5
00:03:54,149 --> 00:03:51,910
hi everyone welcome to geoff webb live

6
00:03:55,830 --> 00:03:54,159
stream uh today's guest is going to be

7
00:03:58,149 --> 00:03:55,840
dr melinda greer

8
00:03:59,830 --> 00:03:58,159
so i will be talking to her about

9
00:04:02,630 --> 00:03:59,840
several different modalities

10
00:04:03,110 --> 00:04:02,640
because uh she's pretty much experienced

11
00:04:10,630 --> 00:04:03,120
you know

12
00:04:14,070 --> 00:04:10,640
in a few so um she actually was

13
00:04:15,830 --> 00:04:14,080

uh contributed a chapter uh in to the

14

00:04:17,590 --> 00:04:15,840

i think it's called the greater reality

15

00:04:19,990 --> 00:04:17,600

which is a book that

16

00:04:20,629 --> 00:04:20,000

ray hernandez and the team has written

17

00:04:22,310 --> 00:04:20,639

about

18

00:04:24,310 --> 00:04:22,320

and maybe she can tell me a little bit

19

00:04:27,189 --> 00:04:24,320

about that as well but

20

00:04:28,870 --> 00:04:27,199

for now i just wanted to basically say

21

00:04:31,189 --> 00:04:28,880

um

22

00:04:32,710 --> 00:04:31,199

regarding past wednesday i know some of

23

00:04:35,830 --> 00:04:32,720

you might have gotten a message

24

00:04:36,550 --> 00:04:35,840

or um or maybe not i couldn't do an open

25

00:04:39,510 --> 00:04:36,560

lines

26

00:04:40,790 --> 00:04:39,520

and so i always try to just meet with

27

00:04:42,230 --> 00:04:40,800

with you guys online

28

00:04:44,469 --> 00:04:42,240

at least once a week but sometimes

29

00:04:45,189 --> 00:04:44,479

things come up and i really just get too

30

00:04:47,990 --> 00:04:45,199

swamped

31

00:04:48,310 --> 00:04:48,000

so but i promise next wednesday um we'll

32

00:04:51,189 --> 00:04:48,320

have

33

00:04:51,909 --> 00:04:51,199

plenty to talk about um to make it up to

34

00:04:54,390 --> 00:04:51,919

you guys

35

00:04:56,710 --> 00:04:54,400

i at least posted a video of a really

36

00:04:59,350 --> 00:04:56,720

cool looking shifting

37

00:05:01,189 --> 00:04:59,360

object ufo whatever you want to call it

38

00:05:03,189 --> 00:05:01,199

so check it out on telegram

39

00:05:05,029 --> 00:05:03,199

and speaking of telegram we're also

40

00:05:07,830 --> 00:05:05,039

simultaneously broadcasting

41

00:05:08,469 --> 00:05:07,840

uh voice only over telegram and you can

42

00:05:11,270 --> 00:05:08,479

use

43

00:05:11,670 --> 00:05:11,280

uh the voice chat in there to also come

44

00:05:18,629 --> 00:05:11,680

q

45

00:05:20,710 --> 00:05:18,639

hear the answer

46

00:05:23,670 --> 00:05:20,720

and but if you're too shy and don't want

47

00:05:25,270 --> 00:05:23,680

to the the chat will do just fine either

48

00:05:28,390 --> 00:05:25,280

on facebook or on youtube

49

00:05:30,230 --> 00:05:28,400

whatever you prefer so

50

00:05:31,590 --> 00:05:30,240

let's see here i think i covered

51
00:05:35,189 --> 00:05:31,600
everything i want to cover

52
00:05:37,029 --> 00:05:35,199
so without any uh further ado

53
00:05:38,550 --> 00:05:37,039
um melinda welcome you know thanks for

54
00:05:42,230 --> 00:05:38,560
being on

55
00:05:45,110 --> 00:05:42,240
thanks for having me well so i figured

56
00:05:46,390 --> 00:05:45,120
um usually you know i have a when i want

57
00:05:49,749 --> 00:05:46,400
to ask a question

58
00:05:51,430 --> 00:05:49,759
there's um you know i always ask the

59
00:05:53,270 --> 00:05:51,440
the person you know how did you get into

60
00:05:54,390 --> 00:05:53,280
this but i don't know that this is

61
00:05:56,950 --> 00:05:54,400
something that you get

62
00:05:58,790 --> 00:05:56,960
into you know so i figured i'll just

63
00:06:01,510 --> 00:05:58,800

leave it up to you to kind of start out

64

00:06:02,790 --> 00:06:01,520

what which one of the modals was the

65

00:06:06,070 --> 00:06:02,800

first thing that kind of

66

00:06:08,550 --> 00:06:06,080

happened to you and i guess maybe start

67

00:06:12,230 --> 00:06:08,560

from there

68

00:06:14,230 --> 00:06:12,240

okay um i have to say it's been a

69

00:06:15,990 --> 00:06:14,240

lifelong process but probably it all

70

00:06:17,350 --> 00:06:16,000

started when i was around five or six

71

00:06:19,110 --> 00:06:17,360

years old

72

00:06:20,629 --> 00:06:19,120

i mean looking back retrospectively

73

00:06:23,830 --> 00:06:20,639

that's probably when things

74

00:06:25,590 --> 00:06:23,840

started for me that i'm aware of um

75

00:06:27,110 --> 00:06:25,600

i had a what might be called a

76
00:06:28,790 --> 00:06:27,120
near-death experience or a near-death

77
00:06:31,830 --> 00:06:28,800
black experience i really don't know

78
00:06:33,830 --> 00:06:31,840
i was just a kid so i really don't know

79
00:06:34,870 --> 00:06:33,840
how close to death i was i thought i was

80
00:06:36,870 --> 00:06:34,880
dying so

81
00:06:38,309 --> 00:06:36,880
um might call it a near-death lack

82
00:06:39,830 --> 00:06:38,319
experience whether i would have died or

83
00:06:43,350 --> 00:06:39,840
not i don't know

84
00:06:43,909 --> 00:06:43,360
but um long story short i was probably

85
00:06:46,870 --> 00:06:43,919
septic

86
00:06:47,430 --> 00:06:46,880
which is a serious infection after a cat

87
00:06:50,070 --> 00:06:47,440
bite

88
00:06:51,589 --> 00:06:50,080

and um i don't know why my parents

89

00:06:52,870 --> 00:06:51,599

didn't realize how sick i was but i

90

00:06:55,749 --> 00:06:52,880

remember being put to bed

91

00:06:57,270 --> 00:06:55,759

and um told i'd be okay in the morning

92

00:06:59,749 --> 00:06:57,280

and

93

00:07:00,830 --> 00:06:59,759

uh thinking i was going to die because i

94

00:07:04,390 --> 00:07:00,840

felt that bad

95

00:07:05,029 --> 00:07:04,400

and during the night i was sicker and

96

00:07:06,309 --> 00:07:05,039

sicker my

97

00:07:08,150 --> 00:07:06,319

temperature was higher and higher and i

98

00:07:10,870 --> 00:07:08,160

was really too sick to get out of bed

99

00:07:12,070 --> 00:07:10,880

and go seek any help and i remember

100

00:07:15,510 --> 00:07:12,080

going to a place

101
00:07:16,550 --> 00:07:15,520
um it was very it was it's hard to

102
00:07:19,670 --> 00:07:16,560
explain

103
00:07:21,990 --> 00:07:19,680
it was total darkness um but it was a

104
00:07:23,990 --> 00:07:22,000
loving darkness it was like embodiment

105
00:07:27,430 --> 00:07:24,000
of love i can't explain it

106
00:07:29,749 --> 00:07:27,440
um and there i was

107
00:07:30,870 --> 00:07:29,759
i was not a three-dimensional creature i

108
00:07:33,909 --> 00:07:30,880
was

109
00:07:37,749 --> 00:07:33,919
able to see in all directions at once

110
00:07:39,510 --> 00:07:37,759
you know 360 vision

111
00:07:40,950 --> 00:07:39,520
spherical vision i guess you would call

112
00:07:43,270 --> 00:07:40,960
it

113
00:07:43,990 --> 00:07:43,280

i remember being able to have sense

114

00:07:47,670 --> 00:07:44,000

sensory input

115

00:07:50,790 --> 00:07:47,680

that i don't have here in this world um

116

00:07:53,029 --> 00:07:50,800

i remember being enveloped a sense of

117

00:07:56,150 --> 00:07:53,039

almost like a parental

118

00:07:58,230 --> 00:07:56,160

love you know and something that was

119

00:08:00,309 --> 00:07:58,240

comforting me and showing me the

120

00:08:01,110 --> 00:08:00,319

universe i remember seeing like planets

121

00:08:04,390 --> 00:08:01,120

and stars

122

00:08:05,510 --> 00:08:04,400

and just you know galaxies and things

123

00:08:08,869 --> 00:08:05,520

like that i mean it was a

124

00:08:12,550 --> 00:08:08,879

it was a wonderful experience and

125

00:08:15,749 --> 00:08:12,560

then you know i woke up

126

00:08:18,869 --> 00:08:15,759

and i remember immediately

127

00:08:19,430 --> 00:08:18,879

just you know breaking into tears i mean

128

00:08:22,790 --> 00:08:19,440

i

129

00:08:25,510 --> 00:08:22,800

well you don't have a fever

130

00:08:26,710 --> 00:08:25,520

um you're not sick anymore i was just

131

00:08:30,230 --> 00:08:26,720

profoundly

132

00:08:32,709 --> 00:08:30,240

um upset that

133

00:08:34,310 --> 00:08:32,719

you know i wasn't in that place anymore

134

00:08:35,909 --> 00:08:34,320

and that i wasn't surrounded by that

135

00:08:38,949 --> 00:08:35,919

love anymore

136

00:08:40,149 --> 00:08:38,959

and um i remember kind of pitching a bit

137

00:08:43,110 --> 00:08:40,159

of a tantrum

138

00:08:45,030 --> 00:08:43,120

in my bedroom and then just going on

139

00:08:47,030 --> 00:08:45,040

with my life and not thinking much about

140

00:08:51,829 --> 00:08:47,040

it but after that happened

141

00:08:55,670 --> 00:08:53,829

that wasn't my only death experience

142

00:08:57,509 --> 00:08:55,680

i'll talk about since we're on that

143

00:08:59,110 --> 00:08:57,519

subject i'll talk about the second one

144

00:09:03,990 --> 00:08:59,120

which sure

145

00:09:07,590 --> 00:09:04,000

in 2013 if that's okay um

146

00:09:12,550 --> 00:09:07,600

as an adult i was um

147

00:09:16,790 --> 00:09:12,560

so i would have been 55. uh i was in a

148

00:09:18,470 --> 00:09:16,800

cv icu you know i was in critical care

149

00:09:20,949 --> 00:09:18,480

they thought i had a dissecting aortic

150

00:09:22,710 --> 00:09:20,959

aneurysm i'd been sitting a helicopter

151
00:09:24,389 --> 00:09:22,720
because the referring hospital thought i

152
00:09:25,110 --> 00:09:24,399
had a dissecting aortic aneurysm which

153
00:09:27,030 --> 00:09:25,120
is

154
00:09:28,790 --> 00:09:27,040
basically the aorta coming out of your

155
00:09:29,990 --> 00:09:28,800
heart it was about to burst is what they

156
00:09:32,470 --> 00:09:30,000
thought

157
00:09:33,829 --> 00:09:32,480
and i mean it was pretty detailed and

158
00:09:35,509 --> 00:09:33,839
everything like that

159
00:09:37,430 --> 00:09:35,519
the night before i'd actually been taken

160
00:09:38,949 --> 00:09:37,440
to the or they had the heart lung

161
00:09:42,310 --> 00:09:38,959
machine prepped

162
00:09:44,150 --> 00:09:42,320
with my a-negative blood and um

163
00:09:45,829 --> 00:09:44,160

then they decided after doing an

164

00:09:47,910 --> 00:09:45,839

echocardiogram where they actually put a

165

00:09:49,509 --> 00:09:47,920

probe down into my esophagus

166

00:09:50,949 --> 00:09:49,519

and looked at it the heart from the side

167

00:09:52,389 --> 00:09:50,959

that i didn't have that they didn't know

168

00:09:54,310 --> 00:09:52,399

what was wrong but

169

00:09:56,310 --> 00:09:54,320

um they decided not to do the surgery

170

00:09:59,190 --> 00:09:56,320

thankfully so i don't have a big scar

171

00:10:01,350 --> 00:09:59,200

and um i woke up the next morning with a

172

00:10:02,790 --> 00:10:01,360

sore throat in the cvicu

173

00:10:04,470 --> 00:10:02,800

so then they wanted me to go to another

174

00:10:06,150 --> 00:10:04,480

building and i found

175

00:10:08,710 --> 00:10:06,160

found out that it was actually you had

176
00:10:11,190 --> 00:10:08,720
to go down through this long tunnel

177
00:10:12,630 --> 00:10:11,200
to and it was actually under a roadway

178
00:10:15,670 --> 00:10:12,640
this long tunnel

179
00:10:16,949 --> 00:10:15,680
uh to an elevator underground

180
00:10:19,350 --> 00:10:16,959
to go to this other building that was

181
00:10:21,829 --> 00:10:19,360
across the road

182
00:10:23,990 --> 00:10:21,839
and while i was going in right there my

183
00:10:25,990 --> 00:10:24,000
nurse was pushing me in a wheelchair

184
00:10:27,829 --> 00:10:26,000
and that's when this other near-death

185
00:10:31,190 --> 00:10:27,839
experience occurred

186
00:10:33,509 --> 00:10:31,200
i still had an arterial line in my wrist

187
00:10:35,350 --> 00:10:33,519
from the night before so they were able

188
00:10:37,990 --> 00:10:35,360

to because of telemetry

189

00:10:39,990 --> 00:10:38,000

which it was you know remotely giving my

190

00:10:42,470 --> 00:10:40,000

blood pressure my heart rate

191

00:10:43,269 --> 00:10:42,480

and that sort of thing back to the icu

192

00:10:47,030 --> 00:10:43,279

techs

193

00:10:48,710 --> 00:10:47,040

that were monitoring all this and

194

00:10:51,190 --> 00:10:48,720

anyway they started seeing a decrease

195

00:10:53,190 --> 00:10:51,200

but i didn't think anything was wrong

196

00:10:54,470 --> 00:10:53,200

i remember getting towards the end of

197

00:10:56,310 --> 00:10:54,480

that long tunnel

198

00:10:57,750 --> 00:10:56,320

you know underground and we're heading

199

00:11:00,069 --> 00:10:57,760

towards the elevator and i started

200

00:11:00,949 --> 00:11:00,079

losing my vision and my hearing and i

201
00:11:02,630 --> 00:11:00,959
told the nurse

202
00:11:03,990 --> 00:11:02,640
that something wasn't right i was about

203
00:11:05,509 --> 00:11:04,000
to pass out

204
00:11:07,509 --> 00:11:05,519
and she says do we need to go back to

205
00:11:10,630 --> 00:11:07,519
the cvicu i said i think so

206
00:11:11,990 --> 00:11:10,640
and um i said i think i need to get on

207
00:11:15,670 --> 00:11:12,000
the floor

208
00:11:16,790 --> 00:11:15,680
last thing i remembered was her yanking

209
00:11:18,949 --> 00:11:16,800
me up by my hair

210
00:11:20,710 --> 00:11:18,959
and my hospital gown back into the

211
00:11:22,790 --> 00:11:20,720
wheelchair um

212
00:11:24,310 --> 00:11:22,800
and then after that i went to this

213
00:11:27,590 --> 00:11:24,320

wonderful place

214

00:11:30,389 --> 00:11:27,600

um that i didn't you know

215

00:11:32,310 --> 00:11:30,399

it was it was like the first time except

216

00:11:34,470 --> 00:11:32,320

instead of being total darkness and love

217

00:11:37,670 --> 00:11:34,480

it was total light and love

218

00:11:39,509 --> 00:11:37,680

and it it's like you were

219

00:11:40,870 --> 00:11:39,519

saturated with it the light was

220

00:11:42,310 --> 00:11:40,880

everywhere um

221

00:11:44,150 --> 00:11:42,320

i don't remember a tunnel i don't

222

00:11:45,670 --> 00:11:44,160

remember any dearly departed

223

00:11:47,670 --> 00:11:45,680

i just remember being back where i

224

00:11:50,470 --> 00:11:47,680

belonged and

225

00:11:51,670 --> 00:11:50,480

with a group of i'll just have to call

226

00:11:54,389 --> 00:11:51,680

them entities we weren't

227

00:11:55,110 --> 00:11:54,399

physical so energy i don't know what we

228

00:11:57,350 --> 00:11:55,120

were

229

00:11:58,550 --> 00:11:57,360

uh a group of entities that i had known

230

00:12:01,670 --> 00:11:58,560

since the beginning

231

00:12:05,269 --> 00:12:01,680

of whatever my existence is and

232

00:12:06,710 --> 00:12:05,279

um it's like

233

00:12:10,230 --> 00:12:06,720

it's hard to explain people don't

234

00:12:13,269 --> 00:12:10,240

understand it it's like

235

00:12:18,150 --> 00:12:16,710

just swoop i downloaded what it was like

236

00:12:21,829 --> 00:12:18,160

to be melinda greer

237

00:12:24,870 --> 00:12:21,839

you know on earth all to these beings

238

00:12:28,470 --> 00:12:24,880

all at the same time it was like we were

239

00:12:31,750 --> 00:12:30,310

we were like individuals but yet we were

240

00:12:33,350 --> 00:12:31,760

part of a group and

241

00:12:35,670 --> 00:12:33,360

i was able to just download everything

242

00:12:37,750 --> 00:12:35,680

it was like it's like all emotions all

243

00:12:41,590 --> 00:12:37,760

memories all impressions

244

00:12:43,990 --> 00:12:41,600

all beliefs everything uh went and just

245

00:12:44,710 --> 00:12:44,000

was downloaded into these other entities

246

00:12:47,269 --> 00:12:44,720

that were

247

00:12:48,870 --> 00:12:47,279

my you know my group and then they

248

00:12:50,949 --> 00:12:48,880

downloaded me

249

00:12:51,990 --> 00:12:50,959

with what i would need to be caught up

250

00:12:55,750 --> 00:12:52,000

with that i had missed

251
00:12:58,790 --> 00:12:55,760
out you know after you know being gone

252
00:13:00,470 --> 00:12:58,800
and um then i just got to have a long

253
00:13:01,990 --> 00:13:00,480
there's no time there so i can't say you

254
00:13:04,310 --> 00:13:02,000
know it's a thousand years

255
00:13:06,150 --> 00:13:04,320
eternity whatever but it seemed like a

256
00:13:08,949 --> 00:13:06,160
long period of just kind of some r r

257
00:13:10,550 --> 00:13:08,959
because you know i was made aware that

258
00:13:13,750 --> 00:13:10,560
going to earth being in this

259
00:13:16,150 --> 00:13:13,760
existence is really tough and then i

260
00:13:19,509 --> 00:13:16,160
needed to relax a bit i guess

261
00:13:19,990 --> 00:13:19,519
and so i i got to just you know be there

262
00:13:23,269 --> 00:13:20,000
and chill

263
00:13:25,910 --> 00:13:23,279

for a while and then kind of came to a

264

00:13:27,590 --> 00:13:25,920

consensus that i needed to come back

265

00:13:28,949 --> 00:13:27,600

like i said i was an individual but yet

266

00:13:29,750 --> 00:13:28,959

i was part of a group and the group made

267

00:13:31,190 --> 00:13:29,760

the decision

268

00:13:33,590 --> 00:13:31,200

and i wasn't going to go against the

269

00:13:36,310 --> 00:13:33,600

group because you just don't do that

270

00:13:38,230 --> 00:13:36,320

and so i you know came back i was a

271

00:13:40,230 --> 00:13:38,240

little bit reluctant but

272

00:13:43,590 --> 00:13:40,240

i did it and so then the next thing i

273

00:13:46,629 --> 00:13:43,600

remember is waking up in the cv icu

274

00:13:48,710 --> 00:13:46,639

i still had tunnel vision when you

275

00:13:50,310 --> 00:13:48,720

don't have oxygen for a while you lose

276

00:13:52,470 --> 00:13:50,320

your peripheral vision

277

00:13:54,710 --> 00:13:52,480

i can't say how long i mean i know i was

278

00:13:56,629 --> 00:13:54,720

an asystole because i have the ekg

279

00:13:58,629 --> 00:13:56,639

tracing to prove and it says asystole

280

00:14:01,350 --> 00:13:58,639

and there's no heart rate

281

00:14:02,310 --> 00:14:01,360

but asystole is where you don't have a

282

00:14:05,509 --> 00:14:02,320

heartbeat

283

00:14:08,790 --> 00:14:05,519

on the ekg um anyway

284

00:14:10,230 --> 00:14:08,800

um i don't know how long it was i just

285

00:14:15,829 --> 00:14:10,240

know that

286

00:14:18,470 --> 00:14:15,839

when i came around it was pandemonium

287

00:14:20,550 --> 00:14:18,480

lot of things happening but i was even

288

00:14:23,110 --> 00:14:20,560

though i found out later and i i knew i

289

00:14:25,110 --> 00:14:23,120

had had seizures because i was

290

00:14:26,949 --> 00:14:25,120

in pain all over i mean i tore torn

291

00:14:28,550 --> 00:14:26,959

muscles having seizures on the way back

292

00:14:31,350 --> 00:14:28,560

in that wheelchair

293

00:14:32,150 --> 00:14:31,360

but even though i'd had the seizures and

294

00:14:34,069 --> 00:14:32,160

everything i

295

00:14:35,670 --> 00:14:34,079

came back immediately lucid to the point

296

00:14:36,389 --> 00:14:35,680

where i was actually almost immediately

297

00:14:40,150 --> 00:14:36,399

critiquing

298

00:14:42,550 --> 00:14:40,160

the team that was resuscitating me um

299

00:14:44,870 --> 00:14:42,560

and you know it's kind of amusing you

300

00:14:47,509 --> 00:14:44,880

don't usually come back from seizures um

301
00:14:49,030 --> 00:14:47,519
lucid and able to process information

302
00:14:50,470 --> 00:14:49,040
and i was immediately processing

303
00:14:52,150 --> 00:14:50,480
information

304
00:14:54,230 --> 00:14:52,160
and then you know i had more of a work

305
00:14:55,750 --> 00:14:54,240
up and they found some problems in my

306
00:14:56,949 --> 00:14:55,760
pulmonary system but there was nothing

307
00:14:58,629 --> 00:14:56,959
wrong with my heart i told my heart i

308
00:14:59,750 --> 00:14:58,639
was told my heart was pristine there was

309
00:15:01,430 --> 00:14:59,760
absolutely nothing i didn't even have

310
00:15:03,509 --> 00:15:01,440
any plaque anywhere

311
00:15:06,710 --> 00:15:03,519
so you know the whole thing was kind of

312
00:15:09,829 --> 00:15:06,720
mysterious why i was even there

313
00:15:10,550 --> 00:15:09,839

um and you know i was fine afterwards

314

00:15:12,629 --> 00:15:10,560

and

315

00:15:13,750 --> 00:15:12,639

you know it took me a week to recover

316

00:15:16,470 --> 00:15:13,760

from it i was

317

00:15:18,790 --> 00:15:16,480

you know pretty wiped out and exhausted

318

00:15:21,350 --> 00:15:18,800

and everything but um

319

00:15:23,030 --> 00:15:21,360

you know it was a wonderful experience i

320

00:15:24,069 --> 00:15:23,040

highly recommend death i i highly

321

00:15:25,670 --> 00:15:24,079

recommend it

322

00:15:27,990 --> 00:15:25,680

and something i just think about every

323

00:15:31,030 --> 00:15:29,749

i mean i'm ready to go back but i mean

324

00:15:32,069 --> 00:15:31,040

you have to be here you're you're here

325

00:15:34,470 --> 00:15:32,079

for a reason

326

00:15:36,470 --> 00:15:34,480

you have to fulfill that purpose and i

327

00:15:38,550 --> 00:15:36,480

guess i haven't done it yet so

328

00:15:39,590 --> 00:15:38,560

anyway i'm still here well is that

329

00:15:42,389 --> 00:15:39,600

something that

330

00:15:43,189 --> 00:15:42,399

that was conveyed to you uh during that

331

00:15:46,470 --> 00:15:43,199

time that

332

00:15:49,110 --> 00:15:46,480

that you were you were here for a reason

333

00:15:49,509 --> 00:15:49,120

you i would assume you died for reason

334

00:15:51,829 --> 00:15:49,519

two

335

00:15:52,870 --> 00:15:51,839

was it just to kind of catch back up

336

00:15:55,189 --> 00:15:52,880

about oh hey

337

00:15:56,629 --> 00:15:55,199

remember who you are and what you're

338

00:15:58,629 --> 00:15:56,639

doing here what what

339

00:16:01,670 --> 00:15:58,639

did you gather more from from what you

340

00:16:05,749 --> 00:16:04,870

so i've had this these weird experiences

341

00:16:07,350 --> 00:16:05,759

throughout my life

342

00:16:08,949 --> 00:16:07,360

and all these different modalities that

343

00:16:10,710 --> 00:16:08,959

i'm starting to recognize that term

344

00:16:13,749 --> 00:16:10,720

modalities

345

00:16:16,310 --> 00:16:13,759

and each time i would just like

346

00:16:17,990 --> 00:16:16,320

yeah it happened i got to go on and i

347

00:16:19,590 --> 00:16:18,000

wouldn't process it i wouldn't

348

00:16:21,350 --> 00:16:19,600

come to terms with it i would just try

349

00:16:22,629 --> 00:16:21,360

to bury it and you know you can't talk

350

00:16:23,829 --> 00:16:22,639

to and you can talk to people about it

351

00:16:25,430 --> 00:16:23,839

nowadays but

352

00:16:27,670 --> 00:16:25,440

two three four decades ago you couldn't

353

00:16:32,870 --> 00:16:27,680

talk to people about this sort of thing

354

00:16:34,949 --> 00:16:32,880

and so i just think i'm a slow learner

355

00:16:36,710 --> 00:16:34,959

and i just needed that one more

356

00:16:39,990 --> 00:16:36,720

reinforcement to know that

357

00:16:43,430 --> 00:16:40,000

you know this is real and

358

00:16:47,509 --> 00:16:43,440

reality is not what we think it is and

359

00:16:49,910 --> 00:16:47,519

uh there's just a lot out there that

360

00:16:51,670 --> 00:16:49,920

the average human being is totally

361

00:16:55,189 --> 00:16:51,680

unaware of

362

00:16:56,230 --> 00:16:55,199

um and

363

00:16:58,710 --> 00:16:56,240

we just need to have a better

364

00:17:01,030 --> 00:16:58,720

understanding of reality

365

00:17:02,069 --> 00:17:01,040

right do you do you want to recap so

366

00:17:04,390 --> 00:17:02,079

first false

367

00:17:05,189 --> 00:17:04,400

you had a near-death experience then you

368

00:17:08,470 --> 00:17:05,199

had some

369

00:17:10,309 --> 00:17:08,480

experiences with ufos and then um

370

00:17:12,309 --> 00:17:10,319

um you also i forgot what you called

371

00:17:13,510 --> 00:17:12,319

that you you said you had an encounter

372

00:17:18,710 --> 00:17:13,520

with the

373

00:17:22,470 --> 00:17:18,720

huh and what was that can you

374

00:17:25,669 --> 00:17:22,480

that's the term also known as bigfoot

375

00:17:26,069 --> 00:17:25,679

okay so good deal you know as a child i

376

00:17:28,950 --> 00:17:26,079

was

377

00:17:29,350 --> 00:17:28,960

a strange child i had unusual dreams i

378

00:17:31,750 --> 00:17:29,360

had

379

00:17:34,310 --> 00:17:31,760

um what i now recognize were probably

380

00:17:35,830 --> 00:17:34,320

guides of some sort i really don't know

381

00:17:37,750 --> 00:17:35,840

so there was a lot of things going on in

382

00:17:40,070 --> 00:17:37,760

my childhood as well

383

00:17:41,909 --> 00:17:40,080

um that were just unusual that i just

384

00:17:43,990 --> 00:17:41,919

had to hide from other people because

385

00:17:46,070 --> 00:17:44,000

when i talked about it you get crazy it

386

00:17:47,270 --> 00:17:46,080

looks like you've got two heads and

387

00:17:49,909 --> 00:17:47,280

you know you just learn not to talk

388

00:17:52,549 --> 00:17:49,919

about it so i mean i can't

389

00:17:54,070 --> 00:17:52,559

say that i was abducted by aliens or any

390

00:17:55,750 --> 00:17:54,080

like thing like that

391

00:17:57,430 --> 00:17:55,760

but i have had but you did have missing

392

00:17:59,990 --> 00:17:57,440

time right

393

00:18:00,549 --> 00:18:00,000

yes as an adult as a child i i mostly

394

00:18:05,350 --> 00:18:00,559

had

395

00:18:07,190 --> 00:18:05,360

um it's hard to explain it's like

396

00:18:09,110 --> 00:18:07,200

information would be downloaded into me

397

00:18:11,909 --> 00:18:09,120

or put into my head i would i

398

00:18:13,430 --> 00:18:11,919

i asked internally i asked why a lot i

399

00:18:14,710 --> 00:18:13,440

didn't ask my parents because i learned

400

00:18:15,830 --> 00:18:14,720

not to do that i didn't ask

401
00:18:17,830 --> 00:18:15,840
you know the people at the church i

402
00:18:20,230 --> 00:18:17,840
learned not to do that

403
00:18:21,750 --> 00:18:20,240
so kind of internally i'd ask why and

404
00:18:23,510 --> 00:18:21,760
i'd get these answers and they were

405
00:18:24,710 --> 00:18:23,520
correct i mean once i got an adult

406
00:18:25,669 --> 00:18:24,720
perspective i knew that they were

407
00:18:28,950 --> 00:18:25,679
correct

408
00:18:31,669 --> 00:18:28,960
as to you know social dynamics and the

409
00:18:32,789 --> 00:18:31,679
internal motivations of humans and

410
00:18:34,390 --> 00:18:32,799
things like that i would

411
00:18:35,830 --> 00:18:34,400
always just sit around and watch people

412
00:18:37,430 --> 00:18:35,840
and wonder why they did the things they

413
00:18:38,789 --> 00:18:37,440

did and that kind of stuff

414

00:18:41,510 --> 00:18:38,799

it was just a lot of information that

415

00:18:42,470 --> 00:18:41,520

helped me navigate being a human child

416

00:18:44,710 --> 00:18:42,480

and helped me

417

00:18:46,390 --> 00:18:44,720

stay safe and some i mean i really felt

418

00:18:51,350 --> 00:18:46,400

like they looked out for me

419

00:18:54,310 --> 00:18:51,360

um and then when i was about 17

420

00:18:55,669 --> 00:18:54,320

i remember sitting on my front step at

421

00:18:57,830 --> 00:18:55,679

home

422

00:18:59,110 --> 00:18:57,840

and just saying look guys you know

423

00:19:00,310 --> 00:18:59,120

because that's why i thought of them as

424

00:19:02,230 --> 00:19:00,320

they or them

425

00:19:03,909 --> 00:19:02,240

and they were the they were the guys i

426

00:19:06,950 --> 00:19:03,919

didn't know you know who they were

427

00:19:09,830 --> 00:19:06,960

or what they were but i knew that other

428

00:19:12,470 --> 00:19:09,840

people didn't seem to have

429

00:19:13,830 --> 00:19:12,480

that um kind of input available to them

430

00:19:15,029 --> 00:19:13,840

so

431

00:19:16,710 --> 00:19:15,039

you know i remember just sitting there

432

00:19:17,990 --> 00:19:16,720

and saying look i want to be normal i

433

00:19:19,590 --> 00:19:18,000

want to experience what's like to be

434

00:19:21,590 --> 00:19:19,600

normal i want to experience what's like

435

00:19:24,230 --> 00:19:21,600

to be a normal human being

436

00:19:25,350 --> 00:19:24,240

and um by golly you you don't ask for

437

00:19:26,710 --> 00:19:25,360

that kind of stuff unless you really

438

00:19:28,710 --> 00:19:26,720

mean it because it was like almost

439

00:19:31,270 --> 00:19:28,720

instantaneous it was just withdrawn

440

00:19:32,549 --> 00:19:31,280

and then i had to navigate life without

441

00:19:35,909 --> 00:19:32,559

all that help

442

00:19:37,110 --> 00:19:35,919

and actually you know learn um

443

00:19:39,430 --> 00:19:37,120

you know and i was pretty awkward

444

00:19:43,190 --> 00:19:39,440

socially and everything like that so

445

00:19:45,110 --> 00:19:43,200

um you know after that you know i just

446

00:19:46,230 --> 00:19:45,120

became a normal human being for a while

447

00:19:51,270 --> 00:19:46,240

and got to

448

00:19:53,510 --> 00:19:51,280

navigate life that way so um

449

00:19:54,310 --> 00:19:53,520

and then things you know are pretty

450

00:19:57,350 --> 00:19:54,320

normal

451
00:19:58,470 --> 00:19:57,360
until the first ufo uh and that was

452
00:20:02,070 --> 00:19:58,480
actually

453
00:20:05,590 --> 00:20:02,080
with my husband um

454
00:20:08,630 --> 00:20:05,600
i gave you a link

455
00:20:11,430 --> 00:20:08,640
to a patent a us government patent and

456
00:20:15,750 --> 00:20:11,440
that us government patent actually has

457
00:20:17,990 --> 00:20:15,760
two um craft described

458
00:20:19,830 --> 00:20:18,000
one's kind of a diamond shaped although

459
00:20:21,909 --> 00:20:19,840
i remember it more as manta ray shaped

460
00:20:22,390 --> 00:20:21,919
like with a diamond with the two flaps

461
00:20:24,070 --> 00:20:22,400
down

462
00:20:26,710 --> 00:20:24,080
like bent in half sort of thing not bent

463
00:20:29,830 --> 00:20:26,720

in half but with downward angles on each

464

00:20:31,190 --> 00:20:29,840

corner um and then the other one's

465

00:20:34,470 --> 00:20:31,200

triangular

466

00:20:36,549 --> 00:20:34,480

and those are mostly what i've seen

467

00:20:38,950 --> 00:20:36,559

um well i only saw the triangular i

468

00:20:42,149 --> 00:20:38,960

started the diamond shape one twice

469

00:20:45,510 --> 00:20:42,159

the triangular ones i saw a lot between

470

00:20:47,430 --> 00:20:45,520

2002 and 2012 where we used to live in

471

00:20:50,070 --> 00:20:47,440

southeast oklahoma

472

00:20:52,390 --> 00:20:50,080

the diamond-shaped one was more like

473

00:20:53,909 --> 00:20:52,400

south east central oklahoma and that was

474

00:20:57,430 --> 00:20:53,919

in like

475

00:21:02,630 --> 00:20:57,440

2000 sorry 1984

476

00:21:06,710 --> 00:21:02,640

would have been so um

477

00:21:09,510 --> 00:21:06,720

you know i talk about these ufos like

478

00:21:12,710 --> 00:21:09,520

i used to think of them as being maybe

479

00:21:15,990 --> 00:21:12,720

alien beings coming from another planet

480

00:21:17,669 --> 00:21:16,000

but recently after finding that patent

481

00:21:20,070 --> 00:21:17,679

i think a year and a half two years ago

482

00:21:21,270 --> 00:21:20,080

it kind of blew my mind

483

00:21:24,549 --> 00:21:21,280

i don't know if you had a chance to look

484

00:21:26,149 --> 00:21:24,559

at it but the patent is

485

00:21:28,710 --> 00:21:26,159

i'm just going to read this a craft

486

00:21:31,510 --> 00:21:28,720

using an inertial mass reduction device

487

00:21:33,510 --> 00:21:31,520

and the patent is assigned to the us the

488

00:21:35,110 --> 00:21:33,520

united states of america represented by

489

00:21:38,789 --> 00:21:35,120

the secretary of the navy

490

00:21:42,310 --> 00:21:38,799

washington dc and

491

00:21:46,070 --> 00:21:42,320

you know it shows this diamond shaped

492

00:21:49,510 --> 00:21:46,080

craft and it shows um

493

00:21:52,950 --> 00:21:49,520

a triangular alternative craft

494

00:21:56,390 --> 00:21:52,960

and it talks about how

495

00:21:57,190 --> 00:21:56,400

by manipulating the quantum vacuum

496

00:21:59,190 --> 00:21:57,200

plasma

497

00:22:00,710 --> 00:21:59,200

and various i mean has his physics i

498

00:22:02,390 --> 00:22:00,720

mean you have to be a physicist to

499

00:22:04,149 --> 00:22:02,400

really understand it all

500

00:22:06,549 --> 00:22:04,159

but what i took away from it is that

501
00:22:11,350 --> 00:22:06,559
it's able to

502
00:22:13,750 --> 00:22:11,360
through this manipulation that using um

503
00:22:14,710 --> 00:22:13,760
was being described in this patent

504
00:22:17,350 --> 00:22:14,720
they're

505
00:22:19,190 --> 00:22:17,360
going to be able to build a craft that

506
00:22:20,549 --> 00:22:19,200
is basically inertialist and that's what

507
00:22:23,029 --> 00:22:20,559
we're seeing on these

508
00:22:24,070 --> 00:22:23,039
tic tac ufo you know videos and other

509
00:22:26,549 --> 00:22:24,080
things

510
00:22:29,190 --> 00:22:26,559
uh and they talk about you know

511
00:22:31,029 --> 00:22:29,200
something that can come from space

512
00:22:32,310 --> 00:22:31,039
come into the atmosphere and then go

513
00:22:34,230 --> 00:22:32,320

underwater

514

00:22:35,990 --> 00:22:34,240

um and that's exactly what this patent

515

00:22:39,029 --> 00:22:36,000

talks about submersible

516

00:22:42,710 --> 00:22:39,039

um inertial inertia less

517

00:22:46,470 --> 00:22:42,720

vehicles um that

518

00:22:49,750 --> 00:22:46,480

they just slip from one um

519

00:22:52,470 --> 00:22:49,760

like atmosphere

520

00:22:54,070 --> 00:22:52,480

to air to water without you know without

521

00:22:56,549 --> 00:22:54,080

any kind of interface

522

00:22:57,590 --> 00:22:56,559

it's like nothing to this vehicle well

523

00:22:59,270 --> 00:22:57,600

just real quick so

524

00:23:01,029 --> 00:22:59,280

that the link to the patent is in the

525

00:23:03,110 --> 00:23:01,039

description below for those of you

526

00:23:04,950 --> 00:23:03,120

watching now and you would like to

527

00:23:06,710 --> 00:23:04,960

see it or read it while you're listening

528

00:23:08,870 --> 00:23:06,720

to us you can go there

529

00:23:10,310 --> 00:23:08,880

and so check it out so i have it in the

530

00:23:11,990 --> 00:23:10,320

description said

531

00:23:14,310 --> 00:23:12,000

i'm glad you brought it up i was going

532

00:23:15,029 --> 00:23:14,320

to ask you to to uh talk about it a

533

00:23:18,390 --> 00:23:15,039

little bit but

534

00:23:20,230 --> 00:23:18,400

you already did now so the thing i took

535

00:23:23,190 --> 00:23:20,240

away from the patent the thing that

536

00:23:24,470 --> 00:23:23,200

the thing that blew my mind i mean

537

00:23:25,909 --> 00:23:24,480

there's a lot of that i don't understand

538

00:23:27,190 --> 00:23:25,919

about it because it's physics and i

539

00:23:30,630 --> 00:23:27,200

detested physics

540

00:23:31,430 --> 00:23:30,640

but let me just read one um one sentence

541

00:23:33,510 --> 00:23:31,440

out of it

542

00:23:35,430 --> 00:23:33,520

it says if we can engineer the structure

543

00:23:37,270 --> 00:23:35,440

of the local quantum vacuum state we can

544

00:23:39,750 --> 00:23:37,280

engineer the fabric of our reality at

545

00:23:41,750 --> 00:23:39,760

the most fundamental level

546

00:23:43,029 --> 00:23:41,760

and you know it talks about manipulating

547

00:23:46,549 --> 00:23:43,039

space and time

548

00:23:50,950 --> 00:23:46,559

so what i took away from that

549

00:23:53,669 --> 00:23:50,960

when i read it a few years ago was those

550

00:23:55,029 --> 00:23:53,679

many ufos that i have seen why i see so

551
00:23:56,470 --> 00:23:55,039
many i have no idea

552
00:23:58,950 --> 00:23:56,480
and there's there was another form that

553
00:24:01,590 --> 00:23:58,960
i saw why i have no idea

554
00:24:03,510 --> 00:24:01,600
but those many ufos that i have seen

555
00:24:06,470 --> 00:24:03,520
don't even have to be

556
00:24:06,789 --> 00:24:06,480
happening right now they could if they

557
00:24:13,190 --> 00:24:06,799
can

558
00:24:14,230 --> 00:24:13,200
a vehicle that's inertialous and you

559
00:24:16,789 --> 00:24:14,240
know

560
00:24:18,230 --> 00:24:16,799
defies gravity then they can also

561
00:24:20,470 --> 00:24:18,240
manipulate time

562
00:24:22,470 --> 00:24:20,480
and it could be happening 100 years from

563
00:24:24,310 --> 00:24:22,480

now they could actually be doing it and

564

00:24:25,750 --> 00:24:24,320

just you know manipulating time and

565

00:24:26,630 --> 00:24:25,760

coming back here to where we're seeing

566

00:24:34,390 --> 00:24:26,640

it

567

00:24:38,149 --> 00:24:34,400

you know a human being you know a human

568

00:24:41,269 --> 00:24:38,159

uh military or you know

569

00:24:42,789 --> 00:24:41,279

state of some sort behind this uh

570

00:24:46,390 --> 00:24:42,799

it doesn't have to be from another

571

00:24:47,909 --> 00:24:46,400

planet and i have to say

572

00:24:49,510 --> 00:24:47,919

the triangular ones and the

573

00:24:51,350 --> 00:24:49,520

diamond-shaped ones looked like to me

574

00:24:53,029 --> 00:24:51,360

something that a human would build it's

575

00:24:57,190 --> 00:24:53,039

just that they were able to

576

00:24:59,669 --> 00:24:57,200

motivate and you know defy gravity

577

00:25:00,630 --> 00:24:59,679

in a way that i don't think humans can

578

00:25:03,669 --> 00:25:00,640

do right now

579

00:25:06,710 --> 00:25:03,679

if we can it's not been made public

580

00:25:08,149 --> 00:25:06,720

um so you're bringing up this this

581

00:25:11,269 --> 00:25:08,159

patent based on

582

00:25:13,269 --> 00:25:11,279

um just your observations that

583

00:25:14,950 --> 00:25:13,279

what based on what you saw and know

584

00:25:17,510 --> 00:25:14,960

about that this pattern

585

00:25:20,310 --> 00:25:17,520

is come close to what you witnessed is

586

00:25:22,470 --> 00:25:20,320

is that what you're trying to get at

587

00:25:24,070 --> 00:25:22,480

well let me i don't know if you can pick

588

00:25:27,110 --> 00:25:24,080

up this picture but

589

00:25:28,470 --> 00:25:27,120

let me just show you i mean this is can

590

00:25:31,510 --> 00:25:28,480

you see that at all

591

00:25:33,590 --> 00:25:31,520

yes okay so that's part of the patent

592

00:25:35,350 --> 00:25:33,600

and you know one's diamond shape one's

593

00:25:38,390 --> 00:25:35,360

triangular shape and it

594

00:25:41,990 --> 00:25:38,400

you know in 1984 i saw the diamond shape

595

00:25:45,510 --> 00:25:42,000

you know twice two weeks apart and then

596

00:25:47,750 --> 00:25:45,520

from 2002 to 2012 i saw the triangular

597

00:25:51,029 --> 00:25:47,760

one

598

00:25:53,029 --> 00:25:51,039

at least a dozen times if probably more

599

00:25:54,310 --> 00:25:53,039

and on three occasions it actually threw

600

00:25:55,909 --> 00:25:54,320

flew over the top of

601
00:25:58,630 --> 00:25:55,919
where i was and on one occasion my

602
00:26:02,390 --> 00:25:58,640
husband was with me we were in a vehicle

603
00:26:03,029 --> 00:26:02,400
so you know other than the fact that it

604
00:26:07,830 --> 00:26:03,039
was going

605
00:26:11,350 --> 00:26:09,510
it just looked like something a human

606
00:26:13,750 --> 00:26:11,360
could build um

607
00:26:15,990 --> 00:26:13,760
looked like i mean it didn't look

608
00:26:20,070 --> 00:26:16,000
something that i couldn't explain

609
00:26:23,190 --> 00:26:20,080
um now i did see another ufo in 2007

610
00:26:26,710 --> 00:26:23,200
and 2007 was my last ufo sighting

611
00:26:30,789 --> 00:26:26,720
and it was um it looked like

612
00:26:33,269 --> 00:26:30,799
if you took a drop of mercury um

613
00:26:35,269 --> 00:26:33,279

and it was floating in the sky a big

614

00:26:37,669 --> 00:26:35,279

drop in mercury

615

00:26:39,990 --> 00:26:37,679

and it had a slight wobble to it but it

616

00:26:41,350 --> 00:26:40,000

was um

617

00:26:43,990 --> 00:26:41,360

it wasn't perfectly round it was

618

00:26:47,029 --> 00:26:44,000

slightly ovoid kind of flattened

619

00:26:50,070 --> 00:26:47,039

top and bottom um

620

00:26:51,110 --> 00:26:50,080

but it actually seemed to intelligently

621

00:26:54,950 --> 00:26:51,120

interact with me

622

00:26:56,310 --> 00:26:54,960

and so that was really peculiar um

623

00:26:58,070 --> 00:26:56,320

you know i'm a logical person i think

624

00:26:58,870 --> 00:26:58,080

i'm pretty rational and i have a

625

00:27:05,669 --> 00:26:58,880

scientific

626

00:27:06,310 --> 00:27:05,679

i try to you know try to figure things

627

00:27:09,909 --> 00:27:06,320

out

628

00:27:14,470 --> 00:27:09,919

particular one if you want me to since

629

00:27:17,669 --> 00:27:14,480

please do i'm sorry i said yes please do

630

00:27:19,350 --> 00:27:17,679

okay so i was coming back from lunch

631

00:27:21,669 --> 00:27:19,360

going back to the clinic where i worked

632

00:27:23,909 --> 00:27:21,679

this was in southeast oklahoma

633

00:27:24,789 --> 00:27:23,919

and so i'm driving and i'm coming off of

634

00:27:28,710 --> 00:27:24,799

a bypass

635

00:27:31,990 --> 00:27:28,720

and getting onto a you know a highway

636

00:27:34,230 --> 00:27:32,000

and all of a sudden across what first

637

00:27:35,750 --> 00:27:34,240

i took to be across the road from me

638

00:27:37,350 --> 00:27:35,760

what i first thought was you know my

639

00:27:39,990 --> 00:27:37,360

first glance at it i thought it was a

640

00:27:43,430 --> 00:27:40,000

huge mylar balloon

641

00:27:45,029 --> 00:27:43,440

but um you know

642

00:27:47,110 --> 00:27:45,039

after taking a better look at it i

643

00:27:49,590 --> 00:27:47,120

realized number one it wasn't just

644

00:27:52,149 --> 00:27:49,600

across the road it was across the valley

645

00:27:53,269 --> 00:27:52,159

and it was a lot bigger than any balloon

646

00:27:56,710 --> 00:27:53,279

i'd ever seen

647

00:27:57,990 --> 00:27:56,720

um anyway it was

648

00:27:59,750 --> 00:27:58,000

like i said it looked like a huge drop

649

00:28:03,190 --> 00:27:59,760

of mercury it was perfectly

650

00:28:07,830 --> 00:28:03,200

mirror-like um

651
00:28:13,590 --> 00:28:11,110
kind of wobbled it had a bit of a like a

652
00:28:14,710 --> 00:28:13,600
i can't explain it a bit of a wobble to

653
00:28:18,149 --> 00:28:14,720
it

654
00:28:19,750 --> 00:28:18,159
and so traffic came up behind me so i

655
00:28:22,710 --> 00:28:19,760
had to turn and

656
00:28:24,870 --> 00:28:22,720
go but and so i'm at a you know 90

657
00:28:26,389 --> 00:28:24,880
degree angle to it as i'm driving

658
00:28:28,070 --> 00:28:26,399
and i keep looking over at it trying to

659
00:28:29,110 --> 00:28:28,080
figure out what it is thinking it's some

660
00:28:31,830 --> 00:28:29,120
type of balloon or

661
00:28:33,029 --> 00:28:31,840
or something i just didn't know and so i

662
00:28:34,870 --> 00:28:33,039
pulled off to the side of the road and

663
00:28:35,909 --> 00:28:34,880

watched it for a while and it starts

664

00:28:38,310 --> 00:28:35,919

ascending

665

00:28:39,669 --> 00:28:38,320

and it's going up and there's there was

666

00:28:41,909 --> 00:28:39,679

a really peculiar

667

00:28:43,350 --> 00:28:41,919

cloud pattern that day the clouds were

668

00:28:44,549 --> 00:28:43,360

like little puff balls of cotton and

669

00:28:46,789 --> 00:28:44,559

they were all in rows

670

00:28:48,310 --> 00:28:46,799

and i'd never seen clouds like that

671

00:28:49,029 --> 00:28:48,320

before and they were just all in lines

672

00:28:52,950 --> 00:28:49,039

and rows

673

00:28:53,909 --> 00:28:52,960

and looked like little puffballs and

674

00:28:55,190 --> 00:28:53,919

you know i don't know what the cloud

675

00:28:56,230 --> 00:28:55,200

ceiling was that day or anything like

676

00:28:58,470 --> 00:28:56,240

that i just i really

677

00:28:59,830 --> 00:28:58,480

should have looked into it i should have

678

00:29:01,110 --> 00:28:59,840

remembered the day i don't i couldn't

679

00:29:05,990 --> 00:29:01,120

even tell you what day it was

680

00:29:09,350 --> 00:29:07,669

as i'm sitting there on the side of the

681

00:29:13,350 --> 00:29:09,360

road it's ascending

682

00:29:13,590 --> 00:29:13,360

and i'm honking my horn and pointing at

683

00:29:15,669 --> 00:29:13,600

it

684

00:29:16,950 --> 00:29:15,679

trying to get other people you know to

685

00:29:18,950 --> 00:29:16,960

pay attention to it because i mean it

686

00:29:21,029 --> 00:29:18,960

has to be obvious it's this huge thing

687

00:29:23,990 --> 00:29:21,039

out there above the valley

688

00:29:25,510 --> 00:29:24,000

and um you know it just keeps ascending

689

00:29:28,389 --> 00:29:25,520

and so

690

00:29:30,389 --> 00:29:28,399

i thought okay it's some type of weather

691

00:29:32,230 --> 00:29:30,399

balloon it's got to be a really new

692

00:29:33,590 --> 00:29:32,240

cool neat weather balloon i can't

693

00:29:35,110 --> 00:29:33,600

explain why

694

00:29:37,029 --> 00:29:35,120

it doesn't have that teardrop shape that

695

00:29:38,070 --> 00:29:37,039

weather balloons have and why it's a

696

00:29:40,389 --> 00:29:38,080

perfect ovoid

697

00:29:41,590 --> 00:29:40,399

i couldn't explain that but i felt like

698

00:29:43,269 --> 00:29:41,600

it had to be some type of weather

699

00:29:47,029 --> 00:29:43,279

balloon or something

700

00:29:48,230 --> 00:29:47,039

and so it keeps ascending and so i

701
00:29:51,350 --> 00:29:48,240
pulled off

702
00:29:51,830 --> 00:29:51,360
into an area where there's a arena like

703
00:30:03,190 --> 00:29:51,840
a

704
00:30:06,230 --> 00:30:03,200
i'm thinking

705
00:30:08,389 --> 00:30:06,240
you know it's going against the wind so

706
00:30:10,310 --> 00:30:08,399
there's a problem it being a balloon if

707
00:30:12,149 --> 00:30:10,320
it's going against the wind

708
00:30:14,870 --> 00:30:12,159
and then it gets up to the level of the

709
00:30:17,110 --> 00:30:14,880
clouds so the clouds had to be at least

710
00:30:17,909 --> 00:30:17,120
i would think 20 000 feet high i don't

711
00:30:19,990 --> 00:30:17,919
think they were

712
00:30:21,269 --> 00:30:20,000
lower than that and it gets up to the

713
00:30:23,830 --> 00:30:21,279

level of the clouds and

714

00:30:26,549 --> 00:30:23,840

it's still so big that it's like i would

715

00:30:33,269 --> 00:30:29,590

you know if you held a a small

716

00:30:35,830 --> 00:30:33,279

lentil you know you know

717

00:30:36,630 --> 00:30:35,840

in your fingers and then held it out

718

00:30:39,430 --> 00:30:36,640

from your arm

719

00:30:41,350 --> 00:30:39,440

at arm's length it was about that large

720

00:30:43,510 --> 00:30:41,360

at the level of the cloud

721

00:30:45,190 --> 00:30:43,520

and so i'm thinking it's it's just got

722

00:30:46,549 --> 00:30:45,200

to be a balloon i can't explain maybe i

723

00:30:47,669 --> 00:30:46,559

got into a different air layer i'm

724

00:30:49,669 --> 00:30:47,679

thinking i know that air

725

00:30:51,029 --> 00:30:49,679

air layers go different directions maybe

726

00:30:53,190 --> 00:30:51,039

gone to a different air layer and so

727

00:30:56,710 --> 00:30:53,200

it's going against the wind

728

00:30:58,789 --> 00:30:56,720

and so then i'm watching it and

729

00:31:00,470 --> 00:30:58,799

every time i would think of something

730

00:31:02,470 --> 00:31:00,480

that would explain it

731

00:31:04,789 --> 00:31:02,480

it would do something to disprove what i

732

00:31:07,909 --> 00:31:04,799

had just thought and so

733

00:31:08,710 --> 00:31:07,919

um at one point it actually goes around

734

00:31:12,230 --> 00:31:08,720

the cloud

735

00:31:14,230 --> 00:31:12,240

twice you know and then

736

00:31:15,750 --> 00:31:14,240

comes down and goes below the cloud and

737

00:31:17,029 --> 00:31:15,760

then goes around it the opposite

738

00:31:18,389 --> 00:31:17,039

direction

739

00:31:19,990 --> 00:31:18,399

and you know i couldn't see it at all

740

00:31:20,310 --> 00:31:20,000

when it's on the other side of the cloud

741

00:31:23,190 --> 00:31:20,320

and

742

00:31:24,870 --> 00:31:23,200

you know it was just it was a mystifying

743

00:31:27,590 --> 00:31:24,880

experience it probably occurred over

744

00:31:30,710 --> 00:31:27,600

maybe 10 minutes i don't know

745

00:31:33,509 --> 00:31:30,720

and um so finally i decided

746

00:31:35,350 --> 00:31:33,519

you idiot you've got a small pair of

747

00:31:36,310 --> 00:31:35,360

little sports binoculars in here why

748

00:31:37,750 --> 00:31:36,320

aren't you looking at it through

749

00:31:39,509 --> 00:31:37,760

binoculars

750

00:31:41,029 --> 00:31:39,519

and it hadn't occurred to me and so they

751
00:31:42,710 --> 00:31:41,039
were down in my console so i'm

752
00:31:44,789 --> 00:31:42,720
i didn't want to take my eyes off of it

753
00:31:46,549 --> 00:31:44,799
so i'm reaching with my hands

754
00:31:47,990 --> 00:31:46,559
and i finally found them and got them

755
00:31:49,110 --> 00:31:48,000
out and got them out of the case and

756
00:31:52,389 --> 00:31:49,120
everything

757
00:31:55,509 --> 00:31:52,399
and then i

758
00:31:56,070 --> 00:31:55,519
um had to just take my eyes off for a

759
00:31:58,389 --> 00:31:56,080
minute

760
00:32:00,470 --> 00:31:58,399
to look down to make sure i had them in

761
00:32:01,350 --> 00:32:00,480
the right direction and i mean it was

762
00:32:03,430 --> 00:32:01,360
just a second

763
00:32:04,789 --> 00:32:03,440

i mean maybe one second that i glanced

764

00:32:07,269 --> 00:32:04,799

down and when i looked back

765

00:32:08,630 --> 00:32:07,279

up not only was it gone but the cloud

766

00:32:11,669 --> 00:32:08,640

was gone that it had been

767

00:32:13,110 --> 00:32:11,679

like right under so i don't know what

768

00:32:13,430 --> 00:32:13,120

happened there i can't explain any of

769

00:32:15,590 --> 00:32:13,440

that

770

00:32:16,710 --> 00:32:15,600

it was the most perplexing thing i was

771

00:32:18,549 --> 00:32:16,720

so so

772

00:32:20,070 --> 00:32:18,559

upset about it and everything i went

773

00:32:22,230 --> 00:32:20,080

back to the clinic and actually told

774

00:32:23,669 --> 00:32:22,240

my nurse about it and you know she was

775

00:32:24,310 --> 00:32:23,679

fairly new we didn't know each other

776

00:32:27,830 --> 00:32:24,320

very well

777

00:32:29,269 --> 00:32:27,840

so you know that was i was probably

778

00:32:31,830 --> 00:32:29,279

pretty wide-eyed about it

779

00:32:32,630 --> 00:32:31,840

um because it just happened and

780

00:32:34,230 --> 00:32:32,640

everything

781

00:32:35,750 --> 00:32:34,240

and then i had to go you know see

782

00:32:37,830 --> 00:32:35,760

patients the rest of the day so

783

00:32:38,870 --> 00:32:37,840

it was it was an interesting experience

784

00:32:40,710 --> 00:32:38,880

and you know i

785

00:32:45,190 --> 00:32:40,720

since then the only time i've seen a ufo

786

00:32:51,750 --> 00:32:48,549

travis walton's book fire in the sky

787

00:32:54,310 --> 00:32:51,760

there's actually a plate in there of a

788

00:32:55,190 --> 00:32:54,320

artist's rendition of one of his

789

00:32:58,149 --> 00:32:55,200

experiences

790

00:32:59,110 --> 00:32:58,159

on a ship and it shows in the background

791

00:33:06,789 --> 00:32:59,120

exactly

792

00:33:08,950 --> 00:33:06,799

you know mirror bright ovoid craft so

793

00:33:10,149 --> 00:33:08,960

anyway um but that's the only time i've

794

00:33:12,870 --> 00:33:10,159

ever seen anything

795

00:33:14,070 --> 00:33:12,880

in the ufo literature about it and so do

796

00:33:17,350 --> 00:33:14,080

you think it was

797

00:33:19,830 --> 00:33:17,360

kind of interacting or kind of um

798

00:33:20,389 --> 00:33:19,840

moving around based on your observance

799

00:33:24,470 --> 00:33:20,399

or

800

00:33:28,710 --> 00:33:24,480

initially saying intelligent

801
00:33:30,149 --> 00:33:28,720
um i felt that way you know i'm thinking

802
00:33:31,750 --> 00:33:30,159
it's a mylar balloon and then

803
00:33:33,190 --> 00:33:31,760
you know it does something to prove it's

804
00:33:35,110 --> 00:33:33,200
not and then

805
00:33:36,630 --> 00:33:35,120
i'm thinking it's a weather balloon and

806
00:33:38,230 --> 00:33:36,640
you know and it just seemed like every

807
00:33:39,269 --> 00:33:38,240
time i would come up with a rational

808
00:33:42,310 --> 00:33:39,279
explanation

809
00:33:45,909 --> 00:33:42,320
it would do something to disprove it

810
00:33:48,389 --> 00:33:45,919
so um

811
00:33:49,990 --> 00:33:48,399
i'm not saying necessarily that it was

812
00:33:51,110 --> 00:33:50,000
communicating with me but it seemed that

813
00:33:53,269 --> 00:33:51,120

way

814

00:33:54,710 --> 00:33:53,279

although i didn't hear any voices or or

815

00:33:55,509 --> 00:33:54,720

anything like that it just seemed like

816

00:33:58,070 --> 00:33:55,519

it was

817

00:34:00,070 --> 00:33:58,080

almost like a mischievous sort of

818

00:34:00,950 --> 00:34:00,080

interaction just to kind of blow my mind

819

00:34:02,710 --> 00:34:00,960

again

820

00:34:04,389 --> 00:34:02,720

you know i'm not trying to make a i'm

821

00:34:06,070 --> 00:34:04,399

not trying to make a joke of it but you

822

00:34:06,789 --> 00:34:06,080

know after all these decades you should

823

00:34:08,439 --> 00:34:06,799

know it's

824

00:34:10,069 --> 00:34:08,449

never a weather balloon

825

00:34:13,909 --> 00:34:10,079

[Laughter]

826

00:34:17,829 --> 00:34:13,919

it's been a joke for forever yeah but

827

00:34:20,149 --> 00:34:17,839

you know you have to you have to try to

828

00:34:21,349 --> 00:34:20,159

use logic and reason otherwise every

829

00:34:23,750 --> 00:34:21,359

little blip in the

830

00:34:24,629 --> 00:34:23,760

matrix will you know send you off course

831

00:34:26,550 --> 00:34:24,639

but

832

00:34:27,750 --> 00:34:26,560

uh some of them are quite easily

833

00:34:30,790 --> 00:34:27,760

explained

834

00:34:33,990 --> 00:34:30,800

um observing them where you

835

00:34:36,470 --> 00:34:34,000

were you actually having um

836

00:34:37,909 --> 00:34:36,480

more and some kind of experiences you

837

00:34:40,230 --> 00:34:37,919

know um

838

00:34:41,829 --> 00:34:40,240

that are that gave you some kind of

839

00:34:43,669 --> 00:34:41,839

insight or is it simply

840

00:34:45,430 --> 00:34:43,679

one experience after another after

841

00:34:47,750 --> 00:34:45,440

another of just observing them and then

842

00:34:49,990 --> 00:34:47,760

that's pretty much

843

00:34:51,589 --> 00:34:50,000

mostly with that it was just one

844

00:34:55,349 --> 00:34:51,599

experience after another just

845

00:34:59,430 --> 00:34:57,750

you know rattle my cage because like

846

00:35:00,069 --> 00:34:59,440

again i you know you try to stuff all

847

00:35:02,230 --> 00:35:00,079

this into

848

00:35:03,829 --> 00:35:02,240

the background of your life and try to

849

00:35:07,589 --> 00:35:03,839

go on and just live a normal life

850

00:35:08,470 --> 00:35:07,599

you know i'm a doctor you can't be you

851
00:35:12,310 --> 00:35:08,480
know

852
00:35:13,190 --> 00:35:12,320
the time or talking about it certainly

853
00:35:14,870 --> 00:35:13,200
you can't be

854
00:35:17,109 --> 00:35:14,880
talking about her you lose credibility i

855
00:35:19,910 --> 00:35:17,119
mean i'm kind of risking my credibility

856
00:35:21,190 --> 00:35:19,920
just you know being on venues like this

857
00:35:22,630 --> 00:35:21,200
but

858
00:35:25,510 --> 00:35:22,640
after my near-death experience that's

859
00:35:27,430 --> 00:35:25,520
one of the things i came back with was

860
00:35:28,870 --> 00:35:27,440
knowing i had to talk about it and i

861
00:35:33,829 --> 00:35:28,880
have to

862
00:35:35,589 --> 00:35:33,839
explore it and um

863
00:35:37,349 --> 00:35:35,599

i think there's other people out there

864

00:35:37,990 --> 00:35:37,359

that are just as mystified that are just

865

00:35:42,310 --> 00:35:38,000

as

866

00:35:44,230 --> 00:35:42,320

um

867

00:35:45,829 --> 00:35:44,240

and this this was after your near-death

868

00:35:47,670 --> 00:35:45,839

experience correct

869

00:35:49,270 --> 00:35:47,680

i'm sorry and this was after your

870

00:35:50,870 --> 00:35:49,280

near-death experience that you felt like

871

00:35:52,310 --> 00:35:50,880

you had to come out and talk about all

872

00:35:55,349 --> 00:35:52,320

these things

873

00:35:56,950 --> 00:35:55,359

yes was it

874

00:35:58,790 --> 00:35:56,960

so again was it specifically just a

875

00:35:59,109 --> 00:35:58,800

feeling that you were left with or was

876

00:36:01,109 --> 00:35:59,119

there

877

00:36:04,069 --> 00:36:01,119

specific direction and things you were

878

00:36:07,349 --> 00:36:05,750

it's hard to explain because it's not

879

00:36:11,829 --> 00:36:07,359

it's not a verbal interaction

880

00:36:15,430 --> 00:36:13,990

it's not the way we communicate you know

881

00:36:17,589 --> 00:36:15,440

it's not a string of

882

00:36:18,950 --> 00:36:17,599

words or sounds it's not like that it's

883

00:36:22,470 --> 00:36:18,960

just impressions

884

00:36:24,790 --> 00:36:22,480

placed into your mind um

885

00:36:26,390 --> 00:36:24,800

and so that's you know a major

886

00:36:27,670 --> 00:36:26,400

impression i was i was left with a

887

00:36:30,870 --> 00:36:27,680

couple of major impressions

888

00:36:32,310 --> 00:36:30,880

number one that people that come to

889

00:36:37,190 --> 00:36:32,320

earth choose to come to earth

890

00:36:39,510 --> 00:36:37,200

and live a you know a physical existence

891

00:36:40,470 --> 00:36:39,520

they're highly respected on that side

892

00:36:43,510 --> 00:36:40,480

and

893

00:36:49,349 --> 00:36:46,710

conscious entities do that um

894

00:36:50,069 --> 00:36:49,359

and then the other thing was that i

895

00:36:51,670 --> 00:36:50,079

needed to

896

00:36:54,150 --> 00:36:51,680

share my experiences and i have i mean

897

00:36:56,069 --> 00:36:54,160

i've you know talked about

898

00:36:57,349 --> 00:36:56,079

death and dying in the checkout line at

899

00:37:00,550 --> 00:36:57,359

walmart you know

900

00:37:04,069 --> 00:37:00,560

so um yeah so it's

901
00:37:06,390 --> 00:37:04,079
it's almost a compulsion um

902
00:37:08,069 --> 00:37:06,400
if i don't do it you know i just get

903
00:37:10,710 --> 00:37:08,079
this sense of

904
00:37:12,710 --> 00:37:10,720
a buildup of stress and so it's easier

905
00:37:14,630 --> 00:37:12,720
to just do it and

906
00:37:16,390 --> 00:37:14,640
you know deal with the ramifications and

907
00:37:19,430 --> 00:37:16,400
repercussions than to

908
00:37:22,630 --> 00:37:19,440
to try to suppress it well so

909
00:37:24,470 --> 00:37:22,640
basically um here we are you had your

910
00:37:25,829 --> 00:37:24,480
neodex experience when you were a child

911
00:37:27,670 --> 00:37:25,839
and then later on

912
00:37:28,950 --> 00:37:27,680
uh when you were older and then of

913
00:37:32,150 --> 00:37:28,960

course throughout the years

914

00:37:33,109 --> 00:37:32,160

the different ufo encounters at what

915

00:37:40,310 --> 00:37:33,119

stage

916

00:37:42,150 --> 00:37:40,320

i guess observe your first bigfoot or

917

00:37:43,190 --> 00:37:42,160

was that the one and only experience you

918

00:37:50,069 --> 00:37:43,200

had

919

00:37:56,150 --> 00:37:50,079

the first one was in august of 2001.

920

00:37:59,670 --> 00:37:56,160

and it was um i mean i was within

921

00:38:03,349 --> 00:37:59,680

i'd say 100 yards of two

922

00:38:04,950 --> 00:38:03,359

upright hominid blonde colored

923

00:38:08,069 --> 00:38:04,960

kind of a reddish blonde strawberry

924

00:38:09,910 --> 00:38:08,079

blonde colored um

925

00:38:11,270 --> 00:38:09,920

hominids that were covered head to toe

926
00:38:15,510 --> 00:38:11,280
with hair

927
00:38:18,710 --> 00:38:15,520
um and i was on a turnpike

928
00:38:20,630 --> 00:38:18,720
uh going north towards i-40

929
00:38:22,069 --> 00:38:20,640
again in southeast oklahoma most of my

930
00:38:22,950 --> 00:38:22,079
stuff happens in southeast oklahoma

931
00:38:26,230 --> 00:38:22,960
apparently

932
00:38:28,950 --> 00:38:26,240
um sounds like a hudson and

933
00:38:30,550 --> 00:38:28,960
i had just come up over a rise and i see

934
00:38:33,270 --> 00:38:30,560
these two

935
00:38:34,550 --> 00:38:33,280
you know being striding just riding

936
00:38:35,829 --> 00:38:34,560
across the field they look like they had

937
00:38:37,190 --> 00:38:35,839
just stepped over a fence i didn't

938
00:38:38,069 --> 00:38:37,200

actually see them stepping over the

939

00:38:41,270 --> 00:38:38,079

fence

940

00:38:44,550 --> 00:38:41,280

came up over the rise

941

00:38:46,470 --> 00:38:44,560

in the road and and i see them and ones

942

00:38:48,310 --> 00:38:46,480

like um

943

00:38:50,390 --> 00:38:48,320

like a head shorter than the other but

944

00:38:53,589 --> 00:38:50,400

they looked exactly like

945

00:38:57,109 --> 00:38:53,599

otherwise um very broad shouldered

946

00:39:00,069 --> 00:38:57,119

no neck um the head kind of blends

947

00:39:03,349 --> 00:39:00,079

kind of blends down into the shoulders

948

00:39:09,190 --> 00:39:06,710

they weren't running they were just kind

949

00:39:12,230 --> 00:39:09,200

of striding rapidly they don't walk like

950

00:39:16,310 --> 00:39:12,240

a human does but my first thought as i

951
00:39:20,630 --> 00:39:16,320
saw them my first thought was that

952
00:39:23,910 --> 00:39:20,640
it was people out in a chewaka outfit

953
00:39:26,310 --> 00:39:23,920
from star wars and then i realized

954
00:39:28,230 --> 00:39:26,320
you know it's it's august it's late

955
00:39:30,150 --> 00:39:28,240
august it was over 100 degrees according

956
00:39:33,349 --> 00:39:30,160
to my car thermometer

957
00:39:34,230 --> 00:39:33,359
and you know nobody in their right mind

958
00:39:35,030 --> 00:39:34,240
is going to be out in the middle of

959
00:39:38,230 --> 00:39:35,040
nowhere in

960
00:39:39,670 --> 00:39:38,240
you know podunk oklahoma in chewbacca

961
00:39:41,190 --> 00:39:39,680
outfits and so then my next thought is

962
00:39:43,349 --> 00:39:41,200
you know you're rapidly

963
00:39:44,230 --> 00:39:43,359

running through again that rational

964

00:39:45,430 --> 00:39:44,240

logical

965

00:39:47,750 --> 00:39:45,440

trying to make sense of what you're

966

00:39:50,870 --> 00:39:47,760

seeing um

967

00:39:52,630 --> 00:39:50,880

you know i'm thinking ghillie suits

968

00:39:54,310 --> 00:39:52,640

because i'd heard about them you know

969

00:39:56,150 --> 00:39:54,320

with hunters and everything and i'm

970

00:39:57,109 --> 00:39:56,160

discarded it for the same reason nobody

971

00:39:58,710 --> 00:39:57,119

in their right mind is going to be out

972

00:40:00,470 --> 00:39:58,720

there in a guilty suit i mean this was

973

00:40:02,390 --> 00:40:00,480

there were no buildings no structures

974

00:40:05,750 --> 00:40:02,400

this was just nothing but

975

00:40:08,150 --> 00:40:05,760

you know an area where

976
00:40:09,349 --> 00:40:08,160
um they had clear cut it for some reason

977
00:40:11,910 --> 00:40:09,359
if they'd taken out

978
00:40:13,430 --> 00:40:11,920
a forest or if they're making a field or

979
00:40:14,069 --> 00:40:13,440
whatever and then there's for whatever

980
00:40:15,589 --> 00:40:14,079
reason it was

981
00:40:17,430 --> 00:40:15,599
being allowed to regrow and so it was

982
00:40:20,069 --> 00:40:17,440
just like you know

983
00:40:22,069 --> 00:40:20,079
two three foot high little scrubby oaks

984
00:40:24,870 --> 00:40:22,079
and things like that growing out there

985
00:40:27,430 --> 00:40:24,880
and um they were striding into a thicker

986
00:40:30,470 --> 00:40:27,440
denser area of taller trees

987
00:40:32,550 --> 00:40:30,480
so i mean obviously i slowed down i'm

988
00:40:35,270 --> 00:40:32,560

trying to get a really good look

989

00:40:37,030 --> 00:40:35,280

um it's a turnpike you can't turn around

990

00:40:38,150 --> 00:40:37,040

and go back i didn't have a camera i

991

00:40:41,670 --> 00:40:38,160

didn't have binoculars

992

00:40:43,829 --> 00:40:41,680

so um you know once i rubber necked and

993

00:40:45,750 --> 00:40:43,839

and watched them as far as i could until

994

00:40:47,349 --> 00:40:45,760

they strung into those trees i saw no

995

00:40:48,630 --> 00:40:47,359

reason to try to break the law and go

996

00:40:49,990 --> 00:40:48,640

back

997

00:40:53,190 --> 00:40:50,000

because i knew i wouldn't see them again

998

00:40:56,790 --> 00:40:53,200

but you know they were

999

00:40:59,030 --> 00:40:56,800

they were not a person in a suit

1000

00:41:00,150 --> 00:40:59,040

as i watched them i could see i don't

1001
00:41:01,829 --> 00:41:00,160
know if you know what the trapezius

1002
00:41:04,150 --> 00:41:01,839
muscle is in the back it's that big

1003
00:41:05,349 --> 00:41:04,160
it's a kind of a kite shaped muscle that

1004
00:41:06,870 --> 00:41:05,359
forms much of your

1005
00:41:08,790 --> 00:41:06,880
outer layer of your musculature of your

1006
00:41:11,030 --> 00:41:08,800
back and

1007
00:41:12,150 --> 00:41:11,040
the the hair that hung down off of that

1008
00:41:14,309 --> 00:41:12,160
was longer than

1009
00:41:15,430 --> 00:41:14,319
it was like a cape almost and you could

1010
00:41:16,870 --> 00:41:15,440
actually see the bunching of their

1011
00:41:17,990 --> 00:41:16,880
muscles as they stride you can see the

1012
00:41:21,670 --> 00:41:18,000
bunching of the muscles

1013
00:41:23,460 --> 00:41:21,680

under um under their

1014

00:41:24,790 --> 00:41:23,470

hair

1015

00:41:28,390 --> 00:41:24,800

[Music]

1016

00:41:30,150 --> 00:41:28,400

so it was definitely a creature a living

1017

00:41:31,589 --> 00:41:30,160

creature they didn't have a snout

1018

00:41:33,990 --> 00:41:31,599

there was nothing sticking i mean i

1019

00:41:36,710 --> 00:41:34,000

couldn't see the face so much except in

1020

00:41:38,230 --> 00:41:36,720

profile but there was no big snout

1021

00:41:39,109 --> 00:41:38,240

sticking out or anything like that they

1022

00:41:42,309 --> 00:41:39,119

were upright

1023

00:41:44,870 --> 00:41:42,319

they were big and

1024

00:41:45,750 --> 00:41:44,880

you know it just blew my mind i didn't

1025

00:41:48,069 --> 00:41:45,760

know what i'd seen

1026
00:41:49,430 --> 00:41:48,079
at that point i had no concept that

1027
00:41:51,430 --> 00:41:49,440
bigfoot had ever been seen

1028
00:41:52,870 --> 00:41:51,440
in our area of the country i didn't

1029
00:41:54,790 --> 00:41:52,880
really believe in bigfoot

1030
00:41:56,870 --> 00:41:54,800
i was open-minded i guess about it you

1031
00:41:59,349 --> 00:41:56,880
know yeti bigfoot all that but

1032
00:42:02,150 --> 00:41:59,359
i didn't really you know i'm a i'll

1033
00:42:04,710 --> 00:42:02,160
believe it when i see it type of person

1034
00:42:06,470 --> 00:42:04,720
and i hadn't seen it yet but it didn't

1035
00:42:06,950 --> 00:42:06,480
even occur to me that it was bigfoot i

1036
00:42:08,630 --> 00:42:06,960
thought

1037
00:42:10,230 --> 00:42:08,640
you know i'm thinking did i just see

1038
00:42:11,589 --> 00:42:10,240

into another dimension did i see into

1039

00:42:14,150 --> 00:42:11,599

the past you know

1040

00:42:15,510 --> 00:42:14,160

am i am i seeing prehistory what am i

1041

00:42:16,870 --> 00:42:15,520

seeing i don't know

1042

00:42:18,710 --> 00:42:16,880

i just you know scratched my head and

1043

00:42:24,870 --> 00:42:18,720

went on but then

1044

00:42:29,030 --> 00:42:27,270

i won't go into why i was lost in the

1045

00:42:30,309 --> 00:42:29,040

mountains of southeast oklahoma but

1046

00:42:33,190 --> 00:42:30,319

there are mountains there

1047

00:42:34,230 --> 00:42:33,200

the ouachita mountains and again it was

1048

00:42:36,069 --> 00:42:34,240

a very hot day

1049

00:42:37,270 --> 00:42:36,079

and i had my second flat tire of the day

1050

00:42:40,150 --> 00:42:37,280

and i started walking

1051
00:42:42,230 --> 00:42:40,160
in a very remote wilderness area trying

1052
00:42:44,069 --> 00:42:42,240
to

1053
00:42:45,270 --> 00:42:44,079
it was a time when they were just coming

1054
00:42:48,309 --> 00:42:45,280
out with flip phones

1055
00:42:50,790 --> 00:42:48,319
and you had call roaming and

1056
00:42:51,910 --> 00:42:50,800
cut call dropping and i was just trying

1057
00:42:53,910 --> 00:42:51,920
to get to a place

1058
00:42:55,510 --> 00:42:53,920
where i was high enough to um there

1059
00:42:56,710 --> 00:42:55,520
weren't very many cell phone towers and

1060
00:42:59,670 --> 00:42:56,720
i was just trying to get to

1061
00:43:01,589 --> 00:42:59,680
a place where i had reception and by the

1062
00:43:04,790 --> 00:43:01,599
time i got to that area then

1063
00:43:05,670 --> 00:43:04,800

my cell phone was almost dead and it was

1064

00:43:08,630 --> 00:43:05,680

after dark

1065

00:43:09,670 --> 00:43:08,640

and things were getting a little scary i

1066

00:43:11,589 --> 00:43:09,680

hadn't been able to get through to

1067

00:43:13,670 --> 00:43:11,599

anyone so i finally called 9-1-1 and

1068

00:43:17,190 --> 00:43:13,680

there was a there's a boost on 9-1-1

1069

00:43:20,870 --> 00:43:17,200

just need an emergency

1070

00:43:21,190 --> 00:43:20,880

it's kind of boosted so um i finally got

1071

00:43:25,030 --> 00:43:21,200

to

1072

00:43:26,950 --> 00:43:25,040

sending some deputy shares from

1073

00:43:28,550 --> 00:43:26,960

the county to come look for me and and

1074

00:43:30,710 --> 00:43:28,560

everything so

1075

00:43:31,750 --> 00:43:30,720

the only source of light i had and the

1076

00:43:34,150 --> 00:43:31,760

only

1077

00:43:35,430 --> 00:43:34,160

thing to tell me time was my pager i

1078

00:43:37,270 --> 00:43:35,440

still have my pager on because i've been

1079

00:43:40,710 --> 00:43:37,280

at the hospital that morning

1080

00:43:43,990 --> 00:43:40,720

and so um

1081

00:43:47,030 --> 00:43:44,000

i was dehydrated i'd walked uh probably

1082

00:43:50,150 --> 00:43:47,040

about 10 miles at that point in the heat

1083

00:43:51,750 --> 00:43:50,160

of the afternoon and um it was over 100

1084

00:43:54,470 --> 00:43:51,760

degrees

1085

00:43:55,270 --> 00:43:54,480

and i was fat and out of shape and you

1086

00:43:57,109 --> 00:43:55,280

know i was pretty

1087

00:43:58,550 --> 00:43:57,119

in pretty rough shape i at that point

1088

00:44:02,390 --> 00:43:58,560

lost one of my flip flops

1089

00:44:06,390 --> 00:44:04,710

when it turned dark i broke a big stick

1090

00:44:08,150 --> 00:44:06,400

off of a tree and was trying to feel my

1091

00:44:09,109 --> 00:44:08,160

way because i was falling into ravines

1092

00:44:12,950 --> 00:44:09,119

and culverts

1093

00:44:13,990 --> 00:44:12,960

not culverts but um just ruts and things

1094

00:44:17,030 --> 00:44:14,000

like that

1095

00:44:19,510 --> 00:44:17,040

on this old forest trail and so

1096

00:44:20,790 --> 00:44:19,520

anyway about two in the morning i

1097

00:44:23,349 --> 00:44:20,800

finally

1098

00:44:24,150 --> 00:44:23,359

learned that they knew where i was at

1099

00:44:27,430 --> 00:44:24,160

and

1100

00:44:31,510 --> 00:44:27,440

i needed to stay put

1101

00:44:33,349 --> 00:44:31,520

and so um i sat down

1102

00:44:35,510 --> 00:44:33,359

and i don't know if i slept i can't

1103

00:44:37,270 --> 00:44:35,520

imagine i slept because earlier

1104

00:44:38,630 --> 00:44:37,280

in the night i'd heard some things that

1105

00:44:42,550 --> 00:44:38,640

made me think i was being

1106

00:44:44,309 --> 00:44:42,560

stalked by a a mountain lion

1107

00:44:46,470 --> 00:44:44,319

a cougar because i've had experience

1108

00:44:49,750 --> 00:44:46,480

with cougars and

1109

00:44:51,349 --> 00:44:49,760

anyway i was concerned about that and

1110

00:44:53,349 --> 00:44:51,359

so i can't imagine that i fell asleep

1111

00:44:54,710 --> 00:44:53,359

but i may have i was exhausted

1112

00:44:57,589 --> 00:44:54,720

i may have passed out i don't know i

1113

00:45:00,230 --> 00:44:57,599

just know that i came to my senses

1114

00:45:01,430 --> 00:45:00,240

with something sniffing me in the face

1115

00:45:03,670 --> 00:45:01,440

and

1116

00:45:05,109 --> 00:45:03,680

the most ranked smell you can imagine

1117

00:45:08,069 --> 00:45:05,119

and

1118

00:45:09,430 --> 00:45:08,079

um you know i'm thinking mountain lion

1119

00:45:11,750 --> 00:45:09,440

because that's what i

1120

00:45:13,270 --> 00:45:11,760

you know sat down thinking i had to be

1121

00:45:16,309 --> 00:45:13,280

careful of

1122

00:45:19,270 --> 00:45:16,319

so i came up swinging with my big stick

1123

00:45:20,390 --> 00:45:19,280

and it wasn't a mountain lion it was

1124

00:45:23,589 --> 00:45:20,400

huge it was

1125

00:45:25,109 --> 00:45:23,599

um dark and there was no moon so i

1126

00:45:27,750 --> 00:45:25,119

really couldn't see

1127

00:45:29,510 --> 00:45:27,760

details at all all i could see is when

1128

00:45:33,030 --> 00:45:29,520

it ran up the slope

1129

00:45:36,069 --> 00:45:33,040

um and blocked out the stars

1130

00:45:39,030 --> 00:45:36,079

then i could see that um it was massive

1131

00:45:40,710 --> 00:45:39,040

and it was on two definitely on two legs

1132

00:45:43,670 --> 00:45:40,720

and

1133

00:45:44,950 --> 00:45:43,680

anyway it over the next about 30 minutes

1134

00:45:48,550 --> 00:45:44,960

or so

1135

00:45:49,510 --> 00:45:48,560

um it kept trying to sneak up on me

1136

00:45:51,910 --> 00:45:49,520

and it would come in different

1137

00:45:53,589 --> 00:45:51,920

directions and i was using you know

1138

00:45:55,109 --> 00:45:53,599

when i was out in the woods i was using

1139

00:45:56,950 --> 00:45:55,119

my hearing my

1140

00:45:58,550 --> 00:45:56,960

vision wasn't working at all the only

1141

00:45:59,829 --> 00:45:58,560

time like my vision didn't even any good

1142

00:46:01,030 --> 00:45:59,839

is when it got close enough that it was

1143

00:46:02,710 --> 00:46:01,040

blotting out the stars

1144

00:46:04,630 --> 00:46:02,720

and then i could see that you know it

1145

00:46:07,589 --> 00:46:04,640

was very tall

1146

00:46:08,710 --> 00:46:07,599

very wide very big you know i couldn't

1147

00:46:09,829 --> 00:46:08,720

see enough detail to see that it was

1148

00:46:13,030 --> 00:46:09,839

covered in hair but it was

1149

00:46:14,470 --> 00:46:13,040

all one color and um you know there were

1150

00:46:17,190 --> 00:46:14,480

no features or details

1151
00:46:19,109 --> 00:46:17,200
you know no clothing nothing like that

1152
00:46:21,750 --> 00:46:19,119
so

1153
00:46:22,790 --> 00:46:21,760
anyway every time i'd get close because

1154
00:46:26,309 --> 00:46:22,800
the first time i

1155
00:46:28,309 --> 00:46:26,319
swung at it with a stick it you know

1156
00:46:29,750 --> 00:46:28,319
charged off every time it would get too

1157
00:46:30,870 --> 00:46:29,760
close to me i would just scream and

1158
00:46:34,390 --> 00:46:30,880
stomp and yell again

1159
00:46:36,790 --> 00:46:34,400
and just charge it um you know i just

1160
00:46:39,829 --> 00:46:36,800
figured i was dead

1161
00:46:41,589 --> 00:46:39,839
um it was it was a culmination of a

1162
00:46:41,990 --> 00:46:41,599
really bad day and i just figured i was

1163
00:46:43,829 --> 00:46:42,000

dead

1164

00:46:45,510 --> 00:46:43,839

and after about 30 minutes of this i

1165

00:46:47,990 --> 00:46:45,520

couldn't take it anymore i just like

1166

00:46:49,510 --> 00:46:48,000

felt like i had a sense of i just didn't

1167

00:46:50,950 --> 00:46:49,520

need to be there anymore and i didn't

1168

00:46:53,030 --> 00:46:50,960

care if it jumped on me i was just too

1169

00:46:55,750 --> 00:46:53,040

tired i was just going to walk away

1170

00:46:58,230 --> 00:46:55,760

and so i started feeling my way you know

1171

00:47:01,190 --> 00:46:58,240

down this forest road again

1172

00:47:02,710 --> 00:47:01,200

with my stick and my one flip-flop and

1173

00:47:03,670 --> 00:47:02,720

they said i walked another two miles

1174

00:47:05,510 --> 00:47:03,680

after that

1175

00:47:08,069 --> 00:47:05,520

um and it was about four in the morning

1176

00:47:13,829 --> 00:47:08,079

when they finally caught up with me

1177

00:47:17,109 --> 00:47:16,230

the deputy sheriffs had to almost ruin

1178

00:47:20,470 --> 00:47:17,119

their brand new

1179

00:47:22,950 --> 00:47:20,480

uh suv their jeep suv two wheel drive

1180

00:47:24,950 --> 00:47:22,960

can imagine in the back roads yeah

1181

00:47:26,549 --> 00:47:24,960

two-wheel drive suv this was a

1182

00:47:29,030 --> 00:47:26,559

a forest service road that had been

1183

00:47:32,870 --> 00:47:29,040

allowed to just kind of

1184

00:47:33,589 --> 00:47:32,880

you know decay so it had been a road at

1185

00:47:36,069 --> 00:47:33,599

one point

1186

00:47:37,030 --> 00:47:36,079

for forestry but it wasn't in good shape

1187

00:47:38,150 --> 00:47:37,040

and so anyway they

1188

00:47:41,910 --> 00:47:38,160

they finally caught up to me in their

1189

00:47:43,589 --> 00:47:41,920

little jeep cherokee and um

1190

00:47:45,109 --> 00:47:43,599

so they asked me why i didn't stay where

1191

00:47:45,829 --> 00:47:45,119

i told him i was at which was a fork in

1192

00:47:48,470 --> 00:47:45,839

the road and

1193

00:47:49,270 --> 00:47:48,480

you know and i said i couldn't you know

1194

00:47:51,829 --> 00:47:49,280

i'm like

1195

00:47:53,670 --> 00:47:51,839

you know almost hysterical there's this

1196

00:47:54,790 --> 00:47:53,680

really huge thing that was stinky and

1197

00:47:56,230 --> 00:47:54,800

smelly and

1198

00:47:57,990 --> 00:47:56,240

they didn't know what to think about me

1199

00:48:00,790 --> 00:47:58,000

they they just were like

1200

00:48:03,510 --> 00:48:00,800

scratching their head um and then they

1201

00:48:05,109 --> 00:48:03,520

didn't have any water

1202

00:48:06,549 --> 00:48:05,119

they hadn't brought any water and they

1203

00:48:07,750 --> 00:48:06,559

said well the forest service guys that

1204

00:48:09,510 --> 00:48:07,760

are coming up behind us

1205

00:48:11,190 --> 00:48:09,520

have some water and so they they came up

1206

00:48:12,870 --> 00:48:11,200

right then and they did have water and

1207

00:48:13,990 --> 00:48:12,880

so i'm drinking and i'm

1208

00:48:15,990 --> 00:48:14,000

you know still explaining to the

1209

00:48:17,349 --> 00:48:16,000

deputies why i left and the forest

1210

00:48:19,030 --> 00:48:17,359

service guys are hearing this and

1211

00:48:20,950 --> 00:48:19,040

they're like well that's bigfoot

1212

00:48:22,710 --> 00:48:20,960

and i'm like we don't have bigfoot in

1213

00:48:23,109 --> 00:48:22,720

oklahoma you know i heard a bigfoot up

1214

00:48:31,030 --> 00:48:23,119

in

1215

00:48:32,870 --> 00:48:31,040

um i'd never seen the legend of boggy

1216

00:48:35,430 --> 00:48:32,880

creek i'd never

1217

00:48:37,910 --> 00:48:35,440

i just had no knowledge of any of that

1218

00:48:40,950 --> 00:48:37,920

and so

1219

00:48:42,790 --> 00:48:40,960

anyway they said yeah it is it's seen

1220

00:48:44,870 --> 00:48:42,800

around here all the time

1221

00:48:46,309 --> 00:48:44,880

and so then it just made sense it made

1222

00:48:47,670 --> 00:48:46,319

sense what had happened to me that night

1223

00:48:49,349 --> 00:48:47,680

it made sense what i'd seen the year

1224

00:48:51,510 --> 00:48:49,359

prior

1225

00:48:53,910 --> 00:48:51,520

you know that that whole thing and then

1226

00:48:54,549 --> 00:48:53,920

in 2007 i had my third sighting and it

1227

00:48:57,750 --> 00:48:54,559

was

1228

00:48:59,349 --> 00:48:57,760

um

1229

00:49:01,109 --> 00:48:59,359

i went back later and measured it it's

1230

00:49:03,670 --> 00:49:01,119

about 60 feet

1231

00:49:05,109 --> 00:49:03,680

you know it was in twilight but it

1232

00:49:08,230 --> 00:49:05,119

wasn't darkness

1233

00:49:11,829 --> 00:49:08,240

and um you know no doubt about it

1234

00:49:15,190 --> 00:49:11,839

i i can't deny they exist um

1235

00:49:15,990 --> 00:49:15,200

so you know but again that's the last

1236

00:49:18,549 --> 00:49:16,000

time i saw bigfoot

1237

00:49:20,069 --> 00:49:18,559

was 2007. last time i saw ufo was about

1238

00:49:23,190 --> 00:49:20,079

2012.

1239

00:49:26,549 --> 00:49:23,200

that was a triangular one so

1240

00:49:28,630 --> 00:49:26,559

um it doesn't plague me anymore

1241

00:49:30,150 --> 00:49:28,640

but it's kind of sad because i really

1242

00:49:31,990 --> 00:49:30,160

think i've

1243

00:49:33,349 --> 00:49:32,000

i've read enough about it now you know

1244

00:49:35,510 --> 00:49:33,359

i've read enough about bigfoot

1245

00:49:37,030 --> 00:49:35,520

they don't usually hurt people you know

1246

00:49:39,190 --> 00:49:37,040

i've read enough about ufos

1247

00:49:40,230 --> 00:49:39,200

that i think you know if a ufo landed

1248

00:49:41,910 --> 00:49:40,240

out in the front yard and

1249

00:49:44,549 --> 00:49:41,920

aliens got out of it i'd go up and shake

1250

00:49:46,630 --> 00:49:44,559

their hand or you know say hi

1251
00:49:48,630 --> 00:49:46,640
and you know if bigfoot came out of the

1252
00:49:50,230 --> 00:49:48,640
woods i think i'd be okay with it i'd

1253
00:49:52,309 --> 00:49:50,240
just probably be cautious and try to

1254
00:49:55,510 --> 00:49:52,319
observe it like i would any

1255
00:49:56,230 --> 00:49:55,520
unknown you know entity but i don't

1256
00:49:58,470 --> 00:49:56,240
think i would

1257
00:50:00,790 --> 00:49:58,480
freak out and and everything like that

1258
00:50:03,430 --> 00:50:00,800
so but now i don't have the opportunity

1259
00:50:03,990 --> 00:50:03,440
because i haven't seen either one in

1260
00:50:07,589 --> 00:50:04,000
years

1261
00:50:09,750 --> 00:50:07,599
so anyway well i know

1262
00:50:10,630 --> 00:50:09,760
go ahead well i was just gonna say i

1263
00:50:12,470 --> 00:50:10,640

think that's what all these

1264

00:50:13,990 --> 00:50:12,480

experiences are about is helping me

1265

00:50:15,750 --> 00:50:14,000

overcome fear

1266

00:50:17,990 --> 00:50:15,760

every one of them has helped me overcome

1267

00:50:20,309 --> 00:50:18,000

fear and even talking on

1268

00:50:22,309 --> 00:50:20,319

you know i'm an introvert even talking

1269

00:50:24,870 --> 00:50:22,319

like i am right now

1270

00:50:26,870 --> 00:50:24,880

talking publicly about all this you know

1271

00:50:28,950 --> 00:50:26,880

it's uh it's overcoming fear

1272

00:50:29,910 --> 00:50:28,960

and so that's what it's that's what a

1273

00:50:33,349 --> 00:50:29,920

lot of this is about

1274

00:50:35,109 --> 00:50:33,359

it's you know

1275

00:50:36,470 --> 00:50:35,119

well i know we're going we're starting

1276

00:50:38,870 --> 00:50:36,480

off a bit backwards

1277

00:50:40,710 --> 00:50:38,880

but um because you mentioned earlier

1278

00:50:42,470 --> 00:50:40,720

about you know you didn't want to attain

1279

00:50:43,910 --> 00:50:42,480

to your reputation can you go a little

1280

00:50:46,790 --> 00:50:43,920

bit about

1281

00:50:48,630 --> 00:50:46,800

which field of medicine and your doctor

1282

00:50:49,349 --> 00:50:48,640

off and maybe a little bit over details

1283

00:50:51,589 --> 00:50:49,359

about that

1284

00:50:53,030 --> 00:50:51,599

there's somebody in comments asking if

1285

00:50:55,190 --> 00:50:53,040

there's any relations to

1286

00:50:58,470 --> 00:50:55,200

dr stephen grier so maybe you can

1287

00:51:00,549 --> 00:50:58,480

clarify you can clarify that

1288

00:51:03,829 --> 00:51:00,559

not to my knowledge other than most

1289

00:51:06,710 --> 00:51:03,839

griers were once clan mcgregor

1290

00:51:07,430 --> 00:51:06,720

and apparently clan mcgregor got in

1291

00:51:10,230 --> 00:51:07,440

trouble with

1292

00:51:11,270 --> 00:51:10,240

some english king to the point where if

1293

00:51:13,270 --> 00:51:11,280

you admitted to be

1294

00:51:15,190 --> 00:51:13,280

being clan mcgregor you were going to be

1295

00:51:17,430 --> 00:51:15,200

beheaded or something so

1296

00:51:18,950 --> 00:51:17,440

um a lot of people changed their names

1297

00:51:23,589 --> 00:51:18,960

and greer was one of the ones that

1298

00:51:25,430 --> 00:51:23,599

people took and so that's the only

1299

00:51:26,630 --> 00:51:25,440

might be a connection there but not to

1300

00:51:28,549 --> 00:51:26,640

my knowledge

1301

00:51:30,230 --> 00:51:28,559

i don't know him and i'm not related to

1302

00:51:31,510 --> 00:51:30,240

him and i'm sorry what was the first

1303

00:51:33,750 --> 00:51:31,520

part of the question

1304

00:51:35,190 --> 00:51:33,760

uh just about your medical background

1305

00:51:39,750 --> 00:51:35,200

too because i know

1306

00:51:43,670 --> 00:51:39,760

as you were saying i'm a pediatrician um

1307

00:51:45,670 --> 00:51:43,680

i kind of did things backwards i went to

1308

00:51:47,589 --> 00:51:45,680

college and got a degree in biology and

1309

00:51:48,950 --> 00:51:47,599

chemistry and then did some graduate

1310

00:51:49,270 --> 00:51:48,960

work at the university of houston where

1311

00:51:58,790 --> 00:51:49,280

i

1312

00:52:00,470 --> 00:51:58,800

because they were the houston cougars

1313

00:52:02,470 --> 00:52:00,480

and um

1314

00:52:04,150 --> 00:52:02,480

then i just had a pretty normal life for

1315

00:52:05,349 --> 00:52:04,160

a while and became a medical

1316

00:52:07,109 --> 00:52:05,359

technologist

1317

00:52:08,870 --> 00:52:07,119

and then when i was 33 i went to medical

1318

00:52:10,230 --> 00:52:08,880

school and i'm a board-certified

1319

00:52:14,230 --> 00:52:10,240

pediatrician

1320

00:52:16,829 --> 00:52:14,240

i've been practicing now since 1998

1321

00:52:19,190 --> 00:52:16,839

as a pediatrician so it's been a while

1322

00:52:23,030 --> 00:52:19,200

um

1323

00:52:24,870 --> 00:52:23,040

and that's so do you ever i mean

1324

00:52:27,190 --> 00:52:24,880

um i don't mean as a joke but do you

1325

00:52:29,030 --> 00:52:27,200

ever bring any of that stuff

1326
00:52:30,710 --> 00:52:29,040
stuff up with patients would you just

1327
00:52:31,670 --> 00:52:30,720
kind of strictly stick to doctor

1328
00:52:35,270 --> 00:52:31,680
business and

1329
00:52:35,990 --> 00:52:35,280
leaving it at that since the near death

1330
00:52:39,030 --> 00:52:36,000
experience

1331
00:52:40,470 --> 00:52:39,040
i have brought up some things um one

1332
00:52:42,710 --> 00:52:40,480
for one thing after the near death

1333
00:52:46,069 --> 00:52:42,720
experience for several years

1334
00:52:49,990 --> 00:52:46,079
i was seeing ghosts at work and

1335
00:52:51,589 --> 00:52:50,000
to the point where it was alarming me um

1336
00:52:53,190 --> 00:52:51,599
and so i would talk to the nurses about

1337
00:52:54,870 --> 00:52:53,200
it because there had been

1338
00:52:56,309 --> 00:52:54,880

nurses that had mentioned that the

1339

00:52:57,990 --> 00:52:56,319

nursery was haunted and

1340

00:52:59,190 --> 00:52:58,000

various things like that and there are

1341

00:53:00,150 --> 00:52:59,200

certain parts of the hospital they were

1342

00:53:02,309 --> 00:53:00,160

known to be

1343

00:53:03,750 --> 00:53:02,319

quote unquote haunted and i never had

1344

00:53:04,630 --> 00:53:03,760

paid much attention to it but after my

1345

00:53:07,829 --> 00:53:04,640

near-death

1346

00:53:09,910 --> 00:53:07,839

experience i started seeing things and

1347

00:53:11,430 --> 00:53:09,920

i mean we're talking full body things

1348

00:53:13,109 --> 00:53:11,440

that would then i was i mean on three

1349

00:53:14,549 --> 00:53:13,119

occasions i actually spoke to them for

1350

00:53:16,870 --> 00:53:14,559

heaven's sakes i mean how much more real

1351
00:53:19,670 --> 00:53:16,880
could they have seemed to me than that

1352
00:53:20,790 --> 00:53:19,680
one of them out of its way and then it

1353
00:53:22,470 --> 00:53:20,800
disappeared

1354
00:53:23,589 --> 00:53:22,480
you know so i spoke to it and moved out

1355
00:53:24,470 --> 00:53:23,599
of its way and then it just like

1356
00:53:27,750 --> 00:53:24,480
disappeared

1357
00:53:27,990 --> 00:53:27,760
so um you know you can't explain stuff

1358
00:53:30,470 --> 00:53:28,000
like

1359
00:53:31,109 --> 00:53:30,480
that so i've talked to the nurses about

1360
00:53:33,109 --> 00:53:31,119
the ghosts

1361
00:53:35,030 --> 00:53:33,119
i've you know opened up a bit about

1362
00:53:38,790 --> 00:53:35,040
bigfoot at work

1363
00:53:40,870 --> 00:53:38,800

um and some about ufos

1364

00:53:42,150 --> 00:53:40,880

but only to select people i mean you

1365

00:53:44,390 --> 00:53:42,160

have to really be careful

1366

00:53:45,349 --> 00:53:44,400

and not really to patients i have shared

1367

00:53:47,109 --> 00:53:45,359

with um

1368

00:53:49,030 --> 00:53:47,119

some people the near-death experience

1369

00:53:50,470 --> 00:53:49,040

and the idea that

1370

00:53:52,790 --> 00:53:50,480

you know it's not the end of us that

1371

00:53:56,069 --> 00:53:52,800

we're eternal and

1372

00:53:58,390 --> 00:53:56,079

um you know we persist even

1373

00:53:59,750 --> 00:53:58,400

after we shed this body that sort of

1374

00:54:03,190 --> 00:53:59,760

thing but um

1375

00:54:07,750 --> 00:54:06,150

so i said basically do you mean like you

1376

00:54:10,309 --> 00:54:07,760

said people are a lot more open

1377

00:54:11,030 --> 00:54:10,319

about this but specifically in your

1378

00:54:12,710 --> 00:54:11,040

field

1379

00:54:15,109 --> 00:54:12,720

do you find that to be the same case or

1380

00:54:17,270 --> 00:54:15,119

is it still everything you know let's

1381

00:54:18,150 --> 00:54:17,280

stick to science can this be proven is

1382

00:54:21,430 --> 00:54:18,160

there is there

1383

00:54:24,549 --> 00:54:21,440

uh proof like video photo whatever uh

1384

00:54:27,589 --> 00:54:24,559

what is the atmosphere

1385

00:54:28,549 --> 00:54:27,599

is purely anecdotal and medicine is very

1386

00:54:31,829 --> 00:54:28,559

strict

1387

00:54:33,190 --> 00:54:31,839

as far as anecdotal things um you know i

1388

00:54:35,349 --> 00:54:33,200

can't prove any of it

1389

00:54:38,390 --> 00:54:35,359

it's all i mean i can if they still have

1390

00:54:39,270 --> 00:54:38,400

the 911 tapes i can prove that sort of

1391

00:54:43,829 --> 00:54:39,280

thing

1392

00:54:47,910 --> 00:54:43,839

um but you know i can't

1393

00:54:49,510 --> 00:54:47,920

i can't really prove any of it so

1394

00:54:51,430 --> 00:54:49,520

i don't talk about it with my colleagues

1395

00:54:52,789 --> 00:54:51,440

too much i mean i talked to them some

1396

00:54:54,549 --> 00:54:52,799

about the near death experience because

1397

00:54:57,270 --> 00:54:54,559

it was pretty profound but

1398

00:54:58,549 --> 00:54:57,280

um i don't talk about the ufo and

1399

00:55:00,870 --> 00:54:58,559

bigfoot because you know they're

1400

00:55:03,270 --> 00:55:00,880

scientists and i just

1401
00:55:05,589 --> 00:55:03,280
being of a scientific bent myself i just

1402
00:55:07,510 --> 00:55:05,599
know how they would think about it and

1403
00:55:09,190 --> 00:55:07,520
you know you're afraid that it's gonna

1404
00:55:12,390 --> 00:55:09,200
cause them to

1405
00:55:15,109 --> 00:55:12,400
perceive you differently um and maybe

1406
00:55:16,230 --> 00:55:15,119
doubt your ability to judge things and

1407
00:55:18,630 --> 00:55:16,240
so

1408
00:55:19,510 --> 00:55:18,640
you know it's a risk becoming public

1409
00:55:22,549 --> 00:55:19,520
about all this

1410
00:55:24,789 --> 00:55:22,559
but you know i'm 63 so

1411
00:55:25,829 --> 00:55:24,799
you know i i just feel like if i had to

1412
00:55:28,710 --> 00:55:25,839
retire i could

1413
00:55:30,309 --> 00:55:28,720

and um you know i just i feel like it's

1414

00:55:32,069 --> 00:55:30,319

important i think reality is not what we

1415

00:55:33,910 --> 00:55:32,079

think it is i think we need to figure it

1416

00:55:34,630 --> 00:55:33,920

out and i think it's by talking to

1417

00:55:37,990 --> 00:55:34,640

people

1418

00:55:39,750 --> 00:55:38,000

that are experiencers that

1419

00:55:41,190 --> 00:55:39,760

will have a direction to go in order to

1420

00:55:44,150 --> 00:55:41,200

figure it out

1421

00:55:45,750 --> 00:55:44,160

so you know i just think it's important

1422

00:55:46,309 --> 00:55:45,760

for people that do have something to

1423

00:55:50,069 --> 00:55:46,319

lose

1424

00:55:52,789 --> 00:55:50,079

to make this public so that we can

1425

00:55:54,789 --> 00:55:52,799

get other people that you know in all

1426
00:55:56,470 --> 00:55:54,799
walks of life not just you know doctors

1427
00:55:58,549 --> 00:55:56,480
lawyers

1428
00:55:59,670 --> 00:55:58,559
federal judges whatever that would have

1429
00:56:02,470 --> 00:55:59,680
a lot to lose

1430
00:56:03,270 --> 00:56:02,480
you know if they became public but uh

1431
00:56:07,910 --> 00:56:03,280
you know

1432
00:56:09,589 --> 00:56:07,920
were crucified for a while i mean

1433
00:56:12,069 --> 00:56:09,599
you just have to be careful but at the

1434
00:56:14,549 --> 00:56:12,079
same time until we make this

1435
00:56:15,750 --> 00:56:14,559
acceptable to discuss we're not going to

1436
00:56:17,109 --> 00:56:15,760
understand reality we're not going to

1437
00:56:18,390 --> 00:56:17,119
understand consciousness we're not going

1438
00:56:19,829 --> 00:56:18,400

to understand what these different

1439

00:56:21,910 --> 00:56:19,839

modalities

1440

00:56:23,349 --> 00:56:21,920

are that are trying to wake us up to

1441

00:56:26,470 --> 00:56:23,359

something

1442

00:56:30,549 --> 00:56:26,480

beyond the ordinary that um

1443

00:56:33,750 --> 00:56:30,559

we seem to be missing so

1444

00:56:36,390 --> 00:56:33,760

i don't know what i wanted to

1445

00:56:37,589 --> 00:56:36,400

we'll see it's never too late you know

1446

00:56:41,589 --> 00:56:37,599

and and um

1447

00:56:43,349 --> 00:56:41,599

um you know for you coming out now

1448

00:56:45,910 --> 00:56:43,359

and having a scientific background so

1449

00:56:50,309 --> 00:56:48,630

when you know when most of us most

1450

00:56:52,870 --> 00:56:50,319

people that i know that are into

1451

00:56:53,589 --> 00:56:52,880

you know any of these modals whether it

1452

00:56:55,589 --> 00:56:53,599

would be

1453

00:56:58,150 --> 00:56:55,599

you know bigfoot or aliens all these

1454

00:57:01,109 --> 00:56:58,160

other things you know uh

1455

00:57:02,230 --> 00:57:01,119

no one that i specifically know uh that

1456

00:57:03,990 --> 00:57:02,240

is close to me

1457

00:57:06,069 --> 00:57:04,000

is rejecting science of course we want

1458

00:57:08,549 --> 00:57:06,079

to kind of bridge that gap and figure

1459

00:57:09,349 --> 00:57:08,559

out how can we prove this scientifically

1460

00:57:11,190 --> 00:57:09,359

but

1461

00:57:12,630 --> 00:57:11,200

for example in my case it would require

1462

00:57:13,190 --> 00:57:12,640

me then kind of putting everything on

1463

00:57:15,109 --> 00:57:13,200

hold

1464

00:57:16,789 --> 00:57:15,119

going back to school and then learning

1465

00:57:18,870 --> 00:57:16,799

all that needs to be learned

1466

00:57:20,470 --> 00:57:18,880

you know while on top of that maybe

1467

00:57:21,510 --> 00:57:20,480

cramming all this other stuff into my

1468

00:57:23,109 --> 00:57:21,520

head about

1469

00:57:25,109 --> 00:57:23,119

all the experiences i've had and all

1470

00:57:28,309 --> 00:57:25,119

this other stuff so you know

1471

00:57:31,030 --> 00:57:28,319

um maybe with your background and

1472

00:57:32,150 --> 00:57:31,040

you know you you might help bridge this

1473

00:57:35,030 --> 00:57:32,160

gap a little bit

1474

00:57:36,230 --> 00:57:35,040

so for example i would have i mean for

1475

00:57:39,510 --> 00:57:36,240

example like the way you

1476
00:57:41,589 --> 00:57:39,520
describe the muscles of these um uh uh

1477
00:57:43,030 --> 00:57:41,599
two creatures you know too bigfoot

1478
00:57:45,190 --> 00:57:43,040
you've seen you know i

1479
00:57:47,190 --> 00:57:45,200
would just say oh their muscles were

1480
00:57:49,829 --> 00:57:47,200
moving but you can identify

1481
00:57:51,109 --> 00:57:49,839
which muscle how it moved and all these

1482
00:57:54,309 --> 00:57:51,119
other things to where

1483
00:57:56,870 --> 00:57:54,319
you know it gives more details more

1484
00:57:58,950 --> 00:57:56,880
more of a validity to to deciding do you

1485
00:58:01,430 --> 00:57:58,960
understand what i mean

1486
00:58:01,990 --> 00:58:01,440
yes i do i mean they were very pretty i

1487
00:58:03,510 --> 00:58:02,000
have to say

1488
00:58:05,589 --> 00:58:03,520

you know you think of bigfoot as being

1489

00:58:07,670 --> 00:58:05,599

all tangled and snarled and dark-haired

1490

00:58:10,950 --> 00:58:07,680

but they weren't they were beautiful

1491

00:58:12,950 --> 00:58:10,960

they had flowing silky hair like a

1492

00:58:14,230 --> 00:58:12,960

really pretty irish setter you know when

1493

00:58:15,510 --> 00:58:14,240

they're walking that

1494

00:58:17,510 --> 00:58:15,520

that rippling of the hair and the

1495

00:58:20,549 --> 00:58:17,520

muscles um

1496

00:58:24,069 --> 00:58:20,559

they were pretty right

1497

00:58:26,710 --> 00:58:24,079

i mean um it wasn't you know

1498

00:58:29,030 --> 00:58:26,720

the usual concept of bigfoot but yeah i

1499

00:58:32,069 --> 00:58:29,040

understand that i mean

1500

00:58:33,430 --> 00:58:32,079

and being able to know because

1501

00:58:36,150 --> 00:58:33,440

my background even though i had a degree

1502

00:58:37,670 --> 00:58:36,160

in biology it was more like zoology and

1503

00:58:39,670 --> 00:58:37,680

you know i studied animal behavior and

1504

00:58:41,349 --> 00:58:39,680

things like that and so

1505

00:58:43,190 --> 00:58:41,359

you know i kind of know what's out there

1506

00:58:46,549 --> 00:58:43,200

i was kind of a naturalist i guess

1507

00:58:48,630 --> 00:58:46,559

you know a little bit and you know

1508

00:58:50,150 --> 00:58:48,640

i know what's out there and what makes

1509

00:58:52,309 --> 00:58:50,160

sense and what doesn't make sense

1510

00:58:54,390 --> 00:58:52,319

so it helps having that but at the same

1511

00:58:55,750 --> 00:58:54,400

time

1512

00:58:57,750 --> 00:58:55,760

over the years because of all the things

1513

00:58:59,430 --> 00:58:57,760

that have happened to me i also

1514

00:58:59,910 --> 00:58:59,440

recognize science doesn't have the

1515

00:59:08,630 --> 00:58:59,920

answer

1516

00:59:11,589 --> 00:59:08,640

but i don't think we're going to find it

1517

00:59:12,230 --> 00:59:11,599

in the conventional ways it's going to

1518

00:59:15,910 --> 00:59:12,240

take

1519

00:59:18,549 --> 00:59:15,920

some thinking outside the box um

1520

00:59:20,150 --> 00:59:18,559

so what would what did you gather

1521

00:59:21,030 --> 00:59:20,160

basically from all these different

1522

00:59:24,309 --> 00:59:21,040

experiences

1523

00:59:27,670 --> 00:59:24,319

um all the things you uh uh observed

1524

00:59:29,750 --> 00:59:27,680

uh what do you gather from overall uh

1525

00:59:31,349 --> 00:59:29,760

from from all of that is it just do you

1526

00:59:34,390 --> 00:59:31,359

still just look at it as these

1527

00:59:35,990 --> 00:59:34,400

you know uh random wow events and

1528

00:59:38,230 --> 00:59:36,000

leaving it at that or you where you're

1529

00:59:38,870 --> 00:59:38,240

kind of able to draw a bigger picture

1530

00:59:41,430 --> 00:59:38,880

for yourself

1531

00:59:43,109 --> 00:59:41,440

maybe especially with with the more of

1532

00:59:49,109 --> 00:59:43,119

that in-depth experience of the

1533

00:59:52,630 --> 00:59:51,829

i i think consciousness is not limited

1534

00:59:55,190 --> 00:59:52,640

to the brain

1535

00:59:57,030 --> 00:59:55,200

and the physical mechanism of the brain

1536

00:59:58,829 --> 00:59:57,040

i think the mind is not limited to the

1537

01:00:01,109 --> 00:59:58,839

brain the physical mechanism of the

1538

01:00:04,630 --> 01:00:01,119

brain

1539

01:00:08,150 --> 01:00:04,640

what it is i don't know but i think we

1540

01:00:10,470 --> 01:00:08,160

persist beyond you know

1541

01:00:14,710 --> 01:00:10,480

the physical body so that's one of the

1542

01:00:16,549 --> 01:00:14,720

takeaways i have um

1543

01:00:17,829 --> 01:00:16,559

part of it's getting over fear and

1544

01:00:21,270 --> 01:00:17,839

learning that love is

1545

01:00:21,990 --> 01:00:21,280

more important than fear um i still have

1546

01:00:23,430 --> 01:00:22,000

a hard time

1547

01:00:25,589 --> 01:00:23,440

it's not like i'm sitting around

1548

01:00:28,950 --> 01:00:25,599

meditating all the time you know

1549

01:00:30,789 --> 01:00:28,960

being in a great mood i'm not

1550

01:00:31,990 --> 01:00:30,799

if anybody should know you know what

1551

01:00:33,510 --> 01:00:32,000

it's like out there and

1552

01:00:35,829 --> 01:00:33,520

and should be you know the perfect

1553

01:00:37,349 --> 01:00:35,839

person uh you know it should be somebody

1554

01:00:37,990 --> 01:00:37,359

that's had a near-death experience but

1555

01:00:40,390 --> 01:00:38,000

you get back

1556

01:00:41,030 --> 01:00:40,400

you get caught up in life again and you

1557

01:00:42,789 --> 01:00:41,040

know that

1558

01:00:45,030 --> 01:00:42,799

back in the old rat race of being in the

1559

01:00:46,230 --> 01:00:45,040

physical body and all of its limitations

1560

01:00:51,750 --> 01:00:46,240

and

1561

01:00:55,190 --> 01:00:53,990

but having had those experiences it also

1562

01:00:58,390 --> 01:00:55,200

allows you to be

1563

01:01:01,589 --> 01:00:58,400

shaken out of the ordinary

1564

01:01:03,190 --> 01:01:01,599

and to perceive things differently i i

1565

01:01:03,990 --> 01:01:03,200

see things on so many different levels

1566

01:01:09,990 --> 01:01:04,000

now

1567

01:01:12,470 --> 01:01:10,000

or something like that and

1568

01:01:13,349 --> 01:01:12,480

think about it from the ordinary you

1569

01:01:16,069 --> 01:01:13,359

know

1570

01:01:17,750 --> 01:01:16,079

viewpoint that most people would have

1571

01:01:18,789 --> 01:01:17,760

because i am a human being as well i can

1572

01:01:20,470 --> 01:01:18,799

share that viewpoint

1573

01:01:23,990 --> 01:01:20,480

but then i can also look at other

1574

01:01:26,150 --> 01:01:24,000

aspects of it that um

1575

01:01:27,349 --> 01:01:26,160

you know that that type of overview has

1576

01:01:28,950 --> 01:01:27,359

been given to me because of the

1577

01:01:30,630 --> 01:01:28,960

experiences i've had

1578

01:01:33,589 --> 01:01:30,640

that you know it's not all tragedy it's

1579

01:01:36,390 --> 01:01:33,599

not all loss there is no end

1580

01:01:37,829 --> 01:01:36,400

so when someone dies then you know it's

1581

01:01:38,870 --> 01:01:37,839

sorrowful and everything because you'll

1582

01:01:42,150 --> 01:01:38,880

miss them but

1583

01:01:43,829 --> 01:01:42,160

it's it's not the end of everything um

1584

01:01:45,670 --> 01:01:43,839

an aspect of them persists i'm not

1585

01:01:46,789 --> 01:01:45,680

saying they persist in the personality

1586

01:01:48,309 --> 01:01:46,799

and ego

1587

01:01:50,630 --> 01:01:48,319

you know that we all have here on earth

1588

01:01:52,309 --> 01:01:50,640

but there's an aspect

1589

01:01:55,270 --> 01:01:52,319

aspect that would be recognizable that

1590

01:02:01,510 --> 01:01:58,390

so um i wanted to ask you then

1591

01:02:03,190 --> 01:02:01,520

um this this one this

1592

01:02:04,630 --> 01:02:03,200

one last question unless there's

1593

01:02:06,789 --> 01:02:04,640

something more that you would like to

1594

01:02:08,470 --> 01:02:06,799

discuss and cover but i wanted to just

1595

01:02:10,710 --> 01:02:08,480

tell everyone else watching

1596

01:02:12,309 --> 01:02:10,720

pretty soon we're going to go into q a

1597

01:02:13,510 --> 01:02:12,319

so if you would like to talk to linda

1598

01:02:15,670 --> 01:02:13,520

directly

1599

01:02:17,349 --> 01:02:15,680

please log in through telegram either on

1600

01:02:21,109 --> 01:02:17,359

your computer or

1601

01:02:23,270 --> 01:02:21,119

phone and um find the ufo hub

1602

01:02:24,150 --> 01:02:23,280

group um the link is also in this

1603

01:02:26,950 --> 01:02:24,160

description

1604

01:02:28,710 --> 01:02:26,960

below uh the video with or if you're on

1605

01:02:29,430 --> 01:02:28,720

facebook it's actually descriptions

1606

01:02:32,150 --> 01:02:29,440

above

1607

01:02:33,270 --> 01:02:32,160

so join the chat you'll see that uh it's

1608

01:02:35,750 --> 01:02:33,280

already going on

1609

01:02:37,670 --> 01:02:35,760

and just uh tap that little person with

1610

01:02:39,190 --> 01:02:37,680

the raised hand and they'll tell me that

1611

01:02:40,150 --> 01:02:39,200

you're in the queue and wanting to ask a

1612

01:02:42,710 --> 01:02:40,160

question

1613

01:02:43,910 --> 01:02:42,720

otherwise you can simply just comment if

1614

01:02:46,789 --> 01:02:43,920

you could please put

1615

01:02:48,309 --> 01:02:46,799

three stars down before you ask a

1616

01:02:50,549 --> 01:02:48,319

question so i know it's actually

1617

01:02:51,910 --> 01:02:50,559

directed towards the guest and they'll

1618

01:02:55,190 --> 01:02:51,920

help me out a great deal

1619

01:02:57,029 --> 01:02:55,200

so go ahead please do that now but linda

1620

01:02:58,630 --> 01:02:57,039

i wanted to ask

1621

01:03:00,150 --> 01:02:58,640

if it wasn't for your near-death

1622

01:03:02,069 --> 01:03:00,160

experience as a child

1623

01:03:03,510 --> 01:03:02,079

do you think that kind of opened up for

1624

01:03:05,510 --> 01:03:03,520

you to be able to

1625

01:03:06,549 --> 01:03:05,520

to see all these different things like

1626

01:03:09,270 --> 01:03:06,559

the craft

1627

01:03:09,670 --> 01:03:09,280

and bigfoot and and all of that or do

1628

01:03:13,750 --> 01:03:09,680

you

1629

01:03:15,349 --> 01:03:13,760

destined to just have these

1630

01:03:17,349 --> 01:03:15,359

random occurrences that could it will

1631

01:03:19,670 --> 01:03:17,359

happen to you

1632

01:03:20,789 --> 01:03:19,680

i don't know because you know i've had

1633

01:03:23,349 --> 01:03:20,799

some missing time

1634

01:03:25,109 --> 01:03:23,359

you know i've seen ufos things like that

1635

01:03:26,630 --> 01:03:25,119

but yet my family doesn't have it so

1636

01:03:28,870 --> 01:03:26,640

when you hear about people that have a

1637

01:03:30,789 --> 01:03:28,880

lot of ufo experiences and missing time

1638

01:03:32,230 --> 01:03:30,799

and alien abductions i mean i have no

1639

01:03:33,990 --> 01:03:32,240
recollection of any kind of alien

1640

01:03:36,789 --> 01:03:34,000
abduction or anything like that

1641

01:03:38,710 --> 01:03:36,799
and uh really no family you know

1642

01:03:40,549 --> 01:03:38,720
recollections of those sort of things so

1643

01:03:41,910 --> 01:03:40,559
was that what triggered it for me i i

1644

01:03:46,150 --> 01:03:41,920
really don't know but

1645

01:03:49,190 --> 01:03:46,160
quite likely uh i just really don't know

1646

01:03:49,829 --> 01:03:49,200
but um i wanted to just mention one

1647

01:03:51,829 --> 01:03:49,839
other thing

1648

01:03:53,430 --> 01:03:51,839
um because you asked me kind of what the

1649

01:03:55,109 --> 01:03:53,440
bottom line was

1650

01:03:56,630 --> 01:03:55,119
i had another experience that i would

1651

01:03:58,870 --> 01:03:56,640

call a transformative or

1652

01:04:00,069 --> 01:03:58,880

mystical experience and i won't go into

1653

01:04:01,750 --> 01:04:00,079

it unless somebody's really interested

1654

01:04:05,910 --> 01:04:01,760

about it but

1655

01:04:09,349 --> 01:04:05,920

i'll just you know bottom line was

1656

01:04:10,309 --> 01:04:09,359

i was briefly for just a little over 24

1657

01:04:11,589 --> 01:04:10,319

hours

1658

01:04:13,589 --> 01:04:11,599

able to see how everything was

1659

01:04:14,870 --> 01:04:13,599

interconnected and it was

1660

01:04:17,829 --> 01:04:14,880

without benefit of any kind of

1661

01:04:19,510 --> 01:04:17,839

hallucinogenic anything

1662

01:04:21,350 --> 01:04:19,520

to my knowledge unless somebody slipped

1663

01:04:22,870 --> 01:04:21,360

me something but um

1664

01:04:25,510 --> 01:04:22,880

[Music]

1665

01:04:26,630 --> 01:04:25,520

everything's connected and that's also

1666

01:04:27,829 --> 01:04:26,640

another thing i took away from my

1667

01:04:30,470 --> 01:04:27,839

near-death experiences

1668

01:04:31,430 --> 01:04:30,480

everything's connected uh it's hard to

1669

01:04:35,270 --> 01:04:31,440

explain

1670

01:04:37,910 --> 01:04:35,280

um and since the near-death experiences

1671

01:04:39,029 --> 01:04:37,920

i see things that i didn't see before um

1672

01:04:41,109 --> 01:04:39,039

not just ghosts which

1673

01:04:43,029 --> 01:04:41,119

that only happened for maybe three years

1674

01:04:45,270 --> 01:04:43,039

after afterwards and then it's kind of

1675

01:04:47,589 --> 01:04:45,280

faded i still see things but

1676

01:04:49,190 --> 01:04:47,599

you know not full body apparitions i

1677

01:04:52,470 --> 01:04:49,200

guess that i talked to

1678

01:04:53,109 --> 01:04:52,480

but i still see energy that i didn't

1679

01:04:56,470 --> 01:04:53,119

used to see

1680

01:04:57,910 --> 01:04:56,480

and you know things that i'm really

1681

01:05:00,230 --> 01:04:57,920

mystified by and that's

1682

01:05:02,630 --> 01:05:00,240

part of my exploration at this point is

1683

01:05:05,750 --> 01:05:02,640

trying to figure out what these are and

1684

01:05:07,589 --> 01:05:05,760

is it meaningful is it

1685

01:05:09,349 --> 01:05:07,599

something that can be measured is it

1686

01:05:10,390 --> 01:05:09,359

something that i'm seeing is it a new

1687

01:05:12,950 --> 01:05:10,400

sense

1688

01:05:14,870 --> 01:05:12,960

you know what exactly is it but i mean

1689

01:05:16,470 --> 01:05:14,880

literally for 24 hours i was able to see

1690

01:05:17,670 --> 01:05:16,480

that everything was connected

1691

01:05:20,390 --> 01:05:17,680

i was connected to everything it was

1692

01:05:23,589 --> 01:05:20,400

like being in a um

1693

01:05:26,309 --> 01:05:23,599

kind of a wireframe sort of situation

1694

01:05:27,589 --> 01:05:26,319

where you know you move your hand and

1695

01:05:28,390 --> 01:05:27,599

there's a whole bunch of connections to

1696

01:05:31,430 --> 01:05:28,400

your hand

1697

01:05:33,990 --> 01:05:31,440

everything in your visual field is um

1698

01:05:34,549 --> 01:05:34,000

connected to you and it's hard to

1699

01:05:37,829 --> 01:05:34,559

explain

1700

01:05:41,270 --> 01:05:37,839

i mean it was a very unique experience

1701

01:05:43,109 --> 01:05:41,280

but you know

1702

01:05:45,270 --> 01:05:43,119

it it left me with the feeling that

1703

01:05:49,510 --> 01:05:45,280

everything in the universe is connected

1704

01:05:53,190 --> 01:05:49,520

everything you know you i you know

1705

01:05:54,630 --> 01:05:53,200

and you get these weird insights i can't

1706

01:05:58,630 --> 01:05:54,640

explain it

1707

01:06:01,270 --> 01:05:58,640

um after having experiences like this

1708

01:06:04,390 --> 01:06:01,280

you get a lot of weird just

1709

01:06:06,150 --> 01:06:04,400

insights that just pop into your head

1710

01:06:08,470 --> 01:06:06,160

and you don't know where they come from

1711

01:06:09,990 --> 01:06:08,480

but they're interesting to ponder you

1712

01:06:11,990 --> 01:06:10,000

can't prove it but they're interesting

1713

01:06:15,270 --> 01:06:12,000

to think about

1714

01:06:17,990 --> 01:06:15,280

but that was another takeaway

1715

01:06:18,789 --> 01:06:18,000

everything's connected can you go maybe

1716

01:06:21,510 --> 01:06:18,799

into

1717

01:06:22,230 --> 01:06:21,520

one one specific one for example

1718

01:06:24,470 --> 01:06:22,240

something

1719

01:06:26,309 --> 01:06:24,480

i would assume you mean insights that's

1720

01:06:27,430 --> 01:06:26,319

something you usually didn't think about

1721

01:06:29,430 --> 01:06:27,440

but then

1722

01:06:30,950 --> 01:06:29,440

it would just come to you and then make

1723

01:06:33,829 --> 01:06:30,960

you look at it in a different way is

1724

01:06:37,510 --> 01:06:33,839

this is that what you're talking about

1725

01:06:39,270 --> 01:06:37,520

okay so part of what i see is after that

1726

01:06:42,390 --> 01:06:39,280

experience that that would have happened

1727

01:06:44,789 --> 01:06:42,400

in about 2010 i think

1728

01:06:46,309 --> 01:06:44,799

where i had the 24 hours of seeing

1729

01:06:48,309 --> 01:06:46,319

everything connected

1730

01:06:50,309 --> 01:06:48,319

um and it was like connected with like

1731

01:06:52,230 --> 01:06:50,319

golden copper

1732

01:06:53,430 --> 01:06:52,240

what appeared to be filaments it's hard

1733

01:06:54,630 --> 01:06:53,440

to explain that

1734

01:06:55,990 --> 01:06:54,640

seemed so real to me i was afraid i was

1735

01:06:57,829 --> 01:06:56,000

going to trip over them that sort of

1736

01:07:04,630 --> 01:06:57,839

thing they seemed quite real

1737

01:07:07,990 --> 01:07:05,990

tell me again your question because i've

1738

01:07:10,150 --> 01:07:08,000

lost the train sorry i was just saying

1739

01:07:12,309 --> 01:07:10,160

if you could maybe share uh some of

1740

01:07:13,589 --> 01:07:12,319

those different insights i mean besides

1741

01:07:16,069 --> 01:07:13,599

that everything is connected

1742

01:07:17,349 --> 01:07:16,079

just something else that was it just

1743

01:07:20,470 --> 01:07:17,359

things you weren't aware of

1744

01:07:21,750 --> 01:07:20,480

before yeah okay so i was sitting on the

1745

01:07:24,470 --> 01:07:21,760

patio

1746

01:07:25,589 --> 01:07:24,480

and i was watching my cat luna and she

1747

01:07:29,029 --> 01:07:25,599

was walking across

1748

01:07:30,470 --> 01:07:29,039

the patio and

1749

01:07:32,710 --> 01:07:30,480

since that occurrence since that

1750

01:07:34,069 --> 01:07:32,720

occurrence with the interconnectedness

1751

01:07:35,589 --> 01:07:34,079

of everything

1752

01:07:37,270 --> 01:07:35,599

i can see these little filaments that

1753

01:07:38,710 --> 01:07:37,280

seem to come out of my fingers and seem

1754

01:07:40,870 --> 01:07:38,720

to come out of trees and

1755

01:07:42,069 --> 01:07:40,880

twigs and leaves and everything i mean

1756

01:07:44,309 --> 01:07:42,079

if i

1757

01:07:46,230 --> 01:07:44,319

focus in a certain way i can i can see

1758

01:07:49,109 --> 01:07:46,240

these things and they're

1759

01:07:49,430 --> 01:07:49,119

they're more like a distortion than they

1760

01:07:52,150 --> 01:07:49,440

are

1761

01:07:53,430 --> 01:07:52,160

a physical looking thing it's just a

1762

01:07:55,349 --> 01:07:53,440

it's hard to explain they're like little

1763

01:07:59,109 --> 01:07:55,359

filaments that come out of everything

1764

01:08:01,029 --> 01:07:59,119

and i was watching her walk across

1765

01:08:02,309 --> 01:08:01,039

the patio and these little filaments

1766

01:08:03,589 --> 01:08:02,319

coming out of her and

1767

01:08:05,190 --> 01:08:03,599

you know they were coming out of her

1768

01:08:06,069 --> 01:08:05,200

whiskers out of her guard hairs i could

1769

01:08:08,870 --> 01:08:06,079

really see them

1770

01:08:10,950 --> 01:08:08,880

in the semi darkness and it just

1771

01:08:14,470 --> 01:08:10,960

occurred to me that

1772

01:08:15,510 --> 01:08:14,480

what appeared to be her walking across a

1773

01:08:18,630 --> 01:08:15,520

patio

1774

01:08:22,309 --> 01:08:18,640

was really incoming energy

1775

01:08:25,590 --> 01:08:22,319

that was acting upon like a

1776

01:08:26,550 --> 01:08:25,600

like a matrix like there's like the

1777

01:08:29,110 --> 01:08:26,560

universe exists

1778

01:08:32,709 --> 01:08:29,120

as a as a single thing and it's the

1779

01:08:39,269 --> 01:08:36,070

these omni potential particles

1780

01:08:41,829 --> 01:08:39,279

that make us have the sense that we are

1781

01:08:42,709 --> 01:08:41,839

actually walking talking breathing

1782

01:08:44,950 --> 01:08:42,719

moving

1783

01:08:46,390 --> 01:08:44,960

um when i move my hand across you know

1784

01:08:49,269 --> 01:08:46,400

from right to left

1785

01:08:50,229 --> 01:08:49,279

it's actually an interaction of energy

1786

01:08:53,669 --> 01:08:50,239

going into

1787

01:08:54,950 --> 01:08:53,679

a physical i don't know i mean i can see

1788

01:08:56,309 --> 01:08:54,960

it in my mind but it's hard for me to

1789

01:08:57,430 --> 01:08:56,319

explain because it doesn't make any

1790

01:08:59,990 --> 01:08:57,440

sense

1791

01:09:01,269 --> 01:09:00,000

but it's like like the holodeck you know

1792

01:09:05,349 --> 01:09:01,279

on star trek

1793

01:09:08,149 --> 01:09:05,359

um i'm probably dating myself but

1794

01:09:09,189 --> 01:09:08,159

the idea that it's an energy going into

1795

01:09:11,430 --> 01:09:09,199

an interface

1796

01:09:12,709 --> 01:09:11,440

that's creating what we perceive as

1797

01:09:15,030 --> 01:09:12,719

reality

1798

01:09:17,349 --> 01:09:15,040

that it's not truly physical it's just

1799

01:09:20,630 --> 01:09:17,359

an energy

1800

01:09:22,390 --> 01:09:20,640

and we perc perceive it the way we do

1801
01:09:24,149 --> 01:09:22,400
because that's how we're wired does that

1802
01:09:25,590 --> 01:09:24,159
make sense yeah i don't know if it makes

1803
01:09:28,070 --> 01:09:25,600
sense

1804
01:09:29,510 --> 01:09:28,080
well melinda um i have a first question

1805
01:09:32,229 --> 01:09:29,520
if if you want to get into

1806
01:09:33,669 --> 01:09:32,239
into those and sure if something else

1807
01:09:36,149 --> 01:09:33,679
comes to mind please don't

1808
01:09:37,030 --> 01:09:36,159
don't hesitate to share but this one is

1809
01:09:39,590 --> 01:09:37,040
from

1810
01:09:43,189 --> 01:09:39,600
m wing asking linda do you think that

1811
01:09:46,630 --> 01:09:43,199
you could be a contact tee

1812
01:09:49,110 --> 01:09:46,640
if i am i'm not aware of it um

1813
01:09:49,829 --> 01:09:49,120

i did have missing time and so it's

1814

01:09:51,910 --> 01:09:49,839

possible

1815

01:09:53,669 --> 01:09:51,920

i've tried hypnosis i've had no success

1816

01:09:56,390 --> 01:09:53,679

with it so

1817

01:09:57,510 --> 01:09:56,400

you know if i am i'm not aware of it

1818

01:10:00,830 --> 01:09:57,520

okay

1819

01:10:01,990 --> 01:10:00,840

uh this one is uh gonna be on on

1820

01:10:04,550 --> 01:10:02,000

telegram

1821

01:10:05,350 --> 01:10:04,560

nathan to raise this hand nathan mute

1822

01:10:09,750 --> 01:10:05,360

yourself and

1823

01:10:16,550 --> 01:10:12,790

yes hello uh can you hear me okay yes

1824

01:10:18,630 --> 01:10:16,560

we hear you just fine okay um

1825

01:10:19,910 --> 01:10:18,640

yes i i resonated with a lot of what

1826

01:10:22,070 --> 01:10:19,920

you're saying i i've

1827

01:10:23,750 --> 01:10:22,080

i and i've i feel like i've been

1828

01:10:25,030 --> 01:10:23,760

recently more recently here than than

1829

01:10:26,070 --> 01:10:25,040

ever before coming to similar

1830

01:10:28,630 --> 01:10:26,080

conclusions or

1831

01:10:30,229 --> 01:10:28,640

or finding the same value in the the

1832

01:10:31,990 --> 01:10:30,239

insights you were speaking of

1833

01:10:33,590 --> 01:10:32,000

here recently um one of the things that

1834

01:10:36,390 --> 01:10:33,600

i was kind of worried about

1835

01:10:37,910 --> 01:10:36,400

here is that you know like you're like

1836

01:10:39,270 --> 01:10:37,920

like so now it always seems like it

1837

01:10:41,270 --> 01:10:39,280

seems like now is the time like now is

1838

01:10:44,709 --> 01:10:41,280

the time it's a big shift happening

1839

01:10:46,870 --> 01:10:44,719

um and and as you said that

1840

01:10:48,229 --> 01:10:46,880

you would think somebody who has had a

1841

01:10:48,790 --> 01:10:48,239

near-death experience would come back

1842

01:10:50,550 --> 01:10:48,800

and be

1843

01:10:52,630 --> 01:10:50,560

like the perfect human but you're not

1844

01:10:54,550 --> 01:10:52,640

you fall back into the the

1845

01:10:56,149 --> 01:10:54,560

the grind the daily grind of life and

1846

01:10:57,510 --> 01:10:56,159

you start and you know what to do you

1847

01:10:58,229 --> 01:10:57,520

know what to do to be better everybody

1848

01:11:01,030 --> 01:10:58,239

does

1849

01:11:02,390 --> 01:11:01,040

um now how like what kind of insights

1850

01:11:04,870 --> 01:11:02,400

how did you come to that

1851
01:11:05,510 --> 01:11:04,880
realization and how important is it that

1852
01:11:08,070 --> 01:11:05,520
we be

1853
01:11:09,189 --> 01:11:08,080
as perfect as we can be right now do do

1854
01:11:10,790 --> 01:11:09,199
you understand what i'm trying to ask

1855
01:11:12,470 --> 01:11:10,800
like how did you get to that

1856
01:11:13,990 --> 01:11:12,480
because i know you said it you fall back

1857
01:11:15,830 --> 01:11:14,000
into the daily grind but how

1858
01:11:17,590 --> 01:11:15,840
how important is it that we that we try

1859
01:11:20,870 --> 01:11:17,600
to be as perfect as possible

1860
01:11:21,830 --> 01:11:20,880
because i don't i don't think we have to

1861
01:11:24,709 --> 01:11:21,840
strive for

1862
01:11:26,229 --> 01:11:24,719
perfection um you know i don't think

1863
01:11:27,830 --> 01:11:26,239

that's expected of us

1864

01:11:29,830 --> 01:11:27,840

you know one of the things i also took

1865

01:11:31,270 --> 01:11:29,840

away from the nerds experience is that

1866

01:11:34,630 --> 01:11:31,280

there is no hell

1867

01:11:36,070 --> 01:11:34,640

um there's no way that the place where i

1868

01:11:37,830 --> 01:11:36,080

went and all that love

1869

01:11:40,070 --> 01:11:37,840

that hell could even be a concept of

1870

01:11:42,310 --> 01:11:40,080

that i mean i just i'm sorry i just i

1871

01:11:45,430 --> 01:11:42,320

can't believe in hell i think it's a

1872

01:11:48,390 --> 01:11:45,440

it's a human construction only

1873

01:11:49,830 --> 01:11:48,400

but um you know i think we just have to

1874

01:11:52,470 --> 01:11:49,840

strive to be the best we can

1875

01:11:55,590 --> 01:11:52,480

and constantly reign ourselves in and

1876

01:11:59,030 --> 01:11:55,600

not allow that um

1877

01:12:01,350 --> 01:11:59,040

the ego and the biological

1878

01:12:02,149 --> 01:12:01,360

animal that we are to be at the

1879

01:12:06,709 --> 01:12:02,159

forefront

1880

01:12:09,590 --> 01:12:06,719

to try to consciously um

1881

01:12:10,550 --> 01:12:09,600

interact with a higher self or whatever

1882

01:12:13,830 --> 01:12:10,560

you want to call it

1883

01:12:14,550 --> 01:12:13,840

a higher aspect of being on a daily

1884

01:12:16,470 --> 01:12:14,560

basis

1885

01:12:17,590 --> 01:12:16,480

and you know just try to at least stay

1886

01:12:20,950 --> 01:12:17,600

connected to that

1887

01:12:22,630 --> 01:12:20,960

and keep open to that and

1888

01:12:25,590 --> 01:12:22,640

do the best you can but i don't think

1889

01:12:27,270 --> 01:12:25,600

perfection's expected

1890

01:12:29,990 --> 01:12:27,280

right thank you nathan i appreciate your

1891

01:12:33,030 --> 01:12:30,000

question uh melinda the next one is from

1892

01:12:35,189 --> 01:12:33,040

fab22 asking um have you tried some

1893

01:12:35,669 --> 01:12:35,199

techniques to deepen or access memories

1894

01:12:38,149 --> 01:12:35,679

of your

1895

01:12:42,310 --> 01:12:38,159

nde like hypnosis and would you

1896

01:12:46,950 --> 01:12:45,350

i remember a lot about the nde

1897

01:12:48,550 --> 01:12:46,960

part of what i remember is being told i

1898

01:12:50,229 --> 01:12:48,560

wouldn't be allowed to take it all back

1899

01:12:52,149 --> 01:12:50,239

for one thing you can't bring it all

1900

01:12:55,830 --> 01:12:52,159

back where i was at

1901

01:12:57,270 --> 01:12:55,840

um again i had that 360 spherical vision

1902

01:13:00,709 --> 01:12:57,280

i was not

1903

01:13:02,390 --> 01:13:00,719

vision

1904

01:13:05,430 --> 01:13:02,400

i could see all around perceive all

1905

01:13:07,189 --> 01:13:05,440

around i had

1906

01:13:10,229 --> 01:13:07,199

perceptive abilities that i don't have

1907

01:13:15,830 --> 01:13:14,310

and you you can't bring that back

1908

01:13:17,590 --> 01:13:15,840

you can't translate it back you can't

1909

01:13:19,830 --> 01:13:17,600

translate a lot of it back and so i

1910

01:13:22,070 --> 01:13:19,840

was told that i wouldn't be allowed to

1911

01:13:24,070 --> 01:13:22,080

bring it all back

1912

01:13:26,229 --> 01:13:24,080

you bring back impressions and thoughts

1913

01:13:27,669 --> 01:13:26,239

um i was also

1914

01:13:29,590 --> 01:13:27,679

left with the impression that at some

1915

01:13:31,270 --> 01:13:29,600

point it would open up and i would be

1916

01:13:32,790 --> 01:13:31,280

able to remember more that has not

1917

01:13:35,910 --> 01:13:32,800

happened so far

1918

01:13:37,510 --> 01:13:35,920

i remember vividly what happened i

1919

01:13:40,709 --> 01:13:37,520

actually put it on

1920

01:13:44,229 --> 01:13:40,719

the nderf uh near death experience

1921

01:13:48,310 --> 01:13:44,239

research foundation nderf.org

1922

01:13:50,709 --> 01:13:48,320

by dr jeffrey long i actually put it on

1923

01:13:52,790 --> 01:13:50,719

my experience on that um it's under a

1924

01:13:56,470 --> 01:13:52,800

pseudonym if anybody wants to look at

1925

01:13:59,990 --> 01:13:58,709

you know reconstruction of it it's under

1926

01:14:03,110 --> 01:14:00,000

jillian m

1927

01:14:07,030 --> 01:14:03,120

gillian

1928

01:14:08,470 --> 01:14:07,040

m so um that's the pseudonym that was

1929

01:14:10,149 --> 01:14:08,480

provided for me because you can do it

1930

01:14:15,110 --> 01:14:10,159

anonymously but

1931

01:14:17,750 --> 01:14:15,120

um you know i did that

1932

01:14:18,630 --> 01:14:17,760

reconstruction of the event maybe six

1933

01:14:20,870 --> 01:14:18,640

months after

1934

01:14:22,630 --> 01:14:20,880

the actual occurrence so it's pretty

1935

01:14:24,070 --> 01:14:22,640

fresh in my memory and everything but

1936

01:14:29,990 --> 01:14:24,080

i don't think i've forgotten anything i

1937

01:14:34,070 --> 01:14:32,390

okay sorry i thought you were gonna

1938

01:14:37,750 --> 01:14:34,080

follow up with something else

1939

01:14:40,149 --> 01:14:37,760

well um the if you if you can

1940

01:14:40,790 --> 01:14:40,159

maybe if you would like if you sent me a

1941

01:14:42,550 --> 01:14:40,800

link

1942

01:14:44,149 --> 01:14:42,560

specifically to that forum that's also

1943

01:14:47,910 --> 01:14:44,159

something that i could add

1944

01:14:50,310 --> 01:14:47,920

um okay to this to the description so um

1945

01:14:51,430 --> 01:14:50,320

but um do you foresee yourself in the

1946

01:14:53,990 --> 01:14:51,440

future of

1947

01:14:54,709 --> 01:14:54,000

continuing of having all these different

1948

01:14:57,030 --> 01:14:54,719

experiences

1949

01:14:58,470 --> 01:14:57,040

or whatever may come or what do you

1950

01:15:01,110 --> 01:14:58,480

think is just kind of

1951

01:15:01,990 --> 01:15:01,120

take it all in ponder more about things

1952

01:15:03,830 --> 01:15:02,000

and move kind of

1953

01:15:06,149 --> 01:15:03,840

move forward in life with with this new

1954

01:15:07,510 --> 01:15:06,159

understanding

1955

01:15:09,189 --> 01:15:07,520

i think moving forward with life with

1956

01:15:10,950 --> 01:15:09,199

new understandings a lot of it

1957

01:15:13,189 --> 01:15:10,960

trying to come to terms and understand

1958

01:15:14,790 --> 01:15:13,199

what i'm seeing when i see these

1959

01:15:16,950 --> 01:15:14,800

energies and things that's what i'm

1960

01:15:17,910 --> 01:15:16,960

interested in because it's not anything

1961

01:15:19,430 --> 01:15:17,920

i've seen i mean i

1962

01:15:20,630 --> 01:15:19,440

you hear about people seeing auras and

1963

01:15:21,830 --> 01:15:20,640

they said in the other it's not like

1964

01:15:25,430 --> 01:15:21,840

that it's

1965

01:15:27,750 --> 01:15:25,440

it's um it's something different like

1966

01:15:29,030 --> 01:15:27,760

so right now we're having um an outbreak

1967

01:15:30,149 --> 01:15:29,040

of bag worms i don't know if you know

1968

01:15:32,550 --> 01:15:30,159

what bagworms are they're

1969

01:15:33,430 --> 01:15:32,560

this these horrible little caterpillars

1970

01:15:36,229 --> 01:15:33,440

that

1971

01:15:37,590 --> 01:15:36,239

eat your trees and they're you know

1972

01:15:40,070 --> 01:15:37,600

they're just really a problem

1973

01:15:41,590 --> 01:15:40,080

and they hang down from the trees as

1974

01:15:43,350 --> 01:15:41,600

you're driving down the road

1975

01:15:44,950 --> 01:15:43,360

and you know you're bumping into them

1976

01:15:47,030 --> 01:15:44,960

because they are they spin

1977

01:15:47,990 --> 01:15:47,040

silk out and then they try to go from

1978

01:15:51,189 --> 01:15:48,000

point a to point b

1979

01:15:52,550 --> 01:15:51,199

by uh dropping down on a string of silk

1980

01:15:54,630 --> 01:15:52,560

and so you're bumping into them on the

1981

01:15:56,630 --> 01:15:54,640

road and i can actually see

1982

01:15:57,990 --> 01:15:56,640

them before i actually see the bag worm

1983

01:16:00,070 --> 01:15:58,000

hanging at the end of the silk

1984

01:16:01,110 --> 01:16:00,080

i can actually see that there's one

1985

01:16:03,189 --> 01:16:01,120

coming up

1986

01:16:04,950 --> 01:16:03,199

because i can see the lines going into

1987

01:16:05,750 --> 01:16:04,960

the silk even though that silk is so

1988

01:16:06,870 --> 01:16:05,760

transparent

1989

01:16:08,950 --> 01:16:06,880

there's no way i can see it from a

1990

01:16:09,910 --> 01:16:08,960

distance but i can see the distortion

1991

01:16:12,390 --> 01:16:09,920

that it causes

1992

01:16:14,149 --> 01:16:12,400

in the background of everything is that

1993

01:16:15,669 --> 01:16:14,159

if that makes any sense at all

1994

01:16:17,990 --> 01:16:15,679

and so i can tell when i'm about to run

1995

01:16:21,990 --> 01:16:18,000

into one of those portal backwards

1996

01:16:27,030 --> 01:16:24,950

you know that sort of thing i i would

1997

01:16:28,950 --> 01:16:27,040

like to try to figure that out

1998

01:16:30,390 --> 01:16:28,960

why have something that you can see if

1999

01:16:31,750 --> 01:16:30,400

you don't know the purpose of it and

2000

01:16:33,590 --> 01:16:31,760

what good it is

2001

01:16:35,669 --> 01:16:33,600

and all it does is just kind of disturb

2002

01:16:38,390 --> 01:16:35,679

your day

2003

01:16:40,149 --> 01:16:38,400

so um linda i want to ask you oh i'm

2004

01:16:40,790 --> 01:16:40,159

sorry melinda i would like to ask you

2005

01:16:44,470 --> 01:16:40,800

about

2006

01:16:46,630 --> 01:16:44,480

um so i i understand you know

2007

01:16:48,630 --> 01:16:46,640

so for example i went to school for

2008

01:16:50,790 --> 01:16:48,640

computer science and

2009

01:16:52,149 --> 01:16:50,800

but that doesn't mean i know they all be

2010

01:16:53,750 --> 01:16:52,159

all about computers

2011

01:16:55,669 --> 01:16:53,760

so i of course don't make the same

2012

01:16:57,830 --> 01:16:55,679

assumption about doctors that

2013

01:16:59,430 --> 01:16:57,840

you know they would know they all be all

2014

01:17:01,030 --> 01:16:59,440

about medical science i mean of course

2015

01:17:01,990 --> 01:17:01,040

there's journals you can read you know

2016

01:17:04,709 --> 01:17:02,000

if i'm not mistaken

2017

01:17:06,390 --> 01:17:04,719

and find out more and learn more but so

2018

01:17:07,510 --> 01:17:06,400

i'm not trying to attribute this to you

2019

01:17:09,110 --> 01:17:07,520

that oh

2020

01:17:10,630 --> 01:17:09,120

maybe you know something more about this

2021

01:17:14,790 --> 01:17:10,640

but what about an

2022

01:17:16,870 --> 01:17:14,800

actual um somehow a correlation between

2023

01:17:18,390 --> 01:17:16,880

your experiences and a physical change

2024

01:17:19,910 --> 01:17:18,400

to your body to where

2025

01:17:21,750 --> 01:17:19,920

you know it makes your eyes more

2026

01:17:24,390 --> 01:17:21,760

receptive you know

2027

01:17:25,510 --> 01:17:24,400

and and maybe you know certain other

2028

01:17:30,470 --> 01:17:25,520

physical traits

2029

01:17:33,189 --> 01:17:30,480

do did you ever think about that

2030

01:17:34,790 --> 01:17:33,199

what i would say is it's not our what i

2031

01:17:36,870 --> 01:17:34,800

even tell this to patients

2032

01:17:38,149 --> 01:17:36,880

okay we don't see with our eyes we don't

2033

01:17:41,590 --> 01:17:38,159

hear with our ears

2034

01:17:43,910 --> 01:17:41,600

um we see our eyes are a mechanism

2035

01:17:45,910 --> 01:17:43,920

very much like a lens in a microscope or

2036

01:17:47,510 --> 01:17:45,920

you know binocular lenses

2037

01:17:49,430 --> 01:17:47,520

and it's our brains that interpret the

2038

01:17:53,110 --> 01:17:49,440

data and

2039

01:17:54,950 --> 01:17:53,120

give us the ability to see um

2040

01:17:57,189 --> 01:17:54,960

and the same with hearing it's our it's

2041

01:17:58,229 --> 01:17:57,199

our auditory cortex that allows us to

2042

01:18:00,709 --> 01:17:58,239

hear

2043

01:18:01,510 --> 01:18:00,719

uh not the ear itself your ear is just

2044

01:18:05,430 --> 01:18:01,520

like a drum

2045

01:18:08,470 --> 01:18:05,440

it's truly an ear drum it just vibrates

2046

01:18:10,070 --> 01:18:08,480

and so you know both of them are

2047

01:18:13,350 --> 01:18:10,080

collecting

2048

01:18:16,390 --> 01:18:13,360

the brain

2049

01:18:18,630 --> 01:18:16,400

and so i would say if anything it's not

2050

01:18:20,790 --> 01:18:18,640

a change in my vision it's a change

2051
01:18:22,470 --> 01:18:20,800
well not changing my eyes it's a change

2052
01:18:25,510 --> 01:18:22,480
in my brain

2053
01:18:27,990 --> 01:18:25,520
um you know but

2054
01:18:29,430 --> 01:18:28,000
i guess i want to know why and what it

2055
01:18:33,510 --> 01:18:29,440
is and is it measurable

2056
01:18:35,110 --> 01:18:33,520
scientifically and you know

2057
01:18:36,470 --> 01:18:35,120
you know are other people i would love

2058
01:18:37,910 --> 01:18:36,480
to know if other people are starting to

2059
01:18:39,110 --> 01:18:37,920
see things like this

2060
01:18:41,030 --> 01:18:39,120
you know and that's that's part of my

2061
01:18:41,750 --> 01:18:41,040
purpose is you know when you come out of

2062
01:18:43,510 --> 01:18:41,760
the closet

2063
01:18:44,870 --> 01:18:43,520

you want to know if there's other people

2064

01:18:48,310 --> 01:18:44,880

coming out too

2065

01:18:50,390 --> 01:18:48,320

for the same reasons and you know

2066

01:18:53,270 --> 01:18:50,400

so that's you know being left with i

2067

01:18:57,189 --> 01:18:53,280

mean that's not the only thing i see

2068

01:19:01,030 --> 01:18:58,950

moats of light i mean they're tiny

2069

01:19:02,550 --> 01:19:01,040

infinitesimal tiny things that

2070

01:19:04,050 --> 01:19:02,560

zip in and out of my fingers and out of

2071

01:19:06,870 --> 01:19:04,060

other things um

2072

01:19:11,430 --> 01:19:06,880

[Music]

2073

01:19:13,350 --> 01:19:11,440

you know i i just feel like

2074

01:19:15,189 --> 01:19:13,360

it's a mystery you know some of the

2075

01:19:18,390 --> 01:19:15,199

things i see it's just mysterious

2076

01:19:21,590 --> 01:19:18,400

like in the wintertime i can be

2077

01:19:22,310 --> 01:19:21,600

walking outside and there'll be stocks

2078

01:19:23,990 --> 01:19:22,320

of

2079

01:19:25,350 --> 01:19:24,000

you know out in the field they'll be you

2080

01:19:26,390 --> 01:19:25,360

know we live in the country so there'll

2081

01:19:29,270 --> 01:19:26,400

be stocks of

2082

01:19:30,070 --> 01:19:29,280

you know some type of vegetation that's

2083

01:19:33,510 --> 01:19:30,080

dead

2084

01:19:35,110 --> 01:19:33,520

and um i can actually see lines of force

2085

01:19:36,630 --> 01:19:35,120

between the stalks

2086

01:19:38,390 --> 01:19:36,640

that's what it's like it's like a line

2087

01:19:39,830 --> 01:19:38,400

of force like a magnetic

2088

01:19:42,070 --> 01:19:39,840

line of force or something like that

2089

01:19:43,510 --> 01:19:42,080

sometimes if i'm driving down the road

2090

01:19:45,350 --> 01:19:43,520

and

2091

01:19:47,430 --> 01:19:45,360

you know we live in a rural area so

2092

01:19:48,470 --> 01:19:47,440

driving anywhere you often are driving

2093

01:19:50,550 --> 01:19:48,480

past

2094

01:19:51,669 --> 01:19:50,560

old uh places where they used to have

2095

01:19:54,550 --> 01:19:51,679

old signs

2096

01:19:55,110 --> 01:19:54,560

back in the 50s and 60s that had a metal

2097

01:19:57,189 --> 01:19:55,120

um

2098

01:19:58,630 --> 01:19:57,199

frame and then there's a lot of metal

2099

01:20:00,229 --> 01:19:58,640

fences and around these

2100

01:20:02,310 --> 01:20:00,239

anything metal coming out of the ground

2101
01:20:04,229 --> 01:20:02,320
any kind of metal pipe metal post metal

2102
01:20:05,590 --> 01:20:04,239
fence i see lines of force i mean i

2103
01:20:08,070 --> 01:20:05,600
don't know what it is

2104
01:20:09,669 --> 01:20:08,080
so you know i would just love to see if

2105
01:20:10,629 --> 01:20:09,679
other people are having that kind of

2106
01:20:12,709 --> 01:20:10,639
experience and

2107
01:20:13,990 --> 01:20:12,719
what they think it's all about and you

2108
01:20:16,790 --> 01:20:14,000
know is it just

2109
01:20:18,709 --> 01:20:16,800
an upgrade in the brain or you know what

2110
01:20:19,030 --> 01:20:18,719
is it and what what purpose is it you

2111
01:20:21,510 --> 01:20:19,040
know

2112
01:20:22,390 --> 01:20:21,520
so far other than detecting bag worms

2113
01:20:24,310 --> 01:20:22,400

before i actually

2114

01:20:25,910 --> 01:20:24,320

get up close enough to see them i i

2115

01:20:29,350 --> 01:20:25,920

can't tell much purpose

2116

01:20:32,470 --> 01:20:29,360

right well melinda the next question

2117

01:20:33,990 --> 01:20:32,480

um is from nick asking

2118

01:20:37,189 --> 01:20:34,000

are you convinced that when you pass

2119

01:20:39,910 --> 01:20:37,199

away you'll go to the same place

2120

01:20:40,550 --> 01:20:39,920

as in your nde or do you feel you'll

2121

01:20:43,350 --> 01:20:40,560

need to

2122

01:20:45,270 --> 01:20:43,360

earn it by earning it i mean meditating

2123

01:20:48,550 --> 01:20:45,280

be kind to others positive

2124

01:20:49,350 --> 01:20:48,560

and so on you know i don't the place

2125

01:20:51,990 --> 01:20:49,360

that i went to

2126
01:20:52,629 --> 01:20:52,000
was not the end-all be-all it wasn't you

2127
01:20:56,470 --> 01:20:52,639
know

2128
01:20:59,030 --> 01:20:56,480
i had a sense it's hard to explain

2129
01:20:59,990 --> 01:20:59,040
i had a sense of kind of a trophism a

2130
01:21:03,510 --> 01:21:00,000
sense of where god

2131
01:21:04,550 --> 01:21:03,520
was when i was there and it was i wasn't

2132
01:21:06,470 --> 01:21:04,560
there where god is

2133
01:21:08,390 --> 01:21:06,480
okay or whatever you want to call the

2134
01:21:12,310 --> 01:21:08,400
creator whatever your

2135
01:21:14,390 --> 01:21:12,320
personal belief structure is um

2136
01:21:15,510 --> 01:21:14,400
i wasn't there but i had a sense of

2137
01:21:19,910 --> 01:21:15,520
where that was

2138
01:21:21,350 --> 01:21:19,920

and you know

2139

01:21:23,189 --> 01:21:21,360

that's the accomplishment is actually

2140

01:21:27,590 --> 01:21:23,199

getting back there

2141

01:21:30,390 --> 01:21:27,600

so i'm not saying

2142

01:21:31,510 --> 01:21:30,400

um i don't i don't know where i went and

2143

01:21:34,070 --> 01:21:31,520

i don't know that i'll go back there

2144

01:21:36,550 --> 01:21:34,080

again when i die i really don't know

2145

01:21:37,990 --> 01:21:36,560

but i know that it was awesome and i'm

2146

01:21:41,590 --> 01:21:38,000

not afraid of death

2147

01:21:44,709 --> 01:21:41,600

and um you know i just

2148

01:21:47,990 --> 01:21:44,719

i don't know where it was what it was

2149

01:21:49,750 --> 01:21:48,000

and you know i just know that i'd go

2150

01:21:52,709 --> 01:21:49,760

there again in a minute

2151

01:21:55,510 --> 01:21:52,719

okay well um melinda for you being uh

2152

01:21:58,550 --> 01:21:55,520

you said pediatrician correct

2153

01:22:00,070 --> 01:21:58,560

and so um i can't believe i'm asking you

2154

01:22:02,149 --> 01:22:00,080

to steal your question that means

2155

01:22:04,629 --> 01:22:02,159

uh you're you're basically dealing with

2156

01:22:06,550 --> 01:22:04,639

children what's your day correct

2157

01:22:08,390 --> 01:22:06,560

mostly babies at this point i'm

2158

01:22:09,910 --> 01:22:08,400

functioning as a pediatric hospitalist

2159

01:22:10,870 --> 01:22:09,920

so i work mostly in the hospital mostly

2160

01:22:13,590 --> 01:22:10,880

in the nursery and then

2161

01:22:14,070 --> 01:22:13,600

the occasional inpatient we don't have a

2162

01:22:15,510 --> 01:22:14,080

very high

2163

01:22:17,669 --> 01:22:15,520

inpatient census but we have lots of

2164

01:22:20,390 --> 01:22:17,679

babies well the reason

2165

01:22:20,950 --> 01:22:20,400

why i'm asking that um straw brothers

2166

01:22:23,270 --> 01:22:20,960

asking

2167

01:22:24,709 --> 01:22:23,280

or saying making a statement and kind of

2168

01:22:28,550 --> 01:22:24,719

jotted my memory about

2169

01:22:31,030 --> 01:22:28,560

he says super kids can see colors and

2170

01:22:31,830 --> 01:22:31,040

read blindfolded is melinda aware of

2171

01:22:34,310 --> 01:22:31,840

that so

2172

01:22:34,950 --> 01:22:34,320

from your experience with your

2173

01:22:36,550 --> 01:22:34,960

background

2174

01:22:38,070 --> 01:22:36,560

is that also something that you might be

2175

01:22:40,470 --> 01:22:38,080

willing to to

2176
01:22:42,629 --> 01:22:40,480
look into and see what that could be all

2177
01:22:45,830 --> 01:22:42,639
about

2178
01:22:48,950 --> 01:22:45,840
that have

2179
01:22:51,270 --> 01:22:48,960
extra sensory abilities that are

2180
01:22:51,990 --> 01:22:51,280
mind-boggling unfortunately

2181
01:22:53,910 --> 01:22:52,000
unfortunately

2182
01:22:56,470 --> 01:22:53,920
in our country there's not a lot of

2183
01:22:59,350 --> 01:22:56,480
reason people aren't receptive to that

2184
01:23:00,790 --> 01:22:59,360
um you know and i think it's a shame

2185
01:23:04,149 --> 01:23:00,800
because once children outgrow

2186
01:23:07,590 --> 01:23:04,159
a certain sense of magical thinking

2187
01:23:10,950 --> 01:23:07,600
then they lose a lot of that ability

2188
01:23:12,390 --> 01:23:10,960

and so um but there are some

2189

01:23:15,510 --> 01:23:12,400

places in the world where they actually

2190

01:23:19,270 --> 01:23:15,520

encourage it and i think it's

2191

01:23:21,030 --> 01:23:19,280

easier to perhaps study there but

2192

01:23:22,790 --> 01:23:21,040

i mean it fascinates me i just don't

2193

01:23:25,510 --> 01:23:22,800

know much about it

2194

01:23:25,910 --> 01:23:25,520

so i'll let you finish off on your uh

2195

01:23:27,510 --> 01:23:25,920

you know

2196

01:23:29,590 --> 01:23:27,520

with any final thoughts you might have

2197

01:23:31,830 --> 01:23:29,600

but before that i have a quick question

2198

01:23:35,189 --> 01:23:31,840

what does your husband think about you

2199

01:23:38,310 --> 01:23:35,199

know all of this

2200

01:23:38,870 --> 01:23:38,320

well let's see i'm trying to think of

2201

01:23:42,470 --> 01:23:38,880

all the

2202

01:23:46,390 --> 01:23:43,910

he was the one that actually saw the

2203

01:23:48,390 --> 01:23:46,400

first ufo the the diamond-shaped one he

2204

01:23:51,189 --> 01:23:48,400

was the one that actually spotted it

2205

01:23:52,629 --> 01:23:51,199

i was actually asleep so you know he saw

2206

01:23:54,229 --> 01:23:52,639

that he saw a ufo

2207

01:23:56,390 --> 01:23:54,239

out in california when he was a young

2208

01:23:58,870 --> 01:23:56,400

person that did some

2209

01:24:00,310 --> 01:23:58,880

maneuvers that you know just didn't make

2210

01:24:02,550 --> 01:24:00,320

any sense they were just

2211

01:24:03,590 --> 01:24:02,560

right angle turns and things like that

2212

01:24:06,629 --> 01:24:03,600

so he's always

2213

01:24:08,229 --> 01:24:06,639

kind of believed in ufos and then

2214

01:24:09,990 --> 01:24:08,239

you know we had that one that drove over

2215

01:24:13,669 --> 01:24:10,000

the top of us

2216

01:24:15,030 --> 01:24:13,679

and um you know in the 2000s and

2217

01:24:17,030 --> 01:24:15,040

so i'm trying to think of other things

2218

01:24:19,910 --> 01:24:17,040

he's experienced with me we were

2219

01:24:21,830 --> 01:24:19,920

one time talking like a couple of feet

2220

01:24:24,310 --> 01:24:21,840

from each other just chit chatting

2221

01:24:25,830 --> 01:24:24,320

talking about something and then you

2222

01:24:27,669 --> 01:24:25,840

know

2223

01:24:29,189 --> 01:24:27,679

about three feet from us came a

2224

01:24:31,590 --> 01:24:29,199

disembodied voice

2225

01:24:32,709 --> 01:24:31,600

saying an entire sentence in another

2226

01:24:33,990 --> 01:24:32,719

language

2227

01:24:35,270 --> 01:24:34,000

and we both looked at each other you

2228

01:24:37,270 --> 01:24:35,280

know we knew what we'd heard there was

2229

01:24:38,070 --> 01:24:37,280

no radio or anything else nearby you

2230

01:24:41,110 --> 01:24:38,080

know

2231

01:24:42,310 --> 01:24:41,120

he has um i used to have a lamp one of

2232

01:24:43,830 --> 01:24:42,320

those touch lamps you know what i'm

2233

01:24:44,149 --> 01:24:43,840

talking about you touch the base and it

2234

01:24:47,110 --> 01:24:44,159

turned

2235

01:24:47,510 --> 01:24:47,120

on and it had three different settings

2236

01:24:50,550 --> 01:24:47,520

and

2237

01:24:51,910 --> 01:24:50,560

um when we were moving up here when

2238

01:24:54,149 --> 01:24:51,920

we're making the transition up here to

2239

01:24:59,350 --> 01:24:54,159

northeast oklahoma where i live now

2240

01:25:01,750 --> 01:24:59,360

um he would um

2241

01:25:03,590 --> 01:25:01,760

he sent the lamp with me when i was in

2242

01:25:05,830 --> 01:25:03,600

an apartment while we were

2243

01:25:06,950 --> 01:25:05,840

trying to move everything up and and

2244

01:25:08,470 --> 01:25:06,960

find a new place to live

2245

01:25:10,870 --> 01:25:08,480

before we settled on this farm that

2246

01:25:12,310 --> 01:25:10,880

we're on and um

2247

01:25:14,310 --> 01:25:12,320

so the lamp was there and i started

2248

01:25:15,669 --> 01:25:14,320

noticing i would i would leave for work

2249

01:25:15,990 --> 01:25:15,679

and i'd come back and the lamp would be

2250

01:25:18,550 --> 01:25:16,000

on

2251
01:25:21,110 --> 01:25:18,560
and i'm i'm a stickler about not wasting

2252
01:25:22,950 --> 01:25:21,120
energy so it really disturbed me

2253
01:25:24,310 --> 01:25:22,960
so i'd make sure you know that the lamp

2254
01:25:27,189 --> 01:25:24,320
was off and it'd be on

2255
01:25:28,310 --> 01:25:27,199
and so i'd come home and so i got to

2256
01:25:29,910 --> 01:25:28,320
where i started talking to the lamp

2257
01:25:32,629 --> 01:25:29,920
which is kind of stupid but

2258
01:25:34,149 --> 01:25:32,639
you know why are you turning on and it

2259
01:25:34,870 --> 01:25:34,159
would start it would start going through

2260
01:25:36,790 --> 01:25:34,880
the different

2261
01:25:38,390 --> 01:25:36,800
you know the three different settings

2262
01:25:39,990 --> 01:25:38,400
and i'm not anywhere near it

2263
01:25:41,990 --> 01:25:40,000

you know so i got to where i could ask

2264

01:25:43,030 --> 01:25:42,000

yes no questions about it and it would

2265

01:25:45,750 --> 01:25:43,040

actually

2266

01:25:47,590 --> 01:25:45,760

you know respond and then i just got too

2267

01:25:50,709 --> 01:25:47,600

weirded out by it and so i just like

2268

01:25:51,669 --> 01:25:50,719

put the lamp in the closet but then we

2269

01:25:55,030 --> 01:25:51,679

bought our farm

2270

01:25:56,310 --> 01:25:55,040

and moved into the farm he he took the

2271

01:25:59,430 --> 01:25:56,320

lamp and put it in

2272

01:26:01,270 --> 01:25:59,440

you know in one of his rooms and

2273

01:26:04,229 --> 01:26:01,280

i was talking to him he was in there and

2274

01:26:06,870 --> 01:26:04,239

i was just talking to him and

2275

01:26:08,790 --> 01:26:06,880

it starts it comes on you know and we're

2276

01:26:10,149 --> 01:26:08,800

both across the room from it there's no

2277

01:26:11,910 --> 01:26:10,159

no way and so

2278

01:26:13,750 --> 01:26:11,920

you know i had told him how it had been

2279

01:26:15,110 --> 01:26:13,760

doing and what it was had been doing he

2280

01:26:18,390 --> 01:26:15,120

thought i was crazy

2281

01:26:20,070 --> 01:26:18,400

and so we sat there and interacted with

2282

01:26:21,910 --> 01:26:20,080

it you know would ask it questions and

2283

01:26:23,430 --> 01:26:21,920

yes no questions and stuff like that and

2284

01:26:26,709 --> 01:26:23,440

then not long after that it

2285

01:26:29,030 --> 01:26:26,719

it whatever caused the the touch

2286

01:26:30,229 --> 01:26:29,040

aspect of the mechanism to work quit

2287

01:26:33,030 --> 01:26:30,239

working and so

2288

01:26:33,430 --> 01:26:33,040

you know it went to the garbage pile but

2289

01:26:34,790 --> 01:26:33,440

um

2290

01:26:36,790 --> 01:26:34,800

you know so he got to experience things

2291

01:26:38,790 --> 01:26:36,800

like that he's you know

2292

01:26:39,830 --> 01:26:38,800

got to see a few of the things i had to

2293

01:26:42,470 --> 01:26:39,840

deal with but

2294

01:26:43,830 --> 01:26:42,480

he's very supportive um you know he

2295

01:26:46,470 --> 01:26:43,840

doesn't ridicule me

2296

01:26:47,669 --> 01:26:46,480

he's seen enough of the weirdness and

2297

01:26:51,270 --> 01:26:47,679

and everything and

2298

01:26:53,910 --> 01:26:51,280

he he's not seen bigfoot but um

2299

01:26:55,030 --> 01:26:53,920

he was he's a jogger and he was jogging

2300

01:26:57,590 --> 01:26:55,040

on a back road

2301
01:26:58,870 --> 01:26:57,600
back trail where we used to live in

2302
01:27:02,229 --> 01:26:58,880
southeast oklahoma

2303
01:27:04,229 --> 01:27:02,239
not far from our home and he went

2304
01:27:06,229 --> 01:27:04,239
jogging underneath a bluff and a huge

2305
01:27:09,110 --> 01:27:06,239
boulder went flying over him

2306
01:27:09,910 --> 01:27:09,120
um not to try to crush him or hurt him

2307
01:27:12,629 --> 01:27:09,920
or anything

2308
01:27:13,830 --> 01:27:12,639
but over down across the road and down

2309
01:27:15,750 --> 01:27:13,840
the hillside and

2310
01:27:16,950 --> 01:27:15,760
it wasn't you know he heard a noise and

2311
01:27:19,270 --> 01:27:16,960
that sort of thing and

2312
01:27:20,470 --> 01:27:19,280
you know sees this thing flying flying

2313
01:27:22,950 --> 01:27:20,480

across the road

2314

01:27:24,310 --> 01:27:22,960

and it's not like it fell down it's not

2315

01:27:26,310 --> 01:27:24,320

like it rolled down the cliff or

2316

01:27:28,629 --> 01:27:26,320

anything like that this was hurled

2317

01:27:30,390 --> 01:27:28,639

by something and in the same area he had

2318

01:27:33,830 --> 01:27:30,400

something yell at him that was

2319

01:27:36,229 --> 01:27:33,840

he said it was so loud that it like

2320

01:27:37,350 --> 01:27:36,239

vibrated your lungs in your chest so

2321

01:27:38,709 --> 01:27:37,360

that sort of thing

2322

01:27:40,709 --> 01:27:38,719

like when you're in a concert you know

2323

01:27:43,830 --> 01:27:40,719

and the base is really heavy

2324

01:27:45,510 --> 01:27:43,840

so you know you know he believes it

2325

01:27:47,030 --> 01:27:45,520

so he's really supportive yeah the

2326

01:27:47,750 --> 01:27:47,040

reason why it's asking at least he is

2327

01:27:51,270 --> 01:27:47,760

supportive

2328

01:27:53,189 --> 01:27:51,280

because sometimes in um um stories i've

2329

01:27:55,189 --> 01:27:53,199

heard and personal experiences of

2330

01:27:57,270 --> 01:27:55,199

close friends you know it creates too

2331

01:27:59,510 --> 01:27:57,280

much friction if the if the partner is

2332

01:28:01,510 --> 01:27:59,520

not into the metaphysical in general

2333

01:28:03,189 --> 01:28:01,520

and so you know sometimes there's

2334

01:28:04,629 --> 01:28:03,199

divorces all kinds of things but i'm

2335

01:28:06,550 --> 01:28:04,639

glad everything's you know

2336

01:28:07,990 --> 01:28:06,560

you have you have somebody who you can

2337

01:28:09,510 --> 01:28:08,000

you know share your thoughts and

2338

01:28:12,390 --> 01:28:09,520

experiences with

2339

01:28:13,910 --> 01:28:12,400

um so melinda i wanted to just ask you

2340

01:28:15,590 --> 01:28:13,920

if there's something specific you would

2341

01:28:17,189 --> 01:28:15,600

like to finish off with

2342

01:28:22,229 --> 01:28:17,199

unless there's something else you would

2343

01:28:26,629 --> 01:28:24,950

i'm i'm trying to think i mean i've had

2344

01:28:29,910 --> 01:28:26,639

so many things over my lifetime

2345

01:28:33,030 --> 01:28:29,920

i would love to know if if any of your

2346

01:28:36,950 --> 01:28:33,040

listeners have ever had what i call

2347

01:28:40,229 --> 01:28:38,470

so this happened mostly when i was

2348

01:28:43,110 --> 01:28:40,239

younger

2349

01:28:43,510 --> 01:28:43,120

childhood young adulthood and i would

2350

01:28:46,310 --> 01:28:43,520

say

2351

01:28:47,270 --> 01:28:46,320

it doesn't happen much anymore but i

2352

01:28:49,430 --> 01:28:47,280

often

2353

01:28:51,750 --> 01:28:49,440

uh had dreams where i was other people

2354

01:28:53,430 --> 01:28:51,760

um

2355

01:28:54,709 --> 01:28:53,440

you know they seemed like a dream except

2356

01:28:56,149 --> 01:28:54,719

they were extremely vivid it was like

2357

01:28:57,910 --> 01:28:56,159

actually living it and i would actually

2358

01:28:59,430 --> 01:28:57,920

wake up with memories of

2359

01:29:00,950 --> 01:28:59,440

relatives that i didn't have you know

2360

01:29:03,590 --> 01:29:00,960

like aunt sally that i don't have

2361

01:29:05,750 --> 01:29:03,600

and uncle bob that i don't have and with

2362

01:29:07,189 --> 01:29:05,760

the associated emotions about how i felt

2363

01:29:09,270 --> 01:29:07,199

about them and

2364

01:29:11,750 --> 01:29:09,280

i wasn't always female i was sometimes

2365

01:29:14,070 --> 01:29:11,760

male

2366

01:29:14,950 --> 01:29:14,080

so that was really disconcerting as a

2367

01:29:16,629 --> 01:29:14,960

child to

2368

01:29:18,790 --> 01:29:16,639

wake up from a dream where you had been

2369

01:29:21,270 --> 01:29:18,800

an adult male and that sort of thing

2370

01:29:22,550 --> 01:29:21,280

with a whole lifetime of memories and

2371

01:29:24,709 --> 01:29:22,560

interactions and

2372

01:29:27,030 --> 01:29:24,719

you know that sort of thing one time i

2373

01:29:30,390 --> 01:29:27,040

was actually

2374

01:29:31,510 --> 01:29:30,400

i mean it's ufo hub so if you want to

2375

01:29:33,430 --> 01:29:31,520

hear some weird ufo

2376

01:29:36,070 --> 01:29:33,440

type stuff i can tell you a couple more

2377

01:29:37,990 --> 01:29:36,080

stories uh i don't know if you have time

2378

01:29:39,990 --> 01:29:38,000

yeah no i mean we do we're not we're not

2379

01:29:41,990 --> 01:29:40,000

restricted you know in any way it's just

2380

01:29:43,189 --> 01:29:42,000

i'm respectful of your time so if you

2381

01:29:46,229 --> 01:29:43,199

have something else that you would like

2382

01:29:50,950 --> 01:29:46,239

to get off your chest please do

2383

01:29:54,790 --> 01:29:53,430

and again there they were very vivid it

2384

01:29:56,229 --> 01:29:54,800

was like actually living it

2385

01:29:57,830 --> 01:29:56,239

it wasn't like the usual dream which is

2386

01:29:59,030 --> 01:29:57,840

fragmented and weird and

2387

01:30:00,470 --> 01:29:59,040

it doesn't really make a lot of sense

2388

01:30:01,030 --> 01:30:00,480

when you wake up these were weird they

2389

01:30:04,229 --> 01:30:01,040

were like

2390

01:30:07,510 --> 01:30:04,239

actually being there so

2391

01:30:09,030 --> 01:30:07,520

maybe i wasn't there so it kind of harks

2392

01:30:10,950 --> 01:30:09,040

back to the person that had the question

2393

01:30:11,270 --> 01:30:10,960

whether i was a contactee i don't know

2394

01:30:15,510 --> 01:30:11,280

but

2395

01:30:18,790 --> 01:30:15,520

i remember being in like a round room

2396

01:30:20,629 --> 01:30:18,800

that had a series of um

2397

01:30:21,910 --> 01:30:20,639

it was very futuristic this probably

2398

01:30:24,709 --> 01:30:21,920

happened when i was

2399

01:30:26,709 --> 01:30:24,719

a pre-teen um and it was a very

2400

01:30:29,830 --> 01:30:26,719

futuristic nothing that i'd ever seen

2401

01:30:35,189 --> 01:30:29,840

in in reality it was like um

2402

01:30:38,550 --> 01:30:35,199

a roundish room and it was like a

2403

01:30:42,709 --> 01:30:41,350

rows of seats with kind of a desk like

2404

01:30:43,750 --> 01:30:42,719

thing in front of it kind of like an

2405

01:30:48,070 --> 01:30:43,760

auditorium but

2406

01:30:51,990 --> 01:30:48,080

very small and round um

2407

01:30:54,950 --> 01:30:52,000

on one across the from the seats

2408

01:30:57,270 --> 01:30:54,960

were it was like a a blank screen which

2409

01:31:00,070 --> 01:30:57,280

at the time we didn't have screens

2410

01:31:01,750 --> 01:31:00,080

like that we didn't have big screen tvs

2411

01:31:03,189 --> 01:31:01,760

you know we had the old cathode ray

2412

01:31:05,030 --> 01:31:03,199

televisions and stuff like that so i'd

2413

01:31:07,590 --> 01:31:05,040

never seen anything like that but it was

2414

01:31:11,910 --> 01:31:07,600

like the entire wall was a screen

2415

01:31:15,830 --> 01:31:11,920

and on the wall was um

2416

01:31:17,910 --> 01:31:15,840

first we were in this room and we were

2417

01:31:18,310 --> 01:31:17,920

reading a story that was being projected

2418

01:31:20,310 --> 01:31:18,320

upon

2419

01:31:21,910 --> 01:31:20,320

the wall and it was in cursive writing i

2420

01:31:23,669 --> 01:31:21,920

remember that

2421

01:31:25,189 --> 01:31:23,679

and it was about a battle that was

2422

01:31:26,629 --> 01:31:25,199

taking place

2423

01:31:28,830 --> 01:31:26,639

and so we're reading the story of this

2424

01:31:31,270 --> 01:31:28,840

battle and then all of a sudden the

2425

01:31:34,310 --> 01:31:31,280

screen switches to an actual

2426

01:31:35,590 --> 01:31:34,320

like a movie of the battle and it wasn't

2427

01:31:37,510 --> 01:31:35,600

humans

2428

01:31:39,590 --> 01:31:37,520

i was a human sitting in that classroom

2429

01:31:43,030 --> 01:31:39,600

but what i was witnessing up on that

2430

01:31:46,790 --> 01:31:43,040

screen was um

2431

01:31:49,910 --> 01:31:46,800

it's hard to it was they were up

2432

01:31:52,149 --> 01:31:49,920

right they were bipedal they were

2433

01:31:55,110 --> 01:31:52,159

slender

2434

01:31:57,350 --> 01:31:55,120

they almost looked like they had um kind

2435

01:31:58,310 --> 01:31:57,360

of an exoskeleton that was maybe like

2436

01:32:02,870 --> 01:31:58,320

chitin like

2437

01:32:05,910 --> 01:32:02,880

insects have uh their head was very

2438

01:32:09,590 --> 01:32:05,920

different than ours um

2439

01:32:11,590 --> 01:32:09,600

large eyes and

2440

01:32:12,629 --> 01:32:11,600

they were fighting you know killing each

2441

01:32:15,270 --> 01:32:12,639

other

2442

01:32:15,830 --> 01:32:15,280

and then all of a sudden it went so it

2443

01:32:19,590 --> 01:32:15,840

went

2444

01:32:22,070 --> 01:32:19,600

quickly from reading this to seeing it

2445

01:32:25,030 --> 01:32:22,080

and then being sucked into it and i was

2446

01:32:27,830 --> 01:32:25,040

a part of it and i was one of the

2447

01:32:28,390 --> 01:32:27,840

one of the combatants and i was actually

2448

01:32:34,149 --> 01:32:28,400

this

2449

01:32:34,950 --> 01:32:34,159

i had a sense that i was like a warrior

2450

01:32:37,990 --> 01:32:34,960

and that

2451
01:32:38,550 --> 01:32:38,000
i lived for battle i mean i'm a kid you

2452
01:32:44,149 --> 01:32:38,560
know i

2453
01:32:45,590 --> 01:32:44,159
avoid all kinds of bullying and violence

2454
01:32:48,230 --> 01:32:45,600
and all that you know on the

2455
01:32:49,910 --> 01:32:48,240
playground and stuff like that and so um

2456
01:32:53,350 --> 01:32:49,920
[Music]

2457
01:32:53,990 --> 01:32:53,360
i just remember you know he loved battle

2458
01:32:55,830 --> 01:32:54,000
he lived

2459
01:32:57,510 --> 01:32:55,840
for it they were indoctrinated to

2460
01:32:58,310 --> 01:32:57,520
believe that that's what their existence

2461
01:33:01,350 --> 01:32:58,320
was all about

2462
01:33:02,470 --> 01:33:01,360
was to fight and for glory and you know

2463
01:33:05,750 --> 01:33:02,480

see

2464

01:33:06,629 --> 01:33:05,760

how many um i remember on the area where

2465

01:33:10,390 --> 01:33:06,639

we would have

2466

01:33:14,870 --> 01:33:10,400

our collarbone okay

2467

01:33:18,629 --> 01:33:14,880

there was like external chitin like

2468

01:33:20,470 --> 01:33:18,639

protrusion and

2469

01:33:22,550 --> 01:33:20,480

instead of having metals you know we

2470

01:33:25,750 --> 01:33:22,560

would hang metals on a uniform

2471

01:33:29,350 --> 01:33:25,760

they actually i actually as

2472

01:33:31,669 --> 01:33:29,360

this dude had inlays

2473

01:33:32,390 --> 01:33:31,679

it was like cut into the chitin were

2474

01:33:36,550 --> 01:33:32,400

inlays

2475

01:33:37,750 --> 01:33:36,560

of you know markings in i don't know if

2476

01:33:39,910 --> 01:33:37,760

there were stones or

2477

01:33:41,350 --> 01:33:39,920

pl i had no idea but various things

2478

01:33:43,110 --> 01:33:41,360

were inlaid into this kite and that

2479

01:33:46,390 --> 01:33:43,120

indicated the battles i had won

2480

01:33:49,590 --> 01:33:46,400

and the honors i had received and

2481

01:33:51,750 --> 01:33:49,600

you know i just remember coming back

2482

01:33:55,110 --> 01:33:51,760

from that dream oh and then

2483

01:33:56,709 --> 01:33:55,120

so and then i came out of that warrior

2484

01:33:58,149 --> 01:33:56,719

you know who lived for battle and

2485

01:34:00,870 --> 01:33:58,159

bloodlust and was killing

2486

01:34:02,310 --> 01:34:00,880

and maiming and everything and i came

2487

01:34:03,990 --> 01:34:02,320

back out of him and back into the

2488

01:34:06,720 --> 01:34:04,000

classroom into my

2489

01:34:10,470 --> 01:34:06,730

my regular kid body and um

2490

01:34:14,709 --> 01:34:12,870

then we were shown somehow we're shown

2491

01:34:15,830 --> 01:34:14,719

simultaneously all three the written

2492

01:34:19,510 --> 01:34:15,840

word

2493

01:34:21,189 --> 01:34:19,520

the visual and then the being it i i i

2494

01:34:22,550 --> 01:34:21,199

can't explain how it happened

2495

01:34:24,149 --> 01:34:22,560

i just remember that that's what

2496

01:34:24,470 --> 01:34:24,159

happened and i i don't understand it

2497

01:34:27,590 --> 01:34:24,480

because

2498

01:34:28,870 --> 01:34:27,600

how can you see

2499

01:34:30,950 --> 01:34:28,880

how can you experience all three things

2500

01:34:31,990 --> 01:34:30,960

at the same time two visual things and

2501
01:34:33,830 --> 01:34:32,000
one experiential thing

2502
01:34:35,830 --> 01:34:33,840
i just i don't know anyway but that's

2503
01:34:37,189 --> 01:34:35,840
the way it was and so then

2504
01:34:39,910 --> 01:34:37,199
when i woke up the next morning and

2505
01:34:42,790 --> 01:34:39,920
remembered the dream um

2506
01:34:43,350 --> 01:34:42,800
i just remembered understanding why some

2507
01:34:45,750 --> 01:34:43,360
people

2508
01:34:46,550 --> 01:34:45,760
you know love to fight and that sense of

2509
01:34:49,669 --> 01:34:46,560
bloodlust

2510
01:34:50,870 --> 01:34:49,679
and glory and everything else it just

2511
01:34:53,030 --> 01:34:50,880
helped me to understand that

2512
01:34:56,790 --> 01:34:53,040
aspect of human nature even though it

2513
01:34:59,990 --> 01:34:59,590

but i guess that's the most interesting

2514

01:35:02,229 --> 01:35:00,000

teaching

2515

01:35:03,350 --> 01:35:02,239

dream i had but i had lots of them and

2516

01:35:06,310 --> 01:35:03,360

most of them involved

2517

01:35:07,030 --> 01:35:06,320

um serious situations that i was

2518

01:35:09,669 --> 01:35:07,040

questioning

2519

01:35:11,590 --> 01:35:09,679

um and then i'd fall asleep and i'd get

2520

01:35:12,550 --> 01:35:11,600

some kind of answer in my dream by being

2521

01:35:14,229 --> 01:35:12,560

another person

2522

01:35:16,550 --> 01:35:14,239

and seeing things from their perspective

2523

01:35:19,910 --> 01:35:16,560

and experiencing

2524

01:35:21,669 --> 01:35:19,920

their life and what it was like so i'd

2525

01:35:24,470 --> 01:35:21,679

love to know if any of your listeners

2526

01:35:27,510 --> 01:35:24,480

have experiences like that

2527

01:35:30,790 --> 01:35:27,520

well if they if they get a chance to

2528

01:35:32,790 --> 01:35:30,800

write it down and um

2529

01:35:34,229 --> 01:35:32,800

you know mention something i'll of

2530

01:35:38,229 --> 01:35:34,239

course convey to you

2531

01:35:41,189 --> 01:35:38,239

um well i mean this donna

2532

01:35:43,189 --> 01:35:41,199

topez from she's on facebook says the

2533

01:35:45,910 --> 01:35:43,199

the dreams are definitely past life

2534

01:35:48,070 --> 01:35:45,920

remembrance is interesting so it's just

2535

01:35:51,109 --> 01:35:48,080

more of a statement she's making

2536

01:35:53,990 --> 01:35:51,119

um one of them actually more futuristic

2537

01:35:55,750 --> 01:35:54,000

like i was seeing into the future i mean

2538

01:35:57,109 --> 01:35:55,760

it's things that we have nowadays but

2539

01:35:58,390 --> 01:35:57,119

it's nothing that i'd experienced at

2540

01:36:00,470 --> 01:35:58,400

that time in my life

2541

01:36:02,310 --> 01:36:00,480

um as far as a skyscraper where i could

2542

01:36:04,310 --> 01:36:02,320

see out and see

2543

01:36:06,310 --> 01:36:04,320

um like the windows were made out of

2544

01:36:07,990 --> 01:36:06,320

glass the walls were made out of glass i

2545

01:36:08,790 --> 01:36:08,000

should say it's like up in a skyscraper

2546

01:36:11,590 --> 01:36:08,800

it's very

2547

01:36:12,790 --> 01:36:11,600

futuristic and that sort of thing so i

2548

01:36:14,470 --> 01:36:12,800

don't think that's all

2549

01:36:15,590 --> 01:36:14,480

i mean but again once you've had that

2550

01:36:16,470 --> 01:36:15,600

near-death experience where you've gone

2551
01:36:18,070 --> 01:36:16,480
to that

2552
01:36:19,750 --> 01:36:18,080
timeless place you realize that there

2553
01:36:22,470 --> 01:36:19,760
really is no time

2554
01:36:25,590 --> 01:36:22,480
um you know it's all the eternal now and

2555
01:36:28,390 --> 01:36:25,600
it's all happening at once and so

2556
01:36:29,270 --> 01:36:28,400
right well i mean possibly as uh you

2557
01:36:31,109 --> 01:36:29,280
know people keep

2558
01:36:32,470 --> 01:36:31,119
watching and re-watching this interview

2559
01:36:34,790 --> 01:36:32,480
today you know

2560
01:36:36,149 --> 01:36:34,800
um i know it would not be probably the

2561
01:36:37,910 --> 01:36:36,159
best thing to be scouring

2562
01:36:39,750 --> 01:36:37,920
you know comments all the time but you

2563
01:36:41,750 --> 01:36:39,760

know sometimes people do answer then

2564

01:36:43,510 --> 01:36:41,760

even though they might you know whoever

2565

01:36:44,070 --> 01:36:43,520

is watching now they might not do it in

2566

01:36:49,350 --> 01:36:44,080

this

2567

01:36:50,950 --> 01:36:49,360

i don't know if that could be considered

2568

01:36:55,030 --> 01:36:50,960

the same thing i usually

2569

01:36:56,709 --> 01:36:55,040

um use that sleeping state and

2570

01:36:58,709 --> 01:36:56,719

and sometimes dreams in general it helps

2571

01:37:00,870 --> 01:36:58,719

me solve problems if i have something

2572

01:37:03,830 --> 01:37:00,880

going on you know i really just kind of

2573

01:37:04,310 --> 01:37:03,840

you know not that i'm sitting there and

2574

01:37:05,910 --> 01:37:04,320

kind of

2575

01:37:07,510 --> 01:37:05,920

intentionally saying okay i'm putting

2576

01:37:08,790 --> 01:37:07,520

this intent out that i would like a

2577

01:37:10,390 --> 01:37:08,800

solution to a problem

2578

01:37:11,830 --> 01:37:10,400

i just basically go to sleep trying to

2579

01:37:13,430 --> 01:37:11,840

figure this out

2580

01:37:15,910 --> 01:37:13,440

and then basically wake up the next

2581

01:37:17,750 --> 01:37:15,920

morning i was like aha i got the answer

2582

01:37:19,350 --> 01:37:17,760

you know and of course it's not quite

2583

01:37:21,990 --> 01:37:19,360

the same you know

2584

01:37:22,390 --> 01:37:22,000

what you just described but um you know

2585

01:37:27,270 --> 01:37:22,400

it's

2586

01:37:29,430 --> 01:37:27,280

you find out what you need to

2587

01:37:31,030 --> 01:37:29,440

you'll find out so anyway that's the

2588

01:37:35,830 --> 01:37:31,040

closest i can kind of relate to

2589

01:37:38,310 --> 01:37:35,840

personally to what you were just saying

2590

01:37:40,470 --> 01:37:38,320

yeah i think it sleep helps sort out our

2591

01:37:43,510 --> 01:37:40,480

unconscious and subconscious and

2592

01:37:44,870 --> 01:37:43,520

what we've consciously dealt with you

2593

01:37:46,709 --> 01:37:44,880

know in our day-to-day life

2594

01:37:48,550 --> 01:37:46,719

it definitely helps us sort it all out

2595

01:37:48,950 --> 01:37:48,560

and sometimes it's more profound than

2596

01:37:51,990 --> 01:37:48,960

that

2597

01:37:55,430 --> 01:37:52,000

it's um

2598

01:37:57,510 --> 01:37:55,440

yeah okay well um

2599

01:37:58,550 --> 01:37:57,520

melinda thank you again very much i

2600

01:38:00,470 --> 01:37:58,560

really appreciate you

2601
01:38:02,870 --> 01:38:00,480
you know connecting with me and well

2602
01:38:06,390 --> 01:38:02,880
actually i reached out to you after

2603
01:38:07,350 --> 01:38:06,400
rayne uh introduced to introduced as i

2604
01:38:10,550 --> 01:38:07,360
guess over email

2605
01:38:12,149 --> 01:38:10,560
so um i know i was busy at that time so

2606
01:38:14,390 --> 01:38:12,159
it took me a little while to

2607
01:38:15,830 --> 01:38:14,400
to uh to write to you but you know i'm

2608
01:38:16,790 --> 01:38:15,840
very glad you'll be able to talk to me

2609
01:38:20,070 --> 01:38:16,800
today and

2610
01:38:22,470 --> 01:38:20,080
and just share your perspective because

2611
01:38:25,430 --> 01:38:22,480
you know there's at this point because

2612
01:38:26,470 --> 01:38:25,440
we're at this weird stage where

2613
01:38:29,109 --> 01:38:26,480

you know it's all about these

2614

01:38:31,109 --> 01:38:29,119

experiences and things learned and

2615

01:38:32,149 --> 01:38:31,119

you know what is so important about that

2616

01:38:35,350 --> 01:38:32,159

the conveying

2617

01:38:37,430 --> 01:38:35,360

of of these experiences is is the

2618

01:38:39,510 --> 01:38:37,440

most important part to people out there

2619

01:38:41,270 --> 01:38:39,520

because not everyone

2620

01:38:43,350 --> 01:38:41,280

you know has the same educational level

2621

01:38:44,950 --> 01:38:43,360

not everyone has the same experiences

2622

01:38:46,390 --> 01:38:44,960

you know but at least just through

2623

01:38:48,070 --> 01:38:46,400

sharing we can kind of

2624

01:38:50,229 --> 01:38:48,080

create our own little library of

2625

01:38:52,229 --> 01:38:50,239

information you know for each other so

2626

01:38:53,590 --> 01:38:52,239

that others can reference and go oh okay

2627

01:38:55,430 --> 01:38:53,600

there's this person who had similar

2628

01:38:59,030 --> 01:38:55,440

experience aside as i did

2629

01:39:00,950 --> 01:38:59,040

and you know i'm always maybe i'm too

2630

01:39:01,750 --> 01:39:00,960

naive every time i talk to people i

2631

01:39:04,709 --> 01:39:01,760

always

2632

01:39:06,149 --> 01:39:04,719

uh you know take the approach of they're

2633

01:39:07,030 --> 01:39:06,159

not gonna you know lie to me they're

2634

01:39:08,950 --> 01:39:07,040

gonna tell me

2635

01:39:10,390 --> 01:39:08,960

however they experience it that that's

2636

01:39:13,270 --> 01:39:10,400

how they'll convey it

2637

01:39:15,350 --> 01:39:13,280

you know and um you know uh you can just

2638

01:39:17,590 --> 01:39:15,360

tell when you speak to people

2639

01:39:19,430 --> 01:39:17,600

what they're what they're talking about

2640

01:39:21,590 --> 01:39:19,440

because i've never experienced

2641

01:39:23,350 --> 01:39:21,600

uh or anyone that i've personally talked

2642

01:39:25,990 --> 01:39:23,360

to and interviewed where i could

2643

01:39:28,070 --> 01:39:26,000

where they're just kind of fishing if if

2644

01:39:30,470 --> 01:39:28,080

you if you understand what i mean

2645

01:39:32,229 --> 01:39:30,480

you know so yes i'm hoping that this

2646

01:39:35,270 --> 01:39:32,239

library of information

2647

01:39:36,390 --> 01:39:35,280

go ahead i'm sorry i just hope that when

2648

01:39:37,910 --> 01:39:36,400

rey

2649

01:39:40,070 --> 01:39:37,920

hernandez and the consciousness and

2650

01:39:45,109 --> 01:39:40,080

contact research institute

2651
01:39:48,390 --> 01:39:45,119
come out with their um the academic list

2652
01:39:50,550 --> 01:39:48,400
they're going to be wanting to find

2653
01:39:52,149 --> 01:39:50,560
people that are experiencers

2654
01:39:53,590 --> 01:39:52,159
and do the same thing that they did with

2655
01:39:56,790 --> 01:39:53,600
the ufo

2656
01:39:57,189 --> 01:39:56,800
the beyond ufos book that they did where

2657
01:39:59,750 --> 01:39:57,199
they

2658
01:40:01,030 --> 01:39:59,760
actually did scientific research and

2659
01:40:03,669 --> 01:40:01,040
actually

2660
01:40:06,149 --> 01:40:03,679
disprove some of the myths that had been

2661
01:40:08,229 --> 01:40:06,159
pervasive in ufology

2662
01:40:09,510 --> 01:40:08,239
as to you know people that experienced

2663
01:40:11,109 --> 01:40:09,520

this and that it was a negative

2664

01:40:14,149 --> 01:40:11,119

experience and that sort of thing

2665

01:40:15,750 --> 01:40:14,159

so what the consciousness and content

2666

01:40:18,550 --> 01:40:15,760

tact research institute will be doing

2667

01:40:21,109 --> 01:40:18,560

now is this new research will be about

2668

01:40:21,990 --> 01:40:21,119

the other modalities not just ufos and

2669

01:40:24,709 --> 01:40:22,000

contact and that sort

2670

01:40:26,070 --> 01:40:24,719

of thing but the other modalities that

2671

01:40:28,149 --> 01:40:26,080

you can

2672

01:40:29,990 --> 01:40:28,159

contact non-human intelligence whether

2673

01:40:32,790 --> 01:40:30,000

it's from through shamanism

2674

01:40:33,910 --> 01:40:32,800

or astral projection or out-of-body

2675

01:40:36,229 --> 01:40:33,920

experiences

2676

01:40:38,229 --> 01:40:36,239

you know right yeah i'm looking at the

2677

01:40:41,669 --> 01:40:38,239

cover now so there's ndes

2678

01:40:42,709 --> 01:40:41,679

obes ufos spirits uh prayer remote

2679

01:40:45,910 --> 01:40:42,719

viewing

2680

01:40:47,750 --> 01:40:45,920

um hallucigenic journeys uh non-human

2681

01:40:49,590 --> 01:40:47,760

intelligences and so on i mean there's

2682

01:40:51,830 --> 01:40:49,600

there's a lot

2683

01:40:52,709 --> 01:40:51,840

right and i just hope that people will

2684

01:40:55,030 --> 01:40:52,719

participate

2685

01:40:55,910 --> 01:40:55,040

in that research so that we can get

2686

01:40:59,109 --> 01:40:55,920

people that are

2687

01:41:00,149 --> 01:40:59,119

good experiencers to um be a part of the

2688

01:41:03,750 --> 01:41:00,159

data

2689

01:41:05,590 --> 01:41:03,760

it'll be anonymous of course um but

2690

01:41:07,510 --> 01:41:05,600

you know when they actually come out

2691

01:41:09,510 --> 01:41:07,520

with the research i hope a lot of people

2692

01:41:11,270 --> 01:41:09,520

because i mean the more data you have

2693

01:41:11,990 --> 01:41:11,280

the more valid the research is if you

2694

01:41:14,390 --> 01:41:12,000

have

2695

01:41:16,229 --> 01:41:14,400

2 000 people versus 10 000 people the

2696

01:41:19,350 --> 01:41:16,239

the data is a lot more valid if you have

2697

01:41:21,189 --> 01:41:19,360

a higher number so it's coming out

2698

01:41:22,709 --> 01:41:21,199

yeah it's coming out october 1st and i

2699

01:41:25,189 --> 01:41:22,719

hope people do get it you know

2700

01:41:27,669 --> 01:41:25,199

also to read your chapter as well well

2701

01:41:30,229 --> 01:41:27,679

the book is coming out but the actual

2702

01:41:32,470 --> 01:41:30,239

research is still being formulated how

2703

01:41:34,870 --> 01:41:32,480

it's going to the methodology and

2704

01:41:36,790 --> 01:41:34,880

the questions that will be asked i mean

2705

01:41:39,990 --> 01:41:36,800

you know that'll be a part of it is

2706

01:41:43,510 --> 01:41:40,000

determining what the questionnaire will

2707

01:41:45,109 --> 01:41:43,520

will include um but i just hope people

2708

01:41:47,189 --> 01:41:45,119

will take part in the questionnaire that

2709

01:41:50,310 --> 01:41:47,199

will be a part of the results

2710

01:41:52,149 --> 01:41:50,320

of the scientific study okay

2711

01:41:53,590 --> 01:41:52,159

all right well melinda thank you again

2712

01:41:55,830 --> 01:41:53,600

very much i appreciate it

2713

01:41:57,430 --> 01:41:55,840

um so just uh i'll talk to you in a

2714

01:41:58,070 --> 01:41:57,440

second please hang tight don't hang up

2715

01:41:59,270 --> 01:41:58,080

on me but

2716

01:42:01,910 --> 01:41:59,280

i just want to say goodbye to the

2717

01:42:03,270 --> 01:42:01,920

audience um everyone else watching thank

2718

01:42:05,750 --> 01:42:03,280

you very much for joining

2719

01:42:06,790 --> 01:42:05,760

joining both of us today um i hope you

2720

01:42:09,669 --> 01:42:06,800

got something out of it

2721

01:42:11,109 --> 01:42:09,679

uh next week on wednesday i promise this

2722

01:42:12,950 --> 01:42:11,119

time i won't skip out we're going to

2723

01:42:14,390 --> 01:42:12,960

have open lines where you can call in

2724

01:42:17,109 --> 01:42:14,400

and share your stories

2725

01:42:19,189 --> 01:42:17,119

um on on the live stream and then of

2726

01:42:19,990 --> 01:42:19,199

course i'm already have a guest lined up

2727

01:42:22,149 --> 01:42:20,000

on friday but

2728

01:42:23,669 --> 01:42:22,159

i'll talk about that more next week so

2729

01:42:26,149 --> 01:42:23,679

but appreciate you all again

2730

01:42:27,109 --> 01:42:26,159

for tuning in thank you melinda thank

2731

01:42:29,109 --> 01:42:27,119

you again and

2732

01:42:31,189 --> 01:42:29,119

i hope we get to talk to each other
