

1  
00:00:05,120 --> 00:01:05,910

[Music]

2  
00:01:10,469 --> 00:01:08,230

hey everyone welcome to geoff hub live

3  
00:01:12,149 --> 00:01:10,479

stream today is open lines and i hope

4  
00:01:14,310 --> 00:01:12,159

that some of you will have a chance to

5  
00:01:16,870 --> 00:01:14,320

call in and share some of your stories

6  
00:01:20,390 --> 00:01:16,880

uh you can join the telegram group which

7  
00:01:22,870 --> 00:01:20,400

is also uh casting a voice only if for

8  
00:01:25,670 --> 00:01:22,880

those that want to listen also using

9  
00:01:28,310 --> 00:01:25,680

telegram is where you can talk to

10  
00:01:31,109 --> 00:01:28,320

uh later on sally directly to give your

11  
00:01:33,429 --> 00:01:31,119

name and and birthday so that she can

12  
00:01:35,910 --> 00:01:33,439

give you a quick numerology reading and

13  
00:01:37,590 --> 00:01:35,920

so uh just real quick about telegram if

14

00:01:39,429 --> 00:01:37,600

you don't have it you can download it on

15

00:01:42,310 --> 00:01:39,439

your phone or the computer

16

00:01:44,630 --> 00:01:42,320

the link for the ufo hub

17

00:01:47,190 --> 00:01:44,640

telegram group is in description below

18

00:01:50,149 --> 00:01:47,200

and simply join it you'll see a voice

19

00:01:51,990 --> 00:01:50,159

chat going on right now and you can

20

00:01:55,270 --> 00:01:52,000

partake raise your hand and you should

21

00:01:58,149 --> 00:01:55,280

be able to be in my queue so

22

00:02:00,310 --> 00:01:58,159

basically uh for the first depends on

23

00:02:02,630 --> 00:02:00,320

how many people we have come in to

24

00:02:05,429 --> 00:02:02,640

submit their name and number uh sally

25

00:02:07,429 --> 00:02:05,439

was asked her to come on we didn't work

26

00:02:09,430 --> 00:02:07,439

out last week but she came back this

27

00:02:11,270 --> 00:02:09,440

week i'm very happy about that

28

00:02:12,470 --> 00:02:11,280

she will just do some quick readings for

29

00:02:15,830 --> 00:02:12,480

everybody

30

00:02:17,670 --> 00:02:15,840

all the links and app links and booking

31

00:02:20,710 --> 00:02:17,680

links are in the description below for

32

00:02:22,070 --> 00:02:20,720

sally so please keep in mind the the

33

00:02:24,790 --> 00:02:22,080

reading you're getting is just very

34

00:02:27,589 --> 00:02:24,800

short uh for you know for just kind of

35

00:02:29,510 --> 00:02:27,599

light-heartedness for fun for us

36

00:02:31,750 --> 00:02:29,520

for us to do and especially since she's

37

00:02:33,990 --> 00:02:31,760

always so accurate it amazes people and

38

00:02:35,910 --> 00:02:34,000

i'd love to at least give the

39

00:02:37,910 --> 00:02:35,920

opportunity for some of you who haven't

40

00:02:41,110 --> 00:02:37,920

had a reading to just kind of get a

41

00:02:44,630 --> 00:02:41,120

taste for what what that that is like so

42

00:02:46,309 --> 00:02:44,640

anyway but if you want more sally is

43

00:02:48,229 --> 00:02:46,319

available and you can simply just go to

44

00:02:50,710 --> 00:02:48,239

a website to to

45

00:02:52,790 --> 00:02:50,720

get or book a appointment with her so

46

00:02:54,790 --> 00:02:52,800

remember with like with every speaker

47

00:02:56,070 --> 00:02:54,800

and every guest i always have on all

48

00:02:59,190 --> 00:02:56,080

their links will always be in the

49

00:03:01,670 --> 00:02:59,200

description below and so

50

00:03:05,110 --> 00:03:01,680

uh we have

51  
00:03:06,070 --> 00:03:05,120  
um arsenal already in chat welcome and

52  
00:03:11,670 --> 00:03:06,080  
so

53  
00:03:13,910 --> 00:03:11,680  
let's get started we'll have sally get

54  
00:03:16,790 --> 00:03:13,920  
going and she'll do some readings for

55  
00:03:19,270 --> 00:03:16,800  
everybody and depends on how well it

56  
00:03:21,030 --> 00:03:19,280  
goes she might be on maybe just for 10

57  
00:03:23,110 --> 00:03:21,040  
15 minutes maybe a little longer it

58  
00:03:25,030 --> 00:03:23,120  
depends but again this is just supposed

59  
00:03:27,190 --> 00:03:25,040  
to be short and quick

60  
00:03:30,070 --> 00:03:27,200  
all right let me bring you in sally

61  
00:03:31,750 --> 00:03:30,080  
thanks for being on welcome

62  
00:03:33,670 --> 00:03:31,760  
thank you

63  
00:03:35,990 --> 00:03:33,680

well i'm glad um

64

00:03:37,110 --> 00:03:36,000

me too i'm glad we're able to uh to work

65

00:03:40,470 --> 00:03:37,120

this out

66

00:03:42,309 --> 00:03:40,480

because i had um i had some difficulties

67

00:03:43,830 --> 00:03:42,319

we both had some difficulties with skype

68

00:03:45,110 --> 00:03:43,840

and i've actually for the first time

69

00:03:48,710 --> 00:03:45,120

used the

70

00:03:50,309 --> 00:03:48,720

um the room option or create a chat room

71

00:03:53,190 --> 00:03:50,319

and then sending the link is similar

72

00:03:55,750 --> 00:03:53,200

what zoom is doing i guess so it worked

73

00:03:58,309 --> 00:03:55,760

out this way so i'm glad you're here

74

00:04:00,949 --> 00:03:58,319

so uh sally let's start out with uh the

75

00:04:02,630 --> 00:04:00,959

first person uh her name is she was not

76

00:04:04,070 --> 00:04:02,640

able to watch uh

77

00:04:06,390 --> 00:04:04,080

now because i believe she lives in

78

00:04:08,869 --> 00:04:06,400

portugal but she had sent some

79

00:04:13,589 --> 00:04:08,879

information about herself earlier to me

80

00:04:18,310 --> 00:04:14,470

okay

81

00:04:23,030 --> 00:04:18,320

and her uh date of birth is 12 or so

82

00:04:31,110 --> 00:04:25,909

okay well happy birthday to her because

83

00:04:36,870 --> 00:04:33,990

so this is this is a very

84

00:04:38,150 --> 00:04:36,880

very conscientious responsible

85

00:04:40,870 --> 00:04:38,160

caring

86

00:04:43,670 --> 00:04:40,880

loving individual and she can be very

87

00:04:45,830 --> 00:04:43,680

forthright she can tell people how she's

88

00:04:47,670 --> 00:04:45,840

what she thinks pretty much off the top

89

00:04:49,430 --> 00:04:47,680

of her head on occasion

90

00:04:52,070 --> 00:04:49,440

but she is also

91

00:04:54,870 --> 00:04:52,080

as i said caring and kind she would

92

00:04:57,350 --> 00:04:54,880

really care about animals and the earth

93

00:04:59,350 --> 00:04:57,360

and her family and friends she'd be one

94

00:05:02,710 --> 00:04:59,360

of the best friends anybody could have

95

00:05:05,110 --> 00:05:02,720

because she will show up and

96

00:05:07,270 --> 00:05:05,120

regardless of what the circumstances is

97

00:05:08,629 --> 00:05:07,280

she would be there for her friends and

98

00:05:11,990 --> 00:05:08,639

family members

99

00:05:14,469 --> 00:05:12,000

and she's um as an employee she would be

100

00:05:15,990 --> 00:05:14,479

conscientious responsible dedicated

101  
00:05:18,230 --> 00:05:16,000

loyal

102  
00:05:19,909 --> 00:05:18,240

and again show up on time and do what

103  
00:05:22,550 --> 00:05:19,919

she says she'll do

104  
00:05:24,710 --> 00:05:22,560

and she could have her own business and

105  
00:05:26,870 --> 00:05:24,720

do extremely well in that it should be a

106  
00:05:29,430 --> 00:05:26,880

service business if she did have it

107  
00:05:31,830 --> 00:05:29,440

because she's very service oriented

108  
00:05:32,790 --> 00:05:31,840

uh she's probably her father's favorite

109  
00:05:39,110 --> 00:05:32,800

child

110  
00:05:41,749 --> 00:05:39,120

parent of the opposite sex

111  
00:05:44,230 --> 00:05:41,759

and so that's why i throw that out there

112  
00:05:46,070 --> 00:05:44,240

may not be but it could be

113  
00:05:48,150 --> 00:05:46,080

and i can see how she could be a

114

00:05:48,870 --> 00:05:48,160

favorite child of either of her parents

115

00:05:56,309 --> 00:05:48,880

so

116

00:05:59,350 --> 00:05:56,319

again she had she was shy

117

00:06:00,309 --> 00:05:59,360

uh in school i would say in her early

118

00:06:02,870 --> 00:06:00,319

years

119

00:06:05,670 --> 00:06:02,880

and uh would have been very

120

00:06:07,590 --> 00:06:05,680

conscientious again and just put her set

121

00:06:08,870 --> 00:06:07,600

her head in the books and

122

00:06:13,430 --> 00:06:08,880

and

123

00:06:15,990 --> 00:06:13,440

grades i would say

124

00:06:17,430 --> 00:06:16,000

does she identify or do they can they

125

00:06:19,510 --> 00:06:17,440

answer back

126

00:06:21,110 --> 00:06:19,520

um no she's not live with us right now

127

00:06:23,510 --> 00:06:21,120

uh she's in

128

00:06:25,350 --> 00:06:23,520

portugal i believe but she will get that

129

00:06:27,270 --> 00:06:25,360

reading because sometimes i can't do it

130

00:06:29,590 --> 00:06:27,280

for everybody um but

131

00:06:31,830 --> 00:06:29,600

some people that they send me direct

132

00:06:33,270 --> 00:06:31,840

messages and ask politely if i could do

133

00:06:36,070 --> 00:06:33,280

this i was like sure why not i can

134

00:06:39,110 --> 00:06:36,080

understand because i think it's um

135

00:06:41,430 --> 00:06:39,120

maybe what two three a.m now there but i

136

00:06:43,189 --> 00:06:41,440

also we have some people uh watching

137

00:06:45,350 --> 00:06:43,199

that i know are up during that time in

138

00:06:46,150 --> 00:06:45,360

europe so i guess to each to each their

139

00:06:49,029 --> 00:06:46,160

own

140

00:06:52,710 --> 00:06:49,039

so uh the next person i have is sandra

141

00:06:59,589 --> 00:06:56,870

and the birthdate is august 27

142

00:07:00,710 --> 00:06:59,599

1980.

143

00:07:01,990 --> 00:07:00,720

okay

144

00:07:03,830 --> 00:07:02,000

oh just real quick i'm sorry to

145

00:07:05,189 --> 00:07:03,840

interrupt for those still watching i had

146

00:07:06,309 --> 00:07:05,199

forgot to mention

147

00:07:10,469 --> 00:07:06,319

um

148

00:07:13,029 --> 00:07:10,479

chatting as much it's not that busy so i

149

00:07:14,309 --> 00:07:13,039

can pick it up but usually if you guys

150

00:07:17,350 --> 00:07:14,319

can have a

151  
00:07:18,390 --> 00:07:17,360  
um use three asterisks before your name

152  
00:07:20,469 --> 00:07:18,400  
and

153  
00:07:22,230 --> 00:07:20,479  
a birth date or before the question in

154  
00:07:25,670 --> 00:07:22,240  
general in chat that would help me out

155  
00:07:26,790 --> 00:07:25,680  
great deal i'm sorry sal please go ahead

156  
00:07:29,589 --> 00:07:26,800  
okay

157  
00:07:31,430 --> 00:07:29,599  
well what i can see is that this

158  
00:07:33,990 --> 00:07:31,440  
that sandra is

159  
00:07:35,830 --> 00:07:34,000  
a an extraordinarily conscientious

160  
00:07:37,589 --> 00:07:35,840  
individual

161  
00:07:39,510 --> 00:07:37,599  
the full edition of a birth date is an

162  
00:07:41,830 --> 00:07:39,520  
eight reduces to the number eight which

163  
00:07:44,629 --> 00:07:41,840

is called the number of the example

164

00:07:47,189 --> 00:07:44,639

somebody who sets the example for others

165

00:07:48,629 --> 00:07:47,199

it's also called the teacher of teachers

166

00:07:50,070 --> 00:07:48,639

it's also called the number of the

167

00:07:53,110 --> 00:07:50,080

chairman of the board

168

00:07:56,150 --> 00:07:53,120

so she might even make it there

169

00:07:58,150 --> 00:07:56,160

she has that same type of number in the

170

00:08:01,430 --> 00:07:58,160

first phase of her life as well which

171

00:08:03,749 --> 00:08:01,440

she would have now in in

172

00:08:05,510 --> 00:08:03,759

with her school work and so on so she

173

00:08:08,150 --> 00:08:05,520

would be someone who does not like to

174

00:08:10,469 --> 00:08:08,160

make an error at anything that she does

175

00:08:12,550 --> 00:08:10,479

she's like top of the line and i would

176

00:08:14,390 --> 00:08:12,560

say that she gets probably

177

00:08:16,950 --> 00:08:14,400

either straight a's or very close to

178

00:08:18,710 --> 00:08:16,960

that or whatever they're called in i

179

00:08:21,670 --> 00:08:18,720

guess she is american

180

00:08:23,749 --> 00:08:21,680

and uh also she's born on the 27th which

181

00:08:26,550 --> 00:08:23,759

is a it's called the number of the

182

00:08:29,589 --> 00:08:26,560

universal humanitarian so she would have

183

00:08:32,949 --> 00:08:29,599

tremendous humanitarian sensibilities

184

00:08:34,870 --> 00:08:32,959

along with the eight which is just

185

00:08:37,269 --> 00:08:34,880

cannot

186

00:08:39,430 --> 00:08:37,279

help but help other people in some way

187

00:08:42,310 --> 00:08:39,440

that need help they just

188

00:08:43,909 --> 00:08:42,320

can't walk past someone that needs some

189

00:08:47,670 --> 00:08:43,919

kind of help and see if they can't help

190

00:08:50,070 --> 00:08:47,680

them same with animals so they're very

191

00:08:51,430 --> 00:08:50,080

i mean here again she's she's just the

192

00:08:53,670 --> 00:08:51,440

top of the line

193

00:08:55,590 --> 00:08:53,680

as far as a human being is concerned she

194

00:08:58,150 --> 00:08:55,600

could be a little controlling on

195

00:09:00,310 --> 00:08:58,160

occasion but it's only because she wants

196

00:09:02,710 --> 00:09:00,320

to make sure things are right she has an

197

00:09:04,470 --> 00:09:02,720

eye for quality she has the buyer's eye

198

00:09:06,949 --> 00:09:04,480

as a matter of fact so she would have

199

00:09:09,829 --> 00:09:06,959

very very good taste

200

00:09:11,509 --> 00:09:09,839

in clothing or anything even men

201  
00:09:12,470 --> 00:09:11,519  
hopefully

202  
00:09:13,670 --> 00:09:12,480  
and

203  
00:09:16,710 --> 00:09:13,680  
um

204  
00:09:19,110 --> 00:09:16,720  
i think that you know she she has a

205  
00:09:21,110 --> 00:09:19,120  
strong personality in some ways because

206  
00:09:23,670 --> 00:09:21,120  
of her name the s and the a which is

207  
00:09:24,710 --> 00:09:23,680  
what i have with sally it means that she

208  
00:09:26,870 --> 00:09:24,720  
will

209  
00:09:30,230 --> 00:09:26,880  
be forthright when she needs to say

210  
00:09:32,310 --> 00:09:30,240  
something not quite as much as i was but

211  
00:09:34,790 --> 00:09:32,320  
but certainly because she has the eights

212  
00:09:36,790 --> 00:09:34,800  
which are so classy the eight is a very

213  
00:09:39,110 --> 00:09:36,800

very classy number

214

00:09:42,550 --> 00:09:39,120

and i would imagine she would agree with

215

00:09:44,710 --> 00:09:42,560

me with most everything i've said

216

00:09:47,670 --> 00:09:44,720

all right thank you for that

217

00:09:50,310 --> 00:09:47,680

um the next person i have is joan uh

218

00:09:52,310 --> 00:09:50,320

it's a j-o-a-n

219

00:09:53,509 --> 00:09:52,320

and that's september

220

00:09:57,430 --> 00:09:53,519

12

221

00:10:01,269 --> 00:09:58,790

okay

222

00:10:04,550 --> 00:10:01,279

so eight nine

223

00:10:07,829 --> 00:10:04,560

okay so she's double threes so well the

224

00:10:10,630 --> 00:10:07,839

12 reduces down to a three but the 12 is

225

00:10:13,030 --> 00:10:10,640

a number of people who tend to sacrifice

226

00:10:15,509 --> 00:10:13,040

their own needs for the sake of others

227

00:10:17,750 --> 00:10:15,519

and many times that involves children i

228

00:10:19,670 --> 00:10:17,760

mean they will be very conscientious and

229

00:10:21,670 --> 00:10:19,680

responsible with children

230

00:10:24,150 --> 00:10:21,680

she has a kind of child-like nature

231

00:10:25,670 --> 00:10:24,160

herself she would have a very creative

232

00:10:27,670 --> 00:10:25,680

nature

233

00:10:29,990 --> 00:10:27,680

and that goes along with the childlike

234

00:10:31,190 --> 00:10:30,000

nature because it's it's just knowing

235

00:10:33,269 --> 00:10:31,200

how to

236

00:10:35,110 --> 00:10:33,279

put things together that are

237

00:10:37,670 --> 00:10:35,120

exciting and

238

00:10:40,310 --> 00:10:37,680

you know have some kind of creativity to

239

00:10:42,790 --> 00:10:40,320

them and even some kind of joy the full

240

00:10:44,389 --> 00:10:42,800

edition of her birthday being a three

241

00:10:48,150 --> 00:10:44,399

is also

242

00:10:50,550 --> 00:10:48,160

so having the the 12 being a 3-2

243

00:10:54,310 --> 00:10:50,560

she really should be very very creative

244

00:10:57,269 --> 00:10:54,320

in some way even verbally singing

245

00:10:59,269 --> 00:10:57,279

orating writing

246

00:11:01,990 --> 00:10:59,279

but also painting

247

00:11:03,110 --> 00:11:02,000

and just about any area of creativity i

248

00:11:06,550 --> 00:11:03,120

would say

249

00:11:08,230 --> 00:11:06,560

and also be a grand teacher i mean if

250

00:11:10,389 --> 00:11:08,240

she ever wanted to be a teacher i mean

251  
00:11:11,829 --> 00:11:10,399  
she's older she may have been but the

252  
00:11:14,230 --> 00:11:11,839  
point is is that she would have been

253  
00:11:16,710 --> 00:11:14,240  
great with kids because that's what

254  
00:11:18,630 --> 00:11:16,720  
these numbers are

255  
00:11:20,470 --> 00:11:18,640  
and even in the first phase of life

256  
00:11:23,509 --> 00:11:20,480  
she's an optimist she's an eternal

257  
00:11:25,509 --> 00:11:23,519  
optimist so even when things aren't

258  
00:11:27,910 --> 00:11:25,519  
going so well for her she's not going to

259  
00:11:30,389 --> 00:11:27,920  
get down like the average person because

260  
00:11:31,590 --> 00:11:30,399  
the three is is the number of

261  
00:11:34,310 --> 00:11:31,600  
um

262  
00:11:37,110 --> 00:11:34,320  
optimism and and even

263  
00:11:39,910 --> 00:11:37,120

euphoria in a way just really feeling

264

00:11:42,230 --> 00:11:39,920

happy a lot of the time

265

00:11:44,710 --> 00:11:42,240

and just as far as her names uh see

266

00:11:45,509 --> 00:11:44,720

that's a four so she has the four as her

267

00:11:48,630 --> 00:11:45,519

name

268

00:11:49,910 --> 00:11:48,640

and the four that's a thirteen four

269

00:11:51,910 --> 00:11:49,920

so she's

270

00:11:54,310 --> 00:11:51,920

you know she can

271

00:11:56,230 --> 00:11:54,320

speaking her mind that i would i would say

272

00:11:59,190 --> 00:11:56,240

that she would be less inclined to do

273

00:12:01,990 --> 00:11:59,200

that than the other two that i read but

274

00:12:04,230 --> 00:12:02,000

she will find a way to do that

275

00:12:07,269 --> 00:12:04,240

politely i would say

276

00:12:08,230 --> 00:12:07,279

certainly sandra too would do that

277

00:12:11,990 --> 00:12:08,240

so

278

00:12:13,750 --> 00:12:12,000

um that's what i see here another quick

279

00:12:15,430 --> 00:12:13,760

the quick read

280

00:12:16,629 --> 00:12:15,440

oh great thank you

281

00:12:23,030 --> 00:12:16,639

um

282

00:12:29,269 --> 00:12:26,550

okay and it's 11

283

00:12:32,629 --> 00:12:29,279

so uh november a third

284

00:12:35,670 --> 00:12:34,790

okay

285

00:12:39,350 --> 00:12:35,680

so

286

00:12:42,150 --> 00:12:39,360

she has an 11 destiny

287

00:12:44,470 --> 00:12:42,160

i want to make sure here so 27

288

00:12:45,509 --> 00:12:44,480

and yeah she has 11 destiny

289

00:12:47,350 --> 00:12:45,519

so

290

00:12:49,350 --> 00:12:47,360

she has a destiny number which is the

291

00:12:51,269 --> 00:12:49,360

full edition of the birthday

292

00:12:53,750 --> 00:12:51,279

that is um

293

00:12:55,990 --> 00:12:53,760

one that

294

00:12:59,990 --> 00:12:56,000

pulls people with problems

295

00:13:02,710 --> 00:13:00,000

into her atmosphere or toward her

296

00:13:06,230 --> 00:13:02,720

is she can be a wonderful counselor

297

00:13:08,069 --> 00:13:06,240

she can be a very intuitive highly

298

00:13:12,470 --> 00:13:08,079

highly intuitive

299

00:13:13,990 --> 00:13:12,480

and very accurate with her intuition

300

00:13:14,870 --> 00:13:14,000

she is also

301  
00:13:17,350 --> 00:13:14,880  
um

302  
00:13:19,750 --> 00:13:17,360  
you know one who can

303  
00:13:21,509 --> 00:13:19,760  
verbalize very well to help people as

304  
00:13:24,150 --> 00:13:21,519  
well i mean she's the type of person if

305  
00:13:25,110 --> 00:13:24,160  
she sits down on a park bench

306  
00:13:27,350 --> 00:13:25,120  
and

307  
00:13:29,430 --> 00:13:27,360  
by herself she's going to have somebody

308  
00:13:31,110 --> 00:13:29,440  
come along and sit down next to her i

309  
00:13:32,150 --> 00:13:31,120  
used to call this number the

310  
00:13:35,190 --> 00:13:32,160  
pigeon

311  
00:13:37,269 --> 00:13:35,200  
on statues number because people will

312  
00:13:38,550 --> 00:13:37,279  
come up and just unload on people with

313  
00:13:40,389 --> 00:13:38,560

her numbers

314

00:13:42,069 --> 00:13:40,399

uh because she's

315

00:13:45,670 --> 00:13:42,079

kind of like because we're kind of all

316

00:13:50,069 --> 00:13:45,680

made of energy her energy is very high

317

00:13:52,069 --> 00:13:50,079

uh very um elevated if you want uh

318

00:13:54,470 --> 00:13:52,079

that's a better word for it i think it's

319

00:13:56,389 --> 00:13:54,480

that people can sense that she's someone

320

00:13:58,870 --> 00:13:56,399

that they can open up to and tell their

321

00:14:00,389 --> 00:13:58,880

problems to and she might have scratched

322

00:14:02,870 --> 00:14:00,399

her head with that on occasion why does

323

00:14:05,509 --> 00:14:02,880

everybody tell me their problems because

324

00:14:06,629 --> 00:14:05,519

she has that energy it is called the

325

00:14:08,150 --> 00:14:06,639

number of

326  
00:14:10,790 --> 00:14:08,160  
of the

327  
00:14:12,069 --> 00:14:10,800  
the counselor the minister the the

328  
00:14:15,350 --> 00:14:12,079  
caretaker

329  
00:14:16,470 --> 00:14:15,360  
of the earth even in a way but it's also

330  
00:14:19,430 --> 00:14:16,480  
extremely

331  
00:14:22,710 --> 00:14:19,440  
highly intuitive so if she ever wanted

332  
00:14:25,590 --> 00:14:22,720  
to do something in the esoteric field

333  
00:14:27,910 --> 00:14:25,600  
she would do very very well with that

334  
00:14:29,350 --> 00:14:27,920  
and her first name five six seven eight

335  
00:14:32,470 --> 00:14:29,360  
nine ten

336  
00:14:34,150 --> 00:14:32,480  
well she her first name is a 10 so

337  
00:14:36,389 --> 00:14:34,160  
that gives her a

338  
00:14:39,670 --> 00:14:36,399

uh strong kind of

339

00:14:42,310 --> 00:14:39,680

a strong personality toward the outside

340

00:14:44,389 --> 00:14:42,320

world but at the same time the zero

341

00:14:46,790 --> 00:14:44,399

associated with any

342

00:14:49,110 --> 00:14:46,800

number means divine guidance divine

343

00:14:51,670 --> 00:14:49,120

inspiration and divine protection so she

344

00:14:53,590 --> 00:14:51,680

would be a soft one in other words the

345

00:14:56,150 --> 00:14:53,600

one is a very powerful number in

346

00:14:58,710 --> 00:14:56,160

numerology the most powerful i would say

347

00:14:59,750 --> 00:14:58,720

as far as

348

00:15:02,150 --> 00:14:59,760

just

349

00:15:03,030 --> 00:15:02,160

taking the bull by the horns and running

350

00:15:03,910 --> 00:15:03,040

with it

351

00:15:06,790 --> 00:15:03,920

but

352

00:15:10,310 --> 00:15:06,800

hers has the ten so she's a soft one

353

00:15:12,389 --> 00:15:10,320

meaning that very approachable

354

00:15:15,110 --> 00:15:12,399

great thank you uh sally uh would you

355

00:15:18,069 --> 00:15:15,120

say two more would that be okay with you

356

00:15:19,990 --> 00:15:18,079

sure yeah i should go for a long time

357

00:15:24,829 --> 00:15:20,000

but it's up you know

358

00:15:32,230 --> 00:15:29,110

b-e-t-h and it's june 3rd

359

00:15:36,230 --> 00:15:32,240

uh 1965.

360

00:15:40,470 --> 00:15:39,110

okay she has double threes as well

361

00:15:43,030 --> 00:15:40,480

so

362

00:15:44,870 --> 00:15:43,040

as the one lady that was before not just

363

00:15:47,430 --> 00:15:44,880

before but before her

364

00:15:48,550 --> 00:15:47,440

and the threes again are extremely

365

00:15:51,269 --> 00:15:48,560

creative

366

00:15:55,189 --> 00:15:51,279

and also since she's a gemini she

367

00:15:56,710 --> 00:15:55,199

probably is very creative in some manner

368

00:15:57,749 --> 00:15:56,720

she would be very good with children

369

00:15:58,710 --> 00:15:57,759

also

370

00:16:00,310 --> 00:15:58,720

um

371

00:16:03,350 --> 00:16:00,320

and

372

00:16:06,230 --> 00:16:03,360

artistic a very good writer

373

00:16:08,710 --> 00:16:06,240

her name is an eight so she makes sure

374

00:16:10,310 --> 00:16:08,720

that she crosses all her t's and dots

375

00:16:12,949 --> 00:16:10,320

all of her eyes

376

00:16:14,710 --> 00:16:12,959

she could be very fastidious you know

377

00:16:16,470 --> 00:16:14,720

everything in its place and a place for

378

00:16:18,150 --> 00:16:16,480

everything sometimes people with the

379

00:16:21,269 --> 00:16:18,160

more artistic

380

00:16:23,990 --> 00:16:21,279

orientation are not that neat

381

00:16:25,829 --> 00:16:24,000

but if she happens to be

382

00:16:27,910 --> 00:16:25,839

more artistic she's more on the left

383

00:16:30,790 --> 00:16:27,920

brain oriented side

384

00:16:32,870 --> 00:16:30,800

which many scientists have the threes

385

00:16:35,189 --> 00:16:32,880

many of the greatest scientists have

386

00:16:37,030 --> 00:16:35,199

threes too so there's both sides that

387

00:16:38,629 --> 00:16:37,040

the three can go

388

00:16:41,269 --> 00:16:38,639

and

389

00:16:43,590 --> 00:16:41,279

again with children i think she would be

390

00:16:45,189 --> 00:16:43,600

a great mom she would really

391

00:16:46,710 --> 00:16:45,199

love

392

00:16:50,069 --> 00:16:46,720

being a mom

393

00:16:53,110 --> 00:16:50,079

being also being born in the june month

394

00:16:54,790 --> 00:16:53,120

because they do tend to really care

395

00:16:56,710 --> 00:16:54,800

about their children you know all

396

00:16:58,949 --> 00:16:56,720

parents care about their children but

397

00:17:00,870 --> 00:16:58,959

it's just that they have the six and the

398

00:17:03,189 --> 00:17:00,880

six is kind of the

399

00:17:04,470 --> 00:17:03,199

home humanitarian kind of

400

00:17:05,590 --> 00:17:04,480

number

401  
00:17:09,029 --> 00:17:05,600  
so

402  
00:17:10,309 --> 00:17:09,039  
that's pretty much what i see here

403  
00:17:13,189 --> 00:17:10,319  
great thank you

404  
00:17:15,189 --> 00:17:13,199  
um i have one more person one more but

405  
00:17:15,990 --> 00:17:15,199  
then um i usually

406  
00:17:17,669 --> 00:17:16,000  
uh

407  
00:17:19,909 --> 00:17:17,679  
always try to encourage people to join

408  
00:17:22,549 --> 00:17:19,919  
telegram so somebody also raised their

409  
00:17:24,549 --> 00:17:22,559  
hands on telegram so they turned another

410  
00:17:26,230 --> 00:17:24,559  
two questions is that okay so one in

411  
00:17:28,630 --> 00:17:26,240  
chat yeah on the telegram and then i

412  
00:17:31,750 --> 00:17:28,640  
promise that'll be it

413  
00:17:33,350 --> 00:17:31,760

okay hey hey i'm just grateful to be on

414

00:17:34,870 --> 00:17:33,360

the program honestly

415

00:17:36,549 --> 00:17:34,880

well no i'm i'm grateful you're doing

416

00:17:39,029 --> 00:17:36,559

this for all of us so i certainly

417

00:17:43,510 --> 00:17:39,039

appreciate it uh so the next person is

418

00:17:48,549 --> 00:17:44,830

and it's uh

419

00:17:52,950 --> 00:17:48,559

eight 12

420

00:17:59,350 --> 00:17:56,549

okay so six nine so she's comparable to

421

00:18:02,070 --> 00:17:59,360

another lady that i had above only she

422

00:18:04,310 --> 00:18:02,080

she's comparable to the ladies i've had

423

00:18:06,950 --> 00:18:04,320

because she has the three with the

424

00:18:09,909 --> 00:18:06,960

number 12 one and two making three

425

00:18:11,990 --> 00:18:09,919

as her personality number and it is the

426

00:18:13,590 --> 00:18:12,000

12 which is sacrificing her own needs

427

00:18:15,270 --> 00:18:13,600

for the sake of others many times and

428

00:18:17,750 --> 00:18:15,280

she would certainly do that because she

429

00:18:20,549 --> 00:18:17,760

also has the eight as her destiny number

430

00:18:23,029 --> 00:18:20,559

let's see it's a 36

431

00:18:26,470 --> 00:18:23,039

36 so it's a 40

432

00:18:29,430 --> 00:18:26,480

i think it's a 44 8. so very very

433

00:18:30,870 --> 00:18:29,440

conscientious hard-working dedicated

434

00:18:35,669 --> 00:18:30,880

loyal

435

00:18:37,110 --> 00:18:35,679

um

436

00:18:39,110 --> 00:18:37,120

also

437

00:18:42,150 --> 00:18:39,120

very sharp you know i mean

438

00:18:45,029 --> 00:18:42,160

just as far as mathematically the eight

439

00:18:47,830 --> 00:18:45,039

many times are great mathematicians

440

00:18:51,830 --> 00:18:47,840

um and things that call for

441

00:18:54,070 --> 00:18:51,840

for research and analysis and also they

442

00:18:56,789 --> 00:18:54,080

have the buyer's eye as i said

443

00:18:59,990 --> 00:18:56,799

uh she can ferret out the only

444

00:19:02,710 --> 00:19:00,000

uh valuable thing in a in a garage sale

445

00:19:05,110 --> 00:19:02,720

for instance she her eyes would be able

446

00:19:07,029 --> 00:19:05,120

to find that one thing that really has

447

00:19:08,950 --> 00:19:07,039

some kind of value

448

00:19:12,549 --> 00:19:08,960

and um

449

00:19:14,710 --> 00:19:12,559

good with very good with friends um can

450

00:19:16,950 --> 00:19:14,720

be a little bit controlling maybe she's

451  
00:19:19,510 --> 00:19:16,960  
a leo too so just a little controlling

452  
00:19:22,230 --> 00:19:19,520  
but still it's it's all for the better

453  
00:19:25,669 --> 00:19:22,240  
for others because usually she has

454  
00:19:27,669 --> 00:19:25,679  
others in mind when she's doing that to

455  
00:19:30,549 --> 00:19:27,679  
make things better for them because

456  
00:19:33,510 --> 00:19:30,559  
they're not takers the female numbers

457  
00:19:35,909 --> 00:19:33,520  
are four two four six and eight so when

458  
00:19:37,909 --> 00:19:35,919  
there's female numbers they're always

459  
00:19:40,150 --> 00:19:37,919  
nurturing in nature regardless of

460  
00:19:42,150 --> 00:19:40,160  
whether they're with a man or a woman

461  
00:19:44,150 --> 00:19:42,160  
and so we've had a couple of people well

462  
00:19:46,549 --> 00:19:44,160  
we've had a number of them with with the

463  
00:19:48,950 --> 00:19:46,559

female oriented numbers

464

00:19:50,310 --> 00:19:48,960

and let's see her first name is five six

465

00:19:54,390 --> 00:19:50,320

seven

466

00:19:56,470 --> 00:19:54,400

it

467

00:19:57,909 --> 00:19:56,480

that's the number of the genius so i'll

468

00:19:59,590 --> 00:19:57,919

give that to her

469

00:20:02,149 --> 00:19:59,600

uh because she would put the effort

470

00:20:03,110 --> 00:20:02,159

forth to take herself there too

471

00:20:07,029 --> 00:20:03,120

so

472

00:20:09,270 --> 00:20:07,039

that's what i see with alba

473

00:20:11,669 --> 00:20:09,280

great thank you uh

474

00:20:13,830 --> 00:20:11,679

nathan you are on media to my end and

475

00:20:17,190 --> 00:20:13,840

mute yourself on yours and please uh

476

00:20:19,350 --> 00:20:17,200

give us your name and uh birthday

477

00:20:21,669 --> 00:20:19,360

hello anon sally actually i'm sitting

478

00:20:23,669 --> 00:20:21,679

here with my mother and wife and they

479

00:20:26,310 --> 00:20:23,679

would like theirs theirs done if that's

480

00:20:27,909 --> 00:20:26,320

okay if sally is okay with that it's all

481

00:20:30,149 --> 00:20:27,919

up to her

482

00:20:32,230 --> 00:20:30,159

yes yes okay

483

00:20:35,350 --> 00:20:32,240

fantastic thank you so much my wife's

484

00:20:37,830 --> 00:20:35,360

name is jessica and her birthday is

485

00:20:41,110 --> 00:20:37,840

september 14th

486

00:20:47,830 --> 00:20:44,950

okay let me do her first

487

00:20:50,230 --> 00:20:47,840

so 6 7 8.

488

00:20:52,630 --> 00:20:50,240

three her name is first name is a three

489

00:20:54,470 --> 00:20:52,640

it's not the full name in numerology i

490

00:20:56,310 --> 00:20:54,480

usually have to have the full name but

491

00:20:58,870 --> 00:20:56,320

but the first name is very significant

492

00:21:00,789 --> 00:20:58,880

it's said to be the name that the spirit

493

00:21:03,430 --> 00:21:00,799

actually chooses for themselves

494

00:21:05,110 --> 00:21:03,440

regardless of how much the parents and

495

00:21:07,190 --> 00:21:05,120

relatives and everybody try to figure

496

00:21:08,390 --> 00:21:07,200

out what they're going to call the

497

00:21:11,350 --> 00:21:08,400

individual

498

00:21:14,630 --> 00:21:11,360

so she asked for that name now this is a

499

00:21:17,430 --> 00:21:14,640

very strong woman very strong

500

00:21:19,190 --> 00:21:17,440

i'm sure you know that nathan

501  
00:21:21,110 --> 00:21:19,200  
if she doesn't want to do something that

502  
00:21:23,029 --> 00:21:21,120  
she doesn't want to do she ain't doing

503  
00:21:26,549 --> 00:21:23,039  
it

504  
00:21:28,870 --> 00:21:26,559  
but she can also be very very

505  
00:21:31,270 --> 00:21:28,880  
creative also with this it is the number

506  
00:21:32,710 --> 00:21:31,280  
of the innovator the trailblazer

507  
00:21:34,710 --> 00:21:32,720  
the leader

508  
00:21:37,430 --> 00:21:34,720  
very much a leadership oriented number

509  
00:21:38,470 --> 00:21:37,440  
she's she's very quick on the uptake

510  
00:21:40,789 --> 00:21:38,480  
it's

511  
00:21:42,630 --> 00:21:40,799  
she has the 14 5 which i call the bada

512  
00:21:44,950 --> 00:21:42,640  
boom bada bang number

513  
00:21:47,750 --> 00:21:44,960

i happen to be born on august 14. so i

514

00:21:50,710 --> 00:21:47,760

am a boom bada-bang person just get it

515

00:21:53,430 --> 00:21:50,720

done fast that's what i mean by that

516

00:21:55,510 --> 00:21:53,440

and she has the um

517

00:21:57,990 --> 00:21:55,520

so she has the three as her name so

518

00:22:00,230 --> 00:21:58,000

she's very um i call that the chatty

519

00:22:02,149 --> 00:22:00,240

kathy number but she doesn't she's not

520

00:22:04,470 --> 00:22:02,159

necessarily a chatty cathy because the

521

00:22:05,590 --> 00:22:04,480

one holds their cards pretty close to

522

00:22:07,750 --> 00:22:05,600

their chest

523

00:22:09,590 --> 00:22:07,760

because they like to observe people

524

00:22:11,350 --> 00:22:09,600

before they're going to put a lot out

525

00:22:13,430 --> 00:22:11,360

there to them

526

00:22:15,190 --> 00:22:13,440

and she would be the best at what she

527

00:22:17,029 --> 00:22:15,200

does if she likes to do it she's going

528

00:22:20,230 --> 00:22:17,039

to be one of the best she could be a

529

00:22:23,510 --> 00:22:20,240

grand athlete she could be a

530

00:22:26,149 --> 00:22:23,520

a wonderful entrepreneur she has the

531

00:22:27,990 --> 00:22:26,159

ability very much to be an entrepreneur

532

00:22:29,110 --> 00:22:28,000

with these numbers

533

00:22:32,950 --> 00:22:29,120

so

534

00:22:38,830 --> 00:22:35,430

i keep shaking her head up and down yes

535

00:22:44,710 --> 00:22:41,270

yeah i'm afraid what are you guys having

536

00:22:47,270 --> 00:22:44,720

a party over there mom's name

537

00:22:51,669 --> 00:22:47,280

yeah just just grabbing dinner just

538

00:22:55,510 --> 00:22:53,750

we're literally cued in your show yeah

539

00:22:56,950 --> 00:22:55,520

okay my mom's name oh say do you do you

540

00:22:59,669 --> 00:22:56,960

need my do you need the full name is it

541

00:23:02,390 --> 00:22:59,679

better or just her first name well i the

542

00:23:03,909 --> 00:23:02,400

full name would take me a little bit uh

543

00:23:06,789 --> 00:23:03,919

it would be better to have that but the

544

00:23:09,669 --> 00:23:06,799

first name is pretty significant like i

545

00:23:11,590 --> 00:23:09,679

can see with my own name sally how much

546

00:23:12,870 --> 00:23:11,600

i represent the number that comes from

547

00:23:15,350 --> 00:23:12,880

that name

548

00:23:17,350 --> 00:23:15,360

so it's it's pretty significant too so

549

00:23:20,630 --> 00:23:17,360

it's just a little faster to just do the

550

00:23:23,190 --> 00:23:20,640

first name at first here

551  
00:23:26,070 --> 00:23:23,200  
okay and the birthday name is

552  
00:23:28,149 --> 00:23:26,080  
bernadette yeah bernadette and it's um

553  
00:23:33,350 --> 00:23:28,159  
february 16

554  
00:23:37,430 --> 00:23:34,830  
53 did you

555  
00:23:40,789 --> 00:23:37,440  
say yes

556  
00:23:42,950 --> 00:23:40,799  
53 okay so 15

557  
00:23:45,750 --> 00:23:42,960  
59

558  
00:23:50,710 --> 00:23:47,110  
yeah

559  
00:23:55,510 --> 00:23:53,590  
five two two five just one second that's

560  
00:23:56,870 --> 00:23:55,520  
a long first name

561  
00:23:59,669 --> 00:23:56,880  
that would be

562  
00:24:00,710 --> 00:23:59,679  
so seven and seven is five and five is

563  
00:24:01,750 --> 00:24:00,720

one

564

00:24:04,470 --> 00:24:01,760

six

565

00:24:05,269 --> 00:24:04,480

and seven is four okay

566

00:24:06,950 --> 00:24:05,279

so

567

00:24:09,830 --> 00:24:06,960

um

568

00:24:12,470 --> 00:24:09,840

bernadette is brainy

569

00:24:14,950 --> 00:24:12,480

she's born on the 16th again one in six

570

00:24:16,149 --> 00:24:14,960

making seven the genius

571

00:24:20,630 --> 00:24:16,159

so

572

00:24:24,630 --> 00:24:20,640

whoever

573

00:24:26,390 --> 00:24:24,640

yeah that they're they're very

574

00:24:28,310 --> 00:24:26,400

comparable i call them the renegade

575

00:24:29,830 --> 00:24:28,320

numbers the one the four and the seven

576  
00:24:31,029 --> 00:24:29,840  
because they're people who can think out

577  
00:24:32,390 --> 00:24:31,039  
of the box

578  
00:24:34,070 --> 00:24:32,400  
and they can come up with their own

579  
00:24:36,390 --> 00:24:34,080  
stuff they don't have to follow

580  
00:24:38,549 --> 00:24:36,400  
everybody like minions

581  
00:24:40,710 --> 00:24:38,559  
and also the full edition of her

582  
00:24:43,110 --> 00:24:40,720  
birthdate is a nine so that's the

583  
00:24:44,950 --> 00:24:43,120  
universal humanitarian number

584  
00:24:46,789 --> 00:24:44,960  
it is the number of aristocracy and

585  
00:24:48,630 --> 00:24:46,799  
gentility as well

586  
00:24:51,269 --> 00:24:48,640  
and i'm sure she's presented herself in

587  
00:24:52,470 --> 00:24:51,279  
that way many many times in her life

588  
00:24:55,029 --> 00:24:52,480

because

589

00:24:57,669 --> 00:24:55,039

that's just a natural thing with people

590

00:25:00,549 --> 00:24:57,679

with nines they they come in it's kind

591

00:25:02,789 --> 00:25:00,559

of a compilation of all the numbers so

592

00:25:06,149 --> 00:25:02,799

you can adapt to all different types of

593

00:25:07,269 --> 00:25:06,159

people and be very socially graceful and

594

00:25:09,110 --> 00:25:07,279

all of that

595

00:25:11,510 --> 00:25:09,120

kind of thing

596

00:25:15,350 --> 00:25:11,520

you do i can tell you what your big red

597

00:25:16,390 --> 00:25:15,360

button is if somebody that you'd push if

598

00:25:18,470 --> 00:25:16,400

somebody

599

00:25:20,070 --> 00:25:18,480

treats you with disrespect that you know

600

00:25:21,830 --> 00:25:20,080

you don't deserve

601  
00:25:24,149 --> 00:25:21,840  
that's what gets people with nines

602  
00:25:25,510 --> 00:25:24,159  
because otherwise they're very giving

603  
00:25:28,310 --> 00:25:25,520  
very

604  
00:25:30,710 --> 00:25:28,320  
mother teresa had a nine destiny so

605  
00:25:32,549 --> 00:25:30,720  
that's what you're looking at here

606  
00:25:33,669 --> 00:25:32,559  
you have a mother teresa in the in your

607  
00:25:36,230 --> 00:25:33,679  
midst

608  
00:25:38,549 --> 00:25:36,240  
with brains well i'm sure mother teresa

609  
00:25:41,909 --> 00:25:38,559  
had a brain brains too

610  
00:25:43,110 --> 00:25:41,919  
but anyway and her first name is a four

611  
00:25:44,950 --> 00:25:43,120  
so the four

612  
00:25:46,950 --> 00:25:44,960  
means that at times

613  
00:25:49,110 --> 00:25:46,960

you know because you start with the b

614

00:25:51,430 --> 00:25:49,120

and your name the b is ruled by the two

615

00:25:52,950 --> 00:25:51,440

so you're careful about not saying

616

00:25:55,669 --> 00:25:52,960

something that you feel is gonna really

617

00:25:56,390 --> 00:25:55,679

set somebody off but having the four as

618

00:26:01,110 --> 00:25:56,400

the

619

00:26:03,269 --> 00:26:01,120

those that know you well you might be

620

00:26:04,149 --> 00:26:03,279

able to you know put something out there

621

00:26:07,430 --> 00:26:04,159

pretty

622

00:26:09,750 --> 00:26:07,440

brazenly on occasion because the four is

623

00:26:12,390 --> 00:26:09,760

very forthright and likes to speak its

624

00:26:19,350 --> 00:26:15,350

so do you identify

625

00:26:23,830 --> 00:26:22,149

you're very welcome what about go ahead

626

00:26:27,909 --> 00:26:23,840

thank you guys you guys enjoy your

627

00:26:31,830 --> 00:26:29,029

all right

628

00:26:32,710 --> 00:26:31,840

um so sally thank you very much and so

629

00:26:34,950 --> 00:26:32,720

uh

630

00:26:37,110 --> 00:26:34,960

wanted to just go over some things real

631

00:26:39,190 --> 00:26:37,120

quick with you because i um i did i

632

00:26:41,350 --> 00:26:39,200

don't know if i did i think i did you

633

00:26:42,070 --> 00:26:41,360

also have a um an app

634

00:26:45,830 --> 00:26:42,080

for

635

00:26:47,430 --> 00:26:45,840

maybe uh i know i'm putting you on the

636

00:26:49,029 --> 00:26:47,440

spot can you tell us just a little bit

637

00:26:51,029 --> 00:26:49,039

about it

638

00:26:54,710 --> 00:26:51,039

oh it's it's wonderful it's a

639

00:26:57,669 --> 00:26:54,720

compatibility app it will help you to

640

00:26:59,990 --> 00:26:57,679

analyze i mean i tell people if there's

641

00:27:01,750 --> 00:27:00,000

eight levels to the app and the star

642

00:27:03,510 --> 00:27:01,760

comes up and shows you what your numbers

643

00:27:05,110 --> 00:27:03,520

are and tells you all about yourself

644

00:27:07,350 --> 00:27:05,120

tells you much more than what i'm able

645

00:27:09,350 --> 00:27:07,360

to do right here

646

00:27:11,430 --> 00:27:09,360

and the star is all different colors

647

00:27:13,830 --> 00:27:11,440

because pythagoras who was the father of

648

00:27:15,909 --> 00:27:13,840

numerology in the western world gave all

649

00:27:18,549 --> 00:27:15,919

the numbers colors and so that's what

650

00:27:21,269 --> 00:27:18,559

it's made of um whatever numbers you

651  
00:27:24,630 --> 00:27:21,279  
have is the color that comes up with in

652  
00:27:27,590 --> 00:27:24,640  
the star and then you can put somebody

653  
00:27:30,630 --> 00:27:27,600  
else's name in the app and and then

654  
00:27:32,549 --> 00:27:30,640  
compare it either for lovers uh family

655  
00:27:36,230 --> 00:27:32,559  
members or friends

656  
00:27:39,669 --> 00:27:36,240  
um and i tell people if you are looking

657  
00:27:41,990 --> 00:27:39,679  
for a mate and you land in levels seven

658  
00:27:43,830 --> 00:27:42,000  
or eight even six is okay but seven or

659  
00:27:45,990 --> 00:27:43,840  
eight if you land in eight you get on

660  
00:27:47,990 --> 00:27:46,000  
your knees and propose that's what i'm

661  
00:27:50,549 --> 00:27:48,000  
gonna say you won't meet anybody that's

662  
00:27:51,750 --> 00:27:50,559  
going to match you better than a level 8

663  
00:27:54,710 --> 00:27:51,760

in my app

664

00:27:56,070 --> 00:27:54,720

but anyway so it's it's a

665

00:27:58,549 --> 00:27:56,080

fun app

666

00:28:00,950 --> 00:27:58,559

i mean the people that have told me they

667

00:28:02,389 --> 00:28:00,960

love it and they keep you know they keep

668

00:28:03,990 --> 00:28:02,399

the names and birth dates of their

669

00:28:05,990 --> 00:28:04,000

friends in it so they always know all

670

00:28:07,510 --> 00:28:06,000

their friends birthdays they can go in

671

00:28:09,430 --> 00:28:07,520

and check it out and see when their

672

00:28:11,830 --> 00:28:09,440

friends birthdays are and so on so

673

00:28:14,870 --> 00:28:11,840

that's another plus to it

674

00:28:16,549 --> 00:28:14,880

and it's only 3.99 so it's not doesn't

675

00:28:18,230 --> 00:28:16,559

break the bank

676

00:28:20,950 --> 00:28:18,240

all right well thank you very much for

677

00:28:23,909 --> 00:28:20,960

for that info uh sally so again uh

678

00:28:26,630 --> 00:28:23,919

sally's website is sally'snumbers.com

679

00:28:28,310 --> 00:28:26,640

and uh if the the whole point like i

680

00:28:29,830 --> 00:28:28,320

mentioned in the very beginning this is

681

00:28:31,750 --> 00:28:29,840

just supposed to be a short reading for

682

00:28:33,590 --> 00:28:31,760

you to just get a taste of

683

00:28:35,909 --> 00:28:33,600

you know how sally does the readings i

684

00:28:37,909 --> 00:28:35,919

know my wife and i we got a

685

00:28:39,590 --> 00:28:37,919

like a whole life reading which is a lot

686

00:28:41,990 --> 00:28:39,600

more in-depth and we just absolutely

687

00:28:43,909 --> 00:28:42,000

love it and so a lot of you watching

688

00:28:46,070 --> 00:28:43,919

right now if you would like to know more

689

00:28:47,909 --> 00:28:46,080

about whatever is coming down the pike

690

00:28:49,590 --> 00:28:47,919

for you i would

691

00:28:52,310 --> 00:28:49,600

really recommend it otherwise i wouldn't

692

00:28:54,630 --> 00:28:52,320

have sally on uh as often as i have so

693

00:28:56,230 --> 00:28:54,640

far uh it really is amazing and when you

694

00:28:57,990 --> 00:28:56,240

find those good ones of course you

695

00:28:58,789 --> 00:28:58,000

always want to want to keep them as they

696

00:28:59,669 --> 00:28:58,799

say

697

00:29:00,430 --> 00:28:59,679

so

698

00:29:02,549 --> 00:29:00,440

again

699

00:29:04,710 --> 00:29:02,559

sally'snumbers.com and uh sally thank

700

00:29:06,310 --> 00:29:04,720

you very much you know and i appreciate

701  
00:29:10,070 --> 00:29:06,320  
you coming back

702  
00:29:13,830 --> 00:29:10,080  
hopefully uh we can do this again so

703  
00:29:15,909 --> 00:29:13,840  
okay i'm i'm with you any old time okay

704  
00:29:17,830 --> 00:29:15,919  
all right thank you very much thank you

705  
00:29:18,950 --> 00:29:17,840  
uh you take care and yeah we'll we'll

706  
00:29:21,590 --> 00:29:18,960  
stay in touch

707  
00:29:24,310 --> 00:29:21,600  
and so so how do i get out of this it's

708  
00:29:27,990 --> 00:29:24,320  
okay i'll i'll kick you out

709  
00:29:30,710 --> 00:29:28,000  
all right take care okay

710  
00:29:34,630 --> 00:29:30,720  
all right so that was sally

711  
00:29:39,510 --> 00:29:37,190  
yeah that was sally and um

712  
00:29:41,269 --> 00:29:39,520  
i hope you take advantage you know of

713  
00:29:43,430 --> 00:29:41,279

getting a reading is if anything just

714

00:29:45,110 --> 00:29:43,440

for entertainment my wife and i would do

715

00:29:46,230 --> 00:29:45,120

this all the time where we

716

00:29:47,669 --> 00:29:46,240

um

717

00:29:49,990 --> 00:29:47,679

go and get

718

00:29:52,549 --> 00:29:50,000

readings whether it would be

719

00:29:55,269 --> 00:29:52,559

tarot cards which reminds me i'm gonna

720

00:29:57,590 --> 00:29:55,279

hopefully have a guest on a really good

721

00:29:58,710 --> 00:29:57,600

good one too um that

722

00:30:00,630 --> 00:29:58,720

um

723

00:30:02,070 --> 00:30:00,640

that that is just absolutely amazing

724

00:30:03,110 --> 00:30:02,080

because she had

725

00:30:05,750 --> 00:30:03,120

um

726

00:30:08,470 --> 00:30:05,760

two years given a reading to my wife

727

00:30:10,070 --> 00:30:08,480

prior before her and i met and then

728

00:30:11,510 --> 00:30:10,080

after

729

00:30:13,029 --> 00:30:11,520

i got to know

730

00:30:15,269 --> 00:30:13,039

um

731

00:30:19,029 --> 00:30:15,279

this tarot card reader and her name was

732

00:30:21,430 --> 00:30:19,039

justine alessi then she basically did a

733

00:30:23,830 --> 00:30:21,440

card reading for me and it was just it's

734

00:30:27,029 --> 00:30:23,840

it's wasn't just um

735

00:30:28,870 --> 00:30:27,039

she's not she doesn't um i don't know if

736

00:30:30,710 --> 00:30:28,880

the right term what the right tumor is

737

00:30:32,789 --> 00:30:30,720

like she doesn't fluff you up you should

738

00:30:34,070 --> 00:30:32,799

tell you the truth and

739

00:30:35,909 --> 00:30:34,080

uh

740

00:30:37,830 --> 00:30:35,919

the the amazing part about this is that

741

00:30:40,070 --> 00:30:37,840

it's the accuracy as always because

742

00:30:42,070 --> 00:30:40,080

that's what we're all looking for and

743

00:30:43,830 --> 00:30:42,080

um you know when like i was saying to

744

00:30:45,750 --> 00:30:43,840

sally when you find those good ones you

745

00:30:48,389 --> 00:30:45,760

want to keep them so when it comes to

746

00:30:50,389 --> 00:30:48,399

numerology sally is in my book when it

747

00:30:52,549 --> 00:30:50,399

comes to tarot card reading justina

748

00:30:54,630 --> 00:30:52,559

lessie and then when it comes to psychic

749

00:30:57,110 --> 00:30:54,640

reading is definitely catherine hughes

750

00:31:00,230 --> 00:30:57,120

so between those three you know having

751

00:31:01,830 --> 00:31:00,240

your your life's chart uh planned out if

752

00:31:05,029 --> 00:31:01,840

you're in the into this kind of thing i

753

00:31:06,990 --> 00:31:05,039

mean it is uh it is gold so anyway check

754

00:31:09,750 --> 00:31:07,000

it out on sally's website uh

755

00:31:12,630 --> 00:31:09,760

sally'snumbers.com and i hope uh i would

756

00:31:14,950 --> 00:31:12,640

hope you you get some exciting uh um i

757

00:31:17,350 --> 00:31:14,960

guess exciting upcoming things uh for

758

00:31:20,149 --> 00:31:17,360

her to read for you

759

00:31:21,750 --> 00:31:20,159

okay um so anyway this was supposed to

760

00:31:24,070 --> 00:31:21,760

be short i'm sorry i didn't get to

761

00:31:24,950 --> 00:31:24,080

everybody and the readings weren't that

762

00:31:26,070 --> 00:31:24,960

um

763

00:31:27,350 --> 00:31:26,080

in-depth

764

00:31:28,789 --> 00:31:27,360

so

765

00:31:31,110 --> 00:31:28,799

what uh

766

00:31:34,070 --> 00:31:31,120

basically

767

00:31:36,389 --> 00:31:34,080

what i would just encourage uh most of

768

00:31:37,750 --> 00:31:36,399

you that if you have a story that you

769

00:31:39,509 --> 00:31:37,760

would like to share

770

00:31:41,190 --> 00:31:39,519

this will be the time for you to log in

771

00:31:43,750 --> 00:31:41,200

and talk to me because a lot of people

772

00:31:44,789 --> 00:31:43,760

want to talk and chat and share their

773

00:31:45,590 --> 00:31:44,799

stories

774

00:31:46,470 --> 00:31:45,600

and

775

00:31:48,789 --> 00:31:46,480

um

776

00:31:50,149 --> 00:31:48,799

i can't i don't necessarily have all the

777

00:31:52,710 --> 00:31:50,159

time to

778

00:31:55,430 --> 00:31:52,720

to get everyone scheduled and even then

779

00:31:57,909 --> 00:31:55,440

i try to do some background check and

780

00:32:01,029 --> 00:31:57,919

whatnot or the person coming in that i

781

00:32:02,630 --> 00:32:01,039

will be talking to so this is open lines

782

00:32:04,630 --> 00:32:02,640

where it will give you a chance to where

783

00:32:06,789 --> 00:32:04,640

you don't have to go to that process

784

00:32:08,870 --> 00:32:06,799

this is simply you sharing your story

785

00:32:11,350 --> 00:32:08,880

and this will be up to you to back up

786

00:32:13,350 --> 00:32:11,360

whatever it is that you're claiming and

787

00:32:15,430 --> 00:32:13,360

uh for one it's not to put you on the

788

00:32:17,190 --> 00:32:15,440

spot but just to give an opportunity to

789

00:32:19,830 --> 00:32:17,200

finally tell someone

790

00:32:22,230 --> 00:32:19,840

um tell the world i guess if you don't

791

00:32:24,310 --> 00:32:22,240

have anyone around you immediately that

792

00:32:26,630 --> 00:32:24,320

you can talk to about these different

793

00:32:30,389 --> 00:32:26,640

type of things whether it would be

794

00:32:32,549 --> 00:32:30,399

et related uh ghosts or whatever other

795

00:32:36,549 --> 00:32:32,559

metaphysical weird things that are

796

00:32:41,750 --> 00:32:38,389

so

797

00:32:44,789 --> 00:32:41,760

mike mic

798

00:32:46,630 --> 00:32:44,799

that we didn't get to this time but i'll

799

00:32:49,190 --> 00:32:46,640

actually i will write your name down and

800

00:32:50,310 --> 00:32:49,200

i'll ask you next time

801  
00:32:52,870 --> 00:32:50,320  
or

802  
00:32:55,590 --> 00:32:52,880  
you can don't have to wait and you can

803  
00:32:59,190 --> 00:32:55,600  
just simply

804  
00:33:00,870 --> 00:32:59,200  
go to sally's uh sally's website and

805  
00:33:03,110 --> 00:33:00,880  
get an in-depth reading right now even

806  
00:33:05,750 --> 00:33:03,120  
more so than what people would get on

807  
00:33:10,310 --> 00:33:07,110  
let's see here

808  
00:33:11,830 --> 00:33:10,320  
yeah there's um not so much weird not so

809  
00:33:13,269 --> 00:33:11,840  
many i guess

810  
00:33:15,350 --> 00:33:13,279  
what i wouldn't call it necessarily a

811  
00:33:17,430 --> 00:33:15,360  
weird news but it's definitely very

812  
00:33:20,470 --> 00:33:17,440  
coincidental that a lot of these

813  
00:33:24,389 --> 00:33:20,480

ceos like disney ceo

814

00:33:27,750 --> 00:33:24,399

is um stepping down um twitter

815

00:33:30,870 --> 00:33:27,760

stepping down a walmart cfo stepping

816

00:33:32,950 --> 00:33:30,880

down and so i don't know if this is

817

00:33:34,230 --> 00:33:32,960

anything in relation to

818

00:33:36,549 --> 00:33:34,240

to the

819

00:33:39,350 --> 00:33:36,559

certain trial going on that has a lot to

820

00:33:41,909 --> 00:33:39,360

do about doing some bad things to

821

00:33:43,990 --> 00:33:41,919

children and but i don't know this is

822

00:33:45,590 --> 00:33:44,000

just speculation and

823

00:33:47,590 --> 00:33:45,600

but it's

824

00:33:50,230 --> 00:33:47,600

quite a coincidence for all these big

825

00:33:51,190 --> 00:33:50,240

names and big companies ceos to all of

826  
00:33:53,509 --> 00:33:51,200  
the sudden

827  
00:33:55,110 --> 00:33:53,519  
be jumping ship

828  
00:33:59,029 --> 00:33:55,120  
while this is going on

829  
00:34:04,870 --> 00:34:02,470  
also if you guys have any questions

830  
00:34:06,870 --> 00:34:04,880  
i can try to address them in the in the

831  
00:34:09,430 --> 00:34:06,880  
chat and it's just basically

832  
00:34:12,069 --> 00:34:09,440  
um just us hanging out i'm sorry that's

833  
00:34:14,550 --> 00:34:12,079  
uh not so structured but then again it's

834  
00:34:16,790 --> 00:34:14,560  
this is exactly the the purpose of this

835  
00:34:18,950 --> 00:34:16,800  
for it not to be structured and

836  
00:34:20,550 --> 00:34:18,960  
uh open for

837  
00:34:23,109 --> 00:34:20,560  
just to hang out

838  
00:34:26,310 --> 00:34:23,119

share stories and talk to each other and

839

00:34:28,629 --> 00:34:26,320

if if no one is interested i guess i can

840

00:34:30,790 --> 00:34:28,639

always share story with you and then i

841

00:34:31,669 --> 00:34:30,800

will we'll let that let that be for

842

00:34:36,149 --> 00:34:31,679

today

843

00:34:38,950 --> 00:34:36,159

tomorrow i'm gonna have uh judy carol on

844

00:34:40,950 --> 00:34:38,960

she's she's from um

845

00:34:43,270 --> 00:34:40,960

australia and

846

00:34:45,510 --> 00:34:43,280

the show will actually begin at 9 00 pm

847

00:34:48,470 --> 00:34:45,520

central time because she will be coming

848

00:34:51,349 --> 00:34:48,480

in live from from australia and

849

00:34:54,310 --> 00:34:51,359

she'll be talking about the the zetas

850

00:34:57,670 --> 00:34:54,320

basically the the those type of gray

851  
00:35:02,150 --> 00:34:59,910  
and so i'm looking forward to talking to

852  
00:35:03,750 --> 00:35:02,160  
her i think she's written she has

853  
00:35:05,510 --> 00:35:03,760  
written several books i don't remember

854  
00:35:07,109 --> 00:35:05,520  
all of them but one particularly one it

855  
00:35:09,109 --> 00:35:07,119  
was um

856  
00:35:10,230 --> 00:35:09,119  
something like human by day zeta by

857  
00:35:12,310 --> 00:35:10,240  
night

858  
00:35:15,430 --> 00:35:12,320  
uh something like that but i'll know

859  
00:35:18,470 --> 00:35:15,440  
more tomorrow sorry i don't have it with

860  
00:35:22,150 --> 00:35:20,950  
yeah what do we have here

861  
00:35:23,910 --> 00:35:22,160  
all right

862  
00:35:25,750 --> 00:35:23,920  
so we have those that have gotten a

863  
00:35:26,710 --> 00:35:25,760

reading

864

00:35:32,390 --> 00:35:26,720

sandra

865

00:35:32,400 --> 00:35:36,310

beth abby

866

00:35:39,190 --> 00:35:38,390

alba

867

00:35:42,710 --> 00:35:39,200

uh

868

00:35:53,750 --> 00:35:43,750

and

869

00:35:55,910 --> 00:35:53,760

she natalie says what about astrology

870

00:35:57,910 --> 00:35:55,920

reading if i can

871

00:36:00,069 --> 00:35:57,920

find someone that can do an astrology

872

00:36:03,109 --> 00:36:00,079

reading in um

873

00:36:05,750 --> 00:36:03,119

sort of a a quicker way because it's

874

00:36:10,950 --> 00:36:07,670

from what i understand it details quite

875

00:36:13,670 --> 00:36:10,960

a lot to be taken on so for

876

00:36:15,990 --> 00:36:13,680

uh for a show to be fully encompassed

877

00:36:17,990 --> 00:36:16,000

and only be to be around one person

878

00:36:20,470 --> 00:36:18,000

would would be generally boring for

879

00:36:22,230 --> 00:36:20,480

people so that's why i have sally on to

880

00:36:23,990 --> 00:36:22,240

just do some quick readings and i think

881

00:36:26,230 --> 00:36:24,000

we got a good

882

00:36:28,390 --> 00:36:26,240

seven eight people in if not more i

883

00:36:30,550 --> 00:36:28,400

didn't i didn't keep count and so i

884

00:36:33,030 --> 00:36:30,560

don't know how an astrology reading

885

00:36:34,630 --> 00:36:33,040

would go plus i haven't necessarily i

886

00:36:38,069 --> 00:36:34,640

haven't talked to

887

00:36:41,349 --> 00:36:38,079

um to anyone that necessarily does

888

00:36:42,950 --> 00:36:41,359

astrology uh mainly

889

00:36:46,069 --> 00:36:42,960

some of the guests that i've had on they

890

00:36:49,430 --> 00:36:46,079

did astrology assist on the side or uh

891

00:36:51,829 --> 00:36:49,440

it was one of the many um

892

00:36:54,069 --> 00:36:51,839

disciplines i guess that they that they

893

00:36:55,990 --> 00:36:54,079

concentrate on or things that they go

894

00:36:57,030 --> 00:36:56,000

into but

895

00:37:01,349 --> 00:36:57,040

not

896

00:37:02,230 --> 00:37:01,359

mainly and of course

897

00:37:03,829 --> 00:37:02,240

i have

898

00:37:06,790 --> 00:37:03,839

people under the

899

00:37:08,710 --> 00:37:06,800

contact ufo hub at gmail.com you can

900

00:37:10,150 --> 00:37:08,720

email me i had some

901  
00:37:11,910 --> 00:37:10,160  
people already email me some other

902  
00:37:14,870 --> 00:37:11,920  
guests that they were hoping that i

903  
00:37:17,589 --> 00:37:14,880  
could reach out and get them on and of

904  
00:37:19,990 --> 00:37:17,599  
course i try my best to to do that so if

905  
00:37:23,750 --> 00:37:20,000  
you have any suggestions please email it

906  
00:37:25,750 --> 00:37:23,760  
to me at contact ufohub gmail.com so

907  
00:37:27,589 --> 00:37:25,760  
then that way i can just add them to the

908  
00:37:29,910 --> 00:37:27,599  
queue and interact with them because

909  
00:37:31,430 --> 00:37:29,920  
right now amongst all these other things

910  
00:37:32,870 --> 00:37:31,440  
i have to then reach out to the people

911  
00:37:35,589 --> 00:37:32,880  
myself

912  
00:37:37,670 --> 00:37:35,599  
see if i get an email back and wait for

913  
00:37:39,829 --> 00:37:37,680

confirmation or they can't on the day

914

00:37:41,750 --> 00:37:39,839

and then switch things around

915

00:37:43,750 --> 00:37:41,760

and also which reminds me switching

916

00:37:46,790 --> 00:37:43,760

things around because of these different

917

00:37:48,710 --> 00:37:46,800

dates and times um there will be that

918

00:37:51,510 --> 00:37:48,720

will be coming up i'm going to have them

919

00:37:52,870 --> 00:37:51,520

on different um

920

00:37:54,470 --> 00:37:52,880

i guess you know different different

921

00:37:56,950 --> 00:37:54,480

times and dates because of the different

922

00:37:59,109 --> 00:37:56,960

time zones so i had gerard not that long

923

00:38:01,910 --> 00:37:59,119

ago he was from the netherlands that now

924

00:38:04,150 --> 00:38:01,920

i'm gonna have judy from australia so

925

00:38:06,550 --> 00:38:04,160

they're all vastly different so i always

926

00:38:07,990 --> 00:38:06,560

try to match it so

927

00:38:11,349 --> 00:38:08,000

for a while there there might be an

928

00:38:13,510 --> 00:38:11,359

interview on thursday one on friday

929

00:38:15,589 --> 00:38:13,520

sometimes later that day

930

00:38:18,470 --> 00:38:15,599

sometimes maybe earlier

931

00:38:20,390 --> 00:38:18,480

it depends so just kind of look out i'll

932

00:38:22,630 --> 00:38:20,400

always try to pre-schedule them so you

933

00:38:24,710 --> 00:38:22,640

can see them on the playlist which is

934

00:38:27,670 --> 00:38:24,720

just called live streams and you'll see

935

00:38:29,829 --> 00:38:27,680

all the um interviews that i have that i

936

00:38:32,150 --> 00:38:29,839

have confirmed that will be coming up so

937

00:38:33,829 --> 00:38:32,160

you can set a reminder to to make sure

938

00:38:35,990 --> 00:38:33,839

you don't miss it live

939

00:38:37,990 --> 00:38:36,000

because uh usually you can always just

940

00:38:40,069 --> 00:38:38,000

while the interview is going on uh

941

00:38:42,390 --> 00:38:40,079

listen to the interview on telegram but

942

00:38:45,510 --> 00:38:42,400

also on telegram when it's time for q a

943

00:38:48,870 --> 00:38:45,520

you can just join telegram and ask the

944

00:38:51,589 --> 00:38:48,880

question uh directly so whatever

945

00:38:55,349 --> 00:38:51,599

is on your heart on your mind uh you can

946

00:38:57,589 --> 00:38:55,359

talk to the to the guest so um and

947

00:38:59,589 --> 00:38:57,599

hopefully if they're important enough

948

00:39:01,750 --> 00:38:59,599

person for you to want to talk to

949

00:39:03,910 --> 00:39:01,760

it's at least not that

950

00:39:05,750 --> 00:39:03,920

big enough of a queue for you have to

951

00:39:08,230 --> 00:39:05,760

worry about that you might not

952

00:39:10,550 --> 00:39:08,240

get a chance to do that most likely if

953

00:39:13,030 --> 00:39:10,560

most most people that have logged into

954

00:39:15,270 --> 00:39:13,040

telegram to ask a question i always made

955

00:39:16,950 --> 00:39:15,280

sure that i went through that i think

956

00:39:19,430 --> 00:39:16,960

only one time it was just so many

957

00:39:21,349 --> 00:39:19,440

questions coming in that i had to stop

958

00:39:23,109 --> 00:39:21,359

after a while because

959

00:39:25,430 --> 00:39:23,119

the guests had a predetermined time of

960

00:39:31,589 --> 00:39:25,440

how long we can go on but usually i

961

00:39:34,230 --> 00:39:33,109

rayfield

962

00:39:37,510 --> 00:39:34,240

hello

963

00:39:42,790 --> 00:39:37,520

rayfield of glendale california welcome

964

00:39:47,670 --> 00:39:44,069

yeah it's uh

965

00:39:49,910 --> 00:39:47,680

i guess it's just gonna be a a quiet

966

00:39:52,390 --> 00:39:49,920

uh quiet wednesday

967

00:39:54,950 --> 00:39:52,400

uh if you guys have any questions uh let

968

00:39:57,750 --> 00:39:54,960

me know uh telegram is still open if you

969

00:39:59,109 --> 00:39:57,760

guys would uh want to log in

970

00:40:02,310 --> 00:39:59,119

otherwise

971

00:40:04,069 --> 00:40:02,320

maybe in a few minutes here i'll just

972

00:40:06,550 --> 00:40:04,079

end the stream and

973

00:40:07,670 --> 00:40:06,560

come back on on thursday with

974

00:40:10,309 --> 00:40:07,680

with

975

00:40:12,309 --> 00:40:10,319

judy talking about the zetas but i'm

976

00:40:14,390 --> 00:40:12,319

sure most of you have some stories you

977

00:40:16,550 --> 00:40:14,400

want to share because i know

978

00:40:18,309 --> 00:40:16,560

i don't know i don't want to put

979

00:40:23,349 --> 00:40:18,319

abby on the spot but she had mentioned

980

00:40:26,550 --> 00:40:24,950

um

981

00:40:28,790 --> 00:40:26,560

because sally did a reading for her and

982

00:40:32,150 --> 00:40:28,800

she said it's funny you should say

983

00:40:34,470 --> 00:40:32,160

say it that way i have a scar uh

984

00:40:37,030 --> 00:40:34,480

in my forehead from when i died in a car

985

00:40:38,390 --> 00:40:37,040

crash at 33.

986

00:40:40,470 --> 00:40:38,400

so abby i don't want to put you on the

987

00:40:44,069 --> 00:40:40,480

spot that story you could uh you could

988

00:40:49,829 --> 00:40:46,390

uh just download uh

989

00:40:52,870 --> 00:40:49,839

telegram or um

990

00:40:54,230 --> 00:40:52,880

on your on your computer or your phone

991

00:40:56,870 --> 00:40:54,240

and

992

00:40:58,550 --> 00:40:56,880

the the link for the ufo hub

993

00:41:00,069 --> 00:40:58,560

telegram group is in the description

994

00:41:08,470 --> 00:41:00,079

below as well

995

00:41:13,910 --> 00:41:11,430

dan uh he's from canada

996

00:41:16,470 --> 00:41:13,920

welcome as well

997

00:41:18,870 --> 00:41:16,480

i know fab was on earlier today because

998

00:41:21,670 --> 00:41:18,880

i tried to log into telegram to

999

00:41:24,790 --> 00:41:21,680

chat with people and just

1000

00:41:26,550 --> 00:41:24,800

have them talk to me because it's funny

1001  
00:41:28,390 --> 00:41:26,560  
most people always want to talk to me

1002  
00:41:29,589 --> 00:41:28,400  
when i don't have the time but when i

1003  
00:41:32,150 --> 00:41:29,599  
have the time

1004  
00:41:34,470 --> 00:41:32,160  
they usually are not on or they don't

1005  
00:41:37,030 --> 00:41:34,480  
have the time so it i guess

1006  
00:41:39,349 --> 00:41:37,040  
it never really quite works out

1007  
00:41:41,510 --> 00:41:39,359  
but on those rare occasions you know the

1008  
00:41:44,470 --> 00:41:41,520  
group has been known to be

1009  
00:41:46,710 --> 00:41:44,480  
um you know the the telegram group has

1010  
00:41:53,230 --> 00:41:46,720  
been known to have quite a cue and then

1011  
00:41:57,270 --> 00:41:55,349  
[Music]

1012  
00:41:59,990 --> 00:41:57,280  
because if i if i know

1013  
00:42:02,550 --> 00:42:00,000

that there is more of interest next time

1014

00:42:03,589 --> 00:42:02,560

when sally comes on i could have her on

1015

00:42:06,150 --> 00:42:03,599

longer

1016

00:42:08,950 --> 00:42:06,160

and that way i can plan it with her for

1017

00:42:10,950 --> 00:42:08,960

her to stay on longer and so then that

1018

00:42:11,910 --> 00:42:10,960

way you guys can

1019

00:42:13,750 --> 00:42:11,920

um

1020

00:42:15,990 --> 00:42:13,760

have you have a chance to submit all

1021

00:42:25,349 --> 00:42:16,000

your name and your your birthday if you

1022

00:42:25,359 --> 00:42:30,390

okay

1023

00:42:34,390 --> 00:42:32,470

yeah i've been um

1024

00:42:36,069 --> 00:42:34,400

what's been i've been trying to figure

1025

00:42:37,750 --> 00:42:36,079

out just recently about all these

1026  
00:42:39,270 --> 00:42:37,760  
different videos that have been coming

1027  
00:42:42,309 --> 00:42:39,280  
up about

1028  
00:42:44,870 --> 00:42:42,319  
one i did post on telegram regarding

1029  
00:42:46,790 --> 00:42:44,880  
what seems to be and i hope it's not cgi

1030  
00:42:47,829 --> 00:42:46,800  
what seems to be a bunch of light ships

1031  
00:42:48,950 --> 00:42:47,839  
leaving

1032  
00:42:52,069 --> 00:42:48,960  
um

1033  
00:42:54,790 --> 00:42:52,079  
they call it the the mass exodus and

1034  
00:42:57,750 --> 00:42:54,800  
there have been a lot more stories from

1035  
00:42:59,270 --> 00:42:57,760  
different channels and different sources

1036  
00:43:01,510 --> 00:42:59,280  
that i just been trying to kind of

1037  
00:43:03,829 --> 00:43:01,520  
gather like what's going on

1038  
00:43:06,069 --> 00:43:03,839

usually if there's something that

1039

00:43:06,870 --> 00:43:06,079

that i personally know about i would

1040

00:43:09,109 --> 00:43:06,880

just

1041

00:43:11,030 --> 00:43:09,119

kind of let you guys know but

1042

00:43:13,430 --> 00:43:11,040

it's just been it's been one of these

1043

00:43:16,390 --> 00:43:13,440

weird things the more i concentrate on

1044

00:43:18,710 --> 00:43:16,400

on um like day-to-day family things the

1045

00:43:21,349 --> 00:43:18,720

more and more this

1046

00:43:24,870 --> 00:43:21,359

like ufo related things kind of take

1047

00:43:26,950 --> 00:43:24,880

their back seat and so i just been kind

1048

00:43:28,630 --> 00:43:26,960

of concentrating on all i find and even

1049

00:43:30,710 --> 00:43:28,640

though i can't spend as much time as i

1050

00:43:33,270 --> 00:43:30,720

used to in it let me at least try to

1051  
00:43:46,790 --> 00:43:33,280  
bring some guests coming up that you

1052  
00:43:51,510 --> 00:43:49,190  
all right

1053  
00:43:53,750 --> 00:43:51,520  
i see somebody familiar in telegram i

1054  
00:43:55,510 --> 00:43:53,760  
don't want to say the name yet but

1055  
00:43:58,630 --> 00:43:55,520  
if you would like to chat with me just

1056  
00:44:00,870 --> 00:43:58,640  
raise your hand and let me know

1057  
00:44:02,710 --> 00:44:00,880  
but what i what i find interesting too

1058  
00:44:04,230 --> 00:44:02,720  
is that

1059  
00:44:07,430 --> 00:44:04,240  
a lot of things

1060  
00:44:10,150 --> 00:44:07,440  
have been slowly but surely changing

1061  
00:44:11,510 --> 00:44:10,160  
with with these different announcements

1062  
00:44:13,670 --> 00:44:11,520  
of

1063  
00:44:15,190 --> 00:44:13,680

with these et groups

1064

00:44:17,030 --> 00:44:15,200

leaving or whatever and this is the

1065

00:44:18,630 --> 00:44:17,040

frustrating part because you know a lot

1066

00:44:21,030 --> 00:44:18,640

of you would probably understand this

1067

00:44:24,230 --> 00:44:21,040

who've been kind of listening to me

1068

00:44:28,870 --> 00:44:26,950

a lot of these unless i've had my own

1069

00:44:32,150 --> 00:44:28,880

personal experience that i can directly

1070

00:44:35,349 --> 00:44:32,160

say yes this occurred and this happened

1071

00:44:36,470 --> 00:44:35,359

everything else is also hearsay to me as

1072

00:44:37,510 --> 00:44:36,480

it is to you

1073

00:44:39,109 --> 00:44:37,520

and so

1074

00:44:41,510 --> 00:44:39,119

i'm kind of

1075

00:44:43,430 --> 00:44:41,520

hesitant like to just be like oh wow you

1076

00:44:44,870 --> 00:44:43,440

know did you guys hear this you know wow

1077

00:44:47,270 --> 00:44:44,880

this is what a great information all

1078

00:44:49,430 --> 00:44:47,280

these bad ideas are leaving it's like

1079

00:44:51,910 --> 00:44:49,440

i don't know i don't know 100

1080

00:44:53,990 --> 00:44:51,920

you know unless unless

1081

00:44:56,230 --> 00:44:54,000

i have a ship landing next to my house

1082

00:44:58,630 --> 00:44:56,240

the next day or sometime in the near

1083

00:45:00,470 --> 00:44:58,640

future and they inform me or some of

1084

00:45:02,950 --> 00:45:00,480

something and let me know exactly what

1085

00:45:06,230 --> 00:45:02,960

is happening um i cannot confirm that it

1086

00:45:07,670 --> 00:45:06,240

sounds cool but just take it i guess

1087

00:45:11,510 --> 00:45:07,680

with the grain of salt that's what i'm

1088

00:45:15,109 --> 00:45:13,430

all right i guess israel he found the

1089

00:45:15,990 --> 00:45:15,119

courage

1090

00:45:19,990 --> 00:45:16,000

to

1091

00:45:22,390 --> 00:45:20,000

all right you are unmuted on my end i

1092

00:45:30,069 --> 00:45:22,400

meet yourself on yours and

1093

00:45:30,079 --> 00:45:38,710

can you hear me israel

1094

00:45:43,190 --> 00:45:40,710

okay maybe not well anyway you are

1095

00:45:47,190 --> 00:45:43,200

unmuted so whenever you're ready just

1096

00:45:51,430 --> 00:45:48,470

can you hear me

1097

00:45:52,470 --> 00:45:51,440

yes i can hear you now yes i can

1098

00:45:54,390 --> 00:45:52,480

um

1099

00:45:56,230 --> 00:45:54,400

thank you for taking uh i don't know

1100

00:45:58,790 --> 00:45:56,240

taking my hand i guess

1101  
00:46:00,950 --> 00:45:58,800  
um i recently got introduced or you know

1102  
00:46:03,349 --> 00:46:00,960  
just kind of saw the joe rogan episode

1103  
00:46:05,829 --> 00:46:03,359  
with uh graham hancock

1104  
00:46:08,870 --> 00:46:05,839  
and i just wondered like what your

1105  
00:46:12,150 --> 00:46:08,880  
cosmo vision or your kind of yeah your

1106  
00:46:13,510 --> 00:46:12,160  
cosmo vision does that

1107  
00:46:15,510 --> 00:46:13,520  
do you

1108  
00:46:16,390 --> 00:46:15,520  
uh

1109  
00:46:17,990 --> 00:46:16,400  
um

1110  
00:46:20,470 --> 00:46:18,000  
i mean how does that take in into

1111  
00:46:21,349 --> 00:46:20,480  
consideration this like possibility of

1112  
00:46:23,510 --> 00:46:21,359  
uh

1113  
00:46:24,790 --> 00:46:23,520

of a lost civilization or a more

1114

00:46:29,030 --> 00:46:24,800

complicated

1115

00:46:31,589 --> 00:46:29,040

history as human as a as a human species

1116

00:46:33,670 --> 00:46:31,599

you know if uh i just kind of wondered

1117

00:46:36,309 --> 00:46:33,680

you know just personally

1118

00:46:39,750 --> 00:46:36,319

uh adnan how you would you know do you

1119

00:46:41,430 --> 00:46:39,760

believe in that or you know uh

1120

00:46:42,630 --> 00:46:41,440

yeah

1121

00:46:43,750 --> 00:46:42,640

right

1122

00:46:45,510 --> 00:46:43,760

are you are you talking about

1123

00:46:48,470 --> 00:46:45,520

specifically what greg

1124

00:46:51,510 --> 00:46:48,480

graham hancock is talking about

1125

00:46:53,030 --> 00:46:51,520

yeah and i don't know too much about his

1126

00:46:55,430 --> 00:46:53,040

work i mean i just saw kind of his

1127

00:46:57,270 --> 00:46:55,440

podcast and i just downloaded uh

1128

00:47:00,470 --> 00:46:57,280

what is it the fingerprints of the gods

1129

00:47:03,510 --> 00:47:00,480

but i guess it's like a pointing to a

1130

00:47:04,950 --> 00:47:03,520

to atlantis or an ancient society

1131

00:47:07,670 --> 00:47:04,960

and you know how would you integrate

1132

00:47:09,750 --> 00:47:07,680

that with the ufo

1133

00:47:10,950 --> 00:47:09,760

cosmo vision or

1134

00:47:12,710 --> 00:47:10,960

world you know

1135

00:47:13,750 --> 00:47:12,720

yeah world vision

1136

00:47:15,910 --> 00:47:13,760

you know

1137

00:47:17,510 --> 00:47:15,920

especially because i know i know on what

1138

00:47:20,790 --> 00:47:17,520

what journey you're on

1139

00:47:22,790 --> 00:47:20,800

um to be honest other than entertainment

1140

00:47:25,589 --> 00:47:22,800

i don't know what other good that would

1141

00:47:27,750 --> 00:47:25,599

that would bring you and uh or at least

1142

00:47:29,430 --> 00:47:27,760

um information that you can take in to

1143

00:47:31,430 --> 00:47:29,440

keep in the back of your head as i said

1144

00:47:33,910 --> 00:47:31,440

a while back because

1145

00:47:36,870 --> 00:47:33,920

it's all information that unless you're

1146

00:47:38,950 --> 00:47:36,880

a researcher or or like heavily follow

1147

00:47:40,710 --> 00:47:38,960

him and like or just

1148

00:47:42,390 --> 00:47:40,720

really really believe in everything he

1149

00:47:45,910 --> 00:47:42,400

says um

1150

00:47:48,309 --> 00:47:45,920

you know it's it's doesn't um

1151

00:47:50,069 --> 00:47:48,319

it doesn't immediately help

1152

00:47:51,430 --> 00:47:50,079

so for example every time people always

1153

00:47:53,270 --> 00:47:51,440

talk to me and they're like oh my god

1154

00:47:55,030 --> 00:47:53,280

what'd the aliens say what happened this

1155

00:47:56,630 --> 00:47:55,040

i would just try to break it down it's

1156

00:47:58,549 --> 00:47:56,640

like all right well this is what i got

1157

00:48:00,230 --> 00:47:58,559

from it and that's the way i can convey

1158

00:48:02,309 --> 00:48:00,240

to them but when it comes to these

1159

00:48:03,990 --> 00:48:02,319

different stories surprise civilization

1160

00:48:07,190 --> 00:48:04,000

and all that um

1161

00:48:08,069 --> 00:48:07,200

it's something we we we can't change

1162

00:48:10,710 --> 00:48:08,079

um

1163

00:48:13,349 --> 00:48:10,720

something that unless one of those

1164

00:48:15,750 --> 00:48:13,359

ancient civilizations like i said

1165

00:48:17,910 --> 00:48:15,760

gets to you immediately like slants in

1166

00:48:20,870 --> 00:48:17,920

front of you and tells you directly

1167

00:48:22,630 --> 00:48:20,880

it just becomes a form of entertainment

1168

00:48:24,790 --> 00:48:22,640

and i don't mean to like belittle it you

1169

00:48:26,309 --> 00:48:24,800

know i'm just saying that what are you

1170

00:48:28,470 --> 00:48:26,319

going to do with it

1171

00:48:29,990 --> 00:48:28,480

right that's a that's a question i'm i'm

1172

00:48:31,349 --> 00:48:30,000

wanting to ask you

1173

00:48:33,510 --> 00:48:31,359

you know it's like

1174

00:48:36,710 --> 00:48:33,520

okay sounds great like we could be an

1175

00:48:39,030 --> 00:48:36,720

offspring from that from atlantean times

1176

00:48:40,790 --> 00:48:39,040

wonderful what what now

1177

00:48:42,470 --> 00:48:40,800

do you see what i'm saying it's not like

1178

00:48:44,710 --> 00:48:42,480

the it's not that the world will stop

1179

00:48:47,030 --> 00:48:44,720

turning the president will get on tv and

1180

00:48:49,349 --> 00:48:47,040

say you know it's like we are ancient

1181

00:48:51,030 --> 00:48:49,359

atlanteans you know we can do something

1182

00:48:53,030 --> 00:48:51,040

about it's like no nothing will happen

1183

00:48:55,349 --> 00:48:53,040

everything will just move forward

1184

00:48:57,190 --> 00:48:55,359

nothing nothing else will change in your

1185

00:48:58,950 --> 00:48:57,200

life personally you know what i've

1186

00:49:01,349 --> 00:48:58,960

always liked to gather is these

1187

00:49:03,430 --> 00:49:01,359

information from these different

1188

00:49:06,230 --> 00:49:03,440

teachings that have come down and that's

1189

00:49:08,790 --> 00:49:06,240

what i can follow up on so if they say

1190

00:49:10,710 --> 00:49:08,800

okay this alien race said you know we're

1191

00:49:13,750 --> 00:49:10,720

all one and you can find that out

1192

00:49:15,510 --> 00:49:13,760

through meditation or x y and z that is

1193

00:49:17,190 --> 00:49:15,520

something i can do right that's

1194

00:49:19,190 --> 00:49:17,200

something i can do and follow up on and

1195

00:49:21,430 --> 00:49:19,200

then kind of explore on my own and find

1196

00:49:23,589 --> 00:49:21,440

out you know whereas and somebody would

1197

00:49:26,069 --> 00:49:23,599

tell me and say uh you know you have

1198

00:49:28,390 --> 00:49:26,079

ancient blonde in you i'm like yeah i do

1199

00:49:29,750 --> 00:49:28,400

but so does everyone else you see what

1200

00:49:31,430 --> 00:49:29,760

i'm saying because i'm kind of more of a

1201

00:49:33,190 --> 00:49:31,440

practical person

1202

00:49:35,589 --> 00:49:33,200

so everything else will just always be

1203

00:49:36,950 --> 00:49:35,599

entertainment for me

1204

00:49:38,870 --> 00:49:36,960

sure and that's where i thought the

1205

00:49:40,790 --> 00:49:38,880

overlap would be i guess

1206

00:49:42,630 --> 00:49:40,800

you know uh having to do with like

1207

00:49:44,950 --> 00:49:42,640

ancient egypt and how they got those big

1208

00:49:47,750 --> 00:49:44,960

old pieces of granite up there he

1209

00:49:49,990 --> 00:49:47,760

mentioned that possibly that possibly

1210

00:49:54,790 --> 00:49:50,000

had to do with like maybe psychic powers

1211

00:49:59,910 --> 00:49:57,750

what's it called cultivated uh through

1212

00:50:02,309 --> 00:49:59,920

hallucinogens and i've known that you've

1213

00:50:04,069 --> 00:50:02,319

mentioned hallucinogens and

1214

00:50:06,069 --> 00:50:04,079

i would think that maybe psychic powers

1215

00:50:07,510 --> 00:50:06,079

are more like or

1216

00:50:09,349 --> 00:50:07,520

what would be called moving stuff with

1217

00:50:11,670 --> 00:50:09,359

your mind would be more up your alley

1218

00:50:12,790 --> 00:50:11,680

and i just thought like ah you know like

1219

00:50:14,790 --> 00:50:12,800

oh here's

1220

00:50:17,349 --> 00:50:14,800

some people that are like uh saying that

1221

00:50:19,589 --> 00:50:17,359

maybe here's a researcher that's saying

1222

00:50:22,470 --> 00:50:19,599

that maybe back in the day there was a

1223

00:50:24,230 --> 00:50:22,480

society that uh built stuff with their

1224

00:50:25,589 --> 00:50:24,240

mind possibly right that would be how

1225

00:50:26,790 --> 00:50:25,599

they would explain it i'm like all right

1226

00:50:28,549 --> 00:50:26,800

cool like

1227

00:50:31,670 --> 00:50:28,559

uh and they and they took uh

1228

00:50:32,950 --> 00:50:31,680

psychedelics so i just kind of wondered

1229

00:50:35,190 --> 00:50:32,960

and i only have a rudimentary

1230

00:50:36,630 --> 00:50:35,200

understanding of maybe what you believe

1231

00:50:37,750 --> 00:50:36,640

personally but

1232

00:50:39,829 --> 00:50:37,760

uh

1233

00:50:41,430 --> 00:50:39,839

yeah i just kind of wondered if if there

1234

00:50:43,030 --> 00:50:41,440

was some kind of overlap there or if you

1235

00:50:44,230 --> 00:50:43,040

had anything to say but it sounds like

1236

00:50:45,670 --> 00:50:44,240

you maybe

1237

00:50:46,390 --> 00:50:45,680

said everything you needed to say about

1238

00:50:48,870 --> 00:50:46,400

it

1239

00:50:50,230 --> 00:50:48,880

well um just real quick i don't want to

1240

00:50:52,309 --> 00:50:50,240

miss it again

1241

00:50:55,109 --> 00:50:52,319

my friend my best friend

1242

00:50:57,430 --> 00:50:55,119

to add my best fred paul is watching

1243

00:50:59,829 --> 00:50:57,440

this and decided to get on chat last

1244

00:51:01,670 --> 00:50:59,839

time my wife told me oh paul was on this

1245

00:51:04,230 --> 00:51:01,680

he said something i'm like what i missed

1246

00:51:05,589 --> 00:51:04,240

it so i want to acknowledge him so

1247

00:51:06,390 --> 00:51:05,599

what's up buddy

1248

00:51:08,870 --> 00:51:06,400

um

1249

00:51:10,630 --> 00:51:08,880

so anyway uh israel

1250

00:51:12,150 --> 00:51:10,640

sorry to to digress

1251

00:51:13,829 --> 00:51:12,160

well

1252

00:51:15,270 --> 00:51:13,839

this is you know i mean i perfectly

1253

00:51:19,109 --> 00:51:15,280

understand what what you mean but for

1254

00:51:23,589 --> 00:51:21,589

unless there was some kind of let's say

1255

00:51:26,230 --> 00:51:23,599

there was a book left behind

1256

00:51:29,349 --> 00:51:26,240

somehow right and to trace back to this

1257

00:51:31,750 --> 00:51:29,359

race and and and they said okay this

1258

00:51:35,349 --> 00:51:31,760

this is how the ancient uh did practices

1259

00:51:40,069 --> 00:51:36,870

there was i'm trying to remember i think

1260

00:51:41,910 --> 00:51:40,079

it was the greek and i could be mistaken

1261

00:51:45,270 --> 00:51:41,920

so forgive me but just kind of take the

1262

00:51:47,510 --> 00:51:45,280

general gist of the story so the greek

1263

00:51:49,270 --> 00:51:47,520

would have this huge festival and it

1264

00:51:51,910 --> 00:51:49,280

would usually include a whole town or

1265

00:51:53,510 --> 00:51:51,920

village where they would all gather and

1266

00:51:55,349 --> 00:51:53,520

partake in this

1267

00:51:57,990 --> 00:51:55,359

i don't know if it's an ayahwasca trip

1268

00:52:00,230 --> 00:51:58,000

or just more some kind of substance i

1269

00:52:02,470 --> 00:52:00,240

don't know exactly what that's basically

1270

00:52:05,270 --> 00:52:02,480

equivalent to a psychedelic

1271

00:52:07,589 --> 00:52:05,280

and the whole rule about it is whatever

1272

00:52:08,470 --> 00:52:07,599

they all experienced while they were

1273

00:52:10,870 --> 00:52:08,480

there

1274

00:52:12,549 --> 00:52:10,880

it was not to be talked about after it

1275

00:52:14,390 --> 00:52:12,559

was just to take it in

1276

00:52:16,309 --> 00:52:14,400

whatever you experienced

1277

00:52:19,589 --> 00:52:16,319

good and move on with your life until

1278

00:52:21,030 --> 00:52:19,599

the next year's celebration right and so

1279

00:52:22,950 --> 00:52:21,040

um

1280

00:52:24,390 --> 00:52:22,960

that story at least

1281

00:52:27,190 --> 00:52:24,400

you know at least it will leave some

1282

00:52:29,349 --> 00:52:27,200

kind of process of like hey oh okay fine

1283

00:52:32,309 --> 00:52:29,359

if we want to mimic that maybe we can do

1284

00:52:34,710 --> 00:52:32,319

something directly like they did with

1285

00:52:36,790 --> 00:52:34,720

close-ups and communities right maybe

1286

00:52:38,870 --> 00:52:36,800

there might be a way to get communities

1287

00:52:40,870 --> 00:52:38,880

closer not sure how many different

1288

00:52:42,549 --> 00:52:40,880

communities you know that you can you

1289

00:52:44,069 --> 00:52:42,559

know involve in this because most

1290

00:52:45,109 --> 00:52:44,079

communities involve

1291

00:52:47,910 --> 00:52:45,119

you know

1292

00:52:49,829 --> 00:52:47,920

uh families with children and generally

1293

00:52:51,270 --> 00:52:49,839

families do not partake in that now of

1294

00:52:53,190 --> 00:52:51,280

course there's other communities there's

1295

00:52:55,349 --> 00:52:53,200

just a whole bunch of young people they

1296

00:52:57,990 --> 00:52:55,359

have nothing else to do and they're like

1297

00:53:00,790 --> 00:52:58,000

yeah we're all you know brothers and

1298

00:53:03,589 --> 00:53:00,800

sisters let's all sing and you know sir

1299

00:53:05,109 --> 00:53:03,599

drum circle and do our thing so i guess

1300

00:53:07,510 --> 00:53:05,119

you can have a community in that way

1301

00:53:09,430 --> 00:53:07,520

right but um

1302

00:53:11,190 --> 00:53:09,440

again like you know i'm not poopowing

1303

00:53:14,790 --> 00:53:11,200

the idea all i'm saying is there are so

1304

00:53:16,710 --> 00:53:14,800

many more practical things that one can

1305

00:53:18,069 --> 00:53:16,720

take from it from certain things from

1306

00:53:19,990 --> 00:53:18,079

certain teachers that they can

1307

00:53:22,150 --> 00:53:20,000

immediately start doing to start

1308

00:53:25,190 --> 00:53:22,160

applying in their life to where they'll

1309

00:53:27,190 --> 00:53:25,200

get more answers instead of just saving

1310

00:53:30,390 --> 00:53:27,200

a story in their head

1311

00:53:33,109 --> 00:53:30,400

and say oh the possibility of ancient

1312

00:53:34,630 --> 00:53:33,119

civilization is there but i don't know

1313

00:53:36,390 --> 00:53:34,640

you know they could have been alive from

1314

00:53:38,069 --> 00:53:36,400

this period to that period but i don't

1315

00:53:40,710 --> 00:53:38,079

know do you see what i'm saying like i'm

1316

00:53:43,270 --> 00:53:40,720

i don't my personally do i believe it

1317

00:53:44,150 --> 00:53:43,280

yeah you know depending on depending on

1318

00:53:48,470 --> 00:53:44,160

how

1319

00:53:49,349 --> 00:53:48,480

ago it was especially if you look at the

1320

00:53:51,190 --> 00:53:49,359

the

1321

00:53:52,470 --> 00:53:51,200

uh i think it's called forbidden

1322

00:53:55,030 --> 00:53:52,480

archaeology

1323

00:53:57,109 --> 00:53:55,040

and all the anomalies throughout history

1324

00:53:59,270 --> 00:53:57,119

that general mainstream archaeology

1325

00:54:01,829 --> 00:53:59,280

couldn't explain so they basically kind

1326

00:54:03,670 --> 00:54:01,839

of shot that to the side and just made

1327

00:54:08,309 --> 00:54:03,680

the

1328

00:54:09,990 --> 00:54:08,319

to everyone else you know because you

1329

00:54:13,109 --> 00:54:10,000

know you would have all these anomalies

1330

00:54:15,510 --> 00:54:13,119

that just don't make sense um you know

1331

00:54:18,069 --> 00:54:15,520

human bone and skull during period that

1332

00:54:20,950 --> 00:54:18,079

humans should not have existed right and

1333

00:54:23,270 --> 00:54:20,960

all you know things like that and so uh

1334

00:54:24,870 --> 00:54:23,280

that for example you can then at least

1335

00:54:26,549 --> 00:54:24,880

you know follow up on you're like oh wow

1336

00:54:28,630 --> 00:54:26,559

okay where did this happen where where

1337

00:54:30,470 --> 00:54:28,640

did he find this and then you can go and

1338

00:54:32,549 --> 00:54:30,480

maybe try to dig a hole to find it

1339

00:54:33,670 --> 00:54:32,559

yourself so what i'm saying is at the

1340

00:54:35,990 --> 00:54:33,680

end of the day

1341

00:54:37,990 --> 00:54:36,000

uh it's it's about the action

1342

00:54:40,150 --> 00:54:38,000

everything that i've ever been taught

1343

00:54:43,030 --> 00:54:40,160

you know in the extra realms or this

1344

00:54:46,150 --> 00:54:43,040

world it's always been about the action

1345

00:54:48,150 --> 00:54:46,160

go and actually physically move towards

1346

00:54:49,990 --> 00:54:48,160

what it is that you want right whether

1347

00:54:52,390 --> 00:54:50,000

it's a want whether it's

1348

00:54:55,430 --> 00:54:52,400

you know whatever you find interesting

1349

00:54:57,349 --> 00:54:55,440

you know other you know if it's if if

1350

00:54:59,750 --> 00:54:57,359

you do not act on it if you do not move

1351  
00:55:02,470 --> 00:54:59,760  
on it it literally just becomes an idea

1352  
00:55:04,789 --> 00:55:02,480  
that would just fester either live there

1353  
00:55:07,190 --> 00:55:04,799  
forever or die with you

1354  
00:55:10,950 --> 00:55:07,200  
and so for me you know being like i said

1355  
00:55:14,069 --> 00:55:10,960  
being that practical person i try

1356  
00:55:16,150 --> 00:55:14,079  
um like i do love stories i do love to

1357  
00:55:17,589 --> 00:55:16,160  
watch movies but at the end of the day

1358  
00:55:19,829 --> 00:55:17,599  
it was just there for me to kind of like

1359  
00:55:21,750 --> 00:55:19,839  
maybe rest for the two hours so i can

1360  
00:55:24,069 --> 00:55:21,760  
actually get my butt up and then go do

1361  
00:55:26,390 --> 00:55:24,079  
what i need to do physically right you

1362  
00:55:28,710 --> 00:55:26,400  
know so i'm not you know against

1363  
00:55:31,990 --> 00:55:28,720

entertainment you know against taking in

1364

00:55:34,069 --> 00:55:32,000

information that is very you know very

1365

00:55:35,829 --> 00:55:34,079

entertainment like but i'm always you

1366

00:55:39,349 --> 00:55:35,839

know if you asking me directly i'm

1367

00:55:41,750 --> 00:55:39,359

always just if the information does not

1368

00:55:43,829 --> 00:55:41,760

make me put one foot forward in front of

1369

00:55:45,750 --> 00:55:43,839

the other and then another another

1370

00:55:47,349 --> 00:55:45,760

meaning for me to move forward and do

1371

00:55:49,190 --> 00:55:47,359

something about it it's usually

1372

00:55:51,750 --> 00:55:49,200

information i try not to

1373

00:55:53,829 --> 00:55:51,760

um you know follow up on

1374

00:55:55,670 --> 00:55:53,839

what we i mean and how could you you

1375

00:55:58,069 --> 00:55:55,680

know because it's like

1376

00:56:00,549 --> 00:55:58,079

to be honest and i don't know

1377

00:56:03,190 --> 00:56:00,559

you know so for example like for for few

1378

00:56:05,109 --> 00:56:03,200

years now you know i had all these other

1379

00:56:07,510 --> 00:56:05,119

things on my mind

1380

00:56:09,349 --> 00:56:07,520

but i you know i love ham radio and i've

1381

00:56:10,150 --> 00:56:09,359

always been interested in ham radio and

1382

00:56:15,270 --> 00:56:10,160

just

1383

00:56:17,990 --> 00:56:15,280

been in my head the whole time right but

1384

00:56:20,710 --> 00:56:18,000

only recently have i then actually began

1385

00:56:23,589 --> 00:56:20,720

begun to physically move forward like

1386

00:56:25,430 --> 00:56:23,599

set up the table and get the rig out and

1387

00:56:28,309 --> 00:56:25,440

try to work on you know building or

1388

00:56:30,950 --> 00:56:28,319

maybe buying an antenna myself and just

1389

00:56:33,109 --> 00:56:30,960

you know learning about frequencies and

1390

00:56:35,589 --> 00:56:33,119

learning about you know these different

1391

00:56:37,270 --> 00:56:35,599

bands that ham radio operators are

1392

00:56:39,270 --> 00:56:37,280

allowed to speak on and end up

1393

00:56:41,349 --> 00:56:39,280

capabilities where you can literally

1394

00:56:43,750 --> 00:56:41,359

speak to someone or you know through the

1395

00:56:45,829 --> 00:56:43,760

air from america you know all the way

1396

00:56:47,349 --> 00:56:45,839

down to france you know without using

1397

00:56:49,430 --> 00:56:47,359

the internet you know all of that it

1398

00:56:51,349 --> 00:56:49,440

excites me you know that kind of stuff

1399

00:56:53,510 --> 00:56:51,359

it's something that i can directly do

1400

00:56:56,230 --> 00:56:53,520

but the point was it was always just

1401  
00:56:57,990 --> 00:56:56,240  
only my head it was this great idea that

1402  
00:56:59,670 --> 00:56:58,000  
was just kind of like a carrot there was

1403  
00:57:01,990 --> 00:56:59,680  
just sitting there but nothing was ever

1404  
00:57:04,150 --> 00:57:02,000  
happening nothing was ever moving only

1405  
00:57:07,030 --> 00:57:04,160  
when i physically started going that

1406  
00:57:08,710 --> 00:57:07,040  
direction um i started to notice a shift

1407  
00:57:11,750 --> 00:57:08,720  
where my brain kicks into a different

1408  
00:57:14,789 --> 00:57:11,760  
gear so now it's from an idea you you

1409  
00:57:16,549 --> 00:57:14,799  
become more like a sponge and so

1410  
00:57:19,430 --> 00:57:16,559  
you know even with your idea of wanting

1411  
00:57:21,990 --> 00:57:19,440  
to know more about aliens you know

1412  
00:57:24,549 --> 00:57:22,000  
number one if nobody has told you this

1413  
00:57:26,789 --> 00:57:24,559

yet and i'm sorry if i haven't yet if

1414

00:57:28,230 --> 00:57:26,799

you are interested in making contact the

1415

00:57:30,230 --> 00:57:28,240

most physical

1416

00:57:32,870 --> 00:57:30,240

you know thing you can do is to

1417

00:57:34,950 --> 00:57:32,880

literally just go outside at a place

1418

00:57:37,109 --> 00:57:34,960

where there's not a lot of people around

1419

00:57:39,510 --> 00:57:37,119

preferably a park or somewhere on the

1420

00:57:41,430 --> 00:57:39,520

outskirts of a city where there's just

1421

00:57:44,390 --> 00:57:41,440

not not necessarily for the lights it's

1422

00:57:47,589 --> 00:57:44,400

mainly that um it's a the density of

1423

00:57:49,190 --> 00:57:47,599

people and just go out there and

1424

00:57:50,950 --> 00:57:49,200

sit down doesn't matter where you don't

1425

00:57:51,670 --> 00:57:50,960

have to meditate or anything whatever

1426

00:57:54,230 --> 00:57:51,680

just

1427

00:57:55,990 --> 00:57:54,240

the physical act of driving somewhere

1428

00:57:57,030 --> 00:57:56,000

and saying i would like to see what i

1429

00:57:59,270 --> 00:57:57,040

can see

1430

00:58:01,750 --> 00:57:59,280

you might see a you know light zig

1431

00:58:03,430 --> 00:58:01,760

zigzag into the sky you might see

1432

00:58:05,190 --> 00:58:03,440

something you know weird oh you might

1433

00:58:07,829 --> 00:58:05,200

not but the point is you're coming back

1434

00:58:09,829 --> 00:58:07,839

the next day and then the next day and

1435

00:58:11,670 --> 00:58:09,839

then following that up all the way to

1436

00:58:13,910 --> 00:58:11,680

the point to where it you feel like it's

1437

00:58:15,270 --> 00:58:13,920

exhausted and then you say okay what can

1438

00:58:18,549 --> 00:58:15,280

i do next

1439

00:58:20,549 --> 00:58:18,559

right so then that way you know you you

1440

00:58:22,630 --> 00:58:20,559

take more of these steps forward into

1441

00:58:24,630 --> 00:58:22,640

doing what you can possibly do instead

1442

00:58:26,710 --> 00:58:24,640

of just taking in you know information

1443

00:58:28,710 --> 00:58:26,720

from books as these beautiful and

1444

00:58:31,109 --> 00:58:28,720

exciting stories that at the end don't

1445

00:58:34,230 --> 00:58:31,119

get you anywhere

1446

00:58:37,270 --> 00:58:34,240

now do you believe like uh that aliens

1447

00:58:39,109 --> 00:58:37,280

are like extraterrestrial life forms or

1448

00:58:40,309 --> 00:58:39,119

from another dimension or are they like

1449

00:58:41,829 --> 00:58:40,319

souls

1450

00:58:43,670 --> 00:58:41,839

i'll uh

1451

00:58:45,510 --> 00:58:43,680

well i think even dolores cannon was

1452

00:58:48,789 --> 00:58:45,520

talking about uh

1453

00:58:50,230 --> 00:58:48,799

you know et's and souls like

1454

00:58:51,750 --> 00:58:50,240

you know what i mean could you could you

1455

00:58:53,910 --> 00:58:51,760

give me i don't know if that's too much

1456

00:58:55,190 --> 00:58:53,920

too open-ended of a question but

1457

00:58:56,789 --> 00:58:55,200

could you give me a little run down

1458

00:58:58,549 --> 00:58:56,799

because no no not at all i mean there's

1459

00:59:00,549 --> 00:58:58,559

no more questions in

1460

00:59:03,430 --> 00:59:00,559

in chat and i don't see anyone else

1461

00:59:05,829 --> 00:59:03,440

wanting to hop on telegram to talk so so

1462

00:59:08,710 --> 00:59:05,839

why not you know well

1463

00:59:11,750 --> 00:59:08,720

at the end of the day um

1464

00:59:14,789 --> 00:59:11,760

the whole idea is that we're all one

1465

00:59:16,230 --> 00:59:14,799

which means we're all part of this one

1466

00:59:19,750 --> 00:59:16,240

mass one

1467

00:59:22,230 --> 00:59:19,760

um huge energy

1468

00:59:24,150 --> 00:59:22,240

mass ball whatever you want to call it

1469

00:59:26,710 --> 00:59:24,160

that has

1470

00:59:29,109 --> 00:59:26,720

basically like this infinite number of

1471

00:59:30,549 --> 00:59:29,119

frequencies that are going on at the

1472

00:59:33,589 --> 00:59:30,559

same time

1473

00:59:35,990 --> 00:59:33,599

right and so uh whatever is already

1474

00:59:38,630 --> 00:59:36,000

created whatever it already will be it

1475

00:59:40,870 --> 00:59:38,640

so it already is and so what's

1476

00:59:43,270 --> 00:59:40,880

interesting about that is that

1477

00:59:45,109 --> 00:59:43,280

from my experience the way i experienced

1478

00:59:46,870 --> 00:59:45,119

it when i had my near-death experiences

1479

00:59:51,030 --> 00:59:46,880

and some of our other

1480

00:59:55,670 --> 00:59:54,309

we as this particular section of this

1481

00:59:57,990 --> 00:59:55,680

great

1482

01:00:01,270 --> 00:59:58,000

infinite ball of energy

1483

01:00:04,789 --> 01:00:01,280

we that small section are basically

1484

01:00:07,190 --> 01:00:04,799

playing a game of our own to where

1485

01:00:08,950 --> 01:00:07,200

we don't remember we act like we don't

1486

01:00:12,390 --> 01:00:08,960

remember who we are

1487

01:00:13,430 --> 01:00:12,400

and so we play these games of basically

1488

01:00:15,910 --> 01:00:13,440

um

1489

01:00:18,630 --> 01:00:15,920

playing this physical life which is what

1490

01:00:21,589 --> 01:00:18,640

we're doing now me talking to you you

1491

01:00:25,430 --> 01:00:21,599

israel me adnan we are these physical

1492

01:00:28,230 --> 01:00:25,440

expressions of basically these spiritual

1493

01:00:30,630 --> 01:00:28,240

oversolds so you have oversold i have

1494

01:00:33,190 --> 01:00:30,640

oversold you know basically everything

1495

01:00:35,589 --> 01:00:33,200

and everyone has an oversoul that's

1496

01:00:36,390 --> 01:00:35,599

basically the the true sense of who you

1497

01:00:38,470 --> 01:00:36,400

are

1498

01:00:40,789 --> 01:00:38,480

it's basically the spark the original

1499

01:00:43,270 --> 01:00:40,799

spark that was created by

1500

01:00:44,230 --> 01:00:43,280

source god whatever you want to call it

1501  
01:00:46,309 --> 01:00:44,240  
and so

1502  
01:00:49,670 --> 01:00:46,319  
all that's basically happening is that

1503  
01:00:52,150 --> 01:00:49,680  
that spark is then playing

1504  
01:00:54,950 --> 01:00:52,160  
games in whichever way it can possibly

1505  
01:00:57,589 --> 01:00:54,960  
play and so this group of sparks have

1506  
01:00:59,910 --> 01:00:57,599  
decided to play this game on earth for

1507  
01:01:01,829 --> 01:00:59,920  
quite a while now now for us it's a long

1508  
01:01:04,069 --> 01:01:01,839  
time but on the grand scheme of things

1509  
01:01:06,470 --> 01:01:04,079  
it's just a blink of an eye

1510  
01:01:09,750 --> 01:01:06,480  
basically to play these games games in

1511  
01:01:12,390 --> 01:01:09,760  
this weird way to where we are

1512  
01:01:14,789 --> 01:01:12,400  
re-exploring everything again

1513  
01:01:15,990 --> 01:01:14,799

right so for example emotions are

1514

01:01:18,789 --> 01:01:16,000

nothing new

1515

01:01:21,430 --> 01:01:18,799

but an emotion from your perspective and

1516

01:01:24,390 --> 01:01:21,440

emotion from my perspective and all the

1517

01:01:27,829 --> 01:01:24,400

other seven billion people's perspective

1518

01:01:30,549 --> 01:01:27,839

that is a brand new and exciting thing

1519

01:01:32,549 --> 01:01:30,559

that can be re-explored now going back

1520

01:01:34,950 --> 01:01:32,559

to what i said that actually on

1521

01:01:36,870 --> 01:01:34,960

different levels already exists

1522

01:01:39,430 --> 01:01:36,880

right but what we're doing is we're

1523

01:01:41,589 --> 01:01:39,440

playing this game to where by revisiting

1524

01:01:45,109 --> 01:01:41,599

it in this new and fresh way

1525

01:01:47,270 --> 01:01:45,119

it appears to have a sense of newness

1526  
01:01:49,750 --> 01:01:47,280  
that it's something fresh something new

1527  
01:01:52,230 --> 01:01:49,760  
something never never explored before

1528  
01:01:53,430 --> 01:01:52,240  
you know so basically from childhood

1529  
01:01:56,150 --> 01:01:53,440  
being born

1530  
01:01:58,230 --> 01:01:56,160  
really getting reacquainted with fears

1531  
01:02:00,309 --> 01:01:58,240  
and love and emotions and temperature

1532  
01:02:01,589 --> 01:02:00,319  
and people and all this other stuff you

1533  
01:02:03,910 --> 01:02:01,599  
know basically

1534  
01:02:06,390 --> 01:02:03,920  
um all the things that already exist in

1535  
01:02:08,950 --> 01:02:06,400  
a very limited way re-exploring them

1536  
01:02:11,510 --> 01:02:08,960  
again in on our you know in our

1537  
01:02:14,950 --> 01:02:11,520  
dimension in our in our sense

1538  
01:02:19,750 --> 01:02:17,109

the the one of the interesting things

1539

01:02:21,109 --> 01:02:19,760

that that was so weird and really really

1540

01:02:22,069 --> 01:02:21,119

difficult

1541

01:02:25,029 --> 01:02:22,079

to

1542

01:02:27,670 --> 01:02:25,039

is that

1543

01:02:30,150 --> 01:02:27,680

we're all already know what we're doing

1544

01:02:31,990 --> 01:02:30,160

we come down with the specific plan of

1545

01:02:34,789 --> 01:02:32,000

what we want want to do

1546

01:02:37,270 --> 01:02:34,799

but what's what we do at the same time

1547

01:02:39,750 --> 01:02:37,280

is then we choose to forget so it's

1548

01:02:41,430 --> 01:02:39,760

almost like a uh as i use the example

1549

01:02:43,589 --> 01:02:41,440

before a play

1550

01:02:44,950 --> 01:02:43,599

you know a play or a movie right so when

1551

01:02:46,150 --> 01:02:44,960

you're watching

1552

01:02:48,549 --> 01:02:46,160

you know when watching a movie and you

1553

01:02:49,910 --> 01:02:48,559

watch tom cruise and mission impossible

1554

01:02:51,990 --> 01:02:49,920

right and

1555

01:02:54,630 --> 01:02:52,000

you you know he's gonna jump on a

1556

01:02:56,630 --> 01:02:54,640

building or go kill this bad guy or do

1557

01:02:59,750 --> 01:02:56,640

do whatever things right when you're

1558

01:03:02,789 --> 01:02:59,760

either standing outside um of this cast

1559

01:03:05,109 --> 01:03:02,799

looking them acting it out um or if

1560

01:03:07,430 --> 01:03:05,119

you're finally seeing the cut the final

1561

01:03:09,750 --> 01:03:07,440

cut of the movie and all you see is just

1562

01:03:12,309 --> 01:03:09,760

those p bits and pieces that represent

1563

01:03:13,829 --> 01:03:12,319

the character that that tom cruise is

1564

01:03:15,829 --> 01:03:13,839

playing right

1565

01:03:17,670 --> 01:03:15,839

you all you all you basically

1566

01:03:19,750 --> 01:03:17,680

what you're seeing is that this is

1567

01:03:21,589 --> 01:03:19,760

that's exactly what we're doing

1568

01:03:22,470 --> 01:03:21,599

and so when a lot of times when people

1569

01:03:24,390 --> 01:03:22,480

say

1570

01:03:26,630 --> 01:03:24,400

you know do you you know why don't the

1571

01:03:28,309 --> 01:03:26,640

aliens come down and help us out or stop

1572

01:03:30,390 --> 01:03:28,319

this and stop that well it's no

1573

01:03:33,750 --> 01:03:30,400

different than me telling you

1574

01:03:35,510 --> 01:03:33,760

hey israel go to tom cruise and right

1575

01:03:36,630 --> 01:03:35,520

now he's playing the character when he's

1576

01:03:38,950 --> 01:03:36,640

playing the character of mission

1577

01:03:41,190 --> 01:03:38,960

impossible go in there stop and say

1578

01:03:43,430 --> 01:03:41,200

don't do it or this guy did it it's

1579

01:03:45,109 --> 01:03:43,440

gonna blow up no it's gonna blow yeah

1580

01:03:47,270 --> 01:03:45,119

right you see what i mean they'll look

1581

01:03:49,270 --> 01:03:47,280

at you too and they're like yeah dumbass

1582

01:03:52,069 --> 01:03:49,280

we know we're playing this game together

1583

01:03:54,710 --> 01:03:52,079

right but that knowing is not known on

1584

01:03:57,109 --> 01:03:54,720

this level it has to be real it has to

1585

01:03:59,270 --> 01:03:57,119

be you know an actual experience so you

1586

01:04:01,990 --> 01:03:59,280

cannot know what is happening while on

1587

01:04:03,990 --> 01:04:02,000

this higher level we all already aware

1588

01:04:05,829 --> 01:04:04,000

you know what's going on and so i was

1589

01:04:07,829 --> 01:04:05,839

thinking about i don't know i don't want

1590

01:04:09,589 --> 01:04:07,839

to make too many promises but i've been

1591

01:04:12,069 --> 01:04:09,599

thinking this for a while now i just

1592

01:04:13,750 --> 01:04:12,079

cannot find the darn time but sure

1593

01:04:15,910 --> 01:04:13,760

surely enough like with everything else

1594

01:04:18,230 --> 01:04:15,920

something will happen to where i'll just

1595

01:04:20,150 --> 01:04:18,240

focus you know hardcore on it and get it

1596

01:04:22,870 --> 01:04:20,160

done but i wanted to have like some kind

1597

01:04:23,910 --> 01:04:22,880

of like a small series right to where i

1598

01:04:26,390 --> 01:04:23,920

can then

1599

01:04:28,470 --> 01:04:26,400

explain in i don't know how but like

1600

01:04:31,190 --> 01:04:28,480

have these small series to explain these

1601  
01:04:33,750 --> 01:04:31,200  
different things as i had my experiences

1602  
01:04:35,270 --> 01:04:33,760  
right to break things down and so

1603  
01:04:37,910 --> 01:04:35,280  
one of them that

1604  
01:04:39,829 --> 01:04:37,920  
that was perfect example uh was when you

1605  
01:04:42,630 --> 01:04:39,839  
look at gaming right i don't know do you

1606  
01:04:44,710 --> 01:04:42,640  
like gaming or do you play games at all

1607  
01:04:45,750 --> 01:04:44,720  
i'm not very familiar with it but

1608  
01:04:47,750 --> 01:04:45,760  
sorry

1609  
01:04:49,430 --> 01:04:47,760  
okay well but you're aware of games and

1610  
01:04:50,789 --> 01:04:49,440  
people play them you know and you play

1611  
01:04:53,349 --> 01:04:50,799  
them online

1612  
01:04:55,990 --> 01:04:53,359  
right okay so when you when you look at

1613  
01:04:59,029 --> 01:04:56,000

the the people right you have the person

1614

01:05:02,230 --> 01:04:59,039

the actual real person that is basically

1615

01:05:04,309 --> 01:05:02,240

then using a created environment

1616

01:05:06,549 --> 01:05:04,319

whether a digital environment using

1617

01:05:09,029 --> 01:05:06,559

hardware components to create that

1618

01:05:10,390 --> 01:05:09,039

environment and you're that then they're

1619

01:05:12,470 --> 01:05:10,400

controlling their character and they're

1620

01:05:15,190 --> 01:05:12,480

running around they're running around

1621

01:05:17,349 --> 01:05:15,200

and moving left to right and that world

1622

01:05:20,150 --> 01:05:17,359

that they're applying you know their

1623

01:05:22,470 --> 01:05:20,160

attention to it has limitations it's not

1624

01:05:24,390 --> 01:05:22,480

like the real world but it has its own

1625

01:05:27,589 --> 01:05:24,400

rules right the character can only jump

1626

01:05:29,349 --> 01:05:27,599

so high it can do certain things maybe

1627

01:05:32,150 --> 01:05:29,359

there might be some tricks but that's as

1628

01:05:34,789 --> 01:05:32,160

far as we'll go right but it's

1629

01:05:36,870 --> 01:05:34,799

somewhat based like reality

1630

01:05:39,670 --> 01:05:36,880

do you see what i'm saying yeah and so

1631

01:05:42,950 --> 01:05:39,680

to try to think about it in that term in

1632

01:05:45,109 --> 01:05:42,960

that way because sure we are all these

1633

01:05:46,710 --> 01:05:45,119

things that we do that we would that

1634

01:05:49,190 --> 01:05:46,720

were playing out especially in that

1635

01:05:50,390 --> 01:05:49,200

sense we're basically reflecting back to

1636

01:05:54,710 --> 01:05:50,400

ourselves

1637

01:05:56,950 --> 01:05:54,720

what we are doing how do the ufos play

1638

01:05:58,870 --> 01:05:56,960

into this the ufos

1639

01:06:01,829 --> 01:05:58,880

are the extraterrestrials that kind of i

1640

01:06:03,430 --> 01:06:01,839

get i get i think i understand

1641

01:06:06,150 --> 01:06:03,440

right it's the same thing

1642

01:06:08,069 --> 01:06:06,160

imagine basically then

1643

01:06:10,150 --> 01:06:08,079

okay so you're american

1644

01:06:12,230 --> 01:06:10,160

you know let's say you said you're in

1645

01:06:14,230 --> 01:06:12,240

america and let's assume just for the

1646

01:06:18,390 --> 01:06:14,240

sake of this conversation you have

1647

01:06:19,589 --> 01:06:18,400

somebody whatever in australia right or

1648

01:06:22,150 --> 01:06:19,599

anywhere in the country it doesn't

1649

01:06:23,270 --> 01:06:22,160

matter where also with the computer

1650

01:06:25,109 --> 01:06:23,280

logging in

1651

01:06:27,029 --> 01:06:25,119

but now they have a different accent

1652

01:06:28,470 --> 01:06:27,039

they have a different culture they do

1653

01:06:30,549 --> 01:06:28,480

things differently than you do they

1654

01:06:33,510 --> 01:06:30,559

speak a different language maybe

1655

01:06:35,910 --> 01:06:33,520

right they have entire different history

1656

01:06:38,069 --> 01:06:35,920

than you do but at the same time you

1657

01:06:40,789 --> 01:06:38,079

know you you can kind of recognize that

1658

01:06:41,990 --> 01:06:40,799

from this higher perspective you

1659

01:06:43,510 --> 01:06:42,000

you know you

1660

01:06:45,589 --> 01:06:43,520

you know when you speak to that other

1661

01:06:47,430 --> 01:06:45,599

person you're aware of like oh you're

1662

01:06:51,670 --> 01:06:47,440

from europe from germany or you're from

1663

01:06:53,670 --> 01:06:51,680

this place right think about aliens

1664

01:06:54,470 --> 01:06:53,680

are you all right

1665

01:06:55,829 --> 01:06:54,480

yeah

1666

01:06:57,670 --> 01:06:55,839

okay no you were just making a whole

1667

01:07:00,230 --> 01:06:57,680

bunch of noise back there so it sounded

1668

01:07:01,430 --> 01:07:00,240

like you fell down or something

1669

01:07:04,069 --> 01:07:01,440

i just took something out of the

1670

01:07:05,270 --> 01:07:04,079

microwave i'm listening okay

1671

01:07:08,549 --> 01:07:05,280

um

1672

01:07:11,109 --> 01:07:08,559

basically uh think of aliens as people

1673

01:07:12,630 --> 01:07:11,119

from other countries that can come and

1674

01:07:14,950 --> 01:07:12,640

meet you in this

1675

01:07:16,870 --> 01:07:14,960

in this world that we call the internet

1676  
01:07:19,910 --> 01:07:16,880  
to play a game together because there's

1677  
01:07:22,309 --> 01:07:19,920  
this a shell that there's a space where

1678  
01:07:24,470 --> 01:07:22,319  
this game can be played out but the end

1679  
01:07:26,870 --> 01:07:24,480  
of the day you know that they're not

1680  
01:07:28,470 --> 01:07:26,880  
your immediate neighbors and you know

1681  
01:07:31,190 --> 01:07:28,480  
that there's

1682  
01:07:34,150 --> 01:07:31,200  
some greater you know differences

1683  
01:07:37,029 --> 01:07:34,160  
between you know uh them and you meaning

1684  
01:07:39,589 --> 01:07:37,039  
distance wise maybe skin color and

1685  
01:07:41,750 --> 01:07:39,599  
language culture and all of that does

1686  
01:07:44,150 --> 01:07:41,760  
any of that make sense

1687  
01:07:47,829 --> 01:07:44,160  
yes let me ask you this sorry interrupt

1688  
01:07:49,990 --> 01:07:47,839

um are these beings you know that to us

1689

01:07:52,309 --> 01:07:50,000

they look like they're more capable or

1690

01:07:54,470 --> 01:07:52,319

they have more mastery or let's just say

1691

01:07:55,990 --> 01:07:54,480

that they haven't forgotten so much

1692

01:07:57,270 --> 01:07:56,000

right they're not playing the game

1693

01:08:00,069 --> 01:07:57,280

forgetting

1694

01:08:03,109 --> 01:08:00,079

are they like in the eternal oversoul

1695

01:08:04,069 --> 01:08:03,119

form or or how come or

1696

01:08:06,789 --> 01:08:04,079

you know how come they're more

1697

01:08:09,190 --> 01:08:06,799

proficient and more seems like on

1698

01:08:11,109 --> 01:08:09,200

another level where they can manipulate

1699

01:08:12,950 --> 01:08:11,119

more and you know what i mean

1700

01:08:14,309 --> 01:08:12,960

well i mean

1701

01:08:16,229 --> 01:08:14,319

it's no different than when we

1702

01:08:18,630 --> 01:08:16,239

constantly uh you know especially for an

1703

01:08:21,030 --> 01:08:18,640

american point of view we constantly are

1704

01:08:23,349 --> 01:08:21,040

wooning at sweden we're like oh my god

1705

01:08:25,510 --> 01:08:23,359

sweden has such a great economy and you

1706

01:08:27,430 --> 01:08:25,520

know the way to do things it's just so

1707

01:08:29,030 --> 01:08:27,440

different you know although they're not

1708

01:08:29,910 --> 01:08:29,040

really that

1709

01:08:31,669 --> 01:08:29,920

you know

1710

01:08:34,070 --> 01:08:31,679

dissimilar from us there's this

1711

01:08:36,390 --> 01:08:34,080

perception that they have a different

1712

01:08:37,910 --> 01:08:36,400

understanding right for example like

1713

01:08:39,349 --> 01:08:37,920

something that i don't know that i'll

1714

01:08:40,870 --> 01:08:39,359

have really happy in the united states

1715

01:08:42,789 --> 01:08:40,880

but we'll see what happens so for

1716

01:08:45,590 --> 01:08:42,799

example they're taking a whole new

1717

01:08:47,910 --> 01:08:45,600

different approach to uh prisoners right

1718

01:08:49,990 --> 01:08:47,920

and i mean even murderers they would

1719

01:08:52,870 --> 01:08:50,000

they would have these open prisons that

1720

01:08:55,189 --> 01:08:52,880

just basically look like dorms that then

1721

01:08:56,709 --> 01:08:55,199

you can learn the skill and you go out

1722

01:08:59,510 --> 01:08:56,719

and about and have to be back at a

1723

01:09:02,309 --> 01:08:59,520

certain time to then you know it back at

1724

01:09:05,110 --> 01:09:02,319

this dorm again and you basically you

1725

01:09:06,550 --> 01:09:05,120

replay to society in that way by becoming

1726

01:09:08,550 --> 01:09:06,560

this different person

1727

01:09:10,470 --> 01:09:08,560

you know a productive member to you know

1728

01:09:12,789 --> 01:09:10,480

of society right

1729

01:09:14,550 --> 01:09:12,799

now that from an american point of view

1730

01:09:16,229 --> 01:09:14,560

it was like that's crazy you're telling

1731

01:09:17,990 --> 01:09:16,239

me the murderer that just murdered all

1732

01:09:19,910 --> 01:09:18,000

these people you basically given an

1733

01:09:21,910 --> 01:09:19,920

apartment and saying you know here go

1734

01:09:24,470 --> 01:09:21,920

back to school you see what i'm saying

1735

01:09:26,229 --> 01:09:24,480

but from the american perspective

1736

01:09:28,309 --> 01:09:26,239

looking at the swedish perspective it's

1737

01:09:30,390 --> 01:09:28,319

an entirely different mindset that you

1738

01:09:33,030 --> 01:09:30,400

could look at it and say wow they're a

1739

01:09:35,829 --> 01:09:33,040

bit more mature emotionally mentally

1740

01:09:38,789 --> 01:09:35,839

maybe whatever right but really they're

1741

01:09:40,070 --> 01:09:38,799

not that dissimilar and so now imagine

1742

01:09:42,870 --> 01:09:40,080

those gaps

1743

01:09:46,390 --> 01:09:42,880

being several hundred years apart

1744

01:09:49,189 --> 01:09:46,400

maybe sometimes thousands of years apart

1745

01:09:51,430 --> 01:09:49,199

you know and so the point here is that

1746

01:09:54,470 --> 01:09:51,440

um as this you know this progression

1747

01:09:57,270 --> 01:09:54,480

goes on we learn that we constantly are

1748

01:09:59,430 --> 01:09:57,280

shifting dimensions too so

1749

01:10:00,790 --> 01:09:59,440

for whatever whatever dimension they're

1750

01:10:02,550 --> 01:10:00,800

coming from because there's many out

1751

01:10:05,110 --> 01:10:02,560

there so i can't get into any specifics

1752

01:10:06,390 --> 01:10:05,120

but whatever dimensions you pick right

1753

01:10:07,669 --> 01:10:06,400

um

1754

01:10:10,310 --> 01:10:07,679

when they come from this different

1755

01:10:11,510 --> 01:10:10,320

dimension that's too high we notice that

1756

01:10:13,510 --> 01:10:11,520

immediately

1757

01:10:15,990 --> 01:10:13,520

right but something that most people

1758

01:10:18,550 --> 01:10:16,000

haven't really thought about this if we

1759

01:10:21,750 --> 01:10:18,560

managed to go back in time and just go

1760

01:10:24,790 --> 01:10:21,760

back to the 1950s and even dress up like

1761

01:10:26,790 --> 01:10:24,800

1950s clothing you will not

1762

01:10:29,110 --> 01:10:26,800

you know most people probably won't

1763

01:10:30,870 --> 01:10:29,120

believe this but you will stand out like

1764

01:10:33,510 --> 01:10:30,880

a short thumb

1765

01:10:35,510 --> 01:10:33,520

because we don't realize how much of

1766

01:10:37,350 --> 01:10:35,520

different frequencies and dimensions we

1767

01:10:40,070 --> 01:10:37,360

have been constantly been shifting but

1768

01:10:42,630 --> 01:10:40,080

it's such a small and gradual process to

1769

01:10:44,310 --> 01:10:42,640

where we just know it as our history not

1770

01:10:46,390 --> 01:10:44,320

realizing those were all different

1771

01:10:49,189 --> 01:10:46,400

dimensions different vibrational

1772

01:10:51,990 --> 01:10:49,199

dimensions that we got out of

1773

01:10:54,470 --> 01:10:52,000

and so we can understand that so

1774

01:10:57,030 --> 01:10:54,480

right and so that that chain never

1775

01:10:59,270 --> 01:10:57,040

really breaks it's just that you know

1776

01:11:01,030 --> 01:10:59,280

when they come back from this you know

1777

01:11:02,630 --> 01:11:01,040

because they have some of you know a lot

1778

01:11:04,790 --> 01:11:02,640

of these coming back or you know to

1779

01:11:07,430 --> 01:11:04,800

these different dimensions um if they

1780

01:11:09,110 --> 01:11:07,440

had some ancestors in our dimension if

1781

01:11:10,070 --> 01:11:09,120

they go back to them for example the

1782

01:11:11,669 --> 01:11:10,080

grace

1783

01:11:14,790 --> 01:11:11,679

this is i don't have a personal

1784

01:11:18,630 --> 01:11:14,800

experience but a book i trust very much

1785

01:11:21,030 --> 01:11:18,640

by um courtney brown is a he's a um a

1786

01:11:23,270 --> 01:11:21,040

remote viewer and that book was kind of

1787

01:11:25,350 --> 01:11:23,280

like my bible for the longest time uh

1788

01:11:27,350 --> 01:11:25,360

before i had my own experiences you know

1789

01:11:30,070 --> 01:11:27,360

he was basically talking about the same

1790

01:11:31,750 --> 01:11:30,080

issue on that issue but same occurrence

1791

01:11:33,990 --> 01:11:31,760

that the grace had they would come back

1792

01:11:35,830 --> 01:11:34,000

in time and they would meet themselves

1793

01:11:38,470 --> 01:11:35,840

previously from several hundred years

1794

01:11:40,310 --> 01:11:38,480

ago but even the previous hundred

1795

01:11:42,870 --> 01:11:40,320

several hundred years ago they were

1796

01:11:45,110 --> 01:11:42,880

still too far advanced enough to know

1797

01:11:47,590 --> 01:11:45,120

when they saw a future self so it was

1798

01:11:49,750 --> 01:11:47,600

kind of like this awkward thing like hey

1799

01:11:51,270 --> 01:11:49,760

hello and then it would just move on

1800

01:11:53,030 --> 01:11:51,280

they wouldn't they wouldn't like try to

1801  
01:11:54,870 --> 01:11:53,040  
interact with each other too much

1802  
01:11:56,709 --> 01:11:54,880  
because they all know where they come

1803  
01:11:59,030 --> 01:11:56,719  
from and they all know where the other

1804  
01:12:00,709 --> 01:11:59,040  
ones are going so it there was no point

1805  
01:12:02,870 --> 01:12:00,719  
of trying to be like oh my god you're

1806  
01:12:04,709 --> 01:12:02,880  
from the future let's hug and and let's

1807  
01:12:06,950 --> 01:12:04,719  
talk and all this other stuff that

1808  
01:12:09,750 --> 01:12:06,960  
humans think they would do right

1809  
01:12:11,510 --> 01:12:09,760  
and so it happens

1810  
01:12:14,149 --> 01:12:11,520  
would you be able and i'm sorry could

1811  
01:12:15,350 --> 01:12:14,159  
you give me a spelling on courtney brown

1812  
01:12:16,790 --> 01:12:15,360  
and would you be able to kind of

1813  
01:12:18,390 --> 01:12:16,800

rephrase that because it was a little

1814

01:12:19,669 --> 01:12:18,400

bit hard for me i was paying full

1815

01:12:21,669 --> 01:12:19,679

attention but it was hard for me to

1816

01:12:24,070 --> 01:12:21,679

follow about the graves and

1817

01:12:25,669 --> 01:12:24,080

and if they saw the futures yeah

1818

01:12:26,870 --> 01:12:25,679

so

1819

01:12:30,070 --> 01:12:26,880

um

1820

01:12:33,510 --> 01:12:30,080

brown is b b-r-o-w-n courtney is

1821

01:12:39,189 --> 01:12:37,350

courtney i believe yeah yeah yeah okay

1822

01:12:42,229 --> 01:12:39,199

and he and he's um

1823

01:12:44,470 --> 01:12:42,239

he wrote a cosmic voyage and cosmic

1824

01:12:47,189 --> 01:12:44,480

explorers there's two books i think he

1825

01:12:49,590 --> 01:12:47,199

might have written more

1826

01:12:51,590 --> 01:12:49,600

i got it cosmic explorers

1827

01:12:53,350 --> 01:12:51,600

scientific remote viewing yep i got it

1828

01:12:55,189 --> 01:12:53,360

right okay

1829

01:12:57,270 --> 01:12:55,199

so the grace

1830

01:12:59,270 --> 01:12:57,280

specifically and this is doesn't matter

1831

01:13:00,310 --> 01:12:59,280

who you really talk to they'll come back

1832

01:13:02,310 --> 01:13:00,320

to you

1833

01:13:04,149 --> 01:13:02,320

in the same way whether it's channel

1834

01:13:06,870 --> 01:13:04,159

information by many of these different

1835

01:13:08,870 --> 01:13:06,880

alien races or humans that have

1836

01:13:11,350 --> 01:13:08,880

interactions will all come back no

1837

01:13:12,310 --> 01:13:11,360

matter how many how much research or

1838

01:13:14,390 --> 01:13:12,320

knowledge

1839

01:13:17,669 --> 01:13:14,400

you know i was able to find it all comes

1840

01:13:21,030 --> 01:13:17,679

back to this one simple aspect the grays

1841

01:13:24,790 --> 01:13:21,040

are basically a version of ourselves

1842

01:13:27,350 --> 01:13:24,800

and but from a different dimension

1843

01:13:29,750 --> 01:13:27,360

and so basically and so what had

1844

01:13:32,390 --> 01:13:29,760

happened is that um

1845

01:13:34,470 --> 01:13:32,400

from my understanding whereas in the

1846

01:13:36,149 --> 01:13:34,480

same issues that were going on that we

1847

01:13:39,110 --> 01:13:36,159

have on earth now you know trying to

1848

01:13:41,110 --> 01:13:39,120

keep the planet clean and all the stuff

1849

01:13:42,149 --> 01:13:41,120

um if i'm remembering correctly and i

1850

01:13:43,910 --> 01:13:42,159

hope i'm not giving you wrong

1851  
01:13:45,270 --> 01:13:43,920  
information i hope you go back and look

1852  
01:13:47,350 --> 01:13:45,280  
this up but just for the sake of

1853  
01:13:49,110 --> 01:13:47,360  
conversation i'm going to stick with it

1854  
01:13:50,790 --> 01:13:49,120  
um so

1855  
01:13:53,030 --> 01:13:50,800  
we would always look at a problem and

1856  
01:13:55,030 --> 01:13:53,040  
try to clean it up from their

1857  
01:13:57,110 --> 01:13:55,040  
perspective and that other dimension as

1858  
01:13:59,750 --> 01:13:57,120  
the version of humans that they were

1859  
01:14:01,750 --> 01:13:59,760  
they basically adapted themselves to

1860  
01:14:04,550 --> 01:14:01,760  
whatever problems they had

1861  
01:14:06,630 --> 01:14:04,560  
but they adapted their physical bodies

1862  
01:14:09,030 --> 01:14:06,640  
and so instead of like let's say clean

1863  
01:14:10,870 --> 01:14:09,040

up a nuclear mess you know they kind of

1864

01:14:13,350 --> 01:14:10,880

genetically modified their bodies to be

1865

01:14:16,149 --> 01:14:13,360

able like to take more radiation on

1866

01:14:18,229 --> 01:14:16,159

right or you know and and so on so

1867

01:14:20,550 --> 01:14:18,239

whatever i mean alternate universes

1868

01:14:22,390 --> 01:14:20,560

different [h\_\_h] happens and so the point

1869

01:14:23,990 --> 01:14:22,400

was they kept doing that kept doing it

1870

01:14:27,270 --> 01:14:24,000

until they basically genetically

1871

01:14:29,910 --> 01:14:27,280

modified and and basically they modified

1872

01:14:31,910 --> 01:14:29,920

themselves out of existence to where

1873

01:14:35,110 --> 01:14:31,920

they lost the ability to

1874

01:14:37,110 --> 01:14:35,120

procreate in in the sense that we do

1875

01:14:38,790 --> 01:14:37,120

and so sure that's why that's why they

1876

01:14:41,189 --> 01:14:38,800

have a very similar

1877

01:14:44,229 --> 01:14:41,199

look you know to us but everything is

1878

01:14:47,189 --> 01:14:44,239

more modified and genetically changed

1879

01:14:49,910 --> 01:14:47,199

bigger eyes smaller bodies you know and

1880

01:14:51,990 --> 01:14:49,920

skin color tone all of that the loss of

1881

01:14:53,030 --> 01:14:52,000

reproductive systems and all of that has

1882

01:14:55,910 --> 01:14:53,040

changed

1883

01:14:57,510 --> 01:14:55,920

and so the whole point then was for them

1884

01:14:59,990 --> 01:14:57,520

to basically

1885

01:15:01,750 --> 01:15:00,000

um the idea the idea was well we're

1886

01:15:03,910 --> 01:15:01,760

dying out there's no more genetic

1887

01:15:06,310 --> 01:15:03,920

material in the universe that they are

1888

01:15:09,030 --> 01:15:06,320

in but they say ah but there's other

1889

01:15:11,510 --> 01:15:09,040

humans in other dimensions

1890

01:15:13,830 --> 01:15:11,520

and so the whole idea was that they

1891

01:15:17,030 --> 01:15:13,840

crossed over to our dimension in this

1892

01:15:18,630 --> 01:15:17,040

particular timeline to then basically

1893

01:15:20,149 --> 01:15:18,640

through and this is where it's very

1894

01:15:22,310 --> 01:15:20,159

controversial

1895

01:15:23,910 --> 01:15:22,320

i'm on the side of through agreement

1896

01:15:26,630 --> 01:15:23,920

with the higher souls of all these

1897

01:15:28,630 --> 01:15:26,640

different people that are born into to

1898

01:15:31,590 --> 01:15:28,640

you know basically do these different

1899

01:15:33,910 --> 01:15:31,600

hibernation hybridization programs

1900

01:15:36,149 --> 01:15:33,920

you know now those haven't been pleasant

1901

01:15:39,030 --> 01:15:36,159

and even a lot of the information that i

1902

01:15:41,270 --> 01:15:39,040

was finding before and after it you know

1903

01:15:42,950 --> 01:15:41,280

they they flat out admitted to it they

1904

01:15:45,189 --> 01:15:42,960

said you know they were not they

1905

01:15:46,550 --> 01:15:45,199

basically bred out the emotional human

1906

01:15:48,550 --> 01:15:46,560

part so

1907

01:15:51,270 --> 01:15:48,560

you know uh you would have like weird

1908

01:15:53,110 --> 01:15:51,280

things like you know um when people get

1909

01:15:54,950 --> 01:15:53,120

abducted and they're being stared at by

1910

01:15:56,310 --> 01:15:54,960

these big heads and these big eyes that

1911

01:15:57,590 --> 01:15:56,320

they would scream they would just kind

1912

01:16:00,070 --> 01:15:57,600

of look at them like why are you

1913

01:16:01,669 --> 01:16:00,080

screaming you know they would not they

1914

01:16:04,310 --> 01:16:01,679

couldn't relate anymore they couldn't

1915

01:16:06,470 --> 01:16:04,320

understand exactly what's going on but

1916

01:16:08,630 --> 01:16:06,480

apparently that that

1917

01:16:11,189 --> 01:16:08,640

has been you know they've been working

1918

01:16:12,790 --> 01:16:11,199

on trying to understand it more because

1919

01:16:15,430 --> 01:16:12,800

by working on

1920

01:16:17,590 --> 01:16:15,440

creating a hybrid race that they would

1921

01:16:19,750 --> 01:16:17,600

basically then be able to

1922

01:16:21,750 --> 01:16:19,760

continue themselves in that way so the

1923

01:16:23,350 --> 01:16:21,760

original strain will die out but at

1924

01:16:25,830 --> 01:16:23,360

least they now were able to mix

1925

01:16:28,870 --> 01:16:25,840

themselves with new genetic material to

1926

01:16:32,950 --> 01:16:28,880

where the original what we know as grace

1927

01:16:35,189 --> 01:16:32,960

the original that race will not die out

1928

01:16:37,510 --> 01:16:35,199

now is it your belief that like in

1929

01:16:38,310 --> 01:16:37,520

between lives or something

1930

01:16:40,229 --> 01:16:38,320

us

1931

01:16:41,910 --> 01:16:40,239

uh we make an agreement with these guys

1932

01:16:44,070 --> 01:16:41,920

to abduct us is that kind of what i

1933

01:16:46,310 --> 01:16:44,080

understand right that's right well right

1934

01:16:48,390 --> 01:16:46,320

as we understand it yes between lives or

1935

01:16:50,470 --> 01:16:48,400

before this life or whatever but what's

1936

01:16:51,910 --> 01:16:50,480

interesting when i was on my own

1937

01:16:54,870 --> 01:16:51,920

personal journeys

1938

01:16:57,510 --> 01:16:54,880

um that's actually going on right now

1939

01:16:59,590 --> 01:16:57,520

we always think of things in um we

1940

01:17:09,510 --> 01:16:59,600

always think of like progression

1941

01:17:14,149 --> 01:17:11,590

is making making contracts and

1942

01:17:16,630 --> 01:17:14,159

agreements you know every second

1943

01:17:20,149 --> 01:17:16,640

every single time well because the whole

1944

01:17:22,390 --> 01:17:20,159

point is um you give feedback too as as

1945

01:17:24,950 --> 01:17:22,400

the you know the oversouls extension you

1946

01:17:26,550 --> 01:17:24,960

give feedback and so sometimes something

1947

01:17:29,110 --> 01:17:26,560

would happen to where it's something

1948

01:17:31,030 --> 01:17:29,120

let's say brand new to you it might be

1949

01:17:32,550 --> 01:17:31,040

fearful it might be loving i mean it

1950

01:17:33,910 --> 01:17:32,560

doesn't matter the whole point is it's

1951

01:17:35,189 --> 01:17:33,920

something different

1952

01:17:37,510 --> 01:17:35,199

and

1953

01:17:39,030 --> 01:17:37,520

you know uh worth exploring from the

1954

01:17:40,470 --> 01:17:39,040

higher perspective because i had a

1955

01:17:42,229 --> 01:17:40,480

perspective knows that ultimately

1956

01:17:44,390 --> 01:17:42,239

everything is going to be just fine but

1957

01:17:46,870 --> 01:17:44,400

from your level i mean you have fears

1958

01:17:48,870 --> 01:17:46,880

you you can die you can get hurt you can

1959

01:17:50,950 --> 01:17:48,880

get cut you can break something you can

1960

01:17:53,669 --> 01:17:50,960

get crushed you know that's just on the

1961

01:17:56,310 --> 01:17:53,679

pain spectrum but then you can also love

1962

01:17:58,630 --> 01:17:56,320

and care so much so deeply that it can

1963

01:18:01,189 --> 01:17:58,640

also hurt you know when you you know god

1964

01:18:03,110 --> 01:18:01,199

forbid lose a child you know or you lose

1965

01:18:05,510 --> 01:18:03,120

the love of your life or another loved

1966

01:18:07,510 --> 01:18:05,520

one you know there's all these aspects

1967

01:18:09,990 --> 01:18:07,520

of these emotions and games that we're

1968

01:18:11,510 --> 01:18:10,000

playing so the oversoul them would know

1969

01:18:13,110 --> 01:18:11,520

and see okay

1970

01:18:16,630 --> 01:18:13,120

there's a general

1971

01:18:18,070 --> 01:18:16,640

uh if i think back on it bashar had a

1972

01:18:20,470 --> 01:18:18,080

perfect example right because people

1973

01:18:23,030 --> 01:18:20,480

were asking like you know is there a

1974

01:18:24,470 --> 01:18:23,040

specific you know way he was describing

1975

01:18:27,110 --> 01:18:24,480

in terms like this

1976

01:18:29,590 --> 01:18:27,120

there's a hallway you know a huge

1977

01:18:30,550 --> 01:18:29,600

hallway that eventually has an ending

1978

01:18:32,870 --> 01:18:30,560

and

1979

01:18:35,110 --> 01:18:32,880

there's all these different doors

1980

01:18:37,830 --> 01:18:35,120

of you know this hallway that has like

1981

01:18:40,870 --> 01:18:37,840

infinite amount of doors so you can walk

1982

01:18:43,030 --> 01:18:40,880

skip go backwards go into every door

1983

01:18:45,590 --> 01:18:43,040

skip all the doors whatever you want to

1984

01:18:47,750 --> 01:18:45,600

do the whole point is you can do however

1985

01:18:49,910 --> 01:18:47,760

you want to do it you know in this

1986

01:18:53,270 --> 01:18:49,920

particular hallway but go down the hall

1987

01:18:58,870 --> 01:18:56,709

and and the hallway is our human life

1988

01:19:00,149 --> 01:18:58,880

correct yeah your hallways your human

1989

01:19:02,630 --> 01:19:00,159

life your path

1990

01:19:05,110 --> 01:19:02,640

you know so that that way it you know

1991

01:19:07,350 --> 01:19:05,120

it's it's not though basically is to say

1992

01:19:10,390 --> 01:19:07,360

that it's not that stringent it's not

1993

01:19:12,630 --> 01:19:10,400

that planned out you know you can

1994

01:19:15,590 --> 01:19:12,640

you know take a left turn and take a

1995

01:19:17,189 --> 01:19:15,600

break at whatever aspect that's whatever

1996

01:19:19,270 --> 01:19:17,199

and then new contracts and new

1997

01:19:22,149 --> 01:19:19,280

agreements are being will be made you

1998

01:19:25,750 --> 01:19:22,159

know and sometimes you know especially

1999

01:19:27,910 --> 01:19:25,760

especially um the expression of like um

2000

01:19:29,590 --> 01:19:27,920

uh when people like getting closer to

2001

01:19:32,470 --> 01:19:29,600

their 40s you know having a midlife

2002

01:19:33,669 --> 01:19:32,480

crisis that's usually the the

2003

01:19:36,630 --> 01:19:33,679

the

2004

01:19:39,270 --> 01:19:36,640

major shift or change to where if you

2005

01:19:41,350 --> 01:19:39,280

have not really been you know following

2006

01:19:43,270 --> 01:19:41,360

your true passion and living your life

2007

01:19:46,470 --> 01:19:43,280

the way you want to live it that would

2008

01:19:49,350 --> 01:19:46,480

be kind of like the um like

2009

01:19:51,590 --> 01:19:49,360

you know second to last uh kick in the

2010

01:19:53,430 --> 01:19:51,600

ass to where something will change

2011

01:19:54,790 --> 01:19:53,440

enough with you to where you will go

2012

01:19:57,350 --> 01:19:54,800

through all these different things to

2013

01:19:59,189 --> 01:19:57,360

where um it make you seem erratic to

2014

01:20:02,870 --> 01:19:59,199

other people so for example like you

2015

01:20:04,870 --> 01:20:02,880

you'll buy cars if you're a guy or you

2016

01:20:06,550 --> 01:20:04,880

i don't know i'm sorry i don't know

2017

01:20:08,310 --> 01:20:06,560

exactly what women do during midlife

2018

01:20:11,110 --> 01:20:08,320

crisis but whatever you know guys are

2019

01:20:13,270 --> 01:20:11,120

into things you know um women

2020

01:20:15,910 --> 01:20:13,280

maybe somebody could could chime in on

2021

01:20:17,270 --> 01:20:15,920

on chat or you know to to let me know

2022

01:20:19,990 --> 01:20:17,280

but the point is

2023

01:20:22,390 --> 01:20:20,000

you know that's the the part where

2024

01:20:23,189 --> 01:20:22,400

you've skipped through enough in life to

2025

01:20:25,830 --> 01:20:23,199

where

2026

01:20:27,030 --> 01:20:25,840

you know okay at this point if you still

2027

01:20:28,870 --> 01:20:27,040

want to get

2028

01:20:31,270 --> 01:20:28,880

something meaningful out of it there's

2029

01:20:33,590 --> 01:20:31,280

only so many more doors you have left to

2030

01:20:36,149 --> 01:20:33,600

go through you know so many more things

2031

01:20:38,229 --> 01:20:36,159

to still be doing to where

2032

01:20:40,629 --> 01:20:38,239

kick yourself in in the butt and kick

2033

01:20:42,149 --> 01:20:40,639

into gear now to do it you know that's

2034

01:20:43,830 --> 01:20:42,159

why people always like reinvent

2035

01:20:45,750 --> 01:20:43,840

themselves so they start doing something

2036

01:20:47,910 --> 01:20:45,760

different or they often start traveling

2037

01:20:50,070 --> 01:20:47,920

and they never travel before you know

2038

01:20:51,750 --> 01:20:50,080

and whatever else you want to call it

2039

01:20:56,310 --> 01:20:51,760

but at the end of the day it's just

2040

01:21:00,790 --> 01:20:57,910

sure sure

2041

01:21:01,910 --> 01:21:00,800

but you know it's interesting um

2042

01:21:03,110 --> 01:21:01,920

you can

2043

01:21:05,510 --> 01:21:03,120

um

2044

01:21:08,310 --> 01:21:05,520

you know it takes i mean as much as i

2045

01:21:11,189 --> 01:21:08,320

try to um i think there was

2046

01:21:13,990 --> 01:21:11,199

one or two occasions and they were very

2047

01:21:14,950 --> 01:21:14,000

short where i tried to just truly get in

2048

01:21:17,910 --> 01:21:14,960

touch

2049

01:21:20,070 --> 01:21:17,920

with the the being that i am

2050

01:21:22,390 --> 01:21:20,080

and it's just it's really weird

2051

01:21:24,070 --> 01:21:22,400

honestly it's it's really weird because

2052

01:21:27,189 --> 01:21:24,080

um

2053

01:21:30,870 --> 01:21:27,199

it's almost like

2054

01:21:33,270 --> 01:21:30,880

imagine imagine the person you are now

2055

01:21:35,430 --> 01:21:33,280

and now imagine the you know the

2056

01:21:38,070 --> 01:21:35,440

five-year-old israel

2057

01:21:39,189 --> 01:21:38,080

of the sudden starts having emotions and

2058

01:21:41,430 --> 01:21:39,199

feelings

2059

01:21:44,070 --> 01:21:41,440

exactly as the whatever age you are at

2060

01:21:46,550 --> 01:21:44,080

now israel has it's quite different

2061

01:21:48,229 --> 01:21:46,560

isn't it if you if if

2062

01:21:49,590 --> 01:21:48,239

you know having having that

2063

01:21:52,070 --> 01:21:49,600

that skip

2064

01:21:54,550 --> 01:21:52,080

you know without the context without the

2065

01:21:56,629 --> 01:21:54,560

context and knowledge and wisdom

2066

01:21:58,790 --> 01:21:56,639

it it's really weird you almost like

2067

01:22:00,790 --> 01:21:58,800

don't know what to do

2068

01:22:02,149 --> 01:22:00,800

you're talking about your kind of uh

2069

01:22:03,510 --> 01:22:02,159

context that you've had with your

2070

01:22:05,669 --> 01:22:03,520

oversoul

2071

01:22:08,310 --> 01:22:05,679

trying to connect with my

2072

01:22:10,390 --> 01:22:08,320

oversoul my higher self is it was very

2073

01:22:11,750 --> 01:22:10,400

similar to that because

2074

01:22:12,950 --> 01:22:11,760

there's so much

2075

01:22:14,629 --> 01:22:12,960

wisdom and there's different

2076

01:22:17,030 --> 01:22:14,639

understanding on this different level to

2077

01:22:18,870 --> 01:22:17,040

where it was just like okay i'm fine i

2078

01:22:21,750 --> 01:22:18,880

understand i am exactly where i need to

2079

01:22:23,430 --> 01:22:21,760

be moving forward i need to just live my

2080

01:22:26,229 --> 01:22:23,440

life and whatever happens happens but

2081

01:22:28,229 --> 01:22:26,239

just keep going you know and i wish i

2082

01:22:30,390 --> 01:22:28,239

came up to 35

2083

01:22:33,669 --> 01:22:30,400

what is the 35 oh okay that's okay

2084

01:22:35,430 --> 01:22:33,679

because wouldn't the 35 year old me have

2085

01:22:36,550 --> 01:22:35,440

so many things

2086

01:22:39,350 --> 01:22:36,560

of

2087

01:22:40,790 --> 01:22:39,360

value to say to the five-year-old me and

2088

01:22:42,790 --> 01:22:40,800

would have the

2089

01:22:43,910 --> 01:22:42,800

the imagination to say

2090

01:22:45,750 --> 01:22:43,920

this is what we're talking about you're

2091

01:22:48,070 --> 01:22:45,760

not connecting you're not connecting

2092

01:22:50,470 --> 01:22:48,080

with ideas when you connect to yourself

2093

01:22:52,790 --> 01:22:50,480

you connect with full-on experiences so

2094

01:22:55,830 --> 01:22:52,800

for example i mean i'm not trying to go

2095

01:22:57,910 --> 01:22:55,840

there but you know i for sake of this

2096

01:23:00,550 --> 01:22:57,920

conversation um

2097

01:23:01,910 --> 01:23:00,560

whether or not you had you know had made

2098

01:23:03,990 --> 01:23:01,920

love to someone

2099

01:23:07,510 --> 01:23:04,000

before can you imagine a five-year-old

2100

01:23:09,270 --> 01:23:07,520

you really understanding that

2101  
01:23:11,910 --> 01:23:09,280  
do you see what i'm saying we're talking

2102  
01:23:14,550 --> 01:23:11,920  
about adult things and and and not just

2103  
01:23:16,149 --> 01:23:14,560  
necessarily adult advanced things that

2104  
01:23:19,030 --> 01:23:16,159  
are difficult to understand so for

2105  
01:23:21,910 --> 01:23:19,040  
example one other part is that

2106  
01:23:24,950 --> 01:23:21,920  
that connection of being one

2107  
01:23:27,510 --> 01:23:24,960  
that comes into play so now of the

2108  
01:23:31,350 --> 01:23:27,520  
sudden all your friends all your family

2109  
01:23:33,830 --> 01:23:31,360  
everyone you ever known are within you

2110  
01:23:35,510 --> 01:23:33,840  
and it's pretty creepy when you start

2111  
01:23:38,950 --> 01:23:35,520  
you know realizing that because like oh

2112  
01:23:40,790 --> 01:23:38,960  
my god i i am my best friend and my mom

2113  
01:23:43,110 --> 01:23:40,800

and my parents and i'm

2114

01:23:45,669 --> 01:23:43,120

my wife and my children everything you

2115

01:23:47,430 --> 01:23:45,679

know you basically have created you know

2116

01:23:49,350 --> 01:23:47,440

created them out of

2117

01:23:50,470 --> 01:23:49,360

you know out of this sake of playing

2118

01:23:53,270 --> 01:23:50,480

this game

2119

01:23:55,669 --> 01:23:53,280

and so part of connecting with your

2120

01:23:57,189 --> 01:23:55,679

higher self is understanding that part

2121

01:23:59,590 --> 01:23:57,199

and that's the part that was too much

2122

01:24:02,149 --> 01:23:59,600

for me to almost just where i felt like

2123

01:24:03,590 --> 01:24:02,159

i almost went crazy and it stopped when

2124

01:24:05,189 --> 01:24:03,600

it stopped so i could still have

2125

01:24:08,149 --> 01:24:05,199

somewhat of a normal life and not just

2126

01:24:12,149 --> 01:24:08,159

be you know total wacko

2127

01:24:14,229 --> 01:24:12,159

yeah yeah i want to do like uh dmt uh uh

2128

01:24:15,669 --> 01:24:14,239

or ayahuasca do you have any like

2129

01:24:17,669 --> 01:24:15,679

practicalness says you like the

2130

01:24:19,350 --> 01:24:17,679

practical do you have any practical

2131

01:24:21,110 --> 01:24:19,360

directions to point

2132

01:24:23,669 --> 01:24:21,120

well first of all

2133

01:24:27,350 --> 01:24:23,679

i do not condone it do not suggest it

2134

01:24:30,070 --> 01:24:27,360

and do not what's the word um you know

2135

01:24:31,669 --> 01:24:30,080

encourage people to do that but if i was

2136

01:24:32,870 --> 01:24:31,679

you

2137

01:24:34,870 --> 01:24:32,880

yeah

2138

01:24:37,030 --> 01:24:34,880

because i really want to i've done

2139

01:24:38,709 --> 01:24:37,040

i've done mushrooms and and you know it

2140

01:24:40,790 --> 01:24:38,719

was always something like

2141

01:24:43,030 --> 01:24:40,800

like yeah i would see things but i would

2142

01:24:45,110 --> 01:24:43,040

cry right on mushrooms i would re i

2143

01:24:47,030 --> 01:24:45,120

would just be real like

2144

01:24:48,390 --> 01:24:47,040

i don't know like parents or something

2145

01:24:50,470 --> 01:24:48,400

like that like i would

2146

01:24:52,470 --> 01:24:50,480

really think about anyway yeah i want to

2147

01:24:54,870 --> 01:24:52,480

i want to try it

2148

01:24:56,550 --> 01:24:54,880

well so

2149

01:24:58,550 --> 01:24:56,560

you know again you know you have to then

2150

01:24:59,910 --> 01:24:58,560

ask yourself truly and this is the

2151  
01:25:01,830 --> 01:24:59,920  
boring part

2152  
01:25:03,990 --> 01:25:01,840  
what do you truly want to get out of it

2153  
01:25:05,990 --> 01:25:04,000  
you find excitement right you want to

2154  
01:25:07,590 --> 01:25:06,000  
try it but what is it that you truly

2155  
01:25:10,390 --> 01:25:07,600  
want to want to

2156  
01:25:11,350 --> 01:25:10,400  
get out of it because

2157  
01:25:12,470 --> 01:25:11,360  
when you

2158  
01:25:13,910 --> 01:25:12,480  
i want to know

2159  
01:25:15,110 --> 01:25:13,920  
right well here's a lot of people here's

2160  
01:25:16,550 --> 01:25:15,120  
the thing

2161  
01:25:18,149 --> 01:25:16,560  
right this is what i'm trying to tell

2162  
01:25:20,870 --> 01:25:18,159  
you here and this is where i'm trying to

2163  
01:25:22,790 --> 01:25:20,880

get it so please bear with me

2164

01:25:24,709 --> 01:25:22,800

whenever i talk to my friends and people

2165

01:25:26,390 --> 01:25:24,719

that i was asking the very same question

2166

01:25:28,149 --> 01:25:26,400

you're asking me right

2167

01:25:30,390 --> 01:25:28,159

um you know i said what what what am i

2168

01:25:32,149 --> 01:25:30,400

to expect what what what am i supposed

2169

01:25:33,590 --> 01:25:32,159

to get from this right and they would

2170

01:25:35,510 --> 01:25:33,600

just kind of give me all these different

2171

01:25:38,470 --> 01:25:35,520

stories right they would say

2172

01:25:41,110 --> 01:25:38,480

well don't eat anything you love because

2173

01:25:43,189 --> 01:25:41,120

uh it's gonna taste so good that it'll

2174

01:25:45,189 --> 01:25:43,199

never taste the same way again and it'll

2175

01:25:46,709 --> 01:25:45,199

just mess up the taste for you right i

2176

01:25:49,030 --> 01:25:46,719

was like oh okay don't eat the things

2177

01:25:51,030 --> 01:25:49,040

hello they said you know don't do it

2178

01:25:52,870 --> 01:25:51,040

don't do anything you love because you

2179

01:25:54,550 --> 01:25:52,880

know if you you know love doing

2180

01:25:55,990 --> 01:25:54,560

something and you do the same thing on

2181

01:25:57,750 --> 01:25:56,000

these whatever's uh you know

2182

01:25:59,270 --> 01:25:57,760

psychedelics it would be damn much

2183

01:26:01,510 --> 01:25:59,280

better to where it just it'll never be

2184

01:26:03,669 --> 01:26:01,520

the same again right so i'm just kind of

2185

01:26:06,149 --> 01:26:03,679

like okay so and then they're like well

2186

01:26:08,870 --> 01:26:06,159

you might see some funny colors you know

2187

01:26:10,470 --> 01:26:08,880

and you'll um

2188

01:26:11,990 --> 01:26:10,480

you know you'll laugh a lot and

2189

01:26:13,270 --> 01:26:12,000

sometimes you laugh and you don't even

2190

01:26:15,750 --> 01:26:13,280

know why and i'm sitting there like

2191

01:26:17,910 --> 01:26:15,760

making mental notes like okay i'll okay

2192

01:26:18,950 --> 01:26:17,920

i'll be laughing right

2193

01:26:21,110 --> 01:26:18,960

and so

2194

01:26:23,030 --> 01:26:21,120

there was pretty much like you asking

2195

01:26:25,430 --> 01:26:23,040

those questions asking of different

2196

01:26:27,669 --> 01:26:25,440

people and like okay check this check

2197

01:26:29,910 --> 01:26:27,679

that they said this they said that

2198

01:26:32,229 --> 01:26:29,920

well when it was time for me to do what

2199

01:26:33,910 --> 01:26:32,239

i needed to do because of my mindset and

2200

01:26:37,990 --> 01:26:33,920

where i was at

2201

01:26:40,470 --> 01:26:38,000

when i was ready when i basically um

2202

01:26:41,910 --> 01:26:40,480

the first trip i'm trying to remember um

2203

01:26:44,629 --> 01:26:41,920

was salvia

2204

01:26:46,950 --> 01:26:44,639

uh second trip ever was dmt i had seven

2205

01:26:48,629 --> 01:26:46,960

total seven trips total and each one was

2206

01:26:50,709 --> 01:26:48,639

like separate lesson and i was only

2207

01:26:52,149 --> 01:26:50,719

supposed to do seven and no more

2208

01:26:55,350 --> 01:26:52,159

um

2209

01:26:57,430 --> 01:26:55,360

because i don't i i don't do

2210

01:27:00,149 --> 01:26:57,440

like weed or anything like that and i

2211

01:27:02,229 --> 01:27:00,159

later on found out why because unlike

2212

01:27:04,470 --> 01:27:02,239

other people and when i first tried

2213

01:27:06,870 --> 01:27:04,480

salvia it was literally like the

2214

01:27:08,709 --> 01:27:06,880

universe said sit down and i'm going to

2215

01:27:11,030 --> 01:27:08,719

show you how things go

2216

01:27:12,629 --> 01:27:11,040

because all that [h\_\_h] part of my

2217

01:27:15,189 --> 01:27:12,639

french that they've been telling me

2218

01:27:17,830 --> 01:27:15,199

about was just out the window and

2219

01:27:19,510 --> 01:27:17,840

nothing nothing like what they explained

2220

01:27:21,189 --> 01:27:19,520

when i came back telling them all these

2221

01:27:23,030 --> 01:27:21,199

stories where i've been what i've done

2222

01:27:25,030 --> 01:27:23,040

who i talked to what i learned they just

2223

01:27:26,870 --> 01:27:25,040

looked at me they're like uh you must

2224

01:27:28,790 --> 01:27:26,880

have had a bad badge here try this one

2225

01:27:31,750 --> 01:27:28,800

it's just yeah that's fresher right you

2226

01:27:34,229 --> 01:27:31,760

see what i'm saying so you can literally

2227

01:27:35,910 --> 01:27:34,239

you can fast you can do meditations you

2228

01:27:37,510 --> 01:27:35,920

can put yourself in the

2229

01:27:39,350 --> 01:27:37,520

the greatest mindset you want to put

2230

01:27:41,510 --> 01:27:39,360

yourself in but at the end of the day it

2231

01:27:43,990 --> 01:27:41,520

is truly the

2232

01:27:46,390 --> 01:27:44,000

the the inner core of you when it's

2233

01:27:48,790 --> 01:27:46,400

ready then you will have what you need

2234

01:27:49,669 --> 01:27:48,800

to get out of it otherwise it will just

2235

01:27:50,709 --> 01:27:49,679

be

2236

01:27:53,910 --> 01:27:50,719

laughs

2237

01:27:56,550 --> 01:27:53,920

things look funny shapes changing around

2238

01:27:58,950 --> 01:27:56,560

you know walls start kind of

2239

01:28:01,110 --> 01:27:58,960

bouncing back and forth and then you get

2240

01:28:03,270 --> 01:28:01,120

out of it and that's it you know for

2241

01:28:05,910 --> 01:28:03,280

most people that's how it usually is

2242

01:28:07,270 --> 01:28:05,920

very few that i ever was able to talk to

2243

01:28:09,590 --> 01:28:07,280

were they where they had this

2244

01:28:11,910 --> 01:28:09,600

life-altering experience like i did to

2245

01:28:14,070 --> 01:28:11,920

where it just blew my mind it was just

2246

01:28:17,110 --> 01:28:14,080

nothing what i thought it would would

2247

01:28:19,510 --> 01:28:17,120

happen and it's because of where i was

2248

01:28:20,790 --> 01:28:19,520

at the time in my life because what i

2249

01:28:23,350 --> 01:28:20,800

had done is

2250

01:28:24,229 --> 01:28:23,360

i've removed myself from all my friends

2251

01:28:26,790 --> 01:28:24,239

i've

2252

01:28:29,350 --> 01:28:26,800

you know basically had broken off all

2253

01:28:32,470 --> 01:28:29,360

but maybe once a week maybe talking to

2254

01:28:34,870 --> 01:28:32,480

my mom contact with family you know or

2255

01:28:36,629 --> 01:28:34,880

hanging out you know in general and i

2256

01:28:38,790 --> 01:28:36,639

basically just bought this property in

2257

01:28:40,950 --> 01:28:38,800

the woods and i said what is this

2258

01:28:43,430 --> 01:28:40,960

[h\_\_\h] life about you know it's like i

2259

01:28:45,350 --> 01:28:43,440

had no death wish but i was like i'm

2260

01:28:46,629 --> 01:28:45,360

getting older what else is there is it

2261

01:28:49,430 --> 01:28:46,639

just go work

2262

01:28:51,270 --> 01:28:49,440

have a family and die or is there more

2263

01:28:53,750 --> 01:28:51,280

what else is there what is the sky about

2264

01:28:57,110 --> 01:28:53,760

what is this earth about and so my

2265

01:28:59,189 --> 01:28:57,120

mindset was truly entirely different

2266

01:29:00,629 --> 01:28:59,199

going into this that some other people

2267

01:29:03,189 --> 01:29:00,639

you know because

2268

01:29:04,790 --> 01:29:03,199

many people to this day even my closest

2269

01:29:06,790 --> 01:29:04,800

friends they would tell me the exact

2270

01:29:09,270 --> 01:29:06,800

same thing that they would just have

2271

01:29:12,390 --> 01:29:09,280

few experiences here and there

2272

01:29:14,629 --> 01:29:12,400

except for you know um

2273

01:29:17,110 --> 01:29:14,639

you might not have seen it have you seen

2274

01:29:20,709 --> 01:29:17,120

the psychedelic experiences video i did

2275

01:29:23,910 --> 01:29:22,470

no

2276

01:29:26,149 --> 01:29:23,920

if you go by unless because i've heard

2277

01:29:28,149 --> 01:29:26,159

that story i've heard the story of the

2278

01:29:29,830 --> 01:29:28,159

bad batch that i've heard that before

2279

01:29:32,310 --> 01:29:29,840

and i've already no no this is don't

2280

01:29:34,149 --> 01:29:32,320

this is me rick nathan is sitting here

2281

01:29:36,470 --> 01:29:34,159

in the studio across from me and rick is

2282

01:29:39,030 --> 01:29:36,480

on telegram and it's basically us

2283

01:29:41,590 --> 01:29:39,040

sharing all our experiences

2284

01:29:43,830 --> 01:29:41,600

and basically we were kind of like you

2285

01:29:47,110 --> 01:29:43,840

know the the three psychedelic amigos

2286

01:29:49,189 --> 01:29:47,120

you know we were um everything you know

2287

01:29:51,030 --> 01:29:49,199

i would do was they would either help me

2288

01:29:52,390 --> 01:29:51,040

get it or they would come over and we

2289

01:29:55,270 --> 01:29:52,400

would kind of do this

2290

01:29:57,430 --> 01:29:55,280

in this very peaceful ceremonial way

2291

01:29:59,110 --> 01:29:57,440

about okay we're about to do mushrooms

2292

01:30:01,350 --> 01:29:59,120

so we kind of get ourselves mentally

2293

01:30:02,390 --> 01:30:01,360

prepared and then everybody goes off on

2294

01:30:04,229 --> 01:30:02,400

their own

2295

01:30:06,229 --> 01:30:04,239

you know to do whatever you know whether

2296

01:30:08,629 --> 01:30:06,239

you need to lay down or walk in the

2297

01:30:10,149 --> 01:30:08,639

woods or whatever whatever you needed

2298

01:30:12,310 --> 01:30:10,159

the place where i was living and that

2299

01:30:14,790 --> 01:30:12,320

was the place to to do

2300

01:30:17,510 --> 01:30:14,800

and so anyway what i would recommend

2301

01:30:19,910 --> 01:30:17,520

those that talk that we did um that

2302

01:30:21,510 --> 01:30:19,920

would give you a pretty good idea about

2303

01:30:24,229 --> 01:30:21,520

the different approaches and different

2304

01:30:28,149 --> 01:30:24,239

experiences we all had uh three all

2305

01:30:30,790 --> 01:30:28,159

three separately and all three together

2306

01:30:32,950 --> 01:30:30,800

and it's it's it's i guess

2307

01:30:35,510 --> 01:30:32,960

go ahead specifically i'm asking about

2308

01:30:37,910 --> 01:30:35,520

dmt you know i mean is that like

2309

01:30:40,950 --> 01:30:37,920

something like do i go to a certain city

2310

01:30:42,470 --> 01:30:40,960

is it do i go on reddit i mean i live in

2311

01:30:44,310 --> 01:30:42,480

a small town and you know and i don't

2312

01:30:46,870 --> 01:30:44,320

have anybody that really

2313

01:30:48,550 --> 01:30:46,880

that i know that does dmt so i'm

2314

01:30:50,550 --> 01:30:48,560

interested

2315

01:30:53,030 --> 01:30:50,560

honestly i was fortunate to have lived

2316

01:30:54,310 --> 01:30:53,040

in this big city where i already knew a

2317

01:30:56,390 --> 01:30:54,320

lot of people they were already

2318

01:30:58,470 --> 01:30:56,400

connected so i didn't have to worry

2319

01:31:00,149 --> 01:30:58,480

about you know whether or not i was

2320

01:31:02,470 --> 01:31:00,159

going to get caught by cops or whatever

2321

01:31:03,990 --> 01:31:02,480

i just could i could go to different

2322

01:31:06,149 --> 01:31:04,000

people and be like hey do you have this

2323

01:31:07,669 --> 01:31:06,159

and like sure

2324

01:31:10,470 --> 01:31:07,679

okay yeah

2325

01:31:12,709 --> 01:31:10,480

you know but again you know it's

2326

01:31:14,950 --> 01:31:12,719

we're you know this is this show has

2327

01:31:16,790 --> 01:31:14,960

never been for kids and i doubt kids are

2328

01:31:19,110 --> 01:31:16,800

up this late looking for whatever

2329

01:31:21,270 --> 01:31:19,120

they're looking for but the whole point

2330

01:31:23,669 --> 01:31:21,280

is that as an adult

2331

01:31:26,149 --> 01:31:23,679

be responsible for your own actions

2332

01:31:28,470 --> 01:31:26,159

and like i always say everything i did i

2333

01:31:30,390 --> 01:31:28,480

did for myself and if i put my life in

2334

01:31:32,709 --> 01:31:30,400

danger it was my life and not somebody

2335

01:31:36,070 --> 01:31:32,719

else so like i didn't do something

2336

01:31:39,350 --> 01:31:36,080

stupid like oh let me you know take the

2337

01:31:40,950 --> 01:31:39,360

cycle and drive right right or or do

2338

01:31:43,270 --> 01:31:40,960

something where it would endanger other

2339

01:31:45,669 --> 01:31:43,280

people it would just affect me and only

2340

01:31:47,990 --> 01:31:45,679

me in every way you know and i would

2341

01:31:49,510 --> 01:31:48,000

just that would that would that would be

2342

01:31:50,870 --> 01:31:49,520

something i always recommend to

2343

01:31:53,189 --> 01:31:50,880

everybody it's like please don't be

2344

01:31:54,070 --> 01:31:53,199

stupid and put other people's you know

2345

01:31:56,629 --> 01:31:54,080

um

2346

01:32:00,470 --> 01:31:56,639

uh lives in danger you want to do

2347

01:32:02,229 --> 01:32:00,480

something silly do it on your own terms

2348

01:32:04,790 --> 01:32:02,239

and yeah i've been thinking about going

2349

01:32:06,790 --> 01:32:04,800

because i live in very rural

2350

01:32:09,189 --> 01:32:06,800

eastern oregon and you know i've been

2351

01:32:10,790 --> 01:32:09,199

wanting i you know i'm down for some

2352

01:32:12,310 --> 01:32:10,800

contact i mean even though when i'm in

2353

01:32:15,669 --> 01:32:12,320

the woods i'm like okay this would be

2354

01:32:17,830 --> 01:32:15,679

scary like uh don't don't talk don't

2355

01:32:19,669 --> 01:32:17,840

don't you know i sometimes talk to the

2356

01:32:21,910 --> 01:32:19,679

imaginary alien and i'm like not right

2357

01:32:23,430 --> 01:32:21,920

now i freak out but

2358

01:32:24,790 --> 01:32:23,440

you know i don't know maybe maybe i'll

2359

01:32:28,229 --> 01:32:24,800

go into the woods and kind of with the

2360

01:32:30,550 --> 01:32:28,239

intention right you were saying

2361

01:32:32,550 --> 01:32:30,560

well i mean again you have to just if

2362

01:32:35,590 --> 01:32:32,560

you say that's what you want you just go

2363

01:32:37,430 --> 01:32:35,600

out and go with that intention of that's

2364

01:32:38,830 --> 01:32:37,440

what you want and see what happens but

2365

01:32:41,350 --> 01:32:38,840

try not to have

2366

01:32:43,350 --> 01:32:41,360

expectations yeah sure and and you're

2367

01:32:46,790 --> 01:32:43,360

saying an intent to walk from here to

2368

01:32:49,189 --> 01:32:46,800

there is fine but to then have a whole

2369

01:32:51,430 --> 01:32:49,199

whole book of expectations of what's to

2370

01:32:53,910 --> 01:32:51,440

await you once you get there that's what

2371

01:32:55,430 --> 01:32:53,920

i would really uh recommend to stay away

2372

01:32:57,830 --> 01:32:55,440

from

2373

01:32:59,669 --> 01:32:57,840

and what mechanism do you by which

2374

01:33:02,149 --> 01:32:59,679

mechanism do you think setting an

2375

01:33:04,070 --> 01:33:02,159

intention will work are the aliens like

2376

01:33:06,229 --> 01:33:04,080

uh telepathic and they'll know that i

2377

01:33:08,229 --> 01:33:06,239

want to make contact with them or you

2378

01:33:10,229 --> 01:33:08,239

know what i mean we'll see is it well i

2379

01:33:11,750 --> 01:33:10,239

remember that will i be connecting to my

2380

01:33:14,470 --> 01:33:11,760

oversoul

2381

01:33:16,709 --> 01:33:14,480

uh will i be setting this up

2382

01:33:18,870 --> 01:33:16,719

but you're against thinking about from

2383

01:33:21,350 --> 01:33:18,880

from you you again you're thinking from

2384

01:33:23,910 --> 01:33:21,360

human point of view here the oversoul

2385

01:33:24,950 --> 01:33:23,920

already sees like your next 20 years

2386

01:33:28,870 --> 01:33:24,960

front

2387

01:33:29,910 --> 01:33:28,880

direction possible right

2388

01:33:32,550 --> 01:33:29,920

and so

2389

01:33:35,030 --> 01:33:32,560

this is just basically you

2390

01:33:38,070 --> 01:33:35,040

to decide how you want to walk down this

2391

01:33:40,550 --> 01:33:38,080

hallway you know this is entirely up to

2392

01:33:42,470 --> 01:33:40,560

you that intention it's like if you say

2393

01:33:45,350 --> 01:33:42,480

i would like to you know simply have

2394

01:33:47,189 --> 01:33:45,360

some contact then just you you your

2395

01:33:48,870 --> 01:33:47,199

intention is already known by you

2396

01:33:50,390 --> 01:33:48,880

getting in your car and driving to a

2397

01:33:51,830 --> 01:33:50,400

field and sitting there staring up at

2398

01:33:53,430 --> 01:33:51,840

the stars

2399

01:33:56,149 --> 01:33:53,440

that's the that's the intention you

2400

01:33:58,470 --> 01:33:56,159

don't have to sit there and go home

2401  
01:34:00,070 --> 01:33:58,480  
you know some chant and doing all this

2402  
01:34:01,990 --> 01:34:00,080  
whatever yeah

2403  
01:34:04,470 --> 01:34:02,000  
you see what i'm saying you just your

2404  
01:34:07,669 --> 01:34:04,480  
intention of doing what you're doing is

2405  
01:34:09,510 --> 01:34:07,679  
the intent and usually whenever you do

2406  
01:34:12,149 --> 01:34:09,520  
something out of excitement

2407  
01:34:14,870 --> 01:34:12,159  
is where you already connect connected

2408  
01:34:16,629 --> 01:34:14,880  
to to your higher self more closely the

2409  
01:34:18,870 --> 01:34:16,639  
higher self is always connected to you

2410  
01:34:20,390 --> 01:34:18,880  
the point is are you always listening

2411  
01:34:22,229 --> 01:34:20,400  
that's what i mean with the higher self

2412  
01:34:23,669 --> 01:34:22,239  
connection

2413  
01:34:24,870 --> 01:34:23,679

here's what i'm going to do i'm going to

2414

01:34:26,709 --> 01:34:24,880

cook myself some dinner because i'm

2415

01:34:28,950 --> 01:34:26,719

starving from work and i'm going to go

2416

01:34:30,709 --> 01:34:28,960

for a drive in the woods brother

2417

01:34:32,310 --> 01:34:30,719

i'm going to go with an intention so

2418

01:34:33,830 --> 01:34:32,320

what else you got to lose because

2419

01:34:36,390 --> 01:34:33,840

otherwise if you sit at your house and

2420

01:34:38,229 --> 01:34:36,400

watch tv you know it's like

2421

01:34:39,910 --> 01:34:38,239

did you follow your higher self you see

2422

01:34:42,629 --> 01:34:39,920

what i'm saying

2423

01:34:44,229 --> 01:34:42,639

all right brother sounds good appreciate

2424

01:34:45,109 --> 01:34:44,239

appreciate your words thank you for your

2425

01:34:46,950 --> 01:34:45,119

time

2426

01:34:49,030 --> 01:34:46,960

yeah no problem thanks for tuning in

2427

01:34:52,390 --> 01:34:49,040

chatting with me um you know

2428

01:34:54,470 --> 01:34:52,400

i i thank you for taking the time so

2429

01:34:56,390 --> 01:34:54,480

it's about time for me to make it quits

2430

01:34:58,550 --> 01:34:56,400

too so but thanks again you know i hope

2431

01:35:01,590 --> 01:34:58,560

to talk to you again soon

2432

01:35:03,750 --> 01:35:01,600

oh you bet my pleasure my treat i mean i

2433

01:35:06,390 --> 01:35:03,760

appreciate and take advantage of people

2434

01:35:08,709 --> 01:35:06,400

who give so freely of their knowledge

2435

01:35:10,709 --> 01:35:08,719

uh and their time out you do so

2436

01:35:14,470 --> 01:35:10,719

appreciate it bro you have a good night

2437

01:35:17,189 --> 01:35:14,480

thank you you too take care

2438

01:35:21,990 --> 01:35:19,430

okay that was

2439

01:35:25,350 --> 01:35:22,000

that was israel

2440

01:35:30,310 --> 01:35:26,830

looks like you guys

2441

01:35:35,270 --> 01:35:30,320

been chatting blue omni i had joined the

2442

01:35:38,870 --> 01:35:37,510

okay well um

2443

01:35:40,950 --> 01:35:38,880

i guess we'll just

2444

01:35:44,310 --> 01:35:40,960

finish up for tonight thank you all very

2445

01:35:46,629 --> 01:35:44,320

much for tuning in for those who have um

2446

01:35:49,910 --> 01:35:46,639

just join in tomorrow i'm going to have

2447

01:35:52,310 --> 01:35:49,920

judy on she will be live from australia

2448

01:35:54,390 --> 01:35:52,320

talking to me i will i would basically

2449

01:35:55,189 --> 01:35:54,400

start the interview at 9 00 pm central

2450

01:35:58,310 --> 01:35:55,199

time

2451  
01:35:59,109 --> 01:35:58,320  
and so she will be talking about zetas

2452  
01:36:00,790 --> 01:35:59,119  
and

2453  
01:36:02,470 --> 01:36:00,800  
she's written i believe six different

2454  
01:36:03,669 --> 01:36:02,480  
books

2455  
01:36:05,750 --> 01:36:03,679  
and

2456  
01:36:08,709 --> 01:36:05,760  
so i hope you join in to ask her

2457  
01:36:10,709 --> 01:36:08,719  
questions when the time comes and if not

2458  
01:36:13,350 --> 01:36:10,719  
you can submit your questions using

2459  
01:36:15,990 --> 01:36:13,360  
three asterisks astrixis

2460  
01:36:18,229 --> 01:36:16,000  
and um followed by your question so that

2461  
01:36:19,669 --> 01:36:18,239  
way it pops out at me a lot easier

2462  
01:36:21,910 --> 01:36:19,679  
and um

2463  
01:36:24,550 --> 01:36:21,920

i hope to see you guys then

2464

01:36:28,390 --> 01:36:24,560

but yeah otherwise thank you thank you

2465

01:36:31,350 --> 01:36:28,400

all uh very much i appreciate it if you

2466

01:36:33,750 --> 01:36:31,360

um if you enjoy all the different videos

2467

01:36:35,510 --> 01:36:33,760

maybe not particularly this one but any

2468

01:36:37,430 --> 01:36:35,520

of the other ones it will always help

2469

01:36:40,149 --> 01:36:37,440

the channel if you are

2470

01:36:42,149 --> 01:36:40,159

new subscriber to subscribe or like the

2471

01:36:44,709 --> 01:36:42,159

videos and that always helps with the

2472

01:36:47,669 --> 01:36:44,719

algorithm i certainly appreciate it

2473

01:36:48,550 --> 01:36:47,679

all right so you guys have a good one

2474

01:36:50,550 --> 01:36:48,560

and
