

1
00:00:08,000 --> 00:00:27,880

so

2
00:00:27,890 --> 00:00:40,389

[Music]

3
00:00:40,399 --> 00:00:47,510

do

4
00:00:47,520 --> 00:01:03,110

[Music]

5
00:01:07,350 --> 00:01:05,189

hey everyone welcome to the awful hub

6
00:01:10,390 --> 00:01:07,360

live stream uh today's open lines where

7
00:01:12,230 --> 00:01:10,400

i hope that some of you would join the

8
00:01:14,870 --> 00:01:12,240

voice chat that's going on live right

9
00:01:16,950 --> 00:01:14,880

now on telegram uh you can download the

10
00:01:19,910 --> 00:01:16,960

app on your phone or download it on your

11
00:01:22,950 --> 00:01:19,920

computer the specific link for the ufo

12
00:01:24,950 --> 00:01:22,960

group is in the description below and

13
00:01:27,830 --> 00:01:24,960

you can simply join the voice chat there

14

00:01:30,149 --> 00:01:27,840

and get on my queue to talk to me and um

15

00:01:32,550 --> 00:01:30,159

of course i do hope you take advantage

16

00:01:33,990 --> 00:01:32,560

of that if um

17

00:01:35,749 --> 00:01:34,000

no one really

18

00:01:37,270 --> 00:01:35,759

comes on uh we're just going to make

19

00:01:40,630 --> 00:01:37,280

this

20

00:01:43,109 --> 00:01:40,640

short

21

00:01:44,710 --> 00:01:43,119

and um but there's of course some things

22

00:01:46,389 --> 00:01:44,720

i would like to go over with you guys

23

00:01:48,870 --> 00:01:46,399

today um

24

00:01:51,350 --> 00:01:48,880

there's a document that was sent to me

25

00:01:54,069 --> 00:01:51,360

by colette and she was okay with me

26

00:01:56,230 --> 00:01:54,079

sharing her first name that had some

27

00:01:59,030 --> 00:01:56,240

very interesting piece of information

28

00:02:00,789 --> 00:01:59,040

i'll get into that later as well

29

00:02:01,590 --> 00:02:00,799

doing some little catch up on some of

30

00:02:05,270 --> 00:02:01,600

the

31

00:02:07,590 --> 00:02:05,280

ufo videos one in particular i had

32

00:02:09,910 --> 00:02:07,600

already shared it with the

33

00:02:11,830 --> 00:02:09,920

telegram group but

34

00:02:13,190 --> 00:02:11,840

i wanted to also cover this in this

35

00:02:13,990 --> 00:02:13,200

video as well

36

00:02:14,869 --> 00:02:14,000

so

37

00:02:16,710 --> 00:02:14,879

um

38

00:02:19,110 --> 00:02:16,720

i guess let's

39

00:02:21,030 --> 00:02:19,120

let me shift some things over

40

00:02:23,190 --> 00:02:21,040

especially when i haven't done a stream

41

00:02:25,910 --> 00:02:23,200

in a while it takes me a little bit to

42

00:02:27,750 --> 00:02:25,920

get used to things so the first things

43

00:02:30,150 --> 00:02:27,760

first um

44

00:02:33,110 --> 00:02:30,160

from time to time people reach out to me

45

00:02:35,509 --> 00:02:33,120

and they always ask to

46

00:02:38,150 --> 00:02:35,519

see if i can maybe promote their channel

47

00:02:40,790 --> 00:02:38,160

and um i don't i haven't spent a great

48

00:02:43,589 --> 00:02:40,800

time looking over what the the channel

49

00:02:45,509 --> 00:02:43,599

exactly covers but um based on the

50

00:02:47,190 --> 00:02:45,519

conversation i had with eric he was

51
00:02:49,750 --> 00:02:47,200
simply saying that

52
00:02:51,270 --> 00:02:49,760
he just does um

53
00:02:53,270 --> 00:02:51,280
interviews with the average joe about

54
00:02:55,509 --> 00:02:53,280
their experiences and as he calls it he

55
00:02:57,350 --> 00:02:55,519
lets him vent so

56
00:02:58,869 --> 00:02:57,360
the channel is called sir

57
00:03:01,190 --> 00:02:58,879
next a lot

58
00:03:03,270 --> 00:03:01,200
it's very interesting name so

59
00:03:04,790 --> 00:03:03,280
as i always say if you can't find

60
00:03:07,030 --> 00:03:04,800
something what you're looking for here i

61
00:03:08,470 --> 00:03:07,040
hope you find it somewhere else because

62
00:03:10,470 --> 00:03:08,480
at the end of the day it's about the

63
00:03:12,550 --> 00:03:10,480

answers that you're looking for

64

00:03:15,190 --> 00:03:12,560

regarding the subject or maybe some

65

00:03:17,670 --> 00:03:15,200

other things so

66

00:03:19,509 --> 00:03:17,680

maybe this channel might have it for you

67

00:03:21,190 --> 00:03:19,519

so anyway i just wanted to put a shout

68

00:03:24,229 --> 00:03:21,200

out there for uh

69

00:03:26,229 --> 00:03:24,239

for this particular channel and um um i

70

00:03:27,830 --> 00:03:26,239

hope you subscribe and find something

71

00:03:29,110 --> 00:03:27,840

useful there

72

00:03:32,390 --> 00:03:29,120

the um

73

00:03:34,229 --> 00:03:32,400

so the the things i wanted to basically

74

00:03:37,190 --> 00:03:34,239

talk about or go over

75

00:03:39,670 --> 00:03:37,200

is regarding this video

76

00:03:41,670 --> 00:03:39,680

and so i'll i'll read it first and then

77

00:03:45,509 --> 00:03:41,680

what i did is i extracted this video and

78

00:03:48,390 --> 00:03:45,519

i um have it uh playing in its entirety

79

00:03:50,070 --> 00:03:48,400

first and then i zoomed in more

80

00:03:51,430 --> 00:03:50,080

and i'll show that to you in a bit but

81

00:03:53,509 --> 00:03:51,440

at first i wanted to just give you a

82

00:03:55,110 --> 00:03:53,519

little bit of background here about this

83

00:03:56,710 --> 00:03:55,120

particular video that came out not that

84

00:03:57,830 --> 00:03:56,720

long ago

85

00:03:59,750 --> 00:03:57,840

it says

86

00:04:02,309 --> 00:03:59,760

a pilot believes

87

00:04:03,990 --> 00:04:02,319

he has seen an entire fleet of ufos

88

00:04:06,229 --> 00:04:04,000

flying over the sea

89

00:04:09,030 --> 00:04:06,239
after he spotted a series of weird

90

00:04:11,030 --> 00:04:09,040
lights that seemed to move and rotate

91

00:04:13,589 --> 00:04:11,040
the man managed to capture a few seconds

92

00:04:15,910 --> 00:04:13,599
of video footage

93

00:04:18,310 --> 00:04:15,920
in the clip you can see three rows of

94

00:04:20,150 --> 00:04:18,320
lights some with four dots and some with

95

00:04:21,670 --> 00:04:20,160
three

96

00:04:23,830 --> 00:04:21,680
at one point

97

00:04:26,629 --> 00:04:23,840
the highest dot fades

98

00:04:29,030 --> 00:04:26,639
and is replaced by another lowered lower

99

00:04:30,710 --> 00:04:29,040
down then eventually they all seem to

100

00:04:32,629 --> 00:04:30,720
disappear from view

101
00:04:35,749 --> 00:04:32,639
the pilot said he was flying over the

102
00:04:38,150 --> 00:04:35,759
pacific ocean at the time and he had no

103
00:04:42,150 --> 00:04:38,160
idea what the lights could be other than

104
00:04:43,749 --> 00:04:42,160
a fleet of ufos flying in formation

105
00:04:44,710 --> 00:04:43,759
so let me

106
00:04:47,430 --> 00:04:44,720
um

107
00:04:49,830 --> 00:04:47,440
let me bring in the video here

108
00:04:51,749 --> 00:04:49,840
and so what i'll um there's some you

109
00:04:54,710 --> 00:04:51,759
know i just want to i guess just kind of

110
00:04:57,670 --> 00:04:54,720
uh give my commentary ahead of time it's

111
00:04:59,590 --> 00:04:57,680
it's very clear video and a lot of you

112
00:05:01,350 --> 00:04:59,600
can just see what you can see for

113
00:05:02,870 --> 00:05:01,360

yourself um

114

00:05:05,670 --> 00:05:02,880

and um

115

00:05:07,590 --> 00:05:05,680

if if anything uh just

116

00:05:10,150 --> 00:05:07,600

you know take it as a very interesting

117

00:05:12,310 --> 00:05:10,160

video a lot clearer sharper than what

118

00:05:14,870 --> 00:05:12,320

we've experienced in the past and i'm

119

00:05:16,950 --> 00:05:14,880

really hoping that it actually is a

120

00:05:19,990 --> 00:05:16,960

um

121

00:05:21,909 --> 00:05:20,000

a ufo instead of a phenomenon that we

122

00:05:25,189 --> 00:05:21,919

don't know about that's

123

00:05:27,510 --> 00:05:25,199

more earthly than we think

124

00:05:37,590 --> 00:05:28,710

the

125

00:05:49,909 --> 00:05:39,510

okay

126
00:05:56,950 --> 00:05:53,029
i don't know what it is that is some

127
00:05:56,960 --> 00:06:17,830
melania 273500

128
00:06:17,840 --> 00:06:29,830
fun

129
00:06:29,840 --> 00:06:33,430
gone

130
00:06:37,830 --> 00:06:35,990
so here it is again more zoomed in i

131
00:06:39,830 --> 00:06:37,840
hope uh it shows a little bit more

132
00:06:41,909 --> 00:06:39,840
details

133
00:06:43,110 --> 00:06:41,919
it certainly is peculiar seeing it it's

134
00:06:45,350 --> 00:06:43,120
um

135
00:06:56,790 --> 00:06:45,360
to be that high and then that kind of

136
00:06:56,800 --> 00:07:09,909
is

137
00:07:09,919 --> 00:07:22,950
i did something fun

138
00:07:22,960 --> 00:07:25,350

gone

139

00:07:33,350 --> 00:07:26,870

so

140

00:07:37,990 --> 00:07:35,990

have a pretty good video and

141

00:07:39,029 --> 00:07:38,000

usually if there's

142

00:07:41,749 --> 00:07:39,039

some

143

00:07:44,390 --> 00:07:41,759

complaints about ufo videos not being

144

00:07:46,150 --> 00:07:44,400

very sharp or always blurry and all

145

00:07:47,430 --> 00:07:46,160

those typical stories that this one

146

00:07:49,270 --> 00:07:47,440

certainly doesn't belong to that

147

00:07:51,909 --> 00:07:49,280

category and

148

00:07:53,589 --> 00:07:51,919

i i hope that maybe one day we can

149

00:07:55,270 --> 00:07:53,599

learn more about it find out exactly

150

00:07:57,909 --> 00:07:55,280

what it is but

151
00:07:59,510 --> 00:07:57,919
again other than another cool video

152
00:08:01,350 --> 00:07:59,520
i unfortunately don't have any more

153
00:08:03,029 --> 00:08:01,360
information than this

154
00:08:04,790 --> 00:08:03,039
so the

155
00:08:08,070 --> 00:08:04,800
the main thing that i wanted to get into

156
00:08:11,110 --> 00:08:08,080
today is actually

157
00:08:15,110 --> 00:08:11,120
also the title of this live stream

158
00:08:17,029 --> 00:08:15,120
and this was sent to me by

159
00:08:19,350 --> 00:08:17,039
colette and i believe she lives in

160
00:08:21,510 --> 00:08:19,360
england so

161
00:08:23,589 --> 00:08:21,520
the information that she sent me and the

162
00:08:25,270 --> 00:08:23,599
explanation which i will also read for

163
00:08:27,029 --> 00:08:25,280

you i'm also

164

00:08:29,670 --> 00:08:27,039

partly during this reading because this

165

00:08:31,749 --> 00:08:29,680

is also going to be part of a podcast so

166

00:08:33,990 --> 00:08:31,759

those listening don't know exactly what

167

00:08:35,190 --> 00:08:34,000

they're looking at the screen so

168

00:08:36,709 --> 00:08:35,200

but at least it gives you a little bit

169

00:08:39,670 --> 00:08:36,719

of background information why she

170

00:08:42,070 --> 00:08:39,680

happened to send it to me and she was i

171

00:08:44,870 --> 00:08:42,080

believe searching through the

172

00:08:47,590 --> 00:08:44,880

english national archives and this is

173

00:08:49,509 --> 00:08:47,600

what she found

174

00:08:51,990 --> 00:08:49,519

so first i want to read you what in

175

00:08:53,350 --> 00:08:52,000

email what she said she said i have done

176

00:08:55,750 --> 00:08:53,360

brief research

177

00:08:58,070 --> 00:08:55,760

on the address there 10 mason place

178

00:09:00,550 --> 00:08:58,080

london sw7

179

00:09:03,110 --> 00:09:00,560

and it all matches up in line with the

180

00:09:05,030 --> 00:09:03,120

time period there and various offices

181

00:09:06,070 --> 00:09:05,040

contributing to the information that you

182

00:09:08,630 --> 00:09:06,080

have there

183

00:09:09,670 --> 00:09:08,640

i just thought my i just thought to

184

00:09:11,990 --> 00:09:09,680

myself

185

00:09:14,630 --> 00:09:12,000

when i was reading it hold on these

186

00:09:17,670 --> 00:09:14,640

documents are official so i read them a

187

00:09:19,110 --> 00:09:17,680

good few times over and did my little

188

00:09:20,790 --> 00:09:19,120

bit of research

189

00:09:23,509 --> 00:09:20,800

and it turns out

190

00:09:25,829 --> 00:09:23,519

the london address was split into

191

00:09:27,269 --> 00:09:25,839

service apartments for the use of

192

00:09:30,150 --> 00:09:27,279

top-ranked

193

00:09:31,670 --> 00:09:30,160

staff that were there in the uk from the

194

00:09:33,590 --> 00:09:31,680

u.s air force

195

00:09:36,630 --> 00:09:33,600

please excuse my ignorance as i would

196

00:09:38,310 --> 00:09:36,640

not be sure how they would be addressed

197

00:09:40,070 --> 00:09:38,320

sergeant or colonel

198

00:09:42,389 --> 00:09:40,080

clearly they were

199

00:09:45,829 --> 00:09:42,399

in the process of starting devising a

200

00:09:48,790 --> 00:09:45,839

project blue book etc but on page 43

201
00:09:51,110 --> 00:09:48,800
there well it clearly says it says what

202
00:09:54,630 --> 00:09:51,120
it says so i'm thinking it would be a

203
00:09:57,110 --> 00:09:54,640
little bit peculiar per kilo also

204
00:10:00,230 --> 00:09:57,120
however having matched up timeline

205
00:10:03,030 --> 00:10:00,240
timelines various members of staff etc i

206
00:10:06,150 --> 00:10:03,040
personally think that the pages

207
00:10:10,870 --> 00:10:06,160
with similar information

208
00:10:12,550 --> 00:10:10,880
have somehow found their way into that

209
00:10:14,870 --> 00:10:12,560
file and so

210
00:10:16,630 --> 00:10:14,880
what she's referring to

211
00:10:20,069 --> 00:10:16,640
is

212
00:10:23,829 --> 00:10:20,079
these pages and it's in a pdf form

213
00:10:27,430 --> 00:10:23,839

from the national archives reference air

214

00:10:28,870 --> 00:10:27,440

2 forward slash 17527

215

00:10:31,590 --> 00:10:28,880

yada yada

216

00:10:32,389 --> 00:10:31,600

copyright crown copyright

217

00:10:34,550 --> 00:10:32,399

and

218

00:10:36,949 --> 00:10:34,560

i certainly hope that

219

00:10:39,030 --> 00:10:36,959

the people and colette

220

00:10:41,670 --> 00:10:39,040

are not people that just

221

00:10:44,389 --> 00:10:41,680

want to trick the ufo community and send

222

00:10:47,990 --> 00:10:44,399

them some some bs information and some

223

00:10:50,389 --> 00:10:48,000

false information um i'm really um uh

224

00:10:53,829 --> 00:10:50,399

based on just what i was able to see and

225

00:10:56,790 --> 00:10:53,839

read for myself that this particular

226

00:10:58,230 --> 00:10:56,800

page 43 does seem like a bit different

227

00:11:00,870 --> 00:10:58,240

from the rest of them because a lot of

228

00:11:03,910 --> 00:11:00,880

the other pages are obviously more about

229

00:11:06,710 --> 00:11:03,920

the project blue book um

230

00:11:09,350 --> 00:11:06,720

there's it's a correspondences

231

00:11:12,069 --> 00:11:09,360

um between each other about hey i've

232

00:11:13,269 --> 00:11:12,079

received this letter it was interesting

233

00:11:14,630 --> 00:11:13,279

and so on

234

00:11:16,870 --> 00:11:14,640

more

235

00:11:17,910 --> 00:11:16,880

information with certain data

236

00:11:20,630 --> 00:11:17,920

and so

237

00:11:25,430 --> 00:11:23,350

i was i did forget one thing i was

238

00:11:27,509 --> 00:11:25,440

thinking about making this available

239

00:11:29,829 --> 00:11:27,519

making a link so that everyone can get

240

00:11:33,670 --> 00:11:29,839

this and maybe later on after the show i

241

00:11:35,590 --> 00:11:33,680

still will but anyway so

242

00:11:39,190 --> 00:11:35,600

this one very interesting and out of

243

00:11:41,670 --> 00:11:39,200

place page on 43 and again

244

00:11:42,630 --> 00:11:41,680

i will go through reading it i apologize

245

00:11:45,110 --> 00:11:42,640

if

246

00:11:47,750 --> 00:11:45,120

i'm not the best reader but this is the

247

00:11:48,949 --> 00:11:47,760

this it was written by a person

248

00:11:50,150 --> 00:11:48,959

labeled b

249

00:11:52,710 --> 00:11:50,160

dot cal

250

00:11:54,310 --> 00:11:52,720

and this is the 10 mason place london

251
00:11:55,710 --> 00:11:54,320
that she was referring to and this was

252
00:11:59,030 --> 00:11:55,720
written in may

253
00:12:00,710 --> 00:11:59,040
1965. so based on the

254
00:12:03,750 --> 00:12:00,720
the information kind of that's being

255
00:12:06,550 --> 00:12:03,760
shared um when you read the the

256
00:12:08,470 --> 00:12:06,560
beginning and and in the back or before

257
00:12:10,550 --> 00:12:08,480
the page and after the page this one

258
00:12:11,829 --> 00:12:10,560
really does seem like it's out of place

259
00:12:12,550 --> 00:12:11,839
so again

260
00:12:59,590 --> 00:12:12,560
i

261
00:13:02,230 --> 00:12:59,600
perhaps you would be

262
00:13:04,550 --> 00:13:02,240
able to pass on the following fact from

263
00:13:06,550 --> 00:13:04,560

current contact information

264

00:13:10,310 --> 00:13:06,560

recent activity by visiting space

265

00:13:13,509 --> 00:13:10,320

vehicles has covered indonesia and japan

266

00:13:16,230 --> 00:13:13,519

argentina brazil and north america

267

00:13:19,430 --> 00:13:16,240

russia and china have not been ignored

268

00:13:22,790 --> 00:13:19,440

and karachi airport is used as a transit

269

00:13:25,269 --> 00:13:22,800

station with official cooperation

270

00:13:27,190 --> 00:13:25,279

since january 1963

271

00:13:29,670 --> 00:13:27,200

additional underground bases are

272

00:13:33,670 --> 00:13:29,680

reported to have become operational in

273

00:13:35,430 --> 00:13:33,680

america asia siberia switzerland and

274

00:13:37,910 --> 00:13:35,440

north andes

275

00:13:40,550 --> 00:13:37,920

entry to some is via underground tunnels

276

00:13:43,350 --> 00:13:40,560

15 miles in length

277

00:13:46,470 --> 00:13:43,360

in america certain jobs are now done by

278

00:13:49,430 --> 00:13:46,480

our space friends at defense sites test

279

00:13:51,829 --> 00:13:49,440

grounds military and air bases in

280

00:13:53,509 --> 00:13:51,839

commercial organizations churches and

281

00:13:56,790 --> 00:13:53,519

entertainment media

282

00:13:58,550 --> 00:13:56,800

apart from flying and maintenance

283

00:14:01,269 --> 00:13:58,560

personnel about ten thousand

284

00:14:04,069 --> 00:14:01,279

interplanetary visitors live work and

285

00:14:06,069 --> 00:14:04,079

study in various countries

286

00:14:08,790 --> 00:14:06,079

since their election last year some u.s

287

00:14:10,790 --> 00:14:08,800

senators and congressmen are cooperating

288

00:14:13,350 --> 00:14:10,800

with our space visitors

289

00:14:14,710 --> 00:14:13,360

the result of this type type of

290

00:14:16,710 --> 00:14:14,720

cooperation

291

00:14:22,389 --> 00:14:16,720

in russia

292

00:14:23,590 --> 00:14:22,399

activity for the present while china and

293

00:14:26,949 --> 00:14:23,600

america

294

00:14:29,030 --> 00:14:26,959

are equally matched in a restricted

295

00:14:32,310 --> 00:14:29,040

safety valve maneuver

296

00:14:34,310 --> 00:14:32,320

similar tactics in 1951 and 1956

297

00:14:36,310 --> 00:14:34,320

prevented worldwide

298

00:14:38,790 --> 00:14:36,320

conflict with no

299

00:14:42,069 --> 00:14:38,800

great material loss or gain on either

300

00:14:45,829 --> 00:14:42,079

side and middle east may need security

301
00:14:48,790 --> 00:14:45,839
treatment again soon universal law law

302
00:14:51,509 --> 00:14:48,800
is poetic so that we

303
00:14:53,509 --> 00:14:51,519
have to reap as we saw but we are

304
00:14:55,110 --> 00:14:53,519
fortunate in having

305
00:14:59,189 --> 00:14:55,120
destructive

306
00:15:00,550 --> 00:14:59,199
mitigated meaning

307
00:15:03,030 --> 00:15:00,560
minimized

308
00:15:05,590 --> 00:15:03,040
however some of the earth's natural

309
00:15:10,829 --> 00:15:05,600
features will be changed if necessary in

310
00:15:15,430 --> 00:15:12,550
uh

311
00:15:18,230 --> 00:15:15,440
to educate and re

312
00:15:21,189 --> 00:15:18,240
to educate the remaining uh population

313
00:15:23,670 --> 00:15:21,199

i'm sorry my reading sucks um our future

314

00:15:26,629 --> 00:15:23,680

has always depended on what we think

315

00:15:30,230 --> 00:15:26,639

feel and do as individuals by our

316

00:15:32,870 --> 00:15:30,240

interest and activity in 1944 we invited

317

00:15:34,629 --> 00:15:32,880

the present interplanetary

318

00:15:37,910 --> 00:15:34,639

program

319

00:15:40,629 --> 00:15:37,920

of education we have the key there are

320

00:15:42,710 --> 00:15:40,639

no secrets only things

321

00:15:45,189 --> 00:15:42,720

we hide from ourselves

322

00:15:47,749 --> 00:15:45,199

there are no problems only people this

323

00:15:50,230 --> 00:15:47,759

year we mature with more obvious

324

00:15:52,949 --> 00:15:50,240

cooperation and collaboration

325

00:15:54,389 --> 00:15:52,959

yours faithfully be cal

326

00:15:57,430 --> 00:15:54,399

so this is the

327

00:15:59,670 --> 00:15:57,440

that particular document that

328

00:16:01,590 --> 00:15:59,680

really is different based on the the

329

00:16:03,749 --> 00:16:01,600

rest of it i mean a lot of it is just

330

00:16:06,470 --> 00:16:03,759

like oh this information is interesting

331

00:16:08,470 --> 00:16:06,480

thank you for you know your your letter

332

00:16:10,470 --> 00:16:08,480

and blah blah blah but this one just

333

00:16:11,350 --> 00:16:10,480

kind of throws it all out and it seems

334

00:16:13,269 --> 00:16:11,360

to be

335

00:16:17,269 --> 00:16:13,279

sort of in the middle of this

336

00:16:20,310 --> 00:16:17,279

batch of 67 pages so

337

00:16:23,829 --> 00:16:20,320

i wanted to let you all know and also to

338

00:16:26,790 --> 00:16:23,839

thank colette very much for

339

00:16:28,710 --> 00:16:26,800

sending sending this to me so that i can

340

00:16:31,350 --> 00:16:28,720

forward it to all of you

341

00:16:34,710 --> 00:16:33,509

i am certainly hoping that this is not

342

00:16:37,350 --> 00:16:34,720

some kind of

343

00:16:40,069 --> 00:16:37,360

hoax or

344

00:16:42,629 --> 00:16:40,079

some kind of deceit

345

00:16:45,110 --> 00:16:42,639

okay let me see who else is in the chat

346

00:16:47,829 --> 00:16:45,120

and we'll

347

00:16:50,230 --> 00:16:47,839

looks like um i have niels in open lines

348

00:16:52,710 --> 00:16:50,240

which is great but i'll get to you in a

349

00:16:54,629 --> 00:16:52,720

quick second let me just uh say hello to

350

00:16:57,910 --> 00:16:54,639

some people here in chat

351
00:17:00,550 --> 00:16:57,920
bonnie hello labels welcome as well

352
00:17:02,829 --> 00:17:00,560
claudine welcome

353
00:17:05,909 --> 00:17:02,839
roll the losing dice

354
00:17:09,510 --> 00:17:05,919
welcome penny nick

355
00:17:16,230 --> 00:17:11,990
roscoe

356
00:17:20,710 --> 00:17:17,990
all right i guess it's uh filling up

357
00:17:23,750 --> 00:17:20,720
slowly but surely

358
00:17:25,750 --> 00:17:23,760
and sonia also welcome

359
00:17:26,470 --> 00:17:25,760
gary don't want to miss miss gary as

360
00:17:29,830 --> 00:17:26,480
well

361
00:17:31,350 --> 00:17:29,840
so what um

362
00:17:39,350 --> 00:17:31,360
let me then

363
00:17:43,830 --> 00:17:41,350

all right niels you are unmuted on my

364

00:17:51,909 --> 00:17:43,840

end and mute yourself and yours and uh

365

00:17:57,110 --> 00:17:53,350

how are you

366

00:17:58,830 --> 00:17:57,120

hear just fine

367

00:18:00,950 --> 00:17:58,840

great yeah i just want to jump right

368

00:18:02,310 --> 00:18:00,960

into uh i've called him before and i

369

00:18:03,590 --> 00:18:02,320

appreciate you taking me on i just like

370

00:18:05,590 --> 00:18:03,600

to

371

00:18:06,390 --> 00:18:05,600

tell everybody you know i feel compelled

372

00:18:08,549 --> 00:18:06,400

that

373

00:18:10,549 --> 00:18:08,559

i should share these stories um

374

00:18:14,950 --> 00:18:10,559

experiences that i've had

375

00:18:17,270 --> 00:18:14,960

um back in 2015 i went to utah

376

00:18:19,510 --> 00:18:17,280

and i was staying in a chalet

377

00:18:22,630 --> 00:18:19,520

and i would just have a couple beers and

378

00:18:25,430 --> 00:18:22,640

relaxing whatnot before wedding and

379

00:18:26,950 --> 00:18:25,440

and uh all of a sudden i see these uh

380

00:18:28,870 --> 00:18:26,960

group of hikers going across the

381

00:18:31,430 --> 00:18:28,880

mountain there's a huge uh

382

00:18:32,549 --> 00:18:31,440

downside is clearly covered in snow and

383

00:18:33,909 --> 00:18:32,559

the uh

384

00:18:35,909 --> 00:18:33,919

these so just watch these three hikers

385

00:18:37,830 --> 00:18:35,919

once in a while going across it took

386

00:18:39,270 --> 00:18:37,840

them a couple hours

387

00:18:40,549 --> 00:18:39,280

and then

388

00:18:43,110 --> 00:18:40,559

next you know once they're off the

389

00:18:44,470 --> 00:18:43,120

mountain kind of thing i saw this uh

390

00:18:47,909 --> 00:18:44,480

this single

391

00:18:49,190 --> 00:18:47,919

being um and what strike me is that this

392

00:18:50,789 --> 00:18:49,200

being was

393

00:18:52,230 --> 00:18:50,799

uh they're about to see about the same

394

00:18:53,669 --> 00:18:52,240

areas the other ones were but he was

395

00:18:57,669 --> 00:18:53,679

about twice the height of them so the

396

00:18:59,990 --> 00:18:57,679

being was about 12 feet tall and uh

397

00:19:01,830 --> 00:19:00,000

the being was like a dark

398

00:19:04,710 --> 00:19:01,840

uh beige uh

399

00:19:05,990 --> 00:19:04,720

single piece suit uh clay hair or

400

00:19:07,510 --> 00:19:06,000

something

401
00:19:09,110 --> 00:19:07,520
it was pretty good distance away but you

402
00:19:10,390 --> 00:19:09,120
could still see that he didn't have any

403
00:19:11,270 --> 00:19:10,400
gear on

404
00:19:13,430 --> 00:19:11,280
and

405
00:19:15,909 --> 00:19:13,440
the fact that the other hikers took

406
00:19:18,310 --> 00:19:15,919
hours to walk across the uh

407
00:19:20,230 --> 00:19:18,320
walk across the uh the mountain and took

408
00:19:21,510 --> 00:19:20,240
breaks and this being just walked right

409
00:19:23,110 --> 00:19:21,520
up the uh

410
00:19:25,750 --> 00:19:23,120
straight up the mountain without even

411
00:19:27,750 --> 00:19:25,760
stopping like 15 minutes

412
00:19:31,430 --> 00:19:27,760
something to believe that um that that

413
00:19:34,070 --> 00:19:31,440

was uh this being was a sasquatch

414

00:19:36,230 --> 00:19:34,080

and i did it didn't really strike me at

415

00:19:37,990 --> 00:19:36,240

the time but now that when i thought

416

00:19:39,270 --> 00:19:38,000

about what that was i was too dull at

417

00:19:41,029 --> 00:19:39,280

the time to think that that was actually

418

00:19:43,029 --> 00:19:41,039

a sasquatch but

419

00:19:43,990 --> 00:19:43,039

uh no other explanation for it yeah go

420

00:19:46,470 --> 00:19:44,000

ahead

421

00:19:47,430 --> 00:19:46,480

i was just gonna say so um uh you get

422

00:19:49,190 --> 00:19:47,440

this was

423

00:19:52,470 --> 00:19:49,200

being on the ground while you guys were

424

00:19:54,870 --> 00:19:52,480

hiking covering all this distance no i

425

00:19:56,870 --> 00:19:54,880

was i was chilling in the shower with uh

426

00:19:59,350 --> 00:19:56,880

my friends and my girlfriend right okay

427

00:20:00,789 --> 00:19:59,360

we were just just we were just uh we

428

00:20:02,070 --> 00:20:00,799

could see the mountain through the huge

429

00:20:03,590 --> 00:20:02,080

uh

430

00:20:04,710 --> 00:20:03,600

through the huge window it's a beautiful

431

00:20:06,149 --> 00:20:04,720

view

432

00:20:08,149 --> 00:20:06,159

and i was like this being just walked

433

00:20:08,789 --> 00:20:08,159

right up it but at the time i just kind

434

00:20:11,430 --> 00:20:08,799

of

435

00:20:12,870 --> 00:20:11,440

dumbfounded that uh

436

00:20:14,070 --> 00:20:12,880

you know i didn't really put two and two

437

00:20:14,950 --> 00:20:14,080

together at the time do you know what i

438

00:20:17,190 --> 00:20:14,960

mean

439

00:20:18,310 --> 00:20:17,200

i thought it was peculiar and i was like

440

00:20:20,789 --> 00:20:18,320

take a picture of it i was like oh it's

441

00:20:23,430 --> 00:20:20,799

no big deal but now that i'm

442

00:20:26,070 --> 00:20:23,440

you know reflecting on it and uh my

443

00:20:28,149 --> 00:20:26,080

cousin took a picture and also my

444

00:20:29,909 --> 00:20:28,159

my yeah grandfather's best friend who's

445

00:20:31,590 --> 00:20:29,919

a hunter and trapper and all that he

446

00:20:33,350 --> 00:20:31,600

took pictures of uh

447

00:20:35,590 --> 00:20:33,360

you know his boot and

448

00:20:37,990 --> 00:20:35,600

sasquatch prince and my cousin did one

449

00:20:40,390 --> 00:20:38,000

with another sasquatch in the print

450

00:20:41,990 --> 00:20:40,400

um so that made me think what the hell

451
00:20:44,549 --> 00:20:42,000
was this experience all about so that

452
00:20:46,470 --> 00:20:44,559
was uh peculiar so i think i've seen my

453
00:20:51,510 --> 00:20:46,480
another time too i was camping and i

454
00:20:54,470 --> 00:20:51,520
heard a funny um grunt and like like

455
00:20:55,350 --> 00:20:54,480
it was just very strange to hear the uh

456
00:20:57,350 --> 00:20:55,360
um

457
00:20:58,710 --> 00:20:57,360
that that sound you know i've been all

458
00:21:01,190 --> 00:20:58,720
over the world

459
00:21:02,870 --> 00:21:01,200
and i spent a lot of time camping in and

460
00:21:04,310 --> 00:21:02,880
forest and all that and i've never heard

461
00:21:05,830 --> 00:21:04,320
anything like it so

462
00:21:07,590 --> 00:21:05,840
made me believe it there that was a

463
00:21:08,870 --> 00:21:07,600

sasquatch too

464

00:21:10,149 --> 00:21:08,880

um so

465

00:21:12,549 --> 00:21:10,159

i've done a lot of research on these

466

00:21:15,029 --> 00:21:12,559

beings and i'm really

467

00:21:16,470 --> 00:21:15,039

captivated by them how uh there's the et

468

00:21:18,870 --> 00:21:16,480

connection with them

469

00:21:21,669 --> 00:21:18,880

other telepathic

470

00:21:24,470 --> 00:21:21,679

encounters missing time however

471

00:21:26,390 --> 00:21:24,480

they can be quite aggressive uh you know

472

00:21:28,310 --> 00:21:26,400

they apparently they throw rocks and

473

00:21:30,630 --> 00:21:28,320

they make a lot of noises

474

00:21:31,990 --> 00:21:30,640

uh but you know they they might keep

475

00:21:34,470 --> 00:21:32,000

some of them want to keep uh you know

476
00:21:35,830 --> 00:21:34,480
humans out of the forest uh

477
00:21:37,909 --> 00:21:35,840
so that's

478
00:21:39,750 --> 00:21:37,919
i think it's absolutely incredible i

479
00:21:40,630 --> 00:21:39,760
totally totally believe that they're

480
00:21:43,990 --> 00:21:40,640
here

481
00:21:47,110 --> 00:21:44,000
um i believe that they're able to um

482
00:21:49,669 --> 00:21:47,120
mess with time mess with magnetic power

483
00:21:52,950 --> 00:21:49,679
able to disappear reappear

484
00:21:54,789 --> 00:21:52,960
uh i believe their families uh

485
00:21:56,950 --> 00:21:54,799
you know i believe that they uh that

486
00:21:58,870 --> 00:21:56,960
they love and they think and they're you

487
00:21:59,669 --> 00:21:58,880
know and they're highly telepathic and

488
00:22:01,990 --> 00:21:59,679

uh

489

00:22:03,830 --> 00:22:02,000

very advanced beings

490

00:22:05,990 --> 00:22:03,840

is this something that uh it's just the

491

00:22:06,789 --> 00:22:06,000

interest of yours or you do you follow

492

00:22:09,590 --> 00:22:06,799

it

493

00:22:13,190 --> 00:22:09,600

follow up you know a lot a lot closer

494

00:22:16,230 --> 00:22:13,200

than just a occasional lobby

495

00:22:19,029 --> 00:22:16,240

well ever since like when i was young

496

00:22:21,110 --> 00:22:19,039

and uh i had the experiences like i've

497

00:22:23,430 --> 00:22:21,120

called him before and talked to and and

498

00:22:24,310 --> 00:22:23,440

now if you're called the c5 that i've

499

00:22:26,950 --> 00:22:24,320

done

500

00:22:29,990 --> 00:22:26,960

and i've had incredible nano attack

501
00:22:32,070 --> 00:22:30,000
uh type like a 10 000 k super advanced

502
00:22:35,750 --> 00:22:32,080
tech technological light craft come

503
00:22:38,310 --> 00:22:35,760
right down to my girlfriend io and uh

504
00:22:40,470 --> 00:22:38,320
i've seen over i've seen 21 ufos i can

505
00:22:42,789 --> 00:22:40,480
tell you all about them um really want

506
00:22:44,230 --> 00:22:42,799
to tell you about too is that uh

507
00:22:46,470 --> 00:22:44,240
my girlfriend and i were having trouble

508
00:22:48,630 --> 00:22:46,480
having a baby and there was uh we're

509
00:22:51,029 --> 00:22:48,640
doing a lot of advanced testing and

510
00:22:52,870 --> 00:22:51,039
um and one of the tests show that there

511
00:22:55,430 --> 00:22:52,880
was like a baby that was growing but

512
00:22:56,230 --> 00:22:55,440
then we went back a week later was gone

513
00:22:58,950 --> 00:22:56,240

gone

514

00:23:00,549 --> 00:22:58,960

but during that week i woke up out of my

515

00:23:02,710 --> 00:23:00,559

bed and i rarely like wake up and have

516

00:23:04,230 --> 00:23:02,720

funny snipe i'm a deep sleeper i have a

517

00:23:06,149 --> 00:23:04,240

clean conscience

518

00:23:08,630 --> 00:23:06,159

i have no problem sleeping but but this

519

00:23:11,110 --> 00:23:08,640

one morning during this time i woke up

520

00:23:14,230 --> 00:23:11,120

uh because um kind of like a voice in my

521

00:23:17,029 --> 00:23:14,240

head said like wake up like or anyways

522

00:23:18,390 --> 00:23:17,039

this being woke me up five five probably

523

00:23:20,710 --> 00:23:18,400

five five three in the morning so the

524

00:23:22,630 --> 00:23:20,720

room was just very dimly lit but the sun

525

00:23:24,789 --> 00:23:22,640

was rising just you know

526
00:23:26,149 --> 00:23:24,799
and when i woke up from my sleep i just

527
00:23:28,070 --> 00:23:26,159
sat right i've never done this before i

528
00:23:30,549 --> 00:23:28,080
sat right up looked right at him and

529
00:23:32,950 --> 00:23:30,559
there was like this um three three three

530
00:23:34,390 --> 00:23:32,960
and a half foot tall uh being at the

531
00:23:36,710 --> 00:23:34,400
foot of my bed

532
00:23:39,190 --> 00:23:36,720
i looked right at him and uh

533
00:23:41,510 --> 00:23:39,200
and the first thing i looked at was

534
00:23:43,909 --> 00:23:41,520
small eyes and i thought to myself

535
00:23:45,590 --> 00:23:43,919
if this is a star person why are the

536
00:23:48,390 --> 00:23:45,600
eyes so small

537
00:23:50,950 --> 00:23:48,400
and then once i looked at his small eyes

538
00:23:53,430 --> 00:23:50,960

this being had uh rings

539

00:23:55,190 --> 00:23:53,440

around its eyes uh like on the outside

540

00:23:57,750 --> 00:23:55,200

of the ice kind of thing the sides of

541

00:24:01,830 --> 00:23:57,760

the eyes like it had been smiling for

542

00:24:03,830 --> 00:24:01,840

like decorate uh decades or centuries

543

00:24:05,990 --> 00:24:03,840

and uh the second locked odds with him

544

00:24:07,990 --> 00:24:06,000

and saw that i saw how short he was i i

545

00:24:10,230 --> 00:24:08,000

passed out my disbelief went back to

546

00:24:11,909 --> 00:24:10,240

sleep or or the being put me back to

547

00:24:14,390 --> 00:24:11,919

sleep

548

00:24:16,549 --> 00:24:14,400

so that was pretty incredible um

549

00:24:17,830 --> 00:24:16,559

another time too uh

550

00:24:20,710 --> 00:24:17,840

i want to tell you another i don't know

551
00:24:23,029 --> 00:24:20,720
if i told you this last time but um

552
00:24:24,070 --> 00:24:23,039
two of my friends um

553
00:24:29,830 --> 00:24:24,080
uh

554
00:24:31,750 --> 00:24:29,840
individuals um we went camping and

555
00:24:33,590 --> 00:24:31,760
fishing and the fishing wasn't too good

556
00:24:35,350 --> 00:24:33,600
i was too hot at the time

557
00:24:36,710 --> 00:24:35,360
um so they're more interested in hearing

558
00:24:40,310 --> 00:24:36,720
more about you know i've talked to them

559
00:24:42,549 --> 00:24:40,320
openly about my uh ufo counters and

560
00:24:44,549 --> 00:24:42,559
meeting with the star people and trying

561
00:24:45,750 --> 00:24:44,559
their formation on the beach that's what

562
00:24:47,990 --> 00:24:45,760
they wanted to know more about the

563
00:24:50,230 --> 00:24:48,000

meditation all this stuff so

564

00:24:52,390 --> 00:24:50,240

um i took them down to uh

565

00:24:53,590 --> 00:24:52,400

a beautiful rock at the bottom of our

566

00:24:56,470 --> 00:24:53,600

our site

567

00:25:00,310 --> 00:24:56,480

and uh i started playing stephen halpern

568

00:25:02,710 --> 00:25:00,320

um and uh one of his cds is

569

00:25:04,070 --> 00:25:02,720

chanting in the great pyramid

570

00:25:06,950 --> 00:25:04,080

it's all about

571

00:25:09,510 --> 00:25:06,960

cinematics and resonance with him and

572

00:25:11,750 --> 00:25:09,520

power of music and all that vibration

573

00:25:13,669 --> 00:25:11,760

so we played that for a while we just uh

574

00:25:16,310 --> 00:25:13,679

relax and listen to that

575

00:25:17,750 --> 00:25:16,320

and then i did a guided meditation with

576

00:25:19,269 --> 00:25:17,760

them i don't recall exactly what i said

577

00:25:21,590 --> 00:25:19,279

but i was really into it i meditated

578

00:25:23,750 --> 00:25:21,600

quite a bit i'm meditating in egypt

579

00:25:25,510 --> 00:25:23,760

all over the world and um

580

00:25:27,510 --> 00:25:25,520

have meditated under the pyramids inside

581

00:25:29,029 --> 00:25:27,520

the king's chamber and whatnot

582

00:25:30,549 --> 00:25:29,039

but uh

583

00:25:33,430 --> 00:25:30,559

um yeah i meant it i did the guided

584

00:25:35,029 --> 00:25:33,440

meditation and uh and then i did my own

585

00:25:37,430 --> 00:25:35,039

meditation

586

00:25:39,190 --> 00:25:37,440

out of the water and uh

587

00:25:41,110 --> 00:25:39,200

i mean i was on my knees you know just

588

00:25:42,630 --> 00:25:41,120

being sincere and genuine and normally

589

00:25:43,750 --> 00:25:42,640

asking you know

590

00:25:44,870 --> 00:25:43,760

if uh

591

00:25:47,669 --> 00:25:44,880

you know

592

00:25:49,909 --> 00:25:47,679

some someone could visit us or if if

593

00:25:51,750 --> 00:25:49,919

you're you know is is the universal

594

00:25:53,830 --> 00:25:51,760

power of god listening or this other

595

00:25:56,549 --> 00:25:53,840

star people here what not right

596

00:25:58,310 --> 00:25:56,559

and so um all of a sudden um

597

00:26:00,950 --> 00:25:58,320

a silent

598

00:26:02,950 --> 00:26:00,960

golden ball it was about

599

00:26:05,750 --> 00:26:02,960

eight to ten feet wide

600

00:26:08,149 --> 00:26:05,760

uh spherical it was a solid gold almost

601

00:26:10,789 --> 00:26:08,159

like an angel a christmas tree

602

00:26:12,630 --> 00:26:10,799

and we all saw it and it just slowly

603

00:26:14,070 --> 00:26:12,640

went up the lake about about 100 feet

604

00:26:16,789 --> 00:26:14,080

above the lake and it went up the center

605

00:26:18,310 --> 00:26:16,799

of the lake and into the uh

606

00:26:20,950 --> 00:26:18,320

into the horizon and it was gone it was

607

00:26:23,830 --> 00:26:20,960

a night time right so uh

608

00:26:26,149 --> 00:26:23,840

so i i've also seen um

609

00:26:27,350 --> 00:26:26,159

craft that lit up it was uh

610

00:26:29,430 --> 00:26:27,360

it was uh

611

00:26:31,830 --> 00:26:29,440

it was like a flying ship it was a

612

00:26:32,789 --> 00:26:31,840

spacecraft the ship but it had uh its

613

00:26:37,190 --> 00:26:32,799

wings

614

00:26:38,710 --> 00:26:37,200

on it they were curled inside of inside

615

00:26:40,710 --> 00:26:38,720

of itself in a bit

616

00:26:41,990 --> 00:26:40,720

um and it lit up for it was on the same

617

00:26:45,350 --> 00:26:42,000

trajectory

618

00:26:47,110 --> 00:26:45,360

it lit up solid uh gold bar like color

619

00:26:49,110 --> 00:26:47,120

for about three seconds

620

00:26:51,029 --> 00:26:49,120

and then it dimmed for about four

621

00:26:54,149 --> 00:26:51,039

seconds and lit up for another three

622

00:26:56,950 --> 00:26:54,159

seconds another time too there was

623

00:26:58,549 --> 00:26:56,960

a snowman type object uh

624

00:27:01,190 --> 00:26:58,559

very high in the sky

625

00:27:01,990 --> 00:27:01,200

and it did a semi-circle around me we

626
00:27:04,549 --> 00:27:02,000
were

627
00:27:07,750 --> 00:27:04,559
rolling on a campfire having a good time

628
00:27:10,470 --> 00:27:07,760
and um i saw it and it lit up uh center

629
00:27:13,190 --> 00:27:10,480
of it like um snowmen type center of it

630
00:27:14,230 --> 00:27:13,200
lit up uh red for about six or seven

631
00:27:19,190 --> 00:27:14,240
seconds

632
00:27:21,990 --> 00:27:19,200
just see it in the object was like a

633
00:27:23,830 --> 00:27:22,000
dark uh bronze green type of object

634
00:27:25,110 --> 00:27:23,840
i did a semi circle went off into the

635
00:27:27,029 --> 00:27:25,120
distance

636
00:27:28,549 --> 00:27:27,039
um so i just wanted i just felt

637
00:27:29,909 --> 00:27:28,559
compelled that i had to

638
00:27:31,990 --> 00:27:29,919

share these things with you it feels

639

00:27:33,750 --> 00:27:32,000

good to get them off my chest and uh to

640

00:27:35,909 --> 00:27:33,760

share them so just reach out to

641

00:27:37,029 --> 00:27:35,919

everybody and just say that it's real

642

00:27:38,149 --> 00:27:37,039

it's true

643

00:27:40,470 --> 00:27:38,159

um

644

00:27:41,510 --> 00:27:40,480

and it's absolutely incredible

645

00:27:43,669 --> 00:27:41,520

um

646

00:27:46,070 --> 00:27:43,679

i don't think too like what i've done

647

00:27:48,710 --> 00:27:46,080

more research on the sasquatch and

648

00:27:51,110 --> 00:27:48,720

the star people programs they're um

649

00:27:53,269 --> 00:27:51,120

they're working with individuals um you

650

00:27:55,830 --> 00:27:53,279

know out of their own wilder

651
00:27:57,830 --> 00:27:55,840
or uh they're not even interested in it

652
00:27:59,430 --> 00:27:57,840
but they're you know they experience it

653
00:28:01,029 --> 00:27:59,440
and these beings are

654
00:28:03,350 --> 00:28:01,039
helping us

655
00:28:05,990 --> 00:28:03,360
increase our consciousness

656
00:28:08,230 --> 00:28:06,000
uh one person at a time one

657
00:28:10,470 --> 00:28:08,240
one uh you know one at a time one moment

658
00:28:13,590 --> 00:28:10,480
at a time to help increase our our

659
00:28:15,510 --> 00:28:13,600
awareness understanding our evolution

660
00:28:17,909 --> 00:28:15,520
our minds our spirits

661
00:28:19,190 --> 00:28:17,919
um help us

662
00:28:21,269 --> 00:28:19,200
you know and

663
00:28:23,029 --> 00:28:21,279

help us out right so i think they're uh

664

00:28:24,870 --> 00:28:23,039

they're here to help us um do i think

665

00:28:27,430 --> 00:28:24,880

they do you know the sasquatch throwing

666

00:28:29,029 --> 00:28:27,440

rocks and whatnot or the et's doing you

667

00:28:30,870 --> 00:28:29,039

know taking them on in crafts and

668

00:28:32,549 --> 00:28:30,880

biological testing or doing things

669

00:28:34,470 --> 00:28:32,559

against their will

670

00:28:36,470 --> 00:28:34,480

i think that there is they're mostly

671

00:28:38,470 --> 00:28:36,480

benevolent but i think that there's

672

00:28:39,669 --> 00:28:38,480

still some

673

00:28:41,750 --> 00:28:39,679

those that

674

00:28:42,710 --> 00:28:41,760

you know aren't following the universal

675

00:28:44,310 --> 00:28:42,720

law

676
00:28:46,710 --> 00:28:44,320
of good intent and they have their own

677
00:28:49,669 --> 00:28:46,720
agendas and uh

678
00:28:52,149 --> 00:28:49,679
and uh it's just all real uh and i think

679
00:28:54,870 --> 00:28:52,159
we're in for a real treat

680
00:28:57,669 --> 00:28:54,880
well let me ask you um

681
00:28:59,190 --> 00:28:57,679
was you in so would you say that if you

682
00:29:00,789 --> 00:28:59,200
haven't had that experience with that

683
00:29:02,549 --> 00:29:00,799
being at the

684
00:29:05,029 --> 00:29:02,559
bottom of your bed that you wouldn't

685
00:29:07,029 --> 00:29:05,039
have really gone down this this rabbit

686
00:29:09,190 --> 00:29:07,039
hole so to say what do you think you you

687
00:29:11,269 --> 00:29:09,200
would all be always been prone to go

688
00:29:14,230 --> 00:29:11,279

down this road

689

00:29:16,389 --> 00:29:14,240

no i think well when i was young um

690

00:29:19,029 --> 00:29:16,399

like uh like for instance

691

00:29:20,950 --> 00:29:19,039

um what's really opened my eyes up is

692

00:29:22,710 --> 00:29:20,960

that my mom uh

693

00:29:25,029 --> 00:29:22,720

she was playing piano as a young girl

694

00:29:27,669 --> 00:29:25,039

and she got pains in her chest and long

695

00:29:29,430 --> 00:29:27,679

story short at that exact same time her

696

00:29:32,070 --> 00:29:29,440

grandfather died of a heart attack so

697

00:29:34,070 --> 00:29:32,080

she felt it passing away

698

00:29:36,230 --> 00:29:34,080

and then i went to egypt i saw the

699

00:29:38,310 --> 00:29:36,240

hieroglyphics of eternal life coming

700

00:29:40,870 --> 00:29:38,320

from the sun

701
00:29:43,190 --> 00:29:40,880
through all the different um families so

702
00:29:44,870 --> 00:29:43,200
the golden strand was cut so i always

703
00:29:46,630 --> 00:29:44,880
knew there's something more to it i've

704
00:29:48,789 --> 00:29:46,640
always been have my mind open to it and

705
00:29:51,350 --> 00:29:48,799
i've always waited beyond the bible with

706
00:29:53,909 --> 00:29:51,360
my studying of all uh you know ancient

707
00:29:55,510 --> 00:29:53,919
civilizations and religions there's more

708
00:29:58,230 --> 00:29:55,520
to it

709
00:29:59,990 --> 00:29:58,240
so i've always known inherently that uh

710
00:30:01,669 --> 00:30:00,000
there's much more going on so i don't

711
00:30:03,110 --> 00:30:01,679
know if you recall

712
00:30:05,590 --> 00:30:03,120
of the three beings do you remember me

713
00:30:07,510 --> 00:30:05,600

telling about in your show about three

714

00:30:10,149 --> 00:30:07,520

beings on the beach i can tell you that

715

00:30:11,029 --> 00:30:10,159

story again if you want um yes please do

716

00:30:13,510 --> 00:30:11,039

remember

717

00:30:15,830 --> 00:30:13,520

yeah um vaguely just please please

718

00:30:17,430 --> 00:30:15,840

understand you know uh yeah well because

719

00:30:19,590 --> 00:30:17,440

i've talked to a lot of people and it's

720

00:30:21,190 --> 00:30:19,600

been quite quite a bit so uh just

721

00:30:23,110 --> 00:30:21,200

because i don't remember i hope you

722

00:30:24,630 --> 00:30:23,120

don't mind recalling and that doesn't

723

00:30:30,710 --> 00:30:24,640

mean that i wasn't listening it just

724

00:30:34,549 --> 00:30:32,549

okay no it's just i have so much

725

00:30:36,710 --> 00:30:34,559

information is constantly uh you know

726

00:30:38,950 --> 00:30:36,720

throwing my way and so occasionally you

727

00:30:40,549 --> 00:30:38,960

just feel like a um hard drive you know

728

00:30:42,789 --> 00:30:40,559

information has to be cleared before

729

00:30:44,070 --> 00:30:42,799

others can come in but yeah before you

730

00:30:45,830 --> 00:30:44,080

before you tell that story just real

731

00:30:47,830 --> 00:30:45,840

quick i hope you don't mind me asking a

732

00:30:48,630 --> 00:30:47,840

question labels was asking

733

00:30:50,389 --> 00:30:48,640

um

734

00:30:52,549 --> 00:30:50,399

while she's listening asking

735

00:30:58,230 --> 00:30:52,559

uh does he get any messages from these

736

00:31:01,750 --> 00:30:59,269

what do you mean what do you think were

737

00:31:04,070 --> 00:31:01,760

messages i just think that there are

738

00:31:05,110 --> 00:31:04,080

literal literal experiences you know

739

00:31:06,149 --> 00:31:05,120

that we're

740

00:31:07,669 --> 00:31:06,159

um

741

00:31:11,350 --> 00:31:07,679

we're not alone

742

00:31:13,110 --> 00:31:11,360

we're telepathic beings ourselves

743

00:31:15,350 --> 00:31:13,120

we have to work on the development of

744

00:31:17,190 --> 00:31:15,360

our consciousness we have to be

745

00:31:18,470 --> 00:31:17,200

good we have to be honorable we have to

746

00:31:21,269 --> 00:31:18,480

be righteous

747

00:31:22,950 --> 00:31:21,279

if be honest we have to be helpful

748

00:31:24,789 --> 00:31:22,960

we have to take care of ourselves we

749

00:31:27,029 --> 00:31:24,799

have to respect our bodies

750

00:31:29,029 --> 00:31:27,039

we have to respect our planet

751
00:31:32,389 --> 00:31:29,039
we have to

752
00:31:33,669 --> 00:31:32,399
serve others and share it help and work

753
00:31:36,149 --> 00:31:33,679
hard

754
00:31:38,149 --> 00:31:36,159
and uh you know ultimately

755
00:31:40,389 --> 00:31:38,159
understand the power of the glory of it

756
00:31:42,950 --> 00:31:40,399
all and to know

757
00:31:45,190 --> 00:31:42,960
uh i know that god is real

758
00:31:49,029 --> 00:31:45,200
i know that uh

759
00:31:51,590 --> 00:31:49,039
that uh there's universal law and uh

760
00:31:53,029 --> 00:31:51,600
yeah hopefully that ask just ask if you

761
00:31:55,269 --> 00:31:53,039
want to follow up on that what do you

762
00:31:57,269 --> 00:31:55,279
mean by a message i'm happy to

763
00:31:59,430 --> 00:31:57,279

talk more about that but that's what i

764

00:32:00,870 --> 00:31:59,440

feel with it myself

765

00:32:02,230 --> 00:32:00,880

and at a point in my life where i just

766

00:32:03,669 --> 00:32:02,240

uh you know

767

00:32:05,830 --> 00:32:03,679

i think i'm mature enough just to say

768

00:32:07,430 --> 00:32:05,840

how it is now i don't care anymore what

769

00:32:08,789 --> 00:32:07,440

other people think of me i just i just

770

00:32:14,389 --> 00:32:08,799

speak my truth

771

00:32:18,389 --> 00:32:16,470

so tell you about the uh i'll type in uh

772

00:32:20,710 --> 00:32:18,399

for your show and everybody for

773

00:32:23,750 --> 00:32:20,720

the star people so um

774

00:32:25,190 --> 00:32:23,760

has invited to a uh a nice cottage

775

00:32:27,909 --> 00:32:25,200

um

776

00:32:29,669 --> 00:32:27,919

and uh we're all playing balderdash and

777

00:32:32,470 --> 00:32:29,679

uh it just got really stuffy in the

778

00:32:35,509 --> 00:32:32,480

cottage didn't have air conditioning so

779

00:32:37,990 --> 00:32:35,519

i got my friends up and we uh

780

00:32:39,669 --> 00:32:38,000

we all uh they my friends reluctantly

781

00:32:41,590 --> 00:32:39,679

wanted to go for a walk it was late at

782

00:32:43,269 --> 00:32:41,600

night and uh so anyways we're walking

783

00:32:44,870 --> 00:32:43,279

along the beach

784

00:32:47,430 --> 00:32:44,880

and i'm at the back with my my best

785

00:32:49,509 --> 00:32:47,440

friend he's in no [h__h] uh totally

786

00:32:50,389 --> 00:32:49,519

honest legitimate guy

787

00:32:53,190 --> 00:32:50,399

uh

788

00:32:54,630 --> 00:32:53,200

and all of a sudden he stops

789

00:32:56,310 --> 00:32:54,640

and then uh

790

00:32:57,750 --> 00:32:56,320

the four friends in front of us stopped

791

00:32:59,830 --> 00:32:57,760

too

792

00:33:01,909 --> 00:32:59,840

and i'm like look over at my buddy and

793

00:33:03,509 --> 00:33:01,919

he's just not responding and then i went

794

00:33:04,870 --> 00:33:03,519

for the other ones and

795

00:33:06,710 --> 00:33:04,880

they were just staring at the ground

796

00:33:09,029 --> 00:33:06,720

their paralysis and the fact that they

797

00:33:11,190 --> 00:33:09,039

were they all stopped all the same time

798

00:33:13,430 --> 00:33:11,200

really you know i thought to myself what

799

00:33:14,389 --> 00:33:13,440

the f is going on here right and all of

800

00:33:17,269 --> 00:33:14,399

a sudden

801
00:33:20,070 --> 00:33:17,279
the waves stopped uh moving

802
00:33:22,070 --> 00:33:20,080
and it was like the moon was pulled down

803
00:33:23,430 --> 00:33:22,080
very close to us and it became very

804
00:33:25,350 --> 00:33:23,440
magnetic

805
00:33:27,029 --> 00:33:25,360
i felt like this power over me that i've

806
00:33:30,230 --> 00:33:27,039
never felt before

807
00:33:33,269 --> 00:33:30,240
um it was an incredible magnetic power

808
00:33:35,669 --> 00:33:33,279
and like electromagnetic energy over me

809
00:33:37,350 --> 00:33:35,679
and i thought to myself why am i

810
00:33:39,750 --> 00:33:37,360
why am i able to

811
00:33:41,509 --> 00:33:39,760
this wasn't how am i able to be you know

812
00:33:42,630 --> 00:33:41,519
awaken this conscious my friends are

813
00:33:45,190 --> 00:33:42,640

totally

814

00:33:46,870 --> 00:33:45,200

locked up at paralysis and then i wanted

815

00:33:49,269 --> 00:33:46,880

an answer like what the [h__h] is going on

816

00:33:51,269 --> 00:33:49,279

here so i looked in the distance and

817

00:33:53,590 --> 00:33:51,279

there was these uh

818

00:33:54,870 --> 00:33:53,600

very tall skinny black

819

00:33:56,710 --> 00:33:54,880

beans

820

00:33:58,470 --> 00:33:56,720

and so i don't recall walking over to

821

00:34:00,070 --> 00:33:58,480

them but uh they were in triangle

822

00:34:01,509 --> 00:34:00,080

formation and

823

00:34:03,750 --> 00:34:01,519

i went to the closest one they're

824

00:34:07,590 --> 00:34:03,760

probably 30 feet apart which i thought

825

00:34:10,230 --> 00:34:07,600

was pretty uh pretty ridiculous because

826

00:34:11,510 --> 00:34:10,240

nobody stands 30 feet apart

827

00:34:13,829 --> 00:34:11,520

so all that kind of was like what the

828

00:34:15,750 --> 00:34:13,839

heck so anyways i was i

829

00:34:18,230 --> 00:34:15,760

immediately confronted like uh i'm not

830

00:34:20,310 --> 00:34:18,240

afraid of anybody right like salt

831

00:34:21,589 --> 00:34:20,320

or not really out of anything do i

832

00:34:23,829 --> 00:34:21,599

really want to go on one of the ships

833

00:34:25,750 --> 00:34:23,839

with them or meet these beings again i

834

00:34:27,909 --> 00:34:25,760

don't know about that but uh not quite

835

00:34:29,349 --> 00:34:27,919

there yet again but um never really

836

00:34:31,829 --> 00:34:29,359

asked for it to meet these beings maybe

837

00:34:32,829 --> 00:34:31,839

i did anyways so in front of this super

838

00:34:34,230 --> 00:34:32,839

tall

839

00:34:37,270 --> 00:34:34,240

uh the

840

00:34:39,510 --> 00:34:37,280

being is about eight or nine feet tall

841

00:34:41,750 --> 00:34:39,520

and uh the first thing i looked at was

842

00:34:44,710 --> 00:34:41,760

his eyes and uh

843

00:34:49,349 --> 00:34:46,470

angled like almond shaped kind of thing

844

00:34:51,109 --> 00:34:49,359

but they're very big um i would say

845

00:34:52,629 --> 00:34:51,119

they're about

846

00:34:55,750 --> 00:34:52,639

four feet

847

00:34:58,150 --> 00:34:55,760

wide and about three feet high

848

00:35:01,190 --> 00:34:58,160

um but the irises is what got me the

849

00:35:03,190 --> 00:35:01,200

irises were just totally incredible they

850

00:35:04,310 --> 00:35:03,200

were a purple

851
00:35:07,750 --> 00:35:04,320
blue

852
00:35:10,390 --> 00:35:07,760
a gold yellow with silver and i was like

853
00:35:13,430 --> 00:35:10,400
oh my god these eyes are just

854
00:35:15,109 --> 00:35:13,440
unlike any eyeball i've ever seen before

855
00:35:17,349 --> 00:35:15,119
and uh

856
00:35:18,550 --> 00:35:17,359
and so i looked at it i looked at him a

857
00:35:21,910 --> 00:35:18,560
bit more and

858
00:35:24,069 --> 00:35:21,920
uh his white tail skin had sharp teeth

859
00:35:26,790 --> 00:35:24,079
kind of looking other teeth

860
00:35:28,710 --> 00:35:26,800
um had a small nose

861
00:35:30,230 --> 00:35:28,720
was wearing a black thin suit that was

862
00:35:32,790 --> 00:35:30,240
kind of glimmering a bit with like a

863
00:35:35,270 --> 00:35:32,800

hood over it and there was one single

864

00:35:38,550 --> 00:35:35,280

strand a thick thick strand almost like

865

00:35:40,710 --> 00:35:38,560

maybe an antenna that was drooped over

866

00:35:42,390 --> 00:35:40,720

this being's forehead right about the

867

00:35:44,069 --> 00:35:42,400

center of the forehead

868

00:35:46,550 --> 00:35:44,079

and so i just looked up at him and i was

869

00:35:48,310 --> 00:35:46,560

gonna at first i want to say i'm like um

870

00:35:50,150 --> 00:35:48,320

like what's going on can you help me my

871

00:35:52,310 --> 00:35:50,160

friends are frozen but the second i

872

00:35:55,030 --> 00:35:52,320

realized it wasn't a human being

873

00:35:58,230 --> 00:35:55,040

i said to the being i said uh who are

874

00:36:00,790 --> 00:35:58,240

you you can't be here

875

00:36:03,430 --> 00:36:00,800

and the being looked down at me

876

00:36:06,069 --> 00:36:03,440

and in a very deep gargled voice and it

877

00:36:07,190 --> 00:36:06,079

was almost like all three of them

878

00:36:09,349 --> 00:36:07,200

were

879

00:36:10,150 --> 00:36:09,359

you know speaking in the same same time

880

00:36:13,910 --> 00:36:10,160

they

881

00:36:17,750 --> 00:36:13,920

being said we can come and go whenever

882

00:36:18,630 --> 00:36:17,760

we want nothing can stop us

883

00:36:20,630 --> 00:36:18,640

he said

884

00:36:23,030 --> 00:36:20,640

you say like this we can go whenever we

885

00:36:25,510 --> 00:36:23,040

want nothing could stop us and i just

886

00:36:27,349 --> 00:36:25,520

felt the power just

887

00:36:29,349 --> 00:36:27,359

pound through me and radiate through me

888

00:36:31,349 --> 00:36:29,359

i was like holy [h__\h]

889

00:36:32,950 --> 00:36:31,359

who are these beings

890

00:36:35,270 --> 00:36:32,960

and uh

891

00:36:36,230 --> 00:36:35,280

so i just another quick look at him and

892

00:36:40,390 --> 00:36:36,240

then

893

00:36:42,710 --> 00:36:40,400

with my friends and just like passed

894

00:36:44,870 --> 00:36:42,720

down the couch so peculiar usually i

895

00:36:46,390 --> 00:36:44,880

checked you say make sure i have water

896

00:36:48,630 --> 00:36:46,400

usually make sure the door is locked

897

00:36:50,310 --> 00:36:48,640

usually make sure i have a pillow

898

00:36:51,510 --> 00:36:50,320

we just went back to the cottage and

899

00:36:53,750 --> 00:36:51,520

passed out

900

00:36:55,750 --> 00:36:53,760

and the most another crazy thing about

901
00:36:57,910 --> 00:36:55,760
it is that driving home we didn't talk

902
00:37:00,150 --> 00:36:57,920
about it i didn't talk to my girlfriend

903
00:37:01,990 --> 00:37:00,160
about it we talked about everything

904
00:37:04,390 --> 00:37:02,000
and uh

905
00:37:06,150 --> 00:37:04,400
and it was until like a couple days

906
00:37:09,109 --> 00:37:06,160
later i started thinking about it and

907
00:37:11,190 --> 00:37:09,119
then uh just happened to my buddy

908
00:37:12,630 --> 00:37:11,200
um he was having a party in his house he

909
00:37:13,589 --> 00:37:12,640
always threw these awesome parties and

910
00:37:15,589 --> 00:37:13,599
uh

911
00:37:17,349 --> 00:37:15,599
there's about 15 20 of us and everybody

912
00:37:18,790 --> 00:37:17,359
who was the beaches we were there but

913
00:37:20,390 --> 00:37:18,800

also other friends

914

00:37:23,030 --> 00:37:20,400

and i said to them like just stop the

915

00:37:25,670 --> 00:37:23,040

party i'm like guys like do you remember

916

00:37:28,790 --> 00:37:25,680

you being frozen and they're like all we

917

00:37:31,510 --> 00:37:28,800

remember is you walking up to those

918

00:37:33,030 --> 00:37:31,520

those people in black suits that's all

919

00:37:34,390 --> 00:37:33,040

they remember like do you not remember

920

00:37:36,790 --> 00:37:34,400

being like putting my hand in front of

921

00:37:38,870 --> 00:37:36,800

you and asking you to respond or

922

00:37:40,710 --> 00:37:38,880

me going to you or to you or even no

923

00:37:42,550 --> 00:37:40,720

don't remember any of that

924

00:37:45,589 --> 00:37:42,560

at all

925

00:37:48,710 --> 00:37:45,599

and so yeah that happened

926
00:37:50,390 --> 00:37:48,720
did that have any lasting i guess impact

927
00:37:51,829 --> 00:37:50,400
on them or do they just kind of keep it

928
00:37:53,430 --> 00:37:51,839
in the back of their heads and move on

929
00:37:55,030 --> 00:37:53,440
with life

930
00:37:56,870 --> 00:37:55,040
yeah that's it that's it what can you do

931
00:37:58,630 --> 00:37:56,880
what can you do right it's like that

932
00:38:00,470 --> 00:37:58,640
happened like

933
00:38:02,550 --> 00:38:00,480
you know they've gone on to you guys

934
00:38:04,069 --> 00:38:02,560
still hang out

935
00:38:06,230 --> 00:38:04,079
yeah i'm very close to my friend the

936
00:38:08,470 --> 00:38:06,240
other ones since kovid we haven't really

937
00:38:10,550 --> 00:38:08,480
been uh that close but yeah my

938
00:38:12,310 --> 00:38:10,560

my body once saw him and we talked and

939

00:38:14,630 --> 00:38:12,320

uh he's doing his thing and does it have

940

00:38:17,030 --> 00:38:14,640

a good breath very well to do

941

00:38:18,550 --> 00:38:17,040

um well what's there to talk about buddy

942

00:38:20,150 --> 00:38:18,560

like

943

00:38:22,390 --> 00:38:20,160

you know you don't really talk too much

944

00:38:23,349 --> 00:38:22,400

about that just we just we're just aware

945

00:38:25,349 --> 00:38:23,359

that that

946

00:38:26,550 --> 00:38:25,359

that happened do you know what i mean

947

00:38:27,670 --> 00:38:26,560

people just don't want to talk about it

948

00:38:29,190 --> 00:38:27,680

right a lot of

949

00:38:30,710 --> 00:38:29,200

you know i can understand the

950

00:38:32,390 --> 00:38:30,720

upbringings and

951
00:38:34,069 --> 00:38:32,400
you know people being followers and

952
00:38:35,270 --> 00:38:34,079
being afraid or

953
00:38:36,790 --> 00:38:35,280
you know have enough on their plate

954
00:38:38,069 --> 00:38:36,800
already whatever it is they just don't

955
00:38:40,150 --> 00:38:38,079
want to talk they're not interested in

956
00:38:42,470 --> 00:38:40,160
it or they're scared right so

957
00:38:43,910 --> 00:38:42,480
i'm not scared because it happened so

958
00:38:45,270 --> 00:38:43,920
what can i do about it

959
00:38:49,109 --> 00:38:45,280
i'm sure

960
00:38:50,310 --> 00:38:49,119
experience too right

961
00:38:52,150 --> 00:38:50,320
right

962
00:38:54,550 --> 00:38:52,160
well neil do you think uh as you were

963
00:38:56,550 --> 00:38:54,560

saying that this is pretty much

964

00:38:58,150 --> 00:38:56,560

what raising consciousness one person at

965

00:38:59,829 --> 00:38:58,160

a time am i

966

00:39:01,670 --> 00:38:59,839

correctly recalling what the chiefs had

967

00:39:03,109 --> 00:39:01,680

just said that

968

00:39:04,470 --> 00:39:03,119

absolutely i don't yeah i don't want to

969

00:39:05,670 --> 00:39:04,480

put words in your mouth but what i'm

970

00:39:06,470 --> 00:39:05,680

basically saying

971

00:39:07,910 --> 00:39:06,480

so

972

00:39:09,990 --> 00:39:07,920

um well

973

00:39:11,670 --> 00:39:10,000

you know because a lot of times you know

974

00:39:13,190 --> 00:39:11,680

for people it's like it's a lot easier

975

00:39:15,030 --> 00:39:13,200

it's like okay well they just

976

00:39:16,790 --> 00:39:15,040

make their big announcements let

977

00:39:19,109 --> 00:39:16,800

themselves know they're here and and

978

00:39:19,990 --> 00:39:19,119

talk to our representatives and yada

979

00:39:23,750 --> 00:39:20,000

yada

980

00:39:26,710 --> 00:39:25,510

but do you have some personal experience

981

00:39:29,109 --> 00:39:26,720

with that or you mean just from the

982

00:39:31,510 --> 00:39:29,119

research you've done

983

00:39:34,390 --> 00:39:31,520

oh wally

984

00:39:37,829 --> 00:39:34,400

there's you know the israeli former

985

00:39:39,190 --> 00:39:37,839

uh minister of um i think defense or

986

00:39:41,910 --> 00:39:39,200

aerospace

987

00:39:44,790 --> 00:39:41,920

he already openly said that there are

988

00:39:47,190 --> 00:39:44,800

ufos and star people here don't use star

989

00:39:47,990 --> 00:39:47,200

people i use star people because et is

990

00:39:53,910 --> 00:39:48,000

uh

991

00:39:53,920 --> 00:39:57,990

i just read before you came on too

992

00:40:03,910 --> 00:40:01,589

this was he went back and forth 65.

993

00:40:05,990 --> 00:40:03,920

yeah the keane former defense minister

994

00:40:09,829 --> 00:40:06,000

uh he's passed through recently

995

00:40:12,069 --> 00:40:09,839

uh the honorable canadian paul

996

00:40:13,750 --> 00:40:12,079

minister of canada yeah yeah he openly

997

00:40:15,349 --> 00:40:13,760

talked about an rt

998

00:40:17,589 --> 00:40:15,359

there's this i can go on and on about it

999

00:40:20,069 --> 00:40:17,599

there's just so much evidence it's it's

1000

00:40:22,470 --> 00:40:20,079

real right i wanted to have him on uh

1001

00:40:24,790 --> 00:40:22,480

it's just unfortunate he didn't he

1002

00:40:26,950 --> 00:40:24,800

wasn't able to to do it and then soon

1003

00:40:28,230 --> 00:40:26,960

after i found out he passed but i really

1004

00:40:29,750 --> 00:40:28,240

would have loved to have him one and

1005

00:40:32,069 --> 00:40:29,760

talk to him

1006

00:40:33,990 --> 00:40:32,079

oh me too i tried to uh get a hold of

1007

00:40:35,190 --> 00:40:34,000

him and through a friend that's close to

1008

00:40:37,829 --> 00:40:35,200

him

1009

00:40:39,910 --> 00:40:37,839

um just didn't pan out i could i could

1010

00:40:41,109 --> 00:40:39,920

have visited him but i didn't want to

1011

00:40:42,390 --> 00:40:41,119

find out where he lives you know what i

1012

00:40:45,109 --> 00:40:42,400

mean but uh

1013

00:40:46,710 --> 00:40:45,119

yeah he's he openly um

1014

00:40:48,870 --> 00:40:46,720

he openly talked about there's just so

1015

00:40:50,150 --> 00:40:48,880

many i'm like even in the 40s and 50s

1016

00:40:51,670 --> 00:40:50,160

you know where did all the technology

1017

00:40:53,670 --> 00:40:51,680

come from right

1018

00:40:57,990 --> 00:40:53,680

you know they reverse engineering the

1019

00:41:01,109 --> 00:40:59,190

what are your thoughts i mean you don't

1020

00:41:03,670 --> 00:41:01,119

think we have enough ingenuity to come

1021

00:41:06,069 --> 00:41:03,680

up with some of it ourselves

1022

00:41:09,270 --> 00:41:06,079

oh absolutely 100 percent but i think

1023

00:41:11,030 --> 00:41:09,280

they're it was a catalyst that

1024

00:41:13,430 --> 00:41:11,040

they really helped us

1025

00:41:15,510 --> 00:41:13,440

advance and i honestly think what we see

1026

00:41:17,430 --> 00:41:15,520

right now like

1027

00:41:18,230 --> 00:41:17,440

we've seen the public what you and i you

1028

00:41:20,069 --> 00:41:18,240

know

1029

00:41:22,630 --> 00:41:20,079

can see or with technologies i think

1030

00:41:25,030 --> 00:41:22,640

that's about 80 to 100 years behind

1031

00:41:25,990 --> 00:41:25,040

what's really possible and hidden from

1032

00:41:27,670 --> 00:41:26,000

us

1033

00:41:30,950 --> 00:41:27,680

you know um

1034

00:41:32,870 --> 00:41:30,960

i get crumbs here and there but uh

1035

00:41:36,150 --> 00:41:32,880

yeah it's just uh

1036

00:41:38,710 --> 00:41:36,160

anyways we digress

1037

00:41:40,470 --> 00:41:38,720

well neil tell me what's what's next

1038

00:41:42,390 --> 00:41:40,480

what basically like you know it's the

1039

00:41:44,230 --> 00:41:42,400

same kind of uh the reason why i'm

1040

00:41:46,230 --> 00:41:44,240

asking you a question is this something

1041

00:41:47,829 --> 00:41:46,240

similar that i've been kind of mulling

1042

00:41:49,589 --> 00:41:47,839

over

1043

00:41:52,230 --> 00:41:49,599

when the next

1044

00:41:54,550 --> 00:41:52,240

chapter whenever that chapter would it

1045

00:41:57,510 --> 00:41:54,560

you know happened and occurred for me to

1046

00:41:59,270 --> 00:41:57,520

then move on you know and and

1047

00:42:01,510 --> 00:41:59,280

i guess have more experiences and talk

1048

00:42:03,670 --> 00:42:01,520

to you know to people more about what in

1049

00:42:04,790 --> 00:42:03,680

the world else happened unless that you

1050

00:42:06,710 --> 00:42:04,800

know until

1051

00:42:08,950 --> 00:42:06,720

that happens i don't you know i just

1052

00:42:09,750 --> 00:42:08,960

plan on doing what i've been doing but

1053

00:42:12,069 --> 00:42:09,760

um

1054

00:42:13,510 --> 00:42:12,079

uh what about you do you ever you know

1055

00:42:15,109 --> 00:42:13,520

is it just basically just keep on

1056

00:42:17,109 --> 00:42:15,119

researching and

1057

00:42:18,790 --> 00:42:17,119

and just keep gaining as much knowledge

1058

00:42:21,589 --> 00:42:18,800

as you can or

1059

00:42:23,430 --> 00:42:21,599

do you just do occasionally

1060

00:42:26,309 --> 00:42:23,440

go up to people and say hey let me tell

1061

00:42:29,270 --> 00:42:27,589

yeah like

1062

00:42:31,750 --> 00:42:29,280

you know a lot of people they don't they

1063

00:42:33,190 --> 00:42:31,760

don't talk about it but i'm sure if i

1064

00:42:34,630 --> 00:42:33,200

became friends with them or openly

1065

00:42:37,030 --> 00:42:34,640

talked about them i'm sure they've had

1066

00:42:38,670 --> 00:42:37,040

experiences like one of my professors

1067

00:42:41,349 --> 00:42:38,680

had this large

1068

00:42:45,190 --> 00:42:41,359

1963 he was in a farm

1069

00:42:48,069 --> 00:42:45,200

a family owned a farm and this large

1070

00:42:49,190 --> 00:42:48,079

spaceship came over the house and took

1071

00:42:50,150 --> 00:42:49,200

off

1072

00:42:51,430 --> 00:42:50,160

um

1073

00:42:54,069 --> 00:42:51,440

so i can't i couldn't believe that he

1074

00:42:56,870 --> 00:42:54,079

told me that but i mean like um you know

1075

00:42:58,390 --> 00:42:56,880

where's this all going like uh do i do i

1076

00:42:59,510 --> 00:42:58,400

wanted to do i do

1077

00:43:01,589 --> 00:42:59,520

research

1078

00:43:03,109 --> 00:43:01,599

to be real with you i i really don't do

1079

00:43:05,750 --> 00:43:03,119

any research on

1080

00:43:08,550 --> 00:43:05,760

star people or ufos anymore

1081

00:43:10,630 --> 00:43:08,560

i don't need to see i've seen 21 ufos

1082

00:43:12,630 --> 00:43:10,640

i've had two experiences or even

1083

00:43:14,470 --> 00:43:12,640

probably three like only two that just

1084

00:43:16,390 --> 00:43:14,480

popped my mind i was out

1085

00:43:17,990 --> 00:43:16,400

in the country uh no one else in the

1086

00:43:20,150 --> 00:43:18,000

road middle of nowhere

1087

00:43:21,750 --> 00:43:20,160

and there was this um

1088

00:43:23,349 --> 00:43:21,760

large

1089

00:43:25,109 --> 00:43:23,359

object uh

1090

00:43:27,510 --> 00:43:25,119

deep in the trees

1091

00:43:31,510 --> 00:43:27,520

uh the edge of the tree line where the

1092

00:43:34,309 --> 00:43:31,520

farm was kind of thing and it had a uh

1093

00:43:37,589 --> 00:43:34,319

it was all lit up in um

1094

00:43:39,670 --> 00:43:37,599

white uh or like a gold line around or

1095

00:43:41,829 --> 00:43:39,680

like a white line around it

1096

00:43:45,109 --> 00:43:41,839

but it had a red light on the top of it

1097

00:43:47,109 --> 00:43:45,119

and it was rotating slowly

1098

00:43:49,109 --> 00:43:47,119

i think your breath is too close to the

1099

00:43:52,230 --> 00:43:49,119

mic so you just back up just a little

1100

00:43:55,430 --> 00:43:52,240

bit yeah otherwise you sound great

1101
00:43:56,790 --> 00:43:55,440
sorry yeah okay so um so i pulled over

1102
00:43:58,870 --> 00:43:56,800
because i saw this for some reason i

1103
00:44:01,589 --> 00:43:58,880
pulled over in this country road i have

1104
00:44:04,069 --> 00:44:01,599
no idea why i pulled over but because

1105
00:44:05,910 --> 00:44:04,079
there was this object i guess it was big

1106
00:44:08,550 --> 00:44:05,920
and it was it was kind of on the tree

1107
00:44:11,589 --> 00:44:08,560
line about a farmer's field

1108
00:44:12,630 --> 00:44:11,599
probably about 500 feet away maybe

1109
00:44:15,990 --> 00:44:12,640
and

1110
00:44:17,349 --> 00:44:16,000
this object lit up the uh the tree line

1111
00:44:20,069 --> 00:44:17,359
the in the

1112
00:44:22,710 --> 00:44:20,079
in the kind of corn kind of thing area

1113
00:44:25,109 --> 00:44:22,720

with like a white or gold light

1114

00:44:27,109 --> 00:44:25,119

and then it had this red

1115

00:44:30,390 --> 00:44:27,119

red uh light

1116

00:44:32,069 --> 00:44:30,400

on the top of it it was slowly rotating

1117

00:44:34,390 --> 00:44:32,079

i thought to myself that's not farm

1118

00:44:36,950 --> 00:44:34,400

equipment it's not it's not harvest

1119

00:44:39,109 --> 00:44:36,960

season the corn is still growing

1120

00:44:40,790 --> 00:44:39,119

and i thought to myself i better [h__h]

1121

00:44:42,950 --> 00:44:40,800

get out of here into my car and encase

1122

00:44:45,109 --> 00:44:42,960

my car because insulin i've heard that

1123

00:44:47,190 --> 00:44:45,119

these objects can uh these crafts can

1124

00:44:49,510 --> 00:44:47,200

disable electronics

1125

00:44:51,030 --> 00:44:49,520

you know so i'm like my car better

1126

00:44:52,470 --> 00:44:51,040

started up so i got out of there what

1127

00:44:54,150 --> 00:44:52,480

the [h__\h] was that

1128

00:44:55,510 --> 00:44:54,160

and then um i was driving home then

1129

00:44:57,990 --> 00:44:55,520

above uh

1130

00:45:00,550 --> 00:44:58,000

lake there was this uh

1131

00:45:03,829 --> 00:45:00,560

uh kind of like a diamond shape on an

1132

00:45:07,430 --> 00:45:03,839

angle uh object probably a boat

1133

00:45:10,550 --> 00:45:07,440

800 feet uh tall and uh

1134

00:45:13,990 --> 00:45:10,560

it was um almost like a hologram

1135

00:45:16,390 --> 00:45:14,000

it had a gray uh perimeter to it but the

1136

00:45:18,230 --> 00:45:16,400

inside of it the hologram was great too

1137

00:45:19,829 --> 00:45:18,240

but it was kind of like it was liquidy

1138

00:45:23,109 --> 00:45:19,839

and moving a bit

1139

00:45:25,829 --> 00:45:23,119

um the peculiar thing was that

1140

00:45:28,390 --> 00:45:25,839

it uh it was very high winds like 90

1141

00:45:29,430 --> 00:45:28,400

kilometer or whatever 100 mile an hour

1142

00:45:31,109 --> 00:45:29,440

winds

1143

00:45:33,910 --> 00:45:31,119

and

1144

00:45:35,829 --> 00:45:33,920

he was just sitting there stationary uh

1145

00:45:36,790 --> 00:45:35,839

probably i don't know eight ten thousand

1146

00:45:38,870 --> 00:45:36,800

feet

1147

00:45:41,109 --> 00:45:38,880

uh i'm not moving another popped in my

1148

00:45:43,349 --> 00:45:41,119

mind just now was um

1149

00:45:45,030 --> 00:45:43,359

i was out fishing the middle of nowhere

1150

00:45:47,270 --> 00:45:45,040

literally you can drink beer in the boat

1151
00:45:49,750 --> 00:45:47,280
and nobody cares you're on your own

1152
00:45:51,670 --> 00:45:49,760
middle of nowhere kind of thing and

1153
00:45:53,750 --> 00:45:51,680
it was first thing in the morning

1154
00:45:56,710 --> 00:45:53,760
and there was this

1155
00:45:58,309 --> 00:45:56,720
silver tube-like object very very high

1156
00:46:00,550 --> 00:45:58,319
up probably

1157
00:46:02,630 --> 00:46:00,560
probably 50 000 feet way higher than

1158
00:46:04,790 --> 00:46:02,640
flame planes fly just sitting there not

1159
00:46:06,710 --> 00:46:04,800
moving at all and then almost i was

1160
00:46:08,309 --> 00:46:06,720
watching it for five minutes and it

1161
00:46:11,190 --> 00:46:08,319
vanished

1162
00:46:12,230 --> 00:46:11,200
like faster than the light turns off

1163
00:46:13,030 --> 00:46:12,240

uh

1164

00:46:18,950 --> 00:46:13,040

so

1165

00:46:20,550 --> 00:46:18,960

um you know i i commend you and i

1166

00:46:22,309 --> 00:46:20,560

implore you to keep searching whatever

1167

00:46:24,309 --> 00:46:22,319

you feel that you should use your time

1168

00:46:25,510 --> 00:46:24,319

for and your energy for and to get back

1169

00:46:27,589 --> 00:46:25,520

or whatever you reason why i do your

1170

00:46:30,710 --> 00:46:27,599

show and whatnot but for me i'm kind of

1171

00:46:32,550 --> 00:46:30,720

done with the uh the star people and uh

1172

00:46:34,870 --> 00:46:32,560

and the ufos for now i've seen enough

1173

00:46:36,710 --> 00:46:34,880

i've experienced enough i know enough

1174

00:46:39,109 --> 00:46:36,720

i'm satisfied i wanted to know if it's

1175

00:46:40,230 --> 00:46:39,119

real and it's real so now i really want

1176

00:46:43,030 --> 00:46:40,240

to know

1177

00:46:44,870 --> 00:46:43,040

100 i want to meet i want to meet a

1178

00:46:47,670 --> 00:46:44,880

sasquatch and

1179

00:46:49,349 --> 00:46:47,680

the way i'm going to do this is um

1180

00:46:51,910 --> 00:46:49,359

is that i have to

1181

00:46:55,270 --> 00:46:51,920

i'm going to meditate beforehand

1182

00:46:57,349 --> 00:46:55,280

uh maybe fast a little bit

1183

00:46:59,670 --> 00:46:57,359

come into my my heart

1184

00:47:02,470 --> 00:46:59,680

into you know a deep place within me

1185

00:47:04,790 --> 00:47:02,480

becomes a seer fill myself full of love

1186

00:47:05,910 --> 00:47:04,800

and i'm gonna go alone into a forest to

1187

00:47:08,829 --> 00:47:05,920

meditate

1188

00:47:11,910 --> 00:47:08,839

and send out telepathic messages to

1189

00:47:14,390 --> 00:47:11,920

them and maybe they'll appear maybe

1190

00:47:16,150 --> 00:47:14,400

they'll show themselves so i'm still a

1191

00:47:19,190 --> 00:47:16,160

bit hesitant to do it

1192

00:47:20,470 --> 00:47:19,200

uh just because you know these beings

1193

00:47:23,030 --> 00:47:20,480

they're said to be

1194

00:47:26,390 --> 00:47:23,040

consensus is they're upwards of 800 feet

1195

00:47:27,430 --> 00:47:26,400

tall they're extremely strong

1196

00:47:30,470 --> 00:47:27,440

um

1197

00:47:33,030 --> 00:47:30,480

they're you said 800 feet tall

1198

00:47:34,870 --> 00:47:33,040

sorry sorry sorry 800 300 pounds and

1199

00:47:38,549 --> 00:47:34,880

they're

1200

00:47:41,030 --> 00:47:38,559

their you know their they have children

1201
00:47:42,950 --> 00:47:41,040
too right so they could be upwards of 10

1202
00:47:45,109 --> 00:47:42,960
12 14 feet tall

1203
00:47:46,549 --> 00:47:45,119
um i've heard that they they're able to

1204
00:47:49,109 --> 00:47:46,559
climb over

1205
00:47:51,430 --> 00:47:49,119
entire like huge trees with nothing like

1206
00:47:53,829 --> 00:47:51,440
the one i saw went right up that that

1207
00:47:55,750 --> 00:47:53,839
mountain that didn't even stop in like

1208
00:47:57,270 --> 00:47:55,760
15 minutes like no human could do that

1209
00:47:59,270 --> 00:47:57,280
that's ridiculous

1210
00:48:01,430 --> 00:47:59,280
the strength of power and the endurance

1211
00:48:03,270 --> 00:48:01,440
stamina these beings cardiovascular

1212
00:48:05,109 --> 00:48:03,280
system no humans do it

1213
00:48:07,349 --> 00:48:05,119

so you know i'm kind of a bit hesitant

1214

00:48:08,390 --> 00:48:07,359

to go in the forest alone you know meet

1215

00:48:14,870 --> 00:48:08,400

them

1216

00:48:17,109 --> 00:48:14,880

so i've got other experiences too like

1217

00:48:17,829 --> 00:48:17,119

uh through meditation and whatnot you

1218

00:48:22,790 --> 00:48:17,839

know

1219

00:48:25,190 --> 00:48:22,800

sure your pineal gland is decalcified

1220

00:48:27,750 --> 00:48:25,200

that your organs are clean

1221

00:48:30,549 --> 00:48:27,760

um and drink lots of pure you know

1222

00:48:32,390 --> 00:48:30,559

spring water or purified water

1223

00:48:34,069 --> 00:48:32,400

uh a firm believer in that you have to

1224

00:48:35,990 --> 00:48:34,079

eat you know skip your body you really

1225

00:48:37,670 --> 00:48:36,000

got to take care of your body eating

1226

00:48:40,710 --> 00:48:37,680

a bit of a tangent here but eating

1227

00:48:43,030 --> 00:48:40,720

fruits and lots of fruits and vegetables

1228

00:48:45,030 --> 00:48:43,040

lots of water pure water

1229

00:48:47,910 --> 00:48:45,040

uh but lots of

1230

00:48:49,190 --> 00:48:47,920

get off the the hard oils get off the

1231

00:48:50,390 --> 00:48:49,200

sugars

1232

00:48:52,870 --> 00:48:50,400

start eating lots of fruits and

1233

00:48:54,549 --> 00:48:52,880

vegetables yeah get off carbs are okay

1234

00:48:57,190 --> 00:48:54,559

right but i mean start eating white fish

1235

00:48:59,750 --> 00:48:57,200

processed processed crops i mean

1236

00:49:01,990 --> 00:48:59,760

yeah i'm against gmos i mean because

1237

00:49:03,990 --> 00:49:02,000

processed foods i think you should eat

1238

00:49:06,870 --> 00:49:04,000

the most natural foods you should be

1239

00:49:08,630 --> 00:49:06,880

consuming olive oil avocado oil only

1240

00:49:11,430 --> 00:49:08,640

really for oils

1241

00:49:14,390 --> 00:49:11,440

himalayan salt use all the spices you

1242

00:49:18,069 --> 00:49:14,400

can lots of raw garlic

1243

00:49:19,670 --> 00:49:18,079

support local farmers um

1244

00:49:21,510 --> 00:49:19,680

uh eat lots of

1245

00:49:22,950 --> 00:49:21,520

you know broccoli and whatnot but also

1246

00:49:24,309 --> 00:49:22,960

you can eat your meat and why not have a

1247

00:49:25,670 --> 00:49:24,319

burger once in a while but you really

1248

00:49:27,030 --> 00:49:25,680

gotta focus on your health because

1249

00:49:28,790 --> 00:49:27,040

that's huge

1250

00:49:30,630 --> 00:49:28,800

well you know uh just something to go

1251

00:49:32,390 --> 00:49:30,640

along with what you're saying

1252

00:49:34,870 --> 00:49:32,400

you know i was um

1253

00:49:37,270 --> 00:49:34,880

this was like many years ago i was asked

1254

00:49:39,589 --> 00:49:37,280

to do like this record this it was

1255

00:49:42,069 --> 00:49:39,599

called crystal fest and i think um it

1256

00:49:44,950 --> 00:49:42,079

was always happening san luis by this

1257

00:49:46,870 --> 00:49:44,960

particular park and um so i was kind of

1258

00:49:48,790 --> 00:49:46,880

going around to record these different

1259

00:49:51,910 --> 00:49:48,800

vendors and these different places to

1260

00:49:55,190 --> 00:49:51,920

then make a video for promotions later

1261

00:49:56,630 --> 00:49:55,200

on so they you know for next year and so

1262

00:49:58,710 --> 00:49:56,640

as i was going around i was kind of

1263

00:50:00,950 --> 00:49:58,720

talking to vendors asking questions and

1264

00:50:03,270 --> 00:50:00,960

things like that and something very

1265

00:50:05,349 --> 00:50:03,280

obvious but that's really unless you

1266

00:50:08,069 --> 00:50:05,359

hear it again it really doesn't stick

1267

00:50:10,870 --> 00:50:08,079

with you there was this family and

1268

00:50:12,630 --> 00:50:10,880

they it was husband and wife and had a

1269

00:50:14,150 --> 00:50:12,640

young daughter and she's just sitting

1270

00:50:15,910 --> 00:50:14,160

there among all those vegetables and

1271

00:50:17,910 --> 00:50:15,920

she's just you know biting into that

1272

00:50:20,309 --> 00:50:17,920

pepper and just having a great time you

1273

00:50:21,190 --> 00:50:20,319

know and so i was talking to him and

1274

00:50:23,270 --> 00:50:21,200

they were

1275

00:50:25,750 --> 00:50:23,280

organic farmers and she said something

1276

00:50:28,630 --> 00:50:25,760

that was like duh you know but it really

1277

00:50:30,470 --> 00:50:28,640

resonated with me she said we see food

1278

00:50:32,069 --> 00:50:30,480

as medicine

1279

00:50:33,670 --> 00:50:32,079

you know and

1280

00:50:35,750 --> 00:50:33,680

we don't think about that you know all

1281

00:50:37,829 --> 00:50:35,760

those have a chemical effect on on the

1282

00:50:40,710 --> 00:50:37,839

rest of the the chemistry in the

1283

00:50:43,829 --> 00:50:40,720

chemical factory that the body is you

1284

00:50:45,589 --> 00:50:43,839

know and so we only always think of food

1285

00:50:47,510 --> 00:50:45,599

as just something you do but then when

1286

00:50:50,230 --> 00:50:47,520

you're sick or need healing then you go

1287

00:50:52,390 --> 00:50:50,240

to drugs right uh meant like the

1288

00:50:54,549 --> 00:50:52,400

pharmaceutical drugs i should say and so

1289

00:50:56,309 --> 00:50:54,559

anyway it was very interesting that you

1290

00:50:58,390 --> 00:50:56,319

know how important it is like you

1291

00:51:00,549 --> 00:50:58,400

mentioned to watch from the beginning

1292

00:51:03,030 --> 00:51:00,559

you know what you eat you know god knows

1293

00:51:05,109 --> 00:51:03,040

i've never been you know one to to

1294

00:51:07,510 --> 00:51:05,119

always pay close attention i've only

1295

00:51:09,430 --> 00:51:07,520

recently started doing that you know and

1296

00:51:11,349 --> 00:51:09,440

um why because all these different

1297

00:51:13,510 --> 00:51:11,359

adverse effects i was starting to feel

1298

00:51:16,390 --> 00:51:13,520

within my body and all he really took is

1299

00:51:18,309 --> 00:51:16,400

just make that change you know cut out

1300

00:51:20,549 --> 00:51:18,319

as much carbs as possible all these

1301
00:51:22,549 --> 00:51:20,559
different things and then like your head

1302
00:51:25,349 --> 00:51:22,559
clears up all these different things are

1303
00:51:27,829 --> 00:51:25,359
just happening without this magical drug

1304
00:51:29,670 --> 00:51:27,839
all it took is just this specific type

1305
00:51:31,910 --> 00:51:29,680
of food that i guess your body's always

1306
00:51:33,589 --> 00:51:31,920
been craving but we just kept ignoring

1307
00:51:37,510 --> 00:51:33,599
it

1308
00:51:38,230 --> 00:51:37,520
you're saying let food be thy medicine

1309
00:51:40,549 --> 00:51:38,240
so

1310
00:51:43,109 --> 00:51:40,559
you got to ask yourself this

1311
00:51:45,670 --> 00:51:43,119
do you want when you're older do you

1312
00:51:46,470 --> 00:51:45,680
want to spend your money on

1313
00:51:53,349 --> 00:51:46,480

your

1314

00:51:54,790 --> 00:51:53,359

being in the hospital all the time or

1315

00:51:56,150 --> 00:51:54,800

taking pills all the time and spending

1316

00:51:58,390 --> 00:51:56,160

your money on that

1317

00:52:00,230 --> 00:51:58,400

or right now your next move you make the

1318

00:52:02,549 --> 00:52:00,240

next time you go to the grocery store or

1319

00:52:04,230 --> 00:52:02,559

go you're hungry are you gonna make a

1320

00:52:05,829 --> 00:52:04,240

choice that's gonna be medicine for you

1321

00:52:08,150 --> 00:52:05,839

that's good for you

1322

00:52:09,750 --> 00:52:08,160

that's healthy for you

1323

00:52:10,630 --> 00:52:09,760

it's your choice you always have the

1324

00:52:12,230 --> 00:52:10,640

choice

1325

00:52:14,790 --> 00:52:12,240

and you know it's not expensive at this

1326

00:52:18,470 --> 00:52:15,589

well

1327

00:52:20,230 --> 00:52:18,480

yeah yeah can be but i mean it's worth

1328

00:52:21,829 --> 00:52:20,240

it it's an investment you're investing

1329

00:52:24,230 --> 00:52:21,839

and you're also voting with your dollars

1330

00:52:26,950 --> 00:52:24,240

your money you spend it's the future you

1331

00:52:27,829 --> 00:52:26,960

want so if you're helping local farmers

1332

00:52:31,589 --> 00:52:27,839

or

1333

00:52:33,750 --> 00:52:31,599

just popped into my mind you know start

1334

00:52:35,670 --> 00:52:33,760

cooking on your own you know

1335

00:52:37,030 --> 00:52:35,680

get a slow cooker all that stuff you

1336

00:52:38,549 --> 00:52:37,040

know we don't get too much off topic

1337

00:52:40,470 --> 00:52:38,559

here but i'm a firm believer that you

1338

00:52:41,990 --> 00:52:40,480

really got to take care of yourself

1339

00:52:43,109 --> 00:52:42,000

because it's all your body's a temple

1340

00:52:47,109 --> 00:52:43,119

right

1341

00:52:49,510 --> 00:52:47,119

lot with the different alien context too

1342

00:52:51,030 --> 00:52:49,520

because it's more conducive to contact

1343

00:52:53,910 --> 00:52:51,040

when you're more clear-headed and you're

1344

00:52:55,190 --> 00:52:53,920

not bogged down and not constantly you

1345

00:52:57,829 --> 00:52:55,200

know having to

1346

00:52:59,670 --> 00:52:57,839

fight off some kind of cold or something

1347

00:53:02,309 --> 00:52:59,680

you know contacts and things like what

1348

00:53:05,349 --> 00:53:02,319

you've experienced they're a lot more

1349

00:53:07,270 --> 00:53:05,359

you know prone to happen more easily

1350

00:53:08,309 --> 00:53:07,280

than to have to you know fight through

1351
00:53:10,150 --> 00:53:08,319
the fog

1352
00:53:11,990 --> 00:53:10,160
most of us are in you know you don't

1353
00:53:14,470 --> 00:53:12,000
realize you know how much of a fog we're

1354
00:53:16,630 --> 00:53:14,480
in until you do let's say like keto for

1355
00:53:18,630 --> 00:53:16,640
a month and you go like wow i feel like

1356
00:53:20,630 --> 00:53:18,640
i just woke up you know where i've been

1357
00:53:22,710 --> 00:53:20,640
all this time you know and it's so

1358
00:53:25,030 --> 00:53:22,720
interesting uh you know what it affected

1359
00:53:27,349 --> 00:53:25,040
and it was just food just a slight

1360
00:53:30,309 --> 00:53:27,359
change and you know in the way you you

1361
00:53:32,549 --> 00:53:30,319
know what what you eat but anyway what

1362
00:53:35,270 --> 00:53:32,559
um um you know what's interesting i've

1363
00:53:37,430 --> 00:53:35,280

kind of was been feeling in a similar

1364

00:53:39,670 --> 00:53:37,440

way about when it comes to

1365

00:53:42,710 --> 00:53:39,680

not to like quit the channel or anything

1366

00:53:44,870 --> 00:53:42,720

like that regarding ufos but just to

1367

00:53:46,950 --> 00:53:44,880

when i had my experiences it almost was

1368

00:53:48,950 --> 00:53:46,960

like okay i'm done i learned what i need

1369

00:53:50,790 --> 00:53:48,960

to learn i see what it's about and i

1370

00:53:53,270 --> 00:53:50,800

just wanted to kind of move forward but

1371

00:53:55,270 --> 00:53:53,280

it just became um

1372

00:53:58,549 --> 00:53:55,280

you know a little bit a bit more of a

1373

00:54:00,390 --> 00:53:58,559

hassle you know um because

1374

00:54:02,549 --> 00:54:00,400

i thought i wanted to to move on but

1375

00:54:04,870 --> 00:54:02,559

then the next thing i know i keep kept

1376
00:54:07,349 --> 00:54:04,880
finding myself more and more talking to

1377
00:54:09,030 --> 00:54:07,359
people about aliens and contact and all

1378
00:54:10,710 --> 00:54:09,040
this other stuff you know and then of

1379
00:54:13,430 --> 00:54:10,720
course i don't you know without having

1380
00:54:15,829 --> 00:54:13,440
to rehash my story how that i ended up

1381
00:54:18,390 --> 00:54:15,839
starting this channel but um

1382
00:54:20,470 --> 00:54:18,400
you know even now as i was you know

1383
00:54:22,470 --> 00:54:20,480
telling you just a bit ago i'm just

1384
00:54:24,470 --> 00:54:22,480
gonna chill you know keep doing the show

1385
00:54:26,230 --> 00:54:24,480
and all that and then if something else

1386
00:54:28,309 --> 00:54:26,240
happens of course i'll update someone

1387
00:54:30,950 --> 00:54:28,319
immediately but until that happens it's

1388
00:54:33,349 --> 00:54:30,960

like i don't know how much more than

1389

00:54:35,829 --> 00:54:33,359

there is for me to go you know i've

1390

00:54:38,069 --> 00:54:35,839

talked i've recorded talks i've

1391

00:54:40,309 --> 00:54:38,079

explained as much as i could you know

1392

00:54:42,150 --> 00:54:40,319

and uh from time to time i tried to

1393

00:54:44,069 --> 00:54:42,160

still answer some questions if i can

1394

00:54:47,030 --> 00:54:44,079

from my personal experience not that

1395

00:54:49,589 --> 00:54:47,040

this is the the all be all answers just

1396

00:54:52,309 --> 00:54:49,599

from my personal experience i can add my

1397

00:54:54,549 --> 00:54:52,319

two cents you know but other than that

1398

00:54:57,510 --> 00:54:54,559

you know i i you know i'm just gonna

1399

00:54:59,430 --> 00:54:57,520

chill and i've kind of not moved on but

1400

00:55:02,069 --> 00:54:59,440

i kind of started getting more into some

1401

00:55:04,870 --> 00:55:02,079

other things like um just

1402

00:55:06,950 --> 00:55:04,880

you know getting more um just

1403

00:55:09,030 --> 00:55:06,960

family-like different hobbies and things

1404

00:55:11,510 --> 00:55:09,040

like that to just pick things up that

1405

00:55:14,870 --> 00:55:11,520

kind of i had to put on hold you know

1406

00:55:16,630 --> 00:55:14,880

close to 15 20 years ago now and so

1407

00:55:17,990 --> 00:55:16,640

anyway um

1408

00:55:19,510 --> 00:55:18,000

i don't know if

1409

00:55:22,150 --> 00:55:19,520

if there's anyone else out there that

1410

00:55:24,069 --> 00:55:22,160

feels the similar way as you do and in a

1411

00:55:26,549 --> 00:55:24,079

way in a way i feel like we both feel

1412

00:55:28,630 --> 00:55:26,559

the same way you know sasquatch would be

1413

00:55:30,230 --> 00:55:28,640

a great thing to then spend a little bit

1414

00:55:32,230 --> 00:55:30,240

more time researching because after all

1415

00:55:35,510 --> 00:55:32,240

they're already here

1416

00:55:37,589 --> 00:55:35,520

you know and yeah check out uh check out

1417

00:55:39,829 --> 00:55:37,599

how how to hunt

1418

00:55:41,829 --> 00:55:39,839

on youtube all one word

1419

00:55:44,069 --> 00:55:41,839

that's um

1420

00:55:47,109 --> 00:55:44,079

how to hunt

1421

00:55:49,270 --> 00:55:47,119

okay it's uh a youtube channel

1422

00:55:51,750 --> 00:55:49,280

it's all one word and he uh just like

1423

00:55:52,950 --> 00:55:51,760

like kind of like yours here uh he gets

1424

00:55:55,270 --> 00:55:52,960

emailed

1425

00:55:57,349 --> 00:55:55,280

um his two emails you can people send in

1426
00:55:59,270 --> 00:55:57,359
their experiences to him and he selects

1427
00:56:01,990 --> 00:55:59,280
them reads them out online maybe you

1428
00:56:04,390 --> 00:56:02,000
want to do that with ufo hub how people

1429
00:56:06,549 --> 00:56:04,400
email you their experiences and you can

1430
00:56:08,789 --> 00:56:06,559
read them out and make youtube videos

1431
00:56:10,309 --> 00:56:08,799
about it that'd be awesome too or right

1432
00:56:12,069 --> 00:56:10,319
i love this live

1433
00:56:14,630 --> 00:56:12,079
yeah i would rather people call in

1434
00:56:16,230 --> 00:56:14,640
because it's you hear the other person

1435
00:56:17,270 --> 00:56:16,240
and you can hear them recalling their

1436
00:56:19,910 --> 00:56:17,280
stuff

1437
00:56:21,589 --> 00:56:19,920
for one you know especially with this

1438
00:56:23,990 --> 00:56:21,599

like a lot people don't realize i'm

1439

00:56:25,750 --> 00:56:24,000

about three feet away from my screen

1440

00:56:27,430 --> 00:56:25,760

really you know it seems closer on the

1441

00:56:29,670 --> 00:56:27,440

screen than what it actually is and then

1442

00:56:31,589 --> 00:56:29,680

me having to read it and stumbling and

1443

00:56:33,670 --> 00:56:31,599

all this stuff i'd rather not put

1444

00:56:36,230 --> 00:56:33,680

people through that you know but you

1445

00:56:38,789 --> 00:56:36,240

know something like that questions

1446

00:56:41,190 --> 00:56:38,799

um nothing i could see from from here

1447

00:56:44,069 --> 00:56:41,200

they were just asking me generally but

1448

00:56:46,309 --> 00:56:44,079

no i personally you know niels i don't

1449

00:56:48,150 --> 00:56:46,319

you know but uh you know because i know

1450

00:56:51,030 --> 00:56:48,160

exactly what you're talking about and i

1451

00:56:52,390 --> 00:56:51,040

i know the boat you're in so to speak

1452

00:56:53,349 --> 00:56:52,400

and um

1453

00:56:55,670 --> 00:56:53,359

i just

1454

00:56:58,789 --> 00:56:55,680

i hope i wish you good luck with uh you

1455

00:57:01,109 --> 00:56:58,799

know whatever comes up with with your uh

1456

00:57:03,030 --> 00:57:01,119

you know sasquatch research and and the

1457

00:57:04,549 --> 00:57:03,040

things you wanted to do there love to

1458

00:57:07,030 --> 00:57:04,559

talk to you again if if there's some

1459

00:57:09,030 --> 00:57:07,040

progress in that end

1460

00:57:11,670 --> 00:57:09,040

yeah one thing that kind of what i've

1461

00:57:12,549 --> 00:57:11,680

learned from how to hunt what the

1462

00:57:13,750 --> 00:57:12,559

do

1463

00:57:17,030 --> 00:57:13,760

is that

1464

00:57:19,750 --> 00:57:17,040

they'll they'll take a tree and

1465

00:57:22,870 --> 00:57:19,760

the the place i go to i found a tree

1466

00:57:24,390 --> 00:57:22,880

that's been broken off at about like 10

1467

00:57:26,150 --> 00:57:24,400

or 12 feet

1468

00:57:28,230 --> 00:57:26,160

and i try to look around and there's no

1469

00:57:30,230 --> 00:57:28,240

other tree that would have hit it

1470

00:57:32,390 --> 00:57:30,240

so i think um

1471

00:57:33,589 --> 00:57:32,400

there's a sasquatch

1472

00:57:35,750 --> 00:57:33,599

near

1473

00:57:37,990 --> 00:57:35,760

um

1474

00:57:41,349 --> 00:57:38,000

so yeah i could talk quite a bit about

1475

00:57:43,270 --> 00:57:41,359

it i think i think it's around for sure

1476

00:57:45,270 --> 00:57:43,280

yeah there's some what is it called

1477

00:57:47,190 --> 00:57:45,280

sasquatch sign or something like that

1478

00:57:50,230 --> 00:57:47,200

depends on i mean different people that

1479

00:57:52,470 --> 00:57:50,240

are researching it more or like are out

1480

00:57:54,470 --> 00:57:52,480

and about doing more field work they

1481

00:57:57,349 --> 00:57:54,480

have all their different terms and

1482

00:57:59,750 --> 00:57:57,359

vocabulary regarding that but you know

1483

00:58:02,309 --> 00:57:59,760

one of my great friends that's you know

1484

00:58:04,470 --> 00:58:02,319

passed on now but um i've showed some of

1485

00:58:06,710 --> 00:58:04,480

his videos he was big into just taking

1486

00:58:08,549 --> 00:58:06,720

his camera going into the woods and and

1487

00:58:10,870 --> 00:58:08,559

going with um a

1488

00:58:12,150 --> 00:58:10,880

sasquatch person uh i forgot what her

1489

00:58:12,950 --> 00:58:12,160

name was

1490

00:58:14,630 --> 00:58:12,960

um

1491

00:58:16,230 --> 00:58:14,640

they were in illinois and so they would

1492

00:58:18,150 --> 00:58:16,240

kind of say stop here and then they

1493

00:58:20,150 --> 00:58:18,160

would kind of point out exactly what you

1494

00:58:22,390 --> 00:58:20,160

were telling about like these branches

1495

00:58:25,030 --> 00:58:22,400

are just really

1496

00:58:27,109 --> 00:58:25,040

set up in this really unnatural way

1497

00:58:29,829 --> 00:58:27,119

you know and they would be saying okay

1498

00:58:32,309 --> 00:58:29,839

this is this is basically

1499

00:58:34,230 --> 00:58:32,319

a sign of skysquatch around and then of

1500

00:58:35,670 --> 00:58:34,240

course they would then uh sure enough

1501

00:58:38,789 --> 00:58:35,680

right right in that area where they

1502

00:58:39,750 --> 00:58:38,799

stopped there's just uh prints of big

1503

00:58:41,349 --> 00:58:39,760

feet

1504

00:58:44,230 --> 00:58:41,359

there and they measured them out and

1505

00:58:45,670 --> 00:58:44,240

they're like you know 12 14 inches

1506

00:58:51,430 --> 00:58:45,680

you know

1507

00:58:53,349 --> 00:58:51,440

known him personally we always got to

1508

00:58:55,589 --> 00:58:53,359

talk and you know over dinner over the

1509

00:58:58,789 --> 00:58:55,599

phone anytime and i know he wasn't

1510

00:59:00,950 --> 00:58:58,799

bullshitting me you know because it's um

1511

00:59:01,829 --> 00:59:00,960

for one it's not what he was about he

1512

00:59:03,990 --> 00:59:01,839

was

1513

00:59:07,030 --> 00:59:04,000

through seeker you know looking for

1514

00:59:08,789 --> 00:59:07,040

answers and wanting to know more and um

1515

00:59:10,150 --> 00:59:08,799

you know the the things that are already

1516

00:59:13,349 --> 00:59:10,160

out there and what you were talking

1517

00:59:15,990 --> 00:59:13,359

about you know i i've had confirmed by a

1518

00:59:17,589 --> 00:59:16,000

very close friend of mine you know that

1519

00:59:19,270 --> 00:59:17,599

you know it's

1520

00:59:22,470 --> 00:59:19,280

it's once you know what you're looking

1521

00:59:25,030 --> 00:59:22,480

for you know you can uh you go you can

1522

00:59:28,470 --> 00:59:25,040

you know find out some you know

1523

00:59:31,349 --> 00:59:30,230

yeah it's like i i believe that they're

1524

00:59:32,470 --> 00:59:31,359

around

1525

00:59:35,670 --> 00:59:32,480

you know

1526
00:59:36,870 --> 00:59:35,680
until you lock eyes with them or have a

1527
00:59:38,069 --> 00:59:36,880
mutual

1528
00:59:39,990 --> 00:59:38,079
you know

1529
00:59:41,910 --> 00:59:40,000
experience with them spiritual

1530
00:59:42,950 --> 00:59:41,920
experience with them whether they're

1531
00:59:44,069 --> 00:59:42,960
going to

1532
00:59:46,950 --> 00:59:44,079
put in

1533
00:59:49,349 --> 00:59:46,960
ideas into your mind or you speak

1534
00:59:51,589 --> 00:59:49,359
telepathically like saying like are you

1535
00:59:53,829 --> 00:59:51,599
real you know touch your nose

1536
00:59:55,270 --> 00:59:53,839
or or even have a conversation i know

1537
00:59:56,470 --> 00:59:55,280
some people are having conversations

1538
00:59:57,990 --> 00:59:56,480

with them and recording them but they're

1539

00:59:59,349 --> 00:59:58,000

on youtube too

1540

01:00:00,470 --> 00:59:59,359

um

1541

01:00:02,789 --> 01:00:00,480

so

1542

01:00:04,390 --> 01:00:02,799

yeah i appreciate you saying uh best of

1543

01:00:06,390 --> 01:00:04,400

luck kind of thing uh but yeah i'm

1544

01:00:08,710 --> 01:00:06,400

trying to you know try to

1545

01:00:11,030 --> 01:00:08,720

push my courage up and uh get more into

1546

01:00:13,270 --> 01:00:11,040

love and fear and uh

1547

01:00:14,870 --> 01:00:13,280

and you know to see my own eyes

1548

01:00:17,109 --> 01:00:14,880

experience it that'd be incredible you

1549

01:00:19,670 --> 01:00:17,119

know i do these people buckle us right

1550

01:00:21,589 --> 01:00:19,680

it's like oh you know do this do that

1551

01:00:24,150 --> 01:00:21,599

this is definitely on my bucket list

1552

01:00:27,589 --> 01:00:24,160

this is only lasting my bucket list the

1553

01:00:30,309 --> 01:00:27,599

star people cross it off ufos cross it

1554

01:00:32,789 --> 01:00:30,319

off telepathy cross it off you know what

1555

01:00:36,870 --> 01:00:34,710

knowledge knowledge is always good but

1556

01:00:39,190 --> 01:00:36,880

it's always that that experience that

1557

01:00:42,230 --> 01:00:39,200

that turns that knowledge into wisdom

1558

01:00:43,990 --> 01:00:42,240

you know and um it's one of these things

1559

01:00:47,109 --> 01:00:44,000

towards there's so many people always

1560

01:00:49,030 --> 01:00:47,119

telling me about um you know and this is

1561

01:00:50,710 --> 01:00:49,040

not to belittle anyone that's that's

1562

01:00:52,549 --> 01:00:50,720

been on the show and had that point of

1563

01:00:54,069 --> 01:00:52,559

view but i'm just recalling and they

1564

01:00:56,470 --> 01:00:54,079

would always talk about the negative

1565

01:00:59,430 --> 01:00:56,480

et's and all the bad things that happen

1566

01:01:00,390 --> 01:00:59,440

and all this other stuff and um

1567

01:01:02,069 --> 01:01:00,400

knowing

1568

01:01:03,910 --> 01:01:02,079

the experiences that i put myself

1569

01:01:07,510 --> 01:01:03,920

through that i just opened myself up

1570

01:01:09,349 --> 01:01:07,520

like this ignorant open book right

1571

01:01:11,829 --> 01:01:09,359

and if there was anything

1572

01:01:13,510 --> 01:01:11,839

to to bestow on me any kind of harm that

1573

01:01:16,549 --> 01:01:13,520

would have been that time you know

1574

01:01:17,750 --> 01:01:16,559

because i i was basically just you know

1575

01:01:18,870 --> 01:01:17,760

just

1576

01:01:21,270 --> 01:01:18,880

you know

1577

01:01:23,910 --> 01:01:21,280

hook line and sinker and into into what

1578

01:01:27,670 --> 01:01:23,920

was going on during that period of 2010

1579

01:01:28,630 --> 01:01:27,680

to 2015 in my life you know and um if

1580

01:01:31,910 --> 01:01:28,640

there was

1581

01:01:33,030 --> 01:01:31,920

any of that negativity that could have

1582

01:01:34,710 --> 01:01:33,040

come through

1583

01:01:36,309 --> 01:01:34,720

that would have been the time

1584

01:01:38,309 --> 01:01:36,319

but it's just you know what are the

1585

01:01:41,030 --> 01:01:38,319

chances that everything i experienced

1586

01:01:42,549 --> 01:01:41,040

that was maybe fearful at one point but

1587

01:01:45,190 --> 01:01:42,559

then immediately soon after because i

1588

01:01:46,870 --> 01:01:45,200

kept going was finding out more answers

1589

01:01:48,710 --> 01:01:46,880

that then explained everything and then

1590

01:01:50,630 --> 01:01:48,720

the negativity and the fear was gone

1591

01:01:53,030 --> 01:01:50,640

because oh i understood why it was

1592

01:01:55,750 --> 01:01:53,040

happened you know why why it was

1593

01:01:57,589 --> 01:01:55,760

happening so anyway um

1594

01:02:00,549 --> 01:01:57,599

would you would you let me ask a

1595

01:02:02,710 --> 01:02:00,559

question here sometimes stephen um

1596

01:02:05,670 --> 01:02:02,720

would would you jump on

1597

01:02:07,670 --> 01:02:05,680

an incredible you know elon musk's

1598

01:02:10,230 --> 01:02:07,680

spacecraft whatever his

1599

01:02:13,589 --> 01:02:10,240

whatever's rocket and go to whatever

1600

01:02:16,230 --> 01:02:13,599

mars and would you speed up or stomp on

1601
01:02:18,069 --> 01:02:16,240
the ants or life that are living there

1602
01:02:21,190 --> 01:02:18,079
so i really don't really don't feel that

1603
01:02:22,309 --> 01:02:21,200
these star people are doing this you

1604
01:02:25,349 --> 01:02:22,319
know what i mean

1605
01:02:27,670 --> 01:02:25,359
these beings are are telepathically or

1606
01:02:29,430 --> 01:02:27,680
they're bending space and time because

1607
01:02:31,670 --> 01:02:29,440
they can come through your walls if they

1608
01:02:33,589 --> 01:02:31,680
wanted us harmed because we're

1609
01:02:35,510 --> 01:02:33,599
destroying our planet nuclear war all

1610
01:02:37,349 --> 01:02:35,520
that [h__h] hurting each other we

1611
01:02:39,589 --> 01:02:37,359
could when we cure all hunger all that

1612
01:02:41,750 --> 01:02:39,599
stuff they would they would annihilate

1613
01:02:42,390 --> 01:02:41,760

us faster than you know what

1614

01:02:44,069 --> 01:02:42,400

so

1615

01:02:45,510 --> 01:02:44,079

where i was going

1616

01:02:46,870 --> 01:02:45,520

without this

1617

01:02:49,349 --> 01:02:46,880

what i was going with all this was

1618

01:02:52,470 --> 01:02:49,359

basically just to state um

1619

01:02:55,750 --> 01:02:52,480

there i was able to basically uh debunk

1620

01:02:57,829 --> 01:02:55,760

those those uh fears myself you know to

1621

01:02:59,910 --> 01:02:57,839

see for myself because before if i took

1622

01:03:00,789 --> 01:02:59,920

somebody's word for it about be fearful

1623

01:03:04,390 --> 01:03:00,799

be

1624

01:03:06,710 --> 01:03:04,400

and all these other things it would have

1625

01:03:08,470 --> 01:03:06,720

you know i would have just kind of been

1626

01:03:10,630 --> 01:03:08,480

this emotional mess but having gone

1627

01:03:12,630 --> 01:03:10,640

through it myself now i know for a fact

1628

01:03:14,309 --> 01:03:12,640

what what is going on what is happening

1629

01:03:16,470 --> 01:03:14,319

where i was going with that regarding

1630

01:03:18,470 --> 01:03:16,480

sasquatch i would approach it the same

1631

01:03:21,029 --> 01:03:18,480

way you know if i would you know if i

1632

01:03:23,750 --> 01:03:21,039

was you um i would then just say this

1633

01:03:26,150 --> 01:03:23,760

okay the same way that this one

1634

01:03:28,950 --> 01:03:26,160

particular you know

1635

01:03:30,390 --> 01:03:28,960

event clarified everything for me um you

1636

01:03:32,789 --> 01:03:30,400

know i want to approach it the same way

1637

01:03:35,190 --> 01:03:32,799

that okay whatever happens happens

1638

01:03:37,829 --> 01:03:35,200

if i see one great if i happen to be

1639

01:03:38,789 --> 01:03:37,839

hurt by one great you know believe it or

1640

01:03:40,789 --> 01:03:38,799

not

1641

01:03:41,990 --> 01:03:40,799

because when i put myself in these

1642

01:03:44,470 --> 01:03:42,000

situations

1643

01:03:47,589 --> 01:03:44,480

i truly am okay with whatever is coming

1644

01:03:50,470 --> 01:03:47,599

down the road because my my um

1645

01:03:53,670 --> 01:03:50,480

that that feeling of wanting to know

1646

01:03:56,549 --> 01:03:53,680

that urge to want to know is is more

1647

01:03:59,109 --> 01:03:56,559

uh powerful within me than anything else

1648

01:04:00,470 --> 01:03:59,119

than that i can describe so because i

1649

01:04:04,150 --> 01:04:00,480

would rather

1650

01:04:06,710 --> 01:04:04,160

have an experience that was truthful and

1651

01:04:09,750 --> 01:04:06,720

found out the truth than to you know

1652

01:04:12,150 --> 01:04:09,760

already pre have preconceived ideas and

1653

01:04:13,910 --> 01:04:12,160

cake it with all my preconceived you

1654

01:04:16,549 --> 01:04:13,920

know notions and all of that and then

1655

01:04:18,789 --> 01:04:16,559

really you know take away you know the

1656

01:04:20,630 --> 01:04:18,799

purity of that experience you know to

1657

01:04:22,789 --> 01:04:20,640

really see it for what it is because at

1658

01:04:25,510 --> 01:04:22,799

the end of the day it's almost it is a

1659

01:04:27,270 --> 01:04:25,520

it's a spiritual scientific way right

1660

01:04:28,950 --> 01:04:27,280

it's so it's all about staying

1661

01:04:31,270 --> 01:04:28,960

open-minded staying open-minded it's

1662

01:04:32,789 --> 01:04:31,280

like okay this happened i'm afraid why

1663

01:04:35,270 --> 01:04:32,799

you know okay this happened this was

1664

01:04:37,029 --> 01:04:35,280

great why right to be asking the same

1665

01:04:38,950 --> 01:04:37,039

questions whether something is good or

1666

01:04:41,190 --> 01:04:38,960

bad so anyway that's why i was basically

1667

01:04:43,910 --> 01:04:41,200

going with that then i already live in

1668

01:04:46,230 --> 01:04:43,920

this in this woodsy area i mean it's

1669

01:04:49,029 --> 01:04:46,240

pretty heavily forested so there's this

1670

01:04:51,029 --> 01:04:49,039

path that i've been recently trying to

1671

01:04:53,589 --> 01:04:51,039

just kind of walk a little bit because

1672

01:04:55,670 --> 01:04:53,599

um uh i need to do some working out

1673

01:04:58,230 --> 01:04:55,680

that's ever since i got married again

1674

01:05:01,109 --> 01:04:58,240

like hundred pounds and so i'm like

1675

01:05:03,670 --> 01:05:01,119

back in shape happy and getting fat

1676

01:05:05,430 --> 01:05:03,680

i truly truly you know because i always

1677

01:05:07,270 --> 01:05:05,440

jokingly blame my wife i say it's all

1678

01:05:09,750 --> 01:05:07,280

your fault it's like because i'm happy

1679

01:05:11,910 --> 01:05:09,760

it's like i don't need to work out

1680

01:05:13,910 --> 01:05:11,920

anyway so what i'm trying to get at this

1681

01:05:16,150 --> 01:05:13,920

i've been walking this path and

1682

01:05:17,750 --> 01:05:16,160

we kind of you know without because

1683

01:05:20,630 --> 01:05:17,760

meditation doesn't necessarily always

1684

01:05:23,029 --> 01:05:20,640

just have to be sitting within a tent

1685

01:05:25,670 --> 01:05:23,039

and all that uh walking with this set of

1686

01:05:28,630 --> 01:05:25,680

state of mind is a form of meditation

1687

01:05:29,589 --> 01:05:28,640

you know absolutely and so so i just

1688

01:05:31,910 --> 01:05:29,599

kind of

1689

01:05:34,390 --> 01:05:31,920

do my thing i walk up and down up and

1690

01:05:36,470 --> 01:05:34,400

down you know until i'm you know out of

1691

01:05:39,190 --> 01:05:36,480

breath or down working out it's usually

1692

01:05:40,950 --> 01:05:39,200

maybe half an hour maybe a bit more but

1693

01:05:43,990 --> 01:05:40,960

that would be always opening the

1694

01:05:46,630 --> 01:05:44,000

opportunities to say okay well i'm here

1695

01:05:48,309 --> 01:05:46,640

i'm walking here if there's something

1696

01:05:50,390 --> 01:05:48,319

you know because there's plenty of in

1697

01:05:53,109 --> 01:05:50,400

the path it's a very clear path

1698

01:05:57,190 --> 01:05:53,119

if all of the sudden this huge you know

1699

01:05:59,670 --> 01:05:57,200

uh 10 inch 20 you know 20 foot you know

1700

01:06:02,150 --> 01:05:59,680

uh tree is then knocked over and in the

1701

01:06:05,349 --> 01:06:02,160

way it would be very obvious that you

1702

01:06:07,109 --> 01:06:05,359

know either it was dragged there or you

1703

01:06:09,029 --> 01:06:07,119

know there might be some maybe a natural

1704

01:06:11,190 --> 01:06:09,039

explanation that okay maybe this tree

1705

01:06:14,309 --> 01:06:11,200

did die and just happened to fall over

1706

01:06:16,870 --> 01:06:14,319

but you can analyze that you know

1707

01:06:19,029 --> 01:06:16,880

well snap it they snap it at like the 10

1708

01:06:19,990 --> 01:06:19,039

or 12 feet kind of thing to show their

1709

01:06:20,870 --> 01:06:20,000

height

1710

01:06:22,950 --> 01:06:20,880

so

1711

01:06:25,109 --> 01:06:22,960

you're like how does a tree break at 12

1712

01:06:26,710 --> 01:06:25,119

feet just like you know

1713

01:06:28,309 --> 01:06:26,720

that so it's not just a whole tree

1714

01:06:29,750 --> 01:06:28,319

that's falling over that's that shows

1715

01:06:30,950 --> 01:06:29,760

their height but um

1716

01:06:32,630 --> 01:06:30,960

one thing that popping when we were

1717

01:06:34,470 --> 01:06:32,640

talking there is uh

1718

01:06:37,510 --> 01:06:34,480

how kind like

1719

01:06:40,069 --> 01:06:37,520

to to have that deep you know wish you

1720

01:06:41,109 --> 01:06:40,079

know sincere genuine wish

1721

01:06:46,470 --> 01:06:41,119

to

1722

01:06:47,589 --> 01:06:46,480

and the experience happens for you

1723

01:06:49,190 --> 01:06:47,599

like you don't have any preconceived

1724

01:06:51,430 --> 01:06:49,200

notions you have no idea what's going to

1725

01:06:53,670 --> 01:06:51,440

happen right you have no you can't you

1726

01:06:55,349 --> 01:06:53,680

know we're we're so limited in awareness

1727

01:06:57,829 --> 01:06:55,359

or what it's possible and then it

1728

01:07:00,789 --> 01:06:57,839

happens and it just blows your mind how

1729

01:07:04,630 --> 01:07:00,799

incredible it is it's like how kind are

1730

01:07:07,589 --> 01:07:04,640

these is is god or the universe or

1731

01:07:09,829 --> 01:07:07,599

or even yourself or whatever it is

1732

01:07:11,029 --> 01:07:09,839

to have these experiences and have to be

1733

01:07:13,270 --> 01:07:11,039

heard and

1734

01:07:14,789 --> 01:07:13,280

and you know in that state of mind of

1735

01:07:16,470 --> 01:07:14,799

meditation

1736

01:07:18,309 --> 01:07:16,480

you know like they don't have to they

1737

01:07:19,750 --> 01:07:18,319

don't have to you know

1738

01:07:21,990 --> 01:07:19,760

come from their planet or another

1739

01:07:24,789 --> 01:07:22,000

dimension and you know do all these

1740

01:07:26,390 --> 01:07:24,799

metaphysics quantum physics or whatever

1741

01:07:28,390 --> 01:07:26,400

and get to you they don't have to do

1742

01:07:31,589 --> 01:07:28,400

that so it's just you know i'm very

1743

01:07:33,190 --> 01:07:31,599

appreciative of that right

1744

01:07:35,190 --> 01:07:33,200

well niels thank you i appreciate for

1745

01:07:36,710 --> 01:07:35,200

you yeah

1746

01:07:37,910 --> 01:07:36,720

my pleasure no problem

1747

01:07:40,390 --> 01:07:37,920

no seriously

1748

01:07:42,630 --> 01:07:40,400

let me let me know keep me posted if and

1749

01:07:43,910 --> 01:07:42,640

when you know there's more info of it

1750

01:07:45,910 --> 01:07:43,920

whatever you find out whatever you

1751

01:07:47,430 --> 01:07:45,920

experience

1752

01:07:50,309 --> 01:07:47,440

for sure yeah

1753

01:07:52,309 --> 01:07:50,319

let me i'll get back in here i think i

1754

01:07:54,309 --> 01:07:52,319

talked about c5 and how to do that

1755

01:07:56,789 --> 01:07:54,319

meditation can i leave you with that

1756

01:07:59,430 --> 01:07:56,799

because maybe of your viewers want to

1757

01:08:00,870 --> 01:07:59,440

know how to do that so this is what i

1758

01:08:02,549 --> 01:08:00,880

did um

1759

01:08:03,910 --> 01:08:02,559

and i'll just relate it to well today

1760

01:08:07,510 --> 01:08:03,920

what happened so

1761

01:08:09,510 --> 01:08:07,520

um i learned from dr uh stephen greer

1762

01:08:11,270 --> 01:08:09,520

uh everyone's probably heard of him

1763

01:08:12,710 --> 01:08:11,280

um and it's kind of tough to find his

1764

01:08:15,349 --> 01:08:12,720

meditation that's what i learned from

1765

01:08:17,829 --> 01:08:15,359

him like uh my girlfriend and i

1766

01:08:19,349 --> 01:08:17,839

we uh used to go to this campground

1767

01:08:21,430 --> 01:08:19,359

every summer with my family and it's so

1768

01:08:23,349 --> 01:08:21,440

exciting to take my girlfriend there and

1769

01:08:25,990 --> 01:08:23,359

fortunately we got this campsite that

1770

01:08:27,269 --> 01:08:26,000

was just because camping was it's booked

1771

01:08:29,189 --> 01:08:27,279

up right away so we've got a special

1772

01:08:30,950 --> 01:08:29,199

site that we actually the same site that

1773

01:08:32,950 --> 01:08:30,960

we had years ago and i've always wanted

1774

01:08:34,789 --> 01:08:32,960

it and i never got it in previous years

1775

01:08:36,309 --> 01:08:34,799

but anyways we got this site and

1776

01:08:38,229 --> 01:08:36,319

and i was so excited to show my

1777

01:08:40,630 --> 01:08:38,239

girlfriend and all of a sudden this

1778

01:08:42,390 --> 01:08:40,640

static ball of light was just flying up

1779

01:08:44,229 --> 01:08:42,400

the lake at a high rate of speed and i

1780

01:08:45,990 --> 01:08:44,239

wanted to keep up to it but it was going

1781

01:08:46,789 --> 01:08:46,000

to quickly start to run after it with

1782

01:08:47,749 --> 01:08:46,799

her

1783

01:08:49,189 --> 01:08:47,759

and then i was like what the heck's

1784

01:08:52,870 --> 01:08:49,199

going on here so that night i was like

1785

01:08:53,829 --> 01:08:52,880

i'm gonna do [h__h] c5 tonight

1786

01:09:02,550 --> 01:08:53,839

um

1787

01:09:04,470 --> 01:09:02,560

into the camper and uh

1788

01:09:06,470 --> 01:09:04,480

it was whenever late at night and it was

1789

01:09:08,630 --> 01:09:06,480

silent the campground there was a sleep

1790

01:09:10,550 --> 01:09:08,640

year you know months

1791

01:09:12,229 --> 01:09:10,560

hours early whatever and

1792

01:09:14,789 --> 01:09:12,239

i laid down and uh

1793

01:09:17,030 --> 01:09:14,799

in the bed kind of thing and

1794

01:09:18,309 --> 01:09:17,040

i started doing my breathing exercises

1795

01:09:20,950 --> 01:09:18,319

so

1796

01:09:23,110 --> 01:09:20,960

and through my nose for

1797

01:09:24,789 --> 01:09:23,120

eight seconds kind of thing then out

1798

01:09:26,309 --> 01:09:24,799

through my mouth

1799

01:09:29,510 --> 01:09:26,319

for eight seconds i work my way up to

1800

01:09:31,590 --> 01:09:29,520

about 25 to 30 seconds each in and out

1801

01:09:33,430 --> 01:09:31,600

right very deep state

1802

01:09:36,149 --> 01:09:33,440

of relaxation and breathing so all that

1803

01:09:39,030 --> 01:09:36,159

rich oxygen is going to my body

1804

01:09:40,630 --> 01:09:39,040

and then during that in that state there

1805

01:09:43,669 --> 01:09:40,640

i believe it's like i feel almost like a

1806

01:09:45,990 --> 01:09:43,679

fetish i believe it is um

1807

01:09:47,829 --> 01:09:46,000

in that state i started feeling you know

1808

01:09:49,110 --> 01:09:47,839

just started bringing

1809

01:09:50,149 --> 01:09:49,120

you know the chemical or home or

1810

01:09:53,749 --> 01:09:50,159

whatever

1811

01:09:55,669 --> 01:09:53,759

of on the vibration of love through me

1812

01:09:57,350 --> 01:09:55,679

just in that moment for a while just the

1813

01:09:59,590 --> 01:09:57,360

love you know that

1814

01:10:00,950 --> 01:09:59,600

from my loved ones and all that just

1815

01:10:03,830 --> 01:10:00,960

flowing through me

1816

01:10:04,950 --> 01:10:03,840

and then through me also some um

1817

01:10:07,030 --> 01:10:04,960

about

1818

01:10:08,790 --> 01:10:07,040

unity

1819

01:10:12,390 --> 01:10:08,800

for a while and it was

1820

01:10:14,390 --> 01:10:12,400

oneness and it was

1821

01:10:18,070 --> 01:10:14,400

welcoming

1822

01:10:19,669 --> 01:10:18,080

and uh and then after a while because

1823

01:10:21,350 --> 01:10:19,679

this is beyond space and time right

1824

01:10:22,550 --> 01:10:21,360

after a while i started you know those

1825

01:10:24,709 --> 01:10:22,560

those type of

1826

01:10:27,189 --> 01:10:24,719

you know thoughts and feelings um

1827

01:10:31,030 --> 01:10:27,199

and then i showed in my mind's eye

1828

01:10:32,630 --> 01:10:31,040

where i am in the uh where i think i am

1829

01:10:34,950 --> 01:10:32,640

in the universe like the drone on a

1830

01:10:37,110 --> 01:10:34,960

galaxy like on the edge of it so i've

1831

01:10:38,870 --> 01:10:37,120

seen images in jamaica see how

1832

01:10:40,870 --> 01:10:38,880

incredible huge it is and just a

1833

01:10:43,030 --> 01:10:40,880

universe within a universe

1834

01:10:44,709 --> 01:10:43,040

billions of trillions possibly infinite

1835

01:10:46,709 --> 01:10:44,719

universes within universes right so

1836

01:10:49,350 --> 01:10:46,719

anyways i'm showing that my mind's eye

1837

01:10:50,310 --> 01:10:49,360

over the edge of the the galaxy

1838

01:10:53,350 --> 01:10:50,320

and then

1839

01:10:54,709 --> 01:10:53,360

um the uh our solar system

1840

01:10:56,630 --> 01:10:54,719

uh kind of like in alignment all the

1841

01:10:58,470 --> 01:10:56,640

planets how we're

1842

01:11:00,390 --> 01:10:58,480

taught that and then

1843

01:11:02,870 --> 01:11:00,400

the sun envisioned the sun for a while

1844

01:11:05,669 --> 01:11:02,880

upright it is and spherical and

1845

01:11:07,669 --> 01:11:05,679

big it is and all that and then um and

1846

01:11:09,350 --> 01:11:07,679

then the earth how you know blue and

1847

01:11:11,270 --> 01:11:09,360

green it is

1848

01:11:14,709 --> 01:11:11,280

you know looking down at the earth and

1849

01:11:16,870 --> 01:11:14,719

then looking down at the continent

1850

01:11:19,510 --> 01:11:16,880

and then to the country

1851
01:11:22,790 --> 01:11:19,520
and then to this state

1852
01:11:24,229 --> 01:11:22,800
and then to the region the county and

1853
01:11:27,830 --> 01:11:24,239
then to

1854
01:11:29,430 --> 01:11:27,840
you know the the town to the location so

1855
01:11:32,630 --> 01:11:29,440
that's what i did and then i just kind

1856
01:11:34,790 --> 01:11:32,640
of fell asleep after that

1857
01:11:36,790 --> 01:11:34,800
and then the next night

1858
01:11:37,830 --> 01:11:36,800
uh

1859
01:11:39,110 --> 01:11:37,840
your

1860
01:11:41,350 --> 01:11:39,120
girlfriend i was sitting around the

1861
01:11:43,510 --> 01:11:41,360
campfire and i went to say to her you

1862
01:11:45,430 --> 01:11:43,520
know we should brush her teeth and go to

1863
01:11:46,709 --> 01:11:45,440

bed but then when i went to look over

1864

01:11:48,790 --> 01:11:46,719

and tell her that

1865

01:11:51,110 --> 01:11:48,800

there was this

1866

01:11:53,350 --> 01:11:51,120

extremely bright

1867

01:11:54,870 --> 01:11:53,360

reddish orange object

1868

01:11:57,430 --> 01:11:54,880

and i couldn't hear anything it was good

1869

01:11:59,350 --> 01:11:57,440

distance away maybe a mile or two so i

1870

01:12:00,550 --> 01:11:59,360

stood up and looked right at it and the

1871

01:12:03,510 --> 01:12:00,560

first thing i thought was you know

1872

01:12:05,750 --> 01:12:03,520

logically there isn't an airport here

1873

01:12:08,390 --> 01:12:05,760

is this plane going to land on the lake

1874

01:12:10,470 --> 01:12:08,400

here or is it going to crash or what the

1875

01:12:12,550 --> 01:12:10,480

what's going to happen right so i said

1876

01:12:15,510 --> 01:12:12,560

to microphone get up get up

1877

01:12:17,590 --> 01:12:15,520

so we ran to the beach that was

1878

01:12:20,149 --> 01:12:17,600

locked on the campsite right there

1879

01:12:23,669 --> 01:12:20,159

and all of a sudden the object

1880

01:12:25,910 --> 01:12:23,679

was closer and it came over top of us

1881

01:12:27,590 --> 01:12:25,920

it was the shape of

1882

01:13:23,830 --> 01:12:27,600

a

1883

01:13:25,750 --> 01:13:23,840

us

1884

01:13:28,149 --> 01:13:25,760

and then the lake was going to be silent

1885

01:13:29,270 --> 01:13:28,159

right it did a right turn

1886

01:13:35,270 --> 01:13:29,280

and

1887

01:13:37,189 --> 01:13:35,280

shot off like a star trek it was there

1888

01:13:38,709 --> 01:13:37,199

and then it was just like the light was

1889

01:13:40,950 --> 01:13:38,719

like gone like

1890

01:13:44,550 --> 01:13:40,960

it went to zero to mock

1891

01:13:47,350 --> 01:13:44,560

10 000 in like a tenth of a second

1892

01:13:49,669 --> 01:13:47,360

just gone into the night sky

1893

01:13:51,830 --> 01:13:49,679

and so i i couldn't believe it i just

1894

01:13:54,070 --> 01:13:51,840

laid down on my girlfriend laid down in

1895

01:13:56,149 --> 01:13:54,080

the sand on my back right and

1896

01:13:57,270 --> 01:13:56,159

and just started crying crying and

1897

01:13:58,470 --> 01:13:57,280

crying

1898

01:13:59,669 --> 01:13:58,480

i don't know my girlfriend's doing that

1899

01:14:01,910 --> 01:13:59,679

time i didn't

1900

01:14:03,510 --> 01:14:01,920

like oh my god did that just really

1901

01:14:04,630 --> 01:14:03,520

happen

1902

01:14:06,390 --> 01:14:04,640

so then

1903

01:14:08,310 --> 01:14:06,400

i guess five minutes later i don't know

1904

01:14:09,990 --> 01:14:08,320

what's happening is crying it's just so

1905

01:14:14,070 --> 01:14:10,000

overwhelmed

1906

01:14:15,990 --> 01:14:14,080

it's all real and true and everything

1907

01:14:18,149 --> 01:14:16,000

and that you know that i'm connected and

1908

01:14:19,350 --> 01:14:18,159

maybe we're all connected gonna work on

1909

01:14:21,590 --> 01:14:19,360

that but

1910

01:14:23,830 --> 01:14:21,600

uh all this then i got up and i went to

1911

01:14:25,750 --> 01:14:23,840

go to the campsite and this

1912

01:14:27,189 --> 01:14:25,760

young guy was there right in my face

1913

01:14:28,310 --> 01:14:27,199

what did you see what did you tell me

1914

01:14:30,149 --> 01:14:28,320

all about what you saw and everything

1915

01:14:32,470 --> 01:14:30,159

right because the campground was pretty

1916

01:14:34,709 --> 01:14:32,480

quiet i guess and maybe they saw it or

1917

01:14:36,550 --> 01:14:34,719

they heard that i was talking or other

1918

01:14:38,149 --> 01:14:36,560

people saw it or who knows and then just

1919

01:14:40,790 --> 01:14:38,159

told them straight up i was like

1920

01:14:43,990 --> 01:14:40,800

this is what i saw

1921

01:14:46,070 --> 01:14:44,000

and uh yeah so it's real and that's what

1922

01:14:47,830 --> 01:14:46,080

i'll leave you with

1923

01:14:50,229 --> 01:14:47,840

yeah thank you for that you know at

1924

01:14:53,030 --> 01:14:50,239

least it gives a pretty good idea what

1925

01:14:55,270 --> 01:14:53,040

the process of c5 is like too so thank

1926

01:14:56,950 --> 01:14:55,280

you for going into the details a

1927

01:14:59,189 --> 01:14:56,960

pleasure it worked worked for me and it

1928

01:15:01,350 --> 01:14:59,199

should work for you if you're sincere

1929

01:15:02,950 --> 01:15:01,360

and genuine and you really

1930

01:15:05,030 --> 01:15:02,960

you know you really want to experience

1931

01:15:05,990 --> 01:15:05,040

it you might most likely be visited

1932

01:15:07,590 --> 01:15:06,000

because

1933

01:15:10,070 --> 01:15:07,600

when you start i think when the

1934

01:15:11,990 --> 01:15:10,080

consensus that's out there too is once

1935

01:15:14,950 --> 01:15:12,000

you start exploring and get interested

1936

01:15:16,470 --> 01:15:14,960

in them they get interested in you right

1937

01:15:18,310 --> 01:15:16,480

and uh

1938

01:15:19,990 --> 01:15:18,320

yeah i'd say

1939

01:15:21,750 --> 01:15:20,000

i'd say just um

1940

01:15:22,790 --> 01:15:21,760

if you want to experience it do it

1941

01:15:24,390 --> 01:15:22,800

because

1942

01:15:26,709 --> 01:15:24,400

you know time is ticking right we're all

1943

01:15:28,229 --> 01:15:26,719

going to pass away right so

1944

01:15:29,910 --> 01:15:28,239

do what you want to do right now for

1945

01:15:31,990 --> 01:15:29,920

sure make

1946

01:15:33,430 --> 01:15:32,000

make sure it's uh

1947

01:15:35,510 --> 01:15:33,440

godly intent

1948

01:15:38,310 --> 01:15:35,520

right that's that's what i see that's

1949

01:15:39,990 --> 01:15:38,320

what i that's what i adhere to so all

1950

01:15:42,470 --> 01:15:40,000

right okay my friend thank you so much

1951

01:15:44,709 --> 01:15:42,480

for having me on your show i'll be on

1952

01:15:45,750 --> 01:15:44,719

be back on again god bless everybody and

1953

01:15:50,830 --> 01:15:45,760

uh

1954

01:15:54,709 --> 01:15:50,840

thank you you take

1955

01:15:59,270 --> 01:15:56,470

all right

1956

01:16:01,510 --> 01:15:59,280

thank you thank you niels

1957

01:16:03,430 --> 01:16:01,520

let me get back to you

1958

01:16:05,110 --> 01:16:03,440

all right well uh

1959

01:16:08,229 --> 01:16:05,120

thank you everyone else that's been

1960

01:16:10,870 --> 01:16:08,239

tuned in i see you all have have had a

1961

01:16:13,430 --> 01:16:10,880

great time chatting and i'm glad so um

1962

01:16:15,110 --> 01:16:13,440

if there's any uh guests uh i've noticed

1963

01:16:17,189 --> 01:16:15,120

some some of you are

1964

01:16:18,149 --> 01:16:17,199

putting it down in the chat and

1965

01:16:19,350 --> 01:16:18,159

usually

1966

01:16:20,790 --> 01:16:19,360

i don't know what's happening with

1967

01:16:22,310 --> 01:16:20,800

youtube actually i do know what's

1968

01:16:24,390 --> 01:16:22,320

happening with youtube i just can't

1969

01:16:26,390 --> 01:16:24,400

believe it's more prevalent than what it

1970

01:16:29,030 --> 01:16:26,400

used to be um

1971

01:16:31,910 --> 01:16:29,040

comments disappear uh people would leave

1972

01:16:34,310 --> 01:16:31,920

comments or in the comment section and i

1973

01:16:37,270 --> 01:16:34,320

would for example myself go in to check

1974

01:16:38,870 --> 01:16:37,280

it and it's gone i cannot see it it's in

1975

01:16:41,590 --> 01:16:38,880

the notification but it's not in the

1976

01:16:43,830 --> 01:16:41,600

comments i'm going to the back end all

1977

01:16:45,910 --> 01:16:43,840

the options that i have as the the

1978

01:16:48,390 --> 01:16:45,920

channel creator to look through all that

1979

01:16:50,870 --> 01:16:48,400

stuff there's nothing in unread comments

1980

01:16:53,270 --> 01:16:50,880

or anything like that and it's been a

1981

01:16:56,310 --> 01:16:53,280

lot of those it truly has been a lot of

1982

01:16:58,229 --> 01:16:56,320

those so uh forgive me most of you i

1983

01:17:00,229 --> 01:16:58,239

leave the comments out there because i

1984

01:17:02,470 --> 01:17:00,239

want i don't mind very rarely do i

1985

01:17:04,630 --> 01:17:02,480

remove them because either people are

1986

01:17:07,430 --> 01:17:04,640

being jackasses or just flat out root

1987

01:17:09,110 --> 01:17:07,440

for no reason so i don't know what

1988

01:17:12,310 --> 01:17:09,120

you know what good comment like that

1989

01:17:14,149 --> 01:17:12,320

would bring so i would remove those but

1990

01:17:16,310 --> 01:17:14,159

everyone else is whether they

1991

01:17:17,590 --> 01:17:16,320

leave a link for example i also went

1992

01:17:18,390 --> 01:17:17,600

through and checked it and made sure

1993

01:17:20,790 --> 01:17:18,400

that

1994

01:17:23,189 --> 01:17:20,800

it doesn't take um

1995

01:17:25,510 --> 01:17:23,199

sometimes if you click on do not allow

1996

01:17:28,790 --> 01:17:25,520

links it takes the comment automatically

1997

01:17:30,790 --> 01:17:28,800

well it's not checked on mine so again i

1998

01:17:34,149 --> 01:17:30,800

don't know what's going on i'm sorry if

1999

01:17:36,709 --> 01:17:34,159

your comments have been removed or uh

2000

01:17:39,510 --> 01:17:36,719

not you know are just basically vanished

2001
01:17:40,430 --> 01:17:39,520
because i can't find them either but um

2002
01:17:43,189 --> 01:17:40,440
on the

2003
01:17:45,910 --> 01:17:43,199
ufohub.net website

2004
01:17:47,990 --> 01:17:45,920
or directly email you can either fill

2005
01:17:49,189 --> 01:17:48,000
out the form there it's when you scroll

2006
01:17:51,430 --> 01:17:49,199
all the way down there's a little

2007
01:17:53,350 --> 01:17:51,440
contact tab you can fill out the form

2008
01:17:54,470 --> 01:17:53,360
and contact me that way

2009
01:17:57,590 --> 01:17:54,480
or

2010
01:18:00,070 --> 01:17:57,600
contact ufohub gmail.com

2011
01:18:02,149 --> 01:18:00,080
you can send me recommendations if

2012
01:18:04,229 --> 01:18:02,159
there's somebody that you would like to

2013
01:18:06,550 --> 01:18:04,239

see on the show i've had a few people

2014

01:18:08,070 --> 01:18:06,560

reach out and have made myself a list to

2015

01:18:10,550 --> 01:18:08,080

just kind of

2016

01:18:12,630 --> 01:18:10,560

send an email to all of those people and

2017

01:18:15,110 --> 01:18:12,640

see if they want to come on and so i'm

2018

01:18:17,590 --> 01:18:15,120

always working on getting new guests set

2019

01:18:19,990 --> 01:18:17,600

up and all of that so if there's anyone

2020

01:18:23,030 --> 01:18:20,000

that you would like to recommend please

2021

01:18:25,189 --> 01:18:23,040

either ufohub.net fill out the contact

2022

01:18:28,550 --> 01:18:25,199

form below and recommend some speakers

2023

01:18:31,830 --> 01:18:28,560

to me that way or just direct email

2024

01:18:33,270 --> 01:18:31,840

under contact ufohub gmail.com

2025

01:18:35,590 --> 01:18:33,280

so

2026

01:18:38,310 --> 01:18:35,600

this friday i'm going to have

2027

01:18:41,189 --> 01:18:38,320

jaclyn smith on and she's written a new

2028

01:18:43,030 --> 01:18:41,199

book and forgive me i don't or can't

2029

01:18:44,470 --> 01:18:43,040

always remember the names but the book

2030

01:18:46,870 --> 01:18:44,480

title is actually

2031

01:18:49,750 --> 01:18:46,880

star being in the mirror my journey as a

2032

01:18:51,910 --> 01:18:49,760

hybrid and so she

2033

01:18:53,669 --> 01:18:51,920

barbara lam i believe and one other

2034

01:18:55,590 --> 01:18:53,679

author have written about her

2035

01:18:57,910 --> 01:18:55,600

experiences and

2036

01:19:00,470 --> 01:18:57,920

she has now come out

2037

01:19:01,750 --> 01:19:00,480

with a book herself um not quite sure if

2038

01:19:03,750 --> 01:19:01,760

she has

2039

01:19:06,470 --> 01:19:03,760

others but

2040

01:19:09,189 --> 01:19:06,480

the the the link for the stream on

2041

01:19:11,270 --> 01:19:09,199

friday is already created and uh all the

2042

01:19:13,189 --> 01:19:11,280

links for any account for the website or

2043

01:19:15,189 --> 01:19:13,199

contact or books uh it's already in the

2044

01:19:17,189 --> 01:19:15,199

description below so you can go ahead

2045

01:19:19,830 --> 01:19:17,199

and check it out ahead of time if you if

2046

01:19:22,390 --> 01:19:19,840

you have the interest but um it's going

2047

01:19:25,510 --> 01:19:22,400

to be at 7 00 pm central time

2048

01:19:27,030 --> 01:19:25,520

i believe it's 8 pm her time and so

2049

01:19:28,870 --> 01:19:27,040

we'll connect

2050

01:19:30,470 --> 01:19:28,880

do an interview and i certainly hope you

2051

01:19:33,030 --> 01:19:30,480

can partake

2052

01:19:34,310 --> 01:19:33,040

at least watching or when it's time for

2053

01:19:38,310 --> 01:19:34,320

q a

2054

01:19:41,110 --> 01:19:38,320

like niels logged into um open lines on

2055

01:19:43,590 --> 01:19:41,120

telegram you can do the same thing by

2056

01:19:45,990 --> 01:19:43,600

simply joining telegram and waiting for

2057

01:19:47,830 --> 01:19:46,000

voice chat to open up on friday that way

2058

01:19:50,070 --> 01:19:47,840

you can come on and ask a question

2059

01:19:52,229 --> 01:19:50,080

yourself off the guest or myself or

2060

01:19:54,390 --> 01:19:52,239

whichever but usually i hope

2061

01:19:56,149 --> 01:19:54,400

that you guys can just kind of stick to

2062

01:19:57,590 --> 01:19:56,159

asking a guest and more of a direct

2063

01:19:59,910 --> 01:19:57,600

question so that if there's several

2064

01:20:01,910 --> 01:19:59,920

questions we can um get through a lot

2065

01:20:04,390 --> 01:20:01,920

more if there's no one out there asking

2066

01:20:06,470 --> 01:20:04,400

questions and i usually you know let

2067

01:20:09,270 --> 01:20:06,480

people ask a couple of them or whichever

2068

01:20:11,510 --> 01:20:09,280

you know just because they can they they

2069

01:20:13,350 --> 01:20:11,520

were at the right spot and to ask a

2070

01:20:14,870 --> 01:20:13,360

question that was that would be that

2071

01:20:15,669 --> 01:20:14,880

platform for that

2072

01:20:17,750 --> 01:20:15,679

so

2073

01:20:20,950 --> 01:20:17,760

i'll interview again with jacqueline

2074

01:20:23,270 --> 01:20:20,960

smith 7 p.m this friday

2075

01:20:24,950 --> 01:20:23,280

thank you all for tuning in i appreciate

2076

01:20:27,030 --> 01:20:24,960

you stopping by and i hope you enjoy

2077

01:20:28,229 --> 01:20:27,040

today and
