

UFO HUB

LIVE STREAM

1
00:00:20,070 --> 00:00:12,920
[Music]

2
00:00:20,080 --> 00:00:23,300
so

3
00:00:23,310 --> 00:00:49,350
[Music]

4
00:00:49,360 --> 00:00:55,960
so

5
00:00:55,970 --> 00:01:38,230
[Music]

6
00:02:13,350 --> 00:01:41,749
food

7
00:02:13,360 --> 00:03:41,430
[Music]

8
00:03:45,910 --> 00:03:43,670
hey everyone welcome to geofab live

9
00:03:47,270 --> 00:03:45,920
stream today's guest is going to be

10
00:03:49,430 --> 00:03:47,280
truth seeker

11
00:03:51,430 --> 00:03:49,440
for quite some time i've been wanting to

12
00:03:54,149 --> 00:03:51,440
talk to somebody other than me always

13
00:03:55,670 --> 00:03:54,159

just talking about it about uh

14

00:04:00,070 --> 00:03:55,680

not necessarily the connection between

15

00:04:02,470 --> 00:04:00,080

ufos uh demons angels and spirits but

16

00:04:04,710 --> 00:04:02,480

generally that at least from what i've

17

00:04:07,270 --> 00:04:04,720

experienced from what i know that it's

18

00:04:09,190 --> 00:04:07,280

all coming from the same place and i

19

00:04:11,509 --> 00:04:09,200

can't say that

20

00:04:13,670 --> 00:04:11,519

until i start talking to to

21

00:04:15,429 --> 00:04:13,680

true seeker i can say that he has the

22

00:04:17,590 --> 00:04:15,439

same belief system but i would love to

23

00:04:18,870 --> 00:04:17,600

hear his point of view on this so before

24

00:04:21,990 --> 00:04:18,880

we continue

25

00:04:24,629 --> 00:04:22,000

and introduce the guest i want to just

26

00:04:26,950 --> 00:04:24,639

let you know real quick in the comments

27

00:04:28,550 --> 00:04:26,960

whether you're using youtube facebook or

28

00:04:30,950 --> 00:04:28,560

twitch to watch this

29

00:04:34,710 --> 00:04:30,960

please put in the three little stars

30

00:04:36,870 --> 00:04:34,720

that's i believe uh shift a eight uh for

31

00:04:40,150 --> 00:04:36,880

for any questions so three little stars

32

00:04:42,390 --> 00:04:40,160

and then question followed by that um or

33

00:04:44,230 --> 00:04:42,400

following that so that way it jumps out

34

00:04:47,030 --> 00:04:44,240

at me and i know it's directed towards

35

00:04:48,310 --> 00:04:47,040

the guest you can also log in to uh

36

00:04:50,950 --> 00:04:48,320

telegram

37

00:04:53,030 --> 00:04:50,960

using the link in description below and

38

00:04:54,629 --> 00:04:53,040

log into the ufo telegram group and

39

00:04:56,230 --> 00:04:54,639

you'll see that there's a voice chat

40

00:04:58,790 --> 00:04:56,240

going on right now and it's also

41

00:05:01,430 --> 00:04:58,800

simultaneously broadcasting so

42

00:05:03,909 --> 00:05:01,440

you can later on during q a

43

00:05:05,590 --> 00:05:03,919

just log in raise your hand this

44

00:05:07,749 --> 00:05:05,600

basically what i mean by that is a

45

00:05:09,590 --> 00:05:07,759

little fella with a raised hand there

46

00:05:12,790 --> 00:05:09,600

tap that button and you'll be able to

47

00:05:14,629 --> 00:05:12,800

get in my queue and ask um to seek a

48

00:05:17,189 --> 00:05:14,639

question yourself

49

00:05:19,029 --> 00:05:17,199

so everything is looking pretty good so

50

00:05:22,629 --> 00:05:19,039

without any further ado let me bring

51
00:05:24,390 --> 00:05:22,639
into truth seeker welcome how are you

52
00:05:25,510 --> 00:05:24,400
hey brother i'm well man thank you for

53
00:05:28,390 --> 00:05:25,520
having me

54
00:05:31,029 --> 00:05:28,400
well i'm glad we're able to uh to speak

55
00:05:33,430 --> 00:05:31,039
today because for a while um oh actually

56
00:05:35,670 --> 00:05:33,440
it's been a while back i made this

57
00:05:40,390 --> 00:05:35,680
video it's actually what i call the

58
00:05:41,670 --> 00:05:40,400
the intro for uh for you for hub and my

59
00:05:43,749 --> 00:05:41,680
i guess the words if i'm trying to

60
00:05:45,990 --> 00:05:43,759
remember them real quick we're simply

61
00:05:47,430 --> 00:05:46,000
saying that um

62
00:05:50,230 --> 00:05:47,440
that the

63
00:05:51,510 --> 00:05:50,240

uh it's occurred to some of you but not

64

00:05:52,950 --> 00:05:51,520

uh it's

65

00:05:54,550 --> 00:05:52,960

something i'm butchering my own words

66

00:05:56,150 --> 00:05:54,560

it's occurred to

67

00:05:58,550 --> 00:05:56,160

some of you but it hasn't to a lot of

68

00:06:00,710 --> 00:05:58,560

you that the metaphysical and spiritual

69

00:06:03,029 --> 00:06:00,720

uh subjects go hand in hand with the ufo

70

00:06:05,350 --> 00:06:03,039

phenomena now i i

71

00:06:07,189 --> 00:06:05,360

we haven't really spoken prior to this

72

00:06:10,070 --> 00:06:07,199

so i don't know where you stand on this

73

00:06:12,309 --> 00:06:10,080

and again this doesn't have to be ufo

74

00:06:14,390 --> 00:06:12,319

related at all but i often mention it

75

00:06:16,150 --> 00:06:14,400

whenever i can because uh based on my

76

00:06:18,790 --> 00:06:16,160

experiences and other people's

77

00:06:21,909 --> 00:06:18,800

experiences the spirituality and

78

00:06:25,189 --> 00:06:21,919

metaphysical really does interconnect

79

00:06:27,110 --> 00:06:25,199

with ufos so at least uh we figured i

80

00:06:29,430 --> 00:06:27,120

figured we can go into some details

81

00:06:31,189 --> 00:06:29,440

regarding that but as always i just

82

00:06:32,710 --> 00:06:31,199

would like to introduce yourself and

83

00:06:35,430 --> 00:06:32,720

then go a little bit of background

84

00:06:36,469 --> 00:06:35,440

information about you as well please

85

00:06:38,870 --> 00:06:36,479

great great

86

00:06:40,629 --> 00:06:38,880

again thank you for having me um so i go

87

00:06:43,909 --> 00:06:40,639

by the name of truth sega i'm a

88

00:06:45,110 --> 00:06:43,919

spiritual and esoteric hip-hop artist

89

00:06:47,350 --> 00:06:45,120

and so i

90

00:06:48,790 --> 00:06:47,360

try to articulate my beliefs and my

91

00:06:51,749 --> 00:06:48,800

experiences

92

00:06:54,230 --> 00:06:51,759

through the form of hip-hop and also

93

00:06:57,270 --> 00:06:54,240

other things guided meditations

94

00:07:00,150 --> 00:06:57,280

um breath work sessions and and so many

95

00:07:02,790 --> 00:07:00,160

different blogging i got a book out it's

96

00:07:04,870 --> 00:07:02,800

the title of this episode spirit realm

97

00:07:07,430 --> 00:07:04,880

angels demon spirits and the sovereignty

98

00:07:09,749 --> 00:07:07,440

of god and just trying to find different

99

00:07:12,629 --> 00:07:09,759

mediums to articulate the beautiful

100

00:07:15,589 --> 00:07:12,639

truths that i've come in contact with

101
00:07:18,550 --> 00:07:15,599
about the spirit world and about how uh

102
00:07:21,029 --> 00:07:18,560
its influence that it has upon our lives

103
00:07:23,749 --> 00:07:21,039
and everything that we do has a ripple

104
00:07:26,309 --> 00:07:23,759
effect in the spirit realm as well so

105
00:07:28,070 --> 00:07:26,319
i've given my life to to study in that

106
00:07:30,469 --> 00:07:28,080
aspect and

107
00:07:32,790 --> 00:07:30,479
have had experiences with it ever since

108
00:07:34,870 --> 00:07:32,800
i was a toddler really dating back to

109
00:07:37,749 --> 00:07:34,880
when i was four years old of

110
00:07:39,830 --> 00:07:37,759
waking up in my room and being what i

111
00:07:41,350 --> 00:07:39,840
felt like attacked by shadow beings

112
00:07:43,029 --> 00:07:41,360
these beings that are

113
00:07:45,110 --> 00:07:43,039

in your room and they were on my chest

114

00:07:47,670 --> 00:07:45,120

and actually pinning me to the bed these

115

00:07:49,670 --> 00:07:47,680

two dark shadow beings and

116

00:07:53,110 --> 00:07:49,680

uh for me being so young in that

117

00:07:54,230 --> 00:07:53,120

experience i woke up in sheer terror but

118

00:07:56,710 --> 00:07:54,240

um

119

00:07:58,550 --> 00:07:56,720

what it did it it burst something within

120

00:08:00,629 --> 00:07:58,560

me at the age of four that kind of

121

00:08:01,749 --> 00:08:00,639

marked me for the rest of my life it it

122

00:08:04,150 --> 00:08:01,759

actually

123

00:08:06,070 --> 00:08:04,160

would change the uh the type of movies

124

00:08:07,830 --> 00:08:06,080

that i wanted to watch if we were going

125

00:08:10,309 --> 00:08:07,840

to to rent a movie for the weekend with

126

00:08:11,749 --> 00:08:10,319

my friends and family and cousins and

127

00:08:13,350 --> 00:08:11,759

stuff and everybody's picking a movie

128

00:08:17,670 --> 00:08:13,360

i'm picking a

129

00:08:19,350 --> 00:08:17,680

movie that's about

130

00:08:21,029 --> 00:08:19,360

those type of subjects because i was

131

00:08:21,909 --> 00:08:21,039

always interested and even though you

132

00:08:23,749 --> 00:08:21,919

would be

133

00:08:25,029 --> 00:08:23,759

too scared to talk about that stuff or

134

00:08:29,830 --> 00:08:25,039

bring it up

135

00:08:31,430 --> 00:08:29,840

sleepovers we were telling ghost stories

136

00:08:33,269 --> 00:08:31,440

and i would say hey have you anybody

137

00:08:34,630 --> 00:08:33,279

ever had this happen to you

138

00:08:36,389 --> 00:08:34,640

wake up in the middle of the night and

139

00:08:38,550 --> 00:08:36,399

there's something in your room and and

140

00:08:40,949 --> 00:08:38,560

the more you talk about it eventually

141

00:08:43,589 --> 00:08:40,959

people say yeah i've heard about that i

142

00:08:45,750 --> 00:08:43,599

had this other type of being that's a

143

00:08:47,990 --> 00:08:45,760

shadow being that was wearing a trench

144

00:08:49,910 --> 00:08:48,000

coat and a hat walked into my room wow

145

00:08:51,590 --> 00:08:49,920

that's weird never heard of that one

146

00:08:53,910 --> 00:08:51,600

someone else would say

147

00:08:56,470 --> 00:08:53,920

yeah my dad had it happen and he calls

148

00:08:58,710 --> 00:08:56,480

them witches and they're not necessarily

149

00:08:59,990 --> 00:08:58,720

bad i've heard stories about them waking

150

00:09:02,070 --> 00:09:00,000

people up in the middle of the night

151
00:09:04,310 --> 00:09:02,080
when their houses were on fire and you

152
00:09:08,550 --> 00:09:04,320
start to hear these stories so that

153
00:09:10,949 --> 00:09:08,560
experience dating back to four years old

154
00:09:14,070 --> 00:09:10,959
had so much impact on me and even to

155
00:09:16,389 --> 00:09:14,080
what i'm doing today and i just tracing

156
00:09:18,949 --> 00:09:16,399
everything back from these monumental

157
00:09:20,870 --> 00:09:18,959
experiences with

158
00:09:22,630 --> 00:09:20,880
spirituality with

159
00:09:25,030 --> 00:09:22,640
spirit beings

160
00:09:27,590 --> 00:09:25,040
ufos ufology the first time

161
00:09:29,670 --> 00:09:27,600
seeing a ufo or even watching those

162
00:09:31,829 --> 00:09:29,680
movies and watching

163
00:09:33,910 --> 00:09:31,839

fire in the sky that

164

00:09:35,990 --> 00:09:33,920

scared me and made me think that

165

00:09:39,110 --> 00:09:36,000

monsters were real because it was

166

00:09:42,710 --> 00:09:39,120

so-called based upon a true story so

167

00:09:45,269 --> 00:09:42,720

uh that in intrigue uh was within me

168

00:09:47,110 --> 00:09:45,279

my entire childhood and um

169

00:09:49,110 --> 00:09:47,120

i ended up getting into the occult at a

170

00:09:52,070 --> 00:09:49,120

young age and getting into satanism and

171

00:09:55,269 --> 00:09:52,080

witchcraft which really opened up a a

172

00:09:56,389 --> 00:09:55,279

door for me to to uh to make contact

173

00:09:58,310 --> 00:09:56,399

with

174

00:09:59,110 --> 00:09:58,320

similar entities that i believe that

175

00:10:00,870 --> 00:09:59,120

were

176

00:10:03,990 --> 00:10:00,880

trying to contact me when i was a child

177

00:10:05,990 --> 00:10:04,000

but it was down the negative path and i

178

00:10:07,750 --> 00:10:06,000

was a misguided youth the misguided teen

179

00:10:10,790 --> 00:10:07,760

and then i mixed the occult and

180

00:10:12,949 --> 00:10:10,800

witchcraft and spirit contact with it

181

00:10:13,829 --> 00:10:12,959

and needless to say that didn't end up

182

00:10:15,509 --> 00:10:13,839

good

183

00:10:17,910 --> 00:10:15,519

i was about 16 when this happened

184

00:10:19,190 --> 00:10:17,920

anywhere from from 13 to 16 when it got

185

00:10:21,750 --> 00:10:19,200

really deep and

186

00:10:24,389 --> 00:10:21,760

ended up almost getting into paranoid

187

00:10:26,230 --> 00:10:24,399

schizophrenia hearing voices making

188

00:10:28,230 --> 00:10:26,240

pacts with entities that would speak to

189

00:10:30,710 --> 00:10:28,240

me in the middle of the night pulled me

190

00:10:33,590 --> 00:10:30,720

into trance's mid-sentence and i

191

00:10:36,069 --> 00:10:33,600

couldn't control it i would turn pale

192

00:10:37,750 --> 00:10:36,079

i would begin to shake and uh see

193

00:10:39,030 --> 00:10:37,760

spirits and colors and shapes and

194

00:10:40,630 --> 00:10:39,040

they're all whispering different

195

00:10:42,949 --> 00:10:40,640

languages to me

196

00:10:44,870 --> 00:10:42,959

and my heart would race and it wasn't

197

00:10:46,710 --> 00:10:44,880

pleasant it wasn't it didn't look like

198

00:10:48,310 --> 00:10:46,720

it did on the movies all the movies i

199

00:10:50,870 --> 00:10:48,320

watched when you would see this stuff

200

00:10:53,350 --> 00:10:50,880

happening in a beautiful light so

201
00:10:55,990 --> 00:10:53,360
all of that to come to a head

202
00:10:57,990 --> 00:10:56,000
to where i um

203
00:11:00,630 --> 00:10:58,000
called out to god for help you know at

204
00:11:02,550 --> 00:11:00,640
this moment of rock bottom and having

205
00:11:05,110 --> 00:11:02,560
voices speaking to me and shadows

206
00:11:07,110 --> 00:11:05,120
dancing in in the hallways and hearing

207
00:11:09,030 --> 00:11:07,120
footsteps and just almost being

208
00:11:11,509 --> 00:11:09,040
tormented by those types of entities

209
00:11:13,910 --> 00:11:11,519
that i made pacts with and so

210
00:11:14,949 --> 00:11:13,920
um called out to god in this last hope

211
00:11:17,509 --> 00:11:14,959
of uh

212
00:11:20,389 --> 00:11:17,519
desperation at 16 i was really young

213
00:11:22,949 --> 00:11:20,399

when this happened and and um asked god

214

00:11:25,030 --> 00:11:22,959

to come into my life and forgive me of

215

00:11:27,430 --> 00:11:25,040

dabbling in those realms and

216

00:11:29,829 --> 00:11:27,440

and close those doors and and he did and

217

00:11:33,509 --> 00:11:29,839

so i i got in church and had an

218

00:11:35,910 --> 00:11:33,519

encounter with with god uh september of

219

00:11:38,069 --> 00:11:35,920

2000 september 7th i

220

00:11:40,230 --> 00:11:38,079

rededicated my life back to god

221

00:11:43,430 --> 00:11:40,240

and have been following that path ever

222

00:11:45,269 --> 00:11:43,440

since and so on the christian path

223

00:11:47,430 --> 00:11:45,279

you know going to church and youth group

224

00:11:49,350 --> 00:11:47,440

at the time it's pretty there's a

225

00:11:51,670 --> 00:11:49,360

monotony there but there's still some

226

00:11:53,509 --> 00:11:51,680

there's still some exploration upon

227

00:11:54,389 --> 00:11:53,519

spiritual subjects and spiritual matters

228

00:11:55,430 --> 00:11:54,399

but

229

00:11:57,509 --> 00:11:55,440

um

230

00:11:59,269 --> 00:11:57,519

my studies started to take me even

231

00:12:01,590 --> 00:11:59,279

deeper and

232

00:12:03,750 --> 00:12:01,600

to be honest with you a lot of things

233

00:12:05,350 --> 00:12:03,760

came full circle and i began to be

234

00:12:06,949 --> 00:12:05,360

reintroduced

235

00:12:09,829 --> 00:12:06,959

to many of the things that i was

236

00:12:10,949 --> 00:12:09,839

interested in as a youth that i was

237

00:12:13,590 --> 00:12:10,959

handling

238

00:12:15,670 --> 00:12:13,600

um without responsibility and tapping

239

00:12:16,870 --> 00:12:15,680

into it without a life that was devoted

240

00:12:26,230 --> 00:12:16,880

to

241

00:12:28,069 --> 00:12:26,240

realms at once and maintain sanity so

242

00:12:30,550 --> 00:12:28,079

everything came full circle for me and i

243

00:12:31,829 --> 00:12:30,560

began to see a lot of the things that i

244

00:12:34,629 --> 00:12:31,839

ran from

245

00:12:38,550 --> 00:12:34,639

from the occult within the bible

246

00:12:40,310 --> 00:12:38,560

including ufos including spirit contact

247

00:12:43,269 --> 00:12:40,320

being taught from beyond the grave by

248

00:12:45,670 --> 00:12:43,279

the ancestors reincarnation

249

00:12:47,990 --> 00:12:45,680

communing with angels leaving your body

250

00:12:50,629 --> 00:12:48,000

all of these things that the majority of

251
00:12:53,269 --> 00:12:50,639
christendom would would deem the occult

252
00:12:55,670 --> 00:12:53,279
or deemed a new age and we should stay

253
00:12:57,670 --> 00:12:55,680
away from because it's demonic i found

254
00:12:59,910 --> 00:12:57,680
that the very patriarchs and people that

255
00:13:00,949 --> 00:12:59,920
i looked up to within the holy

256
00:13:03,750 --> 00:13:00,959
scriptures

257
00:13:05,509 --> 00:13:03,760
were practicing many of these magical

258
00:13:07,590 --> 00:13:05,519
and curious arts

259
00:13:11,030 --> 00:13:07,600
from a place of compassion and from a

260
00:13:11,750 --> 00:13:11,040
place of a life devoted to those things

261
00:13:14,389 --> 00:13:11,760
so

262
00:13:17,269 --> 00:13:14,399
my story comes full circle to now be

263
00:13:20,470 --> 00:13:17,279

reintroduced to many of the mystical and

264

00:13:22,949 --> 00:13:20,480

metaphysical aspects of life and uh and

265

00:13:25,910 --> 00:13:22,959

finding biblical grounds for for many of

266

00:13:28,150 --> 00:13:25,920

them that would not speak against it

267

00:13:29,990 --> 00:13:28,160

because the majority of christians would

268

00:13:32,150 --> 00:13:30,000

again label these things and tell you

269

00:13:34,470 --> 00:13:32,160

why we should stay away or tell you why

270

00:13:36,790 --> 00:13:34,480

it's demonic even what i bring to the

271

00:13:38,790 --> 00:13:36,800

table with ufology

272

00:13:40,629 --> 00:13:38,800

any christian that you ask the majority

273

00:13:43,269 --> 00:13:40,639

of them are going to tell you that the

274

00:13:46,710 --> 00:13:43,279

link between ufos and

275

00:13:49,590 --> 00:13:46,720

and the spirit world is strictly demonic

276

00:13:51,829 --> 00:13:49,600

hands down they'll there's no no

277

00:13:55,430 --> 00:13:51,839

question about it not even space

278

00:13:57,269 --> 00:13:55,440

brothers not even any uh theory about

279

00:13:58,470 --> 00:13:57,279

maybe it's us from

280

00:14:00,870 --> 00:13:58,480

uh

281

00:14:03,509 --> 00:14:00,880

a thousand or a million years coming

282

00:14:05,430 --> 00:14:03,519

back to our former selves any of the

283

00:14:08,949 --> 00:14:05,440

theories that we like to

284

00:14:10,470 --> 00:14:08,959

to explore in ufology christendom would

285

00:14:12,629 --> 00:14:10,480

say that it is

286

00:14:14,949 --> 00:14:12,639

that they have the staple on that

287

00:14:17,829 --> 00:14:14,959

subject and that is demonic and so

288

00:14:20,150 --> 00:14:17,839

my studies and my

289

00:14:22,949 --> 00:14:20,160

experiences have proven otherwise and

290

00:14:25,829 --> 00:14:22,959

and i tie it back into the angels

291

00:14:28,069 --> 00:14:25,839

of the bible and the angelic uh heavenly

292

00:14:30,389 --> 00:14:28,079

hosts that are watching over humanity

293

00:14:32,629 --> 00:14:30,399

and have been since our conception

294

00:14:35,509 --> 00:14:32,639

so i know that's a mouthful brother but

295

00:14:38,230 --> 00:14:35,519

that is a introduction in my world view

296

00:14:40,550 --> 00:14:38,240

and uh where i'm coming from with this

297

00:14:42,710 --> 00:14:40,560

discussion tonight

298

00:14:45,110 --> 00:14:42,720

no that's great it's just um i kept

299

00:14:46,389 --> 00:14:45,120

thinking that's a lot to unpack because

300

00:14:47,910 --> 00:14:46,399

excuse me

301
00:14:49,990 --> 00:14:47,920
i know i'm not limited on time and

302
00:14:52,870 --> 00:14:50,000
you're saying you you you are not either

303
00:14:55,430 --> 00:14:52,880
if i'm not mistaken so um at least we

304
00:14:57,030 --> 00:14:55,440
don't have to hurry up and try to to

305
00:14:58,870 --> 00:14:57,040
rush over things so

306
00:15:00,550 --> 00:14:58,880
based on from your point of view what do

307
00:15:02,949 --> 00:15:00,560
you feel like would be the the best to

308
00:15:03,990 --> 00:15:02,959
start with uh to just kind of

309
00:15:07,430 --> 00:15:04,000
start

310
00:15:09,910 --> 00:15:07,440
unraveling what what all of this is

311
00:15:13,990 --> 00:15:10,829
yeah

312
00:15:15,829 --> 00:15:14,000
um what is it all about that's a that's

313
00:15:18,310 --> 00:15:15,839

a mouthful you know because i think it's

314

00:15:19,910 --> 00:15:18,320

about a lot of different things

315

00:15:20,710 --> 00:15:19,920

i will say this

316

00:15:22,470 --> 00:15:20,720

um

317

00:15:25,509 --> 00:15:22,480

my book about

318

00:15:27,670 --> 00:15:25,519

spirit realm angels demons spirits

319

00:15:29,509 --> 00:15:27,680

and the caveat to those are the

320

00:15:30,870 --> 00:15:29,519

sovereignty of god and what that means

321

00:15:34,230 --> 00:15:30,880

is how

322

00:15:35,189 --> 00:15:34,240

the creator has orchestrated this realm

323

00:15:36,790 --> 00:15:35,199

um

324

00:15:40,629 --> 00:15:36,800

meticulously

325

00:15:42,550 --> 00:15:40,639

how everything and everyone every being

326

00:15:45,590 --> 00:15:42,560

every angel every demon

327

00:15:47,749 --> 00:15:45,600

every microscopic organism

328

00:15:49,749 --> 00:15:47,759

the ones we've encountered the ones that

329

00:15:52,150 --> 00:15:49,759

we know everything has a purpose and

330

00:15:53,110 --> 00:15:52,160

everything works together cohesively and

331

00:15:54,870 --> 00:15:53,120

so

332

00:15:58,389 --> 00:15:54,880

when it comes to

333

00:16:01,189 --> 00:15:58,399

angels and them having jobs and

334

00:16:03,990 --> 00:16:01,199

ufology you know uh there's jobs there's

335

00:16:07,910 --> 00:16:04,000

hierarchy there's there's duties the

336

00:16:10,230 --> 00:16:07,920

ants are created with a specific duty um

337

00:16:11,030 --> 00:16:10,240

buzzards clean the earth

338

00:16:13,749 --> 00:16:11,040

even

339

00:16:15,670 --> 00:16:13,759

if we throw down candy or or old food

340

00:16:17,590 --> 00:16:15,680

there's coyotes and there's buzzards and

341

00:16:19,350 --> 00:16:17,600

there's creeping things that come out of

342

00:16:21,189 --> 00:16:19,360

the earth to clean it up and they go

343

00:16:22,710 --> 00:16:21,199

back to whence they came

344

00:16:24,870 --> 00:16:22,720

and um

345

00:16:26,389 --> 00:16:24,880

and when i approached the subject of

346

00:16:27,910 --> 00:16:26,399

spirituality

347

00:16:30,150 --> 00:16:27,920

whether it's the realm of the angelic or

348

00:16:32,069 --> 00:16:30,160

the demonic i would say that these

349

00:16:35,030 --> 00:16:32,079

beings have the same

350

00:16:37,509 --> 00:16:35,040

uh type of responsibilities and that

351
00:16:40,069 --> 00:16:37,519
they all have a purpose everything in

352
00:16:42,230 --> 00:16:40,079
our life is here to serve us and to

353
00:16:44,069 --> 00:16:42,240
teach us and everything and everyone all

354
00:16:46,550 --> 00:16:44,079
of the beings even the the good the bad

355
00:16:47,990 --> 00:16:46,560
the ugly the scary everything serves a

356
00:16:50,310 --> 00:16:48,000
purpose and so

357
00:16:52,150 --> 00:16:50,320
that's something that is worth looking

358
00:16:53,030 --> 00:16:52,160
into when it comes to

359
00:16:55,030 --> 00:16:53,040
um

360
00:16:57,670 --> 00:16:55,040
anything

361
00:16:58,949 --> 00:16:57,680
in in the spirit world and if that is

362
00:16:59,670 --> 00:16:58,959
just

363
00:17:02,230 --> 00:16:59,680

to

364

00:17:04,710 --> 00:17:02,240

have the role of a messenger

365

00:17:06,549 --> 00:17:04,720

because we know that the word angel

366

00:17:08,549 --> 00:17:06,559

only means messenger

367

00:17:11,110 --> 00:17:08,559

it's it's those who carry a message and

368

00:17:13,110 --> 00:17:11,120

so whether it's the the elohim whether

369

00:17:16,069 --> 00:17:13,120

it's the seraphim the raphaim these

370

00:17:18,069 --> 00:17:16,079

different types of of orders of angels

371

00:17:20,470 --> 00:17:18,079

that they carry messages with them some

372

00:17:22,230 --> 00:17:20,480

of them hold the mysteries of heaven

373

00:17:24,630 --> 00:17:22,240

they hold the mysteries of god they give

374

00:17:26,309 --> 00:17:24,640

you downloads about the things of heaven

375

00:17:27,829 --> 00:17:26,319

and in the spirit realm and how it works

376

00:17:28,630 --> 00:17:27,839

and how it operates

377

00:17:29,909 --> 00:17:28,640

um

378

00:17:32,470 --> 00:17:29,919

the demonic

379

00:17:34,950 --> 00:17:32,480

you know when we look into uh that realm

380

00:17:37,190 --> 00:17:34,960

which is it's not really fun to look at

381

00:17:39,750 --> 00:17:37,200

for many people but if i look back at my

382

00:17:42,390 --> 00:17:39,760

life i understand that those packs that

383

00:17:43,590 --> 00:17:42,400

i made early on with those lower level

384

00:17:44,710 --> 00:17:43,600

entities

385

00:17:46,549 --> 00:17:44,720

um

386

00:17:50,070 --> 00:17:46,559

there was a lesson in it

387

00:17:52,470 --> 00:17:50,080

learned and now

388

00:17:54,549 --> 00:17:52,480

this day i'm i'm very thankful

389

00:17:56,789 --> 00:17:54,559

that hindsight is 20 20 but i'm able to

390

00:17:58,950 --> 00:17:56,799

look back and there's a uh a

391

00:18:01,270 --> 00:17:58,960

graciousness there's a gratitude to the

392

00:18:04,310 --> 00:18:01,280

creator and to those beings

393

00:18:06,710 --> 00:18:04,320

for imparting such a hard lesson

394

00:18:09,350 --> 00:18:06,720

that i learned but i did make it out and

395

00:18:10,549 --> 00:18:09,360

i am here today to tell my story so just

396

00:18:13,510 --> 00:18:10,559

the fact that everything works

397

00:18:14,789 --> 00:18:13,520

cohesively together it's just beautiful

398

00:18:17,430 --> 00:18:14,799

um

399

00:18:19,510 --> 00:18:17,440

orchestra if you will of the levels and

400

00:18:21,350 --> 00:18:19,520

the hierarchy and the types and and

401
00:18:25,029 --> 00:18:21,360
beings and uh and we all work to

402
00:18:31,029 --> 00:18:27,750
so for example would would you then

403
00:18:34,070 --> 00:18:31,039
consider the the the space brothers the

404
00:18:36,310 --> 00:18:34,080
ufos all these things would there be in

405
00:18:39,029 --> 00:18:36,320
that in that category of messengers as

406
00:18:43,029 --> 00:18:41,110
yeah i think uh

407
00:18:44,630 --> 00:18:43,039
you know it's it obviously gets

408
00:18:45,669 --> 00:18:44,640
complicated um

409
00:18:48,470 --> 00:18:45,679
but

410
00:18:49,909 --> 00:18:48,480
i do think that they are the ones who uh

411
00:18:52,789 --> 00:18:49,919
have been watching over since the

412
00:18:55,029 --> 00:18:52,799
beginning um you hear

413
00:18:57,669 --> 00:18:55,039

some of the the the work of

414

00:19:00,870 --> 00:18:57,679

zechariah sitchin about the anunnaki and

415

00:19:02,630 --> 00:19:00,880

these beings that were sent here to seed

416

00:19:05,590 --> 00:19:02,640

or create mankind

417

00:19:07,430 --> 00:19:05,600

um it really

418

00:19:10,070 --> 00:19:07,440

there's a there's a middle ground there

419

00:19:11,830 --> 00:19:10,080

with the work of dr michael heiser who

420

00:19:14,070 --> 00:19:11,840

talks about the divine counsel of the

421

00:19:16,630 --> 00:19:14,080

elohim and these gods and these beings

422

00:19:18,789 --> 00:19:16,640

that came down and were almost the hand

423

00:19:21,590 --> 00:19:18,799

of yahweh or the hand of the supreme

424

00:19:25,270 --> 00:19:21,600

creator on the face of the earth and so

425

00:19:27,350 --> 00:19:25,280

i do think that tracing back there was

426

00:19:29,750 --> 00:19:27,360

advanced civilizations and that

427

00:19:32,549 --> 00:19:29,760

um many people believed that our dna was

428

00:19:34,950 --> 00:19:32,559

was tampered with at some point so

429

00:19:36,950 --> 00:19:34,960

when we we read about these beings that

430

00:19:40,150 --> 00:19:36,960

were far more sophisticated far more

431

00:19:42,150 --> 00:19:40,160

enlightened far more spiritual and

432

00:19:44,310 --> 00:19:42,160

they're in all of our holy books not

433

00:19:46,549 --> 00:19:44,320

just the bible i'm just very well versed

434

00:19:49,190 --> 00:19:46,559

in the bible but where you go to the the

435

00:19:51,830 --> 00:19:49,200

bhagavad-gita and you go into chinese

436

00:19:53,830 --> 00:19:51,840

lord chinese legend and also the native

437

00:19:56,789 --> 00:19:53,840

american legends about the star people

438

00:19:58,070 --> 00:19:56,799

and you start to see a similar story and

439

00:19:59,270 --> 00:19:58,080

it wasn't these

440

00:20:01,669 --> 00:19:59,280

uh

441

00:20:04,870 --> 00:20:01,679

divisive evil beings that created

442

00:20:07,590 --> 00:20:04,880

mankind it was our creators and so

443

00:20:10,710 --> 00:20:07,600

um yeah i think that

444

00:20:12,789 --> 00:20:10,720

many of what we're seeing if not all in

445

00:20:13,830 --> 00:20:12,799

in the in the sky are

446

00:20:15,590 --> 00:20:13,840

um

447

00:20:17,350 --> 00:20:15,600

what we would call angels

448

00:20:19,590 --> 00:20:17,360

they are messengers and and they they

449

00:20:22,310 --> 00:20:19,600

have a role they have things that they

450

00:20:24,789 --> 00:20:22,320

do upon the earth and um

451

00:20:28,789 --> 00:20:26,870

whether that's bringing in the seasons

452

00:20:32,149 --> 00:20:28,799

whether you get to see them because when

453

00:20:33,750 --> 00:20:32,159

it comes to the subject of ufology you i

454

00:20:36,230 --> 00:20:33,760

know you know this more than anybody is

455

00:20:37,190 --> 00:20:36,240

that there's different types of craft

456

00:20:39,590 --> 00:20:37,200

you have

457

00:20:41,909 --> 00:20:39,600

nuts and bolts crafts with occupants on

458

00:20:44,230 --> 00:20:41,919

it but you also have what i think that

459

00:20:45,190 --> 00:20:44,240

i've encountered the most of which would

460

00:20:52,549 --> 00:20:45,200

be

461

00:20:55,909 --> 00:20:52,559

alive

462

00:20:57,590 --> 00:20:55,919

so instead of a ship with occupants

463

00:20:59,029 --> 00:20:57,600

you're seeing

464

00:21:01,510 --> 00:20:59,039

entities

465

00:21:03,270 --> 00:21:01,520

that are huge that are made out of light

466

00:21:05,430 --> 00:21:03,280

that are made out of fire that are made

467

00:21:08,710 --> 00:21:05,440

out of plasma and they're traveling the

468

00:21:11,110 --> 00:21:08,720

cosmos so i think when we catch glimpses

469

00:21:12,230 --> 00:21:11,120

of those those beings and those entities

470

00:21:14,789 --> 00:21:12,240

they are

471

00:21:17,909 --> 00:21:14,799

something very ancient something very uh

472

00:21:20,390 --> 00:21:17,919

bright shiny mesmerizing to even look at

473

00:21:21,430 --> 00:21:20,400

and they impart creativity because they

474

00:21:23,669 --> 00:21:21,440

are from

475

00:21:25,430 --> 00:21:23,679

the creator and so that that's been my

476

00:21:29,029 --> 00:21:25,440

experience it's been all

477

00:21:31,830 --> 00:21:29,039

uh that of of of of beauty and honor and

478

00:21:33,430 --> 00:21:31,840

creativity that is released upon

479

00:21:34,549 --> 00:21:33,440

sightings if you will

480

00:21:37,909 --> 00:21:34,559

and um

481

00:21:40,470 --> 00:21:37,919

so yeah i do think that they are uh the

482

00:21:42,830 --> 00:21:40,480

messengers and uh the angels from from

483

00:21:45,830 --> 00:21:42,840

the bible

484

00:21:47,350 --> 00:21:45,840

so at least from from

485

00:21:49,669 --> 00:21:47,360

that point of view from the bible's

486

00:21:51,990 --> 00:21:49,679

point of view as you said there could be

487

00:21:55,750 --> 00:21:52,000

mis i guess is it the right word to say

488

00:21:59,270 --> 00:21:57,990

well

489

00:22:01,190 --> 00:21:59,280

excuse me

490

00:22:04,070 --> 00:22:01,200

there was a point i was going for what

491

00:22:07,669 --> 00:22:04,080

i'm meant to ask is that so as we see

492

00:22:09,750 --> 00:22:07,679

things differently now um would then

493

00:22:11,909 --> 00:22:09,760

at one point do you believe or know

494

00:22:13,669 --> 00:22:11,919

whether or not let's say

495

00:22:15,830 --> 00:22:13,679

those beings under different ships and

496

00:22:18,630 --> 00:22:15,840

angels and spirit in general that we

497

00:22:20,789 --> 00:22:18,640

know converse with each other

498

00:22:22,149 --> 00:22:20,799

excuse me converse with each other or

499

00:22:24,549 --> 00:22:22,159

and uh

500

00:22:26,430 --> 00:22:24,559

kind of move forward with a certain plan

501

00:22:28,950 --> 00:22:26,440

or are they still very much individual

502

00:22:31,830 --> 00:22:28,960

individualistically kind of fulfilling

503

00:22:34,630 --> 00:22:31,840

the one message coming from above which

504

00:22:39,510 --> 00:22:37,029

yeah well i think that whatever happens

505

00:22:41,830 --> 00:22:39,520

is that message from above which is god

506

00:22:43,830 --> 00:22:41,840

so that would be the sovereignty of how

507

00:22:44,950 --> 00:22:43,840

everything works together

508

00:22:46,310 --> 00:22:44,960

um

509

00:22:48,789 --> 00:22:46,320

as far as

510

00:22:50,870 --> 00:22:48,799

identifying different races and the way

511

00:22:52,549 --> 00:22:50,880

that they live and where they what do

512

00:22:53,750 --> 00:22:52,559

they do in their leisure time you know

513

00:22:57,430 --> 00:22:53,760

there's a lot of people who claim to

514

00:22:58,310 --> 00:22:57,440

have a lot of experience in in inner

515

00:23:01,830 --> 00:22:58,320

uh

516

00:23:03,350 --> 00:23:01,840

know that i just have to question um

517

00:23:04,549 --> 00:23:03,360

because a lot of the information is

518

00:23:05,350 --> 00:23:04,559

slippery

519

00:23:06,870 --> 00:23:05,360

so

520

00:23:09,830 --> 00:23:06,880

to you know

521

00:23:11,590 --> 00:23:09,840

again leisure time diets and people

522

00:23:13,190 --> 00:23:11,600

they know that the dot what with the

523

00:23:14,710 --> 00:23:13,200

arcturians

524

00:23:16,630 --> 00:23:14,720

eat for

525

00:23:17,750 --> 00:23:16,640

delicacy and things like that

526

00:23:20,470 --> 00:23:17,760

and

527

00:23:22,789 --> 00:23:20,480

i i feel like i've been privy to some

528

00:23:24,870 --> 00:23:22,799

beautiful information and uh but it's

529

00:23:27,110 --> 00:23:24,880

not just me i'm not special i think

530

00:23:28,549 --> 00:23:27,120

anyone can can tap into this whether

531

00:23:30,710 --> 00:23:28,559

it's through stargazing whether it's

532

00:23:33,430 --> 00:23:30,720

through meditation and a life that's

533

00:23:35,430 --> 00:23:33,440

devoted to trying to make contact and a

534

00:23:36,630 --> 00:23:35,440

lot of people are doing it now but as

535

00:23:39,830 --> 00:23:36,640

far as

536

00:23:41,990 --> 00:23:39,840

getting the juicy details

537

00:23:44,149 --> 00:23:42,000

i don't think we need to know

538

00:23:46,950 --> 00:23:44,159

it's not it's not for

539

00:23:49,590 --> 00:23:46,960

humanity to know the juicy details but i

540

00:23:51,669 --> 00:23:49,600

think if we if we can catch a glimpse

541

00:23:53,029 --> 00:23:51,679

of what's going on of the fact that

542

00:23:54,789 --> 00:23:53,039

we're not alone

543

00:23:56,950 --> 00:23:54,799

and the fact that

544

00:23:57,830 --> 00:23:56,960

we have friends in high places

545

00:23:59,990 --> 00:23:57,840

um

546

00:24:04,070 --> 00:24:00,000

i don't think we could handle the truth

547

00:24:06,470 --> 00:24:04,080

i really don't and and i do

548

00:24:09,190 --> 00:24:06,480

think that we have to be careful with

549

00:24:13,750 --> 00:24:10,789

fantasy and

550

00:24:16,070 --> 00:24:13,760

lore and those things which really

551

00:24:17,669 --> 00:24:16,080

muddy the waters with

552

00:24:19,510 --> 00:24:17,679

investigators and people who are really

553

00:24:21,110 --> 00:24:19,520

doing the research who can come on an

554

00:24:23,350 --> 00:24:21,120

interview like this and really just tell

555

00:24:25,990 --> 00:24:23,360

you anything in your listeners but i

556

00:24:29,110 --> 00:24:26,000

respect you and your listeners

557

00:24:31,350 --> 00:24:29,120

so much so not to to do that

558

00:24:33,909 --> 00:24:31,360

because i know that we're being watched

559

00:24:35,430 --> 00:24:33,919

over i know that they're benevolent

560

00:24:37,669 --> 00:24:35,440

i know that

561

00:24:39,590 --> 00:24:37,679

they are they do have a hand in creation

562

00:24:41,669 --> 00:24:39,600

but to tell you

563

00:24:43,909 --> 00:24:41,679

what their cities look like if there

564

00:24:47,430 --> 00:24:43,919

even is such a thing

565

00:24:50,310 --> 00:24:47,440

um from from the information that that i

566

00:24:53,590 --> 00:24:50,320

that i do know is that they're not

567

00:24:56,149 --> 00:24:53,600

um like us as far as

568

00:24:58,070 --> 00:24:56,159

um flesh and blood

569

00:25:00,549 --> 00:24:58,080

like we would think of gray or there's

570

00:25:02,630 --> 00:25:00,559

other civilizations out there

571

00:25:04,950 --> 00:25:02,640

the universe is limitless there's

572

00:25:06,789 --> 00:25:04,960

limitless possibilities with that being

573

00:25:09,750 --> 00:25:06,799

said this could just be

574

00:25:12,149 --> 00:25:09,760

those beings that watch over humanity

575

00:25:14,390 --> 00:25:12,159

that are protecting us from other

576

00:25:16,630 --> 00:25:14,400

outside invading forces or making sure

577

00:25:18,789 --> 00:25:16,640

that we don't destroy ourselves

578

00:25:21,029 --> 00:25:18,799

in this evolutionary process

579

00:25:24,789 --> 00:25:21,039

so that that's a that's a big part of my

580

00:25:28,310 --> 00:25:24,799

work is is to uh just relate it back

581

00:25:30,630 --> 00:25:28,320

scripturally and and to make sure that

582

00:25:31,909 --> 00:25:30,640

we we do toe the line with

583

00:25:33,269 --> 00:25:31,919

some sort of

584

00:25:38,870 --> 00:25:33,279

um

585

00:25:40,390 --> 00:25:38,880

you can we get caught up in fantasy

586

00:25:42,710 --> 00:25:40,400

really quick and people love it people

587

00:25:44,549 --> 00:25:42,720

eat it up and and you can say anything

588

00:25:46,310 --> 00:25:44,559

and people begin to believe it so i

589

00:25:49,029 --> 00:25:46,320

can't tell you that that they have

590

00:25:49,830 --> 00:25:49,039

conversations i can't tell you that

591

00:25:51,269 --> 00:25:49,840

they

592

00:25:53,029 --> 00:25:51,279

you know a lot of this other stuff is

593

00:25:54,310 --> 00:25:53,039

going on

594

00:25:57,110 --> 00:25:54,320

there's a huge part of me that's a

595

00:25:59,590 --> 00:25:57,120

skeptic of all of this but i honor that

596

00:26:01,350 --> 00:25:59,600

skeptic within me and within everyone

597

00:26:03,269 --> 00:26:01,360

out there because i feel like that is

598

00:26:05,669 --> 00:26:03,279

what

599

00:26:06,870 --> 00:26:05,679

prompts you for the truth and to have a

600

00:26:08,070 --> 00:26:06,880

real

601
00:26:09,269 --> 00:26:08,080
encounter

602
00:26:13,510 --> 00:26:09,279
with a

603
00:26:15,990 --> 00:26:13,520
alien whatever you want to call them

604
00:26:18,470 --> 00:26:16,000
there's many different terms

605
00:26:19,430 --> 00:26:18,480
the the idea again of of the angel is

606
00:26:21,990 --> 00:26:19,440
simply

607
00:26:23,110 --> 00:26:22,000
a messenger now they wouldn't greet

608
00:26:24,149 --> 00:26:23,120
themselves

609
00:26:26,310 --> 00:26:24,159
or

610
00:26:28,310 --> 00:26:26,320
greet you and introduce themselves

611
00:26:29,990 --> 00:26:28,320
as this if they would say that there

612
00:26:31,190 --> 00:26:30,000
there was a messenger they would an

613
00:26:34,710 --> 00:26:31,200

angel they would just say that they were

614

00:26:36,149 --> 00:26:34,720

a messenger hence they carry a message

615

00:26:38,149 --> 00:26:36,159

and and i think that

616

00:26:41,269 --> 00:26:38,159

that very much so within within their

617

00:26:42,710 --> 00:26:41,279

essence the essence of all spirits

618

00:26:45,190 --> 00:26:42,720

carry a message

619

00:26:47,750 --> 00:26:45,200

they carry a code they carry a

620

00:26:49,590 --> 00:26:47,760

uh what we'll call a vibration

621

00:26:51,350 --> 00:26:49,600

that when you meet them you feel a

622

00:26:53,430 --> 00:26:51,360

certain type of way

623

00:26:55,430 --> 00:26:53,440

there's there's there's individuals that

624

00:26:57,669 --> 00:26:55,440

we meet that when we're in the presence

625

00:27:00,149 --> 00:26:57,679

with of them we feel

626
00:27:01,990 --> 00:27:00,159
we feel their message they are an angel

627
00:27:03,190 --> 00:27:02,000
they are they carry a message they have

628
00:27:05,430 --> 00:27:03,200
an aura

629
00:27:07,909 --> 00:27:05,440
about them whether it's good

630
00:27:09,990 --> 00:27:07,919
or whether it's bad so the bible really

631
00:27:12,710 --> 00:27:10,000
talks about discerning spirits and being

632
00:27:13,990 --> 00:27:12,720
able to discern uh the intentions and

633
00:27:17,029 --> 00:27:14,000
the thoughts

634
00:27:18,310 --> 00:27:17,039
of such beings and such people

635
00:27:19,269 --> 00:27:18,320
and so

636
00:27:22,389 --> 00:27:19,279
this is

637
00:27:25,029 --> 00:27:22,399
what is just a gift that i think we grow

638
00:27:26,230 --> 00:27:25,039

in the spirit of the discernment to be

639

00:27:28,149 --> 00:27:26,240

able to tell

640

00:27:29,590 --> 00:27:28,159

uh the fruit of an individual or the

641

00:27:32,310 --> 00:27:29,600

fruit of a

642

00:27:35,269 --> 00:27:32,320

e.t craft if you will and never have i

643

00:27:37,510 --> 00:27:35,279

had an encounter where um

644

00:27:39,110 --> 00:27:37,520

i felt threatened now there's the the

645

00:27:40,549 --> 00:27:39,120

fear and things that are within me from

646

00:27:43,029 --> 00:27:40,559

watching a lot of those movies when i

647

00:27:44,710 --> 00:27:43,039

was a child for sure 100 so there's that

648

00:27:46,870 --> 00:27:44,720

reasoning that happens

649

00:27:49,750 --> 00:27:46,880

when a craft would come down low or a

650

00:27:50,710 --> 00:27:49,760

light would come down really low and um

651
00:27:54,070 --> 00:27:50,720
but

652
00:27:56,950 --> 00:27:54,080
to say that we have you know this privy

653
00:27:59,990 --> 00:27:56,960
detail about

654
00:28:03,190 --> 00:28:00,000
relation and diet and and all of these

655
00:28:04,549 --> 00:28:03,200
things i i i it really raises a red flag

656
00:28:06,870 --> 00:28:04,559
for me

657
00:28:09,510 --> 00:28:06,880
because much of that

658
00:28:11,269 --> 00:28:09,520
is is i don't feel like they share it i

659
00:28:14,310 --> 00:28:11,279
i don't feel like they share it with

660
00:28:16,549 --> 00:28:14,320
with individuals who have made contact

661
00:28:18,870 --> 00:28:16,559
i think that there's there is a an

662
00:28:20,710 --> 00:28:18,880
angelic message of

663
00:28:23,269 --> 00:28:20,720

take care of yourself

664

00:28:25,909 --> 00:28:23,279

take care of humanity be present it

665

00:28:28,149 --> 00:28:25,919

really ties back into spirituality many

666

00:28:30,070 --> 00:28:28,159

of the the contactees will tell you that

667

00:28:32,070 --> 00:28:30,080

many people who have experienced

668

00:28:32,870 --> 00:28:32,080

near-death experiences

669

00:28:35,830 --> 00:28:32,880

or

670

00:28:39,590 --> 00:28:37,830

deep trips on

671

00:28:42,310 --> 00:28:39,600

plant medicines

672

00:28:44,149 --> 00:28:42,320

very similar experiences very similar

673

00:28:46,230 --> 00:28:44,159

messages that they come they come back

674

00:28:48,549 --> 00:28:46,240

with that this place

675

00:28:50,310 --> 00:28:48,559

is temporary to be mindful to be present

676
00:28:52,870 --> 00:28:50,320
and to be a human

677
00:28:55,590 --> 00:28:52,880
and there's things that

678
00:28:56,470 --> 00:28:55,600
that people claim to know that

679
00:28:57,190 --> 00:28:56,480
that

680
00:29:02,389 --> 00:28:57,200
it's

681
00:29:07,750 --> 00:29:04,870
i think that's why a lot of the uh

682
00:29:09,990 --> 00:29:07,760
the christian community will call

683
00:29:11,430 --> 00:29:10,000
call it demonic

684
00:29:14,149 --> 00:29:11,440
because there are entities that will

685
00:29:15,430 --> 00:29:14,159
trade you knowledge

686
00:29:17,110 --> 00:29:15,440
for blood

687
00:29:19,830 --> 00:29:17,120
there's entities that will trade you

688
00:29:21,909 --> 00:29:19,840

knowledge for a piece of your psyche

689

00:29:24,549 --> 00:29:21,919

and so when you see a lot of the people

690

00:29:25,990 --> 00:29:24,559

in ufology and in spirituality

691

00:29:28,070 --> 00:29:26,000

channeling in these things and getting

692

00:29:29,830 --> 00:29:28,080

this all this privy information that's

693

00:29:31,669 --> 00:29:29,840

why an outsider or again somebody who's

694

00:29:34,470 --> 00:29:31,679

religious would definitely

695

00:29:38,230 --> 00:29:34,480

see that red flag and immediately say

696

00:29:39,190 --> 00:29:38,240

it's something that's demonic

697

00:29:41,750 --> 00:29:39,200

so

698

00:29:46,149 --> 00:29:41,760

if if angels then would be messengers

699

00:29:49,269 --> 00:29:47,669

again um

700

00:29:50,230 --> 00:29:49,279

messengers as well

701
00:29:52,070 --> 00:29:50,240
so

702
00:29:54,549 --> 00:29:52,080
just like a different type of vibration

703
00:29:57,430 --> 00:29:54,559
you as you mentioned or uh

704
00:29:58,870 --> 00:29:57,440
yeah a different message

705
00:29:59,990 --> 00:29:58,880
a different message

706
00:30:02,389 --> 00:30:00,000
so

707
00:30:05,750 --> 00:30:02,399
the message could be

708
00:30:07,510 --> 00:30:05,760
if you live a life that is full of

709
00:30:09,110 --> 00:30:07,520
debauchery

710
00:30:11,830 --> 00:30:09,120
drug use

711
00:30:14,870 --> 00:30:11,840
stealing from people you're

712
00:30:16,710 --> 00:30:14,880
a pathological liar there's character

713
00:30:18,310 --> 00:30:16,720

traits that

714

00:30:20,310 --> 00:30:18,320

are negative

715

00:30:21,190 --> 00:30:20,320

we would say sinful they're just not

716

00:30:22,870 --> 00:30:21,200

good

717

00:30:24,950 --> 00:30:22,880

you're hurting people you're deceiving

718

00:30:27,269 --> 00:30:24,960

people you're lying to people when you

719

00:30:29,029 --> 00:30:27,279

align yourself with those types of deeds

720

00:30:30,870 --> 00:30:29,039

upon the earth

721

00:30:32,950 --> 00:30:30,880

the vibrational frequencies in the

722

00:30:34,070 --> 00:30:32,960

ethers there's beings that are attracted

723

00:30:36,870 --> 00:30:34,080

to you

724

00:30:39,190 --> 00:30:36,880

because you resonate at that frequency

725

00:30:41,350 --> 00:30:39,200

and there's certain beings that are

726

00:30:42,870 --> 00:30:41,360

attracted to higher frequencies as well

727

00:30:45,029 --> 00:30:42,880

and i do think that that's when we get

728

00:30:47,269 --> 00:30:45,039

into ufology and we get into the angelic

729

00:30:49,669 --> 00:30:47,279

and having these beautiful encounters

730

00:30:51,430 --> 00:30:49,679

for me and for many people

731

00:30:54,470 --> 00:30:51,440

who have encountered what they would

732

00:30:55,990 --> 00:30:54,480

call demonic or something unpleasant it

733

00:30:57,430 --> 00:30:56,000

was because of the type of life that

734

00:30:59,350 --> 00:30:57,440

they were living on the earth the kind

735

00:31:00,789 --> 00:30:59,360

of deeds that they were doing

736

00:31:03,110 --> 00:31:00,799

most of these people weren't helping

737

00:31:05,430 --> 00:31:03,120

people they weren't they didn't have a

738

00:31:08,310 --> 00:31:05,440

life devoted to prayer and to devotion

739

00:31:09,509 --> 00:31:08,320

into to uh meditation they weren't

740

00:31:12,230 --> 00:31:09,519

waking up

741

00:31:14,389 --> 00:31:12,240

daily with inward reflection about how

742

00:31:16,870 --> 00:31:14,399

can i be of assistance how can i be a

743

00:31:19,110 --> 00:31:16,880

better person it's usually the opposite

744

00:31:20,389 --> 00:31:19,120

many people with that sin consciousness

745

00:31:22,950 --> 00:31:20,399

i don't know that's a weird word but

746

00:31:24,950 --> 00:31:22,960

that consciousness where you wake up

747

00:31:26,789 --> 00:31:24,960

on the on the flip side of that and you

748

00:31:29,430 --> 00:31:26,799

wake up and you wonder how can i get

749

00:31:31,430 --> 00:31:29,440

over on somebody how can i

750

00:31:34,549 --> 00:31:31,440

steal how can i cheat there's people who

751
00:31:37,029 --> 00:31:34,559
wake up that way and when you do that

752
00:31:40,149 --> 00:31:37,039
your psych it trains your psyche and you

753
00:31:42,870 --> 00:31:40,159
begin to attract beings in the ethers

754
00:31:45,509 --> 00:31:42,880
that vibrate on that level of frequency

755
00:31:46,549 --> 00:31:45,519
so that when you do

756
00:31:48,389 --> 00:31:46,559
perhaps

757
00:31:51,509 --> 00:31:48,399
tap in through some type of spiritual

758
00:31:53,750 --> 00:31:51,519
means whether it's drug use whether it's

759
00:31:55,269 --> 00:31:53,760
meditation it doesn't matter when you

760
00:31:57,190 --> 00:31:55,279
hit rock bottom

761
00:31:59,110 --> 00:31:57,200
you begin to see

762
00:32:00,950 --> 00:31:59,120
those beings that you're entertaining on

763
00:32:02,950 --> 00:32:00,960

the other side and that's something

764

00:32:04,389 --> 00:32:02,960

that's very scary that's something that

765

00:32:05,590 --> 00:32:04,399

will make people want to change their

766

00:32:07,669 --> 00:32:05,600

lives

767

00:32:09,669 --> 00:32:07,679

because they have those deeds in mind

768

00:32:11,430 --> 00:32:09,679

they have those desires in mind

769

00:32:14,549 --> 00:32:11,440

so

770

00:32:15,909 --> 00:32:14,559

but again i think that they still act as

771

00:32:18,389 --> 00:32:15,919

messengers

772

00:32:21,029 --> 00:32:18,399

because it's like hey

773

00:32:23,269 --> 00:32:21,039

when you do get to see them

774

00:32:26,830 --> 00:32:23,279

if you do now you can see their the

775

00:32:30,789 --> 00:32:26,840

results of of their activity

776

00:32:33,830 --> 00:32:30,799

but when you meet them

777

00:32:38,310 --> 00:32:36,710

they're on that level of vibration

778

00:32:40,549 --> 00:32:38,320

and if you don't

779

00:32:42,070 --> 00:32:40,559

change

780

00:32:43,990 --> 00:32:42,080

the life that you're living and the

781

00:32:47,190 --> 00:32:44,000

things that you're doing

782

00:32:48,950 --> 00:32:47,200

you are opening yourself up

783

00:32:51,029 --> 00:32:48,960

to legal ground

784

00:32:53,509 --> 00:32:51,039

to these types of beings to

785

00:32:55,110 --> 00:32:53,519

have access to your art field

786

00:32:56,710 --> 00:32:55,120

to have access to your body and have

787

00:32:59,190 --> 00:32:56,720

access to your mind

788

00:33:00,950 --> 00:32:59,200

and so that's their lesson

789

00:33:02,870 --> 00:33:00,960

if you don't stop lying

790

00:33:05,269 --> 00:33:02,880

i'm coming to get you

791

00:33:07,029 --> 00:33:05,279

if you don't stop cheating

792

00:33:09,750 --> 00:33:07,039

i'm going to cheat you

793

00:33:12,389 --> 00:33:09,760

and so we learn hands-on

794

00:33:13,990 --> 00:33:12,399

it's not we we don't we really rarely

795

00:33:15,190 --> 00:33:14,000

learn by reading in the book we have to

796

00:33:17,430 --> 00:33:15,200

figure something out we have to

797

00:33:19,669 --> 00:33:17,440

experience it hands on if you can show

798

00:33:22,230 --> 00:33:19,679

it to us we'll learn so these lessons

799

00:33:24,630 --> 00:33:22,240

that we learn in this earth school

800

00:33:26,630 --> 00:33:24,640

are taught by those teachers and some of

801
00:33:28,789 --> 00:33:26,640
those teachers are hard on us

802
00:33:31,190 --> 00:33:28,799
some of those teachers have showed us

803
00:33:33,509 --> 00:33:31,200
tough love but they exist and they're

804
00:33:35,590 --> 00:33:33,519
created to do that i i don't even think

805
00:33:38,710 --> 00:33:35,600
that it makes them bad

806
00:33:41,990 --> 00:33:38,720
entities or bad beings it's how they

807
00:33:44,789 --> 00:33:42,000
were created they have a beautiful job

808
00:33:47,029 --> 00:33:44,799
in a role to play in this in this earth

809
00:33:48,950 --> 00:33:47,039
school in in this realm

810
00:33:51,590 --> 00:33:48,960
and again that's for the lower level

811
00:33:54,389 --> 00:33:51,600
demonic stuff if you open yourself up

812
00:33:56,789 --> 00:33:54,399
but if you begin to do the other things

813
00:33:59,110 --> 00:33:56,799

doing good deeds and alms and taking

814

00:34:01,509 --> 00:33:59,120

care of the widows and the orphans many

815

00:34:03,350 --> 00:34:01,519

things that all of the religions

816

00:34:05,750 --> 00:34:03,360

beg you to do

817

00:34:07,430 --> 00:34:05,760

don't lie don't cheat don't steal help

818

00:34:08,550 --> 00:34:07,440

people and once you begin to do these

819

00:34:10,629 --> 00:34:08,560

things

820

00:34:12,470 --> 00:34:10,639

even without being told it's just in

821

00:34:14,629 --> 00:34:12,480

your nature that you've chosen that that

822

00:34:16,149 --> 00:34:14,639

path or that higher road then you begin

823

00:34:18,629 --> 00:34:16,159

to open up yourself

824

00:34:20,629 --> 00:34:18,639

for assistance from these higher beings

825

00:34:23,349 --> 00:34:20,639

and if you do tap in through meditation

826

00:34:26,629 --> 00:34:23,359

prayer stargazing you begin to see some

827

00:34:28,550 --> 00:34:26,639

things that you are entertaining in the

828

00:34:29,510 --> 00:34:28,560

spirit world they'll pop in and say

829

00:34:31,190 --> 00:34:29,520

hello

830

00:34:34,550 --> 00:34:31,200

if you ask for it

831

00:34:36,710 --> 00:34:34,560

if you if it's if you can handle it

832

00:34:39,589 --> 00:34:36,720

those type of things and so that's been

833

00:34:42,069 --> 00:34:39,599

my story and and you know many others

834

00:34:43,829 --> 00:34:42,079

who talk about

835

00:34:47,669 --> 00:34:43,839

this

836

00:34:48,790 --> 00:34:47,679

almost a spiritual warfare

837

00:34:50,149 --> 00:34:48,800

but i don't even think that they're

838

00:34:52,149 --> 00:34:50,159

fighting each other i don't think the

839

00:34:54,710 --> 00:34:52,159

angels and the demons are the higher and

840

00:34:57,510 --> 00:34:54,720

lower are fighting

841

00:34:59,829 --> 00:34:57,520

each other i think they're fighting for

842

00:35:01,990 --> 00:34:59,839

dominance of the human psyche of the

843

00:35:03,829 --> 00:35:02,000

human soul and the human spirit and

844

00:35:06,950 --> 00:35:03,839

that's their reward

845

00:35:09,109 --> 00:35:06,960

you know um now where they come from

846

00:35:10,230 --> 00:35:09,119

how they got here i do think it is

847

00:35:11,430 --> 00:35:10,240

sovereign

848

00:35:13,510 --> 00:35:11,440

and there's a lot of different legends

849

00:35:15,510 --> 00:35:13,520

there's a lot of different lore of who

850

00:35:17,270 --> 00:35:15,520

these beings are

851
00:35:19,430 --> 00:35:17,280
but on top of that there's so much

852
00:35:20,470 --> 00:35:19,440
nuance there's so many different types

853
00:35:22,710 --> 00:35:20,480
of

854
00:35:26,069 --> 00:35:22,720
beings within there so to just say that

855
00:35:27,510 --> 00:35:26,079
there's only angels or higher beings

856
00:35:29,670 --> 00:35:27,520
you also have to understand that there's

857
00:35:32,470 --> 00:35:29,680
there's lower level entities but there's

858
00:35:34,710 --> 00:35:32,480
also neutral beings there's beings that

859
00:35:37,190 --> 00:35:34,720
are just here to clean up there's beings

860
00:35:38,230 --> 00:35:37,200
that push and pull the the tides of the

861
00:35:40,790 --> 00:35:38,240
ocean

862
00:35:44,230 --> 00:35:40,800
um that are over the the solar systems

863
00:35:47,030 --> 00:35:44,240

and in constellations and so much more

864

00:35:47,910 --> 00:35:47,040

and to for us to just lump these things

865

00:35:50,230 --> 00:35:47,920

into

866

00:35:53,270 --> 00:35:50,240

we'll say angels are in demons

867

00:35:54,310 --> 00:35:53,280

and for other people let's throw ufology

868

00:35:57,109 --> 00:35:54,320

in there

869

00:35:59,349 --> 00:35:57,119

aliens like all of them are aliens no

870

00:36:01,990 --> 00:35:59,359

there are so many

871

00:36:04,870 --> 00:36:02,000

in between of of rankings and different

872

00:36:08,150 --> 00:36:04,880

names and um different types of of

873

00:36:08,950 --> 00:36:08,160

angels even as it's concerned biblically

874

00:36:10,950 --> 00:36:08,960

um

875

00:36:12,630 --> 00:36:10,960

now that's not to say that again there's

876

00:36:14,470 --> 00:36:12,640

not these other

877

00:36:17,349 --> 00:36:14,480

you know life on mars and in

878

00:36:19,349 --> 00:36:17,359

civilization that are doing are living a

879

00:36:21,349 --> 00:36:19,359

similar life to us i don't know i'm not

880

00:36:22,390 --> 00:36:21,359

privy with that information

881

00:36:23,990 --> 00:36:22,400

um

882

00:36:26,390 --> 00:36:24,000

but the information i do is is

883

00:36:27,670 --> 00:36:26,400

definitely spiritual and

884

00:36:28,950 --> 00:36:27,680

um

885

00:36:31,430 --> 00:36:28,960

and

886

00:36:33,190 --> 00:36:31,440

much of what you see

887

00:36:35,349 --> 00:36:33,200

and

888

00:36:37,589 --> 00:36:35,359

whether it's video or whether it's

889

00:36:39,270 --> 00:36:37,599

again through stargazing you you find

890

00:36:42,310 --> 00:36:39,280

out that

891

00:36:43,990 --> 00:36:42,320

these beings are not made of matter

892

00:36:46,069 --> 00:36:44,000

again that they're made out of fire that

893

00:36:48,470 --> 00:36:46,079

they're made out of plasma and this goes

894

00:36:50,950 --> 00:36:48,480

back to all the religious holy texts it

895

00:36:52,710 --> 00:36:50,960

talks about them being made out of

896

00:36:54,710 --> 00:36:52,720

the fire of god

897

00:36:57,030 --> 00:36:54,720

but as they wish they can shapeshift and

898

00:36:59,349 --> 00:36:57,040

they can come down here and take upon

899

00:37:01,109 --> 00:36:59,359

any image that they want

900

00:37:03,910 --> 00:37:01,119

that they have the ability to shapeshift

901
00:37:06,069 --> 00:37:03,920
and to deliver and carry a message the

902
00:37:09,270 --> 00:37:06,079
book of enoch really goes into

903
00:37:11,910 --> 00:37:09,280
um detail about that as well as that is

904
00:37:14,310 --> 00:37:11,920
reiterated within the book of psalms and

905
00:37:16,390 --> 00:37:14,320
the book of hebrews that say that

906
00:37:18,790 --> 00:37:16,400
the lord god maketh his ministering

907
00:37:21,430 --> 00:37:18,800
spirits his holy angels as a flame of

908
00:37:24,390 --> 00:37:21,440
fire but as they wish they can take upon

909
00:37:26,069 --> 00:37:24,400
the appearance of men and come down here

910
00:37:27,430 --> 00:37:26,079
and walk amongst men hence the

911
00:37:29,270 --> 00:37:27,440
scriptures saying

912
00:37:31,349 --> 00:37:29,280
that be careful when you entertain

913
00:37:35,430 --> 00:37:31,359

strangers because some of you

914

00:37:41,349 --> 00:37:38,230

so i wanted to ask if you could maybe

915

00:37:42,950 --> 00:37:41,359

then just to give a more of a

916

00:37:44,870 --> 00:37:42,960

i don't know if practical is the right

917

00:37:46,630 --> 00:37:44,880

word but let's say in the experiences

918

00:37:49,430 --> 00:37:46,640

you were having that made you

919

00:37:50,950 --> 00:37:49,440

turn the page so to say in 2000

920

00:37:52,950 --> 00:37:50,960

can you give

921

00:37:54,069 --> 00:37:52,960

give a detailed

922

00:37:56,710 --> 00:37:54,079

um

923

00:37:58,230 --> 00:37:56,720

i guess a process if you will about what

924

00:38:00,630 --> 00:37:58,240

was happening to you you know you were

925

00:38:02,950 --> 00:38:00,640

talking about vibrations earlier in and

926
00:38:05,030 --> 00:38:02,960
encounters and different things whatever

927
00:38:07,670 --> 00:38:05,040
was happening whatever made that shift

928
00:38:09,829 --> 00:38:07,680
for you can you maybe go into that to to

929
00:38:12,150 --> 00:38:09,839
where i might give just a much better

930
00:38:15,030 --> 00:38:12,160
for sure i guess um i guess much better

931
00:38:17,190 --> 00:38:15,040
um explanation of how the interactions

932
00:38:19,190 --> 00:38:17,200
uh or or even just if it wasn't a

933
00:38:21,109 --> 00:38:19,200
physical or or

934
00:38:22,870 --> 00:38:21,119
you know anything that you could

935
00:38:24,630 --> 00:38:22,880
immediately interact with however the

936
00:38:26,870 --> 00:38:24,640
process happened for you yeah to just

937
00:38:28,310 --> 00:38:26,880
simply lay it out

938
00:38:29,910 --> 00:38:28,320

for sure

939

00:38:32,470 --> 00:38:29,920

so

940

00:38:35,430 --> 00:38:32,480

with the timeline i

941

00:38:36,710 --> 00:38:35,440

in 1998

942

00:38:39,190 --> 00:38:36,720

um

943

00:38:40,950 --> 00:38:39,200

uh i had a friend who was always

944

00:38:41,750 --> 00:38:40,960

inviting me to church i didn't want to

945

00:38:43,589 --> 00:38:41,760

go

946

00:38:45,589 --> 00:38:43,599

because i was into occultic practices

947

00:38:47,750 --> 00:38:45,599

back in 1998 and

948

00:38:49,349 --> 00:38:47,760

just a rebellious teenager

949

00:38:50,790 --> 00:38:49,359

he would invite me to

950

00:38:52,790 --> 00:38:50,800

prayer meetings

951
00:38:54,150 --> 00:38:52,800

i didn't want to go

952
00:38:55,990 --> 00:38:54,160

but he would be consistent he would

953
00:38:57,990 --> 00:38:56,000

always invite me and i never wanted to

954
00:39:00,150 --> 00:38:58,000

go but then he told me this one time he

955
00:39:01,030 --> 00:39:00,160

invited me to a prayer meeting i told

956
00:39:02,390 --> 00:39:01,040

him no

957
00:39:03,670 --> 00:39:02,400

he says well i want you to come to this

958
00:39:05,430 --> 00:39:03,680

one because there's going to be a

959
00:39:08,390 --> 00:39:05,440

prophet there

960
00:39:09,990 --> 00:39:08,400

so i said well what with the prophet he

961
00:39:11,829 --> 00:39:10,000

said a prophet is kind of like a

962
00:39:13,990 --> 00:39:11,839

christian psychic and they know things

963
00:39:16,230 --> 00:39:14,000

about people god tells them things about

964

00:39:17,990 --> 00:39:16,240

you when they look at you and for me if

965

00:39:19,829 --> 00:39:18,000

somebody was into those kind of things

966

00:39:22,230 --> 00:39:19,839

as supernatural as a child i was like

967

00:39:24,710 --> 00:39:22,240

this sounds cool yeah i'm coming so i

968

00:39:25,430 --> 00:39:24,720

ended up going to that prayer meeting

969

00:39:27,109 --> 00:39:25,440

in

970

00:39:29,270 --> 00:39:27,119

1998

971

00:39:31,109 --> 00:39:29,280

and i uh

972

00:39:33,589 --> 00:39:31,119

i'm always there they had this beautiful

973

00:39:35,829 --> 00:39:33,599

worship music on beautiful tones and

974

00:39:36,950 --> 00:39:35,839

people singing and it was in somebody's

975

00:39:38,790 --> 00:39:36,960

apartment

976

00:39:40,790 --> 00:39:38,800

and i would see people with their eyes

977

00:39:43,270 --> 00:39:40,800

closed and their hands raised and they

978

00:39:44,630 --> 00:39:43,280

were just weeping and crying like

979

00:39:46,710 --> 00:39:44,640

they were sitting in this living room

980

00:39:48,870 --> 00:39:46,720

with me but they were in

981

00:39:51,190 --> 00:39:48,880

a different realm like they were tapped

982

00:39:52,790 --> 00:39:51,200

into something and it was so peaceful in

983

00:39:54,550 --> 00:39:52,800

that place and so

984

00:39:55,990 --> 00:39:54,560

uh this one gentleman come and sat down

985

00:39:57,349 --> 00:39:56,000

next to me on the couch and he said hey

986

00:39:59,510 --> 00:39:57,359

derek would you

987

00:40:00,950 --> 00:39:59,520

uh like to ask jesus to forgive you of

988

00:40:02,870 --> 00:40:00,960

your sins

989

00:40:04,870 --> 00:40:02,880

you know and

990

00:40:06,870 --> 00:40:04,880

i didn't want him not to

991

00:40:08,790 --> 00:40:06,880

right i didn't want jesus not to forgive

992

00:40:10,390 --> 00:40:08,800

me so i said yeah i'd like that i'd like

993

00:40:11,910 --> 00:40:10,400

him to forgive me he said i want you to

994

00:40:13,270 --> 00:40:11,920

pray this prayer with me and so he just

995

00:40:14,230 --> 00:40:13,280

led me in what they call the sinner's

996

00:40:16,470 --> 00:40:14,240

prayer

997

00:40:18,150 --> 00:40:16,480

and um

998

00:40:20,150 --> 00:40:18,160

acknowledging the work that he did on

999

00:40:22,309 --> 00:40:20,160

the cross i ask you to forgive me

1000

00:40:23,670 --> 00:40:22,319

cleanse me from all the unrighteousness

1001
00:40:25,190 --> 00:40:23,680
and the wrong that i've ever done i want

1002
00:40:27,589 --> 00:40:25,200
to make you the lord of my life and i

1003
00:40:29,750 --> 00:40:27,599
prayed this prayer and i meant it

1004
00:40:31,030 --> 00:40:29,760
when he led me and and as i prayed that

1005
00:40:32,710 --> 00:40:31,040
prayer

1006
00:40:34,390 --> 00:40:32,720
i began to weep

1007
00:40:36,710 --> 00:40:34,400
i began to break

1008
00:40:40,230 --> 00:40:36,720
and begin to shake and tremble and i

1009
00:40:41,510 --> 00:40:40,240
felt this immense what felt like fire

1010
00:40:43,589 --> 00:40:41,520
entered me

1011
00:40:46,150 --> 00:40:43,599
from the top of my head and just moved

1012
00:40:48,230 --> 00:40:46,160
throughout my entire being

1013
00:40:50,069 --> 00:40:48,240

and deep down into my stomach and my

1014

00:40:51,190 --> 00:40:50,079

spirit and i felt like it was burning me

1015

00:40:55,190 --> 00:40:51,200

up

1016

00:40:57,349 --> 00:40:55,200

and but it was scary at the same time

1017

00:40:59,670 --> 00:40:57,359

but it was so refreshing

1018

00:41:01,670 --> 00:40:59,680

and i felt like it it cleansed me and

1019

00:41:03,589 --> 00:41:01,680

burned out all the wrong that i had ever

1020

00:41:05,030 --> 00:41:03,599

done every lie that i had ever told

1021

00:41:07,109 --> 00:41:05,040

everything that i've ever stolen all the

1022

00:41:09,750 --> 00:41:07,119

things that i that i done in secret that

1023

00:41:12,470 --> 00:41:09,760

i was ashamed of like it instantly

1024

00:41:14,870 --> 00:41:12,480

deleted it it took it away from me and i

1025

00:41:16,150 --> 00:41:14,880

was in 1998 and i began to to to go to

1026

00:41:18,550 --> 00:41:16,160

church and and be a part of that

1027

00:41:20,470 --> 00:41:18,560

christian experience for several months

1028

00:41:22,470 --> 00:41:20,480

until i started going to school

1029

00:41:24,950 --> 00:41:22,480

then when i started going back to school

1030

00:41:27,109 --> 00:41:24,960

i uh i fell into the wrong crowd and

1031

00:41:29,349 --> 00:41:27,119

eventually got away from christianity

1032

00:41:31,829 --> 00:41:29,359

quit going to church and really got into

1033

00:41:35,270 --> 00:41:31,839

the occult even darker so as i was

1034

00:41:37,109 --> 00:41:35,280

dabbling with it as an early teen

1035

00:41:39,030 --> 00:41:37,119

once i got into christianity and fell

1036

00:41:40,950 --> 00:41:39,040

away from that i began to rebel from

1037

00:41:42,390 --> 00:41:40,960

that light and from christianity and

1038

00:41:45,270 --> 00:41:42,400

those things and so

1039

00:41:46,710 --> 00:41:45,280

um i ended up meeting a witch

1040

00:41:47,510 --> 00:41:46,720

he was a warlock

1041

00:41:49,910 --> 00:41:47,520

who

1042

00:41:52,710 --> 00:41:49,920

had so many stories about the spirit

1043

00:41:53,829 --> 00:41:52,720

world and and experiences and encounters

1044

00:41:56,390 --> 00:41:53,839

and we would just

1045

00:41:58,390 --> 00:41:56,400

pick his brain for hours about how he

1046

00:41:59,510 --> 00:41:58,400

would make contact and philosophies and

1047

00:42:01,430 --> 00:41:59,520

things like that he would teach us

1048

00:42:04,069 --> 00:42:01,440

little spells and things to do on people

1049

00:42:06,870 --> 00:42:04,079

and and um so he i was pretty much like

1050

00:42:08,150 --> 00:42:06,880

a pupil of his at least i felt that way

1051
00:42:10,230 --> 00:42:08,160
and

1052
00:42:12,069 --> 00:42:10,240
that just really got me even more into

1053
00:42:12,950 --> 00:42:12,079
the occult of like we know somebody

1054
00:42:14,950 --> 00:42:12,960
who's

1055
00:42:17,030 --> 00:42:14,960
who we can ask questions to

1056
00:42:19,349 --> 00:42:17,040
and so we just started

1057
00:42:21,510 --> 00:42:19,359
finding all of these books and getting

1058
00:42:22,950 --> 00:42:21,520
into the necronomicon as a teenager

1059
00:42:23,670 --> 00:42:22,960
getting into

1060
00:42:25,990 --> 00:42:23,680
the

1061
00:42:27,430 --> 00:42:26,000
um

1062
00:42:30,309 --> 00:42:27,440
satanic bible

1063
00:42:31,910 --> 00:42:30,319

and wicca and and really mixing it all

1064

00:42:33,349 --> 00:42:31,920

together like i didn't care what it was

1065

00:42:35,430 --> 00:42:33,359

because i understood that there was

1066

00:42:37,670 --> 00:42:35,440

something real about

1067

00:42:39,670 --> 00:42:37,680

spirituality about christianity so maybe

1068

00:42:42,390 --> 00:42:39,680

this other side's real too

1069

00:42:45,190 --> 00:42:42,400

so i began to explore and uh and seek

1070

00:42:46,710 --> 00:42:45,200

into that um for

1071

00:42:48,470 --> 00:42:46,720

maybe two years

1072

00:42:51,030 --> 00:42:48,480

so much so until

1073

00:42:52,790 --> 00:42:51,040

it all came to a head

1074

00:42:54,470 --> 00:42:52,800

after an experience that i had i ended

1075

00:42:57,109 --> 00:42:54,480

up moving away

1076
00:42:58,790 --> 00:42:57,119
from alabama to louisiana so i was about

1077
00:43:00,550 --> 00:42:58,800
two and a half hours away from most of

1078
00:43:02,069 --> 00:43:00,560
my friends and i was living in the

1079
00:43:04,790 --> 00:43:02,079
country with my mom

1080
00:43:05,589 --> 00:43:04,800
and my brother and for my birthday my

1081
00:43:07,990 --> 00:43:05,599
mom

1082
00:43:09,990 --> 00:43:08,000
took me and dropped me off in alabama to

1083
00:43:11,990 --> 00:43:10,000
be with my girlfriend and with my

1084
00:43:13,670 --> 00:43:12,000
friends for the for the weekends dropped

1085
00:43:15,910 --> 00:43:13,680
me off on friday was gonna come pick me

1086
00:43:17,510 --> 00:43:15,920
up sunday take me back home my cousin

1087
00:43:18,550 --> 00:43:17,520
was with me

1088
00:43:21,109 --> 00:43:18,560

and

1089

00:43:22,069 --> 00:43:21,119

he was gonna go spend the summer with me

1090

00:43:24,230 --> 00:43:22,079

um

1091

00:43:26,470 --> 00:43:24,240

we went and stayed with one friend and

1092

00:43:27,670 --> 00:43:26,480

whenever we stayed with him

1093

00:43:29,829 --> 00:43:27,680

we

1094

00:43:31,190 --> 00:43:29,839

stayed one night and i had a big duffel

1095

00:43:32,150 --> 00:43:31,200

bag

1096

00:43:33,589 --> 00:43:32,160

and

1097

00:43:34,790 --> 00:43:33,599

when we left

1098

00:43:37,030 --> 00:43:34,800

i took

1099

00:43:39,430 --> 00:43:37,040

all of his belongings that i wanted i

1100

00:43:41,750 --> 00:43:39,440

took video games and t-shirts and cds

1101
00:43:42,950 --> 00:43:41,760
and those things that a teenager would

1102
00:43:44,230 --> 00:43:42,960
would steal

1103
00:43:45,750 --> 00:43:44,240
and i took them and i put them in that

1104
00:43:47,910 --> 00:43:45,760
duffel bag and i told them bye and i

1105
00:43:49,270 --> 00:43:47,920
went and stayed with another friend

1106
00:43:52,390 --> 00:43:49,280
saturday night

1107
00:43:54,790 --> 00:43:52,400
friend and did the same thing to him

1108
00:43:56,790 --> 00:43:54,800
took all of his cds when we left

1109
00:43:58,550 --> 00:43:56,800
t-shirts video games i mean i had a

1110
00:44:00,550 --> 00:43:58,560
duffel bag full of stuff because my mom

1111
00:44:02,150 --> 00:44:00,560
was gonna come get me the next night

1112
00:44:04,230 --> 00:44:02,160
bring me back to louisiana in the

1113
00:44:04,950 --> 00:44:04,240

country and i would have all of this

1114

00:44:06,710 --> 00:44:04,960

stuff

1115

00:44:08,470 --> 00:44:06,720

so go stay with another friend she's

1116

00:44:10,630 --> 00:44:08,480

supposed to come that sunday night and

1117

00:44:12,790 --> 00:44:10,640

she don't show up

1118

00:44:15,910 --> 00:44:12,800

well somebody lets me crash on the couch

1119

00:44:17,670 --> 00:44:15,920

and my mom says that she's having car

1120

00:44:19,670 --> 00:44:17,680

problems in louisiana and it's going to

1121

00:44:21,270 --> 00:44:19,680

be another day so she'll come get me

1122

00:44:22,470 --> 00:44:21,280

monday night so we end up finding a

1123

00:44:24,309 --> 00:44:22,480

place to stay

1124

00:44:26,470 --> 00:44:24,319

one night i stayed with my girlfriend i

1125

00:44:29,030 --> 00:44:26,480

stayed in her tree house because we were

1126

00:44:30,470 --> 00:44:29,040

teenagers we snuck in there

1127

00:44:32,069 --> 00:44:30,480

and um

1128

00:44:33,990 --> 00:44:32,079

we had to find another place to stay

1129

00:44:36,550 --> 00:44:34,000

well all the while we're hanging out at

1130

00:44:38,390 --> 00:44:36,560

the warlocks house too and

1131

00:44:40,470 --> 00:44:38,400

there's huge parties over there all

1132

00:44:42,710 --> 00:44:40,480

these teenagers all these people

1133

00:44:43,910 --> 00:44:42,720

i stay with him one night

1134

00:44:46,069 --> 00:44:43,920

and

1135

00:44:48,230 --> 00:44:46,079

my mom puts it off again hey the car's

1136

00:44:50,390 --> 00:44:48,240

still in the shop i'll be there tuesday

1137

00:44:52,069 --> 00:44:50,400

okay fine cool i get to stay longer but

1138

00:44:54,150 --> 00:44:52,079

i got all this all these belongings i've

1139

00:44:55,430 --> 00:44:54,160

been stealing i ended up stealing

1140

00:44:57,670 --> 00:44:55,440

something

1141

00:44:59,510 --> 00:44:57,680

from the warlock as well i stole a video

1142

00:45:00,470 --> 00:44:59,520

game dungeons and dragons video game

1143

00:45:02,950 --> 00:45:00,480

from them

1144

00:45:04,870 --> 00:45:02,960

and i put it across the street in my

1145

00:45:06,870 --> 00:45:04,880

duffel bag that was hidden in another

1146

00:45:09,829 --> 00:45:06,880

friend's closet i put some clothes on

1147

00:45:11,750 --> 00:45:09,839

top of it so when my mom finally came

1148

00:45:14,790 --> 00:45:11,760

i run across the street i grabbed a bag

1149

00:45:16,870 --> 00:45:14,800

and we're gone you know make make way

1150

00:45:19,270 --> 00:45:16,880

the good little thief that i was

1151
00:45:21,109 --> 00:45:19,280
and um

1152
00:45:23,030 --> 00:45:21,119
she still didn't show up and eventually

1153
00:45:24,790 --> 00:45:23,040
we didn't have nowhere to stay so we

1154
00:45:25,990 --> 00:45:24,800
were going to stay with the warlock

1155
00:45:27,510 --> 00:45:26,000
again

1156
00:45:29,910 --> 00:45:27,520
so we're over at his house me and my

1157
00:45:31,030 --> 00:45:29,920
cousin and there had this big party

1158
00:45:32,630 --> 00:45:31,040
going on

1159
00:45:34,470 --> 00:45:32,640
and uh there's just

1160
00:45:36,790 --> 00:45:34,480
people everywhere a bunch of teenagers

1161
00:45:40,150 --> 00:45:36,800
there they're drinking and hanging out

1162
00:45:41,750 --> 00:45:40,160
and we were sitting inside and

1163
00:45:43,589 --> 00:45:41,760

this night there was a bunch of people

1164

00:45:45,190 --> 00:45:43,599

there that i've never seen before

1165

00:45:46,950 --> 00:45:45,200

a lot of older guys who we got a bunch

1166

00:45:49,270 --> 00:45:46,960

of teenagers but then you got all of

1167

00:45:50,710 --> 00:45:49,280

these dudes in their 40s and 50s and

1168

00:45:53,270 --> 00:45:50,720

older

1169

00:45:54,390 --> 00:45:53,280

and they're all wearing black

1170

00:45:57,030 --> 00:45:54,400

and

1171

00:45:58,790 --> 00:45:57,040

they're all in the in the living room

1172

00:46:00,790 --> 00:45:58,800

sitting down and me and my cousin are

1173

00:46:03,589 --> 00:46:00,800

sitting across from them somebody lights

1174

00:46:05,829 --> 00:46:03,599

up a joint we're at a party

1175

00:46:06,950 --> 00:46:05,839

and there's girls everywhere

1176
00:46:12,069 --> 00:46:06,960
and

1177
00:46:14,390 --> 00:46:12,079
somebody walks through the front door

1178
00:46:17,030 --> 00:46:14,400
and it's another friend

1179
00:46:19,270 --> 00:46:17,040
who has the video game that i stole from

1180
00:46:20,550 --> 00:46:19,280
the warlock so he walks in with the

1181
00:46:22,630 --> 00:46:20,560
video game

1182
00:46:25,270 --> 00:46:22,640
and he walks over across from me and

1183
00:46:27,430 --> 00:46:25,280
hands it to the warlock and he says okay

1184
00:46:29,670 --> 00:46:27,440
thank you

1185
00:46:30,870 --> 00:46:29,680
and uh friend walks off didn't say

1186
00:46:31,990 --> 00:46:30,880
nothing to me

1187
00:46:33,670 --> 00:46:32,000
and

1188
00:46:36,069 --> 00:46:33,680

they all look at each other all the

1189

00:46:37,990 --> 00:46:36,079

warlocks and witches and they shake this

1190

00:46:39,670 --> 00:46:38,000

okay

1191

00:46:42,069 --> 00:46:39,680

one at a time

1192

00:46:44,390 --> 00:46:42,079

each one of them gets up stands up walks

1193

00:46:45,349 --> 00:46:44,400

to the back of the house one

1194

00:46:48,069 --> 00:46:45,359

two

1195

00:46:49,589 --> 00:46:48,079

three i think it was five of them

1196

00:46:51,750 --> 00:46:49,599

i'm freaking out

1197

00:46:53,510 --> 00:46:51,760

these not only are these guys high level

1198

00:46:56,069 --> 00:46:53,520

warlocks but they're also

1199

00:46:59,030 --> 00:46:56,079

into gang activity like what's called

1200

00:47:01,109 --> 00:46:59,040

the insane gangster disciples it's a a

1201
00:47:02,870 --> 00:47:01,119
mixture of um

1202
00:47:04,309 --> 00:47:02,880
uh folk

1203
00:47:06,710 --> 00:47:04,319
and

1204
00:47:09,349 --> 00:47:06,720
mysticism they re they practice reading

1205
00:47:12,069 --> 00:47:09,359
the bible upside down you have to re

1206
00:47:13,829 --> 00:47:12,079
state lore and it's just really

1207
00:47:16,150 --> 00:47:13,839
dark stuff that they're all in and all

1208
00:47:17,349 --> 00:47:16,160
most of those kids were in on it so i

1209
00:47:18,550 --> 00:47:17,359
didn't know if we were going to get tied

1210
00:47:19,589 --> 00:47:18,560
up i don't know if we're going to get

1211
00:47:21,829 --> 00:47:19,599
beat up we're going to get jumped

1212
00:47:23,589 --> 00:47:21,839
because they're all in gang activity so

1213
00:47:25,349 --> 00:47:23,599

all the warlocks walk to the back i

1214

00:47:27,109 --> 00:47:25,359

whispered in my cousin hey

1215

00:47:29,109 --> 00:47:27,119

gotta get out of here man

1216

00:47:31,349 --> 00:47:29,119

what what's going on i said no we gotta

1217

00:47:32,950 --> 00:47:31,359

go he just brought the video game inside

1218

00:47:35,030 --> 00:47:32,960

that that i stole

1219

00:47:36,390 --> 00:47:35,040

oh man it's okay

1220

00:47:38,870 --> 00:47:36,400

they just lit a joint we're about to

1221

00:47:41,270 --> 00:47:38,880

smoke a joint no we got to go you don't

1222

00:47:42,870 --> 00:47:41,280

understand who these people are man

1223

00:47:44,790 --> 00:47:42,880

i get outside go now so we get up and

1224

00:47:47,349 --> 00:47:44,800

walk outside and i tell them and we're

1225

00:47:49,910 --> 00:47:47,359

like oh man um so there's a guy hanging

1226

00:47:52,069 --> 00:47:49,920

out by his car he's in his car talking

1227

00:47:53,430 --> 00:47:52,079

to some girls some random guy outside

1228

00:47:54,790 --> 00:47:53,440

there's people everywhere and i said hey

1229

00:47:56,069 --> 00:47:54,800

man can you give us a ride right down

1230

00:47:57,670 --> 00:47:56,079

the road i really need to get out of

1231

00:47:59,349 --> 00:47:57,680

here it's an emergency didn't know him

1232

00:48:01,270 --> 00:47:59,359

he said sure man hop in

1233

00:48:03,270 --> 00:48:01,280

so we get in the car with this guy he

1234

00:48:04,630 --> 00:48:03,280

brings us just three miles down the road

1235

00:48:06,710 --> 00:48:04,640

if that

1236

00:48:09,430 --> 00:48:06,720

to my my girlfriend's house and he drops

1237

00:48:11,349 --> 00:48:09,440

us off down the road because we're going

1238

00:48:14,870 --> 00:48:11,359

to try to make a run for it for her tree

1239

00:48:17,270 --> 00:48:14,880

house and have another night's rest

1240

00:48:19,349 --> 00:48:17,280

until my mom shows up in her tree house

1241

00:48:21,750 --> 00:48:19,359

so we go to the edge of the driveway and

1242

00:48:23,190 --> 00:48:21,760

we get ready to make a beeline

1243

00:48:24,710 --> 00:48:23,200

for the treehouse but we're waiting

1244

00:48:25,750 --> 00:48:24,720

because there's a there's a light in the

1245

00:48:27,030 --> 00:48:25,760

yard

1246

00:48:28,069 --> 00:48:27,040

and the lights just

1247

00:48:29,829 --> 00:48:28,079

moving through the yard and i'm like

1248

00:48:31,349 --> 00:48:29,839

well that it seems like that's her dad

1249

00:48:33,510 --> 00:48:31,359

with a flashlight just walking through

1250

00:48:36,069 --> 00:48:33,520

the yard but i tell you we watched that

1251

00:48:37,910 --> 00:48:36,079

that that light anywhere from 30 to 45

1252

00:48:39,270 --> 00:48:37,920

minutes until the sun started just going

1253

00:48:41,510 --> 00:48:39,280

down a little bit

1254

00:48:43,670 --> 00:48:41,520

and uh and the in the the light just

1255

00:48:45,349 --> 00:48:43,680

went away it's almost like it hypnotized

1256

00:48:46,150 --> 00:48:45,359

us or something now that i look back on

1257

00:48:48,950 --> 00:48:46,160

it

1258

00:48:51,829 --> 00:48:48,960

um so we walk around the edge of the

1259

00:48:53,109 --> 00:48:51,839

property and there's this big open field

1260

00:48:54,230 --> 00:48:53,119

and we walk around to the edge of the

1261

00:48:56,470 --> 00:48:54,240

field

1262

00:48:58,790 --> 00:48:56,480

and we're getting ready to make that run

1263

00:49:00,470 --> 00:48:58,800

for the treehouse and

1264

00:49:03,670 --> 00:49:00,480

out of nowhere

1265

00:49:06,390 --> 00:49:03,680

what i explained looked like a

1266

00:49:08,950 --> 00:49:06,400

eight foot tall camel

1267

00:49:10,950 --> 00:49:08,960

appeared out of thin air

1268

00:49:13,510 --> 00:49:10,960

it was darker than the blackest of night

1269

00:49:16,549 --> 00:49:13,520

it appeared it's about eight foot tall

1270

00:49:18,870 --> 00:49:16,559

camel a horse it runs by me and my

1271

00:49:21,829 --> 00:49:18,880

cousin knocks us both to the ground and

1272

00:49:23,510 --> 00:49:21,839

screams and then dissipates

1273

00:49:25,270 --> 00:49:23,520

into the ethers right when it passed

1274

00:49:27,750 --> 00:49:25,280

passed us up we get up off the ground

1275

00:49:29,190 --> 00:49:27,760

freaking out what was that we run to the

1276

00:49:32,069 --> 00:49:29,200

tree house

1277

00:49:34,390 --> 00:49:32,079

and that experience changed me that was

1278

00:49:37,109 --> 00:49:34,400

one of the the pivotal moments of my

1279

00:49:38,390 --> 00:49:37,119

life of being attacked or whatever that

1280

00:49:40,549 --> 00:49:38,400

thing was

1281

00:49:42,870 --> 00:49:40,559

um in my studies

1282

00:49:44,790 --> 00:49:42,880

as a teenager who was into the occult

1283

00:49:46,230 --> 00:49:44,800

and i wanted that

1284

00:49:47,589 --> 00:49:46,240

wha what was it

1285

00:49:49,990 --> 00:49:47,599

um

1286

00:49:51,750 --> 00:49:50,000

i ended up talking to the warlock

1287

00:49:53,829 --> 00:49:51,760

several months later we ended up go end

1288

00:49:55,109 --> 00:49:53,839

up going back to louisiana

1289

00:49:56,230 --> 00:49:55,119

um

1290

00:49:59,190 --> 00:49:56,240

and doing

1291

00:50:00,710 --> 00:49:59,200

my seances and all that but i go back to

1292

00:50:03,430 --> 00:50:00,720

alabama and talk to the warlock and i

1293

00:50:06,069 --> 00:50:03,440

apologize hey man i'm i'm sorry for

1294

00:50:07,829 --> 00:50:06,079

you know for for stealing from you and

1295

00:50:09,829 --> 00:50:07,839

and uh i didn't mean to do it i hope you

1296

00:50:12,549 --> 00:50:09,839

forgive me he's like yeah i know

1297

00:50:15,510 --> 00:50:12,559

i know you stole it they already told me

1298

00:50:18,309 --> 00:50:15,520

i said well listen what was it

1299

00:50:20,870 --> 00:50:18,319

because something

1300

00:50:22,470 --> 00:50:20,880

formed out of thin air and and scared us

1301
00:50:24,470 --> 00:50:22,480
and knocked us down what was it he

1302
00:50:26,309 --> 00:50:24,480
started laughing laughing

1303
00:50:28,230 --> 00:50:26,319
he said well i had a protection spell

1304
00:50:30,630 --> 00:50:28,240
upon my belongings

1305
00:50:31,750 --> 00:50:30,640
and it was a being that was summoned and

1306
00:50:33,990 --> 00:50:31,760
elemental

1307
00:50:36,470 --> 00:50:34,000
that anyone who would steal from me

1308
00:50:37,349 --> 00:50:36,480
or cause me harm that the being would go

1309
00:50:40,390 --> 00:50:37,359
out

1310
00:50:43,270 --> 00:50:40,400
and it would get my belongings back

1311
00:50:45,349 --> 00:50:43,280
and it would attack the individuals

1312
00:50:46,950 --> 00:50:45,359
that was trying to harm me or steal from

1313
00:50:49,270 --> 00:50:46,960

me so he

1314

00:50:51,430 --> 00:50:49,280

implanted the idea of the elementals and

1315

00:50:53,510 --> 00:50:51,440

he's working with these beings out of

1316

00:50:55,030 --> 00:50:53,520

that he summoned out of thin air out of

1317

00:50:57,190 --> 00:50:55,040

the ethers

1318

00:50:58,549 --> 00:50:57,200

and

1319

00:51:00,069 --> 00:50:58,559

again that changed me because you would

1320

00:51:01,270 --> 00:51:00,079

think that that would scare somebody say

1321

00:51:03,430 --> 00:51:01,280

hey stay away from this stuff it's

1322

00:51:05,990 --> 00:51:03,440

nothing to play with you know but i went

1323

00:51:07,750 --> 00:51:06,000

back to louisiana after that

1324

00:51:10,069 --> 00:51:07,760

and i've been beginning to go deeper

1325

00:51:11,910 --> 00:51:10,079

because i wanted to have that ability i

1326

00:51:15,510 --> 00:51:11,920

wanted to be able to work with

1327

00:51:17,589 --> 00:51:15,520

uh magic and and work with uh demons

1328

00:51:19,829 --> 00:51:17,599

that they would do my bidding

1329

00:51:21,109 --> 00:51:19,839

i got enemies too i got people trying to

1330

00:51:23,589 --> 00:51:21,119

harm me

1331

00:51:26,870 --> 00:51:23,599

maybe i can haunt maybe i can summon an

1332

00:51:29,829 --> 00:51:26,880

entity to go out and do them harm

1333

00:51:32,950 --> 00:51:29,839

and so i begin to to do every seance

1334

00:51:35,910 --> 00:51:32,960

every meditation every conjuring

1335

00:51:37,750 --> 00:51:35,920

uh by myself in in and with groups of

1336

00:51:38,950 --> 00:51:37,760

people and i would try to do them all

1337

00:51:40,230 --> 00:51:38,960

i'm reading all the books i'm trying to

1338

00:51:42,470 --> 00:51:40,240

figure out which which one of these

1339

00:51:44,390 --> 00:51:42,480

books is real is it wicca is it is this

1340

00:51:46,870 --> 00:51:44,400

the satanic bible there's beings that

1341

00:51:48,309 --> 00:51:46,880

you summon in the satanic bible

1342

00:51:51,589 --> 00:51:48,319

is it angel magic you know i'm trying to

1343

00:51:53,270 --> 00:51:51,599

do them all and and none of them worked

1344

00:51:55,430 --> 00:51:53,280

you know i'm doing all of them over over

1345

00:51:56,790 --> 00:51:55,440

several several weeks and you know just

1346

00:51:58,630 --> 00:51:56,800

a few months

1347

00:52:01,349 --> 00:51:58,640

and uh my girlfriend ended up moving

1348

00:52:04,069 --> 00:52:01,359

with me in uh louisiana

1349

00:52:06,390 --> 00:52:04,079

and it wasn't until

1350

00:52:08,549 --> 00:52:06,400

none of those meditations worked none of

1351
00:52:12,390 --> 00:52:08,559
those conjurings worked

1352
00:52:14,549 --> 00:52:12,400
until they all worked at the same time

1353
00:52:16,309 --> 00:52:14,559
and so

1354
00:52:18,549 --> 00:52:16,319
that's when we go back to the beginning

1355
00:52:20,790 --> 00:52:18,559
of this this episode where i talk about

1356
00:52:23,349 --> 00:52:20,800
being pulled into trances

1357
00:52:26,390 --> 00:52:23,359
sitting on the couch mid conversation

1358
00:52:28,630 --> 00:52:26,400
something pulls me into another realm

1359
00:52:31,109 --> 00:52:28,640
and tries to communicate with me

1360
00:52:32,790 --> 00:52:31,119
i can't understand it it's in an ancient

1361
00:52:34,870 --> 00:52:32,800
language and it's seven of them trying

1362
00:52:37,589 --> 00:52:34,880
to talk it's it's they're flying this is

1363
00:52:39,190 --> 00:52:37,599

insane it's insanity to try to make

1364

00:52:41,109 --> 00:52:39,200

sense and it's like

1365

00:52:43,349 --> 00:52:41,119

they're almost having fun

1366

00:52:45,510 --> 00:52:43,359

with toying with me and messing with me

1367

00:52:46,390 --> 00:52:45,520

not only did i just go into this trance

1368

00:52:48,230 --> 00:52:46,400

but my

1369

00:52:51,030 --> 00:52:48,240

body turns pale

1370

00:52:52,630 --> 00:52:51,040

i can't breathe my heart's racing and i

1371

00:52:54,630 --> 00:52:52,640

just

1372

00:52:55,990 --> 00:52:54,640

i'm in this trance and my girlfriend's

1373

00:52:57,670 --> 00:52:56,000

there

1374

00:52:59,589 --> 00:52:57,680

are you okay what's going on i'm not

1375

00:53:03,109 --> 00:52:59,599

breathing and finally i

1376
00:53:05,670 --> 00:53:03,119
sucked back in my body what was that

1377
00:53:07,750 --> 00:53:05,680
and uh and it kept happening

1378
00:53:09,990 --> 00:53:07,760
it only took a few days

1379
00:53:12,390 --> 00:53:10,000
but when it started

1380
00:53:14,710 --> 00:53:12,400
my health started to deteriorate

1381
00:53:17,030 --> 00:53:14,720
i started coughing up blood

1382
00:53:18,630 --> 00:53:17,040
i started hearing voices i started

1383
00:53:19,829 --> 00:53:18,640
seeing things out of the corner of my

1384
00:53:21,510 --> 00:53:19,839
eye

1385
00:53:23,829 --> 00:53:21,520
we would go into public and i would try

1386
00:53:25,910 --> 00:53:23,839
to order fast food at mcdonald's or

1387
00:53:27,430 --> 00:53:25,920
something like that and i couldn't look

1388
00:53:28,549 --> 00:53:27,440

people in their eyes because every time

1389

00:53:30,390 --> 00:53:28,559

i looked at them there was like this

1390

00:53:32,630 --> 00:53:30,400

heightened sense of like

1391

00:53:34,230 --> 00:53:32,640

esp and i knew things about them and i

1392

00:53:35,910 --> 00:53:34,240

knew they knew things about me and it

1393

00:53:37,910 --> 00:53:35,920

was this shame

1394

00:53:41,030 --> 00:53:37,920

and stuff that

1395

00:53:42,710 --> 00:53:41,040

it was like something out of a movie

1396

00:53:44,710 --> 00:53:42,720

every store we went in i felt like

1397

00:53:46,630 --> 00:53:44,720

everybody in the entire store was

1398

00:53:49,190 --> 00:53:46,640

looking at me it was straight

1399

00:53:52,870 --> 00:53:49,200

paranoid schizophrenia

1400

00:53:55,510 --> 00:53:52,880

that came upon me and um

1401

00:53:57,589 --> 00:53:55,520

i would watch things on television

1402

00:53:59,750 --> 00:53:57,599

and i would experience it in my in in my

1403

00:54:01,990 --> 00:53:59,760

mind in my life

1404

00:54:04,150 --> 00:54:02,000

every every disease that i heard if

1405

00:54:07,190 --> 00:54:04,160

someone said a disease

1406

00:54:09,990 --> 00:54:07,200

i immediately believed 100 that i had it

1407

00:54:11,670 --> 00:54:10,000

and i was going to die

1408

00:54:13,109 --> 00:54:11,680

changing the channels on television and

1409

00:54:14,870 --> 00:54:13,119

hearing about somebody said they had

1410

00:54:16,230 --> 00:54:14,880

testicular cancer i remember that boom

1411

00:54:17,430 --> 00:54:16,240

they just hit my head wow you got it

1412

00:54:19,910 --> 00:54:17,440

you're gonna die

1413

00:54:21,270 --> 00:54:19,920

oh man you got brain cancer and just and

1414

00:54:22,470 --> 00:54:21,280

it wasn't something that you can get out

1415

00:54:24,710 --> 00:54:22,480

of your head it was like i had no

1416

00:54:26,950 --> 00:54:24,720

control over these thoughts like these

1417

00:54:28,470 --> 00:54:26,960

beings were implanting thoughts

1418

00:54:29,430 --> 00:54:28,480

into my mind

1419

00:54:31,750 --> 00:54:29,440

so

1420

00:54:33,030 --> 00:54:31,760

when all of that came to a head and i'm

1421

00:54:35,030 --> 00:54:33,040

getting pulled in these trances i'm

1422

00:54:39,030 --> 00:54:35,040

coughing up blood and i'm malnourished

1423

00:54:41,190 --> 00:54:39,040

and i'm not eating it's very bad

1424

00:54:44,789 --> 00:54:41,200

that's when i hit rock bottom

1425

00:54:46,549 --> 00:54:44,799

and i knew that a few years before

1426

00:54:48,309 --> 00:54:46,559

you know i had been a christian you know

1427

00:54:50,390 --> 00:54:48,319

i remember being at that prayer meeting

1428

00:54:51,910 --> 00:54:50,400

and that bliss and that beauty that

1429

00:54:53,510 --> 00:54:51,920

those people were experiencing and the

1430

00:54:55,670 --> 00:54:53,520

beauty and bliss that i experienced when

1431

00:54:57,990 --> 00:54:55,680

that fire entered my body and and

1432

00:54:59,589 --> 00:54:58,000

comfort me and and changed me and helped

1433

00:55:01,510 --> 00:54:59,599

me and healed me and i wanted that back

1434

00:55:03,910 --> 00:55:01,520

because i was whatever that was i was on

1435

00:55:06,630 --> 00:55:03,920

the opposite spectrum

1436

00:55:08,150 --> 00:55:06,640

of the lowest that you can go on the

1437

00:55:08,950 --> 00:55:08,160

totem pole at least that's what i felt

1438

00:55:10,230 --> 00:55:08,960

like

1439

00:55:12,789 --> 00:55:10,240

and um

1440

00:55:14,549 --> 00:55:12,799

after having one rough night one episode

1441

00:55:16,069 --> 00:55:14,559

i ended up getting my girlfriend i said

1442

00:55:19,270 --> 00:55:16,079

i need you to pray with me just pray for

1443

00:55:21,510 --> 00:55:19,280

me because i feel in insanity in my mind

1444

00:55:23,349 --> 00:55:21,520

and my spirit and my body and i'm gonna

1445

00:55:26,069 --> 00:55:23,359

have to go to insane asylum i'm gonna go

1446

00:55:27,589 --> 00:55:26,079

to a psyche psychiatric ward you know

1447

00:55:29,349 --> 00:55:27,599

and they're gonna put me on medication

1448

00:55:31,829 --> 00:55:29,359

like i can't if i go tell people what

1449

00:55:34,150 --> 00:55:31,839

i'm experiencing it's over so she prayed

1450

00:55:35,990 --> 00:55:34,160

with me she didn't really believe in god

1451
00:55:37,750 --> 00:55:36,000
but she prayed that i would just feel

1452
00:55:40,470 --> 00:55:37,760
better in my body

1453
00:55:41,670 --> 00:55:40,480
and the next day i woke up i felt

1454
00:55:44,150 --> 00:55:41,680
a lot better

1455
00:55:46,069 --> 00:55:44,160
i went to our altar and

1456
00:55:47,670 --> 00:55:46,079
threw everything off all of the stuff

1457
00:55:50,309 --> 00:55:47,680
that was on the altars

1458
00:55:52,390 --> 00:55:50,319
all of the posters and the bands and uh

1459
00:55:54,230 --> 00:55:52,400
paraphernalia we had to do rituals and

1460
00:55:55,990 --> 00:55:54,240
seance and cutting and

1461
00:55:57,829 --> 00:55:56,000
anything that had anything to do with

1462
00:55:59,589 --> 00:55:57,839
anything dark

1463
00:56:01,670 --> 00:55:59,599

threw everything away all of our books

1464

00:56:03,990 --> 00:56:01,680

just getting rid of all kinds of stuff

1465

00:56:05,589 --> 00:56:04,000

um finding ways to get rid of it and my

1466

00:56:07,270 --> 00:56:05,599

girlfriend she wakes up what are you

1467

00:56:09,510 --> 00:56:07,280

doing i said i'm done

1468

00:56:11,510 --> 00:56:09,520

i'm done i can't do it anymore

1469

00:56:14,470 --> 00:56:11,520

um i got to get my life back right with

1470

00:56:16,069 --> 00:56:14,480

god i cannot and um

1471

00:56:19,109 --> 00:56:16,079

so she's panicking i'm throwing away all

1472

00:56:20,870 --> 00:56:19,119

of our music and t-shirts and stuff and

1473

00:56:23,670 --> 00:56:20,880

and she's like

1474

00:56:24,789 --> 00:56:23,680

what am i supposed to do i say listen

1475

00:56:28,789 --> 00:56:24,799

you can

1476

00:56:31,030 --> 00:56:28,799

life back to

1477

00:56:33,190 --> 00:56:31,040

you can dedicate your life to god

1478

00:56:34,870 --> 00:56:33,200

and do it with me or you can go home and

1479

00:56:37,750 --> 00:56:34,880

go live with your parents again i don't

1480

00:56:39,910 --> 00:56:37,760

care i'm done i'm not gonna make it if i

1481

00:56:41,670 --> 00:56:39,920

don't and um she's like well i don't

1482

00:56:42,630 --> 00:56:41,680

believe in god i don't believe in jesus

1483

00:56:44,150 --> 00:56:42,640

what do you want me to believe in

1484

00:56:46,549 --> 00:56:44,160

something that i don't believe in i said

1485

00:56:48,150 --> 00:56:46,559

listen if we can believe in the gods and

1486

00:56:50,549 --> 00:56:48,160

the goddesses and the fairies and the

1487

00:56:52,789 --> 00:56:50,559

moon creatures and pan and all of these

1488

00:56:54,710 --> 00:56:52,799

idols we can believe in that we can

1489

00:56:57,349 --> 00:56:54,720

believe in jesus

1490

00:56:59,910 --> 00:56:57,359

if you i said give it a week

1491

00:57:01,510 --> 00:56:59,920

and if our lives isn't 100 better within

1492

00:57:02,789 --> 00:57:01,520

a week then i'll go back and worship

1493

00:57:04,710 --> 00:57:02,799

anything you want me to worship with

1494

00:57:07,109 --> 00:57:04,720

bells and whistles on just because i

1495

00:57:09,430 --> 00:57:07,119

knew i knew it was real the other stuff

1496

00:57:11,430 --> 00:57:09,440

was was questionable i didn't know but

1497

00:57:12,710 --> 00:57:11,440

that encounter that i had in 98 i knew

1498

00:57:13,910 --> 00:57:12,720

that that was real intangible because i

1499

00:57:15,990 --> 00:57:13,920

took it with me

1500

00:57:18,549 --> 00:57:16,000

and so we we dedicated our lives to to

1501
00:57:20,630 --> 00:57:18,559
following god and and following christ

1502
00:57:22,150 --> 00:57:20,640
back then again it was uh september 7th

1503
00:57:24,950 --> 00:57:22,160
of 2000

1504
00:57:27,670 --> 00:57:24,960
and we we've been on that path ever

1505
00:57:29,349 --> 00:57:27,680
since and again i was a christian

1506
00:57:32,309 --> 00:57:29,359
minister i was a christian hip-hop

1507
00:57:34,870 --> 00:57:32,319
artist for many years until

1508
00:57:37,349 --> 00:57:34,880
um many of that's those things came full

1509
00:57:39,270 --> 00:57:37,359
circle and i began to see the righteous

1510
00:57:42,230 --> 00:57:39,280
beautiful part of it that it wasn't all

1511
00:57:44,710 --> 00:57:42,240
this base demonic lower level lower

1512
00:57:47,030 --> 00:57:44,720
entry stuff that there was a beauty and

1513
00:57:49,430 --> 00:57:47,040

a spirituality that existed even within

1514

00:57:51,670 --> 00:57:49,440

the bible because again i i approached

1515

00:57:53,430 --> 00:57:51,680

this from that perspective and i began

1516

00:57:55,829 --> 00:57:53,440

to see my story in that and i began to

1517

00:57:58,390 --> 00:57:55,839

see the things that the disciples did

1518

00:58:01,030 --> 00:57:58,400

and christ did and it really took my

1519

00:58:03,190 --> 00:58:01,040

experiences to the next level so

1520

00:58:05,589 --> 00:58:03,200

when all of that became real for me is

1521

00:58:07,589 --> 00:58:05,599

when everything came to a head and so i

1522

00:58:10,549 --> 00:58:07,599

ended up getting in the phone book

1523

00:58:13,190 --> 00:58:10,559

back then and calling 15 churches

1524

00:58:14,789 --> 00:58:13,200

and i left messages on all the answering

1525

00:58:16,230 --> 00:58:14,799

machines and says hey

1526

00:58:17,510 --> 00:58:16,240

i'm demon-possessed i need somebody to

1527

00:58:19,270 --> 00:58:17,520

pray with me i need somebody to call me

1528

00:58:21,430 --> 00:58:19,280

back i think i got demons

1529

00:58:23,349 --> 00:58:21,440

caught about 15 churches

1530

00:58:25,589 --> 00:58:23,359

one church called me back

1531

00:58:26,470 --> 00:58:25,599

and the pastor ended up coming to meet

1532

00:58:28,950 --> 00:58:26,480

with me

1533

00:58:29,910 --> 00:58:28,960

and praying for me at my home and ended

1534

00:58:33,190 --> 00:58:29,920

up

1535

00:58:34,390 --> 00:58:33,200

and forth to church

1536

00:58:36,390 --> 00:58:34,400

and uh and that's when everything

1537

00:58:37,349 --> 00:58:36,400

changed for me from being in that lower

1538

00:58:40,390 --> 00:58:37,359

level

1539

00:58:42,309 --> 00:58:40,400

dark demonic side and i knew it was real

1540

00:58:45,030 --> 00:58:42,319

i knew both sides were real i know that

1541

00:58:47,349 --> 00:58:45,040

the lower level confusing

1542

00:58:48,950 --> 00:58:47,359

dark entities exist the poltergeists the

1543

00:58:52,150 --> 00:58:48,960

ones that want to play tricks on your

1544

00:58:54,230 --> 00:58:52,160

mind and and and leech off of your your

1545

00:58:56,710 --> 00:58:54,240

energy and those things and also knew

1546

00:58:58,789 --> 00:58:56,720

that the beauty of the bliss of that

1547

00:59:00,789 --> 00:58:58,799

what we'll call the holy spirit

1548

00:59:03,030 --> 00:59:00,799

existed as well because that was one of

1549

00:59:05,990 --> 00:59:03,040

the first experiences that i had back in

1550

00:59:08,630 --> 00:59:06,950

wow

1551
00:59:10,950 --> 00:59:08,640
true secret it's quite an experience

1552
00:59:13,670 --> 00:59:10,960
thank you very much for sharing that

1553
00:59:15,589 --> 00:59:13,680
um so basically

1554
00:59:17,270 --> 00:59:15,599
after all of that that you that you've

1555
00:59:18,870 --> 00:59:17,280
been been through

1556
00:59:20,309 --> 00:59:18,880
what um

1557
00:59:21,589 --> 00:59:20,319
what was the first thing that you kind

1558
00:59:24,309 --> 00:59:21,599
of started to make these other

1559
00:59:25,670 --> 00:59:24,319
connections that like you said it's not

1560
00:59:28,309 --> 00:59:25,680
all

1561
00:59:31,190 --> 00:59:28,319
negative in that in that way that there

1562
00:59:33,190 --> 00:59:31,200
was a um i guess purpose for everything

1563
00:59:34,789 --> 00:59:33,200

and that if you just i guess change your

1564

00:59:36,630 --> 00:59:34,799

perspective the way you look at it that

1565

00:59:39,030 --> 00:59:36,640

you you change

1566

00:59:41,190 --> 00:59:39,040

i guess it changes itself what would you

1567

00:59:42,710 --> 00:59:41,200

say

1568

00:59:44,549 --> 00:59:42,720

yeah um

1569

00:59:46,549 --> 00:59:44,559

because coming from again from the

1570

00:59:48,549 --> 00:59:46,559

christian perspective like

1571

00:59:51,109 --> 00:59:48,559

you know it's a very spiritual tradition

1572

00:59:52,390 --> 00:59:51,119

you know we have to look at christianity

1573

00:59:54,150 --> 00:59:52,400

today

1574

00:59:56,870 --> 00:59:54,160

as far as some of the practices that

1575

00:59:59,510 --> 00:59:56,880

they continue to do um which are very

1576
01:00:01,910 --> 00:59:59,520
ancient practices speaking in tongues

1577
01:00:03,190 --> 01:00:01,920
rhythmic dancing singing chanting

1578
01:00:05,750 --> 01:00:03,200
clapping

1579
01:00:07,750 --> 01:00:05,760
um holding their hands up as to receive

1580
01:00:09,990 --> 01:00:07,760
from a higher power so there's really

1581
01:00:12,309 --> 01:00:10,000
this connection there so that was

1582
01:00:14,230 --> 01:00:12,319
something that we we practiced you know

1583
01:00:16,549 --> 01:00:14,240
and we believed in and demons we

1584
01:00:17,430 --> 01:00:16,559
believed in angels but for some reason

1585
01:00:21,510 --> 01:00:17,440
we

1586
01:00:23,349 --> 01:00:21,520
demons than the angels you know uh

1587
01:00:25,349 --> 01:00:23,359
everyone had a story about a demon not

1588
01:00:27,109 --> 01:00:25,359

many people had stories about angels and

1589

01:00:29,190 --> 01:00:27,119

so that was just kind of common ground

1590

01:00:31,589 --> 01:00:29,200

so i would share my story in churches

1591

01:00:34,630 --> 01:00:31,599

and youth groups and through my music as

1592

01:00:37,030 --> 01:00:34,640

a christian evangelist but

1593

01:00:39,510 --> 01:00:37,040

i would say it started to go deeper

1594

01:00:41,670 --> 01:00:39,520

when i would kind of separate myself and

1595

01:00:43,910 --> 01:00:41,680

and pray and fast

1596

01:00:44,950 --> 01:00:43,920

and uh and ask for deeper encounters

1597

01:00:47,030 --> 01:00:44,960

with god

1598

01:00:49,430 --> 01:00:47,040

you know more encounters like that which

1599

01:00:50,390 --> 01:00:49,440

i had when i first started and we had a

1600

01:00:52,710 --> 01:00:50,400

lot

1601
01:00:54,390 --> 01:00:52,720
that that experience of me feeling that

1602
01:00:56,470 --> 01:00:54,400
that fire come

1603
01:00:59,349 --> 01:00:56,480
upon me and within me and cleanse me out

1604
01:01:01,109 --> 01:00:59,359
like we had the ability to

1605
01:01:02,549 --> 01:01:01,119
lay hands on people and have them to

1606
01:01:04,069 --> 01:01:02,559
receive it too so it was now

1607
01:01:05,670 --> 01:01:04,079
transferable

1608
01:01:07,750 --> 01:01:05,680
so it wasn't that it was just this one

1609
01:01:11,030 --> 01:01:07,760
time thing we could

1610
01:01:13,030 --> 01:01:11,040
get people to pray and who wanted

1611
01:01:14,630 --> 01:01:13,040
to change their life or wanted an

1612
01:01:16,230 --> 01:01:14,640
encounter with god or wanted to get

1613
01:01:18,150 --> 01:01:16,240

their life right and they would receive

1614

01:01:20,069 --> 01:01:18,160

that gift and that promise of the holy

1615

01:01:21,910 --> 01:01:20,079

spirit and that became real that became

1616

01:01:24,150 --> 01:01:21,920

something powerful and then we'd read

1617

01:01:25,190 --> 01:01:24,160

about it in the bible like wow they did

1618

01:01:26,230 --> 01:01:25,200

this too

1619

01:01:29,750 --> 01:01:26,240

so

1620

01:01:32,710 --> 01:01:29,760

demon casting out demons that's in the

1621

01:01:34,789 --> 01:01:32,720

bible getting being filled with the holy

1622

01:01:37,109 --> 01:01:34,799

spirit that's in the bible but then we'd

1623

01:01:39,030 --> 01:01:37,119

keep reading there was

1624

01:01:41,589 --> 01:01:39,040

angelic encounters that were in the

1625

01:01:43,670 --> 01:01:41,599

bible but we didn't see much of those

1626

01:01:46,390 --> 01:01:43,680

so me just withdrawing myself i began to

1627

01:01:49,430 --> 01:01:46,400

pray and fast and ask for it and

1628

01:01:50,789 --> 01:01:49,440

um ask god to give me revelation

1629

01:01:52,390 --> 01:01:50,799

from heaven

1630

01:01:53,829 --> 01:01:52,400

so that i could teach and so that i

1631

01:01:54,950 --> 01:01:53,839

could share

1632

01:01:56,789 --> 01:01:54,960

and

1633

01:01:59,670 --> 01:01:56,799

i feel like i ended up getting it but it

1634

01:02:01,910 --> 01:01:59,680

didn't come the way that i thought most

1635

01:02:04,950 --> 01:02:01,920

of it was about books that were taken

1636

01:02:08,470 --> 01:02:04,960

out of the bible there was things that

1637

01:02:10,630 --> 01:02:08,480

introduced me to the zodiac in the bible

1638

01:02:12,710 --> 01:02:10,640

the constellations the mazzaroth and

1639

01:02:14,470 --> 01:02:12,720

these things that have been under our

1640

01:02:16,390 --> 01:02:14,480

noses the whole time within christendom

1641

01:02:18,150 --> 01:02:16,400

but nobody teaches on them we're told

1642

01:02:20,150 --> 01:02:18,160

that they're demonic but again they're

1643

01:02:22,710 --> 01:02:20,160

all of these things were in the bible so

1644

01:02:25,190 --> 01:02:22,720

for me it really took me having to read

1645

01:02:27,510 --> 01:02:25,200

it and find it in those scriptures

1646

01:02:29,510 --> 01:02:27,520

and then experience it like once i read

1647

01:02:31,349 --> 01:02:29,520

it and had some kind of grid that okay

1648

01:02:32,710 --> 01:02:31,359

this may not be demonic

1649

01:02:34,950 --> 01:02:32,720

um

1650

01:02:37,990 --> 01:02:34,960

then i can go out and experience it so

1651
01:02:40,470 --> 01:02:38,000
ufology was one of it it was connecting

1652
01:02:42,870 --> 01:02:40,480
ufology to the angels now i started off

1653
01:02:44,710 --> 01:02:42,880
as a christian researching ufology under

1654
01:02:47,270 --> 01:02:44,720
all of the big

1655
01:02:49,750 --> 01:02:47,280
christian ufologists who hands down

1656
01:02:51,990 --> 01:02:49,760
across the board say that it's demonic

1657
01:02:52,950 --> 01:02:52,000
and i i studied that for for several

1658
01:02:55,109 --> 01:02:52,960
months

1659
01:02:56,870 --> 01:02:55,119
until i began to

1660
01:02:59,029 --> 01:02:56,880
listen maybe to coast to coast a.m and

1661
01:03:01,109 --> 01:02:59,039
listen to a lot of george norian and

1662
01:03:03,430 --> 01:03:01,119
some of the people he interviewed and i

1663
01:03:05,029 --> 01:03:03,440

felt like many of those christians had a

1664

01:03:06,950 --> 01:03:05,039

bias

1665

01:03:08,710 --> 01:03:06,960

that that they approached the subject

1666

01:03:10,390 --> 01:03:08,720

with yeah they're demonic now what and

1667

01:03:12,309 --> 01:03:10,400

that's built on top of the the fact that

1668

01:03:13,510 --> 01:03:12,319

they're demonic but many of the other

1669

01:03:15,990 --> 01:03:13,520

people

1670

01:03:18,069 --> 01:03:16,000

who i resonated with that weren't on

1671

01:03:19,910 --> 01:03:18,079

christian interviews they were on

1672

01:03:22,230 --> 01:03:19,920

secular stuff like coast to coast and

1673

01:03:24,390 --> 01:03:22,240

podcasts like these i began to listen to

1674

01:03:26,230 --> 01:03:24,400

them and i heard stuff that ended up

1675

01:03:27,990 --> 01:03:26,240

resonating with me more

1676

01:03:29,670 --> 01:03:28,000

um because i didn't feel like it was

1677

01:03:32,710 --> 01:03:29,680

biased there was a there was a teacher

1678

01:03:34,470 --> 01:03:32,720

who i found early on um a researcher by

1679

01:03:37,670 --> 01:03:34,480

the name of patrick cook

1680

01:03:39,430 --> 01:03:37,680

who has bible ufo.net

1681

01:03:42,470 --> 01:03:39,440

and it was full of what i was looking

1682

01:03:45,190 --> 01:03:42,480

for of tying those scriptures in

1683

01:03:47,589 --> 01:03:45,200

about ufos and about aliens and the

1684

01:03:49,510 --> 01:03:47,599

paranormal to the bible so this was

1685

01:03:51,990 --> 01:03:49,520

thousands and thousands of web pages

1686

01:03:54,230 --> 01:03:52,000

about the supernatural

1687

01:03:55,910 --> 01:03:54,240

ufology and all of that within the bible

1688

01:03:58,150 --> 01:03:55,920

but

1689

01:03:59,270 --> 01:03:58,160

he differed because he was the only one

1690

01:04:00,950 --> 01:03:59,280

that brought to the table from a

1691

01:04:01,990 --> 01:04:00,960

christian perspective that

1692

01:04:03,829 --> 01:04:02,000

these

1693

01:04:05,750 --> 01:04:03,839

could be the the angels

1694

01:04:06,870 --> 01:04:05,760

from the scriptures and he had all of

1695

01:04:08,630 --> 01:04:06,880

the proof

1696

01:04:10,230 --> 01:04:08,640

with it not just saying it but let me

1697

01:04:12,230 --> 01:04:10,240

teach you and show you so

1698

01:04:13,910 --> 01:04:12,240

me having to read it and see it for

1699

01:04:15,990 --> 01:04:13,920

myself

1700

01:04:18,230 --> 01:04:16,000

which was huge for me and i felt like i

1701

01:04:19,510 --> 01:04:18,240

was being led down that path

1702

01:04:21,670 --> 01:04:19,520

and also

1703

01:04:25,190 --> 01:04:21,680

there was a video that i found early on

1704

01:04:26,950 --> 01:04:25,200

by a guy by the name of prophet yahweh

1705

01:04:29,589 --> 01:04:26,960

who

1706

01:04:30,870 --> 01:04:29,599

was interviewed by a news channel

1707

01:04:33,670 --> 01:04:30,880

and ended up

1708

01:04:35,829 --> 01:04:33,680

claiming that he could summon ufos

1709

01:04:37,910 --> 01:04:35,839

on command with the use of the hebrew

1710

01:04:39,430 --> 01:04:37,920

version of the holy bible and when i

1711

01:04:40,789 --> 01:04:39,440

heard this i was like i

1712

01:04:42,950 --> 01:04:40,799

i gotta check this out we've got

1713

01:04:44,549 --> 01:04:42,960

summoning ufos what's this i watch the

1714

01:04:46,870 --> 01:04:44,559

video he goes into

1715

01:04:47,910 --> 01:04:46,880

an open field he's got news crews with

1716

01:04:50,470 --> 01:04:47,920

him

1717

01:04:52,470 --> 01:04:50,480

he lifts his hands up to the sky

1718

01:04:55,190 --> 01:04:52,480

and he says oh yahweh

1719

01:04:57,349 --> 01:04:55,200

so that these people don't think that

1720

01:04:59,670 --> 01:04:57,359

i'm crazy

1721

01:05:01,829 --> 01:04:59,680

show me one of your chariots show me one

1722

01:05:03,829 --> 01:05:01,839

of your messengers your messengers of

1723

01:05:05,829 --> 01:05:03,839

light so that these people may see and

1724

01:05:07,430 --> 01:05:05,839

that they may know and they may believe

1725

01:05:08,470 --> 01:05:07,440

and so then they pan up and they look

1726
01:05:10,069 --> 01:05:08,480
around

1727
01:05:11,670 --> 01:05:10,079
and finally

1728
01:05:12,950 --> 01:05:11,680
they see

1729
01:05:15,589 --> 01:05:12,960
an orb

1730
01:05:18,150 --> 01:05:15,599
in the sky this light during the day

1731
01:05:19,750 --> 01:05:18,160
that's reflecting the light from the sun

1732
01:05:21,349 --> 01:05:19,760
it seems like something

1733
01:05:22,789 --> 01:05:21,359
picks up on camera

1734
01:05:24,789 --> 01:05:22,799
and all of the news reporters it

1735
01:05:27,109 --> 01:05:24,799
startles them wow it's wow it really

1736
01:05:29,270 --> 01:05:27,119
worked and he's like hallelujah bless

1737
01:05:31,349 --> 01:05:29,280
bless you yahweh thank you for the

1738
01:05:34,789 --> 01:05:31,359

sightings thank you for this encounter

1739

01:05:36,710 --> 01:05:34,799

and he's thanking god for it and all of

1740

01:05:38,950 --> 01:05:36,720

the research and study that i was doing

1741

01:05:41,589 --> 01:05:38,960

within the scriptures and then

1742

01:05:43,190 --> 01:05:41,599

to see that video

1743

01:05:45,910 --> 01:05:43,200

and then he's talking about the chariots

1744

01:05:47,589 --> 01:05:45,920

of fire the chariots which are the

1745

01:05:50,630 --> 01:05:47,599

vehicles

1746

01:05:52,950 --> 01:05:50,640

in the holy bible the the the chariots

1747

01:05:54,549 --> 01:05:52,960

of fire the cloud appear as a cloud by

1748

01:05:56,390 --> 01:05:54,559

day and a fire

1749

01:05:57,829 --> 01:05:56,400

by night so when i

1750

01:05:59,270 --> 01:05:57,839

seen that

1751

01:06:01,029 --> 01:05:59,280

then

1752

01:06:02,630 --> 01:06:01,039

things began to

1753

01:06:04,390 --> 01:06:02,640

to really shift for me because i began

1754

01:06:06,470 --> 01:06:04,400

to go out by myself

1755

01:06:08,630 --> 01:06:06,480

and spend hours and hours and hours

1756

01:06:10,230 --> 01:06:08,640

under the stars the morning sky the

1757

01:06:12,789 --> 01:06:10,240

night sky

1758

01:06:14,309 --> 01:06:12,799

anytime that i could even a a cloudy

1759

01:06:16,549 --> 01:06:14,319

night where you couldn't see anything

1760

01:06:18,789 --> 01:06:16,559

i'm trying to go out there and ask for a

1761

01:06:21,349 --> 01:06:18,799

sighting i'm trying to

1762

01:06:23,349 --> 01:06:21,359

to facilitate something similar to what

1763

01:06:25,270 --> 01:06:23,359

i've seen in that that video and then i

1764

01:06:26,630 --> 01:06:25,280

would find other people's work james

1765

01:06:29,430 --> 01:06:26,640

gilliland

1766

01:06:31,029 --> 01:06:29,440

from east city ranch and he had videos

1767

01:06:34,390 --> 01:06:31,039

and he was doing it

1768

01:06:36,870 --> 01:06:34,400

and dr stephen greer

1769

01:06:38,470 --> 01:06:36,880

with the ce5 initiative oh wow ce5

1770

01:06:39,670 --> 01:06:38,480

what's this yeah we're doing something

1771

01:06:42,069 --> 01:06:39,680

similar we're going out and making

1772

01:06:44,230 --> 01:06:42,079

contact with our space brothers in this

1773

01:06:47,829 --> 01:06:44,240

and then it started happening for me

1774

01:06:49,670 --> 01:06:47,839

i began to go out lift my hands

1775

01:06:52,950 --> 01:06:49,680

and ask for a sighting and it would take

1776

01:06:55,190 --> 01:06:52,960

hours days but finally

1777

01:06:57,990 --> 01:06:55,200

something happened something popped

1778

01:06:58,829 --> 01:06:58,000

and i began to make contact and um

1779

01:07:01,349 --> 01:06:58,839

with

1780

01:07:03,190 --> 01:07:01,359

beautiful benevolent

1781

01:07:05,510 --> 01:07:03,200

energies that that i would call the

1782

01:07:06,470 --> 01:07:05,520

angels i would i would be specific with

1783

01:07:08,470 --> 01:07:06,480

it

1784

01:07:11,670 --> 01:07:08,480

you know that's god i would ask yahweh

1785

01:07:14,150 --> 01:07:11,680

much like prophet yahweh did of to see a

1786

01:07:16,230 --> 01:07:14,160

sighting the cherubim the the the

1787

01:07:18,630 --> 01:07:16,240

seraphim and i began to do word studies

1788

01:07:20,549 --> 01:07:18,640

what what what are these things

1789

01:07:22,549 --> 01:07:20,559

and

1790

01:07:24,309 --> 01:07:22,559

they're fire they're the the beings that

1791

01:07:26,950 --> 01:07:24,319

are made out of fire that are in the

1792

01:07:28,549 --> 01:07:26,960

bible and literally seraphim means the

1793

01:07:30,630 --> 01:07:28,559

fiery serpents

1794

01:07:32,549 --> 01:07:30,640

who the the the keepers of god's

1795

01:07:34,470 --> 01:07:32,559

knowledge and they look like fire and we

1796

01:07:36,950 --> 01:07:34,480

read enoch and we read the bible and

1797

01:07:38,710 --> 01:07:36,960

then stuff starts making sense

1798

01:07:39,750 --> 01:07:38,720

and i begin to see things that just blew

1799

01:07:43,029 --> 01:07:39,760

my mind

1800

01:07:44,710 --> 01:07:43,039

i began to see portals open up and and

1801
01:07:47,430 --> 01:07:44,720
beings traveling in and out of them and

1802
01:07:49,430 --> 01:07:47,440
going into stars and um

1803
01:07:51,589 --> 01:07:49,440
lights flying across the sky really fast

1804
01:07:53,829 --> 01:07:51,599
and then stopping on a dime

1805
01:07:56,069 --> 01:07:53,839
lights flying across the sky

1806
01:07:57,990 --> 01:07:56,079
touching a star what seemed to be a star

1807
01:07:59,190 --> 01:07:58,000
but they were trading spaces with it

1808
01:08:01,910 --> 01:07:59,200
there was something that was parked

1809
01:08:03,910 --> 01:08:01,920
there that we thought was was a star

1810
01:08:05,190 --> 01:08:03,920
and a ship or whatever this light was

1811
01:08:07,829 --> 01:08:05,200
comes and

1812
01:08:09,190 --> 01:08:07,839
takes over and mans its post and then it

1813
01:08:11,349 --> 01:08:09,200

flies off

1814

01:08:14,870 --> 01:08:11,359

i've seen fleets of what we're called

1815

01:08:16,309 --> 01:08:14,880

ufos or or these beings in the sky

1816

01:08:18,630 --> 01:08:16,319

and so once you start having those

1817

01:08:20,070 --> 01:08:18,640

encounters and then you find scriptures

1818

01:08:21,749 --> 01:08:20,080

to back it up

1819

01:08:24,309 --> 01:08:21,759

because for me as long as it was in the

1820

01:08:25,669 --> 01:08:24,319

bible like i'm cool with it as long as i

1821

01:08:26,550 --> 01:08:25,679

can see it then i know that they're good

1822

01:08:29,189 --> 01:08:26,560

guys

1823

01:08:31,030 --> 01:08:29,199

because i have a i have a history

1824

01:08:32,950 --> 01:08:31,040

of trying to contact entities and ended

1825

01:08:35,590 --> 01:08:32,960

up getting the lower level bad guys that

1826
01:08:36,390 --> 01:08:35,600
were out there and and stuff exists for

1827
01:08:38,470 --> 01:08:36,400
sure

1828
01:08:39,510 --> 01:08:38,480
so i understood that the life that i was

1829
01:08:41,030 --> 01:08:39,520
living

1830
01:08:44,550 --> 01:08:41,040
and

1831
01:08:47,030 --> 01:08:44,560
connection

1832
01:08:48,309 --> 01:08:47,040
with what i would call god

1833
01:08:49,590 --> 01:08:48,319
and uh

1834
01:08:51,349 --> 01:08:49,600
eventually those things started

1835
01:08:53,030 --> 01:08:51,359
happening and i began to to see things

1836
01:08:54,470 --> 01:08:53,040
that were similar to all of those videos

1837
01:08:56,390 --> 01:08:54,480
that i had watched and the things that i

1838
01:08:57,430 --> 01:08:56,400

had wanted to see and it changed

1839

01:09:01,349 --> 01:08:57,440

everything

1840

01:09:02,950 --> 01:09:01,359

real um those scriptures became real

1841

01:09:04,390 --> 01:09:02,960

about them traveling scriptures about

1842

01:09:05,590 --> 01:09:04,400

them traveling back and forth from

1843

01:09:07,349 --> 01:09:05,600

heaven to earth

1844

01:09:09,030 --> 01:09:07,359

and carrying messages and all of that

1845

01:09:11,430 --> 01:09:09,040

and then i got i feel like i got to see

1846

01:09:13,430 --> 01:09:11,440

it you know and i and i began to put it

1847

01:09:16,630 --> 01:09:13,440

in my music i began to do

1848

01:09:18,470 --> 01:09:16,640

write rap songs spiritual hip-hop songs

1849

01:09:21,189 --> 01:09:18,480

about those encounters

1850

01:09:24,229 --> 01:09:21,199

the feelings the euphoria how to repeat

1851

01:09:26,309 --> 01:09:24,239

it and all of that and um and it really

1852

01:09:27,749 --> 01:09:26,319

took my spirituality to the next level i

1853

01:09:29,349 --> 01:09:27,759

feel like it made me a better person

1854

01:09:32,470 --> 01:09:29,359

there was an awe and a wonder and a

1855

01:09:34,870 --> 01:09:32,480

majesty i feel like was imparted to me

1856

01:09:37,030 --> 01:09:34,880

but when those things shifted was

1857

01:09:39,749 --> 01:09:37,040

definitely when all of that stuff

1858

01:09:41,269 --> 01:09:39,759

started happening for me um early on and

1859

01:09:43,749 --> 01:09:41,279

that was around

1860

01:09:45,829 --> 01:09:43,759

2010 11 12

1861

01:09:48,870 --> 01:09:45,839

in those years that i took all of this

1862

01:09:50,149 --> 01:09:48,880

very seriously and was seen so many

1863

01:09:52,070 --> 01:09:50,159

bizarre

1864

01:09:53,269 --> 01:09:52,080

things and and people would say be

1865

01:09:54,870 --> 01:09:53,279

careful

1866

01:09:57,750 --> 01:09:54,880

could be demons man you could get

1867

01:10:00,229 --> 01:09:57,760

abducted you could go out there

1868

01:10:02,550 --> 01:10:00,239

ask for a sighting and they come and

1869

01:10:04,310 --> 01:10:02,560

kidnap you and take you off world and

1870

01:10:06,070 --> 01:10:04,320

you're gone you know so there's that

1871

01:10:07,990 --> 01:10:06,080

fear they're trying to implant but then

1872

01:10:09,990 --> 01:10:08,000

i would read scriptures

1873

01:10:10,870 --> 01:10:10,000

there's a scripture on like prayer it

1874

01:10:11,910 --> 01:10:10,880

says

1875

01:10:15,350 --> 01:10:11,920

that

1876

01:10:17,270 --> 01:10:15,360

if you ask your heavenly father

1877

01:10:18,870 --> 01:10:17,280

for a fish

1878

01:10:20,709 --> 01:10:18,880

he's not going to give you a serpent

1879

01:10:23,110 --> 01:10:20,719

he's not going to give you a snake if

1880

01:10:24,790 --> 01:10:23,120

you ask your heavenly father for

1881

01:10:26,630 --> 01:10:24,800

a loaf of bread

1882

01:10:28,310 --> 01:10:26,640

he's not going to give you a stone and

1883

01:10:30,149 --> 01:10:28,320

play a trick on you

1884

01:10:32,070 --> 01:10:30,159

so the analogy there for me with this

1885

01:10:35,350 --> 01:10:32,080

prayer is like if i with a pure heart

1886

01:10:38,070 --> 01:10:35,360

and pure motives ask god the creator of

1887

01:10:39,189 --> 01:10:38,080

all things whatever that is

1888

01:10:41,270 --> 01:10:39,199

for

1889

01:10:43,750 --> 01:10:41,280

an encounter with one of his angels just

1890

01:10:44,950 --> 01:10:43,760

let me see him let him fly by and and

1891

01:10:46,630 --> 01:10:44,960

let me just

1892

01:10:48,149 --> 01:10:46,640

catch a glimpse

1893

01:10:49,590 --> 01:10:48,159

and um

1894

01:10:50,550 --> 01:10:49,600

i took that with me

1895

01:10:54,550 --> 01:10:50,560

that

1896

01:10:57,750 --> 01:10:54,560

out all fear

1897

01:11:00,550 --> 01:10:57,760

and if i asked for an angel a demon

1898

01:11:02,310 --> 01:11:00,560

wouldn't show up in its disguise doesn't

1899

01:11:04,310 --> 01:11:02,320

it it doesn't work that way

1900

01:11:07,270 --> 01:11:04,320

and so again that's when everything

1901

01:11:09,430 --> 01:11:07,280

changed for me and

1902

01:11:11,110 --> 01:11:09,440

everything in my life took a turn

1903

01:11:12,870 --> 01:11:11,120

for the better but it was definitely an

1904

01:11:14,390 --> 01:11:12,880

awakening there was some it was a

1905

01:11:15,590 --> 01:11:14,400

process but

1906

01:11:17,110 --> 01:11:15,600

um

1907

01:11:18,709 --> 01:11:17,120

talk about these big things these big

1908

01:11:19,430 --> 01:11:18,719

monumental moments in my life but that

1909

01:11:22,870 --> 01:11:19,440

was

1910

01:11:24,470 --> 01:11:22,880

for sure one of the biggest as well

1911

01:11:28,630 --> 01:11:24,480

you know it's interesting you mentioned

1912

01:11:30,870 --> 01:11:28,640

that time period of 2010 11 and 12

1913

01:11:33,430 --> 01:11:30,880

not just for myself but several other

1914

01:11:36,149 --> 01:11:33,440

people that i've talked to uh privately

1915

01:11:38,709 --> 01:11:36,159

you know that was kind of those big

1916

01:11:40,470 --> 01:11:38,719

years where big things were happening so

1917

01:11:43,030 --> 01:11:40,480

it's interesting that just to also hear

1918

01:11:44,550 --> 01:11:43,040

you say that um i have actually several

1919

01:11:47,030 --> 01:11:44,560

things i want to ask you about and i

1920

01:11:49,030 --> 01:11:47,040

wish i i need to start getting more in

1921

01:11:50,709 --> 01:11:49,040

the habit of keeping a

1922

01:11:52,870 --> 01:11:50,719

pen and paper here so i can write it

1923

01:11:55,270 --> 01:11:52,880

down real quick i can't use any of the

1924

01:11:57,669 --> 01:11:55,280

this electronics more efficiently so

1925

01:11:59,510 --> 01:11:57,679

just to clarify something um just out of

1926

01:12:01,270 --> 01:11:59,520

curiosity because it was a very uh

1927

01:12:03,270 --> 01:12:01,280

interesting you know story as you were

1928

01:12:05,430 --> 01:12:03,280

telling it whatever happened with the

1929

01:12:07,350 --> 01:12:05,440

girlfriend uh because you said did you

1930

01:12:09,030 --> 01:12:07,360

ask her to give her that week and if you

1931

01:12:10,870 --> 01:12:09,040

can just very shortly go into that and i

1932

01:12:14,709 --> 01:12:10,880

have some other questions for you

1933

01:12:17,510 --> 01:12:14,719

yeah well we've been um happily married

1934

01:12:18,709 --> 01:12:17,520

for 20 years

1935

01:12:20,709 --> 01:12:18,719

and

1936

01:12:22,870 --> 01:12:20,719

yeah she ended up having an encounter we

1937

01:12:25,750 --> 01:12:22,880

uh you know she made that that decision

1938

01:12:27,430 --> 01:12:25,760

to uh so come and give it a shot

1939

01:12:29,590 --> 01:12:27,440

and

1940

01:12:31,590 --> 01:12:29,600

very interestingly

1941

01:12:33,990 --> 01:12:31,600

you know i said let's give it a week

1942

01:12:35,910 --> 01:12:34,000

and so we had a lot of crazy things

1943

01:12:37,830 --> 01:12:35,920

going on in our life right if you're in

1944

01:12:39,189 --> 01:12:37,840

that realm

1945

01:12:40,709 --> 01:12:39,199

um

1946

01:12:41,510 --> 01:12:40,719

we had a lot of prayer requests i'll say

1947

01:12:43,189 --> 01:12:41,520

that

1948

01:12:45,030 --> 01:12:43,199

so we ended up writing

1949

01:12:47,350 --> 01:12:45,040

we heard this write your prayer requests

1950

01:12:48,950 --> 01:12:47,360

down make them known unto god

1951

01:12:54,070 --> 01:12:48,960

and

1952

01:12:56,229 --> 01:12:54,080

things down i think it was

1953

01:12:57,510 --> 01:12:56,239

that we needed and and it was specific

1954

01:12:59,750 --> 01:12:57,520

things to us

1955

01:13:01,270 --> 01:12:59,760

all we wanted to relocate back to

1956

01:13:02,550 --> 01:13:01,280

alabama

1957

01:13:05,189 --> 01:13:02,560

we wanted

1958

01:13:06,709 --> 01:13:05,199

new christian friends because

1959

01:13:08,470 --> 01:13:06,719

we went out and tried to hang out with

1960

01:13:10,630 --> 01:13:08,480

the same people

1961

01:13:12,630 --> 01:13:10,640

and we picked up a guy

1962

01:13:14,709 --> 01:13:12,640

and he got in the back seat

1963

01:13:16,390 --> 01:13:14,719

and he's fidgeting around he pulls out a

1964

01:13:18,149 --> 01:13:16,400

knife he's got a steak knife and he

1965

01:13:19,350 --> 01:13:18,159

pulls it out of his pants and i'm like

1966

01:13:20,390 --> 01:13:19,360

hey what are you what are you doing with

1967

01:13:21,990 --> 01:13:20,400

that

1968

01:13:24,149 --> 01:13:22,000

oh i can't trust anybody man i can't

1969

01:13:25,110 --> 01:13:24,159

trust nobody can't trust anybody i said

1970

01:13:26,630 --> 01:13:25,120

okay

1971

01:13:27,990 --> 01:13:26,640

so we hang out for a little bit but hey

1972

01:13:31,189 --> 01:13:28,000

we gotta take this guy home like i don't

1973

01:13:33,270 --> 01:13:31,199

feel comfortable anymore around him so

1974

01:13:35,990 --> 01:13:33,280

we asked to be relocated back to alabama

1975

01:13:36,790 --> 01:13:36,000

we asked for christian friends we asked

1976

01:13:39,189 --> 01:13:36,800

for

1977

01:13:41,750 --> 01:13:39,199

uh my wife to have a job

1978

01:13:43,910 --> 01:13:41,760

in alabama we asked for our car to be

1979

01:13:47,590 --> 01:13:43,920

fixed our car was

1980

01:13:49,910 --> 01:13:47,600

as soon as you crank it the rpms go up

1981

01:13:52,229 --> 01:13:49,920

to like 80 miles an hour so you had to

1982

01:13:53,990 --> 01:13:52,239

hold the brake the car was jacked we

1983

01:13:55,669 --> 01:13:54,000

took it to repairman they didn't know

1984

01:13:57,910 --> 01:13:55,679

what's wrong with it my granny tried to

1985

01:13:58,950 --> 01:13:57,920

pay for it and help us and nothing would

1986

01:14:01,910 --> 01:13:58,960

work

1987

01:14:03,830 --> 01:14:01,920

and so we had all of these these prayers

1988

01:14:05,189 --> 01:14:03,840

um that we asked for

1989

01:14:07,510 --> 01:14:05,199

and

1990

01:14:09,110 --> 01:14:07,520

for about a week you know we we

1991

01:14:11,350 --> 01:14:09,120

were going to church there

1992

01:14:12,870 --> 01:14:11,360

uh in in louisiana and getting plugged

1993

01:14:14,310 --> 01:14:12,880

in with those guys going to bible study

1994

01:14:16,229 --> 01:14:14,320

and stuff but i'll tell you what for me

1995

01:14:17,590 --> 01:14:16,239

it was still hard like i was still in

1996

01:14:21,189 --> 01:14:17,600

between even though like there was so

1997

01:14:23,830 --> 01:14:21,199

much peace that came to me instantly

1998

01:14:26,630 --> 01:14:23,840

it was a hard road it did it wasn't hey

1999

01:14:28,310 --> 01:14:26,640

everything's good it was like but

2000

01:14:31,030 --> 01:14:28,320

there was so much work to be done you

2001
01:14:33,189 --> 01:14:31,040
know my mind was trained a certain way

2002
01:14:34,870 --> 01:14:33,199
you know to be paranoid and to be

2003
01:14:36,390 --> 01:14:34,880
suspicious and to

2004
01:14:38,390 --> 01:14:36,400
and to hear

2005
01:14:40,070 --> 01:14:38,400
things while people are talking and i'm

2006
01:14:42,550 --> 01:14:40,080
hearing a different conversation you

2007
01:14:43,430 --> 01:14:42,560
know so it was a long long process but

2008
01:14:44,870 --> 01:14:43,440
anyway

2009
01:14:47,830 --> 01:14:44,880
we prayed for those things and

2010
01:14:49,510 --> 01:14:47,840
miraculously i believe god answered

2011
01:14:53,350 --> 01:14:49,520
every single one of them

2012
01:14:55,189 --> 01:14:53,360
um but we wanted to relocate

2013
01:14:56,550 --> 01:14:55,199

back to alabama but we didn't even have

2014

01:14:58,790 --> 01:14:56,560

gas money

2015

01:15:01,750 --> 01:14:58,800

to get there and the car was messed up

2016

01:15:02,630 --> 01:15:01,760

it probably wouldn't even make it

2017

01:15:05,030 --> 01:15:02,640

so

2018

01:15:06,550 --> 01:15:05,040

my wife talk girlfriend at the time

2019

01:15:08,709 --> 01:15:06,560

talks to her

2020

01:15:11,270 --> 01:15:08,719

um grandmother and says hey we want to

2021

01:15:13,030 --> 01:15:11,280

come visit and want to get mom and dad

2022

01:15:14,550 --> 01:15:13,040

to look at the car maybe they can know

2023

01:15:16,229 --> 01:15:14,560

what's wrong with it and all this and we

2024

01:15:19,189 --> 01:15:16,239

just want to come see y'all we don't

2025

01:15:21,910 --> 01:15:19,199

have the money and she said aaron

2026

01:15:23,350 --> 01:15:21,920

uh look under the spare tire

2027

01:15:24,950 --> 01:15:23,360

and in the little

2028

01:15:26,070 --> 01:15:24,960

cubby compartment

2029

01:15:30,070 --> 01:15:26,080

in the

2030

01:15:31,750 --> 01:15:30,080

i put

2031

01:15:34,310 --> 01:15:31,760

it was twenty dollars was twenty dollars

2032

01:15:35,669 --> 01:15:34,320

was a tank of gas back in back then

2033

01:15:37,270 --> 01:15:35,679

there's twenty dollars in there and

2034

01:15:38,950 --> 01:15:37,280

that'll fill your car up for you to get

2035

01:15:40,790 --> 01:15:38,960

home just i put that there just in case

2036

01:15:43,830 --> 01:15:40,800

you ever needed to get home you would

2037

01:15:45,750 --> 01:15:43,840

have gas money so before any of this

2038

01:15:50,149 --> 01:15:45,760

happened

2039

01:15:54,070 --> 01:15:51,990

synchronistically i believe put that

2040

01:15:55,350 --> 01:15:54,080

there so boom there's our gas money so

2041

01:15:57,830 --> 01:15:55,360

now we don't have to look for money we

2042

01:15:59,110 --> 01:15:57,840

have to siphon gas or nothing well okay

2043

01:16:01,030 --> 01:15:59,120

let's go so

2044

01:16:02,950 --> 01:16:01,040

now we got to try to get the car back so

2045

01:16:04,950 --> 01:16:02,960

we're driving

2046

01:16:07,350 --> 01:16:04,960

on the interstate

2047

01:16:09,430 --> 01:16:07,360

and um

2048

01:16:10,950 --> 01:16:09,440

the car is doing 80 and you got to ride

2049

01:16:13,030 --> 01:16:10,960

the brake if it tries to go over you

2050

01:16:14,229 --> 01:16:13,040

know and it you going through town and

2051

01:16:15,510 --> 01:16:14,239

traffic

2052

01:16:17,910 --> 01:16:15,520

get on the interstate as quick as you

2053

01:16:19,750 --> 01:16:17,920

can you know but we made it we made it

2054

01:16:22,310 --> 01:16:19,760

back so we end up getting there and we

2055

01:16:24,630 --> 01:16:22,320

end up going to my old church and we go

2056

01:16:27,510 --> 01:16:24,640

to the church and we get plugged in and

2057

01:16:30,470 --> 01:16:27,520

a bunch of young people there who

2058

01:16:31,430 --> 01:16:30,480

um wanted to hang out with us

2059

01:16:32,550 --> 01:16:31,440

and

2060

01:16:33,910 --> 01:16:32,560

um

2061

01:16:35,750 --> 01:16:33,920

so we ended up having all these

2062

01:16:37,669 --> 01:16:35,760

christian friends like

2063

01:16:38,709 --> 01:16:37,679

15 friends out of nowhere who we hung

2064

01:16:40,630 --> 01:16:38,719

out with every day and they were all

2065

01:16:42,229 --> 01:16:40,640

christians we have prayer meetings and

2066

01:16:44,630 --> 01:16:42,239

stuff while we're in town in alabama

2067

01:16:46,149 --> 01:16:44,640

visiting you know my wife prayed for

2068

01:16:48,310 --> 01:16:46,159

this job

2069

01:16:50,470 --> 01:16:48,320

she walks into her old job just to say

2070

01:16:52,310 --> 01:16:50,480

hey just to see everybody because it's

2071

01:16:54,950 --> 01:16:52,320

been several months she's been in

2072

01:16:56,709 --> 01:16:54,960

louisiana she walks into the front door

2073

01:16:58,310 --> 01:16:56,719

to go see him and surprise him and as

2074

01:16:59,750 --> 01:16:58,320

soon as they lay eyes on her her old

2075

01:17:01,350 --> 01:16:59,760

boss says hey aaron you want your old

2076

01:17:02,790 --> 01:17:01,360

job back

2077

01:17:03,750 --> 01:17:02,800

uh

2078

01:17:05,030 --> 01:17:03,760

yeah

2079

01:17:07,030 --> 01:17:05,040

actually i do

2080

01:17:08,790 --> 01:17:07,040

okay you start tomorrow it's like what

2081

01:17:10,870 --> 01:17:08,800

hey there's no good to see you it's been

2082

01:17:13,590 --> 01:17:10,880

a while so she walks in and magically

2083

01:17:15,430 --> 01:17:13,600

walks right back into that job that was

2084

01:17:17,830 --> 01:17:15,440

provisioned and

2085

01:17:19,510 --> 01:17:17,840

her uh mom and dad end up paying for the

2086

01:17:22,470 --> 01:17:19,520

car to be fixed and they knew what was

2087

01:17:24,149 --> 01:17:22,480

wrong with it and they ended up

2088

01:17:25,910 --> 01:17:24,159

um because we weren't married at the

2089

01:17:27,910 --> 01:17:25,920

time they weren't going to let us stay

2090

01:17:31,590 --> 01:17:27,920

together in in their home so they ended

2091

01:17:33,750 --> 01:17:31,600

up writing us a a

2092

01:17:35,030 --> 01:17:33,760

hotel for just a couple days

2093

01:17:36,310 --> 01:17:35,040

and he said you know what if you guys

2094

01:17:37,590 --> 01:17:36,320

want to stay longer until the car gets

2095

01:17:38,790 --> 01:17:37,600

all the way fixed we'll let you borrow

2096

01:17:41,350 --> 01:17:38,800

our truck

2097

01:17:43,430 --> 01:17:41,360

and we'll rent or we'll buy a little

2098

01:17:46,630 --> 01:17:43,440

camper trailer

2099

01:17:47,669 --> 01:17:46,640

for you guys to stay to stay in um while

2100

01:17:49,510 --> 01:17:47,679

you're here

2101

01:17:52,390 --> 01:17:49,520

so like we just had

2102

01:17:53,990 --> 01:17:52,400

all of these things that we asked for we

2103

01:17:55,430 --> 01:17:54,000

prayed for and i feel like god was

2104

01:17:58,070 --> 01:17:55,440

showing himself

2105

01:17:59,350 --> 01:17:58,080

to me and to my wife who all of this was

2106

01:18:01,430 --> 01:17:59,360

brand new she hadn't had those

2107

01:18:03,510 --> 01:18:01,440

encounters that i had early on

2108

01:18:05,590 --> 01:18:03,520

and it was something that built her

2109

01:18:07,910 --> 01:18:05,600

faith to know that hey

2110

01:18:09,030 --> 01:18:07,920

somebody or something's listening when

2111

01:18:11,430 --> 01:18:09,040

we talk

2112

01:18:13,270 --> 01:18:11,440

when we align ourselves to do right and

2113

01:18:15,750 --> 01:18:13,280

to get on this straight and narrow path

2114

01:18:17,510 --> 01:18:15,760

and when we ask for things that that it

2115

01:18:19,830 --> 01:18:17,520

shall be given unto you

2116

01:18:21,669 --> 01:18:19,840

and uh and we felt loved and and then

2117

01:18:23,990 --> 01:18:21,679

she ended up having an encounter too

2118

01:18:25,510 --> 01:18:24,000

with the holy spirit like i did

2119

01:18:27,189 --> 01:18:25,520

and um

2120

01:18:28,630 --> 01:18:27,199

we were sitting at home

2121

01:18:30,950 --> 01:18:28,640

uh watching

2122

01:18:32,310 --> 01:18:30,960

preaching on tv it was rod parsley back

2123

01:18:33,430 --> 01:18:32,320

in 2000

2124

01:18:34,950 --> 01:18:33,440

and they were having like this

2125

01:18:37,510 --> 01:18:34,960

praise-a-thon kind of thing

2126
01:18:39,189 --> 01:18:37,520
old-fashioned church service on tv kind

2127
01:18:41,830 --> 01:18:39,199
of thing and they began to play the

2128
01:18:44,070 --> 01:18:41,840
music and begin to

2129
01:18:45,189 --> 01:18:44,080
the tambourines and stuff and we just

2130
01:18:46,630 --> 01:18:45,199
felt this

2131
01:18:48,229 --> 01:18:46,640
we were getting into it in this little

2132
01:18:50,470 --> 01:18:48,239
unction and we just got up and started

2133
01:18:52,630 --> 01:18:50,480
dancing in our living room and it was

2134
01:18:54,870 --> 01:18:52,640
this beautiful joy that filled the room

2135
01:18:56,630 --> 01:18:54,880
and it was a supernatural encounter that

2136
01:18:58,310 --> 01:18:56,640
we both got to experience together and

2137
01:19:00,790 --> 01:18:58,320
that was her first time

2138
01:19:03,270 --> 01:19:00,800

tangibly feeling the presence

2139

01:19:05,669 --> 01:19:03,280

of love the presence of the holy spirit

2140

01:19:06,470 --> 01:19:05,679

and so all of those things came to a

2141

01:19:07,669 --> 01:19:06,480

head

2142

01:19:09,510 --> 01:19:07,679

to uh

2143

01:19:11,350 --> 01:19:09,520

you know for us to be where we are today

2144

01:19:14,550 --> 01:19:11,360

but it was those foundational things

2145

01:19:16,470 --> 01:19:14,560

that i think were pivotal and and

2146

01:19:18,630 --> 01:19:16,480

pillars in our life and in our in our

2147

01:19:20,470 --> 01:19:18,640

faith

2148

01:19:22,550 --> 01:19:20,480

it's a that's beautiful i'm glad it

2149

01:19:25,110 --> 01:19:22,560

worked out in that way and and just

2150

01:19:27,270 --> 01:19:25,120

makes that much more of a richer life

2151

01:19:29,510 --> 01:19:27,280

um yeah there's

2152

01:19:32,550 --> 01:19:29,520

well i was thinking if uh if you're okay

2153

01:19:34,709 --> 01:19:32,560

with it uh to for us to then go into q a

2154

01:19:36,950 --> 01:19:34,719

but before we do that i have just some

2155

01:19:39,590 --> 01:19:36,960

quick announcement to everyone and then

2156

01:19:41,350 --> 01:19:39,600

another question that will then of you

2157

01:19:43,830 --> 01:19:41,360

know it's a chance to send in the

2158

01:19:45,110 --> 01:19:43,840

questions uh to you uh what do you what

2159

01:19:46,070 --> 01:19:45,120

do you think would you be up for that

2160

01:19:49,350 --> 01:19:46,080

now

2161

01:19:52,390 --> 01:19:49,360

i'm down brother okay good deal so

2162

01:19:55,350 --> 01:19:52,400

we're going to go into questions uh uh

2163

01:19:57,990 --> 01:19:55,360

here very soon i i will then give you uh

2164

01:20:00,790 --> 01:19:58,000

some time to either log into telegram to

2165

01:20:03,830 --> 01:20:00,800

ask the question yourself uh over voice

2166

01:20:06,310 --> 01:20:03,840

or please use uh shift eight also three

2167

01:20:09,270 --> 01:20:06,320

stars and then a question after so it

2168

01:20:11,110 --> 01:20:09,280

pops out easier in the chat uh for me

2169

01:20:14,229 --> 01:20:11,120

and um also

2170

01:20:16,629 --> 01:20:14,239

um anything i could uh basically

2171

01:20:18,470 --> 01:20:16,639

anything that trueseeker offers is all

2172

01:20:20,390 --> 01:20:18,480

in description below those that what you

2173

01:20:23,669 --> 01:20:20,400

follow often know that for those that

2174

01:20:26,390 --> 01:20:23,679

don't uh under every video uh whether it

2175

01:20:28,790 --> 01:20:26,400

would be um the channel the websites

2176

01:20:31,110 --> 01:20:28,800

anything else about truth seeker is in

2177

01:20:31,910 --> 01:20:31,120

the description so please check it out

2178

01:20:34,790 --> 01:20:31,920

and

2179

01:20:36,229 --> 01:20:34,800

so the question i have for you was

2180

01:20:38,629 --> 01:20:36,239

regarding your book

2181

01:20:40,310 --> 01:20:38,639

and one of the forwards was jordan

2182

01:20:41,830 --> 01:20:40,320

maxwell i meant to ask you earlier when

2183

01:20:45,110 --> 01:20:41,840

you were talking about listening to

2184

01:20:48,310 --> 01:20:45,120

other people um then there's also a

2185

01:20:50,390 --> 01:20:48,320

basically a song you you also recorded

2186

01:20:52,550 --> 01:20:50,400

and it's up on your channel as well that

2187

01:20:53,510 --> 01:20:52,560

has one of some of the

2188

01:20:55,510 --> 01:20:53,520

lyrics

2189

01:20:57,750 --> 01:20:55,520

as jordan maxwell is talking can you

2190

01:21:00,709 --> 01:20:57,760

maybe just talk a little bit about

2191

01:21:02,310 --> 01:21:00,719

maybe if there is such a if

2192

01:21:03,990 --> 01:21:02,320

i would assume that jordan maxwell was

2193

01:21:05,350 --> 01:21:04,000

an influence on you in some way as well

2194

01:21:07,110 --> 01:21:05,360

if maybe if you could speak a little bit

2195

01:21:09,189 --> 01:21:07,120

about that

2196

01:21:11,430 --> 01:21:09,199

yeah for sure for sure yeah i was

2197

01:21:14,470 --> 01:21:11,440

blessed to um have him be able to write

2198

01:21:16,310 --> 01:21:14,480

the forward to my book and um

2199

01:21:18,310 --> 01:21:16,320

he means a lot to me jordan masterful

2200

01:21:20,070 --> 01:21:18,320

means a lot to me again early on on on

2201

01:21:22,390 --> 01:21:20,080

that research you know

2202

01:21:24,149 --> 01:21:22,400

i found his work early on and project

2203

01:21:25,910 --> 01:21:24,159

camelot and those guys and his

2204

01:21:26,629 --> 01:21:25,920

interviews on there then his lectures

2205

01:21:29,590 --> 01:21:26,639

and

2206

01:21:31,189 --> 01:21:29,600

different perspective he would he would

2207

01:21:32,709 --> 01:21:31,199

give you a different lens and a lot of

2208

01:21:34,950 --> 01:21:32,719

it was hard to chew especially coming

2209

01:21:36,310 --> 01:21:34,960

from a religious

2210

01:21:37,350 --> 01:21:36,320

uh background

2211

01:21:38,229 --> 01:21:37,360

um

2212

01:21:39,669 --> 01:21:38,239

but

2213

01:21:41,030 --> 01:21:39,679

so he had so much

2214

01:21:43,189 --> 01:21:41,040

so many beautiful things that he brought

2215

01:21:43,910 --> 01:21:43,199

to the table again with the maserath and

2216

01:21:46,149 --> 01:21:43,920

with

2217

01:21:47,350 --> 01:21:46,159

the zodiac in the bible in astrology and

2218

01:21:48,390 --> 01:21:47,360

stuff so

2219

01:21:50,550 --> 01:21:48,400

um

2220

01:21:52,310 --> 01:21:50,560

i reached out i started my own podcast

2221

01:21:54,149 --> 01:21:52,320

after listening to

2222

01:21:56,310 --> 01:21:54,159

um

2223

01:21:57,669 --> 01:21:56,320

hours and hours and hours of lectures

2224

01:22:00,229 --> 01:21:57,679

and hours of

2225

01:22:01,510 --> 01:22:00,239

of radio shows and coast to coast and so

2226

01:22:03,270 --> 01:22:01,520

many

2227

01:22:05,510 --> 01:22:03,280

interviews with people

2228

01:22:07,270 --> 01:22:05,520

um i had my own questions because i

2229

01:22:09,669 --> 01:22:07,280

would listen to george nori who i have

2230

01:22:10,870 --> 01:22:09,679

so much respect for so much love for but

2231

01:22:13,030 --> 01:22:10,880

then

2232

01:22:14,950 --> 01:22:13,040

somebody would say something

2233

01:22:16,149 --> 01:22:14,960

and then they would change the subject

2234

01:22:18,070 --> 01:22:16,159

and i'm like

2235

01:22:20,070 --> 01:22:18,080

you got to ask them about that like what

2236

01:22:21,990 --> 01:22:20,080

did the what did the alien look like

2237

01:22:24,229 --> 01:22:22,000

what did the presence look like because

2238

01:22:25,990 --> 01:22:24,239

i've seen something similar and i'm

2239

01:22:28,070 --> 01:22:26,000

trying to make sense of it you know so i

2240

01:22:31,189 --> 01:22:28,080

had as a listener i have had all these

2241

01:22:33,350 --> 01:22:31,199

questions you know so i started my own

2242

01:22:34,870 --> 01:22:33,360

radio show back in the day we didn't we

2243

01:22:36,229 --> 01:22:34,880

didn't call them podcasts but this is

2244

01:22:37,350 --> 01:22:36,239

2010

2245

01:22:38,950 --> 01:22:37,360

and uh

2246

01:22:41,270 --> 01:22:38,960

i i uh

2247

01:22:42,870 --> 01:22:41,280

ended up having jordan maxwell on a few

2248

01:22:45,590 --> 01:22:42,880

years later you know listening to all of

2249

01:22:47,750 --> 01:22:45,600

his his stuff and and quite literally

2250

01:22:50,470 --> 01:22:47,760

the people that i heard on coast to

2251

01:22:51,750 --> 01:22:50,480

coast that that i had questions for i

2252

01:22:53,990 --> 01:22:51,760

would write down questions while

2253

01:22:55,990 --> 01:22:54,000

listening to coast to coast

2254

01:22:57,990 --> 01:22:56,000

and then i would say hey will you come

2255

01:22:59,270 --> 01:22:58,000

on my my show i have i'd love to

2256

01:23:01,110 --> 01:22:59,280

interview you and they'll say sure

2257

01:23:03,430 --> 01:23:01,120

they'll come on wow this guy jordan

2258

01:23:05,270 --> 01:23:03,440

maxwell just said yes to me and

2259

01:23:08,070 --> 01:23:05,280

and so i got to have him on and just

2260

01:23:10,149 --> 01:23:08,080

pick his brain for like two hours and

2261

01:23:11,910 --> 01:23:10,159

and uh we built a relationship after

2262

01:23:13,910 --> 01:23:11,920

that and

2263

01:23:16,390 --> 01:23:13,920

um

2264

01:23:18,629 --> 01:23:16,400

he he would he would talk to me

2265

01:23:21,430 --> 01:23:18,639

off camera you know and share things

2266

01:23:23,750 --> 01:23:21,440

with me and and encourage me and i got

2267

01:23:26,149 --> 01:23:23,760

to still you know roll questions off of

2268

01:23:28,070 --> 01:23:26,159

him that i had that were hard and

2269

01:23:29,669 --> 01:23:28,080

um trying to make sense of things and

2270

01:23:34,310 --> 01:23:29,679

and there was a

2271

01:23:35,590 --> 01:23:34,320

it wasn't easy making that shift from

2272

01:23:37,590 --> 01:23:35,600

a regular

2273

01:23:39,590 --> 01:23:37,600

christian minister to one who is going

2274

01:23:41,430 --> 01:23:39,600

to now talk about

2275

01:23:43,430 --> 01:23:41,440

ufology the one who's now going to talk

2276
01:23:45,510 --> 01:23:43,440
about meditation and the third eye and

2277
01:23:46,950 --> 01:23:45,520
all of these things that i that i talk

2278
01:23:49,430 --> 01:23:46,960
about

2279
01:23:50,229 --> 01:23:49,440
hidden mysteries within the bible

2280
01:23:51,830 --> 01:23:50,239
um

2281
01:23:53,430 --> 01:23:51,840
because those people were

2282
01:23:54,310 --> 01:23:53,440
you know they they now saw me as an

2283
01:23:55,990 --> 01:23:54,320
enemy

2284
01:23:58,070 --> 01:23:56,000
you know now i'm talking about astrology

2285
01:24:00,229 --> 01:23:58,080
and orion in the bible and the pleiades

2286
01:24:02,070 --> 01:24:00,239
and all of these starships in the bible

2287
01:24:03,990 --> 01:24:02,080
and beings that we can contact and the

2288
01:24:05,110 --> 01:24:04,000

ancestors are making contact in the

2289

01:24:06,870 --> 01:24:05,120

bible but

2290

01:24:08,229 --> 01:24:06,880

so it was very hard for me

2291

01:24:09,270 --> 01:24:08,239

to really uh

2292

01:24:11,430 --> 01:24:09,280

embrace

2293

01:24:13,430 --> 01:24:11,440

i had to pick one

2294

01:24:16,390 --> 01:24:13,440

and it was like you can't do both part

2295

01:24:18,149 --> 01:24:16,400

of me it was familiar to to remain

2296

01:24:20,390 --> 01:24:18,159

a christian minister to remain a

2297

01:24:21,750 --> 01:24:20,400

christian rapper there was money in it

2298

01:24:24,229 --> 01:24:21,760

there was

2299

01:24:27,350 --> 01:24:24,239

you know so many friends

2300

01:24:29,350 --> 01:24:27,360

and uh but if i go in this route

2301

01:24:30,629 --> 01:24:29,360

you know they're gonna give up on me and

2302

01:24:32,149 --> 01:24:30,639

and they did

2303

01:24:35,189 --> 01:24:32,159

they really did and so that was very

2304

01:24:37,189 --> 01:24:35,199

hard on me and so to have somebody like

2305

01:24:39,590 --> 01:24:37,199

jordan maxwell in my life that i could

2306

01:24:41,350 --> 01:24:39,600

tell him those things to

2307

01:24:43,590 --> 01:24:41,360

and he just you know

2308

01:24:45,750 --> 01:24:43,600

you know speak clarity to me

2309

01:24:47,510 --> 01:24:45,760

because i would i was going

2310

01:24:49,830 --> 01:24:47,520

back and forth every day about what the

2311

01:24:52,310 --> 01:24:49,840

future held and what ministry looked

2312

01:24:54,310 --> 01:24:52,320

like now because i'm a minister

2313

01:24:55,830 --> 01:24:54,320

you know i'm a christian and to have

2314

01:24:58,310 --> 01:24:55,840

people tell me that i'm not and people

2315

01:25:00,790 --> 01:24:58,320

call me a satanist they say i went back

2316

01:25:02,629 --> 01:25:00,800

to the same stuff i came out of you know

2317

01:25:05,510 --> 01:25:02,639

making pacts with demons in it they

2318

01:25:07,990 --> 01:25:05,520

think i'm still doing that you know

2319

01:25:11,189 --> 01:25:08,000

much of the terminology is very similar

2320

01:25:12,390 --> 01:25:11,199

portals and beings energy you know and

2321

01:25:14,149 --> 01:25:12,400

so

2322

01:25:17,510 --> 01:25:14,159

all of those people who once embraced me

2323

01:25:19,270 --> 01:25:17,520

now forsook me and my faith and my my

2324

01:25:21,510 --> 01:25:19,280

devotion to god into christ never

2325

01:25:23,110 --> 01:25:21,520

changed it actually got deeper but to

2326

01:25:24,629 --> 01:25:23,120

have all of those people forsake me it

2327

01:25:26,790 --> 01:25:24,639

was very hard

2328

01:25:28,629 --> 01:25:26,800

very hard to to get clear and i went

2329

01:25:31,270 --> 01:25:28,639

back and forth for months maybe even

2330

01:25:33,270 --> 01:25:31,280

years until i got fully clear

2331

01:25:34,709 --> 01:25:33,280

on who i was

2332

01:25:36,629 --> 01:25:34,719

and what that looked like and i didn't

2333

01:25:39,110 --> 01:25:36,639

have to fit into any boxes but the whole

2334

01:25:40,149 --> 01:25:39,120

time jordan maxwell was there

2335

01:25:43,990 --> 01:25:40,159

and

2336

01:25:45,990 --> 01:25:44,000

remember at a pivotal moment of me

2337

01:25:47,750 --> 01:25:46,000

thinking like yeah i'm just gonna maybe

2338

01:25:49,590 --> 01:25:47,760

do the christian thing and just not talk

2339

01:25:51,270 --> 01:25:49,600

about any of this stuff

2340

01:25:53,350 --> 01:25:51,280

i used to beg god to take it away from

2341

01:25:55,750 --> 01:25:53,360

me like just in case it is demonic like

2342

01:25:57,590 --> 01:25:55,760

did you open up another door you know

2343

01:25:59,750 --> 01:25:57,600

and it in the passions would never leave

2344

01:26:01,430 --> 01:25:59,760

they they became more intense and and

2345

01:26:03,510 --> 01:26:01,440

then there would be confirmation and

2346

01:26:04,149 --> 01:26:03,520

things in the bible and it just got more

2347

01:26:07,189 --> 01:26:04,159

and

2348

01:26:09,189 --> 01:26:07,199

down this path

2349

01:26:10,470 --> 01:26:09,199

and all the while jordan maxwell's like

2350

01:26:12,070 --> 01:26:10,480

listen

2351

01:26:13,669 --> 01:26:12,080

you're trying to help people you're

2352

01:26:14,709 --> 01:26:13,679

following your truth you're following

2353

01:26:16,310 --> 01:26:14,719

your bliss

2354

01:26:17,830 --> 01:26:16,320

and these people are calling you a devil

2355

01:26:19,350 --> 01:26:17,840

worshiper

2356

01:26:21,830 --> 01:26:19,360

and he would just speak

2357

01:26:23,510 --> 01:26:21,840

sense into me so i'm thankful for his

2358

01:26:24,229 --> 01:26:23,520

work and i've been able to interview him

2359

01:26:28,950 --> 01:26:24,239

and

2360

01:26:30,790 --> 01:26:28,960

we're friends you know um

2361

01:26:32,629 --> 01:26:30,800

and and i i'm so thankful that he

2362

01:26:33,590 --> 01:26:32,639

endorses my work and i want to endorse

2363

01:26:35,110 --> 01:26:33,600

his

2364

01:26:37,189 --> 01:26:35,120

you know i want to endorse i want to put

2365

01:26:41,030 --> 01:26:37,199

his name on it i want to sample his his

2366

01:26:44,390 --> 01:26:41,040

lectures and and turn people on to

2367

01:26:46,709 --> 01:26:44,400

um everything that inspired me

2368

01:26:48,550 --> 01:26:46,719

and give credit where credit is due so

2369

01:26:51,350 --> 01:26:48,560

that i don't act like i came up with any

2370

01:26:53,350 --> 01:26:51,360

of this stuff maybe you know even

2371

01:26:55,750 --> 01:26:53,360

there obviously you put your own spin on

2372

01:26:57,110 --> 01:26:55,760

it and there's new revelation but

2373

01:26:59,590 --> 01:26:57,120

you know a lot of people are taking

2374

01:27:02,390 --> 01:26:59,600

credit for a lot of these guys

2375

01:27:05,030 --> 01:27:02,400

hard work who stuck their neck out there

2376

01:27:07,270 --> 01:27:05,040

uh when it wasn't popular and

2377

01:27:09,750 --> 01:27:07,280

and then now they opened up for a realm

2378

01:27:10,709 --> 01:27:09,760

for me and you to freely talk about this

2379

01:27:13,270 --> 01:27:10,719

stuff

2380

01:27:14,070 --> 01:27:13,280

and be able to do this in in

2381

01:27:18,870 --> 01:27:14,080

in

2382

01:27:21,910 --> 01:27:18,880

joy maxwell means means the world to me

2383

01:27:26,390 --> 01:27:23,669

well thank you thank you very much uh

2384

01:27:29,110 --> 01:27:26,400

for speaking to that so

2385

01:27:30,070 --> 01:27:29,120

as we have questions coming in so first

2386

01:27:32,790 --> 01:27:30,080

one

2387

01:27:35,430 --> 01:27:32,800

uh i had uh crypto

2388

01:27:37,189 --> 01:27:35,440

crypto media raised his hand so crypto

2389

01:27:40,390 --> 01:27:37,199

you're unmuted a mute yourself and you

2390

01:27:41,990 --> 01:27:40,400

should be able to ask a question

2391

01:27:44,390 --> 01:27:42,000

howdy true seeker

2392

01:27:46,229 --> 01:27:44,400

um i i had a question um

2393

01:27:47,990 --> 01:27:46,239

you kind of already started to answer it

2394

01:27:49,910 --> 01:27:48,000

and i was really glad to hear that you

2395

01:27:51,750 --> 01:27:49,920

know i think praying with someone to

2396

01:27:53,990 --> 01:27:51,760

make sure that you are clean i i call

2397

01:27:55,510 --> 01:27:54,000

like a delousing you know just kind of

2398

01:27:58,149 --> 01:27:55,520

making sure

2399

01:28:00,149 --> 01:27:58,159

everything's gone uh maybe from

2400

01:28:01,669 --> 01:28:00,159

something that happened in the past and

2401

01:28:05,910 --> 01:28:01,679

uh

2402

01:28:08,310 --> 01:28:05,920

feel like i'm being called to lay on a

2403

01:28:10,950 --> 01:28:08,320

table for a chakra cleansing for double

2404

01:28:13,910 --> 01:28:10,960

checking but anything else you recommend

2405

01:28:16,550 --> 01:28:13,920

for um you know cleaning up uh

2406

01:28:17,910 --> 01:28:16,560

bodyweight

2407

01:28:20,310 --> 01:28:17,920

question crypto

2408

01:28:22,390 --> 01:28:20,320

yeah man um thank you for the question

2409

01:28:24,149 --> 01:28:22,400

and uh and and and and thank you for

2410

01:28:26,390 --> 01:28:24,159

being a um

2411

01:28:28,070 --> 01:28:26,400

you know a uh member in this tribe in

2412

01:28:30,070 --> 01:28:28,080

this in this community i listen to this

2413

01:28:31,590 --> 01:28:30,080

podcast a lot and i hear you call in and

2414

01:28:32,709 --> 01:28:31,600

ask questions and chime in so thank you

2415

01:28:34,229 --> 01:28:32,719

for that too

2416

01:28:36,870 --> 01:28:34,239

just just know that

2417

01:28:39,030 --> 01:28:36,880

that god has a plan for you man

2418

01:28:40,790 --> 01:28:39,040

beautiful work for you to do and that

2419

01:28:42,790 --> 01:28:40,800

only you can do

2420

01:28:44,709 --> 01:28:42,800

that's the thing to get clear on

2421

01:28:46,070 --> 01:28:44,719

is that only only you can do and then

2422

01:28:47,830 --> 01:28:46,080

and i had to get clear on that with my

2423

01:28:49,669 --> 01:28:47,840

story that it's different it's not going

2424

01:28:51,270 --> 01:28:49,679

to look like everybody else

2425

01:28:52,629 --> 01:28:51,280

it may look a little bit like this in a

2426

01:28:55,110 --> 01:28:52,639

little bit like that so i just want to

2427

01:28:57,830 --> 01:28:55,120

impart that to you to get clear

2428

01:28:59,910 --> 01:28:57,840

on on who you are and and don't think

2429

01:29:01,270 --> 01:28:59,920

that it has to fit in any box and

2430

01:29:02,229 --> 01:29:01,280

whatever you bring to the table and do

2431

01:29:04,550 --> 01:29:02,239

it so

2432

01:29:06,149 --> 01:29:04,560

yeah to get to check the motives it is a

2433

01:29:08,870 --> 01:29:06,159

it is a daily thing

2434

01:29:10,709 --> 01:29:08,880

and i do think that spirituality and

2435

01:29:13,030 --> 01:29:10,719

mindfulness

2436

01:29:15,110 --> 01:29:13,040

and chakra clearings and cleansings and

2437

01:29:16,229 --> 01:29:15,120

and meditations all of that really helps

2438

01:29:18,390 --> 01:29:16,239

us to be

2439

01:29:19,189 --> 01:29:18,400

in touch with our spirit

2440

01:29:23,430 --> 01:29:19,199

and

2441

01:29:25,990 --> 01:29:23,440

within from the heart space that's still

2442

01:29:27,430 --> 01:29:26,000

small voice that'll let us know when

2443

01:29:30,229 --> 01:29:27,440

we're trying our best and we're trying

2444

01:29:33,189 --> 01:29:30,239

to get into alignment it's a process

2445

01:29:34,790 --> 01:29:33,199

and so enjoy the process

2446

01:29:35,750 --> 01:29:34,800

and

2447

01:29:38,550 --> 01:29:35,760

as you

2448

01:29:39,830 --> 01:29:38,560

as layers of an onion when you get past

2449

01:29:41,590 --> 01:29:39,840

one thing

2450

01:29:43,830 --> 01:29:41,600

and you let it go

2451
01:29:45,590 --> 01:29:43,840
and you make peace with your past you

2452
01:29:47,990 --> 01:29:45,600
make peace with your parents you make

2453
01:29:49,990 --> 01:29:48,000
peace with your enemies

2454
01:29:51,669 --> 01:29:50,000
that's how you release and those chords

2455
01:29:53,030 --> 01:29:51,679
of attachment just come out of you did

2456
01:29:54,790 --> 01:29:53,040
just come out of you

2457
01:29:56,229 --> 01:29:54,800
more meditation more prayer more

2458
01:29:58,229 --> 01:29:56,239
devotion more

2459
01:30:00,229 --> 01:29:58,239
contemplation

2460
01:30:02,950 --> 01:30:00,239
and it will illuminate

2461
01:30:03,830 --> 01:30:02,960
with the light of god more areas in your

2462
01:30:06,950 --> 01:30:03,840
life

2463
01:30:09,270 --> 01:30:06,960

that you didn't see before so it's like

2464

01:30:10,709 --> 01:30:09,280

if you have a

2465

01:30:12,390 --> 01:30:10,719

a rock

2466

01:30:13,350 --> 01:30:12,400

and you pick that rock up and there's a

2467

01:30:15,270 --> 01:30:13,360

bunch of

2468

01:30:17,510 --> 01:30:15,280

beetles and bugs and things creeping

2469

01:30:21,910 --> 01:30:17,520

things under and they all scurry off

2470

01:30:25,990 --> 01:30:23,430

the light

2471

01:30:28,070 --> 01:30:26,000

if the scripture says if you walk in the

2472

01:30:29,189 --> 01:30:28,080

light that there will be no darkness

2473

01:30:31,189 --> 01:30:29,199

within you

2474

01:30:34,950 --> 01:30:31,199

so having your deeds

2475

01:30:37,590 --> 01:30:34,960

open before god before the consciousness

2476

01:30:39,430 --> 01:30:37,600

that that is connect connects all of us

2477

01:30:41,430 --> 01:30:39,440

that created all of us

2478

01:30:43,669 --> 01:30:41,440

that is a friend

2479

01:30:45,510 --> 01:30:43,679

and that will commune and wants good for

2480

01:30:50,470 --> 01:30:45,520

you once you understand that you get

2481

01:30:55,590 --> 01:30:52,950

the creator of everything of the demons

2482

01:30:56,470 --> 01:30:55,600

of the angels of the beatles

2483

01:30:58,149 --> 01:30:56,480

of me

2484

01:30:59,030 --> 01:30:58,159

you know it's created everything and it

2485

01:31:00,390 --> 01:30:59,040

will

2486

01:31:03,590 --> 01:31:00,400

you you'll see that everything's

2487

01:31:05,910 --> 01:31:03,600

connected and when you do that

2488

01:31:08,310 --> 01:31:05,920

those layers begin to just begin to peel

2489

01:31:10,390 --> 01:31:08,320

back and peel back and peel back

2490

01:31:11,990 --> 01:31:10,400

the reason so

2491

01:31:13,590 --> 01:31:12,000

is because

2492

01:31:16,229 --> 01:31:13,600

there's things

2493

01:31:18,390 --> 01:31:16,239

in the earth school the levels as you

2494

01:31:19,990 --> 01:31:18,400

graduate and you move to higher levels

2495

01:31:22,229 --> 01:31:20,000

in density and you get lighter and

2496

01:31:23,669 --> 01:31:22,239

lighter and you begin to welcome other

2497

01:31:26,310 --> 01:31:23,679

beings who are

2498

01:31:28,870 --> 01:31:26,320

higher vibrational and let go of the

2499

01:31:31,189 --> 01:31:28,880

things we did as a child the scripture

2500

01:31:33,990 --> 01:31:31,199

says that when i was a child i thought

2501

01:31:36,070 --> 01:31:34,000

as a child i acted as a child but as i

2502

01:31:37,750 --> 01:31:36,080

matured and became a man i put away

2503

01:31:40,790 --> 01:31:37,760

childish things

2504

01:31:44,790 --> 01:31:40,800

and so as we learn from our mistakes

2505

01:31:45,750 --> 01:31:44,800

as we learn from experience

2506

01:31:47,510 --> 01:31:45,760

and

2507

01:31:50,070 --> 01:31:47,520

we just move forward

2508

01:31:53,510 --> 01:31:50,080

we're able to

2509

01:31:58,550 --> 01:31:56,390

and be illuminated to different things

2510

01:32:00,709 --> 01:31:58,560

that are going to

2511

01:32:03,430 --> 01:32:00,719

hinder us

2512

01:32:05,270 --> 01:32:03,440

from that ascension

2513

01:32:07,189 --> 01:32:05,280

from ascending higher from going to the

2514

01:32:08,470 --> 01:32:07,199

next level because if you're too heavy

2515

01:32:09,910 --> 01:32:08,480

if you're carrying all this weight and

2516

01:32:11,590 --> 01:32:09,920

all this baggage you can't go to the

2517

01:32:13,430 --> 01:32:11,600

higher levels there's things that you

2518

01:32:15,110 --> 01:32:13,440

have to learn by those teachers their

2519

01:32:16,629 --> 01:32:15,120

angels their demons

2520

01:32:18,390 --> 01:32:16,639

they're your parents

2521

01:32:19,910 --> 01:32:18,400

spirit speaks through everything and you

2522

01:32:20,709 --> 01:32:19,920

have to be the one who can listen and

2523

01:32:22,629 --> 01:32:20,719

hear

2524

01:32:24,310 --> 01:32:22,639

so as you're doing each of those things

2525

01:32:26,870 --> 01:32:24,320

that you're doing right now the things

2526

01:32:30,149 --> 01:32:26,880

that you know to do it's going to reveal

2527

01:32:32,149 --> 01:32:30,159

more and that is a lifelong pursuit

2528

01:32:34,229 --> 01:32:32,159

don't think that inwardly that you're

2529

01:32:36,070 --> 01:32:34,239

not worthy don't think that you it's

2530

01:32:38,070 --> 01:32:36,080

going to be a long process until you

2531

01:32:39,430 --> 01:32:38,080

have those desires that you feel are

2532

01:32:41,590 --> 01:32:39,440

within you that are not going to come

2533

01:32:43,830 --> 01:32:41,600

out once you as long as you're conscious

2534

01:32:45,910 --> 01:32:43,840

of it and you're doing that inner work

2535

01:32:47,990 --> 01:32:45,920

everything is going to unfold for you

2536

01:32:49,910 --> 01:32:48,000

your path will be laid out before you as

2537

01:32:51,990 --> 01:32:49,920

one of the chosen ones and there's so

2538

01:32:53,270 --> 01:32:52,000

many people who are testifying to that

2539

01:32:54,790 --> 01:32:53,280

and uh and we're being guided we're

2540

01:32:57,830 --> 01:32:54,800

being taught

2541

01:33:00,550 --> 01:32:57,840

from beyond the grave from beyond the

2542

01:33:02,070 --> 01:33:00,560

stars if you will there's so many um

2543

01:33:03,430 --> 01:33:02,080

even though we talked about lower level

2544

01:33:05,590 --> 01:33:03,440

negative entities i think they're

2545

01:33:07,110 --> 01:33:05,600

rooting for you man

2546

01:33:08,550 --> 01:33:07,120

i think the lower level guys are saying

2547

01:33:10,709 --> 01:33:08,560

hey man i hope i never have to see you

2548

01:33:13,189 --> 01:33:10,719

again you know if you go to

2549

01:33:16,470 --> 01:33:13,199

you know the principal's office

2550

01:33:18,229 --> 01:33:16,480

and you get a paddling as a adolescence

2551
01:33:19,830 --> 01:33:18,239
it hurts

2552
01:33:22,390 --> 01:33:19,840
might cry

2553
01:33:23,590 --> 01:33:22,400
you soar for a couple days hey

2554
01:33:25,270 --> 01:33:23,600
i don't want to see you in my office

2555
01:33:26,310 --> 01:33:25,280
again all right

2556
01:33:28,229 --> 01:33:26,320
you won't

2557
01:33:31,030 --> 01:33:28,239
listen that's tough love that's a tough

2558
01:33:32,950 --> 01:33:31,040
lesson that was a hard lesson learned

2559
01:33:34,390 --> 01:33:32,960
but what about the kids who always keep

2560
01:33:36,550 --> 01:33:34,400
coming back

2561
01:33:38,550 --> 01:33:36,560
the kids are there every week they never

2562
01:33:40,870 --> 01:33:38,560
learn from their mistakes they never

2563
01:33:43,430 --> 01:33:40,880

bring the light into that dark place

2564

01:33:45,590 --> 01:33:43,440

they never incorporated the light

2565

01:33:47,590 --> 01:33:45,600

they're always in this shroud of

2566

01:33:49,030 --> 01:33:47,600

darkness committing the same things over

2567

01:33:53,189 --> 01:33:49,040

and over

2568

01:33:55,510 --> 01:33:53,199

so just know that everything is set up

2569

01:33:57,430 --> 01:33:55,520

for your good and what seemed like a

2570

01:33:59,510 --> 01:33:57,440

curse would seem like that thing that

2571

01:34:02,310 --> 01:33:59,520

was going to take you out would be the

2572

01:34:03,910 --> 01:34:02,320

very thing that god uses to catapult you

2573

01:34:05,590 --> 01:34:03,920

into your destiny into that place that

2574

01:34:08,149 --> 01:34:05,600

you want to be so continue to do that

2575

01:34:10,390 --> 01:34:08,159

inner work don't be too hard on yourself

2576

01:34:11,910 --> 01:34:10,400

and enjoy the journey brother and in

2577

01:34:14,070 --> 01:34:11,920

that there's so much i mean there's so

2578

01:34:16,550 --> 01:34:14,080

many things with spirituality and

2579

01:34:19,270 --> 01:34:16,560

grounding and confession and

2580

01:34:21,990 --> 01:34:19,280

and prayer and fasting and and plant

2581

01:34:23,510 --> 01:34:22,000

medicines listen we have so many tools

2582

01:34:25,430 --> 01:34:23,520

but it's but as long as you're doing

2583

01:34:27,510 --> 01:34:25,440

that meditation as long as you're

2584

01:34:29,669 --> 01:34:27,520

getting quiet and you're searching your

2585

01:34:31,270 --> 01:34:29,679

heart and you're asking those questions

2586

01:34:32,870 --> 01:34:31,280

it's going to be illuminated to you the

2587

01:34:35,430 --> 01:34:32,880

next steps and what you need to do so i

2588

01:34:36,709 --> 01:34:35,440

hope that blesses you bro

2589

01:34:39,110 --> 01:34:36,719

thank you for that

2590

01:34:40,470 --> 01:34:39,120

uh the next question is from lottie

2591

01:34:42,870 --> 01:34:40,480

baker

2592

01:34:45,189 --> 01:34:42,880

saying or asking isn't everything truth

2593

01:34:49,030 --> 01:34:45,199

because you experience it you can accept

2594

01:34:53,750 --> 01:34:51,430

yeah that's interesting um

2595

01:34:56,149 --> 01:34:53,760

i'm having some some um

2596

01:34:58,790 --> 01:34:56,159

convos i guess on my on my facebook

2597

01:35:00,470 --> 01:34:58,800

right now with uh some of my my

2598

01:35:01,669 --> 01:35:00,480

christian friends about that and yeah i

2599

01:35:03,669 --> 01:35:01,679

think that

2600

01:35:06,070 --> 01:35:03,679

you know our truths may be different and

2601
01:35:07,350 --> 01:35:06,080
that we create our reality

2602
01:35:08,870 --> 01:35:07,360
that through

2603
01:35:10,470 --> 01:35:08,880
experience

2604
01:35:12,950 --> 01:35:10,480
of what is possible

2605
01:35:15,910 --> 01:35:12,960
the scripture says that

2606
01:35:18,550 --> 01:35:15,920
nothing shall by any means be impossible

2607
01:35:21,270 --> 01:35:18,560
to them that believe

2608
01:35:23,590 --> 01:35:21,280
to one person

2609
01:35:25,430 --> 01:35:23,600
there's a limit to that belief

2610
01:35:27,669 --> 01:35:25,440
and the limit could be going out into an

2611
01:35:29,510 --> 01:35:27,679
open field asking for a ufo sighting or

2612
01:35:32,470 --> 01:35:29,520
an angel sighting no we can't do that

2613
01:35:34,470 --> 01:35:32,480

brother wasn't talking about that

2614

01:35:36,310 --> 01:35:34,480

you don't know until you try it

2615

01:35:37,910 --> 01:35:36,320

my reality

2616

01:35:39,590 --> 01:35:37,920

is totally different from those people

2617

01:35:41,590 --> 01:35:39,600

who don't believe that anymore at least

2618

01:35:44,950 --> 01:35:41,600

in that regards

2619

01:35:47,109 --> 01:35:44,960

of what what is is able to be done what

2620

01:35:48,870 --> 01:35:47,119

is what is able to be birthed into my

2621

01:35:51,109 --> 01:35:48,880

reality and to be

2622

01:35:53,030 --> 01:35:51,119

my truth 100

2623

01:35:55,510 --> 01:35:53,040

it's not a belief anymore it started out

2624

01:35:57,430 --> 01:35:55,520

as a as a belief it started out as faith

2625

01:35:59,510 --> 01:35:57,440

but i think it even transcends faith and

2626

01:36:01,669 --> 01:35:59,520

now it becomes a knowing and inner

2627

01:36:03,750 --> 01:36:01,679

knowing you can't talk me out of it

2628

01:36:05,270 --> 01:36:03,760

you can't debate me out of it you only

2629

01:36:06,709 --> 01:36:05,280

way you can debate me out is if you go

2630

01:36:08,629 --> 01:36:06,719

out and you spend the time at least have

2631

01:36:10,629 --> 01:36:08,639

the the experience and now let us talk

2632

01:36:11,510 --> 01:36:10,639

about it but unless you've experienced

2633

01:36:13,590 --> 01:36:11,520

that

2634

01:36:16,310 --> 01:36:13,600

and the feelings and the emotions of any

2635

01:36:18,470 --> 01:36:16,320

of that yeah i do think that

2636

01:36:20,629 --> 01:36:18,480

um we do have different truths and and

2637

01:36:23,109 --> 01:36:20,639

we have different narratives and

2638

01:36:25,750 --> 01:36:23,119

i've been finding that out a lot lately

2639

01:36:27,910 --> 01:36:25,760

and and many of us have uh just being on

2640

01:36:29,990 --> 01:36:27,920

the internet and being in such a hard

2641

01:36:31,990 --> 01:36:30,000

time like we're going through right now

2642

01:36:33,189 --> 01:36:32,000

um you find people with different

2643

01:36:35,350 --> 01:36:33,199

narratives

2644

01:36:38,950 --> 01:36:35,360

different belief systems

2645

01:36:41,669 --> 01:36:38,960

we're talking about the same thing but

2646

01:36:44,709 --> 01:36:41,679

they have two very very very indifferent

2647

01:36:46,870 --> 01:36:44,719

interpretations and it's your experience

2648

01:36:48,390 --> 01:36:46,880

that births your truth for sure

2649

01:36:49,750 --> 01:36:48,400

and so people will ask the question say

2650

01:36:51,189 --> 01:36:49,760

well true seek are you saying that there

2651

01:36:53,189 --> 01:36:51,199

is no truth and there's this endless

2652

01:36:54,310 --> 01:36:53,199

pursuit of you're supposedly seeking

2653

01:36:56,310 --> 01:36:54,320

truth and you're never going to get to

2654

01:36:57,590 --> 01:36:56,320

the end of it yeah

2655

01:36:59,750 --> 01:36:57,600

you're right

2656

01:37:01,910 --> 01:36:59,760

because that continues to evolve with

2657

01:37:03,270 --> 01:37:01,920

consciousness because what i once

2658

01:37:07,030 --> 01:37:03,280

thought was

2659

01:37:08,310 --> 01:37:07,040

was was not possible because of life

2660

01:37:09,830 --> 01:37:08,320

because of time and because of

2661

01:37:11,910 --> 01:37:09,840

experience

2662

01:37:14,950 --> 01:37:11,920

i've entered a new realm

2663

01:37:16,390 --> 01:37:14,960

a new level where at the lower level at

2664

01:37:18,229 --> 01:37:16,400

level three

2665

01:37:19,430 --> 01:37:18,239

i didn't have that sword in the video

2666

01:37:21,669 --> 01:37:19,440

game

2667

01:37:23,590 --> 01:37:21,679

but at level seven you transition and

2668

01:37:25,030 --> 01:37:23,600

you get new weapons you get new

2669

01:37:27,270 --> 01:37:25,040

artillery

2670

01:37:30,229 --> 01:37:27,280

and you gotta fight different

2671

01:37:31,830 --> 01:37:30,239

bosses and and the stages get harder

2672

01:37:34,310 --> 01:37:31,840

you didn't know this was coming there's

2673

01:37:36,950 --> 01:37:34,320

secrets in that level too if you go and

2674

01:37:39,350 --> 01:37:36,960

hold down on this button you get to

2675

01:37:41,030 --> 01:37:39,360

glitch the matrix

2676

01:37:43,590 --> 01:37:41,040

no you can't

2677

01:37:45,510 --> 01:37:43,600

you can't glitch the matrix bro no you

2678

01:37:47,350 --> 01:37:45,520

haven't tried try it

2679

01:37:48,629 --> 01:37:47,360

go stand there hold down for three

2680

01:37:50,629 --> 01:37:48,639

seconds and you'll see you'll glitch the

2681

01:37:53,189 --> 01:37:50,639

matrix on that level trust me

2682

01:37:54,709 --> 01:37:53,199

you know and so in in knowledge is

2683

01:37:56,629 --> 01:37:54,719

gained through experience i believe and

2684

01:37:58,470 --> 01:37:56,639

so when it comes to truth there's so

2685

01:38:00,629 --> 01:37:58,480

many analogy

2686

01:38:02,870 --> 01:38:00,639

and allegory when it comes to leveling

2687

01:38:05,590 --> 01:38:02,880

up and what is possible

2688

01:38:07,750 --> 01:38:05,600

nothing shall by any means be impossible

2689

01:38:09,189 --> 01:38:07,760

to them that believe i can't give you

2690

01:38:11,669 --> 01:38:09,199

that ceiling

2691

01:38:16,870 --> 01:38:11,679

there is no ceiling

2692

01:38:18,229 --> 01:38:16,880

what you believe yes shows itself to you

2693

01:38:20,229 --> 01:38:18,239

and it's

2694

01:38:21,990 --> 01:38:20,239

it changes things

2695

01:38:23,590 --> 01:38:22,000

most of the stuff i experienced that i

2696

01:38:25,510 --> 01:38:23,600

even all the stuff i just told you a

2697

01:38:27,669 --> 01:38:25,520

while ago all this

2698

01:38:29,270 --> 01:38:27,679

demons and this stuff has come through

2699

01:38:32,950 --> 01:38:29,280

the tv

2700

01:38:35,189 --> 01:38:32,960

i've seen movies about this stuff

2701

01:38:38,229 --> 01:38:35,199

and it showed itself to me

2702

01:38:40,550 --> 01:38:38,239

i believed it and i saw it

2703

01:38:43,510 --> 01:38:40,560

i watched the video with an old man who

2704

01:38:46,870 --> 01:38:43,520

goes into the field throws his hands up

2705

01:38:48,390 --> 01:38:46,880

and asks for ships to appear on siding

2706

01:38:50,070 --> 01:38:48,400

oh that's kind of weird i don't know

2707

01:38:52,870 --> 01:38:50,080

anybody who does that i know a lot of

2708

01:38:56,550 --> 01:38:53,669

but

2709

01:38:58,149 --> 01:38:56,560

if you go and ask for that

2710

01:39:00,709 --> 01:38:58,159

i don't know about that so you have to

2711

01:39:02,390 --> 01:39:00,719

you have to be the one who steps out

2712

01:39:04,470 --> 01:39:02,400

and now we're creating our reality

2713

01:39:06,950 --> 01:39:04,480

because we're changing it we're making

2714

01:39:09,590 --> 01:39:06,960

it up as we go

2715

01:39:11,830 --> 01:39:09,600

so yeah there's new things in and

2716

01:39:12,950 --> 01:39:11,840

things begin to show itself to you and

2717

01:39:15,109 --> 01:39:12,960

trust me

2718

01:39:17,750 --> 01:39:15,119

you know i can my book is full of all of

2719

01:39:18,790 --> 01:39:17,760

these experiences in detail

2720

01:39:19,590 --> 01:39:18,800

and it

2721

01:39:28,790 --> 01:39:19,600

i

2722

01:39:30,870 --> 01:39:28,800

days and just talk about the the beauty

2723

01:39:32,470 --> 01:39:30,880

of the spirit world and the beings that

2724

01:39:34,790 --> 01:39:32,480

exist

2725

01:39:37,350 --> 01:39:34,800

what about the beings i haven't

2726

01:39:39,430 --> 01:39:37,360

encountered now it's not about being

2727

01:39:41,430 --> 01:39:39,440

having those encounters but they impart

2728

01:39:43,270 --> 01:39:41,440

something to you

2729

01:39:44,390 --> 01:39:43,280

it changes the game

2730

01:39:45,510 --> 01:39:44,400

fairies

2731

01:39:47,350 --> 01:39:45,520

gnomes

2732

01:39:50,790 --> 01:39:47,360

elementals

2733

01:39:52,470 --> 01:39:50,800

who does that warlock who summoned one

2734

01:39:54,470 --> 01:39:52,480

on me

2735

01:39:55,910 --> 01:39:54,480

elementals aren't real they're just

2736

01:39:57,430 --> 01:39:55,920

saying lore

2737

01:39:59,270 --> 01:39:57,440

no

2738

01:40:02,149 --> 01:39:59,280

go ask him

2739

01:40:04,470 --> 01:40:02,159

to give you the tutorial on how to do it

2740

01:40:06,870 --> 01:40:04,480

but you got to pay

2741

01:40:08,390 --> 01:40:06,880

be a hefty price most likely a piece of

2742

01:40:09,750 --> 01:40:08,400

your psyche

2743

01:40:10,709 --> 01:40:09,760

when you're doing damage and you're

2744

01:40:13,590 --> 01:40:10,719

doing that

2745

01:40:17,270 --> 01:40:15,189

negativity

2746

01:40:18,870 --> 01:40:17,280

but i believe too

2747

01:40:22,870 --> 01:40:18,880

i don't know what it is it didn't tell

2748

01:40:22,880 --> 01:40:25,510

something

2749

01:40:28,470 --> 01:40:26,709

that looked like an eight-foot tall

2750

01:40:34,470 --> 01:40:28,480

camel

2751

01:40:36,310 --> 01:40:34,480

well you know there's there's in in in

2752

01:40:38,070 --> 01:40:36,320

many of this this lore there's there's

2753

01:40:40,310 --> 01:40:38,080

beings that

2754

01:40:43,270 --> 01:40:40,320

that look like horses like entities that

2755

01:40:45,750 --> 01:40:43,280

are like half horse and like a like

2756

01:40:48,229 --> 01:40:45,760

minotaurs and there's like

2757

01:40:50,390 --> 01:40:48,239

all types of

2758

01:40:52,229 --> 01:40:50,400

beings in demonology that

2759

01:40:53,270 --> 01:40:52,239

and gods and stuff is like hold on so

2760

01:40:54,709 --> 01:40:53,280

this

2761

01:40:56,550 --> 01:40:54,719

maybe people have been writing about

2762

01:40:58,229 --> 01:40:56,560

this stuff for a long time that's been

2763

01:40:59,590 --> 01:40:58,239

forgotten

2764

01:41:01,750 --> 01:40:59,600

and when people begin to remember the

2765

01:41:04,709 --> 01:41:01,760

ancient path and what was

2766

01:41:07,669 --> 01:41:04,719

possible again all things and people

2767

01:41:08,790 --> 01:41:07,679

become to begin to become a channel or a

2768

01:41:10,950 --> 01:41:08,800

portal

2769

01:41:13,030 --> 01:41:10,960

from one realm into another and i tie

2770

01:41:15,830 --> 01:41:13,040

that back to the tv again because your

2771

01:41:17,910 --> 01:41:15,840

televisions are channels you turn the

2772

01:41:20,470 --> 01:41:17,920

channels your television is a portal

2773

01:41:21,830 --> 01:41:20,480

it's what's possible it's what to wear

2774

01:41:23,990 --> 01:41:21,840

it's who to love

2775

01:41:27,109 --> 01:41:24,000

it's who to be afraid of

2776

01:41:29,590 --> 01:41:27,119

it's what to be afraid of

2777

01:41:30,830 --> 01:41:29,600

there's a steadily feed into our psyche

2778

01:41:34,149 --> 01:41:30,840

into our

2779

01:41:35,669 --> 01:41:34,159

consciousness of code of ethics

2780

01:41:37,830 --> 01:41:35,679

of conduct

2781

01:41:39,590 --> 01:41:37,840

of worthiness everything you can think

2782

01:41:41,189 --> 01:41:39,600

of

2783

01:41:43,669 --> 01:41:41,199

so we're channels

2784

01:41:45,750 --> 01:41:43,679

we're portals for that divine nature and

2785

01:41:48,950 --> 01:41:45,760

once we remember that yeah

2786

01:41:52,470 --> 01:41:48,960

we can create our reality

2787

01:41:54,229 --> 01:41:52,480

and if we're good enough at it

2788

01:41:56,310 --> 01:41:54,239

we can become an alchemist we can become

2789

01:41:58,149 --> 01:41:56,320

a shaman and we can pull things from

2790

01:42:00,470 --> 01:41:58,159

that other realm

2791

01:42:01,590 --> 01:42:00,480

into this one hopefully it's beautiful

2792

01:42:03,510 --> 01:42:01,600

things

2793

01:42:05,109 --> 01:42:03,520

hopefully it's enlightenment hopefully

2794

01:42:06,390 --> 01:42:05,119

it's encouragement

2795

01:42:07,510 --> 01:42:06,400

hopefully you're helping people when

2796

01:42:09,510 --> 01:42:07,520

they're having a heart hopefully it's

2797

01:42:11,430 --> 01:42:09,520

not lower level

2798

01:42:12,149 --> 01:42:11,440

demonic stuff i don't vouch for any of

2799

01:42:13,189 --> 01:42:12,159

that

2800

01:42:15,510 --> 01:42:13,199

so

2801

01:42:17,590 --> 01:42:15,520

there's responsibility

2802

01:42:19,910 --> 01:42:17,600

with with such knowledge that i would

2803

01:42:23,590 --> 01:42:21,189

thank you for that

2804

01:42:24,310 --> 01:42:23,600

uh the next question is from uh claudine

2805

01:42:28,229 --> 01:42:24,320

g

2806

01:42:32,790 --> 01:42:28,239

possessions of innocent souls like

2807

01:42:32,800 --> 01:42:35,990

yeah so

2808

01:42:39,030 --> 01:42:37,270

um

2809

01:42:41,510 --> 01:42:39,040

i really believe in and when you're

2810

01:42:43,910 --> 01:42:41,520

getting into demonic possession

2811

01:42:48,790 --> 01:42:43,920

that you're dealing with

2812

01:42:52,310 --> 01:42:50,709

when i was a child again when i look

2813

01:42:54,229 --> 01:42:52,320

back at

2814

01:42:55,109 --> 01:42:54,239

four years old

2815

01:42:58,790 --> 01:42:55,119

and

2816

01:43:01,430 --> 01:42:58,800

these beings being in my room

2817

01:43:02,229 --> 01:43:01,440

pinning me down to the bed

2818

01:43:04,950 --> 01:43:02,239

and

2819

01:43:06,390 --> 01:43:04,960

they were shadows

2820

01:43:11,750 --> 01:43:06,400

what is it

2821

01:43:13,189 --> 01:43:11,760

is it a bad dream um

2822

01:43:14,550 --> 01:43:13,199

they're the shadow beings were they

2823

01:43:17,830 --> 01:43:14,560

trying to scare me were they trying to

2824

01:43:20,550 --> 01:43:17,840

warn me is it angels like what is it

2825

01:43:26,470 --> 01:43:22,310

one thing that i do know if i was to

2826
01:43:30,629 --> 01:43:26,480
look at set and setting which are key

2827
01:43:35,510 --> 01:43:32,709
my family

2828
01:43:36,310 --> 01:43:35,520
is from new orleans and

2829
01:43:40,390 --> 01:43:36,320
my

2830
01:43:41,750 --> 01:43:40,400
grandmother everyone practiced a little

2831
01:43:43,270 --> 01:43:41,760
bit of voodoo

2832
01:43:45,430 --> 01:43:43,280
it's normal

2833
01:43:46,470 --> 01:43:45,440
to burn certain candles

2834
01:43:49,990 --> 01:43:46,480
to

2835
01:43:52,550 --> 01:43:50,000
even in

2836
01:43:54,790 --> 01:43:52,560
burning a candle like they were it was

2837
01:43:56,550 --> 01:43:54,800
so common

2838
01:43:58,550 --> 01:43:56,560

for my mom and them to do it back in

2839

01:44:01,030 --> 01:43:58,560

those days to where i remember phone

2840

01:44:03,669 --> 01:44:01,040

calls of like

2841

01:44:05,669 --> 01:44:03,679

you know so-and-so owes me forty dollars

2842

01:44:07,430 --> 01:44:05,679

and they won't pay me you gotta you got

2843

01:44:09,109 --> 01:44:07,440

a red candle i can burn

2844

01:44:10,870 --> 01:44:09,119

yeah i got you one i bring it over and

2845

01:44:12,550 --> 01:44:10,880

it's like oh wow

2846

01:44:14,870 --> 01:44:12,560

bring it over a red candle for i can

2847

01:44:17,109 --> 01:44:14,880

burn it and send that intention that

2848

01:44:18,310 --> 01:44:17,119

when i burn it i'm creating

2849

01:44:19,910 --> 01:44:18,320

a tulpa

2850

01:44:21,270 --> 01:44:19,920

which is an entity that's created

2851

01:44:24,390 --> 01:44:21,280

through the mind

2852

01:44:27,030 --> 01:44:24,400

and i'm sending it out

2853

01:44:27,910 --> 01:44:27,040

much like the warlock did me so they're

2854

01:44:29,830 --> 01:44:27,920

doing

2855

01:44:30,709 --> 01:44:29,840

candle magic

2856

01:44:34,149 --> 01:44:30,719

but

2857

01:44:36,149 --> 01:44:34,159

using it for negativity

2858

01:44:38,709 --> 01:44:36,159

now you you're you'll light a white

2859

01:44:40,390 --> 01:44:38,719

candle and ask for prosperity there's

2860

01:44:41,990 --> 01:44:40,400

other candles that you would like for

2861

01:44:43,830 --> 01:44:42,000

different reasons

2862

01:44:46,229 --> 01:44:43,840

but when the red ones and the black ones

2863

01:44:47,910 --> 01:44:46,239

came out they me they meant business

2864

01:44:50,790 --> 01:44:47,920

it's i need something that to do

2865

01:44:52,950 --> 01:44:50,800

something evil or wicked on on my behalf

2866

01:44:54,149 --> 01:44:52,960

so my family did that

2867

01:44:55,990 --> 01:44:54,159

um

2868

01:44:57,669 --> 01:44:56,000

so they tapped into the spirit world to

2869

01:44:59,030 --> 01:44:57,679

to a degree i don't think they know what

2870

01:45:00,870 --> 01:44:59,040

they're dealing with or what they were

2871

01:45:02,790 --> 01:45:00,880

playing with at the time it was just

2872

01:45:05,910 --> 01:45:02,800

normal it's the voodoo

2873

01:45:07,109 --> 01:45:05,920

capital is new orleans right um on top

2874

01:45:08,629 --> 01:45:07,119

of that

2875

01:45:10,629 --> 01:45:08,639

you know i talk about debauchery and i

2876

01:45:12,149 --> 01:45:10,639

talk about drunkenness and i talk about

2877

01:45:13,510 --> 01:45:12,159

drug use and all of this kind of stuff

2878

01:45:15,350 --> 01:45:13,520

my

2879

01:45:17,590 --> 01:45:15,360

as a little kid

2880

01:45:20,790 --> 01:45:17,600

i don't have a lot of memories but i do

2881

01:45:22,470 --> 01:45:20,800

have memories of crazy parties

2882

01:45:24,709 --> 01:45:22,480

and waking up and going into the living

2883

01:45:26,550 --> 01:45:24,719

room and there's people everywhere

2884

01:45:29,990 --> 01:45:26,560

there's drunkenness people passed out on

2885

01:45:31,830 --> 01:45:30,000

the floor i remember sitting at the

2886

01:45:34,149 --> 01:45:31,840

dinner table

2887

01:45:35,830 --> 01:45:34,159

has four years old

2888

01:45:38,070 --> 01:45:35,840

eating candy out of the candy dish in

2889

01:45:40,149 --> 01:45:38,080

the middle of the

2890

01:45:42,070 --> 01:45:40,159

table

2891

01:45:45,350 --> 01:45:42,080

and there was another

2892

01:45:46,870 --> 01:45:45,360

old drunk man across from me

2893

01:45:48,470 --> 01:45:46,880

eating candy as well and i'm talking to

2894

01:45:50,310 --> 01:45:48,480

him eating the candy oh i like this one

2895

01:45:51,990 --> 01:45:50,320

i like that one i'm four years old and

2896

01:45:53,669 --> 01:45:52,000

the man falls straight backward he just

2897

01:45:55,830 --> 01:45:53,679

passes out in mid conversation

2898

01:45:58,229 --> 01:45:55,840

mid-sentence he just

2899

01:46:00,870 --> 01:45:58,239

loses consciousness from being so drunk

2900

01:46:03,350 --> 01:46:00,880

and so intoxicated in drugs and all of

2901

01:46:04,790 --> 01:46:03,360

that he just falls back

2902

01:46:06,390 --> 01:46:04,800

and all of my dad and all they had to

2903

01:46:07,669 --> 01:46:06,400

run in and grab and pick him oh he's had

2904

01:46:09,750 --> 01:46:07,679

too much get him out so this was like

2905

01:46:11,590 --> 01:46:09,760

the atmosphere of

2906

01:46:12,709 --> 01:46:11,600

strange individuals coming in and out of

2907

01:46:15,109 --> 01:46:12,719

your home

2908

01:46:16,550 --> 01:46:15,119

mom and dad burning candles

2909

01:46:18,550 --> 01:46:16,560

ouija board

2910

01:46:21,590 --> 01:46:18,560

tarot cards like a lot of stuff was in

2911

01:46:23,109 --> 01:46:21,600

the atmosphere so

2912

01:46:24,950 --> 01:46:23,119

when it comes to

2913

01:46:27,910 --> 01:46:24,960

your four-year-old

2914

01:46:29,030 --> 01:46:27,920

is in the next bedroom over

2915

01:46:31,030 --> 01:46:29,040

sleeping

2916

01:46:33,270 --> 01:46:31,040

and you're burning candles asking for

2917

01:46:35,830 --> 01:46:33,280

negative entities to be summoned upon

2918

01:46:37,669 --> 01:46:35,840

your enemies

2919

01:46:41,109 --> 01:46:37,679

there's a reason

2920

01:46:43,350 --> 01:46:41,119

why jesus has to pray for your enemies

2921

01:46:45,109 --> 01:46:43,360

bless them who curse you if someone

2922

01:46:46,629 --> 01:46:45,119

takes your jacket go get the other one

2923

01:46:48,629 --> 01:46:46,639

take this one too if you need it that

2924

01:46:50,790 --> 01:46:48,639

bad and here's the other

2925

01:46:53,189 --> 01:46:50,800

if someone slaps you on the cheek turn

2926

01:46:55,270 --> 01:46:53,199

to them the other also like there's a

2927

01:46:56,790 --> 01:46:55,280

reason not you're not supposed to repay

2928

01:46:58,310 --> 01:46:56,800

evil with evil

2929

01:46:59,910 --> 01:46:58,320

there's there's entities that are

2930

01:47:01,990 --> 01:46:59,920

summoned with malicious intent and

2931

01:47:03,669 --> 01:47:02,000

especially doing candle magic so with

2932

01:47:05,189 --> 01:47:03,679

that there's the set and setting and

2933

01:47:06,790 --> 01:47:05,199

there's the scenery

2934

01:47:09,189 --> 01:47:06,800

so you're doing all of these things and

2935

01:47:10,470 --> 01:47:09,199

just so happen

2936

01:47:12,149 --> 01:47:10,480

some of the entities that you're

2937

01:47:13,990 --> 01:47:12,159

entertaining that you've given legal

2938

01:47:15,590 --> 01:47:14,000

ground to come into our home

2939

01:47:16,950 --> 01:47:15,600

have now

2940

01:47:19,590 --> 01:47:16,960

walked into

2941

01:47:23,510 --> 01:47:19,600

your son's bedroom

2942

01:47:24,950 --> 01:47:23,520

and is messing with your son

2943

01:47:26,709 --> 01:47:24,960

and is now

2944

01:47:28,550 --> 01:47:26,719

possessing your son

2945

01:47:32,550 --> 01:47:28,560

your son's now seven eight nine years

2946

01:47:35,590 --> 01:47:34,470

still with them on some things that you

2947

01:47:37,510 --> 01:47:35,600

did when

2948

01:47:38,870 --> 01:47:37,520

you didn't know

2949

01:47:40,390 --> 01:47:38,880

that's why the scripture says father

2950

01:47:43,030 --> 01:47:40,400

forgive them for they know not what they

2951

01:47:44,790 --> 01:47:43,040

do because if they knew it

2952

01:47:46,629 --> 01:47:44,800

it wouldn't do such things

2953

01:47:47,750 --> 01:47:46,639

and so that's why spirituality and

2954

01:47:50,390 --> 01:47:47,760

that's why

2955

01:47:52,870 --> 01:47:50,400

the potency of our words and our actions

2956

01:47:55,430 --> 01:47:52,880

carry weight because if we knew

2957

01:47:58,229 --> 01:47:55,440

that every word created

2958

01:47:59,830 --> 01:47:58,239

beings that we create as we speak that

2959

01:48:02,629 --> 01:47:59,840

life and death is in the power of the

2960

01:48:04,950 --> 01:48:02,639

tongue abracadabra i created as i speak

2961

01:48:06,870 --> 01:48:04,960

it i am the magician i am the alchemist

2962

01:48:08,870 --> 01:48:06,880

and i get to use it for good or for bad

2963

01:48:10,950 --> 01:48:08,880

i think it would be cognitive

2964

01:48:12,629 --> 01:48:10,960

about every action and about everything

2965

01:48:14,709 --> 01:48:12,639

that we did and i know that that was

2966

01:48:17,430 --> 01:48:14,719

kind of a longer story but when it comes

2967

01:48:18,790 --> 01:48:17,440

to dealing with children and possession

2968

01:48:21,109 --> 01:48:18,800

in entities

2969

01:48:22,709 --> 01:48:21,119

we got we that's definitely something to

2970

01:48:25,590 --> 01:48:22,719

look at and i think it was my case for

2971

01:48:29,910 --> 01:48:27,510

thank you for that uh what do you think

2972

01:48:33,189 --> 01:48:29,920

about um two more questions and then we

2973

01:48:34,709 --> 01:48:33,199

can finish up

2974

01:48:36,709 --> 01:48:34,719

great you're great great yeah good good

2975

01:48:38,310 --> 01:48:36,719

having fun i wanted to check with you

2976

01:48:40,629 --> 01:48:38,320

first um

2977

01:48:43,109 --> 01:48:40,639

sorry i scrolled down now i've lost my

2978

01:48:44,709 --> 01:48:43,119

spot now this one this question is from

2979

01:48:47,189 --> 01:48:44,719

stacy tillman

2980

01:48:49,350 --> 01:48:47,199

and i'm gonna not be unable to pronounce

2981

01:48:51,990 --> 01:48:49,360

this properly but you might know she's

2982

01:48:53,510 --> 01:48:52,000

asking what do you think about jeffrey

2983

01:48:56,229 --> 01:48:53,520

dougherty

2984

01:48:58,550 --> 01:48:56,239

uh the christian whistleblower many who

2985

01:49:01,109 --> 01:48:58,560

say we have we have been horribly

2986

01:49:04,070 --> 01:49:01,119

deceived what's the truth about jesus

2987

01:49:08,310 --> 01:49:06,870

so i don't know um much about his work

2988

01:49:10,229 --> 01:49:08,320

and i'm assuming the name's jeffrey

2989

01:49:13,270 --> 01:49:10,239

daughttry i don't know much about his

2990

01:49:14,709 --> 01:49:13,280

work in particular so um if you want to

2991

01:49:16,629 --> 01:49:14,719

i don't know i can maybe do some

2992

01:49:18,470 --> 01:49:16,639

research or or what he's blowing the

2993

01:49:19,589 --> 01:49:18,480

whistle on and how we've been deceived

2994

01:49:21,990 --> 01:49:19,599

about

2995

01:49:23,830 --> 01:49:22,000

um religion or the true the true god the

2996

01:49:25,990 --> 01:49:23,840

true jesus um

2997

01:49:27,430 --> 01:49:26,000

the uh i think the way to to navigate

2998

01:49:29,030 --> 01:49:27,440

through deception because there's a lot

2999

01:49:30,950 --> 01:49:29,040

of it then to navigate through the

3000

01:49:32,390 --> 01:49:30,960

opinions because there's a lot of it and

3001
01:49:33,910 --> 01:49:32,400
to navigate through other people's

3002
01:49:35,669 --> 01:49:33,920
truths

3003
01:49:37,109 --> 01:49:35,679
because there's a lot of it is to have

3004
01:49:39,030 --> 01:49:37,119
your own experience and have your own

3005
01:49:41,030 --> 01:49:39,040
truth because once you have it nobody

3006
01:49:42,870 --> 01:49:41,040
can take it away from you i go on

3007
01:49:45,189 --> 01:49:42,880
podcast i

3008
01:49:46,629 --> 01:49:45,199
i talk to people from all walks of life

3009
01:49:48,310 --> 01:49:46,639
who have a different experience in a

3010
01:49:50,229 --> 01:49:48,320
different encounter in a different

3011
01:49:52,149 --> 01:49:50,239
relationship with the bible or a

3012
01:49:53,510 --> 01:49:52,159
different relationship with spirituality

3013
01:49:54,870 --> 01:49:53,520

or jesus and

3014

01:49:56,870 --> 01:49:54,880

whether they don't believe or whether

3015

01:49:59,189 --> 01:49:56,880

they watch the documentary

3016

01:50:01,189 --> 01:49:59,199

that jordan maxwell put out that says

3017

01:50:02,709 --> 01:50:01,199

that jesus never existed and so they

3018

01:50:05,910 --> 01:50:02,719

watched it and it was shared from a

3019

01:50:07,350 --> 01:50:05,920

place of authority and it seemed like

3020

01:50:08,870 --> 01:50:07,360

they knew what they were talking about

3021

01:50:11,510 --> 01:50:08,880

and they gave a couple scriptures and

3022

01:50:13,830 --> 01:50:11,520

they gave a couple historical references

3023

01:50:14,950 --> 01:50:13,840

and therefore it imparted something to

3024

01:50:17,430 --> 01:50:14,960

us that

3025

01:50:19,990 --> 01:50:17,440

we it tried to take our experience away

3026
01:50:20,950 --> 01:50:20,000
from us and so i talked to those people

3027
01:50:23,589 --> 01:50:20,960
um

3028
01:50:25,189 --> 01:50:23,599
question everything for sure but once

3029
01:50:27,350 --> 01:50:25,199
you have

3030
01:50:29,030 --> 01:50:27,360
your um

3031
01:50:29,910 --> 01:50:29,040
experience nothing can take that away

3032
01:50:33,030 --> 01:50:29,920
from you

3033
01:50:34,870 --> 01:50:33,040
now yeah you should be open to trying to

3034
01:50:37,430 --> 01:50:34,880
seek and try to explain and figure out

3035
01:50:39,510 --> 01:50:37,440
what it was especially when you find out

3036
01:50:41,030 --> 01:50:39,520
that it was something that it's not but

3037
01:50:43,030 --> 01:50:41,040
you also got to understand that there

3038
01:50:44,950 --> 01:50:43,040

there are rules of engagement there are

3039

01:50:46,229 --> 01:50:44,960

universal laws that apply to everyone

3040

01:50:46,950 --> 01:50:46,239

whether you're christian or whether

3041

01:50:47,830 --> 01:50:46,960

you're

3042

01:50:50,149 --> 01:50:47,840

um

3043

01:50:52,790 --> 01:50:50,159

atheist or or buddhist or hindu their

3044

01:50:55,430 --> 01:50:52,800

universal laws and things that that has

3045

01:50:57,669 --> 01:50:55,440

cause and reaction that that is a part

3046

01:50:59,669 --> 01:50:57,679

of this earth realm and that everyone

3047

01:51:02,390 --> 01:50:59,679

has to adhere to and i think that many

3048

01:51:04,790 --> 01:51:02,400

of those sacred texts explain that

3049

01:51:07,350 --> 01:51:04,800

so if anything's trying to be exposed i

3050

01:51:09,350 --> 01:51:07,360

would say look at all of

3051
01:51:11,910 --> 01:51:09,360
the cultures look at all of the

3052
01:51:13,750 --> 01:51:11,920
religions and whatever

3053
01:51:15,910 --> 01:51:13,760
seems to be a meme

3054
01:51:16,950 --> 01:51:15,920
something that is repeating itself over

3055
01:51:19,030 --> 01:51:16,960
and over

3056
01:51:20,390 --> 01:51:19,040
through all of the religions look at

3057
01:51:22,390 --> 01:51:20,400
that as truth

3058
01:51:24,390 --> 01:51:22,400
look at that as something that it's not

3059
01:51:26,470 --> 01:51:24,400
just good for these people but it's for

3060
01:51:28,870 --> 01:51:26,480
everybody it's not just good for this

3061
01:51:30,629 --> 01:51:28,880
one sect but everybody can tap into it

3062
01:51:32,310 --> 01:51:30,639
now the names and the titles and the

3063
01:51:34,709 --> 01:51:32,320

cities and the places and the skin color

3064

01:51:36,709 --> 01:51:34,719

and all of these things may be different

3065

01:51:39,189 --> 01:51:36,719

but the fruit

3066

01:51:40,470 --> 01:51:39,199

the results of said actions of said

3067

01:51:42,310 --> 01:51:40,480

beliefs

3068

01:51:43,189 --> 01:51:42,320

are the same

3069

01:51:44,310 --> 01:51:43,199

so

3070

01:51:46,390 --> 01:51:44,320

i don't

3071

01:51:49,589 --> 01:51:46,400

care what what names we put on these

3072

01:51:51,350 --> 01:51:49,599

things i think it's fun i think i like

3073

01:51:53,669 --> 01:51:51,360

all of the names i'm not married to a

3074

01:51:57,270 --> 01:51:53,679

name you know i'm i'm not married to a

3075

01:51:58,950 --> 01:51:57,280

religion i'm not married to an outcome

3076

01:52:01,030 --> 01:51:58,960

and i think for us to be real truth

3077

01:52:02,629 --> 01:52:01,040

seekers that we have to

3078

01:52:05,189 --> 01:52:02,639

remain that way

3079

01:52:07,189 --> 01:52:05,199

now our our experiences impart something

3080

01:52:09,830 --> 01:52:07,199

to us they they burst something within

3081

01:52:11,030 --> 01:52:09,840

us our traumas do that too

3082

01:52:12,390 --> 01:52:11,040

but just because we've had that

3083

01:52:15,189 --> 01:52:12,400

experience it doesn't mean that it's

3084

01:52:16,709 --> 01:52:15,199

true so there's just there's this

3085

01:52:18,550 --> 01:52:16,719

inner dialogue there's this inner

3086

01:52:20,310 --> 01:52:18,560

seeking this this inner knowing that

3087

01:52:21,589 --> 01:52:20,320

that we remain in

3088

01:52:24,070 --> 01:52:21,599

and um

3089

01:52:25,669 --> 01:52:24,080

and i've made you know up my mind that

3090

01:52:27,350 --> 01:52:25,679

i'm gonna i'm gonna

3091

01:52:29,109 --> 01:52:27,360

you know champion love i'm gonna

3092

01:52:31,030 --> 01:52:29,119

champion peace i'm gonna champion

3093

01:52:33,109 --> 01:52:31,040

healing and i'm gonna let that be a part

3094

01:52:34,310 --> 01:52:33,119

of my story and let that be a part of my

3095

01:52:35,669 --> 01:52:34,320

truth so

3096

01:52:36,950 --> 01:52:35,679

um

3097

01:52:39,109 --> 01:52:36,960

you know the bible says that everything

3098

01:52:41,189 --> 01:52:39,119

that can be will be shaken

3099

01:52:43,350 --> 01:52:41,199

and it's a good thing

3100

01:52:45,910 --> 01:52:43,360

anything that is not built upon that

3101
01:52:48,550 --> 01:52:45,920
firm foundation of love and of peace and

3102
01:52:50,550 --> 01:52:48,560
of righteousness and of good rapport

3103
01:52:52,870 --> 01:52:50,560
let it be shaken because everything that

3104
01:52:55,109 --> 01:52:52,880
is will stand at the end of the day in

3105
01:52:58,310 --> 01:52:55,119
in standing in eternity

3106
01:53:00,310 --> 01:52:58,320
these things will have everlasting value

3107
01:53:02,229 --> 01:53:00,320
i really believe that and again i

3108
01:53:03,270 --> 01:53:02,239
championed that work i'm not married to

3109
01:53:06,070 --> 01:53:03,280
a name

3110
01:53:08,229 --> 01:53:06,080
um i'm not married to a religion

3111
01:53:09,109 --> 01:53:08,239
i'm married to my wife and i'm married

3112
01:53:11,350 --> 01:53:09,119
to

3113
01:53:13,910 --> 01:53:11,360

the spirit of truth which is which is

3114

01:53:15,910 --> 01:53:13,920

love and i call the holy spirit or or

3115

01:53:19,270 --> 01:53:15,920

christ and and even those have many

3116

01:53:21,350 --> 01:53:19,280

nuances and many names as well

3117

01:53:23,990 --> 01:53:21,360

thank you for that okay so the last

3118

01:53:26,550 --> 01:53:24,000

question i have is from edward sosa so

3119

01:53:28,470 --> 01:53:26,560

forgive me they've written however

3120

01:53:31,109 --> 01:53:28,480

he wrote it so i'm just going to read it

3121

01:53:32,950 --> 01:53:31,119

and i hope it makes sense

3122

01:53:36,229 --> 01:53:32,960

the question is what do you think about

3123

01:53:38,070 --> 01:53:36,239

jesus going to india knowledge is power

3124

01:53:41,910 --> 01:53:38,080

ignorance is evil

3125

01:53:45,669 --> 01:53:43,669

hey thank you for that question i think

3126

01:53:48,310 --> 01:53:45,679

it's a good way to end the discussion

3127

01:53:52,550 --> 01:53:48,320

too um and it's a good way to plug my

3128

01:53:54,950 --> 01:53:52,560

upcoming album is entitled white magic

3129

01:53:56,950 --> 01:53:54,960

you know white magic is

3130

01:53:57,830 --> 01:53:56,960

is the um

3131

01:54:00,950 --> 01:53:57,840

title

3132

01:54:03,030 --> 01:54:00,960

and it's a polarizing word magic right

3133

01:54:04,870 --> 01:54:03,040

you said magic is neutral

3134

01:54:06,550 --> 01:54:04,880

um i'm

3135

01:54:08,390 --> 01:54:06,560

i encourage you to join the discussion

3136

01:54:10,470 --> 01:54:08,400

on my facebook page i'm getting attacked

3137

01:54:13,350 --> 01:54:10,480

by a lot of my christian friends uh with

3138

01:54:14,950 --> 01:54:13,360

with that terminology white magic

3139

01:54:16,229 --> 01:54:14,960

because they would say there is no magic

3140

01:54:18,950 --> 01:54:16,239

you know there or

3141

01:54:21,109 --> 01:54:18,960

only magic is conjuring of the demonic

3142

01:54:24,070 --> 01:54:21,119

nature of black magic

3143

01:54:26,870 --> 01:54:24,080

so they they don't you know see any any

3144

01:54:29,109 --> 01:54:26,880

contrast or hue within the colors but i

3145

01:54:31,430 --> 01:54:29,119

really i really do think that what you

3146

01:54:32,390 --> 01:54:31,440

said is true

3147

01:54:33,790 --> 01:54:32,400

magic

3148

01:54:35,350 --> 01:54:33,800

is neutral

3149

01:54:36,550 --> 01:54:35,360

spirituality

3150

01:54:38,070 --> 01:54:36,560

is neutral

3151

01:54:41,030 --> 01:54:38,080

our intentions

3152

01:54:44,229 --> 01:54:41,040

our motives and the way that we use it

3153

01:54:46,310 --> 01:54:44,239

gives it its color whether it be white

3154

01:54:48,070 --> 01:54:46,320

black gray

3155

01:54:52,390 --> 01:54:48,080

other people say there's brown and many

3156

01:54:53,270 --> 01:54:52,400

other different shades of colors as well

3157

01:54:56,310 --> 01:54:53,280

but

3158

01:54:58,229 --> 01:54:56,320

the same is to be said with any tool

3159

01:55:00,070 --> 01:54:58,239

magic is a tool energy is a constant

3160

01:55:01,270 --> 01:55:00,080

flow is what you do with it

3161

01:55:02,310 --> 01:55:01,280

people

3162

01:55:04,310 --> 01:55:02,320

you know

3163

01:55:05,589 --> 01:55:04,320

the message of jesus is a very beautiful

3164

01:55:07,030 --> 01:55:05,599

message and it's very near and dear and

3165

01:55:08,950 --> 01:55:07,040

close to my heart

3166

01:55:11,430 --> 01:55:08,960

but i've seen people extort that message

3167

01:55:13,270 --> 01:55:11,440

i've seen people use it to

3168

01:55:14,550 --> 01:55:13,280

gain authority over people to tell them

3169

01:55:18,070 --> 01:55:14,560

that they're going to hell and to

3170

01:55:20,790 --> 01:55:18,080

convince them that and then be able to

3171

01:55:22,950 --> 01:55:20,800

tell them anything else to abuse them to

3172

01:55:24,070 --> 01:55:22,960

harm them you know so that's that

3173

01:55:26,310 --> 01:55:24,080

message is

3174

01:55:27,910 --> 01:55:26,320

is a pure message it's just the message

3175

01:55:29,669 --> 01:55:27,920

but it's how the

3176

01:55:31,189 --> 01:55:29,679

it's how the speaker is how the prophet

3177

01:55:32,470 --> 01:55:31,199

is how the preacher shares it and

3178

01:55:34,310 --> 01:55:32,480

delivers it

3179

01:55:36,149 --> 01:55:34,320

and you put words in god's mouth and

3180

01:55:38,149 --> 01:55:36,159

then therefore you you color it with

3181

01:55:39,669 --> 01:55:38,159

your own color

3182

01:55:41,030 --> 01:55:39,679

so something that's just

3183

01:55:44,229 --> 01:55:41,040

neutral

3184

01:55:46,149 --> 01:55:44,239

you make it white black gray

3185

01:55:49,189 --> 01:55:46,159

a hammer

3186

01:55:53,669 --> 01:55:50,950

it depends how you use it

3187

01:55:55,990 --> 01:55:53,679

you can build a house with a hammer

3188

01:55:56,790 --> 01:55:56,000

to some people they use hammers every

3189

01:55:58,870 --> 01:55:56,800

day

3190

01:56:00,709 --> 01:55:58,880

carpentry work

3191

01:56:01,750 --> 01:56:00,719

to another person when they see that

3192

01:56:02,629 --> 01:56:01,760

hammer

3193

01:56:06,310 --> 01:56:02,639

it's a

3194

01:56:08,229 --> 01:56:06,320

you can kill somebody with that same

3195

01:56:10,229 --> 01:56:08,239

hammer

3196

01:56:11,830 --> 01:56:10,239

with all of spirituality and everything

3197

01:56:14,470 --> 01:56:11,840

that i've been talking about

3198

01:56:16,390 --> 01:56:14,480

polarities left right color contrast up

3199

01:56:18,950 --> 01:56:16,400

down

3200

01:56:20,629 --> 01:56:18,960

yin yang positive negative

3201

01:56:23,270 --> 01:56:20,639

north south

3202

01:56:26,870 --> 01:56:23,280

east west there's polarities they exist

3203

01:56:28,550 --> 01:56:26,880

for a reason to show you

3204

01:56:30,390 --> 01:56:28,560

the student

3205

01:56:31,830 --> 01:56:30,400

the contrast that they hold

3206

01:56:33,990 --> 01:56:31,840

and the beauty is in the eye of the

3207

01:56:35,830 --> 01:56:34,000

beholder it's up to you it's not up to

3208

01:56:38,070 --> 01:56:35,840

my pastor it's not up to my daughter

3209

01:56:39,510 --> 01:56:38,080

it's not up to my wife it's up to me

3210

01:56:41,589 --> 01:56:39,520

it's up to you to be able to look at

3211

01:56:44,070 --> 01:56:41,599

that thing and see beauty in it

3212

01:56:45,990 --> 01:56:44,080

to use it for good

3213

01:56:47,910 --> 01:56:46,000

prayer another tool

3214

01:56:49,189 --> 01:56:47,920

prayer is a tool prayer is not something

3215

01:56:51,589 --> 01:56:49,199

that's

3216

01:56:53,109 --> 01:56:51,599

across the board good

3217

01:56:55,669 --> 01:56:53,119

some people pray

3218

01:56:58,229 --> 01:56:55,679

for their enemies

3219

01:57:00,149 --> 01:56:58,239

some people pray for blessings

3220

01:57:02,149 --> 01:57:00,159

upon their family they pray for that god

3221

01:57:04,149 --> 01:57:02,159

would heal and touch people so they're

3222

01:57:05,910 --> 01:57:04,159

using prayers for

3223

01:57:07,270 --> 01:57:05,920

a good reason good intention is

3224

01:57:09,589 --> 01:57:07,280

connected to this

3225

01:57:11,430 --> 01:57:09,599

modality of prayer

3226

01:57:13,750 --> 01:57:11,440

and for others

3227

01:57:16,790 --> 01:57:13,760

they would pray for your downfall

3228

01:57:18,470 --> 01:57:16,800

they are praying for your demise

3229

01:57:20,870 --> 01:57:18,480

they are praying that you fall so that

3230

01:57:22,790 --> 01:57:20,880

they can take your position

3231

01:57:25,510 --> 01:57:22,800

they're praying to demons

3232

01:57:28,390 --> 01:57:25,520

they're praying like a young true seeker

3233

01:57:31,030 --> 01:57:28,400

making pacts with fallen entities

3234

01:57:33,350 --> 01:57:31,040

to go out and harm people

3235

01:57:34,950 --> 01:57:33,360

so therefore you have this

3236

01:57:35,990 --> 01:57:34,960

same

3237

01:57:38,629 --> 01:57:36,000

tool

3238

01:57:40,149 --> 01:57:38,639

that is being used for either good

3239

01:57:42,390 --> 01:57:40,159

bad

3240

01:57:43,430 --> 01:57:42,400

or really not even being used at all

3241

01:57:45,430 --> 01:57:43,440

because the person doesn't know and

3242

01:57:47,830 --> 01:57:45,440

therefore you make it neutral so yes all

3243

01:57:49,750 --> 01:57:47,840

energy i believe

3244

01:57:50,709 --> 01:57:49,760

is neutral

3245

01:57:52,629 --> 01:57:50,719

all

3246

01:57:54,870 --> 01:57:52,639

things exist

3247

01:57:56,950 --> 01:57:54,880

all beliefs exist and

3248

01:57:58,229 --> 01:57:56,960

for you the practitioner

3249

01:57:59,830 --> 01:57:58,239

the believer

3250

01:58:01,030 --> 01:57:59,840

whatever word you want to put there the

3251
01:58:02,870 --> 01:58:01,040
magician

3252
01:58:05,270 --> 01:58:02,880
you have the power to say

3253
01:58:08,070 --> 01:58:05,280
abracadabra and literally

3254
01:58:10,070 --> 01:58:08,080
created as you speak it so again with

3255
01:58:13,270 --> 01:58:10,080
that being said we understand the power

3256
01:58:15,270 --> 01:58:13,280
and the potency of such

3257
01:58:16,629 --> 01:58:15,280
tools

3258
01:58:17,990 --> 01:58:16,639
you don't

3259
01:58:19,990 --> 01:58:18,000
let your kid

3260
01:58:23,750 --> 01:58:20,000
come to a job site on a construction

3261
01:58:27,589 --> 01:58:25,189
some people do but that's not the

3262
01:58:29,830 --> 01:58:27,599
analogy

3263
01:58:31,270 --> 01:58:29,840

you have to be trained

3264

01:58:32,709 --> 01:58:31,280

with the equipment you have to be

3265

01:58:36,950 --> 01:58:32,719

trained

3266

01:58:39,990 --> 01:58:36,960

with the tools and so um

3267

01:58:41,350 --> 01:58:40,000

knowing that everything has polarity

3268

01:58:43,589 --> 01:58:41,360

every tool

3269

01:58:46,229 --> 01:58:43,599

every modality

3270

01:58:48,790 --> 01:58:46,239

and every person

3271

01:58:50,070 --> 01:58:48,800

makes it a lot more interesting and a

3272

01:58:51,910 --> 01:58:50,080

lot more

3273

01:58:53,990 --> 01:58:51,920

um i bring that into my spiritual

3274

01:58:56,229 --> 01:58:54,000

practice to know that that i have the

3275

01:58:57,910 --> 01:58:56,239

ability because we we we get on these

3276

01:59:01,669 --> 01:58:57,920

high horses

3277

01:59:03,189 --> 01:59:01,679

that people are only good or only bad

3278

01:59:04,870 --> 01:59:03,199

when the fact of the matter is people

3279

01:59:07,589 --> 01:59:04,880

are both

3280

01:59:10,070 --> 01:59:07,599

and we have the ability to choose

3281

01:59:12,310 --> 01:59:10,080

choose life that you may live

3282

01:59:13,350 --> 01:59:12,320

choose good and good will come back to

3283

01:59:14,950 --> 01:59:13,360

you

3284

01:59:16,870 --> 01:59:14,960

do no harm

3285

01:59:19,510 --> 01:59:16,880

if you do it you create more of it and

3286

01:59:21,189 --> 01:59:19,520

it begins to show itself to you

3287

01:59:22,149 --> 01:59:21,199

so knowing that when someone does good

3288

01:59:23,510 --> 01:59:22,159

to you

3289

01:59:25,030 --> 01:59:23,520

without

3290

01:59:27,189 --> 01:59:25,040

wanting something in return when

3291

01:59:28,830 --> 01:59:27,199

somebody chooses

3292

01:59:31,990 --> 01:59:28,840

that narrow

3293

01:59:33,430 --> 01:59:32,000

path when you choose it every time know

3294

01:59:34,870 --> 01:59:33,440

that you're you're making the right

3295

01:59:37,350 --> 01:59:34,880

decision

3296

01:59:39,589 --> 01:59:37,360

and it's never the wrong

3297

01:59:41,750 --> 01:59:39,599

even if you don't get vengeance even if

3298

01:59:44,950 --> 01:59:41,760

you don't repay evil for evil the

3299

01:59:49,270 --> 01:59:44,960

universe has a way of working it out

3300

01:59:51,109 --> 01:59:49,280

of losing and binding teachers

3301
01:59:52,950 --> 01:59:51,119
that can teach that person way better

3302
01:59:54,149 --> 01:59:52,960
than you can

3303
01:59:55,510 --> 01:59:54,159
and that's the

3304
01:59:57,109 --> 01:59:55,520
that's the just of this entire

3305
01:59:58,790 --> 01:59:57,119
conversation

3306
02:00:00,390 --> 01:59:58,800
any thoughts on the part where he's

3307
02:00:02,390 --> 02:00:00,400
asking what do you think about jesus

3308
02:00:03,669 --> 02:00:02,400
going to india

3309
02:00:05,990 --> 02:00:03,679
okay

3310
02:00:08,709 --> 02:00:06,000
um again with magic you know that i

3311
02:00:12,790 --> 02:00:08,719
think that comes into play um i don't

3312
02:00:14,229 --> 02:00:12,800
know much about india per se um

3313
02:00:15,990 --> 02:00:14,239

there's a lot of theory there's a lot of

3314

02:00:18,470 --> 02:00:16,000

books there's a lot of shrines i think

3315

02:00:20,070 --> 02:00:18,480

there's a there's a shrine to his mother

3316

02:00:22,550 --> 02:00:20,080

mary in india which is really

3317

02:00:26,229 --> 02:00:22,560

interesting and and they believe that i

3318

02:00:28,550 --> 02:00:26,239

think her uh they have her burial ground

3319

02:00:30,070 --> 02:00:28,560

in india interesting many people say he

3320

02:00:32,149 --> 02:00:30,080

went to india

3321

02:00:34,390 --> 02:00:32,159

and was taught many people say he went

3322

02:00:36,870 --> 02:00:34,400

to india and taught

3323

02:00:39,030 --> 02:00:36,880

i do know this i don't know about india

3324

02:00:41,030 --> 02:00:39,040

i'm not against it but i will say i know

3325

02:00:44,149 --> 02:00:41,040

this for a fact

3326

02:00:47,109 --> 02:00:44,159

all of the biblical patriarchs

3327

02:00:48,790 --> 02:00:47,119

take pilgrimages to

3328

02:00:52,070 --> 02:00:48,800

egypt

3329

02:00:53,510 --> 02:00:52,080

mystery schools

3330

02:00:57,030 --> 02:00:53,520

and

3331

02:00:58,310 --> 02:00:57,040

the great mysteries of the magi

3332

02:00:59,750 --> 02:00:58,320

of

3333

02:01:05,510 --> 02:00:59,760

the jedi

3334

02:01:09,430 --> 02:01:07,510

that's from egypt

3335

02:01:11,910 --> 02:01:09,440

they're called if you look up the the

3336

02:01:16,310 --> 02:01:11,920

jetty priests dj

3337

02:01:18,310 --> 02:01:16,320

edi jetty priest of egypt

3338

02:01:21,350 --> 02:01:18,320

every prophet

3339

02:01:24,149 --> 02:01:21,360

and every patriarch took a pilgrimage to

3340

02:01:25,669 --> 02:01:24,159

egypt moses

3341

02:01:27,669 --> 02:01:25,679

was trained

3342

02:01:29,990 --> 02:01:27,679

in egyptian magic

3343

02:01:32,149 --> 02:01:30,000

daniel

3344

02:01:34,149 --> 02:01:32,159

the one of the greatest

3345

02:01:36,870 --> 02:01:34,159

magicians

3346

02:01:38,229 --> 02:01:36,880

dream interpreters

3347

02:01:41,270 --> 02:01:38,239

joseph

3348

02:01:43,589 --> 02:01:41,280

these guys were skilled in divination

3349

02:01:45,669 --> 02:01:43,599

these guys were skilled in

3350

02:01:47,510 --> 02:01:45,679

spirituality and i think that all of

3351

02:01:50,149 --> 02:01:47,520

them used it

3352

02:01:51,910 --> 02:01:50,159

as a form of white magic

3353

02:01:54,790 --> 02:01:51,920

i think that maybe some of the other

3354

02:01:56,870 --> 02:01:54,800

ones were were misguided

3355

02:01:59,030 --> 02:01:56,880

but as far as taking that pilgrimage to

3356

02:02:00,390 --> 02:01:59,040

a place to learn they went to egypt to

3357

02:02:04,550 --> 02:02:00,400

learn

3358

02:02:06,950 --> 02:02:04,560

and i tie that in with jesus to say that

3359

02:02:08,550 --> 02:02:06,960

jesus when he was a child

3360

02:02:10,870 --> 02:02:08,560

they were trying to kill all the the

3361

02:02:12,070 --> 02:02:10,880

firstborns when he was born

3362

02:02:14,149 --> 02:02:12,080

so

3363

02:02:16,070 --> 02:02:14,159

herod put out a decree because he heard

3364

02:02:18,149 --> 02:02:16,080

that the messiah that the jews looked to

3365

02:02:20,870 --> 02:02:18,159

was being born

3366

02:02:22,310 --> 02:02:20,880

the magi the stargazers

3367

02:02:24,870 --> 02:02:22,320

the magicians

3368

02:02:27,830 --> 02:02:24,880

were the ones to greet

3369

02:02:29,510 --> 02:02:27,840

the messiah and follow the star to his

3370

02:02:31,189 --> 02:02:29,520

birthplace

3371

02:02:33,109 --> 02:02:31,199

it wasn't the pastors it wasn't the

3372

02:02:36,070 --> 02:02:33,119

priests it wasn't the teachers it was

3373

02:02:38,470 --> 02:02:36,080

the magi the magicians the stargazers

3374

02:02:41,189 --> 02:02:38,480

who read his story in the stars

3375

02:02:42,550 --> 02:02:41,199

and they showed up there and then

3376

02:02:44,550 --> 02:02:42,560

his family

3377

02:02:46,310 --> 02:02:44,560

has to leave town

3378

02:02:49,030 --> 02:02:46,320

and they do because they herod went on

3379

02:02:51,030 --> 02:02:49,040

and killed all the the firstborn uh

3380

02:02:53,589 --> 02:02:51,040

between that certain period that he

3381

02:02:55,109 --> 02:02:53,599

heard that there was children being born

3382

02:02:57,589 --> 02:02:55,119

um

3383

02:02:59,030 --> 02:02:57,599

so he goes to egypt

3384

02:03:01,510 --> 02:02:59,040

as an infant

3385

02:03:03,990 --> 02:03:01,520

and he comes back

3386

02:03:05,750 --> 02:03:04,000

to israel to jerusalem

3387

02:03:08,870 --> 02:03:05,760

the next time we see this is biblical

3388

02:03:10,950 --> 02:03:08,880

like he comes back at the age of 13.

3389

02:03:12,950 --> 02:03:10,960

he's like 13 and 14 as he's coming for

3390

02:03:14,950 --> 02:03:12,960

pretty much this bar mitzvah

3391

02:03:16,629 --> 02:03:14,960

we don't know where he was before that

3392

02:03:20,390 --> 02:03:16,639

and it's you leave it up to theory but

3393

02:03:23,350 --> 02:03:20,400

we do know he leaves and goes to egypt

3394

02:03:24,709 --> 02:03:23,360

we see him coming back at 13 14 years

3395

02:03:26,709 --> 02:03:24,719

old

3396

02:03:28,470 --> 02:03:26,719

and he's in the temple his parents are

3397

02:03:30,149 --> 02:03:28,480

worried where is he

3398

02:03:31,910 --> 02:03:30,159

is that passover

3399

02:03:34,070 --> 02:03:31,920

he's in the temple they find him in the

3400

02:03:38,149 --> 02:03:34,080

temple

3401

02:03:41,109 --> 02:03:38,159

13

3402

02:03:43,669 --> 02:03:41,119

year old little boy supposedly is

3403

02:03:46,149 --> 02:03:43,679

teaching all

3404

02:03:48,310 --> 02:03:46,159

of the scribes and the pharisees

3405

02:03:50,709 --> 02:03:48,320

and he's teaching them things blowing

3406

02:03:53,030 --> 02:03:50,719

their minds

3407

02:03:55,109 --> 02:03:53,040

when it comes to knowledge

3408

02:03:57,910 --> 02:03:55,119

spirituality

3409

02:04:00,470 --> 02:03:57,920

magic if you will lore where did he

3410

02:04:01,990 --> 02:04:00,480

learn it from if he learned it from them

3411

02:04:03,990 --> 02:04:02,000

they would already knew and he couldn't

3412

02:04:06,390 --> 02:04:04,000

have taught them anything

3413

02:04:07,750 --> 02:04:06,400

he's just a young boy

3414

02:04:09,430 --> 02:04:07,760

they're far older you're not going to

3415

02:04:11,430 --> 02:04:09,440

teach your elders something that they

3416

02:04:14,149 --> 02:04:11,440

don't know he goes

3417

02:04:15,589 --> 02:04:14,159

what i believe to be taught in egypt

3418

02:04:17,350 --> 02:04:15,599

that we know for sure because the

3419

02:04:18,310 --> 02:04:17,360

scripture says it but we don't know

3420

02:04:20,790 --> 02:04:18,320

where else he went he could have

3421

02:04:22,390 --> 02:04:20,800

pilgrimage to india as well but i find

3422

02:04:24,310 --> 02:04:22,400

it very interesting just like all the

3423

02:04:27,030 --> 02:04:24,320

other patriarchs go and they're taught

3424

02:04:29,030 --> 02:04:27,040

by the ways it says moses was trained in

3425

02:04:30,950 --> 02:04:29,040

all of the wisdom of egypt

3426

02:04:32,870 --> 02:04:30,960

daniel the same thing

3427

02:04:34,390 --> 02:04:32,880

jesus comes back

3428

02:04:35,830 --> 02:04:34,400

with all of this

3429

02:04:37,990 --> 02:04:35,840

information so much so that he's

3430

02:04:39,270 --> 02:04:38,000

teaching his elders and he's blowing

3431

02:04:41,350 --> 02:04:39,280

their minds so

3432

02:04:43,510 --> 02:04:41,360

let's look look into egypt

3433

02:04:46,709 --> 02:04:43,520

look into some of the egyptian mysteries

3434

02:04:49,109 --> 02:04:46,719

that are lost and forgotten as well

3435

02:04:50,870 --> 02:04:49,119

truth seeker thank you for that so just

3436

02:04:53,189 --> 02:04:50,880

real quick uh feedback on some of your

3437

02:04:55,109 --> 02:04:53,199

answers crypto says love it thank you

3438

02:04:56,950 --> 02:04:55,119

and stacy wanted to say

3439

02:04:59,990 --> 02:04:56,960

please tell him i'm so very grateful for

3440

02:05:03,910 --> 02:05:00,000

his answer it seems seems i knew it and

3441

02:05:06,470 --> 02:05:03,920

the confirmation is just what i needed

3442

02:05:10,229 --> 02:05:06,480

awesome so true secret thank you very

3443

02:05:12,149 --> 02:05:10,239

much all of those uh watching again all

3444

02:05:14,550 --> 02:05:12,159

the links everything that the

3445

02:05:16,470 --> 02:05:14,560

truthseeker has to offer the podcast

3446

02:05:19,109 --> 02:05:16,480

everything else it does the links are in

3447

02:05:20,629 --> 02:05:19,119

the description below and so to seek i

3448

02:05:22,550 --> 02:05:20,639

want to just give you the last word

3449

02:05:23,990 --> 02:05:22,560

about anything else that you

3450

02:05:25,589 --> 02:05:24,000

might have going on if you have a

3451

02:05:27,350 --> 02:05:25,599

specific schedule when you do your

3452

02:05:29,189 --> 02:05:27,360

podcast and anything else you want to

3453

02:05:31,189 --> 02:05:29,199

finish up with

3454

02:05:33,830 --> 02:05:31,199

for sure again thank you so much for

3455

02:05:35,510 --> 02:05:33,840

having me on and um let me come on here

3456

02:05:36,870 --> 02:05:35,520

and share your platform and i love what

3457

02:05:37,990 --> 02:05:36,880

you do and thank you for creating this

3458

02:05:41,669 --> 02:05:38,000

space

3459

02:05:45,109 --> 02:05:41,679

um my my website is truth seeker dot com

3460

02:05:47,669 --> 02:05:45,119

truth s e e k a h dot com uh all of my

3461

02:05:49,669 --> 02:05:47,679

stuff is there i do guided meditations

3462

02:05:51,109 --> 02:05:49,679

spiritual and esoteric hip-hop i have

3463

02:05:52,149 --> 02:05:51,119

songs about everything that we spoke

3464

02:05:58,149 --> 02:05:52,159

about

3465

02:06:00,470 --> 02:05:58,159

be officially released the pre-order is

3466

02:06:02,470 --> 02:06:00,480

up right now at the website it's

3467

02:06:05,109 --> 02:06:02,480

entitled white magic and

3468

02:06:07,510 --> 02:06:05,119

um finding beautiful articulate ways to

3469

02:06:08,470 --> 02:06:07,520

to share the spirituality to share truth

3470

02:06:09,430 --> 02:06:08,480

and to

3471

02:06:12,069 --> 02:06:09,440

uh

3472

02:06:14,069 --> 02:06:12,079

impart awe and wonder and creativity in

3473

02:06:16,229 --> 02:06:14,079

my music podcast and everything i bring

3474

02:06:17,830 --> 02:06:16,239

to the table i go live every tuesday and

3475

02:06:18,629 --> 02:06:17,840

thursday on youtube

3476

02:06:20,709 --> 02:06:18,639

and

3477

02:06:22,470 --> 02:06:20,719

we're also live on all the podcasting

3478

02:06:24,709 --> 02:06:22,480

apps as well so for those of you who are

3479

02:06:26,069 --> 02:06:24,719

interested or resonate with anything i

3480

02:06:27,589 --> 02:06:26,079

brought to the table definitely check it

3481

02:06:29,430 --> 02:06:27,599

out i'd love to

3482

02:06:32,390 --> 02:06:29,440

answer your questions and and connect

3483

02:06:34,390 --> 02:06:32,400

with you um on social media so i'm on

3484

02:06:36,790 --> 02:06:34,400

all of them as well so thank you so much

3485

02:06:39,109 --> 02:06:36,800

for for having me

3486

02:06:41,589 --> 02:06:39,119

no thank you i really appreciate it and

3487

02:06:44,470 --> 02:06:41,599

um also everyone else watching thank you

3488

02:06:47,669 --> 02:06:44,480

for tuning in and and uh listening

3489

02:06:49,669 --> 02:06:47,679

um it's a bit different the today that i

3490

02:06:51,109 --> 02:06:49,679

have something going on live but that

3491

02:06:53,189 --> 02:06:51,119

was the only way we could schedule it

3492

02:06:54,550 --> 02:06:53,199

with both of our schedules so i'm glad

3493

02:06:56,709 --> 02:06:54,560

i'm glad we did

3494

02:07:01,830 --> 02:06:56,719

and

3495

02:07:03,589 --> 02:07:01,840

coming up this wednesday at 7 pm we're

3496

02:07:05,669 --> 02:07:03,599

going to have open lines and i'm going

3497

02:07:07,350 --> 02:07:05,679

to be talking about some things that uh

3498

02:07:09,510 --> 02:07:07,360

were recently

3499

02:07:12,629 --> 02:07:09,520

in the ndaa about

3500

02:07:15,510 --> 02:07:12,639

ufps and then of course another podcast

3501

02:07:17,910 --> 02:07:15,520

i could not podcast but uh i call it a

3502

02:07:19,750 --> 02:07:17,920

uh webcast because i don't do podcasts

3503

02:07:22,149 --> 02:07:19,760

so whatever you see is only on youtube

3504

02:07:25,109 --> 02:07:22,159

and some of few other platforms but

3505

02:07:27,830 --> 02:07:25,119

again and then on friday at 7 00 p.m i'm

3506

02:07:30,310 --> 02:07:27,840

going to have another live stream so

3507

02:07:33,030 --> 02:07:30,320

trueseeker thank you again everyone else
