01:43:56,790

yeah so i've i have talked to et's and

2490

01:44:00,790 --> 01:43:57,600

as far as

2491

01:44:02,709 --> 01:44:00,800

telepathy and and covet 19 and

2492

01:44:03,910 --> 01:44:02,719

wearing a mask it has nothing to do with

2493

01:44:07,109 --> 01:44:03,920

what i do

2494

01:44:09,750 --> 01:44:07,119

uh i can wither without a mask and

2495

01:44:11,830 --> 01:44:09,760

talk to any of those people any of those

2496

01:44:14,390 --> 01:44:11,840

beings

2497

01:44:15,030 --> 01:44:14,400

next question please from someone uh yes

2498

01:44:19,030 --> 01:44:15,040

the

2499

01:44:22,310 --> 01:44:19,040

this is from a question off of youtube

2500

01:44:24,390 --> 01:44:22,320

this is from marilyn s asking how can

2501

01:44:27,430 --> 01:44:24,400

you tell if a gray or reptilian

2502

01:44:28,790 --> 01:44:27,440

is a good is good or bad do they give

2503

01:44:30,870 --> 01:44:28,800

off white vibes

2504

01:44:34,390 --> 01:44:30,880

can they trick us into thinking they are

2505

01:44:38,149 --> 01:44:34,400

good when they are not

2506

01:44:40,950 --> 01:44:38,159

uh yes i know of a situation now

2507

01:44:42,709 --> 01:44:40,960

where uh the people are thinking they're

2508

01:44:44,870 --> 01:44:42,719

talking to a sasquatch

2509

01:44:46,870 --> 01:44:44,880

but they're talking to a reptilian

2510

01:44:49,430 --> 01:44:46,880

that's

2511

01:44:51,510 --> 01:44:49,440

really steering them into the dark side

2512

01:44:53,510 --> 01:44:51,520

they are in the dark side now

2513

01:44:55,350 --> 01:44:53,520

so but they keep thinking they're

2514

01:44:58,709 --> 01:44:55,360

talking to sasquatch when they

2515

01:45:01,830 --> 01:44:58,719

definitely are not uh so

2516

01:45:03,830 --> 01:45:01,840

if you met someone uh one of the beings

2517

01:45:07,750 --> 01:45:03,840

and they start talking to you

2518

01:45:09,990 --> 01:45:07,760

uh you could feel uh

2519

01:45:11,830 --> 01:45:10,000

their energy if if you're saying my god

2520

01:45:14,229 --> 01:45:11,840

there's something not right here

2521

01:45:16,229 --> 01:45:14,239

well then don't interact with them

2522

01:45:16,950 --> 01:45:16,239

because you'll feel their negativity

2523

01:45:21,669 --> 01:45:16,960

their

2524

01:45:25,189 --> 01:45:21,679

could say is

2525

01:45:28,390 --> 01:45:25,199

that uh are you

2526

01:45:33,350 --> 01:45:28,400

are you of jesus christ uh

2527

01:45:36,229 --> 01:45:33,360

are you of god if so uh

2528

01:45:39,109 --> 01:45:36,239

make a statement to me that you are you

2529

01:45:42,149 --> 01:45:39,119

believe in jesus christ and are of god

2530

01:45:44,070 --> 01:45:42,159

and generally they'll leave i

2531

01:45:46,310 --> 01:45:44,080

one time just said may the white light

2532

01:45:49,510 --> 01:45:46,320

of christ surround you now

2533

01:45:52,790 --> 01:45:49,520

uh and and send love to them

2534

01:45:53,830 --> 01:45:52,800

if you send love to them it's to an evil

2535

01:45:57,189 --> 01:45:53,840

being

2536

01:45:59,109 --> 01:45:57,199

you're sending a bazooka because god and

2537

01:46:00,149 --> 01:45:59,119

love are synonymous they're one and the

2538

01:46:01,830 --> 01:46:00,159

same

2539

01:46:03,270 --> 01:46:01,840

so if you get one of these beings and

2540

01:46:05,750 --> 01:46:03,280

you're not sure

2541

01:46:06,790 --> 01:46:05,760

and you're kind of not sure your

2542

01:46:10,550 --> 01:46:06,800

feelings

2543

01:46:13,510 --> 01:46:10,560

stop right away and think of love

2544

01:46:13,830 --> 01:46:13,520

and fill your heart full of love and

2545

01:46:16,629 --> 01:46:13,840

then

2546

01:46:17,590 --> 01:46:16,639

send it to them said i send love and

2547

01:46:21,350 --> 01:46:17,600

blessings

2548

01:46:23,510 --> 01:46:21,360

it

2549

01:46:26,149 --> 01:46:23,520

emotionally from your heart not from

2550

01:46:28,229 --> 01:46:26,159

your mind but from your heart

2551

01:46:29,910 --> 01:46:28,239

and if they're evil they will disappear

2552

01:46:32,790 --> 01:46:29,920

immediately they don't

2553

01:46:33,990 --> 01:46:32,800

you send them love you're sending them a

2554

01:46:36,870 --> 01:46:34,000

bazooka

2555

01:46:39,590 --> 01:46:36,880

to be uh shot because they can't handle

2556

01:46:43,189 --> 01:46:39,600

that's the opposite of who they are

2557

01:46:43,830 --> 01:46:43,199

okay okay uh there's the next question

2558

01:46:45,830 --> 01:46:43,840

is from

2559

01:46:47,510 --> 01:46:45,840

nexus of life asking which

2560

01:46:51,669 --> 01:46:47,520

extraterrestrial species do the

2561

01:46:58,550 --> 01:46:55,189

uh numerous ones uh all of them

2562

01:47:00,870 --> 01:46:58,560

whatever the good guys are uh there's

2563

01:47:02,870 --> 01:47:00,880

a whole different realm of them some of

2564

01:47:05,830 --> 01:47:02,880

them are strange looking

2565

01:47:07,430 --> 01:47:05,840

you know that that will startle you but

2566

01:47:11,669 --> 01:47:07,440

they're friendly

2567

01:47:13,109 --> 01:47:11,679

no matter how they look uh

2568

01:47:15,189 --> 01:47:13,119

they interact with all them because

2569

01:47:18,390 --> 01:47:15,199

they're part of an alliance

2570

01:47:20,470 --> 01:47:18,400

uh do you remember on star trek

2571

01:47:22,070 --> 01:47:20,480

i have to relate it because this is real

2572

01:47:23,910 --> 01:47:22,080

i mean uh

2573

01:47:25,189 --> 01:47:23,920

they'll have a meeting and they'll sit

2574

01:47:27,910 --> 01:47:25,199

there and they'll be all these other

2575

01:47:31,430 --> 01:47:27,920

beings of all kinds of different races

2576

01:47:33,030 --> 01:47:31,440

some of them you know look look they all

2577

01:47:33,510 --> 01:47:33,040

look different some are big some are

2578

01:47:36,550 --> 01:47:33,520

small

2579

01:47:39,669 --> 01:47:36,560

some are strange looking

2580

01:47:40,709 --> 01:47:39,679

but they're all intelligent evolved

2581

01:47:44,149 --> 01:47:40,719

beings

2582

01:47:45,510 --> 01:47:44,159

that uh help each other for example

2583

01:47:48,310 --> 01:47:45,520

there's a group that are

2584

01:47:50,070 --> 01:47:48,320

our engineers is another group that have

2585

01:47:52,470 --> 01:47:50,080

another type of technology

2586

01:47:53,510 --> 01:47:52,480

there's another group that are healers

2587

01:47:56,390 --> 01:47:53,520

uh there's

2588

01:47:57,910 --> 01:47:56,400

other groups that are uh help the

2589

01:47:59,830 --> 01:47:57,920

engineers and so forth

2590

01:48:02,709 --> 01:47:59,840

doing mining work they're minors and so

2591

01:48:05,750 --> 01:48:02,719

on so there's all these different types

2592

01:48:07,590 --> 01:48:05,760

that are to pulled their energy together

2593

01:48:11,030 --> 01:48:07,600

especially because they know planet

2594

01:48:14,470 --> 01:48:11,040

earth is very very much in trouble

2595

01:48:17,669 --> 01:48:14,480

we're we're we're in trouble so

2596

01:48:18,870 --> 01:48:17,679

they're observing uh and they help out

2597

01:48:20,950 --> 01:48:18,880

whenever they can

2598

01:48:22,229 --> 01:48:20,960

but they're careful because a lot of

2599

01:48:25,030 --> 01:48:22,239

people are afraid

2600

01:48:26,390 --> 01:48:25,040

just to see something different i'm not

2601  
01:48:28,390 --> 01:48:26,400  
and so

2602  
01:48:29,510 --> 01:48:28,400  
uh they come to once people i know

2603  
01:48:32,310 --> 01:48:29,520  
several people

2604  
01:48:34,149 --> 01:48:32,320  
that i've seen the little people and all

2605  
01:48:37,189 --> 01:48:34,159  
kinds of stuff

2606  
01:48:39,669 --> 01:48:37,199  
afterwards why well because they they're

2607  
01:48:41,590 --> 01:48:39,679  
opened up now they have an open heart

2608  
01:48:44,870 --> 01:48:41,600  
an open mind and they walk in

2609  
01:48:47,669 --> 01:48:44,880  
unconditional love and trust

2610  
01:48:49,030 --> 01:48:47,679  
so that's very important and it's

2611  
01:48:52,709 --> 01:48:49,040  
difficult to do

2612  
01:48:55,350 --> 01:48:52,719  
i can't i say that to uh researchers

2613  
01:48:56,310 --> 01:48:55,360

mainstream researchers that like guns

2614

01:48:58,709 --> 01:48:56,320  
and stuff

2615

01:49:01,669 --> 01:48:58,719  
and and and all kinds of cameras you

2616

01:49:04,550 --> 01:49:01,679  
took to get the best photographs of them

2617

01:49:06,149 --> 01:49:04,560  
that'll never ever ever happen because

2618

01:49:08,470 --> 01:49:06,159  
they know what you're thinking

2619

01:49:10,149 --> 01:49:08,480  
and they avoid all that stuff you get a

2620

01:49:13,109 --> 01:49:10,159  
free glimpses of them

2621

01:49:15,109 --> 01:49:13,119  
on a trail cam why because they know you

2622

01:49:15,589 --> 01:49:15,119  
can't prove anything it's at a distance

2623

01:49:18,070 --> 01:49:15,599  
or

2624

01:49:19,350 --> 01:49:18,080  
of quick flash by the camera i've got

2625

01:49:20,950 --> 01:49:19,360  
pictures of them

2626

01:49:22,629 --> 01:49:20,960

i got one that looked right into the

2627

01:49:23,109 --> 01:49:22,639

camera his face i could see his full

2628

01:49:26,470 --> 01:49:23,119

face

2629

01:49:27,589 --> 01:49:26,480

with his hair hanging down and he was an

2630

01:49:30,709 --> 01:49:27,599

ancient one

2631

01:49:33,510 --> 01:49:30,719

i have that on film uh

2632

01:49:34,790 --> 01:49:33,520

they they really don't want their

2633

01:49:38,070 --> 01:49:34,800

pictures out there

2634

01:49:41,589 --> 01:49:38,080

because then those people who

2635

01:49:43,589 --> 01:49:41,599

think they're monsters that are going to

2636

01:49:44,870 --> 01:49:43,599

uh that they want to go out and start

2637

01:49:45,750 --> 01:49:44,880

shooting them if they're real look this

2638

01:49:47,750 --> 01:49:45,760

picture look

2639

01:49:49,109 --> 01:49:47,760

it's real and they're out in this area

2640

01:49:50,870 --> 01:49:49,119

and they'll gather a whole bunch of

2641

01:49:53,109 --> 01:49:50,880

people with guns and surround

2642

01:49:54,470 --> 01:49:53,119

the area and go they've done this in

2643

01:49:57,270 --> 01:49:54,480

oklahoma incidentally

2644

01:49:58,229 --> 01:49:57,280

to try to kill them so they don't want

2645

01:50:00,470 --> 01:49:58,239

that

2646

01:50:01,430 --> 01:50:00,480

to me the only monsters out there are

2647

01:50:03,350 --> 01:50:01,440

those people

2648

01:50:05,589 --> 01:50:03,360

that are violent that want to kill a

2649

01:50:06,950 --> 01:50:05,599

sasquatch

2650

01:50:09,109 --> 01:50:06,960

they're the violent ones they're the

2651

01:50:11,030 --> 01:50:09,119

monsters right so

2652

01:50:12,950 --> 01:50:11,040

in other words instead of finding out

2653

01:50:16,870 --> 01:50:12,960

who these beings are

2654

01:50:20,950 --> 01:50:16,880

uh i mean i'm out here publicly

2655

01:50:22,629 --> 01:50:20,960

trying to educate people but you know

2656

01:50:24,070 --> 01:50:22,639

none of the researchers are doing any of

2657

01:50:27,109 --> 01:50:24,080

this stuff

2658

01:50:29,510 --> 01:50:27,119

why because they're in fear they're

2659

01:50:30,070 --> 01:50:29,520

they're so it's so impregnated in their

2660

01:50:33,510 --> 01:50:30,080

mind

2661

01:50:36,709 --> 01:50:33,520

that they can't change to let go and

2662

01:50:39,510 --> 01:50:36,719

and think in terms of love it's too

2663

01:50:42,070 --> 01:50:39,520

airy fairy to them when it's absolutely

2664

01:50:45,109 --> 01:50:42,080

the real deal

2665

01:50:48,149 --> 01:50:45,119

another question uh this one is from

2666

01:50:49,830 --> 01:50:48,159

uh scarborough sasquatch station asking

2667

01:50:52,310 --> 01:50:49,840

do the sasquatch

2668

01:50:53,750 --> 01:50:52,320

guide stay with the human hosts for life

2669

01:50:55,990 --> 01:50:53,760

or do they change

2670

01:50:59,350 --> 01:50:56,000

every so many years with different

2671

01:51:04,390 --> 01:51:02,550

um well uh

2672

01:51:07,109 --> 01:51:04,400

for a while i had a different one then

2673

01:51:10,950 --> 01:51:07,119

they changed it to snowhawk

2674

01:51:13,750 --> 01:51:10,960

uh and he at one time

2675

01:51:15,510 --> 01:51:13,760

he said he had to leave but his uh

2676  
01:51:17,430 --> 01:51:15,520  
brother was going to

2677  
01:51:19,430 --> 01:51:17,440  
come in and watch over me and i said why

2678  
01:51:21,270 --> 01:51:19,440  
are you leaving and he said my mate is

2679  
01:51:24,229 --> 01:51:21,280  
having a baby

2680  
01:51:25,109 --> 01:51:24,239  
so i said oh that's that's a good reason

2681  
01:51:28,390 --> 01:51:25,119  
so

2682  
01:51:32,629 --> 01:51:28,400  
uh yes uh they

2683  
01:51:34,070 --> 01:51:32,639  
uh they do um at times if they have to

2684  
01:51:37,350 --> 01:51:34,080  
but

2685  
01:51:39,430 --> 01:51:37,360  
for me they told me if i decided never

2686  
01:51:41,669 --> 01:51:39,440  
to have anything to do with them again

2687  
01:51:42,870 --> 01:51:41,679  
for whatever reason they'd still be with

2688  
01:51:46,310 --> 01:51:42,880

me

2689

01:51:49,910 --> 01:51:46,320

he said we're already locked in

2690

01:51:54,870 --> 01:51:49,920

to each other and they go they said

2691

01:51:59,270 --> 01:51:58,070

souls our et's some souls are have

2692

01:52:02,629 --> 01:51:59,280

sasquatch some

2693

01:52:06,070 --> 01:52:02,639

souls have ancient ones different ones

2694

01:52:09,430 --> 01:52:06,080

to stimulate the

2695

01:52:12,629 --> 01:52:09,440

culture and and the human race into

2696

01:52:15,350 --> 01:52:12,639

a higher level level to think

2697

01:52:15,990 --> 01:52:15,360

into a different kind of realm and not

2698

01:52:19,350 --> 01:52:16,000

get stuck

2699

01:52:20,229 --> 01:52:19,360

on just materialism and start and be so

2700

01:52:23,510 --> 01:52:20,239

barbaric

2701  
01:52:26,790 --> 01:52:23,520  
as we are to have wars all the time and

2702  
01:52:27,750 --> 01:52:26,800  
and why they make money uh on wars i

2703  
01:52:31,589 --> 01:52:27,760  
mean

2704  
01:52:33,589 --> 01:52:31,599  
world war ii these people were selling

2705  
01:52:34,950 --> 01:52:33,599  
their ammunition and all that stuff to

2706  
01:52:36,550 --> 01:52:34,960  
the government but they were also

2707  
01:52:39,830 --> 01:52:36,560  
selling it to the germans

2708  
01:52:40,390 --> 01:52:39,840  
i mean what that that's being a traitor

2709  
01:52:42,070 --> 01:52:40,400  
but

2710  
01:52:44,790 --> 01:52:42,080  
that's what they did they make tons of

2711  
01:52:46,310 --> 01:52:44,800  
money so they love that kind of thing

2712  
01:52:48,629 --> 01:52:46,320  
well wait a minute we're not down here

2713  
01:52:50,229 --> 01:52:48,639

for that that they told me we're not

2714

01:52:52,950 --> 01:52:50,239

down here for that

2715

01:52:55,189 --> 01:52:52,960

each person has to find out who they are

2716

01:52:58,390 --> 01:52:55,199

and what their purpose is here

2717

01:53:00,629 --> 01:52:58,400

if you have to do an astrology reading

2718

01:53:02,149 --> 01:53:00,639

to see all your things i had one done

2719

01:53:04,629 --> 01:53:02,159

and i didn't believe in it

2720

01:53:05,589 --> 01:53:04,639

and all everything that i do was right

2721

01:53:08,229 --> 01:53:05,599

there

2722

01:53:08,790 --> 01:53:08,239

it says you'd make a good doctor a good

2723

01:53:11,910 --> 01:53:08,800

healer

2724

01:53:13,270 --> 01:53:11,920

and that i've been for 45 years as a

2725

01:53:14,709 --> 01:53:13,280

master herbalist and

2726

01:53:17,350 --> 01:53:14,719

everything been doing all kinds of

2727

01:53:22,470 --> 01:53:17,360

healing work for for people

2728

01:53:25,990 --> 01:53:24,870

everything my forte was right there

2729

01:53:28,229 --> 01:53:26,000

whatever people do

2730

01:53:29,830 --> 01:53:28,239

they should seek that out if somebody

2731

01:53:30,470 --> 01:53:29,840

says yeah but i'm making a lot of money

2732

01:53:34,709 --> 01:53:30,480

now

2733

01:53:35,830 --> 01:53:34,719

to something else i won't make as much

2734

01:53:40,950 --> 01:53:35,840

money

2735

01:53:43,750 --> 01:53:40,960

that person a lot of people who make a

2736

01:53:47,910 --> 01:53:43,760

lot of money are so stressed out

2737

01:53:51,990 --> 01:53:47,920

that they start going into drugs cocaine

2738

01:53:55,030 --> 01:53:52,000

uh alcohol and they become alcoholics

2739

01:53:57,030 --> 01:53:55,040

uh they're all kinds of drugs out there

2740

01:53:59,430 --> 01:53:57,040

that they can pop and stuff

2741

01:54:01,270 --> 01:53:59,440

uh because they're stressed out make

2742

01:54:04,709 --> 01:54:01,280

trying to make all this money

2743

01:54:07,589 --> 01:54:04,719

so the money is spent on other things

2744

01:54:08,070 --> 01:54:07,599

because their jobs are not attuned to

2745

01:54:11,030 --> 01:54:08,080

who they

2746

01:54:12,870 --> 01:54:11,040

are on a soul level so people need to

2747

01:54:13,910 --> 01:54:12,880

find that out and this is the time to

2748

01:54:16,310 --> 01:54:13,920

find out

2749

01:54:18,470 --> 01:54:16,320

because it's i hate to say it but it

2750

01:54:22,870 --> 01:54:18,480

looks like the end times to me

2751

01:54:25,430 --> 01:54:22,880

and i asked the sasquatch

2752

01:54:27,510 --> 01:54:25,440

eight or ten years ago i said will there

2753

01:54:30,470 --> 01:54:27,520

be a world war three

2754

01:54:31,910 --> 01:54:30,480

and he said world war iii has already

2755

01:54:33,189 --> 01:54:31,920

started they just haven't dropped the

2756

01:54:36,709 --> 01:54:33,199

bombs yet

2757

01:54:43,430 --> 01:54:40,310

so they also said there's different

2758

01:54:43,910 --> 01:54:43,440

dimensional timelines that that timeline

2759

01:54:47,189 --> 01:54:43,920

can be

2760

01:54:51,109 --> 01:54:47,199

changed for example

2761

01:54:55,430 --> 01:54:51,119

this the et's took me

2762

01:54:59,109 --> 01:54:55,440

one of the times they did in october

2763

01:55:02,310 --> 01:54:59,119

of 2000

2764

01:55:05,830 --> 01:55:02,320

four or five i think four

2765

01:55:06,870 --> 01:55:05,840

yeah 2004 when i was in uh northeast

2766

01:55:09,990 --> 01:55:06,880

texas

2767

01:55:11,830 --> 01:55:10,000

uh in interacting with them there and i

2768

01:55:14,950 --> 01:55:11,840

said to them i said my birthday

2769

01:55:17,910 --> 01:55:14,960

is tomorrow i says can you do me a favor

2770

01:55:18,709 --> 01:55:17,920

and uh uh i said to the sasquatch people

2771

01:55:21,669 --> 01:55:18,719

i said can

2772

01:55:23,109 --> 01:55:21,679

act and i'm sorry ancient ones they were

2773

01:55:23,990 --> 01:55:23,119

both there but i said this to the

2774

01:55:26,709 --> 01:55:24,000

ancient ones

2775

01:55:27,430 --> 01:55:26,719

and isaac why don't you take me so uh i

2776

01:55:29,910 --> 01:55:27,440

could

2777

01:55:31,990 --> 01:55:29,920

interact with you better and i said that

2778

01:55:35,109 --> 01:55:32,000

would be a nice birthday gift

2779

01:55:36,550 --> 01:55:35,119

and so they were gonna do that and the

2780

01:55:41,189 --> 01:55:36,560

thing is that

2781

01:55:44,149 --> 01:55:41,199

i saw two truckloads of people with guns

2782

01:55:45,990 --> 01:55:44,159

pull in across the street from this farm

2783

01:55:48,070 --> 01:55:46,000

into the woods there

2784

01:55:49,750 --> 01:55:48,080

and they were there to hunt down the

2785

01:55:52,149 --> 01:55:49,760

sasquatch

2786

01:55:53,270 --> 01:55:52,159

so they quickly got their children

2787

01:55:56,950 --> 01:55:53,280

together

2788

01:55:59,750 --> 01:55:56,960

they went across the line

2789

01:56:01,189 --> 01:55:59,760

into oklahoma into the kyamichi

2790

01:56:03,669 --> 01:56:01,199

wilderness where it was safe

2791

01:56:05,109 --> 01:56:03,679

away from these idiots they just want to

2792

01:56:07,830 --> 01:56:05,119

shoot up the woods and

2793

01:56:08,709 --> 01:56:07,840

and be real macho about everything and

2794

01:56:12,950 --> 01:56:08,719

so

2795

01:56:16,149 --> 01:56:12,960

uh i was in a tent outside

2796

01:56:16,870 --> 01:56:16,159

and i woke up the next morning and i was

2797

01:56:20,070 --> 01:56:16,880

going to leave

2798

01:56:24,629 --> 01:56:20,080

later that day it was a five-hour trip

2799

01:56:28,709 --> 01:56:24,639

to dallas to get a plane back to seattle

2800

01:56:30,390 --> 01:56:28,719

and when i went in the farmhouse

2801  
01:56:32,070 --> 01:56:30,400  
these people were having experiences

2802  
01:56:33,830 --> 01:56:32,080  
they called me up and

2803  
01:56:35,189 --> 01:56:33,840  
contacted me and asked me to come down

2804  
01:56:37,589 --> 01:56:35,199  
to help and so forth so

2805  
01:56:38,229 --> 01:56:37,599  
i was down there three different times

2806  
01:56:41,189 --> 01:56:38,239  
so

2807  
01:56:42,470 --> 01:56:41,199  
when i went in the house uh there with

2808  
01:56:44,950 --> 01:56:42,480  
all my

2809  
01:56:46,149 --> 01:56:44,960  
extra uh clothes and stuff on my

2810  
01:56:49,910 --> 01:56:46,159  
suitcase

2811  
01:56:52,470 --> 01:56:49,920  
was a note in english from

2812  
01:56:54,629 --> 01:56:52,480  
a woman named hello d she was an ancient

2813  
01:56:58,070 --> 01:56:54,639

one and a medicine woman

2814

01:57:00,550 --> 01:56:58,080

and it was it looked like a a little

2815

01:57:01,350 --> 01:57:00,560

four-year-old or five-year-old did it

2816

01:57:04,709 --> 01:57:01,360

you know

2817

01:57:07,830 --> 01:57:04,719

but she had a note there for me and uh

2818

01:57:11,270 --> 01:57:07,840

left a crystal for me and said

2819

01:57:12,790 --> 01:57:11,280

that i was taken last night by the et's

2820

01:57:15,270 --> 01:57:12,800

because they had to flee

2821

01:57:16,709 --> 01:57:15,280

and get out of the area because of these

2822

01:57:20,070 --> 01:57:16,719

these hunters

2823

01:57:23,750 --> 01:57:20,080

and uh but uh that they

2824

01:57:25,990 --> 01:57:23,760

uh the et's took me ahead 12 years in

2825

01:57:29,510 --> 01:57:26,000

time into the future

2826  
01:57:30,709 --> 01:57:29,520  
and that they taught me more types of

2827  
01:57:32,870 --> 01:57:30,719  
healing work

2828  
01:57:34,390 --> 01:57:32,880  
that will be there when i need it it

2829  
01:57:36,470 --> 01:57:34,400  
will germinate

2830  
01:57:38,470 --> 01:57:36,480  
and so i'll be able to help people even

2831  
01:57:41,910 --> 01:57:38,480  
more they said use it

2832  
01:57:45,189 --> 01:57:41,920  
to help others not for gain not for gain

2833  
01:57:46,629 --> 01:57:45,199  
at all and they said uh

2834  
01:57:48,709 --> 01:57:46,639  
and i said how come i can't remember

2835  
01:57:51,270 --> 01:57:48,719  
this they said it's already there

2836  
01:57:52,229 --> 01:57:51,280  
but they brought you back the same time

2837  
01:57:53,350 --> 01:57:52,239  
that you left

2838  
01:57:55,750 --> 01:57:53,360

even though you've got all this

2839

01:57:57,189 --> 01:57:55,760

knowledge now and they said when you get

2840

01:58:00,550 --> 01:57:57,199

on the iron bird

2841

01:58:03,669 --> 01:58:00,560

to go back home there'll be an e.t there

2842

01:58:06,390 --> 01:58:03,679

that will be accompanying you

2843

01:58:07,830 --> 01:58:06,400

in a human form and some of them are

2844

01:58:10,229 --> 01:58:07,840

human

2845

01:58:10,870 --> 01:58:10,239

looking and they're in society now

2846

01:58:13,350 --> 01:58:10,880

working

2847

01:58:15,189 --> 01:58:13,360

at jobs and stuff i mean this that

2848

01:58:16,390 --> 01:58:15,199

people don't understand really what's

2849

01:58:19,510 --> 01:58:16,400

going on

2850

01:58:20,870 --> 01:58:19,520

not even the ufo researchers many of

2851  
01:58:23,830 --> 01:58:20,880  
them don't

2852  
01:58:24,950 --> 01:58:23,840  
uh as good we're all incidentally we're

2853  
01:58:27,030 --> 01:58:24,960  
all

2854  
01:58:28,229 --> 01:58:27,040  
putting together a piece of the puzzle

2855  
01:58:31,510 --> 01:58:28,239  
of of this

2856  
01:58:33,430 --> 01:58:31,520  
each one of us has a piece to the puzzle

2857  
01:58:35,750 --> 01:58:33,440  
so when i get on the plane i was almost

2858  
01:58:39,270 --> 01:58:35,760  
a little paranoid i'm looking around

2859  
01:58:41,910 --> 01:58:39,280  
to see you know who is this guy so

2860  
01:58:42,870 --> 01:58:41,920  
strange as it was all the seats were

2861  
01:58:45,990 --> 01:58:42,880  
taken

2862  
01:58:48,229 --> 01:58:46,000  
except once there were two two seats

2863  
01:58:49,270 --> 01:58:48,239

free and the guy sitting next to the

2864

01:58:51,830 --> 01:58:49,280

window

2865

01:58:53,430 --> 01:58:51,840

had a briefcase and was doing going

2866

01:58:55,430 --> 01:58:53,440

through some material

2867

01:58:56,950 --> 01:58:55,440

so i didn't sit next to him i didn't

2868

01:58:59,830 --> 01:58:56,960

have to i sat

2869

01:59:01,189 --> 01:58:59,840

on the aisle because and i had a seat

2870

01:59:04,070 --> 01:59:01,199

empty seat between us which

2871

01:59:05,589 --> 01:59:04,080

makes it nice you have more room so i

2872

01:59:08,550 --> 01:59:05,599

looked at the guy

2873

01:59:09,910 --> 01:59:08,560

and he was had an excellent build he

2874

01:59:13,270 --> 01:59:09,920

looked about

2875

01:59:15,510 --> 01:59:13,280

50 55 years old

2876

01:59:17,189 --> 01:59:15,520

he didn't have any wrinkles and he

2877

01:59:19,910 --> 01:59:17,199

wouldn't talk to me no matter what i

2878

01:59:23,189 --> 01:59:19,920

said to him he wouldn't even look at me

2879

01:59:26,070 --> 01:59:23,199

and through the whole trip and

2880

01:59:27,830 --> 01:59:26,080

uh he looked different there's something

2881

01:59:30,870 --> 01:59:27,840

about him that was different

2882

01:59:32,229 --> 01:59:30,880

so i said he must be the guy i mean i

2883

01:59:33,830 --> 01:59:32,239

don't know who knows

2884

01:59:36,070 --> 01:59:33,840

but just another one of those

2885

01:59:40,070 --> 01:59:36,080

experiences

2886

01:59:43,750 --> 01:59:40,080

so uh the thing is that

2887

01:59:47,990 --> 01:59:43,760

what happened uh in

2888

01:59:51,189 --> 01:59:48,000

that 12 years 12 years ahead changed

2889

01:59:55,109 --> 01:59:51,199

the people it a different

2890

01:59:56,870 --> 01:59:55,119

dimensional timeline happened i don't

2891

01:59:58,550 --> 01:59:56,880

understand some of this too i can't

2892

02:00:01,430 --> 01:59:58,560

explain it in detail

2893

02:00:01,750 --> 02:00:01,440

because i'm still learning some of it

2894

02:00:04,950 --> 02:00:01,760

but

2895

02:00:05,430 --> 02:00:04,960

means that what i experienced there

2896

02:00:10,709 --> 02:00:05,440

didn't

2897

02:00:13,910 --> 02:00:10,719

why well because of a different

2898

02:00:18,709 --> 02:00:16,790

that's what they told me later on that

2899

02:00:21,910 --> 02:00:18,719

the

2900

02:00:23,430 --> 02:00:21,920

people on earth did different things to

2901

02:00:26,629 --> 02:00:23,440

change that timeline

2902

02:00:30,870 --> 02:00:26,639

mostly through the governments so

2903

02:00:33,830 --> 02:00:30,880

it's something new to me at that time

2904

02:00:35,270 --> 02:00:33,840

pardon me new at that time i didn't

2905

02:00:36,470 --> 02:00:35,280

understand i still don't understand it

2906

02:00:39,910 --> 02:00:36,480

completely but

2907

02:00:41,030 --> 02:00:39,920

uh it's like uh you know all these

2908

02:00:42,629 --> 02:00:41,040

parallel

2909

02:00:44,149 --> 02:00:42,639

timelines because there's all these

2910

02:00:45,189 --> 02:00:44,159

different dimensions out there i don't

2911

02:00:47,669 --> 02:00:45,199

even know how many

2912

02:00:48,629 --> 02:00:47,679

maybe it's infinite and there's beings

2913

02:00:52,629 --> 02:00:48,639

in all the different

2914

02:00:53,109 --> 02:00:52,639

dimensions you know we keep thinking

2915

02:00:55,350 --> 02:00:53,119

well

2916

02:00:57,189 --> 02:00:55,360

these et's must be a few hundred years

2917

02:00:57,990 --> 02:00:57,199

ahead of us maybe a thousand years ahead

2918

02:01:00,709 --> 02:00:58,000

of us

2919

02:01:01,350 --> 02:01:00,719

sorry they're tens of millions of years

2920

02:01:03,669 --> 02:01:01,360

ahead of us

2921

02:01:05,270 --> 02:01:03,679

many of them they're all at different

2922

02:01:07,430 --> 02:01:05,280

levels

2923

02:01:08,709 --> 02:01:07,440

and again there's this alliance that's

2924

02:01:10,550 --> 02:01:08,719

watching over earth

2925

02:01:12,070 --> 02:01:10,560

planet earth because they don't want it

2926

02:01:16,629 --> 02:01:12,080

destroyed

2927

02:01:19,350 --> 02:01:16,639

and uh we are destroying it is dying now

2928

02:01:21,430 --> 02:01:19,360

and but they won't help us because we'll

2929

02:01:24,550 --> 02:01:21,440

keep on doing what we're doing

2930

02:01:27,109 --> 02:01:24,560

it's like you know when

2931

02:01:27,750 --> 02:01:27,119

when you have a a horse barn full of

2932

02:01:29,430 --> 02:01:27,760

horses

2933

02:01:31,589 --> 02:01:29,440

you have to shovel out the manure all

2934

02:01:33,589 --> 02:01:31,599

the time but

2935

02:01:35,270 --> 02:01:33,599

the only way that you're going to stop

2936

02:01:37,189 --> 02:01:35,280

shoveling the manure is to

2937

02:01:38,629 --> 02:01:37,199

remove the horses from the from the

2938

02:01:41,589 --> 02:01:38,639

horse barn

2939

02:01:42,070 --> 02:01:41,599

then you won't have any there to do so

2940

02:01:43,669 --> 02:01:42,080

it's

2941

02:01:45,830 --> 02:01:43,679

and that may be a crude kind of an

2942

02:01:48,390 --> 02:01:45,840

example but we are

2943

02:01:49,430 --> 02:01:48,400

crapping up our earth and we're not

2944

02:01:52,470 --> 02:01:49,440

stopping

2945

02:01:55,589 --> 02:01:52,480

and uh they're waiting uh

2946

02:01:56,950 --> 02:01:55,599

it's it's apparently gone so far that

2947

02:02:00,310 --> 02:01:56,960

they're waiting

2948

02:02:01,990 --> 02:02:00,320

uh they want to save some of the people

2949

02:02:05,030 --> 02:02:02,000

who are thinking from a spiritual

2950

02:02:10,629 --> 02:02:08,229

they they have a

2951  
02:02:11,910 --> 02:02:10,639  
a biosphere that they floated at several

2952  
02:02:13,750 --> 02:02:11,920  
miles long

2953  
02:02:15,669 --> 02:02:13,760  
that they floated into our system and

2954  
02:02:19,109 --> 02:02:15,679  
it's behind the sun

2955  
02:02:22,229 --> 02:02:19,119  
and that they are when things get bad

2956  
02:02:25,510 --> 02:02:22,239  
they will take people uh

2957  
02:02:27,669 --> 02:02:25,520  
to put in the biosphere

2958  
02:02:28,790 --> 02:02:27,679  
and let those other people destroy

2959  
02:02:30,550 --> 02:02:28,800  
themselves

2960  
02:02:32,229 --> 02:02:30,560  
and then they'll clean up the planet

2961  
02:02:35,270 --> 02:02:32,239  
even if they can

2962  
02:02:36,790 --> 02:02:35,280  
get rid of the uh radiation whatever

2963  
02:02:39,669 --> 02:02:36,800

that they can vacuum it up they have

2964

02:02:43,510 --> 02:02:39,679

giant ships they can do stuff like this

2965

02:02:46,629 --> 02:02:43,520

so so by then when they reintroduce

2966

02:02:48,229 --> 02:02:46,639

the planet to the spiritual spiritually

2967

02:02:50,870 --> 02:02:48,239

minded people

2968

02:02:52,709 --> 02:02:50,880

uh wait there's nothing to fight about

2969

02:02:55,510 --> 02:02:52,719

we're all thinking the same way

2970

02:02:56,390 --> 02:02:55,520

and the sasquatch and certain et's will

2971

02:03:00,070 --> 02:02:56,400

be there

2972

02:03:01,430 --> 02:03:00,080

to educate us more and help us out and

2973

02:03:03,030 --> 02:03:01,440

tell us what's going because they'll be

2974

02:03:05,189 --> 02:03:03,040

telling us what's going on

2975

02:03:06,550 --> 02:03:05,199

there's a woman down in in mississippi

2976

02:03:09,189 --> 02:03:06,560

that i've been helping

2977

02:03:09,750 --> 02:03:09,199

i've helped hundreds of people like this

2978

02:03:13,750 --> 02:03:09,760

and

2979

02:03:17,589 --> 02:03:13,760

i sent her material both through

2980

02:03:20,149 --> 02:03:17,599

the internet and and uh snail mail

2981

02:03:21,430 --> 02:03:20,159

and she said she told me she asked one

2982

02:03:24,550 --> 02:03:21,440

of the sasquatches

2983

02:03:25,750 --> 02:03:24,560

that she talks to all the time uh she

2984

02:03:29,109 --> 02:03:25,760

allows them to go in

2985

02:03:31,589 --> 02:03:29,119

and milk their cow and if they want milk

2986

02:03:35,589 --> 02:03:31,599

they can help themselves and stuff

2987

02:03:36,629 --> 02:03:35,599

uh and she said you know kiwonie's been

2988

02:03:39,189 --> 02:03:36,639

so good to me

2989

02:03:39,669 --> 02:03:39,199

i'd i'd sure like to meet him someday

2990

02:03:41,990 --> 02:03:39,679

you know

2991

02:03:44,470 --> 02:03:42,000

her and her husband were there she said

2992

02:03:47,510 --> 02:03:44,480

well i ever have a chance to meet him

2993

02:03:49,270 --> 02:03:47,520

and the sasquatch said he'll be some of

2994

02:03:52,550 --> 02:03:49,280

the first people you'll meet

2995

02:03:57,669 --> 02:03:52,560

when we take you to the biosphere

2996

02:04:00,550 --> 02:03:57,679

that's all he said so uh

2997

02:04:00,870 --> 02:04:00,560

i don't know any more than that uh they

2998

02:04:04,069 --> 02:04:00,880

they

2999

02:04:08,709 --> 02:04:04,079

just

3000

02:04:10,629 --> 02:04:08,719

bits and pieces of the puzzle uh

3001

02:04:13,430 --> 02:04:10,639

in fact like they said if we tell you

3002

02:04:16,069 --> 02:04:13,440

too much if it it'll alter you

3003

02:04:17,430 --> 02:04:16,079

and you won't use your free will to

3004

02:04:19,830 --> 02:04:17,440

fulfill your purpose

3005

02:04:20,709 --> 02:04:19,840

and your and to resolve your karmic

3006

02:04:23,270 --> 02:04:20,719

issues

3007

02:04:24,310 --> 02:04:23,280

or some people like adolf hitler or

3008

02:04:27,669 --> 02:04:24,320

whatever

3009

02:04:29,589 --> 02:04:27,679

uh stalin and those people they're

3010

02:04:31,109 --> 02:04:29,599

they're gonna need a ladder to climb up

3011

02:04:33,589 --> 02:04:31,119

just to get to hell

3012

02:04:34,629 --> 02:04:33,599

they're so far down kind of thing if

3013

02:04:36,629 --> 02:04:34,639

there's a hell but

3014

02:04:38,870 --> 02:04:36,639

wherever it is they're not where the

3015

02:04:42,629 --> 02:04:38,880

good people are

3016

02:04:46,870 --> 02:04:42,639

so they you know they don't want

3017

02:04:50,470 --> 02:04:49,030

another question well the this question

3018

02:04:52,390 --> 02:04:50,480

is kind of relevant to what you're

3019

02:04:53,750 --> 02:04:52,400

talking about i don't know you kind of

3020

02:04:56,470 --> 02:04:53,760

give us the bigger

3021

02:04:58,149 --> 02:04:56,480

picture but this person john t is asking

3022

02:05:00,950 --> 02:04:58,159

please share what you've been told about

3023

02:05:04,470 --> 02:05:00,960

the coming negative societal events

3024

02:05:08,149 --> 02:05:04,480

if do you know anything about that well

3025

02:05:12,069 --> 02:05:08,159

well just uh

3026

02:05:15,990 --> 02:05:12,079

there's gonna be chaos and uh uh

3027

02:05:19,109 --> 02:05:16,000

there is uh uh they've talked about

3028

02:05:21,589 --> 02:05:19,119

uh didn't explain any of this stuff but

3029

02:05:23,830 --> 02:05:21,599

uh that there would be an asteroid that

3030

02:05:26,870 --> 02:05:23,840

will eventually hit the earth here

3031

02:05:29,030 --> 02:05:26,880

and sometime soon in the in the bible in

3032

02:05:30,629 --> 02:05:29,040

revelations it talks about wormwood they

3033

02:05:33,990 --> 02:05:30,639

call it wormwood

3034

02:05:37,830 --> 02:05:34,000

and uh that would hit the earth

3035

02:05:40,310 --> 02:05:37,840

so uh that's

3036

02:05:41,430 --> 02:05:40,320

wow you know i mean it'll disrupt the

3037

02:05:45,030 --> 02:05:41,440

whole planet

3038

02:05:46,950 --> 02:05:45,040

uh right now volcanoes are going off all

3039

02:05:50,390 --> 02:05:46,960

over the planet and iceland

3040

02:05:54,149 --> 02:05:50,400

in japan and new guinea

3041

02:06:00,950 --> 02:05:57,430

why because we're disrupting the planet

3042

02:06:03,990 --> 02:06:00,960

and the mother nature will

3043

02:06:06,310 --> 02:06:04,000

purify the planet by getting rid of

3044

02:06:07,270 --> 02:06:06,320

the viruses we are the vi we are the

3045

02:06:09,669 --> 02:06:07,280

germs of the

3046

02:06:10,950 --> 02:06:09,679

of the planet destroying it rather than

3047

02:06:15,030 --> 02:06:10,960

being

3048

02:06:17,030 --> 02:06:15,040

nurturing it and

3049

02:06:18,149 --> 02:06:17,040

and helping and going with the flow of

3050

02:06:20,790 --> 02:06:18,159

nature

3051  
02:06:22,470 --> 02:06:20,800  
we've altered so much and don't know

3052  
02:06:22,950 --> 02:06:22,480  
what we're doing we just don't have a

3053  
02:06:25,109 --> 02:06:22,960  
clue

3054  
02:06:26,470 --> 02:06:25,119  
a lot of these scientists and stuff just

3055  
02:06:28,629 --> 02:06:26,480  
don't have a clue

3056  
02:06:30,470 --> 02:06:28,639  
what they're doing and the governments

3057  
02:06:32,790 --> 02:06:30,480  
they're making decisions that are

3058  
02:06:35,910 --> 02:06:32,800  
absolutely horrendous

3059  
02:06:39,350 --> 02:06:35,920  
basically stupid and dangerous

3060  
02:06:41,510 --> 02:06:39,360  
so we have to put up with that uh

3061  
02:06:43,350 --> 02:06:41,520  
they said you know put food and water

3062  
02:06:46,870 --> 02:06:43,360  
and stuff away

3063  
02:06:48,709 --> 02:06:46,880

get away from the cities it's just not

3064

02:06:50,790 --> 02:06:48,719

they'll they'll be the the first places

3065

02:06:53,830 --> 02:06:50,800

that there'll be chaos and

3066

02:06:55,910 --> 02:06:53,840

and uh and destruction of and and

3067

02:06:57,510 --> 02:06:55,920

to be fans of people wanting food where

3068

02:06:59,669 --> 02:06:57,520

you're gonna get the food

3069

02:07:01,430 --> 02:06:59,679

so i'm not saying that it's all going to

3070

02:07:04,629 --> 02:07:01,440

happen look just like that

3071

02:07:06,149 --> 02:07:04,639

but we're getting earthquakes

3072

02:07:08,390 --> 02:07:06,159

also all over the world which are

3073

02:07:12,629 --> 02:07:08,400

connected with the the

3074

02:07:14,709 --> 02:07:12,639

uh volcanoes so uh that's

3075

02:07:16,069 --> 02:07:14,719

they asked me to move inland and get

3076

02:07:18,870 --> 02:07:16,079

away from seattle

3077

02:07:20,310 --> 02:07:18,880

because the whole west coast is so

3078

02:07:23,109 --> 02:07:20,320

fragile right now

3079

02:07:24,709 --> 02:07:23,119

it could it could go anytime they didn't

3080

02:07:27,109 --> 02:07:24,719

tell me when and they won't

3081

02:07:28,229 --> 02:07:27,119

because they want me to use my free will

3082

02:07:30,550 --> 02:07:28,239

if i said oh heck

3083

02:07:32,390 --> 02:07:30,560

i want to go on vacation i i really like

3084

02:07:33,270 --> 02:07:32,400

the coast and i like the ocean which i

3085

02:07:36,229 --> 02:07:33,280

do

3086

02:07:38,550 --> 02:07:36,239

and then spend a few weeks over there

3087

02:07:40,310 --> 02:07:38,560

putting myself in harm's way

3088

02:07:42,390 --> 02:07:40,320

i mean i have friends over there i've

3089

02:07:44,149 --> 02:07:42,400

explained a lot of this to them and

3090

02:07:45,910 --> 02:07:44,159

and they all that's interesting well

3091

02:07:48,470 --> 02:07:45,920

okay they they know

3092

02:07:50,629 --> 02:07:48,480

and they know what i do but that's their

3093

02:07:52,950 --> 02:07:50,639

choice their free will

3094

02:07:53,830 --> 02:07:52,960

i don't badger people i don't twist arms

3095

02:07:56,629 --> 02:07:53,840

or so on

3096

02:07:58,629 --> 02:07:56,639

i just share information as best i can

3097

02:08:02,069 --> 02:07:58,639

and best that i understand

3098

02:08:05,189 --> 02:08:04,790

analyze and filter through all this

3099

02:08:07,109 --> 02:08:05,199

stuff

3100

02:08:08,790 --> 02:08:07,119

in order to find their own what they

3101  
02:08:11,750 --> 02:08:08,800  
believe is true

3102  
02:08:12,629 --> 02:08:11,760  
so uh you know what they're comfortable

3103  
02:08:15,750 --> 02:08:12,639  
with

3104  
02:08:17,109 --> 02:08:15,760  
but uh getting leaving the cities going

3105  
02:08:19,830 --> 02:08:17,119  
into the country

3106  
02:08:22,310 --> 02:08:19,840  
uh putting food away putting medical

3107  
02:08:26,470 --> 02:08:22,320  
supplies away and stuff and

3108  
02:08:27,109 --> 02:08:26,480  
and non-hybridized seed non-hybridized

3109  
02:08:31,350 --> 02:08:27,119  
seed

3110  
02:08:33,830 --> 02:08:31,360  
learning how to garden

3111  
02:08:35,669 --> 02:08:33,840  
so i don't garden here anything you

3112  
02:08:39,109 --> 02:08:35,679  
can't plant anything here it's be eaten

3113  
02:08:41,430 --> 02:08:39,119

up by by the deer and

3114

02:08:43,830 --> 02:08:41,440

all kinds of other animals that are here

3115

02:08:47,910 --> 02:08:46,790

anyway i don't but i'm just saying that

3116

02:08:49,669 --> 02:08:47,920

uh

3117

02:08:53,750 --> 02:08:49,679

these are things that they they said

3118

02:08:59,030 --> 02:08:56,870

okay another question yeah there's

3119

02:09:00,310 --> 02:08:59,040

there's many if you if you're uh

3120

02:09:03,030 --> 02:09:00,320

graciously willing to

3121

02:09:03,750 --> 02:09:03,040

to accept them uh this one is from deep

3122

02:09:05,910 --> 02:09:03,760

valley

3123

02:09:07,109 --> 02:09:05,920

asking is their knowledge of sasquatch

3124

02:09:12,950 --> 02:09:07,119

in austria

3125

02:09:12,960 --> 02:09:17,189

oh there is

3126

02:09:20,310 --> 02:09:19,030

i don't think there's very many there

3127

02:09:22,069 --> 02:09:20,320

but uh they're

3128

02:09:24,310 --> 02:09:22,079

they're in all mountain ranges it's

3129

02:09:27,750 --> 02:09:24,320

interesting last year

3130

02:09:29,589 --> 02:09:27,760

uh i've been on over 500 way over 500

3131

02:09:31,990 --> 02:09:29,599

radio and television talk shows

3132

02:09:33,350 --> 02:09:32,000

over the years i kept track for a while

3133

02:09:34,709 --> 02:09:33,360

but it doesn't make any sense to keep

3134

02:09:37,430 --> 02:09:34,719

track anymore

3135

02:09:38,870 --> 02:09:37,440

but this was in south africa i was on a

3136

02:09:40,709 --> 02:09:38,880

radio talk show

3137

02:09:42,229 --> 02:09:40,719

and the woman on the show it was a

3138

02:09:45,270 --> 02:09:42,239

paranormal show

3139

02:09:47,910 --> 02:09:45,280

and the woman was extremely psychic

3140

02:09:48,390 --> 02:09:47,920

and she was hiking up in the mountains

3141

02:09:51,750 --> 02:09:48,400

there

3142

02:09:53,350 --> 02:09:51,760

where she was and uh had an experience

3143

02:09:53,910 --> 02:09:53,360

with the sasquatch and they talked to

3144

02:09:56,390 --> 02:09:53,920

her

3145

02:09:57,109 --> 02:09:56,400

and that's why she wanted me on the show

3146

02:09:59,430 --> 02:09:57,119

so they're

3147

02:10:01,189 --> 02:09:59,440

all over there on the and the amazon

3148

02:10:04,229 --> 02:10:01,199

they're in mexico

3149

02:10:07,270 --> 02:10:04,239

uh you know

3150

02:10:10,390 --> 02:10:07,280

and they seem to learn

3151  
02:10:14,790 --> 02:10:10,400  
the language of the area so

3152  
02:10:18,149 --> 02:10:16,390  
they know many different languages

3153  
02:10:20,950 --> 02:10:18,159  
they're very very

3154  
02:10:22,550 --> 02:10:20,960  
super intelligent beyond anything we

3155  
02:10:25,350 --> 02:10:22,560  
look at them

3156  
02:10:26,310 --> 02:10:25,360  
because they're monstrous kind of

3157  
02:10:28,069 --> 02:10:26,320  
looking

3158  
02:10:29,430 --> 02:10:28,079  
uh they look so different and they have

3159  
02:10:30,870 --> 02:10:29,440  
hair oh

3160  
02:10:32,229 --> 02:10:30,880  
it's really fur and they have they're an

3161  
02:10:33,990 --> 02:10:32,239  
animal there's some kind of a crazy

3162  
02:10:37,510 --> 02:10:34,000  
animal running around out there

3163  
02:10:40,390 --> 02:10:37,520

that's what people start thinking and

3164

02:10:41,510 --> 02:10:40,400

not understanding how they're like talk

3165

02:10:44,069 --> 02:10:41,520

when i talk to them

3166

02:10:45,109 --> 02:10:44,079

it's like talking to 10 professors or

3167

02:10:48,950 --> 02:10:45,119

something you know

3168

02:10:52,629 --> 02:10:48,960

each one giving me key information

3169

02:10:56,390 --> 02:10:52,639

so we

3170

02:10:57,430 --> 02:10:56,400

they observed how we treated the native

3171

02:11:00,790 --> 02:10:57,440

american people

3172

02:11:04,069 --> 02:11:00,800

in this country which is

3173

02:11:07,350 --> 02:11:04,079

absolutely sad and and

3174

02:11:10,790 --> 02:11:07,360

shameful disgusting and

3175

02:11:13,990 --> 02:11:10,800

uh they could see that what we did

3176  
02:11:14,870 --> 02:11:14,000  
we through genocide i mean of these

3177  
02:11:17,669 --> 02:11:14,880  
people

3178  
02:11:19,270 --> 02:11:17,679  
now then we brought over slaves

3179  
02:11:21,750 --> 02:11:19,280  
afro-american people

3180  
02:11:23,430 --> 02:11:21,760  
and they saw how we treated them people

3181  
02:11:23,990 --> 02:11:23,440  
treated their dogs at times better they

3182  
02:11:27,350 --> 02:11:24,000  
did

3183  
02:11:29,910 --> 02:11:27,360  
slaves this is horrible and now

3184  
02:11:30,950 --> 02:11:29,920  
then the chinese came to work on the the

3185  
02:11:32,629 --> 02:11:30,960  
railroads

3186  
02:11:34,629 --> 02:11:32,639  
they treated them the same way as if

3187  
02:11:37,990 --> 02:11:34,639  
they were sub-human

3188  
02:11:41,350 --> 02:11:38,000

so are we going to relive history

3189

02:11:44,390 --> 02:11:41,360  
and continue to treat uh the forest

3190

02:11:46,950 --> 02:11:44,400  
people in in such a degrading way

3191

02:11:47,830 --> 02:11:46,960  
and have fans of people out there with

3192

02:11:49,350 --> 02:11:47,840  
guns

3193

02:11:52,229 --> 02:11:49,360  
that don't understand that these are

3194

02:11:54,709 --> 02:11:52,239  
spiritually evolved beings

3195

02:11:56,390 --> 02:11:54,719  
that want to help us they right now

3196

02:11:56,870 --> 02:11:56,400  
those people who are connecting with

3197

02:11:59,990 --> 02:11:56,880  
them

3198

02:12:02,709 --> 02:12:00,000  
are being helped and being educated more

3199

02:12:04,069 --> 02:12:02,719  
so it's it's critically important i

3200

02:12:05,109 --> 02:12:04,079  
don't know when a lot of this stuff will

3201

02:12:09,910 --> 02:12:05,119

hit the fan

3202

02:12:13,350 --> 02:12:11,830

it's going to happen a lot of this stuff

3203

02:12:14,149 --> 02:12:13,360

is going to happen and it's happening

3204

02:12:17,750 --> 02:12:14,159

already

3205

02:12:21,350 --> 02:12:17,760

in smaller amounts and it's building up

3206

02:12:23,669 --> 02:12:21,360

as far as uh world war iii i really

3207

02:12:26,950 --> 02:12:23,679

don't have a handle on that

3208

02:12:29,430 --> 02:12:26,960

other than i know the hopi say

3209

02:12:30,390 --> 02:12:29,440

that the red-headed people will come

3210

02:12:34,629 --> 02:12:30,400

down

3211

02:12:37,750 --> 02:12:34,639

from the from the west

3212

02:12:41,750 --> 02:12:37,760

and to the west coast of america

3213

02:12:45,750 --> 02:12:41,760

and uh they will show no mercy

3214

02:12:48,069 --> 02:12:45,760

uh is that china is that north korea

3215

02:12:49,589 --> 02:12:48,079

i don't know they said they will come

3216

02:12:52,310 --> 02:12:49,599

down from the sky

3217

02:12:52,870 --> 02:12:52,320

well are they going to parachute in i

3218

02:12:55,430 --> 02:12:52,880

don't know

3219

02:12:56,310 --> 02:12:55,440

again this is all conjecture at this

3220

02:12:58,709 --> 02:12:56,320

point

3221

02:13:00,629 --> 02:12:58,719

but something like that just look what's

3222

02:13:03,030 --> 02:13:00,639

happening just watch the news

3223

02:13:04,629 --> 02:13:03,040

even though it's a depressing the news

3224

02:13:06,950 --> 02:13:04,639

is very depressing

3225

02:13:07,910 --> 02:13:06,960

and i don't spend much time there

3226

02:13:10,310 --> 02:13:07,920

anymore but

3227

02:13:11,510 --> 02:13:10,320

i do glance to see where everything is

3228

02:13:14,310 --> 02:13:11,520

at

3229

02:13:16,629 --> 02:13:14,320

i like to keep tabs of storms and all

3230

02:13:17,990 --> 02:13:16,639

these things that are destructive to

3231

02:13:20,229 --> 02:13:18,000

see what's happening everything's

3232

02:13:23,669 --> 02:13:20,239

changing uh here

3233

02:13:26,550 --> 02:13:23,679

last week we had

3234

02:13:27,430 --> 02:13:26,560

temperatures that was 92 degrees the

3235

02:13:31,430 --> 02:13:27,440

next day was

3236

02:13:35,109 --> 02:13:31,440

66. g and that's a big switch

3237

02:13:37,430 --> 02:13:35,119

so the whole planet is is out of balance

3238

02:13:39,510 --> 02:13:37,440

and it starts with the people on the

3239

02:13:43,030 --> 02:13:39,520

planet

3240

02:13:45,350 --> 02:13:43,040

so another question please well kawani

3241

02:13:47,830 --> 02:13:45,360

uh most people i see you in chat

3242

02:13:49,510 --> 02:13:47,840

the ones that had a question they put

3243

02:13:53,589 --> 02:13:49,520

the

3244

02:13:56,790 --> 02:13:53,599

popping out

3245

02:13:58,470 --> 02:13:56,800

at me and there was one from from roadie

3246

02:13:59,030 --> 02:13:58,480

you've asked to answer it once before

3247

02:14:00,709 --> 02:13:59,040

but if

3248

02:14:02,229 --> 02:14:00,719

he's been very persistent so i figured

3249

02:14:04,310 --> 02:14:02,239

this could be the last one

3250

02:14:07,109 --> 02:14:04,320

he wants to ask it yourself on telegram

3251

02:14:12,550 --> 02:14:07,119

if that's okay with you

3252

02:14:14,790 --> 02:14:12,560

yeah okay yeah go ahead one second

3253

02:14:17,270 --> 02:14:14,800

uh okay wrote the unmute yourself and

3254

02:14:20,310 --> 02:14:17,280

you should be able to speak

3255

02:14:23,350 --> 02:14:20,320

hello can you hear me

3256

02:14:23,750 --> 02:14:23,360

go ahead please cool thank you um go

3257

02:14:26,229 --> 02:14:23,760

ahead

3258

02:14:27,589 --> 02:14:26,239

so how can you tell how can you tell

3259

02:14:31,109 --> 02:14:27,599

this

3260

02:14:32,709 --> 02:14:31,119

whatever they call

3261

02:14:33,990 --> 02:14:32,719

how can you tell they are around you

3262

02:14:35,830 --> 02:14:34,000

when they are around you what are the

3263

02:14:38,390 --> 02:14:35,840

telltales because i know that

3264

02:14:40,629 --> 02:14:38,400

i have contact with these people and i

3265

02:14:42,709 --> 02:14:40,639

can tell a few things but another person

3266

02:14:44,870 --> 02:14:42,719

talking about this is quite

3267

02:14:47,430 --> 02:14:44,880

yeah i'm the only person that i know

3268

02:14:48,709 --> 02:14:47,440

myself to do this but yeah how can you

3269

02:14:51,030 --> 02:14:48,719

tell they around you

3270

02:14:53,189 --> 02:14:51,040

spiritually speaking energetically

3271

02:14:55,510 --> 02:14:53,199

speaking when they

3272

02:14:56,629 --> 02:14:55,520

yeah come body starts to vibrate my

3273

02:14:59,109 --> 02:14:56,639

entire body

3274

02:15:00,550 --> 02:14:59,119

especially around my head but it's my

3275

02:15:02,470 --> 02:15:00,560

entire body

3276

02:15:04,229 --> 02:15:02,480

that tell me that they're right there

3277

02:15:06,310 --> 02:15:04,239

and then sometimes immediately they said

3278

02:15:09,750 --> 02:15:06,320

we're here my friend

3279

02:15:12,950 --> 02:15:09,760

so uh it's it's a vibration

3280

02:15:14,069 --> 02:15:12,960

it's my my physical body isn't vibration

3281

02:15:18,149 --> 02:15:14,079

it's my

3282

02:15:23,350 --> 02:15:18,159

my uh uh uh part of my soul

3283

02:15:27,430 --> 02:15:23,360

that's that deep and uh uh

3284

02:15:30,310 --> 02:15:27,440

that that vibrates so

3285

02:15:31,910 --> 02:15:30,320

uh i then i know they're right there

3286

02:15:33,430 --> 02:15:31,920

then i can start talking and

3287

02:15:35,430 --> 02:15:33,440

or they'll start talking one or the

3288

02:15:37,910 --> 02:15:35,440

other

3289

02:15:39,750 --> 02:15:37,920

so uh thank you for that question but

3290

02:15:43,990 --> 02:15:39,760

that's that's what happens

3291

02:15:48,149 --> 02:15:44,000

and to uh i'd like to

3292

02:15:53,030 --> 02:15:48,159

uh read a quote uh from

3293

02:15:55,830 --> 02:15:53,040

my book to kind of wrap up the

3294

02:15:59,589 --> 02:15:55,840

my talk here in my interview please do

3295

02:16:05,109 --> 02:16:02,870

i want to say that now if i may uh quote

3296

02:16:06,390 --> 02:16:05,119

give you this quote a quote is from a

3297

02:16:09,669 --> 02:16:06,400

zen monk

3298

02:16:12,629 --> 02:16:09,679

that once said and i quote all life

3299

02:16:14,310 --> 02:16:12,639

in nature has a spiritual dimension and

3300

02:16:17,270 --> 02:16:14,320

is sacred

3301

02:16:18,390 --> 02:16:17,280

when we honor other creatures as we do

3302

02:16:23,030 --> 02:16:18,400

ourselves

3303

02:16:26,310 --> 02:16:23,040

we all evolve another step end quote

3304

02:16:27,350 --> 02:16:26,320

well we're not treating others like

3305

02:16:29,990 --> 02:16:27,360

ourselves

3306

02:16:31,350 --> 02:16:30,000

we're treating we our minds are violent

3307

02:16:33,349 --> 02:16:31,360

many of us and

3308

02:16:35,030 --> 02:16:33,359

other people are and and so we're

3309

02:16:38,549 --> 02:16:35,040

treating animals and

3310

02:16:39,990 --> 02:16:38,559

and mother earth uh like we can dump

3311

02:16:43,669 --> 02:16:40,000

trash everywhere

3312

02:16:46,389 --> 02:16:43,679

i mean on these back roads where i drive

3313

02:16:47,110 --> 02:16:46,399

there's trash everywhere up and down the

3314

02:16:50,790 --> 02:16:47,120

roads

3315

02:16:54,549 --> 02:16:50,800

beer cans uh mcdonald

3316

02:16:56,629 --> 02:16:54,559

paper from mcdonald's

3317

02:16:57,750 --> 02:16:56,639

all kinds of stuff i find this all i

3318

02:17:00,790 --> 02:16:57,760

don't care where i go

3319

02:17:02,709 --> 02:17:00,800

some back road anywhere people need to

3320

02:17:06,150 --> 02:17:02,719

be taught this is horrible

3321

02:17:09,750 --> 02:17:07,910

cheap seattle said eventually we will

3322

02:17:12,150 --> 02:17:09,760

die in our own waste

3323

02:17:13,509 --> 02:17:12,160

because what we do to the earth we do to

3324

02:17:15,349 --> 02:17:13,519

ourselves

3325

02:17:16,950 --> 02:17:15,359

if you spit on the earth you're spitting

3326

02:17:19,990 --> 02:17:16,960

at yourself

3327

02:17:22,629 --> 02:17:20,000

and it people just don't get it

3328

02:17:23,030 --> 02:17:22,639

and that's why i i continue to lecture

3329

02:17:26,389 --> 02:17:23,040

and

3330

02:17:28,389 --> 02:17:26,399

to share as much information as i can

3331

02:17:31,509 --> 02:17:28,399

with people that want that that are

3332

02:17:34,950 --> 02:17:33,190

well kiwani thank you for that i

3333

02:17:37,030 --> 02:17:34,960

appreciate it and um

3334

02:17:38,389 --> 02:17:37,040

everyone else watching thank you very

3335

02:17:39,669 --> 02:17:38,399

much for your questions and thank you

3336

02:17:43,270 --> 02:17:39,679

for tuning in

3337

02:17:46,389 --> 02:17:43,280

um i will update the descriptions below

3338

02:17:50,070 --> 02:17:46,399

the videos with it uh it would be on uh

3339

02:17:52,230 --> 02:17:50,080

facebook uh uh twitch or youtube

3340

02:17:53,750 --> 02:17:52,240

um i will put in the the email address

3341

02:17:56,950 --> 02:17:53,760

and the phone number do you want you

3342

02:18:01,190 --> 02:17:56,960

wanted that correct kawani

3343

02:18:03,270 --> 02:18:01,200

yes yes thank you certainly another time

3344

02:18:05,509 --> 02:18:03,280

once i get my computer fixed and so

3345

02:18:08,469 --> 02:18:05,519

forth that uh

3346

02:18:10,070 --> 02:18:08,479

that we could do another session

3347

02:18:12,389 --> 02:18:10,080

sometime in the future if you're ever

3348

02:18:13,589 --> 02:18:12,399

interested and this is just so much

3349

02:18:16,230 --> 02:18:13,599

information

3350

02:18:17,349 --> 02:18:16,240

you know as well well thank you for

3351

02:18:19,669 --> 02:18:17,359

having me

3352

02:18:20,629 --> 02:18:19,679

and uh i thank all the people who ask

3353

02:18:23,349 --> 02:18:20,639

questions and

3354

02:18:24,389 --> 02:18:23,359

we're listening in and god bless you all

3355

02:18:26,629 --> 02:18:24,399

thanks kawani

3356

02:18:28,870 --> 02:18:26,639

so everyone else watching thank you

3357

02:18:31,429 --> 02:18:28,880

please remember to tune in next week

3358

02:18:32,309 --> 02:18:31,439

wednesday is open lines so you can chat

3359

02:18:35,190 --> 02:18:32,319

with me and

3360

02:18:35,990 --> 02:18:35,200

share your stories on telegram so as i

3361

02:18:38,790 --> 02:18:36,000

mentioned before

3362

02:18:41,589 --> 02:18:38,800

download the telegram app and make sure

3363

02:18:46,389 --> 02:18:44,469

go to the ufo hub group and then the

3364

02:18:47,030 --> 02:18:46,399

voice chat will usually start a half

3365

02:18:49,509 --> 02:18:47,040

hour

3366

02:18:50,629 --> 02:18:49,519

before seven and then at seven it will

3367

02:18:53,110 --> 02:18:50,639

go live on youtube

3368

02:18:53,910 --> 02:18:53,120

and of course facebook and twitch as

3369

02:18:55,990 --> 02:18:53,920

well

3370

02:18:57,429 --> 02:18:56,000

and uh on friday i will have another

3371

02:18:57,910 --> 02:18:57,439

guest i don't know who that's going to

3372

02:19:00,549 --> 02:18:57,920

be yet

3373

02:19:02,389 --> 02:19:00,559

it's also at 7 pm central time so make

3374

02:19:04,309 --> 02:19:02,399

sure you got those two dates

3375

02:19:05,669 --> 02:19:04,319

open it's usually every week wednesday

3376

02:19:09,030 --> 02:19:05,679

and friday at 7 00

3377

02:19:11,750 --> 02:19:09,040

and so tune in thank you again for

3378

02:19:12,709 --> 02:19:11,760

joining me today and again thanks for to
