REED SUMMERS

1
00:00:08,310 --> 00:00:05,349
hey everyone

2
00:00:09,990 --> 00:00:08,320
welcome to geofoam webcast today's guest

3
00:00:12,070 --> 00:00:10,000
is going to be reed summers

4
00:00:13,030 --> 00:00:12,080
i will be talking to him about allies of

5
00:00:15,030 --> 00:00:13,040
humanity

6
00:00:16,790 --> 00:00:15,040
which is a body of work that was started

7
00:00:19,830 --> 00:00:16,800
by his father marshall summers

8
00:00:21,429 --> 00:00:19,840
back in the late 70s and as always i'm

9
00:00:22,630 --> 00:00:21,439
going to let the guests get into the

10
00:00:26,070 --> 00:00:22,640
background information

11
00:00:27,429 --> 00:00:26,080
so let's get to it welcome reed thanks

12
00:00:29,830 --> 00:00:27,439
for being on how are you

13
00:00:31,589 --> 00:00:29,840

good thank you for having me well so i'm

14

00:00:32,229 --> 00:00:31,599

glad we're able to connect i know it's

15

00:00:34,389 --> 00:00:32,239

been

16

00:00:35,510 --> 00:00:34,399

um several several months now that we've

17

00:00:37,590 --> 00:00:35,520

been trying to

18

00:00:38,950 --> 00:00:37,600

figure out a date and time so i'm glad

19

00:00:41,750 --> 00:00:38,960

today is today

20

00:00:42,950 --> 00:00:41,760

so as usual i would like to just ask you

21

00:00:45,590 --> 00:00:42,960

if you can go a little bit

22

00:00:46,389 --> 00:00:45,600

into your background information yeah

23

00:00:48,950 --> 00:00:46,399

sure um

24

00:00:50,709 --> 00:00:48,960

well for the last 10 years i've been

25

00:00:52,869 --> 00:00:50,719

working with my father marshall theon

26

00:00:56,790 --> 00:00:52,879

summers on presenting

27

00:00:58,630 --> 00:00:56,800

a very new perspective regarding contact

28

00:01:01,830 --> 00:00:58,640

who is in our world what they're doing

29

00:01:05,030 --> 00:01:01,840

and why and a preparation for contact

30

00:01:08,390 --> 00:01:05,040

that everyone and anyone can use

31

00:01:10,550 --> 00:01:08,400

and bring into their life to help them

32

00:01:12,550 --> 00:01:10,560

prepare for what probably is the biggest

33

00:01:14,230 --> 00:01:12,560

event in human history which is contact

34

00:01:15,190 --> 00:01:14,240

with non-human intelligent life in the

35

00:01:18,469 --> 00:01:15,200

universe

36

00:01:20,469 --> 00:01:18,479

so read the initially the the books

37

00:01:22,149 --> 00:01:20,479

um allies of humanity there's four

38

00:01:26,390 --> 00:01:22,159

volumes correct

39

00:01:29,429 --> 00:01:26,400
correct yes so in 1997 my father

40

00:01:31,749 --> 00:01:29,439
received the first set of briefings

41

00:01:33,670 --> 00:01:31,759
from a group of observers

42

00:01:35,590 --> 00:01:33,680
extraterrestrial observers who came to

43

00:01:37,830 --> 00:01:35,600
the vicinity of the earth

44

00:01:39,670 --> 00:01:37,840
to observe the alien intervention

45

00:01:40,870 --> 00:01:39,680
underway in our world and report on its

46

00:01:42,630 --> 00:01:40,880
activities

47

00:01:44,389 --> 00:01:42,640
and these individuals called themselves

48

00:01:46,710 --> 00:01:44,399
the allies of humanity

49

00:01:48,630 --> 00:01:46,720
and in 1997 they gave their first set of

50

00:01:51,270 --> 00:01:48,640
briefings and then that was followed by

51
00:01:52,950 --> 00:01:51,280
three more sets of briefings and so

52
00:01:54,230 --> 00:01:52,960
there are now four books from the allies

53
00:01:57,350 --> 00:01:54,240
of humanity

54
00:01:59,590 --> 00:01:57,360
which detail in

55
00:02:00,389 --> 00:01:59,600
in great depth uh the activities of

56
00:02:02,630 --> 00:02:00,399
those visiting

57
00:02:03,830 --> 00:02:02,640
our world who have been present in our

58
00:02:07,190 --> 00:02:03,840
world for

59
00:02:09,029 --> 00:02:07,200
over 60 60 years and and what their

60
00:02:09,669 --> 00:02:09,039
agenda is how they're accomplishing that

61
00:02:11,910 --> 00:02:09,679
agenda

62
00:02:13,190 --> 00:02:11,920
and where we stand uh as the native

63
00:02:14,949 --> 00:02:13,200

peoples facing that

64

00:02:16,390 --> 00:02:14,959

well reid i'd love to get into some of

65

00:02:18,949 --> 00:02:16,400

that with you um i

66

00:02:19,589 --> 00:02:18,959

first want to ask you more about you um

67

00:02:21,110 --> 00:02:19,599

when you

68

00:02:22,869 --> 00:02:21,120

first started working with your father

69

00:02:24,070 --> 00:02:22,879

is there something that you felt

70

00:02:26,309 --> 00:02:24,080

inclined to do or

71

00:02:27,750 --> 00:02:26,319

how did that come about you said what 10

72

00:02:31,110 --> 00:02:27,760

years ago yeah it was

73

00:02:33,350 --> 00:02:31,120

you know kind of mysterious um well

74

00:02:34,710 --> 00:02:33,360

and not um i am marshall's son so

75

00:02:37,190 --> 00:02:34,720

marshall was doing this for

76

00:02:38,869 --> 00:02:37,200

you know for many many years all

77

00:02:41,030 --> 00:02:38,879

throughout my childhood receiving

78

00:02:41,990 --> 00:02:41,040

this communication presenting it

79

00:02:44,070 --> 00:02:42,000

presenting at

80

00:02:45,830 --> 00:02:44,080

forums like mufon and doing numerous

81

00:02:49,670 --> 00:02:45,840

radio interviews and

82

00:02:52,229 --> 00:02:49,680

trying to educate people about

83

00:02:53,990 --> 00:02:52,239

the gravity of contact and and what we

84

00:02:55,990 --> 00:02:54,000

need to be doing about it

85

00:02:57,830 --> 00:02:56,000

uh so i grew up in that and i saw my

86

00:03:00,550 --> 00:02:57,840

father doing that work and that

87

00:03:02,390 --> 00:03:00,560

i think deep that moved me though i

88

00:03:03,589 --> 00:03:02,400

didn't know it moved me or it inspired

89

00:03:04,550 --> 00:03:03,599

me though i wasn't aware of that

90

00:03:07,430 --> 00:03:04,560

inspiration

91

00:03:08,390 --> 00:03:07,440

for many years so i i went off and i was

92

00:03:11,589 --> 00:03:08,400

um

93

00:03:11,990 --> 00:03:11,599

i was in college taking on my own career

94

00:03:13,990 --> 00:03:12,000

path

95

00:03:15,509 --> 00:03:14,000

and i just had this gut knowing that i

96

00:03:17,509 --> 00:03:15,519

needed to

97

00:03:19,430 --> 00:03:17,519

to get back home and help marshall

98

00:03:21,030 --> 00:03:19,440

present the allies of humanity briefings

99

00:03:22,390 --> 00:03:21,040

and this was building for me for some

100

00:03:25,190 --> 00:03:22,400

time

101
00:03:26,470 --> 00:03:25,200
and that actually happened back in 2004

102
00:03:28,869 --> 00:03:26,480
so

103
00:03:30,229 --> 00:03:28,879
gosh help me out with the math on that

104
00:03:33,910 --> 00:03:30,239
that's a long time ago

105
00:03:37,190 --> 00:03:33,920
um so yeah that's 17 years ago

106
00:03:39,750 --> 00:03:37,200
um and so but you know twists and turns

107
00:03:43,030 --> 00:03:39,760
in my life took me away for a few years

108
00:03:45,750 --> 00:03:43,040
um but in the back of my mind i always

109
00:03:46,789 --> 00:03:45,760
knew how important it was what these

110
00:03:48,550 --> 00:03:46,799
briefings

111
00:03:50,949 --> 00:03:48,560
presented to the world the perspective

112
00:03:53,509 --> 00:03:50,959
they offered i knew

113
00:03:55,270 --> 00:03:53,519

that you know an enormous percentage of

114

00:03:55,830 --> 00:03:55,280

people on planet earth care about

115

00:03:58,070 --> 00:03:55,840

contact

116

00:03:59,110 --> 00:03:58,080

believe we're being visited and and

117

00:04:00,949 --> 00:03:59,120

everyone

118

00:04:02,869 --> 00:04:00,959

even if they don't believe that may have

119

00:04:05,670 --> 00:04:02,879

an innate knowing or a gut sense that

120

00:04:07,190 --> 00:04:05,680

this is actually happening or may happen

121

00:04:10,070 --> 00:04:07,200

and that it will be really big when it

122

00:04:11,750 --> 00:04:10,080

does and so here my father

123

00:04:13,509 --> 00:04:11,760

for some years has been working to

124

00:04:15,509 --> 00:04:13,519

present this information

125

00:04:16,870 --> 00:04:15,519

and this preparation to people and i i

126

00:04:18,629 --> 00:04:16,880

just realized

127

00:04:21,430 --> 00:04:18,639

this will really help the world this is

128

00:04:25,749 --> 00:04:21,440

one thing this is something i need to do

129

00:04:27,510 --> 00:04:25,759

and so i chose to to cancel my plans

130

00:04:29,110 --> 00:04:27,520

back out of what i was doing with my

131

00:04:32,150 --> 00:04:29,120

life at that at that time

132

00:04:35,270 --> 00:04:32,160

and and come back to help my father

133

00:04:37,909 --> 00:04:35,280

and um so 10 years later here i am i

134

00:04:41,030 --> 00:04:37,919

think i just hit the 10-year anniversary

135

00:04:43,510 --> 00:04:41,040

back in march maybe

136

00:04:44,629 --> 00:04:43,520

and so i mean this is it this is huge

137

00:04:47,030 --> 00:04:44,639

contact

138

00:04:48,310 --> 00:04:47,040

what could be bigger and so and if

139

00:04:50,230 --> 00:04:48,320

you've got something

140

00:04:51,670 --> 00:04:50,240

like the allies of humanity briefings

141

00:04:52,230 --> 00:04:51,680

that is really important for people to

142

00:04:54,870 --> 00:04:52,240

hear

143

00:04:56,390 --> 00:04:54,880

this is what i would want to be doing

144

00:04:58,070 --> 00:04:56,400

with my life

145

00:05:00,310 --> 00:04:58,080

so in the description below i'm going to

146

00:05:01,110 --> 00:05:00,320

have your links uh the link to the

147

00:05:04,230 --> 00:05:01,120

allies

148

00:05:06,550 --> 00:05:04,240

of humanity webs webpage and again i'm

149

00:05:08,870 --> 00:05:06,560

sorry help me out again sovereignty

150

00:05:11,749 --> 00:05:08,880

declaration of human sovereignty

151

00:05:14,390 --> 00:05:11,759

12

152

00:05:15,270 --> 00:05:14,400

points of the the briefing so i'm gonna

153

00:05:16,950 --> 00:05:15,280

have those

154

00:05:19,029 --> 00:05:16,960

available in description and i hope and

155

00:05:23,029 --> 00:05:19,039

encourage everyone to check those out

156

00:05:25,110 --> 00:05:23,039

now read what i wanted to to ask you

157

00:05:26,950 --> 00:05:25,120

uh can you maybe go a little bit into

158

00:05:28,710 --> 00:05:26,960

how did your father initially receive

159

00:05:32,070 --> 00:05:28,720

this information

160

00:05:32,790 --> 00:05:32,080

yeah long story um takes us back to the

161

00:05:37,590 --> 00:05:32,800

80s

162

00:05:40,710 --> 00:05:37,600

marshall was

163

00:05:42,790 --> 00:05:40,720

a teacher for the blind and

164

00:05:43,990 --> 00:05:42,800

he was a very skilled instructor working

165

00:05:47,029 --> 00:05:44,000

with those with these

166

00:05:49,590 --> 00:05:47,039

these physical disabilities and

167

00:05:51,990 --> 00:05:49,600

during the course of that work this

168

00:05:54,230 --> 00:05:52,000

voice experience began to emerge for him

169

00:05:55,909 --> 00:05:54,240

this this voice guiding him how to work

170

00:05:57,350 --> 00:05:55,919

with people how to respond to people

171

00:05:59,590 --> 00:05:57,360

very dynamically

172

00:06:00,710 --> 00:05:59,600

you could call this the voice of

173

00:06:03,749 --> 00:06:00,720

intuition

174

00:06:06,790 --> 00:06:03,759

or higher consciousness or

175

00:06:07,590 --> 00:06:06,800

or even an angelic voice and at the time

176

00:06:09,590 --> 00:06:07,600

marshall didn't know

177

00:06:10,870 --> 00:06:09,600

quite what it was but he followed that

178

00:06:14,629 --> 00:06:10,880

and in time

179

00:06:15,670 --> 00:06:14,639

that became something of a connection or

180

00:06:19,189 --> 00:06:15,680

a line

181

00:06:21,430 --> 00:06:19,199

to a higher set of powers that actually

182

00:06:24,870 --> 00:06:21,440

were intending to guide him

183

00:06:27,270 --> 00:06:24,880

and so he followed that guidance these

184

00:06:28,629 --> 00:06:27,280

individuals guiding him at that time he

185

00:06:30,230 --> 00:06:28,639

called the unseen ones

186

00:06:32,150 --> 00:06:30,240

the allies of humanity referred to the

187

00:06:34,870 --> 00:06:32,160

unseen ones as well

188

00:06:35,749 --> 00:06:34,880

essentially an angelic presence that

189

00:06:37,749 --> 00:06:35,759

abides with

190

00:06:39,749 --> 00:06:37,759

all people in the world and guides those

191

00:06:41,510 --> 00:06:39,759

of us who can receive guidance

192

00:06:44,870 --> 00:06:41,520

so over many years marshall followed

193

00:06:48,629 --> 00:06:44,880

that and that emerged into a teaching

194

00:06:51,029 --> 00:06:48,639

and then a very sudden and

195

00:06:52,950 --> 00:06:51,039

powerful revelation occurred for him

196

00:06:56,230 --> 00:06:52,960

toward the end of that process

197

00:06:57,990 --> 00:06:56,240

and that revelation in some ways

198

00:07:00,150 --> 00:06:58,000

shattered his life to that moment in

199

00:07:02,150 --> 00:07:00,160

terms of his associations

200

00:07:03,990 --> 00:07:02,160

everything he thought he was doing and

201
00:07:04,790 --> 00:07:04,000
it and it really began a whole new

202
00:07:08,469 --> 00:07:04,800
journey

203
00:07:10,870 --> 00:07:08,479
and um that revelation was

204
00:07:13,189 --> 00:07:10,880
a set of instructions to record a series

205
00:07:14,550 --> 00:07:13,199
of messages for humanity from an angelic

206
00:07:16,550 --> 00:07:14,560
source

207
00:07:17,589 --> 00:07:16,560
and so marshall embarked on that new

208
00:07:19,589 --> 00:07:17,599
journey and that

209
00:07:21,029 --> 00:07:19,599
has yielded what is now called the new

210
00:07:23,029 --> 00:07:21,039
message from god

211
00:07:24,390 --> 00:07:23,039
which is a set of revelations from a

212
00:07:26,710 --> 00:07:24,400
higher power

213
00:07:28,230 --> 00:07:26,720

regarding humanity's place in a larger

214

00:07:30,550 --> 00:07:28,240

universe

215

00:07:31,589 --> 00:07:30,560

our current stage of evolution into that

216

00:07:34,550 --> 00:07:31,599

larger

217

00:07:35,589 --> 00:07:34,560

greater community as it calls it and

218

00:07:39,029 --> 00:07:35,599

many many many

219

00:07:39,830 --> 00:07:39,039

other topics of of great interest uh for

220

00:07:41,350 --> 00:07:39,840

people i mean

221

00:07:43,189 --> 00:07:41,360

the new message covers almost every

222

00:07:45,270 --> 00:07:43,199

topic imaginable

223

00:07:47,670 --> 00:07:45,280

it's over 9000 pages in length at this

224

00:07:48,550 --> 00:07:47,680

point he's been receiving it for over 34

225

00:07:51,749 --> 00:07:48,560

years

226

00:07:53,350 --> 00:07:51,759

and so i know that doesn't sound

227

00:07:55,110 --> 00:07:53,360

very connected to the allies but it

228

00:07:58,230 --> 00:07:55,120

takes us there and so

229

00:07:59,270 --> 00:07:58,240

the new message it's core and its core

230

00:08:01,589 --> 00:07:59,280

focus and emphasis

231

00:08:02,550 --> 00:08:01,599

is really about our emergence into a

232

00:08:04,790 --> 00:08:02,560

larger universe

233

00:08:07,029 --> 00:08:04,800

what it calls the greater community and

234

00:08:10,070 --> 00:08:07,039

the contact that we would have

235

00:08:11,990 --> 00:08:10,080

eventually with life in that universe

236

00:08:13,830 --> 00:08:12,000

and how that would be really the

237

00:08:15,029 --> 00:08:13,840

greatest leap this race has ever taken

238

00:08:18,390 --> 00:08:15,039

and may ever take

239

00:08:20,390 --> 00:08:18,400

and a very risky one at that a leap

240

00:08:21,670 --> 00:08:20,400

requiring you know preparation and

241

00:08:24,309 --> 00:08:21,680

instruction

242

00:08:25,990 --> 00:08:24,319

and teaching and so the new message

243

00:08:28,309 --> 00:08:26,000

delivers

244

00:08:30,150 --> 00:08:28,319

quite a preparation and the teaching and

245

00:08:33,110 --> 00:08:30,160

instruction regarding how we can

246

00:08:35,829 --> 00:08:33,120

safely emerge into this universe of life

247

00:08:38,149 --> 00:08:35,839

a universe of powerful influences

248

00:08:41,589 --> 00:08:38,159

a universe of nature but on a much

249

00:08:45,110 --> 00:08:41,599

grandeur scale than we can even imagine

250

00:08:47,030 --> 00:08:45,120

and at the same time the new message

251

00:08:48,790 --> 00:08:47,040

spoke of the reality of contact

252

00:08:51,829 --> 00:08:48,800

happening now

253

00:08:53,670 --> 00:08:51,839

and what this contact was was not just

254

00:08:56,710 --> 00:08:53,680

visitation

255

00:08:58,550 --> 00:08:56,720

intervention

256

00:09:00,150 --> 00:08:58,560

we're making first contact with those

257

00:09:00,710 --> 00:09:00,160

from the universe who've made the long

258

00:09:02,389 --> 00:09:00,720

journey

259

00:09:04,870 --> 00:09:02,399

to earth because they want something

260

00:09:06,790 --> 00:09:04,880

from us and what do they want

261

00:09:09,030 --> 00:09:06,800

that's a question many people i'm sure

262

00:09:12,070 --> 00:09:09,040

on your show have wondered

263

00:09:15,110 --> 00:09:12,080

and so what has occurred is uh

264

00:09:17,430 --> 00:09:15,120

the allies of humanity a group of

265

00:09:20,230 --> 00:09:17,440

free worlds in the vicinity of the earth

266

00:09:22,550 --> 00:09:20,240

in our local local region of space

267

00:09:23,590 --> 00:09:22,560

have have seen this intervention occur

268

00:09:26,230 --> 00:09:23,600

and have been called

269

00:09:28,630 --> 00:09:26,240

to send a group of observers to report

270

00:09:30,870 --> 00:09:28,640

to us on its activities

271

00:09:32,710 --> 00:09:30,880

and the same higher power that brought

272

00:09:33,509 --> 00:09:32,720

the new message from god into the world

273

00:09:35,430 --> 00:09:33,519

and that

274

00:09:37,190 --> 00:09:35,440

moves in people around the world even

275

00:09:39,350 --> 00:09:37,200

right now

276

00:09:41,590 --> 00:09:39,360

also called the allies of humanity to be

277

00:09:43,030 --> 00:09:41,600

here to give their testimony

278

00:09:45,430 --> 00:09:43,040

which only they could give being

279

00:09:49,190 --> 00:09:45,440

physical beings in our universe

280

00:09:53,269 --> 00:09:49,200

and so in 1997 probably

281

00:09:54,949 --> 00:09:53,279

uh 15 years after the new message was

282

00:09:56,470 --> 00:09:54,959

began to be received by marshall the

283

00:09:57,910 --> 00:09:56,480

allies came with their first set of

284

00:09:59,750 --> 00:09:57,920

briefings

285

00:10:01,670 --> 00:09:59,760

how he receives this going back to your

286

00:10:05,030 --> 00:10:01,680

initial question

287

00:10:06,790 --> 00:10:05,040

it is a communication delivered over a

288

00:10:08,870 --> 00:10:06,800

spiritual channel

289

00:10:10,310 --> 00:10:08,880

without interference or the potential

290

00:10:13,269 --> 00:10:10,320

for mechanical

291

00:10:13,829 --> 00:10:13,279

or um yeah mechanical interference by

292

00:10:16,870 --> 00:10:13,839

any

293

00:10:19,190 --> 00:10:16,880

describe it

294

00:10:20,230 --> 00:10:19,200

for marshall he enters a state of

295

00:10:23,509 --> 00:10:20,240

connection he

296

00:10:25,269 --> 00:10:23,519

the allies come into his space and

297

00:10:27,590 --> 00:10:25,279

the voice just flows right through them

298

00:10:29,509 --> 00:10:27,600

and their message is recorded

299

00:10:31,670 --> 00:10:29,519

and transcribed word for word and that's

300

00:10:34,150 --> 00:10:31,680

what you see in the

301
00:10:34,949 --> 00:10:34,160
and so um i've heard of the allies of

302
00:10:38,230 --> 00:10:34,959
humanity

303
00:10:41,269 --> 00:10:38,240
uh several years back and um

304
00:10:41,829 --> 00:10:41,279
it's it's uh quite a bit different than

305
00:10:46,870 --> 00:10:41,839
the

306
00:10:49,269 --> 00:10:46,880
people won't want to convey and um

307
00:10:50,389 --> 00:10:49,279
it's it's all about you know love and

308
00:10:53,350 --> 00:10:50,399
light and

309
00:10:55,670 --> 00:10:53,360
um you know let's all just kind of you

310
00:10:58,230 --> 00:10:55,680
know come together in peace and

311
00:10:59,269 --> 00:10:58,240
and all of that uh but uh i've had a

312
00:11:01,269 --> 00:10:59,279
feeling that

313
00:11:02,630 --> 00:11:01,279

allies of humanity just has like a

314

00:11:05,670 --> 00:11:02,640

little bit of a tone of just

315

00:11:07,670 --> 00:11:05,680

caution you know to not just be too

316

00:11:08,949 --> 00:11:07,680

free willy-nilly am i am i correct in

317

00:11:11,910 --> 00:11:08,959

that assumption yeah

318

00:11:12,949 --> 00:11:11,920

no you are i mean the allies describe

319

00:11:16,069 --> 00:11:12,959

contact

320

00:11:17,829 --> 00:11:16,079

as an event of nature it's

321

00:11:19,430 --> 00:11:17,839

it's yes we are spiritual beings in a

322

00:11:21,430 --> 00:11:19,440

spiritual universe yes

323

00:11:22,870 --> 00:11:21,440

love is maybe the greatest power and we

324

00:11:24,870 --> 00:11:22,880

must follow it but

325

00:11:27,110 --> 00:11:24,880

this is an event of nature we're making

326

00:11:29,509 --> 00:11:27,120

contact with physical beings

327

00:11:30,630 --> 00:11:29,519

coming to our planet of origin

328

00:11:33,110 --> 00:11:30,640

undertaking

329

00:11:33,990 --> 00:11:33,120

numerous clandestine activities many of

330

00:11:37,269 --> 00:11:34,000

which if not

331

00:11:39,110 --> 00:11:37,279

all of which signal do not signal a

332

00:11:41,670 --> 00:11:39,120

beneficial intent let's just say that it

333

00:11:43,990 --> 00:11:41,680

may signal a negative intent

334

00:11:45,750 --> 00:11:44,000

and so we need to engage with that very

335

00:11:48,150 --> 00:11:45,760

seriously and soberly

336

00:11:49,269 --> 00:11:48,160

and not confuse levels of reality you

337

00:11:51,509 --> 00:11:49,279

know spirituality

338

00:11:53,350 --> 00:11:51,519

physical reality this is an event of

339

00:11:54,470 --> 00:11:53,360

nature and when we go back into the

340

00:11:56,949 --> 00:11:54,480

history of our world

341

00:11:58,150 --> 00:11:56,959

look at the native peoples north america

342

00:12:01,350 --> 00:11:58,160

south america

343

00:12:02,870 --> 00:12:01,360

southeast asia japan elsewhere when they

344

00:12:05,350 --> 00:12:02,880

made first contact

345

00:12:07,030 --> 00:12:05,360

with other peoples it was often with

346

00:12:09,590 --> 00:12:07,040

resource explorers

347

00:12:11,430 --> 00:12:09,600

predatory groups of individuals coming

348

00:12:13,590 --> 00:12:11,440

to take something that the natives had

349

00:12:16,470 --> 00:12:13,600

or to exploit something

350

00:12:17,509 --> 00:12:16,480

if possible and so uh that is borne out

351

00:12:20,389 --> 00:12:17,519

time and time again

352

00:12:21,750 --> 00:12:20,399

in our natural history or our human

353

00:12:24,069 --> 00:12:21,760

history i should say

354

00:12:26,230 --> 00:12:24,079

so the allies counsel us to be very

355

00:12:28,870 --> 00:12:26,240

cautious as we step into the universe

356

00:12:30,949 --> 00:12:28,880

and not make big assumptions not expect

357

00:12:33,110 --> 00:12:30,959

salvation not expect the fulfillment of

358

00:12:34,870 --> 00:12:33,120

our religious prophecies

359

00:12:37,030 --> 00:12:34,880

but to start with really the first

360

00:12:39,430 --> 00:12:37,040

question which is we're being visited

361

00:12:41,590 --> 00:12:39,440

by physical beings with technological

362

00:12:43,910 --> 00:12:41,600

powers far beyond our own

363

00:12:45,829 --> 00:12:43,920

who are they what are they doing what do

364

00:12:47,509 --> 00:12:45,839

they want

365

00:12:50,150 --> 00:12:47,519

those are the first questions and so

366

00:12:52,310 --> 00:12:50,160

they they advise us to start there

367

00:12:53,509 --> 00:12:52,320

but what you're saying adnan and i agree

368

00:12:56,230 --> 00:12:53,519

is you know

369

00:12:57,190 --> 00:12:56,240

in this field of study and inquiry

370

00:12:59,750 --> 00:12:57,200

people jump to

371

00:13:01,509 --> 00:12:59,760

wild associations with with

372

00:13:03,190 --> 00:13:01,519

extraterrestrial life

373

00:13:04,389 --> 00:13:03,200

you know saying they're here to save us

374

00:13:05,750 --> 00:13:04,399

you know they're enlightened they

375

00:13:08,069 --> 00:13:05,760

transcended the need for

376

00:13:09,269 --> 00:13:08,079

conflict you know just so many

377

00:13:11,590 --> 00:13:09,279

assumptions

378

00:13:13,990 --> 00:13:11,600

that are quite dangerous if we allow

379

00:13:16,150 --> 00:13:14,000

them to to take us down the road

380

00:13:17,350 --> 00:13:16,160

of contact um do they reveal

381

00:13:20,310 --> 00:13:17,360

specifically

382

00:13:21,030 --> 00:13:20,320

uh which which different groups have

383

00:13:24,310 --> 00:13:21,040

more of that

384

00:13:25,910 --> 00:13:24,320

um illiterate and uh also than at this

385

00:13:26,710 --> 00:13:25,920

on the other side of the coin which

386

00:13:29,190 --> 00:13:26,720

groups

387

00:13:30,949 --> 00:13:29,200

you know are more uh here to interact

388

00:13:34,870 --> 00:13:30,959

with us on a peaceful level

389

00:13:36,949 --> 00:13:34,880

yeah well here's what the allies say um

390

00:13:38,230 --> 00:13:36,959

the great war world war ii the last

391

00:13:39,750 --> 00:13:38,240

great global conflict

392

00:13:41,350 --> 00:13:39,760

along with the detonation of nuclear

393

00:13:42,870 --> 00:13:41,360

weapons

394

00:13:44,949 --> 00:13:42,880

and the destruction of our natural

395

00:13:45,509 --> 00:13:44,959

environment in the decades to follow

396

00:13:48,550 --> 00:13:45,519

were the

397

00:13:48,870 --> 00:13:48,560

precipitating events that brought a new

398

00:13:52,069 --> 00:13:48,880

set

399

00:13:54,710 --> 00:13:52,079

of forces to our shores before that

400

00:13:55,509 --> 00:13:54,720

yes there was ancient contact there were

401
00:13:58,310 --> 00:13:55,519
neighbors

402
00:14:00,550 --> 00:13:58,320
visiting to observe other races coming

403
00:14:02,230 --> 00:14:00,560
to maybe take some biological resources

404
00:14:05,269 --> 00:14:02,240
for experimentation

405
00:14:07,990 --> 00:14:05,279
efforts to educate the locals and and

406
00:14:09,590 --> 00:14:08,000
a variety of you know scattered attempts

407
00:14:11,990 --> 00:14:09,600
to engage with humanity

408
00:14:13,110 --> 00:14:12,000
but nothing global and pervasive an

409
00:14:15,829 --> 00:14:13,120
effort to literally

410
00:14:18,389 --> 00:14:15,839
shift the direction of the whole planet

411
00:14:22,550 --> 00:14:18,399
and its destiny in space

412
00:14:24,230 --> 00:14:22,560
and so with with nuclear war

413
00:14:25,670 --> 00:14:24,240

or the risk of nuclear war and the

414

00:14:28,550 --> 00:14:25,680

destruction of our environment

415

00:14:31,030 --> 00:14:28,560

a new set of forces arrived the allies

416

00:14:34,550 --> 00:14:31,040

of humanity call these the collectives

417

00:14:38,310 --> 00:14:34,560

and these are multi-racial economic

418

00:14:41,030 --> 00:14:38,320

forces who are here to

419

00:14:41,990 --> 00:14:41,040

take advantage of a beautiful planet

420

00:14:44,230 --> 00:14:42,000

earth abundant

421

00:14:45,829 --> 00:14:44,240

rich in biological resources rare in the

422

00:14:49,110 --> 00:14:45,839

universe

423

00:14:52,470 --> 00:14:49,120

before the native peoples destroy it

424

00:14:53,269 --> 00:14:52,480

and um and so they're here to to take

425

00:14:56,389 --> 00:14:53,279

what they can

426
00:14:58,389 --> 00:14:56,399
and to bring humanity and this planet

427
00:15:00,790 --> 00:14:58,399
into their sphere of influence

428
00:15:01,910 --> 00:15:00,800
protect the planet but for their uses

429
00:15:05,110 --> 00:15:01,920
and put us to work

430
00:15:08,310 --> 00:15:05,120
for those ends so that's who's here

431
00:15:08,790 --> 00:15:08,320
now the allies do say that yes there are

432
00:15:11,110 --> 00:15:08,800
other

433
00:15:13,269 --> 00:15:11,120
friendly races in our vicinity of space

434
00:15:16,389 --> 00:15:13,279
we do have neighbors who are neutral

435
00:15:16,870 --> 00:15:16,399
but these groups have pulled out of the

436
00:15:20,230 --> 00:15:16,880
planet

437
00:15:22,870 --> 00:15:20,240
environment so that we could have an

438
00:15:25,990 --> 00:15:22,880

unambiguous situation to respond to

439

00:15:27,509 --> 00:15:26,000

otherwise there's numerous races here

440

00:15:29,110 --> 00:15:27,519

numerous accounts about who they what

441

00:15:31,590 --> 00:15:29,120

they look like where star their

442

00:15:32,949 --> 00:15:31,600

star system they're from nobody knows

443

00:15:36,629 --> 00:15:32,959

what's up what's down

444

00:15:38,150 --> 00:15:36,639

i mean in essence you know our friends

445

00:15:39,670 --> 00:15:38,160

know that they can't just step in and

446

00:15:41,269 --> 00:15:39,680

militarily protect us

447

00:15:43,430 --> 00:15:41,279

we have to protect ourselves we're the

448

00:15:46,150 --> 00:15:43,440

natives of this world

449

00:15:48,550 --> 00:15:46,160

and so they have pulled out largely so

450

00:15:51,910 --> 00:15:48,560

that humanity could have an unambiguous

451
00:15:54,470 --> 00:15:51,920
situation and deal with that

452
00:15:57,189 --> 00:15:54,480
and then that would hopefully prepare us

453
00:16:00,550 --> 00:15:57,199
for beneficial contact down the road

454
00:16:02,710 --> 00:16:00,560
so um you know a lot of times when um

455
00:16:04,629 --> 00:16:02,720
you know just just taking the human

456
00:16:05,269 --> 00:16:04,639
point of view and our imagination

457
00:16:07,269 --> 00:16:05,279
regarding

458
00:16:09,590 --> 00:16:07,279
first contact a lot of times it's

459
00:16:13,590 --> 00:16:09,600
betrayed that these different

460
00:16:16,310 --> 00:16:13,600
races have advanced technology that um

461
00:16:17,910 --> 00:16:16,320
sometimes we can't even match and uh and

462
00:16:20,230 --> 00:16:17,920
of course with independence day

463
00:16:22,310 --> 00:16:20,240

if we do some adult you know adaptation

464

00:16:23,990 --> 00:16:22,320

we can

465

00:16:25,350 --> 00:16:24,000

when you said to for us to protect

466

00:16:28,389 --> 00:16:25,360

ourselves uh

467

00:16:28,870 --> 00:16:28,399

would would that be even a chance on our

468

00:16:31,350 --> 00:16:28,880

end

469

00:16:33,670 --> 00:16:31,360

or is it are we talking about some

470

00:16:35,829 --> 00:16:33,680

technology that was provided by

471

00:16:36,710 --> 00:16:35,839

some of the good good guys to kind of

472

00:16:38,710 --> 00:16:36,720

help us out

473

00:16:40,550 --> 00:16:38,720

in case it's needed well the allies of

474

00:16:42,550 --> 00:16:40,560

humanity say that technology is not

475

00:16:45,590 --> 00:16:42,560

what's going to protect us

476

00:16:46,790 --> 00:16:45,600

the collectives are so far beyond us

477

00:16:49,269 --> 00:16:46,800

technologically

478

00:16:50,230 --> 00:16:49,279

have they given things or sold things to

479

00:16:51,509 --> 00:16:50,240

certain entities

480

00:16:53,590 --> 00:16:51,519

and certain governments i'm sure they

481

00:16:55,829 --> 00:16:53,600

have those are not

482

00:16:57,269 --> 00:16:55,839

game-changing pieces of technology

483

00:16:59,350 --> 00:16:57,279

regarding intervention

484

00:17:00,870 --> 00:16:59,360

you know those might be trinkets from

485

00:17:03,030 --> 00:17:00,880

space you know very

486

00:17:04,949 --> 00:17:03,040

very profitable for us here but not that

487

00:17:07,270 --> 00:17:04,959

important to them up there

488

00:17:09,350 --> 00:17:07,280

so there's no technology that the

489

00:17:11,029 --> 00:17:09,360

intervention has given that the allies

490

00:17:13,350 --> 00:17:11,039

of humanity can give or that we can

491

00:17:16,069 --> 00:17:13,360

develop that can offset or

492

00:17:17,270 --> 00:17:16,079

repel this intervention in our world

493

00:17:21,270 --> 00:17:17,280

what the allies

494

00:17:23,669 --> 00:17:21,280

call for us to do is to become aware

495

00:17:26,470 --> 00:17:23,679

that contact is underway and that it is

496

00:17:28,549 --> 00:17:26,480

with forces of a negative intent

497

00:17:29,590 --> 00:17:28,559

who are here for the resources of this

498

00:17:33,830 --> 00:17:29,600

world

499

00:17:36,630 --> 00:17:33,840

position which they do talk about

500

00:17:39,510 --> 00:17:36,640

and then to um to bring us into their

501
00:17:42,710 --> 00:17:39,520
sphere of influence and their network

502
00:17:43,430 --> 00:17:42,720
so to speak become aware of that second

503
00:17:46,549 --> 00:17:43,440
to become

504
00:17:48,470 --> 00:17:46,559
educated about the local environment of

505
00:17:51,430 --> 00:17:48,480
space in which our world exists

506
00:17:52,950 --> 00:17:51,440
how races function how trade travel and

507
00:17:54,710 --> 00:17:52,960
conflict occur

508
00:17:57,669 --> 00:17:54,720
all of which is fully revealed in the

509
00:18:01,510 --> 00:17:57,679
allies briefings and in the new message

510
00:18:03,110 --> 00:18:01,520
and then with that education take action

511
00:18:04,950 --> 00:18:03,120
and now we can talk about what would

512
00:18:07,110 --> 00:18:04,960
that action be that we could

513
00:18:09,830 --> 00:18:07,120

effectively do to to repel this

514

00:18:14,630 --> 00:18:12,710

yeah well what the allies of humanity

515

00:18:16,230 --> 00:18:14,640

you know say is it's it's not picking up

516

00:18:18,470 --> 00:18:16,240

arms it's not

517

00:18:19,430 --> 00:18:18,480

maybe what we think it is and that's

518

00:18:20,630 --> 00:18:19,440

because of the nature of the

519

00:18:22,710 --> 00:18:20,640

intervention itself

520

00:18:24,549 --> 00:18:22,720

the intervention is not a military force

521

00:18:25,990 --> 00:18:24,559

it's not an invasion that we can see

522

00:18:28,549 --> 00:18:26,000

with our eyes

523

00:18:30,230 --> 00:18:28,559

it is a pervasive form of influence

524

00:18:32,950 --> 00:18:30,240

being cast upon us

525

00:18:34,789 --> 00:18:32,960

in the mental environment in in the

526

00:18:36,630 --> 00:18:34,799

psychological space

527

00:18:37,909 --> 00:18:36,640

and so it's a the intervention is a

528

00:18:40,549 --> 00:18:37,919

small group

529

00:18:41,669 --> 00:18:40,559

um with the power to influence thought

530

00:18:44,150 --> 00:18:41,679

and emotion

531

00:18:46,390 --> 00:18:44,160

to to steer people's will and intention

532

00:18:48,310 --> 00:18:46,400

and their actions that stem from that

533

00:18:50,710 --> 00:18:48,320

and so what the allies call for is for

534

00:18:52,710 --> 00:18:50,720

us to connect to the spiritual

535

00:18:54,470 --> 00:18:52,720

intelligence that we all carry

536

00:18:57,110 --> 00:18:54,480

that we've all felt at various times in

537

00:18:58,870 --> 00:18:57,120

our lives that can guide us

538

00:19:00,950 --> 00:18:58,880

to what we specifically need to do

539

00:19:02,630 --> 00:19:00,960

personally

540

00:19:04,470 --> 00:19:02,640

in our lives in general but also in

541

00:19:07,190 --> 00:19:04,480

response to the intervention

542

00:19:07,909 --> 00:19:07,200

but also the spiritual mind that can

543

00:19:11,430 --> 00:19:07,919

protect

544

00:19:13,430 --> 00:19:11,440

us mentally because this is the one part

545

00:19:16,270 --> 00:19:13,440

of us that cannot be manipulated

546

00:19:18,549 --> 00:19:16,280

by any force even a force with

547

00:19:21,830 --> 00:19:18,559

unbelievable or unreal

548

00:19:22,470 --> 00:19:21,840

uh powers to affect thought by other

549

00:19:25,510 --> 00:19:22,480

beings

550

00:19:27,029 --> 00:19:25,520

so the new message calls this spiritual

551
00:19:28,710 --> 00:19:27,039
force knowledge

552
00:19:30,549 --> 00:19:28,720
and the allies of humanity refer to this

553
00:19:33,029 --> 00:19:30,559
as well it's the universal spiritual

554
00:19:35,350 --> 00:19:33,039
mind that all sentient life has

555
00:19:38,150 --> 00:19:35,360
and it is by rooting ourselves in that

556
00:19:39,750 --> 00:19:38,160
that our minds can be protected that we

557
00:19:41,190 --> 00:19:39,760
can educate ourselves and take

558
00:19:44,470 --> 00:19:41,200
intelligent action which

559
00:19:46,630 --> 00:19:44,480
most certainly must extend into becoming

560
00:19:49,270 --> 00:19:46,640
vocal advocates for human freedom

561
00:19:51,750 --> 00:19:49,280
for the preservation of the environment

562
00:19:55,270 --> 00:19:51,760
for not subjugating to any power

563
00:19:58,710 --> 00:19:55,280

foreign power and to and to deny

564

00:20:01,669 --> 00:19:58,720

and resist all their promises of peace

565

00:20:03,029 --> 00:20:01,679

technology salvation that they're making

566

00:20:04,710 --> 00:20:03,039

around the world and all

567

00:20:06,149 --> 00:20:04,720

countries all traditions the

568

00:20:07,270 --> 00:20:06,159

intervention has their tentacles

569

00:20:10,710 --> 00:20:07,280

everywhere

570

00:20:12,870 --> 00:20:10,720

and so the work to repel that

571

00:20:14,390 --> 00:20:12,880

must go on everywhere but it has to be

572

00:20:17,669 --> 00:20:14,400

rooted in something

573

00:20:19,510 --> 00:20:17,679

that's not just fear or anger

574

00:20:20,710 --> 00:20:19,520

just very reactive it has to be rooted

575

00:20:22,950 --> 00:20:20,720

in something that is

576

00:20:24,390 --> 00:20:22,960

deep and powerful and confident and

577

00:20:26,149 --> 00:20:24,400

innately human

578

00:20:27,830 --> 00:20:26,159

that can actually help us win the long

579

00:20:29,750 --> 00:20:27,840

game here because we can win the short

580

00:20:31,909 --> 00:20:29,760

we can try to win the short game

581

00:20:33,110 --> 00:20:31,919

but we're dealing with something of

582

00:20:35,029 --> 00:20:33,120

orders beyond

583

00:20:37,190 --> 00:20:35,039

in terms of their their technological

584

00:20:39,190 --> 00:20:37,200

power and their mental power

585

00:20:41,029 --> 00:20:39,200

and this won't be the last intervention

586

00:20:41,750 --> 00:20:41,039

even if we repel this one there will be

587

00:20:44,310 --> 00:20:41,760

more

588

00:20:46,549 --> 00:20:44,320

i mean this is it's just the nons it's

589

00:20:50,230 --> 00:20:46,559

the unstoppable process

590

00:20:52,630 --> 00:20:50,240

that begins when a young world steps out

591

00:20:53,669 --> 00:20:52,640

into the cosmos makes first contact

592

00:20:55,750 --> 00:20:53,679

which becomes second

593

00:20:57,669 --> 00:20:55,760

third and fourth and fifth contact so

594

00:21:00,390 --> 00:20:57,679

more intervention is coming so we need

595

00:21:02,710 --> 00:21:00,400

something to help us win the long game

596

00:21:03,510 --> 00:21:02,720

and the power of spirit look at what it

597

00:21:05,270 --> 00:21:03,520

does already

598

00:21:07,270 --> 00:21:05,280

in the world all over the world i mean i

599

00:21:08,789 --> 00:21:07,280

think we all know it's not just a

600

00:21:11,510 --> 00:21:08,799

philosophy

601
00:21:14,149 --> 00:21:11,520
or a s or a you know a plan or a

602
00:21:15,909 --> 00:21:14,159
playbook of strategic actions

603
00:21:17,350 --> 00:21:15,919
that's going to fix the climate crisis

604
00:21:18,390 --> 00:21:17,360
it's going to get us out of the covid

605
00:21:19,909 --> 00:21:18,400
crisis

606
00:21:22,549 --> 00:21:19,919
you know that's going to heal the

607
00:21:25,029 --> 00:21:22,559
divisions between nations in this world

608
00:21:26,870 --> 00:21:25,039
that's going to temper the problem of

609
00:21:28,549 --> 00:21:26,880
religious extremism in the world i mean

610
00:21:31,029 --> 00:21:28,559
it's got to be something more

611
00:21:32,149 --> 00:21:31,039
and deeper and that's that's why the

612
00:21:33,669 --> 00:21:32,159
allies

613
00:21:35,190 --> 00:21:33,679

have have given what they have and

614

00:21:36,310 --> 00:21:35,200

that's why the new message from god is

615

00:21:39,430 --> 00:21:36,320

in the world

616

00:21:41,590 --> 00:21:39,440

it takes a powerful medicine uh from a

617

00:21:46,950 --> 00:21:41,600

higher power to cure

618

00:21:48,230 --> 00:21:46,960

an illness like this well that brings me

619

00:21:50,310 --> 00:21:48,240

i'm sorry to interrupt i was just going

620

00:21:53,110 --> 00:21:50,320

to say that brings me to two questions

621

00:21:54,070 --> 00:21:53,120

i figured i'll ask this one first so

622

00:21:57,510 --> 00:21:54,080

would you

623

00:21:59,669 --> 00:21:57,520

i guess are you saying that if we simply

624

00:22:01,750 --> 00:21:59,679

would kind of stand our own ground and

625

00:22:02,630 --> 00:22:01,760

say this is not what we wish as a

626
00:22:05,190 --> 00:22:02,640
society

627
00:22:07,750 --> 00:22:05,200
that they would um respect that and not

628
00:22:10,070 --> 00:22:07,760
necessarily take physical force

629
00:22:11,190 --> 00:22:10,080
that's well um they may not respect it i

630
00:22:12,710 --> 00:22:11,200
don't think they i don't think they

631
00:22:14,549 --> 00:22:12,720
respect us

632
00:22:16,310 --> 00:22:14,559
the allies have said that those visiting

633
00:22:20,070 --> 00:22:16,320
our world now view us

634
00:22:23,990 --> 00:22:20,080
like we view cattle okay

635
00:22:26,390 --> 00:22:24,000
not not equal beings at all and

636
00:22:28,070 --> 00:22:26,400
only interest only interested in us if

637
00:22:29,750 --> 00:22:28,080
we're useful to them so we are a

638
00:22:31,430 --> 00:22:29,760

resource to them so

639

00:22:33,430 --> 00:22:31,440

it's a strange thing to be dealing with

640

00:22:36,070 --> 00:22:33,440

beings that that have

641

00:22:37,990 --> 00:22:36,080

don't value our basic right to exist

642

00:22:40,230 --> 00:22:38,000

that don't value our intelligence our

643

00:22:43,590 --> 00:22:40,240

individuality it's very strange

644

00:22:45,190 --> 00:22:43,600

but that's what it is um

645

00:22:46,630 --> 00:22:45,200

but going back to your question now then

646

00:22:47,430 --> 00:22:46,640

i'm sorry i forgot what it was i was

647

00:22:49,590 --> 00:22:47,440

just gonna say

648

00:22:51,750 --> 00:22:49,600

regarding um because i know you were

649

00:22:52,710 --> 00:22:51,760

saying they don't they don't necessarily

650

00:22:54,549 --> 00:22:52,720

respect us

651
00:22:55,830 --> 00:22:54,559
but because i was saying would they

652
00:22:57,750 --> 00:22:55,840
respect our

653
00:23:00,549 --> 00:22:57,760
decision to not want to interact with

654
00:23:02,310 --> 00:23:00,559
them and not take any physical action

655
00:23:03,669 --> 00:23:02,320
since obviously we wouldn't be able to

656
00:23:05,990 --> 00:23:03,679
to resist that

657
00:23:07,590 --> 00:23:06,000
right yeah well they are a small force

658
00:23:09,350 --> 00:23:07,600
and they need our

659
00:23:11,430 --> 00:23:09,360
acceptance and our part and our

660
00:23:12,230 --> 00:23:11,440
participation are willing participation

661
00:23:15,110 --> 00:23:12,240
so if we become

662
00:23:17,270 --> 00:23:15,120
unwilling then we are not fertile ground

663
00:23:19,669 --> 00:23:17,280

for what they're trying to achieve

664

00:23:21,430 --> 00:23:19,679

so um they wouldn't have the power to

665

00:23:22,310 --> 00:23:21,440

retaliate they wouldn't have the power

666

00:23:24,710 --> 00:23:22,320

to cause

667

00:23:26,070 --> 00:23:24,720

destruction as a result of our rejection

668

00:23:28,630 --> 00:23:26,080

of their presence here

669

00:23:30,070 --> 00:23:28,640

they would have to retreat and so part

670

00:23:30,549 --> 00:23:30,080

of what they're trying to engender is

671

00:23:35,270 --> 00:23:30,559

our

672

00:23:38,070 --> 00:23:35,280

they have a right to be here

673

00:23:40,070 --> 00:23:38,080

and because if we want them here then

674

00:23:41,669 --> 00:23:40,080

all avenues open to them if we do not

675

00:23:43,190 --> 00:23:41,679

want them here all avenues start to

676
00:23:46,390 --> 00:23:43,200
close for them

677
00:23:47,830 --> 00:23:46,400
add to this that the allies um say that

678
00:23:51,029 --> 00:23:47,840
in our local region of space

679
00:23:53,510 --> 00:23:51,039
conquest is not allowed that the

680
00:23:55,110 --> 00:23:53,520
native race has to be willing for those

681
00:23:56,549 --> 00:23:55,120
visiting to be there they have to be

682
00:23:58,950 --> 00:23:56,559
participants

683
00:23:59,909 --> 00:23:58,960
and so if we vocally reject their

684
00:24:01,909 --> 00:23:59,919
presence here

685
00:24:03,190 --> 00:24:01,919
if we say we you know this what's

686
00:24:06,230 --> 00:24:03,200
happening

687
00:24:06,630 --> 00:24:06,240
is not okay human abductions are not

688
00:24:09,750 --> 00:24:06,640

okay

689

00:24:11,750 --> 00:24:09,760

tinkering with our

690

00:24:13,110 --> 00:24:11,760

militaries and and making secret

691

00:24:13,909 --> 00:24:13,120

agreements with certain governments is

692

00:24:15,990 --> 00:24:13,919

not okay

693

00:24:17,750 --> 00:24:16,000

if we start speaking out against that

694

00:24:19,830 --> 00:24:17,760

then channels begin to close for them

695

00:24:20,630 --> 00:24:19,840

rapidly and in time if enough people

696

00:24:22,310 --> 00:24:20,640

speak up

697

00:24:24,149 --> 00:24:22,320

there are forces beyond our world who

698

00:24:26,789 --> 00:24:24,159

will put stopped intervention

699

00:24:28,549 --> 00:24:26,799

uh completely yeah that was my my second

700

00:24:30,230 --> 00:24:28,559

question then regarding

701
00:24:32,390 --> 00:24:30,240
what kind of influence are we talking

702
00:24:33,990 --> 00:24:32,400
about so

703
00:24:35,510 --> 00:24:34,000
forgive me i don't wish to make this

704
00:24:38,710 --> 00:24:35,520
political and

705
00:24:39,190 --> 00:24:38,720
um this is just you know my opinion but

706
00:24:41,909 --> 00:24:39,200
having

707
00:24:43,430 --> 00:24:41,919
been in the us for a while and being you

708
00:24:44,390 --> 00:24:43,440
know involved with a lot of different

709
00:24:46,710 --> 00:24:44,400
things

710
00:24:48,789 --> 00:24:46,720
for me a lot of times the way i go about

711
00:24:51,350 --> 00:24:48,799
finding truth is first i have this

712
00:24:52,470 --> 00:24:51,360
um gut feeling and then i follow it up

713
00:24:55,669 --> 00:24:52,480

with research

714

00:24:57,590 --> 00:24:55,679

and so um it just seems

715

00:25:00,230 --> 00:24:57,600

there's a lot going on like almost like

716

00:25:02,390 --> 00:25:00,240

a very very much like a script

717

00:25:04,149 --> 00:25:02,400

that's been written out that everyone is

718

00:25:05,750 --> 00:25:04,159

following and just in the past couple of

719

00:25:06,630 --> 00:25:05,760

years regarding covet and all these

720

00:25:09,909 --> 00:25:06,640

other things

721

00:25:11,990 --> 00:25:09,919

and so would something like that be

722

00:25:14,149 --> 00:25:12,000

kind of the work of those hidden forces

723

00:25:16,630 --> 00:25:14,159

or you know can you maybe speak on that

724

00:25:18,070 --> 00:25:16,640

oh sure well they have a script for sure

725

00:25:21,110 --> 00:25:18,080

uh for us to follow

726

00:25:22,870 --> 00:25:21,120

and they're trying to find their

727

00:25:25,990 --> 00:25:22,880

supporters and apologists

728

00:25:29,269 --> 00:25:26,000

um who will follow that script and so

729

00:25:32,390 --> 00:25:29,279

their their their advocating for

730

00:25:34,149 --> 00:25:32,400

our acquiescence to higher power

731

00:25:36,470 --> 00:25:34,159

whatever that is even if it's god

732

00:25:37,669 --> 00:25:36,480

even if it's an ancient prophet or

733

00:25:39,350 --> 00:25:37,679

messiah

734

00:25:41,510 --> 00:25:39,360

or if it's extraterrestrial they're

735

00:25:42,630 --> 00:25:41,520

advocating for us to engage in conflict

736

00:25:45,110 --> 00:25:42,640

with one another

737

00:25:48,070 --> 00:25:45,120

to make one another the problem so that

738

00:25:50,230 --> 00:25:48,080

they can be the saving solution

739

00:25:51,750 --> 00:25:50,240

they're trying to encourage people to

740

00:25:53,590 --> 00:25:51,760

remain distracted

741

00:25:54,950 --> 00:25:53,600

with their own preoccupations their own

742

00:25:56,789 --> 00:25:54,960

lives their own interests their own

743

00:25:58,950 --> 00:25:56,799

happiness

744

00:26:00,870 --> 00:25:58,960

and they are directly influencing those

745

00:26:02,630 --> 00:26:00,880

thoughts and emotions that support that

746

00:26:04,630 --> 00:26:02,640

they have what the allies call the

747

00:26:07,990 --> 00:26:04,640

pacification program

748

00:26:09,269 --> 00:26:08,000

which is um a program projected in the

749

00:26:11,269 --> 00:26:09,279

mental environment

750

00:26:13,110 --> 00:26:11,279

people being influenced to think certain

751
00:26:15,590 --> 00:26:13,120
things to respond certain ways

752
00:26:19,029 --> 00:26:15,600
especially in large population centers

753
00:26:20,470 --> 00:26:19,039
in the world and that is

754
00:26:22,470 --> 00:26:20,480
well underway and has been for some

755
00:26:24,549 --> 00:26:22,480
decades

756
00:26:26,950 --> 00:26:24,559
more recent events i can't say you know

757
00:26:29,830 --> 00:26:26,960
i can't say how covid plays in

758
00:26:31,350 --> 00:26:29,840
to what the intervention is doing uh my

759
00:26:34,390 --> 00:26:31,360
sense is that this is a

760
00:26:36,390 --> 00:26:34,400
a naturally emerging virus

761
00:26:38,630 --> 00:26:36,400
the risk of pandemic has been around for

762
00:26:40,470 --> 00:26:38,640
a long time we've had we have pandemics

763
00:26:43,110 --> 00:26:40,480

we have had one

764

00:26:45,190 --> 00:26:43,120

you know you know frequently in the last

765

00:26:46,149 --> 00:26:45,200

10 20 30 years they just haven't been

766

00:26:49,269 --> 00:26:46,159

this

767

00:26:51,110 --> 00:26:49,279

potent and widespread um the

768

00:26:51,750 --> 00:26:51,120

intervention will use that they'll use

769

00:26:55,350 --> 00:26:51,760

everything

770

00:26:57,110 --> 00:26:55,360

and anything and and so anything

771

00:26:58,630 --> 00:26:57,120

we present to them as a source of

772

00:27:01,190 --> 00:26:58,640

conflict or disagreement

773

00:27:02,549 --> 00:27:01,200

disassociation from one another distrust

774

00:27:03,510 --> 00:27:02,559

of one another in our leadership

775

00:27:05,110 --> 00:27:03,520

institutions

776

00:27:06,789 --> 00:27:05,120

they'll use it all they'll use our

777

00:27:07,350 --> 00:27:06,799

religious beliefs our belief in the

778

00:27:10,470 --> 00:27:07,360

return

779

00:27:12,070 --> 00:27:10,480

of jesus christ the belief in

780

00:27:14,230 --> 00:27:12,080

that my religion should be the world's

781

00:27:16,549 --> 00:27:14,240

religion i mean the belief

782

00:27:18,070 --> 00:27:16,559

that um that we are higher beings and

783

00:27:19,110 --> 00:27:18,080

that love is what matters and we need to

784

00:27:21,190 --> 00:27:19,120

be loving with all

785

00:27:22,789 --> 00:27:21,200

they'll use all of it and they'll twist

786

00:27:24,149 --> 00:27:22,799

all of it and there's a lot of that

787

00:27:25,990 --> 00:27:24,159

going on and so when you

788

00:27:27,190 --> 00:27:26,000

when you look into different you know

789

00:27:30,310 --> 00:27:27,200

groups and circles

790

00:27:32,830 --> 00:27:30,320

on earth there is a strange distortion

791

00:27:34,149 --> 00:27:32,840

that you find in their messaging it's

792

00:27:36,789 --> 00:27:34,159

pacifying

793

00:27:38,789 --> 00:27:36,799

it's acquiescing it takes power away

794

00:27:41,029 --> 00:27:38,799

from the individual

795

00:27:42,950 --> 00:27:41,039

okay it takes the prerogative for action

796

00:27:46,230 --> 00:27:42,960

and personal work away

797

00:27:48,470 --> 00:27:46,240

and just says believe uh it tries to

798

00:27:50,230 --> 00:27:48,480

stamp you with a label you know or a

799

00:27:53,590 --> 00:27:50,240

hashtag or something to say

800

00:27:55,510 --> 00:27:53,600

that's who you are and so individual

801
00:27:58,549 --> 00:27:55,520
power and responsibility seems to be

802
00:28:00,630 --> 00:27:58,559
draining out of the human family

803
00:28:02,630 --> 00:28:00,640
and that by the way is the channel by

804
00:28:04,310 --> 00:28:02,640
which knowledge the spiritual power

805
00:28:05,750 --> 00:28:04,320
works through lives i mean that's that's

806
00:28:07,430 --> 00:28:05,760
what that's what

807
00:28:09,990 --> 00:28:07,440
enables a great doctor to be a great

808
00:28:12,149 --> 00:28:10,000
doctor is their individual

809
00:28:14,310 --> 00:28:12,159
responsibility and authority and take

810
00:28:17,029 --> 00:28:14,320
that into every field of life

811
00:28:18,789 --> 00:28:17,039
so yes i would say there's a script um

812
00:28:19,190 --> 00:28:18,799
more and more people are following it i

813
00:28:22,230 --> 00:28:19,200

can't

814

00:28:24,149 --> 00:28:22,240

myself say what pop what political party

815

00:28:26,950 --> 00:28:24,159

or what world event plays into that

816

00:28:28,470 --> 00:28:26,960

uh but the intervention has their has

817

00:28:29,430 --> 00:28:28,480

their fingers in many many many

818

00:28:31,190 --> 00:28:29,440

different places

819

00:28:33,110 --> 00:28:31,200

is there any information that you might

820

00:28:35,669 --> 00:28:33,120

have regarding this i call this

821

00:28:36,549 --> 00:28:35,679

uh soft disclosure by government because

822

00:28:37,990 --> 00:28:36,559

i feel

823

00:28:39,669 --> 00:28:38,000

but not feel it's definitely without

824

00:28:41,990 --> 00:28:39,679

what i was able to read

825

00:28:42,830 --> 00:28:42,000

is that for the very first time they did

826

00:28:45,990 --> 00:28:42,840

not

827

00:28:47,590 --> 00:28:46,000

deny ufos they just basically said oh we

828

00:28:48,789 --> 00:28:47,600

just need more funding and better ways

829

00:28:51,190 --> 00:28:48,799

to collect data

830

00:28:53,110 --> 00:28:51,200

there was no denying like they used to

831

00:28:55,110 --> 00:28:53,120

what do you know anything about this or

832

00:28:57,750 --> 00:28:55,120

what this could possibly mean

833

00:28:58,470 --> 00:28:57,760

i have my own personal thoughts uh about

834

00:29:00,950 --> 00:28:58,480

it

835

00:29:02,630 --> 00:29:00,960

um i'm sure we're all disappointed right

836

00:29:05,029 --> 00:29:02,640

we wanted something more

837

00:29:05,750 --> 00:29:05,039

and and it was it was just another we

838

00:29:08,470 --> 00:29:05,760

don't know

839

00:29:10,070 --> 00:29:08,480

but that's pretty meaningful you know

840

00:29:13,590 --> 00:29:10,080

it's almost admission by

841

00:29:15,750 --> 00:29:13,600

by um admitting that a phenomenon exists

842

00:29:17,269 --> 00:29:15,760

and we don't know what it is therefore

843

00:29:18,549 --> 00:29:17,279

right therefore we need to research it

844

00:29:19,830 --> 00:29:18,559

more and so forth of course the

845

00:29:21,750 --> 00:29:19,840

government this government in this

846

00:29:24,549 --> 00:29:21,760

country has been involved

847

00:29:27,029 --> 00:29:24,559

uh with the intervention either support

848

00:29:27,510 --> 00:29:27,039

both supporting and resisting at various

849

00:29:31,110 --> 00:29:27,520

times

850

00:29:32,230 --> 00:29:31,120

for decades so it's a bit fallacious for

851
00:29:34,950 --> 00:29:32,240
them to come out and say

852
00:29:37,029 --> 00:29:34,960
there's 140 some odd cases and we need

853
00:29:39,029 --> 00:29:37,039
to look into it more

854
00:29:40,149 --> 00:29:39,039
i like the word you use which is soft

855
00:29:46,070 --> 00:29:40,159
disclosure

856
00:29:49,190 --> 00:29:46,080
like there is a plan here to

857
00:29:50,310 --> 00:29:49,200
potentially acclimate people to this as

858
00:29:53,830 --> 00:29:50,320
a real

859
00:29:54,789 --> 00:29:53,840
phenomenon um and say yes it's real but

860
00:29:56,230 --> 00:29:54,799
not say more

861
00:29:57,830 --> 00:29:56,240
and then let people's wheels start

862
00:29:59,590 --> 00:29:57,840
spending let them start to

863
00:30:01,909 --> 00:29:59,600

create ideas that can then be shaped and

864

00:30:03,909 --> 00:30:01,919

steered um so i do i do

865

00:30:05,269 --> 00:30:03,919

sense the presence of disclosure and

866

00:30:06,830 --> 00:30:05,279

what's happened recently with these

867

00:30:10,230 --> 00:30:06,840

reports

868

00:30:11,510 --> 00:30:10,240

um i i've advocated in the past

869

00:30:13,590 --> 00:30:11,520

don't wait around for the government to

870

00:30:14,389 --> 00:30:13,600

disclose what they know uh they're not

871

00:30:18,230 --> 00:30:14,399

going to

872

00:30:18,950 --> 00:30:18,240

they want you to know about what they

873

00:30:21,750 --> 00:30:18,960

know

874

00:30:21,990 --> 00:30:21,760

to shape a narrative that they want in

875

00:30:23,990 --> 00:30:22,000

your

876

00:30:25,350 --> 00:30:24,000

mind and in the public's consciousness

877

00:30:27,430 --> 00:30:25,360

so um

878

00:30:28,789 --> 00:30:27,440

i feel the allies are providing the

879

00:30:30,549 --> 00:30:28,799

disclosure we really need which is the

880

00:30:32,230 --> 00:30:30,559

disclosure of the alien presence and

881

00:30:34,630 --> 00:30:32,240

their intent

882

00:30:35,430 --> 00:30:34,640

instead of our human governments and

883

00:30:37,669 --> 00:30:35,440

their intent

884

00:30:40,230 --> 00:30:37,679

because the intervention is the big

885

00:30:42,070 --> 00:30:40,240

conspiracy behind other conspiracies

886

00:30:43,830 --> 00:30:42,080

there are many true authentic

887

00:30:46,710 --> 00:30:43,840

conspiracies that work in the world

888

00:30:48,310 --> 00:30:46,720

but the big one the mother of them all

889

00:30:50,710 --> 00:30:48,320

is the presence of

890

00:30:52,870 --> 00:30:50,720

powerful extraterrestrial forces in our

891

00:30:55,990 --> 00:30:52,880

world who are here with an agenda

892

00:30:58,470 --> 00:30:56,000

working through governments religions

893

00:31:00,070 --> 00:30:58,480

commercial institutions who are then

894

00:31:01,990 --> 00:31:00,080

spurring on their own

895

00:31:03,669 --> 00:31:02,000

you know attempts to capitalize on this

896

00:31:04,549 --> 00:31:03,679

perhaps or to work with the alien

897

00:31:06,789 --> 00:31:04,559

presence

898

00:31:08,549 --> 00:31:06,799

so what we need is the disclosure of the

899

00:31:10,549 --> 00:31:08,559

et presence

900

00:31:12,149 --> 00:31:10,559

who are they what are they doing what do

901
00:31:13,750 --> 00:31:12,159
they attend what is their endgame what

902
00:31:16,149 --> 00:31:13,760
are they attempting to achieve

903
00:31:18,310 --> 00:31:16,159
that's the conversation that the e.t

904
00:31:20,549 --> 00:31:18,320
presence does not want us to have

905
00:31:21,509 --> 00:31:20,559
that's the forbidden conversation right

906
00:31:24,549 --> 00:31:21,519
there

907
00:31:25,110 --> 00:31:24,559
it's all being steered now towards you

908
00:31:27,430 --> 00:31:25,120
know

909
00:31:29,430 --> 00:31:27,440
conspiracy about human government and

910
00:31:32,310 --> 00:31:29,440
institutions distrusting

911
00:31:34,630 --> 00:31:32,320
essentially our leaders and one another

912
00:31:35,029 --> 00:31:34,640
and so i'm very wary of getting too deep

913
00:31:38,070 --> 00:31:35,039

into

914

00:31:38,630 --> 00:31:38,080

all of that knowing that behind all of

915

00:31:42,230 --> 00:31:38,640

that

916

00:31:43,990 --> 00:31:42,240

is the real actor and

917

00:31:46,070 --> 00:31:44,000

we can we can pick fights with one

918

00:31:51,190 --> 00:31:46,080

another till till the cows come home

919

00:31:53,430 --> 00:31:51,200

but there is an invader in our world

920

00:31:55,590 --> 00:31:53,440

or put more intimately there is an

921

00:31:58,230 --> 00:31:55,600

intruder in your house

922

00:31:59,509 --> 00:31:58,240

it is it's 10 p.m the front door is open

923

00:32:00,230 --> 00:31:59,519

and there's somebody in your house and

924

00:32:02,389 --> 00:32:00,240

your kids

925

00:32:03,990 --> 00:32:02,399

are are trying to go to bed down the

926

00:32:06,230 --> 00:32:04,000

hall two doors down

927

00:32:07,750 --> 00:32:06,240

and you're trying to go to bed upstairs

928

00:32:09,269 --> 00:32:07,760

and something's telling you something's

929

00:32:11,110 --> 00:32:09,279

not right here

930

00:32:12,789 --> 00:32:11,120

and that's that's the reality of an

931

00:32:14,549 --> 00:32:12,799

intruder in the house

932

00:32:15,830 --> 00:32:14,559

so until we deal with the intruder i'm

933

00:32:18,549 --> 00:32:15,840

not sure i want to

934

00:32:19,669 --> 00:32:18,559

you know pick fights and and get into

935

00:32:21,190 --> 00:32:19,679

all of that other stuff

936

00:32:23,350 --> 00:32:21,200

um because i don't think we can resolve

937

00:32:25,990 --> 00:32:23,360

it so i kind of have a um

938

00:32:26,789 --> 00:32:26,000

a two two part again regarding the you

939

00:32:28,870 --> 00:32:26,799

know

940

00:32:29,830 --> 00:32:28,880

the because it's so many things you

941

00:32:32,470 --> 00:32:29,840

bring up that

942

00:32:33,669 --> 00:32:32,480

kind of always makes you know spurs so

943

00:32:37,350 --> 00:32:33,679

many other questions to go

944

00:32:38,950 --> 00:32:37,360

into so would so just to cover them so i

945

00:32:41,750 --> 00:32:38,960

don't forget that myself

946

00:32:42,549 --> 00:32:41,760

so first part would would uh basically

947

00:32:45,669 --> 00:32:42,559

then be

948

00:32:48,710 --> 00:32:45,679

for most people than to get in tune

949

00:32:50,789 --> 00:32:48,720

with with who we are to kind of go down

950

00:32:53,190 --> 00:32:50,799

that route to get in touch with this

951
00:32:55,669 --> 00:32:53,200
inner voice like your dad has in order

952
00:32:59,029 --> 00:32:55,679
to receive more accurate information

953
00:32:59,750 --> 00:32:59,039
and then two most people have not even

954
00:33:02,950 --> 00:32:59,760
had any

955
00:33:04,630 --> 00:33:02,960
contacts i mean as in my experience as

956
00:33:06,630 --> 00:33:04,640
much information as we have out there

957
00:33:09,430 --> 00:33:06,640
and as much as you've talked about and

958
00:33:11,110 --> 00:33:09,440
i've all covered you know in the show uh

959
00:33:13,990 --> 00:33:11,120
the vast majority of people still

960
00:33:14,470 --> 00:33:14,000
are not into this very much at all and

961
00:33:20,870 --> 00:33:14,480
so

962
00:33:22,549 --> 00:33:20,880
their need to fight is um would be kind

963
00:33:23,990 --> 00:33:22,559

of very difficult and counterproductive

964

00:33:27,669 --> 00:33:24,000

trying to convince everyone

965

00:33:30,149 --> 00:33:27,679

so would the first defensive actions be

966

00:33:31,830 --> 00:33:30,159

of to kind of be watching what's coming

967

00:33:34,710 --> 00:33:31,840

down from authority

968

00:33:36,310 --> 00:33:34,720

to then to realize this is also then in

969

00:33:39,430 --> 00:33:36,320

this greater plan that

970

00:33:41,509 --> 00:33:39,440

eventually needs to be resisted or maybe

971

00:33:42,950 --> 00:33:41,519

scrutinized more do you understand what

972

00:33:45,350 --> 00:33:42,960

i'm trying to get get at

973

00:33:47,269 --> 00:33:45,360

i i think i do yeah let's put the the

974

00:33:47,830 --> 00:33:47,279

tapping into our own consciousness or

975

00:33:49,509 --> 00:33:47,840

knowledge

976
00:33:51,990 --> 00:33:49,519
at the end of the conversation super

977
00:33:53,509 --> 00:33:52,000
important but it's not the first step i

978
00:33:55,909 --> 00:33:53,519
mean the first step

979
00:33:56,710 --> 00:33:55,919
is to alert as many people as possible

980
00:33:59,909 --> 00:33:56,720
to the fact

981
00:34:00,870 --> 00:33:59,919
that we are being visited and to root

982
00:34:03,110 --> 00:34:00,880
that

983
00:34:04,789 --> 00:34:03,120
revelation for them in the first

984
00:34:06,789 --> 00:34:04,799
question which is well who's here

985
00:34:08,790 --> 00:34:06,799
what are they doing here and what are

986
00:34:11,669 --> 00:34:08,800
the you know what do they want

987
00:34:13,510 --> 00:34:11,679
versus people leaping to wild

988
00:34:15,270 --> 00:34:13,520

conclusions about spiritual

989

00:34:18,149 --> 00:34:15,280

you know spiritual fulfillment and

990

00:34:21,270 --> 00:34:18,159

angels and all of this other stuff

991

00:34:23,349 --> 00:34:21,280

uh a lot of people need to know

992

00:34:24,790 --> 00:34:23,359

contact is underway and they need to be

993

00:34:27,349 --> 00:34:24,800

asking

994

00:34:28,230 --> 00:34:27,359

intelligent rational questions that are

995

00:34:30,230 --> 00:34:28,240

rooted in

996

00:34:31,909 --> 00:34:30,240

in you know the reality of a natural

997

00:34:33,669 --> 00:34:31,919

event taking place

998

00:34:35,190 --> 00:34:33,679

and that's already happening you know i

999

00:34:36,470 --> 00:34:35,200

just saw recently

1000

00:34:38,069 --> 00:34:36,480

that just under fifty percent of

1001
00:34:39,190 --> 00:34:38,079
americans believe that we've already

1002
00:34:41,349 --> 00:34:39,200
been visited

1003
00:34:42,389 --> 00:34:41,359
uh climbs over sixty percent in russia

1004
00:34:44,389 --> 00:34:42,399
and china

1005
00:34:46,069 --> 00:34:44,399
uh it's well over fifty percent in many

1006
00:34:47,190 --> 00:34:46,079
countries around the world so that's a

1007
00:34:50,389 --> 00:34:47,200
lot of people

1008
00:34:51,270 --> 00:34:50,399
already feel certain that we've been

1009
00:34:53,030 --> 00:34:51,280
visited

1010
00:34:55,669 --> 00:34:53,040
have they asked the first question

1011
00:34:59,270 --> 00:34:55,679
though and then the second question

1012
00:35:02,630 --> 00:34:59,280
or are they are they just you know

1013
00:35:05,670 --> 00:35:02,640

stuffing it away because it's so taboo

1014

00:35:08,550 --> 00:35:05,680

or are they diving in to some of these

1015

00:35:10,150 --> 00:35:08,560

really wild you know conclusions and and

1016

00:35:13,109 --> 00:35:10,160

spiritual teachings that are out there

1017

00:35:14,790 --> 00:35:13,119

regarding this so public education is i

1018

00:35:15,829 --> 00:35:14,800

think is the key it's the first starting

1019

00:35:17,190 --> 00:35:15,839

point

1020

00:35:19,750 --> 00:35:17,200

and we need to start thinking like the

1021

00:35:21,829 --> 00:35:19,760

native peoples of this world

1022

00:35:23,670 --> 00:35:21,839

and stop treating contact as an

1023

00:35:26,470 --> 00:35:23,680

adventure in consciousness

1024

00:35:27,109 --> 00:35:26,480

you know or as the next really wild out

1025

00:35:31,109 --> 00:35:27,119

there

1026

00:35:33,190 --> 00:35:31,119

you know next level event spiritually

1027

00:35:35,589 --> 00:35:33,200

uh so that's that's where it all begins

1028

00:35:37,589 --> 00:35:35,599

i think uh it's it's public

1029

00:35:39,430 --> 00:35:37,599

it's alerting people in the public and

1030

00:35:41,670 --> 00:35:39,440

it's educating them

1031

00:35:42,950 --> 00:35:41,680

and it's starting to build a groundswell

1032

00:35:46,470 --> 00:35:42,960

of kind of

1033

00:35:48,310 --> 00:35:46,480

basic rational response

1034

00:35:50,710 --> 00:35:48,320

to this enormous event that's taking

1035

00:35:52,390 --> 00:35:50,720

place did i answer your question there

1036

00:35:53,750 --> 00:35:52,400

yes now i was just going to say

1037

00:35:56,069 --> 00:35:53,760

regarding you know

1038

00:35:57,589 --> 00:35:56,079

um i guess i guess yeah definitely

1039

00:35:58,550 --> 00:35:57,599

because then that would be the first

1040

00:36:01,990 --> 00:35:58,560

part to

1041

00:36:04,230 --> 00:36:02,000

first make them aware then um instead

1042

00:36:05,430 --> 00:36:04,240

because my idea with with almost

1043

00:36:08,310 --> 00:36:05,440

anything in life is

1044

00:36:09,829 --> 00:36:08,320

i had my own drive uh and and will and

1045

00:36:12,550 --> 00:36:09,839

want to understand

1046

00:36:13,589 --> 00:36:12,560

so um then i kind of took the steps

1047

00:36:15,270 --> 00:36:13,599

towards that

1048

00:36:17,270 --> 00:36:15,280

and uh whatever else happened to me in

1049

00:36:20,150 --> 00:36:17,280

my life and my experiences so

1050

00:36:20,630 --> 00:36:20,160

um i but i don't i've never felt like

1051
00:36:22,150 --> 00:36:20,640
hey

1052
00:36:24,069 --> 00:36:22,160
you sit down i need to tell you

1053
00:36:25,910 --> 00:36:24,079
something you know and so

1054
00:36:27,829 --> 00:36:25,920
it's something that even to this day i

1055
00:36:30,550 --> 00:36:27,839
don't i don't wish to do it's like

1056
00:36:31,270 --> 00:36:30,560
it's almost like when the time comes i'm

1057
00:36:33,190 --> 00:36:31,280
here for you

1058
00:36:35,030 --> 00:36:33,200
to let you know all that i know but you

1059
00:36:37,510 --> 00:36:35,040
know i don't i don't want to kind of be

1060
00:36:38,390 --> 00:36:37,520
this ufo door-to-door salesman if that

1061
00:36:39,910 --> 00:36:38,400
makes sense

1062
00:36:41,510 --> 00:36:39,920
you know because it's you know but i

1063
00:36:43,510 --> 00:36:41,520

figured by having information

1064

00:36:45,030 --> 00:36:43,520

such as this interview and all of that

1065

00:36:47,109 --> 00:36:45,040

just available online

1066

00:36:48,310 --> 00:36:47,119

that those that are searching will

1067

00:36:51,270 --> 00:36:48,320

eventually find it

1068

00:36:51,750 --> 00:36:51,280

you know and um um are you suggesting a

1069

00:36:54,950 --> 00:36:51,760

more

1070

00:36:57,349 --> 00:36:54,960

hands-on approach or what you know

1071

00:36:58,150 --> 00:36:57,359

what where do you stand regarding that

1072

00:36:59,750 --> 00:36:58,160

yeah um

1073

00:37:01,430 --> 00:36:59,760

i i get what you're saying and i i

1074

00:37:02,550 --> 00:37:01,440

definitely feel you on that it is

1075

00:37:05,109 --> 00:37:02,560

awkward to be

1076
00:37:06,550 --> 00:37:05,119
in possession of knowing this and most

1077
00:37:07,990 --> 00:37:06,560
people don't and not only they don't

1078
00:37:09,190 --> 00:37:08,000
know they don't want to know

1079
00:37:11,349 --> 00:37:09,200
and they don't want to hear you tell

1080
00:37:13,349 --> 00:37:11,359
them and so that's right

1081
00:37:14,630 --> 00:37:13,359
that's that's hard you know being being

1082
00:37:17,670 --> 00:37:14,640
one of the first to know

1083
00:37:18,950 --> 00:37:17,680
is difficult um

1084
00:37:21,829 --> 00:37:18,960
and that's just something we have to

1085
00:37:23,190 --> 00:37:21,839
walk with and and share with people as

1086
00:37:23,990 --> 00:37:23,200
like you're saying when the time is

1087
00:37:26,230 --> 00:37:24,000
right

1088
00:37:29,030 --> 00:37:26,240

i do think the time is now to get pretty

1089

00:37:30,310 --> 00:37:29,040

hands-on with this

1090

00:37:33,910 --> 00:37:30,320

there are many people who are very

1091

00:37:37,109 --> 00:37:33,920

hands-on regarding government disclosure

1092

00:37:38,230 --> 00:37:37,119

uh and and demanding that and i think

1093

00:37:40,630 --> 00:37:38,240

that's okay

1094

00:37:42,870 --> 00:37:40,640

because we we have we do deserve the

1095

00:37:45,910 --> 00:37:42,880

truth and we're not being given it

1096

00:37:47,910 --> 00:37:45,920

i just i would advocate redirecting that

1097

00:37:49,430 --> 00:37:47,920

frustration and that need to know and

1098

00:37:52,550 --> 00:37:49,440

that need to reveal

1099

00:37:55,430 --> 00:37:52,560

upon the the alien presence itself

1100

00:37:56,710 --> 00:37:55,440

and realize that the whole space has

1101

00:38:00,150 --> 00:37:56,720

been poisoned

1102

00:38:03,430 --> 00:38:00,160

with all sorts of false narratives

1103

00:38:07,109 --> 00:38:03,440

false conspiracies a smoke screen of

1104

00:38:08,069 --> 00:38:07,119

of competing um messaging from the

1105

00:38:09,910 --> 00:38:08,079

intervention

1106

00:38:11,670 --> 00:38:09,920

that's making it really hard if not

1107

00:38:13,190 --> 00:38:11,680

impossible for the average person to

1108

00:38:15,670 --> 00:38:13,200

step into this

1109

00:38:17,190 --> 00:38:15,680

and and come to see it for what it is

1110

00:38:18,710 --> 00:38:17,200

it's very hard

1111

00:38:20,630 --> 00:38:18,720

to see this for what it is even when

1112

00:38:23,190 --> 00:38:20,640

it's so basically simple

1113

00:38:24,710 --> 00:38:23,200

we're being we're making first contact

1114

00:38:26,230 --> 00:38:24,720

with extraterrestrial races they're here

1115

00:38:29,190 --> 00:38:26,240

for what they want

1116

00:38:31,030 --> 00:38:29,200

they have an agenda like how can that be

1117

00:38:32,710 --> 00:38:31,040

so hard well it is

1118

00:38:34,630 --> 00:38:32,720

that's a problem i think we need to get

1119

00:38:37,270 --> 00:38:34,640

very hands-on with that

1120

00:38:38,790 --> 00:38:37,280

and i think with the recent events uh

1121

00:38:41,910 --> 00:38:38,800

taking place in terms of

1122

00:38:42,630 --> 00:38:41,920

soft disclosure uh and public messaging

1123

00:38:44,829 --> 00:38:42,640

on this

1124

00:38:46,150 --> 00:38:44,839

a lot millions of people are coming into

1125

00:38:49,030 --> 00:38:46,160

this

1126
00:38:49,750 --> 00:38:49,040
field of inquiry regarding contact who

1127
00:38:51,430 --> 00:38:49,760
weren't

1128
00:38:53,030 --> 00:38:51,440
who maybe thought about it or had an

1129
00:38:56,069 --> 00:38:53,040
interest in it but now they

1130
00:38:57,670 --> 00:38:56,079
want to know what's going on but is it

1131
00:38:58,550 --> 00:38:57,680
possible for them to know what's going

1132
00:39:00,310 --> 00:38:58,560
on

1133
00:39:01,990 --> 00:39:00,320
right right well actually that brings me

1134
00:39:02,550 --> 00:39:02,000
back then to the first question that i

1135
00:39:04,310 --> 00:39:02,560
had

1136
00:39:05,910 --> 00:39:04,320
because once they asked themselves the

1137
00:39:08,230 --> 00:39:05,920
first and second question

1138
00:39:09,190 --> 00:39:08,240

you know um they would then you know if

1139

00:39:12,310 --> 00:39:09,200

they proceed

1140

00:39:14,150 --> 00:39:12,320

they would you know be obviously looking

1141

00:39:15,910 --> 00:39:14,160

for information in the traditional way

1142

00:39:18,790 --> 00:39:15,920

that we've always had which is

1143

00:39:19,910 --> 00:39:18,800

books videos other resources and anyone

1144

00:39:21,910 --> 00:39:19,920

that's been into

1145

00:39:23,589 --> 00:39:21,920

you know ufology for any given amount of

1146

00:39:25,589 --> 00:39:23,599

time they'll know that

1147

00:39:27,430 --> 00:39:25,599

you know there's thousands different

1148

00:39:30,150 --> 00:39:27,440

perspectives and so

1149

00:39:30,950 --> 00:39:30,160

um that's why i was asking initially in

1150

00:39:33,910 --> 00:39:30,960

order to

1151
00:39:34,230 --> 00:39:33,920
to kind of discern between friend or foe

1152
00:39:37,750 --> 00:39:34,240
and

1153
00:39:39,750 --> 00:39:37,760
you determine

1154
00:39:41,030 --> 00:39:39,760
good information versus you know bad

1155
00:39:43,270 --> 00:39:41,040
information

1156
00:39:45,109 --> 00:39:43,280
would do would that be part of the steps

1157
00:39:47,270 --> 00:39:45,119
to get kind of get in touch

1158
00:39:48,950 --> 00:39:47,280
you know with your inner self and and

1159
00:39:49,750 --> 00:39:48,960
whatever else is out there that can

1160
00:39:51,910 --> 00:39:49,760
guide you

1161
00:39:52,790 --> 00:39:51,920
to know the the proper information the

1162
00:39:54,390 --> 00:39:52,800
right information

1163
00:39:56,230 --> 00:39:54,400

as opposed to something that's that's

1164

00:39:57,910 --> 00:39:56,240

receiving because i mean that's how we

1165

00:39:59,030 --> 00:39:57,920

kind of get getting ourselves in trouble

1166

00:40:00,870 --> 00:39:59,040

all the time now

1167

00:40:02,470 --> 00:40:00,880

you know we call that fake news you know

1168

00:40:04,710 --> 00:40:02,480

but

1169

00:40:05,990 --> 00:40:04,720

who's deciding what's fake news you know

1170

00:40:08,309 --> 00:40:06,000

that's the biggest issue

1171

00:40:09,190 --> 00:40:08,319

because um regarding a lot of

1172

00:40:11,270 --> 00:40:09,200

information

1173

00:40:13,030 --> 00:40:11,280

i can find two different sources and

1174

00:40:14,630 --> 00:40:13,040

each one of them blaming the other to be

1175

00:40:16,150 --> 00:40:14,640

fake news so it's very

1176

00:40:17,829 --> 00:40:16,160

very difficult to really get to the

1177

00:40:20,230 --> 00:40:17,839

bottom of anything and no wonder we're

1178

00:40:21,990 --> 00:40:20,240

kind of in this uproar right now

1179

00:40:24,470 --> 00:40:22,000

totally and this is where knowledge

1180

00:40:26,470 --> 00:40:24,480

comes in i mean we can't we can't take

1181

00:40:28,470 --> 00:40:26,480

that out of the conversation

1182

00:40:29,829 --> 00:40:28,480

you said yourself that you you become

1183

00:40:31,430 --> 00:40:29,839

aware of something and then you have a

1184

00:40:33,910 --> 00:40:31,440

gut feeling or a gut

1185

00:40:34,550 --> 00:40:33,920

sense and then you research you you dive

1186

00:40:37,109 --> 00:40:34,560

in

1187

00:40:38,390 --> 00:40:37,119

but it starts with that gut sense that's

1188

00:40:42,630 --> 00:40:38,400

knowledge

1189

00:40:45,430 --> 00:40:42,640

that is a spiritual mind an intelligence

1190

00:40:46,309 --> 00:40:45,440

that wants to steer you and me and

1191

00:40:48,230 --> 00:40:46,319

everyone

1192

00:40:50,069 --> 00:40:48,240

in a specific direction that's unique to

1193

00:40:53,349 --> 00:40:50,079

us so that we can play our part in life

1194

00:40:55,190 --> 00:40:53,359

and hopefully be of service to humankind

1195

00:40:58,309 --> 00:40:55,200

in a way that's relevant in the modern

1196

00:41:00,950 --> 00:40:58,319

world so a lot of people are feeling

1197

00:41:03,030 --> 00:41:00,960

knowledge when they think about contact

1198

00:41:05,910 --> 00:41:03,040

and when they look at this

1199

00:41:07,190 --> 00:41:05,920

but again it's so polluted so i think i

1200

00:41:10,630 --> 00:41:07,200

i think an emphasis

1201
00:41:12,150 --> 00:41:10,640
on um discerning the truth is really

1202
00:41:15,109 --> 00:41:12,160
important i have my own

1203
00:41:17,109 --> 00:41:15,119
rubric for discerning the truth in a

1204
00:41:18,870 --> 00:41:17,119
purported alien message

1205
00:41:20,710 --> 00:41:18,880
one of which is the allies of humanity

1206
00:41:21,430 --> 00:41:20,720
briefings there are many many many

1207
00:41:23,190 --> 00:41:21,440
others

1208
00:41:25,510 --> 00:41:23,200
but there are some proofs that you can

1209
00:41:28,630 --> 00:41:25,520
apply and these are reasonable

1210
00:41:30,790 --> 00:41:28,640
proofs um and requirements

1211
00:41:31,990 --> 00:41:30,800
that that something you know be at least

1212
00:41:35,030 --> 00:41:32,000
plausible

1213
00:41:37,670 --> 00:41:35,040

uh and then may be true but

1214

00:41:39,430 --> 00:41:37,680

at the basic level it's it's seeing and

1215

00:41:41,750 --> 00:41:39,440

knowing at this at this deeper

1216

00:41:43,510 --> 00:41:41,760

at this deeper level and can we do that

1217

00:41:46,790 --> 00:41:43,520

so i wanted to ask you

1218

00:41:49,829 --> 00:41:46,800

um with with the aspect of the

1219

00:41:51,910 --> 00:41:49,839

the allies of humanity do they say

1220

00:41:53,270 --> 00:41:51,920

that there's also other races that are

1221

00:41:55,430 --> 00:41:53,280

not necessarily working

1222

00:41:56,550 --> 00:41:55,440

with them but have kind of a similar

1223

00:41:58,870 --> 00:41:56,560

goal or is

1224

00:42:01,270 --> 00:41:58,880

or are you saying the allies of humanity

1225

00:42:03,510 --> 00:42:01,280

are the only ones that are reaching

1226
00:42:05,349 --> 00:42:03,520
reaching through to give the information

1227
00:42:07,829 --> 00:42:05,359
to say hey watch out there's more

1228
00:42:08,390 --> 00:42:07,839
going on than what you can see um sure

1229
00:42:12,069 --> 00:42:08,400
they don't

1230
00:42:13,430 --> 00:42:12,079
might be others who would try to reach

1231
00:42:16,630 --> 00:42:13,440
us for a beneficial

1232
00:42:19,030 --> 00:42:16,640
purpose they just say that they are

1233
00:42:21,030 --> 00:42:19,040
the association of they represent the

1234
00:42:22,550 --> 00:42:21,040
association of free worlds in our in our

1235
00:42:24,790 --> 00:42:22,560
immediate vicinity

1236
00:42:25,750 --> 00:42:24,800
uh who were called to be the allies of

1237
00:42:27,670 --> 00:42:25,760
humanity

1238
00:42:29,510 --> 00:42:27,680

um could there be other messages in the

1239

00:42:33,190 --> 00:42:29,520

future absolutely there could

1240

00:42:34,470 --> 00:42:33,200

in the end all these races can do is

1241

00:42:36,069 --> 00:42:34,480

advise

1242

00:42:38,150 --> 00:42:36,079

you know i mean we're talking about a

1243

00:42:41,829 --> 00:42:38,160

handful of individuals not an armada

1244

00:42:43,510 --> 00:42:41,839

of ships and craft there and so all they

1245

00:42:46,390 --> 00:42:43,520

can do is advise

1246

00:42:48,230 --> 00:42:46,400

and call upon us to claim the authority

1247

00:42:50,150 --> 00:42:48,240

to be the native peoples and to take the

1248

00:42:51,349 --> 00:42:50,160

action we have to take that in the end

1249

00:42:54,309 --> 00:42:51,359

is what must happen

1250

00:42:55,510 --> 00:42:54,319

how it happens who inspires it to happen

1251

00:42:57,990 --> 00:42:55,520

it's almost like well

1252

00:42:59,109 --> 00:42:58,000

it just needs to happen i think the

1253

00:43:01,510 --> 00:42:59,119

allies

1254

00:43:02,790 --> 00:43:01,520

themselves and their message is an

1255

00:43:05,910 --> 00:43:02,800

important part of that

1256

00:43:08,069 --> 00:43:05,920

is an important spark in that process of

1257

00:43:11,270 --> 00:43:08,079

waking up to the fact that you know

1258

00:43:11,990 --> 00:43:11,280

we are being discovered on a beautiful

1259

00:43:13,670 --> 00:43:12,000

planet that

1260

00:43:16,069 --> 00:43:13,680

is desired by others that we are

1261

00:43:17,430 --> 00:43:16,079

destroying in front of their eyes

1262

00:43:20,870 --> 00:43:17,440

and that they want and that they're here

1263

00:43:21,990 --> 00:43:20,880

to take um that is the the fundamental

1264

00:43:24,390 --> 00:43:22,000

awareness

1265

00:43:26,390 --> 00:43:24,400

that a large number of people in the

1266

00:43:28,390 --> 00:43:26,400

world need to have who don't yet have

1267

00:43:30,470 --> 00:43:28,400

so i i feel like that's a mission right

1268

00:43:33,270 --> 00:43:30,480

there to to wake

1269

00:43:34,630 --> 00:43:33,280

more people up to that um what needs to

1270

00:43:36,790 --> 00:43:34,640

happen after that it's

1271

00:43:38,630 --> 00:43:36,800

it's many many actions by many many

1272

00:43:39,349 --> 00:43:38,640

people and knowledge will be a key part

1273

00:43:40,710 --> 00:43:39,359

of that

1274

00:43:42,550 --> 00:43:40,720

i mean you're doing what you're doing

1275

00:43:43,430 --> 00:43:42,560

because you have a gut sense that you

1276

00:43:44,870 --> 00:43:43,440

should do this

1277

00:43:46,870 --> 00:43:44,880

it's not easy doing this to have a

1278

00:43:50,069 --> 00:43:46,880

youtube channel and record these and

1279

00:43:50,950 --> 00:43:50,079

post produce video and you know spread

1280

00:43:52,470 --> 00:43:50,960

this message

1281

00:43:54,069 --> 00:43:52,480

you know and open up all these

1282

00:43:55,829 --> 00:43:54,079

discussions it's not easy

1283

00:43:57,990 --> 00:43:55,839

but you know i'm sure you have a sense

1284

00:44:01,109 --> 00:43:58,000

that this isn't really important and

1285

00:44:04,309 --> 00:44:01,119

must be continued uh and i do as well

1286

00:44:08,950 --> 00:44:04,319

so this is you know knowledge right

1287

00:44:11,109 --> 00:44:08,960

well um have they have they revealed

1288

00:44:12,230 --> 00:44:11,119

basically what kind of some of their

1289

00:44:15,349 --> 00:44:12,240

physical traits are

1290

00:44:17,190 --> 00:44:15,359

the allies of humanity um do they look

1291

00:44:19,430 --> 00:44:17,200

similar to us

1292

00:44:21,589 --> 00:44:19,440

would they truly be alien to us do you

1293

00:44:24,390 --> 00:44:21,599

have any information on that

1294

00:44:25,589 --> 00:44:24,400

they don't reveal their origin their

1295

00:44:26,950 --> 00:44:25,599

planets of origin

1296

00:44:28,870 --> 00:44:26,960

the names of their races their

1297

00:44:30,390 --> 00:44:28,880

individual names their morphology their

1298

00:44:33,030 --> 00:44:30,400

physiology or any or that

1299

00:44:33,430 --> 00:44:33,040

um in part because we love that down

1300

00:44:36,230 --> 00:44:33,440

here

1301
00:44:36,630 --> 00:44:36,240
right everyone just loves to create you

1302
00:44:39,190 --> 00:44:36,640
know

1303
00:44:40,550 --> 00:44:39,200
a pantheon of extraterrestrials visiting

1304
00:44:41,510 --> 00:44:40,560
us and how they're all different where

1305
00:44:44,069 --> 00:44:41,520
they're from

1306
00:44:45,030 --> 00:44:44,079
it's it's all i mean it's not going to

1307
00:44:48,309 --> 00:44:45,040
help

1308
00:44:51,109 --> 00:44:48,319
um us reconcile what we have to do

1309
00:44:52,790 --> 00:44:51,119
and what's really going on so no in

1310
00:44:54,950 --> 00:44:52,800
short answer they do not

1311
00:44:55,829 --> 00:44:54,960
i think we know a little bit about what

1312
00:44:57,829 --> 00:44:55,839
the um

1313
00:45:00,230 --> 00:44:57,839

the intervention looks like there's a

1314

00:45:01,990 --> 00:45:00,240

lot of accounts by abductees and others

1315

00:45:03,430 --> 00:45:02,000

who have had physical contact with these

1316

00:45:05,030 --> 00:45:03,440

beings

1317

00:45:06,870 --> 00:45:05,040

so can you please go over that a little

1318

00:45:09,750 --> 00:45:06,880

bit if that's okay

1319

00:45:11,030 --> 00:45:09,760

i i'm no expert in that um but there are

1320

00:45:13,910 --> 00:45:11,040

experts in that

1321

00:45:15,589 --> 00:45:13,920

uh david jacobs comes to mind and um

1322

00:45:17,829 --> 00:45:15,599

i've had the pleasure to speak with him

1323

00:45:20,630 --> 00:45:17,839

on several occasions

1324

00:45:22,790 --> 00:45:20,640

and so what i know is mostly from the

1325

00:45:23,510 --> 00:45:22,800

accounts of abductees and researchers

1326

00:45:26,230 --> 00:45:23,520

like him

1327

00:45:28,309 --> 00:45:26,240

right so basically is it mainly because

1328

00:45:29,670 --> 00:45:28,319

the way the allies of humanity approach

1329

00:45:31,510 --> 00:45:29,680

this is to just

1330

00:45:32,790 --> 00:45:31,520

say hey watch out but they don't

1331

00:45:35,109 --> 00:45:32,800

necessarily say

1332

00:45:36,309 --> 00:45:35,119

who exactly am i correct at assuming

1333

00:45:37,589 --> 00:45:36,319

that yeah i mean it's

1334

00:45:39,030 --> 00:45:37,599

you could you could liken it to a

1335

00:45:40,710 --> 00:45:39,040

whistleblower right i mean if the

1336

00:45:42,230 --> 00:45:40,720

whistleblower get

1337

00:45:44,069 --> 00:45:42,240

the people have to know what they have

1338

00:45:45,990 --> 00:45:44,079

to know it's so bad

1339

00:45:47,109 --> 00:45:46,000

it's so pervasive what's happening so

1340

00:45:49,430 --> 00:45:47,119

blow the whistle you know

1341

00:45:51,589 --> 00:45:49,440

sound the alarm the whistleblower will

1342

00:45:53,270 --> 00:45:51,599

be destroyed should they be discovered

1343

00:45:55,349 --> 00:45:53,280

they will be terminated right

1344

00:45:56,950 --> 00:45:55,359

because the powers that are at work are

1345

00:45:58,710 --> 00:45:56,960

such that they can do that

1346

00:46:00,069 --> 00:45:58,720

that's what the allies say you know if

1347

00:46:01,990 --> 00:46:00,079

we were to give our planets of origin

1348

00:46:03,990 --> 00:46:02,000

there would be serious repercussions

1349

00:46:05,030 --> 00:46:04,000

if we were to try to mount a defense on

1350

00:46:07,270 --> 00:46:05,040

your behalf

1351
00:46:08,710 --> 00:46:07,280
it would be something akin to war and

1352
00:46:10,470 --> 00:46:08,720
there would be great destruction and

1353
00:46:14,069 --> 00:46:10,480
that's not how things even happen

1354
00:46:17,510 --> 00:46:14,079
in life so they are kind of like

1355
00:46:19,349 --> 00:46:17,520
um whistleblowers and um

1356
00:46:21,270 --> 00:46:19,359
in in as such they don't reveal a whole

1357
00:46:23,430 --> 00:46:21,280
lot about themselves

1358
00:46:24,710 --> 00:46:23,440
we do know a few things about them

1359
00:46:27,990 --> 00:46:24,720
through the new message

1360
00:46:30,390 --> 00:46:28,000
side of of marshall's work um

1361
00:46:31,990 --> 00:46:30,400
but that's that's that's not essential

1362
00:46:33,910 --> 00:46:32,000
to what their message is and

1363
00:46:35,430 --> 00:46:33,920

the actions that need to be taken are

1364

00:46:38,150 --> 00:46:35,440

there any kind of predictions

1365

00:46:40,150 --> 00:46:38,160

as to when things might ramp up more to

1366

00:46:43,349 --> 00:46:40,160

where it would become more obvious that

1367

00:46:46,309 --> 00:46:43,359

there's more of a hidden hand at play uh

1368

00:46:48,069 --> 00:46:46,319

in terms of years or is it just kind of

1369

00:46:50,870 --> 00:46:48,079

keep going keep searching and

1370

00:46:51,430 --> 00:46:50,880

you will get to to what you need to know

1371

00:46:54,470 --> 00:46:51,440

um

1372

00:46:57,349 --> 00:46:54,480

there no the allies have not said

1373

00:46:58,630 --> 00:46:57,359

when this will um when the intervention

1374

00:46:59,750 --> 00:46:58,640

will announce their presence more

1375

00:47:01,829 --> 00:46:59,760

broadly

1376

00:47:03,829 --> 00:47:01,839

or when certain stages of their plan

1377

00:47:07,190 --> 00:47:03,839

will will come into

1378

00:47:09,430 --> 00:47:07,200

play they do say their their plan is

1379

00:47:10,870 --> 00:47:09,440

pretty well advanced

1380

00:47:12,470 --> 00:47:10,880

one thing we haven't talked about is the

1381

00:47:14,470 --> 00:47:12,480

hybridization program

1382

00:47:15,829 --> 00:47:14,480

which has been underway for some decades

1383

00:47:18,069 --> 00:47:15,839

to produce

1384

00:47:19,829 --> 00:47:18,079

a human leadership that looks and walks

1385

00:47:21,750 --> 00:47:19,839

and talks like us but is fundamentally

1386

00:47:24,870 --> 00:47:21,760

not aligned or allied to us

1387

00:47:25,750 --> 00:47:24,880

it's aligned to them and that's a pretty

1388

00:47:27,589 --> 00:47:25,760

dark

1389

00:47:28,950 --> 00:47:27,599

thing to look at and it's very

1390

00:47:31,510 --> 00:47:28,960

unfortunate

1391

00:47:33,030 --> 00:47:31,520

but that's pretty advanced and what

1392

00:47:35,430 --> 00:47:33,040

stage we are in that

1393

00:47:38,470 --> 00:47:35,440

where that where those individuals are

1394

00:47:41,030 --> 00:47:38,480

in the corridors of power i cannot say

1395

00:47:42,230 --> 00:47:41,040

so i don't think it's i don't think the

1396

00:47:44,790 --> 00:47:42,240

key is just to keep

1397

00:47:45,910 --> 00:47:44,800

keep trucking and just keep you know

1398

00:47:49,349 --> 00:47:45,920

talking about

1399

00:47:52,630 --> 00:47:49,359

contact in ufos and uaps and you know

1400

00:47:55,670 --> 00:47:52,640

it's really to go beyond the question of

1401
00:47:57,030 --> 00:47:55,680
what is happening which we've researched

1402
00:47:58,790 --> 00:47:57,040
for decades

1403
00:48:01,109 --> 00:47:58,800
you know all the phenomena associated

1404
00:48:03,990 --> 00:48:01,119
with this to get to the next question of

1405
00:48:05,670 --> 00:48:04,000
what do we need to do about it and i

1406
00:48:05,990 --> 00:48:05,680
don't hear people talk a whole lot about

1407
00:48:09,270 --> 00:48:06,000
that

1408
00:48:10,710 --> 00:48:09,280
except you know invite contact surrender

1409
00:48:12,870 --> 00:48:10,720
to the visitors you know

1410
00:48:13,990 --> 00:48:12,880
which these are not reasonable next

1411
00:48:17,510 --> 00:48:14,000
steps

1412
00:48:21,510 --> 00:48:17,520
those do not arise from a rational mind

1413
00:48:23,750 --> 00:48:21,520

they are fundamentally irrational and so

1414

00:48:25,510 --> 00:48:23,760

it feels like things are stuck they're

1415

00:48:27,270 --> 00:48:25,520

stuck in this

1416

00:48:28,950 --> 00:48:27,280

what's happening and the government

1417

00:48:31,589 --> 00:48:28,960

needs to tell us

1418

00:48:33,510 --> 00:48:31,599

and the et's are probably here to save

1419

00:48:35,829 --> 00:48:33,520

us or give us technology or heal

1420

00:48:36,549 --> 00:48:35,839

you know the world and teach us things

1421

00:48:38,630 --> 00:48:36,559

and so

1422

00:48:40,230 --> 00:48:38,640

it's like we're stuck and we're loaded

1423

00:48:40,790 --> 00:48:40,240

with assumptions that we can't get

1424

00:48:43,910 --> 00:48:40,800

beyond

1425

00:48:46,549 --> 00:48:43,920

i would advocate getting over that hump

1426

00:48:49,109 --> 00:48:46,559

and then getting down the road of taking

1427

00:48:51,510 --> 00:48:49,119

action regarding the intervention

1428

00:48:53,349 --> 00:48:51,520

specifically well i know uh because i've

1429

00:48:54,549 --> 00:48:53,359

been into this and been talking to a lot

1430

00:48:59,430 --> 00:48:54,559

of people and

1431

00:49:00,950 --> 00:48:59,440

um there's there's always been this um

1432

00:49:03,589 --> 00:49:00,960

i wouldn't say the divide but it's

1433

00:49:07,430 --> 00:49:03,599

definitely been a source of um

1434

00:49:09,589 --> 00:49:07,440

of tension regarding the intentions

1435

00:49:10,790 --> 00:49:09,599

of these different visitors because

1436

00:49:13,829 --> 00:49:10,800

there i've i've seen

1437

00:49:15,270 --> 00:49:13,839

and heard both sides uh basically put

1438

00:49:19,349 --> 00:49:15,280

down a compelling case

1439

00:49:21,910 --> 00:49:19,359

about um i'm not trying to

1440

00:49:24,470 --> 00:49:21,920

kind of like defend or be pro one or

1441

00:49:27,510 --> 00:49:24,480

against the other but for example

1442

00:49:29,589 --> 00:49:27,520

almost everything i can't right on top

1443

00:49:31,349 --> 00:49:29,599

of my head i can't name you a lot but

1444

00:49:32,870 --> 00:49:31,359

perfect example that i can come up with

1445

00:49:36,630 --> 00:49:32,880

immediately

1446

00:49:38,710 --> 00:49:36,640

for example to what jacob's

1447

00:49:41,510 --> 00:49:38,720

david jacobs is saying there's the

1448

00:49:44,790 --> 00:49:41,520

opposite which was dolores cannon

1449

00:49:47,190 --> 00:49:44,800

you know and so both ends

1450

00:49:48,870 --> 00:49:47,200

you know uh basically talk about wanting

1451

00:49:50,870 --> 00:49:48,880

to to help

1452

00:49:52,230 --> 00:49:50,880

you know it's just about you know the

1453

00:49:54,470 --> 00:49:52,240

other side goes

1454

00:49:55,589 --> 00:49:54,480

one watch out there's you know this is

1455

00:49:56,390 --> 00:49:55,599

what they're doing and the other one

1456

00:49:58,390 --> 00:49:56,400

goes like

1457

00:50:00,230 --> 00:49:58,400

yes they are doing this but there's more

1458

00:50:02,470 --> 00:50:00,240

to it and this is why

1459

00:50:03,910 --> 00:50:02,480

and so it's almost makes you think like

1460

00:50:05,829 --> 00:50:03,920

okay well where do you go

1461

00:50:07,190 --> 00:50:05,839

you know that's what brings me back to i

1462

00:50:08,870 --> 00:50:07,200

guess we talked about this and i don't

1463

00:50:10,470 --> 00:50:08,880

want to keep rehashing about then okay

1464

00:50:13,030 --> 00:50:10,480

just follow your gut feeling then

1465

00:50:14,630 --> 00:50:13,040

who do you who do you follow who do you

1466

00:50:16,309 --> 00:50:14,640

whose information you take in

1467

00:50:18,950 --> 00:50:16,319

yeah i think it's a tall order to tell

1468

00:50:20,470 --> 00:50:18,960

the world follow your gut feeling you'll

1469

00:50:22,710 --> 00:50:20,480

know the truth

1470

00:50:24,069 --> 00:50:22,720

i think the truth is so apparent that

1471

00:50:26,790 --> 00:50:24,079

any reasonable thinking

1472

00:50:28,390 --> 00:50:26,800

person who doesn't want something and

1473

00:50:29,109 --> 00:50:28,400

have their own personal agenda from

1474

00:50:31,349 --> 00:50:29,119

contact

1475

00:50:33,670 --> 00:50:31,359

can easily see this for what it is i've

1476

00:50:36,950 --> 00:50:33,680

asked on many different shows

1477

00:50:37,990 --> 00:50:36,960

tell me show me one thing the visitors

1478

00:50:40,790 --> 00:50:38,000

are doing

1479

00:50:43,589 --> 00:50:40,800

doing not saying physically doing that

1480

00:50:45,109 --> 00:50:43,599

signals a beneficial intent

1481

00:50:46,549 --> 00:50:45,119

they're flying in our skies unannounced

1482

00:50:47,270 --> 00:50:46,559

they're taking people they're taking

1483

00:50:49,349 --> 00:50:47,280

animals

1484

00:50:50,309 --> 00:50:49,359

they're manipulating governments they're

1485

00:50:52,230 --> 00:50:50,319

seeding all these

1486

00:50:53,430 --> 00:50:52,240

disparate and false well competing

1487

00:50:56,230 --> 00:50:53,440

narratives

1488

00:50:57,829 --> 00:50:56,240

they're doing all of that okay show me

1489

00:51:00,630 --> 00:50:57,839

what they're doing

1490

00:51:01,030 --> 00:51:00,640

that signals a beneficial intent and

1491

00:51:02,549 --> 00:51:01,040

then

1492

00:51:04,069 --> 00:51:02,559

some people say well yes people are

1493

00:51:06,069 --> 00:51:04,079

being taken but

1494

00:51:08,150 --> 00:51:06,079

they made a soul contract before this

1495

00:51:09,589 --> 00:51:08,160

life to be taken

1496

00:51:11,430 --> 00:51:09,599

and they're actually they're being

1497

00:51:13,109 --> 00:51:11,440

welcomed back you know into their

1498

00:51:16,630 --> 00:51:13,119

brotherhood or into their spiritual

1499

00:51:21,190 --> 00:51:16,640

you know network by being it's like

1500

00:51:24,230 --> 00:51:21,200

okay that is not a reasonable statement

1501
00:51:25,190 --> 00:51:24,240
of fact regarding how people are being

1502
00:51:27,750 --> 00:51:25,200
taken

1503
00:51:29,510 --> 00:51:27,760
that that is an association that's being

1504
00:51:31,829 --> 00:51:29,520
made because somebody wants something

1505
00:51:33,829 --> 00:51:31,839
from this they want it to be good

1506
00:51:35,349 --> 00:51:33,839
they're trying to twist an actual

1507
00:51:38,309 --> 00:51:35,359
physical event

1508
00:51:39,270 --> 00:51:38,319
to be good when it's obviously not good

1509
00:51:42,710 --> 00:51:39,280
and so

1510
00:51:43,510 --> 00:51:42,720
i personally um i i've i've kind of

1511
00:51:46,790 --> 00:51:43,520
reached my

1512
00:51:49,829 --> 00:51:46,800
limit of tolerance with the the 50 50

1513
00:51:51,349 --> 00:51:49,839

you know argument which is while they

1514

00:51:52,790 --> 00:51:51,359

could be good they could be bad some are

1515

00:51:54,230 --> 00:51:52,800

good some are bad some of what they're

1516

00:51:55,750 --> 00:51:54,240

doing is bad some what they're doing is

1517

00:51:59,589 --> 00:51:55,760

good it's like

1518

00:52:01,829 --> 00:51:59,599

wow you can't see that there is an armed

1519

00:52:05,829 --> 00:52:01,839

individual in your house

1520

00:52:07,670 --> 00:52:05,839

you know taking your child now

1521

00:52:09,990 --> 00:52:07,680

how have you been so disabled that you

1522

00:52:11,750 --> 00:52:10,000

cannot see that and act upon it

1523

00:52:14,069 --> 00:52:11,760

and this is the pacification program

1524

00:52:15,910 --> 00:52:14,079

people are being disabled

1525

00:52:17,750 --> 00:52:15,920

their their core faculties are being

1526

00:52:21,510 --> 00:52:17,760

disabled their basic

1527

00:52:23,190 --> 00:52:21,520

native innate wisdom like about how life

1528

00:52:25,910 --> 00:52:23,200

works is being disabled

1529

00:52:27,109 --> 00:52:25,920

and so you have these wild beliefs about

1530

00:52:29,109 --> 00:52:27,119

contact

1531

00:52:30,829 --> 00:52:29,119

uh and but they're not the 50 50.

1532

00:52:32,069 --> 00:52:30,839

they're not the other side of the

1533

00:52:35,829 --> 00:52:32,079

argument

1534

00:52:38,230 --> 00:52:35,839

in my view the the picture is abundantly

1535

00:52:42,710 --> 00:52:41,030

probably they're here to take what they

1536

00:52:44,309 --> 00:52:42,720

want they have an agenda

1537

00:52:45,910 --> 00:52:44,319

they're working with different groups

1538

00:52:47,750 --> 00:52:45,920

for different reasons they're not

1539

00:52:49,430 --> 00:52:47,760

disclosing it

1540

00:52:51,750 --> 00:52:49,440

we the people have not been consulted

1541

00:52:53,510 --> 00:52:51,760

we're not being told what's happening

1542

00:52:54,870 --> 00:52:53,520

not just by government but by the e.t

1543

00:52:56,790 --> 00:52:54,880

presence itself

1544

00:52:58,309 --> 00:52:56,800

all of that just points in a direction

1545

00:52:59,829 --> 00:52:58,319

but do we want to go

1546

00:53:01,589 --> 00:52:59,839

do we want to look in that direction

1547

00:53:03,670 --> 00:53:01,599

that's another question

1548

00:53:04,950 --> 00:53:03,680

everyone has a desire to see things a

1549

00:53:07,190 --> 00:53:04,960

certain way

1550

00:53:08,950 --> 00:53:07,200

and when something really new happens

1551

00:53:12,150 --> 00:53:08,960

you have to abandon that

1552

00:53:15,510 --> 00:53:12,160

in order to see it i mean

1553

00:53:17,430 --> 00:53:15,520

you know if a hurricane happens but you

1554

00:53:19,349 --> 00:53:17,440

really really want it to be

1555

00:53:21,270 --> 00:53:19,359

god everything that happens is god god

1556

00:53:23,349 --> 00:53:21,280

creates everything

1557

00:53:25,190 --> 00:53:23,359

then you're going to call a hurricane

1558

00:53:27,109 --> 00:53:25,200

god's wrath

1559

00:53:29,910 --> 00:53:27,119

and that's really unfortunate and that

1560

00:53:30,470 --> 00:53:29,920

is not the the logical other side of the

1561

00:53:32,150 --> 00:53:30,480

coin

1562

00:53:33,750 --> 00:53:32,160

that is not the other side of the

1563

00:53:35,750 --> 00:53:33,760

argument

1564

00:53:37,829 --> 00:53:35,760

that is an assumption leading to

1565

00:53:40,630 --> 00:53:37,839

delusion and so

1566

00:53:41,109 --> 00:53:40,640

i feel like that's largely what's taking

1567

00:53:42,710 --> 00:53:41,119

over

1568

00:53:44,150 --> 00:53:42,720

for those who are who are who have been

1569

00:53:45,910 --> 00:53:44,160

in this field for a long time is they

1570

00:53:47,670 --> 00:53:45,920

want to see it a certain way

1571

00:53:49,990 --> 00:53:47,680

or they really don't want to see it a

1572

00:53:50,790 --> 00:53:50,000

certain way they don't want to see this

1573

00:53:52,470 --> 00:53:50,800

as a silent

1574

00:53:54,630 --> 00:53:52,480

invasion because that's what it is

1575

00:53:57,990 --> 00:53:54,640

because to see it that way

1576

00:54:01,589 --> 00:53:58,000

would make you act right

1577

00:54:03,829 --> 00:54:01,599

i go back to the 1930s how many germans

1578

00:54:05,109 --> 00:54:03,839

saw the rise of the nazi party saw what

1579

00:54:06,790 --> 00:54:05,119

they were doing

1580

00:54:09,510 --> 00:54:06,800

it was all pointing in one direction

1581

00:54:11,750 --> 00:54:09,520

right but told themselves

1582

00:54:13,270 --> 00:54:11,760

another story well no wait maybe they're

1583

00:54:15,510 --> 00:54:13,280

here to bring back

1584

00:54:17,030 --> 00:54:15,520

you know the german heartland and you

1585

00:54:18,870 --> 00:54:17,040

know what's great about german people

1586

00:54:20,069 --> 00:54:18,880

and our and our basic values maybe

1587

00:54:22,710 --> 00:54:20,079

they're trying to unite

1588

00:54:24,710 --> 00:54:22,720

europa around those like and of course

1589

00:54:26,150 --> 00:54:24,720

the nazi party played into all sorts of

1590

00:54:29,190 --> 00:54:26,160

narratives like that

1591

00:54:29,670 --> 00:54:29,200

right but basically people didn't want

1592

00:54:31,510 --> 00:54:29,680

to see

1593

00:54:32,950 --> 00:54:31,520

what was right in front of them and it

1594

00:54:33,990 --> 00:54:32,960

really was right in front of them the

1595

00:54:36,549 --> 00:54:34,000

whole time

1596

00:54:37,270 --> 00:54:36,559

and and look what happened i go back to

1597

00:54:39,589 --> 00:54:37,280

that time

1598

00:54:41,829 --> 00:54:39,599

often these days because we're facing a

1599

00:54:43,990 --> 00:54:41,839

force somewhat similar

1600

00:54:46,230 --> 00:54:44,000

uh way more powerful and way more

1601
00:54:47,829 --> 00:54:46,240
calculating with a much more complex

1602
00:54:49,750 --> 00:54:47,839
and well-engineered script than the

1603
00:54:52,870 --> 00:54:49,760
nazis had

1604
00:54:54,470 --> 00:54:52,880
but similar in terms of the darkness of

1605
00:54:55,270 --> 00:54:54,480
that force and what they intended to

1606
00:54:57,349 --> 00:54:55,280
perpetrate

1607
00:54:58,710 --> 00:54:57,359
and the intervention is right up there

1608
00:55:01,030 --> 00:54:58,720
if not above that

1609
00:55:02,789 --> 00:55:01,040
probably is and so that people can't

1610
00:55:04,950 --> 00:55:02,799
basically see that

1611
00:55:07,030 --> 00:55:04,960
is a problem it's a problem in sight

1612
00:55:08,549 --> 00:55:07,040
actually and being able to see

1613
00:55:10,470 --> 00:55:08,559

that's not a problem of needing more

1614

00:55:13,349 --> 00:55:10,480

information or more disclosure

1615

00:55:14,710 --> 00:55:13,359

do the allies of humanity give some kind

1616

00:55:17,270 --> 00:55:14,720

of like

1617

00:55:18,789 --> 00:55:17,280

an event or something that that would be

1618

00:55:22,230 --> 00:55:18,799

happening at certain times

1619

00:55:24,470 --> 00:55:22,240

that would kind of help solidify that oh

1620

00:55:26,470 --> 00:55:24,480

this is more of the work of the hidden

1621

00:55:29,510 --> 00:55:26,480

hand you know i know

1622

00:55:30,309 --> 00:55:29,520

not necessarily predictions or time-wise

1623

00:55:33,430 --> 00:55:30,319

but do they

1624

00:55:35,510 --> 00:55:33,440

talk about general events the hidden

1625

00:55:39,190 --> 00:55:35,520

hand of the intervention

1626

00:55:41,270 --> 00:55:39,200

no do the allies talk about that correct

1627

00:55:42,870 --> 00:55:41,280

to say for example like something maybe

1628

00:55:44,150 --> 00:55:42,880

you know maybe they might not have what

1629

00:55:45,270 --> 00:55:44,160

they you know otherwise you would have

1630

00:55:45,910 --> 00:55:45,280

mentioned it but let's say they would

1631

00:55:47,670 --> 00:55:45,920

say

1632

00:55:49,190 --> 00:55:47,680

you know be wary of the government of

1633

00:55:51,670 --> 00:55:49,200

the sudden agreeing or

1634

00:55:52,390 --> 00:55:51,680

not not rejecting ufos that would be a

1635

00:55:54,870 --> 00:55:52,400

first sign

1636

00:55:56,630 --> 00:55:54,880

they have given some some benchmarks or

1637

00:55:57,990 --> 00:55:56,640

signs that we can follow to understand

1638

00:56:00,230 --> 00:55:58,000

where things are

1639

00:56:01,510 --> 00:56:00,240

um one thing is that they have said that

1640

00:56:03,430 --> 00:56:01,520

at some point

1641

00:56:05,030 --> 00:56:03,440

the intervention will put an individual

1642

00:56:07,109 --> 00:56:05,040

in the world who will claim to be the

1643

00:56:09,990 --> 00:56:07,119

returning messiah

1644

00:56:11,349 --> 00:56:10,000

and this individual will not be human

1645

00:56:12,870 --> 00:56:11,359

they will be a hybrid

1646

00:56:14,870 --> 00:56:12,880

and they will have the powers of the

1647

00:56:16,549 --> 00:56:14,880

visitors but they will look human

1648

00:56:18,789 --> 00:56:16,559

they'll have the power to influence

1649

00:56:22,309 --> 00:56:18,799

people's emotions to project

1650

00:56:25,430 --> 00:56:22,319

uh psychic images or visions for people

1651
00:56:28,230 --> 00:56:25,440
very polarizing and so they have warned

1652
00:56:31,270 --> 00:56:28,240
about the appearance of that individual

1653
00:56:32,630 --> 00:56:31,280
a jesus figure although i

1654
00:56:33,910 --> 00:56:32,640
i think it could happen in many

1655
00:56:35,270 --> 00:56:33,920
traditions i don't think it would just

1656
00:56:36,309 --> 00:56:35,280
be in the christian world if that

1657
00:56:38,710 --> 00:56:36,319
happens

1658
00:56:39,430 --> 00:56:38,720
um so the appearance of that person

1659
00:56:44,150 --> 00:56:39,440
claiming

1660
00:56:45,510 --> 00:56:44,160
that roland title would be one um

1661
00:56:47,910 --> 00:56:45,520
i'm trying to think if there are any

1662
00:56:52,549 --> 00:56:47,920
other specific

1663
00:56:54,230 --> 00:56:52,559

specific events that take place um

1664

00:56:56,549 --> 00:56:54,240

yeah i can't pull any off the top of my

1665

00:56:59,910 --> 00:56:58,950

oh another one i'll throw in actually is

1666

00:57:04,150 --> 00:56:59,920

that they have

1667

00:57:05,829 --> 00:57:04,160

they have said that um the united states

1668

00:57:07,270 --> 00:57:05,839

was initially the target of the

1669

00:57:08,230 --> 00:57:07,280

intervention being the most powerful

1670

00:57:11,430 --> 00:57:08,240

country in the world

1671

00:57:12,150 --> 00:57:11,440

clearly uh and yet in the end the united

1672

00:57:15,510 --> 00:57:12,160

states

1673

00:57:17,349 --> 00:57:15,520

ended up resisting the intervention and

1674

00:57:19,109 --> 00:57:17,359

i don't know what component of the

1675

00:57:20,230 --> 00:57:19,119

government did that i'm sure i've sensed

1676
00:57:23,349 --> 00:57:20,240
there were competing

1677
00:57:25,109 --> 00:57:23,359
components but the bulk response was was

1678
00:57:25,990 --> 00:57:25,119
repulsion of the intervention and

1679
00:57:29,910 --> 00:57:26,000
resistance to

1680
00:57:30,710 --> 00:57:29,920
it that is partly why movements arose in

1681
00:57:33,829 --> 00:57:30,720
the middle east

1682
00:57:37,270 --> 00:57:33,839
were stirred up to embroil this country

1683
00:57:39,270 --> 00:57:37,280
in conflict very costly conflict

1684
00:57:41,990 --> 00:57:39,280
to weaken this country financially

1685
00:57:45,589 --> 00:57:42,000
economically and morally in the world

1686
00:57:47,430 --> 00:57:45,599
so the the radicalization of people who

1687
00:57:49,430 --> 00:57:47,440
have religious beliefs

1688
00:57:50,549 --> 00:57:49,440

is one part of what the intervention

1689

00:57:52,150 --> 00:57:50,559

does

1690

00:57:53,670 --> 00:57:52,160

it's it's actually there are four

1691

00:57:54,390 --> 00:57:53,680

activities of the intervention one of

1692

00:57:57,030 --> 00:57:54,400

them

1693

00:57:58,789 --> 00:57:57,040

is tapping into our religious beliefs

1694

00:58:01,430 --> 00:57:58,799

and traditions

1695

00:58:03,190 --> 00:58:01,440

manipulating that either as a thing that

1696

00:58:04,470 --> 00:58:03,200

the intervention can receive or benefit

1697

00:58:07,430 --> 00:58:04,480

from meaning we are the

1698

00:58:08,630 --> 00:58:07,440

we are the savior or the messiah or we

1699

00:58:10,150 --> 00:58:08,640

are the brothers or the galactic

1700

00:58:12,710 --> 00:58:10,160

federation

1701

00:58:13,990 --> 00:58:12,720

or if that can't be if it can't be

1702

00:58:16,150 --> 00:58:14,000

turned in that way to just

1703

00:58:17,190 --> 00:58:16,160

turn up the dial on the extremism of

1704

00:58:19,430 --> 00:58:17,200

that tradition

1705

00:58:21,190 --> 00:58:19,440

and produce conflict that weakens the

1706

00:58:24,150 --> 00:58:21,200

world fractures the world

1707

00:58:26,470 --> 00:58:24,160

makes human institutions even more inept

1708

00:58:28,549 --> 00:58:26,480

in the face of what's going on

1709

00:58:29,670 --> 00:58:28,559

so i think the wars in the middle east

1710

00:58:31,910 --> 00:58:29,680

were a sign

1711

00:58:33,349 --> 00:58:31,920

of that occurring yeah i was just going

1712

00:58:35,589 --> 00:58:33,359

to ask so basically

1713

00:58:36,470 --> 00:58:35,599

what to roughly about 20 years ago is

1714

00:58:39,510 --> 00:58:36,480

when that

1715

00:58:42,789 --> 00:58:39,520

initial resistance happened then um

1716

00:58:44,710 --> 00:58:42,799

well if we go back to 911 on the wars

1717

00:58:47,510 --> 00:58:44,720

that would follow

1718

00:58:48,710 --> 00:58:47,520

you could say that um i can't personally

1719

00:58:51,910 --> 00:58:48,720

say when it started

1720

00:58:53,589 --> 00:58:51,920

where you know okay or if the us is not

1721

00:58:55,430 --> 00:58:53,599

currently collaborating with them

1722

00:58:56,710 --> 00:58:55,440

uh there are multiple collectives in the

1723

00:58:58,950 --> 00:58:56,720

world it's worth

1724

00:59:00,069 --> 00:58:58,960

noting this it's not just one

1725

00:59:02,309 --> 00:59:00,079

intervention

1726

00:59:04,150 --> 00:59:02,319

it's multiple collectives they they have

1727

00:59:05,829 --> 00:59:04,160

the same overall goal

1728

00:59:07,829 --> 00:59:05,839

they want what this world has and they

1729

00:59:10,549 --> 00:59:07,839

want us as the workforce

1730

00:59:12,069 --> 00:59:10,559

to get it for them but they represent

1731

00:59:14,230 --> 00:59:12,079

different networks

1732

00:59:15,910 --> 00:59:14,240

of worlds and so they are competing with

1733

00:59:17,750 --> 00:59:15,920

each other but the allies do say they

1734

00:59:17,990 --> 00:59:17,760

will collaborate at a certain point to

1735

00:59:21,510 --> 00:59:18,000

win

1736

00:59:23,510 --> 00:59:21,520

the race um but is that behind some of

1737

00:59:25,750 --> 00:59:23,520

the conflict we see

1738

00:59:27,190 --> 00:59:25,760

behind between the u.s and russia for

1739

00:59:30,230 --> 00:59:27,200

example or the u.s and china

1740

00:59:33,109 --> 00:59:30,240

possibly i don't know i guess

1741

00:59:35,190 --> 00:59:33,119

you know going back then to the very

1742

00:59:38,789 --> 00:59:35,200

very basic premise then

1743

00:59:40,549 --> 00:59:38,799

in a way um

1744

00:59:42,789 --> 00:59:40,559

how small that you initially mentioned

1745

00:59:46,150 --> 00:59:42,799

this this group to be because

1746

00:59:48,549 --> 00:59:46,160

if um i mean in in some way if if uh

1747

00:59:49,990 --> 00:59:48,559

the good guys let's say see this

1748

00:59:52,150 --> 00:59:50,000

wouldn't that be really

1749

00:59:53,750 --> 00:59:52,160

a lot easier if they would just

1750

00:59:55,910 --> 00:59:53,760

intervene but they would just

1751
00:59:58,069 --> 00:59:55,920
they what the whole premise is that they

1752
01:00:00,950 --> 00:59:58,079
don't want this conflict because of this

1753
01:00:02,789 --> 01:00:00,960
possible great war so first question how

1754
01:00:04,630 --> 01:00:02,799
large is the intervention

1755
01:00:06,230 --> 01:00:04,640
um i would put i would throw out a

1756
01:00:09,349 --> 01:00:06,240
number of thousands

1757
01:00:10,950 --> 01:00:09,359
initially um but the allies said i was

1758
01:00:12,950 --> 01:00:10,960
just reading it yesterday that

1759
01:00:14,710 --> 01:00:12,960
they year after year they bring more

1760
01:00:16,950 --> 01:00:14,720
they bring more supplies they've created

1761
01:00:19,750 --> 01:00:16,960
establishments on multiple

1762
01:00:20,549 --> 01:00:19,760
satellites and planets in our solar

1763
01:00:23,270 --> 01:00:20,559

system and

1764

01:00:25,270 --> 01:00:23,280

on the moon to observe and so their

1765

01:00:28,150 --> 01:00:25,280

their facilities and infrastructure has

1766

01:00:31,670 --> 01:00:28,160

grown over the last 50 60 years

1767

01:00:34,390 --> 01:00:31,680

the allies call it a dozen

1768

01:00:35,990 --> 01:00:34,400

okay these are whistleblowers all they

1769

01:00:39,349 --> 01:00:36,000

can do is alert

1770

01:00:40,789 --> 01:00:39,359

educate and encourage action we've got

1771

01:00:42,789 --> 01:00:40,799

seven billion people we've got all the

1772

01:00:45,589 --> 01:00:42,799

people we need to take action against

1773

01:00:47,109 --> 01:00:45,599

several thousand um but who would it be

1774

01:00:47,510 --> 01:00:47,119

i'm sorry to interrupt who would it be

1775

01:00:50,549 --> 01:00:47,520

then

1776

01:00:53,910 --> 01:00:50,559

uh since you said it's not

1777

01:00:56,150 --> 01:00:53,920

it's not permitted to take a

1778

01:00:57,030 --> 01:00:56,160

planet by force or take over a society

1779

01:01:00,150 --> 01:00:57,040

by force

1780

01:01:01,510 --> 01:01:00,160

who would for example um be to correct

1781

01:01:04,870 --> 01:01:01,520

that that's what i'm asking

1782

01:01:07,670 --> 01:01:04,880

so i mean good question so the allies

1783

01:01:08,470 --> 01:01:07,680

give a whole set of teachings about what

1784

01:01:10,150 --> 01:01:08,480

life is like

1785

01:01:12,789 --> 01:01:10,160

around us and that that's a whole thing

1786

01:01:16,069 --> 01:01:12,799

we could talk about for easily an hour

1787

01:01:18,470 --> 01:01:16,079

but in essence the universe

1788

01:01:20,630 --> 01:01:18,480

that we live in is highly inhabited this

1789

01:01:23,190 --> 01:01:20,640

this part of our galaxy

1790

01:01:25,109 --> 01:01:23,200

there are very long-standing agreements

1791

01:01:27,750 --> 01:01:25,119

surrounding trade

1792

01:01:29,829 --> 01:01:27,760

there are small there are many nations

1793

01:01:30,789 --> 01:01:29,839

that control maybe one or multiple solar

1794

01:01:33,030 --> 01:01:30,799

systems and some

1795

01:01:35,109 --> 01:01:33,040

small what you might call empires but

1796

01:01:35,829 --> 01:01:35,119

there's no galactic federation there's

1797

01:01:38,150 --> 01:01:35,839

no

1798

01:01:39,109 --> 01:01:38,160

true empire that controls swaths of the

1799

01:01:41,190 --> 01:01:39,119

galaxy

1800

01:01:43,670 --> 01:01:41,200

it's much more of a medieval landscape

1801
01:01:45,510 --> 01:01:43,680
in fact of little kingdoms

1802
01:01:47,270 --> 01:01:45,520
that more or less stay to themselves

1803
01:01:50,230 --> 01:01:47,280
trade and try to keep

1804
01:01:51,349 --> 01:01:50,240
you know the marauders out now marauders

1805
01:01:52,870 --> 01:01:51,359
not in terms of

1806
01:01:54,789 --> 01:01:52,880
you know those literally coming to

1807
01:01:57,109 --> 01:01:54,799
destroy it's more at the

1808
01:01:59,109 --> 01:01:57,119
economic marauders those who are coming

1809
01:02:01,109 --> 01:01:59,119
to weave themselves into your network to

1810
01:02:03,270 --> 01:02:01,119
make you dependent on them to influence

1811
01:02:06,710 --> 01:02:03,280
you to want what they have all of that

1812
01:02:08,069 --> 01:02:06,720
it's a very mature form of conflict

1813
01:02:11,670 --> 01:02:08,079

going on out there

1814

01:02:13,349 --> 01:02:11,680

but the universe we're in is is this

1815

01:02:15,029 --> 01:02:13,359

environment where there's a lot of life

1816

01:02:15,910 --> 01:02:15,039

there's a lot of interaction in trade

1817

01:02:18,950 --> 01:02:15,920

there are

1818

01:02:21,349 --> 01:02:18,960

there's no great empire or you know

1819

01:02:23,910 --> 01:02:21,359

force controlling everything what there

1820

01:02:26,950 --> 01:02:23,920

is though is there is an economic

1821

01:02:28,549 --> 01:02:26,960

council that controls trade and governs

1822

01:02:29,750 --> 01:02:28,559

how worlds interact for the sake of

1823

01:02:32,390 --> 01:02:29,760

stability

1824

01:02:33,990 --> 01:02:32,400

and they are the ones that preside in

1825

01:02:36,470 --> 01:02:34,000

this area in which we live they are the

1826

01:02:38,470 --> 01:02:36,480

ones who do not permit outright conquest

1827

01:02:41,430 --> 01:02:38,480

because it would destabilize

1828

01:02:43,349 --> 01:02:41,440

you know things uh they do not want war

1829

01:02:45,990 --> 01:02:43,359

they do not want destruction

1830

01:02:47,109 --> 01:02:46,000

and yet they also acknowledge that there

1831

01:02:48,870 --> 01:02:47,119

are there is a certain

1832

01:02:50,470 --> 01:02:48,880

amount of black market trade that must

1833

01:02:50,950 --> 01:02:50,480

go on to keep you know the wheels

1834

01:02:53,990 --> 01:02:50,960

turning

1835

01:02:54,710 --> 01:02:54,000

and so there's a lot that's ex that's

1836

01:02:59,430 --> 01:02:54,720

allowed

1837

01:03:01,430 --> 01:02:59,440

have outright war in conquest that

1838

01:03:03,910 --> 01:03:01,440

this this region of space in that we are

1839

01:03:05,510 --> 01:03:03,920

in has eclipsed that

1840

01:03:07,829 --> 01:03:05,520

who knows how many tens of thousands of

1841

01:03:09,670 --> 01:03:07,839

years ago this is what the allies say

1842

01:03:11,349 --> 01:03:09,680

and so we live in this tightly

1843

01:03:12,870 --> 01:03:11,359

controlled environment where there are

1844

01:03:15,990 --> 01:03:12,880

ways to gain access

1845

01:03:18,069 --> 01:03:16,000

to emerging worlds with rich resources

1846

01:03:19,190 --> 01:03:18,079

but you have to do it a certain way has

1847

01:03:21,910 --> 01:03:19,200

to be subtle

1848

01:03:23,029 --> 01:03:21,920

it has to be undertaken quietly and

1849

01:03:25,349 --> 01:03:23,039

secretly

1850

01:03:26,630 --> 01:03:25,359

the the the whole part of genetic

1851

01:03:28,549 --> 01:03:26,640

manipulation

1852

01:03:31,109 --> 01:03:28,559

is very real and is practiced pretty

1853

01:03:33,750 --> 01:03:31,119

widespread out there apparently

1854

01:03:35,109 --> 01:03:33,760

and is more or less allowed and accepted

1855

01:03:37,430 --> 01:03:35,119

and so the intervention is

1856

01:03:38,549 --> 01:03:37,440

is operating off an old playbook it's an

1857

01:03:41,109 --> 01:03:38,559

old playbook

1858

01:03:42,789 --> 01:03:41,119

it's like chevron going into venice the

1859

01:03:44,309 --> 01:03:42,799

venezuelan jungle and they want to take

1860

01:03:45,829 --> 01:03:44,319

the oil under the native's ground but

1861

01:03:47,190 --> 01:03:45,839

you have to do it a certain way right

1862

01:03:49,750 --> 01:03:47,200

you can't just move in

1863

01:03:51,670 --> 01:03:49,760

and destroy the environment and suck the

1864

01:03:54,069 --> 01:03:51,680

oil out and collapse the country

1865

01:03:55,910 --> 01:03:54,079

you got to do it a certain way and so

1866

01:03:59,750 --> 01:03:55,920

these collectives operate

1867

01:04:02,630 --> 01:03:59,760

along these very complex playbooks which

1868

01:04:04,549 --> 01:04:02,640

are not they're they're dark i mean it's

1869

01:04:06,630 --> 01:04:04,559

very very dark taking people against

1870

01:04:08,390 --> 01:04:06,640

their will

1871

01:04:09,910 --> 01:04:08,400

taking their you know their physical

1872

01:04:11,670 --> 01:04:09,920

body their organs selling

1873

01:04:13,750 --> 01:04:11,680

their bodies and parts of their bodies

1874

01:04:15,750 --> 01:04:13,760

and this is there's a real dark

1875

01:04:17,910 --> 01:04:15,760

underworld to what the intervention is

1876

01:04:21,430 --> 01:04:17,920

doing but in the greater community

1877

01:04:23,990 --> 01:04:21,440

in which we live it's quite common

1878

01:04:25,829 --> 01:04:24,000

uh i know this kind of blows up our our

1879

01:04:26,710 --> 01:04:25,839

hope that the universe was just way

1880

01:04:28,150 --> 01:04:26,720

better

1881

01:04:29,829 --> 01:04:28,160

than life here on earth and it was

1882

01:04:30,549 --> 01:04:29,839

spiritual and we're really low and it's

1883

01:04:33,430 --> 01:04:30,559

really high

1884

01:04:34,390 --> 01:04:33,440

and it's really not like that it's

1885

01:04:38,470 --> 01:04:34,400

nature out there

1886

01:04:40,789 --> 01:04:38,480

it's competition survival of the fittest

1887

01:04:42,630 --> 01:04:40,799

it's taken on a much more nuanced and

1888

01:04:45,670 --> 01:04:42,640

higher level

1889

01:04:48,150 --> 01:04:45,680

conflict has it's not you know brutal

1890

01:04:49,589 --> 01:04:48,160

and and destructive that's what we're

1891

01:04:51,109 --> 01:04:49,599

kind of brutal and destructive down here

1892

01:04:54,150 --> 01:04:51,119

and how we think

1893

01:04:56,390 --> 01:04:54,160

um some people say i've heard this so

1894

01:04:58,630 --> 01:04:56,400

many times over so many years well

1895

01:04:59,990 --> 01:04:58,640

if they wanted to destroy us and take

1896

01:05:00,390 --> 01:05:00,000

the world they would have already done

1897

01:05:02,230 --> 01:05:00,400

it

1898

01:05:04,230 --> 01:05:02,240

and they haven't so they must be here

1899

01:05:06,069 --> 01:05:04,240

for our good

1900

01:05:08,150 --> 01:05:06,079

that is projecting our human

1901

01:05:12,069 --> 01:05:08,160

understanding of conflict

1902

01:05:15,270 --> 01:05:12,079

and force out onto space

1903

01:05:18,309 --> 01:05:15,280

what i say to response to that is maybe

1904

01:05:21,190 --> 01:05:18,319

we are part of the resource they want

1905

01:05:22,870 --> 01:05:21,200

so destroying us and taking the world

1906

01:05:25,349 --> 01:05:22,880

that's not what they're after

1907

01:05:26,230 --> 01:05:25,359

they want us they want the biology of

1908

01:05:27,589 --> 01:05:26,240

the world

1909

01:05:30,069 --> 01:05:27,599

and they have to operate by a very

1910

01:05:32,789 --> 01:05:30,079

complex playbook to get it

1911

01:05:33,589 --> 01:05:32,799

that we don't understand and so but when

1912

01:05:35,670 --> 01:05:33,599

the allies

1913

01:05:37,029 --> 01:05:35,680

you know reveal that it's very helpful

1914

01:05:38,230 --> 01:05:37,039

it's very helpful to see that

1915

01:05:39,990 --> 01:05:38,240

perspective which

1916

01:05:43,029 --> 01:05:40,000

you know we could never have otherwise

1917

01:05:46,230 --> 01:05:43,039

so uh biology and um

1918

01:05:47,510 --> 01:05:46,240

sort of this kind of um

1919

01:05:50,549 --> 01:05:47,520

what was the other word i was going to

1920

01:05:53,029 --> 01:05:50,559

say genetic resources is that basically

1921

01:05:55,910 --> 01:05:53,039

like their version of our gold

1922

01:05:57,029 --> 01:05:55,920

yeah yeah exactly we think of resources

1923

01:05:59,990 --> 01:05:57,039

as minerals

1924

01:06:01,750 --> 01:06:00,000

and petroleum and you know for them it's

1925

01:06:04,069 --> 01:06:01,760

biology because the universe

1926
01:06:05,029 --> 01:06:04,079
is is an environment of largely barren

1927
01:06:07,349 --> 01:06:05,039
planets

1928
01:06:08,789 --> 01:06:07,359
there are very there are earth-like

1929
01:06:10,390 --> 01:06:08,799
worlds are rare

1930
01:06:12,630 --> 01:06:10,400
they are there are many but they are

1931
01:06:15,029 --> 01:06:12,640
rare and it is very rare for an

1932
01:06:16,870 --> 01:06:15,039
environment to naturally

1933
01:06:19,029 --> 01:06:16,880
allow or support the emergence of

1934
01:06:22,230 --> 01:06:19,039
complex life forms

1935
01:06:25,029 --> 01:06:22,240
and so often life is taken off those

1936
01:06:27,670 --> 01:06:25,039
planets and seeded elsewhere

1937
01:06:29,990 --> 01:06:27,680
often intelligence is seeded in races

1938
01:06:32,630 --> 01:06:30,000

early on in their development to hasten

1939

01:06:34,230 --> 01:06:32,640

the rise of their of their capabilities

1940

01:06:35,589 --> 01:06:34,240

that has happened to us

1941

01:06:38,069 --> 01:06:35,599

uh we are the recipients of

1942

01:06:41,029 --> 01:06:38,079

extraterrestrial um

1943

01:06:43,029 --> 01:06:41,039

genetics but that was long ago by a

1944

01:06:44,390 --> 01:06:43,039

whole other set of races who were not

1945

01:06:47,430 --> 01:06:44,400

here for the planet

1946

01:06:48,870 --> 01:06:47,440

and for us us at that time being a few

1947

01:06:50,710 --> 01:06:48,880

tribes in the jungle there were no

1948

01:06:52,630 --> 01:06:50,720

nations there was no trade

1949

01:06:54,150 --> 01:06:52,640

the intervention now is here for the

1950

01:06:55,910 --> 01:06:54,160

planet and they're here for us

1951

01:06:57,750 --> 01:06:55,920

and they're going to use what we have

1952

01:07:00,470 --> 01:06:57,760

developed which is trade

1953

01:07:01,670 --> 01:07:00,480

communications this whole globalized

1954

01:07:04,870 --> 01:07:01,680

world that we now have

1955

01:07:07,109 --> 01:07:04,880

to extract what they want and uh and

1956

01:07:09,029 --> 01:07:07,119

largely that is biology although it's

1957

01:07:10,549 --> 01:07:09,039

also it's also

1958

01:07:12,230 --> 01:07:10,559

things to do with you know mineral

1959

01:07:14,789 --> 01:07:12,240

deposits that are rare and

1960

01:07:16,630 --> 01:07:14,799

you know that can be bought and sold so

1961

01:07:19,750 --> 01:07:16,640

there's a big market out there

1962

01:07:23,109 --> 01:07:19,760

and earth has a lot of product and so

1963

01:07:23,430 --> 01:07:23,119

um we've been found uh the allies do say

1964

01:07:25,670 --> 01:07:23,440

that

1965

01:07:28,150 --> 01:07:25,680

we this this world and this solar system

1966

01:07:30,069 --> 01:07:28,160

is not largely known of

1967

01:07:32,630 --> 01:07:30,079

and that this it's actually been kept a

1968

01:07:34,789 --> 01:07:32,640

secret out there that this place exists

1969

01:07:36,549 --> 01:07:34,799

i'm sure because someone at some point

1970

01:07:38,789 --> 01:07:36,559

had designs

1971

01:07:40,309 --> 01:07:38,799

but an important thing to understand

1972

01:07:41,349 --> 01:07:40,319

that may not make sense initially you

1973

01:07:44,150 --> 01:07:41,359

know why wouldn't they just

1974

01:07:45,430 --> 01:07:44,160

come down here either get us out of the

1975

01:07:47,910 --> 01:07:45,440

way or you know

1976

01:07:49,270 --> 01:07:47,920

work with us but take what they want why

1977

01:07:50,390 --> 01:07:49,280

wouldn't they just extract what they

1978

01:07:52,549 --> 01:07:50,400

want from the jungles

1979

01:07:54,390 --> 01:07:52,559

and from the oceans and just and just

1980

01:07:56,549 --> 01:07:54,400

take it and go

1981

01:07:57,670 --> 01:07:56,559

part of it is that the scale of what

1982

01:08:00,069 --> 01:07:57,680

they want to take

1983

01:08:01,750 --> 01:08:00,079

is not just a couple plants you know

1984

01:08:03,349 --> 01:08:01,760

like that movie e.t you know coming to

1985

01:08:04,150 --> 01:08:03,359

the forest and taking a couple shrubs

1986

01:08:06,950 --> 01:08:04,160

home

1987

01:08:08,829 --> 01:08:06,960

they want a lot more than that uh second

1988

01:08:10,710 --> 01:08:08,839

we are part of the biology that they

1989

01:08:12,470 --> 01:08:10,720

want right

1990

01:08:14,630 --> 01:08:12,480

and so today there are seven billion of

1991

01:08:18,390 --> 01:08:14,640

us all the better

1992

01:08:20,630 --> 01:08:18,400

maybe and then um and lastly

1993

01:08:22,390 --> 01:08:20,640

they want what we've established this

1994

01:08:23,110 --> 01:08:22,400

network that we've established in the

1995

01:08:24,630 --> 01:08:23,120

world

1996

01:08:27,030 --> 01:08:24,640

they want to use that because they

1997

01:08:28,870 --> 01:08:27,040

themselves cannot live here

1998

01:08:30,630 --> 01:08:28,880

the biology of this world is both a

1999

01:08:33,829 --> 01:08:30,640

benefit but it's a double-edged

2000

01:08:36,550 --> 01:08:33,839

sword it's also it's also an environment

2001

01:08:38,070 --> 01:08:36,560

so complex with so many pathogens that

2002

01:08:40,390 --> 01:08:38,080

they cannot protect themselves

2003

01:08:42,070 --> 01:08:40,400

from all of those they need us we are

2004

01:08:45,110 --> 01:08:42,080

adapted they are not

2005

01:08:47,990 --> 01:08:45,120

so they cannot live here so

2006

01:08:50,070 --> 01:08:48,000

this world that we now have in 2021 this

2007

01:08:52,630 --> 01:08:50,080

globalized world is a key

2008

01:08:54,550 --> 01:08:52,640

part of what they're after and this did

2009

01:08:58,149 --> 01:08:54,560

not exist in 1950 or

2010

01:08:59,990 --> 01:08:58,159

1900 or in 1800 or in 1200

2011

01:09:01,349 --> 01:09:00,000

it's only existed in the last few

2012

01:09:04,070 --> 01:09:01,359

decades

2013

01:09:04,789 --> 01:09:04,080

and that i think was was like a linchpin

2014

01:09:07,829 --> 01:09:04,799

in their plan

2015

01:09:09,990 --> 01:09:07,839

they needed a whole world infrastructure

2016

01:09:12,390 --> 01:09:10,000

that they could tap

2017

01:09:13,030 --> 01:09:12,400

to get what they want from this place so

2018

01:09:18,630 --> 01:09:13,040

there's been

2019

01:09:21,510 --> 01:09:18,640

talk or more emergence especially

2020

01:09:25,030 --> 01:09:21,520

leading up to the

2021

01:09:28,229 --> 01:09:25,040

to the ufo report regarding um

2022

01:09:29,269 --> 01:09:28,239

alien invasion and so some are saying

2023

01:09:31,510 --> 01:09:29,279

that

2024

01:09:32,470 --> 01:09:31,520

the government will use the alien

2025

01:09:35,030 --> 01:09:32,480

invasion

2026

01:09:36,470 --> 01:09:35,040

as a kind of false flag event to say we

2027

01:09:39,349 --> 01:09:36,480

need more protection

2028

01:09:40,550 --> 01:09:39,359

and others say that no that's a you know

2029

01:09:43,269 --> 01:09:40,560

that's a valid

2030

01:09:44,070 --> 01:09:43,279

valid um uh premise of a government to

2031

01:09:45,990 --> 01:09:44,080

to have

2032

01:09:47,829 --> 01:09:46,000

uh word do you have any information

2033

01:09:49,749 --> 01:09:47,839

regarding that and which side of the

2034

01:09:52,870 --> 01:09:49,759

coin if i to kind of say that way would

2035

01:09:54,790 --> 01:09:52,880

the allies of humanity be on

2036

01:09:56,070 --> 01:09:54,800

uh well we know inside the allies would

2037

01:09:57,669 --> 01:09:56,080

be on um

2038

01:09:59,350 --> 01:09:57,679

you know they're here because the

2039

01:10:01,910 --> 01:09:59,360

intervention is here

2040

01:10:03,830 --> 01:10:01,920

what governments do the agendas and

2041

01:10:05,830 --> 01:10:03,840

conspiracies that they concoct

2042

01:10:08,149 --> 01:10:05,840

to benefit from this or to get

2043

01:10:10,390 --> 01:10:08,159

territorial acquisition or

2044

01:10:11,910 --> 01:10:10,400

you know to punish long-standing hatreds

2045

01:10:13,510 --> 01:10:11,920

and enemies i mean that's

2046

01:10:15,430 --> 01:10:13,520

that's our that's that's for us to

2047

01:10:18,390 --> 01:10:15,440

figure out um

2048

01:10:19,110 --> 01:10:18,400

i myself don't know quite where the

2049

01:10:22,390 --> 01:10:19,120

government

2050

01:10:25,030 --> 01:10:22,400

stands with the intervention i would

2051

01:10:27,830 --> 01:10:25,040

love for someone to reach out to me

2052

01:10:29,189 --> 01:10:27,840

things like that have happened uh in the

2053

01:10:32,950 --> 01:10:29,199

past for us

2054

01:10:34,390 --> 01:10:32,960

but not recently and so um

2055

01:10:36,070 --> 01:10:34,400

that would be good but it hasn't

2056

01:10:38,229 --> 01:10:36,080

happened so no one's no one's calling me

2057

01:10:40,149 --> 01:10:38,239

up to tell me where things stand

2058

01:10:43,590 --> 01:10:40,159

regarding collaboration or resistance on

2059

01:10:47,189 --> 01:10:45,669

i think i'm very wary when i see

2060

01:10:49,990 --> 01:10:47,199

disclosure

2061

01:10:52,229 --> 01:10:50,000

um because it looks it looks it's like

2062

01:10:55,350 --> 01:10:52,239

it's being meted out very carefully

2063

01:10:56,830 --> 01:10:55,360

and it's being put out and and shaped

2064

01:10:59,189 --> 01:10:56,840

into a narrative that can be

2065

01:11:01,189 --> 01:10:59,199

used and that's part of the tricky thing

2066

01:11:05,590 --> 01:11:01,199

about this adam this whole field

2067

01:11:07,590 --> 01:11:05,600

is that it is a hall of mirrors

2068

01:11:09,030 --> 01:11:07,600

stepping into this i mean there are

2069

01:11:11,590 --> 01:11:09,040

competing agendas

2070

01:11:12,790 --> 01:11:11,600

that have created the very conspiracy

2071

01:11:14,870 --> 01:11:12,800

against them

2072

01:11:17,110 --> 01:11:14,880

only so that they can control the

2073

01:11:19,669 --> 01:11:17,120

resistance to them

2074

01:11:21,750 --> 01:11:19,679

like the intervention has created some

2075

01:11:23,510 --> 01:11:21,760

of the conspiracies about

2076

01:11:25,270 --> 01:11:23,520

negative et's in the world and their

2077

01:11:25,990 --> 01:11:25,280

agenda and all of this simply so they

2078

01:11:27,830 --> 01:11:26,000

can control that

2079

01:11:30,310 --> 01:11:27,840

narrative keep it small keep it

2080

01:11:32,390 --> 01:11:30,320

irrelevant keep it weak

2081

01:11:35,669 --> 01:11:32,400

so it's a hall of mirrors and it's very

2082

01:11:37,350 --> 01:11:35,679

hard to know who's doing what

2083

01:11:38,870 --> 01:11:37,360

i don't know if the intervention will

2084

01:11:41,750 --> 01:11:38,880

take

2085

01:11:44,310 --> 01:11:41,760

the right-hand course of revealing

2086

01:11:47,270 --> 01:11:44,320

themselves more broadly

2087

01:11:49,350 --> 01:11:47,280

and publicly announcing that they're

2088

01:11:50,709 --> 01:11:49,360

here for our good and public like taking

2089

01:11:53,669 --> 01:11:50,719

that very public approach

2090

01:11:55,510 --> 01:11:53,679

and getting all eyes on them or if they

2091

01:11:58,229 --> 01:11:55,520

will stay subterranean

2092

01:11:59,830 --> 01:11:58,239

like a subcutaneous you know autoimmune

2093

01:12:01,510 --> 01:11:59,840

disease that you don't know you have but

2094

01:12:03,669 --> 01:12:01,520

you do

2095

01:12:05,910 --> 01:12:03,679

in which no one knows they're here

2096

01:12:09,030 --> 01:12:05,920

except the ones they want to know

2097

01:12:10,550 --> 01:12:09,040

and they stay it's very subterranean 20

2098

01:12:12,709 --> 01:12:10,560

years from now you walk down the street

2099

01:12:15,910 --> 01:12:12,719

it'll look just like this

2100

01:12:17,830 --> 01:12:15,920

you know but it won't feel like this and

2101
01:12:19,590 --> 01:12:17,840
quietly in back rooms it won't be

2102
01:12:21,350 --> 01:12:19,600
working like it was

2103
01:12:22,950 --> 01:12:21,360
will they go left will they go right my

2104
01:12:24,870 --> 01:12:22,960
sense is they'll go left

2105
01:12:26,470 --> 01:12:24,880
personally that this will stay

2106
01:12:28,229 --> 01:12:26,480
subterranean

2107
01:12:30,790 --> 01:12:28,239
and that's why part of what could be

2108
01:12:33,510 --> 01:12:30,800
done is to just tell more people

2109
01:12:34,550 --> 01:12:33,520
that contact is happening because that

2110
01:12:36,149 --> 01:12:34,560
right there

2111
01:12:37,669 --> 01:12:36,159
throws a wrench in the works of the

2112
01:12:41,270 --> 01:12:37,679
intervention

2113
01:12:44,229 --> 01:12:41,280

they want to i think acclimate us

2114

01:12:45,189 --> 01:12:44,239

very slowly you know as if you're in a

2115

01:12:48,390 --> 01:12:45,199

pot of water

2116

01:12:50,229 --> 01:12:48,400

that's lukewarm and then once a year it

2117

01:12:51,990 --> 01:12:50,239

goes up one degree and you you can't

2118

01:12:54,149 --> 01:12:52,000

even feel the change

2119

01:12:55,110 --> 01:12:54,159

it's just but it is going up and in the

2120

01:12:57,430 --> 01:12:55,120

end you will boil

2121

01:12:58,310 --> 01:12:57,440

right but you won't feel it until it's

2122

01:12:59,750 --> 01:12:58,320

too late

2123

01:13:01,750 --> 01:12:59,760

that's my sense is they're going to go

2124

01:13:03,430 --> 01:13:01,760

with that very incremental

2125

01:13:05,270 --> 01:13:03,440

approach to acclimate people to their

2126
01:13:06,470 --> 01:13:05,280
presence that's certainly what they've

2127
01:13:09,990 --> 01:13:06,480
been doing

2128
01:13:11,590 --> 01:13:10,000
and so to to go more hands-on

2129
01:13:13,910 --> 01:13:11,600
you know you use that that phrase a

2130
01:13:17,270 --> 01:13:13,920
little earlier uh and

2131
01:13:19,270 --> 01:13:17,280
and be more more of an advocate

2132
01:13:20,390 --> 01:13:19,280
i think would be very good and that

2133
01:13:23,510 --> 01:13:20,400
would be a wrench

2134
01:13:25,510 --> 01:13:23,520
for them in in their in their very in

2135
01:13:28,070 --> 01:13:25,520
their meticulously created

2136
01:13:28,790 --> 01:13:28,080
you know wheel the intervention the

2137
01:13:32,310 --> 01:13:28,800
allies say

2138
01:13:35,030 --> 01:13:32,320

um they do not think creatively okay

2139

01:13:35,910 --> 01:13:35,040

they are they do not even think as

2140

01:13:39,189 --> 01:13:35,920

individuals

2141

01:13:40,870 --> 01:13:39,199

this is a hive mind so when you do

2142

01:13:42,229 --> 01:13:40,880

things that they're not expecting or

2143

01:13:45,669 --> 01:13:42,239

they aren't in the playbook

2144

01:13:47,430 --> 01:13:45,679

they do not know how to respond

2145

01:13:49,750 --> 01:13:47,440

and so do things that aren't in the

2146

01:13:51,990 --> 01:13:49,760

playbook that's what i think

2147

01:13:53,750 --> 01:13:52,000

and they will not know how to respond

2148

01:13:56,390 --> 01:13:53,760

and uh we become

2149

01:13:56,950 --> 01:13:56,400

a more complex arrangement for them less

2150

01:14:00,149 --> 01:13:56,960

of a

2151
01:14:01,990 --> 01:14:00,159
you know a turn switch or a turnkey

2152
01:14:04,229 --> 01:14:02,000
solution for them

2153
01:14:05,350 --> 01:14:04,239
i think that's kind of where action

2154
01:14:08,070 --> 01:14:05,360
needs to go

2155
01:14:08,790 --> 01:14:08,080
so i hope i've asked enough questions

2156
01:14:11,590 --> 01:14:08,800
for those

2157
01:14:13,189 --> 01:14:11,600
that are curious about you know who what

2158
01:14:15,990 --> 01:14:13,199
when where

2159
01:14:17,510 --> 01:14:16,000
my next set of questions i hope uh that

2160
01:14:19,669 --> 01:14:17,520
we can maybe get into i know it's a

2161
01:14:22,310 --> 01:14:19,679
little bit later in the interview

2162
01:14:23,590 --> 01:14:22,320
but what is their point of view on the

2163
01:14:26,470 --> 01:14:23,600

general

2164

01:14:27,110 --> 01:14:26,480

human being and soul and spirit in in

2165

01:14:29,430 --> 01:14:27,120

general

2166

01:14:31,270 --> 01:14:29,440

um is there do you can you speak on that

2167

01:14:33,910 --> 01:14:31,280

you know kind of regarding um

2168

01:14:34,950 --> 01:14:33,920

you know because the belief is that we

2169

01:14:37,350 --> 01:14:34,960

are souls

2170

01:14:38,870 --> 01:14:37,360

that we are part of the one and that we

2171

01:14:39,910 --> 01:14:38,880

all have in our own individual

2172

01:14:41,990 --> 01:14:39,920

experiences

2173

01:14:43,270 --> 01:14:42,000

um can they have they spoken regarding

2174

01:14:45,510 --> 01:14:43,280

that at all they have

2175

01:14:47,350 --> 01:14:45,520

they have a lot and i mean this is where

2176

01:14:49,189 --> 01:14:47,360

the new message from god comes in which

2177

01:14:50,950 --> 01:14:49,199

is really the affirmation that we are

2178

01:14:53,189 --> 01:14:50,960

spiritual beings in the world

2179

01:14:54,870 --> 01:14:53,199

we were sent into this world at this

2180

01:14:58,310 --> 01:14:54,880

time to play a unique

2181

01:15:00,550 --> 01:14:58,320

part in securing you know this

2182

01:15:01,350 --> 01:15:00,560

learning opportunity for humanity making

2183

01:15:04,149 --> 01:15:01,360

this

2184

01:15:05,030 --> 01:15:04,159

world a place where souls can come to

2185

01:15:08,149 --> 01:15:05,040

realize

2186

01:15:09,910 --> 01:15:08,159

and reclaim what they know and slowly

2187

01:15:11,270 --> 01:15:09,920

over many lifetimes reunite with their

2188

01:15:15,590 --> 01:15:11,280

source

2189

01:15:17,910 --> 01:15:15,600

this is what the new message calls

2190

01:15:19,910 --> 01:15:17,920

greater community spirituality it's the

2191

01:15:23,270 --> 01:15:19,920

spirituality of the universe

2192

01:15:25,350 --> 01:15:23,280

all sentient beings share this it speaks

2193

01:15:27,189 --> 01:15:25,360

of the separation from god that created

2194

01:15:28,709 --> 01:15:27,199

the physical universe

2195

01:15:32,070 --> 01:15:28,719

the fact that we are all journeying

2196

01:15:34,229 --> 01:15:32,080

across lifetimes slowly reclaiming

2197

01:15:35,430 --> 01:15:34,239

god into ourselves and ending the

2198

01:15:37,990 --> 01:15:35,440

separation

2199

01:15:40,070 --> 01:15:38,000

within us and that this lifetime is an

2200

01:15:43,350 --> 01:15:40,080

opportunity to continue that process

2201

01:15:45,750 --> 01:15:43,360

as is every lifetime so um the

2202

01:15:48,229 --> 01:15:45,760

there is a very spiritual and divine

2203

01:15:50,470 --> 01:15:48,239

aspect to what the allies are doing

2204

01:15:52,470 --> 01:15:50,480

i mean they are literally souls who

2205

01:15:54,390 --> 01:15:52,480

responded to a calling

2206

01:15:56,870 --> 01:15:54,400

from knowledge the spiritual mind within

2207

01:15:59,669 --> 01:15:56,880

them to reach out to a young emerging

2208

01:16:02,790 --> 01:15:59,679

world to impart their wisdom

2209

01:16:05,430 --> 01:16:02,800

wisdom gained in very difficult way

2210

01:16:06,550 --> 01:16:05,440

because their own races had intervention

2211

01:16:08,390 --> 01:16:06,560

in their worlds

2212

01:16:09,910 --> 01:16:08,400

and for some of the allies they did not

2213

01:16:11,750 --> 01:16:09,920

resist that intervention

2214

01:16:13,510 --> 01:16:11,760

enough and their worlds were almost

2215

01:16:15,189 --> 01:16:13,520

completely lost

2216

01:16:17,110 --> 01:16:15,199

and they were only won back through

2217

01:16:18,950 --> 01:16:17,120

great struggle and great loss

2218

01:16:20,310 --> 01:16:18,960

so there's a lot of conviction that

2219

01:16:23,590 --> 01:16:20,320

they've been called upon

2220

01:16:26,229 --> 01:16:23,600

by a higher power to give to us

2221

01:16:26,790 --> 01:16:26,239

so there's a process of those who are

2222

01:16:28,630 --> 01:16:26,800

mature

2223

01:16:30,310 --> 01:16:28,640

those who have achieved something gain

2224

01:16:32,550 --> 01:16:30,320

something giving that

2225

01:16:33,669 --> 01:16:32,560

down to ones who are just emerging who

2226

01:16:35,350 --> 01:16:33,679

are young

2227

01:16:37,110 --> 01:16:35,360

and do not know what they're stepping

2228

01:16:38,630 --> 01:16:37,120

out into and that is

2229

01:16:40,149 --> 01:16:38,640

triggered at this deeper level of

2230

01:16:42,950 --> 01:16:40,159

knowledge

2231

01:16:44,149 --> 01:16:42,960

so there is a sole reality uh within

2232

01:16:48,390 --> 01:16:44,159

each of us the allies

2233

01:16:49,830 --> 01:16:48,400

honor that and recognize it in fact

2234

01:16:52,149 --> 01:16:49,840

they say that we are actually quite

2235

01:16:53,830 --> 01:16:52,159

spiritually rich as a race

2236

01:16:55,590 --> 01:16:53,840

you know we judge ourselves a lot down

2237

01:16:58,950 --> 01:16:55,600

here we think we're really low

2238

01:17:02,070 --> 01:16:58,960

and violent and you know not worthy of

2239

01:17:04,070 --> 01:17:02,080

of anything godly or beyond

2240

01:17:05,910 --> 01:17:04,080

or that we need you know someone else to

2241

01:17:08,790 --> 01:17:05,920

come here and redeem us

2242

01:17:10,550 --> 01:17:08,800

actually we're spiritually quite rich we

2243

01:17:12,229 --> 01:17:10,560

are a disorganized world of seven

2244

01:17:14,630 --> 01:17:12,239

billion warring peoples

2245

01:17:16,470 --> 01:17:14,640

nations tribes but that's slowly

2246

01:17:18,550 --> 01:17:16,480

changing we're slowly becoming you know

2247

01:17:21,990 --> 01:17:18,560

a world community

2248

01:17:23,910 --> 01:17:22,000

with values that we share and the allies

2249

01:17:25,350 --> 01:17:23,920

say that that's actually a gift that we

2250

01:17:27,110 --> 01:17:25,360

have that we could give out into the

2251

01:17:29,669 --> 01:17:27,120

greater community

2252

01:17:30,709 --> 01:17:29,679

that this human race has something to

2253

01:17:32,870 --> 01:17:30,719

offer

2254

01:17:33,750 --> 01:17:32,880

actually extraterrestrial life that's

2255

01:17:35,430 --> 01:17:33,760

out there but

2256

01:17:37,270 --> 01:17:35,440

to do that we need to survive the

2257

01:17:40,310 --> 01:17:37,280

process of first contact

2258

01:17:41,830 --> 01:17:40,320

so this intervention do they say that

2259

01:17:43,750 --> 01:17:41,840

they would also

2260

01:17:45,510 --> 01:17:43,760

obviously not to be outside of this

2261

01:17:49,030 --> 01:17:45,520

overall creation that they're also

2262

01:17:51,990 --> 01:17:49,040

souls doing their part too um

2263

01:17:54,790 --> 01:17:52,000

is that is that the case or is it are we

2264

01:17:57,910 --> 01:17:54,800

talking about more like um

2265

01:17:58,630 --> 01:17:57,920

a creation that's more like a.i doing

2266

01:18:00,630 --> 01:17:58,640

its thing

2267

01:18:02,630 --> 01:18:00,640

great great question well no the

2268

01:18:04,870 --> 01:18:02,640

intervention is composed

2269

01:18:05,990 --> 01:18:04,880

of of physical life forms physical

2270

01:18:08,470 --> 01:18:06,000

sentient beings

2271

01:18:09,270 --> 01:18:08,480

who also have knowledge who also have

2272

01:18:12,550 --> 01:18:09,280

the potential

2273

01:18:13,750 --> 01:18:12,560

to express this same force of redemption

2274

01:18:16,310 --> 01:18:13,760

or

2275

01:18:17,430 --> 01:18:16,320

spiritual nature whatever you'd like to

2276

01:18:20,630 --> 01:18:17,440

call it

2277

01:18:24,149 --> 01:18:20,640

however and unfortunately they come

2278

01:18:27,189 --> 01:18:24,159

they are part of worlds and and groups

2279

01:18:28,870 --> 01:18:27,199

in which their individual thinking

2280

01:18:31,750 --> 01:18:28,880

and cognitive abilities have been

2281

01:18:35,030 --> 01:18:31,760

genetically bred out of them

2282

01:18:37,270 --> 01:18:35,040

so they have lost their ability to think

2283

01:18:38,709 --> 01:18:37,280

individually they are part of a hive

2284

01:18:40,870 --> 01:18:38,719

consciousness

2285

01:18:42,149 --> 01:18:40,880

at least the collectives are those these

2286

01:18:44,229 --> 01:18:42,159

collectives that are you know

2287

01:18:47,910 --> 01:18:44,239

undertaking this intervention

2288

01:18:50,550 --> 01:18:47,920

so um the allies say um they do not

2289

01:18:52,709 --> 01:18:50,560

honor the soul in you they do not honor

2290

01:18:55,110 --> 01:18:52,719

the potential of you individually

2291

01:18:56,709 --> 01:18:55,120

they see you as a resource therefore

2292

01:18:59,030 --> 01:18:56,719

they need to be resisted

2293

01:19:00,950 --> 01:18:59,040

however they do not need to be hated

2294

01:19:03,669 --> 01:19:00,960

they are not evil

2295

01:19:04,070 --> 01:19:03,679

they are physical beings with the need

2296

01:19:06,630 --> 01:19:04,080

to

2297

01:19:08,709 --> 01:19:06,640

survive and claim resources i mean this

2298

01:19:11,910 --> 01:19:08,719

is nature taking place

2299

01:19:14,149 --> 01:19:11,920

but they are not they are not aware

2300

01:19:16,870 --> 01:19:14,159

of what is truly good they are

2301
01:19:18,470 --> 01:19:16,880
delusional about what they think is good

2302
01:19:19,910 --> 01:19:18,480
and they are doing damage they are

2303
01:19:23,430 --> 01:19:19,920
harming other beings

2304
01:19:25,750 --> 01:19:23,440
and so they must be resisted um but

2305
01:19:27,430 --> 01:19:25,760
the universe as the world is is full of

2306
01:19:29,590 --> 01:19:27,440
the good the bad the ugly i mean

2307
01:19:32,390 --> 01:19:29,600
everything right it's all out there

2308
01:19:34,310 --> 01:19:32,400
and but at its core the universe is a

2309
01:19:36,229 --> 01:19:34,320
place where redemption is meant to occur

2310
01:19:38,470 --> 01:19:36,239
that's actually the only reason the

2311
01:19:41,350 --> 01:19:38,480
universe physically exists is because

2312
01:19:42,470 --> 01:19:41,360
part of creation before time and space

2313
01:19:44,950 --> 01:19:42,480

existed

2314

01:19:46,550 --> 01:19:44,960

needed a place to be separate from the

2315

01:19:48,310 --> 01:19:46,560

creator of all life

2316

01:19:50,390 --> 01:19:48,320

and that gets into the theology of the

2317

01:19:52,070 --> 01:19:50,400

new message which is quite deep

2318

01:19:54,550 --> 01:19:52,080

uh there's a book greater community

2319

01:19:56,470 --> 01:19:54,560

spirituality which is free online

2320

01:19:59,430 --> 01:19:56,480

which i recommend reading if you want

2321

01:20:02,390 --> 01:19:59,440

that more that deep theological dive

2322

01:20:03,830 --> 01:20:02,400

regarding the universe but the allies

2323

01:20:05,510 --> 01:20:03,840

come in the spirit of that they're very

2324

01:20:08,950 --> 01:20:05,520

much a part of that

2325

01:20:10,310 --> 01:20:08,960

process of the good expressing itself in

2326

01:20:12,870 --> 01:20:10,320

a universe

2327

01:20:14,709 --> 01:20:12,880

where many are are not with the good

2328

01:20:15,990 --> 01:20:14,719

within themselves they're acting out of

2329

01:20:19,669 --> 01:20:16,000

other motives

2330

01:20:20,390 --> 01:20:19,679

and yet the good over time grows and it

2331

01:20:22,390 --> 01:20:20,400

grows

2332

01:20:24,310 --> 01:20:22,400

uh and at the scale of the universe

2333

01:20:26,390 --> 01:20:24,320

we're talking billions of years so

2334

01:20:27,590 --> 01:20:26,400

that's beyond my capability to even

2335

01:20:30,550 --> 01:20:27,600

imagine but

2336

01:20:31,990 --> 01:20:30,560

uh it is happening and the intervention

2337

01:20:34,390 --> 01:20:32,000

though it looks really negative

2338

01:20:36,149 --> 01:20:34,400

and i don't want people to take this as

2339

01:20:37,990 --> 01:20:36,159

a message of fear

2340

01:20:39,910 --> 01:20:38,000

because it's not this is a message of

2341

01:20:42,310 --> 01:20:39,920

destiny i mean we are

2342

01:20:44,550 --> 01:20:42,320

meant to emerge into a larger universe

2343

01:20:46,950 --> 01:20:44,560

we are eclipsing our isolation

2344

01:20:48,310 --> 01:20:46,960

that has been in place not fully but

2345

01:20:51,750 --> 01:20:48,320

almost completely

2346

01:20:53,030 --> 01:20:51,760

for hundreds of thousands of years as an

2347

01:20:55,550 --> 01:20:53,040

emerging species

2348

01:20:58,310 --> 01:20:55,560

we're making contact with the other

2349

01:21:00,310 --> 01:20:58,320

99.999 percent of what's out there

2350

01:21:03,669 --> 01:21:00,320

so this is this is destiny that this

2351

01:21:07,669 --> 01:21:03,679

happens it's just that the first steps

2352

01:21:10,149 --> 01:21:07,679

out are quite risky if we can get beyond

2353

01:21:11,430 --> 01:21:10,159

those first risky steps and repel this

2354

01:21:14,149 --> 01:21:11,440

intervention

2355

01:21:15,110 --> 01:21:14,159

unify our world sufficiently protect our

2356

01:21:17,510 --> 01:21:15,120

environment

2357

01:21:18,870 --> 01:21:17,520

secure our self-sufficiency the level of

2358

01:21:21,590 --> 01:21:18,880

resources

2359

01:21:23,910 --> 01:21:21,600

then we can be a free world we could

2360

01:21:25,910 --> 01:21:23,920

essentially be an ally of humanity to

2361

01:21:27,430 --> 01:21:25,920

another young race that is also in that

2362

01:21:30,950 --> 01:21:27,440

process of stepping out

2363

01:21:33,750 --> 01:21:30,960

would it um that almost kind of you know

2364

01:21:35,110 --> 01:21:33,760

makes me think of us for example you

2365

01:21:40,229 --> 01:21:35,120

know

2366

01:21:41,669 --> 01:21:40,239

food but it doesn't necessarily mean

2367

01:21:44,390 --> 01:21:41,679

that we are evil

2368

01:21:46,070 --> 01:21:44,400

you know um i've often said for myself i

2369

01:21:48,870 --> 01:21:46,080

can't speak for others that

2370

01:21:50,390 --> 01:21:48,880

you know um have the ability to but if i

2371

01:21:52,310 --> 01:21:50,400

had to go and and hunt

2372

01:21:54,629 --> 01:21:52,320

uh you know my own food i'll probably be

2373

01:21:56,229 --> 01:21:54,639

a vegetarian you know

2374

01:21:58,229 --> 01:21:56,239

because you know because it's the

2375

01:22:00,870 --> 01:21:58,239

process of you know going out

2376

01:22:01,430 --> 01:22:00,880

uh you know looking at the other being

2377

01:22:03,510 --> 01:22:01,440

and

2378

01:22:04,709 --> 01:22:03,520

killing it so that you can consume it

2379

01:22:07,270 --> 01:22:04,719

and so of course we

2380

01:22:09,350 --> 01:22:07,280

do it in this mass uh process you know

2381

01:22:11,830 --> 01:22:09,360

like slaughterhouses and whatnot but

2382

01:22:12,629 --> 01:22:11,840

and we all end up you know it ends up at

2383

01:22:14,709 --> 01:22:12,639

our table

2384

01:22:15,750 --> 01:22:14,719

but it doesn't mean that we're in

2385

01:22:17,830 --> 01:22:15,760

inherently evil

2386

01:22:18,870 --> 01:22:17,840

you know we're just you know that it's

2387

01:22:21,910 --> 01:22:18,880

our

2388

01:22:24,229 --> 01:22:21,920

kind of like blindfold to so that

2389

01:22:26,149 --> 01:22:24,239

because the urge to survive and live and

2390

01:22:29,030 --> 01:22:26,159

continue to live is stronger

2391

01:22:30,470 --> 01:22:29,040

than than empathy in some way with that

2392

01:22:32,010 --> 01:22:30,480

with that animal

2393

01:22:33,590 --> 01:22:32,020

because um um

2394

01:22:35,430 --> 01:22:33,600

[Music]

2395

01:22:37,189 --> 01:22:35,440

because a lot of us will look at look at

2396

01:22:39,350 --> 01:22:37,199

that i've i haven't

2397

01:22:40,550 --> 01:22:39,360

known anybody that would say oh yeah

2398

01:22:41,990 --> 01:22:40,560

let's just watch some videos of

2399

01:22:42,709 --> 01:22:42,000

slaughterhouses that would just be like

2400

01:22:44,550 --> 01:22:42,719

god that's all

2401

01:22:46,149 --> 01:22:44,560

horrible i don't want to watch this you

2402

01:22:48,629 --> 01:22:46,159

know and so

2403

01:22:50,390 --> 01:22:48,639

um would you say it's almost kind of

2404

01:22:51,990 --> 01:22:50,400

like a similar approach to that to that

2405

01:22:55,270 --> 01:22:52,000

intervention that they

2406

01:22:56,629 --> 01:22:55,280

they just they just like you know just

2407

01:22:58,790 --> 01:22:56,639

have this

2408

01:23:01,030 --> 01:22:58,800

i guess lack of emotions but then also

2409

01:23:02,790 --> 01:23:01,040

just this natural way to just keep on

2410

01:23:04,229 --> 01:23:02,800

living and surviving and doing whatever

2411

01:23:07,030 --> 01:23:04,239

you have to do to

2412

01:23:07,430 --> 01:23:07,040

to keep keep your existence going yeah

2413

01:23:10,070 --> 01:23:07,440

uh

2414

01:23:10,950 --> 01:23:10,080

well they are tr they are surviving um

2415

01:23:12,870 --> 01:23:10,960

there are

2416

01:23:15,430 --> 01:23:12,880

a couple things that differentiate this

2417

01:23:17,510 --> 01:23:15,440

from our consumption of animals

2418

01:23:18,870 --> 01:23:17,520

um the first is that we are sentient

2419

01:23:21,430 --> 01:23:18,880

beings

2420

01:23:23,110 --> 01:23:21,440

and you know it is inherently an

2421

01:23:25,430 --> 01:23:23,120

abomination

2422

01:23:26,310 --> 01:23:25,440

to kill a sentient being for their

2423

01:23:28,470 --> 01:23:26,320

resources

2424

01:23:29,350 --> 01:23:28,480

even if it's for your consumption i

2425

01:23:32,070 --> 01:23:29,360

think we all

2426

01:23:34,229 --> 01:23:32,080

kind of know that uh at a gut level you

2427

01:23:37,030 --> 01:23:34,239

know cannibalism is not a good thing

2428

01:23:38,629 --> 01:23:37,040

right can you please define centurion

2429

01:23:40,310 --> 01:23:38,639

before you move on i'm sorry i hate to

2430

01:23:43,110 --> 01:23:40,320

interrupt

2431

01:23:44,629 --> 01:23:43,120

me meaning kind of uh reason and thought

2432

01:23:46,550 --> 01:23:44,639

as opposed to what we

2433

01:23:48,310 --> 01:23:46,560

perceive in animals that they don't

2434

01:23:50,149 --> 01:23:48,320

necessarily have it on the same level as

2435

01:23:52,629 --> 01:23:50,159

we do is that what you do i would say

2436

01:23:55,270 --> 01:23:52,639

a capability an intellectual or

2437

01:23:55,910 --> 01:23:55,280

capability that allows a soul to inhabit

2438

01:23:58,709 --> 01:23:55,920

the body

2439

01:24:01,669 --> 01:23:58,719
and to express the soul's will in

2440

01:24:03,510 --> 01:24:01,679
separate in physical form

2441

01:24:05,110 --> 01:24:03,520
so yes i mean you could commonly call it

2442

01:24:08,149 --> 01:24:05,120
intelligent race

2443

01:24:10,790 --> 01:24:08,159
um but you know um

2444

01:24:11,669 --> 01:24:10,800
we are sentient so we we do possess a

2445

01:24:13,350 --> 01:24:11,679
soul that is

2446

01:24:16,229 --> 01:24:13,360
attempting to express itself through

2447

01:24:18,390 --> 01:24:16,239
this opportunity of life

2448

01:24:20,310 --> 01:24:18,400
and so the intervention is is killing

2449

01:24:22,709 --> 01:24:20,320
taking and killing and terminating those

2450

01:24:26,550 --> 01:24:22,719
people and taking away their opportunity

2451
01:24:28,950 --> 01:24:26,560
for life so that is inherently wrong

2452
01:24:30,709 --> 01:24:28,960
and also they're not consuming us for

2453
01:24:32,950 --> 01:24:30,719
their survival

2454
01:24:34,229 --> 01:24:32,960
they're they're taking us for their

2455
01:24:37,030 --> 01:24:34,239
benefit

2456
01:24:39,030 --> 01:24:37,040
their expansion and the fulfillment of

2457
01:24:39,750 --> 01:24:39,040
their ideals whatever those may be

2458
01:24:41,189 --> 01:24:39,760
whatever

2459
01:24:42,950 --> 01:24:41,199
whether it's you know expanding their

2460
01:24:44,629 --> 01:24:42,960
little their empire or

2461
01:24:46,629 --> 01:24:44,639
enriching their customers and their own

2462
01:24:50,950 --> 01:24:46,639
selves it's enrichment

2463
01:24:53,030 --> 01:24:50,960

and expansion it's not based survival

2464

01:24:54,149 --> 01:24:53,040

but yeah i get what you're asking and

2465

01:24:55,430 --> 01:24:54,159

and you know

2466

01:24:57,510 --> 01:24:55,440

you're making me cringe a little bit

2467

01:24:59,270 --> 01:24:57,520

thinking of slaughterhouses um

2468

01:25:00,790 --> 01:24:59,280

and it is you know it's it's it's a

2469

01:25:01,750 --> 01:25:00,800

question we all have to ask you know

2470

01:25:03,270 --> 01:25:01,760

which is

2471

01:25:06,229 --> 01:25:03,280

what what are we willing to do to

2472

01:25:08,070 --> 01:25:06,239

another creature

2473

01:25:09,910 --> 01:25:08,080

i think i'm pretty sure i'm pretty

2474

01:25:12,709 --> 01:25:09,920

certain i know what i can and cannot do

2475

01:25:14,950 --> 01:25:12,719

to another being

2476

01:25:16,070 --> 01:25:14,960

and but their value system is not our

2477

01:25:19,430 --> 01:25:16,080

value system

2478

01:25:22,470 --> 01:25:19,440

and they do not think of us as beings

2479

01:25:25,750 --> 01:25:22,480

with souls who deserve to live

2480

01:25:26,629 --> 01:25:25,760

we are critters on the ground to be used

2481

01:25:29,510 --> 01:25:26,639

and that

2482

01:25:30,709 --> 01:25:29,520

that is that is to be rejected i feel

2483

01:25:33,510 --> 01:25:30,719

for us

2484

01:25:34,709 --> 01:25:33,520

um as as i mean that if you if you allow

2485

01:25:38,070 --> 01:25:34,719

that

2486

01:25:39,830 --> 01:25:38,080

i mean you know good luck and

2487

01:25:41,350 --> 01:25:39,840

allying yourself to the intervention

2488

01:25:44,310 --> 01:25:41,360

well reid uh do you have any

2489

01:25:46,310 --> 01:25:44,320

uh concluding thoughts uh and uh then if

2490

01:25:48,229 --> 01:25:46,320

you could also please finish up with

2491

01:25:49,590 --> 01:25:48,239

with the different websites and more

2492

01:25:51,510 --> 01:25:49,600

information where people sure

2493

01:25:53,189 --> 01:25:51,520

well i was actually gonna say in the

2494

01:25:54,870 --> 01:25:53,199

very beginning you know about myself

2495

01:25:56,550 --> 01:25:54,880

because i didn't say all that much

2496

01:25:59,189 --> 01:25:56,560

you know in some ways i'm i'm very much

2497

01:26:01,990 --> 01:25:59,199

like many of of you out there

2498

01:26:03,830 --> 01:26:02,000

i am connected to the reality of life in

2499

01:26:05,830 --> 01:26:03,840

the universe and i know it

2500

01:26:07,750 --> 01:26:05,840

and it would be strange to be in the

2501
01:26:07,990 --> 01:26:07,760
world to not have that connection it

2502
01:26:11,189 --> 01:26:08,000
would

2503
01:26:13,750 --> 01:26:11,199
feel like i'm not me and so

2504
01:26:15,750 --> 01:26:13,760
you know i'm also seeking to find you

2505
01:26:17,030 --> 01:26:15,760
know what contact means for me and how

2506
01:26:18,790 --> 01:26:17,040
i'm connected to this

2507
01:26:20,470 --> 01:26:18,800
because i do feel like i was sent into

2508
01:26:21,270 --> 01:26:20,480
the world to be a part of this in some

2509
01:26:23,750 --> 01:26:21,280
way

2510
01:26:25,189 --> 01:26:23,760
and i think other people feel that and

2511
01:26:26,790 --> 01:26:25,199
it's hard to walk

2512
01:26:28,310 --> 01:26:26,800
walk around with that you know very

2513
01:26:30,390 --> 01:26:28,320

there's very little that affirms that

2514

01:26:33,910 --> 01:26:30,400

part of your deeper nature

2515

01:26:36,550 --> 01:26:33,920

um and so if if this has your name on it

2516

01:26:38,149 --> 01:26:36,560

this whole reality of contact humanity's

2517

01:26:40,550 --> 01:26:38,159

future in space

2518

01:26:41,590 --> 01:26:40,560

then stay with it because it's a part of

2519

01:26:45,110 --> 01:26:41,600

you

2520

01:26:47,510 --> 01:26:45,120

needs

2521

01:26:49,270 --> 01:26:47,520

this these few people these forerunners

2522

01:26:52,229 --> 01:26:49,280

to hold this reality

2523

01:26:52,950 --> 01:26:52,239

to learn what it means to respond to it

2524

01:26:54,629 --> 01:26:52,960

because

2525

01:26:56,709 --> 01:26:54,639

eventually all of humanity will be

2526

01:26:59,189 --> 01:26:56,719

responding to it and it'll be the

2527

01:27:00,870 --> 01:26:59,199

acknowledged and accepted norm but if

2528

01:27:01,750 --> 01:27:00,880

these few people in the beginning did

2529

01:27:03,430 --> 01:27:01,760

not see it

2530

01:27:05,030 --> 01:27:03,440

clearly and respond to the level of

2531

01:27:07,189 --> 01:27:05,040

knowledge within themselves

2532

01:27:08,390 --> 01:27:07,199

there may not be a norm there may not be

2533

01:27:10,790 --> 01:27:08,400

a humanity

2534

01:27:11,910 --> 01:27:10,800

believe it or not enslavement is a real

2535

01:27:14,870 --> 01:27:11,920

possibility

2536

01:27:16,550 --> 01:27:14,880

that's what the allies say so people who

2537

01:27:17,669 --> 01:27:16,560

feel this connection are very important

2538

01:27:20,229 --> 01:27:17,679

that's all i want to say

2539

01:27:21,990 --> 01:27:20,239

and i want to acknowledge them and

2540

01:27:24,870 --> 01:27:22,000

affirm that what they are knowing

2541

01:27:26,070 --> 01:27:24,880

is real and that the truth is there it's

2542

01:27:29,669 --> 01:27:26,080

in them

2543

01:27:31,750 --> 01:27:29,679

guide them to what they need to find

2544

01:27:33,669 --> 01:27:31,760

great thank you for that and uh yeah if

2545

01:27:35,350 --> 01:27:33,679

you could uh um of course i'm gonna have

2546

01:27:35,990 --> 01:27:35,360

it in the description below but if you

2547

01:27:38,629 --> 01:27:36,000

could please

2548

01:27:39,990 --> 01:27:38,639

uh go over your websites and the the

2549

01:27:41,590 --> 01:27:40,000

different information that you would

2550

01:27:41,990 --> 01:27:41,600

like people to see i would appreciate

2551
01:27:44,310 --> 01:27:42,000
that

2552
01:27:45,510 --> 01:27:44,320
okay yeah so the allies of humanity

2553
01:27:48,629 --> 01:27:45,520
briefings

2554
01:27:50,470 --> 01:27:48,639
are at allies of humanity.org there are

2555
01:27:52,390 --> 01:27:50,480
four sets of briefings

2556
01:27:54,070 --> 01:27:52,400
uh they're translated into numerous

2557
01:27:55,669 --> 01:27:54,080
languages they're all free online for

2558
01:27:58,830 --> 01:27:55,679
you to read and to download

2559
01:28:01,430 --> 01:27:58,840
so i encourage you to read the allies

2560
01:28:03,430 --> 01:28:01,440
briefings the new message from god

2561
01:28:06,550 --> 01:28:03,440
also received by my father marshall leon

2562
01:28:10,310 --> 01:28:06,560
summers is at new message.org

2563
01:28:12,550 --> 01:28:10,320

there are hundreds of revelations

2564

01:28:14,550 --> 01:28:12,560

up there for you to read that are part

2565

01:28:16,149 --> 01:28:14,560

of this whole picture that's unfolding

2566

01:28:18,550 --> 01:28:16,159

about the greater community

2567

01:28:20,310 --> 01:28:18,560

our emergence into it and how knowledge

2568

01:28:21,590 --> 01:28:20,320

that the knowledge we carry is connected

2569

01:28:23,750 --> 01:28:21,600

to that

2570

01:28:25,910 --> 01:28:23,760

and then lastly the human sovereignty

2571

01:28:28,229 --> 01:28:25,920

the declaration of human sovereignty

2572

01:28:30,149 --> 01:28:28,239

a document written by a group of

2573

01:28:32,070 --> 01:28:30,159

individuals some years ago

2574

01:28:34,229 --> 01:28:32,080

uh modeled on the united states

2575

01:28:37,430 --> 01:28:34,239

declaration of independence

2576

01:28:39,669 --> 01:28:37,440

is at humansoverity.org

2577

01:28:42,070 --> 01:28:39,679

print it put it on your wall put it on a

2578

01:28:44,149 --> 01:28:42,080

flyer on a bulletin board uh

2579

01:28:45,910 --> 01:28:44,159

help other people see the picture that's

2580

01:28:47,030 --> 01:28:45,920

unfolding before our eyes regarding

2581

01:28:50,229 --> 01:28:47,040

who's in our world

2582

01:28:52,550 --> 01:28:50,239

and what they're doing and why so

2583

01:28:53,350 --> 01:28:52,560

those are the resources and i also want

2584

01:28:55,350 --> 01:28:53,360

to just throw in

2585

01:28:57,030 --> 01:28:55,360

there's there's a community of people

2586

01:28:58,149 --> 01:28:57,040

worldwide who are responding to all of

2587

01:29:01,110 --> 01:28:58,159

this so

2588

01:29:02,550 --> 01:29:01,120

you know we're not alone in responding

2589

01:29:03,750 --> 01:29:02,560

to the allies briefings or the new

2590

01:29:05,270 --> 01:29:03,760

message

2591

01:29:06,629 --> 01:29:05,280

there's a whole community of people many

2592

01:29:07,270 --> 01:29:06,639

hundreds of people around the world

2593

01:29:10,310 --> 01:29:07,280

studying

2594

01:29:11,910 --> 01:29:10,320

sharing advocating and so there's a lot

2595

01:29:13,669 --> 01:29:11,920

to be a part of as well

2596

01:29:15,430 --> 01:29:13,679

well reid thank you very much for all

2597

01:29:17,750 --> 01:29:15,440

the information i appreciate you again

2598

01:29:20,550 --> 01:29:17,760

for taking the time to talk to me today

2599

01:29:21,189 --> 01:29:20,560

and um also thank everyone else for

2600

01:29:24,310 --> 01:29:21,199

watching
