00:01:02,880 --> 00:01:11,840
so

2
00:01:32,800 --> 00:01:40,240
foreign

3
00:01:40,240 --> 00:01:53,840
food

4
00:02:55,600 --> 00:03:03,840
so

5
00:03:08,880 --> 00:03:17,840
do

6
00:03:41,040 --> 00:03:47,040
hi everyone welcome to geofu hub live stream\h
today's guest is going to be cherie wilde so\h\h

7
00:03:47,040 --> 00:03:52,960
i'm very excited to talk to her today because i\h
guess for reasons that she will get into later she\h\h

8
00:03:52,960 --> 00:04:00,320
hasn't been doing any interviews lately so i'm\h
excited that she's back doing a lot better and\h\h

9
00:04:00,320 --> 00:04:06,640
you'll find out all the info later but first i\h
wanted to just cover a few things real quick um\h\h

10
00:04:06,640 --> 00:04:12,560
later on whenever that might be because we haven't\h
exactly set a time so i'm hoping to to be able to\h\h

11
00:04:12,560 --> 00:04:18,720
talk to sherry for quite a while but when we do\h
get into the q a you should be able to in the chat\h\h

12
00:04:18,720 --> 00:04:24,480
whether you're on facebook twitch or youtube\h
simply put three stars before your question\h\h

13
00:04:24,480 --> 00:04:30,160
and submit it so this way i know it's a question\h
for for sherry or if you would like to actually\h\h

14
00:04:30,160 --> 00:04:36,080
ask the question yourself download the telegram\h
app either in your phone or on the computer\h\h

15
00:04:36,880 --> 00:04:42,160
there's the the link in the description\h
for the ufo group you'll be able to join it\h\h

16
00:04:42,800 --> 00:04:47,840
and you'll see a voice chat going on right\h
now and once you join that you'll be able\h\h

17
00:04:47,840 --> 00:04:54,160
to just raise your hand and speak to sherry\h
once time so um i'm trying to see if there's\h\h

18
00:04:54,160 --> 00:05:02,000
anything else that i need to cover i think that's\h
that's pretty much it so let's actually get into

19
00:05:05,440 --> 00:05:12,560
there we go sherry welcome thanks for being on hi\h
i'm happy to be here as you know it's been a long\h\h

20
00:05:12,560 --> 00:05:19,280
time yes it has i'm i'm really glad you're here\h
and we're able to actually have this discussion so\h\h

21
00:05:20,160 --> 00:05:25,760
i figured what i what i wanted to do is just\h
basically let's uh just for someone that's\h\h

22
00:05:25,760 --> 00:05:30,640
that's new uh i know there's there's plenty of\h
interviews that you and i have done for ufo hub\h\h

23
00:05:30,640 --> 00:05:36,400
together and i urge everyone to to watch those\h
um but i just would like to to see if you can\h\h

24
00:05:36,400 --> 00:05:41,440
just for maybe five ten minutes just get into\h
your background and then i figured we'll take\h\h

25
00:05:41,440 --> 00:05:48,960
it from there with what's been happening to you\h
more more recently okay well okay my background\h\h

26
00:05:50,640 --> 00:05:56,800
i guess i got into this whole ufo stuff as\h
shocking as it is um surprising to me still\h\h

27
00:05:56,800 --> 00:06:09,520
i mean i'm still not used to it but i got\h
into it um back in 1987 88 when my town had\h\h

28
00:06:09,520 --> 00:06:17,200
a ufo flap a lot of activity of ufos and the\h
investigators came out of chicago and they\h\h

29
00:06:17,920 --> 00:06:23,200
eventually found me i found them\h
and they ended up investigating me\h\h

30
00:06:25,040 --> 00:06:33,440
for weird things that had happened in my life\h
missing time the classic symptoms of of a\h\h

31
00:06:33,440 --> 00:06:37,040
of an abductee is what they called us\h
back then and i guess they still do\h\h

32

00:06:38,000 --> 00:06:44,720

um so the center for ufo studies came\h
up and don schmidt got to be friends\h\h

33

00:06:44,720 --> 00:06:50,560

with him but he did the investigation of\h
my case and it just blew my life apart\h\h

34

00:06:52,320 --> 00:06:56,400

i mean you could that's it's all documented in the\h
book it's all documented in the other videos i did\h\h

35

00:06:56,400 --> 00:07:02,640

so i'm certainly not going to tell that story\h
again at least not now not here so move ahead\h\h

36

00:07:02,640 --> 00:07:09,120

and eventually much to my surprise i ended up\h
writing a book i was told i was going to write\h\h

37

00:07:09,120 --> 00:07:14,880

a book and i was told that the book was going to\h
be made into a movie and i didn't believe that but\h\h

38

00:07:16,480 --> 00:07:24,000

i did end up writing the book and dolores cannon\h
was the publisher and after it came out i started\h\h

39

00:07:24,000 --> 00:07:29,520

doing public speaking at events conferences\h
and that sort of thing which i really loved\h\h

40

00:07:29,520 --> 00:07:35,920

i loved meeting the people the other people\h
who were experiences or experiences themselves\h\h

41

00:07:36,640 --> 00:07:43,360

i loved hearing their stories and i liked it\h
was gratifying for me because i never wanted\h\h

42
00:07:43,360 --> 00:07:50,160
to go public with this and it cost me a lot to\h
do it but it was gratifying to know that i was\h\h

43
00:07:50,160 --> 00:07:56,080
helping a lot of people and that's the reward\h
that i got when i would get out and be amongst\h\h

44
00:07:56,080 --> 00:08:02,400
the the people who had interest in this and they\h
would share with me what it meant and i still\h\h

45
00:08:02,400 --> 00:08:09,600
get that through my um through my blog so it does\h
make it all worthwhile but um as soon as my book\h\h

46
00:08:10,560 --> 00:08:18,480
was published it was published in 2013. um the\h
minute that it came out even the minute i signed\h\h

47
00:08:18,480 --> 00:08:23,600
the contract it seems with doris i started\h
to have problems i didn't know it at the time\h\h

48
00:08:23,600 --> 00:08:33,360
took me a long time to realize what was going on\h
but i was poisoned and multiple times and i was

49
00:08:36,560 --> 00:08:44,000
they used emfs electromagnetic frequencies\h
on me directed energy weapons and implants\h\h

50
00:08:44,800 --> 00:08:48,160
in my my brain they use the voice of god

51
00:08:50,560 --> 00:08:54,960
so i i don't like the word attack i\h
just don't like to say i was attacked\h\h

52

00:08:55,840 --> 00:09:02,640

just i don't like that word let's just say that\h
they tried to stop me from talking they had\h\h

53

00:09:02,640 --> 00:09:10,080

warned me i remember there was one night when i\h
confronted they came here to my house if i'm ever\h\h

54

00:09:10,080 --> 00:09:15,200

strong enough to write a second book this will all\h
go in the second book but they came to my house\h\h

55

00:09:15,200 --> 00:09:25,040

one night to as they say finish me off and um i\h
mean i did have some protection around me which\h\h

56

00:09:25,040 --> 00:09:31,920

i'm grateful for that kept me alive when they were\h
here i asked the guy why are you doing this to me\h\h

57

00:09:33,120 --> 00:09:40,560

and he just said you were warned and i was i\h
was warned to never talk about the things i knew\h\h

58

00:09:41,200 --> 00:09:45,840

never speak of it and of course i i did i\h
didn't just speak about it i wrote a book\h\h

59

00:09:46,880 --> 00:09:51,600

and the books being made into a film so my\h
understanding is that's what they were afraid of\h\h

60

00:09:52,240 --> 00:09:57,680

apparently they also have the ability to\h
look down the road and look into the future\h\h

61

00:09:58,480 --> 00:10:06,720

and they saw all this happening because\h
of because of my little book and the film\h\h

62

00:10:06,720 --> 00:10:12,160

will reach a lot of people the book has already\h
reached more people than i could have ever known\h\h

63

00:10:12,160 --> 00:10:17,840

that it would and they didn't want that they don't\h
want people knowing the things that i had to say\h\h

64

00:10:19,760 --> 00:10:25,920

so they tried to kill me and the\h
poison has been pretty brutal\h\h

65

00:10:26,880 --> 00:10:32,960

and um did a lot of damage to me i don't\h
i'm trying to come back from it i'm

66

00:10:35,040 --> 00:10:40,000

doing um it took me a long time to find the\h
proper doctor there's really no doctor who could\h\h

67

00:10:40,000 --> 00:10:45,840

help me i'm doing the miracle um the medical\h
medical medium that's a medical medium\h\h

68

00:10:47,200 --> 00:10:55,680

heavy metal detox and his diet which is terrible\h
i mean it's it's very helpful it really is but um\h\h

69

00:10:57,200 --> 00:11:02,640

man is not meant to live on steamed potatoes\h
alone but i'm trying i ate steamed potatoes\h\h

70

00:11:02,640 --> 00:11:08,800

for almost every every meal wild blueberries and\h
that sort of thing so i'm clean it's super clean\h\h

71

00:11:08,800 --> 00:11:15,280

in your body is what it is and it's it's doing\h
everything to um reverse the effects of the poison\h\h

72

00:11:16,320 --> 00:11:19,600
um i've been on that for about\h
four or five months four months\h\h

73
00:11:20,720 --> 00:11:30,880
and i am seeing some results but right now i\h
have severe vertigo so i can't see very well\h\h

74
00:11:31,440 --> 00:11:36,000
i know there's a computer screen sitting in front\h
of me and i know that i have a window over there\h\h

75
00:11:36,000 --> 00:11:41,840
because i can see the light but i'm actually um\h
i'm not blind but i'm very very blurry vision\h\h

76
00:11:42,560 --> 00:11:47,840
and um it's hard for me to walk or stand\h
because i'm so dizzy all the time and nauseous

77
00:11:50,000 --> 00:11:56,320
so i'm praying and i'm hoping that i can get my\h
head cleared out so that i can write another book\h\h

78
00:11:56,880 --> 00:12:06,160
i want to write about what happened to me it's the\h
story that i told him in the forgotten promise is\h\h

79
00:12:07,760 --> 00:12:11,680
the story of being abducted and how\h
difficult it was to come to terms with that\h\h

80
00:12:13,120 --> 00:12:19,360
the story that will be in the next book if i\h
should be able to ever write it will be about how

81
00:12:21,760 --> 00:12:23,840
how things really are on this planet and how\h\h

82
00:12:25,760 --> 00:12:34,000

shocking it was to me to know that this sort of
thing could happen and it was a real wake-up call

83
00:12:35,520 --> 00:12:41,840
i mean it's still hard for me to believe my
little dog pookie who was my constant companion

84
00:12:42,880 --> 00:12:50,240
he went through it with me and he also he
didn't get poisoned but he got hit with the emfs

85
00:12:51,120 --> 00:12:59,520
and they that really took it out of him and
so i i lost him in march of this year and um

86
00:13:01,600 --> 00:13:06,400
i miss him a lot but he he was
my brave little soldier he um

87
00:13:06,400 --> 00:13:09,440
he stood by me through the whole thing so it um

88
00:13:12,160 --> 00:13:17,360
it's been hard to um have him not here but i'm i'm
not really well enough to take care of him anyway

89
00:13:18,400 --> 00:13:25,600
so that's what i've been up to um in a nutshell
well sherry i'm really sorry to hear that about

90
00:13:25,600 --> 00:13:31,680
about your dog i i know you and i we spoke um
several times and you you hadn't mentioned that to

91
00:13:31,680 --> 00:13:40,560
me at that time so it's i'm finding it out as well
right now but um um well what i wanted to i think

92
00:13:40,560 --> 00:13:45,360
you know i guess i'll rephrase it again because i

know i said that to you right before we started uh\h\h

93

00:13:45,360 --> 00:13:53,440

the stream you know i always want to already give\h
always want to give solutions and this uh this um\h\h

94

00:13:55,440 --> 00:14:00,400

this information that's of light you know to\h
people because i've been through the dark and\h\h

95

00:14:00,400 --> 00:14:06,320

so whatever however you come out you just want to\h
give the people the good stuff which in essence\h\h

96

00:14:06,320 --> 00:14:12,320

yes that you know that's what at the end that's\h
where it will end up but um some people are still\h\h

97

00:14:12,880 --> 00:14:16,880

struggling in this in this process\h
you know and we're talking about\h\h

98

00:14:16,880 --> 00:14:23,760

not just when it comes to contact with aliens but\h
different um things whether it would be personal\h\h

99

00:14:23,760 --> 00:14:28,240

things between family members or at work or\h
everywhere else all those struggles you know\h\h

100

00:14:28,240 --> 00:14:36,160

will eventually build to something for them to um\h
get out of and so so i often don't go backwards to\h\h

101

00:14:36,160 --> 00:14:41,760

to touch on those things but i've noticed that\h
people are not quite there yet you know because\h\h

102

00:14:41,760 --> 00:14:46,080

uh for me just to say to somebody everything's\h

gonna be all right uh they'll you know they\h\h

103

00:14:46,080 --> 00:14:50,400

would be like are you kidding me right now have\h
you seen how the world is like you know and so\h\h

104

00:14:50,400 --> 00:14:54,880

uh but they don't see it the way i've seen it\h
after what i've been through and you've been\h\h

105

00:14:54,880 --> 00:15:00,960

through and you know some others but i wanted to\h
ask you if we can then let's let's touch upon on\h\h

106

00:15:00,960 --> 00:15:06,480

these things that are considered to be negative\h
and dark and only then to show that you know\h\h

107

00:15:06,480 --> 00:15:15,120

we will come out out of this you know as things\h
progress um if you're okay in doing that well i am\h\h

108

00:15:15,120 --> 00:15:22,080

of course um i prefer also just like i don't like\h
to use the word attack i'm glad i'm glad you put\h\h

109

00:15:22,080 --> 00:15:27,360

that comment out there because i'd like to build\h
on that if you don't mind admin yeah sure go ahead\h\h

110

00:15:28,160 --> 00:15:34,000

because i would like to say um because because\h
it was kind of a kind of a downer what i said and\h\h

111

00:15:35,840 --> 00:15:41,520

this whole thing has been such a journey for me um\h
the whole experience of being on this planet has\h\h

112

00:15:41,520 --> 00:15:51,920

been such a gift and i have to include this the\h

last eight years of my life nine years i mean it's\h\h

113

00:15:51,920 --> 00:16:01,920

hard it's been incredibly hard i mean it's been\h
awful but there's a gift in everything and i have\h\h

114

00:16:01,920 --> 00:16:08,320

to go by what i know and what i always would say\h
at my lectures which is that you can't be a victim\h\h

115

00:16:09,360 --> 00:16:18,000

you know in this world the way that this is set\h
up well in this universe you you don't have things\h\h

116

00:16:18,000 --> 00:16:25,600

just happen to you randomly you choose what you\h
want to have as an experience and you you either\h\h

117

00:16:25,600 --> 00:16:31,760

attract it to yourself or you agree to it on some\h
level you are agreeing to everything that occurs\h\h

118

00:16:32,480 --> 00:16:38,560

and that has to be applied to my own experience\h
as well of having been poisoned and attacked so\h\h

119

00:16:40,160 --> 00:16:46,640

at first i was really pissed i was really mad\h
because i was loving the traveling and getting out\h\h

120

00:16:46,640 --> 00:16:55,600

and meeting people and promoting you know my whole\h
um theory or my whole um belief about how you\h\h

121

00:16:55,600 --> 00:17:02,800

can't be a victim in here it comes along that i\h
become like this ginormous victim and i was really\h\h

122

00:17:02,800 --> 00:17:07,280

pissed about i was constantly asking you know why\h

did this happen how could this happen where is my\h\h

123

00:17:07,280 --> 00:17:13,920

protection i would say where is my protection\h
and um i just couldn't believe it was happening\h\h

124

00:17:15,120 --> 00:17:20,720

when i calmed down enough to where i could hear\h
my guys speak to me or yeshua who speaks to me\h\h

125

00:17:21,680 --> 00:17:26,400

and it was him that came through finally i just\h
it was just a random thing the first time i\h\h

126

00:17:26,400 --> 00:17:32,160

started to get answers to why this was happening\h
i was on a plane i don't know where i was going\h\h

127

00:17:32,960 --> 00:17:39,200

and i was sitting in my seat waiting for takeoff\h
and i heard yeshua i felt him and i was aware of\h\h

128

00:17:39,200 --> 00:17:47,120

him being right there next to me and he said\h
you know you chose you this it's like damn\h\h

129

00:17:48,560 --> 00:17:53,840

yeah you know i had to say yes i know i\h
chose this i mean he had me there and um\h\h

130

00:17:55,280 --> 00:18:03,520

he said you wanted to experience this and i said\h
but why why would i want to experience this it\h\h

131

00:18:03,520 --> 00:18:09,920

just it ruins everything and it's it's just it's\h
so hard and i always enjoyed life and this is\h\h

132

00:18:10,560 --> 00:18:13,840

this has taken all the enjoyment out of it and um\h\h

133

00:18:14,800 --> 00:18:18,640

he said the strangest thing to me i\h
never could have made this up he said um

134

00:18:21,120 --> 00:18:27,920

because you knew and he the implication was as\h
a soul or on the level that i made the decision\h\h

135

00:18:27,920 --> 00:18:36,400

he said you knew that this experience would\h
color your soul in a way you could not get\h\h

136

00:18:37,120 --> 00:18:38,800

if you didn't go through this suffering

137

00:18:40,960 --> 00:18:47,760

and i thought about i just i mean\h
it has brought me comfort because\h\h

138

00:18:48,960 --> 00:18:54,000

i know what he's talking about i i'm a light\h
reader and i can read people's light i've seen\h\h

139

00:18:55,040 --> 00:19:00,400

i see people sometimes as their soul rather than\h
i don't see their body very well always and so\h\h

140

00:19:01,280 --> 00:19:06,240

looking at someone sometimes you do you\h
see their soul right i do anyway and\h\h

141

00:19:08,000 --> 00:19:15,440

different people have different colors in their\h
soul and um this i'm not sure if everybody has\h\h

142

00:19:15,440 --> 00:19:20,960

this or not but i know i always noticed it that\h
um it seemed the more awakened people the more\h\h

143

00:19:21,600 --> 00:19:24,960

um people who had a little further as\h
i like to say up the ladder of life\h\h

144

00:19:25,600 --> 00:19:34,800

um their souls had some just amazing color to\h
them just like crystals the colors you can't\h\h

145

00:19:34,800 --> 00:19:42,000

even you don't normally see in this world\h
and others were just like clear which is\h\h

146

00:19:42,000 --> 00:19:47,520

i guess i would have at one time said that\h
i thought just a clear soul um was probably\h\h

147

00:19:49,200 --> 00:19:55,200

one that was more advanced or evolved and then\h
there are souls that are they're kind of dark\h\h

148

00:19:55,200 --> 00:20:00,240

well then there are those on the planet\h
whose souls are either very dark or they\h\h

149

00:20:00,240 --> 00:20:06,240

abso there are a few people i could mention\h
that don't have a soul um so when he told me\h\h

150

00:20:06,240 --> 00:20:12,560

that i got it it resonated with me because i\h
i know that in my heart i know that to be true\h\h

151

00:20:13,680 --> 00:20:21,280

it's a little early the suffering is still\h
going on to some extent but not near as bad but\h\h

152

00:20:21,280 --> 00:20:25,600

even so i can look at what i've been\h
through and i can see the gift in it\h\h

153

00:20:26,560 --> 00:20:34,480

um i can absolutely see the gift in it so sherry\h
let's um if you don't mind uh let's then you know\h\h

154

00:20:34,480 --> 00:20:40,480

backtrack a little bit and then let's start\h
out with when you first started out your um\h\h

155

00:20:40,480 --> 00:20:47,200

i guess your your cleansing process and then um\h
i think um i don't know how far apart they are\h\h

156

00:20:47,200 --> 00:20:52,160

you know certain uh your visit to the hospital\h
and all these different things you wanted if\h\h

157

00:20:52,160 --> 00:20:57,600

you want to do to get into that and then you\h
know at least in this way we'll catch up on\h\h

158

00:20:58,240 --> 00:21:03,280

why you've been absent pretty much from\h
interviews you know in the several several\h\h

159

00:21:03,280 --> 00:21:10,640

months so we'll cover that and then you know get\h
into some more uh things later yeah the fun stuff\h\h

160

00:21:10,640 --> 00:21:19,440

yeah um so without dwelling on it too much i got\h
poisoned in um 14 it was through some some pills\h\h

161

00:21:19,440 --> 00:21:26,960

um it was lead poisoning i got i have mercury\h
poisoning too but i don't talk with lead and um

162

00:21:29,600 --> 00:21:34,160

i guess i just continually got worse and\h
worse went downhill i was trying to keep\h\h

163

00:21:34,160 --> 00:21:39,760

up with my schedule of commitments i had\h
made to speak at contact in the desert and\h\h

164

00:21:39,760 --> 00:21:42,960

i mean i just loved going out and doing\h
some of that stuff it was just so much\h\h

165

00:21:42,960 --> 00:21:47,680

fun doing it but i eventually ended up\h
canceling you know i got so sick i would\h\h

166

00:21:47,680 --> 00:21:53,360

drag myself to these conferences and do the best i\h
could but i ended up i went to one in canada that\h\h

167

00:21:54,000 --> 00:21:58,960

um i had no business being there at all\h
and i could barely get up on stage and\h\h

168

00:22:00,080 --> 00:22:05,920

you know energy comes into me i have the\h
support of my my guys and they would infuse\h\h

169

00:22:05,920 --> 00:22:11,840

me with energy and i would get up there and i'd\h
be able to do it but i finally had to just stop\h\h

170

00:22:12,720 --> 00:22:19,520

and it broke my heart but i just i i\h
just couldn't do it i just couldn't and i\h\h

171

00:22:19,520 --> 00:22:26,960

continued to go downhill so badly to where what\h
poison does to you is it makes you it makes you\h\h

172

00:22:26,960 --> 00:22:32,800

i mean it's a neurological it does neurological\h
damage my central nervous system the ems um\h\h

173

00:22:33,520 --> 00:22:38,400

you know it it suppressed my immune system\h
and suppressed my frequency where i could\h\h

174

00:22:38,400 --> 00:22:42,560

always have communication with da anytime ì\h
wanted to i could reach out to him i couldn't\h\h

175

00:22:42,560 --> 00:22:51,200

do that anymore i couldn't do that anymore\h
and so life got really it got pretty bad and\h\h

176

00:22:53,520 --> 00:23:03,600

i requested an exit in um i think it was january\h
or february of 2015. i didn't know what was wrong\h\h

177

00:23:03,600 --> 00:23:08,880

with me i just knew i was dying and there had\h
been a few times you know when i didn't think\h\h

178

00:23:08,880 --> 00:23:17,600

i was gonna live to see the morning and um so ì\h
requested an exit i went before the council um and\h\h

179

00:23:18,240 --> 00:23:23,600

i gave him my case and requested that i be allowed\h
to leave early from my mission and they granted it\h\h

180

00:23:23,600 --> 00:23:31,920

in september of 20 in september of 2015. it's\h
going to die of pancreatic cancer which i was\h\h

181

00:23:31,920 --> 00:23:37,440

sorry to hear that i thought i was going to go\h
out via a car accident i don't know why but um

182

00:23:40,160 --> 00:23:45,520

i know sooner i had that in place when\h
i got a message from amelia benz who is\h\h

183

00:23:45,520 --> 00:23:50,880

a spiritual teacher that i follow and she\h
requested that i come out to see her and i\h\h

184

00:23:51,920 --> 00:23:55,520

said no a few times because i was\h
so sick but jim encouraged me to go\h\h

185

00:23:57,200 --> 00:24:02,320

said you know you just you're here on the sofa\h
you know you can just get you to the plane get\h\h

186

00:24:02,320 --> 00:24:07,440

you on the plane in your seat you fly there she'll\h
pick you up at the airport you need to be just you\h\h

187

00:24:07,440 --> 00:24:16,240

need to go so i went out to see amelia and um i\h
think a lot of people know that story she shocked\h\h

188

00:24:16,240 --> 00:24:20,400

me when she looked at me first thing and said so\h
i understand you're planning to leave the planet\h\h

189

00:24:21,280 --> 00:24:24,160

and i was just dumbfounded the\h
only one who knew about it was jim

190

00:24:26,240 --> 00:24:32,480

so turns out she had heard from my guys they\h
couldn't reach me and so they had requested\h\h

191

00:24:32,480 --> 00:24:36,800

that she get a hold of me and asked me\h
if i would reach my mission my mission\h\h

192

00:24:37,840 --> 00:24:44,800

and i didn't care what they said i said no but\h
then she went on to give me a message from my soul\h\h

193

00:24:44,800 --> 00:24:52,640

family and then finally from mother earth all of them requesting that i stay and finish my mission

194

00:24:55,840 --> 00:25:09,680

so as sick as i was i agreed to stay so my departure was canceled and i stayed and i don't

195

00:25:09,680 --> 00:25:14,800

know why but i thought that i would just i thought i'd get better i should have made it part of the

196

00:25:14,800 --> 00:25:21,360

deal and i didn't think to do that i um i didn't cut a deal like that i just said i would stay

197

00:25:22,160 --> 00:25:28,640

and i just automatically assumed i would get some relief but i continued to get sicker it

198

00:25:28,640 --> 00:25:35,120

wasn't too long it was about three or four months after i got back from an alias that um i woke up

199

00:25:35,120 --> 00:25:44,000

one morning and i i knew i was dying i told jim to leave the house pookie was terribly sick too

200

00:25:44,720 --> 00:25:52,480

and i just figured we i'd you know the two of us would just go together and um i made him leave

201

00:25:54,560 --> 00:25:59,120

he didn't want to but he knew how i felt and he understood why i felt that way he'd been watching

202

00:25:59,120 --> 00:26:09,840

me deteriorate and um he ended up um after he left my my guardian my some a guy but i call him george

203

00:26:10,560 --> 00:26:16,480

he's my personal i don't know guide or something\h
i guess and he's got this big booming voice and\h\h

204

00:26:17,040 --> 00:26:24,000

he yelled at me um and wanted to know if i was\h
just gonna let myself lay there and die that's\h\h

205

00:26:24,000 --> 00:26:30,960

what it is and i was happy to do it i was so\h
looking forward to it but um he said you know\h\h

206

00:26:30,960 --> 00:26:35,040

he said something and he said aren't you even\h
interested to know what it is this thing that\h\h

207

00:26:35,600 --> 00:26:42,880

could kill you and um i said and i said it's hard\h
and i said it's heart failure and he didn't answer\h\h

208

00:26:42,880 --> 00:26:48,160

me and i said answer me i said it's heart failure\h
i'm in heart failure for some reason and um\h\h

209

00:26:49,600 --> 00:26:54,000

i started to be worried that i wasn't going to die\h
i started to be worried that i was just going to

210

00:26:56,240 --> 00:27:02,640

have a stroke or something and i would be you\h
know confined in a body but couldn't communicate\h\h

211

00:27:02,640 --> 00:27:07,440

couldn't move and i started to get scared about\h
that that i wouldn't quite make it all the way\h\h

212

00:27:07,440 --> 00:27:12,320

over you know cross the bridge so then i called\h
him and he came back he took me to the hospital\h\h

213

00:27:13,120 --> 00:27:16,880

and i told the doctor when they wheeled me in\h
there i said i know that it's gonna kill me and\h\h

214

00:27:16,880 --> 00:27:21,120

then i said that it's gonna kill me and then i\h
said don't you dare save me of course you thought\h\h

215

00:27:21,120 --> 00:27:26,880

it was nuts jim had already warned him that i was\h
crazy um but i really did want to just be let go\h\h

216

00:27:27,600 --> 00:27:31,280

even though i had told anything i'd stay\h
i thought i can't help but if my body dies\h\h

217

00:27:32,720 --> 00:27:37,280

but what they found was that i was not in heart\h
failure i was being poisoned so that's where the\h\h

218

00:27:37,280 --> 00:27:47,200

journey begins in earnest um my numbers my lead\h
my poison in my blood was off the charts they\h\h

219

00:27:47,200 --> 00:27:53,120

didn't know how i had survived or how i was\h
continuing to survive i was in the hospital\h\h

220

00:27:53,120 --> 00:27:56,800

for five days before they finally gave me a\h
treatment i think they were just waiting for me\h\h

221

00:27:56,800 --> 00:28:02,720

to die they didn't know what to do with me they'd\h
never seen anyone with that much poison in them

222

00:28:05,760 --> 00:28:16,560

so began chelation and i did what is that called\h
aetda whatever it is it's chemical chelation it's\h\h

223

00:28:16,560 --> 00:28:25,920

horribly hard on the body i did it for three\h
years i did it for um the rest of 2015 16 17\h\h

224

00:28:25,920 --> 00:28:35,120

and 18. for three years i went up to this place\h
that did chelation i did had it done sometimes\h\h

225

00:28:35,120 --> 00:28:40,480

two or three times a week terribly expensive\h
140 or 50 dollars each time you had it done\h\h

226

00:28:41,280 --> 00:28:49,120

and i didn't have a lot of money i because i had\h
been had all my assets taken from me um in 2010\h\h

227

00:28:50,160 --> 00:28:53,200

and i've gotten sick right\h
away so i wasn't able to um\h\h

228

00:28:54,640 --> 00:28:59,760

to work to replace them so but i managed the\h
money just showed up somewhere that's another\h\h

229

00:28:59,760 --> 00:29:08,080

part of the miracle i had some very one man in\h
particular who came into my life who supported me\h\h

230

00:29:08,720 --> 00:29:14,560

in my endeavor to try to get better and he was a\h
wonderful person and he helped me to pay for that

231

00:29:18,160 --> 00:29:20,480

when the chelation went\h
better and i didn't get better\h\h

232

00:29:22,240 --> 00:29:28,080

and i searched and searched and i was guided i've\h
always been guided things always have shown up and\h\h

233
00:29:28,080 --> 00:29:34,400
that would be in the book all the mirror there's\h
been a thousand miracles a thousand times that my\h\h

234
00:29:34,400 --> 00:29:39,680
guys their hands are all over their fingerprints\h
are all over somebody will call me who i haven't\h\h

235
00:29:39,680 --> 00:29:44,880
seen or talked to for 10 years you know and\h
they'll just happen to know what's going on\h\h

236
00:29:44,880 --> 00:29:50,160
with me and how to cure it and or how to fix it or\h
address it over and over again that would happen\h\h

237
00:29:51,440 --> 00:29:56,400
all these miracles just amazing\h
just amazing and i ended up

238
00:29:58,560 --> 00:30:04,400
at nvida a clinic down in scottsdale arizona\h
where they tested me for lyme disease\h\h

239
00:30:05,120 --> 00:30:11,360
and all kinds of other exotic things and\h
they declared that i had lyme disease

240
00:30:13,520 --> 00:30:17,440
and they said that they could fix\h
it for it would cost like seventy\h\h

241
00:30:17,440 --> 00:30:20,320
thousand for the treatment and twenty\h
thousand dollars for me to rent a place\h\h

242
00:30:20,320 --> 00:30:22,880
to stay down there for the three or\h
four months it would take to fix it

243

00:30:24,960 --> 00:30:26,720

and i couldn't do that

244

00:30:28,880 --> 00:30:35,440

but i wasn't meant to do it it was frustrating\h
to me i couldn't do it but i trust it i have\h\h

245

00:30:35,440 --> 00:30:41,280

a lot of trust i've learned to trust and i\h
just wasn't meant to go for that treatment

246

00:30:43,360 --> 00:30:50,400

i there were days where i just cried with the\h
frustration of it but then i would get myself\h\h

247

00:30:50,400 --> 00:30:53,600

back to center and i would go there's got\h
to be a reason why i'm not meant to do that

248

00:30:55,920 --> 00:31:03,840

i eventually did a line treatment here in\h
in wisconsin that was a lot less invasive\h\h

249

00:31:04,560 --> 00:31:11,280

turns out that the media clinic they're good\h
people they're wonderful but their treatment\h\h

250

00:31:11,280 --> 00:31:15,200

does not resonate with what i believe to\h
be the best thing to do for lyme treatment\h\h

251

00:31:16,080 --> 00:31:24,320

they use antibiotics and i ended up getting\h
treated for the lyme energetically locally here in\h\h

252

00:31:24,320 --> 00:31:30,960

wisconsin i came through that it just about killed\h
me just about killed jim watching me go through it\h\h

253

00:31:31,760 --> 00:31:38,240

i was unable to get out of bed i was unable\h
to move jim had to turn me roll me over\h\h

254

00:31:39,840 --> 00:31:48,080

a baby i could not dress myself i couldn't\h
feed myself i was just it was quite horrible\h\h

255

00:31:49,040 --> 00:31:58,000

um i came through that march of last year and\h
i was expecting when i got done with that that\h\h

256

00:31:58,000 --> 00:32:03,920

i would be all better but i wasn't again\h
something new the vertigo came in yeah it\h\h

257

00:32:03,920 --> 00:32:08,560

was march of this year because the vertical came\h
in the day that i was told i was free of lying\h\h

258

00:32:10,320 --> 00:32:15,040

i looked at this horrible\h
vertical and i was still weak\h\h

259

00:32:16,960 --> 00:32:23,120

and some wonderful people that i know got\h
a hold of me that very same day and said\h\h

260

00:32:23,120 --> 00:32:28,160

we are tired of watching you suffer\h
you need to get on the medical medium

261

00:32:31,120 --> 00:32:40,560

diet and the protocol for treating what you've got\h
going on and so i had nowhere else to turn and i\h\h

262

00:32:40,560 --> 00:32:44,800

know they've been beating me up trying to get me\h
to listen to them for some time about this which i\h\h

263

00:32:44,800 --> 00:32:50,800

wish i would have but i just like again i trust i\h
wasn't meant to so i've been on that protocol now\h\h

264

00:32:50,800 --> 00:32:56,240

for you know since i started reading the book in\h
march into march or so and i started the protocol\h\h

265

00:32:56,240 --> 00:33:04,800

in april and that onto a full force by the middle\h
of may and i'm hoping that that helps it's um

266

00:33:09,280 --> 00:33:14,880

there's nothing quite like you know losing\h
your sight losing your ability to walk i have\h\h

267

00:33:14,880 --> 00:33:22,240

a wheelchair here i haven't been using it for a\h
while now i've been well enough to leave the house\h\h

268

00:33:23,120 --> 00:33:29,600

i wasn't able to leave the house for a\h
long long time it's it's been tough um\h\h

269

00:33:31,440 --> 00:33:37,840

it's been very tough there's been other\h
things going on along with the sickness i\h\h

270

00:33:39,760 --> 00:33:45,840

had um pretty much all my all my close\h
friends and my family have all abandoned me\h\h

271

00:33:46,560 --> 00:33:49,280

and jim and i were talking about it one day and\h\h

272

00:33:50,320 --> 00:33:54,800

da did come through i was able to hear\h
him then because he just he yelled at me\h\h

273

00:33:54,800 --> 00:34:00,160

and he said sherry don't you understand you're\h
being isolated what did you think that business\h\h

274

00:34:02,000 --> 00:34:08,320

with your sister was all about which my sister\h
surprisingly was one of those who also left me so\h\h

275

00:34:08,960 --> 00:34:18,080

having been sick was bad enough but being isolated\h
having family and friends disappear was tough\h\h

276

00:34:19,600 --> 00:34:26,000

i don't know who did the isolating or why a part\h
of me believes it could have been done by my guys\h\h

277

00:34:27,440 --> 00:34:33,840

i asked doc and i couldn't get an answer from\h
him but i believe that it was done possibly

278

00:34:36,240 --> 00:34:37,040

for their benefit

279

00:34:40,000 --> 00:34:46,080

the man that i mentioned who helped me\h
out financially and another man who did\h\h

280

00:34:47,440 --> 00:34:53,520

wonderful healing protocols on me\h
and was like my family they both\h\h

281

00:34:54,160 --> 00:35:02,240

died suddenly tragically on a friday afternoon\h
while alone at their home with a heart attack\h\h

282

00:35:03,040 --> 00:35:09,520

and i have my own theories about what might\h
have happened there so i think possibly\h\h

283

00:35:11,200 --> 00:35:17,840

people close to me were shielded i have there's\h

they're coming back now into my life slowly\h\h

284

00:35:18,640 --> 00:35:26,240

those people are showing up and i've asked\h
a couple of them you know where did you go\h\h

285

00:35:26,240 --> 00:35:32,960

what happened and they weren't aware the one the\h
one was aware she said she said i don't know she\h\h

286

00:35:32,960 --> 00:35:38,720

said it's like the whole memory of you disappeared\h
from me until tonight she called me one night\h\h

287

00:35:38,720 --> 00:35:43,200

late and she and she apologized for\h
having disappeared she thought it\h\h

288

00:35:43,200 --> 00:35:47,840

was for a year and i said no it's been two\h
years and she said and i said just out of\h\h

289

00:35:47,840 --> 00:35:52,880

curiosity because this has happened with\h
everybody mama all but just a few people\h\h

290

00:35:53,760 --> 00:35:59,840

and she said honestly sherry it's i just like i\h
just forgot you she said i don't know how that\h\h

291

00:35:59,840 --> 00:36:04,800

could happen i just forgot you and she said until\h
tonight i was at a gathering and somebody talked\h\h

292

00:36:04,800 --> 00:36:09,280

about your book and then someone turned to me and\h
said don't you know her personally and she said\h\h

293

00:36:09,920 --> 00:36:14,080

and it was like i got slapped and all of a sudden\h

i was like oh my god she said so i left the party\h\h

294

00:36:14,080 --> 00:36:19,120

and and came home to call you because\h

i i was so upset by it i watched it\h\h

295

00:36:20,400 --> 00:36:26,800

oh go ahead no i said that's interesting that\h

you know it's it's yeah for that to happen just\h\h

296

00:36:26,800 --> 00:36:32,080

to forget about you although you've been\h

friends exactly and it happened another\h\h

297

00:36:32,080 --> 00:36:37,280

woman i talked to she doesn't even know yet to\h

this day i told her about the isolation because\h\h

298

00:36:37,280 --> 00:36:41,920

she was one of them who disappeared and she said\h

she said you know that she didn't she didn't\h\h

299

00:36:41,920 --> 00:36:47,680

realize that she had been gone from my life also\h

she just had no clue and i didn't say anything\h\h

300

00:36:47,680 --> 00:36:54,720

and so i think that's going to be the case of most\h

of the people but it's just very strange but that\h\h

301

00:36:54,720 --> 00:37:00,320

you know that was a tough part of it too to be\h

sick and and um kind of be you know i had jim\h\h

302

00:37:00,880 --> 00:37:06,640

and he and i had um the people working on\h

the film who are just wonderful wonderful\h\h

303

00:37:07,520 --> 00:37:12,800

people and they support me so much and they\h

were my lifeline to the outside world because\h\h

304

00:37:12,800 --> 00:37:21,840

i didn't have anyone else and um so it's just\h
it's been a but i i mean i've learned things

305

00:37:24,240 --> 00:37:29,520

i've learned things from from this whole\h
experience this whole journey into this darkness\h\h

306

00:37:29,520 --> 00:37:36,160

it was like into a dark tunnel and um you know you\h
learn you just learn it's just it's just been the\h\h

307

00:37:36,160 --> 00:37:40,640

most amazing experience and i guess i wouldn't\h
wouldn't know how to put it into words right now\h\h

308

00:37:41,600 --> 00:37:47,680

and then if i get that book written um it\h
will be in there but i would just say that\h\h

309

00:37:48,640 --> 00:37:55,120

thank god for jim you know this i've told\h
the story not a lot but about how i was\h\h

310

00:37:55,120 --> 00:38:01,440

forced into that relationship they had me i\h
was in a relationship with a guy from arizona\h\h

311

00:38:01,440 --> 00:38:06,560

and we just got up one morning and parted\h
ways which i never did understand why that\h\h

312

00:38:06,560 --> 00:38:11,840

happened and it was just kind of bizarre\h
and um but we parted as friends and

313

00:38:14,800 --> 00:38:19,920

looking back now i see why that happened as it\h

everything in my life has a reason and that's\h\h

314

00:38:19,920 --> 00:38:25,120

why i do trust so much because my guys know\h
what they're doing i came back to wisconsin\h\h

315

00:38:25,120 --> 00:38:30,560

and they forced me to go to this thing they just\h
bullied me into going with my girlfriend to this\h\h

316

00:38:30,560 --> 00:38:36,000

to this place um fourth of july\h
dance and where i met jim and um\h\h

317

00:38:37,280 --> 00:38:41,360

he was the one to take care of me not that\h
the other guy wouldn't ever couldn't have but\h\h

318

00:38:42,640 --> 00:38:49,840

he is just he's been through hell with\h
me and i don't know how he did it but he\h\h

319

00:38:49,840 --> 00:38:58,080

he kept me here there were three times when one\h
time in particular and he's talked me down off\h\h

320

00:38:58,080 --> 00:39:04,400

the ledge you know when the suffering was so bad\h
i just i couldn't face another day but he has\h\h

321

00:39:05,600 --> 00:39:11,840

unreal with his patience and his kindness and he\h
strikes just the right balance with me where he\h\h

322

00:39:11,840 --> 00:39:18,240

doesn't baby me um just he's just an incredible\h
he was he's just an incredible human being and\h\h

323

00:39:18,800 --> 00:39:26,640

they don't touch him and i wondered why and\h

it's because he's his star family is draco\h\h

324

00:39:27,600 --> 00:39:34,640

he has had three incarnations now this is his\h
third incarnation um but he came from the draco\h\h

325

00:39:35,200 --> 00:39:41,760

family and uh because of that they honor that\h
and we also you know i mean we've had the draco\h\h

326

00:39:41,760 --> 00:39:48,880

here and he's been with them and i've been with\h
them i've had them here a lot and the ones that\h\h

327

00:39:48,880 --> 00:39:54,720

have been here i do not believe we're the ones\h
who attack me i i just don't believe that i\h\h

328

00:39:55,520 --> 00:39:59,760

i sense i feel in my heart that um\h
it's because of their alliance with him\h\h

329

00:40:00,640 --> 00:40:07,520

so it's been interesting i mean i just i hope\h
i can somehow get it out in to a book someday\h\h

330

00:40:07,520 --> 00:40:11,760

or that it will come out as part of the\h
film maybe a second season or something

331

00:40:14,800 --> 00:40:18,880

yeah but i wanted to ask so now that\h
you're that you're feeling better\h\h

332

00:40:18,880 --> 00:40:22,960

was there any did you reestablish\h
connection with da and you've and\h\h

333

00:40:22,960 --> 00:40:26,880

and your id friends or was there\h

any more happening on that and two\h\h

334

00:40:28,240 --> 00:40:34,800

well they've you know they've been coming in three\h
three times as i know they came in to um well but\h\h

335

00:40:34,800 --> 00:40:40,480

it wasn't that but they came into what they could\h
do called clean my brain clean the poisons out\h\h

336

00:40:40,480 --> 00:40:45,680

of my brain they've done that three times but i\h
don't you know what i think the last time i had\h\h

337

00:40:45,680 --> 00:40:54,240

communication with da was before the 2016 election\h
right before that i my sense of it is is that

338

00:40:56,640 --> 00:41:08,560

well wait a minute no that's not true um that's\h
right in 2019 in 2019 there was a period of time\h\h

339

00:41:10,320 --> 00:41:17,840

before um i went into the yeah in 2019 they told\h
me to go to arizona for the winter and i said i\h\h

340

00:41:17,840 --> 00:41:24,080

can't go to arizona for the winter i'm too sick\h
and it wasn't da but it was aurora i think or i\h\h

341

00:41:24,080 --> 00:41:31,760

don't know it's one of the women one of the hybrid\h
women and she told me that i had to go to arizona\h\h

342

00:41:32,640 --> 00:41:37,440

for the winter and i said i can't too sick and i\h
can't afford it you know i i gotta stay here in\h\h

343

00:41:37,440 --> 00:41:42,880

case i can make some money i was still trying to\h

operate my real estate business through being sick\h\h

344

00:41:42,880 --> 00:41:51,680

that was fun um but they you know then they they\h
did that that thing that i talked about it that\h\h

345

00:41:51,680 --> 00:41:55,920

little conference that you had i was able to\h
make it to that it was really sick i know but i\h\h

346

00:41:55,920 --> 00:42:00,880

i wanted to do that for you i had them and i\h
was happy to do it um and i told a story about\h\h

347

00:42:00,880 --> 00:42:08,640

the video poker at the casino you know how they\h
showed me i was gonna win and i did win um forty\h\h

348

00:42:08,640 --> 00:42:13,760

nine thousand dollars that day and then a total of\h
sixty three thousand if we added it all up when i\h\h

349

00:42:13,760 --> 00:42:18,960

won at the casino and um they wanted to know if\h
that was enough for me to go to arizona for the\h\h

350

00:42:18,960 --> 00:42:26,560

winter and i said hell yeah um i'm like is that\h
what that was all about and um they said yes so i\h\h

351

00:42:26,560 --> 00:42:32,240

went to arizona it was da who requested originally\h
that i go to arizona but then it was this woman\h\h

352

00:42:32,240 --> 00:42:37,280

who came back in and said we see you haven't made\h
any plans to go to arizona and that's when i said\h\h

353

00:42:37,280 --> 00:42:43,600

well geez i wonder why you know we have this thing\h

on the planet called money and i don't have any of\h\h

354

00:42:43,600 --> 00:42:48,640

it and you need to help me if you want me to go\h
to arizona i'd love to go if i can get my body\h\h

355

00:42:48,640 --> 00:42:56,160

down there i'd rather be there than in wisconsin\h
for the winter and um so they did they loaded me\h\h

356

00:42:56,160 --> 00:43:01,680

up with that sixty three thousand dollars and\h
i went to arizona um while i was down there

357

00:43:04,000 --> 00:43:07,200

i was supposed to i had to be there by\h
myself they wanted me there by myself\h\h

358

00:43:08,240 --> 00:43:14,320

and so i took pookie and jim came back to\h
wisconsin because he had a job at that time\h\h

359

00:43:15,040 --> 00:43:20,240

and um so i spent two or three months\h
down there i think three months

360

00:43:22,560 --> 00:43:33,200

while i was down there this part's really strange\h
took me a while before i i couldn't believe that\h\h

361

00:43:33,200 --> 00:43:37,680

this was happening but i was at night i was doing\h
what i had heard other people talk about doing\h\h

362

00:43:37,680 --> 00:43:42,720

which i wasn't sure if i believed it or not they\h
talked about going out on the astral plane the\h\h

363

00:43:42,720 --> 00:43:48,960

boy leaving their body and um going out and like\h

doing battle which i always thought that's kind of\h\h

364

00:43:50,320 --> 00:43:52,480

i didn't know if i believe\h

i wasn't sure i believed it

365

00:43:55,120 --> 00:44:00,880

you know the part about doing battle and then here\h

i am all sick an old lady but that's what i did\h\h

366

00:44:02,000 --> 00:44:11,280

um at night for a major portion of the night so i\h

was down there i was aware that i was going out of\h\h

367

00:44:11,280 --> 00:44:19,760

my body i was going into another body but it was\h

i mean sometimes it was an et body i think but\h\h

368

00:44:19,760 --> 00:44:25,840

other times it was a human body a human looking\h

body because they wanted someone who was human\h\h

369

00:44:27,520 --> 00:44:32,720

and we were i swear we were like in time it\h

was like a tunnel now i don't know if that\h\h

370

00:44:32,720 --> 00:44:37,920

was a ship that was long and dark and narrow but\h

it felt like a tunnel and it was dark it was like\h\h

371

00:44:37,920 --> 00:44:46,880

it felt like a cave and um it was horrific it\h

was horrific i was screaming during the night\h\h

372

00:44:47,680 --> 00:44:53,200

my dog actually left and went got as far away\h

from me as he could get he went as far away into\h\h

373

00:44:53,200 --> 00:45:00,720

the closet and back into the corner which is not\h

something he does it would do but i was doing that\h\h

374

00:45:00,720 --> 00:45:06,480

every night and i actually came home from there\h
suffering from post-traumatic stress disorder and

375

00:45:08,800 --> 00:45:15,280

i i only recent well i'm still i don't\h
scream every night like i used it i had\h\h

376

00:45:16,160 --> 00:45:21,040

tear at night terrors for a long time now i'm\h
someone i'm used to waking up in the night and\h\h

377

00:45:21,040 --> 00:45:26,960

having lights in the room i'm used to waking up\h
and having a draco stand and looking at me or\h\h

378

00:45:26,960 --> 00:45:33,600

e.t i mean you know i don't scare\h
easily but i came back from that with um

379

00:45:35,680 --> 00:45:41,040

issues from having the trauma i\h
have partial memories and there was\h\h

380

00:45:42,000 --> 00:45:52,160

a lot of depth a lot of fighting and killing and\h
rescuing someone or something i don't know what\h\h

381

00:45:52,880 --> 00:45:59,440

it was horrific but that's what they wanted me\h
down there for and i haven't explored it i don't\h\h

382

00:45:59,440 --> 00:46:06,640

think i want to whatever it was it was just\h
it was it was really terrible whatever it was\h\h

383

00:46:07,200 --> 00:46:12,560

so that i had that communication with them when\h

they want something from me i hear from you know\h\h

384

00:46:12,560 --> 00:46:17,920

i've reached out to him several times asked them\h
if they could help me with my situation but um

385

00:46:20,000 --> 00:46:26,480

my understanding of it is that i\h
agree to this suffering there's an\h\h

386

00:46:26,480 --> 00:46:33,680

another reason for it admin and which is um that\h
i did agree to take on some of the collectives\h\h

387

00:46:34,320 --> 00:46:42,480

victim energy and uh we had a meeting on the\h
ship in 2011 that i have conscious recall of and\h\h

388

00:46:44,480 --> 00:46:46,880

i struggled with this for a long time but they um\h\h

389

00:46:48,480 --> 00:46:52,000

they showed me how this works\h
that they wanted volunteers to

390

00:46:52,800 --> 00:47:02,800

help breakthrough the planet was surrounded\h
at that time with this dark fog energy\h\h

391

00:47:02,800 --> 00:47:09,840

that was there as a result of so much of the\h
people on the planet feeling like victims\h\h

392

00:47:10,480 --> 00:47:16,480

and being very low frequency from that victim\h
being a victim is puts you in a very low frequency\h\h

393

00:47:17,600 --> 00:47:24,480

and they had a whole bunch of us on the ship and\h
they were talking to us about how you know if\h\h

394

00:47:24,480 --> 00:47:28,400

if you if you become if you sign up\h
for this if you agree to this mission\h\h

395

00:47:29,120 --> 00:47:36,560

and you take on the role of being a victim\h
you um but you but you don't respond by being\h\h

396

00:47:36,560 --> 00:47:41,920

a victim so you it transmutes the energy into\h
light and they showed how it poked through that\h\h

397

00:47:41,920 --> 00:47:47,520

dark energy and created allowed light to\h
come through and it eventually broke down\h\h

398

00:47:47,520 --> 00:47:52,400

that energy and they wanted as many volunteers\h
as they could get but they didn't really need\h\h

399

00:47:52,400 --> 00:48:00,880

that many if i remember correctly it was like\h
only like i mean 12 15 20 would be great and um\h\h

400

00:48:02,720 --> 00:48:07,360

i didn't want to volunteer for that it didn't\h
sound like fun at all i felt like i had done\h\h

401

00:48:07,360 --> 00:48:19,520

enough already and was doing enough but um i saw\h
another young lady behind me volunteer and and um\h\h

402

00:48:19,520 --> 00:48:24,320

they kind of put pressure on me they they said\h
they had me in mind when they came up with this\h\h

403

00:48:24,320 --> 00:48:31,680

idea and they really really were looking for me to\h
um to set a good example and to you know and to um\h\h

404

00:48:32,960 --> 00:48:40,720

to allow myself because it was for the
good of the planet and um so i agreed to it

405

00:48:41,520 --> 00:48:45,680

sherry can i just ask you i'm really sorry
to interrupt um just wanted to clarify if

406

00:48:45,680 --> 00:48:53,840

you think so is this more like a um basically
are they also in conflict with other alien

407

00:48:53,840 --> 00:49:00,160

races that have another agenda that that's what
they're trying to change is can you clarify that

408

00:49:01,120 --> 00:49:04,640

yeah i mean as a matter of fact on the
message that day on the ship the one that

409

00:49:04,640 --> 00:49:09,440

kept echoing through my head was they are
fighting back harder than we ever expected

410

00:49:09,440 --> 00:49:14,000

and they are pulling tricks out that we didn't
know they had that's what they said it was an

411

00:49:14,000 --> 00:49:18,080

update on the ship you know i i've talked about
before you know i knew they were coming they

412

00:49:18,080 --> 00:49:23,840

told me they were coming to pick me up it was an
important meeting of the ship and yes definitely

413

00:49:25,040 --> 00:49:33,520

definitely these other races yeah the reptilians
with the reptilians in particular um but they

414

00:49:33,520 --> 00:49:38,640

are you know they've infiltrated our government\h
they've i mean they've infiltrated everything\h\h

415

00:49:39,280 --> 00:49:45,120

everything on the planet has been infiltrated\h
um not just the politics but everything is\h\h

416

00:49:45,120 --> 00:49:52,960

toxic and and dangerous i think um i mean\h
it's a very negative message but there's\h\h

417

00:49:54,560 --> 00:49:59,360

they i mean they just want us dead they want\h
the humans dead they know that they're going to\h\h

418

00:49:59,360 --> 00:50:05,760

ascend and evolve if they can't cut them\h
off now and i will tell you this and\h\h

419

00:50:05,760 --> 00:50:12,880

i mean i have memory of before i came here of\h
this planet trying to ascend at least three\h\h

420

00:50:12,880 --> 00:50:18,320

times but if i remember my history correctly i\h
think it's a this might be the eighth time that\h\h

421

00:50:18,320 --> 00:50:24,960

this planet has tried to um the humans have\h
tried to move up into the fifth dimension and\h\h

422

00:50:24,960 --> 00:50:31,920

this was like going to be the last chance\h
because if he because mother mother earth\h\h

423

00:50:33,440 --> 00:50:37,760

had decided that she was going to move into\h
the fifth dimension this time she wasn't gonna\h\h

424

00:50:38,560 --> 00:50:43,200

stay back anymore and wait for her children\h
so she was going with her without them\h\h

425

00:50:43,200 --> 00:50:49,440

so when they asked for the volunteers we came to\h
assist her to do that but then you know eventually\h\h

426

00:50:49,440 --> 00:50:56,240

we get caught with the humans and you want to see\h
them also evolve and and make it up that ladder\h\h

427

00:50:56,880 --> 00:51:00,560

so this time it was a make it or break\h
it and that's why all the stops were\h\h

428

00:51:00,560 --> 00:51:05,120

pulled out and all the volunteers were i mean\h
there's millions of us here that are working\h\h

429

00:51:06,400 --> 00:51:11,920

the people watching this program are you know\h
are those who have volunteered to be here i'm\h\h

430

00:51:11,920 --> 00:51:18,800

sure they are awake you know we we didn't get as\h
many of the earth the native earth humans to wake\h\h

431

00:51:18,800 --> 00:51:24,720

up as we had hoped for um you know most of those\h
that are going to be moving on are going to be\h\h

432

00:51:24,720 --> 00:51:33,360

the volunteers in the star seats but what we did\h
do was manage to i'm pretty sure we have i think\h\h

433

00:51:33,360 --> 00:51:39,520

it's safe to say we've defeated the dark ones\h
it's just oh it's pretty much all done but the\h\h

434

00:51:40,800 --> 00:51:45,280

has to play out a little bit but what we did for
the native earth humans was we we got them out

435

00:51:45,280 --> 00:51:53,280

of this bondage out of this horrible cycle of
reincarnation and um you know constantly dying

436

00:51:53,280 --> 00:51:59,680

and coming back and being used as slaves not
even knowing they were slaves so we did free

437

00:51:59,680 --> 00:52:06,320

them from that because even though they may not
go beyond the third density at this time they are

438

00:52:06,320 --> 00:52:14,320

still going to be moved to another planet that's
of a 3d nature but not not as much of a prison

439

00:52:14,320 --> 00:52:19,600

planet as this one a controlled planet so we have
success in that way so there's no losers you know

440

00:52:20,320 --> 00:52:26,800

in this whole thing so we've been successful
and of course mother earth is ascending she's

441

00:52:26,800 --> 00:52:32,720

definitely going into the fifth dimension
really in truth she's really already there

442

00:52:33,520 --> 00:52:39,600

so uh can you maybe speak a little bit about that
elusiveness because it seems um i'm kind of basing

443

00:52:39,600 --> 00:52:46,240

it because i just recently did an interview with
um um i ate it when i can't remember the names

444
00:52:46,240 --> 00:52:52,400
uh reed summers sorry it slipped my mind and he's\h
uh the the son of marshall summers that uh sorted\h\h

445
00:52:52,400 --> 00:52:57,920
out the the allies of humanity books i don't know\h
if you're familiar with them well they were kind\h\h

446
00:52:57,920 --> 00:53:04,560
of talking about the similar thing that there's\h
this um i guess i called it wasn't his word but\h\h

447
00:53:04,560 --> 00:53:09,040
i call them the hidden hand that's kind of\h
they're not making themselves known but they're\h\h

448
00:53:09,040 --> 00:53:14,560
making a lot of changes and things happening\h
that trickle down as like governmental policies\h\h

449
00:53:14,560 --> 00:53:20,960
to us you know but they actually have more of\h
a nefarious source and so can you maybe speak\h\h

450
00:53:20,960 --> 00:53:29,920
to that at all oh yeah um i mean because\h
that's a that's a really touchy subject because\h\h

451
00:53:30,880 --> 00:53:36,160
that's definitely true that the um the dark\h
ones have infiltrated into the government\h\h

452
00:53:36,160 --> 00:53:41,840
and to the medicine the educational system into\h
every level of society the dark ones and it's\h\h

453
00:53:42,640 --> 00:53:48,880
it's the reptilian influence which i call\h
them luciferians personally because um\h\h

454

00:53:50,240 --> 00:53:56,480

they don't a lot of them don't have souls\h
and a lot of them they can appear as human\h\h

455

00:53:57,040 --> 00:54:06,800

or there are humans who have just been been bought\h
or um been coerced or blackmailed into into going\h\h

456

00:54:06,800 --> 00:54:14,800

into the dark side and and they participate in\h
the luciferian rituals and all that goes along\h\h

457

00:54:14,800 --> 00:54:22,640

with that which i know see the problem is from\h
my perspective in my experience on this planet\h\h

458

00:54:23,360 --> 00:54:33,120

the humans that are here the earth humans\h
are so sweet and kind-hearted and loving

459

00:54:35,360 --> 00:54:41,920

and they're just good at their soul the\h
majority of them are not all but the majority\h\h

460

00:54:42,720 --> 00:54:49,920

and they can't comprehend the evil that exists\h
on this planet they a lot of them would a lot of\h\h

461

00:54:49,920 --> 00:54:54,640

you go out on the street a lot of people would\h
even if you ask them is there evil they a lot of\h\h

462

00:54:54,640 --> 00:54:59,600

them would probably say no you know um i don't\h
see any evil and that that's because you know\h\h

463

00:55:01,040 --> 00:55:05,200

they're at their core they're so sweet and\h
so innocent but they're innocent to their own\h\h

464
00:55:05,200 --> 00:55:13,040
detriment i mean i've been saying i started out
saying years ago that it's sad but the humans on

465
00:55:13,040 --> 00:55:20,000
this planet are complicit in the evil that's
taking place and the crimes against humanity

466
00:55:20,000 --> 00:55:26,960
because they give their consent through their
complacency their complacency comes from the fact

467
00:55:26,960 --> 00:55:32,400
that they are so innocent and sweet and they can't
comprehend of this evil but it's also because they

468
00:55:32,400 --> 00:55:38,320
don't choose to and that's where my frustration
comes in i've had the experience of pointing out

469
00:55:39,520 --> 00:55:45,920
because i feel like it's my job and i'm wired
to do it i point out that you know there are

470
00:55:47,360 --> 00:55:55,200
millions of children who are being sacrificed and
who horrific things are happening and there's all

471
00:55:55,200 --> 00:55:59,840
these terrible things that are going on and it
you know you have to become aware of it so that

472
00:55:59,840 --> 00:56:05,920
you can be aware so that you can say awareness of
it but the the cia of course started the whole new

473
00:56:05,920 --> 00:56:14,720
age movement which was very crafty of them because
you know that that really plays into the earth

474
00:56:14,720 --> 00:56:22,240
humans sweet nature and their kindness where they\h
feel sitting and sitting and sending light in love\h\h

475
00:56:24,000 --> 00:56:27,520
and not looking at the evil because\h
they don't want to look at they don't\h\h

476
00:56:27,520 --> 00:56:33,200
like to see it i don't like to see it either\h
nobody wants to see it but unfortunately to\h\h

477
00:56:34,240 --> 00:56:42,480
look at what's going on you have to acknowledge\h
it and then you have to say no to it it's just the\h\h

478
00:56:42,480 --> 00:56:48,720
way it goes you can't you can't just pretend it\h
doesn't exist and and bless their hearts they're\h\h

479
00:56:48,720 --> 00:56:52,800
just sweet i mean i've had people that that\h
have been around me when i've been talking about\h\h

480
00:56:54,080 --> 00:56:59,280
the chemtrails and i'll say oh i'm sorry you might\h
not know what that is and they'll say oh yeah i've\h\h

481
00:56:59,280 --> 00:57:04,400
i've seen them i know what they are i mean i know\h
they're there but i don't want to know what they\h\h

482
00:57:04,400 --> 00:57:10,080
are because i know it can't be good and i don't\h
want to have to deal with it and so you can take\h\h

483
00:57:10,080 --> 00:57:15,520
that and apply it to the what's going on with\h
the children and the underground bases and the\h\h

484

00:57:16,800 --> 00:57:23,840

everything the poisoning everything you can\h
apply it to that had humanity the humans\h\h

485

00:57:25,600 --> 00:57:32,800

taking time to look at what's really going on it\h
could not have gotten this far it should never\h\h

486

00:57:32,800 --> 00:57:37,200

have gotten this far but it's a giant wake-up\h
call that's why we're not getting very many in\h\h

487

00:57:37,200 --> 00:57:44,240

the harvest because they just didn't want to see\h
it they didn't want to open their eyes to it they\h\h

488

00:57:44,240 --> 00:57:52,560

didn't want to acknowledge it life on this planet\h
can be fun and if you um once you wake up it's\h\h

489

00:57:53,760 --> 00:57:58,800

it's not the same that's it's true and i'm sorry\h
to say that but anybody who's awake will agree\h\h

490

00:57:58,800 --> 00:58:06,640

with me that the waking up process is brutal and\h
once you're awake you can't unlearn the things\h\h

491

00:58:06,640 --> 00:58:11,200

that you've learned and they're not always\h
it's not rainbows and unicorn well exactly\h\h

492

00:58:12,400 --> 00:58:19,600

yeah i think you know part of that would then um\h
imply responsibility because i noticed uh for for\h\h

493

00:58:19,600 --> 00:58:26,960

myself it's um you know just exactly what you're\h
talking about you then have to pay close attention\h\h

494

00:58:26,960 --> 00:58:32,480

you know it's everything is up to you\h
to let's say to filter out through the\h\h

495

00:58:32,480 --> 00:58:37,120

news instead of just sitting there taking\h
it in just and and believing what it says\h\h

496

00:58:38,080 --> 00:58:43,840

like are they lying to me or not so then going\h
back and and and let's say um let's say press\h\h

497

00:58:43,840 --> 00:58:48,400

conference instead of just watching your news\h
and getting a two-minute clip or just you know\h\h

498

00:58:48,400 --> 00:58:52,480

watered-down dumbed-down version i have to go\h
back and rewatch the whole thing to understand\h\h

499

00:58:52,480 --> 00:58:58,560

the full context only then do i realize oh they\h
lied to me again then that's it's you get to see\h\h

500

00:58:58,560 --> 00:59:04,320

how the narrative is created you know and then you\h
understand more what narrative actually means you\h\h

501

00:59:04,320 --> 00:59:11,440

know and so then you find yourself then having to\h
make other choices like okay well they say do this\h\h

502

00:59:11,440 --> 00:59:17,200

but based on what i know i can't do it so then\h
now it starts to create this uncomfortable feeling\h\h

503

00:59:17,200 --> 00:59:23,600

that nobody likes being there which is basically\h
this you know standing of in your own power you\h\h

504

00:59:23,600 --> 00:59:28,560

know and i think you said that before too you\h
know and so that's that's the challenging part\h\h

505

00:59:28,560 --> 00:59:35,120

because then that means you mean to tell me i\h
have to be at my my oral you know meeting or\h\h

506

00:59:35,120 --> 00:59:42,560

whenever there's uh elections for mayors uh local\h
um you know elections uh most people don't care\h\h

507

00:59:42,560 --> 00:59:48,000

for you know what's happening locally except\h
for every four years so this is one aspect of\h\h

508

00:59:49,360 --> 00:59:54,800

really being a responsible person instead of just\h
coasting through life and and just occasionally\h\h

509

00:59:54,800 --> 01:00:00,480

go up okay every four years i make my check mark\h
let's go camping you know and so i think that's\h\h

510

01:00:00,480 --> 01:00:06,800

the difficult part of every step of the way i mean\h
every single step of the way you're exactly right\h\h

511

01:00:06,800 --> 01:00:14,480

you're exactly right but i mean if we take just\h
the issue of of the children i mean how can you\h\h

512

01:00:15,440 --> 01:00:22,320

rest at night knowing that there are children\h
being tortured i mean it that's how big it is\h\h

513

01:00:22,320 --> 01:00:27,840

i mean that's how real responsibility but the\h
consequences are pretty big and then i mean\h\h

514
01:00:28,640 --> 01:00:33,120
everybody everybody on the planet knows something\h
is going on they know something's different i mean\h\h

515
01:00:33,120 --> 01:00:38,800
even the most asleep unconscious person knows\h
that there's something different that life has\h\h

516
01:00:38,800 --> 01:00:48,800
changed and it's not probably going to be the same\h
ever again they know something's up the and those\h\h

517
01:00:48,800 --> 01:00:57,680
who are aware of the ascension of the the shift\h
this is big i mean i wrote about it in my book a\h\h

518
01:00:57,680 --> 01:01:04,560
day when you will need to make a decision you know\h
are you going to stay or are you going to move on\h\h

519
01:01:04,560 --> 01:01:11,760
to the new earth that day has come it came we made\h
our decision and you can see it and being well\h\h

520
01:01:11,760 --> 01:01:16,240
informed is those who are watching this probably\h
you know they all know what i'm talking about i\h\h

521
01:01:16,240 --> 01:01:21,600
mean are you going to choose love or are you going\h
to choose choose fear if you chose you know you\h\h

522
01:01:21,600 --> 01:01:26,960
you know what you did you you know you put the\h
mask on and you put then you put the the poison\h\h

523
01:01:26,960 --> 01:01:32,160
in your body and what are the consequences\h
of that they're pretty big consequences\h\h

524

01:01:33,040 --> 01:01:44,000

and that is that makes me that just makes my\h
heart so so that that didn't quite wake up in\h\h

525

01:01:44,000 --> 01:01:51,840

time they didn't quite catch it they missed it\h
and they but i mean time doesn't really exist so\h\h

526

01:01:51,840 --> 01:01:59,600

it'll come back around in another 26 000 years\h
or whatever but it's just it's the consequences\h\h

527

01:01:59,600 --> 01:02:11,120

of not being responsible and not um being willing\h
to to look at life fully and the consequences to\h\h

528

01:02:11,120 --> 01:02:17,360

yours the consequences to your soul and to your\h
you know your soul's progression has has um it\h\h

529

01:02:17,360 --> 01:02:24,880

has consequences and it makes me sad i wish we\h
could have gotten everyone to wake up it would be\h\h

530

01:02:24,880 --> 01:02:31,360

easier but i think this process they'll take that\h
with them into the next life that they have their\h\h

531

01:02:31,360 --> 01:02:39,280

next incarnation and and in that case they'll\h
probably be one of the first ones to to grab the\h\h

532

01:02:40,320 --> 01:02:44,960

grab the flag and wave it and say you know we\h
need to we need to stand up we need to not ever\h\h

533

01:02:46,240 --> 01:02:53,680

be controlled again so i don't know it's just\h
it's just it's it's sad but at the same time it's\h\h

534

01:02:54,560 --> 01:02:58,640

right now there's a lot of good things happening\h
i think people are waking up really fast and you\h\h

535

01:02:58,640 --> 01:03:05,440

can always you can always wake up you can't\h
always wake up um and that's i think happening\h\h

536

01:03:05,440 --> 01:03:10,480

day by day as we suffer\h
through these lockdowns and the\h\h

537

01:03:12,400 --> 01:03:19,760

the dark forces trying to control us to such an\h
extent that they tell us what we can and cannot do\h\h

538

01:03:20,320 --> 01:03:26,000

it breaks my heart to see people comply so\h
easily to just you know listen to i don't know\h\h

539

01:03:26,000 --> 01:03:30,640

what the broadcasters names are on tv i don't\h
watch but to have your newscaster tell you you\h\h

540

01:03:30,640 --> 01:03:35,200

gotta wear a mask and have this politician tell\h
you no you gotta wear three masks and i mean i\h\h

541

01:03:35,200 --> 01:03:41,280

we still see people out there wearing them\h
they haven't a clue they haven't caught on\h\h

542

01:03:41,280 --> 01:03:48,320

to what this is all about and it's just i just\h
feel incredibly sad for them incredibly sad\h\h

543

01:03:48,320 --> 01:03:54,000

but everybody's got their own journey and you\h
trust in it you know and their experience so

544

01:03:56,400 --> 01:04:02,160

um sherry just uh hold on one quick second\h
so i just wanted to address something real\h\h

545

01:04:02,160 --> 01:04:07,200

quick on my end here we're sending\h
the stream out at 1080p 60 frames per\h\h

546

01:04:08,320 --> 01:04:14,880

i don't know if for some reason if youtube\h
can't uh is causing some issues but i have\h\h

547

01:04:14,880 --> 01:04:19,040

one other person that's also watching\h
it but have a really good connection so\h\h

548

01:04:19,680 --> 01:04:25,920

um she's not seeing any any issues or problems\h
so i apologize for those that if youtube is\h\h

549

01:04:25,920 --> 01:04:32,240

creating that for you maybe just if you refresh\h
your browser and reopen the window it might\h\h

550

01:04:32,240 --> 01:04:37,760

get back to normal or actually if you have the\h
option if you're on your computer just reduce your\h\h

551

01:04:37,760 --> 01:04:43,600

resolution down a little bit so that you can have\h
more of a smoother connection i hope that helps\h\h

552

01:04:43,600 --> 01:04:48,880

but you know on my end i'm getting you loud and\h
clear and everything i keep checking is sending it\h\h

553

01:04:48,880 --> 01:04:56,720

out just uh just fine so for those who are having\h
issues maybe if you just turn your resolution down\h\h

554

01:04:56,720 --> 01:05:02,160

just a bit that might solve the problem so anyway\h
i just wanted to address that sherry so yeah\h\h

555

01:05:03,440 --> 01:05:10,560

so anyway i'm sorry i got sidetracked\h
now so what is what is basically then um\h\h

556

01:05:12,080 --> 01:05:18,880

is is there you know is there this is there\h
an end goal to this overall thing so you know\h\h

557

01:05:18,880 --> 01:05:24,320

will they ever these these hidden ones would\h
ever be known about would ever come out or is\h\h

558

01:05:24,320 --> 01:05:29,760

this something that will be introduced to us in\h
a different way you know is there do you have any\h\h

559

01:05:29,760 --> 01:05:35,040

information on that you know because um or will\h
it will we never really know about this whatever\h\h

560

01:05:35,040 --> 01:05:40,160

whatever big changes happen out there that they'll\h
stay out there and we'll just notice a better life\h\h

561

01:05:40,160 --> 01:05:45,840

on the planet without uh necessarily ever knowing\h
that there was some kind of alien intervention\h\h

562

01:05:47,600 --> 01:05:54,480

i think that in fairness to the humans they they\h
will be told maybe not the gritty details and\h\h

563

01:05:54,480 --> 01:06:01,520

the don't need to know the horrible details i\h
don't think just but the basics i believe that\h\h

564

01:06:01,520 --> 01:06:08,480

it's part of the plan because the galactics are\h
involved um they're deeply involved we couldn't\h\h

565

01:06:08,480 --> 01:06:14,480

do it without their assistance um and there's\h
many different races here the you know syrians\h\h

566

01:06:14,480 --> 01:06:20,400

and the pleiadians and drama it's just there's\h
they're all here helping because we're all family\h\h

567

01:06:21,040 --> 01:06:27,760

and it seems that the earth humans are like a\h
vital link you know it's highly critical that\h\h

568

01:06:27,760 --> 01:06:37,680

they that they survive if at all possible and make\h
this this this this transition so i i do believe\h\h

569

01:06:39,040 --> 01:06:42,720

that it will come out i don't think they're\h
going to get hit over the head with it i mean\h\h

570

01:06:42,720 --> 01:06:48,320

it's it's traumatizing already just living your\h
life out there the way things are right now\h\h

571

01:06:49,600 --> 01:06:53,360

for people it's just a lot of\h
people don't deal with change\h\h

572

01:06:53,360 --> 01:06:58,640

in their life and this has been forced upon\h
them the fear which is so prevalent which is\h\h

573

01:06:58,640 --> 01:07:05,120

how they control the masses it's how they get\h
people to lock step and put that mask on and\h\h

574

01:07:05,120 --> 01:07:10,640

and let themselves be injected with poisons it's\h
it's because of fear i mean there are people that\h\h

575

01:07:11,680 --> 01:07:18,880

i never thought would have gone to um to stand\h
in line to get get that shot and they they did it\h\h

576

01:07:18,880 --> 01:07:24,160

and they at the last minute they caved into the\h
fear so it always will come down to that you know\h\h

577

01:07:25,600 --> 01:07:30,880

the fear or the trust in in\h
life to to take care of you and\h\h

578

01:07:31,920 --> 01:07:37,520

so i think in order for them to learn which is\h
what this is often called learning or remembering\h\h

579

01:07:37,520 --> 01:07:43,920

for them to remember the truth of who they are\h
they need to see what has gone down i think it\h\h

580

01:07:43,920 --> 01:07:52,640

would not be beneficial to have gone through all\h
this and then to not know the not the details\h\h

581

01:07:52,640 --> 01:07:58,480

but at least know the overall story of how this\h
played out and i think people are gonna some are\h\h

582

01:07:58,480 --> 01:08:04,160

gonna be shocked but a lot those who are awake we\h
already know what's going on we know that they've\h\h

583

01:08:04,160 --> 01:08:08,000

kept us safe from you know the dark ones would\h
have nuked just a long time ago they would have\h\h

584

01:08:08,560 --> 01:08:16,400

done many times over trying to they'll do anything\h
to try to kill us so of course we have protection\h\h

585

01:08:16,400 --> 01:08:23,600

from beings who are more advanced than us because\h
they have that kind of advantage they've got the\h\h

586

01:08:23,600 --> 01:08:30,640

reptilians i mean the reptilians are the ones\h
who are behind the behind the v you know um\h\h

587

01:08:31,440 --> 01:08:39,200

that technology that went into into those core\h
horrible things so they've got that advantage so\h\h

588

01:08:39,200 --> 01:08:44,880

we've been a lot the good guys have been allowed\h
to have some of that technology as well sherry\h\h

589

01:08:45,440 --> 01:08:51,120

switch my screen over to um to me real quick\h
i want to give you an opportunity if you could\h\h

590

01:08:51,120 --> 01:08:56,000

please to um just turn on some lights in\h
your home if you don't mind it's getting\h\h

591

01:08:56,000 --> 01:09:02,320

a bit darker and i just want everyone to see you\h
better if if you could please okay no problem\h\h

592

01:09:04,000 --> 01:09:10,080

so anyway while while she's doing that real quick\h
um in the description i have the website for\h\h

593

01:09:10,720 --> 01:09:17,440

um for sherry it's i think the forgotten\h
province dot net and uh you'll be able to um\h\h

594

01:09:17,440 --> 01:09:23,280

get a copy of her book there and so i\h
always encourage people to to check out\h\h

595

01:09:24,400 --> 01:09:31,120

any social media any websites or anything\h
else that my guests happen to to share but um\h\h

596

01:09:32,800 --> 01:09:35,680

okay yeah that looks that looks much\h
better thank you for doing this sherry\h\h

597

01:09:35,680 --> 01:09:44,560

i'll switch over back to you um so what i\h
wanted to i guess get into next is um um\h\h

598

01:09:44,560 --> 01:09:48,960

is there any message from your friends\h
at all from the e.t friends i should say\h\h

599

01:09:48,960 --> 01:09:53,760

regarding all these things that have been\h
happening these different mandates and lockdowns\h\h

600

01:09:53,760 --> 01:09:59,120

and mandatory vaccinations and all these other\h
things i mean do you have any information on that\h\h

601

01:10:00,720 --> 01:10:05,440

you know i haven't had much communication other\h
than when they've come in to do some healing work\h\h

602

01:10:05,440 --> 01:10:15,360

on me um because i've been as a as i tell some of\h
my friends um being sick being sick turns you into\h\h

603

01:10:15,360 --> 01:10:20,160

a narcissist you know i mean you you turn all\h
your attention inward on yourself it's you're\h\h

604

01:10:20,160 --> 01:10:25,440

focused on getting through the day and just you\h
know trying to survive you know trying to make\h\h

605

01:10:25,440 --> 01:10:30,800

it as good a day as you can so i haven't had a lot\h
of communication with them i i can only tell you\h\h

606

01:10:32,000 --> 01:10:38,880

and then what my res i mean i guess i don't\h
feel like i needed to have any input from\h\h

607

01:10:38,880 --> 01:10:43,840

them when as soon as the whole pandemic\h
thing started when they came out with it\h\h

608

01:10:45,520 --> 01:10:52,400

right from the very beginning i i knew it was\h
i knew it was a lie i mean i just knew that it\h\h

609

01:10:52,400 --> 01:10:57,520

was a lie and i think a lot of awake people did\h
you smell a rat you mean to the extent of the\h\h

610

01:10:57,520 --> 01:11:02,800

severity of it yeah yeah and the whole thing about\h
it that we weren't being told the truth you know\h\h

611

01:11:03,360 --> 01:11:08,720

i questioned if there was even such a\h
thing as the coronavirus you know um\h\h

612

01:11:10,400 --> 01:11:16,800

there it's not what we're being told because\h
as it turns out of course the the v was was\h\h

613

01:11:17,600 --> 01:11:22,640

was put together you know they had that\h
um years ago and they just had to find\h\h

614

01:11:22,640 --> 01:11:30,000

a way to get it in us and so the calling the
flu coronavirus seemed to be the best way to

615

01:11:30,000 --> 01:11:35,040

you know that they found to do it they they just
ran out of options and is it a hyped up version of

616

01:11:35,040 --> 01:11:40,160

the flu did they do something to it yeah i think
they got something done with it but i don't know

617

01:11:40,160 --> 01:11:45,760

how bad it was but it turns out it's the treatment
that of it if you went to the doctor to um

618

01:11:46,400 --> 01:11:50,320

to the hospital your the treatment is what
actually kills you plus the incentive of the

619

01:11:50,320 --> 01:11:56,320

money that we're offering so you're you know if
you caught the flu this last year which i did

620

01:11:56,960 --> 01:12:03,200

jim and i vote that a new gym would would get
it and um because he goes he's out and about and

621

01:12:03,760 --> 01:12:09,760

um we just took hydroxychloroquine and
it just knocked it it was gone in no time

622

01:12:10,560 --> 01:12:17,120

and because i had heard um you know that
broadcast that that was what worked for you

623

01:12:18,240 --> 01:12:25,440

so so yeah i smelled a rat right away and
then when they started with the mandate of the

624

01:12:25,440 --> 01:12:31,200

isolation stay in your home and the mask and all
that i was like are you kidding me you're just

625

01:12:31,200 --> 01:12:35,360

kidding me people aren't going to stand for that i
mean i honestly thought people would not stand for

626

01:12:35,360 --> 01:12:39,840

it i wait i looked around and i got i got back
on facebook i hadn't been on there for a while

627

01:12:39,840 --> 01:12:45,360

but i got on there to see what people were saying
about it and i expected it to be everybody saying

628

01:12:46,000 --> 01:12:51,120

we're not going to comply and they think they can
get by with us and blah blah and instead you know

629

01:12:51,120 --> 01:12:56,480

i posted a few things about how how i felt and
that i was refused i was not going to wear a mask

630

01:12:57,200 --> 01:13:01,680

and put on the mask sherry for god's sake put on
the mask if you don't do it for yourself do it for

631

01:13:01,680 --> 01:13:07,680

others which see right there there's hitting into
the core of the humans their heart how sweet they

632

01:13:07,680 --> 01:13:12,880

are and how many people did i hear tell me well
i i didn't wear a mask but i wore it for others

633

01:13:13,520 --> 01:13:19,280

i'm like that doesn't cut it for me
i'm sorry you know i didn't wear a

634

01:13:19,280 --> 01:13:23,200

mask i refused to wear one and i was sick\h
during this time so i was taken to the er\h\h

635

01:13:24,000 --> 01:13:29,280

several times which i don't we finally gave\h
up on that because that's such a joke but it\h\h

636

01:13:29,280 --> 01:13:37,200

was early on in my bed going into the bed this\h
last bad round and she didn't know what else\h\h

637

01:13:37,200 --> 01:13:41,840

to do with me i was in terrible shape and so\h
he took me to the er in the height of of this\h\h

638

01:13:41,840 --> 01:13:46,720

pandemic and i refused to put on a mask i'm there\h
because i had blacked out three or four to four\h\h

639

01:13:47,280 --> 01:13:54,640

convulsing and that was from lack of oxygen and\h
so i go there and i'm complaining that i can't\h\h

640

01:13:54,640 --> 01:13:59,600

catch my breath i can't breathe i can't i can't\h
get enough oxygen and they they're trying to put\h\h

641

01:13:59,600 --> 01:14:06,320

a mask on me i'm not wearing a mask and i mean\h
and they treat you like you have leprosy they\h\h

642

01:14:06,320 --> 01:14:12,240

put me in isolation and you know it was just a\h
nightmare and we walked out of a few different\h\h

643

01:14:13,760 --> 01:14:21,760

and i went to see her um as an emergency measure\h
because i was really kept blacking out and um\h\h

644

01:14:22,560 --> 01:14:25,840

so weak and i didn't know at the time\h
i didn't understand i didn't know what\h\h

645

01:14:25,840 --> 01:14:30,160

was going on with me this was beyond the\h
poison this was just recently you know\h\h

646

01:14:30,800 --> 01:14:35,520

and i went there the whole clinic of course in\h
the waiting room and all the staff everybody\h\h

647

01:14:35,520 --> 01:14:40,880

all masked and some of them in gowns and they said\h
my doctor would not see me unless i put a mask on\h\h

648

01:14:40,880 --> 01:14:46,880

i said it's my doctor i said she's she's obligated\h
to see me they took me back into this room\h\h

649

01:14:47,440 --> 01:14:54,000

my doctor comes in and she's wearing a\h
biohazard gown that from her ankles all\h\h

650

01:14:54,000 --> 01:14:59,440

the way up to her head covered she had on\h
two masks and one of those plastic shields\h\h

651

01:14:59,440 --> 01:15:03,600

down over her and she had gloves on and she\h
wouldn't come near me she was on it you know\h\h

652

01:15:03,600 --> 01:15:09,520

like 40 feet away or something you know and i was\h
like are you kidding me are you kidding me i said\h\h

653

01:15:09,520 --> 01:15:14,720

you mind if i videotape you i said you're\h
just hilarious and i videotaped her and um\h\h

654

01:15:16,320 --> 01:15:20,960

i said look at you i mean i was just i felt
bad for her i said look how much fear you're in

655

01:15:21,520 --> 01:15:24,960

that you've been controlled to this extent that
you forgot what you learned in school you are a

656

01:15:24,960 --> 01:15:29,680

doctor right you did go to school i said how is
it that i know more about this virus than you do

657

01:15:29,680 --> 01:15:34,400

is it how is it that i know that a mask a tiny
mask isn't going to do anything for a virus

658

01:15:34,400 --> 01:15:38,800

and that the that does doesn't stop it and
it doesn't spread that way and how is it

659

01:15:38,800 --> 01:15:45,440

that i know that this this whole thing is
a made-up lie it was incredible it was such

660

01:15:45,440 --> 01:15:50,800

an experience and i swear that that happened just
so i could write about it someday because it just

661

01:15:50,800 --> 01:15:56,240

shows how crazy humanity got toward
the end you know um to the extent

662

01:15:56,240 --> 01:16:00,880

that the the fear-mongering went to get
us to put on the mask and to comply and

663

01:16:01,840 --> 01:16:09,200

so it was it was tough times you know um
well sherry i if i may interject real quick

664

01:16:09,200 --> 01:16:16,000

you know what i what i found was very interesting\h
regarding this whole time is just that part is the\h\h

665

01:16:16,720 --> 01:16:23,360

um it's the i was told therefore i'll do you know\h
which was really weird because i thought you know\h\h

666

01:16:25,040 --> 01:16:29,520

when you when you come up with with the studies\h
i mean studies about maths have been done just\h\h

667

01:16:29,520 --> 01:16:35,840

recently mit has has been doing studies on social\h
distancing you know and didn't find a difference\h\h

668

01:16:35,840 --> 01:16:41,600

between 60 or 6 feet you know that you know it\h
doesn't doesn't matter how far you are particles\h\h

669

01:16:41,600 --> 01:16:49,360

would travel you know and so what the point is you\h
know i i've often brought this up it's like the\h\h

670

01:16:49,360 --> 01:16:53,920

that information was just not allowed to\h
be talked about it immediately meant that\h\h

671

01:16:53,920 --> 01:16:58,960

you're somehow an evil person that needs to\h
just be gotten rid of you know and that was\h\h

672

01:16:58,960 --> 01:17:04,320

the scary part to see that in the united states\h
because i thought the whole point is to you know\h\h

673

01:17:05,200 --> 01:17:11,040

do you know give as much information as possible\h
you know but then it just you know got turned into\h\h

674
01:17:11,040 --> 01:17:17,200
this politicized thing that if you weren't wearing
a mask you know that means you're a republican if

675
01:17:17,200 --> 01:17:22,480
you did you were being a good democrat you know
and so divided people in you know within you know

676
01:17:22,480 --> 01:17:27,200
meetings and you and i have talked about this you
know there's always been this talk about divinely

677
01:17:27,200 --> 01:17:31,840
conquered divide and conquer and it's like it
was so clear that that was it they just said i'm

678
01:17:31,840 --> 01:17:36,960
on this team you're on that team we have to clash
you know and that was the the sad part about that

679
01:17:36,960 --> 01:17:43,760
because you know um it was you know it was all
about trust the science was like well you just

680
01:17:43,760 --> 01:17:49,760
you know cut off 60 of the sign you know with your
story so how can you trust the science when you're

681
01:17:49,760 --> 01:17:56,400
literally trying to see the big picture with only
one eye open right right i think logic just went

682
01:17:56,400 --> 01:18:02,960
out the window i mean common horse sense you know
i mean it just it was incredible how people who

683
01:18:03,920 --> 01:18:10,000
were it seemed almost like the more education
they had the more quickly they fell in line

684

01:18:10,000 --> 01:18:15,680

with what they were being told was the truth\h
which was so clearly not the truth it it was\h\h

685

01:18:15,680 --> 01:18:20,400

it was shocking to me i was i was shocked by\h
it to put on a mask and to mask your children\h\h

686

01:18:21,280 --> 01:18:28,320

and and now they want them to you know to get\h
the shot it's just that's those are serious\h\h

687

01:18:28,320 --> 01:18:33,120

consequences for those you know for being asleep\h
you're paying a big price that's the way i see it\h\h

688

01:18:33,120 --> 01:18:38,240

and it breaks my heart it's just but you\h
can't i learned one thing and i learned it\h\h

689

01:18:38,240 --> 01:18:42,560

a long time ago but i keep trying because i'm\h
stubborn but i keep trying to wake people up\h\h

690

01:18:43,280 --> 01:18:49,040

but i don't i don't do it heavy-handed anymore ìh
don't do i don't even hardly try anymore because\h\h

691

01:18:50,000 --> 01:18:54,240

it's like that person's soul has decided to\h
stay asleep and until they the soul decides\h\h

692

01:18:54,240 --> 01:18:59,760

to wake up they're just not going to wake up and\h
that's just the way that it is because you can pre\h\h

693

01:18:59,760 --> 01:19:07,520

i have this one person that i love a lot that ìh
care about and i've been trying trying to get him\h\h

694

01:19:07,520 --> 01:19:16,400

to see what's playing out here and sadly i mean
i just can't reach him and he's a smart guy but

695

01:19:17,200 --> 01:19:22,240

um if they're not ready they're not ready and
so all you can do is trust that their soul knows

696

01:19:22,240 --> 01:19:27,120

what's best for them and allow them to have their
own journey and we were there at one time we you

697

01:19:27,120 --> 01:19:35,360

know we you know there was a time when we i'm
sure when our soul was was new on the path and

698

01:19:35,360 --> 01:19:42,400

was not ready to hear these things so you know we
have to allow them to have that experience i guess

699

01:19:43,120 --> 01:19:51,760

but it's it's sad so uh sherry what i wanted to
ask is um can you go a little bit into the part

700

01:19:51,760 --> 01:19:57,440

about i don't know it would do which stage at
what year which which point this was regarding

701

01:19:57,440 --> 01:20:04,400

uh this was it maria oh maria yeah can you
uh i've heard about that and i know you and

702

01:20:04,400 --> 01:20:09,600

i haven't exactly talked about it so can you maybe
go into into that please and what exactly happened

703

01:20:10,640 --> 01:20:14,160

well that was that that was an interesting so
you asked me if i've heard from that i haven't

704

01:20:14,160 --> 01:20:18,800

really heard technically from god but i hear from\h
like what i think of this is team and my sense of\h\h

705

01:20:18,800 --> 01:20:24,400

data is that he's super busy he's just super busy\h
with what's going on because he is involved in the\h\h

706

01:20:25,360 --> 01:20:28,400

in the um and what's happening\h
here on the planet i mean that's\h\h

707

01:20:29,040 --> 01:20:32,320

part of and i'm going to get to the\h
maria story but i always wondered why\h\h

708

01:20:33,520 --> 01:20:38,480

back when i was teaching course in miracles and\h
stuff why i always had so much of a political\h\h

709

01:20:38,480 --> 01:20:47,440

bend or aspect to my spiritual teachings in my\h
spiritual life um also involved the spiritual the\h\h

710

01:20:47,440 --> 01:20:54,720

um or the um the politics but it's because my team\h
you know that's what that's what they're here for\h\h

711

01:20:54,720 --> 01:21:01,280

and that's part of what i'm here for is is the\h
awakening great awakening that's happening to\h\h

712

01:21:01,280 --> 01:21:07,520

the planet and the ascension it all ties in\h
to what happens with our politics that is\h\h

713

01:21:07,520 --> 01:21:14,240

i.e the freeing of humanity humanity you\h
know has to be freed and that is done through\h\h

714
01:21:14,240 --> 01:21:21,280
the political system and through uh what's going
on right now so anyway so he's got a team and um

715
01:21:23,040 --> 01:21:32,880
so what happened was when was that that would have
been not that long ago 20 less even 20 in the it

716
01:21:32,880 --> 01:21:39,040
was it was last year in 2020 so i think it would
have been in the summer time so about a year ago

717
01:21:40,880 --> 01:21:50,160
um i was really sick it was right before i
started the lyme treatment and um i was going for

718
01:21:51,280 --> 01:21:58,160
um what do they call that where they put
oxygen into your blood and your vitamin c

719
01:21:58,880 --> 01:22:04,880
i was getting still getting chelation every now
and then um so i was going to that holistic type

720
01:22:04,880 --> 01:22:09,840
doctor he's a medical doctor but he has his
own practice which is more toward holistic

721
01:22:13,280 --> 01:22:20,000
they found out through me talking to one of the
nurses he found out that um that i was looking

722
01:22:20,000 --> 01:22:28,800
for a way to possibly end my life because i just
couldn't i just just couldn't take it anymore

723
01:22:28,800 --> 01:22:34,720
so i was exploring different options i was
afraid to to do it as jim would tell me on

724

01:22:34,720 --> 01:22:40,640

those times when i would say that's it you know\h
i'm i'm doing i'm doing it tonight you can't\h\h

725

01:22:40,640 --> 01:22:44,480

talk me out of it i'm good he's like well how\h
are you going to do it and i'd say i'm going to\h\h

726

01:22:44,480 --> 01:22:51,280

get a gun and he's like you know are you sure\h
because i've had this conversation with da\h\h

727

01:22:51,280 --> 01:22:57,520

requested an exit in 2019 at around christmas time\h
holidays are really hard because it's just really\h\h

728

01:22:57,520 --> 01:23:03,440

hard it's my birthday it's christmas and got no\h
family you know and i was sick so and i was sick\h\h

729

01:23:03,440 --> 01:23:10,240

so at christmas in 2019 i went in and requested\h
an exit and i thought i'd get one because i'd been\h\h

730

01:23:10,240 --> 01:23:16,640

granted it before i just assumed i'd get an exit\h
and the council turned me down they said you don't\h\h

731

01:23:16,640 --> 01:23:23,520

have an exit for some time and i said well give me\h
one and they said you know you can't do that you\h\h

732

01:23:23,520 --> 01:23:29,760

don't have an accent you know next and i was out\h
of there so i went to da straight away and i found\h\h

733

01:23:29,760 --> 01:23:34,640

him and i said i was just you know at the council\h
and i requested an exit and they turned me down\h\h

734
01:23:35,760 --> 01:23:43,600
and i said um and i wanna i wanna leave the planet\h
i wanna i wanna i wanna cut out and he just looked\h\h

735
01:23:43,600 --> 01:23:50,480
at me and he said you don't have an exit i said\h
i know but i said you got to help me make one\h\h

736
01:23:51,360 --> 01:23:57,600
i said you got to help me find an exit and he\h
said sherry i can't do that for you you know\h\h

737
01:23:57,600 --> 01:24:02,320
how you know how this works you laid out your\h
life plan he said you purposefully i remember\h\h

738
01:24:02,320 --> 01:24:06,800
you purposefully didn't put one here because you\h
didn't want to be tempted to leave he said you\h\h

739
01:24:06,800 --> 01:24:11,760
wanted to stay through to the end of this mission\h
he said so you're gonna have to do that and i said\h\h

740
01:24:12,640 --> 01:24:18,080
no i'm not taking it anymore i can't take it it's\h
the isolation the sickness i can't you know it's\h\h

741
01:24:18,080 --> 01:24:24,000
horrible i can't do it and he said you don't have\h
an exit and then he went turned away and i said\h\h

742
01:24:25,120 --> 01:24:28,720
if i take the barrel of a gun and i put it\h
in my mouth and i pull the trigger i'll damn\h\h

743
01:24:28,720 --> 01:24:34,000
well create an exit that won't die and he turned\h
back and he looked at me and his eyes scared me\h\h

744

01:24:34,720 --> 01:24:40,560

never seen his eyes were always filled with love\h
and stuff he looked at me and his eyes were cold\h\h

745

01:24:42,240 --> 01:24:52,800

and he just said try it sherry see what happens oh\h
and that just scared me my blood turned to ice so\h\h

746

01:24:52,800 --> 01:24:58,560

when i would go tell jim i was going to take an\h
exit i was going to do that he said are you sure\h\h

747

01:24:58,560 --> 01:25:03,120

you can do that you know you should they're not\h
gonna he said you could end up he said you could\h\h

748

01:25:03,120 --> 01:25:08,960

end up you know blowing half your head off and\h
you're still here they don't want you to leave\h\h

749

01:25:09,520 --> 01:25:13,600

so something's good it's not going to\h
come with that it's convinced me to stay\h\h

750

01:25:14,560 --> 01:25:21,760

so i'm at my doctor's and i can't help\h
but i'm playing with the idea i mean\h\h

751

01:25:21,760 --> 01:25:25,120

it just sometimes just helped me get\h
through some of the rougher times was the\h\h

752

01:25:25,120 --> 01:25:28,320

fact you know thinking about that\h
maybe i could leave and go home\h\h

753

01:25:29,200 --> 01:25:33,280

and um they found out about it so they decided\h
that i was depressed and i said i'm not depressed\h\h

754

01:25:33,280 --> 01:25:42,080

i said i don't get depressed which i don't but i\h
um i'm just fed up with this whole thing it's it's\h\h

755

01:25:42,080 --> 01:25:46,080

you know i've got a long time to go from what\h
i understand i have to go all the way through\h\h

756

01:25:46,080 --> 01:25:51,840

until 2022 before i can possibly have any hope\h
of coming out of this and i said i don't want to\h\h

757

01:25:51,840 --> 01:25:57,840

do it anymore but they decided to do a treatment\h
where they give you um which under anesthesia\h\h

758

01:25:58,720 --> 01:26:04,720

and rece they called it resetting my brain and\h
i agreed to it because i didn't i didn't care\h\h

759

01:26:04,720 --> 01:26:10,320

when i was i agreed anything didn't care\h
so i went in and they did the treatment\h\h

760

01:26:11,920 --> 01:26:19,120

and i have loved anyway there's something about\h
that going into that darkness when i'm i'm\h\h

761

01:26:19,120 --> 01:26:27,120

not in the darkness i find myself in this tunnel\h
with all these symbol symbols on the wall and i'm\h\h

762

01:26:27,120 --> 01:26:35,520

spiraling through this tunnel and i realize that\h
i'm being chased and someone is chasing after me\h\h

763

01:26:35,520 --> 01:26:41,440

actually a group or jason after me and to\h
capture my soul and to capture my soul and\h\h

764

01:26:41,440 --> 01:26:44,480

i don't know how i know this but i know\h
it like come up become aware of this and\h\h

765

01:26:45,040 --> 01:26:51,440

so i go to you know i just remind myself that i'm\h
a divine being and that i have one with my creator\h\h

766

01:26:51,440 --> 01:26:56,960

and that no one can bring harm to me without my\h
consent and i do not consent to this and so i'm\h\h

767

01:26:56,960 --> 01:27:06,960

going through all that protocol all that stuff\h
that i know to do and um then i hear hear music

768

01:27:09,280 --> 01:27:13,680

and then i hear a beautiful\h
voice talking in a language that\h\h

769

01:27:15,680 --> 01:27:22,880

made me feel very comfortable and at home and i'm\h
hearing that language and i can almost understand\h\h

770

01:27:22,880 --> 01:27:28,240

what they're saying what she's saying this woman\h
is talking with this music in the background and

771

01:27:30,800 --> 01:27:36,480

then i like come out of that tunnel and i i'm\h
like think sherry think think you're sherry\h\h

772

01:27:36,480 --> 01:27:40,800

you're sherry you're on earth where are you you\h
know reminding myself of where i was and who i was\h\h

773

01:27:41,440 --> 01:27:44,720

and i was like come on where are you\h
where are you come on come to the surface\h\h

774

01:27:45,520 --> 01:27:52,160

and it took me a while and then finally\h
i managed to open my eye lids and i see\h\h

775

01:27:52,160 --> 01:27:58,240

jim sitting in the corner of his room and he's\h
got this kind of horrified look on his face\h\h

776

01:27:59,120 --> 01:28:07,920

and i'm like where am i that i can't do much\h
i can't talk and i still hear this voice

777

01:28:10,480 --> 01:28:14,000

and then i become aware that the\h
voice is speaking in a different\h\h

778

01:28:14,000 --> 01:28:21,280

language a language i know but then she switches\h
to english and i hear her say with a very thick\h\h

779

01:28:21,280 --> 01:28:25,920

accent you don't can do this to her don't\h
you know you kill her you kill her she know\h\h

780

01:28:27,840 --> 01:28:34,640

and um as this woman is that voice is saying that\h
i become aware that it's coming out of me and at\h\h

781

01:28:34,640 --> 01:28:38,880

the same time i become aware that jim is horrified\h
by what she's saying or what i'm saying but it's\h\h

782

01:28:38,880 --> 01:28:44,000

not me but it's coming out of my mouth and the\h
woman is saying you know that you're trying to\h\h

783

01:28:44,000 --> 01:28:49,200

kill her and this is like this is killing her and\h
get this iv get this out of her stop to stop this\h\h

784
01:28:49,200 --> 01:28:56,400
now and then i see jim jump up and and run out the\h
door then i fade back out and when and then i come\h\h

785
01:28:56,400 --> 01:29:04,000
back to again and again i hear the song this music\h
and this voice speaking beautifully and um the iv\h\h

786
01:29:04,000 --> 01:29:13,760
has been disconnected from me and i'm coming\h
to the surface and i can't talk but this voice\h\h

787
01:29:13,760 --> 01:29:18,960
is speaking through me and i become aware and i\h
question i'm like who who is in control of my body\h\h

788
01:29:19,680 --> 01:29:27,120
and i understand her name i hear her name which\h
is really really long and her name means her name\h\h

789
01:29:27,120 --> 01:29:33,840
means river of life i remember that because when\h
i heard her say her name tell me her name it meant\h\h

790
01:29:33,840 --> 01:29:41,680
to me river of life and she's scolding the nurse\h
and then she stops abruptly and she looks at her\h\h

791
01:29:42,240 --> 01:29:47,440
and she says oh see you have a kind heart you see\h
you have a kind heart you didn't mean to kill her\h\h

792
01:29:48,320 --> 01:29:55,600
um you were trying to help i'm sorry but we are\h
here to protect her it is our job to protect\h\h

793
01:29:55,600 --> 01:30:03,520
sherry and she was in serious danger there were\h
those who were going to steal her soul and um\h\h

794

01:30:04,320 --> 01:30:10,560

the nurse handled it pretty good and she said\h
well who am i speaking to and and the woman\h\h

795

01:30:10,560 --> 01:30:15,360

started to say her name which was that long name\h
but then she stopped and she said just call me\h\h

796

01:30:15,360 --> 01:30:23,280

you can call me maria and the nurse said well\h
where is sherry is sherry okay and she said yes we\h\h

797

01:30:23,280 --> 01:30:31,040

have her in protection she's she's here but she um\h
needs to rest now for a while but she's safe now\h\h

798

01:30:31,040 --> 01:30:38,720

but you can't do this to her do you not understand\h
she's not human she doesn't have a body like\h\h

799

01:30:39,280 --> 01:30:48,640

yours and so you can't do these things to her and\h
um so the nurse was just as sweet as could be and\h\h

800

01:30:50,240 --> 01:30:52,960

she i thought she did a really\h
good job of staying calm\h\h

801

01:30:53,600 --> 01:30:58,960

she kept leaving the room and coming back\h
i think to shake it off a little bit but\h\h

802

01:31:00,640 --> 01:31:05,200

i was kept in the background it was like\h
i was behind the screen and i could i\h\h

803

01:31:05,200 --> 01:31:10,880

could see and hear everything going on but i\h
couldn't respond and i was really tired i was\h\h

804

01:31:11,920 --> 01:31:18,400

very tired i wasn't i never was in any fear i\h
never had any fear about what was going on but i\h\h

805

01:31:18,400 --> 01:31:24,800

i didn't know that this soul was in\h
danger and that my body was in danger so\h\h

806

01:31:25,520 --> 01:31:34,880

um this maria came through and kept me safe\h
now i think i came back to the surface after\h\h

807

01:31:35,440 --> 01:31:42,880

maybe 45 minutes or so to an hour i don't know\h
that for sure but we left the clinic eventually\h\h

808

01:31:43,440 --> 01:31:46,720

and maria was still there i could\h
still sense her there with me\h\h

809

01:31:47,440 --> 01:31:54,080

and i could even channel her somewhat or let\h
her come through to speak but i was so so tired\h\h

810

01:31:55,200 --> 01:32:04,320

the drive home was about an hour and we came\h
home and um i laid down in my bed and as soon\h\h

811

01:32:04,320 --> 01:32:10,640

as i laid down the room filled with a light a red\h
light usually it's white but this was a red light\h\h

812

01:32:10,640 --> 01:32:18,880

light and i sat up in bed and i saw this little\h
machine come down into my bedroom sitting area\h\h

813

01:32:18,880 --> 01:32:26,960

and i've seen that machine before it was familiar\h
to me and it's a company's it's it's accompanied\h\h

814

01:32:26,960 --> 01:32:32,080

with these little these little guys who come\h
in and they've done healing on me several times\h\h

815

01:32:32,800 --> 01:32:38,800

i think they're syrian but i'm not sure\h
they're little sweet they have little cute\h\h

816

01:32:38,800 --> 01:32:46,400

little face faces and so i said what i always\h
say when i have visitors i always say welcome\h\h

817

01:32:47,360 --> 01:32:54,240

are you here to take me home are you\h
here to take me home and they said no\h\h

818

01:32:55,120 --> 01:33:02,320

we are here to reset your brain the right way they\h
made a joke about it and so they did they um that\h\h

819

01:33:02,320 --> 01:33:07,840

one that one was a times and the next morning\h
i was in the next morning when i got up i felt\h\h

820

01:33:08,400 --> 01:33:13,600

really clear-headed i mean the protocol i'm\h
doing now is to get the heavy metals the\h\h

821

01:33:14,400 --> 01:33:18,400

poison out of my brain because i believe there's\h
still some in there which is causing the vertical\h\h

822

01:33:19,040 --> 01:33:25,200

my vagus nerve is inflamed and my brain\h
is probably inflamed from the poison or\h\h

823

01:33:25,200 --> 01:33:30,480

maybe it's from the emfs i'm not sure the directed\h
energies i don't know but something's inflaming it\h\h

824

01:33:30,480 --> 01:33:39,040

causing me to have all this dizziness and blurry
vision but that's the story of um maria and um

825

01:33:39,040 --> 01:33:44,160

i keep asking her to come back and if she really
wants to protect me come back and take away this

826

01:33:44,160 --> 01:33:49,680

vertigo but they don't listen to me i understand
it's probably because i have to finish off this

827

01:33:49,680 --> 01:33:56,080

mission but mostly well sherry do you well sherry
do you um instead of me just constantly asking

828

01:33:56,080 --> 01:34:01,520

the questions do you want to go into q a so that
people can ask some of the questions themselves

829

01:34:02,320 --> 01:34:06,400

it was always my favorite part of the lecture as
you know i always love the q a with the crowd so

830

01:34:06,400 --> 01:34:12,000

yeah i'd love to do that that'd be good all
right so please in the comments if you could

831

01:34:12,000 --> 01:34:17,200

put three stars before your question so that
that way i know you're not just chatting with

832

01:34:17,200 --> 01:34:23,760

with each other in the in the chat rooms and
i know it's directed towards um sherry also in

833

01:34:23,760 --> 01:34:30,320

in telegram if you simply tap on that little guy
that you know looks like a raised hand that tells

834

01:34:30,320 --> 01:34:36,240

me that you want to already correctly so um i do\h
have one more question for sherry so during that\h\h

835

01:34:36,240 --> 01:34:41,840

time i'll let you guys uh write out your questions\h
or get yourself ready in telegram and then we'll\h\h

836

01:34:41,840 --> 01:34:50,480

get we'll get going so sharing how much longer do\h
you foresee um this basically happening on on the\h\h

837

01:34:50,480 --> 01:34:58,080

planet in general until all this confusion about\h
uh mass and mandates and all these things finally\h\h

838

01:34:58,080 --> 01:35:05,120

um settled down because um you know it's it's not\h
even a crazy thought but it's made to be a crazy\h\h

839

01:35:05,120 --> 01:35:11,680

thought that there's so much data from actual\h
scientists biologists virologists that are simply\h\h

840

01:35:12,480 --> 01:35:19,040

shut out and not allowed to speak and so when\h
will that kind of rejoin the overall scientific\h\h

841

01:35:19,040 --> 01:35:25,360

community so that you know we have the the bigger\h
picture and not just one one push narrative\h\h

842

01:35:26,880 --> 01:35:30,400

well the last time i checked on that\h
and it's been a while it's been like\h\h

843

01:35:30,400 --> 01:35:37,280

it was a year ago i think almost that i when i\h
checked in on that and what i got was um 2023\h\h

844

01:35:38,160 --> 01:35:45,680

based on that timeline that that would be\h
20 23 before things calm down to where um\h\h

845

01:35:45,680 --> 01:35:53,440

life could be considered um more enjoyable\h
somewhat enjoyable but i'm always constantly being\h\h

846

01:35:53,440 --> 01:35:58,480

reminded that there you know there's multi i mean\h
there's endless timelines and everything is up to\h\h

847

01:35:58,480 --> 01:36:05,840

the collective so it's all on us the sooner that\h
we wake up and those who are asleep wake up and\h\h

848

01:36:06,800 --> 01:36:11,840

know the truth of what's going on and recognize\h
it because it's all it's on us to bring that about\h\h

849

01:36:12,560 --> 01:36:20,560

and yeah the controllers have the ability to call\h
the shot and call the shots to some extent but if\h\h

850

01:36:20,560 --> 01:36:26,720

the humans if they would just not put on the mask\h
or just or and refuse to comply i mean it wouldn't\h\h

851

01:36:26,720 --> 01:36:33,600

take much at all but we've got a handful of people\h
who are out there you've got some fantastic truth\h\h

852

01:36:33,600 --> 01:36:38,720

truthers you know out there that are working hard\h
and there's well and there's there's this new\h\h

853

01:36:38,720 --> 01:36:46,320

thing that just came out um about the constitution\h
being so there's a i sent it to you ahead and\h\h

854

01:36:47,280 --> 01:36:50,640

i don't even know what to call it but that
gives me a lot of hope that there are these

855

01:36:51,280 --> 01:36:58,000

these um groups that have organized to where they
are suing the federal government for trillions

856

01:36:58,000 --> 01:37:04,080

of dollars and basically firing everybody in
washington and and um have set out these goals

857

01:37:04,640 --> 01:37:09,120

that all of us should sign that petition
and i'm sorry that i don't have the name

858

01:37:09,120 --> 01:37:15,040

of it but um maybe you could put in us um in the
comments or some um in the comments or something

859

01:37:15,040 --> 01:37:19,840

but that gives me a lot of hope so it's
it's on the humans you know that's why

860

01:37:20,720 --> 01:37:24,640

it's human nature to want to be saved and
you know they have that savior complex

861

01:37:25,200 --> 01:37:31,920

and it doesn't work that way it's on them to wake
up see what's been going on see how the wolves

862

01:37:31,920 --> 01:37:37,760

been pulled over their eyes and to decide it's
not going to come from the government to say okay

863

01:37:37,760 --> 01:37:41,760

now you're free you know go about your business
and live your lives you don't worry about the mass

864

01:37:41,760 --> 01:37:45,440

anymore we don't we're not going to require
that anyone it's not going to be that way

865

01:37:46,000 --> 01:37:51,200

humans the people have to say we're not taking
it anymore we're not gonna be controlled i mean

866

01:37:51,200 --> 01:37:56,160

that's what the wake up is that's what the great
event on planet earth is all about people finding

867

01:37:56,160 --> 01:38:02,160

their power declaring their sovereignty and not
being a victim anymore it's all about the whole

868

01:38:02,160 --> 01:38:08,400

thing about being a victim it's just ingrained
and entrenched in this in this planet so deeply

869

01:38:08,400 --> 01:38:13,360

not think of yourself as a victim but you just you
can't they have to find their voice they have to

870

01:38:13,360 --> 01:38:22,720

find their their power so it'll happen as soon as
they decide thank you for that so um sherry the

871

01:38:22,720 --> 01:38:32,480

the first question i have is from andrea says
why the et's why the ets take eggs what was

872

01:38:32,480 --> 01:38:39,920

the program program about well there's a lot of
different hybrid programs a lot of them are not

873

01:38:39,920 --> 01:38:48,240

good a lot of them are nefarious um and they're
sad and horrible things that they were doing

874

01:38:48,800 --> 01:38:55,840

but the hybrid program that i participated\h
in was to perpetuate the human species\h\h

875

01:38:56,480 --> 01:39:00,800

because when i came onto the planet\h
when i agreed to come onto the planet\h\h

876

01:39:01,520 --> 01:39:07,840

all those many decades ago humanity wasn't going\h
to make it um they were going to be just they were\h\h

877

01:39:07,840 --> 01:39:15,200

going to destroy themselves and so they were going\h
to kill themselves off again and so they wanted to\h\h

878

01:39:15,200 --> 01:39:24,160

make sure that we perpetuate it we could keep the\h
species going and so we do the hybrid program and\h\h

879

01:39:25,040 --> 01:39:32,560

it's just what my group does you know they they\h
mix their jeans with ours and do enhancements\h\h

880

01:39:32,560 --> 01:39:39,680

i mean i was enhanced um i thought my my body\h
or whatever was enhanced um tampered with um\h\h

881

01:39:39,680 --> 01:39:45,840

you know and a lot of people are in who are in\h
this program you know we consented to our children\h\h

882

01:39:46,640 --> 01:39:57,040

being um their dna being enhanced in certain ways\h
it seems um a lot of people have trouble with that\h\h

883

01:39:57,040 --> 01:40:05,840

and i kind of did it first but it's how it works i\h
mean the the higher life forms are the creators i\h\h

884
01:40:05,840 --> 01:40:12,560
mean that's just how it goes we are creators in the making and so you know we will now probably

885
01:40:12,560 --> 01:40:21,840
find ourselves doing the same thing you know um mixing species to bring about a new form of life

886
01:40:22,560 --> 01:40:28,080
so that's what what the program was that i was all about that's why they do that okay thank you

887
01:40:28,080 --> 01:40:34,720
for that uh forgive me i'm definitely going to be butchering some of these names but um um anuska

888
01:40:35,440 --> 01:40:41,280
i'm sorry i don't know if i'm pronouncing it right it's asking um how can we keep ourselves safe from

889
01:40:41,280 --> 01:40:46,240
any negative race of extraterrestrials what can we do to safeguard ourselves

890
01:40:48,000 --> 01:40:54,320
keep your frequency high i mean um the night the first time no not the first time but one of the

891
01:40:54,320 --> 01:41:02,160
times when the um when the reptilians showed up here at my house i responded to them i don't know

892
01:41:02,880 --> 01:41:08,240
how i did it at the time but i responded to them by sending love to them and i did i just

893
01:41:08,240 --> 01:41:15,440
felt nothing but love and compassion for this big old reptilian guy who was standing here

894

01:41:16,080 --> 01:41:22,160

and that i don't know if it kept me safe or if
there was anything to even be afraid of but i just

895

01:41:22,160 --> 01:41:27,920

felt nothing but love for him and when i talked to
da about it the next morning because i i got up in

896

01:41:27,920 --> 01:41:32,640

the morning and i was upset with myself because
i was like oh my god sherry there was a reptilian

897

01:41:32,640 --> 01:41:37,280

here and you just you know you just stood there
and sent them love i mean what's wrong with you

898

01:41:38,000 --> 01:41:44,560

and that you know came through and he said what's
what are you frightening about sherry or what what

899

01:41:44,560 --> 01:41:49,680

are you worried about or something and i said
well there was a reptilian here last night and

900

01:41:49,680 --> 01:41:53,760

you know and they're eve i understand
they're evil aren't they evil and you

901

01:41:53,760 --> 01:42:00,240

know what can i do and he told me then stand in
the truth of who you are they can't touch you

902

01:42:01,200 --> 01:42:05,520

so if you stand in the knowingness that you
are saved that you are a divine being you are

903

01:42:05,520 --> 01:42:12,080

a sovereign child of the creator you have every
right to be here and that you are all powerful and

904

01:42:12,080 --> 01:42:18,320

you know that truth about yourself they can't hurt\h
you they can't touch you that's the truth of it\h\h

905

01:42:18,320 --> 01:42:24,320

but you know to get to that point sometimes it's\h
more than just saying it and thinking that you\h\h

906

01:42:24,320 --> 01:42:31,920

have you have to live it you have to live in a\h
way like like when they tell you to tell them to\h\h

907

01:42:31,920 --> 01:42:38,560

put the mask on i mean you going back to that\h
conversation you you don't just go oh okay no\h\h

908

01:42:38,560 --> 01:42:43,840

you you know da says it starts with one and when\h
i would try to get into a store and i had people\h\h

909

01:42:43,840 --> 01:42:48,560

screaming because i'm walking around without a\h
mask i just calmly stand there and i take it till\h\h

910

01:42:48,560 --> 01:42:53,760

they're out of wind and out of breath and their\h
red face and buggy eyes are calmed down and i just\h\h

911

01:42:54,320 --> 01:42:59,600

talk to them calmly about you know do you\h
understand that you're being manipulated and\h\h

912

01:42:59,600 --> 01:43:07,760

that fear is what's driving you and that is a sad\h
state for you to be in so you have to be calm and\h\h

913

01:43:08,320 --> 01:43:12,400

you have to be in touch with the truth of who you\h
are you have to practice it you have to live it\h\h

914

01:43:12,400 --> 01:43:18,640

you pray that it's your it's your set point as i\h
used to say it's your reset point it's who you are\h\h

915

01:43:18,640 --> 01:43:25,520

at your very core and you know it so when you get\h
to that point you don't have to worry about it and\h\h

916

01:43:25,520 --> 01:43:31,840

you have to and also on some level i mean those\h
who are messed with by the reptilians and that\h\h

917

01:43:32,400 --> 01:43:37,600

they have agreed to that experience on some\h
level and it's that it's not always conscious\h\h

918

01:43:37,600 --> 01:43:42,480

it's not usually conscious not just like just\h
like me with my sickness with getting sick\h\h

919

01:43:43,200 --> 01:43:50,080

but on some level i accept that i agree to it and\h
so you know that about yourself it's empowering to\h\h

920

01:43:50,640 --> 01:43:59,440

to know that so i hope that helps you no\h
fear no thank you for that um mallory m is

921

01:44:01,520 --> 01:44:07,200

basically making more of a statement but then\h
does have a question as well i feel like i i too\h\h

922

01:44:07,200 --> 01:44:13,440

am a volunteer a volunteer without discrete\h
minders like da her story feels similar to\h\h

923

01:44:13,440 --> 01:44:19,280

what i believe my story is the sherry agreed\h
that not all volunteers have minders like dal

924

01:44:21,840 --> 01:44:26,560

what do you call it mike i guess she calls it
guess she calls it da your minder i don't know

925

01:44:26,560 --> 01:44:34,240

what that means like uh maybe like a a guide
don't know yeah okay yeah he feels like family

926

01:44:34,240 --> 01:44:39,600

to me he feels like an extension of myself so
just because you don't have contact with them

927

01:44:39,600 --> 01:44:48,560

or have an awareness of of that you do your cosmic
family is close to you they are your family and so

928

01:44:48,560 --> 01:44:54,240

if your story is similar to mine um you just
haven't for whatever reason maybe it was agreed

929

01:44:54,240 --> 01:44:59,520

upon ahead of time that you weren't going to have
that kind of communication in my case i know

930

01:44:59,520 --> 01:45:07,680

asked him to stay close near me you know stay in
constant contact with me so i didn't get lost

931

01:45:07,680 --> 01:45:15,600

the in the in this world and the illusion so yeah
you've got family there and if you decide now that

932

01:45:15,600 --> 01:45:21,600

you want to have that communication that contact
you can ask for it i know they're busy i mean they're

933

01:45:21,600 --> 01:45:29,040

really aren't i mean they're people like us and
they're up there on the ships or you know and um

934

01:45:29,760 --> 01:45:33,680

they're doing their work and they're doing a lot of work but um you can still ask for that

935

01:45:33,680 --> 01:45:39,680

communication and ask that that be opened up and you can do it maybe start through

936

01:45:39,680 --> 01:45:44,240

meditation maybe or just however it feels most comfortable to you and see what happens

937

01:45:46,800 --> 01:45:54,560

okay thank you for that sherry yeah sorry i'm just my chat keeps jumping up and down on me here

938

01:45:54,560 --> 01:46:00,640

um usually i'm trying to decide uh people that already ask a question whether or not i should

939

01:46:00,640 --> 01:46:05,520

skip and get to everyone else and then go back to it but then the way down the list trying to weigh

940

01:46:05,520 --> 01:46:12,720

down the list trying to find them again in the list so i'll i guess i won't skip it um i'll just

941

01:46:12,720 --> 01:46:18,400

while it's on my same screen i'll ask the second one first and then first one second

942

01:46:18,400 --> 01:46:25,360

so anyway uh next one is from erin and alex asking hi sherry on coast to coast a few days ago

943

01:46:25,360 --> 01:46:32,080

a army sergeant discussed or government or governments are ever going to tell us the truth

944

01:46:34,080 --> 01:46:40,800

probably not i don't expect our governments\h
to last that much longer on the planet i think\h\h

945

01:46:40,800 --> 01:46:45,680

you know once people wake up i think that\h
they are going to be wanting to change the\h\h

946

01:46:45,680 --> 01:46:53,840

structure of the way the political systems are\h
arranged but even so to answer your question\h\h

947

01:46:55,680 --> 01:47:01,280

i don't know that they that i would look for that\h
i don't know i mean i personally don't feel like i\h\h

948

01:47:01,280 --> 01:47:07,200

need that validation or their explanation because\h
you don't know if you can believe it anyway\h\h

949

01:47:07,200 --> 01:47:10,320

um although hopefully we're headed\h
in and eventually we'll get there\h\h

950

01:47:10,880 --> 01:47:18,560

to where there will be honesty and truth but i\h
think we'll find it was just a gigantic cover-up\h\h

951

01:47:19,280 --> 01:47:25,120

and that a lot of the conspiracy theories that you\h
hear about are really true that they did capture\h\h

952

01:47:25,920 --> 01:47:34,480

some some entities some et's there and\h
uh i don't know what they did with them\h\h

953

01:47:34,480 --> 01:47:42,160

that's that's disconcerting you know\h
i don't know but um i think if we get\h\h

954

01:47:42,160 --> 01:47:49,600

a story from them it'll be a manicured story to\h
cast them in a more favorable light than probably\h\h

955

01:47:49,600 --> 01:47:56,560

they should be because i think i don't think\h
they're they have many scruples i mean that was\h\h

956

01:47:57,680 --> 01:48:05,920

at a time when um things were already corrupt\h
and it was all about them and controlling the\h\h

957

01:48:05,920 --> 01:48:12,320

masses and keeping us in the dark so so the story\h
would not be pretty so if it comes out it'll come\h\h

958

01:48:12,320 --> 01:48:20,400

out in an abbreviated form and that'll be it\h
so okay thank you uh the next question um is\h\h

959

01:48:20,400 --> 01:48:29,120

from i skipped on me again as from um a nurse\h
guy again asking is there any extraterrestrial\h\h

960

01:48:29,120 --> 01:48:36,000

force involved in the spread of of pandemic\h
is there any gain of truth to that theory

961

01:48:39,920 --> 01:48:42,000

i would say that

962

01:48:44,320 --> 01:48:49,280

the it's really that i'm getting that\h
it's not the pandemic it's not the\h\h

963

01:48:50,240 --> 01:48:59,280

what i call a flu or the colvin um that\h
the extraterrestrial the influence from the\h\h

964

01:48:59,280 --> 01:49:06,320

observance came in on the on the inoculation the\h
v and because that's the point of the whole thing\h\h

965

01:49:06,880 --> 01:49:11,120

the point of the whole thing was to get you to\h
take the shot i mean they've been pushing them\h\h

966

01:49:11,120 --> 01:49:16,480

i mean it's on every corner every walgreens every\h
grocery store i mean they're even paying people um\h\h

967

01:49:17,200 --> 01:49:22,240

against the flu and the shingles and pneumonia and\h
every other thing they can think of trying to get\h\h

968

01:49:22,240 --> 01:49:28,720

you to be to take the injection and injection into\h
your body that's been their goal because that once\h\h

969

01:49:28,720 --> 01:49:34,960

they have that injection in you um they've got\h
you you know and that's what their end goal was\h\h

970

01:49:35,600 --> 01:49:42,800

so that had the reptilians fingerprints all around\h
it and on it and of course the evil ones here on\h\h

971

01:49:42,800 --> 01:49:48,880

plan on the planet the pandemic was just that's\h
a story that they pushed that i think they were\h\h

972

01:49:49,600 --> 01:49:55,840

they had to be pretty pleased with how well\h
it worked how quickly the humans you know\h\h

973

01:49:56,560 --> 01:50:03,440

feloned lying and obeyed but that's you know\h
that's the nature of humans if if they thought\h\h

974

01:50:03,440 --> 01:50:06,720

they were endangering somebody that's\h
what they would do and they were counting\h\h

975

01:50:06,720 --> 01:50:11,680

on the sweetness and the kindness of the humans\h
you know don't do it for yourself do it for\h\h

976

01:50:11,680 --> 01:50:17,520

others which really pisses me off because\h
they're using you and they're playing you\h\h

977

01:50:18,400 --> 01:50:25,680

um but that's the way i see it i see definitely\h
the there is the reptilian influence in the\h\h

978

01:50:25,680 --> 01:50:31,840

luciferian i mean that's who's behind all\h
of this so yeah but it's not necessarily the\h\h

979

01:50:31,840 --> 01:50:37,840

pandemic that they're that was a means to an end\h
which is to get you injected with their poison\h\h

980

01:50:39,440 --> 01:50:45,920

okay um just real quick again for those\h
that have a question um i've been kind of\h\h

981

01:50:45,920 --> 01:50:50,400

thoroughly looking through maybe thinking that\h
some of you might never heard what i said earlier\h\h

982

01:50:50,400 --> 01:50:55,520

please if you can include i think it's um\h
shift eight and just three stars before your\h\h

983

01:50:55,520 --> 01:51:00,160

question and that that that way i know it's\h
for sherry it makes it so much easier for me\h\h

984

01:51:00,160 --> 01:51:07,360

sifting through i really appreciate it um\h
so the let me see the next question here

985

01:51:09,680 --> 01:51:16,320

this one is from uh russell uh asking what uh what\h
are her thoughts on the transhumanism movement

986

01:51:18,400 --> 01:51:24,240

oh well yeah i mean that's what we're looking\h
at right that's what we're talking about um\h\h

987

01:51:25,760 --> 01:51:28,240

it's unfortunate it won't be allowed to happen\h\h

988

01:51:29,280 --> 01:51:35,040

i just i'm quite certain it will not be\h
allowed to um to go that far i think that\h\h

989

01:51:35,760 --> 01:51:43,280

i mean the first step the first steps have\h
been taken with the v with the v and um\h\h

990

01:51:44,400 --> 01:51:50,000

so i think there's going to be some major i\h
would hope there would be some major events\h\h

991

01:51:50,000 --> 01:51:56,480

and some major disclosures and some big steps\h
taken in the next i don't think we've got years\h\h

992

01:51:56,480 --> 01:52:03,840

we're talking i think months weeks maybe even\h
because the more people that get that damn jab

993

01:52:06,400 --> 01:52:12,000

we have to try to reverse that if we can they have\h
to have the ability and that might come from our\h\h

994

01:52:12,000 --> 01:52:21,920

star families but um and if that doesn't happen\h
then um the next level of it it's got it's got to\h\h

995

01:52:21,920 --> 01:52:26,000

be put to a halt i don't think they're gonna\h
that our cosmic family i don't think they're\h\h

996

01:52:26,000 --> 01:52:31,840

gonna allow it to go in the what we call i guess\h
we'd call them the white hats who are working with\h\h

997

01:52:32,800 --> 01:52:40,720

the good et's on the benevolent et's thank\h
god for them i don't believe i'm really\h\h

998

01:52:40,720 --> 01:52:47,920

quite certain that's not gonna not gonna go\h
there not gonna happen okay thank you uh the\h\h

999

01:52:47,920 --> 01:52:54,320

next question is from um jennifer g asking what\h
exactly is it about the shot that is dangerous

1000

01:52:56,560 --> 01:53:01,040

what's in it poisons um little transmitters um

1001

01:53:03,200 --> 01:53:06,880

i mean i my knowledge of it is

1002

01:53:09,520 --> 01:53:14,320

that it is the first step in\h
transhumanism um once you get the shot

1003

01:53:16,560 --> 01:53:19,760

i mean and then do you want me to talk about\h
this because it's pretty fear-based stuff

1004

01:53:22,960 --> 01:53:28,480

you know like i was telling you earlier um you\h

know you have to start in fear and resolve it\h\h

1005

01:53:28,480 --> 01:53:32,960

in order to eventually get to the light and if\h
we just talk about the light they don't know\h\h

1006

01:53:32,960 --> 01:53:39,920

what fear got us to the light so i mean i'm\h
not expecting much from youtube to you know\h\h

1007

01:53:39,920 --> 01:53:45,920

promote the channel anyway if anything they might\h
you know um they haven't taken us down yet so\h\h

1008

01:53:46,560 --> 01:53:50,320

talk away yes i'm surprised i'm kind\h
of surprised at that but they haven't\h\h

1009

01:53:50,320 --> 01:53:52,960

you know i don't i don't want to\h
be the one to bring it out but

1010

01:53:58,000 --> 01:54:07,680

well the um what it does is that\h
it stops you from ascending it's\h\h

1011

01:54:07,680 --> 01:54:16,800

done there it is a cocktail made to\h
affect your soul and that you once you\h\h

1012

01:54:18,160 --> 01:54:30,720

take it um that um you will not you will not\h
be able to ascend and i mean that kind of goes\h\h

1013

01:54:30,720 --> 01:54:38,000

anyway along with what seemed to me to be i mean\h
i've been saying that we're in the split we're in\h\h

1014

01:54:38,000 --> 01:54:41,920

a split and you're going to be asked i mean the\h

few interviews i did during the time i was sick\h\h

1015

01:54:42,640 --> 01:54:49,120

um i kept warning people who were in the\h
split and you know wake up now don't wait\h\h

1016

01:54:49,120 --> 01:54:57,040

for things to get rougher and wake up now but\h
and so it's it's a choice between fear and love\h\h

1017

01:54:57,760 --> 01:55:04,880

and if you side it with fear then you did wear\h
the mask and you and you got put a jab and and\h\h

1018

01:55:05,440 --> 01:55:11,840

by making that decision you chose to stay in\h
the third dimension you chose to stay um in a\h\h

1019

01:55:11,840 --> 01:55:19,520

3d world of duality and continue on your journey\h
there rather than go into the higher frequency\h\h

1020

01:55:20,560 --> 01:55:25,120

so that kind of goes hand in hand with\h
what the truth of the matter is because\h\h

1021

01:55:25,120 --> 01:55:33,200

the what i understand is in the is something that\h
is something that genetically will not allow you\h\h

1022

01:55:34,400 --> 01:55:38,800

and actually i mean it's the reptilians they\h
they're the ones who put that together so\h\h

1023

01:55:38,800 --> 01:55:47,440

how evil are they they're pretty evil so it's\h
nasty stuff it um it will they want you to to um\h\h

1024

01:55:48,480 --> 01:55:55,200

stay unawakened they want you to stay\h

unaware it is supposedly it will um\h\h

1025

01:55:55,200 --> 01:56:03,120

keep you from becoming aware and awake and will\h
hold you in a low frequency because they do want\h\h

1026

01:56:03,120 --> 01:56:08,160

you to be kept as their slave and they don't\h
want to give up the good thing they've had here\h\h

1027

01:56:08,960 --> 01:56:15,040

so that's my understanding is what it does um\h
you know there's speculation there's all these\h\h

1028

01:56:15,600 --> 01:56:21,520

doctors talking about how\h
um you know it it could um

1029

01:56:23,920 --> 01:56:30,800

they're expecting many other people\h
to to be gone to die within two years\h\h

1030

01:56:31,760 --> 01:56:37,920

but i would not necessarily subscribe to\h
that i think that there could be you know\h\h

1031

01:56:37,920 --> 01:56:44,160

that that might be fear-mongering it could\h
be um or it could be reversed possibly by\h\h

1032

01:56:45,440 --> 01:56:50,880

technology we've got the med beds coming out we've\h
got other technology we've got the the sooner we\h\h

1033

01:56:50,880 --> 01:56:57,680

wake up the sooner this happens and we and we\h
take out the dark ones the more hope there is to\h\h

1034

01:56:57,680 --> 01:57:06,880

reverse the effects of that of that decision so i\h

don't want to bring about fear by saying all that\h\h

1035

01:57:07,440 --> 01:57:13,680

and it's just what i it's what i know what i know\h
you know i could be totally my information could\h\h

1036

01:57:13,680 --> 01:57:29,440

be all wrong so stay positive and and trust\h
trust okay thank you for that um the kathy\h\h

1037

01:57:30,080 --> 01:57:37,840

is asking are we in a holographic holographic\h
universe and then in parentheses nature of reality\h\h

1038

01:57:38,480 --> 01:57:48,160

yep you certainly are this is absolutely a\h
holographic um universe and i mean not it's\h\h

1039

01:57:48,160 --> 01:57:54,720

probably more obvious now than ever before\h
and so you know that that belief can also\h\h

1040

01:57:54,720 --> 01:58:04,400

bring peace of mind to you if you're concerned\h
about the the uh results of this pandemic and the\h\h

1041

01:58:04,400 --> 01:58:11,200

the consequences of getting the jab um\h
knowing that it's all an illusion we create it\h\h

1042

01:58:12,000 --> 01:58:19,840

as we go along and so we can create and make\h
anything happen that we want um it's all temporary\h\h

1043

01:58:20,640 --> 01:58:31,120

it's all very fluid this planet with its\h
time and space and solid forms and bodies and\h\h

1044

01:58:32,480 --> 01:58:37,920

everything else that go along with it i\h

mean it's all it's it is it's an illusion\h\h

1045

01:58:38,880 --> 01:58:45,760

and it's temporary and the true the truth of who\h
you are which is which is what everybody should be\h\h

1046

01:58:46,320 --> 01:58:50,560

focusing the truth of who they are the truth\h
of who you are is that you are an eternal\h\h

1047

01:58:50,560 --> 01:58:55,840

divine being you are one with your creator\h
and and truth no harm can come to you\h\h

1048

01:58:56,800 --> 01:59:04,000

no harm can come to you that's that's\h
the bottom line not not truly yes you can\h\h

1049

01:59:04,640 --> 01:59:10,880

suffer i know that while you're here in a body\h
but i mean how many times did i get through\h\h

1050

01:59:11,920 --> 01:59:17,360

some really dark times by just reminding\h
myself that this is an illusion and i tell\h\h

1051

01:59:17,360 --> 01:59:25,440

you that it helped it helped to alleviate\h
the pain and um just remember who you are so\h\h

1052

01:59:27,120 --> 01:59:36,480

that's that's highly important right now so yes it\h
is a holographic universe certainly uh so the um\h\h

1053

01:59:36,480 --> 01:59:42,720

basically two things please if you guys could\h
stick to questions some sometimes people use\h\h

1054

01:59:42,720 --> 01:59:49,520

the three stars and make a statement questions\h

only please also um i'm going to revert back to\h\h

1055

01:59:51,120 --> 01:59:55,840

the questions that came in later because\h
i'm kind of backtracking so this one is from\h\h

1056

01:59:55,840 --> 02:00:03,920

andrea again why do reptilians hate us do they\h
envy us or what do they get from oh or what do\h\h

1057

02:00:03,920 --> 02:00:13,200

they get from all this well they want the planet\h
they want the planet with about a half a billion\h\h

1058

02:00:14,400 --> 02:00:22,240

slaves on it to do their bidding they believe this\h
planet is theirs um and rightfully they they um\h\h

1059

02:00:22,880 --> 02:00:31,200

they feel that they were pushed underground um\h
so the humans could flourish and they were not\h\h

1060

02:00:31,200 --> 02:00:35,600

supposed to mess with the humans but they broke\h
the treaty they broke the contract and they did\h\h

1061

02:00:36,640 --> 02:00:46,240

and it got out of hand free will on this planet is\h
part of the problem but also part of the solution\h\h

1062

02:00:47,360 --> 02:00:54,080

so they do hate us for they hate the\h
humans for for who they are um there's\h\h

1063

02:00:55,200 --> 02:01:00,560

you know the humans are are a unique\h
species that's putting it lightly the\h\h

1064

02:01:00,560 --> 02:01:05,760

humans on earth humans are just unique among\h

all the all the beings that are out there\h\h

1065

02:01:06,320 --> 02:01:12,880

um but they've had a good thing on the\h
planet and they don't want to give it up and\h\h

1066

02:01:13,520 --> 02:01:19,680

they want to kill most of us and keep\h
a handful to do their bidding and\h\h

1067

02:01:21,680 --> 02:01:28,480

they'll do anything to to get that their way but\h
you know we've got the creator on our side we have\h\h

1068

02:01:29,680 --> 02:01:36,160

um many many benevolent races that came here to\h
assist us because it's critical that this planet\h\h

1069

02:01:36,960 --> 02:01:44,560

and the humans survive it's critical because\h
we are all connected that's how it's been set\h\h

1070

02:01:44,560 --> 02:01:51,520

up so there's a lot at stake here so that's\h
why they're fighting tooth and toenail but\h\h

1071

02:01:51,520 --> 02:01:57,440

they're not going to win they've they've really\h
lost they've lost already but it's been a long man\h\h

1072

02:01:57,440 --> 02:02:04,640

it's been a long long battle and you know it's\h
it's been a long battle million years or more\h\h

1073

02:02:04,640 --> 02:02:09,840

millions of years so it's gone on a long time\h
it's time for it to end and put this behind us\h\h

1074

02:02:11,760 --> 02:02:19,360

okay thank you thank you for that so um\h

the next question is from dave asking hi\h\h

1075

02:02:19,360 --> 02:02:27,280

sherry if you have taken taken jab can you\h
counteract effects by does that make sense\h\h

1076

02:02:28,720 --> 02:02:33,840

yeah he's wanting to know that well can\h
you counter the effects by being becoming\h\h

1077

02:02:33,840 --> 02:02:39,760

more aware awakening um well you know there's\h
things there's remedies out there there's um\h\h

1078

02:02:40,960 --> 02:02:44,240

if you know where to look to this\h
whole thing if you know where he looked\h\h

1079

02:02:44,800 --> 02:02:50,400

and it's frustrating i mean the first thing is\h
you certainly can't turn on the tv certainly\h\h

1080

02:02:50,400 --> 02:02:55,360

can't look there and you can look a little bit\h
on youtube but you have to really dig and you\h\h

1081

02:02:55,360 --> 02:03:00,320

have to know and you have to be very discerning\h
but there are doctors out there who have studied\h\h

1082

02:03:00,320 --> 02:03:07,520

the effects of this jab and are putting out what\h
you can take to counter the physical effects of it\h\h

1083

02:03:08,240 --> 02:03:19,440

um you know the you know the spike protein and\h
the um the cell manipulation and the accumulation\h\h

1084

02:03:19,440 --> 02:03:24,880

of fluid that eventually leads to heart failure\h

and that's when the diseases that um are likely\h\h

1085

02:03:24,880 --> 02:03:31,520

to occur so there are things that you can take\h
and and it's i wish i could rattle them off real\h\h

1086

02:03:31,520 --> 02:03:35,600

easily but like and there's a couple different\h
doctors giving different and most of them\h\h

1087

02:03:35,600 --> 02:03:42,080

overlapped though and there's something called\h
nac and massive doses of i think vitamins is\h\h

1088

02:03:42,080 --> 02:03:50,720

vitamin c um but if you look around there are\h
doctors out there very outspoken and they're\h\h

1089

02:03:50,720 --> 02:03:56,400

investigating and they're offering solutions\h
to the physical ramifications of taking it\h\h

1090

02:03:57,040 --> 02:04:05,600

um as for the kind of um the transhumanism thing\h
and the keeping you keeping you in a low frequency\h\h

1091

02:04:06,720 --> 02:04:13,600

it was i don't know why you couldn't say i'm\h
not in agreement with that and i'm not going\h\h

1092

02:04:13,600 --> 02:04:18,080

to play that game and i'm going to wake\h
up and i'm going to raise my frequency\h\h

1093

02:04:18,800 --> 02:04:24,480

and set about doing that it would seem to me\h
that that would that's what i would do and\h\h

1094

02:04:26,160 --> 02:04:32,240

i'm here i mean you're you're god\h

why can't you do that so definitely\h\h

1095

02:04:34,080 --> 02:04:45,840

okay thank you for that um karith the c c-r-i-t-h\h
um krieth says uh what does sherry think of q and\h\h

1096

02:04:45,840 --> 02:04:51,520

uh just real quick there was just a comment before\h
about what i was saying that please no comments\h\h

1097

02:04:51,520 --> 02:04:56,640

we can't have a discussion i mean i understand\h
a good discussion is good but for right now it's\h\h

1098

02:04:56,640 --> 02:05:03,840

just for q a uh you guys can always um contact\h
sherry on her website do you have uh sherry i\h\h

1099

02:05:03,840 --> 02:05:07,680

believe you have a contact information on there\h
where somebody could write you an email correct\h\h

1100

02:05:08,560 --> 02:05:14,720

yeah i have contact i i like it if they go on the\h
blog if they go on the blog and we can have some\h\h

1101

02:05:14,720 --> 02:05:20,800

conversation there if they send me an email i'm\h
trying really hard but my fingers don't work most\h\h

1102

02:05:20,800 --> 02:05:26,080

days i can't always type that easily but i do\h
try to take care of the blog first and foremost\h\h

1103

02:05:26,880 --> 02:05:32,160

um so anyway what i was going to say i would\h
like to direct people to your site and please\h\h

1104

02:05:32,160 --> 02:05:37,040

ask make statements whatever you would you would\h

like but for sake of time and people lined up to\h\h

1105

02:05:37,040 --> 02:05:41,840

ask questions i just would like to get through\h
those so it's not that this is it's you know a\h\h

1106

02:05:41,840 --> 02:05:47,200

discussion is not allowed it's just not feasible\h
i mean that's why i'm having a discussion with her\h\h

1107

02:05:47,200 --> 02:05:54,480

but anyway so the next question is from again\h
krieth asking what does sherry think of q

1108

02:05:57,680 --> 02:06:02,320

i think q is just genius just a genius it's a

1109

02:06:04,480 --> 02:06:12,880

highly uh intelligent military operation\h
that was put in place it's been in place um\h\h

1110

02:06:13,680 --> 02:06:17,920

it's interesting on the whole thing\h
with q goes back to the days of lincoln\h\h

1111

02:06:17,920 --> 02:06:22,240

you know of course we've had other\h
presidents who wanted to try to bring about

1112

02:06:24,720 --> 02:06:27,760

fairness and decency in our\h
government and having the people\h\h

1113

02:06:28,480 --> 02:06:35,440

be in control rather than having a few people\h
at the top line their pockets and star wars\h\h

1114

02:06:36,320 --> 02:06:42,560

and do all the horrible things they've done\h
so q goes back a long way but i think um in\h\h

1115

02:06:42,560 --> 02:06:48,160

this instance it was expanded on because my understanding is that it was put in this plan

1116

02:06:48,160 --> 02:06:57,280

that's in place now the great awakening plan and the trust um trust the plan whole thing with cube

1117

02:06:57,840 --> 02:07:05,680

goes back to when john f kennedy was assassinated and that's i mean they knew then that there were

1118

02:07:07,040 --> 02:07:12,880

dark forces infiltrating our government with uh the objective to take over and destroy

1119

02:07:13,440 --> 02:07:19,760

the country but that was when they started to go on the offense the common offense and

1120

02:07:20,400 --> 02:07:26,800

and um thank god that they did and this has been a long long time in the making is absolutely genius

1121

02:07:27,520 --> 02:07:34,400

the way that they did that and anybody who has not followed it and who ridicules it

1122

02:07:35,280 --> 02:07:42,480

and says how silly it is and it's a bunch of computer geeks and all the other things that they

1123

02:07:42,480 --> 02:07:49,520

say about it they had no clue they had no clue how absolutely highly intelligent this was and

1124

02:07:50,960 --> 02:07:55,680

fantastic plan just fantastic i don't know if we'd be you know on the verge

1125

02:07:55,680 --> 02:08:04,000

of this great change if it weren't for the
cue plan and uh i mean it grabbed me like

1126

02:08:04,000 --> 02:08:09,840

in the beginning my guys told me pay attention
to this i shared it with my course in miracles

1127

02:08:09,840 --> 02:08:16,160

class i think two people out of the whole class
actually did and both of them have thanked me

1128

02:08:16,160 --> 02:08:21,040

so that they have the awareness of what's going
on i think one or two of them might be i think

1129

02:08:21,040 --> 02:08:28,560

they both might be watching this right now but
um it's a shame for those who didn't because i'm

1130

02:08:30,240 --> 02:08:40,160

pretty certain most of them ended up getting the
vaccination and so it's it breaks my heart because

1131

02:08:40,160 --> 02:08:44,640

but you know you can only what is it you can lead
a horse to water you can't make them drinking and

1132

02:08:44,640 --> 02:08:51,040

again every soul has its own path but i'm in awe
of this whole cue movement i think it was just

1133

02:08:51,040 --> 02:08:56,640

it was so much fun to follow and to watch it
was just an amazing thing it was pretty cool

1134

02:08:57,360 --> 02:09:04,320

pretty cool i feel bad for those who missed it
okay thank you for that sherry bradley is asking

1135

02:09:04,320 --> 02:09:10,080

um sherry with free world does that make\h
us especially vulnerable to manipulation\h\h

1136

02:09:10,640 --> 02:09:21,200

also would someone on the path be more vulnerable\h
to attacks yeah um free will is an interesting i\h\h

1137

02:09:21,200 --> 02:09:25,600

mean i could talk for a long time about that and\h
i used to get into it sometimes in my lectures\h\h

1138

02:09:25,600 --> 02:09:29,680

because i have a love hate relationship with\h
free will i i'm not used to having free will\h\h

1139

02:09:30,400 --> 02:09:38,320

um the world that i occupied before i came here\h
we were of one mind and we were in with one mind\h\h

1140

02:09:38,320 --> 02:09:44,480

with our creator and so our will was aligned with\h
the creators and that is for me that is the way i\h\h

1141

02:09:44,480 --> 02:09:51,600

want to live having this free will gives room\h
for the eagle and fear to to rise up and and\h\h

1142

02:09:51,600 --> 02:09:59,120

take over it was it was part of the experiment\h
on planet earth to give humans free will and we\h\h

1143

02:09:59,120 --> 02:10:06,480

see how it turned out um so it's a curse but\h
it's a gift uh and like i said earlier it's\h\h

1144

02:10:07,280 --> 02:10:19,280

in some ways it's it's it's gonna be humanity's\h
way out of this but i i personally prefer to\h\h

1145

02:10:19,280 --> 02:10:23,840

unite my will with my creators and i affirm\h
every day that my will is one with my creator\h\h

1146

02:10:24,800 --> 02:10:31,840

and that that i allow the creator's voice to\h
come through me and show me where to go and what\h\h

1147

02:10:31,840 --> 02:10:37,600

to do and what path to be on because if you're\h
aligned with your creator then you're in a much\h\h

1148

02:10:38,160 --> 02:10:46,480

much better place your decisions are are wiser and\h
it's just a better i think it's a better existence\h\h

1149

02:10:48,160 --> 02:10:57,920

to be aligned with your higher self or even better\h
the creator so um and are those on the path more\h\h

1150

02:10:57,920 --> 02:11:09,840

vulnerable to attack i think that you say um sadly\h
yeah that's actually um when you're waking up\h\h

1151

02:11:11,040 --> 02:11:16,240

i think it's fairly well known by us that\h
um when you're going through the waking\h\h

1152

02:11:16,240 --> 02:11:22,320

awakeness and your vibration increases and i\h
actually i've been told and i from what i have\h\h

1153

02:11:22,320 --> 02:11:27,600

seen and witnessed i believe it's probably true\h
that the dark ones do have a way of monitoring\h\h

1154

02:11:27,600 --> 02:11:34,880

the masses and when your frequency reaches\h
a certain a certain level that it just\h\h

1155

02:11:35,600 --> 02:11:43,360

triggers a response from the dark ones and you\h
might get attacked but hey fun and games you know

1156

02:11:45,680 --> 02:11:51,680

you just it's part of the awakening and if you\h
experience that you'll know how to deal with it\h\h

1157

02:11:51,680 --> 02:11:59,360

and you stand strong in who you are and you affirm\h
it's it's a test because when you do wake up you\h\h

1158

02:12:00,000 --> 02:12:06,480

you do go through what do they call that the i'm\h
starting to get tired so uh the night of the the\h\h

1159

02:12:07,840 --> 02:12:13,440

what's it called that now anyway you go through\h
all kinds of trials and tribulations and\h\h

1160

02:12:14,000 --> 02:12:20,800

most of us who wake up we have great losses you\h
lose everything usually your life is stripped\h\h

1161

02:12:20,800 --> 02:12:29,040

down to nothing that's part of the process of the\h
awakening and it's necessary and it teaches you\h\h

1162

02:12:29,040 --> 02:12:34,240

you learn and it helps you to remember who\h
you are you're not your job you're not your\h\h

1163

02:12:34,240 --> 02:12:39,760

relationship you're not your money you're not\h
your house you're not your car you're not you're\h\h

1164

02:12:39,760 --> 02:12:47,840

good health you're not anything you are\h
an eternal soul one your creator and

1165

02:12:51,840 --> 02:12:55,200

i'm sorry will you i apologize well
you're going to say something else

1166

02:12:56,320 --> 02:13:01,840

nope i'm just going to say it's just it's just
the way it goes and there's no escaping it

1167

02:13:03,280 --> 02:13:09,840

um sorry i lost my my spot in the
okay the next question is from fab 22

1168

02:13:10,640 --> 02:13:18,800

saying where the reptilians on gaia before human
my understanding is that they were yeah they've

1169

02:13:18,800 --> 02:13:26,880

been here they've been here longer than the homo
sapien the homo sapien um but the planet was

1170

02:13:27,760 --> 02:13:36,480

earth was created for the humans so the reptilians
had no they had they really didn't have any right

1171

02:13:36,480 --> 02:13:44,480

to be here they claimed it as their planet for
selfish reasons but it was created for the humans

1172

02:13:44,480 --> 02:13:50,400

to be introduced and they were introduced at
a later time but it's not like um homesteading

1173

02:13:50,400 --> 02:13:59,200

where you can stake a flat in the ground and say
this is mine the creators who did this experiment

1174

02:14:00,400 --> 02:14:07,280

knew full well that they they were going to see
the planet with the homo sapiens and see how they

1175

02:14:07,280 --> 02:14:11,920

grew and their obtains didn't have any right to be\h
here and they were asked to leave and they didn't\h\h

1176

02:14:11,920 --> 02:14:20,240

want to and they some did most did but those\h
that didn't went underground and agreed to to\h\h

1177

02:14:20,240 --> 02:14:25,520

share the planet and not interfere with the\h
with the product with the the program that\h\h

1178

02:14:25,520 --> 02:14:31,360

was going on on the surface but they did and\h
so they're not welcome to stay here anymore

1179

02:14:33,920 --> 02:14:40,800

uh sherry how you doing um energy wise for q\h
a uh do you want me to just to pick a few and\h\h

1180

02:14:40,800 --> 02:14:47,520

make that be it for today or no it's i can\h
keep going i i love the interaction you know it\h\h

1181

02:14:47,520 --> 02:14:51,760

actually gives me energy i couldn't remember dark\h
night of the soul when i was given that answer\h\h

1182

02:14:51,760 --> 02:14:56,560

yeah i was just saying uh stacy in the comments\h
said something about uh dark night of the soul i\h\h

1183

02:14:56,560 --> 02:15:01,040

wasn't i wasn't i'm not too familiar with this i'm\h
sorry i couldn't help you out when you were asking\h\h

1184

02:15:01,840 --> 02:15:11,040

that's okay um no go ahead ask some more questions\h
right sorry i'm losing my spot here again because\h\h

1185

02:15:11,040 --> 02:15:15,840

people are active which is great there's another
question from dean which was very similar says

1186

02:15:15,840 --> 02:15:22,560

are reptilians from this world so you already
addressed it yeah they're not you know but they

1187

02:15:23,120 --> 02:15:28,960

they homesteaded here right uh the next question
is from uh tatum asking hello sherry what's the

1188

02:15:28,960 --> 02:15:35,840

best way to raise a vibration to move on to
the new earth or graduate from this school

1189

02:15:37,440 --> 02:15:46,560

to stay heart centered to say you know to stay in
your heart to it shouldn't be work it should be

1190

02:15:49,600 --> 02:15:56,960

something that comes fairly natural to you
to just stay in compassion and gratitude

1191

02:15:58,720 --> 02:16:05,360

and just be who you are your thoughts
always monitor your thoughts and

1192

02:16:06,880 --> 02:16:12,560

ask your angels or your guides for guidance
and declare that you can see as high as it

1193

02:16:12,560 --> 02:16:20,240

can possibly go and when you do that hang on
and see what happens because if you're you know

1194

02:16:21,920 --> 02:16:26,160

because along with weight with
raising your frequency will come the

1195

02:16:28,960 --> 02:16:38,720

the awakening to the extension and the awakening\h
is it is notoriously known for being a painful\h\h

1196

02:16:38,720 --> 02:16:44,560

process it doesn't have to be but it almost\h
always is because your your life will be

1197

02:16:47,040 --> 02:16:52,240

brought up in front of you as far as you\h
need that and it turns out you don't need\h\h

1198

02:16:52,880 --> 02:16:59,680

any of that stuff so your life usually ends\h
up being stripped of um anything that does\h\h

1199

02:16:59,680 --> 02:17:07,360

not serve the purpose of your awakening so all\h
your relationships um family friends your job\h\h

1200

02:17:08,960 --> 02:17:12,880

your life every everything is held up to the\h
light and anything that does not serve the higher\h\h

1201

02:17:12,880 --> 02:17:18,880

purpose of you awakening and getting on the path\h
that you were meant to be on that you came to be\h\h

1202

02:17:18,880 --> 02:17:28,398

on and will be will fall away and you want to have\h
i don't know for me it was the course of miracles\h\h

1203

02:17:28,399 --> 02:17:34,319

that that uh answered all the questions when i\h
was going through that you know why all the losses\h\h

1204

02:17:35,280 --> 02:17:41,840

why am i experiencing this and it opens you up\h
it's so it's the best trip you can go on but it's\h\h

1205

02:17:42,399 --> 02:17:49,439

it can be painful at times but that's how
you do it you you ask and you just and

1206

02:17:49,439 --> 02:17:55,120

you embrace whatever comes your way and just
continue putting one foot in front of the other

1207

02:17:55,120 --> 02:18:00,640

and staying true to it you the last thing you want
to do is get stalled a lot of people get stalled

1208

02:18:01,439 --> 02:18:07,679

in their awakening process because it starts
to hurt you know and so they they freeze

1209

02:18:08,399 --> 02:18:11,200

and you don't want to do that because
you can get stuck there i mean i

1210

02:18:12,080 --> 02:18:17,760

remember part of my weekend and to be in
part of what i was trained as a light reader

1211

02:18:18,319 --> 02:18:25,519

was to meet with the souls from the planet i
would meet with them on the astral plane at night

1212

02:18:25,520 --> 02:18:29,600

you know when they were out of their bodies and
i would meet them there and try to convince them

1213

02:18:29,600 --> 02:18:35,760

to wake up because so many on the planet
were close and they just needed to

1214

02:18:36,560 --> 02:18:41,358

to take that step but you know they were
quite honest a lot of them were brutally

1215

02:18:41,359 --> 02:18:44,559

honest and said i don't want to go through\h
the suffering i don't want to go to the pain\h\h

1216

02:18:44,560 --> 02:18:49,279

i know i've seen what it's like to go through the\h
awakening i don't want to do it yet let me just\h\h

1217

02:18:49,280 --> 02:18:55,439

stay in the illusion a little longer and they that\h
was their choice that's what they wanted to do so\h\h

1218

02:18:56,880 --> 02:19:02,000

you've got them but i tell you to partially\h
get part way into it and then to stop is\h\h

1219

02:19:03,120 --> 02:19:07,439

i wouldn't recommend that at all i would stay\h
true to it make sure your commitment is strong\h\h

1220

02:19:08,479 --> 02:19:13,200

and go for it it's not so bad it's a\h
great journey it's a great experience\h\h

1221

02:19:15,040 --> 02:19:18,640

okay thank you for that um the\h
next question is from andrea i'm\h\h

1222

02:19:19,520 --> 02:19:26,000

asking when can we expect the\h
second book to be ready yeah well

1223

02:19:31,040 --> 02:19:37,280

i'll just i'll be very frank with you um i mean\h
right now i can't see well enough to to write i\h\h

1224

02:19:37,280 --> 02:19:43,840

can't and my hands don't work well enough to type\h
on a keyboard um i'm staying on this protocol

1225

02:19:46,560 --> 02:19:48,241

and i'm hoping that i get better

1226

02:19:50,880 --> 02:19:52,880

i have an exit coming up next march\h\h

1227

02:19:54,399 --> 02:19:59,439

and um i'm aware of that now my guys have they\h

told me a long time ago that i would not be\h\h

1228

02:19:59,439 --> 02:20:04,719

taking that exit because things will have changed\h

in my life enough that i won't want to take it\h\h

1229

02:20:05,920 --> 02:20:11,920

so i'm hoping that that's true i really\h

really really hope that's true i don't\h\h

1230

02:20:12,560 --> 02:20:18,161

you know i hope this goes without saying\h

i hope you don't take the exit either so\h\h

1231

02:20:19,280 --> 02:20:24,960

yeah and i'm not saying that i'm just going to\h

be honest i mean i want to stay here i'd love\h\h

1232

02:20:24,960 --> 02:20:30,160

to stay another 20 years write the book and see\h

the changes take place on planet earth but i'm\h\h

1233

02:20:30,160 --> 02:20:39,439

really really tired i'm really really tired and\h

every day is you know it's not a picnic and um\h\h

1234

02:20:40,640 --> 02:20:48,640

so if things and i and i i've gotten a reason\h

to believe that it is going to get better i've\h\h

1235

02:20:48,640 --> 02:20:56,398

got people who have come into my life recently\h
who are giving me messages and um from on the\h\h

1236

02:20:56,399 --> 02:21:07,519

other side and i'm told that it is my on my path\h
that i am too as they say rise up like a phoenix\h\h

1237

02:21:08,960 --> 02:21:16,800

um from the ashes and we'll see i just i mean i'm\h
just i just say i'm just so tired so hopefully\h\h

1238

02:21:17,439 --> 02:21:21,919

it will get better and improve because i would\h
love to write another book i would love to see\h\h

1239

02:21:23,280 --> 02:21:28,160

the film come out i would love to be here to\h
see all the amazing things that are going to\h\h

1240

02:21:28,160 --> 02:21:31,280

happen on this planet they're just going\h
to knock people's socks off and i want to\h\h

1241

02:21:31,840 --> 02:21:36,398

i mean i'd like to be here for no one i should\h
i'm not like this but i i should want to stay so\h\h

1242

02:21:36,399 --> 02:21:41,920

i just i can say hey see i told you so i wasn't\h
crazy for saying i was talking to aliens so\h\h

1243

02:21:42,800 --> 02:21:45,840

it'd be great to stick around\h
and see all that come about but\h\h

1244

02:21:46,479 --> 02:21:51,599

at the same time you know i have a yearning\h
to go home also because i haven't been home\h\h

1245

02:21:51,600 --> 02:21:58,161

for a long long time i've been fighting\h
these these reptilians for a long time and\h\h

1246

02:21:59,840 --> 02:22:06,240

this is our final battle this is the final\h
stand and i i understand i need to go home now\h\h

1247

02:22:06,880 --> 02:22:12,960

so i'm done here so that's enticing\h
too so we'll see how it plays out okay\h\h

1248

02:22:13,760 --> 02:22:18,960

uh sherry the next question is from kathy um i\h
don't know if you can speak to this but anyway\h\h

1249

02:22:18,960 --> 02:22:27,760

the question is does sherry have any info on\h
mud floods tartaria and the reset from mid-1800s

1250

02:22:31,600 --> 02:22:39,760

mud floods and the great reset of 1800.\h
right okay i don't really know i don't know\h\h

1251

02:22:39,760 --> 02:22:41,920

much about what she's speaking about i'm sorry\h\h

1252

02:22:43,920 --> 02:22:47,120

so i can't answer that one and i'm not\h
getting anything you know usually i get\h\h

1253

02:22:48,080 --> 02:22:54,319

even if i don't know the answer to something but\h
it's part of history i'm not aware of right okay\h\h

1254

02:22:54,319 --> 02:23:07,200

uh stacy is uh asking what do you think of the\h
rapture biblical well i think it's a nice story um

1255

02:23:09,680 --> 02:23:16,400

i think that it's a partial story and
like like the bible is the bible is um

1256

02:23:17,760 --> 02:23:26,640

and she's talking about the the what's in the
bible with the rapture story um it's been edited

1257

02:23:26,640 --> 02:23:35,040

and changed from the original content to serve
the purpose of controlling the masses so um

1258

02:23:37,280 --> 02:23:40,479

do i believe there's going to be a rapture
i believe there's going to be an event

1259

02:23:41,680 --> 02:23:53,680

that happens on the planet that comes from our
central sun energy it comes through and because as

1260

02:23:54,800 --> 02:24:03,120

i think back on what i was told and shown by my
guys and what i remember from before i came here

1261

02:24:04,240 --> 02:24:11,519

and i've seen other planets go through ascensions
although this one on this planet is quite unique

1262

02:24:11,520 --> 02:24:17,199

but there is a filtering that takes place and
so the light the frequency that's going to be

1263

02:24:17,200 --> 02:24:23,439

coming on the planet i think will act as like a
filter for those who are of a high frequency and

1264

02:24:23,439 --> 02:24:28,960

so ready to go to the fifth dimension with
the planet and those who are of a denser

1265

02:24:28,960 --> 02:24:36,080

frequent amount and they put them out and they you'll
know will go to another third dimensional planet

1266

02:24:36,080 --> 02:24:41,120

to continue on their awakening process that's
what i think of as being the rapture i don't

1267

02:24:41,680 --> 02:24:45,438

i mean although it could i mean although
it could be i suppose people lift it up

1268

02:24:45,439 --> 02:24:51,280

um in their light bodies i suppose
certainly yeshua did that um

1269

02:24:53,120 --> 02:24:58,640

so that's not out of the realm of possibilities
by any means but i see it as being more of a

1270

02:24:59,840 --> 02:25:06,398

of a light that comes onto the planet and and kind
of transforms hopefully in the blink of an eye

1271

02:25:06,399 --> 02:25:12,399

but maybe in that part i don't ever do
that i never got an answer on that so

1272

02:25:13,600 --> 02:25:20,000

it's gonna be interesting yeah
um a new question uh pauline b

1273

02:25:20,000 --> 02:25:26,160

is asking hi sherry what's what's her
belief that we create our reality thanks

1274

02:25:28,319 --> 02:25:34,799

what's what's that belief about what is that no it
says what is your basically what is your belief on

1275

02:25:34,800 --> 02:25:41,360

on that we create our reality oh yeah well one\h
of the three important things my guys told me\h\h

1276

02:25:42,160 --> 02:25:47,439

is that um number three was to monitor your\h
thoughts and kind of the extension of that\h\h

1277

02:25:47,439 --> 02:25:52,479

they never said monitor your thoughts because\h
they create your reality i act but now as i\h\h

1278

02:25:54,479 --> 02:25:59,040

went along i i saw why they didn't make they\h
didn't limit it to that that's what it would\h\h

1279

02:25:59,040 --> 02:26:03,200

have been very limiting to put that on there\h
monitor your thoughts not just because they\h\h

1280

02:26:03,200 --> 02:26:09,040

create your reality but because i mean for so\h
many reasons like they um it influences your\h\h

1281

02:26:09,040 --> 02:26:14,880

frequency and which i mean there's just so much\h
to it but yes we do create our own reality i mean\h\h

1282

02:26:15,439 --> 02:26:22,080

it's kind of sort of the law of attraction that\h
basically when you hear people say you know\h\h

1283

02:26:22,080 --> 02:26:28,080

what i do is i try to go to the field i go into\h
the field to find a frequency that matches with\h\h

1284

02:26:28,080 --> 02:26:34,160

that with my body being healthy and i visualize\h
that and i meditate on that and you know that's\h\h

1285

02:26:34,160 --> 02:26:38,800

one of the ways that i always was able to heal
myself i've not been able to heal myself from

1286

02:26:38,800 --> 02:26:45,200

this because i don't think i was meant to i think
you know it is part of a mission that i'm part of

1287

02:26:46,080 --> 02:26:52,080

to uh to not heal from it but um you know
who knows maybe that's just an excuse but

1288

02:26:52,640 --> 02:26:59,120

um we absolutely do create our reality and you can
you can practice that by going into the field and

1289

02:26:59,760 --> 02:27:04,000

and it's it's kind of like going to the candy
store and deciding what you want your future to

1290

02:27:04,000 --> 02:27:10,240

look like what is it that you want to manifest in
your life and you find the frequency that matches

1291

02:27:10,240 --> 02:27:16,319

with that and that's how you that's how you how
you create it and it is through your thoughts

1292

02:27:16,319 --> 02:27:22,240

to your frequency through your intentions all
that good stuff so it's a lot easier than what

1293

02:27:22,240 --> 02:27:28,800

we make it to be we make it a lot harder than
what it truly is it's actually actually the way

1294

02:27:28,800 --> 02:27:36,080

we'll live and knowing heading that awareness
and using it easily so i hope that answers that

1295

02:27:37,040 --> 02:27:43,840

uh the next question is from russell asking\h
are you 100 for certain that the shot is poison

1296

02:27:46,319 --> 02:27:53,920

no i'm not 100 sure anything um everything\h
is everything is fluid and everything\h\h

1297

02:27:54,960 --> 02:28:01,840

can can can change according to\h
the beliefs of the majority so

1298

02:28:04,000 --> 02:28:11,200

and no um just bottom line is no i mean i wouldn't\h
have that information i've not been privy to that\h\h

1299

02:28:11,200 --> 02:28:21,200

i'm just going on what i've been shown and\h
what i've been directed to so no not 100\h\h

1300

02:28:22,319 --> 02:28:30,399

okay so uh sherry just real quick it's been about\h
two and a half hours and i need a bathroom break\h\h

1301

02:28:30,399 --> 02:28:36,960

so how about i ask you next question and you just\h
answer to to the audience and i will be uh back\h\h

1302

02:28:36,960 --> 02:28:45,840

in the jiffy okay i hope it's a long one okay\h
okay so um so this this next question is from\h\h

1303

02:28:45,840 --> 02:28:53,840

uh star brother asking has sherry any not has\h
sherry any knowledge of any of her past lifetimes\h\h

1304

02:28:54,479 --> 02:29:05,759

oh okay well yes i remember who i was before i\h
came here i remember hanging out in the universe\h\h

1305

02:29:07,280 --> 02:29:13,599

i was an etheric being i didn't really answering\h
slow answering slowly to give poor admin time\h\h

1306

02:29:14,479 --> 02:29:17,759

um i didn't really have a body but i had a form\h\h

1307

02:29:19,520 --> 02:29:21,840

and i was out there in the\h

universe and it was interesting\h\h

1308

02:29:22,640 --> 02:29:28,880

because i was listening i was just listening i was\h

just hanging out listening and i was so content\h\h

1309

02:29:30,560 --> 02:29:36,398

and earth was my for the most part had been my\h

hope for the most part had been my focus for\h\h

1310

02:29:36,399 --> 02:29:39,839

some time i remember that i\h

remember visiting the planet\h\h

1311

02:29:40,960 --> 02:29:44,720

during the time during egypt when\h

the pyramids were being built\h\h

1312

02:29:46,319 --> 02:29:55,840

i remember participating in that i have a little\h

bug flying around me um and so i remember that\h\h

1313

02:29:57,040 --> 02:30:06,640

but i don't remember i never i came on the planet\h

earth i came on in my et form in egyptian times um

1314

02:30:09,680 --> 02:30:13,440

i don't know what i looked like and i\h

didn't look at myself so i don't know

1315

02:30:15,680 --> 02:30:22,560

but i don't have memory of previous slides like\h

i've not incarnated on planet otherwise here\h\h

1316

02:30:24,319 --> 02:30:26,399

my understanding is is that i've been

1317

02:30:28,479 --> 02:30:31,839

working with the light forces to\h\h

1318

02:30:33,120 --> 02:30:39,680

protect this universe against the\h
reptilians and how i got here to do that is

1319

02:30:42,000 --> 02:30:49,200

because i came from another\h
system another star system and

1320

02:30:51,439 --> 02:30:56,240

the lyrian planet was taken over\h
and destroyed by the reptilians\h\h

1321

02:30:56,800 --> 02:31:00,640

and they systematically were going\h
through and destroying civilizations\h\h

1322

02:31:01,359 --> 02:31:09,359

through the to that star system and we devised\h
a way to because we are not aware of people\h\h

1323

02:31:09,359 --> 02:31:14,639

i came from a place like my system of\h
origin was a place where there was no\h\h

1324

02:31:16,399 --> 02:31:26,080

no darkness to speak of and so we didn't know\h
how to fight or do that so to defend ourselves\h\h

1325

02:31:26,080 --> 02:31:32,399

and many in that universe were like that and\h
um but after they started coming after us

1326

02:31:34,880 --> 02:31:35,680

we divided

1327

02:31:38,000 --> 02:31:43,840

the reptilians out of our universe and so we did\h

that we we transported them out and we knocked\h\h

1328

02:31:43,840 --> 02:31:49,680

them out we got rid of them that way which was\h

ingenious and it was great and we were safe then\h\h

1329

02:31:50,319 --> 02:31:58,639

but we transported them here to this system\h

out of we did it out of ignorance and out of\h\h

1330

02:31:59,439 --> 02:32:05,519

uh innocence it was not intentional that we\h

put anyone else in harm's way but we did and\h\h

1331

02:32:05,520 --> 02:32:11,920

when we found out that that's what had happened\h

a handful of us decided to try to make amends\h\h

1332

02:32:11,920 --> 02:32:18,880

and make it right and i was one of those who\h

decided to to leave my home and come here and\h\h

1333

02:32:20,160 --> 02:32:25,519

i've been here ever since and i understand\h

it's been a long long time it feels like\h\h

1334

02:32:25,520 --> 02:32:32,320

it's been a long time and since i've been\h

home so that's what i've been here um\h\h

1335

02:32:33,439 --> 02:32:39,759

doing so i i don't have any memories of\h

any incarnations on planets other than one\h\h

1336

02:32:40,880 --> 02:32:49,120

planet that i was assisting in its ascension and\h
i was on that planet and it was being flooded

1337

02:32:51,200 --> 02:32:56,160

i don't believe there were too many that\h
that made the ascension on that planet and\h\h

1338

02:32:56,160 --> 02:33:02,319

so the beans on that planet were being\h
washed off and uh which happens a fair amount\h\h

1339

02:33:03,439 --> 02:33:09,040

and i was on there and i was waiting to\h
be picked up and my scout ship my ship was\h\h

1340

02:33:10,000 --> 02:33:14,160

they cut it right down the last second\h
it's like because the planet was just\h\h

1341

02:33:14,880 --> 02:33:20,400

was going under and uh so that's etched into\h
my memory of being picked up at the 11th hour\h\h

1342

02:33:20,960 --> 02:33:26,960

and taken off that planet just in time so\h
that's the only memory i have um other than just\h\h

1343

02:33:27,760 --> 02:33:33,040

hanging out with the universe and and visiting\h
the planet and observing i remember observing\h\h

1344

02:33:33,040 --> 02:33:37,840

planet earth i remember that a lot and i remember\h
being with yeshua before i came here he was with\h\h

1345

02:33:37,840 --> 02:33:43,040

me when i planned my life and there was\h
a lot of laughter and a lot joking about

1346

02:33:45,120 --> 02:33:49,680

the path that i set out for myself i\h
remember that and he was like a big\h\h

1347

02:33:49,680 --> 02:33:56,160

brother and he teased me a lot about how it\h
was going to be for me coming in and being in\h\h

1348

02:33:56,160 --> 02:34:02,559

the body since he had done it and he knew how\h
challenging it was going to be and i knew it was\h\h

1349

02:34:02,560 --> 02:34:09,040

going to be tough but i didn't know it was going\h
to be this tough and so i put a lot on my plate\h\h

1350

02:34:10,240 --> 02:34:18,160

because that's just who i think i am you know as\h
maria the woman in the episode that i thought that\h\h

1351

02:34:18,160 --> 02:34:23,439

adnan asked me to share about one of the things\h
she said about me and she was carrying on was\h\h

1352

02:34:24,240 --> 02:34:34,240

she said sherry sherry is um she says sherry\h
came here to help the planet she's not human she\h\h

1353

02:34:35,040 --> 02:34:42,240

thinks this is what she said she said she thinks\h
she invulnerable she not invulnerable that's\h\h

1354

02:34:42,240 --> 02:34:47,599

what she said about me and i would say that\h
that's true i do have a tendency to think that\h\h

1355

02:34:47,600 --> 02:34:54,161

um that i'm invulnerable and so maybe that's\h
why i took on this sickness you know because it\h\h

1356

02:34:54,880 --> 02:35:00,640

take me down you know it's a good thing\
for me to experience are you back admin\

1357

02:35:00,640 --> 02:35:06,800

yes i'm here okay i talked slow and then\
expanded on that greatly to give you doctor\

1358

02:35:06,800 --> 02:35:12,240

yeah just two and a half hours uh i don't know if\
you if you uh i got you covered if you gotta go\

1359

02:35:13,920 --> 02:35:19,359

i can last a little while because it's here it's 9\
30 okay and i'm actually watching a storm roll in\

1360

02:35:19,359 --> 02:35:23,280

this lightning and it's going to start to thunder\
and rain pretty soon i think well how about\

1361

02:35:24,000 --> 02:35:29,840

two more questions and then we'll leave it at\
that it'll be fine i know it's a long video most\

1362

02:35:29,840 --> 02:35:35,280

people probably don't want to sit that long but\
well i mean you know the the whole point is to\

1363

02:35:36,640 --> 02:35:42,640

i mean i don't know at what point the information\
they're looking for will be coming from you but if\

1364

02:35:42,640 --> 02:35:47,680

you know i remember when i was doing research\
i mean sometimes you know a long time ago i\

1365

02:35:47,680 --> 02:35:53,358

would watch and read and get into details however\
much i have to just to find that little sliver of\

1366

02:35:53,359 --> 02:35:58,880

one sentence that i was looking for you know and
so it all depends on how serious you are wanting

1367

02:35:58,880 --> 02:36:06,240

to to find your answers and sometimes you know
it comes at the unexpected times and you know

1368

02:36:06,240 --> 02:36:11,679

and even um i've noticed when when people talk
in general others always have expectations of

1369

02:36:11,680 --> 02:36:18,560

that they should be talking in a certain way you
know as if you know just how you know rapid rapid

1370

02:36:19,120 --> 02:36:24,240

you know information you know coming out of the
brain but when you trying to recall memories upon

1371

02:36:24,240 --> 02:36:31,200

memories i mean it takes a while um but this one
um so i guess i'll i'll ask them two more so this

1372

02:36:31,200 --> 02:36:38,479

one uh wasn't i guess from teresa and uh looks
like she didn't put the three stars on there but

1373

02:36:38,479 --> 02:36:43,679

it was going slow enough for me to catch it and
realize it's a question he's asking he's asking

1374

02:36:44,240 --> 02:36:51,359

is it safe for unvaxxed therapists to do energetic
work on vast people thank you thank you much love

1375

02:36:55,600 --> 02:37:02,720

is it safe for unbaxed people to do energy
work uh to do energy work on vax people

1376

02:37:03,680 --> 02:37:07,360

that's a really good question and
i understand why she's asking that

1377

02:37:10,319 --> 02:37:15,040

i'm going to share my philosophy and it's
one that jim and i we talked about it a

1378

02:37:15,040 --> 02:37:22,000

lot because pretty much everyone we know
went and got the vax vaccination you know

1379

02:37:22,880 --> 02:37:26,560

family his family actually i don't
see my family anyway although

1380

02:37:27,520 --> 02:37:33,680

it's not true my grandson just came
to visit me which was wonderful but um

1381

02:37:35,760 --> 02:37:41,920

we made the decision that we weren't going to
live in fear around that issue because the whole

1382

02:37:41,920 --> 02:37:49,280

thing with the shedding came out and the spiked
proteins being passed and all that stuff and um

1383

02:37:51,359 --> 02:37:55,839

i think it comes down to your frequency and
and i think it comes down to your intention

1384

02:37:55,840 --> 02:38:01,920

and your beliefs and everything and i just i think
it goes hand in hand with what god told me when

1385

02:38:01,920 --> 02:38:06,640

the reptilians show up at your door you just stand
in the truth of who you are and he'll be safe

1386

02:38:07,200 --> 02:38:10,319

because when he's the way he explained\h
it he said you you'll be fine\h\h

1387

02:38:10,880 --> 02:38:16,080

and he went on to say sherry you surpassed that\h
frequency long ago you have nothing to fear\h\h

1388

02:38:16,880 --> 02:38:24,398

so it's all about your frequency and so if you're\h
doing bodywork or energy work on someone as long\h\h

1389

02:38:24,399 --> 02:38:31,519

as you aren't in fear because fear is the crippler\h
and that is that's the danger i don't think the\h\h

1390

02:38:31,520 --> 02:38:40,000

danger comes from them shedding on you i mean i've\h
seen and gotten together with people recently who\h\h

1391

02:38:40,640 --> 02:38:44,318

since i started feeling good i felt good\h
and then i started to crash again when i\h\h

1392

02:38:44,319 --> 02:38:52,960

was feeling really good i was anxious to get out\h
and meet with some people and i hugged them and i\h\h

1393

02:38:54,560 --> 02:38:58,640

i actually hung on to them sometimes because\h
i miss you know a few of my friends i hadn't\h\h

1394

02:38:58,640 --> 02:39:05,600

seen for so long you know and so we just kind of\h
hung on to each other and even though i know they\h\h

1395

02:39:06,399 --> 02:39:12,319

had gotten the vaccination i mean i just didn't\h
have any fear i didn't think twice about it but\h\h

1396

02:39:12,319 --> 02:39:17,200

you need to do what feels right to you but jim\h
and i both talked about it and we said you know\h\h

1397

02:39:17,200 --> 02:39:23,200

how are we going to deal with this you know first\h
they turned the tables on us and had said that\h\h

1398

02:39:23,200 --> 02:39:28,559

you know family he had family who said we couldn't\h
we couldn't come to christmas or thanksgiving\h\h

1399

02:39:28,560 --> 02:39:31,520

or whatever the holiday was the gathering\h
was we couldn't come unless we wore a mask\h\h

1400

02:39:32,319 --> 02:39:39,040

so we just didn't go um now they were feeling\h
safe enough because they got the backs\h\h

1401

02:39:39,040 --> 02:39:43,600

so then they're like well you can come now\h
and you don't have to wear the mask and do\h\h

1402

02:39:43,600 --> 02:39:49,680

we wanna do we wanna go and expose ourselves\h
to them they all had gotten the vaccination\h\h

1403

02:39:51,200 --> 02:39:57,920

but we decided to go and we spent the day\h
and you know and we spent a lot of time with\h\h

1404

02:39:57,920 --> 02:40:04,319

them and there was lots of hugging and lots of\h
closeness and and uh i wouldn't let it stop you\h\h

1405

02:40:05,040 --> 02:40:10,160

but if you feel vulnerable if you feel fear\h
around it then then you should not do it\h\h

1406

02:40:11,920 --> 02:40:17,920

that's my advice okay thank you for that all\h
right so um sherry the last question from\h\h

1407

02:40:18,880 --> 02:40:26,160

kathy is what is the origin of the rho negative\h
blood types and then parentheses under gnocchi

1408

02:40:28,560 --> 02:40:34,560

well she's asking something i don't have any\h
knowledge of um i've heard about that i don't\h\h

1409

02:40:34,560 --> 02:40:41,119

even know what kind of blood type i have i\h
know the blood type is a factor and it does\h\h

1410

02:40:41,120 --> 02:40:48,479

link you to certain star families it's bound to\h
because of the genetic the mixing of the genetics\h\h

1411

02:40:50,160 --> 02:40:54,319

i'm gonna i'm gonna guess that she's right with\h
the hand and i can i really i truly shouldn't\h\h

1412

02:40:54,319 --> 02:40:59,679

speak to it because i i don't know and i'm not\h
getting any downloads on it and my guys never\h\h

1413

02:40:59,680 --> 02:41:05,438

talked to me about it so you can why don't you ask\h
a different question then instead because i can't\h\h

1414

02:41:05,439 --> 02:41:12,559

answer that one sorry okay let me see whichever\h
one comes comes up first because some of them are\h\h

1415

02:41:12,560 --> 02:41:21,040

now uh very repeat people asking again all right i\h
guess then anuska is going to be the last question\h\h

1416

02:41:21,680 --> 02:41:26,320

how can one know whether or not they\h
might have originated from an alien race\h\h

1417

02:41:27,439 --> 02:41:31,439

in some point in time before\h
incarnating as a human on earth

1418

02:41:34,080 --> 02:41:38,640

that's a good question and i was i was going to\h
kind of give a little smart answer by saying well\h\h

1419

02:41:38,640 --> 02:41:45,520

you know you you absolutely came from uh you\h
know you're part of an alien race somewhere\h\h

1420

02:41:45,520 --> 02:41:49,199

because you're eternal and you've\h
been out here playing in the universes\h\h

1421

02:41:49,200 --> 02:41:56,080

for a long time but not necessarily you know some\h
of the souls on planet earth go back a long way\h\h

1422

02:41:56,800 --> 02:42:00,480

they've been here for a long long\h
long time they've been here i mean\h\h

1423

02:42:01,520 --> 02:42:08,000

over and over again and they just never moved on\h
to another experience and it wasn't just because\h\h

1424

02:42:08,000 --> 02:42:13,760

they were trapped here necessarily because there's\h
been many opportunities between between the um\h\h

1425

02:42:14,800 --> 02:42:19,680

the receding of the planet so they they could\h
have been you know this could be their origin\h\h

1426

02:42:20,319 --> 02:42:27,920

their original start point from coming out from the
source so when you come up from source um you have the

1427

02:42:27,920 --> 02:42:32,560

all endless options as to where you want to
start and where you want to go so

1428

02:42:34,240 --> 02:42:40,800

if you um if you started at planet earth
um you know that definitely could be

1429

02:42:40,800 --> 02:42:50,318

your beginning your route where your roots are uh
you could you could access the akashic records to

1430

02:42:50,319 --> 02:42:56,479

see you could do that yourself to practice
and training or you could go to somebody

1431

02:42:56,479 --> 02:43:01,359

there's people out there there's um quite
a few that are really good trying to think

1432

02:43:01,359 --> 02:43:08,080

for the name of the one that i recently saw who
vivian chavez or something like that her name is

1433

02:43:08,800 --> 02:43:15,440

she's really good at accessing the akashic records
and taking a look to see where your um

1434

02:43:17,040 --> 02:43:25,519

origins are rooted but you know because we are all
eternal beings in eternity is a really long time

1435

02:43:26,080 --> 02:43:30,479

um the odds are good that you've been around a
long time and you've got lots and lots of history

1436

02:43:30,479 --> 02:43:35,919

and that you've been because they were
multi-dimensional beings i mean it would

1437

02:43:35,920 --> 02:43:43,840

be very strange for someone to have only planet
earth be their experience so i would say go to the

1438

02:43:43,840 --> 02:43:50,240

akashic records and see what you've got in your
past if you're interested in that sort of thing

1439

02:43:50,240 --> 02:43:58,160

because we all we all yeah we want to experience
a lot it'd be very rare for someone to just be

1440

02:43:59,760 --> 02:44:03,840

here on planet earth and nothing else so
interesting question that was a good question

1441

02:44:04,399 --> 02:44:07,920

i feel bad that we're not able to
get to all the other questions i

1442

02:44:07,920 --> 02:44:13,760

the reason i like q a so much and then is because
you know i when i get that questions a lot of

1443

02:44:13,760 --> 02:44:18,800

times i get i'll get a download to answer it
and i always like some of the questions and

1444

02:44:18,800 --> 02:44:24,160

questions i'd like to ask myself so i'd like to
hear the answer myself so it's always interesting

1445

02:44:24,160 --> 02:44:31,920

for me too yeah well i like them because sometimes
you know once i satisfy my own curiosity you know

1446

02:44:31,920 --> 02:44:37,920

people have questions that i might not know to\h
ask so that always comes in handy in that case but\h\h

1447

02:44:39,120 --> 02:44:45,040

sherry in either case i'm glad you're here i'm\h
glad we're able to do this interview and um you\h\h

1448

02:44:45,040 --> 02:44:50,160

know i hope we we do many more to come you know\h
and you just you know hang tight and do what you\h\h

1449

02:44:50,160 --> 02:44:56,319

got to do what you came here you know came here\h
for and um everyone else watching that wanted to\h\h

1450

02:44:56,319 --> 02:45:02,240

have more of an interaction with sherry uh please\h
contact her on her website it's in the description\h\h

1451

02:45:02,240 --> 02:45:08,000

below on youtube uh if you're on facebook should\h
be above the video and i believe uh i don't know\h\h

1452

02:45:08,000 --> 02:45:14,160

the twitch pastes paste the links in there\h
but anyway um you can contact sherry there and\h\h

1453

02:45:14,160 --> 02:45:21,120

um make whatever statement and have discussions\h
with her if she has time you know to answer um\h\h

1454

02:45:21,120 --> 02:45:28,080

so anyway just wanted to cover that part but\h
um sherry thank you again you know i'm glad\h\h

1455

02:45:28,080 --> 02:45:34,399

we're able to to do this and um like i said\h
i'm we've talked on the phone on and off\h\h

1456

02:45:34,399 --> 02:45:41,839

throughout the months but um you know you were\h
you were not in a not exactly the best of states\h\h

1457

02:45:42,479 --> 02:45:47,759

yeah but um now i was excited i mean you were\h
the one i wanted to i've done a few along the\h\h

1458

02:45:47,760 --> 02:45:55,840

way for the moment if i if i felt strong i would\h
jump on and do a video with somebody but um you\h\h

1459

02:45:55,840 --> 02:46:00,240

were the one i wanted to get back with because\h
i've always enjoyed i always enjoyed doing these\h\h

1460

02:46:00,240 --> 02:46:05,040

with you so i'm very it's a milestone for me to\h
do this and i'm hoping it's the first of many\h\h

1461

02:46:05,680 --> 02:46:13,520

so well thank you i appreciate that you know i\h
always think back on on the time on 2014 when i\h\h

1462

02:46:14,080 --> 02:46:18,319

um i guess it was the very first time you\h
and i talked and i don't know if that was\h\h

1463

02:46:18,319 --> 02:46:26,160

your first interview you you did on camera\h
um i'm sorry what yes it was yes oh okay\h\h

1464

02:46:27,279 --> 02:46:32,160

yeah yeah i'm looking at the camera now so i'm\h
not seeing your your body language and you were\h\h

1465

02:46:32,160 --> 02:46:38,720

kind of weak on my on my headset uh audio wise\h
but you know ever since then you know it's um\h\h

1466

02:46:38,720 --> 02:46:44,640

it's one of these things to where i mean often\h
i always kind of establish a um some form of\h\h

1467

02:46:44,640 --> 02:46:49,840

relationship with the guests that i usually uh\h
do interviews with but um you know with you it's\h\h

1468

02:46:49,840 --> 02:46:55,120

almost like like you're an old friend and so\h
um throughout the years we just kept in touch\h\h

1469

02:46:56,399 --> 02:47:03,200

yep yep that's the way i feel too that's why i\h
want you to be my first official my first official\h\h

1470

02:47:03,200 --> 02:47:08,720

coming back hopefully coming back and always\h
enjoyed um talking with you both as a friend\h\h

1471

02:47:08,720 --> 02:47:14,160

and as with the interviews because you always do\h
such a great job with it so it's a real treat for\h\h

1472

02:47:14,160 --> 02:47:20,080

me to be here well i'm glad i'm glad and i hope\h
you got to cover what you wanted to cover and uh\h\h

1473

02:47:20,080 --> 02:47:24,160

put that out there for for those that are curious\h
throughout what happened to you where have you\h\h

1474

02:47:24,160 --> 02:47:29,680

been what's going on where's sherry so i hope that\h
kind of put some of those questions to rest and so\h\h

1475

02:47:30,479 --> 02:47:38,639

but um yeah well say hi to jim for me and uh you\h
know you guys you know you guys have fun and uh i\h\h

1476

02:47:38,640 --> 02:47:45,680

don't know do you have any closing words before\h
we sign off oh i do not i didn't have an agenda\h\h

1477

02:47:45,680 --> 02:47:49,201

of anything i really wanted to say i just\h
thought i would let it flow it always does\h\h

1478

02:47:49,920 --> 02:47:53,600

just you know your natural curiosity\h
and the way you set it up so\h\h

1479

02:47:54,160 --> 02:48:02,000

i think um i said probably more than i wanted to\h
say about like i hope i didn't instill any fear\h\h

1480

02:48:02,000 --> 02:48:05,600

that was certainly not my intention i\h
don't want it's never been my intention\h\h

1481

02:48:05,600 --> 02:48:12,320

um i just don't know how to i don't sometimes\h
know how to censor myself if i when i know i just\h\h

1482

02:48:12,880 --> 02:48:18,319

put it out there and i figured people who hear\h
it will take from it what they need to and and\h\h

1483

02:48:19,200 --> 02:48:24,080

and that it won't won't create any problems that\h
it will help help with the awakening and help with\h\h

1484

02:48:24,080 --> 02:48:32,640

the awareness because um way of setting you free\h
and that's why that's all i intend to do is to\h\h

1485

02:48:33,439 --> 02:48:38,559

put the truth out there as i know it to be and if\h
it doesn't resonate it doesn't fit for you then i\h\h

1486

02:48:38,560 --> 02:48:47,520

don't have a problem with that at all so all right\h
yeah well sherry thank you again um everyone else\h\h

1487

02:48:47,520 --> 02:48:53,199

watching i appreciate you that you stuck with\h
us this whole time um i apologize for those that\h\h

1488

02:48:53,200 --> 02:48:59,840

are having some kind of uh stream issues um on my\h
end there was absolutely nothing that i could do\h\h

1489

02:48:59,840 --> 02:49:06,319

maybe in the future i might reduce the bit rate um\h
make it not maybe not as high because i don't know\h\h

1490

02:49:06,319 --> 02:49:12,160

why some people were having i guess buffering\h
issues but this is going to be the same link\h\h

1491

02:49:12,160 --> 02:49:16,880

that you're watching this on you can uh once we're\h
done i guess youtube does the processing and and\h\h

1492

02:49:16,880 --> 02:49:22,880

you'll be able to immediately re-watch um here\h
and i don't think you should have the the same uh\h\h

1493

02:49:22,880 --> 02:49:29,040

buffering issues then because at that time now it\h
would be officially on the youtube servers and so\h\h

1494

02:49:29,040 --> 02:49:35,840

um they apply their own whatever compression on\h
it and and make it into just a video that you can\h\h

1495

02:49:35,840 --> 02:49:42,478

re-watch over and over again so anyway thank you\h
for for sticking around for this long i appreciate\h\h

1496

02:49:42,479 --> 02:49:49,040

you all uh thank you for the questions again\h
uh please reach out to sherry she has a website\h\h

1497

02:49:49,040 --> 02:49:55,040

uh to contact her ask whatever other questions\h
you might have comments you might have so you\h\h

1498

02:49:55,040 --> 02:50:00,640

know that way you know nothing you know nothing\h
is standing in your way it's just sometimes that\h\h

1499

02:50:01,279 --> 02:50:07,679

we do q a which is question and answers and not\h
necessarily you know statement and answers so um\h\h

1500

02:50:07,680 --> 02:50:15,840

please do reach out and you know i hope sherry\h
you get uh you know get to answer some of those\h\h

1501

02:50:15,840 --> 02:50:19,840

which would mean that you're getting back to\h
your to your health and getting the control of\h\h

1502

02:50:19,840 --> 02:50:26,800

your fingers back and everything else yeah yeah\h
anybody who writes just be patient i i get to it\h\h

1503

02:50:26,800 --> 02:50:31,840

it all depends on how i'm feeling you know i want\h
to do it i read i read everything right away but i\h\h

1504

02:50:31,840 --> 02:50:38,800

just can't always respond so okay because i i do\h
answer eventually it might take months but i do\h\h

1505

02:50:40,319 --> 02:50:43,920

well everyone um have a good night\h
good day wherever you might be\h\h
