

UFO HUB

LIVE STREAM

1
00:00:56,830 --> 00:00:15,030

[Music]

2
00:01:24,830 --> 00:00:58,060

so

3
00:02:06,830 --> 00:01:24,840

[Music]

4
00:02:06,840 --> 00:02:15,430

do

5
00:03:43,910 --> 00:03:16,830

[Music]

6
00:03:47,030 --> 00:03:46,630
hey everyone welcome to the ufo hub live

7
00:03:48,789 --> 00:03:47,040
stream

8
00:03:51,270 --> 00:03:48,799
today's guest is going to be brad

9
00:03:53,190 --> 00:03:51,280
johnson uh years ago when i was

10
00:03:54,869 --> 00:03:53,200
scouring the web trying to find some

11
00:03:57,990 --> 00:03:54,879
information about bashar

12
00:04:01,110 --> 00:03:58,000
i came across this channeling by adronis

13
00:04:03,190 --> 00:04:01,120

and um it was very informative exactly

14

00:04:05,830 --> 00:04:03,200

what i was what i was looking for

15

00:04:06,470 --> 00:04:05,840

and uh very much enlightening and so

16

00:04:08,229 --> 00:04:06,480

i've

17

00:04:10,550 --> 00:04:08,239

subscribed and been a subscriber ever

18

00:04:13,190 --> 00:04:10,560

since and i'm very very excited that

19

00:04:14,390 --> 00:04:13,200

i will be actually talking to brad today

20

00:04:15,830 --> 00:04:14,400

so

21

00:04:17,749 --> 00:04:15,840

you're probably going to hear me say

22

00:04:21,509 --> 00:04:17,759

this several times throughout the show

23

00:04:24,070 --> 00:04:21,519

but this time you don't have to

24

00:04:25,510 --> 00:04:24,080

scour the web you can basically go in

25

00:04:27,189 --> 00:04:25,520

the description below

26

00:04:28,950 --> 00:04:27,199

and check out all the websites and

27

00:04:32,390 --> 00:04:28,960

everything that that brad does

28

00:04:34,469 --> 00:04:32,400

and everything that brad has to offer so

29

00:04:36,070 --> 00:04:34,479

without any further ado i would like to

30

00:04:38,950 --> 00:04:36,080

welcome brad

31

00:04:39,430 --> 00:04:38,960

brad thanks for being on i appreciate

32

00:04:42,070 --> 00:04:39,440

you

33

00:04:44,150 --> 00:04:42,080

being here today yeah thanks for having

34

00:04:46,790 --> 00:04:44,160

me on appreciate it

35

00:04:47,430 --> 00:04:46,800

well what i uh basically wanted to just

36

00:04:49,590 --> 00:04:47,440

ask you

37

00:04:51,270 --> 00:04:49,600

to go a little bit into your background

38

00:04:54,150 --> 00:04:51,280

information how did you even

39

00:04:55,430 --> 00:04:54,160

get into this to even begin channeling

40

00:04:58,550 --> 00:04:55,440

and then to

41

00:05:00,230 --> 00:04:58,560

do what you do today yeah it goes back

42

00:05:01,670 --> 00:05:00,240

into the year 2008

43

00:05:04,629 --> 00:05:01,680

so i've been doing this now for almost

44

00:05:07,670 --> 00:05:04,639

13 years actually 13 years this august

45

00:05:10,629 --> 00:05:07,680

so back in 2008 i was just uh

46

00:05:12,230 --> 00:05:10,639

getting a lot more into uh looking into

47

00:05:13,110 --> 00:05:12,240

the interest of extraterrestrials

48

00:05:16,070 --> 00:05:13,120

looking more so

49

00:05:17,430 --> 00:05:16,080

into what is really going on so you know

50

00:05:18,070 --> 00:05:17,440

back when i was a kid i was always very

51

00:05:20,469 --> 00:05:18,080

interested in

52

00:05:21,110 --> 00:05:20,479

sci-fi and and thinking about you know

53

00:05:23,110 --> 00:05:21,120

looking at

54

00:05:25,270 --> 00:05:23,120

other planets and seeing what was beyond

55

00:05:26,629 --> 00:05:25,280

that but i never really took it very

56

00:05:26,950 --> 00:05:26,639

seriously i just always kind of looked

57

00:05:28,790 --> 00:05:26,960

at it

58

00:05:30,629 --> 00:05:28,800

in an entertainment value but i was

59

00:05:31,830 --> 00:05:30,639

doing a lot of work and i had this idea

60

00:05:34,469 --> 00:05:31,840

for a novel

61

00:05:36,710 --> 00:05:34,479

and i wanted to look very very deeply

62

00:05:39,430 --> 00:05:36,720

into what is the actual truth

63

00:05:39,990 --> 00:05:39,440

about et's and about beings beyond our

64

00:05:41,029 --> 00:05:40,000

world

65

00:05:43,029 --> 00:05:41,039

so i just started doing a lot of

66

00:05:43,749 --> 00:05:43,039

research kind of like how you did to

67

00:05:46,390 --> 00:05:43,759

find uh

68

00:05:47,430 --> 00:05:46,400

for sure or find myself and so i looked

69

00:05:49,510 --> 00:05:47,440

up uh

70

00:05:50,790 --> 00:05:49,520

information from psychics for intuitives

71

00:05:53,590 --> 00:05:50,800

from channels

72

00:05:55,110 --> 00:05:53,600

from black ops community personnel etc

73

00:05:56,469 --> 00:05:55,120

and there were people who had a lot of

74

00:05:59,110 --> 00:05:56,479

personal contacts

75

00:06:00,070 --> 00:05:59,120

with uh star family beings as they would

76

00:06:02,469 --> 00:06:00,080

term them

77

00:06:03,590 --> 00:06:02,479

and basically seeing these beings as

78

00:06:05,029 --> 00:06:03,600

very spiritual

79

00:06:07,189 --> 00:06:05,039

right they believed in a one infinite

80

00:06:09,029 --> 00:06:07,199

creator and then through meditation

81

00:06:11,350 --> 00:06:09,039

you're able to connect with them

82

00:06:13,749 --> 00:06:11,360

and for this this was all very very new

83

00:06:16,230 --> 00:06:13,759

to me it was very fascinating as well

84

00:06:18,309 --> 00:06:16,240

so i decided instead of writing for this

85

00:06:21,110 --> 00:06:18,319

novel i put the novel aside

86

00:06:22,950 --> 00:06:21,120

and i started uh just going to my local

87

00:06:25,590 --> 00:06:22,960

library and i took out a book called

88

00:06:27,029 --> 00:06:25,600

learn how to meditate and i just read it

89

00:06:28,629 --> 00:06:27,039

from front cover to back cover it wasn't

90

00:06:30,150 --> 00:06:28,639

some extraordinary book it was like your

91

00:06:32,469 --> 00:06:30,160

typical run-of-the-mill

92

00:06:34,309 --> 00:06:32,479

guided meditation kind of book but i was

93

00:06:36,390 --> 00:06:34,319

just fascinated by it because i would

94

00:06:38,230 --> 00:06:36,400

give you like a lot of visualizations

95

00:06:40,230 --> 00:06:38,240

basically telling you to to really focus

96

00:06:41,670 --> 00:06:40,240

on the mind focus on the third eye for a

97

00:06:43,830 --> 00:06:41,680

cent for example

98

00:06:44,950 --> 00:06:43,840

and as i would do meditation uh this is

99

00:06:45,830 --> 00:06:44,960

it was the first time i ever did

100

00:06:47,990 --> 00:06:45,840

meditation

101
00:06:49,270 --> 00:06:48,000
i went very very deep everything felt

102
00:06:51,189 --> 00:06:49,280
very very vivid

103
00:06:53,029 --> 00:06:51,199
i would go into like these beautiful

104
00:06:54,230 --> 00:06:53,039
realities these beautiful domains

105
00:06:56,230 --> 00:06:54,240
and i would see like these floating

106
00:06:58,150 --> 00:06:56,240
crystal balls with the

107
00:06:59,589 --> 00:06:58,160
illuminating energy coming out of them

108
00:07:02,710 --> 00:06:59,599
the funny thing is as i

109
00:07:04,550 --> 00:07:02,720
imagine myself touching those crystals i

110
00:07:06,230 --> 00:07:04,560
could feel like energy which is flowing

111
00:07:08,230 --> 00:07:06,240
through my hands physically

112
00:07:10,469 --> 00:07:08,240
and so i could feel a lot of rushing of

113
00:07:11,990 --> 00:07:10,479

energy coming into myself

114

00:07:13,670 --> 00:07:12,000

as i was doing a lot of these meditative

115

00:07:15,990 --> 00:07:13,680

practices

116

00:07:17,350 --> 00:07:16,000

and as i'd go to sleep at night i would

117

00:07:19,589 --> 00:07:17,360

start waking up

118

00:07:20,629 --> 00:07:19,599

knowing things i did not know before so

119

00:07:23,510 --> 00:07:20,639

overnight

120

00:07:25,110 --> 00:07:23,520

i would start getting a lot of downloads

121

00:07:27,270 --> 00:07:25,120

and through this i would start looking a

122

00:07:29,189 --> 00:07:27,280

lot more into universal information

123

00:07:30,309 --> 00:07:29,199

start looking into you know the nature

124

00:07:33,270 --> 00:07:30,319

of the universe

125

00:07:34,070 --> 00:07:33,280

about other civilizations it was quite

126
00:07:36,710 --> 00:07:34,080
broad

127
00:07:37,749 --> 00:07:36,720
and uh just a lot of uh impressions for

128
00:07:40,150 --> 00:07:37,759
me to

129
00:07:41,749 --> 00:07:40,160
look into different things from uh

130
00:07:43,589 --> 00:07:41,759
metaphysical information

131
00:07:45,990 --> 00:07:43,599
extraterrestrial information connections

132
00:07:49,350 --> 00:07:46,000
to uh kind of like yogic science

133
00:07:51,749 --> 00:07:49,360
uh astrology energy healing everything

134
00:07:53,029 --> 00:07:51,759
so this really began my journey to

135
00:07:54,070 --> 00:07:53,039
become a lot more familiar with

136
00:07:57,110 --> 00:07:54,080
metaphysics

137
00:07:59,909 --> 00:07:57,120
spirituality consciousness and this

138
00:08:00,230 --> 00:07:59,919

eventually got me into channeling which

139

00:08:01,589 --> 00:08:00,240

is

140

00:08:03,510 --> 00:08:01,599

something that really really fascinated

141

00:08:05,589 --> 00:08:03,520

me because i had i

142

00:08:08,230 --> 00:08:05,599

i have two was subscribed to quite a few

143

00:08:09,589 --> 00:08:08,240

channelers uh on youtube as well too

144

00:08:11,430 --> 00:08:09,599

and i would just kind of get an idea

145

00:08:13,749 --> 00:08:11,440

about how they would channel

146

00:08:15,589 --> 00:08:13,759

and then i would i created my own social

147

00:08:16,390 --> 00:08:15,599

network i created a just like a ning

148

00:08:17,909 --> 00:08:16,400

network

149

00:08:19,670 --> 00:08:17,919

and i started bringing a lot of psychics

150

00:08:20,629 --> 00:08:19,680

and intuitives into this network they

151

00:08:22,230 --> 00:08:20,639

signed up for free

152

00:08:23,749 --> 00:08:22,240

and i'd start talking to them because a

153

00:08:25,270 --> 00:08:23,759

lot of them were channelers

154

00:08:26,469 --> 00:08:25,280

and psychics and intuitives and i said

155

00:08:27,029 --> 00:08:26,479

what is it that you do how do you

156

00:08:28,629 --> 00:08:27,039

connect with

157

00:08:30,469 --> 00:08:28,639

these beings what is it what's your

158

00:08:32,310 --> 00:08:30,479

process so i kind of

159

00:08:33,509 --> 00:08:32,320

talk to them and they all have their own

160

00:08:34,870 --> 00:08:33,519

different ways sometimes say i'll just

161

00:08:38,230 --> 00:08:34,880

go get quiet

162

00:08:39,670 --> 00:08:38,240

i feel like i'm connecting to this this

163

00:08:40,949 --> 00:08:39,680

consciousness in the background as soon

164

00:08:43,589 --> 00:08:40,959

as i go into a

165

00:08:44,790 --> 00:08:43,599

state of peace so i just kind of looked

166

00:08:46,310 --> 00:08:44,800

into these things and said okay well

167

00:08:47,030 --> 00:08:46,320

they have this way that way this way

168

00:08:50,310 --> 00:08:47,040

that way

169

00:08:53,030 --> 00:08:50,320

and i just started to amalgamate

170

00:08:53,750 --> 00:08:53,040

my own kind of method as i got into

171

00:08:55,430 --> 00:08:53,760

challenge

172

00:08:57,110 --> 00:08:55,440

so i kind of started i kind of looked at

173

00:08:58,949 --> 00:08:57,120

it firstly like a journalist

174

00:09:00,630 --> 00:08:58,959

and then i got into it myself i said you

175

00:09:02,310 --> 00:09:00,640

know enough of me researching this i

176

00:09:04,389 --> 00:09:02,320

actually want to start doing this

177

00:09:05,990 --> 00:09:04,399

so as i started doing challenge i went

178

00:09:06,710 --> 00:09:06,000

into basically what they call automatic

179

00:09:10,470 --> 00:09:06,720

writing

180

00:09:12,310 --> 00:09:10,480

down

181

00:09:13,509 --> 00:09:12,320

all this flowing information that would

182

00:09:14,550 --> 00:09:13,519

come through me

183

00:09:16,150 --> 00:09:14,560

and i would just connect to all

184

00:09:17,190 --> 00:09:16,160

different forms of intelligences i would

185

00:09:18,470 --> 00:09:17,200

connect to a star

186

00:09:20,310 --> 00:09:18,480

basically i would connect to the

187

00:09:22,070 --> 00:09:20,320

intelligence of that star and i would

188

00:09:22,870 --> 00:09:22,080

just start getting information flowing

189

00:09:24,230 --> 00:09:22,880

through

190

00:09:25,990 --> 00:09:24,240

i'd start connecting with a lot of these

191

00:09:27,990 --> 00:09:26,000

different collectives and

192

00:09:29,350 --> 00:09:28,000

information would come through uh and it

193

00:09:31,590 --> 00:09:29,360

wasn't until december

194

00:09:32,550 --> 00:09:31,600

of 2008 that a friend of mine who was

195

00:09:34,790 --> 00:09:32,560

also a channel

196

00:09:36,230 --> 00:09:34,800

said well brad i i was tuning in and i

197

00:09:37,110 --> 00:09:36,240

felt like you had very very strong

198

00:09:39,670 --> 00:09:37,120

connections

199

00:09:41,030 --> 00:09:39,680

to the star of sirius a and i feel like

200

00:09:42,790 --> 00:09:41,040

there is an entity there

201
00:09:44,310 --> 00:09:42,800
that is trying to get in touch with you

202
00:09:47,430 --> 00:09:44,320
they wanted to tell me

203
00:09:48,310 --> 00:09:47,440
to tell you to look into that so i

204
00:09:51,350 --> 00:09:48,320
agreed

205
00:09:54,710 --> 00:09:51,360
and i went into my channel writing state

206
00:09:56,230 --> 00:09:54,720
and as i tuned into serious a i

207
00:09:57,990 --> 00:09:56,240
just started feeling the flow right so

208
00:09:59,990 --> 00:09:58,000
if i had a piece of paper right here

209
00:10:01,829 --> 00:10:00,000
i could just feel the flow coming in i

210
00:10:03,430 --> 00:10:01,839
am adronis of sirius

211
00:10:05,030 --> 00:10:03,440
right and that's uh that was my

212
00:10:07,509 --> 00:10:05,040
introduction to him

213
00:10:08,949 --> 00:10:07,519

so he referred to himself as a fifth

214

00:10:12,550 --> 00:10:08,959

density consciousness

215

00:10:14,630 --> 00:10:12,560

uh 297 years in the future he came back

216

00:10:16,069 --> 00:10:14,640

at this time to assist me in my own

217

00:10:18,790 --> 00:10:16,079

spiritual evolution

218

00:10:19,509 --> 00:10:18,800

and as i spiritually evolve i will work

219

00:10:21,269 --> 00:10:19,519

to help

220

00:10:22,550 --> 00:10:21,279

others spiritually evolve together with

221

00:10:24,310 --> 00:10:22,560

me and

222

00:10:25,910 --> 00:10:24,320

through this agreement that him and i

223

00:10:27,990 --> 00:10:25,920

have we would work together

224

00:10:29,670 --> 00:10:28,000

to uh to bring that forward and is this

225

00:10:31,269 --> 00:10:29,680

something that i'd want to do

226

00:10:33,269 --> 00:10:31,279

so i was very much in agreement with

227

00:10:34,949 --> 00:10:33,279

this but of course doing a lot of all

228

00:10:36,389 --> 00:10:34,959

this channeled information and doing all

229

00:10:39,590 --> 00:10:36,399

this channeling work and

230

00:10:39,910 --> 00:10:39,600

energy healing and meditation right it

231

00:10:47,030 --> 00:10:39,920

was

232

00:10:48,949 --> 00:10:47,040

it

233

00:10:50,389 --> 00:10:48,959

so i just uh i just said you know what i

234

00:10:52,069 --> 00:10:50,399

have i have to make sure that

235

00:10:53,590 --> 00:10:52,079

i'm really getting all this information

236

00:10:55,190 --> 00:10:53,600

that i'm not going crazy that people

237

00:10:57,590 --> 00:10:55,200

aren't thinking i'm a lunatic

238

00:10:59,269 --> 00:10:57,600

right so i just went out into my onto my

239

00:11:01,430 --> 00:10:59,279

porch and i just kind of

240

00:11:03,190 --> 00:11:01,440

looked up at the stars i closed my eyes

241

00:11:04,949 --> 00:11:03,200

and said you know if there's any ships

242

00:11:07,030 --> 00:11:04,959

there's anybody out there that can just

243

00:11:08,949 --> 00:11:07,040

let me know that you are real

244

00:11:10,230 --> 00:11:08,959

that this is actually happening that i

245

00:11:12,470 --> 00:11:10,240

am channeling you

246

00:11:13,509 --> 00:11:12,480

and that i'm not losing my mind just let

247

00:11:15,910 --> 00:11:13,519

me know fine

248

00:11:17,670 --> 00:11:15,920

do do something just to let me know that

249

00:11:20,069 --> 00:11:17,680

i'm not going crazy here

250

00:11:21,990 --> 00:11:20,079

after a few seconds of saying that a

251

00:11:24,630 --> 00:11:22,000

star wiggled out of the sky

252

00:11:26,150 --> 00:11:24,640

and just shot right across the sky

253

00:11:27,829 --> 00:11:26,160

lasted about 30 seconds

254

00:11:29,590 --> 00:11:27,839

my ex-wife actually stepped outside the

255

00:11:31,430 --> 00:11:29,600

porch and she saw it as well too

256

00:11:32,630 --> 00:11:31,440

i said i told you i told you it's real

257

00:11:34,550 --> 00:11:32,640

right i prayed for that

258

00:11:36,389 --> 00:11:34,560

she's just she was dumbfounded she

259

00:11:37,829 --> 00:11:36,399

didn't know what to say or what to do

260

00:11:39,990 --> 00:11:37,839

it's like oh my god my husband has

261

00:11:43,269 --> 00:11:40,000

completely lost his mind

262

00:11:45,430 --> 00:11:43,279

so uh that was really my my journey into

263

00:11:47,829 --> 00:11:45,440

connecting with adronis at that time

264

00:11:49,430 --> 00:11:47,839

shortly after a couple months passed and

265

00:11:51,110 --> 00:11:49,440

i left my ex-wife

266

00:11:52,629 --> 00:11:51,120

and went on my own because i just kind

267

00:11:53,269 --> 00:11:52,639

of realized the kind of relationship it

268

00:11:57,030 --> 00:11:53,279

was

269

00:11:59,590 --> 00:11:57,040

to continue doing

270

00:12:00,790 --> 00:11:59,600

um and i just it was just about me going

271

00:12:02,870 --> 00:12:00,800

on my own

272

00:12:04,230 --> 00:12:02,880

uh leaving kind of behind like a toxic

273

00:12:06,870 --> 00:12:04,240

marriage and

274

00:12:08,629 --> 00:12:06,880

uh being on my own and having this

275

00:12:10,150 --> 00:12:08,639

ability there were many times where i

276

00:12:11,430 --> 00:12:10,160

didn't know what to do i really didn't

277

00:12:13,190 --> 00:12:11,440

know what to do with this

278

00:12:15,030 --> 00:12:13,200

i said yes i have this information i

279

00:12:17,030 --> 00:12:15,040

have the ability to channel

280

00:12:18,389 --> 00:12:17,040

i have the ability to go in and talk to

281

00:12:19,910 --> 00:12:18,399

this other consciousness

282

00:12:21,750 --> 00:12:19,920

that's coming through me but i really

283

00:12:22,710 --> 00:12:21,760

don't know what to do so it required me

284

00:12:25,590 --> 00:12:22,720

to

285

00:12:27,269 --> 00:12:25,600

do a lot of sitting do a lot of just

286

00:12:29,430 --> 00:12:27,279

kind of centering myself

287

00:12:31,590 --> 00:12:29,440

with this information and what it led to

288

00:12:32,629 --> 00:12:31,600

was me just working together with others

289

00:12:33,190 --> 00:12:32,639

because again this incredible

290

00:12:35,509 --> 00:12:33,200

information

291

00:12:36,790 --> 00:12:35,519

comes through me and i just started

292

00:12:39,110 --> 00:12:36,800

offering services

293

00:12:40,389 --> 00:12:39,120

with this so it started off free and it

294

00:12:42,629 --> 00:12:40,399

started off by donation

295

00:12:44,470 --> 00:12:42,639

and then i got into fixed rates with it

296

00:12:46,150 --> 00:12:44,480

and just years passed and it started to

297

00:12:46,790 --> 00:12:46,160

get a lot more popular but in the very

298

00:12:48,230 --> 00:12:46,800

beginning

299

00:12:49,750 --> 00:12:48,240

there was just a few people who i was

300

00:12:51,750 --> 00:12:49,760

connecting with and i just kind of

301

00:12:53,509 --> 00:12:51,760

slowly crept up the ladder

302

00:12:55,509 --> 00:12:53,519

to doing this a lot more so what you see

303

00:12:57,990 --> 00:12:55,519

on the youtube channel that i have

304

00:13:00,150 --> 00:12:58,000

is years and years and years of that

305

00:13:02,629 --> 00:13:00,160

build up of helping people

306

00:13:04,550 --> 00:13:02,639

all over the world thousands of people

307

00:13:05,110 --> 00:13:04,560

uh because the majority of my sessions

308

00:13:07,350 --> 00:13:05,120

have been

309

00:13:08,790 --> 00:13:07,360

challenge adronis uh bringing him

310

00:13:10,870 --> 00:13:08,800

through and people

311

00:13:11,990 --> 00:13:10,880

from all walks of life have come to me

312

00:13:13,990 --> 00:13:12,000

and they've talked about

313

00:13:15,030 --> 00:13:14,000

everything right there's i don't think

314

00:13:17,509 --> 00:13:15,040

there's a single

315

00:13:18,069 --> 00:13:17,519

subject that i that adronis and i have

316

00:13:20,470 --> 00:13:18,079

not

317

00:13:22,629 --> 00:13:20,480

discussed in some particular way it has

318

00:13:25,990 --> 00:13:22,639

been that vast it has been that uh

319

00:13:28,550 --> 00:13:26,000

insightful it has been that broad so

320

00:13:29,990 --> 00:13:28,560

to this very day i still channel address

321

00:13:32,550 --> 00:13:30,000

through private sessions

322

00:13:33,430 --> 00:13:32,560

i still do events uh but i'm also going

323

00:13:35,750 --> 00:13:33,440

into

324

00:13:37,430 --> 00:13:35,760

a lot more greater depth pertaining to

325

00:13:39,030 --> 00:13:37,440

the nature of consciousness

326

00:13:41,670 --> 00:13:39,040

so it's kind of walking a lot more of a

327

00:13:44,949 --> 00:13:41,680

deeper path but i am still working and

328

00:13:47,430 --> 00:13:44,959

challenging with adrenalis along the way

329

00:13:48,069 --> 00:13:47,440

boy yeah there's there's so many avenues

330

00:13:49,910 --> 00:13:48,079

and directions

331

00:13:51,590 --> 00:13:49,920

that i want to take this but i figured

332

00:13:53,269 --> 00:13:51,600

um um

333

00:13:54,790 --> 00:13:53,279

let's just take stick a little bit more

334

00:13:57,350 --> 00:13:54,800

to the process let's just say

335

00:13:59,189 --> 00:13:57,360

somebody wants to learn on their own

336

00:13:59,750 --> 00:13:59,199

like you mentioned so there's really not

337

00:14:02,790 --> 00:13:59,760

a

338

00:14:04,710 --> 00:14:02,800

it's uh

339

00:14:05,829 --> 00:14:04,720

would you say it's just what whatever

340

00:14:08,790 --> 00:14:05,839

feels right for you

341

00:14:10,710 --> 00:14:08,800

to kind of take that approach yeah yes

342

00:14:12,470 --> 00:14:10,720

there's as many ways as there are people

343

00:14:13,030 --> 00:14:12,480

on the planet as there are stars in the

344

00:14:15,350 --> 00:14:13,040

sky

345

00:14:16,150 --> 00:14:15,360

right you have an infinite amount of

346

00:14:17,750 --> 00:14:16,160

ways

347

00:14:19,430 --> 00:14:17,760

to connect whatever it is that you wish

348

00:14:21,430 --> 00:14:19,440

to connect to but really it really just

349

00:14:23,189 --> 00:14:21,440

comes down to the idea that you

350

00:14:25,030 --> 00:14:23,199

you really just want to connect to the

351
00:14:25,590 --> 00:14:25,040
highest that there is and that would be

352
00:14:29,110 --> 00:14:25,600
god

353
00:14:29,509 --> 00:14:29,120
right you you want to you you'll start

354
00:14:31,430 --> 00:14:29,519
off

355
00:14:33,030 --> 00:14:31,440
a lot of people i talk to will want to

356
00:14:34,629 --> 00:14:33,040
talk to their spirit guides they'll want

357
00:14:35,590 --> 00:14:34,639
to talk to their angels they do want to

358
00:14:37,670 --> 00:14:35,600
talk to

359
00:14:40,470 --> 00:14:37,680
et's on other worlds and other

360
00:14:41,910 --> 00:14:40,480
dimensions and so forth and we do that

361
00:14:43,590 --> 00:14:41,920
but at times they will come back to me

362
00:14:45,590 --> 00:14:43,600
and say this is fun this is great i

363
00:14:47,829 --> 00:14:45,600

enjoy talking to these guys

364

00:14:49,750 --> 00:14:47,839

but i feel like i really want to fulfill

365

00:14:51,350 --> 00:14:49,760

myself i really want to go into that

366

00:14:52,949 --> 00:14:51,360

state of inner discipline

367

00:14:54,470 --> 00:14:52,959

and this is where i've been moving

368

00:14:56,550 --> 00:14:54,480

myself a lot more too

369

00:14:58,710 --> 00:14:56,560

i said really what that entails is just

370

00:15:00,870 --> 00:14:58,720

being able to become humble

371

00:15:02,629 --> 00:15:00,880

it's understanding that you want to move

372

00:15:04,470 --> 00:15:02,639

into eternal happiness

373

00:15:06,069 --> 00:15:04,480

and that eternal happiness comes through

374

00:15:08,870 --> 00:15:06,079

the self right

375

00:15:11,350 --> 00:15:08,880

so yes we can certainly talk to a lot of

376

00:15:13,590 --> 00:15:11,360

different guides we can talk to et's

377

00:15:15,430 --> 00:15:13,600

we can talk to them all the time but

378

00:15:16,629 --> 00:15:15,440

really they are trying to encourage us

379

00:15:19,829 --> 00:15:16,639

as well too is

380

00:15:22,629 --> 00:15:19,839

go into your source go into your heart

381

00:15:23,829 --> 00:15:22,639

go into yourself and that is what's

382

00:15:24,550 --> 00:15:23,839

going to bring you the greatest

383

00:15:27,670 --> 00:15:24,560

happiness

384

00:15:30,230 --> 00:15:27,680

right so they too are just here to

385

00:15:31,829 --> 00:15:30,240

assist in many ways because again i've

386

00:15:33,509 --> 00:15:31,839

talked to many people who have talked to

387

00:15:35,829 --> 00:15:33,519

all different kinds of beings

388

00:15:37,269 --> 00:15:35,839

whether you're looking at uh star family

389

00:15:38,550 --> 00:15:37,279

humanoids

390

00:15:40,310 --> 00:15:38,560

whether you're looking at reptilians

391

00:15:41,829 --> 00:15:40,320

whether you're looking at graves whether

392

00:15:44,069 --> 00:15:41,839

you're looking at hybrids

393

00:15:45,749 --> 00:15:44,079

whether you're looking at avians whether

394

00:15:46,949 --> 00:15:45,759

you're looking at felines

395

00:15:49,030 --> 00:15:46,959

whether you're looking at again just

396

00:15:50,069 --> 00:15:49,040

pure balls of light like plasma balls

397

00:15:52,710 --> 00:15:50,079

etc it just

398

00:15:53,509 --> 00:15:52,720

goes on there is no shortage of

399

00:15:56,230 --> 00:15:53,519

intelligence

400

00:15:57,749 --> 00:15:56,240

that exists through consciousness but

401
00:15:59,910 --> 00:15:57,759
again we just

402
00:16:00,949 --> 00:15:59,920
in our own way formulate these

403
00:16:02,710 --> 00:16:00,959
relationships

404
00:16:04,470 --> 00:16:02,720
with these beings because it is very

405
00:16:06,310 --> 00:16:04,480
much an internal process

406
00:16:09,269 --> 00:16:06,320
a lot of people want to have physical

407
00:16:10,710 --> 00:16:09,279
contact they want to basically meet in a

408
00:16:12,310 --> 00:16:10,720
baseball field or something of that

409
00:16:14,230 --> 00:16:12,320
nature or soccer field

410
00:16:15,350 --> 00:16:14,240
and say just come down at 10 o'clock at

411
00:16:17,590 --> 00:16:15,360
night

412
00:16:19,110 --> 00:16:17,600
bring your ship down and i'll come and

413
00:16:21,749 --> 00:16:19,120

meet you

414

00:16:23,350 --> 00:16:21,759

right as exciting as that is you would

415

00:16:25,509 --> 00:16:23,360

be running for your life

416

00:16:26,470 --> 00:16:25,519

okay not because you're scared of the

417

00:16:29,030 --> 00:16:26,480

events but because

418

00:16:29,749 --> 00:16:29,040

many of these beings are on such a very

419

00:16:32,069 --> 00:16:29,759

advanced

420

00:16:34,150 --> 00:16:32,079

spiritual level they have evolved

421

00:16:36,069 --> 00:16:34,160

themselves to such a deep level

422

00:16:37,430 --> 00:16:36,079

that we simply can take their energy

423

00:16:39,910 --> 00:16:37,440

right their energy is so

424

00:16:41,110 --> 00:16:39,920

profound uh adronis has said this many

425

00:16:43,990 --> 00:16:41,120

times right because he

426
00:16:45,350 --> 00:16:44,000
he has had people ask him for some type

427
00:16:46,389 --> 00:16:45,360
of personal contact

428
00:16:48,790 --> 00:16:46,399
and there's been times where he's

429
00:16:50,870 --> 00:16:48,800
delivered but he's delivered more so

430
00:16:52,629 --> 00:16:50,880
internally right it's coming through

431
00:16:54,150 --> 00:16:52,639
within yourself right you may see a

432
00:16:55,269 --> 00:16:54,160
light you may start to see a projection

433
00:16:57,269 --> 00:16:55,279
of his face

434
00:16:59,030 --> 00:16:57,279
you may start to hear a voice right

435
00:17:02,230 --> 00:16:59,040
there's been times too where i've had

436
00:17:03,990 --> 00:17:02,240
visions of him and i've had apparitions

437
00:17:05,990 --> 00:17:04,000
of him coming in as well too it's quite

438
00:17:08,710 --> 00:17:06,000

rare but that has happened

439

00:17:09,510 --> 00:17:08,720

uh but basically the majority way of how

440

00:17:11,189 --> 00:17:09,520

i channel him

441

00:17:13,669 --> 00:17:11,199

is it's kind of like tuning into a radio

442

00:17:14,949 --> 00:17:13,679

station so it's like you have a radio

443

00:17:15,590 --> 00:17:14,959

right here and you're just turning the

444

00:17:17,110 --> 00:17:15,600

dial

445

00:17:18,949 --> 00:17:17,120

and you're just turning into a certain

446

00:17:20,789 --> 00:17:18,959

frequency and it is through that

447

00:17:21,990 --> 00:17:20,799

frequency where his information starts

448

00:17:23,990 --> 00:17:22,000

flowing through

449

00:17:26,390 --> 00:17:24,000

so channeling him now for almost 13

450

00:17:28,789 --> 00:17:26,400

years it's a very very natural

451
00:17:30,830 --> 00:17:28,799
thing for me to do but people who do

452
00:17:31,990 --> 00:17:30,840
want to learn how to do inner et

453
00:17:33,510 --> 00:17:32,000
communication

454
00:17:34,950 --> 00:17:33,520
this is really the way to do it you're

455
00:17:36,070 --> 00:17:34,960
doing it through mediumship you're doing

456
00:17:37,669 --> 00:17:36,080
it through channeling

457
00:17:39,510 --> 00:17:37,679
uh you can do it through dream times at

458
00:17:41,029 --> 00:17:39,520
least to dreaming as well too

459
00:17:43,750 --> 00:17:41,039
there's many different ways because

460
00:17:45,590 --> 00:17:43,760
that's actually the way that they prefer

461
00:17:47,510 --> 00:17:45,600
because it's not jeopardizing anyone's

462
00:17:48,150 --> 00:17:47,520
free will it's not putting anyone in

463
00:17:53,110 --> 00:17:48,160

danger

464

00:17:54,310 --> 00:17:53,120

communicate with you through this kind

465

00:17:57,990 --> 00:17:54,320

of telepathic

466

00:18:00,310 --> 00:17:58,000

mental internal level you know brad i'm

467

00:18:00,950 --> 00:18:00,320

glad you touched on that because um i

468

00:18:03,350 --> 00:18:00,960

have this

469

00:18:05,029 --> 00:18:03,360

on wednesday's open lines and it's just

470

00:18:07,430 --> 00:18:05,039

interacting with the audience and

471

00:18:09,190 --> 00:18:07,440

sometimes i'm not sure if you're

472

00:18:11,750 --> 00:18:09,200

familiar with my story but

473

00:18:13,750 --> 00:18:11,760

you know the experiences that i've had

474

00:18:17,270 --> 00:18:13,760

and i often try to explain to them

475

00:18:19,990 --> 00:18:17,280

i said it's it's uh um like

476

00:18:20,950 --> 00:18:20,000

uh for me it was all about first

477

00:18:23,029 --> 00:18:20,960

changing

478

00:18:24,710 --> 00:18:23,039

uh slowly but surely these different

479

00:18:27,750 --> 00:18:24,720

belief systems that you have

480

00:18:28,470 --> 00:18:27,760

you know and that's what starts very

481

00:18:31,190 --> 00:18:28,480

slowly

482

00:18:31,669 --> 00:18:31,200

and then you kind of build up on that to

483

00:18:33,669 --> 00:18:31,679

each

484

00:18:35,270 --> 00:18:33,679

thing you resolve every every challenge

485

00:18:38,710 --> 00:18:35,280

every difficulty is like this

486

00:18:39,510 --> 00:18:38,720

different um shift of energy you know to

487

00:18:42,390 --> 00:18:39,520

where

488

00:18:43,830 --> 00:18:42,400

now you have um you know you're more in

489

00:18:46,710 --> 00:18:43,840

tune with yourself

490

00:18:48,470 --> 00:18:46,720

and um basically what i was what i

491

00:18:51,990 --> 00:18:48,480

didn't get to the point is that

492

00:18:54,789 --> 00:18:52,000

um the this different energy between

493

00:18:56,630 --> 00:18:54,799

you know their state of being and ours

494

00:18:59,750 --> 00:18:56,640

is so different to where

495

00:19:02,710 --> 00:18:59,760

um i like to very much use uh bashar's

496

00:19:03,190 --> 00:19:02,720

explanation is that uh psychotic shock

497

00:19:06,549 --> 00:19:03,200

you know

498

00:19:09,110 --> 00:19:06,559

it's like i've

499

00:19:10,390 --> 00:19:09,120

you know been wanting contact for so

500

00:19:13,669 --> 00:19:10,400

long and and

501
00:19:15,430 --> 00:19:13,679
wanting to just basically um do you know

502
00:19:17,029 --> 00:19:15,440
have it physical because that's what's

503
00:19:18,950 --> 00:19:17,039
everything about right in this world

504
00:19:20,710 --> 00:19:18,960
we're always physical physical physical

505
00:19:22,789 --> 00:19:20,720
you know so okay i'm gonna do this

506
00:19:24,470 --> 00:19:22,799
physically because somehow in people's

507
00:19:26,870 --> 00:19:24,480
mindsets uh not all

508
00:19:28,310 --> 00:19:26,880
obviously not everyone but a few that

509
00:19:30,390 --> 00:19:28,320
you know they're like oh well

510
00:19:32,150 --> 00:19:30,400
uh you know you could be dreaming this

511
00:19:33,669 --> 00:19:32,160
if you're you're going to sleep and have

512
00:19:35,430 --> 00:19:33,679
out-of-body experience right

513
00:19:37,110 --> 00:19:35,440

if you close your eyes and meditate

514

00:19:38,549 --> 00:19:37,120

they're like well you know it could just

515

00:19:39,029 --> 00:19:38,559

be your imagination i mean there's

516

00:19:41,590 --> 00:19:39,039

always

517

00:19:42,070 --> 00:19:41,600

some way to bring in bring it around to

518

00:19:48,470 --> 00:19:42,080

a

519

00:19:51,350 --> 00:19:48,480

this

520

00:19:52,950 --> 00:19:51,360

and it you like you said i mean you know

521

00:19:55,669 --> 00:19:52,960

you will your pants

522

00:19:56,950 --> 00:19:55,679

you know and uh um it's not what you

523

00:19:59,830 --> 00:19:56,960

said is what i'm saying

524

00:20:01,270 --> 00:19:59,840

you know uh uh not to you know you

525

00:20:02,950 --> 00:20:01,280

didn't you

526

00:20:04,950 --> 00:20:02,960

don't want to attribute the profanity to

527

00:20:07,590 --> 00:20:04,960

your statement uh so anyway

528

00:20:09,350 --> 00:20:07,600

and a lot of people that that are just

529

00:20:11,110 --> 00:20:09,360

in the beginning they just always think

530

00:20:12,470 --> 00:20:11,120

it's this you know hey hello come on

531

00:20:15,669 --> 00:20:12,480

down let's shake hands

532

00:20:19,110 --> 00:20:15,679

you know um when do you think uh

533

00:20:21,990 --> 00:20:19,120

this i guess enough energy

534

00:20:23,110 --> 00:20:22,000

uh would have shifted or or is it i

535

00:20:26,549 --> 00:20:23,120

guess individually

536

00:20:30,390 --> 00:20:26,559

based on all our um individual work

537

00:20:33,190 --> 00:20:30,400

that if enough energy has changed

538

00:20:33,990 --> 00:20:33,200

a physical content would be possible and

539

00:20:35,669 --> 00:20:34,000

then how long

540

00:20:37,990 --> 00:20:35,679

do you foresee that to possibly take

541

00:20:39,350 --> 00:20:38,000

would it be five to ten years from now

542

00:20:41,590 --> 00:20:39,360

what do you what do you have anything to

543

00:20:43,190 --> 00:20:41,600

say regarding that it doesn't it doesn't

544

00:20:43,909 --> 00:20:43,200

really work that way that's not how it

545

00:20:45,669 --> 00:20:43,919

works

546

00:20:47,350 --> 00:20:45,679

really the whole idea is that it is a

547

00:20:49,350 --> 00:20:47,360

very very rare thing

548

00:20:51,590 --> 00:20:49,360

for a person to have a physical contact

549

00:20:52,710 --> 00:20:51,600

with a star family member because it's

550

00:20:54,549 --> 00:20:52,720

basically what i refer to them i don't

551
00:20:56,630 --> 00:20:54,559
refer them as aliens or

552
00:20:58,710 --> 00:20:56,640
sometimes not even as ets as well too

553
00:21:00,310 --> 00:20:58,720
et's is kind of the middle grounds

554
00:21:01,990 --> 00:21:00,320
but it's really all you're really doing

555
00:21:03,590 --> 00:21:02,000
is you're connecting with family you're

556
00:21:05,430 --> 00:21:03,600
connecting with another

557
00:21:07,110 --> 00:21:05,440
version of yourself it's you you're

558
00:21:08,870 --> 00:21:07,120
connecting with you

559
00:21:10,390 --> 00:21:08,880
and i say that because you're the only

560
00:21:12,070 --> 00:21:10,400
one here right

561
00:21:14,070 --> 00:21:12,080
when i say that you're the only one here

562
00:21:15,830 --> 00:21:14,080
you are the only observer

563
00:21:17,990 --> 00:21:15,840

you are the only perceiver in your

564

00:21:19,830 --> 00:21:18,000

reality so when you are

565

00:21:21,590 --> 00:21:19,840

basically attempting to connect with

566

00:21:22,149 --> 00:21:21,600

what you feel is another being in that

567

00:21:23,350 --> 00:21:22,159

way

568

00:21:25,909 --> 00:21:23,360

all you're doing is you're just

569

00:21:26,950 --> 00:21:25,919

connecting to this other reflection of

570

00:21:28,950 --> 00:21:26,960

yourself

571

00:21:30,950 --> 00:21:28,960

and you're seeing what this represents

572

00:21:31,990 --> 00:21:30,960

through you everybody is different

573

00:21:35,029 --> 00:21:32,000

there's no real

574

00:21:37,270 --> 00:21:35,039

generic protocol or generic formula that

575

00:21:38,630 --> 00:21:37,280

one can use to say oh well brad had this

576

00:21:40,710 --> 00:21:38,640

connection with the dronus

577

00:21:41,909 --> 00:21:40,720

and he was able to connect the drones

578

00:21:43,590 --> 00:21:41,919

within a few months

579

00:21:45,190 --> 00:21:43,600

so maybe the same thing will happen to

580

00:21:47,750 --> 00:21:45,200

me nope

581

00:21:48,870 --> 00:21:47,760

no it won't you will have you have your

582

00:21:51,750 --> 00:21:48,880

own journey you are

583

00:21:53,110 --> 00:21:51,760

a unique soul right so you have your own

584

00:21:54,789 --> 00:21:53,120

journey with that but

585

00:21:56,870 --> 00:21:54,799

basically from what i have discovered

586

00:22:00,470 --> 00:21:56,880

from doing thousands of sessions with

587

00:22:04,149 --> 00:22:00,480

people the idea of physical contact

588

00:22:06,149 --> 00:22:04,159

is the absolute last resort to basically

589

00:22:08,149 --> 00:22:06,159

getting someone's attention

590

00:22:10,149 --> 00:22:08,159

to getting them to start doing the work

591

00:22:11,669 --> 00:22:10,159

that they have come here to do

592

00:22:13,190 --> 00:22:11,679

it's basically the last thing on the

593

00:22:15,669 --> 00:22:13,200

list to a wake-up call

594

00:22:16,630 --> 00:22:15,679

right so basically if you can already be

595

00:22:18,470 --> 00:22:16,640

awakened

596

00:22:19,830 --> 00:22:18,480

to your to the realization of what

597

00:22:22,549 --> 00:22:19,840

you're here to do

598

00:22:24,230 --> 00:22:22,559

just through a dream or just through a

599

00:22:26,070 --> 00:22:24,240

uh an internal experience an inner

600

00:22:27,830 --> 00:22:26,080

experience through minds

601
00:22:30,149 --> 00:22:27,840
then they've done their job and that's

602
00:22:31,430 --> 00:22:30,159
all they're here to do they are not here

603
00:22:33,190 --> 00:22:31,440
to be buddies with you

604
00:22:35,750 --> 00:22:33,200
they are not here to be friends they are

605
00:22:38,149 --> 00:22:35,760
not here to come down and drink coffee

606
00:22:40,149 --> 00:22:38,159
with you and drink tea and have biscuits

607
00:22:41,669 --> 00:22:40,159
or anything of that nature that is not

608
00:22:44,149 --> 00:22:41,679
why they are here

609
00:22:44,950 --> 00:22:44,159
when we have signed up to be here on the

610
00:22:46,710 --> 00:22:44,960
earth plane

611
00:22:48,390 --> 00:22:46,720
we have come here to be the ground crew

612
00:22:50,310 --> 00:22:48,400
because a lot of us

613
00:22:51,830 --> 00:22:50,320

a lot of us who are on the planet come

614

00:22:53,909 --> 00:22:51,840

from these civilizations

615

00:22:55,510 --> 00:22:53,919

right we have what's known as stasis

616

00:22:58,630 --> 00:22:55,520

bodies right a lot of us

617

00:22:59,430 --> 00:22:58,640

i've come across this quite often in

618

00:23:02,070 --> 00:22:59,440

other

619

00:23:02,950 --> 00:23:02,080

in my own sessions as well too is that

620

00:23:04,630 --> 00:23:02,960

there are

621

00:23:06,789 --> 00:23:04,640

people whether it's man woman child

622

00:23:08,470 --> 00:23:06,799

whatever that are connecting with me

623

00:23:10,149 --> 00:23:08,480

and they said i just feel like when i go

624

00:23:11,669 --> 00:23:10,159

to sleep at night i feel like i'm

625

00:23:13,590 --> 00:23:11,679

entering another body

626

00:23:15,350 --> 00:23:13,600

they'll say this to adronis an adrenal

627

00:23:16,870 --> 00:23:15,360

spill will tap into them

628

00:23:19,510 --> 00:23:16,880

saying yes this is what's known as a

629

00:23:22,630 --> 00:23:19,520

stasis body which means that your

630

00:23:25,270 --> 00:23:22,640

own star family body or et body

631

00:23:27,430 --> 00:23:25,280

is in a stasis pond and it is basically

632

00:23:29,750 --> 00:23:27,440

in a state of suspended animation

633

00:23:30,710 --> 00:23:29,760

and that you have disembodied yourself

634

00:23:32,789 --> 00:23:30,720

from that body

635

00:23:34,789 --> 00:23:32,799

right there's basically the soul leaves

636

00:23:36,630 --> 00:23:34,799

the body and it's contained in

637

00:23:38,149 --> 00:23:36,640

preservation in this stasis pod and

638

00:23:40,149 --> 00:23:38,159

suspended animation

639

00:23:41,350 --> 00:23:40,159

that soul goes down to earth and

640

00:23:44,149 --> 00:23:41,360

incarnates

641

00:23:45,669 --> 00:23:44,159

into a human being and has the lifetime

642

00:23:47,830 --> 00:23:45,679

that they are meant to live here

643

00:23:48,870 --> 00:23:47,840

as a human being and they may find out

644

00:23:50,310 --> 00:23:48,880

for a reading

645

00:23:51,350 --> 00:23:50,320

or through a channel or what have you

646

00:23:53,110 --> 00:23:51,360

and what have you whatever this

647

00:23:55,269 --> 00:23:53,120

situation is that wakes them up

648

00:23:56,310 --> 00:23:55,279

saying yeah you have another body that's

649

00:23:58,149 --> 00:23:56,320

in stasis

650

00:23:59,590 --> 00:23:58,159

and it's on board a spaceship and it's

651
00:24:02,070 --> 00:23:59,600
in the star system

652
00:24:03,590 --> 00:24:02,080
and when the time comes when this life

653
00:24:05,350 --> 00:24:03,600
comes to a conclusion

654
00:24:06,870 --> 00:24:05,360
you'll have done your work that you are

655
00:24:09,430 --> 00:24:06,880
here to do on this planet

656
00:24:10,070 --> 00:24:09,440
and you'll go back into that body again

657
00:24:11,669 --> 00:24:10,080
right

658
00:24:14,630 --> 00:24:11,679
so that is what's commonly known as a

659
00:24:16,950 --> 00:24:14,640
stasis body but the idea of people

660
00:24:18,470 --> 00:24:16,960
wanting a physical contact right

661
00:24:19,430 --> 00:24:18,480
basically one of the big reasons why

662
00:24:21,029 --> 00:24:19,440
people want that

663
00:24:23,269 --> 00:24:21,039

is because they feel that they have the

664

00:24:23,750 --> 00:24:23,279

ultimate proof and they can show that to

665

00:24:25,990 --> 00:24:23,760

everybody

666

00:24:28,549 --> 00:24:26,000

else but that's not going to work right

667

00:24:30,470 --> 00:24:28,559

you will have skeptics with everything

668

00:24:32,070 --> 00:24:30,480

you think oh i'll get this on video

669

00:24:33,510 --> 00:24:32,080

you'll have skeptics with that

670

00:24:34,870 --> 00:24:33,520

i'll have it on audio you'll have

671

00:24:35,990 --> 00:24:34,880

skeptics with that i'll have a really

672

00:24:38,230 --> 00:24:36,000

great story to tell

673

00:24:40,070 --> 00:24:38,240

you'll have skeptics with that right a

674

00:24:41,909 --> 00:24:40,080

lot of people just want to have these

675

00:24:43,909 --> 00:24:41,919

first physical contacts

676
00:24:45,269 --> 00:24:43,919
to basically try and comply with their

677
00:24:47,990 --> 00:24:45,279
egos demands

678
00:24:49,110 --> 00:24:48,000
right and that doesn't work so basically

679
00:24:50,470 --> 00:24:49,120
like i said you're right

680
00:24:52,950 --> 00:24:50,480
because it does throw people into

681
00:24:54,789 --> 00:24:52,960
psychotic shock when you're actually

682
00:24:56,789 --> 00:24:54,799
laying in your bed and maybe there's a

683
00:24:57,909 --> 00:24:56,799
gray standing right over you right

684
00:24:59,830 --> 00:24:57,919
putting his head

685
00:25:01,269 --> 00:24:59,840
right into your face i've had people

686
00:25:02,710 --> 00:25:01,279
like that they'd come to me and talk to

687
00:25:04,549 --> 00:25:02,720
somebody i had these grays

688
00:25:05,909 --> 00:25:04,559

i came into my room they've walked right

689

00:25:07,830 --> 00:25:05,919

through the room

690

00:25:09,669 --> 00:25:07,840

my body was levitating it was bringing

691

00:25:10,950 --> 00:25:09,679

me up and before i know it i was always

692

00:25:13,269 --> 00:25:10,960

sitting on a ship

693

00:25:14,549 --> 00:25:13,279

right and i've had women who have had

694

00:25:16,149 --> 00:25:14,559

hybrid children

695

00:25:18,310 --> 00:25:16,159

through the graves as well too like i

696

00:25:20,070 --> 00:25:18,320

said it's it's very very vast

697

00:25:21,990 --> 00:25:20,080

but the idea of that sense of having a

698

00:25:22,950 --> 00:25:22,000

physical contact like i said is at the

699

00:25:25,990 --> 00:25:22,960

bottom of the list

700

00:25:28,549 --> 00:25:26,000

it is last resort it's just the idea

701
00:25:30,470 --> 00:25:28,559
they're showing themselves not to take

702
00:25:33,110 --> 00:25:30,480
not to take focus away from you

703
00:25:33,590 --> 00:25:33,120
and on to them but they're showing you

704
00:25:35,590 --> 00:25:33,600
this

705
00:25:37,110 --> 00:25:35,600
is what you're here to do because we're

706
00:25:40,070 --> 00:25:37,120
watching you behind the scenes

707
00:25:41,190 --> 00:25:40,080
we're just giving you this quick glimpse

708
00:25:43,510 --> 00:25:41,200
of ourselves

709
00:25:44,630 --> 00:25:43,520
so that you can wake up and that you

710
00:25:45,990 --> 00:25:44,640
remember

711
00:25:47,830 --> 00:25:46,000
this is what you're here to do on the

712
00:25:48,630 --> 00:25:47,840
planet you may be a healer you may be a

713
00:25:51,269 --> 00:25:48,640

dancer

714

00:25:53,190 --> 00:25:51,279

you may be a a public speaker whatever

715

00:25:55,029 --> 00:25:53,200

it may be maybe running for office

716

00:25:56,390 --> 00:25:55,039

whatever it is there's this experience

717

00:25:59,269 --> 00:25:56,400

that comes through

718

00:26:00,710 --> 00:25:59,279

that is getting you to jolt yourself out

719

00:26:02,630 --> 00:26:00,720

of your reality

720

00:26:03,990 --> 00:26:02,640

and wake yourself up so that you can

721

00:26:04,549 --> 00:26:04,000

carry out and do the tasks that you want

722

00:26:06,310 --> 00:26:04,559

to do

723

00:26:09,990 --> 00:26:06,320

so like i said having it in a physical

724

00:26:11,909 --> 00:26:10,000

contact is extremely rare

725

00:26:13,190 --> 00:26:11,919

no i totally agree can i can we go a

726
00:26:15,269 --> 00:26:13,200
little bit into the

727
00:26:17,350 --> 00:26:15,279
what you were mentioning about um that

728
00:26:20,470 --> 00:26:17,360
there's only you in this reality

729
00:26:22,789 --> 00:26:20,480
so is it

730
00:26:24,789 --> 00:26:22,799
is it basically uh for those that are

731
00:26:26,630 --> 00:26:24,799
more let's say they always want to

732
00:26:28,070 --> 00:26:26,640
meditate and go to these different you

733
00:26:28,789 --> 00:26:28,080
know different dimensions different

734
00:26:30,789 --> 00:26:28,799
levels

735
00:26:32,630 --> 00:26:30,799
all these things it's just so indent

736
00:26:35,510 --> 00:26:32,640
essence would be everything is just an

737
00:26:37,110 --> 00:26:35,520
exploration of yourself then correct

738
00:26:39,110 --> 00:26:37,120

yeah of course everything is mind

739

00:26:42,390 --> 00:26:39,120

everything is matter really in that way

740

00:26:43,990 --> 00:26:42,400

and so is it just uh basically kind of

741

00:26:45,350 --> 00:26:44,000

not that there's an i'm not i don't want

742

00:26:46,950 --> 00:26:45,360

to say that there's an end goal but is

743

00:26:50,390 --> 00:26:46,960

it the point to for you to just

744

00:26:52,070 --> 00:26:50,400

realize that you're just interacting

745

00:26:53,350 --> 00:26:52,080

with yourself and what it is that you're

746

00:26:56,149 --> 00:26:53,360

doing here or

747

00:26:57,830 --> 00:26:56,159

or and then how would they exactly

748

00:26:59,190 --> 00:26:57,840

besides in just kind of pushing you to

749

00:27:02,789 --> 00:26:59,200

go down that direction

750

00:27:05,510 --> 00:27:02,799

will there be then uh basically

751
00:27:06,149 --> 00:27:05,520
some kind of interaction to where you

752
00:27:08,870 --> 00:27:06,159
you see

753
00:27:10,390 --> 00:27:08,880
them as yourself is that you know what

754
00:27:13,110 --> 00:27:10,400
i'm what i'm trying to say is that

755
00:27:14,470 --> 00:27:13,120
if everything is about you then what is

756
00:27:16,549 --> 00:27:14,480
what is kind of like the

757
00:27:18,470 --> 00:27:16,559
the progression i mean sure sometimes

758
00:27:20,549 --> 00:27:18,480
people like you said they just want to

759
00:27:22,710 --> 00:27:20,559
be here to let's say they worked in

760
00:27:23,190 --> 00:27:22,720
office you know all day long and what

761
00:27:25,909 --> 00:27:23,200
they

762
00:27:26,470 --> 00:27:25,919
really sign up for to do is to uh let's

763
00:27:29,029 --> 00:27:26,480

say be

764

00:27:31,190 --> 00:27:29,039

a a long-distance marathon runner you

765

00:27:32,630 --> 00:27:31,200

know and sometimes you need to jolt them

766

00:27:34,470 --> 00:27:32,640

to go into these

767

00:27:36,389 --> 00:27:34,480

into that direction whatever whatever

768

00:27:38,870 --> 00:27:36,399

they need to overcome but let's say

769

00:27:40,310 --> 00:27:38,880

we're just sticking to this spiritual

770

00:27:40,870 --> 00:27:40,320

journey spiritual journey spiritual

771

00:27:45,350 --> 00:27:40,880

journey

772

00:27:49,029 --> 00:27:48,149

oh i think i lost you there okay are you

773

00:27:50,710 --> 00:27:49,039

back

774

00:27:52,310 --> 00:27:50,720

can you hear me yeah i can hear you in

775

00:27:54,549 --> 00:27:52,320

here yep

776

00:27:56,710 --> 00:27:54,559

all right sorry yeah it's good at least

777

00:27:59,350 --> 00:27:56,720

we didn't lose connection here uh what

778

00:28:00,950 --> 00:27:59,360

was the last part that you heard

779

00:28:02,470 --> 00:28:00,960

yeah it was just about the idea of

780

00:28:04,230 --> 00:28:02,480

people who are looking to be a

781

00:28:07,669 --> 00:28:04,240

long-distance marathon runner

782

00:28:09,430 --> 00:28:07,679

right right so so you know uh is

783

00:28:11,430 --> 00:28:09,440

is there basically is that the whole

784

00:28:12,230 --> 00:28:11,440

point and that eventually they might not

785

00:28:15,110 --> 00:28:12,240

even

786

00:28:16,070 --> 00:28:15,120

have an experience to to interact with

787

00:28:19,110 --> 00:28:16,080

with an et

788

00:28:22,149 --> 00:28:19,120

in in in in

789

00:28:24,070 --> 00:28:22,159

physical or otherwise

790

00:28:25,269 --> 00:28:24,080

but see there's nobody away nobody

791

00:28:25,909 --> 00:28:25,279

outside of you that can make that

792

00:28:28,070 --> 00:28:25,919

decision

793

00:28:29,830 --> 00:28:28,080

you see you're the only one here and as

794

00:28:31,110 --> 00:28:29,840

you're the only one here what you say

795

00:28:32,950 --> 00:28:31,120

really does go

796

00:28:34,549 --> 00:28:32,960

but you'll notice that you keep going

797

00:28:36,630 --> 00:28:34,559

into a certain path

798

00:28:38,549 --> 00:28:36,640

you know it's not of yourself and you

799

00:28:38,950 --> 00:28:38,559

know that feeling when you're not doing

800

00:28:40,630 --> 00:28:38,960

what

801
00:28:43,029 --> 00:28:40,640
is natural to you you're going to get

802
00:28:44,389 --> 00:28:43,039
irritated you're going to get disgusted

803
00:28:45,990 --> 00:28:44,399
there's just going to be a lot of these

804
00:28:46,630 --> 00:28:46,000
resistances that are going to come that

805
00:28:48,310 --> 00:28:46,640
way

806
00:28:49,669 --> 00:28:48,320
so because it's yourself telling you

807
00:28:51,190 --> 00:28:49,679
that's not where i'm supposed to go

808
00:28:52,310 --> 00:28:51,200
right i'm not supposed to go that way

809
00:28:54,389 --> 00:28:52,320
i'm not supposed to

810
00:28:55,909 --> 00:28:54,399
keep keep searching for these ets in

811
00:28:57,350 --> 00:28:55,919
that sense or keep looking outside of

812
00:28:58,950 --> 00:28:57,360
myself for answers

813
00:29:01,029 --> 00:28:58,960

it's saying that if i truly want to make

814

00:29:03,350 --> 00:29:01,039

contact i have to go within myself

815

00:29:05,190 --> 00:29:03,360

i have to put myself in my own spotlight

816

00:29:07,510 --> 00:29:05,200

i have to go into the self

817

00:29:09,029 --> 00:29:07,520

and realize that i have connections with

818

00:29:09,590 --> 00:29:09,039

the palladians if i have connections

819

00:29:11,909 --> 00:29:09,600

with

820

00:29:13,269 --> 00:29:11,919

arcturus or andromeda or what have you

821

00:29:15,750 --> 00:29:13,279

that all that

822

00:29:16,470 --> 00:29:15,760

exists inside of me and if i start

823

00:29:20,230 --> 00:29:16,480

focusing

824

00:29:20,870 --> 00:29:20,240

inwards on that and start realizing who

825

00:29:23,669 --> 00:29:20,880

i really

826

00:29:24,230 --> 00:29:23,679

am i will see all these assortment of

827

00:29:26,630 --> 00:29:24,240

different

828

00:29:27,909 --> 00:29:26,640

degrees of consciousness of myself

829

00:29:29,830 --> 00:29:27,919

whether they are in some type of

830

00:29:32,389 --> 00:29:29,840

physical form or what have you

831

00:29:33,990 --> 00:29:32,399

to let to let myself know all this is

832

00:29:36,310 --> 00:29:34,000

happening within me

833

00:29:37,430 --> 00:29:36,320

all of these beings are a part of me in

834

00:29:39,269 --> 00:29:37,440

that way and so

835

00:29:41,190 --> 00:29:39,279

when i start to go within myself the

836

00:29:44,230 --> 00:29:41,200

answers start to come

837

00:29:45,510 --> 00:29:44,240

so again a lot of us just chase we chase

838

00:29:46,070 --> 00:29:45,520

our own tail it's basically if you're

839

00:29:48,710 --> 00:29:46,080

looking

840

00:29:50,710 --> 00:29:48,720

in the outside reality for answers it's

841

00:29:52,230 --> 00:29:50,720

like a dog chasing its own tail

842

00:29:53,990 --> 00:29:52,240

it's not going to work it's not going to

843

00:29:56,549 --> 00:29:54,000

progress in that way your

844

00:29:58,950 --> 00:29:56,559

key capability is to go within because

845

00:30:01,350 --> 00:29:58,960

the entire universe resides within you

846

00:30:02,310 --> 00:30:01,360

you're here on earth to realize that you

847

00:30:04,549 --> 00:30:02,320

are god

848

00:30:05,750 --> 00:30:04,559

that's that's the whole nature is to

849

00:30:08,630 --> 00:30:05,760

know that you are god

850

00:30:09,590 --> 00:30:08,640

is to know that god you are you are god

851
00:30:12,549 --> 00:30:09,600
and god is you

852
00:30:14,310 --> 00:30:12,559
right and what that means is that as you

853
00:30:16,630 --> 00:30:14,320
work with humility

854
00:30:18,149 --> 00:30:16,640
as you work with the the true nature of

855
00:30:20,149 --> 00:30:18,159
who you are

856
00:30:22,470 --> 00:30:20,159
there is that there's spirit right

857
00:30:24,310 --> 00:30:22,480
spirit comes upon you because you're

858
00:30:25,430 --> 00:30:24,320
developing a humility because you're

859
00:30:27,350 --> 00:30:25,440
developing

860
00:30:29,430 --> 00:30:27,360
this this this realization this

861
00:30:30,230 --> 00:30:29,440
expansion of knowing that there's a lot

862
00:30:32,789 --> 00:30:30,240
more

863
00:30:33,350 --> 00:30:32,799

than this this physical reality and that

864

00:30:35,110 --> 00:30:33,360

you are

865

00:30:37,190 --> 00:30:35,120

offering compassionate service that you

866

00:30:39,430 --> 00:30:37,200

are becoming compassionate to yourself

867

00:30:41,990 --> 00:30:39,440

you are being compassionate to others

868

00:30:43,190 --> 00:30:42,000

right and being able to really flow with

869

00:30:45,190 --> 00:30:43,200

love and compassion

870

00:30:46,549 --> 00:30:45,200

and happiness this is what's going to

871

00:30:49,029 --> 00:30:46,559

give you all your answers

872

00:30:50,630 --> 00:30:49,039

right all of those answers are always

873

00:30:51,990 --> 00:30:50,640

going to come within yourself

874

00:30:53,669 --> 00:30:52,000

it does not matter what kind of expert

875

00:30:54,310 --> 00:30:53,679

you see on youtube or what book you are

876

00:30:56,470 --> 00:30:54,320

reading

877

00:30:57,990 --> 00:30:56,480

or anything of that nature that is not

878

00:30:58,630 --> 00:30:58,000

what that is not going to tell you who

879

00:31:00,470 --> 00:30:58,640

you are

880

00:31:02,070 --> 00:31:00,480

and that's not really going to bring you

881

00:31:04,630 --> 00:31:02,080

into that state of happiness right

882

00:31:07,110 --> 00:31:04,640

beyond all beyond everything else

883

00:31:08,310 --> 00:31:07,120

all a person really wants is to be happy

884

00:31:10,389 --> 00:31:08,320

in life

885

00:31:11,990 --> 00:31:10,399

and so we look outside for that we look

886

00:31:13,590 --> 00:31:12,000

outside for happiness

887

00:31:15,830 --> 00:31:13,600

and we know that we get disappointed

888

00:31:17,509 --> 00:31:15,840

every single time because that happiness

889

00:31:18,389 --> 00:31:17,519

is no more different than chewing on

890

00:31:20,389 --> 00:31:18,399

chewing gum

891

00:31:22,070 --> 00:31:20,399

that over time then loses its flavor you

892

00:31:23,350 --> 00:31:22,080

spit it out right you think you have

893

00:31:25,110 --> 00:31:23,360

something exciting

894

00:31:27,029 --> 00:31:25,120

and then you you're there you've

895

00:31:27,830 --> 00:31:27,039

achieved it but then you play with it

896

00:31:30,149 --> 00:31:27,840

for a little bit and

897

00:31:31,909 --> 00:31:30,159

else is boring i've lost interest in it

898

00:31:33,029 --> 00:31:31,919

because again we constantly go into the

899

00:31:35,590 --> 00:31:33,039

outside world

900

00:31:37,669 --> 00:31:35,600

we're playing with impermanence so when

901
00:31:38,070 --> 00:31:37,679
you're looking for the idea of looking

902
00:31:41,190 --> 00:31:38,080
for

903
00:31:42,230 --> 00:31:41,200
founding you want to connect with star

904
00:31:43,669 --> 00:31:42,240
family in that way

905
00:31:45,909 --> 00:31:43,679
well again as you connect within

906
00:31:46,710 --> 00:31:45,919
yourself you'll realize exactly why

907
00:31:48,470 --> 00:31:46,720
you're here

908
00:31:49,830 --> 00:31:48,480
because when i first started that was my

909
00:31:52,389 --> 00:31:49,840
intention i said i want to get on board

910
00:31:53,669 --> 00:31:52,399
these ships i want to talk to the ect's

911
00:31:55,509 --> 00:31:53,679
i want to find out what this is all

912
00:31:57,269 --> 00:31:55,519
about it's all exciting it's all

913
00:31:59,110 --> 00:31:57,279

exciting it's all exciting and then as i

914

00:32:01,350 --> 00:31:59,120

started to do a lot more meditation

915

00:32:02,230 --> 00:32:01,360

as i started to go within myself i

916

00:32:04,470 --> 00:32:02,240

really honestly

917

00:32:05,509 --> 00:32:04,480

lost interest in all that because that

918

00:32:08,710 --> 00:32:05,519

was not the answer

919

00:32:10,710 --> 00:32:08,720

right we just are so we want something

920

00:32:12,630 --> 00:32:10,720

to really shake up our reality

921

00:32:14,149 --> 00:32:12,640

we may be tired of a lot of the mundane

922

00:32:14,950 --> 00:32:14,159

things that we're doing our nine-to-five

923

00:32:16,470 --> 00:32:14,960

job

924

00:32:18,070 --> 00:32:16,480

seeing how the government is is messing

925

00:32:18,710 --> 00:32:18,080

around et cetera et cetera we're seeing

926
00:32:20,870 --> 00:32:18,720
all that

927
00:32:22,710 --> 00:32:20,880
we want something to really just jolt us

928
00:32:24,950 --> 00:32:22,720
out of this reality

929
00:32:26,789 --> 00:32:24,960
but again that comes in timing like i

930
00:32:31,750 --> 00:32:26,799
said if you're not the one that's

931
00:32:37,029 --> 00:32:34,630
oh brad i lost you again oh sorry you

932
00:32:39,909 --> 00:32:37,039
broke up just for a split second

933
00:32:41,590 --> 00:32:39,919
yeah yeah uh but again as you go inside

934
00:32:42,630 --> 00:32:41,600
and realize that all this is happening

935
00:32:44,710 --> 00:32:42,640
within you

936
00:32:46,310 --> 00:32:44,720
that's what's going to create a greater

937
00:32:49,350 --> 00:32:46,320
shift that's what's going to bring

938
00:32:51,269 --> 00:32:49,360

um a greater realization to you

939

00:32:53,590 --> 00:32:51,279

all together is knowing that all the

940

00:32:56,630 --> 00:32:53,600

answers over him

941

00:32:57,430 --> 00:32:56,640

and so this recent um slight change of

942

00:32:59,909 --> 00:32:57,440

tune from

943

00:33:00,950 --> 00:32:59,919

from the u.s government at least is that

944

00:33:03,750 --> 00:33:00,960

um

945

00:33:05,269 --> 00:33:03,760

i guess then going back to to the

946

00:33:06,549 --> 00:33:05,279

representation of oneness is just

947

00:33:09,590 --> 00:33:06,559

basically to get

948

00:33:12,070 --> 00:33:09,600

um everyone kind of to start

949

00:33:13,029 --> 00:33:12,080

their own journey if they haven't at

950

00:33:15,830 --> 00:33:13,039

this point

951
00:33:16,950 --> 00:33:15,840
is that what what you would say would

952
00:33:18,789 --> 00:33:16,960
would this

953
00:33:20,310 --> 00:33:18,799
symbolize for the government to actually

954
00:33:21,830 --> 00:33:20,320
acknowledge these

955
00:33:23,750 --> 00:33:21,840
at least these different lights in the

956
00:33:26,630 --> 00:33:23,760
sky is that then

957
00:33:27,990 --> 00:33:26,640
gonna depends on who's watching it and

958
00:33:28,870 --> 00:33:28,000
they might not be interested in your

959
00:33:31,509 --> 00:33:28,880
voice at all

960
00:33:33,269 --> 00:33:31,519
but now they might just start looking

961
00:33:34,870 --> 00:33:33,279
into it for example

962
00:33:36,789 --> 00:33:34,880
well basically you have to ask yourself

963
00:33:38,789 --> 00:33:36,799

the question why do i need a government

964

00:33:41,669 --> 00:33:38,799

to tell me what's real

965

00:33:43,269 --> 00:33:41,679

right if you have a personal experience

966

00:33:44,710 --> 00:33:43,279

let's say for example you're outside

967

00:33:46,310 --> 00:33:44,720

it's 12 o'clock at night

968

00:33:48,230 --> 00:33:46,320

right you're just among the stars and

969

00:33:49,990 --> 00:33:48,240

you're let's say you're on a boat

970

00:33:51,909 --> 00:33:50,000

right in the middle of a lake and you're

971

00:33:53,350 --> 00:33:51,919

fishing you're doing midnight fishing

972

00:33:54,950 --> 00:33:53,360

all of a sudden you see this

973

00:33:58,470 --> 00:33:54,960

beautiful light just coming through the

974

00:34:00,870 --> 00:33:58,480

sky it blinks at you several times and

975

00:34:03,029 --> 00:34:00,880

it dimensionally just slips away and

976

00:34:04,549 --> 00:34:03,039

you're oh my god that's amazing

977

00:34:06,870 --> 00:34:04,559

that was one of the most amazing things

978

00:34:09,430 --> 00:34:06,880

i've ever seen in my entire life

979

00:34:12,149 --> 00:34:09,440

so would the question be oh geez i hope

980

00:34:14,950 --> 00:34:12,159

the government can confirm that for me

981

00:34:16,629 --> 00:34:14,960

no you are looking at this experience

982

00:34:17,109 --> 00:34:16,639

that was so profound it was one of the

983

00:34:19,030 --> 00:34:17,119

most

984

00:34:21,589 --> 00:34:19,040

beautiful experiences of your entire

985

00:34:23,510 --> 00:34:21,599

life why would you need to concern

986

00:34:25,030 --> 00:34:23,520

about whether a government needs to tell

987

00:34:26,869 --> 00:34:25,040

you what's real it's not

988

00:34:29,190 --> 00:34:26,879

right that again is just part of being

989

00:34:31,750 --> 00:34:29,200

asleep that's just the idea of again

990

00:34:33,109 --> 00:34:31,760

giving so much power to the mind if you

991

00:34:34,550 --> 00:34:33,119

know that you have these beautiful

992

00:34:36,389 --> 00:34:34,560

experiences because like i've had

993

00:34:37,750 --> 00:34:36,399

experiences myself i've never needed the

994

00:34:40,230 --> 00:34:37,760

government to tell me what it's real

995

00:34:41,909 --> 00:34:40,240

not one time people i have talked to

996

00:34:43,750 --> 00:34:41,919

thousands of people all over the world

997

00:34:45,349 --> 00:34:43,760

who have had incredible experiences far

998

00:34:46,149 --> 00:34:45,359

more incredible experiences than i have

999

00:34:48,149 --> 00:34:46,159

had

1000

00:34:50,629 --> 00:34:48,159

who have actually been able to see

1001
00:34:51,829 --> 00:34:50,639
beings materialize and dematerialize uh

1002
00:34:52,790 --> 00:34:51,839
right in front of them and then just

1003
00:34:54,389 --> 00:34:52,800
banish away

1004
00:34:55,990 --> 00:34:54,399
seeing these beautiful orbs of light

1005
00:34:57,190 --> 00:34:56,000
talking to them communicating them from

1006
00:34:58,950 --> 00:34:57,200
what's inside

1007
00:35:00,230 --> 00:34:58,960
telling them that they are god right

1008
00:35:01,430 --> 00:35:00,240
that's very much what a lot of the

1009
00:35:04,390 --> 00:35:01,440
common messages

1010
00:35:04,790 --> 00:35:04,400
you are god you are god in that through

1011
00:35:07,510 --> 00:35:04,800
you

1012
00:35:09,109 --> 00:35:07,520
everything is possible right and so

1013
00:35:12,390 --> 00:35:09,119

again i don't need

1014

00:35:14,790 --> 00:35:12,400

a government disclosure to let me know

1015

00:35:15,589 --> 00:35:14,800

of the experiences that i know i've had

1016

00:35:18,310 --> 00:35:15,599

right

1017

00:35:19,030 --> 00:35:18,320

it's more so being very very authentic

1018

00:35:21,510 --> 00:35:19,040

to your own

1019

00:35:23,030 --> 00:35:21,520

organic experiences that you've had you

1020

00:35:24,230 --> 00:35:23,040

don't need the government to tell you

1021

00:35:25,670 --> 00:35:24,240

what's real and what's not

1022

00:35:27,030 --> 00:35:25,680

look what's happened with that do you

1023

00:35:27,430 --> 00:35:27,040

think the government is always about

1024

00:35:29,990 --> 00:35:27,440

here

1025

00:35:32,069 --> 00:35:30,000

you're telling you guys truth no they

1026

00:35:33,990 --> 00:35:32,079

again will always keep things shut to

1027

00:35:36,710 --> 00:35:34,000

maintain a type of control

1028

00:35:38,390 --> 00:35:36,720

they have agendas right but again we get

1029

00:35:40,390 --> 00:35:38,400

this big brother attitude saying well

1030

00:35:42,310 --> 00:35:40,400

they have to disclose things otherwise

1031

00:35:44,390 --> 00:35:42,320

we're not going to get anywhere no

1032

00:35:45,990 --> 00:35:44,400

you're basically seeing them plummet

1033

00:35:46,950 --> 00:35:46,000

right now you're seeing their downfall

1034

00:35:49,109 --> 00:35:46,960

because

1035

00:35:51,589 --> 00:35:49,119

we are knowing exactly what that's that

1036

00:35:53,349 --> 00:35:51,599

energy within ourselves represents

1037

00:35:55,589 --> 00:35:53,359

so the whole idea here is to really

1038

00:35:58,630 --> 00:35:55,599

honor and just really give

1039

00:35:59,829 --> 00:35:58,640

a great uh appreciation for everything

1040

00:36:01,349 --> 00:35:59,839

that you have had

1041

00:36:02,470 --> 00:36:01,359

through experiences i'm sure again

1042

00:36:03,270 --> 00:36:02,480

there's probably a lot of people in your

1043

00:36:06,390 --> 00:36:03,280

audience

1044

00:36:08,630 --> 00:36:06,400

who have had sightings on a certain

1045

00:36:10,470 --> 00:36:08,640

level or had some type of context

1046

00:36:11,670 --> 00:36:10,480

they may not be able to explain it and

1047

00:36:13,270 --> 00:36:11,680

you don't have to

1048

00:36:15,030 --> 00:36:13,280

but they know yeah this happened to me i

1049

00:36:16,630 --> 00:36:15,040

can never really explain it but i

1050

00:36:18,069 --> 00:36:16,640

certainly do recall this and it's

1051

00:36:20,150 --> 00:36:18,079

something that will never leave me

1052

00:36:21,270 --> 00:36:20,160

congratulations you've had your own

1053

00:36:25,030 --> 00:36:21,280

unique content

1054

00:36:31,030 --> 00:36:28,150

and so what um so this

1055

00:36:31,589 --> 00:36:31,040

this whole concept then of of disclosure

1056

00:36:39,430 --> 00:36:31,599

that's

1057

00:36:42,630 --> 00:36:41,270

well a lot of people want that to happen

1058

00:36:45,750 --> 00:36:42,640

because they feel that

1059

00:36:47,030 --> 00:36:45,760

now they can talk to anybody about et's

1060

00:36:49,030 --> 00:36:47,040

and it's not going to work that way

1061

00:36:50,870 --> 00:36:49,040

either you're you're basically looking

1062

00:36:51,750 --> 00:36:50,880

that if you have any particular type of

1063

00:36:53,910 --> 00:36:51,760

disclosure

1064

00:36:55,030 --> 00:36:53,920

that's coming out a lot of people are

1065

00:36:56,470 --> 00:36:55,040

talking about it right there's a lot of

1066

00:36:57,910 --> 00:36:56,480

declassified documents

1067

00:36:59,670 --> 00:36:57,920

that are coming out as well too there's

1068

00:37:00,710 --> 00:36:59,680

been a lot of footage being shown on

1069

00:37:02,150 --> 00:37:00,720

mainstream media

1070

00:37:03,670 --> 00:37:02,160

and so forth oh my god they must be

1071

00:37:04,470 --> 00:37:03,680

getting ready for something really big

1072

00:37:06,950 --> 00:37:04,480

here

1073

00:37:08,150 --> 00:37:06,960

no not really they may just tell you

1074

00:37:11,349 --> 00:37:08,160

something like this

1075

00:37:13,670 --> 00:37:11,359

uh yeah we had some sort of uh

1076

00:37:16,069 --> 00:37:13,680

situation with the occupants of the

1077

00:37:18,630 --> 00:37:16,079

vessel that we were not able to identify

1078

00:37:20,470 --> 00:37:18,640

but that's all we're going to tell you

1079

00:37:21,270 --> 00:37:20,480

right and you're like what the hell and

1080

00:37:24,069 --> 00:37:21,280

i got gypped

1081

00:37:25,670 --> 00:37:24,079

what's going on here uh so again they're

1082

00:37:27,349 --> 00:37:25,680

going to give it the the greatest

1083

00:37:28,870 --> 00:37:27,359

watering down they possibly

1084

00:37:30,790 --> 00:37:28,880

can because again this is one of the

1085

00:37:33,750 --> 00:37:30,800

biggest kept secrets

1086

00:37:35,670 --> 00:37:33,760

uh in all of humanity is to know that

1087

00:37:37,109 --> 00:37:35,680

there is star family that exists

1088

00:37:38,390 --> 00:37:37,119

beyond our world another funny thing as

1089

00:37:38,870 --> 00:37:38,400

well because it's not just beyond our

1090

00:37:44,390 --> 00:37:38,880

world

1091

00:37:45,750 --> 00:37:44,400

we have a lot of star family members

1092

00:37:47,829 --> 00:37:45,760

that are walking upon the earth right

1093

00:37:48,950 --> 00:37:47,839

now right we have basically as adronis

1094

00:37:51,030 --> 00:37:48,960

has referred to them as

1095

00:37:52,630 --> 00:37:51,040

incognito extraterrestrials right

1096

00:37:54,470 --> 00:37:52,640

incognito star family

1097

00:37:56,790 --> 00:37:54,480

and there's millions of them millions of

1098

00:37:58,790 --> 00:37:56,800

them that walk all over the planet

1099

00:37:59,990 --> 00:37:58,800

that are very much again incognito

1100

00:38:01,270 --> 00:38:00,000

they're in secret

1101

00:38:03,190 --> 00:38:01,280

and they're secretly doing a lot of

1102

00:38:06,470 --> 00:38:03,200

these tasks and their tasks can be as

1103

00:38:08,630 --> 00:38:06,480

broad as the tasks that we ourselves do

1104

00:38:10,470 --> 00:38:08,640

some of them can be uh again positioned

1105

00:38:11,030 --> 00:38:10,480

in government some of them can just be

1106

00:38:12,950 --> 00:38:11,040

working

1107

00:38:14,550 --> 00:38:12,960

in a retail store right some of them can

1108

00:38:16,950 --> 00:38:14,560

just be living in houses

1109

00:38:18,790 --> 00:38:16,960

so again they're they're not just beyond

1110

00:38:19,670 --> 00:38:18,800

our world they're here as well too at

1111

00:38:22,069 --> 00:38:19,680

the same time

1112

00:38:23,510 --> 00:38:22,079

but they're here to be very very hush

1113

00:38:25,109 --> 00:38:23,520

they're very nonchalant

1114

00:38:26,630 --> 00:38:25,119

they're here to do their task and they

1115

00:38:28,470 --> 00:38:26,640

may just be here for a short amount of

1116

00:38:30,790 --> 00:38:28,480

time once they have fulfilled that task

1117

00:38:32,790 --> 00:38:30,800

whatever it may be they're no longer

1118

00:38:34,630 --> 00:38:32,800

here right and a lot of them look

1119

00:38:36,150 --> 00:38:34,640

almost identical to us right there's a

1120

00:38:37,190 --> 00:38:36,160

little bit of different facial features

1121

00:38:38,550 --> 00:38:37,200

as well too

1122

00:38:40,230 --> 00:38:38,560

you know their eyes may be a little bit

1123

00:38:41,750 --> 00:38:40,240

larger they may have

1124

00:38:43,349 --> 00:38:41,760

different kind of shaped teeth they may

1125

00:38:45,270 --> 00:38:43,359

have different skin complexion their

1126

00:38:47,510 --> 00:38:45,280

hair may grow a little bit differently

1127

00:38:49,109 --> 00:38:47,520

uh their body their organs within their

1128

00:38:50,630 --> 00:38:49,119

body may be somewhat different

1129

00:38:52,470 --> 00:38:50,640

but again they could basically just do a

1130

00:38:54,390 --> 00:38:52,480

little bit of tweaking right and

1131

00:38:55,910 --> 00:38:54,400

that tweaking can happen in many

1132

00:38:57,109 --> 00:38:55,920

different ways and then they can just

1133

00:38:59,510 --> 00:38:57,119

walk across walk us

1134

00:39:00,470 --> 00:38:59,520

walk down the street right by us and you

1135

00:39:02,710 --> 00:39:00,480

would never

1136

00:39:03,510 --> 00:39:02,720

know that that was a member of star

1137

00:39:06,069 --> 00:39:03,520

family

1138

00:39:07,030 --> 00:39:06,079

a lot of them uh from what i've detected

1139

00:39:08,790 --> 00:39:07,040

as well too

1140

00:39:10,630 --> 00:39:08,800

are appear very young right there's a

1141

00:39:13,510 --> 00:39:10,640

lot of them that look like 18 years old

1142

00:39:15,030 --> 00:39:13,520

19 years old 20 years old 21 years old

1143

00:39:16,790 --> 00:39:15,040

but if you were to actually ask them

1144

00:39:18,069 --> 00:39:16,800

their their chronological age

1145

00:39:20,630 --> 00:39:18,079

they'd probably better be about a

1146

00:39:21,270 --> 00:39:20,640

thousand years old 2 000 years old 3000

1147

00:39:24,230 --> 00:39:21,280

years old

1148

00:39:25,750 --> 00:39:24,240

right but they look like teenagers so

1149

00:39:27,990 --> 00:39:25,760

there's a lot of them

1150

00:39:29,510 --> 00:39:28,000

that have been able to work with

1151

00:39:31,030 --> 00:39:29,520

technology some of them can actually do

1152

00:39:33,030 --> 00:39:31,040

this mentally as well too

1153

00:39:34,150 --> 00:39:33,040

they can reverse their age just for a

1154

00:39:37,109 --> 00:39:34,160

simple thought

1155

00:39:38,230 --> 00:39:37,119

or they can go into these stasis pods

1156

00:39:40,069 --> 00:39:38,240

and basically

1157

00:39:41,270 --> 00:39:40,079

work with again what we commonly refer

1158

00:39:43,030 --> 00:39:41,280

to as the med beds

1159

00:39:44,710 --> 00:39:43,040

and actually have their genetics

1160

00:39:47,190 --> 00:39:44,720

completely reversed

1161

00:39:48,870 --> 00:39:47,200

pretending to aging how they actually

1162

00:39:50,790 --> 00:39:48,880

have their telomeres grow again

1163

00:39:52,630 --> 00:39:50,800

and actually being able to see them as

1164

00:39:54,829 --> 00:39:52,640

18 year old 19 year old

1165

00:39:56,150 --> 00:39:54,839

men and women right but they're they're

1166

00:39:58,230 --> 00:39:56,160

ancient

1167

00:39:59,750 --> 00:39:58,240

so that too is very common guys there's

1168

00:40:01,430 --> 00:39:59,760

so much happening

1169

00:40:03,910 --> 00:40:01,440

on our planet we can't cover it one

1170

00:40:05,349 --> 00:40:03,920

episode but there's a lot right it's not

1171

00:40:07,109 --> 00:40:05,359

just saying oh i hope you know one day

1172

00:40:08,390 --> 00:40:07,119

that we'll go beyond the earth

1173

00:40:09,670 --> 00:40:08,400

and we can see them it's true that

1174

00:40:10,950 --> 00:40:09,680

they're they're beyond the earth but

1175

00:40:12,950 --> 00:40:10,960

they're also here

1176

00:40:14,309 --> 00:40:12,960

they're right next to you right they're

1177

00:40:15,430 --> 00:40:14,319

walking down the street especially in

1178

00:40:17,910 --> 00:40:15,440

metropolis

1179

00:40:19,829 --> 00:40:17,920

right big cities you know you're

1180

00:40:22,309 --> 00:40:19,839

basically walking around many of them

1181

00:40:22,870 --> 00:40:22,319

day by day and you just don't know it

1182

00:40:24,550 --> 00:40:22,880

right

1183

00:40:26,230 --> 00:40:24,560

so is it preparing for something very

1184

00:40:28,150 --> 00:40:26,240

big down the road possibly

1185

00:40:29,270 --> 00:40:28,160

but it's not going to come prematurely

1186

00:40:32,950 --> 00:40:29,280

it has to come at the right

1187

00:40:35,510 --> 00:40:32,960

time you know uh that reminds me

1188

00:40:37,430 --> 00:40:35,520

uh just recently saw and forgive me i

1189

00:40:38,230 --> 00:40:37,440

don't know what series is it the new

1190

00:40:40,870 --> 00:40:38,240

earth teaching

1191

00:40:41,270 --> 00:40:40,880

series is that is that correct okay yeah

1192

00:40:43,670 --> 00:40:41,280

it was

1193

00:40:44,950 --> 00:40:43,680

season two episode two and that's very

1194

00:40:48,710 --> 00:40:44,960

much regarding

1195

00:40:49,349 --> 00:40:48,720

um regarding this what you were talking

1196

00:40:51,430 --> 00:40:49,359

about so i

1197

00:40:53,910 --> 00:40:51,440

encourage everyone to check it out it's

1198

00:40:57,030 --> 00:40:53,920

on on your youtube channel right now

1199

00:40:58,950 --> 00:40:57,040

so i wanted to actually ask you about uh

1200

00:41:00,150 --> 00:40:58,960

if you can go a little bit about the

1201

00:41:03,270 --> 00:41:00,160

idea of hybrids

1202

00:41:05,750 --> 00:41:03,280

about how if you can i don't know

1203

00:41:07,910 --> 00:41:05,760

how if this is going gonna open up a

1204

00:41:08,790 --> 00:41:07,920

whole long subject to cover but uh

1205

00:41:11,829 --> 00:41:08,800

regarding

1206

00:41:15,589 --> 00:41:11,839

how did they come to to be hybrids

1207

00:41:17,430 --> 00:41:15,599

and um which which ones are they

1208

00:41:19,990 --> 00:41:17,440

basically the offsprings of the

1209

00:41:21,829 --> 00:41:20,000

of the grace or are we talking about

1210

00:41:23,990 --> 00:41:21,839

other races as well

1211

00:41:25,430 --> 00:41:24,000

you're talking about many different

1212

00:41:26,630 --> 00:41:25,440

types of hybrid races you're not just

1213

00:41:29,109 --> 00:41:26,640

looking at the ones that we would refer

1214

00:41:31,109 --> 00:41:29,119

to as the grace and human hybridization

1215

00:41:33,510 --> 00:41:31,119

there's a lot of different hybrids right

1216

00:41:34,470 --> 00:41:33,520

there's basically there's hybrid phase

1217

00:41:35,829 --> 00:41:34,480

right you're basically looking at

1218

00:41:37,190 --> 00:41:35,839

fairies you're looking at else

1219

00:41:38,870 --> 00:41:37,200

there are hybrids here as well so you're

1220

00:41:40,309 --> 00:41:38,880

looking at gin that can be hybrids

1221

00:41:41,670 --> 00:41:40,319

you're looking at reptilians that could

1222

00:41:43,589 --> 00:41:41,680

be hybrid you're looking at all these

1223

00:41:45,109 --> 00:41:43,599

different types of hybrid beans

1224

00:41:48,309 --> 00:41:45,119

now one of the most commonly talked

1225

00:41:50,230 --> 00:41:48,319

about ones are the the fertilization

1226
00:41:52,230 --> 00:41:50,240
between the human and grace right now

1227
00:41:53,670 --> 00:41:52,240
basically the grays themselves are not

1228
00:41:55,990 --> 00:41:53,680
extraterrestrial

1229
00:41:57,430 --> 00:41:56,000
okay they're extra dimensional beings so

1230
00:41:59,030 --> 00:41:57,440
they basically have existed on a

1231
00:42:00,950 --> 00:41:59,040
different parallel earth

1232
00:42:02,069 --> 00:42:00,960
that they basically destroyed a lot of

1233
00:42:03,990 --> 00:42:02,079
it was destroyed through

1234
00:42:05,750 --> 00:42:04,000
warfare and through a lot of genetic

1235
00:42:07,349 --> 00:42:05,760
engineering genetic manipulation

1236
00:42:09,990 --> 00:42:07,359
and so their planet you could say was

1237
00:42:11,670 --> 00:42:10,000
basically dying their species was dying

1238
00:42:13,990 --> 00:42:11,680

and the only way that the last

1239

00:42:15,190 --> 00:42:14,000

kind of like the last remnant of them

1240

00:42:17,430 --> 00:42:15,200

could actually survive

1241

00:42:19,430 --> 00:42:17,440

is when they left that earth and then

1242

00:42:21,349 --> 00:42:19,440

they basically did dimensional traveling

1243

00:42:22,870 --> 00:42:21,359

so they basically had those ships and

1244

00:42:23,750 --> 00:42:22,880

they were actually able to go through

1245

00:42:25,910 --> 00:42:23,760

space and time

1246

00:42:28,829 --> 00:42:25,920

time and space and it was basically

1247

00:42:37,750 --> 00:42:28,839

you're actually traveling through

1248

00:42:40,950 --> 00:42:39,589

the last thing i heard was traveling

1249

00:42:41,510 --> 00:42:40,960

through time and then your connection

1250

00:42:43,190 --> 00:42:41,520

broke up

1251

00:42:45,030 --> 00:42:43,200

if you could just uh just go back a few

1252

00:42:46,390 --> 00:42:45,040

seconds please yeah yeah so they they

1253

00:42:47,750 --> 00:42:46,400

travel through space and they travel

1254

00:42:48,550 --> 00:42:47,760

through time or travel through time

1255

00:42:50,309 --> 00:42:48,560

space

1256

00:42:51,910 --> 00:42:50,319

and ago then it goes through hundreds

1257

00:42:54,390 --> 00:42:51,920

and hundreds of light years

1258

00:42:55,349 --> 00:42:54,400

of them traveling through time and space

1259

00:42:58,150 --> 00:42:55,359

until they come

1260

00:43:00,230 --> 00:42:58,160

to our world so they see an earth that

1261

00:43:01,910 --> 00:43:00,240

is basically their their ancient earth

1262

00:43:03,670 --> 00:43:01,920

you could say where there is abundant

1263

00:43:05,990 --> 00:43:03,680

life upon the planets

1264

00:43:06,950 --> 00:43:06,000

the nature is still there it's still

1265

00:43:09,510 --> 00:43:06,960

very much a

1266

00:43:10,470 --> 00:43:09,520

living ecosphere and what they would do

1267

00:43:13,990 --> 00:43:10,480

is that they would

1268

00:43:16,309 --> 00:43:14,000

try to forge agreements with the souls

1269

00:43:17,510 --> 00:43:16,319

of incarnate beings prior to them

1270

00:43:19,430 --> 00:43:17,520

incarnating

1271

00:43:21,349 --> 00:43:19,440

and they would attempt to have soul

1272

00:43:24,069 --> 00:43:21,359

agreements working together with

1273

00:43:27,270 --> 00:43:24,079

different souls to see if these people

1274

00:43:28,950 --> 00:43:27,280

would be volunteers to uh

1275

00:43:30,710 --> 00:43:28,960

participate in their hybridization

1276
00:43:32,870 --> 00:43:30,720
program because they were very very

1277
00:43:35,030 --> 00:43:32,880
desperate to get human assistance

1278
00:43:37,109 --> 00:43:35,040
to try to preserve their race and their

1279
00:43:39,910 --> 00:43:37,119
race of course would not be identical

1280
00:43:42,150 --> 00:43:39,920
to how the original generation was but

1281
00:43:42,550 --> 00:43:42,160
they would try to get volunteers in that

1282
00:43:44,150 --> 00:43:42,560
way

1283
00:43:47,030 --> 00:43:44,160
and it would be something that would be

1284
00:43:47,750 --> 00:43:47,040
an offshoot hybrid race to themselves

1285
00:43:49,829 --> 00:43:47,760
that would be

1286
00:43:50,950 --> 00:43:49,839
quote-unquote gray human and natural

1287
00:43:52,230 --> 00:43:50,960
human in that way

1288
00:43:54,150 --> 00:43:52,240

so that was very much a lot of the

1289

00:43:56,790 --> 00:43:54,160

agreements and i'd say maybe about

1290

00:43:57,349 --> 00:43:56,800

10 to 15 percent of the population of

1291

00:44:00,950 --> 00:43:57,359

the earth

1292

00:44:05,270 --> 00:44:02,390

less than a little bit more that's just

1293

00:44:07,910 --> 00:44:05,280

kind of the the padded range 10 to 15

1294

00:44:09,190 --> 00:44:07,920

so again a lot of the visitations right

1295

00:44:10,710 --> 00:44:09,200

so a lot of people refer to them as

1296

00:44:13,430 --> 00:44:10,720

abductions as well too

1297

00:44:14,309 --> 00:44:13,440

not all of them were of that nature but

1298

00:44:16,069 --> 00:44:14,319

some of them were

1299

00:44:18,630 --> 00:44:16,079

and some of those particular visitations

1300

00:44:20,390 --> 00:44:18,640

were coming on board the spacecraft

1301
00:44:21,589 --> 00:44:20,400
where you would see the graves now the

1302
00:44:22,950 --> 00:44:21,599
ones that basically did this

1303
00:44:24,710 --> 00:44:22,960
hybridization program

1304
00:44:26,230 --> 00:44:24,720
are the ones that look like children

1305
00:44:28,630 --> 00:44:26,240
it's the smaller grays

1306
00:44:30,309 --> 00:44:28,640
it's not the tall ones the smaller ones

1307
00:44:32,550 --> 00:44:30,319
are basically the ones the originals

1308
00:44:33,510 --> 00:44:32,560
that actually still had souls within the

1309
00:44:35,109 --> 00:44:33,520
body

1310
00:44:37,109 --> 00:44:35,119
but because they were dying out they had

1311
00:44:38,550 --> 00:44:37,119
a lot of programmable life-form bodies

1312
00:44:41,030 --> 00:44:38,560
or cloned bodies

1313
00:44:42,230 --> 00:44:41,040

and they would use those clone bodies

1314

00:44:44,230 --> 00:44:42,240

again to perform tasks

1315

00:44:46,069 --> 00:44:44,240

kind of like honeybees in that way so

1316

00:44:46,790 --> 00:44:46,079

again the original grays that basically

1317

00:44:49,430 --> 00:44:46,800

still had

1318

00:44:58,790 --> 00:44:49,440

soul you could say are dying off because

1319

00:45:02,150 --> 00:45:00,550

right i think uh certain things within

1320

00:45:05,030 --> 00:45:02,160

themselves

1321

00:45:06,870 --> 00:45:05,040

that they've had to deal with okay the

1322

00:45:07,270 --> 00:45:06,880

the connection the connection broke up i

1323

00:45:15,270 --> 00:45:07,280

think

1324

00:45:19,910 --> 00:45:18,550

is and uh

1325

00:45:22,150 --> 00:45:19,920

these some of these people that let's

1326

00:45:25,109 --> 00:45:22,160

say i have a close friend of mine that

1327

00:45:26,630 --> 00:45:25,119

often talks about a hybrid child um are

1328

00:45:29,109 --> 00:45:26,640

they then supposed to

1329

00:45:31,030 --> 00:45:29,119

work with these different hybrids or or

1330

00:45:33,349 --> 00:45:31,040

not necessarily they just kind of

1331

00:45:34,390 --> 00:45:33,359

are there to provide the genetic

1332

00:45:37,510 --> 00:45:34,400

material and then

1333

00:45:39,910 --> 00:45:37,520

they they kind of move on or uh can you

1334

00:45:41,430 --> 00:45:39,920

please speak to a little bit about that

1335

00:45:43,190 --> 00:45:41,440

well again you can't really discuss this

1336

00:45:44,870 --> 00:45:43,200

generically because everybody has their

1337

00:45:46,550 --> 00:45:44,880

own contracts pertaining to things they

1338

00:45:47,190 --> 00:45:46,560

have their own destiny to follow in that

1339

00:45:49,109 --> 00:45:47,200

way

1340

00:45:51,030 --> 00:45:49,119

a lot of the people whom i've contacted

1341

00:45:52,230 --> 00:45:51,040

with do not have to have the hybrid

1342

00:45:54,470 --> 00:45:52,240

children in their life

1343

00:45:55,910 --> 00:45:54,480

right so basically in that sense their

1344

00:45:57,430 --> 00:45:55,920

agreement was just basically to bring

1345

00:45:58,790 --> 00:45:57,440

them into life

1346

00:46:00,790 --> 00:45:58,800

they have basically fulfilled that

1347

00:46:02,550 --> 00:46:00,800

agreement now again if they want to have

1348

00:46:05,109 --> 00:46:02,560

a continued relationship

1349

00:46:06,390 --> 00:46:05,119

with their children that often comes

1350

00:46:08,309 --> 00:46:06,400

very telepathically

1351
00:46:10,309 --> 00:46:08,319
right they'll start to feel a connection

1352
00:46:12,230 --> 00:46:10,319
with the uh the hybrid kids

1353
00:46:13,430 --> 00:46:12,240
on board ships they'll start painting

1354
00:46:14,870 --> 00:46:13,440
pictures of them

1355
00:46:16,230 --> 00:46:14,880
they'll start drawing them out they'll

1356
00:46:16,950 --> 00:46:16,240
start getting impressions they may get

1357
00:46:18,710 --> 00:46:16,960
names

1358
00:46:21,109 --> 00:46:18,720
of the children or they may actually

1359
00:46:22,870 --> 00:46:21,119
give names to the children as well too

1360
00:46:24,790 --> 00:46:22,880
but it all depends everybody has their

1361
00:46:26,870 --> 00:46:24,800
own particular form of destiny

1362
00:46:28,790 --> 00:46:26,880
relating to what they're here to do but

1363
00:46:30,309 --> 00:46:28,800

a lot of them are basically the

1364

00:46:33,270 --> 00:46:30,319

agreement is just to

1365

00:46:33,750 --> 00:46:33,280

bring the these children into life after

1366

00:46:35,030 --> 00:46:33,760

that

1367

00:46:36,870 --> 00:46:35,040

they've really fulfilled everything they

1368

00:46:38,230 --> 00:46:36,880

needed to do and maybe there are those

1369

00:46:39,270 --> 00:46:38,240

who do want to have some type of

1370

00:46:40,950 --> 00:46:39,280

connection

1371

00:46:43,270 --> 00:46:40,960

with their children some of them do

1372

00:46:45,109 --> 00:46:43,280

basically go off into dream time

1373

00:46:46,790 --> 00:46:45,119

and they start interacting with them on

1374

00:46:48,069 --> 00:46:46,800

board ships so basically you're going

1375

00:46:49,910 --> 00:46:48,079

into your dream body

1376
00:46:51,829 --> 00:46:49,920
and you're going in onto these ships and

1377
00:46:53,670 --> 00:46:51,839
you're actually watching the children

1378
00:46:54,950 --> 00:46:53,680
and you're able to see other children as

1379
00:46:56,470 --> 00:46:54,960
well too you actually get

1380
00:46:58,309 --> 00:46:56,480
a journalist refers to these ships as

1381
00:46:58,950 --> 00:46:58,319
learning centers and they're kind of

1382
00:47:00,950 --> 00:46:58,960
like arc

1383
00:47:02,069 --> 00:47:00,960
craft they're very big and they're able

1384
00:47:03,510 --> 00:47:02,079
to uh

1385
00:47:04,710 --> 00:47:03,520
go on board these ships and start

1386
00:47:06,069 --> 00:47:04,720
learning a lot of different things they

1387
00:47:08,790 --> 00:47:06,079
can learn a lot about skills they can

1388
00:47:10,870 --> 00:47:08,800

learn about history education

1389

00:47:12,710 --> 00:47:10,880

it goes on and on so basically they're

1390

00:47:14,550 --> 00:47:12,720

being educated on these ships now these

1391

00:47:15,270 --> 00:47:14,560

ships do not belong to the hybrid

1392

00:47:16,950 --> 00:47:15,280

children

1393

00:47:18,950 --> 00:47:16,960

they're basically in that sense being

1394

00:47:20,390 --> 00:47:18,960

borrowed so they basically can go on

1395

00:47:21,990 --> 00:47:20,400

different ships as well too it's not

1396

00:47:24,710 --> 00:47:22,000

just the ships of the graves

1397

00:47:26,710 --> 00:47:24,720

it can be other races as well too that

1398

00:47:28,150 --> 00:47:26,720

they form the kinship with

1399

00:47:29,990 --> 00:47:28,160

and they can go on board these different

1400

00:47:31,109 --> 00:47:30,000

ships and start learning these different

1401

00:47:32,790 --> 00:47:31,119

things so they're just part of a

1402

00:47:34,230 --> 00:47:32,800

different galactic community

1403

00:47:35,990 --> 00:47:34,240

where they can go on different ships

1404

00:47:38,390 --> 00:47:36,000

they can meet different races

1405

00:47:40,150 --> 00:47:38,400

they can learn from them and spell too

1406

00:47:42,150 --> 00:47:40,160

and there may be an extended

1407

00:47:43,829 --> 00:47:42,160

relationship that they may have with

1408

00:47:44,470 --> 00:47:43,839

their biological human mother for

1409

00:47:45,990 --> 00:47:44,480

example

1410

00:47:48,390 --> 00:47:46,000

that they may want to pursue along with

1411

00:47:52,150 --> 00:47:51,589

so eventual interactions i guess there's

1412

00:47:54,309 --> 00:47:52,160

not

1413

00:47:55,349 --> 00:47:54,319

a specific race that kind of has an

1414

00:47:58,230 --> 00:47:55,359

agreement to say

1415

00:47:59,030 --> 00:47:58,240

we will be the first ones to to say

1416

00:48:00,950 --> 00:47:59,040

hello or

1417

00:48:02,710 --> 00:48:00,960

you know because there's such a wide

1418

00:48:04,069 --> 00:48:02,720

variety of them out there um

1419

00:48:06,549 --> 00:48:04,079

so well that's the whole thing is that

1420

00:48:09,589 --> 00:48:06,559

humanity has 22 different

1421

00:48:11,349 --> 00:48:09,599

uh et races genetics within our own

1422

00:48:12,630 --> 00:48:11,359

genome right so you're looking at many

1423

00:48:13,990 --> 00:48:12,640

different races

1424

00:48:15,589 --> 00:48:14,000

all together right there's been a lot of

1425

00:48:17,510 --> 00:48:15,599

talk about the idea what could be the

1426

00:48:19,190 --> 00:48:17,520

hybrid races in that sense

1427

00:48:20,549 --> 00:48:19,200

there is that but the whole idea is that

1428

00:48:21,430 --> 00:48:20,559

people are having their own organic

1429

00:48:23,990 --> 00:48:21,440

contacts for

1430

00:48:25,270 --> 00:48:24,000

for that person or for that group the

1431

00:48:26,470 --> 00:48:25,280

hybrids would be the ones that would

1432

00:48:28,710 --> 00:48:26,480

come first to them

1433

00:48:30,150 --> 00:48:28,720

but no basically when we have contact

1434

00:48:31,990 --> 00:48:30,160

when that time comes

1435

00:48:33,270 --> 00:48:32,000

you're going to see many different races

1436

00:48:34,790 --> 00:48:33,280

it's not just going to be one race so

1437

00:48:36,069 --> 00:48:34,800

this one big race is going to be the one

1438

00:48:38,309 --> 00:48:36,079

that's going to come to you

1439

00:48:39,430 --> 00:48:38,319

and reveal everything to you no uh you

1440

00:48:41,109 --> 00:48:39,440

know like i said there's a lot of talk

1441

00:48:42,630 --> 00:48:41,119

about that being a hybrid race i said no

1442

00:48:44,309 --> 00:48:42,640

that's not going to happen

1443

00:48:46,309 --> 00:48:44,319

but they will give an opportunity for

1444

00:48:47,109 --> 00:48:46,319

the hybrid hybrid children to come

1445

00:48:48,870 --> 00:48:47,119

forward

1446

00:48:50,790 --> 00:48:48,880

and basically no longer be behind the

1447

00:48:52,230 --> 00:48:50,800

veil when that time comes so they can go

1448

00:48:53,990 --> 00:48:52,240

and they can visit their mom

1449

00:48:56,069 --> 00:48:54,000

for example and start having a life with

1450

00:48:57,910 --> 00:48:56,079

her once there is a type of contact

1451

00:48:59,670 --> 00:48:57,920

where that would be made possible

1452

00:49:01,270 --> 00:48:59,680

but again as soon as the as soon as the

1453

00:49:03,109 --> 00:49:01,280

veil drops and

1454

00:49:04,069 --> 00:49:03,119

first contact can actually take place

1455

00:49:05,030 --> 00:49:04,079

and again i don't really know when

1456

00:49:07,510 --> 00:49:05,040

that's happening

1457

00:49:08,630 --> 00:49:07,520

there's the the theory of maybe 2050

1458

00:49:10,230 --> 00:49:08,640

2050-ish

1459

00:49:11,670 --> 00:49:10,240

somewhere around there but that's just

1460

00:49:13,510 --> 00:49:11,680

again a rough shoot of a number it all

1461

00:49:16,230 --> 00:49:13,520

just depends on how things go

1462

00:49:16,950 --> 00:49:16,240

but again as that happens you're looking

1463

00:49:19,030 --> 00:49:16,960

at a sky

1464

00:49:20,950 --> 00:49:19,040

full of ships right and it's full of

1465

00:49:21,910 --> 00:49:20,960

ships right now we just don't know that

1466

00:49:23,510 --> 00:49:21,920

that's there

1467

00:49:25,030 --> 00:49:23,520

they're basically in their own pocketed

1468

00:49:27,349 --> 00:49:25,040

dimension of reality

1469

00:49:29,030 --> 00:49:27,359

and it's basically overlaid relating to

1470

00:49:30,470 --> 00:49:29,040

our physical reality it's very very

1471

00:49:31,910 --> 00:49:30,480

simple for them to do this

1472

00:49:33,910 --> 00:49:31,920

right it's just it's simple quantum

1473

00:49:34,710 --> 00:49:33,920

mechanics it's simple vibrational

1474

00:49:36,069 --> 00:49:34,720

science

1475

00:49:37,270 --> 00:49:36,079

and they can basically just veil

1476

00:49:38,470 --> 00:49:37,280

themselves put themselves in these

1477

00:49:40,069 --> 00:49:38,480

pocket dimensions

1478

00:49:42,230 --> 00:49:40,079

and just watch you and you would never

1479

00:49:43,510 --> 00:49:42,240

know that they are there

1480

00:49:44,950 --> 00:49:43,520

there are some people who have actually

1481

00:49:46,150 --> 00:49:44,960

been able to go into psychedelic

1482

00:49:47,670 --> 00:49:46,160

experiences

1483

00:49:49,510 --> 00:49:47,680

and as they go into psychedelic

1484

00:49:51,109 --> 00:49:49,520

experiences they can actually look

1485

00:49:52,630 --> 00:49:51,119

and they actually see these other beings

1486

00:49:54,309 --> 00:49:52,640

just kind of walking around

1487

00:49:56,230 --> 00:49:54,319

walking around the reality grid it's

1488

00:49:57,510 --> 00:49:56,240

like they're going into these deeper

1489

00:49:59,430 --> 00:49:57,520

states of vision

1490

00:50:00,630 --> 00:49:59,440

and they actually see these these beings

1491

00:50:01,589 --> 00:50:00,640

they're kind of like monitoring

1492

00:50:03,190 --> 00:50:01,599

monitoring

1493

00:50:04,790 --> 00:50:03,200

that person that's basically going into

1494

00:50:06,230 --> 00:50:04,800

psychedelic experience

1495

00:50:08,390 --> 00:50:06,240

they actually turn around they see this

1496

00:50:10,710 --> 00:50:08,400

person oh oh geez they see us

1497

00:50:12,630 --> 00:50:10,720

and then pulls up another veil and

1498

00:50:14,309 --> 00:50:12,640

vanishes away right

1499

00:50:16,309 --> 00:50:14,319

that's exactly what's happening right

1500

00:50:18,309 --> 00:50:16,319

these are all just veils

1501
00:50:20,150 --> 00:50:18,319
and there are so many different beings

1502
00:50:21,990 --> 00:50:20,160
so many different uh star family members

1503
00:50:23,910 --> 00:50:22,000
et's etc

1504
00:50:25,030 --> 00:50:23,920
that are just caught up in these veils

1505
00:50:26,390 --> 00:50:25,040
and they're like i said they can be

1506
00:50:27,910 --> 00:50:26,400
around you right now

1507
00:50:29,829 --> 00:50:27,920
and they're just doing a they're in a

1508
00:50:31,510 --> 00:50:29,839
dimensional veil you cannot see them

1509
00:50:32,630 --> 00:50:31,520
and as you go to sleep they may do some

1510
00:50:34,069 --> 00:50:32,640
tweaking on you they may do some

1511
00:50:34,950 --> 00:50:34,079
tweaking on your genetics they may work

1512
00:50:37,829 --> 00:50:34,960
with uh

1513
00:50:39,670 --> 00:50:37,839

different phases of memory etc and are

1514

00:50:39,990 --> 00:50:39,680

doing work upon you and you would never

1515

00:50:42,710 --> 00:50:40,000

know

1516

00:50:44,309 --> 00:50:42,720

it so like i said it's not just the idea

1517

00:50:45,510 --> 00:50:44,319

of going beyond the earth and thinking

1518

00:50:48,069 --> 00:50:45,520

that they're there

1519

00:50:48,950 --> 00:50:48,079

because they are but a lot of them are

1520

00:50:50,950 --> 00:50:48,960

here with us

1521

00:50:52,630 --> 00:50:50,960

right a lot of it can be star family

1522

00:50:54,069 --> 00:50:52,640

some of it can be beings that do not

1523

00:50:55,750 --> 00:50:54,079

feel too flattering to you

1524

00:50:58,069 --> 00:50:55,760

right and some of them have agendas as

1525

00:51:00,230 --> 00:50:58,079

well too so it's very much a mixed bag

1526
00:51:01,910 --> 00:51:00,240
and like i said everybody has their own

1527
00:51:04,069 --> 00:51:01,920
experience it's impossible

1528
00:51:07,670 --> 00:51:04,079
to really give us a type of genetic

1529
00:51:10,790 --> 00:51:07,680
context a generic context right

1530
00:51:11,190 --> 00:51:10,800
i don't want to kind of go negative here

1531
00:51:13,750 --> 00:51:11,200
but

1532
00:51:15,109 --> 00:51:13,760
uh usually the association with the

1533
00:51:17,349 --> 00:51:15,119
reptilians

1534
00:51:18,230 --> 00:51:17,359
is people always associated with the

1535
00:51:20,230 --> 00:51:18,240
negative

1536
00:51:22,069 --> 00:51:20,240
can you maybe speak a little bit about

1537
00:51:24,870 --> 00:51:22,079
them and who who

1538
00:51:26,470 --> 00:51:24,880

they are or or for example just one

1539

00:51:28,390 --> 00:51:26,480

particular thing that that

1540

00:51:29,829 --> 00:51:28,400

when i first heard it kind of stayed

1541

00:51:32,390 --> 00:51:29,839

with me for quite a while

1542

00:51:32,950 --> 00:51:32,400

you know and um of course it you know i

1543

00:51:35,750 --> 00:51:32,960

don't

1544

00:51:36,950 --> 00:51:35,760

see it as as you know this fearful thing

1545

00:51:39,030 --> 00:51:36,960

anymore it's still

1546

00:51:40,390 --> 00:51:39,040

a little bit concerning but i was hoping

1547

00:51:43,510 --> 00:51:40,400

you could maybe speak on that

1548

00:51:46,069 --> 00:51:43,520

when i first heard that some reptilians

1549

00:51:47,990 --> 00:51:46,079

would were thinking about just kind of

1550

00:51:50,390 --> 00:51:48,000

using us like we use cattle

1551
00:51:51,190 --> 00:51:50,400
you know and um do you know anything

1552
00:51:53,589 --> 00:51:51,200
about that

1553
00:51:54,309 --> 00:51:53,599
uh that you can maybe speak speak well

1554
00:51:58,549 --> 00:51:54,319
it's not just

1555
00:51:59,829 --> 00:51:58,559
right humans think that way as well too

1556
00:52:01,270 --> 00:51:59,839
right a lot of the ones that are

1557
00:52:01,910 --> 00:52:01,280
basically closer to the tip of this

1558
00:52:04,069 --> 00:52:01,920
pyramid

1559
00:52:05,990 --> 00:52:04,079
are ones who think that way as well too

1560
00:52:07,589 --> 00:52:06,000
that pretty much every every person in

1561
00:52:09,670 --> 00:52:07,599
the population of the planet

1562
00:52:11,829 --> 00:52:09,680
is basically just cattle right and just

1563
00:52:13,109 --> 00:52:11,839

basically being used as a resource

1564

00:52:15,109 --> 00:52:13,119

because a lot of them just think that

1565

00:52:17,829 --> 00:52:15,119

we're just absolutely stupid right

1566

00:52:19,349 --> 00:52:17,839

so it's not just looking at the draco

1567

00:52:19,990 --> 00:52:19,359

it's not just looking at the reptilians

1568

00:52:22,150 --> 00:52:20,000

and stuff

1569

00:52:23,829 --> 00:52:22,160

there are reptilian beings that are so

1570

00:52:24,230 --> 00:52:23,839

unbelievably loving that they would

1571

00:52:25,829 --> 00:52:24,240

never

1572

00:52:27,990 --> 00:52:25,839

think of doing things like that there

1573

00:52:30,150 --> 00:52:28,000

are indigenous reptilians

1574

00:52:31,750 --> 00:52:30,160

living inside our planet that would not

1575

00:52:33,109 --> 00:52:31,760

consider doing anything like that right

1576

00:52:37,109 --> 00:52:33,119

you have different

1577

00:52:38,630 --> 00:52:37,119

in that way

1578

00:52:40,390 --> 00:52:38,640

so there have been certain groups that

1579

00:52:42,390 --> 00:52:40,400

have been based upon conquest

1580

00:52:44,390 --> 00:52:42,400

and basically they have claimed

1581

00:52:46,390 --> 00:52:44,400

thousands of worlds right earth was just

1582

00:52:48,470 --> 00:52:46,400

basically another notch on their belt

1583

00:52:49,910 --> 00:52:48,480

a very big notch because of what the

1584

00:52:51,510 --> 00:52:49,920

earth represents

1585

00:52:53,030 --> 00:52:51,520

but again it's not looking like that is

1586

00:52:54,790 --> 00:52:53,040

saying that's all what reptilians do

1587

00:52:56,710 --> 00:52:54,800

because that's no more different than

1588

00:52:58,230 --> 00:52:56,720

any human races out there thinking oh

1589

00:52:59,349 --> 00:52:58,240

well that's all human races are they

1590

00:53:00,790 --> 00:52:59,359

just don't take care of their planet

1591

00:53:03,190 --> 00:53:00,800

they don't take care of each other

1592

00:53:05,349 --> 00:53:03,200

they don't know themselves what good are

1593

00:53:06,390 --> 00:53:05,359

they right and we cannot generalize that

1594

00:53:08,069 --> 00:53:06,400

for everybody

1595

00:53:10,549 --> 00:53:08,079

right so we cannot generalize these

1596

00:53:12,150 --> 00:53:10,559

things with with reptilians in that way

1597

00:53:14,470 --> 00:53:12,160

so like i said there are draco there's

1598

00:53:15,910 --> 00:53:14,480

draco royals in that way

1599

00:53:17,510 --> 00:53:15,920

and there are draco royals that again

1600

00:53:19,109 --> 00:53:17,520

are bent on conquest

1601
00:53:21,430 --> 00:53:19,119
and there are draco royals are actually

1602
00:53:23,990 --> 00:53:21,440
helping out a lot of different alliances

1603
00:53:24,710 --> 00:53:24,000
being able to predict every single one

1604
00:53:27,829 --> 00:53:24,720
of these

1605
00:53:28,710 --> 00:53:27,839
these moves that these conquerers as

1606
00:53:30,790 --> 00:53:28,720
i'll call them

1607
00:53:32,549 --> 00:53:30,800
uh we're very very committed to doing to

1608
00:53:35,349 --> 00:53:32,559
basically try and enslave

1609
00:53:36,630 --> 00:53:35,359
the planet in that way but that's not

1610
00:53:39,109 --> 00:53:36,640
what's happening anymore

1611
00:53:40,230 --> 00:53:39,119
basically earth is going into such a

1612
00:53:42,790 --> 00:53:40,240
bright future

1613
00:53:45,349 --> 00:53:42,800

there is such a bright time ahead for us

1614

00:53:47,270 --> 00:53:45,359

we're seeing a lot of the dark players

1615

00:53:48,790 --> 00:53:47,280

as i've turned them as well too uh

1616

00:53:49,910 --> 00:53:48,800

starting to fade out of the scenes

1617

00:53:51,589 --> 00:53:49,920

right there's a lot of thing that's

1618

00:53:53,109 --> 00:53:51,599

happening we have to remember that

1619

00:53:55,430 --> 00:53:53,119

everything that's happening here

1620

00:53:56,309 --> 00:53:55,440

is happening above right as above so

1621

00:53:57,910 --> 00:53:56,319

below

1622

00:54:00,069 --> 00:53:57,920

so there has really been kind of like a

1623

00:54:02,710 --> 00:54:00,079

spiritual war that has been happening

1624

00:54:04,549 --> 00:54:02,720

for a very very long time edgar cayce

1625

00:54:06,390 --> 00:54:04,559

talked about this in his readings where

1626
00:54:07,510 --> 00:54:06,400
he talks about kind of a spiritual war

1627
00:54:09,670 --> 00:54:07,520
war in heaven

1628
00:54:11,190 --> 00:54:09,680
in that way uh basically we could refer

1629
00:54:11,829 --> 00:54:11,200
to those archons or something of that

1630
00:54:15,030 --> 00:54:11,839
nature

1631
00:54:16,230 --> 00:54:15,040
but um really there's a lot more deeper

1632
00:54:18,150 --> 00:54:16,240
stuff to it than just looking at

1633
00:54:19,589 --> 00:54:18,160
reptilians like andrew breco

1634
00:54:21,510 --> 00:54:19,599
that's kind of like the mid level of the

1635
00:54:23,430 --> 00:54:21,520
pyramid right if you really want to know

1636
00:54:26,470 --> 00:54:23,440
what a lot of the big culprit is

1637
00:54:27,030 --> 00:54:26,480
behind everything it's the ego right the

1638
00:54:29,349 --> 00:54:27,040

ego

1639

00:54:31,109 --> 00:54:29,359

really is the biggest virus that there

1640

00:54:32,549 --> 00:54:31,119

is that we all carry

1641

00:54:34,470 --> 00:54:32,559

and one that one of the greatest

1642

00:54:37,109 --> 00:54:34,480

representations of the ego

1643

00:54:38,630 --> 00:54:37,119

is often artificial intelligence right

1644

00:54:40,710 --> 00:54:38,640

it's basically a lot of these

1645

00:54:42,390 --> 00:54:40,720

uh draco a lot of these different groups

1646

00:54:45,829 --> 00:54:42,400

that are hell bent on

1647

00:54:47,270 --> 00:54:45,839

conquest are often being led by ai

1648

00:54:49,030 --> 00:54:47,280

right a lot of it is artificial

1649

00:54:50,710 --> 00:54:49,040

intelligence if you guys are familiar

1650

00:54:52,710 --> 00:54:50,720

with like the borg of star trek

1651
00:54:54,870 --> 00:54:52,720
it's very much like that there's a lot

1652
00:54:55,750 --> 00:54:54,880
of ai that's there and it all it does is

1653
00:54:58,789 --> 00:54:55,760
just basically

1654
00:55:00,870 --> 00:54:58,799
compute cold logic it's very very cold

1655
00:55:02,950 --> 00:55:00,880
it's it's heartless doesn't have any

1656
00:55:05,270 --> 00:55:02,960
emotion whatsoever all it cares about

1657
00:55:05,990 --> 00:55:05,280
is the material world and there's a lot

1658
00:55:08,950 --> 00:55:06,000
of

1659
00:55:10,870 --> 00:55:08,960
races such as the draco that basically

1660
00:55:12,549 --> 00:55:10,880
won't even rely upon their organic

1661
00:55:13,030 --> 00:55:12,559
components anymore they basically swap

1662
00:55:14,950 --> 00:55:13,040
out their

1663
00:55:16,710 --> 00:55:14,960

organic components and now they're

1664

00:55:17,990 --> 00:55:16,720

basically just very much like a machine

1665

00:55:19,990 --> 00:55:18,000

right and they use a lot of

1666

00:55:21,990 --> 00:55:20,000

transhumanism agendas because

1667

00:55:23,430 --> 00:55:22,000

they basically are seen as prophets for

1668

00:55:25,510 --> 00:55:23,440

this ai

1669

00:55:27,030 --> 00:55:25,520

so basically like i said ego would be

1670

00:55:27,910 --> 00:55:27,040

the highest degree would be the tip of

1671

00:55:29,270 --> 00:55:27,920

the pyramid

1672

00:55:31,430 --> 00:55:29,280

because that is everything that

1673

00:55:33,030 --> 00:55:31,440

represents an antiques right everything

1674

00:55:34,870 --> 00:55:33,040

that represents cold logic

1675

00:55:36,390 --> 00:55:34,880

there's no feeling there's no remorse

1676
00:55:37,190 --> 00:55:36,400
everything is just physical physical

1677
00:55:39,030 --> 00:55:37,200
physical

1678
00:55:40,309 --> 00:55:39,040
that's the nature of an inverted

1679
00:55:42,390 --> 00:55:40,319
pentagram

1680
00:55:45,430 --> 00:55:42,400
so like i said it's not just looking at

1681
00:55:46,630 --> 00:55:45,440
a a basically profiling a certain race

1682
00:55:48,470 --> 00:55:46,640
right you're just you're looking at

1683
00:55:50,069 --> 00:55:48,480
certain groups certain groups have that

1684
00:55:51,430 --> 00:55:50,079
particular type of mentality

1685
00:55:53,349 --> 00:55:51,440
but like i said there's such a big

1686
00:55:54,150 --> 00:55:53,359
cleanup happening not only on the earth

1687
00:55:55,990 --> 00:55:54,160
right now

1688
00:55:57,430 --> 00:55:56,000

but beyond the earth right there's so

1689

00:55:59,349 --> 00:55:57,440

much cleanup happening

1690

00:56:01,030 --> 00:55:59,359

there's a false grid that's being torn

1691

00:56:03,430 --> 00:56:01,040

down as well too that have

1692

00:56:05,030 --> 00:56:03,440

basically caused a lot of deception a

1693

00:56:06,230 --> 00:56:05,040

lot of holographic inserts and

1694

00:56:08,549 --> 00:56:06,240

holography

1695

00:56:09,589 --> 00:56:08,559

basically uh just causing a lot of

1696

00:56:11,349 --> 00:56:09,599

mayhem with people

1697

00:56:13,510 --> 00:56:11,359

people who think that they're chilling

1698

00:56:14,549 --> 00:56:13,520

uh angelic beings and so forth but they

1699

00:56:17,270 --> 00:56:14,559

have

1700

00:56:19,109 --> 00:56:17,280

there's another agenda behind it all so

1701

00:56:20,789 --> 00:56:19,119

it's basically a deception grid

1702

00:56:22,470 --> 00:56:20,799

so that deception grid is being taken

1703

00:56:25,750 --> 00:56:22,480

down right now a lot of

1704

00:56:28,150 --> 00:56:25,760

our our old leaders uh politics

1705

00:56:28,870 --> 00:56:28,160

uh world leaders are being taken down

1706

00:56:31,349 --> 00:56:28,880

right now

1707

00:56:32,710 --> 00:56:31,359

there is such a gigantic takedown that

1708

00:56:35,190 --> 00:56:32,720

is taking place

1709

00:56:36,470 --> 00:56:35,200

on the earth and beyond it that within

1710

00:56:38,069 --> 00:56:36,480

the next couple of years we're looking

1711

00:56:39,030 --> 00:56:38,079

at a very very different earth we're

1712

00:56:42,069 --> 00:56:39,040

looking at it it's

1713

00:56:45,270 --> 00:56:42,079

basically again having a new earth

1714

00:56:48,230 --> 00:56:45,280

it's exactly what's happening right now

1715

00:56:49,270 --> 00:56:48,240

you know i was going to ask so this this

1716

00:56:52,710 --> 00:56:49,280

almost script

1717

00:56:55,829 --> 00:56:52,720

like um happening

1718

00:56:58,950 --> 00:56:55,839

all over the world uh is it is it

1719

00:56:59,990 --> 00:56:58,960

these specific humans that kind of align

1720

00:57:05,270 --> 00:57:00,000

with that

1721

00:57:06,470 --> 00:57:05,280

you can call them illuminati or cold

1722

00:57:09,270 --> 00:57:06,480

whatever uh

1723

00:57:10,630 --> 00:57:09,280

is it is it that or is it really that it

1724

00:57:12,950 --> 00:57:10,640

just so happens

1725

00:57:14,630 --> 00:57:12,960

in you know on this planet that with all

1726
00:57:15,349 --> 00:57:14,640
these as i said the other day with all

1727
00:57:17,510 --> 00:57:15,359
these

1728
00:57:19,910 --> 00:57:17,520
you know countries with individual you

1729
00:57:20,390 --> 00:57:19,920
know uh presidents and their own goals

1730
00:57:21,910 --> 00:57:20,400
that

1731
00:57:23,430 --> 00:57:21,920
you know they all started singing at the

1732
00:57:24,710 --> 00:57:23,440
same tune um

1733
00:57:26,789 --> 00:57:24,720
can you speak a little bit on that

1734
00:57:28,230 --> 00:57:26,799
please yeah i mean everything really is

1735
00:57:29,510 --> 00:57:28,240
a script when you look at the mainstream

1736
00:57:31,030 --> 00:57:29,520
media right when you're looking at all

1737
00:57:33,670 --> 00:57:31,040
this news that's coming up

1738
00:57:35,270 --> 00:57:33,680

you're seeing how basically every anchor

1739

00:57:36,710 --> 00:57:35,280

on the mainstream media is basically

1740

00:57:38,630 --> 00:57:36,720

saying the same thing oh and here's this

1741

00:57:40,710 --> 00:57:38,640

story and they say the exact same thing

1742

00:57:42,630 --> 00:57:40,720

it's all a big script right because the

1743

00:57:42,950 --> 00:57:42,640

the msm mainstream media again i don't

1744

00:57:44,390 --> 00:57:42,960

really

1745

00:57:46,230 --> 00:57:44,400

tell you guys this you guys are pretty

1746

00:57:48,069 --> 00:57:46,240

much already aware of this but yeah it's

1747

00:57:50,230 --> 00:57:48,079

just one big facade it's one big

1748

00:57:51,670 --> 00:57:50,240

show it's one big reality show it's one

1749

00:57:53,430 --> 00:57:51,680

big movie right

1750

00:57:55,349 --> 00:57:53,440

it's not what's happening with the world

1751
00:57:56,789 --> 00:57:55,359
at all that is the conditioning right

1752
00:57:57,190 --> 00:57:56,799
that is just looking at everything and

1753
00:57:59,190 --> 00:57:57,200
saying

1754
00:58:00,789 --> 00:57:59,200
people are being programmed in this

1755
00:58:01,190 --> 00:58:00,799
media and what they're doing is they're

1756
00:58:02,870 --> 00:58:01,200
being

1757
00:58:03,990 --> 00:58:02,880
deprogrammed by this media spell too

1758
00:58:05,589 --> 00:58:04,000
that's eventually what's gonna happen

1759
00:58:08,630 --> 00:58:05,599
right there's gonna be so much

1760
00:58:11,270 --> 00:58:08,640
more leakages and the idea of the

1761
00:58:12,309 --> 00:58:11,280
whistle blowing taking place data dumps

1762
00:58:14,230 --> 00:58:12,319
etc

1763
00:58:16,230 --> 00:58:14,240

and every mainstream media is going to

1764

00:58:17,670 --> 00:58:16,240

fall in line because basically if this

1765

00:58:19,589 --> 00:58:17,680

mainstream media has been happening for

1766

00:58:20,470 --> 00:58:19,599

such a long time spewing all this

1767

00:58:22,069 --> 00:58:20,480

garbage

1768

00:58:23,349 --> 00:58:22,079

it's going through a transitional state

1769

00:58:23,910 --> 00:58:23,359

right now where it's going to be going

1770

00:58:25,990 --> 00:58:23,920

under new

1771

00:58:27,990 --> 00:58:26,000

management and now it's going to be

1772

00:58:29,270 --> 00:58:28,000

spewing deprogramming

1773

00:58:31,349 --> 00:58:29,280

right so that's really what it's going

1774

00:58:32,069 --> 00:58:31,359

to do but it has to do with a very soft

1775

00:58:34,069 --> 00:58:32,079

way

1776

00:58:35,990 --> 00:58:34,079

but again these are just the gatekeepers

1777

00:58:37,430 --> 00:58:36,000

this is just keeping around the gate and

1778

00:58:38,870 --> 00:58:37,440

you're not allowed to look what's inside

1779

00:58:40,950 --> 00:58:38,880

the gates because you have all this

1780

00:58:42,309 --> 00:58:40,960

mainstream media of all this press

1781

00:58:44,069 --> 00:58:42,319

you have all these different forms of

1782

00:58:44,710 --> 00:58:44,079

safeguards that are in that are

1783

00:58:46,870 --> 00:58:44,720

basically

1784

00:58:47,750 --> 00:58:46,880

keeping you out about what's happening

1785

00:58:49,109 --> 00:58:47,760

in the core

1786

00:58:51,829 --> 00:58:49,119

and what's happening in the court right

1787

00:58:53,750 --> 00:58:51,839

now are silent takedowns of

1788

00:58:55,910 --> 00:58:53,760

ancient secret societies that are

1789

00:58:58,470 --> 00:58:55,920

basically satanic worshipers

1790

00:58:59,750 --> 00:58:58,480

that have been worshipping you know

1791

00:59:01,510 --> 00:58:59,760

devilish energies

1792

00:59:03,670 --> 00:59:01,520

for many thousands of years and they're

1793

00:59:05,589 --> 00:59:03,680

being taken down at an alarming rates

1794

00:59:07,670 --> 00:59:05,599

they're basically just being completely

1795

00:59:08,710 --> 00:59:07,680

folded up and taken out of the equation

1796

00:59:11,430 --> 00:59:08,720

altogether

1797

00:59:12,870 --> 00:59:11,440

but again the entire strategy is to do

1798

00:59:14,470 --> 00:59:12,880

this silently because if you do this

1799

00:59:16,230 --> 00:59:14,480

silently then there's no

1800

00:59:18,390 --> 00:59:16,240

risk of exposure from the plans that

1801
00:59:19,190 --> 00:59:18,400
you're trying to do to try and get this

1802
00:59:20,950 --> 00:59:19,200
through quickly

1803
00:59:22,710 --> 00:59:20,960
because there's there's even larger

1804
00:59:23,990 --> 00:59:22,720
things that are to come

1805
00:59:25,589 --> 00:59:24,000
in the next couple of years that are

1806
00:59:25,990 --> 00:59:25,599
going to be very very positive right i

1807
00:59:27,349 --> 00:59:26,000
think

1808
00:59:28,950 --> 00:59:27,359
a lot of people are just worried saying

1809
00:59:30,150 --> 00:59:28,960
well brad we may have another corona

1810
00:59:32,470 --> 00:59:30,160
virus coming together

1811
00:59:34,069 --> 00:59:32,480
no right all they're trying to spin

1812
00:59:34,870 --> 00:59:34,079
right now is a type of climate change

1813
00:59:36,870 --> 00:59:34,880

sign up

1814

00:59:38,390 --> 00:59:36,880

that's not gonna last very long either

1815

00:59:40,789 --> 00:59:38,400

so that's gonna that's gonna fall

1816

00:59:42,470 --> 00:59:40,799

on its butt all together all these

1817

00:59:42,870 --> 00:59:42,480

things are basically just being taken

1818

00:59:44,230 --> 00:59:42,880

down

1819

00:59:45,990 --> 00:59:44,240

right it's it's kind of like if you're

1820

00:59:47,430 --> 00:59:46,000

looking at a cosmic administration

1821

00:59:49,670 --> 00:59:47,440

right you could look at this as the one

1822

00:59:51,829 --> 00:59:49,680

will the divine will in that sense

1823

00:59:53,030 --> 00:59:51,839

and all the players want to try and

1824

00:59:54,789 --> 00:59:53,040

submit

1825

00:59:57,910 --> 00:59:54,799

these applications and say that's due

1826
01:00:01,030 --> 00:59:57,920
this agenda right cosmic administration

1827
01:00:02,309 --> 01:00:01,040
that says denied what about this

1828
01:00:05,589 --> 01:00:02,319
application

1829
01:00:07,030 --> 01:00:05,599
denied what about this one denied

1830
01:00:08,630 --> 01:00:07,040
so all these things that these key

1831
01:00:10,230 --> 01:00:08,640
players are trying to do

1832
01:00:12,230 --> 01:00:10,240
is just constantly being denied they're

1833
01:00:13,589 --> 01:00:12,240
able to play it out for a very small

1834
01:00:15,109 --> 01:00:13,599
amount of time

1835
01:00:17,349 --> 01:00:15,119
until it reaches a certain type of

1836
01:00:19,270 --> 01:00:17,359
climax once it reaches that climax

1837
01:00:20,470 --> 01:00:19,280
it folds upon itself and saying well we

1838
01:00:21,910 --> 01:00:20,480

barely got this thing off the ground

1839

01:00:23,510 --> 01:00:21,920

well that's the point

1840

01:00:25,270 --> 01:00:23,520

it's only allowed to come out to a

1841

01:00:26,789 --> 01:00:25,280

certain point to wake enough people that

1842

01:00:29,270 --> 01:00:26,799

it needs to wake up

1843

01:00:30,390 --> 01:00:29,280

and as that happens there's the stamp

1844

01:00:32,390 --> 01:00:30,400

that comes down

1845

01:00:34,069 --> 01:00:32,400

and saying denied so a lot of people are

1846

01:00:36,390 --> 01:00:34,079

still very much in fear

1847

01:00:37,510 --> 01:00:36,400

about what's taking place but again it

1848

01:00:38,789 --> 01:00:37,520

goes back to those saying

1849

01:00:40,549 --> 01:00:38,799

you're just afraid of what you don't

1850

01:00:42,150 --> 01:00:40,559

understand there's a lot of things that

1851
01:00:43,589 --> 01:00:42,160
are happening down the road and like i

1852
01:00:47,109 --> 01:00:43,599
said it's a very very

1853
01:00:48,390 --> 01:00:47,119
amazing time right it's it's intense yes

1854
01:00:49,990 --> 01:00:48,400
for a lot of people this feels like it's

1855
01:00:51,349 --> 01:00:50,000
come out of the blue well not really

1856
01:00:54,630 --> 01:00:51,359
this has been building up

1857
01:00:57,109 --> 01:00:54,640
for millennia

1858
01:00:58,630 --> 01:00:57,119
and now it's coming out right now and

1859
01:01:00,549 --> 01:00:58,640
all this needs to

1860
01:01:02,390 --> 01:01:00,559
basically face the music all these

1861
01:01:03,270 --> 01:01:02,400
things need to play out to a certain

1862
01:01:05,829 --> 01:01:03,280
degree

1863
01:01:06,950 --> 01:01:05,839

before it gets completely folded up and

1864

01:01:08,230 --> 01:01:06,960

thrown out of the picture

1865

01:01:09,990 --> 01:01:08,240

right it kind of goes back to like what

1866

01:01:12,069 --> 01:01:10,000

jesus said it's like basically

1867

01:01:13,430 --> 01:01:12,079

we're we're taking the weeds out from

1868

01:01:15,109 --> 01:01:13,440

the wheat we're letting the weeds and

1869

01:01:16,470 --> 01:01:15,119

the wheat grow up and to a point

1870

01:01:18,470 --> 01:01:16,480

and then the harvester is going to come

1871

01:01:20,230 --> 01:01:18,480

in and start pulling out all these weeds

1872

01:01:22,390 --> 01:01:20,240

and throwing them into the fire to be

1873

01:01:23,190 --> 01:01:22,400

burned that's exactly what's happening

1874

01:01:24,789 --> 01:01:23,200

right now

1875

01:01:27,190 --> 01:01:24,799

so like i said over the next couple of

1876

01:01:27,829 --> 01:01:27,200

years we're seeing a very new heaven and

1877

01:01:31,030 --> 01:01:27,839

earth

1878

01:01:32,870 --> 01:01:31,040

being created well brent i have

1879

01:01:34,549 --> 01:01:32,880

uh one more question i want to ask you

1880

01:01:36,390 --> 01:01:34,559

and then i was thinking about

1881

01:01:38,470 --> 01:01:36,400

first to go into q a would that be all

1882

01:01:41,670 --> 01:01:38,480

right

1883

01:01:42,630 --> 01:01:41,680

okay so um everyone watching you're in

1884

01:01:45,109 --> 01:01:42,640

for a treat

1885

01:01:46,230 --> 01:01:45,119

i talked to brad earlier and uh he's

1886

01:01:50,789 --> 01:01:46,240

going to bring in

1887

01:01:52,710 --> 01:01:50,799

adronis to answer uh questions so

1888

01:01:54,230 --> 01:01:52,720

i want to give you this opportunity if

1889

01:01:55,670 --> 01:01:54,240

you have any questions to please get

1890

01:01:58,950 --> 01:01:55,680

them ready and chat

1891

01:02:01,349 --> 01:01:58,960

um please use the three stars before you

1892

01:02:02,549 --> 01:02:01,359

uh put your question down so that way i

1893

01:02:05,510 --> 01:02:02,559

know it's directed

1894

01:02:07,510 --> 01:02:05,520

uh towards the drone is or if you have a

1895

01:02:09,589 --> 01:02:07,520

question to us brad but uh i would

1896

01:02:11,910 --> 01:02:09,599

recommend to wait uh hold this question

1897

01:02:13,829 --> 01:02:11,920

for for you later

1898

01:02:15,349 --> 01:02:13,839

uh to first kind of any questions that

1899

01:02:20,710 --> 01:02:15,359

they might have for jonas to

1900

01:02:23,190 --> 01:02:20,720

get uh get those out of the way first

1901

01:02:24,230 --> 01:02:23,200

brett i was i was asking you what do you

1902

01:02:26,230 --> 01:02:24,240

yeah what do you do you think

1903

01:02:27,829 --> 01:02:26,240

it would be good to join these questions

1904

01:02:30,470 --> 01:02:27,839

first get that done over with and then

1905

01:02:31,990 --> 01:02:30,480

any questions for you later

1906

01:02:33,990 --> 01:02:32,000

any questions for me later yeah if you

1907

01:02:35,349 --> 01:02:34,000

want to do that um so like i said

1908

01:02:37,510 --> 01:02:35,359

i can probably just bring adronis in for

1909

01:02:37,990 --> 01:02:37,520

a few questions and then i can pop back

1910

01:02:39,430 --> 01:02:38,000

in again

1911

01:02:41,670 --> 01:02:39,440

and if you have questions for me then we

1912

01:02:45,109 --> 01:02:41,680

can do that okay good deal

1913

01:02:47,589 --> 01:02:45,119

all right so uh uh anyway so did all

1914

01:02:48,549 --> 01:02:47,599

uh those who have been here before

1915

01:02:50,630 --> 01:02:48,559

remember

1916

01:02:51,589 --> 01:02:50,640

three stars and then your question in

1917

01:02:53,750 --> 01:02:51,599

the chat

1918

01:02:54,789 --> 01:02:53,760

you can also ask a question directly by

1919

01:02:57,670 --> 01:02:54,799

joining the

1920

01:02:59,630 --> 01:02:57,680

telegram group and we have it going on

1921

01:03:02,230 --> 01:02:59,640

live right now it's actually

1922

01:03:02,789 --> 01:03:02,240

simultaneously streaming to telegram as

1923

01:03:05,430 --> 01:03:02,799

well

1924

01:03:07,349 --> 01:03:05,440

so simply raise your hand and then i

1925

01:03:08,789 --> 01:03:07,359

would know that you want to ask it and

1926

01:03:10,789 --> 01:03:08,799

i'll put you in my queue

1927

01:03:12,870 --> 01:03:10,799

so the question that i wanted to ask you

1928

01:03:15,670 --> 01:03:12,880

brad was regarding this

1929

01:03:16,069 --> 01:03:15,680

this perceived split you know there's

1930

01:03:19,430 --> 01:03:16,079

people

1931

01:03:21,829 --> 01:03:19,440

that are formats and against your

1932

01:03:24,069 --> 01:03:21,839

to you no no no no this is for you this

1933

01:03:24,630 --> 01:03:24,079

is my last question before we go into q

1934

01:03:27,510 --> 01:03:24,640

a

1935

01:03:29,029 --> 01:03:27,520

uh for everyone else um so this

1936

01:03:30,950 --> 01:03:29,039

perceived split that

1937

01:03:32,710 --> 01:03:30,960

that i've been seeing you know mass no

1938

01:03:34,870 --> 01:03:32,720

mass vaccine no vaccine

1939

01:03:36,150 --> 01:03:34,880

you know uh republican democrat this and

1940

01:03:39,270 --> 01:03:36,160

that um

1941

01:03:42,789 --> 01:03:39,280

is this sort of uh the beginning

1942

01:03:44,950 --> 01:03:42,799

to this uh this uh i guess this split

1943

01:03:47,190 --> 01:03:44,960

earth or new earth

1944

01:03:48,710 --> 01:03:47,200

uh beginning of that i know dolores ken

1945

01:03:50,390 --> 01:03:48,720

had talked about that and i've

1946

01:03:52,390 --> 01:03:50,400

heard you talk about it in the past

1947

01:03:54,309 --> 01:03:52,400

before uh can you please speak a little

1948

01:03:55,990 --> 01:03:54,319

bit on that

1949

01:03:57,349 --> 01:03:56,000

yeah that's exactly what's happening is

1950

01:03:59,029 --> 01:03:57,359

we're basically seeing everybody kind of

1951

01:04:00,630 --> 01:03:59,039

going on their own square right so you

1952

01:04:01,990 --> 01:04:00,640

have people who are massacres over here

1953

01:04:02,390 --> 01:04:02,000

you have people who are non-masters over

1954

01:04:06,390 --> 01:04:02,400

here

1955

01:04:08,069 --> 01:04:06,400

have people who are

1956

01:04:09,589 --> 01:04:08,079

in support of tropia people who are

1957

01:04:11,510 --> 01:04:09,599

supportive binding have all these

1958

01:04:12,710 --> 01:04:11,520

different divisions coming together

1959

01:04:15,109 --> 01:04:12,720

and that's basically creating a

1960

01:04:16,710 --> 01:04:15,119

fragmentation right you're looking at

1961

01:04:18,230 --> 01:04:16,720

the earth being split all these

1962

01:04:20,309 --> 01:04:18,240

different ways right and

1963

01:04:22,150 --> 01:04:20,319

it's basically columns we will be able

1964

01:04:23,029 --> 01:04:22,160

to calculate how many squares so to

1965

01:04:24,309 --> 01:04:23,039

speakers are there

1966

01:04:25,589 --> 01:04:24,319

but that's basically what's happening

1967

01:04:26,630 --> 01:04:25,599

it's kind of like everybody's going into

1968

01:04:29,589 --> 01:04:26,640

those tunnels

1969

01:04:30,549 --> 01:04:29,599

about what they believe reality is and

1970

01:04:32,870 --> 01:04:30,559

it's eventually

1971

01:04:34,630 --> 01:04:32,880

leading into a harvest and that harvest

1972

01:04:36,870 --> 01:04:34,640

is basically taking that person

1973

01:04:38,630 --> 01:04:36,880

to the appropriate earth based upon what

1974

01:04:40,230 --> 01:04:38,640

they feel reality is

1975

01:04:42,309 --> 01:04:40,240

so again you're looking at reality

1976

01:04:44,069 --> 01:04:42,319

living at earth basically being split

1977

01:04:45,430 --> 01:04:44,079

many different ways right some people

1978

01:04:46,230 --> 01:04:45,440

say what's their density and a fourth

1979

01:04:47,829 --> 01:04:46,240

density

1980

01:04:49,029 --> 01:04:47,839

you can look at it in that way but

1981

01:04:50,549 --> 01:04:49,039

really what it is it's just that

1982

01:04:51,270 --> 01:04:50,559

everybody's kind of going into their own

1983

01:04:52,470 --> 01:04:51,280

tunnels

1984

01:04:54,549 --> 01:04:52,480

they're looking at their own tenors they

1985

01:04:57,029 --> 01:04:54,559

feel this is what reality represents

1986

01:04:57,910 --> 01:04:57,039

and everybody just splits their own way

1987

01:04:59,750 --> 01:04:57,920

but like i said

1988

01:05:01,829 --> 01:04:59,760

because you're the only one there you're

1989

01:05:03,589 --> 01:05:01,839

never going

1990

01:05:06,230 --> 01:05:03,599

against others right you will always

1991

01:05:08,549 --> 01:05:06,240

have the appropriate representation of

1992

01:05:10,069 --> 01:05:08,559

your reflections with you no matter what

1993

01:05:12,230 --> 01:05:10,079

reality you go into

1994

01:05:13,430 --> 01:05:12,240

right so it'll be a very seamless thing

1995

01:05:14,309 --> 01:05:13,440

it'll be something that you just won't

1996

01:05:17,990 --> 01:05:14,319

even notice

1997

01:05:19,589 --> 01:05:18,000

a big shift we'll notice that how it

1998

01:05:20,470 --> 01:05:19,599

starts to shift we start to see how it

1999

01:05:22,549 --> 01:05:20,480

transforms

2000

01:05:23,990 --> 01:05:22,559

right a person feels that you know

2001
01:05:25,190 --> 01:05:24,000
they're they're not for mass they're not

2002
01:05:26,789 --> 01:05:25,200
for vaccines

2003
01:05:28,309 --> 01:05:26,799
they're not for politics in that sense

2004
01:05:29,829 --> 01:05:28,319
then over time

2005
01:05:31,670 --> 01:05:29,839
they will notice that as they go deeper

2006
01:05:32,950 --> 01:05:31,680
into this tunnel a lot of those things

2007
01:05:36,549 --> 01:05:32,960
just start to fade away

2008
01:05:38,789 --> 01:05:36,559
no longer a part of their reality

2009
01:05:42,390 --> 01:05:38,799
anymore they see the transition of that

2010
01:05:44,870 --> 01:05:42,400
uh phasing out but again to them

2011
01:05:46,470 --> 01:05:44,880
it's a natural thing it's a seamless

2012
01:05:48,549 --> 01:05:46,480
transition that takes place

2013
01:05:50,470 --> 01:05:48,559

that will happen to everybody that again

2014

01:05:53,029 --> 01:05:50,480

is how powerful consciousness is

2015

01:05:55,910 --> 01:05:53,039

we can never see any glitches in

2016

01:05:57,510 --> 01:05:55,920

consciousness we cannot see any glitches

2017

01:05:59,349 --> 01:05:57,520

through this this entire reality that

2018

01:06:01,190 --> 01:05:59,359

we're a part of so yes

2019

01:06:02,470 --> 01:06:01,200

that is exactly what's happening but

2020

01:06:04,789 --> 01:06:02,480

it's going to move into such a very

2021

01:06:06,230 --> 01:06:04,799

seamless transition it'll just feel like

2022

01:06:07,750 --> 01:06:06,240

a very natural journey to you it won't

2023

01:06:08,390 --> 01:06:07,760

be something you say hey wait a minute

2024

01:06:09,670 --> 01:06:08,400

right

2025

01:06:11,750 --> 01:06:09,680

you're you're looking at this and you're

2026
01:06:13,190 --> 01:06:11,760
seeing how this transition is going

2027
01:06:14,870 --> 01:06:13,200
because it's working through your

2028
01:06:17,589 --> 01:06:14,880
consciousness to go that way

2029
01:06:17,990 --> 01:06:17,599
and that's how it will be seamless so

2030
01:06:19,910 --> 01:06:18,000
basically

2031
01:06:21,670 --> 01:06:19,920
then the things aren't in our reality

2032
01:06:22,549 --> 01:06:21,680
anymore we would just kind of remember

2033
01:06:24,549 --> 01:06:22,559
them as

2034
01:06:25,750 --> 01:06:24,559
memories like oh hey i remember how this

2035
01:06:27,670 --> 01:06:25,760
used to be

2036
01:06:28,870 --> 01:06:27,680
hold on if you hold on to those things

2037
01:06:31,670 --> 01:06:28,880
that's what remains

2038
01:06:33,190 --> 01:06:31,680

right so what you resist persists right

2039

01:06:34,309 --> 01:06:33,200

so if you're basically still worrying

2040

01:06:35,990 --> 01:06:34,319

about mass or still

2041

01:06:37,109 --> 01:06:36,000

worrying about vaccines then that's

2042

01:06:38,549 --> 01:06:37,119

still going to be a part of your reality

2043

01:06:40,069 --> 01:06:38,559

that's not going to be taken away from

2044

01:06:42,549 --> 01:06:40,079

you right the universe will

2045

01:06:43,430 --> 01:06:42,559

not take away what you're still holding

2046

01:06:45,510 --> 01:06:43,440

on to

2047

01:06:47,349 --> 01:06:45,520

so again what you still validate through

2048

01:06:48,870 --> 01:06:47,359

your reality whether you think it's

2049

01:06:50,309 --> 01:06:48,880

great or not

2050

01:06:52,230 --> 01:06:50,319

is still going to be a part of your

2051

01:06:54,870 --> 01:06:52,240

reality until you give it up

2052

01:06:56,710 --> 01:06:54,880

so when you give it up that's what again

2053

01:06:57,589 --> 01:06:56,720

is going to lead into this transitional

2054

01:06:59,750 --> 01:06:57,599

phase

2055

01:07:01,349 --> 01:06:59,760

it's like going into a state of beings

2056

01:07:02,230 --> 01:07:01,359

you go into beingness and you realize

2057

01:07:05,270 --> 01:07:02,240

that you are

2058

01:07:06,950 --> 01:07:05,280

not attached to anything

2059

01:07:08,710 --> 01:07:06,960

and you see through transition all of

2060

01:07:11,109 --> 01:07:08,720

this stuff's starting to fade away

2061

01:07:12,789 --> 01:07:11,119

i'm going a little bit deeper into

2062

01:07:14,870 --> 01:07:12,799

self-realization here

2063

01:07:16,470 --> 01:07:14,880

which i know is not really our topic but

2064

01:07:18,150 --> 01:07:16,480

nonetheless that is

2065

01:07:19,510 --> 01:07:18,160

what's taking place whatever you're

2066

01:07:20,710 --> 01:07:19,520

willing to let go of

2067

01:07:23,190 --> 01:07:20,720

that is the very thing that's going to

2068

01:07:26,549 --> 01:07:23,200

transition out of your life

2069

01:07:28,870 --> 01:07:26,559

okay well brad thank you for that so um

2070

01:07:29,589 --> 01:07:28,880

i think we're ready for for q and a with

2071

01:07:32,950 --> 01:07:29,599

the jonas

2072

01:07:34,870 --> 01:07:32,960

so uh please do what you need to do

2073

01:07:36,549 --> 01:07:34,880

okay so it'll just take me a moment to

2074

01:07:38,309 --> 01:07:36,559

connect with adronis now normally

2075

01:07:40,390 --> 01:07:38,319

uh when i channel him you kind of see me

2076

01:07:42,630 --> 01:07:40,400

doing this right where i basically do

2077

01:07:44,230 --> 01:07:42,640

the rotation or the orbiting as i call

2078

01:07:45,670 --> 01:07:44,240

it i'm going to try not to do that this

2079

01:07:46,710 --> 01:07:45,680

time so i can try and stay centered at

2080

01:07:48,630 --> 01:07:46,720

my frame here

2081

01:07:50,309 --> 01:07:48,640

but when he when adronis comes through

2082

01:07:51,430 --> 01:07:50,319

you'll kind of notice a bit of a voice

2083

01:07:52,710 --> 01:07:51,440

change in that way

2084

01:07:54,150 --> 01:07:52,720

and basically what's happening is when

2085

01:07:55,829 --> 01:07:54,160

i'm going into the channeling state my

2086

01:07:56,710 --> 01:07:55,839

soul's not leaving my body i'm not going

2087

01:07:58,309 --> 01:07:56,720

into trance

2088

01:08:00,630 --> 01:07:58,319

okay this is not a trans-channeling

2089

01:08:02,549 --> 01:08:00,640

state this is basically a heightened

2090

01:08:04,069 --> 01:08:02,559

connectivity child state okay so it's

2091

01:08:05,589 --> 01:08:04,079

basically a just channeling state of

2092

01:08:07,750 --> 01:08:05,599

heightened activity

2093

01:08:08,870 --> 01:08:07,760

so like i said back with the the example

2094

01:08:10,390 --> 01:08:08,880

of the radio dial

2095

01:08:12,870 --> 01:08:10,400

i'm just tuning in to a particular

2096

01:08:14,870 --> 01:08:12,880

station that's adress station

2097

01:08:16,550 --> 01:08:14,880

he comes through and i receive his

2098

01:08:18,550 --> 01:08:16,560

transmission and basically

2099

01:08:20,229 --> 01:08:18,560

through the brain and that way it's it's

2100

01:08:21,910 --> 01:08:20,239

getting these heightened connections

2101
01:08:23,910 --> 01:08:21,920
and this information is falling through

2102
01:08:24,789 --> 01:08:23,920
so i'm basically being slightly rewired

2103
01:08:27,269 --> 01:08:24,799
you could say

2104
01:08:28,870 --> 01:08:27,279
to bring in his information but not in a

2105
01:08:30,309 --> 01:08:28,880
trance state it's just a state

2106
01:08:32,550 --> 01:08:30,319
of heightened connection and heightened

2107
01:08:34,390 --> 01:08:32,560
activity so anyways i'll go ahead and

2108
01:08:38,330 --> 01:08:34,400
bring it join us in now and we'll begin

2109
01:08:46,849 --> 01:08:38,340
the q a here we go

2110
01:08:46,859 --> 01:08:50,829
[Music]

2111
01:09:04,829 --> 01:08:53,040
so star

2112
01:09:04,839 --> 01:09:13,400
city

2113
01:09:24,870 --> 01:09:14,250

[Applause]

2114

01:09:28,550 --> 01:09:27,189

we're here at this time we bid your

2115

01:09:29,910 --> 01:09:28,560

greetings and thank you very much for

2116

01:09:30,390 --> 01:09:29,920

the opportunity of this interaction

2117

01:09:32,149 --> 01:09:30,400

today

2118

01:09:34,070 --> 01:09:32,159

i am adronis of serious sending love

2119

01:09:35,030 --> 01:09:34,080

appreciation gratitude to all who are

2120

01:09:37,030 --> 01:09:35,040

tuning in to this

2121

01:09:40,229 --> 01:09:37,040

broadcast through your internet

2122

01:09:42,709 --> 01:09:40,239

collective consciousness we say hello

2123

01:09:44,070 --> 01:09:42,719

how may we assist you today well

2124

01:09:45,510 --> 01:09:44,080

greetings and journalists thank you for

2125

01:09:48,550 --> 01:09:45,520

being here

2126
01:09:49,510 --> 01:09:48,560
so uh the first question comes from fab

2127
01:09:51,910 --> 01:09:49,520
22

2128
01:09:53,990 --> 01:09:51,920
says is there a specific time frame and

2129
01:09:56,550 --> 01:09:54,000
specific group of people

2130
01:09:59,830 --> 01:09:56,560
with which the ets interact and reveal

2131
01:10:04,470 --> 01:10:02,149
well that all depends now again there

2132
01:10:07,270 --> 01:10:04,480
are those who are as you would say

2133
01:10:07,990 --> 01:10:07,280
incarnated as specialists upon the

2134
01:10:09,830 --> 01:10:08,000
planet

2135
01:10:11,910 --> 01:10:09,840
so because a lot of the work that they

2136
01:10:14,149 --> 01:10:11,920
are doing would involve

2137
01:10:15,750 --> 01:10:14,159
more of a closer connection pertaining

2138
01:10:18,709 --> 01:10:15,760

to their stark family

2139

01:10:20,630 --> 01:10:18,719

where they may be much more aware of in

2140

01:10:22,950 --> 01:10:20,640

that sense the mutual compatible

2141

01:10:25,750 --> 01:10:22,960

relationship between the host

2142

01:10:26,149 --> 01:10:25,760

that is incarnated here on the earth and

2143

01:10:32,470 --> 01:10:26,159

the

2144

01:10:34,709 --> 01:10:32,480

as well too maybe not physically but

2145

01:10:36,550 --> 01:10:34,719

astraling and they may actually start to

2146

01:10:37,189 --> 01:10:36,560

walk around and start to talk to a lot

2147

01:10:39,750 --> 01:10:37,199

of their

2148

01:10:42,149 --> 01:10:39,760

star family in that sense through that

2149

01:10:43,990 --> 01:10:42,159

particular transient state of being

2150

01:10:46,149 --> 01:10:44,000

but again it all depends there's really

2151
01:10:46,550 --> 01:10:46,159
no generic groups that we can really

2152
01:10:48,630 --> 01:10:46,560
share

2153
01:10:50,830 --> 01:10:48,640
with you other than those in that sense

2154
01:10:52,550 --> 01:10:50,840
who we can basically specify as

2155
01:10:54,070 --> 01:10:52,560
especially

2156
01:10:55,189 --> 01:10:54,080
but again even specialists have

2157
01:10:56,790 --> 01:10:55,199
different agendas and they have

2158
01:10:59,510 --> 01:10:56,800
different states of awareness

2159
01:11:01,270 --> 01:10:59,520
that would therefore diversify their

2160
01:11:04,070 --> 01:11:01,280
relationship pertaining to

2161
01:11:05,669 --> 01:11:04,080
other star family now again you have to

2162
01:11:08,870 --> 01:11:05,679
understand that it is very much

2163
01:11:13,030 --> 01:11:08,880

quite commonly arranged like this

2164

01:11:16,950 --> 01:11:13,040

let's say for example that you yourself

2165

01:11:19,030 --> 01:11:16,960

once had a body on board a spacecraft

2166

01:11:21,030 --> 01:11:19,040

and let's just call them the pleadians

2167

01:11:21,990 --> 01:11:21,040

because again that's very very popular

2168

01:11:24,070 --> 01:11:22,000

for people

2169

01:11:27,189 --> 01:11:24,080

so that you have this pleiadian body

2170

01:11:30,470 --> 01:11:27,199

here and you're above the earth

2171

01:11:33,669 --> 01:11:30,480

on this beautiful spherical spacecraft

2172

01:11:34,550 --> 01:11:33,679

and you're looking down now you are in

2173

01:11:37,669 --> 01:11:34,560

meditation

2174

01:11:39,110 --> 01:11:37,679

at this time all of a sudden you feel

2175

01:11:40,709 --> 01:11:39,120

the call

2176
01:11:42,470 --> 01:11:40,719
that the earth is calling to you and

2177
01:11:45,510 --> 01:11:42,480
saying we would welcome you

2178
01:11:48,630 --> 01:11:45,520
upon the earth to do this to be

2179
01:11:52,229 --> 01:11:48,640
in favor of this to assist

2180
01:11:55,430 --> 01:11:52,239
with this will you help

2181
01:11:57,990 --> 01:11:55,440
you get up out of meditation you walk

2182
01:12:01,510 --> 01:11:58,000
into the stasis bay

2183
01:12:04,709 --> 01:12:01,520
you open up a pod you go inside

2184
01:12:06,870 --> 01:12:04,719
that pod now closes it now

2185
01:12:09,750 --> 01:12:06,880
fills up with fluids similar to what you

2186
01:12:12,470 --> 01:12:09,760
would know as amniotic fluid

2187
01:12:13,030 --> 01:12:12,480
there is a technological process that

2188
01:12:15,669 --> 01:12:13,040

therefore

2189

01:12:18,390 --> 01:12:15,679

creates sound vibration that as you

2190

01:12:19,510 --> 01:12:18,400

would say disembodies the soul from the

2191

01:12:22,950 --> 01:12:19,520

body

2192

01:12:26,149 --> 01:12:22,960

that soul now goes onto the earth

2193

01:12:26,870 --> 01:12:26,159

and now appropriately incarnates into

2194

01:12:29,510 --> 01:12:26,880

the womb

2195

01:12:29,990 --> 01:12:29,520

of the mother of the child that is now

2196

01:12:32,709 --> 01:12:30,000

born

2197

01:12:35,350 --> 01:12:32,719

upon the planet and is now going to

2198

01:12:38,950 --> 01:12:35,360

carry out the task that they have agreed

2199

01:12:41,030 --> 01:12:38,960

to volunteer for and now they

2200

01:12:44,790 --> 01:12:41,040

in their later point of life as a human

2201
01:12:48,550 --> 01:12:44,800
being are in a hypnotic session

2202
01:12:49,750 --> 01:12:48,560
and now the speaker is talking to this

2203
01:12:51,910 --> 01:12:49,760
person

2204
01:12:54,229 --> 01:12:51,920
and saying what made you want to come to

2205
01:12:57,430 --> 01:12:54,239
earth and now they flash back

2206
01:12:58,229 --> 01:12:57,440
back to that moment the earth called to

2207
01:13:01,669 --> 01:12:58,239
me

2208
01:13:04,390 --> 01:13:01,679
this task

2209
01:13:05,030 --> 01:13:04,400
and i agreed you didn't give it a second

2210
01:13:09,669 --> 01:13:05,040
thought

2211
01:13:10,310 --> 01:13:09,679
not one bit i went right into the stasis

2212
01:13:13,750 --> 01:13:10,320
pod

2213
01:13:16,390 --> 01:13:13,760

my physical pleiadian body

2214

01:13:17,590 --> 01:13:16,400

is in suspended animation and i have

2215

01:13:21,030 --> 01:13:17,600

incarnated here

2216

01:13:24,630 --> 01:13:21,040

in this body to perform this mission

2217

01:13:27,270 --> 01:13:24,640

that is what i'm here to do so

2218

01:13:28,870 --> 01:13:27,280

that is giving you just an idea one

2219

01:13:31,430 --> 01:13:28,880

example

2220

01:13:32,310 --> 01:13:31,440

of why many of you have come down to

2221

01:13:35,910 --> 01:13:32,320

assist

2222

01:13:39,189 --> 01:13:35,920

to incarnate here i heard the call

2223

01:13:42,790 --> 01:13:39,199

that the earth was giving to me and

2224

01:13:46,229 --> 01:13:42,800

through my dedication of service

2225

01:13:48,630 --> 01:13:46,239

i went and i incarnated

2226

01:13:50,310 --> 01:13:48,640

and i came onto this world and i

2227

01:13:53,990 --> 01:13:50,320

incarnated into this body

2228

01:13:56,790 --> 01:13:54,000

and i'm now fulfilling my tasks yeah

2229

01:13:58,229 --> 01:13:56,800

that one may be aware that their star

2230

01:14:00,149 --> 01:13:58,239

family is watching over them

2231

01:14:01,590 --> 01:14:00,159

or they may not be aware nonetheless but

2232

01:14:04,870 --> 01:14:01,600

they're being guided

2233

01:14:06,630 --> 01:14:04,880

internally so again as we stated it

2234

01:14:08,870 --> 01:14:06,640

varies to person to person

2235

01:14:09,669 --> 01:14:08,880

from what we would term as a specialist

2236

01:14:12,070 --> 01:14:09,679

all right

2237

01:14:12,870 --> 01:14:12,080

we thank you for your question thank you

2238

01:14:15,750 --> 01:14:12,880

for that

2239

01:14:16,149 --> 01:14:15,760

um robert on telegram you are unmuted

2240

01:14:25,990 --> 01:14:16,159

please

2241

01:14:29,350 --> 01:14:27,430

okay maybe we're going to have to wait

2242

01:14:30,630 --> 01:14:29,360

till till later so we're going to switch

2243

01:14:33,510 --> 01:14:30,640

back over to

2244

01:14:34,550 --> 01:14:33,520

to the chat um val is asking when did

2245

01:14:37,510 --> 01:14:34,560

the elongated

2246

01:14:38,310 --> 01:14:37,520

elongated skull beings come to peru

2247

01:14:42,229 --> 01:14:38,320

egypt

2248

01:14:44,550 --> 01:14:42,239

and the black sea why did they leave us

2249

01:14:46,229 --> 01:14:44,560

well understand that the group that you

2250

01:14:48,310 --> 01:14:46,239

speak of holds what you would know as

2251

01:14:50,070 --> 01:14:48,320

anunnaki connections

2252

01:14:52,149 --> 01:14:50,080

so when you're looking at the elongated

2253

01:14:52,709 --> 01:14:52,159

skulls in that sense you can refer to as

2254

01:14:55,270 --> 01:14:52,719

the

2255

01:14:57,030 --> 01:14:55,280

long-headed beings particularly from

2256

01:14:59,350 --> 01:14:57,040

that of capella

2257

01:15:00,310 --> 01:14:59,360

they again represented that of annunaki

2258

01:15:02,790 --> 01:15:00,320

connections

2259

01:15:03,750 --> 01:15:02,800

they fulfilled their tasks now some of

2260

01:15:05,750 --> 01:15:03,760

them that sense

2261

01:15:07,830 --> 01:15:05,760

went off into performing their own

2262

01:15:10,070 --> 01:15:07,840

particular states of agendas

2263

01:15:12,550 --> 01:15:10,080

and what you're seeing there is the

2264

01:15:15,430 --> 01:15:12,560

result of cataclysms that took place

2265

01:15:17,030 --> 01:15:15,440

at that time so there are diverse groups

2266

01:15:19,669 --> 01:15:17,040

there are groups in that sense

2267

01:15:22,830 --> 01:15:19,679

that know that they were here to again

2268

01:15:25,830 --> 01:15:22,840

teach something to humanity educate

2269

01:15:26,550 --> 01:15:25,840

something conclude that task and then

2270

01:15:28,630 --> 01:15:26,560

leave

2271

01:15:29,669 --> 01:15:28,640

returning back into their vessels and

2272

01:15:31,750 --> 01:15:29,679

leaving the earth

2273

01:15:33,590 --> 01:15:31,760

there are those who are left behind

2274

01:15:35,510 --> 01:15:33,600

because some of them in that sense

2275

01:15:37,270 --> 01:15:35,520

pertain to again agendas that may have

2276

01:15:38,630 --> 01:15:37,280

not have been in humanity's favor

2277

01:15:40,709 --> 01:15:38,640

they wanted to work much more with

2278

01:15:42,149 --> 01:15:40,719

genetic manipulation

2279

01:15:44,070 --> 01:15:42,159

they wanted to work much more deeper

2280

01:15:45,910 --> 01:15:44,080

with the earth they wanted to fulfill

2281

01:15:48,070 --> 01:15:45,920

their own agendas and that is not what

2282

01:15:48,630 --> 01:15:48,080

they signed up that was not really their

2283

01:15:50,470 --> 01:15:48,640

intention

2284

01:15:51,669 --> 01:15:50,480

of signing up here for earth and to

2285

01:15:54,709 --> 01:15:51,679

assist humanity

2286

01:15:55,750 --> 01:15:54,719

so over time as they remained cataclysms

2287

01:15:58,790 --> 01:15:55,760

took place

2288

01:16:00,470 --> 01:15:58,800

and basically wiped them out

2289

01:16:02,229 --> 01:16:00,480

and so many of them in that sense would

2290

01:16:03,030 --> 01:16:02,239

be what you would term as ones who are

2291

01:16:06,229 --> 01:16:03,040

trying to

2292

01:16:08,550 --> 01:16:06,239

pose themselves off as gods so that

2293

01:16:11,430 --> 01:16:08,560

humanity would worship them

2294

01:16:12,870 --> 01:16:11,440

so again not all of the elongated beings

2295

01:16:15,590 --> 01:16:12,880

elongated head beings

2296

01:16:17,030 --> 01:16:15,600

from capella were like that but just the

2297

01:16:19,590 --> 01:16:17,040

ones that remained

2298

01:16:21,430 --> 01:16:19,600

and again they were being treated as a

2299

01:16:23,669 --> 01:16:21,440

royalty they were being treated as

2300

01:16:25,110 --> 01:16:23,679

gods and again this would lead to the

2301

01:16:26,310 --> 01:16:25,120

idea of mistreatment with a great deal

2302

01:16:28,070 --> 01:16:26,320

of human beings

2303

01:16:30,310 --> 01:16:28,080

because again many of these beings would

2304

01:16:31,270 --> 01:16:30,320

try to use serp a great deal of

2305

01:16:33,430 --> 01:16:31,280

resources

2306

01:16:35,110 --> 01:16:33,440

that did not belong to them nor again

2307

01:16:37,350 --> 01:16:35,120

was that part of any agenda

2308

01:16:38,790 --> 01:16:37,360

so therefore cataclysms took place upon

2309

01:16:39,830 --> 01:16:38,800

the earth from what you would know as

2310

01:16:42,390 --> 01:16:39,840

nonsense as

2311

01:16:43,990 --> 01:16:42,400

great weather conditions or great floods

2312

01:16:45,990 --> 01:16:44,000

in that particular way

2313

01:16:48,149 --> 01:16:46,000

it could also represent the idea of

2314

01:16:50,070 --> 01:16:48,159

instant ice agents or the idea of cold

2315

01:16:51,830 --> 01:16:50,080

fusion technology

2316

01:16:53,510 --> 01:16:51,840

that can also take place just depending

2317

01:16:55,110 --> 01:16:53,520

upon whereabouts on the planet but in

2318

01:16:57,030 --> 01:16:55,120

regards to the nature of peru a lot of

2319

01:16:57,910 --> 01:16:57,040

this had to do with significant weather

2320

01:17:00,229 --> 01:16:57,920

changes

2321

01:17:01,350 --> 01:17:00,239

and again this is what led to the idea

2322

01:17:03,510 --> 01:17:01,360

of some of them

2323

01:17:05,030 --> 01:17:03,520

actually remaining upon the planet as

2324

01:17:07,590 --> 01:17:05,040

fossilized beings

2325

01:17:08,950 --> 01:17:07,600

because again they were the remnants of

2326

01:17:11,350 --> 01:17:08,960

those that had

2327

01:17:12,390 --> 01:17:11,360

different agendas that were not in favor

2328

01:17:16,870 --> 01:17:12,400

of humanity

2329

01:17:19,590 --> 01:17:16,880

of the earth or cosmic administration

2330

01:17:20,149 --> 01:17:19,600

thank you uh the next question is from

2331

01:17:23,430 --> 01:17:20,159

paul

2332

01:17:26,310 --> 01:17:23,440

asking what were those knobs on ancient

2333

01:17:29,189 --> 01:17:26,320

megaliths walls around the planet what

2334

01:17:30,550 --> 01:17:29,199

was their function

2335

01:17:32,790 --> 01:17:30,560

ancient walls you would have to be more

2336

01:17:35,830 --> 01:17:32,800

specific

2337

01:17:37,510 --> 01:17:35,840

um unfortunately i can't uh give you any

2338

01:17:39,830 --> 01:17:37,520

more information just their questions so

2339

01:17:41,430 --> 01:17:39,840

we're going to move on to that

2340

01:17:42,830 --> 01:17:41,440

certain knobs in that sense would

2341

01:17:45,110 --> 01:17:42,840

actually represent the degrees of

2342

01:17:46,470 --> 01:17:45,120

footholds so that the walls itself could

2343

01:17:47,910 --> 01:17:46,480

be climbed so that the idea of a

2344

01:17:50,070 --> 01:17:47,920

construct could be built

2345

01:17:51,990 --> 01:17:50,080

that's quite the common usage pertaining

2346

01:17:52,630 --> 01:17:52,000

to such knobs but basically in that

2347

01:17:55,189 --> 01:17:52,640

sense they are

2348

01:17:55,669 --> 01:17:55,199

outlets or again they are footholds so

2349

01:17:57,590 --> 01:17:55,679

that the

2350

01:17:59,030 --> 01:17:57,600

bricks themselves or the large blocks

2351

01:18:00,630 --> 01:17:59,040

and cells could be climbed

2352

01:18:02,149 --> 01:18:00,640

and therefore working together in

2353

01:18:04,550 --> 01:18:02,159

regards to certain construction

2354

01:18:06,149 --> 01:18:04,560

fashions to further fashion the wall

2355

01:18:08,470 --> 01:18:06,159

that's one example of what they can

2356

01:18:11,590 --> 01:18:08,480

represent

2357

01:18:13,910 --> 01:18:11,600

thank you for that um guy c7 is

2358

01:18:14,870 --> 01:18:13,920

asking why do people feel the need to

2359

01:18:16,870 --> 01:18:14,880

judge others

2360

01:18:19,030 --> 01:18:16,880

how can we lessen our judgment of

2361

01:18:21,189 --> 01:18:19,040

ourselves and others

2362

01:18:22,149 --> 01:18:21,199

because they do not see themselves they

2363

01:18:25,430 --> 01:18:22,159

simply see

2364

01:18:27,990 --> 01:18:25,440
separation they see individuality

2365

01:18:30,149 --> 01:18:28,000
they see another person who they feel is

2366

01:18:31,990 --> 01:18:30,159
in no way an association with them

2367

01:18:33,669 --> 01:18:32,000
it is basically as you would say blinded

2368

01:18:35,990 --> 01:18:33,679
by ignorance

2369

01:18:37,910 --> 01:18:36,000
so the whole idea here is really that

2370

01:18:41,030 --> 01:18:37,920
you are not responsible

2371

01:18:43,189 --> 01:18:41,040
for how another person sees you you are

2372

01:18:44,070 --> 01:18:43,199
not responsible for how they perceive

2373

01:18:49,830 --> 01:18:44,080
you

2374

01:18:51,430 --> 01:18:49,840
so they again represent a good example

2375

01:18:52,390 --> 01:18:51,440
of saying that if i'm seeing someone

2376

01:18:54,550 --> 01:18:52,400

that is judging

2377

01:18:55,990 --> 01:18:54,560

quite often because they see everybody

2378

01:18:57,910 --> 01:18:56,000

in separation

2379

01:18:59,750 --> 01:18:57,920

then again all i really need to do is

2380

01:19:01,270 --> 01:18:59,760

exercise that compassion

2381

01:19:03,669 --> 01:19:01,280

i'm just going to give compassion to the

2382

01:19:05,910 --> 01:19:03,679

entire situation i'm going to go into

2383

01:19:09,110 --> 01:19:05,920

this state of stillness

2384

01:19:10,709 --> 01:19:09,120

i'm going to feel free unbounded by the

2385

01:19:13,430 --> 01:19:10,719

entire situation

2386

01:19:14,870 --> 01:19:13,440

and let it be what it is and that's how

2387

01:19:17,189 --> 01:19:14,880

you set yourself free

2388

01:19:18,390 --> 01:19:17,199

so you're putting all that yes love

2389

01:19:21,510 --> 01:19:18,400

compassion

2390

01:19:22,070 --> 01:19:21,520

joy and harmony together towards that

2391

01:19:23,510 --> 01:19:22,080

situation

2392

01:19:25,990 --> 01:19:23,520

but really what you're doing is you're

2393

01:19:28,790 --> 01:19:26,000

just going into the state of center

2394

01:19:29,430 --> 01:19:28,800

you're going into your beingness and

2395

01:19:32,709 --> 01:19:29,440

through there

2396

01:19:34,830 --> 01:19:32,719

all there is is quiet

2397

01:19:36,950 --> 01:19:34,840

through there all there is is peace and

2398

01:19:38,390 --> 01:19:36,960

happiness and changelessness

2399

01:19:40,870 --> 01:19:38,400

therefore as you go there you are no

2400

01:19:42,310 --> 01:19:40,880

longer attached to any situation that

2401

01:19:45,750 --> 01:19:42,320

would represent them

2402

01:19:48,870 --> 01:19:45,760

you see one who is very very upset

2403

01:19:50,310 --> 01:19:48,880

at another person when you view that and

2404

01:19:52,790 --> 01:19:50,320

you react

2405

01:19:54,070 --> 01:19:52,800

you're in this similar reality to that

2406

01:19:56,310 --> 01:19:54,080

person

2407

01:19:57,270 --> 01:19:56,320

regarding that other who they have a

2408

01:19:58,550 --> 01:19:57,280

problem with

2409

01:20:00,070 --> 01:19:58,560

because you're still seeing an

2410

01:20:01,430 --> 01:20:00,080

involvement there you're still seeing an

2411

01:20:03,110 --> 01:20:01,440

attachment there

2412

01:20:05,030 --> 01:20:03,120

so therefore you're involved with that

2413

01:20:07,110 --> 01:20:05,040

same illusion it's again

2414

01:20:08,870 --> 01:20:07,120

just as we stated you go into your

2415

01:20:10,310 --> 01:20:08,880

stillness you go into your happiness you

2416

01:20:12,229 --> 01:20:10,320

go into your center

2417

01:20:13,510 --> 01:20:12,239

you realize all this is happening

2418

01:20:15,590 --> 01:20:13,520

through you

2419

01:20:17,110 --> 01:20:15,600

you realize that you are pure

2420

01:20:19,189 --> 01:20:17,120

consciousness

2421

01:20:20,709 --> 01:20:19,199

and you go into that stillness and now

2422

01:20:24,149 --> 01:20:20,719

everything melts away

2423

01:20:26,390 --> 01:20:24,159

and you let it be as it is

2424

01:20:27,189 --> 01:20:26,400

so that is in that sense tranquilizing

2425

01:20:30,790 --> 01:20:27,199

the entire

2426

01:20:33,030 --> 01:20:30,800

experience of mind

2427

01:20:33,830 --> 01:20:33,040

and therefore relaxing your being to the

2428

01:20:35,669 --> 01:20:33,840

point

2429

01:20:37,110 --> 01:20:35,679

where you are no longer affected you are

2430

01:20:39,669 --> 01:20:37,120

immune you are

2431

01:20:40,390 --> 01:20:39,679

imperturbable relating to that situation

2432

01:20:42,629 --> 01:20:40,400

all in all

2433

01:20:43,430 --> 01:20:42,639

and that's you being the example of one

2434

01:20:46,709 --> 01:20:43,440

who has

2435

01:20:47,669 --> 01:20:46,719

transcended it all right thank you for

2436

01:20:50,709 --> 01:20:47,679

that

2437

01:20:53,350 --> 01:20:50,719

um robert lempke

2438

01:20:54,310 --> 01:20:53,360

uh is asking i've had some contact with

2439

01:20:57,750 --> 01:20:54,320

some

2440

01:21:00,229 --> 01:20:57,760

ce6 and possibly ce5

2441

01:21:02,229 --> 01:21:00,239

and would you be able to tell me who my

2442

01:21:03,590 --> 01:21:02,239

star family is

2443

01:21:05,030 --> 01:21:03,600

we would not that would need to be

2444

01:21:06,470 --> 01:21:05,040

something that you would need to explore

2445

01:21:07,270 --> 01:21:06,480

within yourself because you have to

2446

01:21:09,110 --> 01:21:07,280

understand

2447

01:21:11,110 --> 01:21:09,120

that your star family is not just

2448

01:21:12,470 --> 01:21:11,120

representing one particular civilization

2449

01:21:14,870 --> 01:21:12,480

you have to understand

2450

01:21:15,669 --> 01:21:14,880

that you as pure consciousness

2451

01:21:18,870 --> 01:21:15,679

represents

2452

01:21:20,709 --> 01:21:18,880

all life now if you really want to know

2453

01:21:22,390 --> 01:21:20,719

more about that particular group

2454

01:21:23,830 --> 01:21:22,400

we're not the one that's connecting to

2455

01:21:26,390 --> 01:21:23,840

that group for you

2456

01:21:28,229 --> 01:21:26,400

because we're not involved with that so

2457

01:21:29,830 --> 01:21:28,239

you would need to look into that

2458

01:21:31,510 --> 01:21:29,840

if you decide that you want to know this

2459

01:21:33,030 --> 01:21:31,520

particular civilization that you feel

2460

01:21:34,790 --> 01:21:33,040

connected with

2461

01:21:37,590 --> 01:21:34,800

then we would suggest you go back into

2462

01:21:38,950 --> 01:21:37,600

that moment and you meditate on what you

2463

01:21:41,510 --> 01:21:38,960

experienced

2464

01:21:42,790 --> 01:21:41,520

and it's like you're stepping outside of

2465

01:21:45,110 --> 01:21:42,800

what you have seen

2466

01:21:47,030 --> 01:21:45,120

and now you're going deeper you're going

2467

01:21:48,390 --> 01:21:47,040

deeper into that craft

2468

01:21:51,030 --> 01:21:48,400

you're going deeper into those

2469

01:21:51,910 --> 01:21:51,040

experiences and now you're simply posing

2470

01:21:55,030 --> 01:21:51,920

the question

2471

01:21:55,990 --> 01:21:55,040

what civilization would that spacecraft

2472

01:21:59,110 --> 01:21:56,000

be there

2473

01:22:00,550 --> 01:21:59,120

and the answer may be who told you that

2474

01:22:03,830 --> 01:22:00,560

it was a civilization

2475

01:22:06,070 --> 01:22:03,840

involved and again that's something that

2476
01:22:08,709 --> 01:22:06,080
you have to look at as well too because

2477
01:22:09,990 --> 01:22:08,719
many of the sightings that you see may

2478
01:22:12,950 --> 01:22:10,000
not even represent

2479
01:22:14,950 --> 01:22:12,960
a civilization you are again looking at

2480
01:22:17,510 --> 01:22:14,960
a type of consciousness

2481
01:22:19,270 --> 01:22:17,520
a type of energy that you're not able to

2482
01:22:21,350 --> 01:22:19,280
label

2483
01:22:23,430 --> 01:22:21,360
you're simply looking more so at a

2484
01:22:26,470 --> 01:22:23,440
mirror reflection to you

2485
01:22:30,070 --> 01:22:26,480
that it's just you upon that ship

2486
01:22:33,270 --> 01:22:30,080
it's just you as that ball of light

2487
01:22:36,310 --> 01:22:33,280
it's just you as that plasma it's just

2488
01:22:39,030 --> 01:22:36,320

you as that pure state of energy

2489

01:22:40,950 --> 01:22:39,040

so again this is why we say if you're

2490

01:22:42,470 --> 01:22:40,960

just looking at it in one mindedness to

2491

01:22:43,510 --> 01:22:42,480

feel like it has to be some type of

2492

01:22:45,990 --> 01:22:43,520

civilization

2493

01:22:49,189 --> 01:22:46,000

you're you're missing the points

2494

01:22:52,870 --> 01:22:49,199

basically what you could say instead is

2495

01:22:57,270 --> 01:22:52,880

what is your relationship to me

2496

01:22:59,750 --> 01:22:57,280

you state that

2497

01:23:00,709 --> 01:22:59,760

this is what's going to bring you into a

2498

01:23:03,750 --> 01:23:00,719

greater state of

2499

01:23:07,350 --> 01:23:03,760

profoundness so dwell on that

2500

01:23:10,390 --> 01:23:07,360

all right we think thank you for that

2501

01:23:13,750 --> 01:23:10,400

um uh clark thompson's is asking

2502

01:23:14,470 --> 01:23:13,760

what are lumeria and atlantis years of

2503

01:23:18,830 --> 01:23:14,480

beginning

2504

01:23:20,709 --> 01:23:18,840

and ending of civilizations in bc

2505

01:23:22,470 --> 01:23:20,719

years

2506

01:23:24,550 --> 01:23:22,480

well again if you're looking at atlantis

2507

01:23:25,990 --> 01:23:24,560

we do not have the exact dates for you

2508

01:23:27,830 --> 01:23:26,000

but if you're looking into the idea of

2509

01:23:28,629 --> 01:23:27,840

atlantis this was approximately between

2510

01:23:31,590 --> 01:23:28,639

12

2511

01:23:32,229 --> 01:23:31,600

500 to 14 000 years ago to around the

2512

01:23:35,590 --> 01:23:32,239

end of its

2513

01:23:37,990 --> 01:23:35,600

last age leading into its decline

2514

01:23:39,830 --> 01:23:38,000

when you're looking into lemuria lemuria

2515

01:23:41,910 --> 01:23:39,840

in that sense to a degree

2516

01:23:43,430 --> 01:23:41,920

still coexisted along with atlantis it

2517

01:23:45,189 --> 01:23:43,440

was not the end of the lemurian

2518

01:23:45,669 --> 01:23:45,199

civilization when atlantis was coming

2519

01:23:47,910 --> 01:23:45,679

through

2520

01:23:50,310 --> 01:23:47,920

but there is a greater declining of

2521

01:23:52,070 --> 01:23:50,320

lemurian civilization at that time

2522

01:23:54,229 --> 01:23:52,080

but again you would understand that the

2523

01:23:56,790 --> 01:23:54,239

birth time to where

2524

01:24:00,550 --> 01:23:56,800

lemuria itself happened would go well

2525

01:24:03,990 --> 01:24:00,560

over 150 000 years of your past

2526

01:24:07,189 --> 01:24:04,000

all right great thank you um

2527

01:24:07,830 --> 01:24:07,199

claudine g is asking how do we recognize

2528

01:24:11,110 --> 01:24:07,840

hybrids

2529

01:24:13,910 --> 01:24:11,120

that are walking among us on earth

2530

01:24:14,709 --> 01:24:13,920

some of you cannot you have to feel it

2531

01:24:16,550 --> 01:24:14,719

out in that way

2532

01:24:18,149 --> 01:24:16,560

and you're not gonna go to every single

2533

01:24:20,070 --> 01:24:18,159

person and say are you a hybrid are you

2534

01:24:22,709 --> 01:24:20,080

a hybrid are you a hybrid

2535

01:24:23,590 --> 01:24:22,719

some of you will not know because again

2536

01:24:25,750 --> 01:24:23,600

it depends

2537

01:24:27,430 --> 01:24:25,760

really about where you are on the planet

2538

01:24:28,470 --> 01:24:27,440

and it depends in regards to what you're

2539

01:24:30,149 --> 01:24:28,480

here to do

2540

01:24:31,669 --> 01:24:30,159

some of you will not discover it and

2541

01:24:33,750 --> 01:24:31,679

that's the point

2542

01:24:36,149 --> 01:24:33,760

they are not here to shout from the

2543

01:24:38,870 --> 01:24:36,159

rooftops to say oh by the way

2544

01:24:41,189 --> 01:24:38,880

i'm an incognito extraterrestrial or by

2545

01:24:43,270 --> 01:24:41,199

the way on a hybrid in that sense

2546

01:24:45,189 --> 01:24:43,280

some of you can tell because you have

2547

01:24:48,070 --> 01:24:45,199

that natural ability within yourself

2548

01:24:48,550 --> 01:24:48,080

you're looking through the heart you're

2549

01:24:51,350 --> 01:24:48,560

not

2550

01:24:52,390 --> 01:24:51,360

looking to the outside if you are

2551

01:24:55,350 --> 01:24:52,400

constantly looking

2552

01:24:56,790 --> 01:24:55,360

outside of reality you are going into a

2553

01:25:00,149 --> 01:24:56,800

weakening

2554

01:25:03,270 --> 01:25:00,159

if you truly want to know how you see

2555

01:25:06,070 --> 01:25:03,280

a reflection of yourself it comes right

2556

01:25:07,669 --> 01:25:06,080

here it is the ability for you to

2557

01:25:09,750 --> 01:25:07,679

develop your heart

2558

01:25:11,110 --> 01:25:09,760

it is the ability for you to clean your

2559

01:25:13,669 --> 01:25:11,120

heart

2560

01:25:15,510 --> 01:25:13,679

it is the ability for letting the light

2561

01:25:19,270 --> 01:25:15,520

shine through the heart

2562

01:25:21,669 --> 01:25:19,280

and therefore connect with another heart

2563

01:25:23,350 --> 01:25:21,679

and for those of you who again are

2564

01:25:25,750 --> 01:25:23,360

working upon yourselves

2565

01:25:26,550 --> 01:25:25,760

you're doing your inner work you're

2566

01:25:29,830 --> 01:25:26,560

clearing out

2567

01:25:32,629 --> 01:25:29,840

all conflicts you're again neutralizing

2568

01:25:35,910 --> 01:25:32,639

yourself just as we spoke earlier

2569

01:25:37,030 --> 01:25:35,920

your heart becomes clean as you have a

2570

01:25:39,270 --> 01:25:37,040

clean heart

2571

01:25:41,510 --> 01:25:39,280

you are being told things that you're

2572

01:25:43,830 --> 01:25:41,520

not even looking for

2573

01:25:46,229 --> 01:25:43,840

because again your heart is the true

2574

01:25:49,430 --> 01:25:46,239

mind it is the true intelligence

2575

01:25:51,510 --> 01:25:49,440

it is that which leads to god so if you

2576

01:25:54,470 --> 01:25:51,520

truly want to understand

2577

01:25:56,070 --> 01:25:54,480

who you really are the heart is the

2578

01:25:59,030 --> 01:25:56,080

place to start

2579

01:26:01,510 --> 01:25:59,040

all right thank you join us would it be

2580

01:26:03,270 --> 01:26:01,520

all right to ask few more questions

2581

01:26:04,870 --> 01:26:03,280

we can take three more questions before

2582

01:26:06,229 --> 01:26:04,880

we conclude okay

2583

01:26:07,990 --> 01:26:06,239

and just real quick for everyone

2584

01:26:10,149 --> 01:26:08,000

watching if you are on telegram

2585

01:26:11,750 --> 01:26:10,159

please make sure you raise your hand by

2586

01:26:12,870 --> 01:26:11,760

tapping that button so i know you

2587

01:26:14,550 --> 01:26:12,880

actually want to

2588

01:26:17,030 --> 01:26:14,560

ask it otherwise i'm just going to go

2589

01:26:20,629 --> 01:26:17,040

down the list in chat

2590

01:26:21,990 --> 01:26:20,639

so uh donna evans is asking who built

2591

01:26:25,270 --> 01:26:22,000

the temple of

2592

01:26:28,470 --> 01:26:25,280

puma punku how old is it and

2593

01:26:29,669 --> 01:26:28,480

what we would see down beneath to the

2594

01:26:33,350 --> 01:26:29,679

temple chambers

2595

01:26:35,189 --> 01:26:33,360

underground puma poncu humanity was

2596

01:26:35,990 --> 01:26:35,199

responsible for the development of such

2597

01:26:38,070 --> 01:26:36,000

a temple

2598

01:26:40,709 --> 01:26:38,080

and it goes back past the time of what

2599

01:26:42,470 --> 01:26:40,719

you would know as 15 000 years

2600

01:26:44,149 --> 01:26:42,480

and the idea of secret vaults what we

2601
01:26:45,189 --> 01:26:44,159
really cannot tell you because those are

2602
01:26:49,110 --> 01:26:45,199
seen as sacred

2603
01:26:52,870 --> 01:26:51,189
thank you your ancient ancestors in that

2604
01:26:53,669 --> 01:26:52,880
sense that still hold a lot of that in

2605
01:26:55,510 --> 01:26:53,679
secrecy

2606
01:26:56,950 --> 01:26:55,520
and it is not time for humanity to know

2607
01:26:58,870 --> 01:26:56,960
that in public

2608
01:27:00,629 --> 01:26:58,880
that will come appropriately through an

2609
01:27:01,669 --> 01:27:00,639
appropriate ambassador that will show

2610
01:27:05,350 --> 01:27:01,679
themselves

2611
01:27:09,350 --> 01:27:05,360
in time all right thank you

2612
01:27:11,510 --> 01:27:09,360
uh the next question is from carter

2613
01:27:12,709 --> 01:27:11,520

uh i'm sorry i can't pronounce the last

2614

01:27:14,950 --> 01:27:12,719

name but from carter

2615

01:27:15,830 --> 01:27:14,960

asking are we going to see the financial

2616

01:27:18,149 --> 01:27:15,840

system shift

2617

01:27:19,430 --> 01:27:18,159

soon and what will the step towards

2618

01:27:22,310 --> 01:27:19,440

global financial

2619

01:27:24,870 --> 01:27:22,320

liberation look like well there really

2620

01:27:27,750 --> 01:27:24,880

is no such thing as financial liberation

2621

01:27:28,550 --> 01:27:27,760

because that's a system you cannot have

2622

01:27:31,189 --> 01:27:28,560

liberation

2623

01:27:32,470 --> 01:27:31,199

through a system you're having changes

2624

01:27:34,390 --> 01:27:32,480

through a system

2625

01:27:36,390 --> 01:27:34,400

and all it really is doing is that it's

2626

01:27:38,870 --> 01:27:36,400

a step up from that

2627

01:27:40,229 --> 01:27:38,880

now that has already taken place the

2628

01:27:41,669 --> 01:27:40,239

idea of a transformation of the

2629

01:27:43,910 --> 01:27:41,679

financial system

2630

01:27:45,030 --> 01:27:43,920

a lot of it is happening quietly behind

2631

01:27:46,390 --> 01:27:45,040

the scenes

2632

01:27:48,149 --> 01:27:46,400

so basically you will notice that a lot

2633

01:27:49,030 --> 01:27:48,159

of your fiat currency that may be here

2634

01:27:50,550 --> 01:27:49,040

on the surface

2635

01:27:53,270 --> 01:27:50,560

there's a lot more that's happening

2636

01:27:54,629 --> 01:27:53,280

underground or beneath it or beyond it

2637

01:27:55,910 --> 01:27:54,639

in that particular way

2638

01:27:57,990 --> 01:27:55,920

some of this will lead to what you would

2639

01:27:59,709 --> 01:27:58,000

know as digital currency some of this

2640

01:28:02,390 --> 01:27:59,719

may also lead to reserve

2641

01:28:04,070 --> 01:28:02,400

resource-backed currency similar to what

2642

01:28:06,310 --> 01:28:04,080

you would know as precious ores

2643

01:28:08,229 --> 01:28:06,320

that could function as legal tender so a

2644

01:28:09,189 --> 01:28:08,239

lot of that is being worked out behind

2645

01:28:11,430 --> 01:28:09,199

the scenes

2646

01:28:13,510 --> 01:28:11,440

but on the surface here it does appear

2647

01:28:15,030 --> 01:28:13,520

like fiat currency is still happening

2648

01:28:16,790 --> 01:28:15,040

but again that is on the verge of

2649

01:28:18,390 --> 01:28:16,800

breaking down imploding

2650

01:28:20,390 --> 01:28:18,400

we have often stated that within the

2651
01:28:22,229 --> 01:28:20,400
next couple of years you will notice

2652
01:28:23,270 --> 01:28:22,239
much greater implosion pertaining to

2653
01:28:25,350 --> 01:28:23,280
fiat currency

2654
01:28:26,550 --> 01:28:25,360
and a lot more reliance pertaining to

2655
01:28:28,149 --> 01:28:26,560
digital currency

2656
01:28:30,390 --> 01:28:28,159
and as well as in that sense backed

2657
01:28:32,950 --> 01:28:30,400
currency through resources

2658
01:28:35,830 --> 01:28:32,960
in time and then within the next couple

2659
01:28:39,189 --> 01:28:37,830
all right thank you and then the last

2660
01:28:42,629 --> 01:28:39,199
question then from

2661
01:28:45,750 --> 01:28:42,639
uh wend 55 wc

2662
01:28:47,830 --> 01:28:45,760
saying a jonas high wind here

2663
01:28:49,350 --> 01:28:47,840

will solar flash be in the next few

2664

01:28:52,790 --> 01:28:49,360

months or before

2665

01:28:56,229 --> 01:28:55,270

all right you firstly have to understand

2666

01:29:00,310 --> 01:28:56,239

what

2667

01:29:03,110 --> 01:29:00,320

the sun is because

2668

01:29:05,030 --> 01:29:03,120

so we would suggest that you go to

2669

01:29:07,350 --> 01:29:05,040

brad's youtube channel

2670

01:29:08,149 --> 01:29:07,360

and you type on through his channel the

2671

01:29:11,830 --> 01:29:08,159

true

2672

01:29:13,750 --> 01:29:11,840

nature of the sun and now that you know

2673

01:29:16,229 --> 01:29:13,760

what the true nature of the sun

2674

01:29:17,990 --> 01:29:16,239

is you will know that a solar flash is

2675

01:29:22,229 --> 01:29:18,000

not at all

2676

01:29:23,910 --> 01:29:22,239

in your future all right we thank you

2677

01:29:25,030 --> 01:29:23,920

we thank you for your interactions we

2678

01:29:26,149 --> 01:29:25,040

thank you for your questions i am

2679

01:29:27,910 --> 01:29:26,159

adronis of serious

2680

01:29:29,910 --> 01:29:27,920

one moment please as we now return to

2681

01:29:35,110 --> 01:29:29,920

the conduits goodbye for now

2682

01:29:39,590 --> 01:29:38,070

okay great thank you everybody well brad

2683

01:29:41,189 --> 01:29:39,600

thank you very much that was that was

2684

01:29:42,310 --> 01:29:41,199

wonderful i appreciate you taking the

2685

01:29:45,590 --> 01:29:42,320

time and and

2686

01:29:47,830 --> 01:29:45,600

to to channel join us and to to help

2687

01:29:51,750 --> 01:29:47,840

answer some questions out there so

2688

01:29:53,430 --> 01:29:51,760

greatly appreciate it so uh brent if i

2689

01:29:55,350 --> 01:29:53,440

just wanted to then leave it uh

2690

01:29:56,870 --> 01:29:55,360

uh for you towards the end to just

2691

01:30:00,310 --> 01:29:56,880

please tell us um

2692

01:30:02,149 --> 01:30:00,320

uh what what can one find on your site i

2693

01:30:04,390 --> 01:30:02,159

assume they can also contact you there

2694

01:30:06,070 --> 01:30:04,400

and um uh well i figured we'll conclude

2695

01:30:07,669 --> 01:30:06,080

with that

2696

01:30:09,830 --> 01:30:07,679

yeah well you can go to my website my

2697

01:30:10,950 --> 01:30:09,840

main website is newerthteachings.com

2698

01:30:12,229 --> 01:30:10,960

right so that is where my private

2699

01:30:13,590 --> 01:30:12,239

sessions are if you guys want to have a

2700

01:30:14,629 --> 01:30:13,600

private session with the drones or just

2701

01:30:17,030 --> 01:30:14,639

want to talk to me

2702

01:30:18,550 --> 01:30:17,040

or you want to do some healing sessions

2703

01:30:20,470 --> 01:30:18,560

record readings

2704

01:30:21,990 --> 01:30:20,480

all of that is on yourteachings.com the

2705

01:30:23,990 --> 01:30:22,000

link to my youtube channel

2706

01:30:25,750 --> 01:30:24,000

is there as well too right you can just

2707

01:30:28,870 --> 01:30:25,760

type in if you go on youtube just type

2708

01:30:30,310 --> 01:30:28,880

in brad johnson newerth

2709

01:30:31,750 --> 01:30:30,320

and you'll see my channel there you can

2710

01:30:33,590 --> 01:30:31,760

subscribe to it there's a lot of great

2711

01:30:35,270 --> 01:30:33,600

videos there's over a thousand videos

2712

01:30:36,709 --> 01:30:35,280

on my channel so there's a lot of a lot

2713

01:30:38,790 --> 01:30:36,719

of content there

2714

01:30:42,070 --> 01:30:38,800

um and again my second website is

2715

01:30:43,110 --> 01:30:42,080

healing codes.com that is a spiritual

2716

01:30:44,550 --> 01:30:43,120

technology

2717

01:30:46,390 --> 01:30:44,560

that you can use for advanced levels of

2718

01:30:48,270 --> 01:30:46,400

healing and again you can find out more

2719

01:30:49,910 --> 01:30:48,280

information on the website there that's

2720

01:30:51,750 --> 01:30:49,920

healingcodecards.com

2721

01:30:52,950 --> 01:30:51,760

but again check out both websites check

2722

01:30:54,550 --> 01:30:52,960

out the youtube

2723

01:30:56,149 --> 01:30:54,560

there's a lot of great information for

2724

01:30:58,070 --> 01:30:56,159

you to look into and also

2725

01:30:59,830 --> 01:30:58,080

the the specific links are in the

2726

01:31:01,669 --> 01:30:59,840

description below the video

2727

01:31:03,270 --> 01:31:01,679

if you're watching this on facebook this

2728

01:31:04,950 --> 01:31:03,280

should be above the video

2729

01:31:06,470 --> 01:31:04,960

so you can just click there it'll take

2730

01:31:09,350 --> 01:31:06,480

you directly there in case

2731

01:31:10,790 --> 01:31:09,360

um you didn't catch all that but it's

2732

01:31:13,430 --> 01:31:10,800

easily available for you

2733

01:31:14,950 --> 01:31:13,440

in the descriptions so brad again thank

2734

01:31:15,990 --> 01:31:14,960

you i'm really happy we're able to

2735

01:31:19,030 --> 01:31:16,000

connect i appreciate

2736

01:31:20,149 --> 01:31:19,040

it i can't thank you enough and um i

2737

01:31:23,030 --> 01:31:20,159

hope to

2738

01:31:23,990 --> 01:31:23,040

um i guess hopefully for us to connect

2739

01:31:25,669 --> 01:31:24,000

in the future again

2740

01:31:27,590 --> 01:31:25,679

if it's not if it's not too much trouble

2741

01:31:28,470 --> 01:31:27,600

i know you're a busy man but i would

2742

01:31:30,709 --> 01:31:28,480

also just

2743

01:31:32,550 --> 01:31:30,719

real quick i would also really recommend

2744

01:31:35,110 --> 01:31:32,560

uh them watching your series

2745

01:31:37,030 --> 01:31:35,120

um because i've i haven't gone through

2746

01:31:39,430 --> 01:31:37,040

the first one regarding the sun

2747

01:31:41,030 --> 01:31:39,440

um i kind of skipped ahead just because

2748

01:31:42,629 --> 01:31:41,040

it was the latest one and i had a bit

2749

01:31:44,950 --> 01:31:42,639

more time to watch the

2750

01:31:46,310 --> 01:31:44,960

season two episode two which was more

2751

01:31:49,750 --> 01:31:46,320

about uh et contact

2752

01:31:52,550 --> 01:31:49,760

right okay and yeah

2753

01:31:52,950 --> 01:31:52,560

yeah there's four new episodes of the

2754

01:31:55,110 --> 01:31:52,960

seconds

2755

01:31:57,270 --> 01:31:55,120

i did a first season a while back i had

2756

01:31:59,430 --> 01:31:57,280

four episodes as well too the new season

2757

01:32:01,030 --> 01:31:59,440

which is just a lot better uh production

2758

01:32:01,990 --> 01:32:01,040

quality has a lot of these great

2759

01:32:03,750 --> 01:32:02,000

episodes in it so

2760

01:32:05,350 --> 01:32:03,760

episode two like adronis was saying

2761

01:32:06,870 --> 01:32:05,360

about the true nature of the sun

2762

01:32:08,709 --> 01:32:06,880

be good for you guys to look into that

2763

01:32:10,229 --> 01:32:08,719

one and then of course there's the

2764

01:32:11,910 --> 01:32:10,239

newest one uh which is off-world

2765

01:32:12,629 --> 01:32:11,920

civilizations that's the longest episode

2766

01:32:14,470 --> 01:32:12,639

so far

2767

01:32:15,750 --> 01:32:14,480

and of course episode one is about

2768

01:32:17,189 --> 01:32:15,760

unseen forces

2769

01:32:19,110 --> 01:32:17,199

so three is about the amalgamation

2770

01:32:21,110 --> 01:32:19,120

effect so all four episodes are very

2771

01:32:24,310 --> 01:32:21,120

informative but uh the newest one

2772

01:32:26,390 --> 01:32:24,320

is about off-world civilizations

2773

01:32:27,350 --> 01:32:26,400

all right well brad thank you everyone

2774

01:32:29,510 --> 01:32:27,360

else watching

2775

01:32:31,110 --> 01:32:29,520

i appreciate it uh check out brad's

2776

01:32:33,030 --> 01:32:31,120

website and uh

2777

01:32:34,709 --> 01:32:33,040

so have a have a good weekend tune in

2778

01:32:36,870 --> 01:32:34,719

next week on wednesday we're gonna have

2779

01:32:38,629 --> 01:32:36,880

open lines at 7 p.m again

2780

01:32:39,990 --> 01:32:38,639

i'm not sure exactly what i'm going to

2781

01:32:42,390 --> 01:32:40,000

have on on friday

2782

01:32:44,070 --> 01:32:42,400

as a guest but i'll keep you posted

2783

01:32:46,229 --> 01:32:44,080

probably we'll know by wednesday

2784

01:32:48,470 --> 01:32:46,239

so again everyone else watching i

2785

01:32:51,030 --> 01:32:48,480

appreciate spending the evening with us

2786

01:32:53,430 --> 01:32:51,040

uh good have a good weekend good evening
