LIVE STREAM

1  
00:00:36,470 --> 00:00:14,560  
[Music]

2  
00:01:23,160 --> 00:00:36,480  
so

3  
00:01:23,170 --> 00:01:46,069  
[Music]

4  
00:01:46,079 --> 00:02:14,970  
so

5  
00:02:14,980 --> 00:03:43,270  
[Music]

6  
00:03:47,430 --> 00:03:45,270  
hey everyone welcome to jeofarhab

7  
00:03:50,070 --> 00:03:47,440  
livestream uh today's guest is going to

8  
00:03:52,390 --> 00:03:50,080  
be penny kelly and i'm very excited to

9  
00:03:54,229 --> 00:03:52,400  
talk to her today uh she's an author of

10  
00:03:56,309 --> 00:03:54,239  
several different books but one

11  
00:03:58,149 --> 00:03:56,319  
particular one we'll start out with and

12  
00:04:00,550 --> 00:03:58,159  
of course we're not going to be only

13  
00:04:03,670 --> 00:04:00,560

limited to that topic is called ropes a

14

00:04:06,149 --> 00:04:03,680

book of coming changes so i'm uh very

15

00:04:08,229 --> 00:04:06,159

glad that she was able to uh to make it

16

00:04:10,229 --> 00:04:08,239

it was kind of the last second thing in

17

00:04:11,990 --> 00:04:10,239

the extension invitation that i put out

18

00:04:15,509 --> 00:04:12,000

and she agreed and i was very happy

19

00:04:17,030 --> 00:04:15,519

about that so um usually i have some

20

00:04:22,310 --> 00:04:17,040

announcements but let's actually just

21

00:04:27,270 --> 00:04:25,030

oh okay penny yeah you should welcome

22

00:04:29,590 --> 00:04:27,280

thanks for being on you should be should

23

00:04:32,310 --> 00:04:29,600

be able to talk to me now

24

00:04:35,270 --> 00:04:32,320

okay all right i hear you loud and clear

25

00:04:37,350 --> 00:04:35,280

thank you for for inviting me

26

00:04:39,430 --> 00:04:37,360

well like i said uh earlier my friend

27

00:04:40,950 --> 00:04:39,440

michael introduced me to you and i

28

00:04:43,350 --> 00:04:40,960

apologize that i've actually haven't

29

00:04:45,670 --> 00:04:43,360

heard from you before but i'm making it

30

00:04:47,430 --> 00:04:45,680

up now by immediately following my

31

00:04:50,310 --> 00:04:47,440

highest passion and putting out the

32

00:04:51,990 --> 00:04:50,320

invitation so i'm glad it all worked out

33

00:04:54,710 --> 00:04:52,000

okay yeah

34

00:04:56,790 --> 00:04:54,720

yeah sometimes it can be last minute and

35

00:04:59,189 --> 00:04:56,800

that's perfect

36

00:05:01,189 --> 00:04:59,199

well so what i basically wanted to then

37

00:05:02,790 --> 00:05:01,199

start out if you maybe could give us a

38

00:05:05,430 --> 00:05:02,800

little bit some information about

39

00:05:07,430 --> 00:05:05,440

yourself and then maybe about how you

40

00:05:08,790 --> 00:05:07,440

started out or how you came about to to

41

00:05:10,710 --> 00:05:08,800

write the book and then we'll go from

42

00:05:12,870 --> 00:05:10,720

there

43

00:05:15,430 --> 00:05:12,880

um okay i

44

00:05:18,230 --> 00:05:15,440

have had multiple careers

45

00:05:19,430 --> 00:05:18,240

over my lifetime probably five major

46

00:05:20,950 --> 00:05:19,440

careers

47

00:05:23,590 --> 00:05:20,960

in various

48

00:05:25,029 --> 00:05:23,600

fields i started out as an engineer

49

00:05:27,749 --> 00:05:25,039

for chrysler

50

00:05:30,390 --> 00:05:27,759

i became an educational consultant after

51  
00:05:33,430 --> 00:05:30,400  
that worked at that for like 18 years

52  
00:05:35,749 --> 00:05:33,440  
trying to change the school system

53  
00:05:37,029 --> 00:05:35,759  
and then i i became a naturopathic

54  
00:05:39,670 --> 00:05:37,039  
physician

55  
00:05:42,070 --> 00:05:39,680  
and from there i began

56  
00:05:44,070 --> 00:05:42,080  
i really began focusing on

57  
00:05:46,390 --> 00:05:44,080  
writing publishing i've always been a

58  
00:05:49,270 --> 00:05:46,400  
farmer and a gardener

59  
00:05:51,510 --> 00:05:49,280  
because i i grew up that way

60  
00:05:53,270 --> 00:05:51,520  
and so now i'm a publisher and a

61  
00:05:56,230 --> 00:05:53,280  
consultant and

62  
00:05:57,510 --> 00:05:56,240  
have a patreon channel and a bunch of

63  
00:06:00,230 --> 00:05:57,520

of uh

64

00:06:01,510 --> 00:06:00,240

you know stuff on youtube and various

65

00:06:03,029 --> 00:06:01,520

odyssey

66

00:06:05,830 --> 00:06:03,039

stuff like that

67

00:06:07,990 --> 00:06:05,840

and the i think um the thing that

68

00:06:09,909 --> 00:06:08,000

triggered the change from engineering

69

00:06:13,029 --> 00:06:09,919

which i thought i was going to be an

70

00:06:15,909 --> 00:06:13,039

engineer forever was a full-blown

71

00:06:18,469 --> 00:06:15,919

spontaneous awakening of kundalini and

72

00:06:21,909 --> 00:06:18,479

when that occurs it changes everything

73

00:06:23,670 --> 00:06:21,919

about your life and so i

74

00:06:25,830 --> 00:06:23,680

uh ended up

75

00:06:29,590 --> 00:06:25,840

with this unlimited

76

00:06:32,309 --> 00:06:29,600

unbounded consciousness and um

77

00:06:34,870 --> 00:06:32,319

what you get in the process of dealing

78

00:06:37,749 --> 00:06:34,880

with that which was a long process

79

00:06:39,510 --> 00:06:37,759

is a different kind of perspective a

80

00:06:41,029 --> 00:06:39,520

different kind of awareness different

81

00:06:43,749 --> 00:06:41,039

skill set

82

00:06:46,950 --> 00:06:43,759

a lot of

83

00:06:49,350 --> 00:06:46,960

psychic skills i guess would be

84

00:06:50,950 --> 00:06:49,360

one of the things too

85

00:06:52,790 --> 00:06:50,960

that is really

86

00:06:55,189 --> 00:06:52,800

you have to learn how to use those

87

00:06:58,309 --> 00:06:55,199

skills in a wise way

88

00:07:00,710 --> 00:06:58,319

um but then became fascinated by

89

00:07:02,469 --> 00:07:00,720

consciousness and have been involved in

90

00:07:04,230 --> 00:07:02,479

research

91

00:07:05,670 --> 00:07:04,240

into consciousness and studying

92

00:07:07,469 --> 00:07:05,680

consciousness

93

00:07:09,990 --> 00:07:07,479

for probably

94

00:07:11,830 --> 00:07:10,000

43 years now

95

00:07:19,670 --> 00:07:11,840

so

96

00:07:21,909 --> 00:07:19,680

um do you mind in going into a little

97

00:07:24,469 --> 00:07:21,919

bit now about what brought about the

98

00:07:28,309 --> 00:07:24,479

writing of the book ropes

99

00:07:30,390 --> 00:07:28,319

i know i think that's um that's very

100

00:07:33,749 --> 00:07:30,400

appropriate people always ask

101  
00:07:36,390 --> 00:07:33,759  
um you know who are the robes well

102  
00:07:37,350 --> 00:07:36,400  
in the early days of kundalini when you

103  
00:07:39,510 --> 00:07:37,360  
have

104  
00:07:40,790 --> 00:07:39,520  
absolutely no boundaries on your

105  
00:07:43,029 --> 00:07:40,800  
consciousness

106  
00:07:45,270 --> 00:07:43,039  
what i experienced was this group of

107  
00:07:45,990 --> 00:07:45,280  
little men in brown robes about seven of

108  
00:07:47,350 --> 00:07:46,000  
them

109  
00:07:49,909 --> 00:07:47,360  
not very tall

110  
00:07:54,230 --> 00:07:49,919  
very

111  
00:07:55,670 --> 00:07:54,240  
lighted they were they had this glow

112  
00:07:56,869 --> 00:07:55,680  
around them they would appear and

113  
00:07:59,589 --> 00:07:56,879

disappear

114

00:08:02,469 --> 00:07:59,599

from my kitchen or my living room and

115

00:08:04,150 --> 00:08:02,479

they always

116

00:08:05,110 --> 00:08:04,160

showed me pictures and that was the

117

00:08:09,670 --> 00:08:05,120

first

118

00:08:11,589 --> 00:08:09,680

they appeared was we have some pictures

119

00:08:13,749 --> 00:08:11,599

we would like to show you and i'm like

120

00:08:15,990 --> 00:08:13,759

freaking out

121

00:08:18,150 --> 00:08:16,000

but eventually i think by about the

122

00:08:20,070 --> 00:08:18,160

third visit i agreed to

123

00:08:21,589 --> 00:08:20,080

look at the pictures thinking they would

124

00:08:23,749 --> 00:08:21,599

go away

125

00:08:26,790 --> 00:08:23,759

and that did not occur and i was so

126

00:08:29,189 --> 00:08:26,800

blown away by what they showed me

127

00:08:33,430 --> 00:08:29,199

over the next year and a half

128

00:08:39,589 --> 00:08:37,269

80 and part of 81

129

00:08:40,630 --> 00:08:39,599

first half of 81

130

00:08:44,070 --> 00:08:40,640

that

131

00:08:47,750 --> 00:08:44,080

they were appearing showing me detailed

132

00:08:50,150 --> 00:08:47,760

pictures of what was coming in our world

133

00:08:52,870 --> 00:08:50,160

and um and then all of a sudden they

134

00:08:55,829 --> 00:08:52,880

disappeared after a couple years i

135

00:08:58,870 --> 00:08:55,839

didn't and i was relieved

136

00:09:03,269 --> 00:08:58,880

because i was having such difficulty

137

00:09:04,310 --> 00:09:03,279

managing my perception and consciousness

138

00:09:08,470 --> 00:09:04,320

that

139

00:09:12,310 --> 00:09:08,480

adding to the burden

140

00:09:13,910 --> 00:09:12,320

of of what i was knowing which was a lot

141

00:09:16,150 --> 00:09:13,920

and um

142

00:09:18,630 --> 00:09:16,160

about 11 years later

143

00:09:20,230 --> 00:09:18,640

out of the blue with no warning they

144

00:09:23,350 --> 00:09:20,240

showed up and said we want you to write

145

00:09:24,870 --> 00:09:23,360

down what we showed you and i was not

146

00:09:27,829 --> 00:09:24,880

very

147

00:09:30,949 --> 00:09:27,839

uh willing to do that i didn't think i

148

00:09:31,910 --> 00:09:30,959

could do a good job i'd ended up

149

00:09:37,750 --> 00:09:31,920

they

150

00:09:39,350 --> 00:09:37,760

started writing it took about six years

151  
00:09:40,550 --> 00:09:39,360  
of going back

152  
00:09:43,269 --> 00:09:40,560  
because

153  
00:09:45,990 --> 00:09:43,279  
it was difficult to translate telepathic

154  
00:09:47,670 --> 00:09:46,000  
and experiential information into

155  
00:09:49,750 --> 00:09:47,680  
conversation

156  
00:09:51,829 --> 00:09:49,760  
and that

157  
00:09:53,070 --> 00:09:51,839  
is how the book was written i think it

158  
00:09:56,470 --> 00:09:53,080  
came out in

159  
00:09:58,470 --> 00:09:56,480  
96 or 97 the first version

160  
00:09:59,590 --> 00:09:58,480  
was not very public i didn't want to

161  
00:10:01,269 --> 00:09:59,600  
publish it

162  
00:10:03,590 --> 00:10:01,279  
um because i thought people would think

163  
00:10:04,470 --> 00:10:03,600

i was nuts

164

00:10:05,509 --> 00:10:04,480

and

165

00:10:07,509 --> 00:10:05,519

uh

166

00:10:10,230 --> 00:10:07,519

and some things happened

167

00:10:12,870 --> 00:10:10,240

that convinced me i should publish it

168

00:10:15,030 --> 00:10:12,880

and it just took off and without a

169

00:10:18,949 --> 00:10:15,040

single bit of advertising

170

00:10:20,790 --> 00:10:18,959

has remained my top seller and i think

171

00:10:21,990 --> 00:10:20,800

most helpful

172

00:10:23,750 --> 00:10:22,000

book

173

00:10:26,389 --> 00:10:23,760

for people who are wanting to see the

174

00:10:27,990 --> 00:10:26,399

future and know what's coming

175

00:10:30,069 --> 00:10:28,000

it's all in there

176  
00:10:31,750 --> 00:10:30,079  
it's really

177  
00:10:34,069 --> 00:10:31,760  
in some ways

178  
00:10:36,949 --> 00:10:34,079  
they said we want you to

179  
00:10:39,910 --> 00:10:36,959  
see this um and share this with people

180  
00:10:42,470 --> 00:10:39,920  
because if you don't have a picture of

181  
00:10:44,389 --> 00:10:42,480  
what's coming and you don't have an idea

182  
00:10:46,150 --> 00:10:44,399  
of what you could create

183  
00:10:48,150 --> 00:10:46,160  
then all you're gonna see is death and

184  
00:10:49,430 --> 00:10:48,160  
destruction

185  
00:10:51,590 --> 00:10:49,440  
and uh

186  
00:10:53,829 --> 00:10:51,600  
here we are

187  
00:10:56,550 --> 00:10:53,839  
so uh forgive me maybe i maybe i missed

188  
00:10:59,430 --> 00:10:56,560

it is it basically this this happened

189

00:11:02,069 --> 00:10:59,440

because of your kundalini opening or

190

00:11:04,949 --> 00:11:02,079

just because you were open for this kind

191

00:11:06,550 --> 00:11:04,959

of thing to to happen or was did you

192

00:11:09,269 --> 00:11:06,560

determine later on that there was

193

00:11:11,269 --> 00:11:09,279

another specific reason why why this

194

00:11:15,110 --> 00:11:11,279

meeting occurred

195

00:11:17,509 --> 00:11:15,120

um no i was not the least bit open

196

00:11:19,750 --> 00:11:17,519

i was terrified

197

00:11:22,470 --> 00:11:19,760

it was a result of kundalini what i

198

00:11:25,990 --> 00:11:22,480

discovered later or figured out later

199

00:11:27,430 --> 00:11:26,000

was that there are beings who make it

200

00:11:30,790 --> 00:11:27,440

their business

201  
00:11:33,350 --> 00:11:30,800  
to show up and help

202  
00:11:36,630 --> 00:11:33,360  
people who have had a sudden

203  
00:11:38,790 --> 00:11:36,640  
or massive awakening of consciousness

204  
00:11:41,430 --> 00:11:38,800  
and they try to

205  
00:11:43,350 --> 00:11:41,440  
stabilize they try to teach they tried

206  
00:11:47,990 --> 00:11:43,360  
to explain

207  
00:11:49,110 --> 00:11:48,000  
the world as it is and um and that's

208  
00:11:50,710 --> 00:11:49,120  
there were

209  
00:11:51,829 --> 00:11:50,720  
quite a few visits they didn't come

210  
00:11:54,790 --> 00:11:51,839  
every day

211  
00:11:57,430 --> 00:11:54,800  
but they they were probably

212  
00:12:00,150 --> 00:11:57,440  
uh i think i wrote about 16 visits there

213  
00:12:01,750 --> 00:12:00,160

were several other visits that were just

214

00:12:03,030 --> 00:12:01,760

educational

215

00:12:04,470 --> 00:12:03,040

where they were teaching me about

216

00:12:07,910 --> 00:12:04,480

frequencies

217

00:12:10,389 --> 00:12:07,920

and the um and some of the techniques

218

00:12:12,949 --> 00:12:10,399

and things like that but i was pretty

219

00:12:15,509 --> 00:12:12,959

closed in the beginning i wasn't the

220

00:12:17,350 --> 00:12:15,519

least bit interested in the future i

221

00:12:19,590 --> 00:12:17,360

wasn't the least bit interested in

222

00:12:21,670 --> 00:12:19,600

anything to do with

223

00:12:23,910 --> 00:12:21,680

metaphysical stuff

224

00:12:26,150 --> 00:12:23,920

i wasn't the least bit interested in

225

00:12:28,790 --> 00:12:26,160

taking responsibility for my life which

226

00:12:31,030 --> 00:12:28,800

is what they kept insisting on

227

00:12:33,590 --> 00:12:31,040

and it was a slow

228

00:12:36,069 --> 00:12:33,600

grinding

229

00:12:38,949 --> 00:12:36,079

maturation process

230

00:12:41,269 --> 00:12:38,959

that occurred it took 17 years for me to

231

00:12:42,310 --> 00:12:41,279

integrate the whole kundalini

232

00:12:44,629 --> 00:12:42,320

thing

233

00:12:47,829 --> 00:12:44,639

and the robes

234

00:12:49,750 --> 00:12:47,839

were very much a part of those early

235

00:12:52,069 --> 00:12:49,760

years of that

236

00:12:54,230 --> 00:12:52,079

um so

237

00:12:57,269 --> 00:12:54,240

yeah that's uh

238

00:12:59,110 --> 00:12:57,279

you can get interested in all this stuff

239

00:13:01,590 --> 00:12:59,120

but if you

240

00:13:03,269 --> 00:13:01,600

when you have a kundalini experience

241

00:13:04,790 --> 00:13:03,279

um you're in it whether you're

242

00:13:07,509 --> 00:13:04,800

interested or not

243

00:13:09,430 --> 00:13:07,519

because it's happening to you

244

00:13:11,190 --> 00:13:09,440

so you don't have to uh go into this

245

00:13:13,829 --> 00:13:11,200

quite quite yet but just out of

246

00:13:15,910 --> 00:13:13,839

curiosity so did this result in other

247

00:13:18,150 --> 00:13:15,920

contexts in the future coming up in the

248

00:13:19,030 --> 00:13:18,160

future was was were they pretty much

249

00:13:24,150 --> 00:13:19,040

your

250

00:13:26,230 --> 00:13:24,160

um

251  
00:13:27,910 --> 00:13:26,240  
i'm not sure i understand what you mean

252  
00:13:28,790 --> 00:13:27,920  
other contacts

253  
00:13:31,269 --> 00:13:28,800  
um

254  
00:13:33,590 --> 00:13:31,279  
did you only interact with them as uh as

255  
00:13:35,910 --> 00:13:33,600  
this progressed or that or was there

256  
00:13:37,590 --> 00:13:35,920  
then other interactions that resulted

257  
00:13:38,949 --> 00:13:37,600  
out of this maybe to some other beings

258  
00:13:39,990 --> 00:13:38,959  
that's what i mean

259  
00:13:42,389 --> 00:13:40,000  
yeah

260  
00:13:45,030 --> 00:13:42,399  
there were a lot of others i now

261  
00:13:48,389 --> 00:13:45,040  
maintain relationships and interactions

262  
00:13:50,870 --> 00:13:48,399  
with people and beings and forms of

263  
00:13:53,509 --> 00:13:50,880

consciousness in many dimensions

264

00:13:55,990 --> 00:13:53,519

of existence and that includes plants

265

00:13:58,470 --> 00:13:56,000

and animals and

266

00:14:00,550 --> 00:13:58,480

um everything is conscious everything

267

00:14:04,150 --> 00:14:00,560

can be communicated with

268

00:14:07,750 --> 00:14:04,160

and there's a um

269

00:14:10,310 --> 00:14:07,760

i there's a whole world of other people

270

00:14:12,310 --> 00:14:10,320

out there other humanoid beings out

271

00:14:15,189 --> 00:14:12,320

there

272

00:14:16,470 --> 00:14:15,199

having life experiences

273

00:14:19,670 --> 00:14:16,480

etc

274

00:14:22,710 --> 00:14:19,680

and so i do have

275

00:14:24,629 --> 00:14:22,720

one of the things that occurs when

276

00:14:25,670 --> 00:14:24,639

you have a full-blown kundalini

277

00:14:29,430 --> 00:14:25,680

experience

278

00:14:30,470 --> 00:14:29,440

is that you are aware immediately almost

279

00:14:33,030 --> 00:14:30,480

immediately

280

00:14:35,750 --> 00:14:33,040

of all of your past lives everywhere

281

00:14:39,430 --> 00:14:35,760

you've been other

282

00:14:42,230 --> 00:14:39,440

planetary systems other reality systems

283

00:14:43,509 --> 00:14:42,240

and so one of the things that became

284

00:14:46,389 --> 00:14:43,519

very clear

285

00:14:48,069 --> 00:14:46,399

early on that i really struggled with

286

00:14:50,470 --> 00:14:48,079

was the

287

00:14:51,350 --> 00:14:50,480

the fact that i was here sort of on a

288

00:14:52,790 --> 00:14:51,360

mission

289

00:14:54,470 --> 00:14:52,800

and uh

290

00:14:56,069 --> 00:14:54,480

very

291

00:14:58,790 --> 00:14:56,079

intensely

292

00:14:59,990 --> 00:14:58,800

interested in a particular outcome

293

00:15:03,110 --> 00:15:00,000

and that

294

00:15:05,269 --> 00:15:03,120

that mission really if i put it in

295

00:15:07,910 --> 00:15:05,279

just a small sentence

296

00:15:09,829 --> 00:15:07,920

it was to teach people about the

297

00:15:12,150 --> 00:15:09,839

the mind and consciousness to teach the

298

00:15:14,629 --> 00:15:12,160

world about the mind and consciousness

299

00:15:16,389 --> 00:15:14,639

because we need to expand our

300

00:15:18,710 --> 00:15:16,399

consciousness

301  
00:15:19,990 --> 00:15:18,720  
in order to create a different kind of

302  
00:15:21,829 --> 00:15:20,000  
world

303  
00:15:24,470 --> 00:15:21,839  
you know you've heard the saying that

304  
00:15:27,110 --> 00:15:24,480  
you can't solve a problem at the same

305  
00:15:29,910 --> 00:15:27,120  
level of consciousness that created it

306  
00:15:32,470 --> 00:15:29,920  
well you can't build a new world at the

307  
00:15:36,949 --> 00:15:32,480  
same level of consciousness that created

308  
00:15:39,030 --> 00:15:36,959  
that world and so my particular goal

309  
00:15:41,030 --> 00:15:39,040  
and i'm not the only one there's a group

310  
00:15:42,629 --> 00:15:41,040  
quite a large group of us that are here

311  
00:15:45,990 --> 00:15:42,639  
working

312  
00:15:47,749 --> 00:15:46,000  
was to really expand consciousness in

313  
00:15:49,990 --> 00:15:47,759

order to

314

00:15:53,189 --> 00:15:50,000

make it through this transition it's a

315

00:15:56,790 --> 00:15:53,199

huge transition that we're going through

316

00:16:00,949 --> 00:15:56,800

and be able to build an entirely new

317

00:16:02,710 --> 00:16:00,959

um system an entirely new reality system

318

00:16:04,550 --> 00:16:02,720

so thank you very much for clarifying

319

00:16:06,389 --> 00:16:04,560

that i would definitely get into that

320

00:16:08,389 --> 00:16:06,399

with you as well but i just please

321

00:16:10,550 --> 00:16:08,399

wanted before we move on i wanted to you

322

00:16:13,189 --> 00:16:10,560

know ask about that and establish that

323

00:16:15,350 --> 00:16:13,199

so uh before everyone else starts

324

00:16:17,189 --> 00:16:15,360

cussing me out you know because they'll

325

00:16:19,110 --> 00:16:17,199

be probably anxious about hearing about

326

00:16:21,269 --> 00:16:19,120

what it is that they showed you if you

327

00:16:24,389 --> 00:16:21,279

don't mind please you know get into as

328

00:16:25,829 --> 00:16:24,399

much detail about that as you can

329

00:16:28,310 --> 00:16:25,839

um

330

00:16:31,189 --> 00:16:28,320

okay they showed me everything

331

00:16:32,949 --> 00:16:31,199

um it it started out the very first

332

00:16:37,749 --> 00:16:32,959

thing i saw

333

00:16:40,310 --> 00:16:37,759

was that um there was the planet rolled

334

00:16:43,030 --> 00:16:40,320

just a little bit it bobbed around just

335

00:16:45,030 --> 00:16:43,040

a little bit and that caused a huge

336

00:16:48,230 --> 00:16:45,040

amount of destruction

337

00:16:49,269 --> 00:16:48,240

uh along coastlines i

338

00:16:52,069 --> 00:16:49,279

just

339

00:16:54,870 --> 00:16:52,079

kind of freaked out at that whole thing

340

00:16:55,829 --> 00:16:54,880

um and they said in that very first

341

00:16:58,310 --> 00:16:55,839

meeting

342

00:17:00,870 --> 00:16:58,320

um you really ought to rethink the way

343

00:17:02,870 --> 00:17:00,880

that you

344

00:17:06,150 --> 00:17:02,880

create power

345

00:17:08,789 --> 00:17:06,160

um hang on a second i got a cat that's

346

00:17:11,029 --> 00:17:08,799

um insisting on some attention here okay

347

00:17:11,990 --> 00:17:11,039

that's all right so um

348

00:17:12,949 --> 00:17:12,000

so

349

00:17:19,029 --> 00:17:12,959

they

350

00:17:21,510 --> 00:17:19,039

with me forever are you certain that the

351

00:17:24,549 --> 00:17:21,520

electrical grid that you have is the

352

00:17:26,789 --> 00:17:24,559

best way to deliver power to people are

353

00:17:30,230 --> 00:17:26,799

you sure that the high dam

354

00:17:31,110 --> 00:17:30,240

is the best way to generate electricity

355

00:17:33,029 --> 00:17:31,120

um

356

00:17:34,630 --> 00:17:33,039

and and that

357

00:17:36,950 --> 00:17:34,640

was for me

358

00:17:39,990 --> 00:17:36,960

something that was really very

359

00:17:41,909 --> 00:17:40,000

um kind of set me back on my heels it's

360

00:17:44,830 --> 00:17:41,919

like well what else is there so we

361

00:17:46,390 --> 00:17:44,840

started with this view of what

362

00:17:50,470 --> 00:17:46,400

um

363

00:17:53,909 --> 00:17:50,480

like what was gonna happen sort of macro

364

00:17:55,669 --> 00:17:53,919

earth kind of thing and then we went to

365

00:17:59,430 --> 00:17:55,679

government stuff

366

00:18:03,909 --> 00:17:59,440

um and the united states and the world

367

00:18:06,870 --> 00:18:03,919

um and it wasn't good i saw a lot

368

00:18:09,029 --> 00:18:06,880

of destruction i saw

369

00:18:11,110 --> 00:18:09,039

the world trade centers going down and

370

00:18:13,990 --> 00:18:11,120

that was like one of the key

371

00:18:15,590 --> 00:18:14,000

and i saw both of the bombings of the

372

00:18:17,270 --> 00:18:15,600

world trade center the first one that

373

00:18:19,190 --> 00:18:17,280

didn't do much and then the second one

374

00:18:20,470 --> 00:18:19,200

that destroyed everything

375

00:18:22,710 --> 00:18:20,480

um

376

00:18:25,750 --> 00:18:22,720

and they said point blank your

377

00:18:28,710 --> 00:18:25,760

government is going to go down your

378

00:18:31,909 --> 00:18:28,720

country is going to break up i saw the

379

00:18:34,789 --> 00:18:31,919

regions that would that would break away

380

00:18:37,909 --> 00:18:34,799

first and it was up in the northwest

381

00:18:38,950 --> 00:18:37,919

um and they talked about the government

382

00:18:44,310 --> 00:18:38,960

and

383

00:18:45,430 --> 00:18:44,320

another statement that really stuck in

384

00:18:48,470 --> 00:18:45,440

my mind

385

00:18:50,070 --> 00:18:48,480

was you've outgrown your system

386

00:18:52,310 --> 00:18:50,080

of democracy

387

00:18:54,470 --> 00:18:52,320

you've outgrown your your entire

388

00:18:56,789 --> 00:18:54,480

organizational system

389

00:18:58,150 --> 00:18:56,799

and i was like what do you mean there's

390

00:19:05,110 --> 00:18:58,160

no

391

00:19:06,310 --> 00:19:05,120

true

392

00:19:08,070 --> 00:19:06,320

um

393

00:19:09,270 --> 00:19:08,080

and they said the whole thing has been

394

00:19:11,750 --> 00:19:09,280

corrupted

395

00:19:13,669 --> 00:19:11,760

it's become unworkable

396

00:19:15,270 --> 00:19:13,679

you cannot

397

00:19:18,390 --> 00:19:15,280

expect to

398

00:19:21,590 --> 00:19:18,400

for a democracy to serve that many

399

00:19:25,270 --> 00:19:21,600

people you're going to have to break up

400

00:19:27,029 --> 00:19:25,280

and i was that frightened me that was uh

401  
00:19:30,150 --> 00:19:27,039  
upsetting

402  
00:19:31,190 --> 00:19:30,160  
and yet i saw a lot of the details of

403  
00:19:32,310 --> 00:19:31,200  
that

404  
00:19:33,510 --> 00:19:32,320  
um

405  
00:19:42,630 --> 00:19:33,520  
the

406  
00:19:44,710 --> 00:19:42,640  
courts were not working and how

407  
00:19:47,669 --> 00:19:44,720  
we didn't have leaders

408  
00:19:48,549 --> 00:19:47,679  
and so all of that i wrote about all of

409  
00:19:50,950 --> 00:19:48,559  
that

410  
00:19:52,390 --> 00:19:50,960  
um and they went into quite a bit of

411  
00:19:54,789 --> 00:19:52,400  
detail

412  
00:19:57,510 --> 00:19:54,799  
about that whole breakup in the

413  
00:19:59,909 --> 00:19:57,520

government and etc etc they went into a

414

00:20:03,430 --> 00:19:59,919

lot of detail about business

415

00:20:06,310 --> 00:20:03,440

um and that we were going to be

416

00:20:08,230 --> 00:20:06,320

dumped into the lap of nature and that

417

00:20:09,750 --> 00:20:08,240

we would have to become more

418

00:20:11,750 --> 00:20:09,760

self-sufficient

419

00:20:12,870 --> 00:20:11,760

and that if we didn't reconnect with

420

00:20:15,110 --> 00:20:12,880

nature

421

00:20:17,669 --> 00:20:15,120

we would not survive

422

00:20:19,750 --> 00:20:17,679

period i mean they were just that point

423

00:20:22,710 --> 00:20:19,760

blank about it and there were two

424

00:20:25,510 --> 00:20:22,720

reasons for connecting with nature

425

00:20:28,630 --> 00:20:25,520

one was because we needed to

426  
00:20:31,029 --> 00:20:28,640  
know how to survive in the lab of nature

427  
00:20:32,549 --> 00:20:31,039  
and they suggested that all education

428  
00:20:35,270 --> 00:20:32,559  
for children be

429  
00:20:38,070 --> 00:20:35,280  
first about how to survive in the

430  
00:20:41,430 --> 00:20:38,080  
natural world grow food

431  
00:20:44,310 --> 00:20:41,440  
build things fix things create things

432  
00:20:46,630 --> 00:20:44,320  
etc etc

433  
00:20:49,110 --> 00:20:46,640  
and the other reason was because nature

434  
00:20:51,830 --> 00:20:49,120  
we needed to connect with nature because

435  
00:20:53,590 --> 00:20:51,840  
they said she has all the secrets

436  
00:20:55,990 --> 00:20:53,600  
all of the secrets

437  
00:20:57,270 --> 00:20:56,000  
this and those were the secrets of how

438  
00:20:58,870 --> 00:20:57,280

things worked

439

00:21:00,870 --> 00:20:58,880

propulsion

440

00:21:02,549 --> 00:21:00,880

everything that we needed to know in

441

00:21:04,470 --> 00:21:02,559

terms of

442

00:21:08,310 --> 00:21:04,480

working with

443

00:21:11,190 --> 00:21:08,320

other forms of material

444

00:21:14,630 --> 00:21:11,200

and that that would allow us eventually

445

00:21:17,669 --> 00:21:14,640

to get off the planet

446

00:21:20,070 --> 00:21:17,679

there was a lot of stuff that

447

00:21:22,070 --> 00:21:20,080

they said about health

448

00:21:24,149 --> 00:21:22,080

i saw the

449

00:21:26,310 --> 00:21:24,159

what we're going through right now and

450

00:21:27,430 --> 00:21:26,320

the fact that government was going to

451  
00:21:30,230 --> 00:21:27,440  
try

452  
00:21:33,029 --> 00:21:30,240  
to legislate health and they were going

453  
00:21:35,270 --> 00:21:33,039  
to try to

454  
00:21:37,029 --> 00:21:35,280  
keep us you know from

455  
00:21:39,190 --> 00:21:37,039  
doing what we needed to do that we

456  
00:21:43,110 --> 00:21:39,200  
wouldn't be allowed to get into public

457  
00:21:45,750 --> 00:21:43,120  
places unless we could prove that we had

458  
00:21:48,549 --> 00:21:45,760  
some you know that we were healthy and

459  
00:21:49,510 --> 00:21:48,559  
and i saw people fiddling with paperwork

460  
00:21:50,630 --> 00:21:49,520  
that

461  
00:21:52,390 --> 00:21:50,640  
um

462  
00:21:54,950 --> 00:21:52,400  
that proof that they were healthy or

463  
00:21:56,950 --> 00:21:54,960

they thought proof they were healthy and

464

00:21:58,789 --> 00:21:56,960

that was a disaster and that did not

465

00:22:02,950 --> 00:21:58,799

work in the long run

466

00:22:05,110 --> 00:22:02,960

um there was revolt i saw the revolt

467

00:22:08,549 --> 00:22:05,120

they said

468

00:22:11,029 --> 00:22:08,559

i'll paraphrase it a little bit

469

00:22:13,110 --> 00:22:11,039

there will come a time when your old

470

00:22:18,070 --> 00:22:13,120

people will be so sick

471

00:22:22,549 --> 00:22:18,080

and the people in the middle

472

00:22:23,909 --> 00:22:22,559

will be so stretched trying to care for

473

00:22:27,270 --> 00:22:23,919

and nurse

474

00:22:28,789 --> 00:22:27,280

and keep everything working

475

00:22:31,909 --> 00:22:28,799

that

476  
00:22:34,230 --> 00:22:31,919  
when the time for taxes came around

477  
00:22:37,270 --> 00:22:34,240  
um in april

478  
00:22:39,510 --> 00:22:37,280  
they would people would just say

479  
00:22:42,549 --> 00:22:39,520  
don't bother me with paperwork right now

480  
00:22:43,830 --> 00:22:42,559  
and there would be almost no government

481  
00:22:45,830 --> 00:22:43,840  
left

482  
00:22:47,750 --> 00:22:45,840  
to

483  
00:22:51,430 --> 00:22:47,760  
collect taxes

484  
00:22:53,430 --> 00:22:51,440  
the government was struggling mightily

485  
00:22:55,510 --> 00:22:53,440  
and what i saw was that there was no

486  
00:22:59,430 --> 00:22:55,520  
sudden collapse

487  
00:23:01,830 --> 00:22:59,440  
of government there was this um

488  
00:23:03,990 --> 00:23:01,840

okay down okay okay we're back up trying

489

00:23:07,029 --> 00:23:04,000

to put some things together but on a

490

00:23:09,430 --> 00:23:07,039

smaller basis okay down again

491

00:23:11,669 --> 00:23:09,440

and then people pulling it back together

492

00:23:14,870 --> 00:23:11,679

trying to make something work on even

493

00:23:15,669 --> 00:23:14,880

smaller bases and eventually um there

494

00:23:16,950 --> 00:23:15,679

were

495

00:23:19,590 --> 00:23:16,960

regions

496

00:23:21,029 --> 00:23:19,600

and this all power reverted to the

497

00:23:24,149 --> 00:23:21,039

states

498

00:23:26,789 --> 00:23:24,159

in the u.s all power reverted to the

499

00:23:28,710 --> 00:23:26,799

nation states in the eu

500

00:23:30,149 --> 00:23:28,720

um and that

501  
00:23:31,110 --> 00:23:30,159  
all of that

502  
00:23:33,669 --> 00:23:31,120  
um

503  
00:23:36,549 --> 00:23:33,679  
russia broke up i saw that

504  
00:23:40,230 --> 00:23:36,559  
um and they said if uh

505  
00:23:42,310 --> 00:23:40,240  
if if uh what gorbachev didn't pull the

506  
00:23:44,870 --> 00:23:42,320  
plug on russia

507  
00:23:47,750 --> 00:23:44,880  
then the whole the whole earth was going

508  
00:23:50,630 --> 00:23:47,760  
to collapse and that we had a chance if

509  
00:23:53,909 --> 00:23:50,640  
gorbachev played his role correctly

510  
00:23:55,510 --> 00:23:53,919  
and broke up the ussr

511  
00:23:58,950 --> 00:23:55,520  
and he did

512  
00:24:00,390 --> 00:23:58,960  
and china will also go canada will also

513  
00:24:03,590 --> 00:24:00,400

break up

514

00:24:05,510 --> 00:24:03,600

and we will have a world

515

00:24:08,470 --> 00:24:05,520

where everybody

516

00:24:09,590 --> 00:24:08,480

is working to try to figure out okay how

517

00:24:13,750 --> 00:24:09,600

do we

518

00:24:15,669 --> 00:24:13,760

um you know what are the common

519

00:24:16,630 --> 00:24:15,679

principles that we

520

00:24:19,350 --> 00:24:16,640

uh

521

00:24:21,029 --> 00:24:19,360

that we hold to be universal that we

522

00:24:24,230 --> 00:24:21,039

think are ethical

523

00:24:27,909 --> 00:24:24,240

um and good and that we can

524

00:24:29,990 --> 00:24:27,919

use to sort of govern ourselves um and

525

00:24:33,990 --> 00:24:30,000

and what i learned in the long run was

526  
00:24:35,510 --> 00:24:34,000  
that the bottom line for the next level

527  
00:24:38,470 --> 00:24:35,520  
of governance

528  
00:24:40,710 --> 00:24:38,480  
was what the robes referred to as some

529  
00:24:43,350 --> 00:24:40,720  
personal responsibility

530  
00:24:45,669 --> 00:24:43,360  
and a lot of communication

531  
00:24:47,110 --> 00:24:45,679  
i saw the internet before there was an

532  
00:24:50,470 --> 00:24:47,120  
internet

533  
00:24:52,870 --> 00:24:50,480  
and they talked about it as the um

534  
00:24:55,110 --> 00:24:52,880  
i think they called the global network

535  
00:24:57,430 --> 00:24:55,120  
and they said the global network may go

536  
00:24:59,669 --> 00:24:57,440  
down if it does put it back up because

537  
00:25:00,870 --> 00:24:59,679  
this is your

538  
00:25:04,390 --> 00:25:00,880

means

539

00:25:07,029 --> 00:25:04,400

to be able to communicate and to

540

00:25:09,990 --> 00:25:07,039

make sure everyone is taken care of

541

00:25:12,950 --> 00:25:10,000

and at the time i thought

542

00:25:14,789 --> 00:25:12,960

okay not sure exactly what they're

543

00:25:16,630 --> 00:25:14,799

talking about

544

00:25:17,750 --> 00:25:16,640

but um

545

00:25:20,870 --> 00:25:17,760

you know i

546

00:25:24,870 --> 00:25:20,880

i have been on the internet

547

00:25:25,909 --> 00:25:24,880

since 1982 immediately after i

548

00:25:27,990 --> 00:25:25,919

um

549

00:25:30,149 --> 00:25:28,000

you know the robes stopped coming around

550

00:25:32,070 --> 00:25:30,159

and my life changed and i was finally

551  
00:25:36,789 --> 00:25:32,080  
starting to get it together

552  
00:25:39,269 --> 00:25:36,799  
um i joined uh an internet uh

553  
00:25:41,590 --> 00:25:39,279  
thing called the compuserve

554  
00:25:42,870 --> 00:25:41,600  
and that then mutated a whole bunch of

555  
00:25:44,630 --> 00:25:42,880  
times and

556  
00:25:47,190 --> 00:25:44,640  
here we are today

557  
00:25:49,590 --> 00:25:47,200  
with this massive amazing

558  
00:25:52,390 --> 00:25:49,600  
communication system that symbolizes

559  
00:25:54,549 --> 00:25:52,400  
telepathic communication among all

560  
00:25:56,870 --> 00:25:54,559  
peoples on the earth

561  
00:25:59,350 --> 00:25:56,880  
and they said that don't let that go

562  
00:26:01,669 --> 00:25:59,360  
down that is absolutely essential if it

563  
00:26:04,789 --> 00:26:01,679

goes down put it back up

564

00:26:07,590 --> 00:26:04,799

so there were other things things about

565

00:26:08,310 --> 00:26:07,600

um how we lived as families

566

00:26:09,430 --> 00:26:08,320

uh

567

00:26:16,789 --> 00:26:09,440

the

568

00:26:19,269 --> 00:26:16,799

neighborhoods

569

00:26:21,430 --> 00:26:19,279

a huge amount of people left the east

570

00:26:23,350 --> 00:26:21,440

coast and gathered in the center of the

571

00:26:26,710 --> 00:26:23,360

country

572

00:26:29,269 --> 00:26:26,720

there was a um

573

00:26:31,350 --> 00:26:29,279

the family business neighborhoods were

574

00:26:32,230 --> 00:26:31,360

any where some of them were kind of

575

00:26:34,470 --> 00:26:32,240

small

576  
00:26:35,750 --> 00:26:34,480  
200 people but some of them were like a

577  
00:26:39,269 --> 00:26:35,760  
whole town

578  
00:26:40,470 --> 00:26:39,279  
20 or 2 000 people

579  
00:26:42,630 --> 00:26:40,480  
and then there were some people who

580  
00:26:43,750 --> 00:26:42,640  
didn't belong who didn't who refused to

581  
00:26:45,830 --> 00:26:43,760  
go in

582  
00:26:48,470 --> 00:26:45,840  
with to work with a family and these

583  
00:26:50,310 --> 00:26:48,480  
families were not blood related they

584  
00:26:53,110 --> 00:26:50,320  
were

585  
00:26:54,710 --> 00:26:53,120  
mindset related

586  
00:26:55,830 --> 00:26:54,720  
and they referred to themselves as

587  
00:26:58,470 --> 00:26:55,840  
families

588  
00:27:00,710 --> 00:26:58,480

and they educated their children there

589

00:27:05,269 --> 00:27:00,720

was a whole new medical system i watched

590

00:27:07,350 --> 00:27:05,279

that i watched the new education system

591

00:27:09,510 --> 00:27:07,360

there were no cars

592

00:27:12,549 --> 00:27:09,520

there were no airplanes

593

00:27:14,870 --> 00:27:12,559

um however there was some sort of there

594

00:27:19,350 --> 00:27:14,880

were two things i saw quite

595

00:27:22,549 --> 00:27:19,360

quite a bit of detail on one was this

596

00:27:25,029 --> 00:27:22,559

delivery system that can that sort of

597

00:27:27,830 --> 00:27:25,039

snaked through the countryside it was a

598

00:27:30,549 --> 00:27:27,840

monorail with a large

599

00:27:32,870 --> 00:27:30,559

box on it that

600

00:27:35,510 --> 00:27:32,880

traveled using electromagnetics or

601  
00:27:37,430 --> 00:27:35,520  
something i think it was electromagnetic

602  
00:27:40,310 --> 00:27:37,440  
um and that you could ship stuff to

603  
00:27:41,990 --> 00:27:40,320  
different family groups or

604  
00:27:44,870 --> 00:27:42,000  
you know some people were a lot of

605  
00:27:46,950 --> 00:27:44,880  
people engaged in research all work was

606  
00:27:49,830 --> 00:27:46,960  
done over the internet

607  
00:27:51,750 --> 00:27:49,840  
the and the rest of it was done in the

608  
00:27:53,350 --> 00:27:51,760  
family businesses

609  
00:27:57,310 --> 00:27:53,360  
who then

610  
00:28:00,950 --> 00:27:57,320  
tried to preserve some aspect um

611  
00:28:02,950 --> 00:28:00,960  
a lot of new technology

612  
00:28:04,310 --> 00:28:02,960  
so there was medical technology that was

613  
00:28:06,149 --> 00:28:04,320

being created

614

00:28:08,389 --> 00:28:06,159

there was

615

00:28:09,510 --> 00:28:08,399

chemical technology that was being

616

00:28:13,510 --> 00:28:09,520

created

617

00:28:15,350 --> 00:28:13,520

there were new forms of

618

00:28:17,190 --> 00:28:15,360

i didn't say much about this in the book

619

00:28:18,310 --> 00:28:17,200

because i didn't think people would get

620

00:28:21,110 --> 00:28:18,320

it

621

00:28:22,710 --> 00:28:21,120

but there was a

622

00:28:24,230 --> 00:28:22,720

there were groups of people who were

623

00:28:25,830 --> 00:28:24,240

working to

624

00:28:29,909 --> 00:28:25,840

enhance

625

00:28:32,389 --> 00:28:29,919

the energy level of certain materials

626

00:28:36,389 --> 00:28:32,399

and then those materials gave us a

627

00:28:39,510 --> 00:28:36,399

doorway into all sorts of new kinds of

628

00:28:41,909 --> 00:28:39,520

of possibilities and options and

629

00:28:42,870 --> 00:28:41,919

technology and things like that

630

00:28:45,350 --> 00:28:42,880

um

631

00:28:47,350 --> 00:28:45,360

so lots of people were growing their own

632

00:28:49,909 --> 00:28:47,360

food nobody trusted

633

00:28:51,590 --> 00:28:49,919

um anybody to feed them

634

00:28:52,470 --> 00:28:51,600

a lot of people

635

00:28:53,909 --> 00:28:52,480

um

636

00:28:56,389 --> 00:28:53,919

we're heading into a period where a lot

637

00:28:59,190 --> 00:28:56,399

of people will not have enough to eat

638

00:29:01,909 --> 00:28:59,200

a lot of people died because not because

639

00:29:03,909 --> 00:29:01,919

they didn't have enough to eat

640

00:29:07,110 --> 00:29:03,919

um they had enough

641

00:29:09,430 --> 00:29:07,120

but it was so much less and of such

642

00:29:11,110 --> 00:29:09,440

different quality than what they were

643

00:29:14,710 --> 00:29:11,120

used to eating

644

00:29:16,710 --> 00:29:14,720

the food system had to generate it

645

00:29:19,750 --> 00:29:16,720

dramatically

646

00:29:20,549 --> 00:29:19,760

and so what killed a lot of people was

647

00:29:23,830 --> 00:29:20,559

the

648

00:29:26,470 --> 00:29:23,840

detox effect of losing 100 pounds

649

00:29:28,950 --> 00:29:26,480

and people not understanding how to

650

00:29:32,070 --> 00:29:28,960

detox themselves

651  
00:29:33,750 --> 00:29:32,080  
and there were various

652  
00:29:36,950 --> 00:29:33,760  
there was a collapse of the medical

653  
00:29:38,310 --> 00:29:36,960  
system absolute collapse so people were

654  
00:29:42,070 --> 00:29:38,320  
on their own

655  
00:29:43,669 --> 00:29:42,080  
for healing uh lots of challenges and

656  
00:29:45,269 --> 00:29:43,679  
then finally

657  
00:29:48,230 --> 00:29:45,279  
some settling

658  
00:29:51,350 --> 00:29:48,240  
a little bit a little bit at a time

659  
00:29:53,269 --> 00:29:51,360  
and uh it looks like there was a civil

660  
00:29:54,549 --> 00:29:53,279  
war happening i didn't say much about

661  
00:29:57,590 --> 00:29:54,559  
that

662  
00:30:00,389 --> 00:29:57,600  
or talked about in very general terms

663  
00:30:02,070 --> 00:30:00,399

they called it world war three

664

00:30:04,630 --> 00:30:02,080

and said everybody would be fighting

665

00:30:08,070 --> 00:30:04,640

everybody over everything

666

00:30:10,950 --> 00:30:08,080

um too much of this not enough of that

667

00:30:12,789 --> 00:30:10,960

different ideologies and very late we

668

00:30:14,950 --> 00:30:12,799

would discover that

669

00:30:15,830 --> 00:30:14,960

you know all that was just

670

00:30:17,830 --> 00:30:15,840

um

671

00:30:21,110 --> 00:30:17,840

absolutely silly

672

00:30:24,950 --> 00:30:21,120

um and so it was one of those

673

00:30:27,190 --> 00:30:24,960

uh periods of time where huge amounts of

674

00:30:29,350 --> 00:30:27,200

information were being dumped in

675

00:30:32,070 --> 00:30:29,360

about what we were going to go through

676  
00:30:35,350 --> 00:30:32,080  
and then um following that there was a

677  
00:30:36,389 --> 00:30:35,360  
huge amount of information about what we

678  
00:30:38,870 --> 00:30:36,399  
were

679  
00:30:40,630 --> 00:30:38,880  
going to end up creating

680  
00:30:43,830 --> 00:30:40,640  
what was possible

681  
00:30:45,110 --> 00:30:43,840  
um the new organizational forms of

682  
00:30:46,149 --> 00:30:45,120  
governance

683  
00:30:47,990 --> 00:30:46,159  
money

684  
00:30:49,669 --> 00:30:48,000  
medicine

685  
00:30:51,909 --> 00:30:49,679  
education

686  
00:30:53,830 --> 00:30:51,919  
food relationships

687  
00:30:56,149 --> 00:30:53,840  
birth and death

688  
00:30:59,350 --> 00:30:56,159

all sorts of things and so

689

00:31:01,269 --> 00:30:59,360

the first part of the book is difficult

690

00:31:04,310 --> 00:31:01,279

in that

691

00:31:06,789 --> 00:31:04,320

people have read and said oh oh my god

692

00:31:09,350 --> 00:31:06,799

um this is uh

693

00:31:11,509 --> 00:31:09,360

you know too much difficult information

694

00:31:12,310 --> 00:31:11,519

but then i get to the second half of the

695

00:31:15,830 --> 00:31:12,320

book

696

00:31:17,269 --> 00:31:15,840

um and they realize oh i'm i'm glad that

697

00:31:18,389 --> 00:31:17,279

i kept going

698

00:31:20,230 --> 00:31:18,399

because

699

00:31:22,149 --> 00:31:20,240

you need to have

700

00:31:24,710 --> 00:31:22,159

some idea

701  
00:31:26,870 --> 00:31:24,720  
of what we could create

702  
00:31:28,389 --> 00:31:26,880  
in order i think to get through this

703  
00:31:31,590 --> 00:31:28,399  
period of time

704  
00:31:32,389 --> 00:31:31,600  
so that's a sort of a synopsis

705  
00:31:34,470 --> 00:31:32,399  
okay

706  
00:31:37,590 --> 00:31:34,480  
well thank you for that that was

707  
00:31:39,830 --> 00:31:37,600  
wow a lot to take in so was there a was

708  
00:31:42,070 --> 00:31:39,840  
a particular time span that you could

709  
00:31:43,990 --> 00:31:42,080  
maybe draw from that from when you were

710  
00:31:46,389 --> 00:31:44,000  
first given this information leading

711  
00:31:48,389 --> 00:31:46,399  
forward and maybe if you could tell us

712  
00:31:51,190 --> 00:31:48,399  
maybe at this point

713  
00:31:55,430 --> 00:31:51,200

at this juncture where we're at

714

00:31:56,950 --> 00:31:55,440

yeah um okay so um all of this was being

715

00:32:00,630 --> 00:31:56,960

shown in

716

00:32:02,630 --> 00:32:00,640

79 80 well actually most of it was 80

717

00:32:05,830 --> 00:32:02,640

and 81

718

00:32:08,549 --> 00:32:05,840

and they've said the difficulties will

719

00:32:09,750 --> 00:32:08,559

be increasing you'll see the signs which

720

00:32:11,110 --> 00:32:09,760

i did

721

00:32:13,110 --> 00:32:11,120

and and

722

00:32:15,590 --> 00:32:13,120

you know you can't

723

00:32:18,549 --> 00:32:15,600

you can't say anything when you're years

724

00:32:20,389 --> 00:32:18,559

ahead because people are just like

725

00:32:23,190 --> 00:32:20,399

would you shut up

726

00:32:24,710 --> 00:32:23,200

you're just such a downer um you know

727

00:32:26,149 --> 00:32:24,720

they didn't want to hear anything they

728

00:32:29,350 --> 00:32:26,159

didn't see

729

00:32:32,630 --> 00:32:29,360

what was unfolding um but they said the

730

00:32:34,950 --> 00:32:32,640

ropes said starting in 2015 it's going

731

00:32:38,470 --> 00:32:34,960

to get intense and that is going to

732

00:32:41,029 --> 00:32:38,480

increase until 2021

733

00:32:43,190 --> 00:32:41,039

when you will reach the peak and will

734

00:32:44,789 --> 00:32:43,200

collapse after that

735

00:32:46,950 --> 00:32:44,799

following that

736

00:32:49,269 --> 00:32:46,960

a lot of death

737

00:32:51,669 --> 00:32:49,279

a lot of people leaving they said most

738

00:32:53,350 --> 00:32:51,679

people there's a lot less people

739

00:32:56,230 --> 00:32:53,360

um

740

00:32:59,029 --> 00:32:56,240

most people will leave in the first 25

741

00:32:59,830 --> 00:32:59,039

years of the new millennium

742

00:33:02,310 --> 00:32:59,840

so

743

00:33:05,190 --> 00:33:02,320

you know this was back in

744

00:33:07,350 --> 00:33:05,200

1980 so the new millennium was still 20

745

00:33:10,630 --> 00:33:07,360

years away

746

00:33:13,110 --> 00:33:10,640

and and so we're now 21 years into the

747

00:33:17,269 --> 00:33:13,120

new millennium and the

748

00:33:19,269 --> 00:33:17,279

the peak of the fighting civil war thing

749

00:33:22,070 --> 00:33:19,279

i mean there was a lull

750

00:33:24,269 --> 00:33:22,080

and then there was a civil war kind of

751  
00:33:27,669 --> 00:33:24,279  
thing that started in

752  
00:33:28,710 --> 00:33:27,679  
2025 roughly they said give or take two

753  
00:33:31,190 --> 00:33:28,720  
years

754  
00:33:33,269 --> 00:33:31,200  
either side of that if we were foolish

755  
00:33:37,029 --> 00:33:33,279  
enough to to do a war

756  
00:33:39,110 --> 00:33:37,039  
um there were also serious threats

757  
00:33:42,549 --> 00:33:39,120  
of wars um

758  
00:33:45,590 --> 00:33:42,559  
from other countries russia and china

759  
00:33:48,070 --> 00:33:45,600  
um and so that had to be dealt with

760  
00:33:49,350 --> 00:33:48,080  
and the um

761  
00:33:50,389 --> 00:33:49,360  
and then

762  
00:33:55,509 --> 00:33:50,399  
by

763  
00:33:57,509 --> 00:33:55,519

2050

764

00:34:00,549 --> 00:33:57,519

everything was different

765

00:34:04,789 --> 00:34:00,559

we had settled down i think

766

00:34:07,350 --> 00:34:04,799

i they didn't ever excuse me

767

00:34:09,909 --> 00:34:07,360

they didn't ever say exactly

768

00:34:10,950 --> 00:34:09,919

when and if the planet was gonna roll

769

00:34:12,310 --> 00:34:10,960

around

770

00:34:14,629 --> 00:34:12,320

but in

771

00:34:17,230 --> 00:34:14,639

looking clairvoyantly that happened

772

00:34:19,430 --> 00:34:17,240

somewhere between

773

00:34:21,669 --> 00:34:19,440

2029 and

774

00:34:22,710 --> 00:34:21,679

39

775

00:34:24,710 --> 00:34:22,720

and that

776

00:34:25,750 --> 00:34:24,720

causes a lot of havoc

777

00:34:27,510 --> 00:34:25,760

right there

778

00:34:29,909 --> 00:34:27,520

um and

779

00:34:30,950 --> 00:34:29,919

and so we have some difficult times to

780

00:34:33,750 --> 00:34:30,960

go through

781

00:34:37,190 --> 00:34:33,760

and um and that's why it's really really

782

00:34:40,149 --> 00:34:37,200

important to expand consciousness

783

00:34:43,510 --> 00:34:40,159

and um learn to

784

00:34:46,629 --> 00:34:43,520

focus learn to create learn to

785

00:34:47,990 --> 00:34:46,639

move up in terms of your own wisdom and

786

00:34:51,190 --> 00:34:48,000

power

787

00:34:53,669 --> 00:34:51,200

etc and i i think we're

788

00:34:58,310 --> 00:34:53,679

we're entering now into the most intense

789

00:35:00,550 --> 00:34:58,320  
period which was 2021 to 2027

790

00:35:03,750 --> 00:35:00,560  
um and then

791

00:35:05,510 --> 00:35:03,760  
another little bit of a break um

792

00:35:08,870 --> 00:35:05,520  
in terms of

793

00:35:11,430 --> 00:35:08,880  
uh planetary stuff then starting up

794

00:35:13,430 --> 00:35:11,440  
and that sort of brings everybody to

795

00:35:15,589 --> 00:35:13,440  
kind of like whoa what we're you know we

796

00:35:16,790 --> 00:35:15,599  
need to work together

797

00:35:19,030 --> 00:35:16,800  
and

798

00:35:22,390 --> 00:35:19,040  
i didn't say this in the book

799

00:35:24,550 --> 00:35:22,400  
but there were others from other places

800

00:35:27,910 --> 00:35:24,560  
other planets

801  
00:35:29,270 --> 00:35:27,920  
that are not only here but that have

802  
00:35:32,390 --> 00:35:29,280  
come here

803  
00:35:34,470 --> 00:35:32,400  
specifically to be of service

804  
00:35:36,710 --> 00:35:34,480  
there's some that are here to take over

805  
00:35:38,870 --> 00:35:36,720  
or we're here to take over but there are

806  
00:35:41,109 --> 00:35:38,880  
others here to help

807  
00:35:45,750 --> 00:35:41,119  
and that we would that we needed to

808  
00:35:46,630 --> 00:35:45,760  
expand consciousness so that we could

809  
00:35:48,310 --> 00:35:46,640  
um

810  
00:35:51,430 --> 00:35:48,320  
the way they put it was so that we

811  
00:35:52,790 --> 00:35:51,440  
wouldn't faint when we met other

812  
00:35:55,030 --> 00:35:52,800  
energy

813  
00:35:58,230 --> 00:35:55,040

systems beings who

814

00:36:00,950 --> 00:35:58,240

had a different energy system

815

00:36:02,950 --> 00:36:00,960

and that we needed to

816

00:36:05,670 --> 00:36:02,960

quickly expand

817

00:36:08,470 --> 00:36:05,680

our understanding that many things have

818

00:36:11,109 --> 00:36:08,480

been hidden from us

819

00:36:15,510 --> 00:36:11,119

in order for the people who are trying

820

00:36:18,870 --> 00:36:15,520

to take over to actually succeed at that

821

00:36:20,150 --> 00:36:18,880

and they said the robes said it will be

822

00:36:22,470 --> 00:36:20,160

up to you

823

00:36:24,230 --> 00:36:22,480

to make sure that doesn't happen meaning

824

00:36:26,470 --> 00:36:24,240

we the people

825

00:36:27,670 --> 00:36:26,480

and i think

826

00:36:29,910 --> 00:36:27,680

we're winning

827

00:36:31,910 --> 00:36:29,920

it doesn't look like it yet but i think

828

00:36:33,430 --> 00:36:31,920

we are looking

829

00:36:35,030 --> 00:36:33,440

you know at what's happening under the

830

00:36:36,310 --> 00:36:35,040

surface and behind the scenes we're

831

00:36:39,190 --> 00:36:36,320

winning

832

00:36:42,069 --> 00:36:39,200

so that's yeah that's kind of a

833

00:36:43,109 --> 00:36:42,079

timetable by 2050

834

00:36:45,910 --> 00:36:43,119

um

835

00:36:47,990 --> 00:36:45,920

i spent some time in 2050

836

00:36:50,310 --> 00:36:48,000

uh looked at what was happening there

837

00:36:53,589 --> 00:36:50,320

the houses how people lived

838

00:36:56,550 --> 00:36:53,599

relationships um all kinds of things and

839

00:36:58,470 --> 00:36:56,560

then 2080 uh

840

00:36:59,910 --> 00:36:58,480

i could see how things had evolved in

841

00:37:01,150 --> 00:36:59,920

just 30 years

842

00:37:03,990 --> 00:37:01,160

and then in

843

00:37:06,950 --> 00:37:04,000

2413 which was

844

00:37:09,109 --> 00:37:06,960

i think after a nuclear something or

845

00:37:10,550 --> 00:37:09,119

other had happened we are not past the

846

00:37:13,510 --> 00:37:10,560

nuclear threat

847

00:37:14,470 --> 00:37:13,520

until at least 20

848

00:37:15,790 --> 00:37:14,480

uh

849

00:37:19,270 --> 00:37:15,800

to

850

00:37:21,670 --> 00:37:19,280

250 2250

851  
00:37:24,470 --> 00:37:21,680  
maybe 22

852  
00:37:27,270 --> 00:37:24,480  
90 and then

853  
00:37:30,950 --> 00:37:27,280  
then we really start evolving

854  
00:37:33,589 --> 00:37:30,960  
um in a very rapid manner as a

855  
00:37:36,950 --> 00:37:33,599  
population as a civilization

856  
00:37:37,910 --> 00:37:36,960  
so and we have a specific goal

857  
00:37:41,030 --> 00:37:37,920  
we have

858  
00:37:42,470 --> 00:37:41,040  
our particular humanity our version of

859  
00:37:47,190 --> 00:37:42,480  
the humanoids

860  
00:37:50,310 --> 00:37:47,200  
um has a very unusual kind of

861  
00:37:53,190 --> 00:37:50,320  
destiny and that destiny is um to

862  
00:37:55,990 --> 00:37:53,200  
maintain physicality and develop the

863  
00:37:58,710 --> 00:37:56,000

whole spiritual set of gifts

864

00:37:59,470 --> 00:37:58,720

um so we become semi-physical and some

865

00:38:01,270 --> 00:37:59,480

are

866

00:38:03,349 --> 00:38:01,280

semi-spiritual

867

00:38:05,030 --> 00:38:03,359

with all of the enjoyment and the

868

00:38:06,710 --> 00:38:05,040

intensity and the

869

00:38:10,150 --> 00:38:06,720

the goofiness

870

00:38:13,670 --> 00:38:10,160

that being physical entails and all of

871

00:38:17,750 --> 00:38:13,680

the power and the wisdom and the grace

872

00:38:20,310 --> 00:38:17,760

of spiritual full spiritual development

873

00:38:21,829 --> 00:38:20,320

and all of that is built into the human

874

00:38:25,030 --> 00:38:21,839

and that's what the awakening of

875

00:38:28,950 --> 00:38:25,040

kundalini starts that process happening

876

00:38:30,150 --> 00:38:28,960

so and so is this something that they

877

00:38:32,550 --> 00:38:30,160

i guess

878

00:38:34,190 --> 00:38:32,560

they encourage or what you saw that uh

879

00:38:36,710 --> 00:38:34,200

part of that responsibility

880

00:38:39,109 --> 00:38:36,720

self-responsibility to start going into

881

00:38:41,670 --> 00:38:39,119

that direction to be more spiritually

882

00:38:44,550 --> 00:38:41,680

connected to who you are uh but before

883

00:38:46,710 --> 00:38:44,560

um i even asked that i do have

884

00:38:49,349 --> 00:38:46,720

some quick follow-ups real quick so uh

885

00:38:51,430 --> 00:38:49,359

generally was this this what you saw

886

00:38:53,270 --> 00:38:51,440

mainly in the united states uh or was

887

00:38:54,630 --> 00:38:53,280

this a worldwide thing that whatever the

888

00:38:57,190 --> 00:38:54,640

united states is going through that

889

00:38:59,270 --> 00:38:57,200

every other uh country on the planet

890

00:39:01,670 --> 00:38:59,280

will go through as well and then also

891

00:39:04,710 --> 00:39:01,680

regarding this uh connections from the

892

00:39:05,829 --> 00:39:04,720

from these et visitors that i guess if

893

00:39:08,390 --> 00:39:05,839

they're not

894

00:39:10,470 --> 00:39:08,400

that influential or any more like they

895

00:39:12,870 --> 00:39:10,480

used to are there any others that would

896

00:39:14,470 --> 00:39:12,880

be uh potentially interacting with us

897

00:39:17,990 --> 00:39:14,480

during that time

898

00:39:20,630 --> 00:39:18,000

um okay so first question

899

00:39:23,750 --> 00:39:20,640

it does involve the entire planet

900

00:39:26,550 --> 00:39:23,760

the question that we have to answer is

901  
00:39:28,870 --> 00:39:26,560  
how do we come together as one

902  
00:39:31,670 --> 00:39:28,880  
without coming together as a new world

903  
00:39:32,710 --> 00:39:31,680  
order kind of situation

904  
00:39:35,349 --> 00:39:32,720  
okay

905  
00:39:38,150 --> 00:39:35,359  
so we have to

906  
00:39:40,870 --> 00:39:38,160  
begin we have to stop the wars

907  
00:39:44,870 --> 00:39:40,880  
um we have to start to take care of

908  
00:39:46,069 --> 00:39:44,880  
everybody and we have to begin to think

909  
00:39:49,430 --> 00:39:46,079  
in terms

910  
00:39:53,589 --> 00:39:49,440  
of every plant every animal every human

911  
00:39:57,750 --> 00:39:53,599  
and the rest of the solar system as well

912  
00:40:00,150 --> 00:39:57,760  
so that's a that's a tall order

913  
00:40:02,950 --> 00:40:00,160

um and then the

914

00:40:05,030 --> 00:40:02,960

the there is no point

915

00:40:09,030 --> 00:40:05,040

excuse me

916

00:40:13,349 --> 00:40:10,470

can say that

917

00:40:15,910 --> 00:40:13,359

other people other humanoids

918

00:40:17,270 --> 00:40:15,920

regardless of race are not involved with

919

00:40:19,750 --> 00:40:17,280

us

920

00:40:22,950 --> 00:40:19,760

is to be

921

00:40:24,470 --> 00:40:22,960

is to really get an invitation to

922

00:40:27,589 --> 00:40:24,480

um to

923

00:40:30,950 --> 00:40:27,599

have a seat at the table of the

924

00:40:32,230 --> 00:40:30,960

what i'll call the council of worlds or

925

00:40:34,390 --> 00:40:32,240

you know some people call it the

926  
00:40:35,190 --> 00:40:34,400  
galactic federation some people call it

927  
00:40:42,069 --> 00:40:35,200  
the

928  
00:40:43,990 --> 00:40:42,079  
working

929  
00:40:45,270 --> 00:40:44,000  
group of people

930  
00:40:47,670 --> 00:40:45,280  
that are

931  
00:40:49,109 --> 00:40:47,680  
are telling us

932  
00:40:52,150 --> 00:40:49,119  
um hey

933  
00:40:53,750 --> 00:40:52,160  
you know you can't join this council in

934  
00:40:55,990 --> 00:40:53,760  
your present condition and with your

935  
00:40:57,190 --> 00:40:56,000  
present attitude and your present level

936  
00:41:00,390 --> 00:40:57,200  
of knowledge

937  
00:41:01,589 --> 00:41:00,400  
and your aggressions and your tendency

938  
00:41:03,910 --> 00:41:01,599

to

939

00:41:06,230 --> 00:41:03,920

create so much waste they really don't

940

00:41:08,790 --> 00:41:06,240

like the amount of waste in the way

941

00:41:11,670 --> 00:41:08,800

we've messed up the planet and are

942

00:41:12,630 --> 00:41:11,680

fixing to mess up the atmosphere

943

00:41:14,550 --> 00:41:12,640

um

944

00:41:16,069 --> 00:41:14,560

you know out in space around the planet

945

00:41:19,510 --> 00:41:16,079

with a bunch of junk

946

00:41:20,950 --> 00:41:19,520

um and so all of that is really

947

00:41:23,829 --> 00:41:20,960

um

948

00:41:26,150 --> 00:41:23,839

stuff that i think we're going to

949

00:41:28,870 --> 00:41:26,160

we're not even we haven't even begun

950

00:41:31,910 --> 00:41:28,880

those relationships yet but they're

951  
00:41:33,510 --> 00:41:31,920  
coming slowly steadily um not enough

952  
00:41:36,710 --> 00:41:33,520  
people really

953  
00:41:38,470 --> 00:41:36,720  
are aware or have expanded consciousness

954  
00:41:40,309 --> 00:41:38,480  
enough to be able to

955  
00:41:42,870 --> 00:41:40,319  
take a deep breath and

956  
00:41:46,230 --> 00:41:42,880  
you know if some being from elsewhere

957  
00:41:48,790 --> 00:41:46,240  
were to show up even though most of

958  
00:41:51,910 --> 00:41:48,800  
those beings look very similar to us a

959  
00:41:54,309 --> 00:41:51,920  
lot of them there are some that do not

960  
00:41:56,069 --> 00:41:54,319  
and they are

961  
00:41:58,630 --> 00:41:56,079  
they are something

962  
00:42:01,270 --> 00:41:58,640  
that triggers this

963  
00:42:04,309 --> 00:42:01,280

automatic reaction of

964

00:42:05,829 --> 00:42:04,319

you know what the heck is that um and we

965

00:42:08,390 --> 00:42:05,839

we can't panic

966

00:42:11,030 --> 00:42:08,400

and we um and that's you know that we

967

00:42:12,710 --> 00:42:11,040

are known for shooting first and asking

968

00:42:15,109 --> 00:42:12,720

questions later

969

00:42:17,990 --> 00:42:15,119

so that's something that

970

00:42:20,790 --> 00:42:18,000

um they that other that et's they'll

971

00:42:23,430 --> 00:42:20,800

call them et's um lately i've been

972

00:42:25,589 --> 00:42:23,440

calling them ops other people

973

00:42:27,270 --> 00:42:25,599

um really don't want any part of they

974

00:42:29,109 --> 00:42:27,280

don't want that kind of violence

975

00:42:30,790 --> 00:42:29,119

directed at them and so they just stay

976  
00:42:32,790 --> 00:42:30,800  
away

977  
00:42:35,670 --> 00:42:32,800  
so but there's going to come a time when

978  
00:42:37,670 --> 00:42:35,680  
we need them in order to

979  
00:42:39,430 --> 00:42:37,680  
survive

980  
00:42:41,349 --> 00:42:39,440  
well thank you thank you for clarifying

981  
00:42:44,150 --> 00:42:41,359  
that so then going back to the very

982  
00:42:46,710 --> 00:42:44,160  
first question then regarding this um

983  
00:42:48,069 --> 00:42:46,720  
because most most of the time uh i know

984  
00:42:50,309 --> 00:42:48,079  
in my own personal experience it's

985  
00:42:52,470 --> 00:42:50,319  
always through a very hard time that

986  
00:42:53,910 --> 00:42:52,480  
forces you to look for alternatives to

987  
00:42:55,910 --> 00:42:53,920  
look at things differently and kind of

988  
00:42:58,470 --> 00:42:55,920

grow from that but not everyone

989

00:43:00,790 --> 00:42:58,480

necessarily kind of takes the the lesson

990

00:43:02,790 --> 00:43:00,800

to approach dude in that way uh what

991

00:43:04,790 --> 00:43:02,800

suggestions might you have for for a

992

00:43:07,190 --> 00:43:04,800

person let's say that let's say i just

993

00:43:09,910 --> 00:43:07,200

just find a way to live now to even

994

00:43:11,349 --> 00:43:09,920

bother to go into the direction of hey

995

00:43:13,190 --> 00:43:11,359

what else do i need to look into

996

00:43:15,270 --> 00:43:13,200

spiritually

997

00:43:18,230 --> 00:43:15,280

ah wow

998

00:43:20,950 --> 00:43:18,240

so um

999

00:43:23,910 --> 00:43:20,960

i i cannot

1000

00:43:27,430 --> 00:43:23,920

so let me just kind of be blunt here the

1001

00:43:29,829 --> 00:43:27,440

people who refuse to grow

1002

00:43:32,470 --> 00:43:29,839

and to expand consciousness did not

1003

00:43:38,870 --> 00:43:35,190

they were fixed on

1004

00:43:44,870 --> 00:43:38,880

system

1005

00:43:45,829 --> 00:43:44,880

of them many more than needed to

1006

00:43:48,550 --> 00:43:45,839

so

1007

00:43:51,750 --> 00:43:48,560

that i think is tragic

1008

00:43:54,150 --> 00:43:51,760

one of the the wonderful things

1009

00:43:56,309 --> 00:43:54,160

about the mass of consciousness that we

1010

00:43:58,069 --> 00:43:56,319

have here right now is that if we could

1011

00:44:00,069 --> 00:43:58,079

get it pointed in the

1012

00:44:03,510 --> 00:44:00,079

all kind of going in the right direction

1013

00:44:04,950 --> 00:44:03,520

it would be a massive amount of power

1014

00:44:05,910 --> 00:44:04,960

that would

1015

00:44:08,390 --> 00:44:05,920

um

1016

00:44:09,270 --> 00:44:08,400

really be good for everybody

1017

00:44:11,670 --> 00:44:09,280

but

1018

00:44:14,630 --> 00:44:11,680

i didn't see that happening the robes

1019

00:44:15,829 --> 00:44:14,640

did not think that was going to happen

1020

00:44:18,470 --> 00:44:15,839

um

1021

00:44:19,349 --> 00:44:18,480

as smoothly as as it could have

1022

00:44:20,150 --> 00:44:19,359

so

1023

00:44:59,190 --> 00:44:20,160

i

1024

00:45:02,790 --> 00:44:59,200

behave

1025

00:45:05,349 --> 00:45:02,800

um and and you're not going to survive

1026  
00:45:06,230 --> 00:45:05,359  
if you keep doing that

1027  
00:45:09,109 --> 00:45:06,240  
so

1028  
00:45:11,349 --> 00:45:09,119  
the warning is there um

1029  
00:45:12,230 --> 00:45:11,359  
get outside the old box

1030  
00:45:13,430 --> 00:45:12,240  
um

1031  
00:45:15,910 --> 00:45:13,440  
these

1032  
00:45:18,630 --> 00:45:15,920  
i think the thing that i would say

1033  
00:45:20,950 --> 00:45:18,640  
is that give yourself time

1034  
00:45:22,630 --> 00:45:20,960  
you don't have to change overnight you

1035  
00:45:24,470 --> 00:45:22,640  
can't change overnight it's too

1036  
00:45:26,470 --> 00:45:24,480  
stressful

1037  
00:45:27,910 --> 00:45:26,480  
it's something that you have to

1038  
00:45:29,670 --> 00:45:27,920

integrate

1039

00:45:32,790 --> 00:45:29,680

i think another thing i would say is

1040

00:45:36,390 --> 00:45:32,800

it's really important to understand the

1041

00:45:42,710 --> 00:45:40,069

the new science is plasma physics

1042

00:45:44,870 --> 00:45:42,720

all of the stuff that we had with

1043

00:45:47,109 --> 00:45:44,880

descartes and newton

1044

00:45:50,470 --> 00:45:47,119

was wonderful for its time

1045

00:45:52,230 --> 00:45:50,480

all the stuff we had with einstein was

1046

00:45:54,870 --> 00:45:52,240

good for its time

1047

00:45:57,750 --> 00:45:54,880

well now we have

1048

00:46:01,910 --> 00:45:57,760

plasma physics and what that makes

1049

00:46:04,470 --> 00:46:01,920

possible is an entirely new world

1050

00:46:08,150 --> 00:46:04,480

and if you don't understand that you're

1051  
00:46:10,870 --> 00:46:08,160  
you're going to struggle to get involved

1052  
00:46:12,630 --> 00:46:10,880  
in to be able to understand to be able

1053  
00:46:15,589 --> 00:46:12,640  
to accept

1054  
00:46:18,550 --> 00:46:15,599  
the kinds of things that are possible

1055  
00:46:19,990 --> 00:46:18,560  
once you understand the true nature of

1056  
00:46:21,030 --> 00:46:20,000  
reality

1057  
00:46:21,910 --> 00:46:21,040  
so

1058  
00:46:23,430 --> 00:46:21,920  
um

1059  
00:46:26,950 --> 00:46:23,440  
you know there's a bunch of us that

1060  
00:46:29,990 --> 00:46:26,960  
teach classes i teach classes i teach on

1061  
00:46:31,430 --> 00:46:30,000  
my youtube and patreon channels as much

1062  
00:46:32,470 --> 00:46:31,440  
as possible

1063  
00:46:34,870 --> 00:46:32,480

um

1064

00:46:37,190 --> 00:46:34,880

i'm so grateful for the people who

1065

00:46:40,230 --> 00:46:37,200

um are on patreon because that helps to

1066

00:46:42,710 --> 00:46:40,240

support me um but it can't be limited to

1067

00:46:44,710 --> 00:46:42,720

just that it really needs to be out

1068

00:46:46,870 --> 00:46:44,720

there for a lot of people

1069

00:46:48,390 --> 00:46:46,880

um in order to reduce

1070

00:46:50,230 --> 00:46:48,400

the danger of violence and

1071

00:46:51,270 --> 00:46:50,240

misunderstanding

1072

00:46:54,710 --> 00:46:51,280

so

1073

00:46:57,349 --> 00:46:54,720

um all of that is really um

1074

00:47:00,550 --> 00:46:57,359

it's it's out there go looking

1075

00:47:03,589 --> 00:47:00,560

read a lot of people don't read anymore

1076  
00:47:04,390 --> 00:47:03,599  
um but there are good books out there

1077  
00:47:07,270 --> 00:47:04,400  
that

1078  
00:47:11,109 --> 00:47:07,280  
um explain things and

1079  
00:47:13,030 --> 00:47:11,119  
watch videos listen um talk

1080  
00:47:16,309 --> 00:47:13,040  
join something

1081  
00:47:17,829 --> 00:47:16,319  
okay the things that go away that have

1082  
00:47:19,349 --> 00:47:17,839  
always

1083  
00:47:21,510 --> 00:47:19,359  
steadied us

1084  
00:47:23,510 --> 00:47:21,520  
are the government the financial system

1085  
00:47:24,549 --> 00:47:23,520  
the religious system the education

1086  
00:47:30,950 --> 00:47:24,559  
system

1087  
00:47:33,910 --> 00:47:30,960  
wow

1088  
00:47:35,510 --> 00:47:33,920

you need something to hang on to

1089

00:47:38,790 --> 00:47:35,520

so

1090

00:47:41,510 --> 00:47:38,800

allow yourself to change allow yourself

1091

00:47:43,910 --> 00:47:41,520

um i say one of my favorite things i say

1092

00:47:44,870 --> 00:47:43,920

this to my kids and even my students all

1093

00:47:46,630 --> 00:47:44,880

the time

1094

00:47:49,109 --> 00:47:46,640

let yourself love

1095

00:47:52,630 --> 00:47:49,119

and let that love change you

1096

00:47:54,470 --> 00:47:52,640

it's it's once you trust your love then

1097

00:47:55,589 --> 00:47:54,480

you're going to trust your own inner

1098

00:47:58,069 --> 00:47:55,599

authority

1099

00:47:58,950 --> 00:47:58,079

and that's what's needed

1100

00:48:01,670 --> 00:47:58,960

so

1101  
00:48:03,270 --> 00:48:01,680  
cooperation is the basic nature of

1102  
00:48:04,829 --> 00:48:03,280  
reality

1103  
00:48:07,990 --> 00:48:04,839  
this whole thing with

1104  
00:48:10,309 --> 00:48:08,000  
competition that's it's it's gonna go

1105  
00:48:13,589 --> 00:48:10,319  
away it is going away now

1106  
00:48:15,030 --> 00:48:13,599  
and people are beginning to see the need

1107  
00:48:16,870 --> 00:48:15,040  
for others

1108  
00:48:19,270 --> 00:48:16,880  
and cooperation and some of the

1109  
00:48:21,990 --> 00:48:19,280  
lockdowns have really taught us how

1110  
00:48:24,710 --> 00:48:22,000  
valuable other people are

1111  
00:48:27,190 --> 00:48:24,720  
but we need one another

1112  
00:48:29,190 --> 00:48:27,200  
what i wanted to ask so

1113  
00:48:30,630 --> 00:48:29,200

not necessarily regarding lockdown

1114

00:48:33,030 --> 00:48:30,640

specifically but

1115

00:48:35,510 --> 00:48:33,040

is there any kind of

1116

00:48:37,349 --> 00:48:35,520

um interference or foul play when it

1117

00:48:39,670 --> 00:48:37,359

comes to these ets and our current

1118

00:48:41,829 --> 00:48:39,680

situation now that you might know of you

1119

00:48:44,309 --> 00:48:41,839

know is this way kind of out of a

1120

00:48:46,470 --> 00:48:44,319

ballpark what i'm what i'm asking

1121

00:48:49,990 --> 00:48:46,480

uh no there's

1122

00:48:55,589 --> 00:48:53,510

there's no general knowledge of this but

1123

00:48:56,950 --> 00:48:55,599

it is something that

1124

00:48:59,990 --> 00:48:56,960

um

1125

00:49:03,430 --> 00:49:00,000

so i'll just say this and then i'll

1126

00:49:05,750 --> 00:49:03,440

explain a little bit more um part of my

1127

00:49:07,589 --> 00:49:05,760

mission here was to counter

1128

00:49:09,990 --> 00:49:07,599

the colonizers

1129

00:49:11,030 --> 00:49:10,000

who are trying to take over the planet

1130

00:49:13,750 --> 00:49:11,040

okay

1131

00:49:16,710 --> 00:49:13,760

as long as people are not awake as long

1132

00:49:18,150 --> 00:49:16,720

as people have do not have the power of

1133

00:49:20,630 --> 00:49:18,160

their own consciousness at their

1134

00:49:24,230 --> 00:49:20,640

fingertips they don't have a snowball's

1135

00:49:26,309 --> 00:49:24,240

chance in hell to to resist or to

1136

00:49:28,829 --> 00:49:26,319

overcome or to see

1137

00:49:31,510 --> 00:49:28,839

what's actually happening to

1138

00:49:33,109 --> 00:49:31,520

themselves and that effort that

1139

00:49:34,390 --> 00:49:33,119  
colonizing effort

1140

00:49:39,910 --> 00:49:34,400  
was

1141

00:49:41,990 --> 00:49:39,920  
it it's usually hundreds if not

1142

00:49:45,430 --> 00:49:42,000  
thousands of years

1143

00:49:47,030 --> 00:49:45,440  
and that effort was right at the point

1144

00:49:48,950 --> 00:49:47,040  
of success

1145

00:49:50,870 --> 00:49:48,960  
and they have

1146

00:49:53,109 --> 00:49:50,880  
uh given up

1147

00:49:54,950 --> 00:49:53,119  
um they're realizing they're not going

1148

00:49:58,309 --> 00:49:54,960  
to get the take over the people at the

1149

00:49:59,750 --> 00:49:58,319  
top meaning the et's at the very top who

1150

00:50:01,030 --> 00:49:59,760  
were running things

1151  
00:50:01,910 --> 00:50:01,040  
have left

1152  
00:50:05,109 --> 00:50:01,920  
um

1153  
00:50:08,069 --> 00:50:05,119  
but it's like i say and as i have said

1154  
00:50:10,470 --> 00:50:08,079  
in some of my patreon videos and i i

1155  
00:50:14,069 --> 00:50:10,480  
think they might be on odyssey and

1156  
00:50:16,309 --> 00:50:14,079  
um bit shoot in youtube as well

1157  
00:50:19,510 --> 00:50:16,319  
one of the first things they do

1158  
00:50:20,870 --> 00:50:19,520  
is find humans and in fact they create

1159  
00:50:23,190 --> 00:50:20,880  
humans

1160  
00:50:30,390 --> 00:50:23,200  
that are

1161  
00:50:32,309 --> 00:50:30,400  
with family events and structures and

1162  
00:50:34,230 --> 00:50:32,319  
and that creates

1163  
00:50:36,470 --> 00:50:34,240

often

1164

00:50:38,230 --> 00:50:36,480

children who are not

1165

00:50:40,150 --> 00:50:38,240

raised well

1166

00:50:42,950 --> 00:50:40,160

they aren't they don't have what they

1167

00:50:43,910 --> 00:50:42,960

need one or even both parents are

1168

00:50:46,710 --> 00:50:43,920

missing

1169

00:50:49,829 --> 00:50:46,720

um and that then creates

1170

00:50:54,230 --> 00:50:49,839

uh difficulty for that individual or

1171

00:50:56,470 --> 00:50:54,240

they will appeal to the bases the worst

1172

00:50:58,470 --> 00:50:56,480

tendencies of an individual and that

1173

00:51:01,589 --> 00:50:58,480

individual becomes abusive to their

1174

00:51:03,910 --> 00:51:01,599

children or sexually abusive or

1175

00:51:06,390 --> 00:51:03,920

emotionally abusive

1176  
00:51:09,430 --> 00:51:06,400  
you know or verbally and that creates

1177  
00:51:11,829 --> 00:51:09,440  
pathology so long story short

1178  
00:51:15,190 --> 00:51:11,839  
they end up creating these individuals

1179  
00:51:18,150 --> 00:51:15,200  
that they then kind of pull in

1180  
00:51:19,829 --> 00:51:18,160  
and then they begin looking for others

1181  
00:51:22,309 --> 00:51:19,839  
who are

1182  
00:51:25,109 --> 00:51:22,319  
you have pathological tendencies

1183  
00:51:27,430 --> 00:51:25,119  
psychopathology sociopathic

1184  
00:51:29,270 --> 00:51:27,440  
personality disorders and who are

1185  
00:51:30,630 --> 00:51:29,280  
willing to hurt others

1186  
00:51:33,270 --> 00:51:30,640  
and um

1187  
00:51:35,990 --> 00:51:33,280  
and who can never be filled up

1188  
00:51:38,870 --> 00:51:36,000

and so they end up creating many many

1189

00:51:41,589 --> 00:51:38,880

layers of humans

1190

00:51:43,430 --> 00:51:41,599

who are all fed the same story that

1191

00:51:45,190 --> 00:51:43,440

they're going to have power and money

1192

00:51:47,589 --> 00:51:45,200

and control and

1193

00:51:51,030 --> 00:51:47,599

everything they want

1194

00:51:53,430 --> 00:51:51,040

and if the colonizers at the top

1195

00:51:55,030 --> 00:51:53,440

decide that it's not going to happen

1196

00:51:56,950 --> 00:51:55,040

it's not going to work

1197

00:51:58,309 --> 00:51:56,960

we we didn't we weren't able to pull

1198

00:52:01,349 --> 00:51:58,319

this off

1199

00:52:05,270 --> 00:52:01,359

they pull out and we're left with

1200

00:52:07,589 --> 00:52:05,280

40 levels of of corruption that we then

1201  
00:52:09,670 --> 00:52:07,599  
have to deal with and the result in

1202  
00:52:11,430 --> 00:52:09,680  
almost every case which we're trying to

1203  
00:52:14,150 --> 00:52:11,440  
get around here

1204  
00:52:16,470 --> 00:52:14,160  
is that the people end up tearing

1205  
00:52:19,670 --> 00:52:16,480  
themselves apart

1206  
00:52:23,190 --> 00:52:19,680  
and um and they go they go down

1207  
00:52:24,470 --> 00:52:23,200  
they go down because the 40 levels of of

1208  
00:52:27,589 --> 00:52:24,480  
layering

1209  
00:52:30,549 --> 00:52:27,599  
of um that are above us are all the

1210  
00:52:33,829 --> 00:52:30,559  
businesses all the corporations all of

1211  
00:52:36,150 --> 00:52:33,839  
the religions all of the banks etc and

1212  
00:52:38,309 --> 00:52:36,160  
when those go away we're left with

1213  
00:52:39,829 --> 00:52:38,319

nothing okay i was going to ask if you

1214

00:52:42,150 --> 00:52:39,839

meant like if these people are in the

1215

00:52:43,829 --> 00:52:42,160

higher up or do they kind of just create

1216

00:52:45,349 --> 00:52:43,839

them and let them lose in the general

1217

00:52:47,990 --> 00:52:45,359

public that's that's what i wanted to

1218

00:52:51,349 --> 00:52:48,000

ask to to maybe clarify now

1219

00:52:54,230 --> 00:52:51,359

the colonizers stay in position at the

1220

00:52:57,030 --> 00:52:54,240

top of the food chain i'll call it

1221

00:52:58,790 --> 00:52:57,040

they stay there until it becomes obvious

1222

00:53:01,430 --> 00:52:58,800

that they've either won

1223

00:53:03,270 --> 00:53:01,440

or they have not won but the people they

1224

00:53:07,270 --> 00:53:03,280

create is it just kind of like what we

1225

00:53:10,470 --> 00:53:07,280

know the the upper percentage or

1226  
00:53:12,790 --> 00:53:10,480  
yeah it is they usually create that one

1227  
00:53:15,750 --> 00:53:12,800  
percent the elite

1228  
00:53:20,069 --> 00:53:15,760  
um and that really

1229  
00:53:21,030 --> 00:53:20,079  
um the after the colonizers who usually

1230  
00:53:23,910 --> 00:53:21,040  
have

1231  
00:53:25,910 --> 00:53:23,920  
the expanded consciousness and the tools

1232  
00:53:27,270 --> 00:53:25,920  
and the technologies

1233  
00:53:31,270 --> 00:53:27,280  
to

1234  
00:53:34,549 --> 00:53:31,280  
um

1235  
00:53:36,790 --> 00:53:34,559  
that when they pull out they take their

1236  
00:53:37,670 --> 00:53:36,800  
their consciousness and their

1237  
00:53:40,150 --> 00:53:37,680  
um

1238  
00:53:41,030 --> 00:53:40,160

their off planet support and they take

1239

00:53:42,630 --> 00:53:41,040

their

1240

00:53:44,710 --> 00:53:42,640

um technology

1241

00:53:46,950 --> 00:53:44,720

and everything with them

1242

00:53:47,910 --> 00:53:46,960

and the people left

1243

00:53:50,870 --> 00:53:47,920

are

1244

00:53:53,510 --> 00:53:50,880

they fight it out

1245

00:53:56,470 --> 00:53:53,520

um and they they end up taking one

1246

00:53:57,270 --> 00:53:56,480

another out and us with them

1247

00:53:59,270 --> 00:53:57,280

so

1248

00:54:02,470 --> 00:53:59,280

the whole thing collapses

1249

00:54:03,910 --> 00:54:02,480

but yeah the the goal has that's the

1250

00:54:05,349 --> 00:54:03,920

screen

1251

00:54:08,230 --> 00:54:05,359

that keeps

1252

00:54:11,510 --> 00:54:08,240

us from ever knowing who's really

1253

00:54:12,870 --> 00:54:11,520

pulling the strings up way up at the top

1254

00:54:14,230 --> 00:54:12,880

um and

1255

00:54:17,109 --> 00:54:14,240

those are

1256

00:54:19,990 --> 00:54:17,119

we're really very ignorant of of all of

1257

00:54:21,270 --> 00:54:20,000

that process and how it works and

1258

00:54:27,589 --> 00:54:21,280

so

1259

00:54:28,549 --> 00:54:27,599

or not the let's see this this

1260

00:54:30,549 --> 00:54:28,559

you know

1261

00:54:33,190 --> 00:54:30,559

plan damage i should call it if it was

1262

00:54:36,230 --> 00:54:33,200

actually planned out you know ahead of

1263

00:54:37,910 --> 00:54:36,240

time or by these by these beings or what

1264

00:54:40,069 --> 00:54:37,920

are your thoughts can you maybe speak a

1265

00:54:42,309 --> 00:54:40,079

little bit about that at all

1266

00:54:45,829 --> 00:54:42,319

um it is planned out that's one of the

1267

00:54:47,270 --> 00:54:45,839

classic ways of getting control over

1268

00:54:50,390 --> 00:54:47,280

everybody getting

1269

00:54:53,750 --> 00:54:50,400

the mind control in position

1270

00:54:56,230 --> 00:54:53,760

and so they create some kind of of uh

1271

00:54:57,670 --> 00:54:56,240

disease imaginary disease and then they

1272

00:54:58,870 --> 00:54:57,680

introduce the

1273

00:55:01,190 --> 00:54:58,880

um

1274

00:55:03,990 --> 00:55:01,200

you know the solution

1275

00:55:04,789 --> 00:55:04,000

to that disease and that solution

1276  
00:55:08,710 --> 00:55:04,799  
is

1277  
00:55:10,470 --> 00:55:08,720  
their system and

1278  
00:55:11,670 --> 00:55:10,480  
um and they

1279  
00:55:12,870 --> 00:55:11,680  
they will

1280  
00:55:14,470 --> 00:55:12,880  
um

1281  
00:55:15,430 --> 00:55:14,480  
go to great lengths

1282  
00:55:18,829 --> 00:55:15,440  
to

1283  
00:55:22,789 --> 00:55:18,839  
map out and plan out every detail

1284  
00:55:24,710 --> 00:55:22,799  
um i i wrote a book called trumpet

1285  
00:55:28,069 --> 00:55:24,720  
trump the sting

1286  
00:55:30,069 --> 00:55:28,079  
the catastrophe cycle and consciousness

1287  
00:55:32,069 --> 00:55:30,079  
it's consciousness and energy volume

1288  
00:55:34,150 --> 00:55:32,079

four so i have a series of books and

1289

00:55:35,510 --> 00:55:34,160

this is the fourth in the series and

1290

00:55:37,190 --> 00:55:35,520

even though

1291

00:55:38,710 --> 00:55:37,200

um i'm

1292

00:55:42,710 --> 00:55:38,720

not at all

1293

00:55:45,829 --> 00:55:42,720

at this point trusting trump um it's in

1294

00:55:48,470 --> 00:55:45,839

the front of that book i list all of the

1295

00:55:51,829 --> 00:55:48,480

things that are typically done

1296

00:55:54,470 --> 00:55:51,839

to ensure control

1297

00:55:55,910 --> 00:55:54,480

of the of the planet

1298

00:55:58,150 --> 00:55:55,920

and you'll see

1299

00:56:01,190 --> 00:55:58,160

how comprehensive it is

1300

00:56:03,190 --> 00:56:01,200

it's not accidental and it's not a small

1301

00:56:06,069 --> 00:56:03,200

effort it's huge

1302

00:56:09,030 --> 00:56:06,079

and it's very detailed

1303

00:56:12,069 --> 00:56:09,040

everything that makes any difference is

1304

00:56:13,670 --> 00:56:12,079

something that they are managing

1305

00:56:15,510 --> 00:56:13,680

is there is there any way maybe you

1306

00:56:18,069 --> 00:56:15,520

could go a little bit into some of these

1307

00:56:19,030 --> 00:56:18,079

things if you don't mind

1308

00:56:22,069 --> 00:56:19,040

um

1309

00:56:24,470 --> 00:56:22,079

no i don't mind hang on a second

1310

00:56:29,270 --> 00:56:27,430

hold on let me just go get the book and

1311

00:56:31,750 --> 00:56:29,280

i'll read a couple things out of it okay

1312

00:56:33,910 --> 00:56:31,760

okay that's fine what i'm going to do

1313

00:56:35,990 --> 00:56:33,920

uh just real quick while she does that i

1314

00:56:38,069 --> 00:56:36,000

just want to remind everyone here pretty

1315

00:56:40,630 --> 00:56:38,079

soon after a few more questions we're

1316

00:56:42,630 --> 00:56:40,640

going to go into question and answers so

1317

00:56:44,789 --> 00:56:42,640

you can if you're in chat whether on

1318

00:56:46,710 --> 00:56:44,799

facebook youtube or twitch

1319

00:56:48,390 --> 00:56:46,720

please make sure to put three stars

1320

00:56:50,630 --> 00:56:48,400

before your question so that way the

1321

00:56:52,630 --> 00:56:50,640

question is directed for penny and i can

1322

00:56:54,789 --> 00:56:52,640

read it for her if you would like to ask

1323

00:56:57,750 --> 00:56:54,799

the question of penny directly

1324

00:56:59,349 --> 00:56:57,760

you can log in through telegram and log

1325

00:57:01,829 --> 00:56:59,359

into the voice chat that's going there

1326  
00:57:03,430 --> 00:57:01,839  
right now uh then simply tap the button

1327  
00:57:05,589 --> 00:57:03,440  
that's in voice chat which is a little

1328  
00:57:08,309 --> 00:57:05,599  
fella it looks like raising their hands

1329  
00:57:10,390 --> 00:57:08,319  
and that means that you want to ask a

1330  
00:57:13,030 --> 00:57:10,400  
question i'll put you in the queue and

1331  
00:57:15,990 --> 00:57:13,040  
this is always like with every guest all

1332  
00:57:17,750 --> 00:57:16,000  
the links um and everything that um

1333  
00:57:19,430 --> 00:57:17,760  
and he's involved in are available in

1334  
00:57:22,150 --> 00:57:19,440  
the description below and i encourage

1335  
00:57:24,069 --> 00:57:22,160  
you to go and check it out so

1336  
00:57:26,950 --> 00:57:24,079  
but yeah this will we will go into that

1337  
00:57:29,190 --> 00:57:26,960  
a little bit after um i asked a few more

1338  
00:57:32,150 --> 00:57:29,200

questions and after uh penny gets a

1339

00:57:33,670 --> 00:57:32,160

chance to to answer this one as well but

1340

00:57:36,150 --> 00:57:33,680

um

1341

00:57:38,390 --> 00:57:36,160

excuse me uh the link specifically for

1342

00:57:41,349 --> 00:57:38,400

telegram is in the description as well

1343

00:57:42,710 --> 00:57:41,359

so i would be probably asking enough

1344

00:57:44,390 --> 00:57:42,720

questions that if you don't have

1345

00:57:47,030 --> 00:57:44,400

telegram it should give you enough time

1346

00:57:49,430 --> 00:57:47,040

to get it install it and you'll be able

1347

00:57:51,030 --> 00:57:49,440

to to speak to her as well so penny i

1348

00:57:53,030 --> 00:57:51,040

was just um

1349

00:57:55,990 --> 00:57:53,040

filling in everyone else on on the

1350

00:57:58,710 --> 00:57:56,000

things that um that's coming up but uh

1351

00:58:00,870 --> 00:57:58,720

please if you have your

1352

00:58:02,950 --> 00:58:00,880

if you have your book available and

1353

00:58:03,829 --> 00:58:02,960

whatever you were wanting to talk about

1354

00:58:06,150 --> 00:58:03,839

next

1355

00:58:08,150 --> 00:58:06,160

okay i'll just i'll just read a few of

1356

00:58:10,150 --> 00:58:08,160

these things okay because there's a lot

1357

00:58:13,349 --> 00:58:10,160

and there's yes please do

1358

00:58:15,670 --> 00:58:13,359

so the first thing um that they do is

1359

00:58:17,430 --> 00:58:15,680

introduce money and the concept of

1360

00:58:19,910 --> 00:58:17,440

religion and the concept of the

1361

00:58:24,069 --> 00:58:19,920

corporate okay those are

1362

00:58:25,910 --> 00:58:24,079

signs that your planet is under takeover

1363

00:58:28,150 --> 00:58:25,920

processes okay

1364

00:58:30,390 --> 00:58:28,160

so they get control of all banking and

1365

00:58:33,030 --> 00:58:30,400

financial systems they use the banking

1366

00:58:35,030 --> 00:58:33,040

system to control people as needed they

1367

00:58:37,750 --> 00:58:35,040

develop credit scores to control

1368

00:58:40,390 --> 00:58:37,760

financial compliance and assure a steady

1369

00:58:43,910 --> 00:58:40,400

flow of money into the system and that

1370

00:58:45,670 --> 00:58:43,920

money is used to pay the humans who are

1371

00:58:48,549 --> 00:58:45,680

co-opted

1372

00:58:51,030 --> 00:58:48,559

okay they set up sources of income they

1373

00:58:53,190 --> 00:58:51,040

produce and sell drugs they build and

1374

00:58:55,030 --> 00:58:53,200

license private prisons

1375

00:58:57,270 --> 00:58:55,040

um and then they put people in those

1376

00:59:01,030 --> 00:58:57,280

prisons to work for a nickel or a

1377

00:59:03,349 --> 00:59:01,040

quarter an hour 25 cents an hour

1378

00:59:05,270 --> 00:59:03,359

they develop and extend the flesh

1379

00:59:07,670 --> 00:59:05,280

markets

1380

00:59:10,069 --> 00:59:07,680

those are mercenary soldiers are

1381

00:59:13,030 --> 00:59:10,079

considered part of the flesh markets sex

1382

00:59:16,390 --> 00:59:13,040

slaves pedophilia markets child

1383

00:59:19,510 --> 00:59:16,400

sacrifice organ markets

1384

00:59:21,829 --> 00:59:19,520

they begin the slow process of moving um

1385

00:59:23,990 --> 00:59:21,839

whatever the power center on the planet

1386

00:59:24,789 --> 00:59:24,000

is they move that elsewhere

1387

00:59:26,230 --> 00:59:24,799

um

1388

00:59:28,470 --> 00:59:26,240

they

1389

00:59:30,470 --> 00:59:28,480

find weak people without ethics or

1390

00:59:32,710 --> 00:59:30,480

morals put them into power or into

1391

00:59:35,670 --> 00:59:32,720

agencies and then direct their votes and

1392

00:59:42,069 --> 00:59:38,630

they gain control of media absolute

1393

00:59:44,950 --> 00:59:42,079

control of media and a social narrative

1394

00:59:47,990 --> 00:59:44,960

they pass laws that make it legal for

1395

00:59:51,829 --> 00:59:48,000

the media to print loot lies and and

1396

00:59:52,870 --> 00:59:51,839

propaganda instead of news and facts

1397

00:59:57,270 --> 00:59:52,880

they

1398

00:59:59,589 --> 00:59:57,280

psychiatrists and psychologists and

1399

01:00:02,870 --> 00:59:59,599

therapists who are skilled at splitting

1400

01:00:05,190 --> 01:00:02,880

a human mind into multiple personalities

1401  
01:00:07,750 --> 01:00:05,200  
hypnotizing one of those personalities

1402  
01:00:10,630 --> 01:00:07,760  
to kill on command

1403  
01:00:12,870 --> 01:00:10,640  
hypnotizing personalities to

1404  
01:00:14,630 --> 01:00:12,880  
immediately commit suicide after they

1405  
01:00:17,750 --> 01:00:14,640  
have carried out

1406  
01:00:20,150 --> 01:00:17,760  
some kind of kill on command order

1407  
01:00:21,829 --> 01:00:20,160  
and they use this psychiatric network to

1408  
01:00:23,670 --> 01:00:21,839  
create sleeper cells

1409  
01:00:25,750 --> 01:00:23,680  
individuals who will carry out mass

1410  
01:00:26,950 --> 01:00:25,760  
shootings on command

1411  
01:00:30,150 --> 01:00:26,960  
they

1412  
01:00:32,309 --> 01:00:30,160  
use movies as a mess messaging system

1413  
01:00:36,630 --> 01:00:32,319

provide a source of income

1414

01:00:38,870 --> 01:00:36,640

cabal and they provide sources of

1415

01:00:41,349 --> 01:00:38,880

beautiful people who can be used for

1416

01:00:43,990 --> 01:00:41,359

sexual payoffs and favors

1417

01:00:47,510 --> 01:00:44,000

they use false flag events all over the

1418

01:00:48,549 --> 01:00:47,520

place to create pressure

1419

01:00:49,910 --> 01:00:48,559

and gain

1420

01:00:52,390 --> 01:00:49,920

compliance

1421

01:00:53,670 --> 01:00:52,400

they get control of whatever form of

1422

01:00:56,870 --> 01:00:53,680

governance

1423

01:00:59,589 --> 01:00:56,880

they rig machines voting machines set up

1424

01:01:02,549 --> 01:00:59,599

sophisticated surveillance kill anybody

1425

01:01:05,510 --> 01:01:02,559

who figures out what's going on

1426  
01:01:08,230 --> 01:01:05,520  
pass laws that weaken the constitution

1427  
01:01:09,510 --> 01:01:08,240  
and for people and strengthen

1428  
01:01:13,190 --> 01:01:09,520  
the

1429  
01:01:15,750 --> 01:01:13,200  
rights for corporations corporate means

1430  
01:01:18,630 --> 01:01:15,760  
corpus means body

1431  
01:01:20,549 --> 01:01:18,640  
um they get control of agriculture seeds

1432  
01:01:22,950 --> 01:01:20,559  
in the food supply

1433  
01:01:24,870 --> 01:01:22,960  
they set recommended daily allowances

1434  
01:01:26,069 --> 01:01:24,880  
that are barely enough to keep people

1435  
01:01:28,630 --> 01:01:26,079  
alive

1436  
01:01:30,069 --> 01:01:28,640  
they lower nutrition levels which lowers

1437  
01:01:31,750 --> 01:01:30,079  
iq

1438  
01:01:34,150 --> 01:01:31,760

they promote a food pyramid that

1439

01:01:36,470 --> 01:01:34,160

recommends critically needed

1440

01:01:38,870 --> 01:01:36,480

foods or that fails to recommend

1441

01:01:41,990 --> 01:01:38,880

critically needed foods or foods that

1442

01:01:45,990 --> 01:01:42,000

promote dementia alzheimer's

1443

01:01:50,789 --> 01:01:47,750

they promote the use of poisonous

1444

01:01:52,549 --> 01:01:50,799

pesticides herbicides fungicides and

1445

01:01:54,789 --> 01:01:52,559

heavy metals

1446

01:01:58,069 --> 01:01:54,799

they create all kinds of harmful

1447

01:02:00,069 --> 01:01:58,079

bacteria and other organisms

1448

01:02:01,349 --> 01:02:00,079

they set up international trade

1449

01:02:03,510 --> 01:02:01,359

agreements

1450

01:02:06,630 --> 01:02:03,520

that channel money food and goods to

1451  
01:02:08,710 --> 01:02:06,640  
various countries as desired they create

1452  
01:02:09,589 --> 01:02:08,720  
shortages as needed anywhere in the

1453  
01:02:11,990 --> 01:02:09,599  
world

1454  
01:02:15,190 --> 01:02:12,000  
undermine every country's ability to be

1455  
01:02:18,069 --> 01:02:15,200  
self-sufficient as a critical piece

1456  
01:02:19,589 --> 01:02:18,079  
and gain control of the medical system

1457  
01:02:21,510 --> 01:02:19,599  
they um

1458  
01:02:23,589 --> 01:02:21,520  
they gain control of the education

1459  
01:02:25,670 --> 01:02:23,599  
system and design curricula that dumb

1460  
01:02:27,670 --> 01:02:25,680  
down the majority

1461  
01:02:29,589 --> 01:02:27,680  
they create institutions and private

1462  
01:02:30,950 --> 01:02:29,599  
foundations that can be used to launder

1463  
01:02:32,710 --> 01:02:30,960

money

1464

01:02:35,589 --> 01:02:32,720

and promote social

1465

01:02:37,270 --> 01:02:35,599

socialist agendas while serving as slush

1466

01:02:38,390 --> 01:02:37,280

funds and private pocketbooks for the

1467

01:02:40,630 --> 01:02:38,400

cabal

1468

01:02:43,029 --> 01:02:40,640

and when all that is up and running well

1469

01:02:44,950 --> 01:02:43,039

they embark on the final initiative

1470

01:02:47,029 --> 01:02:44,960

which is collapse as many national

1471

01:02:49,190 --> 01:02:47,039

borders as possible

1472

01:02:51,349 --> 01:02:49,200

get control of the leadership in several

1473

01:02:53,670 --> 01:02:51,359

countries in order to use them to

1474

01:02:57,109 --> 01:02:53,680

threaten the rest of the world

1475

01:03:00,870 --> 01:02:57,119

start wars as necessary create massive

1476

01:03:03,990 --> 01:03:00,880

destruction of cities and towns

1477

01:03:07,190 --> 01:03:04,000

encouraging refugee movement

1478

01:03:10,150 --> 01:03:07,200

i insist on laws that uh

1479

01:03:11,829 --> 01:03:10,160

that are contradictory to cooperation

1480

01:03:13,589 --> 01:03:11,839

and that start wars

1481

01:03:15,190 --> 01:03:13,599

um and they

1482

01:03:18,710 --> 01:03:15,200

they carry out all kinds of secret

1483

01:03:21,589 --> 01:03:18,720

agendas um and publicly label anybody

1484

01:03:24,630 --> 01:03:21,599

who won't cooperate as a rogue country

1485

01:03:27,029 --> 01:03:24,640

and ex and when these indebted countries

1486

01:03:28,950 --> 01:03:27,039

can't pay back loans force those

1487

01:03:32,390 --> 01:03:28,960

countries to turn over all their natural

1488

01:03:34,950 --> 01:03:32,400

resources and at that point they have

1489

01:03:36,230 --> 01:03:34,960  
everything they have control of

1490

01:03:38,950 --> 01:03:36,240  
everything

1491

01:03:41,750 --> 01:03:38,960  
so that's called the plan

1492

01:03:43,510 --> 01:03:41,760  
it's a plan that is commonly used to

1493

01:03:45,349 --> 01:03:43,520  
take over a planet

1494

01:03:47,990 --> 01:03:45,359  
and um

1495

01:03:51,109 --> 01:03:48,000  
and the people of earth were not

1496

01:03:52,230 --> 01:03:51,119  
aware that any of this i mean

1497

01:03:56,150 --> 01:03:52,240  
some

1498

01:03:57,990 --> 01:03:56,160  
um what was happening but

1499

01:04:01,510 --> 01:03:58,000  
it's really difficult to put it all

1500

01:04:06,789 --> 01:04:01,520  
together unless you know the plan the

1501

01:04:09,109 --> 01:04:06,799

usual agendas um for takeover so

1502

01:04:12,069 --> 01:04:09,119

that's it wow that's

1503

01:04:13,990 --> 01:04:12,079

a lot of actually all of them hit home i

1504

01:04:15,750 --> 01:04:14,000

mean especially i stay always stay

1505

01:04:18,069 --> 01:04:15,760

informed about a lot of different things

1506

01:04:20,309 --> 01:04:18,079

and throughout the 20 years

1507

01:04:21,990 --> 01:04:20,319

all of that you can definitely see i

1508

01:04:24,230 --> 01:04:22,000

mean even if you don't really do the

1509

01:04:26,150 --> 01:04:24,240

research you can just by listening some

1510

01:04:28,470 --> 01:04:26,160

of the things you're pointing out i can

1511

01:04:29,430 --> 01:04:28,480

definitely see

1512

01:04:32,230 --> 01:04:29,440

you know

1513

01:04:33,990 --> 01:04:32,240

those in in this in society happening

1514

01:04:36,710 --> 01:04:34,000

you know

1515

01:04:38,549 --> 01:04:36,720

early you mentioned so is there

1516

01:04:40,470 --> 01:04:38,559

i mean you said that they're

1517

01:04:42,309 --> 01:04:40,480

losing in the sense so what's been

1518

01:04:46,789 --> 01:04:42,319

happening that's that's basically kind

1519

01:04:50,950 --> 01:04:46,799

of um changing this tide of for us

1520

01:04:52,710 --> 01:04:50,960

um okay so what's happened is that

1521

01:04:55,029 --> 01:04:52,720

um

1522

01:04:56,630 --> 01:04:55,039

so i got a message

1523

01:04:59,430 --> 01:04:56,640

um and i think this was back at the

1524

01:05:02,470 --> 01:04:59,440

beginning of july toward the beginning

1525

01:05:04,150 --> 01:05:02,480

um in which i was

1526

01:05:07,109 --> 01:05:04,160

told um

1527

01:05:10,069 --> 01:05:07,119

so so let me back up a step i have to

1528

01:05:11,430 --> 01:05:10,079

explain a little bit more last year

1529

01:05:14,950 --> 01:05:11,440

i um

1530

01:05:16,789 --> 01:05:14,960

was focused on you know while i was

1531

01:05:19,670 --> 01:05:16,799

what's going to happen and everything is

1532

01:05:23,430 --> 01:05:19,680

falling apart and i was trying to see

1533

01:05:25,589 --> 01:05:23,440

clairvoyantly um what why is all this

1534

01:05:28,069 --> 01:05:25,599

happening what is this about and i ran

1535

01:05:29,029 --> 01:05:28,079

up against this white wall now the white

1536

01:05:32,230 --> 01:05:29,039

wall

1537

01:05:34,390 --> 01:05:32,240

is a signal to me that says stop

1538

01:05:36,789 --> 01:05:34,400

don't go any further don't say anymore

1539

01:05:40,549 --> 01:05:36,799

don't look any further don't you know

1540

01:05:44,390 --> 01:05:40,559

there's a big lesson here it's usually a

1541

01:05:45,829 --> 01:05:44,400

core lesson life and death um and if you

1542

01:05:47,670 --> 01:05:45,839

fail you die

1543

01:05:48,710 --> 01:05:47,680

uh if you

1544

01:05:50,710 --> 01:05:48,720

if you

1545

01:05:52,789 --> 01:05:50,720

uh succeed

1546

01:05:55,029 --> 01:05:52,799

you have a chance to

1547

01:05:56,710 --> 01:05:55,039

live and but there's a lot of work

1548

01:05:59,430 --> 01:05:56,720

associated with

1549

01:06:00,309 --> 01:05:59,440

the new life that has to be built

1550

01:06:05,349 --> 01:06:00,319

so

1551

01:06:06,549 --> 01:06:05,359

on my patreon channel

1552

01:06:09,270 --> 01:06:06,559

and said

1553

01:06:11,190 --> 01:06:09,280

i saw this break in the clouds

1554

01:06:13,510 --> 01:06:11,200

that was um

1555

01:06:15,270 --> 01:06:13,520

i think we're going to be okay but but i

1556

01:06:18,789 --> 01:06:15,280

saw this white wall that

1557

01:06:21,029 --> 01:06:18,799

that said don't say anymore so i was

1558

01:06:23,270 --> 01:06:21,039

holding out this you know we got

1559

01:06:26,150 --> 01:06:23,280

something to hang on to here but there's

1560

01:06:28,470 --> 01:06:26,160

a big lesson involved here what is the

1561

01:06:30,710 --> 01:06:28,480

lesson you need to be asking yourself

1562

01:06:31,589 --> 01:06:30,720

what is the lesson behind this white

1563

01:06:33,270 --> 01:06:31,599

wall

1564

01:06:35,910 --> 01:06:33,280

so in

1565

01:06:37,349 --> 01:06:35,920

so then nothing came around that white

1566

01:06:40,150 --> 01:06:37,359

wall until

1567

01:06:41,670 --> 01:06:40,160

uh july i think it was july

1568

01:06:43,109 --> 01:06:41,680

of this year

1569

01:06:44,630 --> 01:06:43,119

um

1570

01:06:45,670 --> 01:06:44,640

i was

1571

01:06:48,630 --> 01:06:45,680

suddenly

1572

01:06:50,309 --> 01:06:48,640

approached by some of my own people

1573

01:06:51,589 --> 01:06:50,319

who are not from

1574

01:06:53,750 --> 01:06:51,599

planet earth

1575

01:06:55,990 --> 01:06:53,760

who said go ahead and tell people what's

1576

01:06:56,870 --> 01:06:56,000

behind the white wall and i was like

1577

01:07:01,670 --> 01:06:56,880

what

1578

01:07:05,109 --> 01:07:01,680

is it going to ruin the lesson and the

1579

01:07:08,150 --> 01:07:05,119

answer was no enough of you have

1580

01:07:10,069 --> 01:07:08,160

uh hung on enough of you have

1581

01:07:11,829 --> 01:07:10,079

held this space

1582

01:07:14,150 --> 01:07:11,839

of of

1583

01:07:15,670 --> 01:07:14,160

love and understanding enough of you

1584

01:07:17,910 --> 01:07:15,680

have refused

1585

01:07:19,910 --> 01:07:17,920

to become violent

1586

01:07:22,630 --> 01:07:19,920

there was a whole string of things that

1587

01:07:25,589 --> 01:07:22,640

were listed that said we had earned

1588

01:07:28,549 --> 01:07:25,599

the right to know what was behind the

1589

01:07:31,270 --> 01:07:28,559

white wall and the white wall was that

1590

01:07:32,870 --> 01:07:31,280

the people who had been off the top

1591

01:07:36,150 --> 01:07:32,880

had left

1592

01:07:38,390 --> 01:07:36,160

and that with the colonization effort

1593

01:07:40,630 --> 01:07:38,400

was going to fail

1594

01:07:43,750 --> 01:07:40,640

now that didn't mean that we were home

1595

01:07:45,829 --> 01:07:43,760

free that didn't mean that we

1596

01:07:46,549 --> 01:07:45,839

wouldn't have to work our way through

1597

01:07:48,309 --> 01:07:46,559

the

1598

01:07:51,589 --> 01:07:48,319

colossal mess

1599

01:07:53,990 --> 01:07:51,599

that has been created

1600

01:07:58,150 --> 01:07:54,000

but it was enough

1601  
01:08:00,630 --> 01:07:58,160  
to hang on to to say okay you're winning

1602  
01:08:02,390 --> 01:08:00,640  
keep going and that was the message they

1603  
01:08:06,470 --> 01:08:02,400  
wanted us to

1604  
01:08:08,230 --> 01:08:06,480  
understand um and you know i cried and

1605  
01:08:09,990 --> 01:08:08,240  
was like oh my god

1606  
01:08:11,349 --> 01:08:10,000  
i think we're gonna make make you know

1607  
01:08:13,270 --> 01:08:11,359  
that kind of thing

1608  
01:08:14,549 --> 01:08:13,280  
um and so

1609  
01:08:17,349 --> 01:08:14,559  
that

1610  
01:08:20,789 --> 01:08:17,359  
core change

1611  
01:08:23,269 --> 01:08:20,799  
that has to be understood is that we are

1612  
01:08:26,149 --> 01:08:23,279  
not alone in the universe

1613  
01:08:28,870 --> 01:08:26,159

we are responsible for what happens on

1614

01:08:33,349 --> 01:08:28,880

our planet we must come together and

1615

01:08:35,349 --> 01:08:33,359

cooperate as one voice one people

1616

01:08:36,390 --> 01:08:35,359

not duplicates

1617

01:08:39,269 --> 01:08:36,400

you know

1618

01:08:40,229 --> 01:08:39,279

we're not this is not hive mind kind of

1619

01:08:43,829 --> 01:08:40,239

stuff

1620

01:08:46,630 --> 01:08:43,839

um this is people who cooperate

1621

01:08:48,229 --> 01:08:46,640

and who celebrate diversity

1622

01:08:51,829 --> 01:08:48,239

and cultures

1623

01:08:54,070 --> 01:08:51,839

and all sorts of things in and share

1624

01:08:56,070 --> 01:08:54,080

in order to move the evolution of

1625

01:09:00,390 --> 01:08:56,080

consciousness forward

1626

01:09:02,550 --> 01:09:00,400

so that's where we're at and

1627

01:09:03,590 --> 01:09:02,560

and now it's what september

1628

01:09:08,149 --> 01:09:03,600

3rd

1629

01:09:10,789 --> 01:09:08,159

and um and we have a lot of

1630

01:09:12,870 --> 01:09:10,799

of uproar that's coming and we have a

1631

01:09:16,070 --> 01:09:12,880

lot of people who

1632

01:09:17,110 --> 01:09:16,080

um have not seen what's happening what's

1633

01:09:19,269 --> 01:09:17,120

going on

1634

01:09:20,630 --> 01:09:19,279

a lot of people who have been conned

1635

01:09:22,390 --> 01:09:20,640

into

1636

01:09:25,349 --> 01:09:22,400

taking in

1637

01:09:26,470 --> 01:09:25,359

injectable material that is not good for

1638

01:09:28,709 --> 01:09:26,480

them

1639

01:09:31,510 --> 01:09:28,719

and they're gonna they're gonna have to

1640

01:09:33,669 --> 01:09:31,520

pay attention to their health

1641

01:09:35,110 --> 01:09:33,679

a lot a lot

1642

01:09:37,349 --> 01:09:35,120

and so

1643

01:09:40,229 --> 01:09:37,359

we're at the point of don't give up

1644

01:09:43,430 --> 01:09:40,239

don't quit don't sit down don't back off

1645

01:09:45,510 --> 01:09:43,440

keep up the pressure keep moving forward

1646

01:09:46,709 --> 01:09:45,520

they are going to collapse and when i

1647

01:09:48,789 --> 01:09:46,719

look ahead

1648

01:09:51,430 --> 01:09:48,799

um the collapse is kind of a slow

1649

01:09:54,470 --> 01:09:51,440

collapse that begins maybe this

1650

01:09:55,669 --> 01:09:54,480

middle of october and extends through to

1651

01:09:59,030 --> 01:09:55,679

january

1652

01:10:02,470 --> 01:09:59,040

um and we have very

1653

01:10:04,790 --> 01:10:02,480

little left of our of our united states

1654

01:10:05,910 --> 01:10:04,800

at that point

1655

01:10:08,630 --> 01:10:05,920

so

1656

01:10:11,510 --> 01:10:08,640

whole

1657

01:10:12,470 --> 01:10:11,520

uh story line are you talking about more

1658

01:10:14,709 --> 01:10:12,480

of a

1659

01:10:20,630 --> 01:10:14,719

physical collapse

1660

01:10:22,390 --> 01:10:20,640

um the government is not working the

1661

01:10:24,390 --> 01:10:22,400

people don't want the government and

1662

01:10:26,470 --> 01:10:24,400

they're not listening to the government

1663

01:10:28,870 --> 01:10:26,480

the medical system is not working the

1664

01:10:32,149 --> 01:10:28,880

education nothing is working the

1665

01:10:34,790 --> 01:10:32,159

financial system is not working so a lot

1666

01:10:38,470 --> 01:10:34,800

of things just

1667

01:10:41,990 --> 01:10:38,480

stop working or are working so poorly

1668

01:10:45,510 --> 01:10:42,000

that people are incredibly frustrated um

1669

01:10:47,910 --> 01:10:45,520

and that causes some anger um so be

1670

01:10:49,830 --> 01:10:47,920

patient people be patient you mean

1671

01:10:51,590 --> 01:10:49,840

between between now and next year of

1672

01:10:54,310 --> 01:10:51,600

january

1673

01:10:55,830 --> 01:10:54,320

yeah there's a lot of

1674

01:10:58,870 --> 01:10:55,840

of uh

1675

01:11:00,470 --> 01:10:58,880

i'm gonna call it uproar a lot of chaos

1676

01:11:03,910 --> 01:11:00,480

a lot of confusion

1677

01:11:05,830 --> 01:11:03,920

um i think one of the big

1678

01:11:06,550 --> 01:11:05,840

things that has

1679

01:11:09,030 --> 01:11:06,560

has

1680

01:11:11,189 --> 01:11:09,040

kind of been the carrot out there you

1681

01:11:12,950 --> 01:11:11,199

know for people is

1682

01:11:16,870 --> 01:11:12,960

trump is going to return trump is going

1683

01:11:20,229 --> 01:11:16,880

to return i do not see trump returning

1684

01:11:22,709 --> 01:11:20,239

and and there is no restoration

1685

01:11:24,709 --> 01:11:22,719

of our government

1686

01:11:26,390 --> 01:11:24,719

um and that

1687

01:11:28,630 --> 01:11:26,400

and we

1688

01:11:30,709 --> 01:11:28,640

are left with what we have right now

1689

01:11:33,110 --> 01:11:30,719

which continues to

1690

01:11:35,590 --> 01:11:33,120

um come apart and

1691

01:11:38,630 --> 01:11:35,600

um and they don't have any money and

1692

01:11:41,430 --> 01:11:38,640

they're not going to have any money um

1693

01:11:46,070 --> 01:11:41,440

and that the whole thing this is also

1694

01:11:49,110 --> 01:11:46,080

true in england and italy and france and

1695

01:11:50,149 --> 01:11:49,120

germany and a lot of places

1696

01:11:53,110 --> 01:11:50,159

um

1697

01:11:56,790 --> 01:11:53,120

australia has a massive fight ahead of

1698

01:11:59,590 --> 01:11:56,800

them brazil has difficulties coming a

1699

01:12:01,910 --> 01:11:59,600

lot of countries in south america

1700

01:12:03,510 --> 01:12:01,920

there's not very many places that will

1701  
01:12:06,310 --> 01:12:03,520  
be calm

1702  
01:12:08,950 --> 01:12:06,320  
and um

1703  
01:12:11,750 --> 01:12:08,960  
confident i mean they could be if we

1704  
01:12:13,510 --> 01:12:11,760  
just kind of came together and said you

1705  
01:12:15,510 --> 01:12:13,520  
know this is what we're going to do in

1706  
01:12:18,390 --> 01:12:15,520  
this area this region

1707  
01:12:19,350 --> 01:12:18,400  
um and and then proceed to do that in a

1708  
01:12:20,630 --> 01:12:19,360  
quiet

1709  
01:12:23,270 --> 01:12:20,640  
gentle

1710  
01:12:25,590 --> 01:12:23,280  
non-violent way

1711  
01:12:27,590 --> 01:12:25,600  
a lot of things could change very very

1712  
01:12:29,750 --> 01:12:27,600  
quickly

1713  
01:12:30,870 --> 01:12:29,760

and they're going to change either way

1714

01:12:32,149 --> 01:12:30,880

so

1715

01:12:34,870 --> 01:12:32,159

um

1716

01:12:37,350 --> 01:12:34,880

so why do it the hard way

1717

01:12:39,590 --> 01:12:37,360

and so uh uh penny i want to ask one

1718

01:12:42,390 --> 01:12:39,600

more question and then if if you're okay

1719

01:12:45,590 --> 01:12:42,400

i figured we'll go into some q a then

1720

01:12:47,270 --> 01:12:45,600

okay yeah okay good deal so

1721

01:12:49,990 --> 01:12:47,280

regarding this which we're talking about

1722

01:12:51,030 --> 01:12:50,000

the thing that a lot of us are you know

1723

01:12:53,830 --> 01:12:51,040

almost

1724

01:12:58,630 --> 01:12:53,840

being convinced and some countries even

1725

01:13:02,790 --> 01:13:00,709

what i wanted to ask regarding that it's

1726

01:13:05,270 --> 01:13:02,800

it's almost become like well it's not

1727

01:13:07,590 --> 01:13:05,280

almost it has become this divide just

1728

01:13:10,149 --> 01:13:07,600

even today from close friend of mine i

1729

01:13:12,310 --> 01:13:10,159

mean uh i heard i mean relationships

1730

01:13:14,790 --> 01:13:12,320

that have been going on for 20 30 plus

1731

01:13:18,149 --> 01:13:14,800

years um this has kind of been kind of

1732

01:13:20,310 --> 01:13:18,159

this this line in the sand to where uh

1733

01:13:22,790 --> 01:13:20,320

they're being disinvited from parties

1734

01:13:25,590 --> 01:13:22,800

they're uh being uh basically all

1735

01:13:27,830 --> 01:13:25,600

contact has been broken off and so

1736

01:13:29,910 --> 01:13:27,840

um is this also still like kind of like

1737

01:13:33,510 --> 01:13:29,920

the last a bit of a

1738

01:13:35,830 --> 01:13:33,520

death rattle of the system before before

1739

01:13:38,229 --> 01:13:35,840

a more apparent information will come

1740

01:13:39,910 --> 01:13:38,239

later or is this just what we're talking

1741

01:13:42,630 --> 01:13:39,920

about earlier between those that are

1742

01:13:44,470 --> 01:13:42,640

still asleep and those that are wanting

1743

01:13:46,149 --> 01:13:44,480

to i guess awaken for lack of a better

1744

01:13:47,030 --> 01:13:46,159

word

1745

01:13:49,350 --> 01:13:47,040

um

1746

01:13:52,149 --> 01:13:49,360

okay so

1747

01:13:55,110 --> 01:13:52,159

i think what i hear is you kind of

1748

01:13:57,030 --> 01:13:55,120

put two different things in there so

1749

01:14:00,790 --> 01:13:57,040

the people who get

1750

01:14:03,750 --> 01:14:00,800

the shot and the people who don't

1751

01:14:04,870 --> 01:14:03,760

there's no need for them to distrust one

1752

01:14:06,390 --> 01:14:04,880

another

1753

01:14:09,830 --> 01:14:06,400

there are

1754

01:14:13,189 --> 01:14:09,840

all sorts of there's all sorts of

1755

01:14:14,390 --> 01:14:13,199

information out there about how to detox

1756

01:14:16,790 --> 01:14:14,400

yourself

1757

01:14:20,790 --> 01:14:16,800

i think we're moving into frequency

1758

01:14:23,110 --> 01:14:20,800

medicine frequency medicine dissolves

1759

01:14:26,310 --> 01:14:23,120

certain substances

1760

01:14:28,950 --> 01:14:26,320

or cuts the you know frequency of

1761

01:14:30,790 --> 01:14:28,960

certain materials and therefore the

1762

01:14:34,790 --> 01:14:30,800

ability this is why it's important to

1763

01:14:36,950 --> 01:14:34,800

understand plasma physics and frequency

1764

01:14:38,630 --> 01:14:36,960

when you can erase

1765

01:14:41,350 --> 01:14:38,640

a substance

1766

01:14:43,669 --> 01:14:41,360

then it's no longer a problem

1767

01:14:46,149 --> 01:14:43,679

we don't need to be fighting

1768

01:14:48,310 --> 01:14:46,159

the people who have gotten the shot

1769

01:14:49,910 --> 01:14:48,320

versus people who haven't we don't need

1770

01:14:52,229 --> 01:14:49,920

to be afraid of one another we need to

1771

01:14:54,229 --> 01:14:52,239

be helping one another

1772

01:14:55,669 --> 01:14:54,239

because the ones who got the shot are

1773

01:14:57,669 --> 01:14:55,679

going to need to detox and they're going

1774

01:14:59,189 --> 01:14:57,679

to need to pay attention to their health

1775

01:15:00,950 --> 01:14:59,199

they're going to need to keep a health

1776

01:15:03,669 --> 01:15:00,960

kit on hand

1777

01:15:05,030 --> 01:15:03,679

that has certain things in it at all

1778

01:15:07,510 --> 01:15:05,040

times

1779

01:15:09,110 --> 01:15:07,520

they can't afford to backslide on their

1780

01:15:12,870 --> 01:15:09,120

health

1781

01:15:14,310 --> 01:15:12,880

so that's one thing and then um in terms

1782

01:15:15,270 --> 01:15:14,320

of the

1783

01:15:17,669 --> 01:15:15,280

uh

1784

01:15:20,790 --> 01:15:17,679

you know the the governmental thing and

1785

01:15:21,830 --> 01:15:20,800

the mandates and all that sort of thing

1786

01:15:24,310 --> 01:15:21,840

um

1787

01:15:26,550 --> 01:15:24,320

i think most of that can just be ignored

1788

01:15:29,910 --> 01:15:26,560

people just need to walk away

1789

01:15:31,030 --> 01:15:29,920

one of the things the robes said to me

1790

01:15:32,790 --> 01:15:31,040

um

1791

01:15:35,830 --> 01:15:32,800

way back when was

1792

01:15:39,669 --> 01:15:35,840

you will find that the thing that takes

1793

01:15:41,510 --> 01:15:39,679

them down them meaning the um the elites

1794

01:15:43,590 --> 01:15:41,520

and the people at the top

1795

01:15:46,790 --> 01:15:43,600

is when you stop

1796

01:15:49,189 --> 01:15:46,800

participating when everybody sits down

1797

01:15:51,350 --> 01:15:49,199

in their house refuses to go to work

1798

01:15:53,590 --> 01:15:51,360

refuses to spend any money

1799

01:15:55,590 --> 01:15:53,600

and the whole world shuts down except

1800

01:15:57,110 --> 01:15:55,600

for the nuclear plants you can't afford

1801  
01:15:58,070 --> 01:15:57,120  
to shut those down

1802  
01:16:01,110 --> 01:15:58,080  
for

1803  
01:16:03,189 --> 01:16:01,120  
three days four days five days and that

1804  
01:16:04,790 --> 01:16:03,199  
will teach two things that one it will

1805  
01:16:06,550 --> 01:16:04,800  
teach the

1806  
01:16:08,630 --> 01:16:06,560  
people who think they're in power that

1807  
01:16:10,950 --> 01:16:08,640  
no they don't have all the power

1808  
01:16:12,870 --> 01:16:10,960  
and it will teach the people who are

1809  
01:16:14,870 --> 01:16:12,880  
sitting they liken it to an

1810  
01:16:18,229 --> 01:16:14,880  
old-fashioned sit-in

1811  
01:16:20,870 --> 01:16:18,239  
that kids used to do back in the 60s um

1812  
01:16:22,229 --> 01:16:20,880  
they said the people who sit in their

1813  
01:16:25,350 --> 01:16:22,239

houses

1814

01:16:28,229 --> 01:16:25,360

will discover the power of not doing

1815

01:16:29,910 --> 01:16:28,239

they will discover their power

1816

01:16:31,990 --> 01:16:29,920

um and that

1817

01:16:34,390 --> 01:16:32,000

if you want a new world you have to stop

1818

01:16:36,870 --> 01:16:34,400

participating in the old one

1819

01:16:38,709 --> 01:16:36,880

well in order to stop participating in

1820

01:16:40,390 --> 01:16:38,719

the old one you need to build

1821

01:16:43,110 --> 01:16:40,400

relationships

1822

01:16:44,149 --> 01:16:43,120

and we need to eat a little humble pie

1823

01:16:46,630 --> 01:16:44,159

and say

1824

01:16:48,470 --> 01:16:46,640

you know i need some help here or i need

1825

01:16:50,950 --> 01:16:48,480

this or what would you do about that or

1826

01:16:53,270 --> 01:16:50,960

what do you know about such and such

1827

01:16:56,390 --> 01:16:53,280

so that's um

1828

01:16:58,950 --> 01:16:56,400

at least a part of an answer

1829

01:17:00,630 --> 01:16:58,960

so penny thank you for that that was

1830

01:17:02,950 --> 01:17:00,640

that was great information

1831

01:17:05,110 --> 01:17:02,960

all right so let's um

1832

01:17:07,590 --> 01:17:05,120

for all those watching we're going to go

1833

01:17:09,590 --> 01:17:07,600

into q a now so

1834

01:17:12,790 --> 01:17:09,600

both options options are available uh

1835

01:17:14,950 --> 01:17:12,800

telegram if you log in there join the

1836

01:17:16,950 --> 01:17:14,960

chat raise your hand and i'll add you to

1837

01:17:19,110 --> 01:17:16,960

my queue and for those that are

1838

01:17:22,149 --> 01:17:19,120

submitting questions in chat please make

1839

01:17:24,630 --> 01:17:22,159

sure to put three stars uh basically the

1840

01:17:26,550 --> 01:17:24,640

guess is shift eight um three stars

1841

01:17:28,390 --> 01:17:26,560

before your question so that way i know

1842

01:17:30,870 --> 01:17:28,400

it's not just you chatting with each

1843

01:17:32,950 --> 01:17:30,880

other but a question for penny instead

1844

01:17:34,070 --> 01:17:32,960

so uh penny the first question i have

1845

01:17:37,270 --> 01:17:34,080

here is from

1846

01:17:40,229 --> 01:17:37,280

uh rocks in space and the question is

1847

01:17:41,430 --> 01:17:40,239

how can i meet the ropes

1848

01:17:44,470 --> 01:17:41,440

oh wow

1849

01:17:47,110 --> 01:17:44,480

i'm probably not going to they don't

1850

01:17:48,470 --> 01:17:47,120

come around for

1851

01:17:50,390 --> 01:17:48,480

um

1852

01:17:53,030 --> 01:17:50,400

i was going to say for frivolous

1853

01:17:55,830 --> 01:17:53,040

purposes but i don't want rocks in space

1854

01:17:58,470 --> 01:17:55,840

to think that he or she is frivolous

1855

01:18:03,350 --> 01:17:58,480

they they only come around when there's

1856

01:18:05,669 --> 01:18:03,360

an emergency awakening of consciousness

1857

01:18:07,430 --> 01:18:05,679

these little guys were

1858

01:18:09,750 --> 01:18:07,440

very intense

1859

01:18:13,350 --> 01:18:09,760

i have not seen them or interacted with

1860

01:18:15,110 --> 01:18:13,360

them since they convinced me to publish

1861

01:18:16,229 --> 01:18:15,120

they actually published the book once i

1862

01:18:18,070 --> 01:18:16,239

had it written

1863

01:18:20,390 --> 01:18:18,080

so there have been three periods when

1864

01:18:22,709 --> 01:18:20,400

i've dealt with them one was when they

1865

01:18:24,709 --> 01:18:22,719

were showing me all the material

1866

01:18:26,149 --> 01:18:24,719

the second one they asked me to write a

1867

01:18:28,630 --> 01:18:26,159

book so they said they thought it would

1868

01:18:31,590 --> 01:18:28,640

be helpful for people and the third time

1869

01:18:33,830 --> 01:18:31,600

was once it was written six years later

1870

01:18:36,070 --> 01:18:33,840

and i said i'm not publishing that thing

1871

01:18:37,590 --> 01:18:36,080

people will think i'm crazy and they

1872

01:18:41,430 --> 01:18:37,600

showed up

1873

01:18:42,709 --> 01:18:41,440

and and i realized um okay i really need

1874

01:18:43,590 --> 01:18:42,719

to publish it

1875

01:18:48,950 --> 01:18:43,600

so

1876

01:18:51,110 --> 01:18:48,960

been quite a few people around the

1877

01:18:55,270 --> 01:18:51,120

planet who have contacted me

1878

01:18:57,590 --> 01:18:55,280

saying that they had met or been visited

1879

01:18:59,270 --> 01:18:57,600

by the little men in brown robes

1880

01:19:02,310 --> 01:18:59,280

you can invite them

1881

01:19:05,270 --> 01:19:02,320

i think they don't show up just

1882

01:19:06,709 --> 01:19:05,280

for to make uh for afternoon tea

1883

01:19:08,870 --> 01:19:06,719

okay

1884

01:19:11,110 --> 01:19:08,880

thank you for that um

1885

01:19:12,790 --> 01:19:11,120

i think uh this next question part that

1886

01:19:15,350 --> 01:19:12,800

i believe you already answered but i'll

1887

01:19:16,790 --> 01:19:15,360

read it out anyway uh peace peace on

1888

01:19:19,030 --> 01:19:16,800

earth is as

1889

01:19:21,430 --> 01:19:19,040

asking what can we do to help the people

1890

01:19:23,110 --> 01:19:21,440

in afghanistan and also how do we help

1891

01:19:25,830 --> 01:19:23,120

the people who will get sick from the

1892

01:19:27,430 --> 01:19:25,840

vacs thanks

1893

01:19:30,470 --> 01:19:27,440

um

1894

01:19:31,669 --> 01:19:30,480

okay so one of the big lessons from the

1895

01:19:34,390 --> 01:19:31,679

robes

1896

01:19:38,070 --> 01:19:34,400

was that natural law

1897

01:19:39,030 --> 01:19:38,080

is you take responsibility for yourself

1898

01:19:41,350 --> 01:19:39,040

so

1899

01:19:43,189 --> 01:19:41,360

if you are

1900

01:19:45,510 --> 01:19:43,199

in the u.s

1901

01:19:46,790 --> 01:19:45,520

and somebody over in afghanistan needs

1902

01:19:49,910 --> 01:19:46,800

something

1903

01:19:50,790 --> 01:19:49,920

you can send good wishes you can send

1904

01:19:53,430 --> 01:19:50,800

help

1905

01:19:55,750 --> 01:19:53,440

in terms of good thoughts because we

1906

01:19:56,790 --> 01:19:55,760

communicate all of us telepathically all

1907

01:20:00,390 --> 01:19:56,800

the time

1908

01:20:03,510 --> 01:20:00,400

but if unless somebody from afghan

1909

01:20:05,510 --> 01:20:03,520

afghanistan crosses your path

1910

01:20:08,709 --> 01:20:05,520

there's really not a whole lot you can

1911

01:20:09,750 --> 01:20:08,719

do you're supposed to focus on where you

1912

01:20:11,669 --> 01:20:09,760

are

1913

01:20:13,750 --> 01:20:11,679

your heart

1914

01:20:15,430 --> 01:20:13,760

i know for my own self

1915

01:20:19,030 --> 01:20:15,440

i have spent a little bit of time

1916

01:20:21,990 --> 01:20:19,040

sending you know beautiful loving light

1917

01:20:23,270 --> 01:20:22,000

to various places um in the hopes that

1918

01:20:26,790 --> 01:20:23,280

it would help

1919

01:20:28,310 --> 01:20:26,800

but the focus according to the robes is

1920

01:20:30,070 --> 01:20:28,320

right in front of you

1921

01:20:32,390 --> 01:20:30,080

the focus is on what are you doing with

1922

01:20:33,990 --> 01:20:32,400

your relationships what are you eating

1923

01:20:36,270 --> 01:20:34,000

for food

1924

01:20:39,030 --> 01:20:36,280

what are you doing to keep your house

1925

01:20:41,510 --> 01:20:39,040

maintainable what are you doing to move

1926

01:20:44,310 --> 01:20:41,520

yourself towards self-sufficiency in

1927

01:20:46,709 --> 01:20:44,320

terms of education in terms of medicine

1928

01:20:48,790 --> 01:20:46,719

in terms of food in terms of

1929

01:20:50,950 --> 01:20:48,800

work etc

1930

01:20:54,390 --> 01:20:50,960

those are the things that each of us

1931

01:20:56,709 --> 01:20:54,400

should focus on unless and until

1932

01:20:58,550 --> 01:20:56,719

someone from afghanistan

1933

01:21:00,229 --> 01:20:58,560

is in our face and we have to make a

1934

01:21:03,030 --> 01:21:00,239

decision about how we're going to

1935

01:21:05,750 --> 01:21:03,040

respond right then

1936

01:21:07,030 --> 01:21:05,760

so does that make sense

1937

01:21:08,950 --> 01:21:07,040

thank you penny

1938

01:21:11,430 --> 01:21:08,960

the next question is from

1939

01:21:13,910 --> 01:21:11,440

sarah i'm asking the other people

1940

01:21:16,070 --> 01:21:13,920

you work with didn't think we were going

1941

01:21:17,270 --> 01:21:16,080

to make it have they changed their minds

1942

01:21:18,790 --> 01:21:17,280

yet

1943

01:21:22,470 --> 01:21:18,800

yes

1944

01:21:23,990 --> 01:21:22,480

i did have some argument

1945

01:21:27,510 --> 01:21:24,000

with them

1946

01:21:31,910 --> 01:21:29,830

and i i

1947

01:21:32,870 --> 01:21:31,920

did argue back

1948

01:21:33,990 --> 01:21:32,880

and

1949

01:21:36,149 --> 01:21:34,000

um

1950

01:21:38,229 --> 01:21:36,159

and i had to

1951

01:21:41,030 --> 01:21:38,239

uh be pretty aggressive they don't like

1952

01:21:42,709 --> 01:21:41,040

that but i did make an impact and they

1953

01:21:44,870 --> 01:21:42,719

did not give up

1954

01:21:46,390 --> 01:21:44,880

um and they have

1955

01:21:49,350 --> 01:21:46,400

um

1956

01:21:50,149 --> 01:21:49,360

since said you know it's uh

1957

01:21:51,830 --> 01:21:50,159

uh

1958

01:21:53,910 --> 01:21:51,840

we think you're gonna make it don't stop

1959

01:21:56,550 --> 01:21:53,920

now and i've gotten that message more

1960

01:21:59,350 --> 01:21:56,560

than once don't stop don't quit don't

1961

01:22:01,910 --> 01:21:59,360

back up don't don't back down

1962

01:22:04,870 --> 01:22:01,920

um just keep moving forward in a

1963

01:22:07,590 --> 01:22:04,880

non-violent i'm doing this and i'm not

1964

01:22:09,590 --> 01:22:07,600

doing that kind of way

1965

01:22:11,750 --> 01:22:09,600

so good thank you

1966

01:22:15,910 --> 01:22:11,760

uh the next question is from

1967

01:22:17,990 --> 01:22:15,920

um uh jason's works um are the mantis

1968

01:22:20,629 --> 01:22:18,000

mantids at the top

1969

01:22:24,390 --> 01:22:20,639

and they control the reptilians and they

1970

01:22:27,910 --> 01:22:24,400

control the 13 bloodlines

1971

01:22:30,229 --> 01:22:27,920

uh that's pretty accurate um

1972

01:22:36,950 --> 01:22:30,239

they are

1973

01:22:39,590 --> 01:22:36,960

that came here to colonize colonizers

1974

01:22:42,470 --> 01:22:39,600

from other places in the in the cosmos

1975

01:22:44,070 --> 01:22:42,480

or other places in the galaxy usually

1976

01:22:46,709 --> 01:22:44,080

work in teams

1977

01:22:49,990 --> 01:22:46,719

and there'll be a decoy

1978

01:22:50,950 --> 01:22:50,000

and then there'll be a sob story of some

1979

01:22:53,030 --> 01:22:50,960

kind

1980

01:22:56,070 --> 01:22:53,040

and then um

1981

01:22:56,870 --> 01:22:56,080

you know there'll be some sort of uh

1982

01:22:59,030 --> 01:22:56,880

of

1983

01:23:01,750 --> 01:22:59,040

coordinated effort

1984

01:23:05,350 --> 01:23:01,760

there's a three or four groups of people

1985

01:23:08,229 --> 01:23:05,360

that have been here working to

1986

01:23:10,550 --> 01:23:08,239

colonize us but when one of the team

1987

01:23:11,590 --> 01:23:10,560

pulls out they all quit

1988

01:23:13,590 --> 01:23:11,600

so

1989

01:23:16,229 --> 01:23:13,600

um in

1990

01:23:18,550 --> 01:23:16,239

we're left holding the bag so to speak

1991

01:23:20,550 --> 01:23:18,560

but that's pretty accurate they are one

1992

01:23:22,390 --> 01:23:20,560

of the three top teams and then there's

1993

01:23:24,790 --> 01:23:22,400

a fourth

1994

01:23:27,990 --> 01:23:24,800

that works as kind of

1995

01:23:32,830 --> 01:23:29,669

okay thank you for that

1996

01:23:36,870 --> 01:23:32,840

the next question is from walt

1997

01:23:38,310 --> 01:23:36,880

apple um asking penny penny when did the

1998

01:23:40,950 --> 01:23:38,320

connell

1999

01:23:42,870 --> 01:23:40,960

colonizers decide to bail out uh what

2000

01:23:44,470 --> 01:23:42,880

was the turning point event in our

2001

01:23:46,790 --> 01:23:44,480

history

2002

01:23:50,229 --> 01:23:46,800

um i don't know when they decided to

2003

01:23:53,830 --> 01:23:50,239

pull out but the actual pullout began

2004

01:23:54,950 --> 01:23:53,840

i think in june may june of this year

2005

01:23:58,790 --> 01:23:54,960

and

2006

01:24:04,229 --> 01:24:01,270

so that's when i got the message that

2007

01:24:07,189 --> 01:24:04,239

they had pulled out

2008

01:24:09,669 --> 01:24:07,199

the next question is from m

2009

01:24:12,870 --> 01:24:09,679

what is the timeline of the demise of

2010

01:24:14,629 --> 01:24:12,880

the corporate system thanks

2011

01:24:16,390 --> 01:24:14,639

um

2012

01:24:19,350 --> 01:24:16,400

that's up to us

2013

01:24:21,510 --> 01:24:19,360

uh that's not something that can be

2014

01:24:24,709 --> 01:24:21,520

deliberately predicted

2015

01:24:25,910 --> 01:24:24,719

um because we haven't taken action and

2016

01:24:28,070 --> 01:24:25,920

we need to

2017

01:24:28,950 --> 01:24:28,080

the corporate system

2018

01:24:30,950 --> 01:24:28,960

um

2019

01:24:33,030 --> 01:24:30,960

really has to

2020

01:24:36,070 --> 01:24:33,040

be transformed from one based on

2021

01:24:37,430 --> 01:24:36,080

competition and solely on money to one

2022

01:24:39,350 --> 01:24:37,440

based on

2023

01:24:40,629 --> 01:24:39,360

production of goods and services that

2024

01:24:41,350 --> 01:24:40,639

people need

2025

01:24:43,270 --> 01:24:41,360

so

2026

01:24:44,870 --> 01:24:43,280

the goal and this was one of the things

2027

01:24:47,430 --> 01:24:44,880

the robe said was

2028

01:24:50,070 --> 01:24:47,440

take what you learned from corporations

2029

01:24:51,110 --> 01:24:50,080

and apply that in the new form of

2030

01:24:53,430 --> 01:24:51,120

business

2031

01:24:55,669 --> 01:24:53,440

um and that is

2032

01:24:58,229 --> 01:24:55,679

what we learned is how do we work

2033

01:24:59,350 --> 01:24:58,239

together across and around the entire

2034

01:25:01,030 --> 01:24:59,360

planet

2035

01:25:03,110 --> 01:25:01,040

how do we work with people in other

2036

01:25:05,590 --> 01:25:03,120

places that's what corporations have

2037

01:25:08,310 --> 01:25:05,600

taught us it's how to coordinate

2038

01:25:10,390 --> 01:25:08,320

um a lot of stuff and and you just need

2039

01:25:12,629 --> 01:25:10,400

somebody with some of those skills to

2040

01:25:14,390 --> 01:25:12,639

stand up and say well come on you know

2041

01:25:16,629 --> 01:25:14,400

these guys over here need this these

2042

01:25:19,110 --> 01:25:16,639

people over here need that let's see

2043

01:25:21,110 --> 01:25:19,120

what we can do and it starts

2044

01:25:24,070 --> 01:25:21,120

it's just that simple

2045

01:25:25,270 --> 01:25:24,080

somebody takes the initiative

2046

01:25:28,229 --> 01:25:25,280

great thank you

2047

01:25:30,390 --> 01:25:28,239

um teresa is asking when approximately

2048

01:25:33,189 --> 01:25:30,400

should we move from the northeast new

2049

01:25:35,590 --> 01:25:33,199

york area to the higher grounds uh thank

2050

01:25:36,550 --> 01:25:35,600

you penny much love

2051

01:25:39,350 --> 01:25:36,560

um

2052

01:25:41,910 --> 01:25:39,360

wow that's uh i don't like to tell

2053

01:25:42,790 --> 01:25:41,920

people where to go or when to go there

2054

01:25:46,229 --> 01:25:42,800

um

2055

01:25:47,350 --> 01:25:46,239

but the uh if it were me

2056

01:25:49,990 --> 01:25:47,360

um

2057

01:25:51,590 --> 01:25:50,000

i probably would have started

2058

01:25:52,470 --> 01:25:51,600

a year or two ago

2059

01:25:55,110 --> 01:25:52,480

um

2060

01:25:58,390 --> 01:25:55,120

it's from here on out it gets riskier

2061

01:26:00,310 --> 01:25:58,400

and riskier so just start just make a

2062

01:26:03,189 --> 01:26:00,320

move just don't do anything wild and

2063

01:26:04,070 --> 01:26:03,199

crazy um do what you can

2064

01:26:07,350 --> 01:26:04,080

um

2065

01:26:10,629 --> 01:26:07,360

decide you know to make a surveillance

2066

01:26:12,709 --> 01:26:10,639

trip or a surveyors trip or whatever

2067

01:26:14,950 --> 01:26:12,719

and just look around and see what's out

2068

01:26:15,669 --> 01:26:14,960

there what's possible

2069

01:26:18,550 --> 01:26:15,679

and

2070

01:26:21,110 --> 01:26:18,560

every town has a certain energy

2071

01:26:22,709 --> 01:26:21,120

signature and you will feel that when

2072

01:26:25,910 --> 01:26:22,719

you go through

2073

01:26:26,870 --> 01:26:25,920

those towns and pay attention to that

2074

01:26:29,350 --> 01:26:26,880

so

2075

01:26:31,510 --> 01:26:29,360

and then start moving yourself

2076

01:26:35,350 --> 01:26:31,520

okay

2077

01:26:39,189 --> 01:26:35,360

i would definitely be out before

2078

01:26:41,510 --> 01:26:39,199

uh before 2025 because there's

2079

01:26:46,790 --> 01:26:43,990

i would be i myself personally would

2080

01:26:48,950 --> 01:26:46,800

want to be out already and and

2081

01:26:52,070 --> 01:26:48,960

if i were still there i would want to be

2082

01:26:53,350 --> 01:26:52,080

out by the middle of 2022.

2083

01:26:54,870 --> 01:26:53,360

so

2084

01:26:56,709 --> 01:26:54,880

that does not give a whole lot of time

2085

01:26:58,470 --> 01:26:56,719

to change your life and turn it upside

2086

01:27:01,590 --> 01:26:58,480

down

2087

01:27:03,430 --> 01:27:01,600

uh um keith hempstead i just want to

2088

01:27:06,229 --> 01:27:03,440

mention she's also asking a question but

2089

01:27:08,629 --> 01:27:06,239

it was also a similar question to

2090

01:27:10,229 --> 01:27:08,639

when did the colonizers basically

2091

01:27:12,390 --> 01:27:10,239

abandon and you already answered that

2092

01:27:14,950 --> 01:27:12,400

but i just wanted to quickly mention it

2093

01:27:18,070 --> 01:27:14,960

on the air um linda

2094

01:27:20,629 --> 01:27:18,080

cromer is asking you mentioned

2095

01:27:21,750 --> 01:27:20,639

pacific north northwest early in the

2096

01:27:24,149 --> 01:27:21,760

program

2097

01:27:25,270 --> 01:27:24,159

rough place to hang out in during all

2098

01:27:27,110 --> 01:27:25,280

this

2099

01:27:31,510 --> 01:27:27,120

earthwise or

2100

01:27:37,430 --> 01:27:34,709

texas is okay texas is good

2101

01:27:40,390 --> 01:27:37,440

um the northwest

2102

01:27:41,510 --> 01:27:40,400

is gonna have to be completely rebuilt

2103

01:27:44,790 --> 01:27:41,520

um

2104

01:27:47,430 --> 01:27:44,800

i did i have seen some great difficulty

2105

01:27:51,669 --> 01:27:47,440

there not just political and financial

2106

01:27:54,470 --> 01:27:51,679

but earth changes kind of difficulty

2107

01:27:56,870 --> 01:27:54,480

so i've said to people

2108

01:27:59,669 --> 01:27:56,880

you might want to get on the other side

2109

01:28:01,430 --> 01:27:59,679

of the rocky mountain the range you know

2110

01:28:02,310 --> 01:28:01,440

the rocky mountain range

2111

01:28:04,310 --> 01:28:02,320

um

2112

01:28:07,189 --> 01:28:04,320

and anywhere

2113

01:28:09,510 --> 01:28:07,199

on the east side of the rockies is

2114

01:28:10,470 --> 01:28:09,520

probably acceptable

2115

01:28:15,110 --> 01:28:10,480

so

2116

01:28:17,030 --> 01:28:15,120

arkansas is fine yeah

2117

01:28:19,110 --> 01:28:17,040

just the selfish question that's what i

2118

01:28:21,110 --> 01:28:19,120

am and so i wanted to know while we're

2119

01:28:21,990 --> 01:28:21,120

on the subject

2120

01:28:23,990 --> 01:28:22,000

so

2121

01:28:25,990 --> 01:28:24,000

uh mia

2122

01:28:29,430 --> 01:28:26,000

muse i'm not sure how to pronounce his

2123

01:28:31,189 --> 01:28:29,440

name m-e-w-s is asking i got the wax and

2124

01:28:34,149 --> 01:28:31,199

feel good now but

2125

01:28:36,790 --> 01:28:34,159

what do i need to have on hand in case i

2126

01:28:41,430 --> 01:28:36,800

ever don't feel well

2127

01:28:44,950 --> 01:28:41,440

um so the medicine kit that i recommend

2128

01:28:47,270 --> 01:28:44,960

starts with um oxy life force it's an

2129

01:28:49,510 --> 01:28:47,280

oxygen elixir

2130

01:28:51,110 --> 01:28:49,520

and you just take some drops every day

2131

01:28:54,070 --> 01:28:51,120

you can get it from

2132

01:28:57,910 --> 01:28:54,080

www.get

2133

01:29:03,750 --> 01:28:57,920

get healthy again dot biz

2134

01:29:06,790 --> 01:29:03,760

and they and just type in in their

2135

01:29:10,709 --> 01:29:06,800

search box oxy life force or you can use

2136

01:29:11,830 --> 01:29:10,719

oxy dhq which is even more powerful

2137

01:29:14,790 --> 01:29:11,840

if you get

2138

01:29:16,229 --> 01:29:14,800

you know into the covet thing

2139

01:29:18,870 --> 01:29:16,239

you could probably take the both of them

2140

01:29:21,990 --> 01:29:18,880

together so that's one thing the second

2141

01:29:24,870 --> 01:29:22,000

thing is have zinc on hand 50 milligram

2142

01:29:28,070 --> 01:29:24,880

tablets or capsules um capsules are

2143

01:29:31,430 --> 01:29:28,080

better than easier to absorb

2144

01:29:33,750 --> 01:29:31,440

have some glutathione on hand it's like

2145

01:29:35,590 --> 01:29:33,760

vitamin c on steroids

2146

01:29:37,990 --> 01:29:35,600

if you don't have glutathione at least

2147

01:29:40,310 --> 01:29:38,000

have vitamin c

2148

01:29:41,830 --> 01:29:40,320

have some um

2149

01:29:44,310 --> 01:29:41,840

osilococcinum

2150

01:29:48,950 --> 01:29:44,320

it's a homeopathic remedy

2151

01:29:50,950 --> 01:29:48,960

and it's spelled the o s c i l l o

2152

01:29:53,270 --> 01:29:50,960

c o c c

2153

01:29:57,990 --> 01:29:53,280

i n u m

2154

01:30:01,350 --> 01:29:58,000

and it is a very powerful flu medicine

2155

01:30:03,430 --> 01:30:01,360

and since this whole thing is based on

2156

01:30:04,629 --> 01:30:03,440

you know it's a it's a rough form of a

2157

01:30:05,750 --> 01:30:04,639

flu

2158

01:30:08,310 --> 01:30:05,760

um

2159

01:30:10,310 --> 01:30:08,320

you can maybe have some of that on hand

2160

01:30:13,270 --> 01:30:10,320

i took that when i got it

2161

01:30:17,189 --> 01:30:13,280

um and i also took a homeopathic remedy

2162

01:30:19,669 --> 01:30:17,199

at the same time called mercurius vivas

2163

01:30:22,470 --> 01:30:19,679

200x

2164

01:30:25,189 --> 01:30:22,480  
which is the strength of the of the

2165

01:30:27,830 --> 01:30:25,199  
formula so oscillococcinum in in

2166

01:30:30,149 --> 01:30:27,840  
mercurius vivas i took both of those i

2167

01:30:32,149 --> 01:30:30,159  
took vitamin b6

2168

01:30:35,350 --> 01:30:32,159  
um every hour

2169

01:30:36,229 --> 01:30:35,360  
i took glutathione and i

2170

01:30:39,430 --> 01:30:36,239  
um

2171

01:30:41,830 --> 01:30:39,440  
took a little bit of the oxygen so that

2172

01:30:43,750 --> 01:30:41,840  
set of things let's see if i missed

2173

01:30:45,669 --> 01:30:43,760  
anything here

2174

01:30:46,470 --> 01:30:45,679  
um

2175

01:30:47,590 --> 01:30:46,480  
nope

2176  
01:30:49,669 --> 01:30:47,600  
that's it

2177  
01:30:50,790 --> 01:30:49,679  
that the zinc

2178  
01:30:52,390 --> 01:30:50,800  
um

2179  
01:30:55,110 --> 01:30:52,400  
is the primary thing if you can't get

2180  
01:30:56,470 --> 01:30:55,120  
anything else have zinc on hand

2181  
01:30:59,430 --> 01:30:56,480  
um

2182  
01:31:00,629 --> 01:30:59,440  
that really makes a huge difference

2183  
01:31:03,910 --> 01:31:00,639  
so

2184  
01:31:05,270 --> 01:31:03,920  
zinc just destroys the virus

2185  
01:31:07,669 --> 01:31:05,280  
okay thank you

2186  
01:31:08,870 --> 01:31:07,679  
you can use some of the things that are

2187  
01:31:11,990 --> 01:31:08,880  
out there

2188  
01:31:14,870 --> 01:31:12,000

um that start with eye and end with

2189

01:31:17,590 --> 01:31:16,629

that helps deliver the zinc a little

2190

01:31:21,030 --> 01:31:17,600

better

2191

01:31:24,390 --> 01:31:21,040

um and i don't know if you can get um

2192

01:31:28,310 --> 01:31:24,400

the thing that starts with hydroxy

2193

01:31:30,790 --> 01:31:28,320

uh i won't say the whole thing but um

2194

01:31:33,590 --> 01:31:30,800

both of those are very very good at

2195

01:31:36,470 --> 01:31:33,600

delivering the zinc into the cells

2196

01:31:37,830 --> 01:31:36,480

so that's um that's what you want is to

2197

01:31:40,470 --> 01:31:37,840

destroy

2198

01:31:43,189 --> 01:31:40,480

the virus before it can spread

2199

01:31:46,229 --> 01:31:43,199

so okay thank you for that

2200

01:31:48,790 --> 01:31:46,239

also so real quick for those um stolen

2201  
01:31:51,350 --> 01:31:48,800  
telegram uh you can still ask questions

2202  
01:31:53,830 --> 01:31:51,360  
so don't be shy um

2203  
01:31:57,270 --> 01:31:53,840  
deborah

2204  
01:31:59,669 --> 01:31:57,280  
f spouse of f house is basically kind of

2205  
01:32:02,550 --> 01:31:59,679  
making a statement says hi penny a

2206  
01:32:05,430 --> 01:32:02,560  
kundalini query on my work on

2207  
01:32:06,390 --> 01:32:05,440  
uh expanding consciousness my experience

2208  
01:32:09,669 --> 01:32:06,400  
of

2209  
01:32:12,390 --> 01:32:09,679  
k i guess kundalini have all been in the

2210  
01:32:15,990 --> 01:32:12,400  
right um have been in the lucid oob

2211  
01:32:17,750 --> 01:32:16,000  
state which flows through to to physical

2212  
01:32:21,030 --> 01:32:17,760  
comments

2213  
01:32:22,390 --> 01:32:21,040

yeah that's exactly right um it's a

2214

01:32:26,390 --> 01:32:22,400

little

2215

01:32:29,350 --> 01:32:26,400

uh let me say this kundalini can occur

2216

01:32:31,189 --> 01:32:29,360

whether you're awake or asleep

2217

01:32:35,030 --> 01:32:31,199

you can get into a state of

2218

01:32:38,709 --> 01:32:35,040

consciousness that invites that

2219

01:32:42,550 --> 01:32:38,719

that rush of energy so it's it's valid

2220

01:32:46,070 --> 01:32:42,560

either way it continues to transform you

2221

01:32:47,910 --> 01:32:46,080

and it continues to

2222

01:32:51,030 --> 01:32:47,920

make your consciousness

2223

01:32:52,149 --> 01:32:51,040

uh or expand your consciousness in ways

2224

01:32:55,350 --> 01:32:52,159

that

2225

01:32:58,790 --> 01:32:55,360

if you can follow through on the

2226

01:33:00,709 --> 01:32:58,800

what i'll call the in the waking hours

2227

01:33:02,950 --> 01:33:00,719

then you can begin to really know the

2228

01:33:04,310 --> 01:33:02,960

goal is not to

2229

01:33:06,470 --> 01:33:04,320

um

2230

01:33:09,669 --> 01:33:06,480

how do i say this

2231

01:33:12,310 --> 01:33:09,679

the goal is to be able to operate in the

2232

01:33:15,830 --> 01:33:12,320

physical reality system

2233

01:33:19,510 --> 01:33:15,840

with all the power and wisdom and grace

2234

01:33:21,590 --> 01:33:19,520

that all the systems offer that all the

2235

01:33:22,629 --> 01:33:21,600

higher dimensions offer

2236

01:33:23,430 --> 01:33:22,639

so

2237

01:33:26,470 --> 01:33:23,440

um

2238

01:33:28,149 --> 01:33:26,480

you know just be aware that it's

2239

01:33:30,950 --> 01:33:28,159

a lot of people

2240

01:33:31,910 --> 01:33:30,960

you know i don't think deb is included

2241

01:33:34,950 --> 01:33:31,920

here

2242

01:33:38,950 --> 01:33:34,960

but um a lot of people go after

2243

01:33:41,030 --> 01:33:38,960

spiritual experiences as kind of a

2244

01:33:43,110 --> 01:33:41,040

a thrill

2245

01:33:45,030 --> 01:33:43,120

kundalini is not one that you want to go

2246

01:33:47,270 --> 01:33:45,040

after for thrills

2247

01:33:48,950 --> 01:33:47,280

because it has some dangers associated

2248

01:33:52,390 --> 01:33:48,960

with it

2249

01:33:53,350 --> 01:33:52,400

and it but the gifts if you can get

2250

01:33:55,990 --> 01:33:53,360

through it

2251  
01:33:58,550 --> 01:33:56,000  
the gifts are tremendous and well worth

2252  
01:34:00,790 --> 01:33:58,560  
it so okay i know i've said something

2253  
01:34:01,669 --> 01:34:00,800  
contradictory there

2254  
01:34:03,590 --> 01:34:01,679  
so

2255  
01:34:06,629 --> 01:34:03,600  
great thanks penny um

2256  
01:34:08,149 --> 01:34:06,639  
nathan on on telegram you're unmuted if

2257  
01:34:15,750 --> 01:34:08,159  
you want to ask a question i'll mute

2258  
01:34:19,510 --> 01:34:17,350  
okay maybe i'll

2259  
01:34:21,669 --> 01:34:19,520  
you hear me yep hello

2260  
01:34:23,270 --> 01:34:21,679  
uh yes hi hi penny thank you so very

2261  
01:34:25,030 --> 01:34:23,280  
much for all this wonderful information

2262  
01:34:27,189 --> 01:34:25,040  
you're sharing with us

2263  
01:34:29,669 --> 01:34:27,199

you're welcome my question is

2264

01:34:32,550 --> 01:34:29,679

if um if you know somebody or if

2265

01:34:34,870 --> 01:34:32,560

somebody has gotten the jab and for lack

2266

01:34:36,950 --> 01:34:34,880

for once of a better term uh has buyer's

2267

01:34:39,030 --> 01:34:36,960

remorse do you have any recommendations

2268

01:34:40,870 --> 01:34:39,040

of what they could do to sort of reverse

2269

01:34:42,870 --> 01:34:40,880

the effects or maybe clean it out of

2270

01:34:47,350 --> 01:34:42,880

their system before it really makes too

2271

01:34:49,669 --> 01:34:47,360

many major damage damaging changes yeah

2272

01:34:52,709 --> 01:34:49,679

i think the most important thing

2273

01:34:54,149 --> 01:34:52,719

is to begin some kind of detox

2274

01:34:54,950 --> 01:34:54,159

detox

2275

01:35:00,709 --> 01:34:54,960

is

2276

01:35:01,990 --> 01:35:00,719

immediately begin trying to get rid of

2277

01:35:07,430 --> 01:35:02,000

any heavy

2278

01:35:09,910 --> 01:35:07,440

and so the body is one of your allies

2279

01:35:12,149 --> 01:35:09,920

here not your enemy

2280

01:35:13,750 --> 01:35:12,159

so just know that that's going to start

2281

01:35:16,310 --> 01:35:13,760

immediately

2282

01:35:18,390 --> 01:35:16,320

the the thing that will speed that up

2283

01:35:22,709 --> 01:35:18,400

tremendously including getting rid of

2284

01:35:25,030 --> 01:35:22,719

other heavy metals is taking zeolite dhq

2285

01:35:26,629 --> 01:35:25,040

which you can also get from get healthy

2286

01:35:28,950 --> 01:35:26,639

again. is

2287

01:35:32,550 --> 01:35:28,960

which i mentioned just a few minutes ago

2288

01:35:40,070 --> 01:35:36,229

and zeolite with dhq in it very very

2289

01:35:41,910 --> 01:35:40,080

powerful and zeolite clamps on to metals

2290

01:35:44,149 --> 01:35:41,920

and just ushers them out of the body

2291

01:35:46,470 --> 01:35:44,159

doesn't let go until they're out and

2292

01:35:50,629 --> 01:35:46,480

even then i don't know if it lets go

2293

01:35:53,109 --> 01:35:50,639

um but that's one thing um the

2294

01:35:56,470 --> 01:35:53,119

the thing that i think is really

2295

01:35:58,550 --> 01:35:56,480

important is maybe to do a liver flush

2296

01:36:01,030 --> 01:35:58,560

um because the liver is going to try and

2297

01:36:02,790 --> 01:36:01,040

collect some of that stuff and in order

2298

01:36:04,790 --> 01:36:02,800

to get it out of the system but once

2299

01:36:06,310 --> 01:36:04,800

it's in the liver you have to get it out

2300

01:36:07,109 --> 01:36:06,320

of the liver

2301

01:36:09,030 --> 01:36:07,119

so

2302

01:36:11,590 --> 01:36:09,040

that's a second thing

2303

01:36:14,149 --> 01:36:11,600

another thing you could maybe consider

2304

01:36:15,270 --> 01:36:14,159

is doing it's much more expensive and

2305

01:36:16,310 --> 01:36:15,280

it's much

2306

01:36:18,629 --> 01:36:16,320

more

2307

01:36:22,070 --> 01:36:18,639

involved is to do

2308

01:36:24,709 --> 01:36:22,080

cmp or dmcs chelation

2309

01:36:27,510 --> 01:36:24,719

um there are a few places not a lot that

2310

01:36:28,709 --> 01:36:27,520

do that kind of chelation but it's very

2311

01:36:30,629 --> 01:36:28,719

powerful

2312

01:36:32,550 --> 01:36:30,639

and keep yourself clean don't get

2313

01:36:33,430 --> 01:36:32,560

another shot

2314

01:36:35,990 --> 01:36:33,440

okay

2315

01:36:38,149 --> 01:36:36,000

that would be my advice

2316

01:36:40,149 --> 01:36:38,159

thank you nathan thank you penny penny

2317

01:36:42,070 --> 01:36:40,159

real quick we are at the hour and a half

2318

01:36:44,709 --> 01:36:42,080

mark i i wanted to ask would it be all

2319

01:36:47,350 --> 01:36:44,719

right for maybe two more questions

2320

01:36:50,070 --> 01:36:47,360

okay yeah we can do two more okay thanks

2321

01:36:54,870 --> 01:36:50,080

for that i appreciate it um so the next

2322

01:36:57,109 --> 01:36:54,880

question is if i can scroll down here uh

2323

01:36:59,109 --> 01:36:57,119

s t v j and s i'm sorry i can't

2324

01:37:02,629 --> 01:36:59,119

pronounce the name but the question is

2325

01:37:04,629 --> 01:37:02,639

what about the us military part of trump

2326

01:37:07,030 --> 01:37:04,639

part of the trump story is that he was

2327

01:37:09,990 --> 01:37:07,040

brought in to play a role in this plan

2328

01:37:13,350 --> 01:37:10,000

that had been long ongoing

2329

01:37:16,470 --> 01:37:13,360

um that is correct

2330

01:37:19,109 --> 01:37:16,480

um the assumption that i made i mean all

2331

01:37:20,629 --> 01:37:19,119

of us have been conned and i'm i'm just

2332

01:37:24,070 --> 01:37:20,639

like oh

2333

01:37:26,709 --> 01:37:24,080

but um the assumption that was made by

2334

01:37:29,830 --> 01:37:26,719

all of us i think including myself was

2335

01:37:33,350 --> 01:37:29,840

that he was invited to become the

2336

01:37:36,070 --> 01:37:33,360

president um and promise that he he was

2337

01:37:39,750 --> 01:37:36,080

guaranteed that he would be kept safe

2338

01:37:40,550 --> 01:37:39,760

um but that the military

2339

01:37:42,629 --> 01:37:40,560

is

2340

01:37:44,070 --> 01:37:42,639

they're all involved in that the

2341

01:37:45,030 --> 01:37:44,080

military

2342

01:37:48,470 --> 01:37:45,040

trump

2343

01:37:51,669 --> 01:37:48,480

the biden the democrats the republicans

2344

01:37:54,390 --> 01:37:51,679

the corporations they're all in on it

2345

01:37:55,270 --> 01:37:54,400

they're all trying to push this

2346

01:37:56,790 --> 01:37:55,280

um

2347

01:37:59,830 --> 01:37:56,800

this agenda

2348

01:38:03,030 --> 01:37:59,840

that is now failing miserably

2349

01:38:04,229 --> 01:38:03,040

and um and they really don't have a

2350

01:38:06,950 --> 01:38:04,239

whole lot

2351  
01:38:08,229 --> 01:38:06,960  
to hang on to they don't

2352  
01:38:09,750 --> 01:38:08,239  
have

2353  
01:38:12,229 --> 01:38:09,760  
um well

2354  
01:38:13,830 --> 01:38:12,239  
let me not aggravate the military let's

2355  
01:38:15,109 --> 01:38:13,840  
just say that

2356  
01:38:17,990 --> 01:38:15,119  
um

2357  
01:38:21,030 --> 01:38:18,000  
the military that we see

2358  
01:38:23,430 --> 01:38:21,040  
uh is somewhat compromised i think there

2359  
01:38:26,790 --> 01:38:23,440  
are parts of the military that are not

2360  
01:38:28,390 --> 01:38:26,800  
compromised and that is where our hope

2361  
01:38:30,550 --> 01:38:28,400  
is and they

2362  
01:38:31,590 --> 01:38:30,560  
none of them have a kind of weaponry

2363  
01:38:33,910 --> 01:38:31,600

that

2364

01:38:34,709 --> 01:38:33,920

ops have

2365

01:38:37,350 --> 01:38:34,719

so

2366

01:38:41,189 --> 01:38:37,360

we want to make friends with ops with

2367

01:38:44,149 --> 01:38:41,199

other people other humanoid beings

2368

01:38:46,709 --> 01:38:44,159

okay and then the last question there's

2369

01:38:48,070 --> 01:38:46,719

many more but i certainly

2370

01:38:49,750 --> 01:38:48,080

appreciate you taking the time and

2371

01:38:52,470 --> 01:38:49,760

already spending as much time as you

2372

01:38:55,430 --> 01:38:52,480

already have i'm very grateful for that

2373

01:38:57,590 --> 01:38:55,440

nick is asking basically hi penny you

2374

01:38:59,510 --> 01:38:57,600

included china in the fall down

2375

01:39:02,070 --> 01:38:59,520

does that mean that the chinese

2376

01:39:04,070 --> 01:39:02,080

communist party will dismantle or rather

2377

01:39:07,990 --> 01:39:04,080

in some part of china for

2378

01:39:10,229 --> 01:39:08,000

for example tibet separating from china

2379

01:39:13,430 --> 01:39:10,239

um one of the things that the robes

2380

01:39:15,590 --> 01:39:13,440

showed me was this massive wave

2381

01:39:19,030 --> 01:39:15,600

of destruction

2382

01:39:21,669 --> 01:39:19,040

and revolution in china

2383

01:39:24,790 --> 01:39:21,679

the communist party just got swept away

2384

01:39:28,229 --> 01:39:24,800

the whole governmental the whole country

2385

01:39:29,189 --> 01:39:28,239

practically got swept away

2386

01:39:37,189 --> 01:39:29,199

the

2387

01:39:38,149 --> 01:39:37,199

and i just want to say this

2388

01:39:40,390 --> 01:39:38,159

people

2389

01:39:41,910 --> 01:39:40,400

fear is the result of believing in

2390

01:39:44,709 --> 01:39:41,920

illusions

2391

01:39:47,030 --> 01:39:44,719

once you begin to get real

2392

01:39:49,830 --> 01:39:47,040

and you begin to see what is

2393

01:39:51,750 --> 01:39:49,840

and you know what's going on and you

2394

01:39:53,669 --> 01:39:51,760

know what you're up against then you can

2395

01:39:58,550 --> 01:39:53,679

begin to

2396

01:40:00,950 --> 01:39:58,560

organize yourself rethink plan prepare

2397

01:40:03,430 --> 01:40:00,960

make some changes

2398

01:40:04,470 --> 01:40:03,440

long-term short-term and medium-term

2399

01:40:06,790 --> 01:40:04,480

plans

2400

01:40:09,189 --> 01:40:06,800

that make sense if this then that if

2401  
01:40:11,109 --> 01:40:09,199  
that doesn't happen well we'll do this

2402  
01:40:13,270 --> 01:40:11,119  
um that should be done

2403  
01:40:14,149 --> 01:40:13,280  
families friends

2404  
01:40:16,470 --> 01:40:14,159  
uh

2405  
01:40:20,070 --> 01:40:16,480  
people of like mine should begin doing

2406  
01:40:22,229 --> 01:40:20,080  
that process get together and make lists

2407  
01:40:23,910 --> 01:40:22,239  
that's the simplest way the list well

2408  
01:40:25,830 --> 01:40:23,920  
what do we need

2409  
01:40:27,910 --> 01:40:25,840  
uh what do we do with this where do we

2410  
01:40:28,950 --> 01:40:27,920  
get that who do we know it produces such

2411  
01:40:31,510 --> 01:40:28,960  
and such

2412  
01:40:34,470 --> 01:40:31,520  
who's got what skills

2413  
01:40:37,910 --> 01:40:34,480

that those lists are invaluable they

2414

01:40:39,910 --> 01:40:37,920

become databases of information

2415

01:40:42,470 --> 01:40:39,920

so i think i'm getting off directly the

2416

01:40:43,350 --> 01:40:42,480

question but um

2417

01:40:48,149 --> 01:40:43,360

yeah

2418

01:40:50,950 --> 01:40:48,159

just just start just start okay

2419

01:40:52,709 --> 01:40:50,960

great thank you penny well uh certainly

2420

01:40:55,030 --> 01:40:52,719

with as much information as we heard

2421

01:40:57,270 --> 01:40:55,040

today uh certainly this is

2422

01:40:58,950 --> 01:40:57,280

not all of it so as always i encourage

2423

01:41:01,910 --> 01:40:58,960

you to check out the links that penny

2424

01:41:03,750 --> 01:41:01,920

had provided below uh to her patreon to

2425

01:41:06,310 --> 01:41:03,760

different websites and it's all in the

2426  
01:41:07,750 --> 01:41:06,320  
description and penny thank you again

2427  
01:41:09,910 --> 01:41:07,760  
very much for being on i really

2428  
01:41:11,669 --> 01:41:09,920  
appreciate it and so before we finish

2429  
01:41:13,750 --> 01:41:11,679  
off i want to give you the last word to

2430  
01:41:15,189 --> 01:41:13,760  
finish off with whatever message you

2431  
01:41:17,030 --> 01:41:15,199  
would like

2432  
01:41:19,830 --> 01:41:17,040  
okay um

2433  
01:41:21,830 --> 01:41:19,840  
so let me repeat what i said when you

2434  
01:41:23,030 --> 01:41:21,840  
are lost in illusions you will be

2435  
01:41:26,149 --> 01:41:23,040  
fearful

2436  
01:41:28,149 --> 01:41:26,159  
um so try to let go of those illusions

2437  
01:41:30,390 --> 01:41:28,159  
and deal with what's right in front of

2438  
01:41:32,470 --> 01:41:30,400

you don't make it into something more

2439

01:41:35,030 --> 01:41:32,480

than it really is

2440

01:41:38,229 --> 01:41:35,040

stay with what's real

2441

01:41:40,229 --> 01:41:38,239

begin to read or listen or expand

2442

01:41:42,870 --> 01:41:40,239

probably most of you people

2443

01:41:45,350 --> 01:41:42,880

are already quite expanded in terms of

2444

01:41:49,990 --> 01:41:45,360

consciousness but keep going with that

2445

01:41:52,149 --> 01:41:50,000

effort um that's really really important

2446

01:41:55,430 --> 01:41:52,159

put some time into thinking about the

2447

01:41:58,070 --> 01:41:55,440

kind of world that you want to live in

2448

01:42:00,310 --> 01:41:58,080

what you want in terms of governance

2449

01:42:02,709 --> 01:42:00,320

what you want in terms of food what you

2450

01:42:04,790 --> 01:42:02,719

think you'd need in terms of medicine

2451

01:42:06,390 --> 01:42:04,800

friends housing

2452

01:42:09,350 --> 01:42:06,400

education

2453

01:42:10,470 --> 01:42:09,360

um the whole world is waiting to be

2454

01:42:11,990 --> 01:42:10,480

renewed

2455

01:42:14,550 --> 01:42:12,000

regenerated

2456

01:42:17,669 --> 01:42:14,560

so you know let's come together and do

2457

01:42:19,990 --> 01:42:17,679

that i think it'll be not only very

2458

01:42:22,470 --> 01:42:20,000

interesting but a lot of fun

2459

01:42:24,470 --> 01:42:22,480

and very productive

2460

01:42:26,709 --> 01:42:24,480

well penny thank you for that uh it's

2461

01:42:28,950 --> 01:42:26,719

been great i hope that in the future we

2462

01:42:30,790 --> 01:42:28,960

can do this again sometime and again i

2463

01:42:33,590 --> 01:42:30,800

appreciate you for coming on very much

2464

01:42:35,669 --> 01:42:33,600

and i'm sure everyone else found it very

2465

01:42:38,070 --> 01:42:35,679

informative and definitely different

2466

01:42:40,229 --> 01:42:38,080

different angle to to the general story

2467

01:42:41,430 --> 01:42:40,239

about our planet so thank you for that

2468

01:42:44,149 --> 01:42:41,440

and so

2469

01:42:45,430 --> 01:42:44,159

uh everyone else watching uh tune in

2470

01:42:47,830 --> 01:42:45,440

next week on wednesday we're going to

2471

01:42:50,149 --> 01:42:47,840

have open lines at 7 00 p.m

2472

01:42:53,109 --> 01:42:50,159

so i'll see some of you there and penny

2473

01:42:55,669 --> 01:42:53,119

thank you again and we'll talk soon
