TELEGRAM OPEN LINES

1
00:00:07,759 --> 00:00:28,180
do

2
00:00:28,190 --> 00:01:03,990
[Music]

3
00:01:08,550 --> 00:01:05,990
hey everyone welcome to joe4hub

4
00:01:11,510 --> 00:01:08,560
livestream uh today is open lines where

5
00:01:13,510 --> 00:01:11,520
i hope to connect with some of you and

6
00:01:15,109 --> 00:01:13,520
just simply chat about your stories and

7
00:01:16,469 --> 00:01:15,119
whatever else you might want to share

8
00:01:18,630 --> 00:01:16,479
with me

9
00:01:20,789 --> 00:01:18,640
first i would like to

10
00:01:22,710 --> 00:01:20,799
go over some things with you and cover

11
00:01:24,390 --> 00:01:22,720
different subjects and then we'll go

12
00:01:27,749 --> 00:01:24,400
into open lines then

13
00:01:30,310 --> 00:01:27,759

until that happens um there's you can

14

00:01:33,429 --> 00:01:30,320

join the telegram group uh it's actually

15

00:01:35,670 --> 00:01:33,439

simultaneously um casting voice only on

16

00:01:38,310 --> 00:01:35,680

there as well and if you join it right

17

00:01:40,390 --> 00:01:38,320

now and get yourself in the queue

18

00:01:42,550 --> 00:01:40,400

come open lines you can then raise your

19

00:01:44,789 --> 00:01:42,560

hand and chat with me directly so the

20

00:01:46,630 --> 00:01:44,799

description um the

21

00:01:49,270 --> 00:01:46,640

link is in the description below so i

22

00:01:51,190 --> 00:01:49,280

hope you get a chance to do that i won't

23

00:01:52,870 --> 00:01:51,200

be immediately going into it so this

24

00:01:54,550 --> 00:01:52,880

should give you enough time if you don't

25

00:01:57,030 --> 00:01:54,560

have telegram to download it on your

26

00:02:01,270 --> 00:01:57,040

phone or computer and hopefully set that

27

00:02:04,230 --> 00:02:01,280

up and connect with me but um

28

00:02:06,709 --> 00:02:04,240

so let's see i basically wanted to

29

00:02:08,710 --> 00:02:06,719

to cover cover a few things so

30

00:02:10,550 --> 00:02:08,720

as some of you know i've been gone for a

31

00:02:13,750 --> 00:02:10,560

month or at least i haven't been uh

32

00:02:17,030 --> 00:02:13,760

doing much uh regarding uh

33

00:02:19,589 --> 00:02:17,040

the shows and interviews so uh last

34

00:02:22,229 --> 00:02:19,599

friday was my official day back with

35

00:02:25,589 --> 00:02:22,239

mark pacio and and

36

00:02:27,270 --> 00:02:25,599

so i'm going to continue basically doing

37

00:02:28,150 --> 00:02:27,280

wednesday and friday

38

00:02:30,790 --> 00:02:28,160

might

39

00:02:32,710 --> 00:02:30,800
change fridays to thursdays at 7. we'll

40

00:02:35,190 --> 00:02:32,720
see how that goes so that that way there

41

00:02:37,509 --> 00:02:35,200
will be open lines on wednesday

42

00:02:39,990 --> 00:02:37,519
an interview on thursday and

43

00:02:41,990 --> 00:02:40,000
then basically move move along next week

44

00:02:43,270 --> 00:02:42,000
to or the week after to just keep doing

45

00:02:44,869 --> 00:02:43,280
the same thing wednesday thursday

46

00:02:46,790 --> 00:02:44,879
wednesday thursday

47

00:02:49,270 --> 00:02:46,800
so um

48

00:02:51,509 --> 00:02:49,280
what i did uh let me let me see if i can

49

00:02:54,229 --> 00:02:51,519
should be able to to show it what i did

50

00:02:56,309 --> 00:02:54,239
i changed some things around i've uh in

51
00:02:58,470 --> 00:02:56,319
my studio that's what i was doing i've

52
00:03:00,630 --> 00:02:58,480
kind of added a tv right next to camera

53
00:03:02,470 --> 00:03:00,640
so that way now moving forward if i have

54
00:03:03,830 --> 00:03:02,480
a gaston and i'm looking at them i can

55
00:03:06,070 --> 00:03:03,840
actually look straight forward instead

56
00:03:09,509 --> 00:03:06,080
of constantly just doing one of these

57
00:03:11,670 --> 00:03:09,519
um and so and let me see

58
00:03:13,910 --> 00:03:11,680
voice chat

59
00:03:16,070 --> 00:03:13,920
i've changed it to uh for it to be a

60
00:03:19,190 --> 00:03:16,080
little bit more anonymous now

61
00:03:22,309 --> 00:03:19,200
i used to have the the screen of of

62
00:03:24,789 --> 00:03:22,319
telegram on there and um usually i would

63
00:03:27,030 --> 00:03:24,799

hope that if you're very uh finicky

64

00:03:28,789 --> 00:03:27,040

about your uh privacy that you wouldn't

65

00:03:30,390 --> 00:03:28,799

have your name and that you would

66

00:03:33,030 --> 00:03:30,400

already kind of have like a cryptic

67

00:03:35,670 --> 00:03:33,040

username to begin with but this way if

68

00:03:36,470 --> 00:03:35,680

i'm having open lines on telegram um i'm

69

00:03:38,390 --> 00:03:36,480

just

70

00:03:40,390 --> 00:03:38,400

basically hearing your voice with

71

00:03:43,270 --> 00:03:40,400

whatever name you want to give me or to

72

00:03:45,670 --> 00:03:43,280

whatever name you want to go by and so

73

00:03:47,910 --> 00:03:45,680

just makes it a little bit more gives

74

00:03:49,750 --> 00:03:47,920

you a little bit more privacy and

75

00:03:50,630 --> 00:03:49,760

just has a generally different different

76

00:03:53,670 --> 00:03:50,640

look

77

00:03:55,509 --> 00:03:53,680

later on if somebody does join um

78

00:03:57,830 --> 00:03:55,519

there's going to be a sound bar so you

79

00:04:01,190 --> 00:03:57,840

can tell that there's somebody talking

80

00:04:03,270 --> 00:04:01,200

on the other other line

81

00:04:04,630 --> 00:04:03,280

also let me

82

00:04:06,630 --> 00:04:04,640

tomorrow

83

00:04:09,750 --> 00:04:06,640

it was something that

84

00:04:13,429 --> 00:04:09,760

i had in the in the making for a while

85

00:04:19,030 --> 00:04:16,069

let me switch to this i'm going to be on

86

00:04:20,150 --> 00:04:19,040

uh truth seekers podcast and um it will

87

00:04:24,230 --> 00:04:20,160

be from

88

00:04:27,110 --> 00:04:24,240

5 to 6 p.m central time and so i hope uh

89

00:04:29,510 --> 00:04:27,120

you you join us and um it's basically

90

00:04:31,189 --> 00:04:29,520

just him and i chatting and mainly him

91

00:04:33,350 --> 00:04:31,199

in conducting an interview asking me

92

00:04:36,710 --> 00:04:33,360

about whatever he would like to ask me

93

00:04:38,790 --> 00:04:36,720

so i'm looking forward to it um and

94

00:04:40,790 --> 00:04:38,800

i hope you join us as well

95

00:04:42,390 --> 00:04:40,800

i have the the um

96

00:04:44,870 --> 00:04:42,400

the youtube channel is called

97

00:04:46,790 --> 00:04:44,880

truthseeker and so if you simply search

98

00:04:48,950 --> 00:04:46,800

it you should be you should be able to

99

00:04:52,070 --> 00:04:48,960

find it so anyway that's what i'm uh

100

00:04:55,030 --> 00:04:52,080

doing tomorrow i don't have a guest set

101
00:04:57,350 --> 00:04:55,040
up uh yet or for friday and if not i

102
00:05:00,550 --> 00:04:57,360
might just hop on again have open lines

103
00:05:02,950 --> 00:05:00,560
and just to kind of keep things going um

104
00:05:05,350 --> 00:05:02,960
it's one of these things to where

105
00:05:08,070 --> 00:05:05,360
it doesn't matter how far ahead i try to

106
00:05:09,670 --> 00:05:08,080
prepare and how many people i contact

107
00:05:12,629 --> 00:05:09,680
some are always going to have other

108
00:05:14,469 --> 00:05:12,639
plans and won't be able to do

109
00:05:15,430 --> 00:05:14,479
you know do the interview based on my

110
00:05:17,430 --> 00:05:15,440
schedule

111
00:05:19,350 --> 00:05:17,440
so um

112
00:05:22,150 --> 00:05:19,360
okay so that's that and the other thing

113
00:05:26,310 --> 00:05:22,160

that i have that i think

114

00:05:29,270 --> 00:05:26,320

i mentioned that in in on telegram

115

00:05:31,430 --> 00:05:29,280

and i also um have under the the youtube

116

00:05:33,350 --> 00:05:31,440

channel your fob youtube channel channel

117

00:05:34,310 --> 00:05:33,360

i have the

118

00:05:36,950 --> 00:05:34,320

um

119

00:05:39,270 --> 00:05:36,960

excuse me for a second

120

00:05:40,870 --> 00:05:39,280

um i also have

121

00:05:44,629 --> 00:05:40,880

on the community tab

122

00:05:46,390 --> 00:05:44,639

uh left left all the links for uh the

123

00:05:48,390 --> 00:05:46,400

major podcasts

124

00:05:49,909 --> 00:05:48,400

one of the things that i was working on

125

00:05:52,629 --> 00:05:49,919

during this month is i basically

126
00:05:54,950 --> 00:05:52,639
converted the entire library that i have

127
00:05:58,710 --> 00:05:54,960
up until the latest interview

128
00:06:02,550 --> 00:05:58,720
to mp3s and they're all uploaded to

129
00:06:10,390 --> 00:06:06,629
speakers spotify apple amazon

130
00:06:12,390 --> 00:06:10,400
google i heart and so you can also then

131
00:06:13,270 --> 00:06:12,400
listen to to this

132
00:06:14,790 --> 00:06:13,280
um

133
00:06:17,909 --> 00:06:14,800
probably a day later because what i'm

134
00:06:19,670 --> 00:06:17,919
going to do is take the audio

135
00:06:21,510 --> 00:06:19,680
convert it and then upload uploaded then

136
00:06:23,430 --> 00:06:21,520
but it will be available for you to to

137
00:06:25,670 --> 00:06:23,440
listen and

138
00:06:29,830 --> 00:06:25,680

i have a little treat for all of you

139

00:06:31,990 --> 00:06:29,840

about five years ago i did

140

00:06:33,590 --> 00:06:32,000

i did an interview with with travis

141

00:06:35,510 --> 00:06:33,600

walton

142

00:06:36,790 --> 00:06:35,520

i guess

143

00:06:39,029 --> 00:06:36,800

for

144

00:06:40,950 --> 00:06:39,039

without going into details why i haven't

145

00:06:41,590 --> 00:06:40,960

published that video i couldn't publish

146

00:06:48,550 --> 00:06:41,600

it

147

00:06:50,150 --> 00:06:48,560

most of you that know whenever i do an

148

00:06:51,430 --> 00:06:50,160

interview

149

00:06:53,189 --> 00:06:51,440

we have to be

150

00:06:55,909 --> 00:06:53,199

i have to you know the guest has to be

151
00:06:58,070 --> 00:06:55,919
in full agreement uh to do an interview

152
00:07:01,110 --> 00:06:58,080
before i publish it because it's about

153
00:07:03,350 --> 00:07:01,120
for me for them to go out how how they

154
00:07:05,350 --> 00:07:03,360
wanted to go out and so

155
00:07:06,629 --> 00:07:05,360
this aspect of the interview was mainly

156
00:07:08,469 --> 00:07:06,639
the video

157
00:07:10,230 --> 00:07:08,479
you know that was the issue

158
00:07:11,749 --> 00:07:10,240
but not necessarily the message or the

159
00:07:14,150 --> 00:07:11,759
audio so

160
00:07:15,990 --> 00:07:14,160
i have it uploaded after all these years

161
00:07:18,230 --> 00:07:16,000
for all of you guys to at least listen

162
00:07:21,749 --> 00:07:18,240
of what the interview would have would

163
00:07:24,550 --> 00:07:21,759

have been and it's available again on um

164

00:07:27,189 --> 00:07:24,560

speaker and all the major platforms so i

165

00:07:30,230 --> 00:07:27,199

hope you you join it i hope you you

166

00:07:31,189 --> 00:07:30,240

listen uh to them they seem to be let's

167

00:07:33,830 --> 00:07:31,199

just say

168

00:07:36,950 --> 00:07:33,840

a little bit nicer actually quite a bit

169

00:07:39,110 --> 00:07:36,960

more nicer than than youtube is and so

170

00:07:41,350 --> 00:07:39,120

i'm hoping that you

171

00:07:43,749 --> 00:07:41,360

you join the different podcasts wherever

172

00:07:46,150 --> 00:07:43,759

you can which would then support the

173

00:07:48,390 --> 00:07:46,160

channel in in a great way and um i would

174

00:07:49,189 --> 00:07:48,400

certainly appreciate it

175

00:07:52,070 --> 00:07:49,199

so

176

00:07:57,189 --> 00:07:54,430

let's have uh

177

00:08:00,230 --> 00:07:57,199

labels369 hello how are you i have fab

178

00:08:01,430 --> 00:08:00,240

22 hi fabicio welcome as well and

179

00:08:04,469 --> 00:08:01,440

bradley

180

00:08:06,309 --> 00:08:04,479

um i i got the i had the the chat

181

00:08:08,469 --> 00:08:06,319

started a bit earlier

182

00:08:10,830 --> 00:08:08,479

and so that way we can just chat about

183

00:08:13,830 --> 00:08:10,840

different things and

184

00:08:16,230 --> 00:08:13,840

um but basically just kind of

185

00:08:18,710 --> 00:08:16,240

um get a chance to just get everything

186

00:08:21,589 --> 00:08:18,720

going without it immediately going live

187

00:08:24,150 --> 00:08:21,599

so in the future any time before and um

188

00:08:26,629 --> 00:08:24,160

an open open lines i usually try to go

189

00:08:28,469 --> 00:08:26,639

half hour to hour on the telegram ahead

190

00:08:30,390 --> 00:08:28,479

of time so if you ever wanted to chat

191

00:08:32,230 --> 00:08:30,400

with me and have direct access to just

192

00:08:34,389 --> 00:08:32,240

chat with me about whatever that would

193

00:08:35,750 --> 00:08:34,399

be the time now of course there will be

194

00:08:37,670 --> 00:08:35,760

other people in there as well but

195

00:08:39,509 --> 00:08:37,680

usually you know everyone is very

196

00:08:41,909 --> 00:08:39,519

respectful to give everyone their turn

197

00:08:44,230 --> 00:08:41,919

to talk and and just kind of

198

00:08:46,710 --> 00:08:44,240

talk about whatever topic whatever topic

199

00:08:53,190 --> 00:08:46,720

we're doing

200

00:08:58,389 --> 00:08:54,949

how do i pronounce that

201
00:09:01,350 --> 00:08:58,399
it sounds like a yugoslavian name gotcha

202
00:09:04,230 --> 00:09:01,360
pentalash i'm sorry my

203
00:09:06,710 --> 00:09:04,240
my serbian creation is not that good

204
00:09:08,550 --> 00:09:06,720
or is bosnia say my bosnian but i guess

205
00:09:12,630 --> 00:09:08,560
that's the argument for a different time

206
00:09:16,070 --> 00:09:13,670
so

207
00:09:18,550 --> 00:09:16,080
what i wanted to

208
00:09:19,990 --> 00:09:18,560
then get into is to cover these certain

209
00:09:21,509 --> 00:09:20,000
topics

210
00:09:23,430 --> 00:09:21,519
i wanted to

211
00:09:24,710 --> 00:09:23,440
have an opportunity

212
00:09:26,790 --> 00:09:24,720
to

213
00:09:28,550 --> 00:09:26,800

whenever whenever

214

00:09:30,310 --> 00:09:28,560

whenever i thought about this and we

215

00:09:32,949 --> 00:09:30,320

always keep talking about the new earth

216

00:09:35,030 --> 00:09:32,959

and these changes that are happening um

217

00:09:37,110 --> 00:09:35,040

the best person to really talk about

218

00:09:38,870 --> 00:09:37,120

this since she covered this in great

219

00:09:41,910 --> 00:09:38,880

depth with all the books that she has

220

00:09:43,910 --> 00:09:41,920

written about would be dolores cannon um

221

00:09:45,750 --> 00:09:43,920

i really would love to be able to talk

222

00:09:46,949 --> 00:09:45,760

to her right now if she was alive i

223

00:09:49,269 --> 00:09:46,959

would probably

224

00:09:51,269 --> 00:09:49,279

just have a weekly segment on on a

225

00:09:53,110 --> 00:09:51,279

different day aside from interviews just

226

00:09:55,350 --> 00:09:53,120

to talk to her and

227

00:09:57,269 --> 00:09:55,360

have the conversations go live but

228

00:09:59,829 --> 00:09:57,279

anyway i don't

229

00:10:02,069 --> 00:09:59,839

have that ability but what i do have and

230

00:10:03,350 --> 00:10:02,079

what most of you do

231

00:10:05,430 --> 00:10:03,360

is

232

00:10:07,269 --> 00:10:05,440

the books that she has left behind for

233

00:10:08,790 --> 00:10:07,279

us and so

234

00:10:11,190 --> 00:10:08,800

i thought there were some things that i

235

00:10:13,110 --> 00:10:11,200

could talk about regarding the new earth

236

00:10:15,350 --> 00:10:13,120

and the experiences i've had but it

237

00:10:18,310 --> 00:10:15,360

would be pretty much similar to how

238

00:10:20,550 --> 00:10:18,320

she's describing it anyway so for those

239

00:10:21,990 --> 00:10:20,560

of you that are going to be listening to

240

00:10:24,310 --> 00:10:22,000

this in the future and all of you

241

00:10:27,430 --> 00:10:24,320

watching i apologize if this might be a

242

00:10:29,190 --> 00:10:27,440

bit boring to you but i wanted to

243

00:10:31,430 --> 00:10:29,200

specifically read

244

00:10:34,949 --> 00:10:31,440

a segment from

245

00:10:36,630 --> 00:10:34,959

her book the three waves of volunteers

246

00:10:38,949 --> 00:10:36,640

and

247

00:10:41,430 --> 00:10:38,959

it's a very interesting segment

248

00:10:42,630 --> 00:10:41,440

that covers

249

00:10:43,670 --> 00:10:42,640

um

250

00:10:47,829 --> 00:10:43,680

covers

251
00:10:49,670 --> 00:10:47,839
a good good topic about how she foresaw

252
00:10:51,990 --> 00:10:49,680
in her research

253
00:10:54,630 --> 00:10:52,000
regarding this new earth and how how it

254
00:11:02,069 --> 00:10:57,509
most likely to occur

255
00:11:05,350 --> 00:11:03,590
let's see

256
00:11:07,829 --> 00:11:05,360
i'll read this to you guys real quick

257
00:11:10,310 --> 00:11:07,839
just a few paragraphs

258
00:11:12,870 --> 00:11:10,320
so she wrote several years ago i was on

259
00:11:15,509 --> 00:11:12,880
a panel at a conference with annie

260
00:11:18,310 --> 00:11:15,519
kirkwood the author of mary's message to

261
00:11:20,870 --> 00:11:18,320
the world she told about a

262
00:11:23,509 --> 00:11:20,880
vision she had that seems to portray the

263
00:11:27,110 --> 00:11:23,519

evolution of the new earth she saw the

264

00:11:29,990 --> 00:11:27,120

earth as it as it uh

265

00:11:31,190 --> 00:11:30,000

she saw the earth as it is viewed from

266

00:11:33,670 --> 00:11:31,200

outer space

267

00:11:36,230 --> 00:11:33,680

then it started looking like tours

268

00:11:38,790 --> 00:11:36,240

one superimposed on the other there were

269

00:11:41,269 --> 00:11:38,800

little lines of flashing lights going

270

00:11:44,069 --> 00:11:41,279

between both the earth's

271

00:11:46,630 --> 00:11:44,079

then as she watched she saw it

272

00:11:50,230 --> 00:11:46,640

uh she saw it begin to pull apart the

273

00:11:51,269 --> 00:11:50,240

way a cell does when it is dividing into

274

00:11:53,269 --> 00:11:51,279

uh

275

00:11:54,310 --> 00:11:53,279

when it's dividing to produce another

276

00:11:56,949 --> 00:11:54,320

cell

277

00:11:59,430 --> 00:11:56,959

one earth went off in one direction the

278

00:12:01,590 --> 00:11:59,440

other one went in the other direction

279

00:12:03,350 --> 00:12:01,600

on the earth

280

00:12:06,710 --> 00:12:03,360

on one earth she

281

00:12:09,269 --> 00:12:06,720

uh and others were exclaiming yes yes it

282

00:12:10,389 --> 00:12:09,279

really happened we did it we really are

283

00:12:12,230 --> 00:12:10,399

a new earth

284

00:12:14,150 --> 00:12:12,240

and on the other earth she heard a

285

00:12:16,870 --> 00:12:14,160

sister's voice

286

00:12:19,590 --> 00:12:16,880

that girl was so crazy she was out there

287

00:12:23,509 --> 00:12:19,600

telling everybody all these crazy things

288

00:12:25,430 --> 00:12:23,519

and nothing happened she just died

289

00:12:27,910 --> 00:12:25,440

let me scroll up a little bit more

290

00:12:29,110 --> 00:12:27,920

so it appears that when the final event

291

00:12:31,509 --> 00:12:29,120

occurs

292

00:12:33,590 --> 00:12:31,519

there will be some people that will

293

00:12:36,069 --> 00:12:33,600

not even be aware that anything had

294

00:12:38,949 --> 00:12:36,079

occurred or has occurred this will be

295

00:12:40,310 --> 00:12:38,959

the separation of those who go on with

296

00:12:42,470 --> 00:12:40,320

the new earth

297

00:12:44,629 --> 00:12:42,480

let me scroll up some more

298

00:12:46,150 --> 00:12:44,639

and those who are left behind on the old

299

00:12:47,670 --> 00:12:46,160

earth

300

00:12:49,430 --> 00:12:47,680

which will be

301
00:12:51,350 --> 00:12:49,440
steeped in negativity

302
00:12:53,990 --> 00:12:51,360
later during the lecture

303
00:12:56,949 --> 00:12:54,000
i explained this vision and afterwards a

304
00:12:59,269 --> 00:12:56,959
man came up to me he said i want you to

305
00:13:01,110 --> 00:12:59,279
know that i'm a businessman i usually

306
00:13:03,509 --> 00:13:01,120
don't have experiences that i can't

307
00:13:06,069 --> 00:13:03,519
explain logically but whenever you were

308
00:13:08,870 --> 00:13:06,079
describing the two earths separating

309
00:13:11,110 --> 00:13:08,880
this auditorium suddenly disappeared and

310
00:13:13,910 --> 00:13:11,120
i found myself in outer space

311
00:13:16,470 --> 00:13:13,920
as i watched i saw it i saw it happen

312
00:13:19,030 --> 00:13:16,480
exactly the way you described he said

313
00:13:21,430 --> 00:13:19,040

the scene was still very vividly in my

314

00:13:23,910 --> 00:13:21,440

mind he went home and created the

315

00:13:26,150 --> 00:13:23,920

picture below on his computer and gave

316

00:13:28,389 --> 00:13:26,160

permission to use it in this book

317

00:13:29,670 --> 00:13:28,399

it is much more impressive in color but

318

00:13:32,710 --> 00:13:29,680

the new earth

319

00:13:35,110 --> 00:13:32,720

is the glowing orb superimposed over the

320

00:13:39,110 --> 00:13:35,120

old earth and so this was the graphic

321

00:13:40,949 --> 00:13:39,120

that this gentleman gave to her and so

322

00:13:42,710 --> 00:13:40,959

the reason why i bring this up and

323

00:13:43,829 --> 00:13:42,720

because there's so many talks about the

324

00:13:45,750 --> 00:13:43,839

new earth

325

00:13:48,389 --> 00:13:45,760

a lot of us

326

00:13:49,829 --> 00:13:48,399

want to be aware when this change and

327

00:13:51,829 --> 00:13:49,839

shift happens

328

00:13:53,750 --> 00:13:51,839

let me shift over here

329

00:13:55,350 --> 00:13:53,760

and we want to be able to say aha

330

00:13:56,870 --> 00:13:55,360

there's the difference you know this is

331

00:14:00,230 --> 00:13:56,880

how we used to have it this is how it

332

00:14:02,069 --> 00:14:00,240

moved on and such a drastic difference

333

00:14:04,069 --> 00:14:02,079

you know there's no other explanation

334

00:14:06,710 --> 00:14:04,079

but the fact that we're on new earth and

335

00:14:08,870 --> 00:14:06,720

we know we've shifted but

336

00:14:11,110 --> 00:14:08,880

throughout our lifetimes we've all done

337

00:14:12,870 --> 00:14:11,120

that in in different ways we've all

338

00:14:16,230 --> 00:14:12,880

shifted to these different realities

339

00:14:18,470 --> 00:14:16,240

that we have and um basically started

340

00:14:20,949 --> 00:14:18,480

living the lives the way we want to live

341

00:14:23,509 --> 00:14:20,959

it and then enforced and created that

342

00:14:24,389 --> 00:14:23,519

reality and so

343

00:14:28,310 --> 00:14:24,399

what

344

00:14:31,110 --> 00:14:28,320

to not to drive themselves crazy trying

345

00:14:33,750 --> 00:14:31,120

to exactly figure out when this moment

346

00:14:35,430 --> 00:14:33,760

is because

347

00:14:37,189 --> 00:14:35,440

there were so many

348

00:14:39,590 --> 00:14:37,199

millions of different moments in your

349

00:14:41,350 --> 00:14:39,600

life where certain decisions were made

350

00:14:44,790 --> 00:14:41,360

where it

351
00:14:47,350 --> 00:14:44,800
got you to be where you are today and so

352
00:14:49,670 --> 00:14:47,360
you can always ponder about well what if

353
00:14:50,949 --> 00:14:49,680
i went the other way and what if this

354
00:14:52,949 --> 00:14:50,959
what if that

355
00:14:55,670 --> 00:14:52,959
on the grand scheme of things

356
00:14:57,829 --> 00:14:55,680
there's a reality of that choice as well

357
00:14:59,750 --> 00:14:57,839
it's just that you chose to focus on

358
00:15:02,389 --> 00:14:59,760
this one and you basically are living it

359
00:15:04,710 --> 00:15:02,399
and enforcing it by your actions and

360
00:15:07,509 --> 00:15:04,720
being here waking up into this reality

361
00:15:08,710 --> 00:15:07,519
every day day in day out and so

362
00:15:10,949 --> 00:15:08,720
um

363
00:15:14,470 --> 00:15:10,959

it's it's difficult to

364

00:15:16,230 --> 00:15:14,480

um i mean i can see how people can get

365

00:15:19,030 --> 00:15:16,240

frustrated because they just want to

366

00:15:21,430 --> 00:15:19,040

know just tell me uh when will i know

367

00:15:22,790 --> 00:15:21,440

exactly but it's a it's an experience

368

00:15:24,389 --> 00:15:22,800

that you have to

369

00:15:27,430 --> 00:15:24,399

gain on your own

370

00:15:28,389 --> 00:15:27,440

to understand that when a shift happens

371

00:15:31,110 --> 00:15:28,399

um

372

00:15:33,509 --> 00:15:31,120

it happened and that awareness if you

373

00:15:36,790 --> 00:15:33,519

were in tune you become aware of that it

374

00:15:39,269 --> 00:15:36,800

has occurred otherwise um i mean

375

00:15:42,069 --> 00:15:39,279

you've made every choice moving forward

376

00:15:44,310 --> 00:15:42,079

from as you know it's as a little fella

377

00:15:46,470 --> 00:15:44,320

or gal moving you know throughout all

378

00:15:48,870 --> 00:15:46,480

this time becoming the person you are

379

00:15:51,189 --> 00:15:48,880

today and you're not necessarily sitting

380

00:15:53,350 --> 00:15:51,199

there uh regretting and wondering and

381

00:15:55,269 --> 00:15:53,360

pondering about every single decision

382

00:15:57,430 --> 00:15:55,279

that you've ever made you just made a

383

00:15:59,910 --> 00:15:57,440

decision one went into that direction

384

00:16:02,949 --> 00:15:59,920

and never looked back so try not to

385

00:16:05,030 --> 00:16:02,959

drive yourself nuts about ex you know

386

00:16:07,189 --> 00:16:05,040

about what could have been you know am i

387

00:16:09,189 --> 00:16:07,199

in it am i at that moment you know it's

388

00:16:12,310 --> 00:16:09,199

um you know it's

389

00:16:13,189 --> 00:16:12,320

silly to describe it i mean when you're

390

00:16:15,670 --> 00:16:13,199

you know

391

00:16:17,030 --> 00:16:15,680

to to be not not to be too blunt with

392

00:16:18,629 --> 00:16:17,040

some people but

393

00:16:20,069 --> 00:16:18,639

let's say you're making love you know

394

00:16:21,509 --> 00:16:20,079

you're not going to be sitting it's like

395

00:16:23,189 --> 00:16:21,519

are we about to make love are we going

396

00:16:24,790 --> 00:16:23,199

to make love is that some moment is this

397

00:16:26,870 --> 00:16:24,800

it is this going to be happening right

398

00:16:28,470 --> 00:16:26,880

now i mean you don't really think about

399

00:16:31,430 --> 00:16:28,480

it it's like you were immersed in that

400

00:16:33,670 --> 00:16:31,440

moment um you know and you there's just

401
00:16:36,550 --> 00:16:33,680
you and and your partner and that's it

402
00:16:39,590 --> 00:16:36,560
you know and it really is you know that

403
00:16:43,110 --> 00:16:39,600
obvious and so i'm giving you a very uh

404
00:16:44,949 --> 00:16:43,120
uh direct and maybe an experience that

405
00:16:47,269 --> 00:16:44,959
most of you can relate to you know

406
00:16:49,829 --> 00:16:47,279
unless you literally are that person

407
00:16:52,069 --> 00:16:49,839
just really just talk to yourself

408
00:16:55,590 --> 00:16:52,079
through the entire damn process then i

409
00:16:57,030 --> 00:16:55,600
mean good for you you know but it's um

410
00:16:58,470 --> 00:16:57,040
it really is

411
00:17:00,629 --> 00:16:58,480
you know an experience that you just

412
00:17:02,629 --> 00:17:00,639
have to go through and not not always

413
00:17:05,189 --> 00:17:02,639

wonder is it happening you know what's

414

00:17:07,110 --> 00:17:05,199

happening because

415

00:17:08,470 --> 00:17:07,120

you have to also

416

00:17:10,390 --> 00:17:08,480

you know

417

00:17:12,150 --> 00:17:10,400

when you when some when these changes

418

00:17:14,870 --> 00:17:12,160

are occurring

419

00:17:16,789 --> 00:17:14,880

if you've done the homework meaning you

420

00:17:18,230 --> 00:17:16,799

say you're serious to understand that

421

00:17:22,309 --> 00:17:18,240

means you already would have been

422

00:17:25,189 --> 00:17:22,319

exposed to certain uh people certain um

423

00:17:27,270 --> 00:17:25,199

certain knowledge certain experiences

424

00:17:29,029 --> 00:17:27,280

whether they would be

425

00:17:31,350 --> 00:17:29,039

more of metaphysical

426
00:17:33,830 --> 00:17:31,360
psychedelic type whichever that would

427
00:17:36,070 --> 00:17:33,840
have then started to give you that base

428
00:17:38,390 --> 00:17:36,080
of okay now you've entered a different

429
00:17:40,630 --> 00:17:38,400
school this is how you have to then

430
00:17:42,870 --> 00:17:40,640
approach your learning process right if

431
00:17:45,909 --> 00:17:42,880
you constantly stay in that ego mind in

432
00:17:47,909 --> 00:17:45,919
that voice to to tell you all the time

433
00:17:50,070 --> 00:17:47,919
when has something occurred just to

434
00:17:52,070 --> 00:17:50,080
confirm that it has occurred that's when

435
00:17:53,190 --> 00:17:52,080
you're in that still in that ego because

436
00:17:55,190 --> 00:17:53,200
the ego

437
00:17:58,070 --> 00:17:55,200
is it's a very limited concept it's just

438
00:18:01,350 --> 00:17:58,080

here to observe what is happening it

439

00:18:03,350 --> 00:18:01,360

sees it hears it tastes in the moment

440

00:18:05,669 --> 00:18:03,360

and so it's not designed to know the

441

00:18:06,630 --> 00:18:05,679

future it only sees what has happened

442

00:18:07,430 --> 00:18:06,640

and so

443

00:18:09,190 --> 00:18:07,440

um

444

00:18:10,870 --> 00:18:09,200

if you're in that constant state and

445

00:18:12,390 --> 00:18:10,880

constantly look into this video in that

446

00:18:14,470 --> 00:18:12,400

video and what's this person saying and

447

00:18:17,430 --> 00:18:14,480

what are we going to change and when is

448

00:18:19,110 --> 00:18:17,440

this new thing going to be occurring um

449

00:18:21,110 --> 00:18:19,120

that just means that

450

00:18:23,350 --> 00:18:21,120

you you basically haven't moved you

451
00:18:25,510 --> 00:18:23,360
haven't moved you haven't um

452
00:18:27,909 --> 00:18:25,520
you know either physically or mentally

453
00:18:30,310 --> 00:18:27,919
you've been in that same spot waiting

454
00:18:32,230 --> 00:18:30,320
for somebody else to say it's okay

455
00:18:34,230 --> 00:18:32,240
waiting to somebody else say

456
00:18:36,630 --> 00:18:34,240
this is the moment that everything

457
00:18:38,630 --> 00:18:36,640
changes so from this moment all move

458
00:18:42,470 --> 00:18:38,640
forward you know in this in this new

459
00:18:44,470 --> 00:18:42,480
direction and so um i don't know that

460
00:18:46,150 --> 00:18:44,480
you will you will receive that answer

461
00:18:48,870 --> 00:18:46,160
maybe if it does come to you it would be

462
00:18:51,190 --> 00:18:48,880
through you know kicking the ass because

463
00:18:53,990 --> 00:18:51,200

um you know usually something happens in

464

00:18:55,029 --> 00:18:54,000

your life to where um if you're

465

00:18:57,270 --> 00:18:55,039

stuck

466

00:18:59,029 --> 00:18:57,280

in in a rut in a certain way of thinking

467

00:19:00,870 --> 00:18:59,039

there will be signals and other things

468

00:19:02,230 --> 00:19:00,880

that happened and your higher self is

469

00:19:03,990 --> 00:19:02,240

always going to you know let you know

470

00:19:07,270 --> 00:19:04,000

about

471

00:19:11,750 --> 00:19:08,789

i'm giving you an example basically

472

00:19:14,070 --> 00:19:11,760

because that's how over the years i've

473

00:19:15,909 --> 00:19:14,080

learned to to

474

00:19:17,510 --> 00:19:15,919

to perceive those that kind of

475

00:19:19,669 --> 00:19:17,520

information that kind of messaging so

476

00:19:22,230 --> 00:19:19,679

i'm kind of conveying examples to you of

477

00:19:24,230 --> 00:19:22,240

how i look at things um

478

00:19:27,029 --> 00:19:24,240

of what i've also started doing for a

479

00:19:29,750 --> 00:19:27,039

while there was um i've have i have all

480

00:19:33,190 --> 00:19:29,760

the vhs tapes and they're the families

481

00:19:35,590 --> 00:19:33,200

families tapes of us

482

00:19:38,630 --> 00:19:35,600

live when we lived in germany and then

483

00:19:41,110 --> 00:19:38,640

eventually came to united states and

484

00:19:42,789 --> 00:19:41,120

there's just a lot of

485

00:19:44,549 --> 00:19:42,799

basically

486

00:19:47,510 --> 00:19:44,559

uh what happened initially like when the

487

00:19:49,830 --> 00:19:47,520

bosnian war started we you know we fled

488

00:19:51,750 --> 00:19:49,840

wherever we could flee and so many

489

00:19:54,230 --> 00:19:51,760

different family members some went to

490

00:19:56,630 --> 00:19:54,240

austria some went to germany some went

491

00:19:58,870 --> 00:19:56,640

to different locations so

492

00:20:01,430 --> 00:19:58,880

the way we then kind of communicated is

493

00:20:03,430 --> 00:20:01,440

making these tapes

494

00:20:05,510 --> 00:20:03,440

for each other to say hey this is where

495

00:20:08,070 --> 00:20:05,520

we are this is where we live and then

496

00:20:09,590 --> 00:20:08,080

kind of convey is you know uh uh

497

00:20:13,270 --> 00:20:09,600

basically just saying that everything's

498

00:20:15,590 --> 00:20:13,280

okay uh we're situated and so on and so

499

00:20:17,430 --> 00:20:15,600

initially all the refugees were always

500

00:20:19,270 --> 00:20:17,440

at these different camps we were in camp

501
00:20:21,669 --> 00:20:19,280
in germany where you know

502
00:20:23,350 --> 00:20:21,679
the other family was in a camp in in

503
00:20:27,430 --> 00:20:23,360
austria and so

504
00:20:31,430 --> 00:20:29,590
as i was basically converting these

505
00:20:35,430 --> 00:20:31,440
tapes and watching all this stuff i just

506
00:20:38,470 --> 00:20:35,440
started um having all these different um

507
00:20:40,630 --> 00:20:38,480
uh just anger uh come up again about

508
00:20:42,310 --> 00:20:40,640
things that had happened um the things

509
00:20:44,470 --> 00:20:42,320
that have happened occurred during the

510
00:20:46,230 --> 00:20:44,480
war because some of the things that

511
00:20:47,750 --> 00:20:46,240
obviously is on vhs today because back

512
00:20:49,350 --> 00:20:47,760
in the 90s that was the only way to

513
00:20:51,590 --> 00:20:49,360

really record anything you know

514

00:20:54,070 --> 00:20:51,600

permanently was um

515

00:20:56,070 --> 00:20:54,080

my dad would record the

516

00:20:57,990 --> 00:20:56,080

um the news that was coming out to to

517

00:20:59,750 --> 00:20:58,000

explain what was happening uh during the

518

00:21:02,549 --> 00:20:59,760

war and so there'll be a lot of these

519

00:21:05,190 --> 00:21:02,559

images and graphics coming out and so as

520

00:21:08,070 --> 00:21:05,200

i'm working on the studio and while the

521

00:21:09,909 --> 00:21:08,080

tapes are just converting to digital um

522

00:21:11,990 --> 00:21:09,919

i'm basically trying to hang up this

523

00:21:14,310 --> 00:21:12,000

stuff to make this this place a bit more

524

00:21:17,190 --> 00:21:14,320

soundproof and i'm working with glue

525

00:21:18,950 --> 00:21:17,200

and so as i'm you know trying to apply

526
00:21:21,909 --> 00:21:18,960
the glue and putting that on there

527
00:21:24,390 --> 00:21:21,919
sticks better to the wall um i'm

528
00:21:26,710 --> 00:21:24,400
my mind is starting to go into these

529
00:21:28,230 --> 00:21:26,720
different you know modes of you know

530
00:21:29,830 --> 00:21:28,240
it's like unbelievable you know it's

531
00:21:31,750 --> 00:21:29,840
like what would have been if nothing

532
00:21:33,510 --> 00:21:31,760
happened you know if i you know if we

533
00:21:35,510 --> 00:21:33,520
lived in bosnia or if we were still in

534
00:21:38,549 --> 00:21:35,520
germany or if this didn't happen if that

535
00:21:41,029 --> 00:21:38,559
didn't happen and as i'm doing that i j

536
00:21:43,590 --> 00:21:41,039
the hot glue i basically shifted my hand

537
00:21:45,990 --> 00:21:43,600
in this weird way and i burnt myself

538
00:21:48,070 --> 00:21:46,000

really good i mean i'm just

539

00:21:49,830 --> 00:21:48,080

when hot glue sticks your skin

540

00:21:51,510 --> 00:21:49,840

you can try to get it off but then you

541

00:21:52,870 --> 00:21:51,520

burn your other hand and you you

542

00:21:55,909 --> 00:21:52,880

basically just kind of have to stick it

543

00:21:57,590 --> 00:21:55,919

out and so there was you know in this

544

00:22:00,310 --> 00:21:57,600

sorry for the long setup but i have to

545

00:22:01,590 --> 00:22:00,320

give you this example what what led up

546

00:22:04,070 --> 00:22:01,600

to this point

547

00:22:07,270 --> 00:22:04,080

you know generally your left side and

548

00:22:09,750 --> 00:22:07,280

left hand is you passed and so it made

549

00:22:12,789 --> 00:22:09,760

perfect sense to me in that moment that

550

00:22:15,190 --> 00:22:12,799

by me regurgitating and kind of

551

00:22:17,350 --> 00:22:15,200

setting up a narrative that really you

552

00:22:19,430 --> 00:22:17,360

know wasn't there before but maybe not

553

00:22:21,430 --> 00:22:19,440

maybe but definitely was built up from

554

00:22:23,350 --> 00:22:21,440

what i kept seeing again from the tapes

555

00:22:24,710 --> 00:22:23,360

and seeing my family and all the

556

00:22:26,630 --> 00:22:24,720

different people at these different

557

00:22:28,870 --> 00:22:26,640

camps trying to reach back to each other

558

00:22:31,190 --> 00:22:28,880

to try to reconnect to be a you know

559

00:22:33,510 --> 00:22:31,200

family again um

560

00:22:36,870 --> 00:22:33,520

you know i was it was basically telling

561

00:22:39,430 --> 00:22:36,880

me that it was it's it's going and an

562

00:22:40,390 --> 00:22:39,440

amount of pain will also tell you how

563

00:22:41,909 --> 00:22:40,400

strong

564

00:22:46,870 --> 00:22:41,919

of a

565

00:22:49,430 --> 00:22:46,880

go down this route it will not be good

566

00:22:51,190 --> 00:22:49,440

for you just basically just of who you

567

00:22:53,830 --> 00:22:51,200

say you are it's not going to work for

568

00:22:56,630 --> 00:22:53,840

you and by having that very sharp

569

00:22:57,350 --> 00:22:56,640

burning pain was very clear to just quit

570

00:23:00,230 --> 00:22:57,360

it

571

00:23:02,149 --> 00:23:00,240

to basically stop i understand that

572

00:23:04,149 --> 00:23:02,159

if that didn't happen i wouldn't have my

573

00:23:07,110 --> 00:23:04,159

family that i have today that my wife

574

00:23:09,029 --> 00:23:07,120

and children that i love dearly and so

575

00:23:12,470 --> 00:23:09,039

there's always a positive that you can

576

00:23:14,390 --> 00:23:12,480

draw from every negative and so um the

577

00:23:16,070 --> 00:23:14,400

we reason why i also tell you about you

578

00:23:18,070 --> 00:23:16,080

know tell you about this and for those

579

00:23:20,310 --> 00:23:18,080

of you who are new to this channel

580

00:23:23,350 --> 00:23:20,320

that has a lot to do with contact

581

00:23:25,350 --> 00:23:23,360

because again as i've said it at least a

582

00:23:26,950 --> 00:23:25,360

hundred times maybe even thousands of

583

00:23:30,470 --> 00:23:26,960

times um

584

00:23:32,630 --> 00:23:30,480

contact um is is about

585

00:23:34,789 --> 00:23:32,640

having two people

586

00:23:37,830 --> 00:23:34,799

um or two beings

587

00:23:39,270 --> 00:23:37,840

that are not dependent on each other to

588

00:23:42,630 --> 00:23:39,280

basically then

589

00:23:45,669 --> 00:23:42,640

meet on a neutral ground and so

590

00:23:47,590 --> 00:23:45,679

if i ask this victim and as this person

591

00:23:49,909 --> 00:23:47,600

that needs something or needs some

592

00:23:51,990 --> 00:23:49,919

justification or needs somebody to tell

593

00:23:54,230 --> 00:23:52,000

me i'm sorry

594

00:23:57,029 --> 00:23:54,240

that creates a different energy and

595

00:23:59,110 --> 00:23:57,039

generally contact doesn't work very well

596

00:24:01,110 --> 00:23:59,120

you know regarding that because the

597

00:24:02,390 --> 00:24:01,120

aliens don't want to fix us

598

00:24:03,669 --> 00:24:02,400

you know at least with the ones that

599

00:24:05,590 --> 00:24:03,679

i've been interacting with and the

600

00:24:08,149 --> 00:24:05,600

information that i was conveyed it's

601
00:24:11,669 --> 00:24:08,159
about us becoming the stronger versions

602
00:24:13,350 --> 00:24:11,679
of ourselves to basically um be able to

603
00:24:16,549 --> 00:24:13,360
interact with them or be able to

604
00:24:18,470 --> 00:24:16,559
interact with on even ground and so by

605
00:24:20,710 --> 00:24:18,480
me telling you these stories you know as

606
00:24:23,909 --> 00:24:20,720
boring as you might maybe find it it's

607
00:24:25,830 --> 00:24:23,919
about for you to to just understand like

608
00:24:28,630 --> 00:24:25,840
you're going to always have you know

609
00:24:31,269 --> 00:24:28,640
these things of of uncertainty and when

610
00:24:32,630 --> 00:24:31,279
you're 900 sure with am i doing the

611
00:24:34,789 --> 00:24:32,640
right thing am i going the right

612
00:24:36,870 --> 00:24:34,799
direction is this the time for this this

613
00:24:39,510 --> 00:24:36,880

or that you know should i do this or

614

00:24:42,310 --> 00:24:39,520

that it's it's all about

615

00:24:45,110 --> 00:24:42,320

act in the the most um

616

00:24:48,470 --> 00:24:45,120

in the most authentic way that is you

617

00:24:51,269 --> 00:24:48,480

and you will never be mistaken

618

00:24:53,190 --> 00:24:51,279

and so anyway i wanted to cover that

619

00:24:55,190 --> 00:24:53,200

part about this new earth and this new

620

00:24:56,870 --> 00:24:55,200

direction that we're going to and i hope

621

00:25:00,789 --> 00:24:56,880

this makes some sense to you and that

622

00:25:03,830 --> 00:25:00,799

you can um draw something from this

623

00:25:05,990 --> 00:25:03,840

so what i would like to go into

624

00:25:08,310 --> 00:25:06,000

into next and this was

625

00:25:10,549 --> 00:25:08,320

um

626
00:25:12,310 --> 00:25:10,559
about the crypto

627
00:25:15,510 --> 00:25:12,320
it was um

628
00:25:17,029 --> 00:25:15,520
like crypto cyber uh pandemic

629
00:25:19,110 --> 00:25:17,039
so

630
00:25:21,190 --> 00:25:19,120
i wanted to inform you about this and

631
00:25:23,430 --> 00:25:21,200
this is again it's not meant in a

632
00:25:25,430 --> 00:25:23,440
fearful way it's like to to have

633
00:25:27,669 --> 00:25:25,440
information

634
00:25:29,750 --> 00:25:27,679
you could take it in a fearful way or

635
00:25:31,990 --> 00:25:29,760
you can you know take it from a neutral

636
00:25:33,750 --> 00:25:32,000
point standpoint or even you know from a

637
00:25:36,230 --> 00:25:33,760
happy standpoint depending on however

638
00:25:38,310 --> 00:25:36,240

you want to translate it you know the

639

00:25:40,630 --> 00:25:38,320

the me telling you about this it doesn't

640

00:25:42,630 --> 00:25:40,640

mean it's like oh my god everybody freak

641

00:25:44,870 --> 00:25:42,640

out watch out this is what's happening

642

00:25:47,510 --> 00:25:44,880

you need to do something about this it's

643

00:25:49,990 --> 00:25:47,520

simply just letting you know that

644

00:25:52,789 --> 00:25:50,000

through patterns and things that have

645

00:25:55,510 --> 00:25:52,799

happened in the past through my analysis

646

00:25:57,510 --> 00:25:55,520

over the 20 years and through some you

647

00:25:59,350 --> 00:25:57,520

know very strong intuition

648

00:26:00,870 --> 00:25:59,360

this world has been going into a certain

649

00:26:03,510 --> 00:26:00,880

direction that

650

00:26:05,669 --> 00:26:03,520

um it doesn't necessarily mean it will

651
00:26:08,470 --> 00:26:05,679
end up that way but it's important for

652
00:26:11,110 --> 00:26:08,480
each one of you to as we always like to

653
00:26:12,950 --> 00:26:11,120
say wake up because

654
00:26:15,830 --> 00:26:12,960
everything that happens is either

655
00:26:18,470 --> 00:26:15,840
through your action or your inaction and

656
00:26:19,990 --> 00:26:18,480
so i'm informing you of whatever i see

657
00:26:22,230 --> 00:26:20,000
whether you agree with it or not you

658
00:26:23,430 --> 00:26:22,240
know you could take it or leave it

659
00:26:25,590 --> 00:26:23,440
so that

660
00:26:27,269 --> 00:26:25,600
you can then choose it's like okay do i

661
00:26:29,669 --> 00:26:27,279
choose to take this information in in

662
00:26:31,350 --> 00:26:29,679
this way or do i say man this is crazy

663
00:26:33,430 --> 00:26:31,360

and i'll go a different way but in

664

00:26:35,190 --> 00:26:33,440

either case you know don't fear it it's

665

00:26:37,590 --> 00:26:35,200

just just um

666

00:26:39,350 --> 00:26:37,600

um hear me out see what i'm where i'm

667

00:26:42,230 --> 00:26:39,360

going with that and at least keep it in

668

00:26:44,149 --> 00:26:42,240

the back of your head so that if you

669

00:26:45,830 --> 00:26:44,159

have something occurring that is similar

670

00:26:48,310 --> 00:26:45,840

to what i talked about at least you will

671

00:26:49,669 --> 00:26:48,320

stay informed and so what i'm trying to

672

00:26:50,830 --> 00:26:49,679

get at here

673

00:26:54,950 --> 00:26:50,840

is

674

00:26:57,350 --> 00:26:54,960

that let me shift back to a browser

675

00:26:59,029 --> 00:26:57,360

so this is event 201

676

00:27:01,590 --> 00:26:59,039

and i will go into more details about

677

00:27:04,830 --> 00:27:01,600

other things this is uh an event that

678

00:27:06,950 --> 00:27:04,840

happened in november and this was in

679

00:27:08,470 --> 00:27:06,960

2019 and

680

00:27:10,950 --> 00:27:08,480

they were basically

681

00:27:15,029 --> 00:27:10,960

having all these different people come

682

00:27:17,430 --> 00:27:15,039

together to assess and see what

683

00:27:19,510 --> 00:27:17,440

what do we have to do in case of a major

684

00:27:22,549 --> 00:27:19,520

pandemic and so they were setting up

685

00:27:25,110 --> 00:27:22,559

this mock exercises where there's a news

686

00:27:27,830 --> 00:27:25,120

break and there's a they were announcing

687

00:27:30,070 --> 00:27:27,840

certain things and then uh certain

688

00:27:31,750 --> 00:27:30,080

information came in from different labs

689

00:27:33,430 --> 00:27:31,760

and so all these different people from

690

00:27:36,149 --> 00:27:33,440

all these different industries were kind

691

00:27:37,430 --> 00:27:36,159

of playing out of how this this would

692

00:27:38,470 --> 00:27:37,440

you know occur

693

00:27:39,350 --> 00:27:38,480

and

694

00:27:41,350 --> 00:27:39,360

um

695

00:27:43,190 --> 00:27:41,360

basically what i'm trying to get at

696

00:27:44,870 --> 00:27:43,200

without getting too much in trouble and

697

00:27:46,789 --> 00:27:44,880

i don't know exactly how to approach it

698

00:27:49,669 --> 00:27:46,799

without getting in trouble with youtube

699

00:27:52,630 --> 00:27:49,679

but in either case it's what i

700

00:27:55,909 --> 00:27:52,640

personally call a false flag event

701
00:27:57,909 --> 00:27:55,919
and so um what happened is when i say

702
00:28:00,230 --> 00:27:57,919
false flag event it doesn't mean that it

703
00:28:02,870 --> 00:28:00,240
wasn't real but it's it's referring to

704
00:28:05,510 --> 00:28:02,880
an event that was set up deliberately to

705
00:28:07,269 --> 00:28:05,520
basically get the society or the country

706
00:28:10,070 --> 00:28:07,279
or the world going into a certain

707
00:28:12,710 --> 00:28:10,080
direction um based on this

708
00:28:15,110 --> 00:28:12,720
emotional outburst that is then um

709
00:28:16,549 --> 00:28:15,120
acquired through this false flag event

710
00:28:18,950 --> 00:28:16,559
and so

711
00:28:20,549 --> 00:28:18,960
to me this is one of those uh if we look

712
00:28:22,710 --> 00:28:20,559
at the history of the united states and

713
00:28:27,669 --> 00:28:22,720

i'm going to look at the list here i

714

00:28:31,830 --> 00:28:30,230

way back when in 1898 you have the

715

00:28:35,750 --> 00:28:31,840

remembered domain

716

00:28:38,630 --> 00:28:35,760

to where basically it was um a ship that

717

00:28:39,750 --> 00:28:38,640

was uh to havana harbor and

718

00:28:41,750 --> 00:28:39,760

it

719

00:28:43,830 --> 00:28:41,760

basically the the they were saying that

720

00:28:46,149 --> 00:28:43,840

it was attacked by this uh if i'm not

721

00:28:48,470 --> 00:28:46,159

mistaken by the by the spanish that

722

00:28:50,389 --> 00:28:48,480

owned cuba at that time and so it

723

00:28:52,230 --> 00:28:50,399

basically triggered you know five months

724

00:28:54,470 --> 00:28:52,240

war with this uh basically it's

725

00:28:56,830 --> 00:28:54,480

triggered the spanish-american war that

726
00:29:00,389 --> 00:28:56,840
lasted from uh

727
00:29:02,070 --> 00:29:00,399
1989 until 1902 and

728
00:29:05,510 --> 00:29:02,080
basically what

729
00:29:07,269 --> 00:29:05,520
what they found is that when when

730
00:29:09,110 --> 00:29:07,279
the information that i was finding and i

731
00:29:11,669 --> 00:29:09,120
found several different sources i hope

732
00:29:14,070 --> 00:29:11,679
they're not copying each other that they

733
00:29:16,230 --> 00:29:14,080
could see now the ship actually blew up

734
00:29:19,029 --> 00:29:16,240
from the inside it wasn't an attack from

735
00:29:21,350 --> 00:29:19,039
the outside you know that's an example

736
00:29:24,149 --> 00:29:21,360
of of a false flag event

737
00:29:27,590 --> 00:29:24,159
about 74 of the of the crewmen out of

738
00:29:29,990 --> 00:29:27,600

350 died and so that all the america

739

00:29:32,950 --> 00:29:30,000

into that conflict then you have the the

740

00:29:36,549 --> 00:29:32,960

sinking of the lusitania where um what

741

00:29:41,350 --> 00:29:36,559

does it say 1960 known passengers

742

00:29:44,149 --> 00:29:41,360

um known passengers out of um

743

00:29:49,789 --> 00:29:45,710

i know about 1

744

00:29:53,110 --> 00:29:49,799

196 passengers out of 1960

745

00:29:55,590 --> 00:29:53,120

1960 passengers had had died it was

746

00:29:57,750 --> 00:29:55,600

basically attacked by the german u-boat

747

00:30:00,470 --> 00:29:57,760

and at that time the the world war one

748

00:30:02,950 --> 00:30:00,480

had already started but america wasn't

749

00:30:04,630 --> 00:30:02,960

uh really you know pulled into it and

750

00:30:06,470 --> 00:30:04,640

they didn't really want to have anything

751
00:30:07,350 --> 00:30:06,480
to do with it well

752
00:30:12,710 --> 00:30:07,360
um

753
00:30:15,430 --> 00:30:12,720
that there were a lot of american

754
00:30:18,230 --> 00:30:15,440
citizens i believe going to england

755
00:30:20,310 --> 00:30:18,240
and uh when it was attacked and sunk

756
00:30:23,269 --> 00:30:20,320
that brought the united states you know

757
00:30:26,310 --> 00:30:23,279
into the war because um

758
00:30:29,029 --> 00:30:26,320
there was talks if germans attacked u.s

759
00:30:31,590 --> 00:30:29,039
citizens that would spark the the entry

760
00:30:34,310 --> 00:30:31,600
of america into the war and sure enough

761
00:30:39,350 --> 00:30:34,320
there you have it um there were about

762
00:30:41,350 --> 00:30:39,360
um 173 tons of unaccounted um weight

763
00:30:43,350 --> 00:30:41,360

which a lot of the speculation that

764

00:30:45,990 --> 00:30:43,360

apparently was proven later were

765

00:30:47,830 --> 00:30:46,000

basically guns ammunition so you can

766

00:30:49,190 --> 00:30:47,840

kind of look at it whichever way the

767

00:30:52,149 --> 00:30:49,200

point is it's

768

00:30:54,789 --> 00:30:52,159

it's not a good event because passengers

769

00:30:57,430 --> 00:30:54,799

died you know but again there's another

770

00:30:59,430 --> 00:30:57,440

event that then sparked you know for

771

00:31:01,029 --> 00:30:59,440

entire country to basically mobilize and

772

00:31:02,630 --> 00:31:01,039

enter into what they did not want to

773

00:31:05,269 --> 00:31:02,640

enter into

774

00:31:07,509 --> 00:31:05,279

um same thing uh in world war ii you

775

00:31:10,230 --> 00:31:07,519

have pearl harbor for the united states

776

00:31:11,990 --> 00:31:10,240

and so um

777

00:31:14,389 --> 00:31:12,000

the gen you know most of you know the

778

00:31:16,230 --> 00:31:14,399

general story and for those that you

779

00:31:18,950 --> 00:31:16,240

know won't agree or have have not been

780

00:31:20,870 --> 00:31:18,960

agreed whatever have so far

781

00:31:23,669 --> 00:31:20,880

there's already information now that at

782

00:31:24,789 --> 00:31:23,679

least three four weeks prior the chinese

783

00:31:27,029 --> 00:31:24,799

had

784

00:31:28,950 --> 00:31:27,039

cracked the japanese code and informed

785

00:31:31,350 --> 00:31:28,960

them that they're planning an attack but

786

00:31:32,389 --> 00:31:31,360

they could not believe that the chinese

787

00:31:33,990 --> 00:31:32,399

were already

788

00:31:35,830 --> 00:31:34,000

that far advanced to be able to break

789

00:31:38,070 --> 00:31:35,840

the code so

790

00:31:40,070 --> 00:31:38,080

you know they basically ignored it

791

00:31:43,029 --> 00:31:40,080

there's also the talks that the

792

00:31:44,710 --> 00:31:43,039

um the radar was not that sophisticated

793

00:31:46,310 --> 00:31:44,720

you know about you know and that they

794

00:31:48,070 --> 00:31:46,320

couldn't tell a difference between this

795

00:31:49,509 --> 00:31:48,080

and that which you know a lot of the

796

00:31:50,870 --> 00:31:49,519

things i've been reading about is not

797

00:31:52,950 --> 00:31:50,880

the case

798

00:31:55,269 --> 00:31:52,960

long story short there are many

799

00:31:58,070 --> 00:31:55,279

different accounts from people that say

800

00:32:01,509 --> 00:31:58,080

that then for me the official story

801
00:32:03,350 --> 00:32:01,519
does not match what's been going on um

802
00:32:06,149 --> 00:32:03,360
because the united states had already

803
00:32:07,990 --> 00:32:06,159
been cut now japan for the longest time

804
00:32:10,389 --> 00:32:08,000
you know cutting them out from fuel and

805
00:32:13,190 --> 00:32:10,399
not been able to supply their fleets and

806
00:32:16,230 --> 00:32:13,200
so that kind of forced them to to fight

807
00:32:18,470 --> 00:32:16,240
back and the the first and only the

808
00:32:20,789 --> 00:32:18,480
closest attack they could have was uh

809
00:32:22,630 --> 00:32:20,799
pearl harbor so that got the united

810
00:32:25,029 --> 00:32:22,640
states into world war ii

811
00:32:28,950 --> 00:32:25,039
um you have the gulf of tonkin which got

812
00:32:31,269 --> 00:32:28,960
the united states into the vietnam war

813
00:32:33,350 --> 00:32:31,279

september 11th i mean you want to talk

814

00:32:36,230 --> 00:32:33,360

about i mean i can have in

815

00:32:38,389 --> 00:32:36,240

several shows several hours long

816

00:32:40,470 --> 00:32:38,399

with all the the research have started a

817

00:32:42,310 --> 00:32:40,480

long time ago and saving all the

818

00:32:43,750 --> 00:32:42,320

pictures and videos and information that

819

00:32:45,669 --> 00:32:43,760

i've had

820

00:32:47,350 --> 00:32:45,679

i was really hoping i could find some

821

00:32:49,590 --> 00:32:47,360

information because it was very

822

00:32:52,789 --> 00:32:49,600

pertinent to what i just talked about

823

00:32:55,750 --> 00:32:52,799

about event 201

824

00:32:59,669 --> 00:32:57,669

the fema it was

825

00:33:02,310 --> 00:32:59,679

the information i had heard

826

00:33:04,549 --> 00:33:02,320

and i'm stating it for a fact that i do

827

00:33:06,950 --> 00:33:04,559

not have this document to show you to

828

00:33:09,830 --> 00:33:06,960

say hi look i have you know the actual

829

00:33:11,590 --> 00:33:09,840

printout so i do not wish for this to

830

00:33:14,549 --> 00:33:11,600

come out as a rumor so i'm telling you i

831

00:33:16,950 --> 00:33:14,559

don't have the 100 information or this

832

00:33:20,230 --> 00:33:16,960

so take this with the grain of salt but

833

00:33:22,149 --> 00:33:20,240

basically the the

834

00:33:25,350 --> 00:33:22,159

document i wish i could find was

835

00:33:26,549 --> 00:33:25,360

basically having fema have a they were

836

00:33:28,950 --> 00:33:26,559

having a

837

00:33:31,430 --> 00:33:28,960

mock session on september 10 where they

838

00:33:33,430 --> 00:33:31,440

were practicing planes flying into

839

00:33:35,669 --> 00:33:33,440

buildings and trying to figure out what

840

00:33:36,870 --> 00:33:35,679

the the response would be

841

00:33:38,789 --> 00:33:36,880

and then

842

00:33:41,430 --> 00:33:38,799

based on that information you can see

843

00:33:44,230 --> 00:33:41,440

some some um you know you hear some

844

00:33:46,230 --> 00:33:44,240

video of some of the the i think it was

845

00:33:48,230 --> 00:33:46,240

no rad when they were you know when the

846

00:33:50,310 --> 00:33:48,240

information came in that the united

847

00:33:51,750 --> 00:33:50,320

states has been attacked they were they

848

00:33:54,710 --> 00:33:51,760

were confused they're like is this the

849

00:33:56,870 --> 00:33:54,720

drill or is this real you know and so um

850

00:33:58,630 --> 00:33:56,880

you know talking about you know always

851

00:33:59,830 --> 00:33:58,640

being there at the right place at the

852

00:34:02,389 --> 00:33:59,840

right time

853

00:34:04,630 --> 00:34:02,399

um then of course there's weapons of

854

00:34:06,470 --> 00:34:04,640

mass destruction that got the united

855

00:34:09,270 --> 00:34:06,480

states into the war and look where that

856

00:34:11,589 --> 00:34:09,280

got us um they kept saying saddam

857

00:34:14,230 --> 00:34:11,599

hussein had it and then we got into a

858

00:34:15,589 --> 00:34:14,240

war and i'm sorry we're mistaken right

859

00:34:18,550 --> 00:34:15,599

and so

860

00:34:21,829 --> 00:34:18,560

then you have event 201 happening in

861

00:34:23,909 --> 00:34:21,839

november in 2000 2019 and then

862

00:34:26,310 --> 00:34:23,919

mysteriously you have an actual pandemic

863

00:34:29,430 --> 00:34:26,320

happening and so that's why i'm bringing

864

00:34:31,829 --> 00:34:29,440

up this this uh building up to the cyber

865

00:34:35,030 --> 00:34:31,839

pandemic to where

866

00:34:37,829 --> 00:34:35,040

basically they have a similar

867

00:34:41,589 --> 00:34:37,839

concept or similar setup but now they

868

00:34:45,589 --> 00:34:43,589

they were doing this

869

00:34:47,030 --> 00:34:45,599

virtually as you can tell

870

00:34:48,389 --> 00:34:47,040

i don't want to play the video in case i

871

00:34:51,909 --> 00:34:48,399

can't but this is from the world

872

00:34:54,629 --> 00:34:51,919

economic forum and they're talking about

873

00:34:55,430 --> 00:34:54,639

averting a cyber pandemic and

874

00:34:56,869 --> 00:34:55,440

it's

875

00:34:58,950 --> 00:34:56,879

based on

876

00:35:01,270 --> 00:34:58,960

uh saying that kovi 19 dramatically

877

00:35:04,790 --> 00:35:01,280

increased the dependency of economies

878

00:35:06,310 --> 00:35:04,800

and societies on digital technology

879

00:35:08,470 --> 00:35:06,320

increase the vulnerability of

880

00:35:10,470 --> 00:35:08,480

individuals businesses and governments

881

00:35:11,990 --> 00:35:10,480

to cyber attacks

882

00:35:15,030 --> 00:35:12,000

what policies

883

00:35:17,430 --> 00:35:15,040

practices and partnerships are needed to

884

00:35:19,750 --> 00:35:17,440

prevent a global cyber pandemic so

885

00:35:22,710 --> 00:35:19,760

basically this is what i'm i'm

886

00:35:27,349 --> 00:35:24,710

very very i guess

887

00:35:29,030 --> 00:35:27,359

um what's critical of i'm just basically

888

00:35:30,870 --> 00:35:29,040

wait until then all of a sudden

889

00:35:33,349 --> 00:35:30,880

mysteriously after they already have

890

00:35:35,030 --> 00:35:33,359

practice go like oh look we're having

891

00:35:37,030 --> 00:35:35,040

all these blackouts because we've been

892

00:35:39,030 --> 00:35:37,040

being attacked and now grid is being

893

00:35:41,109 --> 00:35:39,040

attacked by all these bad cyber people

894

00:35:42,310 --> 00:35:41,119

whoever they are wherever they are kind

895

00:35:44,390 --> 00:35:42,320

of like the

896

00:35:45,109 --> 00:35:44,400

the you know corona talking about you

897

00:35:48,550 --> 00:35:45,119

know

898

00:35:50,790 --> 00:35:48,560

invisible you can't see it but it can

899

00:35:52,710 --> 00:35:50,800

hurt you you know and so uh if you have

900

00:35:55,510 --> 00:35:52,720

enough people that don't you know can't

901
00:35:57,750 --> 00:35:55,520
put two brains two brain cells together

902
00:35:59,750 --> 00:35:57,760
it would basically you know create a lot

903
00:36:01,270 --> 00:35:59,760
of fear in them and not knowing what the

904
00:36:03,990 --> 00:36:01,280
world is happening especially if they're

905
00:36:05,030 --> 00:36:04,000
just your average joe and so

906
00:36:07,750 --> 00:36:05,040
um

907
00:36:10,310 --> 00:36:07,760
i'm hoping that this doesn't happen but

908
00:36:12,870 --> 00:36:10,320
based on the track record a little bit

909
00:36:16,230 --> 00:36:12,880
that i had already just told you about

910
00:36:18,710 --> 00:36:16,240
they basically looks like

911
00:36:21,349 --> 00:36:18,720
quite possibly are setting up for the

912
00:36:22,950 --> 00:36:21,359
next thing so again just keep it in mind

913
00:36:23,990 --> 00:36:22,960

keep it on the back of your head you

914

00:36:25,750 --> 00:36:24,000

know and

915

00:36:28,230 --> 00:36:25,760

at least you'll be hopefully a little

916

00:36:30,630 --> 00:36:28,240

bit more informed again i hope it does

917

00:36:32,069 --> 00:36:30,640

not happen but it's all right there i

918

00:36:34,310 --> 00:36:32,079

mean you even had

919

00:36:36,150 --> 00:36:34,320

bill gates have ted talks and talking

920

00:36:38,150 --> 00:36:36,160

about pandemics and

921

00:36:39,670 --> 00:36:38,160

sure enough look he's the one with all

922

00:36:42,390 --> 00:36:39,680

the answers today

923

00:36:45,910 --> 00:36:42,400

you know and it's it's um something

924

00:36:47,750 --> 00:36:45,920

definitely to take to take notice

925

00:36:49,829 --> 00:36:47,760

all right and so

926

00:36:51,510 --> 00:36:49,839

last but not least before

927

00:36:52,230 --> 00:36:51,520

we go into

928

00:36:55,270 --> 00:36:52,240

uh

929

00:36:56,870 --> 00:36:55,280

before we go into open lines and i hope

930

00:36:59,750 --> 00:36:56,880

that uh

931

00:37:00,870 --> 00:36:59,760

some of you had a chance to to join

932

00:37:03,430 --> 00:37:00,880

um

933

00:37:08,870 --> 00:37:03,440

what i wanted to

934

00:37:13,750 --> 00:37:10,950

ah didn't mean to do that

935

00:37:16,069 --> 00:37:13,760

what i wanted to cover is the hr 4350

936

00:37:19,430 --> 00:37:16,079

the national defense authorization act

937

00:37:21,510 --> 00:37:19,440

and had some good news it

938

00:37:23,430 --> 00:37:21,520

passed the house

939

00:37:25,829 --> 00:37:23,440

i think we were over here last time we

940

00:37:29,349 --> 00:37:25,839

were covering it by september 2nd

941

00:37:31,190 --> 00:37:29,359

and so it passed in the house and the

942

00:37:33,990 --> 00:37:31,200

good part about that is it didn't just

943

00:37:37,349 --> 00:37:34,000

pass that but it's still based on the

944

00:37:39,750 --> 00:37:37,359

text it has still the establishment of

945

00:37:42,710 --> 00:37:39,760

office to address unidentified aerial

946

00:37:45,190 --> 00:37:42,720

phenomena so it's still in it it's not

947

00:37:47,190 --> 00:37:45,200

gone uh usually you know when you get

948

00:37:50,150 --> 00:37:47,200

these into these late stages the next

949

00:37:53,430 --> 00:37:50,160

thing you know it kind of um

950

00:37:56,950 --> 00:37:53,440

kind of disappears and and kind of all

951
00:37:58,790 --> 00:37:56,960
the the hopes uh go away and then we

952
00:38:00,950 --> 00:37:58,800
always talk about them maybe next time

953
00:38:03,430 --> 00:38:00,960
but anyway so it made it through this

954
00:38:05,910 --> 00:38:03,440
far i wonder if it's going to survive

955
00:38:06,790 --> 00:38:05,920
the senate and then if it passes you

956
00:38:08,470 --> 00:38:06,800
know we'll

957
00:38:09,670 --> 00:38:08,480
we'll we'll have an

958
00:38:11,829 --> 00:38:09,680
official

959
00:38:13,910 --> 00:38:11,839
office to address unidentified aerial

960
00:38:16,069 --> 00:38:13,920
phenomena

961
00:38:18,470 --> 00:38:16,079
the part that i personally don't like

962
00:38:20,390 --> 00:38:18,480
and i don't know how many of you uh pay

963
00:38:22,470 --> 00:38:20,400

attention to this kind of stuff this

964

00:38:24,870 --> 00:38:22,480

bill has a whole lot of other stuff that

965

00:38:26,790 --> 00:38:24,880

i don't agree with so as much as i would

966

00:38:29,589 --> 00:38:26,800

like for this

967

00:38:31,829 --> 00:38:29,599

section to stay in and pass

968

00:38:34,710 --> 00:38:31,839

i don't know if some of the other things

969

00:38:36,230 --> 00:38:34,720

that i feel are even more important than

970

00:38:38,790 --> 00:38:36,240

establishing an office that they

971

00:38:41,829 --> 00:38:38,800

actually don't go through

972

00:38:44,550 --> 00:38:41,839

so anyway so that's

973

00:38:47,430 --> 00:38:44,560

that's basically all the

974

00:38:54,870 --> 00:38:47,440

the info that i wanted to

975

00:39:00,230 --> 00:38:57,510

all right and we have

976
00:39:02,790 --> 00:39:00,240
the first person back

977
00:39:04,550 --> 00:39:02,800
youtube voice chat

978
00:39:07,349 --> 00:39:04,560
uh nathan

979
00:39:08,630 --> 00:39:07,359
nathan you are unmuted and mute yourself

980
00:39:10,550 --> 00:39:08,640
on your end

981
00:39:12,390 --> 00:39:10,560
and

982
00:39:14,230 --> 00:39:12,400
hello nan how are you

983
00:39:16,870 --> 00:39:14,240
just fine how are you i'm i'm glad

984
00:39:19,349 --> 00:39:16,880
you're able to join me today

985
00:39:21,430 --> 00:39:19,359
yeah yeah me too um

986
00:39:23,430 --> 00:39:21,440
yeah your last speaker was amazing but i

987
00:39:25,349 --> 00:39:23,440
i just wanted to add uh what you were

988
00:39:28,230 --> 00:39:25,359

saying about uh

989

00:39:29,270 --> 00:39:28,240

you know uh with bill gates and and sort

990

00:39:32,550 --> 00:39:29,280

of pointing out what he was saying

991

00:39:35,030 --> 00:39:32,560

before i just heard that now he's uh

992

00:39:35,990 --> 00:39:35,040

he's saying that he wants he he doesn't

993

00:39:38,470 --> 00:39:36,000

think the

994

00:39:40,630 --> 00:39:38,480

injections of the vaccine are sufficient

995

00:39:42,550 --> 00:39:40,640

he wants to find other ways to give the

996

00:39:45,430 --> 00:39:42,560

vaccine whether that's like an aerial

997

00:39:47,829 --> 00:39:45,440

spray or or and i know there's lots of

998

00:39:48,950 --> 00:39:47,839

information that he's behind the

999

00:39:50,710 --> 00:39:48,960

the uh

1000

00:39:52,790 --> 00:39:50,720

what's that called the um

1001

00:39:54,950 --> 00:39:52,800

the aerial spray in the uh

1002

00:39:56,390 --> 00:39:54,960

uh chemtrails there's a

1003

00:39:58,870 --> 00:39:56,400

yeah there's a well i was trying to

1004

00:40:00,310 --> 00:39:58,880

avoid that term but yeah yeah exactly i

1005

00:40:02,150 --> 00:40:00,320

know there's uh

1006

00:40:04,150 --> 00:40:02,160

you know global

1007

00:40:06,710 --> 00:40:04,160

oh no you can say that it's it's the

1008

00:40:09,829 --> 00:40:06,720

other stuff the the the procedure i

1009

00:40:12,470 --> 00:40:09,839

guess that's the one that apparently um

1010

00:40:13,670 --> 00:40:12,480

gets youtube uh channels in trouble now

1011

00:40:15,670 --> 00:40:13,680

so

1012

00:40:18,390 --> 00:40:15,680

we can we can talk about the other but

1013

00:40:19,910 --> 00:40:18,400

hey if you all of you um join more of

1014

00:40:22,630 --> 00:40:19,920

the podcasts you know i don't have to

1015

00:40:25,109 --> 00:40:22,640

worry about much of of youtube and what

1016

00:40:28,230 --> 00:40:25,119

they allow don't allow i just basically

1017

00:40:29,829 --> 00:40:28,240

circumvent them by by broadcasting so um

1018

00:40:32,309 --> 00:40:29,839

you know i really do hope a lot of you

1019

00:40:36,150 --> 00:40:32,319

consider i also listen to podcasts okay

1020

00:40:41,349 --> 00:40:39,109

well yeah so i mean i know i know i've

1021

00:40:44,150 --> 00:40:41,359

heard rumors i well i was hearing rumors

1022

00:40:45,589 --> 00:40:44,160

before that that they were already and i

1023

00:40:47,190 --> 00:40:45,599

and i thought i was like oh that's just

1024

00:40:48,630 --> 00:40:47,200

crazy i tried to dismiss it and you want

1025

00:40:50,230 --> 00:40:48,640

to try to always think positive and be

1026

00:40:52,150 --> 00:40:50,240

positive but you know i was hearing

1027

00:40:52,870 --> 00:40:52,160

rumors that they're already putting the

1028

00:40:59,430 --> 00:40:52,880

the

1029

00:41:01,349 --> 00:40:59,440

like that

1030

00:41:03,430 --> 00:41:01,359

and but it wasn't until i heard bill

1031

00:41:05,750 --> 00:41:03,440

gates just come out just recently saying

1032

00:41:07,589 --> 00:41:05,760

that he he doesn't think the injection

1033

00:41:09,270 --> 00:41:07,599

is sufficient and we need to look at

1034

00:41:12,710 --> 00:41:09,280

other ways to

1035

00:41:15,349 --> 00:41:12,720

introduce the uh you know that substance

1036

00:41:17,109 --> 00:41:15,359

that backs into into the populace

1037

00:41:18,870 --> 00:41:17,119

just another kind of word of warning how

1038

00:41:21,270 --> 00:41:18,880

they always sort of tell you what

1039

00:41:23,910 --> 00:41:21,280

they're about to do you know

1040

00:41:25,349 --> 00:41:23,920

right well i mean if if you think of it

1041

00:41:26,790 --> 00:41:25,359

from

1042

00:41:28,710 --> 00:41:26,800

um

1043

00:41:31,109 --> 00:41:28,720

from this

1044

00:41:32,790 --> 00:41:31,119

nefarious point of view someone that

1045

00:41:33,750 --> 00:41:32,800

just did doesn't care about life and

1046

00:41:35,670 --> 00:41:33,760

people

1047

00:41:38,069 --> 00:41:35,680

then i can definitely understand

1048

00:41:40,790 --> 00:41:38,079

um you know how they would do that but

1049

00:41:42,230 --> 00:41:40,800

um this part of me that still has to say

1050

00:41:44,069 --> 00:41:42,240

well there has to be some money

1051
00:41:45,829 --> 00:41:44,079
connected right because if you're gonna

1052
00:41:46,829 --> 00:41:45,839
spend this huge amount of money to just

1053
00:41:48,390 --> 00:41:46,839
kind of

1054
00:41:50,230 --> 00:41:48,400
um

1055
00:41:52,390 --> 00:41:50,240
not the right word but go with me on

1056
00:41:53,270 --> 00:41:52,400
this one frivolously

1057
00:42:00,069 --> 00:41:53,280
you know

1058
00:42:02,069 --> 00:42:00,079
material that gets produced to be wasted

1059
00:42:04,470 --> 00:42:02,079
so yes you have the option to look at it

1060
00:42:06,069 --> 00:42:04,480
in a furious way but at the same time

1061
00:42:08,309 --> 00:42:06,079
they're also very calculative about

1062
00:42:10,150 --> 00:42:08,319
their money and uh unless it's going to

1063
00:42:12,470 --> 00:42:10,160

have a specific effect i don't know that

1064

00:42:13,990 --> 00:42:12,480

they invest you know that much money i

1065

00:42:16,309 --> 00:42:14,000

mean i don't know what is your opinion

1066

00:42:18,790 --> 00:42:16,319

on that

1067

00:42:20,950 --> 00:42:18,800

well i mean i i heard a long time ago

1068

00:42:23,510 --> 00:42:20,960

that our i don't know where it came from

1069

00:42:25,030 --> 00:42:23,520

but that evidently

1070

00:42:26,790 --> 00:42:25,040

geothermal engineering that was the word

1071

00:42:28,790 --> 00:42:26,800

i was thinking of that that bill gates

1072

00:42:30,550 --> 00:42:28,800

was one of the biggest

1073

00:42:32,630 --> 00:42:30,560

funders of the geothermal engineering

1074

00:42:34,150 --> 00:42:32,640

the chemtrails that we call you know

1075

00:42:36,470 --> 00:42:34,160

they're trying to block the sun's rays

1076

00:42:38,309 --> 00:42:36,480

for and evidently he was he was uh

1077

00:42:41,589 --> 00:42:38,319

proposed to congress that he wanted to

1078

00:42:43,670 --> 00:42:41,599

block the rays entirely in in in

1079

00:42:45,670 --> 00:42:43,680

and obviously they shot him down thank

1080

00:42:47,430 --> 00:42:45,680

god you know it's like it sounds like a

1081

00:42:49,829 --> 00:42:47,440

i think there was an episode of simpsons

1082

00:42:51,990 --> 00:42:49,839

it was where uh monty burns wanted to do

1083

00:42:52,710 --> 00:42:52,000

that it's it's just that crazy

1084

00:42:54,309 --> 00:42:52,720

but

1085

00:42:55,750 --> 00:42:54,319

that's the world we live in evidently

1086

00:42:58,870 --> 00:42:55,760

right

1087

00:43:00,790 --> 00:42:58,880

well you know um

1088

00:43:03,030 --> 00:43:00,800

it's one of those things nathan you know

1089

00:43:05,589 --> 00:43:03,040

you know this um

1090

00:43:07,589 --> 00:43:05,599

we kind of started our research many

1091

00:43:10,150 --> 00:43:07,599

years back you know and

1092

00:43:13,670 --> 00:43:10,160

right now out of all the 20 plus years

1093

00:43:16,710 --> 00:43:13,680

that i can certainly see is this um

1094

00:43:18,710 --> 00:43:16,720

this um calling off the planet you know

1095

00:43:19,510 --> 00:43:18,720

it's that's been always been talked

1096

00:43:23,670 --> 00:43:19,520

about

1097

00:43:25,829 --> 00:43:23,680

it's finally

1098

00:43:27,270 --> 00:43:25,839

here in a point to where i really hope

1099

00:43:28,630 --> 00:43:27,280

people wake up

1100

00:43:31,430 --> 00:43:28,640

you know um

1101

00:43:33,670 --> 00:43:31,440

just so that they can they can be aware

1102

00:43:36,309 --> 00:43:33,680

of that that they're being manipulated

1103

00:43:38,710 --> 00:43:36,319

in that way because um every human being

1104

00:43:40,550 --> 00:43:38,720

that has a soul and heart if you see

1105

00:43:43,190 --> 00:43:40,560

someone potentially getting hurt you

1106

00:43:45,510 --> 00:43:43,200

want to say hey i know this sounds crazy

1107

00:43:47,670 --> 00:43:45,520

but listen just hear me out right and

1108

00:43:49,589 --> 00:43:47,680

you wanna you want to tell them but at

1109

00:43:52,309 --> 00:43:49,599

this point it's almost it's

1110

00:43:54,870 --> 00:43:52,319

become difficult enough to where it's

1111

00:43:58,630 --> 00:43:54,880

almost like viewed with um with this

1112

00:43:59,990 --> 00:43:58,640

malice of you know uh you know

1113

00:44:01,990 --> 00:44:00,000

like the information you're trying to

1114

00:44:03,510 --> 00:44:02,000

give them you know will kill them like

1115

00:44:05,829 --> 00:44:03,520

you're the bad guy

1116

00:44:08,870 --> 00:44:05,839

you know that's what's what what what

1117

00:44:11,510 --> 00:44:08,880

the mainstream has you know has managed

1118

00:44:13,670 --> 00:44:11,520

um well because i mean

1119

00:44:16,630 --> 00:44:13,680

look how long it took for government i

1120

00:44:19,670 --> 00:44:16,640

mean here we are we're talking about a a

1121

00:44:21,589 --> 00:44:19,680

section of a bill being passed to

1122

00:44:23,430 --> 00:44:21,599

actually have an office on unknown

1123

00:44:25,349 --> 00:44:23,440

fireflying objects right

1124

00:44:26,230 --> 00:44:25,359

how long did that take

1125

00:44:27,430 --> 00:44:26,240

since

1126

00:44:31,430 --> 00:44:27,440

45

1127

00:44:33,990 --> 00:44:31,440

since 1930 since 1920s whenever you know

1128

00:44:36,390 --> 00:44:34,000

the earliest information possible on on

1129

00:44:38,069 --> 00:44:36,400

ufos and extraterrestrials how long did

1130

00:44:40,230 --> 00:44:38,079

it take to actually

1131

00:44:42,550 --> 00:44:40,240

come through for government to even you

1132

00:44:45,670 --> 00:44:42,560

know have something on the books

1133

00:44:47,030 --> 00:44:45,680

because that kind of stuff was you know

1134

00:44:49,349 --> 00:44:47,040

i'm not saying this is something we

1135

00:44:51,910 --> 00:44:49,359

should be all so thankful and grateful

1136

00:44:53,910 --> 00:44:51,920

for grateful be grateful for because i'm

1137

00:44:56,069 --> 00:44:53,920

thinking um they're going to try to

1138

00:44:58,309 --> 00:44:56,079

figure out a way to make this a negative

1139

00:45:00,230 --> 00:44:58,319

regardless they'll pass it but then use

1140

00:45:01,670 --> 00:45:00,240

all that info to say ah we have

1141

00:45:03,349 --> 00:45:01,680

increased the amount of all these things

1142

00:45:04,870 --> 00:45:03,359

that we can't you know

1143

00:45:06,950 --> 00:45:04,880

we can't figure out why they're here and

1144

00:45:09,349 --> 00:45:06,960

we consider this a threat you know so

1145

00:45:11,589 --> 00:45:09,359

they can easily take statistics and use

1146

00:45:13,030 --> 00:45:11,599

it to however they feel they need to you

1147

00:45:14,870 --> 00:45:13,040

know need to use it

1148

00:45:16,150 --> 00:45:14,880

you know and so um

1149

00:45:20,230 --> 00:45:16,160

you know that's

1150

00:45:22,790 --> 00:45:20,240

confusing part it's like yeah i'm i'm

1151

00:45:24,230 --> 00:45:22,800

i'm glad that there's this admission of

1152

00:45:26,790 --> 00:45:24,240

government that they're genuinely

1153

00:45:29,589 --> 00:45:26,800

looking and admitted to unidentify

1154

00:45:31,670 --> 00:45:29,599

flying objects you know and not there's

1155

00:45:32,950 --> 00:45:31,680

not so much aliens but at least we've

1156

00:45:36,309 --> 00:45:32,960

come a much

1157

00:45:38,550 --> 00:45:36,319

further way right and to what extent

1158

00:45:39,990 --> 00:45:38,560

they're gonna twist the two i don't know

1159

00:45:41,990 --> 00:45:40,000

same thing with everything else we're

1160

00:45:44,069 --> 00:45:42,000

talking about you know it's like how

1161

00:45:45,670 --> 00:45:44,079

many more years will it take for

1162

00:45:47,829 --> 00:45:45,680

information come on for example as i

1163

00:45:49,349 --> 00:45:47,839

mentioned the gulf of tonkin everybody

1164

00:45:51,910 --> 00:45:49,359

already knows that there was a setup

1165

00:45:55,190 --> 00:45:51,920

scenario to get the us in into war it

1166

00:45:57,829 --> 00:45:55,200

was set up by the us government to have

1167

00:45:59,910 --> 00:45:57,839

the u.s join vietnam war it's not even a

1168

00:46:01,589 --> 00:45:59,920

secret it's not even a conspiracy but

1169

00:46:03,430 --> 00:46:01,599

how many people know that and then take

1170

00:46:05,430 --> 00:46:03,440

heed of that they just say oh those

1171

00:46:07,430 --> 00:46:05,440

sneaky bastards and then move on you

1172

00:46:09,270 --> 00:46:07,440

know they don't stop to think like what

1173

00:46:11,270 --> 00:46:09,280

else is happening how often is that

1174

00:46:13,670 --> 00:46:11,280

actually happening in my life you know

1175

00:46:15,430 --> 00:46:13,680

to get me riled up or get me to vote or

1176

00:46:17,750 --> 00:46:15,440

choose something that is not going to be

1177

00:46:19,750 --> 00:46:17,760

beneficial for the country or the world

1178

00:46:22,550 --> 00:46:19,760

in general

1179

00:46:24,950 --> 00:46:22,560

almost all of it probably i mean like

1180

00:46:27,349 --> 00:46:24,960

i mean almost everything i mean rarely i

1181

00:46:29,589 --> 00:46:27,359

think is there something that's uh

1182

00:46:31,190 --> 00:46:29,599

actually like something a world event

1183

00:46:33,670 --> 00:46:31,200

like that that isn't

1184

00:46:35,109 --> 00:46:33,680

you know doesn't have some sort of uh

1185

00:46:36,470 --> 00:46:35,119

planned

1186

00:46:37,589 --> 00:46:36,480

in advance

1187

00:46:39,589 --> 00:46:37,599

you know but

1188

00:46:40,710 --> 00:46:39,599

who knows i mean it's not kind of sounds

1189

00:46:43,190 --> 00:46:40,720

like what they're what they're gearing

1190

00:46:44,950 --> 00:46:43,200

us up for though is is there like this

1191

00:46:46,550 --> 00:46:44,960

this is probably the last winter that

1192

00:46:49,030 --> 00:46:46,560

they're gonna be able to pull off this

1193

00:46:50,950 --> 00:46:49,040

covid scam you know i mean people even

1194

00:46:52,230 --> 00:46:50,960

your normal everyday jokes they're just

1195

00:46:53,910 --> 00:46:52,240

they're just like the people that maybe

1196

00:46:55,109 --> 00:46:53,920

don't know the truth of it all but

1197

00:46:57,109 --> 00:46:55,119

they're just getting tired of it they

1198

00:46:58,710 --> 00:46:57,119

went along they got the injection they

1199

00:46:59,990 --> 00:46:58,720

wore the face mask they're just getting

1200

00:47:02,230 --> 00:47:00,000

tired of it they're starting to not

1201
00:47:03,910 --> 00:47:02,240
believe it you know and and to have it

1202
00:47:05,829 --> 00:47:03,920
this like this will actually be like the

1203
00:47:07,190 --> 00:47:05,839
second winter like full-blown but i

1204
00:47:09,109 --> 00:47:07,200
guess technically the third winner

1205
00:47:12,069 --> 00:47:09,119
because it was right after the right

1206
00:47:14,550 --> 00:47:12,079
after three winters ago that it was uh

1207
00:47:16,710 --> 00:47:14,560
uh that they started talking about it so

1208
00:47:17,829 --> 00:47:16,720
that people are gonna get tired of it

1209
00:47:20,390 --> 00:47:17,839
very soon

1210
00:47:21,829 --> 00:47:20,400
and it sounds like um

1211
00:47:23,589 --> 00:47:21,839
you know and obviously and they're gonna

1212
00:47:25,510 --> 00:47:23,599
they're gonna they're gonna double down

1213
00:47:27,030 --> 00:47:25,520

i mean because people aren't buying it

1214

00:47:28,390 --> 00:47:27,040

they don't have the numbers they need

1215

00:47:30,230 --> 00:47:28,400

that are getting this vaccine so whether

1216

00:47:32,710 --> 00:47:30,240

they aerosol spray it or

1217

00:47:34,309 --> 00:47:32,720

or uh put it in our food um i don't know

1218

00:47:35,510 --> 00:47:34,319

about that that's that seems to me

1219

00:47:37,109 --> 00:47:35,520

there's almost some sort of spiritual

1220

00:47:38,230 --> 00:47:37,119

law like it feels like they shouldn't be

1221

00:47:39,270 --> 00:47:38,240

able to do that they shouldn't be able

1222

00:47:40,870 --> 00:47:39,280

to

1223

00:47:43,030 --> 00:47:40,880

like we should have some sort of choice

1224

00:47:44,470 --> 00:47:43,040

on some sort of metaphysical spiritual

1225

00:47:46,069 --> 00:47:44,480

level but

1226

00:47:49,270 --> 00:47:46,079

besides that let's set that aside for a

1227

00:47:51,510 --> 00:47:49,280

moment and and it and let's just if they

1228

00:47:53,430 --> 00:47:51,520

if they um if they can't get the numbers

1229

00:47:54,790 --> 00:47:53,440

that they want well here in st louis

1230

00:47:57,109 --> 00:47:54,800

they're even talking about shutting off

1231

00:47:58,950 --> 00:47:57,119

the gas in the coldest months of of the

1232

00:47:59,990 --> 00:47:58,960

year which is crazy they did it in texas

1233

00:48:01,990 --> 00:48:00,000

last year i think that was more of a

1234

00:48:03,990 --> 00:48:02,000

trial run and now evidently because of

1235

00:48:05,270 --> 00:48:04,000

some lawsuits uh about some

1236

00:48:07,349 --> 00:48:05,280

environmental stuff they're going to

1237

00:48:08,790 --> 00:48:07,359

shut off yeah about about the pipeline

1238

00:48:10,790 --> 00:48:08,800

i've heard about that because i've had

1239

00:48:12,549 --> 00:48:10,800

some people calling me up and they were

1240

00:48:14,870 --> 00:48:12,559

asking me all kinds of survival

1241

00:48:16,309 --> 00:48:14,880

questions i said my friend when i was

1242

00:48:17,990 --> 00:48:16,319

trying to tell you about all this stuff

1243

00:48:20,309 --> 00:48:18,000

years ago you were like yeah yeah yeah

1244

00:48:22,549 --> 00:48:20,319

let's go party you know now when when

1245

00:48:25,109 --> 00:48:22,559

you could have just you know non-fearful

1246

00:48:27,589 --> 00:48:25,119

way just taking some action to to be

1247

00:48:28,870 --> 00:48:27,599

better off you know then of the sudden

1248

00:48:31,670 --> 00:48:28,880

you know um

1249

00:48:33,589 --> 00:48:31,680

uh when they worst case almost too late

1250

00:48:34,950 --> 00:48:33,599

then they want to take some action you

1251
00:48:37,030 --> 00:48:34,960
know but yeah i know i heard about that

1252
00:48:38,870 --> 00:48:37,040
uh um i heard about

1253
00:48:41,109 --> 00:48:38,880
luck lead which is that goes by

1254
00:48:43,109 --> 00:48:41,119
different name was the pipeline that

1255
00:48:44,390 --> 00:48:43,119
they now cannot use

1256
00:48:47,030 --> 00:48:44,400
and they were initially increasing

1257
00:48:49,750 --> 00:48:47,040
everybody's builds to to be able to

1258
00:48:51,349 --> 00:48:49,760
um to be able to rebuild this new

1259
00:48:53,589 --> 00:48:51,359
pipeline that's going to supply

1260
00:48:55,589 --> 00:48:53,599
everything but then what makes no sense

1261
00:48:57,030 --> 00:48:55,599
i kept thinking about this okay fine

1262
00:48:58,790 --> 00:48:57,040
they can't use this pipeline but they

1263
00:49:00,630 --> 00:48:58,800

still have the original pipelines in

1264

00:49:02,950 --> 00:49:00,640

work so you shouldn't have really been

1265

00:49:05,030 --> 00:49:02,960

able to um

1266

00:49:06,630 --> 00:49:05,040

shouldn't really be cutting people off

1267

00:49:09,270 --> 00:49:06,640

especially in the winter i mean that's

1268

00:49:11,030 --> 00:49:09,280

that's the a moral compass that's like

1269

00:49:12,950 --> 00:49:11,040

way off but then again it's a

1270

00:49:14,790 --> 00:49:12,960

corporation we're talking about what

1271

00:49:16,870 --> 00:49:14,800

about amaran amaran is the electric

1272

00:49:18,870 --> 00:49:16,880

company are they are they gonna

1273

00:49:21,589 --> 00:49:18,880

do they have any other dates there or

1274

00:49:22,710 --> 00:49:21,599

the other well no they're they're

1275

00:49:24,309 --> 00:49:22,720

what they're trying to do is shut off

1276

00:49:26,230 --> 00:49:24,319

the gas and i'm sure it's just to create

1277

00:49:27,829 --> 00:49:26,240

panic and create scare and even if

1278

00:49:30,230 --> 00:49:27,839

everybody goes out and buys electric

1279

00:49:32,230 --> 00:49:30,240

heaters uh this city's not that our

1280

00:49:33,430 --> 00:49:32,240

electric facilities are not equipped to

1281

00:49:35,109 --> 00:49:33,440

handle

1282

00:49:36,309 --> 00:49:35,119

that sort of load all of a sudden

1283

00:49:39,109 --> 00:49:36,319

everybody jumped because most of these

1284

00:49:40,710 --> 00:49:39,119

houses 650 000 business and houses and

1285

00:49:43,990 --> 00:49:40,720

this is from the letter i received from

1286

00:49:45,510 --> 00:49:44,000

our gas company are support the heat and

1287

00:49:47,510 --> 00:49:45,520

you know their stoves and everything are

1288

00:49:49,829 --> 00:49:47,520

supplied with gas the electric company

1289

00:49:51,670 --> 00:49:49,839

here is not equipped to handle all of a

1290

00:49:52,950 --> 00:49:51,680

sudden that shift to everybody using

1291

00:49:54,950 --> 00:49:52,960

electric heaters we're gonna have

1292

00:49:57,109 --> 00:49:54,960

blackouts and brownouts you know you

1293

00:49:59,510 --> 00:49:57,119

know on the coldest coldest nights so

1294

00:50:01,270 --> 00:49:59,520

you know i'm getting a generator and and

1295

00:50:03,190 --> 00:50:01,280

and we've got some other uh we've got a

1296

00:50:05,190 --> 00:50:03,200

gas heater and you know a propane tank

1297

00:50:06,630 --> 00:50:05,200

heater and stuff like that set aside but

1298

00:50:08,309 --> 00:50:06,640

there's a lot of people that that

1299

00:50:09,270 --> 00:50:08,319

probably you know they sent an email out

1300

00:50:11,270 --> 00:50:09,280

they didn't even send a letter to

1301
00:50:13,750 --> 00:50:11,280
people's houses it was just an email but

1302
00:50:15,510 --> 00:50:13,760
you know i mean i'm i'm still like like

1303
00:50:17,270 --> 00:50:15,520
my parents you know didn't have that set

1304
00:50:18,470 --> 00:50:17,280
up to get email alerts so they're

1305
00:50:20,630 --> 00:50:18,480
waiting they're assuming they're going

1306
00:50:22,710 --> 00:50:20,640
to get a letter eventually but i mean i

1307
00:50:24,470 --> 00:50:22,720
got my email over a week ago and they

1308
00:50:27,430 --> 00:50:24,480
still haven't even haven't gotten up but

1309
00:50:28,790 --> 00:50:27,440
evidently usps is uh is running way

1310
00:50:30,470 --> 00:50:28,800
behind evidently i heard something

1311
00:50:33,750 --> 00:50:30,480
they're running on like like the same

1312
00:50:34,790 --> 00:50:33,760
speed that usps was in 1970s or whatever

1313
00:50:35,829 --> 00:50:34,800

because of

1314

00:50:36,870 --> 00:50:35,839

because

1315

00:50:38,230 --> 00:50:36,880

yeah that's what they said like it's

1316

00:50:41,030 --> 00:50:38,240

like the same because they can't they

1317

00:50:43,589 --> 00:50:41,040

can't keep enough staff they can't staff

1318

00:50:45,589 --> 00:50:43,599

every every position they need

1319

00:50:46,710 --> 00:50:45,599

so they're gonna i mean

1320

00:50:48,150 --> 00:50:46,720

they're just trying i mean i don't know

1321

00:50:49,829 --> 00:50:48,160

if this is gonna happen everywhere i

1322

00:50:51,510 --> 00:50:49,839

kind of thought like maybe when they did

1323

00:50:53,270 --> 00:50:51,520

it in texas it's a little further south

1324

00:50:55,589 --> 00:50:53,280

than st louis you know that was sort of

1325

00:50:57,190 --> 00:50:55,599

their trial run to see well if we cut

1326

00:50:59,510 --> 00:50:57,200

everybody's electric off do they get

1327

00:51:01,589 --> 00:50:59,520

crazy and revolt against authority or do

1328

00:51:03,990 --> 00:51:01,599

they get crazy and kill each other you

1329

00:51:07,670 --> 00:51:04,000

know i i don't know so you know because

1330

00:51:12,870 --> 00:51:10,390

work in their favor right well san luis

1331

00:51:14,470 --> 00:51:12,880

city actually most people don't know it

1332

00:51:18,710 --> 00:51:14,480

only has about

1333

00:51:21,109 --> 00:51:18,720

400 000 to 500 000 uh people it was san

1334

00:51:24,470 --> 00:51:21,119

luis city and county combined is that

1335

00:51:27,190 --> 00:51:24,480

has the close to 2 million maybe 2.5 2.4

1336

00:51:29,910 --> 00:51:27,200

whichever you know and it's basically

1337

00:51:32,470 --> 00:51:29,920

all the outskirts that that kind of go

1338

00:51:35,510 --> 00:51:32,480

to san luis or work in san luis or the

1339

00:51:38,950 --> 00:51:35,520

suburbs that are counted as san luis and

1340

00:51:41,589 --> 00:51:38,960

so yeah that's a huge increase because

1341

00:51:45,349 --> 00:51:41,599

most people i know they have a stove

1342

00:51:49,270 --> 00:51:47,829

heating for the house it's on gas

1343

00:51:51,670 --> 00:51:49,280

and so that's they'll be really

1344

00:51:54,549 --> 00:51:51,680

unfortunate if if that happens

1345

00:51:56,230 --> 00:51:54,559

but then again you know it's it's um

1346

00:51:57,990 --> 00:51:56,240

i don't know i'm helping wherever i can

1347

00:51:59,750 --> 00:51:58,000

i mean i know you and i talked about it

1348

00:52:02,950 --> 00:51:59,760

i mean you kind of picked my brain about

1349

00:52:05,109 --> 00:52:02,960

stuff or asked what i was doing and um

1350

00:52:06,390 --> 00:52:05,119

you know but other than that it's like

1351

00:52:08,710 --> 00:52:06,400

um

1352

00:52:10,950 --> 00:52:08,720

i don't know all i know is that you know

1353

00:52:14,230 --> 00:52:10,960

whatever happens you you will

1354

00:52:16,230 --> 00:52:14,240

be okay the point is it's the

1355

00:52:18,470 --> 00:52:16,240

very inconvenient

1356

00:52:20,390 --> 00:52:18,480

the very inconvenience that's being

1357

00:52:22,309 --> 00:52:20,400

formed by that is that's going to be

1358

00:52:24,069 --> 00:52:22,319

very shitty of the companies and

1359

00:52:27,430 --> 00:52:24,079

everyone else because that's when it

1360

00:52:29,910 --> 00:52:27,440

really comes through uh i mean how

1361

00:52:33,270 --> 00:52:29,920

unthinkable is it for a company to to

1362

00:52:34,950 --> 00:52:33,280

send a letter out and say hey um

1363

00:52:37,990 --> 00:52:34,960

we're going to be shutting your

1364

00:52:40,790 --> 00:52:38,000

your gas off uh coming coming up in

1365

00:52:43,190 --> 00:52:40,800

these winter months it's like what

1366

00:52:44,790 --> 00:52:43,200

you know how many people are just really

1367

00:52:45,750 --> 00:52:44,800

you know elderly

1368

00:52:47,510 --> 00:52:45,760

you know

1369

00:52:49,750 --> 00:52:47,520

all these other people that never mind

1370

00:52:51,190 --> 00:52:49,760

elderly just anyone you know that has

1371

00:52:53,430 --> 00:52:51,200

families and all this other stuff it's

1372

00:52:55,270 --> 00:52:53,440

like you know just all these years they

1373

00:52:56,950 --> 00:52:55,280

were getting their payments and monthly

1374

00:52:58,309 --> 00:52:56,960

payments and all that and then all of a

1375

00:52:59,430 --> 00:52:58,319

sudden they're just gonna

1376

00:53:02,150 --> 00:52:59,440

cut it off

1377

00:53:04,150 --> 00:53:02,160

you know uh there was one that i that i

1378

00:53:05,510 --> 00:53:04,160

would heard that somebody don't get got

1379

00:53:09,109 --> 00:53:05,520

the letter they were saying that they

1380

00:53:10,790 --> 00:53:09,119

were going to reduce it some right

1381

00:53:12,870 --> 00:53:10,800

but then i was like how do you reduce

1382

00:53:14,630 --> 00:53:12,880

gas in a gas line you either shut it off

1383

00:53:15,829 --> 00:53:14,640

or you don't have it down in there you

1384

00:53:17,430 --> 00:53:15,839

know what i mean

1385

00:53:18,630 --> 00:53:17,440

um yeah i don't know

1386

00:53:21,990 --> 00:53:18,640

yeah

1387

00:53:23,829 --> 00:53:22,000

but anyway uh you know um not wanting

1388

00:53:27,030 --> 00:53:23,839

not necessarily necessary to do it but i

1389

00:53:30,150 --> 00:53:27,040

want to again tie this back into

1390

00:53:32,309 --> 00:53:30,160

why this is important this is a learning

1391

00:53:34,230 --> 00:53:32,319

factor for all of us you know that

1392

00:53:36,790 --> 00:53:34,240

doesn't mean that will not have grave

1393

00:53:38,790 --> 00:53:36,800

consequences for some you know or just

1394

00:53:40,470 --> 00:53:38,800

mild consequences for others but this is

1395

00:53:43,109 --> 00:53:40,480

what i'm talking about

1396

00:53:46,230 --> 00:53:43,119

of all the years that basically i've had

1397

00:53:48,069 --> 00:53:46,240

these you know very stressful hurtful

1398

00:53:50,870 --> 00:53:48,079

you know just and mind-blowing

1399

00:53:53,829 --> 00:53:50,880

experiences right because that's what

1400

00:53:55,910 --> 00:53:53,839

built me up and made it possible to have

1401

00:53:59,349 --> 00:53:55,920

the the et experiences that i had

1402

00:54:01,589 --> 00:53:59,359

afterwards you know it's like um

1403

00:54:04,150 --> 00:54:01,599

every time somebody doesn't get that

1404

00:54:05,910 --> 00:54:04,160

connection to talk about why it is

1405

00:54:08,309 --> 00:54:05,920

important to discuss you know let's say

1406

00:54:09,990 --> 00:54:08,319

politics why is it important to discuss

1407

00:54:12,870 --> 00:54:10,000

relationships why is it important to

1408

00:54:14,790 --> 00:54:12,880

discuss um a solution to a problem that

1409

00:54:18,470 --> 00:54:14,800

does not have seemingly anything to do

1410

00:54:20,710 --> 00:54:18,480

with ufos you know it's like all of that

1411

00:54:21,990 --> 00:54:20,720

adds to that energy you know

1412

00:54:23,589 --> 00:54:22,000

some of you have heard me say it you're

1413

00:54:25,190 --> 00:54:23,599

gonna hear me say it again you know

1414

00:54:27,430 --> 00:54:25,200

those that haven't before then

1415

00:54:29,670 --> 00:54:27,440

congratulations it's your first time you

1416

00:54:32,710 --> 00:54:29,680

know all those things are important you

1417

00:54:34,710 --> 00:54:32,720

know it's just i always find it um that

1418

00:54:36,710 --> 00:54:34,720

i would rather have contact i would

1419

00:54:39,589 --> 00:54:36,720

rather talk to you know

1420

00:54:41,990 --> 00:54:39,599

what is it here star brother says

1421

00:54:44,549 --> 00:54:42,000

star people is nice it's a nicer word

1422

00:54:47,190 --> 00:54:44,559

than aliens okay just one time so

1423

00:54:49,109 --> 00:54:47,200

brother for you i will use the word

1424

00:54:51,109 --> 00:54:49,119

star people

1425

00:54:53,270 --> 00:54:51,119

i would rather interact with them on a

1426

00:54:55,990 --> 00:54:53,280

more peaceful calm

1427

00:54:57,750 --> 00:54:56,000

non-hectic level of oh god i have to

1428

00:55:00,230 --> 00:54:57,760

survive right

1429

00:55:02,630 --> 00:55:00,240

then you know and interact with them

1430

00:55:04,390 --> 00:55:02,640

that way moving forward then being in

1431

00:55:07,030 --> 00:55:04,400

this in this whole mess and then

1432

00:55:09,510 --> 00:55:07,040

potentially still have to then add these

1433

00:55:12,470 --> 00:55:09,520

mind-blowing experiences of what contact

1434

00:55:15,109 --> 00:55:12,480

entails i mean we would go crazy

1435

00:55:16,870 --> 00:55:15,119

you know it's like we have to sort this

1436

00:55:19,829 --> 00:55:16,880

out whatever we're going through however

1437

00:55:22,630 --> 00:55:19,839

long it takes we have to sort it out to

1438

00:55:25,270 --> 00:55:22,640

go through this eye of the storm and

1439

00:55:26,309 --> 00:55:25,280

figure it out and become more fortified

1440

00:55:28,950 --> 00:55:26,319

and

1441

00:55:30,309 --> 00:55:28,960

you know know ourselves uh before then

1442

00:55:32,309 --> 00:55:30,319

we can move on to anything more

1443

00:55:34,870 --> 00:55:32,319

spiritual because everyone always thinks

1444

00:55:37,910 --> 00:55:34,880

spirituality just means um you know sit

1445

00:55:39,190 --> 00:55:37,920

in lotus position uh just chant home all

1446

00:55:41,910 --> 00:55:39,200

the time and that will give you

1447

00:55:43,430 --> 00:55:41,920

enlightenment um life experiences will

1448

00:55:46,549 --> 00:55:43,440

give you enlightenment

1449

00:55:48,390 --> 00:55:46,559

you know experiences that um

1450

00:55:49,990 --> 00:55:48,400

you know that

1451

00:55:52,630 --> 00:55:50,000

that are you know as

1452

00:55:54,390 --> 00:55:52,640

simple of as simple as

1453

00:55:55,990 --> 00:55:54,400

you know figuring out how to fix

1454

00:55:58,069 --> 00:55:56,000

something on your car

1455

00:55:58,950 --> 00:55:58,079

right because at the end of the day it's

1456

00:56:00,789 --> 00:55:58,960

about

1457

00:56:03,030 --> 00:56:00,799

what it represents

1458

00:56:04,870 --> 00:56:03,040

you know it's about you moving in a

1459

00:56:08,150 --> 00:56:04,880

certain direction you know moving

1460

00:56:10,870 --> 00:56:08,160

forward and by fixing that you know it

1461

00:56:13,510 --> 00:56:10,880

it's supposed to represent that you know

1462

00:56:16,470 --> 00:56:13,520

you've worked now on a part you figured

1463

00:56:18,710 --> 00:56:16,480

out a thing that you now you know have

1464

00:56:21,349 --> 00:56:18,720

overcome that now will help you move

1465

00:56:23,349 --> 00:56:21,359

forward a lot easier you know one one

1466

00:56:25,670 --> 00:56:23,359

perfect example was um

1467

00:56:27,829 --> 00:56:25,680

when i first understood what truly feng

1468

00:56:31,270 --> 00:56:27,839

shui meant and you remember my house

1469

00:56:33,910 --> 00:56:31,280

back in robertsville don't you

1470

00:56:35,510 --> 00:56:33,920

yeah so when i was working on it you

1471

00:56:38,230 --> 00:56:35,520

know i just thought i was remodeling the

1472

00:56:39,829 --> 00:56:38,240

house um about several months into it

1473

00:56:42,150 --> 00:56:39,839

with all these different experiences and

1474

00:56:45,030 --> 00:56:42,160

the messages that i've been receiving

1475

00:56:46,870 --> 00:56:45,040

you know based on you know either

1476

00:56:51,190 --> 00:56:46,880

you know direct

1477

00:56:52,390 --> 00:56:51,200

message um psychically uh psychedelic or

1478

00:56:54,390 --> 00:56:52,400

otherwise

1479

00:56:56,870 --> 00:56:54,400

it became very clear to me that the

1480

00:56:59,510 --> 00:56:56,880

house represented myself and that's what

1481

00:57:00,870 --> 00:56:59,520

i was doing i was remodeling myself from

1482

00:57:02,309 --> 00:57:00,880

the inside out

1483

00:57:04,710 --> 00:57:02,319

you know i was

1484

00:57:07,190 --> 00:57:04,720

rearranging each room which way which

1485

00:57:09,190 --> 00:57:07,200

was each aspect of myself

1486

00:57:11,589 --> 00:57:09,200

and i had a hobby room that i like to

1487

00:57:13,190 --> 00:57:11,599

tinker on stuff and you know program and

1488

00:57:14,870 --> 00:57:13,200

build things and i had a different room

1489

00:57:16,950 --> 00:57:14,880

where i was working out in a different

1490

00:57:20,230 --> 00:57:16,960

room where i just want to relax and all

1491

00:57:23,109 --> 00:57:20,240

those parts and aspects are you know

1492

00:57:25,750 --> 00:57:23,119

were part of myself and so as i kept

1493

00:57:27,670 --> 00:57:25,760

working on certain things and the way i

1494

00:57:30,230 --> 00:57:27,680

was improving them it was improving my

1495

00:57:33,190 --> 00:57:30,240

well-being as well you know it was what

1496

00:57:35,990 --> 00:57:33,200

kind of floor was i put putting in you

1497

00:57:38,470 --> 00:57:36,000

know was it a softer carpet you know was

1498

00:57:40,549 --> 00:57:38,480

it a hard floor was it a hardwood floor

1499

00:57:42,950 --> 00:57:40,559

all those different things you know

1500

00:57:44,470 --> 00:57:42,960

represent of um

1501
00:57:47,190 --> 00:57:44,480
of my foundation

1502
00:57:49,430 --> 00:57:47,200
right because the the floor is is the

1503
00:57:51,030 --> 00:57:49,440
foundation of upon which everything else

1504
00:57:54,069 --> 00:57:51,040
is built um

1505
00:57:56,150 --> 00:57:54,079
how your room is set up in your house

1506
00:57:57,750 --> 00:57:56,160
the way you have your furniture right

1507
00:57:59,430 --> 00:57:57,760
because initially you know i had kind of

1508
00:58:01,670 --> 00:57:59,440
had this in a weird way to where you

1509
00:58:03,430 --> 00:58:01,680
kind of have to you get in the house and

1510
00:58:05,349 --> 00:58:03,440
you have to kind of

1511
00:58:07,990 --> 00:58:05,359
get through round some things to get to

1512
00:58:10,870 --> 00:58:08,000
the main open part which represented of

1513
00:58:12,870 --> 00:58:10,880

what kind of person i was you know

1514

00:58:15,270 --> 00:58:12,880

subconsciously i was basically telling

1515

00:58:17,430 --> 00:58:15,280

that to myself but until i learned more

1516

00:58:19,270 --> 00:58:17,440

about energies it made me realize that's

1517

00:58:21,510 --> 00:58:19,280

what i was doing my house was a

1518

00:58:23,349 --> 00:58:21,520

representation of myself it meant i

1519

00:58:24,789 --> 00:58:23,359

don't trust you immediately it takes a

1520

00:58:26,230 --> 00:58:24,799

while for you to get through what you

1521

00:58:29,750 --> 00:58:26,240

need to get through in order for me to

1522

00:58:31,910 --> 00:58:29,760

open up you know and so um so before

1523

00:58:33,430 --> 00:58:31,920

people start making fun of the feng shui

1524

00:58:35,829 --> 00:58:33,440

books and all this other stuff there's

1525

00:58:37,910 --> 00:58:35,839

genuine information to be learned about

1526

00:58:40,710 --> 00:58:37,920

that or what that means

1527

00:58:42,710 --> 00:58:40,720

as a self-improvement which as that was

1528

00:58:44,789 --> 00:58:42,720

going on you know all these different

1529

00:58:47,990 --> 00:58:44,799

things eventually helped with the

1530

00:58:49,750 --> 00:58:48,000

process later you know because

1531

00:58:50,710 --> 00:58:49,760

certain fears certain things that are

1532

00:58:53,430 --> 00:58:50,720

not

1533

00:58:55,270 --> 00:58:53,440

basically resolved or worked out

1534

00:58:56,870 --> 00:58:55,280

when you're having an experience when

1535

00:58:58,150 --> 00:58:56,880

you're let's say out of body or

1536

00:59:00,789 --> 00:58:58,160

otherwise

1537

00:59:02,470 --> 00:59:00,799

it gets amplified by a thousandfold so

1538

00:59:04,470 --> 00:59:02,480

now if you have an inkling of a fear

1539

00:59:06,549 --> 00:59:04,480

about something i mean you are

1540

00:59:09,190 --> 00:59:06,559

your pants at this level you know so

1541

00:59:10,710 --> 00:59:09,200

it's important to really work that out

1542

00:59:12,470 --> 00:59:10,720

and um

1543

00:59:14,789 --> 00:59:12,480

so anyway i just wanted to put that out

1544

00:59:17,670 --> 00:59:14,799

there that even even as we seemingly are

1545

00:59:19,750 --> 00:59:17,680

discussing political things and

1546

00:59:21,990 --> 00:59:19,760

discussing all the stuff that seemingly

1547

00:59:24,069 --> 00:59:22,000

has nothing to do with ufos i urge

1548

00:59:26,390 --> 00:59:24,079

people to expand their mind and try to

1549

00:59:27,910 --> 00:59:26,400

understand that everything is connected

1550

00:59:29,510 --> 00:59:27,920

you know it's just

1551

00:59:31,589 --> 00:59:29,520

it's up to you to understand that

1552

00:59:33,270 --> 00:59:31,599

connection

1553

00:59:36,069 --> 00:59:33,280

yeah i agree especially right now i

1554

00:59:38,549 --> 00:59:36,079

think like it i've had just an intense

1555

00:59:40,069 --> 00:59:38,559

feeling that like everything is

1556

00:59:41,910 --> 00:59:40,079

connected it all

1557

00:59:44,069 --> 00:59:41,920

is and it's so much more important right

1558

00:59:47,349 --> 00:59:44,079

now at this point in time like whether

1559

00:59:49,510 --> 00:59:47,359

it's feng shui or your ufos your et

1560

00:59:51,589 --> 00:59:49,520

experiences or

1561

00:59:53,430 --> 00:59:51,599

just your intuitions and your

1562

00:59:56,309 --> 00:59:53,440

meditations but it's all

1563

00:59:58,710 --> 00:59:56,319

converging on this point right now and

1564

01:00:00,950 --> 00:59:58,720

and we talk about these scary hoodoo

1565

01:00:04,150 --> 01:00:00,960

voodoo you know cabal

1566

01:00:05,829 --> 01:00:04,160

illuminati people and whatever but like

1567

01:00:07,270 --> 01:00:05,839

really they're just sort of playing

1568

01:00:08,470 --> 01:00:07,280

their role

1569

01:00:11,349 --> 01:00:08,480

and and

1570

01:00:13,670 --> 01:00:11,359

whereas it's an important one it's not

1571

01:00:15,829 --> 01:00:13,680

it's not as big and as monstrous and as

1572

01:00:18,470 --> 01:00:15,839

ugly as as we as we're making it out to

1573

01:00:19,589 --> 01:00:18,480

be like it's uh it's just

1574

01:00:21,109 --> 01:00:19,599

they're just so i guess they're just

1575

01:00:22,390 --> 01:00:21,119

sort of setting us up because like right

1576

01:00:24,230 --> 01:00:22,400

now everything

1577

01:00:26,390 --> 01:00:24,240

is all putting us in the right places

1578

01:00:28,950 --> 01:00:26,400

where we are to maybe make that ufo

1579

01:00:31,430 --> 01:00:28,960

contact or you know

1580

01:00:33,030 --> 01:00:31,440

reach that level where we can become

1581

01:00:34,950 --> 01:00:33,040

brothers and sisters of a galactic

1582

01:00:37,270 --> 01:00:34,960

community or something you know right

1583

01:00:39,430 --> 01:00:37,280

but every meaning

1584

01:00:41,270 --> 01:00:39,440

right i'm not using this example to make

1585

01:00:42,870 --> 01:00:41,280

a point to you but since we're together

1586

01:00:44,870 --> 01:00:42,880

and on the phone you know just everyone

1587

01:00:47,430 --> 01:00:44,880

else watching or listening just to kind

1588

01:00:49,990 --> 01:00:47,440

of give this example uh think about the

1589

01:00:52,390 --> 01:00:50,000

time when you were like bald deep and

1590

01:00:54,309 --> 01:00:52,400

rehabbing your house i mean you had

1591

01:00:56,549 --> 01:00:54,319

waltz torn out you were doing all kinds

1592

01:00:58,789 --> 01:00:56,559

of stuff to it right and when you get

1593

01:01:00,950 --> 01:00:58,799

going and stuff can you imagine like

1594

01:01:02,950 --> 01:01:00,960

you're already you're you're taping a

1595

01:01:04,789 --> 01:01:02,960

wall or or mudding it or doing whatever

1596

01:01:06,630 --> 01:01:04,799

you got to do and then i show up and say

1597

01:01:07,750 --> 01:01:06,640

hey nathan let's go hang out

1598

01:01:10,150 --> 01:01:07,760

and you're like dude i'm like in the

1599

01:01:11,910 --> 01:01:10,160

middle of doing stuff you know or i have

1600

01:01:13,670 --> 01:01:11,920

to i gotta take a shower i have to get

1601
01:01:16,710 --> 01:01:13,680
ready i didn't expect this you know what

1602
01:01:19,589 --> 01:01:16,720
i mean and it's a lot more of a pleasant

1603
01:01:22,230 --> 01:01:19,599
experience that when you stop or take a

1604
01:01:24,230 --> 01:01:22,240
break or complete something to say okay

1605
01:01:25,990 --> 01:01:24,240
i'm done with this now i can hang out

1606
01:01:27,750 --> 01:01:26,000
and i can move forward and then we can

1607
01:01:29,990 --> 01:01:27,760
discuss stuff and talk about things

1608
01:01:32,870 --> 01:01:30,000
without all this stuff being on my back

1609
01:01:34,470 --> 01:01:32,880
on my mind you know having to be to be

1610
01:01:37,270 --> 01:01:34,480
you know constantly bothering the

1611
01:01:40,390 --> 01:01:37,280
conversation same thing with et contact

1612
01:01:42,630 --> 01:01:40,400
you know what the context is not just um

1613
01:01:44,150 --> 01:01:42,640

you know oh they you know you're going

1614

01:01:46,309 --> 01:01:44,160

to meet them and they're going to look

1615

01:01:48,789 --> 01:01:46,319

weird and all this other stuff it blows

1616

01:01:51,030 --> 01:01:48,799

your mind in ways to where you now are

1617

01:01:53,430 --> 01:01:51,040

going to be considering new information

1618

01:01:54,870 --> 01:01:53,440

about yourself new information about the

1619

01:01:56,789 --> 01:01:54,880

universe and that's going to start

1620

01:01:59,270 --> 01:01:56,799

taking you in a whole new direction you

1621

01:02:01,270 --> 01:01:59,280

know can you imagine like while you're

1622

01:02:03,349 --> 01:02:01,280

sitting there and you're like already

1623

01:02:05,750 --> 01:02:03,359

like i need to go grocery shopping my

1624

01:02:08,069 --> 01:02:05,760

dog is hungry i gotta make some food i'm

1625

01:02:09,510 --> 01:02:08,079

also working on this oh and then aliens

1626

01:02:11,029 --> 01:02:09,520

come by it's like oh hey let's talk

1627

01:02:13,349 --> 01:02:11,039

about the universe you know it's like

1628

01:02:15,990 --> 01:02:13,359

you're not gonna do it justice you know

1629

01:02:17,190 --> 01:02:16,000

by just constantly by being in this in

1630

01:02:23,349 --> 01:02:17,200

this um

1631

01:02:27,589 --> 01:02:25,589

you know that's why you know let's let's

1632

01:02:30,470 --> 01:02:27,599

let's finish this first let's figure out

1633

01:02:31,990 --> 01:02:30,480

let's let's become the new media

1634

01:02:33,190 --> 01:02:32,000

about whatever it is that you want to

1635

01:02:35,510 --> 01:02:33,200

talk about

1636

01:02:37,750 --> 01:02:35,520

create your own twitch channel rumble

1637

01:02:39,750 --> 01:02:37,760

channel uh there was a point at a time i

1638

01:02:41,510 --> 01:02:39,760

would have recommended youtube but

1639

01:02:42,870 --> 01:02:41,520

you know

1640

01:02:45,190 --> 01:02:42,880

good luck with that

1641

01:02:48,630 --> 01:02:45,200

or youtube channel whatever and then and

1642

01:02:51,270 --> 01:02:48,640

then put the information out there that

1643

01:02:54,069 --> 01:02:51,280

you would like it to be you know because

1644

01:02:56,470 --> 01:02:54,079

um that's in a way what i ended up doing

1645

01:02:58,069 --> 01:02:56,480

because of uh the experiences that i've

1646

01:03:00,390 --> 01:02:58,079

had to start this channel and the

1647

01:03:04,150 --> 01:03:00,400

reasoning why because

1648

01:03:06,789 --> 01:03:04,160

deep down i love the subject and so you

1649

01:03:08,549 --> 01:03:06,799

know and i wasn't acting on any of it it

1650

01:03:11,270 --> 01:03:08,559

was just this constant information it

1651

01:03:12,870 --> 01:03:11,280

was just building up within me and so

1652

01:03:14,789 --> 01:03:12,880

you know i was so grateful for the

1653

01:03:17,270 --> 01:03:14,799

download it just made it all clear it's

1654

01:03:19,589 --> 01:03:17,280

like oh this is how i can express my

1655

01:03:21,430 --> 01:03:19,599

love for what i do you know this is how

1656

01:03:23,109 --> 01:03:21,440

i can share more with people about

1657

01:03:25,109 --> 01:03:23,119

aliens and contact and what i've

1658

01:03:26,549 --> 01:03:25,119

experienced for it to mean because i'm

1659

01:03:28,309 --> 01:03:26,559

not seeing you know the mainstream i'm

1660

01:03:31,670 --> 01:03:28,319

not seeing it on tv

1661

01:03:34,630 --> 01:03:31,680

you know it's like so all i can do is

1662

01:03:36,710 --> 01:03:34,640

like i've started out collect libraries

1663

01:03:38,870 --> 01:03:36,720

of interviews upon interviews of all

1664

01:03:41,349 --> 01:03:38,880

kinds of points of views for you to be

1665

01:03:44,069 --> 01:03:41,359

able to come and look and watch and see

1666

01:03:45,750 --> 01:03:44,079

you know and and then make up your mind

1667

01:03:47,750 --> 01:03:45,760

because at the end of the day that's all

1668

01:03:49,990 --> 01:03:47,760

we did with the mainstream media we kept

1669

01:03:53,109 --> 01:03:50,000

watching day in day out to where that

1670

01:03:55,589 --> 01:03:53,119

becomes a trustworthy um source for us

1671

01:03:57,589 --> 01:03:55,599

and so then we judge everything based on

1672

01:03:59,349 --> 01:03:57,599

that right whoa

1673

01:04:01,670 --> 01:03:59,359

what if i'd keep doing this for another

1674

01:04:03,430 --> 01:04:01,680

10 years you know and have interviews

1675

01:04:06,069 --> 01:04:03,440

and keep putting on information you know

1676
01:04:07,750 --> 01:04:06,079
eventually this will become a source of

1677
01:04:09,029 --> 01:04:07,760
information that you could potentially

1678
01:04:11,349 --> 01:04:09,039
consider

1679
01:04:14,150 --> 01:04:11,359
you know and so the you know we we

1680
01:04:15,829 --> 01:04:14,160
become the new mainstream media uh

1681
01:04:19,349 --> 01:04:15,839
instead of just always have somebody

1682
01:04:22,230 --> 01:04:19,359
else be that um you know information um

1683
01:04:24,069 --> 01:04:22,240
uh delivery service

1684
01:04:25,750 --> 01:04:24,079
um let me ask

1685
01:04:27,910 --> 01:04:25,760
let me ask something real quick here

1686
01:04:30,870 --> 01:04:27,920
nathan there was some some question that

1687
01:04:31,910 --> 01:04:30,880
came in from reuben on the chat on uh it

1688
01:04:33,430 --> 01:04:31,920

was saying

1689

01:04:35,990 --> 01:04:33,440

what are your thoughts on the travis

1690

01:04:37,910 --> 01:04:36,000

scott concert a lot of young people have

1691

01:04:39,829 --> 01:04:37,920

died a lot of people are saying it was

1692

01:04:42,390 --> 01:04:39,839

an occult ritual even the mainstream

1693

01:04:43,190 --> 01:04:42,400

media is talking about it

1694

01:04:44,870 --> 01:04:43,200

well

1695

01:04:48,230 --> 01:04:44,880

um

1696

01:04:50,230 --> 01:04:48,240

right that's the story that

1697

01:04:52,150 --> 01:04:50,240

you know comes with understanding like

1698

01:04:54,549 --> 01:04:52,160

once you become

1699

01:04:56,789 --> 01:04:54,559

more aware of what goes on become a

1700

01:04:59,589 --> 01:04:56,799

little bit more intuitive about things

1701
01:05:02,630 --> 01:04:59,599
without needing to read the text needing

1702
01:05:05,430 --> 01:05:02,640
the 100 visual you know if something is

1703
01:05:08,390 --> 01:05:05,440
right and something is wrong and

1704
01:05:09,990 --> 01:05:08,400
just on on the surface for me

1705
01:05:12,549 --> 01:05:10,000
what they're delivering and telling it

1706
01:05:14,309 --> 01:05:12,559
is just bunch of bs you know

1707
01:05:17,029 --> 01:05:14,319
and what i would

1708
01:05:19,750 --> 01:05:17,039
urge a lot of you to go and see is how

1709
01:05:21,910 --> 01:05:19,760
many receive the procedure

1710
01:05:24,710 --> 01:05:21,920
you know and i would like to also well

1711
01:05:26,789 --> 01:05:24,720
for you guys to check out how many um

1712
01:05:28,390 --> 01:05:26,799
you know let's say to having less i

1713
01:05:31,109 --> 01:05:28,400

mentioned earlier i don't know if i

1714

01:05:33,029 --> 01:05:31,119

mention it on air or off air um a lot of

1715

01:05:34,870 --> 01:05:33,039

football players like soccer players

1716

01:05:36,549 --> 01:05:34,880

they're dropping dead from all kinds of

1717

01:05:37,829 --> 01:05:36,559

heart attacks and they're all like oh

1718

01:05:39,190 --> 01:05:37,839

mysteriously we don't know where it's

1719

01:05:41,349 --> 01:05:39,200

coming from

1720

01:05:43,430 --> 01:05:41,359

look at how many got the procedure you

1721

01:05:46,309 --> 01:05:43,440

know that is one aspect

1722

01:05:48,710 --> 01:05:46,319

the recent change that has occurred

1723

01:05:51,190 --> 01:05:48,720

worldwide that you can you know go back

1724

01:05:53,270 --> 01:05:51,200

to and correlate you know and it's not

1725

01:05:54,950 --> 01:05:53,280

like it's out of the norm to look at

1726

01:05:57,190 --> 01:05:54,960

this and say well that's impossible

1727

01:05:58,950 --> 01:05:57,200

because a lot of data has come out about

1728

01:06:01,349 --> 01:05:58,960

clots about all kinds of stuff that

1729

01:06:03,430 --> 01:06:01,359

happens with your body you know

1730

01:06:05,510 --> 01:06:03,440

from one and then never mind the second

1731

01:06:07,430 --> 01:06:05,520

procedure and then the the you know

1732

01:06:09,270 --> 01:06:07,440

after that i mean you basically you

1733

01:06:10,150 --> 01:06:09,280

you're you're up your entire

1734

01:06:11,990 --> 01:06:10,160

system

1735

01:06:15,349 --> 01:06:12,000

you know and then good luck cleansing

1736

01:06:16,950 --> 01:06:15,359

cleansing all of that you know it's um

1737

01:06:19,510 --> 01:06:16,960

anyway so reuben i hope that kind of

1738

01:06:20,470 --> 01:06:19,520

answers your question regarding that um

1739

01:06:22,549 --> 01:06:20,480

because

1740

01:06:24,950 --> 01:06:22,559

it's

1741

01:06:27,670 --> 01:06:24,960

dev they the mainstream media has not

1742

01:06:29,829 --> 01:06:27,680

been honest with us all along for us to

1743

01:06:32,630 --> 01:06:29,839

of the sudden go oh

1744

01:06:34,630 --> 01:06:32,640

you mean an occult ritual wow okay thank

1745

01:06:37,190 --> 01:06:34,640

you that is so informative i will

1746

01:06:39,829 --> 01:06:37,200

definitely take that in and hold that up

1747

01:06:42,150 --> 01:06:39,839

to my heart as the word of god you know

1748

01:06:43,029 --> 01:06:42,160

um sorry to be sarcastic about it but

1749

01:06:45,510 --> 01:06:43,039

that's

1750

01:06:47,190 --> 01:06:45,520

how i think a lot of people should feel

1751

01:06:48,150 --> 01:06:47,200

you know so just know

1752

01:06:51,349 --> 01:06:48,160

that

1753

01:06:54,069 --> 01:06:51,359

look at how many things were not correct

1754

01:06:56,390 --> 01:06:54,079

were not delivered to us accurately

1755

01:06:58,069 --> 01:06:56,400

and lives were changed based on that

1756

01:07:00,390 --> 01:06:58,079

inaccurate information

1757

01:07:01,349 --> 01:07:00,400

and we keep buying into it

1758

01:07:02,309 --> 01:07:01,359

and

1759

01:07:04,549 --> 01:07:02,319

you know

1760

01:07:06,630 --> 01:07:04,559

the fact that nothing else no other

1761

01:07:09,430 --> 01:07:06,640

information is allowed to be talked

1762

01:07:10,470 --> 01:07:09,440

about the procedure is what basically

1763

01:07:11,510 --> 01:07:10,480

gets me

1764

01:07:14,630 --> 01:07:11,520

um

1765

01:07:16,630 --> 01:07:14,640

gets all my spidey is going you know to

1766

01:07:18,710 --> 01:07:16,640

to just realize hey um

1767

01:07:20,309 --> 01:07:18,720

you know there's a lot out there that

1768

01:07:21,829 --> 01:07:20,319

you're not considering i mean think

1769

01:07:23,510 --> 01:07:21,839

about it's the same thing as you go to a

1770

01:07:25,910 --> 01:07:23,520

doctor right i mentioned that before

1771

01:07:27,589 --> 01:07:25,920

where you if you go to a doctor you get

1772

01:07:28,789 --> 01:07:27,599

one opinion and then you go for second

1773

01:07:30,549 --> 01:07:28,799

or third because you want to make sure

1774

01:07:32,150 --> 01:07:30,559

you get the right choice for your health

1775

01:07:34,710 --> 01:07:32,160

before you move forward

1776

01:07:36,390 --> 01:07:34,720

well what about if all of the sudden

1777

01:07:37,750 --> 01:07:36,400

there is no other doctor allowed to talk

1778

01:07:41,510 --> 01:07:37,760

to you

1779

01:07:43,190 --> 01:07:41,520

that would be very like oh wow why can't

1780

01:07:44,789 --> 01:07:43,200

i ask another doctor about this

1781

01:07:46,150 --> 01:07:44,799

procedure i want to take

1782

01:07:48,789 --> 01:07:46,160

you know like whether it would be

1783

01:07:51,190 --> 01:07:48,799

whatever surgery on my leg or the hip or

1784

01:07:52,710 --> 01:07:51,200

whatever right then it becomes apparent

1785

01:07:54,549 --> 01:07:52,720

that wait a minute something is not

1786

01:07:56,390 --> 01:07:54,559

right but when other people tell you

1787

01:07:58,710 --> 01:07:56,400

don't ask any more questions about this

1788

01:08:00,630 --> 01:07:58,720

you know this procedure just do as you

1789

01:08:03,270 --> 01:08:00,640

told that people go oh okay yeah that

1790

01:08:04,309 --> 01:08:03,280

makes sense you know it's like just use

1791

01:08:08,309 --> 01:08:04,319

your brain

1792

01:08:11,589 --> 01:08:08,319

it doesn't require some kind of you know

1793

01:08:13,670 --> 01:08:11,599

a spiritual intake of all kinds of

1794

01:08:15,349 --> 01:08:13,680

metaphysical information for you to go

1795

01:08:17,110 --> 01:08:15,359

like i think these people are

1796

01:08:21,269 --> 01:08:17,120

with me

1797

01:08:25,990 --> 01:08:23,110

so nathan

1798

01:08:28,229 --> 01:08:26,000

how uh just uh to ask you about going

1799

01:08:29,110 --> 01:08:28,239

back our previous conversation when is

1800

01:08:32,789 --> 01:08:29,120

the

1801
01:08:36,229 --> 01:08:32,799
to stop

1802
01:08:38,630 --> 01:08:36,239
and when is uh the the power expected to

1803
01:08:40,470 --> 01:08:38,640
go down saint louis

1804
01:08:42,950 --> 01:08:40,480
so they're saying from the talks this is

1805
01:08:45,430 --> 01:08:42,960
just this is just rumoring around so

1806
01:08:47,269 --> 01:08:45,440
it's not 100 but it's but it's an actual

1807
01:08:49,110 --> 01:08:47,279
information

1808
01:08:51,829 --> 01:08:49,120
yeah it's an email sent from the gas

1809
01:08:52,709 --> 01:08:51,839
company that on december 13th because of

1810
01:08:54,309 --> 01:08:52,719
some

1811
01:08:56,630 --> 01:08:54,319
actually in this this is why you know

1812
01:08:58,470 --> 01:08:56,640
it's it's it's pl it's

1813
01:09:00,390 --> 01:08:58,480

it's it's it's a choice somebody's

1814

01:09:01,669 --> 01:09:00,400

making to do this this isn't because the

1815

01:09:03,990 --> 01:09:01,679

the equipment isn't there this isn't

1816

01:09:05,829 --> 01:09:04,000

because the pipeline doesn't actually

1817

01:09:08,390 --> 01:09:05,839

deliver gas obviously i'm heating my

1818

01:09:10,870 --> 01:09:08,400

house right now but evidently some

1819

01:09:13,189 --> 01:09:10,880

lawsuit that happened in new york by

1820

01:09:14,550 --> 01:09:13,199

some environmentalist group and this has

1821

01:09:16,390 --> 01:09:14,560

been blaming it on an environmental

1822

01:09:19,749 --> 01:09:16,400

group obviously it's because of the

1823

01:09:21,669 --> 01:09:19,759

outcome of this lawsuit that they the la

1824

01:09:23,990 --> 01:09:21,679

the pipeline that comes that feeds st

1825

01:09:25,990 --> 01:09:24,000

louis is you know in

1826

01:09:27,110 --> 01:09:26,000

it uh doesn't meet some standards or

1827

01:09:30,149 --> 01:09:27,120

whatever that

1828

01:09:31,669 --> 01:09:30,159

as a result of this lawsuit and

1829

01:09:32,630 --> 01:09:31,679

they said it's a good chance or possibly

1830

01:09:35,110 --> 01:09:32,640

that we'll have to shut it off on the

1831

01:09:36,709 --> 01:09:35,120

13th so i mean it's just like i don't

1832

01:09:39,269 --> 01:09:36,719

know if it's just a scare tactic or i

1833

01:09:41,110 --> 01:09:39,279

mean they they did it to texas last year

1834

01:09:42,149 --> 01:09:41,120

in the coldest months and evidently that

1835

01:09:44,550 --> 01:09:42,159

was record

1836

01:09:46,309 --> 01:09:44,560

cold uh texas ever had you know like

1837

01:09:49,510 --> 01:09:46,319

snow and stuff and parts of texas that

1838

01:09:50,789 --> 01:09:49,520

hardly ever get snow so

1839

01:09:52,709 --> 01:09:50,799

you know i don't know this is it's it's

1840

01:09:55,590 --> 01:09:52,719

just to me it all seems like it's it's

1841

01:09:57,510 --> 01:09:55,600

contrived you know it's planned it's um

1842

01:09:59,030 --> 01:09:57,520

it's they're trying to k and i don't

1843

01:10:00,709 --> 01:09:59,040

know if anybody else around the world

1844

01:10:01,830 --> 01:10:00,719

around the country and any other part

1845

01:10:04,390 --> 01:10:01,840

around this country of the world has

1846

01:10:05,830 --> 01:10:04,400

received similar notice i know china and

1847

01:10:08,070 --> 01:10:05,840

china evidently the people in china have

1848

01:10:10,630 --> 01:10:08,080

all gotten an email from the chinese

1849

01:10:12,950 --> 01:10:10,640

communist government that saying uh you

1850

01:10:16,229 --> 01:10:12,960

guys need to stock up on toiletries

1851

01:10:18,149 --> 01:10:16,239

extra food blankets uh because of

1852

01:10:20,070 --> 01:10:18,159

something i i don't i didn't hear i

1853

01:10:22,310 --> 01:10:20,080

don't need all the details but evidently

1854

01:10:24,070 --> 01:10:22,320

the people in china are getting you know

1855

01:10:27,030 --> 01:10:24,080

they're notified to actually stock up on

1856

01:10:28,709 --> 01:10:27,040

stuff prepare for some hard times ahead

1857

01:10:30,470 --> 01:10:28,719

yeah no

1858

01:10:33,669 --> 01:10:30,480

right yeah i heard that too just

1859

01:10:37,669 --> 01:10:33,679

recently about uh um sorry i'm kind of a

1860

01:10:39,430 --> 01:10:37,679

bit um taken back my stuff crashed one

1861

01:10:41,270 --> 01:10:39,440

of the windows and i thought

1862

01:10:43,430 --> 01:10:41,280

they pulled something but

1863

01:10:45,430 --> 01:10:43,440

it's just a restream window needed to be

1864

01:10:48,149 --> 01:10:45,440

refreshed i think we're still online if

1865

01:10:49,350 --> 01:10:48,159

we're online i hope some of you could um

1866

01:10:50,630 --> 01:10:49,360

um

1867

01:10:54,310 --> 01:10:50,640

let me know

1868

01:10:56,310 --> 01:10:54,320

um yeah no i i heard that too um um

1869

01:10:58,550 --> 01:10:56,320

there was i actually watched a report on

1870

01:10:59,910 --> 01:10:58,560

it and it was was very interesting when

1871

01:11:01,830 --> 01:10:59,920

i was watching them

1872

01:11:03,750 --> 01:11:01,840

um they were of course then showing all

1873

01:11:05,510 --> 01:11:03,760

these different people that you know

1874

01:11:07,510 --> 01:11:05,520

they want to be so you know oh there's

1875

01:11:09,270 --> 01:11:07,520

nothing to worry about you know and

1876

01:11:11,030 --> 01:11:09,280

again i don't mean in a worry some way

1877

01:11:13,110 --> 01:11:11,040

but they were saying it's like oh we

1878

01:11:14,709 --> 01:11:13,120

can't store vegetables for a couple of

1879

01:11:15,590 --> 01:11:14,719

days so it makes no sense for us to

1880

01:11:18,229 --> 01:11:15,600

store

1881

01:11:20,070 --> 01:11:18,239

stuff and i'm thinking you know you can

1882

01:11:22,229 --> 01:11:20,080

store more they just kept countering

1883

01:11:24,229 --> 01:11:22,239

vegetables that uh

1884

01:11:25,750 --> 01:11:24,239

nothing to fear and it makes no sense

1885

01:11:28,070 --> 01:11:25,760

because

1886

01:11:29,750 --> 01:11:28,080

no i don't i don't that that what did

1887

01:11:30,709 --> 01:11:29,760

you hear now about vegetables storing

1888

01:11:32,470 --> 01:11:30,719

for a couple

1889

01:11:34,229 --> 01:11:32,480

the chinese people they were asking them

1890

01:11:36,070 --> 01:11:34,239

about those they were saying what is

1891

01:11:37,590 --> 01:11:36,080

what are your thoughts about this uh

1892

01:11:39,669 --> 01:11:37,600

preparedness you know what what are you

1893

01:11:41,189 --> 01:11:39,679

thinking what are you doing to prepare

1894

01:11:42,470 --> 01:11:41,199

and they're like oh i'm not too worried

1895

01:11:44,390 --> 01:11:42,480

because i mean how can you store

1896

01:11:46,070 --> 01:11:44,400

vegetables you know you need fresh

1897

01:11:48,550 --> 01:11:46,080

vegetables every day and all this other

1898

01:11:50,470 --> 01:11:48,560

stuff and it was such a watered down

1899

01:11:52,870 --> 01:11:50,480

way and again this is not about panic

1900

01:11:55,830 --> 01:11:52,880

it's about seeing how the news is

1901

01:11:57,430 --> 01:11:55,840

controlled right and whether

1902

01:11:59,990 --> 01:11:57,440

it was an opinion that they only

1903

01:12:01,430 --> 01:12:00,000

selected certain opinions you know it's

1904

01:12:03,750 --> 01:12:01,440

basically to tell you about something

1905

01:12:05,350 --> 01:12:03,760

but they water it down and that becomes

1906

01:12:07,430 --> 01:12:05,360

very apparent to me

1907

01:12:09,350 --> 01:12:07,440

something i do all the time when and i

1908

01:12:10,709 --> 01:12:09,360

when we watch stuff um you know i said

1909

01:12:12,550 --> 01:12:10,719

please turn that off it's like why am i

1910

01:12:14,390 --> 01:12:12,560

can you not see this is scripted and i

1911

01:12:16,709 --> 01:12:14,400

have to point things out to her too and

1912

01:12:18,310 --> 01:12:16,719

she's like oh yeah i see it now you know

1913

01:12:20,630 --> 01:12:18,320

it's like this you know it's a it

1914

01:12:23,430 --> 01:12:20,640

becomes so obvious when something is

1915

01:12:25,430 --> 01:12:23,440

written up and already pre-planned to be

1916

01:12:26,950 --> 01:12:25,440

to be discussed i'm not talking about

1917

01:12:28,149 --> 01:12:26,960

planning like what what kind of news

1918

01:12:29,030 --> 01:12:28,159

you're going to talk about i'm talking

1919

01:12:31,189 --> 01:12:29,040

about

1920

01:12:33,110 --> 01:12:31,199

in the way you deliver the news there's

1921

01:12:35,430 --> 01:12:33,120

a certain tone a certain direction you

1922

01:12:38,310 --> 01:12:35,440

push things in i mean yeah most of us do

1923

01:12:40,229 --> 01:12:38,320

it you know but as a honest journalistic

1924

01:12:41,669 --> 01:12:40,239

you know news

1925

01:12:44,630 --> 01:12:41,679

outlet you know you would think that

1926

01:12:49,189 --> 01:12:47,750

that's right yeah well so i mean i i see

1927

01:12:51,590 --> 01:12:49,199

i see you have another hand raised in

1928

01:12:53,350 --> 01:12:51,600

the queue but as like a as a leaving

1929

01:12:55,990 --> 01:12:53,360

remark i bet you somehow they're going

1930

01:12:57,430 --> 01:12:56,000

to tie it all in with that in order to

1931

01:12:59,350 --> 01:12:57,440

get gas back to the people of saint

1932

01:13:01,430 --> 01:12:59,360

louis everybody needs the quote-unquote

1933

01:13:02,790 --> 01:13:01,440

procedure you you're referring to you

1934

01:13:05,510 --> 01:13:02,800

know i mean oh i hope it's just that

1935

01:13:07,110 --> 01:13:05,520

crazy i hope you're blaming everything

1936

01:13:08,149 --> 01:13:07,120

let's see jordy you know

1937

01:13:09,830 --> 01:13:08,159

so

1938

01:13:11,110 --> 01:13:09,840

that would be unconscionable but we'll

1939

01:13:13,750 --> 01:13:11,120

see what happens

1940

01:13:16,149 --> 01:13:13,760

do i have to get to get to fab i do i

1941

01:13:18,470 --> 01:13:16,159

don't want to talk to fab right now

1942

01:13:20,070 --> 01:13:18,480

no just kidding i better get to him all

1943

01:13:22,390 --> 01:13:20,080

right nathan well thank you very much i

1944

01:13:23,990 --> 01:13:22,400

appreciate it and we'll stay in touch

1945

01:13:26,149 --> 01:13:24,000

good talking to you my friend okay bye

1946

01:13:29,189 --> 01:13:26,159

bye bye

1947

01:13:30,790 --> 01:13:29,199

all right uh fab you are unmuted on my

1948

01:13:33,030 --> 01:13:30,800

end and mute yourself on yours and

1949

01:13:34,709 --> 01:13:33,040

you're good to go

1950

01:13:37,189 --> 01:13:34,719

yes can you hear me

1951

01:13:39,350 --> 01:13:37,199

yes before we begin i want to apologize

1952

01:13:42,149 --> 01:13:39,360

to you uh last time when i was on with

1953

01:13:43,590 --> 01:13:42,159

mark i only had literally two hours and

1954

01:13:45,350 --> 01:13:43,600

i was being very respectful to the

1955

01:13:47,270 --> 01:13:45,360

guests to stick only to the two hour

1956

01:13:50,950 --> 01:13:47,280

mark and i have you know when i finished

1957

01:13:53,430 --> 01:13:50,960

the interview in one hour 59 minutes and

1958

01:13:55,590 --> 01:13:53,440

56 seconds

1959

01:13:57,910 --> 01:13:55,600

so i apologize for not being able to get

1960

01:14:01,669 --> 01:13:57,920

to you last time during open lines

1961

01:14:03,910 --> 01:14:01,679

because i was trying to um get get um

1962

01:14:05,750 --> 01:14:03,920

fulfill that agreement on my part and

1963

01:14:08,790 --> 01:14:05,760

being very grateful for mark to come in

1964

01:14:12,390 --> 01:14:08,800

on but i'm opening the mic for you now

1965

01:14:14,790 --> 01:14:12,400

so please uh talk away

1966

01:14:17,030 --> 01:14:14,800

yes adam there is absolutely no need to

1967

01:14:19,110 --> 01:14:17,040

apologize i just left it a little bit

1968

01:14:20,790 --> 01:14:19,120

too long and uh that's it you know i

1969

01:14:23,590 --> 01:14:20,800

missed the train so

1970

01:14:25,590 --> 01:14:23,600

my bad not close

1971

01:14:27,510 --> 01:14:25,600

okay no problem i'm i'm glad you're so

1972

01:14:29,270 --> 01:14:27,520

understanding

1973

01:14:31,910 --> 01:14:29,280

yes of course you know it's uh it's a

1974

01:14:33,669 --> 01:14:31,920

bit my fault i i do like to

1975

01:14:36,390 --> 01:14:33,679

to listen to other people you know give

1976

01:14:37,990 --> 01:14:36,400

the opportunity uh two of us to talk you

1977

01:14:40,070 --> 01:14:38,000

know and uh

1978

01:14:41,750 --> 01:14:40,080

and uh be lost you know on some time

1979

01:14:45,430 --> 01:14:41,760

being last well you know you just miss

1980

01:14:46,550 --> 01:14:45,440

it you just miss it right

1981

01:14:48,229 --> 01:14:46,560

one day

1982

01:14:49,990 --> 01:14:48,239

go ahead yes

1983

01:14:51,669 --> 01:14:50,000

no no please do

1984

01:14:54,550 --> 01:14:51,679

no i was just going to ask you so what's

1985

01:14:56,950 --> 01:14:54,560

what's been going on with you

1986

01:15:00,630 --> 01:14:56,960

well over here we had a

1987

01:15:03,270 --> 01:15:00,640

we had a a president 48 hours ago that

1988

01:15:05,350 --> 01:15:03,280

came on tv talking about kobe on all

1989

01:15:07,669 --> 01:15:05,360

those sort of things

1990

01:15:09,110 --> 01:15:07,679

news happening down there which is uh

1991

01:15:11,270 --> 01:15:09,120

not very good

1992

01:15:14,229 --> 01:15:11,280

so they've decided now that we needed

1993

01:15:17,189 --> 01:15:14,239

three doors of the coveted vaccine

1994

01:15:19,669 --> 01:15:17,199

to be eligible to the famous

1995

01:15:21,990 --> 01:15:19,679

elf passport

1996

01:15:24,149 --> 01:15:22,000

and listening to

1997

01:15:25,830 --> 01:15:24,159

two others on that one looks like that

1998

01:15:28,229 --> 01:15:25,840

we're going to be needed

1999

01:15:29,189 --> 01:15:28,239

at least two doses year after year after

2000

01:15:30,630 --> 01:15:29,199

year

2001

01:15:32,870 --> 01:15:30,640

to uh

2002

01:15:34,950 --> 01:15:32,880

to be able to to simply take the

2003

01:15:37,510 --> 01:15:34,960

airplane go to the restaurant uh take a

2004

01:15:40,390 --> 01:15:37,520

coffee go on the bus go on the train

2005

01:15:41,350 --> 01:15:40,400

etc etc so it's not looking very very

2006

01:15:44,790 --> 01:15:41,360

good

2007

01:15:46,310 --> 01:15:44,800

and as far also as the energy crisis is

2008

01:15:48,630 --> 01:15:46,320

concerned

2009

01:15:51,350 --> 01:15:48,640

they just installed something over here

2010

01:15:53,910 --> 01:15:51,360

which is now we are going to build

2011

01:15:56,149 --> 01:15:53,920

mini nuclear stations all over the

2012

01:15:58,870 --> 01:15:56,159

country i saw that so we're going

2013

01:16:00,950 --> 01:15:58,880

pro-nuclear and instead of having big

2014

01:16:03,110 --> 01:16:00,960

nuclear stations we are going to build

2015

01:16:06,149 --> 01:16:03,120

little ones all over the place

2016

01:16:08,630 --> 01:16:06,159

and this has been bypassed by uh by the

2017

01:16:10,229 --> 01:16:08,640

senate etc just some people have decided

2018

01:16:12,149 --> 01:16:10,239

we're going to build a little nuclear

2019

01:16:14,149 --> 01:16:12,159

station all over the country

2020

01:16:15,990 --> 01:16:14,159

are they using the emergency act to make

2021

01:16:18,149 --> 01:16:16,000

this possible

2022

01:16:20,070 --> 01:16:18,159

yeah of course everything is emergency

2023

01:16:22,790 --> 01:16:20,080

right now

2024

01:16:25,669 --> 01:16:23,990

so uh

2025

01:16:28,310 --> 01:16:25,679

that's it you know it's uh it's not

2026

01:16:30,470 --> 01:16:28,320

looking too too good on down there

2027

01:16:31,510 --> 01:16:30,480

and to go back only uh

2028

01:16:33,590 --> 01:16:31,520

uh some

2029

01:16:37,030 --> 01:16:33,600

subject the topic that we you had today

2030

01:16:39,270 --> 01:16:37,040

about uh fake flag and real flags

2031

01:16:41,270 --> 01:16:39,280

um can you hear me properly sorry you

2032

01:16:43,189 --> 01:16:41,280

know i'm nervous max and becomes very

2033

01:16:44,709 --> 01:16:43,199

strong and it's a bit uncomfortable to

2034

01:16:47,510 --> 01:16:44,719

attract we're gonna have to work on that

2035

01:16:49,110 --> 01:16:47,520

accent a bit because how dare you speak

2036

01:16:51,270 --> 01:16:49,120

english with french accent that's

2037

01:16:53,430 --> 01:16:51,280

unacceptable

2038

01:16:56,149 --> 01:16:53,440

yes well don't i'll just do it to piss

2039

01:16:58,149 --> 01:16:56,159

you off you know really i knew it i knew

2040

01:17:00,149 --> 01:16:58,159

it everybody knows french is a fake

2041

01:17:02,709 --> 01:17:00,159

language and you just need to stop it

2042

01:17:04,630 --> 01:17:02,719

okay

2043

01:17:06,390 --> 01:17:04,640

oh no i can hear you great actually out

2044

01:17:08,709 --> 01:17:06,400

of all these times that you now talked

2045

01:17:11,189 --> 01:17:08,719

on the air you are like coming through

2046

01:17:13,350 --> 01:17:11,199

perfect today like there's no hiccups

2047

01:17:15,750 --> 01:17:13,360

there's no delay or you're not turning

2048

01:17:18,870 --> 01:17:15,760

into a robot so please go right ahead

2049

01:17:21,270 --> 01:17:18,880

you are coming through five five

2050

01:17:24,229 --> 01:17:21,280

oh excellent i've actually figured out

2051

01:17:25,669 --> 01:17:24,239

that uh when i'm just on uh

2052

01:17:27,830 --> 01:17:25,679

on this channel

2053

01:17:29,350 --> 01:17:27,840

and i haven't got the youtube running in

2054

01:17:32,070 --> 01:17:29,360

the background you know the line is much

2055

01:17:35,030 --> 01:17:32,080

clearer it's having both youtube

2056

01:17:37,750 --> 01:17:35,040

on telegraph at the same time okay that

2057

01:17:39,350 --> 01:17:37,760

brings that brings this situation

2058

01:17:41,830 --> 01:17:39,360

oh so yeah it's been eaten up on your

2059

01:17:44,070 --> 01:17:41,840

bandwidth that makes sense

2060

01:17:46,390 --> 01:17:44,080

yes yes that's exactly that not only

2061

01:17:49,110 --> 01:17:46,400

i've got a deal on youtube but it makes

2062

01:17:51,030 --> 01:17:49,120

up a little bit telegram

2063

01:17:52,950 --> 01:17:51,040

right well i know there's a delay on

2064

01:17:55,510 --> 01:17:52,960

telegram but if you just for the sake of

2065

01:17:57,830 --> 01:17:55,520

this conversation if you uh just talk to

2066

01:17:59,750 --> 01:17:57,840

me on telegram then you still hear the

2067

01:18:03,270 --> 01:17:59,760

pertinent information needed you know

2068

01:18:05,510 --> 01:18:03,280

you don't have to watch me also ask you

2069

01:18:07,910 --> 01:18:05,520

yes yes

2070

01:18:10,630 --> 01:18:07,920

and uh i've been gaining uh some

2071

01:18:12,870 --> 01:18:10,640

interesting informations but uh

2072

01:18:15,590 --> 01:18:12,880

and i'm sure i would like to to to uh to

2073

01:18:16,870 --> 01:18:15,600

ask a question to yourself you know i'm

2074

01:18:18,149 --> 01:18:16,880

gonna start with a little bit of a

2075

01:18:21,910 --> 01:18:18,159

scenario

2076

01:18:24,149 --> 01:18:21,920

uh let's imagine that roswell uh

2077

01:18:26,390 --> 01:18:24,159

did not finish the way that it did but

2078

01:18:28,550 --> 01:18:26,400

we did have disclosure

2079

01:18:31,830 --> 01:18:28,560

right but it went through the media

2080

01:18:33,430 --> 01:18:31,840

and ultimately during 70 years

2081

01:18:35,030 --> 01:18:33,440

we evolved

2082

01:18:38,310 --> 01:18:35,040

with the understanding that there is

2083

01:18:40,950 --> 01:18:38,320

life out there but there is a certain

2084

01:18:42,390 --> 01:18:40,960

aspect of life that are just

2085

01:18:44,870 --> 01:18:42,400

just just a revolution on earth

2086

01:18:47,110 --> 01:18:44,880

basically and after seven seventy years

2087

01:18:49,750 --> 01:18:47,120

that's about three generation

2088

01:18:52,149 --> 01:18:49,760

uh we are evolved in such a way that a

2089

01:18:53,669 --> 01:18:52,159

bit more open-minded that we

2090

01:18:55,830 --> 01:18:53,679

sort of

2091

01:18:58,790 --> 01:18:55,840

managed to

2092

01:19:02,149 --> 01:18:58,800

outlaw war have bypassed all this crazy

2093

01:19:05,110 --> 01:19:02,159

situation with food over population

2094

01:19:06,950 --> 01:19:05,120

uh pollution and so forth

2095

01:19:09,990 --> 01:19:06,960

and then all suddenly we discover that

2096

01:19:10,790 --> 01:19:10,000

there is a planet somewhere

2097

01:19:15,590 --> 01:19:10,800

with

2098

01:19:17,430 --> 01:19:15,600

are pretty much humans and we decide to

2099

01:19:20,070 --> 01:19:17,440

go on visits

2100

01:19:23,350 --> 01:19:20,080

all right and when we arrive there we

2101
01:19:26,310 --> 01:19:23,360
sort of look around and we realized that

2102
01:19:28,229 --> 01:19:26,320
roughly 200 million land animals are

2103
01:19:30,790 --> 01:19:28,239
being slaughtered by that

2104
01:19:31,910 --> 01:19:30,800
every day 200 million animals

2105
01:19:32,870 --> 01:19:31,920
beef

2106
01:19:33,990 --> 01:19:32,880
sheep

2107
01:19:37,270 --> 01:19:34,000
chicken

2108
01:19:39,669 --> 01:19:37,280
pigs etc 200 millions every day are

2109
01:19:41,110 --> 01:19:39,679
being slaughtered for food and all

2110
01:19:44,550 --> 01:19:41,120
inclusion

2111
01:19:48,229 --> 01:19:44,560
that means fish etc three billion

2112
01:19:51,430 --> 01:19:48,239
animals are being slaughtered every day

2113
01:19:55,270 --> 01:19:51,440

then we realize that 55 percent of all

2114

01:19:58,470 --> 01:19:55,280

food being grown so crops fresh food etc

2115

01:20:01,270 --> 01:19:58,480

45 percent of that is wasted

2116

01:20:02,870 --> 01:20:01,280

45 of that is not being fed to the

2117

01:20:05,990 --> 01:20:02,880

people in need

2118

01:20:09,430 --> 01:20:06,000

yeah on all that we've got a land

2119

01:20:11,910 --> 01:20:09,440

destruction we've got pollution

2120

01:20:14,390 --> 01:20:11,920

then we realized that uh since the

2121

01:20:18,390 --> 01:20:14,400

the last world war that they had

2122

01:20:21,830 --> 01:20:18,400

right in 70 years more than 100

2123

01:20:24,229 --> 01:20:21,840

million people have died

2124

01:20:25,830 --> 01:20:24,239

in war conflicts

2125

01:20:28,790 --> 01:20:25,840

and instead

2126
01:20:30,310 --> 01:20:28,800
if we stop this military conflict if we

2127
01:20:35,750 --> 01:20:30,320
reinvest

2128
01:20:38,790 --> 01:20:35,760
85 percent of the military budget

2129
01:20:41,110 --> 01:20:38,800
right in less than a year

2130
01:20:43,270 --> 01:20:41,120
anger would be gone

2131
01:20:45,510 --> 01:20:43,280
in less than three years

2132
01:20:47,750 --> 01:20:45,520
the earth problem will be gone most

2133
01:20:50,470 --> 01:20:47,760
diseases will be cured

2134
01:20:54,070 --> 01:20:52,310
we realize also that there are nuclear

2135
01:20:55,990 --> 01:20:54,080
issues

2136
01:20:58,629 --> 01:20:56,000
so i kind of wonder

2137
01:21:01,910 --> 01:20:58,639
if we would feel comfortable to initiate

2138
01:21:06,950 --> 01:21:03,990

that is my question

2139

01:21:10,149 --> 01:21:06,960

i see okay so okay one year we think

2140

01:21:12,229 --> 01:21:10,159

about about fake flags etc you know

2141

01:21:13,990 --> 01:21:12,239

let's have a look at the real flags

2142

01:21:15,350 --> 01:21:14,000

because over five pounds but i've

2143

01:21:17,510 --> 01:21:15,360

mentioned this is exactly what's

2144

01:21:20,629 --> 01:21:17,520

happening on earth right now and we kind

2145

01:21:22,870 --> 01:21:20,639

of wonder how come benevolent aliens

2146

01:21:24,709 --> 01:21:22,880

are a little bit skittish they're not

2147

01:21:28,629 --> 01:21:24,719

very open

2148

01:21:31,750 --> 01:21:28,639

about communication with us

2149

01:21:33,830 --> 01:21:31,760

well um fab are you well i know you have

2150

01:21:36,470 --> 01:21:33,840

a much deeper understanding about uh

2151
01:21:38,470 --> 01:21:36,480
different um aliens contacting us so i

2152
01:21:40,070 --> 01:21:38,480
think you're just mainly talking in

2153
01:21:43,189 --> 01:21:40,080
basic terms so everyone else can

2154
01:21:45,750 --> 01:21:43,199
understand but to to i guess cover the

2155
01:21:47,590 --> 01:21:45,760
first subject first you know generally

2156
01:21:50,470 --> 01:21:47,600
that a lot of them you know already

2157
01:21:52,070 --> 01:21:50,480
understand why we do the things we do

2158
01:21:54,070 --> 01:21:52,080
you know a lot of the good ones they

2159
01:21:54,950 --> 01:21:54,080
understand the the

2160
01:21:58,390 --> 01:21:54,960
the

2161
01:22:01,189 --> 01:21:58,400
whole basis basic premise of behind our

2162
01:22:02,709 --> 01:22:01,199
living right so for example like um just

2163
01:22:03,910 --> 01:22:02,719

to give us a reference to people that

2164

01:22:05,510 --> 01:22:03,920

they can actually go and look up

2165

01:22:07,590 --> 01:22:05,520

themselves instead of just taking my

2166

01:22:09,510 --> 01:22:07,600

word for it um

2167

01:22:11,990 --> 01:22:09,520

as you know you know bashar that's being

2168

01:22:12,950 --> 01:22:12,000

channeled by daryl inca

2169

01:22:15,189 --> 01:22:12,960

yes

2170

01:22:17,350 --> 01:22:15,199

so a lot of people that you know are

2171

01:22:19,030 --> 01:22:17,360

into the new age community they're very

2172

01:22:21,430 --> 01:22:19,040

conscious about what they eat because

2173

01:22:23,590 --> 01:22:21,440

they realize it's also another life that

2174

01:22:26,070 --> 01:22:23,600

they're taking in that it has to end its

2175

01:22:29,590 --> 01:22:26,080

life in order for for you to live

2176

01:22:31,910 --> 01:22:29,600

you know and it was a very simple

2177

01:22:34,229 --> 01:22:31,920

um yet in a very

2178

01:22:36,550 --> 01:22:34,239

it was very well answered i think but

2179

01:22:38,229 --> 01:22:36,560

without making it so negative you know

2180

01:22:39,910 --> 01:22:38,239

people there was a person went up there

2181

01:22:41,750 --> 01:22:39,920

and says bashar

2182

01:22:49,110 --> 01:22:41,760

um

2183

01:22:54,070 --> 01:22:49,120

uh why do we have to you know eat other

2184

01:22:55,750 --> 01:22:54,080

other beings or other other animals um

2185

01:22:57,189 --> 01:22:55,760

you know to kind of sustain ourselves

2186

01:22:59,750 --> 01:22:57,199

you know and and then he just simply

2187

01:23:01,750 --> 01:22:59,760

asked well to live

2188

01:23:04,229 --> 01:23:01,760

you know and

2189

01:23:06,390 --> 01:23:04,239

and so then the question was

2190

01:23:07,910 --> 01:23:06,400

about well they're they're beings that

2191

01:23:10,070 --> 01:23:07,920

this that that you know it's uh the

2192

01:23:13,910 --> 01:23:10,080

basic premise of why most people turn

2193

01:23:16,950 --> 01:23:13,920

vegan or vegetarian and whatnot and um

2194

01:23:19,110 --> 01:23:16,960

it's quite quite simply explained um and

2195

01:23:20,629 --> 01:23:19,120

i'm not saying that this should explain

2196

01:23:22,470 --> 01:23:20,639

away everything

2197

01:23:24,390 --> 01:23:22,480

but if you are going to be spiritual if

2198

01:23:26,310 --> 01:23:24,400

you are wanting to

2199

01:23:27,590 --> 01:23:26,320

um you know incorporate everything you

2200

01:23:28,870 --> 01:23:27,600

know he said something that i never

2201

01:23:30,950 --> 01:23:28,880

really personally had thought about

2202

01:23:33,510 --> 01:23:30,960

either he says well why are you only

2203

01:23:36,870 --> 01:23:33,520

picking on plants

2204

01:23:38,709 --> 01:23:36,880

if you go vegan-based or plant-based

2205

01:23:42,149 --> 01:23:38,719

you know plants are also part of that

2206

01:23:44,149 --> 01:23:42,159

energy that you know i have awareness

2207

01:23:45,590 --> 01:23:44,159

for those that understand this and to

2208

01:23:48,229 --> 01:23:45,600

ignore me that's probably going to sound

2209

01:23:50,709 --> 01:23:48,239

absolutely nuts me saying this but the

2210

01:23:53,110 --> 01:23:50,719

whole point is that you know there's

2211

01:23:54,870 --> 01:23:53,120

absolutely nothing on the planet that

2212

01:23:57,830 --> 01:23:54,880

you can do

2213

01:23:59,990 --> 01:23:57,840

without it needing or have you know it

2214

01:24:01,430 --> 01:24:00,000

being harmed in order for you to sustain

2215

01:24:03,510 --> 01:24:01,440

your own life

2216

01:24:05,430 --> 01:24:03,520

the whole premise and the understanding

2217

01:24:07,990 --> 01:24:05,440

is that they

2218

01:24:09,350 --> 01:24:08,000

understand that at one point or another

2219

01:24:12,950 --> 01:24:09,360

they will be

2220

01:24:15,669 --> 01:24:12,960

slaughtered for be meat on a plate or a

2221

01:24:17,910 --> 01:24:15,679

salad on on a place and all these other

2222

01:24:20,149 --> 01:24:17,920

things so that there is a

2223

01:24:22,390 --> 01:24:20,159

universal understanding so for example

2224

01:24:23,669 --> 01:24:22,400

he was saying some of the most advanced

2225

01:24:25,270 --> 01:24:23,679

spiritually

2226

01:24:26,470 --> 01:24:25,280

societies on our planet are the

2227

01:24:29,430 --> 01:24:26,480

indigenous

2228

01:24:31,750 --> 01:24:29,440

and and they heavily eat meat

2229

01:24:33,830 --> 01:24:31,760

you know because in through hunting it

2230

01:24:35,990 --> 01:24:33,840

doesn't mean that they're evil you know

2231

01:24:38,149 --> 01:24:36,000

it's just they understand this flow of

2232

01:24:40,390 --> 01:24:38,159

life and the things that they that they

2233

01:24:42,709 --> 01:24:40,400

hunt that they understand that that

2234

01:24:44,870 --> 01:24:42,719

would help them get stronger you know

2235

01:24:46,629 --> 01:24:44,880

those to survive get stronger and get to

2236

01:24:49,030 --> 01:24:46,639

genetically you know

2237

01:24:50,790 --> 01:24:49,040

procreate you know and you know

2238

01:24:52,629 --> 01:24:50,800

send their genetic material off to the

2239

01:24:55,510 --> 01:24:52,639

next generation making it stronger and

2240

01:24:58,229 --> 01:24:55,520

stronger so they are in a way

2241

01:25:00,149 --> 01:24:58,239

um by needing to sustain themselves or

2242

01:25:02,870 --> 01:25:00,159

killing off the weaker parts of the

2243

01:25:04,950 --> 01:25:02,880

weakest weakest link in that herd or

2244

01:25:08,070 --> 01:25:04,960

whatnot and so that there's this

2245

01:25:10,310 --> 01:25:08,080

symbiotic circle that that basically is

2246

01:25:11,669 --> 01:25:10,320

constantly at work and functioning

2247

01:25:13,110 --> 01:25:11,679

because um

2248

01:25:14,790 --> 01:25:13,120

you know

2249

01:25:17,430 --> 01:25:14,800

to to answer your question about would

2250

01:25:19,590 --> 01:25:17,440

you you know would we make contact

2251
01:25:21,510 --> 01:25:19,600
i mean we've already made contact yes

2252
01:25:23,270 --> 01:25:21,520
you know that you've had experiences you

2253
01:25:26,310 --> 01:25:23,280
told me about it you shared plenty of

2254
01:25:29,350 --> 01:25:26,320
them you know with us here on online you

2255
01:25:32,149 --> 01:25:29,360
know it's just a matter of us coming to

2256
01:25:33,910 --> 01:25:32,159
terms on our own of what it is what

2257
01:25:36,070 --> 01:25:33,920
we're doing why we're doing it and being

2258
01:25:38,470 --> 01:25:36,080
okay with it you know to because right

2259
01:25:40,629 --> 01:25:38,480
now a lot of us are very

2260
01:25:43,270 --> 01:25:40,639
we're very unconscious eaters

2261
01:25:45,189 --> 01:25:43,280
you know we just um we just

2262
01:25:47,830 --> 01:25:45,199
just kind of consume consume consume

2263
01:25:50,070 --> 01:25:47,840

without really thinking very much about

2264

01:25:52,790 --> 01:25:50,080

a source of something we just go oh this

2265

01:25:57,510 --> 01:25:52,800

feels good this tastes good uh let's um

2266

01:25:59,590 --> 01:25:57,520

you know um let's let's just kind of um

2267

01:26:02,070 --> 01:25:59,600

you know basically

2268

01:26:03,510 --> 01:26:02,080

um eat this or whatever we might stop

2269

01:26:05,189 --> 01:26:03,520

and say oh this tastes good what is it

2270

01:26:07,189 --> 01:26:05,199

oh it's that oh great let me have some

2271

01:26:08,709 --> 01:26:07,199

more of that right but we don't we don't

2272

01:26:10,629 --> 01:26:08,719

consciously

2273

01:26:12,870 --> 01:26:10,639

think about okay where did this come

2274

01:26:14,709 --> 01:26:12,880

from what kind of energy is this that

2275

01:26:17,910 --> 01:26:14,719

i'm taking in you know all they

2276

01:26:20,229 --> 01:26:17,920

generally do is just take it in um they

2277

01:26:22,790 --> 01:26:20,239

feel full or not full have some more and

2278

01:26:23,910 --> 01:26:22,800

then move on and so

2279

01:26:25,110 --> 01:26:23,920

i think

2280

01:26:31,270 --> 01:26:25,120

by

2281

01:26:34,709 --> 01:26:31,280

and regarding our food where it comes

2282

01:26:37,510 --> 01:26:34,719

from we will strike more of a balanced

2283

01:26:40,709 --> 01:26:37,520

um of a balanced

2284

01:26:42,550 --> 01:26:40,719

cycle because look at how long the

2285

01:26:44,470 --> 01:26:42,560

because if you don't see tribes for

2286

01:26:46,550 --> 01:26:44,480

example when they go hunt they don't go

2287

01:26:50,629 --> 01:26:46,560

and exterminate the entire herd of let's

2288

01:26:53,110 --> 01:26:50,639

say elk or or bison or deer you know

2289

01:26:55,030 --> 01:26:53,120

they only take as much as they need are

2290

01:26:57,350 --> 01:26:55,040

grateful for what they for what they get

2291

01:26:59,590 --> 01:26:57,360

and then they nourish themselves you

2292

01:27:01,830 --> 01:26:59,600

know and sustain themselves in that way

2293

01:27:03,669 --> 01:27:01,840

while the rest of the herd can continue

2294

01:27:04,550 --> 01:27:03,679

to procreate and build bigger and

2295

01:27:06,229 --> 01:27:04,560

stronger

2296

01:27:08,709 --> 01:27:06,239

you know and so

2297

01:27:10,870 --> 01:27:08,719

um there's this again the symbiotic

2298

01:27:13,350 --> 01:27:10,880

circle that's that's being built upon

2299

01:27:15,189 --> 01:27:13,360

that understanding and i think by just

2300

01:27:17,350 --> 01:27:15,199

us living more of these modern lives we

2301

01:27:19,750 --> 01:27:17,360

kind of disconnected ourselves from that

2302

01:27:21,110 --> 01:27:19,760

you know to where we just go to stores

2303

01:27:23,430 --> 01:27:21,120

you know and and

2304

01:27:24,790 --> 01:27:23,440

it reminds me of uh of an article this

2305

01:27:25,990 --> 01:27:24,800

was an actual

2306

01:27:32,629 --> 01:27:26,000

um

2307

01:27:34,709 --> 01:27:32,639

live right and this was

2308

01:27:36,709 --> 01:27:34,719

there was an article in a radio show

2309

01:27:38,310 --> 01:27:36,719

similar but not quite the same but kind

2310

01:27:40,790 --> 01:27:38,320

of gives you the idea of mindset of

2311

01:27:43,110 --> 01:27:40,800

people right they called in and they

2312

01:27:45,030 --> 01:27:43,120

were complaining that

2313

01:27:47,270 --> 01:27:45,040

the government or the the people are in

2314

01:27:49,750 --> 01:27:47,280

charge of this one particular road at

2315

01:27:51,910 --> 01:27:49,760

this particular place that they had put

2316

01:27:55,030 --> 01:27:51,920

up a deer crossing sign

2317

01:27:58,310 --> 01:27:55,040

at that at that uh spot and there's so

2318

01:28:00,229 --> 01:27:58,320

many deer are being killed there because

2319

01:28:02,310 --> 01:28:00,239

they put that deer crossing side spot

2320

01:28:04,470 --> 01:28:02,320

there if they would only take that sign

2321

01:28:06,070 --> 01:28:04,480

and move it down you know a little bit

2322

01:28:07,590 --> 01:28:06,080

where it's a bit safer then they can

2323

01:28:10,310 --> 01:28:07,600

cross there

2324

01:28:13,110 --> 01:28:10,320

and this person was dead serious

2325

01:28:15,189 --> 01:28:13,120

you know because they thought that

2326

01:28:17,430 --> 01:28:15,199

because of where the sign was put and

2327

01:28:19,189 --> 01:28:17,440

this was not a joke you know they were

2328

01:28:20,790 --> 01:28:19,199

genuinely serious that because of where

2329

01:28:22,790 --> 01:28:20,800

the government has put the sign the

2330

01:28:25,990 --> 01:28:22,800

animals are crossing it and getting

2331

01:28:28,390 --> 01:28:26,000

killed instead of realizing that

2332

01:28:31,750 --> 01:28:28,400

wand animals don't have a freaking clue

2333

01:28:33,510 --> 01:28:31,760

you know and they basically you know

2334

01:28:35,590 --> 01:28:33,520

that's why they put it up there for

2335

01:28:37,830 --> 01:28:35,600

inform us as humans say hey watch out

2336

01:28:39,110 --> 01:28:37,840

there's you know a larger amount than

2337

01:28:40,550 --> 01:28:39,120

usual of deer they're going to be

2338

01:28:42,709 --> 01:28:40,560

crossing the drive carefully when

2339

01:28:44,790 --> 01:28:42,719

driving through so that's a mindset i'm

2340

01:28:45,830 --> 01:28:44,800

talking about about some people because

2341

01:28:48,390 --> 01:28:45,840

somehow

2342

01:28:51,669 --> 01:28:48,400

instead of us you know

2343

01:28:55,030 --> 01:28:51,679

uh basically calling ourselves by you

2344

01:28:57,350 --> 01:28:55,040

know by the the weakest basically being

2345

01:28:59,750 --> 01:28:57,360

killed off a diet dying off like before

2346

01:29:01,510 --> 01:28:59,760

we just basically are procreating every

2347

01:29:04,070 --> 01:29:01,520

version of ourselves to where we have

2348

01:29:06,870 --> 01:29:04,080

logical you know deep thinkers of our

2349

01:29:08,870 --> 01:29:06,880

time that come up with like that

2350

01:29:13,110 --> 01:29:08,880

there's another one that

2351

01:29:14,470 --> 01:29:13,120

an article was posted about um

2352

01:29:16,709 --> 01:29:14,480

they were they were basically

2353

01:29:19,110 --> 01:29:16,719

complaining right they were complaining

2354

01:29:19,830 --> 01:29:19,120

and they were writing to this newspaper

2355

01:29:22,310 --> 01:29:19,840

to

2356

01:29:24,550 --> 01:29:22,320

let all these hunters that are hunting

2357

01:29:26,950 --> 01:29:24,560

the deer to let them know how horrible

2358

01:29:28,709 --> 01:29:26,960

they were and for hunting deer you know

2359

01:29:30,629 --> 01:29:28,719

and that they should just go to the

2360

01:29:33,990 --> 01:29:30,639

store and buy the meat from the store

2361

01:29:36,629 --> 01:29:34,000

where no animals are harmed

2362

01:29:38,790 --> 01:29:36,639

you know and so that's the kind of stuff

2363

01:29:39,910 --> 01:29:38,800

i'm talking about i mean we go from you

2364

01:29:41,430 --> 01:29:39,920

know

2365

01:29:43,350 --> 01:29:41,440

never mind having a logical

2366

01:29:44,550 --> 01:29:43,360

understanding but what kind of person

2367

01:29:48,149 --> 01:29:44,560

must you be

2368

01:29:50,390 --> 01:29:48,159

to spout that out loud and be serious

2369

01:29:53,590 --> 01:29:50,400

about it and expect someone else to take

2370

01:29:55,430 --> 01:29:53,600

you seriously back

2371

01:29:58,149 --> 01:29:55,440

yes of course there are a lot of

2372

01:30:00,790 --> 01:29:58,159

situations that we need a sense of humor

2373

01:30:03,990 --> 01:30:00,800

to uh to actually make sense out of it

2374

01:30:05,590 --> 01:30:04,000

and manage to to trim and sign

2375

01:30:07,510 --> 01:30:05,600

you know and and what you were saying of

2376

01:30:09,590 --> 01:30:07,520

course you know is it's all right you

2377

01:30:12,149 --> 01:30:09,600

know there is uh there is a need for

2378

01:30:14,709 --> 01:30:12,159

survival i mean you know we are in a

2379

01:30:17,430 --> 01:30:14,719

in a situation that uh

2380

01:30:19,990 --> 01:30:17,440

life needs to to end to to carry on

2381

01:30:21,990 --> 01:30:20,000

somewhere but you know in all the facts

2382

01:30:23,910 --> 01:30:22,000

but i mentioned you know there is so

2383

01:30:26,550 --> 01:30:23,920

much waste

2384

01:30:27,350 --> 01:30:26,560

this is this is what is very surprising

2385

01:30:29,669 --> 01:30:27,360

okay

2386

01:30:32,070 --> 01:30:29,679

like you mentioned you know you

2387

01:30:35,350 --> 01:30:32,080

you need to go on and kill a buffalo

2388

01:30:36,790 --> 01:30:35,360

because you you your tribe needs

2389

01:30:39,830 --> 01:30:36,800

needs met i mean it's totally

2390

01:30:43,830 --> 01:30:39,840

understandable but you're not going to

2391

01:30:45,350 --> 01:30:43,840

wipe out the whole heard of it or

2392

01:30:46,950 --> 01:30:45,360

all this sort of thing obviously this

2393

01:30:48,390 --> 01:30:46,960

does not make sense you know and when i

2394

01:30:49,910 --> 01:30:48,400

mentioned that 200

2395

01:30:52,790 --> 01:30:49,920

land animal

2396

01:30:55,189 --> 01:30:52,800

are being slaughtered you know per day

2397

01:30:57,750 --> 01:30:55,199

there is countless millions that is

2398

01:30:59,510 --> 01:30:57,760

being wasted but doesn't even get to a

2399

01:31:02,310 --> 01:30:59,520

plate you know that's

2400

01:31:04,870 --> 01:31:02,320

something is not quite right here uh

2401
01:31:06,790 --> 01:31:04,880
when only 55 percent of the crop you

2402
01:31:07,750 --> 01:31:06,800
know is being eaten you know the rest is

2403
01:31:09,830 --> 01:31:07,760
being

2404
01:31:11,750 --> 01:31:09,840
either thrown away or

2405
01:31:13,510 --> 01:31:11,760
reduced to to to feed the animal

2406
01:31:17,110 --> 01:31:13,520
something is not quite right here yeah

2407
01:31:21,910 --> 01:31:19,510
something is not quite right you see and

2408
01:31:23,990 --> 01:31:21,920
and the reason i mentioned all that

2409
01:31:26,229 --> 01:31:24,000
uh you know the idea behind the idea

2410
01:31:28,310 --> 01:31:26,239
that that was used to

2411
01:31:29,030 --> 01:31:28,320
enunciate the

2412
01:31:32,550 --> 01:31:29,040
the

2413
01:31:34,390 --> 01:31:32,560

uh i think

2414

01:31:35,990 --> 01:31:34,400

and i really believe you know i'm pretty

2415

01:31:39,350 --> 01:31:36,000

sure that too

2416

01:31:41,270 --> 01:31:39,360

uh that if we kind of

2417

01:31:43,590 --> 01:31:41,280

looked at those issue a bit more

2418

01:31:44,550 --> 01:31:43,600

seriously you know a lot more seriously

2419

01:31:46,950 --> 01:31:44,560

and and

2420

01:31:49,510 --> 01:31:46,960

and not so much focus on the fake flag

2421

01:31:51,910 --> 01:31:49,520

you know and because what i'm saying was

2422

01:31:54,550 --> 01:31:51,920

a real flag real real flags

2423

01:31:56,629 --> 01:31:54,560

and if if we look in it was first aspect

2424

01:31:59,830 --> 01:31:56,639

that i mentioned

2425

01:32:02,229 --> 01:31:59,840

on on a personal level not to become

2426

01:32:04,390 --> 01:32:02,239

activists or all suddenly you know

2427

01:32:06,870 --> 01:32:04,400

become vegan or

2428

01:32:09,030 --> 01:32:06,880

or join some some crazy group you know

2429

01:32:11,270 --> 01:32:09,040

over a pro war against war and all this

2430

01:32:15,830 --> 01:32:11,280

sort of thing just just being

2431

01:32:21,270 --> 01:32:18,470

about it right it seems to me that on

2432

01:32:24,229 --> 01:32:21,280

the personal level all right

2433

01:32:27,270 --> 01:32:24,239

the quality of the contacts that we are

2434

01:32:30,229 --> 01:32:27,280

getting with from our space neighbors

2435

01:32:32,790 --> 01:32:30,239

the quality of the contact that

2436

01:32:35,590 --> 01:32:32,800

the companies would be having would

2437

01:32:37,350 --> 01:32:35,600

definitely improve

2438

01:32:41,030 --> 01:32:37,360

all right do you know where i'm coming

2439

01:32:42,070 --> 01:32:41,040

from yeah am i making any sense

2440

01:32:46,870 --> 01:32:42,080

right

2441

01:32:48,470 --> 01:32:46,880

with the ebs

2442

01:32:51,750 --> 01:32:48,480

it would definitely

2443

01:32:55,030 --> 01:32:51,760

increase on the positive connotation

2444

01:32:56,870 --> 01:32:55,040

that would be available

2445

01:33:00,149 --> 01:32:56,880

right no i get it i understand where you

2446

01:33:05,270 --> 01:33:02,629

so here of you know here are five

2447

01:33:08,629 --> 01:33:05,280

aspects that i think we can

2448

01:33:11,270 --> 01:33:08,639

think upon we can meditate upon we can

2449

01:33:13,750 --> 01:33:11,280

pray pray upon i mean it doesn't really

2450

01:33:17,430 --> 01:33:13,760

take much you know to to help we can

2451

01:33:20,470 --> 01:33:17,440

talk about it in a positive way uh

2452

01:33:23,590 --> 01:33:20,480

go go and see somebody that comes from a

2453

01:33:25,189 --> 01:33:23,600

war area and talk to them you know

2454

01:33:25,990 --> 01:33:25,199

normal person

2455

01:33:34,950 --> 01:33:26,000

uh

2456

01:33:38,149 --> 01:33:34,960

etc and i think this will develop within

2457

01:33:41,590 --> 01:33:38,159

the subconscious and the upper concert a

2458

01:33:44,550 --> 01:33:41,600

a better fertile ground

2459

01:33:47,910 --> 01:33:44,560

for the ebes for the so-called alien

2460

01:33:51,590 --> 01:33:47,920

so-called so-called aliens to interact

2461

01:33:52,629 --> 01:33:51,600

with us i am so so sure that social sure

2462

01:33:53,590 --> 01:33:52,639

that

2463

01:33:55,350 --> 01:33:53,600

personally

2464

01:33:57,750 --> 01:33:55,360

and i have found out when i am a bit

2465

01:33:58,629 --> 01:33:57,760

more involved with the issues what i've

2466

01:34:00,870 --> 01:33:58,639

been

2467

01:34:03,510 --> 01:34:00,880

talking to you about right the

2468

01:34:06,149 --> 01:34:03,520

interaction with the eb seems to be on a

2469

01:34:08,950 --> 01:34:06,159

much more um

2470

01:34:10,870 --> 01:34:08,960

positive way right i can gain something

2471

01:34:13,270 --> 01:34:10,880

out of it there's something i can take

2472

01:34:16,070 --> 01:34:13,280

from that you know and built within my

2473

01:34:18,470 --> 01:34:16,080

life and share with others which is

2474

01:34:21,110 --> 01:34:18,480

really positive right and it's positive

2475

01:34:22,470 --> 01:34:21,120

for me as well i don't feel care etc

2476

01:34:23,510 --> 01:34:22,480

when i am more

2477

01:34:25,350 --> 01:34:23,520

uh

2478

01:34:27,590 --> 01:34:25,360

in tune with the fake flags with the

2479

01:34:30,629 --> 01:34:27,600

so-called conspiracy the government is

2480

01:34:33,350 --> 01:34:30,639

this the government is vat etc well the

2481

01:34:34,950 --> 01:34:33,360

interaction they tend to be uh

2482

01:34:38,870 --> 01:34:34,960

not so positive

2483

01:34:41,350 --> 01:34:38,880

mentioned it that's why i'm mentioning

2484

01:34:42,470 --> 01:34:41,360

all this right because my my time is

2485

01:34:44,950 --> 01:34:42,480

short you know i'll tell you you know

2486

01:34:46,550 --> 01:34:44,960

i'm actually quite a sick person so

2487

01:34:47,750 --> 01:34:46,560

every day when i wake up you know it's a

2488

01:34:50,070 --> 01:34:47,760

winning battle

2489

01:34:54,629 --> 01:34:52,470

define that sick meaning physically make

2490

01:34:56,390 --> 01:34:54,639

sure you tell me because you might know

2491

01:34:58,390 --> 01:34:56,400

this by an american when you say i'm a

2492

01:34:59,590 --> 01:34:58,400

sick person it means also some mental

2493

01:35:01,189 --> 01:34:59,600

disorder

2494

01:35:03,030 --> 01:35:01,199

no i mean it's like you you're a very

2495

01:35:05,590 --> 01:35:03,040

good person but you have physical

2496

01:35:07,510 --> 01:35:05,600

obstructions

2497

01:35:09,750 --> 01:35:07,520

i'm sure you found i am a bit local as

2498

01:35:12,550 --> 01:35:09,760

well i mean you cannot you kind of look

2499

01:35:14,950 --> 01:35:12,560

in this situation on on remain sign you

2500

01:35:17,590 --> 01:35:14,960

know it's you you have to be crazy not

2501

01:35:19,510 --> 01:35:17,600

not to become crazy

2502

01:35:21,590 --> 01:35:19,520

well fab let me let me

2503

01:35:24,070 --> 01:35:21,600

let me just uh expound on some things

2504

01:35:27,109 --> 01:35:24,080

just before before we move on so

2505

01:35:29,910 --> 01:35:27,119

real quick rajesh uh was asking i don't

2506

01:35:32,470 --> 01:35:29,920

know how to call in um if you can see on

2507

01:35:34,550 --> 01:35:32,480

on the screen there's the link also in

2508

01:35:36,229 --> 01:35:34,560

the description below if you download

2509

01:35:39,270 --> 01:35:36,239

the telegram app on your computer or

2510

01:35:41,510 --> 01:35:39,280

your phone you can set that up

2511

01:35:43,510 --> 01:35:41,520

and then using using that link you can

2512

01:35:45,590 --> 01:35:43,520

join the yofohub group and you'll see

2513

01:35:48,070 --> 01:35:45,600

this voice chat going on in there right

2514

01:35:50,149 --> 01:35:48,080

now and then you can uh join and call in

2515

01:35:52,470 --> 01:35:50,159

and chat that way i just wanted to

2516

01:35:55,350 --> 01:35:52,480

address that real quick that was for

2517

01:35:57,510 --> 01:35:55,360

rajesh uh what i wanted to tell you too

2518

01:36:00,629 --> 01:35:57,520

fab what's what's what's

2519

01:36:02,229 --> 01:36:00,639

something that wasn't apparent to me

2520

01:36:04,550 --> 01:36:02,239

people like yourself and most of us

2521

01:36:07,189 --> 01:36:04,560

watching this you know we we want

2522

01:36:09,109 --> 01:36:07,199

solutions to problems we want to help we

2523

01:36:12,550 --> 01:36:09,119

want to be part of a solution and not

2524

01:36:15,750 --> 01:36:12,560

the problem what i've discovered um over

2525

01:36:18,070 --> 01:36:15,760

the years is that not enough people

2526

01:36:20,310 --> 01:36:18,080

are actually thinking in those terms

2527

01:36:22,470 --> 01:36:20,320

right a lot of them only think about

2528

01:36:24,870 --> 01:36:22,480

what is it what is it that they have to

2529

01:36:27,350 --> 01:36:24,880

do that they can do to improve their

2530

01:36:29,830 --> 01:36:27,360

life while they're in that instant and

2531

01:36:33,189 --> 01:36:29,840

they don't think about anything anything

2532

01:36:35,030 --> 01:36:33,199

more right so for example um

2533

01:36:38,070 --> 01:36:35,040

uh

2534

01:36:40,229 --> 01:36:38,080

just a very simple concept of trash

2535

01:36:42,229 --> 01:36:40,239

sometimes it absolutely drives me off

2536

01:36:43,669 --> 01:36:42,239

the wall when i s when i'm driving down

2537

01:36:45,910 --> 01:36:43,679

even some of the country roads here

2538

01:36:48,070 --> 01:36:45,920

where i live the like mcdonald's bag or

2539

01:36:50,070 --> 01:36:48,080

other trash and it just makes me think

2540

01:36:51,270 --> 01:36:50,080

these were people of age that are

2541

01:36:52,550 --> 01:36:51,280

driving

2542

01:36:54,390 --> 01:36:52,560

that thought

2543

01:36:56,149 --> 01:36:54,400

that oh i'll just take the trash and

2544

01:36:58,149 --> 01:36:56,159

throw it out the window right at

2545

01:37:00,550 --> 01:36:58,159

whatever point they happen to do that

2546

01:37:02,550 --> 01:37:00,560

you know it's like that is uh just a

2547

01:37:04,950 --> 01:37:02,560

beginning of some of the few things that

2548

01:37:07,189 --> 01:37:04,960

are unfathomable so now imagine all the

2549

01:37:09,430 --> 01:37:07,199

other things that people don't consider

2550

01:37:11,270 --> 01:37:09,440

right when they go to a store to buy

2551

01:37:13,430 --> 01:37:11,280

stuff you know that they realize well

2552

01:37:15,750 --> 01:37:13,440

only the best of the best of the things

2553

01:37:17,590 --> 01:37:15,760

are being sold to you whereas in all the

2554

01:37:19,510 --> 01:37:17,600

deformed vegetables and all that never

2555

01:37:21,750 --> 01:37:19,520

even made it to the market now there are

2556

01:37:23,510 --> 01:37:21,760

some companies they start selling those

2557

01:37:26,070 --> 01:37:23,520

you know they kind of look weird whether

2558

01:37:28,229 --> 01:37:26,080

you buy tomatoes or or carrots or

2559

01:37:29,830 --> 01:37:28,239

whatever you know they don't look like

2560

01:37:31,350 --> 01:37:29,840

you usually find in the store but

2561

01:37:34,310 --> 01:37:31,360

there's nothing wrong with them other

2562

01:37:35,669 --> 01:37:34,320

than those deformities you know and so

2563

01:37:37,510 --> 01:37:35,679

people have

2564

01:37:39,669 --> 01:37:37,520

using that same mindset as all of us

2565

01:37:42,390 --> 01:37:39,679

have say hey there's a problem let me

2566

01:37:43,750 --> 01:37:42,400

come up with the solution now it has to

2567

01:37:45,910 --> 01:37:43,760

start somewhere

2568

01:37:49,270 --> 01:37:45,920

the fact that we don't have a 100

2569

01:37:52,070 --> 01:37:49,280

percent recyclable way to okay this food

2570

01:37:54,550 --> 01:37:52,080

was grown what it's not being sold as

2571

01:37:56,550 --> 01:37:54,560

the official premium food

2572

01:37:58,790 --> 01:37:56,560

set that aside to give to the homeless

2573

01:38:01,270 --> 01:37:58,800

or give away or sell a lesser price or

2574

01:38:04,470 --> 01:38:01,280

whatever you know but the whole point is

2575

01:38:05,270 --> 01:38:04,480

is just very much that mindset is

2576

01:38:07,669 --> 01:38:05,280

not

2577

01:38:10,470 --> 01:38:07,679

basically being aware

2578

01:38:13,350 --> 01:38:10,480

to want to become a solution

2579

01:38:15,430 --> 01:38:13,360

you know to basically whatever you do to

2580

01:38:17,669 --> 01:38:15,440

pick up trash if you see it on your own

2581

01:38:19,910 --> 01:38:17,679

even though you didn't throw it down you

2582

01:38:22,229 --> 01:38:19,920

know teach your children to do the same

2583

01:38:24,149 --> 01:38:22,239

uh you know to be polite when you're in

2584

01:38:26,709 --> 01:38:24,159

public in a certain in a certain way

2585

01:38:29,430 --> 01:38:26,719

that's kind of fading very drastically

2586

01:38:31,510 --> 01:38:29,440

you know to where um you know i see a

2587

01:38:33,750 --> 01:38:31,520

lot of you know my older kid and all of

2588

01:38:35,669 --> 01:38:33,760

it all this different friends and i said

2589

01:38:37,510 --> 01:38:35,679

um i hope you're not picking up some of

2590

01:38:39,109 --> 01:38:37,520

those you know some of the way they're

2591

01:38:40,550 --> 01:38:39,119

acting it's like oh no that i know

2592

01:38:42,070 --> 01:38:40,560

different you know and that makes me

2593

01:38:43,590 --> 01:38:42,080

happy with that the fact that he knows

2594

01:38:45,109 --> 01:38:43,600

that you know because some of his

2595

01:38:47,270 --> 01:38:45,119

friends they just walk in and they all

2596

01:38:49,669 --> 01:38:47,280

go to their room i call them back out i

2597

01:38:51,430 --> 01:38:49,679

said hey boys how's it going you know

2598

01:38:53,109 --> 01:38:51,440

it's like you guys having a good day and

2599

01:38:55,270 --> 01:38:53,119

it's like you know oh yeah everything's

2600

01:38:58,310 --> 01:38:55,280

fine it's like did you guys not see me

2601
01:39:01,590 --> 01:38:58,320
sitting here you know um and under like

2602
01:39:03,430 --> 01:39:01,600
oh hey oh hi you know and so i was like

2603
01:39:05,590 --> 01:39:03,440
boy i wonder who's teaching you guys his

2604
01:39:07,270 --> 01:39:05,600
manners you know and so then they leave

2605
01:39:09,350 --> 01:39:07,280
and i have to explain to my son you know

2606
01:39:10,629 --> 01:39:09,360
it's like okay

2607
01:39:11,350 --> 01:39:10,639
these are the people you're hanging out

2608
01:39:13,750 --> 01:39:11,360
with

2609
01:39:16,310 --> 01:39:13,760
in our family and the way we live this

2610
01:39:18,310 --> 01:39:16,320
is not acceptable you know you come or

2611
01:39:20,310 --> 01:39:18,320
enter somebody's house you greet them

2612
01:39:22,310 --> 01:39:20,320
you be polite you know you've kind of

2613
01:39:25,109 --> 01:39:22,320

followed the house rules because that's

2614

01:39:27,510 --> 01:39:25,119

what a respectful you know guest you

2615

01:39:29,590 --> 01:39:27,520

know does and as a host there's certain

2616

01:39:31,189 --> 01:39:29,600

things the host has to do anyway what

2617

01:39:33,910 --> 01:39:31,199

i'm trying to get at there's these

2618

01:39:35,430 --> 01:39:33,920

certain basic things that are just so

2619

01:39:37,669 --> 01:39:35,440

almost forgotten even from my own

2620

01:39:39,430 --> 01:39:37,679

generation it's like why are you not

2621

01:39:41,590 --> 01:39:39,440

teaching these kids you know from the

2622

01:39:44,390 --> 01:39:41,600

most basic things because if it starts

2623

01:39:46,070 --> 01:39:44,400

on a basic level to be polite to each

2624

01:39:48,709 --> 01:39:46,080

other for example when when we lived in

2625

01:39:50,390 --> 01:39:48,719

germany they would always teach us about

2626

01:39:52,310 --> 01:39:50,400

you know somebody enters the room they

2627

01:39:54,310 --> 01:39:52,320

say you know you know

2628

01:39:57,030 --> 01:39:54,320

guten appetit which means you know like

2629

01:39:59,430 --> 01:39:57,040

what is it in french bon appetit

2630

01:40:01,430 --> 01:39:59,440

you know and then yeah and then you

2631

01:40:03,109 --> 01:40:01,440

answer and and you know and to you know

2632

01:40:05,430 --> 01:40:03,119

politely answer and say thank you you

2633

01:40:07,350 --> 01:40:05,440

know i hope you have a good meal too or

2634

01:40:10,550 --> 01:40:07,360

whatever you know but the point here is

2635

01:40:12,390 --> 01:40:10,560

that the basic things of being polite in

2636

01:40:14,070 --> 01:40:12,400

germany they have entire classes that

2637

01:40:15,590 --> 01:40:14,080

they you know kind of the teacher

2638

01:40:17,350 --> 01:40:15,600

teaches she's like if you want to go and

2639

01:40:19,910 --> 01:40:17,360

ask somebody a question this is how you

2640

01:40:21,510 --> 01:40:19,920

approach and i've never in my entire

2641

01:40:23,590 --> 01:40:21,520

time that i lived here have seen this so

2642

01:40:25,830 --> 01:40:23,600

the only thing i could do is go talk to

2643

01:40:27,990 --> 01:40:25,840

my son so whenever he has to go do

2644

01:40:30,070 --> 01:40:28,000

something i said okay how do you ask and

2645

01:40:31,750 --> 01:40:30,080

he has to be like you know excuse me sir

2646

01:40:33,270 --> 01:40:31,760

i'm sorry to bother you you know i would

2647

01:40:35,510 --> 01:40:33,280

like to ask you a question blah blah

2648

01:40:37,510 --> 01:40:35,520

blah or something else being very polite

2649

01:40:39,830 --> 01:40:37,520

because not only does that build build

2650

01:40:40,790 --> 01:40:39,840

character but now you are being a you

2651

01:40:44,310 --> 01:40:40,800

know a

2652

01:40:47,030 --> 01:40:44,320

a pillar or a brick in society that now

2653

01:40:48,550 --> 01:40:47,040

you can build upon you know to where now

2654

01:40:50,070 --> 01:40:48,560

you're interacting with the different

2655

01:40:52,310 --> 01:40:50,080

people that will respect you back

2656

01:40:54,629 --> 01:40:52,320

because you show them respect first you

2657

01:40:56,390 --> 01:40:54,639

know whereas in most kids will go hey hi

2658

01:40:58,550 --> 01:40:56,400

or they won't even put their heads up

2659

01:41:00,149 --> 01:40:58,560

you know so anyway i know

2660

01:41:02,310 --> 01:41:00,159

people won't understand what that has to

2661

01:41:04,950 --> 01:41:02,320

do you know with with the rest but it

2662

01:41:07,590 --> 01:41:04,960

all is encompassed you know what you

2663

01:41:09,590 --> 01:41:07,600

teach them young is what they're not

2664

01:41:11,590 --> 01:41:09,600

going to learn when they're older that

2665

01:41:14,149 --> 01:41:11,600

there's not a specific time and place

2666

01:41:15,669 --> 01:41:14,159

and a year where oh okay they reached 18

2667

01:41:17,830 --> 01:41:15,679

bam they know everything they need to

2668

01:41:19,590 --> 01:41:17,840

know it's like no if you didn't start it

2669

01:41:21,350 --> 01:41:19,600

from from a young age you're not going

2670

01:41:26,709 --> 01:41:21,360

to continue you know

2671

01:41:30,470 --> 01:41:28,550

i totally agree with you of course you

2672

01:41:31,590 --> 01:41:30,480

know this is this is common sense you

2673

01:41:33,430 --> 01:41:31,600

know on the

2674

01:41:35,350 --> 01:41:33,440

well i know that's what i'm saying

2675

01:41:38,070 --> 01:41:35,360

yeah i mean for you and i it's common

2676

01:41:40,390 --> 01:41:38,080

sense but you will not believe just

2677

01:41:42,550 --> 01:41:40,400

average people around me

2678

01:41:45,510 --> 01:41:42,560

me here and in saint louis

2679

01:41:47,189 --> 01:41:45,520

that that just have forgotten the basics

2680

01:41:48,870 --> 01:41:47,199

and like how do you build on that so if

2681

01:41:51,030 --> 01:41:48,880

somebody doesn't even care to

2682

01:41:52,629 --> 01:41:51,040

acknowledge your presence or be polite

2683

01:41:54,790 --> 01:41:52,639

to you or

2684

01:41:56,629 --> 01:41:54,800

ask in a friendly way of if they want

2685

01:41:58,149 --> 01:41:56,639

something if they don't care for that do

2686

01:41:59,350 --> 01:41:58,159

you think they're gonna care about their

2687

01:42:01,430 --> 01:41:59,360

environment do you think they're gonna

2688

01:42:02,790 --> 01:42:01,440

care how much pollution do you think

2689

01:42:04,550 --> 01:42:02,800

they don't care how many animals are

2690

01:42:06,629 --> 01:42:04,560

being killed each year do you think

2691

01:42:09,189 --> 01:42:06,639

they're even gonna consider that no all

2692

01:42:11,350 --> 01:42:09,199

they knew was like me me me me uh where

2693

01:42:14,709 --> 01:42:11,360

else can i go to where i can fulfill me

2694

01:42:17,109 --> 01:42:14,719

me me me you know and so um

2695

01:42:18,470 --> 01:42:17,119

it's it's everything is is it has that

2696

01:42:20,229 --> 01:42:18,480

connection that's important to

2697

01:42:22,310 --> 01:42:20,239

understand it's always start somewhere

2698

01:42:24,870 --> 01:42:22,320

that's why same thing if you

2699

01:42:26,870 --> 01:42:24,880

at the same time if if you let's say or

2700

01:42:28,950 --> 01:42:26,880

have these very shitty parents and they

2701

01:42:30,870 --> 01:42:28,960

raise you or don't raise you and they

2702

01:42:32,390 --> 01:42:30,880

just basically

2703

01:42:33,990 --> 01:42:32,400

you know you live with them like you're

2704

01:42:36,470 --> 01:42:34,000

living in a

2705

01:42:38,229 --> 01:42:36,480

wolves then you know um you kind of

2706

01:42:40,470 --> 01:42:38,239

continue with that same mindset into

2707

01:42:42,390 --> 01:42:40,480

your adulthood that then permeates

2708

01:42:43,830 --> 01:42:42,400

everything else you do or touch

2709

01:42:46,790 --> 01:42:43,840

whether you're at your workplace your

2710

01:42:48,790 --> 01:42:46,800

relationships uh any other friendships

2711

01:42:50,950 --> 01:42:48,800

you know all of that is affected

2712

01:42:53,350 --> 01:42:50,960

you know and at the end of the day it

2713

01:42:56,229 --> 01:42:53,360

all comes down into a vibration into an

2714

01:42:58,550 --> 01:42:56,239

energy that then that makes up you and

2715

01:43:00,390 --> 01:42:58,560

so you're a lot more going to be

2716

01:43:01,910 --> 01:43:00,400

attracting those type of people that are

2717

01:43:04,149 --> 01:43:01,920

with that mindset

2718

01:43:07,189 --> 01:43:04,159

and it's not going to be too beneficial

2719

01:43:09,510 --> 01:43:07,199

to you as opposed to you being the best

2720

01:43:11,590 --> 01:43:09,520

version you can be and then sending out

2721

01:43:13,510 --> 01:43:11,600

that energy and then attracting everyone

2722

01:43:16,070 --> 01:43:13,520

else in your life that would that would

2723

01:43:18,229 --> 01:43:16,080

mesh with you because trust me you know

2724

01:43:20,070 --> 01:43:18,239

immediately and and older people

2725

01:43:21,750 --> 01:43:20,080

understand is better than younger i

2726

01:43:23,750 --> 01:43:21,760

don't mean anything bad by it it's just

2727

01:43:25,430 --> 01:43:23,760

through life experience and more

2728

01:43:26,790 --> 01:43:25,440

observance

2729

01:43:28,790 --> 01:43:26,800

when you do a mesh with someone you

2730

01:43:31,109 --> 01:43:28,800

immediately know so many times i would

2731

01:43:32,629 --> 01:43:31,119

just enter a room or go somewhere and i

2732

01:43:34,229 --> 01:43:32,639

immediately know whether i'm going to be

2733

01:43:36,470 --> 01:43:34,239

good friends with this person or we're

2734

01:43:38,390 --> 01:43:36,480

not going to get along you know just

2735

01:43:40,310 --> 01:43:38,400

because of uh just

2736

01:43:43,189 --> 01:43:40,320

immediate energy that's picked up within

2737

01:43:47,350 --> 01:43:43,199

two seconds you know and that's that

2738

01:43:49,750 --> 01:43:47,360

comes with a know-how or a i should say

2739

01:43:52,070 --> 01:43:49,760

an observing mindset that most people

2740

01:43:54,229 --> 01:43:52,080

don't have they just kind of go through

2741

01:43:56,229 --> 01:43:54,239

life like these robots and they try

2742

01:43:57,990 --> 01:43:56,239

everything till they find the things

2743

01:43:59,510 --> 01:43:58,000

they want you know instead of

2744

01:44:01,109 --> 01:43:59,520

immediately knowing i'm going to skip

2745

01:44:02,550 --> 01:44:01,119

these 10 steps because i already know

2746

01:44:03,910 --> 01:44:02,560

they're not going to work out for me and

2747

01:44:06,149 --> 01:44:03,920

i'm going to choose this one thing

2748

01:44:08,149 --> 01:44:06,159

because that's what i feel like i need

2749

01:44:10,790 --> 01:44:08,159

to be doing so they go through

2750

01:44:12,629 --> 01:44:10,800

relationships you know they you know

2751

01:44:14,470 --> 01:44:12,639

they don't if they get together with

2752

01:44:16,470 --> 01:44:14,480

somebody they don't think about that

2753

01:44:17,270 --> 01:44:16,480

they don't think about do we mesh they

2754

01:44:19,750 --> 01:44:17,280

just

2755

01:44:21,430 --> 01:44:19,760

get together you know um get you know

2756

01:44:23,830 --> 01:44:21,440

get married or don't get married have

2757

01:44:25,590 --> 01:44:23,840

baby moved on and then they separate and

2758

01:44:27,350 --> 01:44:25,600

the kid has to deal with two homes and

2759

01:44:29,590 --> 01:44:27,360

different type of things now that

2760

01:44:31,910 --> 01:44:29,600

doesn't mean that that's a bad thing in

2761

01:44:33,669 --> 01:44:31,920

every case there's still examples where

2762

01:44:35,990 --> 01:44:33,679

some people just you know don't get

2763

01:44:37,910 --> 01:44:36,000

along but they deal with it as adults

2764

01:44:40,629 --> 01:44:37,920

whereas in the ones i'm referring to are

2765

01:44:42,790 --> 01:44:40,639

the ones that create a very destabilized

2766

01:44:44,390 --> 01:44:42,800

environment for the child because they

2767

01:44:45,189 --> 01:44:44,400

didn't figure out their ahead of

2768

01:44:47,030 --> 01:44:45,199

time

2769

01:44:49,510 --> 01:44:47,040

you know and so that's what i'm

2770

01:44:51,270 --> 01:44:49,520

referring to because uh you know

2771

01:44:52,950 --> 01:44:51,280

just for those that are single parents

2772

01:44:55,430 --> 01:44:52,960

out there i'm not putting everyone in

2773

01:44:57,189 --> 01:44:55,440

one basket there there's always reasons

2774

01:44:59,669 --> 01:44:57,199

that you can work out but it's how you

2775

01:45:02,149 --> 01:44:59,679

deal with them you know even even

2776

01:45:03,189 --> 01:45:02,159

whether it's a divorce or anything else

2777

01:45:08,790 --> 01:45:03,199

that's what

2778

01:45:11,109 --> 01:45:08,800

the person that you are and the

2779

01:45:13,030 --> 01:45:11,119

people that your children will end up

2780

01:45:14,950 --> 01:45:13,040

being because at the end of the day they

2781

01:45:16,550 --> 01:45:14,960

pick up stuff from you whether you want

2782

01:45:17,750 --> 01:45:16,560

them to or not you know and that's

2783

01:45:22,629 --> 01:45:17,760

what's going to stick with them for the

2784

01:45:27,669 --> 01:45:25,510

yes indeed indeed i mean if you

2785

01:45:29,990 --> 01:45:27,679

enunciate the response you know so

2786

01:45:32,629 --> 01:45:30,000

clearly you know it's it's something

2787

01:45:34,709 --> 01:45:32,639

undeniable absolutely absolutely

2788

01:45:36,709 --> 01:45:34,719

and uh let's uh let's make something

2789

01:45:39,750 --> 01:45:36,719

clear to start with you know there's

2790

01:45:41,669 --> 01:45:39,760

nothing less common than common sense

2791

01:45:43,750 --> 01:45:41,679

you know it's that's like that common

2792

01:45:47,109 --> 01:45:43,760

sense is a rare rare thing

2793

01:45:49,350 --> 01:45:47,119

rare i think uh however with what we're

2794

01:45:51,590 --> 01:45:49,360

talking about here it comes down to a

2795

01:45:52,950 --> 01:45:51,600

personal level but uh at some at some

2796

01:45:54,870 --> 01:45:52,960

stage you know

2797

01:45:59,430 --> 01:45:54,880

we we do have the power you know we do

2798

01:46:01,189 --> 01:45:59,440

have the opportunity of of adding less

2799

01:46:02,870 --> 01:46:01,199

to the bad thing you know it's it's

2800

01:46:05,189 --> 01:46:02,880

simple no

2801

01:46:07,030 --> 01:46:05,199

at not participating uh to some

2802

01:46:08,310 --> 01:46:07,040

activities but we know that somewhere

2803

01:46:10,550 --> 01:46:08,320

down the line

2804

01:46:11,510 --> 01:46:10,560

the generation on the next generation

2805

01:46:14,470 --> 01:46:11,520

after that you know they're going to

2806

01:46:17,990 --> 01:46:14,480

look back on us and and and with with an

2807

01:46:21,030 --> 01:46:18,000

accusing finger and what did you do for

2808

01:46:23,590 --> 01:46:21,040

not having that and i'm sure if we had a

2809

01:46:24,629 --> 01:46:23,600

time machine and and see our grandkids

2810

01:46:30,550 --> 01:46:24,639

you know

2811

01:46:31,990 --> 01:46:30,560

because we could not simply be bothered

2812

01:46:34,709 --> 01:46:32,000

to look into it

2813

01:46:36,149 --> 01:46:34,719

because our environment be

2814

01:46:38,070 --> 01:46:36,159

because of politics because of religion

2815

01:46:40,149 --> 01:46:38,080

because of whatever you know and if we

2816

01:46:41,750 --> 01:46:40,159

could witness you know was the next

2817

01:46:43,910 --> 01:46:41,760

generation you know dying in the front

2818

01:46:46,149 --> 01:46:43,920

of our eyes i'm sure somehow you know we

2819

01:46:47,750 --> 01:46:46,159

would find some

2820

01:46:49,750 --> 01:46:47,760

some energy to

2821

01:46:56,950 --> 01:46:49,760

to at least go away hold on a minute

2822

01:46:56,960 --> 01:47:00,470

did you open up youtube

2823

01:47:05,750 --> 01:47:03,270

no no no no no no no no

2824

01:47:07,510 --> 01:47:05,760

i know what to do what not to do so so

2825

01:47:10,149 --> 01:47:07,520

there you go yes i'm somewhere along the

2826

01:47:12,229 --> 01:47:10,159

line you know we we we just need to say

2827

01:47:14,310 --> 01:47:12,239

no you know it's it's something on the

2828

01:47:17,189 --> 01:47:14,320

personal level that

2829

01:47:19,430 --> 01:47:17,199

we can do most of the time sometimes we

2830

01:47:21,350 --> 01:47:19,440

can't instead of bursting our heads you

2831

01:47:23,510 --> 01:47:21,360

know going crazy of what is it that i

2832

01:47:26,550 --> 01:47:23,520

can change and this on that you know we

2833

01:47:28,950 --> 01:47:26,560

can quite easily look back and so well

2834

01:47:30,149 --> 01:47:28,960

what is it that i can do now

2835

01:47:32,390 --> 01:47:30,159

that will

2836

01:47:34,629 --> 01:47:32,400

quite simply not add more oil to the

2837

01:47:36,870 --> 01:47:34,639

fire right you know

2838

01:47:38,790 --> 01:47:36,880

tree doesn't take much you know

2839

01:47:40,229 --> 01:47:38,800

and uh

2840

01:47:42,550 --> 01:47:40,239

that's what i've noticed you know

2841

01:47:45,030 --> 01:47:42,560

personal situation and also some other

2842

01:47:46,550 --> 01:47:45,040

peoples that you know i've interact with

2843

01:47:48,070 --> 01:47:46,560

you know in the past i'm pretty much

2844

01:47:48,870 --> 01:47:48,080

recused now

2845

01:47:50,790 --> 01:47:48,880

but

2846

01:47:53,030 --> 01:47:50,800

it is clear that uh

2847

01:47:54,709 --> 01:47:53,040

when when we do that you know things

2848

01:47:58,070 --> 01:47:54,719

seems to be getting a bit better you

2849

01:48:00,470 --> 01:47:58,080

know people tend to not get so upset etc

2850

01:48:01,270 --> 01:48:00,480

and when we go back to the

2851

01:48:02,629 --> 01:48:01,280

uh

2852

01:48:04,629 --> 01:48:02,639

ufo

2853

01:48:05,990 --> 01:48:04,639

finger you know i know as a matter of

2854

01:48:10,229 --> 01:48:06,000

fact when we take that into

2855

01:48:12,790 --> 01:48:10,239

consideration the interaction are

2856

01:48:15,830 --> 01:48:12,800

more constructive you know and uh on the

2857

01:48:17,669 --> 01:48:15,840

contrary if i'm not in a in a good spot

2858

01:48:19,669 --> 01:48:17,679

if i've let myself being

2859

01:48:22,070 --> 01:48:19,679

let's say taken over by

2860

01:48:24,070 --> 01:48:22,080

less positive stuff you know then or

2861

01:48:25,830 --> 01:48:24,080

suddenly some interaction are becoming

2862

01:48:28,629 --> 01:48:25,840

uh

2863

01:48:31,430 --> 01:48:28,639

even frightening you know

2864

01:48:34,629 --> 01:48:31,440

the sort of interaction if i was a

2865

01:48:35,430 --> 01:48:34,639

a christian christian fundamentalist you

2866

01:48:37,270 --> 01:48:35,440

know

2867

01:48:39,590 --> 01:48:37,280

uh if i was into church religion et

2868

01:48:42,229 --> 01:48:39,600

cetera and i would look upon that i'm

2869

01:48:43,990 --> 01:48:42,239

going this is evil this is the devil

2870

01:48:45,830 --> 01:48:44,000

you know and i can't understand you know

2871

01:48:46,950 --> 01:48:45,840

some people but i think

2872

01:48:49,590 --> 01:48:46,960

involved

2873

01:48:51,189 --> 01:48:49,600

in religion when we start when this type

2874

01:48:53,270 --> 01:48:51,199

of interactions

2875

01:48:55,510 --> 01:48:53,280

are happening to them you know the

2876

01:48:57,910 --> 01:48:55,520

initial reaction is my god you know this

2877

01:49:00,709 --> 01:48:57,920

this is the devil you know i'm i'm i'm

2878

01:49:02,149 --> 01:49:00,719

being i'm being attacked by by the devil

2879

01:49:04,550 --> 01:49:02,159

you know it's uh

2880

01:49:06,870 --> 01:49:04,560

uh you know i've also noticed you know

2881

01:49:09,270 --> 01:49:06,880

being uh

2882

01:49:11,990 --> 01:49:11,189

in a negative spot

2883

01:49:14,149 --> 01:49:12,000

uh

2884

01:49:16,149 --> 01:49:14,159

when there is this interaction you know

2885

01:49:18,310 --> 01:49:16,159

when when you go up on ships or down

2886

01:49:21,030 --> 01:49:18,320

whatever etc the

2887

01:49:23,750 --> 01:49:21,040

uh the transition between

2888

01:49:27,030 --> 01:49:23,760

this world on on their world you know is

2889

01:49:28,870 --> 01:49:27,040

is is very uncomfortable you know on on

2890

01:49:30,550 --> 01:49:28,880

the body point of view

2891

01:49:32,470 --> 01:49:30,560

it's uh

2892

01:49:34,870 --> 01:49:32,480

you you will find yourself you know for

2893

01:49:37,189 --> 01:49:34,880

a few days you know really suffering

2894

01:49:40,149 --> 01:49:37,199

from from a few things you know lots of

2895

01:49:41,270 --> 01:49:40,159

firsts or you can't move or or you can't

2896

01:49:42,870 --> 01:49:41,280

eat or

2897

01:49:44,550 --> 01:49:42,880

you know things are very very

2898

01:49:46,310 --> 01:49:44,560

uncomfortable you know you're you're

2899

01:49:48,070 --> 01:49:46,320

dispersing or

2900

01:49:50,070 --> 01:49:48,080

even in the middle of teleportation you

2901

01:49:51,669 --> 01:49:50,080

know if it doesn't work out you know

2902

01:49:54,310 --> 01:49:51,679

when when you fall down two meters on

2903

01:49:57,189 --> 01:49:54,320

your ass no trust me you know it hurts

2904

01:49:59,030 --> 01:49:57,199

it i believe it

2905

01:50:01,109 --> 01:49:59,040

i mean the the last time enough i must

2906

01:50:02,470 --> 01:50:01,119

have in hospital with with broken ribs

2907

01:50:03,830 --> 01:50:02,480

you know and uh

2908

01:50:05,669 --> 01:50:03,840

when they asked me how did that happen

2909

01:50:07,030 --> 01:50:05,679

you know i feel down the stairs you know

2910

01:50:09,510 --> 01:50:07,040

i mean there's no way i'm going to

2911

01:50:14,149 --> 01:50:09,520

explain what happened you know oh tell

2912

01:50:17,280 --> 01:50:16,070

from from hospital when i'm getting sent

2913

01:50:18,709 --> 01:50:17,290

to azerium you know

2914

01:50:20,310 --> 01:50:18,719

[Laughter]

2915

01:50:22,149 --> 01:50:20,320

yeah plus you know it's kind of hard

2916

01:50:23,830 --> 01:50:22,159

it's kind of hard to get online and talk

2917

01:50:26,629 --> 01:50:23,840

to me when you're in that white jacket

2918

01:50:28,709 --> 01:50:26,639

and you can't move your arms

2919

01:50:34,709 --> 01:50:28,719

yes yes i'm screaming you know give me

2920

01:50:37,990 --> 01:50:36,470

in otherwise you know if you're on a

2921

01:50:40,390 --> 01:50:38,000

good spot you know who knows you know

2922

01:50:42,709 --> 01:50:40,400

you can you can be taken up and shown a

2923

01:50:47,830 --> 01:50:42,719

few things

2924

01:50:51,910 --> 01:50:49,589

it all depends and i'll give you just

2925

01:50:53,750 --> 01:50:51,920

just simple example you know i was uh

2926
01:50:55,189 --> 01:50:53,760
for quite a few years you know concerned

2927
01:50:55,910 --> 01:50:55,199
about all that

2928
01:50:57,750 --> 01:50:55,920
uh

2929
01:50:59,030 --> 01:50:57,760
so-called hijacking of people you know

2930
01:51:00,870 --> 01:50:59,040
abduction

2931
01:51:03,589 --> 01:51:00,880
and then all this sort of thing

2932
01:51:05,750 --> 01:51:03,599
and uh you know it happens that twice

2933
01:51:07,750 --> 01:51:05,760
you know well especially once you know i

2934
01:51:08,870 --> 01:51:07,760
was shown how this was done you know

2935
01:51:11,589 --> 01:51:08,880
it's uh

2936
01:51:13,669 --> 01:51:11,599
it sounds crazy but uh

2937
01:51:15,669 --> 01:51:13,679
but but that's it you know

2938
01:51:17,669 --> 01:51:15,679

and uh actually the interaction stopped

2939

01:51:20,149 --> 01:51:17,679

you know when when i recognized somebody

2940

01:51:21,430 --> 01:51:20,159

there you know that uh i knew more or

2941

01:51:23,270 --> 01:51:21,440

less well you know it's not somebody i

2942

01:51:24,870 --> 01:51:23,280

get on quite well with but uh

2943

01:51:26,709 --> 01:51:24,880

nonetheless you know and then i kind of

2944

01:51:27,990 --> 01:51:26,719

forgot but it was a bit strange and i'm

2945

01:51:29,990 --> 01:51:28,000

gonna okay

2946

01:51:31,270 --> 01:51:30,000

so this is how they do it

2947

01:51:32,790 --> 01:51:31,280

and uh

2948

01:51:34,390 --> 01:51:32,800

and then one day you know i just saw

2949

01:51:35,189 --> 01:51:34,400

that person you know and

2950

01:51:40,229 --> 01:51:35,199

and

2951
01:51:41,990 --> 01:51:40,239
you know what you know i i remember

2952
01:51:42,870 --> 01:51:42,000
exactly what happens you know you were

2953
01:51:45,109 --> 01:51:42,880
there

2954
01:51:47,030 --> 01:51:45,119
and and i went

2955
01:51:48,870 --> 01:51:47,040
what do you mean you know when she

2956
01:51:50,629 --> 01:51:48,880
basically described the situation and i

2957
01:51:53,750 --> 01:51:50,639
just went oh my god you know this this

2958
01:51:55,830 --> 01:51:53,760
was not just just a mind trip or or some

2959
01:51:58,390 --> 01:51:55,840
sort of whatever is going on you know

2960
01:52:00,790 --> 01:51:58,400
there is something that i saw someone

2961
01:52:02,950 --> 01:52:00,800
that that i saw there about something

2962
01:52:04,470 --> 01:52:02,960
and that comes back to my life and just

2963
01:52:05,830 --> 01:52:04,480

go well you know

2964

01:52:07,589 --> 01:52:05,840

i was there

2965

01:52:11,350 --> 01:52:07,599

all right it's fair you know it's

2966

01:52:15,830 --> 01:52:13,510

yeah you get that confirmation too in

2967

01:52:18,229 --> 01:52:15,840

case there's any doubt later you get

2968

01:52:20,310 --> 01:52:18,239

that confirmation it's like oh this

2969

01:52:22,550 --> 01:52:20,320

did happen did it yeah

2970

01:52:24,790 --> 01:52:22,560

yeah but really happened you know

2971

01:52:26,629 --> 01:52:24,800

and by the way it was nothing like quite

2972

01:52:28,629 --> 01:52:26,639

quite negative i mean a lot of people

2973

01:52:30,790 --> 01:52:28,639

are maybe it happened

2974

01:52:32,950 --> 01:52:30,800

like that you know i don't know you know

2975

01:52:37,350 --> 01:52:32,960

all those terrible terrible theory

2976

01:52:41,830 --> 01:52:39,750

was fairly unusual you know as far as

2977

01:52:43,510 --> 01:52:41,840

i'm concerned the uh the subjects you

2978

01:52:46,149 --> 01:52:43,520

know the people treated

2979

01:52:48,870 --> 01:52:46,159

they they were put into some sort of

2980

01:52:49,830 --> 01:52:48,880

lethargy you know a bit like zombie-like

2981

01:52:51,589 --> 01:52:49,840

you know

2982

01:52:53,430 --> 01:52:51,599

they were alive but not really alive

2983

01:52:55,669 --> 01:52:53,440

like in a trance mode like being

2984

01:52:57,350 --> 01:52:55,679

hypnotized or whatever

2985

01:52:59,510 --> 01:52:57,360

and uh

2986

01:53:01,189 --> 01:52:59,520

and there was definitely some strange

2987

01:53:02,950 --> 01:53:01,199

looking individuals in the background i

2988

01:53:05,189 --> 01:53:02,960

could not quite see them

2989

01:53:06,149 --> 01:53:05,199

i could not see them but definitely big

2990

01:53:08,149 --> 01:53:06,159

heads and

2991

01:53:09,270 --> 01:53:08,159

long arms and uh but not really in the

2992

01:53:12,149 --> 01:53:09,280

light

2993

01:53:14,149 --> 01:53:12,159

but the uh the procedures in themselves

2994

01:53:15,510 --> 01:53:14,159

you know there was four resettable rooms

2995

01:53:16,709 --> 01:53:15,520

you know where where things were

2996

01:53:18,149 --> 01:53:16,719

happening

2997

01:53:20,390 --> 01:53:18,159

and uh

2998

01:53:23,189 --> 01:53:20,400

this was done by

2999

01:53:24,950 --> 01:53:23,199

very very human looking people very very

3000

01:53:26,709 --> 01:53:24,960

human

3001

01:53:30,390 --> 01:53:26,719

right

3002

01:53:32,550 --> 01:53:30,400

you know okay have a look you know

3003

01:53:33,990 --> 01:53:32,560

that's uh you've been asking so there

3004

01:53:35,350 --> 01:53:34,000

you go

3005

01:53:38,070 --> 01:53:35,360

have a look

3006

01:53:39,750 --> 01:53:38,080

and uh this was on you know like face to

3007

01:53:42,390 --> 01:53:39,760

face voice to voice you know there was

3008

01:53:43,669 --> 01:53:42,400

no telepathy there is no no no anything

3009

01:53:45,990 --> 01:53:43,679

like that

3010

01:53:47,189 --> 01:53:46,000

and uh didn't last very long after five

3011

01:53:50,229 --> 01:53:47,199

minutes

3012

01:53:52,149 --> 01:53:50,239

then uh the the procedure was done and

3013

01:53:59,109 --> 01:53:52,159

and

3014

01:53:59,990 --> 01:53:59,119

famous person that uh

3015

01:54:01,510 --> 01:54:00,000

but

3016

01:54:04,550 --> 01:54:01,520

what i mentioned

3017

01:54:06,149 --> 01:54:04,560

so that's it you know i was also shown

3018

01:54:07,350 --> 01:54:06,159

once you know the uh the planet of

3019

01:54:09,350 --> 01:54:07,360

origin

3020

01:54:12,149 --> 01:54:09,360

you know which was uh

3021

01:54:15,030 --> 01:54:13,270

quite uh

3022

01:54:16,149 --> 01:54:15,040

quite amazing you know

3023

01:54:18,390 --> 01:54:16,159

especially

3024

01:54:26,470 --> 01:54:18,400

i mean they're their planet of origin

3025

01:54:29,589 --> 01:54:28,470

was really really really young extremely

3026

01:54:32,149 --> 01:54:29,599

young this is one of the first

3027

01:54:33,430 --> 01:54:32,159

interactions that that had extremely

3028

01:54:37,109 --> 01:54:33,440

young

3029

01:54:39,750 --> 01:54:37,119

and

3030

01:54:43,030 --> 01:54:39,760

also shown a a space station you know

3031

01:54:45,109 --> 01:54:43,040

which which we don't really see etc

3032

01:54:49,350 --> 01:54:45,119

which is by the way very huge inside i

3033

01:54:52,870 --> 01:54:51,189

right and i got the impression that if

3034

01:54:53,990 --> 01:54:52,880

there was a

3035

01:54:58,790 --> 01:54:54,000

a

3036

01:55:00,149 --> 01:54:58,800

could be

3037

01:55:03,109 --> 01:55:00,159

uh

3038

01:55:05,589 --> 01:55:03,119

transported there you know this is

3039

01:55:08,390 --> 01:55:05,599

uh how big this thing is

3040

01:55:11,430 --> 01:55:08,400

right and uh also shown you know why we

3041

01:55:14,070 --> 01:55:11,440

couldn't see it so all those are very

3042

01:55:15,270 --> 01:55:14,080

more or less positive interaction

3043

01:55:16,709 --> 01:55:15,280

that uh

3044

01:55:20,070 --> 01:55:16,719

but i know

3045

01:55:21,990 --> 01:55:20,080

where possible do due to my my um

3046

01:55:23,510 --> 01:55:22,000

positive frame of mind

3047

01:55:25,669 --> 01:55:23,520

you know to

3048

01:55:27,189 --> 01:55:25,679

to start with you know being concerned

3049

01:55:29,430 --> 01:55:27,199

about the earth you know being concerned

3050

01:55:30,310 --> 01:55:29,440

about the living entities that are over

3051
01:55:32,629 --> 01:55:30,320
here

3052
01:55:34,470 --> 01:55:32,639
and not become an activist or anything

3053
01:55:36,709 --> 01:55:34,480
like that but really take into

3054
01:55:39,189 --> 01:55:36,719
consideration you know and and it seems

3055
01:55:41,669 --> 01:55:39,199
to me that the interface between you

3056
01:55:44,390 --> 01:55:41,679
know so-called alien and human

3057
01:55:46,870 --> 01:55:44,400
uh has a lot to do with own frame of

3058
01:55:48,470 --> 01:55:46,880
mind you know in all those scenarios

3059
01:55:51,430 --> 01:55:48,480
that we got you know subconscious and

3060
01:55:52,790 --> 01:55:51,440
the hyper conscious and in all this sort

3061
01:55:54,870 --> 01:55:52,800
of thing i think the quality of the

3062
01:55:57,109 --> 01:55:54,880
message the quality of the picture you

3063
01:55:59,990 --> 01:55:57,119

know reason a lot with that as well so

3064

01:56:01,750 --> 01:56:00,000

we can really here take responsibilities

3065

01:56:04,790 --> 01:56:01,760

you know upon ourselves you know that

3066

01:56:06,070 --> 01:56:04,800

the uh the injection can be a bit more

3067

01:56:07,589 --> 01:56:06,080

uh

3068

01:56:09,589 --> 01:56:07,599

fruitful

3069

01:56:11,109 --> 01:56:09,599

you know it doesn't seem so early and

3070

01:56:12,629 --> 01:56:11,119

you know there's there's uh obviously

3071

01:56:15,270 --> 01:56:12,639

hidden agenda you know there's a cena

3072

01:56:17,270 --> 01:56:15,280

you are there no this is quite sure

3073

01:56:18,950 --> 01:56:17,280

right but i think it really helps you

3074

01:56:20,470 --> 01:56:18,960

know it's pretty much the same you know

3075

01:56:23,589 --> 01:56:20,480

if we're going to the jungle you know

3076

01:56:25,510 --> 01:56:23,599

and and study primates you know if

3077

01:56:29,189 --> 01:56:25,520

it was private you know start to show a

3078

01:56:33,030 --> 01:56:30,550

conscious feelings you know the

3079

01:56:34,629 --> 01:56:33,040

interaction that we have you know is a

3080

01:56:37,669 --> 01:56:34,639

is a bit more

3081

01:56:39,830 --> 01:56:37,679

peaceful you know rather than just

3082

01:56:43,109 --> 01:56:39,840

taking those monkeys and

3083

01:56:45,189 --> 01:56:43,119

implanting things and study this and

3084

01:56:46,950 --> 01:56:45,199

study that and make them crazy things

3085

01:56:49,189 --> 01:56:46,960

and destroying the environment you know

3086

01:56:52,149 --> 01:56:49,199

it's it's quite obvious it's quite clear

3087

01:56:56,070 --> 01:56:54,229

well thank you thank you now thank you

3088

01:56:58,149 --> 01:56:56,080

for you know for sharing and all that

3089

01:57:00,149 --> 01:56:58,159

you know i'm i'm glad you

3090

01:57:02,709 --> 01:57:00,159

got to call in and and

3091

01:57:03,669 --> 01:57:02,719

reiterate more about your experiences

3092

01:57:05,990 --> 01:57:03,679

um

3093

01:57:08,470 --> 01:57:06,000

i'm glad i got to talk to you first time

3094

01:57:11,430 --> 01:57:08,480

back on open line so that's always good

3095

01:57:13,669 --> 01:57:11,440

i was glad to talk to nathan as well

3096

01:57:15,189 --> 01:57:13,679

well um fab if there's any closing

3097

01:57:17,270 --> 01:57:15,199

thoughts you would like to finish up

3098

01:57:19,910 --> 01:57:17,280

with

3099

01:57:21,669 --> 01:57:19,920

yeah it's uh well i have to say that you

3100

01:57:25,430 --> 01:57:21,679

know as i mentioned you know

3101

01:57:27,270 --> 01:57:25,440

my health is not very good so so i'm i'm

3102

01:57:30,950 --> 01:57:27,280

spending a little bit of time you know

3103

01:57:31,910 --> 01:57:30,960

to talking to whoever wants to listen

3104

01:57:33,189 --> 01:57:31,920

you know

3105

01:57:36,470 --> 01:57:33,199

and

3106

01:57:37,669 --> 01:57:36,480

the end of the road you know more or

3107

01:57:39,830 --> 01:57:37,679

less

3108

01:57:42,149 --> 01:57:39,840

and all those things that you know we

3109

01:57:44,149 --> 01:57:42,159

we're scared of of talking to other

3110

01:57:46,390 --> 01:57:44,159

people you know the ridicule the you

3111

01:57:48,550 --> 01:57:46,400

know most of my family doesn't talk to

3112

01:57:51,109 --> 01:57:48,560

me anymore because i've i've tried to

3113

01:57:51,990 --> 01:57:51,119

sort of uh open up you know knowing that

3114

01:57:53,430 --> 01:57:52,000

uh

3115

01:57:55,589 --> 01:57:53,440

i'm not gonna die tomorrow you know what

3116

01:57:56,790 --> 01:57:55,599

i mean but but it could be sort of thing

3117

01:57:58,709 --> 01:57:56,800

and uh

3118

01:58:01,189 --> 01:57:58,719

i was gonna ask you because you you i

3119

01:58:03,910 --> 01:58:01,199

mean how bad is it you never you never

3120

01:58:05,189 --> 01:58:03,920

implied before you know what what you

3121

01:58:07,270 --> 01:58:05,199

were going through

3122

01:58:09,030 --> 01:58:07,280

may are you going to be around or what's

3123

01:58:10,550 --> 01:58:09,040

going on

3124

01:58:12,870 --> 01:58:10,560

yeah i was told a few years back you

3125

01:58:14,390 --> 01:58:12,880

know that uh time was pretty short you

3126

01:58:16,070 --> 01:58:14,400

know i had uh

3127

01:58:19,510 --> 01:58:16,080

two to four years

3128

01:58:22,310 --> 01:58:19,520

a life expectancy

3129

01:58:25,350 --> 01:58:22,320

window here that was about 16 years ago

3130

01:58:27,589 --> 01:58:25,360

so i managed to by the way thanks thanks

3131

01:58:29,589 --> 01:58:27,599

very much for a little help from our

3132

01:58:32,870 --> 01:58:29,599

friends upstairs

3133

01:58:35,589 --> 01:58:32,880

and uh they come to the stage now but it

3134

01:58:37,750 --> 01:58:35,599

probably i'm gonna i'm gonna need a

3135

01:58:40,629 --> 01:58:37,760

an organ transplant

3136

01:58:42,390 --> 01:58:40,639

uh which is not gonna be uh feasible

3137

01:58:45,910 --> 01:58:42,400

number one it's gonna take too much time

3138

01:58:47,270 --> 01:58:45,920

number two my uh my my edge i will not

3139

01:58:49,030 --> 01:58:47,280

qualify

3140

01:58:51,669 --> 01:58:49,040

and number three i'm not very

3141

01:58:53,350 --> 01:58:51,679

comfortable in uh in uh having uh

3142

01:58:55,030 --> 01:58:53,360

somebody's heart you know somehow

3143

01:58:56,790 --> 01:58:55,040

someone says art you know

3144

01:58:57,589 --> 01:58:56,800

i'm talking about heart transplant here

3145

01:58:59,750 --> 01:58:57,599

right

3146

01:59:03,189 --> 01:58:59,760

inside my body you know so

3147

01:59:06,070 --> 01:59:03,199

uh i kind of uh kind of uh

3148

01:59:07,669 --> 01:59:06,080

shy away from that and uh you know week

3149

01:59:09,189 --> 01:59:07,679

after week after week you know it is

3150

01:59:12,950 --> 01:59:09,199

quite clear but

3151

01:59:14,070 --> 01:59:12,960

but it's uh it's it's uh

3152

01:59:15,589 --> 01:59:14,080

it's uh

3153

01:59:17,350 --> 01:59:15,599

it's a struggling battle you know i've

3154

01:59:19,669 --> 01:59:17,360

got i've got more more bad days than

3155

01:59:20,550 --> 01:59:19,679

good days now let's put it this way and

3156

01:59:22,310 --> 01:59:20,560

uh

3157

01:59:24,310 --> 01:59:22,320

and it is time to

3158

01:59:27,830 --> 01:59:24,320

you know

3159

01:59:29,589 --> 01:59:27,840

me at least or i hope there's more

3160

01:59:31,990 --> 01:59:29,599

people out there that you can talk to

3161

01:59:34,229 --> 01:59:32,000

i'm sorry that

3162

01:59:36,390 --> 01:59:34,239

i hope you have more outlets other than

3163

01:59:37,910 --> 01:59:36,400

calling in and talking to me and sharing

3164

01:59:40,070 --> 01:59:37,920

your stories i mean

3165

01:59:41,510 --> 01:59:40,080

i'm sorry to hear that

3166

01:59:43,589 --> 01:59:41,520

no i've tried that

3167

01:59:45,109 --> 01:59:43,599

you know and as i mentioned you know i i

3168

01:59:47,270 --> 01:59:45,119

tried to sort of

3169

01:59:49,030 --> 01:59:47,280

open up you know with friends and family

3170

01:59:50,950 --> 01:59:49,040

and and uh

3171

01:59:52,709 --> 01:59:50,960

you know i came uh i came here you know

3172

01:59:54,709 --> 01:59:52,719

it's part of france so it's very very

3173

01:59:58,229 --> 01:59:54,719

close you know in the country there's

3174

02:00:00,390 --> 01:59:58,239

almost no one around me for that like

3175

02:00:02,149 --> 02:00:00,400

five five seven kilometers so i was

3176
02:00:03,669 --> 02:00:02,159
quite happy with that but no i've become

3177
02:00:06,149 --> 02:00:03,679
really really recluse you know it is

3178
02:00:08,790 --> 02:00:06,159
quite clear that most of my

3179
02:00:10,149 --> 02:00:08,800
friends you know and and family really

3180
02:00:12,070 --> 02:00:10,159
shy away from

3181
02:00:13,910 --> 02:00:12,080
having communication now since i

3182
02:00:15,990 --> 02:00:13,920
mentioned but there are

3183
02:00:18,229 --> 02:00:16,000
there are certain things and

3184
02:00:20,229 --> 02:00:18,239
you know that's a shame i'm really

3185
02:00:21,430 --> 02:00:20,239
really talking eye to eye now listen you

3186
02:00:22,950 --> 02:00:21,440
know this is

3187
02:00:25,270 --> 02:00:22,960
what happened to me this is what

3188
02:00:27,189 --> 02:00:25,280

believes what happens you know you you

3189

02:00:28,750 --> 02:00:27,199

think whatever you want to

3190

02:00:31,669 --> 02:00:28,760

but it is my duty it is my

3191

02:00:32,950 --> 02:00:31,679

responsibility to share it with you take

3192

02:00:36,310 --> 02:00:32,960

it or leave it

3193

02:00:38,550 --> 02:00:36,320

it's up to you i can totally understand

3194

02:00:41,030 --> 02:00:38,560

why you wouldn't personally was i in

3195

02:00:42,390 --> 02:00:41,040

your shoes i would probably go no no no

3196

02:00:43,350 --> 02:00:42,400

etc

3197

02:00:45,109 --> 02:00:43,360

but

3198

02:00:47,189 --> 02:00:45,119

that's it you know that's fast chance

3199

02:00:49,430 --> 02:00:47,199

i've taken and

3200

02:00:51,189 --> 02:00:49,440

that's just the way it is i've also

3201

02:00:52,950 --> 02:00:51,199

tried to join quite a few groups here in

3202

02:00:56,629 --> 02:00:52,960

france

3203

02:00:58,550 --> 02:00:56,639

via email via etc ufo uh groups uh

3204

02:01:01,109 --> 02:00:58,560

contact groups this group national

3205

02:01:03,510 --> 02:01:01,119

groups uh these groups etc and i've had

3206

02:01:05,830 --> 02:01:03,520

absolutely zero response

3207

02:01:08,310 --> 02:01:05,840

to all my emails and queries et cetera

3208

02:01:09,910 --> 02:01:08,320

one i just mentioned i just want to to

3209

02:01:12,390 --> 02:01:09,920

participate you know with a group that

3210

02:01:14,550 --> 02:01:12,400

is serious you know yeah and seriously

3211

02:01:17,270 --> 02:01:14,560

uh dealing with the subject and and it's

3212

02:01:19,830 --> 02:01:17,280

been zero plus zero plus zero or so

3213

02:01:21,750 --> 02:01:19,840

also even even contact t groups they

3214

02:01:24,709 --> 02:01:21,760

didn't enter

3215

02:01:26,310 --> 02:01:24,719

that's right that's right i'm i'm still

3216

02:01:27,830 --> 02:01:26,320

well you know it's uh

3217

02:01:29,430 --> 02:01:27,840

it's uh

3218

02:01:31,109 --> 02:01:29,440

i don't know you know maybe it means

3219

02:01:33,830 --> 02:01:31,119

that there are so many people you know

3220

02:01:34,870 --> 02:01:33,840

asking that they don't have the time to

3221

02:01:37,510 --> 02:01:34,880

uh

3222

02:01:39,270 --> 02:01:37,520

to to to answer your queries so it would

3223

02:01:40,870 --> 02:01:39,280

show that you know the thing is actually

3224

02:01:44,950 --> 02:01:40,880

totally mental

3225

02:01:47,510 --> 02:01:44,960

or they just basically uh surface uh

3226

02:01:49,750 --> 02:01:47,520

smoking uh smoke on the river

3227

02:01:51,910 --> 02:01:49,760

organization but doesn't take anything

3228

02:01:57,669 --> 02:01:51,920

unless you only go for the japan the

3229

02:02:00,310 --> 02:01:59,109

french government

3230

02:02:01,350 --> 02:02:00,320

obviously

3231

02:02:03,430 --> 02:02:01,360

yes

3232

02:02:05,189 --> 02:02:03,440

okay no you were you were breaking up

3233

02:02:07,270 --> 02:02:05,199

you you broke up and it went silent on

3234

02:02:11,189 --> 02:02:07,280

me

3235

02:02:12,709 --> 02:02:11,199

so yeah that's it so i'm not gonna carry

3236

02:02:13,990 --> 02:02:12,719

on talking to too much i'm sure some

3237

02:02:15,669 --> 02:02:14,000

other people want to mention something

3238

02:02:20,950 --> 02:02:15,679

unless you decided after two hours you

3239

02:02:25,030 --> 02:02:23,270

thank you for calling in and and i'm

3240

02:02:26,870 --> 02:02:25,040

honored that you would

3241

02:02:28,950 --> 02:02:26,880

whatever time you have left to spend it

3242

02:02:31,510 --> 02:02:28,960

with with me and all of us you know

3243

02:02:33,669 --> 02:02:31,520

watching and listening so you know i

3244

02:02:36,790 --> 02:02:33,679

appreciate you and i'm glad

3245

02:02:39,669 --> 02:02:36,800

i'm glad at least this recording of you

3246

02:02:41,990 --> 02:02:39,679

you will it will move on and go on to to

3247

02:02:43,510 --> 02:02:42,000

be heard out there you know so you know

3248

02:02:45,350 --> 02:02:43,520

thank you for that

3249

02:02:47,910 --> 02:02:45,360

at least if you can't find it in france

3250

02:02:50,070 --> 02:02:47,920

you can find it here

3251

02:02:52,550 --> 02:02:50,080

that's uh that's thanks you very much

3252

02:02:54,470 --> 02:02:52,560

you know what what you just said is uh

3253

02:02:56,550 --> 02:02:54,480

is actually making me uh almost

3254

02:02:59,669 --> 02:02:56,560

emotional so thank you very much for

3255

02:03:02,870 --> 02:02:59,679

your all work and uh i i wish you really

3256

02:03:05,109 --> 02:03:02,880

really good luck and and carry on and

3257

02:03:09,270 --> 02:03:05,119

and uh you know for for your listeners

3258

02:03:11,589 --> 02:03:09,280

etc you know it's uh an obvious ufo um

3259

02:03:13,910 --> 02:03:11,599

contacted situation can be complicated

3260

02:03:15,910 --> 02:03:13,920

it is complicated but really to

3261

02:03:18,149 --> 02:03:15,920

cultivate a

3262

02:03:19,750 --> 02:03:18,159

a kind heart as much as possible i know

3263

02:03:21,270 --> 02:03:19,760

it's very hard with the

3264

02:03:24,149 --> 02:03:21,280

environment that we have

3265

02:03:25,510 --> 02:03:24,159

but um i truly believe that once we do

3266

02:03:28,790 --> 02:03:25,520

that

3267

02:03:31,910 --> 02:03:28,800

the the quality of the contacts will

3268

02:03:33,910 --> 02:03:31,920

definitely add on to the positive

3269

02:03:35,910 --> 02:03:33,920

and if not for ourselves you know maybe

3270

02:03:41,030 --> 02:03:35,920

for the next generation or the next

3271

02:03:44,229 --> 02:03:42,470

just just to finish off because you

3272

02:03:45,589 --> 02:03:44,239

asked me to finish off ten minutes ago

3273

02:03:47,910 --> 02:03:45,599

but uh

3274

02:03:49,830 --> 02:03:47,920

there is a saying from from from a sage

3275

02:03:52,629 --> 02:03:49,840

you know in the uh

3276

02:03:53,750 --> 02:03:52,639

in the amazon forest you know a a a very

3277

02:03:56,629 --> 02:03:53,760

wise

3278

02:03:58,629 --> 02:03:56,639

old man you know and and one one of your

3279

02:04:00,629 --> 02:03:58,639

parents you know

3280

02:04:02,149 --> 02:04:00,639

ask him a question you know he said well

3281

02:04:03,669 --> 02:04:02,159

you know how

3282

02:04:05,030 --> 02:04:03,679

in all that you know you've been living

3283

02:04:07,589 --> 02:04:05,040

in the forest you know you're well

3284

02:04:10,470 --> 02:04:07,599

respected you know in many tribes etc

3285

02:04:12,550 --> 02:04:10,480

you you are you're a shaman a century

3286

02:04:14,390 --> 02:04:12,560

you are you're respected here you know

3287

02:04:15,589 --> 02:04:14,400

what would be the advice that you would

3288

02:04:16,629 --> 02:04:15,599

give us

3289

02:04:18,629 --> 02:04:16,639

you know

3290

02:04:20,790 --> 02:04:18,639

to actually stop

3291

02:04:23,510 --> 02:04:20,800

this this forest the amazon forest being

3292

02:04:25,430 --> 02:04:23,520

destroyed and what is it that we can do

3293

02:04:27,669 --> 02:04:25,440

you know us white people or black or

3294

02:04:30,149 --> 02:04:27,679

heroes or whatever you know to to to

3295

02:04:31,669 --> 02:04:30,159

stop this this disaster that is

3296

02:04:32,709 --> 02:04:31,679

happening in the front of your eyes by

3297

02:04:34,629 --> 02:04:32,719

you saying

3298

02:04:36,629 --> 02:04:34,639

and and that person and said that he

3299

02:04:39,430 --> 02:04:36,639

said you will understand the meaning of

3300

02:04:42,069 --> 02:04:39,440

life and your relationship with it when

3301

02:04:45,350 --> 02:04:42,079

you will plant a tree knowing that you

3302

02:04:47,669 --> 02:04:45,360

will not live to see it grow

3303

02:04:49,669 --> 02:04:47,679

and yes it's a bit uh

3304

02:04:53,109 --> 02:04:49,679

philosophy

3305

02:04:55,270 --> 02:04:53,119

metaphor etc but that is something that

3306

02:04:55,990 --> 02:04:55,280

really like strokes stroke record within

3307

02:04:58,790 --> 02:04:56,000

me

3308

02:05:00,310 --> 02:04:58,800

and and and i think perhaps we we we

3309

02:05:03,030 --> 02:05:00,320

need to look at that you know for

3310

02:05:04,629 --> 02:05:03,040

ourselves for the planet for for for the

3311

02:05:07,189 --> 02:05:04,639

other species out there you know in the

3312

02:05:10,069 --> 02:05:07,199

world in the universe but the little

3313

02:05:13,270 --> 02:05:10,079

seeds of greatness the little

3314

02:05:16,149 --> 02:05:13,280

pieces of beauties that that we put out

3315

02:05:18,550 --> 02:05:16,159

there sometimes it's not much a smile

3316

02:05:20,870 --> 02:05:18,560

whatever you know maybe it will not be

3317

02:05:23,350 --> 02:05:20,880

shown here but maybe in

3318

02:05:25,669 --> 02:05:23,360

5 000 years maybe another dimension

3319

02:05:27,669 --> 02:05:25,679

whatever you know this little piece of

3320

02:05:30,390 --> 02:05:27,679

goodness is not for nothing you know it

3321

02:05:32,550 --> 02:05:30,400

is it is being cherished in nurture some

3322

02:05:35,510 --> 02:05:32,560

somewhere even if a media comes in you

3323

02:05:38,390 --> 02:05:35,520

know wipes the whole things out

3324

02:05:40,229 --> 02:05:38,400

so well fab thank you thank you for well

3325

02:05:42,149 --> 02:05:40,239

said you know and and

3326

02:05:44,310 --> 02:05:42,159

you know i'm glad you're you're here and

3327

02:05:46,790 --> 02:05:44,320

call you know calling in and i hope you

3328

02:05:48,550 --> 02:05:46,800

continue to call in anytime there's you

3329

02:05:51,270 --> 02:05:48,560

know these all the open lines you know

3330

02:05:53,669 --> 02:05:51,280

and um you know i'm sorry that there's

3331

02:05:55,910 --> 02:05:53,679

not more that can be that can be done

3332

02:05:57,510 --> 02:05:55,920

because it looks like you've already

3333

02:05:59,830 --> 02:05:57,520

you know done what you can but i

3334

02:06:01,990 --> 02:05:59,840

appreciate your calling you know and uh

3335

02:06:05,350 --> 02:06:02,000

just you know know you always will have

3336

02:06:07,189 --> 02:06:05,360

a place here to to talk and share

3337

02:06:08,629 --> 02:06:07,199

yes no problem you know if i can manage

3338

02:06:10,470 --> 02:06:08,639

to get back on like you know i'm very

3339

02:06:12,069 --> 02:06:10,480

open to direct questions you know if i

3340

02:06:13,990 --> 02:06:12,079

know something i'll tell it if i'm not

3341

02:06:16,149 --> 02:06:14,000

too sure i'll say i'm not sure

3342

02:06:18,069 --> 02:06:16,159

if i know i know i will know and if i

3343

02:06:20,709 --> 02:06:18,079

don't know i will go i don't know but

3344

02:06:22,870 --> 02:06:20,719

i'm not gonna brainshot into supposition

3345

02:06:25,189 --> 02:06:22,880

and theories and somebody said this on

3346

02:06:27,270 --> 02:06:25,199

this person channel that etc you know it

3347

02:06:29,830 --> 02:06:27,280

would be just direct uh direct

3348

02:06:31,830 --> 02:06:29,840

experience right and uh i am not

3349

02:06:33,750 --> 02:06:31,840

prepared to do that you know for 40

3350

02:06:37,189 --> 02:06:33,760

years i've kept it quite but

3351

02:06:42,550 --> 02:06:38,390

yeah have a

3352

02:06:46,950 --> 02:06:44,390

i said have a good morning in your case

3353

02:06:49,030 --> 02:06:46,960

i was gonna say good night yes

3354

02:06:51,910 --> 02:06:49,040

indeed four five i've got a beautiful

3355

02:06:55,030 --> 02:06:51,920

cold minus two degrees cold side to uh

3356

02:06:56,870 --> 02:06:55,040

sky you know totally clear to uh uh to

3357

02:06:59,109 --> 02:06:56,880

have a look so i think i'm gonna immerse

3358

02:07:01,430 --> 02:06:59,119

myself a little bit you know in these

3359

02:07:02,629 --> 02:07:01,440

beautiful little shamans out there in

3360

02:07:04,870 --> 02:07:02,639

the sky

3361

02:07:06,790 --> 02:07:04,880

good deal well fab take care of yourself

3362

02:07:09,270 --> 02:07:06,800

and we'll stay in touch

3363

02:07:15,130 --> 02:07:09,280

i will as usual thank you adnan goodbye

3364

02:07:18,149 --> 02:07:16,310

[Music]

3365

02:07:21,589 --> 02:07:18,159

there we go

3366

02:07:21,599 --> 02:07:25,430

yeah that's pretty much it let me

3367

02:07:30,870 --> 02:07:27,669

there we go finish off there so thank

3368

02:07:32,870 --> 02:07:30,880

you all very much for uh for

3369

02:07:35,189 --> 02:07:32,880

staying tuned in for this long i

3370

02:07:36,229 --> 02:07:35,199

appreciate you for uh spending time with

3371

02:07:38,790 --> 02:07:36,239

me and

3372

02:07:39,589 --> 02:07:38,800

and the callers and um

3373

02:07:42,709 --> 02:07:39,599

so

3374

02:07:44,950 --> 02:07:42,719

hopefully i will manage to get one of

3375

02:07:46,550 --> 02:07:44,960

the many people that reached out to to

3376

02:07:48,790 --> 02:07:46,560

get back to me and have an interview on

3377

02:07:52,149 --> 02:07:48,800

friday for you um otherwise i'll just

3378

02:07:53,510 --> 02:07:52,159

have open lines and um it would be open

3379

02:07:55,189 --> 02:07:53,520

lines from the beginning i'm not going

3380

02:07:58,550 --> 02:07:55,199

to necessarily go into any kind of

3381

02:08:02,629 --> 02:07:58,560

subject to cover so i hope you download

3382

02:08:05,030 --> 02:08:02,639

telegram get it installed and

3383

02:08:07,830 --> 02:08:05,040

basically join the call whenever it

3384

02:08:10,069 --> 02:08:07,840

opens up for open lines and for those of

3385

02:08:13,510 --> 02:08:10,079

you might have missed it earlier i'm

3386

02:08:16,870 --> 02:08:13,520

going to be on truth seekers podcast if

3387

02:08:18,149 --> 02:08:16,880

you search for truth seeker on

3388

02:08:20,950 --> 02:08:18,159

um

3389

02:08:23,669 --> 02:08:20,960

on youtube you'll be able to to find it

3390

02:08:26,870 --> 02:08:23,679

and i will be on with him tomorrow live

3391

02:08:27,830 --> 02:08:26,880

i believe from 5 to 6 p.m

3392

02:08:30,069 --> 02:08:27,840

um

3393

02:08:32,310 --> 02:08:30,079

that's just his time slot i don't really

3394

02:08:34,470 --> 02:08:32,320

care how long it goes but it will begin

3395

02:08:37,270 --> 02:08:34,480

at 5 00 pm central time

3396

02:08:39,669 --> 02:08:37,280

so um yeah that should be it thank you

3397

02:08:41,510 --> 02:08:39,679

all very much i appreciate you for

3398

02:08:44,069 --> 02:08:41,520

tuning in um

3399

02:08:45,830 --> 02:08:44,079

and yeah hopefully i'll see most of you
