[Music]

2
00:01:38,840 --> 00:01:52,830
foreign

3
00:01:52,840 --> 00:02:06,830
food

4
00:02:06,840 --> 00:02:12,990
do

5
00:02:13,000 --> 00:03:46,630
[Music]

6
00:03:49,910 --> 00:03:49,110
hi everyone welcome to the ufo hub live

7
00:03:52,630 --> 00:03:49,920
stream and

8
00:03:53,429 --> 00:03:52,640
today is open lines where you log into

9
00:03:55,830 --> 00:03:53,439
telegram

10
00:03:58,070 --> 00:03:55,840
and talk to me directly share your

11
00:04:00,390 --> 00:03:58,080
stories whether it's metaphysical

12
00:04:02,789 --> 00:04:00,400
spiritual ufo salient you name it and

13
00:04:04,949 --> 00:04:02,799

sometimes we go a bit off topic which

14

00:04:05,910 --> 00:04:04,959

quite possibly we might go today but

15

00:04:08,309 --> 00:04:05,920

we'll see

16

00:04:09,110 --> 00:04:08,319

so um there's a few things i wanted to

17

00:04:11,509 --> 00:04:09,120

cover first

18

00:04:13,429 --> 00:04:11,519

and then i figured i'll go into the the

19

00:04:14,470 --> 00:04:13,439

topic that i want to cover today which

20

00:04:16,390 --> 00:04:14,480

is um

21

00:04:18,229 --> 00:04:16,400

basically your reality is a different

22

00:04:19,509 --> 00:04:18,239

dimension and

23

00:04:21,270 --> 00:04:19,519

this is something you don't have to

24

00:04:22,310 --> 00:04:21,280

stick to if you want to talk to me about

25

00:04:24,550 --> 00:04:22,320

something else you might have

26

00:04:26,790 --> 00:04:24,560

experienced

27

00:04:28,070 --> 00:04:26,800

please do so this is just me wanting to

28

00:04:30,310 --> 00:04:28,080

just have a little bit more structure

29

00:04:31,670 --> 00:04:30,320

to these open lines when i first start

30

00:04:34,390 --> 00:04:31,680

them out and so

31

00:04:35,270 --> 00:04:34,400

cover something that you can add your

32

00:04:37,110 --> 00:04:35,280

thoughts to it

33

00:04:38,950 --> 00:04:37,120

or just go into a whole new direction if

34

00:04:45,350 --> 00:04:38,960

you like so

35

00:04:51,749 --> 00:04:48,629

go here and let you guys know about

36

00:04:53,590 --> 00:04:51,759

i'm gonna use my facebook because um

37

00:04:55,590 --> 00:04:53,600

that was the only quick thing that i

38

00:04:58,469 --> 00:04:55,600

could pull up here

39

00:04:59,110 --> 00:04:58,479
so earlier in in telegram and on

40

00:05:01,350 --> 00:04:59,120
facebook

41

00:05:02,230 --> 00:05:01,360
and i believe also in the community tab

42

00:05:05,590 --> 00:05:02,240
on youtube

43

00:05:06,629 --> 00:05:05,600
i posted this message saying that ozark

44

00:05:08,950 --> 00:05:06,639
mountain publishing

45

00:05:10,950 --> 00:05:08,960
is simply giving out some free books if

46

00:05:13,189 --> 00:05:10,960
you cover the shipping it's yours

47

00:05:14,469 --> 00:05:13,199
and uh but in different languages so

48

00:05:15,749 --> 00:05:14,479
they have um

49

00:05:18,310 --> 00:05:15,759
they have some of these books and i

50

00:05:21,350 --> 00:05:18,320
posted i guess a total of

51

00:05:24,310 --> 00:05:21,360

uh you know 45 pictures some

52

00:05:25,990 --> 00:05:24,320

are in portuguese norwegian creation

53

00:05:29,990 --> 00:05:26,000

italian french

54

00:05:33,189 --> 00:05:30,000

spanish russian mandarin and traditional

55

00:05:36,310 --> 00:05:33,199

thai japanese turkish dutch polish

56

00:05:39,189 --> 00:05:36,320

bulgarian and german and so

57

00:05:40,550 --> 00:05:39,199

these are uh dolores cannon books in all

58

00:05:43,510 --> 00:05:40,560

these different languages

59

00:05:45,350 --> 00:05:43,520

and so um and i believe there's two

60

00:05:48,390 --> 00:05:45,360

authors like this one here

61

00:05:51,350 --> 00:05:48,400

and one other that is um

62

00:05:52,230 --> 00:05:51,360

uh that is available for you to to look

63

00:05:54,629 --> 00:05:52,240

through and

64

00:05:56,390 --> 00:05:54,639

and uh claim and all you really pretty

65

00:05:57,270 --> 00:05:56,400

much have to do like i said in this in

66

00:05:59,670 --> 00:05:57,280

those messages

67

00:06:00,390 --> 00:05:59,680

is to send an email to ozark mountain

68

00:06:04,469 --> 00:06:00,400

publishing

69

00:06:06,550 --> 00:06:04,479

under info at ozarkmt.com

70

00:06:08,469 --> 00:06:06,560

and simply tell them i'll give them your

71

00:06:09,909 --> 00:06:08,479

address and what book you want

72

00:06:12,150 --> 00:06:09,919

and they'll send you back a quote for

73

00:06:14,469 --> 00:06:12,160

how much shipping that would be

74

00:06:15,430 --> 00:06:14,479

and so i have a ton of different books

75

00:06:17,189 --> 00:06:15,440

here too

76

00:06:20,469 --> 00:06:17,199

uh here in the studio that were by

77

00:06:22,150 --> 00:06:20,479

different authors that um

78

00:06:23,909 --> 00:06:22,160

that i wanted to to give away but i

79

00:06:26,150 --> 00:06:23,919

haven't gotten to a point towards

80

00:06:28,309 --> 00:06:26,160

a bit more structured for you guys to

81

00:06:30,230 --> 00:06:28,319

see all that is available

82

00:06:32,309 --> 00:06:30,240

but i will do that eventually and then

83

00:06:34,870 --> 00:06:32,319

these are the ones that i have are

84

00:06:35,909 --> 00:06:34,880

different authors and i think entirely

85

00:06:37,510 --> 00:06:35,919

different

86

00:06:39,830 --> 00:06:37,520

authors i don't know that there's any

87

00:06:42,469 --> 00:06:39,840

dolores canon books within that bunch

88

00:06:43,270 --> 00:06:42,479

uh that are published by ozark mountain

89

00:06:46,390 --> 00:06:43,280

publishing

90

00:06:49,990 --> 00:06:46,400

and so it's yours for free if you can uh

91

00:06:52,390 --> 00:06:50,000

cover um cover the shipping and so

92

00:06:53,670 --> 00:06:52,400

yeah this i put the whole list up here

93

00:06:56,790 --> 00:06:53,680

and

94

00:06:59,029 --> 00:06:56,800

it's just you can see for yourself

95

00:07:00,870 --> 00:06:59,039

all all that is available they have

96

00:07:02,550 --> 00:07:00,880

different amounts sometimes they just

97

00:07:04,469 --> 00:07:02,560

have one of

98

00:07:05,589 --> 00:07:04,479

whatever book is there sometimes they

99

00:07:08,070 --> 00:07:05,599

have five to six

100

00:07:09,270 --> 00:07:08,080

so it's kind of on a first come first

101
00:07:11,990 --> 00:07:09,280
serve basis

102
00:07:15,350 --> 00:07:12,000
so anyway i wanted to to let you know

103
00:07:22,550 --> 00:07:19,270
okay i didn't prep for this but i can

104
00:07:25,749 --> 00:07:22,560
change that out okay that works

105
00:07:27,189 --> 00:07:25,759
so what i wanted to cover today i felt

106
00:07:29,029 --> 00:07:27,199
was very relevant

107
00:07:30,550 --> 00:07:29,039
and to start out with this topic

108
00:07:32,309 --> 00:07:30,560
especially with what's going on around

109
00:07:33,749 --> 00:07:32,319
the world right now and it's been going

110
00:07:36,629 --> 00:07:33,759
on for a while

111
00:07:38,469 --> 00:07:36,639
but so as i mentioned in the past i i

112
00:07:40,629 --> 00:07:38,479
want to use the opportunity of

113
00:07:41,589 --> 00:07:40,639

in the beginning of these open lines to

114

00:07:45,029 --> 00:07:41,599

cover

115

00:07:45,589 --> 00:07:45,039

one of the weird and crazy subjects that

116

00:07:49,029 --> 00:07:45,599

i've

117

00:07:51,749 --> 00:07:49,039

learned about and and um basically

118

00:07:53,430 --> 00:07:51,759

was ingrained in me through my you know

119

00:07:54,629 --> 00:07:53,440

to my development process

120

00:07:56,869 --> 00:07:54,639

and i don't know if it's going to

121

00:07:58,629 --> 00:07:56,879

benefit you but

122

00:08:00,230 --> 00:07:58,639

it might answer some of the questions

123

00:08:00,950 --> 00:08:00,240

you know especially if you have a lot of

124

00:08:03,990 --> 00:08:00,960

fears

125

00:08:06,070 --> 00:08:04,000

you know to um about what's going on

126

00:08:07,189 --> 00:08:06,080

um i hope it can alleviate some of those

127

00:08:11,749 --> 00:08:07,199

you know i can't

128

00:08:14,869 --> 00:08:11,759

guarantee you that um you're going to

129

00:08:16,629 --> 00:08:14,879

notice the difference of in your life

130

00:08:18,869 --> 00:08:16,639

you know after you hear the information

131

00:08:21,029 --> 00:08:18,879

that's because you have to apply it

132

00:08:23,029 --> 00:08:21,039

you have to do the work to actually

133

00:08:25,270 --> 00:08:23,039

truly change that belief system

134

00:08:27,749 --> 00:08:25,280

in order for it to be of benefit to you

135

00:08:29,990 --> 00:08:27,759

if it's not you're just going to be

136

00:08:31,270 --> 00:08:30,000

you know having be that classic person

137

00:08:32,310 --> 00:08:31,280

who goes like cab whatever they're

138

00:08:34,149 --> 00:08:32,320

talking about

139

00:08:35,829 --> 00:08:34,159

that's not my reality and you'll leave

140

00:08:38,949 --> 00:08:35,839

it at that and so

141

00:08:41,350 --> 00:08:38,959

i have two people that actually one

142

00:08:42,949 --> 00:08:41,360

is in south africa especially all where

143

00:08:43,670 --> 00:08:42,959

all this different craziness is

144

00:08:46,150 --> 00:08:43,680

happening

145

00:08:47,110 --> 00:08:46,160

and it's irrelevant to the topic that i

146

00:08:49,030 --> 00:08:47,120

want to cover

147

00:08:51,269 --> 00:08:49,040

and be talking to him his name is

148

00:08:53,829 --> 00:08:51,279

bradley um the other one

149

00:08:55,190 --> 00:08:53,839

the other person's name is fab22 i'm not

150

00:08:55,910 --> 00:08:55,200

sure if he wants me to give out his

151
00:08:57,750 --> 00:08:55,920
first name

152
00:08:59,350 --> 00:08:57,760
so i'll just call him fab 22 because

153
00:09:01,750 --> 00:08:59,360
that's where he goes by on telegram

154
00:09:03,990 --> 00:09:01,760
and he's in france and i'm hoping to

155
00:09:06,150 --> 00:09:04,000
talk to him a little bit about the

156
00:09:08,470 --> 00:09:06,160
protests there and what what not in

157
00:09:11,670 --> 00:09:08,480
france and regarding uh

158
00:09:14,389 --> 00:09:11,680
the the effect on on both of them of

159
00:09:14,949 --> 00:09:14,399
all this chaos that's going on around

160
00:09:16,949 --> 00:09:14,959
them

161
00:09:18,949 --> 00:09:16,959
and how they are and where they are and

162
00:09:20,710 --> 00:09:18,959
what their state of mind is

163
00:09:22,470 --> 00:09:20,720

and it will give you probably an update

164

00:09:22,870 --> 00:09:22,480

that you might not find in the news by

165

00:09:24,630 --> 00:09:22,880

just

166

00:09:26,389 --> 00:09:24,640

directly speaking you know to these

167

00:09:29,509 --> 00:09:26,399

people living in those countries

168

00:09:32,870 --> 00:09:29,519

so in essence the

169

00:09:36,470 --> 00:09:32,880

idea or the belief system is that

170

00:09:39,829 --> 00:09:36,480

what you perceive is your dimension and

171

00:09:42,630 --> 00:09:39,839

it's basically uh you you form your

172

00:09:43,509 --> 00:09:42,640

dimension by whatever is the strongest

173

00:09:46,310 --> 00:09:43,519

within you

174

00:09:47,030 --> 00:09:46,320

so if you're generally a negative person

175

00:09:49,430 --> 00:09:47,040

and

176
00:09:50,470 --> 00:09:49,440
you know you just um always think this

177
00:09:52,230 --> 00:09:50,480
all this stuff is

178
00:09:53,670 --> 00:09:52,240
out there there to bother you to piss

179
00:09:56,310 --> 00:09:53,680
you off to make you mad

180
00:09:57,670 --> 00:09:56,320
you know and you basically will keep

181
00:10:01,110 --> 00:09:57,680
attracting

182
00:10:02,870 --> 00:10:01,120
you know more of that because

183
00:10:04,310 --> 00:10:02,880
one of the experiences that i was having

184
00:10:07,110 --> 00:10:04,320
is that you know

185
00:10:08,630 --> 00:10:07,120
uh there was nothing uh um there's

186
00:10:10,790 --> 00:10:08,640
nothing outside of you

187
00:10:11,829 --> 00:10:10,800
you know everything you know that's out

188
00:10:14,470 --> 00:10:11,839

there it's a mirror

189

00:10:15,590 --> 00:10:14,480

back to you so what you put out is what

190

00:10:18,630 --> 00:10:15,600

you get back

191

00:10:21,030 --> 00:10:18,640

so if you're a generally negative person

192

00:10:22,710 --> 00:10:21,040

um you are reinforcing that reality

193

00:10:25,350 --> 00:10:22,720

constantly by these

194

00:10:26,069 --> 00:10:25,360

very things that that you send out and

195

00:10:28,230 --> 00:10:26,079

it's um

196

00:10:29,350 --> 00:10:28,240

one of the perfect examples and and i

197

00:10:33,269 --> 00:10:29,360

love the analogy

198

00:10:36,150 --> 00:10:33,279

was given by bashar was to describe it

199

00:10:37,030 --> 00:10:36,160

reality as a mirror you cannot look into

200

00:10:39,590 --> 00:10:37,040

a mirror

201
00:10:41,110 --> 00:10:39,600
you know frown and expect it to smile

202
00:10:43,269 --> 00:10:41,120
back at you first

203
00:10:45,190 --> 00:10:43,279
you have to smile first in order to see

204
00:10:48,949 --> 00:10:45,200
the reflection that's within

205
00:10:51,350 --> 00:10:48,959
and so um when

206
00:10:52,949 --> 00:10:51,360
when for example uh uh you know a few

207
00:10:53,910 --> 00:10:52,959
years back when i made the decision it's

208
00:10:57,110 --> 00:10:53,920
like all right i'm

209
00:10:57,990 --> 00:10:57,120
i'm done with what's going on i want to

210
00:11:00,150 --> 00:10:58,000
pursue

211
00:11:02,470 --> 00:11:00,160
more about you know what is reality

212
00:11:04,710 --> 00:11:02,480
about what is this world about the ufos

213
00:11:06,230 --> 00:11:04,720

this metaphysical you know where i was

214

00:11:08,870 --> 00:11:06,240

at it was not conducive

215

00:11:10,470 --> 00:11:08,880

you know to me it was staying in a

216

00:11:12,150 --> 00:11:10,480

crowded house with my parents

217

00:11:13,590 --> 00:11:12,160

you know not that i'm not grateful for

218

00:11:15,750 --> 00:11:13,600

them to provide that space

219

00:11:17,990 --> 00:11:15,760

but it was you know time to move and i

220

00:11:20,069 --> 00:11:18,000

moved out what some of you already know

221

00:11:22,069 --> 00:11:20,079

to robertsville missouri which is 50

222

00:11:26,470 --> 00:11:22,079

miles outside of

223

00:11:29,430 --> 00:11:26,480

the city and basically in the woods

224

00:11:31,110 --> 00:11:29,440

you know having a house by myself and

225

00:11:33,110 --> 00:11:31,120

that's where a lot of the the

226

00:11:34,230 --> 00:11:33,120

the soul searching and changing of these

227

00:11:37,350 --> 00:11:34,240

belief systems

228

00:11:40,230 --> 00:11:37,360

you know occurred for me and one

229

00:11:41,350 --> 00:11:40,240

one example from my personal experience

230

00:11:43,030 --> 00:11:41,360

is that um

231

00:11:44,630 --> 00:11:43,040

you know i was leaving work and i used

232

00:11:47,829 --> 00:11:44,640

to work for uh

233

00:11:49,350 --> 00:11:47,839

uh the the largest newspaper uh

234

00:11:51,110 --> 00:11:49,360

in san luis which called the post

235

00:11:54,790 --> 00:11:51,120

dispatch and

236

00:11:57,509 --> 00:11:54,800

i was leaving and you know

237

00:11:59,269 --> 00:11:57,519

i on the radio there was nothing you

238

00:12:00,790 --> 00:11:59,279

know everything was just fine

239

00:12:02,790 --> 00:12:00,800

and um you know i was switching

240

00:12:04,710 --> 00:12:02,800

different stations you know it

241

00:12:07,030 --> 00:12:04,720

like i usually do and so i couldn't find

242

00:12:09,030 --> 00:12:07,040

anything so i just put on my own music

243

00:12:10,470 --> 00:12:09,040

you know and just enjoyed the the ride

244

00:12:12,790 --> 00:12:10,480

home it was it took about

245

00:12:14,310 --> 00:12:12,800

15 minutes to hour depending on traffic

246

00:12:17,269 --> 00:12:14,320

well only when i got home

247

00:12:19,430 --> 00:12:17,279

i learned that the this what we know now

248

00:12:22,550 --> 00:12:19,440

i guess the the michael brown

249

00:12:24,949 --> 00:12:22,560

riot started and so i was

250

00:12:27,110 --> 00:12:24,959

you know i wasn't aware of what was

251

00:12:30,949 --> 00:12:27,120

going on and it was interesting is that

252

00:12:31,670 --> 00:12:30,959

um you know the the way the media

253

00:12:33,670 --> 00:12:31,680

portrayed it

254

00:12:34,710 --> 00:12:33,680

and the way it the way it was it's like

255

00:12:37,990 --> 00:12:34,720

it was uh

256

00:12:40,389 --> 00:12:38,000

one small block that basically all

257

00:12:42,150 --> 00:12:40,399

that was happening you know but based on

258

00:12:44,310 --> 00:12:42,160

how media covers news you would have

259

00:12:47,030 --> 00:12:44,320

thought entire san luis is on fire

260

00:12:48,550 --> 00:12:47,040

you know and of course they were then as

261

00:12:51,670 --> 00:12:48,560

time progressed after that

262

00:12:55,110 --> 00:12:51,680

a few skirmishes here and there but

263

00:12:58,470 --> 00:12:55,120

the point was that uh for one the media

264

00:13:01,750 --> 00:12:58,480

really misrepresented of how bad it was

265

00:13:04,069 --> 00:13:01,760

and two the whole point was that this

266

00:13:06,790 --> 00:13:04,079

that was not part of my reality

267

00:13:08,550 --> 00:13:06,800

my reality was this uh peaceful serene

268

00:13:11,110 --> 00:13:08,560

place that i wanted to go to

269

00:13:11,829 --> 00:13:11,120

and although i was aware of it where i

270

00:13:15,190 --> 00:13:11,839

was at

271

00:13:18,629 --> 00:13:15,200

it was a beautiful night sky

272

00:13:21,509 --> 00:13:18,639

with woods around me stars out crickets

273

00:13:23,030 --> 00:13:21,519

chirping you know and and it was just

274

00:13:25,590 --> 00:13:23,040

peaceful and serene

275

00:13:26,310 --> 00:13:25,600

while all that stuff was going on in san

276

00:13:29,430 --> 00:13:26,320

luis

277

00:13:31,590 --> 00:13:29,440

and so being aware of it doesn't mean

278

00:13:33,829 --> 00:13:31,600

that i have to make it part of my life

279

00:13:35,190 --> 00:13:33,839

so i could have chosen to like oh my god

280

00:13:38,150 --> 00:13:35,200

what's going on and just

281

00:13:39,030 --> 00:13:38,160

it injected myself into it and then you

282

00:13:42,389 --> 00:13:39,040

know basically

283

00:13:44,389 --> 00:13:42,399

um reinforce that reality of i need to

284

00:13:46,470 --> 00:13:44,399

know more about this or what's going on

285

00:13:47,990 --> 00:13:46,480

and usually i would you know for a while

286

00:13:49,670 --> 00:13:48,000

i was debating maybe should i take the

287

00:13:52,710 --> 00:13:49,680

camera down there whatever

288

00:13:54,550 --> 00:13:52,720

you know and um you know

289

00:13:57,030 --> 00:13:54,560

long story short i ended up not going

290

00:13:57,990 --> 00:13:57,040

because i had a different mission i had

291

00:14:01,509 --> 00:13:58,000

a different path

292

00:14:04,629 --> 00:14:01,519

that i wanted to go down to and so while

293

00:14:05,030 --> 00:14:04,639

all the people that were involved um you

294

00:14:06,870 --> 00:14:05,040

know

295

00:14:08,550 --> 00:14:06,880

and all the stuff that was happening

296

00:14:12,069 --> 00:14:08,560

affected them greatly

297

00:14:13,430 --> 00:14:12,079

it within my immediate reality it was

298

00:14:15,350 --> 00:14:13,440

peaceful and serene

299

00:14:17,750 --> 00:14:15,360

it did not have to have anything to do

300

00:14:20,069 --> 00:14:17,760

with me only if i chose

301

00:14:21,110 --> 00:14:20,079

for it to be part of my life could it be

302

00:14:22,949 --> 00:14:21,120

part of my life

303

00:14:24,389 --> 00:14:22,959

and then i would have intertwined myself

304

00:14:27,750 --> 00:14:24,399

in whatever is going on

305

00:14:30,389 --> 00:14:27,760

but it was basically um you know

306

00:14:30,949 --> 00:14:30,399

so many years later what i then moved

307

00:14:33,350 --> 00:14:30,959

five to

308

00:14:34,069 --> 00:14:33,360

five hours south even further you know

309

00:14:37,030 --> 00:14:34,079

and

310

00:14:38,550 --> 00:14:37,040

it was because i met the love of my life

311

00:14:40,310 --> 00:14:38,560

you know i wanted to start a family

312

00:14:42,389 --> 00:14:40,320

do you know and just the way things

313

00:14:43,590 --> 00:14:42,399

worked out that was my first and

314

00:14:46,470 --> 00:14:43,600

foremost drive

315

00:14:47,350 --> 00:14:46,480

and the reasoning to do what i did only

316

00:14:49,829 --> 00:14:47,360

in hindsight

317

00:14:50,710 --> 00:14:49,839

looking back uh by following my highest

318

00:14:53,350 --> 00:14:50,720

excitement

319

00:14:55,269 --> 00:14:53,360

by by doing exactly what i said this

320

00:14:57,269 --> 00:14:55,279

excites me i want to do this

321

00:14:58,550 --> 00:14:57,279

this is what what really truly

322

00:15:01,509 --> 00:14:58,560

represents me

323

00:15:02,949 --> 00:15:01,519

did it put me in a position to where you

324

00:15:03,990 --> 00:15:02,959

know we had covet we had all these

325

00:15:06,629 --> 00:15:04,000

people that you know

326

00:15:07,110 --> 00:15:06,639

states were shutting down uh they they

327

00:15:10,389 --> 00:15:07,120

were

328

00:15:13,590 --> 00:15:10,399

um

329

00:15:15,030 --> 00:15:13,600

you know protests and and riots going on

330

00:15:16,470 --> 00:15:15,040

and all these things that were happening

331

00:15:17,110 --> 00:15:16,480

through our cities and cities were

332

00:15:20,150 --> 00:15:17,120

burning

333

00:15:23,269 --> 00:15:20,160

but where i was and where i moved

334

00:15:24,069 --> 00:15:23,279

because of of my highest excitement

335

00:15:25,990 --> 00:15:24,079

first

336

00:15:27,670 --> 00:15:26,000

put me in the position to where i wasn't

337

00:15:29,590 --> 00:15:27,680

part of any of that

338

00:15:31,350 --> 00:15:29,600

i could have been the other way around

339

00:15:32,230 --> 00:15:31,360

where i would have been in san luis and

340

00:15:34,949 --> 00:15:32,240

i would have been

341

00:15:37,030 --> 00:15:34,959

you know uh making all these worlds

342

00:15:37,350 --> 00:15:37,040

problems my problems and so i would have

343

00:15:40,629 --> 00:15:37,360

been

344

00:15:40,949 --> 00:15:40,639

consumed by those and basically you know

345

00:15:47,350 --> 00:15:40,959

it

346

00:15:48,710 --> 00:15:47,360

and so that's one of the things that i

347

00:15:50,629 --> 00:15:48,720

was that i was

348

00:15:52,629 --> 00:15:50,639

that's a physical example that i can

349

00:15:54,470 --> 00:15:52,639

give you but those are one of the things

350

00:15:56,069 --> 00:15:54,480

that were reflected back to me

351

00:15:57,829 --> 00:15:56,079

during you know many different

352

00:16:00,389 --> 00:15:57,839

experiences that i had

353

00:16:01,910 --> 00:16:00,399

uh while i was in that in that time

354

00:16:04,230 --> 00:16:01,920

period in that house

355

00:16:05,670 --> 00:16:04,240

you know learning and trying to discover

356

00:16:09,189 --> 00:16:05,680

what this reality is about

357

00:16:10,790 --> 00:16:09,199

is that um something doesn't have to be

358

00:16:12,389 --> 00:16:10,800

part of your life if you don't want it

359

00:16:15,590 --> 00:16:12,399

to be part of your life

360

00:16:18,470 --> 00:16:15,600

and so that's me in short covering

361

00:16:19,910 --> 00:16:18,480

you know about what i mean with uh you

362

00:16:23,829 --> 00:16:19,920

know as i mentioned here

363

00:16:25,509 --> 00:16:23,839

is that um the your your reality

364

00:16:27,590 --> 00:16:25,519

is a different dimension and it's

365

00:16:30,790 --> 00:16:27,600

basically to say that

366

00:16:31,829 --> 00:16:30,800

you control what chaos or no chaos you

367

00:16:33,829 --> 00:16:31,839

have around you

368

00:16:35,110 --> 00:16:33,839

you know it's um i think i've used this

369

00:16:37,509 --> 00:16:35,120

example before

370

00:16:38,550 --> 00:16:37,519

a lot of people in the city um when you

371

00:16:41,829 --> 00:16:38,560

live in a tight

372

00:16:44,389 --> 00:16:41,839

city and you you get up in the morning

373

00:16:45,110 --> 00:16:44,399

for whatever reason you know uh it

374

00:16:47,829 --> 00:16:45,120

doesn't matter

375

00:16:48,790 --> 00:16:47,839

the point is everyone chose to be in a

376

00:16:50,790 --> 00:16:48,800

certain mood

377

00:16:52,870 --> 00:16:50,800

you know they can say oh something just

378

00:16:53,590 --> 00:16:52,880

was pissing me off and i had no control

379

00:16:55,509 --> 00:16:53,600

of this

380

00:16:56,710 --> 00:16:55,519

you know and then they get out you know

381

00:16:58,790 --> 00:16:56,720

in the traffic and then

382

00:17:00,550 --> 00:16:58,800

you know they they send that you know

383

00:17:01,430 --> 00:17:00,560

pissy feeling out there and then they

384

00:17:03,350 --> 00:17:01,440

keep getting

385

00:17:05,270 --> 00:17:03,360

people that cut them off you know things

386

00:17:05,909 --> 00:17:05,280

that piss him off even more because it's

387

00:17:26,710 --> 00:17:05,919

a

388

00:17:28,309 --> 00:17:26,720

losing their you're just sitting

389

00:17:29,190 --> 00:17:28,319

there listening to some mozart while

390

00:17:31,510 --> 00:17:29,200

you're on your work

391

00:17:33,430 --> 00:17:31,520

way to work and so those are kind of

392

00:17:36,070 --> 00:17:33,440

like these simplified

393

00:17:37,350 --> 00:17:36,080

and uh examples in real life examples

394

00:17:39,350 --> 00:17:37,360

that i could give you that

395

00:17:41,110 --> 00:17:39,360

that is how it actually works broken

396

00:17:43,110 --> 00:17:41,120

down you know there's not

397

00:17:45,029 --> 00:17:43,120

you know it's um when you look at the

398

00:17:45,510 --> 00:17:45,039

grand scheme of things it's very magical

399

00:17:48,950 --> 00:17:45,520

but

400

00:17:49,430 --> 00:17:48,960

it's actually how you know this um some

401
00:17:51,909 --> 00:17:49,440
of these

402
00:17:53,750 --> 00:17:51,919
spiritual concepts work so i'm hoping i

403
00:17:56,390 --> 00:17:53,760
gave you enough of an example

404
00:17:56,789 --> 00:17:56,400
real life example what i mean you know

405
00:18:00,070 --> 00:17:56,799
with

406
00:18:02,230 --> 00:18:00,080
sometimes when people get all spiritual

407
00:18:04,070 --> 00:18:02,240
they just use these big words and

408
00:18:05,590 --> 00:18:04,080
you know they don't necessarily help

409
00:18:08,630 --> 00:18:05,600
solidify that concept

410
00:18:11,430 --> 00:18:08,640
help give give real life examples of

411
00:18:13,430 --> 00:18:11,440
um how it would look you know you being

412
00:18:15,190 --> 00:18:13,440
in your own dimension your own world

413
00:18:17,270 --> 00:18:15,200

living the way you want to live it you

414

00:18:17,750 --> 00:18:17,280

know without being affected by anyone

415

00:18:19,430 --> 00:18:17,760

else

416

00:18:20,950 --> 00:18:19,440

you could literally have the whole world

417

00:18:22,950 --> 00:18:20,960

falling around you and

418

00:18:25,510 --> 00:18:22,960

you know if you are not the vibration of

419

00:18:27,270 --> 00:18:25,520

that even though you can perceive it

420

00:18:29,270 --> 00:18:27,280

you will be just fine you will not be

421

00:18:30,870 --> 00:18:29,280

hurt things you know are not going to go

422

00:18:31,669 --> 00:18:30,880

the wrong way for you you always find

423

00:18:35,270 --> 00:18:31,679

yourself

424

00:18:38,549 --> 00:18:35,280

at the right place at the right time so

425

00:18:41,270 --> 00:18:38,559

with that being said let me then

426

00:18:41,990 --> 00:18:41,280

switch over to telegram and i want to to

427

00:18:44,549 --> 00:18:42,000

talk to

428

00:18:45,669 --> 00:18:44,559

uh bradley bradley actually lives in in

429

00:18:48,230 --> 00:18:45,679

south africa

430

00:18:49,110 --> 00:18:48,240

and so um i became aware of this a while

431

00:18:51,669 --> 00:18:49,120

back and i've

432

00:18:52,549 --> 00:18:51,679

been talking back and forth and um i've

433

00:18:53,830 --> 00:18:52,559

just kind of

434

00:18:56,230 --> 00:18:53,840

sent him a message saying bradley are

435

00:18:58,070 --> 00:18:56,240

you okay because um often

436

00:18:59,990 --> 00:18:58,080

for those of you who who do join

437

00:19:02,630 --> 00:19:00,000

telegram bradley has been

438

00:19:03,830 --> 00:19:02,640

on telegram often so before i usually

439

00:19:05,990 --> 00:19:03,840

start a show

440

00:19:08,789 --> 00:19:06,000

you might not know this or you might but

441

00:19:10,789 --> 00:19:08,799

i begin it about half hour beforehand

442

00:19:12,070 --> 00:19:10,799

and so we just chat about whatever it's

443

00:19:14,470 --> 00:19:12,080

just for me to get this

444

00:19:16,150 --> 00:19:14,480

uh to get the chat open and going while

445

00:19:18,310 --> 00:19:16,160

i'm setting everything else up

446

00:19:20,230 --> 00:19:18,320

and so um we kind of got to know each

447

00:19:23,029 --> 00:19:20,240

other in that way so of course you know

448

00:19:23,990 --> 00:19:23,039

when you um uh basically get to know a

449

00:19:26,150 --> 00:19:24,000

person and feel connected

450

00:19:28,230 --> 00:19:26,160

to them the first person on my mind was

451
00:19:29,590 --> 00:19:28,240
like oh shoot all the stuff is going on

452
00:19:33,750 --> 00:19:29,600
how's bradley doing

453
00:19:37,029 --> 00:19:33,760
and so without any further ado

454
00:19:37,590 --> 00:19:37,039
let me switch over to telegram i'm going

455
00:19:41,270 --> 00:19:37,600
to

456
00:19:43,350 --> 00:19:41,280
unmute bradley and bradley you're

457
00:19:46,470 --> 00:19:43,360
unmuted and mute yourself and

458
00:19:49,909 --> 00:19:48,310
and then hi everyone i hope you're

459
00:19:52,310 --> 00:19:49,919
keeping well admin

460
00:19:54,150 --> 00:19:52,320
yes i'm fine i'm glad i'm glad you're

461
00:19:55,750 --> 00:19:54,160
okay and uh so anyway

462
00:19:57,510 --> 00:19:55,760
you probably heard what i just said

463
00:20:00,390 --> 00:19:57,520

about us you know staying in touch

464

00:20:00,789 --> 00:20:00,400

so um bradley can you at least just you

465

00:20:03,430 --> 00:20:00,799

know

466

00:20:04,710 --> 00:20:03,440

describe the situation what kind of what

467

00:20:06,789 --> 00:20:04,720

started out

468

00:20:08,230 --> 00:20:06,799

what you know what made what was the

469

00:20:10,149 --> 00:20:08,240

catalyst to basically

470

00:20:11,990 --> 00:20:10,159

get all this craziness started in south

471

00:20:14,149 --> 00:20:12,000

africa

472

00:20:15,190 --> 00:20:14,159

oh wow um okay i'm gonna try to give you

473

00:20:16,710 --> 00:20:15,200

as much detail in

474

00:20:18,870 --> 00:20:16,720

short amount of time as possible because

475

00:20:22,230 --> 00:20:18,880

it's a very long story

476

00:20:25,430 --> 00:20:22,240

um basically we had a president called

477

00:20:27,909 --> 00:20:25,440

jacob zuma um he comes from a

478

00:20:29,270 --> 00:20:27,919

a literal tribe i'm not trying to be

479

00:20:31,029 --> 00:20:29,280

facetious when i say that

480

00:20:33,270 --> 00:20:31,039

in south africa the black people are

481

00:20:36,230 --> 00:20:33,280

divided into tribes

482

00:20:36,710 --> 00:20:36,240

and his tribe is the zulu people and

483

00:20:50,470 --> 00:20:36,720

they

484

00:20:53,190 --> 00:20:50,480

call

485

00:20:53,830 --> 00:20:53,200

in tuna uh mentality meaning they follow

486

00:20:56,149 --> 00:20:53,840

the king

487

00:20:57,830 --> 00:20:56,159

in this case that's jacob zuma so if

488

00:20:59,750 --> 00:20:57,840

jacob zuma says jump in the river

489

00:21:02,710 --> 00:20:59,760

that's exactly what that whole nation

490

00:21:04,149 --> 00:21:02,720

does which is about a couple million

491

00:21:07,350 --> 00:21:04,159

people worth

492

00:21:09,270 --> 00:21:07,360

anyway um what happened is jacob zuma

493

00:21:11,270 --> 00:21:09,280

instigated a state capture so in other

494

00:21:13,350 --> 00:21:11,280

words started misappropriating

495

00:21:15,029 --> 00:21:13,360

state funds and started basically

496

00:21:16,549 --> 00:21:15,039

selling south africa's infrastructure

497

00:21:19,350 --> 00:21:16,559

off when he got caught

498

00:21:21,430 --> 00:21:19,360

so he was obviously taken out of uh

499

00:21:22,470 --> 00:21:21,440

presidency and now he got jailed three

500

00:21:24,070 --> 00:21:22,480

days ago

501
00:21:25,830 --> 00:21:24,080
so in the wake of this the whole

502
00:21:27,990 --> 00:21:25,840
population his population are the

503
00:21:31,029 --> 00:21:28,000
poorest in the country

504
00:21:32,149 --> 00:21:31,039
so they started a riot initially to get

505
00:21:34,549 --> 00:21:32,159
him out of jail

506
00:21:35,909 --> 00:21:34,559
but then the riot developed into looting

507
00:21:37,029 --> 00:21:35,919
and it developed into burning

508
00:21:40,390 --> 00:21:37,039
infrastructure

509
00:21:42,549 --> 00:21:40,400
and it's complete utter

510
00:21:43,990 --> 00:21:42,559
chaos we've got people killing each

511
00:21:45,909 --> 00:21:44,000
other in the roads we've got people

512
00:21:47,750 --> 00:21:45,919
killing children we've got food being

513
00:21:50,950 --> 00:21:47,760

looted we've got

514

00:21:52,789 --> 00:21:50,960

police just overwhelmed um the

515

00:21:54,789 --> 00:21:52,799

south african army has been called in

516

00:21:57,270 --> 00:21:54,799

the last two days and unfortunately when

517

00:21:58,870 --> 00:21:57,280

the army gets called in they

518

00:22:00,549 --> 00:21:58,880

they're not political they they shoot

519

00:22:02,310 --> 00:22:00,559

first in oscillator

520

00:22:04,070 --> 00:22:02,320

um if you watch the news you will

521

00:22:04,950 --> 00:22:04,080

literally see cities burning to the

522

00:22:07,909 --> 00:22:04,960

ground

523

00:22:09,590 --> 00:22:07,919

if you've ever seen a zombie apocalypse

524

00:22:10,470 --> 00:22:09,600

movie this is what south africa is in at

525

00:22:12,070 --> 00:22:10,480

the moment

526

00:22:13,510 --> 00:22:12,080

we've got residents that are blocking

527

00:22:16,070 --> 00:22:13,520

their areas off with

528

00:22:17,510 --> 00:22:16,080

a uh ar-15 rifles which is basically an

529

00:22:19,270 --> 00:22:17,520

automatic rifle

530

00:22:21,110 --> 00:22:19,280

um and they're just shooting people as

531

00:22:24,149 --> 00:22:21,120

they're running down the road it's it's

532

00:22:26,470 --> 00:22:24,159

it's a horrific sight

533

00:22:28,070 --> 00:22:26,480

um but yeah i mean uh in terms of the

534

00:22:29,510 --> 00:22:28,080

political background i mean there's a

535

00:22:31,430 --> 00:22:29,520

lot more to that

536

00:22:32,390 --> 00:22:31,440

um but yeah i'm just trying to keep it

537

00:22:34,470 --> 00:22:32,400

very short for you guys so you

538

00:22:37,750 --> 00:22:34,480

understand it

539

00:22:39,190 --> 00:22:37,760

yeah no i appreciate that so i know um

540

00:22:40,950 --> 00:22:39,200

i want to ask you more about that but

541

00:22:43,270 --> 00:22:40,960

just to just kind of help cover

542

00:22:44,549 --> 00:22:43,280

these different um the points that i was

543

00:22:45,990 --> 00:22:44,559

talking about earlier

544

00:22:47,830 --> 00:22:46,000

uh you were you were talking about

545

00:22:49,669 --> 00:22:47,840

yourself and then the reference uh

546

00:22:51,990 --> 00:22:49,679

um regarding your dad do you mind maybe

547

00:22:54,310 --> 00:22:52,000

going into that

548

00:22:56,230 --> 00:22:54,320

and this is to what i was saying about

549

00:22:58,470 --> 00:22:56,240

your reality it's a different dimension

550

00:23:01,190 --> 00:22:58,480

so i figured it would be um a great

551
00:23:03,110 --> 00:23:01,200
story and support

552
00:23:04,230 --> 00:23:03,120
yeah i mean you were referencing bashar

553
00:23:05,590 --> 00:23:04,240
right um

554
00:23:07,510 --> 00:23:05,600
so to take sort of a reference from

555
00:23:09,270 --> 00:23:07,520
bashar you know he said no matter how

556
00:23:09,590 --> 00:23:09,280
negative it looks just make sure that

557
00:23:11,270 --> 00:23:09,600
you

558
00:23:12,710 --> 00:23:11,280
that something positive will come out of

559
00:23:15,270 --> 00:23:12,720
it um

560
00:23:16,630 --> 00:23:15,280
and what it was in my life i had a

561
00:23:18,789 --> 00:23:16,640
medical condition for the last four

562
00:23:20,870 --> 00:23:18,799
years that i've had to recover from

563
00:23:22,310 --> 00:23:20,880

and during that process i lost a lot of

564

00:23:23,830 --> 00:23:22,320

people and

565

00:23:26,230 --> 00:23:23,840

i ended up moving down to a different

566

00:23:27,669 --> 00:23:26,240

province in south africa which is the

567

00:23:29,350 --> 00:23:27,679

only province which has not been

568

00:23:29,990 --> 00:23:29,360

affected by the rights and the violence

569

00:23:33,830 --> 00:23:30,000

and

570

00:23:36,789 --> 00:23:33,840

all the insanity that's going on however

571

00:23:39,669 --> 00:23:36,799

my father is one of the most negative

572

00:23:42,149 --> 00:23:39,679

racist people you will meet

573

00:23:43,510 --> 00:23:42,159

i understand why he's that way but as

574

00:23:44,470 --> 00:23:43,520

you say it's a choice at the end of the

575

00:23:46,710 --> 00:23:44,480

day

576
00:23:47,830 --> 00:23:46,720
and he's stuck right in the thick of the

577
00:23:53,909 --> 00:23:47,840
that's going on

578
00:23:57,510 --> 00:23:56,470
yeah so he's he's stuck right literally

579
00:23:59,029 --> 00:23:57,520
in the violence where

580
00:24:00,870 --> 00:23:59,039
they're struggling to get bread never

581
00:24:01,590 --> 00:24:00,880
mind you know water or anything like

582
00:24:04,470 --> 00:24:01,600
that it's

583
00:24:05,750 --> 00:24:04,480
bad um but if we make the reference to

584
00:24:07,830 --> 00:24:05,760
what you were talking about

585
00:24:08,950 --> 00:24:07,840
i mean he's the complete opposite of me

586
00:24:11,029 --> 00:24:08,960
you know he's got

587
00:24:12,310 --> 00:24:11,039
nothing that to say anything nice about

588
00:24:13,830 --> 00:24:12,320

any other race

589

00:24:16,149 --> 00:24:13,840

um you know on top of that he's

590

00:24:18,950 --> 00:24:16,159

completely negative completely

591

00:24:19,510 --> 00:24:18,960

um and he's not a stupid man so what i'm

592

00:24:24,230 --> 00:24:19,520

saying is

593

00:24:28,470 --> 00:24:26,710

so yeah i mean if i look at my life i'm

594

00:24:31,029 --> 00:24:28,480

not the most conscious person but

595

00:24:33,510 --> 00:24:31,039

i'm certainly not a i don't go around

596

00:24:35,510 --> 00:24:33,520

swearing other races i don't go around

597

00:24:37,269 --> 00:24:35,520

you know trying to pick people apart and

598

00:24:38,230 --> 00:24:37,279

segregate them and do all this kind of

599

00:24:39,830 --> 00:24:38,240

rubbish

600

00:24:41,990 --> 00:24:39,840

and i look at my life although it sort

601
00:24:43,510 --> 00:24:42,000
of fell apart i'm in a safe haven

602
00:24:45,350 --> 00:24:43,520
i'm literally standing in a community

603
00:24:46,470 --> 00:24:45,360
park talking to you right now with no

604
00:24:48,710 --> 00:24:46,480
issues

605
00:24:50,950 --> 00:24:48,720
right well and not only that i would

606
00:24:51,269 --> 00:24:50,960
think whatever was going on with you you

607
00:24:54,470 --> 00:24:51,279
were

608
00:24:57,269 --> 00:24:54,480
to this

609
00:24:59,029 --> 00:24:57,279
um i don't want to call it solution but

610
00:25:02,149 --> 00:24:59,039
a way of life that would make you

611
00:25:03,430 --> 00:25:02,159
more happy wouldn't you agree

612
00:25:05,990 --> 00:25:03,440
yeah yeah yeah i mean if we're going to

613
00:25:06,390 --> 00:25:06,000

go that far i mean my my life previously

614

00:25:10,149 --> 00:25:06,400

to

615

00:25:12,789 --> 00:25:10,159

completely

616

00:25:14,710 --> 00:25:12,799

typical capitalist america it was

617

00:25:16,950 --> 00:25:14,720

numbers driven it was money driven

618

00:25:18,950 --> 00:25:16,960

it was the whole lifestyle and all that

619

00:25:21,430 --> 00:25:18,960

that came with it

620

00:25:22,789 --> 00:25:21,440

and you know those kind of people

621

00:25:23,750 --> 00:25:22,799

forgive me for saying this there's no

622

00:25:25,510 --> 00:25:23,760

emotion

623

00:25:27,110 --> 00:25:25,520

everything is just numbers if you see a

624

00:25:29,990 --> 00:25:27,120

person it's not about the person

625

00:25:30,630 --> 00:25:30,000

it's about what are we getting from them

626

00:25:33,350 --> 00:25:30,640

and

627

00:25:35,190 --> 00:25:33,360

since i had my my medical issues where

628

00:25:36,549 --> 00:25:35,200

i've had a sort of chance to rethink

629

00:25:37,909 --> 00:25:36,559

life

630

00:25:39,590 --> 00:25:37,919

i can't get along with these people

631

00:25:40,230 --> 00:25:39,600

anymore i still know them they still

632

00:25:43,350 --> 00:25:40,240

live here

633

00:25:45,590 --> 00:25:43,360

they still do their thing but i can't

634

00:25:48,149 --> 00:25:45,600

have a conversation with them i've tried

635

00:25:50,310 --> 00:25:48,159

there's just no what was the word i used

636

00:25:52,950 --> 00:25:50,320

earlier there's no vibe there there's no

637

00:25:54,390 --> 00:25:52,960

that it's like an energy mismatch you

638

00:25:56,549 --> 00:25:54,400

know no matter how nice you be to the

639

00:25:59,990 --> 00:25:56,559

guys you just can't get along with them

640

00:26:01,350 --> 00:26:00,000

it's crazy like you all changed because

641

00:26:03,430 --> 00:26:01,360

there's something within you that

642

00:26:06,630 --> 00:26:03,440

changed

643

00:26:08,310 --> 00:26:06,640

yeah 100 i mean in my mind

644

00:26:10,230 --> 00:26:08,320

it's taken me years to figure this out

645

00:26:12,390 --> 00:26:10,240

but in my mind

646

00:26:13,750 --> 00:26:12,400

i actually remember the day that i went

647

00:26:15,029 --> 00:26:13,760

what am i doing

648

00:26:16,470 --> 00:26:15,039

i remember i was sitting in a board

649

00:26:17,590 --> 00:26:16,480

meeting and i sat there and i went what

650

00:26:19,269 --> 00:26:17,600

am i doing

651
00:26:21,190 --> 00:26:19,279
and it was about two weeks after that

652
00:26:24,070 --> 00:26:21,200
everything just changed and i mean

653
00:26:25,750 --> 00:26:24,080
everything right from my health to my

654
00:26:29,430 --> 00:26:25,760
world my views my

655
00:26:31,029 --> 00:26:29,440
everything just completely changed

656
00:26:32,710 --> 00:26:31,039
um unfortunately because of the health

657
00:26:36,630 --> 00:26:32,720
situation i overthought it

658
00:26:39,909 --> 00:26:36,640
but that's okay that's life right

659
00:26:41,029 --> 00:26:39,919
well no i just um um you know i i wanted

660
00:26:43,110 --> 00:26:41,039
to hear from you

661
00:26:44,789 --> 00:26:43,120
and and generally about what's going on

662
00:26:46,710 --> 00:26:44,799
there but um

663
00:26:48,710 --> 00:26:46,720

you know only when we were talking more

664

00:26:50,310 --> 00:26:48,720

did it did it kind of hit me that

665

00:26:51,830 --> 00:26:50,320

you know here we are on two different

666

00:26:53,269 --> 00:26:51,840

sides of the world you can have

667

00:26:55,269 --> 00:26:53,279

different conflicts but

668

00:26:58,549 --> 00:26:55,279

if you're not the vibration of that it's

669

00:27:01,669 --> 00:27:00,230

yeah i'm starting to believe that

670

00:27:03,430 --> 00:27:01,679

because if i look uh

671

00:27:05,510 --> 00:27:03,440

the word we used for synchronicity i

672

00:27:06,870 --> 00:27:05,520

mean i've got no other way of explaining

673

00:27:08,149 --> 00:27:06,880

what's happening to me at the moment

674

00:27:09,590 --> 00:27:08,159

because

675

00:27:12,310 --> 00:27:09,600

as i say i've been through a series of

676

00:27:14,390 --> 00:27:12,320

bad events uh personally in terms of

677

00:27:16,149 --> 00:27:14,400

people passing and all sorts of things

678

00:27:19,190 --> 00:27:16,159

but here i am

679

00:27:21,269 --> 00:27:19,200

no problem you know i'm so i'm literally

680

00:27:23,510 --> 00:27:21,279

standing here untouched

681

00:27:24,549 --> 00:27:23,520

right which if you watch the new which

682

00:27:27,590 --> 00:27:24,559

if you watch the news

683

00:27:30,549 --> 00:27:27,600

is freaking amazing

684

00:27:31,430 --> 00:27:30,559

right you know but it's um i think it's

685

00:27:34,710 --> 00:27:31,440

important that

686

00:27:36,870 --> 00:27:34,720

it truly has to be a true change within

687

00:27:37,909 --> 00:27:36,880

you can't fake it you can't fake it

688

00:27:40,310 --> 00:27:37,919

because vibrations

689

00:27:41,029 --> 00:27:40,320

you know it's you know there's it's a

690

00:27:44,149 --> 00:27:41,039

very

691

00:27:46,789 --> 00:27:44,159

cannot be counterfeited you know and

692

00:27:47,430 --> 00:27:46,799

uh it's basically you know you have to

693

00:27:51,190 --> 00:27:47,440

either

694

00:27:53,590 --> 00:27:51,200

truly buy into it and be make it be your

695

00:27:55,510 --> 00:27:53,600

reality you know or you're gonna you

696

00:27:56,310 --> 00:27:55,520

know gonna get smacked in the face every

697

00:27:57,750 --> 00:27:56,320

time saying

698

00:27:59,350 --> 00:27:57,760

but i was all positive i don't

699

00:28:01,190 --> 00:27:59,360

understand why do i have all this stuff

700

00:28:04,549 --> 00:28:01,200

in my life you know it's like um

701
00:28:07,830 --> 00:28:04,559
i'm sorry to say but there's a lot more

702
00:28:10,950 --> 00:28:09,510
yeah yeah i mean forgive my analogy for

703
00:28:11,750 --> 00:28:10,960
what i'm about to say you know but i

704
00:28:13,750 --> 00:28:11,760
come from a

705
00:28:15,830 --> 00:28:13,760
religious family very very religious

706
00:28:17,510 --> 00:28:15,840
family um we're talking about people

707
00:28:18,470 --> 00:28:17,520
that literally built a church brick by

708
00:28:21,350 --> 00:28:18,480
brick

709
00:28:22,389 --> 00:28:21,360
um and you know i was always told from a

710
00:28:24,389 --> 00:28:22,399
young age

711
00:28:25,669 --> 00:28:24,399
that no matter what you do you are

712
00:28:27,430 --> 00:28:25,679
responsible

713
00:28:29,510 --> 00:28:27,440

that's the end of it there's no argument

714

00:28:31,430 --> 00:28:29,520

there's no blaming you decided to do

715

00:28:33,909 --> 00:28:31,440

this you bear the consequences or you

716

00:28:36,789 --> 00:28:33,919

bear the fruits whichever way you go

717

00:28:37,909 --> 00:28:36,799

um and when when you take that to a new

718

00:28:41,190 --> 00:28:37,919

age translation

719

00:28:42,789 --> 00:28:41,200

basically it's it's that you know if you

720

00:28:44,710 --> 00:28:42,799

like i was if you're gonna go around

721

00:28:47,110 --> 00:28:44,720

being this capitalistic just

722

00:28:48,870 --> 00:28:47,120

thinking of people as deep pockets

723

00:28:51,269 --> 00:28:48,880

you're going to end up in a bad space

724

00:28:53,190 --> 00:28:51,279

and the funny thing is when i changed

725

00:28:54,630 --> 00:28:53,200

i mean i look at today those guys who

726

00:28:55,750 --> 00:28:54,640

are in the deep pockets are right in the

727

00:28:57,110 --> 00:28:55,760

thick of the

728

00:28:59,269 --> 00:28:57,120

you know they're the guys getting shot

729

00:29:02,630 --> 00:28:59,279

at correct

730

00:29:04,230 --> 00:29:02,640

so you know okay i may not have the

731

00:29:06,070 --> 00:29:04,240

lifestyle like i used to but

732

00:29:07,909 --> 00:29:06,080

i'm alive i'm safe i've got a roof over

733

00:29:09,590 --> 00:29:07,919

my head and i can eat and i'm standing

734

00:29:11,110 --> 00:29:09,600

in perfect safety

735

00:29:12,630 --> 00:29:11,120

talking to you to you guys halfway

736

00:29:16,070 --> 00:29:12,640

around the planet

737

00:29:18,389 --> 00:29:16,080

right well i mean at the end of the day

738

00:29:20,070 --> 00:29:18,399

wouldn't you think that uh the happiness

739

00:29:23,669 --> 00:29:20,080

you were able to find now

740

00:29:25,990 --> 00:29:23,679

you know outnumbers you know and and and

741

00:29:27,590 --> 00:29:26,000

i guess in a way overtakes you know any

742

00:29:29,430 --> 00:29:27,600

kind of happiness that you possibly

743

00:29:31,990 --> 00:29:29,440

could have gained before you decided you

744

00:29:35,190 --> 00:29:33,510

ah i'll be honest with you and then i

745

00:29:37,350 --> 00:29:35,200

don't think i decided i think i was

746

00:29:39,830 --> 00:29:37,360

forced

747

00:29:41,830 --> 00:29:39,840

i truly believe i truly believe this you

748

00:29:43,830 --> 00:29:41,840

know when i look at my life i honestly

749

00:29:46,870 --> 00:29:43,840

believe that i was forced

750

00:29:48,789 --> 00:29:46,880

for whatever reason yet to be seen but

751
00:29:50,310 --> 00:29:48,799
right

752
00:29:53,269 --> 00:29:50,320
you know there's things that i would

753
00:29:55,669 --> 00:29:53,279
have never noticed that i see today

754
00:29:57,269 --> 00:29:55,679
that i would never notice four years ago

755
00:29:59,110 --> 00:29:57,279
uh simple little things

756
00:30:00,870 --> 00:29:59,120
like happy family that didn't exist in

757
00:30:03,510 --> 00:30:00,880
my world not at all

758
00:30:05,110 --> 00:30:03,520
there was only in my world there were

759
00:30:05,750 --> 00:30:05,120
rich happy families or poor happy

760
00:30:08,230 --> 00:30:05,760
families

761
00:30:08,870 --> 00:30:08,240
and that's it so in other words my whole

762
00:30:11,029 --> 00:30:08,880
world view

763
00:30:13,190 --> 00:30:11,039

was revolving around money acquisition

764

00:30:16,630 --> 00:30:13,200

and

765

00:30:18,789 --> 00:30:16,640

right today today as i say besides

766

00:30:20,389 --> 00:30:18,799

what's going on in the country

767

00:30:21,990 --> 00:30:20,399

i've actually started to notice things

768

00:30:24,549 --> 00:30:22,000

like community and how

769

00:30:26,549 --> 00:30:24,559

important it is to to actually see

770

00:30:28,310 --> 00:30:26,559

people as people in other words

771

00:30:30,230 --> 00:30:28,320

people can make mistakes and that's okay

772

00:30:32,470 --> 00:30:30,240

not people make mistakes fire them and

773

00:30:34,310 --> 00:30:32,480

hit them in the ground you know so it's

774

00:30:38,149 --> 00:30:34,320

a complete for me it's a complete

775

00:30:41,430 --> 00:30:38,159

you know 180. right

776

00:30:43,110 --> 00:30:41,440

well um so regarding uh what else is

777

00:30:45,909 --> 00:30:43,120

going on there so today

778

00:30:46,710 --> 00:30:45,919

um and this is just purely from a news

779

00:30:48,470 --> 00:30:46,720

aspect

780

00:30:49,990 --> 00:30:48,480

uh there was supposed to be what

781

00:30:52,870 --> 00:30:50,000

initially uh 25

782

00:30:55,350 --> 00:30:52,880

000 troops dispatched to uh culture

783

00:30:58,470 --> 00:30:55,360

riots and now it's been what the entire

784

00:31:01,909 --> 00:30:58,480

uh national reserve

785

00:31:04,070 --> 00:31:01,919

yeah yeah correct 100 um you know the

786

00:31:05,350 --> 00:31:04,080

thing is with the

787

00:31:07,909 --> 00:31:05,360

i think i have to backtrack here a

788

00:31:10,630 --> 00:31:07,919

little bit sure the the rioters and loot

789

00:31:12,070 --> 00:31:10,640

and looters that are that are basically

790

00:31:13,509 --> 00:31:12,080

destroying the country it's not even

791

00:31:14,870 --> 00:31:13,519

about looting it's destroying they

792

00:31:16,630 --> 00:31:14,880

they're burning infrastructure they're

793

00:31:17,029 --> 00:31:16,640

burning everything they even tried to

794

00:31:20,470 --> 00:31:17,039

rush

795

00:31:21,990 --> 00:31:20,480

residential houses now what i'm saying

796

00:31:24,070 --> 00:31:22,000

is these people are not hungry they're

797

00:31:24,710 --> 00:31:24,080

stealing 42 inch tvs they're stealing

798

00:31:26,630 --> 00:31:24,720

fridges

799

00:31:27,990 --> 00:31:26,640

they you know they're taking cars off

800

00:31:32,470 --> 00:31:28,000

the showroom floor

801
00:31:34,630 --> 00:31:32,480
this is not hungry people so

802
00:31:36,549 --> 00:31:34,640
on top of that these guys are not i

803
00:31:37,350 --> 00:31:36,559
don't put it they're not educated and

804
00:31:39,190 --> 00:31:37,360
that's

805
00:31:41,269 --> 00:31:39,200
well the whole country's fault quite

806
00:31:41,909 --> 00:31:41,279
frankly but right it is what it is

807
00:31:44,630 --> 00:31:41,919
they're not

808
00:31:46,470 --> 00:31:44,640
orders and they're doing these

809
00:31:50,230 --> 00:31:46,480
horrendous acts and i mean

810
00:31:52,470 --> 00:31:50,240
horrendous um so the police can't get

811
00:31:55,350 --> 00:31:52,480
this under control in any civil way

812
00:31:56,470 --> 00:31:55,360
and when you've got residents willing to

813
00:31:59,269 --> 00:31:56,480

basically shoot kill

814

00:32:00,789 --> 00:31:59,279

shoot to kill it's disgusting it's

815

00:32:03,190 --> 00:32:00,799

inhumane

816

00:32:04,789 --> 00:32:03,200

now with the army taking place it's a

817

00:32:06,549 --> 00:32:04,799

bit more deterred because well

818

00:32:08,789 --> 00:32:06,559

when you see a tank you usually run the

819

00:32:12,070 --> 00:32:08,799

other way

820

00:32:13,190 --> 00:32:12,080

but if they don't admin i'm seriously

821

00:32:16,470 --> 00:32:13,200

worried because that's

822

00:32:18,470 --> 00:32:16,480

it's literally a massacre and you know

823

00:32:19,590 --> 00:32:18,480

regardless of what they've done nobody

824

00:32:23,590 --> 00:32:19,600

deserves to

825

00:32:29,350 --> 00:32:27,509

you know um you know we were

826
00:32:31,029 --> 00:32:29,360
similar thing here happen in the united

827
00:32:33,509 --> 00:32:31,039
states too where when you're

828
00:32:34,549 --> 00:32:33,519
when you're outside of this this uh

829
00:32:36,549 --> 00:32:34,559
blindfold

830
00:32:38,389 --> 00:32:36,559
you know it kind of puts you in this

831
00:32:40,870 --> 00:32:38,399
neutral position to just look at the

832
00:32:42,070 --> 00:32:40,880
situation and many different situations

833
00:32:43,750 --> 00:32:42,080
from like a

834
00:32:45,430 --> 00:32:43,760
neutral point of view to where it gives

835
00:32:47,190 --> 00:32:45,440
you an entirely different understanding

836
00:32:48,950 --> 00:32:47,200
of what the world is going on

837
00:32:50,230 --> 00:32:48,960
and so one thing that i saw in the

838
00:32:52,389 --> 00:32:50,240

united states it's like

839

00:32:54,310 --> 00:32:52,399

all these people running around just

840

00:32:56,310 --> 00:32:54,320

destroying everything you know just

841

00:32:57,590 --> 00:32:56,320

screaming on top of your lungs it's like

842

00:32:59,669 --> 00:32:57,600

freedom

843

00:33:00,630 --> 00:32:59,679

i'm like who the is oppressing you

844

00:33:02,789 --> 00:33:00,640

you know god

845

00:33:03,830 --> 00:33:02,799

and and you know it's one of these

846

00:33:06,070 --> 00:33:03,840

things to where

847

00:33:07,990 --> 00:33:06,080

you you're kind of looking around as a

848

00:33:10,230 --> 00:33:08,000

you know foreigner myself and

849

00:33:11,830 --> 00:33:10,240

basically ever since i was eight when we

850

00:33:13,190 --> 00:33:11,840

fled bosnia i've been a foreigner in

851
00:33:16,310 --> 00:33:13,200
every country i went to

852
00:33:17,430 --> 00:33:16,320
you know um you know and the the thing

853
00:33:18,870 --> 00:33:17,440
is especially you know

854
00:33:20,950 --> 00:33:18,880
having lived in the united states for as

855
00:33:22,789 --> 00:33:20,960
long as i have i'm kind of in the

856
00:33:24,310 --> 00:33:22,799
the heart of what you call the bible

857
00:33:25,909 --> 00:33:24,320
belt you know is what's called the bible

858
00:33:29,269 --> 00:33:25,919
belt in the united states

859
00:33:32,549 --> 00:33:29,279
and man what a difference of a world

860
00:33:33,990 --> 00:33:32,559
you know because i bought into what was

861
00:33:36,149 --> 00:33:34,000
told to me in the cities

862
00:33:38,470 --> 00:33:36,159
you know only when i moved outside of

863
00:33:40,950 --> 00:33:38,480

that to see it for myself did i

864

00:33:42,870 --> 00:33:40,960

did i really see america in americans

865

00:33:44,389 --> 00:33:42,880

you know in actual american food

866

00:33:46,310 --> 00:33:44,399

you know because in the cities there's

867

00:33:48,230 --> 00:33:46,320

always all this stuff that's um

868

00:33:49,750 --> 00:33:48,240

a version of you know you have you know

869

00:33:51,509 --> 00:33:49,760

they're like oh we got brought towards

870

00:33:52,950 --> 00:33:51,519

the sauerkraut i'm like that's german

871

00:33:54,870 --> 00:33:52,960

you know they're like we got hamburgers

872

00:33:56,710 --> 00:33:54,880

in this and like that's this country

873

00:33:57,909 --> 00:33:56,720

you know we have you know uh chicken

874

00:34:00,230 --> 00:33:57,919

fried rice i'm like that's

875

00:34:01,110 --> 00:34:00,240

asian you know chinese so whatever you

876
00:34:04,789 --> 00:34:01,120
know

877
00:34:05,350 --> 00:34:04,799
and so um anyway it kind of puts you in

878
00:34:07,269 --> 00:34:05,360
this

879
00:34:09,349 --> 00:34:07,279
you know neutral position to where you

880
00:34:11,829 --> 00:34:09,359
look at you look at this i'm like

881
00:34:12,550 --> 00:34:11,839
well okay i'm it's not my reality i

882
00:34:14,389 --> 00:34:12,560
understand

883
00:34:15,829 --> 00:34:14,399
you know whatever i need to do i went

884
00:34:18,149 --> 00:34:15,839
and did but

885
00:34:20,389 --> 00:34:18,159
you can see a script you can see a

886
00:34:22,230 --> 00:34:20,399
script that something is going on

887
00:34:23,669 --> 00:34:22,240
and it's being pushed by whatever

888
00:34:25,750 --> 00:34:23,679

mainstream media is out there

889

00:34:27,750 --> 00:34:25,760

there's you know god love them you know

890

00:34:28,230 --> 00:34:27,760

there's fox news here they're trying to

891

00:34:30,310 --> 00:34:28,240

be

892

00:34:31,589 --> 00:34:30,320

you know the the opposite view but even

893

00:34:33,669 --> 00:34:31,599

they are

894

00:34:35,669 --> 00:34:33,679

you know very much scripted it was very

895

00:34:37,349 --> 00:34:35,679

clear during the during the elections

896

00:34:39,909 --> 00:34:37,359

that were going on here that you know

897

00:34:41,909 --> 00:34:39,919

who's running the show you know and and

898

00:34:44,149 --> 00:34:41,919

what side they're really on you know

899

00:34:45,270 --> 00:34:44,159

the point here is it's it's not about

900

00:34:47,190 --> 00:34:45,280

sides it's about

901
00:34:48,310 --> 00:34:47,200
truth you know and none of the

902
00:34:50,470 --> 00:34:48,320
mainstream media

903
00:34:51,990 --> 00:34:50,480
you know chose truth you know when you

904
00:34:54,149 --> 00:34:52,000
look at them and what they tell you

905
00:34:55,030 --> 00:34:54,159
you can within five minutes find an

906
00:34:57,589 --> 00:34:55,040
opposite view

907
00:34:58,230 --> 00:34:57,599
and if not find a contradiction you know

908
00:35:00,710 --> 00:34:58,240
that would

909
00:35:02,470 --> 00:35:00,720
you know prove it with a fact you know

910
00:35:03,670 --> 00:35:02,480
but it's only possible when you really

911
00:35:05,750 --> 00:35:03,680
stay in this neutral

912
00:35:07,430 --> 00:35:05,760
neutral point um do you have anything to

913
00:35:09,109 --> 00:35:07,440

say regarding that you know about a

914

00:35:10,780 --> 00:35:09,119

certain state of mind and looking at

915

00:35:12,150 --> 00:35:10,790

information from a neutral point

916

00:35:15,270 --> 00:35:12,160

[Music]

917

00:35:17,750 --> 00:35:15,280

oh yes um a major part of my

918

00:35:19,190 --> 00:35:17,760

my career has been about information

919

00:35:23,190 --> 00:35:19,200

analysis

920

00:35:25,990 --> 00:35:23,200

particularly for security purposes and

921

00:35:27,030 --> 00:35:26,000

i can tell you something i can give a

922

00:35:29,589 --> 00:35:27,040

piece of data

923

00:35:30,390 --> 00:35:29,599

to you and myself even though we

924

00:35:32,390 --> 00:35:30,400

probably

925

00:35:34,470 --> 00:35:32,400

have similar mindsets we would come up

926
00:35:36,550 --> 00:35:34,480
with two totally different outcomes or

927
00:35:39,030 --> 00:35:36,560
interpretations of that data

928
00:35:40,870 --> 00:35:39,040
and that's purely because we're human

929
00:35:42,069 --> 00:35:40,880
we've each got our biases we've each got

930
00:35:44,550 --> 00:35:42,079
our experiences which

931
00:35:45,190 --> 00:35:44,560
sort of dictates the way we are and

932
00:35:48,230 --> 00:35:45,200
think

933
00:35:48,790 --> 00:35:48,240
for most people um a lot of some people

934
00:35:52,310 --> 00:35:48,800
have gone

935
00:35:54,150 --> 00:35:52,320
beyond that but very few um so so what

936
00:35:56,150 --> 00:35:54,160
i'm saying is is like

937
00:35:57,670 --> 00:35:56,160
if you remember this is a human issue

938
00:36:01,510 --> 00:35:57,680

and not a

939

00:36:03,349 --> 00:36:01,520

how do i put it a gender issue

940

00:36:05,510 --> 00:36:03,359

then the people at the news are also

941

00:36:06,230 --> 00:36:05,520

human so no matter what data you give

942

00:36:07,510 --> 00:36:06,240

them

943

00:36:10,230 --> 00:36:07,520

they're going to interpret it the way

944

00:36:12,550 --> 00:36:10,240

that they can what makes it bad though

945

00:36:14,390 --> 00:36:12,560

is when you do have an agenda running in

946

00:36:15,670 --> 00:36:14,400

tandem with that

947

00:36:17,829 --> 00:36:15,680

because now you've got a recipe for

948

00:36:20,950 --> 00:36:17,839

disaster because now you've got

949

00:36:22,870 --> 00:36:20,960

bias which is already not truth and

950

00:36:24,550 --> 00:36:22,880

you've got whatever agenda running in

951
00:36:26,470 --> 00:36:24,560
the mix now

952
00:36:27,840 --> 00:36:26,480
what do you end up with chicken

953
00:36:29,910 --> 00:36:27,850
soup who knows

954
00:36:31,910 --> 00:36:29,920
[Laughter]

955
00:36:33,109 --> 00:36:31,920
so do you find do you see that a lot in

956
00:36:35,430 --> 00:36:33,119
the media now in

957
00:36:36,950 --> 00:36:35,440
south africa like is it how hard is it

958
00:36:38,710 --> 00:36:36,960
to find information

959
00:36:41,109 --> 00:36:38,720
for accurate information about what's

960
00:36:42,950 --> 00:36:41,119
going on

961
00:36:44,790 --> 00:36:42,960
oh no look at the moment they it's

962
00:36:46,390 --> 00:36:44,800
blatant they can't

963
00:36:47,990 --> 00:36:46,400

there's zero agenda at the moment

964

00:36:49,910 --> 00:36:48,000

because it's so bad

965

00:36:51,589 --> 00:36:49,920

they they i mean we can look at our

966

00:36:52,950 --> 00:36:51,599

windows and see black smoke coming out

967

00:36:54,790 --> 00:36:52,960

the place it's literally a

968

00:36:58,470 --> 00:36:54,800

war playground it's you mean that's the

969

00:37:01,829 --> 00:36:58,480

same ghost they can't sugarcoat this one

970

00:37:05,109 --> 00:37:01,839

exactly exactly you know

971

00:37:07,750 --> 00:37:05,119

uh so i mean the media are pretty tired

972

00:37:09,910 --> 00:37:07,760

but prior to that in south africa we

973

00:37:11,030 --> 00:37:09,920

have what what's called sabc south

974

00:37:13,990 --> 00:37:11,040

african broadcast

975

00:37:14,390 --> 00:37:14,000

communications or channel that's the

976
00:37:16,950 --> 00:37:14,400
main

977
00:37:18,150 --> 00:37:16,960
sort of local news then you've got

978
00:37:22,630 --> 00:37:18,160
another channel called

979
00:37:24,550 --> 00:37:22,640
enus now if you watched e-news

980
00:37:26,870 --> 00:37:24,560
it's it's it's owned by a businessman

981
00:37:29,750 --> 00:37:26,880
but it's very pro-anc

982
00:37:31,589 --> 00:37:29,760
which is the major governing uh

983
00:37:32,950 --> 00:37:31,599
political party

984
00:37:35,589 --> 00:37:32,960
now when you watch the news channel

985
00:37:36,950 --> 00:37:35,599
everything is our glorious leader others

986
00:37:39,430 --> 00:37:36,960
are that it's all

987
00:37:41,670 --> 00:37:39,440
all utter you might as

988
00:37:44,150 --> 00:37:41,680

well just brainwash yourself

989

00:37:46,069 --> 00:37:44,160

when you switch to savc now you've got a

990

00:37:48,550 --> 00:37:46,079

problem because you got three channels

991

00:37:50,230 --> 00:37:48,560

one aim for black people one aim for

992

00:37:51,190 --> 00:37:50,240

indian people and the other one for

993

00:37:54,390 --> 00:37:51,200

white people

994

00:37:57,109 --> 00:37:54,400

and it's blatant it's not even

995

00:37:57,910 --> 00:37:57,119

it's not sugar coated any idiot can tell

996

00:37:59,510 --> 00:37:57,920

you

997

00:38:01,430 --> 00:37:59,520

that what they put on there is tailored

998

00:38:02,790 --> 00:38:01,440

for a specific nation

999

00:38:04,870 --> 00:38:02,800

now what i'm saying is how are you going

1000

00:38:06,950 --> 00:38:04,880

to promote um

1001
00:38:09,190 --> 00:38:06,960
unity when you're preaching three

1002
00:38:12,390 --> 00:38:09,200
different messages

1003
00:38:14,310 --> 00:38:12,400
it's impossible it's impossible but but

1004
00:38:15,510 --> 00:38:14,320
unfortunately like i said the math as an

1005
00:38:18,790 --> 00:38:15,520
essay

1006
00:38:21,670 --> 00:38:18,800
are not educated so

1007
00:38:22,550 --> 00:38:21,680
they get away with it right and hence

1008
00:38:26,950 --> 00:38:22,560
well

1009
00:38:28,710 --> 00:38:26,960
right

1010
00:38:30,150 --> 00:38:28,720
well some of you out there watching if

1011
00:38:31,190 --> 00:38:30,160
there's something in the comments that

1012
00:38:33,349 --> 00:38:31,200
you would like to

1013
00:38:35,109 --> 00:38:33,359

write out your story please do uh if

1014

00:38:36,790 --> 00:38:35,119

it's something you want me to look at

1015

00:38:38,630 --> 00:38:36,800

and and read out on

1016

00:38:40,069 --> 00:38:38,640

on the stream please make sure to use

1017

00:38:42,150 --> 00:38:40,079

the three stars

1018

00:38:43,109 --> 00:38:42,160

before you put your statement down i'd

1019

00:38:45,109 --> 00:38:43,119

appreciate that

1020

00:38:46,870 --> 00:38:45,119

so that way i know it's meant for me to

1021

00:38:48,710 --> 00:38:46,880

to go out there i'm sorry bradley go

1022

00:38:49,990 --> 00:38:48,720

ahead

1023

00:38:51,910 --> 00:38:50,000

all right i just want to add one thing

1024

00:38:53,510 --> 00:38:51,920

to that i am going to state that this is

1025

00:38:55,349 --> 00:38:53,520

secondhand information so obviously it's

1026

00:38:58,790 --> 00:38:55,359

subject to error

1027

00:39:00,550 --> 00:38:58,800

um a friend of my dad was a intelligence

1028

00:39:01,190 --> 00:39:00,560

offer back in apartheid years for those

1029

00:39:04,470 --> 00:39:01,200

who don't know

1030

00:39:05,349 --> 00:39:04,480

part 8 was segregation where black

1031

00:39:07,750 --> 00:39:05,359

people stayed

1032

00:39:09,430 --> 00:39:07,760

in one area indian people another area

1033

00:39:12,550 --> 00:39:09,440

and white people in another area

1034

00:39:14,230 --> 00:39:12,560

it was a complete nightmare so in other

1035

00:39:15,670 --> 00:39:14,240

words if anyone went over the lines

1036

00:39:19,270 --> 00:39:15,680

basically you were shot and killed

1037

00:39:23,030 --> 00:39:19,280

end of story that only ended in 1994

1038

00:39:26,150 --> 00:39:23,040

so this is not you know that long ago

1039

00:39:28,550 --> 00:39:26,160

so anyway just talking about the news

1040

00:39:30,069 --> 00:39:28,560

this man's job was to go into

1041

00:39:33,349 --> 00:39:30,079

universities and sway

1042

00:39:36,390 --> 00:39:33,359

lecturers for basically um

1043

00:39:38,470 --> 00:39:36,400

altering the history books towards the

1044

00:39:41,030 --> 00:39:38,480

the uh well what's the word i'm looking

1045

00:39:43,750 --> 00:39:41,040

for the governing party's interests

1046

00:39:45,190 --> 00:39:43,760

at the time now that i know firsthand i

1047

00:39:47,750 --> 00:39:45,200

was sitting there while this

1048

00:39:50,310 --> 00:39:47,760

was being very proud of this

1049

00:39:53,430 --> 00:39:50,320

so what i'm saying is if that happened

1050

00:39:56,470 --> 00:39:53,440

what's to say that's not happening today

1051

00:39:58,950 --> 00:39:56,480

right i don't think it ever stopped

1052

00:40:01,109 --> 00:39:58,960

you know to be honest uh um i don't know

1053

00:40:02,630 --> 00:40:01,119

why i said to be honest

1054

00:40:04,230 --> 00:40:02,640

i don't know why sometimes it's a habit

1055

00:40:05,910 --> 00:40:04,240

before you start a sentence it really

1056

00:40:08,790 --> 00:40:05,920

would make no sense to say that

1057

00:40:10,069 --> 00:40:08,800

but um there's a documentary i learned

1058

00:40:12,150 --> 00:40:10,079

of today and i'm trying to

1059

00:40:13,190 --> 00:40:12,160

remember the name of it it's actually

1060

00:40:14,790 --> 00:40:13,200

very interesting

1061

00:40:16,470 --> 00:40:14,800

i would recommend that to everybody it's

1062

00:40:18,390 --> 00:40:16,480

about propaganda

1063

00:40:20,470 --> 00:40:18,400

you know and the history of propaganda

1064

00:40:22,870 --> 00:40:20,480

and how it came about and it's um

1065

00:40:23,990 --> 00:40:22,880

you know um like with everything in my

1066

00:40:26,790 --> 00:40:24,000

life i'm going to take it in

1067

00:40:27,910 --> 00:40:26,800

watch it i don't know that i can you

1068

00:40:29,589 --> 00:40:27,920

know maybe

1069

00:40:31,510 --> 00:40:29,599

many years down the road maybe a few

1070

00:40:34,710 --> 00:40:31,520

weeks you know later i'll get

1071

00:40:36,950 --> 00:40:34,720

other you know more supporting

1072

00:40:38,230 --> 00:40:36,960

facts about whether or not how accurate

1073

00:40:39,829 --> 00:40:38,240

a documentary is

1074

00:40:41,589 --> 00:40:39,839

but it seemed interesting just a little

1075

00:40:43,270 --> 00:40:41,599

bit that i watched um

1076

00:40:44,790 --> 00:40:43,280

hopefully hopefully i'll you know if

1077

00:40:45,670 --> 00:40:44,800

it's not too late today and if i have

1078

00:40:47,589 --> 00:40:45,680

some energy

1079

00:40:52,309 --> 00:40:47,599

i might want to sit down and watch it

1080

00:40:53,349 --> 00:40:52,319

with my wife but it's called um what is

1081

00:40:55,670 --> 00:40:53,359

it called

1082

00:40:58,870 --> 00:40:55,680

let me see here i want to find a name

1083

00:41:02,150 --> 00:41:01,030

and it's uh it basically starts out with

1084

00:41:06,230 --> 00:41:02,160

sigmund freud

1085

00:41:11,109 --> 00:41:06,240

and um his nephew i believe

1086

00:41:11,119 --> 00:41:17,430

kind of started out

1087

00:41:22,710 --> 00:41:20,069

started out the the concept of

1088

00:41:25,349 --> 00:41:22,720

propaganda

1089

00:41:27,190 --> 00:41:25,359

okay let me see here oh it's gotta be

1090

00:41:30,309 --> 00:41:27,200

world war two

1091

00:41:33,910 --> 00:41:30,319

okay i'm glad it didn't blare into the

1092

00:41:34,790 --> 00:41:33,920

ears of everyone i have again because i

1093

00:41:39,829 --> 00:41:34,800

opened this

1094

00:41:43,109 --> 00:41:41,910

was just blasting into my ears it's

1095

00:41:46,829 --> 00:41:43,119

called the

1096

00:41:48,390 --> 00:41:46,839

the century of self and it came out in

1097

00:41:50,150 --> 00:41:48,400

2002

1098

00:41:52,390 --> 00:41:50,160

and i believe there's a free version of

1099

00:41:55,750 --> 00:41:52,400

it um online if you just

1100

00:41:57,589 --> 00:41:55,760

search the century of self and

1101
00:42:00,230 --> 00:41:57,599
it would come up on youtube so you can

1102
00:42:01,990 --> 00:42:00,240
watch it and uh it seems it's it's you

1103
00:42:04,710 --> 00:42:02,000
know it's in a four by three format

1104
00:42:06,550 --> 00:42:04,720
so it's it's not your typical wide wide

1105
00:42:10,390 --> 00:42:06,560
screen because 2002 they haven't quite

1106
00:42:12,069 --> 00:42:10,400
shifted over to 16 by nine yet um

1107
00:42:14,069 --> 00:42:12,079
but anyway what i was going to say it's

1108
00:42:15,510 --> 00:42:14,079
it's uh it seems something it seems like

1109
00:42:21,349 --> 00:42:15,520
it would have a lot of information that

1110
00:42:25,910 --> 00:42:24,309
okay um so bradley do you mind then if i

1111
00:42:28,230 --> 00:42:25,920
uh put you in hold and then

1112
00:42:30,710 --> 00:42:28,240
check with uh fab 22 and then talk to

1113
00:42:32,390 --> 00:42:30,720

him about friends

1114

00:42:34,390 --> 00:42:32,400

yeah yeah no thanks for the opportunity

1115

00:42:35,430 --> 00:42:34,400

for you know trying to get you guys the

1116

00:42:37,670 --> 00:42:35,440

right info from

1117

00:42:38,870 --> 00:42:37,680

sort of someone who's in the thick of it

1118

00:42:40,390 --> 00:42:38,880

rather than trying to

1119

00:42:42,230 --> 00:42:40,400

listen through all the relevant channels

1120

00:42:43,430 --> 00:42:42,240

which normally get it wrong so thanks

1121

00:42:45,670 --> 00:42:43,440

for that

1122

00:42:46,950 --> 00:42:45,680

no thank you and you know hang tight i

1123

00:42:48,550 --> 00:42:46,960

know you usually do

1124

00:42:51,190 --> 00:42:48,560

i might come come back to you but i

1125

00:42:55,190 --> 00:42:51,200

can't make any promises

1126
00:42:58,230 --> 00:42:55,200
yeah no worries okay all right thank you

1127
00:43:00,710 --> 00:42:58,240
all right let me see

1128
00:43:01,430 --> 00:43:00,720
how just real quick before i switch over

1129
00:43:02,860 --> 00:43:01,440
i want to

1130
00:43:05,990 --> 00:43:02,870
see how the

1131
00:43:06,000 --> 00:43:10,150
the chat is going

1132
00:43:19,349 --> 00:43:15,349
adam eater uh welcome paul welcome

1133
00:43:21,510 --> 00:43:19,359
uh the fruity yogi welcome

1134
00:43:23,670 --> 00:43:21,520
says check out cosmic agency best

1135
00:43:25,030 --> 00:43:23,680
disclosure year for channel

1136
00:43:27,270 --> 00:43:25,040
y'all make sure you check that channel

1137
00:43:31,510 --> 00:43:27,280
out um

1138
00:43:35,589 --> 00:43:31,520

fab 22 welcome and mohawk marx 6

1139

00:43:42,069 --> 00:43:39,030

fab i hope uh you are ready i've

1140

00:43:45,750 --> 00:43:42,079

muted you i'm mute yourself and

1141

00:43:53,030 --> 00:43:49,349

hi everyone can you hear me

1142

00:43:54,790 --> 00:43:53,040

yes i can hear you now how are you

1143

00:43:56,150 --> 00:43:54,800

yeah not too bad not too bad you know as

1144

00:43:57,510 --> 00:43:56,160

you know it's a bit early so

1145

00:44:00,950 --> 00:43:57,520

it's all right i had my coffin a

1146

00:44:03,829 --> 00:44:00,960

cigarette i'm uh i'm i'm i'm good now

1147

00:44:05,190 --> 00:44:03,839

so uh fab please tell me about uh i

1148

00:44:06,870 --> 00:44:05,200

guess we talked about it a little bit

1149

00:44:08,150 --> 00:44:06,880

earlier today and um

1150

00:44:10,309 --> 00:44:08,160

you know i want to hear your thoughts

1151
00:44:11,670 --> 00:44:10,319
about you know the subject i was

1152
00:44:12,470 --> 00:44:11,680
covering about earlier today about

1153
00:44:14,710 --> 00:44:12,480
what's going on

1154
00:44:15,589 --> 00:44:14,720
in france is you know they call it what

1155
00:44:18,309 --> 00:44:15,599
the the

1156
00:44:21,190 --> 00:44:18,319
bastille day uh protest and can you

1157
00:44:24,230 --> 00:44:21,200
speak a little bit about that please

1158
00:44:27,910 --> 00:44:24,240
uh yes yes i am of course uh i haven't

1159
00:44:30,309 --> 00:44:27,920
got the tv why am i you know it's uh

1160
00:44:32,150 --> 00:44:30,319
i'm i'm a little bit recluse from uh

1161
00:44:34,870 --> 00:44:32,160
what is news etc

1162
00:44:36,150 --> 00:44:34,880
i do follow it on social media just just

1163
00:44:39,750 --> 00:44:36,160

to keep a little bit of

1164

00:44:41,910 --> 00:44:39,760

a life in this world but uh

1165

00:44:43,349 --> 00:44:41,920

it seems that we had uh yeah a few

1166

00:44:46,390 --> 00:44:43,359

protests in a few

1167

00:44:48,870 --> 00:44:46,400

cities uh luckily you know it's not

1168

00:44:50,470 --> 00:44:48,880

gone to the stage uh but you know we do

1169

00:44:53,990 --> 00:44:50,480

see in south africa

1170

00:44:55,750 --> 00:44:54,000

uh and all my my fault

1171

00:44:57,589 --> 00:44:55,760

in prayers actually do go there you know

1172

00:44:58,550 --> 00:44:57,599

it's uh it's very terrible what's

1173

00:45:01,030 --> 00:44:58,560

happening

1174

00:45:03,430 --> 00:45:01,040

but uh over here we've had uh yes a few

1175

00:45:06,870 --> 00:45:03,440

protests you know it's been

1176

00:45:07,750 --> 00:45:06,880

pretty quiet as far as violence is

1177

00:45:10,230 --> 00:45:07,760

concerned

1178

00:45:12,790 --> 00:45:10,240

uh i think that the government the

1179

00:45:14,870 --> 00:45:12,800

anti-riot

1180

00:45:17,510 --> 00:45:14,880

pulses that we have you know they've

1181

00:45:21,030 --> 00:45:17,520

been pretty quick to sort of

1182

00:45:22,069 --> 00:45:21,040

quell shiny sort of uh bad stuff going

1183

00:45:23,349 --> 00:45:22,079

on but

1184

00:45:25,020 --> 00:45:23,359

obviously people are extremely

1185

00:45:26,790 --> 00:45:25,030

frustrated over here

1186

00:45:28,630 --> 00:45:26,800

[Music]

1187

00:45:31,349 --> 00:45:28,640

if i'm not mistaken this is regarding

1188

00:45:34,470 --> 00:45:31,359

mandatory vaccination right

1189

00:45:38,309 --> 00:45:34,480

yes first one is it's it's going to get

1190

00:45:39,990 --> 00:45:38,319

that way our government is really trying

1191

00:45:43,030 --> 00:45:40,000

to push the law that

1192

00:45:44,870 --> 00:45:43,040

you know you need to be vaccinated and

1193

00:45:48,069 --> 00:45:44,880

if you're not you know you find yourself

1194

00:45:50,069 --> 00:45:48,079

extremely restricted in your daily life

1195

00:45:51,349 --> 00:45:50,079

as an example you cannot go to a

1196

00:45:53,990 --> 00:45:51,359

supermarket to

1197

00:45:56,150 --> 00:45:54,000

buy food if you're not vaccinated you

1198

00:45:57,829 --> 00:45:56,160

need to have a health passport

1199

00:46:00,390 --> 00:45:57,839

so you need to have documentation but

1200

00:46:02,150 --> 00:46:00,400

provide you been vaccinated if you have

1201

00:46:03,990 --> 00:46:02,160

that you can go and buy food

1202

00:46:05,510 --> 00:46:04,000

and if you don't have it then you can't

1203

00:46:08,950 --> 00:46:05,520

go and buy food

1204

00:46:13,349 --> 00:46:08,960

you cannot use a public transport

1205

00:46:16,470 --> 00:46:15,109

confined back home basically and you're

1206

00:46:19,589 --> 00:46:16,480

not basically allowed to

1207

00:46:21,510 --> 00:46:19,599

really life so obviously the majority of

1208

00:46:22,790 --> 00:46:21,520

people are a little bit concerned about

1209

00:46:26,230 --> 00:46:22,800

that

1210

00:46:32,150 --> 00:46:28,870

not not so many you know it's um the

1211

00:46:34,950 --> 00:46:32,160

police freaking about 20 000 people so

1212

00:46:36,069 --> 00:46:34,960

let's say about 20 or 200 000 people in

1213

00:46:39,030 --> 00:46:36,079

truth

1214

00:46:40,069 --> 00:46:39,040

unfortunately we have uh we have a

1215

00:46:42,069 --> 00:46:40,079

europe when

1216

00:46:43,510 --> 00:46:42,079

when there is a protest there is a group

1217

00:46:46,870 --> 00:46:43,520

which is specialized in

1218

00:46:48,309 --> 00:46:46,880

in creating mayhem so every time there

1219

00:46:52,790 --> 00:46:48,319

is a

1220

00:46:55,510 --> 00:46:52,800

small group of people

1221

00:46:56,150 --> 00:46:55,520

and a kiss or whatever you want to call

1222

00:46:59,349 --> 00:46:56,160

them

1223

00:47:01,990 --> 00:46:59,359

that uh quite simply uses that situation

1224

00:47:03,589 --> 00:47:02,000

to to go on the right and burn things

1225

00:47:06,309 --> 00:47:03,599

and destroy things etc

1226

00:47:08,950 --> 00:47:06,319

so would you say they they gave them a

1227

00:47:13,190 --> 00:47:11,510

exactly that way that's exactly that and

1228

00:47:16,790 --> 00:47:13,200

uh

1229

00:47:17,349 --> 00:47:16,800

so what starts up as a peaceful protest

1230

00:47:20,790 --> 00:47:17,359

you know

1231

00:47:22,950 --> 00:47:20,800

ends up being a riot with with the nt

1232

00:47:23,990 --> 00:47:22,960

riot people just doing their job

1233

00:47:27,270 --> 00:47:24,000

basically and

1234

00:47:30,950 --> 00:47:27,280

and running into that so

1235

00:47:31,829 --> 00:47:30,960

it kind of looks like the the protests

1236

00:47:33,829 --> 00:47:31,839

have been questioned

1237

00:47:35,030 --> 00:47:33,839

very quickly which is a good thing but

1238

00:47:37,030 --> 00:47:35,040

unfortunately the

1239

00:47:38,150 --> 00:47:37,040

the real message the true message that

1240

00:47:41,510 --> 00:47:38,160

people have

1241

00:47:43,270 --> 00:47:41,520

is actually being distorted in such a

1242

00:47:44,870 --> 00:47:43,280

way that

1243

00:47:46,549 --> 00:47:44,880

the government goes in here and you

1244

00:47:49,190 --> 00:47:46,559

listen there is riot so

1245

00:47:50,470 --> 00:47:49,200

therefore everybody needs to go home are

1246

00:47:52,150 --> 00:47:50,480

you so don't you

1247

00:47:53,750 --> 00:47:52,160

just real quick you mean the the the

1248

00:47:54,630 --> 00:47:53,760

riots are squelched quickly because

1249

00:47:56,790 --> 00:47:54,640

protest

1250

00:47:58,630 --> 00:47:56,800

by by definition it's not violent

1251
00:48:00,790 --> 00:47:58,640
protest is just simply

1252
00:48:02,390 --> 00:48:00,800
protesting against something you don't

1253
00:48:04,150 --> 00:48:02,400
agree i mean

1254
00:48:07,430 --> 00:48:04,160
am i are we on the same page regarding

1255
00:48:09,829 --> 00:48:07,440
that we are exactly on the same stage

1256
00:48:10,870 --> 00:48:09,839
in uh in france no you do have the right

1257
00:48:13,829 --> 00:48:10,880
to uh

1258
00:48:16,230 --> 00:48:13,839
to protest obviously you need to have uh

1259
00:48:18,150 --> 00:48:16,240
authorization

1260
00:48:19,589 --> 00:48:18,160
uh through the mayor to protest and once

1261
00:48:21,430 --> 00:48:19,599
your authorization has

1262
00:48:23,030 --> 00:48:21,440
been given then you can go and protest

1263
00:48:26,150 --> 00:48:23,040

uh

1264

00:48:28,950 --> 00:48:26,160

you basically decide this sun

1265

00:48:30,230 --> 00:48:28,960

i'm gonna go uh invite straight to that

1266

00:48:32,470 --> 00:48:30,240

street in this town

1267

00:48:33,670 --> 00:48:32,480

with that many thousand people or

1268

00:48:35,589 --> 00:48:33,680

whatever it is

1269

00:48:37,349 --> 00:48:35,599

right and we are warning you in advance

1270

00:48:39,109 --> 00:48:37,359

that the people are going to go in the

1271

00:48:42,630 --> 00:48:39,119

streets right and to sub

1272

00:48:44,390 --> 00:48:42,640

quite quite easily and simply

1273

00:48:45,990 --> 00:48:44,400

start to demonstrate but we're not happy

1274

00:48:48,069 --> 00:48:46,000

about this we're not happy about that

1275

00:48:51,030 --> 00:48:48,079

saying when this is authorized you have

1276

00:48:54,390 --> 00:48:51,040

the right to go and protest

1277

00:48:56,150 --> 00:48:54,400

right right and usually when it gets

1278

00:48:57,829 --> 00:48:56,160

out of hand i was talking about this

1279

00:49:00,230 --> 00:48:57,839

small group of people

1280

00:49:01,670 --> 00:49:00,240

all right they actually intermingled

1281

00:49:04,230 --> 00:49:01,680

with with the protester

1282

00:49:06,150 --> 00:49:04,240

and then starts creating mayhems and

1283

00:49:07,270 --> 00:49:06,160

start burning things cars throwing

1284

00:49:10,470 --> 00:49:07,280

stones

1285

00:49:10,870 --> 00:49:10,480

cleavage in stores etc etc in such a way

1286

00:49:14,150 --> 00:49:10,880

that

1287

00:49:16,549 --> 00:49:14,160

the police has to respond and

1288

00:49:17,990 --> 00:49:16,559

basically it turns into a sort of street

1289

00:49:20,069 --> 00:49:18,000

fight

1290

00:49:22,230 --> 00:49:20,079

you know fab what i don't understand is

1291

00:49:25,430 --> 00:49:22,240

uh i don't know if you can speak to this

1292

00:49:27,910 --> 00:49:25,440

you know these different presidents and

1293

00:49:28,470 --> 00:49:27,920

officials that were elected you know to

1294

00:49:30,390 --> 00:49:28,480

be

1295

00:49:31,510 --> 00:49:30,400

basically managing the country and all

1296

00:49:33,750 --> 00:49:31,520

these different things

1297

00:49:36,230 --> 00:49:33,760

how do they not see that this is you

1298

00:49:36,790 --> 00:49:36,240

know stepping over into dictatorship to

1299

00:49:39,910 --> 00:49:36,800

where

1300

00:49:41,030 --> 00:49:39,920

you now are gonna go against what people

1301

00:49:43,030 --> 00:49:41,040

want and you're gonna

1302

00:49:45,109 --> 00:49:43,040

make your own statement because it's for

1303

00:49:46,390 --> 00:49:45,119

their safety therefore you're just going

1304

00:49:48,230 --> 00:49:46,400

to implement it

1305

00:49:49,589 --> 00:49:48,240

no matter what they what they think

1306

00:49:51,990 --> 00:49:49,599

about or feel about

1307

00:49:53,589 --> 00:49:52,000

you know why do they especially in in in

1308

00:49:55,109 --> 00:49:53,599

europa in france you know you would have

1309

00:49:55,750 --> 00:49:55,119

thought they understood the difference

1310

00:49:57,109 --> 00:49:55,760

between

1311

00:50:01,190 --> 00:49:57,119

you know government body and the

1312

00:50:07,190 --> 00:50:04,390

well it all goes under the famous level

1313

00:50:10,309 --> 00:50:07,200

level of democracy

1314

00:50:10,630 --> 00:50:10,319

and as soon as you promote an id which

1315

00:50:19,190 --> 00:50:10,640

is

1316

00:50:21,589 --> 00:50:19,200

since the beginning you know we're

1317

00:50:24,230 --> 00:50:21,599

talking about bastille day really when

1318

00:50:25,030 --> 00:50:24,240

when the the power was was given back to

1319

00:50:27,349 --> 00:50:25,040

the people

1320

00:50:28,470 --> 00:50:27,359

and that was quite quite all right

1321

00:50:30,470 --> 00:50:28,480

actually

1322

00:50:31,990 --> 00:50:30,480

you know we we started to make a lot of

1323

00:50:35,430 --> 00:50:32,000

changes which was really good

1324

00:50:37,750 --> 00:50:35,440

and obviously when this power was

1325

00:50:39,270 --> 00:50:37,760

started to really come out with some

1326
00:50:40,150 --> 00:50:39,280
some good thing there was some seeds

1327
00:50:42,470 --> 00:50:40,160
planted there

1328
00:50:43,990 --> 00:50:42,480
for for the freedom of the people well

1329
00:50:46,390 --> 00:50:44,000
obviously all this has been

1330
00:50:47,430 --> 00:50:46,400
let's say hijacked by certain groups of

1331
00:50:50,950 --> 00:50:47,440
people

1332
00:50:53,589 --> 00:50:50,960
and i think i've got a good analogy here

1333
00:50:55,670 --> 00:50:53,599
with what happened in russia

1334
00:50:57,430 --> 00:50:55,680
when they had the revolution with

1335
00:51:00,950 --> 00:50:57,440
communism and everything in

1336
00:51:03,990 --> 00:51:00,960
and everything was shared

1337
00:51:08,230 --> 00:51:04,000
it was really coming from a very good id

1338
00:51:10,630 --> 00:51:08,240

but somewhere along the lines some some

1339

00:51:11,670 --> 00:51:10,640

group of people uh decided to simply

1340

00:51:14,710 --> 00:51:11,680

hijack all this

1341

00:51:17,990 --> 00:51:14,720

and from democracy we turned back into

1342

00:51:21,510 --> 00:51:18,000

a autocracy orgraphy with

1343

00:51:24,309 --> 00:51:21,520

a few people holding the rights legacy

1344

00:51:27,109 --> 00:51:24,319

holding all the decisions right except

1345

00:51:29,510 --> 00:51:27,119

that they are not dictators they are not

1346

00:51:31,430 --> 00:51:29,520

uh kings there are just some people who

1347

00:51:33,829 --> 00:51:31,440

have been elected

1348

00:51:34,549 --> 00:51:33,839

and they've just taken the opportunity

1349

00:51:38,710 --> 00:51:34,559

to

1350

00:51:42,790 --> 00:51:41,030

right so fab can you speak a little bit

1351
00:51:43,430 --> 00:51:42,800
about what i was mentioning earlier

1352
00:51:45,510 --> 00:51:43,440
about but

1353
00:51:46,549 --> 00:51:45,520
all the stuff going on and this is even

1354
00:51:49,750 --> 00:51:46,559
before that there was

1355
00:51:50,470 --> 00:51:49,760
wasn't there a um i'm sorry i might

1356
00:51:52,309 --> 00:51:50,480
butcher this

1357
00:51:54,950 --> 00:51:52,319
they call them the the green shirts

1358
00:51:57,270 --> 00:51:54,960
wasn't their bro protest

1359
00:51:59,270 --> 00:51:57,280
it's yellow actually yeah yellow shirts

1360
00:52:01,270 --> 00:51:59,280
yes yellow shirts okay i'm sorry

1361
00:52:02,470 --> 00:52:01,280
um and so that was that was going on for

1362
00:52:04,069 --> 00:52:02,480
a while too for

1363
00:52:05,910 --> 00:52:04,079

i want to say over a year if not two

1364

00:52:08,470 --> 00:52:05,920

years am i wrong

1365

00:52:09,829 --> 00:52:08,480

that was massive that was absolutely

1366

00:52:11,910 --> 00:52:09,839

massive yes yes

1367

00:52:13,270 --> 00:52:11,920

yes and so even with that going on and

1368

00:52:14,950 --> 00:52:13,280

then this coming up

1369

00:52:16,549 --> 00:52:14,960

you know you still looks like you still

1370

00:52:18,630 --> 00:52:16,559

found yourself in um

1371

00:52:23,750 --> 00:52:18,640

you know in an area where it even though

1372

00:52:27,030 --> 00:52:25,270

yes yes i'm very far away from

1373

00:52:29,349 --> 00:52:27,040

everything you see we with the

1374

00:52:31,109 --> 00:52:29,359

g legend there were so many people

1375

00:52:33,109 --> 00:52:31,119

involved with that millions and millions

1376

00:52:35,829 --> 00:52:33,119

of people with protests and

1377

00:52:38,150 --> 00:52:35,839

and so forth that it started to get a

1378

00:52:41,349 --> 00:52:38,160

little bit uncomfortable for

1379

00:52:42,230 --> 00:52:41,359

uh for for the power structures that we

1380

00:52:45,589 --> 00:52:42,240

have

1381

00:52:46,870 --> 00:52:45,599

and uh there were really some is just

1382

00:52:51,430 --> 00:52:46,880

about to happen

1383

00:52:57,190 --> 00:52:54,630

and we've copied 19 we all got

1384

00:52:59,829 --> 00:52:57,200

to residence and movement in itself

1385

00:53:01,990 --> 00:52:59,839

which was really starting to get some

1386

00:53:03,270 --> 00:53:02,000

and produce some positive results it got

1387

00:53:05,670 --> 00:53:03,280

totally quenched it got

1388

00:53:07,349 --> 00:53:05,680

thought you could not protest anymore it

1389

00:53:08,549 --> 00:53:07,359

was against the law you could not go in

1390

00:53:10,790 --> 00:53:08,559

the street you know because of the

1391

00:53:15,030 --> 00:53:10,800

contagion because of that virus

1392

00:53:18,230 --> 00:53:15,040

right so i think the kobe 19 you know

1393

00:53:19,829 --> 00:53:18,240

came at a very very good up opportune

1394

00:53:23,190 --> 00:53:19,839

time it was a very good time for that

1395

00:53:26,309 --> 00:53:25,829

right so that gives you the perspective

1396

00:53:29,829 --> 00:53:26,319

as well

1397

00:53:31,990 --> 00:53:29,839

you know on and

1398

00:53:33,510 --> 00:53:32,000

so that protest is starting to rise

1399

00:53:37,030 --> 00:53:33,520

again on the different uh

1400

00:53:37,990 --> 00:53:37,040

ideals let's say but that's it you just

1401
00:53:42,950 --> 00:53:38,000
cannot do that

1402
00:53:46,630 --> 00:53:42,960
you just can't do it anymore

1403
00:53:50,150 --> 00:53:46,640
right so um again so what about you then

1404
00:53:51,829 --> 00:53:50,160
regarding your your position were you um

1405
00:53:53,430 --> 00:53:51,839
uh can you speak a little bit about what

1406
00:53:55,990 --> 00:53:53,440
i was covering earlier

1407
00:53:57,109 --> 00:53:56,000
regarding uh you know your your

1408
00:53:59,270 --> 00:53:57,119
situation of

1409
00:54:00,390 --> 00:53:59,280
how you ended up being where you are and

1410
00:54:03,430 --> 00:54:00,400
and how much

1411
00:54:04,790 --> 00:54:03,440
of that affected you immediately what

1412
00:54:06,470 --> 00:54:04,800
i'm saying is can you speak to what i

1413
00:54:11,990 --> 00:54:06,480

was starting out earlier regarding your

1414

00:54:15,750 --> 00:54:15,270

fortunately uh i live in the area which

1415

00:54:18,069 --> 00:54:15,760

is uh

1416

00:54:19,829 --> 00:54:18,079

quite secluded there's not many people

1417

00:54:21,829 --> 00:54:19,839

around me i think the closest village is

1418

00:54:23,990 --> 00:54:21,839

about five k's away the closest town is

1419

00:54:26,150 --> 00:54:24,000

about 15 k's away

1420

00:54:29,670 --> 00:54:26,160

i live in a very beautiful area i've got

1421

00:54:31,430 --> 00:54:29,680

the river right next to my door

1422

00:54:32,790 --> 00:54:31,440

i've got trees everywhere you know it's

1423

00:54:35,910 --> 00:54:32,800

very very country like it's

1424

00:54:36,829 --> 00:54:35,920

it's actually quite simply beautiful

1425

00:54:40,069 --> 00:54:36,839

place

1426

00:54:43,430 --> 00:54:40,079

so luckily it's

1427

00:54:46,069 --> 00:54:43,440

quite easy to step away

1428

00:54:47,030 --> 00:54:46,079

from all these news that that we are

1429

00:54:49,750 --> 00:54:47,040

getting if i

1430

00:54:51,750 --> 00:54:49,760

simply choose not to participate in that

1431

00:54:53,589 --> 00:54:51,760

you know i don't have a tv for example i

1432

00:54:56,150 --> 00:54:53,599

listen to a little bit of radio

1433

00:54:58,069 --> 00:54:56,160

obviously i am plugged in both social

1434

00:55:01,349 --> 00:54:58,079

media etc

1435

00:55:03,270 --> 00:55:01,359

so it's quite easy to step back you know

1436

00:55:05,829 --> 00:55:03,280

and choose not to listen to that

1437

00:55:08,069 --> 00:55:05,839

propaganda that falls

1438

00:55:09,589 --> 00:55:08,079

onto you every day one day they tell you

1439

00:55:10,470 --> 00:55:09,599

something another day they tell you

1440

00:55:12,549 --> 00:55:10,480

something

1441

00:55:14,390 --> 00:55:12,559

right and when you communicate with

1442

00:55:19,109 --> 00:55:14,400

people that live let's say in

1443

00:55:23,190 --> 00:55:19,119

in cities that have a normal lifestyle

1444

00:55:26,069 --> 00:55:23,200

obviously the this sort of wall

1445

00:55:28,069 --> 00:55:26,079

encased into that sort of environment

1446

00:55:31,589 --> 00:55:28,079

and it's very hard for us people

1447

00:55:35,910 --> 00:55:31,599

to actually step back and have a

1448

00:55:39,030 --> 00:55:38,470

on what is happening without having to

1449

00:55:42,230 --> 00:55:39,040

sort of

1450

00:55:45,589 --> 00:55:42,240

follow the main stream of ideas

1451
00:55:47,270 --> 00:55:45,599
right so i'm lucky with that however for

1452
00:55:50,549 --> 00:55:47,280
people that live in city for

1453
00:55:51,589 --> 00:55:50,559
for for people that do not have the

1454
00:55:54,390 --> 00:55:51,599
chance to sort of

1455
00:55:56,150 --> 00:55:54,400
have a step back and have a proper view

1456
00:55:57,670 --> 00:55:56,160
on what's going on with little bit of

1457
00:56:01,510 --> 00:55:57,680
self-reflection with

1458
00:56:03,750 --> 00:56:01,520
with let's say a positive point of view

1459
00:56:05,030 --> 00:56:03,760
then it is much more difficult for those

1460
00:56:07,589 --> 00:56:05,040
people to

1461
00:56:11,510 --> 00:56:07,599
to have a clear mind to have a sort of

1462
00:56:13,829 --> 00:56:11,520
uh to have the freedom you know to

1463
00:56:14,829 --> 00:56:13,839

quite simply have a look at the

1464

00:56:18,710 --> 00:56:14,839

situation

1465

00:56:21,670 --> 00:56:18,720

and who knows you know take some

1466

00:56:22,710 --> 00:56:21,680

some positive aspects you know and and

1467

00:56:24,789 --> 00:56:22,720

integrate that

1468

00:56:26,309 --> 00:56:24,799

into their own lives so the whole thing

1469

00:56:29,510 --> 00:56:26,319

comes out with a positive

1470

00:56:30,390 --> 00:56:29,520

outlook it is very hard it is very very

1471

00:56:33,670 --> 00:56:30,400

hard to do

1472

00:56:35,510 --> 00:56:33,680

if we if we go back to south africa uh

1473

00:56:38,309 --> 00:56:35,520

from what we've heard you know we've got

1474

00:56:40,150 --> 00:56:38,319

luckily uh some some first-hand

1475

00:56:42,789 --> 00:56:40,160

testimonies or what's going on down

1476

00:56:44,950 --> 00:56:42,799

there it doesn't matter if you

1477

00:56:46,789 --> 00:56:44,960

if you want to be peaceful it doesn't

1478

00:56:48,309 --> 00:56:46,799

matter if you are there going oh yeah

1479

00:56:49,990 --> 00:56:48,319

it's going to be positive

1480

00:56:51,510 --> 00:56:50,000

when you have mayhem around you when

1481

00:56:53,670 --> 00:56:51,520

you've got fire we can

1482

00:56:55,030 --> 00:56:53,680

when you can hear people getting shot

1483

00:56:57,990 --> 00:56:55,040

when you can hear people

1484

00:56:58,789 --> 00:56:58,000

not being very happy then it's very hard

1485

00:57:01,910 --> 00:56:58,799

to sort of

1486

00:57:03,270 --> 00:57:01,920

have that that structure of peace and

1487

00:57:07,589 --> 00:57:03,280

love and

1488

00:57:10,789 --> 00:57:07,599

and uh you know stepping back from this

1489

00:57:15,589 --> 00:57:10,799

crazy machine right now that's

1490

00:57:17,430 --> 00:57:15,599

by you know it's a decision you made

1491

00:57:18,950 --> 00:57:17,440

for whatever the reason is you know to

1492

00:57:20,870 --> 00:57:18,960

be and live where you live

1493

00:57:22,390 --> 00:57:20,880

you know so it's not necessarily luck

1494

00:57:24,870 --> 00:57:22,400

it's um you know

1495

00:57:26,309 --> 00:57:24,880

to for you to end up to be where you are

1496

00:57:27,990 --> 00:57:26,319

because there's then something

1497

00:57:29,750 --> 00:57:28,000

you know within you that says this is

1498

00:57:30,390 --> 00:57:29,760

how i want to live this is where i want

1499

00:57:32,549 --> 00:57:30,400

to be

1500

00:57:34,549 --> 00:57:32,559

you know even though as much as you know

1501
00:57:35,109 --> 00:57:34,559
for you to get with all the world going

1502
00:57:37,030 --> 00:57:35,119
on

1503
00:57:39,190 --> 00:57:37,040
you know called crazy you know it's like

1504
00:57:39,589 --> 00:57:39,200
you you're you don't have to be part of

1505
00:57:42,710 --> 00:57:39,599
it

1506
00:57:44,870 --> 00:57:42,720
that you've chosen

1507
00:57:46,069 --> 00:57:44,880
quite some time ago not to be part of it

1508
00:57:47,510 --> 00:57:46,079
you know because it's not like you know

1509
00:57:48,230 --> 00:57:47,520
if you really want to be part of you can

1510
00:57:50,150 --> 00:57:48,240
get in your car

1511
00:57:52,230 --> 00:57:50,160
and drive drive out there and be in the

1512
00:57:52,870 --> 00:57:52,240
midst of it but instead you you didn't

1513
00:57:56,230 --> 00:57:52,880

you

1514

00:57:58,950 --> 00:57:56,240

chose to live there

1515

00:58:00,789 --> 00:57:58,960

you know uh because it's i hope there's

1516

00:58:02,470 --> 00:58:00,799

a desire there in some way

1517

00:58:04,710 --> 00:58:02,480

you know but the point is you know it

1518

00:58:08,309 --> 00:58:04,720

was a choice made whether you realize it

1519

00:58:11,589 --> 00:58:08,319

or not you know just my opinion

1520

00:58:15,430 --> 00:58:11,599

yes indeed indeed also you know

1521

00:58:18,390 --> 00:58:15,440

we we need to have the the opportunity

1522

00:58:19,349 --> 00:58:18,400

and the resources to do that luckily

1523

00:58:22,390 --> 00:58:19,359

enough you know i mean

1524

00:58:22,789 --> 00:58:22,400

in the old family home i mean a piece of

1525

00:58:24,470 --> 00:58:22,799

land

1526

00:58:26,390 --> 00:58:24,480

the family has been here for about 600

1527

00:58:28,230 --> 00:58:26,400

years you know and one

1528

00:58:30,630 --> 00:58:28,240

one of the houses it's an old meal

1529

00:58:34,309 --> 00:58:30,640

actually we used to make flowers here

1530

00:58:36,150 --> 00:58:34,319

since before the revolution and

1531

00:58:39,109 --> 00:58:36,160

there you go luckily enough you know i

1532

00:58:42,069 --> 00:58:39,119

had the opportunity to

1533

00:58:42,710 --> 00:58:42,079

to go with what i wanted you know to

1534

00:58:45,190 --> 00:58:42,720

just go

1535

00:58:46,230 --> 00:58:45,200

i don't want to be part of this madness

1536

00:58:47,910 --> 00:58:46,240

in town

1537

00:58:50,069 --> 00:58:47,920

and i think a lot of people want to do

1538

00:58:51,589 --> 00:58:50,079

that but you know they have mortgages

1539

00:58:53,510 --> 00:58:51,599

you know they have a family they have a

1540

00:58:57,109 --> 00:58:53,520

job to uh

1541

00:58:58,549 --> 00:58:57,119

to go by and uh even if you wish to

1542

00:59:01,030 --> 00:58:58,559

withdraw yourself from all that

1543

00:59:03,349 --> 00:59:01,040

unfortunately you are in a situation

1544

00:59:05,270 --> 00:59:03,359

but your daily life you know cannot

1545

00:59:06,230 --> 00:59:05,280

cannot lead you to make that step to

1546

00:59:08,069 --> 00:59:06,240

actually

1547

00:59:11,270 --> 00:59:08,079

leave it all and go to go somewhere

1548

00:59:15,750 --> 00:59:13,990

right so there is not only need the

1549

00:59:17,750 --> 00:59:15,760

desire for change you know we need to

1550

00:59:18,309 --> 00:59:17,760

also have the environment you know which

1551

00:59:22,470 --> 00:59:18,319

is a

1552

00:59:24,230 --> 00:59:22,480

conductive gift to that change and

1553

00:59:26,069 --> 00:59:24,240

i think the majority of people that even

1554

00:59:27,990 --> 00:59:26,079

if they feel uncomfortable uh living in

1555

00:59:31,190 --> 00:59:28,000

a city being in the right price you know

1556

00:59:33,910 --> 00:59:31,200

even if they want to live all that then

1557

00:59:35,430 --> 00:59:33,920

and pursue a life you know which is much

1558

00:59:36,549 --> 00:59:35,440

healthier for themselves for their

1559

00:59:38,950 --> 00:59:36,559

community and

1560

00:59:40,630 --> 00:59:38,960

in the country and the planet well

1561

00:59:42,230 --> 00:59:40,640

they're not in that position to do that

1562

00:59:46,710 --> 00:59:42,240

unfortunately

1563

00:59:50,069 --> 00:59:46,720

right we know

1564

00:59:52,470 --> 00:59:50,079

right no

1565

00:59:54,710 --> 00:59:52,480

i was just gonna say there were you know

1566

00:59:57,190 --> 00:59:54,720

so many people always um

1567

00:59:58,309 --> 00:59:57,200

would ask uh when i would be at these

1568

01:00:02,150 --> 00:59:58,319

different

1569

01:00:05,430 --> 01:00:02,160

conferences they always

1570

01:00:06,950 --> 01:00:05,440

speak speak about in this fearful way

1571

01:00:09,109 --> 01:00:06,960

especially if you like if you ever

1572

01:00:10,950 --> 01:00:09,119

listen to coast to coast am

1573

01:00:12,470 --> 01:00:10,960

you know they would yes basically you

1574

01:00:13,829 --> 01:00:12,480

know um

1575

01:00:15,990 --> 01:00:13,839

talk always about you know when

1576

01:00:17,510 --> 01:00:16,000

somebody's on and they tell them about

1577

01:00:17,990 --> 01:00:17,520

all these things going to be happening

1578

01:00:19,589 --> 01:00:18,000

and

1579

01:00:21,030 --> 01:00:19,599

you know anytime there's some kind of

1580

01:00:22,630 --> 01:00:21,040

mayhem happening they're like where

1581

01:00:24,630 --> 01:00:22,640

should i move where should i go

1582

01:00:25,750 --> 01:00:24,640

please tell me you know is it going here

1583

01:00:27,109 --> 01:00:25,760

good what you know

1584

01:00:29,270 --> 01:00:27,119

should i have water should i have this

1585

01:00:31,670 --> 01:00:29,280

should i have that and so it's always

1586

01:00:33,670 --> 01:00:31,680

these decisions made from this very

1587

01:00:35,910 --> 01:00:33,680

fearful panicky state of mind

1588

01:00:38,069 --> 01:00:35,920

and that's that's when it's so difficult

1589

01:00:38,630 --> 01:00:38,079

to talk to a person in that way to tell

1590

01:00:40,710 --> 01:00:38,640

them

1591

01:00:42,710 --> 01:00:40,720

you are literally attracting that you

1592

01:00:46,789 --> 01:00:42,720

know you literally attracting that

1593

01:00:49,990 --> 01:00:46,799

that you you know by putting that out of

1594

01:00:51,589 --> 01:00:50,000

where do i need to be to be safe you're

1595

01:00:53,510 --> 01:00:51,599

you're inadvertently creating an

1596

01:00:55,990 --> 01:00:53,520

environment where you are put

1597

01:00:56,549 --> 01:00:56,000

where you don't feel safe so that you

1598

01:00:59,430 --> 01:00:56,559

can

1599

01:01:00,150 --> 01:00:59,440

act on the part of getting yourself to

1600

01:01:03,750 --> 01:01:00,160

be safe

1601
01:01:05,829 --> 01:01:03,760
does that make sense yes absolutely

1602
01:01:07,270 --> 01:01:05,839
you know it's like they're creating this

1603
01:01:09,190 --> 01:01:07,280
place it's like you know

1604
01:01:10,710 --> 01:01:09,200
you know move where you want to because

1605
01:01:12,549 --> 01:01:10,720
it your heart desires it

1606
01:01:14,549 --> 01:01:12,559
you know do what you that you want

1607
01:01:17,589 --> 01:01:14,559
because it's made from this peaceful

1608
01:01:19,829 --> 01:01:17,599
you know um peaceful uh state of mind

1609
01:01:20,710 --> 01:01:19,839
and you know everything else will work

1610
01:01:23,349 --> 01:01:20,720
itself out

1611
01:01:24,710 --> 01:01:23,359
because the mind is not you know it's

1612
01:01:27,829 --> 01:01:24,720
not designed

1613
01:01:30,230 --> 01:01:27,839

to think you know and uh

1614

01:01:31,349 --> 01:01:30,240

uh you know basically work out all these

1615

01:01:34,789 --> 01:01:31,359

different scenarios

1616

01:01:36,069 --> 01:01:34,799

it's actually you know very um i guess i

1617

01:01:36,390 --> 01:01:36,079

don't mean this in a bad way but it's

1618

01:01:38,950 --> 01:01:36,400

like

1619

01:01:40,150 --> 01:01:38,960

just really dumb all it knows is what's

1620

01:01:42,710 --> 01:01:40,160

immediately in front of it

1621

01:01:43,349 --> 01:01:42,720

it's either okay or it's something it's

1622

01:01:45,750 --> 01:01:43,359

a threat

1623

01:01:46,789 --> 01:01:45,760

and then move to next thing it's okay or

1624

01:01:48,150 --> 01:01:46,799

threat you know and

1625

01:01:49,990 --> 01:01:48,160

and that's how things are constantly

1626
01:01:50,630 --> 01:01:50,000
processed you know you don't sit there

1627
01:01:52,549 --> 01:01:50,640
and go

1628
01:01:53,910 --> 01:01:52,559
uh you know having this understanding

1629
01:01:55,670 --> 01:01:53,920
that oh um

1630
01:01:57,510 --> 01:01:55,680
if i go this direction this is going to

1631
01:01:59,589 --> 01:01:57,520
happen and you have a vision of this or

1632
01:02:01,910 --> 01:01:59,599
whatever most of us don't you know

1633
01:02:03,510 --> 01:02:01,920
and so because the mind is created to

1634
01:02:05,270 --> 01:02:03,520
just simply be a receiver

1635
01:02:07,029 --> 01:02:05,280
you know whatever is coming in from your

1636
01:02:09,990 --> 01:02:07,039
higher higher self so

1637
01:02:10,950 --> 01:02:10,000
you know why put the ego this this dumb

1638
01:02:13,190 --> 01:02:10,960

part of you

1639

01:02:14,390 --> 01:02:13,200

in charge when it doesn't know what it's

1640

01:02:16,069 --> 01:02:14,400

doing anyway it just

1641

01:02:18,230 --> 01:02:16,079

immediately deals with threats or it

1642

01:02:20,309 --> 01:02:18,240

doesn't you know and so

1643

01:02:22,150 --> 01:02:20,319

you know it's that that that feeling

1644

01:02:23,349 --> 01:02:22,160

that you know the feeling being loved

1645

01:02:25,670 --> 01:02:23,359

the feeling of

1646

01:02:26,630 --> 01:02:25,680

you know uh um basically what whatever

1647

01:02:29,190 --> 01:02:26,640

excites you

1648

01:02:29,990 --> 01:02:29,200

is what will lead you to more of who you

1649

01:02:33,270 --> 01:02:30,000

are

1650

01:02:34,069 --> 01:02:33,280

you know the places and people you know

1651
01:02:36,870 --> 01:02:34,079
will be attracted

1652
01:02:37,589 --> 01:02:36,880
to you based on me making making that

1653
01:02:39,270 --> 01:02:37,599
decision

1654
01:02:41,589 --> 01:02:39,280
you know it's because it was exciting to

1655
01:02:43,349 --> 01:02:41,599
me too obviously i'm gonna be living

1656
01:02:45,349 --> 01:02:43,359
with the love of my life so i was like

1657
01:02:47,270 --> 01:02:45,359
yeah i'm moving down south you know i

1658
01:02:49,029 --> 01:02:47,280
don't care you know and so that was my

1659
01:02:50,470 --> 01:02:49,039
my desire it was you know i wasn't

1660
01:02:52,309 --> 01:02:50,480
making the decision of

1661
01:02:54,309 --> 01:02:52,319
am i making the right choice is this

1662
01:02:55,829 --> 01:02:54,319
stupid you know should i wait you know

1663
01:02:57,589 --> 01:02:55,839

what should i ask my friend

1664

01:02:59,430 --> 01:02:57,599

you know should i ask several people you

1665

01:03:01,109 --> 01:02:59,440

know let's see what they think let's

1666

01:03:02,549 --> 01:03:01,119

you know what are their opinions it's

1667

01:03:05,270 --> 01:03:02,559

like there was none of that

1668

01:03:06,789 --> 01:03:05,280

you know it was like at this moment this

1669

01:03:07,910 --> 01:03:06,799

is what my heart is telling me this is

1670

01:03:11,029 --> 01:03:07,920

what i'm going after

1671

01:03:13,109 --> 01:03:11,039

you know and then only in the in the

1672

01:03:14,870 --> 01:03:13,119

long run in hindsight you realize

1673

01:03:16,470 --> 01:03:14,880

you know it put me in the perfect

1674

01:03:17,829 --> 01:03:16,480

position to be where i need to be

1675

01:03:21,829 --> 01:03:17,839

because

1676

01:03:23,750 --> 01:03:21,839

my state never shut down there were

1677

01:03:25,349 --> 01:03:23,760

some it wasn't a mandate it was a

1678

01:03:27,270 --> 01:03:25,359

recommendation for those who wanted to

1679

01:03:27,829 --> 01:03:27,280

wear mass wear it for those that don't

1680

01:03:30,710 --> 01:03:27,839

don't

1681

01:03:31,190 --> 01:03:30,720

you know and life was just normal you

1682

01:03:34,150 --> 01:03:31,200

know

1683

01:03:36,069 --> 01:03:34,160

only when i hear from friends and family

1684

01:03:36,470 --> 01:03:36,079

like we can't get out we can't do this

1685

01:03:39,910 --> 01:03:36,480

and

1686

01:03:40,549 --> 01:03:39,920

they're talking about in this fearful

1687

01:03:42,870 --> 01:03:40,559

way

1688

01:03:44,230 --> 01:03:42,880

you know it bogged them down you know

1689

01:03:45,750 --> 01:03:44,240

and it was

1690

01:03:47,829 --> 01:03:45,760

you know there's nothing i can do i can

1691

01:03:49,750 --> 01:03:47,839

only land a year you know i understand

1692

01:03:50,470 --> 01:03:49,760

to be sincere and then just kind of like

1693

01:03:52,549 --> 01:03:50,480

okay

1694

01:03:54,549 --> 01:03:52,559

you know i have a good day i hope you

1695

01:03:55,270 --> 01:03:54,559

make different decisions next time other

1696

01:03:57,109 --> 01:03:55,280

than that

1697

01:03:58,630 --> 01:03:57,119

you know there's nothing i can do for

1698

01:04:02,309 --> 01:03:58,640

you it's something you have to do for

1699

01:04:07,510 --> 01:04:05,510

yes indeed it seems that the human race

1700

01:04:10,870 --> 01:04:07,520

knowing its

1701

01:04:13,589 --> 01:04:10,880

proper makeup generating makeup

1702

01:04:16,390 --> 01:04:13,599

is a machine built for for survival you

1703

01:04:18,950 --> 01:04:16,400

know it's as simple as that

1704

01:04:20,309 --> 01:04:18,960

luckily we've got we've got a brain you

1705

01:04:22,789 --> 01:04:20,319

know we've got a heart

1706

01:04:25,270 --> 01:04:22,799

and it is clear that somebody that's got

1707

01:04:26,390 --> 01:04:25,280

let's say lauren peace in in his or her

1708

01:04:28,150 --> 01:04:26,400

heart

1709

01:04:30,950 --> 01:04:28,160

can go into an environment you know

1710

01:04:32,950 --> 01:04:30,960

which is uh the mayhem basically in all

1711

01:04:34,470 --> 01:04:32,960

way where you've got lots of trouble if

1712

01:04:36,309 --> 01:04:34,480

you bring that peace and love

1713

01:04:38,230 --> 01:04:36,319

you will make a difference and it is

1714

01:04:40,710 --> 01:04:38,240

quite clear as well that somebody that's

1715

01:04:43,750 --> 01:04:40,720

got an agenda which is more

1716

01:04:49,029 --> 01:04:46,870

towards just uh serving of self uh

1717

01:04:51,589 --> 01:04:49,039

if that person go into a peaceful

1718

01:04:53,190 --> 01:04:51,599

environment you know obviously

1719

01:04:55,670 --> 01:04:53,200

well that attitude is going to change

1720

01:04:58,069 --> 01:04:55,680

things

1721

01:04:59,589 --> 01:04:58,079

but also there is the situation when

1722

01:05:01,029 --> 01:04:59,599

even with the best intention in the

1723

01:05:03,589 --> 01:05:01,039

world you know you will find yourself in

1724

01:05:06,309 --> 01:05:03,599

an environment you know

1725

01:05:09,829 --> 01:05:06,319

which is not going to be conducive to

1726

01:05:12,870 --> 01:05:09,839

have some positive changes

1727

01:05:14,309 --> 01:05:12,880

it is quite clear it is quite clear that

1728

01:05:16,630 --> 01:05:14,319

somewhere along the line you know we

1729

01:05:18,950 --> 01:05:16,640

need to sort of slow down a little bit

1730

01:05:20,390 --> 01:05:18,960

find the time to do a little bit of into

1731

01:05:22,549 --> 01:05:20,400

introspection

1732

01:05:24,470 --> 01:05:22,559

and there is a little bit of

1733

01:05:25,990 --> 01:05:24,480

self-education you know to understand

1734

01:05:27,829 --> 01:05:26,000

how the mind works

1735

01:05:30,470 --> 01:05:27,839

you know and we do have the tools for

1736

01:05:31,750 --> 01:05:30,480

that but we need to take the time to

1737

01:05:34,789 --> 01:05:31,760

just

1738

01:05:37,270 --> 01:05:34,799

step away a little bit no maybe 10

1739

01:05:38,390 --> 01:05:37,280

15 20 minutes a day some people call it

1740

01:05:40,230 --> 01:05:38,400

meditation

1741

01:05:42,950 --> 01:05:40,240

but we can do that with studies as well

1742

01:05:45,190 --> 01:05:42,960

you know there are wonderful tools like

1743

01:05:46,230 --> 01:05:45,200

nlp for example no linguistic

1744

01:05:48,390 --> 01:05:46,240

programming

1745

01:05:49,990 --> 01:05:48,400

you know we we can find some courses

1746

01:05:52,789 --> 01:05:50,000

online you know which will actually

1747

01:05:54,630 --> 01:05:52,799

basically it's a science you know that

1748

01:05:58,390 --> 01:05:54,640

will basically

1749

01:06:00,870 --> 01:05:58,400

teach you all what you need to know

1750

01:06:02,789 --> 01:06:00,880

right to basically have a change of mind

1751

01:06:06,549 --> 01:06:02,799

and have a change of heart

1752

01:06:09,270 --> 01:06:06,559

how to look at different point of views

1753

01:06:10,230 --> 01:06:09,280

in such a way that you can actually

1754

01:06:13,270 --> 01:06:10,240

create

1755

01:06:14,789 --> 01:06:13,280

a reality for yourself which is more in

1756

01:06:17,670 --> 01:06:14,799

power which is more

1757

01:06:18,150 --> 01:06:17,680

within all the structure that you have

1758

01:06:26,309 --> 01:06:18,160

you know

1759

01:06:30,230 --> 01:06:28,309

your values hold on hold on hold on you

1760

01:06:32,150 --> 01:06:30,240

said you the last thing i heard was your

1761

01:06:37,349 --> 01:06:32,160

belief and then you went out

1762

01:06:42,390 --> 01:06:39,029

yes what i was saying basically that

1763

01:06:47,670 --> 01:06:42,400

they are there are definitely

1764

01:06:51,029 --> 01:06:47,680

some some means you know for us

1765

01:06:53,029 --> 01:06:51,039

to find time finding the time is is

1766

01:06:54,870 --> 01:06:53,039

quite easy just make a decision to find

1767

01:06:56,789 --> 01:06:54,880

the time always quite complicated when

1768

01:07:00,470 --> 01:06:56,799

you have a family when you have a job

1769

01:07:02,710 --> 01:07:00,480

and and and all that goes with it i mean

1770

01:07:04,470 --> 01:07:02,720

it is a decision you know but it's it's

1771

01:07:06,309 --> 01:07:04,480

also you know you have to

1772

01:07:08,150 --> 01:07:06,319

you know figure out for yourself what's

1773

01:07:11,430 --> 01:07:08,160

more important you know it's like

1774

01:07:12,870 --> 01:07:11,440

you know um yeah we all have family but

1775

01:07:14,470 --> 01:07:12,880

you know when are you going to take the

1776

01:07:15,990 --> 01:07:14,480

time to work on yourself

1777

01:07:17,670 --> 01:07:16,000

if you don't that means you're not

1778

01:07:19,270 --> 01:07:17,680

getting the best version of you your

1779

01:07:19,829 --> 01:07:19,280

family is not getting the best version

1780

01:07:21,670 --> 01:07:19,839

of you

1781

01:07:24,069 --> 01:07:21,680

you know you're just postponing whatever

1782

01:07:25,990 --> 01:07:24,079

you can be figuring out and fixing

1783

01:07:27,670 --> 01:07:26,000

you know that much sooner you know at

1784

01:07:29,990 --> 01:07:27,680

the end you know at the end of the day

1785

01:07:34,230 --> 01:07:30,000

it is a is this a decision a desire for

1786

01:07:39,349 --> 01:07:37,510

absolutely absolutely and and also we

1787

01:07:40,950 --> 01:07:39,359

have the opportunity to understand the

1788

01:07:43,670 --> 01:07:40,960

mechanism the way on

1789

01:07:44,870 --> 01:07:43,680

the ways the reason why and especially

1790

01:07:47,670 --> 01:07:44,880

the mechanism

1791

01:07:49,349 --> 01:07:47,680

but actually are constructive to have a

1792

01:07:51,190 --> 01:07:49,359

change towards fat

1793

01:07:52,630 --> 01:07:51,200

you know i'm talking about your your

1794

01:07:54,390 --> 01:07:52,640

beliefs i'm talking

1795

01:07:56,150 --> 01:07:54,400

about your memories i'm talking about

1796

01:07:59,190 --> 01:07:56,160

your values and talking about your

1797

01:07:59,910 --> 01:07:59,200

your your attitudes and once we

1798

01:08:02,470 --> 01:07:59,920

understand

1799

01:08:04,549 --> 01:08:02,480

how that works into our mind on a

1800

01:08:05,750 --> 01:08:04,559

psychological point of view on on a

1801

01:08:07,750 --> 01:08:05,760

personal point of view

1802

01:08:09,750 --> 01:08:07,760

on the social record point of view and

1803

01:08:11,829 --> 01:08:09,760

it's not all that hard it's not what i

1804

01:08:14,069 --> 01:08:11,839

had it's very easy to go

1805

01:08:15,990 --> 01:08:14,079

to go online to some very serious sites

1806

01:08:20,070 --> 01:08:16,000

you know it is a science

1807

01:08:20,470 --> 01:08:20,080

and once we understand how how life is

1808

01:08:24,630 --> 01:08:20,480

being

1809

01:08:27,189 --> 01:08:24,640

filtered through our consciousness

1810

01:08:28,229 --> 01:08:27,199

and we understand that if i do that it's

1811

01:08:31,189 --> 01:08:28,239

because of

1812

01:08:32,550 --> 01:08:31,199

of that there are some precursor

1813

01:08:35,510 --> 01:08:32,560

regarding this

1814

01:08:37,349 --> 01:08:35,520

when it is possible i believe to it's

1815

01:08:38,789 --> 01:08:37,359

not actually a belief you know it's just

1816

01:08:42,630 --> 01:08:38,799

a matter of fact

1817

01:08:45,669 --> 01:08:42,640

to somehow look at your reality

1818

01:08:48,630 --> 01:08:45,679

and make it may be political may be

1819

01:08:49,269 --> 01:08:48,640

religious maybe sociological maybe as

1820

01:08:52,950 --> 01:08:49,279

well

1821

01:08:54,950 --> 01:08:52,960

anything to do with the with the ufos

1822

01:08:55,990 --> 01:08:54,960

right all that all this is being

1823

01:08:58,390 --> 01:08:56,000

filtered

1824

01:08:59,349 --> 01:08:58,400

through for experience that we have

1825

01:09:01,669 --> 01:08:59,359

right now

1826

01:09:02,789 --> 01:09:01,679

right and by taking the time stepping

1827

01:09:06,070 --> 01:09:02,799

back a little bit

1828

01:09:09,189 --> 01:09:06,080

and and trying to understand what is

1829

01:09:12,550 --> 01:09:09,199

actually going on within

1830

01:09:15,829 --> 01:09:12,560

and how this can be reflected onto

1831

01:09:18,470 --> 01:09:15,839

our reality outside

1832

01:09:19,990 --> 01:09:18,480

being the environment when there are

1833

01:09:22,630 --> 01:09:20,000

changes that can actually

1834

01:09:23,030 --> 01:09:22,640

happen but we can make happen and we are

1835

01:09:26,229 --> 01:09:23,040

not

1836

01:09:26,630 --> 01:09:26,239

just a slave of of whatever is going on

1837

01:09:30,630 --> 01:09:26,640

we

1838

01:09:31,510 --> 01:09:30,640

you know that's a good point you make

1839

01:09:33,910 --> 01:09:31,520

because

1840

01:09:35,349 --> 01:09:33,920

if i notice that actually a lot you know

1841

01:09:37,990 --> 01:09:35,359

uh people that are into the

1842

01:09:38,709 --> 01:09:38,000

you know ufology and that's their main

1843

01:09:40,470 --> 01:09:38,719

goal

1844

01:09:41,990 --> 01:09:40,480

everything that happens around the world

1845

01:09:44,470 --> 01:09:42,000

they'll be like you know

1846

01:09:45,829 --> 01:09:44,480

oh we were so close from getting answers

1847

01:09:47,590 --> 01:09:45,839

about ufos and then

1848

01:09:49,510 --> 01:09:47,600

the pandemic happened you know they're

1849

01:09:50,550 --> 01:09:49,520

like you know it was it was planned you

1850

01:09:52,470 --> 01:09:50,560

know they always

1851

01:09:54,070 --> 01:09:52,480

distract us and then this other person

1852

01:09:54,709 --> 01:09:54,080

that you know they would look at it move

1853

01:09:56,070 --> 01:09:54,719

from

1854

01:09:58,149 --> 01:09:56,080

a different point of view and let's say

1855

01:10:00,149 --> 01:09:58,159

they they look at it as from the

1856

01:10:01,510 --> 01:10:00,159

you know illuminati point of view you

1857

01:10:03,830 --> 01:10:01,520

know and they're like oh

1858

01:10:04,550 --> 01:10:03,840

we're about to find out the truth about

1859

01:10:07,189 --> 01:10:04,560

epstein

1860

01:10:08,310 --> 01:10:07,199

and then the pandemic happened right and

1861

01:10:10,070 --> 01:10:08,320

there's all these other stuff

1862

01:10:11,910 --> 01:10:10,080

and then you know just going along with

1863

01:10:13,669 --> 01:10:11,920

what you were saying their mindset

1864

01:10:16,229 --> 01:10:13,679

whatever they focused on

1865

01:10:17,669 --> 01:10:16,239

is filtered through that you know it's

1866

01:10:19,750 --> 01:10:17,679

very um

1867

01:10:20,709 --> 01:10:19,760

um it's very challenging but it's not

1868

01:10:22,950 --> 01:10:20,719

impossible

1869

01:10:23,910 --> 01:10:22,960

to be neutral you know to try to be

1870

01:10:26,950 --> 01:10:23,920

neutral and like

1871

01:10:29,430 --> 01:10:26,960

truly look at a picture but without

1872

01:10:31,750 --> 01:10:29,440

applying any kind of belief system to it

1873

01:10:33,189 --> 01:10:31,760

and it will tell you a different story

1874

01:10:35,030 --> 01:10:33,199

you know only when you're in that

1875

01:10:37,030 --> 01:10:35,040

neutral position are you

1876
01:10:38,310 --> 01:10:37,040
are you gonna see a bigger picture you

1877
01:10:38,709 --> 01:10:38,320
know whether it's regarding your own

1878
01:10:40,790 --> 01:10:38,719
life

1879
01:10:42,870 --> 01:10:40,800
regarding what's going on out there you

1880
01:10:44,470 --> 01:10:42,880
know but if you're set with a certain

1881
01:10:45,189 --> 01:10:44,480
mindset everything is filtered through

1882
01:10:48,950 --> 01:10:45,199
that

1883
01:10:51,990 --> 01:10:48,960
you know so for example like uh uh um

1884
01:10:54,870 --> 01:10:52,000
there's been the um um

1885
01:10:56,470 --> 01:10:54,880
there was this this morale or a picture

1886
01:10:56,870 --> 01:10:56,480
what i ignored i can't pronounce it

1887
01:10:59,510 --> 01:10:56,880
right

1888
01:11:00,470 --> 01:10:59,520

but it's a picture of george freud in

1889

01:11:03,990 --> 01:11:00,480

minneapolis

1890

01:11:07,189 --> 01:11:04,000

that that was uh drawn on the wall and

1891

01:11:08,310 --> 01:11:07,199

um a lightning struck strike struck it

1892

01:11:10,550 --> 01:11:08,320

and destroyed it

1893

01:11:12,229 --> 01:11:10,560

you know and so of course then you know

1894

01:11:13,590 --> 01:11:12,239

from the mindset of now

1895

01:11:15,750 --> 01:11:13,600

you know it's almost you know it's like

1896

01:11:17,910 --> 01:11:15,760

if you're from a religious point of view

1897

01:11:18,950 --> 01:11:17,920

you know you can you can look at it and

1898

01:11:20,790 --> 01:11:18,960

say ha ha

1899

01:11:22,470 --> 01:11:20,800

god doesn't approve of this you know

1900

01:11:23,189 --> 01:11:22,480

what i mean you know because it was an

1901

01:11:24,550 --> 01:11:23,199

act of god

1902

01:11:26,630 --> 01:11:24,560

you know lightening unt and you know

1903

01:11:28,149 --> 01:11:26,640

natural things like that you know and so

1904

01:11:31,350 --> 01:11:28,159

of course whatever your

1905

01:11:33,030 --> 01:11:31,360

um uh your focusing lens is

1906

01:11:35,030 --> 01:11:33,040

that's how your point of view is going

1907

01:11:35,590 --> 01:11:35,040

to be skewed you know it's no different

1908

01:11:37,750 --> 01:11:35,600

than

1909

01:11:39,590 --> 01:11:37,760

you know perfect example how you view

1910

01:11:40,630 --> 01:11:39,600

the world as a five-year-old is

1911

01:11:42,950 --> 01:11:40,640

definitely not how you

1912

01:11:44,149 --> 01:11:42,960

you view the world as a 50 year old and

1913

01:11:45,750 --> 01:11:44,159

just knowing that that

1914

01:11:47,270 --> 01:11:45,760

you would have several different points

1915

01:11:49,750 --> 01:11:47,280

of views it's almost

1916

01:11:51,030 --> 01:11:49,760

always best to just like if i'm swayed

1917

01:11:53,189 --> 01:11:51,040

one way or the other

1918

01:11:54,950 --> 01:11:53,199

that means i'm not in a neutral spot and

1919

01:11:56,630 --> 01:11:54,960

if i really want to know the truth if i

1920

01:11:58,310 --> 01:11:56,640

really want to get to the bottom of it

1921

01:12:00,149 --> 01:11:58,320

you know i have to do my best to get to

1922

01:12:02,630 --> 01:12:00,159

the neutral spot you know get

1923

01:12:07,189 --> 01:12:02,640

get get there only then can you see both

1924

01:12:10,630 --> 01:12:09,430

absolutely we need to see both sides we

1925

01:12:13,030 --> 01:12:10,640

need to see both sides

1926

01:12:15,189 --> 01:12:13,040

right so uh fab let me let me make a

1927

01:12:18,149 --> 01:12:15,199

quick announcement

1928

01:12:19,750 --> 01:12:18,159

sure i'm sorry i'll i'll get back to you

1929

01:12:23,110 --> 01:12:19,760

in a few just a few seconds

1930

01:12:24,790 --> 01:12:23,120

actually so for those of you watching um

1931

01:12:26,310 --> 01:12:24,800

we're just basically kind of talking

1932

01:12:28,470 --> 01:12:26,320

about whatever uh

1933

01:12:29,830 --> 01:12:28,480

basically about the subject of or the

1934

01:12:30,390 --> 01:12:29,840

topic that i was starting out with

1935

01:12:32,229 --> 01:12:30,400

earlier

1936

01:12:34,470 --> 01:12:32,239

which is your reality is a different

1937

01:12:35,990 --> 01:12:34,480

dimension and we're talking about from

1938

01:12:37,510 --> 01:12:36,000

different perspectives and point of

1939

01:12:39,350 --> 01:12:37,520

point of views but

1940

01:12:40,870 --> 01:12:39,360

we're not limited to that so if you

1941

01:12:43,110 --> 01:12:40,880

would like to share a story

1942

01:12:45,110 --> 01:12:43,120

or whether it's a ufo story ghost story

1943

01:12:45,990 --> 01:12:45,120

any of the metaphysical things that you

1944

01:12:49,189 --> 01:12:46,000

that you

1945

01:12:52,070 --> 01:12:49,199

experience simply download the telegram

1946

01:12:53,669 --> 01:12:52,080

app go to the ufo hub group and it's

1947

01:12:56,229 --> 01:12:53,679

also in the description below

1948

01:12:57,110 --> 01:12:56,239

and you'll see a live voice chat going

1949

01:12:58,790 --> 01:12:57,120

on right now

1950

01:13:00,550 --> 01:12:58,800

uh join it and you'll be added to the

1951

01:13:03,990 --> 01:13:00,560

list right now there's only fab

1952

01:13:05,110 --> 01:13:04,000

22 and nathan and you know you add

1953

01:13:07,669 --> 01:13:05,120

yourself to that list

1954

01:13:09,110 --> 01:13:07,679

make sure you tap that little person to

1955

01:13:10,950 --> 01:13:09,120

raise you raise your hand which would

1956

01:13:12,950 --> 01:13:10,960

tell me that you want to talk to me

1957

01:13:14,630 --> 01:13:12,960

otherwise you can just use telegram to

1958

01:13:15,030 --> 01:13:14,640

listen to what's going on because i'm

1959

01:13:17,110 --> 01:13:15,040

also

1960

01:13:18,310 --> 01:13:17,120

simultaneously casting to telegram as

1961

01:13:19,910 --> 01:13:18,320

well and so

1962

01:13:22,229 --> 01:13:19,920

if you want to talk to me and share your

1963

01:13:25,510 --> 01:13:22,239

story just let me know

1964

01:13:26,790 --> 01:13:25,520

i'm going to be also going over to see

1965

01:13:28,550 --> 01:13:26,800

if there's any anyone

1966

01:13:30,310 --> 01:13:28,560

in the comments if they have something

1967

01:13:32,790 --> 01:13:30,320

to say there but mainly

1968

01:13:33,669 --> 01:13:32,800

is the telegram focus to just talk to

1969

01:13:37,430 --> 01:13:33,679

whoever is there

1970

01:13:40,310 --> 01:13:37,440

so fab uh agreed earlier today to

1971

01:13:42,229 --> 01:13:40,320

to cover uh just the perspective from

1972

01:13:44,470 --> 01:13:42,239

from a frenchman living in france

1973

01:13:45,590 --> 01:13:44,480

about what's going on and so i asked him

1974

01:13:48,229 --> 01:13:45,600

to come on but

1975

01:13:49,030 --> 01:13:48,239

again it's not limited to just fab you

1976

01:13:51,590 --> 01:13:49,040

can also

1977

01:13:52,630 --> 01:13:51,600

log in yourself and share your story so

1978

01:13:55,430 --> 01:13:52,640

don't hesitate

1979

01:13:56,470 --> 01:13:55,440

and if if there's not that many gonna

1980

01:13:59,270 --> 01:13:56,480

be added sometime

1981

01:14:01,030 --> 01:13:59,280

soon we might make it quits earlier we

1982

01:14:02,950 --> 01:14:01,040

might actually hit onto a new subject

1983

01:14:06,229 --> 01:14:02,960

that will make us go on for another hour

1984

01:14:07,350 --> 01:14:06,239

i never know but just log in as soon as

1985

01:14:09,430 --> 01:14:07,360

you can

1986

01:14:11,189 --> 01:14:09,440

either to listen or to share your story

1987

01:14:14,310 --> 01:14:11,199

with me directly

1988

01:14:16,870 --> 01:14:14,320

also real quick uh not

1989

01:14:18,470 --> 01:14:16,880

it's there's gonna be um this friday i

1990

01:14:20,149 --> 01:14:18,480

don't know who's gonna be the guest

1991

01:14:21,830 --> 01:14:20,159

because usually wednesday at seven is

1992

01:14:24,070 --> 01:14:21,840

open lines friday at seven

1993

01:14:24,870 --> 01:14:24,080

it's an interview with with a guest that

1994

01:14:26,870 --> 01:14:24,880

you can also

1995

01:14:28,070 --> 01:14:26,880

use telegram to ask a question of them

1996

01:14:32,070 --> 01:14:28,080

directly or

1997

01:14:34,390 --> 01:14:32,080

put the question down in chat but

1998

01:14:35,189 --> 01:14:34,400

on monday it's where i usually do not

1999

01:14:37,110 --> 01:14:35,199

stream

2000

01:14:38,950 --> 01:14:37,120

but i'm going to have to change it

2001

01:14:41,590 --> 01:14:38,960

around and i'm actually going to have

2002

01:14:41,990 --> 01:14:41,600

george nori from coast to coast i am on

2003

01:14:45,110 --> 01:14:42,000

and he's

2004

01:14:45,830 --> 01:14:45,120

going to be on for about 45 minutes and

2005

01:14:48,070 --> 01:14:45,840

so

2006

01:14:50,470 --> 01:14:48,080

uh please make sure you're you know

2007

01:14:52,070 --> 01:14:50,480

logged in and ready on telegram to be

2008

01:14:52,550 --> 01:14:52,080

able to ask him a question yourself

2009

01:14:55,189 --> 01:14:52,560

cause

2010

01:14:55,750 --> 01:14:55,199

i think we're gonna very soon maybe

2011

01:14:58,790 --> 01:14:55,760

after

2012

01:15:00,790 --> 01:14:58,800

a 10 minute intro or so or you know just

2013

01:15:02,630 --> 01:15:00,800

a 10 minute

2014

01:15:04,149 --> 01:15:02,640

i guess info exchange we're going to go

2015

01:15:07,430 --> 01:15:04,159

straight into q a

2016

01:15:10,550 --> 01:15:07,440

so then i will be asking your questions

2017

01:15:12,310 --> 01:15:10,560

and presenting them to him and of course

2018

01:15:13,510 --> 01:15:12,320

if you're logged into telegram you ask

2019

01:15:15,669 --> 01:15:13,520

it yourself so

2020

01:15:16,950 --> 01:15:15,679

monday at seven it's good it's going to

2021

01:15:18,470 --> 01:15:16,960

be a different time

2022

01:15:20,709 --> 01:15:18,480

but there was the only time that i could

2023

01:15:23,669 --> 01:15:20,719

work it out with him to

2024

01:15:24,550 --> 01:15:23,679

um to have him have him come on because

2025

01:15:26,149 --> 01:15:24,560

he's busy with

2026

01:15:28,709 --> 01:15:26,159

his show that he does and other things

2027

01:15:32,390 --> 01:15:28,719

so i was very grateful he took the time

2028

01:15:35,830 --> 01:15:32,400

and that would be let me see here

2029

01:15:38,709 --> 01:15:35,840

that would be july 19th

2030

01:15:39,910 --> 01:15:38,719

so this coming next monday at seven i'm

2031

01:15:41,669 --> 01:15:39,920

gonna have george nori

2032

01:15:43,830 --> 01:15:41,679

so i hope you log in and have your

2033

01:15:47,110 --> 01:15:43,840

questions ready either on your

2034

01:15:50,630 --> 01:15:47,120

um on the chat or in um

2035

01:15:52,070 --> 01:15:50,640

in telegram okay fab i'm sorry i just

2036

01:15:54,709 --> 01:15:52,080

needed to make that announcement i had

2037

01:15:59,510 --> 01:15:54,719

forgotten earlier and um

2038

01:16:03,510 --> 01:16:01,350

most excellent you know we know what's

2039

01:16:06,310 --> 01:16:03,520

going on with the net postcards so

2040

01:16:07,669 --> 01:16:06,320

i will make sure that i will be there to

2041

01:16:10,470 --> 01:16:07,679

to to listen and

2042

01:16:11,270 --> 01:16:10,480

and get a lot of uh point of views you

2043

01:16:13,830 --> 01:16:11,280

know that

2044

01:16:15,350 --> 01:16:13,840

your podcast offers to people uh you

2045

01:16:17,110 --> 01:16:15,360

know as i often mentioned you know thank

2046

01:16:17,830 --> 01:16:17,120

you for being there it's a it's a good

2047

01:16:20,950 --> 01:16:17,840

thing we

2048

01:16:22,229 --> 01:16:20,960

we have we have and uh as far as we were

2049

01:16:24,310 --> 01:16:22,239

talking about before

2050

01:16:25,270 --> 01:16:24,320

it's uh i think it's a it's a great

2051

01:16:29,030 --> 01:16:25,280

opportunity

2052

01:16:31,990 --> 01:16:29,040

for for for us on a personal

2053

01:16:34,149 --> 01:16:32,000

level and also as a collective it's a

2054

01:16:36,550 --> 01:16:34,159

it's a great opportunity

2055

01:16:38,229 --> 01:16:36,560

to actually work on a few issues that we

2056

01:16:41,750 --> 01:16:38,239

have

2057

01:16:45,030 --> 01:16:41,760

it's uh it seems to me that it will

2058

01:16:48,470 --> 01:16:45,040

it will bring forth you know

2059

01:16:51,910 --> 01:16:48,480

the elements the the key aspect

2060

01:16:52,950 --> 01:16:51,920

that we need to perhaps start making a

2061

01:16:55,590 --> 01:16:52,960

bit more sense

2062

01:16:58,950 --> 01:16:55,600

with what's going on with with the

2063

01:17:00,870 --> 01:16:58,960

so-called ufo phenomena

2064

01:17:02,470 --> 01:17:00,880

with all the interaction that some

2065

01:17:04,149 --> 01:17:02,480

people actually they we

2066

01:17:05,590 --> 01:17:04,159

it's by the millions you know we all

2067

01:17:07,430 --> 01:17:05,600

know that now all the

2068

01:17:10,470 --> 01:17:07,440

interaction that we're having with with

2069

01:17:12,709 --> 01:17:10,480

other dimensions with other species

2070

01:17:13,669 --> 01:17:12,719

and with what's going on on planet earth

2071

01:17:16,950 --> 01:17:13,679

right now

2072

01:17:18,950 --> 01:17:16,960

maybe covet 19 or whatever

2073

01:17:21,270 --> 01:17:18,960

i think we can turn that into something

2074

01:17:24,310 --> 01:17:21,280

positive find find the tools

2075

01:17:25,669 --> 01:17:24,320

on the necessary means to really

2076

01:17:29,110 --> 01:17:25,679

understand what

2077

01:17:30,470 --> 01:17:29,120

sort of reality we are actually imbued

2078

01:17:33,430 --> 01:17:30,480

into

2079

01:17:34,070 --> 01:17:33,440

and what needs to be done to find some

2080

01:17:42,229 --> 01:17:34,080

sort of

2081

01:17:42,709 --> 01:17:42,239

that uh somehow this civilization which

2082

01:17:47,430 --> 01:17:42,719

uh

2083

01:17:50,470 --> 01:17:47,440

are not from this planet find themselves

2084

01:17:51,910 --> 01:17:50,480

also in a situation that the interaction

2085

01:17:53,110 --> 01:17:51,920

that we're having with them having

2086

01:17:56,229 --> 01:17:53,120

together

2087

01:17:58,070 --> 01:17:56,239

can be a bit more constructive it seems

2088

01:18:00,550 --> 01:17:58,080

to me with a few interactions that i

2089

01:18:03,189 --> 01:18:00,560

have you know

2090

01:18:06,870 --> 01:18:03,199

they've never been quite let's say

2091

01:18:12,550 --> 01:18:10,830

or for the experiences we seem to be in

2092

01:18:15,669 --> 01:18:12,560

situations

2093

01:18:18,229 --> 01:18:15,679

that we do not have much let's say

2094

01:18:20,709 --> 01:18:18,239

personal control we don't really kind of

2095

01:18:23,750 --> 01:18:20,719

understand what's going on we're sort of

2096

01:18:27,110 --> 01:18:23,760

thrown into a situation

2097

01:18:29,990 --> 01:18:27,120

and it's quite hard later on

2098

01:18:32,070 --> 01:18:30,000

uh as the days go by as the weeks go by

2099

01:18:34,149 --> 01:18:32,080

to actually make sense out of it because

2100

01:18:35,910 --> 01:18:34,159

it's it's so outwardly that there are

2101

01:18:38,149 --> 01:18:35,920

questions down there

2102

01:18:38,950 --> 01:18:38,159

that we are asking and we're not getting

2103

01:18:40,709 --> 01:18:38,960

the answers

2104

01:18:43,510 --> 01:18:40,719

and probably it's because we're not

2105

01:18:46,229 --> 01:18:43,520

asking the right questions

2106

01:18:47,830 --> 01:18:46,239

and uh i really hope that this this

2107

01:18:48,950 --> 01:18:47,840

problem that we're having with recovery

2108

01:18:54,229 --> 01:18:48,960

19 you know

2109

01:18:57,669 --> 01:18:54,239

we'll have a positive

2110

01:19:00,790 --> 01:18:57,679

let's say end to it and force us to

2111

01:19:02,630 --> 01:19:00,800

to ask the rest direct question

2112

01:19:04,070 --> 01:19:02,640

about ourselves about the reality that

2113

01:19:07,189 --> 01:19:04,080

we're into about

2114

01:19:09,910 --> 01:19:07,199

about the society about the way that we

2115

01:19:11,830 --> 01:19:09,920

are we're treating the planet earth

2116

01:19:13,270 --> 01:19:11,840

and uh i think once we've got that

2117

01:19:15,110 --> 01:19:13,280

solved or at least

2118

01:19:18,229 --> 01:19:15,120

have some sort of consensus at least

2119

01:19:23,430 --> 01:19:20,950

togetherness in and it doesn't mean you

2120

01:19:24,310 --> 01:19:23,440

know all must believe the same etc but

2121

01:19:27,910 --> 01:19:24,320

at least

2122

01:19:30,070 --> 01:19:27,920

stopping this great divide that there is

2123

01:19:31,830 --> 01:19:30,080

then then perhaps the interaction that

2124

01:19:34,070 --> 01:19:31,840

we're having with the ufos that we're

2125

01:19:36,070 --> 01:19:34,080

having with with other beings

2126

01:19:38,070 --> 01:19:36,080

uh might turn up to be a bit more

2127

01:19:40,229 --> 01:19:38,080

positive and a bit more constrictive

2128

01:19:41,910 --> 01:19:40,239

and and that's that's what i'm really

2129

01:19:44,950 --> 01:19:41,920

hoping for

2130

01:19:48,870 --> 01:19:44,960

right well you know

2131

01:19:52,229 --> 01:19:50,390

you know there was those uh something

2132

01:19:53,830 --> 01:19:52,239

you would you you touched on early and i

2133

01:19:55,830 --> 01:19:53,840

wanted to

2134

01:19:57,910 --> 01:19:55,840

uh to speak on that always regarding

2135

01:20:00,870 --> 01:19:57,920

unity you know whether it's uh

2136

01:20:02,870 --> 01:20:00,880

uh ufo related or otherwise you know

2137

01:20:07,350 --> 01:20:02,880

it's difficult to find

2138

01:20:09,350 --> 01:20:07,360

unity when there's a huge

2139

01:20:11,350 --> 01:20:09,360

discrepancy where i should say a huge

2140

01:20:14,470 --> 01:20:11,360

divide going on in the sense

2141

01:20:17,350 --> 01:20:14,480

of let's say let's say you

2142

01:20:18,629 --> 01:20:17,360

you absolutely don't want to be forced

2143

01:20:21,830 --> 01:20:18,639

for the vaccination

2144

01:20:25,110 --> 01:20:21,840

and and mandated mandated masks

2145

01:20:26,550 --> 01:20:25,120

right and they say well for

2146

01:20:29,189 --> 01:20:26,560

you the only way you can get to the

2147

01:20:32,550 --> 01:20:29,199

store for you to get food is

2148

01:20:33,590 --> 01:20:32,560

by you being basically abiding by what

2149

01:20:36,470 --> 01:20:33,600

you're told

2150

01:20:38,629 --> 01:20:36,480

that's not a unifying you know uh

2151

01:20:40,790 --> 01:20:38,639

message that's not a unifying

2152

01:20:41,990 --> 01:20:40,800

um environment you know it's it's

2153

01:20:44,870 --> 01:20:42,000

basically designing

2154

01:20:46,149 --> 01:20:44,880

a fracture it's designing that the only

2155

01:20:48,310 --> 01:20:46,159

way this could work out

2156

01:20:50,470 --> 01:20:48,320

is that if you either abide or you're

2157

01:20:52,870 --> 01:20:50,480

not part of society so to say

2158

01:20:54,310 --> 01:20:52,880

you know and it's like you know you you

2159

01:20:59,110 --> 01:20:54,320

know

2160

01:21:01,350 --> 01:20:59,120

talking about you i'm talking about the

2161

01:21:03,990 --> 01:21:01,360

politician-wise but everything they do

2162

01:21:04,550 --> 01:21:04,000

they make it divisive they make you say

2163

01:21:06,550 --> 01:21:04,560

you know let's

2164

01:21:08,149 --> 01:21:06,560

unify but you have to do what you don't

2165

01:21:10,390 --> 01:21:08,159

want to it's like well

2166

01:21:12,149 --> 01:21:10,400

i'm sorry then i can't go that direction

2167

01:21:15,110 --> 01:21:12,159

that's not unity that's not

2168

01:21:16,950 --> 01:21:15,120

you know that's not you know um working

2169

01:21:19,110 --> 01:21:16,960

it out to where it works for me

2170

01:21:20,310 --> 01:21:19,120

and you you only want your way and

2171

01:21:23,669 --> 01:21:20,320

you're not you know

2172

01:21:26,470 --> 01:21:23,679

um you're not taking my uh

2173

01:21:29,669 --> 01:21:26,480

uh state of you know my state into

2174

01:21:32,709 --> 01:21:29,679

conservation whatsoever

2175

01:21:33,510 --> 01:21:32,719

yes you know that's what's so difficult

2176

01:21:35,830 --> 01:21:33,520

you know it's it's

2177

01:21:36,950 --> 01:21:35,840

yeah unity is you know it only works

2178

01:21:39,350 --> 01:21:36,960

when there's actually

2179

01:21:41,270 --> 01:21:39,360

because if there were let's say if there

2180

01:21:43,030 --> 01:21:41,280

were if there was two choices

2181

01:21:44,950 --> 01:21:43,040

right if there were two choices and they

2182

01:21:47,430 --> 01:21:44,960

would accommodate both people

2183

01:21:49,030 --> 01:21:47,440

right if then somebody's being difficult

2184

01:21:51,750 --> 01:21:49,040

then they're just being silly

2185

01:21:53,350 --> 01:21:51,760

right because if there's let's say a

2186

01:21:55,189 --> 01:21:53,360

mass mandate and they say

2187

01:21:56,550 --> 01:21:55,199

like like it was in the state you know

2188

01:21:57,990 --> 01:21:56,560

they said if you want to wear a mask

2189

01:21:59,669 --> 01:21:58,000

wear a mask if you don't want to wear

2190

01:22:02,470 --> 01:21:59,679

masks don't wear a mask right

2191

01:22:03,590 --> 01:22:02,480

that was a unifying message well when

2192

01:22:05,910 --> 01:22:03,600

you when it comes to the

2193

01:22:07,750 --> 01:22:05,920

this whatever larger script to the

2194

01:22:09,990 --> 01:22:07,760

picture you know of the sudden those

2195

01:22:12,790 --> 01:22:10,000

that were in a mass were demonized

2196

01:22:13,270 --> 01:22:12,800

you know and so you know even though you

2197

01:22:16,229 --> 01:22:13,280

know

2198

01:22:16,950 --> 01:22:16,239

uh the the government the governor tried

2199

01:22:19,750 --> 01:22:16,960

to

2200

01:22:21,030 --> 01:22:19,760

have it in this in this unifying waste

2201

01:22:22,790 --> 01:22:21,040

because he didn't say

2202

01:22:24,709 --> 01:22:22,800

i'm going to pick a side with one group

2203

01:22:27,910 --> 01:22:24,719

of people and only gonna go with them

2204

01:22:29,270 --> 01:22:27,920

you know and so um

2205

01:22:30,709 --> 01:22:29,280

you know that's that's the challenge

2206

01:22:32,149 --> 01:22:30,719

that a lot of things that are you know

2207

01:22:34,790 --> 01:22:32,159

being proposed right now by the

2208

01:22:35,590 --> 01:22:34,800

different governments uh uh don't give

2209

01:22:41,669 --> 01:22:35,600

an option

2210

01:22:45,110 --> 01:22:43,910

yes of course of course when uh when

2211

01:22:47,910 --> 01:22:45,120

unity is being

2212

01:22:50,229 --> 01:22:47,920

imposed when it's being enforced in uh

2213

01:22:52,470 --> 01:22:50,239

in a certain way

2214

01:22:53,430 --> 01:22:52,480

for the greater good you know so so they

2215

01:22:55,669 --> 01:22:53,440

tell us

2216

01:22:57,510 --> 01:22:55,679

uh obviously uh there is a sense of

2217

01:22:57,830 --> 01:22:57,520

freedom there is a sense of free will

2218

01:23:00,629 --> 01:22:57,840

but

2219

01:23:02,229 --> 01:23:00,639

uh inside of you that will revolt and go

2220

01:23:04,310 --> 01:23:02,239

well listen you know this is

2221

01:23:05,590 --> 01:23:04,320

uh this is not unity you know it's being

2222

01:23:08,629 --> 01:23:05,600

enforced

2223

01:23:10,229 --> 01:23:08,639

and obviously people will will rebel

2224

01:23:12,709 --> 01:23:10,239

against that

2225

01:23:13,990 --> 01:23:12,719

it is clear with with the with the kavit

2226

01:23:15,830 --> 01:23:14,000

19 for example

2227

01:23:18,830 --> 01:23:15,840

that somewhere along the line there is

2228

01:23:21,430 --> 01:23:18,840

an agenda imagine that we don't know

2229

01:23:23,350 --> 01:23:21,440

about yet somewhere along the line you

2230

01:23:25,110 --> 01:23:23,360

know we we we do have a government you

2231

01:23:27,189 --> 01:23:25,120

know we do have a big brother

2232

01:23:29,590 --> 01:23:27,199

and big brother let's face it you know

2233

01:23:33,510 --> 01:23:29,600

he's still a brother you know he's

2234

01:23:34,229 --> 01:23:33,520

he or she is there to for the best of us

2235

01:23:39,830 --> 01:23:34,239

uh

2236

01:23:42,709 --> 01:23:39,840

a psychopath

2237

01:23:43,669 --> 01:23:42,719

he's a he's a he's an adonis he's a

2238

01:23:45,830 --> 01:23:43,679

sociopath

2239

01:23:48,550 --> 01:23:45,840

right right somewhere along the line we

2240

01:23:51,110 --> 01:23:48,560

need to realize as well that there is

2241

01:23:51,990 --> 01:23:51,120

there is a society but it's been going

2242

01:23:54,629 --> 01:23:52,000

on for

2243

01:23:55,270 --> 01:23:54,639

for quite a few thousand years but some

2244

01:23:58,070 --> 01:23:55,280

things

2245

01:24:01,189 --> 01:23:58,080

are working you know we're still alive

2246

01:24:05,270 --> 01:24:03,110

a bit more like a virus really but

2247

01:24:08,470 --> 01:24:05,280

nonetheless you know we're still here

2248

01:24:09,510 --> 01:24:08,480

and uh there is uh obviously a need to

2249

01:24:13,510 --> 01:24:09,520

have

2250

01:24:15,350 --> 01:24:13,520

a consensus so things do carry on and

2251
01:24:16,550 --> 01:24:15,360
there are so many things that we don't

2252
01:24:18,709 --> 01:24:16,560
know about

2253
01:24:21,270 --> 01:24:18,719
right and there are some people out

2254
01:24:24,550 --> 01:24:21,280
there that do know better

2255
01:24:26,310 --> 01:24:24,560
it's their job etc and sometimes they

2256
01:24:29,990 --> 01:24:26,320
just can't tell us

2257
01:24:34,550 --> 01:24:30,000
but it is

2258
01:24:38,550 --> 01:24:34,560
agenda is uh as has got for its main

2259
01:24:42,470 --> 01:24:40,550
it's quite clear it is quite clear and

2260
01:24:44,070 --> 01:24:42,480
once we've got that sorted out i think

2261
01:24:47,350 --> 01:24:44,080
within ourselves

2262
01:24:51,270 --> 01:24:47,360
it will maybe that always

2263
01:24:54,950 --> 01:24:51,280

of a part of life part of reality maybe

2264

01:24:57,910 --> 01:24:54,960

a dimensional interdimensional ufos

2265

01:24:58,709 --> 01:24:57,920

ebes etc perhaps we will find ourselves

2266

01:25:03,270 --> 01:24:58,719

here

2267

01:25:07,430 --> 01:25:03,280

communication which is

2268

01:25:11,510 --> 01:25:07,440

a bit more interactive interactive

2269

01:25:14,470 --> 01:25:11,520

right okay well fab thank you again

2270

01:25:15,430 --> 01:25:14,480

for you know for coming on today and to

2271

01:25:18,870 --> 01:25:15,440

you know speak on

2272

01:25:21,110 --> 01:25:18,880

the subjects that you have um i'm not um

2273

01:25:22,149 --> 01:25:21,120

i'm just looking over this i guess no

2274

01:25:25,590 --> 01:25:22,159

more questions

2275

01:25:28,149 --> 01:25:25,600

that were coming up on the chat and uh

2276

01:25:30,709 --> 01:25:28,159

no one else logging in or to uh to

2277

01:25:34,470 --> 01:25:30,719

telegram to want to share their story so

2278

01:25:34,950 --> 01:25:34,480

i think i'm gonna uh sure here i go i

2279

01:25:40,149 --> 01:25:34,960

say

2280

01:25:42,149 --> 01:25:40,159

i was gonna you know end the show but i

2281

01:25:43,510 --> 01:25:42,159

guess nathan has something to say so

2282

01:25:45,750 --> 01:25:43,520

we'll we'll keep going for a little

2283

01:25:46,870 --> 01:25:45,760

while but fab i want to thank you so far

2284

01:25:49,430 --> 01:25:46,880

and i appreciate you

2285

01:25:51,110 --> 01:25:49,440

uh you know logging in you know and um

2286

01:25:54,390 --> 01:25:51,120

when i meet you and then give give

2287

01:25:56,390 --> 01:25:54,400

nathan a chance to also say something

2288

01:26:03,110 --> 01:25:56,400

okay it's been a pleasure good night

2289

01:26:11,189 --> 01:26:09,510

okay um right nathan you are unmuted and

2290

01:26:14,229 --> 01:26:11,199

mute yourself and uh

2291

01:26:15,990 --> 01:26:14,239

go ahead and say what you want to say

2292

01:26:17,990 --> 01:26:16,000

yes hello can you hear me okay this is a

2293

01:26:19,910 --> 01:26:18,000

new headset i'm using yeah i can hear

2294

01:26:22,629 --> 01:26:19,920

you just fine

2295

01:26:23,510 --> 01:26:22,639

okay great um hello hello anon hello

2296

01:26:26,229 --> 01:26:23,520

everybody

2297

01:26:27,510 --> 01:26:26,239

um i had a more of a comment and a

2298

01:26:34,390 --> 01:26:27,520

question for

2299

01:26:37,750 --> 01:26:34,400

fab uh so bradley bradley uh he taught

2300

01:26:40,629 --> 01:26:37,760

me his bet his uh uh battery ran out so

2301

01:26:42,629 --> 01:26:40,639

he's not gonna be able to uh okay yeah

2302

01:26:43,590 --> 01:26:42,639

well then i guess just a comment and for

2303

01:26:45,910 --> 01:26:43,600

i mean for uh

2304

01:26:47,350 --> 01:26:45,920

bradley then then and if you want to

2305

01:26:49,510 --> 01:26:47,360

weigh in on that'd be cool

2306

01:26:51,030 --> 01:26:49,520

but uh so when they were covering the

2307

01:26:52,950 --> 01:26:51,040

when the riots first broke out

2308

01:26:54,229 --> 01:26:52,960

in the united states and they were the

2309

01:26:57,590 --> 01:26:54,239

at their at their worst

2310

01:26:59,830 --> 01:26:57,600

like as we're so we're told um cnn was

2311

01:27:02,950 --> 01:26:59,840

covering i think it was minneapolis

2312

01:27:06,070 --> 01:27:02,960

and um and and they were showing

2313

01:27:08,149 --> 01:27:06,080

footage of the downtown burning and and

2314

01:27:09,590 --> 01:27:08,159

big plumes of smoke going in the sky

2315

01:27:11,750 --> 01:27:09,600

you know different buildings you know

2316

01:27:14,470 --> 01:27:11,760

just crumbling apart and flames

2317

01:27:16,229 --> 01:27:14,480

and uh somebody pointed out like just

2318

01:27:19,270 --> 01:27:16,239

moments after that footage aired

2319

01:27:21,510 --> 01:27:19,280

that that was actually footage from the

2320

01:27:22,709 --> 01:27:21,520

uh from the uh what's that called the

2321

01:27:25,110 --> 01:27:22,719

trailer the movie trailer

2322

01:27:26,149 --> 01:27:25,120

of world war z or some other zombie

2323

01:27:27,430 --> 01:27:26,159

movie and that what

2324

01:27:28,950 --> 01:27:27,440

what made me think of it is because he

2325

01:27:30,629 --> 01:27:28,960

was like it's like a zombie movie here

2326

01:27:32,070 --> 01:27:30,639

if you watch the news he said

2327

01:27:33,990 --> 01:27:32,080

and i'm wondering you know he said he

2328

01:27:35,830 --> 01:27:34,000

actually looks out his window and sees

2329

01:27:36,950 --> 01:27:35,840

the smoke and sees the the bombs but i

2330

01:27:38,310 --> 01:27:36,960

wonder if they're trying to pull any of

2331

01:27:40,870 --> 01:27:38,320

that crap there like they did here i

2332

01:27:42,709 --> 01:27:40,880

mean i can't believe cnn was so bold to

2333

01:27:44,149 --> 01:27:42,719

so stupid to do that nowadays with with

2334

01:27:44,950 --> 01:27:44,159

everybody's got everything recorded you

2335

01:27:47,430 --> 01:27:44,960

know

2336

01:27:48,070 --> 01:27:47,440

well uh nathan uh just real quick

2337

01:27:50,310 --> 01:27:48,080

bradley

2338

01:27:51,270 --> 01:27:50,320

he's still watching i guess he although

2339

01:27:53,189 --> 01:27:51,280

he's uh

2340

01:27:55,270 --> 01:27:53,199

his phone ran out of battery i guess

2341

01:27:57,110 --> 01:27:55,280

he's watching the stream on the computer

2342

01:27:58,550 --> 01:27:57,120

so whatever question you have for him he

2343

01:28:00,790 --> 01:27:58,560

can i guess answer in

2344

01:28:02,390 --> 01:28:00,800

in chat and i can i can get to that but

2345

01:28:04,790 --> 01:28:02,400

let me speak on that real quick

2346

01:28:05,430 --> 01:28:04,800

you know there was um that was really

2347

01:28:07,990 --> 01:28:05,440

interesting

2348

01:28:09,189 --> 01:28:08,000

do you you know you said that so i don't

2349

01:28:11,189 --> 01:28:09,199

know if you remember this

2350

01:28:13,990 --> 01:28:11,199

you know but there was uh this was also

2351

01:28:17,030 --> 01:28:14,000

regarding cnn right there were

2352

01:28:18,790 --> 01:28:17,040

a decision was made for i guess during

2353

01:28:22,149 --> 01:28:18,800

that time i forgot when it was

2354

01:28:23,590 --> 01:28:22,159

18 17 for trump to pull troops and

2355

01:28:27,030 --> 01:28:23,600

support for

2356

01:28:29,030 --> 01:28:27,040

um shoot what they called

2357

01:28:32,550 --> 01:28:29,040

the other people that are in iraq too

2358

01:28:35,590 --> 01:28:32,560

you have iraqis and then there's um

2359

01:28:36,550 --> 01:28:35,600

um oh my goodness

2360

01:28:38,790 --> 01:28:36,560

i'm sorry do you know what i'm talking

2361

01:28:41,030 --> 01:28:38,800

about you can't uh what

2362

01:28:41,990 --> 01:28:41,040

no i do not yeah right but there's the

2363

01:28:44,310 --> 01:28:42,000

other group uh

2364

01:28:45,270 --> 01:28:44,320

uh kurtz the kurds that was basically

2365

01:28:48,790 --> 01:28:45,280

they were gassed by

2366

01:28:50,950 --> 01:28:48,800

saddam hussein um you know and and so

2367

01:28:52,470 --> 01:28:50,960

they were they've been fighting you know

2368

01:28:55,750 --> 01:28:52,480

their i mean since

2369

01:28:58,229 --> 01:28:55,760

you know forever but anyway so

2370

01:28:59,990 --> 01:28:58,239

trump had pulled support for them you

2371

01:29:01,030 --> 01:29:00,000

know for whatever reason i forgot what

2372

01:29:03,430 --> 01:29:01,040

the detail was

2373

01:29:04,070 --> 01:29:03,440

and cnn was making this huge deal

2374

01:29:07,590 --> 01:29:04,080

they're like

2375

01:29:08,550 --> 01:29:07,600

what is happening we have footage and

2376

01:29:11,189 --> 01:29:08,560

there's like this

2377

01:29:13,189 --> 01:29:11,199

just this barrage of just bullets flying

2378

01:29:15,189 --> 01:29:13,199

and things are exploding

2379

01:29:17,189 --> 01:29:15,199

and and you know just like this is what

2380

01:29:19,750 --> 01:29:17,199

happens like the support was pulled

2381

01:29:21,510 --> 01:29:19,760

and you know these poor people you know

2382

01:29:22,950 --> 01:29:21,520

um uh you know immediately

2383

01:29:24,550 --> 01:29:22,960

were getting slaughtered not that they

2384

01:29:25,189 --> 01:29:24,560

weren't that's not the point the point

2385

01:29:26,950 --> 01:29:25,199

was

2386

01:29:28,870 --> 01:29:26,960

they were exaggerating the out of

2387

01:29:31,350 --> 01:29:28,880

this right and only to turn

2388

01:29:32,070 --> 01:29:31,360

turns out that they were using footage

2389

01:29:34,229 --> 01:29:32,080

from a

2390

01:29:35,990 --> 01:29:34,239

shooting range in tennessee and they

2391

01:29:37,910 --> 01:29:36,000

were basically using tracer rounds

2392

01:29:39,830 --> 01:29:37,920

shooting at like gasoline things that

2393

01:29:42,870 --> 01:29:39,840

exploded and all this other stuff

2394

01:29:45,350 --> 01:29:42,880

and they had audacity to sell that as an

2395

01:29:46,390 --> 01:29:45,360

actual footage saying this is what's

2396

01:29:48,550 --> 01:29:46,400

happening in iraq

2397

01:29:50,149 --> 01:29:48,560

now because trump pulled troops and they

2398

01:29:53,430 --> 01:29:50,159

were making up

2399

01:29:54,709 --> 01:29:53,440

you know and um gosh yeah it's like and

2400

01:29:55,750 --> 01:29:54,719

you know it's one of these things to

2401

01:29:57,590 --> 01:29:55,760

where you just go

2402

01:29:59,669 --> 01:29:57,600

are you for real like how are you still

2403

01:30:01,030 --> 01:29:59,679

in business you know it wasn't and

2404

01:30:02,470 --> 01:30:01,040

obviously it's not the first time they

2405

01:30:04,870 --> 01:30:02,480

they pulled this you know

2406

01:30:05,510 --> 01:30:04,880

and it just makes you wonder like you

2407

01:30:07,350 --> 01:30:05,520

know like

2408

01:30:08,790 --> 01:30:07,360

who would still even trust you to watch

2409

01:30:12,629 --> 01:30:08,800

you you know after

2410

01:30:17,430 --> 01:30:15,830

i know it's crazy i mean i mean and then

2411

01:30:19,189 --> 01:30:17,440

you know if they do that like i mean

2412

01:30:21,270 --> 01:30:19,199

they either well

2413

01:30:22,709 --> 01:30:21,280

it was point somebody said it today uh

2414

01:30:25,030 --> 01:30:22,719

some it was just a

2415

01:30:25,910 --> 01:30:25,040

a really cool interview i was watching

2416

01:30:28,149 --> 01:30:25,920

um

2417

01:30:29,750 --> 01:30:28,159

he was just uh he said he said this is a

2418

01:30:30,550 --> 01:30:29,760

doctor and this guy is really high up

2419

01:30:32,390 --> 01:30:30,560

and he's doing

2420

01:30:33,990 --> 01:30:32,400

a lot of really good work helping expose

2421

01:30:35,110 --> 01:30:34,000

covid uh

2422

01:30:36,950 --> 01:30:35,120

i can't recall his name right now but

2423

01:30:37,270 --> 01:30:36,960

anyway he said a lot of his colleagues

2424

01:30:39,270 --> 01:30:37,280

there

2425

01:30:41,030 --> 01:30:39,280

they they act like they're under a spell

2426

01:30:42,550 --> 01:30:41,040

and i was like it almost is like that

2427

01:30:42,870 --> 01:30:42,560

when you talk to friends and family that

2428

01:30:48,149 --> 01:30:42,880

are

2429

01:30:49,750 --> 01:30:48,159

official narrative of what's going on in

2430

01:30:50,950 --> 01:30:49,760

the world it is it's almost like they're

2431

01:30:53,030 --> 01:30:50,960

under a spell like in

2432

01:30:54,390 --> 01:30:53,040

in you would have to be under a spell or

2433

01:30:57,750 --> 01:30:54,400

somewhat

2434

01:30:58,149 --> 01:30:57,760

uh slow in them head to to to not see

2435

01:31:00,390 --> 01:30:58,159

how

2436

01:31:01,669 --> 01:31:00,400

fake this stuff is especially after i

2437

01:31:05,030 --> 01:31:01,679

mean who like they must

2438

01:31:07,910 --> 01:31:05,040

think everybody is just to to show

2439

01:31:08,229 --> 01:31:07,920

hot footage from you know to to pass off

2440

01:31:11,350 --> 01:31:08,239

real

2441

01:31:14,709 --> 01:31:11,360

bogus stuff uh

2442

01:31:16,390 --> 01:31:14,719

it's just crazy it's crazy right so

2443

01:31:18,070 --> 01:31:16,400

you know and he did bradley did mention

2444

01:31:19,030 --> 01:31:18,080

the different news agencies and stuff

2445

01:31:21,510 --> 01:31:19,040

and how it's already

2446

01:31:23,030 --> 01:31:21,520

you know very obvious and my wife's

2447

01:31:24,950 --> 01:31:23,040

colombian and there i don't know why

2448

01:31:27,030 --> 01:31:24,960

people still listen to the news there

2449

01:31:28,790 --> 01:31:27,040

there's only there's there's several

2450

01:31:30,070 --> 01:31:28,800

news stations to listen to

2451
01:31:31,510 --> 01:31:30,080
but they're all owned and controlled by

2452
01:31:32,790 --> 01:31:31,520
the government and then there's there is

2453
01:31:34,950 --> 01:31:32,800
one private one

2454
01:31:36,310 --> 01:31:34,960
but it's totally biased also but people

2455
01:31:38,149 --> 01:31:36,320
still listen to it it's like

2456
01:31:39,830 --> 01:31:38,159
i don't i don't understand don't

2457
01:31:42,310 --> 01:31:39,840
understand

2458
01:31:43,910 --> 01:31:42,320
so i mean so since bradley since bradley

2459
01:31:45,750 --> 01:31:43,920
is listening did you want to ask him a

2460
01:31:46,229 --> 01:31:45,760
question so that he can respond to you

2461
01:31:48,470 --> 01:31:46,239
again

2462
01:31:49,750 --> 01:31:48,480
well i wanted to ask well i wanted to

2463
01:31:51,830 --> 01:31:49,760

ask because because

2464

01:31:54,149 --> 01:31:51,840

just it was it triggered my memory how

2465

01:31:56,070 --> 01:31:54,159

he said you know that it's like

2466

01:31:57,430 --> 01:31:56,080

like when you when you go on the news

2467

01:31:57,990 --> 01:31:57,440

and you watch what's happening here on

2468

01:32:00,149 --> 01:31:58,000

tv

2469

01:32:01,990 --> 01:32:00,159

it's like a zombie movie and i was like

2470

01:32:03,669 --> 01:32:02,000

wait are they maybe they're using zombie

2471

01:32:04,550 --> 01:32:03,679

movie footage but i wanted to ask you

2472

01:32:06,390 --> 01:32:04,560

know because he said

2473

01:32:07,750 --> 01:32:06,400

he actually looks out his window and

2474

01:32:10,070 --> 01:32:07,760

sees this stuff

2475

01:32:11,669 --> 01:32:10,080

so i didn't know how much of it was able

2476

01:32:12,070 --> 01:32:11,679

to be verified i mean right now it's all

2477

01:32:14,950 --> 01:32:12,080

so

2478

01:32:16,470 --> 01:32:14,960

current event it would be uh hard to

2479

01:32:17,990 --> 01:32:16,480

verified at this stage of the game and

2480

01:32:19,430 --> 01:32:18,000

actually be safe i'm not saying bradley

2481

01:32:21,430 --> 01:32:19,440

go out in the streets and

2482

01:32:22,629 --> 01:32:21,440

check for me but i was just wondering if

2483

01:32:24,310 --> 01:32:22,639

there's a

2484

01:32:26,149 --> 01:32:24,320

any way that we could you know or any

2485

01:32:27,110 --> 01:32:26,159

way he could verify it or if he thinks

2486

01:32:29,510 --> 01:32:27,120

that is even possible

2487

01:32:30,310 --> 01:32:29,520

that they'd be doing that there really

2488

01:32:31,430 --> 01:32:30,320

that's why i said it was more of a

2489

01:32:33,830 --> 01:32:31,440

statement than a question

2490

01:32:35,110 --> 01:32:33,840

and just wanted to get his input on it

2491

01:32:37,510 --> 01:32:35,120

yeah he heard so

2492

01:32:39,910 --> 01:32:37,520

whatever he responds when i see it on on

2493

01:32:40,870 --> 01:32:39,920

the on the chat whatever he response i

2494

01:32:42,550 --> 01:32:40,880

will

2495

01:32:44,470 --> 01:32:42,560

let you know and plus i mean if you're

2496

01:32:44,870 --> 01:32:44,480

watching the stream at the same time you

2497

01:32:49,030 --> 01:32:44,880

can

2498

01:32:51,590 --> 01:32:49,040

read the um the uh chat yourself

2499

01:32:52,870 --> 01:32:51,600

um uh yeah no i'm only on telegram i

2500

01:32:55,910 --> 01:32:52,880

always forget to log in on the

2501

01:32:57,990 --> 01:32:55,920

stream that's all right um

2502

01:32:59,430 --> 01:32:58,000

well i did have a question for fab or i

2503

01:33:00,950 --> 01:32:59,440

wanted to get his uh

2504

01:33:02,709 --> 01:33:00,960

input on a thought that i had while he

2505

01:33:04,149 --> 01:33:02,719

was talking um

2506

01:33:05,910 --> 01:33:04,159

you know he's talking about like this

2507

01:33:06,550 --> 01:33:05,920

this great divide this is something we

2508

01:33:07,990 --> 01:33:06,560

that's been

2509

01:33:09,990 --> 01:33:08,000

we've been talking about on your channel

2510

01:33:11,510 --> 01:33:10,000

for a while and and and we're seeing it

2511

01:33:12,870 --> 01:33:11,520

more and more and actually

2512

01:33:14,470 --> 01:33:12,880

this interview i listened to today by

2513

01:33:15,669 --> 01:33:14,480

this doctor he pointed it out again it's

2514

01:33:16,629 --> 01:33:15,679

like everybody's starting to point this

2515

01:33:19,189 --> 01:33:16,639

thing out

2516

01:33:19,910 --> 01:33:19,199

um and then i know so we're talk we're

2517

01:33:22,950 --> 01:33:19,920

talking about it

2518

01:33:24,149 --> 01:33:22,960

and and i know i know a lot a lot of

2519

01:33:26,070 --> 01:33:24,159

people here probably

2520

01:33:27,270 --> 01:33:26,080

have heard of like the uh different

2521

01:33:28,870 --> 01:33:27,280

theories of like a

2522

01:33:30,310 --> 01:33:28,880

like the universe is a holographic

2523

01:33:32,390 --> 01:33:30,320

universe you know or

2524

01:33:34,070 --> 01:33:32,400

as above so below or as you know

2525

01:33:36,790 --> 01:33:34,080

whatever's going on outside is sort of a

2526

01:33:37,189 --> 01:33:36,800

reflection of what's going on internally

2527

01:33:40,229 --> 01:33:37,199

like

2528

01:33:41,750 --> 01:33:40,239

so this divide that is unmistakable it's

2529

01:33:44,709 --> 01:33:41,760

hot you cannot ignore it anymore

2530

01:33:46,229 --> 01:33:44,719

if you well if you're uh if you're not

2531

01:33:46,629 --> 01:33:46,239

under a spell like a lot of these people

2532

01:33:48,550 --> 01:33:46,639

are

2533

01:33:50,229 --> 01:33:48,560

it's just become so obvious and kind of

2534

01:33:51,910 --> 01:33:50,239

scary obvious um

2535

01:33:53,590 --> 01:33:51,920

i can't remember exactly what fab said

2536

01:33:54,550 --> 01:33:53,600

he was um

2537

01:33:56,709 --> 01:33:54,560

we was just talking about the great

2538

01:33:58,870 --> 01:33:56,719

divide i didn't know do you do

2539

01:34:00,310 --> 01:33:58,880

do you think or anon do you think fab if

2540

01:34:01,510 --> 01:34:00,320

you're still listening like do you think

2541

01:34:03,350 --> 01:34:01,520

there's uh

2542

01:34:04,870 --> 01:34:03,360

how do you think this reflects on each

2543

01:34:07,350 --> 01:34:04,880

one of us individually

2544

01:34:08,629 --> 01:34:07,360

internally on our internal you know on

2545

01:34:10,870 --> 01:34:08,639

ourselves like is there is there a

2546

01:34:12,470 --> 01:34:10,880

divide that we need to heal within us

2547

01:34:14,149 --> 01:34:12,480

you know that that that's why we're

2548

01:34:14,709 --> 01:34:14,159

seeing it from what that's why we're

2549

01:34:17,430 --> 01:34:14,719

seeing it

2550

01:34:23,189 --> 01:34:17,440

outside of us fab do you want to speak

2551

01:34:28,790 --> 01:34:26,790

can you hear him yes yes

2552

01:34:31,189 --> 01:34:28,800

uh what's the million dollar question

2553

01:34:33,430 --> 01:34:31,199

and and i wish i had the answer

2554

01:34:35,510 --> 01:34:33,440

he was saying regarding this divide is

2555

01:34:37,030 --> 01:34:35,520

is there a divide within all of us that

2556

01:34:38,950 --> 01:34:37,040

we need to be looking at

2557

01:34:41,030 --> 01:34:38,960

is that what uh you know talking about

2558

01:34:43,189 --> 01:34:41,040

reflections you know

2559

01:34:44,950 --> 01:34:43,199

and does you know does the is am i

2560

01:34:46,950 --> 01:34:44,960

understanding correctly nathan

2561

01:34:48,629 --> 01:34:46,960

meaning the divide we see out there

2562

01:34:51,910 --> 01:34:48,639

would that mean do you have a divide

2563

01:34:55,669 --> 01:34:54,550

it's uh it seems to me so recently a

2564

01:34:57,830 --> 01:34:55,679

reflection

2565

01:34:59,030 --> 01:34:57,840

of ourselves you know but that is being

2566

01:35:01,270 --> 01:34:59,040

projected

2567

01:35:03,109 --> 01:35:01,280

on the outside world and obviously we

2568

01:35:05,750 --> 01:35:03,119

are getting the feedback

2569

01:35:08,310 --> 01:35:05,760

of the intention that we are trying to

2570

01:35:11,510 --> 01:35:08,320

put in there

2571

01:35:13,910 --> 01:35:11,520

we if we have a look at

2572

01:35:14,790 --> 01:35:13,920

history you know we we came back from

2573

01:35:19,189 --> 01:35:14,800

from more or less

2574

01:35:21,910 --> 01:35:19,199

a plane or a clan or a family

2575

01:35:22,709 --> 01:35:21,920

situation so the politics are pretty

2576

01:35:24,790 --> 01:35:22,719

much

2577

01:35:26,070 --> 01:35:24,800

based on that you know we look after our

2578

01:35:29,109 --> 01:35:26,080

family first and

2579

01:35:30,950 --> 01:35:29,119

the people that support us with

2580

01:35:32,709 --> 01:35:30,960

society which has become a bit more

2581

01:35:33,750 --> 01:35:32,719

modern you know if we can call it that

2582

01:35:35,990 --> 01:35:33,760

way

2583

01:35:37,109 --> 01:35:36,000

it has obviously become but we are

2584

01:35:41,189 --> 01:35:37,119

relying much

2585

01:35:46,070 --> 01:35:44,149

with that obviously comes the need to

2586

01:35:49,510 --> 01:35:46,080

heal

2587

01:35:50,070 --> 01:35:49,520

all these wildlife psychology vets that

2588

01:35:53,030 --> 01:35:50,080

we have

2589

01:35:53,910 --> 01:35:53,040

we need to defend ourselves so it is

2590

01:35:56,070 --> 01:35:53,920

clear that

2591

01:35:57,350 --> 01:35:56,080

what's happening in the world right now

2592

01:36:00,709 --> 01:35:57,360

forces us

2593

01:36:03,910 --> 01:36:00,719

to have an introspective to look

2594

01:36:05,510 --> 01:36:03,920

within to actually see what we can

2595

01:36:09,669 --> 01:36:05,520

change within ourselves

2596

01:36:12,709 --> 01:36:09,679

so we can communicate in better terms if

2597

01:36:17,669 --> 01:36:15,830

yes i think i think i get

2598

01:36:19,109 --> 01:36:17,679

i was just gonna say i saw uh bradley

2599

01:36:20,629 --> 01:36:19,119

logging for a quick second and he

2600

01:36:23,430 --> 01:36:20,639

disappeared he might come back

2601
01:36:24,950 --> 01:36:23,440
on but he responded it says easy way ask

2602
01:36:26,950 --> 01:36:24,960
adhan to send you the stuff i

2603
01:36:28,390 --> 01:36:26,960
sent him he's been sending me all kinds

2604
01:36:30,550 --> 01:36:28,400
of videos and stuff that i don't know

2605
01:36:33,510 --> 01:36:30,560
that you're gonna be able to see

2606
01:36:35,109 --> 01:36:33,520
ever on the news and so um you know i

2607
01:36:37,350 --> 01:36:35,119
could forward them to you

2608
01:36:39,109 --> 01:36:37,360
uh it's some of it is very graphic you

2609
01:36:41,109 --> 01:36:39,119
know but it's it's been very

2610
01:36:42,470 --> 01:36:41,119
very interesting just getting that from

2611
01:36:44,629 --> 01:36:42,480
him it's um

2612
01:36:46,550 --> 01:36:44,639
it's uh it could be maybe going on

2613
01:36:50,229 --> 01:36:46,560

online somewhere that i'm not aware of

2614

01:36:54,229 --> 01:36:50,239

you know but it's um i guess

2615

01:36:58,470 --> 01:36:56,790

okay thank you yeah yeah i'd be i'd i'd

2616

01:37:00,229 --> 01:36:58,480

like you to share that with me thank you

2617

01:37:01,350 --> 01:37:00,239

um but back to fab i thought yeah i

2618

01:37:02,629 --> 01:37:01,360

think if i understand what you're saying

2619

01:37:05,270 --> 01:37:02,639

it's almost like

2620

01:37:06,709 --> 01:37:05,280

this is like like what we're seeing

2621

01:37:08,550 --> 01:37:06,719

internally

2622

01:37:10,310 --> 01:37:08,560

is almost from what we're seeing without

2623

01:37:13,270 --> 01:37:10,320

it's kind of like the ego

2624

01:37:14,709 --> 01:37:13,280

is battling for it wants to it it is

2625

01:37:17,990 --> 01:37:14,719

getting is getting

2626

01:37:20,229 --> 01:37:18,000

the eagle is getting um uncovered or

2627

01:37:22,310 --> 01:37:20,239

exposed and now it's it's trying to

2628

01:37:24,229 --> 01:37:22,320

convince us through any means possible

2629

01:37:25,669 --> 01:37:24,239

that it is valid and it needs to exist

2630

01:37:27,430 --> 01:37:25,679

usually through fear which is how it

2631

01:37:29,189 --> 01:37:27,440

kind of always operates that's how it

2632

01:37:30,709 --> 01:37:29,199

scares us into you know believing that

2633

01:37:32,550 --> 01:37:30,719

it exists and our

2634

01:37:34,790 --> 01:37:32,560

our higher self our soul our spirit or

2635

01:37:39,830 --> 01:37:34,800

whatever is that

2636

01:37:43,350 --> 01:37:42,229

yes yes if i understand your your

2637

01:37:46,709 --> 01:37:43,360

question

2638

01:37:49,990 --> 01:37:46,719

the way that we can look at it is

2639

01:37:52,070 --> 01:37:50,000

somewhere along the line are we talking

2640

01:37:54,390 --> 01:37:52,080

about you know this divide

2641

01:37:55,189 --> 01:37:54,400

it is indeed the divide that we have

2642

01:37:57,750 --> 01:37:55,199

within

2643

01:37:59,590 --> 01:37:57,760

which is being portrayed on the outside

2644

01:38:00,709 --> 01:37:59,600

and whatever lessons that we're getting

2645

01:38:03,270 --> 01:38:00,719

from the outside

2646

01:38:04,070 --> 01:38:03,280

gives us the opportunity to actually

2647

01:38:05,750 --> 01:38:04,080

integrate

2648

01:38:07,830 --> 01:38:05,760

all that you know within our own

2649

01:38:11,830 --> 01:38:07,840

personal reality

2650

01:38:13,990 --> 01:38:11,840

however there are processes there are

2651

01:38:15,270 --> 01:38:14,000

techniques let's say that the the

2652

01:38:22,229 --> 01:38:15,280

conscious and the

2653

01:38:24,870 --> 01:38:22,239

it tries to formulate well basically a

2654

01:38:26,390 --> 01:38:24,880

formula on how we can actually put our

2655

01:38:29,830 --> 01:38:26,400

fingers on that

2656

01:38:31,990 --> 01:38:29,840

right and actually create a valid

2657

01:38:36,310 --> 01:38:32,000

reality

2658

01:38:37,590 --> 01:38:36,320

upon all this so what i mean by that

2659

01:38:41,189 --> 01:38:37,600

it's up to us

2660

01:38:44,310 --> 01:38:41,199

to develop the meaning necessary to find

2661

01:38:46,470 --> 01:38:44,320

the the techniques so that the ego

2662

01:38:48,149 --> 01:38:46,480

which is very very valid of course if we

2663

01:38:49,750 --> 01:38:48,159

have no ego we actually die you know

2664

01:38:54,229 --> 01:38:49,760

we'll be just spirits

2665

01:38:57,669 --> 01:38:54,239

but omar somehow with that can bridge

2666

01:38:57,990 --> 01:38:57,679

that gap towards the spiritual in such a

2667

01:39:00,790 --> 01:38:58,000

way

2668

01:39:01,910 --> 01:39:00,800

that the ego becomes spirit and the

2669

01:39:05,990 --> 01:39:01,920

spirits as well

2670

01:39:09,350 --> 01:39:06,000

feels comfortable to be within the ego

2671

01:39:12,790 --> 01:39:09,360

and it is probably

2672

01:39:19,270 --> 01:39:12,800

the biggest fight that we have

2673

01:39:22,709 --> 01:39:19,280

that we see within within ourselves

2674

01:39:24,870 --> 01:39:22,719

within our society within our planets

2675

01:39:27,030 --> 01:39:24,880

well that outlook you know it seems to

2676

01:39:27,750 --> 01:39:27,040

me it's the same outlook that we have

2677

01:39:31,830 --> 01:39:27,760

with

2678

01:39:42,709 --> 01:39:31,840

the ufo

2679

01:39:46,149 --> 01:39:44,470

there is that perspective you know

2680

01:39:49,189 --> 01:39:46,159

somewhere along the line that

2681

01:39:52,790 --> 01:39:49,199

there is there's two sides you know yes

2682

01:39:56,470 --> 01:39:52,800

the ufo is part of a good positive thing

2683

01:39:58,229 --> 01:39:56,480

and yes or no the ufos let's say they're

2684

01:40:00,790 --> 01:39:58,239

all negative etc

2685

01:40:02,229 --> 01:40:00,800

and we do have perfections here rather

2686

01:40:05,270 --> 01:40:02,239

we've seen mythology

2687

01:40:08,229 --> 01:40:05,280

we've got the the the cyber fab excuse

2688

01:40:10,790 --> 01:40:08,239

me for a second is there any way um

2689

01:40:11,990 --> 01:40:10,800

are you a little bit away from your mic

2690

01:40:16,310 --> 01:40:12,000

you know is there any way you can get

2691

01:40:21,990 --> 01:40:16,320

closer to it is that better now

2692

01:40:25,990 --> 01:40:22,000

yes much better yes

2693

01:40:27,830 --> 01:40:26,000

this uh this this psychological world

2694

01:40:30,950 --> 01:40:27,840

that we see within ourselves and

2695

01:40:31,189 --> 01:40:30,960

and we portray to our to our society to

2696

01:40:34,550 --> 01:40:31,199

our

2697

01:40:36,790 --> 01:40:34,560

to other environments which is really

2698

01:40:38,149 --> 01:40:36,800

deeply ingrained within us you know this

2699

01:40:39,830 --> 01:40:38,159

is this is who we are you know this is

2700

01:40:41,510 --> 01:40:39,840

human nature

2701

01:40:43,109 --> 01:40:41,520

right in evolution if there is such

2702

01:40:46,470 --> 01:40:43,119

things well

2703

01:40:49,750 --> 01:40:46,480

unfortunately those are the the

2704

01:40:52,790 --> 01:40:49,760

the main core the the

2705

01:40:54,629 --> 01:40:52,800

the values the structures on which we

2706

01:40:55,270 --> 01:40:54,639

looked upon ourselves and looked upon

2707

01:40:58,910 --> 01:40:55,280

our world

2708

01:41:00,950 --> 01:40:58,920

and unfortunately the eb the

2709

01:41:03,510 --> 01:41:00,960

extraterrestrial

2710

01:41:03,990 --> 01:41:03,520

to have some sort of communication which

2711

01:41:06,149 --> 01:41:04,000

which can

2712

01:41:08,229 --> 01:41:06,159

be validated they have to go through

2713

01:41:12,550 --> 01:41:08,239

those filters

2714

01:41:14,470 --> 01:41:12,560
are polluted

2715

01:41:15,990 --> 01:41:14,480
we have a look at the environment we're

2716

01:41:18,629 --> 01:41:16,000
not doing really well

2717

01:41:19,750 --> 01:41:18,639
we are looking at what we are doing upon

2718

01:41:22,310 --> 01:41:19,760
ourselves and

2719

01:41:24,149 --> 01:41:22,320
upon our brothers and sisters we are not

2720

01:41:27,189 --> 01:41:24,159
doing really well

2721

01:41:28,390 --> 01:41:27,199
right you can ask any kid that has a

2722

01:41:31,430 --> 01:41:28,400
little bit of

2723

01:41:33,590 --> 01:41:31,440
introspection about life etc and

2724

01:41:35,510 --> 01:41:33,600
they will tell you the answers and

2725

01:41:37,590 --> 01:41:35,520
that's that's a very good thing about

2726

01:41:39,270 --> 01:41:37,600

having kids you know if you have really

2727

01:41:41,350 --> 01:41:39,280

deep deep questions about

2728

01:41:43,270 --> 01:41:41,360

human nature and philosophy you know ask

2729

01:41:44,550 --> 01:41:43,280

a kid you know and the way they answer

2730

01:41:48,310 --> 01:41:44,560

you usually is pretty

2731

01:41:52,149 --> 01:41:51,109

because they're at least they're so um

2732

01:41:54,709 --> 01:41:52,159

unconstricted

2733

01:41:55,910 --> 01:41:54,719

and honest you know there's no

2734

01:41:58,470 --> 01:41:55,920

additional filter

2735

01:41:59,189 --> 01:41:58,480

motive to things like adults put on a

2736

01:42:01,750 --> 01:41:59,199

lot of stuff

2737

01:42:03,270 --> 01:42:01,760

i know my kids you know it's uh um i

2738

01:42:06,149 --> 01:42:03,280

always have to

2739

01:42:07,030 --> 01:42:06,159

um you know when we talk about something

2740

01:42:10,550 --> 01:42:07,040

you know especially

2741

01:42:12,870 --> 01:42:10,560

my oldest you know if i'm being um

2742

01:42:13,669 --> 01:42:12,880

like i would say something to him and he

2743

01:42:16,229 --> 01:42:13,679

would like

2744

01:42:18,149 --> 01:42:16,239

in a way get back to me and say but you

2745

01:42:19,669 --> 01:42:18,159

said this and that and so on you know

2746

01:42:21,430 --> 01:42:19,679

basically it's like reflecting back to

2747

01:42:22,390 --> 01:42:21,440

me my own words if they didn't sound

2748

01:42:24,310 --> 01:42:22,400

right

2749

01:42:25,750 --> 01:42:24,320

you know and it was like this perfect

2750

01:42:26,310 --> 01:42:25,760

reflection i was like all right well let

2751

01:42:30,709 --> 01:42:26,320

me

2752

01:42:32,070 --> 01:42:30,719

towards more understandable and not so

2753

01:42:34,070 --> 01:42:32,080

contradicting

2754

01:42:35,350 --> 01:42:34,080

you know because i know there's you know

2755

01:42:38,390 --> 01:42:35,360

um

2756

01:42:40,149 --> 01:42:38,400

it's just the general idea of children

2757

01:42:41,510 --> 01:42:40,159

just being so unfathered you know that's

2758

01:42:44,310 --> 01:42:41,520

what's the best part

2759

01:42:45,990 --> 01:42:44,320

you know it's like if you you know just

2760

01:42:47,750 --> 01:42:46,000

to give you the most simplest answers

2761

01:42:49,590 --> 01:42:47,760

and are the most profound things

2762

01:42:51,750 --> 01:42:49,600

that's what that's what i love about the

2763

01:42:55,510 --> 01:42:51,760

you know just the the innocent

2764

01:42:59,109 --> 01:42:57,270

so i guess we could uh we could say our

2765

01:43:01,430 --> 01:42:59,119

takeaway from this uh

2766

01:43:02,629 --> 01:43:01,440

well my question is uh if you're if

2767

01:43:04,390 --> 01:43:02,639

you're at all feeling

2768

01:43:05,750 --> 01:43:04,400

like you know you're looking out outside

2769

01:43:06,870 --> 01:43:05,760

and you're seeing the world go to crap

2770

01:43:08,470 --> 01:43:06,880

or you're watching the news and it's

2771

01:43:11,109 --> 01:43:08,480

just getting crazier and crazier

2772

01:43:11,910 --> 01:43:11,119

you're like what can i do you know like

2773

01:43:13,510 --> 01:43:11,920

i i've

2774

01:43:15,350 --> 01:43:13,520

i try to go to different meetings and

2775

01:43:17,350 --> 01:43:15,360

groups with p activists and i and we're

2776

01:43:19,669 --> 01:43:17,360

trying to all think about but it's like

2777

01:43:20,390 --> 01:43:19,679

it just doesn't seem like we could do

2778

01:43:22,870 --> 01:43:20,400

much to

2779

01:43:23,750 --> 01:43:22,880

help change this on like a physical

2780

01:43:27,030 --> 01:43:23,760

tangible

2781

01:43:27,430 --> 01:43:27,040

legal uh socio-political platform like

2782

01:43:31,350 --> 01:43:27,440

that

2783

01:43:33,669 --> 01:43:31,360

or or uh you know

2784

01:43:35,109 --> 01:43:33,679

like that and and i guess what we can do

2785

01:43:36,709 --> 01:43:35,119

is work on ourselves

2786

01:43:39,270 --> 01:43:36,719

right no that's exactly what i was gonna

2787

01:43:43,030 --> 01:43:41,990

if you try to impose others try to force

2788

01:43:45,189 --> 01:43:43,040

others to change

2789

01:43:47,030 --> 01:43:45,199

they're going to look at you as the the

2790

01:43:48,870 --> 01:43:47,040

aggressor right it doesn't matter how

2791

01:43:50,470 --> 01:43:48,880

well i mean look at what we're doing we

2792

01:43:51,990 --> 01:43:50,480

the government says this is good for you

2793

01:43:55,109 --> 01:43:52,000

do this and we're like no

2794

01:43:57,669 --> 01:43:55,119

you you know and so um

2795

01:43:58,790 --> 01:43:57,679

the you know the whole point is if you

2796

01:44:01,109 --> 01:43:58,800

follow your desire

2797

01:44:03,189 --> 01:44:01,119

and you are being the best version of

2798

01:44:05,830 --> 01:44:03,199

yourself that you can possibly be

2799

01:44:08,070 --> 01:44:05,840

right and then the next person also

2800

01:44:10,070 --> 01:44:08,080

choosing to be the best person

2801
01:44:11,669 --> 01:44:10,080
best version of themselves that they can

2802
01:44:13,109 --> 01:44:11,679
be the next thing you know you're going

2803
01:44:15,109 --> 01:44:13,119
to have all these people that are

2804
01:44:18,870 --> 01:44:15,119
basically then

2805
01:44:20,950 --> 01:44:18,880
you know aligned in in this unified way

2806
01:44:22,310 --> 01:44:20,960
you know by simply working on themselves

2807
01:44:24,070 --> 01:44:22,320
and the next thing you know you're not

2808
01:44:25,430 --> 01:44:24,080
going to have people to overcome

2809
01:44:26,950 --> 01:44:25,440
you know these people working for

2810
01:44:28,709 --> 01:44:26,960
government you know these people working

2811
01:44:31,030 --> 01:44:28,719
at these different places that

2812
01:44:32,629 --> 01:44:31,040
are oppressive that do send out

2813
01:44:34,870 --> 01:44:32,639

misinformation and all that it's

2814

01:44:35,350 --> 01:44:34,880

definitely not you know people that are

2815

01:44:37,430 --> 01:44:35,360

kind of

2816

01:44:39,350 --> 01:44:37,440

uh doing the similar things that we are

2817

01:44:40,950 --> 01:44:39,360

it's i don't mean that in a judgy way

2818

01:44:43,189 --> 01:44:40,960

but it's just the fact you know

2819

01:44:43,990 --> 01:44:43,199

if they're people seeking truth and an

2820

01:44:46,870 --> 01:44:44,000

enlightenment

2821

01:44:48,629 --> 01:44:46,880

and a peaceful world you know it's not a

2822

01:44:50,070 --> 01:44:48,639

person you know it's not someone you're

2823

01:44:50,550 --> 01:44:50,080

not going to be someone that goes out

2824

01:44:52,550 --> 01:44:50,560

there

2825

01:44:53,590 --> 01:44:52,560

and then let's say puts out propaganda

2826

01:44:55,270 --> 01:44:53,600

every day

2827

01:44:57,189 --> 01:44:55,280

you know because a lot of us they've

2828

01:44:59,270 --> 01:44:57,199

been in this certain positions like

2829

01:45:00,629 --> 01:44:59,280

jobs we didn't love a relationship with

2830

01:45:02,870 --> 01:45:00,639

it we weren't happy with

2831

01:45:04,470 --> 01:45:02,880

we just stop and go like why am i why am

2832

01:45:05,669 --> 01:45:04,480

i in this what am i doing

2833

01:45:08,070 --> 01:45:05,679

and then you like the next thing you

2834

01:45:10,870 --> 01:45:08,080

know you quit or you you separate or you

2835

01:45:11,350 --> 01:45:10,880

move away or you you distance yourself

2836

01:45:13,030 --> 01:45:11,360

from

2837

01:45:14,790 --> 01:45:13,040

certain friends because they don't mesh

2838

01:45:17,910 --> 01:45:14,800

with you you see what i mean

2839

01:45:18,790 --> 01:45:17,920

and so um that is truly the way it's

2840

01:45:21,189 --> 01:45:18,800

just that

2841

01:45:23,109 --> 01:45:21,199

each one of us has a different timing of

2842

01:45:25,910 --> 01:45:23,119

when we're ready to start looking at

2843

01:45:26,229 --> 01:45:25,920

some of us long ago others most recent

2844

01:45:28,229 --> 01:45:26,239

so

2845

01:45:30,390 --> 01:45:28,239

by the time we're already here sitting

2846

01:45:31,109 --> 01:45:30,400

around going like well i'm not going to

2847

01:45:33,590 --> 01:45:31,119

change who i

2848

01:45:35,109 --> 01:45:33,600

am i'm going to continue being who i am

2849

01:45:37,750 --> 01:45:35,119

you know it's like but then

2850

01:45:38,470 --> 01:45:37,760

how else can i impose this change it's

2851
01:45:41,270 --> 01:45:38,480
like well

2852
01:45:42,390 --> 01:45:41,280
that's the point you be the change you

2853
01:45:44,310 --> 01:45:42,400
want to see in the world

2854
01:45:46,149 --> 01:45:44,320
you know i mean it's a cliché saying but

2855
01:45:49,030 --> 01:45:46,159
it truly is because

2856
01:45:51,430 --> 01:45:49,040
then you live in a place you live in a

2857
01:45:52,070 --> 01:45:51,440
place that's peaceful and in accordance

2858
01:45:54,390 --> 01:45:52,080
to

2859
01:45:55,109 --> 01:45:54,400
your liking you you are around the

2860
01:45:57,990 --> 01:45:55,119
people

2861
01:45:58,709 --> 01:45:58,000
that are you know uh thinking in a

2862
01:46:01,189 --> 01:45:58,719
similar

2863
01:46:01,990 --> 01:46:01,199

you know way to where they just want to

2864

01:46:03,430 --> 01:46:02,000

you know

2865

01:46:04,870 --> 01:46:03,440

look at the hippies for example right

2866

01:46:06,310 --> 01:46:04,880

they weren't happy with society they

2867

01:46:07,430 --> 01:46:06,320

weren't happy with what's going on and

2868

01:46:09,910 --> 01:46:07,440

then what did they do

2869

01:46:11,430 --> 01:46:09,920

they created communes now we know they

2870

01:46:12,070 --> 01:46:11,440

didn't in the long run a lot of it

2871

01:46:14,790 --> 01:46:12,080

didn't work

2872

01:46:16,310 --> 01:46:14,800

out because one it required work you

2873

01:46:18,470 --> 01:46:16,320

know and all they were about is

2874

01:46:19,510 --> 01:46:18,480

let's play music and smoke smoke weed

2875

01:46:21,830 --> 01:46:19,520

and be happy

2876

01:46:22,950 --> 01:46:21,840

which is fine but somebody's got to

2877

01:46:25,189 --> 01:46:22,960

plant a tree

2878

01:46:26,229 --> 01:46:25,199

or a plant so that you can have food you

2879

01:46:28,950 --> 01:46:26,239

know even on those

2880

01:46:29,669 --> 01:46:28,960

most basic terms but the whole point is

2881

01:46:32,149 --> 01:46:29,679

you know

2882

01:46:34,149 --> 01:46:32,159

instead of imposing that point of view

2883

01:46:36,470 --> 01:46:34,159

they got to actually try out

2884

01:46:38,070 --> 01:46:36,480

what it's like in a community but then

2885

01:46:40,550 --> 01:46:38,080

that would require work from

2886

01:46:42,790 --> 01:46:40,560

from everybody you know because you know

2887

01:46:45,430 --> 01:46:42,800

it's like besides just being happy and

2888

01:46:46,470 --> 01:46:45,440

you know being um you know a good

2889

01:46:48,790 --> 01:46:46,480

intentioned person

2890

01:46:49,510 --> 01:46:48,800

you have to take actions you know which

2891

01:46:51,590 --> 01:46:49,520

means

2892

01:46:53,109 --> 01:46:51,600

you know let's say in the form of a

2893

01:46:54,870 --> 01:46:53,119

commune you know

2894

01:46:56,629 --> 01:46:54,880

you get up in the morning you do the

2895

01:46:57,510 --> 01:46:56,639

part that you need to do then you take a

2896

01:46:59,030 --> 01:46:57,520

little break

2897

01:47:01,510 --> 01:46:59,040

you know then you go do again what you

2898

01:47:03,270 --> 01:47:01,520

need to do and and with everyone

2899

01:47:05,189 --> 01:47:03,280

contributing in that way that's how you

2900

01:47:06,629 --> 01:47:05,199

make it work but i was

2901

01:47:08,550 --> 01:47:06,639

reading and watching a lot of different

2902

01:47:10,070 --> 01:47:08,560

documentaries and it didn't work out you

2903

01:47:13,189 --> 01:47:10,080

know because human beings

2904

01:47:16,709 --> 01:47:13,199

we again we don't truly

2905

01:47:18,550 --> 01:47:16,719

do what we say out loud you know we only

2906

01:47:19,830 --> 01:47:18,560

say it because it sounds good to others

2907

01:47:22,070 --> 01:47:19,840

but in reality

2908

01:47:23,109 --> 01:47:22,080

very few of us dig they take the time to

2909

01:47:24,950 --> 01:47:23,119

work on ourselves

2910

01:47:26,709 --> 01:47:24,960

so of course in those communes there was

2911

01:47:28,870 --> 01:47:26,719

infighting there were

2912

01:47:30,070 --> 01:47:28,880

there was jealousy there was all these

2913

01:47:31,510 --> 01:47:30,080

human things

2914

01:47:33,270 --> 01:47:31,520

you know and these were supposed to be

2915

01:47:34,470 --> 01:47:33,280

people they were all for peace and love

2916

01:47:35,910 --> 01:47:34,480

and all this other stuff

2917

01:47:38,229 --> 01:47:35,920

you know at the end of the day in the

2918

01:47:41,030 --> 01:47:38,239

long run it didn't work out because

2919

01:47:41,750 --> 01:47:41,040

you know you truly have to be that

2920

01:47:43,990 --> 01:47:41,760

change

2921

01:47:45,990 --> 01:47:44,000

you when you know when you say i want to

2922

01:47:47,109 --> 01:47:46,000

for example like a lot of people and you

2923

01:47:48,149 --> 01:47:47,119

know this because you're my friend

2924

01:47:49,910 --> 01:47:48,159

nathan

2925

01:47:51,510 --> 01:47:49,920

and you're my friend too fab but we

2926
01:47:52,390 --> 01:47:51,520
never met we just saw each other over

2927
01:47:55,830 --> 01:47:52,400
telegram

2928
01:47:57,189 --> 01:47:55,840
you know um i moved to the woods 50

2929
01:48:00,709 --> 01:47:57,199
miles south you know

2930
01:48:04,149 --> 01:48:00,719
and i was truly isolated for everybody

2931
01:48:06,470 --> 01:48:04,159
you know that i could potentially

2932
01:48:07,350 --> 01:48:06,480
can you mute yourself please or uh or

2933
01:48:10,709 --> 01:48:07,360
because there's

2934
01:48:13,270 --> 01:48:10,719
background music coming through yes

2935
01:48:14,870 --> 01:48:13,280
okay thank you just you know while while

2936
01:48:18,550 --> 01:48:14,880
i'm trying to finish up this point

2937
01:48:20,470 --> 01:48:18,560
um anyway so i moved uh

2938
01:48:22,709 --> 01:48:20,480

you know to a place to where i truly

2939

01:48:25,990 --> 01:48:22,719

wanted to live the way i wanted to live

2940

01:48:29,030 --> 01:48:26,000

and i invited people such as yourself

2941

01:48:29,669 --> 01:48:29,040

and others to then help help not help

2942

01:48:32,629 --> 01:48:29,679

but help

2943

01:48:34,149 --> 01:48:32,639

you know uh share it with me to say hey

2944

01:48:35,830 --> 01:48:34,159

come on over for dinner we'll make a

2945

01:48:37,830 --> 01:48:35,840

bonfire and we'll relax

2946

01:48:39,430 --> 01:48:37,840

right i was sharing my experience like

2947

01:48:40,149 --> 01:48:39,440

this is what i wanted to be out in the

2948

01:48:43,270 --> 01:48:40,159

open

2949

01:48:44,709 --> 01:48:43,280

among the stars and so you know not many

2950

01:48:45,189 --> 01:48:44,719

people are willing to do that i was

2951

01:48:47,030 --> 01:48:45,199

often

2952

01:48:48,870 --> 01:48:47,040

looked at as like wow you're crazy you

2953

01:48:51,109 --> 01:48:48,880

have to drive a whole hour

2954

01:48:52,870 --> 01:48:51,119

to work and a whole hour back you know

2955

01:48:54,950 --> 01:48:52,880

and you know it's like wouldn't it be

2956

01:48:56,790 --> 01:48:54,960

easy if you found an apartment closer in

2957

01:48:57,350 --> 01:48:56,800

town so you can be close to work and all

2958

01:48:59,350 --> 01:48:57,360

that

2959

01:49:01,430 --> 01:48:59,360

but well because then my entire

2960

01:49:05,270 --> 01:49:01,440

environment would be surrounded

2961

01:49:08,470 --> 01:49:05,280

to work it would be to go to a place

2962

01:49:10,390 --> 01:49:08,480

that i don't want to go to to do things

2963

01:49:13,669 --> 01:49:10,400

i don't necessarily want to do

2964

01:49:14,149 --> 01:49:13,679

you know and it was not it's just i

2965

01:49:16,550 --> 01:49:14,159

would

2966

01:49:17,270 --> 01:49:16,560

be going against of you know what i felt

2967

01:49:20,149 --> 01:49:17,280

inside

2968

01:49:21,270 --> 01:49:20,159

but i wanted my piece of heaven my slice

2969

01:49:24,229 --> 01:49:21,280

of heaven so i said

2970

01:49:25,430 --> 01:49:24,239

i will go find a place where i found it

2971

01:49:27,669 --> 01:49:25,440

ended up finding it

2972

01:49:29,189 --> 01:49:27,679

and i would drive no matter what and i

2973

01:49:31,109 --> 01:49:29,199

would be at peace because

2974

01:49:33,030 --> 01:49:31,119

every time i would go to work i would

2975

01:49:34,790 --> 01:49:33,040

know i would be coming back to this

2976

01:49:36,950 --> 01:49:34,800

every time i'm leaving work i'm excited

2977

01:49:39,830 --> 01:49:36,960

because i know i'm going back to that

2978

01:49:40,790 --> 01:49:39,840

and so that was my main goal it wasn't a

2979

01:49:43,750 --> 01:49:40,800

job anymore

2980

01:49:45,109 --> 01:49:43,760

because most people don't you know um i

2981

01:49:47,350 --> 01:49:45,119

think we we both have

2982

01:49:48,310 --> 01:49:47,360

you know we have this mutual friend rick

2983

01:49:50,629 --> 01:49:48,320

that we both know

2984

01:49:51,830 --> 01:49:50,639

and i mean this in all loving way but i

2985

01:49:53,430 --> 01:49:51,840

brought this out to him one

2986

01:49:55,189 --> 01:49:53,440

one time because you remember he was

2987

01:49:57,189 --> 01:49:55,199

working in um

2988

01:49:58,790 --> 01:49:57,199

in costco and he was not happy with what

2989

01:50:00,950 --> 01:49:58,800

he's doing and all these other things

2990

01:50:03,350 --> 01:50:00,960

but wanted to do more video work

2991

01:50:04,470 --> 01:50:03,360

right video and and get involved in that

2992

01:50:07,030 --> 01:50:04,480

way and

2993

01:50:09,030 --> 01:50:07,040

um so he was just telling me how much he

2994

01:50:10,070 --> 01:50:09,040

would love to do that and he saw me do

2995

01:50:11,990 --> 01:50:10,080

what i do with ufo

2996

01:50:13,589 --> 01:50:12,000

hub and he's like that is so cool i want

2997

01:50:14,310 --> 01:50:13,599

to film and do all these different

2998

01:50:17,830 --> 01:50:14,320

things

2999

01:50:19,910 --> 01:50:17,840

and so i was uh

3000

01:50:23,109 --> 01:50:19,920

i just sat there as he was telling me

3001

01:50:26,310 --> 01:50:23,119

this i was looking at him i said well

3002

01:50:29,030 --> 01:50:26,320

so the place you don't like

3003

01:50:29,430 --> 01:50:29,040

the place that you don't want to to go

3004

01:50:32,390 --> 01:50:29,440

to

3005

01:50:33,990 --> 01:50:32,400

every day and waste eight plus hours at

3006

01:50:36,149 --> 01:50:34,000

but for that place

3007

01:50:38,149 --> 01:50:36,159

you make sure that you get up early in

3008

01:50:39,910 --> 01:50:38,159

the morning you brush your teeth go to

3009

01:50:42,709 --> 01:50:39,920

the bathroom take a shower do what you

3010

01:50:45,830 --> 01:50:42,719

got to do and you're there on time

3011

01:50:47,669 --> 01:50:45,840

but the things that you want to do

3012

01:50:50,149 --> 01:50:47,679

you don't put in the effort you don't

3013

01:50:52,390 --> 01:50:50,159

record things you skip out on recordings

3014

01:50:55,510 --> 01:50:52,400

you change your mind on certain stuff

3015

01:50:58,149 --> 01:50:55,520

you know and and all this other stuff so

3016

01:50:58,790 --> 01:50:58,159

what realities are you pushing you know

3017

01:51:01,350 --> 01:50:58,800

you're saying

3018

01:51:02,390 --> 01:51:01,360

you want this but you're investing all

3019

01:51:04,070 --> 01:51:02,400

your time in that

3020

01:51:06,310 --> 01:51:04,080

and the very thing you say you don't

3021

01:51:08,470 --> 01:51:06,320

want you work the hardest for

3022

01:51:09,350 --> 01:51:08,480

you know you make sure you do all you

3023

01:51:12,390 --> 01:51:09,360

possibly can

3024

01:51:14,470 --> 01:51:12,400

so i said shift that around to where

3025

01:51:16,149 --> 01:51:14,480

this thing that you say you want that

3026

01:51:17,910 --> 01:51:16,159

becomes your priority and you

3027

01:51:19,510 --> 01:51:17,920

make sure you get up on time for that

3028

01:51:20,550 --> 01:51:19,520

you make sure you're dressed and ready

3029

01:51:22,870 --> 01:51:20,560

and prepared

3030

01:51:24,470 --> 01:51:22,880

and you keep going you know physically

3031

01:51:26,950 --> 01:51:24,480

go after what you want

3032

01:51:28,149 --> 01:51:26,960

you know and then you know that's how

3033

01:51:30,310 --> 01:51:28,159

you achieve what

3034

01:51:32,229 --> 01:51:30,320

you know achieve that desire but most

3035

01:51:34,070 --> 01:51:32,239

people they hate the job but they're

3036

01:51:34,470 --> 01:51:34,080

like i have to go do it because of money

3037

01:51:35,990 --> 01:51:34,480

they

3038

01:51:37,669 --> 01:51:36,000

hate the environment but i like to have

3039

01:51:40,149 --> 01:51:37,679

to do it because of money

3040

01:51:41,750 --> 01:51:40,159

and so they they create this fear

3041

01:51:44,870 --> 01:51:41,760

mechanism to where

3042

01:51:45,669 --> 01:51:44,880

um you may you entrap yourself to where

3043

01:51:47,669 --> 01:51:45,679

i'm going

3044

01:51:49,750 --> 01:51:47,679

not to i'm not going to survive i will

3045

01:51:52,470 --> 01:51:49,760

not be able to continue to live

3046

01:51:53,910 --> 01:51:52,480

because you know i have to do this thing

3047

01:51:54,950 --> 01:51:53,920

i don't want to because that's how

3048

01:51:57,750 --> 01:51:54,960

everyone does it

3049

01:52:00,070 --> 01:51:57,760

you know and it's really you you will be

3050

01:52:03,510 --> 01:52:00,080

truly amazed how magical and awesome

3051
01:52:06,229 --> 01:52:03,520
the the the reality that we live in is

3052
01:52:06,790 --> 01:52:06,239
that when you start shifting you know

3053
01:52:09,750 --> 01:52:06,800
things

3054
01:52:10,550 --> 01:52:09,760
you make you know you you will realize

3055
01:52:12,870 --> 01:52:10,560
like wow

3056
01:52:14,790 --> 01:52:12,880
i made this change i followed my desire

3057
01:52:17,189 --> 01:52:14,800
and guess what i'm still alive

3058
01:52:18,550 --> 01:52:17,199
and not only that i'm not hungry my

3059
01:52:21,430 --> 01:52:18,560
builds are paid

3060
01:52:22,629 --> 01:52:21,440
you know because you truly are going

3061
01:52:25,109 --> 01:52:22,639
after what you want

3062
01:52:26,310 --> 01:52:25,119
and the universe can't do anything else

3063
01:52:28,550 --> 01:52:26,320

but to give you

3064

01:52:29,510 --> 01:52:28,560

what your true vibration is it's only

3065

01:52:31,030 --> 01:52:29,520

people that that

3066

01:52:33,030 --> 01:52:31,040

in a way and quite honestly they're

3067

01:52:34,870 --> 01:52:33,040

lying to themselves about what their

3068

01:52:36,149 --> 01:52:34,880

desire is they're lying to themselves

3069

01:52:37,910 --> 01:52:36,159

and to say i tried

3070

01:52:40,070 --> 01:52:37,920

you know i was going after this they

3071

01:52:40,950 --> 01:52:40,080

didn't work out you know i put myself in

3072

01:52:42,709 --> 01:52:40,960

debt and

3073

01:52:45,750 --> 01:52:42,719

you know did all this stuff for nothing

3074

01:52:47,910 --> 01:52:45,760

and there was no return on it because

3075

01:52:48,950 --> 01:52:47,920

the very word you used you tried you

3076

01:52:51,430 --> 01:52:48,960

didn't do

3077

01:52:53,350 --> 01:52:51,440

you just have asked it you know and it's

3078

01:52:54,149 --> 01:52:53,360

so difficult to get that ingrained into

3079

01:52:56,390 --> 01:52:54,159

people that

3080

01:52:58,310 --> 01:52:56,400

you when you say you want this you have

3081

01:53:00,870 --> 01:52:58,320

to go 100

3082

01:53:01,750 --> 01:53:00,880

you know not yeah maybe i'll think about

3083

01:53:03,589 --> 01:53:01,760

it you know

3084

01:53:05,350 --> 01:53:03,599

or i'll try it a little bit and see how

3085

01:53:07,189 --> 01:53:05,360

it works out if it doesn't work then

3086

01:53:09,109 --> 01:53:07,199

it's not something i'm supposed to do

3087

01:53:20,709 --> 01:53:09,119

you know it's like that's you're either

3088

01:53:26,680 --> 01:53:23,910

sorry uh bradley just wrote says i was

3089

01:53:30,870 --> 01:53:26,690

accused of joining a cult for trying ce5

3090

01:53:35,270 --> 01:53:33,540

a spaceman oust

3091

01:53:38,149 --> 01:53:35,280

[Music]

3092

01:53:39,350 --> 01:53:38,159

he was saying something about i know you

3093

01:53:40,950 --> 01:53:39,360

don't i know you mentioned

3094

01:53:42,870 --> 01:53:40,960

uh spaceman i know you mentioned you

3095

01:53:44,390 --> 01:53:42,880

don't have telegram but i would really

3096

01:53:46,310 --> 01:53:44,400

recommend it join the group and when you

3097

01:53:49,510 --> 01:53:46,320

share it there everyone will immediately

3098

01:53:52,550 --> 01:53:49,520

see it you know instead of um uh

3099

01:53:55,189 --> 01:53:52,560

just sending it to me and then making me

3100

01:53:56,390 --> 01:53:55,199

the de factor to potentially share or

3101

01:53:58,229 --> 01:53:56,400

look at something

3102

01:54:00,310 --> 01:53:58,239

you know it's like just join the group

3103

01:54:00,790 --> 01:54:00,320

and even just earlier i have a pop-up

3104

01:54:03,430 --> 01:54:00,800

come up

3105

01:54:05,750 --> 01:54:03,440

where uh roadie i think posted another

3106

01:54:06,390 --> 01:54:05,760

uh video about a ufo or something that's

3107

01:54:09,990 --> 01:54:06,400

all

3108

01:54:10,709 --> 01:54:10,000

um on in the ufo hub chat right now that

3109

01:54:13,669 --> 01:54:10,719

you can just

3110

01:54:15,510 --> 01:54:13,679

see it's not dependent on me making sure

3111

01:54:17,189 --> 01:54:15,520

that it's being pushed out out there

3112

01:54:19,189 --> 01:54:17,199

so i would really recommend you

3113

01:54:20,950 --> 01:54:19,199

downloading telegram it's not

3114

01:54:22,229 --> 01:54:20,960

it's not difficult you know and then you

3115

01:54:24,950 --> 01:54:22,239

can interact

3116

01:54:25,990 --> 01:54:24,960

with an awesome group that that is um

3117

01:54:28,310 --> 01:54:26,000

you know

3118

01:54:30,229 --> 01:54:28,320

basically growing ev every time every

3119

01:54:41,510 --> 01:54:30,239

time i mention telegram there's always

3120

01:54:53,910 --> 01:54:50,390

okay what else we got

3121

01:54:55,910 --> 01:54:53,920

um okay well um

3122

01:54:58,229 --> 01:54:55,920

well nathan thank you and fab thank you

3123

01:54:58,950 --> 01:54:58,239

again i appreciate you guys logging in

3124

01:55:03,109 --> 01:54:58,960

i'm

3125

01:55:05,270 --> 01:55:03,119

looking again at

3126

01:55:06,390 --> 01:55:05,280

at the chat but yeah i'm gonna i'm gonna

3127

01:55:08,950 --> 01:55:06,400

quit here

3128

01:55:10,070 --> 01:55:08,960

but i just wanna remind everyone that um

3129

01:55:11,750 --> 01:55:10,080

on monday

3130

01:55:13,589 --> 01:55:11,760

at seven i'm still trying to figure out

3131

01:55:15,430 --> 01:55:13,599

who i'm gonna have as a guest on friday

3132

01:55:17,430 --> 01:55:15,440

if i don't happen to have

3133

01:55:19,430 --> 01:55:17,440

a show i'll try my best to have one but

3134

01:55:20,310 --> 01:55:19,440

if i don't i will make it up to you

3135

01:55:22,790 --> 01:55:20,320

obviously

3136

01:55:23,350 --> 01:55:22,800

uh with a monday show having george nori

3137

01:55:27,189 --> 01:55:23,360

on

3138

01:55:29,990 --> 01:55:27,199

of you so i hope you

3139

01:55:32,790 --> 01:55:30,000

log in being you know ready on telegram

3140

01:55:36,790 --> 01:55:32,800

and join telegram and or

3141

01:55:40,470 --> 01:55:36,800

the chat uh in whether you are watching

3142

01:55:44,149 --> 01:55:40,480

on on twitch uh facebook

3143

01:55:46,229 --> 01:55:44,159

or um or youtube

3144

01:55:47,430 --> 01:55:46,239

whatever you type in in the comments

3145

01:55:49,589 --> 01:55:47,440

section it will pop

3146

01:55:51,830 --> 01:55:49,599

up here for me to ask it but just please

3147

01:55:53,669 --> 01:55:51,840

make sure to use the three stars

3148

01:55:55,270 --> 01:55:53,679

before you ask the question because that

3149

01:55:59,030 --> 01:55:55,280

that's that way i know

3150

01:56:01,430 --> 01:55:59,040

is directed towards the guest okay so

3151
01:56:02,149 --> 01:56:01,440
uh both of you thank you again uh

3152
01:56:04,629 --> 01:56:02,159
everyone

3153
01:56:05,189 --> 01:56:04,639
else watching i really appreciate you

3154
01:56:07,589 --> 01:56:05,199
all

3155
01:56:08,229 --> 01:56:07,599
uh also thank you bradley for earlier

3156
01:56:10,310 --> 01:56:08,239
today

3157
01:56:11,669 --> 01:56:10,320
and everyone else that had uh logged in

3158
01:56:14,709 --> 01:56:11,679
to to watch

3159
01:56:16,629 --> 01:56:14,719
so uh sit tight i will let you guys know

3160
01:56:17,270 --> 01:56:16,639
if i'm gonna have a guest on friday at

3161
01:56:20,790 --> 01:56:17,280
seven

3162
01:56:23,350 --> 01:56:20,800
i'm hoping that i do but if not monday

3163
01:56:25,109 --> 01:56:23,360

that following week uh for sure i will

3164

01:56:28,470 --> 01:56:25,119

have george nori and i'm hoping

3165

01:56:30,790 --> 01:56:28,480

that you can you can join us so

3166

01:56:32,629 --> 01:56:30,800

um everyone uh thank you again have a

3167

01:56:32,950 --> 01:56:32,639

good day have a good rest of the week
