

# UFO HUB

LIVE STREAM

1  
00:03:44,229 --> 00:00:15,330

[Music]

2  
00:03:47,030 --> 00:03:45,030  
everyone

3  
00:03:48,869 --> 00:03:47,040  
welcome to the ufo hub live stream

4  
00:03:51,509 --> 00:03:48,879  
today's guest is going to be

5  
00:03:52,070 --> 00:03:51,519  
sally fabian and she's a neurologist and

6  
00:03:53,750 --> 00:03:52,080  
author

7  
00:03:55,589 --> 00:03:53,760  
and i'm very excited to talk to you

8  
00:03:57,270 --> 00:03:55,599  
about all those things today

9  
00:03:59,110 --> 00:03:57,280  
so um i don't necessarily have any

10  
00:04:00,070 --> 00:03:59,120  
updates today so we'll get straight to

11  
00:04:01,750 --> 00:04:00,080  
the interview

12  
00:04:04,470 --> 00:04:01,760  
but i just would like to give you a

13  
00:04:06,949 --> 00:04:04,480

quick heads up if you would like to

14

00:04:08,070 --> 00:04:06,959

ask a question of sally later on today

15

00:04:10,630 --> 00:04:08,080

on telegram

16

00:04:11,670 --> 00:04:10,640

and ask the question yourself please log

17

00:04:13,670 --> 00:04:11,680

into the telegram

18

00:04:14,789 --> 00:04:13,680

group either on your computer or the

19

00:04:16,789 --> 00:04:14,799

phone uh

20

00:04:18,390 --> 00:04:16,799

in the description below you'll find the

21

00:04:20,390 --> 00:04:18,400

telegram link

22

00:04:21,830 --> 00:04:20,400

join it and you'll see a voice chat

23

00:04:23,990 --> 00:04:21,840

going on there right now

24

00:04:25,510 --> 00:04:24,000

and you can simply enter the voice chat

25

00:04:28,150 --> 00:04:25,520

raise your hand and

26

00:04:28,550 --> 00:04:28,160

you'll be able to talk to sally also in

27

00:04:30,550 --> 00:04:28,560

chat

28

00:04:31,990 --> 00:04:30,560

if you have a direct question for the

29

00:04:33,909 --> 00:04:32,000

guest or myself

30

00:04:35,430 --> 00:04:33,919

please make sure to put in the three

31

00:04:37,270 --> 00:04:35,440

little stars before your

32

00:04:38,469 --> 00:04:37,280

question so that i know it's directed

33

00:04:41,350 --> 00:04:38,479

towards us and

34

00:04:43,030 --> 00:04:41,360

it's not just you guys chatting as usual

35

00:04:46,150 --> 00:04:43,040

so um

36

00:04:49,510 --> 00:04:46,160

yeah i have no updates as i mentioned so

37

00:04:52,950 --> 00:04:49,520

let's let's get straight to it

38

00:04:56,710 --> 00:04:52,960

sally how are you thanks for being on

39

00:04:58,550 --> 00:04:56,720

i'm i'm very good just very excited to

40

00:05:00,710 --> 00:04:58,560

do this

41

00:05:01,670 --> 00:05:00,720

well i'm glad we're able uh to to

42

00:05:04,710 --> 00:05:01,680

connect and

43

00:05:08,070 --> 00:05:04,720

um it just worked out great for us to

44

00:05:10,550 --> 00:05:08,080

uh to do this today um initially

45

00:05:12,629 --> 00:05:10,560

when i first learned that you wanted to

46

00:05:14,870 --> 00:05:12,639

be on because you have a mutual friend

47

00:05:16,469 --> 00:05:14,880

and she was saying hey it would be great

48

00:05:17,270 --> 00:05:16,479

to have you on i was like yes it would

49

00:05:19,749 --> 00:05:17,280

but i'm so

50

00:05:21,270 --> 00:05:19,759

swamped already so i'm glad it came

51  
00:05:24,310 --> 00:05:21,280  
sooner than later

52  
00:05:26,550 --> 00:05:24,320  
but sally i just basically wanted to

53  
00:05:27,430 --> 00:05:26,560  
start out the interview with just um

54  
00:05:28,790 --> 00:05:27,440  
asking you to

55  
00:05:30,469 --> 00:05:28,800  
just give us a little bit of background

56  
00:05:33,029 --> 00:05:30,479  
information about yourself

57  
00:05:35,510 --> 00:05:33,039  
and how did you get into numerology and

58  
00:05:39,029 --> 00:05:35,520  
i figured we'll start there

59  
00:05:41,350 --> 00:05:39,039  
okay well i picked up my first book when

60  
00:05:44,550 --> 00:05:41,360  
i was around 23 years old

61  
00:05:48,230 --> 00:05:44,560  
um and that was a long time ago

62  
00:05:51,749 --> 00:05:48,240  
and i just became obsessed with it and

63  
00:05:54,790 --> 00:05:51,759

at the time i had my own business

64

00:05:58,150 --> 00:05:54,800

and um it was a service for lawyers

65

00:06:01,590 --> 00:05:58,160

and i had a number of employees

66

00:06:04,070 --> 00:06:01,600

and so i began to use it to hire

67

00:06:05,270 --> 00:06:04,080

my employees i had had that business for

68

00:06:07,029 --> 00:06:05,280

20 years

69

00:06:09,189 --> 00:06:07,039

and i hired all my employees by

70

00:06:10,309 --> 00:06:09,199

numerology by my understanding of

71

00:06:12,550 --> 00:06:10,319

numerology

72

00:06:14,070 --> 00:06:12,560

it's one of the ways that i learned who

73

00:06:17,270 --> 00:06:14,080

works and who doesn't

74

00:06:20,309 --> 00:06:17,280

especially in the area that i was in so

75

00:06:23,749 --> 00:06:20,319

it was very interesting to discover that

76

00:06:25,430 --> 00:06:23,759

and and then i went on i had

77

00:06:27,029 --> 00:06:25,440

i've had products out there i have

78

00:06:28,870 --> 00:06:27,039

greeting card line i have

79

00:06:30,790 --> 00:06:28,880

posters all kinds of things that i

80

00:06:34,150 --> 00:06:30,800

created and

81

00:06:36,390 --> 00:06:34,160

and then unfortunately i licensed

82

00:06:37,430 --> 00:06:36,400

my greeting card line over to somebody

83

00:06:41,430 --> 00:06:37,440

who

84

00:06:45,510 --> 00:06:41,440

ripped me off and i unfortunately

85

00:06:48,790 --> 00:06:45,520

felt unfortunately that i i had to

86

00:06:51,749 --> 00:06:48,800

use my favorite thing on the planet

87

00:06:52,790 --> 00:06:51,759

to make a living with and that was when

88

00:06:56,790 --> 00:06:52,800

i was in my

89

00:06:59,510 --> 00:06:56,800

late 40s and and that was numerology

90

00:06:59,830 --> 00:06:59,520

and it was my hobby before that and i

91

00:07:03,270 --> 00:06:59,840

just

92

00:07:05,830 --> 00:07:03,280

loved it and i didn't want to spoil

93

00:07:06,629 --> 00:07:05,840

it i didn't want it to spoil my

94

00:07:09,029 --> 00:07:06,639

happiness

95

00:07:11,029 --> 00:07:09,039

by needing to charge for it but at the

96

00:07:15,270 --> 00:07:11,039

same time i needed to make a living

97

00:07:19,110 --> 00:07:15,280

and then when i began to read people

98

00:07:21,909 --> 00:07:19,120

i found that i was helping them and so

99

00:07:23,110 --> 00:07:21,919

to me it just became it became my

100

00:07:25,270 --> 00:07:23,120

profession

101  
00:07:26,309 --> 00:07:25,280  
and i've supported myself with it ever

102  
00:07:30,390 --> 00:07:26,319  
since and

103  
00:07:33,110 --> 00:07:30,400  
love it i just absolutely love what i do

104  
00:07:35,270 --> 00:07:33,120  
every day of my life i use it for

105  
00:07:38,230 --> 00:07:35,280  
everything

106  
00:07:39,430 --> 00:07:38,240  
so and in fact you know that i i ran

107  
00:07:42,950 --> 00:07:39,440  
your chart

108  
00:07:43,510 --> 00:07:42,960  
and i am i'm over the moon with your

109  
00:07:47,029 --> 00:07:43,520  
chart

110  
00:07:49,749 --> 00:07:47,039  
i just am i mean i i don't know how

111  
00:07:51,990 --> 00:07:49,759  
how many people have stayed with you

112  
00:07:53,589 --> 00:07:52,000  
over the years or whatever but what i'm

113  
00:07:57,110 --> 00:07:53,599

going to tell

114

00:08:00,869 --> 00:07:57,120

and when i can see who you are um

115

00:08:03,270 --> 00:08:00,879

just it's one of the most

116

00:08:03,990 --> 00:08:03,280

unique and interesting charts i've ever

117

00:08:07,189 --> 00:08:04,000

done

118

00:08:09,029 --> 00:08:07,199

i want to say well you're really going

119

00:08:10,710 --> 00:08:09,039

to put me on the spot here but

120

00:08:12,710 --> 00:08:10,720

it sounds intriguing i'd love to hear

121

00:08:14,150 --> 00:08:12,720

more about it but uh first i want to ask

122

00:08:15,110 --> 00:08:14,160

you a little bit more about you and then

123

00:08:18,469 --> 00:08:15,120

i figured we can

124

00:08:20,309 --> 00:08:18,479

get into that also uh for those watching

125

00:08:22,629 --> 00:08:20,319

later on during q a if you have a

126

00:08:25,749 --> 00:08:22,639

question uh that's fine but

127

00:08:26,150 --> 00:08:25,759

uh ask sally if she could just do like a

128

00:08:27,909 --> 00:08:26,160

small

129

00:08:29,430 --> 00:08:27,919

quick readings for those that provide

130

00:08:33,430 --> 00:08:29,440

some of their information

131

00:08:36,149 --> 00:08:33,440

and she agreed uh to do that so if

132

00:08:37,750 --> 00:08:36,159

while you're online if you would like to

133

00:08:40,310 --> 00:08:37,760

get a quick reading

134

00:08:40,790 --> 00:08:40,320

just log in as i mentioned before and

135

00:08:42,949 --> 00:08:40,800

and

136

00:08:44,710 --> 00:08:42,959

sally can do that for you i'm also real

137

00:08:45,829 --> 00:08:44,720

quick in the description below you guys

138

00:08:47,030 --> 00:08:45,839

already know this but i'm going to

139

00:08:49,430 --> 00:08:47,040

mention it again i have

140

00:08:50,630 --> 00:08:49,440

all the available links for sally um her

141

00:08:52,630 --> 00:08:50,640

readings

142

00:08:53,990 --> 00:08:52,640

and the different books she has written

143

00:08:56,230 --> 00:08:54,000

and i'm hoping to get into

144

00:08:57,670 --> 00:08:56,240

that a little bit later on as well and

145

00:08:59,350 --> 00:08:57,680

um if you are

146

00:09:01,030 --> 00:08:59,360

you know like what she tells you and you

147

00:09:03,110 --> 00:09:01,040

would like to learn more about yourself

148

00:09:05,350 --> 00:09:03,120

what and what numerology tells you

149

00:09:06,230 --> 00:09:05,360

book a reading so i encourage everyone

150

00:09:09,590 --> 00:09:06,240

to do that

151

00:09:11,670 --> 00:09:09,600

but um sally so was the

152

00:09:13,829 --> 00:09:11,680

were you doing the readings for a little

153

00:09:14,230 --> 00:09:13,839

while before you decided i'm gonna put

154

00:09:15,990 --> 00:09:14,240

this

155

00:09:17,190 --> 00:09:16,000

together in one of the first books that

156

00:09:19,430 --> 00:09:17,200

you have because i think you have four

157

00:09:22,230 --> 00:09:19,440

books total correct

158

00:09:24,269 --> 00:09:22,240

yes well yeah my first book i came out

159

00:09:28,389 --> 00:09:24,279

with in 2020

160

00:09:30,470 --> 00:09:28,399

2002 and uh my publisher has since gone

161

00:09:33,350 --> 00:09:30,480

out of business so when you go on amazon

162

00:09:35,269 --> 00:09:33,360

for that one they're selling it for 930

163

00:09:37,030 --> 00:09:35,279

which i know nobody's going to buy but i

164

00:09:39,269 --> 00:09:37,040

have a lot of boxes of them so

165

00:09:40,949 --> 00:09:39,279

people can get that book from me that's

166

00:09:43,430 --> 00:09:40,959

the most extensive

167

00:09:44,070 --> 00:09:43,440

one but i also have three other books

168

00:09:47,030 --> 00:09:44,080

that i

169

00:09:49,509 --> 00:09:47,040

have recently put on amazon they're

170

00:09:51,829 --> 00:09:49,519

they're all available on amazon

171

00:09:53,590 --> 00:09:51,839

and i didn't want to say this i brought

172

00:09:57,110 --> 00:09:53,600

my rates down

173

00:09:58,949 --> 00:09:57,120

uh for the pandemic and in august i'm

174

00:10:02,230 --> 00:09:58,959

going to raise them back up

175

00:10:02,790 --> 00:10:02,240

so the thing is right now i'm for a one

176

00:10:06,069 --> 00:10:02,800

hour

177

00:10:09,670 --> 00:10:06,079

reading i'm 125 and

178

00:10:13,670 --> 00:10:09,680

so in once i raise it back up i've been

179

00:10:16,150 --> 00:10:13,680

180 most of my career

180

00:10:17,110 --> 00:10:16,160

so i just want to let people know that

181

00:10:19,670 --> 00:10:17,120

that

182

00:10:20,790 --> 00:10:19,680

you know it will be coming it won't be

183

00:10:23,110 --> 00:10:20,800

until probably

184

00:10:24,949 --> 00:10:23,120

latter part of august but i just want to

185

00:10:26,630 --> 00:10:24,959

let the audience know that too if

186

00:10:28,230 --> 00:10:26,640

anybody wanted reading they might want

187

00:10:33,030 --> 00:10:28,240

to get in on the

188

00:10:35,190 --> 00:10:33,040

less expensive uh reading at this time

189

00:10:36,470 --> 00:10:35,200

okay well thanks for letting us know and

190

00:10:39,430 --> 00:10:36,480

uh yeah i always

191

00:10:40,710 --> 00:10:39,440

i love numerology in general and um i

192

00:10:43,990 --> 00:10:40,720

don't know i guess

193

00:10:45,670 --> 00:10:44,000

i i must not have looked at my my

194

00:10:46,470 --> 00:10:45,680

section of the chart that closely i was

195

00:10:48,550 --> 00:10:46,480

like oh okay

196

00:10:50,310 --> 00:10:48,560

that's my life path and that's my

197

00:10:51,750 --> 00:10:50,320

personality number and i kind of left it

198

00:10:53,590 --> 00:10:51,760

at that

199

00:10:55,030 --> 00:10:53,600

so again what i'm trying to say i'm

200

00:10:55,430 --> 00:10:55,040

intrigued to hear what you have to say

201  
00:10:57,269 --> 00:10:55,440  
but

202  
00:10:58,870 --> 00:10:57,279  
what i wanted to ask you first um

203  
00:11:00,550 --> 00:10:58,880  
regarding your books uh

204  
00:11:03,750 --> 00:11:00,560  
what what made you want to write that

205  
00:11:10,230 --> 00:11:07,190  
um i i think i just

206  
00:11:12,230 --> 00:11:10,240  
i just began to know it so well but well

207  
00:11:13,030 --> 00:11:12,240  
it's called motivational numerology i

208  
00:11:15,990 --> 00:11:13,040  
wanted

209  
00:11:17,190 --> 00:11:16,000  
to motivate people to get people excited

210  
00:11:19,670 --> 00:11:17,200  
about their own

211  
00:11:21,350 --> 00:11:19,680  
uh numbers and so on and i have the good

212  
00:11:24,470 --> 00:11:21,360  
news and the not so good news

213  
00:11:26,470 --> 00:11:24,480

in there too and i also expressed if you

214

00:11:29,190 --> 00:11:26,480

identify more with the not so good news

215

00:11:30,870 --> 00:11:29,200

then there's ways to alleviate that

216

00:11:32,870 --> 00:11:30,880

you know so that that was the reason

217

00:11:34,630 --> 00:11:32,880

that i wrote that book to kind of give

218

00:11:36,870 --> 00:11:34,640

people a shot in the arm

219

00:11:37,750 --> 00:11:36,880

you know to see who they are and what

220

00:11:40,310 --> 00:11:37,760

they can be

221

00:11:41,269 --> 00:11:40,320

and and most people do agree with what i

222

00:11:44,389 --> 00:11:41,279

have to say

223

00:11:46,630 --> 00:11:44,399

about them with um you know on the

224

00:11:49,110 --> 00:11:46,640

positive side fortunately

225

00:11:50,710 --> 00:11:49,120

you know a lot of people i mean they

226

00:11:51,670 --> 00:11:50,720

don't even come to me if they're on the

227

00:11:53,750 --> 00:11:51,680

negative side

228

00:11:55,269 --> 00:11:53,760

because usually they're not making

229

00:11:59,030 --> 00:11:55,279

enough money to do so

230

00:12:02,150 --> 00:11:59,040

you know but but the thing is um

231

00:12:03,670 --> 00:12:02,160

there's just it's a science to me it's

232

00:12:07,509 --> 00:12:03,680

an absolute science

233

00:12:09,190 --> 00:12:07,519

and so i just can it's like

234

00:12:11,430 --> 00:12:09,200

you know being able to look into a

235

00:12:14,150 --> 00:12:11,440

person's life

236

00:12:14,870 --> 00:12:14,160

just almost fully and know where they've

237

00:12:16,949 --> 00:12:14,880

been

238

00:12:18,870 --> 00:12:16,959

because i take the charts clear back to

239

00:12:20,710 --> 00:12:18,880

the childhood i have the childhood and

240

00:12:25,670 --> 00:12:20,720

clear up to the now

241

00:12:27,190 --> 00:12:25,680

and i take it into the future and then

242

00:12:29,590 --> 00:12:27,200

yeah and there's also a thing called the

243

00:12:32,629 --> 00:12:29,600

life grid and your life grid

244

00:12:35,269 --> 00:12:32,639

in particular is extremely impressive

245

00:12:36,949 --> 00:12:35,279

you have perfect balance on the

246

00:12:40,550 --> 00:12:36,959

intellectual plane

247

00:12:42,629 --> 00:12:40,560

and that is rare it's very rare

248

00:12:43,590 --> 00:12:42,639

and my i have a brother who's a

249

00:12:45,990 --> 00:12:43,600

professor

250

00:12:47,590 --> 00:12:46,000

and he had that also and he was

251  
00:12:51,990 --> 00:12:47,600  
considered a scholar

252  
00:12:55,030 --> 00:12:52,000  
so you truly do have a mind that can

253  
00:12:58,150 --> 00:12:55,040  
um you know that is exceptional

254  
00:12:59,030 --> 00:12:58,160  
i would say and also because you your

255  
00:13:01,990 --> 00:12:59,040  
name

256  
00:13:02,310 --> 00:13:02,000  
number is a seven and the destiny number

257  
00:13:10,150 --> 00:13:02,320  
or

258  
00:13:12,629 --> 00:13:10,160  
one day

259  
00:13:13,829 --> 00:13:12,639  
and what i call those numbers the one

260  
00:13:16,470 --> 00:13:13,839  
the four and the seven

261  
00:13:17,350 --> 00:13:16,480  
in my world i call them the renegade

262  
00:13:19,030 --> 00:13:17,360  
numbers

263  
00:13:21,509 --> 00:13:19,040

and the reason i call them that is

264

00:13:24,150 --> 00:13:21,519

because people with those numbers

265

00:13:25,990 --> 00:13:24,160

and i happen to have some of them too i

266

00:13:28,389 --> 00:13:26,000

have the one and the four

267

00:13:30,389 --> 00:13:28,399

uh can think out of the box like we

268

00:13:32,069 --> 00:13:30,399

don't necessarily have to walk to the

269

00:13:36,310 --> 00:13:32,079

mainstream drum beat

270

00:13:39,269 --> 00:13:36,320

we we can think in broader terms or just

271

00:13:41,030 --> 00:13:39,279

more unique terms if you want and i mean

272

00:13:43,670 --> 00:13:41,040

for somebody my age

273

00:13:45,750 --> 00:13:43,680

to go into my own business back in the

274

00:13:47,350 --> 00:13:45,760

60s was pretty amazing

275

00:13:49,590 --> 00:13:47,360

i mean there were no women i would i

276

00:13:51,750 --> 00:13:49,600

mean no women in business when i

277

00:13:53,829 --> 00:13:51,760

started my first business and actually

278

00:13:55,110 --> 00:13:53,839

ibm came to me and asked me to open a

279

00:13:58,230 --> 00:13:55,120

business because of my

280

00:13:59,910 --> 00:13:58,240

talent was their first word processing

281

00:14:02,870 --> 00:13:59,920

system was what it was

282

00:14:05,189 --> 00:14:02,880

and and anyway so but it just went with

283

00:14:08,230 --> 00:14:05,199

my character because i have

284

00:14:08,710 --> 00:14:08,240

the ability to run a business you know

285

00:14:11,430 --> 00:14:08,720

and be

286

00:14:11,910 --> 00:14:11,440

self-employed and that's you know so

287

00:14:14,870 --> 00:14:11,920

there i

288

00:14:15,430 --> 00:14:14,880

went and i've never had a boss in my

289

00:14:18,230 --> 00:14:15,440

life

290

00:14:19,430 --> 00:14:18,240

fortunately because i think it would be

291

00:14:21,670 --> 00:14:19,440

very hard on people well

292

00:14:22,710 --> 00:14:21,680

except for my first secretarial job i

293

00:14:26,629 --> 00:14:22,720

did

294

00:14:27,350 --> 00:14:26,639

anyway sorry i go off here but i wanted

295

00:14:30,310 --> 00:14:27,360

to

296

00:14:32,550 --> 00:14:30,320

also express about how i feel that you

297

00:14:34,790 --> 00:14:32,560

were your mother's favorite child

298

00:14:36,470 --> 00:14:34,800

and that you probably also just did

299

00:14:39,350 --> 00:14:36,480

everything your mother wanted you to

300

00:14:42,230 --> 00:14:39,360

because she would depend on you so much

301  
00:14:43,189 --> 00:14:42,240  
it appears to me here but you were also

302  
00:14:45,189 --> 00:14:43,199  
very special

303  
00:14:47,509 --> 00:14:45,199  
either the youngest the oldest or

304  
00:14:50,949 --> 00:14:47,519  
something would that be accurate

305  
00:14:51,590 --> 00:14:50,959  
about your childhood yes very very much

306  
00:14:54,550 --> 00:14:51,600  
so

307  
00:14:55,829 --> 00:14:54,560  
um you know it's one of these yeah no i

308  
00:14:57,910 --> 00:14:55,839  
mean just i don't want to keep

309  
00:14:58,870 --> 00:14:57,920  
interrupting yes please continue so i'll

310  
00:15:03,110 --> 00:14:58,880  
add more details

311  
00:15:05,750 --> 00:15:03,120  
later okay and also

312  
00:15:06,470 --> 00:15:05,760  
you have such success numbers here i

313  
00:15:09,269 --> 00:15:06,480

mean you have

314

00:15:10,310 --> 00:15:09,279

challenges that go with your success so

315

00:15:14,389 --> 00:15:10,320

it's just like

316

00:15:17,509 --> 00:15:14,399

everyone you know people say well

317

00:15:19,030 --> 00:15:17,519

you know what when when somebody has

318

00:15:19,430 --> 00:15:19,040

negative numbers what does that mean

319

00:15:21,750 --> 00:15:19,440

well

320

00:15:23,110 --> 00:15:21,760

nobody gets to skate through life just

321

00:15:26,389 --> 00:15:23,120

nobody i've run

322

00:15:28,470 --> 00:15:26,399

the charts of billionaires and and

323

00:15:29,990 --> 00:15:28,480

famous movie stars and every single

324

00:15:32,389 --> 00:15:30,000

person that i

325

00:15:33,110 --> 00:15:32,399

have any curiosity about and they all

326

00:15:35,189 --> 00:15:33,120

have

327

00:15:36,710 --> 00:15:35,199

uh pockets of challenge is what i call

328

00:15:38,870 --> 00:15:36,720

them and the reason for that

329

00:15:41,030 --> 00:15:38,880

is because we wouldn't have returned to

330

00:15:42,870 --> 00:15:41,040

the earth plane if we didn't have things

331

00:15:46,470 --> 00:15:42,880

that we needed to

332

00:15:49,110 --> 00:15:46,480

evolve that that called for

333

00:15:51,110 --> 00:15:49,120

our own evolution to be greater than

334

00:15:54,069 --> 00:15:51,120

what it was when we arrived here

335

00:15:55,509 --> 00:15:54,079

and so we go through these pockets of

336

00:15:57,590 --> 00:15:55,519

challenge in order to

337

00:15:59,430 --> 00:15:57,600

raise our consciousness to a level of

338

00:16:01,189 --> 00:15:59,440

greater compassion and empathy and

339

00:16:03,110 --> 00:16:01,199

understanding for other people

340

00:16:04,790 --> 00:16:03,120

because if you don't have anything

341

00:16:06,470 --> 00:16:04,800

negative go on in your life

342

00:16:08,710 --> 00:16:06,480

it's pretty hard for you to get the

343

00:16:11,110 --> 00:16:08,720

compassion going you know

344

00:16:11,829 --> 00:16:11,120

so that's the other reason why everybody

345

00:16:14,710 --> 00:16:11,839

kind of has

346

00:16:16,470 --> 00:16:14,720

a few stumbling blocks along the way and

347

00:16:20,389 --> 00:16:16,480

you have these things that

348

00:16:23,749 --> 00:16:20,399

work in unison for you where you have

349

00:16:26,310 --> 00:16:23,759

some of the more challenging numbers

350

00:16:27,189 --> 00:16:26,320

but right next to them or right along

351

00:16:29,829 --> 00:16:27,199

with them

352

00:16:32,310 --> 00:16:29,839

are the most positive numbers that

353

00:16:34,550 --> 00:16:32,320

anybody can have in a chart

354

00:16:36,949 --> 00:16:34,560

so i mean i was just blown away by your

355

00:16:39,990 --> 00:16:36,959

chart just totally blown away

356

00:16:42,629 --> 00:16:40,000

and and um so i i just

357

00:16:43,350 --> 00:16:42,639

you are a very special man actually in

358

00:16:46,550 --> 00:16:43,360

my book

359

00:16:50,310 --> 00:16:46,560

i i will give you that um

360

00:16:52,069 --> 00:16:50,320

just i just i really almost fell in love

361

00:16:55,350 --> 00:16:52,079

with your charge

362

00:16:57,749 --> 00:16:55,360

because it's it's it's so unique

363

00:17:00,310 --> 00:16:57,759

it really is a unique chart and i'm sure

364

00:17:02,949 --> 00:17:00,320

that you are a unique individual

365

00:17:03,990 --> 00:17:02,959

uh people with sevens like you you keep

366

00:17:05,669 --> 00:17:04,000

your cards pretty close

367

00:17:07,350 --> 00:17:05,679

to your chest you know you're not out

368

00:17:08,309 --> 00:17:07,360

there bragging about yourself or

369

00:17:10,230 --> 00:17:08,319

anything and you

370

00:17:12,230 --> 00:17:10,240

you really don't even like to call

371

00:17:14,710 --> 00:17:12,240

unwanted attention to yourself so you're

372

00:17:17,350 --> 00:17:14,720

not going to get in people's faces and

373

00:17:17,990 --> 00:17:17,360

make your point necessarily but it's

374

00:17:20,710 --> 00:17:18,000

kind of like

375

00:17:21,750 --> 00:17:20,720

when you do go to say something people

376

00:17:24,069 --> 00:17:21,760

listen up

377

00:17:25,829 --> 00:17:24,079

because you've done your work you know

378

00:17:28,309 --> 00:17:25,839

what you're talking about

379

00:17:29,669 --> 00:17:28,319

would you agree with me in that regard i

380

00:17:32,230 --> 00:17:29,679

mean i'd like to think so

381

00:17:33,510 --> 00:17:32,240

but just before we continue i have no

382

00:17:35,190 --> 00:17:33,520

idea that sally

383

00:17:36,870 --> 00:17:35,200

was going to say the things that she was

384

00:17:38,950 --> 00:17:36,880

saying so i don't want people thinking

385

00:17:39,909 --> 00:17:38,960

oh please just have all nice things to

386

00:17:42,070 --> 00:17:39,919

say about me

387

00:17:42,950 --> 00:17:42,080

she asked if she could do this chart and

388

00:17:45,990 --> 00:17:42,960

i said sure

389

00:17:48,310 --> 00:17:46,000  
and no i just want to clarify

390

00:17:50,150 --> 00:17:48,320  
so what you're hearing first time is

391

00:17:51,270 --> 00:17:50,160  
what i'm hearing as well so i want to

392

00:17:53,750 --> 00:17:51,280  
first clarify

393

00:17:55,110 --> 00:17:53,760  
that part out but um i figured uh you

394

00:17:57,270 --> 00:17:55,120  
know i thought we could get into that

395

00:17:58,630 --> 00:17:57,280  
later but i guess the chart must be

396

00:18:00,630 --> 00:17:58,640  
really something so i guess please

397

00:18:02,150 --> 00:18:00,640  
continue and then afterwards i would

398

00:18:03,430 --> 00:18:02,160  
like to then maybe talk to you about

399

00:18:06,470 --> 00:18:03,440  
numbers specifically

400

00:18:09,270 --> 00:18:06,480  
but so what else did you find well

401  
00:18:11,350 --> 00:18:09,280  
everybody has a personal year also that

402  
00:18:13,990 --> 00:18:11,360  
they're in like i happen to be

403  
00:18:15,590 --> 00:18:14,000  
in my personal eight year and you are in

404  
00:18:17,270 --> 00:18:15,600  
your personal eight year

405  
00:18:19,110 --> 00:18:17,280  
as you turned into this birthday this

406  
00:18:20,630 --> 00:18:19,120  
year in 2020

407  
00:18:22,310 --> 00:18:20,640  
and the years go from birthday to

408  
00:18:23,990 --> 00:18:22,320  
birthday so it's not like

409  
00:18:25,990 --> 00:18:24,000  
that they start with the gregorian

410  
00:18:28,950 --> 00:18:26,000  
calendar it's when you were born

411  
00:18:30,630 --> 00:18:28,960  
the the years start and so you you have

412  
00:18:32,470 --> 00:18:30,640  
come into an eight year and the eight

413  
00:18:34,070 --> 00:18:32,480

year is where the fruits are born

414

00:18:36,310 --> 00:18:34,080

for all the labors you've laid over the

415

00:18:38,630 --> 00:18:36,320

last uh seven years

416

00:18:40,789 --> 00:18:38,640

so it's a very very positive year for

417

00:18:44,070 --> 00:18:40,799

you so just know that

418

00:18:44,470 --> 00:18:44,080

and um you will be in a nine year next

419

00:18:46,230 --> 00:18:44,480

year

420

00:18:48,230 --> 00:18:46,240

and that's kind of an ending up closing

421

00:18:50,070 --> 00:18:48,240

out finishing off of something

422

00:18:52,230 --> 00:18:50,080

because then you're coming into a one

423

00:18:54,470 --> 00:18:52,240

year again that they go in nine year

424

00:18:55,430 --> 00:18:54,480

phases and then when you come into the

425

00:18:57,350 --> 00:18:55,440

one year

426

00:18:59,029 --> 00:18:57,360

it brings something new into your life

427

00:19:02,150 --> 00:18:59,039

some kind of new

428

00:19:05,990 --> 00:19:02,160

uh mode of you know

429

00:19:08,789 --> 00:19:06,000

applying what you know or whatever but

430

00:19:10,150 --> 00:19:08,799

the other thing is let me see your

431

00:19:12,470 --> 00:19:10,160

purpose number

432

00:19:14,549 --> 00:19:12,480

which is the archetypal self's purpose

433

00:19:17,270 --> 00:19:14,559

number the old soul within

434

00:19:19,029 --> 00:19:17,280

is the number five which is to be really

435

00:19:21,029 --> 00:19:19,039

very much a chameleon

436

00:19:22,789 --> 00:19:21,039

kind of someone who can adapt to all

437

00:19:25,110 --> 00:19:22,799

different types of people from all walks

438

00:19:27,350 --> 00:19:25,120

of life and i'm sure that

439

00:19:28,470 --> 00:19:27,360

with what you do for your living that

440

00:19:31,909 --> 00:19:28,480

you're someone

441

00:19:33,430 --> 00:19:31,919

that can do that and i don't know that's

442

00:19:35,669 --> 00:19:33,440

true because it's very rare that i

443

00:19:37,669 --> 00:19:35,679

immediately do not mesh with someone

444

00:19:39,510 --> 00:19:37,679

i can always just kind of fall right

445

00:19:40,150 --> 00:19:39,520

into a level of wherever they're at to

446

00:19:42,870 --> 00:19:40,160

just

447

00:19:44,470 --> 00:19:42,880

kind of uh you know make a connection

448

00:19:45,270 --> 00:19:44,480

immediately i never i never had issue

449

00:19:47,909 --> 00:19:45,280

with that so

450

00:19:48,390 --> 00:19:47,919

that's that's pretty true well here's

451  
00:19:51,350 --> 00:19:48,400  
another

452  
00:19:53,270 --> 00:19:51,360  
interesting combination you have you are

453  
00:19:58,470 --> 00:19:53,280  
what i would call a gregarious

454  
00:20:02,630 --> 00:19:58,480  
loner do you identify with that at all

455  
00:20:05,110 --> 00:20:02,640  
um if you can define gregarious for me

456  
00:20:06,630 --> 00:20:05,120  
it means very social you know very

457  
00:20:09,510 --> 00:20:06,640  
eloquently

458  
00:20:11,110 --> 00:20:09,520  
eloquent speaker uh someone who's very

459  
00:20:13,270 --> 00:20:11,120  
very friendly to people

460  
00:20:15,590 --> 00:20:13,280  
very outgoing in the public but

461  
00:20:18,149 --> 00:20:15,600  
basically in your own home life

462  
00:20:19,110 --> 00:20:18,159  
you tend to be quite a loner you know

463  
00:20:22,789 --> 00:20:19,120

like you

464

00:20:25,350 --> 00:20:22,799

place you like to be

465

00:20:26,549 --> 00:20:25,360

by yourself a lot you know and so on do

466

00:20:28,950 --> 00:20:26,559

you identify with that

467

00:20:30,070 --> 00:20:28,960

definitely definitely because i was um

468

00:20:32,230 --> 00:20:30,080

we actually

469

00:20:33,750 --> 00:20:32,240

this was it's been a few months now but

470

00:20:34,390 --> 00:20:33,760

we were just talking about that i was

471

00:20:36,789 --> 00:20:34,400

talking

472

00:20:39,110 --> 00:20:36,799

uh to my wife about it it's when it's

473

00:20:39,510 --> 00:20:39,120

time to be social i can be very social

474

00:20:41,830 --> 00:20:39,520

and

475

00:20:43,029 --> 00:20:41,840

you would never thought that you know i

476

00:20:45,669 --> 00:20:43,039

just spent three weeks

477

00:20:47,669 --> 00:20:45,679

by myself you know just right you know

478

00:20:49,430 --> 00:20:47,679

and and i don't mind it one bit

479

00:20:51,029 --> 00:20:49,440

because you know it's i guess that's

480

00:20:52,390 --> 00:20:51,039

that's where all the the important

481

00:20:53,990 --> 00:20:52,400

information comes to me

482

00:20:56,310 --> 00:20:54,000

you know it's like by just constant

483

00:20:57,669 --> 00:20:56,320

reflection and and looking within and

484

00:20:59,350 --> 00:20:57,679

all these other things but anyway i

485

00:21:00,470 --> 00:20:59,360

don't want to you know take up too much

486

00:21:02,230 --> 00:21:00,480

time with that but yes

487

00:21:03,909 --> 00:21:02,240

you're correct in saying that it's it's

488

00:21:06,870 --> 00:21:03,919

it's a weird thing because i'm

489

00:21:07,990 --> 00:21:06,880

a very extrovert and introvert in this

490

00:21:10,870 --> 00:21:08,000

at the same time

491

00:21:11,430 --> 00:21:10,880

yes a gregarious loner is what that is

492

00:21:13,190 --> 00:21:11,440

so

493

00:21:15,190 --> 00:21:13,200

the other thing is is that having the

494

00:21:18,230 --> 00:21:15,200

sevens the seven is very psychic

495

00:21:19,590 --> 00:21:18,240

it's a very high tuned number because

496

00:21:22,070 --> 00:21:19,600

for one thing

497

00:21:23,909 --> 00:21:22,080

you're not trying you you don't sevens

498

00:21:24,710 --> 00:21:23,919

don't sit and try to figure themselves

499

00:21:26,789 --> 00:21:24,720

out

500

00:21:28,710 --> 00:21:26,799

they don't in fact i like to tell a

501  
00:21:29,990 --> 00:21:28,720  
story about a woman that came to me many

502  
00:21:33,510 --> 00:21:30,000  
many years ago and she

503  
00:21:36,470 --> 00:21:33,520  
was a psychiatrist for the cia

504  
00:21:37,029 --> 00:21:36,480  
and she had a seven destiny and her

505  
00:21:39,590 --> 00:21:37,039  
husband

506  
00:21:40,789 --> 00:21:39,600  
was in the cia as well and he had a

507  
00:21:42,710 --> 00:21:40,799  
seven destiny

508  
00:21:44,950 --> 00:21:42,720  
and the destiny is probably the most

509  
00:21:48,230 --> 00:21:44,960  
power powerful element of

510  
00:21:49,990 --> 00:21:48,240  
of a person's personality from a

511  
00:21:51,750 --> 00:21:50,000  
numerological chart

512  
00:21:53,590 --> 00:21:51,760  
and sometimes it's called the fate

513  
00:21:56,710 --> 00:21:53,600

number and the life

514

00:21:58,070 --> 00:21:56,720

life path number or whatever but i call

515

00:22:01,190 --> 00:21:58,080

it the destiny

516

00:22:01,990 --> 00:22:01,200

and and so i said to her because i saw

517

00:22:04,390 --> 00:22:02,000

her husband's

518

00:22:05,510 --> 00:22:04,400

chart and and i saw his childhood was

519

00:22:11,990 --> 00:22:05,520

very difficult

520

00:22:15,350 --> 00:22:12,000

oh my gosh your husband's childhood was

521

00:22:17,270 --> 00:22:15,360

was quite difficult and she said it was

522

00:22:19,029 --> 00:22:17,280

and i said don't tell me and they've

523

00:22:20,390 --> 00:22:19,039

been married for 30 years i said

524

00:22:22,390 --> 00:22:20,400

you don't have to tell me you didn't you

525

00:22:23,750 --> 00:22:22,400

never ask right she said well the

526

00:22:26,230 --> 00:22:23,760

subject never came up

527

00:22:27,990 --> 00:22:26,240

you know because sevens they don't

528

00:22:30,470 --> 00:22:28,000

analyze themselves they

529

00:22:32,149 --> 00:22:30,480

they they love what they do they put

530

00:22:35,510 --> 00:22:32,159

their whole

531

00:22:38,149 --> 00:22:35,520

existence into what they love and then

532

00:22:39,350 --> 00:22:38,159

i was with a man for something like 30

533

00:22:42,950 --> 00:22:39,360

years that had a

534

00:22:43,750 --> 00:22:42,960

seven destiny and and he never wanted to

535

00:22:46,390 --> 00:22:43,760

have a reading

536

00:22:48,149 --> 00:22:46,400

of himself but he would send me a lot of

537

00:22:49,190 --> 00:22:48,159

people but he never wanted a reading of

538

00:22:53,270 --> 00:22:49,200

himself

539

00:22:54,070 --> 00:22:53,280

and he also um i i like the story that i

540

00:22:56,470 --> 00:22:54,080

told him one time

541

00:22:58,549 --> 00:22:56,480

because i always expressed that sevens

542

00:23:00,470 --> 00:22:58,559

are so unique and unusual

543

00:23:02,390 --> 00:23:00,480

and i was giving him directions one day

544

00:23:03,990 --> 00:23:02,400

to go a certain way and i said that when

545

00:23:04,870 --> 00:23:04,000

you get up at the end of the street turn

546

00:23:06,710 --> 00:23:04,880

to the left

547

00:23:08,789 --> 00:23:06,720

we got there and he turned to the right

548

00:23:11,750 --> 00:23:08,799

and i said why did you turn to the right

549

00:23:12,470 --> 00:23:11,760

and he said because i'm a seven you know

550

00:23:15,350 --> 00:23:12,480

because i'm

551  
00:23:16,149 --> 00:23:15,360  
always talking about how unique they are

552  
00:23:18,630 --> 00:23:16,159  
but

553  
00:23:19,669 --> 00:23:18,640  
you are that's all there is to it and i

554  
00:23:21,350 --> 00:23:19,679  
i'm sure that

555  
00:23:23,830 --> 00:23:21,360  
people would say that of you it's not

556  
00:23:27,190 --> 00:23:23,840  
that you necessarily stand out

557  
00:23:29,190 --> 00:23:27,200  
because sevens are not braggadocious

558  
00:23:31,270 --> 00:23:29,200  
they're not people that get out there

559  
00:23:31,990 --> 00:23:31,280  
and say beat on their own chests and

560  
00:23:34,950 --> 00:23:32,000  
stuff at

561  
00:23:36,149 --> 00:23:34,960  
all but when you do have something to

562  
00:23:38,070 --> 00:23:36,159  
say

563  
00:23:40,710 --> 00:23:38,080

you know what you're talking about is

564

00:23:42,549 --> 00:23:40,720

the point that's the bottom line

565

00:23:44,070 --> 00:23:42,559

very much right well i find that a lot

566

00:23:46,789 --> 00:23:44,080

of times it's

567

00:23:48,549 --> 00:23:46,799

because of experiences and a lot of

568

00:23:51,909 --> 00:23:48,559

research because

569

00:23:54,149 --> 00:23:51,919

i don't i really do not like information

570

00:23:57,830 --> 00:23:54,159

that's not accurate or let's just say

571

00:23:59,269 --> 00:23:57,840

um uh i i love truth

572

00:24:01,750 --> 00:23:59,279

you know and when somebody basically

573

00:24:03,990 --> 00:24:01,760

just starts you know kind of like

574

00:24:05,669 --> 00:24:04,000

spinning things around and saying one

575

00:24:07,350 --> 00:24:05,679

thing by meaning another it just drives

576

00:24:10,470 --> 00:24:07,360

me absolutely nuts

577

00:24:12,070 --> 00:24:10,480

no i could tell you if you were with

578

00:24:13,190 --> 00:24:12,080

somebody that's talking about a subject

579

00:24:14,789 --> 00:24:13,200

matter that you know

580

00:24:16,789 --> 00:24:14,799

and they're not saying it correct you

581

00:24:19,590 --> 00:24:16,799

will open your mouth then

582

00:24:21,669 --> 00:24:19,600

because it will offend you because you

583

00:24:22,789 --> 00:24:21,679

will go to the nubbins you will go to

584

00:24:25,269 --> 00:24:22,799

the depths

585

00:24:26,710 --> 00:24:25,279

of what you're really interested in if

586

00:24:28,310 --> 00:24:26,720

you're not interested you're not even

587

00:24:30,230 --> 00:24:28,320

going to pay any attention to it

588

00:24:31,350 --> 00:24:30,240

but if you're interested you're going to

589

00:24:35,350 --> 00:24:31,360

know it

590

00:24:39,990 --> 00:24:38,470

so anyway you have a wonderful success

591

00:24:41,430 --> 00:24:40,000

number at this time in your life it's

592

00:24:43,110 --> 00:24:41,440

the number 17

593

00:24:45,350 --> 00:24:43,120

and it's said to have the star of the

594

00:24:48,789 --> 00:24:45,360

magi over your head type of thing

595

00:24:50,230 --> 00:24:48,799

and it goes from age 28 to age 54

596

00:24:51,990 --> 00:24:50,240

and it's in the center of what are

597

00:24:54,549 --> 00:24:52,000

called your years of power

598

00:24:56,549 --> 00:24:54,559

so but you know at the same time the

599

00:24:59,029 --> 00:24:56,559

outside self

600

00:25:00,870 --> 00:24:59,039

outside of that those years of power you

601  
00:25:01,430 --> 00:25:00,880  
have a number that challenges you in a

602  
00:25:04,630 --> 00:25:01,440  
way

603  
00:25:05,909 --> 00:25:04,640  
but it's a seven so it's not necessarily

604  
00:25:08,470 --> 00:25:05,919  
a negative for you

605  
00:25:09,029 --> 00:25:08,480  
because it's who you are in the first

606  
00:25:11,350 --> 00:25:09,039  
place

607  
00:25:12,230 --> 00:25:11,360  
but for some people if they didn't have

608  
00:25:13,909 --> 00:25:12,240  
the seven

609  
00:25:16,230 --> 00:25:13,919  
it would be a difficult number for them

610  
00:25:18,549 --> 00:25:16,240  
because many times the seven means

611  
00:25:21,269 --> 00:25:18,559  
it they kind of sit in isolation to some

612  
00:25:24,149 --> 00:25:21,279  
degree or they pull themselves away from

613  
00:25:25,190 --> 00:25:24,159

other people or whatever and in some

614

00:25:27,750 --> 00:25:25,200

cases

615

00:25:29,909 --> 00:25:27,760

it's not wanted but in your case it

616

00:25:32,549 --> 00:25:29,919

would be what you would want to do

617

00:25:33,830 --> 00:25:32,559

so it's it's kind of like you can have a

618

00:25:36,549 --> 00:25:33,840

challenge number

619

00:25:37,110 --> 00:25:36,559

that doesn't challenge you really it it

620

00:25:39,830 --> 00:25:37,120

it is

621

00:25:42,070 --> 00:25:39,840

who you are in the first place i mean

622

00:25:43,669 --> 00:25:42,080

that may sound very confusing to you it

623

00:25:46,390 --> 00:25:43,679

doesn't sound confusing to me

624

00:25:49,029 --> 00:25:46,400

but but that's because i know what what

625

00:25:52,950 --> 00:25:51,830

quick question um if there's still some

626

00:25:55,190 --> 00:25:52,960

things left on there

627

00:25:57,190 --> 00:25:55,200

um would it be all right if we maybe

628

00:25:57,590 --> 00:25:57,200

then finish finish that off a bit later

629

00:26:00,390 --> 00:25:57,600

on

630

00:26:01,350 --> 00:26:00,400

uh what i wanted to see if uh what i

631

00:26:03,430 --> 00:26:01,360

wanted to do is

632

00:26:04,390 --> 00:26:03,440

um if you can maybe just give a little

633

00:26:06,470 --> 00:26:04,400

um

634

00:26:08,470 --> 00:26:06,480

not so much a challenge but just an idea

635

00:26:10,710 --> 00:26:08,480

of how people can kind of

636

00:26:12,549 --> 00:26:10,720

look up their own what's it called the

637

00:26:15,430 --> 00:26:12,559

life path number

638

00:26:15,990 --> 00:26:15,440

well you know what i have an app and my

639

00:26:17,990 --> 00:26:16,000

app is

640

00:26:19,909 --> 00:26:18,000

wonderful actually i mean i am its

641

00:26:21,029 --> 00:26:19,919

mother so of course i feel that way

642

00:26:22,950 --> 00:26:21,039

about it but

643

00:26:24,310 --> 00:26:22,960

it everybody tells me that and when

644

00:26:27,590 --> 00:26:24,320

people get it they just

645

00:26:28,789 --> 00:26:27,600

love it because you can contain all of

646

00:26:31,029 --> 00:26:28,799

your friends in there

647

00:26:32,630 --> 00:26:31,039

and get and if you forget their birthday

648

00:26:34,310 --> 00:26:32,640

you can go in and find it because you

649

00:26:37,269 --> 00:26:34,320

have to put their birthday in

650

00:26:39,110 --> 00:26:37,279

and so on and it's called cosmic mates

651  
00:26:40,149 --> 00:26:39,120  
yeah the link um i also have it in the

652  
00:26:43,269 --> 00:26:40,159  
description below

653  
00:26:43,909 --> 00:26:43,279  
uh in the uh the it's i think it just

654  
00:26:48,149 --> 00:26:43,919  
says

655  
00:26:48,870 --> 00:26:48,159  
um uh download um cosmic mage link or

656  
00:26:52,149 --> 00:26:48,880  
something like that

657  
00:26:55,350 --> 00:26:52,159  
but it's only available for iphones

658  
00:27:00,310 --> 00:26:55,360  
oh unfortunately i have it for the um

659  
00:27:02,390 --> 00:27:00,320  
i had it for the um um

660  
00:27:03,669 --> 00:27:02,400  
what do they call the the other one the

661  
00:27:07,190 --> 00:27:03,679  
google phones

662  
00:27:09,990 --> 00:27:07,200  
um the androids but um some of my

663  
00:27:11,110 --> 00:27:10,000

clients do have it but then i had a guy

664

00:27:14,870 --> 00:27:11,120

working with me in the

665

00:27:15,510 --> 00:27:14,880

ukraine and i lost my ability to work

666

00:27:19,029 --> 00:27:15,520

with him

667

00:27:20,950 --> 00:27:19,039

and i never refurbished it or or put it

668

00:27:22,470 --> 00:27:20,960

up to date i mean i probably could do

669

00:27:24,470 --> 00:27:22,480

that fairly soon

670

00:27:26,549 --> 00:27:24,480

but it doesn't work as well on the

671

00:27:27,750 --> 00:27:26,559

android as it does on the iphone because

672

00:27:30,470 --> 00:27:27,760

the people who

673

00:27:31,269 --> 00:27:30,480

were my partners when i showed them my

674

00:27:33,830 --> 00:27:31,279

idea

675

00:27:34,870 --> 00:27:33,840

were from apple and they loved it you

676

00:27:37,510 --> 00:27:34,880

know and so they

677

00:27:38,630 --> 00:27:37,520

they really put it into a wonderful uh

678

00:27:41,190 --> 00:27:38,640

condition

679

00:27:43,190 --> 00:27:41,200

because they were from apple and and it

680

00:27:45,269 --> 00:27:43,200

was harder to put

681

00:27:46,630 --> 00:27:45,279

into the android the way that they had

682

00:27:48,950 --> 00:27:46,640

produced it and that's the

683

00:27:50,710 --> 00:27:48,960

whole big story right there but yeah

684

00:27:52,070 --> 00:27:50,720

unfortunately i don't have it right now

685

00:27:55,430 --> 00:27:52,080

for the android

686

00:27:56,870 --> 00:27:55,440

but what it does is a star comes up

687

00:27:58,710 --> 00:27:56,880

because i always wanted to have

688

00:27:59,909 --> 00:27:58,720

something to for people to see

689

00:28:02,070 --> 00:27:59,919

themselves

690

00:28:03,350 --> 00:28:02,080

in color because all of the numbers have

691

00:28:05,269 --> 00:28:03,360

a color the one

692

00:28:06,950 --> 00:28:05,279

is red the two is orange the three is

693

00:28:09,350 --> 00:28:06,960

yellow the four is green

694

00:28:10,230 --> 00:28:09,360

blah blah blah and they all mean

695

00:28:12,630 --> 00:28:10,240

something they

696

00:28:14,149 --> 00:28:12,640

they all have the numbers associated

697

00:28:16,549 --> 00:28:14,159

with them which means something

698

00:28:17,750 --> 00:28:16,559

so you'll have this beautiful star come

699

00:28:20,070 --> 00:28:17,760

up and then

700

00:28:20,950 --> 00:28:20,080

for each point of the star there's

701  
00:28:23,909 --> 00:28:20,960  
there's five

702  
00:28:24,630 --> 00:28:23,919  
points in it and one star in the center

703  
00:28:26,630 --> 00:28:24,640  
that and

704  
00:28:28,710 --> 00:28:26,640  
you just click on each one of those

705  
00:28:29,750 --> 00:28:28,720  
points and it takes you into a whole

706  
00:28:33,110 --> 00:28:29,760  
description

707  
00:28:35,269 --> 00:28:33,120  
of what that that particular uh

708  
00:28:36,630 --> 00:28:35,279  
point of the star means because it might

709  
00:28:38,710 --> 00:28:36,640  
be your character

710  
00:28:39,990 --> 00:28:38,720  
might be your attitude number which

711  
00:28:41,350 --> 00:28:40,000  
comes from

712  
00:28:43,269 --> 00:28:41,360  
anyway i'm not going to go into what

713  
00:28:45,269 --> 00:28:43,279

that comes from but there's six

714

00:28:48,070 --> 00:28:45,279

different numbers that are on it

715

00:28:50,470 --> 00:28:48,080

that make up your personality and the

716

00:28:52,789 --> 00:28:50,480

center one is the destiny

717

00:28:54,310 --> 00:28:52,799

well so there's the reason why i was

718

00:28:55,669 --> 00:28:54,320

sorry tim treb the reason why i was

719

00:28:57,990 --> 00:28:55,679

asking is um

720

00:28:59,990 --> 00:28:58,000

because i wanted to then so for those

721

00:29:01,269 --> 00:29:00,000

that can please download the app maybe

722

00:29:03,190 --> 00:29:01,279

you want to do this now

723

00:29:04,789 --> 00:29:03,200

but then for those that are not able to

724

00:29:06,710 --> 00:29:04,799

if you can uh kind of

725

00:29:08,389 --> 00:29:06,720

tell them how they can find out their

726

00:29:10,389 --> 00:29:08,399

their their

727

00:29:12,230 --> 00:29:10,399

their life path number and then i

728

00:29:14,070 --> 00:29:12,240

figured we can then maybe start out with

729

00:29:16,310 --> 00:29:14,080

one two and three and kind of work our

730

00:29:18,070 --> 00:29:16,320

way up so they can kind of just kind of

731

00:29:18,470 --> 00:29:18,080

see where they stand if that's okay it's

732

00:29:20,310 --> 00:29:18,480

kind of

733

00:29:21,990 --> 00:29:20,320

just a little oh yeah little little

734

00:29:24,870 --> 00:29:22,000

feedback to do

735

00:29:25,350 --> 00:29:24,880

i have a um i have something that i've

736

00:29:27,510 --> 00:29:25,360

been

737

00:29:29,190 --> 00:29:27,520

wanting to put on my website actually

738

00:29:30,389 --> 00:29:29,200

where people could just do it on my

739

00:29:33,510 --> 00:29:30,399

website

740

00:29:35,269 --> 00:29:33,520

but i can um i can offer them that if

741

00:29:38,230 --> 00:29:35,279

they want to email me

742

00:29:38,630 --> 00:29:38,240

and and it does the same thing only it's

743

00:29:40,870 --> 00:29:38,640

it's

744

00:29:43,029 --> 00:29:40,880

just a i have a friend of mine who's a

745

00:29:43,830 --> 00:29:43,039

computer engineer and he just did it for

746

00:29:47,110 --> 00:29:43,840

me

747

00:29:49,510 --> 00:29:47,120

and he said anybody that wants to that

748

00:29:50,950 --> 00:29:49,520

can't get it because he has an android

749

00:29:53,350 --> 00:29:50,960

he said just

750

00:29:54,870 --> 00:29:53,360

give them this and it's comparable it's

751

00:29:57,750 --> 00:29:54,880

very comparable to

752

00:29:59,430 --> 00:29:57,760

my app it's just not in an app you know

753

00:30:01,430 --> 00:29:59,440

you'd get a sheet of paper that tells

754

00:30:03,110 --> 00:30:01,440

you all of the things about yourself

755

00:30:04,870 --> 00:30:03,120

or i mean you know it would come up on

756

00:30:07,990 --> 00:30:04,880

your screen you could keep it in

757

00:30:10,710 --> 00:30:08,000

in your computer

758

00:30:11,430 --> 00:30:10,720

but my app is a compatibility app as

759

00:30:14,789 --> 00:30:11,440

well

760

00:30:19,110 --> 00:30:14,799

so you can do friends family

761

00:30:21,870 --> 00:30:19,120

um and um lovers and that kind of thing

762

00:30:25,190 --> 00:30:21,880

as far as compatibility and it's only

763

00:30:26,789 --> 00:30:25,200

3.99 so it's a real deal let me tell you

764

00:30:28,230 --> 00:30:26,799

and the other one i would just send to

765

00:30:30,950 --> 00:30:28,240

you for free you know

766

00:30:31,430 --> 00:30:30,960

the the one that but it doesn't go into

767

00:30:36,389 --> 00:30:31,440

what

768

00:30:37,190 --> 00:30:36,399

have and the other thing is if they

769

00:30:40,310 --> 00:30:37,200

wanted

770

00:30:44,710 --> 00:30:40,320

um you know i i have a lot

771

00:30:47,990 --> 00:30:44,720

on my website um but

772

00:30:50,389 --> 00:30:48,000

i actually i would i would say if

773

00:30:51,269 --> 00:30:50,399

if they can afford to have a reading it

774

00:30:53,990 --> 00:30:51,279

would really

775

00:30:55,190 --> 00:30:54,000

be great for them to get a reading

776  
00:30:58,789 --> 00:30:55,200  
because

777  
00:31:00,310 --> 00:30:58,799  
um i'm very good at what i do

778  
00:31:02,070 --> 00:31:00,320  
i mean if that doesn't sound too

779  
00:31:04,149 --> 00:31:02,080  
arrogant because i

780  
00:31:05,269 --> 00:31:04,159  
i love what i do and i think when people

781  
00:31:09,110 --> 00:31:05,279  
love what they do they

782  
00:31:11,110 --> 00:31:09,120  
they do become very good at it and um

783  
00:31:12,389 --> 00:31:11,120  
but otherwise there's a lot of books out

784  
00:31:16,630 --> 00:31:12,399  
there and uh

785  
00:31:20,070 --> 00:31:16,640  
my book um the motivational numerology

786  
00:31:20,549 --> 00:31:20,080  
you would need to um purchase that from

787  
00:31:22,630 --> 00:31:20,559  
me

788  
00:31:23,590 --> 00:31:22,640

and i'm selling it for fourteen dollars

789

00:31:26,389 --> 00:31:23,600

so it's then

790

00:31:28,310 --> 00:31:26,399

and the postage thing you know whatever

791

00:31:31,350 --> 00:31:28,320

that is probably around fifteen

792

00:31:31,990 --> 00:31:31,360

altogether so there's not much uh that

793

00:31:34,630 --> 00:31:32,000

you'd have to pay

794

00:31:36,470 --> 00:31:34,640

for and there's every number is in there

795

00:31:38,950 --> 00:31:36,480

all the things that i talk about

796

00:31:39,909 --> 00:31:38,960

i also have a book called what makes

797

00:31:42,389 --> 00:31:39,919

your child tick

798

00:31:44,070 --> 00:31:42,399

and it can help you too but if you have

799

00:31:44,710 --> 00:31:44,080

children it really helps you to

800

00:31:47,669 --> 00:31:44,720

understand

801

00:31:50,230 --> 00:31:47,679

why your child is the way your child is

802

00:31:51,190 --> 00:31:50,240

i learned why i was the problem child in

803

00:31:54,630 --> 00:31:51,200

my family

804

00:31:56,630 --> 00:31:54,640

by doing that book because my my sister

805

00:31:58,549 --> 00:31:56,640

and two brothers had such much easier

806

00:32:02,070 --> 00:31:58,559

numbers to deal with than i had

807

00:32:03,590 --> 00:32:02,080

as a child so that's that book

808

00:32:05,669 --> 00:32:03,600

and then i have another one called you

809

00:32:07,669 --> 00:32:05,679

are your best soul mate and in that i

810

00:32:09,430 --> 00:32:07,679

have all the most famous people that are

811

00:32:10,230 --> 00:32:09,440

born under the numbers that you would

812

00:32:12,149 --> 00:32:10,240

have

813

00:32:14,549 --> 00:32:12,159

so that you could go and see what what

814

00:32:15,430 --> 00:32:14,559

you could aspire toward that's why i put

815

00:32:18,789 --> 00:32:15,440

those in there

816

00:32:20,630 --> 00:32:18,799

but that one's all about you know you

817

00:32:22,470 --> 00:32:20,640

you make your decisions you take your

818

00:32:25,110 --> 00:32:22,480

actions and you think your thoughts

819

00:32:26,870 --> 00:32:25,120

and and you you make your life there's

820

00:32:28,630 --> 00:32:26,880

even if you defer to somebody else

821

00:32:30,230 --> 00:32:28,640

that's basically what it's saying but i

822

00:32:33,750 --> 00:32:30,240

do help people to

823

00:32:35,110 --> 00:32:33,760

find out how to work with themselves in

824

00:32:36,549 --> 00:32:35,120

that way as well

825

00:32:38,470 --> 00:32:36,559

and that's kind of a spiritually

826

00:32:41,669 --> 00:32:38,480

oriented book actually

827

00:32:44,549 --> 00:32:41,679

and i can't remember what's my other one

828

00:32:45,269 --> 00:32:44,559

i'm getting so carried away here well

829

00:32:48,149 --> 00:32:45,279

sally

830

00:32:49,509 --> 00:32:48,159

so the what i'm trying to get at is um i

831

00:32:52,470 --> 00:32:49,519

wanted to ask you if you can

832

00:32:53,830 --> 00:32:52,480

um you know for example uh kind of tell

833

00:32:55,509 --> 00:32:53,840

the traits of a one

834

00:32:57,669 --> 00:32:55,519

and a two and three and so on would that

835

00:32:59,350 --> 00:32:57,679

be okay sure

836

00:33:01,509 --> 00:32:59,360

okay yeah well that's why that's why i

837

00:33:02,470 --> 00:33:01,519

was asking that if there's a quick way

838

00:33:04,310 --> 00:33:02,480

for them to

839

00:33:06,070 --> 00:33:04,320

figure out their life path number as

840

00:33:07,509 --> 00:33:06,080

you're telling it they'll be like oh i'm

841

00:33:08,230 --> 00:33:07,519

a three and that's what you just said

842

00:33:10,470 --> 00:33:08,240

about it

843

00:33:12,310 --> 00:33:10,480

yeah i can tell you first of all okay

844

00:33:12,950 --> 00:33:12,320

before we begin just one more thing uh

845

00:33:15,110 --> 00:33:12,960

can you

846

00:33:16,870 --> 00:33:15,120

move just a little bit to your left or

847

00:33:19,110 --> 00:33:16,880

either move your computer yeah

848

00:33:20,870 --> 00:33:19,120

yeah just a tiny bit perfect yeah you're

849

00:33:24,389 --> 00:33:20,880

a bit off center on my end so

850

00:33:27,750 --> 00:33:24,399

perfect now yep that do it

851

00:33:29,669 --> 00:33:27,760

okay so um

852

00:33:31,590 --> 00:33:29,679

if they sign up for my newsletter i'm

853

00:33:32,950 --> 00:33:31,600

always putting in there how to figure

854

00:33:34,630 --> 00:33:32,960

your numbers because i'm always

855

00:33:37,750 --> 00:33:34,640

analyzing famous people

856

00:33:38,070 --> 00:33:37,760

and i always describe how to determine

857

00:33:40,710 --> 00:33:38,080

your

858

00:33:42,710 --> 00:33:40,720

own numbers so you can also do that just

859

00:33:44,549 --> 00:33:42,720

sign up for my newsletter

860

00:33:46,470 --> 00:33:44,559

but the other thing is you just take

861

00:33:49,269 --> 00:33:46,480

your birth date for instance

862

00:33:50,549 --> 00:33:49,279

add it together you can add it down you

863

00:33:52,630 --> 00:33:50,559

know like the month

864

00:33:54,789 --> 00:33:52,640

at the top and then the day and then the

865

00:33:57,830 --> 00:33:54,799

year and add them down and then

866

00:33:58,310 --> 00:33:57,840

add across and just pull whatever the

867

00:34:00,950 --> 00:33:58,320

number

868

00:34:03,029 --> 00:34:00,960

is into a single digit like if you come

869

00:34:07,350 --> 00:34:03,039

up with the number 23

870

00:34:10,869 --> 00:34:07,360

from let's say like 1965

871

00:34:13,909 --> 00:34:10,879

let's take that 1 and 9 is 10 6 is 16

872

00:34:14,710 --> 00:34:13,919

and 5 is 21 and then you just reduce the

873

00:34:17,190 --> 00:34:14,720

2 and 1

874

00:34:18,069 --> 00:34:17,200

to the 3 and then your destiny number is

875

00:34:20,790 --> 00:34:18,079

a 3.

876

00:34:22,790 --> 00:34:20,800

it's as easy as that basically now the

877

00:34:24,550 --> 00:34:22,800

name gets a little more complicated i

878

00:34:27,109 --> 00:34:24,560

mean every letter of your name

879

00:34:27,669 --> 00:34:27,119

has a number associated with it and the

880

00:34:30,950 --> 00:34:27,679

number

881

00:34:34,069 --> 00:34:30,960

just a birthday would be just fine

882

00:34:37,109 --> 00:34:34,079

with with the english alphabet actually

883

00:34:40,790 --> 00:34:37,119

so you know it's and and then and it

884

00:34:44,790 --> 00:34:40,800

it's derived from the um hebrew

885

00:34:47,349 --> 00:34:44,800

alphabet actually the the it was um

886

00:34:47,990 --> 00:34:47,359

taken from the hebrew alphabet but the

887

00:34:49,589 --> 00:34:48,000

hebrew

888

00:34:51,190 --> 00:34:49,599

alphabet or i mean they have a whole

889

00:34:54,230 --> 00:34:51,200

other thing with the cabal

890

00:34:55,430 --> 00:34:54,240

kabbalah i think it's called um but

891

00:34:57,990 --> 00:34:55,440

anyway

892

00:34:59,510 --> 00:34:58,000

also so so it's the birth date for and

893

00:35:03,109 --> 00:34:59,520

the day on which you're born

894

00:35:06,390 --> 00:35:03,119

is what i call your personality number

895

00:35:09,030 --> 00:35:06,400

because it's like i have the 14. so

896

00:35:11,349 --> 00:35:09,040

i'm very very busy i'm kind of bad boom

897

00:35:12,710 --> 00:35:11,359

bada bang i get things done very quickly

898

00:35:15,990 --> 00:35:12,720

and so on and i'm

899

00:35:19,670 --> 00:35:16,000

i'm very active uh usually and

900

00:35:20,470 --> 00:35:19,680

so on so but and let's say i'll take the

901  
00:35:24,069 --> 00:35:20,480  
one

902  
00:35:27,430 --> 00:35:24,079  
uh

903  
00:35:30,790 --> 00:35:27,440  
and most of the the greatest of all the

904  
00:35:32,870 --> 00:35:30,800  
uh designers of clothing designers

905  
00:35:34,390 --> 00:35:32,880  
have ones either born on a one day or

906  
00:35:36,630 --> 00:35:34,400  
have a one destiny

907  
00:35:37,829 --> 00:35:36,640  
because they have the most unique way of

908  
00:35:39,990 --> 00:35:37,839  
coming at things

909  
00:35:42,630 --> 00:35:40,000  
they can come up with unique and unusual

910  
00:35:45,829 --> 00:35:42,640  
ideas that other people can't come with

911  
00:35:49,430 --> 00:35:45,839  
so that's what makes them popular

912  
00:35:51,430 --> 00:35:49,440  
and and then so there's the the name is

913  
00:35:53,109 --> 00:35:51,440

the most complicated because you get the

914

00:35:53,589 --> 00:35:53,119

personality number and the destiny

915

00:35:56,870 --> 00:35:53,599

number

916

00:35:59,670 --> 00:35:56,880

pretty easy and then you know

917

00:36:01,430 --> 00:35:59,680

actually it would be easiest if they

918

00:36:03,589 --> 00:36:01,440

wanted to

919

00:36:05,190 --> 00:36:03,599

email me so that i could send them this

920

00:36:06,870 --> 00:36:05,200

thing that they just put their name in

921

00:36:10,230 --> 00:36:06,880

it and it will give them a star

922

00:36:13,990 --> 00:36:10,240

just like is on my my um

923

00:36:17,750 --> 00:36:14,000

my um app it just doesn't

924

00:36:20,550 --> 00:36:17,760

have the detail that my app does

925

00:36:21,670 --> 00:36:20,560

it will have details so it will tell a

926

00:36:23,990 --> 00:36:21,680

cursory

927

00:36:24,950 --> 00:36:24,000

uh understanding of what they have as

928

00:36:27,670 --> 00:36:24,960

numbers

929

00:36:28,950 --> 00:36:27,680

so so that can happen but they'd have to

930

00:36:30,870 --> 00:36:28,960

email me for that

931

00:36:32,069 --> 00:36:30,880

and you know as i said there are many

932

00:36:34,390 --> 00:36:32,079

many books out there

933

00:36:35,910 --> 00:36:34,400

but i mean i've read over 200 books on

934

00:36:39,190 --> 00:36:35,920

the subject

935

00:36:42,230 --> 00:36:39,200

so you know we're not at loss for

936

00:36:44,069 --> 00:36:42,240

books but a lot of numerologists come at

937

00:36:46,630 --> 00:36:44,079

things in a different way but

938

00:36:48,630 --> 00:36:46,640

the basics of it are the same that you

939

00:36:50,710 --> 00:36:48,640

add the birth date together and

940

00:36:52,710 --> 00:36:50,720

to get the fate number or the destiny

941

00:36:55,190 --> 00:36:52,720

number whatever you want to call it

942

00:36:56,470 --> 00:36:55,200

you you use the day on which somebody's

943

00:36:58,310 --> 00:36:56,480

born to

944

00:36:59,829 --> 00:36:58,320

know what what is your inside

945

00:37:02,150 --> 00:36:59,839

personality kind of

946

00:37:04,550 --> 00:37:02,160

your outside personality is the name

947

00:37:06,630 --> 00:37:04,560

number and it tells me how you present

948

00:37:09,990 --> 00:37:06,640

yourself in the outside world like

949

00:37:12,310 --> 00:37:10,000

uh and adnan has a seven

950

00:37:13,109 --> 00:37:12,320

in the outside world he has the 52 7

951  
00:37:15,910 --> 00:37:13,119  
actually

952  
00:37:17,030 --> 00:37:15,920  
so he is there again he can be a a

953  
00:37:20,870 --> 00:37:17,040  
rather

954  
00:37:21,990 --> 00:37:20,880  
um you know gregarious kind of guy with

955  
00:37:25,829 --> 00:37:22,000  
his five and

956  
00:37:28,150 --> 00:37:25,839  
and very um i don't know easy to get

957  
00:37:30,470 --> 00:37:28,160  
along with and that kind of thing

958  
00:37:32,390 --> 00:37:30,480  
but the seven is also someone who's not

959  
00:37:35,349 --> 00:37:32,400  
going to push his way to the front

960  
00:37:36,310 --> 00:37:35,359  
type of thing he's going to be someone

961  
00:37:39,670 --> 00:37:36,320  
who's very

962  
00:37:40,550 --> 00:37:39,680  
genteel if you want and also someone

963  
00:37:43,510 --> 00:37:40,560

who's very

964

00:37:44,390 --> 00:37:43,520

dignified dignity is the cornerstone of

965

00:37:46,230 --> 00:37:44,400

the seven

966

00:37:47,750 --> 00:37:46,240

they do not want to call unwanted

967

00:37:49,510 --> 00:37:47,760

attention to themselves

968

00:37:51,430 --> 00:37:49,520

and therefore they usually present

969

00:37:54,950 --> 00:37:51,440

themselves in a very dignified

970

00:37:58,150 --> 00:37:54,960

way and and he's born and and

971

00:38:01,349 --> 00:37:58,160

adnan is born on a one day so the one

972

00:38:03,510 --> 00:38:01,359

is a self-starter there are people who

973

00:38:05,030 --> 00:38:03,520

are innovative and trailblazing and that

974

00:38:07,829 --> 00:38:05,040

kind of thing

975

00:38:08,550 --> 00:38:07,839

they like to do what they do on their

976

00:38:10,870 --> 00:38:08,560

own

977

00:38:11,990 --> 00:38:10,880

they like to win and really are not good

978

00:38:14,069 --> 00:38:12,000

losers

979

00:38:15,670 --> 00:38:14,079

they they don't like to lose if they

980

00:38:18,310 --> 00:38:15,680

they won't even get in the game unless

981

00:38:21,349 --> 00:38:18,320

they think they can win

982

00:38:23,750 --> 00:38:21,359

in many respects okay so and then the

983

00:38:24,950 --> 00:38:23,760

destiny number which admin has a seven

984

00:38:28,470 --> 00:38:24,960

there too

985

00:38:31,030 --> 00:38:28,480

is how he what drives him

986

00:38:32,150 --> 00:38:31,040

what drives him in his life and that

987

00:38:34,950 --> 00:38:32,160

means it's kind of like

988

00:38:35,990 --> 00:38:34,960

i call it like the motor if it if we

989

00:38:38,150 --> 00:38:36,000

were a car

990

00:38:39,750 --> 00:38:38,160

it would be the motor you turn it on and

991

00:38:41,510 --> 00:38:39,760

it's driving that car

992

00:38:43,510 --> 00:38:41,520

and it's driving it to the place that

993

00:38:46,710 --> 00:38:43,520

you want to go

994

00:38:49,829 --> 00:38:46,720

and his would be learning you know

995

00:38:52,630 --> 00:38:49,839

knowledge uh gathering knowledge gaining

996

00:38:56,150 --> 00:38:52,640

knowledge on a constant basis and also

997

00:38:59,109 --> 00:38:56,160

just enjoying the uniqueness

998

00:39:00,390 --> 00:38:59,119

of what there is in life that so many

999

00:39:03,510 --> 00:39:00,400

people miss

1000

00:39:05,430 --> 00:39:03,520

because he is a unique and unusual man

1001  
00:39:06,710 --> 00:39:05,440  
and therefore he would attract unique

1002  
00:39:09,990 --> 00:39:06,720  
and unusual people

1003  
00:39:14,630 --> 00:39:13,109  
there's so many facets to this so many

1004  
00:39:17,349 --> 00:39:14,640  
different things that can be

1005  
00:39:18,150 --> 00:39:17,359  
uh expressed that come from the name and

1006  
00:39:21,349 --> 00:39:18,160  
the birthday

1007  
00:39:21,829 --> 00:39:21,359  
just i mean i have two full pages of

1008  
00:39:24,390 --> 00:39:21,839  
stuff

1009  
00:39:25,990 --> 00:39:24,400  
that um it's all in numbers and letters

1010  
00:39:27,349 --> 00:39:26,000  
and that kind of thing so people would

1011  
00:39:29,030 --> 00:39:27,359  
not be able to

1012  
00:39:31,030 --> 00:39:29,040  
make heads or tails out of it unless

1013  
00:39:33,910 --> 00:39:31,040

they were a numerologist

1014

00:39:35,510 --> 00:39:33,920

so but what i'm saying is that there's

1015

00:39:37,910 --> 00:39:35,520

just a whole lot to it

1016

00:39:39,990 --> 00:39:37,920

right right so uh what would be for

1017

00:39:40,470 --> 00:39:40,000

example you said the life path number

1018

00:39:43,829 --> 00:39:40,480

one

1019

00:39:47,190 --> 00:39:43,839

is going for success

1020

00:39:49,670 --> 00:39:47,200

did i understand it correctly well yes

1021

00:39:52,069 --> 00:39:49,680

if somebody has a one destiny

1022

00:39:53,670 --> 00:39:52,079

it's like lebron james and tiger woods

1023

00:39:55,349 --> 00:39:53,680

both have won destinies

1024

00:39:57,109 --> 00:39:55,359

they're in it to win it and they're not

1025

00:40:00,390 --> 00:39:57,119

good losers that that guy

1026

00:40:03,670 --> 00:40:00,400

durant that's on the uh the

1027

00:40:06,470 --> 00:40:03,680

the um warriors here in san francisco

1028

00:40:08,230 --> 00:40:06,480

uh he's he's a really bad loser and he

1029

00:40:11,829 --> 00:40:08,240

has a one destiny

1030

00:40:14,550 --> 00:40:11,839

but they're just people who they they

1031

00:40:16,309 --> 00:40:14,560

have to win and they're in it to win it

1032

00:40:18,230 --> 00:40:16,319

that's what i call them and they usually

1033

00:40:20,790 --> 00:40:18,240

always agree with me

1034

00:40:21,829 --> 00:40:20,800

you know that that that that's their

1035

00:40:24,550 --> 00:40:21,839

whole mission

1036

00:40:25,990 --> 00:40:24,560

is to be a winner and could you please

1037

00:40:28,230 --> 00:40:26,000

go but it's not true

1038

00:40:29,109 --> 00:40:28,240

you know they don't even get in the game

1039

00:40:32,470 --> 00:40:29,119

if they

1040

00:40:34,950 --> 00:40:32,480

or in anything unless they really know

1041

00:40:36,150 --> 00:40:34,960

that this is what they love to do and

1042

00:40:37,829 --> 00:40:36,160

they have to love it

1043

00:40:39,510 --> 00:40:37,839

before they will do anything if somebody

1044

00:40:42,790 --> 00:40:39,520

has a one and they're

1045

00:40:45,190 --> 00:40:42,800

lazy and won't do anything it's because

1046

00:40:47,430 --> 00:40:45,200

they haven't been turned on to the thing

1047

00:40:48,470 --> 00:40:47,440

that they really love when they find

1048

00:40:50,710 --> 00:40:48,480

that thing

1049

00:40:51,670 --> 00:40:50,720

there's no holds barred with them they

1050

00:40:54,950 --> 00:40:51,680

just go

1051  
00:40:55,510 --> 00:40:54,960  
full bore to get i mean many nobel prize

1052  
00:40:58,470 --> 00:40:55,520  
winners

1053  
00:41:01,910 --> 00:40:58,480  
are ones because and scientists and that

1054  
00:41:08,069 --> 00:41:06,230  
so so could you please go into the twos

1055  
00:41:09,430 --> 00:41:08,079  
okay the two now there's two different

1056  
00:41:11,910 --> 00:41:09,440  
twos there's the

1057  
00:41:13,109 --> 00:41:11,920  
full two or the twenty let's say and

1058  
00:41:15,349 --> 00:41:13,119  
there's the elevens

1059  
00:41:16,710 --> 00:41:15,359  
the number like if it were a 29 it would

1060  
00:41:19,990 --> 00:41:16,720  
reduce to an 11

1061  
00:41:22,790 --> 00:41:20,000  
or the 47 or the the 74

1062  
00:41:23,109 --> 00:41:22,800  
or whatever that reduces to an 11. the

1063  
00:41:25,430 --> 00:41:23,119

two

1064

00:41:27,430 --> 00:41:25,440

is a number of a piece i mean they're

1065

00:41:30,069 --> 00:41:27,440

just sweet people they're kind

1066

00:41:30,790 --> 00:41:30,079

people they're they're almost too kind

1067

00:41:33,030 --> 00:41:30,800

and they

1068

00:41:34,630 --> 00:41:33,040

they just they want a little thank you

1069

00:41:36,309 --> 00:41:34,640

here and there but they won't even ask

1070

00:41:37,190 --> 00:41:36,319

for it because they're just too kind to

1071

00:41:39,910 --> 00:41:37,200

do that

1072

00:41:42,230 --> 00:41:39,920

but the 11s people with the 11s that's

1073

00:41:45,270 --> 00:41:42,240

the number of fame and illumination

1074

00:41:46,710 --> 00:41:45,280

it puts their name in lights you know if

1075

00:41:49,670 --> 00:41:46,720

if they go for that but

1076  
00:41:51,109 --> 00:41:49,680  
and many many uh athletes have the 11

1077  
00:41:52,790 --> 00:41:51,119  
interestingly in fact

1078  
00:41:55,030 --> 00:41:52,800  
because i live in san francisco i

1079  
00:41:58,390 --> 00:41:55,040  
analyze the teams you know

1080  
00:42:02,150 --> 00:41:58,400  
and um i think it's kerr that's the

1081  
00:42:05,349 --> 00:42:02,160  
it's the uh manager of the of the um

1082  
00:42:07,030 --> 00:42:05,359  
warriors has the 11 destiny and i found

1083  
00:42:09,109 --> 00:42:07,040  
that he had out of the

1084  
00:42:11,510 --> 00:42:09,119  
i don't know 15 players he had at least

1085  
00:42:14,470 --> 00:42:11,520  
eight of them had 11 destinies which was

1086  
00:42:16,150 --> 00:42:14,480  
very interesting uh but that's because

1087  
00:42:19,190 --> 00:42:16,160  
they resonated to

1088  
00:42:19,990 --> 00:42:19,200

who he was as a coach is the way that i

1089

00:42:22,550 --> 00:42:20,000

saw it but

1090

00:42:24,710 --> 00:42:22,560

anyway so and elevens are also the

1091

00:42:27,750 --> 00:42:24,720

peacemakers arbitrators mediator

1092

00:42:30,870 --> 00:42:27,760

i mean obama president obama was a

1093

00:42:31,670 --> 00:42:30,880

11 destiny so does michelle obama so did

1094

00:42:34,950 --> 00:42:31,680

bill

1095

00:42:38,230 --> 00:42:34,960

clinton so did kennedy uh

1096

00:42:43,030 --> 00:42:38,240

kennedy and um even i think

1097

00:42:45,109 --> 00:42:43,040

it was george washington interestingly

1098

00:42:46,390 --> 00:42:45,119

well he had one destiny but he was born

1099

00:42:49,190 --> 00:42:46,400

on an 11th day

1100

00:42:50,950 --> 00:42:49,200

but the thing is that's what we need

1101  
00:42:51,510 --> 00:42:50,960  
like in the white house are people who

1102  
00:42:54,309 --> 00:42:51,520  
are the

1103  
00:42:55,510 --> 00:42:54,319  
mediators uh well and also actually

1104  
00:42:58,710 --> 00:42:55,520  
obama i mean um

1105  
00:43:00,630 --> 00:42:58,720  
biden has an 11 destiny so it's the

1106  
00:43:02,069 --> 00:43:00,640  
number of the peacemaker the arbitrator

1107  
00:43:04,630 --> 00:43:02,079  
and the mediator

1108  
00:43:05,510 --> 00:43:04,640  
and then when it's down brought down to

1109  
00:43:08,630 --> 00:43:05,520  
a two

1110  
00:43:10,710 --> 00:43:08,640  
they're just sweet kind people very very

1111  
00:43:14,069 --> 00:43:10,720  
kind

1112  
00:43:17,430 --> 00:43:14,079  
you want the three now yes please

1113  
00:43:19,670 --> 00:43:17,440

okay so the three is someone now

1114

00:43:22,150 --> 00:43:19,680

they can go either way like i have a

1115

00:43:25,510 --> 00:43:22,160

brother who's a professor and he went in

1116

00:43:29,750 --> 00:43:25,520

into the you know linear side of it the

1117

00:43:32,950 --> 00:43:29,760

the very um um scientific side

1118

00:43:35,750 --> 00:43:32,960

um and and then the three is also very

1119

00:43:38,309 --> 00:43:35,760

artistic so if somebody's kind of a slob

1120

00:43:39,349 --> 00:43:38,319

for instance uh with their clothing and

1121

00:43:41,670 --> 00:43:39,359

stuff like that they're

1122

00:43:42,710 --> 00:43:41,680

they're more artistically oriented than

1123

00:43:44,870 --> 00:43:42,720

they are

1124

00:43:45,750 --> 00:43:44,880

mathematically or scientifically

1125

00:43:48,950 --> 00:43:45,760

oriented

1126  
00:43:50,550 --> 00:43:48,960  
my brother was very is very fastidious

1127  
00:43:52,069 --> 00:43:50,560  
and that kind of thing so they kind of

1128  
00:43:54,870 --> 00:43:52,079  
take the fun out of the three

1129  
00:43:55,349 --> 00:43:54,880  
actually but the three is for both of

1130  
00:43:58,550 --> 00:43:55,359  
them

1131  
00:44:00,710 --> 00:43:58,560  
both types that they love the inner

1132  
00:44:02,470 --> 00:44:00,720  
entertainment they love the arts

1133  
00:44:06,630 --> 00:44:02,480  
anything that has to do with music

1134  
00:44:08,630 --> 00:44:06,640  
and and um entertainment on both sides

1135  
00:44:11,990 --> 00:44:08,640  
even if they have the scientific

1136  
00:44:15,109 --> 00:44:12,000  
uh oriented minds um so

1137  
00:44:18,550 --> 00:44:15,119  
it's a very um outgoing it's

1138  
00:44:21,109 --> 00:44:18,560

it's a gregarious number um like

1139

00:44:22,790 --> 00:44:21,119

i know with my brother he speaks uh you

1140

00:44:25,430 --> 00:44:22,800

know he's given lectures all over the

1141

00:44:28,309 --> 00:44:25,440

world and so on he has eloquent

1142

00:44:28,870 --> 00:44:28,319

uh speaking abilities and so on so it's

1143

00:44:31,910 --> 00:44:28,880

it's

1144

00:44:33,349 --> 00:44:31,920

like and then there's other people who

1145

00:44:35,910 --> 00:44:33,359

are singers and

1146

00:44:37,190 --> 00:44:35,920

that kind of thing with it but and the

1147

00:44:40,230 --> 00:44:37,200

three can be

1148

00:44:42,230 --> 00:44:40,240

you can see if you're a three by

1149

00:44:44,550 --> 00:44:42,240

i mean if you have the three which way

1150

00:44:47,109 --> 00:44:44,560

you go by whether you're fastidious

1151

00:44:47,910 --> 00:44:47,119

or or whether you're kind of like a

1152

00:44:50,309 --> 00:44:47,920

little lax

1153

00:44:51,349 --> 00:44:50,319

in that area if you're more relaxed then

1154

00:44:54,550 --> 00:44:51,359

you go more

1155

00:44:57,670 --> 00:44:54,560

with the fun side of the three the uh

1156

00:44:59,349 --> 00:44:57,680

fastidious side is much more everything

1157

00:44:59,910 --> 00:44:59,359

in its place in a place where everything

1158

00:45:06,069 --> 00:44:59,920

and

1159

00:45:06,870 --> 00:45:06,079

uptight to some degree i would say at

1160

00:45:09,190 --> 00:45:06,880

times

1161

00:45:10,870 --> 00:45:09,200

but they can have fun too i just want to

1162

00:45:12,790 --> 00:45:10,880

say that there's always there's the

1163

00:45:14,550 --> 00:45:12,800

high road the low road in the in between

1164

00:45:17,510 --> 00:45:14,560

road of all the numbers actually

1165

00:45:18,230 --> 00:45:17,520

right so nobody's just one thing all the

1166

00:45:21,670 --> 00:45:18,240

time

1167

00:45:22,470 --> 00:45:21,680

you know anyway so you want me to go to

1168

00:45:24,309 --> 00:45:22,480

the four

1169

00:45:25,510 --> 00:45:24,319

yeah please i'll just let you i guess

1170

00:45:27,109 --> 00:45:25,520

you know do your thing because you know

1171

00:45:29,910 --> 00:45:27,119

when you want to complete each number

1172

00:45:31,109 --> 00:45:29,920

i have to have a four destiny and i am a

1173

00:45:33,510 --> 00:45:31,119

workaholic

1174

00:45:34,550 --> 00:45:33,520

and fortunately i have a job that i

1175

00:45:36,309 --> 00:45:34,560

absolutely love

1176

00:45:38,309 --> 00:45:36,319

but even when i had a job i didn't

1177

00:45:40,630 --> 00:45:38,319

really love i was a workaholic

1178

00:45:42,790 --> 00:45:40,640

and i took all the bad hours that i had

1179

00:45:43,190 --> 00:45:42,800

when i worked for lawyers i operated 24

1180

00:45:45,510 --> 00:45:43,200

7

1181

00:45:47,910 --> 00:45:45,520

because that's the way they worked and

1182

00:45:49,510 --> 00:45:47,920

so my employees would do the daytime and

1183

00:45:51,270 --> 00:45:49,520

i'd come in and do the night and i did

1184

00:45:53,670 --> 00:45:51,280

all the sales for my business

1185

00:45:55,910 --> 00:45:53,680

but that's just who i am i mean i have

1186

00:45:56,950 --> 00:45:55,920

the five as my personality so i'll kind

1187

00:45:59,750 --> 00:45:56,960

of go into the five

1188

00:46:00,870 --> 00:45:59,760

two because i have a lot of energy tons

1189

00:46:03,910 --> 00:46:00,880

of energy

1190

00:46:04,470 --> 00:46:03,920

and and i just i'm doing something all

1191

00:46:06,950 --> 00:46:04,480

the time

1192

00:46:08,069 --> 00:46:06,960

i mean even here in san francisco i take

1193

00:46:11,190 --> 00:46:08,079

the hills

1194

00:46:12,790 --> 00:46:11,200

i'm quite old now but i'm a really fun

1195

00:46:16,390 --> 00:46:12,800

old person

1196

00:46:18,950 --> 00:46:16,400

so the thing is i take the hills and

1197

00:46:21,030 --> 00:46:18,960

people are shocked at what i can do as

1198

00:46:22,069 --> 00:46:21,040

far as carrying my groceries home from

1199

00:46:25,109 --> 00:46:22,079

the stores

1200

00:46:26,470 --> 00:46:25,119

like 40 50 pounds of groceries down and

1201

00:46:28,150 --> 00:46:26,480

up and down the hills

1202

00:46:30,550 --> 00:46:28,160

but i just like to do it that's my

1203

00:46:32,630 --> 00:46:30,560

exercise and that's being a five

1204

00:46:33,589 --> 00:46:32,640

also with the four the four will not

1205

00:46:35,589 --> 00:46:33,599

give up

1206

00:46:37,910 --> 00:46:35,599

with what they start they start

1207

00:46:40,150 --> 00:46:37,920

something and they have to finish it

1208

00:46:41,030 --> 00:46:40,160

usually now there's a lazy side to the

1209

00:46:44,150 --> 00:46:41,040

four

1210

00:46:45,829 --> 00:46:44,160

if somebody is on the lazy side

1211

00:46:47,910 --> 00:46:45,839

they they really don't want to do much

1212

00:46:49,190 --> 00:46:47,920

of anything they want to watch soap

1213

00:46:51,589 --> 00:46:49,200

operas they want to

1214

00:46:52,230 --> 00:46:51,599

lie around the house they they they

1215

00:46:53,829 --> 00:46:52,240

don't want to

1216

00:46:56,150 --> 00:46:53,839

clean the yard you know they don't want

1217

00:46:57,349 --> 00:46:56,160

to do really much of anything that calls

1218

00:47:00,150 --> 00:46:57,359

for too much

1219

00:47:01,829 --> 00:47:00,160

activity and and that's kind of the

1220

00:47:04,550 --> 00:47:01,839

really low side of the four

1221

00:47:05,349 --> 00:47:04,560

otherwise they are dependable reliable

1222

00:47:07,270 --> 00:47:05,359

dedicated

1223

00:47:09,030 --> 00:47:07,280

conscientious show up on time and do

1224

00:47:12,470 --> 00:47:09,040

what they say they'll do

1225

00:47:15,190 --> 00:47:12,480

very very ethical very honest

1226

00:47:16,069 --> 00:47:15,200

so honest actually that it's almost a

1227

00:47:18,309 --> 00:47:16,079

detriment

1228

00:47:19,349 --> 00:47:18,319

because they will speak their truth and

1229

00:47:22,710 --> 00:47:19,359

they have to

1230

00:47:24,710 --> 00:47:22,720

so

1231

00:47:25,990 --> 00:47:24,720

anybody that you know that kind of blows

1232

00:47:28,950 --> 00:47:26,000

your mind at times

1233

00:47:30,150 --> 00:47:28,960

because they say something's so honest

1234

00:47:32,069 --> 00:47:30,160

that comes out of their mouth it

1235

00:47:34,150 --> 00:47:32,079

probably has a four either as their

1236

00:47:36,549 --> 00:47:34,160

personality number or their destiny

1237

00:47:38,870 --> 00:47:36,559

number in some place

1238

00:47:40,710 --> 00:47:38,880

and then the five is as i was saying

1239

00:47:43,510 --> 00:47:40,720

it's just full of energy

1240

00:47:46,470 --> 00:47:43,520

and and children that come in with five

1241

00:47:49,109 --> 00:47:46,480

destinies or even as a personality five

1242

00:47:49,510 --> 00:47:49,119

being born on a five day those children

1243

00:47:53,190 --> 00:47:49,520

need

1244

00:47:55,190 --> 00:47:53,200

constant um not only psychological but

1245

00:47:56,790 --> 00:47:55,200

also physical stimulation

1246

00:47:59,109 --> 00:47:56,800

constant i mean they can drive their

1247

00:48:01,829 --> 00:47:59,119

parents nuts if the parents don't

1248

00:48:02,790 --> 00:48:01,839

give them something to do to take that

1249

00:48:05,829 --> 00:48:02,800

energy

1250

00:48:07,990 --> 00:48:05,839

and use it i had a client come to me

1251  
00:48:09,670 --> 00:48:08,000  
once and she had a kid with a seven

1252  
00:48:11,190 --> 00:48:09,680  
destiny and he would sit over in the

1253  
00:48:14,230 --> 00:48:11,200  
corner and read and she just

1254  
00:48:16,150 --> 00:48:14,240  
loved that because she was a one and she

1255  
00:48:18,069 --> 00:48:16,160  
she had a one destiny and she thought

1256  
00:48:20,150 --> 00:48:18,079  
what am i doing that's wrong with this

1257  
00:48:22,069 --> 00:48:20,160  
child i mean i i raised them both

1258  
00:48:24,790 --> 00:48:22,079  
the same way but this child seems to be

1259  
00:48:26,710 --> 00:48:24,800  
so difficult well he had a five destiny

1260  
00:48:29,030 --> 00:48:26,720  
and i said look he's he's nothing like

1261  
00:48:31,109 --> 00:48:29,040  
his brother i said he's this kid needs

1262  
00:48:33,430 --> 00:48:31,119  
constant

1263  
00:48:35,270 --> 00:48:33,440

mental and physical stimulation you just

1264

00:48:36,470 --> 00:48:35,280

get him some legos and all kinds of

1265

00:48:38,710 --> 00:48:36,480

things like that and

1266

00:48:40,870 --> 00:48:38,720

he'd be happy capper but he's not going

1267

00:48:43,670 --> 00:48:40,880

to sit down and read a book

1268

00:48:45,030 --> 00:48:43,680

you know which i would say so both of my

1269

00:48:48,630 --> 00:48:45,040

boys are five so

1270

00:48:50,549 --> 00:48:48,640

that explains so much oh that's good

1271

00:48:52,390 --> 00:48:50,559

because definitely going to have to have

1272

00:48:53,990 --> 00:48:52,400

to just come up with something creative

1273

00:48:56,470 --> 00:48:54,000

to keep them busy so

1274

00:48:59,270 --> 00:48:56,480

that's good to know because you know i

1275

00:49:01,670 --> 00:48:59,280

drive me nuts all the time

1276

00:49:02,710 --> 00:49:01,680

it's true they can it just it's just

1277

00:49:05,750 --> 00:49:02,720

they're so

1278

00:49:06,069 --> 00:49:05,760

needy of using up that energy that they

1279

00:49:09,270 --> 00:49:06,079

come

1280

00:49:10,069 --> 00:49:09,280

in with and then the six the six is just

1281

00:49:11,990 --> 00:49:10,079

a little

1282

00:49:13,990 --> 00:49:12,000

darling person i mean it's the number of

1283

00:49:17,510 --> 00:49:14,000

the humanitarian and they love

1284

00:49:18,230 --> 00:49:17,520

animals they love to they love animals

1285

00:49:20,950 --> 00:49:18,240

they love

1286

00:49:24,470 --> 00:49:20,960

people they're very conscious they can

1287

00:49:28,150 --> 00:49:24,480

be easily used because they can't say no

1288

00:49:30,150 --> 00:49:28,160

um they are not introverts necessarily

1289

00:49:31,270 --> 00:49:30,160

i mean there's the low side to the six

1290

00:49:33,270 --> 00:49:31,280

too where

1291

00:49:34,950 --> 00:49:33,280

you can't tell them anything because

1292

00:49:36,870 --> 00:49:34,960

they just decide no i'm not

1293

00:49:38,150 --> 00:49:36,880

you know if they don't like a person or

1294

00:49:39,990 --> 00:49:38,160

something they're not going to listen to

1295

00:49:42,230 --> 00:49:40,000

a word that person says

1296

00:49:44,150 --> 00:49:42,240

so there's that side too and that can

1297

00:49:46,710 --> 00:49:44,160

come in even with the other side

1298

00:49:48,150 --> 00:49:46,720

which is you know you can ask them to do

1299

00:49:51,349 --> 00:49:48,160

anything and they will

1300

00:49:54,870 --> 00:49:51,359

and they're just so accommodating and

1301  
00:49:56,150 --> 00:49:54,880  
so kind and really kind to animals and

1302  
00:49:59,349 --> 00:49:56,160  
care about the earth

1303  
00:50:02,470 --> 00:49:59,359  
and and um just

1304  
00:50:03,270 --> 00:50:02,480  
you know sweethearts really certainly as

1305  
00:50:05,270 --> 00:50:03,280  
children

1306  
00:50:07,030 --> 00:50:05,280  
when they get older you can't convince

1307  
00:50:09,030 --> 00:50:07,040  
them of anything they will have their

1308  
00:50:12,390 --> 00:50:09,040  
principles their values and their

1309  
00:50:13,270 --> 00:50:12,400  
their uh ethics down very strong very

1310  
00:50:15,829 --> 00:50:13,280  
fast

1311  
00:50:16,950 --> 00:50:15,839  
and ain't nobody changing their minds

1312  
00:50:18,710 --> 00:50:16,960  
trust me

1313  
00:50:20,390 --> 00:50:18,720

i mean once they've made their mind up

1314

00:50:23,109 --> 00:50:20,400

that's it they're done

1315

00:50:23,910 --> 00:50:23,119

and you are wrong if you think somebody

1316

00:50:26,150 --> 00:50:23,920

can throw

1317

00:50:27,190 --> 00:50:26,160

a gum wrapper out in the road and not go

1318

00:50:29,030 --> 00:50:27,200

pick it up

1319

00:50:31,430 --> 00:50:29,040

you know and put it in the garbage you

1320

00:50:34,630 --> 00:50:31,440

know type of thing so

1321

00:50:37,750 --> 00:50:34,640

so anyway but they're usually very

1322

00:50:40,390 --> 00:50:37,760

gracious people working in society

1323

00:50:41,829 --> 00:50:40,400

to help people in some way or another

1324

00:50:44,230 --> 00:50:41,839

they can't even help it

1325

00:50:47,109 --> 00:50:44,240

they really have to do that that they

1326

00:50:49,829 --> 00:50:47,119

came in on that mission

1327

00:50:50,790 --> 00:50:49,839

so there's that now the seven is my

1328

00:50:54,470 --> 00:50:50,800

favorite number

1329

00:50:58,069 --> 00:50:54,480

and you have double sevens um adnan

1330

00:51:01,349 --> 00:50:58,079

and i just i love it so much

1331

00:51:04,390 --> 00:51:01,359

i mean it's a a number of like

1332

00:51:06,950 --> 00:51:04,400

like helen marin is double sevens

1333

00:51:07,510 --> 00:51:06,960

i mean she's a brilliant actress you

1334

00:51:10,549 --> 00:51:07,520

know

1335

00:51:13,349 --> 00:51:10,559

i mean the um um who's

1336

00:51:14,790 --> 00:51:13,359

hawking the scientists of sevens you

1337

00:51:17,430 --> 00:51:14,800

know i mean

1338

00:51:18,230 --> 00:51:17,440

it's just there's just people who are i

1339

00:51:21,510 --> 00:51:18,240

mean

1340

00:51:26,309 --> 00:51:21,520

muhammad ali was a seven also jeez

1341

00:51:28,950 --> 00:51:26,319

i'm gonna tell you here real quickly um

1342

00:51:30,230 --> 00:51:28,960

if if i am i taking too much time here

1343

00:51:32,870 --> 00:51:30,240

no that's all right

1344

00:51:34,150 --> 00:51:32,880

we're not okay well i need to kill the

1345

00:51:36,950 --> 00:51:34,160

schedule i wanna

1346

00:51:38,309 --> 00:51:36,960

just express a little bit with the the

1347

00:51:40,950 --> 00:51:38,319

sevens just

1348

00:51:43,190 --> 00:51:40,960

um because in my book in my book called

1349

00:51:44,150 --> 00:51:43,200

motivational numerology i have famous

1350

00:51:46,549 --> 00:51:44,160

people

1351  
00:51:47,430 --> 00:51:46,559  
uh and their destiny numbers and i i put

1352  
00:51:49,030 --> 00:51:47,440  
them in

1353  
00:51:51,510 --> 00:51:49,040  
as far as their destiny numbers are

1354  
00:51:54,710 --> 00:51:51,520  
concerned and just to show you

1355  
00:51:57,829 --> 00:51:54,720  
what is so amazing about sevens like

1356  
00:51:58,950 --> 00:51:57,839  
william shakespeare rembrandt johann

1357  
00:52:02,309 --> 00:51:58,960  
bach

1358  
00:52:05,109 --> 00:52:02,319  
beethoven chopin franz lisz

1359  
00:52:06,710 --> 00:52:05,119  
george elliot emily dickinson

1360  
00:52:10,950 --> 00:52:06,720  
tchaikovsky

1361  
00:52:13,750 --> 00:52:10,960  
paul gauguin clarence darrow

1362  
00:52:15,030 --> 00:52:13,760  
gertrude stein winston churchill george

1363  
00:52:18,150 --> 00:52:15,040

m cohen

1364

00:52:19,510 --> 00:52:18,160

diego rivera max ernst i mean you know

1365

00:52:22,630 --> 00:52:19,520

the the list goes on

1366

00:52:23,430 --> 00:52:22,640

and on and on ansel adams vladimir

1367

00:52:26,549 --> 00:52:23,440

horowitz

1368

00:52:28,790 --> 00:52:26,559

you know and so on those are sevens and

1369

00:52:29,750 --> 00:52:28,800

sevens when they become obsessed with

1370

00:52:32,630 --> 00:52:29,760

something

1371

00:52:34,230 --> 00:52:32,640

they just can't be but the best they

1372

00:52:37,990 --> 00:52:34,240

can't be but the best

1373

00:52:38,549 --> 00:52:38,000

it's like because it's a i i hate to

1374

00:52:41,349 --> 00:52:38,559

make it an

1375

00:52:43,510 --> 00:52:41,359

elevated number really but because you

1376  
00:52:45,430 --> 00:52:43,520  
know there's another side to it where

1377  
00:52:46,950 --> 00:52:45,440  
they can be cheats and they can be

1378  
00:52:49,430 --> 00:52:46,960  
thieves and they can be

1379  
00:52:50,230 --> 00:52:49,440  
because they're so cunning they're so

1380  
00:52:54,470 --> 00:52:50,240  
brilliant

1381  
00:52:56,549 --> 00:52:54,480  
that in fact i i study murderers

1382  
00:52:57,750 --> 00:52:56,559  
i mean i like to see these people who

1383  
00:52:59,510 --> 00:52:57,760  
kill people

1384  
00:53:01,270 --> 00:52:59,520  
and there are a lot of them are sevens

1385  
00:53:03,430 --> 00:53:01,280  
because they're so bright

1386  
00:53:04,390 --> 00:53:03,440  
they feel that they can get away with it

1387  
00:53:06,549 --> 00:53:04,400  
you know and they do

1388  
00:53:07,510 --> 00:53:06,559

many of them do but you know many of

1389

00:53:10,230 --> 00:53:07,520

them haven't

1390

00:53:10,630 --> 00:53:10,240

as well you know sometimes i wonder it's

1391

00:53:13,589 --> 00:53:10,640

like

1392

00:53:14,470 --> 00:53:13,599

sometimes it can be a a curse too

1393

00:53:16,950 --> 00:53:14,480

because

1394

00:53:18,470 --> 00:53:16,960

especially you know you know my wife she

1395

00:53:21,190 --> 00:53:18,480

always laughs at me for this it's

1396

00:53:23,030 --> 00:53:21,200

when i get it's such a this is i don't

1397

00:53:24,549 --> 00:53:23,040

know if it's ocd or obsession but it's

1398

00:53:27,030 --> 00:53:24,559

like if i start something

1399

00:53:28,309 --> 00:53:27,040

it has to be fulfilled just this

1400

00:53:30,549 --> 00:53:28,319

specific way

1401  
00:53:31,750 --> 00:53:30,559  
because that particular way you know

1402  
00:53:34,390 --> 00:53:31,760  
encompasses you know

1403  
00:53:35,910 --> 00:53:34,400  
all the things to make whatever it is or

1404  
00:53:37,910 --> 00:53:35,920  
if i'm building something for it to

1405  
00:53:40,309 --> 00:53:37,920  
function exactly the way it needs to

1406  
00:53:41,510 --> 00:53:40,319  
and it's it's um it becomes too much

1407  
00:53:43,270 --> 00:53:41,520  
sometimes for the brain

1408  
00:53:44,630 --> 00:53:43,280  
like i exhaust myself just in the

1409  
00:53:47,430 --> 00:53:44,640  
details

1410  
00:53:50,309 --> 00:53:47,440  
yes because you're a perfectionist that

1411  
00:53:53,190 --> 00:53:50,319  
that is the one number of perfection

1412  
00:53:54,549 --> 00:53:53,200  
you cannot do you cannot make a mistake

1413  
00:53:56,790 --> 00:53:54,559

with what you know

1414

00:53:58,710 --> 00:53:56,800

that you know and and the thing is

1415

00:53:59,670 --> 00:53:58,720

that's why you can get irritated with

1416

00:54:01,670 --> 00:53:59,680

other people that will

1417

00:54:03,270 --> 00:54:01,680

talk about subject matter that you know

1418

00:54:05,910 --> 00:54:03,280

deeply definitely and they're

1419

00:54:06,790 --> 00:54:05,920

they're just kind of blowing smoke or

1420

00:54:09,670 --> 00:54:06,800

something

1421

00:54:10,470 --> 00:54:09,680

and and that will really bother you

1422

00:54:13,670 --> 00:54:10,480

because

1423

00:54:14,230 --> 00:54:13,680

you go deep you know and anybody that's

1424

00:54:16,710 --> 00:54:14,240

around

1425

00:54:17,750 --> 00:54:16,720

sevens people especially with seven

1426

00:54:20,230 --> 00:54:17,760

destiny

1427

00:54:21,750 --> 00:54:20,240

they they have everything in its place

1428

00:54:24,870 --> 00:54:21,760

and a place for everything

1429

00:54:25,190 --> 00:54:24,880

and they just are you know chop chop you

1430

00:54:29,349 --> 00:54:25,200

know

1431

00:54:31,349 --> 00:54:29,359

really really um

1432

00:54:32,549 --> 00:54:31,359

together in that way and it can drive

1433

00:54:34,950 --> 00:54:32,559

some people nuts

1434

00:54:35,990 --> 00:54:34,960

you know because it's just too much it's

1435

00:54:39,270 --> 00:54:36,000

overblown

1436

00:54:41,430 --> 00:54:39,280

in a lot of ways right but um it's also

1437

00:54:43,670 --> 00:54:41,440

part of the character it's it's just

1438

00:54:45,829 --> 00:54:43,680

that you know when you go to

1439

00:54:47,030 --> 00:54:45,839

analyze something you need to have all

1440

00:54:49,670 --> 00:54:47,040

the parts there

1441

00:54:50,789 --> 00:54:49,680

all the parts so that you can bring it

1442

00:54:54,309 --> 00:54:50,799

together into

1443

00:54:54,870 --> 00:54:54,319

one major conclusion that you know is

1444

00:54:57,270 --> 00:54:54,880

right

1445

00:54:57,910 --> 00:54:57,280

because you've looked at all the parts

1446

00:55:00,309 --> 00:54:57,920

and that's

1447

00:55:01,270 --> 00:55:00,319

part of it would you agree with that yes

1448

00:55:06,549 --> 00:55:01,280

definitely

1449

00:55:07,990 --> 00:55:06,559

can you see how much i love my numbers i

1450

00:55:10,789 --> 00:55:08,000

mean i just am in love

1451

00:55:12,789 --> 00:55:10,799

with numbers i'm just amazed at how much

1452

00:55:14,230 --> 00:55:12,799

detail you went in i mean i figured

1453

00:55:16,789 --> 00:55:14,240

you know when they first said you were

1454

00:55:17,670 --> 00:55:16,799

going to uh were asking me for my name

1455

00:55:20,950 --> 00:55:17,680

and asking

1456

00:55:23,750 --> 00:55:20,960

me for um for the birthday and

1457

00:55:24,069 --> 00:55:23,760

you know i sent it to you um i mean you

1458

00:55:25,910 --> 00:55:24,079

know

1459

00:55:27,510 --> 00:55:25,920

i wasn't necessarily expecting anything

1460

00:55:31,270 --> 00:55:27,520

but this is a lot of detail

1461

00:55:33,829 --> 00:55:31,280

you know you're giving me which i mean

1462

00:55:35,270 --> 00:55:33,839

what you where you are now i go into

1463

00:55:38,630 --> 00:55:35,280

what your future is going to be

1464

00:55:40,630 --> 00:55:38,640

i i can tell you wha what your whole

1465

00:55:44,309 --> 00:55:40,640

year is going to be from a four months

1466

00:55:46,950 --> 00:55:44,319

incremental standpoint uh um i can

1467

00:55:49,270 --> 00:55:46,960

i mean there's so much i this is my own

1468

00:55:52,309 --> 00:55:49,280

software that i made myself

1469

00:55:53,270 --> 00:55:52,319

so i mean i didn't i hired a computer

1470

00:55:55,510 --> 00:55:53,280

engineer to

1471

00:55:56,630 --> 00:55:55,520

to put it together but it's my own

1472

00:55:59,750 --> 00:55:56,640

software right

1473

00:56:01,030 --> 00:55:59,760

so i have everything that i ever wanted

1474

00:56:03,670 --> 00:56:01,040

to know about anyone

1475

00:56:04,069 --> 00:56:03,680

is in this well i definitely then you

1476

00:56:06,470 --> 00:56:04,079

know

1477

00:56:08,309 --> 00:56:06,480

just based on just uh that info that you

1478

00:56:09,670 --> 00:56:08,319

gave me i definitely encourage people to

1479

00:56:12,069 --> 00:56:09,680

download your app

1480

00:56:14,069 --> 00:56:12,079

and or go get a reading themselves you

1481

00:56:15,589 --> 00:56:14,079

know that would be pretty cool to just

1482

00:56:17,190 --> 00:56:15,599

especially for those that are unsure

1483

00:56:18,630 --> 00:56:17,200

about themselves it just gives you just

1484

00:56:20,470 --> 00:56:18,640

a little boost to say hey

1485

00:56:22,309 --> 00:56:20,480

there's something backing up your your

1486

00:56:24,230 --> 00:56:22,319

thoughts and ideas it will be okay you

1487

00:56:25,829 --> 00:56:24,240

know

1488

00:56:27,270 --> 00:56:25,839

yeah and just let me do the eight and

1489

00:56:28,150 --> 00:56:27,280

the nine real true please yes please go

1490

00:56:31,510 --> 00:56:28,160

and they've gone so

1491

00:56:33,589 --> 00:56:31,520

fast you know taking up so much time but

1492

00:56:35,349 --> 00:56:33,599

the eight is the exemplar they're the

1493

00:56:36,309 --> 00:56:35,359

teacher of teachers they're the chairman

1494

00:56:38,230 --> 00:56:36,319

of the board they're

1495

00:56:39,829 --> 00:56:38,240

people who have a sixth sense they can

1496

00:56:42,390 --> 00:56:39,839

pick out they can

1497

00:56:44,069 --> 00:56:42,400

they can have a sixth sense about people

1498

00:56:46,950 --> 00:56:44,079

and know that they're right

1499

00:56:48,549 --> 00:56:46,960

and they are usually always right the

1500

00:56:50,150 --> 00:56:48,559

the negative side of it is that they

1501  
00:56:51,829 --> 00:56:50,160  
like to be controlling

1502  
00:56:53,510 --> 00:56:51,839  
because they don't like to feel out of

1503  
00:56:55,990 --> 00:56:53,520  
control therefore they

1504  
00:56:57,670 --> 00:56:56,000  
are controlling in many instances the

1505  
00:57:00,789 --> 00:56:57,680  
men more than the women

1506  
00:57:04,069 --> 00:57:00,799  
but but the point is that they they

1507  
00:57:06,710 --> 00:57:04,079  
do things they're they're exemplary like

1508  
00:57:07,750 --> 00:57:06,720  
the sevens only sevens are quiet about

1509  
00:57:09,589 --> 00:57:07,760  
it the eights are

1510  
00:57:11,750 --> 00:57:09,599  
a little bit more out there like martha

1511  
00:57:15,109 --> 00:57:11,760  
stewart is a good example of a seven

1512  
00:57:15,589 --> 00:57:15,119  
i mean of an eight um and i i can't you

1513  
00:57:18,950 --> 00:57:15,599

know my

1514

00:57:20,710 --> 00:57:18,960

brain is just getting so hot here not

1515

00:57:22,230 --> 00:57:20,720

being able to remember the people that i

1516

00:57:25,430 --> 00:57:22,240

want to think of with with

1517

00:57:27,349 --> 00:57:25,440

eights but but they're brilliant people

1518

00:57:29,030 --> 00:57:27,359

and they usually climb to the top of

1519

00:57:32,470 --> 00:57:29,040

whatever they go to do

1520

00:57:34,230 --> 00:57:32,480

because of their um need to be right

1521

00:57:35,910 --> 00:57:34,240

it's like i can always tell somebody

1522

00:57:38,069 --> 00:57:35,920

with an eight that's born on an eight

1523

00:57:39,829 --> 00:57:38,079

day or have an eight destiny i say

1524

00:57:41,190 --> 00:57:39,839

if you think you've made an error you

1525

00:57:42,230 --> 00:57:41,200

wake up in the middle of the night and

1526

00:57:44,630 --> 00:57:42,240

you think that

1527

00:57:45,750 --> 00:57:44,640

at the office maybe you made an error

1528

00:57:47,910 --> 00:57:45,760

with something

1529

00:57:49,430 --> 00:57:47,920

you will get up and go back to the

1530

00:57:51,750 --> 00:57:49,440

office in the middle of the night and

1531

00:57:52,309 --> 00:57:51,760

brush your tracks out because you cannot

1532

00:57:55,190 --> 00:57:52,319

leave that

1533

00:57:55,910 --> 00:57:55,200

undone and that's just who they are

1534

00:57:58,069 --> 00:57:55,920

they're just

1535

00:57:59,109 --> 00:57:58,079

they're the teacher's pet when they go

1536

00:58:00,870 --> 00:57:59,119

to school if they

1537

00:58:02,710 --> 00:58:00,880

if they have an attitude number which

1538

00:58:03,270 --> 00:58:02,720

would be on my app that you'd understand

1539

00:58:05,430 --> 00:58:03,280

that

1540

00:58:06,390 --> 00:58:05,440

or if their destiny number or the day on

1541

00:58:08,069 --> 00:58:06,400

which they're born

1542

00:58:09,589 --> 00:58:08,079

they get their lessons in on time

1543

00:58:12,870 --> 00:58:09,599

they're always right

1544

00:58:15,670 --> 00:58:12,880

they're chosen by many people to be

1545

00:58:16,230 --> 00:58:15,680

special students in school because they

1546

00:58:19,270 --> 00:58:16,240

are

1547

00:58:21,589 --> 00:58:19,280

they do things so specially

1548

00:58:22,549 --> 00:58:21,599

and then i'm going to get to the nine

1549

00:58:25,030 --> 00:58:22,559

the uh

1550

00:58:27,109 --> 00:58:25,040

because the nine i tell people that come

1551  
00:58:28,710 --> 00:58:27,119  
to me with nines that you come into this

1552  
00:58:29,670 --> 00:58:28,720  
life with an exaggerated sense of

1553  
00:58:31,349 --> 00:58:29,680  
self-worth

1554  
00:58:32,950 --> 00:58:31,359  
now many times you know that's kind of

1555  
00:58:35,910 --> 00:58:32,960  
an insult basically

1556  
00:58:36,710 --> 00:58:35,920  
but but it's true because they do come

1557  
00:58:39,270 --> 00:58:36,720  
in with

1558  
00:58:40,150 --> 00:58:39,280  
a greater grasp of where they've been

1559  
00:58:42,470 --> 00:58:40,160  
before

1560  
00:58:43,510 --> 00:58:42,480  
in a way it's it's a compilation of all

1561  
00:58:46,230 --> 00:58:43,520  
the numbers

1562  
00:58:46,630 --> 00:58:46,240  
so they they have kind of an ego because

1563  
00:58:48,870 --> 00:58:46,640

here

1564

00:58:49,990 --> 00:58:48,880

on the earth plane we we develop our

1565

00:58:53,109 --> 00:58:50,000

egos and they get pretty

1566

00:58:53,910 --> 00:58:53,119

big egos they love to look fine and they

1567

00:58:55,829 --> 00:58:53,920

usually do

1568

00:58:57,030 --> 00:58:55,839

they like the finest clothes they go for

1569

00:58:59,190 --> 00:58:57,040

the top drawer

1570

00:59:01,349 --> 00:58:59,200

all of that kind of thing but then on

1571

00:59:04,390 --> 00:59:01,359

the other side we have mother teresa

1572

00:59:07,030 --> 00:59:04,400

and and right nelson mandela and

1573

00:59:09,589 --> 00:59:07,040

gandhi and those people who it's called

1574

00:59:12,470 --> 00:59:09,599

the universal humanitarian number

1575

00:59:13,190 --> 00:59:12,480

as well so the high side of it even john

1576

00:59:16,230 --> 00:59:13,200

lennon

1577

00:59:18,789 --> 00:59:16,240

was a nine you know so the thing is

1578

00:59:20,630 --> 00:59:18,799

those kinds of people uh when they

1579

00:59:23,829 --> 00:59:20,640

gravitate in that area they

1580

00:59:26,950 --> 00:59:23,839

they cannot stop at what they need to do

1581

00:59:28,309 --> 00:59:26,960

to help the masses they it's for the

1582

00:59:31,190 --> 00:59:28,319

many not the few

1583

00:59:33,510 --> 00:59:31,200

with the nine but otherwise they're very

1584

00:59:35,589 --> 00:59:33,520

classy people who usually gravitate to

1585

00:59:37,109 --> 00:59:35,599

the upper echelon of society

1586

00:59:38,789 --> 00:59:37,119

because they just belong there it's

1587

00:59:39,990 --> 00:59:38,799

called the number of aristocracy and

1588

00:59:42,470 --> 00:59:40,000

gentility

1589

00:59:44,150 --> 00:59:42,480

so people with nines have this just

1590

00:59:47,190 --> 00:59:44,160

natural class

1591

00:59:47,829 --> 00:59:47,200

and they can also be bombastic boars as

1592

00:59:50,309 --> 00:59:47,839

well

1593

00:59:51,910 --> 00:59:50,319

you know they can say really mean things

1594

00:59:53,109 --> 00:59:51,920

i mean because they're really really

1595

00:59:56,069 --> 00:59:53,119

bright people too

1596

00:59:56,390 --> 00:59:56,079

very intelligent people and so they can

1597

00:59:58,390 --> 00:59:56,400

cut

1598

01:00:00,150 --> 00:59:58,400

people to the quick sometimes my father

1599

01:00:02,870 --> 01:00:00,160

was double nines trust me

1600

01:00:03,670 --> 01:00:02,880

i i lived behind that growing up as a

1601  
01:00:09,109 --> 01:00:03,680  
kid

1602  
01:00:11,030 --> 01:00:09,119  
but anyway wow my head is hot

1603  
01:00:12,470 --> 01:00:11,040  
well you definitely went through him so

1604  
01:00:15,430 --> 01:00:12,480  
i appreciate that you know that

1605  
01:00:17,190 --> 01:00:15,440  
kind of gives a um pretty good little

1606  
01:00:17,510 --> 01:00:17,200  
recap i mean of course it's not all of

1607  
01:00:20,710 --> 01:00:17,520  
it

1608  
01:00:22,789 --> 01:00:20,720  
you know just

1609  
01:00:24,789 --> 01:00:22,799  
just a little inkling about what else

1610  
01:00:26,710 --> 01:00:24,799  
they can discover about themselves

1611  
01:00:28,390 --> 01:00:26,720  
um so sally is there something else that

1612  
01:00:29,829 --> 01:00:28,400  
you would like to cover i figured maybe

1613  
01:00:33,030 --> 01:00:29,839

we could um

1614

01:00:34,789 --> 01:00:33,040

go into q a and um if it's okay

1615

01:00:36,630 --> 01:00:34,799

uh for people i don't know what what you

1616

01:00:38,470 --> 01:00:36,640

would need for them to give you

1617

01:00:39,910 --> 01:00:38,480

for in order no i think what i'd like to

1618

01:00:41,910 --> 01:00:39,920

do is maybe just take the

1619

01:00:43,670 --> 01:00:41,920

the birth date because the name takes me

1620

01:00:44,470 --> 01:00:43,680

too long to do i mean i do have my

1621

01:00:45,829 --> 01:00:44,480

computer here

1622

01:00:47,670 --> 01:00:45,839

i don't want to put it in the computer

1623

01:00:48,950 --> 01:00:47,680

so if somebody wants to give me their

1624

01:00:50,069 --> 01:00:48,960

birth date i'll tell them what their

1625

01:00:52,069 --> 01:00:50,079

destiny and

1626

01:00:53,270 --> 01:00:52,079

and you know something about the day on

1627

01:00:56,630 --> 01:00:53,280

which they're born

1628

01:01:00,309 --> 01:00:56,640

okay well um so i guess let's start

1629

01:01:02,390 --> 01:01:00,319

uh with uh yo-yo he's on on telegram

1630

01:01:04,630 --> 01:01:02,400

so yo-yo yo and unmuted if you could

1631

01:01:05,270 --> 01:01:04,640

please just give your birthday to sally

1632

01:01:07,109 --> 01:01:05,280

and uh

1633

01:01:08,870 --> 01:01:07,119

we'll see what you get unless you have a

1634

01:01:11,750 --> 01:01:08,880

question

1635

01:01:14,069 --> 01:01:11,760

yeah actually well um but my focus is on

1636

01:01:15,430 --> 01:01:14,079

my son trying to get him to talk

1637

01:01:17,190 --> 01:01:15,440

i don't know if you want my birthday or

1638

01:01:20,870 --> 01:01:17,200

his birthday

1639

01:01:29,510 --> 01:01:20,880

first name

1640

01:01:31,750 --> 01:01:29,520

okay derek d-e-r-r-e-k

1641

01:01:33,109 --> 01:01:31,760

this is the same name as mine but um a

1642

01:01:36,150 --> 01:01:33,119

birth date is 11

1643

01:01:39,990 --> 01:01:36,160

17 2004.

1644

01:01:43,990 --> 01:01:42,789

okay well he has a seven destiny he has

1645

01:01:47,190 --> 01:01:44,000

a seven destiny

1646

01:01:49,109 --> 01:01:47,200

like adnan now seven people with seven

1647

01:01:51,030 --> 01:01:49,119

destinies like i said they don't want to

1648

01:01:52,789 --> 01:01:51,040

call unwanted attention to themselves

1649

01:01:54,630 --> 01:01:52,799

and especially with a little boy

1650

01:01:55,910 --> 01:01:54,640

if he's got kind of what's your birthday

1651

01:01:57,750 --> 01:01:55,920

let me see what you

1652

01:01:59,990 --> 01:01:57,760

how you kind of deal with him what's

1653

01:02:03,829 --> 01:02:00,000

your birthday real quick

1654

01:02:06,390 --> 01:02:03,839

march 16 1978.

1655

01:02:08,710 --> 01:02:06,400

well you have a 7-2 so you're born on

1656

01:02:12,710 --> 01:02:08,720

the 16th one and six makes seven

1657

01:02:13,109 --> 01:02:12,720

so um six seven and seven is five so you

1658

01:02:14,789 --> 01:02:13,119

have an

1659

01:02:16,630 --> 01:02:14,799

eight well see you can be kind of

1660

01:02:18,630 --> 01:02:16,640

controlling you have an a

1661

01:02:21,029 --> 01:02:18,640

you have an eight destiny i say that

1662

01:02:23,270 --> 01:02:21,039

smiling but you can be controlling

1663

01:02:24,069 --> 01:02:23,280

because you you have the fastidiousness

1664

01:02:25,910 --> 01:02:24,079

of the seven

1665

01:02:27,750 --> 01:02:25,920

and the the kind of controlling element

1666

01:02:29,750 --> 01:02:27,760

of the eight so with your

1667

01:02:31,990 --> 01:02:29,760

he has your identical numbers in reverse

1668

01:02:33,670 --> 01:02:32,000

he's born on the 17th which is an eighth

1669

01:02:35,190 --> 01:02:33,680

with a seven destiny you're born on the

1670

01:02:37,670 --> 01:02:35,200

16th with an eight

1671

01:02:39,190 --> 01:02:37,680

as you're dead so you are staring at

1672

01:02:41,670 --> 01:02:39,200

yourself in the face

1673

01:02:42,390 --> 01:02:41,680

but on opposite poles is what i saw but

1674

01:02:44,230 --> 01:02:42,400

yeah oh

1675

01:02:45,589 --> 01:02:44,240

sorry keep going and he has your first

1676

01:02:49,349 --> 01:02:45,599

name too so

1677

01:02:52,309 --> 01:02:49,359

so the thing is he's um uh 22

1678

01:02:53,990 --> 01:02:52,319

29 he's very sensitive kid as you would

1679

01:02:56,950 --> 01:02:54,000

have been yourself as a child

1680

01:02:58,630 --> 01:02:56,960

very very sensitive you know like you're

1681

01:03:01,270 --> 01:02:58,640

not gonna let people know

1682

01:03:03,109 --> 01:03:01,280

but you you would have if your mom

1683

01:03:04,950 --> 01:03:03,119

yelled at you or your dad or something

1684

01:03:07,190 --> 01:03:04,960

it would have gone deep for you

1685

01:03:08,630 --> 01:03:07,200

so you know that's what you've got there

1686

01:03:11,910 --> 01:03:08,640

with little derrick

1687

01:03:12,870 --> 01:03:11,920

wow this was an easy one okay well yo yo

1688

01:03:14,950 --> 01:03:12,880

thank you very much

1689

01:03:17,349 --> 01:03:14,960

uh uh i just want to give someone else

1690

01:03:21,430 --> 01:03:17,359

an opportunity to

1691

01:03:25,750 --> 01:03:21,440

uh so uh this one uh is

1692

01:03:29,510 --> 01:03:25,760

uh uh watcher from facebook her name is

1693

01:03:35,109 --> 01:03:29,520

pasha the birth date is

1694

01:03:35,119 --> 01:03:39,430

okay 17 and 5 is 22.

1695

01:03:46,990 --> 01:03:42,710

so she has an 8 destiny also

1696

01:03:49,870 --> 01:03:47,000

was it asha her first name uh

1697

01:03:52,390 --> 01:03:49,880

p-p-a-s-h-a

1698

01:03:55,510 --> 01:03:52,400

p-a-s-h-a oh pasha

1699

01:03:57,910 --> 01:03:55,520

okay so um i'm gonna do 19. and

1700

01:03:59,029 --> 01:03:57,920

she okay so she's already passed out of

1701  
01:04:01,510 --> 01:03:59,039  
that so

1702  
01:04:02,150 --> 01:04:01,520  
but i'm gonna do wait a minute so seven

1703  
01:04:06,230 --> 01:04:02,160  
and eight

1704  
01:04:09,349 --> 01:04:06,240  
so her name

1705  
01:04:10,630 --> 01:04:09,359  
pasha is a seven but anyway and and the

1706  
01:04:12,470 --> 01:04:10,640  
name the first name

1707  
01:04:14,069 --> 01:04:12,480  
tells a lot about the individual she has

1708  
01:04:16,470 --> 01:04:14,079  
the p as her first letter

1709  
01:04:18,309 --> 01:04:16,480  
which is a seven and the a is the second

1710  
01:04:19,670 --> 01:04:18,319  
letter when she really needs to say

1711  
01:04:21,190 --> 01:04:19,680  
something she's going to say it but

1712  
01:04:23,270 --> 01:04:21,200  
mostly she's going to kind of keep her

1713  
01:04:26,309 --> 01:04:23,280

cards pretty close to her chest

1714

01:04:27,190 --> 01:04:26,319

the thing is she has the 29 and and she

1715

01:04:30,309 --> 01:04:27,200

is a

1716

01:04:33,670 --> 01:04:30,319

a sagittarius so she should be pretty

1717

01:04:36,549 --> 01:04:33,680

gregarious pretty outgoing um

1718

01:04:37,990 --> 01:04:36,559

and but in the first phase of life you

1719

01:04:39,270 --> 01:04:38,000

know she would have been kind of

1720

01:04:42,150 --> 01:04:39,280

stubborn and so on

1721

01:04:43,829 --> 01:04:42,160

i would say but she has that eight so

1722

01:04:47,829 --> 01:04:43,839

the full edition of her birthday is an

1723

01:04:48,470 --> 01:04:47,839

eight so she she's pretty stellar stuff

1724

01:04:51,829 --> 01:04:48,480

here

1725

01:04:52,230 --> 01:04:51,839

to in my book you know i mean uh sages

1726

01:04:54,150 --> 01:04:52,240

are

1727

01:04:56,069 --> 01:04:54,160

said to be the brightest of the

1728

01:04:56,950 --> 01:04:56,079

astrological signs just to give you a

1729

01:04:59,510 --> 01:04:56,960

little

1730

01:05:00,150 --> 01:04:59,520

shot in the arm there uh but and the

1731

01:05:03,349 --> 01:05:00,160

eight

1732

01:05:04,549 --> 01:05:03,359

is someone who you know doesn't like to

1733

01:05:06,789 --> 01:05:04,559

feel out of control

1734

01:05:08,390 --> 01:05:06,799

and you're also very sensitive even

1735

01:05:11,670 --> 01:05:08,400

though you've got that powerful

1736

01:05:13,109 --> 01:05:11,680

fire sign uh sun but you might have

1737

01:05:16,710 --> 01:05:13,119

something like scorpio

1738

01:05:18,789 --> 01:05:16,720

or uh cancer in your moon sign or

1739

01:05:21,109 --> 01:05:18,799

something which rules the emotion so

1740

01:05:22,150 --> 01:05:21,119

do you do you identify with being pretty

1741

01:05:29,430 --> 01:05:22,160

sensitive

1742

01:05:30,470 --> 01:05:29,440

she's just uh uh wrote it down in the

1743

01:05:34,069 --> 01:05:30,480

chat so i can't

1744

01:05:36,710 --> 01:05:34,079

check with her okay so

1745

01:05:38,789 --> 01:05:36,720

so she just asked people with aids can

1746

01:05:41,750 --> 01:05:38,799

think in grandiose terms they they

1747

01:05:42,470 --> 01:05:41,760

they see like hollywood is full of eight

1748

01:05:44,710 --> 01:05:42,480

full of them

1749

01:05:46,390 --> 01:05:44,720

she says yes true what's the response on

1750

01:05:49,430 --> 01:05:46,400

the chat

1751

01:05:52,230 --> 01:05:49,440

oh okay okay good so so

1752

01:05:53,750 --> 01:05:52,240

she just needs to not fall too hard when

1753

01:05:55,589 --> 01:05:53,760

something doesn't happen for because

1754

01:05:56,309 --> 01:05:55,599

they tend to go into depression easily

1755

01:05:59,510 --> 01:05:56,319

too

1756

01:06:00,309 --> 01:05:59,520

so that's okay anybody next yes uh thank

1757

01:06:02,950 --> 01:06:00,319

you for that so

1758

01:06:04,470 --> 01:06:02,960

joy uh real quick you only put your

1759

01:06:05,990 --> 01:06:04,480

month and date on there if you could

1760

01:06:08,549 --> 01:06:06,000

repost with your

1761

01:06:10,470 --> 01:06:08,559

uh day month and year i'd appreciate

1762

01:06:10,789 --> 01:06:10,480

that i think that's what you need right

1763

01:06:16,789 --> 01:06:10,799

uh

1764

01:06:18,470 --> 01:06:16,799

hazel um hazel is from spain so i'm very

1765

01:06:21,109 --> 01:06:18,480

grateful every time she logs in to

1766

01:06:22,470 --> 01:06:21,119

even be up at 3am in the morning so she

1767

01:06:25,670 --> 01:06:22,480

must really love what we

1768

01:06:27,430 --> 01:06:25,680

gonna be talking about today so um her

1769

01:06:29,109 --> 01:06:27,440

date is

1770

01:06:31,230 --> 01:06:29,119

i don't know if they're doing a european

1771

01:06:34,309 --> 01:06:31,240

way because it's 2 6

1772

01:06:37,349 --> 01:06:34,319

1957. so i don't know

1773

01:06:39,109 --> 01:06:37,359

in europe they put the day first month

1774

01:06:41,190 --> 01:06:39,119

so i don't know if she can clarify but

1775

01:06:44,950 --> 01:06:41,200

let's let's let's assume it's

1776

01:06:46,549 --> 01:06:44,960

two for day six for a month

1777

01:06:48,230 --> 01:06:46,559

and if i'm wrong i'm sorry about that

1778

01:06:51,589 --> 01:06:48,240

she might correct me and in the chat

1779

01:06:53,750 --> 01:06:51,599

later well she has a 2911 destiny anyway

1780

01:06:55,270 --> 01:06:53,760

regardless of whether she uses it six

1781

01:06:58,630 --> 01:06:55,280

two or two six

1782

01:06:59,190 --> 01:06:58,640

the thing is um the 2911 destiny is

1783

01:07:04,710 --> 01:06:59,200

someone

1784

01:07:04,950 --> 01:07:04,720

who many times has a difficult childhood

1785

01:07:09,190 --> 01:07:04,960

in

1786

01:07:11,430 --> 01:07:09,200

teacher's pet type

1787

01:07:12,950 --> 01:07:11,440

anyway regardless of whether it's six

1788

01:07:14,950 --> 01:07:12,960

two or two six

1789

01:07:16,710 --> 01:07:14,960

at least she had the eight in the first

1790

01:07:17,750 --> 01:07:16,720

phase of life which meant that she

1791

01:07:20,549 --> 01:07:17,760

really

1792

01:07:22,230 --> 01:07:20,559

uh wanted to follow the rules and do

1793

01:07:23,910 --> 01:07:22,240

things right and so on and she would

1794

01:07:25,829 --> 01:07:23,920

have a very sensitive

1795

01:07:27,910 --> 01:07:25,839

nature as well and really psychic as

1796

01:07:30,950 --> 01:07:27,920

well the 2911 is

1797

01:07:33,990 --> 01:07:30,960

very psychic a very psychic number

1798

01:07:35,990 --> 01:07:34,000

so if she and so is the eight and if you

1799

01:07:38,150 --> 01:07:36,000

add two to six you get the eight and

1800

01:07:40,870 --> 01:07:38,160

that's called your attitude number

1801

01:07:41,990 --> 01:07:40,880

so your her attitude has this sixth

1802

01:07:44,549 --> 01:07:42,000

sense about it

1803

01:07:46,150 --> 01:07:44,559

so does the 2911. so that's why she

1804

01:07:49,029 --> 01:07:46,160

gravitates to things like your

1805

01:07:49,510 --> 01:07:49,039

your program here because you talk about

1806

01:07:51,990 --> 01:07:49,520

things

1807

01:07:52,630 --> 01:07:52,000

like that she knows on some level is

1808

01:07:55,029 --> 01:07:52,640

what she's

1809

01:07:56,710 --> 01:07:55,039

she's all about you know is something

1810

01:08:01,029 --> 01:07:56,720

extraneous from this

1811

01:08:04,069 --> 01:08:01,039

dumbed-down fear-based patriarchal world

1812

01:08:06,549 --> 01:08:04,079

anyway that's what i call it so

1813

01:08:08,470 --> 01:08:06,559

i hope that works for her yes thank you

1814

01:08:11,670 --> 01:08:08,480

for that she confirmed yes it was

1815

01:08:14,870 --> 01:08:11,680

day two month six so we're good there uh

1816

01:08:19,349 --> 01:08:14,880

this one is from on telegram nathan

1817

01:08:21,669 --> 01:08:19,359

you're unmuted mute yourself and uh um

1818

01:08:24,070 --> 01:08:21,679

you ask a question or give a give us

1819

01:08:26,630 --> 01:08:24,080

your dates please

1820

01:08:30,070 --> 01:08:26,640

okay so my name is nathan oh nathan

1821

01:08:33,669 --> 01:08:33,189

uh nathan n-a-t-h no no no you're very

1822

01:08:36,390 --> 01:08:33,679

quiet

1823

01:08:39,110 --> 01:08:36,400

your mic went down for some reason i can

1824

01:08:43,430 --> 01:08:39,120

barely hear you

1825

01:08:44,149 --> 01:08:43,440

no i mean not that well that's what i

1826

01:08:47,430 --> 01:08:44,159

meant sorry

1827

01:08:47,990 --> 01:08:47,440

no barely so i'll i'll i'll try to boost

1828

01:08:53,669 --> 01:08:48,000

your volume

1829

01:08:55,749 --> 01:08:53,679

so go ahead just say why that is

1830

01:08:56,789 --> 01:08:55,759

go ahead i don't know so nathan is my

1831

01:08:59,990 --> 01:08:56,799

name um

1832

01:09:04,829 --> 01:09:00,000

my date is nine for the month

1833

01:09:09,110 --> 01:09:04,839

12 for the day and uh 1984.

1834

01:09:15,430 --> 01:09:12,149

two thirty thirty

1835

01:09:17,910 --> 01:09:15,440

four forty three okay so here's

1836

01:09:19,269 --> 01:09:17,920

here's another person with a seven so he

1837

01:09:23,749 --> 01:09:19,279

probably just didn't wanna

1838

01:09:27,910 --> 01:09:23,759

1838  
speak up too much but

1839  
01:09:31,510 --> 01:09:27,920  
no but he he does have

1840  
01:09:35,189 --> 01:09:31,520  
he has the nine the nine-month child

1841  
01:09:36,789 --> 01:09:35,199  
is usually a child that wasn't expected

1842  
01:09:38,950 --> 01:09:36,799  
many times they're the first child or

1843  
01:09:42,229 --> 01:09:38,960  
the last child

1844  
01:09:44,149 --> 01:09:42,239  
and they have a very strong union with

1845  
01:09:44,950 --> 01:09:44,159  
their mother almost a feeling like they

1846  
01:09:48,070 --> 01:09:44,960  
can't

1847  
01:09:50,309 --> 01:09:48,080  
not do what she wants them to do almost

1848  
01:09:51,189 --> 01:09:50,319  
the full time of their life that she's

1849  
01:09:53,030 --> 01:09:51,199  
alive

1850  
01:09:55,430 --> 01:09:53,040  
so there's that thing but he has the

1851

01:09:59,110 --> 01:09:55,440

seven destiny too so he would be

1852

01:10:02,310 --> 01:09:59,120

more inclined to be somewhat of a loner

1853

01:10:04,790 --> 01:10:02,320

and also very good at tech

1854

01:10:06,310 --> 01:10:04,800

you know sevens are all over the

1855

01:10:09,189 --> 01:10:06,320

place in the tech world

1856

01:10:09,830 --> 01:10:09,199

because they just have a linear way of

1857

01:10:11,990 --> 01:10:09,840

thinking

1858

01:10:13,189 --> 01:10:12,000

you know more left brain oriented than

1859

01:10:16,790 --> 01:10:13,199

than right brain

1860

01:10:19,110 --> 01:10:16,800

and even the 12 the one and the two

1861

01:10:20,870 --> 01:10:19,120

that can be both sides because the two

1862

01:10:22,790 --> 01:10:20,880

is more right brain and the one is more

1863

01:10:24,790 --> 01:10:22,800

left brain but you make it into a three

1864

01:10:26,390 --> 01:10:24,800

and the three can be very scientifically

1865

01:10:29,510 --> 01:10:26,400

oriented as well

1866

01:10:31,430 --> 01:10:29,520

or tech oriented you know type of thing

1867

01:10:32,790 --> 01:10:31,440

i would say you're very very good on the

1868

01:10:36,550 --> 01:10:32,800

computer and

1869

01:10:38,709 --> 01:10:36,560

or anything like that and um

1870

01:10:40,790 --> 01:10:38,719

well no for the fact he's in i.t so

1871

01:10:44,550 --> 01:10:40,800

you're correct there

1872

01:10:47,110 --> 01:10:44,560

all right there you have it okay

1873

01:10:48,709 --> 01:10:47,120

so that's that's basically what i have

1874

01:10:50,790 --> 01:10:48,719

to say about his birth date

1875

01:10:52,630 --> 01:10:50,800

okay nathan thank you and sally thank

1876

01:10:56,470 --> 01:10:52,640

you as well

1877

01:10:57,910 --> 01:10:56,480

thank you okay okay so um

1878

01:10:59,590 --> 01:10:57,920

do you mind if we take a few more would

1879

01:11:01,990 --> 01:10:59,600

that be all right no

1880

01:11:02,870 --> 01:11:02,000

no i'm fine hey look i love what i do i

1881

01:11:06,229 --> 01:11:02,880

told you that

1882

01:11:11,430 --> 01:11:06,239

good deal so uh michael uh ledger

1883

01:11:18,390 --> 01:11:14,870

five 1959 eight fifteen twenty four

1884

01:11:22,229 --> 01:11:18,400

thirty eight eight forty eight three

1885

01:11:24,149 --> 01:11:22,239

okay so i'm gonna say michael would be a

1886

01:11:25,910 --> 01:11:24,159

great athlete if he wanted to be an

1887

01:11:26,709 --> 01:11:25,920

athlete he would be great because he's

1888

01:11:29,510 --> 01:11:26,719

got the five

1889

01:11:29,990 --> 01:11:29,520

and the three the 48 three which would

1890

01:11:32,630 --> 01:11:30,000

be

1891

01:11:33,350 --> 01:11:32,640

really an organized kind of three in a

1892

01:11:36,630 --> 01:11:33,360

way

1893

01:11:37,990 --> 01:11:36,640

but still he wants to have fun this is a

1894

01:11:39,830 --> 01:11:38,000

guy that likes to have fun

1895

01:11:41,510 --> 01:11:39,840

and he also you can be a little over

1896

01:11:43,189 --> 01:11:41,520

indulgent you've got to watch yourself

1897

01:11:45,669 --> 01:11:43,199

with that because the 14-5

1898

01:11:47,189 --> 01:11:45,679

is kind of an indulgent number once you

1899

01:11:47,910 --> 01:11:47,199

like something you're going to like it a

1900

01:11:50,790 --> 01:11:47,920

lot

1901

01:11:52,870 --> 01:11:50,800

and many times it can be you know things

1902

01:11:55,669 --> 01:11:52,880

that can be detrimental to one's body

1903

01:11:57,430 --> 01:11:55,679

and mind basically but anyway i just

1904

01:11:59,590 --> 01:11:57,440

have to give you that little thing

1905

01:12:02,229 --> 01:11:59,600

and having the five with the three can

1906

01:12:04,470 --> 01:12:02,239

make that occur more oft more frequently

1907

01:12:07,110 --> 01:12:04,480

because the three loves to party

1908

01:12:08,870 --> 01:12:07,120

and it loves to you know be out there

1909

01:12:09,990 --> 01:12:08,880

with with everybody doing stuff but

1910

01:12:11,910 --> 01:12:10,000

still again

1911

01:12:13,750 --> 01:12:11,920

i will tell you this when i used to hire

1912

01:12:15,750 --> 01:12:13,760

employees by numerology

1913

01:12:16,950 --> 01:12:15,760

i would never hire somebody with a three

1914

01:12:19,510 --> 01:12:16,960

destiny

1915

01:12:20,870 --> 01:12:19,520

even though you don't have exactly the

1916

01:12:23,350 --> 01:12:20,880

kind that i would

1917

01:12:24,229 --> 01:12:23,360

i would not hire because you have the 48

1918

01:12:26,310 --> 01:12:24,239

three

1919

01:12:27,430 --> 01:12:26,320

because the four and the eight will make

1920

01:12:29,830 --> 01:12:27,440

you a very

1921

01:12:30,870 --> 01:12:29,840

good employee in a way but the threes

1922

01:12:32,550 --> 01:12:30,880

like to expense

1923

01:12:34,390 --> 01:12:32,560

expend the least amount of effort for

1924

01:12:35,990 --> 01:12:34,400

the most amount of gain

1925

01:12:37,430 --> 01:12:36,000

unless they can do something that they

1926

01:12:39,910 --> 01:12:37,440

absolutely love

1927

01:12:42,149 --> 01:12:39,920

which is you know whatever it might be

1928

01:12:42,870 --> 01:12:42,159

but many times it's more on the artistic

1929

01:12:45,990 --> 01:12:42,880

end or

1930

01:12:50,070 --> 01:12:46,000

on the fun end acting

1931

01:12:51,990 --> 01:12:50,080

dancing singing having a good time

1932

01:12:53,430 --> 01:12:52,000

and so on so i don't know whether i'm

1933

01:12:56,149 --> 01:12:53,440

hitting that for him but

1934

01:12:57,030 --> 01:12:56,159

um that's what i have to say about that

1935

01:12:59,350 --> 01:12:57,040

thank you for that

1936

01:13:00,709 --> 01:12:59,360

and also for those who would again as i

1937

01:13:01,110 --> 01:13:00,719

mentioned earlier if you would like a

1938

01:13:03,430 --> 01:13:01,120

more

1939

01:13:05,510 --> 01:13:03,440

in-depth deeper reading sally does

1940

01:13:07,110 --> 01:13:05,520

readings the link is below so

1941

01:13:08,709 --> 01:13:07,120

knock yourself out you just want to put

1942

01:13:11,830 --> 01:13:08,719

that out there real quick

1943

01:13:18,630 --> 01:13:11,840

so the next person is uh joy

1944

01:13:20,870 --> 01:13:18,640

it's 0208 1979

1945

01:13:21,830 --> 01:13:20,880

okay so waiting in seven eight nine so

1946

01:13:24,950 --> 01:13:21,840

she so

1947

01:13:26,070 --> 01:13:24,960

joy has a nine destiny she's born on an

1948

01:13:27,590 --> 01:13:26,080

eight day

1949

01:13:29,830 --> 01:13:27,600

she in the first phase of life which

1950

01:13:33,270 --> 01:13:29,840

went up until she was 27

1951

01:13:34,229 --> 01:13:33,280

she had the uh the 10 one which is a

1952

01:13:38,070 --> 01:13:34,239

very

1953

01:13:41,030 --> 01:13:38,080

think that

1954

01:13:42,790 --> 01:13:41,040

she she should own her own business this

1955

01:13:45,270 --> 01:13:42,800

woman or be the president of some

1956

01:13:47,270 --> 01:13:45,280

corporation or something because because

1957

01:13:50,390 --> 01:13:47,280

she's an aquarius too

1958

01:13:51,030 --> 01:13:50,400

um the eight is so exacting with what

1959

01:13:54,149 --> 01:13:51,040

they do

1960

01:13:57,350 --> 01:13:54,159

the nine

1961

01:14:00,550 --> 01:13:57,360

of the

1962

01:14:03,350 --> 01:14:00,560

um failings of a nine is that they

1963

01:14:04,390 --> 01:14:03,360

they really need respect but the point

1964

01:14:07,110 --> 01:14:04,400

is is that

1965

01:14:07,669 --> 01:14:07,120

the reason why is because they come with

1966

01:14:10,790 --> 01:14:07,679

such an

1967

01:14:12,950 --> 01:14:10,800

elevated kind of um

1968

01:14:14,630 --> 01:14:12,960

sense in them like they know things they

1969

01:14:17,430 --> 01:14:14,640

don't know why they know

1970

01:14:19,030 --> 01:14:17,440

even when they're going to school they

1971

01:14:20,950 --> 01:14:19,040

feel like i don't know where i heard

1972

01:14:22,870 --> 01:14:20,960

this before but i know this already

1973

01:14:25,030 --> 01:14:22,880

you know type of thing so it's kind of

1974

01:14:25,750 --> 01:14:25,040

like i said an elevated number but it's

1975

01:14:28,310 --> 01:14:25,760

also

1976

01:14:30,550 --> 01:14:28,320

the number of the universal humanitarian

1977

01:14:31,270 --> 01:14:30,560

so she's got the eight which is also a

1978

01:14:35,510 --> 01:14:31,280

giver number

1979

01:14:37,270 --> 01:14:35,520

six and eight are all the female

1980

01:14:39,270 --> 01:14:37,280

oriented numbers one three five

1981

01:14:40,390 --> 01:14:39,280

seven and nine are all male in

1982

01:14:43,590 --> 01:14:40,400

orientation

1983

01:14:45,510 --> 01:14:43,600

so when you have she's got the the eight

1984

01:14:46,630 --> 01:14:45,520

and the nine the nine is a compilation

1985

01:14:50,070 --> 01:14:46,640

of all the numbers

1986

01:14:52,390 --> 01:14:50,080

okay so so the point is is that she can

1987

01:14:53,030 --> 01:14:52,400

go almost in any direction and do very

1988

01:14:55,590 --> 01:14:53,040

well

1989

01:14:56,470 --> 01:14:55,600

having that not only her astrological

1990

01:14:59,590 --> 01:14:56,480

sign but having

1991

01:15:01,350 --> 01:14:59,600

eight as her personality number so i'm

1992

01:15:03,510 --> 01:15:01,360

wondering if i'm right with her

1993

01:15:05,430 --> 01:15:03,520

in that regard she does need to feel

1994

01:15:05,990 --> 01:15:05,440

like she's appreciated that's a really

1995

01:15:09,189 --> 01:15:06,000

big deal

1996

01:15:11,030 --> 01:15:09,199

with people with nines okay yeah michael

1997

01:15:12,950 --> 01:15:11,040

was saying uh thank you selling they're

1998

01:15:15,750 --> 01:15:12,960

saying 100

1999

01:15:16,390 --> 01:15:15,760

uh the joy says true so i'm just giving

2000

01:15:20,149 --> 01:15:16,400

you a quick

2001

01:15:22,310 --> 01:15:20,159

feedback on on the on the chat um

2002

01:15:28,229 --> 01:15:22,320

the next one is another nathan uh

2003

01:15:28,239 --> 01:15:32,229

okay

2004

01:15:37,830 --> 01:15:35,350

well we have another seven here

2005

01:15:38,550 --> 01:15:37,840

and we have an eleven seven hey you

2006

01:15:42,149 --> 01:15:38,560

belong

2007

01:15:45,350 --> 01:15:42,159

world

2008

01:15:45,910 --> 01:15:45,360

you really do um you're kind of flying

2009

01:15:48,790 --> 01:15:45,920

out there

2010

01:15:50,630 --> 01:15:48,800

so i i'm going to just say if you're

2011

01:15:51,430 --> 01:15:50,640

interested in these kinds of things i

2012

01:15:53,750 --> 01:15:51,440

mean just

2013

01:15:55,110 --> 01:15:53,760

put yourself there i'm i'm of the

2014

01:15:56,630 --> 01:15:55,120

understanding that something's going to

2015

01:15:58,550 --> 01:15:56,640

happen pretty soon for us

2016

01:15:59,910 --> 01:15:58,560

in this world where we're going to get

2017

01:16:01,669 --> 01:15:59,920

to know a lot of things that they've

2018

01:16:03,510 --> 01:16:01,679

learned from the ufos and so on

2019

01:16:06,229 --> 01:16:03,520

you'd be a shoe-in for that kind of

2020

01:16:07,830 --> 01:16:06,239

thing absolutely um

2021

01:16:10,149 --> 01:16:07,840

i would say that you can be tech

2022

01:16:12,550 --> 01:16:10,159

oriented you can also be

2023

01:16:14,149 --> 01:16:12,560

you know the manager of a business in a

2024

01:16:18,390 --> 01:16:14,159

way because the 29

2025

01:16:20,470 --> 01:16:18,400

is such a uh i was going to say placator

2026

01:16:21,910 --> 01:16:20,480

but that's a negative word because it's

2027

01:16:24,310 --> 01:16:21,920

more of a

2028

01:16:25,350 --> 01:16:24,320

peacemaker arbitrator you know and wants

2029

01:16:27,910 --> 01:16:25,360

to keep the peace

2030

01:16:29,110 --> 01:16:27,920

and so on so so you're not a guy that's

2031

01:16:32,149 --> 01:16:29,120

going to push yourself

2032

01:16:32,870 --> 01:16:32,159

into people's faces and so on at all you

2033

01:16:35,910 --> 01:16:32,880

are going to

2034

01:16:39,510 --> 01:16:35,920

be a gentle man is the way i see it

2035

01:16:42,709 --> 01:16:39,520

okay so good thank you for that

2036

01:16:57,910 --> 01:16:42,719

um daniel 24th

2037

01:17:02,790 --> 01:17:01,750

wow okay so daniel daniels born on the

2038

01:17:06,550 --> 01:17:02,800

24th

2039

01:17:09,030 --> 01:17:06,560  
number

2040

01:17:09,910 --> 01:17:09,040  
because it's the two the four making the

2041

01:17:12,550 --> 01:17:09,920  
six

2042

01:17:14,630 --> 01:17:12,560  
so it's just all these female oriented

2043

01:17:17,590 --> 01:17:14,640  
numbers so he's a sweet man

2044

01:17:19,910 --> 01:17:17,600  
he's a soft man and he had the full

2045

01:17:21,990 --> 01:17:19,920  
addition of his birth aid is the 50.

2046

01:17:23,750 --> 01:17:22,000  
so whenever you have a zero associated

2047

01:17:26,229 --> 01:17:23,760  
with any number it's divine guidance

2048

01:17:28,950 --> 01:17:26,239  
divine inspiration and divine protection

2049

01:17:30,229 --> 01:17:28,960  
but also the 50 is the number i call it

2050

01:17:32,790 --> 01:17:30,239  
the schindler number

2051  
01:17:33,830 --> 01:17:32,800  
because when i watched schindler's list

2052  
01:17:36,630 --> 01:17:33,840  
they showed his

2053  
01:17:38,390 --> 01:17:36,640  
uh gravesite at the end of the movie and

2054  
01:17:41,590 --> 01:17:38,400  
he had saved all of those

2055  
01:17:42,550 --> 01:17:41,600  
um jews in the holocaust and he was a

2056  
01:17:44,950 --> 01:17:42,560  
nazi

2057  
01:17:46,149 --> 01:17:44,960  
and what what it says in numerology

2058  
01:17:48,470 --> 01:17:46,159  
about the 50

2059  
01:17:50,149 --> 01:17:48,480  
and that was his destiny number which is

2060  
01:17:53,350 --> 01:17:50,159  
what yours is dan

2061  
01:17:56,550 --> 01:17:53,360  
um is that um you you

2062  
01:17:58,709 --> 01:17:56,560  
come to um um

2063  
01:17:59,830 --> 01:17:58,719

your your consciousness is raised to the

2064

01:18:02,229 --> 01:17:59,840

highest plane

2065

01:18:03,189 --> 01:18:02,239

of compassion for everyone and all

2066

01:18:05,750 --> 01:18:03,199

things

2067

01:18:08,790 --> 01:18:05,760

that's what the 50 that's what you have

2068

01:18:10,950 --> 01:18:08,800

given yourself to rise to in this life

2069

01:18:11,990 --> 01:18:10,960

okay so at some point if you don't feel

2070

01:18:13,990 --> 01:18:12,000

you're quite there yet

2071

01:18:15,270 --> 01:18:14,000

don't worry about it you may well you're

2072

01:18:17,669 --> 01:18:15,280

pretty you'd probably

2073

01:18:18,310 --> 01:18:17,679

be pretty up there right now because

2074

01:18:23,350 --> 01:18:18,320

you're

2075

01:18:25,270 --> 01:18:23,360

whether i'm right with that but

2076

01:18:26,950 --> 01:18:25,280

it's a beautiful number that's for sure

2077

01:18:31,669 --> 01:18:26,960

and you're a really sweet guy

2078

01:18:34,630 --> 01:18:31,679

i would say thank you for that sally um

2079

01:18:35,910 --> 01:18:34,640

just real quick i'm sorry i'm getting i

2080

01:18:39,430 --> 01:18:35,920

have all my stuff here

2081

01:18:42,470 --> 01:18:39,440

so nathan previously said

2082

01:18:45,110 --> 01:18:42,480

lol you are on depaul sally thanks

2083

01:18:47,110 --> 01:18:45,120

uh and michael was responding 100

2084

01:18:50,630 --> 01:18:47,120

dedicated to my work

2085

01:18:54,709 --> 01:18:50,640

uh i own my own business

2086

01:18:57,350 --> 01:18:54,719

okay so um oh yeah yeah okay well he's

2087

01:18:59,270 --> 01:18:57,360

yeah he's good at what he does too and

2088

01:19:02,310 --> 01:18:59,280

has a lot of energy

2089

01:19:05,189 --> 01:19:02,320

so and is that it

2090

01:19:05,669 --> 01:19:05,199

you know there's uh on or oh and you are

2091

01:19:08,709 --> 01:19:05,679

i figured

2092

01:19:11,030 --> 01:19:08,719

we can do that last one and uh

2093

01:19:11,910 --> 01:19:11,040

you know you've done plenty i appreciate

2094

01:19:16,070 --> 01:19:11,920

it very much

2095

01:19:22,390 --> 01:19:16,080

what you've got so far um it's o-n-u-r

2096

01:19:25,669 --> 01:19:22,400

and it's 0.708 1981.

2097

01:19:28,070 --> 01:19:25,679

and i'm assuming that's month seventh

2098

01:19:29,990 --> 01:19:28,080

um well and we got another seven here we

2099

01:19:32,390 --> 01:19:30,000

got an eight with a seven again

2100

01:19:34,149 --> 01:19:32,400

so you know it's not unusual by any

2101

01:19:35,350 --> 01:19:34,159

means that you have a lot of people with

2102

01:19:37,750 --> 01:19:35,360

seven destinies

2103

01:19:38,630 --> 01:19:37,760

the destiny is what they're drawn to you

2104

01:19:40,790 --> 01:19:38,640

know it's what you

2105

01:19:42,790 --> 01:19:40,800

like what what you know and and when

2106

01:19:45,590 --> 01:19:42,800

they like something they like it full

2107

01:19:47,430 --> 01:19:45,600

bore you know they go deep with it and

2108

01:19:49,110 --> 01:19:47,440

so it's not unusual that we're getting

2109

01:19:52,310 --> 01:19:49,120

so many sevens here

2110

01:19:55,030 --> 01:19:52,320

um because your program is

2111

01:19:56,910 --> 01:19:55,040

is esoterically oriented i mean i don't

2112

01:20:00,229 --> 01:19:56,920

like to call it esoterically but

2113

01:20:03,030 --> 01:20:00,239

futuristically oriented certainly and

2114

01:20:04,310 --> 01:20:03,040

and so and then they she has the eight

2115

01:20:08,229 --> 01:20:04,320

or i don't know whether this is

2116

01:20:10,870 --> 01:20:08,239

she or a he is it uh she

2117

01:20:11,750 --> 01:20:10,880

or no in nc i don't know that's a i

2118

01:20:14,310 --> 01:20:11,760

don't know if that's a

2119

01:20:15,669 --> 01:20:14,320

username or an actual name i'm sorry i

2120

01:20:19,590 --> 01:20:15,679

don't know

2121

01:20:22,470 --> 01:20:19,600

oh okay so so what i would say is that

2122

01:20:23,189 --> 01:20:22,480

this is a class act person 100 they've

2123

01:20:26,390 --> 01:20:23,199

got the a

2124

01:20:28,950 --> 01:20:26,400

plus they're a a cancer which

2125

01:20:29,669 --> 01:20:28,960

they're not going to get yeah he says he

2126

01:20:33,030 --> 01:20:29,679

so it's a

2127

01:20:37,510 --> 01:20:33,040

male 1 okay no

2128

01:20:41,110 --> 01:20:37,520

he's he's he's on he'd be on my

2129

01:20:44,149 --> 01:20:41,120

uh high list of just you know

2130

01:20:45,990 --> 01:20:44,159

good you know somebody that's very good

2131

01:20:49,270 --> 01:20:46,000

at what he does because he can't make

2132

01:20:51,510 --> 01:20:49,280

mistakes he would hate it if you know i

2133

01:20:53,510 --> 01:20:51,520

always say it's kind of like the

2134

01:20:54,709 --> 01:20:53,520

indian that goes and brushes his tracks

2135

01:20:56,470 --> 01:20:54,719

out that's what i see

2136

01:20:58,310 --> 01:20:56,480

people with aids they're not going to

2137

01:20:59,590 --> 01:20:58,320

leave any tracks behind

2138

01:21:01,510 --> 01:20:59,600

because they're going to do it right the

2139

01:21:03,110 --> 01:21:01,520

first time you know

2140

01:21:05,270 --> 01:21:03,120

and so that's why they're controlling in

2141

01:21:07,350 --> 01:21:05,280

a way too because they

2142

01:21:09,510 --> 01:21:07,360

they if they're working with somebody

2143

01:21:11,270 --> 01:21:09,520

else they know how to do it best

2144

01:21:13,110 --> 01:21:11,280

and also having the seven who are

2145

01:21:15,830 --> 01:21:13,120

perfectionists my word

2146

01:21:16,790 --> 01:21:15,840

i mean if he if if he's over anybody

2147

01:21:19,510 --> 01:21:16,800

they've got a

2148

01:21:20,550 --> 01:21:19,520

chopped jock with him i would say yeah

2149

01:21:24,070 --> 01:21:20,560

he says she's right

2150

01:21:26,830 --> 01:21:24,080

himself he was just saying he said

2151

01:21:32,550 --> 01:21:29,430

okay

2152

01:21:34,149 --> 01:21:32,560

so uh sally i'm gonna be um

2153

01:21:36,470 --> 01:21:34,159

sleeping on the couch tonight if i

2154

01:21:38,070 --> 01:21:36,480

actually don't uh ask you to at least do

2155

01:21:39,350 --> 01:21:38,080

one more number because my wife was

2156

01:21:43,430 --> 01:21:39,360

texting like crazy like you're

2157

01:21:44,629 --> 01:21:43,440

forgetting about me so i'm gonna see how

2158

01:21:47,990 --> 01:21:44,639

she puts up with you

2159

01:21:50,229 --> 01:21:48,000

yeah yeah so it's a christmas

2160

01:21:51,669 --> 01:21:50,239

winner my dear you've got a winner here

2161

01:21:52,470 --> 01:21:51,679

that's right her name is chris that's

2162

01:21:56,070 --> 01:21:52,480

what we're saying

2163

01:22:06,229 --> 01:21:56,080

um but it's k-r-i-s-t-y if that matters

2164

01:22:15,270 --> 01:22:09,830

6. so this is 20

2165

01:22:21,590 --> 01:22:18,709

well you guys really you you

2166

01:22:22,229 --> 01:22:21,600

you got in the right pile both of you i

2167

01:22:25,270 --> 01:22:22,239

mean

2168

01:22:28,149 --> 01:22:25,280

the one the four and the seven are a

2169

01:22:29,430 --> 01:22:28,159

grouping of people who cannot stand to

2170

01:22:32,390 --> 01:22:29,440

have bosses

2171

01:22:34,709 --> 01:22:32,400

cannot have to do it their way are

2172

01:22:36,870 --> 01:22:34,719

usually perfectionistic

2173

01:22:38,790 --> 01:22:36,880

uh she's double ones the two and eight

2174

01:22:40,950 --> 01:22:38,800

makes ten reduces to a one

2175

01:22:41,910 --> 01:22:40,960

although that zero will give her a

2176  
01:22:44,470 --> 01:22:41,920  
little softer

2177  
01:22:46,149 --> 01:22:44,480  
element than than the one destiny let me

2178  
01:22:47,350 --> 01:22:46,159  
see what kind of a one she has is their

2179  
01:22:50,629 --> 01:22:47,360  
destiny number

2180  
01:22:53,510 --> 01:22:50,639  
so that's 29 and 26

2181  
01:22:53,910 --> 01:22:53,520  
is three is oh wait a minute am i wrong

2182  
01:22:57,270 --> 01:22:53,920  
on that

2183  
01:23:00,390 --> 01:22:57,280  
wait a minute oh no that's six six

2184  
01:23:03,430 --> 01:23:00,400  
and so that's 15

2185  
01:23:05,430 --> 01:23:03,440  
15. no the 55 she has the 55 10

2186  
01:23:06,629 --> 01:23:05,440  
as her destiny number and she's born on

2187  
01:23:08,629 --> 01:23:06,639  
a one day two

2188  
01:23:09,830 --> 01:23:08,639

so where you're born on a one day with a

2189

01:23:11,830 --> 01:23:09,840

seven destiny

2190

01:23:13,430 --> 01:23:11,840

and probably her name would be something

2191

01:23:15,750 --> 01:23:13,440

comparable to that too

2192

01:23:17,590 --> 01:23:15,760

i mean you just swim in the same waters

2193

01:23:20,070 --> 01:23:17,600

i mean you're just people that can get

2194

01:23:22,470 --> 01:23:20,080

along like my guy that was a seven

2195

01:23:24,229 --> 01:23:22,480

i have a four destiny and we just got

2196

01:23:26,470 --> 01:23:24,239

along very very well

2197

01:23:27,750 --> 01:23:26,480

because we thought alike we just think a

2198

01:23:30,070 --> 01:23:27,760

lot but we do that's

2199

01:23:32,470 --> 01:23:30,080

spot on i mean there's absolutely no

2200

01:23:35,270 --> 01:23:32,480

friction there

2201

01:23:35,830 --> 01:23:35,280

right no you're you're on the same page

2202

01:23:38,950 --> 01:23:35,840

together

2203

01:23:42,149 --> 01:23:38,960

and and it's a unique page usually

2204

01:23:45,189 --> 01:23:42,159

it's going to be quite a unique um

2205

01:23:49,270 --> 01:23:45,199

pairing really but what would what are

2206

01:23:52,310 --> 01:23:49,280

your children um

2207

01:23:54,629 --> 01:23:52,320

oh well before there's one uh

2208

01:23:55,990 --> 01:23:54,639

lady that basically she first she wrote

2209

01:23:57,669 --> 01:23:56,000

her uh numbers down

2210

01:23:59,189 --> 01:23:57,679

and i skipped her over because i figured

2211

01:24:02,470 --> 01:23:59,199

you needed a name but

2212

01:24:04,790 --> 01:24:02,480

do you mind if i ask if i ask her no

2213

01:24:06,350 --> 01:24:04,800

she she posted in chat because the name

2214

01:24:08,950 --> 01:24:06,360

was

2215

01:24:09,990 --> 01:24:08,960

hmb1376 and you know i don't know if you

2216

01:24:14,830 --> 01:24:10,000

could have worked with that

2217

01:24:24,310 --> 01:24:14,840

probably not anyway so it's helen 11 16

2218

01:24:30,790 --> 01:24:27,669

okay now also uh

2219

01:24:33,189 --> 01:24:30,800

she has a 50 as her destiny number

2220

01:24:34,550 --> 01:24:33,199

so like that what i expressed about the

2221

01:24:38,470 --> 01:24:34,560

man earlier

2222

01:24:39,990 --> 01:24:38,480

was dan that is the number of one's

2223

01:24:41,750 --> 01:24:40,000

consciousness being raised to the

2224

01:24:44,229 --> 01:24:41,760

highest plane of compassion for

2225

01:24:45,510 --> 01:24:44,239

everyone and all things and they do say

2226

01:24:47,830 --> 01:24:45,520

that we're in a shift now

2227

01:24:49,350 --> 01:24:47,840

on this earth which is helping all of us

2228

01:24:52,950 --> 01:24:49,360

to move away from

2229

01:24:54,870 --> 01:24:52,960

power and money to listen to our souls a

2230

01:24:55,750 --> 01:24:54,880

bit more so you're a shoe-in for that

2231

01:24:58,870 --> 01:24:55,760

kind of thing

2232

01:25:01,189 --> 01:24:58,880

and the seven i mean the 16 is a seven

2233

01:25:02,310 --> 01:25:01,199

and plus you're a scorpio so you are a

2234

01:25:05,990 --> 01:25:02,320

unique person

2235

01:25:08,790 --> 01:25:06,000

i would say 100 percent the 50 makes you

2236

01:25:11,030 --> 01:25:08,800

someone who's ready to get up and go and

2237

01:25:14,310 --> 01:25:11,040

do things and be out there and

2238

01:25:16,229 --> 01:25:14,320

and start causes and

2239

01:25:17,590 --> 01:25:16,239

you know really because scorpios when

2240

01:25:19,750 --> 01:25:17,600

they get really set

2241

01:25:20,709 --> 01:25:19,760

on something it's like they can't see it

2242

01:25:22,550 --> 01:25:20,719

another way

2243

01:25:24,229 --> 01:25:22,560

you know it's it's gotta something's

2244

01:25:27,830 --> 01:25:24,239

gotta be done with this

2245

01:25:29,350 --> 01:25:27,840

and but the the 50 is also malleable in

2246

01:25:32,070 --> 01:25:29,360

a lot of ways i mean it can

2247

01:25:33,669 --> 01:25:32,080

it's very uh chameleon meaning you can

2248

01:25:35,189 --> 01:25:33,679

adapt to all different types of people

2249

01:25:36,950 --> 01:25:35,199

from all walks of life

2250

01:25:38,950 --> 01:25:36,960

but they would find you to be quite

2251  
01:25:41,189 --> 01:25:38,960  
unique and unusual because of being a

2252  
01:25:43,270 --> 01:25:41,199  
scorpio born on a seven day

2253  
01:25:44,709 --> 01:25:43,280  
so that that would be what i would say

2254  
01:25:46,950 --> 01:25:44,719  
about you

2255  
01:25:47,990 --> 01:25:46,960  
could you identify there thank you for

2256  
01:25:49,669 --> 01:25:48,000  
that yeah well if she

2257  
01:25:51,110 --> 01:25:49,679  
responds to me i'll i'll definitely let

2258  
01:25:54,229 --> 01:25:51,120  
you know okay

2259  
01:25:56,470 --> 01:25:54,239  
and um so i mean do you do you mind uh

2260  
01:25:57,830 --> 01:25:56,480  
going through the the children's numbers

2261  
01:25:59,189 --> 01:25:57,840  
would that be okay no

2262  
01:26:01,189 --> 01:25:59,199  
i don't want to take up any more time

2263  
01:26:02,629 --> 01:26:01,199

than you willing to give me i already

2264

01:26:04,950 --> 01:26:02,639

appreciate very much of what you've

2265

01:26:06,310 --> 01:26:04,960

given so far so i don't want to overstep

2266

01:26:08,550 --> 01:26:06,320

any bounce that's why i'm

2267

01:26:09,430 --> 01:26:08,560

carefully asking oh you're very see

2268

01:26:10,950 --> 01:26:09,440

you're you're just

2269

01:26:13,430 --> 01:26:10,960

the gentleman and the scholar like

2270

01:26:14,149 --> 01:26:13,440

sevens are that's what sevens are they

2271

01:26:16,870 --> 01:26:14,159

they don't

2272

01:26:17,350 --> 01:26:16,880

take over you know they they really want

2273

01:26:20,149 --> 01:26:17,360

to

2274

01:26:20,629 --> 01:26:20,159

everybody's gotta have a part kind of

2275

01:26:23,350 --> 01:26:20,639

thing

2276

01:26:26,470 --> 01:26:23,360

that's very sweet so the oldest is uh

2277

01:26:30,470 --> 01:26:26,480

jayden j-a-y-d-e-n

2278

01:26:34,709 --> 01:26:30,480

and it's all for i mean 09 14

2279

01:26:39,189 --> 01:26:37,110

okay so yeah he definitely has a five

2280

01:26:43,270 --> 01:26:39,199

destiny

2281

01:26:47,030 --> 01:26:43,280

yes uh so that's uh 27 37

2282

01:26:47,830 --> 01:26:47,040

41 50. he has the 50 and the children

2283

01:26:50,709 --> 01:26:47,840

that are born

2284

01:26:52,629 --> 01:26:50,719

after 1987 are said to have come to save

2285

01:26:54,310 --> 01:26:52,639

the earth so he's one of them they're

2286

01:26:55,830 --> 01:26:54,320

very very bright children

2287

01:26:57,590 --> 01:26:55,840

they're said to come in with sixth and

2288

01:26:59,030 --> 01:26:57,600

seventh dimension consciousness maybe

2289

01:27:03,030 --> 01:26:59,040

you already know that

2290

01:27:06,390 --> 01:27:03,040

of of them 25 1 10

2291

01:27:08,470 --> 01:27:06,400

35 36 so he has the 36 9 in the first

2292

01:27:09,189 --> 01:27:08,480

phase of life so he's just a little good

2293

01:27:13,350 --> 01:27:09,199

boy

2294

01:27:14,950 --> 01:27:13,360

i mean he can be um he can have a temper

2295

01:27:16,950 --> 01:27:14,960

on occasion and maybe when he was a

2296

01:27:17,350 --> 01:27:16,960

little guy to get attention he might

2297

01:27:20,470 --> 01:27:17,360

have

2298

01:27:22,629 --> 01:27:20,480

yelled and screamed a bit but he's very

2299

01:27:24,950 --> 01:27:22,639

conscientious of not making

2300

01:27:27,189 --> 01:27:24,960

waves now he would have a ton of energy

2301  
01:27:28,070 --> 01:27:27,199  
being born on the 14th and having the 50

2302  
01:27:30,550 --> 01:27:28,080  
as well

2303  
01:27:32,709 --> 01:27:30,560  
just a lot he needs to be in an athletic

2304  
01:27:36,470 --> 01:27:32,719  
sport of some sort he has to do

2305  
01:27:39,590 --> 01:27:36,480  
something every day to stimulate him um

2306  
01:27:40,229 --> 01:27:39,600  
energetically and also mentally i would

2307  
01:27:43,030 --> 01:27:40,239  
say

2308  
01:27:45,030 --> 01:27:43,040  
also mentally and he will be fast i call

2309  
01:27:46,629 --> 01:27:45,040  
the five the bada boom bada bang number

2310  
01:27:47,830 --> 01:27:46,639  
i mean you give a five something to do

2311  
01:27:49,750 --> 01:27:47,840  
and it's done

2312  
01:27:51,430 --> 01:27:49,760  
you know i mean we i i'm born on the

2313  
01:27:53,830 --> 01:27:51,440

14th so

2314

01:27:56,390 --> 01:27:53,840

i know that one you know i i like to

2315

01:27:59,350 --> 01:27:56,400

beat the box back when i had a boss

2316

01:28:00,070 --> 01:27:59,360

you know and stuff so okay what's the

2317

01:28:10,070 --> 01:28:00,080

other one

2318

01:28:18,390 --> 01:28:15,110

um 10 12 2017 right o one seven okay so

2319

01:28:21,510 --> 01:28:18,400

so 19 29 30 31 41

2320

01:28:22,950 --> 01:28:21,520

41 5 okay so he's got his five in a

2321

01:28:24,390 --> 01:28:22,960

little different direction and he's got

2322

01:28:27,910 --> 01:28:24,400

the 12.

2323

01:28:28,390 --> 01:28:27,920

so he's got the 22 in the first phase of

2324

01:28:31,590 --> 01:28:28,400

life

2325

01:28:34,070 --> 01:28:31,600

so the 22 is what i had

2326

01:28:35,430 --> 01:28:34,080

and that's why i found that i was the

2327

01:28:38,870 --> 01:28:35,440

problem child

2328

01:28:41,590 --> 01:28:38,880

because people have children with 22s or

2329

01:28:42,790 --> 01:28:41,600

fours they ask why about everything they

2330

01:28:44,709 --> 01:28:42,800

just need to know why

2331

01:28:46,550 --> 01:28:44,719

because they're logical you know they

2332

01:28:48,390 --> 01:28:46,560

need to know the logic and the child

2333

01:28:50,149 --> 01:28:48,400

even as a child they don't like you to

2334

01:28:52,950 --> 01:28:50,159

say just go do it

2335

01:28:53,350 --> 01:28:52,960

i would say to my mom why why do i do

2336

01:28:56,550 --> 01:28:53,360

that

2337

01:28:58,790 --> 01:28:56,560

you know but the other thing is the 22

2338

01:29:02,790 --> 01:28:58,800

is a very mathematically oriented

2339

01:29:03,830 --> 01:29:02,800

uh mind as well so not only does he have

2340

01:29:06,629 --> 01:29:03,840

the five

2341

01:29:07,189 --> 01:29:06,639

actually and he's got the three which

2342

01:29:10,390 --> 01:29:07,199

can be

2343

01:29:12,870 --> 01:29:10,400

also um either scientific or

2344

01:29:14,870 --> 01:29:12,880

or very artistically inclined but i

2345

01:29:17,189 --> 01:29:14,880

would say that he's more scientifically

2346

01:29:19,030 --> 01:29:17,199

inclined because he needs to be busy

2347

01:29:20,310 --> 01:29:19,040

really busy whereas artists sit and

2348

01:29:22,310 --> 01:29:20,320

ponder quite a bit

2349

01:29:24,310 --> 01:29:22,320

do you see more like math type things

2350

01:29:26,870 --> 01:29:24,320

would be good for him

2351

01:29:27,350 --> 01:29:26,880

yes absolutely absolutely it's

2352

01:29:29,510 --> 01:29:27,360

definitely

2353

01:29:31,590 --> 01:29:29,520

i mean that's why i was obsessed so much

2354

01:29:31,910 --> 01:29:31,600

with numerology when i got my first book

2355

01:29:38,149 --> 01:29:31,920

was

2356

01:29:39,990 --> 01:29:38,159

and i just became obsessed i asked

2357

01:29:41,030 --> 01:29:40,000

everybody strangers on the street what

2358

01:29:43,830 --> 01:29:41,040

their birthdays were

2359

01:29:45,030 --> 01:29:43,840

i would ask the mailman i ask everybody

2360

01:29:47,990 --> 01:29:45,040

right so that i could

2361

01:29:49,350 --> 01:29:48,000

learn it you know and so on so yeah no

2362

01:29:53,990 --> 01:29:49,360

he's got my same

2363

01:29:56,629 --> 01:29:54,000

my same attitude number two yeah so he's

2364

01:29:57,350 --> 01:29:56,639

you got a pair there yeah no he's he's a

2365

01:30:00,709 --> 01:29:57,360

handful

2366

01:30:02,470 --> 01:30:00,719

he's like jupiter real easy these kids

2367

01:30:03,830 --> 01:30:02,480

they they could get on jupiter they

2368

01:30:06,149 --> 01:30:03,840

could go

2369

01:30:07,669 --> 01:30:06,159

way past mars is what i want to say

2370

01:30:10,709 --> 01:30:07,679

right

2371

01:30:13,750 --> 01:30:10,719

yeah and so the the last one is

2372

01:30:17,669 --> 01:30:13,760

um adeline a d e l

2373

01:30:20,790 --> 01:30:17,679

i n e and it's

2374

01:30:24,550 --> 01:30:20,800

o five 24

2375

01:30:30,550 --> 01:30:27,669

no no wait a minute is that 2-0-2-1

2376

01:30:31,030 --> 01:30:30,560

2-2-1 correct oh you have three children

2377

01:30:34,709 --> 01:30:31,040

this is

2378

01:30:35,669 --> 01:30:34,719

your your children yes third oh okay i'm

2379

01:30:38,550 --> 01:30:35,679

sorry i thought

2380

01:30:43,110 --> 01:30:38,560

i thought wow that she's born in 1921.

2381

01:30:49,750 --> 01:30:46,229

yeah this is 41. um

2382

01:30:52,550 --> 01:30:49,760

and that is 65 so she has the seven

2383

01:30:55,990 --> 01:30:52,560

she has the seven like daddy but she has

2384

01:30:59,350 --> 01:30:56,000

the six no wonder she's my favorite

2385

01:31:02,470 --> 01:30:59,360

oh well i'm sure she's quiet

2386

01:31:06,390 --> 01:31:02,480

uh when she has the 24 6 she's got the

2387

01:31:08,229 --> 01:31:06,400

29 11 as her her um

2388

01:31:10,550 --> 01:31:08,239

uh attitude number in the first phase of

2389

01:31:11,510 --> 01:31:10,560

life which is really really sensitive

2390

01:31:14,310 --> 01:31:11,520

little kid

2391

01:31:14,790 --> 01:31:14,320

you know she can it can go deep with her

2392

01:31:16,390 --> 01:31:14,800

because

2393

01:31:18,229 --> 01:31:16,400

it's like she has two high tuned

2394

01:31:18,790 --> 01:31:18,239

antennas sticking out of the top of her

2395

01:31:20,709 --> 01:31:18,800

head

2396

01:31:21,830 --> 01:31:20,719

and she's picking up more than most

2397

01:31:24,629 --> 01:31:21,840

people do

2398

01:31:26,950 --> 01:31:24,639

like if she when she gets older you know

2399

01:31:29,030 --> 01:31:26,960

she'll have that up until she's 29

2400

01:31:30,629 --> 01:31:29,040

so if she goes to a grocery store or

2401  
01:31:30,950 --> 01:31:30,639  
something she's going to be picking up

2402  
01:31:33,350 --> 01:31:30,960  
what

2403  
01:31:35,189 --> 01:31:33,360  
all of the other people's impatience of

2404  
01:31:37,110 --> 01:31:35,199  
standing in line and so on

2405  
01:31:38,310 --> 01:31:37,120  
so she needs to learn to meditate this

2406  
01:31:40,070 --> 01:31:38,320  
one really

2407  
01:31:41,750 --> 01:31:40,080  
so basically just kind of go easy

2408  
01:31:44,070 --> 01:31:41,760  
emotionally more that

2409  
01:31:45,350 --> 01:31:44,080  
she's not like the boys where they can

2410  
01:31:47,350 --> 01:31:45,360  
oh very much so

2411  
01:31:49,830 --> 01:31:47,360  
very much so she because she's sensitive

2412  
01:31:51,910 --> 01:31:49,840  
and gentle and yeah she's got the seven

2413  
01:31:53,510 --> 01:31:51,920

too no the boys are kind of

2414

01:31:55,510 --> 01:31:53,520

you know you know just i don't know

2415

01:31:55,830 --> 01:31:55,520

which father is not but i'm very you

2416

01:31:58,629 --> 01:31:55,840

know

2417

01:32:00,470 --> 01:31:58,639

very like uh strict and authoritative

2418

01:32:02,229 --> 01:32:00,480

with the boys you know it's almost like

2419

01:32:04,390 --> 01:32:02,239

you know you can do what you like but

2420

01:32:06,229 --> 01:32:04,400

this one needs to do first so i better

2421

01:32:08,229 --> 01:32:06,239

not take the same approach with with the

2422

01:32:12,070 --> 01:32:08,239

girls so

2423

01:32:14,070 --> 01:32:12,080

no and i think that yeah she she has

2424

01:32:16,870 --> 01:32:14,080

your heart too because she's got the two

2425

01:32:18,390 --> 01:32:16,880

the 29 which reduces to a two which goes

2426

01:32:21,350 --> 01:32:18,400

very well with the one

2427

01:32:22,790 --> 01:32:21,360

because the one can control the two

2428

01:32:25,110 --> 01:32:22,800

without the two

2429

01:32:27,030 --> 01:32:25,120

making any complaint but with your

2430

01:32:27,750 --> 01:32:27,040

little boys with the five no they've got

2431

01:32:29,350 --> 01:32:27,760

tempers

2432

01:32:31,910 --> 01:32:29,360

the five is called the number of the

2433

01:32:34,470 --> 01:32:31,920

flash temper so it comes very quickly

2434

01:32:37,350 --> 01:32:34,480

goes quickly but it leaves awake

2435

01:32:38,550 --> 01:32:37,360

right okay so yes so you've got that

2436

01:32:40,310 --> 01:32:38,560

with your boys

2437

01:32:41,669 --> 01:32:40,320

and you just need to keep them busy so

2438

01:32:42,790 --> 01:32:41,679

that when they go to bed at night they

2439

01:32:44,709 --> 01:32:42,800

just fall off

2440

01:32:45,830 --> 01:32:44,719

right you don't know these big long

2441

01:32:47,669 --> 01:32:45,840

walks and stuff

2442

01:32:49,669 --> 01:32:47,679

we noticed that would notice that with

2443

01:32:52,550 --> 01:32:49,679

orion especially because he

2444

01:32:52,870 --> 01:32:52,560

oh my goodness i mean maybe we need that

2445

01:32:56,550 --> 01:32:52,880

it

2446

01:32:58,470 --> 01:32:56,560

very like

2447

01:33:00,310 --> 01:32:58,480

you know i will not back down until you

2448

01:33:01,110 --> 01:33:00,320

give me a better explanation to what you

2449

01:33:02,709 --> 01:33:01,120

just given

2450

01:33:04,229 --> 01:33:02,719

you know that kind of thing you know

2451

01:33:04,470 --> 01:33:04,239

it's because wow yeah like you said you

2452

01:33:06,310 --> 01:33:04,480

know

2453

01:33:07,910 --> 01:33:06,320

just telling him go do it for the sake

2454

01:33:08,310 --> 01:33:07,920

of doing that it's not good enough it's

2455

01:33:11,430 --> 01:33:08,320

like

2456

01:33:13,030 --> 01:33:11,440

you know oh no he's got the 22-4 yeah no

2457

01:33:13,990 --> 01:33:13,040

no you're not going to be able to just

2458

01:33:18,629 --> 01:33:14,000

say do it

2459

01:33:20,310 --> 01:33:18,639

no well i mean so yeah

2460

01:33:21,830 --> 01:33:20,320

you know that book i'm going to tell you

2461

01:33:23,910 --> 01:33:21,840

that book called what makes your child

2462

01:33:25,830 --> 01:33:23,920

tick you'll find yourself out too

2463

01:33:27,350 --> 01:33:25,840

in there it's a really good book and i

2464

01:33:29,590 --> 01:33:27,360

think it's only 14

2465

01:33:31,110 --> 01:33:29,600

or something on amazon but that's that

2466

01:33:33,590 --> 01:33:31,120

i'm really proud of that book

2467

01:33:35,830 --> 01:33:33,600

actually because i think adults can find

2468

01:33:37,830 --> 01:33:35,840

out why their childhood was the way that

2469

01:33:38,229 --> 01:33:37,840

it was when they read about themselves

2470

01:33:40,950 --> 01:33:38,239

in that

2471

01:33:42,870 --> 01:33:40,960

because it's easy to calculate it i mean

2472

01:33:44,790 --> 01:33:42,880

it just you go into the birth date and

2473

01:33:46,229 --> 01:33:44,800

it's just right there it tells you

2474

01:33:48,709 --> 01:33:46,239

what your attitude number was

2475

01:33:51,270 --> 01:33:48,719

immediately okay good deal

2476

01:33:52,629 --> 01:33:51,280

well sally thank you very much and for

2477

01:33:55,510 --> 01:33:52,639

everyone else watching

2478

01:33:57,270 --> 01:33:55,520

you know uh please check out all the uh

2479

01:33:59,669 --> 01:33:57,280

things that she has to offer i have

2480

01:34:00,310 --> 01:33:59,679

i do have my website too did you yeah

2481

01:34:03,030 --> 01:34:00,320

yeah

2482

01:34:04,629 --> 01:34:03,040

yep the website uh direct link to the to

2483

01:34:05,750 --> 01:34:04,639

the readings if you would like to book

2484

01:34:08,950 --> 01:34:05,760

one with sally

2485

01:34:11,350 --> 01:34:08,960

uh to the link to the to the app

2486

01:34:13,510 --> 01:34:11,360

and also all four links to the four

2487

01:34:15,590 --> 01:34:13,520

books so they're all in the description

2488

01:34:16,870 --> 01:34:15,600

if you're on facebook i believe it's

2489

01:34:19,750 --> 01:34:16,880

above the video

2490

01:34:20,390 --> 01:34:19,760

the entire um entire layout if you're on

2491

01:34:22,390 --> 01:34:20,400

youtube

2492

01:34:23,910 --> 01:34:22,400

it's below the video it's in a

2493

01:34:25,510 --> 01:34:23,920

description box sometimes

2494

01:34:27,430 --> 01:34:25,520

it hides it and you might have to click

2495

01:34:28,229 --> 01:34:27,440

on the show more but it's all there and

2496

01:34:30,070 --> 01:34:28,239

i would like you

2497

01:34:31,270 --> 01:34:30,080

you know to to be able to get whatever

2498

01:34:33,669 --> 01:34:31,280

you can from it so

2499

01:34:34,870 --> 01:34:33,679

if you were intrigued as i am you know

2500

01:34:36,550 --> 01:34:34,880

don't hesitate

2501  
01:34:38,870 --> 01:34:36,560  
you know book yourself anything i'd like

2502  
01:34:39,430 --> 01:34:38,880  
to say sure anybody that calls from your

2503  
01:34:41,189 --> 01:34:39,440  
program

2504  
01:34:42,470 --> 01:34:41,199  
i will give them the discounts

2505  
01:34:45,910 --> 01:34:42,480  
regardless of whether they

2506  
01:34:47,750 --> 01:34:45,920  
book it in in august or not so they will

2507  
01:34:49,350 --> 01:34:47,760  
get the discount and they all they have

2508  
01:34:51,750 --> 01:34:49,360  
to do is tell me that they were on

2509  
01:34:53,270 --> 01:34:51,760  
you know they listen to the show because

2510  
01:34:54,790 --> 01:34:53,280  
i don't feel it's fair to them that

2511  
01:34:57,109 --> 01:34:54,800  
there's only a few more

2512  
01:34:58,709 --> 01:34:57,119  
days before i would change it you know

2513  
01:35:00,629 --> 01:34:58,719

so well thank you for that

2514

01:35:02,390 --> 01:35:00,639

yeah well all of you i hope you take

2515

01:35:03,350 --> 01:35:02,400

advantage of it so if they just

2516

01:35:06,790 --> 01:35:03,360

mentioned that they

2517

01:35:09,109 --> 01:35:06,800

heard you in ufo hub would that be good

2518

01:35:10,470 --> 01:35:09,119

yeah they can't have the half hour rate

2519

01:35:11,510 --> 01:35:10,480

because that's for people who are

2520

01:35:13,910 --> 01:35:11,520

returning

2521

01:35:15,270 --> 01:35:13,920

to me but they can do the hour which is

2522

01:35:17,990 --> 01:35:15,280

125.

2523

01:35:18,470 --> 01:35:18,000

and it will be raised to it i believe

2524

01:35:21,189 --> 01:35:18,480

around

2525

01:35:21,830 --> 01:35:21,199

at least 175 i'm going to raise it up to

2526

01:35:24,790 --> 01:35:21,840

again

2527

01:35:26,470 --> 01:35:24,800

i was 180 for years and i might drop it

2528

01:35:29,350 --> 01:35:26,480

by five bucks i don't know

2529

01:35:29,910 --> 01:35:29,360

right just well all of you that are

2530

01:35:32,550 --> 01:35:29,920

interested

2531

01:35:34,070 --> 01:35:32,560

i hope you take advantage of it if you i

2532

01:35:35,830 --> 01:35:34,080

found it very useful

2533

01:35:37,750 --> 01:35:35,840

you know sally thank you so much for

2534

01:35:39,750 --> 01:35:37,760

this in-depth reading about me

2535

01:35:41,189 --> 01:35:39,760

uh so i'm glad that you know there's

2536

01:35:43,350 --> 01:35:41,199

still good things coming

2537

01:35:44,629 --> 01:35:43,360

and you know you should just keep on

2538

01:35:47,910 --> 01:35:44,639

trucking so

2539

01:35:51,350 --> 01:35:47,920

you're a dreamboat in my world

2540

01:35:53,910 --> 01:35:51,360

so i really i really love your chart wow

2541

01:35:56,470 --> 01:35:53,920

yeah well again thank you very much i'm

2542

01:35:58,149 --> 01:35:56,480

really glad we were able to connect and

2543

01:36:01,030 --> 01:35:58,159

appreciate also everyone else that

2544

01:36:04,310 --> 01:36:01,040

called in and is watching on on the web

2545

01:36:07,510 --> 01:36:04,320

so check out sally's website um

2546

01:36:08,149 --> 01:36:07,520

next week uh wednesday as usual i'm

2547

01:36:11,669 --> 01:36:08,159

gonna have

2548

01:36:13,510 --> 01:36:11,679

at seven o'clock um open lines and then

2549

01:36:15,750 --> 01:36:13,520

of course that friday have another guess

2550

01:36:18,950 --> 01:36:15,760

but i'll keep you posted regarding that

2551

01:36:20,070 --> 01:36:18,960

but uh again sally thank you you know uh

2552

01:36:22,830 --> 01:36:20,080

i really appreciate it

2553

01:36:23,910 --> 01:36:22,840

uh very very much i appreciate this very

2554

01:36:25,590 --> 01:36:23,920

much yeah but

2555

01:36:27,510 --> 01:36:25,600

i do as well i'm pretty sure everyone

2556

01:36:29,030 --> 01:36:27,520

else you know that that you were able to

2557

01:36:31,510 --> 01:36:29,040

to read their numbers because that's

2558

01:36:33,350 --> 01:36:31,520

always cool so uh yeah hang tight don't

2559

01:36:34,629 --> 01:36:33,360

hang up on me but i'm gonna say goodbye

2560

01:36:37,510 --> 01:36:34,639

to the audience and

2561

01:36:38,310 --> 01:36:37,520

um so yeah everyone thanks again very

2562

01:36:40,550 --> 01:36:38,320

much
