

# UFO HUB

LIVE STREAM

1  
00:00:02,510 --> 00:01:03,270

[Music]

2  
00:01:07,510 --> 00:01:05,509

hey everyone welcome to geoff hub live

3  
00:01:09,830 --> 00:01:07,520

stream today's guest is going to be

4  
00:01:12,390 --> 00:01:09,840

jacqueline smith and she's an author of

5  
00:01:14,870 --> 00:01:12,400

several books but one book in particular

6  
00:01:17,590 --> 00:01:14,880

that we'll be discussing is the latest

7  
00:01:19,990 --> 00:01:17,600

one called start being in the mirror my

8  
00:01:21,590 --> 00:01:20,000

journey as a hybrid and

9  
00:01:23,990 --> 00:01:21,600

we're going to have

10  
00:01:25,990 --> 00:01:24,000

jacqueline just a little over an hour so

11  
00:01:28,950 --> 00:01:26,000

i hope you take advantage and join the

12  
00:01:31,510 --> 00:01:28,960

voice chat on telegram um also if you

13  
00:01:33,990 --> 00:01:31,520

would like to ask a question in the chat

14

00:01:36,550 --> 00:01:34,000

on youtube or on twitch please make sure

15

00:01:38,870 --> 00:01:36,560

to use the three asterisks so that the

16

00:01:41,270 --> 00:01:38,880

question pops out at me and i know it's

17

00:01:42,469 --> 00:01:41,280

meant for jacqueline and uh for a

18

00:01:44,149 --> 00:01:42,479

telegram

19

00:01:45,749 --> 00:01:44,159

there's usually an hour there's plenty

20

00:01:47,190 --> 00:01:45,759

of time for people to install it if you

21

00:01:49,830 --> 00:01:47,200

do not have it

22

00:01:52,630 --> 00:01:49,840

it's a program you can download on your

23

00:01:55,190 --> 00:01:52,640

phone or the computer and

24

00:01:57,270 --> 00:01:55,200

you can um

25

00:02:00,310 --> 00:01:57,280

sorry i'm distracting myself here you

26

00:02:02,069 --> 00:02:00,320

can um basically just join the ufo hub

27

00:02:04,389 --> 00:02:02,079

group the link is in the description

28

00:02:07,510 --> 00:02:04,399

below and there's a voice chat going

29

00:02:10,469 --> 00:02:07,520

there right now uh there's a few in the

30

00:02:12,869 --> 00:02:10,479

in the voice chat to either listen maybe

31

00:02:14,309 --> 00:02:12,879

later on to ask a question but uh if

32

00:02:16,309 --> 00:02:14,319

there's going to be other people it's

33

00:02:18,710 --> 00:02:16,319

always best to get ahead of the queue

34

00:02:21,750 --> 00:02:18,720

also uh let's always

35

00:02:23,830 --> 00:02:21,760

mention it all the links for all the

36

00:02:25,750 --> 00:02:23,840

people i ever have on are always going

37

00:02:27,750 --> 00:02:25,760

to be in the description below in case

38

00:02:29,750 --> 00:02:27,760

somebody very rarely says no i don't

39

00:02:32,070 --> 00:02:29,760

want to share my information and i

40

00:02:35,670 --> 00:02:32,080

believe this had happened once but all

41

00:02:37,430 --> 00:02:35,680

jaclyn's websites book links amazon are

42

00:02:39,830 --> 00:02:37,440

all in the description below and i

43

00:02:43,670 --> 00:02:39,840

encourage you all to check it out

44

00:02:45,589 --> 00:02:43,680

so with uh that being said uh let me uh

45

00:02:47,350 --> 00:02:45,599

bring in jacqueline

46

00:02:49,190 --> 00:02:47,360

uh jacqueline welcome thanks for being

47

00:02:52,229 --> 00:02:49,200

on how are you

48

00:02:54,470 --> 00:02:52,239

thank you so much um i'm doing great and

49

00:02:56,550 --> 00:02:54,480

thank you so much for inviting me to be

50

00:02:58,710 --> 00:02:56,560

on your show

51  
00:03:02,229 --> 00:02:58,720  
well i'm i'm glad i'm glad you worked

52  
00:03:05,110 --> 00:03:02,239  
out um a mutual acquaintance now judy

53  
00:03:07,589 --> 00:03:05,120  
and suggested me reaching out to you and

54  
00:03:09,509 --> 00:03:07,599  
um usually sometimes schedules are crazy

55  
00:03:11,270 --> 00:03:09,519  
for everybody but i'm glad we're able to

56  
00:03:13,430 --> 00:03:11,280  
make this happen in a very

57  
00:03:15,830 --> 00:03:13,440  
um in a very fast way usually i have to

58  
00:03:17,589 --> 00:03:15,840  
figure out or wait for a month or two to

59  
00:03:19,910 --> 00:03:17,599  
work something out but this was a lot

60  
00:03:21,190 --> 00:03:19,920  
quicker so i'm glad it worked out

61  
00:03:23,990 --> 00:03:21,200  
yeah thank you

62  
00:03:26,710 --> 00:03:24,000  
so jacqueline if um you could please get

63  
00:03:28,550 --> 00:03:26,720

get into some of your background uh and

64

00:03:31,509 --> 00:03:28,560

how everything started out for you and i

65

00:03:33,430 --> 00:03:31,519

figured we'll start from there

66

00:03:36,229 --> 00:03:33,440

yes okay so

67

00:03:38,710 --> 00:03:36,239

um well gosh for

68

00:03:40,390 --> 00:03:38,720

um over 40 years i've been an animal

69

00:03:42,309 --> 00:03:40,400

communicator

70

00:03:43,830 --> 00:03:42,319

and a star being

71

00:03:44,949 --> 00:03:43,840

communicator

72

00:03:47,509 --> 00:03:44,959

as well

73

00:03:50,789 --> 00:03:47,519

and so

74

00:03:54,470 --> 00:03:50,799

the experience i had

75

00:03:58,309 --> 00:03:54,480

actually when i was in my mother's womb

76  
00:04:02,070 --> 00:03:58,319  
the star beings took her aboard the ship

77  
00:04:03,589 --> 00:04:02,080  
and they injected me while i was still

78  
00:04:07,110 --> 00:04:03,599  
in the womb

79  
00:04:09,830 --> 00:04:07,120  
with i could you know call it a cocktail

80  
00:04:11,030 --> 00:04:09,840  
of seven different

81  
00:04:12,949 --> 00:04:11,040  
races

82  
00:04:15,030 --> 00:04:12,959  
of their dna

83  
00:04:20,629 --> 00:04:15,040  
and so they

84  
00:04:25,189 --> 00:04:22,950  
makes me a hybrid

85  
00:04:26,550 --> 00:04:25,199  
and so

86  
00:04:30,150 --> 00:04:26,560  
i call them my

87  
00:04:31,590 --> 00:04:30,160  
my star parents amita and zazu

88  
00:04:32,950 --> 00:04:31,600

they were

89

00:04:35,909 --> 00:04:32,960

my main

90

00:04:37,990 --> 00:04:35,919

guardians or parents on

91

00:04:40,390 --> 00:04:38,000

on the starship

92

00:04:42,710 --> 00:04:40,400

and um

93

00:04:45,270 --> 00:04:42,720

so and there were many other races on

94

00:04:47,590 --> 00:04:45,280

the starship as well there were mantis

95

00:04:49,030 --> 00:04:47,600

beings there were actuarian zetas there

96

00:04:52,790 --> 00:04:49,040

were zetas

97

00:04:53,909 --> 00:04:52,800

there were angels at times um

98

00:04:56,150 --> 00:04:53,919

and so

99

00:04:58,950 --> 00:04:56,160

my star family the tall white zeta

100

00:05:03,029 --> 00:04:58,960

masters

101

00:05:06,150 --> 00:05:03,039

came from alpha centauri b

102

00:05:08,710 --> 00:05:06,160

not to be confused with the tallway

103

00:05:12,950 --> 00:05:08,720

zetas that charles hall talks about in

104

00:05:14,790 --> 00:05:12,960

nevada this is a whole different lineage

105

00:05:16,950 --> 00:05:14,800

so

106

00:05:19,189 --> 00:05:16,960

i started going

107

00:05:20,790 --> 00:05:19,199

on the ship when i was around three

108

00:05:21,749 --> 00:05:20,800

years old

109

00:05:25,270 --> 00:05:21,759

and

110

00:05:27,590 --> 00:05:25,280

i loved being on a ship it was

111

00:05:31,670 --> 00:05:27,600

very quiet

112

00:05:34,950 --> 00:05:31,680

unconditional love on the ship which

113

00:05:36,870 --> 00:05:34,960

was amazing i i felt like i was in

114

00:05:39,590 --> 00:05:36,880

heaven and

115

00:05:42,870 --> 00:05:39,600

all the beings on the ship were

116

00:05:45,990 --> 00:05:42,880

in perfect harmony they all communicated

117

00:05:48,629 --> 00:05:46,000

telepathically and i communicated

118

00:05:50,390 --> 00:05:48,639

with them telepathically

119

00:05:51,189 --> 00:05:50,400

as well

120

00:05:53,430 --> 00:05:51,199

and

121

00:05:56,150 --> 00:05:53,440

um so

122

00:05:59,670 --> 00:05:56,160

you could say i was attending

123

00:06:02,150 --> 00:05:59,680

night class for many many years

124

00:06:03,990 --> 00:06:02,160

on this ship and had the wonderful

125

00:06:04,950 --> 00:06:04,000

opportunity

126  
00:06:07,110 --> 00:06:04,960  
of

127  
00:06:09,270 --> 00:06:07,120  
learning um

128  
00:06:10,469 --> 00:06:09,280  
you know many skills like

129  
00:06:12,790 --> 00:06:10,479  
creating

130  
00:06:15,270 --> 00:06:12,800  
balls of light

131  
00:06:18,309 --> 00:06:15,280  
um from energy

132  
00:06:20,790 --> 00:06:18,319  
and then sometimes we would kind of play

133  
00:06:23,350 --> 00:06:20,800  
catch with them

134  
00:06:26,390 --> 00:06:23,360  
like a baseball so there were

135  
00:06:27,990 --> 00:06:26,400  
a group of eight of us children

136  
00:06:29,270 --> 00:06:28,000  
some of them were from different

137  
00:06:32,830 --> 00:06:29,280  
countries

138  
00:06:35,350 --> 00:06:32,840

but we could all telepathically

139

00:06:38,309 --> 00:06:35,360  
communicate and

140

00:06:40,710 --> 00:06:38,319  
understand each other

141

00:06:42,390 --> 00:06:40,720  
and also

142

00:06:44,629 --> 00:06:42,400  
um

143

00:06:45,990 --> 00:06:44,639  
in these classes

144

00:06:48,390 --> 00:06:46,000  
there were

145

00:06:50,629 --> 00:06:48,400  
um we could say like

146

00:06:52,150 --> 00:06:50,639  
holographic screens

147

00:06:53,670 --> 00:06:52,160  
and so

148

00:06:56,070 --> 00:06:53,680  
um the

149

00:06:57,749 --> 00:06:56,080  
the teachers there um we had different

150

00:07:06,469 --> 00:06:57,759  
teachers

151  
00:07:08,710 --> 00:07:07,430  
we

152  
00:07:09,909 --> 00:07:08,720  
would

153  
00:07:12,150 --> 00:07:09,919  
be asked

154  
00:07:13,670 --> 00:07:12,160  
to

155  
00:07:17,270 --> 00:07:13,680  
draw

156  
00:07:18,790 --> 00:07:17,280  
a symbol with our fingers

157  
00:07:21,670 --> 00:07:18,800  
creating

158  
00:07:24,150 --> 00:07:21,680  
it

159  
00:07:26,950 --> 00:07:24,160  
to look like symbols

160  
00:07:29,189 --> 00:07:26,960  
or light i call it light language codes

161  
00:07:30,950 --> 00:07:29,199  
that they were asking us to draw and

162  
00:07:33,670 --> 00:07:30,960  
then we would

163  
00:07:35,749 --> 00:07:33,680

do it with our fingers in midair

164

00:07:37,350 --> 00:07:35,759

then we would do it with our minds and

165

00:07:41,110 --> 00:07:37,360

project it

166

00:07:42,550 --> 00:07:41,120

onto these holographic screens

167

00:07:45,189 --> 00:07:42,560

so they were just

168

00:07:48,629 --> 00:07:45,199

teaching us how to focus

169

00:07:53,749 --> 00:07:51,749

you know create things from

170

00:07:56,790 --> 00:07:53,759

light and we would

171

00:08:00,550 --> 00:07:56,800

create images of animals when we were in

172

00:08:01,430 --> 00:08:00,560

class and so

173

00:08:03,749 --> 00:08:01,440

um

174

00:08:05,909 --> 00:08:03,759

we also

175

00:08:08,309 --> 00:08:05,919

practiced levitation

176

00:08:10,629 --> 00:08:08,319

levitating objects

177

00:08:13,189 --> 00:08:10,639

and things like that

178

00:08:15,670 --> 00:08:13,199

what was wonderful

179

00:08:18,070 --> 00:08:15,680

is that we were really allowed to be

180

00:08:20,070 --> 00:08:18,080

children and

181

00:08:29,670 --> 00:08:20,080

so

182

00:08:30,469 --> 00:08:29,680

have fun and

183

00:08:34,070 --> 00:08:30,479

um

184

00:08:36,310 --> 00:08:34,080

one of my fondest memories is

185

00:08:38,389 --> 00:08:36,320

running up and down the corridors of the

186

00:08:41,190 --> 00:08:38,399

ship which

187

00:08:42,870 --> 00:08:41,200

was interesting because

188

00:08:44,949 --> 00:08:42,880

it was more like

189

00:08:45,990 --> 00:08:44,959

floating

190

00:08:48,790 --> 00:08:46,000

rather

191

00:08:50,470 --> 00:08:48,800

than having a floor so

192

00:08:52,310 --> 00:08:50,480

and the same

193

00:08:54,630 --> 00:08:52,320

was true

194

00:08:57,110 --> 00:08:54,640

with the walls of the ship they're all

195

00:08:57,829 --> 00:08:57,120

holographic and

196

00:09:00,310 --> 00:08:57,839

um

197

00:09:01,190 --> 00:09:00,320

not solid

198

00:09:03,829 --> 00:09:01,200

and

199

00:09:05,590 --> 00:09:03,839

so there were light codes on the walls

200

00:09:07,670 --> 00:09:05,600

of the shep

201  
00:09:09,430 --> 00:09:07,680  
and i used to stick my fingers in the

202  
00:09:11,990 --> 00:09:09,440  
light codes

203  
00:09:17,110 --> 00:09:15,430  
the lycodes would come off the walls and

204  
00:09:22,550 --> 00:09:17,120  
they would

205  
00:09:25,670 --> 00:09:22,560  
through my body

206  
00:09:29,430 --> 00:09:25,680  
and so what they were doing is

207  
00:09:30,550 --> 00:09:29,440  
helping to raise my frequencies

208  
00:09:32,389 --> 00:09:30,560  
and so

209  
00:09:35,350 --> 00:09:32,399  
um

210  
00:09:38,470 --> 00:09:35,360  
and i also spoke start speaking light

211  
00:09:41,110 --> 00:09:38,480  
language or star languages on the ship

212  
00:09:45,590 --> 00:09:41,120  
when i was three years old so

213  
00:09:47,750 --> 00:09:45,600

i had the wonderful opportunity to learn

214

00:09:49,670 --> 00:09:47,760

a number a lot of different star

215

00:09:52,310 --> 00:09:49,680

languages

216

00:09:54,470 --> 00:09:52,320

and so

217

00:09:55,910 --> 00:09:54,480

these languages

218

00:09:58,389 --> 00:09:55,920

um

219

00:10:00,550 --> 00:09:58,399

are very powerful it's

220

00:10:03,030 --> 00:10:00,560

it's like you know these other beings

221

00:10:04,630 --> 00:10:03,040

they are speaking light

222

00:10:06,630 --> 00:10:04,640

so

223

00:10:09,990 --> 00:10:06,640

with speaking light language a lot of

224

00:10:11,190 --> 00:10:10,000

people are speaking light language today

225

00:10:12,630 --> 00:10:11,200

um

226

00:10:16,310 --> 00:10:12,640

it's

227

00:10:17,030 --> 00:10:16,320

it helps to raise the frequencies

228

00:10:18,470 --> 00:10:17,040

and

229

00:10:21,269 --> 00:10:18,480

um

230

00:10:23,750 --> 00:10:21,279

it clears away all patterns

231

00:10:27,190 --> 00:10:23,760

it helps us to be more

232

00:10:28,230 --> 00:10:27,200

authentic in our authentic self

233

00:10:29,030 --> 00:10:28,240

um

234

00:10:31,190 --> 00:10:29,040

it

235

00:10:34,630 --> 00:10:31,200

works through every cell in our body all

236

00:10:37,910 --> 00:10:34,640

of our bodies our blueprint

237

00:10:39,670 --> 00:10:37,920

and so the light language codes are very

238

00:10:44,069 --> 00:10:39,680

important

239

00:10:48,630 --> 00:10:44,079

um and very powerful so like one

240

00:10:49,590 --> 00:10:48,640

one light language code can carry

241

00:10:56,870 --> 00:10:49,600

um

242

00:11:00,710 --> 00:10:56,880

i'll just hold this up briefly

243

00:11:02,069 --> 00:11:00,720

these were the actual symbols

244

00:11:03,350 --> 00:11:02,079

that were

245

00:11:05,910 --> 00:11:03,360

on

246

00:11:08,310 --> 00:11:05,920

the walls of the ship that i'm talking

247

00:11:09,350 --> 00:11:08,320

about some of them

248

00:11:11,269 --> 00:11:09,360

so

249

00:11:12,829 --> 00:11:11,279

these particular

250

00:11:14,550 --> 00:11:12,839

light language

251  
00:11:16,389 --> 00:11:14,560  
codes are

252  
00:11:19,030 --> 00:11:16,399  
particularly

253  
00:11:20,389 --> 00:11:19,040  
to create harmony

254  
00:11:23,190 --> 00:11:20,399  
and balance

255  
00:11:27,590 --> 00:11:25,910  
i had great fun doing this as a child on

256  
00:11:29,910 --> 00:11:27,600  
the ship there were

257  
00:11:31,509 --> 00:11:29,920  
oftentimes when i did not want to go

258  
00:11:34,389 --> 00:11:31,519  
back to earth

259  
00:11:36,069 --> 00:11:34,399  
i wanted to stay on the ship

260  
00:11:37,829 --> 00:11:36,079  
and they would tell me

261  
00:11:38,949 --> 00:11:37,839  
that

262  
00:11:42,389 --> 00:11:38,959  
um

263  
00:11:44,630 --> 00:11:42,399

i had to go back to earth because i had

264

00:11:45,910 --> 00:11:44,640

chosen to be in human form and that's

265

00:11:48,790 --> 00:11:45,920

where

266

00:11:51,430 --> 00:11:48,800

my mission was

267

00:11:57,509 --> 00:11:54,470

on the ship also the crystals

268

00:11:59,750 --> 00:11:57,519

there were many crystal beings who

269

00:12:01,269 --> 00:11:59,760

taught me many things and the crystals

270

00:12:03,750 --> 00:12:01,279

also help

271

00:12:08,629 --> 00:12:03,760

to help

272

00:12:13,030 --> 00:12:08,639

fly the organic ships that these beings

273

00:12:13,829 --> 00:12:13,040

use to go from dimension to dimension

274

00:12:14,870 --> 00:12:13,839

so

275

00:12:17,030 --> 00:12:14,880

um

276

00:12:19,190 --> 00:12:17,040

growing up was not easy i felt like i

277

00:12:22,230 --> 00:12:19,200

didn't belong here

278

00:12:24,629 --> 00:12:22,240

um like most experiencers

279

00:12:26,150 --> 00:12:24,639

and i wanted to say too in the larger

280

00:12:29,110 --> 00:12:26,160

sense we

281

00:12:30,710 --> 00:12:29,120

are all hybrids because we're we're all

282

00:12:32,790 --> 00:12:30,720

from the stars

283

00:12:33,670 --> 00:12:32,800

um we could say we're all hybrids we're

284

00:12:35,269 --> 00:12:33,680

all

285

00:12:36,550 --> 00:12:35,279

star c's

286

00:12:38,550 --> 00:12:36,560

so

287

00:12:41,269 --> 00:12:38,560

um

288

00:12:43,190 --> 00:12:41,279

so someone who interviewed me

289

00:12:46,389 --> 00:12:43,200

for

290

00:12:47,430 --> 00:12:46,399

a book barbara lam and miguel mandansa

291

00:12:49,110 --> 00:12:47,440

had

292

00:12:51,110 --> 00:12:49,120

interviewed me

293

00:12:53,590 --> 00:12:51,120

for meet the hybrids and

294

00:12:55,269 --> 00:12:53,600

they asked all of us what

295

00:12:57,590 --> 00:12:55,279

what we

296

00:12:59,269 --> 00:12:57,600

thought a hybrid was or you know from

297

00:13:00,870 --> 00:12:59,279

our own experience

298

00:13:03,269 --> 00:13:00,880

and so

299

00:13:06,550 --> 00:13:03,279

pretty much all of us said

300

00:13:09,750 --> 00:13:06,560

that we were genetically altered

301  
00:13:11,509 --> 00:13:09,760  
while in the womb or

302  
00:13:13,269 --> 00:13:11,519  
you know we were

303  
00:13:14,870 --> 00:13:13,279  
implanted

304  
00:13:17,110 --> 00:13:14,880  
or

305  
00:13:18,790 --> 00:13:17,120  
someone can be genetically altered you

306  
00:13:20,389 --> 00:13:18,800  
know up until they're about six years

307  
00:13:23,829 --> 00:13:20,399  
old or so

308  
00:13:24,790 --> 00:13:23,839  
so that's a little different definition

309  
00:13:28,470 --> 00:13:24,800  
um

310  
00:13:29,430 --> 00:13:28,480  
and our you know the dna that i have

311  
00:13:30,629 --> 00:13:29,440  
is

312  
00:13:34,150 --> 00:13:30,639  
um

313  
00:13:36,790 --> 00:13:34,160

it really is from these other races so

314

00:13:39,910 --> 00:13:36,800

not everyone has

315

00:13:42,629 --> 00:13:39,920

that experience but again everyone is a

316

00:13:44,949 --> 00:13:42,639

starseed and

317

00:13:46,710 --> 00:13:44,959

again a hybrid in

318

00:13:48,629 --> 00:13:46,720

the bigger sense of

319

00:13:51,990 --> 00:13:48,639

of things but

320

00:13:54,750 --> 00:13:52,000

i've always been connected to

321

00:13:57,189 --> 00:13:54,760

the star beings to the angels to

322

00:14:00,150 --> 00:13:57,199

interdimensional beings

323

00:14:03,269 --> 00:14:00,160

i remember when i was in the crib seeing

324

00:14:06,550 --> 00:14:03,279

my star families um

325

00:14:08,870 --> 00:14:06,560

and them trying to help me adjust

326  
00:14:10,310 --> 00:14:08,880  
to being in the human body and being

327  
00:14:12,790 --> 00:14:10,320  
here on earth so

328  
00:14:15,350 --> 00:14:12,800  
it's definitely been a journey to say

329  
00:14:17,829 --> 00:14:15,360  
the least and

330  
00:14:19,750 --> 00:14:17,839  
um it's taken me

331  
00:14:21,269 --> 00:14:19,760  
a lifetime to put all the pieces

332  
00:14:23,670 --> 00:14:21,279  
together

333  
00:14:25,910 --> 00:14:23,680  
and to really integrate

334  
00:14:26,320 --> 00:14:25,920  
all the material

335  
00:14:27,509 --> 00:14:26,330  
um

336  
00:14:30,790 --> 00:14:27,519  
[Music]

337  
00:14:33,350 --> 00:14:30,800  
you know of my life so

338  
00:14:35,910 --> 00:14:33,360

um and then that's when i decided to

339

00:14:37,829 --> 00:14:35,920

write this book um star being in the

340

00:14:39,030 --> 00:14:37,839

mirror because

341

00:14:45,350 --> 00:14:39,040

i

342

00:14:47,509 --> 00:14:45,360

um

343

00:14:49,910 --> 00:14:47,519

you know really anyone who might even be

344

00:14:54,550 --> 00:14:49,920

interested in the subject

345

00:14:59,509 --> 00:14:54,560

so it's been a long journey and um

346

00:15:00,949 --> 00:14:59,519

but i have the wonderful opportunity to

347

00:15:04,069 --> 00:15:00,959

work with

348

00:15:06,230 --> 00:15:04,079

other experiencers with hybrid starseeds

349

00:15:07,990 --> 00:15:06,240

however you want to say that

350

00:15:11,189 --> 00:15:08,000

and supporting them

351  
00:15:14,790 --> 00:15:11,199  
on their journey

352  
00:15:17,110 --> 00:15:14,800  
as well as working with hybrid children

353  
00:15:19,269 --> 00:15:17,120  
people's hybrid children and

354  
00:15:20,470 --> 00:15:19,279  
passing messages from their hybrid

355  
00:15:22,550 --> 00:15:20,480  
children

356  
00:15:23,670 --> 00:15:22,560  
um to them

357  
00:15:36,389 --> 00:15:23,680  
i

358  
00:15:41,269 --> 00:15:37,509  
and

359  
00:15:42,629 --> 00:15:41,279  
they were created in various ways

360  
00:15:46,790 --> 00:15:42,639  
and so

361  
00:15:58,310 --> 00:15:47,509  
i

362  
00:16:02,389 --> 00:15:58,320  
support them

363  
00:16:04,710 --> 00:16:02,399

in helping them to uncover

364

00:16:07,590 --> 00:16:04,720

their experiences

365

00:16:09,829 --> 00:16:07,600

and how to integrate those

366

00:16:13,189 --> 00:16:09,839

because it's really important for those

367

00:16:16,790 --> 00:16:13,199

experiences to be

368

00:16:21,670 --> 00:16:17,990

you know

369

00:16:22,389 --> 00:16:21,680

to be integrated into someone's life

370

00:16:24,310 --> 00:16:22,399

so

371

00:16:27,030 --> 00:16:24,320

i'm happy to say

372

00:16:31,269 --> 00:16:27,040

with my experiences i've had

373

00:16:33,189 --> 00:16:31,279

very happy experiences very positive

374

00:16:36,870 --> 00:16:33,199

i've i felt

375

00:16:38,870 --> 00:16:36,880

loved on the ship total it was again

376

00:16:41,189 --> 00:16:38,880

unconditional love

377

00:16:43,590 --> 00:16:41,199

just this pure

378

00:16:46,150 --> 00:16:43,600

love no judgment

379

00:16:47,670 --> 00:16:46,160

and these beings do not judge anyone

380

00:16:50,550 --> 00:16:47,680

they don't

381

00:16:52,470 --> 00:16:50,560

have a judgment or of good or bad that's

382

00:16:53,350 --> 00:16:52,480

the duality

383

00:16:55,509 --> 00:16:53,360

um

384

00:16:57,749 --> 00:16:55,519

and so

385

00:17:00,949 --> 00:16:57,759

it's you know there aren't words for it

386

00:17:02,069 --> 00:17:00,959

for that love and so

387

00:17:04,549 --> 00:17:02,079

um

388

00:17:07,990 --> 00:17:04,559

earlier on i did have some fear when i

389

00:17:09,990 --> 00:17:08,000

didn't have some of my memories back

390

00:17:12,110 --> 00:17:10,000

and um

391

00:17:14,789 --> 00:17:12,120

also i had some other

392

00:17:16,949 --> 00:17:14,799

experiences at the time i wasn't

393

00:17:19,510 --> 00:17:16,959

understanding that were

394

00:17:21,110 --> 00:17:19,520

kind of scary with some other groups of

395

00:17:24,309 --> 00:17:21,120

beings and

396

00:17:28,150 --> 00:17:24,319

not even sure who some of those were so

397

00:17:30,710 --> 00:17:28,160

so it's um definitely

398

00:17:32,549 --> 00:17:30,720

been a process of

399

00:17:34,549 --> 00:17:32,559

um

400

00:17:35,669 --> 00:17:34,559

releasing any fear

401  
00:17:37,510 --> 00:17:35,679  
and just

402  
00:17:40,470 --> 00:17:37,520  
understanding

403  
00:17:42,630 --> 00:17:40,480  
you know my soul agreed to

404  
00:17:43,990 --> 00:17:42,640  
come here and walk through all of this

405  
00:17:48,789 --> 00:17:44,000  
and so

406  
00:17:49,909 --> 00:17:48,799  
i consider myself a bridge um

407  
00:17:52,070 --> 00:17:49,919  
and

408  
00:17:54,789 --> 00:17:52,080  
can talk from the

409  
00:17:57,110 --> 00:17:54,799  
star being point of view i i feel much

410  
00:17:58,789 --> 00:17:57,120  
more star being than human

411  
00:18:00,870 --> 00:17:58,799  
but i can also

412  
00:18:02,870 --> 00:18:00,880  
of course talk from

413  
00:18:05,190 --> 00:18:02,880

the human point of view

414

00:18:06,950 --> 00:18:05,200  
as well so

415

00:18:09,029 --> 00:18:06,960  
the hybrid children are very very

416

00:18:12,150 --> 00:18:09,039  
important because

417

00:18:14,789 --> 00:18:12,160  
they are helping humanity

418

00:18:17,430 --> 00:18:14,799  
to evolve um

419

00:18:20,150 --> 00:18:17,440  
it's it's integrating

420

00:18:21,750 --> 00:18:20,160  
everything um with the races and that

421

00:18:23,350 --> 00:18:21,760  
genetically

422

00:18:25,430 --> 00:18:23,360  
and so

423

00:18:27,990 --> 00:18:25,440  
it's a uh

424

00:18:29,270 --> 00:18:28,000  
it's very important it's very important

425

00:18:35,190 --> 00:18:29,280  
so

426

00:18:38,710 --> 00:18:35,200

my journey started

427

00:18:40,470 --> 00:18:38,720

and um off and on i mean through my

428

00:18:42,710 --> 00:18:40,480

throughout my life to start beings have

429

00:18:44,870 --> 00:18:42,720

been here

430

00:18:47,990 --> 00:18:44,880

i'm in communication with them pretty

431

00:18:50,950 --> 00:18:48,000

much every day they're

432

00:18:52,789 --> 00:18:50,960

um speak with me

433

00:18:54,830 --> 00:18:52,799

we could say they hang out at my house

434

00:18:57,990 --> 00:18:54,840

sometimes

435

00:18:59,990 --> 00:18:58,000

and um

436

00:19:01,750 --> 00:19:00,000

and so um

437

00:19:03,510 --> 00:19:01,760

they're always

438

00:19:06,390 --> 00:19:03,520

sharing with me different things and of

439

00:19:08,390 --> 00:19:06,400  
course when i work with clients

440

00:19:10,870 --> 00:19:08,400  
they are always coming through

441

00:19:12,549 --> 00:19:10,880  
giving messages to the people

442

00:19:15,830 --> 00:19:12,559  
who i'm

443

00:19:21,029 --> 00:19:17,510  
so

444

00:19:28,630 --> 00:19:24,470  
and i've had to integrate

445

00:19:31,270 --> 00:19:28,640  
those seven different aspects of myself

446

00:19:32,990 --> 00:19:31,280  
of the star cells

447

00:19:35,590 --> 00:19:33,000  
so you could kind of call me i guess a

448

00:19:38,390 --> 00:19:35,600  
multi-dimensional hybrid or

449

00:19:39,350 --> 00:19:38,400  
something along that line

450

00:19:43,270 --> 00:19:39,360  
so

451  
00:19:45,110 --> 00:19:43,280  
but that took a while to integrate

452  
00:19:48,630 --> 00:19:45,120  
um

453  
00:19:50,310 --> 00:19:48,640  
those beings or those energies

454  
00:19:52,630 --> 00:19:50,320  
into me

455  
00:19:55,510 --> 00:19:52,640  
with being here on earth

456  
00:19:56,310 --> 00:19:55,520  
integrating them into my aura

457  
00:19:57,669 --> 00:19:56,320  
and

458  
00:19:59,430 --> 00:19:57,679  
um

459  
00:20:02,310 --> 00:19:59,440  
and in another sense we could say that

460  
00:20:04,070 --> 00:20:02,320  
they were integrating me as well so

461  
00:20:07,270 --> 00:20:04,080  
it depends on the point of view you're

462  
00:20:09,110 --> 00:20:07,280  
looking from so

463  
00:20:12,470 --> 00:20:09,120

um that's how i got

464

00:20:15,029 --> 00:20:12,480

that's basically um how i got started

465

00:20:16,870 --> 00:20:15,039

with my journey

466

00:20:19,110 --> 00:20:16,880

thank you jacqueline i wanted to ask

467

00:20:21,909 --> 00:20:19,120

something uh that you mentioned a bit

468

00:20:23,990 --> 00:20:21,919

just earlier when you first started

469

00:20:27,190 --> 00:20:24,000

so you explained a little bit what

470

00:20:29,270 --> 00:20:27,200

uh what one role being being this form

471

00:20:31,590 --> 00:20:29,280

of hybrid would would do basically

472

00:20:32,789 --> 00:20:31,600

helping other experiences and whatnot

473

00:20:35,830 --> 00:20:32,799

but

474

00:20:37,669 --> 00:20:35,840

do you think also this this um mixture

475

00:20:39,510 --> 00:20:37,679

or that the seven different dnas that

476

00:20:41,510 --> 00:20:39,520

were added to you do you think that's

477

00:20:43,510 --> 00:20:41,520

part also to

478

00:20:46,470 --> 00:20:43,520

has something to do with you being able

479

00:20:48,789 --> 00:20:46,480

to then i guess uh what's a word

480

00:20:51,190 --> 00:20:48,799

um help out with the hybridization

481

00:20:52,310 --> 00:20:51,200

program itself because you said what

482

00:20:55,029 --> 00:20:52,320

what was the number of yourself do you

483

00:20:57,590 --> 00:20:55,039

have about 40 hybrid children yourself

484

00:21:00,149 --> 00:20:57,600

right do you think that injection had

485

00:21:04,149 --> 00:21:00,159

something to do with being able to

486

00:21:09,830 --> 00:21:08,230

i think so i mean it's um

487

00:21:13,029 --> 00:21:09,840

it enhanced

488

00:21:14,149 --> 00:21:13,039

all my talents and skills

489

00:21:17,430 --> 00:21:14,159

and

490

00:21:18,950 --> 00:21:17,440

day

491

00:21:19,990 --> 00:21:18,960

so

492

00:21:27,270 --> 00:21:20,000

with

493

00:21:29,510 --> 00:21:27,280

um telepathic communication is very

494

00:21:31,830 --> 00:21:29,520

simple for me

495

00:21:33,669 --> 00:21:31,840

and

496

00:21:35,430 --> 00:21:33,679

i am clairvoyant clear audience

497

00:21:36,470 --> 00:21:35,440

clairsentient

498

00:21:38,470 --> 00:21:36,480

um

499

00:21:40,230 --> 00:21:38,480

all those things are very easy and

500

00:21:41,830 --> 00:21:40,240

natural for me

501  
00:21:45,350 --> 00:21:41,840  
so

502  
00:21:48,470 --> 00:21:45,360  
um after injecting me and with me being

503  
00:21:51,110 --> 00:21:48,480  
a hybrid and then creating

504  
00:21:53,510 --> 00:21:51,120  
hybrid children from me

505  
00:21:55,510 --> 00:21:53,520  
all of those children

506  
00:21:59,750 --> 00:21:55,520  
have also been

507  
00:22:01,909 --> 00:21:59,760  
enhanced or we could say um

508  
00:22:04,390 --> 00:22:01,919  
they're more evolved you know they're

509  
00:22:06,549 --> 00:22:04,400  
evolving they're more evolved

510  
00:22:08,630 --> 00:22:06,559  
than than i am

511  
00:22:09,990 --> 00:22:08,640  
and so

512  
00:22:13,029 --> 00:22:10,000  
they

513  
00:22:15,110 --> 00:22:13,039

were very interested in me you know my

514

00:22:17,510 --> 00:22:15,120

emotions as a human

515

00:22:18,710 --> 00:22:17,520

but they're very interested in how

516

00:22:21,110 --> 00:22:18,720

humans

517

00:22:23,510 --> 00:22:21,120

play

518

00:22:24,710 --> 00:22:23,520

our creative process

519

00:22:27,990 --> 00:22:24,720

so

520

00:22:31,029 --> 00:22:28,000

what i did was actually teach

521

00:22:32,549 --> 00:22:31,039

um my star parents and some other beings

522

00:22:33,510 --> 00:22:32,559

on the ship

523

00:22:35,990 --> 00:22:33,520

um

524

00:22:38,470 --> 00:22:36,000

like some simple things like nursery

525

00:22:40,789 --> 00:22:38,480

rhymes and songs and that

526  
00:22:42,870 --> 00:22:40,799  
so then when

527  
00:22:44,870 --> 00:22:42,880  
they took

528  
00:22:47,909 --> 00:22:44,880  
um

529  
00:22:48,710 --> 00:22:47,919  
my dna and then mixed it

530  
00:22:50,710 --> 00:22:48,720  
with

531  
00:22:51,170 --> 00:22:50,720  
their dna

532  
00:22:52,830 --> 00:22:51,180  
um

533  
00:22:58,149 --> 00:22:52,840  
[Music]

534  
00:22:59,669 --> 00:22:58,159  
it those those abilities

535  
00:23:01,830 --> 00:22:59,679  
were then

536  
00:23:03,669 --> 00:23:01,840  
what do i want to say genetically

537  
00:23:04,470 --> 00:23:03,679  
available so

538  
00:23:10,950 --> 00:23:04,480

so

539

00:23:13,190 --> 00:23:10,960

that i taught

540

00:23:16,870 --> 00:23:13,200

my star parents so

541

00:23:19,909 --> 00:23:16,880

it's like it just keeps

542

00:23:22,470 --> 00:23:19,919

evolving you know helping

543

00:23:26,070 --> 00:23:22,480

um the hybrid children to

544

00:23:29,750 --> 00:23:26,080

evolve and and they're working in many

545

00:23:33,669 --> 00:23:29,760

star systems um

546

00:23:36,950 --> 00:23:33,679

helping other star systems to evolve so

547

00:23:39,510 --> 00:23:36,960

it's kind of a never-ending process if

548

00:23:41,029 --> 00:23:39,520

that makes sense

549

00:23:43,190 --> 00:23:41,039

um it does and

550

00:23:45,750 --> 00:23:43,200

speaking of helping you mentioned that

551  
00:23:47,510 --> 00:23:45,760  
there will be helping humanity or are

552  
00:23:49,190 --> 00:23:47,520  
helping humanity can you

553  
00:23:51,350 --> 00:23:49,200  
maybe give go a little bit more into

554  
00:23:52,390 --> 00:23:51,360  
detail in you know regarding that so for

555  
00:23:54,390 --> 00:23:52,400  
example

556  
00:23:57,029 --> 00:23:54,400  
a lot of us they're just very very much

557  
00:23:59,350 --> 00:23:57,039  
nuts and bolts they think helping us and

558  
00:24:01,510 --> 00:23:59,360  
a ship will land they'll meet you and

559  
00:24:03,909 --> 00:24:01,520  
they help in some way by interacting

560  
00:24:05,590 --> 00:24:03,919  
with you and yada yada you know if

561  
00:24:07,909 --> 00:24:05,600  
others there are more in the new age

562  
00:24:10,149 --> 00:24:07,919  
community understand that there's a lot

563  
00:24:11,990 --> 00:24:10,159

has to do with energies and energy

564

00:24:14,789 --> 00:24:12,000

exchange and all that other stuff can

565

00:24:17,909 --> 00:24:14,799

you uh if you can as much details you

566

00:24:19,510 --> 00:24:17,919

can give regarding that how are they uh

567

00:24:23,190 --> 00:24:19,520

what is their process so how are they

568

00:24:27,110 --> 00:24:24,710

well they're helping to raise our

569

00:24:29,830 --> 00:24:27,120

frequencies

570

00:24:32,390 --> 00:24:29,840

in terms of the the genetics like what

571

00:24:35,190 --> 00:24:32,400

they injected with seven

572

00:24:38,230 --> 00:24:35,200

different dna

573

00:24:39,510 --> 00:24:38,240

you know from seven different races

574

00:24:42,789 --> 00:24:39,520

so

575

00:24:45,110 --> 00:24:42,799

i carry all those frequencies just being

576  
00:24:46,630 --> 00:24:45,120  
here on earth

577  
00:24:49,590 --> 00:24:46,640  
they have told me

578  
00:24:51,430 --> 00:24:49,600  
helps to raise the frequencies

579  
00:24:53,830 --> 00:24:51,440  
of those on earth and and that's true

580  
00:24:56,549 --> 00:24:53,840  
for many of us i mean

581  
00:24:58,149 --> 00:24:56,559  
on the frequencies we carry

582  
00:25:03,590 --> 00:24:58,159  
so just

583  
00:25:05,190 --> 00:25:03,600  
by that um that's helping humanity

584  
00:25:08,390 --> 00:25:05,200  
to evolve

585  
00:25:09,350 --> 00:25:08,400  
and they are also integrating

586  
00:25:11,590 --> 00:25:09,360  
more

587  
00:25:16,470 --> 00:25:11,600  
um

588  
00:25:17,750 --> 00:25:16,480

star children more high more

589

00:25:20,070 --> 00:25:17,760

hybrids

590

00:25:21,190 --> 00:25:20,080

onto earth

591

00:25:23,590 --> 00:25:21,200

so

592

00:25:24,710 --> 00:25:23,600

those hybrids coming in they're they're

593

00:25:25,590 --> 00:25:24,720

already

594

00:25:31,350 --> 00:25:25,600

they're

595

00:25:32,870 --> 00:25:31,360

so then that

596

00:25:36,549 --> 00:25:32,880

helps

597

00:25:40,230 --> 00:25:36,559

continue to raise all the frequencies

598

00:25:41,669 --> 00:25:40,240

for humankind as a as a

599

00:25:44,630 --> 00:25:41,679

collective

600

00:25:45,070 --> 00:25:44,640

because humanity is still

601  
00:25:46,230 --> 00:25:45,080  
um

602  
00:25:49,669 --> 00:25:46,240  
[Music]

603  
00:25:52,789 --> 00:25:49,679  
trying to learn about unconditional love

604  
00:25:54,230 --> 00:25:52,799  
so these beings are very loving they

605  
00:25:55,750 --> 00:25:54,240  
come in

606  
00:26:05,110 --> 00:25:55,760  
um

607  
00:26:08,230 --> 00:26:05,120  
and then when they have children

608  
00:26:10,470 --> 00:26:08,240  
when they have hybrid children

609  
00:26:11,590 --> 00:26:10,480  
those children who might be integrated

610  
00:26:14,070 --> 00:26:11,600  
here

611  
00:26:15,750 --> 00:26:14,080  
also continue just to help to raise the

612  
00:26:17,350 --> 00:26:15,760  
frequencies

613  
00:26:18,950 --> 00:26:17,360

um

614

00:26:20,710 --> 00:26:18,960  
of everyone

615

00:26:21,669 --> 00:26:20,720  
actually

616

00:26:23,110 --> 00:26:21,679  
of the

617

00:26:24,470 --> 00:26:23,120  
entire

618

00:26:26,230 --> 00:26:24,480  
collective

619

00:26:28,070 --> 00:26:26,240  
um

620

00:26:29,909 --> 00:26:28,080  
if that makes sense

621

00:26:33,110 --> 00:26:29,919  
well they will they eventually make

622

00:26:34,390 --> 00:26:33,120  
their presence presence known um because

623

00:26:35,990 --> 00:26:34,400  
would um

624

00:26:38,230 --> 00:26:36,000  
uh well i was just basically what i'm

625

00:26:40,549 --> 00:26:38,240  
trying to get at because i know i have a

626  
00:26:42,710 --> 00:26:40,559  
lot of friends and i'm sure maybe you do

627  
00:26:44,549 --> 00:26:42,720  
too that are just kind of you know

628  
00:26:47,350 --> 00:26:44,559  
moving on with their daily day-to-day

629  
00:26:49,029 --> 00:26:47,360  
lives you know going to different games

630  
00:26:51,190 --> 00:26:49,039  
hanging out going grocery shopping

631  
00:26:53,350 --> 00:26:51,200  
things like that and i'm not even aware

632  
00:26:55,990 --> 00:26:53,360  
that um you know this

633  
00:26:58,789 --> 00:26:56,000  
this program not not even mentioned you

634  
00:27:00,870 --> 00:26:58,799  
know aliens are coming to visit or even

635  
00:27:02,789 --> 00:27:00,880  
even if they know they always refer to

636  
00:27:05,029 --> 00:27:02,799  
some kind of movie because oh yeah i've

637  
00:27:07,029 --> 00:27:05,039  
seen that show and that's that's as much

638  
00:27:09,110 --> 00:27:07,039

of their interaction with extra stress

639

00:27:11,269 --> 00:27:09,120

roles goes so

640

00:27:13,830 --> 00:27:11,279

what uh will there eventually be an

641

00:27:16,230 --> 00:27:13,840

interaction in person or

642

00:27:18,789 --> 00:27:16,240

will this just still take a few more

643

00:27:20,950 --> 00:27:18,799

years to play out

644

00:27:22,710 --> 00:27:20,960

well i mean

645

00:27:25,269 --> 00:27:22,720

they're all you know they're already

646

00:27:26,230 --> 00:27:25,279

here really it's

647

00:27:27,990 --> 00:27:26,240

you know

648

00:27:30,149 --> 00:27:28,000

um

649

00:27:31,750 --> 00:27:30,159

many people say this but we are the

650

00:27:34,710 --> 00:27:31,760

disclosure

651  
00:27:38,310 --> 00:27:34,720  
it's not going to be coming from

652  
00:27:41,269 --> 00:27:38,320  
another source we we are

653  
00:27:42,310 --> 00:27:41,279  
the disclosure we are the evolution of

654  
00:27:44,470 --> 00:27:42,320  
it

655  
00:27:47,190 --> 00:27:44,480  
and um

656  
00:27:52,149 --> 00:27:47,200  
so i think that

657  
00:27:55,190 --> 00:27:52,159  
you know they are all bridges and so

658  
00:27:56,870 --> 00:27:55,200  
you know the intention is to awaken

659  
00:27:58,230 --> 00:27:56,880  
you know more and more people are

660  
00:27:59,590 --> 00:27:58,240  
talking

661  
00:28:02,470 --> 00:27:59,600  
about all of

662  
00:28:04,470 --> 00:28:02,480  
you know the subject area of

663  
00:28:06,549 --> 00:28:04,480

hybrid children and

664

00:28:09,990 --> 00:28:06,559

star beings and

665

00:28:13,669 --> 00:28:10,000

globally and light languages

666

00:28:15,990 --> 00:28:13,679

booming open which really is

667

00:28:19,110 --> 00:28:16,000

our next evolutionary step because it

668

00:28:21,590 --> 00:28:19,120

bypasses the body mind totally works

669

00:28:23,590 --> 00:28:21,600

with our frequencies

670

00:28:27,590 --> 00:28:23,600

and

671

00:28:32,870 --> 00:28:30,710

those frequencies are

672

00:28:34,310 --> 00:28:32,880

radiating outward and affecting and

673

00:28:36,470 --> 00:28:34,320

touching

674

00:28:38,950 --> 00:28:36,480

all those other beings that they come

675

00:28:41,350 --> 00:28:38,960

into contact with

676  
00:28:42,389 --> 00:28:41,360  
as well

677  
00:28:44,300 --> 00:28:42,399  
so

678  
00:28:47,029 --> 00:28:44,310  
i think that um

679  
00:28:51,909 --> 00:28:47,039  
[Music]

680  
00:28:56,950 --> 00:28:54,950  
there are many many dimensions and

681  
00:28:58,470 --> 00:28:56,960  
you know we can think of being as out

682  
00:29:02,310 --> 00:28:58,480  
there

683  
00:29:04,870 --> 00:29:02,320  
billions and billions of miles away

684  
00:29:07,909 --> 00:29:04,880  
but yet because every dimension is

685  
00:29:10,149 --> 00:29:07,919  
simply a frequency

686  
00:29:12,789 --> 00:29:10,159  
they can be like

687  
00:29:14,870 --> 00:29:12,799  
right in front of us

688  
00:29:16,950 --> 00:29:14,880

in that

689

00:29:19,190 --> 00:29:16,960  
dimension

690

00:29:21,590 --> 00:29:19,200  
because it can be

691

00:29:23,110 --> 00:29:21,600  
a high frequency

692

00:29:25,909 --> 00:29:23,120  
so

693

00:29:29,029 --> 00:29:25,919  
um in the bigger sense of things there's

694

00:29:31,190 --> 00:29:29,039  
no such thing as time or space actually

695

00:29:33,990 --> 00:29:31,200  
it's all frequencies it's all these

696

00:29:35,750 --> 00:29:34,000  
different octaves of frequencies

697

00:29:36,789 --> 00:29:35,760  
so i see

698

00:29:39,029 --> 00:29:36,799  
many

699

00:29:42,549 --> 00:29:39,039  
star beings who

700

00:29:46,149 --> 00:29:42,559  
are here they're just in another

701  
00:29:49,269 --> 00:29:47,110  
i see

702  
00:29:51,510 --> 00:29:49,279  
so in essence then

703  
00:29:54,310 --> 00:29:51,520  
those that are kind of just your quote

704  
00:29:57,029 --> 00:29:54,320  
unquote average joe uh by i guess being

705  
00:29:59,909 --> 00:29:57,039  
within their proximity or as they move

706  
00:30:02,310 --> 00:29:59,919  
on or just past them in day-to-day lives

707  
00:30:04,070 --> 00:30:02,320  
uh that kind of in a way affects their

708  
00:30:06,230 --> 00:30:04,080  
field i guess for like a better word and

709  
00:30:08,789 --> 00:30:06,240  
then they would get not they're still

710  
00:30:10,950 --> 00:30:08,799  
interested in ufos but would you say

711  
00:30:13,190 --> 00:30:10,960  
more interested in just being more aware

712  
00:30:15,510 --> 00:30:13,200  
of questions like who am i what am i

713  
00:30:17,990 --> 00:30:15,520

doing here that type of stuff yeah

714

00:30:20,630 --> 00:30:18,000

exactly yeah it's like it's about

715

00:30:26,310 --> 00:30:20,640

raising the consciousness

716

00:30:27,990 --> 00:30:26,320

of who we are i mean at the very core

717

00:30:29,269 --> 00:30:28,000

we're divine love

718

00:30:32,310 --> 00:30:29,279

um

719

00:30:35,110 --> 00:30:32,320

that's that's the truth and the star

720

00:30:38,630 --> 00:30:35,120

beings often talk to me about

721

00:30:41,990 --> 00:30:40,950

which is everything love and living from

722

00:30:44,549 --> 00:30:42,000

the heart

723

00:30:46,630 --> 00:30:44,559

is everything and not

724

00:30:49,110 --> 00:30:46,640

being stuck in

725

00:30:52,310 --> 00:30:49,120

in the ego in the 3d

726  
00:30:53,669 --> 00:30:52,320  
world but remembering who we really are

727  
00:30:54,549 --> 00:30:53,679  
we are light

728  
00:30:57,029 --> 00:30:54,559  
we

729  
00:30:58,870 --> 00:30:57,039  
are loved so

730  
00:31:01,509 --> 00:30:58,880  
with my experience

731  
00:31:04,070 --> 00:31:01,519  
these beings

732  
00:31:06,710 --> 00:31:04,080  
often reminded me of that because i

733  
00:31:09,269 --> 00:31:06,720  
would forget that as a child and

734  
00:31:10,870 --> 00:31:09,279  
they would say you're you're not a child

735  
00:31:12,549 --> 00:31:10,880  
you're this soul

736  
00:31:15,269 --> 00:31:12,559  
who has chosen

737  
00:31:18,630 --> 00:31:15,279  
to come into

738  
00:31:20,470 --> 00:31:18,640

this life as a hybrid and

739

00:31:23,029 --> 00:31:20,480

so you have

740

00:31:23,990 --> 00:31:23,039

you have things to do on earth

741

00:31:26,630 --> 00:31:24,000

and

742

00:31:27,750 --> 00:31:26,640

so they would support me

743

00:31:30,870 --> 00:31:27,760

um

744

00:31:35,830 --> 00:31:30,880

in that way and and again everyone's a

745

00:31:37,029 --> 00:31:35,840

starseed so it's just about awakening

746

00:31:39,110 --> 00:31:37,039

and i think

747

00:31:39,990 --> 00:31:39,120

the information that many many people

748

00:31:41,830 --> 00:31:40,000

are

749

00:31:43,509 --> 00:31:41,840

sharing and talking about from their

750

00:31:46,230 --> 00:31:43,519

experiences

751  
00:31:48,710 --> 00:31:46,240  
is great because they actually continues

752  
00:31:51,509 --> 00:31:50,389  
awaken

753  
00:31:54,710 --> 00:31:51,519  
people

754  
00:31:56,710 --> 00:31:54,720  
out

755  
00:31:58,789 --> 00:31:56,720  
and i think

756  
00:32:00,789 --> 00:31:58,799  
again the hybrid children

757  
00:32:02,710 --> 00:32:00,799  
it's just going to continue to evolve

758  
00:32:04,389 --> 00:32:02,720  
and evolve

759  
00:32:08,230 --> 00:32:04,399  
and when you're

760  
00:32:10,470 --> 00:32:08,240  
mixing the genetics of the star beings

761  
00:32:14,789 --> 00:32:10,480  
and the humans

762  
00:32:16,630 --> 00:32:14,799  
it's it's helping humanity to evolve

763  
00:32:18,310 --> 00:32:16,640

so again in the bigger sense we're all

764

00:32:21,830 --> 00:32:18,320

hybrids but

765

00:32:24,230 --> 00:32:21,840

it's it's like they're trying to help us

766

00:32:31,190 --> 00:32:26,549

we've been off track you could say to

767

00:32:35,430 --> 00:32:31,200

get us back on track to wake up

768

00:32:37,669 --> 00:32:35,440

to return to love

769

00:32:39,509 --> 00:32:37,679

to return to living from

770

00:32:42,870 --> 00:32:39,519

the heart joy

771

00:32:47,990 --> 00:32:45,029

and really

772

00:32:50,870 --> 00:32:48,000

helping humanity to find themselves

773

00:32:53,990 --> 00:32:52,870

jacqueline is there another

774

00:32:56,549 --> 00:32:54,000

pertinent

775

00:32:58,070 --> 00:32:56,559

point that i might not know to ask uh

776

00:33:00,070 --> 00:32:58,080

that's in your book that you would like

777

00:33:01,830 --> 00:33:00,080

to cover because um i know i would

778

00:33:03,990 --> 00:33:01,840

probably keep going on and on about the

779

00:33:05,509 --> 00:33:04,000

hybrids and specifics but if there's

780

00:33:08,710 --> 00:33:05,519

something that you would like to get off

781

00:33:11,350 --> 00:33:08,720

your chest first i'd appreciate that

782

00:33:13,669 --> 00:33:11,360

well i think i'd um

783

00:33:18,710 --> 00:33:13,679

i would like to share

784

00:33:19,590 --> 00:33:18,720

one of the light language symbols in my

785

00:33:20,710 --> 00:33:19,600

book

786

00:33:23,190 --> 00:33:20,720

and this

787

00:33:24,870 --> 00:33:23,200

was um

788

00:33:27,509 --> 00:33:24,880

given to me

789

00:33:30,470 --> 00:33:27,519

um this was on the ship as well

790

00:33:33,590 --> 00:33:30,480

but it was given to me um by the tall

791

00:33:34,630 --> 00:33:33,600

white sand masters and this is

792

00:33:37,110 --> 00:33:34,640

again

793

00:33:39,029 --> 00:33:37,120

there are layers and layers um these

794

00:33:41,990 --> 00:33:39,039

symbols

795

00:33:44,630 --> 00:33:42,000

light language codes are all

796

00:33:46,710 --> 00:33:44,640

multi-dimensional even though they're on

797

00:33:49,590 --> 00:33:46,720

their flat on paper

798

00:33:51,590 --> 00:33:49,600

they're still multi-dimensional and so

799

00:33:54,549 --> 00:33:51,600

they're working

800

00:33:56,630 --> 00:33:54,559

with the energies

801  
00:33:59,750 --> 00:33:56,640  
with the person

802  
00:34:01,350 --> 00:33:59,760  
which continues to activate them

803  
00:34:04,710 --> 00:34:01,360  
and that's what the hybrid children do

804  
00:34:06,870 --> 00:34:04,720  
too that they're activating even though

805  
00:34:09,589 --> 00:34:06,880  
people might not be aware of it they're

806  
00:34:13,030 --> 00:34:09,599  
they're being activated because they're

807  
00:34:15,190 --> 00:34:13,040  
all strategically placed globally

808  
00:34:18,230 --> 00:34:15,200  
but this is the um

809  
00:34:23,669 --> 00:34:18,240  
light language symbol

810  
00:34:23,679 --> 00:34:26,230  
so

811  
00:34:29,030 --> 00:34:27,109  
um

812  
00:34:31,430 --> 00:34:29,040  
like people can actually work with this

813  
00:34:35,349 --> 00:34:31,440

if they look at it in the book

814

00:34:39,669 --> 00:34:35,359

and ask the light language code to

815

00:34:44,069 --> 00:34:39,679

come and work with them to activate them

816

00:34:46,829 --> 00:34:44,079

and these light language codes will

817

00:34:52,069 --> 00:34:48,550

clear

818

00:34:56,230 --> 00:34:52,079

away old identities

819

00:35:01,670 --> 00:34:57,190

clear

820

00:35:03,589 --> 00:35:01,680

all the bodies

821

00:35:05,910 --> 00:35:03,599

and really

822

00:35:09,270 --> 00:35:05,920

help the person

823

00:35:10,630 --> 00:35:09,280

align with who they are who

824

00:35:12,870 --> 00:35:10,640

you know with their

825

00:35:15,430 --> 00:35:12,880

authentic self but

826

00:35:16,470 --> 00:35:15,440

i have many many transmissions that i

827

00:35:17,510 --> 00:35:16,480

have drawn

828

00:35:21,430 --> 00:35:17,520

from

829

00:35:24,069 --> 00:35:21,440

the star beings and work with

830

00:35:28,069 --> 00:35:24,079

and they share with me

831

00:35:33,589 --> 00:35:31,030

of of the codes so that a person can

832

00:35:36,390 --> 00:35:33,599

look at these different codes one might

833

00:35:38,390 --> 00:35:36,400

be for light peace and harmony

834

00:35:40,150 --> 00:35:38,400

um this is

835

00:35:42,829 --> 00:35:40,160

another one for

836

00:35:45,270 --> 00:35:42,839

unity inner

837

00:35:48,790 --> 00:35:45,280

unity um

838

00:35:53,510 --> 00:35:51,030

um

839

00:35:56,230 --> 00:35:53,520

i have one from the dolphin-like beings

840

00:35:59,030 --> 00:35:56,240

for joy and play

841

00:36:00,710 --> 00:35:59,040

one of them is for children actually

842

00:36:02,870 --> 00:36:00,720

so when people

843

00:36:04,390 --> 00:36:02,880

hang these up in their household

844

00:36:06,310 --> 00:36:04,400

because the energies are

845

00:36:09,109 --> 00:36:06,320

multi-dimensional

846

00:36:12,230 --> 00:36:09,119

it can fill their whole household

847

00:36:13,190 --> 00:36:12,240

with that wonderful energy

848

00:36:17,829 --> 00:36:13,200

so

849

00:36:21,910 --> 00:36:17,839

with the um

850

00:36:26,470 --> 00:36:23,829

you know they they

851  
00:36:28,310 --> 00:36:26,480  
they are different colors some of them i

852  
00:36:30,710 --> 00:36:28,320  
paint some of them

853  
00:36:33,829 --> 00:36:30,720  
i just use colored pencils or some are

854  
00:36:35,270 --> 00:36:33,839  
just written in black so

855  
00:36:41,430 --> 00:36:35,280  
i

856  
00:36:43,430 --> 00:36:41,440  
ask me to do because colors are

857  
00:36:44,310 --> 00:36:43,440  
frequencies so

858  
00:36:47,829 --> 00:36:44,320  
they

859  
00:36:51,270 --> 00:36:47,839  
may want different colors

860  
00:36:53,589 --> 00:36:51,280  
so that those colors can be used

861  
00:36:55,750 --> 00:36:53,599  
when people are inviting these light

862  
00:36:56,630 --> 00:36:55,760  
language codes to

863  
00:36:58,150 --> 00:36:56,640

work

864

00:36:59,750 --> 00:36:58,160

with them

865

00:37:03,510 --> 00:36:59,760

and

866

00:37:05,910 --> 00:37:03,520

themselves

867

00:37:06,950 --> 00:37:05,920

in putting light language codes within

868

00:37:09,270 --> 00:37:06,960

their

869

00:37:12,150 --> 00:37:09,280

drawings so

870

00:37:13,270 --> 00:37:12,160

on the ships the light language codes

871

00:37:15,109 --> 00:37:13,280

were

872

00:37:18,630 --> 00:37:15,119

again on

873

00:37:20,550 --> 00:37:18,640

the holographic walls of the ship

874

00:37:22,870 --> 00:37:20,560

and

875

00:37:25,109 --> 00:37:22,880

they are like

876

00:37:27,829 --> 00:37:25,119

pure joy

877

00:37:30,870 --> 00:37:27,839

they they really are beings they're

878

00:37:34,230 --> 00:37:30,880

living beings because it's living energy

879

00:37:38,150 --> 00:37:34,240

and just this pure

880

00:37:40,630 --> 00:37:38,160

joy so people who speak

881

00:37:43,750 --> 00:37:40,640

light language understand this that that

882

00:37:46,069 --> 00:37:43,760

it's uplifting it's joyful

883

00:37:48,630 --> 00:37:46,079

um if someone's kind of down if they

884

00:37:53,190 --> 00:37:48,640

speak light language it lifts them up

885

00:37:55,910 --> 00:37:53,200

everyone can speak light language we are

886

00:37:58,870 --> 00:37:55,920

programmed for that so

887

00:38:00,790 --> 00:37:58,880

many people are now learning or i should

888

00:38:02,630 --> 00:38:00,800

say remembering

889

00:38:05,349 --> 00:38:02,640

how to speak

890

00:38:08,069 --> 00:38:05,359

light language

891

00:38:09,270 --> 00:38:08,079

it's it's just simple they just let it

892

00:38:10,550 --> 00:38:09,280

come

893

00:38:11,750 --> 00:38:10,560

and so

894

00:38:14,310 --> 00:38:11,760

and there's

895

00:38:15,109 --> 00:38:14,320

all these different star languages and

896

00:38:17,510 --> 00:38:15,119

so

897

00:38:19,430 --> 00:38:17,520

but it's all about speaking light

898

00:38:22,710 --> 00:38:19,440

because everything

899

00:38:25,750 --> 00:38:22,720

is light and the light language codes

900

00:38:29,510 --> 00:38:25,760

are um sacred geometry

901  
00:38:30,829 --> 00:38:29,520  
it's like the cosmic voice

902  
00:38:33,670 --> 00:38:30,839  
so

903  
00:38:35,510 --> 00:38:33,680  
um when we speak it

904  
00:38:38,069 --> 00:38:35,520  
it it

905  
00:38:39,190 --> 00:38:38,079  
affects our whole body

906  
00:38:41,910 --> 00:38:39,200  
and

907  
00:38:44,230 --> 00:38:41,920  
amaze all our bodies in

908  
00:38:45,910 --> 00:38:44,240  
amazing ways we don't have to know

909  
00:38:47,829 --> 00:38:45,920  
what we're saying a lot of people who

910  
00:38:49,589 --> 00:38:47,839  
speak light language don't

911  
00:38:52,069 --> 00:38:49,599  
understand what they're saying

912  
00:38:54,630 --> 00:38:52,079  
but they feel great

913  
00:38:55,750 --> 00:38:54,640

when they speak the light language and

914

00:39:03,829 --> 00:38:55,760

sometimes

915

00:39:07,349 --> 00:39:03,839

there isn't a need for a message because

916

00:39:09,349 --> 00:39:07,359

again this bypasses the mind ego

917

00:39:11,990 --> 00:39:09,359

and works with our soul

918

00:39:13,750 --> 00:39:12,000

our bodies that know

919

00:39:15,990 --> 00:39:13,760

what's being said through these

920

00:39:17,270 --> 00:39:16,000

frequencies

921

00:39:19,270 --> 00:39:17,280

and so

922

00:39:22,230 --> 00:39:19,280

i work with a lot of people with light

923

00:39:23,430 --> 00:39:22,240

language and play singing both when i do

924

00:39:25,670 --> 00:39:23,440

that

925

00:39:29,109 --> 00:39:25,680

and just speak

926

00:39:31,190 --> 00:39:29,119

all these different star languages um

927

00:39:33,270 --> 00:39:31,200

i'm not sure if you want me to speak a

928

00:39:35,270 --> 00:39:33,280

couple star languages or not that's up

929

00:39:37,750 --> 00:39:35,280

to you

930

00:39:39,750 --> 00:39:37,760

yeah i mean we have time and whatever

931

00:39:42,230 --> 00:39:39,760

you feel you would like to share you're

932

00:39:44,710 --> 00:39:42,240

more than welcome to

933

00:39:47,750 --> 00:39:44,720

so i'll just um

934

00:39:48,950 --> 00:39:47,760

share um a star language with you and

935

00:40:06,390 --> 00:39:48,960

then i'll

936

00:40:06,400 --> 00:40:17,349

um

937

00:40:22,470 --> 00:40:20,069

that one is actually

938

00:40:24,870 --> 00:40:22,480

from the zetas

939

00:40:27,990 --> 00:40:24,880

and they're just simply

940

00:40:29,670 --> 00:40:28,000

they often do this just come through

941

00:40:32,309 --> 00:40:29,680

with um

942

00:40:35,190 --> 00:40:32,319

a blessing for whoever might be

943

00:40:36,870 --> 00:40:35,200

listening and it also activates them in

944

00:40:38,630 --> 00:40:36,880

a gentle

945

00:40:40,470 --> 00:40:38,640

loving way

946

00:40:41,990 --> 00:40:40,480

opening the heart

947

00:40:48,309 --> 00:40:42,000

and

948

00:40:50,710 --> 00:40:48,319

the chakra energies in whatever way is

949

00:40:52,790 --> 00:40:50,720

appropriate so

950

00:40:53,589 --> 00:40:52,800

this one that they just came through

951  
00:40:55,829 --> 00:40:53,599  
with

952  
00:40:57,829 --> 00:40:55,839  
was for opening

953  
00:40:59,829 --> 00:40:57,839  
opening the heart

954  
00:41:02,790 --> 00:40:59,839  
and um

955  
00:41:04,309 --> 00:41:02,800  
yeah just being with oneself

956  
00:41:07,030 --> 00:41:04,319  
um

957  
00:41:18,900 --> 00:41:07,040  
in a loving way so that was

958  
00:42:01,190 --> 00:41:40,430  
[Music]

959  
00:42:05,670 --> 00:42:02,630  
masters

960  
00:42:07,109 --> 00:42:05,680  
and they were just like

961  
00:42:08,630 --> 00:42:07,119  
to remind

962  
00:42:09,430 --> 00:42:08,640  
everyone

963  
00:42:20,470 --> 00:42:09,440

to

964

00:42:23,190 --> 00:42:20,480

and

965

00:42:24,309 --> 00:42:23,200

to again well to follow their hearts to

966

00:42:27,030 --> 00:42:24,319

listen

967

00:42:31,670 --> 00:42:27,040

to their soul

968

00:42:33,109 --> 00:42:31,680

instead of focusing on the mind

969

00:42:35,750 --> 00:42:33,119

or the ego

970

00:42:37,030 --> 00:42:35,760

but to listen to what the soul would

971

00:42:40,950 --> 00:42:37,040

like to

972

00:42:44,390 --> 00:42:40,960

through them

973

00:42:46,950 --> 00:42:44,400

and so again this will activate everyone

974

00:42:48,630 --> 00:42:46,960

in in a very loving

975

00:42:51,510 --> 00:42:48,640

way for

976  
00:42:54,390 --> 00:42:51,520  
heart opening and to get better

977  
00:42:59,829 --> 00:42:54,400  
connected to what the soul might want to

978  
00:43:03,990 --> 00:43:01,829  
oh okay i've just i thought you were

979  
00:43:05,829 --> 00:43:04,000  
going to do a few more i

980  
00:43:07,190 --> 00:43:05,839  
didn't catch on your q there so thank

981  
00:43:09,109 --> 00:43:07,200  
you very much for sharing that i

982  
00:43:11,589 --> 00:43:09,119  
appreciate it um

983  
00:43:14,309 --> 00:43:11,599  
so jacqueline uh what do you think if i

984  
00:43:16,710 --> 00:43:14,319  
have uh one more question and that uh

985  
00:43:19,030 --> 00:43:16,720  
we'll then also want to let the audience

986  
00:43:20,710 --> 00:43:19,040  
know that we can open up for some q a

987  
00:43:27,510 --> 00:43:20,720  
and i'm sure they have some questions on

988  
00:43:31,829 --> 00:43:29,510

is that is that all right with you

989

00:43:34,309 --> 00:43:31,839

oh sure okay good deal

990

00:43:37,190 --> 00:43:34,319

so the the other question that basically

991

00:43:39,829 --> 00:43:37,200

have um and for those that would like to

992

00:43:42,309 --> 00:43:39,839

speak to jacqueline directly please join

993

00:43:44,790 --> 00:43:42,319

telegram otherwise please leave your uh

994

00:43:46,710 --> 00:43:44,800

questions in either twitch chat or

995

00:43:48,470 --> 00:43:46,720

youtube and

996

00:43:50,390 --> 00:43:48,480

before the question please make sure to

997

00:43:53,270 --> 00:43:50,400

include the three asterisks so that that

998

00:43:54,950 --> 00:43:53,280

way i know it's meant for jacqueline

999

00:43:57,510 --> 00:43:54,960

based on what i'm hearing and all the

1000

00:43:59,910 --> 00:43:57,520

things you were telling me um and in a

1001

00:44:02,069 --> 00:43:59,920

way you know i always ask

1002

00:44:04,230 --> 00:44:02,079

each individual guest that i feel like

1003

00:44:06,870 --> 00:44:04,240

would know something about this and

1004

00:44:08,150 --> 00:44:06,880

basically ask a similar question

1005

00:44:10,470 --> 00:44:08,160

does it seem like that all these

1006

00:44:12,550 --> 00:44:10,480

different races then are working

1007

00:44:15,270 --> 00:44:12,560

together and they're not necessarily at

1008

00:44:18,950 --> 00:44:15,280

odds with each other

1009

00:44:22,150 --> 00:44:18,960

yes the the ones who i am connected to

1010

00:44:23,910 --> 00:44:22,160

um definitely are all working together

1011

00:44:26,150 --> 00:44:23,920

and um

1012

00:44:29,109 --> 00:44:26,160

you know i've asked them this a number

1013

00:44:31,990 --> 00:44:29,119

of times and just was curious who they

1014

00:44:34,470 --> 00:44:32,000

were working you know working with but

1015

00:44:40,470 --> 00:44:34,480

they all work together and what i love

1016

00:44:41,349 --> 00:44:40,480

about that is um so on the ship i was on

1017

00:44:42,790 --> 00:44:41,359

um

1018

00:44:43,990 --> 00:44:42,800

you know there were the tall white sedan

1019

00:44:46,069 --> 00:44:44,000

masters

1020

00:44:47,829 --> 00:44:46,079

there were the octarian zetas there were

1021

00:44:49,750 --> 00:44:47,839

mantis beings

1022

00:44:52,150 --> 00:44:49,760

there were angels

1023

00:44:54,309 --> 00:44:52,160

there were zetas

1024

00:44:56,630 --> 00:44:54,319

and and plant-like beings and

1025

00:45:00,390 --> 00:44:56,640

animal-like beings

1026  
00:45:06,950 --> 00:45:04,630  
everybody communicated telepathically

1027  
00:45:09,030 --> 00:45:06,960  
but what was great is you know what they

1028  
00:45:10,470 --> 00:45:09,040  
explained to me

1029  
00:45:17,270 --> 00:45:10,480  
is

1030  
00:45:19,190 --> 00:45:17,280  
offer

1031  
00:45:23,190 --> 00:45:19,200  
their own talents

1032  
00:45:25,589 --> 00:45:23,200  
and skills to work together in a way

1033  
00:45:27,750 --> 00:45:25,599  
that supports what

1034  
00:45:31,109 --> 00:45:27,760  
what they're doing so

1035  
00:45:32,790 --> 00:45:31,119  
the mantis have a great ability

1036  
00:45:35,109 --> 00:45:32,800  
to

1037  
00:45:36,309 --> 00:45:35,119  
see the details of things but they can

1038  
00:45:39,030 --> 00:45:36,319

also see

1039

00:45:39,990 --> 00:45:39,040

the bigger picture of things

1040

00:45:42,550 --> 00:45:40,000

and

1041

00:45:44,829 --> 00:45:42,560

the zetas are great at implementing

1042

00:45:49,270 --> 00:45:44,839

things putting things into

1043

00:45:50,630 --> 00:45:49,280

action the tall white zeta masters

1044

00:45:51,349 --> 00:45:50,640

they

1045

00:45:54,550 --> 00:45:51,359

are

1046

00:45:57,109 --> 00:45:54,560

wonderful spiritual guides or elders

1047

00:45:59,430 --> 00:45:57,119

they have a lot to do with watching over

1048

00:46:01,829 --> 00:45:59,440

the hybrid children on the ship

1049

00:46:02,710 --> 00:46:01,839

and teaching

1050

00:46:10,550 --> 00:46:02,720

us

1051

00:46:13,990 --> 00:46:10,560

on the ship

1052

00:46:15,829 --> 00:46:14,000

so it's like each one has their role

1053

00:46:19,829 --> 00:46:15,839

they know that

1054

00:46:21,670 --> 00:46:19,839

and it just works perfectly it's like

1055

00:46:23,829 --> 00:46:21,680

all these pieces of a puzzle put

1056

00:46:25,910 --> 00:46:23,839

together perfectly

1057

00:46:28,630 --> 00:46:25,920

there's total respect

1058

00:46:32,470 --> 00:46:28,640

they all understand that

1059

00:46:34,470 --> 00:46:32,480

in the bigger sense we're all one

1060

00:46:37,190 --> 00:46:34,480

and um

1061

00:46:39,190 --> 00:46:37,200

and they have said to me

1062

00:46:41,510 --> 00:46:39,200

where some of them come from

1063

00:46:44,550 --> 00:46:41,520

that they don't have categories like

1064

00:46:46,870 --> 00:46:44,560

humans do like humans have categories

1065

00:46:48,950 --> 00:46:46,880

for animals and they go we don't

1066

00:46:51,910 --> 00:46:48,960

even have that

1067

00:46:53,430 --> 00:46:51,920

category or word or ever they don't you

1068

00:46:56,390 --> 00:46:53,440

know it's not words

1069

00:46:59,030 --> 00:46:56,400

every being is a being

1070

00:47:01,510 --> 00:46:59,040

that everyone is equal

1071

00:47:03,670 --> 00:47:01,520

and this is kind of across the board

1072

00:47:04,790 --> 00:47:03,680

everyone is equal

1073

00:47:11,270 --> 00:47:04,800

and

1074

00:47:13,430 --> 00:47:11,280

so my star family said to me well

1075

00:47:15,510 --> 00:47:13,440

we are more evolved but we are not

1076

00:47:19,030 --> 00:47:15,520

better than you

1077

00:47:20,549 --> 00:47:19,040

and and so they understand that um

1078

00:47:22,870 --> 00:47:20,559

how to work

1079

00:47:27,270 --> 00:47:22,880

together in a way

1080

00:47:30,069 --> 00:47:27,280

that humanity is still struggling

1081

00:47:30,079 --> 00:47:34,230

to understand how to do that

1082

00:47:38,390 --> 00:47:35,990

jacqueline before i forget this uh

1083

00:47:40,870 --> 00:47:38,400

before i go actually into the other uh

1084

00:47:43,109 --> 00:47:40,880

questions i wanted to selfishly ask one

1085

00:47:44,470 --> 00:47:43,119

more um it just kind of occurred to me

1086

00:47:47,510 --> 00:47:44,480

have you

1087

00:47:49,589 --> 00:47:47,520

met others on the planet that have been

1088

00:47:51,270 --> 00:47:49,599

with you on the ships or is it only a

1089

00:47:52,950 --> 00:47:51,280

meeting that occurs on the ships

1090

00:47:53,320 --> 00:47:52,960

themselves

1091

00:47:54,470 --> 00:47:53,330

so

1092

00:47:56,069 --> 00:47:54,480

[Music]

1093

00:47:58,630 --> 00:47:56,079

um actually

1094

00:48:02,870 --> 00:47:58,640

a boy who i grew up with

1095

00:48:04,790 --> 00:48:02,880

um and we used to play together knew him

1096

00:48:07,349 --> 00:48:04,800

when i was about

1097

00:48:08,470 --> 00:48:07,359

five or six years old we were

1098

00:48:09,510 --> 00:48:08,480

friends

1099

00:48:11,829 --> 00:48:09,520

um

1100

00:48:13,589 --> 00:48:11,839

so he was on the ship

1101  
00:48:15,349 --> 00:48:13,599  
in that class

1102  
00:48:17,430 --> 00:48:15,359  
with me

1103  
00:48:18,549 --> 00:48:17,440  
and um

1104  
00:48:21,750 --> 00:48:18,559  
so

1105  
00:48:24,150 --> 00:48:21,760  
i didn't we saw each other off and on

1106  
00:48:26,470 --> 00:48:24,160  
the ship because this group of children

1107  
00:48:29,670 --> 00:48:26,480  
we saw each other up and on through our

1108  
00:48:32,309 --> 00:48:29,680  
teens and even a couple times in our 20s

1109  
00:48:34,470 --> 00:48:32,319  
but i didn't see him here and then one

1110  
00:48:40,069 --> 00:48:34,480  
day

1111  
00:48:47,670 --> 00:48:42,390  
and

1112  
00:48:50,790 --> 00:48:47,680  
to do the student teaching

1113  
00:48:52,950 --> 00:48:50,800

walked into the room and here

1114

00:48:53,910 --> 00:48:52,960

he was you know

1115

00:48:56,790 --> 00:48:53,920

um

1116

00:48:57,910 --> 00:48:56,800

andy and that is his name

1117

00:49:00,069 --> 00:48:57,920

and

1118

00:49:01,990 --> 00:49:00,079

hadn't seen him in years i mean

1119

00:49:05,030 --> 00:49:02,000

and there we were together we were

1120

00:49:08,710 --> 00:49:05,040

supposed to teach this class together

1121

00:49:10,790 --> 00:49:08,720

and it was pretty um pretty amazing i

1122

00:49:14,069 --> 00:49:10,800

mean that's

1123

00:49:16,549 --> 00:49:14,079

that's a huge coincidence right so

1124

00:49:19,030 --> 00:49:16,559

so but i haven't seen him since and then

1125

00:49:20,790 --> 00:49:19,040

there's another man who i know

1126

00:49:27,109 --> 00:49:20,800

um

1127

00:49:30,630 --> 00:49:27,119

was also on the ship

1128

00:49:31,510 --> 00:49:30,640

when i was a child a couple actually

1129

00:49:33,670 --> 00:49:31,520

so

1130

00:49:34,950 --> 00:49:33,680

okay yeah i wanted to i wanted to ask

1131

00:49:36,950 --> 00:49:34,960

that because

1132

00:49:38,950 --> 00:49:36,960

you know because sometimes you said

1133

00:49:41,510 --> 00:49:38,960

they're from all over the world so

1134

00:49:43,510 --> 00:49:41,520

it's not every day that say you run into

1135

00:49:44,790 --> 00:49:43,520

someone that lives in europe or you know

1136

00:49:46,390 --> 00:49:44,800

somewhere else

1137

00:49:49,190 --> 00:49:46,400

um so

1138

00:49:51,510 --> 00:49:49,200

the first question i have is from penny

1139

00:49:54,630 --> 00:49:51,520

uh the question is do you remember

1140

00:49:56,390 --> 00:49:54,640

do you oh do you recommend a person be

1141

00:49:59,670 --> 00:49:56,400

regressed if they want to recover their

1142

00:50:01,829 --> 00:49:59,680

mission purpose how does one tap into

1143

00:50:04,870 --> 00:50:01,839

their memories if they have difficulties

1144

00:50:05,829 --> 00:50:04,880

meditating thank you

1145

00:50:07,670 --> 00:50:05,839

so

1146

00:50:11,349 --> 00:50:07,680

um

1147

00:50:14,549 --> 00:50:11,359

so if someone feels they're really ready

1148

00:50:17,190 --> 00:50:14,559

it would be wise to seek out

1149

00:50:20,950 --> 00:50:17,200

a certified hypnotherapist

1150

00:50:24,069 --> 00:50:20,960

who has worked with experiencers who

1151

00:50:26,549 --> 00:50:24,079

who understands experiencers

1152

00:50:29,349 --> 00:50:26,559

and i think um

1153

00:50:31,990 --> 00:50:29,359

that way you can retrieve

1154

00:50:35,109 --> 00:50:32,000

that's a safe way to retrieve

1155

00:50:37,990 --> 00:50:35,119

memories and to have that support

1156

00:50:40,069 --> 00:50:38,000

from someone

1157

00:50:41,349 --> 00:50:40,079

who's going to be there for you because

1158

00:50:44,230 --> 00:50:41,359

it it is

1159

00:50:45,030 --> 00:50:44,240

it is a process and the memories

1160

00:50:47,430 --> 00:50:45,040

um

1161

00:50:49,990 --> 00:50:47,440

even if they're good ones

1162

00:50:55,589 --> 00:50:53,030

shocking isn't the right word but

1163

00:50:56,790 --> 00:50:55,599

um seem kind of surreal

1164

00:50:58,309 --> 00:50:56,800

at first

1165

00:51:01,750 --> 00:50:58,319

until

1166

00:51:04,950 --> 00:51:01,760

um you have a chance to

1167

00:51:06,069 --> 00:51:04,960

talk about them and integrate them but

1168

00:51:08,710 --> 00:51:06,079

um

1169

00:51:11,910 --> 00:51:08,720

it's like when you when you open that it

1170

00:51:14,309 --> 00:51:11,920

can open up a number of experiences

1171

00:51:16,390 --> 00:51:14,319

so that's important to know

1172

00:51:17,910 --> 00:51:16,400

as well

1173

00:51:20,549 --> 00:51:17,920

great thank you for that

1174

00:51:23,190 --> 00:51:20,559

the next question is from labels asking

1175

00:51:25,510 --> 00:51:23,200

uh jacqueline how can we teach our very

1176

00:51:28,069 --> 00:51:25,520

young children to be more open to

1177

00:51:30,309 --> 00:51:28,079

integration with star beings so many

1178

00:51:33,349 --> 00:51:30,319

people are completely closed off to this

1179

00:51:36,870 --> 00:51:34,549

so

1180

00:51:39,349 --> 00:51:36,880

what i love about children is that they

1181

00:51:42,470 --> 00:51:39,359

are usually very open to this

1182

00:51:43,750 --> 00:51:42,480

it's not until their parents tell them

1183

00:51:46,549 --> 00:51:43,760

that

1184

00:51:48,950 --> 00:51:46,559

star beings aren't real

1185

00:51:51,349 --> 00:51:48,960

or they shut that down

1186

00:51:53,430 --> 00:51:51,359

then the child

1187

00:51:54,950 --> 00:51:53,440

becomes um

1188

00:51:56,790 --> 00:51:54,960

closed

1189

00:51:58,069 --> 00:51:56,800

more close to that i've talked to a lot

1190

00:52:00,549 --> 00:51:58,079

of people

1191

00:52:03,030 --> 00:52:00,559

who had experiences when they

1192

00:52:05,030 --> 00:52:03,040

were children and that that got shut

1193

00:52:08,230 --> 00:52:05,040

down in one way

1194

00:52:11,349 --> 00:52:08,240

or another but children

1195

00:52:13,030 --> 00:52:11,359

many children are coming in now with

1196

00:52:15,990 --> 00:52:13,040

those

1197

00:52:17,109 --> 00:52:16,000

memories i um and i've worked with some

1198

00:52:19,030 --> 00:52:17,119

of those

1199

00:52:21,510 --> 00:52:19,040

and then end up working with the parents

1200

00:52:25,349 --> 00:52:21,520

because they don't know what to do

1201  
00:52:29,109 --> 00:52:25,359  
with a child so unfortunately some

1202  
00:52:30,790 --> 00:52:29,119  
some experiencers and that have

1203  
00:52:34,470 --> 00:52:30,800  
gone through the process of being

1204  
00:52:35,750 --> 00:52:34,480  
drugged and put in institutions and

1205  
00:52:38,230 --> 00:52:35,760  
under

1206  
00:52:40,470 --> 00:52:38,240  
psychiatric care

1207  
00:52:42,470 --> 00:52:40,480  
because their parents thought there was

1208  
00:52:45,510 --> 00:52:42,480  
something wrong with them and they

1209  
00:52:48,710 --> 00:52:45,520  
weren't listening to what these children

1210  
00:52:49,589 --> 00:52:48,720  
were saying to them like they say if you

1211  
00:52:53,030 --> 00:52:49,599  
know

1212  
00:52:55,990 --> 00:52:53,040  
a gray being showed up in my room and

1213  
00:52:57,510 --> 00:52:56,000

and and that being um

1214

00:53:02,069 --> 00:52:57,520

you know

1215

00:53:03,270 --> 00:53:02,079

spaceship or whatever

1216

00:53:05,030 --> 00:53:03,280

um

1217

00:53:07,109 --> 00:53:05,040

you know some parents aren't ready to

1218

00:53:08,470 --> 00:53:07,119

handle that they don't know what to do

1219

00:53:09,510 --> 00:53:08,480

with it

1220

00:53:12,069 --> 00:53:09,520

and

1221

00:53:15,829 --> 00:53:12,079

they can discount that experience for

1222

00:53:16,950 --> 00:53:15,839

the child and the child starts to shut

1223

00:53:18,069 --> 00:53:16,960

down

1224

00:53:20,390 --> 00:53:18,079

but

1225

00:53:21,589 --> 00:53:20,400

it's natural for children that's

1226  
00:53:22,549 --> 00:53:21,599  
there

1227  
00:53:23,910 --> 00:53:22,559  
would be

1228  
00:53:26,470 --> 00:53:23,920  
naturally

1229  
00:53:28,630 --> 00:53:26,480  
open to that

1230  
00:53:29,990 --> 00:53:28,640  
to star beings

1231  
00:53:32,549 --> 00:53:30,000  
great thank you

1232  
00:53:35,109 --> 00:53:32,559  
the next question is from paul asking

1233  
00:53:43,670 --> 00:53:35,119  
does frequency relate to empathic

1234  
00:53:48,069 --> 00:53:46,549  
not sure what that means i i am an

1235  
00:53:49,349 --> 00:53:48,079  
empath

1236  
00:53:53,510 --> 00:53:49,359  
um

1237  
00:53:57,750 --> 00:53:54,950  
taking in

1238  
00:53:59,750 --> 00:53:57,760

other people's

1239

00:54:02,230 --> 00:53:59,760

if i'm not careful i can take on other

1240

00:54:04,870 --> 00:54:02,240

people's frequencies

1241

00:54:06,630 --> 00:54:04,880

or energies

1242

00:54:08,710 --> 00:54:06,640

and and then

1243

00:54:09,750 --> 00:54:08,720

i need to clear those and

1244

00:54:11,990 --> 00:54:09,760

and

1245

00:54:13,349 --> 00:54:12,000

know if those energies are mine or

1246

00:54:14,870 --> 00:54:13,359

someone

1247

00:54:16,630 --> 00:54:14,880

else's

1248

00:54:19,109 --> 00:54:16,640

so i'm not sure if that's what he's

1249

00:54:21,109 --> 00:54:19,119

asking or

1250

00:54:22,870 --> 00:54:21,119

i'll see if there's a clarification

1251

00:54:25,670 --> 00:54:22,880

later on in chat i'm just basically

1252

00:54:27,030 --> 00:54:25,680

going back to the beginning and covering

1253

00:54:28,230 --> 00:54:27,040

everything from

1254

00:54:30,790 --> 00:54:28,240

from the top

1255

00:54:31,670 --> 00:54:30,800

um so the next question is from

1256

00:54:35,990 --> 00:54:31,680

b

1257

00:54:41,349 --> 00:54:38,630

many people refer to themselves as awake

1258

00:54:43,670 --> 00:54:41,359

but how can anybody know if she or he is

1259

00:54:47,190 --> 00:54:43,680

awakened how can you recognize an

1260

00:54:51,030 --> 00:54:48,630

yeah i think that's a really good

1261

00:54:52,950 --> 00:54:51,040

question i it's a process we just keep

1262

00:54:56,230 --> 00:54:52,960

awakening

1263

00:55:03,030 --> 00:55:00,710

it's no one has arrived as far as i know

1264

00:55:06,230 --> 00:55:03,040

and so it's just part of that whole

1265

00:55:08,069 --> 00:55:06,240

evolutionary personal evolutionary

1266

00:55:11,910 --> 00:55:08,079

process

1267

00:55:15,910 --> 00:55:13,270

awakening

1268

00:55:19,430 --> 00:55:15,920

so like my whole life has been

1269

00:55:22,390 --> 00:55:19,440

awakening and learning things and

1270

00:55:27,109 --> 00:55:22,400

meeting more and more star beings and

1271

00:55:29,430 --> 00:55:27,119

having a wide variety of experiences and

1272

00:55:31,030 --> 00:55:29,440

i think the important thing

1273

00:55:34,069 --> 00:55:31,040

is to

1274

00:55:39,990 --> 00:55:37,750

be open again to our souls

1275

00:55:42,470 --> 00:55:40,000

and listening to what

1276  
00:55:43,910 --> 00:55:42,480  
our souls have to say in our hearts of

1277  
00:55:44,980 --> 00:55:43,920  
course

1278  
00:55:46,950 --> 00:55:44,990  
and um

1279  
00:55:49,670 --> 00:55:46,960  
[Music]

1280  
00:55:52,230 --> 00:55:49,680  
and frankly being joyful and happy

1281  
00:55:52,590 --> 00:55:52,240  
raises our frequencies

1282  
00:55:53,750 --> 00:55:52,600  
um

1283  
00:55:55,109 --> 00:55:53,760  
[Music]

1284  
00:55:57,030 --> 00:55:55,119  
you know

1285  
00:55:59,910 --> 00:55:57,040  
if someone's in fear it lowers the

1286  
00:56:01,190 --> 00:55:59,920  
frequency but when they come into joy

1287  
00:56:03,670 --> 00:56:01,200  
that's

1288  
00:56:07,109 --> 00:56:03,680

why light language is so wonderful

1289

00:56:09,190 --> 00:56:07,119

it it raises the frequency like

1290

00:56:11,589 --> 00:56:09,200

it can raise in two or three seconds

1291

00:56:15,510 --> 00:56:11,599

literally

1292

00:56:17,270 --> 00:56:15,520

so but it's it's a process

1293

00:56:20,470 --> 00:56:17,280

it's it's a

1294

00:56:21,910 --> 00:56:20,480

it's just an ongoing process

1295

00:56:24,069 --> 00:56:21,920

okay thank you

1296

00:56:27,270 --> 00:56:24,079

um aristotle

1297

00:56:30,150 --> 00:56:27,280

correlate uh is asking if the races are

1298

00:56:32,150 --> 00:56:30,160

working together what is the common goal

1299

00:56:35,750 --> 00:56:32,160

is the protection of earth of huge

1300

00:56:40,950 --> 00:56:39,030

um well they are working together

1301  
00:56:42,789 --> 00:56:40,960  
and they

1302  
00:56:45,030 --> 00:56:42,799  
the ones i work with

1303  
00:56:46,950 --> 00:56:45,040  
all care deeply

1304  
00:56:48,630 --> 00:56:46,960  
about the earth they talked to me about

1305  
00:56:49,990 --> 00:56:48,640  
this and when i was on the ship as a

1306  
00:56:52,470 --> 00:56:50,000  
little girl

1307  
00:56:54,069 --> 00:56:52,480  
they talked to me and the other children

1308  
00:56:57,030 --> 00:56:54,079  
in the class

1309  
00:56:59,349 --> 00:56:57,040  
about how much they loved the earth

1310  
00:57:01,030 --> 00:56:59,359  
and cared about the earth

1311  
00:57:03,190 --> 00:57:01,040  
and so

1312  
00:57:06,230 --> 00:57:03,200  
again that's another

1313  
00:57:09,030 --> 00:57:06,240

um i think re another reason for hybrid

1314

00:57:10,950 --> 00:57:09,040

children because

1315

00:57:12,710 --> 00:57:10,960

you know on the ship they were teaching

1316

00:57:15,510 --> 00:57:12,720

us this

1317

00:57:17,670 --> 00:57:15,520

and then we grow up here

1318

00:57:20,630 --> 00:57:17,680

you know most of my life i've been

1319

00:57:22,710 --> 00:57:20,640

talking about everyone is one we need to

1320

00:57:25,670 --> 00:57:22,720

take care of our planet

1321

00:57:26,630 --> 00:57:25,680

earth is a beautiful being

1322

00:57:28,230 --> 00:57:26,640

so

1323

00:57:30,710 --> 00:57:28,240

they all care

1324

00:57:31,990 --> 00:57:30,720

about the earth

1325

00:57:34,069 --> 00:57:32,000

some of them

1326  
00:57:35,670 --> 00:57:34,079  
monitor what's going on

1327  
00:57:36,630 --> 00:57:35,680  
with earth

1328  
00:57:38,829 --> 00:57:36,640  
and

1329  
00:57:41,829 --> 00:57:38,839  
environmentally

1330  
00:57:43,430 --> 00:57:41,839  
um and also

1331  
00:57:46,710 --> 00:57:43,440  
um

1332  
00:57:49,430 --> 00:57:46,720  
you know with the different

1333  
00:57:56,390 --> 00:57:52,870  
military installations

1334  
00:58:00,069 --> 00:57:57,829  
you know with

1335  
00:58:01,670 --> 00:58:00,079  
they're monitoring the electromagnetic

1336  
00:58:03,190 --> 00:58:01,680  
fields

1337  
00:58:06,549 --> 00:58:03,200  
so

1338  
00:58:09,430 --> 00:58:06,559

they're doing what they can

1339

00:58:12,470 --> 00:58:09,440

to support us

1340

00:58:14,789 --> 00:58:12,480

and um i mean that's one reason why i'm

1341

00:58:17,829 --> 00:58:14,799

here my my whole

1342

00:58:20,309 --> 00:58:17,839

life my whole career has been spent

1343

00:58:23,030 --> 00:58:20,319

talking about all of this

1344

00:58:25,349 --> 00:58:23,040

so i think um

1345

00:58:27,750 --> 00:58:25,359

we all just need to love earth more and

1346

00:58:30,069 --> 00:58:27,760

realize that she's a living being

1347

00:58:31,190 --> 00:58:30,079

and to respect it on our own species

1348

00:58:33,430 --> 00:58:31,200

which

1349

00:58:35,910 --> 00:58:33,440

the mantas talk about this the tall

1350

00:58:37,990 --> 00:58:35,920

white zeta masters talk about this the

1351

00:58:42,470 --> 00:58:38,000

zetas talk about this

1352

00:58:50,549 --> 00:58:46,150

the pleiadians talk about this many

1353

00:58:54,309 --> 00:58:52,069

great thank you for that

1354

00:58:57,109 --> 00:58:54,319

uh frank is asking are these beings

1355

00:59:01,349 --> 00:58:57,119

tangible physical beings on board the

1356

00:59:02,230 --> 00:59:01,359

ship are you in spirit or physical form

1357

00:59:05,109 --> 00:59:02,240

so

1358

00:59:08,309 --> 00:59:05,119

on the ship um

1359

00:59:10,950 --> 00:59:08,319

i've been there in astral form as well

1360

00:59:12,789 --> 00:59:10,960

as physical farm

1361

00:59:15,589 --> 00:59:12,799

and these beings

1362

00:59:16,549 --> 00:59:15,599

they are like qua i caught quasi

1363

00:59:20,710 --> 00:59:16,559

physical

1364

00:59:23,030 --> 00:59:20,720

they're

1365

00:59:26,549 --> 00:59:23,040

partially physical

1366

00:59:28,789 --> 00:59:26,559

and partially astral

1367

00:59:30,390 --> 00:59:28,799

or how you want to say that in their

1368

00:59:33,670 --> 00:59:30,400

spirit bodies

1369

00:59:36,150 --> 00:59:33,680

so like one of my experiences as a child

1370

00:59:38,710 --> 00:59:36,160

when i was on the ship was

1371

00:59:40,950 --> 00:59:38,720

with amita and zazu

1372

00:59:43,190 --> 00:59:40,960

um

1373

00:59:45,270 --> 00:59:43,200

they appear to me

1374

00:59:46,950 --> 00:59:45,280

usually as these

1375

00:59:48,630 --> 00:59:46,960

shining

1376

00:59:52,710 --> 00:59:48,640

beautiful white

1377

00:59:55,910 --> 00:59:52,720

white beings with the big black eyes

1378

00:59:57,109 --> 00:59:55,920

and they're about five foot four or five

1379

00:59:59,750 --> 00:59:57,119

so

1380

01:00:02,549 --> 00:59:59,760

after being on the ship for a while

1381

01:00:05,270 --> 01:00:02,559

then they showed me

1382

01:00:07,430 --> 01:00:05,280

this other core self which

1383

01:00:09,430 --> 01:00:07,440

was this blue

1384

01:00:10,710 --> 01:00:09,440

essence

1385

01:00:12,710 --> 01:00:10,720

so

1386

01:00:14,950 --> 01:00:12,720

and then what they

1387

01:00:17,190 --> 01:00:14,960

what they taught me how to do

1388

01:00:19,910 --> 01:00:17,200

was for me to drop my body

1389

01:00:22,230 --> 01:00:19,920

and then we would all merge and become

1390

01:00:23,349 --> 01:00:22,240

one which

1391

01:00:27,589 --> 01:00:23,359

um

1392

01:00:29,510 --> 01:00:27,599

again it's beyond words it's like

1393

01:00:30,309 --> 01:00:29,520

total bliss

1394

01:00:31,670 --> 01:00:30,319

so

1395

01:00:34,309 --> 01:00:31,680

um

1396

01:00:37,030 --> 01:00:34,319

so we like you know we have these bodies

1397

01:00:37,910 --> 01:00:37,040

but we're spirit right at the core we

1398

01:00:41,430 --> 01:00:37,920

are

1399

01:00:44,069 --> 01:00:41,440

spirit um the same is true with them

1400

01:00:46,309 --> 01:00:44,079

but but i experienced them

1401

01:00:48,390 --> 01:00:46,319

i'm usually in as a

1402

01:00:50,390 --> 01:00:48,400

quasi-physical

1403

01:00:53,829 --> 01:00:50,400

um

1404

01:00:59,030 --> 01:00:53,839

you know most most of the time because i

1405

01:01:03,670 --> 01:01:01,190

great thank you for that

1406

01:01:06,789 --> 01:01:03,680

nick is asking can we all be in contact

1407

01:01:08,870 --> 01:01:06,799

with these lights within this lifetime

1408

01:01:11,750 --> 01:01:08,880

or are there some humans who are not

1409

01:01:13,270 --> 01:01:11,760

meant to be met even if they

1410

01:01:15,510 --> 01:01:13,280

truly want

1411

01:01:16,710 --> 01:01:15,520

i'm thinking maybe these beings are

1412

01:01:19,030 --> 01:01:16,720

selective

1413

01:01:21,510 --> 01:01:19,040

does that make sense

1414

01:01:24,789 --> 01:01:21,520

um i think so yeah i

1415

01:01:26,309 --> 01:01:24,799

you know i don't think everyone is meant

1416

01:01:29,270 --> 01:01:26,319

to

1417

01:01:33,589 --> 01:01:29,280

meet these beings um

1418

01:01:40,390 --> 01:01:37,589

every every person who's here

1419

01:01:41,510 --> 01:01:40,400

their their soul has a reason for being

1420

01:01:44,230 --> 01:01:41,520

here

1421

01:01:45,910 --> 01:01:44,240

and for learning certain things and it

1422

01:01:48,470 --> 01:01:45,920

it may not be

1423

01:01:50,710 --> 01:01:48,480

about being in contact

1424

01:01:53,430 --> 01:01:50,720

with star beings you know they may have

1425

01:01:55,109 --> 01:01:53,440

other lessons there here

1426  
01:01:58,069 --> 01:01:55,119  
to learn

1427  
01:02:00,230 --> 01:01:58,079  
we are all able to communicate with star

1428  
01:02:03,109 --> 01:02:00,240  
beings

1429  
01:02:07,349 --> 01:02:05,270  
is natural for all of us

1430  
01:02:10,230 --> 01:02:07,359  
it is an innate

1431  
01:02:11,190 --> 01:02:10,240  
um gift that we all have

1432  
01:02:13,589 --> 01:02:11,200  
but

1433  
01:02:14,950 --> 01:02:13,599  
is everyone meant to develop it in this

1434  
01:02:17,029 --> 01:02:14,960  
lifetime no

1435  
01:02:19,510 --> 01:02:17,039  
you know we all have our

1436  
01:02:21,109 --> 01:02:19,520  
missions here and

1437  
01:02:22,950 --> 01:02:21,119  
so

1438  
01:02:25,430 --> 01:02:22,960

you know part of mine

1439

01:02:28,150 --> 01:02:25,440

with being a hybrid here

1440

01:02:29,750 --> 01:02:28,160

is to talk about all this and to teach

1441

01:02:32,309 --> 01:02:29,760

people about

1442

01:02:35,430 --> 01:02:32,319

about star beings and

1443

01:02:38,870 --> 01:02:35,440

how to do telepathic communication

1444

01:02:41,670 --> 01:02:38,880

um with animals and star beings and

1445

01:02:44,150 --> 01:02:41,680

light languages you know to work with

1446

01:02:46,829 --> 01:02:44,160

people with light language so

1447

01:02:47,910 --> 01:02:46,839

i think we all

1448

01:02:49,109 --> 01:02:47,920

have um

1449

01:02:50,549 --> 01:02:49,119

[Music]

1450

01:02:52,789 --> 01:02:50,559

you know we're doing here what we're

1451

01:02:55,029 --> 01:02:52,799

meant to do if we

1452

01:02:56,309 --> 01:02:55,039

you know listen to our souls

1453

01:02:58,230 --> 01:02:56,319

every soul

1454

01:03:00,950 --> 01:02:58,240

wakes up

1455

01:03:02,630 --> 01:03:00,960

and goes at its own pace

1456

01:03:05,029 --> 01:03:02,640

and that's why it's important for us to

1457

01:03:07,829 --> 01:03:05,039

be listening to

1458

01:03:09,589 --> 01:03:07,839

listening to ourselves

1459

01:03:11,430 --> 01:03:09,599

um

1460

01:03:14,309 --> 01:03:11,440

because if we don't listen to that we

1461

01:03:18,230 --> 01:03:14,319

can get pretty lost

1462

01:03:19,990 --> 01:03:18,240

great thank you um edgar is asking sort

1463

01:03:22,710 --> 01:03:20,000

of multiple questions but they kind of

1464

01:03:25,190 --> 01:03:22,720

can they kind of go along

1465

01:03:27,109 --> 01:03:25,200

and hand in hand with uh with each other

1466

01:03:29,430 --> 01:03:27,119

so the question is would you kindly

1467

01:03:31,990 --> 01:03:29,440

expand on the unpleasant experiences you

1468

01:03:34,390 --> 01:03:32,000

had what is the purpose how are they

1469

01:03:36,789 --> 01:03:34,400

unpleasant and can you facilitate

1470

01:03:38,710 --> 01:03:36,799

introductions

1471

01:03:42,789 --> 01:03:38,720

yeah i usually don't go into those

1472

01:03:48,390 --> 01:03:45,190

i'm here to really

1473

01:03:50,470 --> 01:03:48,400

talk about the positive things

1474

01:03:51,910 --> 01:03:50,480

but this is i guess this is what i want

1475

01:03:53,109 --> 01:03:51,920

to say

1476  
01:03:54,309 --> 01:03:53,119  
is that

1477  
01:03:55,670 --> 01:03:54,319  
again

1478  
01:03:56,710 --> 01:03:55,680  
um

1479  
01:03:59,430 --> 01:03:56,720  
you know

1480  
01:04:02,549 --> 01:03:59,440  
coming from the human part of me

1481  
01:04:06,230 --> 01:04:02,559  
i'm labeling those some experiences as

1482  
01:04:08,069 --> 01:04:06,240  
negative so i was taken on a ship

1483  
01:04:10,870 --> 01:04:08,079  
um they

1484  
01:04:17,109 --> 01:04:10,880  
took some dna from me that i didn't want

1485  
01:04:21,910 --> 01:04:19,270  
um the hybrid children that they wanted

1486  
01:04:25,510 --> 01:04:21,920  
to create so let me put this way they

1487  
01:04:26,549 --> 01:04:25,520  
were lower frequency beings

1488  
01:04:29,349 --> 01:04:26,559

and

1489

01:04:36,630 --> 01:04:33,029

but in the bigger picture of things

1490

01:04:38,829 --> 01:04:36,640

again my soul chose on some level

1491

01:04:41,910 --> 01:04:38,839

to have that

1492

01:04:44,230 --> 01:04:41,920

experience um and i and i don't remember

1493

01:04:46,789 --> 01:04:44,240

exactly who those beings are

1494

01:04:48,230 --> 01:04:46,799

but it's just the lower frequency and

1495

01:04:50,230 --> 01:04:48,240

for me

1496

01:04:51,109 --> 01:04:50,240

i resonate with

1497

01:04:52,950 --> 01:04:51,119

um

1498

01:04:55,990 --> 01:04:52,960

the beings who

1499

01:04:59,430 --> 01:04:56,000

i was on the ship with who i

1500

01:05:01,670 --> 01:04:59,440

pretty much grew up on the ship at night

1501  
01:05:03,510 --> 01:05:01,680  
with those beings who are focused on

1502  
01:05:06,630 --> 01:05:03,520  
unconditional

1503  
01:05:09,349 --> 01:05:06,640  
love and who don't have

1504  
01:05:12,789 --> 01:05:09,359  
some other agenda

1505  
01:05:15,349 --> 01:05:12,799  
that um you know not every

1506  
01:05:16,789 --> 01:05:15,359  
star race um

1507  
01:05:18,789 --> 01:05:16,799  
is highly

1508  
01:05:20,950 --> 01:05:18,799  
evolved there's a full spectrum just

1509  
01:05:23,589 --> 01:05:20,960  
like when we look at humans there's a

1510  
01:05:26,630 --> 01:05:23,599  
full spectrum of all kinds of humans you

1511  
01:05:30,390 --> 01:05:26,640  
know we have like mother teresa who

1512  
01:05:32,390 --> 01:05:30,400  
whose amazing soul and then we have

1513  
01:05:35,349 --> 01:05:32,400

others who are

1514

01:05:37,670 --> 01:05:35,359  
murdering and raping and so on

1515

01:05:41,430 --> 01:05:37,680  
so um

1516

01:05:44,789 --> 01:05:41,440  
there's just there's this frequency

1517

01:05:48,829 --> 01:05:46,549  
again there is no good or bad but

1518

01:05:51,990 --> 01:05:48,839  
looking from my

1519

01:05:56,950 --> 01:05:52,000  
human the human part of me

1520

01:06:01,750 --> 01:05:59,190  
but

1521

01:06:02,829 --> 01:06:01,760  
my soul chose to have that experience

1522

01:06:04,910 --> 01:06:02,839  
for some

1523

01:06:08,069 --> 01:06:04,920  
reason and um

1524

01:06:08,079 --> 01:06:11,829  
and it's all okay

1525

01:06:16,390 --> 01:06:13,349  
okay great thanks

1526

01:06:18,630 --> 01:06:16,400

um john t is asking

1527

01:06:20,150 --> 01:06:18,640

well actually more making a statement

1528

01:06:22,549 --> 01:06:20,160

and then followed up with the question

1529

01:06:25,270 --> 01:06:22,559

says i got very dizzy when jacqueline

1530

01:06:28,630 --> 01:06:25,280

just spoke the first language scared me

1531

01:06:29,829 --> 01:06:28,640

has she ever heard of such a thing

1532

01:06:33,029 --> 01:06:29,839

yeah so

1533

01:06:34,950 --> 01:06:33,039

um please don't be scared um

1534

01:06:37,190 --> 01:06:34,960

what's happening

1535

01:06:38,950 --> 01:06:37,200

is what with getting dizzy it was just

1536

01:06:42,950 --> 01:06:38,960

opening

1537

01:06:46,549 --> 01:06:42,960

open

1538

01:06:49,910 --> 01:06:46,559

we can have a physical reaction to that

1539

01:06:51,670 --> 01:06:49,920

like like getting dizzy

1540

01:06:53,990 --> 01:06:51,680

so not to worry

1541

01:06:55,990 --> 01:06:54,000

it's just opening

1542

01:06:57,190 --> 01:06:56,000

you know i felt like i was opening your

1543

01:06:59,029 --> 01:06:57,200

heart

1544

01:07:01,349 --> 01:06:59,039

and kind of shifting some of your

1545

01:07:03,430 --> 01:07:01,359

energies around

1546

01:07:05,109 --> 01:07:03,440

actually rebalancing some of your

1547

01:07:08,230 --> 01:07:05,119

energies

1548

01:07:10,870 --> 01:07:08,240

so i i hope that makes sense but

1549

01:07:13,109 --> 01:07:10,880

um no it's it's not there's nothing

1550

01:07:16,789 --> 01:07:13,119

to be afraid of with

1551

01:07:22,150 --> 01:07:18,870

uh infiniti's asking

1552

01:07:24,470 --> 01:07:22,160

um hello jacqueline are reiki symbols a

1553

01:07:26,309 --> 01:07:24,480

form of light language thank you much

1554

01:07:30,470 --> 01:07:26,319

love

1555

01:07:34,549 --> 01:07:32,230

so

1556

01:07:37,430 --> 01:07:34,559

what the beings have told me is all the

1557

01:07:39,670 --> 01:07:37,440

languages here on earth have come from

1558

01:07:41,829 --> 01:07:39,680

stars the stars from

1559

01:07:42,789 --> 01:07:41,839

different star

1560

01:07:45,670 --> 01:07:42,799

and

1561

01:07:47,349 --> 01:07:45,680

i've thought about the reiki symbols

1562

01:07:49,510 --> 01:07:47,359

because

1563

01:07:51,589 --> 01:07:49,520

you know some of the drawings i do the

1564

01:07:53,589 --> 01:07:51,599

transmissions from beings

1565

01:07:57,029 --> 01:07:53,599

can look very

1566

01:07:58,630 --> 01:07:57,039

similar so

1567

01:08:00,309 --> 01:07:58,640

my feeling

1568

01:08:03,510 --> 01:08:00,319

is that

1569

01:08:09,349 --> 01:08:07,029

came from the star beings

1570

01:08:11,670 --> 01:08:09,359

could they have been altered some

1571

01:08:12,710 --> 01:08:11,680

you know after

1572

01:08:15,190 --> 01:08:12,720

they

1573

01:08:16,709 --> 01:08:15,200

were received you know from starvings

1574

01:08:20,229 --> 01:08:16,719

and all that yes

1575

01:08:22,950 --> 01:08:20,239

but i do feel yes initially it came from

1576

01:08:29,430 --> 01:08:26,309

great thank you uh this next name um

1577

01:08:32,550 --> 01:08:29,440

i feel so silly and stupid i i'm been

1578

01:08:34,630 --> 01:08:32,560

trying to figure out how to pronounce it

1579

01:08:36,390 --> 01:08:34,640

is it from

1580

01:08:39,510 --> 01:08:36,400

francis

1581

01:08:41,749 --> 01:08:39,520

it's a f f-f-r-a-n-c-o-i-s

1582

01:08:44,070 --> 01:08:41,759

maybe it's a very common pronunciation

1583

01:08:45,189 --> 01:08:44,080

that i've heard but not exactly how it's

1584

01:08:47,110 --> 01:08:45,199

spelled so

1585

01:08:49,110 --> 01:08:47,120

forgive me for for not knowing how to

1586

01:08:51,269 --> 01:08:49,120

pronounce it correctly but the question

1587

01:08:52,550 --> 01:08:51,279

from this person is uh

1588

01:08:54,470 --> 01:08:52,560

basically

1589

01:08:56,789 --> 01:08:54,480

this person is saying hi jacqueline

1590

01:09:00,149 --> 01:08:56,799

thank you for sharing your time with us

1591

01:09:05,510 --> 01:09:00,159

our zetas and pl please still occupying

1592

01:09:09,990 --> 01:09:08,309

um yes

1593

01:09:13,110 --> 01:09:10,000

yes because

1594

01:09:16,950 --> 01:09:13,120

again we have all these different

1595

01:09:17,910 --> 01:09:16,960

um octaves of frequencies

1596

01:09:20,950 --> 01:09:17,920

um

1597

01:09:22,070 --> 01:09:20,960

and my understanding from what they tell

1598

01:09:24,630 --> 01:09:22,080

me

1599

01:09:26,789 --> 01:09:24,640

is is that they are and and again

1600

01:09:29,189 --> 01:09:26,799

there's many

1601

01:09:31,349 --> 01:09:29,199

i want to say

1602

01:09:34,229 --> 01:09:31,359

races of zetas

1603

01:09:36,070 --> 01:09:34,239

or some people call them grace so

1604

01:09:36,950 --> 01:09:36,080

there's like different

1605

01:09:38,630 --> 01:09:36,960

um

1606

01:09:42,070 --> 01:09:38,640

groups

1607

01:09:43,030 --> 01:09:42,080

and and like from the pleiadian system

1608

01:09:45,189 --> 01:09:43,040

um

1609

01:09:48,630 --> 01:09:45,199

there are many types

1610

01:09:51,430 --> 01:09:48,640

of species from the pleiadian

1611

01:09:53,910 --> 01:09:51,440

system it's it's just not one

1612

01:09:55,430 --> 01:09:53,920

kind of species but

1613

01:09:58,950 --> 01:09:55,440

um

1614

01:10:00,709 --> 01:09:58,960

but my understanding is yes because that

1615

01:10:02,870 --> 01:10:00,719

that exists you know everything

1616

01:10:04,149 --> 01:10:02,880

continues to exist

1617

01:10:06,550 --> 01:10:04,159

within

1618

01:10:08,149 --> 01:10:06,560

different frequencies and we're not

1619

01:10:13,510 --> 01:10:08,159

talking about

1620

01:10:17,750 --> 01:10:15,590

thank you jacqueline well this gives

1621

01:10:19,990 --> 01:10:17,760

gives us uh just enough time to

1622

01:10:21,910 --> 01:10:20,000

basically wanting to ask you

1623

01:10:23,270 --> 01:10:21,920

if there's any final thoughts you would

1624

01:10:25,270 --> 01:10:23,280

like to

1625

01:10:27,910 --> 01:10:25,280

finish off with and

1626

01:10:29,350 --> 01:10:27,920

maybe then also then tell tell us a

1627

01:10:31,270 --> 01:10:29,360

little bit about

1628

01:10:32,310 --> 01:10:31,280

where to find your book and your website

1629

01:10:34,070 --> 01:10:32,320

although all the links are in

1630

01:10:36,149 --> 01:10:34,080

description below i always always would

1631

01:10:38,149 --> 01:10:36,159

like the guests to reiterate one more

1632

01:10:40,310 --> 01:10:38,159

time

1633

01:10:41,189 --> 01:10:40,320

yeah thank you so

1634

01:10:44,790 --> 01:10:41,199

um

1635

01:10:47,590 --> 01:10:44,800

you know some of the star beings their

1636

01:10:49,590 --> 01:10:47,600

most important messages

1637

01:10:51,430 --> 01:10:49,600

are to

1638

01:10:54,470 --> 01:10:51,440

i've said this but

1639

01:10:56,310 --> 01:10:54,480

but to live from the heart

1640

01:11:00,950 --> 01:10:56,320

and to

1641

01:11:04,149 --> 01:11:00,960

be in joy you know to to do

1642

01:11:09,110 --> 01:11:04,159

what gives us life

1643

01:11:14,229 --> 01:11:10,870

and to

1644

01:11:18,390 --> 01:11:17,110

to remember from the bigger picture of

1645

01:11:21,510 --> 01:11:18,400

things

1646

01:11:22,630 --> 01:11:21,520

and from within us the source is within

1647

01:11:26,070 --> 01:11:22,640

us

1648

01:11:27,830 --> 01:11:26,080

who we really are that that we are light

1649

01:11:30,229 --> 01:11:27,840

we are love

1650

01:11:32,790 --> 01:11:30,239

um divine love

1651  
01:11:34,310 --> 01:11:32,800  
and and those are the most important

1652  
01:11:36,229 --> 01:11:34,320  
things to

1653  
01:11:39,350 --> 01:11:36,239  
remember and

1654  
01:11:41,830 --> 01:11:39,360  
that's truly who we are when we

1655  
01:11:43,270 --> 01:11:41,840  
go to the divine love

1656  
01:11:45,669 --> 01:11:43,280  
and the light

1657  
01:11:47,340 --> 01:11:45,679  
within us that's who we

1658  
01:11:48,709 --> 01:11:47,350  
truly are

1659  
01:11:53,350 --> 01:11:48,719  
[Music]

1660  
01:11:59,430 --> 01:11:57,510  
so yeah so and and to um not get caught

1661  
01:12:03,430 --> 01:11:59,440  
in

1662  
01:12:07,430 --> 01:12:03,440  
the ego you know which can create fear

1663  
01:12:10,470 --> 01:12:07,440

not to get caught in all this 3d stuff

1664

01:12:12,709 --> 01:12:10,480

um which can be very easy to do turn

1665

01:12:14,310 --> 01:12:12,719

your tvs off

1666

01:12:16,870 --> 01:12:14,320

and and to

1667

01:12:21,350 --> 01:12:19,189

to remember every day

1668

01:12:23,430 --> 01:12:21,360

i share with a lot of people

1669

01:12:24,709 --> 01:12:23,440

i do this every day i put my hand over

1670

01:12:27,350 --> 01:12:24,719

my heart

1671

01:12:31,270 --> 01:12:27,360

to remind me of where

1672

01:12:32,709 --> 01:12:31,280

i want to come from every day

1673

01:12:38,950 --> 01:12:32,719

and

1674

01:12:41,430 --> 01:12:38,960

as possible in in my life

1675

01:12:42,709 --> 01:12:41,440

but i think love is the most important

1676

01:12:45,430 --> 01:12:42,719

thing

1677

01:12:47,990 --> 01:12:45,440

and um i'm

1678

01:12:52,229 --> 01:12:48,000

delighted to

1679

01:12:53,430 --> 01:12:52,239

i'm delighted that my book is out and

1680

01:12:56,070 --> 01:12:53,440

um

1681

01:12:59,110 --> 01:12:56,080

it goes into

1682

01:13:01,430 --> 01:12:59,120

the journey from when you know

1683

01:13:03,350 --> 01:13:01,440

actually before i came

1684

01:13:05,350 --> 01:13:03,360

into the physical

1685

01:13:11,110 --> 01:13:05,360

and

1686

01:13:14,470 --> 01:13:11,120

two weeks

1687

01:13:16,709 --> 01:13:14,480

during a thanksgiving in 2013 where i

1688

01:13:17,510 --> 01:13:16,719

was on a mothership

1689

01:13:19,990 --> 01:13:17,520

and

1690

01:13:22,870 --> 01:13:20,000

had experiences with

1691

01:13:26,070 --> 01:13:22,880

a lot of beings there where craft came

1692

01:13:29,030 --> 01:13:26,080

out of a portal over my house and

1693

01:13:30,709 --> 01:13:29,040

have photos of grass that grew up

1694

01:13:33,270 --> 01:13:30,719

overnight

1695

01:13:34,630 --> 01:13:33,280

after the ship

1696

01:13:37,189 --> 01:13:34,640

this craft

1697

01:13:39,990 --> 01:13:37,199

went over my house and

1698

01:13:43,040 --> 01:13:40,000

sacred symbols in the snow and

1699

01:13:44,790 --> 01:13:43,050

so the book goes into all kinds of um

1700

01:13:47,270 --> 01:13:44,800

[Music]

1701  
01:13:49,189 --> 01:13:47,280  
pretty wonderful experiences that i've

1702  
01:13:51,590 --> 01:13:49,199  
had the opportunity

1703  
01:13:53,270 --> 01:13:51,600  
to have in this lifetime

1704  
01:13:55,270 --> 01:13:53,280  
and um

1705  
01:13:57,110 --> 01:13:55,280  
they really wanted me to write this book

1706  
01:14:00,229 --> 01:13:57,120  
the star beings really wanted me to

1707  
01:14:02,550 --> 01:14:00,239  
write this book and it took me a while

1708  
01:14:04,229 --> 01:14:02,560  
but um

1709  
01:14:06,750 --> 01:14:04,239  
i hope it

1710  
01:14:09,990 --> 01:14:06,760  
supports a lot of

1711  
01:14:12,470 --> 01:14:10,000  
experiencers and

1712  
01:14:16,070 --> 01:14:12,480  
hybrids and anyone who's just interested

1713  
01:14:19,030 --> 01:14:17,830

well jacqueline thank you very much i

1714

01:14:22,070 --> 01:14:19,040

appreciate you

1715

01:14:23,910 --> 01:14:22,080

for for being on and and sharing your

1716

01:14:27,110 --> 01:14:23,920

your stories with us and answering the

1717

01:14:28,630 --> 01:14:27,120

questions um i i've always find it more

1718

01:14:30,790 --> 01:14:28,640

more important for people especially

1719

01:14:33,590 --> 01:14:30,800

those that are searching and to have a

1720

01:14:35,350 --> 01:14:33,600

chance to ask a question and um for the

1721

01:14:37,110 --> 01:14:35,360

guests to actually want to answer them

1722

01:14:38,709 --> 01:14:37,120

too because um

1723

01:14:40,630 --> 01:14:38,719

i feel like it's it's an important part

1724

01:14:43,110 --> 01:14:40,640

you know you were talking about energies

1725

01:14:45,110 --> 01:14:43,120

uh it said like a different

1726

01:14:46,790 --> 01:14:45,120

to use your words earlier different

1727

01:14:48,709 --> 01:14:46,800

octave when somebody gets to ask a

1728

01:14:50,709 --> 01:14:48,719

question and hears the answer back it

1729

01:14:53,350 --> 01:14:50,719

kind of gets ingrained in them that much

1730

01:14:55,590 --> 01:14:53,360

more and it makes it feel like i am

1731

01:14:57,430 --> 01:14:55,600

down going down this path and finding

1732

01:14:59,430 --> 01:14:57,440

more answers and it just feels more

1733

01:15:01,030 --> 01:14:59,440

personal that way so i do appreciate you

1734

01:15:02,950 --> 01:15:01,040

taking the time

1735

01:15:05,590 --> 01:15:02,960

well thank you i'm

1736

01:15:07,189 --> 01:15:05,600

i'm happy to share and uh thank you so

1737

01:15:08,709 --> 01:15:07,199

much for

1738

01:15:10,950 --> 01:15:08,719

having me on your show tonight i

1739

01:15:13,350 --> 01:15:10,960

appreciate it i'd love to have you on

1740

01:15:15,830 --> 01:15:13,360

again if you're willing to so

1741

01:15:16,550 --> 01:15:15,840

the invitation is out there

1742

01:15:18,470 --> 01:15:16,560

well

1743

01:15:20,149 --> 01:15:18,480

uh i'm just gonna address the audience

1744

01:15:21,189 --> 01:15:20,159

real quick please don't hang up on me

1745

01:15:23,830 --> 01:15:21,199

sometimes

1746

01:15:25,430 --> 01:15:23,840

i forget to let the guests know to to

1747

01:15:27,990 --> 01:15:25,440

wait and they just hang up and get

1748

01:15:29,830 --> 01:15:28,000

frozen in a certain position

1749

01:15:32,870 --> 01:15:29,840

but everyone else watching thank you

1750

01:15:34,229 --> 01:15:32,880

very much i hope you enjoyed this

1751

01:15:36,630 --> 01:15:34,239

just

1752

01:15:38,950 --> 01:15:36,640

stay tuned hopefully

1753

01:15:41,990 --> 01:15:38,960

pretty soon i'm probably going to have

1754

01:15:43,910 --> 01:15:42,000

another open line um i've been trying to

1755

01:15:46,550 --> 01:15:43,920

experiment with some other things like

1756

01:15:48,310 --> 01:15:46,560

um maybe skipping a week and doing

1757

01:15:51,270 --> 01:15:48,320

interviews and open lines every other

1758

01:15:52,709 --> 01:15:51,280

week so i'll i'll leave you leave you

1759

01:15:54,310 --> 01:15:52,719

guys guessing when it's going to be

1760

01:15:56,870 --> 01:15:54,320

happening because there's a lot that i'm

1761

01:15:59,430 --> 01:15:56,880

still doing and i'm trying to

1762

01:16:00,950 --> 01:15:59,440

um maybe throw off the youtube algorithm

1763

01:16:03,830 --> 01:16:00,960

a little bit not sure if it's going to

1764

01:16:05,510 --> 01:16:03,840

work but we'll see so again everyone

1765

01:16:08,870 --> 01:16:05,520

else thanks for tuning in

1766

01:16:10,630 --> 01:16:08,880

please do check out jacqueline's website
