LIVE STREAM

1  
00:01:02,709 --> 00:00:15,910  
[Music]

2  
00:01:24,500 --> 00:01:03,840  
so

3  
00:01:24,510 --> 00:01:45,429  
[Music]

4  
00:01:45,439 --> 00:02:16,310  
foreign

5  
00:02:16,320 --> 00:03:44,630  
[Music]

6  
00:03:48,869 --> 00:03:46,630  
hi everyone welcome to geoff hubb

7  
00:03:51,910 --> 00:03:48,879  
livestream uh today's guest is going to

8  
00:03:54,869 --> 00:03:51,920  
be brad johnson uh he channels adronis

9  
00:03:56,949 --> 00:03:54,879  
and um as some of you have uh seen in

10  
00:03:59,270 --> 00:03:56,959  
the previous show i've talked to brad

11  
00:04:01,110 --> 00:03:59,280  
and to adronis and we asked a variety of

12  
00:04:03,670 --> 00:04:01,120  
questions and

13  
00:04:06,630 --> 00:04:03,680

then i found out that

14

00:04:08,710 --> 00:04:06,640

brad will be as he calls it concluding

15

00:04:10,630 --> 00:04:08,720

his channeling journey so initially i

16

00:04:11,990 --> 00:04:10,640

thought that meant

17

00:04:13,830 --> 00:04:12,000

the end of

18

00:04:17,509 --> 00:04:13,840

channeling altogether for him so i

19

00:04:20,949 --> 00:04:17,519

reached out hoping to get um one last uh

20

00:04:23,110 --> 00:04:20,959

interview to talk to adronis so that um

21

00:04:25,430 --> 00:04:23,120

i could ask some questions that maybe as

22

00:04:27,189 --> 00:04:25,440

you might notice today are

23

00:04:28,790 --> 00:04:27,199

going to be very controversial so i

24

00:04:31,749 --> 00:04:28,800

don't know what youtube does and what

25

00:04:33,909 --> 00:04:31,759

their restrictions are but i hope that

26

00:04:35,909 --> 00:04:33,919

they see this as a

27

00:04:37,749 --> 00:04:35,919

an opportunity to just allow more

28

00:04:39,350 --> 00:04:37,759

information than what's generally

29

00:04:41,430 --> 00:04:39,360

covered and

30

00:04:43,430 --> 00:04:41,440

if you are not into this or into

31

00:04:45,830 --> 00:04:43,440

channeled information then

32

00:04:47,990 --> 00:04:45,840

i hope you just find information that

33

00:04:51,030 --> 00:04:48,000

you're looking for somewhere else and

34

00:04:52,870 --> 00:04:51,040

not take it all out on us here so anyway

35

00:04:55,749 --> 00:04:52,880

um

36

00:04:58,550 --> 00:04:55,759

let me see here what we're going to do

37

00:05:00,629 --> 00:04:58,560

first this let me

38

00:05:02,150 --> 00:05:00,639

okay there we go good thing i heard a

39

00:05:04,550 --> 00:05:02,160

little noise in my headset here and i

40

00:05:06,310 --> 00:05:04,560

thought something was going on so let me

41

00:05:07,749 --> 00:05:06,320

first bring in

42

00:05:10,390 --> 00:05:07,759

bran

43

00:05:11,749 --> 00:05:10,400

brad welcome thanks for being on

44

00:05:13,029 --> 00:05:11,759

thanks for having me on again second

45

00:05:15,189 --> 00:05:13,039

time

46

00:05:17,110 --> 00:05:15,199

yeah so uh i figured i wanted to ask if

47

00:05:18,950 --> 00:05:17,120

you could uh go go a little bit over

48

00:05:21,830 --> 00:05:18,960

exactly what it is that that you're

49

00:05:23,749 --> 00:05:21,840

doing and um regarding this

50

00:05:26,310 --> 00:05:23,759

upcoming i guess conclusion with the

51  
00:05:27,749 --> 00:05:26,320  
jonas and you if you can go into that a

52  
00:05:29,350 --> 00:05:27,759  
little bit please

53  
00:05:30,629 --> 00:05:29,360  
yeah i was just getting in inner

54  
00:05:33,270 --> 00:05:30,639  
guidance right i've been doing this

55  
00:05:35,670 --> 00:05:33,280  
channeling work for about 13 years now

56  
00:05:38,469 --> 00:05:35,680  
uh since december of 2008 actually so

57  
00:05:40,150 --> 00:05:38,479  
it'd be 13 years this december

58  
00:05:42,310 --> 00:05:40,160  
but i was just getting the

59  
00:05:44,390 --> 00:05:42,320  
the the guidance from within that it's

60  
00:05:46,469 --> 00:05:44,400  
time to kind of hang up the challenge

61  
00:05:47,270 --> 00:05:46,479  
because a lot of the information that i

62  
00:05:49,110 --> 00:05:47,280  
share

63  
00:05:51,110 --> 00:05:49,120

is still going to continue it just won't

64

00:05:53,830 --> 00:05:51,120

continue through that medium right it's

65

00:05:55,270 --> 00:05:53,840

i i was doing a webcast this morning and

66

00:05:56,629 --> 00:05:55,280

i was telling my subscribers about this

67

00:05:57,430 --> 00:05:56,639

as well too and i said well it's kind of

68

00:06:00,629 --> 00:05:57,440

like

69

00:06:01,990 --> 00:06:00,639

uh you've already graduated grade 12 and

70

00:06:03,270 --> 00:06:02,000

when you're going into challenge it's

71

00:06:05,110 --> 00:06:03,280

like you're you're trying to go back

72

00:06:06,230 --> 00:06:05,120

into grade school again you don't need

73

00:06:08,469 --> 00:06:06,240

to do that right you don't need to go

74

00:06:09,749 --> 00:06:08,479

back to grade 4 or grade 5.

75

00:06:11,110 --> 00:06:09,759

you've already reached that state of

76  
00:06:13,029 --> 00:06:11,120  
graduation where you're already getting

77  
00:06:14,870 --> 00:06:13,039  
this flow of information coming very

78  
00:06:17,350 --> 00:06:14,880  
naturally through you and it's not

79  
00:06:18,950 --> 00:06:17,360  
necessary to have a medium such as

80  
00:06:20,629 --> 00:06:18,960  
through channeling to get this

81  
00:06:22,710 --> 00:06:20,639  
information to come through

82  
00:06:24,390 --> 00:06:22,720  
so what is going to be taking the place

83  
00:06:25,830 --> 00:06:24,400  
of the channeling state is i'm going to

84  
00:06:28,070 --> 00:06:25,840  
be going into natural spirit

85  
00:06:29,990 --> 00:06:28,080  
communication so that's just going in

86  
00:06:31,590 --> 00:06:30,000  
the flow with spirit and letting

87  
00:06:33,749 --> 00:06:31,600  
information for whatever needs to be

88  
00:06:35,830 --> 00:06:33,759

shared to come through so when i go into

89

00:06:37,430 --> 00:06:35,840

a channeling state with adronis i go

90

00:06:39,189 --> 00:06:37,440

into an altered state of consciousness

91

00:06:40,309 --> 00:06:39,199

right so i basically align myself to his

92

00:06:42,230 --> 00:06:40,319

frequency

93

00:06:43,909 --> 00:06:42,240

he comes through and then i get his

94

00:06:46,230 --> 00:06:43,919

transmission and that's what's being

95

00:06:47,670 --> 00:06:46,240

shared or relayed here

96

00:06:49,029 --> 00:06:47,680

so the general difference is that i

97

00:06:50,629 --> 00:06:49,039

don't really need to do that anymore

98

00:06:52,870 --> 00:06:50,639

it's just moving into a very natural

99

00:06:54,790 --> 00:06:52,880

state of being and getting again all

100

00:06:56,550 --> 00:06:54,800

kinds of great insight that have always

101

00:06:58,550 --> 00:06:56,560

been coming through throughout the years

102

00:07:01,189 --> 00:06:58,560

but on a much more refined level so it's

103

00:07:03,350 --> 00:07:01,199

kind of like working without a net

104

00:07:07,830 --> 00:07:03,360

so brad before uh

105

00:07:10,070 --> 00:07:07,840

uh august uh 31st uh you are still uh uh

106

00:07:11,909 --> 00:07:10,080

doing sessions correct do at least just

107

00:07:13,510 --> 00:07:11,919

have a few openings

108

00:07:16,870 --> 00:07:13,520

yeah i'm pretty much all booked up now

109

00:07:18,469 --> 00:07:16,880

for august uh but yeah i'm doing uh

110

00:07:20,870 --> 00:07:18,479

sessions right now i'm also doing some

111

00:07:23,270 --> 00:07:20,880

events i'm actually doing a book uh for

112

00:07:25,430 --> 00:07:23,280

my friends in japan as well too i have a

113

00:07:26,870 --> 00:07:25,440

uh a company there in japan and they

114

00:07:28,710 --> 00:07:26,880

want to do a book with adronis before

115

00:07:30,390 --> 00:07:28,720

the end of the month so that is

116

00:07:31,749 --> 00:07:30,400

happening as well too uh for the

117

00:07:33,110 --> 00:07:31,759

japanese people

118

00:07:35,430 --> 00:07:33,120

so yeah there's a few things there's a

119

00:07:36,790 --> 00:07:35,440

few other uh interviews i'm lined up so

120

00:07:38,950 --> 00:07:36,800

people just want to talk to adronis

121

00:07:41,670 --> 00:07:38,960

before he goes right because i've been

122

00:07:43,029 --> 00:07:41,680

his official channel for these past 13

123

00:07:44,629 --> 00:07:43,039

years and of course there's people

124

00:07:46,390 --> 00:07:44,639

asking you know are we gonna still be

125

00:07:48,629 --> 00:07:46,400

able to talk to him i said as long as

126

00:07:50,790 --> 00:07:48,639

you're able to go into his frequency

127

00:07:52,390 --> 00:07:50,800

domain of course you're always welcome

128

00:07:53,990 --> 00:07:52,400

to i'm the only person that has

129

00:07:55,270 --> 00:07:54,000

channeled him in this way

130

00:07:56,790 --> 00:07:55,280

but other people have talked to him

131

00:07:58,309 --> 00:07:56,800

they've talked to him in dream time

132

00:08:00,710 --> 00:07:58,319

they've talked to him through meditation

133

00:08:01,830 --> 00:08:00,720

as well too so he's always available

134

00:08:03,510 --> 00:08:01,840

absolutely

135

00:08:04,950 --> 00:08:03,520

he knows that i'm hanging this up and

136

00:08:06,950 --> 00:08:04,960

he's actually very encouraging of it

137

00:08:09,029 --> 00:08:06,960

because he knows that that net doesn't

138

00:08:10,869 --> 00:08:09,039

need to be there anymore so after august

139

00:08:13,430 --> 00:08:10,879

31st i basically just kind of cut the

140

00:08:15,589 --> 00:08:13,440

cord with uh channeling and then i move

141

00:08:18,150 --> 00:08:15,599

more into natural spirit flow natural

142

00:08:19,830 --> 00:08:18,160

spirit communication so again i i can't

143

00:08:21,749 --> 00:08:19,840

really say what's what it'll be like you

144

00:08:24,230 --> 00:08:21,759

guys will have to experience it yourself

145

00:08:26,629 --> 00:08:24,240

once we get into september

146

00:08:28,710 --> 00:08:26,639

okay good deal so for all all of you

147

00:08:30,550 --> 00:08:28,720

watching uh please in the description

148

00:08:34,230 --> 00:08:30,560

below check out all the website that

149

00:08:35,589 --> 00:08:34,240

brad has uh schedule your remaining

150

00:08:38,870 --> 00:08:35,599

appointments that are still left with

151

00:08:40,630 --> 00:08:38,880

the jonas if you like and um so i

152

00:08:43,029 --> 00:08:40,640

generally would like to always encourage

153

00:08:44,389 --> 00:08:43,039

people to whoever i have on as a guest

154

00:08:45,829 --> 00:08:44,399

to just

155

00:08:47,590 --> 00:08:45,839

look at their site look at the

156

00:08:49,110 --> 00:08:47,600

information obviously you've come here

157

00:08:50,949 --> 00:08:49,120

for a reason you're looking for

158

00:08:53,110 --> 00:08:50,959

something even if it's for entertainment

159

00:08:55,990 --> 00:08:53,120

you can also find it somewhere else too

160

00:08:57,430 --> 00:08:56,000

and so um just don't hesitate it's in

161

00:08:59,430 --> 00:08:57,440

the description whether you're on

162

00:09:01,829 --> 00:08:59,440

youtube it's in it's in the description

163

00:09:03,990 --> 00:09:01,839

box below on uh facebook it's going to

164

00:09:06,310 --> 00:09:04,000

be in the description box above because

165

00:09:08,630 --> 00:09:06,320

they switch it up and so

166

00:09:11,829 --> 00:09:08,640

later on too we're going to do some q a

167

00:09:14,389 --> 00:09:11,839

so uh you can in the chat itself if you

168

00:09:16,470 --> 00:09:14,399

can put three little stars before uh you

169

00:09:17,990 --> 00:09:16,480

ask a question i'd appreciate it so that

170

00:09:20,070 --> 00:09:18,000

way i know it's directed towards the

171

00:09:22,790 --> 00:09:20,080

guest and if you would like to ask a

172

00:09:25,110 --> 00:09:22,800

question uh directly just simply join

173

00:09:26,470 --> 00:09:25,120

the telegram group and just you still

174

00:09:29,350 --> 00:09:26,480

have some time in case you haven't

175

00:09:31,350 --> 00:09:29,360

downloaded telegram uh download it use

176

00:09:33,190 --> 00:09:31,360

the link to take you to the ufo hub

177

00:09:35,990 --> 00:09:33,200

group you'll see the voice chat going on

178

00:09:38,150 --> 00:09:36,000

right now and you'll be able to to ask a

179

00:09:41,190 --> 00:09:38,160

question yourself so

180

00:09:42,710 --> 00:09:41,200

um bran i figured um uh let's

181

00:09:45,110 --> 00:09:42,720

you know let's get going and have a

182

00:09:46,470 --> 00:09:45,120

journalist come in and we'll start start

183

00:09:47,910 --> 00:09:46,480

the interview then

184

00:09:49,670 --> 00:09:47,920

sure sounds good so just take me a

185

00:09:50,710 --> 00:09:49,680

moment to bring him through once he

186

00:09:52,230 --> 00:09:50,720

comes through he'll give a brief

187

00:09:54,070 --> 00:09:52,240

introduction and then any questions you

188

00:10:12,990 --> 00:09:54,080

guys have if you're free to share so

189

00:10:13,000 --> 00:10:19,030

tear up

190

00:10:24,130 --> 00:10:20,630

soul

191

00:10:35,350 --> 00:10:26,710

[Music]

192

00:11:09,350 --> 00:10:36,550

i

193

00:11:11,269 --> 00:11:09,360

all of the

194

00:11:13,350 --> 00:11:11,279

expressions that shall be shared

195

00:11:15,670 --> 00:11:13,360

throughout this discourse today is

196

00:11:17,190 --> 00:11:15,680

simply that of our perspective our point

197

00:11:19,350 --> 00:11:17,200

of view for all knowledge all

198

00:11:21,910 --> 00:11:19,360

information all creation itself resides

199

00:11:23,990 --> 00:11:21,920

within your very hearts beings and soul

200

00:11:27,269 --> 00:11:24,000

and so we thank you very much to adnan

201  
00:11:30,310 --> 00:11:28,870  
sir jonas thank you again for being here

202  
00:11:32,790 --> 00:11:30,320  
i really appreciate it

203  
00:11:35,590 --> 00:11:32,800  
um so i have a list of questions i

204  
00:11:37,350 --> 00:11:35,600  
wanted to ask which which i guess is you

205  
00:11:39,030 --> 00:11:37,360  
you're no stranger to controversial

206  
00:11:40,310 --> 00:11:39,040  
questions so i figured let's start with

207  
00:11:42,389 --> 00:11:40,320  
the first one

208  
00:11:44,550 --> 00:11:42,399  
um did nasa

209  
00:11:46,470 --> 00:11:44,560  
uh go to the moon because we know what

210  
00:11:47,590 --> 00:11:46,480  
the official story is from your

211  
00:11:49,110 --> 00:11:47,600  
perspective

212  
00:11:51,829 --> 00:11:49,120  
what can you tell us

213  
00:11:54,310 --> 00:11:51,839

the answer is both yes and no

214

00:11:56,389 --> 00:11:54,320

now the idea from what many of you refer

215

00:11:58,870 --> 00:11:56,399

to as the moon landing that was

216

00:12:02,470 --> 00:11:58,880

broadcast on your television back in the

217

00:12:05,269 --> 00:12:02,480

1960s was not the true event that was in

218

00:12:08,310 --> 00:12:05,279

that sense a staged event that again was

219

00:12:10,790 --> 00:12:08,320

simply there to fulfill as it were

220

00:12:12,470 --> 00:12:10,800

the idea of feeling that man could

221

00:12:14,629 --> 00:12:12,480

arrive on the moon in that sense and

222

00:12:16,949 --> 00:12:14,639

basically try to win the space race

223

00:12:18,550 --> 00:12:16,959

pertaining in that sense to the american

224

00:12:21,430 --> 00:12:18,560

wishing to do so

225

00:12:25,030 --> 00:12:21,440

now prior to that time going back into

226  
00:12:27,910 --> 00:12:25,040  
your 1940s and 1950s there were certain

227  
00:12:30,550 --> 00:12:27,920  
people that were selected to actually go

228  
00:12:32,629 --> 00:12:30,560  
on board spacecraft and actually visit

229  
00:12:34,069 --> 00:12:32,639  
the moon they were actually picked up

230  
00:12:35,670 --> 00:12:34,079  
and taken there

231  
00:12:37,910 --> 00:12:35,680  
now when you look at your moon you

232  
00:12:41,030 --> 00:12:37,920  
actually do have certain structures that

233  
00:12:43,190 --> 00:12:41,040  
are man-made by that we mean that human

234  
00:12:45,430 --> 00:12:43,200  
beings upon your earth have actually

235  
00:12:47,350 --> 00:12:45,440  
worked together with other crews

236  
00:12:49,030 --> 00:12:47,360  
and in that sense are working together

237  
00:12:51,590 --> 00:12:49,040  
in a joint venture

238  
00:12:54,550 --> 00:12:51,600

through the moon itself and many of its

239

00:12:56,470 --> 00:12:54,560

occupants to build certain structures

240

00:12:59,269 --> 00:12:56,480

there some of these relate to the idea

241

00:13:01,670 --> 00:12:59,279

of resorts or bases installations

242

00:13:03,269 --> 00:13:01,680

even things that may seem like hotels in

243

00:13:04,870 --> 00:13:03,279

a type of way

244

00:13:06,870 --> 00:13:04,880

that has been there since around the

245

00:13:09,750 --> 00:13:06,880

early 1950s

246

00:13:11,509 --> 00:13:09,760

that has not been publicized upon your

247

00:13:13,910 --> 00:13:11,519

television sets of course or even

248

00:13:16,069 --> 00:13:13,920

through your internet quite commonly so

249

00:13:18,629 --> 00:13:16,079

the idea is that yes

250

00:13:20,310 --> 00:13:18,639

some human beings have been able to go

251  
00:13:22,069 --> 00:13:20,320  
to the moon many of them are what you

252  
00:13:23,430 --> 00:13:22,079  
would know as bankers many of them which

253  
00:13:25,590 --> 00:13:23,440  
you would know in that sense are in

254  
00:13:27,350 --> 00:13:25,600  
higher degrees of life pertaining to

255  
00:13:29,590 --> 00:13:27,360  
finance and wealth

256  
00:13:32,230 --> 00:13:29,600  
and there are those in that sense that

257  
00:13:33,910 --> 00:13:32,240  
again have created this fabrication

258  
00:13:36,389 --> 00:13:33,920  
pertaining to the idea of the staged

259  
00:13:38,389 --> 00:13:36,399  
moon landing so the stage moon landing

260  
00:13:41,110 --> 00:13:38,399  
that you saw in your television sets no

261  
00:13:43,990 --> 00:13:41,120  
that was indeed false but prior to that

262  
00:13:46,310 --> 00:13:44,000  
time yes humanity has been on the moon

263  
00:13:48,310 --> 00:13:46,320

not of course on a large level again it

264

00:13:49,829 --> 00:13:48,320

was only a very small grouping of people

265

00:13:52,150 --> 00:13:49,839

all together

266

00:13:54,230 --> 00:13:52,160

yeah i want to i want to clarify what so

267

00:13:56,550 --> 00:13:54,240

that was this wasn't to the doing of the

268

00:13:58,470 --> 00:13:56,560

human technology but you're saying

269

00:14:00,230 --> 00:13:58,480

with that

270

00:14:02,389 --> 00:14:00,240

it was the idea that these particular

271

00:14:05,189 --> 00:14:02,399

people who were selected were actually

272

00:14:07,269 --> 00:14:05,199

picked up through a particular military

273

00:14:10,470 --> 00:14:07,279

base we cannot say which one

274

00:14:12,470 --> 00:14:10,480

and therefore escorted as it were and

275

00:14:14,069 --> 00:14:12,480

transported themselves to the moon and

276

00:14:16,550 --> 00:14:14,079

they were actually able to be able to be

277

00:14:18,629 --> 00:14:16,560

shown around to certain areas of the

278

00:14:21,269 --> 00:14:18,639

moon there's a lot of areas of the moon

279

00:14:23,750 --> 00:14:21,279

that cannot be divulged to humanity so

280

00:14:27,110 --> 00:14:23,760

because in regards to its nature but

281

00:14:29,670 --> 00:14:27,120

there again was given a certain tour as

282

00:14:31,269 --> 00:14:29,680

it were a certain spot upon the moon to

283

00:14:34,470 --> 00:14:31,279

where again there could actually be an

284

00:14:37,030 --> 00:14:34,480

excavation site to where some of this

285

00:14:40,710 --> 00:14:37,040

land donated could actually be utilized

286

00:14:45,829 --> 00:14:42,710

so basically

287

00:14:49,110 --> 00:14:45,839

nasa if in that sense then it has never

288

00:14:51,350 --> 00:14:49,120

been really nasa no no nasa was not

289

00:14:53,430 --> 00:14:51,360

really a part of it nasa is more so of a

290

00:14:56,470 --> 00:14:53,440

staged organization more than anything

291

00:14:58,230 --> 00:14:56,480

else it is not an actual space agency

292

00:15:00,150 --> 00:14:58,240

but this was a different human group

293

00:15:03,189 --> 00:15:00,160

more so what you would term as your

294

00:15:04,629 --> 00:15:03,199

hollywood movie like space agency that

295

00:15:06,870 --> 00:15:04,639

would represent nasa that would

296

00:15:09,350 --> 00:15:06,880

represent spacex that would represent

297

00:15:10,389 --> 00:15:09,360

many of your common space agencies in

298

00:15:12,470 --> 00:15:10,399

that way

299

00:15:14,790 --> 00:15:12,480

this was more government oriented what

300

00:15:17,269 --> 00:15:14,800

you would know as shadow government

301

00:15:19,030 --> 00:15:17,279

oh okay i see thank you for clarifying

302

00:15:21,189 --> 00:15:19,040

so then

303

00:15:23,590 --> 00:15:21,199

has nasa then been to mars and the

304

00:15:25,269 --> 00:15:23,600

rovers in a way they tell us generally

305

00:15:29,430 --> 00:15:25,279

what is all that about

306

00:15:33,990 --> 00:15:32,069

have they uh what about our satellites

307

00:15:37,590 --> 00:15:34,000

there are satellites that exist around

308

00:15:39,189 --> 00:15:37,600

mars but they are not nasa designed

309

00:15:40,790 --> 00:15:39,199

there are satellites that are again

310

00:15:43,509 --> 00:15:40,800

around that planet there is even some

311

00:15:45,749 --> 00:15:43,519

human population upon mars but again it

312

00:15:48,870 --> 00:15:45,759

has nothing to do with nasa as we stated

313

00:15:50,629 --> 00:15:48,880

it's shadow government

314

00:15:52,829 --> 00:15:50,639

it is what you would term as a secret

315

00:15:55,189 --> 00:15:52,839

space

316

00:15:57,670 --> 00:15:55,199

program and so

317

00:16:00,389 --> 00:15:57,680

these different uh these different bases

318

00:16:02,389 --> 00:16:00,399

that are on the moon and i guess

319

00:16:05,189 --> 00:16:02,399

the little bit of population set of

320

00:16:07,910 --> 00:16:05,199

humans that are there is this in in

321

00:16:09,670 --> 00:16:07,920

coordination with with a certain alien

322

00:16:11,829 --> 00:16:09,680

race that they think they can gain some

323

00:16:13,269 --> 00:16:11,839

technology from or what is this about

324

00:16:15,509 --> 00:16:13,279

part of the arrangement part of the

325

00:16:17,829 --> 00:16:15,519

agreement yes they would in that sense

326

00:16:20,470 --> 00:16:17,839

allow certain forms of people to be

327

00:16:22,470 --> 00:16:20,480

experimented on in that way in exchange

328

00:16:24,550 --> 00:16:22,480

for certain exchanges of technology

329

00:16:26,629 --> 00:16:24,560

as well as being able to have this shall

330

00:16:32,230 --> 00:16:26,639

we say area upon the moon to which they

331

00:16:37,110 --> 00:16:35,990

so what about um

332

00:16:41,590 --> 00:16:37,120

the

333

00:16:45,749 --> 00:16:41,600

and this was regarding different alien

334

00:16:47,509 --> 00:16:45,759

racess and he called it the incognito ets

335

00:16:48,870 --> 00:16:47,519

and i found that interesting in the

336

00:16:51,350 --> 00:16:48,880

sense that

337

00:16:52,150 --> 00:16:51,360

my experience has always been that the

338

00:16:56,550 --> 00:16:52,160

the

339

00:16:58,870 --> 00:16:56,560

energy was so different that it really

340

00:17:00,949 --> 00:16:58,880

scared me and many uh that i've talked

341

00:17:01,910 --> 00:17:00,959

to had a similar experience and so i'm

342

00:17:03,910 --> 00:17:01,920

wondering

343

00:17:06,150 --> 00:17:03,920

what kind of what different alien race

344

00:17:08,150 --> 00:17:06,160

is this to where they can be among us

345

00:17:10,230 --> 00:17:08,160

but not have that effect that i had for

346

00:17:12,470 --> 00:17:10,240

example relating to the idea of what you

347

00:17:15,669 --> 00:17:12,480

term as incognito extraterrestrials are

348

00:17:18,309 --> 00:17:15,679

approximately 17 to about 18 different

349

00:17:20,150 --> 00:17:18,319

incognito extraterrestrial races that

350

00:17:22,390 --> 00:17:20,160

are not naturally born upon your planet

351  
00:17:25,429 --> 00:17:22,400  
that are walking your planet right now

352  
00:17:28,390 --> 00:17:25,439  
they're around your large majority of

353  
00:17:30,470 --> 00:17:28,400  
populaces your metropolises your cities

354  
00:17:32,630 --> 00:17:30,480  
in that sense many of them can dwell

355  
00:17:35,029 --> 00:17:32,640  
there there are also again small areas

356  
00:17:37,669 --> 00:17:35,039  
to where they populate much more as a

357  
00:17:39,909 --> 00:17:37,679  
type of village or a small town

358  
00:17:41,669 --> 00:17:39,919  
so there are certain civilizations that

359  
00:17:43,590 --> 00:17:41,679  
are like that and many of them look just

360  
00:17:45,669 --> 00:17:43,600  
like you you really could not tell the

361  
00:17:47,430 --> 00:17:45,679  
difference there are some that may have

362  
00:17:49,590 --> 00:17:47,440  
minor differences but they are able to

363  
00:17:51,190 --> 00:17:49,600

conceal it quite well and again you

364

00:17:52,470 --> 00:17:51,200

really would not be able to tell the

365

00:17:54,630 --> 00:17:52,480

difference if they are walking down the

366

00:17:56,390 --> 00:17:54,640

street with you so this is quite common

367

00:17:59,029 --> 00:17:56,400

there have been as you would say

368

00:18:01,029 --> 00:17:59,039

incognito extraterrestrials upon your

369

00:18:03,110 --> 00:18:01,039

earth for thousands of years

370

00:18:06,310 --> 00:18:03,120

so they have seen many different facets

371

00:18:08,470 --> 00:18:06,320

of your societies your civilizations

372

00:18:10,150 --> 00:18:08,480

going back into the time of jesus and

373

00:18:12,310 --> 00:18:10,160

even before that time

374

00:18:15,029 --> 00:18:12,320

so again where they have seen your

375

00:18:16,230 --> 00:18:15,039

species evolve from that sense moving

376

00:18:18,630 --> 00:18:16,240

much more into an indigenous

377

00:18:20,789 --> 00:18:18,640

civilization more so into your modern

378

00:18:22,710 --> 00:18:20,799

age and everything in between

379

00:18:24,950 --> 00:18:22,720

so again they have not always as you

380

00:18:26,789 --> 00:18:24,960

would say touted their ability to feel

381

00:18:28,789 --> 00:18:26,799

like they are here they have always kept

382

00:18:31,669 --> 00:18:28,799

themselves in great secrecy the idea of

383

00:18:33,270 --> 00:18:31,679

incognito extraterrestrials is to focus

384

00:18:35,350 --> 00:18:33,280

on the incognito they have been very

385

00:18:37,190 --> 00:18:35,360

clandestine relating to the idea of

386

00:18:38,950 --> 00:18:37,200

their presence upon the earth because

387

00:18:40,870 --> 00:18:38,960

they are doing work here some of them

388

00:18:41,990 --> 00:18:40,880

even work within your government

389

00:18:44,310 --> 00:18:42,000

some of them even work with your

390

00:18:46,549 --> 00:18:44,320

military some of them work in regards to

391

00:18:47,909 --> 00:18:46,559

political branches and so forth shadow

392

00:18:49,669 --> 00:18:47,919

government etcetera

393

00:18:52,310 --> 00:18:49,679

so they have been here for quite some

394

00:18:54,789 --> 00:18:52,320

time as we stated approximately 17 to 18

395

00:18:56,789 --> 00:18:54,799

different types it may even be 19

396

00:18:58,870 --> 00:18:56,799

altogether again we are only aware of

397

00:19:02,950 --> 00:18:58,880

some of the official races there may be

398

00:19:06,870 --> 00:19:05,430

and so is it mainly the us government

399

00:19:09,430 --> 00:19:06,880

that's working with the different

400

00:19:10,870 --> 00:19:09,440

different alien races or are there more

401  
00:19:12,310 --> 00:19:10,880  
governments

402  
00:19:14,549 --> 00:19:12,320  
the majority

403  
00:19:16,789 --> 00:19:14,559  
of much of your governments right now

404  
00:19:18,470 --> 00:19:16,799  
have been aware of extraterrestrial plan

405  
00:19:20,150 --> 00:19:18,480  
extraterrestrial plans and

406  
00:19:22,870 --> 00:19:20,160  
extraterrestrial agendas and

407  
00:19:25,270 --> 00:19:22,880  
extraterrestrial presences for a very

408  
00:19:27,270 --> 00:19:25,280  
long time even your emperors going back

409  
00:19:30,150 --> 00:19:27,280  
into your ancient times were aware of

410  
00:19:32,150 --> 00:19:30,160  
their gods as it were which were these

411  
00:19:34,470 --> 00:19:32,160  
beings

412  
00:19:35,990 --> 00:19:34,480  
okay that makes sense

413  
00:19:37,990 --> 00:19:36,000

and so um

414

00:19:40,150 --> 00:19:38,000

i guess which then leads me to to ask

415

00:19:42,390 --> 00:19:40,160

the question who are exactly the

416

00:19:44,310 --> 00:19:42,400

illuminati that we so often

417

00:19:45,669 --> 00:19:44,320

talk about

418

00:19:50,390 --> 00:19:45,679

well again these would be what you would

419

00:19:54,549 --> 00:19:52,549

basically again having a finger in the

420

00:19:57,190 --> 00:19:54,559

pie pertaining to a great deal of

421

00:20:00,710 --> 00:19:57,200

rulership that has gone through again

422

00:20:02,870 --> 00:20:00,720

thousands of years of history so again

423

00:20:04,549 --> 00:20:02,880

looking into the idea of babylon looking

424

00:20:06,710 --> 00:20:04,559

into the idea of the roman empire

425

00:20:09,590 --> 00:20:06,720

looking into the idea of mesopotamia

426

00:20:11,590 --> 00:20:09,600

samaria et cetera egypt all of them in

427

00:20:13,830 --> 00:20:11,600

that sense represented these specific

428

00:20:16,070 --> 00:20:13,840

bloodline families that were brought in

429

00:20:18,789 --> 00:20:16,080

to basically in that sense create

430

00:20:21,350 --> 00:20:18,799

a veil create an illusion create a

431

00:20:23,350 --> 00:20:21,360

distraction relating to the idea of finn

432

00:20:25,909 --> 00:20:23,360

that there needed to be kings and queens

433

00:20:27,590 --> 00:20:25,919

and emperors to in that sense govern

434

00:20:30,230 --> 00:20:27,600

people so that they could therefore have

435

00:20:32,070 --> 00:20:30,240

their own time in the sun having their

436

00:20:34,470 --> 00:20:32,080

own particular states of

437

00:20:36,950 --> 00:20:34,480

triumphs in that way seeing themselves

438

00:20:38,789 --> 00:20:36,960

as gods among men but in that sense many

439

00:20:41,750 --> 00:20:38,799

of these bloodline families were more so

440

00:20:45,350 --> 00:20:41,760

self-appointed more than anything else

441

00:20:46,470 --> 00:20:45,360

they were given certain degrees of

442

00:20:48,549 --> 00:20:46,480

knowledge

443

00:20:49,350 --> 00:20:48,559

that was not really meant for them to

444

00:20:51,669 --> 00:20:49,360

keep

445

00:20:53,190 --> 00:20:51,679

their selfishness going back many

446

00:20:54,789 --> 00:20:53,200

thousands of years

447

00:20:56,390 --> 00:20:54,799

is actually what led to them in that

448

00:20:58,070 --> 00:20:56,400

sense keeping this information for

449

00:21:00,549 --> 00:20:58,080

themselves because many of their

450

00:21:02,070 --> 00:21:00,559

ancestors ruled lands they were again

451  
00:21:04,070 --> 00:21:02,080  
territorial

452  
00:21:06,789 --> 00:21:04,080  
areas again that were ruled by kings

453  
00:21:08,710 --> 00:21:06,799  
queens emperors etc and that there were

454  
00:21:10,630 --> 00:21:08,720  
certain civilizations that would come

455  
00:21:13,430 --> 00:21:10,640  
down and again function as these

456  
00:21:15,909 --> 00:21:13,440  
goodwill ambassadors and what they were

457  
00:21:18,630 --> 00:21:15,919  
planning to do was to give a lot of this

458  
00:21:21,029 --> 00:21:18,640  
knowledge and in that sense information

459  
00:21:23,909 --> 00:21:21,039  
pertaining to humanity and they felt

460  
00:21:26,390 --> 00:21:23,919  
that the king or the queen or both would

461  
00:21:28,710 --> 00:21:26,400  
be the appropriate proxies for that

462  
00:21:30,710 --> 00:21:28,720  
however that was not the case they kept

463  
00:21:32,870 --> 00:21:30,720

the knowledge for themselves basically

464

00:21:34,630 --> 00:21:32,880

about how to keep yourself healthy how

465

00:21:36,789 --> 00:21:34,640

to keep yourself in that sense living

466

00:21:39,110 --> 00:21:36,799

through longevity it was basically in

467

00:21:41,110 --> 00:21:39,120

that sense secrets of immortality

468

00:21:44,549 --> 00:21:41,120

it was secrets about how to keep your

469

00:21:46,470 --> 00:21:44,559

your own land strong and fertile as well

470

00:21:47,750 --> 00:21:46,480

too there was a great deal of

471

00:21:50,230 --> 00:21:47,760

information there was even telling them

472

00:21:52,070 --> 00:21:50,240

about humanity's origins

473

00:21:54,070 --> 00:21:52,080

and again they kept a lot of this to

474

00:21:56,390 --> 00:21:54,080

themselves because the ambassadors had

475

00:21:59,110 --> 00:21:56,400

no say about how this knowledge was to

476

00:22:01,110 --> 00:21:59,120

be used they came down through again the

477

00:22:03,110 --> 00:22:01,120

appropriate means they often again

478

00:22:05,510 --> 00:22:03,120

appeared as these shall we say

479

00:22:08,630 --> 00:22:05,520

illuminating beings and they would come

480

00:22:11,190 --> 00:22:08,640

down through chariots in that way seen

481

00:22:13,510 --> 00:22:11,200

as chariots or chariots of fire

482

00:22:14,950 --> 00:22:13,520

representing against spacecraft

483

00:22:16,789 --> 00:22:14,960

and they would come and they would be

484

00:22:18,310 --> 00:22:16,799

greeted like royalty

485

00:22:20,149 --> 00:22:18,320

and they would go and they would see the

486

00:22:21,909 --> 00:22:20,159

royal family and they would start

487

00:22:23,350 --> 00:22:21,919

sharing this information because through

488

00:22:25,909 --> 00:22:23,360

their impression

489

00:22:28,230 --> 00:22:25,919

they would let the royal family share it

490

00:22:30,230 --> 00:22:28,240

to every single man woman and child that

491

00:22:32,950 --> 00:22:30,240

was the intention however because of

492

00:22:35,590 --> 00:22:32,960

their greed that did not take place and

493

00:22:37,590 --> 00:22:35,600

so they kept using this information for

494

00:22:39,110 --> 00:22:37,600

their own benefits

495

00:22:41,029 --> 00:22:39,120

and that is basically what created the

496

00:22:44,070 --> 00:22:41,039

idea of them feeling that they were gods

497

00:22:44,080 --> 00:22:46,789

and so

498

00:22:50,149 --> 00:22:48,149

basically

499

00:22:52,470 --> 00:22:50,159

talking about you know information right

500

00:22:54,789 --> 00:22:52,480

now in this photo for quite a few years

501

00:22:57,190 --> 00:22:54,799

now it felt like so much more is now

502

00:22:59,750 --> 00:22:57,200

coming up to the forefront coming up

503

00:23:01,350 --> 00:22:59,760

from from what we thought the government

504

00:23:02,950 --> 00:23:01,360

really does with

505

00:23:05,110 --> 00:23:02,960

the revelations from

506

00:23:07,270 --> 00:23:05,120

edward snowden and wikileaks and all

507

00:23:09,350 --> 00:23:07,280

these different things that i guess

508

00:23:11,750 --> 00:23:09,360

for lack of a better word all our worst

509

00:23:13,669 --> 00:23:11,760

nightmares have come true uh but with

510

00:23:16,870 --> 00:23:13,679

even with all that information and all

511

00:23:19,350 --> 00:23:16,880

of it finally being more well known uh

512

00:23:21,190 --> 00:23:19,360

we still have this um i guess

513

00:23:23,590 --> 00:23:21,200

for like a better word like

514

00:23:26,470 --> 00:23:23,600

we don't see eye to eye and i'm confused

515

00:23:28,149 --> 00:23:26,480

why why that is happening dude can you

516

00:23:29,990 --> 00:23:28,159

do you have maybe an explanation as to

517

00:23:31,909 --> 00:23:30,000

why because there's still some you can

518

00:23:33,190 --> 00:23:31,919

show them documents and even movies have

519

00:23:35,190 --> 00:23:33,200

been made about this now you would have

520

00:23:37,350 --> 00:23:35,200

thought that this mainstream that so

521

00:23:40,149 --> 00:23:37,360

many hold on to that that would have

522

00:23:42,149 --> 00:23:40,159

been kind of a uh wake-up call for them

523

00:23:44,710 --> 00:23:42,159

but it's still just they kind of

524

00:23:46,789 --> 00:23:44,720

continue with with you know

525

00:23:49,190 --> 00:23:46,799

we still continue fighting about

526

00:23:52,230 --> 00:23:49,200

a a piece of information that we both

527

00:23:54,149 --> 00:23:52,240

can see both can look at

528

00:23:55,750 --> 00:23:54,159

do you consider your mainstream media to

529

00:23:56,789 --> 00:23:55,760

be ethical

530

00:23:58,710 --> 00:23:56,799

no

531

00:24:01,350 --> 00:23:58,720

have they ever demonstrated any type of

532

00:24:03,190 --> 00:24:01,360

practice pertaining to ethical behavior

533

00:24:04,310 --> 00:24:03,200

not that i've seen personally so why

534

00:24:06,149 --> 00:24:04,320

would you think that they're going to

535

00:24:08,789 --> 00:24:06,159

share truth with you

536

00:24:10,630 --> 00:24:08,799

you see your mainstream media even

537

00:24:12,470 --> 00:24:10,640

through the time of its inception has

538

00:24:15,350 --> 00:24:12,480

never been truthful

539

00:24:18,230 --> 00:24:15,360

they are a sanitation program it is a

540

00:24:20,230 --> 00:24:18,240

sanitation agenda it relates to the

541

00:24:23,029 --> 00:24:20,240

nature of what you commonly refer to as

542

00:24:25,430 --> 00:24:23,039

mind control that's exactly why these

543

00:24:28,070 --> 00:24:25,440

particular forms of corporations were

544

00:24:31,110 --> 00:24:28,080

established they are basically

545

00:24:33,430 --> 00:24:31,120

strongholds for the idea of manipulating

546

00:24:35,190 --> 00:24:33,440

millions and billions of people through

547

00:24:38,230 --> 00:24:35,200

the nature of mind control through

548

00:24:40,950 --> 00:24:38,240

common technology like television

549

00:24:43,269 --> 00:24:40,960

they have no interest whatsoever

550

00:24:45,750 --> 00:24:43,279

in telling you the truth

551  
00:24:47,909 --> 00:24:45,760  
there's no profit in that

552  
00:24:50,070 --> 00:24:47,919  
they cannot go forward with greed

553  
00:24:53,269 --> 00:24:50,080  
telling you the truth

554  
00:24:55,269 --> 00:24:53,279  
they are again watering everything down

555  
00:24:57,510 --> 00:24:55,279  
to keeping you very much as you would

556  
00:25:00,549 --> 00:24:57,520  
say sleeping

557  
00:25:02,390 --> 00:25:00,559  
that has been their inception ever since

558  
00:25:04,789 --> 00:25:02,400  
they have therefore created the

559  
00:25:08,070 --> 00:25:04,799  
television and as it evolved over the

560  
00:25:10,549 --> 00:25:08,080  
years then they would have news programs

561  
00:25:12,230 --> 00:25:10,559  
they would therefore have programming

562  
00:25:14,070 --> 00:25:12,240  
you have to look at these simple words

563  
00:25:16,230 --> 00:25:14,080

that when you're watching a show you're

564

00:25:18,630 --> 00:25:16,240

watching a program well that's exactly

565

00:25:20,549 --> 00:25:18,640

what it is it's to basically dumb you

566

00:25:22,789 --> 00:25:20,559

down and put you in a type of trance

567

00:25:24,630 --> 00:25:22,799

state preventing yourself from actually

568

00:25:26,310 --> 00:25:24,640

asking big questions because you're too

569

00:25:29,029 --> 00:25:26,320

enamored with what you are being

570

00:25:30,870 --> 00:25:29,039

entertained with on a screen

571

00:25:33,590 --> 00:25:30,880

that has been their intention for a very

572

00:25:35,430 --> 00:25:33,600

long time you will not find any truth

573

00:25:37,269 --> 00:25:35,440

for them because they are nothing more

574

00:25:39,750 --> 00:25:37,279

than gatekeepers

575

00:25:41,430 --> 00:25:39,760

they keep all the gates locked

576  
00:25:44,950 --> 00:25:41,440  
and they are the ones in that sense that

577  
00:25:47,510 --> 00:25:44,960  
are spouting the idea of false gospels

578  
00:25:49,430 --> 00:25:47,520  
to keeping yourselves in fear to keeping

579  
00:25:51,830 --> 00:25:49,440  
yourself entertained to keeping

580  
00:25:53,510 --> 00:25:51,840  
yourselves dumbed down if you believe

581  
00:25:55,990 --> 00:25:53,520  
that your mainstream media was in any

582  
00:25:58,310 --> 00:25:56,000  
way attempting to give you truth you do

583  
00:26:01,110 --> 00:25:58,320  
not understand their full agenda

584  
00:26:03,430 --> 00:26:01,120  
they have no intention whatsoever of

585  
00:26:05,909 --> 00:26:03,440  
ever telling you the truth

586  
00:26:08,070 --> 00:26:05,919  
relating to how they are currently shall

587  
00:26:09,830 --> 00:26:08,080  
we say propagated

588  
00:26:12,070 --> 00:26:09,840

to how they are currently outlined in

589

00:26:13,830 --> 00:26:12,080

that way when the idea of mainstream

590

00:26:15,909 --> 00:26:13,840

media is getting infiltrated and

591

00:26:17,909 --> 00:26:15,919

therefore it gets broken down and

592

00:26:19,990 --> 00:26:17,919

therefore gets reinvented well then it

593

00:26:22,390 --> 00:26:20,000

might be a different story but at that

594

00:26:24,390 --> 00:26:22,400

time at this time right now it is not

595

00:26:26,149 --> 00:26:24,400

really happening and it has not happened

596

00:26:28,549 --> 00:26:26,159

in the past either

597

00:26:30,470 --> 00:26:28,559

so again the whole idea here is that if

598

00:26:32,870 --> 00:26:30,480

you are relying upon the mainstream

599

00:26:35,029 --> 00:26:32,880

media to understand the nature of

600

00:26:37,430 --> 00:26:35,039

sharing truth with you you are deluding

601  
00:26:40,390 --> 00:26:37,440  
yourself truth does not come from your

602  
00:26:43,590 --> 00:26:40,400  
television sets

603  
00:26:45,430 --> 00:26:43,600  
and so talking about um

604  
00:26:47,990 --> 00:26:45,440  
you know misinformation from i mean one

605  
00:26:50,310 --> 00:26:48,000  
of my major wake-up calls and and for a

606  
00:26:54,149 --> 00:26:50,320  
lot of people that i

607  
00:26:56,630 --> 00:26:54,159  
personally also got to got to meet 9 11

608  
00:26:57,830 --> 00:26:56,640  
was was the big one to where

609  
00:27:00,549 --> 00:26:57,840  
um

610  
00:27:03,110 --> 00:27:00,559  
the story was one way but what what was

611  
00:27:06,070 --> 00:27:03,120  
being presented video wise was a

612  
00:27:08,390 --> 00:27:06,080  
different one and that's what kind of um

613  
00:27:10,070 --> 00:27:08,400

really want to talk about a wake-up call

614

00:27:12,070 --> 00:27:10,080

that kind of you just almost can't help

615

00:27:14,310 --> 00:27:12,080

it you just look at oh my god what else

616

00:27:17,350 --> 00:27:14,320

have i not been told now of course to

617

00:27:20,230 --> 00:27:17,360

bring that up it's immediately you know

618

00:27:22,549 --> 00:27:20,240

um you know squelch down laughed at and

619

00:27:25,269 --> 00:27:22,559

and all these other things now now and

620

00:27:26,470 --> 00:27:25,279

maybe not so much you know because look

621

00:27:27,990 --> 00:27:26,480

at all the things that have been going

622

00:27:29,830 --> 00:27:28,000

on with the with the pandemic that are

623

00:27:32,070 --> 00:27:29,840

not allowed to be to be talked about

624

00:27:34,630 --> 00:27:32,080

openly without you know channel yank

625

00:27:36,870 --> 00:27:34,640

down or video taken down or whatever and

626

00:27:39,750 --> 00:27:36,880

so um

627

00:27:42,549 --> 00:27:39,760

what what can you what can you tell tell

628

00:27:44,950 --> 00:27:42,559

me about 911 specifically to share with

629

00:27:47,590 --> 00:27:44,960

those that might not have been aware of

630

00:27:49,110 --> 00:27:47,600

what what kind of mischief went on there

631

00:27:51,350 --> 00:27:49,120

well basically you could say it was just

632

00:27:52,870 --> 00:27:51,360

a robbery it was a planned robbery

633

00:27:55,269 --> 00:27:52,880

nothing much

634

00:27:57,029 --> 00:27:55,279

that's really the whole idea behind it

635

00:27:58,870 --> 00:27:57,039

the whole idea of reason why that

636

00:28:00,149 --> 00:27:58,880

happened is that's the beginning of your

637

00:28:05,269 --> 00:28:00,159

new millennium

638

00:28:07,909 --> 00:28:05,279

exposure century moving from 2000 and

639

00:28:10,310 --> 00:28:07,919

then when you go to 2099 yes you'll have

640

00:28:11,669 --> 00:28:10,320

a lot of exposure you had a lot have a

641

00:28:14,149 --> 00:28:11,679

lot of shifts you'll have a lot of

642

00:28:15,669 --> 00:28:14,159

transformations taking place in that way

643

00:28:17,430 --> 00:28:15,679

we really don't need to talk to you too

644

00:28:19,750 --> 00:28:17,440

much about your 911 you have a lot of

645

00:28:21,350 --> 00:28:19,760

information online that tells you about

646

00:28:23,590 --> 00:28:21,360

that but again basically what it

647

00:28:25,590 --> 00:28:23,600

represents is a heist it represents

648

00:28:27,350 --> 00:28:25,600

greed it represented robbery it

649

00:28:29,430 --> 00:28:27,360

represented a theft

650

00:28:31,350 --> 00:28:29,440

that was really its entire nature it was

651

00:28:33,110 --> 00:28:31,360

a type of bailout

652

00:28:34,789 --> 00:28:33,120

it was not just being orchestrated

653

00:28:36,149 --> 00:28:34,799

through your american government it was

654

00:28:38,870 --> 00:28:36,159

actually something that was

655

00:28:40,870 --> 00:28:38,880

international as well too it's the idea

656

00:28:42,310 --> 00:28:40,880

that you really do not have nations on

657

00:28:43,350 --> 00:28:42,320

your planet you don't really have

658

00:28:44,789 --> 00:28:43,360

countries

659

00:28:46,149 --> 00:28:44,799

you have basically what you would call

660

00:28:47,830 --> 00:28:46,159

as businesses

661

00:28:49,990 --> 00:28:47,840

everything really represents the nature

662

00:28:51,750 --> 00:28:50,000

of business the idea in that sense of

663

00:28:53,990 --> 00:28:51,760

the clandestine nature of how this is

664

00:28:55,269 --> 00:28:54,000

operated for a very long time has gone

665

00:28:57,750 --> 00:28:55,279

under through the idea of secret

666

00:29:00,230 --> 00:28:57,760

organizations secret societies that

667

00:29:02,549 --> 00:29:00,240

nowadays you refer to as business

668

00:29:04,149 --> 00:29:02,559

says nothing to do with patriotism

669

00:29:06,710 --> 00:29:04,159

patriotism is nothing more than an

670

00:29:09,269 --> 00:29:06,720

invention of someone that uses that

671

00:29:12,870 --> 00:29:09,279

because their country is in chaos

672

00:29:15,029 --> 00:29:12,880

patriotism is an illusion whole ideas is

673

00:29:16,310 --> 00:29:15,039

not about patriotism this is not about a

674

00:29:18,630 --> 00:29:16,320

national fight

675

00:29:21,590 --> 00:29:18,640

this is not about country borders this

676

00:29:25,110 --> 00:29:21,600

is about again secret organizations

677

00:29:27,190 --> 00:29:25,120

secret societies businesses as it were

678

00:29:29,830 --> 00:29:27,200

that orchestrate these things so that

679

00:29:32,630 --> 00:29:29,840

the wheel can keep turning that's all

680

00:29:38,149 --> 00:29:35,909

and so but if somebody for example is uh

681

00:29:40,789 --> 00:29:38,159

you know using the term patriotic that

682

00:29:42,950 --> 00:29:40,799

doesn't exactly mean that um they don't

683

00:29:46,070 --> 00:29:42,960

have good intentions or because for

684

00:29:48,070 --> 00:29:46,080

example like for for me having had my

685

00:29:50,630 --> 00:29:48,080

own history you know around the planet

686

00:29:53,669 --> 00:29:50,640

and what i've experienced uh patriotism

687

00:29:56,070 --> 00:29:53,679

just simply would would assure a unified

688

00:29:57,110 --> 00:29:56,080

vision for a place to stay if that makes

689

00:29:58,470 --> 00:29:57,120

sense

690

00:30:00,389 --> 00:29:58,480

it does not

691

00:30:01,510 --> 00:30:00,399

the idea of patriotism that sense is

692

00:30:03,029 --> 00:30:01,520

that you're still clinging on to

693

00:30:04,149 --> 00:30:03,039

something that you feel should be but

694

00:30:06,470 --> 00:30:04,159

isn't

695

00:30:08,230 --> 00:30:06,480

and that's the whole idea the whole idea

696

00:30:10,549 --> 00:30:08,240

is that you will bring strength to

697

00:30:12,070 --> 00:30:10,559

yourselves together through community

698

00:30:13,669 --> 00:30:12,080

not through the idea of the love of a

699

00:30:16,630 --> 00:30:13,679

nation but to the love of the people

700

00:30:19,269 --> 00:30:16,640

that operate through that country that's

701  
00:30:21,029 --> 00:30:19,279  
where your power lies it's when you work

702  
00:30:22,789 --> 00:30:21,039  
together as people

703  
00:30:25,029 --> 00:30:22,799  
not seeing the idea in that sense of

704  
00:30:26,389 --> 00:30:25,039  
hiding under a flag or hiding behind

705  
00:30:30,389 --> 00:30:26,399  
anything pertaining to the nature of

706  
00:30:32,870 --> 00:30:30,399  
patriotic arts again patriotism is born

707  
00:30:35,110 --> 00:30:32,880  
when a country is in chaos

708  
00:30:37,830 --> 00:30:35,120  
that's what happens it's clinging to the

709  
00:30:40,549 --> 00:30:37,840  
old ways and it's trying to convey ideas

710  
00:30:42,950 --> 00:30:40,559  
that are still strung along with beliefs

711  
00:30:44,230 --> 00:30:42,960  
that are really no more better than what

712  
00:30:47,110 --> 00:30:44,240  
you're going through right now

713  
00:30:50,710 --> 00:30:47,120

pertaining to the idea of downfall and

714

00:30:52,549 --> 00:30:50,720

chaos taking place within a country

715

00:30:54,230 --> 00:30:52,559

it is the idea of what makes a country

716

00:30:56,230 --> 00:30:54,240

great is its people

717

00:30:59,190 --> 00:30:56,240

and that's what you need to focus on

718

00:31:01,669 --> 00:30:59,200

working together as a people one united

719

00:31:05,029 --> 00:31:01,679

people beyond the idea of nations and

720

00:31:07,990 --> 00:31:05,039

borders because when you look at space

721

00:31:10,070 --> 00:31:08,000

do you see national borders all across

722

00:31:13,029 --> 00:31:10,080

the land no you do not

723

00:31:15,350 --> 00:31:13,039

you see a planet you see land masses

724

00:31:18,310 --> 00:31:15,360

but you see people all across those land

725

00:31:20,310 --> 00:31:18,320

masses when they work together this

726  
00:31:22,789 --> 00:31:20,320  
transcends nations

727  
00:31:26,389 --> 00:31:22,799  
it is the idea that people keep

728  
00:31:27,509 --> 00:31:26,399  
everything together not countries

729  
00:31:31,590 --> 00:31:27,519  
you see

730  
00:31:36,470 --> 00:31:33,750  
of um being a republic

731  
00:31:37,909 --> 00:31:36,480  
a united republic of one

732  
00:31:39,750 --> 00:31:37,919  
that's what's going to make the

733  
00:31:41,590 --> 00:31:39,760  
difference

734  
00:31:44,149 --> 00:31:41,600  
and so uh

735  
00:31:45,269 --> 00:31:44,159  
but you're not saying that this

736  
00:31:47,909 --> 00:31:45,279  
um

737  
00:31:49,830 --> 00:31:47,919  
patriot or otherwise you know you're not

738  
00:31:51,430 --> 00:31:49,840

saying that it's a cr that someone else

739

00:31:54,389 --> 00:31:51,440

created it's just something that happens

740

00:31:58,549 --> 00:31:57,509

patriotism is born when a country is in

741

00:32:01,110 --> 00:31:58,559

chaos

742

00:32:03,029 --> 00:32:01,120

when it starts to fall apart

743

00:32:05,990 --> 00:32:03,039

this is again why patriotism is born

744

00:32:07,350 --> 00:32:06,000

it's an extremism is what it is

745

00:32:09,590 --> 00:32:07,360

so when you're looking at the idea of

746

00:32:12,310 --> 00:32:09,600

person who's being very patriotic it

747

00:32:13,909 --> 00:32:12,320

moves into the state of an extreme this

748

00:32:15,350 --> 00:32:13,919

is how our country should be we should

749

00:32:17,110 --> 00:32:15,360

have these rules we shouldn't have these

750

00:32:18,950 --> 00:32:17,120

rules these people need to do this or

751

00:32:21,190 --> 00:32:18,960

these people need to do that it's just

752

00:32:23,190 --> 00:32:21,200

more beliefs on top of beliefs

753

00:32:25,430 --> 00:32:23,200

you burn it all away

754

00:32:27,830 --> 00:32:25,440

and you realize what is the true essence

755

00:32:29,830 --> 00:32:27,840

behind everything is the power of the

756

00:32:32,149 --> 00:32:29,840

people themselves

757

00:32:34,549 --> 00:32:32,159

this is what we're talking about

758

00:32:36,149 --> 00:32:34,559

you are looking into the idea of nations

759

00:32:37,830 --> 00:32:36,159

and feeling that you have to have laws

760

00:32:39,110 --> 00:32:37,840

for these nations and all this

761

00:32:41,029 --> 00:32:39,120

governance and again all these

762

00:32:43,750 --> 00:32:41,039

limitations in putting yourself behind

763

00:32:45,830 --> 00:32:43,760

walls whenever you're creating all these

764

00:32:48,149 --> 00:32:45,840

rules based upon a state of a nation

765

00:32:49,909 --> 00:32:48,159

you're putting yourselves in a prison

766

00:32:51,750 --> 00:32:49,919

you're not expanding yourself beyond

767

00:32:53,990 --> 00:32:51,760

those walls because you're not looking

768

00:32:55,750 --> 00:32:54,000

at the power within yourselves as a

769

00:32:58,789 --> 00:32:55,760

republic

770

00:33:01,269 --> 00:32:58,799

that's the idea is to be sovereign is to

771

00:33:04,070 --> 00:33:01,279

be republic and work together with

772

00:33:05,430 --> 00:33:04,080

common people this is exactly why you're

773

00:33:07,350 --> 00:33:05,440

going through the upheaval that you're

774

00:33:10,070 --> 00:33:07,360

going through right now

775

00:33:11,430 --> 00:33:10,080

is to get out of the patriotism illusion

776

00:33:14,389 --> 00:33:11,440

is to get out of this idea of

777

00:33:16,630 --> 00:33:14,399

narrow-mindedness of the programming

778

00:33:18,389 --> 00:33:16,640

that you have put upon yourselves for a

779

00:33:21,110 --> 00:33:18,399

very very long time

780

00:33:22,549 --> 00:33:21,120

and now being able to clear out all of

781

00:33:24,710 --> 00:33:22,559

that debris

782

00:33:27,110 --> 00:33:24,720

bring it into subterfuge

783

00:33:29,990 --> 00:33:27,120

and now what is coming about is you

784

00:33:31,350 --> 00:33:30,000

working together as a united people

785

00:33:33,029 --> 00:33:31,360

that's what's going to make the

786

00:33:34,789 --> 00:33:33,039

difference that's what's going to take

787

00:33:37,669 --> 00:33:34,799

the corruption out of this planet

788

00:33:42,070 --> 00:33:37,679

completely is when you work together as

789

00:33:46,789 --> 00:33:45,029

and so do most people that

790

00:33:49,430 --> 00:33:46,799

come to these different places let's say

791

00:33:51,669 --> 00:33:49,440

in the form of immigration

792

00:33:53,909 --> 00:33:51,679

do they have

793

00:33:55,509 --> 00:33:53,919

more you know good intentions at heart

794

00:33:56,950 --> 00:33:55,519

because i know personally whatever i'm

795

00:33:59,350 --> 00:33:56,960

just saying what do you see from your

796

00:34:01,909 --> 00:33:59,360

perspective you know are some people

797

00:34:05,110 --> 00:34:01,919

coming in you know with some alternative

798

00:34:07,110 --> 00:34:05,120

ulterior ideas and more malicious

799

00:34:09,030 --> 00:34:07,120

or is everyone just simply looking for a

800

00:34:10,950 --> 00:34:09,040

new chance

801  
00:34:12,950 --> 00:34:10,960  
you're not quite getting it whenever

802  
00:34:15,349 --> 00:34:12,960  
you're putting any type of enforcement

803  
00:34:18,389 --> 00:34:15,359  
or belief behind yourselves you put

804  
00:34:20,790 --> 00:34:18,399  
yourselves behind walls that's the idea

805  
00:34:22,710 --> 00:34:20,800  
as long as you have a nation you have a

806  
00:34:25,190 --> 00:34:22,720  
nation that's boxed in

807  
00:34:27,190 --> 00:34:25,200  
you basically have prison cells

808  
00:34:29,030 --> 00:34:27,200  
now you can make those prison cell walls

809  
00:34:31,909 --> 00:34:29,040  
very nice looking you can color them

810  
00:34:33,589 --> 00:34:31,919  
blue or pink in that way but nonetheless

811  
00:34:35,829 --> 00:34:33,599  
that is confinement

812  
00:34:37,829 --> 00:34:35,839  
it's about stripping down all these

813  
00:34:39,349 --> 00:34:37,839

particular forms of beliefs to making

814

00:34:40,869 --> 00:34:39,359

you feel like you're separate from the

815

00:34:43,109 --> 00:34:40,879

rest of the world

816

00:34:46,069 --> 00:34:43,119

it's to make all nations

817

00:34:48,470 --> 00:34:46,079

together unified as one people

818

00:34:51,030 --> 00:34:48,480

it's not putting yourself in separate

819

00:34:52,550 --> 00:34:51,040

self-based decisions a feeling that we

820

00:34:54,310 --> 00:34:52,560

can only have this kind of immigrants

821

00:34:55,990 --> 00:34:54,320

come through or they have to have this

822

00:34:58,950 --> 00:34:56,000

policy they have to have this paperwork

823

00:35:00,870 --> 00:34:58,960

etc etc these are all walls

824

00:35:03,430 --> 00:35:00,880

these are again all part of separate

825

00:35:06,150 --> 00:35:03,440

self this is all part of duality

826

00:35:09,190 --> 00:35:06,160

if you want to have peace upon your

827

00:35:12,870 --> 00:35:09,200

entire planet the entire planet needs to

828

00:35:15,829 --> 00:35:12,880

be open completely everybody needs to be

829

00:35:18,230 --> 00:35:15,839

treated naturally well

830

00:35:20,230 --> 00:35:18,240

working together every man woman and

831

00:35:22,470 --> 00:35:20,240

child regardless of your religious

832

00:35:24,310 --> 00:35:22,480

background regardless of your views

833

00:35:25,670 --> 00:35:24,320

regardless of how you want to live life

834

00:35:27,589 --> 00:35:25,680

etc

835

00:35:29,829 --> 00:35:27,599

you're all living upon this planet the

836

00:35:31,670 --> 00:35:29,839

earth is yours the earth does not see

837

00:35:40,710 --> 00:35:31,680

you as nations

838

00:35:42,950 --> 00:35:40,720

you are all seen as people

839

00:35:45,589 --> 00:35:42,960

you are all seen as beautifully

840

00:35:47,750 --> 00:35:45,599

intelligent beings

841

00:35:49,750 --> 00:35:47,760

until you realize that

842

00:35:53,030 --> 00:35:49,760

you will continue to go through struggle

843

00:35:55,190 --> 00:35:53,040

for as much as all of the barrier walls

844

00:35:57,349 --> 00:35:55,200

you create through beliefs

845

00:36:01,589 --> 00:35:57,359

as long as you play with beliefs you

846

00:36:04,550 --> 00:36:01,599

will have suffering assigned to it

847

00:36:07,670 --> 00:36:04,560

so let me ask you this question then so

848

00:36:09,750 --> 00:36:07,680

i'm looking regarding practicality right

849

00:36:11,750 --> 00:36:09,760

so right now there's certain

850

00:36:13,589 --> 00:36:11,760

infrastructure in place to provide

851

00:36:17,349 --> 00:36:13,599

electricity and clean water and all

852

00:36:19,270 --> 00:36:17,359

these things so does this mean that um

853

00:36:21,990 --> 00:36:19,280

would it be kind of like a grassroots

854

00:36:24,150 --> 00:36:22,000

movement from bottom up to

855

00:36:26,390 --> 00:36:24,160

those that want to join let's say the

856

00:36:28,470 --> 00:36:26,400

greater community that they already have

857

00:36:31,270 --> 00:36:28,480

to have a different mindset to begin

858

00:36:33,910 --> 00:36:31,280

with and so then to not be

859

00:36:35,349 --> 00:36:33,920

looked at like a threat that's that we

860

00:36:37,349 --> 00:36:35,359

that some of them are being perceived

861

00:36:39,670 --> 00:36:37,359

like in the news now to say like i

862

00:36:41,589 --> 00:36:39,680

mentioned immigrants right that would be

863

00:36:43,990 --> 00:36:41,599

like you said kind of

864

00:36:45,750 --> 00:36:44,000

separating ourselves from others and so

865

00:36:47,910 --> 00:36:45,760

is it what i'm saying is where does it

866

00:36:50,230 --> 00:36:47,920

start this unification does it would it

867

00:36:52,150 --> 00:36:50,240

start from the top down the bottom up to

868

00:36:53,670 --> 00:36:52,160

simply say okay we're going to make some

869

00:36:55,670 --> 00:36:53,680

changes and here's this is how we're

870

00:36:57,190 --> 00:36:55,680

going to do it

871

00:36:59,109 --> 00:36:57,200

are you not actually seeing what's

872

00:37:00,870 --> 00:36:59,119

happening on your planet right now

873

00:37:02,710 --> 00:37:00,880

you have hundreds of thousands or

874

00:37:04,710 --> 00:37:02,720

millions of people hitting the streets

875

00:37:06,470 --> 00:37:04,720

protesting about all the agendas that

876

00:37:08,870 --> 00:37:06,480

are taking place right now don't you

877

00:37:11,670 --> 00:37:08,880

think that's the beginning

878

00:37:14,069 --> 00:37:11,680

that's the whole idea you are basically

879

00:37:15,990 --> 00:37:14,079

coming together and opposing the idea of

880

00:37:18,550 --> 00:37:16,000

all of these particular forms of

881

00:37:21,030 --> 00:37:18,560

constraints limitations beliefs

882

00:37:23,910 --> 00:37:21,040

authorities that you have placed upon

883

00:37:25,270 --> 00:37:23,920

yourself it is a grand exposure that's

884

00:37:27,829 --> 00:37:25,280

taking place

885

00:37:29,990 --> 00:37:27,839

as this grand exposure continues to take

886

00:37:33,030 --> 00:37:30,000

place this is creating many of the

887

00:37:35,430 --> 00:37:33,040

established orders throughout nations in

888

00:37:37,750 --> 00:37:35,440

that sense to look very very bad

889

00:37:40,069 --> 00:37:37,760

which means the people will lose trust

890

00:37:42,470 --> 00:37:40,079

in its current state of leadership

891

00:37:44,150 --> 00:37:42,480

and all of that is going to plummet

892

00:37:46,310 --> 00:37:44,160

and what is going to lead to in that

893

00:37:48,310 --> 00:37:46,320

sense is new leadership coming together

894

00:37:50,150 --> 00:37:48,320

but for the entire world to work

895

00:37:52,230 --> 00:37:50,160

together as one you basically have to

896

00:37:54,790 --> 00:37:52,240

get off these systems altogether that is

897

00:37:56,630 --> 00:37:54,800

going to take time but there are those

898

00:37:58,790 --> 00:37:56,640

sense that have certain types of eco

899

00:38:01,589 --> 00:37:58,800

communities or eco villages and are

900

00:38:03,349 --> 00:38:01,599

starting much more locally indigenously

901  
00:38:05,430 --> 00:38:03,359  
in that way that are starting to learn

902  
00:38:07,349 --> 00:38:05,440  
these lessons the majority of the people

903  
00:38:09,190 --> 00:38:07,359  
upon your planet have not learned this

904  
00:38:11,910 --> 00:38:09,200  
yet it's going to take time through

905  
00:38:13,990 --> 00:38:11,920  
generations to come to bring yourself

906  
00:38:17,190 --> 00:38:14,000  
into that idea but this is what we're

907  
00:38:18,710 --> 00:38:17,200  
saying if you truly want a free humanity

908  
00:38:20,870 --> 00:38:18,720  
a free world

909  
00:38:22,790 --> 00:38:20,880  
the entire world needs to be free there

910  
00:38:24,550 --> 00:38:22,800  
can't be any locks and chains around it

911  
00:38:27,109 --> 00:38:24,560  
you see

912  
00:38:29,109 --> 00:38:27,119  
right so which leads me then to the next

913  
00:38:31,430 --> 00:38:29,119

question regarding

914

00:38:34,069 --> 00:38:31,440

this i guess waltz and then control

915

00:38:35,270 --> 00:38:34,079

aspect what is going on with this with

916

00:38:36,150 --> 00:38:35,280

this push

917

00:38:40,470 --> 00:38:36,160

to

918

00:38:42,550 --> 00:38:40,480

you know take the vaccine and where the

919

00:38:43,829 --> 00:38:42,560

mass and all these other things what

920

00:38:46,790 --> 00:38:43,839

who's who's

921

00:38:48,790 --> 00:38:46,800

driving that agenda they have many

922

00:38:51,190 --> 00:38:48,800

different purposes behind those agendas

923

00:38:53,109 --> 00:38:51,200

in regards to the permission that these

924

00:38:55,030 --> 00:38:53,119

are actually allowed to happen

925

00:38:57,349 --> 00:38:55,040

now the intention behind as you would

926  
00:38:59,030 --> 00:38:57,359  
say the dark players that are utilizing

927  
00:39:00,550 --> 00:38:59,040  
this is because they want to survey

928  
00:39:02,390 --> 00:39:00,560  
every particular human being on the

929  
00:39:03,750 --> 00:39:02,400  
planet they want to know where everybody

930  
00:39:05,670 --> 00:39:03,760  
is and it's just another way of

931  
00:39:07,670 --> 00:39:05,680  
asserting control based upon

932  
00:39:10,069 --> 00:39:07,680  
nanotechnology commonly found within

933  
00:39:12,390 --> 00:39:10,079  
your vaccinations that again is much of

934  
00:39:14,470 --> 00:39:12,400  
their agenda however a lot of this in

935  
00:39:17,349 --> 00:39:14,480  
regards to them not being able to come

936  
00:39:18,950 --> 00:39:17,359  
anywhere near their projected idea of

937  
00:39:21,030 --> 00:39:18,960  
where they want to go

938  
00:39:22,230 --> 00:39:21,040

is basically causing them to become

939

00:39:23,670 --> 00:39:22,240

desperate

940

00:39:26,390 --> 00:39:23,680

and through this state of great

941

00:39:28,390 --> 00:39:26,400

desperation and enforcement people will

942

00:39:30,390 --> 00:39:28,400

see what their governments really

943

00:39:33,190 --> 00:39:30,400

represent what their authority figures

944

00:39:35,910 --> 00:39:33,200

really represent by basically forming a

945

00:39:37,670 --> 00:39:35,920

type of tyrannical nature in the pushing

946

00:39:39,910 --> 00:39:37,680

of these vaccinations

947

00:39:42,470 --> 00:39:39,920

because again truly if you are to look

948

00:39:44,630 --> 00:39:42,480

at it practically there is no sense in

949

00:39:47,510 --> 00:39:44,640

having a vaccination pertaining to a

950

00:39:48,630 --> 00:39:47,520

virus that has over a 99 success rate of

951  
00:39:49,910 --> 00:39:48,640  
survival

952  
00:39:52,150 --> 00:39:49,920  
you see

953  
00:39:55,030 --> 00:39:52,160  
so again all of this is all part of a

954  
00:39:57,109 --> 00:39:55,040  
ploy it's a surveying ploy

955  
00:39:59,270 --> 00:39:57,119  
it's to keep track it's to keep tabs on

956  
00:40:00,950 --> 00:39:59,280  
everybody in that way but this will

957  
00:40:02,870 --> 00:40:00,960  
never come to light

958  
00:40:03,990 --> 00:40:02,880  
it is only a very small population of

959  
00:40:06,150 --> 00:40:04,000  
your planet that have actually been

960  
00:40:08,150 --> 00:40:06,160  
vaccinated the great majority has not

961  
00:40:09,510 --> 00:40:08,160  
even been vaccinated at all

962  
00:40:11,349 --> 00:40:09,520  
it's basically as you would say less

963  
00:40:12,710 --> 00:40:11,359

than 10 percent of your population so

964

00:40:15,270 --> 00:40:12,720

far

965

00:40:17,109 --> 00:40:15,280

so the whole idea is you have about 90

966

00:40:18,630 --> 00:40:17,119

of people who have not even touched the

967

00:40:20,390 --> 00:40:18,640

vaccine yet

968

00:40:22,630 --> 00:40:20,400

and where they want to do is see it in

969

00:40:25,670 --> 00:40:22,640

the other way they want to see 90

970

00:40:27,750 --> 00:40:25,680

percent of the world vaccinated and 10

971

00:40:29,430 --> 00:40:27,760

that maybe don't but again it's going

972

00:40:32,870 --> 00:40:29,440

the opposite direction

973

00:40:35,030 --> 00:40:32,880

10 percent are 90 are roughly in those

974

00:40:35,829 --> 00:40:35,040

figures you see

975

00:40:37,829 --> 00:40:35,839

right

976

00:40:39,670 --> 00:40:37,839

especially then because of this

977

00:40:41,030 --> 00:40:39,680

misinformation coming through it's

978

00:40:43,430 --> 00:40:41,040

difficult to

979

00:40:46,309 --> 00:40:43,440

to kind of discern what is true and

980

00:40:48,630 --> 00:40:46,319

what's not some some numbers have uh

981

00:40:50,069 --> 00:40:48,640

find the truth through intellect that's

982

00:40:51,910 --> 00:40:50,079

your problem

983

00:40:53,990 --> 00:40:51,920

you're not going to find the truth by

984

00:40:56,230 --> 00:40:54,000

looking on websites or looking through

985

00:40:58,550 --> 00:40:56,240

talking to experts and all this idea

986

00:41:00,470 --> 00:40:58,560

your only way to understanding truth is

987

00:41:03,910 --> 00:41:00,480

by going here

988

00:41:06,710 --> 00:41:03,920

it is to go inside it is to go into the

989

00:41:09,430 --> 00:41:06,720

heart it is to humble yourselves it is

990

00:41:11,910 --> 00:41:09,440

to go into surrender it is to listen to

991

00:41:14,230 --> 00:41:11,920

who you really are beyond the feeling

992

00:41:16,390 --> 00:41:14,240

that you have a body and a mind

993

00:41:17,829 --> 00:41:16,400

it's to go into the great intelligence

994

00:41:19,750 --> 00:41:17,839

that you are

995

00:41:21,510 --> 00:41:19,760

this is exactly how brad is able to

996

00:41:24,069 --> 00:41:21,520

communicate with us

997

00:41:26,150 --> 00:41:24,079

it comes through the heart it is not

998

00:41:28,470 --> 00:41:26,160

something intellectual it is not

999

00:41:29,589 --> 00:41:28,480

something practical it is not something

1000

00:41:31,190 --> 00:41:29,599

rational

1001  
00:41:33,109 --> 00:41:31,200  
it is something where you are working

1002  
00:41:35,270 --> 00:41:33,119  
together with your heart listening to

1003  
00:41:37,750 --> 00:41:35,280  
your feelings and trusting that

1004  
00:41:39,349 --> 00:41:37,760  
sensation you cannot describe it

1005  
00:41:41,270 --> 00:41:39,359  
logically

1006  
00:41:44,390 --> 00:41:41,280  
if you feel that again your only way of

1007  
00:41:46,630 --> 00:41:44,400  
trying to get truth out in this world is

1008  
00:41:48,950 --> 00:41:46,640  
listening to intellectual conversations

1009  
00:41:50,550 --> 00:41:48,960  
you are furthest from the truth

1010  
00:41:51,589 --> 00:41:50,560  
because that's not going to bring you

1011  
00:41:52,870 --> 00:41:51,599  
truth

1012  
00:41:55,589 --> 00:41:52,880  
it's through what your ancient

1013  
00:41:58,470 --> 00:41:55,599

indigenous people your sages your majors

1014

00:42:00,790 --> 00:41:58,480

your masters your mystics your gurus

1015

00:42:02,550 --> 00:42:00,800

have been trying to tell all of you for

1016

00:42:04,870 --> 00:42:02,560

thousands of years

1017

00:42:06,470 --> 00:42:04,880

if you want to know the truth this is

1018

00:42:08,630 --> 00:42:06,480

where you go

1019

00:42:09,990 --> 00:42:08,640

it is not through your media it is not

1020

00:42:12,550 --> 00:42:10,000

through your indoctrination of

1021

00:42:14,390 --> 00:42:12,560

technology because you have become so

1022

00:42:16,069 --> 00:42:14,400

heavily technocratic

1023

00:42:17,829 --> 00:42:16,079

and feeling that this is where truth

1024

00:42:19,589 --> 00:42:17,839

needs to be it needs to be on my

1025

00:42:21,190 --> 00:42:19,599

internet it needs to be on my television

1026  
00:42:23,990 --> 00:42:21,200  
it needs to be on my radio it needs to

1027  
00:42:26,069 --> 00:42:24,000  
be on my newspaper no

1028  
00:42:28,790 --> 00:42:26,079  
none of that

1029  
00:42:31,270 --> 00:42:28,800  
it comes through here it is about the

1030  
00:42:34,150 --> 00:42:31,280  
idea that you are going to continue to

1031  
00:42:36,710 --> 00:42:34,160  
feel frustrated and overwhelmed until

1032  
00:42:38,390 --> 00:42:36,720  
you actually break yourself down

1033  
00:42:39,910 --> 00:42:38,400  
and now start to come into the heart

1034  
00:42:42,470 --> 00:42:39,920  
space

1035  
00:42:44,550 --> 00:42:42,480  
that is what's going to catapult you

1036  
00:42:47,030 --> 00:42:44,560  
into knowing what truth is

1037  
00:42:49,030 --> 00:42:47,040  
if you are not heart centered you will

1038  
00:42:50,470 --> 00:42:49,040

never know what truth is

1039

00:42:52,390 --> 00:42:50,480

simple as that

1040

00:42:54,950 --> 00:42:52,400

so this again is why all of this is

1041

00:42:57,750 --> 00:42:54,960

happening helping you to break yourself

1042

00:43:00,069 --> 00:42:57,760

down and build yourself back up into

1043

00:43:02,309 --> 00:43:00,079

becoming heart centered because that's

1044

00:43:04,870 --> 00:43:02,319

where all truth is

1045

00:43:07,349 --> 00:43:04,880

that's how you discover it it cannot

1046

00:43:09,829 --> 00:43:07,359

come through the idea of words it cannot

1047

00:43:11,589 --> 00:43:09,839

come to the idea of your articles or

1048

00:43:12,390 --> 00:43:11,599

through your news or anything of that

1049

00:43:15,510 --> 00:43:12,400

nature

1050

00:43:17,750 --> 00:43:15,520

that is furthest from the truth

1051  
00:43:20,550 --> 00:43:17,760  
that again is the dualistic world you

1052  
00:43:24,390 --> 00:43:20,560  
will not find truth through duality only

1053  
00:43:29,510 --> 00:43:26,870  
the so basically then it's it's about

1054  
00:43:31,910 --> 00:43:29,520  
whenever some something comes to our

1055  
00:43:33,270 --> 00:43:31,920  
awareness is to feel about it instead of

1056  
00:43:35,750 --> 00:43:33,280  
think about it

1057  
00:43:37,349 --> 00:43:35,760  
it's to feel it out and it's to know

1058  
00:43:39,670 --> 00:43:37,359  
that it is so

1059  
00:43:41,430 --> 00:43:39,680  
again you really cannot rationalize this

1060  
00:43:43,510 --> 00:43:41,440  
when you are one who is in the heart

1061  
00:43:45,270 --> 00:43:43,520  
where you genuinely care about others

1062  
00:43:47,510 --> 00:43:45,280  
you are compassionate and you are loving

1063  
00:43:49,589 --> 00:43:47,520

towards others and you want to assist

1064

00:43:53,190 --> 00:43:49,599

others and that feeling within yourself

1065

00:43:55,670 --> 00:43:53,200

is so noticeable well that is god that

1066

00:43:57,910 --> 00:43:55,680

is pure consciousness that is your pure

1067

00:44:00,150 --> 00:43:57,920

awareness being witnessed

1068

00:44:01,430 --> 00:44:00,160

when you are there that's what brings

1069

00:44:03,030 --> 00:44:01,440

you truth

1070

00:44:06,069 --> 00:44:03,040

because that is something you feel

1071

00:44:07,030 --> 00:44:06,079

inside this is it this is what the truth

1072

00:44:08,790 --> 00:44:07,040

is

1073

00:44:11,349 --> 00:44:08,800

it's that feeling

1074

00:44:13,670 --> 00:44:11,359

so again you cannot practically describe

1075

00:44:16,870 --> 00:44:13,680

a feeling you cannot practically

1076

00:44:18,150 --> 00:44:16,880

describe that sensation it's just there

1077

00:44:20,390 --> 00:44:18,160

it's like when you know you're in love

1078

00:44:22,390 --> 00:44:20,400

with somebody you can't describe why

1079

00:44:25,030 --> 00:44:22,400

you're in love with that person you just

1080

00:44:27,510 --> 00:44:25,040

love them it's the same thing with truth

1081

00:44:30,230 --> 00:44:27,520

you cannot describe why that feels like

1082

00:44:31,990 --> 00:44:30,240

truth you just know it is

1083

00:44:34,829 --> 00:44:32,000

and that's the difference because you're

1084

00:44:37,990 --> 00:44:34,839

living through here not down

1085

00:44:39,990 --> 00:44:38,000

here and so when it came

1086

00:44:42,710 --> 00:44:40,000

in the brain

1087

00:44:45,510 --> 00:44:42,720

i see so but when it came to some of

1088

00:44:48,870 --> 00:44:45,520

that information and what what um

1089

00:44:50,390 --> 00:44:48,880

i hope i discerned it enough i guess too

1090

00:44:52,710 --> 00:44:50,400

there were some videos that were

1091

00:44:54,470 --> 00:44:52,720

basically talking about uh there were a

1092

00:44:55,829 --> 00:44:54,480

lot of side effects even deaths from

1093

00:44:57,109 --> 00:44:55,839

these vaccines

1094

00:44:58,390 --> 00:44:57,119

and

1095

00:45:00,550 --> 00:44:58,400

yes

1096

00:45:02,950 --> 00:45:00,560

and so but it's that mainly it hasn't

1097

00:45:05,829 --> 00:45:02,960

been reported the same way that let's

1098

00:45:08,069 --> 00:45:05,839

say they this is all just data

1099

00:45:10,150 --> 00:45:08,079

right all this is all you're getting is

1100

00:45:11,510 --> 00:45:10,160

data oh there's side effects for this

1101  
00:45:12,950 --> 00:45:11,520  
and there's this type of vaccine and

1102  
00:45:14,470 --> 00:45:12,960  
this is happening et cetera et cetera

1103  
00:45:16,390 --> 00:45:14,480  
this is all just data this is all just

1104  
00:45:18,870 --> 00:45:16,400  
happenstance that's not what we're

1105  
00:45:21,030 --> 00:45:18,880  
talking about in the state of truth

1106  
00:45:23,030 --> 00:45:21,040  
for you to know what the truth is is you

1107  
00:45:24,069 --> 00:45:23,040  
have to understand the signs of the

1108  
00:45:25,910 --> 00:45:24,079  
times

1109  
00:45:28,309 --> 00:45:25,920  
you have to understand why everything

1110  
00:45:30,230 --> 00:45:28,319  
propagates in the way that it does at

1111  
00:45:32,390 --> 00:45:30,240  
the appropriate timing

1112  
00:45:34,790 --> 00:45:32,400  
because that's knowing truth it's not

1113  
00:45:37,109 --> 00:45:34,800

about going into data collection about

1114

00:45:39,990 --> 00:45:37,119

your side effects or about what the type

1115

00:45:41,990 --> 00:45:40,000

of vaccines do etc that's just data

1116

00:45:44,470 --> 00:45:42,000

that's just intellectualism

1117

00:45:46,870 --> 00:45:44,480

we're talking about why you're able to

1118

00:45:49,670 --> 00:45:46,880

truly understand why things happen the

1119

00:45:51,750 --> 00:45:49,680

way they do when they do and what they

1120

00:45:54,790 --> 00:45:51,760

are attempting to show you in the times

1121

00:45:56,309 --> 00:45:54,800

ahead you see that's truth

1122

00:45:58,790 --> 00:45:56,319

right well the reason why i bring it up

1123

00:45:59,589 --> 00:45:58,800

for most of the time with with people

1124

00:46:03,030 --> 00:45:59,599

they're

1125

00:46:04,630 --> 00:46:03,040

that spiritually oriented so i have to

1126

00:46:06,950 --> 00:46:04,640

always start out slow with like

1127

00:46:09,349 --> 00:46:06,960

something physical to show them to kind

1128

00:46:11,109 --> 00:46:09,359

of uh start a baby step that's why i was

1129

00:46:12,870 --> 00:46:11,119

bringing it up again all you're doing is

1130

00:46:14,870 --> 00:46:12,880

just working towards a crowd that does

1131

00:46:16,390 --> 00:46:14,880

not understand the spiritual nature and

1132

00:46:18,470 --> 00:46:16,400

so again they just work together with

1133

00:46:20,069 --> 00:46:18,480

the intellectual if you choose to stay

1134

00:46:21,990 --> 00:46:20,079

with that crowd that's up to you but

1135

00:46:24,230 --> 00:46:22,000

that's not going to further you anywhere

1136

00:46:26,309 --> 00:46:24,240

right you're staying with that crowd

1137

00:46:27,990 --> 00:46:26,319

you're staying inside a pit because i

1138

00:46:29,510 --> 00:46:28,000

got to try and help people that are just

1139

00:46:30,710 --> 00:46:29,520

basically in survival this because

1140

00:46:34,150 --> 00:46:30,720

they're not going to believe me in any

1141

00:46:36,790 --> 00:46:34,160

other way so therefore their conditions

1142

00:46:38,710 --> 00:46:36,800

so what you want to do instead is offer

1143

00:46:40,630 --> 00:46:38,720

silent love to them

1144

00:46:42,950 --> 00:46:40,640

because that's what's going to make a

1145

00:46:45,030 --> 00:46:42,960

difference you with your data mining

1146

00:46:46,230 --> 00:46:45,040

isn't going to make any difference

1147

00:46:47,270 --> 00:46:46,240

and that's the same with any other

1148

00:46:49,109 --> 00:46:47,280

expert

1149

00:46:51,589 --> 00:46:49,119

if you're just spending so much time

1150

00:46:54,309 --> 00:46:51,599

data mining and intellectualizing about

1151

00:46:55,589 --> 00:46:54,319

all this it's going to get you nowhere

1152

00:46:58,150 --> 00:46:55,599

and it's going to get the people that

1153

00:47:00,710 --> 00:46:58,160

you've talked to nowhere

1154

00:47:02,630 --> 00:47:00,720

it's the idea when you're up here

1155

00:47:04,870 --> 00:47:02,640

when you care when you're compassionate

1156

00:47:07,109 --> 00:47:04,880

when you're loving when you're showing

1157

00:47:08,630 --> 00:47:07,119

people in that sense that love and

1158

00:47:11,190 --> 00:47:08,640

you're offering that love and you're

1159

00:47:13,589 --> 00:47:11,200

planting these seeds directly into them

1160

00:47:15,430 --> 00:47:13,599

so they can see themselves grow it's an

1161

00:47:18,470 --> 00:47:15,440

evolution you can't describe it's

1162

00:47:19,270 --> 00:47:18,480

something that goes beyond the body you

1163

00:47:23,270 --> 00:47:19,280

see

1164

00:47:27,270 --> 00:47:25,670

and so from your perspective how long do

1165

00:47:32,150 --> 00:47:27,280

you foresee

1166

00:47:33,589 --> 00:47:32,160

until it reaches a critical point to

1167

00:47:37,030 --> 00:47:33,599

where

1168

00:47:39,270 --> 00:47:37,040

end of the day is like we're the good

1169

00:47:41,750 --> 00:47:39,280

guys you know in general you know

1170

00:47:43,349 --> 00:47:41,760

because i'm sure not everyone is always

1171

00:47:45,990 --> 00:47:43,359

knowing the truth because you don't even

1172

00:47:48,309 --> 00:47:46,000

know what the counter forces are doing

1173

00:47:50,870 --> 00:47:48,319

you see you have counter forces all

1174

00:47:53,109 --> 00:47:50,880

around you all the time you have many

1175

00:47:54,950 --> 00:47:53,119

more as you would say the white hats

1176  
00:47:57,270 --> 00:47:54,960  
that are much more in charge of things

1177  
00:47:59,030 --> 00:47:57,280  
than you may realize but you don't see

1178  
00:48:01,750 --> 00:47:59,040  
this because you're only looking at the

1179  
00:48:03,910 --> 00:48:01,760  
surface you're not willing to go deeper

1180  
00:48:05,589 --> 00:48:03,920  
you're not willing to talk to spirit and

1181  
00:48:07,670 --> 00:48:05,599  
actually having spirits saying are you

1182  
00:48:09,990 --> 00:48:07,680  
sure about that because there's a lot

1183  
00:48:12,549 --> 00:48:10,000  
more angels as we would say that are

1184  
00:48:14,230 --> 00:48:12,559  
around you than there are demons

1185  
00:48:16,710 --> 00:48:14,240  
but you don't see it because you're

1186  
00:48:19,109 --> 00:48:16,720  
trapped inside the drama you're trapped

1187  
00:48:21,990 --> 00:48:19,119  
and confined inside the walls

1188  
00:48:24,710 --> 00:48:22,000

you have so much work being done right

1189

00:48:27,270 --> 00:48:24,720

now behind the scenes by these as it

1190

00:48:29,190 --> 00:48:27,280

were angels counterforces that are

1191

00:48:31,430 --> 00:48:29,200

basically allowing

1192

00:48:33,589 --> 00:48:31,440

these situations to show themselves as

1193

00:48:35,109 --> 00:48:33,599

they need to because it's a basic

1194

00:48:39,030 --> 00:48:35,119

psychology

1195

00:48:41,589 --> 00:48:39,040

how this is working you're letting those

1196

00:48:42,790 --> 00:48:41,599

in that sense who run your office to

1197

00:48:47,270 --> 00:48:42,800

blunder

1198

00:48:49,030 --> 00:48:47,280

they will continue to follow things up

1199

00:48:51,030 --> 00:48:49,040

to the point where the people will not

1200

00:48:53,589 --> 00:48:51,040

be able to tolerate them any further and

1201  
00:48:55,589 --> 00:48:53,599  
they will demand their removal

1202  
00:48:58,150 --> 00:48:55,599  
you see the psychological game behind

1203  
00:48:59,190 --> 00:48:58,160  
that guess who's behind that the counter

1204  
00:49:03,589 --> 00:48:59,200  
forces

1205  
00:49:06,790 --> 00:49:03,599  
the angels the white hats

1206  
00:49:08,309 --> 00:49:06,800  
there is way more support in regards to

1207  
00:49:10,230 --> 00:49:08,319  
your white hat alliances and

1208  
00:49:12,150 --> 00:49:10,240  
counterforces than there are dark

1209  
00:49:13,430 --> 00:49:12,160  
players upon the planet in fact many of

1210  
00:49:17,750 --> 00:49:13,440  
your dark players have already been

1211  
00:49:21,990 --> 00:49:19,829  
can you can you maybe speak a little bit

1212  
00:49:24,069 --> 00:49:22,000  
about um

1213  
00:49:25,510 --> 00:49:24,079

this again i don't know anything

1214

00:49:28,470 --> 00:49:25,520

regarding this all i know is that i've

1215

00:49:31,510 --> 00:49:28,480

heard it regarding these med bets and is

1216

00:49:33,190 --> 00:49:31,520

there is any truth to that

1217

00:49:34,549 --> 00:49:33,200

in time that will happen but that's not

1218

00:49:36,309 --> 00:49:34,559

going to come together through these

1219

00:49:38,230 --> 00:49:36,319

agendas running wild

1220

00:49:40,470 --> 00:49:38,240

these agendas have to be out of the way

1221

00:49:41,990 --> 00:49:40,480

because again look at many of your

1222

00:49:43,829 --> 00:49:42,000

inventors that have come throughout the

1223

00:49:46,710 --> 00:49:43,839

state of history that have brought

1224

00:49:48,630 --> 00:49:46,720

forward great inventions of science even

1225

00:49:50,470 --> 00:49:48,640

partnering together with consciousness

1226  
00:49:53,349 --> 00:49:50,480  
that could basically transform the world

1227  
00:49:55,510 --> 00:49:53,359  
look what your nikola tesla proposed

1228  
00:49:58,549 --> 00:49:55,520  
look at how he was trying to bring free

1229  
00:49:59,990 --> 00:49:58,559  
electricity to the entire planet

1230  
00:50:02,309 --> 00:50:00,000  
free

1231  
00:50:03,910 --> 00:50:02,319  
not a single dime involved

1232  
00:50:06,950 --> 00:50:03,920  
what happened to him

1233  
00:50:09,589 --> 00:50:06,960  
his entire operations were shut down

1234  
00:50:11,910 --> 00:50:09,599  
because his operations were a threat to

1235  
00:50:13,510 --> 00:50:11,920  
the greed that represented the

1236  
00:50:15,190 --> 00:50:13,520  
establishment

1237  
00:50:16,950 --> 00:50:15,200  
that is exactly what has happened to

1238  
00:50:19,190 --> 00:50:16,960

many other inventors throughout your

1239

00:50:21,430 --> 00:50:19,200

course of history since around the times

1240

00:50:22,870 --> 00:50:21,440

of tesla and moving into your again

1241

00:50:24,829 --> 00:50:22,880

modern times

1242

00:50:27,190 --> 00:50:24,839

many of them have been

1243

00:50:29,349 --> 00:50:27,200

intercepted and you have all of these

1244

00:50:31,750 --> 00:50:29,359

great ideas that would in that sense

1245

00:50:33,670 --> 00:50:31,760

completely rejuvenate your body and

1246

00:50:34,870 --> 00:50:33,680

continuing to rejuvenate your body so

1247

00:50:36,230 --> 00:50:34,880

that you can actually live hundreds of

1248

00:50:38,870 --> 00:50:36,240

years

1249

00:50:41,030 --> 00:50:38,880

all of that has been seized

1250

00:50:43,030 --> 00:50:41,040

all of that has been kept in vaults if a

1251  
00:50:44,950 --> 00:50:43,040  
person did not cooperate they were

1252  
00:50:45,990 --> 00:50:44,960  
killed

1253  
00:50:48,069 --> 00:50:46,000  
you see

1254  
00:50:50,309 --> 00:50:48,079  
there is a lot going on behind the

1255  
00:50:52,390 --> 00:50:50,319  
scenes that many of you have absolutely

1256  
00:50:55,270 --> 00:50:52,400  
no clue what's happening

1257  
00:50:57,750 --> 00:50:55,280  
because again you're losing this and

1258  
00:50:59,430 --> 00:50:57,760  
you're not using this

1259  
00:51:00,470 --> 00:50:59,440  
when you use this this tells you

1260  
00:51:04,630 --> 00:51:00,480  
everything

1261  
00:51:06,470 --> 00:51:04,640  
tells you about the times to come

1262  
00:51:08,549 --> 00:51:06,480  
so when you're very much caught up into

1263  
00:51:10,150 --> 00:51:08,559

the idea of medical beds yes that

1264

00:51:13,109 --> 00:51:10,160

technology exists but is that going to

1265

00:51:15,910 --> 00:51:13,119

come out right now not a chance

1266

00:51:18,309 --> 00:51:15,920

not until the idea of these dark players

1267

00:51:19,990 --> 00:51:18,319

as we turn them are out of the picture

1268

00:51:22,230 --> 00:51:20,000

entirely

1269

00:51:24,150 --> 00:51:22,240

so yes there will be evolutions of what

1270

00:51:26,309 --> 00:51:24,160

you would know as a medical bed from the

1271

00:51:28,630 --> 00:51:26,319

idea of ones that can do surgery ones in

1272

00:51:30,390 --> 00:51:28,640

that sense that can repair limbs

1273

00:51:32,790 --> 00:51:30,400

ones in that sense that will offer

1274

00:51:34,470 --> 00:51:32,800

different forms of medical advancements

1275

00:51:37,270 --> 00:51:34,480

but to the idea of what many of you are

1276  
00:51:38,790 --> 00:51:37,280  
thinking no not for quite some time we

1277  
00:51:39,750 --> 00:51:38,800  
know many of you have your hopes up

1278  
00:51:41,030 --> 00:51:39,760  
about it

1279  
00:51:43,190 --> 00:51:41,040  
but we're telling you that's not going

1280  
00:51:45,270 --> 00:51:43,200  
to be available for at least a few more

1281  
00:51:47,109 --> 00:51:45,280  
years yet not until again the dark

1282  
00:51:49,030 --> 00:51:47,119  
player regime is out of the picture

1283  
00:51:50,549 --> 00:51:49,040  
entirely because they are the very ones

1284  
00:51:53,109 --> 00:51:50,559  
that have been restricting all these

1285  
00:51:56,710 --> 00:51:53,119  
kinds of great technologies from you for

1286  
00:52:01,829 --> 00:51:58,549  
and so

1287  
00:52:03,589 --> 00:52:01,839  
before i have one one more i guess

1288  
00:52:06,150 --> 00:52:03,599

overall concept i would like to ask you

1289

00:52:08,470 --> 00:52:06,160

about and cover before we go over to q a

1290

00:52:10,710 --> 00:52:08,480

if that's okay and this is actually in

1291

00:52:13,349 --> 00:52:10,720

reference to a video that

1292

00:52:15,270 --> 00:52:13,359

brad also completed regarding the sun

1293

00:52:17,270 --> 00:52:15,280

and it really really blew my mind

1294

00:52:19,270 --> 00:52:17,280

because there's something i never heard

1295

00:52:22,549 --> 00:52:19,280

heard of before and it's the

1296

00:52:24,790 --> 00:52:22,559

what is it called sono sono luminescence

1297

00:52:25,829 --> 00:52:24,800

luminescence yes and that was very

1298

00:52:27,589 --> 00:52:25,839

interesting

1299

00:52:30,069 --> 00:52:27,599

what was what he was talking about so

1300

00:52:31,510 --> 00:52:30,079

basically that the sun does not have its

1301

00:52:34,069 --> 00:52:31,520

own heat

1302

00:52:35,990 --> 00:52:34,079

or its own light and can you please talk

1303

00:52:37,750 --> 00:52:36,000

a little bit about that

1304

00:52:40,309 --> 00:52:37,760

you understand that your nikola tesla

1305

00:52:43,349 --> 00:52:40,319

knew this yes

1306

00:52:44,870 --> 00:52:43,359

yes from from brad saying

1307

00:52:47,430 --> 00:52:44,880

did you want to did you know what nikola

1308

00:52:50,069 --> 00:52:47,440

tesla wanted to do he wanted to create

1309

00:52:52,150 --> 00:52:50,079

deep vibrational technology that could

1310

00:52:55,109 --> 00:52:52,160

actually be pointed to the atmosphere

1311

00:52:56,390 --> 00:52:55,119

and create an artificial sun through it

1312

00:52:58,630 --> 00:52:56,400

so that that could be harnessed for

1313

00:53:01,109 --> 00:52:58,640

power just for that alone that you would

1314

00:53:04,230 --> 00:53:01,119

actually have a small second sun in your

1315

00:53:06,069 --> 00:53:04,240

sky that was artificially created via

1316

00:53:07,589 --> 00:53:06,079

sonoluminescence

1317

00:53:10,309 --> 00:53:07,599

so that it could be tapped into and

1318

00:53:13,109 --> 00:53:10,319

harnessed as an energy source

1319

00:53:15,270 --> 00:53:13,119

nikola tesla knew this

1320

00:53:17,430 --> 00:53:15,280

in his lifetime

1321

00:53:19,109 --> 00:53:17,440

so therefore he already knew exactly how

1322

00:53:21,990 --> 00:53:19,119

the sun worked

1323

00:53:24,230 --> 00:53:22,000

that the sun again is a construct and it

1324

00:53:26,549 --> 00:53:24,240

is a construct that again emits this

1325

00:53:29,430 --> 00:53:26,559

particular type of radiation that

1326

00:53:31,190 --> 00:53:29,440

bombards the atmospheres of worlds

1327

00:53:34,470 --> 00:53:31,200

that again creates an intense

1328

00:53:36,549 --> 00:53:34,480

vibrational per second oscillation

1329

00:53:38,710 --> 00:53:36,559

and it is that vibrational oscillation

1330

00:53:41,190 --> 00:53:38,720

per second that illuminates the

1331

00:53:43,510 --> 00:53:41,200

atmosphere creating that light where you

1332

00:53:45,430 --> 00:53:43,520

feel it's coming from the sun the rays

1333

00:53:47,589 --> 00:53:45,440

of the radiation are but the light is

1334

00:53:50,230 --> 00:53:47,599

coming from your own atmosphere

1335

00:53:52,390 --> 00:53:50,240

and therefore the heat basically absorbs

1336

00:53:53,430 --> 00:53:52,400

directly through the oxygen and the

1337

00:53:56,230 --> 00:53:53,440

oxygen

1338

00:53:57,990 --> 00:53:56,240

parts that heat it reflects it in that

1339

00:53:59,589 --> 00:53:58,000

way this is why when you go up into

1340

00:54:01,910 --> 00:53:59,599

higher elevations where there's less

1341

00:54:03,990 --> 00:54:01,920

oxygen everything becomes colder and

1342

00:54:05,910 --> 00:54:04,000

colder until you get into the higher

1343

00:54:08,470 --> 00:54:05,920

degrees of your atmosphere where there's

1344

00:54:11,430 --> 00:54:08,480

hardly any oxygen at all and this is

1345

00:54:13,270 --> 00:54:11,440

what basically represents a deep freeze

1346

00:54:16,069 --> 00:54:13,280

so this is again letting you know the

1347

00:54:18,870 --> 00:54:16,079

science is right in front of your face

1348

00:54:21,030 --> 00:54:18,880

so sonoluminescence is the effect that

1349

00:54:23,109 --> 00:54:21,040

again penetrates your vanillin radiation

1350

00:54:24,950 --> 00:54:23,119

belt functioning as an oscillator

1351  
00:54:27,829 --> 00:54:24,960  
penetrating your atmosphere creating

1352  
00:54:30,069 --> 00:54:27,839  
that luminescent effect generating heat

1353  
00:54:31,670 --> 00:54:30,079  
and bringing it upon the planet to where

1354  
00:54:34,230 --> 00:54:31,680  
oxygen is being the carrier and the

1355  
00:54:36,230 --> 00:54:34,240  
reflection of that heat

1356  
00:54:37,829 --> 00:54:36,240  
so when again you are in the equatorial

1357  
00:54:39,589 --> 00:54:37,839  
regions of your planet this again is

1358  
00:54:41,510 --> 00:54:39,599  
what you would consider to be one of the

1359  
00:54:43,270 --> 00:54:41,520  
hottest areas of your planet is when

1360  
00:54:45,190 --> 00:54:43,280  
you're around the equator because that's

1361  
00:54:46,870 --> 00:54:45,200  
where the thickest densest oxygen

1362  
00:54:49,750 --> 00:54:46,880  
content is

1363  
00:54:52,230 --> 00:54:49,760

so again everything pertaining to oxygen

1364

00:54:54,549 --> 00:54:52,240

functions on an atomic level relating to

1365

00:54:57,430 --> 00:54:54,559

heat how do you think you like fires why

1366

00:54:59,030 --> 00:54:57,440

do you think oxygen why do you think air

1367

00:55:01,510 --> 00:54:59,040

fuels a fire

1368

00:55:04,470 --> 00:55:01,520

you see it's the idea that oxygen

1369

00:55:06,309 --> 00:55:04,480

functions as a carrier for the heat

1370

00:55:08,789 --> 00:55:06,319

and the light is generated through this

1371

00:55:10,630 --> 00:55:08,799

intense vibrational oscillation

1372

00:55:12,390 --> 00:55:10,640

happening within your atmosphere where

1373

00:55:14,789 --> 00:55:12,400

all of that heat and light come down

1374

00:55:16,630 --> 00:55:14,799

upon the planet and it rebounds back up

1375

00:55:19,109 --> 00:55:16,640

and it goes back down again and it

1376

00:55:21,190 --> 00:55:19,119

rebounds back up like a yo-yo

1377

00:55:23,829 --> 00:55:21,200

and then of course through your own body

1378

00:55:26,309 --> 00:55:23,839

of planet own shall we say

1379

00:55:29,349 --> 00:55:26,319

rotation of the earth 24-hour cycles

1380

00:55:31,990 --> 00:55:29,359

then again it moves all in accordance in

1381

00:55:33,670 --> 00:55:32,000

regards to the natural rotation of your

1382

00:55:35,430 --> 00:55:33,680

planet or again the other side of your

1383

00:55:38,230 --> 00:55:35,440

planet is also receiving a

1384

00:55:41,190 --> 00:55:38,240

sonoluminescent effect and that the moon

1385

00:55:44,150 --> 00:55:41,200

itself is also having a sonoluminescent

1386

00:55:46,950 --> 00:55:44,160

effect this is why you have moonlight

1387

00:55:48,870 --> 00:55:46,960

because the moon has its own atmosphere

1388

00:55:50,549 --> 00:55:48,880

not as thick as the earth's but it

1389

00:55:52,390 --> 00:55:50,559

certainly does have an atmosphere if it

1390

00:55:53,910 --> 00:55:52,400

did not have an atmosphere it would not

1391

00:55:56,069 --> 00:55:53,920

generate moonlight

1392

00:55:58,230 --> 00:55:56,079

moonlight is the product of it having

1393

00:56:01,750 --> 00:55:58,240

its own atmosphere created through a

1394

00:56:07,670 --> 00:56:03,349

and so all we

1395

00:56:10,870 --> 00:56:07,680

if we were to to um go to space now and

1396

00:56:13,270 --> 00:56:10,880

go as high up as possible towards uh

1397

00:56:14,309 --> 00:56:13,280

less and less of that of that atmosphere

1398

00:56:17,190 --> 00:56:14,319

would be

1399

00:56:19,349 --> 00:56:17,200

then just see actually less stars

1400

00:56:20,789 --> 00:56:19,359

if you were to go beyond the atmospheric

1401

00:56:22,390 --> 00:56:20,799

veil altogether now you have to

1402

00:56:25,190 --> 00:56:22,400

understand that the atmosphere is an

1403

00:56:26,710 --> 00:56:25,200

ether it is etheric in nature it does

1404

00:56:27,589 --> 00:56:26,720

not have a substance that you're aware

1405

00:56:29,750 --> 00:56:27,599

of

1406

00:56:31,829 --> 00:56:29,760

so when you actually penetrate past that

1407

00:56:33,829 --> 00:56:31,839

barrier and you leave the threshold of

1408

00:56:35,670 --> 00:56:33,839

the atmosphere all together yes you

1409

00:56:37,829 --> 00:56:35,680

would basically see that everything in

1410

00:56:39,589 --> 00:56:37,839

space is completely black

1411

00:56:41,910 --> 00:56:39,599

it's through your atmosphere that acts

1412

00:56:44,390 --> 00:56:41,920

as a lens for it to in that sense

1413

00:56:46,870 --> 00:56:44,400

attract all of these distance pins of

1414

00:56:49,030 --> 00:56:46,880

light that come from stars your

1415

00:56:51,349 --> 00:56:49,040

atmosphere is being the lens to helping

1416

00:56:53,349 --> 00:56:51,359

you detect where the light is so it

1417

00:56:56,309 --> 00:56:53,359

functions in that form of synthesis but

1418

00:56:57,750 --> 00:56:56,319

when you go beyond that ethereal barrier

1419

00:56:59,589 --> 00:56:57,760

you will see that space is just

1420

00:57:01,670 --> 00:56:59,599

completely black

1421

00:57:03,670 --> 00:57:01,680

there is again other phenomena in space

1422

00:57:05,750 --> 00:57:03,680

that may cause luminescence but not to

1423

00:57:07,829 --> 00:57:05,760

this degree

1424

00:57:10,470 --> 00:57:07,839

and so i can't help but kind of touch on

1425

00:57:13,270 --> 00:57:10,480

this when a buzz aldrin and neil

1426

00:57:15,670 --> 00:57:13,280

armstrong had that initial um

1427

00:57:16,549 --> 00:57:15,680

uh press conference they were kind of

1428

00:57:18,950 --> 00:57:16,559

having

1429

00:57:20,710 --> 00:57:18,960

up you know one would say oh this

1430

00:57:22,309 --> 00:57:20,720

if i'm not mistaken the sky is full of

1431

00:57:23,510 --> 00:57:22,319

stars and the other one i didn't see any

1432

00:57:26,069 --> 00:57:23,520

stars at all

1433

00:57:28,230 --> 00:57:26,079

is it just because the script was off or

1434

00:57:30,710 --> 00:57:28,240

they were actually high enough up there

1435

00:57:33,030 --> 00:57:30,720

to at least witness something but not

1436

00:57:34,710 --> 00:57:33,040

necessarily have gone to the moon

1437

00:57:37,670 --> 00:57:34,720

those people that you speak of were not

1438

00:57:39,270 --> 00:57:37,680

in space oh okay

1439

00:57:41,270 --> 00:57:39,280

so again the whole idea is but yes

1440

00:57:42,789 --> 00:57:41,280

astronauts that have you see they will

1441

00:57:44,950 --> 00:57:42,799

still see the stars where they are

1442

00:57:46,309 --> 00:57:44,960

because they're in the thermosphere

1443

00:57:48,870 --> 00:57:46,319

that is again where much of your

1444

00:57:51,190 --> 00:57:48,880

shuttles still orbit they orbit in the

1445

00:57:52,789 --> 00:57:51,200

thermosphere of the atmosphere so again

1446

00:57:55,030 --> 00:57:52,799

as long as you are within the threshold

1447

00:57:57,190 --> 00:57:55,040

of the atmosphere you will see stars it

1448

00:57:58,789 --> 00:57:57,200

is when you go beyond the atmosphere

1449

00:58:00,870 --> 00:57:58,799

when you go beyond that point beyond

1450

00:58:03,030 --> 00:58:00,880

that threshold where you are leaving

1451

00:58:05,190 --> 00:58:03,040

earth's atmosphere you will feel again

1452

00:58:07,190 --> 00:58:05,200

that space all around you appears dark

1453

00:58:09,510 --> 00:58:07,200

unless you have some form of technology

1454

00:58:11,670 --> 00:58:09,520

in that sense that duplicates the effect

1455

00:58:13,349 --> 00:58:11,680

of being able to detect stars often

1456

00:58:15,990 --> 00:58:13,359

through the idea of different bands of

1457

00:58:17,670 --> 00:58:16,000

frequencies such as x-ray and so forth

1458

00:58:20,150 --> 00:58:17,680

this again is why you have in that sense

1459

00:58:22,069 --> 00:58:20,160

that particular probe that is able to in

1460

00:58:23,829 --> 00:58:22,079

that sense take a look at the sun

1461

00:58:26,710 --> 00:58:23,839

because it's not in your traditional

1462

00:58:28,630 --> 00:58:26,720

eyesight it goes through x-ray vision

1463

00:58:30,950 --> 00:58:28,640

and that x-ray vision is being able to

1464

00:58:32,789 --> 00:58:30,960

look at the effect of the sun through

1465

00:58:34,390 --> 00:58:32,799

the satellite imagery

1466

00:58:36,150 --> 00:58:34,400

so if you have something of that

1467

00:58:38,150 --> 00:58:36,160

technology then yes you could probably

1468

00:58:40,390 --> 00:58:38,160

see all the stars around you

1469

00:58:42,870 --> 00:58:40,400

but in that sense if it's just you shall

1470

00:58:44,789 --> 00:58:42,880

we say just floating around in a box and

1471

00:58:46,069 --> 00:58:44,799

you leave the atmosphere no you will not

1472

00:58:48,150 --> 00:58:46,079

be able to see anything it will be

1473

00:58:50,390 --> 00:58:48,160

completely dark you can turn around and

1474

00:58:54,630 --> 00:58:50,400

see the luminescence of the earth but

1475

00:58:56,710 --> 00:58:54,640

beyond that you will just see blackness

1476

00:58:59,990 --> 00:58:56,720

okay thank you for that so would it be

1477

00:59:02,549 --> 00:59:00,000

all right if we uh go into a q a

1478

00:59:04,549 --> 00:59:02,559

by all means okay all right so everyone

1479

00:59:06,630 --> 00:59:04,559

else watching if you would like to ask a

1480

00:59:09,030 --> 00:59:06,640

question directly uh using your own

1481

00:59:11,589 --> 00:59:09,040

voice please log in using telegram and

1482

00:59:13,430 --> 00:59:11,599

raise your hand that way i know um you

1483

00:59:15,670 --> 00:59:13,440

want to ask a question you'll be added

1484

00:59:17,190 --> 00:59:15,680

to my queue otherwise simply write the

1485

00:59:19,030 --> 00:59:17,200

question down please in your in

1486

00:59:22,230 --> 00:59:19,040

description box using the three little

1487

00:59:24,549 --> 00:59:22,240

stars before you ask a question so jonas

1488

00:59:27,190 --> 00:59:24,559

uh the first question is from

1489

00:59:29,430 --> 00:59:27,200

c6 sailor 7

1490

00:59:31,670 --> 00:59:29,440

saying adreno says do

1491

00:59:34,230 --> 00:59:31,680

that only about 10 of people have have

1492

00:59:36,230 --> 00:59:34,240

been jabbed i understand that they are

1493

00:59:38,710 --> 00:59:36,240

inflating the numbers to make it seem

1494

00:59:41,670 --> 00:59:38,720

like 60 have gotten it does this mean

1495

00:59:44,069 --> 00:59:41,680

that some jabs are placebos

1496

00:59:45,349 --> 00:59:44,079

yes that is true again it is much more

1497

00:59:47,349 --> 00:59:45,359

of a mixed bank you cannot really

1498

00:59:49,190 --> 00:59:47,359

predict it but again it's through there

1499

00:59:50,470 --> 00:59:49,200

are common pharmaceutical companies that

1500

00:59:52,549 --> 00:59:50,480

are creating these particular

1501

00:59:55,030 --> 00:59:52,559

vaccinations in that sense some of them

1502

00:59:57,589 --> 00:59:55,040

have been compromised and mixed based

1503

00:59:59,109 --> 00:59:57,599

upon again country-to-country variables

1504

01:00:01,270 --> 00:59:59,119

that in that sense create what you would

1505

01:00:02,630 --> 01:00:01,280

know as placebo injections so this is

1506

01:00:04,950 --> 01:00:02,640

why some people in that sense who have

1507

01:00:07,030 --> 01:00:04,960

had a vaccination in that sense actually

1508

01:00:08,950 --> 01:00:07,040

don't really feel any ill effects this

1509

01:00:11,030 --> 01:00:08,960

can be the idea or in that sense may not

1510

01:00:13,030 --> 01:00:11,040

even have a shedding effect because

1511

01:00:15,670 --> 01:00:13,040

again there is a mixture relating to the

1512

01:00:18,710 --> 01:00:15,680

idea of placebos in together with the

1513

01:00:23,910 --> 01:00:21,190

thank you for that um the next question

1514

01:00:31,430 --> 01:00:23,920

is from nathan on telegram nathan you're

1515

01:00:36,710 --> 01:00:33,430

okay i guess we'll get back to him later

1516

01:00:41,670 --> 01:00:36,720

so the the next question is from

1517

01:00:44,470 --> 01:00:41,680

kathy ashby as saying pastor clint's uh

1518

01:00:47,589 --> 01:00:44,480

pastor kim clement a prophecy of two

1519

01:00:49,430 --> 01:00:47,599

presidents any thoughts

1520

01:00:50,710 --> 01:00:49,440

well again the whole idea is that really

1521

01:00:52,870 --> 01:00:50,720

we have stated that you really don't

1522

01:00:54,230 --> 01:00:52,880

even have a president right now

1523

01:00:56,630 --> 01:00:54,240

so in that sense you have what you

1524

01:00:58,710 --> 01:00:56,640

return as an illegitimate president in

1525

01:01:00,150 --> 01:00:58,720

office and you have another one in that

1526

01:01:02,390 --> 01:01:00,160

sense who's not really in front of the

1527

01:01:04,710 --> 01:01:02,400

scenes but is working more so behind the

1528

01:01:06,710 --> 01:01:04,720

scenes this is why we have termed as a

1529

01:01:08,950 --> 01:01:06,720

particular past prediction that neither

1530

01:01:11,109 --> 01:01:08,960

your biden nor your trump will

1531

01:01:11,990 --> 01:01:11,119

officially be a president during this

1532

01:01:14,069 --> 01:01:12,000

time

1533

01:01:15,750 --> 01:01:14,079

because again you have one in that sense

1534

01:01:17,109 --> 01:01:15,760

that was not really legitimately brought

1535

01:01:18,470 --> 01:01:17,119

into office

1536

01:01:20,069 --> 01:01:18,480

and you have another one in that sense

1537

01:01:22,150 --> 01:01:20,079

that's working more behind the scenes

1538

01:01:24,069 --> 01:01:22,160

with your military that is not in front

1539

01:01:25,750 --> 01:01:24,079

of the scenes so this is why at this

1540

01:01:27,670 --> 01:01:25,760

time really you don't really have a

1541

01:01:29,430 --> 01:01:27,680

president you have more so the idea of

1542

01:01:31,670 --> 01:01:29,440

military running things more than

1543

01:01:33,990 --> 01:01:31,680

anything else pertaining to a president

1544

01:01:37,270 --> 01:01:34,000

can you please go a little bit into into

1545

01:01:38,950 --> 01:01:37,280

the illegitimacy part

1546

01:01:40,710 --> 01:01:38,960

well if we were to say the idea of

1547

01:01:41,589 --> 01:01:40,720

election fraud what would that mean to

1548

01:01:46,390 --> 01:01:41,599

you

1549

01:01:48,390 --> 01:01:46,400

saying that trump is working with the

1550

01:01:49,430 --> 01:01:48,400

military or a different

1551

01:01:52,470 --> 01:01:49,440

idea

1552

01:01:55,750 --> 01:01:52,480

of not being sworn improperly what would

1553

01:01:59,270 --> 01:01:58,230

you mean uh procedure-wise

1554

01:02:00,230 --> 01:01:59,280

yes

1555

01:02:01,510 --> 01:02:00,240

okay

1556

01:02:03,670 --> 01:02:01,520

that the oath

1557

01:02:05,589 --> 01:02:03,680

was incomplete and the idea of the oath

1558

01:02:07,510 --> 01:02:05,599

was actually filmed days before the

1559

01:02:08,870 --> 01:02:07,520

actual live event to when it was

1560

01:02:11,349 --> 01:02:08,880

supposed to happen

1561

01:02:14,549 --> 01:02:11,359

inauguration day was not live it was

1562

01:02:21,910 --> 01:02:17,029

it was not as interesting another

1563

01:02:26,390 --> 01:02:25,029

to make it look like it was

1564

01:02:31,270 --> 01:02:26,400

so again

1565

01:02:35,990 --> 01:02:33,029

okay

1566

01:02:37,029 --> 01:02:36,000

your joe biden is not even on the planet

1567

01:02:38,870 --> 01:02:37,039

anymore

1568

01:02:41,750 --> 01:02:38,880

he's not even here

1569

01:02:43,750 --> 01:02:41,760

he transitioned quite some time ago the

1570

01:02:45,589 --> 01:02:43,760

one that you see on television is not

1571

01:02:48,870 --> 01:02:45,599

him but more so the idea of a

1572

01:02:53,750 --> 01:02:51,510

would that explain some of the the means

1573

01:02:55,670 --> 01:02:53,760

to have about is different earlobe and

1574

01:02:58,309 --> 01:02:55,680

the facial

1575

01:03:02,069 --> 01:02:58,319

structure yes and the idea of computer

1576

01:03:06,390 --> 01:03:03,430

interesting well thank you thank you for

1577

01:03:07,430 --> 01:03:06,400

going into that um so the next is why we

1578

01:03:09,270 --> 01:03:07,440

say

1579

01:03:11,109 --> 01:03:09,280

the idea that you really don't have a

1580

01:03:13,430 --> 01:03:11,119

president of your united states running

1581

01:03:15,589 --> 01:03:13,440

things right now it's all part of a show

1582

01:03:18,549 --> 01:03:15,599

it's all part of a drama it's all part

1583

01:03:20,630 --> 01:03:18,559

of a stage play there is no legitimacy

1584

01:03:22,870 --> 01:03:20,640

behind it whatsoever but you have to see

1585

01:03:25,990 --> 01:03:22,880

that to yourselves through here

1586

01:03:27,990 --> 01:03:26,000

just as we talked about last year

1587

01:03:29,589 --> 01:03:28,000

so just to just to i'm sorry i didn't

1588

01:03:32,069 --> 01:03:29,599

hear this part so are you saying that

1589

01:03:32,870 --> 01:03:32,079

trump is working with the military

1590

01:03:34,870 --> 01:03:32,880

yes

1591

01:03:36,549 --> 01:03:34,880

okay but not so in the idea of a

1592

01:03:40,309 --> 01:03:36,559

presidency role much more of a deeper

1593

01:03:43,349 --> 01:03:41,910

through his connection

1594

01:03:45,510 --> 01:03:43,359

helping out in that way on a more of a

1595

01:03:47,270 --> 01:03:45,520

militaristic level so basically i'm

1596

01:03:50,230 --> 01:03:47,280

acting more so as a type of commanding

1597

01:03:54,710 --> 01:03:52,230

that's interesting but the military i

1598

01:03:56,630 --> 01:03:54,720

guess they know something because if i'm

1599

01:03:58,870 --> 01:03:56,640

correct me if i'm wrong

1600

01:04:00,630 --> 01:03:58,880

they would have to then recognize him as

1601  
01:04:02,309 --> 01:04:00,640  
more of an authority than they would

1602  
01:04:06,069 --> 01:04:02,319  
biden that's exactly what he has been

1603  
01:04:09,990 --> 01:04:08,069  
wow that's very interesting thank you

1604  
01:04:14,390 --> 01:04:10,000  
for sharing that

1605  
01:04:18,150 --> 01:04:16,069  
i have many more but it's about the

1606  
01:04:20,789 --> 01:04:18,160  
people asking so nathan uh you're you're

1607  
01:04:23,270 --> 01:04:20,799  
alive please ask a question

1608  
01:04:25,910 --> 01:04:23,280  
uh yes thank you um could you please

1609  
01:04:28,069 --> 01:04:25,920  
provide for us or make some suggestions

1610  
01:04:30,710 --> 01:04:28,079  
for as to what we could do on an

1611  
01:04:32,390 --> 01:04:30,720  
individual level to affect the most

1612  
01:04:33,910 --> 01:04:32,400  
change the most positive change to get

1613  
01:04:35,990 --> 01:04:33,920

this thing moving on you get the bad

1614

01:04:37,589 --> 01:04:36,000

guys out and get the good guys in

1615

01:04:39,910 --> 01:04:37,599

well working with yourself is one of

1616

01:04:41,670 --> 01:04:39,920

those keys it's about meditation it's

1617

01:04:43,109 --> 01:04:41,680

about the idea of cleaning yourself up

1618

01:04:44,870 --> 01:04:43,119

it's about the idea in that sense that

1619

01:04:46,950 --> 01:04:44,880

you're not here to change the entire

1620

01:04:48,150 --> 01:04:46,960

planet the entire planet is not yours to

1621

01:04:50,710 --> 01:04:48,160

change

1622

01:04:52,950 --> 01:04:50,720

now you are governing your own life

1623

01:04:55,190 --> 01:04:52,960

that is what you need to work on you can

1624

01:04:57,109 --> 01:04:55,200

share ideas you can suggest ideas all

1625

01:04:59,349 --> 01:04:57,119

that you want and that's fine but you're

1626  
01:05:01,270 --> 01:04:59,359  
not here to change the world the world

1627  
01:05:03,670 --> 01:05:01,280  
is not your responsibility your

1628  
01:05:05,670 --> 01:05:03,680  
responsibility is through your own world

1629  
01:05:08,470 --> 01:05:05,680  
so as you start to work upon yourself

1630  
01:05:09,750 --> 01:05:08,480  
and realize that i am not bogged down by

1631  
01:05:11,190 --> 01:05:09,760  
all the things that are happening upon

1632  
01:05:13,270 --> 01:05:11,200  
the world that's actually what's going

1633  
01:05:15,589 --> 01:05:13,280  
to help you to a greater ordeal you're

1634  
01:05:17,190 --> 01:05:15,599  
going to help yourself lift yourself up

1635  
01:05:19,829 --> 01:05:17,200  
you're going to move yourself into

1636  
01:05:22,230 --> 01:05:19,839  
greater heights and see again what you

1637  
01:05:23,750 --> 01:05:22,240  
are capable of when you explore yourself

1638  
01:05:25,589 --> 01:05:23,760

so that's cleaning out the heart that's

1639

01:05:27,430 --> 01:05:25,599

working with yourself that is meditating

1640

01:05:30,470 --> 01:05:27,440

that's bringing love and compassion into

1641

01:05:32,230 --> 01:05:30,480

your life and seeing yourself change

1642

01:05:32,950 --> 01:05:32,240

you cannot really teach this to anybody

1643

01:05:34,870 --> 01:05:32,960

else

1644

01:05:37,349 --> 01:05:34,880

you can be an example and you can

1645

01:05:39,510 --> 01:05:37,359

present yourself as an example but again

1646

01:05:41,990 --> 01:05:39,520

that's all you can really do and again

1647

01:05:44,710 --> 01:05:42,000

you are working much more in silence

1648

01:05:46,789 --> 01:05:44,720

planting these little seeds into people

1649

01:05:48,950 --> 01:05:46,799

just by sharing love just by sharing

1650

01:05:51,670 --> 01:05:48,960

compassion you realize that when you

1651  
01:05:53,190 --> 01:05:51,680  
talk politics you're not actually coming

1652  
01:05:55,029 --> 01:05:53,200  
together you're actually making

1653  
01:05:56,789 --> 01:05:55,039  
yourselves more separate

1654  
01:05:59,349 --> 01:05:56,799  
when you're looking at all these affairs

1655  
01:06:01,029 --> 01:05:59,359  
of agendas out of fear you're not

1656  
01:06:02,789 --> 01:06:01,039  
bringing yourselves together you're

1657  
01:06:03,990 --> 01:06:02,799  
making yourselves more separate because

1658  
01:06:06,150 --> 01:06:04,000  
you think that you're in a victim

1659  
01:06:07,829 --> 01:06:06,160  
consciousness but when you start talking

1660  
01:06:09,829 --> 01:06:07,839  
about matters of the heart when you

1661  
01:06:11,990 --> 01:06:09,839  
start talking about good deeds that you

1662  
01:06:13,589 --> 01:06:12,000  
do wonderful things that have happened

1663  
01:06:15,990 --> 01:06:13,599

to you and how you're working on

1664

01:06:18,069 --> 01:06:16,000

yourself and elevating guess what people

1665

01:06:20,870 --> 01:06:18,079

want to come closer to you because you

1666

01:06:22,069 --> 01:06:20,880

feel good to them you feel warm to them

1667

01:06:23,910 --> 01:06:22,079

and that's what's going to make a

1668

01:06:26,390 --> 01:06:23,920

difference it's not about having to be

1669

01:06:28,150 --> 01:06:26,400

an expert in politics or experts in any

1670

01:06:29,829 --> 01:06:28,160

of these particular forms of internal

1671

01:06:32,470 --> 01:06:29,839

matters that are happening through the

1672

01:06:35,190 --> 01:06:32,480

dramas of your reality it's the idea of

1673

01:06:37,270 --> 01:06:35,200

lifting yourself up beyond all of that

1674

01:06:39,510 --> 01:06:37,280

and taking people with you because they

1675

01:06:40,710 --> 01:06:39,520

are drawn to the warmth of your heart

1676

01:06:42,950 --> 01:06:40,720

that's what's going to make the

1677

01:06:44,230 --> 01:06:42,960

difference

1678

01:06:46,789 --> 01:06:44,240

thank you for that

1679

01:06:48,630 --> 01:06:46,799

um hazel is asking is it possible to

1680

01:06:51,109 --> 01:06:48,640

send out an open invitation for a

1681

01:06:53,750 --> 01:06:51,119

meeting via dream or in person and i

1682

01:06:55,829 --> 01:06:53,760

would assume maybe with you or just in

1683

01:06:57,349 --> 01:06:55,839

alien contact in general

1684

01:06:59,270 --> 01:06:57,359

well if you are able to tune into our

1685

01:07:01,750 --> 01:06:59,280

frequency yes again you have to

1686

01:07:04,309 --> 01:07:01,760

understand exactly what we represent as

1687

01:07:06,150 --> 01:07:04,319

you say the name adronis as you feel our

1688

01:07:07,750 --> 01:07:06,160

energy coming to the channel right now

1689

01:07:09,829 --> 01:07:07,760

because only those in that sense who are

1690

01:07:11,109 --> 01:07:09,839

more empathically inclined that are

1691

01:07:13,510 --> 01:07:11,119

going to be able to make some type of

1692

01:07:15,270 --> 01:07:13,520

contact with us if you are again very

1693

01:07:17,109 --> 01:07:15,280

much in the lower degrees of

1694

01:07:18,710 --> 01:07:17,119

intellectualism and you're not getting

1695

01:07:20,789 --> 01:07:18,720

the idea of your own feelings you won't

1696

01:07:22,950 --> 01:07:20,799

have a chance of connecting with us or

1697

01:07:25,670 --> 01:07:22,960

in fact many others that are working

1698

01:07:27,109 --> 01:07:25,680

alongside of us to assist with your

1699

01:07:29,910 --> 01:07:27,119

planet right now

1700

01:07:32,549 --> 01:07:29,920

so there needs to be an empathic

1701

01:07:34,710 --> 01:07:32,559

availability here an empathic

1702

01:07:36,470 --> 01:07:34,720

naturalness when you're opening your

1703

01:07:38,150 --> 01:07:36,480

heart up a lot more and there are many

1704

01:07:39,510 --> 01:07:38,160

of you who may be watching this right

1705

01:07:41,190 --> 01:07:39,520

now know exactly what we're talking

1706

01:07:44,150 --> 01:07:41,200

about and there are some of you who do

1707

01:07:47,910 --> 01:07:44,160

not so if you really want to connect

1708

01:07:50,230 --> 01:07:47,920

with your star family beyond the earth

1709

01:07:52,309 --> 01:07:50,240

it is about opening this up

1710

01:07:55,670 --> 01:07:52,319

it's about love it's about compassion

1711

01:07:57,750 --> 01:07:55,680

it's about warmth it's about forgiveness

1712

01:07:59,990 --> 01:07:57,760

it's clearing out the cobwebs of

1713

01:08:01,990 --> 01:08:00,000

yourself that has created so much

1714

01:08:03,349 --> 01:08:02,000

distortion within your being that you

1715

01:08:05,349 --> 01:08:03,359

feel you don't even know how to live

1716

01:08:08,309 --> 01:08:05,359

anymore because you're constantly trying

1717

01:08:10,710 --> 01:08:08,319

to live in a dualistic world based upon

1718

01:08:12,069 --> 01:08:10,720

intellectualism and rationality and

1719

01:08:14,150 --> 01:08:12,079

feeling that you don't know what's

1720

01:08:16,470 --> 01:08:14,160

really going on because intellect and

1721

01:08:18,630 --> 01:08:16,480

ego won't tell you of course not they're

1722

01:08:21,110 --> 01:08:18,640

not designed for those roles

1723

01:08:23,430 --> 01:08:21,120

to know the truth comes from the heart

1724

01:08:25,669 --> 01:08:23,440

and everything that the heart represents

1725

01:08:28,070 --> 01:08:25,679

that warmth that compassion that love

1726

01:08:29,269 --> 01:08:28,080

that happiness that resides within

1727

01:08:33,669 --> 01:08:29,279

yourself

1728

01:08:35,910 --> 01:08:33,679

is the truth maker is the truth voice

1729

01:08:37,910 --> 01:08:35,920

that is what you tune into that is how

1730

01:08:39,749 --> 01:08:37,920

you open up to your family that is how

1731

01:08:42,070 --> 01:08:39,759

you open up to god

1732

01:08:43,669 --> 01:08:42,080

you see

1733

01:08:47,030 --> 01:08:43,679

thank you

1734

01:08:49,430 --> 01:08:47,040

um c6 hill is asking um esther white

1735

01:08:51,990 --> 01:08:49,440

hats let the negative agendas play out

1736

01:08:53,910 --> 01:08:52,000

so that people will wake up to the truth

1737

01:08:56,470 --> 01:08:53,920

on people suffering and dying from the

1738

01:08:58,470 --> 01:08:56,480

decision to allow it to happen how long

1739

01:09:00,229 --> 01:08:58,480

can they wait

1740

01:09:02,789 --> 01:09:00,239

well again this is all part of what we

1741

01:09:04,630 --> 01:09:02,799

term as a psychological imprint this is

1742

01:09:06,390 --> 01:09:04,640

what they are doing in that sense to

1743

01:09:08,470 --> 01:09:06,400

awaken more people up

1744

01:09:10,229 --> 01:09:08,480

right so again when you're looking at

1745

01:09:12,070 --> 01:09:10,239

what you feel is a lot of people

1746

01:09:14,149 --> 01:09:12,080

suffering and dying from the vaccine you

1747

01:09:16,229 --> 01:09:14,159

would actually be incorrect with that

1748

01:09:19,269 --> 01:09:16,239

there's not that many it's very very

1749

01:09:22,390 --> 01:09:19,279

small remember they inflate the numbers

1750

01:09:24,870 --> 01:09:22,400

they inflate the percentages they invade

1751

01:09:27,349 --> 01:09:24,880

inflate the tragedies that follow with

1752

01:09:29,669 --> 01:09:27,359

this again if you stick with that story

1753

01:09:31,749 --> 01:09:29,679

you're not seeing the entirety here

1754

01:09:34,470 --> 01:09:31,759

it's all about the idea of psychological

1755

01:09:36,709 --> 01:09:34,480

tactics it's a type of chess game that's

1756

01:09:39,590 --> 01:09:36,719

being played between again the old

1757

01:09:41,110 --> 01:09:39,600

players and the counter forces that is

1758

01:09:43,189 --> 01:09:41,120

how they operate because much of the

1759

01:09:45,430 --> 01:09:43,199

counter forces that are going against

1760

01:09:47,990 --> 01:09:45,440

these dark players were once a part of

1761

01:09:49,910 --> 01:09:48,000

the same regime and secret societies as

1762

01:09:51,990 --> 01:09:49,920

they were and all they're doing is

1763

01:09:53,590 --> 01:09:52,000

flipping things upside down so that

1764

01:09:56,070 --> 01:09:53,600

everything that they're doing is going

1765

01:09:58,870 --> 01:09:56,080

to come back cascading on top of them

1766

01:10:01,110 --> 01:09:58,880

falling down upon them like an avalanche

1767

01:10:02,630 --> 01:10:01,120

that's what's taking place right now so

1768

01:10:04,709 --> 01:10:02,640

again we would say that whatever is

1769

01:10:06,790 --> 01:10:04,719

being shared through your discourse of

1770

01:10:08,709 --> 01:10:06,800

news in regards to casualties or

1771

01:10:10,390 --> 01:10:08,719

suffering in that way take it with a

1772

01:10:12,709 --> 01:10:10,400

grain of salt because again many of

1773

01:10:14,950 --> 01:10:12,719

these numbers and percentages in regards

1774

01:10:18,390 --> 01:10:14,960

to inflictions are again

1775

01:10:20,630 --> 01:10:18,400

self-imposed for the benefits of these

1776

01:10:23,270 --> 01:10:20,640

particular dark players to try and spin

1777

01:10:26,390 --> 01:10:23,280

the importance of vaccinations and

1778

01:10:32,470 --> 01:10:30,630

so um jonas uh how many more questions

1779

01:10:34,390 --> 01:10:32,480

can we take because i don't want to take

1780

01:10:36,870 --> 01:10:34,400

up much more of your time

1781

01:10:37,590 --> 01:10:36,880

three more questions okay all right so

1782

01:10:39,990 --> 01:10:37,600

for

1783

01:10:42,709 --> 01:10:40,000

all of you uh you can either log into

1784

01:10:44,070 --> 01:10:42,719

telegram or ask your final question so

1785

01:10:46,310 --> 01:10:44,080

i'm going to be very selfish and i'm

1786

01:10:48,630 --> 01:10:46,320

going to ask one because there's

1787

01:10:51,030 --> 01:10:48,640

something i really want to clarify so

1788

01:10:53,990 --> 01:10:51,040

we'll take two more after that and

1789

01:10:55,590 --> 01:10:54,000

then i guess we'll we'll conclude um

1790

01:10:57,910 --> 01:10:55,600

joining us so i wanted to just ask real

1791

01:11:00,470 --> 01:10:57,920

quick uh regarding this this this

1792

01:11:02,470 --> 01:11:00,480

different and difference in energies so

1793

01:11:05,590 --> 01:11:02,480

these different alien

1794

01:11:07,510 --> 01:11:05,600

races and then that are with

1795

01:11:09,590 --> 01:11:07,520

within our society

1796

01:11:11,750 --> 01:11:09,600

um and then the experiences that i've

1797

01:11:14,790 --> 01:11:11,760

had and i've had others talk about them

1798

01:11:16,870 --> 01:11:14,800

too they were so high to where it was

1799

01:11:19,270 --> 01:11:16,880

brought up a lot of fears to be

1800

01:11:21,669 --> 01:11:19,280

uh within that vibration how does that

1801

01:11:24,070 --> 01:11:21,679

contact happen that that they're in

1802

01:11:25,990 --> 01:11:24,080

contact with them but yet for example

1803

01:11:27,669 --> 01:11:26,000

someone like me would have so much fear

1804

01:11:29,030 --> 01:11:27,679

or did they overcome something that i'm

1805

01:11:31,189 --> 01:11:29,040

not aware of

1806

01:11:33,750 --> 01:11:31,199

adnan first of all understand there are

1807

01:11:36,070 --> 01:11:33,760

no alien civilizations you're not

1808

01:11:37,270 --> 01:11:36,080

looking at aliens you're looking at

1809

01:11:42,390 --> 01:11:37,280

family

1810

01:11:45,270 --> 01:11:42,400

that is their relationship to you

1811

01:11:47,669 --> 01:11:45,280

they are genetically related to you and

1812

01:11:50,470 --> 01:11:47,679

anything related to you could never be

1813

01:11:51,750 --> 01:11:50,480

termed as an alien do you understand

1814

01:11:55,750 --> 01:11:51,760

right

1815

01:11:57,270 --> 01:11:55,760

of many of these contacts that are

1816

01:11:59,350 --> 01:11:57,280

taking place

1817

01:12:00,790 --> 01:11:59,360

the idea in that sense is that often it

1818

01:12:01,990 --> 01:12:00,800

is coming through an empathic

1819

01:12:05,189 --> 01:12:02,000

transmission

1820

01:12:07,430 --> 01:12:05,199

it is heart to heart it is mind to mind

1821

01:12:10,149 --> 01:12:07,440

and they are able to shall we say

1822

01:12:12,709 --> 01:12:10,159

profoundly hold a particular thought in

1823

01:12:14,630 --> 01:12:12,719

place and completely still

1824

01:12:16,870 --> 01:12:14,640

and actually being able to interface

1825

01:12:19,110 --> 01:12:16,880

with you as you would actually feel your

1826

01:12:20,830 --> 01:12:19,120

vibration rising up because you are

1827

01:12:23,669 --> 01:12:20,840

entering their dimension of

1828

01:12:25,910 --> 01:12:23,679

space you see the idea of space and time

1829

01:12:27,990 --> 01:12:25,920

itself truly is an illusion when you

1830

01:12:30,550 --> 01:12:28,000

come right down and strip it all down

1831

01:12:31,669 --> 01:12:30,560

it's consciousness that's really what it

1832

01:12:33,350 --> 01:12:31,679

all is

1833

01:12:35,669 --> 01:12:33,360

so what you could say is that they are

1834

01:12:38,630 --> 01:12:35,679

utilizing the nature of a thought to

1835

01:12:39,910 --> 01:12:38,640

elevate themselves up here and bring you

1836

01:12:41,669 --> 01:12:39,920

with them

1837

01:12:44,229 --> 01:12:41,679

that's what happens when you interface

1838

01:12:46,550 --> 01:12:44,239

with many of your star family especially

1839

01:12:48,470 --> 01:12:46,560

those that are here the incognitos in

1840

01:12:50,390 --> 01:12:48,480

that sense who have decided to contact

1841

01:12:53,030 --> 01:12:50,400

with other humans many of them will not

1842

01:12:55,590 --> 01:12:53,040

speak english they can if they wish but

1843

01:12:57,510 --> 01:12:55,600

for them to really see into you

1844

01:12:59,590 --> 01:12:57,520

it is through the idea of this empathic

1845

01:13:00,390 --> 01:12:59,600

transmission where they will hold a

1846

01:13:02,950 --> 01:13:00,400

thought

1847

01:13:04,790 --> 01:13:02,960

they will hold it very high and you will

1848

01:13:06,390 --> 01:13:04,800

join them and they will take you to the

1849

01:13:07,750 --> 01:13:06,400

height of that thought

1850

01:13:10,470 --> 01:13:07,760

they will take you to the height of that

1851

01:13:13,030 --> 01:13:10,480

vibration and now you feel such warmth

1852

01:13:15,350 --> 01:13:13,040

such great love such great powerful

1853

01:13:17,430 --> 01:13:15,360

energy flowing through you because again

1854

01:13:20,709 --> 01:13:17,440

you are interfacing and interlocking

1855

01:13:24,070 --> 01:13:20,719

together with their own empathic intent

1856

01:13:25,910 --> 01:13:24,080

so you become in essence one being

1857

01:13:27,750 --> 01:13:25,920

you're not seeing yourself as a separate

1858

01:13:29,430 --> 01:13:27,760

individual and that's what you humans

1859

01:13:31,590 --> 01:13:29,440

have been going through for a very very

1860

01:13:33,910 --> 01:13:31,600

long time on your planet is creating

1861

01:13:37,669 --> 01:13:33,920

this illusion of a separate self

1862

01:13:40,149 --> 01:13:37,679

and to many that's considered very dirty

1863

01:13:41,910 --> 01:13:40,159

it's very unclean to think of yourself

1864

01:13:44,470 --> 01:13:41,920

in that way this is why other

1865

01:13:46,630 --> 01:13:44,480

civilizations only communicate with you

1866

01:13:48,630 --> 01:13:46,640

at specific points

1867

01:13:50,550 --> 01:13:48,640

when you're not so emotional and when

1868

01:13:52,550 --> 01:13:50,560

you're not so completely conflicted with

1869

01:13:55,830 --> 01:13:52,560

a separate self ego

1870

01:13:58,310 --> 01:13:55,840

the ego is a very very dirty thing

1871

01:14:00,149 --> 01:13:58,320

it's very very unclean

1872

01:14:01,590 --> 01:14:00,159

and so again this is why there are

1873

01:14:03,830 --> 01:14:01,600

certain people that will go into

1874

01:14:06,390 --> 01:14:03,840

preparatory measures before they

1875

01:14:07,990 --> 01:14:06,400

actually meet one of their family and

1876

01:14:09,990 --> 01:14:08,000

actually being able to have this type of

1877

01:14:11,830 --> 01:14:10,000

empathic interfacing they will do a lot

1878

01:14:13,510 --> 01:14:11,840

of personal cleansing

1879

01:14:15,669 --> 01:14:13,520

that personal cleansing can be personal

1880

01:14:18,070 --> 01:14:15,679

detoxification it can also be in the

1881

01:14:20,390 --> 01:14:18,080

idea of certain degrees of meditation

1882

01:14:22,149 --> 01:14:20,400

per day so they are cleaning themselves

1883

01:14:24,709 --> 01:14:22,159

out quite common to what you refer to as

1884

01:14:26,630 --> 01:14:24,719

your transcendental meditations

1885

01:14:28,149 --> 01:14:26,640

actually moving into higher states of

1886

01:14:30,550 --> 01:14:28,159

consciousness

1887

01:14:31,990 --> 01:14:30,560

and then they are able to work together

1888

01:14:33,910 --> 01:14:32,000

with that other

1889

01:14:36,630 --> 01:14:33,920

and now they are bringing their minds

1890

01:14:38,630 --> 01:14:36,640

their bodies their very souls together

1891

01:14:42,790 --> 01:14:38,640

as one when you are connecting in that

1892

01:14:46,149 --> 01:14:42,800

way there is no separation it is not two

1893

01:14:49,830 --> 01:14:47,510

thank you for that

1894

01:14:52,470 --> 01:14:49,840

okay so two more questions and then

1895

01:14:53,750 --> 01:14:52,480

we'll let this be it um the question is

1896

01:14:57,669 --> 01:14:53,760

from nick

1897

01:15:00,870 --> 01:14:57,679

uh uh asking is china a threat to the

1898

01:15:03,990 --> 01:15:00,880

world is the book the 100 year marathon

1899

01:15:05,830 --> 01:15:04,000

by michael pillsbury true

1900

01:15:07,910 --> 01:15:05,840

what is a threat to the world

1901

01:15:08,790 --> 01:15:07,920

it's china

1902

01:15:10,390 --> 01:15:08,800

china

1903

01:15:11,990 --> 01:15:10,400

no not really

1904

01:15:14,310 --> 01:15:12,000

it's the idea of in that sense the

1905

01:15:16,070 --> 01:15:14,320

puppeteers that are behind such things

1906

01:15:17,350 --> 01:15:16,080

that have been but they're not really

1907

01:15:21,350 --> 01:15:17,360

going to be part of the game for much

1908

01:15:25,990 --> 01:15:23,030

everybody in that sense that has

1909

01:15:28,070 --> 01:15:26,000

represented the shall we say investment

1910

01:15:30,709 --> 01:15:28,080

in corruption is going to be leaving

1911

01:15:33,189 --> 01:15:30,719

your earth here very soon it has already

1912

01:15:34,229 --> 01:15:33,199

been decided

1913

01:15:36,070 --> 01:15:34,239

and so

1914

01:15:39,510 --> 01:15:36,080

where the instruments of the earth will

1915

01:15:42,070 --> 01:15:39,520

be the ones responsible to basically

1916

01:15:43,510 --> 01:15:42,080

facilitating their departure from this

1917

01:15:45,270 --> 01:15:43,520

earth

1918

01:15:46,790 --> 01:15:45,280

so the whole idea here is it's not about

1919

01:15:48,390 --> 01:15:46,800

a country it's not about a nation

1920

01:15:50,830 --> 01:15:48,400

feeling that again it's an evil country

1921

01:15:53,830 --> 01:15:50,840

or an evil nation no that is stated with

1922

01:15:56,709 --> 01:15:53,840

ignorance it is the idea that the people

1923

01:15:58,790 --> 01:15:56,719

behind it the puppeteers in that way the

1924

01:16:00,550 --> 01:15:58,800

ones pulling the strings

1925

01:16:02,550 --> 01:16:00,560

those are the ones that are leaving this

1926  
01:16:04,310 --> 01:16:02,560  
plane because corruption will no longer

1927  
01:16:05,510 --> 01:16:04,320  
be a part of your plane within the next

1928  
01:16:07,910 --> 01:16:05,520  
few years

1929  
01:16:09,669 --> 01:16:07,920  
it's going to be funneled out

1930  
01:16:11,830 --> 01:16:09,679  
that's what's taking place right now

1931  
01:16:14,149 --> 01:16:11,840  
that's why there's such a large state of

1932  
01:16:16,070 --> 01:16:14,159  
downfall taking place throughout your

1933  
01:16:18,790 --> 01:16:16,080  
common society relating to its

1934  
01:16:21,910 --> 01:16:18,800  
infrastructure it's being torn down bit

1935  
01:16:25,189 --> 01:16:21,920  
by bit and will then be rebuilt from the

1936  
01:16:28,950 --> 01:16:26,310  
good thank you

1937  
01:16:32,310 --> 01:16:28,960  
and so final question from hubert asking

1938  
01:16:33,910 --> 01:16:32,320

will trump ever resume office

1939

01:16:35,669 --> 01:16:33,920

that is challenging to say it all

1940

01:16:37,750 --> 01:16:35,679

depends

1941

01:16:39,510 --> 01:16:37,760

he certainly has the open invitation to

1942

01:16:41,669 --> 01:16:39,520

do it but it all just depends about how

1943

01:16:43,270 --> 01:16:41,679

things plan out

1944

01:16:46,149 --> 01:16:43,280

so it's a possibility and that's all we

1945

01:16:49,430 --> 01:16:47,110

okay

1946

01:16:51,590 --> 01:16:49,440

uh jonas thank you very much i i really

1947

01:16:53,110 --> 01:16:51,600

appreciate you being here with us and

1948

01:16:54,950 --> 01:16:53,120

and talking to us and answering the

1949

01:16:56,790 --> 01:16:54,960

questions much appreciated

1950

01:16:58,070 --> 01:16:56,800

and um

1951

01:17:01,270 --> 01:16:58,080

i will

1952

01:17:02,950 --> 01:17:01,280

that that's all i have for you right now

1953

01:17:04,550 --> 01:17:02,960

we thank you very much adnan and for

1954

01:17:06,550 --> 01:17:04,560

everybody else that has tuned into this

1955

01:17:08,470 --> 01:17:06,560

transmission this day of your time i am

1956

01:17:10,310 --> 01:17:08,480

adronis of sirius we will now conclude

1957

01:17:12,560 --> 01:17:10,320

and return to the conduit goodbye for

1958

01:17:16,310 --> 01:17:12,570

now

1959

01:17:19,990 --> 01:17:18,390

okay thank you again

1960

01:17:23,830 --> 01:17:20,000

brad thank you very much i really

1961

01:17:25,990 --> 01:17:23,840

appreciate it i'm i'm sure it's not um

1962

01:17:28,470 --> 01:17:26,000

taxing on you to channel but it does

1963

01:17:30,149 --> 01:17:28,480

require some energy so i appreciate you

1964

01:17:31,750 --> 01:17:30,159

doing that it's kind of like uh it's

1965

01:17:33,189 --> 01:17:31,760

kind of like waking up from a daydream

1966

01:17:34,390 --> 01:17:33,199

in that way

1967

01:17:35,910 --> 01:17:34,400

because i'm just not really here i'm

1968

01:17:37,189 --> 01:17:35,920

just kind of floating up over here you

1969

01:17:39,270 --> 01:17:37,199

know floating around the gym plane in

1970

01:17:40,390 --> 01:17:39,280

that way i'm not going into trance or

1971

01:17:42,229 --> 01:17:40,400

anything like that but i'm just kind of

1972

01:17:44,550 --> 01:17:42,239

just observing in the background and

1973

01:17:45,350 --> 01:17:44,560

then when it times up i come back around

1974

01:17:47,110 --> 01:17:45,360

so

1975

01:17:48,390 --> 01:17:47,120

yeah it's just a nice heightened state

1976

01:17:50,149 --> 01:17:48,400

of connectivity

1977

01:17:51,110 --> 01:17:50,159

that really represents how i channel in

1978

01:17:52,070 --> 01:17:51,120

that way

1979

01:17:53,669 --> 01:17:52,080

right

1980

01:17:55,990 --> 01:17:53,679

well uh brad

1981

01:17:57,669 --> 01:17:56,000

do you want to conclude with some uh

1982

01:18:00,870 --> 01:17:57,679

some things that you that you're going

1983

01:18:02,550 --> 01:18:00,880

to be doing before um august 31st and

1984

01:18:04,790 --> 01:18:02,560

what else you have available i think you

1985

01:18:06,229 --> 01:18:04,800

said earlier not on this show but on

1986

01:18:08,149 --> 01:18:06,239

your own channel i think you had three

1987

01:18:09,750 --> 01:18:08,159

more spots open

1988

01:18:11,270 --> 01:18:09,760

yeah there's a couple spots open if

1989

01:18:12,709 --> 01:18:11,280

people want to do like three question

1990

01:18:14,070 --> 01:18:12,719

private sessions with me they can

1991

01:18:15,430 --> 01:18:14,080

there's a few of those spots over all

1992

01:18:17,189 --> 01:18:15,440

live sessions are pretty much all booked

1993

01:18:18,870 --> 01:18:17,199

up right now but there are the three

1994

01:18:20,870 --> 01:18:18,880

question email sessions because they

1995

01:18:22,950 --> 01:18:20,880

operate on different time slots so

1996

01:18:25,030 --> 01:18:22,960

though a few of those are available uh

1997

01:18:27,270 --> 01:18:25,040

and i will also be doing a free event a

1998

01:18:29,189 --> 01:18:27,280

free webinar of adronis uh it's going to

1999

01:18:31,189 --> 01:18:29,199

be on saturday august 28th it's called

2000

01:18:33,110 --> 01:18:31,199

the dronus final transmission it's a

2001

01:18:34,709 --> 01:18:33,120

free webinar you can go to my website

2002

01:18:36,070 --> 01:18:34,719

newerthteachings.com

2003

01:18:38,229 --> 01:18:36,080

you'll find the poster there it says

2004

01:18:40,950 --> 01:18:38,239

adronis final transmission it'll be a

2005

01:18:42,630 --> 01:18:40,960

free webinar on zoom so you can register

2006

01:18:44,870 --> 01:18:42,640

for that for free and you can ask

2007

01:18:46,870 --> 01:18:44,880

questions with adronis on zoom and it'll

2008

01:18:48,709 --> 01:18:46,880

also be simulcasted onto my youtube

2009

01:18:50,709 --> 01:18:48,719

channel as well too and i'm just going

2010

01:18:52,070 --> 01:18:50,719

to be doing some sessions here up until

2011

01:18:54,550 --> 01:18:52,080

the end of the month a couple of events

2012

01:18:55,750 --> 01:18:54,560

as well too up into the 31st and like i

2013

01:18:57,669 --> 01:18:55,760

said i'm going to take a month off in

2014

01:19:00,630 --> 01:18:57,679

september then october i'm coming back

2015

01:19:02,550 --> 01:19:00,640

around full steam with this new uh

2016

01:19:04,470 --> 01:19:02,560

imprint of myself you could say and i'll

2017

01:19:06,870 --> 01:19:04,480

be sharing a lot of videos and sessions

2018

01:19:08,550 --> 01:19:06,880

as well too so if you want to pre-book a

2019

01:19:10,070 --> 01:19:08,560

session in october

2020

01:19:12,149 --> 01:19:10,080

right now you can right and you can go

2021

01:19:13,390 --> 01:19:12,159

to newerthteachings.com and do that and

2022

01:19:15,189 --> 01:19:13,400

you can also check out

2023

01:19:17,669 --> 01:19:15,199

healingcodecards.com that is my healing

2024

01:19:19,189 --> 01:19:17,679

code technology very very helpful you

2025

01:19:21,669 --> 01:19:19,199

can check out the testimonials as well

2026

01:19:23,830 --> 01:19:21,679

too and that too has been getting a good

2027

01:19:26,310 --> 01:19:23,840

full head of steam as well too

2028

01:19:28,229 --> 01:19:26,320

well i certainly hope uh

2029

01:19:29,510 --> 01:19:28,239

you guys watching would take advantage

2030

01:19:31,990 --> 01:19:29,520

of that all the links are in the

2031

01:19:35,030 --> 01:19:32,000

description below and so

2032

01:19:37,110 --> 01:19:35,040

again august 31st is when

2033

01:19:40,630 --> 01:19:37,120

you're channeling with the jonas will

2034

01:19:43,430 --> 01:19:40,640

will i guess conclude and so uh take

2035

01:19:45,510 --> 01:19:43,440

advantage of that and again brad thank

2036

01:19:48,390 --> 01:19:45,520

you uh for all of you to have tuned in

2037

01:19:50,470 --> 01:19:48,400

thank you as well and i guess i'll catch
