Leave

1
00:00:56,830 --> 00:00:16,730

[Music]

2
00:01:10,830 --> 00:00:59,760

so

3
00:01:13,540 --> 00:01:10,840

[Music]

4
00:01:38,830 --> 00:01:13,550

do

5
00:02:17,140 --> 00:01:52,830

so

6
00:03:02,830 --> 00:02:20,830

[Music]

7
00:03:02,840 --> 00:03:12,890

so

8
00:03:12,900 --> 00:03:45,750

[Music]

9
00:03:50,789 --> 00:03:48,949
hey everyone welcome to the yup welcome

10
00:03:53,030 --> 00:03:50,799

to ufo hub open lines

11
00:03:55,350 --> 00:03:53,040
or ufo hub live stream i'm all getting

12
00:03:57,830 --> 00:03:55,360
confused because we had a quite a

13
00:04:00,390 --> 00:03:57,840

fiery conversation or at least i got all

14

00:04:01,030 --> 00:04:00,400

fired up on telegram earlier talking to

15

00:04:04,149 --> 00:04:01,040

uh fab

16

00:04:06,149 --> 00:04:04,159

and uh and bradley but uh unfortunately

17

00:04:09,350 --> 00:04:06,159

it's not a topic that i can

18

00:04:10,070 --> 00:04:09,360

cover in great depth here because one

19

00:04:12,710 --> 00:04:10,080

youtube

20

00:04:14,550 --> 00:04:12,720

doesn't like alternative voices and two

21

00:04:16,069 --> 00:04:14,560

it's not necessarily ufo related so i

22

00:04:19,509 --> 00:04:16,079

don't think it it would uh

23

00:04:21,110 --> 00:04:19,519

do it any justice but it was um a lot to

24

00:04:23,350 --> 00:04:21,120

do with covet let's just say that

25

00:04:24,230 --> 00:04:23,360

and so anyway i'm just trying to get my

26

00:04:27,670 --> 00:04:24,240

my um

27

00:04:29,270 --> 00:04:27,680

brain wrapped up and back again uh ufo

28

00:04:31,830 --> 00:04:29,280

related kind of subjects

29

00:04:32,790 --> 00:04:31,840

so i wanted to just uh cover a few

30

00:04:36,390 --> 00:04:32,800

things

31

00:04:37,110 --> 00:04:36,400

um so last week we had a psychedelic

32

00:04:39,189 --> 00:04:37,120

show

33

00:04:40,550 --> 00:04:39,199

um i don't know if some of you noticed

34

00:04:41,510 --> 00:04:40,560

maybe you have maybe you haven't i've

35

00:04:43,990 --> 00:04:41,520

been trying to

36

00:04:45,270 --> 00:04:44,000

upgrade slowly and trying to get better

37

00:04:46,950 --> 00:04:45,280

and better stream out

38

00:04:49,510 --> 00:04:46,960

unfortunately if you're watching this on

39

00:04:50,550 --> 00:04:49,520

youtube they're not really helping a lot

40

00:04:53,030 --> 00:04:50,560

because uh

41

00:04:54,950 --> 00:04:53,040

their stream they no matter how high of

42

00:04:56,150 --> 00:04:54,960

a bitrate i send out they always kind of

43

00:04:59,670 --> 00:04:56,160

leave it like a little

44

00:05:01,430 --> 00:04:59,680

uh fuzzy look to to it um

45

00:05:02,950 --> 00:05:01,440

and that doesn't matter how good of a

46

00:05:04,870 --> 00:05:02,960

connection you have either

47

00:05:06,870 --> 00:05:04,880

twitch on the other end is like nice and

48

00:05:09,909 --> 00:05:06,880

crisp you know which i'm confused like

49

00:05:10,950 --> 00:05:09,919

it's the same stream going out why do

50

00:05:13,430 --> 00:05:10,960

you know one

51
00:05:15,510 --> 00:05:13,440
one platform it takes care of the stream

52
00:05:17,830 --> 00:05:15,520
a lot better than the other but anyway

53
00:05:19,270 --> 00:05:17,840
um those were part of the reasons why i

54
00:05:21,590 --> 00:05:19,280
was trying to upgrade some of the

55
00:05:23,510 --> 00:05:21,600
hardware and some of the software that i

56
00:05:25,830 --> 00:05:23,520
had and so i think i was

57
00:05:28,950 --> 00:05:25,840
maxing out actually i know i was maxing

58
00:05:32,070 --> 00:05:28,960
out my computer's abilities it's uh

59
00:05:35,430 --> 00:05:32,080
not handling having to deal with

60
00:05:37,110 --> 00:05:35,440
skype and telegram and having obs run

61
00:05:38,310 --> 00:05:37,120
with all these other things i have going

62
00:05:40,710 --> 00:05:38,320
on in the background

63
00:05:41,990 --> 00:05:40,720

and then in addition when i tried to

64

00:05:44,469 --> 00:05:42,000

push out a

65

00:05:45,270 --> 00:05:44,479

higher high definition signal to to the

66

00:05:47,749 --> 00:05:45,280

stream

67

00:05:48,310 --> 00:05:47,759

and then of course trying to speak here

68

00:05:50,150 --> 00:05:48,320

in person

69

00:05:52,550 --> 00:05:50,160

it created some offsync between the

70

00:05:53,670 --> 00:05:52,560

video and audio so anyway i reverted

71

00:05:56,230 --> 00:05:53,680

back to what i had

72

00:05:56,950 --> 00:05:56,240

bumped it back down to 720p i'm sorry

73

00:06:00,550 --> 00:05:56,960

for that

74

00:06:03,430 --> 00:06:00,560

and so i'm solely working on

75

00:06:04,469 --> 00:06:03,440

buttering up my wife to be generous to

76

00:06:07,430 --> 00:06:04,479

help

77

00:06:09,510 --> 00:06:07,440

at least allow me spend some more money

78

00:06:12,870 --> 00:06:09,520

on some other equipment to be able to

79

00:06:15,990 --> 00:06:12,880

give you guys uh some more quality

80

00:06:17,830 --> 00:06:16,000

uh content so anyway i apologize again

81

00:06:18,870 --> 00:06:17,840

for last week that we had that sync

82

00:06:22,150 --> 00:06:18,880

issue and whatnot

83

00:06:23,670 --> 00:06:22,160

i'm working on it i have it thankfully

84

00:06:24,950 --> 00:06:23,680

because it was here in the studio i was

85

00:06:27,189 --> 00:06:24,960

able to record it

86

00:06:28,469 --> 00:06:27,199

independently not using the software

87

00:06:31,110 --> 00:06:28,479

that i was using

88

00:06:33,270 --> 00:06:31,120

so i just have to basically put all the

89

00:06:35,670 --> 00:06:33,280

different camera angles together

90

00:06:37,110 --> 00:06:35,680

and get everything basically into a nice

91

00:06:38,950 --> 00:06:37,120

little video where i can re

92

00:06:41,189 --> 00:06:38,960

re-upload it again so you can watch that

93

00:06:43,909 --> 00:06:41,199

episode it's basically my

94

00:06:44,550 --> 00:06:43,919

myself my and my two other friends that

95

00:06:47,350 --> 00:06:44,560

basically

96

00:06:48,230 --> 00:06:47,360

just talking about pretty much all our

97

00:06:50,629 --> 00:06:48,240

experiences

98

00:06:52,550 --> 00:06:50,639

um maybe not every single one of them

99

00:06:53,510 --> 00:06:52,560

but as much detail as we could about

100

00:06:55,510 --> 00:06:53,520

psychedelics

101
00:06:57,189 --> 00:06:55,520
and what we've generally experienced on

102
00:06:59,350 --> 00:06:57,199
those so i don't know if you

103
00:07:01,350 --> 00:06:59,360
would find that interesting but if and

104
00:07:02,070 --> 00:07:01,360
when i ever find some time i'm hoping to

105
00:07:04,870 --> 00:07:02,080
be able to

106
00:07:07,270 --> 00:07:04,880
upload that for you to watch i also

107
00:07:08,790 --> 00:07:07,280
already had last week a webcast that had

108
00:07:11,909 --> 00:07:08,800
recorded with david

109
00:07:12,230 --> 00:07:11,919
curtis and i'm also needing to get to

110
00:07:16,230 --> 00:07:12,240
that

111
00:07:19,029 --> 00:07:16,240
can also then

112
00:07:20,629 --> 00:07:19,039
um you know upload that video because i

113
00:07:22,550 --> 00:07:20,639

appreciate david talking to me

114

00:07:24,309 --> 00:07:22,560

and it would be a shame to just having

115

00:07:25,830 --> 00:07:24,319

to push it off longer and longer

116

00:07:28,070 --> 00:07:25,840

but there's always things coming up that

117

00:07:31,189 --> 00:07:28,080

i have to take care of and and handle

118

00:07:32,390 --> 00:07:31,199

so i just haven't had much time to uh do

119

00:07:33,990 --> 00:07:32,400

as much editing but

120

00:07:36,950 --> 00:07:34,000

hopefully i will be able to get to it

121

00:07:38,390 --> 00:07:36,960

soon and um

122

00:07:40,629 --> 00:07:38,400

i know there was one more thing i've

123

00:07:44,629 --> 00:07:40,639

been trying to uh

124

00:07:47,909 --> 00:07:44,639

to cover oh this friday

125

00:07:51,350 --> 00:07:47,919

i'm going to have um uh brad johnson

126

00:07:53,350 --> 00:07:51,360

on and um he is basically channels uh

127

00:07:54,710 --> 00:07:53,360

being called adronis maybe some of you

128

00:07:57,350 --> 00:07:54,720

know about him or

129

00:07:58,710 --> 00:07:57,360

i've seen his uh channel i've always

130

00:08:00,230 --> 00:07:58,720

subscribed to his channel and

131

00:08:02,469 --> 00:08:00,240

agree very much with what he's talking

132

00:08:03,670 --> 00:08:02,479

about so i think it would be a great

133

00:08:06,309 --> 00:08:03,680

opportunity for

134

00:08:07,909 --> 00:08:06,319

for us to chat and for me to just ask

135

00:08:09,430 --> 00:08:07,919

some questions i don't know if he's

136

00:08:12,469 --> 00:08:09,440

gonna channel a jonas

137

00:08:13,670 --> 00:08:12,479

but i'm hoping that we'll cover quite a

138

00:08:15,510 --> 00:08:13,680

variety of subjects

139

00:08:17,589 --> 00:08:15,520

and i'm hoping that you'll also log in

140

00:08:18,629 --> 00:08:17,599

to be able to ask him questions directly

141

00:08:20,710 --> 00:08:18,639

over telegram

142

00:08:22,150 --> 00:08:20,720

or just submit your questions on chat

143

00:08:23,990 --> 00:08:22,160

which if um

144

00:08:26,230 --> 00:08:24,000

you know usually i try to get to

145

00:08:28,309 --> 00:08:26,240

everybody if you as long as you

146

00:08:30,070 --> 00:08:28,319

make sure that you include the three

147

00:08:31,430 --> 00:08:30,080

little stars before your question

148

00:08:33,029 --> 00:08:31,440

including today if you have any

149

00:08:34,630 --> 00:08:33,039

questions please make sure in the chat

150

00:08:38,550 --> 00:08:34,640

that you have the three little stars

151
00:08:40,310 --> 00:08:38,560
before you asked it so

152
00:08:42,310 --> 00:08:40,320
anyway everything seems to be going

153
00:08:47,190 --> 00:08:42,320
pretty good here

154
00:08:50,230 --> 00:08:47,200
and i haven't gotten any confirmation um

155
00:08:52,630 --> 00:08:50,240
yet whether or not

156
00:08:54,389 --> 00:08:52,640
i'm just checking real quick because uh

157
00:08:56,389 --> 00:08:54,399
i have my wife actually watching

158
00:08:58,389 --> 00:08:56,399
the stream to let me know if anything is

159
00:08:59,110 --> 00:08:58,399
off sync because it's difficult for me

160
00:09:05,910 --> 00:08:59,120
to

161
00:09:05,920 --> 00:09:11,509
basically taken

162
00:09:14,630 --> 00:09:13,590
okay she just sucks it all good um i'll

163
00:09:16,230 --> 00:09:14,640

just be

164

00:09:18,470 --> 00:09:16,240
taking even more time trying to

165

00:09:22,150 --> 00:09:18,480
reconfirm is this in sync or not

166

00:09:23,509 --> 00:09:22,160
but anyway so anyway i always try to not

167

00:09:27,030 --> 00:09:23,519
necessarily compete

168

00:09:27,430 --> 00:09:27,040
with the the bigger television and all

169

00:09:29,670 --> 00:09:27,440
of that

170

00:09:30,470 --> 00:09:29,680
obviously there's no way i can you know

171

00:09:33,829 --> 00:09:30,480
but

172

00:09:34,150 --> 00:09:33,839
i always try to take myself seriously

173

00:09:35,990 --> 00:09:34,160
and

174

00:09:37,750 --> 00:09:36,000
how i deliver the information even if

175

00:09:39,670 --> 00:09:37,760
it's nothing anything

176

00:09:40,949 --> 00:09:39,680

uh earth-shattering that at least you

177

00:09:43,350 --> 00:09:40,959

have good sound

178

00:09:43,990 --> 00:09:43,360

good video and um especially in the very

179

00:09:46,630 --> 00:09:44,000

beginning

180

00:09:47,110 --> 00:09:46,640

10 15 years ago you know i always hated

181

00:09:49,430 --> 00:09:47,120

you know

182

00:09:51,269 --> 00:09:49,440

uh watching people like doing interviews

183

00:09:51,910 --> 00:09:51,279

and they're all having handheld cameras

184

00:09:53,829 --> 00:09:51,920

and

185

00:09:55,269 --> 00:09:53,839

you know trying to extract information

186

00:09:57,190 --> 00:09:55,279

from this whistleblower

187

00:09:58,949 --> 00:09:57,200

and you know they're revealing some

188

00:10:00,790 --> 00:09:58,959

great information but you know you can't

189

00:10:03,910 --> 00:10:00,800

hear them very well it's grainy

190

00:10:05,269 --> 00:10:03,920

and i'm just like god's sake just put

191

00:10:07,350 --> 00:10:05,279

put it on a tripod

192

00:10:08,310 --> 00:10:07,360

just invest five bucks in this you know

193

00:10:10,550 --> 00:10:08,320

cheap mic and

194

00:10:11,509 --> 00:10:10,560

mike them you know so that that way it

195

00:10:13,990 --> 00:10:11,519

at least with

196

00:10:15,750 --> 00:10:14,000

whatever capability that camera has at

197

00:10:17,829 --> 00:10:15,760

least you have given it a good chance to

198

00:10:19,509 --> 00:10:17,839

have a good audio and video recording

199

00:10:21,350 --> 00:10:19,519

for the rest of us to at least

200

00:10:23,350 --> 00:10:21,360

maybe start taking the subject a bit

201
00:10:24,310 --> 00:10:23,360
more seriously but now we don't have to

202
00:10:27,030 --> 00:10:24,320
fight about it so

203
00:10:27,750 --> 00:10:27,040
so hard because obviously the government

204
00:10:29,910 --> 00:10:27,760
has

205
00:10:31,030 --> 00:10:29,920
not denied it and they continue pushing

206
00:10:33,110 --> 00:10:31,040
it now

207
00:10:34,790 --> 00:10:33,120
obviously the next thing i want to cover

208
00:10:37,910 --> 00:10:34,800
with you guys like the title said

209
00:10:39,190 --> 00:10:37,920
uh today is the ufo mongering you know

210
00:10:42,150 --> 00:10:39,200
don't buy into it

211
00:10:42,870 --> 00:10:42,160
because i don't know if some of you were

212
00:10:45,750 --> 00:10:42,880
aware

213
00:10:46,870 --> 00:10:45,760

that long time ago even when i was you

214

00:10:48,949 --> 00:10:46,880

know

215

00:10:51,750 --> 00:10:48,959

just really learning about all there is

216

00:10:53,670 --> 00:10:51,760

about these different ufos

217

00:10:55,110 --> 00:10:53,680

and what's there to it of course the

218

00:10:57,350 --> 00:10:55,120

stories about government and

219

00:10:58,630 --> 00:10:57,360

what their nefarious agenda is you know

220

00:11:01,110 --> 00:10:58,640

as well came about

221

00:11:02,069 --> 00:11:01,120

that they would potentially try to use

222

00:11:04,790 --> 00:11:02,079

the ufos as

223

00:11:05,750 --> 00:11:04,800

a kind of a false flag to kind of

224

00:11:08,310 --> 00:11:05,760

mobilize

225

00:11:08,870 --> 00:11:08,320

and and give them an excuse to say okay

226

00:11:13,190 --> 00:11:08,880

we need

227

00:11:16,150 --> 00:11:13,200

you know security

228

00:11:17,350 --> 00:11:16,160

and uh basically kind of selling the ufo

229

00:11:19,430 --> 00:11:17,360

uh phenomena as

230

00:11:21,750 --> 00:11:19,440

the you know some sort of a threat or

231

00:11:24,470 --> 00:11:21,760

something for you to to worry about

232

00:11:25,990 --> 00:11:24,480

and you know i um before the pandemic i

233

00:11:27,350 --> 00:11:26,000

would have hoped that you know there's

234

00:11:27,990 --> 00:11:27,360

plenty of people out there can use their

235

00:11:30,310 --> 00:11:28,000

own brains

236

00:11:31,269 --> 00:11:30,320

and see and discern for themselves so

237

00:11:33,990 --> 00:11:31,279

what's going on

238

00:11:34,630 --> 00:11:34,000

but it seems like a lot a lot more prone

239

00:11:37,350 --> 00:11:34,640

to just

240

00:11:38,069 --> 00:11:37,360

jumping immediately to fear you know to

241

00:11:39,750 --> 00:11:38,079

immediately

242

00:11:41,670 --> 00:11:39,760

just go like this is something to fear i

243

00:11:42,550 --> 00:11:41,680

need protection please government

244

00:11:44,389 --> 00:11:42,560

protect me

245

00:11:46,550 --> 00:11:44,399

you know and that's something i did not

246

00:11:47,670 --> 00:11:46,560

expect especially with some americans or

247

00:11:49,670 --> 00:11:47,680

most americans

248

00:11:51,190 --> 00:11:49,680

you know especially for americans having

249

00:11:53,350 --> 00:11:51,200

this you know um

250

00:11:54,389 --> 00:11:53,360

you know rebellious mindset about them

251
00:11:56,790 --> 00:11:54,399
and especially

252
00:11:58,389 --> 00:11:56,800
their history with governments and kings

253
00:11:59,750 --> 00:11:58,399
where you know it's like whatever they

254
00:12:02,230 --> 00:11:59,760
don't like it's like

255
00:12:03,750 --> 00:12:02,240
off you know and so for them to

256
00:12:05,910 --> 00:12:03,760
just immediately bow down

257
00:12:07,910 --> 00:12:05,920
to what the government says and kind of

258
00:12:08,310 --> 00:12:07,920
follow along with it without questioning

259
00:12:10,550 --> 00:12:08,320
it

260
00:12:12,310 --> 00:12:10,560
you know and um just kind of closing

261
00:12:15,670 --> 00:12:12,320
their eyes to any kind of now

262
00:12:17,750 --> 00:12:15,680
um um i guess abnormalities

263
00:12:19,110 --> 00:12:17,760

that that usually you would think you

264

00:12:20,550 --> 00:12:19,120

would want to have investigative

265

00:12:24,310 --> 00:12:20,560

journalists look up

266

00:12:26,870 --> 00:12:24,320

anyway um with that said my hope

267

00:12:27,509 --> 00:12:26,880

for people not fear mongering you know

268

00:12:30,150 --> 00:12:27,519

is kind of

269

00:12:30,550 --> 00:12:30,160

dwindled quite a bit so i want to i

270

00:12:33,590 --> 00:12:30,560

guess

271

00:12:35,590 --> 00:12:33,600

get a head start on this because

272

00:12:37,190 --> 00:12:35,600

i don't know that there's that you can

273

00:12:39,829 --> 00:12:37,200

start any earlier

274

00:12:40,550 --> 00:12:39,839

to just kind of try to tell people like

275

00:12:42,710 --> 00:12:40,560

please

276

00:12:43,829 --> 00:12:42,720

whatever happens try to understand

277

00:12:46,389 --> 00:12:43,839

certain things

278

00:12:47,910 --> 00:12:46,399

whatever is happening with these ufos is

279

00:12:50,790 --> 00:12:47,920

not a threat

280

00:12:51,110 --> 00:12:50,800

and you have to understand it from if i

281

00:12:54,150 --> 00:12:51,120

can

282

00:12:54,550 --> 00:12:54,160

maybe simply put it down you know in the

283

00:12:57,269 --> 00:12:54,560

most

284

00:12:58,710 --> 00:12:57,279

simplest of terms they're being here for

285

00:13:01,590 --> 00:12:58,720

a very long time

286

00:13:02,949 --> 00:13:01,600

and if it ever comes out publicly uh

287

00:13:05,750 --> 00:13:02,959

they've been around for

288

00:13:05,990 --> 00:13:05,760

a lot longer than possibly we humans

289

00:13:08,550 --> 00:13:06,000

have

290

00:13:09,030 --> 00:13:08,560

existed here so it makes no sense it's

291

00:13:12,150 --> 00:13:09,040

like

292

00:13:14,629 --> 00:13:12,160

why uh look past the

293

00:13:17,110 --> 00:13:14,639

early stage development of humanity why

294

00:13:19,990 --> 00:13:17,120

look past when we were still in caves

295

00:13:20,550 --> 00:13:20,000

why look you know past the bronze age

296

00:13:26,790 --> 00:13:20,560

and

297

00:13:27,110 --> 00:13:26,800

only on on this cusp on the precipice of

298

00:13:29,670 --> 00:13:27,120

us

299

00:13:31,110 --> 00:13:29,680

really becoming more and more technology

300

00:13:33,269 --> 00:13:31,120

technologically advanced

301
00:13:35,509 --> 00:13:33,279
only now let's go in and take over and

302
00:13:38,150 --> 00:13:35,519
take over the planet for our own gain

303
00:13:39,509 --> 00:13:38,160
it makes no sense you know if you've

304
00:13:42,069 --> 00:13:39,519
been here that

305
00:13:43,829 --> 00:13:42,079
that long ago and your intentions are

306
00:13:44,790 --> 00:13:43,839
nefarious you just take over when

307
00:13:47,590 --> 00:13:44,800
there's no

308
00:13:48,069 --> 00:13:47,600
body you know objecting to you being

309
00:13:50,629 --> 00:13:48,079
there

310
00:13:51,750 --> 00:13:50,639
nobody to resist you you know and so

311
00:13:54,150 --> 00:13:51,760
that's just a

312
00:13:55,430 --> 00:13:54,160
really quite simple dumb down terms i

313
00:13:57,430 --> 00:13:55,440

can just spell that out

314

00:13:59,350 --> 00:13:57,440

to most of you you know please keep that

315

00:14:01,670 --> 00:13:59,360

in mind and then also

316

00:14:02,629 --> 00:14:01,680

you know for for seven years you know

317

00:14:04,710 --> 00:14:02,639

government to

318

00:14:06,230 --> 00:14:04,720

be constantly acting oh there's nothing

319

00:14:08,550 --> 00:14:06,240

there you know there's

320

00:14:10,790 --> 00:14:08,560

these lights in the sky they're just you

321

00:14:14,710 --> 00:14:10,800

know either weather balloons or

322

00:14:17,990 --> 00:14:14,720

you know swamp gas and to then just now

323

00:14:20,470 --> 00:14:18,000

not go full hardcore yes we we we

324

00:14:21,509 --> 00:14:20,480

you know we're all for ufos but they're

325

00:14:23,110 --> 00:14:21,519

not denying it

326

00:14:24,870 --> 00:14:23,120

whatever videos are coming out they're

327

00:14:26,069 --> 00:14:24,880

confirming that yes this video was

328

00:14:30,069 --> 00:14:26,079

recorded at this day

329

00:14:31,509 --> 00:14:30,079

this at this day at this time by this i

330

00:14:35,590 --> 00:14:31,519

guess

331

00:14:39,189 --> 00:14:35,600

navy air force whatever they're all

332

00:14:41,030 --> 00:14:39,199

soldiers part of the us military and um

333

00:14:42,470 --> 00:14:41,040

you know that's interesting and then of

334

00:14:44,550 --> 00:14:42,480

course with the report

335

00:14:45,509 --> 00:14:44,560

for them basically not having any

336

00:14:48,150 --> 00:14:45,519

conclusive

337

00:14:50,389 --> 00:14:48,160

answers but explaining that there's a

338

00:14:51,990 --> 00:14:50,399

lot more there that they need to take in

339

00:14:52,790 --> 00:14:52,000

data and they basically need more

340

00:14:55,110 --> 00:14:52,800

funding

341

00:14:56,710 --> 00:14:55,120

and of course different equipment to

342

00:15:00,790 --> 00:14:56,720

record these different things

343

00:15:05,189 --> 00:15:00,800

so with that being said um you know

344

00:15:07,990 --> 00:15:05,199

just try try to

345

00:15:09,670 --> 00:15:08,000

find i guess uh more opinions and we're

346

00:15:12,949 --> 00:15:09,680

just talking about that earlier in

347

00:15:14,870 --> 00:15:12,959

telegram it was interesting that um

348

00:15:16,550 --> 00:15:14,880

one of my one of my friends who i talked

349

00:15:20,310 --> 00:15:16,560

to a lot and

350

00:15:22,069 --> 00:15:20,320

and she's a psychic herself she often

351

00:15:23,670 --> 00:15:22,079

whether i ask for it sometimes or not

352

00:15:24,790 --> 00:15:23,680

she would just tell me some things it's

353

00:15:26,389 --> 00:15:24,800

like um

354

00:15:28,310 --> 00:15:26,399

i'm supposed to tell you this this is

355

00:15:29,829 --> 00:15:28,320

relevant you know and i was like

356

00:15:31,910 --> 00:15:29,839

all right whatever you know it's like

357

00:15:32,949 --> 00:15:31,920

it's it's cool it's mysterious you know

358

00:15:35,509 --> 00:15:32,959

and

359

00:15:36,470 --> 00:15:35,519

every single time it has come true at

360

00:15:38,629 --> 00:15:36,480

different times

361

00:15:40,230 --> 00:15:38,639

you know it sometimes i expect it to

362

00:15:41,829 --> 00:15:40,240

come sooner than later but whatever

363

00:15:43,910 --> 00:15:41,839

that's besides the point

364

00:15:45,670 --> 00:15:43,920

and so a person i trust very much she

365

00:15:48,389 --> 00:15:45,680

had told me you you know

366

00:15:49,110 --> 00:15:48,399

be careful you will be censored soon on

367

00:15:51,509 --> 00:15:49,120

youtube

368

00:15:52,629 --> 00:15:51,519

i was like well i'm not really talking

369

00:15:55,189 --> 00:15:52,639

about anything

370

00:15:56,230 --> 00:15:55,199

earth shattering why you know and she

371

00:15:58,470 --> 00:15:56,240

was saying that

372

00:16:00,710 --> 00:15:58,480

you know it's something about ufos and

373

00:16:02,870 --> 00:16:00,720

she's this is the odd part

374

00:16:04,470 --> 00:16:02,880

because people think that if you psychic

375

00:16:07,189 --> 00:16:04,480

you immediately into ufos

376

00:16:07,990 --> 00:16:07,199

and into all this other stuff she's not

377

00:16:10,629 --> 00:16:08,000

all she knows

378

00:16:11,990 --> 00:16:10,639

is just channeling or at least that take

379

00:16:12,870 --> 00:16:12,000

that bad not channeling whatever

380

00:16:14,710 --> 00:16:12,880

information

381

00:16:16,310 --> 00:16:14,720

whatever she hears from these spirits on

382

00:16:18,069 --> 00:16:16,320

the other side she conveys it to the

383

00:16:20,230 --> 00:16:18,079

person that she happens to be

384

00:16:22,389 --> 00:16:20,240

um you know in the presence of and then

385

00:16:24,790 --> 00:16:22,399

she just goes about her life and

386

00:16:25,670 --> 00:16:24,800

she also does do it for a living if you

387

00:16:28,069 --> 00:16:25,680

want to

388

00:16:29,670 --> 00:16:28,079

talk to her longer but you know she's

389

00:16:30,550 --> 00:16:29,680

not one of those words like i'm not

390

00:16:32,629 --> 00:16:30,560

telling you anything

391

00:16:33,990 --> 00:16:32,639

until you you know give me some money or

392

00:16:36,550 --> 00:16:34,000

something you know

393

00:16:38,069 --> 00:16:36,560

i mean she makes a living but a living

394

00:16:40,629 --> 00:16:38,079

like everyone else does

395

00:16:42,629 --> 00:16:40,639

to you know to just simply be here and

396

00:16:46,230 --> 00:16:42,639

pay the bills and everything else

397

00:16:47,269 --> 00:16:46,240

and so anyway i was so thinking about

398

00:16:49,910 --> 00:16:47,279

this as like well

399

00:16:51,269 --> 00:16:49,920

again you know i've been talking and

400

00:16:54,550 --> 00:16:51,279

posting videos why

401
00:16:57,189 --> 00:16:54,560
why now and then it hit me the same

402
00:16:57,670 --> 00:16:57,199
way that happened with covid to where

403
00:16:59,910 --> 00:16:57,680
only

404
00:17:01,590 --> 00:16:59,920
one narrative was allowed and the

405
00:17:03,990 --> 00:17:01,600
opposite one wasn't

406
00:17:05,990 --> 00:17:04,000
you know it's gonna ramp up more and

407
00:17:07,750 --> 00:17:06,000
more regarding ufos

408
00:17:09,750 --> 00:17:07,760
when they start ramping up more

409
00:17:12,230 --> 00:17:09,760
information and releasing more

410
00:17:13,029 --> 00:17:12,240
and especially if they choose because

411
00:17:16,390 --> 00:17:13,039
it's not

412
00:17:18,309 --> 00:17:16,400
100 clear yet you know that

413
00:17:19,829 --> 00:17:18,319

at least coming from the government you

414

00:17:21,110 --> 00:17:19,839

know i'll show you in a second here

415

00:17:23,829 --> 00:17:21,120

newspapers you know

416

00:17:25,590 --> 00:17:23,839

show otherwise but it's you know if they

417

00:17:27,510 --> 00:17:25,600

choose to go down that route that

418

00:17:30,789 --> 00:17:27,520

direction of negativity

419

00:17:31,510 --> 00:17:30,799

that obviously my channel will be on the

420

00:17:33,110 --> 00:17:31,520

opposite

421

00:17:34,789 --> 00:17:33,120

point of view of what they're saying and

422

00:17:35,750 --> 00:17:34,799

then of course it would make sense to

423

00:17:38,870 --> 00:17:35,760

just

424

00:17:40,710 --> 00:17:38,880

get in touch with all the different um

425

00:17:42,710 --> 00:17:40,720

facebook youtube and everything else and

426
00:17:43,909 --> 00:17:42,720
just push that agenda like you have done

427
00:17:45,909 --> 00:17:43,919
with covet to where

428
00:17:48,310 --> 00:17:45,919
no other opposite no other point of view

429
00:17:49,029 --> 00:17:48,320
is allowed no other doctor's opinion is

430
00:17:52,470 --> 00:17:49,039
allowed

431
00:17:53,590 --> 00:17:52,480
only one story one way everybody go this

432
00:17:55,669 --> 00:17:53,600
way or you know

433
00:17:56,630 --> 00:17:55,679
what this american saying goes my way or

434
00:17:59,029 --> 00:17:56,640
the highway

435
00:18:00,150 --> 00:17:59,039
and so it all kind of connected to me

436
00:18:02,630 --> 00:18:00,160
that was like well

437
00:18:03,830 --> 00:18:02,640
why why it's answer me now and it made

438
00:18:07,110 --> 00:18:03,840

perfect sense

439

00:18:10,310 --> 00:18:07,120

so i mean i am taking precautions of

440

00:18:10,789 --> 00:18:10,320

expanding to other platforms i'm looking

441

00:18:14,950 --> 00:18:10,799

at

442

00:18:16,390 --> 00:18:14,960

um rumble currently i've

443

00:18:18,230 --> 00:18:16,400

set up an account i haven't started

444

00:18:21,190 --> 00:18:18,240

uploading anything there yet

445

00:18:23,110 --> 00:18:21,200

um to just have another platform where i

446

00:18:23,430 --> 00:18:23,120

can at least upload videos i don't know

447

00:18:25,669 --> 00:18:23,440

that

448

00:18:27,110 --> 00:18:25,679

live streaming would be possible there i

449

00:18:30,789 --> 00:18:27,120

think

450

00:18:32,630 --> 00:18:30,799

you can because they're not offering

451
00:18:34,470 --> 00:18:32,640
live streaming to everybody quite yet

452
00:18:38,390 --> 00:18:34,480
they're just kind of ramping

453
00:18:43,190 --> 00:18:38,400
out that um that uh uh

454
00:18:45,750 --> 00:18:43,200
that ability so anyway so

455
00:18:46,630 --> 00:18:45,760
with that being said i'm just going to

456
00:18:49,990 --> 00:18:46,640
talk about

457
00:18:50,789 --> 00:18:50,000
and talk to people about ufos in a

458
00:18:53,590 --> 00:18:50,799
constructive

459
00:18:56,230 --> 00:18:53,600
positive manner that convey their

460
00:18:58,870 --> 00:18:56,240
experiences that convey what they know

461
00:19:00,390 --> 00:18:58,880
and basically convey to you and you take

462
00:19:01,990 --> 00:19:00,400
it or leave it i'm hoping that you have

463
00:19:03,990 --> 00:19:02,000

enough brains to concern

464

00:19:06,549 --> 00:19:04,000

discern for yourself and make up your

465

00:19:09,029 --> 00:19:06,559

own decision you know and

466

00:19:09,669 --> 00:19:09,039

at the end of the day you know only you

467

00:19:12,870 --> 00:19:09,679

can

468

00:19:17,750 --> 00:19:12,880

take the actions in in your life to go

469

00:19:22,470 --> 00:19:19,909

let me see if everything is still fine

470

00:19:30,710 --> 00:19:26,150

okay um so anyway i wanted to

471

00:19:33,029 --> 00:19:30,720

just give you a quick example of these

472

00:19:33,990 --> 00:19:33,039

these different groups or not groups

473

00:19:37,190 --> 00:19:34,000

newspapers

474

00:19:40,310 --> 00:19:37,200

sorry so you have

475

00:19:42,390 --> 00:19:40,320

uh yahoo news how to uh prepare for an

476
00:19:44,630 --> 00:19:42,400
alien invasion since the u.s government

477
00:19:47,350 --> 00:19:44,640
has not denied the existence

478
00:19:49,029 --> 00:19:47,360
then you have reuters how do you prepare

479
00:19:51,029 --> 00:19:49,039
for alien invasion

480
00:19:52,870 --> 00:19:51,039
you have i read this one a while back

481
00:19:54,789 --> 00:19:52,880
from new york post the ufos could

482
00:19:58,230 --> 00:19:54,799
threaten u.s security

483
00:20:01,350 --> 00:19:58,240
uh then there's msn

484
00:20:04,470 --> 00:20:01,360
alien invasion alien invasion

485
00:20:08,230 --> 00:20:04,480
latest 2020 threat as uf4 sightings

486
00:20:09,669 --> 00:20:08,240
shoot up in new york and then more stuff

487
00:20:11,909 --> 00:20:09,679
i like the new york post i don't know

488
00:20:14,070 --> 00:20:11,919

why they're wanting to go i guess

489

00:20:15,510 --> 00:20:14,080

itself but the point is some of these

490

00:20:18,710 --> 00:20:15,520

articles are older

491

00:20:21,190 --> 00:20:18,720

some of them are newer but

492

00:20:26,789 --> 00:20:21,200

it's what people read it's what people

493

00:20:30,470 --> 00:20:29,669

it's uh what they're exposed to and they

494

00:20:33,270 --> 00:20:30,480

basically

495

00:20:33,990 --> 00:20:33,280

that's how they get their information

496

00:20:37,270 --> 00:20:34,000

because they

497

00:20:40,470 --> 00:20:37,280

see these different

498

00:20:41,270 --> 00:20:40,480

newspapers as sources and they just take

499

00:20:43,430 --> 00:20:41,280

their

500

00:20:45,190 --> 00:20:43,440

word for it which is fine because a lot

501
00:20:46,630 --> 00:20:45,200
of times you know i have to do that too

502
00:20:49,029 --> 00:20:46,640
but something that

503
00:20:50,070 --> 00:20:49,039
that i personally learned and this is

504
00:20:52,789 --> 00:20:50,080
love him or hate him

505
00:20:53,430 --> 00:20:52,799
during the trump era it was really

506
00:20:56,950 --> 00:20:53,440
interesting

507
00:20:59,830 --> 00:20:56,960
for me how how i looked at news because

508
00:21:00,149 --> 00:20:59,840
i was gone i was kind of removed from

509
00:21:03,270 --> 00:21:00,159
from

510
00:21:05,990 --> 00:21:03,280
earth and so many different ways i just

511
00:21:07,029 --> 00:21:06,000
lived my life was in the woods did what

512
00:21:09,669 --> 00:21:07,039
i had to do and

513
00:21:11,110 --> 00:21:09,679

i was not connected in politics didn't

514

00:21:13,909 --> 00:21:11,120

know what was going on

515

00:21:15,669 --> 00:21:13,919

i just kept hearing this name constantly

516

00:21:16,070 --> 00:21:15,679

and people were getting more passionate

517

00:21:17,510 --> 00:21:16,080

some

518

00:21:19,350 --> 00:21:17,520

more angry and all this other stuff

519

00:21:22,710 --> 00:21:19,360

about trump this trump that

520

00:21:24,870 --> 00:21:22,720

and it was you know i would go

521

00:21:26,470 --> 00:21:24,880

and of course you know the news is a lot

522

00:21:26,950 --> 00:21:26,480

more readily available because you have

523

00:21:29,110 --> 00:21:26,960

cable

524

00:21:30,070 --> 00:21:29,120

you have the the big sights you just

525

00:21:32,390 --> 00:21:30,080

it's immediately

526

00:21:33,669 --> 00:21:32,400

there you know and i would watch it i

527

00:21:35,430 --> 00:21:33,679

was like oh my god

528

00:21:36,789 --> 00:21:35,440

is this who we're gonna elect as a

529

00:21:38,390 --> 00:21:36,799

president right

530

00:21:39,830 --> 00:21:38,400

and i just kept the more you watch

531

00:21:41,190 --> 00:21:39,840

you're just like what in the world is

532

00:21:42,870 --> 00:21:41,200

going on you know it's like i

533

00:21:45,270 --> 00:21:42,880

go away for a while and then all of a

534

00:21:47,270 --> 00:21:45,280

sudden the world is upside down

535

00:21:48,390 --> 00:21:47,280

and then i was like well hold on so i

536

00:21:50,789 --> 00:21:48,400

went to c-span

537

00:21:51,430 --> 00:21:50,799

and so i you can watch the whole

538

00:21:53,270 --> 00:21:51,440

conference

539

00:21:55,270 --> 00:21:53,280

of everything they cover government they

540

00:21:57,190 --> 00:21:55,280

cover senate house whatever

541

00:21:58,950 --> 00:21:57,200

and i would watch these different things

542

00:22:00,310 --> 00:21:58,960

it would take a lot longer you know

543

00:22:00,870 --> 00:22:00,320

instead it would be so much easier if i

544

00:22:02,950 --> 00:22:00,880

can just get

545

00:22:04,230 --> 00:22:02,960

excerpt and know that that's what was

546

00:22:06,470 --> 00:22:04,240

covered truthfully

547

00:22:07,830 --> 00:22:06,480

but i would get the full context of what

548

00:22:09,990 --> 00:22:07,840

was said

549

00:22:11,909 --> 00:22:10,000

and i would go and watch another press

550

00:22:12,710 --> 00:22:11,919

conference and then another thing that

551
00:22:14,549 --> 00:22:12,720
was

552
00:22:16,230 --> 00:22:14,559
then what i learned now taken out of

553
00:22:17,990 --> 00:22:16,240
context and i was like

554
00:22:19,669 --> 00:22:18,000
what in the world is happening like even

555
00:22:22,950 --> 00:22:19,679
the news has gone like

556
00:22:24,230 --> 00:22:22,960
full cuckoo you know and they they just

557
00:22:27,110 --> 00:22:24,240
they weren't even covering

558
00:22:29,510 --> 00:22:27,120
news properly you know and so makes me

559
00:22:32,070 --> 00:22:29,520
very wary when i look at this now

560
00:22:34,470 --> 00:22:32,080
you know about basically properly as in

561
00:22:36,870 --> 00:22:34,480
what was actually said the context

562
00:22:37,750 --> 00:22:36,880
about uh as i mentioned about trump

563
00:22:39,430 --> 00:22:37,760

specifically

564

00:22:41,190 --> 00:22:39,440

and so when i would watch these

565

00:22:42,710 --> 00:22:41,200

different news it's like you would say

566

00:22:44,470 --> 00:22:42,720

oh well these are

567

00:22:46,950 --> 00:22:44,480

you know trustworthy sources so of

568

00:22:50,230 --> 00:22:46,960

course i'll take the word for it

569

00:22:52,310 --> 00:22:50,240

but only for example actually i wasn't

570

00:22:58,390 --> 00:22:52,320

planning on this but this one

571

00:23:02,310 --> 00:23:00,549

i think it was this one right here yes

572

00:23:04,630 --> 00:23:02,320

the ufo uh ufos

573

00:23:06,390 --> 00:23:04,640

could uh threaten u.s security pulse say

574

00:23:09,029 --> 00:23:06,400

after capitol hill briefing

575

00:23:12,149 --> 00:23:09,039

and this is actually a quote that was

576
00:23:14,390 --> 00:23:12,159
given by one of the

577
00:23:15,190 --> 00:23:14,400
one of the people that was briefed

578
00:23:18,789 --> 00:23:15,200
during this

579
00:23:21,590 --> 00:23:18,799
um s scif or sensitive

580
00:23:22,390 --> 00:23:21,600
complemented information facility where

581
00:23:24,070 --> 00:23:22,400
they were

582
00:23:25,510 --> 00:23:24,080
basically business committee they

583
00:23:28,390 --> 00:23:25,520
received as they say

584
00:23:29,350 --> 00:23:28,400
a hush-hush sneak preview inside this

585
00:23:32,230 --> 00:23:29,360
facility

586
00:23:33,590 --> 00:23:32,240
and there were several quotes that were

587
00:23:36,630 --> 00:23:33,600
given

588
00:23:40,470 --> 00:23:36,640

from um uh

589

00:23:43,909 --> 00:23:40,480

sean patrick from uh

590

00:23:47,750 --> 00:23:43,919

rap val demings uh from

591

00:23:51,669 --> 00:23:47,760

adam schiff from andrew carson

592

00:23:51,679 --> 00:23:55,990

my quigley

593

00:23:59,909 --> 00:23:57,430

and then i'm trying to see if i can

594

00:24:01,590 --> 00:23:59,919

catch any uh then peter welsh

595

00:24:05,110 --> 00:24:01,600

anyway the point is there were many here

596

00:24:09,669 --> 00:24:05,120

and so the one that sounded the most

597

00:24:11,830 --> 00:24:09,679

i guess catching the most um

598

00:24:12,870 --> 00:24:11,840

fear mongering is then what they ended

599

00:24:15,510 --> 00:24:12,880

up using

600

00:24:16,630 --> 00:24:15,520

you know and uh and if you read at the

601
00:24:20,230 --> 00:24:16,640
other ones you know they would

602
00:24:21,590 --> 00:24:20,240
you know they just were kind of i guess

603
00:24:23,669 --> 00:24:21,600
just for lack of a better word

604
00:24:24,390 --> 00:24:23,679
bewildered by it you know whereas in

605
00:24:28,070 --> 00:24:24,400
this one

606
00:24:30,549 --> 00:24:28,080
sounded more you know more more of a

607
00:24:31,590 --> 00:24:30,559
probably a click bait well in essence i

608
00:24:33,590 --> 00:24:31,600
would consider that

609
00:24:34,789 --> 00:24:33,600
clickbait because that's not the

610
00:24:37,269 --> 00:24:34,799
consensus of

611
00:24:38,149 --> 00:24:37,279
all the uh representatives that were

612
00:24:39,750 --> 00:24:38,159
being briefed

613
00:24:41,590 --> 00:24:39,760

because if i remember correctly in this

614

00:24:42,230 --> 00:24:41,600

article there's one representative that

615

00:24:44,630 --> 00:24:42,240

was not

616

00:24:45,510 --> 00:24:44,640

impressed at all you know and just

617

00:24:47,830 --> 00:24:45,520

didn't find

618

00:24:52,549 --> 00:24:47,840

any any anything worth talking about

619

00:24:52,559 --> 00:24:57,190

yeah i think it was right here says

620

00:25:01,029 --> 00:24:59,750

says if i had to predict how the public

621

00:25:04,149 --> 00:25:01,039

will react to this

622

00:25:04,789 --> 00:25:04,159

one one word would be disappointing he

623

00:25:07,830 --> 00:25:04,799

said

624

00:25:10,950 --> 00:25:07,840

added a clearly unimpressed rep

625

00:25:14,149 --> 00:25:10,960

peter welsh uh democrat from vt

626

00:25:17,029 --> 00:25:14,159

i believe that's vermont uh i'm not

627

00:25:19,269 --> 00:25:17,039

on the edge of my seat so obviously

628

00:25:22,710 --> 00:25:19,279

there was a variety of opinions

629

00:25:26,549 --> 00:25:22,720

but again they choose this

630

00:25:28,710 --> 00:25:26,559

so in the next coming weeks not

631

00:25:30,310 --> 00:25:28,720

not heavily but i'm going to have

632

00:25:30,710 --> 00:25:30,320

several different people that are going

633

00:25:34,230 --> 00:25:30,720

to be

634

00:25:38,390 --> 00:25:34,240

talking about this part you know this

635

00:25:41,590 --> 00:25:38,400

uh possible fear mongering that

636

00:25:42,630 --> 00:25:41,600

could come to fruition because it's been

637

00:25:45,350 --> 00:25:42,640

talked about for

638

00:25:46,950 --> 00:25:45,360

at least past 20 years that i'm aware of

639

00:25:49,110 --> 00:25:46,960

and that they were planning to do this

640

00:25:51,510 --> 00:25:49,120

to then use an excuse to have

641

00:25:52,549 --> 00:25:51,520

uh nukes in space to protect us you know

642

00:25:54,870 --> 00:25:52,559

against aliens

643

00:25:56,789 --> 00:25:54,880

and those nukes could easily be turned

644

00:25:58,630 --> 00:25:56,799

you know on us

645

00:26:00,710 --> 00:25:58,640

talking about fear mongering i rather

646

00:26:01,190 --> 00:26:00,720

not have any nukes space it's bad enough

647

00:26:04,230 --> 00:26:01,200

we have

648

00:26:06,149 --> 00:26:04,240

anyway

649

00:26:07,510 --> 00:26:06,159

so i'm going to be talking to different

650

00:26:09,430 --> 00:26:07,520

people uh some

651
00:26:11,110 --> 00:26:09,440
here in the studio and it will be

652
00:26:12,789 --> 00:26:11,120
pre-recorded so i don't have to mess

653
00:26:14,630 --> 00:26:12,799
with any sync issues at least you'll

654
00:26:18,390 --> 00:26:14,640
have a nice recording going out

655
00:26:20,310 --> 00:26:18,400
um uh talking about that uh very thing

656
00:26:22,070 --> 00:26:20,320
and some of course in skype as well

657
00:26:23,029 --> 00:26:22,080
where you would be able to ask them some

658
00:26:25,750 --> 00:26:23,039
questions

659
00:26:27,510 --> 00:26:25,760
so that you know you just at least get

660
00:26:28,710 --> 00:26:27,520
that perspective so you know what their

661
00:26:30,310 --> 00:26:28,720
perspective would be

662
00:26:32,470 --> 00:26:30,320
you know all the fear and all the

663
00:26:34,390 --> 00:26:32,480

reasons why you should have it

664

00:26:35,669 --> 00:26:34,400

and i'm hoping that i have enough people

665

00:26:38,549 --> 00:26:35,679

that will

666

00:26:40,630 --> 00:26:38,559

tell you otherwise that said that this

667

00:26:42,630 --> 00:26:40,640

was already pre-planned that this was

668

00:26:45,990 --> 00:26:42,640

known about for quite some time

669

00:26:47,909 --> 00:26:46,000

you know just don't buy into it and just

670

00:26:50,390 --> 00:26:47,919

don't go for it if there's any way that

671

00:26:52,390 --> 00:26:50,400

you can you know

672

00:26:53,430 --> 00:26:52,400

if you something needed needs to be

673

00:26:56,070 --> 00:26:53,440

voted on

674

00:26:57,830 --> 00:26:56,080

to just vote no if you're in the united

675

00:26:59,510 --> 00:26:57,840

states i don't know how it necessarily

676
00:27:01,909 --> 00:26:59,520
runs in other countries

677
00:27:03,190 --> 00:27:01,919
because sometimes uh certain bills are

678
00:27:05,350 --> 00:27:03,200
certain things they

679
00:27:07,110 --> 00:27:05,360
want people and each state's

680
00:27:08,950 --> 00:27:07,120
representative their senators to

681
00:27:11,990 --> 00:27:08,960
basically vote on on something

682
00:27:14,870 --> 00:27:12,000
so at least from the united states for

683
00:27:15,750 --> 00:27:14,880
point of view each state we can call our

684
00:27:18,950 --> 00:27:15,760
representatives

685
00:27:24,549 --> 00:27:18,960
and say hey don't buy into the bs

686
00:27:24,559 --> 00:27:31,750
let me see let me just uh

687
00:27:35,590 --> 00:27:34,389
see who else is wow you guys are awfully

688
00:27:39,430 --> 00:27:35,600

busy already

689

00:27:46,070 --> 00:27:39,440

barely started let me get back to the

690

00:27:50,070 --> 00:27:47,669

if i can know how to use this dawn

691

00:27:53,990 --> 00:27:50,080

tablet there you go

692

00:27:57,510 --> 00:27:54,000

okay um renee welcome

693

00:27:59,110 --> 00:27:57,520

uh larry welcome simone from germany

694

00:28:03,110 --> 00:27:59,120

hello

695

00:28:11,669 --> 00:28:03,120

uh larry welcome fab 22

696

00:28:23,350 --> 00:28:15,990

robert welcome as well ida welcome

697

00:28:23,360 --> 00:28:28,710

paul so basically we got a

698

00:28:36,230 --> 00:28:33,110

a full full chat today which is good

699

00:28:40,389 --> 00:28:36,240

all right let's see if we have any

700

00:28:42,630 --> 00:28:40,399

anybody here in in telegram

701

00:28:44,549 --> 00:28:42,640

so if you want to chat with me you don't

702

00:28:48,070 --> 00:28:44,559

we don't necessarily have to cover

703

00:28:50,870 --> 00:28:48,080

um this particular topic

704

00:28:51,669 --> 00:28:50,880

you can i guess give me your opinion on

705

00:28:53,909 --> 00:28:51,679

it

706

00:28:55,830 --> 00:28:53,919

but generally i would like you to share

707

00:28:56,710 --> 00:28:55,840

your stories if you like and whatever

708

00:28:58,789 --> 00:28:56,720

else you want to

709

00:29:01,669 --> 00:28:58,799

because that's what open lines is here

710

00:29:05,350 --> 00:29:01,679

for and so

711

00:29:07,110 --> 00:29:05,360

the if you want to basically share your

712

00:29:08,710 --> 00:29:07,120

stories you can download telegram on

713

00:29:11,269 --> 00:29:08,720

your phone or the computer

714

00:29:11,990 --> 00:29:11,279

go to the ufo hub group the specific

715

00:29:15,269 --> 00:29:12,000

link it's in

716

00:29:17,269 --> 00:29:15,279

the description on either um

717

00:29:19,750 --> 00:29:17,279

youtube facebook and i believe on twitch

718

00:29:22,870 --> 00:29:19,760

as well and just click on that link

719

00:29:25,029 --> 00:29:22,880

uh join uh join the group uh or the

720

00:29:27,590 --> 00:29:25,039

voice chat and then you can simply

721

00:29:29,190 --> 00:29:27,600

chat with me whether about the topic

722

00:29:30,789 --> 00:29:29,200

that i just covered or anything else you

723

00:29:33,269 --> 00:29:30,799

would like to talk about

724

00:29:34,789 --> 00:29:33,279

and sometimes if you just want to use

725

00:29:37,029 --> 00:29:34,799

telegram to just listen

726

00:29:37,830 --> 00:29:37,039

that's perfectly all right if you want

727

00:29:39,430 --> 00:29:37,840

to chat

728

00:29:41,190 --> 00:29:39,440

the way it tells me that you're

729

00:29:41,909 --> 00:29:41,200

interested is simply click on that

730

00:29:47,110 --> 00:29:41,919

little

731

00:29:48,549 --> 00:29:47,120

and mute you at least tell me that you

732

00:29:51,830 --> 00:29:48,559

want to speak and then

733

00:30:01,750 --> 00:29:51,840

i know to unmute you and basically

734

00:30:13,269 --> 00:30:05,110

okay i don't know what's going on but it

735

00:30:13,279 --> 00:30:16,310

uh

736

00:30:16,320 --> 00:30:24,070

this mr catfish2100 welcome

737

00:30:28,549 --> 00:30:26,310

all right no questions yet that i can

738

00:30:31,430 --> 00:30:28,559

tell on the chat

739

00:30:33,190 --> 00:30:31,440

because this i as i said uh remember to

740

00:30:35,190 --> 00:30:33,200

please use the three stars before your

741

00:30:42,070 --> 00:30:35,200

question and then i know it's it's for

742

00:30:42,080 --> 00:30:49,590

okay

743

00:31:00,230 --> 00:30:53,669

i don't know if um what you guys are

744

00:31:04,630 --> 00:31:03,350

oh uh yeah i'm just reading reading over

745

00:31:11,190 --> 00:31:04,640

the

746

00:31:15,190 --> 00:31:13,909

but i hope you guys can at least keep it

747

00:31:19,430 --> 00:31:15,200

keep it civil and

748

00:31:23,909 --> 00:31:19,440

share whatever whatever ideas you have

749

00:31:28,389 --> 00:31:26,950

michael michael burton says opinion on

750

00:31:31,590 --> 00:31:28,399

the recent disclosure

751
00:31:31,990 --> 00:31:31,600
um well i'd love to give you the opinion

752
00:31:36,310 --> 00:31:32,000
again

753
00:31:39,430 --> 00:31:36,320
and and like i said you know it's

754
00:31:40,789 --> 00:31:39,440
this the disclosure is that they didn't

755
00:31:42,630 --> 00:31:40,799
deny anything

756
00:31:44,070 --> 00:31:42,640
and i think we should at least be happy

757
00:31:46,389 --> 00:31:44,080
about that uh the

758
00:31:48,710 --> 00:31:46,399
again the report is very short pretty

759
00:31:51,430 --> 00:31:48,720
much actually in essence seven pages

760
00:31:51,830 --> 00:31:51,440
if you take the intro and appendix out

761
00:31:54,630 --> 00:31:51,840
and

762
00:31:55,110 --> 00:31:54,640
um so uh we should be happy with that

763
00:31:57,990 --> 00:31:55,120

part

764

00:31:59,830 --> 00:31:58,000

like i said i'm just now hoping that

765

00:32:00,389 --> 00:31:59,840

they're not going to go down that route

766

00:32:04,070 --> 00:32:00,399

of

767

00:32:07,509 --> 00:32:04,080

now going to take take this ufo and

768

00:32:09,750 --> 00:32:07,519

start basically using it as a

769

00:32:14,549 --> 00:32:09,760

you know something to be fearful about

770

00:32:17,669 --> 00:32:14,559

something to worry about

771

00:32:21,190 --> 00:32:17,679

okay we have glp on

772

00:32:24,389 --> 00:32:21,200

telegram so let me

773

00:32:27,110 --> 00:32:24,399

and mu glp

774

00:32:30,070 --> 00:32:27,120

okay glp you are unmuted unmute yourself

775

00:32:31,590 --> 00:32:30,080

and uh please proceed

776

00:32:36,230 --> 00:32:31,600

i have a question i don't know if it's

777

00:32:43,029 --> 00:32:39,909

okay great if you look into things like

778

00:32:45,669 --> 00:32:43,039

astral stuff you know lucid dreamer

779

00:32:47,590 --> 00:32:45,679

you know um you know the state of

780

00:32:49,430 --> 00:32:47,600

consciousness where people

781

00:32:52,070 --> 00:32:49,440

think they're in the astral plane or

782

00:32:55,590 --> 00:32:52,080

half asleep there seems to be

783

00:32:59,029 --> 00:32:55,600

a lot of stories about maybe seeing

784

00:33:01,110 --> 00:32:59,039

things unusual or uh

785

00:33:04,149 --> 00:33:01,120

alien to them do you know anything about

786

00:33:08,630 --> 00:33:06,789

you mean seeing different alien entities

787

00:33:13,029 --> 00:33:08,640

is that what you're referring to

788

00:33:14,950 --> 00:33:13,039

yeah that kind of stuff right well

789

00:33:16,549 --> 00:33:14,960

which what specifically were you

790

00:33:19,110 --> 00:33:16,559

interested in regarding that

791

00:33:19,909 --> 00:33:19,120

just my opinion on it or what what are

792

00:33:23,669 --> 00:33:19,919

you asking

793

00:33:27,750 --> 00:33:23,679

uh your opinion if you've had people

794

00:33:30,230 --> 00:33:27,760

share stories not only astral but maybe

795

00:33:31,430 --> 00:33:30,240

um i don't want to get into psychedelics

796

00:33:33,350 --> 00:33:31,440

but you know

797

00:33:35,110 --> 00:33:33,360

sometimes people have experiences where

798

00:33:36,870 --> 00:33:35,120

they're you know

799

00:33:38,710 --> 00:33:36,880

they feel like they're in a slightly

800

00:33:41,350 --> 00:33:38,720

different dimension and they can see

801
00:33:42,230 --> 00:33:41,360
things or entities or shadow people are

802
00:33:46,230 --> 00:33:42,240
great

803
00:33:52,470 --> 00:33:46,240
like

804
00:33:53,430 --> 00:33:52,480
and i just heard enough people saying

805
00:33:56,230 --> 00:33:53,440
they've seen

806
00:33:58,710 --> 00:33:56,240
you know gray type beings either and

807
00:34:03,190 --> 00:33:58,720
when they're in an astral state or

808
00:34:05,669 --> 00:34:03,200
um under you know psychedelics

809
00:34:06,950 --> 00:34:05,679
well i mean i don't know if you were if

810
00:34:09,750 --> 00:34:06,960
you missed it earlier

811
00:34:11,109 --> 00:34:09,760
just last friday i did an entire i think

812
00:34:12,310 --> 00:34:11,119
a little over two hour show on

813
00:34:14,629 --> 00:34:12,320

psychedelics

814

00:34:15,510 --> 00:34:14,639

it's basically uh myself and two of my

815

00:34:18,869 --> 00:34:15,520

friends covering

816

00:34:22,470 --> 00:34:18,879

everything that we have experienced

817

00:34:23,270 --> 00:34:22,480

and so um well like i said possibly few

818

00:34:25,030 --> 00:34:23,280

things that

819

00:34:26,710 --> 00:34:25,040

we we forgot because i think there was

820

00:34:28,550 --> 00:34:26,720

like one or two things that

821

00:34:29,750 --> 00:34:28,560

my friend texas said hey we forgot to

822

00:34:31,829 --> 00:34:29,760

talk about this

823

00:34:33,270 --> 00:34:31,839

but it's uh what happened was i took it

824

00:34:35,109 --> 00:34:33,280

down because of the offsync

825

00:34:37,030 --> 00:34:35,119

the camera and audio weren't in sync and

826

00:34:38,230 --> 00:34:37,040

i was trying to stream live as i was

827

00:34:40,869 --> 00:34:38,240

trying to run a full

828

00:34:41,349 --> 00:34:40,879

show here so i took it down i have a

829

00:34:43,510 --> 00:34:41,359

full

830

00:34:44,389 --> 00:34:43,520

uh better quality recording anyway i

831

00:34:46,710 --> 00:34:44,399

will then

832

00:34:48,069 --> 00:34:46,720

um put all the camera angles together

833

00:34:50,149 --> 00:34:48,079

re-edit it and then

834

00:34:51,909 --> 00:34:50,159

upload a whole whole new show on that

835

00:34:53,510 --> 00:34:51,919

but speaking from personal experience

836

00:34:54,149 --> 00:34:53,520

and of course i've interviewed several

837

00:34:56,950 --> 00:34:54,159

people like

838

00:34:58,950 --> 00:34:56,960

garner shoehauser comes to mind you know

839

00:35:01,270 --> 00:34:58,960

he talks about his

840

00:35:02,790 --> 00:35:01,280

astral projections and his experiences

841

00:35:04,390 --> 00:35:02,800

he's basically written four or five

842

00:35:06,470 --> 00:35:04,400

books based on that alone

843

00:35:07,670 --> 00:35:06,480

there's others that don't come to mind

844

00:35:11,030 --> 00:35:07,680

that i've interviewed

845

00:35:14,550 --> 00:35:11,040

um i know a few others actually

846

00:35:16,470 --> 00:35:14,560

that basically kind of stopped and

847

00:35:17,670 --> 00:35:16,480

changed their entire life they

848

00:35:20,230 --> 00:35:17,680

redirected them to

849

00:35:20,710 --> 00:35:20,240

convey this information and so at this

850

00:35:22,950 --> 00:35:20,720

time

851
00:35:24,310 --> 00:35:22,960
you know they're the elderly but at that

852
00:35:27,750 --> 00:35:24,320
time the most

853
00:35:29,510 --> 00:35:27,760
uh feasible way they could reach the

854
00:35:30,950 --> 00:35:29,520
masses was to write a book

855
00:35:32,390 --> 00:35:30,960
you know it's unfortunate a lot of

856
00:35:34,150 --> 00:35:32,400
people always think that if you write a

857
00:35:36,390 --> 00:35:34,160
book all you want is money but

858
00:35:38,710 --> 00:35:36,400
all they knew is to how this is the best

859
00:35:41,430 --> 00:35:38,720
way to concisely put a story down

860
00:35:42,950 --> 00:35:41,440
and reach everyone with it to with

861
00:35:43,670 --> 00:35:42,960
whatever message they were supposed to

862
00:35:46,230 --> 00:35:43,680
convey

863
00:35:47,349 --> 00:35:46,240

but um it's interesting that it's not to

864

00:35:50,550 --> 00:35:47,359

just grace

865

00:35:52,150 --> 00:35:50,560

you know there's um that in their

866

00:35:55,829 --> 00:35:52,160

experiences and mine

867

00:35:58,470 --> 00:35:55,839

um it really depends on um almost like

868

00:35:59,670 --> 00:35:58,480

which vibration you're on and what your

869

00:36:02,230 --> 00:35:59,680

intentions are

870

00:36:03,750 --> 00:36:02,240

that based on your experience you will

871

00:36:07,349 --> 00:36:03,760

make those connections

872

00:36:09,589 --> 00:36:07,359

you know and um in my

873

00:36:11,349 --> 00:36:09,599

my personal experience i've had

874

00:36:15,190 --> 00:36:11,359

experiences with grace

875

00:36:18,710 --> 00:36:15,200

and the astral realm um i've also had

876

00:36:22,470 --> 00:36:18,720

experiences with um should

877

00:36:25,910 --> 00:36:22,480

excuse my my memory right now

878

00:36:26,950 --> 00:36:25,920

um arcturians it was what was really

879

00:36:29,109 --> 00:36:26,960

interesting is

880

00:36:30,150 --> 00:36:29,119

when i when i would uh when i was

881

00:36:33,270 --> 00:36:30,160

meditating

882

00:36:34,069 --> 00:36:33,280

and this was uh after i learned that you

883

00:36:35,750 --> 00:36:34,079

can

884

00:36:38,630 --> 00:36:35,760

basically achieve or go to these

885

00:36:40,950 --> 00:36:38,640

different realms by simply remembering

886

00:36:43,430 --> 00:36:40,960

where you were while you were

887

00:36:45,430 --> 00:36:43,440

specifically let's say on the dmt

888

00:36:46,630 --> 00:36:45,440

you know there's a frequency that you go

889

00:36:48,550 --> 00:36:46,640

to and you can

890

00:36:50,310 --> 00:36:48,560

if you focus hard enough you can

891

00:36:53,750 --> 00:36:50,320

remember what that felt like and

892

00:36:54,550 --> 00:36:53,760

and simply um looking and remembering

893

00:36:58,390 --> 00:36:54,560

that

894

00:37:01,510 --> 00:36:58,400

dimension

895

00:37:01,990 --> 00:37:01,520

but what was interesting is i um i for

896

00:37:04,550 --> 00:37:02,000

some

897

00:37:05,109 --> 00:37:04,560

everything was in this weird uh symbolic

898

00:37:07,030 --> 00:37:05,119

way

899

00:37:08,870 --> 00:37:07,040

i saw these huge apollo apartment

900

00:37:10,950 --> 00:37:08,880

complexes that reminded me of

901
00:37:13,030 --> 00:37:10,960
when i lived in germany and they're kind

902
00:37:15,190 --> 00:37:13,040
of like u-shaped

903
00:37:16,390 --> 00:37:15,200
where you have just one main gate where

904
00:37:18,790 --> 00:37:16,400
you can enter and then

905
00:37:21,030 --> 00:37:18,800
you go to your apartment well i mean you

906
00:37:21,510 --> 00:37:21,040
have you know several hundred apartments

907
00:37:24,870 --> 00:37:21,520
there

908
00:37:26,550 --> 00:37:24,880
complexes about

909
00:37:28,390 --> 00:37:26,560
i don't know hundreds of them hovering

910
00:37:31,349 --> 00:37:28,400
in the air well it's like

911
00:37:31,990 --> 00:37:31,359
okay you know and so one of them landed

912
00:37:34,710 --> 00:37:32,000
and so

913
00:37:36,470 --> 00:37:34,720

i walked into one because i you know

914

00:37:38,550 --> 00:37:36,480

that i knew how to navigate through

915

00:37:40,710 --> 00:37:38,560

there because i grew up in one of those

916

00:37:41,990 --> 00:37:40,720

you know and um there was one

917

00:37:44,390 --> 00:37:42,000

specifically

918

00:37:45,589 --> 00:37:44,400

i saw this little being that immediately

919

00:37:48,870 --> 00:37:45,599

reminded me of us

920

00:37:51,990 --> 00:37:48,880

a smaller child although it looked more

921

00:37:52,870 --> 00:37:52,000

purplish you know large head large large

922

00:37:56,069 --> 00:37:52,880

eyes but

923

00:37:57,990 --> 00:37:56,079

more childlike so i went up to it

924

00:37:59,910 --> 00:37:58,000

foolishly kind of like hey you know

925

00:38:02,069 --> 00:37:59,920

little kid are you lost you know what

926

00:38:04,790 --> 00:38:02,079

you know where your parents you know and

927

00:38:05,430 --> 00:38:04,800

i quickly realized i am not talking to a

928

00:38:08,710 --> 00:38:05,440

kid

929

00:38:12,069 --> 00:38:08,720

you know and this being was very wise

930

00:38:12,870 --> 00:38:12,079

you know and anyway so the long story

931

00:38:15,589 --> 00:38:12,880

short was

932

00:38:17,030 --> 00:38:15,599

i i whatever whatever conversation was

933

00:38:18,550 --> 00:38:17,040

happening i couldn't i felt like i

934

00:38:20,870 --> 00:38:18,560

couldn't partake like i was having a

935

00:38:23,109 --> 00:38:20,880

conversation but i couldn't focus on it

936

00:38:24,390 --> 00:38:23,119

and i've talked about that before and

937

00:38:27,430 --> 00:38:24,400

but anyway

938

00:38:30,870 --> 00:38:27,440

i had to basically leave this

939

00:38:32,310 --> 00:38:30,880

this this apartment complex and as i was

940

00:38:34,230 --> 00:38:32,320

leaving it you know

941

00:38:36,310 --> 00:38:34,240

then this apartment complex kind of went

942

00:38:36,950 --> 00:38:36,320

back up into the air and i just opened

943

00:38:39,190 --> 00:38:36,960

my eyes

944

00:38:41,030 --> 00:38:39,200

i wasn't wasn't waking up it was simply

945

00:38:42,230 --> 00:38:41,040

like i was already awake and my eyes

946

00:38:45,030 --> 00:38:42,240

were closed and now

947

00:38:46,870 --> 00:38:45,040

now they're open there was no you know

948

00:38:47,910 --> 00:38:46,880

stretching and yawning and all of that i

949

00:38:50,150 --> 00:38:47,920

was wide awake

950

00:38:52,230 --> 00:38:50,160

you know and not that that's not

951
00:38:53,109 --> 00:38:52,240
possible from coming up from a dream but

952
00:38:55,990 --> 00:38:53,119
to have that

953
00:38:57,430 --> 00:38:56,000
often which in my experience happened it

954
00:38:59,349 --> 00:38:57,440
just told me that i wasn't

955
00:39:01,109 --> 00:38:59,359
necessarily sleeping but was more on

956
00:39:04,150 --> 00:39:01,119
this different focus level

957
00:39:06,470 --> 00:39:04,160
well anyway i opened my eyes and i just

958
00:39:07,190 --> 00:39:06,480
kind of uh was like wow what was that

959
00:39:09,829 --> 00:39:07,200
and i just

960
00:39:10,950 --> 00:39:09,839
in the in the middle of my head was this

961
00:39:14,310 --> 00:39:10,960
female voice

962
00:39:16,470 --> 00:39:14,320
and just said we are the octarians

963
00:39:17,510 --> 00:39:16,480

and i was like okay you know there was

964

00:39:18,870 --> 00:39:17,520

nothing i

965

00:39:20,950 --> 00:39:18,880

i don't know what i was supposed to do

966

00:39:23,270 --> 00:39:20,960

with that i just know i had the

967

00:39:25,430 --> 00:39:23,280

you know experience but it felt more

968

00:39:28,230 --> 00:39:25,440

like you know hey we're just

969

00:39:29,109 --> 00:39:28,240

this is how you know just i'll make a

970

00:39:31,109 --> 00:39:29,119

you know

971

00:39:32,150 --> 00:39:31,119

this is just for us saying hello you

972

00:39:34,630 --> 00:39:32,160

know and uh

973

00:39:36,230 --> 00:39:34,640

that was pretty interesting uh for from

974

00:39:37,990 --> 00:39:36,240

my personal experience now i

975

00:39:39,990 --> 00:39:38,000

encourage you to watch some of the

976
00:39:42,710 --> 00:39:40,000
videos because i have hours and hours

977
00:39:43,990 --> 00:39:42,720
on the channel of interviewing um

978
00:39:48,870 --> 00:39:44,000
obviously garnet

979
00:39:53,589 --> 00:39:51,829
i'm trying to remember the name now um

980
00:39:56,630 --> 00:39:53,599
annie is still water gray

981
00:40:00,150 --> 00:39:56,640
she's also on the on the ufo channel

982
00:40:03,430 --> 00:40:00,160
also had some experiences too and so

983
00:40:06,470 --> 00:40:03,440
um it's it's definitely a

984
00:40:09,670 --> 00:40:06,480
a more subtle way of communicating

985
00:40:11,349 --> 00:40:09,680
if i can say that um it's it's it's

986
00:40:13,190 --> 00:40:11,359
basically makes it just

987
00:40:14,470 --> 00:40:13,200
a little bit less stress stressful

988
00:40:16,870 --> 00:40:14,480

compared to

989

00:40:19,190 --> 00:40:16,880

what it was like in person you know and

990

00:40:20,470 --> 00:40:19,200

what the the fears having to go through

991

00:40:22,470 --> 00:40:20,480

those and the the

992

00:40:25,030 --> 00:40:22,480

the effect of this of these different

993

00:40:29,510 --> 00:40:25,040

energies it definitely was a lot less

994

00:40:33,510 --> 00:40:31,670

okay do you mind if i ask another

995

00:40:34,870 --> 00:40:33,520

question yeah no of course i mean

996

00:40:36,710 --> 00:40:34,880

there's no one else that raised their

997

00:40:38,630 --> 00:40:36,720

hands and if they want to

998

00:40:39,990 --> 00:40:38,640

speak you know we'll adjust our time how

999

00:40:41,829 --> 00:40:40,000

long we'll talk if they simply

1000

00:40:44,390 --> 00:40:41,839

raise their hand then i know they want

1001
00:40:45,510 --> 00:40:44,400
to to speak or share their story or ask

1002
00:40:48,069 --> 00:40:45,520
a question or whatever

1003
00:40:49,109 --> 00:40:48,079
but otherwise it's just so far only you

1004
00:40:53,829 --> 00:40:49,119
did so

1005
00:40:56,710 --> 00:40:53,839
please go ahead in um

1006
00:40:57,670 --> 00:40:56,720
in my meditations and now it happens

1007
00:41:02,069 --> 00:40:57,680
usually

1008
00:41:06,230 --> 00:41:02,079
you know before bed as soon as they um

1009
00:41:08,150 --> 00:41:06,240
yeah so to be honest i didn't uh

1010
00:41:09,589 --> 00:41:08,160
some of the new some of these things i

1011
00:41:12,550 --> 00:41:09,599
didn't really

1012
00:41:14,630 --> 00:41:12,560
believe in so much but i you know did

1013
00:41:19,190 --> 00:41:14,640

research and started looking into it

1014

00:41:22,870 --> 00:41:19,200

and uh like vibrations

1015

00:41:24,950 --> 00:41:22,880

um it started subtle months ago little

1016

00:41:27,349 --> 00:41:24,960

little vibrations i thought it was my

1017

00:41:30,950 --> 00:41:27,359

imagination but now it's very obvious

1018

00:41:33,190 --> 00:41:30,960

and a lot of it happens in uh parts of

1019

00:41:34,630 --> 00:41:33,200

my body where there's no muscle slope

1020

00:41:35,910 --> 00:41:34,640

it feels like there's a golf ball

1021

00:41:37,510 --> 00:41:35,920

bouncing around in the middle of my

1022

00:41:39,589 --> 00:41:37,520

brain

1023

00:41:42,069 --> 00:41:39,599

and you know do you know does that

1024

00:41:44,230 --> 00:41:42,079

happen to you or do you know

1025

00:41:45,670 --> 00:41:44,240

is that and it usually coincides with

1026

00:41:48,470 --> 00:41:45,680

ringing in the ears

1027

00:41:49,910 --> 00:41:48,480

and sometimes if it's really intense

1028

00:41:52,950 --> 00:41:49,920

it'll turn into uh

1029

00:41:56,470 --> 00:41:52,960

eye fluttering right uh it's

1030

00:41:58,230 --> 00:41:56,480

no you're you're uh the experiences

1031

00:41:59,990 --> 00:41:58,240

you've had is definitely what i've had

1032

00:42:00,390 --> 00:42:00,000

and i wish my friends were here too they

1033

00:42:04,230 --> 00:42:00,400

could

1034

00:42:07,270 --> 00:42:04,240

confirm the same it's basically um

1035

00:42:09,670 --> 00:42:07,280

whatever whatever mindset you put

1036

00:42:11,589 --> 00:42:09,680

yourself in while you're meditating

1037

00:42:13,030 --> 00:42:11,599

you know even though it just seems like

1038

00:42:16,069 --> 00:42:13,040

to every

1039

00:42:17,430 --> 00:42:16,079

every you know every person like okay

1040

00:42:18,710 --> 00:42:17,440

i'm just closing my eyes there's not

1041

00:42:22,150 --> 00:42:18,720

much happening there

1042

00:42:25,030 --> 00:42:22,160

it's there's a great power in intention

1043

00:42:25,990 --> 00:42:25,040

you know and even though we just we're

1044

00:42:27,510 --> 00:42:26,000

aware of our room

1045

00:42:29,750 --> 00:42:27,520

and we're aware of that we're laying

1046

00:42:33,270 --> 00:42:29,760

there and we've you know closed our eyes

1047

00:42:36,550 --> 00:42:33,280

we're actually starting a process of um

1048

00:42:37,589 --> 00:42:36,560

shifting to you know a different reality

1049

00:42:39,430 --> 00:42:37,599

even though if it's not

1050

00:42:41,589 --> 00:42:39,440

that big of a different reality when you

1051
00:42:44,390 --> 00:42:41,599
open your eyes it's still the same place

1052
00:42:45,190 --> 00:42:44,400
still looks like your room you know that

1053
00:42:47,349 --> 00:42:45,200
shift

1054
00:42:48,710 --> 00:42:47,359
you know has a you know different you

1055
00:42:51,109 --> 00:42:48,720
know different frequency

1056
00:42:52,710 --> 00:42:51,119
and sometimes you know depends on how

1057
00:42:55,190 --> 00:42:52,720
much of a shift you make

1058
00:42:55,910 --> 00:42:55,200
uh the intensity of it would either you

1059
00:42:59,109 --> 00:42:55,920
know

1060
00:43:00,550 --> 00:42:59,119
be mild or increase greatly i personally

1061
00:43:02,550 --> 00:43:00,560
sometimes have like these little pin

1062
00:43:04,470 --> 00:43:02,560
pricks on my face you know where it

1063
00:43:06,390 --> 00:43:04,480

seems like the small needles

1064

00:43:07,750 --> 00:43:06,400

you know are kind of just you know

1065

00:43:09,990 --> 00:43:07,760

poking me and it just

1066

00:43:12,309 --> 00:43:10,000

it's a very light very light nothing you

1067

00:43:14,470 --> 00:43:12,319

know you know painful anything it's just

1068

00:43:15,990 --> 00:43:14,480

enough to where in initially it always

1069

00:43:16,550 --> 00:43:16,000

made me want to scratch my face because

1070

00:43:18,630 --> 00:43:16,560

it's it's

1071

00:43:20,309 --> 00:43:18,640

it's an itch but then over time i just

1072

00:43:22,550 --> 00:43:20,319

learned to just let it let go

1073

00:43:23,990 --> 00:43:22,560

and just relax and not concentrate on

1074

00:43:26,309 --> 00:43:24,000

you know um

1075

00:43:27,190 --> 00:43:26,319

just the scratch itself but just let it

1076

00:43:29,670 --> 00:43:27,200

let it go

1077

00:43:30,390 --> 00:43:29,680

and so when that shift has happened

1078

00:43:33,829 --> 00:43:30,400

enough

1079

00:43:37,109 --> 00:43:33,839

it just um it basically uh

1080

00:43:39,670 --> 00:43:37,119

allows you to just um

1081

00:43:41,829 --> 00:43:39,680

whatever comes to mind whatever you know

1082

00:43:44,470 --> 00:43:41,839

just enters your mind out of nowhere

1083

00:43:46,630 --> 00:43:44,480

it's usually the this spontaneous

1084

00:43:48,710 --> 00:43:46,640

communication from whoever whatever it

1085

00:43:51,349 --> 00:43:48,720

is doesn't matter the point is that

1086

00:43:52,950 --> 00:43:51,359

it could be an image it could be a

1087

00:43:55,109 --> 00:43:52,960

phrase that just comes to you that you

1088

00:43:58,230 --> 00:43:55,119

feel like you need to say it out loud

1089

00:43:59,349 --> 00:43:58,240

you know it could be you know even even

1090

00:44:01,670 --> 00:43:59,359

uh just

1091

00:44:03,109 --> 00:44:01,680

an actual you know voice which is a lot

1092

00:44:06,230 --> 00:44:03,119

more you know startling

1093

00:44:08,309 --> 00:44:06,240

but that's the time when you you know we

1094

00:44:10,470 --> 00:44:08,319

need to relax even even more

1095

00:44:12,790 --> 00:44:10,480

to just you know finally okay we allow

1096

00:44:15,349 --> 00:44:12,800

it to happen whatever needs to happen

1097

00:44:16,710 --> 00:44:15,359

now what's what's coming sometimes it

1098

00:44:18,950 --> 00:44:16,720

might take a long time

1099

00:44:20,630 --> 00:44:18,960

weeks days who knows you know for for

1100

00:44:22,390 --> 00:44:20,640

you to actually get to that point

1101

00:44:24,550 --> 00:44:22,400

but it's like the whole point is not to

1102

00:44:27,190 --> 00:44:24,560

judge yourself or to say you know

1103

00:44:28,870 --> 00:44:27,200

i failed our god forbid to go even to

1104

00:44:30,550 --> 00:44:28,880

the point of i'm a failure you know

1105

00:44:32,069 --> 00:44:30,560

because that's a the worst part anyone

1106

00:44:33,430 --> 00:44:32,079

could do is you know start beating

1107

00:44:35,910 --> 00:44:33,440

themselves up for it

1108

00:44:37,349 --> 00:44:35,920

but simply just allow to come whatever

1109

00:44:38,710 --> 00:44:37,359

comes and then just

1110

00:44:40,710 --> 00:44:38,720

you know when it's done and over with

1111

00:44:41,270 --> 00:44:40,720

write it down you know write down date

1112

00:44:47,510 --> 00:44:41,280

time

1113

00:44:47,910 --> 00:44:47,520

you know i saw this image blah blah blah

1114

00:44:50,150 --> 00:44:47,920

and

1115

00:44:52,309 --> 00:44:50,160

a lot of times either weeks or months

1116

00:44:53,910 --> 00:44:52,319

down the road and sometimes even sooner

1117

00:44:55,589 --> 00:44:53,920

you you know things happen or

1118

00:44:56,069 --> 00:44:55,599

occurrences that you know happen to

1119

00:44:58,630 --> 00:44:56,079

where

1120

00:44:59,829 --> 00:44:58,640

you get a confirmation to what came to

1121

00:45:02,550 --> 00:44:59,839

you at that moment

1122

00:45:03,109 --> 00:45:02,560

or sometimes even years to go oh you

1123

00:45:05,589 --> 00:45:03,119

know i

1124

00:45:07,349 --> 00:45:05,599

remember i had this experience you know

1125

00:45:08,790 --> 00:45:07,359

but thankfully you've written it down

1126
00:45:11,030 --> 00:45:08,800
and then you can remember what's going

1127
00:45:14,630 --> 00:45:11,040
through your mind at that time

1128
00:45:15,349 --> 00:45:14,640
does that does that make sense it does

1129
00:45:19,190 --> 00:45:15,359
yes

1130
00:45:21,990 --> 00:45:19,200
uh thanks is there anything um

1131
00:45:23,430 --> 00:45:22,000
if you wanted to explore further that

1132
00:45:27,270 --> 00:45:23,440
could enhance it

1133
00:45:30,390 --> 00:45:27,280
if you wanted to like if you feel like

1134
00:45:32,710 --> 00:45:30,400
something spiritual is trying to make a

1135
00:45:36,069 --> 00:45:32,720
connection but you know it's it's

1136
00:45:38,230 --> 00:45:36,079
you're um you know enough

1137
00:45:40,069 --> 00:45:38,240
that something's there trying to

1138
00:45:43,109 --> 00:45:40,079

something's off but it's not

1139

00:45:44,790 --> 00:45:43,119

nothing's coming through um

1140

00:45:46,630 --> 00:45:44,800

is there something that you recommend

1141

00:45:48,870 --> 00:45:46,640

i've tried binaural beats it's trying

1142

00:45:51,910 --> 00:45:48,880

increasing my meditation

1143

00:45:54,069 --> 00:45:51,920

uh changing my thoughts i cut out meat i

1144

00:45:57,190 --> 00:45:54,079

don't know if that has to do it

1145

00:45:59,109 --> 00:45:57,200

well the point yeah just

1146

00:46:00,390 --> 00:45:59,119

right i just want to ask you this though

1147

00:46:03,030 --> 00:46:00,400

you know um

1148

00:46:03,910 --> 00:46:03,040

you have to kind of know what what your

1149

00:46:06,550 --> 00:46:03,920

goal is

1150

00:46:07,030 --> 00:46:06,560

you know because a lot of um a lot of

1151
00:46:09,030 --> 00:46:07,040
people

1152
00:46:10,790 --> 00:46:09,040
you know when i was still in san luis we

1153
00:46:12,630 --> 00:46:10,800
actually were talking about this very

1154
00:46:15,990 --> 00:46:12,640
much and i asked the same question

1155
00:46:17,190 --> 00:46:16,000
everyone wants to traverse these

1156
00:46:19,750 --> 00:46:17,200
different levels go

1157
00:46:21,589 --> 00:46:19,760
wherever this thing can go you know and

1158
00:46:23,270 --> 00:46:21,599
i understand the curiosity because i was

1159
00:46:25,270 --> 00:46:23,280
at one point there myself

1160
00:46:26,710 --> 00:46:25,280
but then something that that once you

1161
00:46:29,190 --> 00:46:26,720
kind of bend and you come back

1162
00:46:30,150 --> 00:46:29,200
here's the question everyone immediately

1163
00:46:33,109 --> 00:46:30,160

wants to go to

1164

00:46:35,349 --> 00:46:33,119

12th grade you know everyone wants to be

1165

00:46:37,829 --> 00:46:35,359

you know the senior in in class

1166

00:46:38,710 --> 00:46:37,839

and you know but they they're kind of

1167

00:46:40,630 --> 00:46:38,720

missing out

1168

00:46:41,910 --> 00:46:40,640

the all the different grades that lead

1169

00:46:44,069 --> 00:46:41,920

up to it that

1170

00:46:45,109 --> 00:46:44,079

gives you the the experience the wisdom

1171

00:46:47,430 --> 00:46:45,119

to you know

1172

00:46:48,790 --> 00:46:47,440

give you a context of then eventually

1173

00:46:50,870 --> 00:46:48,800

when you know something

1174

00:46:52,150 --> 00:46:50,880

you have more of a deeper understanding

1175

00:46:55,510 --> 00:46:52,160

you know and so

1176

00:46:56,950 --> 00:46:55,520

um instead of just uh wanting to

1177

00:46:58,470 --> 00:46:56,960

different level for the sake of a

1178

00:47:00,230 --> 00:46:58,480

different level i'm not saying that you

1179

00:47:02,870 --> 00:47:00,240

do i'm just saying in general

1180

00:47:03,910 --> 00:47:02,880

you know it's it's important to see okay

1181

00:47:06,230 --> 00:47:03,920

what what are you

1182

00:47:07,589 --> 00:47:06,240

looking for are you looking for proof

1183

00:47:09,990 --> 00:47:07,599

that there's something out there

1184

00:47:11,109 --> 00:47:10,000

are you wanting you know some kind of

1185

00:47:12,630 --> 00:47:11,119

confirmation

1186

00:47:14,150 --> 00:47:12,640

you know if you you know it's it's

1187

00:47:16,309 --> 00:47:14,160

basically if you go in

1188

00:47:18,150 --> 00:47:16,319

with an intent and i'm not saying it has

1189

00:47:20,470 --> 00:47:18,160

to be like entirely planned out

1190

00:47:21,510 --> 00:47:20,480

but just a general intent like i would

1191

00:47:23,750 --> 00:47:21,520

like to

1192

00:47:25,430 --> 00:47:23,760

meet a being you know or i would

1193

00:47:27,910 --> 00:47:25,440

whatever i want

1194

00:47:28,470 --> 00:47:27,920

uh some kind of message or whatever you

1195

00:47:36,069 --> 00:47:28,480

know

1196

00:47:38,230 --> 00:47:36,079

out of that if you simply go to

1197

00:47:40,630 --> 00:47:38,240

to meditate and relax which is wonderful

1198

00:47:42,630 --> 00:47:40,640

too it will actually just help your body

1199

00:47:44,710 --> 00:47:42,640

just kind of get back in sync

1200

00:47:46,630 --> 00:47:44,720

and uh whatever happens in the

1201
00:47:46,950 --> 00:47:46,640
background without you being unaware you

1202
00:47:49,510 --> 00:47:46,960
know

1203
00:47:51,109 --> 00:47:49,520
without you being aware of it just let

1204
00:47:53,030 --> 00:47:51,119
it happen because so many times i would

1205
00:47:54,549 --> 00:47:53,040
go in and i would

1206
00:47:56,230 --> 00:47:54,559
i know this sounds silly and i don't

1207
00:47:56,870 --> 00:47:56,240
expect everyone else to believe this

1208
00:47:59,510 --> 00:47:56,880
because

1209
00:48:01,190 --> 00:47:59,520
my life has been so up in so many

1210
00:48:03,109 --> 00:48:01,200
ways and beautiful ways

1211
00:48:05,109 --> 00:48:03,119
that i can't expect every single person

1212
00:48:07,109 --> 00:48:05,119
to believe what happened happened

1213
00:48:08,630 --> 00:48:07,119

but you know i would lay there and i

1214

00:48:11,109 --> 00:48:08,640

would get these twitches

1215

00:48:12,710 --> 00:48:11,119

right and people can excuse that for you

1216

00:48:14,390 --> 00:48:12,720

know you're about to go to sleep and all

1217

00:48:17,109 --> 00:48:14,400

this but no i'm wide awake

1218

00:48:18,470 --> 00:48:17,119

and i have these uh uh again these

1219

00:48:20,470 --> 00:48:18,480

pricks sprinkles

1220

00:48:22,309 --> 00:48:20,480

you know like these little needles in my

1221

00:48:24,790 --> 00:48:22,319

face you know that that

1222

00:48:26,390 --> 00:48:24,800

you know made me you know tells me

1223

00:48:27,109 --> 00:48:26,400

there's something here something is

1224

00:48:29,030 --> 00:48:27,119

happening

1225

00:48:30,950 --> 00:48:29,040

you know and then i would you know my

1226

00:48:31,829 --> 00:48:30,960

leg would go all crazy and all this

1227

00:48:33,670 --> 00:48:31,839

different stuff

1228

00:48:35,510 --> 00:48:33,680

and then the next morning you know

1229

00:48:38,069 --> 00:48:35,520

finally after so many years

1230

00:48:38,549 --> 00:48:38,079

that right leg that i messed up when i

1231

00:48:44,230 --> 00:48:38,559

was

1232

00:48:46,069 --> 00:48:44,240

you know 10 years later finally it

1233

00:48:48,470 --> 00:48:46,079

stopped hurting

1234

00:48:49,910 --> 00:48:48,480

you know and i wasn't going for that i

1235

00:48:51,589 --> 00:48:49,920

wasn't asking for that

1236

00:48:52,950 --> 00:48:51,599

it was just something that i was always

1237

00:48:55,510 --> 00:48:52,960

in pain with and

1238

00:48:56,230 --> 00:48:55,520

i even when i'm when i was meditating i

1239

00:48:58,309 --> 00:48:56,240

wasn't

1240

00:48:59,589 --> 00:48:58,319

you know trying to you know say please

1241

00:49:02,069 --> 00:48:59,599

heal me or whatever

1242

00:49:04,150 --> 00:49:02,079

you know but i just simply by meditation

1243

00:49:06,630 --> 00:49:04,160

without really asking for anything

1244

00:49:08,390 --> 00:49:06,640

this occurred which was i don't know who

1245

00:49:10,710 --> 00:49:08,400

it was i don't know what it was

1246

00:49:11,829 --> 00:49:10,720

you know and uh but i like to think that

1247

00:49:13,750 --> 00:49:11,839

there's some kind of

1248

00:49:15,589 --> 00:49:13,760

you know interaction that i'm not aware

1249

00:49:19,109 --> 00:49:15,599

of that is going on

1250

00:49:22,390 --> 00:49:19,119

and so it it helped me you know so

1251

00:49:24,069 --> 00:49:22,400

again it's okay even if you don't know

1252

00:49:26,309 --> 00:49:24,079

you know but generally if you're wanting

1253

00:49:29,430 --> 00:49:26,319

something go in with a specific

1254

00:49:32,150 --> 00:49:29,440

you know purpose state a stated specific

1255

00:49:33,910 --> 00:49:32,160

you know fact this is what you want and

1256

00:49:34,870 --> 00:49:33,920

then you'll get more out of it it makes

1257

00:49:37,349 --> 00:49:34,880

more sense

1258

00:49:38,069 --> 00:49:37,359

you know otherwise like i said if you

1259

00:49:40,069 --> 00:49:38,079

can go in

1260

00:49:42,150 --> 00:49:40,079

without any specific purpose and then

1261

00:49:43,589 --> 00:49:42,160

things like what i just explained happen

1262

00:49:45,670 --> 00:49:43,599

you know i didn't ask for it but hey

1263

00:49:48,230 --> 00:49:45,680

cool you know and so

1264

00:49:49,349 --> 00:49:48,240

um it's it's really difficult to to

1265

00:49:52,470 --> 00:49:49,359

pinpoint it down

1266

00:49:55,510 --> 00:49:52,480

that hey if you do this or if you

1267

00:49:55,990 --> 00:49:55,520

uh turn left two times then quickly

1268

00:49:57,829 --> 00:49:56,000

right

1269

00:50:00,069 --> 00:49:57,839

and then lay down you will get this

1270

00:50:01,430 --> 00:50:00,079

experience at the end of the day it's

1271

00:50:03,349 --> 00:50:01,440

your intention

1272

00:50:06,150 --> 00:50:03,359

you know and even with the regarding the

1273

00:50:09,349 --> 00:50:06,160

food that i noticed that the food itself

1274

00:50:12,630 --> 00:50:09,359

is not necessarily a um you know a

1275

00:50:15,510 --> 00:50:12,640

inhibitant or a a gateway all it

1276

00:50:16,470 --> 00:50:15,520

is is what is it that you took in that

1277

00:50:19,109 --> 00:50:16,480

either

1278

00:50:21,190 --> 00:50:19,119

is more in line with your body or not so

1279

00:50:23,589 --> 00:50:21,200

i noticed if i have something sugary

1280

00:50:24,230 --> 00:50:23,599

it immediately shuts my body down you

1281

00:50:25,670 --> 00:50:24,240

know and

1282

00:50:28,150 --> 00:50:25,680

obviously over the years i've been

1283

00:50:31,270 --> 00:50:28,160

trying to avoid sugar but you know

1284

00:50:33,190 --> 00:50:31,280

it's not conducive to try to go meditate

1285

00:50:35,190 --> 00:50:33,200

and then taking sugar sugar right before

1286

00:50:35,589 --> 00:50:35,200

that right and then same thing with you

1287

00:50:37,910 --> 00:50:35,599

know

1288

00:50:39,190 --> 00:50:37,920

with meat it doesn't matter if it's red

1289

00:50:41,190 --> 00:50:39,200

meat deer meat

1290

00:50:42,710 --> 00:50:41,200

whether you're vegan or not the point is

1291

00:50:43,349 --> 00:50:42,720

what are you giving your body at that

1292

00:50:47,349 --> 00:50:43,359

time

1293

00:50:49,990 --> 00:50:47,359

to really give you the most um attention

1294

00:50:50,790 --> 00:50:50,000

you know to i usually notice if i just

1295

00:50:53,109 --> 00:50:50,800

fast

1296

00:50:55,349 --> 00:50:53,119

that gives me the most focus you know

1297

00:50:58,630 --> 00:50:55,359

most for anything whether

1298

00:50:59,829 --> 00:50:58,640

waking live things i need to do or um

1299

00:51:01,990 --> 00:50:59,839

you know whether it would be a

1300

00:51:04,309 --> 00:51:02,000

meditation a fast is usually

1301
00:51:05,430 --> 00:51:04,319
keeps you in attention you can hold a

1302
00:51:07,109 --> 00:51:05,440
focus longer

1303
00:51:09,430 --> 00:51:07,119
you know and to achieve whatever you

1304
00:51:13,109 --> 00:51:09,440
need to achieve

1305
00:51:14,390 --> 00:51:13,119
yeah yeah the uh the meat thing actually

1306
00:51:17,270 --> 00:51:14,400
came up because

1307
00:51:18,309 --> 00:51:17,280
a couple years ago i went out of my way

1308
00:51:21,109 --> 00:51:18,319
to

1309
00:51:22,390 --> 00:51:21,119
uh and i had a few conversations with

1310
00:51:23,190 --> 00:51:22,400
people that had the near-death

1311
00:51:25,750 --> 00:51:23,200
experience

1312
00:51:27,510 --> 00:51:25,760
where something happened and they were i

1313
00:51:28,230 --> 00:51:27,520

had an accident or something and it just

1314

00:51:30,230 --> 00:51:28,240

seemed to

1315

00:51:31,750 --> 00:51:30,240

come up a couple times and i thought i'd

1316

00:51:34,950 --> 00:51:31,760

give it a go

1317

00:51:36,230 --> 00:51:34,960

um well i'm actually in missouri what's

1318

00:51:38,069 --> 00:51:36,240

the name of the um

1319

00:51:40,630 --> 00:51:38,079

group in saint louis and then i'll let

1320

00:51:44,390 --> 00:51:40,640

you go well actually there's uh

1321

00:51:47,430 --> 00:51:44,400

yeah yeah there's several there's um so

1322

00:51:50,349 --> 00:51:47,440

one was called coasties and they were

1323

00:51:52,870 --> 00:51:50,359

um i used to actually on the website on

1324

00:51:55,990 --> 00:51:52,880

ufohub.net i used to have a whole

1325

00:51:58,630 --> 00:51:56,000

um within within the san luis

1326
00:51:59,270 --> 00:51:58,640
area within like uh maybe 300 mile

1327
00:52:01,829 --> 00:51:59,280
radius

1328
00:52:03,270 --> 00:52:01,839
if any group that i knew of i would put

1329
00:52:06,470 --> 00:52:03,280
her meeting time

1330
00:52:07,030 --> 00:52:06,480
and date down but i stopped doing it for

1331
00:52:10,630 --> 00:52:07,040
quite

1332
00:52:12,630 --> 00:52:10,640
difficult to try to upkeep with

1333
00:52:13,430 --> 00:52:12,640
sometimes to change locations or whatnot

1334
00:52:16,309 --> 00:52:13,440
but anyway

1335
00:52:17,270 --> 00:52:16,319
so one is coasties uh ginger is the head

1336
00:52:20,069 --> 00:52:17,280
person there

1337
00:52:21,750 --> 00:52:20,079
and um it's the uh are you familiar with

1338
00:52:23,990 --> 00:52:21,760

san luis

1339

00:52:26,150 --> 00:52:24,000

yeah okay do you know the bowling alley

1340

00:52:30,069 --> 00:52:26,160

on sunset lane

1341

00:52:32,630 --> 00:52:30,079

or avenue uh it's yeah

1342

00:52:34,470 --> 00:52:32,640

okay yeah they they have a room in the

1343

00:52:36,309 --> 00:52:34,480

back of their room they basically

1344

00:52:38,870 --> 00:52:36,319

um you know have this room that can

1345

00:52:41,430 --> 00:52:38,880

maybe sit seat 50 people

1346

00:52:43,829 --> 00:52:41,440

and they i believe we're meeting once a

1347

00:52:46,950 --> 00:52:43,839

month i think it was the second month

1348

00:52:48,390 --> 00:52:46,960

a second monday of the month or so so i

1349

00:52:49,030 --> 00:52:48,400

don't know if they continue their

1350

00:52:50,870 --> 00:52:49,040

meetings

1351

00:52:52,390 --> 00:52:50,880

there but then of course there was

1352

00:52:55,510 --> 00:52:52,400

another meeting that was

1353

00:52:56,069 --> 00:52:55,520

um held by debbie zieglemeyer and she's

1354

00:52:59,430 --> 00:52:56,079

the

1355

00:53:03,430 --> 00:52:59,440

missouri mufon director and it was

1356

00:53:05,510 --> 00:53:03,440

at um uh cj mugs it webster grows

1357

00:53:06,790 --> 00:53:05,520

growth growths i can't pronounce it

1358

00:53:08,470 --> 00:53:06,800

right

1359

00:53:10,549 --> 00:53:08,480

if you if you that if that sounds

1360

00:53:13,589 --> 00:53:10,559

familiar you know where webster is

1361

00:53:15,589 --> 00:53:13,599

yeah yeah so yeah

1362

00:53:16,950 --> 00:53:15,599

so coasties and there's a mukbang

1363

00:53:20,309 --> 00:53:16,960

costume

1364

00:53:20,950 --> 00:53:20,319

fun correct and you know if anyone's

1365

00:53:23,270 --> 00:53:20,960

listening

1366

00:53:23,990 --> 00:53:23,280

um in la where i've lived for a long

1367

00:53:28,109 --> 00:53:24,000

time

1368

00:53:31,030 --> 00:53:28,119

they have a group called upars

1369

00:53:32,950 --> 00:53:31,040

u-p-a-r-s and they uh they used to be

1370

00:53:34,390 --> 00:53:32,960

mufon but then they wanted to talk about

1371

00:53:37,910 --> 00:53:34,400

paranormal things

1372

00:53:39,589 --> 00:53:37,920

outside of just ufos and

1373

00:53:41,829 --> 00:53:39,599

uh i've been going for years and they

1374

00:53:43,670 --> 00:53:41,839

have very interesting speakers fly in

1375

00:53:46,549 --> 00:53:43,680

from all over the world and they post

1376

00:53:47,829 --> 00:53:46,559

all their videos on youtube so there's a

1377

00:53:50,230 --> 00:53:47,839

you parse channel

1378

00:53:53,030 --> 00:53:50,240

for years you can go back and all these

1379

00:53:55,109 --> 00:53:53,040

obscure esoteric things they

1380

00:53:56,630 --> 00:53:55,119

have a long history of stuff so if

1381

00:53:58,790 --> 00:53:56,640

you're not familiar with that

1382

00:54:00,710 --> 00:53:58,800

yeah that's interesting i noticed um

1383

00:54:02,150 --> 00:54:00,720

every mufon i have been aware of they

1384

00:54:04,150 --> 00:54:02,160

always do that i don't think there's

1385

00:54:06,390 --> 00:54:04,160

anything wrong with that but i think

1386

00:54:08,069 --> 00:54:06,400

mufon headquarters might kind of

1387

00:54:09,670 --> 00:54:08,079

frown upon that because they tried to

1388

00:54:12,549 --> 00:54:09,680

stick to the nuts and bolts

1389

00:54:14,150 --> 00:54:12,559

which what the uh organization has

1390

00:54:15,829 --> 00:54:14,160

always been about so i guess

1391

00:54:17,430 --> 00:54:15,839

if they're trying to portray a certain

1392

00:54:21,349 --> 00:54:17,440

image i can't blame them but

1393

00:54:23,589 --> 00:54:21,359

i was grateful that even um this move on

1394

00:54:25,270 --> 00:54:23,599

they didn't go that direction too too

1395

00:54:26,549 --> 00:54:25,280

much but they would have a lot of

1396

00:54:29,589 --> 00:54:26,559

interesting researchers

1397

00:54:31,589 --> 00:54:29,599

and any recent sightings that were

1398

00:54:34,309 --> 00:54:31,599

happening they covered these so

1399

00:54:36,309 --> 00:54:34,319

um but yeah no i tried even to get some

1400

00:54:38,789 --> 00:54:36,319

of the meetings obviously online

1401
00:54:39,910 --> 00:54:38,799
and there's so many people especially i

1402
00:54:41,109 --> 00:54:39,920
don't know if they feel about it the

1403
00:54:42,309 --> 00:54:41,119
same way now but

1404
00:54:43,910 --> 00:54:42,319
they're just like no i don't want

1405
00:54:44,470 --> 00:54:43,920
anybody knowing that i'm going to these

1406
00:54:47,430 --> 00:54:44,480
meetings

1407
00:54:47,750 --> 00:54:47,440
i was like all right well you know i

1408
00:54:49,829 --> 00:54:47,760
can't

1409
00:54:52,309 --> 00:54:49,839
help you for you you know complaining

1410
00:54:53,829 --> 00:54:52,319
that there isn't enough um

1411
00:54:56,710 --> 00:54:53,839
you know openness from the government

1412
00:55:00,230 --> 00:54:56,720
who we are we can't do it ourselves

1413
00:55:00,630 --> 00:55:00,240

yeah and i found that um it took a while

1414

00:55:04,150 --> 00:55:00,640

but

1415

00:55:05,750 --> 00:55:04,160

after opening up just at the people

1416

00:55:07,990 --> 00:55:05,760

you know they'd have speakers and then i

1417

00:55:09,670 --> 00:55:08,000

just talked to the people sitting next

1418

00:55:11,589 --> 00:55:09,680

to me like why are you here

1419

00:55:13,589 --> 00:55:11,599

yeah and some of them don't have any

1420

00:55:16,710 --> 00:55:13,599

experiences but a lot of them do

1421

00:55:18,390 --> 00:55:16,720

and you know they're they're not they're

1422

00:55:18,789 --> 00:55:18,400

not going under the camera and sharing

1423

00:55:21,030 --> 00:55:18,799

it

1424

00:55:21,990 --> 00:55:21,040

there's just a lot of story out there

1425

00:55:23,670 --> 00:55:22,000

most people

1426

00:55:25,030 --> 00:55:23,680

keep it to themselves and they're not

1427

00:55:26,710 --> 00:55:25,040

gonna you know

1428

00:55:28,470 --> 00:55:26,720

put themselves out there but well the

1429

00:55:29,990 --> 00:55:28,480

two groups i can promise you you know

1430

00:55:31,349 --> 00:55:30,000

they're they're not gonna keep things to

1431

00:55:33,349 --> 00:55:31,359

themselves i mean

1432

00:55:36,069 --> 00:55:33,359

you know you get uh to be pretty good

1433

00:55:38,870 --> 00:55:36,079

friends and i remember in 2012

1434

00:55:41,190 --> 00:55:38,880

a quite large group you know of from

1435

00:55:43,589 --> 00:55:41,200

that meeting we all went to the ojaiman

1436

00:55:45,750 --> 00:55:43,599

ufo conference in 2012.

1437

00:55:46,789 --> 00:55:45,760

you know and uh we went together it was

1438

00:55:49,829 --> 00:55:46,799

fun you know

1439

00:55:51,270 --> 00:55:49,839

down down here in eureka uh uh eureka

1440

00:55:53,750 --> 00:55:51,280

springs in arkansas

1441

00:55:54,470 --> 00:55:53,760

and so it was pretty you know pretty fun

1442

00:55:57,190 --> 00:55:54,480

to just

1443

00:55:58,470 --> 00:55:57,200

go with like-minded individuals um but

1444

00:56:00,470 --> 00:55:58,480

yeah if you go to those

1445

00:56:01,589 --> 00:56:00,480

i promise you that you're gonna have

1446

00:56:04,710 --> 00:56:01,599

some people that

1447

00:56:07,270 --> 00:56:04,720

are very opinionated all right

1448

00:56:09,190 --> 00:56:07,280

hey thanks for your time no problem you

1449

00:56:12,309 --> 00:56:09,200

take care

1450

00:56:16,390 --> 00:56:12,319

all right so the next uh

1451
00:56:18,710 --> 00:56:16,400
next person i'm gonna meet here is argo

1452
00:56:22,230 --> 00:56:18,720
argo you're unmuted in my end i'm mutual

1453
00:56:25,190 --> 00:56:22,240
in yours and uh please go ahead

1454
00:56:26,549 --> 00:56:25,200
is that a muted sir yep i can hear you

1455
00:56:29,589 --> 00:56:26,559
now

1456
00:56:32,950 --> 00:56:29,599
okay how are you on this evening

1457
00:56:34,870 --> 00:56:32,960
oh just fine thanks for being on

1458
00:56:36,230 --> 00:56:34,880
um i like this new platform you're doing

1459
00:56:39,510 --> 00:56:36,240
here

1460
00:56:41,109 --> 00:56:39,520
oh thank you quite welcome you're a

1461
00:56:43,030 --> 00:56:41,119
smart guy and uh

1462
00:56:45,430 --> 00:56:43,040
i've watched you for years down there in

1463
00:56:48,950 --> 00:56:45,440

eureka springs put on

1464

00:56:51,030 --> 00:56:48,960

you know your ufo hub symposiums and

1465

00:56:56,309 --> 00:56:51,040

stuff like that for

1466

00:56:58,870 --> 00:56:56,319

many years and i'm a ufologist myself

1467

00:57:00,230 --> 00:56:58,880

i've been in ufology for about 35 years

1468

00:57:04,789 --> 00:57:00,240

since i was a young man

1469

00:57:06,789 --> 00:57:04,799

and had an experience and uh

1470

00:57:09,109 --> 00:57:06,799

i liked this subject that you had

1471

00:57:11,990 --> 00:57:09,119

written on the youtube link

1472

00:57:14,950 --> 00:57:12,000

so i thought i might join and see if

1473

00:57:20,069 --> 00:57:17,829

be of some good banter with you well i

1474

00:57:21,589 --> 00:57:20,079

mean for 35 years i'm sure you have some

1475

00:57:25,349 --> 00:57:21,599

stories of your own is that anything

1476

00:57:31,190 --> 00:57:29,109

oh wow that's a that's a deep woman yeah

1477

00:57:33,510 --> 00:57:31,200

well no one else raised their hand so

1478

00:57:36,549 --> 00:57:33,520

you know you you have the floor for now

1479

00:57:40,069 --> 00:57:36,559

so please don't hesitate okay

1480

00:57:42,390 --> 00:57:40,079

so i'm you

1481

00:57:45,589 --> 00:57:42,400

basically kind of stated that you know

1482

00:57:48,789 --> 00:57:45,599

that people shouldn't buy into the ufo

1483

00:57:52,829 --> 00:57:48,799

like aggressive ufo terror hype

1484

00:57:56,950 --> 00:57:52,839

right right

1485

00:58:00,870 --> 00:57:56,960

okay um i agree with that

1486

00:58:03,910 --> 00:58:00,880

but i would also i could also bring in

1487

00:58:07,510 --> 00:58:03,920

hundreds of tales of caution

1488

00:58:09,430 --> 00:58:07,520

that can also demonstrate that the alien

1489

00:58:12,390 --> 00:58:09,440

civilization

1490

00:58:14,069 --> 00:58:12,400

that's here and been here for a very

1491

00:58:17,109 --> 00:58:14,079

long time

1492

00:58:20,390 --> 00:58:17,119

um doesn't take any particular care

1493

00:58:24,549 --> 00:58:20,400

for us affectionately like

1494

00:58:26,789 --> 00:58:24,559

we would anything else maybe

1495

00:58:28,870 --> 00:58:26,799

um there are lots of incidences of this

1496

00:58:32,309 --> 00:58:28,880

through ufology

1497

00:58:35,109 --> 00:58:32,319

um women have been

1498

00:58:36,870 --> 00:58:35,119

inseminated and then have the ovums

1499

00:58:41,190 --> 00:58:36,880

taken from them

1500

00:58:44,390 --> 00:58:41,200

enough times say through decades that

1501
00:58:46,870 --> 00:58:44,400
their female parts wind up with cysts

1502
00:58:48,829 --> 00:58:46,880
and uh all sorts of complications there

1503
00:58:50,870 --> 00:58:48,839
are all sorts of complications from the

1504
00:58:54,950 --> 00:58:50,880
alien program

1505
00:58:58,150 --> 00:58:54,960
that women suffer all the time and

1506
00:59:01,430 --> 00:58:58,160
um i know it is within

1507
00:59:06,230 --> 00:59:01,440
their grasp to perform

1508
00:59:08,630 --> 00:59:06,240
miraculous healings of things

1509
00:59:10,470 --> 00:59:08,640
they show up in the lore over the

1510
00:59:15,190 --> 00:59:10,480
decades

1511
00:59:18,620 --> 00:59:15,200
but they are very very very few

1512
00:59:20,150 --> 00:59:18,630
and they're usually very self-serving

1513
00:59:24,069 --> 00:59:20,160

[Music]

1514

00:59:26,069 --> 00:59:24,079

they'll watch abductees die of cancer

1515

00:59:27,829 --> 00:59:26,079

and abduct them all the way into the

1516

00:59:31,750 --> 00:59:27,839

latter stages of cancer

1517

00:59:35,349 --> 00:59:31,760

too so

1518

00:59:37,990 --> 00:59:35,359

are they aggressive um

1519

00:59:39,430 --> 00:59:38,000

no i don't believe that they are quote

1520

00:59:41,829 --> 00:59:39,440

aggressive in the way a human might

1521

00:59:45,589 --> 00:59:41,839

think that they are aggressive

1522

00:59:49,670 --> 00:59:45,599

but they they are obtuse

1523

00:59:52,789 --> 00:59:49,680

enough to our condition

1524

00:59:55,829 --> 00:59:52,799

that their actions can definitely seem

1525

01:00:01,030 --> 00:59:55,839

to be callous or without feeling because

1526

01:00:03,270 --> 01:00:01,040

they are

1527

01:00:05,910 --> 01:00:03,280

i don't want to distract you but can i

1528

01:00:07,910 --> 01:00:05,920

come out uh comment to that

1529

01:00:10,549 --> 01:00:07,920

yes and ask any question you may have

1530

01:00:12,390 --> 01:00:10,559

too well no i was what i was generally

1531

01:00:14,470 --> 01:00:12,400

going to say you know

1532

01:00:15,990 --> 01:00:14,480

i don't know that there's any at least

1533

01:00:17,910 --> 01:00:16,000

in the beginning and not some bald's

1534

01:00:19,910 --> 01:00:17,920

researcher that's worth their salt if

1535

01:00:22,309 --> 01:00:19,920

if they're not at least in one way or

1536

01:00:24,789 --> 01:00:22,319

another um

1537

01:00:25,349 --> 01:00:24,799

aware of uh for example david jacobs and

1538

01:00:29,030 --> 01:00:25,359

his

1539

01:00:31,349 --> 01:00:29,040

good

1540

01:00:32,230 --> 01:00:31,359

right and so of course you know that's

1541

01:00:35,109 --> 01:00:32,240

kind of like the

1542

01:00:36,789 --> 01:00:35,119

the heavy reading and especially for

1543

01:00:38,870 --> 01:00:36,799

every beginner

1544

01:00:40,549 --> 01:00:38,880

it's just my personal experience and

1545

01:00:42,710 --> 01:00:40,559

this is the part where

1546

01:00:44,549 --> 01:00:42,720

um you know where i always urge people

1547

01:00:46,710 --> 01:00:44,559

to kind of try to go down

1548

01:00:47,670 --> 01:00:46,720

the same um i guess quote-unquote

1549

01:00:50,630 --> 01:00:47,680

spiritual route

1550

01:00:51,030 --> 01:00:50,640

like i did to try to understand yourself

1551

01:00:55,990 --> 01:00:51,040

more

1552

01:00:58,789 --> 01:00:56,000

explanations will be given down the road

1553

01:01:00,230 --> 01:00:58,799

is that you know there were entire

1554

01:01:03,510 --> 01:01:00,240

contracts and agreements

1555

01:01:04,150 --> 01:01:03,520

that i was not aware of that i partook

1556

01:01:06,870 --> 01:01:04,160

in

1557

01:01:07,670 --> 01:01:06,880

you know and only when it was time for

1558

01:01:10,230 --> 01:01:07,680

me to know

1559

01:01:11,750 --> 01:01:10,240

was i aware of them you know and it's

1560

01:01:15,190 --> 01:01:11,760

one of these things to where

1561

01:01:17,430 --> 01:01:15,200

we we use our mind as humans to

1562

01:01:18,630 --> 01:01:17,440

judge everything through this human lens

1563

01:01:21,430 --> 01:01:18,640

you know compassion

1564

01:01:21,910 --> 01:01:21,440

uh um you know uh help where you can

1565

01:01:23,670 --> 01:01:21,920

help

1566

01:01:25,589 --> 01:01:23,680

you know and all these common sense

1567

01:01:28,069 --> 01:01:25,599

things but um

1568

01:01:29,430 --> 01:01:28,079

when it when it comes to these higher

1569

01:01:31,910 --> 01:01:29,440

time frames

1570

01:01:32,549 --> 01:01:31,920

for lack of a better word uh sometime

1571

01:01:35,109 --> 01:01:32,559

you know

1572

01:01:36,390 --> 01:01:35,119

in in this weird and part my french

1573

01:01:39,349 --> 01:01:36,400

up way

1574

01:01:39,670 --> 01:01:39,359

um is that some people have really you

1575

01:01:42,390 --> 01:01:39,680

know

1576

01:01:43,109 --> 01:01:42,400

chosen these very interesting painful

1577

01:01:44,630 --> 01:01:43,119

lives

1578

01:01:46,470 --> 01:01:44,640

you know not saying that you can't be

1579

01:01:48,069 --> 01:01:46,480

compassionate you know but

1580

01:01:49,910 --> 01:01:48,079

uh when it comes to these different

1581

01:01:50,710 --> 01:01:49,920

alien groups they see that higher

1582

01:01:52,789 --> 01:01:50,720

connection

1583

01:01:53,829 --> 01:01:52,799

and they don't rob them from those

1584

01:01:56,470 --> 01:01:53,839

experiences

1585

01:01:57,349 --> 01:01:56,480

because from the higher point of view

1586

01:01:59,510 --> 01:01:57,359

this life is

1587

01:02:01,510 --> 01:01:59,520

only here for a very short time you know

1588

01:02:04,069 --> 01:02:01,520

and so to have this very valuable

1589

01:02:06,630 --> 01:02:04,079

experience however painful it may be

1590

01:02:07,510 --> 01:02:06,640

it's very uh you know useful to the soul

1591

01:02:10,390 --> 01:02:07,520

overall

1592

01:02:11,029 --> 01:02:10,400

you know and that is what i found to be

1593

01:02:13,029 --> 01:02:11,039

the case

1594

01:02:14,549 --> 01:02:13,039

and and and i wouldn't have said this

1595

01:02:16,390 --> 01:02:14,559

otherwise if i didn't had

1596

01:02:18,230 --> 01:02:16,400

my own personal experience with this

1597

01:02:19,430 --> 01:02:18,240

this is not just reading from some book

1598

01:02:21,750 --> 01:02:19,440

this is my own

1599

01:02:23,910 --> 01:02:21,760

personal experience about you know

1600

01:02:27,109 --> 01:02:23,920

realizing that there's entire

1601

01:02:29,750 --> 01:02:27,119

uh uh agendas for every person's life

1602

01:02:31,589 --> 01:02:29,760

you know and uh only you know dolores

1603

01:02:32,230 --> 01:02:31,599

cannon actually you know kind of said it

1604

01:02:33,670 --> 01:02:32,240

the best

1605

01:02:35,270 --> 01:02:33,680

there's some people that would come to

1606

01:02:39,029 --> 01:02:35,280

her and she would do these

1607

01:02:41,029 --> 01:02:39,039

regressions to where based on

1608

01:02:42,470 --> 01:02:41,039

what these people were having problems

1609

01:02:45,670 --> 01:02:42,480

with if it

1610

01:02:47,750 --> 01:02:45,680

was to benefit to them to release

1611

01:02:48,870 --> 01:02:47,760

certain things they would release them

1612

01:02:51,510 --> 01:02:48,880

and

1613

01:02:52,309 --> 01:02:51,520

i i personally have seen at least 10

1614

01:02:54,950 --> 01:02:52,319

different people

1615

01:02:55,430 --> 01:02:54,960

in person that they have talked to me

1616

01:02:58,630 --> 01:02:55,440

and

1617

01:03:00,950 --> 01:02:58,640

basically just said i was dying

1618

01:03:02,390 --> 01:03:00,960

i was i was only had a few months left i

1619

01:03:05,029 --> 01:03:02,400

saw dolores cannon

1620

01:03:06,630 --> 01:03:05,039

and i you know after literally one

1621

01:03:07,510 --> 01:03:06,640

session because one session is all you

1622

01:03:09,910 --> 01:03:07,520

really need

1623

01:03:11,270 --> 01:03:09,920

you know many things like oh you have to

1624

01:03:13,430 --> 01:03:11,280

keep coming back no

1625

01:03:14,549 --> 01:03:13,440

one session is to literally work out

1626

01:03:17,109 --> 01:03:14,559

whatever it is that you

1627

01:03:18,069 --> 01:03:17,119

came here for but there are others that

1628

01:03:20,710 --> 01:03:18,079

simply when

1629

01:03:22,870 --> 01:03:20,720

when she put them under this you know

1630

01:03:24,870 --> 01:03:22,880

this source that came through said

1631

01:03:25,990 --> 01:03:24,880

no they're this is what they're here for

1632

01:03:28,870 --> 01:03:26,000

to learn and

1633

01:03:30,470 --> 01:03:28,880

you know uh this will not be taken away

1634

01:03:33,029 --> 01:03:30,480

you know whether it be pains

1635

01:03:34,230 --> 01:03:33,039

or other things you know and that's the

1636

01:03:36,789 --> 01:03:34,240

part to where

1637

01:03:38,230 --> 01:03:36,799

you know it's so hard to take uh

1638

01:03:40,630 --> 01:03:38,240

somebody's word for

1639

01:03:42,230 --> 01:03:40,640

because we want this proof and i don't

1640

01:03:42,950 --> 01:03:42,240

blame people for this and we want to

1641

01:03:44,789 --> 01:03:42,960

approve

1642

01:03:46,390 --> 01:03:44,799

you know we want to see it we want to

1643

01:03:48,789 --> 01:03:46,400

hear it we want to know it

1644

01:03:49,589 --> 01:03:48,799

and like i said i wouldn't have believed

1645

01:03:51,510 --> 01:03:49,599

in myself

1646

01:03:53,109 --> 01:03:51,520

if i didn't have this experience you

1647

01:03:54,950 --> 01:03:53,119

know so uh all

1648

01:03:56,549 --> 01:03:54,960

speaking from my own experience that's

1649

01:03:58,789 --> 01:03:56,559

the only thing i can tell you

1650

01:04:00,390 --> 01:03:58,799

regarding your your comment about the

1651

01:04:03,670 --> 01:04:00,400

the different alien groups

1652

01:04:05,430 --> 01:04:03,680

it would make so much you know it would

1653

01:04:06,549 --> 01:04:05,440

make life so much easier if they can

1654

01:04:09,029 --> 01:04:06,559

just simply hey

1655

01:04:10,789 --> 01:04:09,039

well you use the eggs you know you you

1656

01:04:11,990 --> 01:04:10,799

you've done what you need to do will

1657

01:04:15,270 --> 01:04:12,000

help help a brother out

1658

01:04:17,109 --> 01:04:15,280

you know and um and so

1659

01:04:19,270 --> 01:04:17,119

sadly i don't think that's in their

1660

01:04:22,549 --> 01:04:19,280

agenda um

1661

01:04:23,349 --> 01:04:22,559

there's there's proofs that are here on

1662

01:04:26,789 --> 01:04:23,359

this planet

1663

01:04:30,150 --> 01:04:26,799

that show that that not only

1664

01:04:30,870 --> 01:04:30,160

maybe so i like to tease one of my

1665

01:04:33,270 --> 01:04:30,880

friends

1666

01:04:35,190 --> 01:04:33,280

i'm sorry um argo is it you were you're

1667

01:04:36,549 --> 01:04:35,200

a bit distant can you maybe come just a

1668

01:04:38,829 --> 01:04:36,559

little closer to mike please i

1669

01:04:42,309 --> 01:04:38,839

appreciate it

1670

01:04:43,750 --> 01:04:42,319

okay how about now yes much better thank

1671

01:04:46,390 --> 01:04:43,760

you

1672

01:04:47,510 --> 01:04:46,400

okay so i like to tease one of my

1673

01:04:49,349 --> 01:04:47,520

friends he's

1674

01:04:50,950 --> 01:04:49,359

i you know i've been in the subject for

1675

01:04:51,430 --> 01:04:50,960

years and years and years so all my

1676

01:04:53,990 --> 01:04:51,440

friends

1677

01:04:55,510 --> 01:04:54,000

know that i'm the i'm the ufo bigfoot

1678

01:04:57,190 --> 01:04:55,520

not you know

1679

01:04:59,270 --> 01:04:57,200

so i like to tease one of my friends

1680

01:05:01,670 --> 01:04:59,280

he's from oklahoma

1681

01:05:02,789 --> 01:05:01,680

that i like to i like to to point down

1682

01:05:05,349 --> 01:05:02,799

my foot and i go

1683

01:05:07,270 --> 01:05:05,359

that thing right there and he always

1684

01:05:09,069 --> 01:05:07,280

knows what i'm referring to and that's a

1685

01:05:12,549 --> 01:05:09,079

dinosaur trackway that's

1686

01:05:15,589 --> 01:05:12,559

250 million years old

1687

01:05:18,069 --> 01:05:15,599

and it goes on for some i don't know

1688

01:05:20,069 --> 01:05:18,079

300 yards or a quarter mile something

1689

01:05:23,349 --> 01:05:20,079

like that

1690

01:05:25,349 --> 01:05:23,359

and beside it maybe

1691

01:05:26,870 --> 01:05:25,359

80 yards away or something like that is

1692

01:05:31,029 --> 01:05:26,880

the track way

1693

01:05:33,510 --> 01:05:31,039

uh a human foot and there's no mistaking

1694

01:05:36,230 --> 01:05:33,520

it is absolutely a human foot and it is

1695

01:05:39,430 --> 01:05:36,240

absolutely a dinosaur print

1696

01:05:42,870 --> 01:05:39,440

and they're in the exact same stratum

1697

01:05:44,230 --> 01:05:42,880

and examples of this go on and on and on

1698

01:05:47,349 --> 01:05:44,240

in a man's work called

1699

01:05:48,549 --> 01:05:47,359

dr michael crema but my point was merely

1700

01:05:52,549 --> 01:05:48,559

this

1701

01:05:55,829 --> 01:05:52,559

that my was that from the forbidden

1702

01:05:57,829 --> 01:05:55,839

history is that what the name of it is

1703

01:05:58,870 --> 01:05:57,839

forbidden archaeology forbidden

1704

01:06:01,270 --> 01:05:58,880

archaeology yes

1705

01:06:03,109 --> 01:06:01,280

that's right yeah i can send you a

1706

01:06:04,069 --> 01:06:03,119

picture of it if you'd like it's about

1707

01:06:07,829 --> 01:06:04,079

as

1708

01:06:09,510 --> 01:06:07,839

always

1709

01:06:11,349 --> 01:06:09,520

oh okay i thought you meant a picture of

1710

01:06:12,789 --> 01:06:11,359

that i always heard of that book never

1711

01:06:14,789 --> 01:06:12,799

read it myself but yes

1712

01:06:16,150 --> 01:06:14,799

if if there was a picture of that in it

1713

01:06:17,990 --> 01:06:16,160

i would i'd love to get it

1714

01:06:19,990 --> 01:06:18,000

you can simply send it over telegram so

1715

01:06:21,829 --> 01:06:20,000

everyone else can see too i'd appreciate

1716

01:06:24,870 --> 01:06:21,839

it

1717

01:06:27,589 --> 01:06:24,880

um yeah i can i can

1718

01:06:28,950 --> 01:06:27,599

show you other things uh that i probably

1719

01:06:31,750 --> 01:06:28,960

have a picture of i don't know how to

1720

01:06:33,430 --> 01:06:31,760

send it on this platform but

1721

01:06:35,990 --> 01:06:33,440

you know there's an iron there's a

1722

01:06:39,349 --> 01:06:36,000

hammer that was found

1723

01:06:42,630 --> 01:06:39,359

in in in rock

1724

01:06:46,710 --> 01:06:42,640

and it has an iron head on it and

1725

01:06:48,150 --> 01:06:46,720

it is literally encased in 300 million

1726

01:06:52,309 --> 01:06:48,160

year old strata

1727

01:06:56,069 --> 01:06:52,319

and the the wooden handle is qualifying

1728

01:06:59,670 --> 01:06:56,079

to lend further proof of its

1729

01:07:01,750 --> 01:06:59,680

of its ancients you know its ancientness

1730

01:07:03,910 --> 01:07:01,760

um but my point might the reason why i

1731

01:07:06,630 --> 01:07:03,920

did this is to give a small example of

1732

01:07:08,069 --> 01:07:06,640

how we've been here in the past

1733

01:07:09,910 --> 01:07:08,079

whatever it was i'd like to point down

1734

01:07:11,190 --> 01:07:09,920

on my foot and go i'm not i use i tell

1735

01:07:13,430 --> 01:07:11,200

him scott no

1736

01:07:14,549 --> 01:07:13,440

i'm not saying we were here i'm saying

1737

01:07:17,670 --> 01:07:14,559

that foot

1738

01:07:18,390 --> 01:07:17,680

right there was here 300 million years

1739

01:07:21,589 --> 01:07:18,400

ago

1740

01:07:23,510 --> 01:07:21,599

whatever was above it i have no clue but

1741

01:07:26,829 --> 01:07:23,520

that foot the same thing that's on my

1742

01:07:29,829 --> 01:07:26,839

leg was here 300 million years ago

1743

01:07:30,230 --> 01:07:29,839

so once you get internalized truths like

1744

01:07:31,829 --> 01:07:30,240

that

1745

01:07:33,430 --> 01:07:31,839

and the more you read the book the more

1746

01:07:34,710 --> 01:07:33,440

you understand that all of those truths

1747

01:07:38,470 --> 01:07:34,720

are real then you wonder

1748

01:07:41,750 --> 01:07:38,480

how it is over hundreds

1749

01:07:43,990 --> 01:07:41,760

of millions of years

1750

01:07:45,349 --> 01:07:44,000

that they have allowed us not to know or

1751

01:07:48,630 --> 01:07:45,359

understand

1752

01:07:49,829 --> 01:07:48,640

that is exacerbated in my opinion in my

1753

01:07:51,910 --> 01:07:49,839

view

1754

01:07:53,190 --> 01:07:51,920

by scientific things that are being

1755

01:07:58,150 --> 01:07:53,200

found about our dna

1756

01:07:58,160 --> 01:08:01,270

you said what

1757

01:08:05,029 --> 01:08:03,589

there is an area and i think team number

1758

01:08:08,470 --> 01:08:05,039

two

1759

01:08:12,069 --> 01:08:08,480

uh dr greg braden g r e z

1760

01:08:15,349 --> 01:08:12,079

braden has

1761

01:08:16,789 --> 01:08:15,359

basically um kind of lead ground broke

1762

01:08:20,070 --> 01:08:16,799

this work to the world

1763

01:08:20,950 --> 01:08:20,080

in the gyno platform but what it amounts

1764

01:08:23,189 --> 01:08:20,960

to is

1765

01:08:25,110 --> 01:08:23,199

is that you have say a fuel cell we'll

1766

01:08:28,630 --> 01:08:25,120

call it a fuel cell

1767

01:08:30,789 --> 01:08:28,640

and it sits on on your genetic dna

1768

01:08:31,749 --> 01:08:30,799

and it's truly what determines how long

1769

01:08:34,390 --> 01:08:31,759

a person lives

1770

01:08:36,550 --> 01:08:34,400

because it continues to feed out

1771

01:08:39,189 --> 01:08:36,560

biological materials it allows the human

1772

01:08:41,030 --> 01:08:39,199

body to to then reproduce cells

1773

01:08:42,550 --> 01:08:41,040

and so on and so forth and when that

1774

01:08:46,630 --> 01:08:42,560

reaches its end

1775

01:08:47,189 --> 01:08:46,640

age at the collagen your skin begins to

1776

01:08:49,590 --> 01:08:47,199

go

1777

01:08:50,789 --> 01:08:49,600

you begin to turn gray in your hair

1778

01:08:53,349 --> 01:08:50,799

stuff like that

1779

01:08:55,110 --> 01:08:53,359

well geneticists now understand that

1780

01:08:58,870 --> 01:08:55,120

this capping

1781

01:09:02,470 --> 01:08:58,880

been put on it this

1782

01:09:04,229 --> 01:09:02,480

genetic cap is artificial

1783

01:09:06,470 --> 01:09:04,239

it's a parented geneticist that's

1784

01:09:08,870 --> 01:09:06,480

artificial so

1785

01:09:10,950 --> 01:09:08,880

when you take two pieces of evidence on

1786

01:09:12,789 --> 01:09:10,960

each end of the spectrum

1787

01:09:14,149 --> 01:09:12,799

one is they seem to have at one point

1788

01:09:16,390 --> 01:09:14,159

limited our lifespan

1789

01:09:18,950 --> 01:09:16,400

and two we seem to have been around for

1790

01:09:20,309 --> 01:09:18,960

hundreds of millions of years

1791

01:09:21,590 --> 01:09:20,319

i find that in those hundreds of

1792

01:09:23,110 --> 01:09:21,600

millions of years they've had

1793

01:09:25,349 --> 01:09:23,120

opportunity to tell us

1794

01:09:26,309 --> 01:09:25,359

and maybe something such like well the

1795

01:09:28,870 --> 01:09:26,319

tower of babel

1796

01:09:30,550 --> 01:09:28,880

incident that spoke up in the bible

1797

01:09:32,789 --> 01:09:30,560

maybe that's the incident that got our

1798

01:09:34,229 --> 01:09:32,799

telomere capping put on us

1799

01:09:36,789 --> 01:09:34,239

maybe that's where we went from being

1800

01:09:40,870 --> 01:09:36,799

the 900 years of noah

1801
01:09:44,870 --> 01:09:40,880
to the 65 years that we have today

1802
01:09:48,229 --> 01:09:44,880
so i try not to think of them as

1803
01:09:51,590 --> 01:09:48,239
as benevolent in any way

1804
01:09:53,430 --> 01:09:51,600
um i see what they do in science they uh

1805
01:09:57,669 --> 01:09:53,440
they literally have craft as big as

1806
01:10:04,870 --> 01:10:02,870
so if they're here on that on that level

1807
01:10:06,870 --> 01:10:04,880
then they had their opportunity to tell

1808
01:10:08,470 --> 01:10:06,880
us that's one of the things i heard you

1809
01:10:12,070 --> 01:10:08,480
say was

1810
01:10:16,550 --> 01:10:12,080
the the like the federation of

1811
01:10:18,709 --> 01:10:16,560
of aliens or or planets or whatever

1812
01:10:20,229 --> 01:10:18,719
it's something that i have a very hard

1813
01:10:22,390 --> 01:10:20,239

problem with

1814

01:10:24,149 --> 01:10:22,400

and it's not because of any knee-jerk

1815

01:10:27,110 --> 01:10:24,159

reaction to it

1816

01:10:27,590 --> 01:10:27,120

it's after over a decade really of well

1817

01:10:30,070 --> 01:10:27,600

maybe

1818

01:10:32,709 --> 01:10:30,080

more than that of trying to make sense

1819

01:10:34,550 --> 01:10:32,719

of that idea

1820

01:10:35,990 --> 01:10:34,560

and the only thing i can come down to is

1821

01:10:37,430 --> 01:10:36,000

that was there something today

1822

01:10:39,270 --> 01:10:37,440

i'm trying to think of one uh because

1823

01:10:41,270 --> 01:10:39,280

usually i don't use that word

1824

01:10:42,390 --> 01:10:41,280

because was there something talked about

1825

01:10:57,110 --> 01:10:42,400

today

1826

01:11:00,390 --> 01:10:59,830

a group of them or anything like that

1827

01:11:03,430 --> 01:11:00,400

well

1828

01:11:05,830 --> 01:11:03,440

and and to use the researcher who is

1829

01:11:07,910 --> 01:11:05,840

absolutely my favorite in the world dr

1830

01:11:11,110 --> 01:11:07,920

david jacobs

1831

01:11:12,630 --> 01:11:11,120

and um another friend of his bud hopkins

1832

01:11:16,310 --> 01:11:12,640

his past

1833

01:11:19,350 --> 01:11:16,320

they they um in all of their work

1834

01:11:22,709 --> 01:11:19,360

never found ever that there was

1835

01:11:24,630 --> 01:11:22,719

any other real alien species but one

1836

01:11:26,709 --> 01:11:24,640

and that doesn't even include the gray

1837

01:11:27,110 --> 01:11:26,719

beings because the gray beings seem to

1838

01:11:30,870 --> 01:11:27,120

be

1839

01:11:32,950 --> 01:11:30,880

a created species like i'll tell people

1840

01:11:34,390 --> 01:11:32,960

here's something that are listening

1841

01:11:36,390 --> 01:11:34,400

you're getting ready to learn something

1842

01:11:38,709 --> 01:11:36,400

really insider right now

1843

01:11:39,990 --> 01:11:38,719

we know how they eat we know how grace

1844

01:11:42,709 --> 01:11:40,000

takes sustenance it's to

1845

01:11:43,270 --> 01:11:42,719

a brown paste that's that's put on their

1846

01:11:45,189 --> 01:11:43,280

skin

1847

01:11:47,430 --> 01:11:45,199

and they're left for a certain amount of

1848

01:11:49,750 --> 01:11:47,440

time to absorb this material

1849

01:11:51,430 --> 01:11:49,760

and that's how they eat but yet they

1850

01:11:55,270 --> 01:11:51,440

have a nose

1851

01:11:57,669 --> 01:11:55,280

and a mouth and ear holes

1852

01:11:59,030 --> 01:11:57,679

and they don't speak well it's because

1853

01:12:02,709 --> 01:11:59,040

they're not actually

1854

01:12:06,310 --> 01:12:02,719

a being that can recreate as far as

1855

01:12:07,910 --> 01:12:06,320

real ufology can tell was that

1856

01:12:09,590 --> 01:12:07,920

can you give me a little bit more um

1857

01:12:12,149 --> 01:12:09,600

information on that like uh

1858

01:12:13,350 --> 01:12:12,159

was that from a researcher or how do you

1859

01:12:17,750 --> 01:12:13,360

i just want to know

1860

01:12:21,030 --> 01:12:17,760

that that was that was firsthand

1861

01:12:24,790 --> 01:12:21,040

accounting to

1862

01:12:28,470 --> 01:12:24,800

one of the world's biggest researchers

1863

01:12:30,310 --> 01:12:28,480

okay yeah i mean

1864

01:12:32,310 --> 01:12:30,320

in private i would be willing to give

1865

01:12:33,110 --> 01:12:32,320

you that answer but i've set it up there

1866

01:12:41,030 --> 01:12:33,120

but

1867

01:12:43,910 --> 01:12:41,040

i forget where we were going um oh the

1868

01:12:45,669 --> 01:12:43,920

okay so the the different species it

1869

01:12:49,030 --> 01:12:45,679

seems as though

1870

01:12:51,990 --> 01:12:49,040

no matter when or where

1871

01:12:53,430 --> 01:12:52,000

an abductee is in the extremely rare

1872

01:12:57,350 --> 01:12:53,440

moment

1873

01:13:01,030 --> 01:12:57,360

to question a being's origin

1874

01:13:03,030 --> 01:13:01,040

or their lineage lineage seems to come

1875

01:13:04,790 --> 01:13:03,040

about more easily in a question as

1876

01:13:06,630 --> 01:13:04,800

are more often times dealing with a

1877

01:13:08,070 --> 01:13:06,640

child a hybrid child that

1878

01:13:11,030 --> 01:13:08,080

has something to do with a human on

1879

01:13:14,390 --> 01:13:11,040

board but in the very few times

1880

01:13:16,630 --> 01:13:14,400

we've been able that that that good

1881

01:13:18,310 --> 01:13:16,640

civilian scientists and accredited

1882

01:13:21,350 --> 01:13:18,320

scientists have been able to

1883

01:13:23,030 --> 01:13:21,360

to get any kind of uh answer

1884

01:13:25,590 --> 01:13:23,040

about these things it seems that

1885

01:13:28,709 --> 01:13:25,600

basically everything is created

1886

01:13:31,990 --> 01:13:28,719

uh in dr jacob's work a woman says she's

1887

01:13:34,390 --> 01:13:32,000

she's she has an inordinate amount

1888

01:13:36,229 --> 01:13:34,400

of uh mental prowess to be able to

1889

01:13:37,189 --> 01:13:36,239

resist the aliens when they come to get

1890

01:13:39,189 --> 01:13:37,199

her

1891

01:13:40,790 --> 01:13:39,199

not so much that she can break free of

1892

01:13:42,870 --> 01:13:40,800

their complete control but enough that

1893

01:13:44,070 --> 01:13:42,880

she can resist and they go tired of it

1894

01:13:46,870 --> 01:13:44,080

she says

1895

01:13:48,070 --> 01:13:46,880

that um i i won't leave unless jesus

1896

01:13:50,790 --> 01:13:48,080

christ says that i

1897

01:13:52,630 --> 01:13:50,800

that i need to go with you lo and behold

1898

01:13:54,149 --> 01:13:52,640

in a few minutes they produce jesus

1899

01:13:57,189 --> 01:13:54,159

christ

1900

01:13:58,950 --> 01:13:57,199

and she goes on with them well in in

1901

01:14:01,189 --> 01:13:58,960

further questioning of her she's asked

1902

01:14:03,189 --> 01:14:01,199

well what did jesus look like

1903

01:14:04,550 --> 01:14:03,199

well what did he have on well he had on

1904

01:14:06,950 --> 01:14:04,560

a jumpsuit

1905

01:14:07,990 --> 01:14:06,960

really and and what color was his hair

1906

01:14:10,950 --> 01:14:08,000

blonde

1907

01:14:12,830 --> 01:14:10,960

and what color was his eyes blue and did

1908

01:14:16,229 --> 01:14:12,840

he say anything to you directly

1909

01:14:18,070 --> 01:14:16,239

no you see

1910

01:14:19,430 --> 01:14:18,080

these are the things that they can that

1911

01:14:23,430 --> 01:14:19,440

they regularly

1912

01:14:26,830 --> 01:14:23,440

use to pacify

1913

01:14:30,310 --> 01:14:26,840

a human into um

1914

01:14:32,790 --> 01:14:30,320

performing the action in which

1915

01:14:34,149 --> 01:14:32,800

they would like you to perform whether

1916

01:14:35,990 --> 01:14:34,159

that is laying down

1917

01:14:38,070 --> 01:14:36,000

getting on board don't be so

1918

01:14:42,310 --> 01:14:38,080

cantankerous

1919

01:14:45,590 --> 01:14:42,320

stand here quietly

1920

01:14:48,790 --> 01:14:45,600

um so

1921

01:14:51,350 --> 01:14:48,800

in having that scientific evidence that

1922

01:14:53,189 --> 01:14:51,360

nearly every being seems to be created

1923

01:14:55,430 --> 01:14:53,199

and that there is only one being who

1924

01:14:57,350 --> 01:14:55,440

seems to be truly in charge

1925

01:14:59,270 --> 01:14:57,360

and that's the insect-like ones who are

1926

01:15:01,830 --> 01:14:59,280

very rarely seen but

1927

01:15:04,470 --> 01:15:01,840

many times are in the back of the ufo or

1928

01:15:06,470 --> 01:15:04,480

standing quietly off to the side

1929

01:15:08,229 --> 01:15:06,480

there's been very few interactions with

1930

01:15:10,470 --> 01:15:08,239

them through the years but

1931

01:15:12,550 --> 01:15:10,480

people do have regular interactions with

1932

01:15:16,149 --> 01:15:12,560

them because of the great quantity of

1933

01:15:19,030 --> 01:15:16,159

people who are in the program

1934

01:15:19,830 --> 01:15:19,040

now to add just a little more

1935

01:15:23,030 --> 01:15:19,840

embellishment

1936

01:15:26,550 --> 01:15:23,040

to this idea that there is no

1937

01:15:29,110 --> 01:15:26,560

federation of beings that there is

1938

01:15:31,430 --> 01:15:29,120

only one true alien that all genetic

1939

01:15:32,310 --> 01:15:31,440

creations below it are just that below

1940

01:15:36,149 --> 01:15:32,320

it

1941

01:15:38,870 --> 01:15:36,159

i would like to add to this these people

1942

01:15:39,590 --> 01:15:38,880

these the civilization can sit outside

1943

01:15:42,470 --> 01:15:39,600

our sun

1944

01:15:45,430 --> 01:15:42,480

and craft the size of of planetoids in

1945

01:15:47,990 --> 01:15:45,440

our solar system

1946

01:15:49,990 --> 01:15:48,000

um you go all the way back to the early

1947

01:15:52,310 --> 01:15:50,000

80s when the phobos ii mission

1948

01:15:53,510 --> 01:15:52,320

took several photos of the giant disc

1949

01:15:56,310 --> 01:15:53,520

coming

1950

01:15:58,550 --> 01:15:56,320

around into mars orbit they've been here

1951

01:16:01,990 --> 01:15:58,560

for a very long time

1952

01:16:05,430 --> 01:16:02,000

and they have a way of doing things

1953

01:16:09,030 --> 01:16:05,440

okay and i don't

1954

01:16:14,149 --> 01:16:09,040

it to me i don't think that there is

1955

01:16:18,790 --> 01:16:14,159

room in our tiny little solar system

1956

01:16:21,510 --> 01:16:18,800

for more than one galactic superpower

1957

01:16:22,550 --> 01:16:21,520

because if there were a federation of

1958

01:16:25,669 --> 01:16:22,560

beings

1959

01:16:28,870 --> 01:16:25,679

or planets civilizations or

1960

01:16:32,070 --> 01:16:28,880

galaxies i would like to hope that

1961

01:16:33,350 --> 01:16:32,080

somewhere along the hundreds of millions

1962

01:16:36,709 --> 01:16:33,360

of years

1963

01:16:39,830 --> 01:16:36,719

that just one person would play pundit

1964

01:16:41,669 --> 01:16:39,840

for us and stand for the human race and

1965

01:16:42,550 --> 01:16:41,679

demand that we come out of the great

1966

01:16:46,830 --> 01:16:42,560

darkness

1967

01:16:48,550 --> 01:16:46,840

that we've been in for seemingly so very

1968

01:16:52,470 --> 01:16:48,560

long

1969

01:16:55,510 --> 01:16:52,480

uh is it do you want me to call you argo

1970

01:16:56,390 --> 01:16:55,520

that's fine okay so you know i i know

1971

01:16:58,310 --> 01:16:56,400

exactly what

1972

01:17:00,830 --> 01:16:58,320

what you what you mean but let's let's

1973

01:17:04,310 --> 01:17:00,840

just go back a little bit here

1974

01:17:06,550 --> 01:17:04,320

so let's say there's somebody that can't

1975

01:17:07,830 --> 01:17:06,560

then can't necessarily prove prove it to

1976

01:17:09,350 --> 01:17:07,840

themselves 100

1977

01:17:11,110 --> 01:17:09,360

to their own experiences right because

1978

01:17:12,709 --> 01:17:11,120

that's the best way to get a

1979

01:17:14,070 --> 01:17:12,719

confirmation of something you hear

1980

01:17:14,709 --> 01:17:14,080

something somebody tells you about

1981

01:17:16,790 --> 01:17:14,719

something

1982

01:17:18,709 --> 01:17:16,800

you have experience of your own it's a

1983

01:17:20,790 --> 01:17:18,719

perfect perfect way i think

1984

01:17:22,709 --> 01:17:20,800

to just be kind of either convinced of

1985

01:17:25,990 --> 01:17:22,719

it or not um

1986

01:17:26,310 --> 01:17:26,000

the so taking that out of the picture

1987

01:17:29,750 --> 01:17:26,320

for

1988

01:17:31,910 --> 01:17:29,760

that i in the very beginning

1989

01:17:33,350 --> 01:17:31,920

noticed and this was uh uh this was

1990

01:17:35,990 --> 01:17:33,360

actually around 2012

1991

01:17:36,390 --> 01:17:36,000

because david jacobs and dolores cannon

1992

01:17:38,630 --> 01:17:36,400

were

1993

01:17:40,310 --> 01:17:38,640

at uh at the conference at the same you

1994

01:17:42,790 --> 01:17:40,320

know during that same time

1995

01:17:44,149 --> 01:17:42,800

if if my memory serves right i did 2012

1996

01:17:46,709 --> 01:17:44,159

for 2013.

1997

01:17:47,350 --> 01:17:46,719

and what's very interesting is that them

1998

01:17:50,390 --> 01:17:47,360

two

1999

01:17:52,950 --> 01:17:50,400

are they almost like uh i would say

2000

01:17:54,870 --> 01:17:52,960

more david jacobs uh not so much dolores

2001

01:17:57,350 --> 01:17:54,880

cannon actually heard not at all

2002

01:17:59,110 --> 01:17:57,360

you know uh not not trying to be you

2003

01:18:00,709 --> 01:17:59,120

know nice about it's just how she simply

2004

01:18:03,430 --> 01:18:00,719

was from my memory

2005

01:18:04,310 --> 01:18:03,440

you know he was very condescending

2006

01:18:06,390 --> 01:18:04,320

towards her

2007

01:18:07,350 --> 01:18:06,400

level of research because the way he

2008

01:18:09,110 --> 01:18:07,360

would do these

2009

01:18:11,910 --> 01:18:09,120

different the way he written his books

2010

01:18:13,270 --> 01:18:11,920

was he would uh put people under and

2011

01:18:15,750 --> 01:18:13,280

then they would go through these

2012

01:18:17,189 --> 01:18:15,760

traumatic experiences and recalling

2013

01:18:20,149 --> 01:18:17,199

exactly what had happened

2014

01:18:21,990 --> 01:18:20,159

right but then it would stop there it

2015

01:18:23,669 --> 01:18:22,000

would stop there and then he would just

2016

01:18:25,750 --> 01:18:23,679

write it out you know i hope he would

2017

01:18:26,470 --> 01:18:25,760

write it out as accurately as possible

2018

01:18:28,630 --> 01:18:26,480

whereas in

2019

01:18:30,870 --> 01:18:28,640

in a lot of dolores kennens works in

2020

01:18:33,350 --> 01:18:30,880

her books you can see she goes much

2021

01:18:35,669 --> 01:18:33,360

deeper beyond that level to where now

2022

01:18:37,030 --> 01:18:35,679

uh even though the mind and the person

2023

01:18:37,910 --> 01:18:37,040

has experienced this traumatic

2024

01:18:39,669 --> 01:18:37,920

experience

2025

01:18:41,910 --> 01:18:39,679

there is a deeper understanding of what

2026

01:18:44,550 --> 01:18:41,920

just occurred it's almost like um

2027

01:18:46,070 --> 01:18:44,560

not comparing humans to dogs but if we

2028

01:18:48,709 --> 01:18:46,080

take a dog to

2029

01:18:50,310 --> 01:18:48,719

to the vet and have to subject them to

2030

01:18:51,750 --> 01:18:50,320

these different things that we have to

2031

01:18:53,270 --> 01:18:51,760

subject the dog to

2032

01:18:54,790 --> 01:18:53,280

the dog just doesn't have the

2033

01:18:56,310 --> 01:18:54,800

understanding you know

2034

01:18:57,910 --> 01:18:56,320

now i'm not saying that we as humans

2035

01:18:59,669 --> 01:18:57,920

cannot have it that's not what i'm

2036

01:19:00,470 --> 01:18:59,679

saying at all i'm just trying to use a

2037

01:19:02,790 --> 01:19:00,480

very

2038

01:19:03,830 --> 01:19:02,800

uh inadequate analogy here is that the

2039

01:19:06,149 --> 01:19:03,840

dog might

2040

01:19:07,830 --> 01:19:06,159

you know whine and bark and all these

2041

01:19:08,550 --> 01:19:07,840

things because you might see that doctor

2042

01:19:10,149 --> 01:19:08,560

as a threat

2043

01:19:11,669 --> 01:19:10,159

and what in the world that i'm doing

2044

01:19:13,110 --> 01:19:11,679

here it's a different place than what

2045

01:19:15,030 --> 01:19:13,120

what i'm usually used to

2046

01:19:17,110 --> 01:19:15,040

but then there's a generally like hey

2047

01:19:19,830 --> 01:19:17,120

you were just given a shot for warmth

2048

01:19:21,189 --> 01:19:19,840

or you were just you know and then not

2049

01:19:22,470 --> 01:19:21,199

or just a checkup you know it doesn't

2050

01:19:25,110 --> 01:19:22,480

always have to be something

2051
01:19:25,750 --> 01:19:25,120
you know that beneficial you know and

2052
01:19:28,870 --> 01:19:25,760
something

2053
01:19:31,189 --> 01:19:28,880
what was interesting is that not only

2054
01:19:33,669 --> 01:19:31,199
did each one of these people then go

2055
01:19:35,669 --> 01:19:33,679
that deep down to where they could

2056
01:19:37,669 --> 01:19:35,679
recall the experiences but now

2057
01:19:39,430 --> 01:19:37,679
they were at ease they weren't they were

2058
01:19:42,709 --> 01:19:39,440
understanding that hey

2059
01:19:43,990 --> 01:19:42,719
at this time whatever time was whatever

2060
01:19:46,870 --> 01:19:44,000
that space was

2061
01:19:47,669 --> 01:19:46,880
i made an agreement to do this and that

2062
01:19:50,070 --> 01:19:47,679
my body

2063
01:19:51,750 --> 01:19:50,080

my the personality that i'm going to be

2064

01:19:54,310 --> 01:19:51,760

playing whether it's betty

2065

01:19:56,229 --> 01:19:54,320

martha joe jim whatever it's not going

2066

01:19:59,189 --> 01:19:56,239

to remember this during this lifetime

2067

01:20:00,470 --> 01:19:59,199

unless you know you're put under you

2068

01:20:02,070 --> 01:20:00,480

know and so of course

2069

01:20:03,910 --> 01:20:02,080

when these different things go through

2070

01:20:04,470 --> 01:20:03,920

and this is the several things that i

2071

01:20:06,870 --> 01:20:04,480

was

2072

01:20:08,470 --> 01:20:06,880

basically hearing about and this is just

2073

01:20:09,270 --> 01:20:08,480

channeled information that a lot of

2074

01:20:12,070 --> 01:20:09,280

people can

2075

01:20:12,950 --> 01:20:12,080

find out on their own is that the grace

2076

01:20:15,430 --> 01:20:12,960

at that time

2077

01:20:17,430 --> 01:20:15,440

they were just so alien to us basically

2078

01:20:19,750 --> 01:20:17,440

meaning they lost all

2079

01:20:20,950 --> 01:20:19,760

because you know the the other theory

2080

01:20:23,590 --> 01:20:20,960

about alien

2081

01:20:25,910 --> 01:20:23,600

about the grace in general is that not

2082

01:20:27,430 --> 01:20:25,920

the the robotic grace i'm talking about

2083

01:20:29,270 --> 01:20:27,440

the the taller grace that they're

2084

01:20:29,990 --> 01:20:29,280

actually humans from a different

2085

01:20:31,669 --> 01:20:30,000

dimension

2086

01:20:33,890 --> 01:20:31,679

that basically have bred the humanity

2087

01:20:35,270 --> 01:20:33,900

out of themselves

2088

01:20:38,629 --> 01:20:35,280

[Music]

2089

01:20:39,590 --> 01:20:38,639

yeah yeah yeah actually there's been a

2090

01:20:41,990 --> 01:20:39,600

couple of

2091

01:20:43,990 --> 01:20:42,000

people who are people that i respect

2092

01:20:45,910 --> 01:20:44,000

from the past who have written

2093

01:20:47,030 --> 01:20:45,920

a little bit who've written works about

2094

01:20:50,149 --> 01:20:47,040

it who have

2095

01:20:53,189 --> 01:20:50,159

compelling ideas

2096

01:20:55,590 --> 01:20:53,199

about that subject right i personally

2097

01:20:56,629 --> 01:20:55,600

do not think that they are from there i

2098

01:20:58,390 --> 01:20:56,639

think that they

2099

01:21:02,310 --> 01:20:58,400

i don't think they're us i think that

2100

01:21:05,669 --> 01:21:02,320

they are exactly what they told

2101

01:21:07,270 --> 01:21:05,679

betty luca okay well no i'm just

2102

01:21:08,950 --> 01:21:07,280

for the sake of this conversation i'm

2103

01:21:10,390 --> 01:21:08,960

just trying to uh

2104

01:21:11,990 --> 01:21:10,400

you know make sure you can follow me

2105

01:21:14,229 --> 01:21:12,000

what i'm trying to get to next

2106

01:21:15,189 --> 01:21:14,239

yeah because of these this lack of

2107

01:21:18,310 --> 01:21:15,199

emotions

2108

01:21:19,350 --> 01:21:18,320

you know for example um especially when

2109

01:21:20,790 --> 01:21:19,360

it comes to uh

2110

01:21:22,550 --> 01:21:20,800

keep forgetting which one is was

2111

01:21:25,189 --> 01:21:22,560

specifically but there would be

2112

01:21:25,990 --> 01:21:25,199

this you know uh this was a i believe a

2113

01:21:27,750 --> 01:21:26,000

guy that was

2114

01:21:29,270 --> 01:21:27,760

that was abducted and he was just

2115

01:21:30,870 --> 01:21:29,280

screaming his head off

2116

01:21:33,030 --> 01:21:30,880

you know he was just screaming his head

2117

01:21:35,270 --> 01:21:33,040

off i mean he's bound down to this table

2118

01:21:36,629 --> 01:21:35,280

it's all you know obviously he's staring

2119

01:21:38,709 --> 01:21:36,639

at these weird beings

2120

01:21:39,910 --> 01:21:38,719

you know and one of them just gets close

2121

01:21:42,470 --> 01:21:39,920

to his face and just

2122

01:21:43,189 --> 01:21:42,480

kind of like uh telepathically and then

2123

01:21:45,270 --> 01:21:43,199

this

2124

01:21:47,750 --> 01:21:45,280

what telepathically kind of also came

2125

01:21:50,709 --> 01:21:47,760

across in this dumbfounded way was like

2126
01:21:51,750 --> 01:21:50,719
why are you screaming you know it's and

2127
01:21:54,390 --> 01:21:51,760
they're that

2128
01:21:55,510 --> 01:21:54,400
not related to the you know human

2129
01:21:57,669 --> 01:21:55,520
emotion now

2130
01:21:58,870 --> 01:21:57,679
from my understanding and i have no

2131
01:22:01,669 --> 01:21:58,880
proof of my own

2132
01:22:01,990 --> 01:22:01,679
is that that was corrected you know that

2133
01:22:05,669 --> 01:22:02,000
they

2134
01:22:08,149 --> 01:22:05,679
other level it's kind of like um

2135
01:22:09,669 --> 01:22:08,159
us doing some stuff they'll need to

2136
01:22:11,669 --> 01:22:09,679
let's

2137
01:22:13,910 --> 01:22:11,679
they'll ask a lot they'll ask what can

2138
01:22:16,310 --> 01:22:13,920

we do to help you stop screaming

2139

01:22:17,030 --> 01:22:16,320

or they'll actually walk will we do or

2140

01:22:21,990 --> 01:22:17,040

or

2141

01:22:22,709 --> 01:22:22,000

people kind of in a matter of factly

2142

01:22:25,030 --> 01:22:22,719

type of way

2143

01:22:27,189 --> 01:22:25,040

like why do you scream like this you

2144

01:22:30,229 --> 01:22:27,199

know we're not going to hurt you

2145

01:22:31,750 --> 01:22:30,239

now they now that's an alien taking into

2146

01:22:33,990 --> 01:22:31,760

account that he's not abducted this

2147

01:22:35,590 --> 01:22:34,000

person 450 times

2148

01:22:37,350 --> 01:22:35,600

they should know by now that they're not

2149

01:22:38,629 --> 01:22:37,360

going to be killed the problem is that

2150

01:22:40,229 --> 01:22:38,639

when they leave the ship

2151

01:22:42,229 --> 01:22:40,239

they blank them every time and this

2152

01:22:44,390 --> 01:22:42,239

person may be one of the people that it

2153

01:22:46,149 --> 01:22:44,400

works on so incredibly well

2154

01:22:49,430 --> 01:22:46,159

that they have no idea that they're an

2155

01:22:51,110 --> 01:22:49,440

abductee they just live a strange lie

2156

01:22:52,950 --> 01:22:51,120

right and i've known i've known a few

2157

01:22:54,149 --> 01:22:52,960

like that that just uh even joined

2158

01:22:56,229 --> 01:22:54,159

meetings that say

2159

01:22:57,830 --> 01:22:56,239

i have an inkling i have no you know

2160

01:22:59,590 --> 01:22:57,840

they would come come home and they would

2161

01:23:02,310 --> 01:22:59,600

have like these weird markings on them

2162

01:23:04,310 --> 01:23:02,320

and they just based on that make this

2163

01:23:06,550 --> 01:23:04,320

assumption but they actually have no

2164

01:23:09,270 --> 01:23:06,560

recollection and at that point

2165

01:23:10,870 --> 01:23:09,280

that i'm aware of weren't even um

2166

01:23:11,910 --> 01:23:10,880

regressed you know to see if they can

2167

01:23:13,590 --> 01:23:11,920

recall something

2168

01:23:15,510 --> 01:23:13,600

all i'm saying is i think what we would

2169

01:23:18,629 --> 01:23:15,520

just simply differ in our opinion

2170

01:23:19,590 --> 01:23:18,639

is that i get that part too i totally

2171

01:23:22,310 --> 01:23:19,600

get that because there was

2172

01:23:23,510 --> 01:23:22,320

the first you know 10 years that was

2173

01:23:25,750 --> 01:23:23,520

pretty much my life

2174

01:23:26,709 --> 01:23:25,760

but that what followed after that is

2175

01:23:29,270 --> 01:23:26,719

this different

2176
01:23:29,910 --> 01:23:29,280
understanding to what had occurred so i

2177
01:23:32,149 --> 01:23:29,920
could

2178
01:23:33,110 --> 01:23:32,159
kind of drag that same experience and

2179
01:23:34,950 --> 01:23:33,120
say no

2180
01:23:37,590 --> 01:23:34,960
i'm a victim what you did to me is

2181
01:23:39,990 --> 01:23:37,600
unacceptable and and so blah blah blah

2182
01:23:41,990 --> 01:23:40,000
or if and when eventually people have

2183
01:23:43,590 --> 01:23:42,000
the same experiences that i did i hope

2184
01:23:44,870 --> 01:23:43,600
not because it required a near-death

2185
01:23:48,470 --> 01:23:44,880
experience in my case

2186
01:23:51,830 --> 01:23:48,480
to realize oh an agreement was made

2187
01:23:53,990 --> 01:23:51,840
you know and i want abductees or

2188
01:23:54,629 --> 01:23:54,000

experiencers like yourself to have that

2189

01:23:58,229 --> 01:23:54,639

exact

2190

01:24:00,149 --> 01:23:58,239

same experience because if they have the

2191

01:24:02,950 --> 01:24:00,159

experience of being frightful

2192

01:24:04,470 --> 01:24:02,960

or injured or scared then we're not then

2193

01:24:07,030 --> 01:24:04,480

they're not going to share

2194

01:24:09,510 --> 01:24:07,040

and what we need is for everybody who's

2195

01:24:11,510 --> 01:24:09,520

a contactee to be in contact with what's

2196

01:24:13,510 --> 01:24:11,520

actually going on with them and to share

2197

01:24:14,629 --> 01:24:13,520

so that worldwide we can learn more

2198

01:24:17,110 --> 01:24:14,639

about this

2199

01:24:18,390 --> 01:24:17,120

right well see this is the the part that

2200

01:24:19,510 --> 01:24:18,400

not a lot of people are going to put

2201

01:24:21,910 --> 01:24:19,520

themselves in that

2202

01:24:23,590 --> 01:24:21,920

space to where they just willingly go

2203

01:24:25,430 --> 01:24:23,600

through something throughout

2204

01:24:26,629 --> 01:24:25,440

and i have to just to clarify here what

2205

01:24:29,990 --> 01:24:26,639

i'm talking about

2206

01:24:32,149 --> 01:24:30,000

it wasn't a specific example regarding

2207

01:24:33,189 --> 01:24:32,159

aliens it was something about my parents

2208

01:24:34,950 --> 01:24:33,199

you know regarding

2209

01:24:36,629 --> 01:24:34,960

uh their life that i was having with

2210

01:24:38,709 --> 01:24:36,639

them and how i basically just

2211

01:24:40,470 --> 01:24:38,719

was in this total victim mode and

2212

01:24:41,030 --> 01:24:40,480

blaming them for all the wrongs in my

2213

01:24:43,750 --> 01:24:41,040

life

2214

01:24:44,870 --> 01:24:43,760

you know only to realize that i had

2215

01:24:47,030 --> 01:24:44,880

literally begged them

2216

01:24:48,870 --> 01:24:47,040

to be the way they are so i they can

2217

01:24:51,669 --> 01:24:48,880

become the person that i am today

2218

01:24:52,229 --> 01:24:51,679

because i my higher self you know if if

2219

01:24:54,310 --> 01:24:52,239

you're

2220

01:24:55,270 --> 01:24:54,320

you know believe into that kind of thing

2221

01:24:58,310 --> 01:24:55,280

and understood

2222

01:25:00,390 --> 01:24:58,320

knew why why it was coming here

2223

01:25:01,910 --> 01:25:00,400

and what it needed how far it needed to

2224

01:25:04,870 --> 01:25:01,920

be squeezed to just

2225

01:25:05,590 --> 01:25:04,880

mold the person into the the personality

2226

01:25:07,750 --> 01:25:05,600

to be

2227

01:25:09,510 --> 01:25:07,760

that i am today you know and it was

2228

01:25:12,390 --> 01:25:09,520

important for my higher self to be that

2229

01:25:16,149 --> 01:25:12,400

way of why exactly i don't i'm still not

2230

01:25:18,229 --> 01:25:16,159

100 you know understanding of that but

2231

01:25:20,550 --> 01:25:18,239

it's it was enough for me to go i

2232

01:25:23,110 --> 01:25:20,560

remember them yeah i remember that now

2233

01:25:24,550 --> 01:25:23,120

i see it now and i just moved on it like

2234

01:25:26,629 --> 01:25:24,560

that hatred went away

2235

01:25:27,910 --> 01:25:26,639

i'm not saying that we need to just

2236

01:25:31,189 --> 01:25:27,920

immediately just

2237

01:25:32,870 --> 01:25:31,199

you know um i mean for a person yeah

2238

01:25:34,790 --> 01:25:32,880

what i'm saying is for a person that

2239

01:25:37,990 --> 01:25:34,800

that went through something traumatic

2240

01:25:41,430 --> 01:25:38,000

you know like a god forbid a a knife

2241

01:25:43,110 --> 01:25:41,440

wound or or or just watch somebody just

2242

01:25:44,229 --> 01:25:43,120

kill the entire family in front of them

2243

01:25:45,990 --> 01:25:44,239

you know or something

2244

01:25:47,510 --> 01:25:46,000

really traumatic in that way i'm not

2245

01:25:48,709 --> 01:25:47,520

saying like oh just forgive them it's

2246

01:25:50,310 --> 01:25:48,719

all good you know

2247

01:25:52,070 --> 01:25:50,320

it's like what i'm saying is yes you

2248

01:25:53,669 --> 01:25:52,080

have these feelings for a reason

2249

01:25:55,270 --> 01:25:53,679

you know you need to work on whatever

2250

01:25:56,149 --> 01:25:55,280

you're working on for a reason you know

2251
01:25:59,270 --> 01:25:56,159
it's like

2252
01:26:00,709 --> 01:25:59,280
you know and but the point is that in

2253
01:26:03,350 --> 01:26:00,719
this weird

2254
01:26:05,830 --> 01:26:03,360
up way we've chosen to be here to

2255
01:26:07,990 --> 01:26:05,840
play this very hard game called life

2256
01:26:09,030 --> 01:26:08,000
that we live here on earth and it

2257
01:26:10,790 --> 01:26:09,040
involves these

2258
01:26:12,550 --> 01:26:10,800
many facets whether it would be in

2259
01:26:14,229 --> 01:26:12,560
personal lives or alien

2260
01:26:15,910 --> 01:26:14,239
involvements or any of these other

2261
01:26:17,189 --> 01:26:15,920
things you know and so definitely so

2262
01:26:21,830 --> 01:26:17,199
through the years

2263
01:26:24,310 --> 01:26:21,840

with several abductees

2264

01:26:25,590 --> 01:26:24,320

um you know it's it's you don't get out

2265

01:26:27,270 --> 01:26:25,600

on a billboard and you

2266

01:26:28,390 --> 01:26:27,280

announce hey how are you following just

2267

01:26:30,149 --> 01:26:28,400

look at you know what i mean it's just

2268

01:26:32,870 --> 01:26:30,159

not the way it's done but over the years

2269

01:26:34,709 --> 01:26:32,880

i've been involved with many abductees

2270

01:26:35,990 --> 01:26:34,719

most recently i stuck up a friendship

2271

01:26:39,830 --> 01:26:36,000

with a man from australia

2272

01:26:42,149 --> 01:26:39,840

last year now going back to dr jacobs

2273

01:26:43,270 --> 01:26:42,159

dr jacobs to me has the tip of the spear

2274

01:26:46,470 --> 01:26:43,280

information on

2275

01:26:49,430 --> 01:26:46,480

what is to come kind of next in ufology

2276

01:26:51,030 --> 01:26:49,440

but he has some glaring blind sides

2277

01:26:53,430 --> 01:26:51,040

glaring blind sides

2278

01:26:54,870 --> 01:26:53,440

quickly i'll i'll touch on the one with

2279

01:26:56,550 --> 01:26:54,880

with dolores

2280

01:26:58,229 --> 01:26:56,560

delores deals with something that i

2281

01:27:00,550 --> 01:26:58,239

believe that the aliens don't have much

2282

01:27:03,590 --> 01:27:00,560

control or even understanding of

2283

01:27:04,870 --> 01:27:03,600

and that's what it is inside of us our

2284

01:27:07,990 --> 01:27:04,880

soul

2285

01:27:08,310 --> 01:27:08,000

that quantum whatever it is that makes

2286

01:27:11,030 --> 01:27:08,320

up

2287

01:27:11,990 --> 01:27:11,040

us that sometimes gets left over here on

2288

01:27:14,229 --> 01:27:12,000

this planet

2289

01:27:16,149 --> 01:27:14,239

when someone dies i don't think the

2290

01:27:19,350 --> 01:27:16,159

aliens have any real

2291

01:27:21,990 --> 01:27:19,360

understanding at all about that and

2292

01:27:22,629 --> 01:27:22,000

dolores was more of a person who dealt

2293

01:27:27,430 --> 01:27:22,639

with

2294

01:27:29,110 --> 01:27:27,440

jacobs is very clinical as you know

2295

01:27:31,430 --> 01:27:29,120

you've met the man i'm sure

2296

01:27:33,110 --> 01:27:31,440

yeah he's very clinical you know so if

2297

01:27:35,510 --> 01:27:33,120

it's outside of his realm

2298

01:27:37,270 --> 01:27:35,520

he can't really consider it in any and

2299

01:27:39,189 --> 01:27:37,280

any intelligent way

2300

01:27:41,110 --> 01:27:39,199

because he's done no groundwork now

2301

01:27:44,070 --> 01:27:41,120

that's where people like myself

2302

01:27:45,590 --> 01:27:44,080

who have had to encompass everything to

2303

01:27:48,070 --> 01:27:45,600

try and understand

2304

01:27:49,750 --> 01:27:48,080

everything to put it in its box and i

2305

01:27:51,510 --> 01:27:49,760

don't understand everything in any way

2306

01:27:54,709 --> 01:27:51,520

that kind of sounds pompous

2307

01:27:58,149 --> 01:27:54,719

i completely don't but there are many

2308

01:28:00,229 --> 01:27:58,159

things that i have come to understand

2309

01:28:02,149 --> 01:28:00,239

that i'm afraid that many people do not

2310

01:28:05,510 --> 01:28:02,159

and one with doc jacobs

2311

01:28:09,030 --> 01:28:05,520

is that bigfoot is

2312

01:28:12,390 --> 01:28:09,040

a real being first of all and

2313

01:28:15,750 --> 01:28:12,400

that it is seen way too often

2314

01:28:17,830 --> 01:28:15,760

around the conjunctures of lights and

2315

01:28:21,270 --> 01:28:17,840

strange orbs

2316

01:28:21,910 --> 01:28:21,280

um abductees have them coming to their

2317

01:28:25,510 --> 01:28:21,920

house

2318

01:28:29,270 --> 01:28:25,520

tapping on windows um leaving

2319

01:28:32,550 --> 01:28:29,280

gifts taking things

2320

01:28:36,149 --> 01:28:32,560

and in the last

2321

01:28:40,229 --> 01:28:36,159

20 years it has ramped up

2322

01:28:42,070 --> 01:28:40,239

incredibly like incredibly

2323

01:28:44,709 --> 01:28:42,080

and so to try and talk to doc jacobs

2324

01:28:47,430 --> 01:28:44,719

about that would be impossible

2325

01:28:48,229 --> 01:28:47,440

well i mean look at uh the way i see

2326

01:28:50,470 --> 01:28:48,239

these different

2327

01:28:51,669 --> 01:28:50,480

uh points of view is kind of like look

2328

01:28:53,830 --> 01:28:51,679

at the scientists

2329

01:28:55,270 --> 01:28:53,840

right or let's let's forget the

2330

01:28:57,270 --> 01:28:55,280

scientists let's just say

2331

01:28:58,550 --> 01:28:57,280

the nuts and bolts researchers right of

2332

01:29:01,590 --> 01:28:58,560

ufology

2333

01:29:04,229 --> 01:29:01,600

and then their views on right

2334

01:29:06,390 --> 01:29:04,239

and then the view well not not everybody

2335

01:29:07,430 --> 01:29:06,400

the hardcore nuts and bolts researchers

2336

01:29:11,110 --> 01:29:07,440

and then their view

2337

01:29:13,189 --> 01:29:11,120

on um abductions for example

2338

01:29:15,030 --> 01:29:13,199

they don't even the most that i've met

2339

01:29:16,709 --> 01:29:15,040

personally you know unlike yourself they

2340

01:29:18,310 --> 01:29:16,719

don't even consider that at all

2341

01:29:20,390 --> 01:29:18,320

to them that's just another woo-woo

2342

01:29:22,149 --> 01:29:20,400

thing that somebody was

2343

01:29:24,229 --> 01:29:22,159

having daddy issues and wants more

2344

01:29:26,229 --> 01:29:24,239

attention you know and

2345

01:29:27,350 --> 01:29:26,239

yeah but but but with a little bit of

2346

01:29:30,550 --> 01:29:27,360

intelligent thought

2347

01:29:32,149 --> 01:29:30,560

it's really easy to tie the two together

2348

01:29:34,550 --> 01:29:32,159

really right but what i'm saying is

2349

01:29:36,229 --> 01:29:34,560

there's many different levels to

2350

01:29:37,669 --> 01:29:36,239

just to finish this thought so it's the

2351

01:29:38,070 --> 01:29:37,679

same way that you have this level

2352

01:29:40,550 --> 01:29:38,080

between

2353

01:29:42,470 --> 01:29:40,560

these nuts and bolts and abductions

2354

01:29:45,830 --> 01:29:42,480

there's also then these abductions

2355

01:29:48,149 --> 01:29:45,840

contact and then the higher self higher

2356

01:29:49,830 --> 01:29:48,159

aspect of yourself which is what we call

2357

01:29:50,709 --> 01:29:49,840

consciousness or god or whatever you

2358

01:29:52,950 --> 01:29:50,719

want to call it

2359

01:29:54,550 --> 01:29:52,960

you know and so but these these

2360

01:29:57,030 --> 01:29:54,560

connections have to be drawn

2361

01:29:58,149 --> 01:29:57,040

slowly and over time and through hard

2362

01:30:00,229 --> 01:29:58,159

work on your own

2363

01:30:02,149 --> 01:30:00,239

to simply learn that from a book um i

2364

01:30:05,590 --> 01:30:02,159

think it would be very difficult because

2365

01:30:05,990 --> 01:30:05,600

it it requires i mean i can for example

2366

01:30:07,750 --> 01:30:06,000

i i

2367

01:30:09,510 --> 01:30:07,760

use this example all the time it's silly

2368

01:30:11,350 --> 01:30:09,520

example but love right

2369

01:30:13,110 --> 01:30:11,360

you can read all the books about love

2370

01:30:14,550 --> 01:30:13,120

all you want but it's until you

2371

01:30:16,709 --> 01:30:14,560

and you have the experience of love

2372

01:30:18,149 --> 01:30:16,719

yourself this does it put everything

2373

01:30:19,750 --> 01:30:18,159

into perspective right

2374

01:30:21,430 --> 01:30:19,760

you know i've said that so many times

2375

01:30:22,709 --> 01:30:21,440

and it's like the best example i can

2376

01:30:25,110 --> 01:30:22,719

just really cut through

2377

01:30:26,390 --> 01:30:25,120

any kind of explanation is really convey

2378

01:30:28,310 --> 01:30:26,400

to everyone

2379

01:30:29,669 --> 01:30:28,320

in that way it's like then they know

2380

01:30:31,830 --> 01:30:29,679

what i exactly mean

2381

01:30:33,110 --> 01:30:31,840

it's like when you lead up to that point

2382

01:30:33,669 --> 01:30:33,120

you know all you know it's like you know

2383

01:30:35,910 --> 01:30:33,679

you can

2384

01:30:36,950 --> 01:30:35,920

go to seminars how to meet you know

2385

01:30:39,350 --> 01:30:36,960

people you know

2386

01:30:41,030 --> 01:30:39,360

how to be more attractive whatever you

2387

01:30:42,310 --> 01:30:41,040

know but it's like until that feeling

2388

01:30:44,310 --> 01:30:42,320

overcomes for you

2389

01:30:45,910 --> 01:30:44,320

you you know it's basically like you

2390

01:30:48,149 --> 01:30:45,920

become the person that

2391

01:30:49,270 --> 01:30:48,159

that you know dances to music that no

2392

01:30:51,030 --> 01:30:49,280

one else hears

2393

01:30:53,510 --> 01:30:51,040

you know and that's what it's almost

2394

01:30:54,550 --> 01:30:53,520

like understandings the different levels

2395

01:30:57,030 --> 01:30:54,560

to contact

2396

01:30:58,629 --> 01:30:57,040

and and aliens and all these other you

2397

01:31:01,590 --> 01:30:58,639

know interdimensional it can be

2398

01:31:02,629 --> 01:31:01,600

very lonely i've noticed um my son in

2399

01:31:05,910 --> 01:31:02,639

australia

2400

01:31:08,870 --> 01:31:05,920

he he was

2401
01:31:09,590 --> 01:31:08,880
his contact level is absolutely over the

2402
01:31:13,030 --> 01:31:09,600
top

2403
01:31:16,629 --> 01:31:13,040
um he's got rods that fly around him

2404
01:31:19,270 --> 01:31:16,639
um yeah i'm just gonna say it because in

2405
01:31:19,990 --> 01:31:19,280
fact um big slick leaving gifts outside

2406
01:31:23,270 --> 01:31:20,000
his home

2407
01:31:25,270 --> 01:31:23,280
on the beach um

2408
01:31:27,270 --> 01:31:25,280
you know it's it's it's very very

2409
01:31:30,550 --> 01:31:27,280
involved

2410
01:31:33,590 --> 01:31:30,560
and um

2411
01:31:37,669 --> 01:31:33,600
um wow so

2412
01:31:40,629 --> 01:31:37,679
i i feel like each contactee

2413
01:31:41,990 --> 01:31:40,639

in their 20s is kind of manic about the

2414

01:31:43,910 --> 01:31:42,000

situation

2415

01:31:45,669 --> 01:31:43,920

and then in their 30s they're starting

2416

01:31:47,350 --> 01:31:45,679

to get an idea

2417

01:31:49,430 --> 01:31:47,360

and in their 40s they begin to be

2418

01:31:50,950 --> 01:31:49,440

comfortable with it and in their 40s and

2419

01:31:53,030 --> 01:31:50,960

50s they get to where they can

2420

01:31:54,390 --> 01:31:53,040

almost speak about it really to people

2421

01:31:58,390 --> 01:31:54,400

you know

2422

01:32:01,590 --> 01:31:58,400

and and i i think it's just the inherent

2423

01:32:03,590 --> 01:32:01,600

trauma the unnaturalness of it

2424

01:32:05,830 --> 01:32:03,600

happens happening so steadily in a

2425

01:32:09,590 --> 01:32:05,840

person's life that it takes them

2426
01:32:12,709 --> 01:32:09,600
years to be able to put it in its place

2427
01:32:15,830 --> 01:32:12,719
comfortably um i always like to see

2428
01:32:17,910 --> 01:32:15,840
abductees um be more spiritual

2429
01:32:19,910 --> 01:32:17,920
like you were talking about meditation

2430
01:32:22,950 --> 01:32:19,920
those are all things that i noticed

2431
01:32:24,870 --> 01:32:22,960
many many many abductees deal with

2432
01:32:25,990 --> 01:32:24,880
and all of the abductees who deal with

2433
01:32:29,830 --> 01:32:26,000
their with

2434
01:32:33,110 --> 01:32:29,840
their experience well seem to all

2435
01:32:34,709 --> 01:32:33,120
be meditators right all of them argo

2436
01:32:36,470 --> 01:32:34,719
give me one quick second i just want to

2437
01:32:37,030 --> 01:32:36,480
uh make a quick statement to everyone's

2438
01:32:39,750 --> 01:32:37,040

watching

2439

01:32:40,390 --> 01:32:39,760

um i apologize robert earlier raised his

2440

01:32:42,550 --> 01:32:40,400

hand

2441

01:32:44,470 --> 01:32:42,560

and i really got into the conversation

2442

01:32:46,390 --> 01:32:44,480

with you so i didn't get to him

2443

01:32:48,229 --> 01:32:46,400

robert if you're still watching if you

2444

01:32:50,629 --> 01:32:48,239

can log back in

2445

01:32:51,510 --> 01:32:50,639

just raise your hand again and then i'll

2446

01:32:53,669 --> 01:32:51,520

cue you in

2447

01:32:55,830 --> 01:32:53,679

i apologize we really got into the

2448

01:32:56,310 --> 01:32:55,840

conversation and uh you slipped my mind

2449

01:33:00,229 --> 01:32:56,320

so

2450

01:33:03,030 --> 01:33:00,239

please simply

2451

01:33:04,629 --> 01:33:03,040

tap on the raised hand dude it'll tell

2452

01:33:06,950 --> 01:33:04,639

me that you want to speak to me

2453

01:33:08,950 --> 01:33:06,960

i'll unmute you and then we can we can

2454

01:33:09,750 --> 01:33:08,960

chat but if you're here to just uh use

2455

01:33:13,189 --> 01:33:09,760

telegram to

2456

01:33:16,550 --> 01:33:13,199

to listen perfect no problem um

2457

01:33:20,149 --> 01:33:18,390

no no i just wanna i had somebody in the

2458

01:33:21,270 --> 01:33:20,159

queue that just had left and i just

2459

01:33:23,830 --> 01:33:21,280

wanna say that

2460

01:33:25,750 --> 01:33:23,840

i wanted to apologize that i that i

2461

01:33:28,629 --> 01:33:25,760

missed them yeah

2462

01:33:29,189 --> 01:33:28,639

yes sir well um argo let me get to fab

2463

01:33:30,790 --> 01:33:29,199

22

2464

01:33:32,790 --> 01:33:30,800

if you're still there i'll get back to

2465

01:33:35,270 --> 01:33:32,800

you if there's uh uh no one else that

2466

01:33:37,030 --> 01:33:35,280

raises his hand afterwards is that okay

2467

01:33:38,390 --> 01:33:37,040

no no i'm going to go ahead and jump

2468

01:33:39,910 --> 01:33:38,400

over to youtube and just listen to the

2469

01:33:40,470 --> 01:33:39,920

rest of the show i appreciate you giving

2470

01:33:42,470 --> 01:33:40,480

me okay

2471

01:33:44,229 --> 01:33:42,480

well no i i i dare to tell you to cut

2472

01:33:46,709 --> 01:33:44,239

you off

2473

01:33:48,629 --> 01:33:46,719

no okay good deal no it's good okay all

2474

01:33:50,629 --> 01:33:48,639

right well yeah please uh uh you know

2475

01:33:52,470 --> 01:33:50,639

uh uh simply tune in every every

2476

01:33:53,030 --> 01:33:52,480

wednesday and i'd love to talk to you

2477

01:33:55,189 --> 01:33:53,040

and and

2478

01:33:56,790 --> 01:33:55,199

anyone else for this matter that wants

2479

01:33:59,110 --> 01:33:56,800

to you know log in i always

2480

01:34:00,390 --> 01:33:59,120

i always love you know uh people from

2481

01:34:02,310 --> 01:34:00,400

different perspectives because

2482

01:34:04,149 --> 01:34:02,320

i guess that's how we get to the bottom

2483

01:34:06,790 --> 01:34:04,159

of things right

2484

01:34:12,310 --> 01:34:06,800

yep that's correct okay good night yeah

2485

01:34:18,229 --> 01:34:15,110

uh fab 22 you are unmuted i mute

2486

01:34:21,830 --> 01:34:18,239

yourself and please go ahead

2487

01:34:24,070 --> 01:34:21,840

hiya nan hey how are you

2488

01:34:25,830 --> 01:34:24,080

i'm good i'm good you can finally hear

2489

01:34:26,950 --> 01:34:25,840

me loud and clear you know it's a good

2490

01:34:30,790 --> 01:34:26,960

change

2491

01:34:33,430 --> 01:34:30,800

yes yes i know you told me uh fab was in

2492

01:34:35,669 --> 01:34:33,440

in in telegram the half hour that i

2493

01:34:38,149 --> 01:34:35,679

before i go live i usually turn it on

2494

01:34:40,229 --> 01:34:38,159

and whoever happens to be there we just

2495

01:34:43,270 --> 01:34:40,239

chat about whatever and so

2496

01:34:43,669 --> 01:34:43,280

yeah and i noticed you had your um your

2497

01:34:45,830 --> 01:34:43,679

mic

2498

01:34:47,430 --> 01:34:45,840

and and i can actually speak to you this

2499

01:34:49,030 --> 01:34:47,440

time last time you you sounded like a

2500

01:34:52,229 --> 01:34:49,040

robot i thought you're trying to learn a

2501

01:34:57,189 --> 01:34:54,070

yeah i know it's it's really me i'm not

2502

01:35:02,070 --> 01:34:57,199

a robot and i'm not far far away

2503

01:35:02,080 --> 01:35:05,750

are you saying are you still in france

2504

01:35:09,030 --> 01:35:08,070

yes yes yes it's tv at three o'clock in

2505

01:35:11,430 --> 01:35:09,040

the morning it's

2506

01:35:13,669 --> 01:35:11,440

doing fine doing fine once again you

2507

01:35:15,510 --> 01:35:13,679

know thank you for

2508

01:35:16,790 --> 01:35:15,520

well thanks to you you know to make that

2509

01:35:19,430 --> 01:35:16,800

possible and uh

2510

01:35:20,950 --> 01:35:19,440

also uh i guess thanks for your wife as

2511

01:35:22,149 --> 01:35:20,960

well you know that seems to be like

2512

01:35:23,910 --> 01:35:22,159

holding the show in

2513

01:35:25,910 --> 01:35:23,920

the shadow you know everything goes with

2514

01:35:27,750 --> 01:35:25,920

uh with teamwork so

2515

01:35:29,030 --> 01:35:27,760

so thanks to her as well on all the

2516

01:35:30,870 --> 01:35:29,040

other people

2517

01:35:32,310 --> 01:35:30,880

i didn't want to put too much on her but

2518

01:35:34,229 --> 01:35:32,320

at least she can watch it and if

2519

01:35:35,830 --> 01:35:34,239

something goes off sync she can be

2520

01:35:37,430 --> 01:35:35,840

texting me and say hey you're off sync

2521

01:35:39,750 --> 01:35:37,440

and then i can look at my stuff

2522

01:35:41,109 --> 01:35:39,760

otherwise i have a ton of windows going

2523

01:35:43,910 --> 01:35:41,119

on here and

2524

01:35:45,750 --> 01:35:43,920

just don't want to get into the the

2525

01:35:47,510 --> 01:35:45,760

technical aspect of it so

2526
01:35:50,229 --> 01:35:47,520
if something goes wrong it would be like

2527
01:35:53,270 --> 01:35:50,239
which one of the 101 things

2528
01:35:55,270 --> 01:35:53,280
is not working right and so she's

2529
01:35:57,350 --> 01:35:55,280
usually did my first

2530
01:35:58,790 --> 01:35:57,360
uh kind of like the buzzer that says hey

2531
01:36:00,390 --> 01:35:58,800
something is wrong so

2532
01:36:02,629 --> 01:36:00,400
i appreciate her doing that because i

2533
01:36:04,229 --> 01:36:02,639
there was no way i could add more to

2534
01:36:06,070 --> 01:36:04,239
hey take care of this kid that's

2535
01:36:07,669 --> 01:36:06,080
constantly hungry you know take care of

2536
01:36:09,510 --> 01:36:07,679
the other kid that's also hungry and

2537
01:36:10,229 --> 01:36:09,520
screaming you know oh and also i need

2538
01:36:12,390 --> 01:36:10,239

your help

2539

01:36:13,270 --> 01:36:12,400

no at least she can just watch this for

2540

01:36:15,350 --> 01:36:13,280

entertainment

2541

01:36:17,430 --> 01:36:15,360

and occasionally check to make sure

2542

01:36:18,950 --> 01:36:17,440

everything's running smoothly so

2543

01:36:20,709 --> 01:36:18,960

anyway i'm sorry i didn't mean to

2544

01:36:21,910 --> 01:36:20,719

digress but what were you calling about

2545

01:36:23,990 --> 01:36:21,920

february

2546

01:36:25,350 --> 01:36:24,000

well no it's not non-disgraceful it's

2547

01:36:28,229 --> 01:36:25,360

all about teamwork

2548

01:36:30,070 --> 01:36:28,239

uh yeah what's what disappointment so

2549

01:36:32,629 --> 01:36:30,080

far about this uh

2550

01:36:33,590 --> 01:36:32,639

so-called disclosure that that we're

2551

01:36:36,149 --> 01:36:33,600

getting on the

2552

01:36:38,310 --> 01:36:36,159

on the american side you know it's been

2553

01:36:40,550 --> 01:36:38,320

it's been a bit of a cold shower

2554

01:36:41,990 --> 01:36:40,560

indeed and by the way it's been the same

2555

01:36:44,310 --> 01:36:42,000

here as well in europe you know

2556

01:36:45,109 --> 01:36:44,320

it's uh there's a lot of noise being

2557

01:36:47,030 --> 01:36:45,119

made and

2558

01:36:49,510 --> 01:36:47,040

as soon as you start to focus on to it

2559

01:36:51,830 --> 01:36:49,520

you realize that it's just uh

2560

01:36:52,950 --> 01:36:51,840

just a bit of a joke really yeah what a

2561

01:36:55,350 --> 01:36:52,960

shame you know

2562

01:36:55,990 --> 01:36:55,360

it may look like actually that part of

2563

01:36:57,910 --> 01:36:56,000

the

2564

01:36:59,669 --> 01:36:57,920

greater disclosure might be coming for

2565

01:37:00,149 --> 01:36:59,679

russia you know from russia by the way

2566

01:37:01,830 --> 01:37:00,159

but

2567

01:37:04,550 --> 01:37:01,840

you know this seemed to be a little bit

2568

01:37:08,310 --> 01:37:04,560

uh muted as well down there

2569

01:37:08,870 --> 01:37:08,320

um the real purpose of of communicating

2570

01:37:14,310 --> 01:37:08,880

with you

2571

01:37:16,550 --> 01:37:14,320

and uh is i'm i'm a little bit

2572

01:37:18,229 --> 01:37:16,560

confused about this divide you know that

2573

01:37:21,669 --> 01:37:18,239

seems to be happening right now

2574

01:37:24,149 --> 01:37:21,679

between between the people that

2575

01:37:25,830 --> 01:37:24,159

you know other experiences or we know

2576

01:37:27,830 --> 01:37:25,840

that we know that it's happening that

2577

01:37:28,070 --> 01:37:27,840

people that have ideas about it that

2578

01:37:31,430 --> 01:37:28,080

have

2579

01:37:33,750 --> 01:37:31,440

opinions on the other scale of it you

2580

01:37:36,229 --> 01:37:33,760

know you have people that don't care

2581

01:37:37,030 --> 01:37:36,239

or don't believe or in denial or

2582

01:37:39,990 --> 01:37:37,040

etcetera

2583

01:37:41,910 --> 01:37:40,000

and in in between that you know we we've

2584

01:37:45,109 --> 01:37:41,920

got a government

2585

01:37:47,430 --> 01:37:45,119

right and it seems to me that there is a

2586

01:37:48,470 --> 01:37:47,440

sort of divide that is happening right

2587

01:37:51,430 --> 01:37:48,480

now

2588

01:37:52,870 --> 01:37:51,440

between those three factions at a time

2589

01:37:56,390 --> 01:37:52,880

when we really need to pull

2590

01:37:58,790 --> 01:37:56,400

all that together right and i'm

2591

01:37:59,830 --> 01:37:58,800

noticing with a lot of comments here the

2592

01:38:01,910 --> 01:37:59,840

government is

2593

01:38:03,109 --> 01:38:01,920

is this you know they're lying and

2594

01:38:04,950 --> 01:38:03,119

they're hiding untrue you know they've

2595

01:38:06,950 --> 01:38:04,960

been riding and they've been hiding

2596

01:38:09,270 --> 01:38:06,960

right but it comes a point you know

2597

01:38:10,390 --> 01:38:09,280

especially our time where

2598

01:38:12,390 --> 01:38:10,400

where there's a little bit more

2599

01:38:14,149 --> 01:38:12,400

information coming out there's a little

2600

01:38:17,430 --> 01:38:14,159

bit more awareness going on

2601
01:38:18,870 --> 01:38:17,440
and although this uh this report has

2602
01:38:20,550 --> 01:38:18,880
been very disappointing

2603
01:38:22,470 --> 01:38:20,560
there's been a lot of awareness from

2604
01:38:24,390 --> 01:38:22,480
from people coming out of that

2605
01:38:25,910 --> 01:38:24,400
and let's not forget as well but it was

2606
01:38:27,910 --> 01:38:25,920
a pretty mini report you know

2607
01:38:29,590 --> 01:38:27,920
there would be more coming up right

2608
01:38:30,950 --> 01:38:29,600
right so can i just say something real

2609
01:38:33,590 --> 01:38:30,960
quick before you continue

2610
01:38:34,790 --> 01:38:33,600
the good news is they didn't they didn't

2611
01:38:36,790 --> 01:38:34,800
they didn't didn't die

2612
01:38:39,430 --> 01:38:36,800
though that was the biggest part i think

2613
01:38:42,390 --> 01:38:39,440

that's what's it's what they didn't say

2614

01:38:42,870 --> 01:38:42,400

is what speaks the loudest to me is that

2615

01:38:46,390 --> 01:38:42,880

i think

2616

01:38:49,109 --> 01:38:46,400

this is i can almost want to say

2617

01:38:49,590 --> 01:38:49,119

consider this like the very beginning of

2618

01:38:52,070 --> 01:38:49,600

this

2619

01:38:52,950 --> 01:38:52,080

beginning of the soft to hardcore

2620

01:38:55,910 --> 01:38:52,960

disclosure

2621

01:38:56,870 --> 01:38:55,920

about aliens because if this went the

2622

01:38:59,430 --> 01:38:56,880

other way to where

2623

01:39:00,470 --> 01:38:59,440

they went back to the usual no this is

2624

01:39:02,229 --> 01:39:00,480

nothing here

2625

01:39:03,910 --> 01:39:02,239

that would have been just back to

2626

01:39:06,629 --> 01:39:03,920

business as usual but this is

2627

01:39:07,270 --> 01:39:06,639

very big i mean it's it's the smallest

2628

01:39:09,669 --> 01:39:07,280

things

2629

01:39:11,350 --> 01:39:09,679

that speak the loudest in my opinion

2630

01:39:13,189 --> 01:39:11,360

really you know because it's like

2631

01:39:15,189 --> 01:39:13,199

you know of course i wanted him like

2632

01:39:15,990 --> 01:39:15,199

full-on disclosure tell everything what

2633

01:39:18,390 --> 01:39:16,000

i know

2634

01:39:20,149 --> 01:39:18,400

but i don't know how big of a shock that

2635

01:39:21,510 --> 01:39:20,159

would be to everybody so anyway that's

2636

01:39:23,750 --> 01:39:21,520

all i wanted to say regarding that

2637

01:39:25,510 --> 01:39:23,760

please continue

2638

01:39:27,669 --> 01:39:25,520

yes absolutely you've got you've got a

2639

01:39:29,990 --> 01:39:27,679

good point you know maybe it was just a

2640

01:39:31,350 --> 01:39:30,000

a little stone thrown into the water you

2641

01:39:33,510 --> 01:39:31,360

know to see what sort of wave is going

2642

01:39:36,070 --> 01:39:33,520

to come out of that

2643

01:39:38,950 --> 01:39:36,080

maybe just preparing for for bigger news

2644

01:39:41,750 --> 01:39:38,960

you know we don't actually really know

2645

01:39:42,070 --> 01:39:41,760

uh however in fact you know it seems

2646

01:39:45,910 --> 01:39:42,080

that

2647

01:39:46,870 --> 01:39:45,920

seeing i'm getting from other people you

2648

01:39:48,390 --> 01:39:46,880

know that uh

2649

01:39:50,310 --> 01:39:48,400

there is a divide you know that's

2650

01:39:53,750 --> 01:39:50,320

starting to happen you know between

2651

01:39:55,910 --> 01:39:53,760

the believer the non-believer and

2652

01:39:57,430 --> 01:39:55,920

and the things in the middle you know

2653

01:39:59,910 --> 01:39:57,440

there seems to be clan

2654

01:40:01,830 --> 01:39:59,920

going on you know some some some sort of

2655

01:40:02,950 --> 01:40:01,840

yin yen you know some opposite you know

2656

01:40:05,830 --> 01:40:02,960

in views

2657

01:40:08,629 --> 01:40:05,840

you know at the time really but but i do

2658

01:40:11,030 --> 01:40:08,639

believe and i do think you know we all

2659

01:40:12,229 --> 01:40:11,040

probably need to get together you know

2660

01:40:15,270 --> 01:40:12,239

rather than getting

2661

01:40:17,510 --> 01:40:15,280

views and opinions that are going in a

2662

01:40:21,189 --> 01:40:17,520

divergent way

2663

01:40:26,390 --> 01:40:21,199

and uh and that was it you know and uh

2664

01:40:30,070 --> 01:40:26,400

and and also inaudible but you know

2665

01:40:31,750 --> 01:40:30,080

i've also noticed um but we always could

2666

01:40:32,229 --> 01:40:31,760

come together though during the meetings

2667

01:40:34,310 --> 01:40:32,239

that i

2668

01:40:36,390 --> 01:40:34,320

used to go to i mean i'm not so much now

2669

01:40:38,390 --> 01:40:36,400

and even you know i wouldn't say that

2670

01:40:39,030 --> 01:40:38,400

argue and i were divided too much and

2671

01:40:40,950 --> 01:40:39,040

stuff but

2672

01:40:42,390 --> 01:40:40,960

you know at least we could talk right he

2673

01:40:44,390 --> 01:40:42,400

had on one opinion i had a different

2674

01:40:46,149 --> 01:40:44,400

opinion we kind of go back and forth

2675

01:40:48,229 --> 01:40:46,159

and at least i wouldn't call that too

2676

01:40:51,350 --> 01:40:48,239

much of a divide because that's just

2677

01:40:51,910 --> 01:40:51,360

different ways of coming up to to these

2678

01:40:54,310 --> 01:40:51,920

different

2679

01:40:55,669 --> 01:40:54,320

understandings and so we were able to

2680

01:40:58,229 --> 01:40:55,679

exchange these ideas

2681

01:40:59,510 --> 01:40:58,239

right whereas in there's other divides

2682

01:41:01,430 --> 01:40:59,520

happening in the world

2683

01:41:03,270 --> 01:41:01,440

to where there's no exchange of ideas

2684

01:41:05,350 --> 01:41:03,280

between the two groups whatsoever

2685

01:41:06,550 --> 01:41:05,360

it's just my way or the highway type

2686

01:41:09,030 --> 01:41:06,560

type mindsets

2687

01:41:10,629 --> 01:41:09,040

so as much of divided the group is

2688

01:41:13,030 --> 01:41:10,639

because i know there's always the

2689

01:41:14,390 --> 01:41:13,040

you know um especially conferences i

2690

01:41:16,070 --> 01:41:14,400

hear it all the time the

2691

01:41:18,310 --> 01:41:16,080

the nuts and bolts joke about the

2692

01:41:19,750 --> 01:41:18,320

experiences the experiences frown upon

2693

01:41:21,990 --> 01:41:19,760

the nuts and bolts guys

2694

01:41:22,870 --> 01:41:22,000

you know and so but they're all going to

2695

01:41:25,270 --> 01:41:22,880

the same place

2696

01:41:27,030 --> 01:41:25,280

they're all at this under the same roof

2697

01:41:28,229 --> 01:41:27,040

listening to the same lectures you know

2698

01:41:30,390 --> 01:41:28,239

exchanging ideas

2699

01:41:32,070 --> 01:41:30,400

so i you know although it may seem so

2700

01:41:33,990 --> 01:41:32,080

divided at least they're not

2701
01:41:35,430 --> 01:41:34,000
to the point to where they will not talk

2702
01:41:36,950 --> 01:41:35,440
to each other whatsoever

2703
01:41:39,830 --> 01:41:36,960
you know that could be the worst case

2704
01:41:44,310 --> 01:41:39,840
scenario i think

2705
01:41:46,870 --> 01:41:44,320
yes indeed indeed indeed it need

2706
01:41:48,470 --> 01:41:46,880
and i'd like to uh a bit the uh devil

2707
01:41:50,149 --> 01:41:48,480
advocates you know uh sure

2708
01:41:51,750 --> 01:41:50,159
i'm not really a pro-government person

2709
01:41:52,390 --> 01:41:51,760
not far from it you know i don't even

2710
01:41:55,270 --> 01:41:52,400
vote you know

2711
01:41:56,629 --> 01:41:55,280
he's to tell you but you know it seems

2712
01:41:59,910 --> 01:41:56,639
to me that what if i

2713
01:42:00,790 --> 01:41:59,920

just maybe you know if there is a real

2714

01:42:03,030 --> 01:42:00,800

threat

2715

01:42:07,430 --> 01:42:03,040

right it wouldn't be good somehow you

2716

01:42:10,790 --> 01:42:10,229

has been a question hold on what what

2717

01:42:14,629 --> 01:42:10,800

did i miss

2718

01:42:16,950 --> 01:42:14,639

i'm sorry nope what

2719

01:42:17,910 --> 01:42:16,960

what i mean by that you know is as you

2720

01:42:19,910 --> 01:42:17,920

know you know i have

2721

01:42:21,669 --> 01:42:19,920

i've had quite a few experience you know

2722

01:42:23,109 --> 01:42:21,679

et cetera most of them have been i've

2723

01:42:25,510 --> 01:42:23,119

been fairly good they've been

2724

01:42:26,149 --> 01:42:25,520

enlightening i've had two or three but

2725

01:42:30,470 --> 01:42:26,159

uh

2726

01:42:33,590 --> 01:42:30,480

point of view

2727

01:42:36,550 --> 01:42:33,600

is it seems to be in the positive

2728

01:42:37,350 --> 01:42:36,560

right when you get over all of it right

2729

01:42:39,830 --> 01:42:37,360

however

2730

01:42:40,790 --> 01:42:39,840

just in case but just maybe you know

2731

01:42:43,109 --> 01:42:40,800

there is a real

2732

01:42:44,390 --> 01:42:43,119

threat you know it wouldn't be good you

2733

01:42:47,590 --> 01:42:44,400

know to somehow

2734

01:42:50,470 --> 01:42:47,600

be prepared in some ways

2735

01:42:51,510 --> 01:42:50,480

right to to actually meet that threat

2736

01:42:54,709 --> 01:42:51,520

just in case

2737

01:42:57,430 --> 01:42:54,719

question but

2738

01:42:59,590 --> 01:42:57,440

you know uh this is just in response to

2739

01:43:01,910 --> 01:42:59,600

that like i get the point

2740

01:43:02,870 --> 01:43:01,920

what i've experienced about this

2741

01:43:05,350 --> 01:43:02,880

specifically

2742

01:43:07,109 --> 01:43:05,360

like this was a specific outer body

2743

01:43:09,430 --> 01:43:07,119

because remember it you know

2744

01:43:10,229 --> 01:43:09,440

when i tried physical contact like i i

2745

01:43:12,310 --> 01:43:10,239

was

2746

01:43:14,709 --> 01:43:12,320

scared me absolutely shitless you know

2747

01:43:15,510 --> 01:43:14,719

so the the the auto body was a lot

2748

01:43:17,990 --> 01:43:15,520

easier

2749

01:43:19,350 --> 01:43:18,000

to make the contact the ships and the

2750

01:43:20,950 --> 01:43:19,360

abilities of those

2751

01:43:23,189 --> 01:43:20,960

it's like what what are we going to

2752

01:43:26,070 --> 01:43:23,199

prepare against i mean they

2753

01:43:26,629 --> 01:43:26,080

the the the power is literally magic to

2754

01:43:29,189 --> 01:43:26,639

us

2755

01:43:30,709 --> 01:43:29,199

you know and so you know it's like what

2756

01:43:31,270 --> 01:43:30,719

i'm what i'm trying to understand here

2757

01:43:34,390 --> 01:43:31,280

is like

2758

01:43:35,109 --> 01:43:34,400

even you know what can we possibly do to

2759

01:43:37,510 --> 01:43:35,119

prepare

2760

01:43:39,189 --> 01:43:37,520

for one there's absolutely nowhere you

2761

01:43:41,430 --> 01:43:39,199

can hide on the planet

2762

01:43:43,910 --> 01:43:41,440

you know i mean you know the the

2763

01:43:46,229 --> 01:43:43,920

vibrations that each one of us gives off

2764

01:43:47,350 --> 01:43:46,239

and the ability of them to tune into

2765

01:43:49,830 --> 01:43:47,360

each vibration

2766

01:43:50,629 --> 01:43:49,840

they can find a fly anywhere on the

2767

01:43:53,590 --> 01:43:50,639

planet

2768

01:43:53,990 --> 01:43:53,600

you know and and not only that you know

2769

01:43:55,669 --> 01:43:54,000

uh

2770

01:43:57,189 --> 01:43:55,679

do you know what kind of weapon could

2771

01:43:59,109 --> 01:43:57,199

you possibly be using

2772

01:44:00,629 --> 01:43:59,119

you know that they just can't you know

2773

01:44:02,629 --> 01:44:00,639

that they they wouldn't be

2774

01:44:05,030 --> 01:44:02,639

you know automatically neutralizing you

2775

01:44:06,790 --> 01:44:05,040

know and it's like the thing is you know

2776

01:44:08,310 --> 01:44:06,800

some of the accidents and column

2777

01:44:10,390 --> 01:44:08,320

accidents that have happened

2778

01:44:12,229 --> 01:44:10,400

they you know and and that seem like

2779

01:44:13,669 --> 01:44:12,239

they've had effect on their ships like

2780

01:44:15,669 --> 01:44:13,679

radar and all of that

2781

01:44:17,109 --> 01:44:15,679

which mind you i found out they fixed

2782

01:44:19,350 --> 01:44:17,119

that problem

2783

01:44:21,109 --> 01:44:19,360

you know and the thing was you know

2784

01:44:21,990 --> 01:44:21,119

let's say that some of these accidents

2785

01:44:23,669 --> 01:44:22,000

that have occurred

2786

01:44:25,430 --> 01:44:23,679

might give the government you know

2787

01:44:27,350 --> 01:44:25,440

earthly government an idea say

2788

01:44:29,270 --> 01:44:27,360

oh maybe these weapons have actual

2789

01:44:30,709 --> 01:44:29,280

physical you know effect on them let's

2790

01:44:33,109 --> 01:44:30,719

use more of that

2791

01:44:34,149 --> 01:44:33,119

there was just an accident you know that

2792

01:44:36,870 --> 01:44:34,159

didn't there wasn't

2793

01:44:37,189 --> 01:44:36,880

an accident you know in the sense of you

2794

01:44:39,750 --> 01:44:37,199

know

2795

01:44:40,550 --> 01:44:39,760

uh uh that there's nothing to be gained

2796

01:44:42,870 --> 01:44:40,560

from this

2797

01:44:43,910 --> 01:44:42,880

the roswell crash i believe was an

2798

01:44:46,629 --> 01:44:43,920

allowed

2799

01:44:47,510 --> 01:44:46,639

crash in the sense that the beings

2800

01:44:49,669 --> 01:44:47,520

understand

2801

01:44:50,629 --> 01:44:49,679

what life is like you know and they

2802

01:44:52,950 --> 01:44:50,639

simply just

2803

01:44:54,629 --> 01:44:52,960

offered themselves to have this crash

2804

01:44:55,350 --> 01:44:54,639

and the bodies and whatever else

2805

01:44:57,350 --> 01:44:55,360

occurred

2806

01:44:59,669 --> 01:44:57,360

for them to be able to say oh there's

2807

01:45:01,590 --> 01:44:59,679

something here let's prod on them let's

2808

01:45:03,270 --> 01:45:01,600

figure this out and all this other stuff

2809

01:45:04,870 --> 01:45:03,280

you know and to where even they feel

2810

01:45:06,149 --> 01:45:04,880

comfortable confident enough to even

2811

01:45:07,830 --> 01:45:06,159

leave shifts behind

2812

01:45:09,990 --> 01:45:07,840

because they know we will be you know

2813

01:45:11,430 --> 01:45:10,000

too far behind to actually figure out

2814

01:45:13,270 --> 01:45:11,440

how they actually fly

2815

01:45:15,510 --> 01:45:13,280

you know so what i'm saying is you know

2816

01:45:16,550 --> 01:45:15,520

it's a good good point to even just try

2817

01:45:19,590 --> 01:45:16,560

to be prepared

2818

01:45:20,950 --> 01:45:19,600

but prepared how is my my question it's

2819

01:45:23,910 --> 01:45:20,960

like against somebody

2820

01:45:26,149 --> 01:45:23,920

it's almost like um you know a baby and

2821

01:45:28,830 --> 01:45:26,159

a mike tyson going into a ring

2822

01:45:30,149 --> 01:45:28,840

you know to fight it's like what you

2823

01:45:32,470 --> 01:45:30,159

know yes

2824

01:45:34,310 --> 01:45:32,480

i totally get you i totally get you my

2825

01:45:36,709 --> 01:45:34,320

point of view here was not to actually

2826

01:45:39,510 --> 01:45:36,719

develop technology you know to have a

2827

01:45:40,390 --> 01:45:39,520

futile hope you know of overcoming all

2828

01:45:42,709 --> 01:45:40,400

this right

2829

01:45:43,750 --> 01:45:42,719

but it's more on a psychological point

2830

01:45:46,149 --> 01:45:43,760

of view

2831

01:45:46,870 --> 01:45:46,159

of having some sort of place of being

2832

01:45:48,950 --> 01:45:46,880

relaxed

2833

01:45:50,629 --> 01:45:48,960

enough or having something in your hand

2834

01:45:53,669 --> 01:45:50,639

you know even if it's not going to do

2835

01:45:56,390 --> 01:45:53,679

anything that you can be relaxed enough

2836

01:45:56,709 --> 01:45:56,400

right to to be in a situation that you

2837

01:45:58,229 --> 01:45:56,719

can

2838

01:45:59,750 --> 01:45:58,239

participate in some sort of

2839

01:46:02,870 --> 01:45:59,760

communication

2840

01:46:06,229 --> 01:46:02,880

it's a little bit like uh you want to

2841

01:46:07,990 --> 01:46:06,239

to have uh to go deep sea diving right

2842

01:46:09,430 --> 01:46:08,000

but there are sharks in there

2843

01:46:11,510 --> 01:46:09,440

right there's nothing you can do against

2844

01:46:14,950 --> 01:46:11,520

a shark you know while you're swimming

2845

01:46:15,669 --> 01:46:14,960

but if you put around you a cage still

2846

01:46:17,910 --> 01:46:15,679

cage

2847

01:46:19,109 --> 01:46:17,920

at least you can be in that environment

2848

01:46:22,870 --> 01:46:19,119

you know and then

2849

01:46:25,750 --> 01:46:22,880

develop some sort of confidence you know

2850

01:46:27,750 --> 01:46:25,760

to to be in that environment and and

2851
01:46:28,470 --> 01:46:27,760
maybe you know even of communication i

2852
01:46:29,830 --> 01:46:28,480
mean i don't know what sort of

2853
01:46:30,310 --> 01:46:29,840
communication you get with sharks you

2854
01:46:32,550 --> 01:46:30,320
know

2855
01:46:33,430 --> 01:46:32,560
but at least you can be there see what

2856
01:46:35,430 --> 01:46:33,440
happens

2857
01:46:37,109 --> 01:46:35,440
get some sort of feedback you know in an

2858
01:46:39,109 --> 01:46:37,119
environment that you feel

2859
01:46:40,790 --> 01:46:39,119
that you are at least psychologically

2860
01:46:43,350 --> 01:46:40,800
safe

2861
01:46:45,350 --> 01:46:43,360
well you know what i um i'm not hundred

2862
01:46:46,310 --> 01:46:45,360
percent sure on this i'm gonna try to

2863
01:46:48,229 --> 01:46:46,320

confer

2864

01:46:50,070 --> 01:46:48,239

and i'll see even because just recently

2865

01:46:53,350 --> 01:46:50,080

i've started meditating again

2866

01:46:55,750 --> 01:46:53,360

just to get back into uh more of um

2867

01:46:56,390 --> 01:46:55,760

like the way i live my life i just

2868

01:46:58,149 --> 01:46:56,400

simply

2869

01:46:59,750 --> 01:46:58,159

stopped kind of ants you know asking

2870

01:47:01,910 --> 01:46:59,760

questions and i just

2871

01:47:03,910 --> 01:47:01,920

would live it and whatever direction i

2872

01:47:06,070 --> 01:47:03,920

happen to go just because it's my

2873

01:47:07,669 --> 01:47:06,080

excitement i end up at the right place

2874

01:47:08,070 --> 01:47:07,679

at the right time to do what i need to

2875

01:47:10,470 --> 01:47:08,080

do

2876

01:47:11,830 --> 01:47:10,480

and so i've just kind of let my life be

2877

01:47:13,750 --> 01:47:11,840

you know you know that

2878

01:47:15,590 --> 01:47:13,760

miraculous in that way i just i

2879

01:47:15,990 --> 01:47:15,600

personally love it but i wanted to have

2880

01:47:18,070 --> 01:47:16,000

more

2881

01:47:19,910 --> 01:47:18,080

direct feedback so i've just recently

2882

01:47:22,390 --> 01:47:19,920

started meditating again to

2883

01:47:24,310 --> 01:47:22,400

to get myself in that old remembrance to

2884

01:47:26,310 --> 01:47:24,320

tap into those frequencies to where i

2885

01:47:29,270 --> 01:47:26,320

can start getting some answers back

2886

01:47:31,030 --> 01:47:29,280

you know and sure enough now i'm uh

2887

01:47:33,030 --> 01:47:31,040

coming up this friday i'm gonna be

2888

01:47:36,149 --> 01:47:33,040

talking to brad johnson i don't know

2889

01:47:40,390 --> 01:47:36,159

if he might channel adronis you know

2890

01:47:46,310 --> 01:47:43,270

dammit fab i forgot what i was gonna say

2891

01:47:47,669 --> 01:47:46,320

the point i was trying to get at here

2892

01:47:54,229 --> 01:47:47,679

you were talking about synchronicity

2893

01:47:58,709 --> 01:47:56,470

yes okay i remember now so anyway this

2894

01:48:01,669 --> 01:47:58,719

is what i was trying to get at um

2895

01:48:03,510 --> 01:48:01,679

regarding contact itself that there

2896

01:48:06,550 --> 01:48:03,520

would be a specific

2897

01:48:07,270 --> 01:48:06,560

uh group possibly a specific group of

2898

01:48:10,310 --> 01:48:07,280

people

2899

01:48:13,830 --> 01:48:10,320

that would make contact and

2900

01:48:15,030 --> 01:48:13,840

and sort of kind of like um be like the

2901

01:48:16,870 --> 01:48:15,040

the first people

2902

01:48:18,229 --> 01:48:16,880

like oh okay we made contact and then

2903

01:48:21,270 --> 01:48:18,239

they would then

2904

01:48:24,310 --> 01:48:21,280

invite others to kind of slowly come in

2905

01:48:25,510 --> 01:48:24,320

and then say hey you know meet so and so

2906

01:48:28,070 --> 01:48:25,520

you know it's kind of like creating

2907

01:48:30,149 --> 01:48:28,080

these little gatherings or meetings

2908

01:48:31,350 --> 01:48:30,159

to where now contact is not going to be

2909

01:48:32,870 --> 01:48:31,360

forced on everyone

2910

01:48:35,109 --> 01:48:32,880

because you know some people you know it

2911

01:48:36,229 --> 01:48:35,119

would be like hey i heard at this place

2912

01:48:37,750 --> 01:48:36,239

at this location

2913

01:48:39,669 --> 01:48:37,760

so and so they're going to be there you

2914

01:48:41,270 --> 01:48:39,679

know let's go you know do you want to go

2915

01:48:41,830 --> 01:48:41,280

with me and so it would be like very

2916

01:48:44,550 --> 01:48:41,840

slow

2917

01:48:45,510 --> 01:48:44,560

progress and process to kind of get

2918

01:48:48,629 --> 01:48:45,520

acquainted

2919

01:48:49,189 --> 01:48:48,639

you know and so that was the uh an idea

2920

01:48:52,229 --> 01:48:49,199

that was

2921

01:48:55,189 --> 01:48:52,239

you know kind of given to me um um

2922

01:48:57,510 --> 01:48:55,199

uh by by a friend of mine a long time

2923

01:48:58,790 --> 01:48:57,520

ago and it seemed plausible at that time

2924

01:49:00,870 --> 01:48:58,800

it just you know when something just

2925

01:49:02,950 --> 01:49:00,880

rings through now i have no proof of

2926

01:49:04,070 --> 01:49:02,960

that i have absolutely no proof of that

2927

01:49:06,070 --> 01:49:04,080

but this this was

2928

01:49:07,510 --> 01:49:06,080

what was initially you know when he was

2929

01:49:08,070 --> 01:49:07,520

talking about that it was just kind of

2930

01:49:10,709 --> 01:49:08,080

like

2931

01:49:12,709 --> 01:49:10,719

that makes perfect sense because these

2932

01:49:14,709 --> 01:49:12,719

different people that have already

2933

01:49:16,310 --> 01:49:14,719

tried to make contact you know have

2934

01:49:17,030 --> 01:49:16,320

already have been working with these

2935

01:49:20,149 --> 01:49:17,040

different

2936

01:49:20,790 --> 01:49:20,159

frequencies enough to where you know

2937

01:49:22,550 --> 01:49:20,800

even

2938

01:49:24,149 --> 01:49:22,560

i wouldn't be surprised that the aliens

2939

01:49:27,830 --> 01:49:24,159

already haven't figured out

2940

01:49:30,950 --> 01:49:27,840

uh just the the right i guess hybrid

2941

01:49:32,629 --> 01:49:30,960

that has a low enough frequency to ours

2942

01:49:35,830 --> 01:49:32,639

to where they can simply just

2943

01:49:36,870 --> 01:49:35,840

um you know be amongst us and not us not

2944

01:49:39,030 --> 01:49:36,880

even know it

2945

01:49:40,870 --> 01:49:39,040

you know and so that one day you know

2946

01:49:42,950 --> 01:49:40,880

could be whatever your friend

2947

01:49:45,189 --> 01:49:42,960

at work and you'll be like hey um i'm an

2948

01:49:46,950 --> 01:49:45,199

alien you know and it's like uh

2949

01:49:48,550 --> 01:49:46,960

i'm here for so-and-so you know i

2950

01:49:49,910 --> 01:49:48,560

wouldn't be surprised if something like

2951

01:49:51,990 --> 01:49:49,920

that hasn't already been

2952

01:49:54,149 --> 01:49:52,000

in progress for several years you know

2953

01:49:55,510 --> 01:49:54,159

it's like i just wish i would have that

2954

01:49:57,270 --> 01:49:55,520

you know that that more direct

2955

01:49:58,709 --> 01:49:57,280

information and now i remember while i

2956

01:49:59,350 --> 01:49:58,719

was trying to tell you that so i've been

2957

01:50:01,990 --> 01:49:59,360

trying to

2958

01:50:03,669 --> 01:50:02,000

get back into my mode to meditate to get

2959

01:50:04,390 --> 01:50:03,679

more information regarding that but

2960

01:50:06,390 --> 01:50:04,400

until

2961

01:50:07,589 --> 01:50:06,400

you know that happens for me i'm gonna

2962

01:50:09,350 --> 01:50:07,599

have guests on

2963

01:50:11,350 --> 01:50:09,360

that could directly speak on that they

2964

01:50:14,390 --> 01:50:11,360

could directly speak on

2965

01:50:15,189 --> 01:50:14,400

um like brad uh brad johnson coming up

2966

01:50:17,750 --> 01:50:15,199

this friday

2967

01:50:19,350 --> 01:50:17,760

uh the channel sir jonas about okay what

2968

01:50:21,510 --> 01:50:19,360

is there a plan

2969

01:50:22,790 --> 01:50:21,520

is there a specific plan made by these

2970

01:50:24,550 --> 01:50:22,800

different alien groups

2971

01:50:27,109 --> 01:50:24,560

to make contact if there's so many

2972

01:50:29,350 --> 01:50:27,119

different area groups and let's say

2973

01:50:31,109 --> 01:50:29,360

you subscribe to the idea that a lot of

2974

01:50:32,870 --> 01:50:31,119

different one of us has a different

2975

01:50:34,790 --> 01:50:32,880

connection to each one of them

2976

01:50:36,550 --> 01:50:34,800

how do you kind of make this communal

2977

01:50:39,030 --> 01:50:36,560

contact you know is there going to be

2978

01:50:40,709 --> 01:50:39,040

one race at a time is it all going to

2979

01:50:42,070 --> 01:50:40,719

connect their earthly relatives

2980

01:50:44,470 --> 01:50:42,080

immediately you know

2981

01:50:46,470 --> 01:50:44,480

or whatever that process is you know and

2982

01:50:48,070 --> 01:50:46,480

so i'm going to definitely ask him now

2983

01:50:50,390 --> 01:50:48,080

i'll do my best to remember it come

2984

01:50:52,310 --> 01:50:50,400

friday and i hope uh if i do forget

2985

01:50:54,070 --> 01:50:52,320

please tune in and ask him yourself too

2986

01:50:55,510 --> 01:50:54,080

or remind me or write in chat or

2987

01:50:57,109 --> 01:50:55,520

whichever

2988

01:50:58,790 --> 01:50:57,119

you know but uh that's something that i

2989

01:51:03,270 --> 01:50:58,800

could definitely um

2990

01:51:09,830 --> 01:51:06,550

yes indeed you know it seems that

2991

01:51:11,910 --> 01:51:09,840

but there are probably different kind of

2992

01:51:14,310 --> 01:51:11,920

scrum races you know different types of

2993

01:51:18,070 --> 01:51:14,320

beings with different type of

2994

01:51:19,589 --> 01:51:18,080

dimensions you know to to put

2995

01:51:22,950 --> 01:51:19,599

earthly words you know in something

2996

01:51:29,350 --> 01:51:26,310

comprehension uh what i know

2997

01:51:32,390 --> 01:51:29,360

personally you know i've been in uh

2998

01:51:35,030 --> 01:51:32,400

well yeah let's go with it

2999

01:51:36,629 --> 01:51:35,040

i've been with three different type of

3000

01:51:38,470 --> 01:51:36,639

interactions

3001

01:51:39,830 --> 01:51:38,480

with different situations three

3002

01:51:41,990 --> 01:51:39,840

different kind of of

3003

01:51:43,669 --> 01:51:42,000

uh let's call them craft or spaceship or

3004

01:51:46,070 --> 01:51:43,679

whatever you wanna call it

3005

01:51:47,430 --> 01:51:46,080

right with three different kinds of

3006

01:51:50,550 --> 01:51:47,440

beings

3007

01:51:53,589 --> 01:51:50,560

right and it seems to me that

3008

01:51:56,310 --> 01:51:53,599

they are interconnected but also

3009

01:51:57,350 --> 01:51:56,320

from different points of view you know

3010

01:52:00,070 --> 01:51:57,360

from different

3011

01:52:01,510 --> 01:52:00,080

realms if you'd like i get that

3012

01:52:03,910 --> 01:52:01,520

impression

3013

01:52:05,669 --> 01:52:03,920

that is when you actually come back and

3014

01:52:09,510 --> 01:52:05,679

when you come back here

3015

01:52:13,109 --> 01:52:09,520

yeah depending on

3016

01:52:14,070 --> 01:52:13,119

what craft you are into or onto

3017

01:52:15,910 --> 01:52:14,080

depending on

3018

01:52:17,990 --> 01:52:15,920

what type of type of being you're

3019

01:52:19,990 --> 01:52:18,000

actually interacting with you know

3020

01:52:21,510 --> 01:52:20,000

when you come back your your your

3021

01:52:24,709 --> 01:52:21,520

physical and your

3022

01:52:25,350 --> 01:52:24,719

mental state is different what i mean by

3023

01:52:28,229 --> 01:52:25,360

that is

3024

01:52:29,990 --> 01:52:28,239

is you can go into a specific type of of

3025

01:52:31,430 --> 01:52:30,000

graph you know let's call it a

3026

01:52:33,109 --> 01:52:31,440

and when you actually when you come back

3027

01:52:33,350 --> 01:52:33,119

you know you feel quite fine you know

3028

01:52:37,350 --> 01:52:33,360

it's

3029

01:52:40,629 --> 01:52:37,360

then you can go into another

3030

01:52:42,870 --> 01:52:40,639

type of of crafts right it's called a b

3031

01:52:44,070 --> 01:52:42,880

for example and when you come back you

3032

01:52:46,709 --> 01:52:44,080

know your your

3033

01:52:47,669 --> 01:52:46,719

your interpretation of the experience

3034

01:52:50,709 --> 01:52:47,679

mentally is

3035

01:52:52,229 --> 01:52:50,719

is totally different yeah it's in our

3036

01:52:53,350 --> 01:52:52,239

third it's been changed it's been

3037

01:52:55,030 --> 01:52:53,360

through

3038

01:52:56,790 --> 01:52:55,040

for different things and when you've got

3039

01:52:58,870 --> 01:52:56,800

a type

3040

01:53:01,109 --> 01:52:58,880

c craft if you like when you come back

3041

01:53:02,310 --> 01:53:01,119

then then your your own physical being

3042

01:53:04,950 --> 01:53:02,320

is not well at all

3043

01:53:06,310 --> 01:53:04,960

what i mean by that is you're actually

3044

01:53:09,990 --> 01:53:06,320

sick you know you don't feel

3045

01:53:11,990 --> 01:53:10,000

well you you let target you

3046

01:53:13,830 --> 01:53:12,000

i mean some crazy thing happens to you i

3047

01:53:15,830 --> 01:53:13,840

remember one day you know

3048

01:53:17,669 --> 01:53:15,840

coming back coming back down you know

3049

01:53:19,830 --> 01:53:17,679

i'm basically lying on the ground for

3050

01:53:21,030 --> 01:53:19,840

for two days you know totally paralyzed

3051

01:53:23,430 --> 01:53:21,040

not not able to

3052

01:53:25,109 --> 01:53:23,440

to move with the first anyway or all

3053

01:53:26,790 --> 01:53:25,119

this kind of

3054

01:53:28,229 --> 01:53:26,800

it's tough you know which is a good good

3055

01:53:30,629 --> 01:53:28,239

thing all right

3056

01:53:32,229 --> 01:53:30,639

so yes you know it does seem that there

3057

01:53:35,109 --> 01:53:32,239

is a sort of

3058

01:53:35,910 --> 01:53:35,119

interaction between all that right and

3059

01:53:39,030 --> 01:53:35,920

there are some

3060

01:53:39,430 --> 01:53:39,040

situation right but it is possible for

3061

01:53:43,109 --> 01:53:39,440

us

3062

01:53:46,229 --> 01:53:43,119

physically mentally to interact with

3063

01:53:49,030 --> 01:53:46,239

right and there are some situations

3064

01:53:51,109 --> 01:53:49,040

right but we cannot do that right

3065

01:53:51,990 --> 01:53:51,119

because perhaps you know the energy

3066

01:53:54,790 --> 01:53:52,000

field that

3067

01:53:57,430 --> 01:53:54,800

there is on those craft you know is is

3068

01:54:00,310 --> 01:53:57,440

quite different from our cellular mode

3069

01:54:01,990 --> 01:54:00,320

right or the way that we can communicate

3070

01:54:04,149 --> 01:54:02,000

you know on the mind level

3071

01:54:05,669 --> 01:54:04,159

is actually quite different right so

3072

01:54:08,390 --> 01:54:05,679

some people who are

3073

01:54:09,430 --> 01:54:08,400

being taken up physically because they

3074

01:54:12,229 --> 01:54:09,440

can cope with that

3075

01:54:14,070 --> 01:54:12,239

right and some people actually go

3076

01:54:16,310 --> 01:54:14,080

through those experiences

3077

01:54:18,390 --> 01:54:16,320

through let's say lucid dreams from out

3078

01:54:20,390 --> 01:54:18,400

of body experience

3079

01:54:21,430 --> 01:54:20,400

because perhaps you know it's perhaps

3080

01:54:22,629 --> 01:54:21,440

not just perhaps

3081

01:54:26,470 --> 01:54:22,639

i'm just talking from my personal

3082

01:54:29,189 --> 01:54:26,480

experience because

3083

01:54:29,910 --> 01:54:29,199

the situation is that it is not

3084

01:54:33,189 --> 01:54:29,920

physically

3085

01:54:34,149 --> 01:54:33,199

normally possible to be there on the

3086

01:54:39,350 --> 01:54:34,159

face to

3087

01:54:40,790 --> 01:54:39,360

uh you know i can see from the comments

3088

01:54:43,669 --> 01:54:40,800

you know quite a few people are saying

3089

01:54:46,709 --> 01:54:43,679

oh yeah i've been asking you know

3090

01:54:48,870 --> 01:54:46,719

please meet i want to be there etc

3091

01:54:51,109 --> 01:54:48,880

and i think that demand you know it's

3092

01:54:52,870 --> 01:54:51,119

probably taken into consideration but we

3093

01:54:55,669 --> 01:54:52,880

also have to take in consideration

3094

01:54:57,189 --> 01:54:55,679

but perhaps our physical structure and

3095

01:54:59,669 --> 01:54:57,199

you know a mental

3096

01:55:01,510 --> 01:54:59,679

construct you know will not actually

3097

01:55:02,870 --> 01:55:01,520

cope with that and if you force the

3098

01:55:06,390 --> 01:55:02,880

issue

3099

01:55:08,790 --> 01:55:06,400

right when you come back something

3100

01:55:10,550 --> 01:55:08,800

uncomfortable is going to happens and

3101

01:55:12,709 --> 01:55:10,560

actually quite a few cases you know with

3102

01:55:15,830 --> 01:55:12,719

contactees no one has been taken aboard

3103

01:55:16,390 --> 01:55:15,840

when they come back actually the people

3104

01:55:17,750 --> 01:55:16,400

that have been

3105

01:55:19,430 --> 01:55:17,760

on the things or the beings that have

3106

01:55:20,550 --> 01:55:19,440

been contacted with actually have to

3107

01:55:23,030 --> 01:55:20,560

come back

3108

01:55:24,390 --> 01:55:23,040

right and it actually abducts you know

3109

01:55:24,950 --> 01:55:24,400

it's a term i really don't like to use

3110

01:55:27,510 --> 01:55:24,960

by the way

3111

01:55:28,470 --> 01:55:27,520

i abduct like people to actually fix the

3112

01:55:30,310 --> 01:55:28,480

problems

3113

01:55:34,229 --> 01:55:30,320

right the physical opponents have

3114

01:55:37,350 --> 01:55:36,070

right no you make some good points you

3115

01:55:37,910 --> 01:55:37,360

know do you definitely make some good

3116

01:55:44,870 --> 01:55:37,920

point

3117

01:55:46,310 --> 01:55:44,880

my the physical experiences it was um

3118

01:55:48,149 --> 01:55:46,320

i don't know made me feel like i was

3119

01:55:51,030 --> 01:55:48,159

going crazy you know

3120

01:55:52,310 --> 01:55:51,040

uh because it was a lot easier for me to

3121

01:55:54,950 --> 01:55:52,320

you know let's say

3122

01:55:56,070 --> 01:55:54,960

interact out of body and when i go to

3123

01:55:59,109 --> 01:55:56,080

sleep or

3124

01:56:02,870 --> 01:55:59,119

uh through uh you know to specific

3125

01:56:06,550 --> 01:56:02,880

um i guess what what i call the the

3126
01:56:09,030 --> 01:56:06,560
the 15 seminal si 15 symbol meditation

3127
01:56:11,350 --> 01:56:09,040
that bashar had given um it was a lot

3128
01:56:14,310 --> 01:56:11,360
easier for me to interact that way

3129
01:56:14,709 --> 01:56:14,320
instead of going through the physical

3130
01:56:17,270 --> 01:56:14,719
because

3131
01:56:17,990 --> 01:56:17,280
it made me feel extremely paranoid you

3132
01:56:19,990 --> 01:56:18,000
know

3133
01:56:21,669 --> 01:56:20,000
seeing it coming at me not only that it

3134
01:56:25,430 --> 01:56:21,679
was like this um

3135
01:56:28,550 --> 01:56:25,440
this feeling of of um you know paranoia

3136
01:56:29,669 --> 01:56:28,560
anxiety high anxiety and not only that

3137
01:56:31,910 --> 01:56:29,679
in addition to

3138
01:56:33,189 --> 01:56:31,920

the environment around me being really

3139

01:56:35,430 --> 01:56:33,199

weird you know like

3140

01:56:36,470 --> 01:56:35,440

the earth's just becoming wavy not like

3141

01:56:38,709 --> 01:56:36,480

a mirage

3142

01:56:40,070 --> 01:56:38,719

like talking about the actual ground i'm

3143

01:56:43,589 --> 01:56:40,080

standing on like it became

3144

01:56:45,189 --> 01:56:43,599

lucid you know and um that was that was

3145

01:56:47,669 --> 01:56:45,199

my experience in that so

3146

01:56:48,310 --> 01:56:47,679

i can definitely vouch regarding that

3147

01:56:50,709 --> 01:56:48,320

kind of

3148

01:56:51,830 --> 01:56:50,719

attempted contact you know it's like it

3149

01:56:54,149 --> 01:56:51,840

was hard to deal

3150

01:56:55,669 --> 01:56:54,159

with enough you know of course i i kind

3151

01:56:57,669 --> 01:56:55,679

of got over that quickly and

3152

01:56:58,950 --> 01:56:57,679

you know as i've mentioned earlier it's

3153

01:57:01,990 --> 01:56:58,960

almost like i'm

3154

01:57:02,709 --> 01:57:02,000

i've built myself up to that point to be

3155

01:57:04,709 --> 01:57:02,719

able to just

3156

01:57:06,070 --> 01:57:04,719

keep at it keep at it and not lose my

3157

01:57:08,629 --> 01:57:06,080

you know

3158

01:57:09,350 --> 01:57:08,639

um to to basically to where i can still

3159

01:57:11,030 --> 01:57:09,360

function

3160

01:57:12,550 --> 01:57:11,040

because i can definitely see some people

3161

01:57:14,070 --> 01:57:12,560

how they would be traumatized

3162

01:57:15,350 --> 01:57:14,080

about this for the rest of their lives

3163

01:57:16,550 --> 01:57:15,360

if they've never been in this kind of

3164

01:57:19,109 --> 01:57:16,560

environment before

3165

01:57:21,189 --> 01:57:19,119

to where they would um it would be

3166

01:57:21,910 --> 01:57:21,199

difficult to work it would be difficult

3167

01:57:25,910 --> 01:57:21,920

to

3168

01:57:28,390 --> 01:57:25,920

these other things because you almost

3169

01:57:30,229 --> 01:57:28,400

would have like a permanent um uh

3170

01:57:33,350 --> 01:57:30,239

version of ptsd

3171

01:57:35,669 --> 01:57:33,360

if if do you know what that is okay yes

3172

01:57:37,270 --> 01:57:35,679

yes yes of course what would you say

3173

01:57:38,870 --> 01:57:37,280

about that do you have any opinions on

3174

01:57:40,790 --> 01:57:38,880

what i what i was just saying would you

3175

01:57:42,790 --> 01:57:40,800

agree i usually agree with you

3176

01:57:44,790 --> 01:57:42,800

agnan i totally agree with you i think

3177

01:57:48,950 --> 01:57:44,800

it needs to be worked with stages

3178

01:57:51,750 --> 01:57:48,960

you know with with palliative uh

3179

01:57:54,149 --> 01:57:51,760

some people you know they they sort of

3180

01:57:56,310 --> 01:57:54,159

this sort of interaction

3181

01:57:57,510 --> 01:57:56,320

you know from from from let's say birth

3182

01:57:59,990 --> 01:57:57,520

or very very young

3183

01:58:00,870 --> 01:58:00,000

you know and it has progressively worked

3184

01:58:02,870 --> 01:58:00,880

out to

3185

01:58:04,229 --> 01:58:02,880

to a stage when when you can actually

3186

01:58:06,550 --> 01:58:04,239

make sense of it

3187

01:58:07,910 --> 01:58:06,560

you know on the on that point of view on

3188

01:58:10,790 --> 01:58:07,920

an adult perspective

3189

01:58:12,709 --> 01:58:10,800

right on if we keep at it right after

3190

01:58:14,629 --> 01:58:12,719

that you know there are signs you know

3191

01:58:17,030 --> 01:58:14,639

that will basically morris

3192

01:58:18,790 --> 01:58:17,040

proof you know like physical proof you

3193

01:58:20,470 --> 01:58:18,800

know that all this is just not a big

3194

01:58:21,589 --> 01:58:20,480

dream an illusion you know you're going

3195

01:58:24,149 --> 01:58:21,599

mad et cetera

3196

01:58:24,709 --> 01:58:24,159

right but this would be there is a sort

3197

01:58:27,510 --> 01:58:24,719

of

3198

01:58:28,070 --> 01:58:27,520

a time processes here that needs to to

3199

01:58:30,229 --> 01:58:28,080

occur

3200

01:58:31,910 --> 01:58:30,239

it needs to be palliative you know and

3201

01:58:33,589 --> 01:58:31,920

then one day who knows you know you're

3202

01:58:35,910 --> 01:58:33,599

going up and you're coming back you know

3203

01:58:38,310 --> 01:58:35,920

there you go you got a physical scar

3204

01:58:39,910 --> 01:58:38,320

right you've got a physical proof you

3205

01:58:41,990 --> 01:58:39,920

know that something happened

3206

01:58:43,750 --> 01:58:42,000

right or you actually meet you know the

3207

01:58:46,310 --> 01:58:43,760

next day you know a person

3208

01:58:47,430 --> 01:58:46,320

but you saw a human person somebody that

3209

01:58:49,830 --> 01:58:47,440

you know you know

3210

01:58:51,750 --> 01:58:49,840

and and and and when you look at that

3211

01:58:52,550 --> 01:58:51,760

person and that person looks back at you

3212

01:58:54,709 --> 01:58:52,560

and goes

3213

01:58:56,470 --> 01:58:54,719

oh you were there last night where

3214

01:58:58,310 --> 01:58:56,480

aren't you

3215

01:58:59,510 --> 01:58:58,320

right and then after that you know

3216

01:59:01,669 --> 01:58:59,520

describes usually

3217

01:59:03,669 --> 01:59:01,679

it's not the same experience but stuff

3218

01:59:05,430 --> 01:59:03,679

anything

3219

01:59:07,189 --> 01:59:05,440

but you know it's still still the same

3220

01:59:08,790 --> 01:59:07,199

environment you know on the overall

3221

01:59:11,350 --> 01:59:08,800

picture of the experience

3222

01:59:13,189 --> 01:59:11,360

is the same you know when you go oh my

3223

01:59:15,189 --> 01:59:13,199

god you know

3224

01:59:16,229 --> 01:59:15,199

i've been up you know see this person

3225

01:59:18,070 --> 01:59:16,239

came back

3226

01:59:19,589 --> 01:59:18,080

right and then the next day after that

3227

01:59:21,030 --> 01:59:19,599

you know i'm meeting that person but

3228

01:59:22,870 --> 01:59:21,040

that person you know tells you

3229

01:59:24,870 --> 01:59:22,880

well listen you know i was there you

3230

01:59:26,790 --> 01:59:24,880

know i was dreaming about you and i'm

3231

01:59:29,830 --> 01:59:26,800

going no it wasn't to dream

3232

01:59:32,390 --> 01:59:29,840

right right and if that

3233

01:59:35,109 --> 01:59:32,400

if that would happen just just on one

3234

01:59:38,070 --> 01:59:35,119

spot on one goal the physical scar

3235

01:59:39,270 --> 01:59:38,080

the the oh yes i've met somebody it is

3236

01:59:41,430 --> 01:59:39,280

quite probable that

3237

01:59:42,709 --> 01:59:41,440

that but the mind you know the construct

3238

01:59:46,310 --> 01:59:42,719

the con

3239

01:59:48,550 --> 01:59:46,320

know could not actually cope with that

3240

01:59:50,870 --> 01:59:48,560

you know unless about to diverse into

3241

01:59:52,470 --> 01:59:50,880

some some sort of theories on on you

3242

01:59:53,669 --> 01:59:52,480

really going off track you're really

3243

01:59:56,550 --> 01:59:53,679

going off track

3244

01:59:57,990 --> 01:59:56,560

so i totally agree with you you know uh

3245

02:00:00,790 --> 01:59:58,000

i don't think was was

3246

02:00:02,629 --> 02:00:00,800

interaction that we have with uh with

3247

02:00:04,950 --> 02:00:02,639

non-human beings you know

3248

02:00:05,990 --> 02:00:04,960

all at once suddenly oh i'm gonna get

3249

02:00:08,390 --> 02:00:06,000

you know i'm gonna get

3250

02:00:10,149 --> 02:00:08,400

illuminated take me aboard my your ship

3251

02:00:11,990 --> 02:00:10,159

you know and then i will know

3252

02:00:13,830 --> 02:00:12,000

when all there is to know on that you

3253

02:00:16,550 --> 02:00:13,840

know there are palliative you know

3254

02:00:18,070 --> 02:00:16,560

that there are little situations but

3255

02:00:21,669 --> 02:00:18,080

slowly slowly you get

3256

02:00:24,390 --> 02:00:21,679

into it right

3257

02:00:26,390 --> 02:00:24,400

well uh fabricio uh thank you very much

3258

02:00:28,390 --> 02:00:26,400

again i'm glad you were able to connect

3259

02:00:30,390 --> 02:00:28,400

uh was there something else you wanted

3260

02:00:32,790 --> 02:00:30,400

to share because i was actually um

3261

02:00:34,229 --> 02:00:32,800

um thinking about and just making it

3262

02:00:36,470 --> 02:00:34,239

doing this

3263

02:00:37,589 --> 02:00:36,480

yeah quitting here if you unless you

3264

02:00:38,629 --> 02:00:37,599

have something else to share then i'll

3265

02:00:41,030 --> 02:00:38,639

happily listen

3266

02:00:42,070 --> 02:00:41,040

and i'm sure everyone else will too no i

3267

02:00:44,149 --> 02:00:42,080

will respect your

3268

02:00:46,310 --> 02:00:44,159

your time frame 100 you know it's been

3269

02:00:48,149 --> 02:00:46,320

like modestly i can see two hours

3270

02:00:49,430 --> 02:00:48,159

and once again thanks for your effort

3271

02:00:52,629 --> 02:00:49,440

you know thanks for all

3272

02:00:54,950 --> 02:00:52,639

what you are doing you know this is very

3273

02:00:55,669 --> 02:00:54,960

very much in need of all this going on

3274

02:00:57,189 --> 02:00:55,679

and and

3275

02:01:00,390 --> 02:00:57,199

once again you know i will really tell

3276

02:01:02,709 --> 02:01:00,400

the point why why why actually

3277

02:01:04,550 --> 02:01:02,719

talking to you live etc you know is to

3278

02:01:08,149 --> 02:01:04,560

be very careful

3279

02:01:12,149 --> 02:01:08,159

not to participate not to get into

3280

02:01:13,030 --> 02:01:12,159

that divide not uh still sit as a divine

3281

02:01:16,149 --> 02:01:13,040

you know

3282

02:01:17,589 --> 02:01:16,159

us versus them information that we get

3283

02:01:20,149 --> 02:01:17,599

in the middle you know from

3284

02:01:20,790 --> 02:01:20,159

from government from a special expert

3285

02:01:24,470 --> 02:01:20,800

like

3286

02:01:27,589 --> 02:01:24,480

nolan

3287

02:01:27,990 --> 02:01:27,599

or or jacobs or david ike you know etc

3288

02:01:31,669 --> 02:01:28,000

and

3289

02:01:35,750 --> 02:01:31,679

an

3290

02:01:38,390 --> 02:01:35,760

know

3291

02:01:40,310 --> 02:01:38,400

all this is just an opinion and and

3292

02:01:43,430 --> 02:01:40,320

don't participate in that but

3293

02:01:46,709 --> 02:01:43,440

on the contrary try to formulate a

3294

02:01:50,149 --> 02:01:46,719

sort of a vocabulary a

3295

02:01:52,709 --> 02:01:50,159

sort of way of expressing that with

3296

02:01:53,350 --> 02:01:52,719

more gather everything rather than

3297

02:01:56,070 --> 02:01:53,360

forming

3298

02:01:57,350 --> 02:01:56,080

opinion that ultimately will be divisive

3299

02:01:59,109 --> 02:01:57,360

and then

3300

02:02:01,669 --> 02:01:59,119

those divisions are going to be used

3301
02:02:03,350 --> 02:02:01,679
with some people that have an agenda

3302
02:02:09,350 --> 02:02:03,360
which is not

3303
02:02:10,149 --> 02:02:09,360
right you know thank you for that uh

3304
02:02:12,870 --> 02:02:10,159
fabricio i

3305
02:02:14,310 --> 02:02:12,880
appreciate that you know no i'm i'm i'm

3306
02:02:17,589 --> 02:02:14,320
glad that you know

3307
02:02:20,149 --> 02:02:17,599
anytime someone can just remind others

3308
02:02:21,030 --> 02:02:20,159
to just hey let's just all chill you

3309
02:02:23,350 --> 02:02:21,040
know and and not

3310
02:02:25,030 --> 02:02:23,360
be so harsh you know with each other you

3311
02:02:25,990 --> 02:02:25,040
know helps you know even if it's just a

3312
02:02:28,310 --> 02:02:26,000
quick mention

3313
02:02:29,270 --> 02:02:28,320

you know you know because it's it's

3314

02:02:31,510 --> 02:02:29,280

sooner or later

3315

02:02:33,270 --> 02:02:31,520

i'm hoping it's just kind of like gonna

3316

02:02:33,830 --> 02:02:33,280

all these small reminders gonna chip

3317

02:02:36,310 --> 02:02:33,840

away

3318

02:02:38,070 --> 02:02:36,320

you know at people and and get through

3319

02:02:39,910 --> 02:02:38,080

whatever barriers they put up you know

3320

02:02:41,990 --> 02:02:39,920

that they create that divide

3321

02:02:43,109 --> 02:02:42,000

you know but um you know thank you thank

3322

02:02:45,990 --> 02:02:43,119

you again i'm uh

3323

02:02:46,950 --> 02:02:46,000

you know it's i if i wish if i had like

3324

02:02:49,109 --> 02:02:46,960

um

3325

02:02:50,390 --> 02:02:49,119

you know here in person a producer of

3326

02:02:53,350 --> 02:02:50,400

some source that can take

3327

02:02:53,990 --> 02:02:53,360

over the functionality and the checking

3328

02:02:55,589 --> 02:02:54,000

and the

3329

02:02:57,109 --> 02:02:55,599

the reading of this diff you know

3330

02:02:58,950 --> 02:02:57,119

because basically i'm doing like

3331

02:03:00,550 --> 02:02:58,960

three things at the same time i'm

3332

02:03:01,910 --> 02:03:00,560

checking the stream making sure the

3333

02:03:04,470 --> 02:03:01,920

audio is flowing

3334

02:03:06,149 --> 02:03:04,480

while i'm looking at the comments you

3335

02:03:08,149 --> 02:03:06,159

know oh and by the way i'm supposed to

3336

02:03:11,030 --> 02:03:08,159

have a meaningful conversation with

3337

02:03:12,310 --> 02:03:11,040

with the person speaking to me and so i

3338

02:03:14,310 --> 02:03:12,320

can do that for a

3339

02:03:16,070 --> 02:03:14,320

fairly long time but i noticed two hours

3340

02:03:19,030 --> 02:03:16,080

is kind of like my limit and i

3341

02:03:20,470 --> 02:03:19,040

start losing focus and then i don't i'm

3342

02:03:22,149 --> 02:03:20,480

not gonna make a good

3343

02:03:24,070 --> 02:03:22,159

good host for that you know because

3344

02:03:25,430 --> 02:03:24,080

otherwise people will be talking about

3345

02:03:27,430 --> 02:03:25,440

stuff and i go uh-huh

3346

02:03:28,550 --> 02:03:27,440

what i'm sorry i wasn't paying attention

3347

02:03:30,550 --> 02:03:28,560

what did you say

3348

02:03:31,669 --> 02:03:30,560

and that's just unacceptable you know

3349

02:03:33,990 --> 02:03:31,679

and so

3350

02:03:34,950 --> 02:03:34,000

that's right around i figured right

3351

02:03:38,950 --> 02:03:34,960

around two times

3352

02:03:41,669 --> 02:03:38,960

two hours it's like my mental limit to

3353

02:03:42,629 --> 02:03:41,679

produce and have a conversation before i

3354

02:03:45,430 --> 02:03:42,639

can kind of

3355

02:03:46,470 --> 02:03:45,440

you know wedge out and kind of lose that

3356

02:03:51,189 --> 02:03:46,480

focus

3357

02:03:53,270 --> 02:03:51,199

um but um but anyway but thank you

3358

02:03:55,109 --> 02:03:53,280

actually over you will you know find

3359

02:03:56,149 --> 02:03:55,119

someone that you know that can help you

3360

02:03:57,750 --> 02:03:56,159

with that and

3361

02:03:59,350 --> 02:03:57,760

indeed you know you're doing a great job

3362

02:04:00,390 --> 02:03:59,360

you're doing much better than than i

3363

02:04:02,950 --> 02:04:00,400

could

3364

02:04:05,189 --> 02:04:02,960

i think i would saturate after half an

3365

02:04:07,350 --> 02:04:05,199

hour doing doing what you're doing so

3366

02:04:08,709 --> 02:04:07,360

so good going adnan and it's been a

3367

02:04:10,470 --> 02:04:08,719

pleasure talking to you

3368

02:04:11,750 --> 02:04:10,480

yes same to you and i hope i talk to you

3369

02:04:13,750 --> 02:04:11,760

again next week you know and thanks

3370

02:04:16,790 --> 02:04:13,760

again for for tuning in

3371

02:04:17,189 --> 02:04:16,800

and um and also i want to thank everyone

3372

02:04:19,430 --> 02:04:17,199

else

3373

02:04:20,229 --> 02:04:19,440

uh for tuning in i appreciate you for

3374

02:04:22,149 --> 02:04:20,239

being there

3375

02:04:24,310 --> 02:04:22,159

i'm sorry i couldn't it looks like you

3376

02:04:27,030 --> 02:04:24,320

guys had a very lovely conversation

3377

02:04:28,470 --> 02:04:27,040

or a lively conversation online and so

3378

02:04:31,350 --> 02:04:28,480

i'm sorry i couldn't get

3379

02:04:32,629 --> 02:04:31,360

um to some of your questions there but

3380

02:04:36,149 --> 02:04:32,639

uh please tune in

3381

02:04:38,149 --> 02:04:36,159

for uh this week on friday i'm going to

3382

02:04:39,430 --> 02:04:38,159

be talking to brad johnson probably

3383

02:04:42,790 --> 02:04:39,440

tomorrow morning i will

3384

02:04:46,229 --> 02:04:42,800

set up a stream link that will be

3385

02:04:50,149 --> 02:04:46,239

set up and and ready to give you an idea

3386

02:04:52,629 --> 02:04:50,159

of where you can tune in um

3387

02:04:54,229 --> 02:04:52,639

where you can tune in to watch it so i'm

3388

02:04:56,950 --> 02:04:54,239

kind of looking forward to it because

3389

02:04:58,470 --> 02:04:56,960

uh we'll be able to discuss more uh

3390

02:05:00,470 --> 02:04:58,480

alien related things

3391

02:05:02,149 --> 02:05:00,480

and like i said i don't know if he can

3392

02:05:04,709 --> 02:05:02,159

channel the drone is and

3393

02:05:06,069 --> 02:05:04,719

to bring forth some information or and

3394

02:05:08,149 --> 02:05:06,079

he's been doing this for so many

3395

02:05:09,589 --> 02:05:08,159

years he probably would already know uh

3396

02:05:11,270 --> 02:05:09,599

to some some of the answers to the

3397

02:05:12,709 --> 02:05:11,280

questions i might have and maybe some of

3398

02:05:16,069 --> 02:05:12,719

the questions that you might have

3399

02:05:19,109 --> 02:05:16,079

but anyway please tune in on telegram or

3400

02:05:19,910 --> 02:05:19,119

in on in the chat telegram when it's

3401

02:05:22,310 --> 02:05:19,920

time for q

3402

02:05:23,910 --> 02:05:22,320

a i can just bring you in and have you

3403

02:05:25,510 --> 02:05:23,920

speak to the guest directly

3404

02:05:27,350 --> 02:05:25,520

and ask them questions and i hope you

3405

02:05:29,830 --> 02:05:27,360

can keep it short just get to the

3406

02:05:31,669 --> 02:05:29,840

to to your questions so that we can take

3407

02:05:32,149 --> 02:05:31,679

as many questions as possible and i

3408

02:05:34,629 --> 02:05:32,159

might

3409

02:05:35,750 --> 02:05:34,639

switch back and forth between chat and

3410

02:05:38,790 --> 02:05:35,760

uh telegram

3411

02:05:41,830 --> 02:05:38,800

but um everyone else again uh

3412

02:05:44,390 --> 02:05:41,840

very much uh thank you for

3413

02:05:45,669 --> 02:05:44,400

for logging in for spending your

3414

02:05:47,669 --> 02:05:45,679

wednesday with me

3415

02:05:49,910 --> 02:05:47,679

i'm i hope these things are at least

3416

02:05:51,910 --> 02:05:49,920

entertaining if anything else for you

3417

02:05:53,990 --> 02:05:51,920

it's supposed to have this feel of us

3418

02:05:56,310 --> 02:05:54,000

just basically hanging out online

3419

02:05:57,350 --> 02:05:56,320

chatting about ufos aliens and sharing

3420

02:06:00,149 --> 02:05:57,360

opinions so

3421

02:06:00,470 --> 02:06:00,159

i hope you find that worthwhile for you

3422

02:06:02,950 --> 02:06:00,480

so

3423

02:06:04,069 --> 02:06:02,960

thank you again have a good evening hope
