LIVE STREAM

1
00:01:13,370 --> 00:00:16,570
[Music]

2
00:01:52,830 --> 00:01:13,380
do

3
00:01:52,840 --> 00:02:16,970
tip

4
00:02:16,980 --> 00:03:45,589
[Music]

5
00:03:50,070 --> 00:03:47,910
hey everyone welcome to the ufo hub live

6
00:03:52,229 --> 00:03:50,080
stream today's guest is going to be

7
00:03:54,309 --> 00:03:52,239
the one and only george nori i'm very

8
00:03:55,190 --> 00:03:54,319
excited that he was able to do this with

9
00:03:57,670 --> 00:03:55,200
me today

10
00:03:58,869 --> 00:03:57,680
he's the host of coast to coast am and

11
00:04:01,990 --> 00:03:58,879
also the host of

12
00:04:04,550 --> 00:04:02,000
beyond belief on gaia tv so

13
00:04:06,390 --> 00:04:04,560

we're going to get into q a fairly early

14

00:04:09,350 --> 00:04:06,400

so please get your questions ready

15

00:04:09,670 --> 00:04:09,360

on on telegram if you're going to call

16

00:04:12,869 --> 00:04:09,680

in

17

00:04:13,990 --> 00:04:12,879

or on on the chat so remember if you're

18

00:04:15,910 --> 00:04:14,000

going to submit a chat

19

00:04:17,430 --> 00:04:15,920

question make sure to put three little

20

00:04:20,390 --> 00:04:17,440

stars before you

21

00:04:21,830 --> 00:04:20,400

uh submit it submit your questions so

22

00:04:23,909 --> 00:04:21,840

then this way we will

23

00:04:25,990 --> 00:04:23,919

i will know it's for george and it's not

24

00:04:30,710 --> 00:04:26,000

just you guys chatting in the room

25

00:04:34,710 --> 00:04:32,870

hi george how are you uh thank you man

26

00:04:36,950 --> 00:04:34,720

i'm great

27

00:04:39,030 --> 00:04:36,960

awesome yeah and thank you for inviting

28

00:04:39,749 --> 00:04:39,040

me to the ufo hub i'm looking forward to

29

00:04:42,629 --> 00:04:39,759

this we

30

00:04:44,629 --> 00:04:42,639

did something a few years ago uh with it

31

00:04:46,390 --> 00:04:44,639

with an interview but uh this is kind of

32

00:04:48,469 --> 00:04:46,400

cool

33

00:04:50,150 --> 00:04:48,479

yeah because it it's it took a while but

34

00:04:51,270 --> 00:04:50,160

i know you're very busy and i know that

35

00:04:54,629 --> 00:04:51,280

for a fact because

36

00:04:56,150 --> 00:04:54,639

i worked with you during the ozark ozark

37

00:04:57,749 --> 00:04:56,160

ufo conference and

38

00:04:59,430 --> 00:04:57,759

just working all that out and you're

39

00:05:01,270 --> 00:04:59,440

just all over the place but i'm really

40

00:05:04,629 --> 00:05:01,280

glad we were able to work this out

41

00:05:05,510 --> 00:05:04,639

you know um i hope i know know you just

42

00:05:07,270 --> 00:05:05,520

a little bit from

43

00:05:08,790 --> 00:05:07,280

when i met you in person and over the

44

00:05:10,070 --> 00:05:08,800

years that we chatted and i don't mean

45

00:05:11,909 --> 00:05:10,080

to embarrass you but

46

00:05:13,909 --> 00:05:11,919

i want to personally thank you very much

47

00:05:15,990 --> 00:05:13,919

because in the very beginning when i

48

00:05:18,230 --> 00:05:16,000

first started this out i was

49

00:05:20,150 --> 00:05:18,240

you know very hesitant to talk to people

50

00:05:23,350 --> 00:05:20,160

and especially breaking out

51
00:05:25,350 --> 00:05:23,360
kind of out of this ufo closet and so i

52
00:05:27,430 --> 00:05:25,360
was basically just talking to my friends

53
00:05:28,230 --> 00:05:27,440
and recording them as one of my first

54
00:05:30,230 --> 00:05:28,240
interviews

55
00:05:31,350 --> 00:05:30,240
so i just thought why not reach out to

56
00:05:33,990 --> 00:05:31,360
george nori

57
00:05:35,990 --> 00:05:34,000
and to my surprise about a day or two

58
00:05:37,909 --> 00:05:36,000
later an assistant answered back i said

59
00:05:39,029 --> 00:05:37,919
george would love to do the interview

60
00:05:42,070 --> 00:05:39,039
and

61
00:05:45,189 --> 00:05:42,080
i almost [h__h] my pants so

62
00:05:46,710 --> 00:05:45,199
you know don't do that don't do that

63
00:05:48,870 --> 00:05:46,720

so anyways i really appreciate it

64

00:05:51,029 --> 00:05:48,880

because you know by by us doing that

65

00:05:53,909 --> 00:05:51,039

interview uh so many years ago

66

00:05:54,710 --> 00:05:53,919

it just basically you know told me i

67

00:05:56,629 --> 00:05:54,720

mean it's just

68

00:05:58,550 --> 00:05:56,639

downhill from george i mean how can you

69

00:06:00,150 --> 00:05:58,560

know how much better can i possibly do

70

00:06:00,710 --> 00:06:00,160

and it just gave me that confidence to

71

00:06:02,390 --> 00:06:00,720

say

72

00:06:04,150 --> 00:06:02,400

it's okay for me to ask questions you

73

00:06:06,629 --> 00:06:04,160

know because a lot of times

74

00:06:07,909 --> 00:06:06,639

you know especially for someone starting

75

00:06:11,029 --> 00:06:07,919

out with you know it's

76

00:06:13,430 --> 00:06:11,039

unsure i was unsure of myself and so

77

00:06:14,070 --> 00:06:13,440

that was a great i guess great beginning

78

00:06:15,909 --> 00:06:14,080

for me

79

00:06:17,670 --> 00:06:15,919

so we're looking for let me tell you an

80

00:06:19,909 --> 00:06:17,680

interesting story real briefly

81

00:06:20,950 --> 00:06:19,919

about about why i did that interview

82

00:06:23,990 --> 00:06:20,960

with you

83

00:06:26,790 --> 00:06:24,000

uh years ago i was at the uh

84

00:06:29,270 --> 00:06:26,800

nightclub and i saw a well-known

85

00:06:31,830 --> 00:06:29,280

baseball player come in

86

00:06:32,390 --> 00:06:31,840

and i'm not going to mention his name

87

00:06:34,710 --> 00:06:32,400

and

88

00:06:35,749 --> 00:06:34,720

a father came in with his little boy it

89

00:06:37,830 --> 00:06:35,759

was after a st

90

00:06:39,350 --> 00:06:37,840

louis cardinals baseball game he was not

91

00:06:41,350 --> 00:06:39,360

a saint louis cardinal he was the

92

00:06:43,909 --> 00:06:41,360

opposing team

93

00:06:45,670 --> 00:06:43,919

and the little kid had the baseball card

94

00:06:47,670 --> 00:06:45,680

of that player

95

00:06:49,110 --> 00:06:47,680

and the father brought him up to the

96

00:06:51,749 --> 00:06:49,120

baseball player

97

00:06:53,909 --> 00:06:51,759

and he said sir would you sign this for

98

00:06:55,510 --> 00:06:53,919

my little boy who's standing right there

99

00:06:57,830 --> 00:06:55,520

with the baseball card

100

00:06:59,510 --> 00:06:57,840

and the guy looked at him and said no i

101
00:07:01,430 --> 00:06:59,520
don't have time i don't do stuff like

102
00:07:03,270 --> 00:07:01,440
that when i'm off

103
00:07:05,350 --> 00:07:03,280
and i watched that and i said you know

104
00:07:06,870 --> 00:07:05,360
if i ever make it big

105
00:07:09,430 --> 00:07:06,880
and i really wasn't then i was just

106
00:07:11,830 --> 00:07:09,440
doing a local show at the time

107
00:07:12,950 --> 00:07:11,840
i will never turn my back on people who

108
00:07:15,589 --> 00:07:12,960
ask for help

109
00:07:17,350 --> 00:07:15,599
ever and i'll always remember that story

110
00:07:19,830 --> 00:07:17,360
adnan

111
00:07:20,629 --> 00:07:19,840
well you know i really i didn't know

112
00:07:23,270 --> 00:07:20,639
that until

113
00:07:25,510 --> 00:07:23,280

until just now some i'm glad i'm glad

114

00:07:28,230 --> 00:07:25,520

you accepted i'm very happy about that

115

00:07:28,710 --> 00:07:28,240

so we have a very short time with you

116

00:07:30,950 --> 00:07:28,720

today

117

00:07:32,230 --> 00:07:30,960

and so uh everyone that would like to

118

00:07:35,270 --> 00:07:32,240

ask some questions please

119

00:07:37,589 --> 00:07:35,280

line them up like i said in the um

120

00:07:39,270 --> 00:07:37,599

in the chat and some of those that want

121

00:07:42,230 --> 00:07:39,280

to ask questions on telegram

122

00:07:43,350 --> 00:07:42,240

you can join the ufo hub telegram group

123

00:07:45,830 --> 00:07:43,360

join the voice chat

124

00:07:46,710 --> 00:07:45,840

and you can ask the question uh directly

125

00:07:49,270 --> 00:07:46,720

to george

126

00:07:49,830 --> 00:07:49,280

and so uh but i figured for right now

127

00:07:51,909 --> 00:07:49,840

george

128

00:07:54,070 --> 00:07:51,919

you probably get this all the time what

129

00:07:57,189 --> 00:07:54,080

uh what got you into radio and then

130

00:07:59,430 --> 00:07:57,199

how did you eventually um became to be

131

00:08:01,510 --> 00:07:59,440

the host of coast to coast a.m

132

00:08:02,469 --> 00:08:01,520

i've wanted to be in radioadness since i

133

00:08:05,589 --> 00:08:02,479

was a kid

134

00:08:07,189 --> 00:08:05,599

or should i say the media in general i

135

00:08:09,430 --> 00:08:07,199

was always interested in the

136

00:08:10,790 --> 00:08:09,440

supernatural and the unusual i was a

137

00:08:12,550 --> 00:08:10,800

strange kid

138

00:08:15,189 --> 00:08:12,560

but my mother helped me a lot she

139

00:08:16,230 --> 00:08:15,199

brought me home books on ufos and things

140

00:08:18,950 --> 00:08:16,240

like that

141

00:08:20,150 --> 00:08:18,960

and i was obsessed with covering the

142

00:08:22,710 --> 00:08:20,160

unusual and i

143

00:08:24,790 --> 00:08:22,720

i figured the only way to get the people

144

00:08:26,790 --> 00:08:24,800

who understand this field

145

00:08:28,790 --> 00:08:26,800

would be to be a broadcaster because

146

00:08:29,510 --> 00:08:28,800

they'll talk to a broadcaster they won't

147

00:08:31,350 --> 00:08:29,520

just call

148

00:08:33,750 --> 00:08:31,360

you know talk to george nori who picks

149

00:08:36,149 --> 00:08:33,760

up the phone but if i'm george nori a

150

00:08:36,550 --> 00:08:36,159

radio reporter or a television reporter

151
00:08:39,190 --> 00:08:36,560
they'll

152
00:08:41,430 --> 00:08:39,200
be more apt to do that so i decided to

153
00:08:42,550 --> 00:08:41,440
go into broadcasting at the university

154
00:08:45,430 --> 00:08:42,560
of detroit

155
00:08:45,750 --> 00:08:45,440
to study the unusual and that's what i

156
00:08:49,269 --> 00:08:45,760
did

157
00:08:51,430 --> 00:08:49,279
and my first radio job first radio

158
00:08:54,870 --> 00:08:51,440
job was at a station in detroit at the

159
00:08:58,070 --> 00:08:54,880
time it was called wcar radio

160
00:09:00,550 --> 00:08:58,080
and it was just a great station to be at

161
00:09:01,590 --> 00:09:00,560
and i started interviewing stanton

162
00:09:04,550 --> 00:09:01,600
friedman who

163
00:09:06,470 --> 00:09:04,560

passed away but he was a great ufologist

164

00:09:08,710 --> 00:09:06,480

and i covered stories like that and it

165

00:09:12,150 --> 00:09:08,720

just grew and grew and grew

166

00:09:14,310 --> 00:09:12,160

well eventually uh a station

167

00:09:16,389 --> 00:09:14,320

in st louis where i ended up i was a

168

00:09:18,710 --> 00:09:16,399

news director at a tv station jumping

169

00:09:20,870 --> 00:09:18,720

ahead back in 1978

170

00:09:22,070 --> 00:09:20,880

and i was doing that for a couple years

171

00:09:24,150 --> 00:09:22,080

got out of the business

172

00:09:25,670 --> 00:09:24,160

owned a horse farm owned a television

173

00:09:27,829 --> 00:09:25,680

production company

174

00:09:28,870 --> 00:09:27,839

decided to get back in the radio where i

175

00:09:31,350 --> 00:09:28,880

was going to be broke

176

00:09:33,110 --> 00:09:31,360

so i decided to get back to do some more

177

00:09:35,590 --> 00:09:33,120

part-time talk radio

178

00:09:38,389 --> 00:09:35,600

and a station in st louis picked me up

179

00:09:40,949 --> 00:09:38,399

and i i called myself the nighthawk

180

00:09:43,269 --> 00:09:40,959

and as the nighthawk i would cover these

181

00:09:44,949 --> 00:09:43,279

unusual stories much like art bell did

182

00:09:46,630 --> 00:09:44,959

for coast to coast

183

00:09:48,630 --> 00:09:46,640

and that's how the network heard about

184

00:09:50,949 --> 00:09:48,640

me they said here there's a guy in st

185

00:09:53,590 --> 00:09:50,959

louis who's doing what art's doing

186

00:09:55,750 --> 00:09:53,600

interviewing a lot of the same people

187

00:09:58,150 --> 00:09:55,760

we need backup for art belt because at

188

00:10:00,310 --> 00:09:58,160

that time art had retired a couple times

189

00:10:01,990 --> 00:10:00,320

he had quit he'd come back

190

00:10:04,550 --> 00:10:02,000

and they just wanted somebody who was

191

00:10:06,870 --> 00:10:04,560

there constantly to fill in for him

192

00:10:08,710 --> 00:10:06,880

when he was gone and so they called me

193

00:10:11,190 --> 00:10:08,720

up and made me an offer

194

00:10:11,910 --> 00:10:11,200

after art had left mike siegel replaced

195

00:10:13,590 --> 00:10:11,920

him

196

00:10:15,590 --> 00:10:13,600

and they said would you be a backup

197

00:10:17,509 --> 00:10:15,600

force and you know who's going to say no

198

00:10:19,990 --> 00:10:17,519

to that opportunity

199

00:10:23,190 --> 00:10:20,000

and i did well then when art finally got

200

00:10:25,350 --> 00:10:23,200

to a point where he said back in 2002

201
00:10:27,030 --> 00:10:25,360
he told them that he was going to call

202
00:10:30,230 --> 00:10:27,040
it quits for good

203
00:10:31,030 --> 00:10:30,240
at that time they came to me and they

204
00:10:32,630 --> 00:10:31,040
flew into st

205
00:10:34,310 --> 00:10:32,640
louis and they said we want to make you

206
00:10:35,430 --> 00:10:34,320
an offer to host coast-to-coast

207
00:10:38,150 --> 00:10:35,440
full-time

208
00:10:39,829 --> 00:10:38,160
will you do it and i did but let me jump

209
00:10:42,470 --> 00:10:39,839
ahead and tell you a very interesting

210
00:10:44,230 --> 00:10:42,480
story about how things happen

211
00:10:45,990 --> 00:10:44,240
when i was a television producer in

212
00:10:50,310 --> 00:10:46,000
detroit back in 78

213
00:10:51,670 --> 00:10:50,320

79 i had an anchorman by the name of ken

214

00:10:54,069 --> 00:10:51,680

thomas

215

00:10:55,990 --> 00:10:54,079

ken was our television anchorman and i

216

00:10:57,110 --> 00:10:56,000

was the producer for one of his

217

00:10:58,870 --> 00:10:57,120

newscasts

218

00:11:00,949 --> 00:10:58,880

and he used to bring in a little boy

219

00:11:02,389 --> 00:11:00,959

every once in a while to watch him do

220

00:11:05,269 --> 00:11:02,399

his thing it was

221

00:11:06,150 --> 00:11:05,279

his son well let's jump ahead years

222

00:11:08,230 --> 00:11:06,160

later

223

00:11:09,509 --> 00:11:08,240

i'm in the office of ken kitchen and

224

00:11:12,470 --> 00:11:09,519

there's a picture

225

00:11:13,030 --> 00:11:12,480

of ken thomas on his desk his real name

226

00:11:16,069 --> 00:11:13,040

was ken

227

00:11:18,710 --> 00:11:16,079

kitchen it was craig's father the the

228

00:11:21,910 --> 00:11:18,720

president of premier radio at the time

229

00:11:23,110 --> 00:11:21,920

who hired me to replace art bell was the

230

00:11:25,110 --> 00:11:23,120

little boy

231

00:11:27,269 --> 00:11:25,120

who was at that detroit's television

232

00:11:28,710 --> 00:11:27,279

station when i was working with his

233

00:11:30,790 --> 00:11:28,720

father now how about that for

234

00:11:33,350 --> 00:11:30,800

synchronicity

235

00:11:33,990 --> 00:11:33,360

oh yeah no for sure yeah i just love how

236

00:11:35,829 --> 00:11:34,000

sometimes

237

00:11:39,269 --> 00:11:35,839

you know things work out in this you

238

00:11:45,350 --> 00:11:42,310

um they happen for a reason yeah

239

00:11:48,230 --> 00:11:45,360

so uh george wood um um i guess i've

240

00:11:48,550 --> 00:11:48,240

figured let's get started with q a and

241

00:11:49,910 --> 00:11:48,560

so

242

00:11:51,910 --> 00:11:49,920

sure we'll give more people an

243

00:11:54,230 --> 00:11:51,920

opportunity to ask you questions

244

00:11:55,269 --> 00:11:54,240

so the first uh first person that uh i'm

245

00:11:58,389 --> 00:11:55,279

going to meet you

246

00:11:59,670 --> 00:11:58,399

um on mute hurry in a second is um uh

247

00:12:02,870 --> 00:11:59,680

ginger she actually

248

00:12:05,670 --> 00:12:02,880

heads the um the coasties

249

00:12:07,110 --> 00:12:05,680

uh meeting in san luis and so oh great

250

00:12:08,150 --> 00:12:07,120

when i told her about this she was very

251

00:12:10,310 --> 00:12:08,160

excited so

252

00:12:13,590 --> 00:12:10,320

ginger uh just uh start talking and

253

00:12:18,629 --> 00:12:16,790

thanks adnan hi george hi ginger how are

254

00:12:21,190 --> 00:12:18,639

you

255

00:12:22,470 --> 00:12:21,200

i'm good i'm a big fan i'm in st louis

256

00:12:23,990 --> 00:12:22,480

and been listening to you since your

257

00:12:26,310 --> 00:12:24,000

nighthawk days and all the way through

258

00:12:27,829 --> 00:12:26,320

till now so well thank you thank you for

259

00:12:28,550 --> 00:12:27,839

your support we got to meet up when i

260

00:12:31,990 --> 00:12:28,560

get back to st

261

00:12:33,670 --> 00:12:32,000

louis one day that would be great i mean

262

00:12:35,509 --> 00:12:33,680

i hope i have a monthly meetup group

263

00:12:37,910 --> 00:12:35,519

that would love to meet you also

264

00:12:39,509 --> 00:12:37,920

my first question for you is about dr

265

00:12:41,910 --> 00:12:39,519

joel wallick

266

00:12:43,910 --> 00:12:41,920

yes i notice that he's the guest he's

267

00:12:46,310 --> 00:12:43,920

probably the guest you have on the most

268

00:12:48,310 --> 00:12:46,320

more than anybody else and you guys have

269

00:12:49,030 --> 00:12:48,320

so many good sources for alternative

270

00:12:51,509 --> 00:12:49,040

health

271

00:12:53,269 --> 00:12:51,519

why doctor wallach what is it about him

272

00:12:54,710 --> 00:12:53,279

and what he says that keeps you having

273

00:12:56,790 --> 00:12:54,720

him back again and again

274

00:12:58,790 --> 00:12:56,800

and have you had personal experiences

275

00:13:01,590 --> 00:12:58,800

with what he suggests

276

00:13:03,509 --> 00:13:01,600

yes i've used some of the things but uh

277

00:13:04,470 --> 00:13:03,519

youngevity which is the company dark

278

00:13:07,430 --> 00:13:04,480

wallet founded

279

00:13:08,949 --> 00:13:07,440

years ago is a sponsor of coast to coast

280

00:13:10,790 --> 00:13:08,959

you've heard some of their commercials

281

00:13:13,590 --> 00:13:10,800

in some of the shows

282

00:13:15,030 --> 00:13:13,600

and what we decided a long time ago and

283

00:13:18,470 --> 00:13:15,040

he does not pay for this

284

00:13:20,310 --> 00:13:18,480

at all was to create an interview

285

00:13:21,910 --> 00:13:20,320

segment where he could help some of our

286

00:13:24,150 --> 00:13:21,920

listeners do it

287

00:13:25,269 --> 00:13:24,160

and he decided he'll do it he doesn't

288

00:13:28,150 --> 00:13:25,279

get paid from us

289

00:13:29,030 --> 00:13:28,160

he doesn't pay us for that program and

290

00:13:31,030 --> 00:13:29,040

he comes on

291

00:13:32,790 --> 00:13:31,040

and i i mix it up with him and

292

00:13:35,670 --> 00:13:32,800

pharmacist ben fuchs so

293

00:13:36,310 --> 00:13:35,680

doc wallock is on and then six weeks

294

00:13:38,710 --> 00:13:36,320

later doc

295

00:13:41,030 --> 00:13:38,720

wallach comes back but in between

296

00:13:43,350 --> 00:13:41,040

pharmacist ben fuchs comes on

297

00:13:45,110 --> 00:13:43,360

so he's really on for two reasons one

298

00:13:46,949 --> 00:13:45,120

he's been a sponsor of the show for so

299

00:13:49,430 --> 00:13:46,959

many years

300

00:13:50,550 --> 00:13:49,440

i got to know him very well and then i

301
00:13:54,150 --> 00:13:50,560
started meeting him

302
00:13:56,550 --> 00:13:54,160
at events and conventions prior to that

303
00:13:57,750 --> 00:13:56,560
and i just like his message we have a

304
00:14:00,150 --> 00:13:57,760
lot of other health

305
00:14:00,949 --> 00:14:00,160
guests on the show ginger not just doc

306
00:14:02,949 --> 00:14:00,959
wallach

307
00:14:04,069 --> 00:14:02,959
but docks of the regular when it comes

308
00:14:08,069 --> 00:14:04,079
to that q and a

309
00:14:11,350 --> 00:14:08,079
type show every three weeks to six weeks

310
00:14:15,030 --> 00:14:12,629
okay ginger did you have another

311
00:14:18,069 --> 00:14:16,790
yeah i was gonna ask another question if

312
00:14:21,910 --> 00:14:18,079
it's okay george

313
00:14:23,829 --> 00:14:21,920

congratulations on con congratulations

314

00:14:25,030 --> 00:14:23,839

on paranormal date and the success of

315

00:14:27,030 --> 00:14:25,040

paranormal date

316

00:14:28,949 --> 00:14:27,040

how did that idea come up and what's it

317

00:14:30,310 --> 00:14:28,959

like for you to know that because of you

318

00:14:32,389 --> 00:14:30,320

so many people are meeting

319

00:14:33,829 --> 00:14:32,399

falling in love getting friendships

320

00:14:36,949 --> 00:14:33,839

getting married

321

00:14:39,670 --> 00:14:36,959

that was fun i was at an event years ago

322

00:14:41,110 --> 00:14:39,680

and a lady came up to me and said i

323

00:14:43,990 --> 00:14:41,120

can't get a date

324

00:14:44,389 --> 00:14:44,000

and i thought maybe she's asking me for

325

00:14:47,110 --> 00:14:44,399

one

326

00:14:48,550 --> 00:14:47,120

but she she started laughing and i said

327

00:14:49,750 --> 00:14:48,560

well what do you mean you can't get a

328

00:14:52,470 --> 00:14:49,760

date she said

329

00:14:53,910 --> 00:14:52,480

i went on a date one day with a guy and

330

00:14:56,470 --> 00:14:53,920

we're having dinner

331

00:14:57,590 --> 00:14:56,480

and i start talking about bigfoot and

332

00:15:01,110 --> 00:14:57,600

ufos

333

00:15:03,350 --> 00:15:01,120

and ghosts and he got up paid the check

334

00:15:05,189 --> 00:15:03,360

and left and said i'm just not

335

00:15:06,069 --> 00:15:05,199

interested in you and off he went he

336

00:15:08,230 --> 00:15:06,079

said george

337

00:15:10,470 --> 00:15:08,240

this is what she said to me she said i

338

00:15:11,430 --> 00:15:10,480

need a place to meet people who know me

339

00:15:13,189 --> 00:15:11,440

and get me

340

00:15:14,710 --> 00:15:13,199

and a light went off in my head and i

341

00:15:16,550 --> 00:15:14,720

went bingo

342

00:15:17,910 --> 00:15:16,560

what if i do a dating service called

343

00:15:19,750 --> 00:15:17,920

paranormal date

344

00:15:22,629 --> 00:15:19,760

and so i partnered up with a friend of

345

00:15:23,670 --> 00:15:22,639

mine who's understands the internet and

346

00:15:25,990 --> 00:15:23,680

all that

347

00:15:26,710 --> 00:15:26,000

and he put it together for us and it's

348

00:15:29,590 --> 00:15:26,720

been

349

00:15:32,310 --> 00:15:29,600

running now for many years and doing

350

00:15:36,069 --> 00:15:32,320

very well they've had 114 000

351
00:15:37,910 --> 00:15:36,079
actual signed up members who are meeting

352
00:15:39,590 --> 00:15:37,920
and getting together people have gotten

353
00:15:41,030 --> 00:15:39,600
married and you're right ginger it's

354
00:15:43,350 --> 00:15:41,040
just been a great thing but that's how

355
00:15:45,749 --> 00:15:43,360
it started it started with one lady

356
00:15:47,990 --> 00:15:45,759
who couldn't get a date and asked me for

357
00:15:50,550 --> 00:15:48,000
help

358
00:15:52,710 --> 00:15:50,560
okay thank you ginger i appreciate that

359
00:15:55,829 --> 00:15:52,720
the next question is from

360
00:15:58,790 --> 00:15:55,839
bradley he's in south africa uh is

361
00:15:59,269 --> 00:15:58,800
he submitted it over chat he was asking

362
00:16:01,269 --> 00:15:59,279
george

363
00:16:02,790 --> 00:16:01,279

what is the most fascinating case or

364

00:16:04,870 --> 00:16:02,800

info in your opinion

365

00:16:06,150 --> 00:16:04,880

over the course of your career and could

366

00:16:08,949 --> 00:16:06,160

you explain your

367

00:16:11,430 --> 00:16:08,959

stance of consciousness and your

368

00:16:13,350 --> 00:16:11,440

understanding from your experience

369

00:16:14,949 --> 00:16:13,360

well first of all bradley thank you and

370

00:16:16,790 --> 00:16:14,959

i hope everything is well in south

371

00:16:19,590 --> 00:16:16,800

africa for you

372

00:16:22,150 --> 00:16:19,600

uh consciousness to me is our innate

373

00:16:25,030 --> 00:16:22,160

ability to do these incredible things

374

00:16:27,509 --> 00:16:25,040

and i have tapped into that constantly

375

00:16:30,550 --> 00:16:27,519

in my life and in my career

376

00:16:33,030 --> 00:16:30,560

to do things that i thought i needed to

377

00:16:36,069 --> 00:16:33,040

accomplish and so it works

378

00:16:38,310 --> 00:16:36,079

in a very big way in terms of

379

00:16:39,350 --> 00:16:38,320

some of the special things i've done in

380

00:16:41,509 --> 00:16:39,360

my life

381

00:16:43,350 --> 00:16:41,519

i've had some synchronicity events that

382

00:16:44,870 --> 00:16:43,360

have occurred that have been truly

383

00:16:48,069 --> 00:16:44,880

remarkable

384

00:16:49,430 --> 00:16:48,079

some are personal some are public but

385

00:16:51,590 --> 00:16:49,440

there's something out there

386

00:16:53,670 --> 00:16:51,600

let's call it god call it whatever you

387

00:16:53,990 --> 00:16:53,680

want but there's something out there

388

00:16:56,550 --> 00:16:54,000

that

389

00:16:58,389 --> 00:16:56,560

ties us all together i have always

390

00:17:00,629 --> 00:16:58,399

called it the wireless internet where

391

00:17:03,030 --> 00:17:00,639

we're connected with people

392

00:17:03,990 --> 00:17:03,040

and through thought process and dreaming

393

00:17:06,390 --> 00:17:04,000

and things like that

394

00:17:08,230 --> 00:17:06,400

we can connect with each other and make

395

00:17:09,829 --> 00:17:08,240

things really happen and i've always

396

00:17:15,750 --> 00:17:09,839

been a believer in that

397

00:17:22,069 --> 00:17:19,590

thank you george the next question um

398

00:17:23,909 --> 00:17:22,079

would be from this person and i think

399

00:17:28,549 --> 00:17:23,919

it's more of a statement

400

00:17:32,630 --> 00:17:29,909

i guess you probably get that on course

401
00:17:34,390 --> 00:17:32,640
the coast am a lot too they drove a ufo

402
00:17:37,750 --> 00:17:34,400
with extraterrestrials

403
00:17:40,870 --> 00:17:37,760
and time traveling and so

404
00:17:43,190 --> 00:17:40,880
they have some proof and are asking if

405
00:17:45,270 --> 00:17:43,200
you or i would be interested in seeing

406
00:17:46,870 --> 00:17:45,280
and of course i always say yes so i know

407
00:17:50,789 --> 00:17:46,880
at least through

408
00:17:51,190 --> 00:17:50,799
ufo hub at ufohub.net there is a contact

409
00:17:53,270 --> 00:17:51,200
form

410
00:17:55,430 --> 00:17:53,280
and you can submit whatever you like

411
00:17:57,270 --> 00:17:55,440
there for me to see it and i don't know

412
00:17:59,029 --> 00:17:57,280
george if you have something similar to

413
00:18:01,590 --> 00:17:59,039

that i'm sure you do

414

00:18:03,110 --> 00:18:01,600

we do it george at coast to coast am.com

415

00:18:05,990 --> 00:18:03,120

but and then if you want to

416

00:18:07,990 --> 00:18:06,000

you have my personal email as well you

417

00:18:10,710 --> 00:18:08,000

can forward me anything you want

418

00:18:11,830 --> 00:18:10,720

and i'll take a look at it for you okay

419

00:18:15,590 --> 00:18:11,840

good deal

420

00:18:19,029 --> 00:18:15,600

okay let me see uh this one is from uh

421

00:18:20,470 --> 00:18:19,039

fab 22 he's in france um asking what's

422

00:18:22,549 --> 00:18:20,480

well you've got people all over the

423

00:18:24,870 --> 00:18:22,559

place don't you i do

424

00:18:26,470 --> 00:18:24,880

well i i even asked him too sometimes

425

00:18:26,870 --> 00:18:26,480

you know it's like this must be late

426

00:18:29,430 --> 00:18:26,880

that

427

00:18:31,190 --> 00:18:29,440

seven is really late in europe and they

428

00:18:32,950 --> 00:18:31,200

just i guess love the topics

429

00:18:35,270 --> 00:18:32,960

and of course probably talk to you as

430

00:18:38,549 --> 00:18:35,280

well uh the question is uh

431

00:18:40,230 --> 00:18:38,559

what's so it wrote it a bit but weird

432

00:18:43,990 --> 00:18:40,240

what story

433

00:18:46,470 --> 00:18:44,000

you covered that has changed the most

434

00:18:47,430 --> 00:18:46,480

your paradigm of thinking does that make

435

00:18:51,190 --> 00:18:47,440

sense i'm sorry

436

00:18:53,110 --> 00:18:51,200

is um the way he wrote it uh probably

437

00:18:54,310 --> 00:18:53,120

doesn't translate very well from french

438

00:18:56,950 --> 00:18:54,320

french to english

439

00:18:59,029 --> 00:18:56,960

i'll let me tell you what what what uh i

440

00:19:01,029 --> 00:18:59,039

got years ago when i was doing my st

441

00:19:02,310 --> 00:19:01,039

louis nighthawk show i got a call from

442

00:19:05,350 --> 00:19:02,320

an individual who

443

00:19:06,950 --> 00:19:05,360

said that he was contemplating suicide

444

00:19:08,789 --> 00:19:06,960

he was telling me a story he wasn't

445

00:19:11,190 --> 00:19:08,799

thinking of suicide when he called he

446

00:19:12,789 --> 00:19:11,200

had already gone through that

447

00:19:14,310 --> 00:19:12,799

but he said george i have to tell you

448

00:19:15,029 --> 00:19:14,320

the story i was thinking of killing

449

00:19:17,909 --> 00:19:15,039

myself

450

00:19:20,549 --> 00:19:17,919

i was depressed nothing was working my

451

00:19:22,549 --> 00:19:20,559

job was bad i had a bad relationship

452

00:19:24,390 --> 00:19:22,559

everything was going wrong that's not a

453

00:19:26,630 --> 00:19:24,400

reason to kill yourself folks

454

00:19:28,710 --> 00:19:26,640

but that's what he said and he said i

455

00:19:31,510 --> 00:19:28,720

decided to get in my car

456

00:19:32,950 --> 00:19:31,520

i had a gun and i was going to drive to

457

00:19:35,990 --> 00:19:32,960

some place

458

00:19:38,630 --> 00:19:36,000

and kill myself and so i just drove and

459

00:19:39,909 --> 00:19:38,640

drove and drove in about an hour outside

460

00:19:42,150 --> 00:19:39,919

of my city

461

00:19:43,350 --> 00:19:42,160

i saw a small little lake with ducks

462

00:19:45,990 --> 00:19:43,360

coming into it and

463

00:19:47,590 --> 00:19:46,000

flying out of it and a little park bench

464

00:19:49,029 --> 00:19:47,600

on the side and i said that's where i'm

465

00:19:49,830 --> 00:19:49,039

going to decide that's where i want to

466

00:19:52,789 --> 00:19:49,840

kill myself

467

00:19:53,990 --> 00:19:52,799

sitting on that bench and it's serene

468

00:19:54,870 --> 00:19:54,000

and that's what i'm gonna do and i'm

469

00:19:58,470 --> 00:19:54,880

thinking of myself

470

00:19:59,590 --> 00:19:58,480

my god but so he did this he goes to

471

00:20:01,510 --> 00:19:59,600

this bench

472

00:20:03,029 --> 00:20:01,520

he's ready to kill himself and he said

473

00:20:06,070 --> 00:20:03,039

joe all of a sudden

474

00:20:08,870 --> 00:20:06,080

some farmer comes out of nowhere

475

00:20:10,070 --> 00:20:08,880

and sits down next to me and he won't

476
00:20:12,710 --> 00:20:10,080
stop talking

477
00:20:13,110 --> 00:20:12,720
he's talking about his life and this and

478
00:20:15,350 --> 00:20:13,120
that

479
00:20:16,310 --> 00:20:15,360
and this but he said i got to be honest

480
00:20:18,310 --> 00:20:16,320
with you

481
00:20:19,990 --> 00:20:18,320
after about an hour of just listening to

482
00:20:23,190 --> 00:20:20,000
this old guy

483
00:20:25,029 --> 00:20:23,200
i felt pretty good i decided i'm going

484
00:20:26,710 --> 00:20:25,039
to go back and get a new job i'm going

485
00:20:29,830 --> 00:20:26,720
to find a new relationship

486
00:20:31,270 --> 00:20:29,840
and that's what i did about a year later

487
00:20:35,750 --> 00:20:31,280
i decided to go back

488
00:20:37,430 --> 00:20:35,760

and thank the farmer for saving my life

489

00:20:40,070 --> 00:20:37,440

and he said but i didn't get his real

490

00:20:42,070 --> 00:20:40,080

full name but i figured there's only one

491

00:20:44,470 --> 00:20:42,080

little barber shop in this little town

492

00:20:45,590 --> 00:20:44,480

they'll know who this guy is so the guy

493

00:20:48,870 --> 00:20:45,600

goes to the barber

494

00:20:52,310 --> 00:20:48,880

and he goes and he says excuse me

495

00:20:54,710 --> 00:20:52,320

sir i know you're busy but about a year

496

00:20:57,750 --> 00:20:54,720

ago i met this farmer

497

00:21:00,149 --> 00:20:57,760

and i really want to find him again and

498

00:21:03,029 --> 00:21:00,159

thank him for something he did for me

499

00:21:05,270 --> 00:21:03,039

any idea who he is he looks like this

500

00:21:07,669 --> 00:21:05,280

and the guy said oh

501
00:21:10,149 --> 00:21:07,679
you want to go to the white house a

502
00:21:13,190 --> 00:21:10,159
couple blocks down on the right

503
00:21:14,470 --> 00:21:13,200
and talk to the guy's daughter and he

504
00:21:16,470 --> 00:21:14,480
said okay thank you

505
00:21:17,669 --> 00:21:16,480
and he said george as i was going to

506
00:21:19,909 --> 00:21:17,679
that house

507
00:21:22,390 --> 00:21:19,919
i kind of felt something had happened

508
00:21:24,149 --> 00:21:22,400
the way the barber had acted

509
00:21:26,710 --> 00:21:24,159
i get to the house and knock on the door

510
00:21:27,190 --> 00:21:26,720
this younger lady comes to the door and

511
00:21:29,430 --> 00:21:27,200
i said

512
00:21:31,270 --> 00:21:29,440
excuse me but is your father home i want

513
00:21:32,070 --> 00:21:31,280

to thank him for something he did for me

514

00:21:34,630 --> 00:21:32,080

last year

515

00:21:36,549 --> 00:21:34,640

and she said wait wait wait wait wait

516

00:21:37,669 --> 00:21:36,559

you're the 10th person to come to my

517

00:21:41,669 --> 00:21:37,679

house

518

00:21:43,590 --> 00:21:41,679

dad died 13 years ago now that story i

519

00:21:45,270 --> 00:21:43,600

will remember for the rest of my life

520

00:21:48,070 --> 00:21:45,280

how chilling it is

521

00:21:50,149 --> 00:21:48,080

how this farmer came out of nowhere to

522

00:21:52,789 --> 00:21:50,159

save this guy's life

523

00:21:54,230 --> 00:21:52,799

and he had passed on 13 years ago that's

524

00:21:57,110 --> 00:21:54,240

a remarkable story

525

00:21:57,990 --> 00:21:57,120

it's stuff like that that drives me in

526

00:22:02,070 --> 00:21:58,000

coast to coast

527

00:22:03,990 --> 00:22:02,080

every night well george um

528

00:22:05,190 --> 00:22:04,000

originally i was really trying really

529

00:22:08,149 --> 00:22:05,200

hard to get one of my

530

00:22:08,630 --> 00:22:08,159

my friends on uh because he's not very

531

00:22:11,110 --> 00:22:08,640

well

532

00:22:12,310 --> 00:22:11,120

uh versed with technology and phones and

533

00:22:14,310 --> 00:22:12,320

needed him to

534

00:22:16,630 --> 00:22:14,320

insult her telegram to be able to at

535

00:22:18,390 --> 00:22:16,640

least tell you this himself but

536

00:22:19,750 --> 00:22:18,400

so i'll do it on his behalf probably not

537

00:22:22,390 --> 00:22:19,760

going to justice

538

00:22:23,110 --> 00:22:22,400

but he basically um he was really

539

00:22:24,789 --> 00:22:23,120

excited

540

00:22:26,789 --> 00:22:24,799

to hear that i was going to have you on

541

00:22:30,230 --> 00:22:26,799

and he wanted to talk to you because

542

00:22:31,830 --> 00:22:30,240

you know this is his story at one point

543

00:22:33,510 --> 00:22:31,840

and this is something i wasn't aware of

544

00:22:33,830 --> 00:22:33,520

as well you know considering that i was

545

00:22:35,909 --> 00:22:33,840

his

546

00:22:37,270 --> 00:22:35,919

close friend he was thinking about you

547

00:22:39,590 --> 00:22:37,280

know killing himself

548

00:22:40,549 --> 00:22:39,600

you know and he was actually it was late

549

00:22:42,230 --> 00:22:40,559

at night and

550

00:22:44,149 --> 00:22:42,240

you were on and there was something that

551

00:22:46,230 --> 00:22:44,159

you said during your show

552

00:22:47,430 --> 00:22:46,240

and some guest that you had that

553

00:22:49,909 --> 00:22:47,440

basically just

554

00:22:51,669 --> 00:22:49,919

obviously made him change his mind and

555

00:22:52,950 --> 00:22:51,679

he told me the story and i like i said

556

00:22:54,710 --> 00:22:52,960

i'm not going to do it justice because

557

00:22:56,390 --> 00:22:54,720

it's a long story to get into

558

00:22:57,990 --> 00:22:56,400

but he wanted to personally talk to you

559

00:23:00,310 --> 00:22:58,000

and thank you you know and

560

00:23:02,230 --> 00:23:00,320

um so i tried to get into him you know

561

00:23:03,190 --> 00:23:02,240

but i don't know it just didn't work out

562

00:23:05,669 --> 00:23:03,200

but at least

563

00:23:07,190 --> 00:23:05,679

um i wanted to to delay that and his

564

00:23:09,110 --> 00:23:07,200

name is jim

565

00:23:11,990 --> 00:23:09,120

well that's good jim thank you if you're

566

00:23:14,390 --> 00:23:12,000

listening right now i really appreciate

567

00:23:16,630 --> 00:23:14,400

our ability to help you out that's one

568

00:23:17,669 --> 00:23:16,640

of the reasons adnan we broadcast live

569

00:23:20,070 --> 00:23:17,679

on holidays

570

00:23:20,789 --> 00:23:20,080

there are so many people out there who

571

00:23:24,310 --> 00:23:20,799

don't have

572

00:23:26,870 --> 00:23:24,320

this radio show

573

00:23:28,710 --> 00:23:26,880

coast to coast is their connection to

574

00:23:31,190 --> 00:23:28,720

the outside world

575

00:23:33,190 --> 00:23:31,200

and i can imagine sometimes what it's

576

00:23:35,350 --> 00:23:33,200

like to go through thanksgiving or

577

00:23:36,470 --> 00:23:35,360

christmas or new year's eve or new

578

00:23:38,950 --> 00:23:36,480

year's day

579

00:23:39,909 --> 00:23:38,960

without having friends or family and

580

00:23:42,630 --> 00:23:39,919

that

581

00:23:44,390 --> 00:23:42,640

they look forward to the radio show

582

00:23:46,310 --> 00:23:44,400

where they can connect

583

00:23:48,830 --> 00:23:46,320

and that's why we do it and i made that

584

00:23:49,990 --> 00:23:48,840

pledge when i first took over back in

585

00:23:52,950 --> 00:23:50,000

2003

586

00:23:55,510 --> 00:23:52,960

that i will be live on any holiday that

587

00:23:57,510 --> 00:23:55,520

falls on a work day that i'm scheduled

588

00:23:59,430 --> 00:23:57,520

and if they fall on like a saturday

589

00:24:01,590 --> 00:23:59,440

where i have my weekend people

590

00:24:03,590 --> 00:24:01,600

they'll do it live too there will be no

591

00:24:06,149 --> 00:24:03,600

tape shows on holidays

592

00:24:07,029 --> 00:24:06,159

i've insisted on that for 18 years and

593

00:24:09,110 --> 00:24:07,039

we've done that

594

00:24:10,950 --> 00:24:09,120

all the time and i'm looking at the

595

00:24:13,190 --> 00:24:10,960

calendar for

596

00:24:15,190 --> 00:24:13,200

labor day thanksgiving it's right up

597

00:24:18,870 --> 00:24:15,200

here on my chart up here

598

00:24:20,950 --> 00:24:18,880

thanksgiving day christmas day

599

00:24:22,630 --> 00:24:20,960

we're going to be live we're going to be

600

00:24:24,870 --> 00:24:22,640

live one of our hosts

601
00:24:26,870 --> 00:24:24,880
whether it's me or our weekend people

602
00:24:30,149 --> 00:24:26,880
will be live on the holidays

603
00:24:33,269 --> 00:24:30,159
and it's for reasons for your friend

604
00:24:35,269 --> 00:24:33,279
people like that yes thank you for that

605
00:24:37,990 --> 00:24:35,279
thank you you know very much and yeah

606
00:24:39,029 --> 00:24:38,000
you you don't realize how much a small

607
00:24:41,110 --> 00:24:39,039
thing like that

608
00:24:42,789 --> 00:24:41,120
you know helps helps a person and that's

609
00:24:43,750 --> 00:24:42,799
just you know goes for almost anything

610
00:24:47,510 --> 00:24:43,760
just giving

611
00:24:50,470 --> 00:24:47,520
some some uh glimmer of hope or

612
00:24:51,909 --> 00:24:50,480
an attention or or a bit of your time

613
00:24:52,390 --> 00:24:51,919

you know makes a difference in the

614

00:24:55,990 --> 00:24:52,400

person's

615

00:24:58,149 --> 00:24:56,000

life big big time it really does and it

616

00:24:59,990 --> 00:24:58,159

makes me feel good too

617

00:25:02,070 --> 00:25:00,000

so uh for those of you that would like

618

00:25:03,750 --> 00:25:02,080

to talk to george and you're on telegram

619

00:25:05,190 --> 00:25:03,760

please make sure you raise your hand so

620

00:25:07,909 --> 00:25:05,200

that way i know you want to

621

00:25:08,870 --> 00:25:07,919

to speak to him directly otherwise as i

622

00:25:10,549 --> 00:25:08,880

mentioned before

623

00:25:12,549 --> 00:25:10,559

please submit your question using the

624

00:25:13,110 --> 00:25:12,559

three little stars so that way i know

625

00:25:15,590 --> 00:25:13,120

it's

626

00:25:17,029 --> 00:25:15,600

directed towards a guest and so the next

627

00:25:20,549 --> 00:25:17,039

person i have on telegram

628

00:25:26,310 --> 00:25:20,559

is rick rick you are unmuted and go

629

00:25:29,590 --> 00:25:29,190

he's unmuted still and i can't hear him

630

00:25:32,070 --> 00:25:29,600

uh

631

00:25:32,630 --> 00:25:32,080

let's see okay can you hear me now yeah

632

00:25:35,350 --> 00:25:32,640

rick

633

00:25:36,230 --> 00:25:35,360

why are you okay good george how are you

634

00:25:39,510 --> 00:25:36,240

doing

635

00:25:41,190 --> 00:25:39,520

great good thanks for calling good

636

00:25:42,549 --> 00:25:41,200

sure yeah thanks for taking the time to

637

00:25:44,789 --> 00:25:42,559

answer our questions um

638

00:25:46,470 --> 00:25:44,799

so i'm curious so especially in a world

639

00:25:47,909 --> 00:25:46,480

of media today where there's like so

640

00:25:49,669 --> 00:25:47,919

much mud slinging and the word like

641

00:25:51,350 --> 00:25:49,679

conspiracy theorist is like thrown

642

00:25:53,590 --> 00:25:51,360

around like all over the place

643

00:25:54,549 --> 00:25:53,600

like there's other radio show hosts in

644

00:25:56,310 --> 00:25:54,559

this field that

645

00:25:58,710 --> 00:25:56,320

also can like they get they get like

646

00:25:59,909 --> 00:25:58,720

exploited by corporate media and i was

647

00:26:01,750 --> 00:25:59,919

curious how

648

00:26:03,190 --> 00:26:01,760

i feel that you're really well respected

649

00:26:03,669 --> 00:26:03,200

in this whole field and i want to know

650

00:26:05,669 --> 00:26:03,679

like

651
00:26:07,430 --> 00:26:05,679
how you think you set yourself apart

652
00:26:09,190 --> 00:26:07,440
from people that get exploited why

653
00:26:10,230 --> 00:26:09,200
you're so well respected and if you were

654
00:26:11,909 --> 00:26:10,240
ever afraid

655
00:26:13,510 --> 00:26:11,919
of maybe being exploited when you first

656
00:26:14,710 --> 00:26:13,520
stepped up at this subject as a radio

657
00:26:16,549 --> 00:26:14,720
show host

658
00:26:19,190 --> 00:26:16,559
well one of the things rick our network

659
00:26:21,750 --> 00:26:19,200
has never interfered with coast to coast

660
00:26:23,510 --> 00:26:21,760
or in my performance on the air they

661
00:26:24,149 --> 00:26:23,520
don't send me notes saying you should

662
00:26:26,390 --> 00:26:24,159
say this

663
00:26:27,669 --> 00:26:26,400

or you should say that they leave us

664

00:26:30,950 --> 00:26:27,679

alone because

665

00:26:32,870 --> 00:26:30,960

the program is so successful but i have

666

00:26:35,029 --> 00:26:32,880

always since i was just younger in

667

00:26:37,909 --> 00:26:35,039

broadcasting have decided

668

00:26:40,789 --> 00:26:37,919

that you know i'm going to set myself

669

00:26:43,590 --> 00:26:40,799

apart from a lot of other broadcasters

670

00:26:46,390 --> 00:26:43,600

tell the truth look at the facts present

671

00:26:48,310 --> 00:26:46,400

the facts without a lot of opinion

672

00:26:49,990 --> 00:26:48,320

and just present it so you can make up

673

00:26:52,549 --> 00:26:50,000

your own mind whether you believe in

674

00:26:54,549 --> 00:26:52,559

ufos or bigfoot or whatever our subject

675

00:26:56,870 --> 00:26:54,559

matter is

676
00:26:58,070 --> 00:26:56,880
you can do that i mean the vaccine for

677
00:27:00,390 --> 00:26:58,080
example

678
00:27:01,269 --> 00:27:00,400
i haven't gotten the covid vaccine i

679
00:27:04,470 --> 00:27:01,279
will never

680
00:27:06,789 --> 00:27:04,480
tell anybody to get it or not to get it

681
00:27:09,029 --> 00:27:06,799
that's your decision to make

682
00:27:11,430 --> 00:27:09,039
but that's the way i present the program

683
00:27:13,830 --> 00:27:11,440
and it's been very successful for us

684
00:27:15,590 --> 00:27:13,840
that way

685
00:27:18,549 --> 00:27:15,600
thank you for that rick do you have any

686
00:27:21,590 --> 00:27:19,990
uh no i think that that answers it thank

687
00:27:23,669 --> 00:27:21,600
you very much thanks for

688
00:27:26,549 --> 00:27:23,679

where are you by the way where where

689

00:27:28,950 --> 00:27:26,559

abouts are you in the country

690

00:27:30,230 --> 00:27:28,960

i am also in st louis in the manchester

691

00:27:32,830 --> 00:27:30,240

area

692

00:27:36,230 --> 00:27:32,840

no no well my daughter lives out in

693

00:27:39,590 --> 00:27:38,149

very nice you're in st louis too right

694

00:27:41,510 --> 00:27:39,600

you're still in st louis

695

00:27:43,350 --> 00:27:41,520

i'm in los angeles right now i'll be

696

00:27:45,990 --> 00:27:43,360

back in st louis in august

697

00:27:47,750 --> 00:27:46,000

back in st back in l.a in september then

698

00:27:49,430 --> 00:27:47,760

i'm going to go back to saint louis

699

00:27:51,830 --> 00:27:49,440

october november december

700

00:27:55,830 --> 00:27:51,840

so if we ever hook up with ginger at one

701
00:28:02,230 --> 00:27:59,590
thanks a lot george okay wreck take care

702
00:28:03,510 --> 00:28:02,240
okay thank you rick the next question um

703
00:28:07,110 --> 00:28:03,520
i saw a raised hand

704
00:28:10,070 --> 00:28:07,120
by uh by nathan nathan unmute yourself

705
00:28:11,750 --> 00:28:10,080
and go ahead and ask your question

706
00:28:13,510 --> 00:28:11,760
yes hello anon thank you for having me

707
00:28:16,230 --> 00:28:13,520
on and hello george it's it's a pleasure

708
00:28:18,789 --> 00:28:16,240
and an honor to

709
00:28:19,269 --> 00:28:18,799
hello um i had a question more uh i

710
00:28:22,389 --> 00:28:19,279
didn't know if

711
00:28:24,950 --> 00:28:22,399
you had any insider knowledge or or just

712
00:28:27,590 --> 00:28:24,960
just to get your opinion uh you're

713
00:28:29,750 --> 00:28:27,600

hearing a lot of things about the the 5g

714

00:28:31,590 --> 00:28:29,760

and this vaccine and how it's you know

715

00:28:33,029 --> 00:28:31,600

making people magnetic and stuff

716

00:28:34,710 --> 00:28:33,039

do you know if there's any are the

717

00:28:35,990 --> 00:28:34,720

things connected have you heard anything

718

00:28:36,870 --> 00:28:36,000

about that have you had any experts on

719

00:28:38,710 --> 00:28:36,880

about that

720

00:28:40,630 --> 00:28:38,720

on your show we're going to be doing

721

00:28:42,789 --> 00:28:40,640

some more 5g shows

722

00:28:44,950 --> 00:28:42,799

in the not too distant future i haven't

723

00:28:47,990 --> 00:28:44,960

done any programs on the vaccine

724

00:28:50,630 --> 00:28:48,000

connected to 5g at all

725

00:28:51,909 --> 00:28:50,640

dr sherry 10 penny i think believes that

726
00:28:55,110 --> 00:28:51,919
the vaccine

727
00:28:55,669 --> 00:28:55,120
magnetizes people i don't know if that

728
00:28:58,549 --> 00:28:55,679
does

729
00:29:00,230 --> 00:28:58,559
or not but we're going to be looking

730
00:29:02,710 --> 00:29:00,240
into some of that

731
00:29:04,389 --> 00:29:02,720
one of the things we have to be very

732
00:29:06,950 --> 00:29:04,399
cautious about

733
00:29:09,350 --> 00:29:06,960
is all these stories that are out there

734
00:29:12,549 --> 00:29:09,360
to try to filter through some of them

735
00:29:14,950 --> 00:29:12,559
some are true some are not true and

736
00:29:16,870 --> 00:29:14,960
i want to make sure that before it goes

737
00:29:21,190 --> 00:29:16,880
on the air on our program

738
00:29:25,750 --> 00:29:22,789

all right thank you nathan i appreciate

739

00:29:28,389 --> 00:29:25,760

that george d

740

00:29:30,950 --> 00:29:28,399

sorry i'm multitasking here uh the next

741

00:29:37,510 --> 00:29:34,310

uh the next question is from uh

742

00:29:40,470 --> 00:29:37,520

a ben a benny ford and says

743

00:29:42,549 --> 00:29:40,480

she says or asks what was the most

744

00:29:44,870 --> 00:29:42,559

intriguing alien story that you've ever

745

00:29:48,789 --> 00:29:47,750

what's the most intriguing alien story

746

00:29:50,630 --> 00:29:48,799

i've ever heard

747

00:29:52,310 --> 00:29:50,640

i had a buddy of mine who covered a

748

00:29:55,190 --> 00:29:52,320

story back in

749

00:29:57,750 --> 00:29:55,200

elsbury missouri years ago his name was

750

00:30:00,950 --> 00:29:57,760

ron barber he was the reporter

751
00:30:03,190 --> 00:30:00,960
and he was assigned to cover a ufo flap

752
00:30:04,230 --> 00:30:03,200
that's the cases where ufos were all

753
00:30:06,950 --> 00:30:04,240
over the place

754
00:30:09,350 --> 00:30:06,960
in this small town of ellsbury missouri

755
00:30:12,710 --> 00:30:09,360
and when he got to this city

756
00:30:15,430 --> 00:30:12,720
he looked at a scorched area of a tree

757
00:30:16,470 --> 00:30:15,440
that witnesses said a ufo was hovering

758
00:30:19,029 --> 00:30:16,480
over

759
00:30:21,190 --> 00:30:19,039
and he said george what was so unusual

760
00:30:23,909 --> 00:30:21,200
about this

761
00:30:26,389 --> 00:30:23,919
is the side of a tree there were

762
00:30:29,190 --> 00:30:26,399
thousands of dead flies

763
00:30:30,789 --> 00:30:29,200

burned into the tree bark like they were

764

00:30:33,269 --> 00:30:30,799

melted right in

765

00:30:34,789 --> 00:30:33,279

and he said i have no idea how something

766

00:30:37,510 --> 00:30:34,799

like that would ever happen that was

767

00:30:39,350 --> 00:30:37,520

kind of an intriguing ufo case for me

768

00:30:41,830 --> 00:30:39,360

because it was so real coming from a

769

00:30:43,350 --> 00:30:41,840

friend of mine who was a reporter

770

00:30:45,590 --> 00:30:43,360

and he said another thing that had

771

00:30:48,710 --> 00:30:45,600

happened was he said there was a

772

00:30:51,669 --> 00:30:48,720

pasture of cows where people had said

773

00:30:54,950 --> 00:30:51,679

the ufo had landed and took off

774

00:30:58,389 --> 00:30:54,960

cows were walking around in a circle

775

00:31:01,830 --> 00:30:58,399

like eight cows around this ufo

776

00:31:04,789 --> 00:31:01,840

spot not going inside of it but just

777

00:31:07,830 --> 00:31:04,799

walking around it one after the other in

778

00:31:09,590 --> 00:31:07,840

a circle that was kind of strange too

779

00:31:13,590 --> 00:31:09,600

but they're all kinds of strange stories

780

00:31:19,830 --> 00:31:16,870

thank you george um george do you

781

00:31:21,190 --> 00:31:19,840

what i wanted to ask you do you have um

782

00:31:23,269 --> 00:31:21,200

i guess

783

00:31:24,389 --> 00:31:23,279

i hope you have plans to continue doing

784

00:31:26,630 --> 00:31:24,399

coast to coast

785

00:31:28,070 --> 00:31:26,640

uh as long as you possibly can is is

786

00:31:30,070 --> 00:31:28,080

that the case

787

00:31:32,470 --> 00:31:30,080

we just signed a new contract that down

788

00:31:33,149 --> 00:31:32,480

to uh take me in the program through the

789

00:31:36,310 --> 00:31:33,159

end of

790

00:31:39,430 --> 00:31:36,320

27. so that is

791

00:31:39,909 --> 00:31:39,440

six six more years from now and we're

792

00:31:43,269 --> 00:31:39,919

gonna

793

00:31:43,590 --> 00:31:43,279

we stay healthy we'll keep doing the

794

00:31:46,549 --> 00:31:43,600

show

795

00:31:49,430 --> 00:31:46,559

you know i had made this dumb remark

796

00:31:51,350 --> 00:31:49,440

when i first took over in 2003

797

00:31:53,430 --> 00:31:51,360

i looked at the calendar and said well

798

00:31:55,430 --> 00:31:53,440

you know i'll do this for nine years

799

00:31:57,590 --> 00:31:55,440

i'll retire at the end of the mayan

800

00:32:00,310 --> 00:31:57,600

calendar 2012 date

801
00:32:02,470 --> 00:32:00,320
what a what a great way to go out well i

802
00:32:05,830 --> 00:32:02,480
got to 2012 and i went

803
00:32:07,830 --> 00:32:05,840
i don't want to leave and so i've

804
00:32:09,110 --> 00:32:07,840
just made a decision to keep working

805
00:32:11,990 --> 00:32:09,120
until one day

806
00:32:12,950 --> 00:32:12,000
tom danheiser comes back on the air and

807
00:32:15,110 --> 00:32:12,960
says

808
00:32:16,470 --> 00:32:15,120
george has passed away on the air folks

809
00:32:20,630 --> 00:32:16,480
i'm sorry he's gone

810
00:32:23,830 --> 00:32:20,640
i'm gonna just keep working until i stop

811
00:32:25,110 --> 00:32:23,840
well i'm glad i know um the first time i

812
00:32:27,750 --> 00:32:25,120
first heard your name was

813
00:32:29,190 --> 00:32:27,760

in o5 and i was still in college then

814

00:32:31,909 --> 00:32:29,200

and it was so weird how

815

00:32:32,870 --> 00:32:31,919

the conversations about ufos went on it

816

00:32:34,789 --> 00:32:32,880

was also

817

00:32:35,909 --> 00:32:34,799

hush-hush you know they started started

818

00:32:38,549 --> 00:32:35,919

out with like this

819

00:32:39,830 --> 00:32:38,559

reasonable you know thing saying well

820

00:32:42,149 --> 00:32:39,840

you know if it's

821

00:32:43,590 --> 00:32:42,159

all just us out here it's awfully lot of

822

00:32:44,870 --> 00:32:43,600

waste to space you know

823

00:32:46,950 --> 00:32:44,880

and it always starts out in these

824

00:32:50,310 --> 00:32:46,960

general terms and then you kind of

825

00:32:51,669 --> 00:32:50,320

um kind of uh go into more and more

826

00:32:53,669 --> 00:32:51,679

details and you kind of

827

00:32:55,830 --> 00:32:53,679

test the other person of how far can you

828

00:32:57,590 --> 00:32:55,840

go with this and sometimes you find a

829

00:32:58,870 --> 00:32:57,600

like-minded person next thing you know

830

00:32:59,750 --> 00:32:58,880

you're sharing ghost stories and

831

00:33:01,350 --> 00:32:59,760

everything else

832

00:33:03,350 --> 00:33:01,360

and then others just kind of like okay

833

00:33:06,549 --> 00:33:03,360

well i gotta go watch baseball now

834

00:33:08,789 --> 00:33:06,559

you know so yeah it's uh

835

00:33:10,230 --> 00:33:08,799

there's it's interesting how far uh and

836

00:33:13,509 --> 00:33:10,240

how much things have changed since

837

00:33:15,750 --> 00:33:13,519

o5 oh it really is what got you to start

838

00:33:18,389 --> 00:33:15,760

ufo hub

839

00:33:19,269 --> 00:33:18,399

well i actually had um my own

840

00:33:21,750 --> 00:33:19,279

experiences

841

00:33:22,950 --> 00:33:21,760

after you know uh basically researching

842

00:33:26,630 --> 00:33:22,960

it for a long time

843

00:33:28,789 --> 00:33:26,640

i wanted to um what what happened was

844

00:33:30,549 --> 00:33:28,799

it was actually coast to coast that it

845

00:33:33,590 --> 00:33:30,559

was some other guest

846

00:33:36,230 --> 00:33:33,600

that was on and i um was

847

00:33:38,230 --> 00:33:36,240

you know i'm a subscriber or at least

848

00:33:39,750 --> 00:33:38,240

now i'm sorry i let it elapsed i'm going

849

00:33:41,509 --> 00:33:39,760

to have it resubscribe again

850

00:33:43,750 --> 00:33:41,519

renew that you mean you're a coast

851

00:33:46,549 --> 00:33:43,760

insider right course insider right

852

00:33:46,950 --> 00:33:46,559

and so um i was uh listening to it

853

00:33:48,789 --> 00:33:46,960

through

854

00:33:50,630 --> 00:33:48,799

during the day at work so i'll just

855

00:33:51,509 --> 00:33:50,640

download the four files you know for

856

00:33:53,350 --> 00:33:51,519

four hours

857

00:33:54,950 --> 00:33:53,360

and just would listen and so there was a

858

00:33:56,470 --> 00:33:54,960

guest on there was i believe

859

00:33:58,389 --> 00:33:56,480

either talking to you or one of the

860

00:34:00,789 --> 00:33:58,399

other hosts i'm sorry i can't remember

861

00:34:01,669 --> 00:34:00,799

but he was mentioning in bashar and was

862

00:34:04,149 --> 00:34:01,679

supposed to be

863

00:34:06,310 --> 00:34:04,159

um you know this being that's that's

864

00:34:08,389 --> 00:34:06,320

channeled by daryl anka and

865

00:34:09,909 --> 00:34:08,399

the information that's coming through so

866

00:34:11,750 --> 00:34:09,919

i found it very interesting and i kind

867

00:34:13,829 --> 00:34:11,760

of followed up on that and

868

00:34:15,030 --> 00:34:13,839

that follow-up changed my whole life

869

00:34:18,310 --> 00:34:15,040

because i finally

870

00:34:21,750 --> 00:34:18,320

was able to because nuts and bolts only

871

00:34:23,669 --> 00:34:21,760

gets one so far you know and um

872

00:34:25,109 --> 00:34:23,679

you always kind of have to be at the

873

00:34:27,190 --> 00:34:25,119

back and call of the government

874

00:34:29,510 --> 00:34:27,200

waiting do we need to see what will they

875

00:34:31,430 --> 00:34:29,520

release how far can they tell us

876

00:34:33,430 --> 00:34:31,440

you know what are they going to do next

877

00:34:35,030 --> 00:34:33,440

you know and so

878

00:34:37,190 --> 00:34:35,040

the information coming through from

879

00:34:38,869 --> 00:34:37,200

bashar was all about

880

00:34:40,790 --> 00:34:38,879

you can connect with us you don't have

881

00:34:43,510 --> 00:34:40,800

to go through government to them

882

00:34:44,950 --> 00:34:43,520

a president or a normal person is on the

883

00:34:47,589 --> 00:34:44,960

same importance level

884

00:34:48,629 --> 00:34:47,599

the the hierarchies within our society

885

00:34:51,430 --> 00:34:48,639

not theirs

886

00:34:52,869 --> 00:34:51,440

you know and basically i then moved to

887

00:34:55,030 --> 00:34:52,879

robertsville missouri

888

00:34:56,550 --> 00:34:55,040

and um i was basically in the midst of

889

00:34:58,630 --> 00:34:56,560

all that process

890

00:35:00,870 --> 00:34:58,640

you know because i actually received the

891

00:35:04,550 --> 00:35:00,880

download uh just to get

892

00:35:05,430 --> 00:35:04,560

make a story short about to the same way

893

00:35:07,829 --> 00:35:05,440

that

894

00:35:09,349 --> 00:35:07,839

when i first started out reading books

895

00:35:10,630 --> 00:35:09,359

and kind of trying to connect my own

896

00:35:13,670 --> 00:35:10,640

dots

897

00:35:15,510 --> 00:35:13,680

it was my way to kind of try to do video

898

00:35:17,030 --> 00:35:15,520

and have guests on and hear the people

899

00:35:19,750 --> 00:35:17,040

because there's something

900

00:35:20,790 --> 00:35:19,760

about hearing the author themselves talk

901
00:35:22,710 --> 00:35:20,800
about their work

902
00:35:23,910 --> 00:35:22,720
you know or any kind of work that they

903
00:35:25,510 --> 00:35:23,920
do you know and

904
00:35:27,349 --> 00:35:25,520
and different stuff because they know

905
00:35:27,750 --> 00:35:27,359
everything about the subject matter so

906
00:35:29,990 --> 00:35:27,760
well

907
00:35:32,150 --> 00:35:30,000
you've had daryl anka on your program

908
00:35:34,710 --> 00:35:32,160
he's a great guest isn't he

909
00:35:36,630 --> 00:35:34,720
yeah he is he is and i i don't know if

910
00:35:39,430 --> 00:35:36,640
you did did you ever interview him

911
00:35:40,390 --> 00:35:39,440
as well he's been on our program before

912
00:35:41,829 --> 00:35:40,400
in the past

913
00:35:43,349 --> 00:35:41,839

must have missed it i can't i can't

914

00:35:45,270 --> 00:35:43,359

believe that that i missed it over the

915

00:35:46,470 --> 00:35:45,280

years see you should not have let that

916

00:35:49,750 --> 00:35:46,480

lapse

917

00:35:50,870 --> 00:35:49,760

i know 15 cents a day you can be a coast

918

00:35:53,910 --> 00:35:50,880

insider

919

00:35:54,550 --> 00:35:53,920

yep yeah it's it's very you know um you

920

00:36:01,270 --> 00:35:54,560

know

921

00:36:02,790 --> 00:36:01,280

basically to listen more than to to

922

00:36:04,390 --> 00:36:02,800

watch because while you're working i

923

00:36:07,349 --> 00:36:04,400

can't pay attention to things

924

00:36:08,470 --> 00:36:07,359

so my listening uh improved so when

925

00:36:09,589 --> 00:36:08,480

people say something

926
00:36:11,750 --> 00:36:09,599
you know and they're like you must have

927
00:36:13,030 --> 00:36:11,760
heard this wrong i'm like no i listen

928
00:36:14,790 --> 00:36:13,040
every day

929
00:36:16,630 --> 00:36:14,800
you know and i know you said this this

930
00:36:18,230 --> 00:36:16,640
and that so it's kind of weird which

931
00:36:20,790 --> 00:36:18,240
which parts of your

932
00:36:22,790 --> 00:36:20,800
of your body kind of adapt and become

933
00:36:24,710 --> 00:36:22,800
better

934
00:36:27,030 --> 00:36:24,720
so are you signed up have you signed up

935
00:36:30,069 --> 00:36:27,040
for tick-tock yet

936
00:36:31,670 --> 00:36:30,079
no i don't do tick-tock it's in you

937
00:36:33,270 --> 00:36:31,680
should sign up at our coast-to-coast

938
00:36:35,109 --> 00:36:33,280

website on tick-tock

939

00:36:36,710 --> 00:36:35,119

because people are sharing some really

940

00:36:39,349 --> 00:36:36,720

strange things it's really

941

00:36:42,150 --> 00:36:39,359

it's kind of fun right well you know i'm

942

00:36:45,030 --> 00:36:42,160

already and your information's private

943

00:36:47,030 --> 00:36:45,040

right right well i'm having uh um i

944

00:36:47,750 --> 00:36:47,040

don't know i'm just not a fan of tiktok

945

00:36:49,430 --> 00:36:47,760

especially

946

00:36:52,069 --> 00:36:49,440

when when some of the information with

947

00:36:53,430 --> 00:36:52,079

the chinese connection came out i just

948

00:36:55,510 --> 00:36:53,440

kind of like

949

00:36:57,430 --> 00:36:55,520

you know chinese government yeah and so

950

00:36:59,589 --> 00:36:57,440

i was like no i'm just

951

00:37:01,109 --> 00:36:59,599

i'll i'll try it out i mean i can't

952

00:37:02,069 --> 00:37:01,119

trust telegram either or any of the

953

00:37:04,230 --> 00:37:02,079

other platforms

954

00:37:05,750 --> 00:37:04,240

i just hope one day you know the

955

00:37:07,430 --> 00:37:05,760

information will continue to stay

956

00:37:09,430 --> 00:37:07,440

private for everybody

957

00:37:10,870 --> 00:37:09,440

just don't put too much personal stuff

958

00:37:13,670 --> 00:37:10,880

out there that's all

959

00:37:14,790 --> 00:37:13,680

right right so uh george i have another

960

00:37:17,589 --> 00:37:14,800

question here um

961

00:37:19,510 --> 00:37:17,599

this one is from uh fab 22 again it says

962

00:37:21,750 --> 00:37:19,520

with all the paranormal

963

00:37:22,790 --> 00:37:21,760

issues you reported on how do you manage

964

00:37:25,910 --> 00:37:22,800

to

965

00:37:29,030 --> 00:37:25,920

remain so calm and clear-minded

966

00:37:32,150 --> 00:37:29,040

and well-grounded i am

967

00:37:37,589 --> 00:37:34,829

you have to i mean you have to take

968

00:37:40,069 --> 00:37:37,599

responsibility for these stories that

969

00:37:41,589 --> 00:37:40,079

you report on or cover on a regular

970

00:37:43,829 --> 00:37:41,599

basis

971

00:37:45,670 --> 00:37:43,839

and i sometimes try to separate them

972

00:37:47,750 --> 00:37:45,680

from my personal life

973

00:37:49,910 --> 00:37:47,760

in order to do exactly what you just

974

00:37:51,109 --> 00:37:49,920

said stay calm and not let a lot of

975

00:37:53,030 --> 00:37:51,119

stuff affect me

976

00:37:54,870 --> 00:37:53,040

this is a strange time we're living in

977

00:37:57,910 --> 00:37:54,880

right now and if you let

978

00:38:01,030 --> 00:37:57,920

everything we hear on a daily basis

979

00:38:03,030 --> 00:38:01,040

affect you you're going to go crazy i

980

00:38:05,510 --> 00:38:03,040

mean you're just going to go nuts

981

00:38:07,349 --> 00:38:05,520

and so i try to separate that as much as

982

00:38:09,829 --> 00:38:07,359

i can

983

00:38:11,030 --> 00:38:09,839

you know i always say to people you know

984

00:38:11,750 --> 00:38:11,040

it's always good to take in the

985

00:38:13,270 --> 00:38:11,760

information

986

00:38:15,270 --> 00:38:13,280

and just keep it in the back of your

987

00:38:17,750 --> 00:38:15,280

mind you know because sometimes

988

00:38:19,510 --> 00:38:17,760

it would drive somebody not you know

989

00:38:20,710 --> 00:38:19,520

feeling like you have to act on every

990

00:38:22,950 --> 00:38:20,720

piece of information

991

00:38:24,470 --> 00:38:22,960

that would that would be kind of

992

00:38:25,990 --> 00:38:24,480

borderline insanity

993

00:38:27,510 --> 00:38:26,000

you know but i always keep it in back of

994

00:38:29,589 --> 00:38:27,520

my mind of all the things i've ever

995

00:38:30,230 --> 00:38:29,599

heard on coast or personal conversations

996

00:38:32,870 --> 00:38:30,240

i've had

997

00:38:33,270 --> 00:38:32,880

and so if i then in person come across

998

00:38:35,190 --> 00:38:33,280

you know

999

00:38:36,950 --> 00:38:35,200

something that i've already that i know

1000

00:38:38,710 --> 00:38:36,960

about then i have a reference point

1001
00:38:40,550 --> 00:38:38,720
but other than that there's almost no

1002
00:38:41,270 --> 00:38:40,560
point of getting all too riled up about

1003
00:38:46,790 --> 00:38:41,280
it

1004
00:38:48,950 --> 00:38:46,800
exactly can you see this yeah

1005
00:38:50,950 --> 00:38:48,960
yep can you see can you see the airline

1006
00:38:53,589 --> 00:38:50,960
in the background

1007
00:38:54,150 --> 00:38:53,599
yeah i see it what somebody made that

1008
00:38:55,750 --> 00:38:54,160
for me

1009
00:38:57,990 --> 00:38:55,760
somebody made this thing let me bring it

1010
00:39:00,790 --> 00:38:58,000
forward here a little bit

1011
00:39:03,510 --> 00:39:00,800
it's kind of heavy but they made this

1012
00:39:06,630 --> 00:39:03,520
out of plaster

1013
00:39:10,230 --> 00:39:06,640

and shipped it to us is it based on the

1014

00:39:11,829 --> 00:39:10,240

e.t in the movie yeah i think so

1015

00:39:13,510 --> 00:39:11,839

they did a great job with this didn't

1016

00:39:14,790 --> 00:39:13,520

they i can imagine you have all kinds of

1017

00:39:17,349 --> 00:39:14,800

gifts

1018

00:39:19,190 --> 00:39:17,359

all kinds of stuff i had a lady sent me

1019

00:39:22,710 --> 00:39:19,200

for a christmas once

1020

00:39:24,950 --> 00:39:22,720

a fruit cake and she had bitten in it

1021

00:39:26,950 --> 00:39:24,960

so i got the cake i open it up i don't

1022

00:39:28,870 --> 00:39:26,960

eat anything that anybody sends me by

1023

00:39:31,349 --> 00:39:28,880

the way it's just a personal thing

1024

00:39:33,430 --> 00:39:31,359

i open up this fruitcake and there's her

1025

00:39:35,030 --> 00:39:33,440

teeth marks in the thing she had just

1026

00:39:37,349 --> 00:39:35,040

take that she chomped it

1027

00:39:39,109 --> 00:39:37,359

right out and then she sent me a little

1028

00:39:41,910 --> 00:39:39,119

card in there and

1029

00:39:42,790 --> 00:39:41,920

do you think that was intentional the

1030

00:39:46,630 --> 00:39:42,800

biting

1031

00:39:48,310 --> 00:39:46,640

yeah yes absolutely

1032

00:39:50,470 --> 00:39:48,320

so uh george i have another question

1033

00:39:52,230 --> 00:39:50,480

from hubert he's asking

1034

00:39:54,069 --> 00:39:52,240

uh and i don't know if you can speak on

1035

00:39:55,990 --> 00:39:54,079

this again i lapse my

1036

00:39:57,670 --> 00:39:56,000

my subscriptions but i will get back to

1037

00:39:58,950 --> 00:39:57,680

you soon so i know whether or not this

1038

00:40:01,190 --> 00:39:58,960

was covered on coast

1039

00:40:03,910 --> 00:40:01,200

um herod was asking when do you think

1040

00:40:06,309 --> 00:40:03,920

the med med beds become available to the

1041

00:40:10,230 --> 00:40:07,990

these are the special beds that are

1042

00:40:11,030 --> 00:40:10,240

supposed to have healing properties good

1043

00:40:16,790 --> 00:40:11,040

question

1044

00:40:16,800 --> 00:40:20,230

okay

1045

00:40:27,030 --> 00:40:24,150

this one is

1046

00:40:28,710 --> 00:40:27,040

um sometimes i wish people would take

1047

00:40:29,589 --> 00:40:28,720

the time to actually spell things out

1048

00:40:33,109 --> 00:40:29,599

nicely because it

1049

00:40:36,630 --> 00:40:34,470

you got a lot of people in your chat

1050

00:40:38,550 --> 00:40:36,640

room right now uh yeah

1051
00:40:39,990 --> 00:40:38,560
they're just i'm you know uh i asked

1052
00:40:42,069 --> 00:40:40,000
them to differentiate the question

1053
00:40:44,309 --> 00:40:42,079
towards you with these three little

1054
00:40:46,550 --> 00:40:44,319
uh stars and so that way i know it's for

1055
00:40:48,630 --> 00:40:46,560
you but then some of these are just

1056
00:40:49,750 --> 00:40:48,640
random words put together i'm like if i

1057
00:40:53,589 --> 00:40:49,760
can make sense of it

1058
00:40:55,910 --> 00:40:53,599
how can you okay let me go to the next

1059
00:40:57,750 --> 00:40:55,920
you're the interpreter so you know i

1060
00:40:59,109 --> 00:40:57,760
don't i don't see the messages i just

1061
00:41:01,589 --> 00:40:59,119
get them from you

1062
00:41:04,230 --> 00:41:01,599
okay good deal so next one is from idem

1063
00:41:05,990 --> 00:41:04,240

asking or saying hi george a huge fan

1064

00:41:07,510 --> 00:41:06,000

what is the weirdest story you've heard

1065

00:41:10,630 --> 00:41:07,520

that you've

1066

00:41:12,230 --> 00:41:10,640

uh that you believed to be truthful

1067

00:41:14,069 --> 00:41:12,240

hi aida first of all it was my

1068

00:41:14,710 --> 00:41:14,079

grandmother on my mother's side that was

1069

00:41:17,430 --> 00:41:14,720

her name

1070

00:41:18,550 --> 00:41:17,440

and uh that's very interesting name to

1071

00:41:20,309 --> 00:41:18,560

be sure

1072

00:41:21,670 --> 00:41:20,319

uh you know there are a lot of great

1073

00:41:24,230 --> 00:41:21,680

stories that are out there

1074

00:41:25,589 --> 00:41:24,240

i mean i like one that a police officer

1075

00:41:28,870 --> 00:41:25,599

called me once

1076

00:41:30,870 --> 00:41:28,880

and said they had a call to

1077

00:41:32,950 --> 00:41:30,880

help somebody who was dying of a heart

1078

00:41:34,870 --> 00:41:32,960

attack and he said

1079

00:41:36,710 --> 00:41:34,880

george me and my partner got to the

1080

00:41:39,430 --> 00:41:36,720

house before the

1081

00:41:41,430 --> 00:41:39,440

emergency medical technicians got there

1082

00:41:43,750 --> 00:41:41,440

so we knock on the door

1083

00:41:44,950 --> 00:41:43,760

a little old man opens up the door and

1084

00:41:49,589 --> 00:41:44,960

lets us in

1085

00:41:52,950 --> 00:41:49,599

and we look and on the floor is a person

1086

00:41:55,990 --> 00:41:52,960

on his stomach face down

1087

00:41:59,510 --> 00:41:56,000

obviously in distress maybe even dying

1088

00:42:03,190 --> 00:41:59,520

maybe dead i don't know we got in there

1089

00:42:03,990 --> 00:42:03,200

rolled him over it was the guy who

1090

00:42:07,109 --> 00:42:04,000

opened the door

1091

00:42:10,550 --> 00:42:07,119

for us to let us in how could that be

1092

00:42:13,589 --> 00:42:10,560

the guy had died so his spirit

1093

00:42:17,349 --> 00:42:13,599

and soul opened the door for them that's

1094

00:42:21,430 --> 00:42:17,359

weird i mean i get those all the time

1095

00:42:23,349 --> 00:42:21,440

oh wow yeah so george the

1096

00:42:25,589 --> 00:42:23,359

this is uh just real quick so for those

1097

00:42:27,829 --> 00:42:25,599

of you watching please make sure you

1098

00:42:29,430 --> 00:42:27,839

uh you put the three little stars before

1099

00:42:31,510 --> 00:42:29,440

your question that way i know it's for

1100

00:42:32,230 --> 00:42:31,520

george because one person was saying oh

1101

00:42:33,910 --> 00:42:32,240

it's like you

1102

00:42:35,510 --> 00:42:33,920

skipped me basically it's like no

1103

00:42:37,910 --> 00:42:35,520

there's no topic that's

1104

00:42:38,550 --> 00:42:37,920

that i'm that on my end this you know

1105

00:42:40,150 --> 00:42:38,560

taboo

1106

00:42:41,910 --> 00:42:40,160

and i don't know about you george but

1107

00:42:44,150 --> 00:42:41,920

we'll take them we'll take them all i've

1108

00:42:45,750 --> 00:42:44,160

got about five minutes

1109

00:42:47,510 --> 00:42:45,760

right right what i see now what she

1110

00:42:50,390 --> 00:42:47,520

wrote um

1111

00:42:51,109 --> 00:42:50,400

basically wrote the casey said uh what's

1112

00:42:54,790 --> 00:42:51,119

the deal with

1113

00:42:55,910 --> 00:42:54,800

rh negative blood well that's supposed

1114

00:42:59,349 --> 00:42:55,920

to be some kind of

1115

00:43:00,790 --> 00:42:59,359

et type situation some kind of genetic

1116

00:43:03,430 --> 00:43:00,800

alteration

1117

00:43:04,309 --> 00:43:03,440

but a lot of people have been concerned

1118

00:43:07,109 --> 00:43:04,319

about rh

1119

00:43:08,790 --> 00:43:07,119

negative blood to be sure i'm o positive

1120

00:43:11,109 --> 00:43:08,800

that's what my blood is how about you

1121

00:43:14,150 --> 00:43:11,119

adnan do you know what yours is

1122

00:43:15,510 --> 00:43:14,160

yeah i'm all positive too a lot of

1123

00:43:16,790 --> 00:43:15,520

people are i think it's one of the

1124

00:43:20,069 --> 00:43:16,800

predominant ones but

1125

00:43:21,710 --> 00:43:20,079

rh negative is extremely unusual

1126

00:43:24,150 --> 00:43:21,720

and a lot of people think it's

1127

00:43:27,430 --> 00:43:24,160

extraterrestrial i don't know

1128

00:43:29,349 --> 00:43:27,440

i really don't um so

1129

00:43:30,870 --> 00:43:29,359

the the other one is from bradley again

1130

00:43:33,510 --> 00:43:30,880

asking um

1131

00:43:35,270 --> 00:43:33,520

uh any uh planned events for south

1132

00:43:36,870 --> 00:43:35,280

africa

1133

00:43:39,190 --> 00:43:36,880

no we're not going to leave the country

1134

00:43:41,829 --> 00:43:39,200

right now especially with covet bradley

1135

00:43:43,349 --> 00:43:41,839

we had a lot of events last year cancel

1136

00:43:45,670 --> 00:43:43,359

we've got a new one coming up on

1137

00:43:47,589 --> 00:43:45,680

september 25th in everett washington

1138

00:43:49,270 --> 00:43:47,599

which is going really well

1139

00:43:51,990 --> 00:43:49,280

but there's really no plans to do

1140

00:43:54,309 --> 00:43:52,000

anything outside of the country

1141

00:43:56,150 --> 00:43:54,319

so you know thank you for listening

1142

00:43:58,309 --> 00:43:56,160

we'll continue to broadcast

1143

00:43:59,349 --> 00:43:58,319

into south africa and all over the place

1144

00:44:01,349 --> 00:43:59,359

on the internet

1145

00:44:04,150 --> 00:44:01,359

but we don't plan to do any live stage

1146

00:44:08,230 --> 00:44:05,990

okay and i figured that we started with

1147

00:44:10,710 --> 00:44:08,240

ginger and we'll finish off with gender

1148

00:44:11,990 --> 00:44:10,720

ginger she uh raised her hand and has

1149

00:44:14,870 --> 00:44:12,000

another question for you

1150

00:44:16,870 --> 00:44:14,880

so ginger you unmuted and go ahead and

1151

00:44:18,470 --> 00:44:16,880

ask it

1152

00:44:20,630 --> 00:44:18,480

yeah george i was wondering if you could

1153

00:44:22,230 --> 00:44:20,640

share with us who on your team helps

1154

00:44:23,990 --> 00:44:22,240

pick out your guests and what's your

1155

00:44:25,510 --> 00:44:24,000

criteria for who you interview that's

1156

00:44:27,270 --> 00:44:25,520

got to be a big part of

1157

00:44:29,990 --> 00:44:27,280

your job and what makes coast to coast

1158

00:44:32,150 --> 00:44:30,000

great is choosing those guests

1159

00:44:34,109 --> 00:44:32,160

we've got an executive producer ginger

1160

00:44:36,470 --> 00:44:34,119

her name was lisa lyon

1161

00:44:37,430 --> 00:44:36,480

l-y-o-n you could reach her through our

1162

00:44:40,390 --> 00:44:37,440

website

1163

00:44:42,470 --> 00:44:40,400

then we have tom dannheiser our producer

1164

00:44:44,950 --> 00:44:42,480

and my showrunner when i'm on the air

1165

00:44:47,190 --> 00:44:44,960

he's there with me taking the calls

1166

00:44:49,349 --> 00:44:47,200

and then i do too constantly i'm sending

1167

00:44:52,430 --> 00:44:49,359

them little clips and notes

1168

00:44:54,150 --> 00:44:52,440

last week we had dr stephen rosetti the

1169

00:44:57,270 --> 00:44:54,160

monsignoron

1170

00:44:59,349 --> 00:44:57,280

who has a phd and he's an exorcist

1171

00:45:01,910 --> 00:44:59,359

like i noticed a little article about

1172

00:45:03,109 --> 00:45:01,920

him that the catholic church was relying

1173

00:45:06,390 --> 00:45:03,119

on him more and more

1174

00:45:08,230 --> 00:45:06,400

to do exorcisms so i sent that to lisa

1175

00:45:09,910 --> 00:45:08,240

and she tracked him down for us and got

1176

00:45:13,829 --> 00:45:09,920

that but we really have

1177

00:45:16,870 --> 00:45:13,839

a tier of three people me tom danheiser

1178

00:45:18,150 --> 00:45:16,880

and lisa lyon who are looking for guests

1179

00:45:20,630 --> 00:45:18,160

on a regular basis

1180

00:45:23,190 --> 00:45:20,640

and what we do is we'll put in two

1181

00:45:25,990 --> 00:45:23,200

regular show guests per night

1182

00:45:27,829 --> 00:45:26,000

in the old days it was just one but we

1183

00:45:28,790 --> 00:45:27,839

found that the research showed that if

1184

00:45:30,390 --> 00:45:28,800

somebody gets

1185

00:45:32,870 --> 00:45:30,400

bored with a guest or they're not

1186

00:45:35,030 --> 00:45:32,880

interested they tend to tune out

1187

00:45:36,470 --> 00:45:35,040

well now with two guests with two

1188

00:45:38,710 --> 00:45:36,480

different topics

1189

00:45:39,990 --> 00:45:38,720

they're more apt to stay around so we're

1190

00:45:42,630 --> 00:45:40,000

doing that that way

1191

00:45:44,150 --> 00:45:42,640

so it's a lot of work you know to book

1192

00:45:44,950 --> 00:45:44,160

you know we're on seven nights a week

1193

00:45:48,309 --> 00:45:44,960

live that's

1194

00:45:49,990 --> 00:45:48,319

14 guests a week and you're trying to

1195

00:45:52,309 --> 00:45:50,000

keep it fresh and different but it's

1196

00:45:54,950 --> 00:45:52,319

that tier of people lisa lyon

1197

00:45:57,829 --> 00:45:54,960

tom danheiser and myself who work on all

1198

00:46:01,910 --> 00:45:59,990

that's great thanks george all right

1199

00:46:04,150 --> 00:46:01,920

ginger thank you

1200

00:46:06,069 --> 00:46:04,160

well george thank you very much again i

1201
00:46:06,630 --> 00:46:06,079
really appreciate you being on today i

1202
00:46:08,870 --> 00:46:06,640
appreciate

1203
00:46:10,069 --> 00:46:08,880
your time please say hi to uh tom

1204
00:46:11,510 --> 00:46:10,079
dennheiser for me

1205
00:46:13,589 --> 00:46:11,520
i know it's been a while since i talked

1206
00:46:15,990 --> 00:46:13,599
to him so again

1207
00:46:16,950 --> 00:46:16,000
um i wish you all the best and as always

1208
00:46:18,470 --> 00:46:16,960
we'll stay in touch

1209
00:46:20,230 --> 00:46:18,480
uh thank you again for today and

1210
00:46:23,510 --> 00:46:20,240
answering the question so

1211
00:46:26,390 --> 00:46:23,520
um yeah i think this will be it uh

1212
00:46:27,030 --> 00:46:26,400
everyone else thanks for logging in and

1213
00:46:29,829 --> 00:46:27,040

uh

1214

00:46:32,069 --> 00:46:29,839

so by wednesday we're going to have open

1215

00:46:33,990 --> 00:46:32,079

lines uh friday we're going to

1216

00:46:35,109 --> 00:46:34,000

um i'm going to have another guest so

1217

00:46:37,349 --> 00:46:35,119

just stay tuned

1218

00:46:38,630 --> 00:46:37,359

but for now george everyone else take
