

UFO HUB

LIVE STREAM

1
00:00:43,920 --> 00:00:31,260
[Music]

2
00:00:56,830 --> 00:00:43,930
so

3
00:01:12,810 --> 00:00:56,840
[Music]

4
00:01:31,930 --> 00:01:12,820
so

5
00:01:31,940 --> 00:01:53,350
[Music]

6
00:01:53,360 --> 00:02:20,070
food

7
00:02:51,500 --> 00:02:48,830
[Music]

8
00:03:53,670 --> 00:02:51,510
so

9
00:03:58,070 --> 00:03:55,990
hey everyone welcome to the ufo hub live

10
00:03:59,270 --> 00:03:58,080
stream and uh today's guest is going to

11
00:04:02,149 --> 00:03:59,280
be debbie cobble

12
00:04:03,030 --> 00:04:02,159
and i'm very happy to welcome her for

13
00:04:05,110 --> 00:04:03,040

part two

14

00:04:06,390 --> 00:04:05,120

and to continue our conversation but

15

00:04:08,869 --> 00:04:06,400

it's always uh

16

00:04:10,149 --> 00:04:08,879

great surprises happen i found out that

17

00:04:13,350 --> 00:04:10,159

the report

18

00:04:14,149 --> 00:04:13,360

dropped today and i wanted to get into

19

00:04:17,430 --> 00:04:14,159

that a little bit

20

00:04:20,789 --> 00:04:17,440

because it was very very um

21

00:04:25,510 --> 00:04:20,799

underwhelming to say the least so

22

00:04:31,030 --> 00:04:25,520

let me do some switching over here

23

00:04:35,110 --> 00:04:33,590

and i have also the description or

24

00:04:36,629 --> 00:04:35,120

actually in the in the description below

25

00:04:38,310 --> 00:04:36,639

the video there's the link to this

26

00:04:41,270 --> 00:04:38,320

report that you can see yourself

27

00:04:42,070 --> 00:04:41,280

it's actually only about nine pages long

28

00:04:43,909 --> 00:04:42,080

and i'm not going to

29

00:04:45,990 --> 00:04:43,919

read anything from it because i would

30

00:04:48,629 --> 00:04:46,000

like to actually get to debbie and talk

31

00:04:50,310 --> 00:04:48,639

about some very exciting things because

32

00:04:53,350 --> 00:04:50,320

uh the report

33

00:04:55,270 --> 00:04:53,360

um is basically once you get to the page

34

00:04:56,390 --> 00:04:55,280

it says download the report you can see

35

00:04:59,670 --> 00:04:56,400

that link right there

36

00:05:02,390 --> 00:04:59,680

and it'll open up a powerpoint

37

00:05:03,430 --> 00:05:02,400

or i mean a pdf and it basically says

38

00:05:07,510 --> 00:05:03,440

that

39

00:05:08,629 --> 00:05:07,520

they can register some physicality to

40

00:05:12,310 --> 00:05:08,639

the uaps

41

00:05:13,749 --> 00:05:12,320

basically using their different

42

00:05:16,150 --> 00:05:13,759

sensors that they have whether it would

43

00:05:19,189 --> 00:05:16,160

be radar infrared

44

00:05:22,390 --> 00:05:19,199

electro-optical weapon seekers and

45

00:05:25,430 --> 00:05:22,400

visual observation so and basically

46

00:05:27,350 --> 00:05:25,440

you're saying they don't have

47

00:05:28,790 --> 00:05:27,360

proper ways of collecting data to make

48

00:05:31,430 --> 00:05:28,800

any kind of

49

00:05:32,070 --> 00:05:31,440

conclusions and they need more funding

50

00:05:34,469 --> 00:05:32,080

so

51
00:05:35,749 --> 00:05:34,479
it says it was it was supposed to be a

52
00:05:38,150 --> 00:05:35,759
preliminary

53
00:05:39,510 --> 00:05:38,160
report and i'm hoping that there's more

54
00:05:42,230 --> 00:05:39,520
coming or maybe

55
00:05:43,590 --> 00:05:42,240
in a sense that's just uh leaving an

56
00:05:46,629 --> 00:05:43,600
open door for

57
00:05:47,590 --> 00:05:46,639
more to come and maybe maybe something

58
00:05:49,749 --> 00:05:47,600
else happened

59
00:05:51,590 --> 00:05:49,759
until you know between uh when this

60
00:05:54,550 --> 00:05:51,600
first came out and now

61
00:05:55,590 --> 00:05:54,560
i apologize if i'm behind but all the

62
00:05:58,469 --> 00:05:55,600
way up till

63
00:05:59,749 --> 00:05:58,479

we uh going live i was checking to make

64

00:06:02,309 --> 00:05:59,759

sure that there wasn't

65

00:06:03,990 --> 00:06:02,319

anything else because this report that

66

00:06:06,230 --> 00:06:04,000

we're all anticipating

67

00:06:07,350 --> 00:06:06,240

it was a whole whopping nine pages as i

68

00:06:11,430 --> 00:06:07,360

mentioned and

69

00:06:13,110 --> 00:06:11,440

it's very um very disappointing but

70

00:06:15,270 --> 00:06:13,120

i guess if there's anything positive

71

00:06:17,749 --> 00:06:15,280

that can be that can be drawn from this

72

00:06:18,790 --> 00:06:17,759

is that there weren't um there weren't

73

00:06:20,469 --> 00:06:18,800

there weren't poopooing

74

00:06:22,309 --> 00:06:20,479

you know they were basically saying

75

00:06:25,749 --> 00:06:22,319

we're registering something it

76

00:06:29,270 --> 00:06:25,759

has some uh national security uh

77

00:06:32,629 --> 00:06:29,280

security uh concerns and

78

00:06:35,189 --> 00:06:32,639

you know it does some very uh basically

79

00:06:36,390 --> 00:06:35,199

the the performance and and all that

80

00:06:38,790 --> 00:06:36,400

they they can't

81

00:06:39,830 --> 00:06:38,800

pinpoint it to any given adversary they

82

00:06:42,469 --> 00:06:39,840

don't think it's

83

00:06:43,110 --> 00:06:42,479

you know uh one of the other uh

84

00:06:46,150 --> 00:06:43,120

countries

85

00:06:47,430 --> 00:06:46,160

and it and so anyway i don't know i hope

86

00:06:49,909 --> 00:06:47,440

they come out with more

87

00:06:50,870 --> 00:06:49,919

it's like i said at least they weren't

88

00:06:52,550 --> 00:06:50,880

uh saying no

89

00:06:54,309 --> 00:06:52,560

like they have been for the past i don't

90

00:06:56,870 --> 00:06:54,319

know how many 70 plus years

91

00:06:57,589 --> 00:06:56,880

and so maybe this is the the beginning

92

00:06:59,510 --> 00:06:57,599

of

93

00:07:00,950 --> 00:06:59,520

much more to come maybe they'll just

94

00:07:03,909 --> 00:07:00,960

spoon feed it slowly

95

00:07:05,990 --> 00:07:03,919

over time because maybe maybe it has to

96

00:07:08,469 --> 00:07:06,000

be this way for us we're ready for

97

00:07:10,070 --> 00:07:08,479

you know full disclosure but if they're

98

00:07:12,390 --> 00:07:10,080

going to start out with the rest of the

99

00:07:14,710 --> 00:07:12,400

masses maybe this is where it needs to

100

00:07:16,070 --> 00:07:14,720

need to start so i'm trying to look at

101
00:07:17,589 --> 00:07:16,080
it more from a positive point of view

102
00:07:19,110 --> 00:07:17,599
instead of just being negative about it

103
00:07:20,790 --> 00:07:19,120
but then again i've always

104
00:07:22,710 --> 00:07:20,800
mentioned to you guys i've never really

105
00:07:25,029 --> 00:07:22,720
needed the government to confirm

106
00:07:26,710 --> 00:07:25,039
anything for me um that's why i started

107
00:07:27,510 --> 00:07:26,720
the show that's why i talk to the people

108
00:07:28,870 --> 00:07:27,520
i talk to

109
00:07:31,189 --> 00:07:28,880
because we have our own community our

110
00:07:33,589 --> 00:07:31,199
own support group that basically

111
00:07:35,350 --> 00:07:33,599
had to be created because of this kind

112
00:07:38,629 --> 00:07:35,360
of evasion all the time

113
00:07:40,309 --> 00:07:38,639

and and never really kind of um owning

114

00:07:43,110 --> 00:07:40,319

up to it to help their citizens

115

00:07:44,309 --> 00:07:43,120

uh with whatever has been going on so

116

00:07:47,670 --> 00:07:44,319

anyway

117

00:07:49,270 --> 00:07:47,680

so let me let me just check on things so

118

00:07:51,350 --> 00:07:49,280

you can yeah in the description below

119

00:07:52,390 --> 00:07:51,360

you can get this report yourself it's

120

00:07:56,830 --> 00:07:52,400

very short

121

00:08:01,670 --> 00:07:56,840

you can read it um and uh

122

00:08:04,070 --> 00:08:01,680

so oh okay shifting back

123

00:08:06,230 --> 00:08:04,080

all right let me let me then just

124

00:08:09,589 --> 00:08:06,240

without any further ado

125

00:08:10,869 --> 00:08:09,599

uh welcome uh debbie debbie how you

126
00:08:13,270 --> 00:08:10,879
doing

127
00:08:13,990 --> 00:08:13,280
i'm good how are you oh just fine thanks

128
00:08:16,550 --> 00:08:14,000
very much for

129
00:08:17,350 --> 00:08:16,560
being back on again and um you have some

130
00:08:19,990 --> 00:08:17,360
great news

131
00:08:21,510 --> 00:08:20,000
uh what what's been happening recently

132
00:08:24,950 --> 00:08:21,520
in your life

133
00:08:28,869 --> 00:08:24,960
well on tuesday my book became available

134
00:08:32,230 --> 00:08:28,879
on amazon and barnes noble and kindle

135
00:08:38,630 --> 00:08:32,240
and seems to be doing pretty good

136
00:08:43,430 --> 00:08:41,509
a new you know listing or whatever they

137
00:08:45,670 --> 00:08:43,440
call it on amazon so

138
00:08:46,870 --> 00:08:45,680

i'm really excited about that i'm

139

00:08:49,190 --> 00:08:46,880

awesome

140

00:08:51,190 --> 00:08:49,200

hoping that when people read it they'll

141

00:08:53,670 --> 00:08:51,200

realize that you know i'm

142

00:08:55,590 --> 00:08:53,680

just a person i'm not a writer and i

143

00:08:58,870 --> 00:08:55,600

don't use fancy words

144

00:09:02,070 --> 00:08:58,880

uh i write like i talk and sometimes i

145

00:09:02,870 --> 00:09:02,080

butcher my own language so forgive me if

146

00:09:06,630 --> 00:09:02,880

i don't sound

147

00:09:08,150 --> 00:09:06,640

very sophisticated sometimes but just me

148

00:09:09,670 --> 00:09:08,160

and i'm just telling my story so i'm

149

00:09:12,070 --> 00:09:09,680

really excited that you know i mean it

150

00:09:16,550 --> 00:09:15,030

it at least 10 years to get this put

151

00:09:20,389 --> 00:09:16,560

back together and

152

00:09:21,110 --> 00:09:20,399

and expanded upon and so one good thing

153

00:09:22,790 --> 00:09:21,120

came out of the

154

00:09:25,269 --> 00:09:22,800

uh seven weeks that i was laid off

155

00:09:28,790 --> 00:09:25,279

because of covet is that when i finished

156

00:09:29,590 --> 00:09:28,800

this book so right well i'm i'm very

157

00:09:31,829 --> 00:09:29,600

happy that

158

00:09:33,750 --> 00:09:31,839

uh that you told me because when i got

159

00:09:35,670 --> 00:09:33,760

the message i was like hey perfect

160

00:09:36,949 --> 00:09:35,680

because i was looking to always schedule

161

00:09:38,790 --> 00:09:36,959

people out and as

162

00:09:40,310 --> 00:09:38,800

always everything happens in perfect

163

00:09:42,470 --> 00:09:40,320

timing so um

164

00:09:45,750 --> 00:09:42,480

i guess before we start what is what is

165

00:09:48,070 --> 00:09:45,760

your thought about this report

166

00:09:50,710 --> 00:09:48,080

you know i it's exactly what i thought

167

00:09:54,070 --> 00:09:50,720

it would be which was a lot of not much

168

00:09:55,269 --> 00:09:54,080

um i guess i don't know if i i might be

169

00:09:59,030 --> 00:09:55,279

a little jaded

170

00:10:02,829 --> 00:09:59,040

you know um or skeptical

171

00:10:05,430 --> 00:10:02,839

but on the flip side um like you said it

172

00:10:07,430 --> 00:10:05,440

didn't rule them out

173

00:10:08,949 --> 00:10:07,440

i mean you and i already know that if

174

00:10:10,550 --> 00:10:08,959

china or russia had that kind of

175

00:10:11,910 --> 00:10:10,560

technology we'd all be flying a

176

00:10:15,910 --> 00:10:11,920

different flag

177

00:10:18,949 --> 00:10:15,920

you know and uh so we already knew that

178

00:10:19,829 --> 00:10:18,959

and uh the fact that they didn't rule

179

00:10:22,470 --> 00:10:19,839

out

180

00:10:23,190 --> 00:10:22,480

something else i think it's kind of a

181

00:10:26,069 --> 00:10:23,200

big deal

182

00:10:27,910 --> 00:10:26,079

but like i told you earlier too i found

183

00:10:31,509 --> 00:10:27,920

the timing of this

184

00:10:35,110 --> 00:10:31,519

drop quite interesting considering

185

00:10:36,069 --> 00:10:35,120

what what a uh busy news day it was

186

00:10:37,590 --> 00:10:36,079

today

187

00:10:39,430 --> 00:10:37,600

you know between the verdict in

188

00:10:41,190 --> 00:10:39,440

minnesota and uh

189

00:10:42,710 --> 00:10:41,200

all the stuff coming out of new york

190

00:10:46,310 --> 00:10:42,720

state um

191

00:10:49,509 --> 00:10:46,320

you know the news channels and also

192

00:10:50,710 --> 00:10:49,519

local news is just hopping and nobody

193

00:10:53,990 --> 00:10:50,720

has even

194

00:10:54,630 --> 00:10:54,000

one time mentioned this report on the

195

00:10:56,949 --> 00:10:54,640

news

196

00:10:58,069 --> 00:10:56,959

at least not that i've seen so i think

197

00:11:00,710 --> 00:10:58,079

that was not an

198

00:11:01,190 --> 00:11:00,720

accident and i was actually expecting it

199

00:11:04,470 --> 00:11:01,200

um

200

00:11:06,870 --> 00:11:04,480

what is today's date okay 25th yeah 25th

201
00:11:07,990 --> 00:11:06,880
yeah i was kind of expecting it today

202
00:11:10,310 --> 00:11:08,000
but

203
00:11:11,350 --> 00:11:10,320
yeah anyway so we'll see hopefully more

204
00:11:14,069 --> 00:11:11,360
will come

205
00:11:14,550 --> 00:11:14,079
they definitely didn't rule it out so

206
00:11:17,110 --> 00:11:14,560
that's

207
00:11:18,310 --> 00:11:17,120
encouraging right i just hope they

208
00:11:21,910 --> 00:11:18,320
continue

209
00:11:24,310 --> 00:11:21,920
open and forthright about it

210
00:11:25,110 --> 00:11:24,320
because you know this isn't 1940

211
00:11:27,750 --> 00:11:25,120
something like

212
00:11:29,430 --> 00:11:27,760
when during roswell you know the first

213
00:11:32,150 --> 00:11:29,440

day or two they

214

00:11:33,430 --> 00:11:32,160

people reported the ufo debris and they

215

00:11:35,269 --> 00:11:33,440

had pictures of it and everything and

216

00:11:36,470 --> 00:11:35,279

all of a sudden it was a weather balloon

217

00:11:38,069 --> 00:11:36,480

you know they kind of shoved the

218

00:11:40,069 --> 00:11:38,079

toothpaste back in the tube and i don't

219

00:11:42,069 --> 00:11:40,079

think they can do that this time

220

00:11:43,430 --> 00:11:42,079

so let's we'll see what happens i'll

221

00:11:46,550 --> 00:11:43,440

remain

222

00:11:49,350 --> 00:11:46,560

cautiously optimistic

223

00:11:51,430 --> 00:11:49,360

right well um i'm not quite

224

00:11:53,190 --> 00:11:51,440

understanding some of the i just want to

225

00:11:54,790 --> 00:11:53,200

uh address a few things that were just

226

00:11:55,829 --> 00:11:54,800

brought up before we continue debbie i

227

00:11:58,949 --> 00:11:55,839

hope your mind

228

00:11:59,430 --> 00:11:58,959

um so obviously on wednesdays it's the

229

00:12:01,590 --> 00:11:59,440

only

230

00:12:03,110 --> 00:12:01,600

time we do call-ins where some of you

231

00:12:03,829 --> 00:12:03,120

can share your stories but of course

232

00:12:06,949 --> 00:12:03,839

right now

233

00:12:10,230 --> 00:12:06,959

we're simultan simultaneously uh

234

00:12:13,110 --> 00:12:10,240

casting to facebook youtube and twitch

235

00:12:15,910 --> 00:12:13,120

and also voice only on telegram and so

236

00:12:18,230 --> 00:12:15,920

you can listen there but you can also

237

00:12:19,670 --> 00:12:18,240

log in and when it's time for questions

238

00:12:22,949 --> 00:12:19,680

and answers which we might be

239

00:12:24,550 --> 00:12:22,959

going into sooner than later log in

240

00:12:26,310 --> 00:12:24,560

raise your hand and you'll be able to

241

00:12:29,269 --> 00:12:26,320

talk to and ask the question

242

00:12:30,310 --> 00:12:29,279

of debbie yourself so don't be shy log

243

00:12:32,710 --> 00:12:30,320

in right now

244

00:12:33,670 --> 00:12:32,720

it'll be you know maybe another i don't

245

00:12:35,430 --> 00:12:33,680

know 15

246

00:12:36,949 --> 00:12:35,440

20 minutes who knows how long it takes

247

00:12:40,710 --> 00:12:36,959

for us to cover a few things

248

00:12:42,230 --> 00:12:40,720

and then we'll be able to do the q a so

249

00:12:43,509 --> 00:12:42,240

if you don't have it downloaded yet

250

00:12:44,629 --> 00:12:43,519

download it on your phone or the

251
00:12:47,590 --> 00:12:44,639
computer

252
00:12:48,230 --> 00:12:47,600
simply either go to the description box

253
00:12:51,030 --> 00:12:48,240
below

254
00:12:51,990 --> 00:12:51,040
where it says telegram group and you can

255
00:12:54,629 --> 00:12:52,000
click on that or

256
00:12:55,509 --> 00:12:54,639
just do a search for ufo hub and you'll

257
00:12:57,590 --> 00:12:55,519
find a group

258
00:12:58,710 --> 00:12:57,600
and there there's a ufo hub voice chat

259
00:13:02,389 --> 00:12:58,720
going on right now

260
00:13:04,870 --> 00:13:02,399
and join it so anyway um

261
00:13:06,710 --> 00:13:04,880
and uh regarding the report i've just

262
00:13:07,110 --> 00:13:06,720
covered it a little bit earlier today

263
00:13:10,470 --> 00:13:07,120

and

264

00:13:11,590 --> 00:13:10,480

there's not much to report so i also

265

00:13:13,910 --> 00:13:11,600

have the link of

266

00:13:15,910 --> 00:13:13,920

the report in the descriptions as well

267

00:13:18,949 --> 00:13:15,920

check it out it's only nine pages long

268

00:13:21,110 --> 00:13:18,959

and i've given you my comments earlier

269

00:13:22,069 --> 00:13:21,120

and you can kind of read it and make up

270

00:13:25,190 --> 00:13:22,079

your own mind

271

00:13:27,829 --> 00:13:25,200

so anyway uh so

272

00:13:29,670 --> 00:13:27,839

debbie what what is it what is it

273

00:13:32,069 --> 00:13:29,680

basically what is it like

274

00:13:32,870 --> 00:13:32,079

for you from all these all this time

275

00:13:34,790 --> 00:13:32,880

from

276

00:13:36,790 --> 00:13:34,800

the initial when we did our first part

277

00:13:37,910 --> 00:13:36,800

and you gave a great detail of your

278

00:13:40,069 --> 00:13:37,920

background story

279

00:13:41,829 --> 00:13:40,079

and regarding intruders and now you have

280

00:13:45,670 --> 00:13:41,839

your your second book out

281

00:13:49,269 --> 00:13:45,680

what is it like living in in this

282

00:13:52,790 --> 00:13:49,279

bizarre kind of alternate universe that

283

00:13:54,629 --> 00:13:52,800

very few are familiar with well

284

00:13:56,470 --> 00:13:54,639

first of all i think more people are

285

00:13:59,430 --> 00:13:56,480

familiar with it than we realize

286

00:14:00,470 --> 00:13:59,440

because i think most people don't talk

287

00:14:03,910 --> 00:14:00,480

about it

288

00:14:05,110 --> 00:14:03,920

and um rightly so i suppose uh although

289

00:14:07,269 --> 00:14:05,120

times have changed

290

00:14:09,430 --> 00:14:07,279

it's a lot different now than it was 30

291

00:14:12,870 --> 00:14:09,440

some years ago that's for sure

292

00:14:15,350 --> 00:14:12,880

uh but i've always um tried

293

00:14:16,069 --> 00:14:15,360

all i've ever wanted is to be normal and

294

00:14:20,230 --> 00:14:16,079

have a normal

295

00:14:21,829 --> 00:14:20,240

life um in my opinion

296

00:14:24,230 --> 00:14:21,839

and i can only speak for myself but

297

00:14:25,750 --> 00:14:24,240

honestly i can never imagine

298

00:14:27,350 --> 00:14:25,760

anybody wanting to be famous for

299

00:14:29,829 --> 00:14:27,360

something like this

300

00:14:32,069 --> 00:14:29,839

i had to be convinced and talked into

301
00:14:34,710 --> 00:14:32,079
even letting bud write intruders

302
00:14:35,990 --> 00:14:34,720
you know well my whole family did it

303
00:14:39,590 --> 00:14:36,000
wasn't just about me

304
00:14:41,269 --> 00:14:39,600
although i was the central figure but um

305
00:14:42,949 --> 00:14:41,279
you know i had to think about it for a

306
00:14:45,990 --> 00:14:42,959
while i had kids

307
00:14:48,150 --> 00:14:46,000
and um it and it's funny and

308
00:14:50,389 --> 00:14:48,160
like i mentioned to you uh i got a

309
00:14:51,350 --> 00:14:50,399
letter i got an email not too long ago

310
00:14:54,389 --> 00:14:51,360
after i

311
00:14:55,269 --> 00:14:54,399
was on howard hughes broadcast over in

312
00:14:57,829 --> 00:14:55,279
uk

313
00:14:59,750 --> 00:14:57,839

but you could hear them from everywhere

314

00:15:01,829 --> 00:14:59,760

i got an email from a guy

315

00:15:02,949 --> 00:15:01,839

here in my hometown that lives about 10

316

00:15:06,310 --> 00:15:02,959

minutes from me

317

00:15:09,910 --> 00:15:06,320

and he said can you imagine my surprise

318

00:15:11,829 --> 00:15:09,920

when i realized that this woman you

319

00:15:14,389 --> 00:15:11,839

who had been through all this for so

320

00:15:16,069 --> 00:15:14,399

long lived 10 minutes from me

321

00:15:17,829 --> 00:15:16,079

all these years i've been interested in

322

00:15:19,590 --> 00:15:17,839

the subject and done and read and

323

00:15:20,389 --> 00:15:19,600

everything because i had no idea who you

324

00:15:23,590 --> 00:15:20,399

were

325

00:15:27,509 --> 00:15:23,600

or how you know

326

00:15:29,189 --> 00:15:27,519

how close you were to where i lived and

327

00:15:31,110 --> 00:15:29,199

i wrote him back and said thanks that

328

00:15:34,150 --> 00:15:31,120

means what i did worked because

329

00:15:37,110 --> 00:15:34,160

i uh my plan worked

330

00:15:38,310 --> 00:15:37,120

because i had kids to raise my number

331

00:15:41,430 --> 00:15:38,320

one priority has

332

00:15:42,629 --> 00:15:41,440

always been them and then my job this is

333

00:15:45,670 --> 00:15:42,639

not my job

334

00:15:47,110 --> 00:15:45,680

the ufo stuff that and when i talk and

335

00:15:49,189 --> 00:15:47,120

the book that i wrote and the book i

336

00:15:51,509 --> 00:15:49,199

wrote with my sister this is not my job

337

00:15:52,710 --> 00:15:51,519

i worked i've worked since i was 15 and

338

00:15:56,230 --> 00:15:52,720

a half years old

339

00:15:58,629 --> 00:15:56,240

at real jobs regular jobs hard jobs

340

00:16:01,350 --> 00:15:58,639

factory jobs you know all kinds of work

341

00:16:06,550 --> 00:16:01,360

but and a hairdresser on top of that for

342

00:16:09,590 --> 00:16:08,710

and i just i just wanted my kids to have

343

00:16:12,310 --> 00:16:09,600

a normal life

344

00:16:13,910 --> 00:16:12,320

as much as they could amongst all the

345

00:16:15,910 --> 00:16:13,920

weird stuff that happened around all of

346

00:16:19,030 --> 00:16:15,920

us

347

00:16:20,389 --> 00:16:19,040

so i would avoid talk

348

00:16:21,829 --> 00:16:20,399

i didn't want to talk about it i didn't

349

00:16:23,910 --> 00:16:21,839

want to talk about it around people i

350

00:16:27,110 --> 00:16:23,920

work i didn't want talking about it

351
00:16:29,509 --> 00:16:27,120
like i would only accept speaking things

352
00:16:31,189 --> 00:16:29,519
that were outside of my area

353
00:16:32,949 --> 00:16:31,199
you know because i was protecting my

354
00:16:36,629 --> 00:16:32,959
family my kids

355
00:16:40,870 --> 00:16:36,639
before intruders was even written

356
00:16:43,509 --> 00:16:40,880
we had strange people come to our house

357
00:16:45,670 --> 00:16:43,519
on several different occasions messing

358
00:16:48,069 --> 00:16:45,680
around in my mom and dad's backyard

359
00:16:49,269 --> 00:16:48,079
messing around in the front yard and

360
00:16:52,389 --> 00:16:49,279
then when i

361
00:16:54,230 --> 00:16:52,399
lived on my own with my kids i had two

362
00:16:55,990 --> 00:16:54,240
different occasions where strangers came

363
00:16:59,189 --> 00:16:56,000

up and knocked on my door

364

00:17:00,470 --> 00:16:59,199

which i didn't it scared me you know so

365

00:17:03,749 --> 00:17:00,480

i was very

366

00:17:05,829 --> 00:17:03,759

i didn't want to be known for this stuff

367

00:17:06,870 --> 00:17:05,839

i just wanted a normal life and i wanted

368

00:17:08,470 --> 00:17:06,880

it to go away

369

00:17:09,990 --> 00:17:08,480

there were many times in my life and i

370

00:17:12,549 --> 00:17:10,000

would think to myself just stop

371

00:17:13,350 --> 00:17:12,559

just leave me alone i don't want this

372

00:17:17,429 --> 00:17:13,360

why are you

373

00:17:19,590 --> 00:17:17,439

why is this happening to me and um

374

00:17:20,949 --> 00:17:19,600

you know i would try to back myself out

375

00:17:24,549 --> 00:17:20,959

of it all and just try to

376

00:17:27,669 --> 00:17:24,559

you know i not just kind of disappear

377

00:17:30,470 --> 00:17:27,679

for a while but something always

378

00:17:33,190 --> 00:17:30,480

drop kicked me right back into it some

379

00:17:35,750 --> 00:17:33,200

way or another um

380

00:17:37,270 --> 00:17:35,760

and i finally realized you know after a

381

00:17:40,310 --> 00:17:37,280

while that well

382

00:17:42,230 --> 00:17:40,320

this is just my life this is

383

00:17:43,990 --> 00:17:42,240

who i am it's a part of me and i might

384

00:17:47,830 --> 00:17:44,000

as well just embrace it because it is

385

00:17:50,070 --> 00:17:47,840

what it is and it's not going to go away

386

00:17:51,750 --> 00:17:50,080

and once i realized that once i adopted

387

00:17:53,430 --> 00:17:51,760

that kind of attitude about it i

388

00:17:55,990 --> 00:17:53,440

started really feeling you know a lot

389

00:17:59,110 --> 00:17:56,000

better and a lot stronger about it

390

00:17:59,430 --> 00:17:59,120

and like i said times have changed back

391

00:18:03,029 --> 00:17:59,440

when

392

00:18:04,710 --> 00:18:03,039

i first came out um publicly with the

393

00:18:08,549 --> 00:18:04,720

weird stuff that happened to me and

394

00:18:11,830 --> 00:18:10,470

nobody talked about this and if you did

395

00:18:13,110 --> 00:18:11,840

people looked at you like you were

396

00:18:15,510 --> 00:18:13,120

absolutely nuts and

397

00:18:17,750 --> 00:18:15,520

i didn't blame them because i felt this

398

00:18:19,430 --> 00:18:17,760

i mean i felt like if i hadn't seen and

399

00:18:20,950 --> 00:18:19,440

experienced some of those things i

400

00:18:24,549 --> 00:18:20,960

wouldn't believe it either

401
00:18:27,909 --> 00:18:24,559
but now you can

402
00:18:29,909 --> 00:18:27,919
go to walmart and buy t-shirts with

403
00:18:31,830 --> 00:18:29,919
aliens on them people pay

404
00:18:33,909 --> 00:18:31,840
hundreds of dollars to be taken

405
00:18:37,029 --> 00:18:33,919
somewhere to try to call them

406
00:18:40,390 --> 00:18:37,039
in you know and it's just like

407
00:18:43,029 --> 00:18:40,400
there's been this huge shift in

408
00:18:43,830 --> 00:18:43,039
attitude about the whole thing you know

409
00:18:46,070 --> 00:18:43,840
but and i'm

410
00:18:47,830 --> 00:18:46,080
glad for that i'm glad for my kids and

411
00:18:50,950 --> 00:18:47,840
my grandkids you know it's gonna it'll

412
00:18:53,510 --> 00:18:50,960
make it easier for them but

413
00:18:55,270 --> 00:18:53,520

i mean i'm getting old right well you

414

00:18:56,390 --> 00:18:55,280

know i just want to make a quick point

415

00:18:59,350 --> 00:18:56,400

regard regarding

416

00:18:59,669 --> 00:18:59,360

something that um i i often think about

417

00:19:01,909 --> 00:18:59,679

and

418

00:19:04,310 --> 00:19:01,919

i mention it to people so you know

419

00:19:06,630 --> 00:19:04,320

what's it's almost like this

420

00:19:08,310 --> 00:19:06,640

experiencers and and researchers they

421

00:19:11,430 --> 00:19:08,320

have this unfair

422

00:19:13,029 --> 00:19:11,440

uh burden of proof to regarding

423

00:19:15,590 --> 00:19:13,039

these these different subjects like

424

00:19:16,470 --> 00:19:15,600

aliens and ufos and and all these other

425

00:19:18,310 --> 00:19:16,480

things there's

426

00:19:19,669 --> 00:19:18,320

so many people like where's your proof

427

00:19:22,230 --> 00:19:19,679

where's this where's that

428

00:19:23,830 --> 00:19:22,240

it's like hold on one one minute almost

429

00:19:25,909 --> 00:19:23,840

cut there for a second

430

00:19:27,270 --> 00:19:25,919

you know like sometimes it does get me

431

00:19:29,590 --> 00:19:27,280

you know so you have

432

00:19:31,190 --> 00:19:29,600

researchers that are fully funded

433

00:19:34,549 --> 00:19:31,200

regarding a subject that

434

00:19:36,870 --> 00:19:34,559

uh is uh deemed you know worthy of of of

435

00:19:38,230 --> 00:19:36,880

investment and money and then they go

436

00:19:39,029 --> 00:19:38,240

out there find out what they need to

437

00:19:41,909 --> 00:19:39,039

find out

438

00:19:43,590 --> 00:19:41,919

and uh they you know however many years

439

00:19:45,350 --> 00:19:43,600

that funding goes they come back they

440

00:19:47,350 --> 00:19:45,360

can present whatever they found

441

00:19:48,470 --> 00:19:47,360

you know and then you have these people

442

00:19:50,549 --> 00:19:48,480

like you and i and

443

00:19:52,390 --> 00:19:50,559

and pretty much everyone in the ufo

444

00:19:53,750 --> 00:19:52,400

field that i know that's been kind of

445

00:19:54,950 --> 00:19:53,760

boots on the ground and just kind of

446

00:19:55,590 --> 00:19:54,960

doing their own homework trying to

447

00:19:58,710 --> 00:19:55,600

figure out

448

00:19:59,430 --> 00:19:58,720

what this is about but after going to

449

00:20:02,149 --> 00:19:59,440

work

450

00:20:03,350 --> 00:20:02,159

after paying the bills after taking care

451
00:20:05,990 --> 00:20:03,360
of family you know

452
00:20:06,870 --> 00:20:06,000
after you know making sure insurance is

453
00:20:08,070 --> 00:20:06,880
paid after

454
00:20:10,230 --> 00:20:08,080
you know everything else has been

455
00:20:11,990 --> 00:20:10,240
covered you know oh and then with

456
00:20:13,590 --> 00:20:12,000
you know the the two three hours that

457
00:20:15,510 --> 00:20:13,600
are left of the waking day

458
00:20:17,029 --> 00:20:15,520
and the research that we might do it's

459
00:20:19,510 --> 00:20:17,039
like how dare you not have an

460
00:20:20,789 --> 00:20:19,520
answer have answers for us and therefore

461
00:20:22,470 --> 00:20:20,799
we don't believe you

462
00:20:24,390 --> 00:20:22,480
you know at least in the very beginning

463
00:20:25,750 --> 00:20:24,400

now of course it's shifted quite a bit

464

00:20:27,830 --> 00:20:25,760

and people are more curious

465

00:20:28,870 --> 00:20:27,840

but i felt like that was it was an

466

00:20:31,909 --> 00:20:28,880

unfair

467

00:20:33,750 --> 00:20:31,919

uh a burden on on someone like me and

468

00:20:34,630 --> 00:20:33,760

everyone else to just immediately spill

469

00:20:36,630 --> 00:20:34,640

everything out

470

00:20:38,310 --> 00:20:36,640

you know show me what you know otherwise

471

00:20:39,990 --> 00:20:38,320

i'm not going to waste my time with this

472

00:20:40,950 --> 00:20:40,000

silly thing called ufos and i'll go

473

00:20:42,710 --> 00:20:40,960

about my business

474

00:20:45,350 --> 00:20:42,720

at least that's what i felt like it was

475

00:20:49,510 --> 00:20:45,360

going on with people in the beginning

476

00:20:51,669 --> 00:20:49,520

well yeah and it used to it used to

477

00:20:53,029 --> 00:20:51,679

make me so angry when people say there's

478

00:20:55,270 --> 00:20:53,039

no proof

479

00:20:56,950 --> 00:20:55,280

there's no there's no hard evidence i'm

480

00:21:02,070 --> 00:20:56,960

like hello

481

00:21:03,750 --> 00:21:02,080

did you see my backyard you know um

482

00:21:05,990 --> 00:21:03,760

i had the mark in the yard that was

483

00:21:07,590 --> 00:21:06,000

there for two years and snow melted off

484

00:21:11,110 --> 00:21:07,600

of it for the first year

485

00:21:15,990 --> 00:21:11,120

i had independent witnesses of neighbors

486

00:21:17,669 --> 00:21:16,000

on all three sides of mom's house

487

00:21:19,190 --> 00:21:17,679

mom was also involved in it too it

488

00:21:21,350 --> 00:21:19,200

wasn't just me

489

00:21:24,070 --> 00:21:21,360

and other experiences that i've had it

490

00:21:25,830 --> 00:21:24,080

involved other people

491

00:21:27,430 --> 00:21:25,840

some that i knew some that i didn't know

492

00:21:30,470 --> 00:21:27,440

at the time but

493

00:21:33,909 --> 00:21:30,480

because of this i met them

494

00:21:35,990 --> 00:21:33,919

i have all the little medical records

495

00:21:38,470 --> 00:21:36,000

that i managed to get from my old doctor

496

00:21:42,789 --> 00:21:38,480

back in the day

497

00:21:46,149 --> 00:21:42,799

i mean i was my biggest skeptic

498

00:21:48,789 --> 00:21:46,159

i had to live with this crazy stuff

499

00:21:50,230 --> 00:21:48,799

oh i wanted to cautious thin but i had

500

00:21:52,310 --> 00:21:50,240

to live with this craziness

501
00:21:53,830 --> 00:21:52,320
no you can you can i just try not to

502
00:21:55,590 --> 00:21:53,840
because i want to keep it positive

503
00:21:57,830 --> 00:21:55,600
because sometimes i realize

504
00:21:59,669 --> 00:21:57,840
i like to cuss like a sailor but people

505
00:22:01,029 --> 00:21:59,679
don't necessarily associate that with

506
00:22:02,950 --> 00:22:01,039
the normal talk so

507
00:22:04,390 --> 00:22:02,960
i avoided it for everyone else that

508
00:22:04,870 --> 00:22:04,400
might get their feelings here factory

509
00:22:06,710 --> 00:22:04,880
girl

510
00:22:07,990 --> 00:22:06,720
so i mean i've already worked in a

511
00:22:10,390 --> 00:22:08,000
factory for 15 years

512
00:22:11,270 --> 00:22:10,400
i heard that stuff like butter you know

513
00:22:15,990 --> 00:22:11,280

but

514

00:22:18,470 --> 00:22:16,000

um anyway i i

515

00:22:20,549 --> 00:22:18,480

i was my own biggest skeptic like when

516

00:22:21,669 --> 00:22:20,559

the stuff happened in 83 in the backyard

517

00:22:23,350 --> 00:22:21,679

left that mark

518

00:22:25,510 --> 00:22:23,360

i'm the one that called the uh

519

00:22:27,110 --> 00:22:25,520

agricultural agent for indiana you know

520

00:22:28,390 --> 00:22:27,120

at the at the hud university won the

521

00:22:29,430 --> 00:22:28,400

universities i'm the one that called the

522

00:22:32,230 --> 00:22:29,440

gas company

523

00:22:33,110 --> 00:22:32,240

i'm the one you know i i've tried i

524

00:22:36,710 --> 00:22:33,120

tried to figure out

525

00:22:40,390 --> 00:22:36,720

every possible way this could

526

00:22:42,630 --> 00:22:40,400

be not what i thought it was you know um

527

00:22:44,710 --> 00:22:42,640

when i went to when when i finally did

528

00:22:47,990 --> 00:22:44,720

meet bud and i went to new york

529

00:22:48,950 --> 00:22:48,000

and he took me for testing at the

530

00:22:50,630 --> 00:22:48,960

hospital

531

00:22:52,149 --> 00:22:50,640

i think it was at columbia university

532

00:22:53,350 --> 00:22:52,159

hospital i can't remember because it's

533

00:22:57,110 --> 00:22:53,360

been 30 years

534

00:22:57,990 --> 00:22:57,120

and i'm old but um it's written down

535

00:23:01,190 --> 00:22:58,000

somewhere but

536

00:23:03,510 --> 00:23:01,200

i uh i mean they did uh ekg

537

00:23:04,870 --> 00:23:03,520

i mean an eeg on me where they checked

538

00:23:07,830 --> 00:23:04,880

my brain waves

539

00:23:09,909 --> 00:23:07,840

uh they did a cat scan of my brain or

540

00:23:11,669 --> 00:23:09,919

some kind of x-ray with a dye in me

541

00:23:13,029 --> 00:23:11,679

to see if i had brain tumors or had

542

00:23:15,350 --> 00:23:13,039

epilepsy or anything

543

00:23:16,789 --> 00:23:15,360

weird going on with my brain i had six

544

00:23:19,750 --> 00:23:16,799

hours of

545

00:23:20,630 --> 00:23:19,760

uh psychological testing some verbal and

546

00:23:23,110 --> 00:23:20,640

some written

547

00:23:24,870 --> 00:23:23,120

and i remember telling the guy during

548

00:23:26,149 --> 00:23:24,880

the testing you know it's okay if i'm

549

00:23:27,990 --> 00:23:26,159

crazy

550

00:23:29,270 --> 00:23:28,000

you know if you need to tell me that i'm

551
00:23:30,710 --> 00:23:29,280
crazy after all this i'm

552
00:23:32,630 --> 00:23:30,720
i'm good with that because i know they

553
00:23:33,590 --> 00:23:32,640
make pills for that and then i'll just

554
00:23:36,070 --> 00:23:33,600
be happily

555
00:23:36,710 --> 00:23:36,080
taking a pill and it'll go away you know

556
00:23:39,750 --> 00:23:36,720
i mean i

557
00:23:41,110 --> 00:23:39,760
tried every way to explain away

558
00:23:43,029 --> 00:23:41,120
all the stuff that's happened to me and

559
00:23:45,190 --> 00:23:43,039
i continued to do that

560
00:23:46,710 --> 00:23:45,200
when i was when i got involved with

561
00:23:48,710 --> 00:23:46,720
mufon later

562
00:23:49,750 --> 00:23:48,720
as an investigator i mean part of that

563
00:23:52,710 --> 00:23:49,760

was for me

564

00:23:54,390 --> 00:23:52,720

to try to understand what was going on

565

00:23:56,149 --> 00:23:54,400

with me and my family and try not to be

566

00:23:57,190 --> 00:23:56,159

afraid of it the way i deal with things

567

00:23:59,590 --> 00:23:57,200

that scare me

568

00:24:01,510 --> 00:23:59,600

is to face them head-on and learn as

569

00:24:04,310 --> 00:24:01,520

much about them as they can because i

570

00:24:06,149 --> 00:24:04,320

feel like knowledge is power and so i

571

00:24:07,990 --> 00:24:06,159

became an investigator for move on for

572

00:24:10,070 --> 00:24:08,000

10 years here in indiana you know and i

573

00:24:12,390 --> 00:24:10,080

learned a lot that way too

574

00:24:13,190 --> 00:24:12,400

and then when i went towards the

575

00:24:16,230 --> 00:24:13,200

paranormal

576
00:24:17,750 --> 00:24:16,240
research part you know i learned as much

577
00:24:22,870 --> 00:24:17,760
about that as i could

578
00:24:25,990 --> 00:24:22,880
and i i found that like 95

579
00:24:28,950 --> 00:24:26,000
of the time i could debunk

580
00:24:29,590 --> 00:24:28,960
anything you know that i came up with

581
00:24:32,070 --> 00:24:29,600
when i did

582
00:24:33,590 --> 00:24:32,080
investigations i could figure out an

583
00:24:35,510 --> 00:24:33,600
explanation for it

584
00:24:37,750 --> 00:24:35,520
that was my goal but that's that few

585
00:24:40,230 --> 00:24:37,760
percentage of stuff that i couldn't that

586
00:24:43,269 --> 00:24:40,240
kept me doing it and you know

587
00:24:45,269 --> 00:24:43,279
but um so people don't

588
00:24:47,190 --> 00:24:45,279

like like i said i can only speak for

589

00:24:48,549 --> 00:24:47,200

myself i know

590

00:24:50,710 --> 00:24:48,559

a lot of different kind of people out

591

00:24:52,149 --> 00:24:50,720

here in the ufo community

592

00:24:54,070 --> 00:24:52,159

with lots of different personalities

593

00:24:56,310 --> 00:24:54,080

lots of different stories and all that

594

00:24:57,909 --> 00:24:56,320

i can just speak for myself i'm just an

595

00:25:00,470 --> 00:24:57,919

old girl from indiana

596

00:25:01,750 --> 00:25:00,480

that never went anywhere until you know

597

00:25:05,269 --> 00:25:01,760

i met bud

598

00:25:08,149 --> 00:25:05,279

and um just had this weird life

599

00:25:09,269 --> 00:25:08,159

that uh i thought was normal because

600

00:25:10,950 --> 00:25:09,279

when i was a little kid

601
00:25:13,350 --> 00:25:10,960
i thought that's just how everybody

602
00:25:15,909 --> 00:25:13,360
lived it wasn't until i got up

603
00:25:16,630 --> 00:25:15,919
went to school that i realized you know

604
00:25:23,669 --> 00:25:16,640
i

605
00:25:26,630 --> 00:25:23,679
so uh but uh

606
00:25:28,310 --> 00:25:26,640
yeah so people don't really realize that

607
00:25:29,590 --> 00:25:28,320
i didn't want to be famous for this i

608
00:25:33,190 --> 00:25:29,600
didn't come looking for this

609
00:25:36,390 --> 00:25:33,200
it i was born into it and

610
00:25:36,789 --> 00:25:36,400
uh i've done my best to try to uh debunk

611
00:25:47,830 --> 00:25:36,799
it

612
00:25:49,669 --> 00:25:47,840
wrote books people have asked us so many

613
00:25:52,390 --> 00:25:49,679

questions over the years

614

00:25:53,110 --> 00:25:52,400

um and i feel akin to so many people out

615

00:25:55,430 --> 00:25:53,120

there

616

00:25:56,710 --> 00:25:55,440

um they're like my people you know my

617

00:25:59,830 --> 00:25:56,720

family and

618

00:26:02,390 --> 00:25:59,840

i'm fortunate i feel i'm blessed because

619

00:26:05,029 --> 00:26:02,400

i've had the support of my family

620

00:26:06,710 --> 00:26:05,039

my friends most of my co-workers seen

621

00:26:09,750 --> 00:26:06,720

some of my bosses neighbors

622

00:26:12,789 --> 00:26:09,760

i've been very fortunate because

623

00:26:14,310 --> 00:26:12,799

most people like me don't have that and

624

00:26:17,990 --> 00:26:14,320

so i felt like i

625

00:26:18,470 --> 00:26:18,000

i wanted to you know pay it forward and

626
00:26:21,510 --> 00:26:18,480
and

627
00:26:25,029 --> 00:26:21,520
out there

628
00:26:26,870 --> 00:26:25,039
know they're not alone and i don't think

629
00:26:28,549 --> 00:26:26,880
you're crazy you know and if you want to

630
00:26:30,789 --> 00:26:28,559
talk to me and tell me

631
00:26:32,310 --> 00:26:30,799
what's going on you know i might not

632
00:26:33,830 --> 00:26:32,320
have any answers for you i don't even

633
00:26:35,350 --> 00:26:33,840
have a lot of answers for myself but

634
00:26:38,549 --> 00:26:35,360
i'll listen

635
00:26:39,350 --> 00:26:38,559
and you know so that's why i wrote the

636
00:26:43,990 --> 00:26:39,360
books that i

637
00:26:46,230 --> 00:26:44,000
i've written right

638
00:26:47,990 --> 00:26:46,240

look look classroom a whole bunch of

639

00:26:49,190 --> 00:26:48,000

nasty stuff about my mom and me and a

640

00:26:52,789 --> 00:26:49,200

couple of his books

641

00:26:54,549 --> 00:26:52,799

do you remember philip class and uh

642

00:26:55,909 --> 00:26:54,559

i actually had the i know of him i don't

643

00:26:59,190 --> 00:26:55,919

think i've met him

644

00:27:00,789 --> 00:26:59,200

oh he's anybody's been in the ufo

645

00:27:02,950 --> 00:27:00,799

community for as long as i have knows

646

00:27:06,549 --> 00:27:02,960

who bill is but i mean he was

647

00:27:08,630 --> 00:27:06,559

like the king of um skeptics

648

00:27:09,990 --> 00:27:08,640

uh and he would write these ridiculous

649

00:27:11,669 --> 00:27:10,000

books and and one

650

00:27:15,990 --> 00:27:11,679

and one of these books he wrote some

651
00:27:20,070 --> 00:27:18,870
but the thing was he never talked to us

652
00:27:21,990 --> 00:27:20,080
i never talked to him

653
00:27:23,430 --> 00:27:22,000
he never asked to interview us he knew

654
00:27:24,950 --> 00:27:23,440
he didn't he

655
00:27:26,870 --> 00:27:24,960
didn't know anything about me other than

656
00:27:29,029 --> 00:27:26,880
what he just made up

657
00:27:29,909 --> 00:27:29,039
you know uh so he could write a book

658
00:27:34,230 --> 00:27:29,919
about me and

659
00:27:35,430 --> 00:27:34,240
try to debunk my stories and um i saw

660
00:27:37,110 --> 00:27:35,440
him in florida one time

661
00:27:39,269 --> 00:27:37,120
at a conference because he used to like

662
00:27:41,430 --> 00:27:39,279
to hang around there so i approached him

663
00:27:43,029 --> 00:27:41,440

and he knew who i was because for two or

664

00:27:44,389 --> 00:27:43,039

three times when i'd come up to him he'd

665

00:27:46,789 --> 00:27:44,399

like run away

666

00:27:48,549 --> 00:27:46,799

and i finally got him cornered and i

667

00:27:50,310 --> 00:27:48,559

said i just would like to ask you

668

00:27:51,990 --> 00:27:50,320

something sir

669

00:27:53,590 --> 00:27:52,000

i would like to ask why you wrote those

670

00:27:55,029 --> 00:27:53,600

things about my mom and me in your book

671

00:27:57,350 --> 00:27:55,039

when you never bothered to

672

00:27:59,110 --> 00:27:57,360

talk to me if you'd like to sit down and

673

00:28:00,070 --> 00:27:59,120

talk to me i would be more than happy to

674

00:28:03,350 --> 00:28:00,080

sit down and answer

675

00:28:04,630 --> 00:28:03,360

any questions that you have but and

676

00:28:05,990 --> 00:28:04,640

if you don't want to do that i would

677

00:28:07,909 --> 00:28:06,000

really appreciate if you don't write

678

00:28:09,110 --> 00:28:07,919

nasty things about me and my family in

679

00:28:12,389 --> 00:28:09,120

your books

680

00:28:14,870 --> 00:28:12,399

oh my god he stumbled all over himself

681

00:28:16,950 --> 00:28:14,880

you know tried to be so gracious people

682

00:28:20,870 --> 00:28:16,960

were starting to stand around

683

00:28:21,590 --> 00:28:20,880

and watch the next morning when i woke

684

00:28:23,430 --> 00:28:21,600

up

685

00:28:24,789 --> 00:28:23,440

and came out of my hotel room there was

686

00:28:28,230 --> 00:28:24,799

a stack of books

687

00:28:30,470 --> 00:28:28,240

at the door all of them were his books

688

00:28:31,990 --> 00:28:30,480

every book he wrote and all of them were

689

00:28:33,510 --> 00:28:32,000

inscribed to me

690

00:28:35,510 --> 00:28:33,520

and they all had the nicest things

691

00:28:38,149 --> 00:28:35,520

written them like your mother raised a

692

00:28:39,750 --> 00:28:38,159

well you know spoke a really nice good

693

00:28:42,070 --> 00:28:39,760

woman all this

694

00:28:42,789 --> 00:28:42,080

and invited wanted me to have dinner

695

00:28:44,630 --> 00:28:42,799

with him

696

00:28:46,549 --> 00:28:44,640

and i'm like no i don't think so but

697

00:28:49,510 --> 00:28:46,559

thanks for the free books

698

00:28:50,070 --> 00:28:49,520

but you know so you see these skeptics

699

00:28:58,789 --> 00:28:50,080

they

700

00:29:01,350 --> 00:28:58,799

done me

701
00:29:02,470 --> 00:29:01,360
right well uh debbie i wanted to ask you

702
00:29:04,549 --> 00:29:02,480
so during this time

703
00:29:05,669 --> 00:29:04,559
that you had time to write and and

704
00:29:07,990 --> 00:29:05,679
helped you finish

705
00:29:08,789 --> 00:29:08,000
um your second book during the the

706
00:29:10,630 --> 00:29:08,799
lockdowns

707
00:29:12,710 --> 00:29:10,640
can you maybe go a little bit into what

708
00:29:14,149 --> 00:29:12,720
what you were reflecting on what you

709
00:29:15,590 --> 00:29:14,159
what you were gonna kind of going

710
00:29:17,590 --> 00:29:15,600
through as you were putting all that

711
00:29:21,269 --> 00:29:17,600
down

712
00:29:25,430 --> 00:29:21,279
you know it was weird because i hadn't

713
00:29:28,549 --> 00:29:25,440

i hadn't looked at my uh my other book

714

00:29:30,149 --> 00:29:28,559

um in years i hadn't looked at it and

715

00:29:31,909 --> 00:29:30,159

picked it up hadn't read it i mean

716

00:29:33,190 --> 00:29:31,919

i'm fortunate to have some copies of it

717

00:29:34,870 --> 00:29:33,200

because the tornado that

718

00:29:36,630 --> 00:29:34,880

usually it destroyed almost everything i

719

00:29:37,190 --> 00:29:36,640

own but i had some i've got one copy

720

00:29:39,269 --> 00:29:37,200

here

721

00:29:40,310 --> 00:29:39,279

of the abducted story that i that my

722

00:29:42,149 --> 00:29:40,320

sister and i wrote

723

00:29:44,070 --> 00:29:42,159

and it's all wet you know from the

724

00:29:47,990 --> 00:29:44,080

tornado but you can still read it

725

00:29:51,029 --> 00:29:48,000

um what i did was i took

726

00:29:54,630 --> 00:29:51,039

my half of that book

727

00:29:55,269 --> 00:29:54,640

and i wove it because the stories are

728

00:29:57,110 --> 00:29:55,279

not

729

00:29:59,750 --> 00:29:57,120

going to change i mean they are what

730

00:30:02,950 --> 00:29:59,760

they are so i took that part of my book

731

00:30:05,510 --> 00:30:02,960

and i wove it into this new one so uh

732

00:30:06,950 --> 00:30:05,520

my sister's stuff is not in there my

733

00:30:09,430 --> 00:30:06,960

older sister who

734

00:30:10,870 --> 00:30:09,440

had chapters in my first one hers is not

735

00:30:14,470 --> 00:30:10,880

in this one

736

00:30:17,190 --> 00:30:14,480

she's mentally and physically unable to

737

00:30:20,230 --> 00:30:17,200

she's got really bad dementia and

738

00:30:22,870 --> 00:30:20,240

so this is my

739

00:30:24,389 --> 00:30:22,880

original stories and new stuff so when

740

00:30:26,070 --> 00:30:24,399

i'm reading through this stuff because i

741

00:30:26,870 --> 00:30:26,080

have to read i had to read through every

742

00:30:30,230 --> 00:30:26,880

single

743

00:30:32,789 --> 00:30:30,240

word of it as i rebuilt all the

744

00:30:34,470 --> 00:30:32,799

squirreled up file folders because they

745

00:30:37,510 --> 00:30:34,480

were a disaster

746

00:30:41,269 --> 00:30:37,520

uh one format from 1993

747

00:30:42,070 --> 00:30:41,279

doesn't transfer to word microsoft word

748

00:30:45,750 --> 00:30:42,080

seven

749

00:30:46,630 --> 00:30:45,760

very nicely so that took about five

750

00:30:49,750 --> 00:30:46,640

years

751
00:30:50,549 --> 00:30:49,760
literally were you having errors oh my

752
00:30:53,830 --> 00:30:50,559
god

753
00:30:55,909 --> 00:30:53,840
uh they it would you could read one

754
00:30:57,430 --> 00:30:55,919
chunk of the like this of text would be

755
00:30:59,029 --> 00:30:57,440
readable and then the rest would be like

756
00:31:02,389 --> 00:30:59,039
20 pages of

757
00:31:04,070 --> 00:31:02,399
characters that made no sense

758
00:31:05,750 --> 00:31:04,080
it was a disaster did you reach out to

759
00:31:08,070 --> 00:31:05,760
someone to maybe help you out or did you

760
00:31:12,389 --> 00:31:08,080
just pretty much try to rewrite it

761
00:31:14,950 --> 00:31:12,399
i just basically rewrote it um

762
00:31:15,430 --> 00:31:14,960
because i i didn't know what to do i'm

763
00:31:18,070 --> 00:31:15,440

not

764

00:31:19,590 --> 00:31:18,080

smart that way and i didn't really know

765

00:31:22,870 --> 00:31:19,600

anybody that could

766

00:31:26,149 --> 00:31:22,880

so um and then in doing that i

767

00:31:28,470 --> 00:31:26,159

had to reread it basically and i'm i

768

00:31:30,149 --> 00:31:28,480

as when doing it i'm thinking oh my god

769

00:31:33,590 --> 00:31:30,159

i forgot

770

00:31:37,110 --> 00:31:33,600

you know it's weird how

771

00:31:37,669 --> 00:31:37,120

35 years or 45 years or 50 years passes

772

00:31:40,549 --> 00:31:37,679

and

773

00:31:41,990 --> 00:31:40,559

things just fade you know so i'm

774

00:31:42,549 --> 00:31:42,000

grateful that i wrote all this stuff

775

00:31:44,149 --> 00:31:42,559

down

776

00:31:45,990 --> 00:31:44,159

and that was one of the reasons that i

777

00:31:48,950 --> 00:31:46,000

wanted to do this

778

00:31:50,230 --> 00:31:48,960

continuation the second part of it in

779

00:31:52,470 --> 00:31:50,240

this new one

780

00:31:53,909 --> 00:31:52,480

because i'm not getting any younger you

781

00:31:57,190 --> 00:31:53,919

know my dad had dementia

782

00:31:59,830 --> 00:31:57,200

my sister has dementia i mean god

783

00:32:00,549 --> 00:31:59,840

forbid that could be my fate i pray not

784

00:32:03,669 --> 00:32:00,559

but

785

00:32:05,909 --> 00:32:03,679

you know none of us knows yeah

786

00:32:07,909 --> 00:32:05,919

so i wanted to make sure i got this out

787

00:32:09,830 --> 00:32:07,919

of my head before it got lost

788

00:32:11,029 --> 00:32:09,840

you know and and none of us gets out of

789

00:32:14,549 --> 00:32:11,039

here alive anyway

790

00:32:18,549 --> 00:32:14,559

i wanted before i leave this planet

791

00:32:20,950 --> 00:32:18,559

to have it down for my granddaughter and

792

00:32:22,710 --> 00:32:20,960

her daughter and you know my future

793

00:32:25,110 --> 00:32:22,720

family so they know me

794

00:32:27,110 --> 00:32:25,120

and they know where they come from and

795

00:32:30,710 --> 00:32:27,120

who who they come from

796

00:32:31,350 --> 00:32:30,720

so um and rereading this and rewriting

797

00:32:33,350 --> 00:32:31,360

that

798

00:32:35,350 --> 00:32:33,360

some of the old anxieties would come

799

00:32:36,389 --> 00:32:35,360

welling up you know even though i feel

800

00:32:38,549 --> 00:32:36,399

like i've

801
00:32:40,070 --> 00:32:38,559
overcome a lot of the fear that i

802
00:32:44,470 --> 00:32:40,080
initially had and

803
00:32:46,870 --> 00:32:44,480
trauma and i have but

804
00:32:48,149 --> 00:32:46,880
some of it still kind of bubbled up

805
00:32:50,549 --> 00:32:48,159
there were a couple nights

806
00:32:51,669 --> 00:32:50,559
you know after working on a particularly

807
00:32:54,950 --> 00:32:51,679
weird

808
00:32:56,789 --> 00:32:54,960
few pages or chapters that i had a hard

809
00:32:58,710 --> 00:32:56,799
time falling asleep

810
00:32:59,830 --> 00:32:58,720
so i mean it was it was kind of

811
00:33:01,990 --> 00:32:59,840
stressful you know

812
00:33:03,509 --> 00:33:02,000
to to re to go over that again and

813
00:33:05,029 --> 00:33:03,519

remember that and like i said i'd read

814

00:33:06,630 --> 00:33:05,039

something like oh my god i can't believe

815

00:33:11,590 --> 00:33:06,640

i forgot that

816

00:33:13,430 --> 00:33:11,600

you know so it was weird

817

00:33:15,590 --> 00:33:13,440

well so uh just real quick before we

818

00:33:17,190 --> 00:33:15,600

continue uh welcome everyone for those

819

00:33:19,909 --> 00:33:17,200

who are watching right now

820

00:33:21,430 --> 00:33:19,919

um you can uh pretty soon here we're

821

00:33:24,389 --> 00:33:21,440

gonna go into some q a

822

00:33:25,350 --> 00:33:24,399

and so you can use telegram to basically

823

00:33:27,509 --> 00:33:25,360

go to ufo

824

00:33:28,630 --> 00:33:27,519

group join the voice chat and you will

825

00:33:31,990 --> 00:33:28,640

be able to

826

00:33:33,990 --> 00:33:32,000

ask questions of debbie herself and

827

00:33:35,509 --> 00:33:34,000

if not if you're shy and don't want to

828

00:33:38,310 --> 00:33:35,519

be on the phone

829

00:33:39,909 --> 00:33:38,320

simply in the chat if you can put three

830

00:33:41,830 --> 00:33:39,919

stars before your question

831

00:33:43,190 --> 00:33:41,840

they'll pop out at me and it uh

832

00:33:45,430 --> 00:33:43,200

basically tells me that that

833

00:33:47,190 --> 00:33:45,440

that's the question for the guest so

834

00:33:47,669 --> 00:33:47,200

anyway so just want to put that out

835

00:33:49,750 --> 00:33:47,679

there

836

00:33:50,789 --> 00:33:49,760

and once you give you a chance to to get

837

00:33:54,389 --> 00:33:50,799

ready so

838

00:33:56,789 --> 00:33:54,399

uh debbie regarding um

839

00:33:58,149 --> 00:33:56,799

well when it comes to these different

840

00:33:59,430 --> 00:33:58,159

you know experiences i know you were

841

00:34:02,389 --> 00:33:59,440

saying something about

842

00:34:03,990 --> 00:34:02,399

um um you know when you re-read things

843

00:34:04,950 --> 00:34:04,000

you remember because there's so much

844

00:34:07,350 --> 00:34:04,960

detail

845

00:34:08,550 --> 00:34:07,360

that happens and it's initially very

846

00:34:10,230 --> 00:34:08,560

fresh in the mind

847

00:34:11,909 --> 00:34:10,240

and you just want to kind of regurgitate

848

00:34:13,829 --> 00:34:11,919

it as fast as you possibly can

849

00:34:16,149 --> 00:34:13,839

but i noticed that you know myself as

850

00:34:18,069 --> 00:34:16,159

time goes on you know it would be some

851
00:34:19,829 --> 00:34:18,079
because sometimes it's been like 10 15

852
00:34:21,909 --> 00:34:19,839
years i would be like oh wow how could i

853
00:34:25,109 --> 00:34:21,919
forget about this particular experience

854
00:34:26,790 --> 00:34:25,119
you know and um have you or been kind of

855
00:34:28,470 --> 00:34:26,800
keeping a journal on the side to just

856
00:34:29,829 --> 00:34:28,480
kind of write it down so that you can

857
00:34:31,669 --> 00:34:29,839
kind of peacefully move on with your

858
00:34:33,430 --> 00:34:31,679
life without having to worry about

859
00:34:34,710 --> 00:34:33,440
what other details you might forget out

860
00:34:37,589 --> 00:34:34,720
there

861
00:34:39,430 --> 00:34:37,599
yeah oh absolutely i stu i still i still

862
00:34:42,710 --> 00:34:39,440
write things down to this day

863
00:34:43,270 --> 00:34:42,720

um that's what the whole first book was

864

00:34:45,270 --> 00:34:43,280

pretty much

865

00:34:46,790 --> 00:34:45,280

journals and and entries you know and

866

00:34:48,710 --> 00:34:46,800

then the second one

867

00:34:50,710 --> 00:34:48,720

you know there's a lot of journal

868

00:34:51,510 --> 00:34:50,720

entries moving forward from when the

869

00:34:54,950 --> 00:34:51,520

first one

870

00:34:56,629 --> 00:34:54,960

was done um here in the more recent past

871

00:34:58,710 --> 00:34:56,639

uh but yeah absolutely i write

872

00:34:59,109 --> 00:34:58,720

everything down i mean i have notes to

873

00:35:02,310 --> 00:34:59,119

make

874

00:35:04,390 --> 00:35:02,320

little notepad

875

00:35:06,390 --> 00:35:04,400

on my kitchen island every day and i

876

00:35:10,230 --> 00:35:06,400

check it and my calendar you know

877

00:35:11,990 --> 00:35:10,240

and so i'm like that anyway and uh yeah

878

00:35:13,910 --> 00:35:12,000

so whenever something weird happens i

879

00:35:17,270 --> 00:35:13,920

always write it down

880

00:35:19,430 --> 00:35:17,280

always and uh you know it's funny

881

00:35:20,390 --> 00:35:19,440

there's so much little stuff that's so

882

00:35:22,870 --> 00:35:20,400

weird

883

00:35:24,710 --> 00:35:22,880

but you know it kind of drifts out of my

884

00:35:25,109 --> 00:35:24,720

memory after a while i mean there's just

885

00:35:27,270 --> 00:35:25,119

been an

886

00:35:28,710 --> 00:35:27,280

entire lifetime of it i can't remember

887

00:35:30,950 --> 00:35:28,720

all of it i don't have that many

888

00:35:31,829 --> 00:35:30,960

folds in my gray matter for all that

889

00:35:33,670 --> 00:35:31,839

stuff but

890

00:35:35,190 --> 00:35:33,680

there are big things the biggest and

891

00:35:38,710 --> 00:35:35,200

most traumatic things

892

00:35:40,710 --> 00:35:38,720

will stick with me like the june 30 83

893

00:35:41,829 --> 00:35:40,720

incident you know which everybody knows

894

00:35:44,870 --> 00:35:41,839

about and

895

00:35:46,710 --> 00:35:44,880

um the same deal with like when i saw

896

00:35:48,310 --> 00:35:46,720

the challenger explode you know

897

00:35:50,069 --> 00:35:48,320

um i remember what i was doing and where

898

00:35:52,870 --> 00:35:50,079

is that i think it's when

899

00:35:54,550 --> 00:35:52,880

the more traumatic and impactful

900

00:35:58,470 --> 00:35:54,560

something is to it the

901
00:36:01,430 --> 00:35:58,480
the more it stays in my mind

902
00:36:02,550 --> 00:36:01,440
you know uh closer to my conscious level

903
00:36:04,630 --> 00:36:02,560
where i can remember it

904
00:36:06,950 --> 00:36:04,640
easily and but then there's like 50

905
00:36:09,670 --> 00:36:06,960
million weird little things

906
00:36:10,069 --> 00:36:09,680
that just you know you can only remember

907
00:36:13,190 --> 00:36:10,079
so

908
00:36:15,910 --> 00:36:13,200
and

909
00:36:17,750 --> 00:36:15,920
i encourage anybody that's going through

910
00:36:20,710 --> 00:36:17,760
a weird period in their life

911
00:36:22,230 --> 00:36:20,720
i find writing to be very therapeutic i

912
00:36:23,670 --> 00:36:22,240
mean

913
00:36:25,829 --> 00:36:23,680

because sometimes when you write

914

00:36:28,310 --> 00:36:25,839

something down

915

00:36:29,589 --> 00:36:28,320

you're feeling one type of way right but

916

00:36:31,190 --> 00:36:29,599

then after you write it down and then

917

00:36:31,750 --> 00:36:31,200

you look at it and you actually read the

918

00:36:33,829 --> 00:36:31,760

words

919

00:36:35,270 --> 00:36:33,839

then you get get feeling another type of

920

00:36:35,990 --> 00:36:35,280

way you know so it kind of gives you a

921

00:36:37,829 --> 00:36:36,000

different

922

00:36:39,750 --> 00:36:37,839

perspective on things and sometimes i

923

00:36:41,750 --> 00:36:39,760

can figure stuff out

924

00:36:43,270 --> 00:36:41,760

if i do that and then it becomes a

925

00:36:45,670 --> 00:36:43,280

non-issue anyway

926
00:36:46,390 --> 00:36:45,680
so um you know as far as the weird stuff

927
00:36:50,550 --> 00:36:46,400
goes

928
00:36:52,870 --> 00:36:50,560
but absolutely i am the note girl right

929
00:36:53,750 --> 00:36:52,880
people give me note pads and sticky

930
00:36:56,950 --> 00:36:53,760
notes and

931
00:37:00,550 --> 00:36:56,960
pens for presents

932
00:37:03,109 --> 00:37:00,560
right well uh debbie before we go into

933
00:37:04,310 --> 00:37:03,119
uh some questions i'm going to wait till

934
00:37:07,990 --> 00:37:04,320
some of them come in

935
00:37:09,750 --> 00:37:08,000
but i do want to ask you about um

936
00:37:11,030 --> 00:37:09,760
and of course now that i want to ask you

937
00:37:13,750 --> 00:37:11,040
it slips my mind

938
00:37:15,030 --> 00:37:13,760

oh regarding have you so since last time

939

00:37:18,150 --> 00:37:15,040

i can't remember if i asked you

940

00:37:21,190 --> 00:37:18,160

in the show previously have you been

941

00:37:22,069 --> 00:37:21,200

recently having other uh recent

942

00:37:24,390 --> 00:37:22,079

encounters

943

00:37:26,310 --> 00:37:24,400

or are you still pretty much kind of um

944

00:37:26,870 --> 00:37:26,320

reflecting on what had happened at that

945

00:37:31,349 --> 00:37:26,880

initial

946

00:37:33,589 --> 00:37:31,359

uh moment since i've talked to you last

947

00:37:36,950 --> 00:37:33,599

uh no it's just in general but from now

948

00:37:40,230 --> 00:37:36,960

till let's say in the past five years

949

00:37:42,950 --> 00:37:40,240

i've had some i have not

950

00:37:43,510 --> 00:37:42,960

i don't think i've had anything physical

951
00:37:48,069 --> 00:37:43,520
but i've

952
00:37:51,030 --> 00:37:48,079
definitely had some strange um dreams

953
00:37:51,829 --> 00:37:51,040
mostly dreams like the the lucid vivid

954
00:37:54,950 --> 00:37:51,839
dreaming

955
00:37:58,310 --> 00:37:54,960
and um it almost seems like

956
00:38:01,349 --> 00:37:58,320
um i'm going somewhere

957
00:38:04,310 --> 00:38:01,359
else when i have these dreams sometimes

958
00:38:05,990 --> 00:38:04,320
and or it's a quick dream that's a

959
00:38:06,390 --> 00:38:06,000
message dreamer it's something about

960
00:38:09,430 --> 00:38:06,400
it's

961
00:38:12,150 --> 00:38:09,440
away

962
00:38:14,710 --> 00:38:12,160
um so i've had it's been stuff like that

963
00:38:18,069 --> 00:38:14,720

i guess you could call that more

964

00:38:21,510 --> 00:38:18,079

i don't know psychological uh stuff

965

00:38:24,710 --> 00:38:21,520

or psychic stuff maybe if you

966

00:38:27,750 --> 00:38:24,720

you know but not anything physical

967

00:38:28,710 --> 00:38:27,760

like the uh missing time and and things

968

00:38:30,870 --> 00:38:28,720

like that

969

00:38:32,710 --> 00:38:30,880

not that i not that i consciously recall

970

00:38:35,510 --> 00:38:32,720

anyway

971

00:38:37,910 --> 00:38:35,520

right yeah i wonder if uh for some of us

972

00:38:40,230 --> 00:38:37,920

that initially just happens to have that

973

00:38:41,750 --> 00:38:40,240

leave that imprint to where then it gets

974

00:38:43,750 --> 00:38:41,760

you to the point to where

975

00:38:45,270 --> 00:38:43,760

now you've written two books about it to

976

00:38:47,750 --> 00:38:45,280

kind of chrono

977

00:38:48,550 --> 00:38:47,760

chronologically put together what it is

978

00:38:51,109 --> 00:38:48,560

that happened

979

00:38:52,710 --> 00:38:51,119

and to convey that out there to kind of

980

00:38:55,190 --> 00:38:52,720

uh tell a story

981

00:38:56,470 --> 00:38:55,200

in a cohesive way you know and um

982

00:38:58,150 --> 00:38:56,480

because i know

983

00:38:59,589 --> 00:38:58,160

uh some of them you know some of my

984

00:39:00,950 --> 00:38:59,599

other friends and you know

985

00:39:02,710 --> 00:39:00,960

when we talk about these different

986

00:39:05,430 --> 00:39:02,720

things it all depends uh

987

00:39:06,790 --> 00:39:05,440

sometimes it's like it it draws back

988

00:39:07,910 --> 00:39:06,800

because there's something going on in

989

00:39:10,310 --> 00:39:07,920

their lives so they

990

00:39:11,990 --> 00:39:10,320

just kind of things kind of pull back

991

00:39:13,030 --> 00:39:12,000

with all kinds of weird experiences

992

00:39:15,510 --> 00:39:13,040

whether it be

993

00:39:17,589 --> 00:39:15,520

um aliens ghosts whatever you know but

994

00:39:20,230 --> 00:39:17,599

then uh sometimes when

995

00:39:21,349 --> 00:39:20,240

once that's finally done it kicks back

996

00:39:23,349 --> 00:39:21,359

up it's almost like

997

00:39:25,109 --> 00:39:23,359

they they know okay you're busy doing

998

00:39:26,069 --> 00:39:25,119

something so we'll give you that break

999

00:39:27,990 --> 00:39:26,079

but then it

1000

00:39:29,510 --> 00:39:28,000

kicks back up and it's just something

1001
00:39:31,829 --> 00:39:29,520
we've been discussing i don't know what

1002
00:39:35,670 --> 00:39:31,839
your opinion is on that

1003
00:39:38,150 --> 00:39:35,680
you know it's funny because um

1004
00:39:38,870 --> 00:39:38,160
i've noticed that myself um you know

1005
00:39:40,710 --> 00:39:38,880
i've told you

1006
00:39:42,069 --> 00:39:40,720
i've gotten mad i'm like get leave me

1007
00:39:43,829 --> 00:39:42,079
alone please life is too

1008
00:39:45,430 --> 00:39:43,839
hard right now i can't do this you know

1009
00:39:47,270 --> 00:39:45,440
like when i was getting divorced

1010
00:39:49,510 --> 00:39:47,280
although weird stuff happened then

1011
00:39:50,550 --> 00:39:49,520
but like after my husband died it was so

1012
00:39:52,710 --> 00:39:50,560
traumatic that his

1013
00:39:53,829 --> 00:39:52,720

you know his death was a suicide and i

1014

00:39:57,349 --> 00:39:53,839

witnessed it

1015

00:39:59,510 --> 00:39:57,359

and um i was just broke i was just

1016

00:40:00,550 --> 00:39:59,520

broke for a while and it was very

1017

00:40:03,430 --> 00:40:00,560

important that i

1018

00:40:04,230 --> 00:40:03,440

not come unglued because i had two

1019

00:40:07,349 --> 00:40:04,240

teenagers

1020

00:40:09,270 --> 00:40:07,359

that needed me you know and thank god i

1021

00:40:12,390 --> 00:40:09,280

had them and i had my family

1022

00:40:13,990 --> 00:40:12,400

but um it was that one of that was at

1023

00:40:14,790 --> 00:40:14,000

one point in my life where i was like

1024

00:40:17,750 --> 00:40:14,800

just

1025

00:40:18,710 --> 00:40:17,760

go away i can't even deal with this

1026

00:40:21,750 --> 00:40:18,720

right now

1027

00:40:25,190 --> 00:40:21,760

i'm about to be broke here

1028

00:40:29,430 --> 00:40:25,200

and um it got totally

1029

00:40:32,870 --> 00:40:31,589

other than paranormal stuff began to

1030

00:40:36,150 --> 00:40:32,880

happen you know with

1031

00:40:39,510 --> 00:40:36,160

my late husband immediately

1032

00:40:42,470 --> 00:40:39,520

but the alien or ufo stuff stopped

1033

00:40:43,750 --> 00:40:42,480

and also um immediately after i had my

1034

00:40:46,630 --> 00:40:43,760

hysterectomy

1035

00:40:47,589 --> 00:40:46,640

uh everything kind of got real quiet for

1036

00:40:50,069 --> 00:40:47,599

a couple of years

1037

00:40:51,589 --> 00:40:50,079

after uh about a week after my

1038

00:40:53,589 --> 00:40:51,599

hysterectomy when we had some weird

1039

00:40:55,750 --> 00:40:53,599

stuff happen on the farm

1040

00:40:57,750 --> 00:40:55,760

with my um house guest and her daughter

1041

00:40:59,430 --> 00:40:57,760

and my late husband

1042

00:41:01,510 --> 00:40:59,440

but like about like i said about a week

1043

00:41:02,069 --> 00:41:01,520

after that it got real quiet it seems

1044

00:41:04,550 --> 00:41:02,079

like

1045

00:41:05,270 --> 00:41:04,560

the really traumatic and stressful parts

1046

00:41:08,069 --> 00:41:05,280

of my life

1047

00:41:08,870 --> 00:41:08,079

things would kind of back off for a

1048

00:41:11,349 --> 00:41:08,880

while

1049

00:41:12,150 --> 00:41:11,359

and then they would come back you know

1050

00:41:14,309 --> 00:41:12,160

or like i said

1051
00:41:15,430 --> 00:41:14,319
something would drop kick me back into

1052
00:41:16,790 --> 00:41:15,440
it

1053
00:41:18,790 --> 00:41:16,800
i wanted to be more involved in my

1054
00:41:19,190 --> 00:41:18,800
community and stuff like that you know i

1055
00:41:22,550 --> 00:41:19,200
got

1056
00:41:26,069 --> 00:41:22,560
i joined a red cross i went down to um

1057
00:41:29,030 --> 00:41:26,079
new orleans after uh katrina and rita

1058
00:41:29,990 --> 00:41:29,040
um you know and i was digging doing

1059
00:41:32,309 --> 00:41:30,000
stuff like that

1060
00:41:33,990 --> 00:41:32,319
but i was kind of afraid that people

1061
00:41:35,990 --> 00:41:34,000
would find out about this stuff

1062
00:41:37,670 --> 00:41:36,000
and then they wouldn't let me do it

1063
00:41:39,910 --> 00:41:37,680

anymore you know they would

1064

00:41:42,069 --> 00:41:39,920

figure out some way to make me stop so i

1065

00:41:43,750 --> 00:41:42,079

would try not to

1066

00:41:45,349 --> 00:41:43,760

just you know that's those are all the

1067

00:41:46,790 --> 00:41:45,359

times in my life when i'm like get away

1068

00:41:49,589 --> 00:41:46,800

from me i don't want to talk about this

1069

00:41:51,430 --> 00:41:49,599

just stop you know but then something

1070

00:41:52,870 --> 00:41:51,440

would happen and bam here i am right

1071

00:41:54,870 --> 00:41:52,880

back in the middle of it again

1072

00:41:56,150 --> 00:41:54,880

and it always wasn't just for me it was

1073

00:41:59,349 --> 00:41:56,160

me and

1074

00:42:01,349 --> 00:41:59,359

neighbors or

1075

00:42:03,510 --> 00:42:01,359

somebody if everything that ever

1076

00:42:03,990 --> 00:42:03,520

happened to me was always only just me i

1077

00:42:06,950 --> 00:42:04,000

would

1078

00:42:08,230 --> 00:42:06,960

seriously think that there was something

1079

00:42:10,870 --> 00:42:08,240

wrong with me

1080

00:42:13,270 --> 00:42:10,880

but it seems like you know it's always

1081

00:42:15,190 --> 00:42:13,280

involved other people so

1082

00:42:16,950 --> 00:42:15,200

i guess that's probably a good thing i

1083

00:42:19,349 --> 00:42:16,960

don't know

1084

00:42:21,109 --> 00:42:19,359

it's almost something that that kind of

1085

00:42:22,150 --> 00:42:21,119

gives you a little self-check to keep

1086

00:42:23,510 --> 00:42:22,160

you sane because

1087

00:42:25,349 --> 00:42:23,520

if no one else can see what you're

1088

00:42:27,190 --> 00:42:25,359

talking about you know i can definitely

1089

00:42:29,589 --> 00:42:27,200

see how that would be troublesome

1090

00:42:30,309 --> 00:42:29,599

you know i'm at least i mean we'll where

1091

00:42:33,589 --> 00:42:30,319

we live is

1092

00:42:35,829 --> 00:42:33,599

very isolated so at least i have uh uh

1093

00:42:36,710 --> 00:42:35,839

my wife to be that other observing

1094

00:42:38,950 --> 00:42:36,720

counterpart

1095

00:42:40,630 --> 00:42:38,960

you know and not that i you know need

1096

00:42:42,790 --> 00:42:40,640

that but it's just kind of um

1097

00:42:44,150 --> 00:42:42,800

interesting to just be like reflecting

1098

00:42:44,950 --> 00:42:44,160

back and forth to each other it's like

1099

00:42:46,790 --> 00:42:44,960

hey how

1100

00:42:48,230 --> 00:42:46,800

how did this come across to you you know

1101
00:42:50,309 --> 00:42:48,240
this is what happened to me

1102
00:42:51,270 --> 00:42:50,319
you know witness you know not with but

1103
00:42:53,349 --> 00:42:51,280
going through it

1104
00:42:54,470 --> 00:42:53,359
and then you know from her end you know

1105
00:42:55,589 --> 00:42:54,480
back and forth just having a

1106
00:42:58,790 --> 00:42:55,599
conversation it

1107
00:43:01,109 --> 00:42:58,800
helps it's kind of like being our own um

1108
00:43:01,910 --> 00:43:01,119
you know psychiatrists in some way just

1109
00:43:04,069 --> 00:43:01,920
to have a

1110
00:43:07,270 --> 00:43:04,079
you know friendly face that can listen

1111
00:43:10,790 --> 00:43:07,280
and not be judgmental about it

1112
00:43:13,270 --> 00:43:10,800
yeah i mean i found out with

1113
00:43:16,309 --> 00:43:13,280

not just with this stuff but with other

1114

00:43:19,589 --> 00:43:16,319

traumatic events in my life i found that

1115

00:43:22,790 --> 00:43:19,599

talking about it getting it out there

1116

00:43:25,510 --> 00:43:22,800

in the universe hearing it with my ears

1117

00:43:25,990 --> 00:43:25,520

and not just in my head was good therapy

1118

00:43:28,710 --> 00:43:26,000

for me

1119

00:43:29,510 --> 00:43:28,720

it helps it helps it doesn't seem like

1120

00:43:31,750 --> 00:43:29,520

it will

1121

00:43:34,790 --> 00:43:31,760

but it did it i mean i for me it did i

1122

00:43:38,550 --> 00:43:36,550

sorry i'm distracted here i just got a

1123

00:43:40,309 --> 00:43:38,560

tornado warning pop up on my phone i'm

1124

00:43:44,069 --> 00:43:40,319

looking at my weather radar

1125

00:43:45,750 --> 00:43:44,079

it's just uh a little bit uh

1126

00:43:49,270 --> 00:43:45,760

well when you fly away i don't know what

1127

00:43:55,030 --> 00:43:52,550

right it seems like i'm a tornado magnet

1128

00:43:56,950 --> 00:43:55,040

right well i guess where you live uh you

1129

00:43:59,190 --> 00:43:56,960

already mentioned it's it's kind of very

1130

00:44:00,550 --> 00:43:59,200

tornado prone area because it wasn't

1131

00:44:01,190 --> 00:44:00,560

there wasn't your house destroyed a

1132

00:44:04,790 --> 00:44:01,200

while back

1133

00:44:06,470 --> 00:44:04,800

because of tornado that was the third

1134

00:44:07,990 --> 00:44:06,480

tornado that i've been in in my life the

1135

00:44:09,670 --> 00:44:08,000

first one was when my son robbie

1136

00:44:11,430 --> 00:44:09,680

was a baby and it didn't hit our

1137

00:44:13,109 --> 00:44:11,440

apartment building but it jumped over

1138

00:44:13,990 --> 00:44:13,119

the building and picked up a semi on

1139

00:44:16,790 --> 00:44:14,000

i-70 and

1140

00:44:18,790 --> 00:44:16,800

spun it around we were in the stairwell

1141

00:44:20,710 --> 00:44:18,800

on the bottom floor of the building

1142

00:44:22,630 --> 00:44:20,720

the second time was at my mom and dad's

1143

00:44:23,510 --> 00:44:22,640

house when we first the day after we

1144

00:44:25,349 --> 00:44:23,520

moved in there

1145

00:44:26,870 --> 00:44:25,359

all of my stuff everything i owned was

1146

00:44:30,069 --> 00:44:26,880

in my van

1147

00:44:31,670 --> 00:44:30,079

and a small tornado came through their

1148

00:44:35,030 --> 00:44:31,680

part of town

1149

00:44:38,630 --> 00:44:35,040

and twisted a 65-foot beech tree off its

1150

00:44:39,270 --> 00:44:38,640

trunk the stump and impaled my van with

1151

00:44:44,390 --> 00:44:39,280

it

1152

00:44:45,109 --> 00:44:44,400

mom's car and destroyed everything i

1153

00:44:50,790 --> 00:44:45,119

owned

1154

00:44:55,109 --> 00:44:50,800

that time and then in 2013 um

1155

00:44:57,430 --> 00:44:55,119

a tornado came through my town and

1156

00:44:59,190 --> 00:44:57,440

totally destroyed about 50 or 60 homes

1157

00:45:02,470 --> 00:44:59,200

my my town is a small town

1158

00:45:03,990 --> 00:45:02,480

about 25 000 people my house was the

1159

00:45:07,109 --> 00:45:04,000

only house on the street

1160

00:45:10,550 --> 00:45:07,119

that was flattened uh other people had

1161

00:45:13,030 --> 00:45:10,560

you know group damage shingles uh siding

1162

00:45:14,950 --> 00:45:13,040

trees damage junk everywhere you know

1163

00:45:17,510 --> 00:45:14,960

but their houses were still standing

1164

00:45:18,870 --> 00:45:17,520

my house was flattened and i was in the

1165

00:45:23,109 --> 00:45:18,880

closet

1166

00:45:24,710 --> 00:45:23,119

but i got dug out of the debris by the

1167

00:45:26,069 --> 00:45:24,720

fire department and i

1168

00:45:27,990 --> 00:45:26,079

pretty much didn't have a scratch on me

1169

00:45:30,390 --> 00:45:28,000

although i was

1170

00:45:33,349 --> 00:45:30,400

couldn't close my eyes for three weeks

1171

00:45:35,349 --> 00:45:33,359

because i could hear that sound

1172

00:45:38,390 --> 00:45:35,359

so yeah when a tornado warning goes off

1173

00:45:40,230 --> 00:45:38,400

i'm i'm looking at it

1174

00:45:41,910 --> 00:45:40,240

and it's funny because you know i always

1175

00:45:43,190 --> 00:45:41,920

wanted to be a meteorologist when i was

1176

00:45:45,589 --> 00:45:43,200

a kid

1177

00:45:46,470 --> 00:45:45,599

and i would have gone to college purdue

1178

00:45:49,910 --> 00:45:46,480

has a great

1179

00:45:53,349 --> 00:45:49,920

meteorology you know program there

1180

00:45:56,470 --> 00:45:53,359

uh but i got pregnant

1181

00:45:58,550 --> 00:45:56,480

i i was and got married young and so

1182

00:46:00,550 --> 00:45:58,560

that kind of wrecked that

1183

00:46:02,069 --> 00:46:00,560

and uh well i certainly am not going to

1184

00:46:03,430 --> 00:46:02,079

fall to you for at least looking down at

1185

00:46:06,710 --> 00:46:03,440

your phone for that reason

1186

00:46:07,829 --> 00:46:06,720

it's a very valid reason to do because i

1187

00:46:10,470 --> 00:46:07,839

don't know

1188

00:46:12,309 --> 00:46:10,480

i'm looking at the radar and it's it's

1189

00:46:14,150 --> 00:46:12,319

pretty nasty actually there's quite a

1190

00:46:15,910 --> 00:46:14,160

large hook but i think it's going north

1191

00:46:17,349 --> 00:46:15,920

of where i'm at right now so i think i'm

1192

00:46:18,069 --> 00:46:17,359

all right but i will be keeping an eye

1193

00:46:20,309 --> 00:46:18,079

on it

1194

00:46:23,910 --> 00:46:20,319

if you see me run grab my phone out of

1195

00:46:30,390 --> 00:46:27,270

i think i'm okay so um and now uh

1196

00:46:31,829 --> 00:46:30,400

so would you be if there was a

1197

00:46:33,510 --> 00:46:31,839

you know let's say an invitation that

1198

00:46:35,030 --> 00:46:33,520

might have come you come with you

1199

00:46:37,190 --> 00:46:35,040

you're away from these different

1200

00:46:39,030 --> 00:46:37,200

conferences going on uh

1201
00:46:41,109 --> 00:46:39,040
would you be interested to just get back

1202
00:46:44,630 --> 00:46:41,119
on you know on the road again and

1203
00:46:47,990 --> 00:46:44,640
and do do in person speaking

1204
00:46:50,230 --> 00:46:48,000
yes um because um you know for

1205
00:46:52,150 --> 00:46:50,240
15 years i only had one week vacation it

1206
00:46:55,270 --> 00:46:52,160
was extremely difficult

1207
00:46:56,950 --> 00:46:55,280
to work um you know a whole year with

1208
00:47:00,230 --> 00:46:56,960
one week's vacation

1209
00:47:03,190 --> 00:47:00,240
and uh try to do that too

1210
00:47:04,710 --> 00:47:03,200
and my job was the most important thing

1211
00:47:07,910 --> 00:47:04,720
that pays the bills

1212
00:47:11,030 --> 00:47:07,920
not this stuff and um

1213
00:47:12,710 --> 00:47:11,040

so uh yeah now i'm retired for one thing

1214

00:47:14,710 --> 00:47:12,720

it's like everything kind of dovetailed

1215

00:47:17,829 --> 00:47:14,720

in my life the book was finished

1216

00:47:19,109 --> 00:47:17,839

i'm retiring you know i'm out of i'm not

1217

00:47:22,150 --> 00:47:19,119

working now

1218

00:47:24,390 --> 00:47:22,160

and um i'm

1219

00:47:26,470 --> 00:47:24,400

you know i'm in probably the best health

1220

00:47:29,510 --> 00:47:26,480

i've been in probably for years

1221

00:47:31,190 --> 00:47:29,520

after this recent

1222

00:47:33,670 --> 00:47:31,200

couple surgeries i ended up having to

1223

00:47:35,430 --> 00:47:33,680

have uh in january

1224

00:47:36,790 --> 00:47:35,440

and so it's like everything kind of came

1225

00:47:39,109 --> 00:47:36,800

together in this

1226

00:47:40,870 --> 00:47:39,119

beautiful little perfect storm of and

1227

00:47:42,950 --> 00:47:40,880

now is the time to finish this come on

1228

00:47:46,150 --> 00:47:42,960

girl it's like something was pushing me

1229

00:47:46,870 --> 00:47:46,160

and then look what started to open up

1230

00:47:49,589 --> 00:47:46,880

you know

1231

00:47:49,990 --> 00:47:49,599

mainstream media started picking up all

1232

00:47:52,470 --> 00:47:50,000

these

1233

00:47:53,990 --> 00:47:52,480

different people are waking up to this

1234

00:47:54,549 --> 00:47:54,000

and realizing hey there's something to

1235

00:47:56,069 --> 00:47:54,559

this

1236

00:47:58,790 --> 00:47:56,079

and it just seems like it's all

1237

00:48:01,990 --> 00:47:58,800

dovetailed for me so yes and i would

1238

00:48:04,230 --> 00:48:02,000

um i'm hoping that once you know

1239

00:48:05,990 --> 00:48:04,240

covet is kind of in the rearview mirror

1240

00:48:08,549 --> 00:48:06,000

and people are more comfortable

1241

00:48:10,790 --> 00:48:08,559

uh gathering and having these

1242

00:48:14,390 --> 00:48:10,800

conferences again that i will be able to

1243

00:48:15,190 --> 00:48:14,400

to go and do some uh i like to go meet

1244

00:48:16,950 --> 00:48:15,200

people like me

1245

00:48:18,549 --> 00:48:16,960

that's the best part of that that's what

1246

00:48:20,390 --> 00:48:18,559

i love the most about those

1247

00:48:22,549 --> 00:48:20,400

that hour i'm on the stage is

1248

00:48:25,670 --> 00:48:22,559

nerve-wracking and makes my stomach hurt

1249

00:48:28,230 --> 00:48:25,680

because i'm not a public speaker and

1250

00:48:29,829 --> 00:48:28,240

i'm i'm self-conscious and plus look

1251

00:48:32,470 --> 00:48:29,839

what i'm talking about you know

1252

00:48:33,990 --> 00:48:32,480

but it's it's after it's over with you

1253

00:48:36,470 --> 00:48:34,000

know to get to meet

1254

00:48:37,589 --> 00:48:36,480

so many people like me and who've had

1255

00:48:40,230 --> 00:48:37,599

weird experiences

1256

00:48:41,109 --> 00:48:40,240

and it's that's the best part for me and

1257

00:48:43,109 --> 00:48:41,119

i feel

1258

00:48:44,950 --> 00:48:43,119

you know i miss that so i'm hoping that

1259

00:48:46,829 --> 00:48:44,960

yes that that will

1260

00:48:48,069 --> 00:48:46,839

i'll have opportunities for that in the

1261

00:48:49,349 --> 00:48:48,079

future

1262

00:48:51,349 --> 00:48:49,359

all right well that's that's good to

1263

00:48:53,670 --> 00:48:51,359

know i'm glad you do all right well

1264

00:48:54,870 --> 00:48:53,680

um i guess figured let's start with some

1265

00:48:58,870 --> 00:48:54,880

questions and there's one

1266

00:49:01,670 --> 00:48:58,880

that um came in from michael j schuman

1267

00:49:02,150 --> 00:49:01,680

and um says for those of us who haven't

1268

00:49:05,270 --> 00:49:02,160

read

1269

00:49:07,349 --> 00:49:05,280

bud hopkins book or your first book what

1270

00:49:09,430 --> 00:49:07,359

do you was your last encounter

1271

00:49:10,549 --> 00:49:09,440

uh were they typical grace or another

1272

00:49:11,829 --> 00:49:10,559

alien type

1273

00:49:13,670 --> 00:49:11,839

could you please give us a little

1274

00:49:15,190 --> 00:49:13,680

background so i guess maybe we should

1275

00:49:16,470 --> 00:49:15,200

have covered that i always assume people

1276

00:49:17,109 --> 00:49:16,480
are going to watch the first part

1277

00:49:19,190 --> 00:49:17,119
because

1278

00:49:20,470 --> 00:49:19,200
there's a lot that you have to to cover

1279

00:49:23,030 --> 00:49:20,480
over it i didn't want to

1280

00:49:23,670 --> 00:49:23,040
regurgitate but maybe for those that are

1281

00:49:25,430 --> 00:49:23,680
new

1282

00:49:28,230 --> 00:49:25,440
maybe maybe it is a good question to

1283

00:49:31,030 --> 00:49:28,240
just reiterate a little bit

1284

00:49:31,270 --> 00:49:31,040
i'll try to do the quickest synopsis of

1285

00:49:39,030 --> 00:49:31,280
it

1286

00:49:39,990 --> 00:49:39,040
but um i've had strange things happen to

1287

00:49:41,670 --> 00:49:40,000
me my whole life

1288

00:49:43,670 --> 00:49:41,680

uh apparent what people consider

1289

00:49:47,430 --> 00:49:43,680

paranormal um

1290

00:49:50,630 --> 00:49:47,440

ghost um you know poltergeist activity

1291

00:49:54,790 --> 00:49:50,640

things like that um and then uh

1292

00:49:58,069 --> 00:49:54,800

i've had a dream in 78 where these two

1293

00:50:00,069 --> 00:49:58,079

uh gray aliens basically

1294

00:50:01,190 --> 00:50:00,079

the little gray guys with the big head

1295

00:50:04,069 --> 00:50:01,200

big eyes

1296

00:50:04,870 --> 00:50:04,079

came in my room with this black box and

1297

00:50:07,109 --> 00:50:04,880

um

1298

00:50:08,470 --> 00:50:07,119

i was couldn't wake my husband up and i

1299

00:50:11,270 --> 00:50:08,480

was terrified

1300

00:50:11,990 --> 00:50:11,280

but at some point during being terrified

1301
00:50:14,710 --> 00:50:12,000
i suddenly felt

1302
00:50:16,549 --> 00:50:14,720
calm and i uh remember asking them what

1303
00:50:18,790 --> 00:50:16,559
the box was and they said that

1304
00:50:21,190 --> 00:50:18,800
when i saw it again i would remember it

1305
00:50:23,430 --> 00:50:21,200
and uh i would know how to use it

1306
00:50:25,109 --> 00:50:23,440
so and then they just kind of slid back

1307
00:50:26,870 --> 00:50:25,119
away from me and disappeared

1308
00:50:29,109 --> 00:50:26,880
i remembered the whole thing i told my

1309
00:50:29,430 --> 00:50:29,119
husband about it i was hysterical i told

1310
00:50:33,430 --> 00:50:29,440
my

1311
00:50:34,870 --> 00:50:33,440
the next morning after they left i fell

1312
00:50:37,589 --> 00:50:34,880
asleep then when i woke up

1313
00:50:39,190 --> 00:50:37,599

it's like right there it wasn't i didn't

1314

00:50:39,510 --> 00:50:39,200

have any hypnosis to remember any of

1315

00:50:46,790 --> 00:50:39,520

that

1316

00:50:49,750 --> 00:50:46,800

um june 30 1983 was like the major

1317

00:50:50,230 --> 00:50:49,760

that's what intruders centers around

1318

00:50:53,030 --> 00:50:50,240

that

1319

00:50:54,870 --> 00:50:53,040

particular thing which is a big long

1320

00:50:56,790 --> 00:50:54,880

thing that went on all night

1321

00:50:58,790 --> 00:50:56,800

uh i was missing for about an hour and a

1322

00:51:00,870 --> 00:50:58,800

half or two hours

1323

00:51:03,510 --> 00:51:00,880

and i still don't remember more than

1324

00:51:07,349 --> 00:51:03,520

maybe about 15 or 20 minutes of it

1325

00:51:09,349 --> 00:51:07,359

it also involved my mother and my

1326

00:51:11,190 --> 00:51:09,359

friend and neighbor behind me whom i was

1327

00:51:13,990 --> 00:51:11,200

going to sew with that night

1328

00:51:16,790 --> 00:51:14,000

uh it left a mark in the yard that

1329

00:51:19,510 --> 00:51:16,800

lasted for about two and a half years

1330

00:51:22,470 --> 00:51:19,520

snow melted off of it that first year it

1331

00:51:25,510 --> 00:51:22,480

damaged the power lines and the

1332

00:51:26,710 --> 00:51:25,520

cable coaxials from my dad's ham radio

1333

00:51:29,990 --> 00:51:26,720

antenna

1334

00:51:33,270 --> 00:51:30,000

into the house i was sick

1335

00:51:34,870 --> 00:51:33,280

it damaged my eyes and i had to

1336

00:51:36,790 --> 00:51:34,880

go to the hospital the next morning

1337

00:51:39,270 --> 00:51:36,800

because they were swollen shut

1338

00:51:40,069 --> 00:51:39,280

and then when i was in my 30s i was

1339

00:51:41,750 --> 00:51:40,079

diagnosed with

1340

00:51:43,910 --> 00:51:41,760

severe cataracts and had to have my

1341

00:51:48,829 --> 00:51:43,920

lenses replaced

1342

00:51:54,470 --> 00:51:51,510

uh i remembered

1343

00:51:55,670 --> 00:51:54,480

from that night uh when i was coming out

1344

00:51:58,870 --> 00:51:55,680

of the garage

1345

00:52:00,950 --> 00:51:58,880

uh at my mom's house that something hit

1346

00:52:03,589 --> 00:52:00,960

me in the chest like a ball of light

1347

00:52:04,470 --> 00:52:03,599

and i couldn't move but i could feel

1348

00:52:07,750 --> 00:52:04,480

like

1349

00:52:08,309 --> 00:52:07,760

every molecule of my body vibrate inside

1350

00:52:11,349 --> 00:52:08,319

and out

1351
00:52:12,790 --> 00:52:11,359
and i know my eyes were closed but i

1352
00:52:13,430 --> 00:52:12,800
could still see this light it was so

1353
00:52:16,950 --> 00:52:13,440
intense

1354
00:52:20,470 --> 00:52:16,960
and then after that intensity

1355
00:52:22,069 --> 00:52:20,480
waned i realized i was no longer in the

1356
00:52:23,589 --> 00:52:22,079
doorway of the garage but out on the

1357
00:52:24,710 --> 00:52:23,599
patio and that's when i saw this

1358
00:52:28,630 --> 00:52:24,720
egg-shaped

1359
00:52:30,309 --> 00:52:28,640
small craft for lack of

1360
00:52:33,190 --> 00:52:30,319
i don't even know what you call it i

1361
00:52:35,190 --> 00:52:33,200
don't think those there were six

1362
00:52:36,470 --> 00:52:35,200
small child-sized individuals in the

1363
00:52:37,990 --> 00:52:36,480

backyard

1364

00:52:39,750 --> 00:52:38,000

and they all moved towards this thing

1365

00:52:41,910 --> 00:52:39,760

and went into it and i don't think

1366

00:52:43,270 --> 00:52:41,920

six of anybody could fly anywhere and

1367

00:52:45,030 --> 00:52:43,280

this thing was small so i really don't

1368

00:52:48,150 --> 00:52:45,040

know what it was

1369

00:52:51,750 --> 00:52:48,160

um and

1370

00:52:52,950 --> 00:52:51,760

uh i mean it's i know i'm i'm sounding

1371

00:52:56,069 --> 00:52:52,960

squirrely because it's

1372

00:52:57,109 --> 00:52:56,079

if i go detail by detail like my mind

1373

00:52:59,990 --> 00:52:57,119

wants to

1374

00:53:00,870 --> 00:53:00,000

then it drags on forever and it but it's

1375

00:53:03,990 --> 00:53:00,880

uh

1376

00:53:07,670 --> 00:53:04,000

it was an intense um

1377

00:53:10,470 --> 00:53:07,680

uh experience and it left me damaged

1378

00:53:12,069 --> 00:53:10,480

and um eventually the dog that was out

1379

00:53:15,349 --> 00:53:12,079

there with me that night had to be put

1380

00:53:19,910 --> 00:53:18,309

and afterwards i think i had a nervous

1381

00:53:21,910 --> 00:53:19,920

breakdown

1382

00:53:23,750 --> 00:53:21,920

but that's when i reached out and that's

1383

00:53:26,390 --> 00:53:23,760

the experience that propelled me to

1384

00:53:29,190 --> 00:53:26,400

reach out to bud hopkins

1385

00:53:30,950 --> 00:53:29,200

because i had read his book missing time

1386

00:53:33,670 --> 00:53:30,960

a few months back

1387

00:53:35,030 --> 00:53:33,680

parts of it and i knew there was an

1388

00:53:36,790 --> 00:53:35,040

address in the back of the book so i

1389

00:53:39,030 --> 00:53:36,800

could write to him so i did

1390

00:53:41,030 --> 00:53:39,040

and that's how everything started from

1391

00:53:43,510 --> 00:53:41,040

there he came

1392

00:53:45,349 --> 00:53:43,520

and did three years of investigation and

1393

00:53:48,710 --> 00:53:45,359

research

1394

00:53:51,510 --> 00:53:48,720

um more and more things came out

1395

00:53:52,549 --> 00:53:51,520

not just about me but my sister and my

1396

00:53:56,069 --> 00:53:52,559

mother

1397

00:53:58,309 --> 00:53:56,079

and so so the second part of the

1398

00:54:00,230 --> 00:53:58,319

question was uh were they typical grace

1399

00:54:03,430 --> 00:54:00,240

or another alien type

1400

00:54:05,589 --> 00:54:03,440

yeah they were 90 of the contact i had

1401
00:54:06,549 --> 00:54:05,599
is with typical gray looking things

1402
00:54:10,870 --> 00:54:06,559
although

1403
00:54:15,829 --> 00:54:10,880
i have had also uh experiences with

1404
00:54:21,910 --> 00:54:18,870
human looking now my sister

1405
00:54:23,270 --> 00:54:21,920
has had my sister had it my older sister

1406
00:54:25,349 --> 00:54:23,280
had experience

1407
00:54:26,870 --> 00:54:25,359
not with the grace but with she called

1408
00:54:30,390 --> 00:54:26,880
the mantis type

1409
00:54:32,870 --> 00:54:30,400
like a praying mantis um

1410
00:54:33,750 --> 00:54:32,880
i never i don't recall the having seen

1411
00:54:37,430 --> 00:54:33,760
those

1412
00:54:40,710 --> 00:54:39,510
right you know i've heard many stories

1413
00:54:42,230 --> 00:54:40,720

and and i've

1414

00:54:44,309 --> 00:54:42,240

done many different interviews with

1415

00:54:46,230 --> 00:54:44,319

people's also recalled that

1416

00:54:47,750 --> 00:54:46,240

that um i don't know what details your

1417

00:54:49,910 --> 00:54:47,760

sister might have given you but

1418

00:54:51,750 --> 00:54:49,920

my their impression was like they're

1419

00:54:54,069 --> 00:54:51,760

supposed to be

1420

00:54:56,470 --> 00:54:54,079

genetic i can't even pronounce the word

1421

00:54:58,150 --> 00:54:56,480

right now geneticists

1422

00:54:59,910 --> 00:54:58,160

dealing with genetics i'm sorry i feel

1423

00:55:01,910 --> 00:54:59,920

like i don't know why i'm having a hard

1424

00:55:04,950 --> 00:55:01,920

time with that word

1425

00:55:07,670 --> 00:55:04,960

anyway so what i wanted to ask you

1426

00:55:08,789 --> 00:55:07,680

uh we have have another question in uh

1427

00:55:11,270 --> 00:55:08,799

over the the phone

1428

00:55:12,549 --> 00:55:11,280

uh you i couldn't remember if you if you

1429

00:55:16,069 --> 00:55:12,559

said okay or no

1430

00:55:17,910 --> 00:55:16,079

regarding that yeah that's fine with me

1431

00:55:19,349 --> 00:55:17,920

okay good deal all right uh kenny i'm

1432

00:55:20,789 --> 00:55:19,359

gonna meet you uh

1433

00:55:23,990 --> 00:55:20,799

go ahead and mute yourself and please

1434

00:55:27,990 --> 00:55:26,470

yes i was wondering have you ever had

1435

00:55:31,510 --> 00:55:28,000

anyone steal your ideas

1436

00:55:38,470 --> 00:55:34,630

have i ever had anybody steal my ideas

1437

00:55:40,549 --> 00:55:38,480

or met an angel um i don't know if i've

1438

00:55:45,510 --> 00:55:40,559

ever had anybody steal my ideas

1439

00:55:53,109 --> 00:55:49,190

and has i met an angel i believe i have

1440

00:55:55,670 --> 00:55:53,119

when my husband died i um

1441

00:55:57,430 --> 00:55:55,680

of course i had to go to the hospital uh

1442

00:55:57,910 --> 00:55:57,440

you know for him he committed suicide in

1443

00:56:01,430 --> 00:55:57,920

our

1444

00:56:02,230 --> 00:56:01,440

hospital and be pronounced dead by a

1445

00:56:03,750 --> 00:56:02,240

doctor

1446

00:56:05,910 --> 00:56:03,760

uh i was in that little room nobody

1447

00:56:07,910 --> 00:56:05,920

wants to be in and i was by myself

1448

00:56:09,190 --> 00:56:07,920

and a man came in and was dressed like a

1449

00:56:11,270 --> 00:56:09,200

priest and he

1450

00:56:12,710 --> 00:56:11,280

uh got down on his knees in front of me

1451

00:56:14,390 --> 00:56:12,720

which i thought was odd

1452

00:56:16,069 --> 00:56:14,400

told me that my husband did not make it

1453

00:56:18,309 --> 00:56:16,079

and then he would pray with me

1454

00:56:20,470 --> 00:56:18,319

and i said you're a priest you tell me

1455

00:56:23,030 --> 00:56:20,480

will he go to hell because uh

1456

00:56:23,750 --> 00:56:23,040

uh you know he killed himself and this

1457

00:56:25,589 --> 00:56:23,760

guy said

1458

00:56:27,510 --> 00:56:25,599

uh god calls everyone home in different

1459

00:56:28,789 --> 00:56:27,520

ways if it wasn't his time to go the gun

1460

00:56:31,829 --> 00:56:28,799

would have misfired

1461

00:56:34,470 --> 00:56:31,839

and so it that gave me a lot of peace

1462

00:56:36,230 --> 00:56:34,480

and comfort and then so like a week or

1463

00:56:37,670 --> 00:56:36,240

two later i went back to the hospital

1464

00:56:39,750 --> 00:56:37,680

because i wanted to find this guy and

1465

00:56:41,910 --> 00:56:39,760

thank him for those words

1466

00:56:43,430 --> 00:56:41,920

and when i described him and told the

1467

00:56:44,230 --> 00:56:43,440

the lady what he looked like and

1468

00:56:46,630 --> 00:56:44,240

everything

1469

00:56:47,670 --> 00:56:46,640

everyone at the hospital said nobody

1470

00:56:49,910 --> 00:56:47,680

comes here

1471

00:56:51,829 --> 00:56:49,920

who fits that description that doesn't

1472

00:56:54,870 --> 00:56:51,839

sound like anybody that

1473

00:56:56,470 --> 00:56:54,880

any of us know uh i hadn't told him what

1474

00:56:57,270 --> 00:56:56,480

he'd said i just said i wanted to thank

1475

00:56:59,430 --> 00:56:57,280

him because he was

1476

00:57:00,390 --> 00:56:59,440

kind to me and they said nobody works

1477

00:57:02,470 --> 00:57:00,400

here that that

1478

00:57:03,589 --> 00:57:02,480

is anywhere remotely like that and so i

1479

00:57:06,630 --> 00:57:03,599

left and i thought

1480

00:57:11,270 --> 00:57:06,640

that was an angel who came to me in my

1481

00:57:14,549 --> 00:57:13,829

great thank you for that uh so pauline b

1482

00:57:16,710 --> 00:57:14,559

is

1483

00:57:20,470 --> 00:57:16,720

asking does deborah know the reason why

1484

00:57:24,470 --> 00:57:23,109

i do not um that's a question that i've

1485

00:57:30,710 --> 00:57:24,480

been asking

1486

00:57:31,670 --> 00:57:30,720

there are theories that it's something

1487

00:57:35,829 --> 00:57:31,680

genetic

1488

00:57:39,990 --> 00:57:35,839

and it is a fact that my mother was uh

1489

00:57:42,150 --> 00:57:40,000

adopted and had um

1490

00:57:44,630 --> 00:57:42,160

so she didn't know a lot about her real

1491

00:57:47,990 --> 00:57:44,640

family you know her birth family and

1492

00:57:48,549 --> 00:57:48,000

had a strange experience when she was a

1493

00:57:51,190 --> 00:57:48,559

child

1494

00:57:52,309 --> 00:57:51,200

so i don't know if you know it's because

1495

00:57:54,230 --> 00:57:52,319

of my mother

1496

00:57:55,430 --> 00:57:54,240

that there was interest in me and my

1497

00:57:57,030 --> 00:57:55,440

sister

1498

00:57:59,430 --> 00:57:57,040

and it's funny because it seems to be

1499

00:58:01,910 --> 00:57:59,440

the females in the family not

1500

00:58:03,349 --> 00:58:01,920

my brother doesn't my brother swears up

1501
00:58:06,390 --> 00:58:03,359
and down he's

1502
00:58:07,190 --> 00:58:06,400
doesn't have anything like this but me

1503
00:58:10,789 --> 00:58:07,200
my sister

1504
00:58:13,510 --> 00:58:10,799
my mother you know and i kind of

1505
00:58:14,069 --> 00:58:13,520
think maybe my granddaughter may have

1506
00:58:15,589 --> 00:58:14,079
had

1507
00:58:17,990 --> 00:58:15,599
something happen although i don't really

1508
00:58:21,349 --> 00:58:18,000
want to think about that so

1509
00:58:24,390 --> 00:58:21,359
okay um tammy

1510
00:58:29,270 --> 00:58:24,400
frazier is asking uh what does deb think

1511
00:58:32,309 --> 00:58:31,030
you know at the end of the day i don't

1512
00:58:36,710 --> 00:58:32,319
really know i can

1513
00:58:39,750 --> 00:58:36,720

i can guess i can have opinions um

1514

00:58:42,390 --> 00:58:39,760

and i felt like uh someone is actually

1515

00:58:43,910 --> 00:58:42,400

maybe at some point said it was good it

1516

00:58:44,309 --> 00:58:43,920

was a good thing because it was gonna

1517

00:58:47,589 --> 00:58:44,319

help

1518

00:58:48,230 --> 00:58:47,599

us humans and it kind of led me to

1519

00:58:49,910 --> 00:58:48,240

believe that

1520

00:58:52,710 --> 00:58:49,920

they were actually coming from our

1521

00:58:55,190 --> 00:58:52,720

future and we're coming back to

1522

00:58:56,470 --> 00:58:55,200

correct something or change something to

1523

00:59:01,589 --> 00:58:56,480

change the future

1524

00:59:05,670 --> 00:59:03,349

thoughts and theories i don't have

1525

00:59:08,789 --> 00:59:05,680

anything that i can you know

1526

00:59:09,270 --> 00:59:08,799

prove that with and it's flexible i'm

1527

00:59:10,549 --> 00:59:09,280

open

1528

00:59:15,109 --> 00:59:10,559

because like i said at the end of the

1529

00:59:19,430 --> 00:59:18,390

uh sorry i'm just uh sidetracking myself

1530

00:59:21,349 --> 00:59:19,440

a little bit trying to

1531

00:59:22,950 --> 00:59:21,359

make sense some of these questions uh i

1532

00:59:23,589 --> 00:59:22,960

wish people would take just a little bit

1533

00:59:26,870 --> 00:59:23,599

more time

1534

00:59:30,069 --> 00:59:26,880

spelling things out properly but um

1535

00:59:32,069 --> 00:59:30,079

this one is from pauline against asking

1536

00:59:37,349 --> 00:59:32,079

does she believe that there was a

1537

00:59:40,630 --> 00:59:39,190

you know other people have asked me that

1538

00:59:41,190 --> 00:59:40,640

and i've heard other people talk about

1539

00:59:42,710 --> 00:59:41,200

that

1540

00:59:44,309 --> 00:59:42,720

obviously i've heard everybody talk

1541

00:59:45,670 --> 00:59:44,319

about all kinds of stuff over the last

1542

00:59:49,589 --> 00:59:45,680

30 years

1543

00:59:52,950 --> 00:59:49,599

i i don't know for sure but i can say

1544

00:59:56,150 --> 00:59:52,960

that i have when i was younger i had

1545

01:00:00,230 --> 00:59:56,160

memories of like

1546

01:00:02,549 --> 01:00:00,240

before i was born if you can figure that

1547

01:00:03,589 --> 01:00:02,559

dreams i guess i had before i was born

1548

01:00:06,870 --> 01:00:03,599

where i would say

1549

01:00:09,030 --> 01:00:06,880

um i'm going to have kids i'm going to

1550

01:00:10,710 --> 01:00:09,040

be a mother i will be divorced i think

1551

01:00:12,870 --> 01:00:10,720

i'll be a widow too

1552

01:00:13,990 --> 01:00:12,880

um i'm going to do this kind of job and

1553

01:00:16,870 --> 01:00:14,000

i'm gonna live here

1554

01:00:18,789 --> 01:00:16,880

you know i remember all that and my mom

1555

01:00:20,789 --> 01:00:18,799

told me one time

1556

01:00:22,390 --> 01:00:20,799

you know after i moved into the big

1557

01:00:24,549 --> 01:00:22,400

farmhouse with my late husband

1558

01:00:25,829 --> 01:00:24,559

before he passed away and my mom i

1559

01:00:27,990 --> 01:00:25,839

remember my mom and i sitting on the

1560

01:00:30,549 --> 01:00:28,000

front porch and she says to me

1561

01:00:32,230 --> 01:00:30,559

you know look at this house when you

1562

01:00:33,430 --> 01:00:32,240

were a little kid you used to tell me

1563

01:00:35,270 --> 01:00:33,440

that you were going to live in a big

1564

01:00:37,030 --> 01:00:35,280

white house with the green roof and a

1565

01:00:38,549 --> 01:00:37,040

green porch swing and look where we're

1566

01:00:39,349 --> 01:00:38,559

at right now and i'm like really did i

1567

01:00:41,190 --> 01:00:39,359

do

1568

01:00:42,950 --> 01:00:41,200

because i didn't remember that but she

1569

01:00:43,990 --> 01:00:42,960

told me that so i mean there might be

1570

01:00:46,150 --> 01:00:44,000

something to that

1571

01:00:47,670 --> 01:00:46,160

i'm open-minded you know it wouldn't

1572

01:00:51,190 --> 01:00:47,680

surprise me

1573

01:00:54,390 --> 01:00:51,200

uh based on things i have dreamed about

1574

01:00:56,069 --> 01:00:54,400

right um this this one is not so much a

1575

01:00:56,630 --> 01:00:56,079

question just more of a statement nick

1576

01:00:59,109 --> 01:00:56,640

says

1577

01:00:59,910 --> 01:00:59,119

deb is a really cool chick uh can you

1578

01:01:03,510 --> 01:00:59,920

tell her

1579

01:01:05,750 --> 01:01:03,520

can you let her know that well thank you

1580

01:01:06,270 --> 01:01:05,760

i've been called a cool chick in 40

1581

01:01:08,549 --> 01:01:06,280

years

1582

01:01:11,109 --> 01:01:08,559

[Laughter]

1583

01:01:13,109 --> 01:01:11,119

um ida hernandez is asking did the

1584

01:01:14,470 --> 01:01:13,119

aliens know of your health issues and

1585

01:01:16,630 --> 01:01:14,480

offered to heal you

1586

01:01:17,750 --> 01:01:16,640

i've heard other abductees stories about

1587

01:01:20,789 --> 01:01:17,760

aliens healing them

1588

01:01:22,230 --> 01:01:20,799

thank you i have heard other people and

1589

01:01:23,750 --> 01:01:22,240

i know other people that have had

1590

01:01:25,349 --> 01:01:23,760

experiences and that have had

1591

01:01:28,710 --> 01:01:25,359

experiences where they were healed

1592

01:01:30,789 --> 01:01:28,720

and at one point both my sister and i

1593

01:01:31,829 --> 01:01:30,799

had vague memories of being told that if

1594

01:01:33,430 --> 01:01:31,839

something you know

1595

01:01:35,349 --> 01:01:33,440

fatal ever happened to us all we had to

1596

01:01:37,910 --> 01:01:35,359

do was just go

1597

01:01:39,109 --> 01:01:37,920

somewhere and ask for help and we would

1598

01:01:42,870 --> 01:01:39,119

be

1599

01:01:46,150 --> 01:01:42,880

healed um that didn't happen for her

1600

01:01:48,230 --> 01:01:46,160

obviously and she's you know she's in

1601
01:01:50,549 --> 01:01:48,240
in a nursing home after multiple strokes

1602
01:01:52,630 --> 01:01:50,559
and things but

1603
01:01:54,470 --> 01:01:52,640
and i've had a lot of health issues and

1604
01:01:57,510 --> 01:01:54,480
some of them i feel

1605
01:01:59,990 --> 01:01:57,520
may be connected to my um

1606
01:02:01,510 --> 01:02:00,000
contact but i don't think it was

1607
01:02:03,670 --> 01:02:01,520
intentional

1608
01:02:05,270 --> 01:02:03,680
uh so i would like to put out there to

1609
01:02:08,309 --> 01:02:05,280
the universe you know if

1610
01:02:10,309 --> 01:02:08,319
feel free to come and fix you know

1611
01:02:11,430 --> 01:02:10,319
what i what i still got left going on

1612
01:02:14,549 --> 01:02:11,440
here i

1613
01:02:17,029 --> 01:02:14,559

won't argue with you about that

1614

01:02:18,150 --> 01:02:17,039

so but yeah i do know people that's had

1615

01:02:21,430 --> 01:02:18,160

that

1616

01:02:23,670 --> 01:02:21,440

it would be nice right

1617

01:02:25,750 --> 01:02:23,680

well of course you know um because i

1618

01:02:28,710 --> 01:02:25,760

know uh dolores cannon's work

1619

01:02:29,430 --> 01:02:28,720

what she did is basically um past life

1620

01:02:31,589 --> 01:02:29,440

regressions

1621

01:02:32,470 --> 01:02:31,599

and a lot of people come come in with

1622

01:02:34,789 --> 01:02:32,480

ailments

1623

01:02:37,109 --> 01:02:34,799

and she would always tell them you know

1624

01:02:38,710 --> 01:02:37,119

not everyone can be healed because

1625

01:02:41,109 --> 01:02:38,720

there's certain things they're needing

1626

01:02:43,270 --> 01:02:41,119

to learn and that's such a

1627

01:02:44,710 --> 01:02:43,280

hard thing for people to understand too

1628

01:02:47,190 --> 01:02:44,720

you know they always just want it

1629

01:02:47,990 --> 01:02:47,200

out not real realizing it's there for a

1630

01:02:50,789 --> 01:02:48,000

reason and for

1631

01:02:52,470 --> 01:02:50,799

purpose and however painful it is to to

1632

01:02:54,150 --> 01:02:52,480

have to understand why you have it you

1633

01:02:56,870 --> 01:02:54,160

know whatever whatever that

1634

01:02:58,230 --> 01:02:56,880

this is you know i love to play on words

1635

01:03:01,430 --> 01:02:58,240

you know whatever that disease

1636

01:03:03,430 --> 01:03:01,440

is you know it's there for you to try to

1637

01:03:08,309 --> 01:03:03,440

understand it

1638

01:03:11,430 --> 01:03:08,319

right let me see

1639

01:03:14,829 --> 01:03:11,440

polina again asking if not too personal

1640

01:03:16,150 --> 01:03:14,839

is that is deborah blood type o negative

1641

01:03:19,190 --> 01:03:16,160

thanks

1642

01:03:21,829 --> 01:03:19,200

actually i am a positive

1643

01:03:22,309 --> 01:03:21,839

my mother was a negative and my father

1644

01:03:25,910 --> 01:03:22,319

was o

1645

01:03:27,349 --> 01:03:25,920

positive so i don't know how they mixed

1646

01:03:29,510 --> 01:03:27,359

get me but that's

1647

01:03:30,870 --> 01:03:29,520

and i know they're blood i was with them

1648

01:03:33,829 --> 01:03:30,880

on their medical stuff

1649

01:03:36,390 --> 01:03:33,839

you know before they passed away so but

1650

01:03:38,230 --> 01:03:36,400

i'm a positive

1651

01:03:40,230 --> 01:03:38,240

yeah i know it's um i don't want to

1652

01:03:43,430 --> 01:03:40,240

sound too silly regarding that i

1653

01:03:46,390 --> 01:03:43,440

you know i thought at least you get uh

1654

01:03:47,270 --> 01:03:46,400

from one or the other parents blood type

1655

01:03:49,109 --> 01:03:47,280

but not

1656

01:03:50,390 --> 01:03:49,119

make a new one all together that's

1657

01:03:51,910 --> 01:03:50,400

interesting maybe

1658

01:03:53,430 --> 01:03:51,920

maybe it's a normal thing and i just

1659

01:03:55,109 --> 01:03:53,440

don't know i'm gonna have to look that

1660

01:03:56,789 --> 01:03:55,119

up it's uh

1661

01:03:58,710 --> 01:03:56,799

very rare that i'm not too familiar with

1662

01:04:02,549 --> 01:03:58,720

something like that

1663

01:04:05,109 --> 01:04:02,559

um so i'm not either i have no clue

1664

01:04:06,470 --> 01:04:05,119

right well because a lot of times people

1665

01:04:08,150 --> 01:04:06,480

ask about that

1666

01:04:10,150 --> 01:04:08,160

specifically about that oh negative

1667

01:04:13,670 --> 01:04:10,160

connection because i know

1668

01:04:15,829 --> 01:04:13,680

i'm o positive you know and um

1669

01:04:16,870 --> 01:04:15,839

you know i i don't know personally

1670

01:04:18,230 --> 01:04:16,880

because i've known people that have

1671

01:04:21,910 --> 01:04:18,240

different blood types

1672

01:04:23,990 --> 01:04:21,920

so uh there seems to be a lot of

1673

01:04:26,309 --> 01:04:24,000

uh inquiry regarding that from people

1674

01:04:27,670 --> 01:04:26,319

they just they want to know and try to

1675

01:04:29,349 --> 01:04:27,680

connect the dots and

1676

01:04:31,430 --> 01:04:29,359

and see you know if there's some kind of

1677

01:04:34,470 --> 01:04:31,440

pattern there you know because

1678

01:04:35,829 --> 01:04:34,480

it seems like if i just based on all

1679

01:04:38,230 --> 01:04:35,839

the people i've talked to and

1680

01:04:39,910 --> 01:04:38,240

specifically experiencers i mean they

1681

01:04:41,990 --> 01:04:39,920

they run the gamut you know regarding

1682

01:04:45,029 --> 01:04:42,000

what types so i don't know

1683

01:04:50,309 --> 01:04:45,039

that you know that that the o negative

1684

01:04:53,349 --> 01:04:50,319

is um you know necessary for for contact

1685

01:04:54,309 --> 01:04:53,359

yeah i don't uh no i don't think so and

1686

01:04:57,029 --> 01:04:54,319

um

1687

01:04:58,150 --> 01:04:57,039

you know i i actually even remember in a

1688

01:04:59,829 --> 01:04:58,160

dream years ago

1689

01:05:01,670 --> 01:04:59,839

one of the things i'd written down that

1690

01:05:02,549 --> 01:05:01,680

i was told was that all the answers that

1691

01:05:04,870 --> 01:05:02,559

we're looking for

1692

01:05:06,549 --> 01:05:04,880

we could find in our blood but i don't

1693

01:05:08,390 --> 01:05:06,559

think it was in reference to the blood

1694

01:05:09,750 --> 01:05:08,400

type i think it was more in reference to

1695

01:05:13,990 --> 01:05:09,760

the dna

1696

01:05:17,750 --> 01:05:14,000

you know so right

1697

01:05:20,829 --> 01:05:17,760

so i have a question from fab 22

1698

01:05:22,150 --> 01:05:20,839

says deborah thank you for staying

1699

01:05:25,190 --> 01:05:22,160

online

1700

01:05:27,589 --> 01:05:25,200

whilst whilst the skypes are about to

1701

01:05:28,470 --> 01:05:27,599

oh why the sky while the sky is about to

1702

01:05:31,670 --> 01:05:28,480

fall on your

1703

01:05:36,789 --> 01:05:35,670

oh yeah you know i mean i'm i have ptsd

1704

01:05:39,349 --> 01:05:36,799

from storms i'm

1705

01:05:40,390 --> 01:05:39,359

not gonna lie i mean i actually see a

1706

01:05:42,950 --> 01:05:40,400

therapist and take

1707

01:05:44,309 --> 01:05:42,960

uh emdr treatments for it that's how

1708

01:05:48,870 --> 01:05:44,319

traumatic it was

1709

01:05:51,430 --> 01:05:48,880

but um i mean i'm

1710

01:05:52,710 --> 01:05:51,440

watching the radar and i just peeked out

1711

01:05:53,990 --> 01:05:52,720

the window

1712

01:05:55,750 --> 01:05:54,000

and i've just gotten a couple text

1713

01:05:57,349 --> 01:05:55,760

messages from friends saying do you know

1714

01:05:59,589 --> 01:05:57,359

we have a tornado warning

1715

01:06:00,390 --> 01:05:59,599

but uh right but the way i'm seeing it

1716

01:06:04,069 --> 01:06:00,400

now i mean

1717

01:06:07,510 --> 01:06:04,079

it seems like it's moving pretty uh

1718

01:06:10,710 --> 01:06:07,520

uh northeast of me so uh

1719

01:06:11,829 --> 01:06:10,720

but but thanks yeah i'm well that's good

1720

01:06:13,349 --> 01:06:11,839

i'm glad you're not a little bit

1721

01:06:15,990 --> 01:06:13,359

distracted but i'm i'm

1722

01:06:16,549 --> 01:06:16,000

still doing good i'm trying to keep

1723

01:06:18,870 --> 01:06:16,559

ahead

1724

01:06:19,910 --> 01:06:18,880

keep a level head well i can i can

1725

01:06:21,349 --> 01:06:19,920

imagine if you've

1726

01:06:23,270 --> 01:06:21,359

been through something that traumatic

1727

01:06:25,029 --> 01:06:23,280

and has that affected you of course

1728

01:06:27,270 --> 01:06:25,039

your attention would be more on that but

1729

01:06:29,670 --> 01:06:27,280

thank you for for staying on and

1730

01:06:32,069 --> 01:06:29,680

uh you know doing this with us but uh

1731

01:06:35,510 --> 01:06:32,079

there's another question from

1732

01:06:37,670 --> 01:06:35,520

um from michael schuman saying deborah

1733

01:06:41,190 --> 01:06:37,680

have your children had any abduction

1734

01:06:45,109 --> 01:06:41,200

or paranormal experiences yet

1735

01:06:47,270 --> 01:06:45,119

yeah my children are in their 40s so

1736

01:06:49,190 --> 01:06:47,280

but when they were little they did now

1737

01:06:53,109 --> 01:06:49,200

they don't like to talk about it

1738

01:06:53,990 --> 01:06:53,119

um i actually don't talk about it with

1739

01:06:55,750 --> 01:06:54,000

my older son

1740

01:06:57,270 --> 01:06:55,760

he's the father of my granddaughter my

1741

01:06:59,190 --> 01:06:57,280

younger son will still tell me when

1742

01:07:00,309 --> 01:06:59,200

weird stuff happens but it's never been

1743

01:07:03,190 --> 01:07:00,319

anything

1744

01:07:04,069 --> 01:07:03,200

dramatic um who might see something in

1745

01:07:06,710 --> 01:07:04,079

the sky

1746

01:07:08,390 --> 01:07:06,720

or he might see something that he thinks

1747

01:07:10,470 --> 01:07:08,400

is like paranormal activity which he'll

1748

01:07:13,589 --> 01:07:10,480

report to me that kind of freaks him out

1749

01:07:14,309 --> 01:07:13,599

uh when they were little my oldest used

1750

01:07:17,190 --> 01:07:14,319

to

1751

01:07:17,990 --> 01:07:17,200

uh would talk about the uh little man in

1752

01:07:19,910 --> 01:07:18,000

the closet who

1753

01:07:21,349 --> 01:07:19,920

come to get his brother so what he told

1754

01:07:24,950 --> 01:07:21,359

bud and i think he was maybe

1755

01:07:26,470 --> 01:07:24,960

four or five and um tried to draw a

1756

01:07:27,430 --> 01:07:26,480

picture of him he drew a picture of the

1757

01:07:29,430 --> 01:07:27,440

little man

1758

01:07:30,870 --> 01:07:29,440

and then he drew a picture of e.t you

1759

01:07:34,069 --> 01:07:30,880

know because e.t

1760

01:07:35,670 --> 01:07:34,079

the e.t phone home you know i mean

1761

01:07:37,109 --> 01:07:35,680

because all the kids love that movie and

1762

01:07:38,549 --> 01:07:37,119

everything and so i mean

1763

01:07:39,829 --> 01:07:38,559

bud was like look he can tell the

1764

01:07:40,950 --> 01:07:39,839

difference between the little man in his

1765

01:07:44,870 --> 01:07:40,960

closet in e.t

1766

01:07:47,029 --> 01:07:44,880

so that's interesting but um

1767

01:07:49,109 --> 01:07:47,039

you know screaming one time that there

1768

01:07:52,470 --> 01:07:49,119

was a red spider crawling up the wall

1769

01:07:54,710 --> 01:07:52,480

and then uh being awakened

1770

01:07:55,990 --> 01:07:54,720

by screams from my oldest son and my

1771

01:07:57,829 --> 01:07:56,000

youngest son was like

1772

01:08:00,549 --> 01:07:57,839

passed out in the bed he was probably

1773

01:08:02,870 --> 01:08:00,559

only i don't know three or four

1774

01:08:03,829 --> 01:08:02,880

uh just covered in blood all and it was

1775

01:08:05,270 --> 01:08:03,839

smeared up the wall

1776

01:08:06,390 --> 01:08:05,280

coming out of his nose i had to take him

1777

01:08:09,430 --> 01:08:06,400

to the hospital and they had to

1778

01:08:13,029 --> 01:08:11,270

but the little guy's tiny little

1779

01:08:14,470 --> 01:08:13,039

nostrils and big fat fingers there's no

1780

01:08:15,910 --> 01:08:14,480

way he stuck his finger up there and

1781

01:08:18,870 --> 01:08:15,920

scratched his nose so

1782

01:08:19,510 --> 01:08:18,880

we don't know what that what happened

1783

01:08:22,630 --> 01:08:19,520

there

1784

01:08:24,390 --> 01:08:22,640

sorry just peeking uh but he um

1785

01:08:25,829 --> 01:08:24,400

to look outside is it still pretty

1786

01:08:28,229 --> 01:08:25,839

bright out stuff

1787

01:08:29,829 --> 01:08:28,239

huh i saw you peeking outside to

1788

01:08:31,269 --> 01:08:29,839

checking just peeking out the window i

1789

01:08:32,470 --> 01:08:31,279

heard some thunder but it doesn't look

1790

01:08:36,149 --> 01:08:32,480

that bad

1791

01:08:39,269 --> 01:08:36,159

um i really think it's going to go more

1792

01:08:42,309 --> 01:08:39,279

north of me i'm gonna make it go no go

1793

01:08:43,269 --> 01:08:42,319

good deal but um so yeah my kids have

1794

01:08:45,590 --> 01:08:43,279

had stuff

1795

01:08:46,630 --> 01:08:45,600

but when they were little and as far as

1796

01:08:48,950 --> 01:08:46,640

uh my older son

1797

01:08:50,789 --> 01:08:48,960

anything now he he does not like to talk

1798

01:08:53,189 --> 01:08:50,799

about he doesn't want to talk about it

1799

01:08:54,870 --> 01:08:53,199

and so i don't ask him out of respect

1800

01:08:57,910 --> 01:08:54,880

because he's an adult

1801

01:09:00,709 --> 01:08:57,920

uh i have a granddaughter who is 14

1802

01:09:02,630 --> 01:09:00,719

and when she was about five or six for a

1803

01:09:05,110 --> 01:09:02,640

period of about six months she had

1804

01:09:06,229 --> 01:09:05,120

horrible night terrors and she told her

1805

01:09:08,789 --> 01:09:06,239

father that

1806

01:09:10,309 --> 01:09:08,799

some men with big heads were trying to

1807

01:09:11,269 --> 01:09:10,319

get in her room and take her out of her

1808

01:09:15,910 --> 01:09:11,279

window

1809

01:09:18,229 --> 01:09:15,920

and my son got furious with me

1810

01:09:19,910 --> 01:09:18,239

he called me up and he's like damn it

1811

01:09:21,590 --> 01:09:19,920

mom why are you

1812

01:09:23,030 --> 01:09:21,600

what did you tell her blah blah blah

1813

01:09:24,390 --> 01:09:23,040

because she used to spend every weekend

1814

01:09:26,070 --> 01:09:24,400

with me i'm like dude i didn't tell her

1815

01:09:27,510 --> 01:09:26,080

anything i have no idea where this is

1816

01:09:29,669 --> 01:09:27,520

coming from

1817

01:09:31,510 --> 01:09:29,679

even when there was stuff on tv that

1818

01:09:34,229 --> 01:09:31,520

even remotely looked like there was like

1819

01:09:35,910 --> 01:09:34,239

a commercial for alien stuff

1820

01:09:37,990 --> 01:09:35,920

back then i would flip the channel we

1821

01:09:39,990 --> 01:09:38,000

never talked about it that was a rule we

1822

01:09:42,789 --> 01:09:40,000

had when my kids were little because

1823

01:09:44,870 --> 01:09:42,799

we didn't a want to scare them and b

1824

01:09:46,390 --> 01:09:44,880

want to contaminate any memory they may

1825

01:09:48,870 --> 01:09:46,400

have with something

1826

01:09:50,550 --> 01:09:48,880

uh for later you know so we just it was

1827

01:09:52,229 --> 01:09:50,560

a rule we didn't talk about it around

1828

01:09:53,829 --> 01:09:52,239

the boys and

1829

01:09:56,390 --> 01:09:53,839

we didn't talk about it around my

1830

01:09:58,550 --> 01:09:56,400

granddaughter so this went on for

1831

01:09:59,590 --> 01:09:58,560

several months and then finally it

1832

01:10:01,910 --> 01:09:59,600

stopped

1833

01:10:02,630 --> 01:10:01,920

thank god my son had to go to extreme

1834

01:10:04,790 --> 01:10:02,640

measures

1835

01:10:06,550 --> 01:10:04,800

you know he made the anti-alien spray

1836

01:10:09,189 --> 01:10:06,560

with air freshener and

1837

01:10:11,350 --> 01:10:09,199

got her a radio and a night light and

1838

01:10:13,350 --> 01:10:11,360

closed up her windows real tight and

1839

01:10:15,030 --> 01:10:13,360

you know all that stuff until she

1840

01:10:16,870 --> 01:10:15,040

finally calmed down and then she had

1841

01:10:19,270 --> 01:10:16,880

she hadn't done it since then like i

1842

01:10:20,950 --> 01:10:19,280

said she's 14 now but the funny thing is

1843

01:10:23,189 --> 01:10:20,960

well i guess it's not funny but i mean

1844

01:10:26,390 --> 01:10:23,199

she's a super smart

1845

01:10:26,950 --> 01:10:26,400

kid super duper smart really gonna be

1846

01:10:29,030 --> 01:10:26,960

something

1847

01:10:29,990 --> 01:10:29,040

special and she's my little minnie me

1848

01:10:33,990 --> 01:10:30,000

she can't even look like

1849

01:10:36,390 --> 01:10:34,000

her nene but um she was with me one

1850

01:10:37,990 --> 01:10:36,400

one day not too long ago and we were

1851
01:10:39,350 --> 01:10:38,000
watching tv and the commercial for

1852
01:10:40,630 --> 01:10:39,360
ancient aliens came on and

1853
01:10:41,910 --> 01:10:40,640
you know i thought okay at this point

1854
01:10:43,990 --> 01:10:41,920
i'm not going to worry about changing

1855
01:10:46,550 --> 01:10:44,000
the channel she's 14.

1856
01:10:48,310 --> 01:10:46,560
uh it's just a commercial she's the

1857
01:10:49,270 --> 01:10:48,320
airwaves are flooded with this stuff now

1858
01:10:52,550 --> 01:10:49,280
you know

1859
01:10:53,830 --> 01:10:52,560
not like back then and uh after the

1860
01:10:54,870 --> 01:10:53,840
commercial was over she turned around

1861
01:10:58,149 --> 01:10:54,880
and looked at me and she said

1862
01:10:59,030 --> 01:10:58,159
nene do you believe in aliens you know

1863
01:11:01,510 --> 01:10:59,040

you know she don't

1864

01:11:02,870 --> 01:11:01,520

know nothing about any of this really

1865

01:11:04,390 --> 01:11:02,880

yet and i go

1866

01:11:07,030 --> 01:11:04,400

i just looked at her and said yep sure

1867

01:11:08,149 --> 01:11:07,040

do and she just looked at me kind of

1868

01:11:11,110 --> 01:11:08,159

funny and then she says

1869

01:11:12,070 --> 01:11:11,120

so do i and i said cool she's like yeah

1870

01:11:13,669 --> 01:11:12,080

cool

1871

01:11:15,430 --> 01:11:13,679

and that was it that's the extent of our

1872

01:11:18,149 --> 01:11:15,440

conversation so

1873

01:11:18,709 --> 01:11:18,159

you know i don't know whether she's had

1874

01:11:21,990 --> 01:11:18,719

anything

1875

01:11:23,590 --> 01:11:22,000

i'm not gonna ask her uh hopefully one

1876

01:11:24,870 --> 01:11:23,600

day she'll feel comfortable and come to

1877

01:11:28,149 --> 01:11:24,880

me

1878

01:11:30,550 --> 01:11:28,159

that's very interesting

1879

01:11:32,950 --> 01:11:30,560

i can't certainly say that everyone is

1880

01:11:35,590 --> 01:11:32,960

like this but i find that a majority

1881

01:11:35,990 --> 01:11:35,600

of experienter inclu including myself

1882

01:11:39,590 --> 01:11:36,000

and

1883

01:11:40,070 --> 01:11:39,600

friends we don't we don't talk to our

1884

01:11:42,709 --> 01:11:40,080

children

1885

01:11:44,310 --> 01:11:42,719

about that about it it's not we're

1886

01:11:45,430 --> 01:11:44,320

trying to hide them it's almost like

1887

01:11:47,110 --> 01:11:45,440

when they're ready

1888

01:11:49,110 --> 01:11:47,120

they're going to ask us when it's time

1889

01:11:49,830 --> 01:11:49,120

and we'll be there and be open to talk

1890

01:11:52,229 --> 01:11:49,840

to them

1891

01:11:53,830 --> 01:11:52,239

but you know right now it's like you

1892

01:11:56,070 --> 01:11:53,840

know i just want them to have a normal

1893

01:11:58,630 --> 01:11:56,080

life do what they got to do and whenever

1894

01:11:59,669 --> 01:11:58,640

happens whatever happens in their lives

1895

01:12:02,390 --> 01:11:59,679

you know they'll know

1896

01:12:03,110 --> 01:12:02,400

who to come to and ask the questions

1897

01:12:04,870 --> 01:12:03,120

exactly

1898

01:12:06,950 --> 01:12:04,880

you know that was the whole point of my

1899

01:12:08,950 --> 01:12:06,960

entire life here doing what i've done

1900

01:12:11,189 --> 01:12:08,960

is so that my boys could have a normal

1901

01:12:14,310 --> 01:12:11,199

life you know i didn't want them to have

1902

01:12:17,669 --> 01:12:14,320

to deal with it um the way i did

1903

01:12:18,630 --> 01:12:17,679

but um i mean there's some some of it

1904

01:12:20,870 --> 01:12:18,640

you can't stop

1905

01:12:22,070 --> 01:12:20,880

like you know whatever happened with my

1906

01:12:25,430 --> 01:12:22,080

granddaughter there i

1907

01:12:28,149 --> 01:12:25,440

had no control over that but uh

1908

01:12:28,709 --> 01:12:28,159

at least she knows she you know she can

1909

01:12:30,709 --> 01:12:28,719

tell me

1910

01:12:32,229 --> 01:12:30,719

she knows that if she wants to talk

1911

01:12:35,510 --> 01:12:32,239

about something later then

1912

01:12:36,470 --> 01:12:35,520

grant that nene's cool so she calls me

1913

01:12:38,870 --> 01:12:36,480

nini

1914

01:12:39,830 --> 01:12:38,880

yeah you know it's as much understanding

1915

01:12:43,030 --> 01:12:39,840

as i have

1916

01:12:45,030 --> 01:12:43,040

personally and you know i don't know uh

1917

01:12:47,270 --> 01:12:45,040

how you feel about this but even i

1918

01:12:49,189 --> 01:12:47,280

noticed that

1919

01:12:51,750 --> 01:12:49,199

you know our youngest one sometimes

1920

01:12:53,110 --> 01:12:51,760

he'll like i don't know where he'll be

1921

01:12:54,790 --> 01:12:53,120

you know of course they're they're

1922

01:12:56,630 --> 01:12:54,800

almost like in this 80d stage but

1923

01:12:58,630 --> 01:12:56,640

there's a specific type of look where he

1924

01:12:59,430 --> 01:12:58,640

like stops turns around and looks at

1925

01:13:01,030 --> 01:12:59,440

something

1926

01:13:02,550 --> 01:13:01,040

you know and we're asking like orion

1927

01:13:04,149 --> 01:13:02,560

what is it you know and he'll just kind

1928

01:13:05,430 --> 01:13:04,159

of like keep looking at it keep looking

1929

01:13:07,030 --> 01:13:05,440

and then he'll move on

1930

01:13:08,470 --> 01:13:07,040

you know and it's like these just on

1931

01:13:09,030 --> 01:13:08,480

very occasion it doesn't do it all the

1932

01:13:10,709 --> 01:13:09,040

time

1933

01:13:12,390 --> 01:13:10,719

you know and it's and i thought about

1934

01:13:15,030 --> 01:13:12,400

this it's like with as much as

1935

01:13:16,310 --> 01:13:15,040

i have experienced and whatever also my

1936

01:13:19,750 --> 01:13:16,320

wife went through

1937

01:13:22,790 --> 01:13:19,760

i would still find it hard knowing that

1938

01:13:24,390 --> 01:13:22,800

my son would then kind of have to go

1939

01:13:26,070 --> 01:13:24,400

through the similar process because you

1940

01:13:27,669 --> 01:13:26,080

know there's this dad in me that

1941

01:13:29,430 --> 01:13:27,679

no matter how much understanding i have

1942

01:13:31,669 --> 01:13:29,440

no matter how much i know

1943

01:13:33,590 --> 01:13:31,679

that from person experience that it's

1944

01:13:36,229 --> 01:13:33,600

you know upon agreement

1945

01:13:37,270 --> 01:13:36,239

you know that you know it's it's nothing

1946

01:13:39,830 --> 01:13:37,280

is done against

1947

01:13:41,750 --> 01:13:39,840

against the will at different times

1948

01:13:43,830 --> 01:13:41,760

different things will be happening

1949

01:13:45,669 --> 01:13:43,840

to prep you for your next stage in life

1950

01:13:48,229 --> 01:13:45,679

i mean happened to me when i was a kid

1951

01:13:49,430 --> 01:13:48,239

and it's wouldn't be a surprise for for

1952

01:13:51,270 --> 01:13:49,440

my children to happen

1953

01:13:53,270 --> 01:13:51,280

but i still can't help it that i'm just

1954

01:13:55,510 --> 01:13:53,280

like i almost want to just be this

1955

01:13:56,630 --> 01:13:55,520

uh protective you know dad and just be

1956

01:13:58,390 --> 01:13:56,640

like no you know

1957

01:14:00,149 --> 01:13:58,400

wait till they're adults then interact

1958

01:14:00,870 --> 01:14:00,159

with them that kind of thing you know

1959

01:14:03,750 --> 01:14:00,880

because i don't

1960

01:14:04,709 --> 01:14:03,760

i don't know why it's just uh i i just

1961

01:14:06,229 --> 01:14:04,719

still feel protect

1962

01:14:07,830 --> 01:14:06,239

you know protected of them even though

1963

01:14:10,310 --> 01:14:07,840

there's nothing to be afraid of

1964

01:14:11,669 --> 01:14:10,320

and and no point and you know has there

1965

01:14:14,709 --> 01:14:11,679

ever been something that

1966

01:14:15,030 --> 01:14:14,719

uh that was you know a true danger where

1967

01:14:41,430 --> 01:14:15,040

i

1968

01:14:45,350 --> 01:14:41,440

healthy

1969

01:14:49,030 --> 01:14:45,360

i'm alive um you know so uh

1970

01:14:51,270 --> 01:14:49,040

you know uh but yeah early on in

1971

01:14:53,430 --> 01:14:51,280

my awakening and my realization of what

1972

01:14:55,270 --> 01:14:53,440

was going on i mean i was terrified and

1973

01:14:58,470 --> 01:14:55,280

i did have a lot of fear and anxiety

1974

01:15:01,510 --> 01:14:58,480

that first year after

1975

01:15:03,590 --> 01:15:01,520

the june 3083 thing i

1976

01:15:05,110 --> 01:15:03,600

pretty much stayed up every night and

1977

01:15:08,709 --> 01:15:05,120

stayed up all night long

1978

01:15:11,590 --> 01:15:08,719

and would sit in a chair between my

1979

01:15:13,270 --> 01:15:11,600

two little boys bed they were you know

1980

01:15:14,790 --> 01:15:13,280

like maybe three and four years old and

1981

01:15:16,870 --> 01:15:14,800

we were living with my mom and dad

1982

01:15:18,550 --> 01:15:16,880

thank god because i pretty much had a

1983

01:15:19,510 --> 01:15:18,560

nervous breakdown for that period of

1984

01:15:21,669 --> 01:15:19,520

time and

1985

01:15:23,430 --> 01:15:21,679

like i said i'd be up all night like i

1986

01:15:25,030 --> 01:15:23,440

was just waiting and watching and

1987

01:15:28,390 --> 01:15:25,040

guarding my children and then

1988

01:15:29,990 --> 01:15:28,400

i could sleep when the sun came up and

1989

01:15:32,229 --> 01:15:30,000

other people in the house were up and

1990

01:15:35,590 --> 01:15:32,239

awake then i would fall asleep you know

1991

01:15:37,750 --> 01:15:35,600

out of exhaustion thank god that

1992

01:15:38,709 --> 01:15:37,760

i was able to overcome that thank god

1993

01:15:42,149 --> 01:15:38,719

for my parents

1994

01:15:44,149 --> 01:15:42,159

because they i don't know what i'd done

1995

01:15:46,709 --> 01:15:44,159

without them but

1996

01:15:47,830 --> 01:15:46,719

you know so yeah my mama bear instincts

1997

01:15:50,950 --> 01:15:47,840

were in high mode

1998

01:15:53,189 --> 01:15:50,960

for a long long time and

1999

01:15:54,550 --> 01:15:53,199

my boys are good they're in their 40s

2000

01:15:57,910 --> 01:15:54,560

they're both

2001

01:15:59,590 --> 01:15:57,920

uh productive members of society and

2002

01:16:01,910 --> 01:15:59,600

they're good kid they're good kids

2003

01:16:03,750 --> 01:16:01,920

they're good men uh you know so i did

2004

01:16:06,790 --> 01:16:03,760

something right and

2005

01:16:10,229 --> 01:16:06,800

um whatever they have

2006

01:16:13,350 --> 01:16:10,239

uh as far as this paranormal

2007

01:16:15,030 --> 01:16:13,360

ufo experience goes you know they

2008

01:16:16,790 --> 01:16:15,040

always know they can come to me and talk

2009

01:16:19,030 --> 01:16:16,800

to me if they need to so

2010

01:16:20,310 --> 01:16:19,040

right right otherwise i gotta just trust

2011

01:16:20,950 --> 01:16:20,320

them they know how to live their lives

2012

01:16:24,950 --> 01:16:20,960

they're grown

2013

01:16:26,550 --> 01:16:24,960

something

2014

01:16:28,390 --> 01:16:26,560

yeah just knowing just that part of

2015

01:16:29,990 --> 01:16:28,400

knowing that they can come to you and

2016

01:16:31,830 --> 01:16:30,000

you know just i think that's that's all

2017

01:16:34,310 --> 01:16:31,840

they really need um

2018

01:16:34,870 --> 01:16:34,320

yeah when you think about it so anyway

2019

01:16:35,990 --> 01:16:34,880

just uh

2020

01:16:37,910 --> 01:16:36,000

thank you all very much for your

2021

01:16:38,950 --> 01:16:37,920

questions uh i'm just gonna keep on

2022

01:16:41,910 --> 01:16:38,960

going down the list

2023

01:16:43,270 --> 01:16:41,920

remember uh you can also go on telegram

2024

01:16:46,229 --> 01:16:43,280

and just like kenny did

2025

01:16:47,270 --> 01:16:46,239

uh log in and asked uh a question of uh

2026

01:16:49,669 --> 01:16:47,280

w yourself

2027

01:16:50,470 --> 01:16:49,679

so just putting that out there the other

2028

01:16:54,470 --> 01:16:50,480

question

2029

01:16:58,390 --> 01:16:54,480

um deb is from fab 22 again

2030

01:17:02,070 --> 01:16:58,400

have you had telepathic quote unquote

2031

01:17:05,030 --> 01:17:02,080

warming or warning that a communication

2032

01:17:06,229 --> 01:17:05,040

was about to happen then it does happen

2033

01:17:14,470 --> 01:17:06,239

with

2034

01:17:18,149 --> 01:17:16,709

well that's what i can tell you i'm not

2035

01:17:19,270 --> 01:17:18,159

sure if i understand the question

2036

01:17:21,669 --> 01:17:19,280

completely but here

2037

01:17:23,189 --> 01:17:21,679

basically like uh um have you had an

2038

01:17:24,470 --> 01:17:23,199

inkling i think it wants to say like

2039

01:17:25,990 --> 01:17:24,480
that there's something coming

2040

01:17:27,669 --> 01:17:26,000
telepathically and then

2041

01:17:30,070 --> 01:17:27,679
within like in the next two hours you

2042

01:17:34,149 --> 01:17:30,080
have an actual experience

2043

01:17:35,590 --> 01:17:34,159
yeah i've had it's been uh

2044

01:17:37,990 --> 01:17:35,600
there were a couple times when it was

2045

01:17:40,390 --> 01:17:38,000
maybe like telepathically i was in bed

2046

01:17:42,550 --> 01:17:40,400
but i wasn't asleep yet you know and it

2047

01:17:45,910 --> 01:17:42,560
kind of came into my mind

2048

01:17:48,630 --> 01:17:45,920
um but then there's

2049

01:17:49,910 --> 01:17:48,640
been a few times i recall where prior to

2050

01:17:52,870 --> 01:17:49,920
something weird happening that

2051

01:17:54,149 --> 01:17:52,880

i would hear a sound like some kind of

2052

01:17:57,030 --> 01:17:54,159

weird tone

2053

01:17:57,510 --> 01:17:57,040

uh it would almost be more than hear it

2054

01:18:00,709 --> 01:17:57,520

almost

2055

01:18:02,790 --> 01:18:00,719

feel it you know um i've had that

2056

01:18:06,149 --> 01:18:02,800

experience a few times

2057

01:18:08,709 --> 01:18:06,159

and then uh but

2058

01:18:11,270 --> 01:18:08,719

and then later on in life the only

2059

01:18:14,390 --> 01:18:11,280

contact that i had at all was

2060

01:18:18,790 --> 01:18:14,400

maybe telepathic in some way or uh

2061

01:18:21,590 --> 01:18:18,800

you know like my consciousness

2062

01:18:23,510 --> 01:18:21,600

you know went somewhere else not my body

2063

01:18:26,550 --> 01:18:23,520

if that makes any sense

2064

01:18:29,750 --> 01:18:26,560

right it does

2065

01:18:31,830 --> 01:18:29,760

okay sorry i'm just uh doing some multi

2066

01:18:35,189 --> 01:18:31,840

the storm is breaking up and it's going

2067

01:18:37,990 --> 01:18:35,199

away just like i told it to so yeah

2068

01:18:49,910 --> 01:18:38,000

good good i'm glad i'm glad that that's

2069

01:18:53,430 --> 01:18:51,590

i'm sorry one of the questions i don't

2070

01:18:55,110 --> 01:18:53,440

understand i think it was

2071

01:18:57,030 --> 01:18:55,120

a compliment i still don't don't get i

2072

01:18:59,669 --> 01:18:57,040

think they're trying

2073

01:19:01,270 --> 01:18:59,679

i think it's nick again trying to say oh

2074

01:19:03,270 --> 01:19:01,280

some i think it's someone that like you

2075

01:19:04,630 --> 01:19:03,280

you don't look anything near the age you

2076

01:19:08,070 --> 01:19:04,640

mentioned

2077

01:19:09,910 --> 01:19:08,080

oh thanks genetics

2078

01:19:11,189 --> 01:19:09,920

and i don't even know what that comment

2079

01:19:14,709 --> 01:19:11,199

meant there you know

2080

01:19:17,189 --> 01:19:14,719

right right right right uh so mike

2081

01:19:18,310 --> 01:19:17,199

michael schumann asks uh deb do you

2082

01:19:25,110 --> 01:19:18,320

think

2083

01:19:28,870 --> 01:19:25,120

we

2084

01:19:32,950 --> 01:19:28,880

ets or not

2085

01:19:35,990 --> 01:19:32,960

are they benevolent or malevolent

2086

01:19:40,070 --> 01:19:36,000

well my opinion is there are

2087

01:19:43,110 --> 01:19:40,080

probably as many different agendas

2088

01:19:46,550 --> 01:19:43,120

as there are life forms

2089

01:19:47,590 --> 01:19:46,560

i mean look at the multitude of

2090

01:19:51,270 --> 01:19:47,600

different agendas

2091

01:19:54,229 --> 01:19:51,280

just here on this planet with humans

2092

01:19:55,750 --> 01:19:54,239

so i think that there are some

2093

01:19:57,430 --> 01:19:55,760

malevolent

2094

01:19:58,950 --> 01:19:57,440

if i could say that right my mouth

2095

01:20:00,790 --> 01:19:58,960

worked that way i

2096

01:20:02,790 --> 01:20:00,800

have difficulties with dual sports too

2097

01:20:04,390 --> 01:20:02,800

malevolent and

2098

01:20:05,990 --> 01:20:04,400

malevolent i think there are some

2099

01:20:09,110 --> 01:20:06,000

malevolent

2100

01:20:11,750 --> 01:20:09,120

um entities out there

2101
01:20:12,709 --> 01:20:11,760
i think there are some benevolent you

2102
01:20:15,189 --> 01:20:12,719
know

2103
01:20:17,189 --> 01:20:15,199
life forces entities out there i think

2104
01:20:23,510 --> 01:20:17,199
they have different agendas

2105
01:20:23,520 --> 01:20:27,030
um

2106
01:20:30,310 --> 01:20:29,350
as far as trying to contact him i've

2107
01:20:33,910 --> 01:20:30,320
never

2108
01:20:36,470 --> 01:20:33,920
pensacola beach

2109
01:20:37,110 --> 01:20:36,480
with the gulf breeze research team a few

2110
01:20:39,430 --> 01:20:37,120
times

2111
01:20:41,910 --> 01:20:39,440
and we sat out on the beach and tried to

2112
01:20:44,550 --> 01:20:41,920
call in bubba that's what they called

2113
01:20:46,629 --> 01:20:44,560

uh the ufos that were sighted down in

2114

01:20:49,189 --> 01:20:46,639

pensacola beach back in the 90s

2115

01:20:51,270 --> 01:20:49,199

and we did have a blue light a little

2116

01:20:53,430 --> 01:20:51,280

round blue light that just like flew

2117

01:20:54,790 --> 01:20:53,440

right between me and some other girl and

2118

01:20:57,270 --> 01:20:54,800

whizzed around us

2119

01:20:57,910 --> 01:20:57,280

and there were multiple sightings uh

2120

01:21:01,510 --> 01:20:57,920

that were

2121

01:21:04,709 --> 01:21:01,520

videotaped of the weird

2122

01:21:07,350 --> 01:21:04,719

happenings over the water out there

2123

01:21:07,830 --> 01:21:07,360

but nothing really ever happened after

2124

01:21:11,110 --> 01:21:07,840

that

2125

01:21:13,590 --> 01:21:11,120

um i personally don't

2126

01:21:15,350 --> 01:21:13,600

want i don't i don't know maybe it's

2127

01:21:17,270 --> 01:21:15,360

because i don't need to call them in

2128

01:21:19,590 --> 01:21:17,280

uh i've been trying to shoo them off for

2129

01:21:22,070 --> 01:21:19,600

the last four years

2130

01:21:23,189 --> 01:21:22,080

uh i don't really know why anybody would

2131

01:21:26,629 --> 01:21:23,199

want to do that

2132

01:21:29,270 --> 01:21:26,639

but i can't even say that now i mean i'm

2133

01:21:31,750 --> 01:21:29,280

curious now i'm being curious to see

2134

01:21:32,470 --> 01:21:31,760

if if it could actually be done you know

2135

01:21:35,590 --> 01:21:32,480

i would

2136

01:21:38,149 --> 01:21:35,600

uh back

2137

01:21:39,430 --> 01:21:38,159

back you know 30 years ago if you asked

2138

01:21:40,790 --> 01:21:39,440

me that question i'd be like what the

2139

01:21:43,110 --> 01:21:40,800

hell's wrong with you why would you

2140

01:21:44,470 --> 01:21:43,120

want to ever do that but now i can kind

2141

01:21:47,830 --> 01:21:44,480

of see it you know

2142

01:21:48,149 --> 01:21:47,840

uh i'm curious enough and not as afraid

2143

01:21:50,790 --> 01:21:48,159

so

2144

01:21:51,510 --> 01:21:50,800

yeah i probably would would try it i

2145

01:21:55,430 --> 01:21:51,520

don't know

2146

01:21:57,990 --> 01:21:55,440

whether dr grier's uh the way he does it

2147

01:22:00,149 --> 01:21:58,000

is the right way or the only way

2148

01:22:01,030 --> 01:22:00,159

um i don't really particularly think you

2149

01:22:05,270 --> 01:22:01,040

need a whole

2150

01:22:09,030 --> 01:22:05,280

big group of people i think one will do

2151

01:22:11,110 --> 01:22:09,040

so i mean you know

2152

01:22:13,110 --> 01:22:11,120

i think it's a matter of opinion uh and

2153

01:22:16,149 --> 01:22:13,120

my opinion is i don't really have a need

2154

01:22:21,669 --> 01:22:19,350

whatever roger boat right

2155

01:22:22,870 --> 01:22:21,679

um so that the next question is from

2156

01:22:25,110 --> 01:22:22,880

star brothers says

2157

01:22:29,189 --> 01:22:25,120

does zebra think there's a real galactic

2158

01:22:32,310 --> 01:22:31,430

i don't know i can't say whether i think

2159

01:22:35,510 --> 01:22:32,320

there is or not

2160

01:22:35,910 --> 01:22:35,520

um like i might said i'm open-minded and

2161

01:22:39,110 --> 01:22:35,920

i

2162

01:22:42,870 --> 01:22:39,120

of my own

2163

01:22:44,710 --> 01:22:42,880

things so um i don't know i

2164

01:22:48,470 --> 01:22:44,720

i guess anything's possible um

2165

01:22:52,070 --> 01:22:51,030

i don't know right so the next one is

2166

01:22:55,430 --> 01:22:52,080

from paulina

2167

01:22:57,669 --> 01:22:55,440

can i ask deborah deborah's thoughts

2168

01:22:59,110 --> 01:22:57,679

on the belief that the et's could be us

2169

01:23:01,669 --> 01:22:59,120

humans from the future

2170

01:23:02,709 --> 01:23:01,679

thanks oh yeah that's something i've

2171

01:23:05,990 --> 01:23:02,719

thought about

2172

01:23:08,790 --> 01:23:06,000

a lot in the last few years

2173

01:23:09,510 --> 01:23:08,800

i mean i've seen things that have led me

2174

01:23:12,629 --> 01:23:09,520

to feel

2175

01:23:12,639 --> 01:23:19,350

that's perhaps the way it actually is

2176

01:23:24,870 --> 01:23:23,350

it yeah i mean

2177

01:23:26,709 --> 01:23:24,880

yeah i as a matter of fact i think

2178

01:23:29,510 --> 01:23:26,719

that's makes

2179

01:23:30,470 --> 01:23:29,520

them one of the most logical things

2180

01:23:33,030 --> 01:23:30,480

sense wise

2181

01:23:34,550 --> 01:23:33,040

because i don't you know i feel like the

2182

01:23:36,870 --> 01:23:34,560

things that i've had experience with

2183

01:23:38,629 --> 01:23:36,880

didn't particularly come from out there

2184

01:23:40,870 --> 01:23:38,639

but maybe were uh from some other

2185

01:23:43,270 --> 01:23:40,880

dimension or some other extra you know

2186

01:23:45,750 --> 01:23:43,280

another universe or in another dimension

2187

01:23:48,149 --> 01:23:45,760

or something or from the future

2188

01:23:50,149 --> 01:23:48,159

like i said that thing that i saw in my

2189

01:23:50,550 --> 01:23:50,159

mom and dad's backyard that night that

2190

01:23:53,990 --> 01:23:50,560

little

2191

01:23:57,430 --> 01:23:54,000

egg shake craft even small

2192

01:23:57,830 --> 01:23:57,440

six small people couldn't get in that

2193

01:24:00,870 --> 01:23:57,840

and

2194

01:24:02,310 --> 01:24:00,880

fly to another universe you know out

2195

01:24:05,510 --> 01:24:02,320

here in space

2196

01:24:06,870 --> 01:24:05,520

there's no way so what was really what

2197

01:24:10,390 --> 01:24:06,880

was that thing

2198

01:24:13,270 --> 01:24:10,400

it wasn't a spacecraft as we know it

2199

01:24:15,590 --> 01:24:13,280

was it some kind of portal to some other

2200

01:24:18,229 --> 01:24:15,600

dimension or was it a time machine

2201

01:24:20,149 --> 01:24:18,239

that came from the future or back i

2202

01:24:20,790 --> 01:24:20,159

don't know but yeah i think that's very

2203

01:24:23,830 --> 01:24:20,800

possible

2204

01:24:24,870 --> 01:24:23,840

i think it may it's it makes more sense

2205

01:24:29,430 --> 01:24:24,880

than some of the other

2206

01:24:32,870 --> 01:24:32,310

right um it looks like i had skipped a

2207

01:24:34,629 --> 01:24:32,880

question

2208

01:24:36,229 --> 01:24:34,639

from pretty previously about i guess

2209

01:24:37,510 --> 01:24:36,239

it's never too late to ask it this was

2210

01:24:40,550 --> 01:24:37,520

from tammy asking

2211

01:24:42,470 --> 01:24:40,560

what did the six little little look like

2212

01:24:44,310 --> 01:24:42,480

i guess you mentioned it the ones yeah

2213

01:24:46,149 --> 01:24:44,320

you witnessed

2214

01:24:47,990 --> 01:24:46,159

yeah well you know it was very difficult

2215

01:24:49,510 --> 01:24:48,000

to actually see a lot of detail because

2216

01:24:53,189 --> 01:24:49,520

by the time the light

2217

01:24:55,750 --> 01:24:53,199

was so bright uh faded and i could see

2218

01:24:56,229 --> 01:24:55,760

movement and i could figure there were

2219

01:24:59,189 --> 01:24:56,239

six

2220

01:24:59,910 --> 01:24:59,199

figures out there i said originally they

2221

01:25:02,870 --> 01:24:59,920

kind of looked

2222

01:25:04,550 --> 01:25:02,880

bullish bullet shaped because they were

2223

01:25:06,470 --> 01:25:04,560

like their heads were bigger and then

2224

01:25:08,390 --> 01:25:06,480

they got real narrow kind of narrowed

2225

01:25:11,510 --> 01:25:08,400

down

2226

01:25:14,790 --> 01:25:13,510

and they when they moved they didn't

2227

01:25:17,910 --> 01:25:14,800

really uh

2228

01:25:19,510 --> 01:25:17,920

walk it was more like a slide or a glide

2229

01:25:22,550 --> 01:25:19,520

it was very smooth

2230

01:25:24,950 --> 01:25:22,560

um but i couldn't see a lot of detail

2231

01:25:27,430 --> 01:25:24,960

at the time because my eyes were just

2232

01:25:30,229 --> 01:25:27,440

totally blown out and

2233

01:25:31,110 --> 01:25:30,239

it was like have you ever gotten your

2234

01:25:34,149 --> 01:25:31,120

picture taken

2235

01:25:36,790 --> 01:25:34,159

with the old-fashioned flash bulbs and

2236

01:25:37,430 --> 01:25:36,800

didn't blink and then you're like i

2237

01:25:39,910 --> 01:25:37,440

can't see

2238

01:25:40,950 --> 01:25:39,920

anything they're just like white spots

2239

01:25:43,990 --> 01:25:40,960

all over your vision

2240

01:25:47,030 --> 01:25:44,000

that's the way my eyes were for that

2241

01:25:48,149 --> 01:25:47,040

part of time and um you know like i said

2242

01:25:49,350 --> 01:25:48,159

the next morning i woke up they were

2243

01:25:53,110 --> 01:25:49,360

swelled shut they were

2244

01:25:55,510 --> 01:25:53,120

blasted but um so but yes i did

2245

01:25:57,350 --> 01:25:55,520

they were small maybe the size maybe the

2246

01:25:58,390 --> 01:25:57,360

height of a seven or an eight-year-old

2247

01:26:01,270 --> 01:25:58,400

kid

2248

01:26:02,629 --> 01:26:01,280

uh they moved very smoothly in the kind

2249

01:26:05,110 --> 01:26:02,639

of a gliding motion

2250

01:26:06,470 --> 01:26:05,120

they had big heads and their bodies were

2251

01:26:08,229 --> 01:26:06,480

small

2252

01:26:10,310 --> 01:26:08,239

and that's pretty much all the detail i

2253

01:26:13,750 --> 01:26:10,320

could give you at that

2254

01:26:15,590 --> 01:26:13,760

you know from that okay

2255

01:26:17,430 --> 01:26:15,600

yeah for those of you in chat if you

2256

01:26:18,550 --> 01:26:17,440

could please put three little stars

2257

01:26:20,790 --> 01:26:18,560

before your question

2258

01:26:23,110 --> 01:26:20,800

so it pops out at me thankfully you know

2259

01:26:24,709 --> 01:26:23,120

um the the chat i have kind of slows

2260

01:26:27,110 --> 01:26:24,719

things down so i can

2261

01:26:28,470 --> 01:26:27,120

kind of still read things that pop out

2262

01:26:29,750 --> 01:26:28,480

at me even though it doesn't look like

2263

01:26:31,510 --> 01:26:29,760

it is a question

2264

01:26:33,350 --> 01:26:31,520

but just to make it easy on me please

2265

01:26:34,950 --> 01:26:33,360

just three stars and then your question

2266

01:26:35,990 --> 01:26:34,960

that way i know it's a direct question

2267

01:26:37,110 --> 01:26:36,000

for um

2268

01:26:40,149 --> 01:26:37,120

[Music]

2269

01:26:40,870 --> 01:26:40,159

for deb so deb i have nathan on on

2270

01:26:42,950 --> 01:26:40,880

telegram

2271

01:26:43,910 --> 01:26:42,960

that would like to ask you a question so

2272

01:26:45,910 --> 01:26:43,920

nathan

2273

01:26:48,229 --> 01:26:45,920

you are unmuted and mute yourself and

2274

01:26:50,310 --> 01:26:48,239

please ask a question

2275

01:26:52,149 --> 01:26:50,320

yes hello deborah uh hello anon thanks

2276

01:26:55,590 --> 01:26:52,159

for having me on

2277

01:26:57,350 --> 01:26:55,600

hey just hi so i have a question uh

2278

01:26:59,189 --> 01:26:57,360

i'm not sure if you're familiar with

2279

01:27:02,870 --> 01:26:59,199

it's a very popular book uh it's

2280

01:27:05,750 --> 01:27:02,880

jack ballet's a book passport to magonia

2281

01:27:07,189 --> 01:27:05,760

and uh and then i've heard of it yeah

2282

01:27:08,870 --> 01:27:07,199

okay like the premise of it is

2283

01:27:10,390 --> 01:27:08,880

it's and it's very old it's been around

2284

01:27:11,189 --> 01:27:10,400

you know for a while but premise of it

2285

01:27:14,390 --> 01:27:11,199

is that

2286

01:27:15,430 --> 01:27:14,400

um that the et's that we're experiencing

2287

01:27:18,709 --> 01:27:15,440

today

2288

01:27:19,430 --> 01:27:18,719

are were the same as the the fairies and

2289

01:27:23,189 --> 01:27:19,440

the

2290

01:27:26,229 --> 01:27:23,199

yesteryear

2291

01:27:28,709 --> 01:27:26,239

um graham hancock went into way further

2292

01:27:29,350 --> 01:27:28,719

detail into his book called supernatural

2293

01:27:32,070 --> 01:27:29,360

um

2294

01:27:33,910 --> 01:27:32,080

and i was like on on that it's uh that a

2295

01:27:35,830 --> 01:27:33,920

lot of these experiences are all very

2296

01:27:37,990 --> 01:27:35,840

closely tied together like psychedelic

2297

01:27:40,790 --> 01:27:38,000

experiences out of body experiences

2298

01:27:41,669 --> 01:27:40,800

um all of them are are all touching on

2299

01:27:43,030 --> 01:27:41,679

the same

2300

01:27:44,950 --> 01:27:43,040

sort of experience i'm wondering from

2301

01:27:47,590 --> 01:27:44,960

your personal experience do you

2302

01:27:49,590 --> 01:27:47,600

do you do you feel like that is a

2303

01:27:51,030 --> 01:27:49,600

there's a lot of truth to that and

2304

01:27:52,709 --> 01:27:51,040

how do you you know what experiences

2305

01:27:56,149 --> 01:27:52,719

have you had that that may allude to

2306

01:28:00,629 --> 01:27:59,189

no do you i don't i can't it's hard for

2307

01:28:02,310 --> 01:28:00,639

me to answer that because i

2308

01:28:04,149 --> 01:28:02,320

haven't read that book so i don't really

2309

01:28:06,470 --> 01:28:04,159

know fully

2310

01:28:08,310 --> 01:28:06,480

um you know what he what he always i

2311

01:28:11,430 --> 01:28:08,320

think what he's trying to say is that uh

2312

01:28:12,070 --> 01:28:11,440

uh that because uh it's basically that

2313

01:28:15,669 --> 01:28:12,080

it's

2314

01:28:18,149 --> 01:28:15,679

of interconnected

2315

01:28:20,149 --> 01:28:18,159

is that what you're trying to bury like

2316

01:28:21,910 --> 01:28:20,159

even from like the stories that we have

2317

01:28:23,350 --> 01:28:21,920

from hundreds of years ago about where

2318

01:28:24,550 --> 01:28:23,360

they had they called them fairy rings

2319

01:28:25,430 --> 01:28:24,560

back in the day and now they're crop

2320

01:28:27,990 --> 01:28:25,440

circles

2321

01:28:28,470 --> 01:28:28,000

um they have uh you know descriptions of

2322

01:28:30,310 --> 01:28:28,480

different

2323

01:28:31,830 --> 01:28:30,320

fairies and stuff being very nimble

2324

01:28:33,430 --> 01:28:31,840

people and stuff like that

2325

01:28:34,950 --> 01:28:33,440

uh i was just wondering if there or and

2326

01:28:36,709 --> 01:28:34,960

then there's also like i said

2327

01:28:38,629 --> 01:28:36,719

that jack valet sticks with that but

2328

01:28:40,709 --> 01:28:38,639

basically the nuts and bolts more

2329

01:28:42,470 --> 01:28:40,719

uh stuff like that that you can prove

2330

01:28:43,669 --> 01:28:42,480

you know and then but then

2331

01:28:45,910 --> 01:28:43,679

graham hancock when his book

2332

01:28:49,270 --> 01:28:45,920

supernatural goes into a lot more detail

2333

01:28:50,950 --> 01:28:49,280

and start pulls in uh topics like ndes

2334

01:28:52,870 --> 01:28:50,960

near death experiences and

2335

01:28:54,629 --> 01:28:52,880

and stuff and um the out-of-body

2336

01:28:55,990 --> 01:28:54,639

experiences i was wondering if any of

2337

01:28:58,229 --> 01:28:56,000

your experiences

2338

01:28:59,750 --> 01:28:58,239

would sort of like make it help help us

2339

01:29:03,510 --> 01:28:59,760

confirm that that that is true

2340

01:29:07,350 --> 01:29:03,520

like did you do you have any um

2341

01:29:08,629 --> 01:29:07,360

okay yeah i've had okay yeah i had a

2342

01:29:11,830 --> 01:29:08,639

thank you for your question nathan

2343

01:29:15,590 --> 01:29:11,840

experience when i gave birth to my son

2344

01:29:19,030 --> 01:29:15,600

um so i i can i know about that

2345

01:29:20,149 --> 01:29:19,040

and i've also had um a couple of times

2346

01:29:22,310 --> 01:29:20,159

when i was

2347

01:29:23,350 --> 01:29:22,320

uh i feel like i had an out-of-body

2348

01:29:25,350 --> 01:29:23,360

experience one of them

2349

01:29:28,229 --> 01:29:25,360

when i was really little like maybe five

2350

01:29:33,910 --> 01:29:31,510

and um i feel like uh like i got

2351
01:29:35,669 --> 01:29:33,920
involved with the

2352
01:29:37,030 --> 01:29:35,679
paranormal because i felt like there was

2353
01:29:38,470 --> 01:29:37,040
a connection between

2354
01:29:40,709 --> 01:29:38,480
some of the things people report in

2355
01:29:41,110 --> 01:29:40,719
paranormal and a connection between one

2356
01:29:44,470 --> 01:29:41,120
thing

2357
01:29:47,830 --> 01:29:44,480
people report

2358
01:29:49,510 --> 01:29:47,840
during ufo uh experiences or abduction

2359
01:29:51,910 --> 01:29:49,520
experiences

2360
01:29:52,629 --> 01:29:51,920
and i felt like you know there was some

2361
01:29:55,110 --> 01:29:52,639
connection

2362
01:29:55,750 --> 01:29:55,120
some bigger picture that i'm not seeing

2363
01:29:57,669 --> 01:29:55,760

you know

2364

01:29:59,430 --> 01:29:57,679

that connects everything and look at my

2365

01:30:02,550 --> 01:29:59,440

family and our our

2366

01:30:05,590 --> 01:30:02,560

we've not just had the ufo and uh

2367

01:30:08,790 --> 01:30:05,600

alien like experience but also

2368

01:30:12,070 --> 01:30:08,800

the out-of-body the um

2369

01:30:15,270 --> 01:30:12,080

the uh near-death experience for myself

2370

01:30:15,830 --> 01:30:15,280

and uh all kinds of weird paranormal

2371

01:30:20,310 --> 01:30:15,840

things

2372

01:30:23,270 --> 01:30:20,320

i was a kid i was

2373

01:30:24,149 --> 01:30:23,280

polishing the brass handles on my mom's

2374

01:30:26,310 --> 01:30:24,159

um

2375

01:30:28,070 --> 01:30:26,320

you know cabinets in her kitchen and

2376

01:30:29,590 --> 01:30:28,080

they started to bend in my hand

2377

01:30:31,350 --> 01:30:29,600

you know and i didn't even i wasn't even

2378

01:30:34,070 --> 01:30:31,360

doing anything to him or and

2379

01:30:34,950 --> 01:30:34,080

when my sister tried to bend him back

2380

01:30:39,270 --> 01:30:34,960

she couldn't

2381

01:30:41,430 --> 01:30:39,280

didn't even know how i did it of course

2382

01:30:42,709 --> 01:30:41,440

i got in trouble

2383

01:30:44,470 --> 01:30:42,719

so i mean there's just all kinds of

2384

01:30:47,669 --> 01:30:44,480

weird stuff like that i think it's all

2385

01:30:51,669 --> 01:30:47,679

connected and i agree with that

2386

01:30:54,470 --> 01:30:51,679

i don't think that you know there's

2387

01:30:55,110 --> 01:30:54,480

i think that there's a grain of truth in

2388

01:30:58,470 --> 01:30:55,120

all the

2389

01:31:02,390 --> 01:30:58,480

fables and um

2390

01:31:03,669 --> 01:31:02,400

all the things that people uh reported

2391

01:31:06,870 --> 01:31:03,679

over the years

2392

01:31:06,880 --> 01:31:09,910

uh

2393

01:31:14,310 --> 01:31:12,550

you know even way back like you know

2394

01:31:17,189 --> 01:31:14,320

leprechauns and

2395

01:31:18,870 --> 01:31:17,199

uh things like that people have said

2396

01:31:24,070 --> 01:31:18,880

seen

2397

01:31:25,910 --> 01:31:24,080

i think that they're um

2398

01:31:27,669 --> 01:31:25,920

they're seeing things through their eyes

2399

01:31:30,149 --> 01:31:27,679

in their their

2400

01:31:31,430 --> 01:31:30,159

their society you know and that's how

2401

01:31:32,950 --> 01:31:31,440

they describe it but i mean

2402

01:31:35,189 --> 01:31:32,960

i think there's a grain of truth in all

2403

01:31:38,390 --> 01:31:35,199

those uh little

2404

01:31:39,510 --> 01:31:38,400

um stories that we think are myths and

2405

01:31:42,629 --> 01:31:39,520

things

2406

01:31:47,030 --> 01:31:42,639

uh i think there's some something

2407

01:31:48,709 --> 01:31:47,040

true with them and that they uh

2408

01:31:52,070 --> 01:31:48,719

sorry i'm being distracted now people

2409

01:31:54,950 --> 01:31:52,080

are blowing my phone up in this weather

2410

01:31:56,550 --> 01:31:54,960

oh no i mean i hope you understand what

2411

01:31:58,870 --> 01:31:56,560

i was trying to say and i have had a

2412

01:32:01,990 --> 01:31:58,880

near that experience

2413

01:32:05,270 --> 01:32:02,000

which impacted me deeply

2414

01:32:08,310 --> 01:32:05,280

so right okay

2415

01:32:10,870 --> 01:32:08,320

um sorry i'm also

2416

01:32:12,950 --> 01:32:10,880

multitasking and typing with an arm one

2417

01:32:13,669 --> 01:32:12,960

arm and all kinds of crazy stuff going

2418

01:32:16,550 --> 01:32:13,679

on so

2419

01:32:17,270 --> 01:32:16,560

in a good way in a good way um maybe i

2420

01:32:19,350 --> 01:32:17,280

need to

2421

01:32:20,310 --> 01:32:19,360

get my younger son to get more

2422

01:32:22,149 --> 01:32:20,320

interesting in

2423

01:32:24,830 --> 01:32:22,159

technology in this way so i can make him

2424

01:32:31,030 --> 01:32:24,840

my assistant or something

2425

01:32:36,629 --> 01:32:34,229

michael uh jay schumann is asking uh deb

2426

01:32:39,270 --> 01:32:36,639

of the paranormal experiences you've had

2427

01:32:40,709 --> 01:32:39,280

uh were they ghostly apparitions and or

2428

01:32:43,189 --> 01:32:40,719

poltergeist activity

2429

01:32:45,669 --> 01:32:43,199

how many times or how often did this

2430

01:32:48,950 --> 01:32:48,390

shortly after the june 3083 incident it

2431

01:32:52,550 --> 01:32:48,960

really

2432

01:32:54,629 --> 01:32:52,560

kicked up several notches

2433

01:32:56,149 --> 01:32:54,639

at my mom's house and so much so we

2434

01:32:57,189 --> 01:32:56,159

thought mom's house was haunted but then

2435

01:32:59,590 --> 01:32:57,199

when we all

2436

01:33:00,950 --> 01:32:59,600

moved away and things still happened in

2437

01:33:02,870 --> 01:33:00,960

our places we realized it wasn't the

2438

01:33:07,590 --> 01:33:02,880

house it was haunted it was us

2439

01:33:10,629 --> 01:33:07,600

um haunted is a silly word but um

2440

01:33:13,990 --> 01:33:10,639

i recorded evps in my house

2441

01:33:16,950 --> 01:33:14,000

uh you know after i moved out i

2442

01:33:18,149 --> 01:33:16,960

uh we my mom my sister and i were

2443

01:33:19,110 --> 01:33:18,159

sitting at the kitchen table one

2444

01:33:21,830 --> 01:33:19,120

afternoon

2445

01:33:23,750 --> 01:33:21,840

we all smoked at the time and had big

2446

01:33:25,110 --> 01:33:23,760

that big heavy amber glass ash tray

2447

01:33:25,750 --> 01:33:25,120

sitting in the middle of the kitchen

2448

01:33:27,189 --> 01:33:25,760

table

2449

01:33:29,110 --> 01:33:27,199

and as i reached over to flip my

2450

01:33:32,709 --> 01:33:29,120

cigarette in it that ashtray

2451

01:33:34,629 --> 01:33:32,719

snapped in half with the loud thump

2452

01:33:36,310 --> 01:33:34,639

and one side slid to one end of the

2453

01:33:37,750 --> 01:33:36,320

table once i said to the other and all

2454

01:33:40,310 --> 01:33:37,760

the cigarette butts and ashes

2455

01:33:42,870 --> 01:33:40,320

stayed in the middle of the table and my

2456

01:33:45,990 --> 01:33:42,880

mom's first reaction was oh my god

2457

01:33:48,950 --> 01:33:46,000

that ashtray was expensive and

2458

01:33:50,550 --> 01:33:48,960

my older sister my older sister was like

2459

01:33:52,870 --> 01:33:50,560

i'm out of here see you

2460

01:33:55,750 --> 01:33:52,880

and she got up and left and i'm like

2461

01:33:58,310 --> 01:33:55,760

that is so cool did i do that

2462

01:33:58,950 --> 01:33:58,320

i mean but uh to me and mom was sitting

2463

01:34:01,030 --> 01:33:58,960

down

2464

01:34:04,070 --> 01:34:01,040

in the this was the tri level so she was

2465

01:34:07,510 --> 01:34:04,080

down in the lower part watching tv

2466

01:34:09,990 --> 01:34:07,520

there are two swag lamps there and uh

2467

01:34:11,110 --> 01:34:10,000

just as she after she got up to go

2468

01:34:12,870 --> 01:34:11,120

upstairs

2469

01:34:14,390 --> 01:34:12,880

the light bulb in one of those swag

2470

01:34:16,149 --> 01:34:14,400

lamps shattered

2471

01:34:18,470 --> 01:34:16,159

dropped down she said her eyes were

2472

01:34:22,070 --> 01:34:18,480

right on it all the glass dropped down

2473

01:34:24,390 --> 01:34:22,080

right below the opening of the swag

2474

01:34:25,510 --> 01:34:24,400

and shot across the couch where she had

2475

01:34:27,910 --> 01:34:25,520

just gotten up

2476

01:34:28,950 --> 01:34:27,920

just that one light bulb the one time my

2477

01:34:31,430 --> 01:34:28,960

mom my sis

2478

01:34:33,590 --> 01:34:31,440

my mom myself and my two kids were in

2479

01:34:36,709 --> 01:34:33,600

the living room watching television

2480

01:34:37,430 --> 01:34:36,719

and all of a sudden uh there was this

2481

01:34:40,470 --> 01:34:37,440

immense

2482

01:34:43,590 --> 01:34:40,480

green flash in the living room and

2483

01:34:46,629 --> 01:34:43,600

i looked up and as i looked up

2484

01:34:47,510 --> 01:34:46,639

i saw about this far away from my mom's

2485

01:34:50,229 --> 01:34:47,520

head

2486

01:34:50,870 --> 01:34:50,239

this intense green ball of light at the

2487

01:34:52,709 --> 01:34:50,880

time

2488

01:34:55,189 --> 01:34:52,719

i looked up and the whole room was

2489

01:34:56,149 --> 01:34:55,199

filled with green the television turned

2490

01:35:00,950 --> 01:34:56,159

off

2491

01:35:03,270 --> 01:35:00,960

the phone rang and uh

2492

01:35:04,470 --> 01:35:03,280

i saw my mom and my kids were all like

2493

01:35:08,149 --> 01:35:04,480

this

2494

01:35:11,350 --> 01:35:08,159

and i happened to look up i mean

2495

01:35:12,950 --> 01:35:11,360

what is that you know what is that even

2496

01:35:14,149 --> 01:35:12,960

and it was just an incandescent light

2497

01:35:16,629 --> 01:35:14,159

bulb there wasn't anything

2498

01:35:18,229 --> 01:35:16,639

special about it and the light bulb in

2499

01:35:22,070 --> 01:35:18,239

the lamp shattered

2500

01:35:23,590 --> 01:35:22,080

but the green ball of light

2501

01:35:25,109 --> 01:35:23,600

was in the middle of the room more

2502

01:35:26,950 --> 01:35:25,119

wasn't near the lamp

2503

01:35:28,870 --> 01:35:26,960

it was closer actually to my mom's head

2504

01:35:32,470 --> 01:35:28,880

than it was the lamp

2505

01:35:35,430 --> 01:35:32,480

um we've uh been i've been in the room

2506

01:35:37,350 --> 01:35:35,440

i've been in the house there where um

2507

01:35:38,149 --> 01:35:37,360

the stereo would start turning on and

2508

01:35:42,149 --> 01:35:38,159

off by itself

2509

01:35:43,750 --> 01:35:42,159

hear

2510

01:35:45,590 --> 01:35:43,760

little footsteps like two or three

2511

01:35:47,270 --> 01:35:45,600

little kids running through the upstairs

2512

01:35:47,669 --> 01:35:47,280

part while you're down folding laundry

2513

01:35:49,910 --> 01:35:47,679

all

2514

01:35:51,910 --> 01:35:49,920

and you know you're in the house alone

2515

01:35:53,750 --> 01:35:51,920

uh one time there was a

2516

01:35:55,590 --> 01:35:53,760

copper pipe that was running through the

2517

01:35:57,030 --> 01:35:55,600

rafters in the basement and it wasn't

2518

01:35:59,430 --> 01:35:57,040

connected to anything but it was

2519

01:36:01,430 --> 01:35:59,440

up there daddy just left it up in this

2520

01:36:04,149 --> 01:36:01,440

copper pipe was tied in a knot

2521

01:36:05,910 --> 01:36:04,159

one day when we went down there one time

2522

01:36:07,350 --> 01:36:05,920

my sister and her boyfriend were down

2523

01:36:08,629 --> 01:36:07,360

there making out in the basement where

2524

01:36:10,550 --> 01:36:08,639

the pool table was

2525

01:36:12,149 --> 01:36:10,560

and there was this tin there was like a

2526

01:36:14,470 --> 01:36:12,159

metal cabinet

2527

01:36:16,550 --> 01:36:14,480

the doors didn't stay closed so my dad

2528

01:36:17,350 --> 01:36:16,560

had like a coat hanger wire wrapped

2529

01:36:20,470 --> 01:36:17,360

around him

2530

01:36:21,910 --> 01:36:20,480

to hold the doors closed and while

2531

01:36:23,189 --> 01:36:21,920

sherry and her boyfriend were down there

2532

01:36:27,510 --> 01:36:23,199

making out

2533

01:36:30,629 --> 01:36:27,520

this door somehow unwrapped the wire and

2534

01:36:32,149 --> 01:36:30,639

burst open scared the hell out of them

2535

01:36:33,189 --> 01:36:32,159

they came running upstairs screaming

2536

01:36:35,910 --> 01:36:33,199

bloody murder

2537

01:36:36,629 --> 01:36:35,920

so that's the kind of stuff that went on

2538

01:36:39,590 --> 01:36:36,639

in that house

2539

01:36:42,229 --> 01:36:39,600

on a daily basis sometimes for weeks at

2540

01:36:44,149 --> 01:36:42,239

a time then it would fade a little bit

2541

01:36:45,990 --> 01:36:44,159

get calm and then it would start back up

2542

01:36:46,550 --> 01:36:46,000

again and that's the way it's been my

2543

01:36:49,750 --> 01:36:46,560

whole life

2544

01:36:56,550 --> 01:36:52,950

well it does quite something so um

2545

01:36:59,030 --> 01:36:56,560

crazy stuff right uh

2546

01:37:00,950 --> 01:36:59,040

uh mortimer james is asking if debbie

2547

01:37:01,590 --> 01:37:00,960

could change her past and have no

2548

01:37:04,629 --> 01:37:01,600

contact

2549

01:37:06,950 --> 01:37:04,639

would she no

2550

01:37:07,750 --> 01:37:06,960

and i'll tell you why as crazy as it

2551
01:37:09,510 --> 01:37:07,760
sounds

2552
01:37:10,870 --> 01:37:09,520
you know the way life has been and as

2553
01:37:12,470 --> 01:37:10,880
dramatic as it been

2554
01:37:16,629 --> 01:37:12,480
every single thing that i've been

2555
01:37:19,830 --> 01:37:16,639
through from as my earliest memories

2556
01:37:21,510 --> 01:37:19,840
everything not just the ufo experiences

2557
01:37:23,350 --> 01:37:21,520
or paranormal experiences but all the

2558
01:37:26,709 --> 01:37:23,360
traumatic things in my life

2559
01:37:30,550 --> 01:37:26,719
have all made me

2560
01:37:34,550 --> 01:37:30,560
who i am now and i feel have

2561
01:37:38,310 --> 01:37:34,560
contributed to elevating me

2562
01:37:40,629 --> 01:37:38,320
in a spiritual and intellectual way

2563
01:37:42,310 --> 01:37:40,639

uh for one thing had i not had all these

2564

01:37:43,590 --> 01:37:42,320

crazy experiences i would have never met

2565

01:37:46,870 --> 01:37:43,600

bud hopkins

2566

01:37:49,750 --> 01:37:46,880

and had i not met him there is

2567

01:37:51,590 --> 01:37:49,760

nothing about my life today that would

2568

01:37:54,229 --> 01:37:51,600

be

2569

01:37:55,030 --> 01:37:54,239

even remotely recognizable i wouldn't

2570

01:37:57,030 --> 01:37:55,040

have

2571

01:37:58,470 --> 01:37:57,040

moved to where i lived now i wouldn't

2572

01:38:00,390 --> 01:37:58,480

have met my late husband

2573

01:38:01,750 --> 01:38:00,400

wouldn't have met my current husband

2574

01:38:02,470 --> 01:38:01,760

wouldn't have had any of the jobs i've

2575

01:38:04,149 --> 01:38:02,480

had

2576

01:38:05,669 --> 01:38:04,159

my kids wouldn't have been in the

2577

01:38:07,350 --> 01:38:05,679

schools where they were they would have

2578

01:38:08,709 --> 01:38:07,360

met their spouse i wouldn't have my

2579

01:38:09,510 --> 01:38:08,719

granddaughter i mean there is absolutely

2580

01:38:13,669 --> 01:38:09,520

nothing

2581

01:38:16,070 --> 01:38:13,679

about my life that would be uh um

2582

01:38:16,790 --> 01:38:16,080

even remotely recognizable and i like my

2583

01:38:19,510 --> 01:38:16,800

life

2584

01:38:21,189 --> 01:38:19,520

that i worked hard for you know and i

2585

01:38:24,950 --> 01:38:21,199

like where i am

2586

01:38:27,030 --> 01:38:24,960

uh at emotionally and spiritually

2587

01:38:29,109 --> 01:38:27,040

right now i i mean i have room to grow

2588

01:38:31,189 --> 01:38:29,119

don't don't get me wrong i'll be growing

2589

01:38:34,950 --> 01:38:31,199

and changing until the day i check out

2590

01:38:35,830 --> 01:38:34,960

but and so no had i not had the life

2591

01:38:37,830 --> 01:38:35,840

that i've had

2592

01:38:39,270 --> 01:38:37,840

i wouldn't have the life i have now so

2593

01:38:40,229 --> 01:38:39,280

no i would not change it for a second

2594

01:38:42,950 --> 01:38:40,239

there i thought

2595

01:38:44,390 --> 01:38:42,960

you i misunderstood that when you first

2596

01:38:45,990 --> 01:38:44,400

said no meaning like

2597

01:38:48,149 --> 01:38:46,000

no you wouldn't have those experiences

2598

01:38:51,510 --> 01:38:48,159

but then the more you explain it

2599

01:38:52,790 --> 01:38:51,520

i get it got it um so uh nathan had

2600

01:38:55,030 --> 01:38:52,800

another question

2601
01:38:57,350 --> 01:38:55,040
and uh for those sir that would like to

2602
01:38:58,070 --> 01:38:57,360
talk to you to deb simply get a download

2603
01:39:00,950 --> 01:38:58,080
telegram

2604
01:39:02,550 --> 01:39:00,960
i'll log into the to the ufo hub group

2605
01:39:04,790 --> 01:39:02,560
you'll see the voice chat there

2606
01:39:07,109 --> 01:39:04,800
and uh you can ask the question yourself

2607
01:39:08,629 --> 01:39:07,119
otherwise uh you can just also log into

2608
01:39:10,950 --> 01:39:08,639
telegram just to

2609
01:39:13,030 --> 01:39:10,960
to listen only when you raise your hand

2610
01:39:15,590 --> 01:39:13,040
there's a button that says

2611
01:39:17,430 --> 01:39:15,600
tap to to speak that's when i'll know

2612
01:39:19,669 --> 01:39:17,440
that you're interested otherwise i know

2613
01:39:21,669 --> 01:39:19,679

you're just there to use your phone to

2614

01:39:25,030 --> 01:39:21,679

listen to this conversation right now

2615

01:39:26,390 --> 01:39:25,040

so uh via nathan you are unmuted and

2616

01:39:28,470 --> 01:39:26,400

please go ahead and mute yourself and

2617

01:39:30,709 --> 01:39:28,480

ask a question again

2618

01:39:32,229 --> 01:39:30,719

uh yes hi i had a couple questions

2619

01:39:33,510 --> 01:39:32,239

actually but the first one

2620

01:39:36,070 --> 01:39:33,520

actually goes right into what you were

2621

01:39:38,390 --> 01:39:36,080

just saying i was curious

2622

01:39:39,109 --> 01:39:38,400

um did you feel during all this whole

2623

01:39:41,350 --> 01:39:39,119

process

2624

01:39:42,390 --> 01:39:41,360

that you were being guided or had a

2625

01:39:43,990 --> 01:39:42,400

guide or

2626

01:39:45,510 --> 01:39:44,000

like you felt like you had a higher

2627

01:39:47,189 --> 01:39:45,520

purpose to serve

2628

01:39:48,950 --> 01:39:47,199

and you just like weren't comfortable

2629

01:39:50,070 --> 01:39:48,960

unless you were pursuing that higher

2630

01:39:52,830 --> 01:39:50,080

purpose that

2631

01:39:55,030 --> 01:39:52,840

that passion or in the guide that

2632

01:39:58,550 --> 01:39:55,040

question

2633

01:40:01,990 --> 01:39:58,560

um you know

2634

01:40:04,310 --> 01:40:02,000

when i first became more aware of things

2635

01:40:06,830 --> 01:40:04,320

when i was younger in my 20s i had a lot

2636

01:40:09,830 --> 01:40:06,840

of fear and anxiety

2637

01:40:11,830 --> 01:40:09,840

um but as i got older i

2638

01:40:13,430 --> 01:40:11,840

am became more aware yeah i did feel as

2639

01:40:16,310 --> 01:40:13,440

though i have

2640

01:40:18,070 --> 01:40:16,320

a purpose and uh have been guided

2641

01:40:19,669 --> 01:40:18,080

there's been many times in my life when

2642

01:40:21,350 --> 01:40:19,679

i've gone and done things that i would

2643

01:40:23,830 --> 01:40:21,360

not normally do but

2644

01:40:24,550 --> 01:40:23,840

it was i there was it was a compulsion

2645

01:40:27,669 --> 01:40:24,560

to do

2646

01:40:28,390 --> 01:40:27,679

this that i couldn't fight um as if i

2647

01:40:30,390 --> 01:40:28,400

was being

2648

01:40:32,229 --> 01:40:30,400

pushed in that direction or led in that

2649

01:40:34,950 --> 01:40:32,239

direction who pushed to go

2650

01:40:36,870 --> 01:40:34,960

do this or or go speak there i didn't

2651
01:40:37,590 --> 01:40:36,880
really want to go and speak there but i

2652
01:40:39,510 --> 01:40:37,600
did because

2653
01:40:41,910 --> 01:40:39,520
maybe there was someone there who needed

2654
01:40:44,310 --> 01:40:41,920
to hear something i was saying

2655
01:40:45,590 --> 01:40:44,320
and that was my purpose and so i started

2656
01:40:48,550 --> 01:40:45,600
to realize it

2657
01:40:50,950 --> 01:40:48,560
and recognize it more as i got older and

2658
01:40:53,430 --> 01:40:50,960
i started to pay attention and listen

2659
01:40:55,109 --> 01:40:53,440
and follow it and i learned that if i

2660
01:40:58,790 --> 01:40:55,119
followed it and trusted it

2661
01:41:01,910 --> 01:40:58,800
it would never lead me wrong and

2662
01:41:03,590 --> 01:41:01,920
you know my felt like my purpose now is

2663
01:41:08,709 --> 01:41:03,600

to help people

2664

01:41:10,470 --> 01:41:08,719

wake up to realize there's more to life

2665

01:41:12,709 --> 01:41:10,480

than what your little blinders let you

2666

01:41:15,270 --> 01:41:12,719

see going all around you

2667

01:41:15,830 --> 01:41:15,280

i feel like i sometimes i call myself

2668

01:41:19,510 --> 01:41:15,840

the

2669

01:41:21,510 --> 01:41:19,520

johnny appleseed where i may

2670

01:41:23,109 --> 01:41:21,520

only plant a little seed in somebody's

2671

01:41:25,030 --> 01:41:23,119

mind but but

2672

01:41:26,629 --> 01:41:25,040

it'll take off and grow and send them on

2673

01:41:29,430 --> 01:41:26,639

their journey you know

2674

01:41:31,669 --> 01:41:29,440

um because i feel like we're all

2675

01:41:33,910 --> 01:41:31,679

connected

2676

01:41:36,149 --> 01:41:33,920

i do feel as though i've been protected

2677

01:41:38,629 --> 01:41:36,159

there's been times when i feel as if

2678

01:41:40,709 --> 01:41:38,639

um i've dodged a bullet there's been

2679

01:41:43,990 --> 01:41:40,719

several times in my life when i should

2680

01:41:46,229 --> 01:41:44,000

have been dead literally

2681

01:41:48,470 --> 01:41:46,239

tornado was one of them how many people

2682

01:41:52,709 --> 01:41:48,480

do you know crawl out from under a house

2683

01:41:55,430 --> 01:41:52,719

with not a scratch on them you know um

2684

01:41:56,629 --> 01:41:55,440

so i do and i have felt like i've had

2685

01:41:59,109 --> 01:41:56,639

some protection

2686

01:42:00,790 --> 01:41:59,119

along the way some help along the way

2687

01:42:04,229 --> 01:42:00,800

yeah definitely

2688

01:42:06,149 --> 01:42:04,239

i feel like i have some better calling

2689

01:42:07,910 --> 01:42:06,159

oh yes yes that very much answered my

2690

01:42:08,629 --> 01:42:07,920

question thank you very much i i think i

2691

01:42:09,830 --> 01:42:08,639

feel the same

2692

01:42:11,430 --> 01:42:09,840

i'm sure there's a lot of people in this

2693

01:42:12,310 --> 01:42:11,440

community that that do feel like that

2694

01:42:15,430 --> 01:42:12,320

like they were

2695

01:42:18,550 --> 01:42:15,440

being pushed yes towards us there are

2696

01:42:18,790 --> 01:42:18,560

thousands of us hundreds of thousands of

2697

01:42:25,510 --> 01:42:18,800

us

2698

01:42:29,109 --> 01:42:25,520

okay thank you nathan i appreciate it

2699

01:42:30,950 --> 01:42:29,119

well just okay oh i cut him off i want

2700

01:42:31,830 --> 01:42:30,960

to get to dudley dudley raise his hand

2701
01:42:33,750 --> 01:42:31,840
earlier

2702
01:42:41,669 --> 01:42:33,760
uh dudley you're unmuted and please go

2703
01:42:49,030 --> 01:42:43,669
you might have to press on the unmute

2704
01:42:49,040 --> 01:42:53,030
hello yes

2705
01:42:59,910 --> 01:42:56,870
hi can you hear me yes

2706
01:43:04,470 --> 01:42:59,920
um first question um

2707
01:43:07,750 --> 01:43:04,480
uh have you heard of sleep paralysis

2708
01:43:09,750 --> 01:43:07,760
sleep paralysis yes i've heard of it

2709
01:43:13,189 --> 01:43:09,760
you know i think that's a plausible

2710
01:43:14,770 --> 01:43:13,199
explanation for some things

2711
01:43:16,310 --> 01:43:14,780
okay um

2712
01:43:19,270 --> 01:43:16,320
[Music]

2713
01:43:19,910 --> 01:43:19,280

the reason why i asked is because i've

2714

01:43:24,149 --> 01:43:19,920

had

2715

01:43:28,470 --> 01:43:24,159

similar altercations like you

2716

01:43:30,149 --> 01:43:28,480

um where i was either sitting down

2717

01:43:32,310 --> 01:43:30,159

hanging out with some friends playing

2718

01:43:35,350 --> 01:43:32,320

cards could be doing anything

2719

01:43:37,270 --> 01:43:35,360

and then all of a sudden like i get a

2720

01:43:41,830 --> 01:43:37,280

weird taste in my mouth

2721

01:43:45,430 --> 01:43:41,840

like like a metallic taste um

2722

01:43:47,350 --> 01:43:45,440

i'll hear and feel like a vibrate

2723

01:43:49,030 --> 01:43:47,360

like a vibrating feeling and like a

2724

01:43:51,430 --> 01:43:49,040

buzzing

2725

01:43:52,229 --> 01:43:51,440

um then all of a sudden i won't be able

2726

01:43:55,830 --> 01:43:52,239

to move

2727

01:43:59,109 --> 01:43:55,840

or scream or talk or do anything

2728

01:44:00,229 --> 01:43:59,119

um usually when that happens one time

2729

01:44:03,590 --> 01:44:00,239

when it did happen

2730

01:44:06,310 --> 01:44:03,600

um i seen a black hole up here in my

2731

01:44:07,910 --> 01:44:06,320

ceiling which i find weird and

2732

01:44:10,550 --> 01:44:07,920

i didn't know what to do i had the

2733

01:44:14,310 --> 01:44:10,560

feeling of terror

2734

01:44:18,629 --> 01:44:14,320

so yeah um have you ever felt that the

2735

01:44:25,830 --> 01:44:22,310

um just to uh um add on to that

2736

01:44:29,109 --> 01:44:25,840

um basically uh when it happened

2737

01:44:31,030 --> 01:44:29,119

i called the name of jesus i just kept

2738

01:44:33,750 --> 01:44:31,040

on saying jesus jesus jesus

2739

01:44:36,149 --> 01:44:33,760

and whenever and then as soon as i said

2740

01:44:39,990 --> 01:44:36,159

jesus i felt like a

2741

01:44:43,430 --> 01:44:40,000

like a feeling of relief and um

2742

01:44:45,910 --> 01:44:43,440

it went away and another altercation

2743

01:44:47,430 --> 01:44:45,920

oh i have a couple so i don't know how

2744

01:44:49,270 --> 01:44:47,440

much time we

2745

01:44:51,030 --> 01:44:49,280

actually have well dudley this is just

2746

01:44:54,310 --> 01:44:51,040

mainly to to ask her

2747

01:44:56,390 --> 01:44:54,320

to ask her a question um but yeah no

2748

01:44:57,910 --> 01:44:56,400

definitely for like on wednesdays yeah

2749

01:44:59,990 --> 01:44:57,920

pretty much the question

2750

01:45:01,350 --> 01:45:00,000

um i just wanted to pretty much just

2751
01:45:04,950 --> 01:45:01,360
compare

2752
01:45:09,590 --> 01:45:04,960
my experiences with hers and basically

2753
01:45:11,430 --> 01:45:09,600
get a read of of her experience

2754
01:45:13,510 --> 01:45:11,440
so i can pretty much figure out what the

2755
01:45:15,350 --> 01:45:13,520
hell happened to me

2756
01:45:17,990 --> 01:45:15,360
so the first one was about the metallic

2757
01:45:20,229 --> 01:45:18,000
taste and second one regarding if she

2758
01:45:22,070 --> 01:45:20,239
also had a similar experience for a you

2759
01:45:23,750 --> 01:45:22,080
said a black hole

2760
01:45:25,669 --> 01:45:23,760
sort of appeared above your head is that

2761
01:45:28,310 --> 01:45:25,679
what you said and also

2762
01:45:29,430 --> 01:45:28,320
yes in another incident where the same

2763
01:45:31,750 --> 01:45:29,440

thing happened

2764

01:45:34,390 --> 01:45:31,760

where i felt the numb feeling i couldn't

2765

01:45:37,750 --> 01:45:34,400

move [h__h] scream couldn't talk

2766

01:45:39,830 --> 01:45:37,760

then next thing you know like i see

2767

01:45:42,149 --> 01:45:39,840

this next thing you know i'm like

2768

01:45:42,830 --> 01:45:42,159

literally out of my body which is really

2769

01:45:46,149 --> 01:45:42,840

weird

2770

01:45:49,030 --> 01:45:46,159

um i know my body's to the left of me

2771

01:45:51,910 --> 01:45:49,040

and i'm scared to look at my body

2772

01:45:54,629 --> 01:45:51,920

but i know i see my body i'm gonna freak

2773

01:45:57,109 --> 01:45:54,639

out so i try not to look at it

2774

01:45:58,550 --> 01:45:57,119

but i've always had lucid situations

2775

01:46:00,950 --> 01:45:58,560

like this so

2776

01:46:02,470 --> 01:46:00,960

i was kind of trained not to be scared

2777

01:46:04,229 --> 01:46:02,480

but in some ways i

2778

01:46:06,790 --> 01:46:04,239

i will always be scared which is kind of

2779

01:46:08,790 --> 01:46:06,800

weird so i look out the window

2780

01:46:10,390 --> 01:46:08,800

and i see this cat in the distance which

2781

01:46:12,790 --> 01:46:10,400

is you know

2782

01:46:14,790 --> 01:46:12,800

it's just a cat and i'm lucid and i know

2783

01:46:17,030 --> 01:46:14,800

that i'm lucid

2784

01:46:18,709 --> 01:46:17,040

and i look at the cat the cat sees me

2785

01:46:20,870 --> 01:46:18,719

and it starts walking towards me

2786

01:46:22,070 --> 01:46:20,880

as it grows walks towards me it grows in

2787

01:46:24,149 --> 01:46:22,080

size

2788

01:46:27,109 --> 01:46:24,159

and it gets bigger and bigger and bigger

2789

01:46:30,550 --> 01:46:27,119

then it transforms from a cat

2790

01:46:34,310 --> 01:46:30,560

to a half cat half human being

2791

01:46:36,790 --> 01:46:34,320

and i lunged at it i don't know what

2792

01:46:39,270 --> 01:46:36,800

my instincts made me lunge at it but i

2793

01:46:41,430 --> 01:46:39,280

lunged at it and when i grabbed it

2794

01:46:43,990 --> 01:46:41,440

i was paralyzed instantly i couldn't

2795

01:46:47,590 --> 01:46:44,000

move i couldn't scream i couldn't yell

2796

01:46:48,390 --> 01:46:47,600

so all i did was just think the name of

2797

01:46:51,030 --> 01:46:48,400

jesus

2798

01:46:51,510 --> 01:46:51,040

and then i i kept on thinking it and

2799

01:46:53,350 --> 01:46:51,520

then

2800

01:46:56,550 --> 01:46:53,360

i tried to speak and the more i thought

2801

01:46:58,229 --> 01:46:56,560

the name jesus the stronger i grew

2802

01:47:00,470 --> 01:46:58,239

and i was able to actually speak his

2803

01:47:03,669 --> 01:47:00,480

name and when i spoke his name

2804

01:47:07,510 --> 01:47:03,679

it screamed and yelled

2805

01:47:09,189 --> 01:47:07,520

it it it was a weird situation so have

2806

01:47:12,470 --> 01:47:09,199

you ever

2807

01:47:13,910 --> 01:47:12,480

experienced anything like that and um

2808

01:47:15,910 --> 01:47:13,920

have you ever thought about calling the

2809

01:47:18,870 --> 01:47:15,920

name of jesus when you

2810

01:47:19,590 --> 01:47:18,880

experienced your experience dudley thank

2811

01:47:21,669 --> 01:47:19,600

you for that

2812

01:47:23,430 --> 01:47:21,679

uh just real quick deb uh please do call

2813

01:47:23,990 --> 01:47:23,440

in on wednesdays when i have open lines

2814

01:47:25,910 --> 01:47:24,000

and

2815

01:47:27,669 --> 01:47:25,920

love to talk to you some more but at

2816

01:47:28,310 --> 01:47:27,679

least thank you for sharing so far what

2817

01:47:29,590 --> 01:47:28,320

you have

2818

01:47:32,870 --> 01:47:29,600

so i'm going to meet you again and thank

2819

01:47:36,550 --> 01:47:34,950

well i've definitely felt that terror i

2820

01:47:39,590 --> 01:47:36,560

know what that feels like

2821

01:47:41,510 --> 01:47:39,600

for sure multiple times um

2822

01:47:42,629 --> 01:47:41,520

i don't know that i particularly called

2823

01:47:45,830 --> 01:47:42,639

out

2824

01:47:49,109 --> 01:47:45,840

the name of jesus other than to

2825

01:47:52,470 --> 01:47:49,119

you know to you know to say holy

2826

01:47:56,229 --> 01:47:52,480

jesus you know but not not

2827

01:47:58,950 --> 01:47:56,239

in a um direct way like that

2828

01:47:59,830 --> 01:47:58,960

um but i do recognize i do understand

2829

01:48:02,950 --> 01:47:59,840

that terror

2830

01:48:03,990 --> 01:48:02,960

definitely um i've i don't have any

2831

01:48:06,790 --> 01:48:04,000

experiences like

2832

01:48:08,310 --> 01:48:06,800

the the whole and things the other

2833

01:48:10,629 --> 01:48:08,320

things i've

2834

01:48:13,030 --> 01:48:10,639

just because i don't don't have them

2835

01:48:16,229 --> 01:48:13,040

that doesn't mean much

2836

01:48:17,990 --> 01:48:16,239

i do um i do know uh i

2837

01:48:19,830 --> 01:48:18,000

do know a little bit about sleep

2838

01:48:22,149 --> 01:48:19,840

paralysis and it's my understanding that

2839

01:48:25,510 --> 01:48:22,159

sleep paralysis happens when you're

2840

01:48:25,990 --> 01:48:25,520

uh in bed about ready to fall asleep or

2841

01:48:30,390 --> 01:48:26,000

about

2842

01:48:32,550 --> 01:48:30,400

necessarily know that it happens

2843

01:48:34,470 --> 01:48:32,560

you know while you're awake and sitting

2844

01:48:37,030 --> 01:48:34,480

up in a chair with friends so i'm i'm

2845

01:48:39,910 --> 01:48:37,040

not sure about that

2846

01:48:40,390 --> 01:48:39,920

i do think sleep paralysis can explain

2847

01:48:43,270 --> 01:48:40,400

some

2848

01:48:43,990 --> 01:48:43,280

things people report i don't question

2849

01:48:47,109 --> 01:48:44,000

that at all

2850

01:48:48,790 --> 01:48:47,119

and but that doesn't that's not the

2851

01:48:51,990 --> 01:48:48,800

answer for everything

2852

01:48:53,750 --> 01:48:52,000

i'm here to tell you um

2853

01:48:55,430 --> 01:48:53,760

i think it's an easy thing for people to

2854

01:48:57,189 --> 01:48:55,440

just kind of lump it all in one

2855

01:48:59,189 --> 01:48:57,199

you know pile so they don't have to deal

2856

01:49:01,590 --> 01:48:59,199

with it but that's not correct

2857

01:49:03,430 --> 01:49:01,600

and um so but yeah i do understand the

2858

01:49:07,109 --> 01:49:03,440

fear and i do understand that terror

2859

01:49:10,149 --> 01:49:07,119

it is very hard to live with and

2860

01:49:12,629 --> 01:49:10,159

i mean if if calling out for

2861

01:49:14,149 --> 01:49:12,639

protection from jesus helps then by all

2862

01:49:17,589 --> 01:49:14,159

means continue to do it

2863

01:49:20,390 --> 01:49:17,599

um you know i like i said i i don't

2864

01:49:20,790 --> 01:49:20,400

um i do recognize some of those things

2865

01:49:22,390 --> 01:49:20,800

but

2866

01:49:23,750 --> 01:49:22,400

there's plenty of people out there with

2867

01:49:25,189 --> 01:49:23,760

all kinds of stories and i'm sure

2868

01:49:25,589 --> 01:49:25,199

there's lots of other people out there

2869

01:49:28,550 --> 01:49:25,599

who've

2870

01:49:29,990 --> 01:49:28,560

had experiences similar to yours so it's

2871

01:49:31,270 --> 01:49:30,000

good that you talk about them and you

2872

01:49:33,910 --> 01:49:31,280

want to share them i think that's a

2873

01:49:36,070 --> 01:49:33,920

healthy thing to do

2874

01:49:37,430 --> 01:49:36,080

yeah dev on on wednesdays um they

2875

01:49:39,510 --> 01:49:37,440

usually have open lines

2876

01:49:41,830 --> 01:49:39,520

and usually using telegram people will

2877

01:49:43,350 --> 01:49:41,840

call in and simply share their stories

2878

01:49:44,390 --> 01:49:43,360

and i kind of treat it like you're

2879

01:49:47,830 --> 01:49:44,400

online hanging out

2880

01:49:50,390 --> 01:49:47,840

because i know usually you i would go in

2881

01:49:51,109 --> 01:49:50,400

in in person to meet and all these other

2882

01:49:53,189 --> 01:49:51,119

things but

2883

01:49:55,189 --> 01:49:53,199

with all the different restrictions you

2884

01:49:56,950 --> 01:49:55,199

know and just generally where i live

2885

01:49:57,430 --> 01:49:56,960

it's very difficult for me to do that no

2886

01:49:59,109 --> 01:49:57,440

matter

2887

01:50:01,030 --> 01:49:59,119

what's going on out there in the world

2888

01:50:02,070 --> 01:50:01,040

so i thought just to open that up and to

2889

01:50:04,790 --> 01:50:02,080

kind of do this on an

2890

01:50:05,750 --> 01:50:04,800

open uh world stage so to say and so

2891

01:50:07,990 --> 01:50:05,760

yeah on wednesdays

2892

01:50:10,310 --> 01:50:08,000

at seven uh do open lines all the time

2893

01:50:13,350 --> 01:50:10,320

so i hope i hope that uh dudley would

2894

01:50:15,030 --> 01:50:13,360

would um call in and and share his uh

2895

01:50:16,550 --> 01:50:15,040

share his stories then last past

2896

01:50:17,830 --> 01:50:16,560

wednesday i was so busy i had a lot of

2897

01:50:21,189 --> 01:50:17,840

stuff going on that i

2898

01:50:24,390 --> 01:50:21,199

had to skip and um so today was the

2899

01:50:25,270 --> 01:50:24,400

first time back this week for me but the

2900

01:50:27,510 --> 01:50:25,280

other question

2901
01:50:28,790 --> 01:50:27,520
um actually want to ask you are you good

2902
01:50:30,550 --> 01:50:28,800
with more questions or

2903
01:50:32,229 --> 01:50:30,560
what do you what do you feel like i'm

2904
01:50:34,149 --> 01:50:32,239
fine are you good i'm fine

2905
01:50:35,990 --> 01:50:34,159
and the story yeah just if i if i'm if

2906
01:50:38,790 --> 01:50:36,000
i've asked too much of your time please

2907
01:50:39,109 --> 01:50:38,800
uh please do tell me okay no you know i

2908
01:51:25,589 --> 01:50:39,119
i

2909
01:51:29,669 --> 01:51:25,599
um

2910
01:51:31,109 --> 01:51:29,679
i'm taught early on in it that orbs are

2911
01:51:33,750 --> 01:51:31,119
dust or moisture or

2912
01:51:34,149 --> 01:51:33,760
pollen or bugs or whatever and i think

2913
01:51:37,589 --> 01:51:34,159

in

2914

01:51:40,550 --> 01:51:37,599
probably some cases that is true

2915

01:51:42,310 --> 01:51:40,560
but having said that and having been out

2916

01:51:44,149 --> 01:51:42,320
on investigations and having had these

2917

01:51:47,430 --> 01:51:44,159
things come in my house

2918

01:51:49,350 --> 01:51:47,440
out of the blue i do feel that some orbs

2919

01:51:52,070 --> 01:51:49,360
are actually

2920

01:51:52,870 --> 01:51:52,080
something other than dust or moisture or

2921

01:51:56,070 --> 01:51:52,880
pollen

2922

01:51:58,229 --> 01:51:56,080
um i actually have a photograph

2923

01:52:00,310 --> 01:51:58,239
of an orb that i took i have two

2924

01:52:02,470 --> 01:52:00,320
photographs one was a picture

2925

01:52:04,149 --> 01:52:02,480
i took in my mom and dad's living room

2926
01:52:05,189 --> 01:52:04,159
and another one was a i can't even

2927
01:52:08,229 --> 01:52:05,199
remember where the

2928
01:52:10,870 --> 01:52:08,239
the other one was but uh so i think

2929
01:52:11,510 --> 01:52:10,880
and these orbs definitely were different

2930
01:52:14,550 --> 01:52:11,520
um

2931
01:52:17,669 --> 01:52:14,560
in in one of them you can actually see a

2932
01:52:20,149 --> 01:52:17,679
face of uh what looks like a gray

2933
01:52:21,030 --> 01:52:20,159
alien head it's pretty clear it's not

2934
01:52:25,270 --> 01:52:21,040
that

2935
01:52:26,470 --> 01:52:25,280
like cloud watching i can't remember

2936
01:52:29,910 --> 01:52:26,480
that word but

2937
01:52:31,510 --> 01:52:29,920
um so much so that i mean i show it when

2938
01:52:34,950 --> 01:52:31,520

i give talks and

2939

01:52:38,950 --> 01:52:34,960

uh i do believe that some orbs

2940

01:52:41,990 --> 01:52:38,960

that people see are i maybe spirits

2941

01:52:44,229 --> 01:52:42,000

uh of people that were here uh at one

2942

01:52:46,470 --> 01:52:44,239

time i think sometimes they're

2943

01:52:48,390 --> 01:52:46,480

um some other kind of energetic life

2944

01:52:51,189 --> 01:52:48,400

form that never really lived here and

2945

01:52:52,070 --> 01:52:51,199

that's i think there's life forms out

2946

01:52:54,870 --> 01:52:52,080

there

2947

01:52:55,910 --> 01:52:54,880

out and that live right here with us

2948

01:52:59,430 --> 01:52:55,920

that are

2949

01:53:00,709 --> 01:52:59,440

energy and um i think sometimes we can

2950

01:53:02,149 --> 01:53:00,719

see them and i think that's what some of

2951

01:53:05,350 --> 01:53:02,159

those orbs are

2952

01:53:07,910 --> 01:53:05,360

so i mean but that's just my opinion

2953

01:53:09,350 --> 01:53:07,920

okay thank you for that uh so the next

2954

01:53:13,350 --> 01:53:09,360

one is from fab 22

2955

01:53:15,910 --> 01:53:13,360

says i don't um

2956

01:53:18,629 --> 01:53:15,920

i'd like to know your views on on mantis

2957

01:53:21,350 --> 01:53:18,639

in all interactions i had the mantis are

2958

01:53:22,470 --> 01:53:21,360

the most mind control fear induced yet

2959

01:53:25,830 --> 01:53:22,480

everyone's

2960

01:53:28,310 --> 01:53:25,840

says they they are okay and benevolent

2961

01:53:29,990 --> 01:53:28,320

et cetera

2962

01:53:32,470 --> 01:53:30,000

i really don't have a lot of knowledge

2963

01:53:35,990 --> 01:53:32,480

about them because i've never

2964

01:53:39,030 --> 01:53:36,000

as i recall interacted with that type

2965

01:53:42,070 --> 01:53:39,040

my sister however has and

2966

01:53:45,589 --> 01:53:42,080

um but her

2967

01:53:49,750 --> 01:53:45,599

i don't think she um felt that it was

2968

01:53:51,270 --> 01:53:49,760

any particularly threatening um

2969

01:53:52,550 --> 01:53:51,280

so i but i really can't answer that

2970

01:53:54,790 --> 01:53:52,560

question very well because i don't

2971

01:53:58,709 --> 01:53:54,800

really know much about them

2972

01:53:59,750 --> 01:53:58,719

so okay sorry uh the next question is

2973

01:54:02,070 --> 01:53:59,760

from star brother

2974

01:54:04,470 --> 01:54:02,080

uh did deborah say she had some evp

2975

01:54:08,629 --> 01:54:04,480

session experiences

2976

01:54:09,109 --> 01:54:08,639

oh yeah evps are my favorite i started

2977

01:54:11,669 --> 01:54:09,119

to

2978

01:54:13,589 --> 01:54:11,679

become fascinated with them 30 years ago

2979

01:54:16,149 --> 01:54:13,599

and i did an experiment with my

2980

01:54:16,790 --> 01:54:16,159

nephew in my kitchen one day and we

2981

01:54:20,310 --> 01:54:16,800

recorded

2982

01:54:22,709 --> 01:54:20,320

a couple of spectacularly clear evps one

2983

01:54:24,790 --> 01:54:22,719

was of an old man and he said

2984

01:54:25,830 --> 01:54:24,800

are the spirits listening and right

2985

01:54:27,990 --> 01:54:25,840

behind him

2986

01:54:29,270 --> 01:54:28,000

immediatly was the sound of a like a

2987

01:54:31,589 --> 01:54:29,280

child's voice

2988

01:54:32,470 --> 01:54:31,599

that said can i listen to and i had this

2989

01:54:33,830 --> 01:54:32,480

little epiphany

2990

01:54:35,430 --> 01:54:33,840

as soon as i heard that i'm like oh my

2991

01:54:37,109 --> 01:54:35,440

god i looked at my nephew and said we're

2992

01:54:38,870 --> 01:54:37,119

the spirits somewhere

2993

01:54:42,790 --> 01:54:38,880

else and someone's trying to listen to

2994

01:54:46,229 --> 01:54:42,800

us my nephew's like wow that's deep

2995

01:54:48,950 --> 01:54:46,239

but i mean i really felt that

2996

01:54:50,470 --> 01:54:48,960

and from that point i was hooked and

2997

01:54:53,109 --> 01:54:50,480

when i got involved with paranormal

2998

01:54:54,709 --> 01:54:53,119

groups evps were kind of my thing

2999

01:54:57,109 --> 01:54:54,719

they used to call me the antenna because

3000

01:54:59,109 --> 01:54:57,119

it seemed like my recorder would pick up

3001

01:55:00,550 --> 01:54:59,119

we'd have three recorders in a room and

3002

01:55:01,990 --> 01:55:00,560

mine would be the one that had all the

3003

01:55:05,350 --> 01:55:02,000

good stuff on it

3004

01:55:06,390 --> 01:55:05,360

um i've gotten uh fan one time i got an

3005

01:55:08,470 --> 01:55:06,400

ebp

3006

01:55:09,990 --> 01:55:08,480

there with this when i was with this

3007

01:55:12,550 --> 01:55:10,000

group in india they were a great group

3008

01:55:13,750 --> 01:55:12,560

great group of people and um very

3009

01:55:16,310 --> 01:55:13,760

professional

3010

01:55:18,790 --> 01:55:16,320

uh we were doing a private home and the

3011

01:55:21,109 --> 01:55:18,800

people that owned the home had a dog

3012

01:55:22,629 --> 01:55:21,119

and no one was in the house uh we had

3013

01:55:23,990 --> 01:55:22,639

our our base station set up

3014

01:55:25,510 --> 01:55:24,000

out in the garage there was no one in

3015

01:55:26,070 --> 01:55:25,520

the house had all our equipment

3016

01:55:28,950 --> 01:55:26,080

everywhere

3017

01:55:30,550 --> 01:55:28,960

evp uh my recorder my little recorder

3018

01:55:31,430 --> 01:55:30,560

sitting on the end table or the coffee

3019

01:55:33,990 --> 01:55:31,440

table

3020

01:55:34,550 --> 01:55:34,000

another recorder camera that had voice

3021

01:55:38,070 --> 01:55:34,560

record

3022

01:55:41,109 --> 01:55:38,080

on it as well in that room the dog walks

3023

01:55:42,550 --> 01:55:41,119

by the coffee table where my little hand

3024

01:55:46,709 --> 01:55:42,560

recorder is

3025

01:55:47,109 --> 01:55:46,719

and clear as day it was like this kid

3026

01:55:49,030 --> 01:55:47,119

was

3027

01:55:50,950 --> 01:55:49,040

in the living room and leaned into the

3028

01:55:53,990 --> 01:55:50,960

mic and said hi ginger

3029

01:55:54,950 --> 01:55:54,000

and the doll's name was ginger and there

3030

01:55:56,470 --> 01:55:54,960

were no little

3031

01:55:57,430 --> 01:55:56,480

children no little girls in this family

3032

01:55:58,629 --> 01:55:57,440

as a matter of fact one of their

3033

01:56:00,550 --> 01:55:58,639

complaints was that

3034

01:56:02,709 --> 01:56:00,560

they were seeing a little girl running

3035

01:56:05,510 --> 01:56:02,719

up down the halls

3036

01:56:06,709 --> 01:56:05,520

i thought i would lose my mind i was so

3037

01:56:10,470 --> 01:56:06,719

excited over

3038

01:56:12,070 --> 01:56:10,480

that evp i've gotten many really really

3039

01:56:14,790 --> 01:56:12,080

good ones over the years i haven't done

3040

01:56:16,629 --> 01:56:14,800

it for a long time i kind of miss it

3041

01:56:18,310 --> 01:56:16,639

i don't know why i'm so attracted to

3042

01:56:20,310 --> 01:56:18,320

those things i just think they're

3043

01:56:22,070 --> 01:56:20,320

fascinating and i love it when i get a

3044

01:56:25,030 --> 01:56:22,080

good one

3045

01:56:25,990 --> 01:56:25,040

you should um put together like a

3046

01:56:28,070 --> 01:56:26,000

compilation

3047

01:56:30,310 --> 01:56:28,080

of of all the stuff that you have that

3048

01:56:33,910 --> 01:56:30,320

you consider is really great and

3049

01:56:36,709 --> 01:56:33,920

maybe something to to post publicly

3050

01:56:38,550 --> 01:56:36,719

um yeah my husband is my webmaster

3051

01:56:40,310 --> 01:56:38,560

and he's currently updating and

3052

01:56:42,070 --> 01:56:40,320

building my website which was dormant

3053

01:56:43,030 --> 01:56:42,080

for a long time and now with the book

3054

01:56:44,870 --> 01:56:43,040

coming out and everything

3055

01:56:46,229 --> 01:56:44,880

this is a way that people can contact me

3056

01:56:49,510 --> 01:56:46,239

directly and

3057

01:56:51,270 --> 01:56:49,520

uh um and your website is also in this

3058

01:56:53,350 --> 01:56:51,280

description below for any of those that

3059

01:56:56,149 --> 01:56:53,360

want to contact deb as well

3060

01:56:56,709 --> 01:56:56,159

yeah you can also all the links to yeah

3061

01:56:58,310 --> 01:56:56,719

also

3062

01:56:59,990 --> 01:56:58,320

uh i'm sorry that i didn't want to

3063

01:57:00,709 --> 01:57:00,000

interrupt i was gonna say all the links

3064

01:57:03,510 --> 01:57:00,719

of your

3065

01:57:03,990 --> 01:57:03,520

uh previous books and uh the the new one

3066

01:57:06,149 --> 01:57:04,000

both

3067

01:57:07,830 --> 01:57:06,159

barnes and noble and amazon link is all

3068

01:57:09,350 --> 01:57:07,840

in the description below so please do

3069

01:57:11,510 --> 01:57:09,360

check it out i try to

3070

01:57:13,189 --> 01:57:11,520

just pack descriptions with as much

3071

01:57:15,350 --> 01:57:13,199

information as possible so

3072

01:57:17,589 --> 01:57:15,360

very rarely will i have a speaker that

3073

01:57:20,149 --> 01:57:17,599

that is not accessible to the public so

3074

01:57:20,629 --> 01:57:20,159

please take advantage of just visit the

3075

01:57:22,709 --> 01:57:20,639

site

3076

01:57:24,709 --> 01:57:22,719

check out the different books and you

3077

01:57:25,030 --> 01:57:24,719

know take advantage of everything that

3078

01:57:27,750 --> 01:57:25,040

deb

3079

01:57:28,070 --> 01:57:27,760

has to offer right send me an email you

3080

01:57:30,790 --> 01:57:28,080

know

3081

01:57:32,709 --> 01:57:30,800

i'm i do my best to answer every single

3082

01:57:34,550 --> 01:57:32,719

email that i get even

3083

01:57:36,629 --> 01:57:34,560

even however briefly you know i just

3084

01:57:37,510 --> 01:57:36,639

appreciate the support and i appreciate

3085

01:57:39,750 --> 01:57:37,520

that people want to

3086

01:57:41,669 --> 01:57:39,760

you know share with me and it's kind of

3087

01:57:45,030 --> 01:57:41,679

like why i'm here so

3088

01:57:45,350 --> 01:57:45,040

yeah right uh deb tammy's asking uh can

3089

01:57:49,750 --> 01:57:45,360

deb

3090

01:57:55,830 --> 01:57:53,350

the human interaction i had

3091

01:57:57,109 --> 01:57:55,840

during these weird events yeah they i

3092

01:57:58,709 --> 01:57:57,119

mean they looked human

3093

01:58:00,470 --> 01:57:58,719

no i wouldn't just say humanoid i

3094

01:58:00,950 --> 01:58:00,480

wouldn't go i would go so far as to say

3095

01:58:03,430 --> 01:58:00,960

that

3096

01:58:05,030 --> 01:58:03,440

if you pass some one of them in the

3097

01:58:08,229 --> 01:58:05,040

grocery store at walmart

3098

01:58:11,350 --> 01:58:08,239

you wouldn't look at them twice um

3099

01:58:15,350 --> 01:58:13,830

very attractive i mean like i would call

3100

01:58:17,109 --> 01:58:15,360

even the men were beautiful

3101

01:58:19,510 --> 01:58:17,119

you know just so you would look at them

3102

01:58:20,950 --> 01:58:19,520

twice well i would but not for the

3103

01:58:24,550 --> 01:58:20,960

reason you

3104

01:58:27,910 --> 01:58:24,560

might think um and then uh

3105

01:58:29,750 --> 01:58:27,920

the one time when um you know i had some

3106

01:58:32,070 --> 01:58:29,760

what appeared to be medical things done

3107

01:58:33,910 --> 01:58:32,080

to me it was definitely humans and

3108

01:58:35,750 --> 01:58:33,920

i remember this old guy who would if he

3109

01:58:38,790 --> 01:58:35,760

was still alive he'd probably be

3110

01:58:41,189 --> 01:58:38,800

in his 90s now uh you know it was

3111

01:58:42,550 --> 01:58:41,199

i called him the doctor and he was a

3112

01:58:45,589 --> 01:58:42,560

older heavysset

3113

01:58:49,669 --> 01:58:45,599

white-haired guy with reddish face and a

3114

01:58:54,149 --> 01:58:49,679

w c fields nose a very deep voice with a

3115

01:58:57,910 --> 01:58:54,159

very thick southern draw you know but

3116

01:59:00,550 --> 01:58:57,920

human so and then the one

3117

01:59:02,229 --> 01:59:00,560

one time i had a dream this guy came and

3118

01:59:04,310 --> 01:59:02,239

was talking to me and

3119

01:59:05,510 --> 01:59:04,320

he looked human and he was very you know

3120

01:59:07,990 --> 01:59:05,520

handsome but

3121

01:59:10,310 --> 01:59:08,000

one and he had big blue eyes but one

3122

01:59:12,149 --> 01:59:10,320

pupil was diamond shaped and it moved

3123

01:59:14,070 --> 01:59:12,159

when he talked to me

3124

01:59:15,830 --> 01:59:14,080

and i said are you talking to me through

3125

01:59:17,510 --> 01:59:15,840

your eye and he kind of looked at me and

3126

01:59:19,750 --> 01:59:17,520

funny and said you

3127

01:59:22,070 --> 01:59:19,760

don't remember you can do this too and

3128

01:59:24,149 --> 01:59:22,080

i'm like no i don't remember

3129

01:59:25,830 --> 01:59:24,159

um and the next morning when i woke up i

3130

01:59:26,470 --> 01:59:25,840

was covered in a blanket that i don't

3131

01:59:30,310 --> 01:59:26,480

remember

3132

01:59:33,750 --> 01:59:30,320

telling him in the dream that i was cold

3133

01:59:36,629 --> 01:59:33,760

so go figure

3134

01:59:37,589 --> 01:59:36,639

they all have blonde hair except there

3135

01:59:41,030 --> 01:59:37,599

was a

3136

01:59:43,109 --> 01:59:41,040

uh oh no exception

3137

01:59:44,470 --> 01:59:43,119

there was two exceptions i called them

3138

01:59:47,030 --> 01:59:44,480

the twins and they had

3139

01:59:47,510 --> 01:59:47,040

very very dark hair and very dark brown

3140

01:59:49,990 --> 01:59:47,520

eyes

3141

01:59:51,510 --> 01:59:50,000

and they looked like identical twins but

3142

01:59:53,669 --> 01:59:51,520

the rest of them were all

3143

01:59:54,709 --> 01:59:53,679

except the old guy were all like blonde

3144

01:59:57,990 --> 01:59:54,719

haired blue eyed

3145

02:00:01,669 --> 01:59:58,000

people okay

3146

02:00:03,750 --> 02:00:01,679

well deb uh i i haven't had um

3147

02:00:04,950 --> 02:00:03,760

i guess everyone asked all the questions

3148

02:00:07,510 --> 02:00:04,960

they wanted to to

3149

02:00:08,790 --> 02:00:07,520

to ask as soon as i say that michael

3150

02:00:10,470 --> 02:00:08,800

comes through one i was just going to

3151
02:00:12,070 --> 02:00:10,480
say i didn't have any other questions to

3152
02:00:15,030 --> 02:00:12,080
ask if you wanted to cover certain

3153
02:00:17,589 --> 02:00:15,040
subjects but one came through

3154
02:00:19,830 --> 02:00:17,599
from from michael's saying were they

3155
02:00:22,149 --> 02:00:19,840
blonde nordic types

3156
02:00:23,350 --> 02:00:22,159
if you're familiar with those yeah i

3157
02:00:25,990 --> 02:00:23,360
guess you could say that

3158
02:00:27,510 --> 02:00:26,000
i mean if you blonde nordic people are

3159
02:00:30,629 --> 02:00:27,520
tall blonde and attractive

3160
02:00:33,990 --> 02:00:30,639
yeah i could say that

3161
02:00:36,070 --> 02:00:34,000
right i wouldn't think i didn't think

3162
02:00:39,990 --> 02:00:36,080
about them that way at the time

3163
02:00:41,030 --> 02:00:40,000

but yeah okay i guess uh let's finish up

3164

02:00:43,910 --> 02:00:41,040

with nathan nathan

3165

02:00:45,270 --> 02:00:43,920

uh is in in on the on telegram and i

3166

02:00:47,669 --> 02:00:45,280

guess we'll finish up with the

3167

02:00:49,669 --> 02:00:47,679

with the voice question nathan you're

3168

02:00:50,149 --> 02:00:49,679

unmuted uh go ahead and mute yourself

3169

02:00:54,790 --> 02:00:50,159

and

3170

02:00:56,629 --> 02:00:54,800

if you if you wouldn't mind

3171

02:00:59,189 --> 02:00:56,639

uh sharing with us this your your

3172

02:01:01,510 --> 02:00:59,199

near-death experience story

3173

02:01:02,470 --> 02:01:01,520

oh no i don't know what you experienced

3174

02:01:05,510 --> 02:01:02,480

yeah um

3175

02:01:08,550 --> 02:01:07,189

thank you yeah i was pregnant with my

3176

02:01:11,830 --> 02:01:08,560

son uh

3177

02:01:14,870 --> 02:01:11,840

my oldest son and um

3178

02:01:17,510 --> 02:01:14,880

i it was i was actually not due for

3179

02:01:19,350 --> 02:01:17,520

seven weeks but i went into a coma i

3180

02:01:22,149 --> 02:01:19,360

developed preeclampsia

3181

02:01:24,229 --> 02:01:22,159

that went into eclampsia and i was like

3182

02:01:25,669 --> 02:01:24,239

in a kind of semi-comatose state my

3183

02:01:26,470 --> 02:01:25,679

kidneys were failing my liver was

3184

02:01:29,990 --> 02:01:26,480

failing

3185

02:01:33,109 --> 02:01:30,000

um i was dying and so um

3186

02:01:35,270 --> 02:01:33,119

they had to make a choice between uh you

3187

02:01:36,310 --> 02:01:35,280

know me dying and the baby dying or you

3188

02:01:38,310 --> 02:01:36,320

know they had to take

3189

02:01:39,510 --> 02:01:38,320

the only cure for me to save my life was

3190

02:01:41,109 --> 02:01:39,520

to have the baby

3191

02:01:44,470 --> 02:01:41,119

so they took me in for an emergency

3192

02:01:46,709 --> 02:01:44,480

c-section and during the c-section

3193

02:01:49,189 --> 02:01:46,719

um i guess they must have given me as

3194

02:01:51,430 --> 02:01:49,199

little anesthetic and whatever that

3195

02:01:52,550 --> 02:01:51,440

paralyzing stuff is they'd give you

3196

02:01:56,229 --> 02:01:52,560

because i

3197

02:01:57,990 --> 02:01:56,239

remembered feeling them cut me open

3198

02:02:00,709 --> 02:01:58,000

but i couldn't move and i couldn't tell

3199

02:02:02,470 --> 02:02:00,719

anybody uh but it was not a slice like

3200

02:02:03,990 --> 02:02:02,480

you think it was a pinch and a pull and

3201

02:02:07,589 --> 02:02:04,000

a pinch and a pull and it was like

3202

02:02:09,430 --> 02:02:07,599

fire like absolute fire as they cut me

3203

02:02:11,430 --> 02:02:09,440

open to take out my baby

3204

02:02:13,430 --> 02:02:11,440

and i was an up and down cut like back

3205

02:02:14,310 --> 02:02:13,440

this was 42 years ago they cut you open

3206

02:02:17,510 --> 02:02:14,320

like a gutted

3207

02:02:20,629 --> 02:02:17,520

fish but um

3208

02:02:23,430 --> 02:02:20,639

um i remembered hearing them talking

3209

02:02:24,470 --> 02:02:23,440

in there and i also remember the doctor

3210

02:02:27,109 --> 02:02:24,480

talked about

3211

02:02:28,870 --> 02:02:27,119

geist reservoir and sailboats while they

3212

02:02:30,470 --> 02:02:28,880

were cutting me open somebody mentioned

3213

02:02:32,229 --> 02:02:30,480

something about that

3214

02:02:33,830 --> 02:02:32,239

but i could hear everything but i and i

3215

02:02:35,350 --> 02:02:33,840

was just paralyzed i couldn't move it's

3216

02:02:37,750 --> 02:02:35,360

like i was awake but not

3217

02:02:40,470 --> 02:02:37,760

you know it was weird and then all of a

3218

02:02:43,510 --> 02:02:40,480

sudden i couldn't breathe

3219

02:02:45,189 --> 02:02:43,520

and i could not breathe but i couldn't

3220

02:02:47,030 --> 02:02:45,199

get anybody's attention

3221

02:02:48,950 --> 02:02:47,040

i was trying desperately to shake my

3222

02:02:50,470 --> 02:02:48,960

legs to get somebody's attention to tell

3223

02:02:52,470 --> 02:02:50,480

them i couldn't breathe

3224

02:02:54,310 --> 02:02:52,480

and then all of a sudden their voices

3225

02:02:57,589 --> 02:02:54,320

sounded like they started to go

3226
02:02:58,470 --> 02:02:57,599
far farther and farther and farther away

3227
02:03:01,189 --> 02:02:58,480
like i was

3228
02:03:02,790 --> 02:03:01,199
going far and far away from them they

3229
02:03:06,550 --> 02:03:02,800
were getting

3230
02:03:09,270 --> 02:03:06,560
quieter and quieter and uh

3231
02:03:10,070 --> 02:03:09,280
and then all of a sudden it was with i

3232
02:03:12,870 --> 02:03:10,080
could almost

3233
02:03:13,350 --> 02:03:12,880
hear and feel is like a whomp feeling

3234
02:03:16,709 --> 02:03:13,360
and i

3235
02:03:20,550 --> 02:03:16,719
literally disconnected from my body

3236
02:03:22,470 --> 02:03:20,560
and then i was in blackness

3237
02:03:23,990 --> 02:03:22,480
total blackness i couldn't see my hands

3238
02:03:27,510 --> 02:03:24,000

or feet or anything

3239

02:03:31,109 --> 02:03:27,520

i could barely hear theirs

3240

02:03:34,149 --> 02:03:31,119

they're talking but i was trapped in

3241

02:03:36,390 --> 02:03:34,159

this black box and i was pounding on the

3242

02:03:38,550 --> 02:03:36,400

wall of this black box with my fists and

3243

02:03:41,669 --> 02:03:38,560

i was screaming at the tops of my lungs

3244

02:03:42,310 --> 02:03:41,679

i'm not dead let me out of here let me

3245

02:03:45,990 --> 02:03:42,320

out i'm

3246

02:03:47,589 --> 02:03:46,000

not dead and somehow i managed to shake

3247

02:03:49,669 --> 02:03:47,599

my legs and when i did

3248

02:03:51,270 --> 02:03:49,679

i felt the strap go down around my leg

3249

02:03:52,950 --> 02:03:51,280

and i kind of connected back with my

3250

02:03:54,390 --> 02:03:52,960

body a little bit and then i heard a

3251

02:03:58,229 --> 02:03:54,400

voice

3252

02:04:00,390 --> 02:03:58,239

first i thought it was an angel but in

3253

02:04:01,750 --> 02:04:00,400

retrospect i think it may have been a

3254

02:04:05,030 --> 02:04:01,760

nurse

3255

02:04:05,830 --> 02:04:05,040

whisper in my ear you you can't leave

3256

02:04:08,470 --> 02:04:05,840

yet

3257

02:04:09,350 --> 02:04:08,480

you have a baby that needs his mother

3258

02:04:12,310 --> 02:04:09,360

you can't

3259

02:04:13,189 --> 02:04:12,320

leave yet and as soon as i heard those

3260

02:04:16,470 --> 02:04:13,199

words

3261

02:04:19,669 --> 02:04:16,480

bam i connected right back up on

3262

02:04:21,030 --> 02:04:19,679

this body and the voices got louder and

3263

02:04:23,669 --> 02:04:21,040

louder and there was just

3264

02:04:24,870 --> 02:04:23,679

screaming and chaos going on hollering

3265

02:04:29,270 --> 02:04:24,880

back and forth

3266

02:04:30,629 --> 02:04:29,280

and they had taken me off the table and

3267

02:04:32,470 --> 02:04:30,639

all of a sudden i felt like i couldn't

3268

02:04:35,750 --> 02:04:32,480

breathe again and

3269

02:04:39,030 --> 02:04:35,760

i felt i shook my legs and

3270

02:04:40,950 --> 02:04:39,040

the screaming got little and then i

3271

02:04:43,830 --> 02:04:40,960

think they might have intubated me

3272

02:04:45,990 --> 02:04:43,840

uh because i felt like all of a sudden

3273

02:04:47,350 --> 02:04:46,000

the air was coming in my lungs and it

3274

02:04:49,270 --> 02:04:47,360

felt so good

3275

02:04:50,390 --> 02:04:49,280

it was like i was thirsty and i was

3276

02:04:53,510 --> 02:04:50,400

drinking it in i was

3277

02:04:56,629 --> 02:04:53,520

gulping this air in all of a sudden

3278

02:04:57,189 --> 02:04:56,639

and it wasn't until after the surgery

3279

02:04:59,510 --> 02:04:57,199

was over

3280

02:05:01,589 --> 02:04:59,520

i mean it was very traumatic for me to

3281

02:05:04,709 --> 02:05:01,599

remember being cut open everything but

3282

02:05:06,310 --> 02:05:04,719

i told the doctor

3283

02:05:08,390 --> 02:05:06,320

i heard you talking about sailboats he's

3284

02:05:09,750 --> 02:05:08,400

like what and i said yeah i said i

3285

02:05:11,189 --> 02:05:09,760

felt you cut me open and i heard you

3286

02:05:12,950 --> 02:05:11,199

talk about sailboats he just looked at

3287

02:05:14,629 --> 02:05:12,960

me like i was crazy he never confirmed

3288

02:05:18,870 --> 02:05:14,639

or denied any of it

3289

02:05:22,069 --> 02:05:18,880

and um uh

3290

02:05:24,629 --> 02:05:22,079

i told him what had happened you know

3291

02:05:25,669 --> 02:05:24,639

and that's when i found out i had coded

3292

02:05:30,310 --> 02:05:25,679

twice

3293

02:05:35,030 --> 02:05:30,320

they even took me out of there

3294

02:05:38,149 --> 02:05:35,040

out of the delivery room and then um

3295

02:05:39,750 --> 02:05:38,159

it was amazing because remember this was

3296

02:05:42,629 --> 02:05:39,760

42 years ago

3297

02:05:44,470 --> 02:05:42,639

seven days later i went home and my baby

3298

02:05:48,790 --> 02:05:44,480

went with me even though he was

3299

02:05:51,510 --> 02:05:48,800

almost seven weeks premature um

3300

02:05:52,550 --> 02:05:51,520

he uh he didn't have any fingernails yet

3301

02:05:54,470 --> 02:05:52,560

he had long white hair

3302

02:05:55,750 --> 02:05:54,480

still all over him just a little dents

3303

02:05:57,750 --> 02:05:55,760

where his fingernails would

3304

02:05:59,910 --> 02:05:57,760

grow in and his ears were still rolled

3305

02:06:01,910 --> 02:05:59,920

up and folded up and he looked like a

3306

02:06:03,030 --> 02:06:01,920

little peanut they called him peanut and

3307

02:06:05,510 --> 02:06:03,040

nicu

3308

02:06:06,390 --> 02:06:05,520

his lungs were completely developed and

3309

02:06:08,870 --> 02:06:06,400

he was five

3310

02:06:09,669 --> 02:06:08,880

uh he weighed five pounds and was 21

3311

02:06:11,910 --> 02:06:09,679

inches long

3312

02:06:13,990 --> 02:06:11,920

even though he was so early but he had

3313

02:06:15,430 --> 02:06:14,000

zero body fat he couldn't keep his body

3314

02:06:17,109 --> 02:06:15,440

you know temperature up that was his

3315

02:06:26,629 --> 02:06:17,119

only problem uh

3316

02:06:30,310 --> 02:06:29,030

jesus and all the angels and people that

3317

02:06:32,950 --> 02:06:30,320

i knew that were dead

3318

02:06:33,589 --> 02:06:32,960

hold on i'm sorry you broke up there for

3319

02:06:36,229 --> 02:06:33,599

a second

3320

02:06:37,830 --> 02:06:36,239

say that last last step six seconds

3321

02:06:40,149 --> 02:06:37,840

again please i

3322

02:06:42,390 --> 02:06:40,159

i didn't have the typical near-death

3323

02:06:45,189 --> 02:06:42,400

experience where people see the tunnel

3324

02:06:46,229 --> 02:06:45,199

of light and jesus and all the angels

3325

02:06:48,310 --> 02:06:46,239

and people they knew

3326

02:06:50,629 --> 02:06:48,320

who were alive that are now dead come to

3327

02:06:56,830 --> 02:06:50,639

get them but i think that's because

3328

02:07:02,870 --> 02:06:59,510

body and i did

3329

02:07:04,790 --> 02:07:02,880

my body because of the baby

3330

02:07:06,229 --> 02:07:04,800

because that was i might not have

3331

02:07:07,830 --> 02:07:06,239

remembered

3332

02:07:09,910 --> 02:07:07,840

when i disconnected and wanted out

3333

02:07:13,030 --> 02:07:09,920

because i wanted out

3334

02:07:14,550 --> 02:07:13,040

of that body i wanted out until she

3335

02:07:16,790 --> 02:07:14,560

reminded me i had a baby and that was

3336

02:07:21,350 --> 02:07:16,800

like oh no i ain't going to wear

3337

02:07:24,709 --> 02:07:22,790

okay well thank you for sharing that

3338

02:07:25,350 --> 02:07:24,719

it's uh yeah your connection for some

3339

02:07:27,510 --> 02:07:25,360

reason was

3340

02:07:28,709 --> 02:07:27,520

dropping quite a bit but we could hear

3341

02:07:30,550 --> 02:07:28,719

what you were trying to say

3342

02:07:32,069 --> 02:07:30,560

so maybe that's accurate well you know

3343

02:07:32,790 --> 02:07:32,079

we've got storms coming through here so

3344

02:07:35,910 --> 02:07:32,800

maybe it's that

3345

02:07:37,669 --> 02:07:35,920

right right yeah very well be well

3346

02:07:39,510 --> 02:07:37,679

debbie thank you very much again you

3347

02:07:40,550 --> 02:07:39,520

know i'm really happy that you were able

3348

02:07:43,109 --> 02:07:40,560

to come on again

3349

02:07:44,229 --> 02:07:43,119

and um you know just as you know you're

3350

02:07:45,990 --> 02:07:44,239

always welcome

3351
02:07:47,830 --> 02:07:46,000
and um you know hopefully in the future

3352
02:07:51,109 --> 02:07:47,840
we'll do this again sometime

3353
02:07:52,870 --> 02:07:51,119
and uh so yeah thank you very much

3354
02:07:54,470 --> 02:07:52,880
yeah thank you very much for again

3355
02:07:55,109 --> 02:07:54,480
taking the time and i appreciate

3356
02:07:57,350 --> 02:07:55,119
everyone

3357
02:07:58,790 --> 02:07:57,360
um watching and asking the questions and

3358
02:08:02,069 --> 02:07:58,800
making this interesting

3359
02:08:05,109 --> 02:08:02,079
because um it's as much of a

3360
02:08:07,430 --> 02:08:05,119
interaction as it is just you know

3361
02:08:09,109 --> 02:08:07,440
coming to listen to somebody because

3362
02:08:10,790 --> 02:08:09,119
i love to listen to people but if i have

3363
02:08:11,910 --> 02:08:10,800

a chance to ask you know you kind of

3364

02:08:13,350 --> 02:08:11,920

learn more that way

3365

02:08:16,149 --> 02:08:13,360

and so i'm glad that people took the

3366

02:08:18,950 --> 02:08:16,159

opportunities to go to telegram and to

3367

02:08:20,470 --> 02:08:18,960

even on chat ask the questions and just

3368

02:08:22,709 --> 02:08:20,480

makes it more interactive and

3369

02:08:24,069 --> 02:08:22,719

sometimes as much as i understand about

3370

02:08:25,910 --> 02:08:24,079

the different subjects i

3371

02:08:27,189 --> 02:08:25,920

i sometimes don't know to ask all the

3372

02:08:29,669 --> 02:08:27,199

questions you know

3373

02:08:30,709 --> 02:08:29,679

and um you know by somebody having their

3374

02:08:33,430 --> 02:08:30,719

question fulfilled

3375

02:08:35,189 --> 02:08:33,440

and and you know hopefully it enriches

3376

02:08:36,870 --> 02:08:35,199

their experience they're not that much

3377

02:08:38,709 --> 02:08:36,880

more in and gives them that

3378

02:08:40,390 --> 02:08:38,719

next little breadcrumb that they need to

3379

02:08:42,310 --> 02:08:40,400

move forward with whatever else they're

3380

02:08:45,589 --> 02:08:42,320

learning about in researching

3381

02:08:48,550 --> 02:08:45,599

so yeah uh okay well

3382

02:08:49,030 --> 02:08:48,560

uh everyone thank you again debbie um

3383

02:08:50,550 --> 02:08:49,040

i'm

3384

02:08:52,390 --> 02:08:50,560

to sign off here soon so please sit

3385

02:08:55,430 --> 02:08:52,400

tight don't disconnect on me yet

3386

02:08:56,390 --> 02:08:55,440

and um so please uh everyone else that's

3387

02:08:59,589 --> 02:08:56,400

been watching please

3388

02:08:59,990 --> 02:08:59,599

log in next week at 7 00 p.m uh i will

3389

02:09:01,910 --> 02:09:00,000

be

3390

02:09:03,990 --> 02:09:01,920

live streaming again on all the

3391

02:09:05,510 --> 02:09:04,000

platforms all the three platforms that i

3392

02:09:06,149 --> 02:09:05,520

have which is youtube facebook and

3393

02:09:08,790 --> 02:09:06,159

twitch

3394

02:09:10,149 --> 02:09:08,800

and of course voice only over telegram

3395

02:09:12,310 --> 02:09:10,159

and so

3396

02:09:13,189 --> 02:09:12,320

uh during that time it's open lines and

3397

02:09:16,069 --> 02:09:13,199

basically just

3398

02:09:16,470 --> 02:09:16,079

listen to your calls like uh dudley i

3399

02:09:18,629 --> 02:09:16,480

believe

3400

02:09:20,390 --> 02:09:18,639

we're starting to share some of some of

3401

02:09:22,950 --> 02:09:20,400

his experiences i hope he comes back on

3402

02:09:25,030 --> 02:09:22,960

wednesday and um

3403

02:09:26,310 --> 02:09:25,040

gets to you share that i love to hear

3404

02:09:28,629 --> 02:09:26,320

new stories and

3405

02:09:29,830 --> 02:09:28,639

and what people have uh experienced and

3406

02:09:31,510 --> 02:09:29,840

sometimes there could be some

3407

02:09:32,629 --> 02:09:31,520

correlation with your experiences and

3408

02:09:35,109 --> 02:09:32,639

what someone else

3409

02:09:35,830 --> 02:09:35,119

also had experienced so yeah i'm sorry i

3410

02:09:38,870 --> 02:09:35,840

had to

3411

02:09:41,189 --> 02:09:38,880

cancel this past wednesday i really had

3412

02:09:42,390 --> 02:09:41,199

a lot of my hands because i was building

3413

02:09:44,870 --> 02:09:42,400

a bed frame for

3414

02:09:45,589 --> 02:09:44,880

our for our three-year-old at the same

3415

02:09:47,589 --> 02:09:45,599

time i was

3416

02:09:48,870 --> 02:09:47,599

flushing the coolant out of the the one

3417

02:09:50,790 --> 02:09:48,880

of the vehicles that we

3418

02:09:51,910 --> 02:09:50,800

were messing with and that the radiator

3419

02:09:54,629 --> 02:09:51,920

had to crack so i had to

3420

02:09:55,189 --> 02:09:54,639

get that fixed i had to do it myself

3421

02:09:56,870 --> 02:09:55,199

basically

3422

02:09:58,870 --> 02:09:56,880

so anyway i had a full day and i was

3423

02:10:00,470 --> 02:09:58,880

like the last thing that i could really

3424

02:10:01,830 --> 02:10:00,480

concentrate on and give all my full

3425

02:10:03,350 --> 02:10:01,840

attention on would be this

3426

02:10:05,669 --> 02:10:03,360

and i don't want to do that disservice

3427

02:10:07,910 --> 02:10:05,679

to everyone i'd rather be refreshed and

3428

02:10:09,990 --> 02:10:07,920

ready and here to listen so

3429

02:10:11,510 --> 02:10:10,000

again debbie thank you very much

3430

02:10:14,229 --> 02:10:11,520

everyone else watching

3431

02:10:15,669 --> 02:10:14,239

thank you and so tune in on wednesday

3432

02:10:17,350 --> 02:10:15,679

and of course we're gonna have another

3433

02:10:19,109 --> 02:10:17,360

guest on friday as well so
