

# UFO HUB

LIVE STREAM

1  
00:00:01,990 --> 00:00:34,950

[Music]

2  
00:00:34,960 --> 00:00:38,420

so

3  
00:00:38,430 --> 00:01:03,110

[Music]

4  
00:01:08,230 --> 00:01:05,350  
hi everyone welcome to the of hub live

5  
00:01:10,230 --> 00:01:08,240  
stream um i've taken a month off and i'm

6  
00:01:13,590 --> 00:01:10,240  
officially back with a wonderful and

7  
00:01:15,590 --> 00:01:13,600  
great guest uh mark pacio and so i'm

8  
00:01:17,270 --> 00:01:15,600  
really considered mark one of our great

9  
00:01:18,710 --> 00:01:17,280  
thinkers of our time and i'm really

10  
00:01:21,830 --> 00:01:18,720  
happy we're able to have this

11  
00:01:24,630 --> 00:01:21,840  
conversation today um as always um we're

12  
00:01:26,550 --> 00:01:24,640  
gonna be doing some q a later on if you

13  
00:01:29,910 --> 00:01:26,560

have some questions i don't want to talk

14

00:01:32,550 --> 00:01:29,920

to mark directly uh join the uh telegram

15

00:01:35,350 --> 00:01:32,560

group it's in the description below and

16

00:01:37,190 --> 00:01:35,360

um also you can uh put your questions

17

00:01:39,510 --> 00:01:37,200

down in the um

18

00:01:41,510 --> 00:01:39,520

the sky would not describe the youtube

19

00:01:43,590 --> 00:01:41,520

chat if you could please use that three

20

00:01:46,310 --> 00:01:43,600

asterisks before your question it'll pop

21

00:01:49,429 --> 00:01:46,320

out a lot easier

22

00:01:50,870 --> 00:01:49,439

to me and so then i can convey to mark

23

00:01:53,270 --> 00:01:50,880

but um

24

00:01:55,990 --> 00:01:53,280

yeah well i guess without any further

25

00:01:57,670 --> 00:01:56,000

ado let me bring in mark and then we can

26

00:02:00,230 --> 00:01:57,680

get started

27

00:02:01,910 --> 00:02:00,240

uh mark welcome thanks for being on

28

00:02:03,190 --> 00:02:01,920

anan thank you so much for inviting me

29

00:02:04,389 --> 00:02:03,200

on to the show it's a pleasure to be

30

00:02:06,950 --> 00:02:04,399

here

31

00:02:08,949 --> 00:02:06,960

well um i'm i'm really happy you know to

32

00:02:10,389 --> 00:02:08,959

talk to you because it's been

33

00:02:13,110 --> 00:02:10,399

what about

34

00:02:16,150 --> 00:02:13,120

uh seven years since i've you know seen

35

00:02:17,589 --> 00:02:16,160

you out yeah a long time right yeah

36

00:02:20,229 --> 00:02:17,599

because we were just talking about it

37

00:02:22,229 --> 00:02:20,239

before the show began um

38

00:02:25,589 --> 00:02:22,239

basically you came into to have a talk

39

00:02:29,030 --> 00:02:25,599  
to streetwise spirituality and um i

40

00:02:30,949 --> 00:02:29,040  
remember uh ray mommy he passed away now

41

00:02:32,309 --> 00:02:30,959  
but he um you know he was just saying

42

00:02:33,830 --> 00:02:32,319  
hey do you want to come and record i'm

43

00:02:35,589 --> 00:02:33,840  
like record what i was like this is

44

00:02:37,589 --> 00:02:35,599  
going to be this great guy talking you

45

00:02:39,670 --> 00:02:37,599  
know if you can you know record it if

46

00:02:42,070 --> 00:02:39,680  
you know am i for what reason for whom

47

00:02:44,229 --> 00:02:42,080  
it's like oh no just record you know and

48

00:02:47,430 --> 00:02:44,239  
anyway long story short it became the

49

00:02:49,430 --> 00:02:47,440  
video that sp street fights spree street

50

00:02:51,509 --> 00:02:49,440  
wide spirituality so

51  
00:02:53,990 --> 00:02:51,519  
yeah it was a great experience there in

52  
00:02:56,150 --> 00:02:54,000  
st louis i met a lot of good people um

53  
00:02:58,710 --> 00:02:56,160  
it's a shame that ray has passed uh you

54  
00:03:01,830 --> 00:02:58,720  
know but uh he was an awesome guy

55  
00:03:03,509 --> 00:03:01,840  
um very active in this community and um

56  
00:03:06,630 --> 00:03:03,519  
you know he invited me out there to do a

57  
00:03:09,110 --> 00:03:06,640  
whole a whole day seminar and i think

58  
00:03:11,190 --> 00:03:09,120  
streetwise spirituality uh has really

59  
00:03:14,790 --> 00:03:11,200  
stood the test of time and has been

60  
00:03:17,509 --> 00:03:14,800  
one of my uh main bodies of work uh to

61  
00:03:20,710 --> 00:03:17,519  
explain you know what awakening really

62  
00:03:24,550 --> 00:03:20,720  
is what a real spirituality is all about

63  
00:03:26,869 --> 00:03:24,560

and um i really um still uh stand proud

64

00:03:29,750 --> 00:03:26,879

of that work and uh it's still uh

65

00:03:31,750 --> 00:03:29,760

reaching a lot of people so uh it was a

66

00:03:33,830 --> 00:03:31,760

time well spent to travel out to st

67

00:03:35,990 --> 00:03:33,840

louis and do that seminar and i'm

68

00:03:38,070 --> 00:03:36,000

thankful for you for recording it and

69

00:03:39,910 --> 00:03:38,080

helping me get it out there to a wide

70

00:03:42,470 --> 00:03:39,920

body of people

71

00:03:45,110 --> 00:03:42,480

oh it's a privilege i was not aware that

72

00:03:47,509 --> 00:03:45,120

your your talks are very very long but

73

00:03:48,869 --> 00:03:47,519

rightfully so because in order to fully

74

00:03:51,030 --> 00:03:48,879

you know convey the information that

75

00:03:52,630 --> 00:03:51,040

you're talking about you have to i i

76

00:03:55,429 --> 00:03:52,640

can't think of any other you know

77

00:03:57,110 --> 00:03:55,439

shorter shorter version unless you start

78

00:03:58,630 --> 00:03:57,120

you know developing uh

79

00:04:00,949 --> 00:03:58,640

you know psychic abilities and just

80

00:04:03,350 --> 00:04:00,959

convey the information in a few seconds

81

00:04:05,990 --> 00:04:03,360

right well i do have some shorter form

82

00:04:09,030 --> 00:04:06,000

uh presentations but they generally just

83

00:04:11,429 --> 00:04:09,040

touch on one or two topics uh sri wise

84

00:04:14,309 --> 00:04:11,439

spirituality obviously went into a uh

85

00:04:17,749 --> 00:04:14,319

you know a huge body of information and

86

00:04:21,110 --> 00:04:17,759

uh dealt with uh what i consider the 20

87

00:04:23,830 --> 00:04:21,120

points or factors of what real spiritual

88

00:04:25,909 --> 00:04:23,840

spiritual awakening actually entails and

89

00:04:27,350 --> 00:04:25,919

looks like in the real world

90

00:04:29,909 --> 00:04:27,360

and that

91

00:04:31,670 --> 00:04:29,919

contrasts uh quite dramatically with

92

00:04:34,390 --> 00:04:31,680

what a lot of people in the quote

93

00:04:37,110 --> 00:04:34,400

unquote spiritual community or new age

94

00:04:39,909 --> 00:04:37,120

community think awakening is uh it's a

95

00:04:41,110 --> 00:04:39,919

huge contrast there so um and it's one

96

00:04:43,510 --> 00:04:41,120

of the things that i kind of want to

97

00:04:45,590 --> 00:04:43,520

build a bridge to that community because

98

00:04:47,189 --> 00:04:45,600

you know you see in the modern world a

99

00:04:48,790 --> 00:04:47,199

lot

100

00:04:51,189 --> 00:04:48,800

excuse me

101  
00:04:52,629 --> 00:04:51,199  
people in the so-called freedom movement

102  
00:04:55,430 --> 00:04:52,639  
that are concerned with the loss of

103  
00:04:57,430 --> 00:04:55,440  
human freedom and uh how uh you know

104  
00:05:00,230 --> 00:04:57,440  
governments and politicians are

105  
00:05:02,390 --> 00:05:00,240  
basically walking all over human rights

106  
00:05:04,629 --> 00:05:02,400  
and uh you you reach out to members of

107  
00:05:06,550 --> 00:05:04,639  
that type of a community and they don't

108  
00:05:09,350 --> 00:05:06,560  
want to hear about uh spirituality and

109  
00:05:12,390 --> 00:05:09,360  
consciousness and then you uh might walk

110  
00:05:15,029 --> 00:05:12,400  
in or you know associate with members of

111  
00:05:17,189 --> 00:05:15,039  
the so-called spiritual community and

112  
00:05:19,590 --> 00:05:17,199  
you talk to them about the

113  
00:05:21,510 --> 00:05:19,600

flagrant violations of rights that are

114

00:05:23,270 --> 00:05:21,520

taking place and how human freedom is

115

00:05:25,029 --> 00:05:23,280

being destroyed and they don't want to

116

00:05:26,629 --> 00:05:25,039

go there they want to say oh that's

117

00:05:29,270 --> 00:05:26,639

negative and you shouldn't talk about it

118

00:05:30,870 --> 00:05:29,280

and we want to stay toward nothing but

119

00:05:33,029 --> 00:05:30,880

positive vibes and talk about

120

00:05:35,029 --> 00:05:33,039

consciousness and it's like we have to

121

00:05:37,350 --> 00:05:35,039

bridge the gap between communities like

122

00:05:39,270 --> 00:05:37,360

that and help them to both understand

123

00:05:40,870 --> 00:05:39,280

both spirituality and freedom are

124

00:05:42,870 --> 00:05:40,880

important and in fact they are really

125

00:05:46,150 --> 00:05:42,880

one and the same

126  
00:05:48,870 --> 00:05:46,160  
because i think at one point uh there's

127  
00:05:51,110 --> 00:05:48,880  
you know spirituality meets action

128  
00:05:53,189 --> 00:05:51,120  
you know and that's the part that a lot

129  
00:05:54,870 --> 00:05:53,199  
of you know people in new age community

130  
00:05:56,710 --> 00:05:54,880  
i think forget about or don't

131  
00:05:58,790 --> 00:05:56,720  
necessarily look at but before we

132  
00:06:02,070 --> 00:05:58,800  
continue i just wanted to also remind

133  
00:06:03,990 --> 00:06:02,080  
everyone else too um as you know or

134  
00:06:05,510 --> 00:06:04,000  
every single guest unless the guest says

135  
00:06:07,590 --> 00:06:05,520  
otherwise i always have all the

136  
00:06:09,749 --> 00:06:07,600  
information available in the description

137  
00:06:11,430 --> 00:06:09,759  
uh mark has a website called what on

138  
00:06:13,110 --> 00:06:11,440

earth is happening is that correct well

139

00:06:15,350 --> 00:06:13,120

what on earth that's correct okay sorry

140

00:06:17,990 --> 00:06:15,360

that's my main website is what on earth

141

00:06:19,990 --> 00:06:18,000

is happening.com okay good deal and

142

00:06:21,189 --> 00:06:20,000

other websites like facebook and

143

00:06:24,390 --> 00:06:21,199

whatever else they're all in the

144

00:06:26,550 --> 00:06:24,400

description so if you have any uh if you

145

00:06:28,629 --> 00:06:26,560

want to contact mark or check out what

146

00:06:31,350 --> 00:06:28,639

else mark has to offer please check it

147

00:06:33,189 --> 00:06:31,360

out and so i always try to

148

00:06:36,070 --> 00:06:33,199

at least obtain that from each guest so

149

00:06:37,909 --> 00:06:36,080

that a lot of you watching can pursue

150

00:06:40,150 --> 00:06:37,919

this after this interview and check out

151

00:06:41,990 --> 00:06:40,160

more information look into it but mark

152

00:06:44,390 --> 00:06:42,000

you probably get sick and tired of this

153

00:06:45,670 --> 00:06:44,400

quite often if you could please just get

154

00:06:48,550 --> 00:06:45,680

a little bit of view background

155

00:06:50,390 --> 00:06:48,560

information and how did you get started

156

00:06:52,150 --> 00:06:50,400

and then i figured then we'll start out

157

00:06:55,510 --> 00:06:52,160

with with the different questions i have

158

00:06:58,469 --> 00:06:55,520

for you to to i guess get going

159

00:07:00,629 --> 00:06:58,479

sure well in my youth uh i was brought

160

00:07:02,629 --> 00:07:00,639

up in a traditional roman catholic

161

00:07:05,909 --> 00:07:02,639

background and

162

00:07:09,189 --> 00:07:05,919

um i became quite religious

163

00:07:12,150 --> 00:07:09,199

in when i was very young and um when i

164

00:07:15,270 --> 00:07:12,160

really went uh deep into exploring you

165

00:07:17,350 --> 00:07:15,280

know some philosophy and looking at uh

166

00:07:19,510 --> 00:07:17,360

whether the religious beliefs that i was

167

00:07:20,710 --> 00:07:19,520

given as a child held up to any scrutiny

168

00:07:23,189 --> 00:07:20,720

i sort of

169

00:07:26,230 --> 00:07:23,199

saw through them and saw them as a form

170

00:07:27,909 --> 00:07:26,240

of a control system that was really

171

00:07:30,309 --> 00:07:27,919

geared to hold people back from the

172

00:07:31,189 --> 00:07:30,319

truth when i asked pertinent questions

173

00:07:33,670 --> 00:07:31,199

about

174

00:07:36,790 --> 00:07:33,680

sociological issues and issues related

175

00:07:38,790 --> 00:07:36,800

to uh what is going on in our world um

176

00:07:40,870 --> 00:07:38,800

the religious answers were all just

177

00:07:42,870 --> 00:07:40,880

faith-based and you know just have faith

178

00:07:45,589 --> 00:07:42,880

that it'll work out in the end and

179

00:07:48,309 --> 00:07:45,599

that didn't satisfy me a bit uh and you

180

00:07:49,510 --> 00:07:48,319

know i was more of a skeptically minded

181

00:07:50,869 --> 00:07:49,520

individual

182

00:07:54,070 --> 00:07:50,879

and um

183

00:07:56,390 --> 00:07:54,080

it started to really like uh foment

184

00:07:59,430 --> 00:07:56,400

hatred inside of me foe meant a lot of

185

00:08:02,230 --> 00:07:59,440

anger you know that was like i'm being

186

00:08:04,150 --> 00:08:02,240

lied to uh and and i'm being lied to for

187

00:08:06,469 --> 00:08:04,160

the purposes of keeping me back from the

188

00:08:08,710 --> 00:08:06,479

truth and controlling my consciousness

189

00:08:10,950 --> 00:08:08,720

and uh you know i didn't have a

190

00:08:13,589 --> 00:08:10,960

framework for understanding religion

191

00:08:15,990 --> 00:08:13,599

back then when i was younger what really

192

00:08:18,390 --> 00:08:16,000

uh why it's put out there to the masses

193

00:08:20,390 --> 00:08:18,400

who does that for what purpose i didn't

194

00:08:22,390 --> 00:08:20,400

understand those things because i didn't

195

00:08:24,390 --> 00:08:22,400

have the level of knowledge that i do

196

00:08:27,110 --> 00:08:24,400

now to put that in perspective

197

00:08:29,350 --> 00:08:27,120

and uh lacking that knowledge um that

198

00:08:31,909 --> 00:08:29,360

that anger and hatred toward organized

199

00:08:33,829 --> 00:08:31,919

religion uh that had i felt like it was

200

00:08:36,230 --> 00:08:33,839

a betrayal on that on behalf of my

201  
00:08:38,070 --> 00:08:36,240  
family members who just you know gave me

202  
00:08:40,709 --> 00:08:38,080  
that belief system and they went along

203  
00:08:43,909 --> 00:08:40,719  
to get along and my teachers and you

204  
00:08:46,630 --> 00:08:43,919  
know uh pastors uh you know priests etc

205  
00:08:49,750 --> 00:08:46,640  
that were in you know my uh childhood

206  
00:08:51,670 --> 00:08:49,760  
uh i just really reeled back from it and

207  
00:08:54,230 --> 00:08:51,680  
really wanted to seek out the exact

208  
00:08:56,389 --> 00:08:54,240  
opposite like i had in this my in my

209  
00:08:57,990 --> 00:08:56,399  
mindset well if this isn't the truth i'm

210  
00:08:59,350 --> 00:08:58,000  
going to go to the exact opposite to

211  
00:09:02,150 --> 00:08:59,360  
find the truth

212  
00:09:04,070 --> 00:09:02,160  
and uh that led me down a path of uh

213  
00:09:05,670 --> 00:09:04,080

looking into and digging deep into the

214

00:09:08,230 --> 00:09:05,680

world of the occult

215

00:09:11,030 --> 00:09:08,240

and when i say the occult of course this

216

00:09:13,750 --> 00:09:11,040

uh simply is a word that means hidden it

217

00:09:16,630 --> 00:09:13,760

comes from the latin verb occultare

218

00:09:18,389 --> 00:09:16,640

which means to hide to conceal to keep

219

00:09:20,310 --> 00:09:18,399

secret and

220

00:09:22,389 --> 00:09:20,320

you know i wanted to delve into the

221

00:09:24,470 --> 00:09:22,399

realm of hidden information and hidden

222

00:09:26,389 --> 00:09:24,480

knowledge and find out what was being

223

00:09:27,590 --> 00:09:26,399

held back from my understanding through

224

00:09:30,470 --> 00:09:27,600

religion

225

00:09:32,949 --> 00:09:30,480

and when i went into this uh you know

226

00:09:35,750 --> 00:09:32,959

whole body of knowledge i we i wanted to

227

00:09:38,630 --> 00:09:35,760

go to the exact opposite extreme as the

228

00:09:41,350 --> 00:09:38,640

uh worldly religions uh told us that we

229

00:09:45,269 --> 00:09:41,360

should uh look and and should seek and

230

00:09:48,070 --> 00:09:45,279

so i found dark occultism and satanism

231

00:09:51,750 --> 00:09:48,080

and this is what i you know pursued at a

232

00:09:53,269 --> 00:09:51,760

very very fundamental deep level

233

00:09:55,829 --> 00:09:53,279

i wanted to

234

00:09:57,509 --> 00:09:55,839

get as deep into what i considered at

235

00:09:59,509 --> 00:09:57,519

the time to be the polar opposite of

236

00:10:02,550 --> 00:09:59,519

religion as possible so that led me into

237

00:10:04,150 --> 00:10:02,560

satanism and i went into the

238

00:10:06,389 --> 00:10:04,160

philosophical school of thought or

239

00:10:07,670 --> 00:10:06,399

ideological school of thought of levain

240

00:10:10,150 --> 00:10:07,680

satanism

241

00:10:11,269 --> 00:10:10,160

run by anton levay founder of the church

242

00:10:14,310 --> 00:10:11,279

of satan

243

00:10:16,949 --> 00:10:14,320

and i started espousing that ideology

244

00:10:19,430 --> 00:10:16,959

the satanic ideology has put forward in

245

00:10:20,230 --> 00:10:19,440

levy's book the satanic bible

246

00:10:23,350 --> 00:10:20,240

now

247

00:10:26,069 --> 00:10:23,360

uh this is a ideology of pure egotism

248

00:10:28,389 --> 00:10:26,079

and selfishness at its fundamental root

249

00:10:31,269 --> 00:10:28,399

at the the base level

250

00:10:33,670 --> 00:10:31,279

and it sees the self as the godhood it

251

00:10:36,310 --> 00:10:33,680

sees you know the the ego

252

00:10:38,630 --> 00:10:36,320

is raised to the level of godhood

253

00:10:40,710 --> 00:10:38,640

and you know it's all about what can i

254

00:10:43,110 --> 00:10:40,720

do for me and that's it you know don't

255

00:10:45,269 --> 00:10:43,120

worry about uh what's right you know

256

00:10:48,790 --> 00:10:45,279

worry about what you can get out of it

257

00:10:51,269 --> 00:10:48,800

uh and egotism is huge in our society i

258

00:10:54,310 --> 00:10:51,279

you know see now in retrospect that you

259

00:10:55,350 --> 00:10:54,320

know most people have a satanic mindset

260

00:10:56,949 --> 00:10:55,360

but i

261

00:10:59,269 --> 00:10:56,959

pursued this whole

262

00:11:01,350 --> 00:10:59,279

realm of the dark occult for many years

263

00:11:02,310 --> 00:11:01,360

in my youth and

264

00:11:24,310 --> 00:11:02,320

i

265

00:11:27,030 --> 00:11:24,320

so uh levay heard about my

266

00:11:29,190 --> 00:11:27,040

writings in some of these magazines that

267

00:11:31,350 --> 00:11:29,200

uh allowed people to publish articles

268

00:11:32,949 --> 00:11:31,360

about satanism and the whole ideology

269

00:11:35,350 --> 00:11:32,959

that it entailed

270

00:11:37,430 --> 00:11:35,360

and also i obviously wrote about it in

271

00:11:38,949 --> 00:11:37,440

the lyrics uh in my band at the time

272

00:11:41,509 --> 00:11:38,959

which was a death metal band called

273

00:11:44,069 --> 00:11:41,519

insanity uh which is actually still

274

00:11:45,750 --> 00:11:44,079

around today um but uh i was the the

275

00:11:47,590 --> 00:11:45,760

head of that band at the time the

276

00:11:49,269 --> 00:11:47,600

founder of it actually

277

00:11:51,750 --> 00:11:49,279

and i wrote the lyrics for it which

278

00:11:54,790 --> 00:11:51,760

espoused the satanic mindset

279

00:11:57,590 --> 00:11:54,800

uh levay and people who worked with the

280

00:11:59,990 --> 00:11:57,600

church of satan and wrote um in their

281

00:12:01,829 --> 00:12:00,000

publishings uh like the black flame

282

00:12:04,310 --> 00:12:01,839

which was their official publication at

283

00:12:05,190 --> 00:12:04,320

the time uh a magazine called the black

284

00:12:07,030 --> 00:12:05,200

flame

285

00:12:09,829 --> 00:12:07,040

uh they would do reviews and they would

286

00:12:13,350 --> 00:12:09,839

sometimes review things like bands their

287

00:12:15,190 --> 00:12:13,360

lyrics etc and i guess uh anton levay

288

00:12:17,910 --> 00:12:15,200

you know got wind of what i had been

289

00:12:20,870 --> 00:12:17,920

doing with publishing in different music

290

00:12:21,750 --> 00:12:20,880

fanzines and writing uh lyrics in my

291

00:12:24,870 --> 00:12:21,760

band

292

00:12:28,150 --> 00:12:24,880

and he contacted me and asked me if i

293

00:12:30,470 --> 00:12:28,160

was interested uh in heading up a grotto

294

00:12:32,790 --> 00:12:30,480

as they call it in the philadelphia area

295

00:12:35,110 --> 00:12:32,800

now i had already become a member of the

296

00:12:37,590 --> 00:12:35,120

church of satan i was a they have a very

297

00:12:39,269 --> 00:12:37,600

simple ranking system or or degree

298

00:12:41,910 --> 00:12:39,279

system if you will

299

00:12:43,350 --> 00:12:41,920

it's not like a full host of degrees as

300

00:12:44,790 --> 00:12:43,360

you might find in freemasonry it's

301

00:12:47,030 --> 00:12:44,800

actually very simple

302

00:12:49,509 --> 00:12:47,040

there is a standard member

303

00:12:50,949 --> 00:12:49,519

and there is no rank or degree conferred

304

00:12:52,629 --> 00:12:50,959

they're just considered a member of the

305

00:12:56,150 --> 00:12:52,639

organization that's what i was at the

306

00:12:58,629 --> 00:12:56,160

time when i was contacted by anton levay

307

00:13:00,870 --> 00:12:58,639

and then there is priest and that's just

308

00:13:02,710 --> 00:13:00,880

one level standard priesthood

309

00:13:04,550 --> 00:13:02,720

then above that you have what's called

310

00:13:08,069 --> 00:13:04,560

magi magus

311

00:13:10,710 --> 00:13:08,079

or magistra okay magister or magistra

312

00:13:12,310 --> 00:13:10,720

depending on the gender uh so that's a

313

00:13:14,389 --> 00:13:12,320

higher level priest you could look at

314

00:13:17,110 --> 00:13:14,399

that as the lieutenant of the

315

00:13:18,710 --> 00:13:17,120

regular ranking priests and then there

316

00:13:20,389 --> 00:13:18,720

is what's called the council of nine

317

00:13:22,870 --> 00:13:20,399

which is a council that makes decisions

318

00:13:24,550 --> 00:13:22,880

about the direction of the organization

319

00:13:26,069 --> 00:13:24,560

and then there's high priest which is

320

00:13:27,509 --> 00:13:26,079

what levay was and obviously there's

321

00:13:30,629 --> 00:13:27,519

only one of them

322

00:13:32,389 --> 00:13:30,639

so i was at the very last level below

323

00:13:34,629 --> 00:13:32,399

ranking member when i was appointed to

324

00:13:36,150 --> 00:13:34,639

priest uh anton levay

325

00:13:37,990 --> 00:13:36,160

gave me the

326  
00:13:40,069 --> 00:13:38,000  
position of priesthood

327  
00:13:40,870 --> 00:13:40,079  
back in 1997

328  
00:13:48,150 --> 00:13:40,880  
and

329  
00:13:49,590 --> 00:13:48,160  
take that personal responsibility

330  
00:13:51,350 --> 00:13:49,600  
because i wanted

331  
00:13:53,269 --> 00:13:51,360  
to just continue to

332  
00:13:54,870 --> 00:13:53,279  
look at satanism and treat it in my life

333  
00:13:56,470 --> 00:13:54,880  
as just something that's personal i

334  
00:13:59,110 --> 00:13:56,480  
didn't want to make it a group activity

335  
00:14:01,430 --> 00:13:59,120  
or i'll take the responsibility of you

336  
00:14:03,910 --> 00:14:01,440  
know directing a whole group of people

337  
00:14:06,629 --> 00:14:03,920  
so i turned down the position of grotto

338  
00:14:09,269 --> 00:14:06,639

head uh you know at the time and i just

339

00:14:11,910 --> 00:14:09,279

kept you know espousing the ideology as

340

00:14:15,509 --> 00:14:11,920

a priest within the organization

341

00:14:17,990 --> 00:14:15,519

and i was invited to some other grottos

342

00:14:19,590 --> 00:14:18,000

to see how they were run and to you know

343

00:14:22,310 --> 00:14:19,600

basically bump elbows with the

344

00:14:24,470 --> 00:14:22,320

membership of other grottos in my area

345

00:14:26,949 --> 00:14:24,480

when i attended those meetings and

346

00:14:28,710 --> 00:14:26,959

rituals of other grottos that's when i

347

00:14:31,189 --> 00:14:28,720

saw that satanism was not what i thought

348

00:14:32,790 --> 00:14:31,199

that it was it was not just people

349

00:14:36,150 --> 00:14:32,800

looking for a cult knowledge on their

350

00:14:37,750 --> 00:14:36,160

own and seeking basically psychological

351

00:14:39,430 --> 00:14:37,760

information which is what the occult

352

00:14:41,910 --> 00:14:39,440

really ultimately is it's knowledge

353

00:14:43,590 --> 00:14:41,920

about uh the laws of nature and the

354

00:14:45,030 --> 00:14:43,600

human psyche and how it works and

355

00:14:46,310 --> 00:14:45,040

operates

356

00:14:48,150 --> 00:14:46,320

and i thought that it was just

357

00:14:50,470 --> 00:14:48,160

individuals doing that because they

358

00:14:52,550 --> 00:14:50,480

wanted a better position over others in

359

00:14:54,069 --> 00:14:52,560

their lives so they if they had more

360

00:14:56,710 --> 00:14:54,079

knowledge it would put them in a better

361

00:14:59,269 --> 00:14:56,720

position uh to get whatever they wanted

362

00:15:00,710 --> 00:14:59,279

out of life over other people who

363

00:15:02,629 --> 00:15:00,720

remained in ignorance and didn't have

364

00:15:04,310 --> 00:15:02,639

that level of knowledge and i thought it

365

00:15:07,110 --> 00:15:04,320

was just operating on that personal

366

00:15:09,750 --> 00:15:07,120

level that's naively what i believed at

367

00:15:12,069 --> 00:15:09,760

the time that satanism was

368

00:15:15,750 --> 00:15:12,079

when i started actually attending some

369

00:15:18,470 --> 00:15:15,760

grottos in my area they were packed with

370

00:15:21,829 --> 00:15:18,480

people from at high ranking positions of

371

00:15:25,430 --> 00:15:21,839

power from every institution

372

00:15:28,069 --> 00:15:25,440

in life that you could possibly imagine

373

00:15:29,910 --> 00:15:28,079

people from politics

374

00:15:31,189 --> 00:15:29,920

banking

375

00:15:35,590 --> 00:15:31,199

judges

376

00:15:38,470 --> 00:15:35,600

uh military people police

377

00:15:42,310 --> 00:15:38,480

t school teachers and principals people

378

00:15:45,749 --> 00:15:42,320

in in uh media people in entertainment

379

00:15:48,069 --> 00:15:45,759

people in the scientific uh field people

380

00:15:48,870 --> 00:15:48,079

in the medical field you name

381

00:15:56,949 --> 00:15:48,880

the

382

00:15:57,990 --> 00:15:56,959

highest ranking positions of worldly

383

00:16:01,189 --> 00:15:58,000

power

384

00:16:02,629 --> 00:16:01,199

showing up at satanic rituals at satanic

385

00:16:05,749 --> 00:16:02,639

grottos

386

00:16:08,110 --> 00:16:05,759

so when i saw that i was like whoa you

387

00:16:10,230 --> 00:16:08,120

know i i took a step back and

388

00:16:12,629 --> 00:16:10,240

re-evaluated this whole thing that i had

389

00:16:14,949 --> 00:16:12,639

become involved with over the years

390

00:16:17,350 --> 00:16:14,959

and i realized this isn't

391

00:16:18,870 --> 00:16:17,360

just some individuals that you know want

392

00:16:20,629 --> 00:16:18,880

to understand a little bit more about

393

00:16:22,710 --> 00:16:20,639

how the mind works or how the laws of

394

00:16:25,110 --> 00:16:22,720

nature work so they could put themselves

395

00:16:28,310 --> 00:16:25,120

in a better position in life right this

396

00:16:30,310 --> 00:16:28,320

was a whole lot of powerful people

397

00:16:32,870 --> 00:16:30,320

coming together to increase their

398

00:16:33,990 --> 00:16:32,880

worldly power and put other people under

399

00:16:36,790 --> 00:16:34,000

their thumb

400

00:16:39,430 --> 00:16:36,800

they were trying to basically increase

401  
00:16:41,670 --> 00:16:39,440  
their collective power at the expense of

402  
00:16:44,550 --> 00:16:41,680  
everybody else's freedom they wanted to

403  
00:16:48,310 --> 00:16:44,560  
become gods on earth essentially is what

404  
00:16:51,189 --> 00:16:48,320  
i ultimately understood from my actual

405  
00:16:54,069 --> 00:16:51,199  
in-person dealings with them they wanted

406  
00:16:56,470 --> 00:16:54,079  
to rule other people they wanted to

407  
00:16:58,790 --> 00:16:56,480  
become the kings of the world and have

408  
00:17:02,150 --> 00:16:58,800  
everybody else be their subjects or

409  
00:17:04,390 --> 00:17:02,160  
slaves and when i realized that what the

410  
00:17:06,949 --> 00:17:04,400  
whole ideology of satanism was and it's

411  
00:17:08,949 --> 00:17:06,959  
really no mistake it's it's it's really

412  
00:17:12,150 --> 00:17:08,959  
not very hidden

413  
00:17:14,230 --> 00:17:12,160

uh or occulted they actually brag about

414

00:17:15,909 --> 00:17:14,240

it in their writings if you actually

415

00:17:18,069 --> 00:17:15,919

read some of their writings they tell

416

00:17:20,309 --> 00:17:18,079

you satanism is the ideology of the

417

00:17:22,390 --> 00:17:20,319

rulers of the world it's said in many

418

00:17:23,669 --> 00:17:22,400

many different publications and public

419

00:17:26,390 --> 00:17:23,679

writings that are just publicly

420

00:17:29,190 --> 00:17:26,400

available to download uh they'll make no

421

00:17:31,750 --> 00:17:29,200

bones about it that we are the masters

422

00:17:33,669 --> 00:17:31,760

we are the rulers of the world and we

423

00:17:35,990 --> 00:17:33,679

are going to subjugate everybody else

424

00:17:37,110 --> 00:17:36,000

under even tighter control than already

425

00:17:38,750 --> 00:17:37,120

exists

426

00:17:40,710 --> 00:17:38,760

and that's their goal that's their

427

00:17:43,830 --> 00:17:40,720

collectivized goal

428

00:17:47,029 --> 00:17:43,840

worldwide the whole worldwide network of

429

00:17:49,909 --> 00:17:47,039

what i now call the dark occult the the

430

00:17:53,669 --> 00:17:49,919

world of dark occultism again occultism

431

00:17:56,070 --> 00:17:53,679

should be understood as having a dual

432

00:17:57,830 --> 00:17:56,080

purpose or a dual nature there are two

433

00:17:58,870 --> 00:17:57,840

sides to the occult the light and the

434

00:18:01,350 --> 00:17:58,880

dark

435

00:18:03,430 --> 00:18:01,360

there is such a thing as light occultism

436

00:18:05,590 --> 00:18:03,440

there is such a thing as knowledge that

437

00:18:06,789 --> 00:18:05,600

has been hidden over the centuries and

438

00:18:08,950 --> 00:18:06,799

millennia

439

00:18:11,350 --> 00:18:08,960

because certain people feel that others

440

00:18:12,789 --> 00:18:11,360

are not ready to receive it okay and

441

00:18:15,590 --> 00:18:12,799

they hide it because they don't want it

442

00:18:17,110 --> 00:18:15,600

to fall into dark people's hands evil

443

00:18:20,150 --> 00:18:17,120

people's hands people who would use it

444

00:18:21,909 --> 00:18:20,160

for control and manipulation because yes

445

00:18:24,789 --> 00:18:21,919

can the knowledge of how the laws of

446

00:18:26,950 --> 00:18:24,799

nature work and how the human mind works

447

00:18:29,510 --> 00:18:26,960

be used for manipulatory purposes of

448

00:18:31,190 --> 00:18:29,520

course it can especially if you're

449

00:18:33,590 --> 00:18:31,200

wielding that as a weapon to people who

450

00:18:35,669 --> 00:18:33,600

don't understand it so light occultists

451

00:18:37,830 --> 00:18:35,679

have traditionally tried to keep a lot

452

00:18:39,669 --> 00:18:37,840

of the body of information of occult

453

00:18:41,990 --> 00:18:39,679

knowledge hidden from people who they

454

00:18:43,750 --> 00:18:42,000

feel their consciousness is so low that

455

00:18:46,390 --> 00:18:43,760

if they gathered this in a selfish

456

00:18:48,549 --> 00:18:46,400

capacity they would use it to control or

457

00:18:51,350 --> 00:18:48,559

manipulate others and so they use that

458

00:18:53,669 --> 00:18:51,360

as a justification for hiding it now i

459

00:18:56,070 --> 00:18:53,679

even think that that's not correct to do

460

00:18:57,750 --> 00:18:56,080

that's why i consider myself not even a

461

00:18:59,510 --> 00:18:57,760

member of any of those groups or

462

00:19:01,350 --> 00:18:59,520

organizations that call themselves light

463

00:19:04,549 --> 00:19:01,360

occultist i consider myself a d

464

00:19:06,390 --> 00:19:04,559

occultist i consider myself somebody who

465

00:19:09,190 --> 00:19:06,400

wants to unhide that information at

466

00:19:11,430 --> 00:19:09,200

whatever the cost is because people have

467

00:19:12,789 --> 00:19:11,440

to wake up they have to understand what

468

00:19:15,190 --> 00:19:12,799

this information is about it's

469

00:19:17,190 --> 00:19:15,200

ultimately about themselves

470

00:19:19,029 --> 00:19:17,200

it's ultimately about what's going on

471

00:19:21,270 --> 00:19:19,039

all around them and in the world in

472

00:19:24,390 --> 00:19:21,280

nature okay it's about what's going on

473

00:19:27,190 --> 00:19:24,400

around them geopolitically in in the the

474

00:19:29,430 --> 00:19:27,200

whole uh realm of earthly institutions

475

00:19:31,110 --> 00:19:29,440

and it's about how people in positions

476  
00:19:33,750 --> 00:19:31,120  
of power and all of those institutions

477  
00:19:35,830 --> 00:19:33,760  
are wielding the knowledge of psychology

478  
00:19:37,270 --> 00:19:35,840  
so you have to look at occultism in

479  
00:19:38,950 --> 00:19:37,280  
general as

480  
00:19:42,070 --> 00:19:38,960  
look at look at occultists uh

481  
00:19:45,430 --> 00:19:42,080  
historically as ancient psychologists

482  
00:19:47,430 --> 00:19:45,440  
psychologists who are basically uh have

483  
00:19:50,549 --> 00:19:47,440  
high level information about how the

484  
00:19:52,470 --> 00:19:50,559  
mind works okay and they are either

485  
00:19:54,470 --> 00:19:52,480  
using that to bring people up in

486  
00:19:56,549 --> 00:19:54,480  
consciousness and take them to a higher

487  
00:19:58,310 --> 00:19:56,559  
level of awareness or they're using it

488  
00:20:00,070 --> 00:19:58,320

to deceive and manipulate people who

489

00:20:02,149 --> 00:20:00,080

they know know nothing about how their

490

00:20:03,590 --> 00:20:02,159

own mind works and they're trying to put

491

00:20:04,549 --> 00:20:03,600

them under their thumb and hold them

492

00:20:07,110 --> 00:20:04,559

down and

493

00:20:09,590 --> 00:20:07,120

make make them their subjects or slaves

494

00:20:11,909 --> 00:20:09,600

that's what occultism is it can be used

495

00:20:13,909 --> 00:20:11,919

in either direction it's just like any

496

00:20:16,470 --> 00:20:13,919

other tool it's just like any other body

497

00:20:18,230 --> 00:20:16,480

of knowledge okay you could use the

498

00:20:19,669 --> 00:20:18,240

knowledge of physics to build nuclear

499

00:20:22,390 --> 00:20:19,679

weapons or you could use the knowledge

500

00:20:24,870 --> 00:20:22,400

of physics to build bridges that people

501  
00:20:26,470 --> 00:20:24,880  
have to cross bodies of water with etc

502  
00:20:28,470 --> 00:20:26,480  
you know if there's there's dual

503  
00:20:32,230 --> 00:20:28,480  
purposes for just about any level of

504  
00:20:34,390 --> 00:20:32,240  
knowledge in in human uh endeavor so

505  
00:20:37,430 --> 00:20:34,400  
occultism is no different we have to

506  
00:20:39,430 --> 00:20:37,440  
decide if we're going to use that for um

507  
00:20:43,029 --> 00:20:39,440  
you know positive purposes or if we're

508  
00:20:46,310 --> 00:20:43,039  
going to uh use that uh in a capacity

509  
00:20:47,510 --> 00:20:46,320  
that holds people down

510  
00:20:49,590 --> 00:20:47,520  
well mike thank you very much for

511  
00:20:50,789 --> 00:20:49,600  
covering that which kind of uh already

512  
00:20:52,390 --> 00:20:50,799  
and

513  
00:20:55,029 --> 00:20:52,400

got into the answers for my first

514

00:20:57,270 --> 00:20:55,039

question explaining what dark occultism

515

00:20:59,110 --> 00:20:57,280

is now i wanted to ask you uh

516

00:21:00,070 --> 00:20:59,120

in this i guess

517

00:21:02,870 --> 00:21:00,080

um

518

00:21:05,350 --> 00:21:02,880

cold is it basically just all about uh

519

00:21:07,669 --> 00:21:05,360

one's control over another uh being or

520

00:21:11,110 --> 00:21:07,679

does it involve like the hollywood um

521

00:21:14,870 --> 00:21:11,120

often portrays these um you know um

522

00:21:17,270 --> 00:21:14,880

out-of-body um extra-worldly entities uh

523

00:21:19,270 --> 00:21:17,280

demons and things like that um can you

524

00:21:21,110 --> 00:21:19,280

maybe speak a little bit about that and

525

00:21:23,190 --> 00:21:21,120

since this is ufo hub but not that we

526

00:21:25,430 --> 00:21:23,200

have to cover it but what is their point

527

00:21:26,630 --> 00:21:25,440

of view let's say on aliens and and how

528

00:21:30,549 --> 00:21:26,640

do they

529

00:21:33,909 --> 00:21:30,559

you know or is this just something that

530

00:21:36,789 --> 00:21:33,919

part of their their i guess agenda

531

00:21:39,669 --> 00:21:36,799

well in the level of satanism that i was

532

00:21:43,990 --> 00:21:39,679

personally involved in uh they did not

533

00:21:46,630 --> 00:21:44,000

see um satanism as interaction with uh

534

00:21:48,870 --> 00:21:46,640

demons or non-human entities uh satan

535

00:21:50,549 --> 00:21:48,880

was considered an archetype and an

536

00:21:51,430 --> 00:21:50,559

archetypal force

537

00:21:52,710 --> 00:21:51,440

so

538

00:21:55,430 --> 00:21:52,720

um

539

00:21:57,669 --> 00:21:55,440

they they saw satan as the ego uh

540

00:21:59,590 --> 00:21:57,679

personified and uh could you just hold

541

00:22:00,870 --> 00:21:59,600

on one moment there's someone at my door

542

00:22:03,110 --> 00:22:00,880

that keeps ringing the doorbell just

543

00:22:04,789 --> 00:22:03,120

give me 30 seconds yeah no problem at

544

00:22:07,590 --> 00:22:04,799

all

545

00:22:10,390 --> 00:22:07,600

okay well um

546

00:22:13,190 --> 00:22:10,400

for those of you joining just now uh the

547

00:22:15,830 --> 00:22:13,200

we're having uh mark pasteur one and um

548

00:22:18,789 --> 00:22:15,840

he will uh basically i

549

00:22:21,750 --> 00:22:18,799

i got a chance to meet him long time ago

550

00:22:23,750 --> 00:22:21,760

and i'm happy that we're actually um you

551  
00:22:25,590 --> 00:22:23,760  
know meeting again and and basically

552  
00:22:27,190 --> 00:22:25,600  
having this interview for you guys today

553  
00:22:29,110 --> 00:22:27,200  
so we'll cover a variety of different

554  
00:22:31,590 --> 00:22:29,120  
subjects but um

555  
00:22:33,590 --> 00:22:31,600  
i apologize for sorry i'm sorry i

556  
00:22:36,070 --> 00:22:33,600  
apologize for that interruption uh

557  
00:22:37,590 --> 00:22:36,080  
apparently it's somebody soliciting and

558  
00:22:40,230 --> 00:22:37,600  
did not realize

559  
00:22:42,470 --> 00:22:40,240  
obviously in an interview right so that

560  
00:22:44,549 --> 00:22:42,480  
occasionally occurs and i apologize to

561  
00:22:47,510 --> 00:22:44,559  
go back to what i was saying um

562  
00:22:50,710 --> 00:22:47,520  
you know uh they they did not look at uh

563  
00:22:54,710 --> 00:22:50,720

satan as an entity uh it's an embodiment

564

00:22:56,230 --> 00:22:54,720

of consciousness that is about um pure

565

00:22:58,070 --> 00:22:56,240

egotism

566

00:23:00,310 --> 00:22:58,080

moral relativism

567

00:23:03,990 --> 00:23:00,320

and social darwinism

568

00:23:06,470 --> 00:23:04,000

they look at it as um we are the elite

569

00:23:08,470 --> 00:23:06,480

we are the chosen ones we are the ones

570

00:23:10,950 --> 00:23:08,480

who are better than other people and

571

00:23:13,669 --> 00:23:10,960

therefore we're going to basically rule

572

00:23:16,870 --> 00:23:13,679

them we're going to uh initiate some

573

00:23:18,710 --> 00:23:16,880

people into our select club uh of the

574

00:23:21,029 --> 00:23:18,720

administrators of

575

00:23:23,430 --> 00:23:21,039

you know worldly affairs and then the

576

00:23:26,310 --> 00:23:23,440

rest we're going to basically either

577

00:23:29,110 --> 00:23:26,320

rule or destroy at our discretion

578

00:23:30,149 --> 00:23:29,120

that is literally how they see people as

579

00:23:32,870 --> 00:23:30,159

cattle

580

00:23:34,390 --> 00:23:32,880

uh and um you know people will say well

581

00:23:36,710 --> 00:23:34,400

once you're in something like that you

582

00:23:38,230 --> 00:23:36,720

can't ever get out and whenever anybody

583

00:23:40,310 --> 00:23:38,240

says that i clearly know that they don't

584

00:23:43,190 --> 00:23:40,320

understand what satanism is

585

00:23:44,310 --> 00:23:43,200

because they use people at their

586

00:23:46,710 --> 00:23:44,320

discretion

587

00:23:48,310 --> 00:23:46,720

they will groom people they will tap

588

00:23:50,950 --> 00:23:48,320

people and groom them up into higher

589

00:23:53,110 --> 00:23:50,960

levels of their worldwide network at

590

00:23:54,950 --> 00:23:53,120

their discretion and if they look like

591

00:23:57,029 --> 00:23:54,960

if it looks like they can't use you or

592

00:23:59,669 --> 00:23:57,039

that you've developed some level of

593

00:24:02,149 --> 00:23:59,679

conscious conscience that will not allow

594

00:24:04,789 --> 00:24:02,159

you to proceed further in their

595

00:24:06,390 --> 00:24:04,799

agenda and in their endeavors uh they'll

596

00:24:07,590 --> 00:24:06,400

they'll drop you like a hot potato

597

00:24:09,510 --> 00:24:07,600

they'll they'll cut you loose

598

00:24:11,269 --> 00:24:09,520

immediately and not worry about it if

599

00:24:13,430 --> 00:24:11,279

you don't if you aren't already at a

600

00:24:15,909 --> 00:24:13,440

certain level of involvement with them

601  
00:24:17,990 --> 00:24:15,919  
it's sort of like a mafia in that regard

602  
00:24:19,750 --> 00:24:18,000  
if you already are involved in the

603  
00:24:22,230 --> 00:24:19,760  
crimes and you know about crimes that

604  
00:24:25,590 --> 00:24:22,240  
have been committed then they will not

605  
00:24:27,430 --> 00:24:25,600  
allow you to be cut loose and if you did

606  
00:24:29,350 --> 00:24:27,440  
then uh try to get out of that

607  
00:24:32,310 --> 00:24:29,360  
organization then your life would

608  
00:24:34,630 --> 00:24:32,320  
probably be in jeopardy in my instance i

609  
00:24:38,149 --> 00:24:34,640  
never went into uh

610  
00:24:40,070 --> 00:24:38,159  
the dark occult that deeply i admittedly

611  
00:24:41,830 --> 00:24:40,080  
will tell people out in the open the

612  
00:24:44,070 --> 00:24:41,840  
level of involvement that i was involved

613  
00:24:46,070 --> 00:24:44,080

in is one step above the public

614

00:24:48,950 --> 00:24:46,080

it is what i consider the boy scout

615

00:24:52,230 --> 00:24:48,960

level you know it is you're you're not

616

00:24:54,310 --> 00:24:52,240

very very uh deeply involved or at a

617

00:24:56,310 --> 00:24:54,320

very high level involved you're involved

618

00:24:58,630 --> 00:24:56,320

that if if the general public that's

619

00:25:03,110 --> 00:24:58,640

being ruled is down here you're one

620

00:25:05,669 --> 00:25:03,120

very thin line level of of of water

621

00:25:08,149 --> 00:25:05,679

above you know a very shallow level of

622

00:25:10,470 --> 00:25:08,159

water above the public uh although you

623

00:25:12,789 --> 00:25:10,480

have crossed the veil into at least

624

00:25:14,390 --> 00:25:12,799

getting a glimpse into what they do

625

00:25:17,750 --> 00:25:14,400

and how they do it

626

00:25:20,310 --> 00:25:17,760

so um you know my uh

627

00:25:22,870 --> 00:25:20,320

understanding of morals and my

628

00:25:24,630 --> 00:25:22,880

conscience would not allow me to proceed

629

00:25:27,669 --> 00:25:24,640

any further than that to start

630

00:25:29,590 --> 00:25:27,679

participating in crimes once again

631

00:25:31,669 --> 00:25:29,600

i thought satanism was something very

632

00:25:33,750 --> 00:25:31,679

different than what it really was once i

633

00:25:35,830 --> 00:25:33,760

got a glimpse past the veil so to speak

634

00:25:37,269 --> 00:25:35,840

once the curtain got pulled back and i

635

00:25:39,510 --> 00:25:37,279

got a little glimpse of what was going

636

00:25:41,909 --> 00:25:39,520

on in the back room i was like that's

637

00:25:44,149 --> 00:25:41,919

enough for me to see i understand what

638

00:25:47,190 --> 00:25:44,159

this is and i'm not going to proceed any

639

00:25:49,029 --> 00:25:47,200

further uh again i was in ego enough

640

00:25:52,549 --> 00:25:49,039

that i wanted

641

00:25:53,750 --> 00:25:52,559

uh satanism uh in my life i wanted you

642

00:25:57,190 --> 00:25:53,760

know

643

00:25:59,110 --> 00:25:57,200

some level of control over other people

644

00:26:00,870 --> 00:25:59,120

from an egotistical point of view

645

00:26:03,750 --> 00:26:00,880

because i felt like knowledge could do

646

00:26:05,510 --> 00:26:03,760

that and if i have a tactical advantage

647

00:26:07,269 --> 00:26:05,520

in knowledge that other people don't

648

00:26:09,110 --> 00:26:07,279

that will give me a tactical advantage

649

00:26:12,149 --> 00:26:09,120

in life that other people don't have and

650

00:26:14,789 --> 00:26:12,159

that's how i naively saw dark occultism

651  
00:26:16,630 --> 00:26:14,799  
in my youth until i realized these

652  
00:26:18,870 --> 00:26:16,640  
people are already using it in a very

653  
00:26:19,909 --> 00:26:18,880  
very organized capacity toward a very

654  
00:26:21,070 --> 00:26:19,919  
very

655  
00:26:23,909 --> 00:26:21,080  
dark and

656  
00:26:26,470 --> 00:26:23,919  
totalitarian agenda and i was never

657  
00:26:28,549 --> 00:26:26,480  
about enslaving other people you know um

658  
00:26:30,070 --> 00:26:28,559  
i was about again selfishly wanting

659  
00:26:33,029 --> 00:26:30,080  
knowledge for myself that other people

660  
00:26:34,390 --> 00:26:33,039  
don't didn't have uh direct access to uh

661  
00:26:36,549 --> 00:26:34,400  
which is what what

662  
00:26:39,350 --> 00:26:36,559  
drew me to such organizations and

663  
00:26:41,029 --> 00:26:39,360

schools of thought but um you know even

664

00:26:42,950 --> 00:26:41,039

then if you would have said to me let's

665

00:26:43,909 --> 00:26:42,960

enslave everybody and become the gods of

666

00:26:45,510 --> 00:26:43,919

the earth

667

00:26:47,110 --> 00:26:45,520

i would have like looked at you like you

668

00:26:49,430 --> 00:26:47,120

were crazy and said i want no part of

669

00:26:51,990 --> 00:26:49,440

that uh and that's why i got out pretty

670

00:26:53,590 --> 00:26:52,000

quickly and they were unconcerned they

671

00:26:56,950 --> 00:26:53,600

were like go tell people what you think

672

00:26:59,350 --> 00:26:56,960

you saw boy like you you know

673

00:27:01,110 --> 00:26:59,360

have a very limited understanding of

674

00:27:02,549 --> 00:27:01,120

what is really going on here but some of

675

00:27:04,789 --> 00:27:02,559

them told me

676  
00:27:06,789 --> 00:27:04,799  
you could speak until your dying breath

677  
00:27:09,190 --> 00:27:06,799  
and you'll change nothing because we

678  
00:27:12,390 --> 00:27:09,200  
have people so inculcated into our way

679  
00:27:14,549 --> 00:27:12,400  
of thinking that we could tell them how

680  
00:27:16,549 --> 00:27:14,559  
we've manipulated and deceived them and

681  
00:27:18,389 --> 00:27:16,559  
how we've controlled their minds over

682  
00:27:20,470 --> 00:27:18,399  
the centuries and we could explain the

683  
00:27:22,070 --> 00:27:20,480  
exact tactics that we used and how we

684  
00:27:22,870 --> 00:27:22,080  
did it and they wouldn't believe it from

685  
00:27:25,590 --> 00:27:22,880  
us

686  
00:27:26,630 --> 00:27:25,600  
if we told them directly what makes you

687  
00:27:28,389 --> 00:27:26,640  
think you're going to get them to

688  
00:27:29,590 --> 00:27:28,399

understand that's what a satanist told

689

00:27:31,990 --> 00:27:29,600

me once

690

00:27:34,549 --> 00:27:32,000

and i wish i could tell you that he was

691

00:27:37,110 --> 00:27:34,559

incorrect i wish i could tell anybody

692

00:27:39,350 --> 00:27:37,120

that they lied to me at that type of a

693

00:27:40,470 --> 00:27:39,360

level you know they're they're

694

00:27:42,630 --> 00:27:40,480

very

695

00:27:45,190 --> 00:27:42,640

open to what they do when they're in

696

00:27:47,029 --> 00:27:45,200

private quarters of course they'll deny

697

00:27:48,870 --> 00:27:47,039

it to the public you know they won't let

698

00:27:51,190 --> 00:27:48,880

the public hear the types of

699

00:27:53,190 --> 00:27:51,200

conversations that you'll be privy to if

700

00:27:54,630 --> 00:27:53,200

you get within some of their actual

701  
00:27:56,789 --> 00:27:54,640  
private circles

702  
00:27:59,510 --> 00:27:56,799  
uh but when they're in their own private

703  
00:28:01,590 --> 00:27:59,520  
domain they speak very openly and you

704  
00:28:05,190 --> 00:28:01,600  
know uh just out in the open about what

705  
00:28:06,950 --> 00:28:05,200  
their agendas are and they feel like

706  
00:28:08,710 --> 00:28:06,960  
they have people exactly where they want

707  
00:28:09,510 --> 00:28:08,720  
them they feel like

708  
00:28:12,230 --> 00:28:09,520  
um

709  
00:28:14,070 --> 00:28:12,240  
they have such total control over the

710  
00:28:14,870 --> 00:28:14,080  
media and what people get to see and

711  
00:28:17,110 --> 00:28:14,880  
hear

712  
00:28:19,029 --> 00:28:17,120  
and even think on a daily basis they

713  
00:28:20,310 --> 00:28:19,039

have total control over the educational

714

00:28:22,389 --> 00:28:20,320

system

715

00:28:24,870 --> 00:28:22,399

they have total control over the police

716

00:28:27,029 --> 00:28:24,880

they own and control all police

717

00:28:29,269 --> 00:28:27,039

organizations they call the police their

718

00:28:31,590 --> 00:28:29,279

dogs that is their name for the police

719

00:28:33,269 --> 00:28:31,600

and military they have no respect for

720

00:28:35,430 --> 00:28:33,279

police and military

721

00:28:39,269 --> 00:28:35,440

they look at them as total order their

722

00:28:41,590 --> 00:28:39,279

total obedient slave order followers

723

00:28:43,430 --> 00:28:41,600

and they call them their dogs meaning

724

00:28:45,590 --> 00:28:43,440

like their pets that obey their every

725

00:28:47,750 --> 00:28:45,600

command that is their name for the

726

00:28:50,149 --> 00:28:47,760

police and military our dogs that's the

727

00:28:52,470 --> 00:28:50,159

only term i've ever heard them refer to

728

00:28:54,789 --> 00:28:52,480

the police and or military

729

00:28:56,549 --> 00:28:54,799

they call the public the average

730

00:28:58,789 --> 00:28:56,559

individual that knows nothing about

731

00:29:00,549 --> 00:28:58,799

their agenda knows nothing about human

732

00:29:02,950 --> 00:29:00,559

psychology knows nothing about the whole

733

00:29:05,750 --> 00:29:02,960

world of the occult they call them the

734

00:29:08,710 --> 00:29:05,760

dead that is their name for them because

735

00:29:11,269 --> 00:29:08,720

they consider them dead in the forms of

736

00:29:13,590 --> 00:29:11,279

the aspects of human consciousness

737

00:29:15,830 --> 00:29:13,600

thought emotion and action they consider

738

00:29:18,230 --> 00:29:15,840

them ignorant which is the death of

739

00:29:20,230 --> 00:29:18,240

thought they consider them apathetic

740

00:29:22,549 --> 00:29:20,240

which is the death of emotion and they

741

00:29:24,870 --> 00:29:22,559

consider them lazy and cowardly which is

742

00:29:27,430 --> 00:29:24,880

the death of action and if those all

743

00:29:28,389 --> 00:29:27,440

three of those aspects of consciousness

744

00:29:31,430 --> 00:29:28,399

are

745

00:29:33,990 --> 00:29:31,440

weak or deadened or non-active

746

00:29:36,870 --> 00:29:34,000

they consider those people totally

747

00:29:38,789 --> 00:29:36,880

unconscious or quote-unquote dead and

748

00:29:41,510 --> 00:29:38,799

that's what they refer to the average

749

00:29:43,350 --> 00:29:41,520

human being as unfortunately uh and

750

00:29:44,789 --> 00:29:43,360

again it's another area that i wish i

751

00:29:46,470 --> 00:29:44,799

could you know

752

00:29:47,909 --> 00:29:46,480

say that it is actually different than

753

00:29:50,549 --> 00:29:47,919

that that it's uh that they're

754

00:29:52,789 --> 00:29:50,559

completely wrong and that that it isn't

755

00:29:55,750 --> 00:29:52,799

like that but i can't tell you that the

756

00:29:57,830 --> 00:29:55,760

these sick evil psychopathic people are

757

00:30:00,789 --> 00:29:57,840

completely wrong when i look at the

758

00:30:01,669 --> 00:30:00,799

general population i see exactly what

759

00:30:04,149 --> 00:30:01,679

they

760

00:30:06,789 --> 00:30:04,159

told me is there and i'm not you know

761

00:30:08,870 --> 00:30:06,799

under their mind control or thrall you

762

00:30:11,430 --> 00:30:08,880

know it's like i abandoned that ideology

763

00:30:13,590 --> 00:30:11,440

a long long long time ago but i'm not

764

00:30:15,909 --> 00:30:13,600

someone who says it all has to be

765

00:30:18,549 --> 00:30:15,919

positive it all has to be good that evil

766

00:30:20,710 --> 00:30:18,559

can never win like this is just just uh

767

00:30:23,350 --> 00:30:20,720

you know new age fairy tale stuff you

768

00:30:26,710 --> 00:30:23,360

know of course evil can win you know the

769

00:30:29,350 --> 00:30:26,720

people who the nazis uh you know uh uh

770

00:30:32,230 --> 00:30:29,360

practically genocided uh you know

771

00:30:34,389 --> 00:30:32,240

they could the nazis were winning until

772

00:30:36,789 --> 00:30:34,399

war broke out and more lives had to be

773

00:30:39,510 --> 00:30:36,799

cost to stop them uh what about

774

00:30:42,149 --> 00:30:39,520

communist uh organizations and regimes

775

00:30:44,070 --> 00:30:42,159

over time did the red chinese not win

776

00:30:46,470 --> 00:30:44,080

over the people that they mass murdered

777

00:30:48,389 --> 00:30:46,480

the did the soviet uh you know the the

778

00:30:50,389 --> 00:30:48,399

soviet communists not went over the

779

00:30:53,029 --> 00:30:50,399

people that they mass murdered and

780

00:30:54,789 --> 00:30:53,039

slaughtered uh how many mass

781

00:30:58,070 --> 00:30:54,799

totalitarian slaughters have happened

782

00:31:00,389 --> 00:30:58,080

over human history uh did evil not win

783

00:31:02,630 --> 00:31:00,399

in those instances just because

784

00:31:04,870 --> 00:31:02,640

eventually that regime

785

00:31:07,190 --> 00:31:04,880

died off offer went away because of uh

786

00:31:09,269 --> 00:31:07,200

you know evil collapsing upon itself

787

00:31:11,190 --> 00:31:09,279

that doesn't mean that good people can't

788

00:31:13,509 --> 00:31:11,200

uh lose that doesn't mean that good

789

00:31:15,830 --> 00:31:13,519

always wins you know it just means that

790

00:31:17,990 --> 00:31:15,840

even evil can collapse in upon itself

791

00:31:19,590 --> 00:31:18,000

after a time you know that doesn't

792

00:31:21,909 --> 00:31:19,600

that's not an encouraging thing that

793

00:31:23,669 --> 00:31:21,919

people should aspire to to like let evil

794

00:31:26,070 --> 00:31:23,679

keep doing this over and over and over

795

00:31:28,549 --> 00:31:26,080

again throughout human history until

796

00:31:31,269 --> 00:31:28,559

eventually that evil regime like

797

00:31:33,350 --> 00:31:31,279

balls over onto itself and that regime

798

00:31:36,070 --> 00:31:33,360

collapses only for a new one to rise

799

00:31:38,710 --> 00:31:36,080

again that's not spiritual that's not

800

00:31:41,909 --> 00:31:38,720

enlightened that's not even smart

801  
00:31:44,230 --> 00:31:41,919  
uh it's a very dumb outlook uh on human

802  
00:31:46,470 --> 00:31:44,240  
life and human endeavors and it's one

803  
00:31:49,750 --> 00:31:46,480  
the people who have a very short view of

804  
00:31:53,750 --> 00:31:49,760  
human history uh take it's not somebody

805  
00:31:56,389 --> 00:31:53,760  
who knows uh uh any type of uh

806  
00:31:59,110 --> 00:31:56,399  
in a deep way what has really transpired

807  
00:32:01,269 --> 00:31:59,120  
in our world over the course of time and

808  
00:32:03,190 --> 00:32:01,279  
um you know this is uh what i've been

809  
00:32:05,909 --> 00:32:03,200  
trying to warn people about in my work

810  
00:32:08,070 --> 00:32:05,919  
for you know the last 14 years uh we're

811  
00:32:10,070 --> 00:32:08,080  
coming up to the 14th anniversary of

812  
00:32:12,470 --> 00:32:10,080  
what on earth is happening on november

813  
00:32:14,310 --> 00:32:12,480

11th of this year and i've been trying

814

00:32:16,310 --> 00:32:14,320

to explain to people that this is what

815

00:32:17,430 --> 00:32:16,320

satanism is they're already in control

816

00:32:18,870 --> 00:32:17,440

of the world it's not that they're

817

00:32:21,029 --> 00:32:18,880

trying to take over the world they've

818

00:32:22,149 --> 00:32:21,039

been in control of the world for

819

00:32:23,750 --> 00:32:22,159

millennia

820

00:32:26,470 --> 00:32:23,760

and they want tighter control of the

821

00:32:28,950 --> 00:32:26,480

world and that's what this recent psyop

822

00:32:32,470 --> 00:32:28,960

of covid19 is all about that's what the

823

00:32:35,190 --> 00:32:32,480

whole you know agenda to uh jab everyone

824

00:32:37,110 --> 00:32:35,200

uh put uh genetically modifying material

825

00:32:39,590 --> 00:32:37,120

in their body because they are trying to

826

00:32:41,590 --> 00:32:39,600

prevent a real awakening from occurring

827

00:32:44,789 --> 00:32:41,600

and they can only do that through fear

828

00:32:47,750 --> 00:32:44,799

and devastation of the human um you know

829

00:32:50,149 --> 00:32:47,760

genetic system and um they're they're

830

00:32:52,070 --> 00:32:50,159

winning you know uh if people think that

831

00:32:54,789 --> 00:32:52,080

there's a real awakening happening right

832

00:32:56,549 --> 00:32:54,799

now uh and the world still does not

833

00:32:58,950 --> 00:32:56,559

really understand about the world of the

834

00:33:01,269 --> 00:32:58,960

occult at least hardly anyone that i

835

00:33:03,509 --> 00:33:01,279

bump into on a daily basis does

836

00:33:05,190 --> 00:33:03,519

uh if they have any understanding of it

837

00:33:06,870 --> 00:33:05,200

whatsoever they simply think this is

838

00:33:08,149 --> 00:33:06,880

some sort of a conspiracy theory and

839

00:33:10,389 --> 00:33:08,159

it's because they have no personal

840

00:33:12,470 --> 00:33:10,399

involvement with it in their lives

841

00:33:14,310 --> 00:33:12,480

they have never actually been involved

842

00:33:16,789 --> 00:33:14,320

in the world of occultism at all for

843

00:33:19,669 --> 00:33:16,799

real at a real level in their lives so

844

00:33:22,710 --> 00:33:19,679

it's like you know talking to people who

845

00:33:24,230 --> 00:33:22,720

i've heard about paris i've heard about

846

00:33:25,590 --> 00:33:24,240

other cities in europe and yet they've

847

00:33:28,070 --> 00:33:25,600

never been there and they're talking to

848

00:33:29,590 --> 00:33:28,080

people who are native to paris you know

849

00:33:30,870 --> 00:33:29,600

and it's like

850

00:33:32,389 --> 00:33:30,880

you you hear what they're saying and

851

00:33:33,669 --> 00:33:32,399

it's like nothing like what it really is

852

00:33:35,269 --> 00:33:33,679

and they think that they know something

853

00:33:37,430 --> 00:33:35,279

about it it's like people who have

854

00:33:39,430 --> 00:33:37,440

actually been in war and they're talking

855

00:33:40,870 --> 00:33:39,440

to people who have never been in war and

856

00:33:42,710 --> 00:33:40,880

they're telling them all about what it

857

00:33:44,149 --> 00:33:42,720

really is like and the people who've

858

00:33:45,669 --> 00:33:44,159

never been in there say oh no you're

859

00:33:47,430 --> 00:33:45,679

completely wrong it's not like that it's

860

00:33:49,909 --> 00:33:47,440

like how i think it is

861

00:33:52,470 --> 00:33:49,919

this is like what society today is

862

00:33:53,990 --> 00:33:52,480

really like when it comes to uh any kind

863

00:33:56,470 --> 00:33:54,000

of an understanding of the world of the

864

00:33:59,029 --> 00:33:56,480

occult or the level of power that they

865

00:34:01,590 --> 00:33:59,039

really have you know over our lives uh

866

00:34:04,470 --> 00:34:01,600

it's um you know we're in a very

867

00:34:06,549 --> 00:34:04,480

naive childish mindset when it comes to

868

00:34:08,389 --> 00:34:06,559

this as a people uh there are still

869

00:34:10,389 --> 00:34:08,399

people who will insist that they've

870

00:34:12,069 --> 00:34:10,399

never while they've never been involved

871

00:34:14,230 --> 00:34:12,079

in satanism at all that they know more

872

00:34:16,790 --> 00:34:14,240

about it than i do having been a priest

873

00:34:19,349 --> 00:34:16,800

of the religion right it's like if you

874

00:34:21,589 --> 00:34:19,359

wanted to know about you know uh what

875

00:34:22,869 --> 00:34:21,599

goes on inside the ranks of the catholic

876

00:34:24,470 --> 00:34:22,879

church you might want to talk to a

877

00:34:27,430 --> 00:34:24,480

catholic priest or a bishop or a

878

00:34:28,950 --> 00:34:27,440

cardinal right a clergy member you know

879

00:34:30,389 --> 00:34:28,960

if you want to know what goes on inside

880

00:34:32,869 --> 00:34:30,399

a jewish synagogue you might want to

881

00:34:34,869 --> 00:34:32,879

talk to one of the rabbis et cetera well

882

00:34:37,510 --> 00:34:34,879

i was a priest within the satanic

883

00:34:39,030 --> 00:34:37,520

organization the satanic network

884

00:34:41,349 --> 00:34:39,040

and that means that i know a thing or

885

00:34:42,869 --> 00:34:41,359

two about the ideology and people still

886

00:34:45,190 --> 00:34:42,879

insist it's all about the worship of

887

00:34:46,710 --> 00:34:45,200

demons or the invocation of non-human

888

00:34:49,909 --> 00:34:46,720

entities and i'm telling you that's not

889

00:34:52,310 --> 00:34:49,919

what satanism is satanism is an ideology

890

00:34:54,869 --> 00:34:52,320

it's a way of being in the world that is

891

00:34:56,629 --> 00:34:54,879

about ruling over others gratifying the

892

00:34:58,550 --> 00:34:56,639

ego not caring about the difference

893

00:35:00,550 --> 00:34:58,560

between right and wrong

894

00:35:02,310 --> 00:35:00,560

not caring about you know choosing right

895

00:35:04,630 --> 00:35:02,320

over wrong it's just whatever i can get

896

00:35:06,950 --> 00:35:04,640

for myself is what's good for me and

897

00:35:08,470 --> 00:35:06,960

that's what's right and if it if it goes

898

00:35:11,510 --> 00:35:08,480

against me or anything that i want

899

00:35:12,630 --> 00:35:11,520

that's what's wrong period okay and you

900

00:35:14,870 --> 00:35:12,640

know um

901  
00:35:17,510 --> 00:35:14,880  
that's that's that's all it really is

902  
00:35:20,710 --> 00:35:17,520  
about its selfishness raised to the uh

903  
00:35:22,310 --> 00:35:20,720  
level of godhood uh the ego is the god

904  
00:35:25,430 --> 00:35:22,320  
and uh if you really just look at

905  
00:35:27,190 --> 00:35:25,440  
society right just how egotistical are

906  
00:35:28,950 --> 00:35:27,200  
people are people

907  
00:35:31,829 --> 00:35:28,960  
really concerned with

908  
00:35:33,510 --> 00:35:31,839  
the uh well-being and freedom of others

909  
00:35:35,510 --> 00:35:33,520  
are people really concerned with what

910  
00:35:37,510 --> 00:35:35,520  
goes on on a worldwide scale as opposed

911  
00:35:38,950 --> 00:35:37,520  
to just their immediate the immediate

912  
00:35:41,349 --> 00:35:38,960  
sense of what's happening directly

913  
00:35:42,790 --> 00:35:41,359

around them uh are are most people

914

00:35:44,710 --> 00:35:42,800

totally selfish and only think about

915

00:35:46,150 --> 00:35:44,720

themselves and what they could do for

916

00:35:47,430 --> 00:35:46,160

themselves from the minute they wake up

917

00:35:48,230 --> 00:35:47,440

till the minute they go to sleep at

918

00:35:50,710 --> 00:35:48,240

night

919

00:35:52,470 --> 00:35:50,720

i would say over 95 percent of people

920

00:35:54,069 --> 00:35:52,480

are like that are in that mindset i'd

921

00:35:56,230 --> 00:35:54,079

say that that would be being generous

922

00:35:57,430 --> 00:35:56,240

probably over 98 of human beings are in

923

00:35:59,270 --> 00:35:57,440

that mindset

924

00:36:00,710 --> 00:35:59,280

how many people are moral relativists

925

00:36:02,390 --> 00:36:00,720

that don't think there's any objective

926

00:36:03,750 --> 00:36:02,400

standard of right and wrong

927

00:36:05,670 --> 00:36:03,760

they think right and wrong are just

928

00:36:07,430 --> 00:36:05,680

human constructs that we can get we can

929

00:36:09,430 --> 00:36:07,440

make up at our whim at our discretion

930

00:36:11,270 --> 00:36:09,440

we're the arbiters of right and wrong

931

00:36:13,589 --> 00:36:11,280

you know there's no objective standard

932

00:36:15,270 --> 00:36:13,599

of right and wrong behavior uh human

933

00:36:16,630 --> 00:36:15,280

beings can make it up and it can be

934

00:36:18,870 --> 00:36:16,640

different in different places or at

935

00:36:21,589 --> 00:36:18,880

different times you travel across an

936

00:36:23,430 --> 00:36:21,599

imaginary line called a state border and

937

00:36:25,109 --> 00:36:23,440

what you can do over here as a right you

938

00:36:27,750 --> 00:36:25,119

could be jailed for over here across

939

00:36:28,950 --> 00:36:27,760

this imaginary line you know and people

940

00:36:31,349 --> 00:36:28,960

think that's perfectly normal

941

00:36:33,750 --> 00:36:31,359

justifiable and just okay you know they

942

00:36:35,910 --> 00:36:33,760

don't see any contradiction any moral

943

00:36:37,990 --> 00:36:35,920

contradiction with that you know in in

944

00:36:40,069 --> 00:36:38,000

like 15 states in the united states you

945

00:36:42,470 --> 00:36:40,079

can carry a

946

00:36:44,870 --> 00:36:42,480

loaded firearm on your person out in the

947

00:36:46,550 --> 00:36:44,880

open even if it's a handgun with no

948

00:36:47,990 --> 00:36:46,560

permit okay

949

00:36:50,230 --> 00:36:48,000

but then in the other

950

00:36:51,910 --> 00:36:50,240

uh you know 35 states you could be

951  
00:36:54,870 --> 00:36:51,920  
jailed for doing the same action well

952  
00:36:56,870 --> 00:36:54,880  
who's correct which one is right

953  
00:36:58,310 --> 00:36:56,880  
why why can certain rules apply over

954  
00:37:00,310 --> 00:36:58,320  
here and don't apply over there well

955  
00:37:02,710 --> 00:37:00,320  
that's satanism that's moral relativism

956  
00:37:03,430 --> 00:37:02,720  
that's their that's their whole mindset

957  
00:37:05,750 --> 00:37:03,440  
is

958  
00:37:07,990 --> 00:37:05,760  
we can make up because we're in charge

959  
00:37:09,589 --> 00:37:08,000  
over here right we can make up what's

960  
00:37:10,870 --> 00:37:09,599  
right here you go to another country

961  
00:37:13,270 --> 00:37:10,880  
they have completely different set of

962  
00:37:14,790 --> 00:37:13,280  
rules the rulers over there they can

963  
00:37:17,109 --> 00:37:14,800

make up what's right and wrong over

964

00:37:19,829 --> 00:37:17,119

there anybody that thinks that right and

965

00:37:20,829 --> 00:37:19,839

wrong can be arbitrated by human beings

966

00:37:25,910 --> 00:37:20,839

is

967

00:37:27,030 --> 00:37:25,920

100 percent inculcated and indoctrinated

968

00:37:28,470 --> 00:37:27,040

into

969

00:37:30,870 --> 00:37:28,480

satanism

970

00:37:33,910 --> 00:37:30,880

that is their real religion deep down

971

00:37:36,710 --> 00:37:33,920

inside their mind and their heart

972

00:37:38,870 --> 00:37:36,720

without any question or doubt and this

973

00:37:41,589 --> 00:37:38,880

is unfortunately where most human beings

974

00:37:43,190 --> 00:37:41,599

are at they believe in moral relativism

975

00:37:45,109 --> 00:37:43,200

that people can make up what right and

976  
00:37:47,349 --> 00:37:45,119  
wrong are to just give you the answer

977  
00:37:50,310 --> 00:37:47,359  
the answer is the 15 states that do

978  
00:37:52,310 --> 00:37:50,320  
allow open carry are correct it is a

979  
00:37:53,910 --> 00:37:52,320  
right it is a right to defend yourself

980  
00:37:55,670 --> 00:37:53,920  
with any kind of a weapon that you so

981  
00:37:57,109 --> 00:37:55,680  
choose that's a human right called the

982  
00:37:58,950 --> 00:37:57,119  
right of self-defense which is one of

983  
00:38:01,109 --> 00:37:58,960  
the main pillars of morality and

984  
00:38:03,349 --> 00:38:01,119  
enlightenment and natural law you know

985  
00:38:05,990 --> 00:38:03,359  
the other 35 states have it wrong and

986  
00:38:07,670 --> 00:38:06,000  
they are exercising a form of slavery

987  
00:38:09,990 --> 00:38:07,680  
over other people by telling them you

988  
00:38:12,230 --> 00:38:10,000

may not arm yourself as you see fit

989

00:38:14,870 --> 00:38:12,240

and that's where we're at in society

990

00:38:16,470 --> 00:38:14,880

we're at a place where egotism and moral

991

00:38:18,390 --> 00:38:16,480

relativism has led to the human

992

00:38:20,950 --> 00:38:18,400

condition called slavery

993

00:38:24,069 --> 00:38:20,960

we're a slave species we're a slave race

994

00:38:25,589 --> 00:38:24,079

humanity is enslaved and this is what

995

00:38:27,109 --> 00:38:25,599

people don't understand they don't

996

00:38:29,910 --> 00:38:27,119

understand it because they're still in

997

00:38:31,910 --> 00:38:29,920

the mentality of satanism see that's how

998

00:38:34,950 --> 00:38:31,920

satanists rule other people that's how

999

00:38:38,150 --> 00:38:34,960

the world of the dark occult can rule

1000

00:38:41,589 --> 00:38:38,160

the the general masses of their slaves

1001  
00:38:43,910 --> 00:38:41,599  
because if the slave class takes on a

1002  
00:38:46,630 --> 00:38:43,920  
lower level mentality of the master

1003  
00:38:49,190 --> 00:38:46,640  
class in other words here's the real

1004  
00:38:51,430 --> 00:38:49,200  
mindset of the masters up here right and

1005  
00:38:53,910 --> 00:38:51,440  
then they give us this tiny subset of

1006  
00:38:55,510 --> 00:38:53,920  
their mentality right but they also

1007  
00:38:58,150 --> 00:38:55,520  
teach us that there's this thing called

1008  
00:38:59,829 --> 00:38:58,160  
authority in place right and that

1009  
00:39:02,710 --> 00:38:59,839  
authority means that there are some

1010  
00:39:05,349 --> 00:39:02,720  
people who get to create edicts they get

1011  
00:39:08,230 --> 00:39:05,359  
to make up what the laws are and that's

1012  
00:39:10,310 --> 00:39:08,240  
their edicts as the masters of the world

1013  
00:39:13,349 --> 00:39:10,320

as the ruling class

1014

00:39:15,829 --> 00:39:13,359

and their decrees that are often

1015

00:39:18,630 --> 00:39:15,839

completely arbitrary just because they

1016

00:39:21,030 --> 00:39:18,640

want to make the laws in their geo

1017

00:39:21,829 --> 00:39:21,040

geographic vicinity of the earth

1018

00:39:26,230 --> 00:39:21,839

and

1019

00:39:28,470 --> 00:39:26,240

they see fit to implement because it

1020

00:39:30,950 --> 00:39:28,480

suits their them and their agendas

1021

00:39:33,030 --> 00:39:30,960

anywhere any in any uh geographical

1022

00:39:35,829 --> 00:39:33,040

region of the world that's called their

1023

00:39:37,430 --> 00:39:35,839

jurisdiction jurisdiction just says

1024

00:39:41,430 --> 00:39:37,440

exactly what this is

1025

00:39:42,470 --> 00:39:41,440

us urus in latin jus means right

1026  
00:39:43,510 --> 00:39:42,480  
or law

1027  
00:39:47,430 --> 00:39:43,520  
and then

1028  
00:39:49,670 --> 00:39:47,440  
dicta dictare dictare in latin means to

1029  
00:39:51,990 --> 00:39:49,680  
speak or to say so jurisdiction

1030  
00:39:54,630 --> 00:39:52,000  
literally means to say what the law is

1031  
00:39:57,910 --> 00:39:54,640  
to speak what the law is it means the

1032  
00:39:59,990 --> 00:39:57,920  
law is whatever i say it is right it's

1033  
00:40:02,470 --> 00:40:00,000  
not objective and in nature it's

1034  
00:40:05,349 --> 00:40:02,480  
whatever i say it is it's my arbitrary

1035  
00:40:07,670 --> 00:40:05,359  
decree well that's called kingship right

1036  
00:40:09,910 --> 00:40:07,680  
that's all authority ever has been

1037  
00:40:12,550 --> 00:40:09,920  
there i ask people please define the

1038  
00:40:14,790 --> 00:40:12,560

difference between modern day authority

1039

00:40:16,710 --> 00:40:14,800

and old world kingship what's the

1040

00:40:18,309 --> 00:40:16,720

difference there is no difference if you

1041

00:40:20,309 --> 00:40:18,319

were being honest with ourselves there's

1042

00:40:21,589 --> 00:40:20,319

no difference people have never thought

1043

00:40:23,109 --> 00:40:21,599

about it like that you know why they

1044

00:40:24,710 --> 00:40:23,119

don't want to think about it like that

1045

00:40:26,630 --> 00:40:24,720

because they don't want to think

1046

00:40:28,309 --> 00:40:26,640

that they're slaves that they don't want

1047

00:40:31,270 --> 00:40:28,319

to think that not only their slaves that

1048

00:40:33,430 --> 00:40:31,280

this is wrong that it's immoral that it

1049

00:40:35,589 --> 00:40:33,440

was never morally justified that it's

1050

00:40:37,430 --> 00:40:35,599

always been morally illegitimate and

1051  
00:40:39,030 --> 00:40:37,440  
they don't want the responsibility to do

1052  
00:40:40,470 --> 00:40:39,040  
a damn thing about it because they're

1053  
00:40:42,150 --> 00:40:40,480  
cowards

1054  
00:40:44,390 --> 00:40:42,160  
that's real talk

1055  
00:40:46,150 --> 00:40:44,400  
that's the real way that it is most

1056  
00:40:47,430 --> 00:40:46,160  
people won't say that to another living

1057  
00:40:49,510 --> 00:40:47,440  
being even

1058  
00:40:51,349 --> 00:40:49,520  
over a video connection let alone to

1059  
00:40:53,750 --> 00:40:51,359  
their face i've said it to many people's

1060  
00:40:55,589 --> 00:40:53,760  
face and will continue to say it to

1061  
00:40:58,069 --> 00:40:55,599  
their face it doesn't matter whether you

1062  
00:40:59,910 --> 00:40:58,079  
recognize it or as true or not it's the

1063  
00:41:02,150 --> 00:40:59,920

truth whether you believe that or not

1064

00:41:03,829 --> 00:41:02,160

that's the reality of our world

1065

00:41:05,750 --> 00:41:03,839

there's no difference in ancient

1066

00:41:09,430 --> 00:41:05,760

kingship with modern authority or

1067

00:41:13,430 --> 00:41:09,440

government all it is is the authority or

1068

00:41:15,589 --> 00:41:13,440

the rulership has been diffused to

1069

00:41:17,750 --> 00:41:15,599

more people there in the ancient world

1070

00:41:20,150 --> 00:41:17,760

of kingship there was one ruler he had

1071

00:41:22,390 --> 00:41:20,160

total authority vested in him and he

1072

00:41:24,150 --> 00:41:22,400

claimed divine right to rule he claimed

1073

00:41:26,230 --> 00:41:24,160

god gave me this right

1074

00:41:27,829 --> 00:41:26,240

and in the modern day we have government

1075

00:41:29,829 --> 00:41:27,839

where the authority is just diffused to

1076

00:41:32,230 --> 00:41:29,839

an oligarchical group calling themselves

1077

00:41:34,710 --> 00:41:32,240

government they're the new lawmakers who

1078

00:41:37,109 --> 00:41:34,720

say whatever the laws are and write it

1079

00:41:38,790 --> 00:41:37,119

down in a ritualistic form and say that

1080

00:41:39,910 --> 00:41:38,800

this is now the law that that binds

1081

00:41:41,990 --> 00:41:39,920

everyone

1082

00:41:44,950 --> 00:41:42,000

and then you know they call themselves

1083

00:41:46,710 --> 00:41:44,960

government or the authorities and uh

1084

00:41:49,109 --> 00:41:46,720

other people they say have a moral

1085

00:41:51,109 --> 00:41:49,119

obligation to obey these laws until they

1086

00:41:53,030 --> 00:41:51,119

can beg them to change them

1087

00:41:54,150 --> 00:41:53,040

if they're successful in that see

1088

00:41:58,710 --> 00:41:54,160

there's no

1089

00:42:00,230 --> 00:41:58,720

objective standard of right and wrong

1090

00:42:03,670 --> 00:42:00,240

the real

1091

00:42:04,870 --> 00:42:03,680

which is the only law that does exist is

1092

00:42:07,510 --> 00:42:04,880

natural law

1093

00:42:08,870 --> 00:42:07,520

and that is the true objective standards

1094

00:42:11,670 --> 00:42:08,880

of right and wrong

1095

00:42:13,750 --> 00:42:11,680

what are rights because they are actions

1096

00:42:16,309 --> 00:42:13,760

that do not initiate harm to other

1097

00:42:18,230 --> 00:42:16,319

sentient beings and which behaviors are

1098

00:42:20,390 --> 00:42:18,240

not rights which are wrongdoings which

1099

00:42:22,309 --> 00:42:20,400

are transgressions against natural law

1100

00:42:24,710 --> 00:42:22,319

because they do initiate

1101  
00:42:27,109 --> 00:42:24,720  
uh harm against other sentient beings

1102  
00:42:29,030 --> 00:42:27,119  
and so there's an actual list of seven

1103  
00:42:31,109 --> 00:42:29,040  
things that are transgressions against

1104  
00:42:33,430 --> 00:42:31,119  
natural law they're the true seven

1105  
00:42:35,750 --> 00:42:33,440  
deadly sins not the church's seven

1106  
00:42:38,550 --> 00:42:35,760  
deadly sins religions seven deadly sins

1107  
00:42:40,630 --> 00:42:38,560  
which are vices not actual physical

1108  
00:42:42,950 --> 00:42:40,640  
transgressions against others you know

1109  
00:42:45,670 --> 00:42:42,960  
the vices of the seven deadly sins of

1110  
00:42:47,510 --> 00:42:45,680  
the church are

1111  
00:42:49,829 --> 00:42:47,520  
let's see it's um

1112  
00:42:52,550 --> 00:42:49,839  
um

1113  
00:42:54,790 --> 00:42:52,560

uh pride anger

1114

00:42:57,829 --> 00:42:54,800

jealousy uh

1115

00:43:01,510 --> 00:42:57,839

pride anger jealousy lust

1116

00:43:05,109 --> 00:43:04,309

greed and one other one that i'm leaving

1117

00:43:09,109 --> 00:43:05,119

out

1118

00:43:12,069 --> 00:43:09,119

pride gluttony sloth lust anger jealousy

1119

00:43:14,790 --> 00:43:12,079

and greed that's it pride gluttony sloth

1120

00:43:17,589 --> 00:43:14,800

lost anger jealousy greed that's the

1121

00:43:19,910 --> 00:43:17,599

so-called seven deadly sins of religion

1122

00:43:22,470 --> 00:43:19,920

of you know christianity

1123

00:43:24,630 --> 00:43:22,480

and all of those are vices none of those

1124

00:43:26,870 --> 00:43:24,640

are initiations of direct harm against

1125

00:43:29,349 --> 00:43:26,880

other sentient beings they're just vices

1126

00:43:31,430 --> 00:43:29,359

you know pride a vice of the self

1127

00:43:33,750 --> 00:43:31,440

glutton the advice of the self

1128

00:43:36,150 --> 00:43:33,760

sloth a vice of the self

1129

00:43:37,910 --> 00:43:36,160

uh lust again all vices of the self you

1130

00:43:39,270 --> 00:43:37,920

can go through them all but the real

1131

00:43:40,870 --> 00:43:39,280

seven deadly sins the real

1132

00:43:45,270 --> 00:43:40,880

transgressions against natural law

1133

00:43:48,470 --> 00:43:45,280

principles are murder assault rape theft

1134

00:43:49,829 --> 00:43:48,480

trespass coercion and deception that's

1135

00:43:52,150 --> 00:43:49,839

the real seven that these sins that's

1136

00:43:54,870 --> 00:43:52,160

how you can harm anyone else

1137

00:43:57,190 --> 00:43:54,880

you can bring harm to people by murder

1138

00:43:59,430 --> 00:43:57,200

the theft of life without your having

1139

00:44:01,190 --> 00:43:59,440

the right to take that life assault the

1140

00:44:02,630 --> 00:44:01,200

theft of bodily well-being that isn't

1141

00:44:04,150 --> 00:44:02,640

your right to take

1142

00:44:06,150 --> 00:44:04,160

um

1143

00:44:08,630 --> 00:44:06,160

rape the theft of sexual free will

1144

00:44:10,710 --> 00:44:08,640

association which you have no right to

1145

00:44:12,309 --> 00:44:10,720

uh to take without when it is not uh

1146

00:44:13,190 --> 00:44:12,319

mutually agreed upon

1147

00:44:15,510 --> 00:44:13,200

um

1148

00:44:18,870 --> 00:44:15,520

murder assault rape theft the theft of

1149

00:44:22,069 --> 00:44:18,880

property the stealing of property

1150

00:44:24,550 --> 00:44:22,079

trespass the theft of one's security in

1151  
00:44:26,309 --> 00:44:24,560  
their own uh space their own domain

1152  
00:44:28,150 --> 00:44:26,319  
their own living space

1153  
00:44:29,349 --> 00:44:28,160  
um

1154  
00:44:31,510 --> 00:44:29,359  
coercion

1155  
00:44:33,750 --> 00:44:31,520  
that's uh the theft of free will

1156  
00:44:35,589 --> 00:44:33,760  
okay and and deception is the theft of

1157  
00:44:37,829 --> 00:44:35,599  
necessary information that allows people

1158  
00:44:39,109 --> 00:44:37,839  
to make informed truly informed

1159  
00:44:40,950 --> 00:44:39,119  
decisions

1160  
00:44:43,270 --> 00:44:40,960  
so you're you're stealing in all of

1161  
00:44:45,430 --> 00:44:43,280  
those instances and that's the one wrong

1162  
00:44:48,069 --> 00:44:45,440  
doing is to take that which does not

1163  
00:44:50,550 --> 00:44:48,079

belong to you every form of wrongdoing

1164

00:44:54,069 --> 00:44:50,560

that we can engage upon uh in a

1165

00:44:56,390 --> 00:44:54,079

spiritual capacity uh in a uh

1166

00:44:58,550 --> 00:44:56,400

a capacity of transgression against true

1167

00:45:00,150 --> 00:44:58,560

natural law the real

1168

00:45:01,910 --> 00:45:00,160

laws of morality

1169

00:45:04,230 --> 00:45:01,920

uh is a form of theft

1170

00:45:07,030 --> 00:45:04,240

so there's only one real rule of the

1171

00:45:08,230 --> 00:45:07,040

universe there's only one real law

1172

00:45:09,910 --> 00:45:08,240

don't steal

1173

00:45:10,790 --> 00:45:09,920

don't take that which does not belong to

1174

00:45:12,630 --> 00:45:10,800

you

1175

00:45:14,470 --> 00:45:12,640

and that that involves understanding

1176

00:45:15,510 --> 00:45:14,480

what is our property and what is not our

1177

00:45:17,349 --> 00:45:15,520

property

1178

00:45:18,870 --> 00:45:17,359

and most people don't know what that is

1179

00:45:20,630 --> 00:45:18,880

because they'll advocate that a portion

1180

00:45:22,230 --> 00:45:20,640

of someone else's property is theirs

1181

00:45:24,069 --> 00:45:22,240

rightfully to take or be seized by

1182

00:45:26,470 --> 00:45:24,079

someone else and given to them

1183

00:45:28,790 --> 00:45:26,480

uh they'll advocate that the violence

1184

00:45:31,349 --> 00:45:28,800

that is justified you know used to

1185

00:45:32,950 --> 00:45:31,359

justify that behavior is someone else's

1186

00:45:34,790 --> 00:45:32,960

right to take

1187

00:45:36,390 --> 00:45:34,800

uh and they'll they'll advocate for

1188

00:45:38,309 --> 00:45:36,400

their own enslavement this is what

1189

00:45:40,630 --> 00:45:38,319

government is you know

1190

00:45:42,230 --> 00:45:40,640

it's it's stockholm syndrome

1191

00:45:44,950 --> 00:45:42,240

the belief in government is a form of

1192

00:45:47,430 --> 00:45:44,960

stockholm syndrome in which the slaves

1193

00:45:49,990 --> 00:45:47,440

want their slave enslavement and want

1194

00:45:52,470 --> 00:45:50,000

the rulers to rule over them and it's

1195

00:45:53,349 --> 00:45:52,480

mass madness this is a mass

1196

00:45:54,950 --> 00:45:53,359

cult

1197

00:45:56,230 --> 00:45:54,960

that's what we're in

1198

00:45:58,230 --> 00:45:56,240

you know and it's not talked about

1199

00:46:00,710 --> 00:45:58,240

enough in this community

1200

00:46:02,790 --> 00:46:00,720

the ufo community often wants to simply

1201  
00:46:05,430 --> 00:46:02,800  
talk about extraterrestrial intelligence

1202  
00:46:07,349 --> 00:46:05,440  
and again we could explore the ideology

1203  
00:46:09,510 --> 00:46:07,359  
of the rulers of the world indefinitely

1204  
00:46:11,190 --> 00:46:09,520  
and at some level yes some of them do

1205  
00:46:13,990 --> 00:46:11,200  
believe in that they're doing the

1206  
00:46:16,870 --> 00:46:14,000  
bidding of higher level entities uh you

1207  
00:46:19,430 --> 00:46:16,880  
know uh that are extra dimensional or

1208  
00:46:20,950 --> 00:46:19,440  
extraterrestrial uh without a doubt that

1209  
00:46:23,589 --> 00:46:20,960  
is a belief within

1210  
00:46:26,870 --> 00:46:23,599  
uh some satanist mindset

1211  
00:46:28,630 --> 00:46:26,880  
uh most of them are simply atheistic uh

1212  
00:46:29,990 --> 00:46:28,640  
that just believe in

1213  
00:46:31,829 --> 00:46:30,000

the accumulation of more and more

1214

00:46:32,870 --> 00:46:31,839

worldly power and the enslavement of

1215

00:46:35,190 --> 00:46:32,880

others

1216

00:46:37,510 --> 00:46:35,200

but uh there are is a subsection of them

1217

00:46:39,670 --> 00:46:37,520

i would call them the luciferians

1218

00:46:42,550 --> 00:46:39,680

that do believe that they're uh either

1219

00:46:45,190 --> 00:46:42,560

engaged with a plan with a partnering

1220

00:46:48,390 --> 00:46:45,200

with or doing the bidding of

1221

00:46:50,230 --> 00:46:48,400

off-world entities so um while that is

1222

00:46:52,470 --> 00:46:50,240

one of their beliefs i don't necessarily

1223

00:46:54,950 --> 00:46:52,480

share that belief i do believe that this

1224

00:46:57,510 --> 00:46:54,960

agenda may indeed go off-world to

1225

00:46:59,510 --> 00:46:57,520

non-human forms of intelligence but i

1226  
00:47:01,589 --> 00:46:59,520  
don't focus on that because i think that

1227  
00:47:04,150 --> 00:47:01,599  
the solution is the same it doesn't

1228  
00:47:06,790 --> 00:47:04,160  
matter who is at the highest level or if

1229  
00:47:08,470 --> 00:47:06,800  
even indeed it may go off world to

1230  
00:47:10,950 --> 00:47:08,480  
off-world agendas

1231  
00:47:12,470 --> 00:47:10,960  
uh the solution is the same

1232  
00:47:15,109 --> 00:47:12,480  
stop

1233  
00:47:17,430 --> 00:47:15,119  
conducting behaviors which are wrong

1234  
00:47:19,750 --> 00:47:17,440  
doings which

1235  
00:47:21,750 --> 00:47:19,760  
do violate the rights the inherent

1236  
00:47:24,150 --> 00:47:21,760  
natural law rights of others and do

1237  
00:47:25,990 --> 00:47:24,160  
initiate harm to other beings regardless

1238  
00:47:27,589 --> 00:47:26,000

of how much you're being paid to do it

1239

00:47:29,109 --> 00:47:27,599

even if that's the only way you can feed

1240

00:47:31,430 --> 00:47:29,119

your family you have to stop and

1241

00:47:33,430 --> 00:47:31,440

possibly be poorer for a time until you

1242

00:47:36,390 --> 00:47:33,440

can find something else to do it's to

1243

00:47:38,470 --> 00:47:36,400

cease and desist in violent behavior and

1244

00:47:41,109 --> 00:47:38,480

cease and desist in condoning violent

1245

00:47:42,710 --> 00:47:41,119

behavior and most people won't do that

1246

00:47:43,910 --> 00:47:42,720

because they're too indoctrinated

1247

00:47:45,990 --> 00:47:43,920

they're too

1248

00:47:48,390 --> 00:47:46,000

mind controlled quite frankly they're

1249

00:47:49,510 --> 00:47:48,400

under thrall they're under a hypnotic

1250

00:47:53,430 --> 00:47:49,520

trance

1251  
00:47:55,750 --> 00:47:53,440  
and uh they won't give up this identity

1252  
00:47:58,710 --> 00:47:55,760  
that they believe in authority uh you

1253  
00:48:00,790 --> 00:47:58,720  
know this this is a an actual form of

1254  
00:48:03,910 --> 00:48:00,800  
personal identity to them

1255  
00:48:06,950 --> 00:48:03,920  
uh and they're incorrect they're wrong

1256  
00:48:08,069 --> 00:48:06,960  
it doesn't exist it's a belief system it

1257  
00:48:13,190 --> 00:48:08,079  
is a

1258  
00:48:16,150 --> 00:48:13,200  
untrue belief system

1259  
00:48:17,750 --> 00:48:16,160  
it is the advocacy of slavery

1260  
00:48:20,549 --> 00:48:17,760  
anybody who believes in authority

1261  
00:48:22,630 --> 00:48:20,559  
necessarily does believe in slavery and

1262  
00:48:23,990 --> 00:48:22,640  
advocates for slavery and most people

1263  
00:48:25,589 --> 00:48:24,000

have never heard it put to them like

1264

00:48:27,270 --> 00:48:25,599

that if you're a believer in the

1265

00:48:29,349 --> 00:48:27,280

authority of human beings you are a

1266

00:48:31,910 --> 00:48:29,359

believer in slavery you believe that

1267

00:48:33,030 --> 00:48:31,920

certain people are slave masters who get

1268

00:48:35,190 --> 00:48:33,040

to command

1269

00:48:37,030 --> 00:48:35,200

and other people are slaves who have a

1270

00:48:39,270 --> 00:48:37,040

moral obligation to obey the slave

1271

00:48:43,030 --> 00:48:39,280

masters that is what the belief in

1272

00:48:45,270 --> 00:48:43,040

authority actually is it's not that way

1273

00:48:46,870 --> 00:48:45,280

because i'm saying that it is that and

1274

00:48:48,870 --> 00:48:46,880

you can get as offended about it as you

1275

00:48:51,589 --> 00:48:48,880

like you can bang your fists on the desk

1276

00:48:53,829 --> 00:48:51,599

you can cry in your beer you you can cry

1277

00:48:57,270 --> 00:48:53,839

in your glass of milk it doesn't make a

1278

00:48:59,829 --> 00:48:57,280

difference it's true to the ends of time

1279

00:49:02,630 --> 00:48:59,839

that is what authority is authority is

1280

00:49:04,390 --> 00:49:02,640

kingship authority is violence authority

1281

00:49:07,270 --> 00:49:04,400

is immorality

1282

00:49:08,549 --> 00:49:07,280

enacted into the world over others it is

1283

00:49:10,790 --> 00:49:08,559

slavery

1284

00:49:13,270 --> 00:49:10,800

and if you advocate for it you are an

1285

00:49:14,790 --> 00:49:13,280

advocate of human

1286

00:49:18,230 --> 00:49:14,800

slavery

1287

00:49:21,510 --> 00:49:18,240

and that really just makes people a

1288

00:49:23,589 --> 00:49:21,520

total piece of trash

1289

00:49:26,069 --> 00:49:23,599

that's what they really are anybody that

1290

00:49:27,750 --> 00:49:26,079

believes in government and authority and

1291

00:49:30,069 --> 00:49:27,760

they haven't heard enough people say it

1292

00:49:32,470 --> 00:49:30,079

to them to take them out of the satanic

1293

00:49:33,750 --> 00:49:32,480

mind trance that they're under they're

1294

00:49:36,710 --> 00:49:33,760

in a cult

1295

00:49:38,790 --> 00:49:36,720

they're in a mind control trance

1296

00:49:40,710 --> 00:49:38,800

that's the truth of the world that's the

1297

00:49:42,390 --> 00:49:40,720

truth of reality not because it's coming

1298

00:49:45,829 --> 00:49:42,400

out of my mouth

1299

00:49:49,990 --> 00:49:45,839

i've learned that truth of reality

1300

00:49:51,030 --> 00:49:50,000

it is that way the end period for all

1301

00:49:52,470 --> 00:49:51,040

time

1302

00:49:54,309 --> 00:49:52,480

and that's what the people in the whole

1303

00:49:57,990 --> 00:49:54,319

spiritual community won't say because

1304

00:49:59,190 --> 00:49:58,000

they're cowards they're cowards you see

1305

00:50:01,750 --> 00:49:59,200

you know

1306

00:50:03,750 --> 00:50:01,760

they don't want to come out and confront

1307

00:50:05,349 --> 00:50:03,760

anybody and rock the boat

1308

00:50:07,190 --> 00:50:05,359

i see the same thing in the ufo

1309

00:50:08,870 --> 00:50:07,200

community they don't want to talk about

1310

00:50:11,270 --> 00:50:08,880

this this makes them highly

1311

00:50:13,430 --> 00:50:11,280

uncomfortable this makes everything

1312

00:50:16,309 --> 00:50:13,440

tense and they don't want that they want

1313

00:50:18,230 --> 00:50:16,319

it to be uh you know a nice pos

1314

00:50:20,309 --> 00:50:18,240

conversation about the possibilities of

1315

00:50:22,790 --> 00:50:20,319

extraterrestrial off-world intelligence

1316

00:50:24,870 --> 00:50:22,800

and exo-politics i know all about it

1317

00:50:27,430 --> 00:50:24,880

i've spent tons and tons and tons and

1318

00:50:29,829 --> 00:50:27,440

tons of time in that community because

1319

00:50:31,589 --> 00:50:29,839

it's a big interest of mine you know i'd

1320

00:50:32,710 --> 00:50:31,599

like to know the truth about it as well

1321

00:50:34,390 --> 00:50:32,720

but if you think you're going to find

1322

00:50:37,670 --> 00:50:34,400

the truth about that in a world of

1323

00:50:40,549 --> 00:50:37,680

slavery you know you're more delusional

1324

00:50:42,230 --> 00:50:40,559

than i even give people credit for okay

1325

00:50:43,670 --> 00:50:42,240

because the rulers of the world aren't

1326

00:50:45,750 --> 00:50:43,680

interested in you learning the the

1327

00:50:47,589 --> 00:50:45,760

secrets of what's outside this planet

1328

00:50:50,630 --> 00:50:47,599

they're keeping you in a prison you're

1329

00:50:52,790 --> 00:50:50,640

imprisoned here you're not allowed off

1330

00:50:56,150 --> 00:50:52,800

world because of what's going on on this

1331

00:50:58,549 --> 00:50:56,160

planet this is a slave plantation that

1332

00:51:01,349 --> 00:50:58,559

you're confined to

1333

00:51:02,710 --> 00:51:01,359

and the people in the ufo community and

1334

00:51:04,309 --> 00:51:02,720

the spiritual community that don't

1335

00:51:07,190 --> 00:51:04,319

understand that i feel horrifically

1336

00:51:09,430 --> 00:51:07,200

sorry for your soul that you're that

1337

00:51:11,510 --> 00:51:09,440

unintelligent still with all the

1338

00:51:13,430 --> 00:51:11,520

information that resides in the world up

1339

00:51:15,270 --> 00:51:13,440

to this point that people are still

1340

00:51:17,670 --> 00:51:15,280

closing their eyes willfully and

1341

00:51:20,390 --> 00:51:17,680

deliberately you're in a bad position

1342

00:51:22,309 --> 00:51:20,400

spiritually you're you're not spiritual

1343

00:51:24,470 --> 00:51:22,319

you're not knowledgeable you're in a

1344

00:51:26,790 --> 00:51:24,480

horrific position to be in if you don't

1345

00:51:28,309 --> 00:51:26,800

understand this by now and i'm one of

1346

00:51:29,750 --> 00:51:28,319

the only people that i know of that will

1347

00:51:31,109 --> 00:51:29,760

come out and just say it out in the open

1348

00:51:32,630 --> 00:51:31,119

like that because

1349

00:51:34,710 --> 00:51:32,640

you know i don't really care what

1350

00:51:36,230 --> 00:51:34,720

anybody might try to do to me you know

1351  
00:51:37,510 --> 00:51:36,240  
i've been in the room with some of the

1352  
00:51:40,069 --> 00:51:37,520  
rulers of the world i've been in the

1353  
00:51:41,430 --> 00:51:40,079  
same room with them you know and you

1354  
00:51:43,190 --> 00:51:41,440  
know they're not even going to try to

1355  
00:51:45,270 --> 00:51:43,200  
take a crack at me number one because

1356  
00:51:47,030 --> 00:51:45,280  
i'm right number one i'm standing in

1357  
00:51:48,870 --> 00:51:47,040  
spiritual truth

1358  
00:51:52,630 --> 00:51:48,880  
and that's the most powerful shield of

1359  
00:51:54,309 --> 00:51:52,640  
defense against anybody worldly or extra

1360  
00:51:56,150 --> 00:51:54,319  
worldly okay

1361  
00:51:57,750 --> 00:51:56,160  
standing in the power of truth number

1362  
00:51:58,870 --> 00:51:57,760  
one creates the ultimate form of

1363  
00:52:00,790 --> 00:51:58,880

protection

1364

00:52:05,670 --> 00:52:00,800

and then what's left over i'll handle

1365

00:52:09,270 --> 00:52:07,750

well mark that's quite a lot to unpack

1366

00:52:12,309 --> 00:52:09,280

but i'm glad you got into all the

1367

00:52:14,309 --> 00:52:12,319

details so it saves me saves me time of

1368

00:52:16,309 --> 00:52:14,319

having to ask you the questions well i

1369

00:52:17,510 --> 00:52:16,319

would let me ask you this though are

1370

00:52:21,349 --> 00:52:17,520

there

1371

00:52:24,630 --> 00:52:21,359

the occult and then you have the the

1372

00:52:26,470 --> 00:52:24,640

the luciferians and others um

1373

00:52:28,150 --> 00:52:26,480

the speculation online and it's been

1374

00:52:29,990 --> 00:52:28,160

like that for decades

1375

00:52:33,430 --> 00:52:30,000

is that all these different groups do

1376  
00:52:34,470 --> 00:52:33,440  
belong to some kind of a cult like

1377  
00:52:37,270 --> 00:52:34,480  
satan

1378  
00:52:39,670 --> 00:52:37,280  
like cult

1379  
00:52:41,510 --> 00:52:39,680  
like the family the the royal family of

1380  
00:52:42,710 --> 00:52:41,520  
england and the bankers and all these

1381  
00:52:44,870 --> 00:52:42,720  
different ones

1382  
00:52:46,390 --> 00:52:44,880  
can you speak maybe a little bit on what

1383  
00:52:48,549 --> 00:52:46,400  
what you understand

1384  
00:52:51,270 --> 00:52:48,559  
um i guess to be

1385  
00:52:52,549 --> 00:52:51,280  
is is that is that true or is this

1386  
00:52:54,870 --> 00:52:52,559  
something that is just another

1387  
00:52:56,710 --> 00:52:54,880  
conspiracy online um and the other

1388  
00:52:58,069 --> 00:52:56,720

question i wanted to ask and it kind of

1389

00:52:59,829 --> 00:52:58,079

goes back to which you know what you

1390

00:53:01,270 --> 00:52:59,839

were talking about earlier i did always

1391

00:53:03,030 --> 00:53:01,280

find it interesting right we're supposed

1392

00:53:04,150 --> 00:53:03,040

to be this free society and i mentioned

1393

00:53:05,910 --> 00:53:04,160

this before

1394

00:53:07,109 --> 00:53:05,920

but yet somehow we're dealing with

1395

00:53:08,549 --> 00:53:07,119

mandates

1396

00:53:09,990 --> 00:53:08,559

right right and we're dealing with all

1397

00:53:11,589 --> 00:53:10,000

these things that communists pass i'm

1398

00:53:13,750 --> 00:53:11,599

like well hold on a minute you know i

1399

00:53:15,670 --> 00:53:13,760

thought it's a free society why are you

1400

00:53:18,230 --> 00:53:15,680

mandating you know and it's like why are

1401  
00:53:19,990 --> 00:53:18,240  
we taking taking this from this playbook

1402  
00:53:21,670 --> 00:53:20,000  
of the communists to deal with some

1403  
00:53:24,069 --> 00:53:21,680  
things like why don't we deal with it as

1404  
00:53:26,390 --> 00:53:24,079  
these free individual you know human

1405  
00:53:28,230 --> 00:53:26,400  
beings on the planet and act according

1406  
00:53:30,230 --> 00:53:28,240  
and you know to that instead of just

1407  
00:53:31,910 --> 00:53:30,240  
going nope i tell you what to do and you

1408  
00:53:33,829 --> 00:53:31,920  
do it

1409  
00:53:36,790 --> 00:53:33,839  
yes so the first part of the question

1410  
00:53:39,670 --> 00:53:36,800  
regarding uh groups of occultists and or

1411  
00:53:41,750 --> 00:53:39,680  
organizations that is not conspiracy

1412  
00:53:43,349 --> 00:53:41,760  
theory a lot of people try to twist and

1413  
00:53:46,390 --> 00:53:43,359

turn it into that people who don't know

1414

00:53:49,109 --> 00:53:46,400

a lot about it and uh can't speak to

1415

00:53:53,230 --> 00:53:49,119

like the correct organizations

1416

00:53:54,870 --> 00:53:53,240

will uh you know basically make it look

1417

00:53:57,750 --> 00:53:54,880

oversimplified

1418

00:53:59,589 --> 00:53:57,760

they'll use the term illuminati a lot i

1419

00:54:02,069 --> 00:53:59,599

i personally hate that term because it

1420

00:54:03,829 --> 00:54:02,079

means the enlightened ones a lot of

1421

00:54:06,309 --> 00:54:03,839

people don't even know that the place

1422

00:54:09,270 --> 00:54:06,319

where that term came from was the occult

1423

00:54:11,750 --> 00:54:09,280

organization uh in the 1700s known as

1424

00:54:14,710 --> 00:54:11,760

the bavarian illuminati out of bavaria

1425

00:54:16,390 --> 00:54:14,720

germany uh and it had a lot of deep

1426

00:54:18,230 --> 00:54:16,400

connections to the beginnings of

1427

00:54:20,950 --> 00:54:18,240

organized communism which i'm going to

1428

00:54:23,589 --> 00:54:20,960

speak to in a upcoming presentation

1429

00:54:25,270 --> 00:54:23,599

called the dark occult origins of nazism

1430

00:54:27,109 --> 00:54:25,280

and communism

1431

00:54:29,670 --> 00:54:27,119

um you know and uh

1432

00:54:31,829 --> 00:54:29,680

the the the term illuminati i i don't

1433

00:54:33,829 --> 00:54:31,839

like it applied to this satanic uh you

1434

00:54:35,349 --> 00:54:33,839

know network because they're not

1435

00:54:36,870 --> 00:54:35,359

enlightened they're not spiritually

1436

00:54:38,390 --> 00:54:36,880

enlightened they're the exact opposite

1437

00:54:39,750 --> 00:54:38,400

of spiritually enlightened

1438

00:54:41,430 --> 00:54:39,760

uh you know

1439

00:54:43,430 --> 00:54:41,440

they may be knowledgeable but that

1440

00:54:44,789 --> 00:54:43,440

doesn't make them enlightened you know

1441

00:54:47,030 --> 00:54:44,799

they're knowledgeable and they're using

1442

00:54:48,950 --> 00:54:47,040

that knowledge as a weapon over other

1443

00:54:51,910 --> 00:54:48,960

people that doesn't make you enlightened

1444

00:54:53,109 --> 00:54:51,920

that makes you a control freak dominator

1445

00:54:55,109 --> 00:54:53,119

psychopath

1446

00:54:56,150 --> 00:54:55,119

which isn't enlightened at all

1447

00:54:58,230 --> 00:54:56,160

um so

1448

00:55:00,470 --> 00:54:58,240

uh believe it or not the term that the

1449

00:55:03,030 --> 00:55:00,480

original bavarian illuminati occultists

1450

00:55:04,470 --> 00:55:03,040

used for themselves was even more

1451  
00:55:06,630 --> 00:55:04,480  
egotistical

1452  
00:55:08,390 --> 00:55:06,640  
which shows you their satanic mindset

1453  
00:55:10,390 --> 00:55:08,400  
they originally referred to themselves

1454  
00:55:13,349 --> 00:55:10,400  
as the perfectabilis

1455  
00:55:15,430 --> 00:55:13,359  
which means in latin the perfect ones i

1456  
00:55:18,069 --> 00:55:15,440  
mean imagine somebody thinking they're

1457  
00:55:20,870 --> 00:55:18,079  
completely perfected there's no room for

1458  
00:55:24,069 --> 00:55:20,880  
improvement i'm perfection embodied in a

1459  
00:55:26,069 --> 00:55:24,079  
human being i mean think about the ego

1460  
00:55:28,630 --> 00:55:26,079  
on them that they would call themselves

1461  
00:55:30,150 --> 00:55:28,640  
the perfectabilis uh it doesn't have the

1462  
00:55:32,230 --> 00:55:30,160  
it doesn't quite roll off the tongue

1463  
00:55:34,630 --> 00:55:32,240

like illuminati though so they change

1464

00:55:36,470 --> 00:55:34,640

their name after several years

1465

00:55:39,270 --> 00:55:36,480

but the original grand master of that

1466

00:55:40,870 --> 00:55:39,280

group was uh adam weishaupt and um he

1467

00:55:43,190 --> 00:55:40,880

considered himself a radical

1468

00:55:45,589 --> 00:55:43,200

revolutionary that wanted to transform

1469

00:55:47,510 --> 00:55:45,599

society in a way that was going to take

1470

00:55:49,750 --> 00:55:47,520

it beyond kingship and that form of

1471

00:55:52,870 --> 00:55:49,760

authority and uh put authority in the

1472

00:55:54,470 --> 00:55:52,880

hands of a secret hidden ruling class

1473

00:55:55,670 --> 00:55:54,480

that would rule behind the scenes and

1474

00:55:58,950 --> 00:55:55,680

become god

1475

00:56:00,470 --> 00:55:58,960

uh and he turned his organization over

1476

00:56:02,950 --> 00:56:00,480

uh to um

1477

00:56:07,710 --> 00:56:02,960

upon you know nearing his death to an

1478

00:56:09,270 --> 00:56:07,720

italian uh uh basically a um total total

1479

00:56:10,789 --> 00:56:09,280

totalitarianist

1480

00:56:14,230 --> 00:56:10,799

named um

1481

00:56:15,910 --> 00:56:14,240

uh giuseppe mazzini uh mazzini was uh

1482

00:56:20,230 --> 00:56:15,920

someone who ran a group called young

1483

00:56:22,309 --> 00:56:20,240

italy uh in his uh earlier uh youth and

1484

00:56:25,190 --> 00:56:22,319

uh he patterned that organization is

1485

00:56:27,589 --> 00:56:25,200

what ultimately the uh la cosa nostra

1486

00:56:29,270 --> 00:56:27,599

mafia of italy eventually patterned

1487

00:56:31,270 --> 00:56:29,280

themselves after

1488

00:56:33,589 --> 00:56:31,280

and a lot of people don't know he was

1489

00:56:36,470 --> 00:56:33,599

pretty much running mates with uh you

1490

00:56:40,950 --> 00:56:36,480

know running buddies with another

1491

00:56:42,470 --> 00:56:40,960

um pre-communist uh named carl schapper

1492

00:56:45,750 --> 00:56:42,480

schapper

1493

00:56:47,670 --> 00:56:45,760

was you know one of the the best friends

1494

00:56:49,430 --> 00:56:47,680

of mizzini

1495

00:56:50,710 --> 00:56:49,440

and patterned an organization called

1496

00:56:53,270 --> 00:56:50,720

young germany

1497

00:56:54,630 --> 00:56:53,280

off of um mazzini's work

1498

00:56:55,430 --> 00:56:54,640

in italy

1499

00:56:57,670 --> 00:56:55,440

and

1500

00:56:58,549 --> 00:56:57,680

uh he was one of the people who founded

1501  
00:57:00,950 --> 00:56:58,559  
the

1502  
00:57:03,270 --> 00:57:00,960  
communist league which eventually gave

1503  
00:57:05,670 --> 00:57:03,280  
rise to marx angles and the communist

1504  
00:57:07,670 --> 00:57:05,680  
manifesto a direct connection to the

1505  
00:57:10,390 --> 00:57:07,680  
dark occult and the bavarian illuminati

1506  
00:57:11,670 --> 00:57:10,400  
which most people have no idea about

1507  
00:57:14,069 --> 00:57:11,680  
i'm going to trace a lot of these

1508  
00:57:15,270 --> 00:57:14,079  
origins in my upcoming presentation it's

1509  
00:57:17,430 --> 00:57:15,280  
probably going to be

1510  
00:57:18,470 --> 00:57:17,440  
minimum six hour presentation maybe

1511  
00:57:20,789 --> 00:57:18,480  
longer

1512  
00:57:22,710 --> 00:57:20,799  
in which i go into all the personalities

1513  
00:57:24,789 --> 00:57:22,720

and groups that led the formation of

1514

00:57:26,950 --> 00:57:24,799

communism one of them was the tavistock

1515

00:57:30,230 --> 00:57:26,960

institute of human relations

1516

00:57:32,150 --> 00:57:30,240

a think tank run out of london england

1517

00:57:34,069 --> 00:57:32,160

directly connected with chatham house

1518

00:57:35,990 --> 00:57:34,079

and wellington house who are of course

1519

00:57:39,349 --> 00:57:36,000

directly connected with the crown

1520

00:57:40,630 --> 00:57:39,359

obviously mi5 etc

1521

00:57:42,630 --> 00:57:40,640

and then you could look at cross

1522

00:57:44,470 --> 00:57:42,640

connections between organizations like

1523

00:57:45,589 --> 00:57:44,480

the royal institute for international

1524

00:57:49,190 --> 00:57:45,599

affairs

1525

00:57:50,150 --> 00:57:49,200

their um basic uh pattern or not pattern

1526

00:57:51,910 --> 00:57:50,160

but um

1527

00:57:53,990 --> 00:57:51,920

the organization that is patterned after

1528

00:57:56,390 --> 00:57:54,000

them and basically uh does the same

1529

00:57:57,990 --> 00:57:56,400

thing in the united states which is um

1530

00:58:02,150 --> 00:57:58,000

uh the um

1531

00:58:04,470 --> 00:58:02,160

uh council uh on the council uh for um

1532

00:58:06,150 --> 00:58:04,480

um i wanna say council for national

1533

00:58:08,390 --> 00:58:06,160

policy it's the other one the council on

1534

00:58:10,309 --> 00:58:08,400

um foreign relations the council on

1535

00:58:13,910 --> 00:58:10,319

foreign relations

1536

00:58:15,910 --> 00:58:13,920

cfr and um you know obviously they have

1537

00:58:18,390 --> 00:58:15,920

high connections and ties with other

1538

00:58:20,789 --> 00:58:18,400

think tanks like the bilderberg group

1539

00:58:23,990 --> 00:58:22,950

another big one is the trilateral

1540

00:58:26,069 --> 00:58:24,000

commission

1541

00:58:28,710 --> 00:58:26,079

so if you know trace these think

1542

00:58:30,549 --> 00:58:28,720

tanks and their origins uh you will come

1543

00:58:32,950 --> 00:58:30,559

to dark occultists and dark occult

1544

00:58:35,030 --> 00:58:32,960

organizations uh they absolutely form

1545

00:58:37,030 --> 00:58:35,040

these political groups these political

1546

00:58:39,670 --> 00:58:37,040

think tanks that is how they wield

1547

00:58:42,789 --> 00:58:39,680

earthly power uh and these organizations

1548

00:58:44,630 --> 00:58:42,799

are supranational uh they sit above uh

1549

00:58:47,190 --> 00:58:44,640

enshrined governments and basically call

1550

00:58:49,270 --> 00:58:47,200

the shots uh inside governments they're

1551

00:58:51,270 --> 00:58:49,280

they're the policy centers for

1552

00:58:53,829 --> 00:58:51,280

government organizations

1553

00:58:55,670 --> 00:58:53,839

um you know so you can go on and on and

1554

00:58:57,190 --> 00:58:55,680

trace other think tanks and

1555

00:58:58,549 --> 00:58:57,200

organizations and

1556

00:59:00,309 --> 00:58:58,559

you will see that they all have

1557

00:59:02,630 --> 00:59:00,319

connections with dark occultists and

1558

00:59:04,470 --> 00:59:02,640

dark occult organizations as well

1559

00:59:07,030 --> 00:59:04,480

without a doubt satanists own and

1560

00:59:09,349 --> 00:59:07,040

control those organizations uh and

1561

00:59:11,990 --> 00:59:09,359

again i delineate between satanists and

1562

00:59:13,829 --> 00:59:12,000

dark luciferians uh dark luciferians i

1563

00:59:15,990 --> 00:59:13,839

would say are even higher level in the

1564

00:59:18,549 --> 00:59:16,000

satanic hierarchy or in the dark occult

1565

00:59:20,549 --> 00:59:18,559

hierarchy and they do understand natural

1566

00:59:22,309 --> 00:59:20,559

law and they do know that there's a

1567

00:59:23,829 --> 00:59:22,319

creator of the universe that put natural

1568

00:59:26,390 --> 00:59:23,839

law into effect

1569

00:59:28,630 --> 00:59:26,400

and they don't want to obey that uh

1570

00:59:30,950 --> 00:59:28,640

force in nature that they don't want to

1571

00:59:32,390 --> 00:59:30,960

they want to rule in hell rather than

1572

00:59:34,870 --> 00:59:32,400

serve in heaven

1573

00:59:36,630 --> 00:59:34,880

they would rather wall the earth off

1574

00:59:38,870 --> 00:59:36,640

from the rest of the entire manifest

1575

00:59:41,270 --> 00:59:38,880

universe and rule it as a prison as long

1576  
00:59:43,270 --> 00:59:41,280  
as they could be the rulers

1577  
00:59:45,109 --> 00:59:43,280  
that's how egotistical they are

1578  
00:59:47,270 --> 00:59:45,119  
they know that natural law exists and

1579  
00:59:49,670 --> 00:59:47,280  
they look at it as a

1580  
00:59:51,670 --> 00:59:49,680  
confining set of restraints against them

1581  
00:59:52,710 --> 00:59:51,680  
being able to do whatever they want and

1582  
00:59:53,750 --> 00:59:52,720  
therefore

1583  
00:59:55,349 --> 00:59:53,760  
they

1584  
00:59:57,190 --> 00:59:55,359  
have rejected it and tried to do

1585  
00:59:59,349 --> 00:59:57,200  
everything to insulate themselves from

1586  
01:00:00,870 --> 00:59:59,359  
it and how they do that is they make

1587  
01:00:02,630 --> 01:00:00,880  
other people do their dirty work they

1588  
01:00:05,109 --> 01:00:02,640

make other people into their order

1589

01:00:07,430 --> 01:00:05,119

followers the order follower class is

1590

01:00:10,630 --> 01:00:07,440

who's going to receive the brunt of the

1591

01:00:12,870 --> 01:00:10,640

um you know karmic debt and karmic

1592

01:00:14,870 --> 01:00:12,880

consequences not the people who call the

1593

01:00:16,870 --> 01:00:14,880

shots you know they're insulting

1594

01:00:18,549 --> 01:00:16,880

themselves from that karmic debt by

1595

01:00:20,630 --> 01:00:18,559

saying we're not the ones who are

1596

01:00:22,230 --> 01:00:20,640

actually performing the violent behavior

1597

01:00:23,670 --> 01:00:22,240

we're just calling for the violent

1598

01:00:26,150 --> 01:00:23,680

behavior we're telling people this is

1599

01:00:28,630 --> 01:00:26,160

your job to do this violence for us and

1600

01:00:31,670 --> 01:00:28,640

then who goes out and does it the police

1601

01:00:33,589 --> 01:00:31,680

the military the national guard etc all

1602

01:00:36,309 --> 01:00:33,599

the other adjunct organizations and

1603

01:00:38,789 --> 01:00:36,319

paramilitary organizations those are the

1604

01:00:42,309 --> 01:00:38,799

people who are taking the direct karmic

1605

01:00:43,829 --> 01:00:42,319

consequences down upon their actual soul

1606

01:00:45,829 --> 01:00:43,839

whether they believe they have one or

1607

01:00:47,910 --> 01:00:45,839

not when they die they'll find out

1608

01:00:49,589 --> 01:00:47,920

that's one thing that i've been talking

1609

01:00:52,390 --> 01:00:49,599

with people about and it actually almost

1610

01:00:54,870 --> 01:00:52,400

brings me a slight modicum of pleasure

1611

01:00:57,910 --> 01:00:54,880

to understand that everyone will die one

1612

01:00:59,589 --> 01:00:57,920

day and everyone will be held account

1613

01:01:02,309 --> 01:00:59,599

for what they did or did not do in this

1614

01:01:04,470 --> 01:01:02,319

realm because what we do here has

1615

01:01:05,589 --> 01:01:04,480

repercussions and what we do here

1616

01:01:08,630 --> 01:01:05,599

matters

1617

01:01:11,829 --> 01:01:08,640

and when we face our ultimate

1618

01:01:12,630 --> 01:01:11,839

uh one to one passing from this world

1619

01:01:14,230 --> 01:01:12,640

this

1620

01:01:15,910 --> 01:01:14,240

thing that we're going to do ourselves

1621

01:01:17,190 --> 01:01:15,920

just like we came into this world alone

1622

01:01:18,230 --> 01:01:17,200

we're going to leave this world by

1623

01:01:19,829 --> 01:01:18,240

ourselves

1624

01:01:22,390 --> 01:01:19,839

uh one at a time

1625

01:01:24,549 --> 01:01:22,400

and we will find out that there are

1626  
01:01:26,870 --> 01:01:24,559  
repercussions and consequences the the

1627  
01:01:29,349 --> 01:01:26,880  
game here on earth and it's not really a

1628  
01:01:31,589 --> 01:01:29,359  
quote game i'm just using that term the

1629  
01:01:35,109 --> 01:01:31,599  
the whole plan here on earth if you will

1630  
01:01:38,069 --> 01:01:35,119  
is truth and consequences

1631  
01:01:41,309 --> 01:01:38,079  
did we learn the truth did we serve the

1632  
01:01:44,630 --> 01:01:41,319  
truth did we speak the truth to others

1633  
01:01:46,390 --> 01:01:44,640  
unapologetically and fearlessly okay did

1634  
01:01:48,870 --> 01:01:46,400  
we try to live our lives in harmony in

1635  
01:01:50,950 --> 01:01:48,880  
accordance and in alignment with truth

1636  
01:01:52,789 --> 01:01:50,960  
right or did we not do any of those

1637  
01:01:54,470 --> 01:01:52,799  
things and there will be consequences

1638  
01:01:56,150 --> 01:01:54,480

manifested either way

1639

01:01:58,309 --> 01:01:56,160

some will manifest here on the earth

1640

01:02:00,789 --> 01:01:58,319

plane some will manifest wherever our

1641

01:02:02,069 --> 01:02:00,799

consciousness goes after this plane of

1642

01:02:04,789 --> 01:02:02,079

existence

1643

01:02:06,390 --> 01:02:04,799

and there will be people in shock and

1644

01:02:08,710 --> 01:02:06,400

horror

1645

01:02:11,109 --> 01:02:08,720

and i get a nice big grin on my face

1646

01:02:13,589 --> 01:02:11,119

when i think about that and not not that

1647

01:02:16,789 --> 01:02:13,599

not their shock and horror but that we

1648

01:02:18,870 --> 01:02:16,799

all will individually be held to account

1649

01:02:20,390 --> 01:02:18,880

and to consequence for what we have or

1650

01:02:22,870 --> 01:02:20,400

have not done here

1651

01:02:26,710 --> 01:02:22,880

that puts a big smile on my face

1652

01:02:29,510 --> 01:02:26,720

one because that's cosmic justice

1653

01:02:31,990 --> 01:02:29,520

two because i know i'm okay

1654

01:02:34,150 --> 01:02:32,000

i know i did what was required of me i

1655

01:02:36,150 --> 01:02:34,160

know i made the appropriate and required

1656

01:02:39,270 --> 01:02:36,160

sacrifices in my personal

1657

01:02:40,950 --> 01:02:39,280

uh selfish aspects of my life and put

1658

01:02:42,710 --> 01:02:40,960

those things on hold and on the back

1659

01:02:44,390 --> 01:02:42,720

burner to do what was right in the times

1660

01:02:46,390 --> 01:02:44,400

that we are living in and i have no

1661

01:02:49,430 --> 01:02:46,400

doubt about that

1662

01:02:51,750 --> 01:02:49,440

so once again that is my

1663

01:02:53,109 --> 01:02:51,760

spiritual shielding and protection

1664

01:02:55,589 --> 01:02:53,119

that's why i don't worry what's going to

1665

01:02:58,789 --> 01:02:55,599

happen to me in the physical or in the

1666

01:03:00,829 --> 01:02:58,799

hereafter not worried a bit because i

1667

01:03:05,430 --> 01:03:00,839

know i did what was right and what was

1668

01:03:10,069 --> 01:03:07,670

you know mark um um

1669

01:03:11,349 --> 01:03:10,079

you know i'm glad uh you're covering all

1670

01:03:13,190 --> 01:03:11,359

these different subjects and talking

1671

01:03:15,670 --> 01:03:13,200

about these different things you know

1672

01:03:17,589 --> 01:03:15,680

because i've often also mentioned to

1673

01:03:20,309 --> 01:03:17,599

people that you'll log into your for hub

1674

01:03:21,910 --> 01:03:20,319

to watch and i have some open lines so

1675

01:03:23,910 --> 01:03:21,920

an occasion i would share some personal

1676

01:03:25,670 --> 01:03:23,920

experiences and a point of view about

1677

01:03:27,349 --> 01:03:25,680

certain things and i said i can

1678

01:03:29,910 --> 01:03:27,359

understand that a lot of people are

1679

01:03:31,670 --> 01:03:29,920

always interested in ufos and they want

1680

01:03:33,270 --> 01:03:31,680

more about ufos tell us more about these

1681

01:03:36,069 --> 01:03:33,280

ships what's going on all this other

1682

01:03:37,109 --> 01:03:36,079

stuff i said but the more important and

1683

01:03:39,430 --> 01:03:37,119

and

1684

01:03:42,630 --> 01:03:39,440

pertinent information right now is your

1685

01:03:44,710 --> 01:03:42,640

well-being in in this moment and so if

1686

01:03:46,710 --> 01:03:44,720

you're not taking care of that you know

1687

01:03:48,710 --> 01:03:46,720

you can pretty much also be worried you

1688

01:03:50,950 --> 01:03:48,720

know about the you know wondering about

1689

01:03:52,950 --> 01:03:50,960

ufos and their ships behind bars when

1690

01:03:54,870 --> 01:03:52,960

you're captured you know and right and

1691

01:03:56,309 --> 01:03:54,880

one of those that's the advanced class

1692

01:03:59,589 --> 01:03:56,319

folks you think you're going to skip

1693

01:04:02,470 --> 01:03:59,599

kindergarten and go to you know uh you

1694

01:04:04,069 --> 01:04:02,480

know uh college-level physics you know

1695

01:04:06,069 --> 01:04:04,079

they're they're they're looking at us

1696

01:04:08,470 --> 01:04:06,079

like you got to solve your own problems

1697

01:04:11,109 --> 01:04:08,480

down there you got and you got lots of

1698

01:04:13,829 --> 01:04:11,119

them to work on and solve

1699

01:04:14,630 --> 01:04:13,839

you think that beings of that intellect

1700

01:04:19,670 --> 01:04:14,640

and

1701

01:04:21,510 --> 01:04:19,680

really interested in pulling us up by

1702

01:04:23,430 --> 01:04:21,520

our own bootstraps instead of allowing

1703

01:04:24,950 --> 01:04:23,440

us to do it for ourselves and learning

1704

01:04:27,029 --> 01:04:24,960

that would be like trying to take a

1705

01:04:29,109 --> 01:04:27,039

kindergarten child and put them in an ap

1706

01:04:31,990 --> 01:04:29,119

physics class to think about how well

1707

01:04:33,910 --> 01:04:32,000

they do outside of that that you know

1708

01:04:35,270 --> 01:04:33,920

low level kindergarten class they

1709

01:04:37,190 --> 01:04:35,280

wouldn't do well

1710

01:04:39,029 --> 01:04:37,200

skipping all those grades and

1711

01:04:40,309 --> 01:04:39,039

unfortunately they're just popping in

1712

01:04:42,069 --> 01:04:40,319

taking a look have they learned their

1713

01:04:43,990 --> 01:04:42,079

lessons yet are they ready for the next

1714

01:04:45,829 --> 01:04:44,000

lesson and then unfortunately folks the

1715

01:04:48,150 --> 01:04:45,839

answer is no you think you're going to

1716

01:04:49,990 --> 01:04:48,160

commune and with them and get all kinds

1717

01:04:51,829 --> 01:04:50,000

of secrets and get get you know pulled

1718

01:04:53,190 --> 01:04:51,839

up to an advanced class the universe

1719

01:04:55,430 --> 01:04:53,200

doesn't work like that that's the

1720

01:04:56,630 --> 01:04:55,440

mindset of the child it's the mindset of

1721

01:04:59,270 --> 01:04:56,640

a child that doesn't want to pass

1722

01:05:01,349 --> 01:04:59,280

kindergarten and you know wants to go to

1723

01:05:03,349 --> 01:05:01,359

the advanced ap physics class where

1724

01:05:04,789 --> 01:05:03,359

they're gonna they're gonna get a zero

1725

01:05:06,710 --> 01:05:04,799

there anyway because they didn't learn

1726

01:05:08,549 --> 01:05:06,720

their lessons in kindergarten and it's

1727

01:05:10,069 --> 01:05:08,559

sad that i even have to

1728

01:05:12,150 --> 01:05:10,079

explain it and put it like that and i

1729

01:05:14,630 --> 01:05:12,160

know it sounds condescending but that's

1730

01:05:16,309 --> 01:05:14,640

that's exactly really how it works uh

1731

01:05:17,990 --> 01:05:16,319

these beings are just you know like it's

1732

01:05:19,190 --> 01:05:18,000

almost like they're studying like oh my

1733

01:05:21,349 --> 01:05:19,200

god look at this is what a

1734

01:05:22,870 --> 01:05:21,359

civilization's that that is completely

1735

01:05:24,150 --> 01:05:22,880

and utterly annihilating itself and

1736

01:05:27,109 --> 01:05:24,160

destroying itself and staying

1737

01:05:28,870 --> 01:05:27,119

spiritually stagnant looks like and it's

1738

01:05:30,789 --> 01:05:28,880

like it's like a glimpse for them what

1739

01:05:32,549 --> 01:05:30,799

not to do that's pretty much what the

1740

01:05:34,230 --> 01:05:32,559

earth is to these beings

1741

01:05:36,470 --> 01:05:34,240

right well

1742

01:05:38,470 --> 01:05:36,480

what i was going to say is

1743

01:05:39,349 --> 01:05:38,480

you and i we haven't talked since but

1744

01:05:40,950 --> 01:05:39,359

you know

1745

01:05:42,549 --> 01:05:40,960

one of the reasons why i started this

1746

01:05:45,029 --> 01:05:42,559

channel is because of my own personal

1747

01:05:46,950 --> 01:05:45,039

experiences and this was something i've

1748

01:05:48,710 --> 01:05:46,960

often talked about which was really

1749

01:05:50,470 --> 01:05:48,720

interesting but people always want to

1750

01:05:52,789 --> 01:05:50,480

know all these different

1751

01:05:54,230 --> 01:05:52,799

you know extra thresholds you know ships

1752

01:05:56,390 --> 01:05:54,240

and what they're doing and all sort of

1753

01:05:59,109 --> 01:05:56,400

stuff but something that just

1754

01:06:01,270 --> 01:05:59,119

dumbfounded me was my interactions

1755

01:06:03,549 --> 01:06:01,280

were always

1756

01:06:05,349 --> 01:06:03,559

basically reflected back to me about

1757

01:06:08,150 --> 01:06:05,359

self-responsibility

1758

01:06:10,150 --> 01:06:08,160

to be responsible about that you create

1759

01:06:12,390 --> 01:06:10,160

your reality and and how you look at

1760

01:06:14,630 --> 01:06:12,400

certain things is that what will then

1761

01:06:17,190 --> 01:06:14,640

dictate how you move on and a lot of

1762

01:06:19,750 --> 01:06:17,200

that was the the majority of these

1763

01:06:21,990 --> 01:06:19,760

experiences you know and what was you

1764

01:06:23,349 --> 01:06:22,000

know so when people talk to me about the

1765

01:06:24,950 --> 01:06:23,359

you know when i start talking about

1766

01:06:27,349 --> 01:06:24,960

these things they always think it's like

1767

01:06:28,470 --> 01:06:27,359

some kind of um like i'm okay that's

1768

01:06:29,750 --> 01:06:28,480

great but why are you talking about

1769

01:06:32,069 --> 01:06:29,760

psychology stuff tell me about the

1770

01:06:33,109 --> 01:06:32,079

aliens i was like yeah there's an aspect

1771

01:06:35,349 --> 01:06:33,119

of that but

1772

01:06:38,150 --> 01:06:35,359

the ones that truly want to interact on

1773

01:06:40,230 --> 01:06:38,160

an equal level they want you to become

1774

01:06:42,309 --> 01:06:40,240

the the best version of yourself that

1775

01:06:45,029 --> 01:06:42,319

you can be before you can move on

1776

01:06:47,190 --> 01:06:45,039

anywhere else you know and so that's why

1777

01:06:48,950 --> 01:06:47,200

early in ufo hub history i mean it's

1778

01:06:50,710 --> 01:06:48,960

been almost eight years now i always

1779

01:06:52,309 --> 01:06:50,720

started including other people such as

1780

01:06:54,710 --> 01:06:52,319

yourself and others they talk about

1781

01:06:56,950 --> 01:06:54,720

these you know other aspects other to

1782

01:06:58,630 --> 01:06:56,960

just your first ufo ship ships you know

1783

01:07:00,549 --> 01:06:58,640

tell us this tell us that you know

1784

01:07:02,390 --> 01:07:00,559

because it is it is important you know

1785

01:07:04,710 --> 01:07:02,400

the relationships you know like the

1786

01:07:06,069 --> 01:07:04,720

actually more i think i the way you laid

1787

01:07:08,390 --> 01:07:06,079

it out there i couldn't have done any

1788

01:07:11,270 --> 01:07:08,400

better myself that is what uh some of

1789

01:07:13,510 --> 01:07:11,280

these uh uh higher level or extra

1790

01:07:15,750 --> 01:07:13,520

dimensional entities want they want us

1791

01:07:17,430 --> 01:07:15,760

to deal with our own problems they want

1792

01:07:19,990 --> 01:07:17,440

us to learn about ourselves and our own

1793

01:07:21,589 --> 01:07:20,000

psychology our own motivations why we're

1794

01:07:23,750 --> 01:07:21,599

doing the things we're doing why we're

1795

01:07:25,589 --> 01:07:23,760

allowing the things that we're allowing

1796

01:07:27,829 --> 01:07:25,599

and they want us to learn and grow and

1797

01:07:29,589 --> 01:07:27,839

become a better version of ourselves

1798

01:07:31,829 --> 01:07:29,599

that's the only way we're going to be

1799

01:07:34,390 --> 01:07:31,839

prepared to go out and meet our cosmic

1800

01:07:37,430 --> 01:07:34,400

brethren our cosmic brothers and sisters

1801

01:07:39,190 --> 01:07:37,440

out in in the rest of creation

1802

01:07:40,789 --> 01:07:39,200

as of right now i don't think the rest

1803

01:07:43,190 --> 01:07:40,799

of the universe would pretty much

1804

01:07:45,750 --> 01:07:43,200

welcome us on their block with at the

1805

01:07:48,150 --> 01:07:45,760

level of uh consciousness that we are at

1806

01:07:50,870 --> 01:07:48,160

collectively as a species unfortunately

1807

01:07:52,150 --> 01:07:50,880

so i i 100 concur with what you just

1808

01:07:54,470 --> 01:07:52,160

laid out that that's what this is

1809

01:07:56,549 --> 01:07:54,480

ultimately all about

1810

01:07:57,829 --> 01:07:56,559

yeah because in every relationship at

1811

01:07:59,670 --> 01:07:57,839

the end of the day it's all about

1812

01:08:01,910 --> 01:07:59,680

baggage you know

1813

01:08:04,150 --> 01:08:01,920

and uh the least uh that you bring with

1814

01:08:07,109 --> 01:08:04,160

you the better you know uh so anyway

1815

01:08:08,710 --> 01:08:07,119

what i wanted to um in about

1816

01:08:10,230 --> 01:08:08,720

roughly about 20 minutes i'm just

1817

01:08:13,349 --> 01:08:10,240

letting know everyone else watching

1818

01:08:15,349 --> 01:08:13,359

we're going to go into q a and so you

1819

01:08:18,309 --> 01:08:15,359

can talk to mark directly by downloading

1820

01:08:19,990 --> 01:08:18,319

a telegram app and

1821

01:08:22,789 --> 01:08:20,000

basically just signing up there you'll

1822

01:08:25,829 --> 01:08:22,799

see there's a i'm simo simultaneously

1823

01:08:28,229 --> 01:08:25,839

also casting on telegram voice only for

1824

01:08:30,229 --> 01:08:28,239

those of you that are listening there so

1825

01:08:32,870 --> 01:08:30,239

um i can i meet you and you can talk to

1826

01:08:35,110 --> 01:08:32,880

mark or if you're in the chat simply put

1827

01:08:37,269 --> 01:08:35,120

the three asterisks there and ask a

1828

01:08:39,910 --> 01:08:37,279

question so it'll easily pop out at me

1829

01:08:41,749 --> 01:08:39,920

and i can relate tomorrow and um but

1830

01:08:44,149 --> 01:08:41,759

what i the the next question i have for

1831

01:08:46,630 --> 01:08:44,159

you mark is that um

1832

01:08:50,070 --> 01:08:46,640

so one of the the very basic things that

1833

01:08:53,430 --> 01:08:50,080

it's so silly how simple it is is to

1834

01:08:55,189 --> 01:08:53,440

take a step forward right and into

1835

01:08:57,990 --> 01:08:55,199

anything that you say you want to do

1836

01:08:59,990 --> 01:08:58,000

that is like the the the very basic that

1837

01:09:02,470 --> 01:09:00,000

you can simply kind of break things down

1838

01:09:04,149 --> 01:09:02,480

to tell somebody and so people always

1839

01:09:05,590 --> 01:09:04,159

you know expecting and we talked a lot

1840

01:09:07,669 --> 01:09:05,600

about this a little bit before the show

1841

01:09:09,590 --> 01:09:07,679

started um you know

1842

01:09:11,829 --> 01:09:09,600

such as yourself and myself and others

1843

01:09:13,669 --> 01:09:11,839

that are very close to me they're very

1844

01:09:15,510 --> 01:09:13,679

self-driven like they don't need people

1845

01:09:17,669 --> 01:09:15,520

telling them what to do they just know

1846

01:09:19,749 --> 01:09:17,679

this is wrong i got to fix it or this is

1847

01:09:22,149 --> 01:09:19,759

right awesome let me encourage it right

1848

01:09:25,269 --> 01:09:22,159

and so but not everyone always thinks in

1849

01:09:26,709 --> 01:09:25,279

those terms and so um would can you add

1850

01:09:28,390 --> 01:09:26,719

a little bit more to that or do you

1851

01:09:30,470 --> 01:09:28,400

think absolutely there's there's even

1852

01:09:32,390 --> 01:09:30,480

more of a simpler step to to them just

1853

01:09:34,149 --> 01:09:32,400

say just start taking a first step on

1854

01:09:35,349 --> 01:09:34,159

your own and just go to see where it

1855

01:09:36,709 --> 01:09:35,359

takes you

1856

01:09:38,229 --> 01:09:36,719

i i love that you brought up this

1857

01:09:40,550 --> 01:09:38,239

question because i talk about this all

1858

01:09:43,269 --> 01:09:40,560

the time and i was telling you in the

1859

01:09:45,430 --> 01:09:43,279

pre uh interview session that i'm

1860

01:09:47,349 --> 01:09:45,440

actually giving a seminar to try to help

1861

01:09:49,189 --> 01:09:47,359

people develop skill sets like that

1862

01:09:50,070 --> 01:09:49,199

particularly when it comes to speaking

1863

01:09:52,229 --> 01:09:50,080

out

1864

01:09:54,709 --> 01:09:52,239

through modern forms of technology and

1865

01:09:56,229 --> 01:09:54,719

publishing communication and publishing

1866

01:09:58,709 --> 01:09:56,239

on the internet

1867

01:10:00,709 --> 01:09:58,719

and so yes that's the step that we need

1868

01:10:03,510 --> 01:10:00,719

to take as a species is to stop looking

1869

01:10:05,189 --> 01:10:03,520

for a leader there is no waiting for

1870

01:10:07,590 --> 01:10:05,199

orders from headquarters in this

1871

01:10:09,590 --> 01:10:07,600

spiritual war you want to know why there

1872

01:10:11,590 --> 01:10:09,600

are no generals you know there are no

1873

01:10:14,709 --> 01:10:11,600

lieutenants there are no you know people

1874

01:10:16,550 --> 01:10:14,719

who are in quote charge it's everybody

1875

01:10:17,990 --> 01:10:16,560

has to step forward and pull their own

1876

01:10:20,149 --> 01:10:18,000

weight and make their own effort and

1877

01:10:22,229 --> 01:10:20,159

create we're here to be

1878

01:10:24,390 --> 01:10:22,239

small c creators

1879

01:10:27,030 --> 01:10:24,400

and we're here to create with our unique

1880

01:10:29,590 --> 01:10:27,040

abilities and and our senses and our

1881

01:10:31,590 --> 01:10:29,600

understanding and then create media that

1882

01:10:33,669 --> 01:10:31,600

you can share with others this is what

1883

01:10:35,830 --> 01:10:33,679

we're here to do we're here to reach out

1884

01:10:38,550 --> 01:10:35,840

to others through our words through the

1885

01:10:41,270 --> 01:10:38,560

ways that we can formulate ideas and put

1886

01:10:43,430 --> 01:10:41,280

them before other people's attention and

1887

01:10:44,790 --> 01:10:43,440

uh that's how we can influence others to

1888

01:10:46,630 --> 01:10:44,800

think differently about things and

1889

01:10:49,430 --> 01:10:46,640

therefore that will inform their

1890

01:10:51,510 --> 01:10:49,440

behavior and make them uh con conduct

1891

01:10:54,470 --> 01:10:51,520

more positive behavior behavior that is

1892

01:10:57,590 --> 01:10:54,480

is within right uh and is not out of

1893

01:10:58,470 --> 01:10:57,600

alignment with what is right and um you

1894

01:11:00,310 --> 01:10:58,480

know

1895

01:11:03,350 --> 01:11:00,320

i give a seminar called how to become

1896

01:11:05,350 --> 01:11:03,360

the true media where uh it's not about

1897

01:11:07,910 --> 01:11:05,360

just following what i'm saying i don't

1898

01:11:10,070 --> 01:11:07,920

want followers i don't want subscribers

1899

01:11:11,750 --> 01:11:10,080

and followers i'm not interested in that

1900

01:11:13,750 --> 01:11:11,760

i'm interested in people who want to

1901

01:11:16,149 --> 01:11:13,760

become teachers themselves i'm

1902

01:11:18,709 --> 01:11:16,159

interested in people who want to master

1903

01:11:20,550 --> 01:11:18,719

real spiritual material and then teach

1904

01:11:22,550 --> 01:11:20,560

that to other people

1905

01:11:24,149 --> 01:11:22,560

uh in their own way in their own fashion

1906

01:11:26,550 --> 01:11:24,159

because you know what not everybody will

1907

01:11:28,709 --> 01:11:26,560

receive it from me and i know that and

1908

01:11:30,950 --> 01:11:28,719

that's okay not everybody has to receive

1909

01:11:32,630 --> 01:11:30,960

it from me some people may not like my

1910

01:11:33,990 --> 01:11:32,640

style some people may not like my

1911

01:11:36,310 --> 01:11:34,000

personality

1912

01:11:38,630 --> 01:11:36,320

i don't necessarily like everybody else

1913

01:11:40,310 --> 01:11:38,640

no you don't have to right that's not

1914

01:11:42,149 --> 01:11:40,320

required what's required is to

1915

01:11:43,830 --> 01:11:42,159

understand what right and wrong are

1916

01:11:46,070 --> 01:11:43,840

what's required is understand what the

1917

01:11:47,990 --> 01:11:46,080

human condition is and change it for the

1918

01:11:52,070 --> 01:11:48,000

better because it's not so good right

1919

01:11:54,229 --> 01:11:52,080

now okay uh and you know nobody has to

1920

01:11:56,149 --> 01:11:54,239

take the receive this information from

1921

01:11:58,310 --> 01:11:56,159

me but they have to receive it from

1922

01:12:00,470 --> 01:11:58,320

somewhere if they want to make progress

1923

01:12:02,310 --> 01:12:00,480

so for people that do kind of uh you

1924

01:12:06,229 --> 01:12:02,320

know jibe with my

1925

01:12:08,709 --> 01:12:06,239

more street uh style um you know that's

1926

01:12:10,229 --> 01:12:08,719

no bones that's i i don't beat around

1927

01:12:12,870 --> 01:12:10,239

the bush i don't i don't speak

1928

01:12:15,189 --> 01:12:12,880

cryptically uh i i don't talk to people

1929

01:12:17,430 --> 01:12:15,199

like they're uh a child insofar as

1930

01:12:18,790 --> 01:12:17,440

they're not ready to hear what i have to

1931

01:12:20,630 --> 01:12:18,800

say if you're not ready to hear what i

1932

01:12:22,870 --> 01:12:20,640

have to say just turn it off that's what

1933

01:12:24,790 --> 01:12:22,880

i just tell people you know i'm not here

1934

01:12:27,110 --> 01:12:24,800

to sugarcoat anything you know i'm here

1935

01:12:29,510 --> 01:12:27,120

to tell you we're in the final hours of

1936

01:12:31,110 --> 01:12:29,520

this whole thing and uh you know if you

1937

01:12:33,830 --> 01:12:31,120

haven't figured out what's going on yet

1938

01:12:35,590 --> 01:12:33,840

you're really slow to the party you know

1939

01:12:38,229 --> 01:12:35,600

and uh maybe you need to pick up the

1940

01:12:40,950 --> 01:12:38,239

pace a little bit so for people that can

1941

01:12:43,110 --> 01:12:40,960

handle my style you know i give a class

1942

01:12:45,110 --> 01:12:43,120

called how to become the true media and

1943

01:12:46,709 --> 01:12:45,120

it's basically uh

1944

01:12:49,510 --> 01:12:46,719

teaching my

1945

01:12:52,390 --> 01:12:49,520

you know lifetime of skill sets in the

1946

01:12:54,550 --> 01:12:52,400

whole realm of computing

1947

01:12:57,030 --> 01:12:54,560

to explain to them well how do you start

1948

01:12:59,350 --> 01:12:57,040

a podcast how do you make a website how

1949

01:13:00,950 --> 01:12:59,360

do you make a video you know uh how do

1950

01:13:02,470 --> 01:13:00,960

you make a presentation and what

1951

01:13:04,229 --> 01:13:02,480

equipment's going to be required to

1952

01:13:05,750 --> 01:13:04,239

deliver a presentation live in front of

1953

01:13:07,910 --> 01:13:05,760

people like i've done

1954

01:13:10,149 --> 01:13:07,920

uh and showing them all the software you

1955

01:13:12,870 --> 01:13:10,159

know taking them through it week by week

1956

01:13:15,270 --> 01:13:12,880

it's like a long seminar it's a

1957

01:13:17,750 --> 01:13:15,280

six month long seminar one day a week

1958

01:13:19,189 --> 01:13:17,760

three hours a night right so right now

1959

01:13:20,870 --> 01:13:19,199

we're meeting thursday nights i think

1960

01:13:22,790 --> 01:13:20,880

next year i'm going to change it back to

1961

01:13:24,229 --> 01:13:22,800

tuesday nights maybe wednesday night

1962

01:13:26,149 --> 01:13:24,239

something like that

1963

01:13:29,430 --> 01:13:26,159

and you know for three hours i teach

1964

01:13:31,110 --> 01:13:29,440

this course each week for 23 weeks

1965

01:13:32,390 --> 01:13:31,120

that's about six months out of the year

1966

01:13:34,470 --> 01:13:32,400

approximately

1967

01:13:36,550 --> 01:13:34,480

and um it's a commitment of time you

1968

01:13:39,110 --> 01:13:36,560

know it's a it's a it's a commitment of

1969

01:13:40,709 --> 01:13:39,120

attention and time and uh you know

1970

01:13:43,270 --> 01:13:40,719

sacrificing a little bit of your time

1971

01:13:45,669 --> 01:13:43,280

each week to learn these skills and then

1972

01:13:48,229 --> 01:13:45,679

practice them on your own and we've got

1973

01:13:49,910 --> 01:13:48,239

some people who are like you know really

1974

01:13:51,990 --> 01:13:49,920

really you know

1975

01:13:53,750 --> 01:13:52,000

using it using the skill sets and

1976

01:13:56,070 --> 01:13:53,760

they're like star pupils coming out of

1977

01:13:57,910 --> 01:13:56,080

it making their own content i've already

1978

01:14:01,350 --> 01:13:57,920

put them on my network of content

1979

01:14:03,030 --> 01:14:01,360

creators that i started uh early 2021

1980

01:14:05,030 --> 01:14:03,040

you know envisioned it

1981

01:14:07,590 --> 01:14:05,040

back years ago didn't have the resources

1982

01:14:09,189 --> 01:14:07,600

to build the network finally did got the

1983

01:14:12,950 --> 01:14:09,199

help that i needed we built it it's

1984

01:14:18,390 --> 01:14:15,990

again onegreatworknetwork.com

1985

01:14:19,510 --> 01:14:18,400

and we have like 52 content creators up

1986

01:14:21,590 --> 01:14:19,520

there already we're going to be on

1987

01:14:22,550 --> 01:14:21,600

boarding a few more before the year is

1988

01:14:24,790 --> 01:14:22,560

out

1989

01:14:27,270 --> 01:14:24,800

and um you know

1990

01:14:29,750 --> 01:14:27,280

some people who took this class ended up

1991

01:14:32,470 --> 01:14:29,760

as even like star pupils and are already

1992

01:14:34,070 --> 01:14:32,480

on one great work network making content

1993

01:14:35,030 --> 01:14:34,080

putting content up there on a weekly

1994

01:14:38,390 --> 01:14:35,040

basis

1995

01:14:40,630 --> 01:14:38,400

so um you know it's very practical very

1996

01:14:42,870 --> 01:14:40,640

practical worldly skill sets are taught

1997

01:14:44,310 --> 01:14:42,880

because a lot of people who have

1998

01:14:46,390 --> 01:14:44,320

knowledge and know a little bit about

1999

01:14:48,229 --> 01:14:46,400

this type of stuff don't know how to

2000

01:14:50,950 --> 01:14:48,239

reach out to other people online and

2001

01:14:53,430 --> 01:14:50,960

teach it uh and we're showing people how

2002

01:14:56,390 --> 01:14:53,440

to do that on a weekly basis i'm now

2003

01:14:58,709 --> 01:14:56,400

kind of restructured my content um so

2004

01:15:00,870 --> 01:14:58,719

that i'm doing a live broadcasting six

2005

01:15:03,669 --> 01:15:00,880

months out of the year and then for the

2006

01:15:05,110 --> 01:15:03,679

other six months i teach this seminar uh

2007

01:15:07,910 --> 01:15:05,120

and i'm going to keep it going in that

2008

01:15:09,990 --> 01:15:07,920

six month on six month off time frame

2009

01:15:12,550 --> 01:15:10,000

because i think that's a better use of

2010

01:15:14,149 --> 01:15:12,560

my time and talents where you know i can

2011

01:15:16,950 --> 01:15:14,159

not only do my own

2012

01:15:18,790 --> 01:15:16,960

outreach uh educationally to people uh

2013

01:15:20,470 --> 01:15:18,800

for six months out of the year but then

2014

01:15:23,270 --> 01:15:20,480

for the other six months i could teach a

2015

01:15:24,709 --> 01:15:23,280

class of potential content creators so

2016

01:15:26,630 --> 01:15:24,719

that's the direction that i've been

2017

01:15:28,870 --> 01:15:26,640

taking my work in uh in the last couple

2018

01:15:31,430 --> 01:15:28,880

of years

2019

01:15:33,350 --> 01:15:31,440

you know i don't want this to sound too

2020

01:15:35,430 --> 01:15:33,360

too condescending for those listening

2021

01:15:37,189 --> 01:15:35,440

but you know it was one of those things

2022

01:15:39,110 --> 01:15:37,199

uh so many years into it where i

2023

01:15:39,990 --> 01:15:39,120

realized i have to

2024

01:15:41,990 --> 01:15:40,000

give

2025

01:15:43,750 --> 01:15:42,000

practical examples because i thought

2026

01:15:45,750 --> 01:15:43,760

people were like me where you get

2027

01:15:47,910 --> 01:15:45,760

information like okay i'll take with it

2028

01:15:50,630 --> 01:15:47,920

and run with it and but most people

2029

01:15:52,630 --> 01:15:50,640

don't do that or don't know how and so

2030

01:15:54,310 --> 01:15:52,640

it's almost like uh just recently you

2031

01:15:56,149 --> 01:15:54,320

know i had to kind of apply this with my

2032

01:15:57,590 --> 01:15:56,159

older son you know i constantly keep

2033

01:15:59,510 --> 01:15:57,600

telling him it's like find something you

2034

01:16:01,189 --> 01:15:59,520

love doing and then get interested in it

2035

01:16:03,270 --> 01:16:01,199

you know if there's some something i can

2036

01:16:05,669 --> 01:16:03,280

do to help out let me know and and we'll

2037

01:16:08,630 --> 01:16:05,679

do that because he's 14 now and i

2038

01:16:09,990 --> 01:16:08,640

remember when i was 14 i already i felt

2039

01:16:12,310 --> 01:16:10,000

like all right and you have to think i

2040

01:16:14,630 --> 01:16:12,320

know today you know and i'm just trying

2041

01:16:17,110 --> 01:16:14,640

to like just get get your brain going

2042

01:16:18,310 --> 01:16:17,120

you know and so uh his mother and i were

2043

01:16:19,430 --> 01:16:18,320

kind of talking about this i'm like

2044

01:16:21,750 --> 01:16:19,440

we're gonna have to start giving him

2045

01:16:25,030 --> 01:16:21,760

some practical examples so i said you

2046

01:16:27,270 --> 01:16:25,040

know uh so far for his birthday um you

2047

01:16:29,750 --> 01:16:27,280

know it was something fun to do but at

2048

01:16:31,990 --> 01:16:29,760

the same time it was an example where he

2049

01:16:34,310 --> 01:16:32,000

now could step outside the norm and

2050

01:16:36,709 --> 01:16:34,320

which was um you know i was always

2051  
01:16:38,790 --> 01:16:36,719  
interested in planes you know the way

2052  
01:16:40,630 --> 01:16:38,800  
you know the fly and it's it's something

2053  
01:16:42,310 --> 01:16:40,640  
you know it's a it's a passion i never

2054  
01:16:43,750 --> 01:16:42,320  
really followed it you know followed up

2055  
01:16:45,430 --> 01:16:43,760  
with because i have like 100 other

2056  
01:16:47,910 --> 01:16:45,440  
things i'm following up on right and so

2057  
01:16:49,750 --> 01:16:47,920  
anyway so for his birthday got him this

2058  
01:16:52,310 --> 01:16:49,760  
you know uh they call it the discovery

2059  
01:16:53,990 --> 01:16:52,320  
flight and basically for an hour a half

2060  
01:16:55,669 --> 01:16:54,000  
hour you learn about the plane and all

2061  
01:16:57,590 --> 01:16:55,679  
that stuff and the other half you you

2062  
01:16:59,830 --> 01:16:57,600  
get to fly a little bit yourself and be

2063  
01:17:01,510 --> 01:16:59,840

up in the air and so it was i was trying

2064

01:17:03,110 --> 01:17:01,520

to tell them i said i keep telling you

2065

01:17:05,430 --> 01:17:03,120

to be interested in something yourself

2066

01:17:07,110 --> 01:17:05,440

but you're not taking an initiative so

2067

01:17:08,950 --> 01:17:07,120

this is going to be something fun for

2068

01:17:11,750 --> 01:17:08,960

you to do but it's also something you

2069

01:17:13,270 --> 01:17:11,760

can potentially do as a job later and

2070

01:17:15,350 --> 01:17:13,280

he's like oh what is it i'm like you're

2071

01:17:18,149 --> 01:17:15,360

going to find out so i kept that mystery

2072

01:17:20,070 --> 01:17:18,159

there but it was again trying to apply

2073

01:17:21,350 --> 01:17:20,080

physically to like i keep telling you to

2074

01:17:23,990 --> 01:17:21,360

do something you're not doing anything

2075

01:17:25,910 --> 01:17:24,000

so i guess let me do it for you you know

2076

01:17:27,750 --> 01:17:25,920

and so that's the the challenging part

2077

01:17:29,350 --> 01:17:27,760

too when people often talk to me about

2078

01:17:31,510 --> 01:17:29,360

um you know

2079

01:17:33,270 --> 01:17:31,520

contact and and aliens i said so well

2080

01:17:35,830 --> 01:17:33,280

how much time for example do you spend

2081

01:17:38,310 --> 01:17:35,840

meditating right because one of the you

2082

01:17:41,430 --> 01:17:38,320

know parts you know know thyself it's

2083

01:17:43,990 --> 01:17:41,440

like do you know your inner voice your

2084

01:17:45,830 --> 01:17:44,000

your you know what makes you tick you

2085

01:17:48,390 --> 01:17:45,840

know can you quiet yourself down enough

2086

01:17:50,390 --> 01:17:48,400

to you know to actually allow something

2087

01:17:52,550 --> 01:17:50,400

else to occur during this meditation

2088

01:17:54,470 --> 01:17:52,560

time you know it's like um you know do

2089

01:17:56,630 --> 01:17:54,480

you if you want something more practical

2090

01:17:59,030 --> 01:17:56,640

how often do you go outside you know and

2091

01:18:00,550 --> 01:17:59,040

just do stargazing for example right all

2092

01:18:02,470 --> 01:18:00,560

these different things you know they'll

2093

01:18:04,390 --> 01:18:02,480

all most of them will always just be in

2094

01:18:06,149 --> 01:18:04,400

front of computers watching the next

2095

01:18:08,390 --> 01:18:06,159

show i said well then that's just

2096

01:18:09,990 --> 01:18:08,400

entertainment you know you're just using

2097

01:18:11,830 --> 01:18:10,000

more more stuff that you want for

2098

01:18:13,510 --> 01:18:11,840

entertainment that keeps that ego

2099

01:18:15,350 --> 01:18:13,520

entertained until the next show and the

2100

01:18:16,630 --> 01:18:15,360

next show and the next show well you'll

2101

01:18:19,030 --> 01:18:16,640

be sitting there listening to me

2102

01:18:20,709 --> 01:18:19,040

listening to you show after show and

2103

01:18:23,430 --> 01:18:20,719

where have you what have you done in all

2104

01:18:25,110 --> 01:18:23,440

those years right and so anyway so i

2105

01:18:27,030 --> 01:18:25,120

don't want to keep hammering you know on

2106

01:18:29,990 --> 01:18:27,040

and on about this but again it goes back

2107

01:18:33,510 --> 01:18:30,000

to the to what you were saying it's just

2108

01:18:36,070 --> 01:18:33,520

you know be be responsible um so do you

2109

01:18:38,149 --> 01:18:36,080

mark do you want to go into q a now or

2110

01:18:40,630 --> 01:18:38,159

um do you want to yeah that that would

2111

01:18:42,470 --> 01:18:40,640

be great i'd be definitely interested in

2112

01:18:44,390 --> 01:18:42,480

what questions your listening audience

2113

01:18:46,709 --> 01:18:44,400

has for me and i'll answer anything that

2114

01:18:49,350 --> 01:18:46,719

they pose they might yeah they might um

2115

01:18:52,149 --> 01:18:49,360

you know go into some directions that i

2116

01:18:54,149 --> 01:18:52,159

don't know to ask you so um

2117

01:18:56,709 --> 01:18:54,159

that's fine any any way anyone wants to

2118

01:18:58,550 --> 01:18:56,719

take it is fine by me okay so if you

2119

01:19:00,550 --> 01:18:58,560

have any questions in the chat please

2120

01:19:02,709 --> 01:19:00,560

make sure to use the three asterisks i

2121

01:19:05,750 --> 01:19:02,719

call them three stars and then ask a

2122

01:19:07,830 --> 01:19:05,760

question but yo-yo in uh in the group

2123

01:19:10,229 --> 01:19:07,840

here let me see if he's still available

2124

01:19:12,790 --> 01:19:10,239

i'm going to mute him

2125

01:19:14,470 --> 01:19:12,800

um yo-yo you're unmuted and mute

2126

01:19:15,830 --> 01:19:14,480

yourself and go ahead and ask a question

2127

01:19:17,910 --> 01:19:15,840

please

2128

01:19:19,350 --> 01:19:17,920

yeah so well it's kind of a

2129

01:19:22,149 --> 01:19:19,360

i kind of figured something out i don't

2130

01:19:25,110 --> 01:19:22,159

see if like uh get some confirmation so

2131

01:19:27,590 --> 01:19:25,120

the kanan able deal you know that story

2132

01:19:30,149 --> 01:19:27,600

so i've heard this other uh and then

2133

01:19:32,149 --> 01:19:30,159

with my understanding of natural law

2134

01:19:33,910 --> 01:19:32,159

i kind of apply that to what i heard

2135

01:19:36,470 --> 01:19:33,920

some new information about the canaan

2136

01:19:38,550 --> 01:19:36,480

abel is that abel was the one that

2137

01:19:42,470 --> 01:19:38,560

actually started it and he was

2138

01:19:45,110 --> 01:19:42,480

trespassing with his um herd upon

2139

01:19:46,149 --> 01:19:45,120

uh was it kane's land cane i guess was

2140

01:19:47,830 --> 01:19:46,159

like the

2141

01:19:49,669 --> 01:19:47,840

the planter

2142

01:19:52,149 --> 01:19:49,679

and then so

2143

01:19:53,990 --> 01:19:52,159

like how society says that the kane guy

2144

01:19:56,630 --> 01:19:54,000

is the evil one and he's the one who was

2145

01:19:59,110 --> 01:19:56,640

wrong but if you look at natural law and

2146

01:20:01,510 --> 01:19:59,120

abel was kind of the one who started it

2147

01:20:03,669 --> 01:20:01,520

and then kane had a right to defend his

2148

01:20:05,270 --> 01:20:03,679

own property and his damage i mean he

2149

01:20:06,790 --> 01:20:05,280

may have went too far and killed a guy

2150

01:20:08,790 --> 01:20:06,800

but i mean once you're in a fight you

2151  
01:20:10,550 --> 01:20:08,800  
know anything can go in a fight

2152  
01:20:12,229 --> 01:20:10,560  
you know anybody that knows that can you

2153  
01:20:13,110 --> 01:20:12,239  
know you don't know how things are gonna

2154  
01:20:14,629 --> 01:20:13,120  
go

2155  
01:20:16,310 --> 01:20:14,639  
so like

2156  
01:20:18,870 --> 01:20:16,320  
people are teaching the wrong thing with

2157  
01:20:20,310 --> 01:20:18,880  
cain and abel and then i was like can i

2158  
01:20:22,390 --> 01:20:20,320  
get like your

2159  
01:20:23,590 --> 01:20:22,400  
am i you do you think i have a point or

2160  
01:20:25,270 --> 01:20:23,600  
like you know

2161  
01:20:27,750 --> 01:20:25,280  
well i don't i don't really i don't

2162  
01:20:30,870 --> 01:20:27,760  
really see i don't really see natural

2163  
01:20:33,830 --> 01:20:30,880

laws necessarily connected with biblical

2164

01:20:37,430 --> 01:20:33,840

allegory or the stories of cain and abel

2165

01:20:40,470 --> 01:20:37,440

i look at that as basically you know

2166

01:20:42,310 --> 01:20:40,480

teaching people just not to not to you

2167

01:20:45,669 --> 01:20:42,320

know aggress upon their fellow beings

2168

01:20:48,390 --> 01:20:45,679

which is a part of natural law but um uh

2169

01:20:51,590 --> 01:20:48,400

natural law has nothing to do with uh

2170

01:20:52,629 --> 01:20:51,600

just fables or stories or uh allegories

2171

01:20:55,270 --> 01:20:52,639

per se

2172

01:20:58,310 --> 01:20:55,280

uh it's actually something that is

2173

01:21:01,270 --> 01:20:58,320

embedded into the fabric of reality so

2174

01:21:02,550 --> 01:21:01,280

when i say natural law what i mean is a

2175

01:21:05,110 --> 01:21:02,560

set of

2176  
01:21:07,189 --> 01:21:05,120  
100 non-man-made

2177  
01:21:09,510 --> 01:21:07,199  
um conditions

2178  
01:21:11,910 --> 01:21:09,520  
that actually govern

2179  
01:21:14,070 --> 01:21:11,920  
the consequences of the behaviors that

2180  
01:21:15,990 --> 01:21:14,080  
we put into the universe through our

2181  
01:21:19,350 --> 01:21:16,000  
choices we

2182  
01:21:21,590 --> 01:21:19,360  
uh think of you know how things are we

2183  
01:21:26,149 --> 01:21:21,600  
think of what we want

2184  
01:21:29,270 --> 01:21:26,159  
then we have a feeling about it in our

2185  
01:21:30,950 --> 01:21:29,280  
bodies and we act with our bodies so

2186  
01:21:33,270 --> 01:21:30,960  
there's thought emotion and action

2187  
01:21:35,990 --> 01:21:33,280  
coming together to perform a behavior

2188  
01:21:39,430 --> 01:21:36,000

okay of course the behavior is going to

2189

01:21:41,910 --> 01:21:39,440

be informed by the information that we

2190

01:21:43,750 --> 01:21:41,920

take into our minds first and process

2191

01:21:45,830 --> 01:21:43,760

through our emotional selves but then

2192

01:21:49,110 --> 01:21:45,840

when we act into the world

2193

01:21:51,430 --> 01:21:49,120

we are generating a consequence

2194

01:21:53,669 --> 01:21:51,440

always you cannot act without

2195

01:21:56,310 --> 01:21:53,679

consequence there is a connection

2196

01:21:59,590 --> 01:21:56,320

between behavior and consequence and

2197

01:22:02,629 --> 01:21:59,600

when the aggregate of humanity chooses

2198

01:22:04,229 --> 01:22:02,639

certain behaviors we then receive back

2199

01:22:06,629 --> 01:22:04,239

from the universe

2200

01:22:09,030 --> 01:22:06,639

aggregate consequences

2201

01:22:12,790 --> 01:22:09,040

and if our behaviors were within our

2202

01:22:15,910 --> 01:22:12,800

rights if they did not initiate harm or

2203

01:22:17,910 --> 01:22:15,920

if they did not condone harm as a whole

2204

01:22:20,470 --> 01:22:17,920

body of people not just one at a time

2205

01:22:21,350 --> 01:22:20,480

see this is what how people misinterpret

2206

01:22:23,590 --> 01:22:21,360

how

2207

01:22:25,510 --> 01:22:23,600

karma works right which is essentially

2208

01:22:28,470 --> 01:22:25,520

what natural law is

2209

01:22:30,149 --> 01:22:28,480

they think you steal from somebody

2210

01:22:31,750 --> 01:22:30,159

let's say you pick up something from

2211

01:22:33,110 --> 01:22:31,760

somebody's coffee table in their house

2212

01:22:35,750 --> 01:22:33,120

you put it in your pocket and you walk

2213

01:22:37,590 --> 01:22:35,760

out and immediately a wrecking ball

2214

01:22:39,110 --> 01:22:37,600

comes swings from a crane and hits you

2215

01:22:41,030 --> 01:22:39,120

and you know

2216

01:22:42,709 --> 01:22:41,040

kills you or knocks you down and knocks

2217

01:22:45,590 --> 01:22:42,719

you out puts you in the hospital that's

2218

01:22:46,629 --> 01:22:45,600

not how karma works karma is not an

2219

01:22:48,550 --> 01:22:46,639

instant

2220

01:22:50,149 --> 01:22:48,560

effect one to one as soon as you do

2221

01:22:52,390 --> 01:22:50,159

something wrong something bad happens to

2222

01:22:56,310 --> 01:22:52,400

you it does not work like that that's

2223

01:22:58,229 --> 01:22:56,320

how a an infantile version of karma is

2224

01:22:59,990 --> 01:22:58,239

perceived by most people

2225

01:23:02,070 --> 01:23:00,000

and how karma really works and how

2226

01:23:04,709 --> 01:23:02,080

natural law really works is over

2227

01:23:06,870 --> 01:23:04,719

wide swaths of time

2228

01:23:09,669 --> 01:23:06,880

huge stretches of time

2229

01:23:12,550 --> 01:23:09,679

where we can barely see

2230

01:23:13,590 --> 01:23:12,560

the effect over long periods of time

2231

01:23:19,750 --> 01:23:13,600

unless

2232

01:23:21,990 --> 01:23:19,760

listen to wise people who told us over

2233

01:23:23,270 --> 01:23:22,000

time if you keep doing this this is the

2234

01:23:25,270 --> 01:23:23,280

direction you're going to be headed and

2235

01:23:26,310 --> 01:23:25,280

here's going to be the consequence and

2236

01:23:28,950 --> 01:23:26,320

you're not going to want that

2237

01:23:30,950 --> 01:23:28,960

consequence but if you change your path

2238

01:23:32,790 --> 01:23:30,960

and you go here you're going to receive

2239

01:23:35,669 --> 01:23:32,800

a good consequence that it's going to be

2240

01:23:37,590 --> 01:23:35,679

what you said you want to happen and how

2241

01:23:41,189 --> 01:23:37,600

you want society to be

2242

01:23:43,270 --> 01:23:41,199

and we're sort of as a species

2243

01:23:45,990 --> 01:23:43,280

not getting the connection because we

2244

01:23:48,070 --> 01:23:46,000

don't see in long periods of time we

2245

01:23:49,750 --> 01:23:48,080

look for immediate gratification i want

2246

01:23:51,510 --> 01:23:49,760

this now i want to see the result now

2247

01:23:53,990 --> 01:23:51,520

now now now right

2248

01:23:55,590 --> 01:23:54,000

and that's not how karma works over long

2249

01:23:56,790 --> 01:23:55,600

periods of time that's not how natural

2250

01:24:03,110 --> 01:23:56,800

law works

2251  
01:24:05,830 --> 01:24:03,120  
groups of people whole societies of

2252  
01:24:08,629 --> 01:24:05,840  
people the aggregate consciousness

2253  
01:24:12,070 --> 01:24:08,639  
and then we get an aggregate result so

2254  
01:24:14,070 --> 01:24:12,080  
we're in the result now of society being

2255  
01:24:16,070 --> 01:24:14,080  
closed down freedom being destroyed

2256  
01:24:17,910 --> 01:24:16,080  
because of what all the people who came

2257  
01:24:20,390 --> 01:24:17,920  
before us did

2258  
01:24:22,550 --> 01:24:20,400  
tolerated let happen

2259  
01:24:25,030 --> 01:24:22,560  
okay what they understood or didn't

2260  
01:24:27,750 --> 01:24:25,040  
understand and passed down generation to

2261  
01:24:29,350 --> 01:24:27,760  
generation to generation and then

2262  
01:24:31,910 --> 01:24:29,360  
there's a result in the world and the

2263  
01:24:34,070 --> 01:24:31,920

world becomes a certain way and that

2264

01:24:36,229 --> 01:24:34,080

total aggregate result becomes more and

2265

01:24:38,790 --> 01:24:36,239

more hardened and harder and harder to

2266

01:24:40,950 --> 01:24:38,800

undo because more people have to make

2267

01:24:43,669 --> 01:24:40,960

the decision to undo the way things are

2268

01:24:45,110 --> 01:24:43,679

more people aren't strong enough they're

2269

01:24:47,110 --> 01:24:45,120

not

2270

01:24:48,870 --> 01:24:47,120

courageous enough they aren't

2271

01:24:50,950 --> 01:24:48,880

intelligent enough

2272

01:24:53,510 --> 01:24:50,960

see this is what we need we need

2273

01:24:56,470 --> 01:24:53,520

intelligence to overcome ignorance we

2274

01:24:59,030 --> 01:24:56,480

need care to overcome apathy and we need

2275

01:25:00,870 --> 01:24:59,040

willpower and courage to overcome

2276

01:25:03,110 --> 01:25:00,880

laziness and

2277

01:25:04,629 --> 01:25:03,120

uh cowardice and

2278

01:25:06,629 --> 01:25:04,639

these are the skills that aren't being

2279

01:25:08,629 --> 01:25:06,639

taught to children

2280

01:25:10,390 --> 01:25:08,639

and adults they're not certainly not

2281

01:25:12,149 --> 01:25:10,400

being taught by parents to children

2282

01:25:13,590 --> 01:25:12,159

unfortunately you know they're being

2283

01:25:15,030 --> 01:25:13,600

taught go out and get as high paying a

2284

01:25:17,110 --> 01:25:15,040

job as possible because money is all

2285

01:25:18,550 --> 01:25:17,120

that matters that's largely the lesson

2286

01:25:20,390 --> 01:25:18,560

parents teach their children in the

2287

01:25:22,550 --> 01:25:20,400

modern world they don't teach them

2288

01:25:25,270 --> 01:25:22,560

principles they don't teach them

2289

01:25:27,270 --> 01:25:25,280

become truly holistically intelligent

2290

01:25:29,110 --> 01:25:27,280

not just memorizing things that your

2291

01:25:30,950 --> 01:25:29,120

professor in college tells you to

2292

01:25:32,310 --> 01:25:30,960

memorize and spit back on a test that's

2293

01:25:34,629 --> 01:25:32,320

not real intelligence that's not

2294

01:25:36,470 --> 01:25:34,639

holistic intelligence that's left brain

2295

01:25:37,750 --> 01:25:36,480

intellect and memorization that doesn't

2296

01:25:39,430 --> 01:25:37,760

mean you have any common sense it

2297

01:25:40,950 --> 01:25:39,440

doesn't mean you have any heart based

2298

01:25:42,550 --> 01:25:40,960

intelligence it doesn't mean you know

2299

01:25:44,470 --> 01:25:42,560

the difference between right and wrong

2300

01:25:45,990 --> 01:25:44,480

you know plenty of people who are very

2301

01:25:47,669 --> 01:25:46,000

advanced in the sciences don't give a

2302

01:25:50,470 --> 01:25:47,679

damn about what's right and wrong you

2303

01:25:51,910 --> 01:25:50,480

know so they're stupid in that capacity

2304

01:25:53,990 --> 01:25:51,920

they're they're very dumb in the

2305

01:25:56,149 --> 01:25:54,000

capacity of real world holistic

2306

01:25:58,229 --> 01:25:56,159

intelligence but they can crunch numbers

2307

01:26:00,070 --> 01:25:58,239

like nobody's business in the left brain

2308

01:26:02,310 --> 01:26:00,080

you know that's that that's not going to

2309

01:26:04,550 --> 01:26:02,320

be able to solve all human problems and

2310

01:26:07,350 --> 01:26:04,560

they unfortunately believe it can and

2311

01:26:09,750 --> 01:26:07,360

they've bought a big lie you know uh but

2312

01:26:11,270 --> 01:26:09,760

you know to go back to the the question

2313

01:26:13,270 --> 01:26:11,280

uh we have to understand what natural

2314

01:26:16,470 --> 01:26:13,280

law really is it's

2315

01:26:17,990 --> 01:26:16,480

uh 100 non-man-made

2316

01:26:20,310 --> 01:26:18,000

eternal

2317

01:26:22,550 --> 01:26:20,320

uh immutable conditions that can never

2318

01:26:24,629 --> 01:26:22,560

be changed in nature that govern the

2319

01:26:27,830 --> 01:26:24,639

consequences of the behavioral choices

2320

01:26:30,149 --> 01:26:27,840

that we as beings with the capacity for

2321

01:26:30,870 --> 01:26:30,159

holistic intelligence make that means

2322

01:26:33,350 --> 01:26:30,880

that

2323

01:26:35,430 --> 01:26:33,360

natural law karmic consequences do not

2324

01:26:39,510 --> 01:26:35,440

apply to the animal kingdom

2325

01:26:41,750 --> 01:26:39,520

to to animals below our a holistic level

2326

01:26:44,390 --> 01:26:41,760

of intelligence and understanding you

2327

01:26:46,149 --> 01:26:44,400

have to be able to grasp the difference

2328

01:26:47,669 --> 01:26:46,159

between right and wrong behavior you

2329

01:26:50,390 --> 01:26:47,679

have to be able to have that in your

2330

01:26:51,830 --> 01:26:50,400

mind and be able to comprehend

2331

01:26:53,430 --> 01:26:51,840

what is the difference between a

2332

01:26:55,750 --> 01:26:53,440

behavior that is a right and a behavior

2333

01:26:58,390 --> 01:26:55,760

that is a wrong animals don't have that

2334

01:27:01,270 --> 01:26:58,400

level of holistic intelligence they are

2335

01:27:02,790 --> 01:27:01,280

largely instinctual creatures they do

2336

01:27:04,790 --> 01:27:02,800

have emotions but they're not as

2337

01:27:06,310 --> 01:27:04,800

complexified as human beings and

2338

01:27:08,229 --> 01:27:06,320

certainly their intellect is not as

2339

01:27:10,629 --> 01:27:08,239

complexified as human beings they act

2340

01:27:13,910 --> 01:27:10,639

largely on instinctive response

2341

01:27:17,750 --> 01:27:13,920

so you can't apply this to a lion or a

2342

01:27:19,430 --> 01:27:17,760

deer or a dog or a cat or a mouse um but

2343

01:27:21,590 --> 01:27:19,440

you can apply it to a human being

2344

01:27:23,350 --> 01:27:21,600

because we have the capacity of the

2345

01:27:24,709 --> 01:27:23,360

level of thought to understand the

2346

01:27:27,030 --> 01:27:24,719

difference between right and wrong and

2347

01:27:29,030 --> 01:27:27,040

that is why natural law karmic

2348

01:27:31,590 --> 01:27:29,040

consequence applies to human beings and

2349

01:27:33,350 --> 01:27:31,600

not to animals lower than human beings

2350

01:27:35,350 --> 01:27:33,360

so uh one thing we have to understand

2351

01:27:37,590 --> 01:27:35,360

that natural law is not it is not the

2352

01:27:39,510 --> 01:27:37,600

law of the jungle it is not animal

2353

01:27:40,790 --> 01:27:39,520

behavior has nothing to do with animal

2354

01:27:44,149 --> 01:27:40,800

behavior has nothing to do with

2355

01:27:46,550 --> 01:27:44,159

darwinian uh you know um evolution

2356

01:27:48,629 --> 01:27:46,560

so-called okay it has nothing to do with

2357

01:27:50,950 --> 01:27:48,639

survival of the fittest none of that is

2358

01:27:52,550 --> 01:27:50,960

natural law you could look at that and

2359

01:27:54,390 --> 01:27:52,560

people call that the natural order

2360

01:27:57,510 --> 01:27:54,400

there's nothing really natural or

2361

01:27:59,189 --> 01:27:57,520

orderly about it okay uh that is uh the

2362

01:28:01,830 --> 01:27:59,199

the the

2363

01:28:04,149 --> 01:28:01,840

most barbaric creature with the sharpest

2364

01:28:05,990 --> 01:28:04,159

teeth and claws wins and that's nothing

2365

01:28:06,709 --> 01:28:06,000

that human beings should aspire to at

2366

01:28:09,189 --> 01:28:06,719

all

2367

01:28:12,950 --> 01:28:09,199

that's purely animal instinctive

2368

01:28:16,470 --> 01:28:12,960

behavior that we should aspire to act

2369

01:28:18,310 --> 01:28:16,480

way at a way higher level then you know

2370

01:28:20,950 --> 01:28:18,320

we are not just any other animal as a

2371

01:28:23,510 --> 01:28:20,960

matter of fact the idea that we are just

2372

01:28:26,229 --> 01:28:23,520

any other animal uh is a satanic

2373

01:28:29,590 --> 01:28:26,239

ideology that is taught in satanism and

2374

01:28:31,430 --> 01:28:29,600

it's false it's not true we are beyond

2375

01:28:33,590 --> 01:28:31,440

other animals as human beings that's why

2376

01:28:35,910 --> 01:28:33,600

we're human beings and they are not

2377

01:28:38,070 --> 01:28:35,920

uh and that isn't to say we should just

2378

01:28:40,149 --> 01:28:38,080

treat them however we want we should be

2379

01:28:43,270 --> 01:28:40,159

the stewards of other life on this

2380

01:28:45,189 --> 01:28:43,280

planet that's why i don't harm other

2381

01:28:47,590 --> 01:28:45,199

sentient beings i consider animals

2382

01:28:49,830 --> 01:28:47,600

sentient beings i don't harm them i try

2383

01:28:51,990 --> 01:28:49,840

to do the least harm possible that's why

2384

01:28:54,310 --> 01:28:52,000

i eat a plant-based diet and that's a

2385

01:28:56,470 --> 01:28:54,320

big huge controversial topic in and of

2386

01:28:58,229 --> 01:28:56,480

itself but you know i tell people if you

2387

01:29:01,990 --> 01:28:58,239

think that leads to a weak person come

2388

01:29:03,750 --> 01:29:02,000

and test my strength you know uh and i

2389

01:29:05,430 --> 01:29:03,760

you know will not touch animal products

2390

01:29:07,030 --> 01:29:05,440

because i think animals should be left

2391

01:29:08,790 --> 01:29:07,040

alone they're not our property their

2392

01:29:10,790 --> 01:29:08,800

lives are for them to live

2393

01:29:12,790 --> 01:29:10,800

uh and i it's not even because of a

2394

01:29:15,510 --> 01:29:12,800

dietary choice it's because of a moral

2395

01:29:18,790 --> 01:29:15,520

one uh that i choose that form of of uh

2396

01:29:21,030 --> 01:29:18,800

nutrition and it works fine for me uh

2397

01:29:23,030 --> 01:29:21,040

because i do it the right way and um you

2398

01:29:25,350 --> 01:29:23,040

know some people try to do it too

2399

01:29:27,510 --> 01:29:25,360

quickly or too radically and they do it

2400

01:29:29,430 --> 01:29:27,520

the wrong way and they cause abrupt

2401  
01:29:31,270 --> 01:29:29,440  
changes in their body when it should be

2402  
01:29:32,709 --> 01:29:31,280  
transitioned to over

2403  
01:29:34,709 --> 01:29:32,719  
a period of time that the body has

2404  
01:29:37,510 --> 01:29:34,719  
adequate time to adjust to that's

2405  
01:29:39,430 --> 01:29:37,520  
another topic of conversation mainly

2406  
01:29:41,350 --> 01:29:39,440  
what i'm trying to get across is that

2407  
01:29:42,950 --> 01:29:41,360  
natural law is not the law of the jungle

2408  
01:29:46,470 --> 01:29:42,960  
it's not survival of the fittest it's

2409  
01:29:49,350 --> 01:29:46,480  
not darwinian evolution it is spiritual

2410  
01:29:51,990 --> 01:29:49,360  
moral law that governs the consequences

2411  
01:29:54,310 --> 01:29:52,000  
of what happens to us whether an entire

2412  
01:29:56,629 --> 01:29:54,320  
society will be free or enslaved that's

2413  
01:29:58,790 --> 01:29:56,639

what natural law governs i have

2414

01:30:00,470 --> 01:29:58,800

something that i call that i've dubbed

2415

01:30:02,310 --> 01:30:00,480

the law of freedom

2416

01:30:05,189 --> 01:30:02,320

there is a law that governs whether a

2417

01:30:07,110 --> 01:30:05,199

whole society is free or not as the

2418

01:30:09,430 --> 01:30:07,120

members of an entire society in the

2419

01:30:11,990 --> 01:30:09,440

aggregate behave morally they become

2420

01:30:14,629 --> 01:30:12,000

more free and as a society in the

2421

01:30:17,270 --> 01:30:14,639

aggregate behaves more immorally and

2422

01:30:19,350 --> 01:30:17,280

does more immoral behaviors and condones

2423

01:30:21,830 --> 01:30:19,360

more immoral behaviors they become more

2424

01:30:23,830 --> 01:30:21,840

and more enslaved as time goes on

2425

01:30:25,590 --> 01:30:23,840

and again this happens over long periods

2426  
01:30:27,350 --> 01:30:25,600  
of time that's why understanding human

2427  
01:30:29,590 --> 01:30:27,360  
history is so important and becoming a

2428  
01:30:31,590 --> 01:30:29,600  
student of history is so important to

2429  
01:30:33,910 --> 01:30:31,600  
the recognition and understanding of how

2430  
01:30:35,910 --> 01:30:33,920  
natural law works if you want more info

2431  
01:30:37,750 --> 01:30:35,920  
on that i suggest watching my

2432  
01:30:39,270 --> 01:30:37,760  
documentary called mark pacio and the

2433  
01:30:41,510 --> 01:30:39,280  
science of natural law which i'll be

2434  
01:30:44,070 --> 01:30:41,520  
releasing for free to the public on

2435  
01:30:46,310 --> 01:30:44,080  
november 11th the 14th year anniversary

2436  
01:30:47,350 --> 01:30:46,320  
of the beginning of my public work

2437  
01:30:49,430 --> 01:30:47,360  
online

2438  
01:30:51,750 --> 01:30:49,440

or you can pick it up in my gift shop

2439

01:30:54,790 --> 01:30:51,760

gifts dot waton earth is happening calm

2440

01:30:57,030 --> 01:30:54,800

i have it in a dvd format there and also

2441

01:30:59,910 --> 01:30:57,040

flash drive format if you don't want to

2442

01:31:01,430 --> 01:30:59,920

pick it up for a small fee in the gifts

2443

01:31:03,590 --> 01:31:01,440

area of my site you could just wait for

2444

01:31:06,149 --> 01:31:03,600

me to release it publicly on november

2445

01:31:08,149 --> 01:31:06,159

11th but it is available now in my gift

2446

01:31:10,629 --> 01:31:08,159

section

2447

01:31:13,030 --> 01:31:10,639

thank you for that mark um

2448

01:31:15,270 --> 01:31:13,040

paullie and nathan on on telegram i see

2449

01:31:16,149 --> 01:31:15,280

you raised your hand to ask questions

2450

01:31:17,910 --> 01:31:16,159

and

2451  
01:31:19,830 --> 01:31:17,920  
i will get to you guys in a quick second

2452  
01:31:21,270 --> 01:31:19,840  
i have a question that has come in

2453  
01:31:24,310 --> 01:31:21,280  
through

2454  
01:31:26,470 --> 01:31:24,320  
this chat from sayo matt

2455  
01:31:28,070 --> 01:31:26,480  
asking do you think that parents are

2456  
01:31:30,470 --> 01:31:28,080  
entangled with the karma of their

2457  
01:31:33,669 --> 01:31:30,480  
children

2458  
01:31:35,430 --> 01:31:33,679  
absolutely because if parents teach

2459  
01:31:37,750 --> 01:31:35,440  
their children the wrong things and then

2460  
01:31:40,070 --> 01:31:37,760  
it gets embedded as a calcified belief

2461  
01:31:43,189 --> 01:31:40,080  
in the brain of the children

2462  
01:31:45,669 --> 01:31:43,199  
they will inherit the quote sins of the

2463  
01:31:47,750 --> 01:31:45,679

parents this is what is meant by

2464

01:31:49,830 --> 01:31:47,760

you know the sins of the father shall be

2465

01:31:52,149 --> 01:31:49,840

visited upon the sons

2466

01:31:53,189 --> 01:31:52,159

it means that if parents don't take

2467

01:31:55,110 --> 01:31:53,199

conscious

2468

01:31:57,189 --> 01:31:55,120

approach to parenting

2469

01:31:59,510 --> 01:31:57,199

and they don't teach children true

2470

01:32:00,950 --> 01:31:59,520

principles and the truth about morality

2471

01:32:03,110 --> 01:32:00,960

and natural law by learning it

2472

01:32:05,270 --> 01:32:03,120

themselves and then passing it on to

2473

01:32:06,310 --> 01:32:05,280

their children who they are the stewards

2474

01:32:08,470 --> 01:32:06,320

of

2475

01:32:11,030 --> 01:32:08,480

then their children will grow up in a

2476

01:32:15,750 --> 01:32:11,040

state of ignorance and continue the same

2477

01:32:18,550 --> 01:32:15,760

uh immorality that their parents allowed

2478

01:32:20,550 --> 01:32:18,560

condoned or even participated in and

2479

01:32:22,390 --> 01:32:20,560

therefore the karmic consequences and

2480

01:32:24,629 --> 01:32:22,400

karmic debt will be visited upon the

2481

01:32:27,350 --> 01:32:24,639

children as well so absolutely i think

2482

01:32:28,709 --> 01:32:27,360

that is how it works

2483

01:32:31,189 --> 01:32:28,719

okay thank you

2484

01:32:33,750 --> 01:32:31,199

um paulie you are

2485

01:32:37,189 --> 01:32:33,760

um you're unmuted mute yourself on your

2486

01:32:41,189 --> 01:32:39,350

hey mark um i have a couple questions

2487

01:32:44,550 --> 01:32:41,199

you mentioned um

2488

01:32:46,229 --> 01:32:44,560

dark and light occultism

2489

01:32:48,390 --> 01:32:46,239

but you didn't really

2490

01:32:49,270 --> 01:32:48,400

elaborate a little bit on the

2491

01:32:50,950 --> 01:32:49,280

light

2492

01:32:53,110 --> 01:32:50,960

of the groups or whatever i don't know

2493

01:32:54,870 --> 01:32:53,120

if you're talking about freemasonry or

2494

01:32:56,950 --> 01:32:54,880

some other artwork and then before

2495

01:32:58,149 --> 01:32:56,960

before you answer i'll ask another

2496

01:32:59,510 --> 01:32:58,159

question too

2497

01:33:01,669 --> 01:32:59,520

and uh

2498

01:33:03,830 --> 01:33:01,679

a lot you you covered a lot of stuff

2499

01:33:08,629 --> 01:33:03,840

it's hard to keep up but um

2500

01:33:11,350 --> 01:33:08,639

i kind of uh was a little interested in

2501

01:33:13,430 --> 01:33:11,360

local level like community stuff so you

2502

01:33:15,590 --> 01:33:13,440

mentioned that you were surprised that

2503

01:33:17,030 --> 01:33:15,600

people in your neighborhood or community

2504

01:33:19,189 --> 01:33:17,040

were going to these meetings so i was

2505

01:33:24,229 --> 01:33:19,199

like a little curious on that is that

2506

01:33:29,270 --> 01:33:26,790

i mean from general institutions in the

2507

01:33:31,910 --> 01:33:29,280

whole tri-state area you know so there

2508

01:33:35,110 --> 01:33:31,920

were satanists from all over the region

2509

01:33:36,950 --> 01:33:35,120

of this of this region of the country uh

2510

01:33:39,430 --> 01:33:36,960

not specifically from my like

2511

01:33:41,110 --> 01:33:39,440

neighborhood in philadelphia um you know

2512

01:33:42,709 --> 01:33:41,120

when i went to grotto meetings there

2513

01:33:46,070 --> 01:33:42,719

were people there from all over the

2514

01:33:48,790 --> 01:33:46,080

tri-state area who had uh were already

2515

01:33:51,350 --> 01:33:48,800

embedded and entrenched in positions of

2516

01:33:53,910 --> 01:33:51,360

power and authority in different worldly

2517

01:33:56,629 --> 01:33:53,920

institutions principles of schools of

2518

01:33:59,030 --> 01:33:56,639

different counties would show up

2519

01:34:00,950 --> 01:33:59,040

judges in in different municipalities

2520

01:34:03,110 --> 01:34:00,960

would show up

2521

01:34:05,270 --> 01:34:03,120

police there would be police guarding

2522

01:34:08,149 --> 01:34:05,280

the ritual house

2523

01:34:09,910 --> 01:34:08,159

when you would show up is this you know

2524

01:34:11,750 --> 01:34:09,920

is this like a

2525

01:34:13,669 --> 01:34:11,760

dedicated place where everybody knows

2526

01:34:16,470 --> 01:34:13,679

what this building's for they ran out

2527

01:34:18,870 --> 01:34:16,480

places and it's by invitation only it

2528

01:34:21,669 --> 01:34:18,880

was a private home in an affluent

2529

01:34:23,669 --> 01:34:21,679

neighborhood by invitation only

2530

01:34:25,750 --> 01:34:23,679

you know and if somebody tried to crash

2531

01:34:27,510 --> 01:34:25,760

it there were people there with weapons

2532

01:34:29,189 --> 01:34:27,520

you know there wasn't any crashing this

2533

01:34:31,590 --> 01:34:29,199

stuff you had to prove that you were

2534

01:34:34,550 --> 01:34:31,600

invited you know that someone vouched

2535

01:34:36,470 --> 01:34:34,560

for you to show up and uh there were no

2536

01:34:38,629 --> 01:34:36,480

outsiders allowed you had to be an

2537

01:34:39,910 --> 01:34:38,639

invited member

2538

01:34:42,310 --> 01:34:39,920

yeah you kind of see that stuff in

2539

01:34:44,390 --> 01:34:42,320

movies sometimes i guess it's real and

2540

01:34:46,470 --> 01:34:44,400

then uh

2541

01:34:48,550 --> 01:34:46,480

it would not be as elaborate as some

2542

01:34:50,470 --> 01:34:48,560

things that are depicted like it wasn't

2543

01:34:52,790 --> 01:34:50,480

like something like in stanley kubrick's

2544

01:34:55,430 --> 01:34:52,800

eyewise shut that was uh obviously took

2545

01:34:57,669 --> 01:34:55,440

place at like a a roth child owned

2546

01:35:00,149 --> 01:34:57,679

practical palace uh

2547

01:35:02,709 --> 01:35:00,159

in in a it was a totally self-contained

2548

01:35:05,109 --> 01:35:02,719

gated community uh this was more like uh

2549

01:35:07,430 --> 01:35:05,119

suburban mcmansions if you could imagine

2550

01:35:10,229 --> 01:35:07,440

something like that uh where uh you know

2551

01:35:13,830 --> 01:35:10,239

they might have had a you know four uh

2552

01:35:15,990 --> 01:35:13,840

four car garage and you know a driveway

2553

01:35:19,030 --> 01:35:16,000

uh and you know it would be like a group

2554

01:35:21,750 --> 01:35:19,040

of like 20 or 30 people showing up

2555

01:35:23,430 --> 01:35:21,760

and these do you think they also

2556

01:35:28,550 --> 01:35:23,440

practice other religions and you'll see

2557

01:35:33,590 --> 01:35:31,830

they put on those ostensible errors for

2558

01:35:36,070 --> 01:35:33,600

people in their own community to make

2559

01:35:38,550 --> 01:35:36,080

them think that they are uh practicing

2560

01:35:41,109 --> 01:35:38,560

members of other religions so it's like

2561

01:35:42,550 --> 01:35:41,119

important for them to kind of uh

2562

01:35:44,629 --> 01:35:42,560

practice

2563

01:35:45,990 --> 01:35:44,639

fitting in with the rest of their own

2564

01:35:47,990 --> 01:35:46,000

community because that's what

2565

01:35:48,790 --> 01:35:48,000

psychopaths do

2566

01:35:52,149 --> 01:35:48,800

they

2567

01:35:54,390 --> 01:35:52,159

act like other people act to make them

2568

01:35:55,990 --> 01:35:54,400

seem to other people like they're no

2569

01:35:59,030 --> 01:35:56,000

different than them when in fact they're

2570

01:36:02,229 --> 01:35:59,040

inter-species predators so they put on

2571

01:36:05,350 --> 01:36:02,239

airs and masks all the time and they uh

2572

01:36:07,910 --> 01:36:05,360

pretend ostensibly to be from another

2573

01:36:10,629 --> 01:36:07,920

religious uh denomination when in fact

2574

01:36:12,709 --> 01:36:10,639

they're hardcore hard and uh died in the

2575

01:36:15,030 --> 01:36:12,719

wool satanist through and through but

2576

01:36:16,550 --> 01:36:15,040

they will absolutely pretend to be uh

2577

01:36:18,629 --> 01:36:16,560

from other denominations of other

2578

01:36:20,070 --> 01:36:18,639

religions without any doubt yes mark do

2579

01:36:21,590 --> 01:36:20,080

you remember your the first question

2580

01:36:23,270 --> 01:36:21,600

pauly i'm gonna have to let you go to

2581

01:36:24,709 --> 01:36:23,280

give someone nice

2582

01:36:26,070 --> 01:36:24,719

what was the first question again

2583

01:36:29,750 --> 01:36:26,080

question because i think about oh it was

2584

01:36:31,669 --> 01:36:29,760

about the alight occultism groups yes

2585

01:36:33,430 --> 01:36:31,679

great stuff like that yeah i'll speak to

2586

01:36:35,990 --> 01:36:33,440

that briefly so we'll get to some other

2587

01:36:37,109 --> 01:36:36,000

questions thank you good questions um

2588

01:36:39,189 --> 01:36:37,119

yeah uh

2589

01:36:40,550 --> 01:36:39,199

i would consider schools of light

2590

01:36:44,390 --> 01:36:40,560

occultism

2591

01:36:46,310 --> 01:36:44,400

true freemasonry um true rosicrucianism

2592

01:36:47,910 --> 01:36:46,320

and i'll preface them all with true

2593

01:36:50,310 --> 01:36:47,920

because there's a light and a dark form

2594

01:36:52,149 --> 01:36:50,320

to all of them so there's a form there's

2595

01:36:54,550 --> 01:36:52,159

forms of masonry that i call dark

2596

01:36:57,830 --> 01:36:54,560

masonry right that aren't teaching real

2597

01:37:00,550 --> 01:36:57,840

esoteric freemasonry from a perspective

2598

01:37:02,550 --> 01:37:00,560

of morality conveyed through symbol and

2599

01:37:03,750 --> 01:37:02,560

allegory which is what freemasonry

2600

01:37:05,510 --> 01:37:03,760

should be

2601  
01:37:07,510 --> 01:37:05,520  
and those esoteric principles are being

2602  
01:37:09,350 --> 01:37:07,520  
lost and it's being turned into a

2603  
01:37:11,030 --> 01:37:09,360  
what can i do for you or what can and

2604  
01:37:12,629 --> 01:37:11,040  
what can you do for me and we advance

2605  
01:37:14,709 --> 01:37:12,639  
each other's agendas just because we're

2606  
01:37:16,790 --> 01:37:14,719  
members of a network regardless of

2607  
01:37:18,070 --> 01:37:16,800  
whether our agendas are right or wrong

2608  
01:37:20,390 --> 01:37:18,080  
you know and they're not teaching the

2609  
01:37:23,270 --> 01:37:20,400  
core principles so freemasonry could

2610  
01:37:25,189 --> 01:37:23,280  
fall and go dark as can rosicrucianism

2611  
01:37:27,910 --> 01:37:25,199  
that's another one rosicrucianism

2612  
01:37:29,910 --> 01:37:27,920  
kabbalah the tradition of tarot the

2613  
01:37:32,550 --> 01:37:29,920

tradition of theosophy the tradition of

2614

01:37:34,790 --> 01:37:32,560

thalema there are many powerful positive

2615

01:37:37,270 --> 01:37:34,800

schools of occult thought but they all

2616

01:37:40,229 --> 01:37:37,280

have their dark sides there is no

2617

01:37:43,030 --> 01:37:40,239

uh one way that the uh world of the

2618

01:37:45,669 --> 01:37:43,040

occult is it has to do with who's

2619

01:37:48,390 --> 01:37:45,679

studying it who's wielding it what are

2620

01:37:50,149 --> 01:37:48,400

they doing with it for what purpose you

2621

01:37:52,790 --> 01:37:50,159

gotta always ask

2622

01:37:55,510 --> 01:37:52,800

the question why the why is going to

2623

01:37:57,189 --> 01:37:55,520

determine whether it's light or dark

2624

01:37:59,030 --> 01:37:57,199

what are you doing with that knowledge

2625

01:38:00,709 --> 01:37:59,040

who's involved in the group what's this

2626

01:38:03,189 --> 01:38:00,719

agenda what is the agenda that is set

2627

01:38:06,149 --> 01:38:03,199

for the group so there is light a light

2628

01:38:08,310 --> 01:38:06,159

side and a dark side to all aspects of

2629

01:38:11,350 --> 01:38:08,320

the occult regardless of what

2630

01:38:13,350 --> 01:38:11,360

uh branch or quote faction of occultism

2631

01:38:16,229 --> 01:38:13,360

one gets into studies or becomes a

2632

01:38:19,510 --> 01:38:16,239

member of that's why i've said in many

2633

01:38:23,109 --> 01:38:19,520

many times in my work i don't advise um

2634

01:38:24,950 --> 01:38:23,119

getting involved in group um aspects of

2635

01:38:26,870 --> 01:38:24,960

occultism because you never know who's

2636

01:38:29,350 --> 01:38:26,880

running it you never know who's who's

2637

01:38:31,189 --> 01:38:29,360

going to be involved uh i know people at

2638

01:38:33,350 --> 01:38:31,199

the highest levels and degrees of

2639

01:38:35,510 --> 01:38:33,360

freemasonry that tell me that at those

2640

01:38:36,950 --> 01:38:35,520

levels that they're very very good moral

2641

01:38:39,270 --> 01:38:36,960

people trying to do the right thing in

2642

01:38:41,109 --> 01:38:39,280

their communities and there are outright

2643

01:38:43,430 --> 01:38:41,119

criminal thieves

2644

01:38:45,510 --> 01:38:43,440

that are up at that high level as well

2645

01:38:48,470 --> 01:38:45,520

and again that's the bifurcation that

2646

01:38:50,629 --> 01:38:48,480

you see in all areas of occultism uh

2647

01:38:52,790 --> 01:38:50,639

there is a positive side to it that one

2648

01:38:54,550 --> 01:38:52,800

should aspire to and to keep that

2649

01:38:56,870 --> 01:38:54,560

knowledge pure and to do the right thing

2650

01:38:58,390 --> 01:38:56,880

with it and that's really happens again

2651

01:39:00,310 --> 01:38:58,400

at a one-to-one

2652

01:39:03,510 --> 01:39:00,320

ratio with what is going on in one's

2653

01:39:06,070 --> 01:39:03,520

heart and mind uh so um you know that's

2654

01:39:08,790 --> 01:39:06,080

my my delineation between light and dark

2655

01:39:10,390 --> 01:39:08,800

occultism uh and i i don't really

2656

01:39:12,790 --> 01:39:10,400

recommend people to go into lodge

2657

01:39:15,750 --> 01:39:12,800

systems quite frankly because if you are

2658

01:39:18,390 --> 01:39:15,760

self-driven if you are an auto didact

2659

01:39:20,790 --> 01:39:18,400

meaning you're a self-taught individual

2660

01:39:22,709 --> 01:39:20,800

you are good at teaching yourself you

2661

01:39:24,790 --> 01:39:22,719

can download all of the information

2662

01:39:27,590 --> 01:39:24,800

publicly and for free if you know the

2663

01:39:29,229 --> 01:39:27,600

locations to look for it online i'd

2664

01:39:31,229 --> 01:39:29,239

recommend the site

2665

01:39:36,790 --> 01:39:31,239

libgen.is

2666

01:39:38,550 --> 01:39:36,800

could find almost any book practically

2667

01:39:41,270 --> 01:39:38,560

almost any book in the world on there of

2668

01:39:43,109 --> 01:39:41,280

any significance that has been published

2669

01:39:45,669 --> 01:39:43,119

and downloaded in a digital format

2670

01:39:47,830 --> 01:39:45,679

including many many many many books on

2671

01:39:50,070 --> 01:39:47,840

the occult of any school of occult

2672

01:39:51,270 --> 01:39:50,080

thought and learn just about anything

2673

01:39:53,189 --> 01:39:51,280

that they could teach you in a large

2674

01:39:55,189 --> 01:39:53,199

system on your own and and be

2675

01:39:57,830 --> 01:39:55,199

self-taught in that regard and you know

2676

01:39:59,990 --> 01:39:57,840

become uh you know one who holds that

2677

01:40:02,629 --> 01:40:00,000

knowledge and then do the right thing

2678

01:40:05,350 --> 01:40:02,639

with it by getting involved creating uh

2679

01:40:07,990 --> 01:40:05,360

media reaching out to people um helping

2680

01:40:09,990 --> 01:40:08,000

to make this common sense knowledge so

2681

01:40:11,990 --> 01:40:10,000

that it's not used as a weapon

2682

01:40:14,070 --> 01:40:12,000

you know that's how anything the playing

2683

01:40:16,870 --> 01:40:14,080

field is leveled with anything you know

2684

01:40:19,109 --> 01:40:16,880

if everybody has access to it nobody can

2685

01:40:22,149 --> 01:40:19,119

use it as a weapon on somebody else you

2686

01:40:24,149 --> 01:40:22,159

know but in ignorance anything's going

2687

01:40:25,910 --> 01:40:24,159

to go when it comes to people who don't

2688

01:40:27,430 --> 01:40:25,920

have good intentions yet have that high

2689

01:40:29,350 --> 01:40:27,440

level knowledge that's why we have to

2690

01:40:31,750 --> 01:40:29,360

take that knowledge into ourselves and

2691

01:40:33,990 --> 01:40:31,760

help to spread it in an egalitarian

2692

01:40:35,510 --> 01:40:34,000

fashion so that it becomes common sense

2693

01:40:38,070 --> 01:40:35,520

and it can no longer be wielded as a

2694

01:40:40,310 --> 01:40:38,080

weapon over others

2695

01:40:43,669 --> 01:40:40,320

thanks for that mark uh nathan i'm going

2696

01:40:45,350 --> 01:40:43,679

to um a chat question first uh and then

2697

01:40:47,430 --> 01:40:45,360

i'll switch over to telegram but i'm

2698

01:40:49,990 --> 01:40:47,440

giving you a heads up so you get ready

2699

01:40:51,910 --> 01:40:50,000

uh the other question from chad is from

2700

01:40:53,109 --> 01:40:51,920

the 5d raver

2701

01:40:55,189 --> 01:40:53,119

uh it's

2702

01:40:58,310 --> 01:40:55,199

he's asking do you believe in literal

2703

01:40:59,109 --> 01:40:58,320

reptilians if not do you think they mean

2704

01:41:04,070 --> 01:40:59,119

in

2705

01:41:05,830 --> 01:41:04,080

wait okay i'm sorry no i'm sorry i'm

2706

01:41:08,550 --> 01:41:05,840

misreading okay do you believe in

2707

01:41:11,109 --> 01:41:08,560

literal reptilians if not what do you

2708

01:41:12,310 --> 01:41:11,119

think they mean in our reality what is

2709

01:41:14,470 --> 01:41:12,320

their use

2710

01:41:16,709 --> 01:41:14,480

culturally speaking

2711

01:41:19,990 --> 01:41:16,719

well first of all there is a delineation

2712

01:41:22,070 --> 01:41:20,000

that i make between reptilian beings

2713

01:41:22,870 --> 01:41:22,080

if one

2714

01:41:24,470 --> 01:41:22,880

does

2715

01:41:27,109 --> 01:41:24,480

believe that they

2716

01:41:30,310 --> 01:41:27,119

are have physical form to them versus

2717

01:41:32,149 --> 01:41:30,320

the reptilian mindset again there's a an

2718

01:41:34,070 --> 01:41:32,159

aspect of consciousness in the human

2719

01:41:35,669 --> 01:41:34,080

physiology that is referred to as the

2720

01:41:37,830 --> 01:41:35,679

triune brain

2721

01:41:40,310 --> 01:41:37,840

where we have a human brain a mammal

2722

01:41:41,910 --> 01:41:40,320

brain and a reptilian brain and each one

2723

01:41:45,189 --> 01:41:41,920

of those uh

2724

01:41:48,550 --> 01:41:45,199

complexes within the whole brain complex

2725

01:41:50,149 --> 01:41:48,560

is a sort of uh responsible or generally

2726

01:41:52,709 --> 01:41:50,159

runs certain

2727

01:41:54,390 --> 01:41:52,719

personality traits and aspects of a

2728

01:41:57,189 --> 01:41:54,400

behavior

2729

01:41:59,750 --> 01:41:57,199

the reptilian mind or brain the the

2730

01:42:01,910 --> 01:41:59,760

brain stem and the cerebellum

2731

01:42:04,470 --> 01:42:01,920

is uh responsible for respiration

2732

01:42:06,390 --> 01:42:04,480

movement and base instincts of of a

2733

01:42:08,149 --> 01:42:06,400

being of a human being

2734

01:42:10,149 --> 01:42:08,159

and that's referred to as the reptilian

2735

01:42:12,470 --> 01:42:10,159

brain then we go up a higher level in

2736

01:42:14,790 --> 01:42:12,480

the brain to the midbrain on all the

2737

01:42:15,590 --> 01:42:14,800

glandular sections of the midbrain like

2738

01:42:33,030 --> 01:42:15,600

the

2739

01:42:35,350 --> 01:42:33,040

this is

2740

01:42:37,750 --> 01:42:35,360

responsible for generating the chemicals

2741

01:42:40,149 --> 01:42:37,760

and the neuropeptides that

2742

01:42:42,709 --> 01:42:40,159

allow us to experience the full range of

2743

01:42:44,070 --> 01:42:42,719

human emotions so this is the emotional

2744

01:42:45,590 --> 01:42:44,080

level of the brain or what's called the

2745

01:42:47,590 --> 01:42:45,600

mammalian brain

2746

01:42:50,390 --> 01:42:47,600

and then we have a higher thought

2747

01:42:52,629 --> 01:42:50,400

process or thought functioning uh part

2748

01:42:55,189 --> 01:42:52,639

of the brain that is the neocortex the

2749

01:42:56,709 --> 01:42:55,199

neocortical brain comprised of the left

2750

01:42:58,870 --> 01:42:56,719

and right brain hemisphere what we

2751

01:43:00,229 --> 01:42:58,880

consider the gray matter areas of the

2752

01:43:02,790 --> 01:43:00,239

brain

2753

01:43:05,430 --> 01:43:02,800

this is the highest complexified area of

2754

01:43:07,910 --> 01:43:05,440

the human brain that makes human thought

2755

01:43:10,229 --> 01:43:07,920

human personality human characteristics

2756

01:43:11,750 --> 01:43:10,239

and traits possible higher order

2757

01:43:13,990 --> 01:43:11,760

thinking logic

2758

01:43:17,430 --> 01:43:14,000

reason creativity

2759

01:43:18,229 --> 01:43:17,440

um compassion etc uh all of these things

2760

01:43:21,430 --> 01:43:18,239

are

2761

01:43:23,270 --> 01:43:21,440

part of the human brain and uh the left

2762

01:43:25,270 --> 01:43:23,280

and right brain hemispheres

2763

01:43:26,950 --> 01:43:25,280

being able to see big picture you know

2764

01:43:28,149 --> 01:43:26,960

heuristic thinking

2765

01:43:32,229 --> 01:43:28,159

um

2766

01:43:35,189 --> 01:43:32,239

seeing large patterns okay

2767

01:43:37,350 --> 01:43:35,199

true morality uh really higher

2768

01:43:38,709 --> 01:43:37,360

functioning reasoning regarding what is

2769

01:43:40,470 --> 01:43:38,719

right and wrong

2770

01:43:41,910 --> 01:43:40,480

that all takes place up in

2771

01:43:44,790 --> 01:43:41,920

here where the third eye is said to

2772

01:43:47,109 --> 01:43:44,800

exist the prefrontal cortex right behind

2773

01:43:49,189 --> 01:43:47,119

the the skull uh and you know just above

2774

01:43:51,189 --> 01:43:49,199

our eyes in the in the center

2775

01:43:53,270 --> 01:43:51,199

uh and um you know we have to balance

2776

01:43:55,430 --> 01:43:53,280

the brain hemispheres through using both

2777

01:43:58,470 --> 01:43:55,440

right and brain right and left brain

2778

01:44:00,470 --> 01:43:58,480

modalities uh we can't let ourselves go

2779

01:44:03,590 --> 01:44:00,480

into imbalance in either side of the

2780

01:44:06,149 --> 01:44:03,600

brain so um the reptilian could be the

2781

01:44:08,870 --> 01:44:06,159

reptilian mind right that's one way of

2782

01:44:11,910 --> 01:44:08,880

looking at it where it's reptilian base

2783

01:44:14,550 --> 01:44:11,920

behavior instinctive only behavior

2784

01:44:15,430 --> 01:44:14,560

survival mode fight and flight fight or

2785

01:44:17,350 --> 01:44:15,440

flight

2786

01:44:19,189 --> 01:44:17,360

uh you know modality

2787

01:44:21,030 --> 01:44:19,199

where we're not really in higher order

2788

01:44:22,870 --> 01:44:21,040

thinking we're not in compassionate

2789

01:44:25,430 --> 01:44:22,880

thinking we're not in reasonable

2790

01:44:27,669 --> 01:44:25,440

thinking we're in animalistic thinking

2791

01:44:29,350 --> 01:44:27,679

uh but there are many people throughout

2792

01:44:31,669 --> 01:44:29,360

history who have talked about the

2793

01:44:32,629 --> 01:44:31,679

reptilian or serpent cults

2794

01:44:35,830 --> 01:44:32,639

where

2795

01:44:39,270 --> 01:44:35,840

uh it's it's written that uh beings from

2796

01:44:41,590 --> 01:44:39,280

you know uh the heavens elsewhere

2797

01:44:43,830 --> 01:44:41,600

possibly higher dimensions of existence

2798

01:44:44,790 --> 01:44:43,840

have uh visited humanity in the ancient

2799

01:44:47,510 --> 01:44:44,800

past

2800

01:44:49,830 --> 01:44:47,520

and uh it said that they had skin that

2801

01:44:52,950 --> 01:44:49,840

was different than ours that looked

2802

01:44:55,030 --> 01:44:52,960

almost serpentine snake-like uh if you

2803

01:44:57,669 --> 01:44:55,040

can picture like a snake skin that would

2804

01:45:00,470 --> 01:44:57,679

be more like whitish

2805

01:45:03,109 --> 01:45:00,480

you know it's how they were described in

2806

01:45:06,229 --> 01:45:03,119

ancient writings uh some referred to

2807

01:45:08,709 --> 01:45:06,239

them uh as the anunnaki and uh you know

2808

01:45:09,910 --> 01:45:08,719

sitchin's work gets deep into that as do

2809

01:45:14,070 --> 01:45:09,920

many others

2810

01:45:16,709 --> 01:45:14,080

uh in biblical terms of the the

2811

01:45:17,830 --> 01:45:16,719

progeny of them were referred to as the

2812

01:45:19,830 --> 01:45:17,840

nephilim

2813

01:45:22,390 --> 01:45:19,840

uh the uh you know

2814

01:45:24,550 --> 01:45:22,400

uh children of the serpent

2815

01:45:27,510 --> 01:45:24,560

and uh you know

2816

01:45:29,350 --> 01:45:27,520

many ancient cultures have uh

2817

01:45:31,910 --> 01:45:29,360

tons of examples of their building

2818

01:45:33,510 --> 01:45:31,920

projects that they left

2819

01:45:35,590 --> 01:45:33,520

there's

2820

01:45:37,669 --> 01:45:35,600

mounds here in america where many of

2821

01:45:40,149 --> 01:45:37,679

them were buried they were up to nine

2822

01:45:42,149 --> 01:45:40,159

feet tall or taller in many cases

2823

01:45:45,669 --> 01:45:42,159

had reddish hair

2824

01:45:47,990 --> 01:45:45,679

huge skulls double rows of teeth

2825

01:45:51,510 --> 01:45:48,000

um you know you can research all of this

2826

01:45:53,350 --> 01:45:51,520

uh it's in newspapers from the 1800s and

2827

01:45:56,390 --> 01:45:53,360

early 1900s

2828

01:45:58,310 --> 01:45:56,400

obviously this was uh buried people in

2829

01:45:59,430 --> 01:45:58,320

institutions and scientific institutions

2830

01:46:01,669 --> 01:45:59,440

didn't want to

2831

01:46:03,510 --> 01:46:01,679

take down their existing linear

2832

01:46:05,350 --> 01:46:03,520

view of world history and the

2833

01:46:06,950 --> 01:46:05,360

development of human beings and admit

2834

01:46:08,550 --> 01:46:06,960

that they were wrong it would upset

2835

01:46:11,109 --> 01:46:08,560

whole fields of

2836

01:46:12,470 --> 01:46:11,119

existing science that would be thrown

2837

01:46:14,629 --> 01:46:12,480

onto its head

2838

01:46:17,430 --> 01:46:14,639

and so they covered it up you know but

2839

01:46:19,510 --> 01:46:17,440

yeah i i think that certainly it doesn't

2840

01:46:21,669 --> 01:46:19,520

mean that they're actual reptiles

2841

01:46:23,990 --> 01:46:21,679

they're probably beings that had

2842

01:46:26,470 --> 01:46:24,000

uh you know an outward uh you know

2843

01:46:29,030 --> 01:46:26,480

epidermis skin that

2844

01:46:30,629 --> 01:46:29,040

may have had the type of feel and or

2845

01:46:33,109 --> 01:46:30,639

look of

2846

01:46:35,750 --> 01:46:33,119

serpentine creatures and

2847

01:46:37,590 --> 01:46:35,760

therefore they became known as serpents

2848

01:46:39,750 --> 01:46:37,600

you know but it doesn't necessarily mean

2849

01:46:42,229 --> 01:46:39,760

that they really were

2850

01:46:43,109 --> 01:46:42,239

there could be all kinds of

2851  
01:46:48,470 --> 01:46:43,119  
different

2852  
01:46:50,149 --> 01:46:48,480  
combinations and looks to uh advanced

2853  
01:46:52,310 --> 01:46:50,159  
beings

2854  
01:46:53,910 --> 01:46:52,320  
as far as i'm concerned and you know

2855  
01:46:55,510 --> 01:46:53,920  
when you look at how the universe is

2856  
01:46:57,189 --> 01:46:55,520  
practically teeming with life and

2857  
01:46:58,470 --> 01:46:57,199  
teeming with planets that are capable of

2858  
01:47:00,310 --> 01:46:58,480  
supporting life

2859  
01:47:02,950 --> 01:47:00,320  
where uh the

2860  
01:47:04,390 --> 01:47:02,960  
you know estimates go up by factors of

2861  
01:47:07,189 --> 01:47:04,400  
thousands a year

2862  
01:47:08,709 --> 01:47:07,199  
year after year by you know accredited

2863  
01:47:10,629 --> 01:47:08,719

scientists

2864

01:47:14,629 --> 01:47:10,639

from just about every university in the

2865

01:47:16,790 --> 01:47:14,639

world who are really studying you know

2866

01:47:19,030 --> 01:47:16,800

what's going on in our universe

2867

01:47:21,510 --> 01:47:19,040

as they are able to improve technology

2868

01:47:23,109 --> 01:47:21,520

and see further out

2869

01:47:25,270 --> 01:47:23,119

without a doubt

2870

01:47:26,629 --> 01:47:25,280

life uh is teeming in the universe it's

2871

01:47:29,590 --> 01:47:26,639

teeming with life

2872

01:47:31,270 --> 01:47:29,600

so you know it it isn't any stretch of

2873

01:47:32,950 --> 01:47:31,280

the imagination for me to believe that

2874

01:47:35,109 --> 01:47:32,960

there's intelligent life out there that

2875

01:47:37,109 --> 01:47:35,119

has been visiting the earth again i

2876

01:47:38,870 --> 01:47:37,119

think some of it has interfered with

2877

01:47:41,270 --> 01:47:38,880

what has taken place here and even

2878

01:47:42,550 --> 01:47:41,280

directed some of what's going on in

2879

01:47:44,310 --> 01:47:42,560

human affairs

2880

01:47:46,709 --> 01:47:44,320

and then in other areas i think they're

2881

01:47:49,030 --> 01:47:46,719

just observing and looking at us with

2882

01:47:50,550 --> 01:47:49,040

pity unfortunately because we're not

2883

01:47:52,550 --> 01:47:50,560

making any progress

2884

01:47:54,470 --> 01:47:52,560

perhaps because of the ways that we were

2885

01:47:56,790 --> 01:47:54,480

interfered i've talked about that

2886

01:47:58,870 --> 01:47:56,800

in a pretty in-depth way in my uh a

2887

01:48:00,229 --> 01:47:58,880

presentation called cosmic abandonment

2888

01:48:01,350 --> 01:48:00,239

if you're interested in looking into

2889

01:48:03,750 --> 01:48:01,360

that further

2890

01:48:06,709 --> 01:48:03,760

that would be the uh the presentation i

2891

01:48:10,950 --> 01:48:08,470

thank you for that mark all right and

2892

01:48:13,830 --> 01:48:10,960

then uh last question then nathan uh you

2893

01:48:16,070 --> 01:48:13,840

are unmuted mute yourself and ask a

2894

01:48:18,790 --> 01:48:16,080

question please

2895

01:48:21,830 --> 01:48:18,800

uh yes hello um wow a lot of really good

2896

01:48:23,830 --> 01:48:21,840

topics tonight it's uh very very good um

2897

01:48:25,430 --> 01:48:23,840

i have i've i have a few questions but

2898

01:48:27,590 --> 01:48:25,440

i'm just gonna ask two just to keep it

2899

01:48:29,750 --> 01:48:27,600

kind of short um

2900

01:48:32,709 --> 01:48:29,760

do you believe or or what sort of

2901  
01:48:35,030 --> 01:48:32,719  
information or what would you uh what

2902  
01:48:37,350 --> 01:48:35,040  
would you conclude is uh

2903  
01:48:39,030 --> 01:48:37,360  
the the fetal tissue that's used in the

2904  
01:48:41,030 --> 01:48:39,040  
backs is that part part of some sort of

2905  
01:48:43,189 --> 01:48:41,040  
satanic ritual is there is there is

2906  
01:48:44,629 --> 01:48:43,199  
there a darker occult reason behind

2907  
01:48:47,189 --> 01:48:44,639  
including that

2908  
01:48:50,550 --> 01:48:47,199  
at this point no

2909  
01:48:51,830 --> 01:48:50,560  
no aspect of what these people do in

2910  
01:48:56,790 --> 01:48:51,840  
the

2911  
01:48:57,750 --> 01:48:56,800  
manipulation

2912  
01:49:02,870 --> 01:48:57,760  
um

2913  
01:49:03,990 --> 01:49:02,880

sexual perversion that they perform with

2914

01:49:06,470 --> 01:49:04,000

children

2915

01:49:07,189 --> 01:49:06,480

uh nothing like that would surprise me a

2916

01:49:09,910 --> 01:49:07,199

bit

2917

01:49:11,270 --> 01:49:09,920

and so yeah i would say more likely that

2918

01:49:13,589 --> 01:49:11,280

is connected to

2919

01:49:14,790 --> 01:49:13,599

the further degradation of the innocence

2920

01:49:16,149 --> 01:49:14,800

of children

2921

01:49:20,550 --> 01:49:16,159

and uh

2922

01:49:23,430 --> 01:49:20,560

taking material from uh you know uh

2923

01:49:25,750 --> 01:49:23,440

aborted fetal cells as you said and

2924

01:49:27,669 --> 01:49:25,760

using them in twisted ways these people

2925

01:49:28,550 --> 01:49:27,679

are ill you have to understand they're

2926

01:49:33,669 --> 01:49:28,560

they're

2927

01:49:35,750 --> 01:49:33,679

absolutely psychologically destroyed in

2928

01:49:37,589 --> 01:49:35,760

many cases they have undergone

2929

01:49:39,709 --> 01:49:37,599

trauma-based mind control themselves

2930

01:49:41,589 --> 01:49:39,719

that they've been put through uh

2931

01:49:43,430 --> 01:49:41,599

intergenerationally from their family

2932

01:49:45,830 --> 01:49:43,440

bloodlines

2933

01:49:48,229 --> 01:49:45,840

a friend of mine jay parker experienced

2934

01:49:50,629 --> 01:49:48,239

this type of trauma-based mind control

2935

01:49:52,790 --> 01:49:50,639

torture as a child and talks about it in

2936

01:49:55,109 --> 01:49:52,800

his work and there's no doubt about it

2937

01:49:56,709 --> 01:49:55,119

that these sick psychopathic ruling

2938

01:49:59,189 --> 01:49:56,719

class families put their children

2939

01:50:01,669 --> 01:49:59,199

through that torture to inculcate them

2940

01:50:04,070 --> 01:50:01,679

into their own cult beliefs

2941

01:50:07,189 --> 01:50:04,080

now i'm not saying that really actually

2942

01:50:09,109 --> 01:50:07,199

confers any worldly power on them

2943

01:50:11,910 --> 01:50:09,119

or that they're communicating with any

2944

01:50:13,589 --> 01:50:11,920

entities by doing that this is just it's

2945

01:50:15,990 --> 01:50:13,599

mental illness you have to understand

2946

01:50:18,070 --> 01:50:16,000

it's that's what when religion goes

2947

01:50:20,229 --> 01:50:18,080

totally haywire and that's what their

2948

01:50:21,990 --> 01:50:20,239

belief is they call it the old religion

2949

01:50:23,990 --> 01:50:22,000

that's what they refer to satanism as

2950

01:50:25,669 --> 01:50:24,000

they don't really call it satanism they

2951

01:50:26,709 --> 01:50:25,679

refer to their beliefs as the old

2952

01:50:30,390 --> 01:50:26,719

religion

2953

01:50:33,270 --> 01:50:30,400

and when when a sick twisted mindset

2954

01:50:35,910 --> 01:50:33,280

has control and keeps exerting

2955

01:50:37,350 --> 01:50:35,920

uh control over the beliefs of their you

2956

01:50:39,510 --> 01:50:37,360

know progeny

2957

01:50:40,709 --> 01:50:39,520

down generation after generation after

2958

01:50:43,510 --> 01:50:40,719

generation

2959

01:50:45,589 --> 01:50:43,520

you do these people develop all kinds of

2960

01:50:48,310 --> 01:50:45,599

warped twisted sick beliefs and

2961

01:50:51,350 --> 01:50:48,320

practices that they then put forward as

2962

01:50:53,510 --> 01:50:51,360

this is our tradition and our our ways

2963

01:50:55,189 --> 01:50:53,520

of being in the world that our our

2964

01:50:57,750 --> 01:50:55,199

belief system are

2965

01:51:00,470 --> 01:50:57,760

um you know uh rituals

2966

01:51:02,790 --> 01:51:00,480

uh so again yes they do act like that

2967

01:51:04,390 --> 01:51:02,800

and nothing at all would surprise me

2968

01:51:08,070 --> 01:51:04,400

because the depths of depravity that

2969

01:51:09,750 --> 01:51:08,080

they go to uh would would horrify people

2970

01:51:11,350 --> 01:51:09,760

and i have talked about it

2971

01:51:13,270 --> 01:51:11,360

pretty extensively i've talked about

2972

01:51:14,790 --> 01:51:13,280

their rituals uh they didn't do those

2973

01:51:17,270 --> 01:51:14,800

types of rituals in the level of

2974

01:51:19,990 --> 01:51:17,280

satanism i was involved in but i do know

2975

01:51:21,669 --> 01:51:20,000

about them from reputable sources and

2976

01:51:23,189 --> 01:51:21,679

people that i know that were directly

2977

01:51:24,070 --> 01:51:23,199

involved at that level

2978

01:51:26,470 --> 01:51:24,080

so

2979

01:51:29,589 --> 01:51:26,480

um there's no doubt about it they uh

2980

01:51:30,950 --> 01:51:29,599

they will use blood of children um they

2981

01:51:32,790 --> 01:51:30,960

will um

2982

01:51:35,430 --> 01:51:32,800

you know dismember

2983

01:51:37,589 --> 01:51:35,440

uh members of uh you know

2984

01:51:38,390 --> 01:51:37,599

the society that they kidnapped people

2985

01:51:41,270 --> 01:51:38,400

from

2986

01:51:42,629 --> 01:51:41,280

uh often children um again you have to

2987

01:51:44,070 --> 01:51:42,639

look at the work of jay parker you

2988

01:51:45,270 --> 01:51:44,080

should look at some of the work of fred

2989

01:51:47,589 --> 01:51:45,280

springmeier

2990

01:51:49,750 --> 01:51:47,599

to understand some of this again the

2991

01:51:52,149 --> 01:51:49,760

level of satanism i was involved in did

2992

01:51:54,550 --> 01:51:52,159

not participate in rituals like that i

2993

01:51:57,109 --> 01:51:54,560

must say uh because i don't want people

2994

01:51:59,270 --> 01:51:57,119

thinking i was part partaking or

2995

01:52:02,390 --> 01:51:59,280

involved in those types of rituals i was

2996

01:52:04,070 --> 01:52:02,400

not that is higher level from the level

2997

01:52:08,149 --> 01:52:04,080

of satanism that i personally

2998

01:52:12,149 --> 01:52:10,149

all right thank you um my next question

2999

01:52:13,669 --> 01:52:12,159

is uh well this i don't know if we'll

3000

01:52:15,350 --> 01:52:13,679

ever know the answer to or maybe it's

3001

01:52:17,030 --> 01:52:15,360

just that they're just they're just sick

3002

01:52:19,589 --> 01:52:17,040

and twisted and that's it but i've

3003

01:52:21,109 --> 01:52:19,599

always wondered you know why like like

3004

01:52:22,790 --> 01:52:21,119

besides them wanting to be gods and

3005

01:52:23,990 --> 01:52:22,800

wanting them to control everything why

3006

01:52:25,750 --> 01:52:24,000

why do they want that why do they want

3007

01:52:28,470 --> 01:52:25,760

to control everything why why can't they

3008

01:52:30,629 --> 01:52:28,480

just let us be like what is it

3009

01:52:32,709 --> 01:52:30,639

that's thank you

3010

01:52:35,669 --> 01:52:32,719

the ego that goes out of control wants

3011

01:52:39,430 --> 01:52:35,679

to control others that's a it's a lack

3012

01:52:41,669 --> 01:52:39,440

of personal true power in one's mind and

3013

01:52:43,510 --> 01:52:41,679

heart they don't have true love in their

3014

01:52:44,550 --> 01:52:43,520

life they don't have true self-respect

3015

01:52:47,990 --> 01:52:44,560

in their life

3016

01:52:50,629 --> 01:52:48,000

they deep deep down in their own psyche

3017

01:52:53,189 --> 01:52:50,639

they hate themselves more than anything

3018

01:52:54,870 --> 01:52:53,199

and a person who truly deeply hates

3019

01:52:56,950 --> 01:52:54,880

themselves more than anything else in

3020

01:52:59,109 --> 01:52:56,960

the world what do they want to do they

3021

01:53:00,229 --> 01:52:59,119

want to bring everybody else down to

3022

01:53:02,310 --> 01:53:00,239

their level

3023

01:53:04,229 --> 01:53:02,320

they want everybody to feel their pain

3024

01:53:07,030 --> 01:53:04,239

and sorrow and emptiness and loneliness

3025

01:53:08,870 --> 01:53:07,040

and isolation and lack of self-worth and

3026

01:53:09,910 --> 01:53:08,880

lack of self-respect that's why they're

3027

01:53:13,189 --> 01:53:09,920

pitiful

3028

01:53:15,669 --> 01:53:13,199

entities they're they're i don't i never

3029

01:53:17,910 --> 01:53:15,679

you never really see me or hear me ultra

3030

01:53:19,430 --> 01:53:17,920

bash the elitists of the world the the

3031

01:53:20,870 --> 01:53:19,440

so-called elitists like i say they're

3032

01:53:22,790 --> 01:53:20,880

not the elitist of anything but the

3033

01:53:27,589 --> 01:53:22,800

bottom of a garbage can

3034

01:53:29,830 --> 01:53:27,599

is about what they really rule okay

3035

01:53:32,790 --> 01:53:29,840

i never really throw a bunch of hate

3036

01:53:34,790 --> 01:53:32,800

down on them i know how warped twisted

3037

01:53:36,709 --> 01:53:34,800

sick psychopathic and mentally ill they

3038

01:53:38,830 --> 01:53:36,719

are they also happen to be some of the

3039

01:53:43,109 --> 01:53:38,840

smartest people in the world who are in

3040

01:53:46,629 --> 01:53:43,119

control because we as a society are

3041

01:53:49,510 --> 01:53:46,639

letting the worst of us rule us not even

3042

01:53:52,390 --> 01:53:49,520

influence us but be our owners and

3043

01:53:55,109 --> 01:53:52,400

rulers and masters so when you think

3044

01:53:57,350 --> 01:53:55,119

about that who's worse

3045

01:54:00,149 --> 01:53:57,360

right if you really deeply think about

3046

01:54:01,990 --> 01:54:00,159

it is the person giving the orders worse

3047

01:54:03,990 --> 01:54:02,000

because they hate themselves and they

3048

01:54:05,750 --> 01:54:04,000

don't have any self-respect and they're

3049

01:54:07,510 --> 01:54:05,760

just tortured and twisted in their own

3050

01:54:08,790 --> 01:54:07,520

minds and they want to rule other people

3051  
01:54:11,510 --> 01:54:08,800  
because they don't love and care about

3052  
01:54:13,350 --> 01:54:11,520  
themselves truly or is the person that

3053  
01:54:15,510 --> 01:54:13,360  
believes them

3054  
01:54:16,470 --> 01:54:15,520  
believes that they have authority over

3055  
01:54:19,189 --> 01:54:16,480  
others

3056  
01:54:22,070 --> 01:54:19,199  
believes that they somehow have the

3057  
01:54:24,149 --> 01:54:22,080  
right to rule over others and listens to

3058  
01:54:26,790 --> 01:54:24,159  
their instructions and listens to what

3059  
01:54:29,430 --> 01:54:26,800  
they say and lets them be the leaders of

3060  
01:54:32,629 --> 01:54:29,440  
society who's worse

3061  
01:54:34,550 --> 01:54:32,639  
i often throw more way more hatred and

3062  
01:54:37,270 --> 01:54:34,560  
derision upon the people who are saying

3063  
01:54:39,750 --> 01:54:37,280

yes i'll do your bidding master

3064

01:54:41,750 --> 01:54:39,760

than the so-called masters themselves

3065

01:54:43,350 --> 01:54:41,760

the order followers to me are infinitely

3066

01:54:46,310 --> 01:54:43,360

worse because they would dare to say

3067

01:54:48,870 --> 01:54:46,320

we're good people they would dare to say

3068

01:54:50,950 --> 01:54:48,880

we're doing what's right we're following

3069

01:54:51,669 --> 01:54:50,960

our orders because these people told us

3070

01:54:54,070 --> 01:54:51,679

to

3071

01:54:56,390 --> 01:54:54,080

like you have no idea what's right if

3072

01:54:58,550 --> 01:54:56,400

you're an order follower first of all

3073

01:55:01,589 --> 01:54:58,560

order following and following conscience

3074

01:55:03,830 --> 01:55:01,599

is mutually exclusive you cannot follow

3075

01:55:04,870 --> 01:55:03,840

conscience what is actually right you

3076

01:55:08,070 --> 01:55:04,880

know

3077

01:55:10,149 --> 01:55:08,080

difference between right and wrong and

3078

01:55:12,229 --> 01:55:10,159

then willfully choosing what is right

3079

01:55:14,709 --> 01:55:12,239

that's following conscience that means

3080

01:55:17,189 --> 01:55:14,719

you take the knowledge into yourself you

3081

01:55:18,629 --> 01:55:17,199

discern it and you you arrive at the

3082

01:55:20,229 --> 01:55:18,639

correct conclusion of what's right and

3083

01:55:22,629 --> 01:55:20,239

what's wrong and then you follow what is

3084

01:55:24,149 --> 01:55:22,639

right that's following conscience

3085

01:55:26,550 --> 01:55:24,159

you're not doing that when you follow

3086

01:55:29,270 --> 01:55:26,560

orders you're skipping the whole process

3087

01:55:31,990 --> 01:55:29,280

of discovery of what is right and you

3088

01:55:33,750 --> 01:55:32,000

know uh using the process of truth

3089

01:55:35,910 --> 01:55:33,760

discovery and discernment to come to the

3090

01:55:37,430 --> 01:55:35,920

correct conclusions about that you're

3091

01:55:38,790 --> 01:55:37,440

skipping all of that because you're too

3092

01:55:41,350 --> 01:55:38,800

lazy to do that yourself and you're

3093

01:55:43,910 --> 01:55:41,360

saying yes sir yes ma'am i'll do what

3094

01:55:46,470 --> 01:55:43,920

you tell me that's it and that's that's

3095

01:55:48,550 --> 01:55:46,480

immoral on its face that's immoral even

3096

01:55:50,870 --> 01:55:48,560

if you accidentally end up doing the

3097

01:55:53,830 --> 01:55:50,880

right thing you still did an immoral

3098

01:55:55,510 --> 01:55:53,840

behavior by not even discerning for

3099

01:55:56,950 --> 01:55:55,520

yourself the objective difference

3100

01:55:58,950 --> 01:55:56,960

between right behavior and wrong

3101  
01:56:01,030 --> 01:55:58,960  
behavior and this is what people who

3102  
01:56:02,870 --> 01:56:01,040  
don't have true self-respect do they

3103  
01:56:04,950 --> 01:56:02,880  
join a cult called the police they join

3104  
01:56:06,470 --> 01:56:04,960  
a cult called the military and they say

3105  
01:56:08,310 --> 01:56:06,480  
yes sir yes ma'am i'll do what you're

3106  
01:56:10,390 --> 01:56:08,320  
telling me because i'm too lazy and i'm

3107  
01:56:11,910 --> 01:56:10,400  
too ignorant to figure it out for myself

3108  
01:56:13,589 --> 01:56:11,920  
what's right and wrong so i'll just

3109  
01:56:15,510 --> 01:56:13,599  
listen to somebody else tell me and i'll

3110  
01:56:17,030 --> 01:56:15,520  
try to abdicate that responsibility and

3111  
01:56:19,030 --> 01:56:17,040  
pass it on to somebody else and guess

3112  
01:56:20,870 --> 01:56:19,040  
what they're fooling themselves because

3113  
01:56:22,709 --> 01:56:20,880

that can't really be done you can't

3114

01:56:24,790 --> 01:56:22,719

really advocate the responsibility to

3115

01:56:26,629 --> 01:56:24,800

learn what is right versus what is wrong

3116

01:56:29,750 --> 01:56:26,639

and pass that on to somebody else and

3117

01:56:32,709 --> 01:56:29,760

say they're responsible no incorrect

3118

01:56:34,709 --> 01:56:32,719

you're always responsible for your own

3119

01:56:36,390 --> 01:56:34,719

actions your own behavior and you'll be

3120

01:56:38,310 --> 01:56:36,400

held to account for it either in this

3121

01:56:40,390 --> 01:56:38,320

life or in wherever your consciousness

3122

01:56:42,709 --> 01:56:40,400

is going when you relinquish the body

3123

01:56:44,790 --> 01:56:42,719

that's eternally true and people will

3124

01:56:48,629 --> 01:56:44,800

find out that it's true one way or

3125

01:56:53,030 --> 01:56:51,109

mark thank you for that and this brings

3126

01:56:55,990 --> 01:56:53,040

us to our conclusion and right on time

3127

01:56:58,790 --> 01:56:56,000

as well so mark uh thank you and i've

3128

01:57:01,510 --> 01:56:58,800

just wanted to leave um uh this time to

3129

01:57:02,950 --> 01:57:01,520

just leave us again with any websites uh

3130

01:57:04,470 --> 01:57:02,960

any concluding

3131

01:57:06,950 --> 01:57:04,480

thoughts you might have you know and

3132

01:57:08,950 --> 01:57:06,960

then we'll we'll let this be it

3133

01:57:11,350 --> 01:57:08,960

well i want to say i thank you very much

3134

01:57:12,870 --> 01:57:11,360

for bringing me onto your platform i

3135

01:57:15,189 --> 01:57:12,880

like your body of work and what you're

3136

01:57:17,430 --> 01:57:15,199

doing and um i want to say the questions

3137

01:57:19,030 --> 01:57:17,440

were great uh from both yourself and

3138

01:57:21,430 --> 01:57:19,040

your listening audience

3139

01:57:24,629 --> 01:57:21,440

and um my if people want to learn more

3140

01:57:27,189 --> 01:57:24,639

about my body of work my main website is

3141

01:57:29,750 --> 01:57:27,199

what on earth is happening.com

3142

01:57:32,629 --> 01:57:29,760

there i always suggest to people to go

3143

01:57:36,470 --> 01:57:32,639

to my podcast section which starts with

3144

01:57:38,550 --> 01:57:36,480

audio and then in the late 190s converts

3145

01:57:41,430 --> 01:57:38,560

over to a video podcast

3146

01:57:43,830 --> 01:57:41,440

do not skip around go in order from

3147

01:57:45,270 --> 01:57:43,840

number one all the way through if you do

3148

01:57:47,510 --> 01:57:45,280

that at your own pace in your own

3149

01:57:50,149 --> 01:57:47,520

progression without skipping around

3150

01:57:51,510 --> 01:57:50,159

a whole tapestry of information will

3151  
01:57:53,589 --> 01:57:51,520  
open up to you and i give a lot of

3152  
01:57:55,109 --> 01:57:53,599  
references and other people's body of

3153  
01:57:57,350 --> 01:57:55,119  
work i link to that

3154  
01:57:58,950 --> 01:57:57,360  
throughout that whole podcast series and

3155  
01:58:02,229 --> 01:57:58,960  
it's uh it's um

3156  
01:58:03,990 --> 01:58:02,239  
supplemented with images books links etc

3157  
01:58:05,910 --> 01:58:04,000  
so it's a whole learning course there

3158  
01:58:07,109 --> 01:58:05,920  
that's what i recommend at what on earth

3159  
01:58:09,510 --> 01:58:07,119  
is happening

3160  
01:58:10,870 --> 01:58:09,520  
dot com i have another website which is

3161  
01:58:13,430 --> 01:58:10,880  
a um

3162  
01:58:15,669 --> 01:58:13,440  
a network of other content creators that

3163  
01:58:18,310 --> 01:58:15,679

i try to highlight their work i founded

3164

01:58:20,390 --> 01:58:18,320

this again earlier this year it's called

3165

01:58:22,070 --> 01:58:20,400

one great work network

3166

01:58:24,470 --> 01:58:22,080

you can go there and there's the work of

3167

01:58:25,270 --> 01:58:24,480

about 52 content creators currently up

3168

01:58:28,870 --> 01:58:25,280

there

3169

01:58:30,470 --> 01:58:28,880

articles at least on the site already so

3170

01:58:33,030 --> 01:58:30,480

there's no end to what you can research

3171

01:58:35,030 --> 01:58:33,040

there and then i have another website

3172

01:58:38,070 --> 01:58:35,040

called how to become the true media

3173

01:58:40,470 --> 01:58:38,080

where i take enrollment uh that the

3174

01:58:42,470 --> 01:58:40,480

class begins in july and proceeds

3175

01:58:45,589 --> 01:58:42,480

through december i usually open up

3176

01:58:48,950 --> 01:58:45,599

enrollment i believe around like may uh

3177

01:58:50,790 --> 01:58:48,960

maybe late april early may and then you

3178

01:58:52,550 --> 01:58:50,800

can enroll for the class that starts in

3179

01:58:54,470 --> 01:58:52,560

july and goes all the way through till

3180

01:58:57,350 --> 01:58:54,480

the end of the year in december that's

3181

01:58:59,589 --> 01:58:57,360

called [howtobecomethetruemedia.com](http://howtobecomethetruemedia.com)

3182

01:59:02,149 --> 01:58:59,599

so those are my resources if you want to

3183

01:59:04,550 --> 01:59:02,159

check out more of my work uh adnan thank

3184

01:59:06,390 --> 01:59:04,560

you for uh the interview uh great stuff

3185

01:59:08,070 --> 01:59:06,400

and uh looking forward to seeing more of

3186

01:59:10,470 --> 01:59:08,080

your work in the future

3187

01:59:12,550 --> 01:59:10,480

no thank you i am truly honored and i'm

3188

01:59:15,030 --> 01:59:12,560

pretty sure everyone else watching is if

3189

01:59:16,470 --> 01:59:15,040

they've seen you for the first time uh

3190

01:59:18,870 --> 01:59:16,480

you you have a

3191

01:59:21,030 --> 01:59:18,880

library of things that they can catch up

3192

01:59:23,189 --> 01:59:21,040

on and i hope they do so

3193

01:59:24,709 --> 01:59:23,199

everyone else thank you very much for

3194

01:59:27,430 --> 01:59:24,719

for joining us tonight i hope you

3195

01:59:30,629 --> 01:59:27,440

enjoyed it and um next week on wednesday

3196

01:59:33,350 --> 01:59:30,639

i'm going to resume the open lines it's

3197

01:59:35,270 --> 01:59:33,360

at 7 pm central time as well so i hope

3198

01:59:38,149 --> 01:59:35,280

you can join but

3199

01:59:40,390 --> 01:59:38,159

yeah for now thank you all see you later
