

UFO HUB

LIVE STREAM

1
00:00:07,680 --> 00:00:31,560

my

2
00:00:31,570 --> 00:01:06,630

[Music]

3
00:01:10,789 --> 00:01:08,870

hey everyone welcome to the off hub live

4
00:01:13,750 --> 00:01:10,799

stream today's guest is going to be

5
00:01:15,749 --> 00:01:13,760

gerard artsen and he's talking to me

6
00:01:17,590 --> 00:01:15,759

live from the netherlands that's why we

7
00:01:18,390 --> 00:01:17,600

kind of had to shift around the days a

8
00:01:20,550 --> 00:01:18,400

bit

9
00:01:22,550 --> 00:01:20,560

usually i'm doing interviews on fridays

10
00:01:23,830 --> 00:01:22,560

but i was more than happy to make this

11
00:01:27,190 --> 00:01:23,840

exception

12
00:01:29,109 --> 00:01:27,200

partly because i believe it was his

13
00:01:31,190 --> 00:01:29,119

agent or publicist i'm not exactly sure

14

00:01:33,270 --> 00:01:31,200

what the relationship is had initially

15

00:01:35,270 --> 00:01:33,280

sent me an email about four years ago

16

00:01:37,590 --> 00:01:35,280

and i wasn't doing this alive then it

17

00:01:39,749 --> 00:01:37,600

was mainly in person and

18

00:01:42,069 --> 00:01:39,759

i just put it to the side to get back to

19

00:01:43,910 --> 00:01:42,079

it later sure enough four years later

20

00:01:47,270 --> 00:01:43,920

here we are so i'm glad it all worked

21

00:01:49,830 --> 00:01:47,280

out uh so uh later on we might have some

22

00:01:51,590 --> 00:01:49,840

time for q a i'm going to have gerard on

23

00:01:53,670 --> 00:01:51,600

for about an hour he said it's okay if

24

00:01:56,310 --> 00:01:53,680

we go a little bit over depending on how

25

00:01:57,590 --> 00:01:56,320

many questions might come in uh if you

26

00:02:00,789 --> 00:01:57,600

would like to ask them a question

27

00:02:02,550 --> 00:02:00,799

directly you can ask using telegram

28

00:02:03,910 --> 00:02:02,560

there's a live stream or a voice chat

29

00:02:06,469 --> 00:02:03,920

going on there live

30

00:02:09,430 --> 00:02:06,479

live right now because it's streaming on

31

00:02:12,070 --> 00:02:09,440

youtube and twitch via video and audio

32

00:02:14,790 --> 00:02:12,080

and voice only on telegram and when the

33

00:02:17,750 --> 00:02:14,800

time comes you can simply join the group

34

00:02:19,910 --> 00:02:17,760

and raise your hand to ask a question

35

00:02:21,910 --> 00:02:19,920

until we get to that point you might not

36

00:02:24,390 --> 00:02:21,920

have telegram so make sure you download

37

00:02:26,470 --> 00:02:24,400

it either on your phone or the computer

38

00:02:28,470 --> 00:02:26,480

but the link for the ufo hub group is in

39

00:02:30,229 --> 00:02:28,480

the description below and that there's

40

00:02:33,270 --> 00:02:30,239

voice chat going there right now which

41

00:02:35,509 --> 00:02:33,280

you can join so also in the description

42

00:02:37,750 --> 00:02:35,519

as i always do with all the guests

43

00:02:40,150 --> 00:02:37,760

gerrard's links to all his books i

44

00:02:42,229 --> 00:02:40,160

believe the translate in english and so

45

00:02:44,070 --> 00:02:42,239

uh i always encourage people to check

46

00:02:46,390 --> 00:02:44,080

him out and

47

00:02:48,390 --> 00:02:46,400

so without any further ado

48

00:02:50,869 --> 00:02:48,400

let me bring in

49

00:02:53,110 --> 00:02:50,879

gerard and so gerard thanks for being on

50

00:02:55,509 --> 00:02:53,120

how are you

51
00:02:59,110 --> 00:02:55,519
hi adam thanks for for having me in for

52
00:03:02,550 --> 00:02:59,120
uh for uh um switching your uh your

53
00:03:05,030 --> 00:03:02,560
usual days to uh to today so uh i can

54
00:03:06,309 --> 00:03:05,040
make it on your program

55
00:03:08,390 --> 00:03:06,319
i appreciate it

56
00:03:11,589 --> 00:03:08,400
oh no problem i'm glad we're able to to

57
00:03:13,509 --> 00:03:11,599
work this out and um so

58
00:03:15,350 --> 00:03:13,519
basically let's uh let's kind of start

59
00:03:17,270 --> 00:03:15,360
out especially for the first time guests

60
00:03:19,509 --> 00:03:17,280
i would like to always ask him about

61
00:03:21,270 --> 00:03:19,519
what gotham initially started what got

62
00:03:22,149 --> 00:03:21,280
him into whatever field there happened

63
00:03:23,990 --> 00:03:22,159

to be

64

00:03:25,910 --> 00:03:24,000

and so if you could give us a little bit

65

00:03:28,470 --> 00:03:25,920

of background information about you and

66

00:03:29,430 --> 00:03:28,480

we'll start from there

67

00:03:31,190 --> 00:03:29,440

sure

68

00:03:34,390 --> 00:03:31,200

um

69

00:03:35,830 --> 00:03:34,400

it's uh it it's it's a

70

00:03:38,949 --> 00:03:35,840

maybe a bit

71

00:03:40,149 --> 00:03:38,959

of a lengthy introduction but it it all

72

00:03:41,350 --> 00:03:40,159

started

73

00:03:48,229 --> 00:03:41,360

um

74

00:03:50,789 --> 00:03:48,239

on a on an overland trip with two

75

00:03:52,789 --> 00:03:50,799

friends from amsterdam where you know

76

00:03:54,470 --> 00:03:52,799

well i wasn't living in amsterdam but we

77

00:03:57,589 --> 00:03:54,480

we lived in a village not far from

78

00:03:59,350 --> 00:03:57,599

amsterdam overland trip to india which

79

00:04:01,350 --> 00:03:59,360

was still possible at the time it was

80

00:04:05,509 --> 00:04:01,360

before the iranian revolution and before

81

00:04:06,789 --> 00:04:05,519

the russian invasion of afghanistan

82

00:04:09,030 --> 00:04:06,799

and

83

00:04:09,990 --> 00:04:09,040

during that trip i

84

00:04:12,070 --> 00:04:10,000

bought

85

00:04:16,469 --> 00:04:12,080

initially my first

86

00:04:17,509 --> 00:04:16,479

book by eric vondenke the swiss

87

00:04:19,990 --> 00:04:17,519

author

88

00:04:21,509 --> 00:04:20,000

researcher who brought to light many

89

00:04:24,230 --> 00:04:21,519

anomalies

90

00:04:26,629 --> 00:04:24,240

from around the world on which the

91

00:04:29,030 --> 00:04:26,639

you know the popular tv series ancient

92

00:04:31,430 --> 00:04:29,040

astronauts is based

93

00:04:33,909 --> 00:04:31,440

um and uh

94

00:04:35,430 --> 00:04:33,919

over the course of of my trip um i

95

00:04:37,909 --> 00:04:35,440

bought about i thought it was

96

00:04:39,909 --> 00:04:37,919

fascinating i bought about

97

00:04:42,950 --> 00:04:39,919

six of his books

98

00:04:45,110 --> 00:04:42,960

in the end i was traveling with about 13

99

00:04:46,150 --> 00:04:45,120

books in my backpack

100

00:04:47,110 --> 00:04:46,160

um

101
00:04:49,510 --> 00:04:47,120
and

102
00:04:50,790 --> 00:04:49,520
it so happened that while we were in

103
00:04:53,749 --> 00:04:50,800
nepal

104
00:04:54,870 --> 00:04:53,759
where i spent two months and there were

105
00:04:57,350 --> 00:04:54,880
you know

106
00:05:00,390 --> 00:04:57,360
other travelers from other countries and

107
00:05:03,350 --> 00:05:00,400
one of these i befriended was a guy from

108
00:05:05,909 --> 00:05:03,360
uh from iowa city iowa

109
00:05:08,310 --> 00:05:05,919
and he was also into into the same kind

110
00:05:10,870 --> 00:05:08,320
of stuff so we talked a lot while we

111
00:05:13,830 --> 00:05:10,880
were there met up again on our way back

112
00:05:16,710 --> 00:05:13,840
respective ways back to back home

113
00:05:18,629 --> 00:05:16,720

he flying back to america and

114

00:05:21,430 --> 00:05:18,639

me setting off on

115

00:05:24,950 --> 00:05:21,440

on the overland trip back to amsterdam

116

00:05:26,390 --> 00:05:24,960

we met again in delhi and

117

00:05:27,189 --> 00:05:26,400

he gave me

118

00:05:30,230 --> 00:05:27,199

uh

119

00:05:33,350 --> 00:05:30,240

he lent me a copy of a book

120

00:05:35,830 --> 00:05:33,360

called the yoga of wisdom

121

00:05:37,909 --> 00:05:35,840

and at the time i wasn't you know i

122

00:05:40,310 --> 00:05:37,919

didn't go to india to find enlightenment

123

00:05:41,670 --> 00:05:40,320

or guru or anything like like many other

124

00:05:43,270 --> 00:05:41,680

people

125

00:05:44,870 --> 00:05:43,280

i was more of a social activist

126
00:05:47,510 --> 00:05:44,880
basically

127
00:05:49,590 --> 00:05:47,520
but but that extraterrestrial the idea

128
00:05:50,950 --> 00:05:49,600
of extraterrestrial visitors really

129
00:05:53,990 --> 00:05:50,960
spoke to me

130
00:05:57,189 --> 00:05:54,000
and i i don't remember if i had already

131
00:05:59,350 --> 00:05:57,199
read george adamski's book

132
00:06:01,990 --> 00:05:59,360
flying sources have landed

133
00:06:06,309 --> 00:06:02,000
from 1953.

134
00:06:10,230 --> 00:06:09,029
during that trip also um

135
00:06:14,230 --> 00:06:10,240
in india

136
00:06:16,230 --> 00:06:14,240
uh one day i had a tremendous experience

137
00:06:17,270 --> 00:06:16,240
of of oneness

138
00:06:18,950 --> 00:06:17,280

um

139

00:06:21,990 --> 00:06:18,960

i think it happened in my sleep it

140

00:06:26,070 --> 00:06:22,000

wasn't the vision as far as i can recall

141

00:06:29,430 --> 00:06:26,080

but it was so profound that it kept me

142

00:06:32,870 --> 00:06:29,440

engaged for the whole day the next day

143

00:06:34,950 --> 00:06:32,880

to the extent that i didn't

144

00:06:37,670 --> 00:06:34,960

speak a word for the whole i didn't even

145

00:06:40,070 --> 00:06:37,680

say good morning to my travel companions

146

00:06:41,510 --> 00:06:40,080

so the day after they asked me are you

147

00:06:43,430 --> 00:06:41,520

all right again

148

00:06:45,189 --> 00:06:43,440

and i asked them why what what's the

149

00:06:46,830 --> 00:06:45,199

matter what happened

150

00:06:49,830 --> 00:06:46,840

they said you didn't say a word

151

00:06:53,350 --> 00:06:49,840

yesterday um you know so it was so

152

00:06:55,830 --> 00:06:53,360

um all consuming the the experience

153

00:06:59,749 --> 00:06:55,840

and i didn't even know you know how to

154

00:07:01,350 --> 00:06:59,759

what to do with it or how to how to

155

00:07:04,150 --> 00:07:01,360

yeah how to

156

00:07:06,629 --> 00:07:04,160

frame it in words i i wrote a long

157

00:07:08,469 --> 00:07:06,639

letter about it to to friends at home

158

00:07:10,150 --> 00:07:08,479

but that letter

159

00:07:11,510 --> 00:07:10,160

that's the only letter that never never

160

00:07:14,309 --> 00:07:11,520

arrived

161

00:07:16,710 --> 00:07:14,319

um and and the book that i was led by my

162

00:07:19,510 --> 00:07:16,720

friend from iowa city

163

00:07:20,550 --> 00:07:19,520

to read on the way back

164

00:07:23,589 --> 00:07:20,560

that

165

00:07:25,430 --> 00:07:24,190

how

166

00:07:27,430 --> 00:07:25,440

[Music]

167

00:07:30,870 --> 00:07:27,440

everything is one and

168

00:07:35,029 --> 00:07:30,880

life is really a manifestation of

169

00:07:36,950 --> 00:07:35,909

which

170

00:07:39,510 --> 00:07:36,960

you know

171

00:07:41,749 --> 00:07:39,520

which really made sense or

172

00:07:43,029 --> 00:07:41,759

helped me make sense of that experience

173

00:07:46,150 --> 00:07:43,039

i had

174

00:07:48,150 --> 00:07:46,160

so that's really where it started and

175

00:07:49,350 --> 00:07:48,160

although i later on

176

00:07:50,230 --> 00:07:49,360

um

177

00:07:53,510 --> 00:07:50,240

sort of

178

00:07:56,869 --> 00:07:53,520

left eric von daniken behind and i uh a

179

00:08:00,869 --> 00:07:56,879

year later i became involved with

180

00:08:03,350 --> 00:08:02,390

who

181

00:08:06,150 --> 00:08:03,360

helped

182

00:08:08,550 --> 00:08:06,160

the british the british esotericist

183

00:08:09,909 --> 00:08:08,560

benjamin cram to spread the information

184

00:08:12,550 --> 00:08:09,919

about the

185

00:08:16,309 --> 00:08:12,560

return to the modern world of the world

186

00:08:21,270 --> 00:08:17,260

i

187

00:08:23,589 --> 00:08:21,280

that was actually you know

188

00:08:24,830 --> 00:08:23,599

i've been involved with that for over 40

189

00:08:26,390 --> 00:08:24,840

years

190

00:08:27,270 --> 00:08:26,400

um

191

00:08:30,070 --> 00:08:27,280

that

192

00:08:32,550 --> 00:08:30,080

also led me to the books by george

193

00:08:35,029 --> 00:08:32,560

adamski and many other contact teams of

194

00:08:38,829 --> 00:08:35,039

the 1950s i call them the original

195

00:08:43,269 --> 00:08:40,389

the

196

00:08:46,389 --> 00:08:43,279

um

197

00:08:49,030 --> 00:08:46,399

the experience i had in in the in india

198

00:08:50,310 --> 00:08:49,040

and the book i read about the yoga of

199

00:08:52,829 --> 00:08:50,320

wisdom

200

00:08:55,829 --> 00:08:52,839

helped me understand that

201
00:08:57,509 --> 00:08:55,839
um life is really about the evolution of

202
00:08:58,790 --> 00:08:57,519
consciousness and

203
00:09:03,110 --> 00:08:58,800
and

204
00:09:05,350 --> 00:09:03,120
in recent years

205
00:09:07,750 --> 00:09:05,360
in researching my latest book pioneers

206
00:09:09,750 --> 00:09:07,760
of oneness

207
00:09:12,150 --> 00:09:09,760
i come across the findings latest

208
00:09:15,590 --> 00:09:12,160
findings of quantum science and system

209
00:09:17,350 --> 00:09:15,600
science and these indicate the same

210
00:09:19,430 --> 00:09:17,360
things the same

211
00:09:22,389 --> 00:09:19,440
they come to the same

212
00:09:23,750 --> 00:09:22,399
conclusion you might say

213
00:09:25,590 --> 00:09:23,760

that

214

00:09:30,150 --> 00:09:25,600

everything is interrelated and

215

00:09:31,829 --> 00:09:30,160

interconnected and interacts as a whole

216

00:09:37,750 --> 00:09:31,839

and

217

00:09:40,470 --> 00:09:37,760

might see ourselves human beings as a

218

00:09:42,470 --> 00:09:40,480

system within a larger system in a

219

00:09:44,280 --> 00:09:42,480

larger organism that we call planet

220

00:09:46,230 --> 00:09:44,290

earth

221

00:09:48,870 --> 00:09:46,240

[Music]

222

00:09:50,630 --> 00:09:48,880

they manifest this

223

00:09:54,949 --> 00:09:50,640

this growing consciousness is growing

224

00:09:56,870 --> 00:09:54,959

awareness so as we evolve we

225

00:09:57,590 --> 00:09:56,880

you know through history not

226

00:10:00,389 --> 00:09:57,600

not

227

00:10:01,910 --> 00:10:00,399

just individually but also as a species

228

00:10:05,190 --> 00:10:01,920

as we evolve

229

00:10:08,150 --> 00:10:05,200

we are able to manifest more of the of

230

00:10:09,750 --> 00:10:08,160

the origin of life or the the source of

231

00:10:12,389 --> 00:10:09,760

our consciousness

232

00:10:15,509 --> 00:10:12,399

and and become

233

00:10:17,509 --> 00:10:15,519

or get in closer contact with with the

234

00:10:19,990 --> 00:10:17,519

source of life and you know some would

235

00:10:21,269 --> 00:10:20,000

call it divinity and we would be able we

236

00:10:23,670 --> 00:10:21,279

will be able to

237

00:10:24,630 --> 00:10:23,680

express more of that that

238

00:10:25,829 --> 00:10:24,640

um

239

00:10:27,269 --> 00:10:25,839

basic

240

00:10:29,190 --> 00:10:27,279

uh divinity

241

00:10:30,150 --> 00:10:29,200

if we if we stick to

242

00:10:34,630 --> 00:10:30,160

the

243

00:10:35,990 --> 00:10:34,640

um

244

00:10:38,550 --> 00:10:36,000

the

245

00:10:41,829 --> 00:10:38,560

mentioned

246

00:10:44,310 --> 00:10:41,839

um are exponents of

247

00:10:47,030 --> 00:10:44,320

the uh the spiritual kingdom

248

00:10:49,190 --> 00:10:47,040

the next kingdom up in nature from from

249

00:10:51,750 --> 00:10:49,200

the human kingdom according to the

250

00:10:56,790 --> 00:10:51,760

wisdom teachings

251
00:11:01,350 --> 00:10:59,030
they have been

252
00:11:04,310 --> 00:11:01,360
taking steps to

253
00:11:05,509 --> 00:11:04,320
uh to return to the world through

254
00:11:08,870 --> 00:11:05,519
you know

255
00:11:10,470 --> 00:11:08,880
preparing humanity for this

256
00:11:13,509 --> 00:11:10,480
rather

257
00:11:16,389 --> 00:11:13,519
major expansion of our understanding of

258
00:11:18,230 --> 00:11:16,399
life first through the work of manna

259
00:11:20,230 --> 00:11:18,240
blavatsky

260
00:11:22,230 --> 00:11:20,240
and the theosophical society in the late

261
00:11:25,110 --> 00:11:22,240
19th century

262
00:11:26,949 --> 00:11:25,120
that was expanded on very much by alice

263
00:11:30,069 --> 00:11:26,959

bailey

264

00:11:32,790 --> 00:11:30,079

and um the last installment so to speak

265

00:11:36,470 --> 00:11:32,800

uh came through benjamin graham who

266

00:11:37,750 --> 00:11:36,480

died in 2016. he was 93 years old i

267

00:11:39,430 --> 00:11:37,760

believe

268

00:11:41,269 --> 00:11:39,440

so this whole

269

00:11:42,949 --> 00:11:41,279

set of

270

00:11:44,310 --> 00:11:42,959

what are known as the ages of wisdom

271

00:11:45,910 --> 00:11:44,320

teachings

272

00:11:49,110 --> 00:11:45,920

explain to us

273

00:11:51,670 --> 00:11:49,120

uh the the true nature of life as this

274

00:11:54,150 --> 00:11:51,680

movement of of consciousness ever

275

00:11:54,949 --> 00:11:54,160

expanding consciousness

276

00:11:57,990 --> 00:11:54,959

and

277

00:11:59,990 --> 00:11:58,000

human beings as as exponents in this

278

00:12:01,030 --> 00:12:00,000

process

279

00:12:02,470 --> 00:12:01,040

um

280

00:12:04,069 --> 00:12:02,480

and

281

00:12:06,310 --> 00:12:04,079

um

282

00:12:10,310 --> 00:12:06,320

the uh

283

00:12:13,269 --> 00:12:11,990

struck a chord

284

00:12:17,509 --> 00:12:13,279

when i

285

00:12:19,430 --> 00:12:17,519

various accounts of the original

286

00:12:22,870 --> 00:12:19,440

quantities

287

00:12:25,110 --> 00:12:22,880

they speak or their their their

288

00:12:26,069 --> 00:12:25,120

you know their contacts from space speak

289

00:12:29,990 --> 00:12:26,079

about

290

00:12:31,190 --> 00:12:30,000

evolution of consciousness

291

00:12:32,069 --> 00:12:31,200

so we have

292

00:12:35,350 --> 00:12:32,079

uh

293

00:12:37,750 --> 00:12:35,360

now system science and quantum science

294

00:12:39,509 --> 00:12:37,760

who basically say very much the same

295

00:12:42,870 --> 00:12:39,519

thing that the aegis wisdom teachings

296

00:12:44,790 --> 00:12:42,880

have been have been imparting uh since

297

00:12:47,030 --> 00:12:44,800

they were reintroduced to the world in

298

00:12:49,190 --> 00:12:47,040

the late 19th century

299

00:12:52,069 --> 00:12:49,200

and we have uh

300

00:12:54,150 --> 00:12:52,079

the accounts of the uh of the

301

00:12:58,470 --> 00:12:54,160

original contactees and many later

302

00:13:04,150 --> 00:13:01,110

state that life is about the evolution

303

00:13:06,710 --> 00:13:04,160

of consciousness or or

304

00:13:07,829 --> 00:13:06,720

life is universal and it manifests

305

00:13:08,870 --> 00:13:07,839

through

306

00:13:10,949 --> 00:13:08,880

um

307

00:13:13,750 --> 00:13:10,959

through the uh

308

00:13:14,629 --> 00:13:13,760

the evolution of consciousness

309

00:13:17,590 --> 00:13:14,639

and

310

00:13:19,030 --> 00:13:17,600

for me the um you know going back to to

311

00:13:21,910 --> 00:13:19,040

your question

312

00:13:25,590 --> 00:13:21,920

what triggered me i've been so involved

313

00:13:28,710 --> 00:13:25,600

in in the work of

314

00:13:29,990 --> 00:13:28,720

preparing the world

315

00:13:32,389 --> 00:13:30,000

for the

316

00:13:33,110 --> 00:13:32,399

with the information that the masters

317

00:13:36,949 --> 00:13:33,120

the

318

00:13:37,910 --> 00:13:36,959

world

319

00:13:39,509 --> 00:13:37,920

um

320

00:13:40,550 --> 00:13:39,519

that

321

00:13:42,230 --> 00:13:40,560

when i

322

00:13:45,110 --> 00:13:42,240

learned i don't know if you're familiar

323

00:13:47,750 --> 00:13:45,120

with george adamski but you know his

324

00:13:50,870 --> 00:13:47,760

most famous books well-known books are

325

00:13:54,389 --> 00:13:50,880

flying sources have landed 1953 inside

326

00:13:56,949 --> 00:13:54,399

the spaceships 1955 and flying sources

327

00:13:59,750 --> 00:13:56,959

farewell 1961

328

00:14:00,629 --> 00:13:59,760

but he wrote much more

329

00:14:02,550 --> 00:14:00,639

and

330

00:14:05,430 --> 00:14:02,560

his very first book

331

00:14:07,670 --> 00:14:05,440

1932 i recently discovered a few years

332

00:14:11,590 --> 00:14:07,680

ago but until that time

333

00:14:13,590 --> 00:14:11,600

his um his book from 1936 the

334

00:14:15,910 --> 00:14:13,600

wisdom of the masters of the far east

335

00:14:17,990 --> 00:14:15,920

was considered his first book and when i

336

00:14:19,110 --> 00:14:18,000

got hold of that

337

00:14:24,389 --> 00:14:19,120

it

338

00:14:25,269 --> 00:14:24,399

teachings that i'd been studying you

339

00:14:27,110 --> 00:14:25,279

know the

340

00:14:29,030 --> 00:14:27,120

books by madame blavatsky and ellis

341

00:14:31,189 --> 00:14:29,040

bailey and benjamin graham

342

00:14:33,750 --> 00:14:31,199

and when i saw that connection

343

00:14:36,310 --> 00:14:33,760

i started

344

00:14:38,230 --> 00:14:36,320

delving deeper and deeper into the

345

00:14:40,629 --> 00:14:38,240

accounts of the original contactees

346

00:14:42,870 --> 00:14:40,639

especially when i saw there were so many

347

00:14:46,069 --> 00:14:42,880

correspondences in their accounts

348

00:14:47,990 --> 00:14:46,079

so i'm sorry for the for the lengthy

349

00:14:50,150 --> 00:14:48,000

for the lengthy uh

350

00:14:51,750 --> 00:14:50,160

introduction but that's really how um

351
00:14:54,949 --> 00:14:51,760
how i started

352
00:14:56,470 --> 00:14:54,959
to um yeah to become involved in this in

353
00:14:58,389 --> 00:14:56,480
this field

354
00:15:00,230 --> 00:14:58,399
no that's quite a right the more details

355
00:15:03,269 --> 00:15:00,240
are better especially if if not for

356
00:15:05,590 --> 00:15:03,279
anyone else than for uh selfish

357
00:15:07,110 --> 00:15:05,600
reasons for myself since again this is

358
00:15:09,430 --> 00:15:07,120
the very first time that we are speaking

359
00:15:11,990 --> 00:15:09,440
together so i wanted to ask you about

360
00:15:14,150 --> 00:15:12,000
regarding these original 1950s

361
00:15:16,310 --> 00:15:14,160
contactees

362
00:15:18,870 --> 00:15:16,320
would it be safe to say that it was kind

363
00:15:19,750 --> 00:15:18,880

of this assumption by these

364

00:15:21,990 --> 00:15:19,760

um

365

00:15:24,870 --> 00:15:22,000

different beings that initially

366

00:15:27,030 --> 00:15:24,880

abducted contacted these different

367

00:15:29,030 --> 00:15:27,040

you know human beings that they thought

368

00:15:31,350 --> 00:15:29,040

that if we convey this message to them

369

00:15:33,590 --> 00:15:31,360

that this will go out to the world and

370

00:15:36,150 --> 00:15:33,600

then everyone else will kind of sit down

371

00:15:38,310 --> 00:15:36,160

and take this into consideration or what

372

00:15:39,430 --> 00:15:38,320

is the what was the original thought was

373

00:15:41,189 --> 00:15:39,440

was there any

374

00:15:43,670 --> 00:15:41,199

was there a differentiation between any

375

00:15:45,189 --> 00:15:43,680

of these people were they whether

376

00:15:46,790 --> 00:15:45,199

um i guess

377

00:15:49,189 --> 00:15:46,800

were they more well-known people were

378

00:15:52,069 --> 00:15:49,199

they just average uh joe's as we call it

379

00:15:53,829 --> 00:15:52,079

here in america uh what is you know do

380

00:15:55,350 --> 00:15:53,839

you have any information regarding that

381

00:15:57,509 --> 00:15:55,360

and what what

382

00:16:00,150 --> 00:15:57,519

if there is a a kind of a conclusion or

383

00:16:02,150 --> 00:16:00,160

a purpose to be drawn from that which is

384

00:16:03,829 --> 00:16:02,160

is that what they meant for them to just

385

00:16:05,990 --> 00:16:03,839

go out and talk to everyone else on the

386

00:16:09,269 --> 00:16:06,000

planet about them

387

00:16:11,430 --> 00:16:09,279

right yes um well we have to we have to

388

00:16:13,269 --> 00:16:11,440

remember the context in which the

389

00:16:15,509 --> 00:16:13,279

original contacts happened

390

00:16:18,069 --> 00:16:15,519

and the context was of course the cold

391

00:16:19,670 --> 00:16:18,079

war there was a cold war waging

392

00:16:22,470 --> 00:16:19,680

the second world war ended of course in

393

00:16:23,749 --> 00:16:22,480

1945 with the victory of the allied

394

00:16:25,749 --> 00:16:23,759

forces

395

00:16:28,790 --> 00:16:25,759

defeating the nazis in germany the

396

00:16:30,790 --> 00:16:28,800

militarists in japan and the fascists in

397

00:16:31,250 --> 00:16:30,800

italy

398

00:16:33,590 --> 00:16:31,260

and

399

00:16:34,710 --> 00:16:33,600

[Music]

400

00:16:46,069 --> 00:16:34,720

the

401
00:16:52,069 --> 00:16:46,079
you know

402
00:16:57,590 --> 00:16:55,110
partnering with with the soviet union

403
00:16:59,110 --> 00:16:57,600
but soon after the end of the second

404
00:17:02,870 --> 00:16:59,120
world war

405
00:17:08,949 --> 00:17:06,710
started to compete uh for the for global

406
00:17:12,150 --> 00:17:08,959
influence for um

407
00:17:15,110 --> 00:17:12,160
uh yeah the the uh the power you know

408
00:17:18,630 --> 00:17:15,120
dividing the world in power blocks uh so

409
00:17:19,990 --> 00:17:18,640
we had the east bloc the eastern block

410
00:17:22,470 --> 00:17:20,000
ruled

411
00:17:24,150 --> 00:17:22,480
under control of the soviet union and

412
00:17:27,829 --> 00:17:24,160
the western bloc

413
00:17:29,029 --> 00:17:27,839

under control of the united states and

414

00:17:29,990 --> 00:17:29,039

nato

415

00:17:32,950 --> 00:17:30,000

and

416

00:17:35,750 --> 00:17:32,960

this was a dangerous division of course

417

00:17:38,950 --> 00:17:35,760

because uh we had just we humanity had

418

00:17:41,669 --> 00:17:38,960

just invented the uh the atom ball the

419

00:17:45,190 --> 00:17:41,679

hydrogen bomb was in development

420

00:17:47,029 --> 00:17:45,200

um and um this has the potential still

421

00:17:49,909 --> 00:17:47,039

now today

422

00:17:51,350 --> 00:17:49,919

of destroying our world that we you know

423

00:17:52,710 --> 00:17:51,360

that we live on that

424

00:17:55,590 --> 00:17:52,720

that is our home

425

00:17:58,950 --> 00:17:55,600

and if we destroy our planet that will

426

00:18:01,590 --> 00:17:58,960

have severe severe severe effects on on

427

00:18:05,190 --> 00:18:01,600

the solar system as a whole now we tend

428

00:18:07,350 --> 00:18:05,200

to think of of earth as this planet that

429

00:18:10,789 --> 00:18:07,360

is fortunate enough to have

430

00:18:12,390 --> 00:18:10,799

to have spawned life as we know it uh

431

00:18:14,549 --> 00:18:12,400

which we haven't been able to find

432

00:18:15,270 --> 00:18:14,559

anywhere else in the universe

433

00:18:16,070 --> 00:18:15,280

but

434

00:18:20,070 --> 00:18:16,080

to

435

00:18:22,710 --> 00:18:20,080

from other planets we are an integral

436

00:18:24,310 --> 00:18:22,720

part of the social system and

437

00:18:25,909 --> 00:18:24,320

the solar system so

438

00:18:26,950 --> 00:18:25,919

and

439

00:18:28,710 --> 00:18:26,960

that is

440

00:18:30,549 --> 00:18:28,720

what they came to

441

00:18:32,390 --> 00:18:30,559

tell us through

442

00:18:33,510 --> 00:18:32,400

people like george adamski truman

443

00:18:36,950 --> 00:18:33,520

bathroom

444

00:18:39,110 --> 00:18:36,960

buck nelson howard manager and and

445

00:18:40,870 --> 00:18:39,120

various various others the ones i just

446

00:18:42,789 --> 00:18:40,880

mentioned are all from the united states

447

00:18:45,909 --> 00:18:42,799

but there were others in brazil and in

448

00:18:48,070 --> 00:18:45,919

europa and other parts of the world

449

00:18:50,310 --> 00:18:48,080

and these were

450

00:18:53,830 --> 00:18:50,320

what you what you would call indeed

451
00:18:55,510 --> 00:18:53,840
average joes in general people with no

452
00:18:57,510 --> 00:18:55,520
particular

453
00:19:00,470 --> 00:18:57,520
social standing rather

454
00:19:01,510 --> 00:19:00,480
simple in the sense of you know

455
00:19:02,470 --> 00:19:01,520
little

456
00:19:05,510 --> 00:19:02,480
uh

457
00:19:08,950 --> 00:19:05,520
formal education

458
00:19:10,789 --> 00:19:08,960
for a specific reason

459
00:19:12,310 --> 00:19:10,799
if they had been

460
00:19:14,710 --> 00:19:12,320
the president of the united states or

461
00:19:16,310 --> 00:19:14,720
the queen of england or the pope of the

462
00:19:19,190 --> 00:19:16,320
catholic church

463
00:19:21,510 --> 00:19:19,200

people might have believed them based on

464

00:19:23,190 --> 00:19:21,520

their on their uh

465

00:19:24,390 --> 00:19:23,200

position in life

466

00:19:25,430 --> 00:19:24,400

their their

467

00:19:26,710 --> 00:19:25,440

their

468

00:19:27,669 --> 00:19:26,720

status

469

00:19:33,750 --> 00:19:27,679

um

470

00:19:36,310 --> 00:19:33,760

the prime directive you know to borrow

471

00:19:37,350 --> 00:19:36,320

the term from from the star trek uh

472

00:19:39,990 --> 00:19:37,360

series

473

00:19:43,190 --> 00:19:40,000

um that

474

00:19:45,190 --> 00:19:43,200

you know our free will is sacrosanct for

475

00:19:49,029 --> 00:19:45,200

not only the masters of wisdom

476

00:19:54,390 --> 00:19:52,390

to impart on us the spiritual facts of

477

00:19:57,510 --> 00:19:54,400

life through their work

478

00:20:00,870 --> 00:19:57,520

uh and but uh it's also sacrosanct for

479

00:20:04,310 --> 00:20:00,880

the for the uh extraterrestrial visitors

480

00:20:07,430 --> 00:20:04,320

that come here and they came in

481

00:20:10,070 --> 00:20:07,440

on the wake of the first explosions and

482

00:20:11,990 --> 00:20:10,080

tests of the atom bombs

483

00:20:15,190 --> 00:20:12,000

to warn humanity

484

00:20:16,870 --> 00:20:15,200

for the dangers of the dangers of these

485

00:20:19,270 --> 00:20:16,880

new

486

00:20:21,590 --> 00:20:19,280

means of mass destruction

487

00:20:22,549 --> 00:20:21,600

and and they came to

488

00:20:35,990 --> 00:20:22,559

to

489

00:20:37,750 --> 00:20:36,000

influence and so

490

00:20:40,310 --> 00:20:37,760

you know it's

491

00:20:42,470 --> 00:20:40,320

the you you mention the word abductions

492

00:20:44,870 --> 00:20:42,480

but i i uh

493

00:20:46,070 --> 00:20:44,880

i take offense

494

00:20:47,669 --> 00:20:46,080

because

495

00:20:50,070 --> 00:20:47,679

um

496

00:20:52,950 --> 00:20:50,080

there were no abductions there was there

497

00:20:55,190 --> 00:20:52,960

were no accounts of abductions among the

498

00:20:57,430 --> 00:20:55,200

original contactees

499

00:21:00,149 --> 00:20:57,440

there were the first case

500

00:21:03,270 --> 00:21:00,159

uh recorded case of of uh documented

501
00:21:05,830 --> 00:21:03,280
case documented a reported case of an

502
00:21:08,789 --> 00:21:05,840
abduction was in 1961

503
00:21:09,990 --> 00:21:08,799
betty and barney hill caves

504
00:21:11,750 --> 00:21:10,000
and

505
00:21:12,549 --> 00:21:11,760
we must remember that

506
00:21:16,470 --> 00:21:12,559
the

507
00:21:18,470 --> 00:21:16,480
drew

508
00:21:21,430 --> 00:21:18,480
more and more interest from the people

509
00:21:22,950 --> 00:21:21,440
who were war wary they were

510
00:21:25,590 --> 00:21:22,960
people were living at the time in the

511
00:21:28,230 --> 00:21:25,600
1950s under the palpable threat of

512
00:21:29,350 --> 00:21:28,240
nuclear annihilation you know

513
00:21:36,310 --> 00:21:29,360

the

514

00:21:39,029 --> 00:21:36,320

or or worse uh sending um

515

00:21:41,830 --> 00:21:39,039

atom bombs to destroy our western

516

00:21:43,029 --> 00:21:41,840

civilization and the same fear of course

517

00:21:44,870 --> 00:21:43,039

uh

518

00:21:47,430 --> 00:21:44,880

existed on the on the other side of the

519

00:21:48,549 --> 00:21:47,440

divide in in the soviet union and in

520

00:21:50,149 --> 00:21:48,559

those

521

00:21:51,029 --> 00:21:50,159

satellite states

522

00:21:51,909 --> 00:21:51,039

um

523

00:21:54,310 --> 00:21:51,919

so

524

00:21:56,870 --> 00:21:54,320

people were we were living under the

525

00:21:59,430 --> 00:21:56,880

psychological threat of nuclear

526
00:22:03,430 --> 00:21:59,440
annihilation and

527
00:22:05,270 --> 00:22:03,440
the uh the visitors the space visitors

528
00:22:06,149 --> 00:22:05,280
they came to

529
00:22:07,270 --> 00:22:06,159
to

530
00:22:08,870 --> 00:22:07,280
encourage

531
00:22:12,549 --> 00:22:08,880
and and

532
00:22:13,590 --> 00:22:12,559
inspire people with common people with

533
00:22:18,630 --> 00:22:13,600
the

534
00:22:20,870 --> 00:22:18,640
necessity for international cooperation

535
00:22:22,870 --> 00:22:20,880
to solve our to settle our problems

536
00:22:23,750 --> 00:22:22,880
rather than through conflict

537
00:22:29,830 --> 00:22:23,760
um

538
00:22:31,750 --> 00:22:29,840

know there was a growing uh group that

539

00:22:33,909 --> 00:22:31,760

was benji

540

00:22:37,029 --> 00:22:33,919

i mean george adamski

541

00:22:39,590 --> 00:22:37,039

gave a talk after his first book had

542

00:22:42,310 --> 00:22:39,600

been published

543

00:22:43,830 --> 00:22:42,320

he gave a talk in detroit in 1954 that

544

00:22:45,669 --> 00:22:43,840

drew 4

545

00:22:48,789 --> 00:22:45,679

700 people

546

00:22:50,630 --> 00:22:48,799

um you know and and

547

00:22:53,270 --> 00:22:50,640

naturally that

548

00:22:54,870 --> 00:22:53,280

got the authorities worried governments

549

00:22:56,390 --> 00:22:54,880

and military because

550

00:22:59,029 --> 00:22:56,400

for the

551
00:23:02,070 --> 00:22:59,039
expenditure the massive expenditure on

552
00:23:05,190 --> 00:23:02,080
nuclear weapons the government depends

553
00:23:06,470 --> 00:23:05,200
on the public's the public's support and

554
00:23:09,110 --> 00:23:06,480
if the public

555
00:23:10,310 --> 00:23:09,120
support would be diminishing would be

556
00:23:11,990 --> 00:23:10,320
waning

557
00:23:15,510 --> 00:23:12,000
for the military

558
00:23:17,909 --> 00:23:15,520
expenditure um you know that would

559
00:23:19,510 --> 00:23:17,919
that would mean they

560
00:23:22,870 --> 00:23:19,520
would feel weakened

561
00:23:24,310 --> 00:23:22,880
in the face of the soviet threat

562
00:23:25,750 --> 00:23:24,320
and vice versa

563
00:23:28,230 --> 00:23:25,760

so

564

00:23:31,430 --> 00:23:28,240

the the answer from

565

00:23:34,950 --> 00:23:31,440

the government military maybe some shady

566

00:23:36,630 --> 00:23:34,960

agencies in the government was to

567

00:23:38,789 --> 00:23:36,640

cause confusion

568

00:23:41,029 --> 00:23:38,799

among the public uh caused fear and

569

00:23:42,710 --> 00:23:41,039

confusion fear of the of the space

570

00:23:47,909 --> 00:23:42,720

visitors

571

00:23:54,149 --> 00:23:50,390

cooperating with with hollywood

572

00:23:56,470 --> 00:23:54,159

there was a continuous stream of

573

00:23:58,230 --> 00:23:56,480

you know very popular films

574

00:24:01,029 --> 00:23:58,240

um about

575

00:24:03,750 --> 00:24:01,039

alien invasions

576
00:24:05,590 --> 00:24:04,950
you know

577
00:24:07,590 --> 00:24:05,600
and

578
00:24:10,149 --> 00:24:07,600
in the end um

579
00:24:13,510 --> 00:24:10,159
they started to uh you know the

580
00:24:15,110 --> 00:24:13,520
contactees were ridiculed of course um

581
00:24:17,430 --> 00:24:15,120
there were scientific

582
00:24:19,590 --> 00:24:17,440
findings the first probes we're sending

583
00:24:22,070 --> 00:24:19,600
back data that show that

584
00:24:24,310 --> 00:24:22,080
there's no life possible on planets like

585
00:24:26,710 --> 00:24:24,320
mars and venus that the original

586
00:24:28,070 --> 00:24:26,720
contactee said there their visitors came

587
00:24:30,470 --> 00:24:28,080
from

588
00:24:32,390 --> 00:24:30,480

which of course is true in the sense of

589

00:24:34,149 --> 00:24:32,400

life as we know it

590

00:24:36,390 --> 00:24:34,159

but

591

00:24:39,909 --> 00:24:36,400

that you know at the same time we now

592

00:24:41,269 --> 00:24:39,919

know that according to astrophysics

593

00:24:44,470 --> 00:24:41,279

astrophysics

594

00:24:45,269 --> 00:24:44,480

calculations of the mass of the universe

595

00:24:49,590 --> 00:24:45,279

it

596

00:24:52,070 --> 00:24:49,600

um

597

00:24:54,070 --> 00:24:52,080

it cannot account for 90

598

00:24:55,990 --> 00:24:54,080

of the mass of the universe 90 is

599

00:24:57,190 --> 00:24:56,000

invisible to us to our instruments to

600

00:25:00,870 --> 00:24:57,200

our eyes

601
00:25:02,950 --> 00:25:00,880
um so you know it just goes to show that

602
00:25:05,269 --> 00:25:02,960
there may well be lots of things going

603
00:25:06,870 --> 00:25:05,279
on even in our solar system that we

604
00:25:07,830 --> 00:25:06,880
cannot see

605
00:25:09,350 --> 00:25:07,840
um

606
00:25:10,710 --> 00:25:09,360
so

607
00:25:15,510 --> 00:25:10,720
in order to

608
00:25:17,350 --> 00:25:15,520
to secure public support for the huge

609
00:25:19,830 --> 00:25:17,360
amounts of money

610
00:25:20,549 --> 00:25:19,840
public money spent on on the military

611
00:25:22,149 --> 00:25:20,559
and

612
00:25:23,669 --> 00:25:22,159
you know the further development of

613
00:25:24,789 --> 00:25:23,679

nuclear weapons

614

00:25:27,669 --> 00:25:24,799

um

615

00:25:29,750 --> 00:25:27,679

it was decided to to

616

00:25:33,190 --> 00:25:29,760

spread this information

617

00:25:36,470 --> 00:25:33,200

um about the visitors and the contactees

618

00:25:39,029 --> 00:25:36,480

and to the point that by the 19 by the

619

00:25:42,390 --> 00:25:39,039

end of the 1950s more and more people

620

00:25:44,630 --> 00:25:42,400

began to doubt their stories and

621

00:25:47,830 --> 00:25:44,640

in order to you know to

622

00:25:49,510 --> 00:25:47,840

er to finalize the final blow was you

623

00:25:51,750 --> 00:25:49,520

know

624

00:25:53,590 --> 00:25:51,760

the stories of abductions

625

00:26:00,500 --> 00:25:53,600

the

626
00:26:01,669 --> 00:26:00,510
not abduct anybody abduction

627
00:26:03,350 --> 00:26:01,679
[Music]

628
00:26:05,190 --> 00:26:03,360
implies

629
00:26:06,950 --> 00:26:05,200
doing something

630
00:26:09,909 --> 00:26:06,960
against people's

631
00:26:11,190 --> 00:26:09,919
or without people's consent

632
00:26:14,549 --> 00:26:11,200
and

633
00:26:17,510 --> 00:26:14,559
according to to the benjamin graham

634
00:26:21,269 --> 00:26:17,520
esotericists but also a contactee in the

635
00:26:23,029 --> 00:26:21,279
1950s himself

636
00:26:24,549 --> 00:26:23,039
none of that happens with the true

637
00:26:25,590 --> 00:26:24,559
visitors from space

638
00:26:27,909 --> 00:26:25,600

people

639

00:26:30,789 --> 00:26:27,919

i know i'm not trying to uh

640

00:26:33,350 --> 00:26:30,799

to deny people's experience personal

641

00:26:36,230 --> 00:26:33,360

experience but people who had

642

00:26:38,870 --> 00:26:36,240

an abduction experience

643

00:26:41,669 --> 00:26:38,880

or you know experience of having been

644

00:26:42,950 --> 00:26:41,679

experimented on things like that

645

00:26:47,269 --> 00:26:42,960

i believe

646

00:26:49,669 --> 00:26:47,279

um are the victims of staged experiences

647

00:26:52,549 --> 00:26:49,679

maybe under the influence of hypnosis or

648

00:26:56,149 --> 00:26:52,559

drugs or or a combination

649

00:26:59,269 --> 00:26:56,159

um and made to believe that

650

00:27:01,269 --> 00:26:59,279

this was done to them by by

651
00:27:04,230 --> 00:27:01,279
space visitors

652
00:27:06,390 --> 00:27:04,240
or aliens to use the popular term

653
00:27:09,430 --> 00:27:06,400
but um

654
00:27:13,029 --> 00:27:09,440
true contact is also always based on

655
00:27:15,110 --> 00:27:13,039
consent um and even even if people you

656
00:27:17,990 --> 00:27:15,120
know after the fact

657
00:27:20,710 --> 00:27:18,000
experience fear for the unknown

658
00:27:22,470 --> 00:27:20,720
or ridicule from friends around them

659
00:27:23,510 --> 00:27:22,480
when they share their story

660
00:27:26,950 --> 00:27:23,520
um

661
00:27:28,789 --> 00:27:26,960
the uh the visitors will never infringe

662
00:27:32,789 --> 00:27:28,799
our free will

663
00:27:34,549 --> 00:27:32,799

so um you know that's

664

00:27:36,950 --> 00:27:34,559

it's a bit again you know there's so

665

00:27:39,510 --> 00:27:36,960

many so many things

666

00:27:43,510 --> 00:27:39,520

about the context in which this happened

667

00:27:45,190 --> 00:27:43,520

um which i feel are important to to know

668

00:27:47,110 --> 00:27:45,200

because

669

00:27:49,190 --> 00:27:47,120

the people that i mentioned

670

00:27:51,830 --> 00:27:49,200

the original contactees have been

671

00:27:53,990 --> 00:27:51,840

ridiculed and because of the

672

00:27:55,190 --> 00:27:54,000

disinformation and misinformation that

673

00:27:56,789 --> 00:27:55,200

has been

674

00:27:59,510 --> 00:27:56,799

planted

675

00:28:02,789 --> 00:27:59,520

since the second half of the 1950s

676
00:28:04,870 --> 00:28:02,799
there's so much confusion about contact

677
00:28:06,789 --> 00:28:04,880
with visitors from space

678
00:28:08,870 --> 00:28:06,799
and and their intentions

679
00:28:09,909 --> 00:28:08,880
that the original message and the

680
00:28:13,350 --> 00:28:09,919
original

681
00:28:15,590 --> 00:28:13,360
the real intentions have become clouded

682
00:28:19,029 --> 00:28:15,600
if not obscured

683
00:28:23,269 --> 00:28:21,669
gerard what i wanted to ask these these

684
00:28:25,029 --> 00:28:23,279
different contactees and i don't know

685
00:28:27,430 --> 00:28:25,039
how important is

686
00:28:29,590 --> 00:28:27,440
as to the relevance

687
00:28:32,389 --> 00:28:29,600
in comparison to the message but did

688
00:28:34,470 --> 00:28:32,399

they ever say where they're from and if

689

00:28:36,389 --> 00:28:34,480

there's any kind of um

690

00:28:37,990 --> 00:28:36,399

i mean now many years later we know some

691

00:28:39,909 --> 00:28:38,000

claim that there's some relations

692

00:28:42,230 --> 00:28:39,919

between some of these visitors and the

693

00:28:44,950 --> 00:28:42,240

human race uh would you be able to speak

694

00:28:47,830 --> 00:28:44,960

a little bit about that

695

00:28:50,549 --> 00:28:47,840

yeah the the original contactees uh

696

00:28:53,029 --> 00:28:50,559

didn't hesitate to say that and they

697

00:28:55,750 --> 00:28:53,039

they were even taken on craft sometimes

698

00:28:57,510 --> 00:28:55,760

invited on craft to visit their planet

699

00:29:00,149 --> 00:28:57,520

they said they were from

700

00:29:02,230 --> 00:29:00,159

venus and mars and jupiter and saturn

701
00:29:03,990 --> 00:29:02,240
mainly

702
00:29:08,630 --> 00:29:04,000
and

703
00:29:14,310 --> 00:29:10,310
the

704
00:29:17,590 --> 00:29:14,320
campaign to

705
00:29:19,590 --> 00:29:17,600
to ridicule the contactees uh caused

706
00:29:22,070 --> 00:29:19,600
some of them even in the 1950s

707
00:29:24,230 --> 00:29:22,080
especially the second half to

708
00:29:27,029 --> 00:29:24,240
withhold that information and perhaps

709
00:29:28,870 --> 00:29:27,039
they were even they were even

710
00:29:31,190 --> 00:29:28,880
you know their contacts from space

711
00:29:33,350 --> 00:29:31,200
suggested you know maybe not

712
00:29:34,470 --> 00:29:33,360
not really important that

713
00:29:36,310 --> 00:29:34,480

that you

714

00:29:38,549 --> 00:29:36,320

say where we are from

715

00:29:40,950 --> 00:29:38,559

um

716

00:29:43,990 --> 00:29:40,960

you know and they came up with uh with

717

00:29:47,909 --> 00:29:44,000

fantasy names like like clarion and and

718

00:29:49,350 --> 00:29:47,919

other names um because it's not really

719

00:29:50,870 --> 00:29:49,360

about

720

00:29:51,830 --> 00:29:50,880

um

721

00:29:53,269 --> 00:29:51,840

you know

722

00:29:56,470 --> 00:29:53,279

being right

723

00:29:58,710 --> 00:29:56,480

for the effort space visitors and the

724

00:30:00,950 --> 00:29:58,720

importance is the fact that they're

725

00:30:01,909 --> 00:30:00,960

trying to let us know that we are one

726

00:30:06,549 --> 00:30:01,919

human

727

00:30:09,830 --> 00:30:06,559

and brothers and sisters of the same

728

00:30:11,269 --> 00:30:09,840

human race who share the same planet

729

00:30:14,230 --> 00:30:11,279

and

730

00:30:15,269 --> 00:30:14,240

it's it's crucial for our survival

731

00:30:19,029 --> 00:30:15,279

that we

732

00:30:21,669 --> 00:30:19,039

see that fact and acknowledge that

733

00:30:24,470 --> 00:30:21,679

accept that fact and act on it you know

734

00:30:27,269 --> 00:30:24,480

act on the on the um

735

00:30:30,230 --> 00:30:27,279

the fact that science is now also

736

00:30:33,430 --> 00:30:30,240

giving us that we are one intricately

737

00:30:35,830 --> 00:30:33,440

connected and then what one person does

738

00:30:38,789 --> 00:30:35,840

ripples throughout the planet through

739

00:30:41,190 --> 00:30:38,799

you know in behavior and acts of

740

00:30:42,070 --> 00:30:41,200

of our fellow fellow human beings

741

00:30:43,669 --> 00:30:42,080

um

742

00:30:45,430 --> 00:30:43,679

and and that's what is really what is

743

00:30:47,669 --> 00:30:45,440

important not so much if you know

744

00:30:50,070 --> 00:30:47,679

contacts are from from this planet

745

00:30:51,909 --> 00:30:50,080

without planets but the original contact

746

00:30:54,310 --> 00:30:51,919

is georgia damski

747

00:30:55,669 --> 00:30:54,320

um truman bathroom

748

00:30:57,029 --> 00:30:55,679

um

749

00:30:59,669 --> 00:30:57,039

i believe

750

00:31:01,750 --> 00:30:59,679

howard menger

751
00:31:02,950 --> 00:31:01,760
bucknelson in any case

752
00:31:04,549 --> 00:31:02,960
they they

753
00:31:06,310 --> 00:31:04,559
flat out said no you know i was

754
00:31:07,669 --> 00:31:06,320
contacted by someone from venus or

755
00:31:10,789 --> 00:31:07,679
saturn or

756
00:31:14,950 --> 00:31:11,590
so

757
00:31:16,789 --> 00:31:14,960
um can i uh would it be

758
00:31:18,710 --> 00:31:16,799
because sometimes you know we're open to

759
00:31:20,630 --> 00:31:18,720
talk about which any of the books that

760
00:31:22,149 --> 00:31:20,640
you have i know you and i talked about

761
00:31:24,149 --> 00:31:22,159
it earlier but

762
00:31:26,710 --> 00:31:24,159
maybe i might not have mentioned that to

763
00:31:27,750 --> 00:31:26,720

the to the guests watching so that was

764

00:31:29,990 --> 00:31:27,760

initially

765

00:31:31,830 --> 00:31:30,000

when uh when i

766

00:31:33,509 --> 00:31:31,840

received information about you and of

767

00:31:36,389 --> 00:31:33,519

course me setting the side for four

768

00:31:39,350 --> 00:31:36,399

years foolishly uh there was a picture

769

00:31:41,269 --> 00:31:39,360

in them that was um i guess to be a

770

00:31:43,029 --> 00:31:41,279

claim whether i think it was either a

771

00:31:44,789 --> 00:31:43,039

recreation or a picture would you be

772

00:31:46,789 --> 00:31:44,799

able maybe talk about that it was

773

00:31:50,470 --> 00:31:46,799

claiming that it was um

774

00:31:52,870 --> 00:31:50,480

taken i guess within this craft

775

00:31:54,950 --> 00:31:52,880

uh yes i just changed my background to

776
00:31:56,870 --> 00:31:54,960
to show one of these photographs these

777
00:32:00,470 --> 00:31:56,880
are actual photographs

778
00:32:02,950 --> 00:32:00,480
that have come forward through

779
00:32:05,509 --> 00:32:02,960
an italian case of contacts also that

780
00:32:07,350 --> 00:32:05,519
started in the in the 1950s it was a

781
00:32:08,950 --> 00:32:07,360
case of mass contact

782
00:32:10,549 --> 00:32:08,960
with uh

783
00:32:13,430 --> 00:32:10,559
in the end over

784
00:32:14,789 --> 00:32:13,440
100 italians

785
00:32:15,750 --> 00:32:14,799
not so much with

786
00:32:17,590 --> 00:32:15,760
people

787
00:32:19,750 --> 00:32:17,600
from other planets

788
00:32:20,549 --> 00:32:19,760

landing and inviting them on board but

789

00:32:22,230 --> 00:32:20,559

with

790

00:32:24,310 --> 00:32:22,240

people from other planets who were

791

00:32:25,669 --> 00:32:24,320

living and working in underground bases

792

00:32:27,509 --> 00:32:25,679

around italy

793

00:32:28,549 --> 00:32:27,519

this has become known as the friendship

794

00:32:30,870 --> 00:32:28,559

case

795

00:32:32,310 --> 00:32:30,880

and many photographs and

796

00:32:33,909 --> 00:32:32,320

and film

797

00:32:35,669 --> 00:32:33,919

images

798

00:32:37,430 --> 00:32:35,679

that we didn't have video cameras then

799

00:32:40,549 --> 00:32:37,440

but

800

00:32:43,590 --> 00:32:40,559

were taken by by the participants in

801
00:32:45,669 --> 00:32:43,600
this friendship case or amazia caves in

802
00:32:50,630 --> 00:32:45,679
italian

803
00:32:52,630 --> 00:32:50,640
started in 1956 and in 1958 i believe

804
00:32:56,070 --> 00:32:52,640
october 1958

805
00:32:58,870 --> 00:32:56,080
one of these craft landed

806
00:32:59,750 --> 00:32:58,880
somewhere along the coast in

807
00:33:02,710 --> 00:32:59,760
in

808
00:33:04,549 --> 00:33:02,720
italy one of the craft of these these

809
00:33:06,870 --> 00:33:04,559
space contacts

810
00:33:09,029 --> 00:33:06,880
and two people were invited on board to

811
00:33:12,070 --> 00:33:09,039
take photographs

812
00:33:13,669 --> 00:33:12,080
and uh these were published in a book by

813
00:33:14,950 --> 00:33:13,679

alberto perego

814

00:33:17,430 --> 00:33:14,960

uh who

815

00:33:18,950 --> 00:33:17,440

uh used to be a diplomat before the the

816

00:33:19,830 --> 00:33:18,960

second world war

817

00:33:22,710 --> 00:33:19,840

um

818

00:33:25,750 --> 00:33:22,720

was retired after the end of war

819

00:33:27,830 --> 00:33:25,760

and he was also

820

00:33:30,710 --> 00:33:27,840

the main contact george adamski had set

821

00:33:33,350 --> 00:33:30,720

up an international network of contacts

822

00:33:35,750 --> 00:33:33,360

in various countries including japan and

823

00:33:36,950 --> 00:33:35,760

italy and other european countries

824

00:33:38,870 --> 00:33:36,960

mexico

825

00:33:41,430 --> 00:33:38,880

and and

826

00:33:43,590 --> 00:33:41,440

alberto porrego was his main contact in

827

00:33:45,350 --> 00:33:43,600

italy

828

00:33:46,630 --> 00:33:45,360

and

829

00:33:49,110 --> 00:33:46,640

perego

830

00:33:51,509 --> 00:33:49,120

obtained these photographs from

831

00:33:52,630 --> 00:33:51,519

the two people who were invited on board

832

00:33:55,269 --> 00:33:52,640

the craft

833

00:33:58,549 --> 00:33:55,279

and behind me now is

834

00:34:03,590 --> 00:34:00,470

one of those photographs of the interior

835

00:34:04,789 --> 00:34:03,600

of a flying saucer

836

00:34:07,590 --> 00:34:04,799

and

837

00:34:09,829 --> 00:34:07,600

they've been unknown for uh for many

838

00:34:11,750 --> 00:34:09,839

years uh uh

839

00:34:13,829 --> 00:34:11,760

because you know they were they only

840

00:34:16,349 --> 00:34:13,839

they only appeared in a book

841

00:34:19,270 --> 00:34:16,359

uh i believe it was published in

842

00:34:20,790 --> 00:34:19,280

1961 i'm not entirely sure now

843

00:34:24,470 --> 00:34:20,800

um

844

00:34:25,750 --> 00:34:24,480

in italian in italy and never outside

845

00:34:27,589 --> 00:34:25,760

italy

846

00:34:30,310 --> 00:34:27,599

until i use them

847

00:34:32,950 --> 00:34:30,320

you know i found them and

848

00:34:35,430 --> 00:34:32,960

i had them digitally

849

00:34:37,909 --> 00:34:35,440

restored somewhat and enlarged to

850

00:34:40,790 --> 00:34:37,919

include in my book here to help ufos and

851
00:34:44,629 --> 00:34:42,950
in which i have a chapter that's called

852
00:34:48,550 --> 00:34:44,639
inside the spaceships

853
00:34:50,629 --> 00:34:48,560
as a tribute to george adamsky's

854
00:34:52,950 --> 00:34:50,639
by the same title

855
00:34:55,190 --> 00:34:52,960
and these uh yeah these photographs it

856
00:34:57,430 --> 00:34:55,200
was a series of photographs sort of

857
00:34:59,829 --> 00:34:57,440
going around the

858
00:35:02,710 --> 00:34:59,839
of course the round interior of of the

859
00:35:04,390 --> 00:35:02,720
ship showing the different panels and

860
00:35:07,670 --> 00:35:04,400
seats and things

861
00:35:10,790 --> 00:35:08,710
gerard

862
00:35:12,390 --> 00:35:10,800
what i wanted to

863
00:35:14,630 --> 00:35:12,400

um

864

00:35:16,790 --> 00:35:14,640

i guess i'm trying to decide which way

865

00:35:19,349 --> 00:35:16,800

to to go regarding this one whether or

866

00:35:20,950 --> 00:35:19,359

not we want to do you want to maybe go

867

00:35:24,550 --> 00:35:20,960

more into these some of the details and

868

00:35:27,190 --> 00:35:24,560

things you covered in your latest book

869

00:35:29,990 --> 00:35:27,200

um yes could do certainly

870

00:35:32,470 --> 00:35:30,000

um because i think it's also important

871

00:35:33,430 --> 00:35:32,480

to point out that

872

00:35:42,790 --> 00:35:33,440

the

873

00:35:45,270 --> 00:35:42,800

is

874

00:35:47,750 --> 00:35:45,280

and you know george adams's book inside

875

00:35:49,990 --> 00:35:47,760

spaceships that i just mentioned is

876
00:35:52,310 --> 00:35:50,000
is a prime example of that

877
00:35:53,670 --> 00:35:52,320
um

878
00:35:58,150 --> 00:35:53,680
is

879
00:36:01,589 --> 00:35:58,160
teachings that have been conveyed to us

880
00:36:02,550 --> 00:36:01,599
by our own human elder brothers you know

881
00:36:13,109 --> 00:36:02,560
the

882
00:36:14,470 --> 00:36:13,119
masters of wisdom who have

883
00:36:16,310 --> 00:36:14,480
you know who

884
00:36:19,190 --> 00:36:16,320
started out this

885
00:36:21,109 --> 00:36:19,200
as humans just as just like us

886
00:36:23,349 --> 00:36:21,119
but

887
00:36:26,950 --> 00:36:23,359
have gone ahead of us on the path of

888
00:36:30,069 --> 00:36:26,960

evolution back to the source and have

889

00:36:31,990 --> 00:36:30,079

sort of completed that path here on

890

00:36:34,710 --> 00:36:32,000

earth and become

891

00:36:38,150 --> 00:36:34,720

masters over their lower nature and

892

00:36:41,670 --> 00:36:38,160

masses over themselves and therefore are

893

00:36:42,550 --> 00:36:41,680

now known as the masters of wisdom

894

00:36:46,630 --> 00:36:42,560

their

895

00:36:50,950 --> 00:36:49,990

is completely in line with with uh what

896

00:36:53,349 --> 00:36:50,960

the

897

00:36:55,270 --> 00:36:53,359

original contact is for us to to convey

898

00:36:57,510 --> 00:36:55,280

to us except

899

00:37:00,150 --> 00:36:57,520

through you know the efforts of madame

900

00:37:02,870 --> 00:37:00,160

blavatsky in the late 19th century and

901
00:37:04,390 --> 00:37:02,880
alice bailey in the first half of the

902
00:37:06,790 --> 00:37:04,400
20th century

903
00:37:09,109 --> 00:37:06,800
and benjamin cram in the second half of

904
00:37:10,550 --> 00:37:09,119
first 20th century

905
00:37:12,870 --> 00:37:10,560
we have

906
00:37:15,670 --> 00:37:12,880
much more detailed

907
00:37:16,870 --> 00:37:15,680
teachings volume upon volume of

908
00:37:18,630 --> 00:37:16,880
teachings

909
00:37:19,990 --> 00:37:18,640
you know ready for anyone who's

910
00:37:22,630 --> 00:37:20,000
interested

911
00:37:23,349 --> 00:37:22,640
in the in the true nature of life and

912
00:37:25,910 --> 00:37:23,359
and

913
00:37:28,870 --> 00:37:25,920

the meaning of life so to speak

914

00:37:30,630 --> 00:37:28,880

um to uh you know to be picked up and

915

00:37:32,950 --> 00:37:30,640

studied and

916

00:37:35,910 --> 00:37:32,960

more than studied you know to to be

917

00:37:37,589 --> 00:37:35,920

practiced and to be put into practice

918

00:37:40,790 --> 00:37:37,599

and

919

00:37:42,630 --> 00:37:40,800

again to reconnect with our source

920

00:37:44,150 --> 00:37:42,640

um so that

921

00:37:47,589 --> 00:37:44,160

uh you know we may

922

00:37:51,270 --> 00:37:47,599

uh grow in understanding of the true

923

00:37:53,109 --> 00:37:51,280

nature of life the true facts of life

924

00:37:57,829 --> 00:37:53,119

so

925

00:38:01,910 --> 00:37:59,990

what i've done is

926
00:38:04,950 --> 00:38:01,920
show how

927
00:38:07,109 --> 00:38:04,960
the latest findings of systems science

928
00:38:10,390 --> 00:38:07,119
and quantum science

929
00:38:12,950 --> 00:38:11,510
conveyed

930
00:38:16,310 --> 00:38:12,960
in the teachings

931
00:38:19,750 --> 00:38:16,320
that have come through madame blavatsky

932
00:38:21,910 --> 00:38:19,760
who first introduced the notion uh in to

933
00:38:23,910 --> 00:38:21,920
the modern world of the evolution of

934
00:38:25,430 --> 00:38:23,920
consciousness you know through the

935
00:38:26,630 --> 00:38:25,440
kingdom in nature

936
00:38:28,550 --> 00:38:26,640
um

937
00:38:31,589 --> 00:38:28,560
the book i just mentioned that that i

938
00:38:34,150 --> 00:38:31,599

was lent on my on my journey back from

939

00:38:37,910 --> 00:38:34,160

india to amsterdam in uh there was a

940

00:38:42,069 --> 00:38:40,310

is it could be seen as a

941

00:38:43,430 --> 00:38:42,079

summary

942

00:38:47,030 --> 00:38:43,440

almost

943

00:38:50,950 --> 00:38:47,040

very concise but uh very interesting and

944

00:38:53,510 --> 00:38:50,960

nonetheless of how

945

00:38:55,430 --> 00:38:53,520

it was called mind in that book but

946

00:38:57,910 --> 00:38:55,440

consciousness really

947

00:38:59,910 --> 00:38:57,920

can be found even in the mineral kingdom

948

00:39:02,150 --> 00:38:59,920

it can be found in the vegetable and the

949

00:39:05,589 --> 00:39:02,160

animal theme and of course in human

950

00:39:08,790 --> 00:39:05,599

kingdom it becomes self-consciousness

951
00:39:11,190 --> 00:39:08,800
and in each of these subsequent kingdoms

952
00:39:13,670 --> 00:39:11,200
successive kingdoms

953
00:39:14,070 --> 00:39:13,680
if we find consciousness or awareness of

954
00:39:15,589 --> 00:39:14,080
mind

955
00:39:17,190 --> 00:39:15,599
[Music]

956
00:39:18,950 --> 00:39:17,200
somewhat expanded

957
00:39:19,750 --> 00:39:18,960
and it expands

958
00:39:25,750 --> 00:39:19,760
the

959
00:39:27,670 --> 00:39:25,760
elements

960
00:39:31,030 --> 00:39:27,680
that make up that

961
00:39:31,040 --> 00:39:34,630
the

962
00:39:38,390 --> 00:39:37,430
as i as i said system science especially

963
00:39:43,349 --> 00:39:38,400

through

964

00:39:46,390 --> 00:39:43,359

laszlo very famous

965

00:39:48,150 --> 00:39:46,400

brilliant scientist hungarian born

966

00:39:49,349 --> 00:39:48,160

but has been living in italy for for

967

00:39:52,790 --> 00:39:49,359

many years

968

00:39:53,589 --> 00:39:52,800

founder of the club of budapest

969

00:39:58,150 --> 00:39:53,599

he

970

00:39:59,349 --> 00:39:58,160

systems evolve

971

00:40:02,550 --> 00:39:59,359

as

972

00:40:05,430 --> 00:40:02,560

clusters of vibration in an ocean of

973

00:40:07,349 --> 00:40:05,440

possibilities in ocean in which you know

974

00:40:10,790 --> 00:40:07,359

each each

975

00:40:13,829 --> 00:40:10,800

composing element is a is a is a bundle

976

00:40:16,870 --> 00:40:13,839

of of energy a cluster of vibrations

977

00:40:19,589 --> 00:40:16,880

and george adamsky described

978

00:40:21,670 --> 00:40:19,599

almost in exactly the same words um the

979

00:40:23,990 --> 00:40:21,680

nature of life and consciousness in his

980

00:40:26,550 --> 00:40:24,000

very first book the invisible ocean in

981

00:40:28,710 --> 00:40:26,560

1932 i mean that's

982

00:40:30,790 --> 00:40:28,720

at the very least you know that's that's

983

00:40:33,030 --> 00:40:30,800

uh astounding

984

00:40:34,950 --> 00:40:33,040

and similarly

985

00:40:38,309 --> 00:40:34,960

that whole notion of the evolution of

986

00:40:41,990 --> 00:40:38,319

consciousness and the and the really the

987

00:40:44,710 --> 00:40:42,000

non-existence of

988

00:40:47,589 --> 00:40:44,720

building blocks of matter

989

00:40:49,109 --> 00:40:47,599

that quantum science now tells us you

990

00:40:51,270 --> 00:40:49,119

know is

991

00:40:56,870 --> 00:40:51,280

is

992

00:40:57,990 --> 00:40:56,880

look really look into the nature of

993

00:41:00,069 --> 00:40:58,000

matter

994

00:41:03,190 --> 00:41:00,079

science doesn't find building blocks of

995

00:41:05,190 --> 00:41:03,200

matter you know because matter or atoms

996

00:41:08,710 --> 00:41:05,200

are infinitely

997

00:41:11,990 --> 00:41:08,720

divisible can be divided infinitively

998

00:41:17,270 --> 00:41:15,030

and madame blavatsky said the same thing

999

00:41:20,069 --> 00:41:17,280

already in a book in the secret doctrine

1000

00:41:23,270 --> 00:41:20,079

in 1888 so these things that science is

1001
00:41:24,950 --> 00:41:23,280
now finding um were already known and

1002
00:41:26,550 --> 00:41:24,960
and expressed in the in the wisdom

1003
00:41:28,069 --> 00:41:26,560
teachings

1004
00:41:29,589 --> 00:41:28,079
um

1005
00:41:32,470 --> 00:41:29,599
and that's what i've

1006
00:41:35,270 --> 00:41:32,480
brought together in in pioneers of

1007
00:41:38,230 --> 00:41:35,280
oneness shown i'm showing the

1008
00:41:45,430 --> 00:41:41,670
the corroborations and the similarities

1009
00:41:46,630 --> 00:41:45,440
and and on top of that i present

1010
00:41:48,309 --> 00:41:46,640
the same

1011
00:41:51,750 --> 00:41:48,319
information from the accounts and

1012
00:41:54,870 --> 00:41:51,760
sometimes a bit more um from the

1013
00:41:57,030 --> 00:41:54,880

accounts of the uh the contactees uh to

1014

00:42:00,630 --> 00:41:57,040

show us you know that show us the way

1015

00:42:02,870 --> 00:42:00,640

forward as uh in terms of solving our

1016

00:42:05,349 --> 00:42:02,880

problems you know we are beset worlded

1017

00:42:06,470 --> 00:42:05,359

with setback problems covet now the

1018

00:42:07,270 --> 00:42:06,480

pandemic

1019

00:42:10,870 --> 00:42:07,280

is

1020

00:42:15,349 --> 00:42:12,870

symptom you know it's not the cause of

1021

00:42:18,950 --> 00:42:15,359

problems it's a symptom of our lost

1022

00:42:21,670 --> 00:42:18,960

connection with with uh not only with

1023

00:42:22,390 --> 00:42:21,680

nature and our destruction of nature and

1024

00:42:23,270 --> 00:42:22,400

our

1025

00:42:24,790 --> 00:42:23,280

um

1026
00:42:28,470 --> 00:42:24,800
relentless

1027
00:42:32,230 --> 00:42:28,480
pillaging of of the natural resources of

1028
00:42:35,030 --> 00:42:32,240
our planet but also of

1029
00:42:38,230 --> 00:42:35,040
destruction and the wasteful

1030
00:42:42,829 --> 00:42:38,240
over consumption and pollution of our

1031
00:42:48,790 --> 00:42:46,150
and you know the the contactees the

1032
00:42:50,950 --> 00:42:48,800
message from from the from the from

1033
00:42:52,309 --> 00:42:50,960
space from the space brothers

1034
00:42:54,710 --> 00:42:52,319
um

1035
00:42:56,630 --> 00:42:54,720
has been you know that we are

1036
00:42:58,470 --> 00:42:56,640
interconnected that

1037
00:43:00,230 --> 00:42:58,480
only when we work together can we

1038
00:43:01,270 --> 00:43:00,240

overcome our problems

1039

00:43:03,589 --> 00:43:01,280

um

1040

00:43:06,309 --> 00:43:03,599

and the same message has come especially

1041

00:43:07,270 --> 00:43:06,319

through benjamin graham

1042

00:43:09,510 --> 00:43:07,280

from

1043

00:43:12,470 --> 00:43:09,520

when he started this mission in 1974

1044

00:43:13,750 --> 00:43:12,480

until his death in 2016

1045

00:43:14,870 --> 00:43:13,760

that

1046

00:43:16,230 --> 00:43:14,880

you know there's

1047

00:43:19,190 --> 00:43:16,240

more than enough

1048

00:43:20,710 --> 00:43:19,200

to go around the planet for everyone

1049

00:43:23,910 --> 00:43:20,720

we

1050

00:43:26,950 --> 00:43:23,920

for no one

1051
00:43:30,710 --> 00:43:26,960
to go hungry we have enough natural

1052
00:43:31,990 --> 00:43:30,720
resources for everyone to be clothed and

1053
00:43:33,670 --> 00:43:32,000
and housed

1054
00:43:36,230 --> 00:43:33,680
and educated

1055
00:43:37,109 --> 00:43:36,240
and given uh proper health care and

1056
00:43:40,309 --> 00:43:37,119
senate

1057
00:43:42,230 --> 00:43:40,319
sanitary uh um

1058
00:43:43,109 --> 00:43:42,240
conveniences etc

1059
00:43:45,190 --> 00:43:43,119
um

1060
00:43:47,430 --> 00:43:45,200
so that you know we could eradicate

1061
00:43:49,030 --> 00:43:47,440
hunger and poverty and and

1062
00:43:50,870 --> 00:43:49,040
unnecessary illness

1063
00:43:51,910 --> 00:43:50,880

um if only

1064

00:43:54,790 --> 00:43:51,920

we would

1065

00:43:57,829 --> 00:43:54,800

realize that we are one human family and

1066

00:44:01,190 --> 00:43:57,839

we need to share the bounty of this

1067

00:44:04,069 --> 00:44:01,200

planet equally and equitably

1068

00:44:08,630 --> 00:44:04,079

so that everyone every man woman and

1069

00:44:11,190 --> 00:44:08,640

child may live a decent human life

1070

00:44:13,270 --> 00:44:11,200

and of course in our current systems our

1071

00:44:15,829 --> 00:44:13,280

current such structures

1072

00:44:16,870 --> 00:44:15,839

with that are based on competition

1073

00:44:18,470 --> 00:44:16,880

and

1074

00:44:20,630 --> 00:44:18,480

separativeness

1075

00:44:24,069 --> 00:44:20,640

that's not possible because we are now

1076
00:44:24,950 --> 00:44:24,079
you know going after the most profit and

1077
00:44:26,710 --> 00:44:24,960
and

1078
00:44:29,030 --> 00:44:26,720
greatest wealth

1079
00:44:30,470 --> 00:44:29,040
each individual

1080
00:44:31,990 --> 00:44:30,480
and this is

1081
00:44:40,550 --> 00:44:32,000
it's destroying

1082
00:44:42,550 --> 00:44:40,560
and our civilization

1083
00:44:44,230 --> 00:44:42,560
um and

1084
00:44:46,550 --> 00:44:44,240
of course

1085
00:44:49,349 --> 00:44:46,560
you know we need to realize

1086
00:44:51,990 --> 00:44:49,359
humanity the world the planet the solar

1087
00:44:54,069 --> 00:44:52,000
system we're at the end of

1088
00:45:00,230 --> 00:44:54,079

a

1089

00:45:01,109 --> 00:45:00,240

um

1090

00:45:01,910 --> 00:45:01,119

you know

1091

00:45:05,109 --> 00:45:01,920

life

1092

00:45:08,550 --> 00:45:05,119

goes in cycles involves in cycles and we

1093

00:45:10,230 --> 00:45:08,560

have come to the end of the cycle of of

1094

00:45:13,430 --> 00:45:10,240

pisces the

1095

00:45:15,510 --> 00:45:13,440

age of pisces that was inaugurated

1096

00:45:18,309 --> 00:45:15,520

2000 years ago

1097

00:45:20,390 --> 00:45:18,319

by with the teaching coming through

1098

00:45:24,870 --> 00:45:20,400

jesus

1099

00:45:26,390 --> 00:45:24,880

religion necessarily

1100

00:45:29,030 --> 00:45:26,400

the christian religion

1101

00:45:31,910 --> 00:45:29,040

evolved out of developed out of

1102

00:45:33,589 --> 00:45:31,920

his teaching and what people did with it

1103

00:45:34,390 --> 00:45:33,599

uh but his teaching was basically the

1104

00:45:35,510 --> 00:45:34,400

same

1105

00:45:40,069 --> 00:45:35,520

as

1106

00:45:42,550 --> 00:45:40,079

uh teaching

1107

00:45:48,069 --> 00:45:42,560

by a major figure

1108

00:45:51,829 --> 00:45:49,910

and all the other

1109

00:45:54,309 --> 00:45:51,839

names that now

1110

00:45:56,150 --> 00:45:54,319

still remain with us through mythology

1111

00:45:58,870 --> 00:45:56,160

and legends

1112

00:46:01,990 --> 00:45:58,880

but all these messages these teachings

1113

00:46:05,270 --> 00:46:02,000

really relate to how we may reconnect

1114

00:46:06,790 --> 00:46:05,280

with our source our divine source

1115

00:46:08,790 --> 00:46:06,800

and

1116

00:46:11,030 --> 00:46:08,800

having come at the end of the age of

1117

00:46:12,230 --> 00:46:11,040

pisces in which

1118

00:46:13,589 --> 00:46:12,240

humanity

1119

00:46:15,990 --> 00:46:13,599

has learned

1120

00:46:20,150 --> 00:46:16,000

has acquired the

1121

00:46:22,470 --> 00:46:20,160

qualities of individuality and idealism

1122

00:46:23,829 --> 00:46:22,480

the structures

1123

00:46:24,630 --> 00:46:23,839

in which we live

1124

00:46:27,030 --> 00:46:24,640

are

1125

00:46:30,309 --> 00:46:27,040

imbued with these qualities and we see

1126
00:46:31,750 --> 00:46:30,319
that in extreme competition and extreme

1127
00:46:33,589 --> 00:46:31,760
idealism

1128
00:46:37,349 --> 00:46:33,599
to the point where people are willing to

1129
00:46:40,950 --> 00:46:39,670
but at the same time the solar system

1130
00:46:43,750 --> 00:46:40,960
has moved

1131
00:46:45,990 --> 00:46:43,760
away from the constellation of pisces

1132
00:46:47,349 --> 00:46:46,000
from which the energies have

1133
00:46:50,069 --> 00:46:47,359
come

1134
00:46:52,150 --> 00:46:50,079
in the past 2000 years

1135
00:46:54,710 --> 00:46:52,160
to which we have responded by building

1136
00:46:57,430 --> 00:46:54,720
the structures as we know them now

1137
00:46:58,950 --> 00:46:57,440
and we are now in alignment with the age

1138
00:47:04,790 --> 00:46:58,960

of aquarius

1139

00:47:09,430 --> 00:47:06,870

oneness

1140

00:47:12,950 --> 00:47:09,440

our structures are not built

1141

00:47:14,470 --> 00:47:12,960

to manifest these these new qualities so

1142

00:47:16,870 --> 00:47:14,480

we see them crumbling you know our

1143

00:47:18,550 --> 00:47:16,880

political system our science our

1144

00:47:19,430 --> 00:47:18,560

mainstream signs our

1145

00:47:22,630 --> 00:47:19,440

um

1146

00:47:24,710 --> 00:47:22,640

our economy our financial system all of

1147

00:47:26,470 --> 00:47:24,720

them are really not functioning anymore

1148

00:47:28,230 --> 00:47:26,480

they're propped up you know they you

1149

00:47:30,470 --> 00:47:28,240

know they're keeping up the appearances

1150

00:47:32,950 --> 00:47:30,480

of it functioning or else all hell will

1151

00:47:34,069 --> 00:47:32,960

break loose or so fear the

1152

00:47:36,470 --> 00:47:34,079

the

1153

00:47:38,950 --> 00:47:36,480

um

1154

00:47:41,190 --> 00:47:38,960

and of course there's plenty of people

1155

00:47:42,790 --> 00:47:41,200

in economic power who

1156

00:47:46,950 --> 00:47:42,800

don't like to see

1157

00:47:47,990 --> 00:47:46,960

their wealth diminishing or their power

1158

00:47:49,829 --> 00:47:48,000

lessened

1159

00:47:52,549 --> 00:47:49,839

um but

1160

00:47:54,870 --> 00:47:52,559

the structures

1161

00:47:56,790 --> 00:47:54,880

are crumbling you know they are they are

1162

00:47:57,829 --> 00:47:56,800

giving way to

1163

00:48:00,150 --> 00:47:57,839

the new

1164

00:48:03,030 --> 00:48:00,160

powerful energies of oneness and

1165

00:48:05,109 --> 00:48:03,040

synthesis and we see and i show that

1166

00:48:08,390 --> 00:48:05,119

also in my book we see

1167

00:48:11,270 --> 00:48:08,400

groundswell of people realizing

1168

00:48:13,109 --> 00:48:11,280

their oneness not only oneness with

1169

00:48:16,069 --> 00:48:13,119

the human rest of the human race but

1170

00:48:17,510 --> 00:48:16,079

also with the planet as the larger

1171

00:48:20,549 --> 00:48:17,520

organism

1172

00:48:25,589 --> 00:48:20,559

and although on the outside

1173

00:48:28,630 --> 00:48:26,470

on the

1174

00:48:31,109 --> 00:48:28,640

inside

1175

00:48:32,950 --> 00:48:31,119

behind the scenes what is not reported

1176

00:48:33,589 --> 00:48:32,960

in the media because the media don't see

1177

00:48:35,510 --> 00:48:33,599

it

1178

00:48:37,589 --> 00:48:35,520

except perhaps this morning in the in

1179

00:48:39,349 --> 00:48:37,599

the guardian newspaper in

1180

00:48:41,589 --> 00:48:39,359

the english newspaper

1181

00:48:43,190 --> 00:48:41,599

i read an interesting report

1182

00:48:44,870 --> 00:48:43,200

stating that

1183

00:48:46,230 --> 00:48:44,880

you know the world is really not as

1184

00:48:47,109 --> 00:48:46,240

divided as

1185

00:48:49,349 --> 00:48:47,119

as

1186

00:48:51,109 --> 00:48:49,359

appearances have us believe

1187

00:48:52,069 --> 00:48:51,119

um so

1188

00:48:55,670 --> 00:48:52,079

and

1189

00:49:00,069 --> 00:48:58,069

for instance one of the one of the

1190

00:49:03,589 --> 00:49:00,079

things that i that i

1191

00:49:04,390 --> 00:49:03,599

use in my book as an example to prove to

1192

00:49:07,109 --> 00:49:04,400

show

1193

00:49:08,870 --> 00:49:07,119

how humanity is growing in its awareness

1194

00:49:11,190 --> 00:49:08,880

of its oneness

1195

00:49:14,549 --> 00:49:11,200

um are the social movements you know it

1196

00:49:19,109 --> 00:49:15,670

people

1197

00:49:20,060 --> 00:49:19,119

organizing for labor rights and and we

1198

00:49:21,430 --> 00:49:20,070

had

1199

00:49:23,510 --> 00:49:21,440

[Music]

1200

00:49:26,230 --> 00:49:23,520

movements for women's rights women's

1201

00:49:29,030 --> 00:49:26,240

voting rights children's rights

1202

00:49:30,950 --> 00:49:29,040

ending in civil rights and human rights

1203

00:49:33,190 --> 00:49:30,960

the universal declaration of human

1204

00:49:34,870 --> 00:49:33,200

rights is like a crescendo of this

1205

00:49:36,230 --> 00:49:34,880

awareness that

1206

00:49:38,549 --> 00:49:36,240

we can only

1207

00:49:42,309 --> 00:49:38,559

um you know we are all in it together

1208

00:49:44,549 --> 00:49:42,319

and together we stand or or

1209

00:49:46,470 --> 00:49:44,559

separately we fall

1210

00:49:48,230 --> 00:49:46,480

so

1211

00:49:53,349 --> 00:49:48,240

as a

1212

00:49:54,549 --> 00:49:53,359

growing sense of oneness

1213

00:49:56,150 --> 00:49:54,559

we see

1214

00:49:57,510 --> 00:49:56,160

other forces

1215

00:49:58,470 --> 00:49:57,520

who are

1216

00:49:59,510 --> 00:49:58,480

bound

1217

00:50:02,790 --> 00:49:59,520

to

1218

00:50:05,430 --> 00:50:02,800

lose the power that they have currently

1219

00:50:06,630 --> 00:50:05,440

over our structures and over large parts

1220

00:50:07,829 --> 00:50:06,640

of humanity

1221

00:50:08,950 --> 00:50:07,839

um

1222

00:50:16,150 --> 00:50:08,960

they have

1223

00:50:18,710 --> 00:50:16,160

only through market forces competition

1224

00:50:21,349 --> 00:50:18,720

can we have a good life which is

1225

00:50:23,829 --> 00:50:21,359

nonsense because millions and millions

1226
00:50:25,109 --> 00:50:23,839
of people especially since nuclear

1227
00:50:27,510 --> 00:50:25,119
organization

1228
00:50:30,549 --> 00:50:27,520
have died unnecessarily

1229
00:50:31,750 --> 00:50:30,559
you know of malnutrition of starvation

1230
00:50:35,190 --> 00:50:31,760
just because

1231
00:50:36,150 --> 00:50:35,200
we need money to buy food to

1232
00:50:42,549 --> 00:50:36,160
to

1233
00:50:43,990 --> 00:50:42,559
care and while on the other planets

1234
00:50:46,870 --> 00:50:44,000
in in

1235
00:50:47,990 --> 00:50:46,880
in our solar system mars and venus

1236
00:50:51,190 --> 00:50:48,000
um

1237
00:50:55,349 --> 00:50:51,200
everything belongs to

1238
00:50:57,670 --> 00:50:55,359

to the human race on that planet

1239

00:50:59,109 --> 00:50:57,680

and everything is available for free so

1240

00:51:00,870 --> 00:50:59,119

that everybody

1241

00:51:03,829 --> 00:51:00,880

is able to

1242

00:51:06,870 --> 00:51:03,839

to develop their talents to grow and

1243

00:51:07,670 --> 00:51:06,880

contribute their talents

1244

00:51:09,349 --> 00:51:07,680

to

1245

00:51:12,309 --> 00:51:09,359

the development

1246

00:51:14,230 --> 00:51:12,319

of of civilization

1247

00:51:15,990 --> 00:51:14,240

that's why their civilizations are so

1248

00:51:18,309 --> 00:51:16,000

far ahead of ours

1249

00:51:19,270 --> 00:51:18,319

so you know that's uh

1250

00:51:21,130 --> 00:51:19,280

that's

1251
00:51:22,950 --> 00:51:21,140
really the um

1252
00:51:24,950 --> 00:51:22,960
[Music]

1253
00:51:27,670 --> 00:51:24,960
yeah the story i'm

1254
00:51:29,349 --> 00:51:27,680
i'm telling based on science based on

1255
00:51:31,589 --> 00:51:29,359
the corroborations of science with the

1256
00:51:34,470 --> 00:51:31,599
asian wisdom teachings and the accounts

1257
00:51:36,309 --> 00:51:34,480
of the contactees in my in my latest

1258
00:51:37,589 --> 00:51:36,319
book

1259
00:51:39,750 --> 00:51:37,599
gerard um

1260
00:51:41,190 --> 00:51:39,760
about excuse me

1261
00:51:43,589 --> 00:51:41,200
jordan in about 10 minutes we'll be

1262
00:51:46,309 --> 00:51:43,599
coming up on the one hour mark i wanted

1263
00:51:49,190 --> 00:51:46,319

to ask uh there was one one question i

1264

00:51:51,829 --> 00:51:49,200

wanted to ask you and then go into some

1265

00:51:55,030 --> 00:51:51,839

q a would that be okay with you

1266

00:51:57,589 --> 00:51:55,040

yes that's fine okay so uh right now we

1267

00:52:00,470 --> 00:51:57,599

have alia waiting in telegram i will get

1268

00:52:02,230 --> 00:52:00,480

to you as soon as gerardus um uh

1269

00:52:04,950 --> 00:52:02,240

answered this one question and there's a

1270

00:52:07,270 --> 00:52:04,960

few in the chat as well so for those in

1271

00:52:09,349 --> 00:52:07,280

chat and for those that are new if you

1272

00:52:12,870 --> 00:52:09,359

can please do me a favor and put three

1273

00:52:14,549 --> 00:52:12,880

asterisks be three asterisk asterix says

1274

00:52:16,790 --> 00:52:14,559

i can speak today

1275

00:52:18,870 --> 00:52:16,800

before your question so it pops out at

1276

00:52:21,910 --> 00:52:18,880

me easier and then i know to convey to

1277

00:52:23,349 --> 00:52:21,920

gerard and um that's yep that's

1278

00:52:26,549 --> 00:52:23,359

regarding any kind of chat whether

1279

00:52:29,910 --> 00:52:26,559

you're in in youtube or twitch

1280

00:52:32,230 --> 00:52:29,920

and um alio already had raised uh raised

1281

00:52:34,870 --> 00:52:32,240

the hand in telegram which is exactly

1282

00:52:36,710 --> 00:52:34,880

what i need to add into my queue so the

1283

00:52:39,270 --> 00:52:36,720

question i have for you and i apologize

1284

00:52:43,270 --> 00:52:39,280

if i'm jumping around different subjects

1285

00:52:44,950 --> 00:52:43,280

um to i guess to conclude regarding this

1286

00:52:46,790 --> 00:52:44,960

mention that that you had in some of the

1287

00:52:49,510 --> 00:52:46,800

text that was sent to me

1288

00:52:51,109 --> 00:52:49,520

that i called the emergence of maitreya

1289

00:52:53,910 --> 00:52:51,119

and if you could go maybe a little bit

1290

00:52:58,710 --> 00:52:56,870

yes maitreya is the personal name

1291

00:53:02,309 --> 00:52:58,720

of the world teacher and the world

1292

00:53:04,790 --> 00:53:02,319

teacher is the master of all the masters

1293

00:53:06,309 --> 00:53:04,800

he is the eldest brother of humanity

1294

00:53:08,069 --> 00:53:06,319

and

1295

00:53:10,870 --> 00:53:08,079

traditionally

1296

00:53:13,589 --> 00:53:10,880

every new age is

1297

00:53:15,510 --> 00:53:13,599

is inaugurated by the world teacher a

1298

00:53:18,630 --> 00:53:15,520

world teacher

1299

00:53:19,589 --> 00:53:18,640

it's a function you know

1300

00:53:21,589 --> 00:53:19,599

of course

1301

00:53:24,630 --> 00:53:21,599

listeners will be familiar with the

1302

00:53:26,309 --> 00:53:24,640

religious notions over the return of the

1303

00:53:27,829 --> 00:53:26,319

respective teachers in these religions

1304

00:53:29,030 --> 00:53:27,839

like the christians are waiting for the

1305

00:53:31,030 --> 00:53:29,040

second coming

1306

00:53:33,750 --> 00:53:31,040

and the jews are waiting for the messiah

1307

00:53:38,390 --> 00:53:33,760

and buddhists expect the fifth buddha

1308

00:53:43,670 --> 00:53:40,870

the hindus expect the 10th incarnation

1309

00:53:45,430 --> 00:53:43,680

of vishnu or got the avatar in some

1310

00:53:48,309 --> 00:53:45,440

sections of islam

1311

00:53:51,990 --> 00:53:48,319

also expect the return of a teacher

1312

00:53:53,910 --> 00:53:52,000

known as the 12th mahdi the imam

1313

00:53:57,510 --> 00:53:53,920

but these are all the same you know the

1314

00:54:00,230 --> 00:53:57,520

same notion of a new teacher coming to

1315

00:54:03,030 --> 00:54:00,240

introduce to inaugurate a new age and so

1316

00:54:04,549 --> 00:54:03,040

it has been throughout human history

1317

00:54:06,470 --> 00:54:04,559

which actually according to the

1318

00:54:08,470 --> 00:54:06,480

teachings goes back 18 and a half

1319

00:54:09,910 --> 00:54:08,480

million years on this planet

1320

00:54:12,549 --> 00:54:09,920

and the names i mentioned earlier

1321

00:54:18,950 --> 00:54:16,069

hercules hermes and all these

1322

00:54:20,230 --> 00:54:18,960

uh sometimes now mythological

1323

00:54:23,670 --> 00:54:20,240

figures

1324

00:54:25,910 --> 00:54:23,680

were at one time the world teacher even

1325

00:54:28,950 --> 00:54:25,920

if you know at certain times for

1326

00:54:30,790 --> 00:54:28,960

instance time of buddha of jesus

1327

00:54:32,230 --> 00:54:30,800

the world was not quite

1328

00:54:38,470 --> 00:54:32,240

as

1329

00:54:40,789 --> 00:54:38,480

know modern media in modern transport

1330

00:54:44,230 --> 00:54:40,799

but the teacher every every age is

1331

00:54:47,030 --> 00:54:44,240

inaugurated by a teacher to

1332

00:54:49,190 --> 00:54:47,040

inspire humanity and to to bring

1333

00:54:52,710 --> 00:54:49,200

humanity

1334

00:54:54,870 --> 00:54:52,720

a new aspect of reality

1335

00:54:57,270 --> 00:54:54,880

and divinity

1336

00:54:59,430 --> 00:54:57,280

because divinity is reality

1337

00:55:01,109 --> 00:54:59,440

and

1338

00:55:03,349 --> 00:55:01,119

maitreya

1339

00:55:05,829 --> 00:55:03,359

is the personal name of the

1340

00:55:07,109 --> 00:55:05,839

individual who is currently the world

1341

00:55:09,990 --> 00:55:07,119

teacher

1342

00:55:12,150 --> 00:55:10,000

2000 years ago he worked through

1343

00:55:15,829 --> 00:55:12,160

his disciple jesus

1344

00:55:21,510 --> 00:55:19,030

a disciple of a certain degree the third

1345

00:55:23,829 --> 00:55:21,520

third initiate third degree initiate

1346

00:55:25,990 --> 00:55:23,839

uh not himself a master yet

1347

00:55:28,470 --> 00:55:26,000

um just like you know benjamin graham

1348

00:55:31,030 --> 00:55:28,480

and ellis bailey and and uh madame

1349

00:55:32,069 --> 00:55:31,040

blavatsky were disciples of masters of

1350

00:55:34,549 --> 00:55:32,079

wisdom

1351

00:55:37,990 --> 00:55:34,559

um jesus um

1352

00:55:39,990 --> 00:55:38,000

um agreed to

1353

00:55:42,390 --> 00:55:40,000

for his his body and his consciousness

1354

00:55:46,230 --> 00:55:42,400

to be used by the world teacher at the

1355

00:55:48,549 --> 00:55:46,240

time the christ in christian terms um

1356

00:55:51,430 --> 00:55:48,559

to perform from

1357

00:55:54,150 --> 00:55:51,440

the baptism in the river jordan until

1358

00:55:55,990 --> 00:55:54,160

the crucifixion now that's when the

1359

00:55:58,390 --> 00:55:56,000

christ worked through

1360

00:56:01,109 --> 00:55:58,400

the body worked with jesus as his

1361

00:56:03,109 --> 00:56:01,119

vehicle in the in the world and gave his

1362

00:56:04,150 --> 00:56:03,119

teachings

1363

00:56:06,390 --> 00:56:04,160

this time

1364

00:56:08,390 --> 00:56:06,400

at the beginning of the aquarian age

1365

00:56:09,670 --> 00:56:08,400

according to benjamin graham the world

1366

00:56:12,150 --> 00:56:09,680

teacher

1367

00:56:16,069 --> 00:56:12,160

has found a way to

1368

00:56:18,150 --> 00:56:16,079

come back himself not through

1369

00:56:20,950 --> 00:56:18,160

by overshadowing a disciple

1370

00:56:23,190 --> 00:56:20,960

but he created a body of manifestation

1371

00:56:25,750 --> 00:56:23,200

that will stay with us will be

1372

00:56:28,069 --> 00:56:25,760

indestructible and stay with us in the

1373

00:56:29,829 --> 00:56:28,079

world for the duration of the age of

1374

00:56:33,430 --> 00:56:29,839

aquarius

1375

00:56:34,950 --> 00:56:33,440

we will

1376

00:56:37,190 --> 00:56:34,960

know for a fact

1377

00:56:38,710 --> 00:56:37,200

the brotherhood not only the brotherhood

1378

00:56:41,829 --> 00:56:38,720

of man on this planet but also our

1379

00:56:44,470 --> 00:56:41,839

brotherhood with the people on other

1380

00:56:47,109 --> 00:56:44,480

planets and there will be open contacts

1381

00:56:48,710 --> 00:56:47,119

and we will see the spaceships coming in

1382

00:56:49,990 --> 00:56:48,720

and landing and people coming now

1383

00:56:50,950 --> 00:56:50,000

stepping out

1384

00:56:51,990 --> 00:56:50,960

um

1385

00:56:53,430 --> 00:56:52,000

and

1386

00:56:55,750 --> 00:56:53,440

maitreya

1387

00:56:58,630 --> 00:56:55,760

has according to benjamin cram has been

1388

00:57:01,910 --> 00:56:58,640

in the world since 1970 he he didn't

1389

00:57:04,309 --> 00:57:01,920

come from another planet but he

1390

00:57:06,470 --> 00:57:04,319

just like all the masters of wisdom

1391

00:57:08,710 --> 00:57:06,480

who withdrew from the world they they

1392

00:57:10,309 --> 00:57:08,720

were the philosopher kings in

1393

00:57:13,829 --> 00:57:10,319

in the you know in the atlantean

1394

00:57:15,109 --> 00:57:13,839

civilizations until that until its final

1395

00:57:17,190 --> 00:57:15,119

destruction

1396

00:57:19,910 --> 00:57:17,200

which is when they withdrew to the

1397

00:57:23,670 --> 00:57:19,920

mountain and desert areas of the world

1398

00:57:25,990 --> 00:57:23,680

and left humanity to its own devices

1399

00:57:28,309 --> 00:57:26,000

to come to this point where we are ready

1400

00:57:31,109 --> 00:57:28,319

according to the masters to be

1401
00:57:33,670 --> 00:57:31,119
reconnected with our elder brothers and

1402
00:57:35,670 --> 00:57:33,680
and especially the reality of you know

1403
00:57:37,829 --> 00:57:35,680
the spiritual nature of life the

1404
00:57:38,829 --> 00:57:37,839
evolution of consciousness

1405
00:57:40,950 --> 00:57:38,839
um

1406
00:57:42,630 --> 00:57:40,960
and excuse me

1407
00:57:43,990 --> 00:57:42,640
um and

1408
00:57:45,349 --> 00:57:44,000
um

1409
00:57:47,990 --> 00:57:45,359
the uh

1410
00:57:50,230 --> 00:57:48,000
the masters maitreya the world teacher

1411
00:57:51,109 --> 00:57:50,240
is not coming alone

1412
00:57:52,950 --> 00:57:51,119
um

1413
00:57:56,069 --> 00:57:52,960

he has returned

1414

00:57:59,589 --> 00:57:56,079

from his abode in the himalayas

1415

00:58:02,470 --> 00:57:59,599

in 97 july 1977 has been working behind

1416

00:58:04,150 --> 00:58:02,480

the scenes in the world since then

1417

00:58:05,990 --> 00:58:04,160

um

1418

00:58:07,750 --> 00:58:06,000

you know he's he's

1419

00:58:16,870 --> 00:58:07,760

in

1420

00:58:19,030 --> 00:58:16,880

africa and

1421

00:58:20,950 --> 00:58:19,040

transition from the apartheid government

1422

00:58:23,670 --> 00:58:20,960

to the

1423

00:58:25,030 --> 00:58:23,680

multicultural democracy

1424

00:58:27,030 --> 00:58:25,040

that it is now

1425

00:58:29,750 --> 00:58:27,040

far from perfect but there's no perfect

1426

00:58:34,069 --> 00:58:29,760

democracy in the world at all anywhere

1427

00:58:38,230 --> 00:58:36,230

a whole stretch better than

1428

00:58:39,670 --> 00:58:38,240

than the apartheid regime

1429

00:58:41,190 --> 00:58:39,680

um

1430

00:58:43,910 --> 00:58:41,200

maitreya

1431

00:58:47,910 --> 00:58:43,920

initiated inspired the

1432

00:58:51,109 --> 00:58:47,920

establishment of the brand commission in

1433

00:58:55,990 --> 00:58:53,670

that was set up by former german

1434

00:58:57,829 --> 00:58:56,000

chancellor willy brown

1435

00:59:01,109 --> 00:58:57,839

who was the first

1436

00:59:02,230 --> 00:59:01,119

to find a political consensus

1437

00:59:04,710 --> 00:59:02,240

about

1438

00:59:07,589 --> 00:59:04,720

reforms in international trade

1439

00:59:10,150 --> 00:59:07,599

and and international relations in order

1440

00:59:11,670 --> 00:59:10,160

to reduce the tensions that

1441

00:59:14,549 --> 00:59:11,680

arose

1442

00:59:17,589 --> 00:59:14,559

because of the uh unnecessary

1443

00:59:19,670 --> 00:59:17,599

uh gap between rich and war north and

1444

00:59:21,829 --> 00:59:19,680

south you know the wealth gap

1445

00:59:24,630 --> 00:59:21,839

that wealth gap still exists but now it

1446

00:59:26,710 --> 00:59:24,640

exists not just on a global level but

1447

00:59:28,390 --> 00:59:26,720

within every country

1448

00:59:31,109 --> 00:59:28,400

so maitreya has been working behind the

1449

00:59:33,270 --> 00:59:31,119

scenes and continues to work

1450

00:59:34,710 --> 00:59:33,280

and he's not coming along

1451

00:59:37,990 --> 00:59:34,720

when he

1452

00:59:40,390 --> 00:59:38,000

steps forward into the public eye

1453

00:59:42,789 --> 00:59:40,400

but he will

1454

00:59:44,230 --> 00:59:42,799

he will come initially with a group of

1455

00:59:48,069 --> 00:59:44,240

14

1456

00:59:50,549 --> 00:59:48,079

masters of wisdom there are

1457

00:59:54,150 --> 00:59:50,559

many masses of wisdom on this planet who

1458

00:59:55,670 --> 00:59:54,160

remain on this planet many people

1459

00:59:57,030 --> 00:59:55,680

individuals who

1460

00:59:59,430 --> 00:59:57,040

reach the

1461

01:00:00,549 --> 00:59:59,440

status or the the stage

1462

01:00:03,670 --> 01:00:00,559

i should say

1463

01:00:06,230 --> 01:00:03,680

of uh having mastered their lower nature

1464

01:00:10,390 --> 01:00:06,240

and become a master of wisdom move on to

1465

01:00:13,349 --> 01:00:11,670

you know the

1466

01:00:14,390 --> 01:00:13,359

continued evolution

1467

01:00:15,510 --> 01:00:14,400

but

1468

01:00:18,470 --> 01:00:15,520

many

1469

01:00:19,750 --> 01:00:18,480

remain behind stay behind to help

1470

01:00:23,109 --> 01:00:19,760

inspire

1471

01:00:25,109 --> 01:00:23,119

and mentor humanity in its in its

1472

01:00:26,150 --> 01:00:25,119

evolution and of course we are now at a

1473

01:00:32,470 --> 01:00:26,160

very

1474

01:00:34,630 --> 01:00:32,480

junction in time in history

1475

01:00:35,990 --> 01:00:34,640

and we need all the help we can get you

1476

01:00:36,870 --> 01:00:36,000

know and

1477

01:00:40,470 --> 01:00:36,880

the

1478

01:00:43,829 --> 01:00:40,480

are here to help us

1479

01:00:45,349 --> 01:00:43,839

um and they get help in turn

1480

01:00:47,510 --> 01:00:45,359

from the space brothers from other

1481

01:00:49,670 --> 01:00:47,520

planets similarly advanced beings from

1482

01:00:51,589 --> 01:00:49,680

uh from other planets

1483

01:00:54,390 --> 01:00:51,599

and to

1484

01:00:56,870 --> 01:00:54,400

hopefully inspire humanity to pull

1485

01:01:00,630 --> 01:00:56,880

together and and realize our our

1486

01:01:02,150 --> 01:01:00,640

brotherhood and uh the fact that uh

1487

01:01:06,230 --> 01:01:02,160

you know we all

1488

01:01:08,150 --> 01:01:06,240

uh need to um we all deserve to survive

1489

01:01:09,109 --> 01:01:08,160

and and the only way we can survive is

1490

01:01:14,950 --> 01:01:09,119

by

1491

01:01:16,870 --> 01:01:14,960

sharing the resources and the food that

1492

01:01:20,230 --> 01:01:16,880

is available on this planet that the

1493

01:01:23,190 --> 01:01:20,240

planet provides for us bountifully

1494

01:01:25,990 --> 01:01:23,200

and by creating justice

1495

01:01:27,430 --> 01:01:26,000

we will ensure and secure

1496

01:01:29,430 --> 01:01:27,440

global peace

1497

01:01:31,510 --> 01:01:29,440

and and prevent

1498

01:01:33,430 --> 01:01:31,520

ourselves from from blowing up the the

1499

01:01:37,589 --> 01:01:33,440

planet

1500

01:01:39,430 --> 01:01:37,599

so that in a nutshell is you know the

1501
01:01:42,789 --> 01:01:39,440
information behind the

1502
01:01:44,630 --> 01:01:42,799
emergence of maitreya and

1503
01:01:46,710 --> 01:01:44,640
benjamin cram

1504
01:01:49,109 --> 01:01:46,720
was asked to

1505
01:01:52,630 --> 01:01:49,119
generate as much

1506
01:01:54,470 --> 01:01:52,640
you know enthusiasm and interest

1507
01:01:56,549 --> 01:01:54,480
initially so

1508
01:01:58,390 --> 01:01:56,559
and and the first

1509
01:02:00,630 --> 01:01:58,400
um

1510
01:02:03,190 --> 01:02:00,640
possibility for for matreya to step

1511
01:02:05,670 --> 01:02:03,200
forward into the public eye

1512
01:02:08,789 --> 01:02:05,680
according to benjamin cram was in 1982

1513
01:02:10,549 --> 01:02:08,799

in spring 1982. at the time the media

1514

01:02:15,589 --> 01:02:10,559

didn't

1515

01:02:18,069 --> 01:02:15,599

attention as as representatives of the

1516

01:02:20,789 --> 01:02:18,079

attention of humanity as all

1517

01:02:24,069 --> 01:02:20,799

to allow maitreya to come forward in a

1518

01:02:25,109 --> 01:02:24,079

way that would have been effective

1519

01:02:26,150 --> 01:02:25,119

um

1520

01:02:27,910 --> 01:02:26,160

and

1521

01:02:31,349 --> 01:02:27,920

so maitreya has

1522

01:02:33,029 --> 01:02:31,359

was forced to postpone his his emergence

1523

01:02:35,270 --> 01:02:33,039

we are now seeing

1524

01:02:36,950 --> 01:02:35,280

uh something that baby graham has been

1525

01:02:38,150 --> 01:02:36,960

talking about was

1526

01:02:40,230 --> 01:02:38,160

talked about

1527

01:02:41,109 --> 01:02:40,240

dur for you know during this whole

1528

01:02:43,190 --> 01:02:41,119

mission

1529

01:02:45,029 --> 01:02:43,200

um the

1530

01:02:46,470 --> 01:02:45,039

the um

1531

01:02:48,390 --> 01:02:46,480

um

1532

01:02:50,390 --> 01:02:48,400

yeah the the

1533

01:02:51,829 --> 01:02:50,400

collapse of our systems and our

1534

01:02:53,349 --> 01:02:51,839

structures and

1535

01:02:56,069 --> 01:02:53,359

um

1536

01:02:58,789 --> 01:02:56,079

as this happens and as our economies and

1537

01:03:02,150 --> 01:02:58,799

our financial systems will come to

1538

01:03:03,670 --> 01:03:02,160

a standstill or or start to crumble to

1539

01:03:05,589 --> 01:03:03,680

the point where

1540

01:03:06,870 --> 01:03:05,599

they don't no longer function

1541

01:03:07,910 --> 01:03:06,880

um

1542

01:03:10,549 --> 01:03:07,920

you know the

1543

01:03:11,990 --> 01:03:10,559

the information is that that is when

1544

01:03:13,349 --> 01:03:12,000

maitreya and the masses will step

1545

01:03:13,800 --> 01:03:13,359

forward

1546

01:03:14,870 --> 01:03:13,810

and

1547

01:03:16,710 --> 01:03:14,880

[Music]

1548

01:03:19,029 --> 01:03:16,720

this day will be known as the day of

1549

01:03:21,990 --> 01:03:19,039

declaration when maitreya will declare

1550

01:03:23,829 --> 01:03:22,000

who he really is

1551

01:03:26,390 --> 01:03:23,839

and

1552

01:03:29,349 --> 01:03:26,400

show that he comes to fulfill not only

1553

01:03:30,390 --> 01:03:29,359

the expectations of all the religious

1554

01:03:34,309 --> 01:03:30,400

teachings

1555

01:03:35,990 --> 01:03:34,319

but the hopes of all of humanity

1556

01:03:37,670 --> 01:03:36,000

and as he

1557

01:03:39,670 --> 01:03:37,680

explains

1558

01:03:41,510 --> 01:03:39,680

as he gives his credentials in a

1559

01:03:45,750 --> 01:03:41,520

worldwide broadcast

1560

01:03:47,910 --> 01:03:45,760

he will also pour out the energy of love

1561

01:03:49,910 --> 01:03:47,920

of which is the embodiment on this

1562

01:03:52,069 --> 01:03:49,920

planet

1563

01:03:53,510 --> 01:03:52,079

through a telepathic connection with all

1564

01:03:55,670 --> 01:03:53,520

of humanity

1565

01:03:58,470 --> 01:03:55,680

and benjamin graham has said that it

1566

01:04:01,029 --> 01:03:58,480

will feel like maitreya embraces each

1567

01:04:03,589 --> 01:04:01,039

and every one of us individually

1568

01:04:05,190 --> 01:04:03,599

and we will have this tremendous sense

1569

01:04:07,109 --> 01:04:05,200

of wonders

1570

01:04:09,270 --> 01:04:07,119

and of course

1571

01:04:11,430 --> 01:04:09,280

after it will be such a massive

1572

01:04:12,630 --> 01:04:11,440

spiritual experience that

1573

01:04:14,789 --> 01:04:12,640

and

1574

01:04:15,750 --> 01:04:14,799

enough people will be inspired to start

1575

01:04:18,390 --> 01:04:15,760

working

1576

01:04:20,230 --> 01:04:18,400

for the salvation of the world and and

1577

01:04:22,630 --> 01:04:20,240

the healing of the planet

1578

01:04:24,710 --> 01:04:22,640

and of course the uh

1579

01:04:26,390 --> 01:04:24,720

you know the creation of justice and

1580

01:04:28,470 --> 01:04:26,400

peace as well

1581

01:04:29,670 --> 01:04:28,480

so that's the

1582

01:04:31,910 --> 01:04:29,680

that's the

1583

01:04:34,470 --> 01:04:31,920

information the story behind

1584

01:04:37,670 --> 01:04:34,480

uh benjamin creme's information which

1585

01:04:38,549 --> 01:04:37,680

i've been involved with for for well

1586

01:04:41,829 --> 01:04:38,559

over

1587

01:04:43,750 --> 01:04:41,839

40 years to um you know to

1588

01:04:46,870 --> 01:04:43,760

spread around the world where whatever

1589

01:04:49,670 --> 01:04:46,880

people would do would uh hear it

1590

01:04:51,510 --> 01:04:49,680

and of course in my books i've been

1591

01:04:53,589 --> 01:04:51,520

sort of corroborating finding

1592

01:04:55,430 --> 01:04:53,599

corroborations

1593

01:04:59,670 --> 01:04:55,440

through the accounts of the contactees

1594

01:05:04,309 --> 01:05:01,750

great thank you for that

1595

01:05:07,270 --> 01:05:04,319

um okay so let's go to

1596

01:05:09,029 --> 01:05:07,280

to alio i hope he's been um

1597

01:05:11,349 --> 01:05:09,039

still there i'll do you are a meter to

1598

01:05:14,549 --> 01:05:11,359

my end and mute yourself on yours and uh

1599

01:05:17,510 --> 01:05:14,559

go ahead and ask a question

1600

01:05:19,029 --> 01:05:17,520

yes i uh i actually had

1601

01:05:20,630 --> 01:05:19,039

just pushed the button kind of by

1602

01:05:21,829 --> 01:05:20,640

accident there clicking around to see

1603

01:05:23,270 --> 01:05:21,839

you know where where are the video

1604

01:05:25,109 --> 01:05:23,280

buttons and where's everybody at and

1605

01:05:26,710 --> 01:05:25,119

where's the chat and i i clicked that

1606

01:05:31,190 --> 01:05:26,720

and

1607

01:05:33,109 --> 01:05:31,200

if you didn't mean to uh that's okay

1608

01:05:36,230 --> 01:05:33,119

because we're actually live on youtube

1609

01:05:38,390 --> 01:05:36,240

and twitch this is just a voice only and

1610

01:05:39,910 --> 01:05:38,400

to of course talk to the guest directly

1611

01:05:42,390 --> 01:05:39,920

if you want to take your chance to ask a

1612

01:05:44,150 --> 01:05:42,400

question now um go ahead otherwise i'll

1613

01:05:46,789 --> 01:05:44,160

move on

1614

01:05:48,630 --> 01:05:46,799

okay okay yeah i have i had a very

1615

01:05:52,069 --> 01:05:48,640

divergent

1616

01:05:54,150 --> 01:05:52,079

um perspective then he did i mean his

1617

01:05:56,309 --> 01:05:54,160

perspective is amazing i mean as far as

1618

01:05:57,750 --> 01:05:56,319

the evolution the direction of the

1619

01:05:59,510 --> 01:05:57,760

planet and

1620

01:06:01,990 --> 01:05:59,520

our responsibility and what we need to

1621

01:06:04,069 --> 01:06:02,000

do and all the everything in the the

1622

01:06:07,029 --> 01:06:04,079

turning over the ages and the point that

1623

01:06:08,710 --> 01:06:07,039

we're tipping point that we're at now

1624

01:06:11,029 --> 01:06:08,720

and but i didn't want to come in with a

1625

01:06:12,230 --> 01:06:11,039

divergent conversation but i just wanted

1626
01:06:18,549 --> 01:06:12,240
to

1627
01:06:24,150 --> 01:06:18,559
may i ask the guest if he has studied

1628
01:06:31,510 --> 01:06:28,069
um i've i've i know of of the of the

1629
01:06:32,390 --> 01:06:31,520
title i've seen the title um pop up on

1630
01:06:36,230 --> 01:06:32,400
the internet

1631
01:06:38,309 --> 01:06:36,240
but i haven't studied them i must say

1632
01:06:40,789 --> 01:06:38,319
okay so i can't say because it's not so

1633
01:06:43,270 --> 01:06:40,799
much about it or how it relates to uh to

1634
01:06:45,349 --> 01:06:43,280
the wisdom teachings

1635
01:06:48,069 --> 01:06:45,359
right it it

1636
01:06:51,589 --> 01:06:48,079
the messages from um the allies of

1637
01:06:52,870 --> 01:06:51,599
humanity briefings relate also to the

1638
01:06:56,470 --> 01:06:52,880

the evolution

1639

01:06:58,630 --> 01:06:56,480

of our planet and what we need to become

1640

01:07:01,589 --> 01:06:58,640

real fast what we need to become

1641

01:07:04,470 --> 01:07:01,599

individually and as a species

1642

01:07:07,190 --> 01:07:04,480

to deal with the um not only our own

1643

01:07:08,789 --> 01:07:07,200

challenges but the extraterrestrial

1644

01:07:10,950 --> 01:07:08,799

engagement that

1645

01:07:12,630 --> 01:07:10,960

this age of extraterrestrial engagement

1646

01:07:15,190 --> 01:07:12,640

that we're entering in

1647

01:07:16,789 --> 01:07:15,200

in a very complex

1648

01:07:21,829 --> 01:07:16,799

universe

1649

01:07:25,829 --> 01:07:23,990

you back up the allies of humanity

1650

01:07:27,430 --> 01:07:25,839

briefings and everything that you say

1651

01:07:29,430 --> 01:07:27,440
about this the direction and the

1652

01:07:31,750 --> 01:07:29,440
evolution and the spiritual connection

1653

01:07:32,950 --> 01:07:31,760
and and or how manifesting that in the

1654

01:07:34,789 --> 01:07:32,960
world and

1655

01:07:36,950 --> 01:07:34,799
and yes we have to

1656

01:07:39,789 --> 01:07:36,960
evolve real quick

1657

01:07:42,549 --> 01:07:39,799
but there's a perspective on the

1658

01:07:45,910 --> 01:07:42,559
extraterrestrial presence that's

1659

01:07:48,470 --> 01:07:45,920
that would really challenge um

1660

01:07:49,190 --> 01:07:48,480
that the perspective that any of them

1661

01:07:51,510 --> 01:07:49,200
are

1662

01:07:55,510 --> 01:07:51,520
here at this time

1663

01:07:57,750 --> 01:07:55,520

to bring us salvation ali i'm certain

1664

01:08:00,549 --> 01:07:57,760

just this is mainly just to do some

1665

01:08:02,470 --> 01:08:00,559

quick q a um at least

1666

01:08:05,349 --> 01:08:02,480

i got to answer your question i'm sorry

1667

01:08:07,670 --> 01:08:05,359

maybe uh during open lines um you know

1668

01:08:10,630 --> 01:08:07,680

please feel free to go down

1669

01:08:12,789 --> 01:08:10,640

contact information i hope and and i you

1670

01:08:14,549 --> 01:08:12,799

answered my question you had not read

1671

01:08:16,870 --> 01:08:14,559

the briefings from the allies of

1672

01:08:18,789 --> 01:08:16,880

humanity and i hope i can have a further

1673

01:08:20,309 --> 01:08:18,799

private conversation with you someday

1674

01:08:23,269 --> 01:08:20,319

after you have

1675

01:08:26,149 --> 01:08:23,279

well also aldo um uh i did an interview

1676

01:08:28,390 --> 01:08:26,159

with um reid summers and so he

1677

01:08:30,070 --> 01:08:28,400

extensively covered that too so i hope

1678

01:08:31,990 --> 01:08:30,080

you get a chance to check it out

1679

01:08:34,470 --> 01:08:32,000

well thank you so far and yeah hopefully

1680

01:08:36,550 --> 01:08:34,480

we talk soon

1681

01:08:39,189 --> 01:08:36,560

okay i have uh the other question is

1682

01:08:40,630 --> 01:08:39,199

from marie antone

1683

01:08:42,309 --> 01:08:40,640

and um

1684

01:08:43,030 --> 01:08:42,319

forgive me it's a bit lengthy so i'll

1685

01:08:44,630 --> 01:08:43,040

just

1686

01:08:46,070 --> 01:08:44,640

uh there's some names i'm not too

1687

01:08:48,070 --> 01:08:46,080

familiar with him

1688

01:08:49,510 --> 01:08:48,080

basically starts off saying master

1689

01:08:52,470 --> 01:08:49,520

hilarion

1690

01:08:55,189 --> 01:08:52,480

starlight alex here and cosmic healing

1691

01:08:58,070 --> 01:08:55,199

warns about beings from zeta reticuli

1692

01:09:00,789 --> 01:08:58,080

the bernard bernard star

1693

01:09:02,870 --> 01:09:00,799

dragonis and regional

1694

01:09:08,059 --> 01:09:02,880

they have negative effects on

1695

01:09:12,000 --> 01:09:09,269

[Music]

1696

01:09:13,269 --> 01:09:12,010

i must say i hear

1697

01:09:15,749 --> 01:09:13,279

[Music]

1698

01:09:18,070 --> 01:09:15,759

the only name i i

1699

01:09:21,110 --> 01:09:18,080

seem to recognize is the

1700

01:09:23,110 --> 01:09:21,120

something reticular and i know

1701

01:09:25,189 --> 01:09:23,120

the only thing i can say in this

1702

01:09:27,910 --> 01:09:25,199

connection is that

1703

01:09:29,590 --> 01:09:27,920

i i'm aware that many people think that

1704

01:09:32,709 --> 01:09:29,600

you know we are being contacted and

1705

01:09:34,709 --> 01:09:32,719

visited by people from far away galaxies

1706

01:09:37,590 --> 01:09:34,719

or star systems

1707

01:09:39,030 --> 01:09:37,600

and according to my information based on

1708

01:09:41,829 --> 01:09:39,040

my research

1709

01:09:43,910 --> 01:09:41,839

and this is you know the the contacts

1710

01:09:46,789 --> 01:09:43,920

are really from within our own system

1711

01:09:49,110 --> 01:09:46,799

see the the universe of course

1712

01:09:56,070 --> 01:09:49,120

is

1713

01:09:57,030 --> 01:09:56,080

systems and clusters

1714

01:09:58,630 --> 01:09:57,040

uh

1715

01:10:01,030 --> 01:09:58,640

human beings are

1716

01:10:03,910 --> 01:10:01,040

as far as we know the first clusters

1717

01:10:06,950 --> 01:10:03,920

with self-consciousness and together we

1718

01:10:09,030 --> 01:10:06,960

form like an organ in the living

1719

01:10:12,310 --> 01:10:09,040

organism that is planet earth and planet

1720

01:10:14,630 --> 01:10:12,320

earth in turn is an organ in the living

1721

01:10:16,709 --> 01:10:14,640

organism that is the solar system the

1722

01:10:20,790 --> 01:10:16,719

solar system in turn is

1723

01:10:22,149 --> 01:10:20,800

a part of a of the milky way or

1724

01:10:25,510 --> 01:10:22,159

well first

1725

01:10:28,070 --> 01:10:25,520

another larger system with sirius at its

1726

01:10:31,350 --> 01:10:28,080
center and so forth and so forth

1727

01:10:33,590 --> 01:10:32,310
for

1728

01:10:35,189 --> 01:10:33,600
any

1729

01:10:38,070 --> 01:10:35,199
teaching

1730

01:10:40,950 --> 01:10:38,080
to be meaningful

1731

01:10:42,229 --> 01:10:40,960
it can't you know if

1732

01:10:43,990 --> 01:10:42,239
of course there are people who believe

1733

01:10:46,870 --> 01:10:44,000
that that's the case but

1734

01:10:47,990 --> 01:10:46,880
i don't think it makes much sense

1735

01:10:49,590 --> 01:10:48,000
you know

1736

01:10:52,229 --> 01:10:49,600
if if god

1737

01:10:54,550 --> 01:10:52,239
the creator the absolute

1738

01:10:59,590 --> 01:10:54,560

were to

1739

01:11:01,669 --> 01:10:59,600

connect with me or you directly in as an

1740

01:11:05,110 --> 01:11:01,679

individual you know it would blow us to

1741

01:11:06,390 --> 01:11:05,120

pieces because that consciousness is

1742

01:11:08,470 --> 01:11:06,400

so

1743

01:11:09,510 --> 01:11:08,480

far

1744

01:11:13,110 --> 01:11:09,520

beyond

1745

01:11:14,229 --> 01:11:13,120

what we can conceive even or what we can

1746

01:11:16,790 --> 01:11:14,239

absorb

1747

01:11:20,390 --> 01:11:16,800

that it wouldn't make any sense for

1748

01:11:22,390 --> 01:11:20,400

uh such consciousness to uh

1749

01:11:25,430 --> 01:11:22,400

and it wouldn't have

1750

01:11:28,310 --> 01:11:25,440

if he would even register it you know so

1751

01:11:30,310 --> 01:11:28,320

um things need to be stepped down and

1752

01:11:33,030 --> 01:11:30,320

for any meaningful

1753

01:11:33,910 --> 01:11:33,040

inspiration or information

1754

01:11:37,030 --> 01:11:33,920

um

1755

01:11:38,310 --> 01:11:37,040

to be conveyed

1756

01:11:39,510 --> 01:11:38,320

i think the

1757

01:11:41,590 --> 01:11:39,520

the source

1758

01:11:44,229 --> 01:11:41,600

will be not too far will be just the

1759

01:11:46,870 --> 01:11:44,239

next step up so in our case that will be

1760

01:11:49,270 --> 01:11:46,880

the higher planets in our system i know

1761

01:11:50,950 --> 01:11:49,280

many people have other beliefs and of

1762

01:11:53,590 --> 01:11:50,960

course they are entitled to that but

1763

01:11:55,910 --> 01:11:53,600

this is the information that i have and

1764

01:11:58,550 --> 01:11:55,920

the other names that the questioner

1765

01:12:00,149 --> 01:11:58,560

mentioned are really

1766

01:12:02,310 --> 01:12:00,159

there's really nothing i can say about

1767

01:12:04,390 --> 01:12:02,320

that because i'm not familiar with them

1768

01:12:05,910 --> 01:12:04,400

i'm sorry

1769

01:12:07,430 --> 01:12:05,920

okay thank you for that

1770

01:12:08,870 --> 01:12:07,440

gerard um

1771

01:12:10,149 --> 01:12:08,880

how many more questions could i ask you

1772

01:12:11,270 --> 01:12:10,159

i'm trying to be respectful for your

1773

01:12:13,110 --> 01:12:11,280

time if

1774

01:12:14,950 --> 01:12:13,120

we have a few uh do you want me to do

1775

01:12:16,310 --> 01:12:14,960

two more or what

1776

01:12:17,590 --> 01:12:16,320

yes sure yes

1777

01:12:18,950 --> 01:12:17,600

go ahead okay

1778

01:12:21,910 --> 01:12:18,960

all right the next question is from

1779

01:12:24,709 --> 01:12:21,920

frank asking when matria or masters

1780

01:12:27,270 --> 01:12:24,719

return will they be spirit man or

1781

01:12:31,189 --> 01:12:27,280

angelic will they be as they were in the

1782

01:12:34,310 --> 01:12:33,510

the masters

1783

01:12:35,830 --> 01:12:34,320

at

1784

01:12:37,669 --> 01:12:35,840

you know when when when you become a

1785

01:12:40,070 --> 01:12:37,679

master of wisdom when you've

1786

01:12:41,350 --> 01:12:40,080

uh completed the path of evolution on

1787

01:12:42,310 --> 01:12:41,360

this planet

1788

01:12:45,110 --> 01:12:42,320

through

1789

01:12:48,229 --> 01:12:45,120

um you know the last stage of the path

1790

01:12:50,790 --> 01:12:48,239

is called the path of initiation

1791

01:12:52,229 --> 01:12:50,800

and which is symbolized for us in in the

1792

01:12:53,669 --> 01:12:52,239

new testament

1793

01:12:56,070 --> 01:12:53,679

you know the

1794

01:12:58,550 --> 01:12:56,080

there are five stages the first stage

1795

01:13:01,669 --> 01:12:58,560

the first initiation is symbolized by

1796

01:13:04,229 --> 01:13:01,679

the birth of the christ child in the

1797

01:13:06,310 --> 01:13:04,239

mind the mansion

1798

01:13:08,630 --> 01:13:06,320

and that's symbolic for the birth of

1799

01:13:10,550 --> 01:13:08,640

christ consciousness in our heart or the

1800

01:13:11,750 --> 01:13:10,560

reawakening of the christ consciousness

1801
01:13:13,910 --> 01:13:11,760
in our heart

1802
01:13:15,750 --> 01:13:13,920
spiritual hearts by the way

1803
01:13:18,310 --> 01:13:15,760
the second stage the second initiation

1804
01:13:19,510 --> 01:13:18,320
is symbolized by the baptism in the

1805
01:13:21,590 --> 01:13:19,520
river jordan

1806
01:13:22,550 --> 01:13:21,600
which

1807
01:13:24,790 --> 01:13:22,560
is

1808
01:13:27,110 --> 01:13:24,800
you know indication of the

1809
01:13:30,070 --> 01:13:27,120
control of the emotional our emotional

1810
01:13:32,390 --> 01:13:30,080
life the first initiation is

1811
01:13:34,149 --> 01:13:32,400
control over our physical life

1812
01:13:37,270 --> 01:13:34,159
the second the

1813
01:13:40,550 --> 01:13:37,280

symbolized by river baptism

1814

01:13:42,790 --> 01:13:40,560

over our emotional life the third stage

1815

01:13:44,550 --> 01:13:42,800

is symbolized by the transfiguration on

1816

01:13:47,510 --> 01:13:44,560

the mount

1817

01:13:48,550 --> 01:13:47,520

and that symbolizes the control over our

1818

01:13:53,110 --> 01:13:48,560

mental

1819

01:13:55,110 --> 01:13:53,120

instrument

1820

01:13:56,149 --> 01:13:55,120

the fourth initiation

1821

01:13:58,790 --> 01:13:56,159

um

1822

01:14:01,510 --> 01:13:58,800

when these vehicles are integrated

1823

01:14:03,830 --> 01:14:01,520

physical emotional and mental you know

1824

01:14:06,630 --> 01:14:03,840

we become the fully integrated

1825

01:14:09,189 --> 01:14:06,640

personality through which the

1826

01:14:10,229 --> 01:14:09,199

our spiritual aspect our soul can

1827

01:14:12,709 --> 01:14:10,239

function

1828

01:14:15,510 --> 01:14:12,719

and we see that in great initiates in

1829

01:14:17,189 --> 01:14:15,520

this world

1830

01:14:19,590 --> 01:14:17,199

and

1831

01:14:21,990 --> 01:14:19,600

the fourth initiation is symbolized by

1832

01:14:25,110 --> 01:14:22,000

the crucifixion in the new testament

1833

01:14:27,270 --> 01:14:25,120

which is when we give up all the lower

1834

01:14:30,070 --> 01:14:27,280

bodies

1835

01:14:31,830 --> 01:14:30,080

in order to release the soul

1836

01:14:33,110 --> 01:14:31,840

from the physical

1837

01:14:34,870 --> 01:14:33,120

um

1838

01:14:36,709 --> 01:14:34,880

the physical

1839

01:14:39,030 --> 01:14:36,719

uh confinements

1840

01:14:40,310 --> 01:14:39,040

um and the fifth initiation is the

1841

01:14:45,110 --> 01:14:40,320

resurrection

1842

01:14:47,750 --> 01:14:45,120

matter um and that is symbolized of

1843

01:14:48,550 --> 01:14:47,760

course uh by the uh

1844

01:14:51,430 --> 01:14:48,560

uh

1845

01:14:54,950 --> 01:14:51,440

the resurrection of of the the dead body

1846

01:14:56,709 --> 01:14:54,960

of jesus but and although he's physical

1847

01:15:00,390 --> 01:14:56,719

um it's

1848

01:15:02,310 --> 01:15:00,400

it's really to do with the uh the

1849

01:15:05,189 --> 01:15:02,320

spirit conquering matter

1850

01:15:07,189 --> 01:15:05,199

the masters when they

1851

01:15:09,590 --> 01:15:07,199

once once you've taken the fifth

1852

01:15:12,149 --> 01:15:09,600

initiation and i don't speak

1853

01:15:13,910 --> 01:15:12,159

from experience here this is based on

1854

01:15:15,990 --> 01:15:13,920

the teachings that i've studied and the

1855

01:15:18,470 --> 01:15:16,000

information from benjamin graham

1856

01:15:20,550 --> 01:15:18,480

and when when the master

1857

01:15:24,709 --> 01:15:20,560

when you become a master of wisdom

1858

01:15:31,189 --> 01:15:27,430

you no longer need to

1859

01:15:32,950 --> 01:15:31,199

reincarnate to you know to continue your

1860

01:15:34,550 --> 01:15:32,960

path on the

1861

01:15:36,630 --> 01:15:34,560

your the path of evolution on this

1862

01:15:38,390 --> 01:15:36,640

planet then you are really free from

1863

01:15:40,310 --> 01:15:38,400

this planet but you can choose as i

1864

01:15:42,310 --> 01:15:40,320

mentioned before you can choose to stay

1865

01:15:44,630 --> 01:15:42,320

on this planet to help and inspire

1866

01:15:47,430 --> 01:15:44,640

humanity

1867

01:15:49,510 --> 01:15:47,440

and the way many monsters do that is by

1868

01:15:52,070 --> 01:15:49,520

creating that they you know they

1869

01:15:54,229 --> 01:15:52,080

continue to live on this planet in their

1870

01:15:56,229 --> 01:15:54,239

etheric bodies they don't need a

1871

01:15:57,270 --> 01:15:56,239

physical body

1872

01:15:58,630 --> 01:15:57,280

but

1873

01:15:59,910 --> 01:15:58,640

when masses

1874

01:16:02,630 --> 01:15:59,920

manifest

1875

01:16:05,030 --> 01:16:02,640

in the world and many of them or several

1876

01:16:06,470 --> 01:16:05,040

of them have you know we know

1877

01:16:08,790 --> 01:16:06,480

the account of

1878

01:16:11,510 --> 01:16:08,800

saint germain

1879

01:16:14,790 --> 01:16:11,520

who was very well known in the in the

1880

01:16:17,270 --> 01:16:14,800

european courts in the 17th century 18th

1881

01:16:19,830 --> 01:16:17,280

century

1882

01:16:22,229 --> 01:16:19,840

they create a body of manifestation they

1883

01:16:25,430 --> 01:16:22,239

can bring together the the matter

1884

01:16:27,510 --> 01:16:25,440

particles uh and all that together in

1885

01:16:29,350 --> 01:16:27,520

the shape of a human human body with

1886

01:16:31,669 --> 01:16:29,360

which they you know they live in the

1887

01:16:34,390 --> 01:16:31,679

world and you could meet one

1888

01:16:35,990 --> 01:16:34,400

um and not know it's a master

1889

01:16:38,550 --> 01:16:36,000

and of course they can also show

1890

01:16:40,630 --> 01:16:38,560

themselves in an aspect that is uh

1891

01:16:43,510 --> 01:16:40,640

undeniably of such a high spiritual

1892

01:16:45,350 --> 01:16:43,520

nature that you know you will just uh

1893

01:16:47,110 --> 01:16:45,360

fall on your knees in awe even though

1894

01:16:49,669 --> 01:16:47,120

the masters

1895

01:16:51,110 --> 01:16:49,679

are not known to

1896

01:16:53,510 --> 01:16:51,120

to

1897

01:16:54,709 --> 01:16:53,520

strive for that effect

1898

01:16:56,790 --> 01:16:54,719

um

1899

01:16:58,709 --> 01:16:56,800

so the masters

1900

01:17:01,750 --> 01:16:58,719

who are returning

1901

01:17:03,590 --> 01:17:01,760

they will have a body of manifestation

1902

01:17:07,110 --> 01:17:03,600

just as

1903

01:17:09,110 --> 01:17:07,120

maitreya who will have who has a unique

1904

01:17:10,390 --> 01:17:09,120

body of manifestation because he has

1905

01:17:13,590 --> 01:17:10,400

created it

1906

01:17:15,270 --> 01:17:13,600

in such a way that it will last for 2500

1907

01:17:19,350 --> 01:17:15,280

years more or less

1908

01:17:20,950 --> 01:17:19,360

and so i hope that answers the question

1909

01:17:23,350 --> 01:17:20,960

great thank you for that as you were

1910

01:17:27,430 --> 01:17:23,360

speaking i was looking over and

1911

01:17:29,270 --> 01:17:27,440

majority of the chat is very um

1912

01:17:31,590 --> 01:17:29,280

vivid and they're all talking to each

1913

01:17:34,790 --> 01:17:31,600

other but there's entirety of three

1914

01:17:36,550 --> 01:17:34,800

questions that i feel of very good ones

1915

01:17:39,189 --> 01:17:36,560

would it be okay if i just ask you those

1916

01:17:41,110 --> 01:17:39,199

three and i promise that would be it

1917

01:17:44,070 --> 01:17:41,120

uh yes if you can keep it those three

1918

01:17:48,310 --> 01:17:44,080

then you're sure yes all right thank you

1919

01:17:49,830 --> 01:17:48,320

uh this so first out of three says um

1920

01:17:52,390 --> 01:17:49,840

i don't know if this is english speaker

1921

01:17:54,950 --> 01:17:52,400

or just a misspelling says who joshua

1922

01:17:57,110 --> 01:17:54,960

and has he heard of the sumerian tablets

1923

01:18:02,550 --> 01:17:57,120

explaining the jesus story

1924

01:18:08,550 --> 01:18:05,110

i've heard of the sumerian tablets

1925

01:18:10,070 --> 01:18:08,560

and the modern interpretation by

1926

01:18:15,830 --> 01:18:10,080

what's his name again

1927

01:18:19,910 --> 01:18:17,270

many people

1928

01:18:22,070 --> 01:18:19,920

uh see that as the uh

1929

01:18:25,110 --> 01:18:22,080

as the uh

1930

01:18:27,110 --> 01:18:25,120

the final word on you know the

1931

01:18:30,550 --> 01:18:27,120

creation of the world or the universe

1932

01:18:32,870 --> 01:18:30,560

and and the reality of spaces for me

1933

01:18:34,229 --> 01:18:32,880

sessions interpretation is just that an

1934

01:18:37,830 --> 01:18:34,239

interpretation

1935

01:18:41,270 --> 01:18:37,840

um especially since he

1936

01:18:45,590 --> 01:18:43,110

ignores or

1937

01:18:46,550 --> 01:18:45,600

was not familiar with i'm not sure

1938

01:18:49,350 --> 01:18:46,560

the

1939

01:18:51,830 --> 01:18:49,360

wisdom teachings that have come to us

1940

01:18:54,950 --> 01:18:51,840

through madame blavatsky

1941

01:18:56,709 --> 01:18:54,960

so i do not i personally do not uh

1942

01:18:58,470 --> 01:18:56,719

attach the same significance to the

1943

01:19:00,310 --> 01:18:58,480

sumerian tablets the other names were

1944

01:19:02,149 --> 01:19:00,320

mentioned in the qui in the question i'm

1945

01:19:03,510 --> 01:19:02,159

not familiar with i'm sorry

1946

01:19:05,910 --> 01:19:03,520

okay

1947

01:19:07,350 --> 01:19:05,920

then the second question is

1948

01:19:09,270 --> 01:19:07,360

from

1949

01:19:11,830 --> 01:19:09,280

b del fontaine

1950

01:19:14,550 --> 01:19:11,840

asking gerard have you considered that

1951

01:19:16,709 --> 01:19:14,560

darker extraterrestrials extra-stressful

1952

01:19:18,870 --> 01:19:16,719

forces would be very capable of

1953

01:19:21,189 --> 01:19:18,880

persuading people that they are part of

1954

01:19:24,950 --> 01:19:21,199

our spiritual prophecies

1955

01:19:26,870 --> 01:19:24,960

shouldn't we be more cautious

1956

01:19:27,830 --> 01:19:26,880

uh yes um

1957

01:19:30,070 --> 01:19:27,840

of course

1958

01:19:32,709 --> 01:19:30,080

it's uh it's a concern that i often hear

1959

01:19:34,630 --> 01:19:32,719

when i speak of the benign nature of the

1960

01:19:36,790 --> 01:19:34,640

space visitors

1961

01:19:38,310 --> 01:19:36,800

and of course since we're talking about

1962

01:19:39,510 --> 01:19:38,320

evolution and the evolution of

1963

01:19:42,310 --> 01:19:39,520

consciousness

1964

01:19:44,790 --> 01:19:42,320

it it goes without saying that

1965

01:19:47,430 --> 01:19:44,800

besides the higher planets where life

1966

01:19:49,830 --> 01:19:47,440

has evolved beyond the stage that we are

1967

01:19:52,950 --> 01:19:49,840

at on planet earth there are also

1968

01:19:56,390 --> 01:19:52,960

planets where life has not

1969

01:19:58,870 --> 01:19:56,400

evolved to the stage yet where we are at

1970

01:20:03,350 --> 01:20:01,350

you know and where where motives may be

1971

01:20:05,270 --> 01:20:03,360

darker than

1972

01:20:08,390 --> 01:20:05,280

than

1973

01:20:10,709 --> 01:20:08,400

the visitors that i've been speaking of

1974

01:20:12,229 --> 01:20:10,719

um but we must remember

1975

01:20:13,830 --> 01:20:12,239

that

1976

01:20:15,590 --> 01:20:13,840

well i i

1977

01:20:18,229 --> 01:20:15,600

my research has shown that there are

1978

01:20:21,669 --> 01:20:18,239

three independent sources three sources

1979

01:20:24,310 --> 01:20:21,679

who independently have stated that

1980

01:20:28,390 --> 01:20:24,320

since the 1950s because we are now in

1981

01:20:30,229 --> 01:20:28,400

this crucial stage in in our history and

1982

01:20:32,629 --> 01:20:30,239

our evolution on this planet

1983

01:20:34,470 --> 01:20:32,639

the uh

1984

01:20:35,590 --> 01:20:34,480

the visitors from venus and mars

1985

01:20:38,470 --> 01:20:35,600

especially

1986

01:20:39,590 --> 01:20:38,480

have put around our planet a ring of

1987

01:20:42,149 --> 01:20:39,600

protection

1988

01:20:45,030 --> 01:20:42,159

this was first mentioned by wilbert

1989

01:20:47,669 --> 01:20:45,040

smith the canadian contact team

1990

01:20:49,110 --> 01:20:47,679

in an article in 1958

1991

01:20:51,430 --> 01:20:49,120

it was

1992

01:20:52,790 --> 01:20:51,440

also

1993

01:20:55,350 --> 01:20:52,800

stated by

1994

01:20:57,350 --> 01:20:55,360

the american scientists who worked

1995

01:21:00,149 --> 01:20:57,360

alongside

1996

01:21:03,030 --> 01:21:00,159

some extraterrestrial scientists in a

1997

01:21:05,669 --> 01:21:03,040

lab in america michael wolff

1998

01:21:07,510 --> 01:21:05,679

and it was also confirmed by by benjamin

1999

01:21:08,870 --> 01:21:07,520

cram in his first book

2000

01:21:11,669 --> 01:21:08,880

um

2001
01:21:13,430 --> 01:21:11,679
he called it a ring of light which keeps

2002
01:21:14,870 --> 01:21:13,440
the

2003
01:21:15,750 --> 01:21:14,880
more

2004
01:21:17,990 --> 01:21:15,760
uh

2005
01:21:18,870 --> 01:21:18,000
you know the the less evolved

2006
01:21:21,030 --> 01:21:18,880
um

2007
01:21:24,629 --> 01:21:21,040
people from other planets who do have

2008
01:21:25,510 --> 01:21:24,639
the capacity of uh interplanetary flight

2009
01:21:28,310 --> 01:21:25,520
um

2010
01:21:30,629 --> 01:21:28,320
out of our system out of our world for

2011
01:21:32,790 --> 01:21:30,639
the time being

2012
01:21:34,790 --> 01:21:32,800
as we go through this very difficult

2013
01:21:38,950 --> 01:21:34,800

transition from the age of pisces to the

2014

01:21:43,110 --> 01:21:41,590

because you know we are we have enough

2015

01:21:45,030 --> 01:21:43,120

to deal with

2016

01:21:47,510 --> 01:21:45,040

you know it's not so much the darker

2017

01:21:49,189 --> 01:21:47,520

forces from other planets that we have

2018

01:21:52,470 --> 01:21:49,199

to fear but

2019

01:21:54,790 --> 01:21:52,480

the darker forces on our own planet that

2020

01:21:58,790 --> 01:21:54,800

um

2021

01:22:01,510 --> 01:21:58,800

try to to to keep us from uniting and

2022

01:22:03,990 --> 01:22:01,520

from recognizing our oneness the the

2023

01:22:05,750 --> 01:22:04,000

forces of materiality have a place

2024

01:22:08,390 --> 01:22:05,760

according to the wisdom teachings in

2025

01:22:09,350 --> 01:22:08,400

keeping the matter aspect of this planet

2026

01:22:12,550 --> 01:22:09,360

intact

2027

01:22:15,110 --> 01:22:12,560

any other planet but they should not

2028

01:22:17,590 --> 01:22:15,120

you know that's the evolutionary arc of

2029

01:22:19,110 --> 01:22:17,600

life but they should not spill over or

2030

01:22:21,430 --> 01:22:19,120

when they do spill over onto the

2031

01:22:22,950 --> 01:22:21,440

evolutionary arc they have this very

2032

01:22:24,390 --> 01:22:22,960

negative effect

2033

01:22:28,310 --> 01:22:24,400

which we now see

2034

01:22:30,310 --> 01:22:28,320

um you know trying to take advantage of

2035

01:22:32,790 --> 01:22:30,320

our um

2036

01:22:35,430 --> 01:22:32,800

yeah our our separatist tendencies our

2037

01:22:36,390 --> 01:22:35,440

materialist tendencies uh throughout the

2038

01:22:37,430 --> 01:22:36,400

world

2039

01:22:40,149 --> 01:22:37,440

and uh

2040

01:22:41,750 --> 01:22:40,159

you know the sooner we uh we manage to

2041

01:22:45,350 --> 01:22:41,760

overcome our our

2042

01:22:47,910 --> 01:22:45,360

separatism and and our divisions and our

2043

01:22:50,310 --> 01:22:47,920

competition and our conflicts uh the

2044

01:22:53,430 --> 01:22:50,320

easier it will be to move into the new

2045

01:22:55,189 --> 01:22:53,440

age and build a new civilization based

2046

01:22:58,070 --> 01:22:55,199

on justice and

2047

01:23:04,229 --> 01:23:00,070

thank you for that so the last question

2048

01:23:07,350 --> 01:23:04,239

is from fab 22 asking if guatam guatama

2049

01:23:09,830 --> 01:23:07,360

buddha prophecy that maitreya would

2050

01:23:13,430 --> 01:23:09,840

incarnate in 5 000 years

2051

01:23:15,510 --> 01:23:13,440

why is there reports of him since 1970s

2052

01:23:16,550 --> 01:23:15,520

thank you

2053

01:23:20,709 --> 01:23:16,560

um

2054

01:23:22,470 --> 01:23:20,719

yes the the prophecies

2055

01:23:24,950 --> 01:23:22,480

of you know when

2056

01:23:27,110 --> 01:23:24,960

a certain teacher would return

2057

01:23:28,229 --> 01:23:27,120

differ you know even within buddhism you

2058

01:23:30,790 --> 01:23:28,239

will find

2059

01:23:32,390 --> 01:23:30,800

different interpretations of the same

2060

01:23:33,350 --> 01:23:32,400

statements or

2061

01:23:35,030 --> 01:23:33,360

and

2062

01:23:36,790 --> 01:23:35,040

you know that that

2063

01:23:39,189 --> 01:23:36,800

um that is

2064

01:23:40,629 --> 01:23:39,199

inherent in in prophecies even the

2065

01:23:42,950 --> 01:23:40,639

masters

2066

01:23:43,990 --> 01:23:42,960

we have been told cannot make very

2067

01:23:46,550 --> 01:23:44,000

accurate

2068

01:23:49,750 --> 01:23:46,560

prophecies uh only give general

2069

01:23:51,270 --> 01:23:49,760

indications of time frames or windows of

2070

01:23:53,590 --> 01:23:51,280

opportunity

2071

01:23:56,470 --> 01:23:53,600

because it all depends on

2072

01:23:58,870 --> 01:23:56,480

on our readiness on our perceptive

2073

01:24:01,830 --> 01:23:58,880

perceptiveness

2074

01:24:04,229 --> 01:24:01,840

how ready are we to respond to certain

2075

01:24:05,750 --> 01:24:04,239

new energies and new ideas

2076

01:24:08,310 --> 01:24:05,760

um and

2077

01:24:09,990 --> 01:24:08,320

the same is true for the space visitors

2078

01:24:12,390 --> 01:24:10,000

you know at one point

2079

01:24:14,629 --> 01:24:12,400

mystics

2080

01:24:16,709 --> 01:24:14,639

took it upon themselves to declare that

2081

01:24:19,510 --> 01:24:16,719

they were channeling

2082

01:24:22,070 --> 01:24:19,520

the information coming from space by

2083

01:24:23,270 --> 01:24:22,080

from discarnate beings

2084

01:24:25,910 --> 01:24:23,280

um

2085

01:24:26,709 --> 01:24:25,920

making all kinds of beautiful prophecies

2086

01:24:27,590 --> 01:24:26,719

um

2087

01:24:30,390 --> 01:24:27,600

but

2088

01:24:32,870 --> 01:24:30,400

it's it's not possible to to

2089

01:24:36,310 --> 01:24:32,880

put specific uh

2090

01:24:39,350 --> 01:24:36,320

dates or or you know numbers of years on

2091

01:24:40,709 --> 01:24:39,360

on prophecies it's all to do with cycles

2092

01:24:49,270 --> 01:24:40,719

and

2093

01:24:50,709 --> 01:24:49,280

the earliest

2094

01:24:52,709 --> 01:24:50,719

opportunity

2095

01:24:54,149 --> 01:24:52,719

the earliest possibility for maitreya to

2096

01:24:56,149 --> 01:24:54,159

step forward according to benjamin

2097

01:25:00,070 --> 01:24:56,159

graham and his master was the spring of

2098

01:25:02,950 --> 01:25:00,080

1982 humanity appeared not ready so

2099

01:25:05,990 --> 01:25:02,960

the emergence was postponed

2100

01:25:08,070 --> 01:25:06,000

um there have been several other

2101
01:25:11,750 --> 01:25:08,080
opportunities

2102
01:25:13,590 --> 01:25:11,760
at which time humanity's attention was

2103
01:25:15,830 --> 01:25:13,600
diverted

2104
01:25:18,870 --> 01:25:15,840
for instance one time i remember by the

2105
01:25:20,470 --> 01:25:18,880
falkland war in argentina i don't

2106
01:25:22,629 --> 01:25:20,480
remember what year that was exactly i

2107
01:25:27,030 --> 01:25:22,639
think it was 1988 or something

2108
01:25:28,629 --> 01:25:27,040
um you know so the masters depend on our

2109
01:25:29,990 --> 01:25:28,639
readiness

2110
01:25:33,669 --> 01:25:30,000
because

2111
01:25:37,189 --> 01:25:33,679
when the world teacher returns to this

2112
01:25:39,510 --> 01:25:37,199
world that is so full of distractions

2113
01:25:42,550 --> 01:25:39,520

with instant

2114

01:25:44,149 --> 01:25:42,560

gratification or instagramification

2115

01:25:45,510 --> 01:25:44,159

um

2116

01:25:47,270 --> 01:25:45,520

you know

2117

01:25:50,470 --> 01:25:47,280

there

2118

01:25:52,830 --> 01:25:50,480

it it would it would undermine the

2119

01:25:56,070 --> 01:25:52,840

effectiveness

2120

01:25:57,990 --> 01:25:56,080

of um the event because it will be a

2121

01:26:00,070 --> 01:25:58,000

historical event of course when the

2122

01:26:01,030 --> 01:26:00,080

world teacher for a new age steps

2123

01:26:03,590 --> 01:26:01,040

forward

2124

01:26:06,629 --> 01:26:03,600

and my trainer masters need to

2125

01:26:08,550 --> 01:26:06,639

uh need to be certain that humanity is

2126
01:26:11,350 --> 01:26:08,560
at its most receptive

2127
01:26:12,310 --> 01:26:11,360
for the best possible

2128
01:26:14,550 --> 01:26:12,320
um

2129
01:26:16,229 --> 01:26:14,560
result from their

2130
01:26:18,550 --> 01:26:16,239
you know the energies and the their

2131
01:26:20,310 --> 01:26:18,560
efforts um the

2132
01:26:22,950 --> 01:26:20,320
the uh

2133
01:26:25,510 --> 01:26:22,960
the aim is you know the maitreya and the

2134
01:26:27,510 --> 01:26:25,520
masters are not coming to

2135
01:26:30,229 --> 01:26:27,520
save the world for us

2136
01:26:31,990 --> 01:26:30,239
uh the space brothers are not here to

2137
01:26:33,510 --> 01:26:32,000
bring salvation

2138
01:26:36,070 --> 01:26:33,520

we can only

2139

01:26:39,110 --> 01:26:36,080

um

2140

01:26:41,990 --> 01:26:39,120

only

2141

01:26:43,910 --> 01:26:42,000

um save ourselves

2142

01:26:45,990 --> 01:26:43,920

but by treya

2143

01:26:48,629 --> 01:26:46,000

and his energies the masters and space

2144

01:26:52,229 --> 01:26:48,639

builders they are here to

2145

01:26:53,590 --> 01:26:52,239

inspire us with hope and and and vision

2146

01:26:54,870 --> 01:26:53,600

for the future

2147

01:26:56,950 --> 01:26:54,880

um

2148

01:27:00,070 --> 01:26:56,960

and with the

2149

01:27:01,270 --> 01:27:00,080

um the transference of the energies that

2150

01:27:02,830 --> 01:27:01,280

they bring

2151

01:27:06,550 --> 01:27:02,840

they

2152

01:27:09,430 --> 01:27:06,560

will uh set us into action and so

2153

01:27:11,430 --> 01:27:09,440

therefore they need humanity at its

2154

01:27:13,830 --> 01:27:11,440

highest receptivity

2155

01:27:15,270 --> 01:27:13,840

for this event to take place and when

2156

01:27:16,830 --> 01:27:15,280

that will take place

2157

01:27:18,950 --> 01:27:16,840

uh you know

2158

01:27:22,229 --> 01:27:18,960

maitreya we have we were told by

2159

01:27:25,830 --> 01:27:22,239

benjamin graham's master uh weighs the

2160

01:27:28,950 --> 01:27:25,840

you know the the situation from from

2161

01:27:29,450 --> 01:27:28,960

moment to moment and uh

2162

01:27:30,629 --> 01:27:29,460

um

2163

01:27:32,629 --> 01:27:30,639

[Music]

2164

01:27:34,229 --> 01:27:32,639

if he's the eldest brother if indeed he

2165

01:27:35,830 --> 01:27:34,239

is the eldest brother of humanity if

2166

01:27:36,790 --> 01:27:35,840

indeed he is

2167

01:27:40,550 --> 01:27:36,800

the

2168

01:27:43,669 --> 01:27:40,560

individual who has come out of evolved

2169

01:27:45,669 --> 01:27:43,679

out of the human kingdom who has now

2170

01:27:47,750 --> 01:27:45,679

reached the highest

2171

01:27:49,990 --> 01:27:47,760

level of consciousness that is

2172

01:27:52,950 --> 01:27:50,000

attainable on this planet then we must

2173

01:27:55,189 --> 01:27:52,960

trust his his judgments in

2174

01:27:57,590 --> 01:27:55,199

the time that he sets for his for his

2175

01:27:59,430 --> 01:27:57,600

emergence

2176

01:28:01,350 --> 01:27:59,440

all right thank you for that and thank

2177

01:28:02,790 --> 01:28:01,360

you so much for taking the time to talk

2178

01:28:05,430 --> 01:28:02,800

to me i know it's uh

2179

01:28:07,910 --> 01:28:05,440

getting updated in time very well

2180

01:28:09,830 --> 01:28:07,920

where you are so just i guess as a

2181

01:28:11,750 --> 01:28:09,840

conclusion if you could uh just leave

2182

01:28:14,310 --> 01:28:11,760

any websites or places where people

2183

01:28:17,030 --> 01:28:14,320

could uh find out more about you as i

2184

01:28:18,430 --> 01:28:17,040

mentioned earlier the link for the

2185

01:28:20,310 --> 01:28:18,440

uh

2186

01:28:22,390 --> 01:28:20,320

bgapublications.nl is in the description

2187

01:28:24,950 --> 01:28:22,400

below and if there's anything else you'd

2188

01:28:26,149 --> 01:28:24,960

like to add please do

2189

01:28:29,430 --> 01:28:26,159

yes that's the

2190

01:28:31,990 --> 01:28:29,440

link for for my website where i

2191

01:28:35,189 --> 01:28:32,000

keep track of all my publications

2192

01:28:37,110 --> 01:28:35,199

articles and books and websites

2193

01:28:39,750 --> 01:28:37,120

i would like to point out

2194

01:28:41,510 --> 01:28:39,760

[Music]

2195

01:28:43,990 --> 01:28:41,520

people if people have heard of george

2196

01:28:46,790 --> 01:28:44,000

adamski and they've heard that he was a

2197

01:28:48,790 --> 01:28:46,800

con man or a fraud then i would like to

2198

01:28:50,709 --> 01:28:48,800

invite them to visit my website the

2199

01:28:53,510 --> 01:28:50,719

adamski case the

2200

01:28:55,990 --> 01:28:53,520

adamski dash case.nl

2201

01:28:58,070 --> 01:28:56,000

where i've collected all the facts

2202

01:29:00,870 --> 01:28:58,080

placed them in context so that people

2203

01:29:02,790 --> 01:29:00,880

can see for themselves that

2204

01:29:05,669 --> 01:29:02,800

almost everything

2205

01:29:08,709 --> 01:29:05,679

that detractors say about the damski has

2206

01:29:11,510 --> 01:29:08,719

been misconstrued or

2207

01:29:15,110 --> 01:29:11,520

you know conflated with with things that

2208

01:29:17,669 --> 01:29:15,120

were not were not correct um so there's

2209

01:29:20,470 --> 01:29:17,679

there's the online monument that i've

2210

01:29:21,350 --> 01:29:20,480

erected for for george adamski

2211

01:29:26,629 --> 01:29:21,360

um

2212

01:29:29,350 --> 01:29:26,639

bgapublications.com people will find

2213

01:29:31,590 --> 01:29:29,360

the titles to my books which are all

2214

01:29:33,510 --> 01:29:31,600

available online from amazon and barnes

2215

01:29:34,709 --> 01:29:33,520

and noble and all the other online

2216

01:29:35,830 --> 01:29:34,719

outlets

2217

01:29:37,590 --> 01:29:35,840

um

2218

01:29:39,750 --> 01:29:37,600

and my latest book is pioneers of

2219

01:29:40,950 --> 01:29:39,760

oneness which

2220

01:29:43,830 --> 01:29:40,960

yeah

2221

01:29:46,629 --> 01:29:43,840

which brings together the uh

2222

01:29:48,149 --> 01:29:46,639

the asia's wisdom teachings and the uh

2223

01:29:52,149 --> 01:29:48,159

the latest

2224

01:29:55,270 --> 01:29:52,159

findings from 21st century science

2225

01:29:58,550 --> 01:29:55,280

and underpins really the accounts of the

2226

01:30:01,990 --> 01:29:58,560

compactees of the 1950s especially

2227

01:30:03,350 --> 01:30:02,000

so i would recommend that but you know

2228

01:30:05,910 --> 01:30:03,360

that's me

2229

01:30:07,990 --> 01:30:05,920

all right well gerard thank you again um

2230

01:30:10,070 --> 01:30:08,000

everyone else watching i appreciate you

2231

01:30:11,910 --> 01:30:10,080

joining us today uh next week on

2232

01:30:13,990 --> 01:30:11,920

wednesdays at 7 00 p.m central time

2233

01:30:15,830 --> 01:30:14,000

we're gonna have open lines we'll give

2234

01:30:18,550 --> 01:30:15,840

you an opportunity to call in and share

2235

01:30:20,070 --> 01:30:18,560

some of your stories uh gerard a

2236

01:30:24,070 --> 01:30:20,080

pleasure i hope we can do this again

2237

01:30:25,510 --> 01:30:24,080

sometime and uh yeah until next time

2238

01:30:27,750 --> 01:30:25,520

great thank you so much for having me

2239

01:30:29,510 --> 01:30:27,760

out and i'm certainly willing to to join

2240

01:30:30,390 --> 01:30:29,520

you again whenever you uh you have a
