

1
00:00:15,669 --> 00:00:13,350
hi everyone well um this is not a usual

2
00:00:18,150 --> 00:00:15,679
scheduled live stream and um i just

3
00:00:20,550 --> 00:00:18,160
wanted to come on here real quick and

4
00:00:22,230 --> 00:00:20,560
just make some make some announcements

5
00:00:24,470 --> 00:00:22,240
um

6
00:00:26,630 --> 00:00:24,480
after last night i had to make a few

7
00:00:28,830 --> 00:00:26,640
decisions and so

8
00:00:31,509 --> 00:00:28,840
uh it's all good you know nothing

9
00:00:33,590 --> 00:00:31,519
nothing you know bad is happening or

10
00:00:36,150 --> 00:00:33,600
anything like that and and

11
00:00:38,950 --> 00:00:36,160
forgive my uh somber mood i'm just kind

12
00:00:41,190 --> 00:00:38,960
of uh been kind of disquiet space

13
00:00:42,150 --> 00:00:41,200

haven't talked to anyone in a while so

14

00:00:44,869 --> 00:00:42,160

um

15

00:00:47,910 --> 00:00:44,879

that's maybe uh i guess what you will

16

00:00:49,830 --> 00:00:47,920

call it uh permeating uh

17

00:00:51,830 --> 00:00:49,840

through through this

18

00:00:53,990 --> 00:00:51,840

to the stream right now anyway i'm just

19

00:00:56,549 --> 00:00:54,000

a little bit more relaxed than usual but

20

00:00:58,709 --> 00:00:56,559

um i wanted to just come on and

21

00:01:01,270 --> 00:00:58,719

let you guys know that i'm just going to

22

00:01:02,950 --> 00:01:01,280

take a break for a little while

23

00:01:05,350 --> 00:01:02,960

at least a break from

24

00:01:06,469 --> 00:01:05,360

from the uh open lines and the

25

00:01:08,230 --> 00:01:06,479

interviews

26

00:01:10,950 --> 00:01:08,240

and uh but it's definitely not going to

27

00:01:11,750 --> 00:01:10,960

be a a break for me otherwise because

28

00:01:14,310 --> 00:01:11,760

i'm

29

00:01:16,789 --> 00:01:14,320

doing a lot around the house and

30

00:01:19,429 --> 00:01:16,799

needing to maintain the day job so

31

00:01:20,469 --> 00:01:19,439

i can continue doing what i need to do

32

00:01:23,429 --> 00:01:20,479

and so

33

00:01:26,230 --> 00:01:23,439

it's a combination of different things

34

00:01:27,910 --> 00:01:26,240

one even though i do them very rarely

35

00:01:29,190 --> 00:01:27,920

obviously compared to maybe some of the

36

00:01:31,030 --> 00:01:29,200

other channels out there i mean

37

00:01:33,910 --> 00:01:31,040

wednesday's friday let's face it it's

38

00:01:36,149 --> 00:01:33,920

really not that much but it's um

39

00:01:37,270 --> 00:01:36,159

what a lot of people don't see it's

40

00:01:40,149 --> 00:01:37,280

you know the

41

00:01:42,710 --> 00:01:40,159

thousands and one thing on on on my

42

00:01:44,230 --> 00:01:42,720

schedule to be added and so

43

00:01:47,510 --> 00:01:44,240

and all the other things that i'm doing

44

00:01:49,749 --> 00:01:47,520

including this it kind of uh just uh

45

00:01:52,069 --> 00:01:49,759

you know just it becomes a bit too much

46

00:01:56,069 --> 00:01:52,079

i just feel like you know a bit

47

00:01:58,469 --> 00:01:56,079

stretched thin mentally and you know um

48

00:02:00,469 --> 00:01:58,479

i wish it would you know work physically

49

00:02:02,709 --> 00:02:00,479

to be a bit stretched then but that's a

50

00:02:06,069 --> 00:02:02,719

different issue but anyway

51
00:02:07,350 --> 00:02:06,079
so i didn't i didn't want to

52
00:02:09,749 --> 00:02:07,360
kind of

53
00:02:12,630 --> 00:02:09,759
burn the candle on both ends as they say

54
00:02:13,830 --> 00:02:12,640
and so i'm just um

55
00:02:16,790 --> 00:02:13,840
wanting to

56
00:02:18,309 --> 00:02:16,800
just kind of take a little break uh as

57
00:02:19,190 --> 00:02:18,319
some of you know

58
00:02:21,430 --> 00:02:19,200
uh

59
00:02:23,670 --> 00:02:21,440
i would i've been kind of you know i

60
00:02:26,070 --> 00:02:23,680
guess for lack of a better word prepping

61
00:02:26,869 --> 00:02:26,080
and this is not to say you know

62
00:02:28,710 --> 00:02:26,879
um

63
00:02:31,030 --> 00:02:28,720

everyone run for the hilt something is

64

00:02:32,869 --> 00:02:31,040

happening but there's some things that i

65

00:02:35,589 --> 00:02:32,879

guess are just because of where we live

66

00:02:38,390 --> 00:02:35,599

in the woods in general um i just need

67

00:02:39,589 --> 00:02:38,400

to basically do do the job that i

68

00:02:41,910 --> 00:02:39,599

usually do and i've been kind of

69

00:02:44,309 --> 00:02:41,920

slacking on it like getting enough wood

70

00:02:46,630 --> 00:02:44,319

for the winter and because we use wood

71

00:02:49,350 --> 00:02:46,640

stove for that and just getting

72

00:02:51,190 --> 00:02:49,360

everything else in order before winter

73

00:02:53,110 --> 00:02:51,200

starts in general you know whether

74

00:02:55,509 --> 00:02:53,120

there's something coming down the pike

75

00:02:58,149 --> 00:02:55,519

that's you know that could last uh and

76

00:03:00,470 --> 00:02:58,159

affect the economy a lot longer or not i

77

00:03:03,030 --> 00:03:00,480

have to do those things anyway

78

00:03:05,990 --> 00:03:03,040

and in addition um it would just give me

79

00:03:09,030 --> 00:03:06,000

a little bit more time to

80

00:03:11,030 --> 00:03:09,040

i guess uh just again take a break and i

81

00:03:11,990 --> 00:03:11,040

will be looking ahead and

82

00:03:13,670 --> 00:03:12,000

the few

83

00:03:15,589 --> 00:03:13,680

interviews that has scheduled i have

84

00:03:18,149 --> 00:03:15,599

them rescheduled and working on

85

00:03:19,509 --> 00:03:18,159

rescheduling specific days for november

86

00:03:21,589 --> 00:03:19,519

and so

87

00:03:23,430 --> 00:03:21,599

anyway that will continue then i'm

88

00:03:24,789 --> 00:03:23,440

hoping to

89

00:03:26,630 --> 00:03:24,799

get

90

00:03:28,550 --> 00:03:26,640

more people reach

91

00:03:31,509 --> 00:03:28,560

reach out to different people and of

92

00:03:34,789 --> 00:03:31,519

course i always welcome you guys to

93

00:03:38,869 --> 00:03:34,799

uh if um if you send me an email

94

00:03:39,750 --> 00:03:38,879

under ufohub.net and send an email to

95

00:03:41,910 --> 00:03:39,760

um

96

00:03:44,390 --> 00:03:41,920

to that the very bottom you see the

97

00:03:46,229 --> 00:03:44,400

little contact tab you can fill that

98

00:03:49,509 --> 00:03:46,239

form out and just send me some

99

00:03:51,910 --> 00:03:49,519

suggestions and hopefully with specific

100

00:03:54,070 --> 00:03:51,920

addresses and specific websites that i

101
00:03:56,390 --> 00:03:54,080
can reach out to these different people

102
00:03:59,270 --> 00:03:56,400
that you're interested in and ask him to

103
00:04:00,789 --> 00:03:59,280
come on and be a guest on the show and

104
00:04:02,390 --> 00:04:00,799
do the interviews and the manner you

105
00:04:04,390 --> 00:04:02,400
guys are used to and

106
00:04:06,470 --> 00:04:04,400
give you an option to also ask them some

107
00:04:08,550 --> 00:04:06,480
questions so

108
00:04:11,670 --> 00:04:08,560
anyway but i feel like

109
00:04:14,470 --> 00:04:11,680
i just have a lot i have a lot going on

110
00:04:16,069 --> 00:04:14,480
a lot of things i have to do and

111
00:04:18,150 --> 00:04:16,079
i just feel like i would

112
00:04:21,430 --> 00:04:18,160
serve all of you better by just

113
00:04:23,270 --> 00:04:21,440

coming back you know stronger

114

00:04:24,469 --> 00:04:23,280

i guess more focused and not so

115

00:04:26,790 --> 00:04:24,479

distracted

116

00:04:29,430 --> 00:04:26,800

there's a lot of things i need to fix up

117

00:04:31,430 --> 00:04:29,440

in here as well and it's just so many

118

00:04:32,550 --> 00:04:31,440

things on the line so

119

00:04:37,030 --> 00:04:32,560

um

120

00:04:39,830 --> 00:04:37,040

know making light of it but let's face

121

00:04:42,469 --> 00:04:39,840

it based on what most of us know deep

122

00:04:45,670 --> 00:04:42,479

down et contact is not going to happen

123

00:04:47,749 --> 00:04:45,680

anytime soon you know and as much as

124

00:04:50,550 --> 00:04:47,759

some of you out there hope and i don't

125

00:04:53,189 --> 00:04:50,560

mean that in a negative way but it's

126
00:04:54,870 --> 00:04:53,199
just the fact of life as i've said

127
00:04:57,990 --> 00:04:54,880
yesterday

128
00:05:00,150 --> 00:04:58,000
after i was done with uh talking to to

129
00:05:02,870 --> 00:05:00,160
sally and she did some numerology

130
00:05:06,310 --> 00:05:02,880
readings for all of you guys um i would

131
00:05:08,310 --> 00:05:06,320
uh i basically got into

132
00:05:10,469 --> 00:05:08,320
got into the the

133
00:05:11,909 --> 00:05:10,479
the conditions for contact

134
00:05:13,990 --> 00:05:11,919
and some of the things that have been

135
00:05:15,990 --> 00:05:14,000
happening in my life and

136
00:05:18,550 --> 00:05:16,000
some potential things that i could see

137
00:05:21,670 --> 00:05:18,560
and find information on and i pointed

138
00:05:24,629 --> 00:05:21,680

those out so i think it starts around

139

00:05:26,070 --> 00:05:24,639

open lines yesterday's open lines um

140

00:05:28,469 --> 00:05:26,080

it's uh

141

00:05:29,270 --> 00:05:28,479

uh i don't even know open lines 51 i

142

00:05:31,990 --> 00:05:29,280

think

143

00:05:33,670 --> 00:05:32,000

or or ufo hub live stream 51 and it

144

00:05:36,390 --> 00:05:33,680

starts roughly about

145

00:05:39,270 --> 00:05:36,400

one hour in so it's basically the

146

00:05:41,189 --> 00:05:39,280

dialogue that i that i gave is about an

147

00:05:44,550 --> 00:05:41,199

hour

148

00:05:46,310 --> 00:05:44,560

basically right after sally um hung up

149

00:05:50,070 --> 00:05:46,320

that's when i um

150

00:05:51,670 --> 00:05:50,080

started talking so anyway

151

00:05:52,390 --> 00:05:51,680

i figured this would be a lot better to

152

00:05:53,990 --> 00:05:52,400

do

153

00:05:56,390 --> 00:05:54,000

um i have to

154

00:05:58,710 --> 00:05:56,400

be honest i was

155

00:06:00,309 --> 00:05:58,720

it's kind of a lazy approach too because

156

00:06:02,550 --> 00:06:00,319

then i don't have to sit and edit the

157

00:06:04,309 --> 00:06:02,560

video whatever you see whatever goes out

158

00:06:06,390 --> 00:06:04,319

live is what it immediately gets

159

00:06:08,950 --> 00:06:06,400

recorded so i don't have to worry about

160

00:06:11,029 --> 00:06:08,960

having to render things out

161

00:06:13,430 --> 00:06:11,039

re-upload it back online and whatnot i

162

00:06:15,430 --> 00:06:13,440

figured i could just sit down

163

00:06:17,189 --> 00:06:15,440

jibba jabba give you guys a quick

164

00:06:18,710 --> 00:06:17,199
message and

165

00:06:23,749 --> 00:06:18,720
kind of

166

00:06:23,759 --> 00:06:27,350
let's see who we have here

167

00:06:34,550 --> 00:06:30,150
uh juwan juan

168

00:06:35,909 --> 00:06:34,560
uh how are you doing stacy how are you

169

00:06:37,510 --> 00:06:35,919
uh christy

170

00:06:39,350 --> 00:06:37,520
oh no

171

00:06:41,670 --> 00:06:39,360
was just telling my friend how much you

172

00:06:43,830 --> 00:06:41,680
love your open lines i understand come

173

00:06:45,670 --> 00:06:43,840
back soon miss you already yeah no it's

174

00:06:48,550 --> 00:06:45,680
i'm definitely not um

175

00:06:50,150 --> 00:06:48,560
it's not gonna be over with i'm

176
00:06:51,670 --> 00:06:50,160
going to continue open lines and then

177
00:06:53,510 --> 00:06:51,680
doing interviews

178
00:06:55,350 --> 00:06:53,520
in a way that's a lot more content that

179
00:06:57,350 --> 00:06:55,360
i've been putting out before before i

180
00:06:59,670 --> 00:06:57,360
would um pretty much

181
00:07:02,710 --> 00:06:59,680
i would only manage to scrunch enough

182
00:07:04,950 --> 00:07:02,720
money and and really organize

183
00:07:06,550 --> 00:07:04,960
one big trip which was usually the ozark

184
00:07:09,350 --> 00:07:06,560
mountain um

185
00:07:11,830 --> 00:07:09,360
ufo conference uh in april and so i

186
00:07:13,670 --> 00:07:11,840
would schedule then all the interviews

187
00:07:16,710 --> 00:07:13,680
uh during those three days and then i

188
00:07:19,110 --> 00:07:16,720

would record them all and then edit them

189

00:07:21,110 --> 00:07:19,120

and periodically release them and so

190

00:07:22,390 --> 00:07:21,120

that would pretty much be the

191

00:07:26,309 --> 00:07:22,400

the

192

00:07:27,670 --> 00:07:26,319

people happen to be able to do an

193

00:07:30,070 --> 00:07:27,680

interview

194

00:07:32,150 --> 00:07:30,080

um that's how many i would put together

195

00:07:34,150 --> 00:07:32,160

and that's what i put out pretty much

196

00:07:36,629 --> 00:07:34,160

until next year again and those were the

197

00:07:38,629 --> 00:07:36,639

interviews that most of you saw was just

198

00:07:39,589 --> 00:07:38,639

the person sitting

199

00:07:43,029 --> 00:07:39,599

in this

200

00:07:45,670 --> 00:07:43,039

dark void with just a you know two angle

201
00:07:48,150 --> 00:07:45,680
camera on them with some lighting and uh

202
00:07:50,469 --> 00:07:48,160
just them basically sharing the story

203
00:07:52,230 --> 00:07:50,479
and so anyway by doing this

204
00:07:54,550 --> 00:07:52,240
there's definitely a lot more for those

205
00:07:57,189 --> 00:07:54,560
of you who are you know looking for for

206
00:07:59,029 --> 00:07:57,199
more of i guess on the entertainment end

207
00:08:01,110 --> 00:07:59,039
but i

208
00:08:03,749 --> 00:08:01,120
i always urge you to not look at it in

209
00:08:04,950 --> 00:08:03,759
those terms i know and i understand

210
00:08:07,990 --> 00:08:04,960
because i i

211
00:08:10,309 --> 00:08:08,000
sometimes look for some information that

212
00:08:12,309 --> 00:08:10,319
i find intriguing that maybe motivates

213
00:08:13,510 --> 00:08:12,319

me or whatnot so i understand that

214

00:08:15,430 --> 00:08:13,520

feeling but

215

00:08:17,749 --> 00:08:15,440

know that all kinds of work that you do

216

00:08:21,110 --> 00:08:17,759

is always you know starts with you and

217

00:08:23,589 --> 00:08:21,120

ends with you uh whether it would be

218

00:08:25,909 --> 00:08:23,599

an understanding of

219

00:08:27,830 --> 00:08:25,919

of et contact better

220

00:08:29,830 --> 00:08:27,840

wanting to make contact yourself

221

00:08:33,269 --> 00:08:29,840

whatever that would be it requires a lot

222

00:08:35,190 --> 00:08:33,279

of work and it's all that boring and

223

00:08:37,430 --> 00:08:35,200

tedious work that most people don't have

224

00:08:39,190 --> 00:08:37,440

the patience for which is always just

225

00:08:41,430 --> 00:08:39,200

self-reflection self-reflection

226

00:08:43,190 --> 00:08:41,440

self-reflection you know why did this

227

00:08:44,870 --> 00:08:43,200

happen you know is it going to happen

228

00:08:45,990 --> 00:08:44,880

again all these things just reflecting

229

00:08:47,910 --> 00:08:46,000

back to you

230

00:08:50,870 --> 00:08:47,920

telling yourself this

231

00:08:53,509 --> 00:08:50,880

this story of exploration that then

232

00:08:57,350 --> 00:08:53,519

slowly but surely you get to a point to

233

00:08:59,190 --> 00:08:57,360

where you're at peace and you find

234

00:09:01,590 --> 00:08:59,200

find it that it's

235

00:09:03,829 --> 00:09:01,600

not so much um you know it's not a

236

00:09:05,509 --> 00:09:03,839

urgent thing anymore like it used to be

237

00:09:07,509 --> 00:09:05,519

to have to have

238

00:09:10,230 --> 00:09:07,519

uh contact to understand that everything

239

00:09:11,509 --> 00:09:10,240

in this universe is about you and how

240

00:09:13,110 --> 00:09:11,519

you go about

241

00:09:16,710 --> 00:09:13,120

um

242

00:09:20,310 --> 00:09:16,720

living out the life as this one aspect

243

00:09:23,430 --> 00:09:20,320

of god that you all are and um

244

00:09:25,750 --> 00:09:23,440

it's basically just you come into terms

245

00:09:27,670 --> 00:09:25,760

and recognition of that and so whatever

246

00:09:29,110 --> 00:09:27,680

else is happening out there is just

247

00:09:33,190 --> 00:09:29,120

simply

248

00:09:35,750 --> 00:09:33,200

you're playing a game and the game is is

249

00:09:39,430 --> 00:09:35,760

a game that has consequences

250

00:09:42,389 --> 00:09:39,440

bane death love joy fear

251
00:09:43,190 --> 00:09:42,399
you name it and so and most of us played

252
00:09:45,590 --> 00:09:43,200
well

253
00:09:46,949 --> 00:09:45,600
and we play it until

254
00:09:49,829 --> 00:09:46,959
i guess there's nothing else to be

255
00:09:52,150 --> 00:09:49,839
played out and then you know we leave we

256
00:09:54,550 --> 00:09:52,160
leave the stages as uh

257
00:09:57,030 --> 00:09:54,560
just to paraphrase paraphrase i believe

258
00:09:58,870 --> 00:09:57,040
macbeth from you know from shakespeare

259
00:10:00,230 --> 00:09:58,880
and um

260
00:10:01,910 --> 00:10:00,240
so anyway

261
00:10:04,790 --> 00:10:01,920
whatever is happening

262
00:10:06,949 --> 00:10:04,800
it's an exciting thing you know and

263
00:10:08,470 --> 00:10:06,959

it can be you know all these emotions

264

00:10:10,630 --> 00:10:08,480

that i just mentioned but just always

265

00:10:11,829 --> 00:10:10,640

keep that in mind that you know you are

266

00:10:14,150 --> 00:10:11,839

here to

267

00:10:16,470 --> 00:10:14,160

to play this game and play the game as

268

00:10:17,350 --> 00:10:16,480

the individuals that you are you know

269

00:10:22,150 --> 00:10:17,360

that

270

00:10:23,990 --> 00:10:22,160

as stacy as christie as isa as joanna

271

00:10:26,389 --> 00:10:24,000

you know and everyone else

272

00:10:28,069 --> 00:10:26,399

uh that's still that's in the chat and

273

00:10:29,350 --> 00:10:28,079

anyone else that would be watching this

274

00:10:30,949 --> 00:10:29,360

in the future

275

00:10:33,910 --> 00:10:30,959

you're playing that game as that

276

00:10:35,430 --> 00:10:33,920

individual aspect of god and so

277

00:10:37,590 --> 00:10:35,440

you know just

278

00:10:39,829 --> 00:10:37,600

go about whatever excites you the most

279

00:10:41,670 --> 00:10:39,839

because it's that excitement that best

280

00:10:43,110 --> 00:10:41,680

represents of who you are

281

00:10:44,630 --> 00:10:43,120

and um

282

00:10:47,430 --> 00:10:44,640

that's the only thing that i can really

283

00:10:49,430 --> 00:10:47,440

recommend to you that would be simple

284

00:10:51,750 --> 00:10:49,440

simple to do a simple steps that you can

285

00:10:54,470 --> 00:10:51,760

take to move forward and go about

286

00:10:56,150 --> 00:10:54,480

um learning go about life in general and

287

00:10:57,590 --> 00:10:56,160

so you'll attract all the information

288

00:10:59,269 --> 00:10:57,600

you need to know and you don't always

289

00:11:02,230 --> 00:10:59,279

have to be

290

00:11:04,870 --> 00:11:02,240

kind of be in the dark that oh no you're

291

00:11:06,310 --> 00:11:04,880

missing out oh no you don't know what's

292

00:11:08,150 --> 00:11:06,320

going to happen you don't know if you're

293

00:11:10,389 --> 00:11:08,160

going to be safe you know all these

294

00:11:13,350 --> 00:11:10,399

things that that we always tend to

295

00:11:15,509 --> 00:11:13,360

go more on to the the fierce aspect of

296

00:11:17,350 --> 00:11:15,519

things so

297

00:11:20,470 --> 00:11:17,360

just just kind of relax

298

00:11:22,630 --> 00:11:20,480

you know do do the things that you as

299

00:11:23,829 --> 00:11:22,640

thin as the individual being that you

300

00:11:26,389 --> 00:11:23,839

are would do

301
00:11:29,190 --> 00:11:26,399
what best represents you and

302
00:11:31,030 --> 00:11:29,200
um you will you will never be wrong in

303
00:11:34,150 --> 00:11:31,040
that way you know you will always

304
00:11:36,389 --> 00:11:34,160
attract exactly who you need to attract

305
00:11:38,630 --> 00:11:36,399
be exactly at the right time at the

306
00:11:39,670 --> 00:11:38,640
right place and so

307
00:11:42,550 --> 00:11:39,680
um

308
00:11:43,910 --> 00:11:42,560
you know don't don't let the the ego

309
00:11:46,389 --> 00:11:43,920
mind

310
00:11:48,150 --> 00:11:46,399
you know trying to pre-plan everything

311
00:11:50,710 --> 00:11:48,160
you know because it's the dumbest part

312
00:11:53,190 --> 00:11:50,720
of of the whole being that we are you

313
00:11:54,870 --> 00:11:53,200

know and it's this part that's

314

00:11:57,350 --> 00:11:54,880

supposed to you know help you and keep

315

00:11:59,590 --> 00:11:57,360

you here in this reality and be a be a

316

00:12:01,590 --> 00:11:59,600

powerful tool but it doesn't know

317

00:12:03,829 --> 00:12:01,600

everything you know and that's when you

318

00:12:06,230 --> 00:12:03,839

need to pretty much go from here to here

319

00:12:08,629 --> 00:12:06,240

and just kind of you know feel feel the

320

00:12:11,910 --> 00:12:08,639

situation wherever you might be whatever

321

00:12:17,990 --> 00:12:14,069

you know relationship wise

322

00:12:19,430 --> 00:12:18,000

in in every other aspect of your life so

323

00:12:21,190 --> 00:12:19,440

that's i guess

324

00:12:24,069 --> 00:12:21,200

in short that i just want to leave you

325

00:12:25,590 --> 00:12:24,079

all with so no worries i'll still be

326

00:12:28,550 --> 00:12:25,600

here you know

327

00:12:30,389 --> 00:12:28,560

november 5th and i'm hoping to you know

328

00:12:32,069 --> 00:12:30,399

start out strong there's an interview

329

00:12:33,509 --> 00:12:32,079

that i wanted to do and i don't want to

330

00:12:36,150 --> 00:12:33,519

say anything yet because in case

331

00:12:38,790 --> 00:12:36,160

something changes but um it's someone

332

00:12:40,870 --> 00:12:38,800

who i respect very much and he's he's

333

00:12:43,110 --> 00:12:40,880

been at this for quite a long time so

334

00:12:45,430 --> 00:12:43,120

i'm looking forward to talking to him

335

00:12:47,509 --> 00:12:45,440

hopefully some of you will log in and

336

00:12:49,590 --> 00:12:47,519

get to ask your own questions and you

337

00:12:52,069 --> 00:12:49,600

know hopefully find find some answers

338

00:12:54,150 --> 00:12:52,079

you're looking for but

339

00:12:56,470 --> 00:12:54,160

you know there's there's plenty still on

340

00:12:59,110 --> 00:12:56,480

ufo hobbies i've always said there's

341

00:13:01,110 --> 00:12:59,120

enough videos uh more than enough for

342

00:13:03,829 --> 00:13:01,120

you to understand

343

00:13:06,470 --> 00:13:03,839

what this general game is about

344

00:13:07,350 --> 00:13:06,480

why we are all here and

345

00:13:10,230 --> 00:13:07,360

and

346

00:13:11,030 --> 00:13:10,240

uh to give you at least an inkling

347

00:13:13,750 --> 00:13:11,040

how

348

00:13:15,910 --> 00:13:13,760

you know if you really need that that

349

00:13:16,870 --> 00:13:15,920

that ego step you know one two three

350

00:13:19,350 --> 00:13:16,880

step

351
00:13:21,269 --> 00:13:19,360
how to go about doing what you need to

352
00:13:23,269 --> 00:13:21,279
do and so

353
00:13:24,870 --> 00:13:23,279
just because the video is older it

354
00:13:27,110 --> 00:13:24,880
doesn't mean that it's

355
00:13:30,949 --> 00:13:27,120
outdated or the the information is not

356
00:13:32,069 --> 00:13:30,959
accurate so i hope you check it out and

357
00:13:33,670 --> 00:13:32,079
as always

358
00:13:35,910 --> 00:13:33,680
if you like it or don't like it either

359
00:13:38,790 --> 00:13:35,920
way i hope you you know hit hit those

360
00:13:41,030 --> 00:13:38,800
buttons and just trigger the youtube

361
00:13:43,110 --> 00:13:41,040
youtube algorithm some to

362
00:13:45,590 --> 00:13:43,120
let it know that there's something here

363
00:13:47,750 --> 00:13:45,600

that others are interested in and uh

364

00:13:49,910 --> 00:13:47,760

that helps with at least

365

00:13:52,389 --> 00:13:49,920

for youtube as you all know i've been

366

00:13:54,550 --> 00:13:52,399

looking to expand different um to

367

00:13:56,069 --> 00:13:54,560

different platforms i've also been

368

00:13:59,110 --> 00:13:56,079

considering

369

00:14:00,550 --> 00:13:59,120

uh doing maybe like a two-parter

370

00:14:02,310 --> 00:14:00,560

i don't know how well it will go because

371

00:14:04,629 --> 00:14:02,320

there will also require some more work

372

00:14:05,509 --> 00:14:04,639

and testing but what i'm thinking about

373

00:14:07,990 --> 00:14:05,519

to do

374

00:14:09,670 --> 00:14:08,000

one aspect of the interview on youtube

375

00:14:12,550 --> 00:14:09,680

and then

376

00:14:14,550 --> 00:14:12,560

finish that up on youtube and it's also

377

00:14:16,710 --> 00:14:14,560

simultaneously

378

00:14:18,790 --> 00:14:16,720

going on on twitch and so then i would

379

00:14:20,790 --> 00:14:18,800

finish on youtube and continue and

380

00:14:23,509 --> 00:14:20,800

twitch with more

381

00:14:25,829 --> 00:14:23,519

i guess unrestricted uncensored

382

00:14:26,629 --> 00:14:25,839

uh content because

383

00:14:28,790 --> 00:14:26,639

um

384

00:14:29,990 --> 00:14:28,800

there's been quite a few channels lately

385

00:14:32,310 --> 00:14:30,000

then that

386

00:14:34,230 --> 00:14:32,320

have been having issues with youtube and

387

00:14:35,910 --> 00:14:34,240

so now you

388

00:14:38,470 --> 00:14:35,920

they're really cracking down they're

389

00:14:40,870 --> 00:14:38,480

cracking down a lot on anything else

390

00:14:42,710 --> 00:14:40,880

that you might say you know that they

391

00:14:45,269 --> 00:14:42,720

don't they don't agree with and i think

392

00:14:47,350 --> 00:14:45,279

you guys can connect the dots and figure

393

00:14:49,590 --> 00:14:47,360

out what those are but

394

00:14:52,389 --> 00:14:49,600

as far as i know

395

00:14:54,870 --> 00:14:52,399

a lot of the different channels

396

00:14:57,910 --> 00:14:54,880

that i know and respect have switched to

397

00:14:59,350 --> 00:14:57,920

twitch and they can just talk openly you

398

00:15:01,509 --> 00:14:59,360

know and about

399

00:15:04,150 --> 00:15:01,519

you know not have to censor themselves

400

00:15:06,629 --> 00:15:04,160

and use code words and any of the other

401
00:15:09,269 --> 00:15:06,639
things that you know

402
00:15:10,790 --> 00:15:09,279
they're having to do but yet you know

403
00:15:12,550 --> 00:15:10,800
we're supposed to believe that we're

404
00:15:14,949 --> 00:15:12,560
living in a free society

405
00:15:17,829 --> 00:15:14,959
you know and yes i understand youtube is

406
00:15:20,230 --> 00:15:17,839
a private company but it's funny how as

407
00:15:22,310 --> 00:15:20,240
a private company they use the

408
00:15:25,269 --> 00:15:22,320
all the powers of the constitution to

409
00:15:26,470 --> 00:15:25,279
create a platform and have that

410
00:15:28,069 --> 00:15:26,480
power to

411
00:15:30,550 --> 00:15:28,079
make it theirs in the way they want to

412
00:15:33,350 --> 00:15:30,560
make it but yet then they turn on those

413
00:15:35,910 --> 00:15:33,360

very principles that allow them to build

414

00:15:37,910 --> 00:15:35,920

up the platform for what it is uh to

415

00:15:41,829 --> 00:15:37,920

turn on those principles and going

416

00:15:43,590 --> 00:15:41,839

against them and so um

417

00:15:46,150 --> 00:15:43,600

so that's something i was thinking about

418

00:15:48,150 --> 00:15:46,160

i'm not i've seen it done before i'm not

419

00:15:50,150 --> 00:15:48,160

quite sure how it would work

420

00:15:53,189 --> 00:15:50,160

so i would um

421

00:15:55,350 --> 00:15:53,199

i would do some some tests and obviously

422

00:15:58,310 --> 00:15:55,360

figure it out before i start doing that

423

00:15:59,749 --> 00:15:58,320

but um i'm encouraging you highly to uh

424

00:16:01,990 --> 00:15:59,759

check out i have the links in the

425

00:16:04,150 --> 00:16:02,000

description below i have the the twitch

426

00:16:07,509 --> 00:16:04,160

link i have the rumble link

427

00:16:10,710 --> 00:16:07,519

and then the podcast link and at least

428

00:16:13,590 --> 00:16:10,720

on rumble and the podcast um hopefully

429

00:16:16,470 --> 00:16:13,600

soon i will be putting up more of the

430

00:16:18,310 --> 00:16:16,480

the interviews that i've had podcast uh

431

00:16:22,710 --> 00:16:18,320

the voice version and then of course on

432

00:16:25,990 --> 00:16:22,720

rumble uh the the video version and so

433

00:16:28,389 --> 00:16:26,000

and just building that up more because

434

00:16:31,430 --> 00:16:28,399

sooner or later they're gonna

435

00:16:33,350 --> 00:16:31,440

because the thing is in order to truly

436

00:16:35,189 --> 00:16:33,360

you know i think jordan peterson said it

437

00:16:36,870 --> 00:16:35,199

you know best in order

438

00:16:40,230 --> 00:16:36,880

in order to think

439

00:16:41,189 --> 00:16:40,240

you have to risk of offending someone

440

00:16:43,110 --> 00:16:41,199

and

441

00:16:45,430 --> 00:16:43,120

you know only when you truly are

442

00:16:47,350 --> 00:16:45,440

thinking and having a open dialogue

443

00:16:49,910 --> 00:16:47,360

about certain things

444

00:16:51,509 --> 00:16:49,920

only then can both sides really know

445

00:16:53,749 --> 00:16:51,519

what's on the table what we're talking

446

00:16:55,749 --> 00:16:53,759

about and then come together to a to a

447

00:16:57,910 --> 00:16:55,759

conclusion right whatever the subject

448

00:16:59,910 --> 00:16:57,920

happened to be and so if you constantly

449

00:17:02,310 --> 00:16:59,920

have to censor yourself and guess and

450

00:17:04,309 --> 00:17:02,320

let the person figure out what your you

451
00:17:05,590 --> 00:17:04,319
know what your code words are and so on

452
00:17:07,510 --> 00:17:05,600
it takes away from that open

453
00:17:09,990 --> 00:17:07,520
conversation for it to you know just

454
00:17:11,750 --> 00:17:10,000
flow freely and not have to always watch

455
00:17:13,990 --> 00:17:11,760
yourself what you're saying

456
00:17:15,829 --> 00:17:14,000
and so

457
00:17:18,309 --> 00:17:15,839
i mean it would be unfortunate because

458
00:17:21,189 --> 00:17:18,319
of simply all the work that i've done is

459
00:17:22,870 --> 00:17:21,199
something happens to where they finally

460
00:17:25,110 --> 00:17:22,880
had enough and don't like it and pull

461
00:17:27,350 --> 00:17:25,120
the channel i don't have another backup

462
00:17:29,990 --> 00:17:27,360
channel on on youtube

463
00:17:32,789 --> 00:17:30,000

but i'm hoping that um

464

00:17:34,710 --> 00:17:32,799

twitch would be that platform and then

465

00:17:37,110 --> 00:17:34,720

if and when i can ever achieve on that

466

00:17:39,990 --> 00:17:37,120

level on rumble to also be able to

467

00:17:41,190 --> 00:17:40,000

stream on twitch and rumble and so that

468

00:17:41,909 --> 00:17:41,200

way

469

00:17:43,830 --> 00:17:41,919

well

470

00:17:46,230 --> 00:17:43,840

what i set out to do

471

00:17:48,950 --> 00:17:46,240

um you know a long time ago eight plus

472

00:17:50,789 --> 00:17:48,960

years ago uh it will not end but just

473

00:17:53,669 --> 00:17:50,799

transform on different platforms and

474

00:17:55,990 --> 00:17:53,679

keep going and so

475

00:17:56,950 --> 00:17:56,000

because that's the that's the the part

476

00:17:58,470 --> 00:17:56,960

that's

477

00:18:00,070 --> 00:17:58,480

that i'm

478

00:18:03,110 --> 00:18:00,080

i guess you can say maybe preparing

479

00:18:05,029 --> 00:18:03,120

myself about so that when they do

480

00:18:07,350 --> 00:18:05,039

you know finally said okay well the

481

00:18:09,190 --> 00:18:07,360

algorithm picked this up and then they

482

00:18:11,830 --> 00:18:09,200

always do everything retroactively right

483

00:18:13,909 --> 00:18:11,840

when you're not on their radar um

484

00:18:15,830 --> 00:18:13,919

you can pretty much keep posting but

485

00:18:18,070 --> 00:18:15,840

then if something happens something is

486

00:18:19,190 --> 00:18:18,080

said that triggers the algorithm

487

00:18:21,510 --> 00:18:19,200

then they

488

00:18:23,669 --> 00:18:21,520

kind of almost scan your entire channel

489

00:18:26,150 --> 00:18:23,679

and then even go back for years and say

490

00:18:28,390 --> 00:18:26,160

aha we found a video that we don't agree

491

00:18:30,470 --> 00:18:28,400

with or it's not part of our policy

492

00:18:32,070 --> 00:18:30,480

and find any reason to either

493

00:18:35,590 --> 00:18:32,080

take down the video or take down the

494

00:18:38,070 --> 00:18:35,600

entire channel which is also very

495

00:18:40,470 --> 00:18:38,080

you know dishonest way because all these

496

00:18:43,190 --> 00:18:40,480

different videos were created under the

497

00:18:44,390 --> 00:18:43,200

policies that they had at that time

498

00:18:46,630 --> 00:18:44,400

and so

499

00:18:48,950 --> 00:18:46,640

if they change their policy

500

00:18:51,590 --> 00:18:48,960

it's you cannot go back and judge

501
00:18:54,070 --> 00:18:51,600
something that was done under entirely

502
00:18:56,310 --> 00:18:54,080
different rules but yet in their

503
00:18:58,950 --> 00:18:56,320
dishonest way that kind of makes sense

504
00:19:02,310 --> 00:18:58,960
to them so then they retroactively go

505
00:19:04,630 --> 00:19:02,320
from whatever your latest offense was

506
00:19:07,270 --> 00:19:04,640
they go all the way back and just find

507
00:19:09,270 --> 00:19:07,280
whatever it is that they can use

508
00:19:10,789 --> 00:19:09,280
basically against you and then use it as

509
00:19:12,630 --> 00:19:10,799
an example to

510
00:19:14,710 --> 00:19:12,640
take down the channel or just or just

511
00:19:16,070 --> 00:19:14,720
the video and so

512
00:19:18,549 --> 00:19:16,080
that's something that you put youtube

513
00:19:21,029 --> 00:19:18,559

has been doing for a while and

514

00:19:22,390 --> 00:19:21,039

you know it's it's um

515

00:19:24,870 --> 00:19:22,400

i don't know

516

00:19:26,470 --> 00:19:24,880

i've been supporting them and and and my

517

00:19:28,870 --> 00:19:26,480

family generally has been supporting

518

00:19:31,029 --> 00:19:28,880

this channel since the beginning so it's

519

00:19:34,230 --> 00:19:31,039

not like there's this you know great

520

00:19:36,150 --> 00:19:34,240

wealth on youtube you know and um

521

00:19:39,110 --> 00:19:36,160

um i mean

522

00:19:41,350 --> 00:19:39,120

however much they pay out per month uh i

523

00:19:44,150 --> 00:19:41,360

spend most of time on the whole family

524

00:19:47,190 --> 00:19:44,160

going out for dinner you know and so

525

00:19:49,350 --> 00:19:47,200

um it's not that much of a big loss the

526

00:19:51,430 --> 00:19:49,360

only loss would be

527

00:19:52,390 --> 00:19:51,440

the people that want to know the certain

528

00:19:53,990 --> 00:19:52,400

information

529

00:19:56,310 --> 00:19:54,000

and i'm hoping that

530

00:19:58,950 --> 00:19:56,320

they are also willing enough even though

531

00:20:02,390 --> 00:19:58,960

they're in this comfortable spot to

532

00:20:05,110 --> 00:20:02,400

preemptively branch out and check out

533

00:20:07,110 --> 00:20:05,120

twitch which is my case and

534

00:20:08,870 --> 00:20:07,120

and rumble of course there's some other

535

00:20:10,789 --> 00:20:08,880

platforms but i have to just concentrate

536

00:20:13,270 --> 00:20:10,799

on those very few that i've researched

537

00:20:15,990 --> 00:20:13,280

and found to be you know good enough to

538

00:20:18,950 --> 00:20:16,000

what i'm doing and and it's basically

539

00:20:21,350 --> 00:20:18,960

the ones that don't censor the ones that

540

00:20:22,630 --> 00:20:21,360

don't go back on their words yet

541

00:20:24,630 --> 00:20:22,640

so

542

00:20:26,230 --> 00:20:24,640

because youtube at one point was great

543

00:20:27,430 --> 00:20:26,240

and then we all have seen what what's

544

00:20:31,190 --> 00:20:27,440

been happening

545

00:20:34,870 --> 00:20:32,710

um

546

00:20:37,270 --> 00:20:34,880

yeah i think that's pretty much it so i

547

00:20:38,149 --> 00:20:37,280

just wanted to to come on tell you all

548

00:20:39,510 --> 00:20:38,159

this

549

00:20:41,110 --> 00:20:39,520

um

550

00:20:43,669 --> 00:20:41,120

let me see

551

00:20:45,029 --> 00:20:43,679

what you guys got going on in chat

552

00:20:48,070 --> 00:20:45,039

um

553

00:20:49,830 --> 00:20:48,080

isis said it's important to have a

554

00:20:52,390 --> 00:20:49,840

quarter two for

555

00:20:55,270 --> 00:20:52,400

cold country winters yes for sure

556

00:20:57,750 --> 00:20:55,280

and adrena says you very much appreciate

557

00:20:59,830 --> 00:20:57,760

a look after yourself and your family

558

00:21:00,789 --> 00:20:59,840

well i mean at the same time i hope you

559

00:21:02,630 --> 00:21:00,799

guys

560

00:21:05,590 --> 00:21:02,640

you know take care of yourselves too

561

00:21:07,430 --> 00:21:05,600

especially in australia i mean um

562

00:21:09,029 --> 00:21:07,440

at least for what i've seen

563

00:21:11,110 --> 00:21:09,039

it's not looking good but i hope

564

00:21:14,230 --> 00:21:11,120

wherever you are that you are safe and

565

00:21:16,549 --> 00:21:14,240

comfortable you know and and not

566

00:21:18,470 --> 00:21:16,559

i guess not in this hectic place that's

567

00:21:21,270 --> 00:21:18,480

at least represented by some of the

568

00:21:22,870 --> 00:21:21,280

videos that get make their way to the

569

00:21:24,070 --> 00:21:22,880

united states and the rest of the world

570

00:21:25,830 --> 00:21:24,080

because

571

00:21:27,830 --> 00:21:25,840

all of australia from

572

00:21:30,230 --> 00:21:27,840

from our outside perspective looks like

573

00:21:32,950 --> 00:21:30,240

a huge prison right now so i'm hoping

574

00:21:37,270 --> 00:21:32,960

that you are safe and and uh wherever

575

00:21:40,549 --> 00:21:39,350

as uh prepare for your family for the

576
00:21:42,230 --> 00:21:40,559
winter

577
00:21:43,430 --> 00:21:42,240
yeah i know for sure especially for the

578
00:21:44,710 --> 00:21:43,440
little one

579
00:21:49,750 --> 00:21:44,720
um

580
00:21:55,029 --> 00:21:51,990
tin foil said i think most of us

581
00:21:57,190 --> 00:21:55,039
are feeling that urge to

582
00:21:58,390 --> 00:21:57,200
get

583
00:22:02,789 --> 00:21:58,400
them

584
00:22:04,630 --> 00:22:02,799
misspelled something i don't i'm not

585
00:22:06,870 --> 00:22:04,640
quite sure what you mean

586
00:22:10,710 --> 00:22:06,880
uh ruben says the open lines reminds me

587
00:22:14,149 --> 00:22:10,720
of dolores cannon at a physical hour

588
00:22:16,710 --> 00:22:14,159

uh yeah yeah it's um

589

00:22:19,590 --> 00:22:16,720

yeah a lot of the the

590

00:22:22,789 --> 00:22:19,600

yeah metaphysical hours that she had

591

00:22:25,350 --> 00:22:22,799

recorded all the way up till 2014

592

00:22:28,310 --> 00:22:25,360

i've been editing and posting them on

593

00:22:30,710 --> 00:22:28,320

the channel because um that's my day job

594

00:22:33,830 --> 00:22:30,720

working at ozark mountain publishing so

595

00:22:36,310 --> 00:22:33,840

i'm very much involved in that aspect so

596

00:22:39,190 --> 00:22:36,320

anything that you see graphic wise uh

597

00:22:42,070 --> 00:22:39,200

edit video wise all of that is basically

598

00:22:44,230 --> 00:22:42,080

just dying by me and so um i'm very

599

00:22:47,190 --> 00:22:44,240

proud of it and i say it with pride

600

00:22:49,190 --> 00:22:47,200

because um

601
00:22:51,029 --> 00:22:49,200
it just so happened it just worked out

602
00:22:53,350 --> 00:22:51,039
perfectly for where

603
00:22:55,750 --> 00:22:53,360
we all live which is very much deep in

604
00:22:57,830 --> 00:22:55,760
into in the woods that not a lot of

605
00:22:59,510 --> 00:22:57,840
people would be willing to to travel

606
00:23:02,710 --> 00:22:59,520
from these different cities to different

607
00:23:03,669 --> 00:23:02,720
places uh just to come and and do that

608
00:23:06,230 --> 00:23:03,679
job

609
00:23:08,070 --> 00:23:06,240
and it just so happened that uh um i

610
00:23:10,549 --> 00:23:08,080
happen to be at the right place at the

611
00:23:11,350 --> 00:23:10,559
right time to just offered offer them

612
00:23:15,510 --> 00:23:11,360
all

613
00:23:16,630 --> 00:23:15,520

pictures

614

00:23:18,470 --> 00:23:16,640

editing

615

00:23:20,630 --> 00:23:18,480

video

616

00:23:21,669 --> 00:23:20,640

editing

617

00:23:22,630 --> 00:23:21,679

photos

618

00:23:24,710 --> 00:23:22,640

i.t

619

00:23:28,789 --> 00:23:24,720

fixing computers whatever whatever the

620

00:23:28,799 --> 00:23:31,990

excuse me

621

00:23:37,909 --> 00:23:33,750

she said things taken care of hit the

622

00:23:42,149 --> 00:23:40,070

uh blue omni uh wishing your best while

623

00:23:43,830 --> 00:23:42,159

you take a break

624

00:23:45,669 --> 00:23:43,840

yeah a little break from over here but

625

00:23:47,269 --> 00:23:45,679

i'm gonna miss you guys you know it's um

626
00:23:48,630 --> 00:23:47,279
after a while when you know people keep

627
00:23:50,630 --> 00:23:48,640
coming back and

628
00:23:51,830 --> 00:23:50,640
checking out the different

629
00:23:53,909 --> 00:23:51,840
you know just watching different

630
00:23:56,390 --> 00:23:53,919
interviews or whatnot i get to know

631
00:23:58,789 --> 00:23:56,400
quite a lot of you so it does feel like

632
00:24:00,950 --> 00:23:58,799
i'm constantly coming back to a group of

633
00:24:03,269 --> 00:24:00,960
group of friends and

634
00:24:05,430 --> 00:24:03,279
just always look forward to seeing all

635
00:24:07,269 --> 00:24:05,440
of you again and um

636
00:24:08,230 --> 00:24:07,279
at least that's the effect it has on me

637
00:24:10,470 --> 00:24:08,240
because

638
00:24:11,669 --> 00:24:10,480

my perspective of all of you is

639

00:24:14,950 --> 00:24:11,679

obviously different than your

640

00:24:18,070 --> 00:24:14,960

perspective of me because um i just

641

00:24:20,470 --> 00:24:18,080

unless i get to interview you on skype i

642

00:24:26,310 --> 00:24:20,480

just see you by a username and by voice

643

00:24:30,070 --> 00:24:28,470

label says what you got to do wishing

644

00:24:36,149 --> 00:24:30,080

you well

645

00:24:41,510 --> 00:24:39,669

uh king leo i guess uh whatever the sign

646

00:24:43,909 --> 00:24:41,520

means afterwards that

647

00:24:44,950 --> 00:24:43,919

cool or whatever i'm sorry i'm not up to

648

00:24:47,590 --> 00:24:44,960

the

649

00:24:48,710 --> 00:24:47,600

i know it's a it's an older expression

650

00:24:51,110 --> 00:24:48,720

but i guess

651
00:24:53,350 --> 00:24:51,120
i just never happened to use it

652
00:24:55,750 --> 00:24:53,360
maggie

653
00:24:58,470 --> 00:24:55,760
uh says uh this maybe timely you take a

654
00:25:03,029 --> 00:24:59,510
uh

655
00:25:07,110 --> 00:25:03,039
security tim

656
00:25:08,470 --> 00:25:07,120
had that problem but he's back yeah

657
00:25:10,230 --> 00:25:08,480
and uh

658
00:25:20,149 --> 00:25:10,240
crow's sign

659
00:25:23,909 --> 00:25:21,350
uh

660
00:25:26,710 --> 00:25:23,919
probably says if we put all the people

661
00:25:28,470 --> 00:25:26,720
people true witness together then you

662
00:25:31,190 --> 00:25:28,480
would have more proof

663
00:25:33,350 --> 00:25:31,200

of the truth than any government ufo

664

00:25:34,789 --> 00:25:33,360

secrets

665

00:25:36,630 --> 00:25:34,799

um

666

00:25:41,990 --> 00:25:36,640

cross signal says

667

00:25:46,390 --> 00:25:44,549

uh chris says love you were glad to i

668

00:25:48,870 --> 00:25:46,400

found you looking forward catching up

669

00:25:53,510 --> 00:25:48,880

while you take a break

670

00:25:57,909 --> 00:25:55,590

uh so joanna's answer says some parts of

671

00:26:00,549 --> 00:25:57,919

australia extremely extreme like

672

00:26:03,430 --> 00:26:00,559

victoria and as you see it but other

673

00:26:06,390 --> 00:26:03,440

parts are still along the coast is still

674

00:26:10,549 --> 00:26:06,400

fairly free thank you for your kindness

675

00:26:12,390 --> 00:26:10,559

yeah it's you know it's kind of um

676
00:26:14,390 --> 00:26:12,400
you know it's such a weird thing you

677
00:26:17,029 --> 00:26:14,400
know for

678
00:26:18,470 --> 00:26:17,039
for something that

679
00:26:20,149 --> 00:26:18,480
you know you you i think i mentioned

680
00:26:21,510 --> 00:26:20,159
this before you have all these nations

681
00:26:23,590 --> 00:26:21,520
right there they're supposed to be

682
00:26:25,430 --> 00:26:23,600
sovereign individual nations with their

683
00:26:27,029 --> 00:26:25,440
own peoples and laws

684
00:26:30,230 --> 00:26:27,039
but yet in this

685
00:26:33,510 --> 00:26:30,240
almost one world order type way they're

686
00:26:35,750 --> 00:26:33,520
all reacting and doing things

687
00:26:37,909 --> 00:26:35,760
exactly the same way and what's

688
00:26:40,310 --> 00:26:37,919

interesting is that china was the first

689

00:26:43,110 --> 00:26:40,320

one to lock down you know this communist

690

00:26:45,190 --> 00:26:43,120

country that's you know the ideals is

691

00:26:47,990 --> 00:26:45,200

supposed to be oppressive to its people

692

00:26:50,390 --> 00:26:48,000

and and not representative of a republic

693

00:26:52,870 --> 00:26:50,400

right and

694

00:26:56,230 --> 00:26:52,880

you know for some reason all these you

695

00:26:58,310 --> 00:26:56,240

know open societies and and democracies

696

00:26:59,830 --> 00:26:58,320

you know just automatically adapted a

697

00:27:01,510 --> 00:26:59,840

communist technique and said this is

698

00:27:03,669 --> 00:27:01,520

what we're going to do for our all our

699

00:27:04,549 --> 00:27:03,679

nations right it's like it makes no

700

00:27:06,950 --> 00:27:04,559

sense

701

00:27:09,430 --> 00:27:06,960

you know the first time to

702

00:27:11,590 --> 00:27:09,440

really then take approach this as a free

703

00:27:14,149 --> 00:27:11,600

nation and really shine and truly show

704

00:27:16,470 --> 00:27:14,159

how that can be done uh they just looked

705

00:27:18,310 --> 00:27:16,480

at the you know one of the oppressive

706

00:27:20,470 --> 00:27:18,320

nations on this world that says we're

707

00:27:33,669 --> 00:27:20,480

going to do that you know and that makes

708

00:27:36,789 --> 00:27:35,510

pendulum says i watch all your shows

709

00:27:40,470 --> 00:27:36,799

thank you thank you for that i

710

00:27:45,830 --> 00:27:42,149

maggie

711

00:27:49,029 --> 00:27:45,840

i saw mr phoenix uh mufon

712

00:27:52,230 --> 00:27:49,039

uh you helped replace that oh thank you

713

00:27:54,389 --> 00:27:52,240

well i i try um

714

00:27:56,310 --> 00:27:54,399

i don't know how phoenix mufon handles

715

00:27:58,950 --> 00:27:56,320

their stuff but i know the mufon is san

716

00:28:00,870 --> 00:27:58,960

luis missouri mufon day

717

00:28:02,630 --> 00:28:00,880

they always brought in also

718

00:28:05,669 --> 00:28:02,640

part of their meetings wasn't just

719

00:28:07,510 --> 00:28:05,679

chatting amongst each other but also

720

00:28:08,710 --> 00:28:07,520

had bringing in people that were more

721

00:28:09,590 --> 00:28:08,720

open

722

00:28:11,590 --> 00:28:09,600

to

723

00:28:13,909 --> 00:28:11,600

different approaches

724

00:28:17,909 --> 00:28:13,919

to look at

725

00:28:20,149 --> 00:28:17,919

different ways but then after a while it

726

00:28:22,230 --> 00:28:20,159

just kind of reverted back to the just

727

00:28:24,549 --> 00:28:22,240

uh pencil and paper and just nuts and

728

00:28:27,190 --> 00:28:24,559

bolts type way and so i think there was

729

00:28:28,870 --> 00:28:27,200

just uh either a shift or actually a

730

00:28:37,029 --> 00:28:28,880

whole change in leadership i don't know

731

00:28:41,590 --> 00:28:39,350

cross signal says democracy you know

732

00:28:44,310 --> 00:28:41,600

most people that you know

733

00:28:46,549 --> 00:28:44,320

we all say democracy but when you look

734

00:28:48,230 --> 00:28:46,559

up the definition of democracy it's

735

00:28:50,149 --> 00:28:48,240

actually

736

00:28:50,950 --> 00:28:50,159

a mob rule

737

00:28:52,149 --> 00:28:50,960

and

738

00:28:54,470 --> 00:28:52,159

it means

739

00:28:56,710 --> 00:28:54,480

whatever group is the largest gets to

740

00:28:58,710 --> 00:28:56,720

make the rules and if you are in the

741

00:29:01,669 --> 00:28:58,720

minority you basically have no

742

00:29:05,029 --> 00:29:01,679

protections you are at the mercy of of

743

00:29:07,029 --> 00:29:05,039

the mob and that's why

744

00:29:09,430 --> 00:29:07,039

the united states for example and i'm

745

00:29:12,310 --> 00:29:09,440

sorry i don't know much about australia

746

00:29:13,510 --> 00:29:12,320

but it's um it was always a republic

747

00:29:14,470 --> 00:29:13,520

which means

748

00:29:16,950 --> 00:29:14,480

you can

749

00:29:19,750 --> 00:29:16,960

lose an election and being a minority

750

00:29:22,630 --> 00:29:19,760

but you still have a core set of rules

751
00:29:24,950 --> 00:29:22,640
that still apply to you meaning you have

752
00:29:27,750 --> 00:29:24,960
the the right to speak freely you have

753
00:29:30,070 --> 00:29:27,760
the right to bear arms you know um you

754
00:29:31,590 --> 00:29:30,080
know you can't you there needs to be a

755
00:29:33,350 --> 00:29:31,600
plausible cause

756
00:29:34,950 --> 00:29:33,360
for the cops to search you can't just

757
00:29:37,190 --> 00:29:34,960
search your property you know you need

758
00:29:38,789 --> 00:29:37,200
warrants you know you have the right to

759
00:29:40,549 --> 00:29:38,799
not incriminate yourself you know to

760
00:29:42,870 --> 00:29:40,559
plead a fifth you know all the

761
00:29:44,230 --> 00:29:42,880
amendments that were given so that way

762
00:29:47,029 --> 00:29:44,240
even though you are in the minority

763
00:29:48,950 --> 00:29:47,039

you're still protected in a democracy

764

00:29:50,470 --> 00:29:48,960

through democracy you don't have that

765

00:29:52,389 --> 00:29:50,480

and i don't know why people often use

766

00:29:54,789 --> 00:29:52,399

that politicians use it they use it

767

00:29:57,430 --> 00:29:54,799

interchangeably as if that's supposed to

768

00:29:59,350 --> 00:29:57,440

be some kind of a cool thing but in

769

00:30:01,990 --> 00:29:59,360

reality nobody really would want

770

00:30:03,909 --> 00:30:02,000

democracy it just means mob rule you

771

00:30:12,070 --> 00:30:03,919

know whichever group is the biggest

772

00:30:16,230 --> 00:30:14,870

right maggie said you can still

773

00:30:18,070 --> 00:30:16,240

promote your stream on different

774

00:30:20,470 --> 00:30:18,080

channels um

775

00:30:21,750 --> 00:30:20,480

on youtube lots of backup

776

00:30:24,630 --> 00:30:21,760

channels now

777

00:30:25,990 --> 00:30:24,640

right um we'll see but then uh i don't

778

00:30:27,590 --> 00:30:26,000

know if you mean backup channels on

779

00:30:28,549 --> 00:30:27,600

youtube as well i don't want to be

780

00:30:29,590 --> 00:30:28,559

running

781

00:30:31,830 --> 00:30:29,600

um

782

00:30:33,990 --> 00:30:31,840

you know on youtube from channel to

783

00:30:35,990 --> 00:30:34,000

channel and then just wait for the next

784

00:30:38,870 --> 00:30:36,000

takedown uh it would have to be an

785

00:30:41,110 --> 00:30:38,880

entirely separate separate platform and

786

00:30:42,310 --> 00:30:41,120

um

787

00:30:44,549 --> 00:30:42,320

like i said i don't want to keep

788

00:30:48,710 --> 00:30:44,559

repeating myself twitch and rumble seem

789

00:30:52,549 --> 00:30:48,720

to be the ones to to least um

790

00:30:54,870 --> 00:30:52,559

to to at least control and censor people

791

00:30:55,669 --> 00:30:54,880

and plus they have excuse me they have

792

00:30:57,430 --> 00:30:55,679

um

793

00:30:59,669 --> 00:30:57,440

streaming options where odyssey for

794

00:31:02,070 --> 00:30:59,679

example it's also a platform but you can

795

00:31:03,830 --> 00:31:02,080

only upload where rumble they're getting

796

00:31:06,470 --> 00:31:03,840

into the live streaming so i can't wait

797

00:31:07,269 --> 00:31:06,480

till that becomes a bit more uh worked

798

00:31:09,029 --> 00:31:07,279

out

799

00:31:11,909 --> 00:31:09,039

because a lot of these these you know

800

00:31:13,830 --> 00:31:11,919

pages uh people sometimes they they come

801
00:31:16,149 --> 00:31:13,840
come in with a lot of a lot of

802
00:31:17,430 --> 00:31:16,159
expectations because they're so used to

803
00:31:19,350 --> 00:31:17,440
youtube so they want to switch to

804
00:31:21,269 --> 00:31:19,360
something that's exactly like youtube

805
00:31:23,509 --> 00:31:21,279
they forget that youtube had years and

806
00:31:25,750 --> 00:31:23,519
years to build up constantly changing

807
00:31:28,710 --> 00:31:25,760
and evolving and getting it to be

808
00:31:31,590 --> 00:31:28,720
um you know the way to the level that it

809
00:31:33,269 --> 00:31:31,600
is now and so if we invested all time

810
00:31:35,750 --> 00:31:33,279
and money in all these different

811
00:31:38,549 --> 00:31:35,760
platforms they will become that

812
00:31:39,669 --> 00:31:38,559
you know they will be that too and so

813
00:31:41,430 --> 00:31:39,679

um

814

00:31:44,630 --> 00:31:41,440

for example like this stream right here

815

00:31:47,990 --> 00:31:44,640

i'm also uh simultaneously casting on on

816

00:31:50,630 --> 00:31:48,000

twitch and so i find the twitch stream

817

00:31:51,909 --> 00:31:50,640

to be a lot cleaner because um

818

00:31:54,149 --> 00:31:51,919

youtube i don't know whatever they're

819

00:31:57,269 --> 00:31:54,159

doing even while it's live the the

820

00:31:58,549 --> 00:31:57,279

picture's still hazy and grainy well

821

00:32:01,430 --> 00:31:58,559

twitch they

822

00:32:03,430 --> 00:32:01,440

immediately give me the the quality that

823

00:32:05,830 --> 00:32:03,440

i'm sending out it's pretty high signal

824

00:32:08,549 --> 00:32:05,840

high quality i'm sending from here so

825

00:32:10,870 --> 00:32:08,559

they really do do you justice especially

826
00:32:13,110 --> 00:32:10,880
for someone that does put in the time to

827
00:32:14,710 --> 00:32:13,120
put in good audio put out i mean good

828
00:32:27,590 --> 00:32:14,720
audio and good video

829
00:32:31,830 --> 00:32:30,149
okay yeah uh meg says

830
00:32:34,149 --> 00:32:31,840
uh oh yeah a separate channel not

831
00:32:35,990 --> 00:32:34,159
another youtube channel viewers leave as

832
00:32:40,389 --> 00:32:36,000
well

833
00:32:42,310 --> 00:32:40,399
you know i'm not saying like stop using

834
00:32:43,909 --> 00:32:42,320
youtube i mean you you're your own

835
00:32:46,470 --> 00:32:43,919
person you do

836
00:32:49,909 --> 00:32:46,480
i mean to talk about in general

837
00:32:51,110 --> 00:32:49,919
do as you see fit it's just that

838
00:32:55,750 --> 00:32:51,120

when you

839

00:32:57,669 --> 00:32:55,760

then they take it down or seemingly

840

00:33:00,310 --> 00:32:57,679

silly reasons

841

00:33:02,070 --> 00:33:00,320

why would you want to then support them

842

00:33:04,149 --> 00:33:02,080

right why would you want to support them

843

00:33:06,549 --> 00:33:04,159

because now you're getting a very

844

00:33:08,389 --> 00:33:06,559

limited point of view they're basically

845

00:33:10,789 --> 00:33:08,399

turning into the mainstream media to

846

00:33:12,870 --> 00:33:10,799

where now what used to be readily

847

00:33:15,909 --> 00:33:12,880

available on youtube you're only getting

848

00:33:18,230 --> 00:33:15,919

a very small portion and so they always

849

00:33:21,190 --> 00:33:18,240

blame everything on the algorithm as if

850

00:33:23,430 --> 00:33:21,200

somehow an entire youtube is run by ai

851
00:33:25,990 --> 00:33:23,440
you know and that very well may be the

852
00:33:27,509 --> 00:33:26,000
case you know but i'm always i've

853
00:33:29,669 --> 00:33:27,519
written to them several times and i

854
00:33:31,190 --> 00:33:29,679
always bring up the same point it's like

855
00:33:34,630 --> 00:33:31,200
i understand you have the algorithm but

856
00:33:37,430 --> 00:33:34,640
you have a person that instated these

857
00:33:40,070 --> 00:33:37,440
and instituted those rules that now this

858
00:33:42,070 --> 00:33:40,080
this algorithm is acting upon you know

859
00:33:43,750 --> 00:33:42,080
that means you can change those rules to

860
00:33:46,149 --> 00:33:43,760
begin with instead they just have this

861
00:33:48,070 --> 00:33:46,159
fallback answer i'm sorry it was our

862
00:33:49,669 --> 00:33:48,080
algorithm it was nothing here and

863
00:33:52,630 --> 00:33:49,679

there's nothing we can do

864

00:33:53,590 --> 00:33:52,640

i was like so you are run by the borg

865

00:33:55,669 --> 00:33:53,600

you know

866

00:33:57,590 --> 00:33:55,679

it's i mean it's gotten so ridiculous

867

00:34:07,029 --> 00:33:57,600

with some of these answers that they

868

00:34:12,069 --> 00:34:10,389

yeah label 369 says we can twitch and

869

00:34:16,869 --> 00:34:12,079

posting from twitch

870

00:34:23,109 --> 00:34:20,470

yes on youtube can't see it but i have

871

00:34:24,389 --> 00:34:23,119

this is how i get my forms to have get

872

00:34:25,510 --> 00:34:24,399

youtube

873

00:34:27,430 --> 00:34:25,520

and i get

874

00:34:28,310 --> 00:34:27,440

uh

875

00:34:29,990 --> 00:34:28,320

twitch

876

00:34:33,109 --> 00:34:30,000

as well so that's why when sometimes

877

00:34:35,750 --> 00:34:33,119

people leave comments uh while i'm live

878

00:34:43,909 --> 00:34:35,760

on telegram

879

00:34:45,430 --> 00:34:43,919

itself and so i can't see it because

880

00:34:48,470 --> 00:34:45,440

it's all my

881

00:34:51,430 --> 00:34:48,480

the program is taken up an obs

882

00:34:53,909 --> 00:34:51,440

running the the telegram portion the

883

00:34:55,589 --> 00:34:53,919

voice portion and so

884

00:34:57,349 --> 00:34:55,599

um

885

00:34:59,589 --> 00:34:57,359

that's why i just have the screen to

886

00:35:01,190 --> 00:34:59,599

where somebody's on twitch or on youtube

887

00:35:14,550 --> 00:35:01,200

and i get to see what what they're

888

00:35:14,560 --> 00:35:19,190

um

889

00:35:24,390 --> 00:35:22,310

prober probably saying my grandma who

890

00:35:25,510 --> 00:35:24,400

was a very true christian member could

891

00:35:26,790 --> 00:35:25,520

never lie

892

00:35:28,550 --> 00:35:26,800

okay she

893

00:35:31,190 --> 00:35:28,560

had seen

894

00:35:34,790 --> 00:35:31,200

seen before world war ii a huge

895

00:35:36,550 --> 00:35:34,800

uh cylinder ship landing straight down

896

00:35:38,470 --> 00:35:36,560

well i wouldn't be surprised if there's

897

00:35:40,150 --> 00:35:38,480

um there's been a lot of sightings

898

00:35:48,390 --> 00:35:40,160

especially during world war ii and the

899

00:35:52,230 --> 00:35:49,510

okay

900

00:35:53,829 --> 00:35:52,240

all right well um

901
00:35:56,390 --> 00:35:53,839
yeah i didn't i didn't mean for this to

902
00:35:57,270 --> 00:35:56,400
to go on this much longer but i hope you

903
00:35:58,390 --> 00:35:57,280
all

904
00:35:59,349 --> 00:35:58,400
get the picture

905
00:36:01,750 --> 00:35:59,359
and

906
00:36:02,870 --> 00:36:01,760
um i hope you take care of yourself i

907
00:36:04,069 --> 00:36:02,880
truly do

908
00:36:05,910 --> 00:36:04,079
because

909
00:36:09,349 --> 00:36:05,920
wherever you are we all

910
00:36:10,950 --> 00:36:09,359
will be in our own shoes so to say and

911
00:36:15,190 --> 00:36:10,960
whatever

912
00:36:16,790 --> 00:36:15,200
happening differently to to all of us

913
00:36:18,230 --> 00:36:16,800

because we're all in these different

914

00:36:22,550 --> 00:36:18,240

situations so

915

00:36:24,870 --> 00:36:22,560

in either case um i do hope uh you

916

00:36:27,829 --> 00:36:24,880

just take care of yourself your home

917

00:36:30,630 --> 00:36:27,839

your family wherever you are and um

918

00:36:32,630 --> 00:36:30,640

basically then with me taking care of

919

00:36:35,349 --> 00:36:32,640

what i need to and hopefully you do as

920

00:36:37,510 --> 00:36:35,359

well then we can all meet back up

921

00:36:39,349 --> 00:36:37,520

november 5th and

922

00:36:41,750 --> 00:36:39,359

start this back up

923

00:36:44,150 --> 00:36:41,760

bigger and stronger and

924

00:36:46,550 --> 00:36:44,160

more focused and you know

925

00:36:47,670 --> 00:36:46,560

just continue continue doing what we're

926
00:36:49,750 --> 00:36:47,680
doing and

927
00:36:52,150 --> 00:36:49,760
and having fun because i'm certainly i

928
00:36:58,630 --> 00:36:52,160
certainly have a lot of fun and and so i

929
00:37:03,430 --> 00:37:00,630
this is uh labeled

930
00:37:06,230 --> 00:37:03,440
is formally lari by the way okay that's

931
00:37:11,829 --> 00:37:08,550
saying sending you all love see you soon

932
00:37:14,950 --> 00:37:11,839
take care admin thank you blue omni

933
00:37:16,310 --> 00:37:14,960
okay all right well so

934
00:37:18,150 --> 00:37:16,320
november 5th

935
00:37:20,310 --> 00:37:18,160
uh at seven again

936
00:37:22,870 --> 00:37:20,320
uh starting out immediately with an

937
00:37:25,510 --> 00:37:22,880
interview and so

938
00:37:27,829 --> 00:37:25,520

uh if anything comes up that's uh that i

939
