TELEGRAM OPEN LINES

1
00:00:04,320 --> 00:01:05,350

[Music]

2
00:01:08,950 --> 00:01:06,550

hey everyone

3
00:01:10,870 --> 00:01:08,960

welcome to geofob livestream today's

4
00:01:13,590 --> 00:01:10,880

open lines where i hope that some of you

5
00:01:15,990 --> 00:01:13,600

would call in to share your stories or

6
00:01:18,230 --> 00:01:16,000

maybe just to chat with me but um i

7
00:01:20,710 --> 00:01:18,240

basically wanted to just get things

8
00:01:23,109 --> 00:01:20,720

started um i'm not going to have the

9
00:01:25,830 --> 00:01:23,119

shows as often as i used to

10
00:01:28,789 --> 00:01:25,840

this is not going to be true for

11
00:01:31,190 --> 00:01:28,799

interviews within the immediate

12
00:01:33,990 --> 00:01:31,200

month or two because the ozark ufo

13
00:01:36,069 --> 00:01:34,000

conference is coming up in april and

14

00:01:37,990 --> 00:01:36,079

if everything

15

00:01:40,230 --> 00:01:38,000

works out all right

16

00:01:42,950 --> 00:01:40,240

it will be in person and so i'm really

17

00:01:44,789 --> 00:01:42,960

looking forward to that and leading up

18

00:01:46,389 --> 00:01:44,799

to it i'm going to have a lot of the

19

00:01:48,550 --> 00:01:46,399

speakers already come on and do the

20

00:01:50,469 --> 00:01:48,560

interviews and and talk to them which

21

00:01:52,389 --> 00:01:50,479

will then give me actually a lot more

22

00:01:53,510 --> 00:01:52,399

time to enjoy the conferences instead of

23

00:01:54,870 --> 00:01:53,520

having

24

00:01:57,749 --> 00:01:54,880

interviews

25

00:01:59,670 --> 00:01:57,759

lined up and pretty much being busy from

26

00:02:00,870 --> 00:01:59,680

morning till night

27

00:02:03,590 --> 00:02:00,880

while i'm there

28

00:02:06,469 --> 00:02:03,600

and i know it's it's not quite the same

29

00:02:08,710 --> 00:02:06,479

i personally also loved the the quality

30

00:02:09,669 --> 00:02:08,720

that i got from the interviews where i

31

00:02:11,750 --> 00:02:09,679

can just

32

00:02:15,350 --> 00:02:11,760

kind of control the environment and have

33

00:02:17,510 --> 00:02:15,360

the the audio um as the best i can and

34

00:02:19,110 --> 00:02:17,520

the visual but um

35

00:02:21,190 --> 00:02:19,120

it's a lot of stress because a lot of

36

00:02:23,910 --> 00:02:21,200

that i have to set up by myself set up

37

00:02:26,309 --> 00:02:23,920

the back uh backdrop get the room set up

38

00:02:28,630 --> 00:02:26,319

move furniture out sometime ask your

39

00:02:31,270 --> 00:02:28,640

hotel people to move furniture out

40

00:02:33,270 --> 00:02:31,280

because i don't have enough room and so

41

00:02:35,670 --> 00:02:33,280

i'm basically um

42

00:02:37,190 --> 00:02:35,680

not going to be doing that i'll be based

43

00:02:40,390 --> 00:02:37,200

basically getting interviews out of the

44

00:02:41,750 --> 00:02:40,400

way before the uh the conference starts

45

00:02:43,830 --> 00:02:41,760

and so

46

00:02:46,550 --> 00:02:43,840

um

47

00:02:49,030 --> 00:02:46,560

the the other part was i wanted to uh

48

00:02:51,750 --> 00:02:49,040

regarding sherry wilde i didn't give as

49

00:02:53,670 --> 00:02:51,760

much detail then but we were originally

50

00:02:55,750 --> 00:02:53,680

scheduled to do an interview and we

51

00:02:57,509 --> 00:02:55,760

still will but um

52

00:02:59,750 --> 00:02:57,519

she came down with covid and wasn't

53

00:03:03,350 --> 00:02:59,760

feeling well uh plus her significant

54

00:03:07,190 --> 00:03:03,360

other um had a stroke so all of that

55

00:03:11,430 --> 00:03:07,200

kind of came together during during that

56

00:03:14,869 --> 00:03:11,440

uh day prior and on that on that friday

57

00:03:16,470 --> 00:03:14,879

so she had a lot to deal with but um

58

00:03:18,710 --> 00:03:16,480

i apologize for those who were looking

59

00:03:20,869 --> 00:03:18,720

really looking forward to being able to

60

00:03:22,949 --> 00:03:20,879

talk to her or wanting to

61

00:03:25,030 --> 00:03:22,959

listen to what she had to say we will

62

00:03:27,430 --> 00:03:25,040

reschedule as soon as she as soon as

63

00:03:29,110 --> 00:03:27,440

she's well enough to to talk to me um i

64

00:03:30,710 --> 00:03:29,120

will definitely have her on

65

00:03:31,589 --> 00:03:30,720

and um

66

00:03:37,830 --> 00:03:31,599

so

67

00:03:40,149 --> 00:03:37,840

i'm going to have an interview um and

68

00:03:42,309 --> 00:03:40,159

then depends on how many more sign up

69

00:03:44,149 --> 00:03:42,319

from the conference to uh to do an

70

00:03:46,550 --> 00:03:44,159

interview with me there will basically

71

00:03:47,910 --> 00:03:46,560

be an interview every friday leading up

72

00:03:49,270 --> 00:03:47,920

to april

73

00:03:51,990 --> 00:03:49,280

um

74

00:03:53,670 --> 00:03:52,000

april 8th till 10th that's when the the

75

00:03:54,710 --> 00:03:53,680

conference will be going on in eureka

76

00:03:56,630 --> 00:03:54,720

springs

77

00:03:57,990 --> 00:03:56,640

sometime in

78

00:04:00,630 --> 00:03:58,000

in february

79

00:04:03,509 --> 00:04:00,640

and actually i'll do that let's say uh

80

00:04:06,070 --> 00:04:03,519

beginning of march 9th or march 9th i

81

00:04:08,070 --> 00:04:06,080

will have a show to make an announcement

82

00:04:11,030 --> 00:04:08,080

but if

83

00:04:13,429 --> 00:04:11,040

uh if some of you that are watching

84

00:04:15,350 --> 00:04:13,439

would love to participate or go to the

85

00:04:17,430 --> 00:04:15,360

conference of course the link is in the

86

00:04:19,590 --> 00:04:17,440

description below for you

87

00:04:22,150 --> 00:04:19,600

to get your tickets and make all the

88

00:04:24,230 --> 00:04:22,160

arrangements necessary but um i was

89

00:04:28,070 --> 00:04:24,240

given two tickets that

90

00:04:30,070 --> 00:04:28,080

i can give out to those that um you know

91

00:04:32,710 --> 00:04:30,080

that i guess win them for

92

00:04:35,670 --> 00:04:32,720

for lack of a better word so

93

00:04:38,230 --> 00:04:35,680

what i was thinking if every interview

94

00:04:40,310 --> 00:04:38,240

and um show if

95

00:04:43,830 --> 00:04:40,320

those of you watching if you like to

96

00:04:45,749 --> 00:04:43,840

like the interview and leave a comment

97

00:04:50,550 --> 00:04:45,759

whatever the comment may be that's up to

98

00:04:53,030 --> 00:04:50,560

you but with the hashtag ozark2022

99

00:04:55,430 --> 00:04:53,040

i will then um on

100

00:04:57,830 --> 00:04:55,440

march 9th make a selection just

101
00:05:00,790 --> 00:04:57,840
basically have in any of the interviews

102
00:05:03,510 --> 00:05:00,800
or open lines i will pick a random one

103
00:05:05,430 --> 00:05:03,520
and then out of those i will have the

104
00:05:07,590 --> 00:05:05,440
basically the algorithm look through and

105
00:05:08,870 --> 00:05:07,600
randomly pick somebody that has the

106
00:05:13,110 --> 00:05:08,880
hashtag

107
00:05:15,909 --> 00:05:13,120
um ozark 2022 um in in their comment

108
00:05:17,110 --> 00:05:15,919
section and uh liking the page as well

109
00:05:23,270 --> 00:05:17,120
so

110
00:05:25,909 --> 00:05:23,280
it's a bit of a work but if you really

111
00:05:29,029 --> 00:05:25,919
would like the chance to win two tickets

112
00:05:31,749 --> 00:05:29,039
um it would be two tickets for in person

113
00:05:33,909 --> 00:05:31,759

and for the for all three days so the

114

00:05:35,189 --> 00:05:33,919

eighth ninth and tenth

115

00:05:37,029 --> 00:05:35,199

um

116

00:05:39,590 --> 00:05:37,039

that's all i can offer for now uh the

117

00:05:41,270 --> 00:05:39,600

the arrangements for you to come down

118

00:05:42,950 --> 00:05:41,280

and find a place to stay and all of that

119

00:05:45,110 --> 00:05:42,960

would have to be up to you but at least

120

00:05:46,230 --> 00:05:45,120

i got you when it comes to tickets so

121

00:05:48,790 --> 00:05:46,240

anyway

122

00:05:52,790 --> 00:05:48,800

any videos starting with this one all

123

00:05:55,510 --> 00:05:52,800

the way up till march 9th um i will then

124

00:05:57,749 --> 00:05:55,520

make an announcement and show basically

125

00:05:59,909 --> 00:05:57,759

who was randomly picked for those two

126
00:06:02,629 --> 00:05:59,919
tickets if you're interested to go it

127
00:06:04,390 --> 00:06:02,639
will be um in eureka springs arkansas

128
00:06:06,870 --> 00:06:04,400
april 8th till 9th

129
00:06:11,270 --> 00:06:06,880
april 8th till 10th

130
00:06:12,870 --> 00:06:11,280
okay so got that out of the way and so

131
00:06:14,710 --> 00:06:12,880
for

132
00:06:17,110 --> 00:06:14,720
i think that's pretty much it so anyway

133
00:06:19,670 --> 00:06:17,120
for any of you that are not part of the

134
00:06:21,830 --> 00:06:19,680
telegram group but would like to come on

135
00:06:24,230 --> 00:06:21,840
and speak to me today i'm probably going

136
00:06:27,189 --> 00:06:24,240
to be on for maybe hour and a half to

137
00:06:29,189 --> 00:06:27,199
maybe an hour and

138
00:06:31,430 --> 00:06:29,199

15 minutes i have to get off at nine

139

00:06:33,670 --> 00:06:31,440

o'clock so i'm hoping that

140

00:06:34,710 --> 00:06:33,680

until then i can talk to some of you

141

00:06:38,550 --> 00:06:34,720

either

142

00:06:40,710 --> 00:06:38,560

answer some questions or in chat or

143

00:06:42,870 --> 00:06:40,720

have you come on to telegram to speak to

144

00:06:44,710 --> 00:06:42,880

me directly but you can always download

145

00:06:46,870 --> 00:06:44,720

the telegram app

146

00:06:49,189 --> 00:06:46,880

install it on your phone or the computer

147

00:06:50,469 --> 00:06:49,199

the link for the telegram uh telegram

148

00:06:52,790 --> 00:06:50,479

group for your for hub is in the

149

00:06:55,270 --> 00:06:52,800

description below and you'll see a voice

150

00:06:57,830 --> 00:06:55,280

chat going on there right now you can

151
00:07:00,469 --> 00:06:57,840
simply join it raise your hand and i

152
00:07:02,550 --> 00:07:00,479
will queue you in so

153
00:07:05,029 --> 00:07:02,560
let's see

154
00:07:06,390 --> 00:07:05,039
i didn't have my notes but uh yeah it's

155
00:07:08,710 --> 00:07:06,400
just kind of uh

156
00:07:10,309 --> 00:07:08,720
trying to get back into the groove i've

157
00:07:11,430 --> 00:07:10,319
basically been

158
00:07:14,950 --> 00:07:11,440
uh

159
00:07:15,749 --> 00:07:14,960
concentrating a lot on on ham radio and

160
00:07:18,790 --> 00:07:15,759
it's

161
00:07:21,350 --> 00:07:18,800
sort of official unofficial but uh

162
00:07:24,790 --> 00:07:21,360
there's a official um

163
00:07:27,909 --> 00:07:24,800

uh beautiful hub uh ham station or you

164

00:07:30,150 --> 00:07:27,919

know radio on that radio um ham shack uh

165

00:07:31,909 --> 00:07:30,160

if for those of you that might be ham

166

00:07:35,670 --> 00:07:31,919

radio operators

167

00:07:37,749 --> 00:07:35,680

the call sign is kd0 kcy and

168

00:07:41,189 --> 00:07:37,759

you can

169

00:07:43,670 --> 00:07:41,199

on on

170

00:07:44,469 --> 00:07:43,680

two meters around the northwest arkansas

171

00:07:45,990 --> 00:07:44,479

area

172

00:07:49,189 --> 00:07:46,000

you can also

173

00:07:52,230 --> 00:07:49,199

i'm working on getting a hf rig so i can

174

00:07:54,710 --> 00:07:52,240

kind of talk to people more broadly and

175

00:07:57,270 --> 00:07:54,720

i will probably putting out and let some

176

00:07:59,350 --> 00:07:57,280

people know which frequencies on which

177

00:08:00,790 --> 00:07:59,360

frequencies i can be found there but

178

00:08:02,790 --> 00:08:00,800

anyway that's been kind of my

179

00:08:04,070 --> 00:08:02,800

concentration to just kind of work on

180

00:08:05,830 --> 00:08:04,080

that because

181

00:08:09,110 --> 00:08:05,840

as most of you have seen

182

00:08:11,430 --> 00:08:09,120

uh aliens have not landed yet and i have

183

00:08:13,670 --> 00:08:11,440

as i kind of predicted there it's not

184

00:08:15,749 --> 00:08:13,680

going to be happening anytime soon and

185

00:08:18,469 --> 00:08:15,759

i'm hoping that some of you had taken

186

00:08:20,469 --> 00:08:18,479

the opportunities to learn a little bit

187

00:08:22,950 --> 00:08:20,479

more from these different videos that i

188

00:08:26,469 --> 00:08:22,960

already have up online and then taking

189

00:08:29,510 --> 00:08:26,479

actions on your own to go about seeing

190

00:08:32,070 --> 00:08:29,520

how you can make contact and i hope you

191

00:08:34,230 --> 00:08:32,080

you took two steps um otherwise you were

192

00:08:36,709 --> 00:08:34,240

probably impatiently just waiting for

193

00:08:39,110 --> 00:08:36,719

the next interview the next video or

194

00:08:41,750 --> 00:08:39,120

maybe going over to another channel and

195

00:08:44,230 --> 00:08:41,760

uh if this is all you want that's fine

196

00:08:45,990 --> 00:08:44,240

you know but it's not going to get to

197

00:08:47,750 --> 00:08:46,000

get you the very thing you say you want

198

00:08:50,070 --> 00:08:47,760

which is contact because there's a lot

199

00:08:53,269 --> 00:08:50,080

of work that you have to do and work on

200

00:08:56,230 --> 00:08:53,279

your own and work within to figure out

201
00:08:58,310 --> 00:08:56,240
um what what is it what's hindering you

202
00:09:01,990 --> 00:08:58,320
from truly understanding what contact is

203
00:09:03,350 --> 00:09:02,000
about you know and why is it that

204
00:09:05,590 --> 00:09:03,360
only these

205
00:09:07,110 --> 00:09:05,600
random seemingly random people are

206
00:09:09,829 --> 00:09:07,120
having all these different contexts but

207
00:09:11,430 --> 00:09:09,839
here you are you're you're personally or

208
00:09:14,470 --> 00:09:11,440
are not even though you say you've been

209
00:09:16,870 --> 00:09:14,480
really really wanting to and so

210
00:09:19,509 --> 00:09:16,880
i've had all the talks that i've done

211
00:09:21,670 --> 00:09:19,519
they're all under the playlist talks

212
00:09:23,750 --> 00:09:21,680
that you can watch and they'll tell you

213
00:09:25,990 --> 00:09:23,760

my story and get into those details and

214

00:09:27,829 --> 00:09:26,000

then of course all these other people

215

00:09:30,150 --> 00:09:27,839

and researchers and experiences that

216

00:09:31,910 --> 00:09:30,160

i've interviewed throughout the years

217

00:09:34,150 --> 00:09:31,920

so

218

00:09:37,509 --> 00:09:34,160

i think that's pretty much it let me

219

00:09:40,070 --> 00:09:37,519

let me see then we have

220

00:09:44,710 --> 00:09:41,910

all right we have some people listening

221

00:09:47,030 --> 00:09:44,720

and um niels wants to want to speak

222

00:09:51,670 --> 00:09:47,040

niels i will get to you i promise let me

223

00:09:53,110 --> 00:09:51,680

um let me look through the chat

224

00:09:55,350 --> 00:09:53,120

we'll have that up there

225

00:09:57,269 --> 00:09:55,360

see who we have in here

226

00:10:01,590 --> 00:09:57,279

uh lala welcome

227

00:10:05,110 --> 00:10:01,600

mr catfish 2100 welcome

228

00:10:07,350 --> 00:10:05,120

robert welcome as well nick hello

229

00:10:08,710 --> 00:10:07,360

eliza hello

230

00:10:10,870 --> 00:10:08,720

um

231

00:10:13,509 --> 00:10:10,880

and then something in russian which i

232

00:10:14,710 --> 00:10:13,519

don't know what that means i hope it's

233

00:10:15,990 --> 00:10:14,720

not a bot

234

00:10:16,710 --> 00:10:16,000

but yeah welcome

235

00:10:18,310 --> 00:10:16,720

to

236

00:10:19,750 --> 00:10:18,320

everyone else uh

237

00:10:21,509 --> 00:10:19,760

watching as well

238

00:10:22,949 --> 00:10:21,519

so

239

00:10:25,590 --> 00:10:22,959

all right well let me i guess i'll bring

240

00:10:27,430 --> 00:10:25,600

in neil's we'll we'll chat we'll talk

241

00:10:29,110 --> 00:10:27,440

wherever um

242

00:10:30,310 --> 00:10:29,120

it takes us whichever direction i'll

243

00:10:33,509 --> 00:10:30,320

look into

244

00:10:35,110 --> 00:10:33,519

uh the chat as well and see how many um

245

00:10:37,350 --> 00:10:35,120

if there's any questions that i could

246

00:10:39,269 --> 00:10:37,360

maybe address uh or if there's any

247

00:10:41,030 --> 00:10:39,279

questions regarding the conversations

248

00:10:43,910 --> 00:10:41,040

that i'm uh them already having with

249

00:10:46,230 --> 00:10:43,920

someone on telegram and so we'll we'll

250

00:10:51,190 --> 00:10:46,240

take it from there and

251
00:10:56,949 --> 00:10:53,110
all right um

252
00:10:58,949 --> 00:10:56,959
niels you are unmuted unmute yourself uh

253
00:11:00,949 --> 00:10:58,959
on your end and you should be able to

254
00:11:04,550 --> 00:11:00,959
speak to do you wanna hey do you wanna

255
00:11:05,990 --> 00:11:04,560
talk about uh initiating contact is that

256
00:11:07,829 --> 00:11:06,000
uh

257
00:11:09,750 --> 00:11:07,839
is that the right thing to do here yeah

258
00:11:12,630 --> 00:11:09,760
i mean we can whatever you would like to

259
00:11:13,509 --> 00:11:12,640
share i mean i'm i'm all years and yeah

260
00:11:17,990 --> 00:11:13,519
so

261
00:11:19,269 --> 00:11:18,000
if you recall everything that i've said

262
00:11:21,670 --> 00:11:19,279
because i just

263
00:11:25,350 --> 00:11:21,680

upload it to you super quickly but

264

00:11:26,389 --> 00:11:25,360

um i've done ce5 um i don't use lasers

265

00:11:29,590 --> 00:11:26,399

it's all

266

00:11:31,030 --> 00:11:29,600

uh thought uh protection and you know a

267

00:11:33,670 --> 00:11:31,040

deep internal

268

00:11:35,990 --> 00:11:33,680

consciousness based um

269

00:11:36,870 --> 00:11:36,000

you know imitation or a connection with

270

00:11:39,430 --> 00:11:36,880

the

271

00:11:41,430 --> 00:11:39,440

universal mind with god mind or whatever

272

00:11:43,590 --> 00:11:41,440

you want to call it doesn't matter the

273

00:11:45,910 --> 00:11:43,600

name of it but it works i've done uh

274

00:11:48,310 --> 00:11:45,920

guided meditations with people that

275

00:11:50,710 --> 00:11:48,320

that sincerely want to

276

00:11:52,310 --> 00:11:50,720

you know to do meditation and

277

00:11:55,190 --> 00:11:52,320

i've had

278

00:11:57,069 --> 00:11:55,200

a beautiful angelic balls of light well

279

00:12:00,949 --> 00:11:57,079

ultimately i've seen

280

00:12:02,629 --> 00:12:00,959

21 ufos some very close some very

281

00:12:04,870 --> 00:12:02,639

advanced technology

282

00:12:06,870 --> 00:12:04,880

i have spoken to

283

00:12:09,269 --> 00:12:06,880

nine foot tall

284

00:12:11,030 --> 00:12:09,279

non-human beings with very large

285

00:12:12,470 --> 00:12:11,040

beautifully colored eyes with great

286

00:12:15,750 --> 00:12:12,480

power

287

00:12:18,389 --> 00:12:15,760

i had a short being in my bedroom

288

00:12:21,910 --> 00:12:18,399

smiling at me with incredible eyes

289

00:12:26,470 --> 00:12:23,030

so

290

00:12:29,829 --> 00:12:26,480

in terms of contact like uh you know dr

291

00:12:31,829 --> 00:12:29,839

greer and he has those events out in the

292

00:12:33,509 --> 00:12:31,839

desert he's shining lasers on them i

293

00:12:35,670 --> 00:12:33,519

think that's um

294

00:12:38,150 --> 00:12:35,680

i don't think it's it's unnecessary to

295

00:12:40,069 --> 00:12:38,160

hit them with lasers as it's all it's

296

00:12:41,590 --> 00:12:40,079

all universal mind and

297

00:12:44,550 --> 00:12:41,600

i don't think that anybody could just

298

00:12:50,310 --> 00:12:47,590

if they're guided properly absolutely

299

00:12:52,870 --> 00:12:50,320

however i think it's a lot of work to it

300

00:12:55,030 --> 00:12:52,880

you have to be um

301
00:12:56,069 --> 00:12:55,040
you know you have to be sincere you have

302
00:12:58,230 --> 00:12:56,079
to be

303
00:13:01,509 --> 00:12:58,240
real with it you have to go go into it

304
00:13:03,269 --> 00:13:01,519
in love you have to go into it in light

305
00:13:06,470 --> 00:13:03,279
uh and

306
00:13:08,550 --> 00:13:06,480
you have to be genuine you know trying

307
00:13:11,030 --> 00:13:08,560
to connect with the deepest part of your

308
00:13:14,150 --> 00:13:11,040
your spirit yourself and

309
00:13:15,190 --> 00:13:14,160
um for me when i had uh some incredible

310
00:13:16,949 --> 00:13:15,200
story

311
00:13:19,030 --> 00:13:16,959
um

312
00:13:20,629 --> 00:13:19,040
and make it a long story short i did a

313
00:13:24,790 --> 00:13:20,639

c5

314

00:13:27,030 --> 00:13:24,800

meditation so i was in a campground

315

00:13:29,350 --> 00:13:27,040

and uh so basically i did my brain

316

00:13:32,069 --> 00:13:29,360

exercises before bed so in through my

317

00:13:33,670 --> 00:13:32,079

nose for five seconds out for go through

318

00:13:35,990 --> 00:13:33,680

my mouth for five seconds i worked my

319

00:13:38,069 --> 00:13:36,000

way up to about 25 30 seconds in and now

320

00:13:40,230 --> 00:13:38,079

it's a very deep state

321

00:13:42,629 --> 00:13:40,240

and then i filled my body full of love

322

00:13:43,750 --> 00:13:42,639

for a while full of imitation for a

323

00:13:46,470 --> 00:13:43,760

while

324

00:13:48,470 --> 00:13:46,480

exercises

325

00:13:50,310 --> 00:13:48,480

and then i showed where i am in the in

326

00:13:52,949 --> 00:13:50,320

the universe uh

327

00:13:55,269 --> 00:13:52,959

uh or where i am exactly and so i showed

328

00:13:57,269 --> 00:13:55,279

um the dramatic galaxy in my mind's eye

329

00:14:00,150 --> 00:13:57,279

and apparently we're on the edge of it

330

00:14:03,110 --> 00:14:00,160

and then i showed uh our solar system my

331

00:14:05,110 --> 00:14:03,120

mind's eye and i showed the the sun and

332

00:14:08,230 --> 00:14:05,120

visioning in my mind's eye

333

00:14:10,949 --> 00:14:08,240

and then um and then the earth and then

334

00:14:13,189 --> 00:14:10,959

the uh the continent and all the way to

335

00:14:15,509 --> 00:14:13,199

my location and i fell asleep and then

336

00:14:17,750 --> 00:14:15,519

the next night

337

00:14:20,949 --> 00:14:17,760

my wife and i uh and there's other

338

00:14:24,389 --> 00:14:20,959

people there too i witnessed this craft

339

00:14:26,949 --> 00:14:24,399

um and if you know like uh 4k tv

340

00:14:28,550 --> 00:14:26,959

um and uh fluorescent might have like

341

00:14:30,949 --> 00:14:28,560

you know

342

00:14:34,230 --> 00:14:30,959

like a gas station it was like similar

343

00:14:36,230 --> 00:14:34,240

to that but it was technology was uh

344

00:14:38,230 --> 00:14:36,240

probably at least 80 to 100 years more

345

00:14:40,870 --> 00:14:38,240

advanced and this silent craft came

346

00:14:43,030 --> 00:14:40,880

right down over 100 feet above us

347

00:14:44,470 --> 00:14:43,040

um there's two dimensional orange and

348

00:14:45,829 --> 00:14:44,480

red

349

00:14:47,829 --> 00:14:45,839

went over top of us in the beach

350

00:14:49,430 --> 00:14:47,839

silently for about a couple minutes and

351

00:14:51,509 --> 00:14:49,440

then it slowly

352

00:14:54,230 --> 00:14:51,519

and then it did a right turn

353

00:14:56,550 --> 00:14:54,240

it shot off on a 45 degree angle so went

354

00:14:58,949 --> 00:14:56,560

from zero to

355

00:15:01,189 --> 00:14:58,959

uh you know like probably like 20 miles

356

00:15:03,189 --> 00:15:01,199

per hour maybe 10 miles per hour

357

00:15:06,389 --> 00:15:03,199

to about um

358

00:15:08,310 --> 00:15:06,399

mach you know 1 000 a 10th of a second

359

00:15:09,110 --> 00:15:08,320

you know in star trek it just took off

360

00:15:12,389 --> 00:15:09,120

so

361

00:15:13,269 --> 00:15:12,399

after i knew that i knew c5 was real

362

00:15:15,829 --> 00:15:13,279

um

363

00:15:17,509 --> 00:15:15,839

i knew that uh my life would totally

364

00:15:19,110 --> 00:15:17,519

change because i really wanted to know

365

00:15:22,310 --> 00:15:19,120

you know growing up and everything you

366

00:15:25,829 --> 00:15:22,320

know are there star people are we alone

367

00:15:27,910 --> 00:15:25,839

what is meditation what is c5 for real

368

00:15:29,430 --> 00:15:27,920

it's all real

369

00:15:31,110 --> 00:15:29,440

and many people around the world are

370

00:15:33,189 --> 00:15:31,120

experiencing it

371

00:15:35,030 --> 00:15:33,199

apparently a lot of these beings

372

00:15:38,470 --> 00:15:35,040

are working to help

373

00:15:42,710 --> 00:15:38,480

us ascend some of them are doing healing

374

00:15:43,509 --> 00:15:42,720

with us um some of them have different

375

00:15:45,670 --> 00:15:43,519

uh

376

00:15:46,949 --> 00:15:45,680

plans i've only been exposed to an

377

00:15:49,829 --> 00:15:46,959

experienced

378

00:15:53,670 --> 00:15:49,839

uh more so divine beings i'm not saying

379

00:15:55,749 --> 00:15:53,680

that there isn't any demonic or you know

380

00:15:57,590 --> 00:15:55,759

beings that are here like reptilians or

381

00:16:00,310 --> 00:15:57,600

whatever they're trying to you know

382

00:16:01,350 --> 00:16:00,320

suppress us or indoctrinate us or hurt

383

00:16:03,030 --> 00:16:01,360

us or anything i'm not saying there

384

00:16:03,829 --> 00:16:03,040

isn't that but i haven't experienced

385

00:16:05,030 --> 00:16:03,839

that

386

00:16:06,629 --> 00:16:05,040

um

387

00:16:08,790 --> 00:16:06,639

for the nine

388

00:16:10,790 --> 00:16:08,800

nine foot tall beings uh

389

00:16:13,269 --> 00:16:10,800

uh in retrospect i could have been a bit

390

00:16:15,110 --> 00:16:13,279

more kind to them because i was quite

391

00:16:16,470 --> 00:16:15,120

alarmed they froze my friends on the

392

00:16:17,430 --> 00:16:16,480

beach and

393

00:16:19,269 --> 00:16:17,440

um

394

00:16:22,550 --> 00:16:19,279

they just said to me uh we can come and

395

00:16:25,350 --> 00:16:22,560

go whenever we want nothing can stop us

396

00:16:27,749 --> 00:16:25,360

so these beings are coming here

397

00:16:28,949 --> 00:16:27,759

a lot of them are

398

00:16:31,030 --> 00:16:28,959

my understanding is that they're

399

00:16:32,069 --> 00:16:31,040

interdimensional beings

400

00:16:34,069 --> 00:16:32,079

um

401
00:16:35,749 --> 00:16:34,079
and

402
00:16:37,670 --> 00:16:35,759
or a lot of them are actually 3d based

403
00:16:39,509 --> 00:16:37,680
but i believe a lot of them are able to

404
00:16:41,910 --> 00:16:39,519
you know go into different dimensions

405
00:16:44,310 --> 00:16:41,920
and and travel here with their minds and

406
00:16:46,230 --> 00:16:44,320
their crafts or disappear here

407
00:16:47,189 --> 00:16:46,240
so i really think you know being in

408
00:16:50,389 --> 00:16:47,199
egypt

409
00:16:52,389 --> 00:16:50,399
all the ancients

410
00:16:54,069 --> 00:16:52,399
um i think it's a time of awakening a

411
00:16:56,629 --> 00:16:54,079
time of uh

412
00:16:58,870 --> 00:16:56,639
of correction but ultimately

413
00:17:00,389 --> 00:16:58,880

we're here to

414

00:17:02,150 --> 00:17:00,399

really to understand what we are as

415

00:17:03,990 --> 00:17:02,160

human beings and we all we're here

416

00:17:05,189 --> 00:17:04,000

because we have a thirst for it you know

417

00:17:06,870 --> 00:17:05,199

this is a

418

00:17:08,549 --> 00:17:06,880

driving force that we want to know the

419

00:17:10,470 --> 00:17:08,559

truth we want to know

420

00:17:12,949 --> 00:17:10,480

you know reality we want to know what's

421

00:17:15,590 --> 00:17:12,959

really going on and why we're here like

422

00:17:17,029 --> 00:17:15,600

what and what it means to be human so

423

00:17:20,309 --> 00:17:17,039

um

424

00:17:24,230 --> 00:17:20,319

so i yes can i ask you a good question

425

00:17:25,909 --> 00:17:24,240

sure yeah please i i was just um um

426

00:17:27,909 --> 00:17:25,919

i mean you probably already heard or

427

00:17:30,710 --> 00:17:27,919

maybe might have had conversations with

428

00:17:32,470 --> 00:17:30,720

people that are um you know

429

00:17:34,549 --> 00:17:32,480

uh i guess

430

00:17:36,870 --> 00:17:34,559

did have some experiences that scared

431

00:17:39,029 --> 00:17:36,880

them what they call as bad experiences

432

00:17:41,270 --> 00:17:39,039

as you probably know i personally

433

00:17:42,950 --> 00:17:41,280

haven't and those that were scary to me

434

00:17:45,430 --> 00:17:42,960

it was just because i didn't understand

435

00:17:47,990 --> 00:17:45,440

certain things but i kept at it in order

436

00:17:50,230 --> 00:17:48,000

for me to understand can you just maybe

437

00:17:51,750 --> 00:17:50,240

just from your perspective tell me what

438

00:17:53,590 --> 00:17:51,760

your thoughts on that do you believe

439

00:17:54,549 --> 00:17:53,600

that there are

440

00:17:56,150 --> 00:17:54,559

maybe

441

00:17:57,909 --> 00:17:56,160

some uh

442

00:18:00,549 --> 00:17:57,919

malevolent beings out there we just

443

00:18:03,270 --> 00:18:00,559

haven't met them or or what are your

444

00:18:08,390 --> 00:18:05,270

well like in terms of like malevolent

445

00:18:11,350 --> 00:18:08,400

being like demonic or dark beings yeah

446

00:18:12,950 --> 00:18:11,360

or just where basically they

447

00:18:15,990 --> 00:18:12,960

abduct you against you will in the

448

00:18:17,990 --> 00:18:16,000

negative sense you know for probing and

449

00:18:20,549 --> 00:18:18,000

all these other things

450

00:18:21,750 --> 00:18:20,559

well absolutely they're um

451

00:18:23,669 --> 00:18:21,760

you know i don't really look too much

452

00:18:26,230 --> 00:18:23,679

into it for what i understand is that

453

00:18:28,870 --> 00:18:26,240

absolutely these beings are bringing

454

00:18:30,230 --> 00:18:28,880

um you know people against their will

455

00:18:31,990 --> 00:18:30,240

ought to show it's not it's not

456

00:18:33,270 --> 00:18:32,000

something that's going to stop you is it

457

00:18:34,870 --> 00:18:33,280

if you're going out there you're still

458

00:18:36,789 --> 00:18:34,880

going to continue doing what you do so

459

00:18:38,710 --> 00:18:36,799

you're not going to be like oh no just

460

00:18:41,430 --> 00:18:38,720

just so that i don't attract the wrong

461

00:18:43,350 --> 00:18:41,440

ones i'm not doing this anymore um

462

00:18:45,990 --> 00:18:43,360

that's not going to be that factor for

463

00:18:50,710 --> 00:18:48,549

no no i mean like that is a possibility

464

00:18:52,789 --> 00:18:50,720

but i think that i'm on a different

465

00:18:54,310 --> 00:18:52,799

spiritual path and

466

00:18:56,470 --> 00:18:54,320

then that

467

00:18:57,909 --> 00:18:56,480

is a possibility that if i continue

468

00:19:00,310 --> 00:18:57,919

doing sleep like i personally don't do

469

00:19:01,430 --> 00:19:00,320

this at all and i just thought of you

470

00:19:03,830 --> 00:19:01,440

because i haven't heard from you for a

471

00:19:05,669 --> 00:19:03,840

while and you popped into my mind last

472

00:19:07,990 --> 00:19:05,679

two days and i wondered you know and

473

00:19:09,750 --> 00:19:08,000

here you are so literally don't invest

474

00:19:11,909 --> 00:19:09,760

too much time to c5 anymore as i

475

00:19:14,549 --> 00:19:11,919

mentioned earlier i'm more into finding

476

00:19:17,350 --> 00:19:14,559

out if sasquatch is real or not

477

00:19:18,870 --> 00:19:17,360

um and i've seen one in utah but i mean

478

00:19:20,470 --> 00:19:18,880

absolutely in terms of malevolent i'm

479

00:19:21,750 --> 00:19:20,480

sure like you know

480

00:19:23,350 --> 00:19:21,760

us being

481

00:19:25,270 --> 00:19:23,360

even us as humans going different plants

482

00:19:26,310 --> 00:19:25,280

or even going to different ecosystems

483

00:19:27,990 --> 00:19:26,320

you know we

484

00:19:30,630 --> 00:19:28,000

all have different plans when we go on

485

00:19:32,390 --> 00:19:30,640

there you know maybe we want to take

486

00:19:33,990 --> 00:19:32,400

them and

487

00:19:35,590 --> 00:19:34,000

you know you know basically

488

00:19:38,630 --> 00:19:35,600

take them and kill them and then keep

489

00:19:40,310 --> 00:19:38,640

them in our laboratory to analyze or

490

00:19:43,430 --> 00:19:40,320

or whatnot or so there's all kinds of

491

00:19:46,070 --> 00:19:43,440

different uh missions here uh you know

492

00:19:47,270 --> 00:19:46,080

or agendas i imagine but the one i can

493

00:19:48,950 --> 00:19:47,280

only speak on the ones that i've

494

00:19:51,350 --> 00:19:48,960

experienced personally

495

00:19:52,789 --> 00:19:51,360

um that that can guarantee that this is

496

00:19:55,190 --> 00:19:52,799

real like i don't want to talk i don't

497

00:19:56,549 --> 00:19:55,200

want to go too much and to things that i

498

00:19:58,549 --> 00:19:56,559

don't have

499

00:20:00,070 --> 00:19:58,559

evidence of it just to be against my my

500

00:20:02,789 --> 00:20:00,080

spirit you know what i mean

501
00:20:04,549 --> 00:20:02,799
um but um if you're getting into a

502
00:20:06,310 --> 00:20:04,559
spiritual level and you're

503
00:20:08,630 --> 00:20:06,320
and you're inviting these beings with

504
00:20:11,270 --> 00:20:08,640
your you know your dmt and your opinion

505
00:20:13,190 --> 00:20:11,280
plan releasing and your ascending and

506
00:20:14,950 --> 00:20:13,200
your meditation and your sincere

507
00:20:16,390 --> 00:20:14,960
requests and all that

508
00:20:17,510 --> 00:20:16,400
then um

509
00:20:19,029 --> 00:20:17,520
you know i think you're going to attract

510
00:20:21,110 --> 00:20:19,039
that type of

511
00:20:23,110 --> 00:20:21,120
a type of being to you that are

512
00:20:25,110 --> 00:20:23,120
that are picking up on your

513
00:20:27,029 --> 00:20:25,120

you know your your request or your

514

00:20:28,310 --> 00:20:27,039

ability to tap into that

515

00:20:29,830 --> 00:20:28,320

you know higher realm the higher

516

00:20:31,029 --> 00:20:29,840

dimensional you know advanced

517

00:20:31,990 --> 00:20:31,039

consciousness or whatever you want to

518

00:20:33,750 --> 00:20:32,000

call it

519

00:20:35,750 --> 00:20:33,760

uh then you'll attract them just like in

520

00:20:37,669 --> 00:20:35,760

life right like you're if you're gonna

521

00:20:39,750 --> 00:20:37,679

be an honorable righteous person people

522

00:20:41,830 --> 00:20:39,760

will pick up on that and then you'll be

523

00:20:43,510 --> 00:20:41,840

able to have a great life and you know

524

00:20:45,350 --> 00:20:43,520

and do very well in life and they'll

525

00:20:47,110 --> 00:20:45,360

come too easily if you're gonna go

526

00:20:49,029 --> 00:20:47,120

against people and take advantage of

527

00:20:51,510 --> 00:20:49,039

them and you know go against the 10

528

00:20:53,110 --> 00:20:51,520

commandments or the 41 laws of math that

529

00:20:54,950 --> 00:20:53,120

the egyptians had or whatever then

530

00:20:56,390 --> 00:20:54,960

you're going to have a troubled life

531

00:20:58,149 --> 00:20:56,400

so um

532

00:20:59,830 --> 00:20:58,159

so it really depends on you you give out

533

00:21:03,110 --> 00:20:59,840

on that note uh

534

00:21:05,190 --> 00:21:03,120

yeah hopefully that explained it

535

00:21:08,470 --> 00:21:05,200

yeah no no i mean it makes sense at

536

00:21:10,710 --> 00:21:08,480

least at least you have a principle that

537

00:21:12,549 --> 00:21:10,720

you develop for yourself and you go

538

00:21:16,390 --> 00:21:12,559

you're living by it you're doing things

539

00:21:18,549 --> 00:21:16,400

according to that um sometimes i feel uh

540

00:21:20,070 --> 00:21:18,559

people would you know whatever it is

541

00:21:21,590 --> 00:21:20,080

even if they eventually find out it

542

00:21:23,350 --> 00:21:21,600

doesn't work for them it'll at least

543

00:21:25,590 --> 00:21:23,360

give them an opportunity to make

544

00:21:26,870 --> 00:21:25,600

adjustments and changes but to at least

545

00:21:29,190 --> 00:21:26,880

have a

546

00:21:31,350 --> 00:21:29,200

um i don't know if a goal is a good word

547

00:21:33,350 --> 00:21:31,360

but to at least have a set of principles

548

00:21:35,750 --> 00:21:33,360

to go by and

549

00:21:38,390 --> 00:21:35,760

uh to which hold to when they're

550

00:21:39,590 --> 00:21:38,400

initiating contact or doing all these

551
00:21:41,590 --> 00:21:39,600
other you know all these different

552
00:21:43,909 --> 00:21:41,600
things because there's some of them they

553
00:21:45,510 --> 00:21:43,919
go to this person to take a little bit

554
00:21:47,750 --> 00:21:45,520
from there and then go to another person

555
00:21:49,990 --> 00:21:47,760
and take some from them and you know

556
00:21:52,149 --> 00:21:50,000
basically they're going in with these

557
00:21:54,390 --> 00:21:52,159
bits and pieces of like 10 different

558
00:21:56,470 --> 00:21:54,400
people and quote unquote teachers that

559
00:21:59,590 --> 00:21:56,480
have told us something and i've i think

560
00:22:01,830 --> 00:21:59,600
that's such a confusing and just a

561
00:22:04,549 --> 00:22:01,840
disarray um

562
00:22:07,029 --> 00:22:04,559
of a process to go into you know it's

563
00:22:10,230 --> 00:22:07,039

like find out what you want first from

564

00:22:12,789 --> 00:22:10,240

it yourself and you know kind of go from

565

00:22:14,710 --> 00:22:12,799

there you know if it doesn't work out or

566

00:22:16,230 --> 00:22:14,720

you know things need changing then at

567

00:22:17,990 --> 00:22:16,240

least you know what you need changing

568

00:22:19,830 --> 00:22:18,000

but you know when you go in with like

569

00:22:21,590 --> 00:22:19,840

this collection of things that aren't

570

00:22:23,830 --> 00:22:21,600

even yours you know it's like what do

571

00:22:25,669 --> 00:22:23,840

you go about you know figuring out

572

00:22:27,750 --> 00:22:25,679

what's working what's not

573

00:22:31,110 --> 00:22:27,760

and just so i'm not confusing people

574

00:22:33,990 --> 00:22:31,120

that are listening i'm talking about um

575

00:22:36,390 --> 00:22:34,000

mindsets right uh if you're a a person

576

00:22:38,470 --> 00:22:36,400

that's into sports you you need to have

577

00:22:41,430 --> 00:22:38,480

a certain mindset you set your goal like

578

00:22:42,549 --> 00:22:41,440

okay if i'm running there's the end line

579

00:22:44,230 --> 00:22:42,559

i will

580

00:22:46,230 --> 00:22:44,240

whatever you set yourself

581

00:22:48,710 --> 00:22:46,240

you know into that that mindset and that

582

00:22:51,029 --> 00:22:48,720

zone they call it sometimes and it's a

583

00:22:53,110 --> 00:22:51,039

very similar pro you know process in my

584

00:22:55,110 --> 00:22:53,120

experience i don't know if you can speak

585

00:22:56,310 --> 00:22:55,120

a little bit on this niels as well but

586

00:22:58,230 --> 00:22:56,320

it's just it's

587

00:22:59,909 --> 00:22:58,240

it's an it's an intention it's an

588

00:23:02,549 --> 00:22:59,919

intention of and

589

00:23:04,390 --> 00:23:02,559

and it's not necessarily of what to get

590

00:23:07,669 --> 00:23:04,400

from the outcome but it's like what

591

00:23:10,470 --> 00:23:07,679

you're about to do to do it in the most

592

00:23:13,110 --> 00:23:10,480

you way possible if that makes sense you

593

00:23:16,710 --> 00:23:13,120

know why or you yeah um

594

00:23:20,870 --> 00:23:18,149

go ahead

595

00:23:23,669 --> 00:23:20,880

yeah in all my uh c5

596

00:23:26,070 --> 00:23:23,679

um you know experiences or when the ufos

597

00:23:26,789 --> 00:23:26,080

have come down and appeared very close

598

00:23:30,070 --> 00:23:26,799

or

599

00:23:31,190 --> 00:23:30,080

don't go into them

600

00:23:33,110 --> 00:23:31,200

um

601
00:23:36,470 --> 00:23:33,120
i don't go on them saying oh i want to

602
00:23:39,669 --> 00:23:36,480
see a ufo or or i want to meet you know

603
00:23:41,269 --> 00:23:39,679
the star people it was never that uh for

604
00:23:47,110 --> 00:23:41,279
me

605
00:23:50,950 --> 00:23:47,120
like

606
00:23:53,669 --> 00:23:50,960
and um and doing the steps and

607
00:23:55,990 --> 00:23:53,679
um and just seeing what was what's real

608
00:23:59,029 --> 00:23:56,000
and who and really who who's picking up

609
00:24:01,750 --> 00:23:59,039
on my frequency or my thoughts

610
00:24:04,470 --> 00:24:01,760
um and is this is this real

611
00:24:06,470 --> 00:24:04,480
is is this possible and

612
00:24:09,350 --> 00:24:06,480
i was shown that this is real absolutely

613
00:24:11,350 --> 00:24:09,360

i mean in my life you know i you know

614

00:24:13,190 --> 00:24:11,360

i've like i think we should protect the

615

00:24:14,149 --> 00:24:13,200

environment like i have all these very

616

00:24:18,149 --> 00:24:14,159

strong

617

00:24:19,830 --> 00:24:18,159

principles right um like do not steal do

618

00:24:21,350 --> 00:24:19,840

not lie like all these different things

619

00:24:22,870 --> 00:24:21,360

right i think that's really helped that

620

00:24:25,029 --> 00:24:22,880

they they pick up

621

00:24:26,630 --> 00:24:25,039

star people or these ufos and whatnot

622

00:24:29,669 --> 00:24:26,640

they pick up on

623

00:24:31,510 --> 00:24:29,679

um on this that you you're a good person

624

00:24:33,510 --> 00:24:31,520

that you have a good intent

625

00:24:35,830 --> 00:24:33,520

that you're sincere that you want to

626

00:24:38,230 --> 00:24:35,840

meet them and that you're working to

627

00:24:41,510 --> 00:24:38,240

ascend and to advance your spirit and

628

00:24:43,990 --> 00:24:41,520

also to advance the consciousness

629

00:24:46,870 --> 00:24:44,000

of those around you and i feel like i

630

00:24:49,269 --> 00:24:46,880

need to share this information with with

631

00:24:51,909 --> 00:24:49,279

you and for everybody who's interested

632

00:24:54,630 --> 00:24:51,919

uh and it's you know it's our duty as

633

00:24:56,710 --> 00:24:54,640

humanity to to correct ourselves really

634

00:24:59,190 --> 00:24:56,720

with how we're treating each other how

635

00:25:00,549 --> 00:24:59,200

we're seeing separation and division

636

00:25:02,870 --> 00:25:00,559

and how we're you know how we're

637

00:25:05,269 --> 00:25:02,880

mishandling the environment or you know

638

00:25:06,870 --> 00:25:05,279

how far we're getting into materialism

639

00:25:08,870 --> 00:25:06,880

or we're living we're you know a bit

640

00:25:11,430 --> 00:25:08,880

lost but a lot of people are leaving

641

00:25:13,029 --> 00:25:11,440

that behind and and uh

642

00:25:15,190 --> 00:25:13,039

you know we're a work in progress right

643

00:25:18,470 --> 00:25:15,200

we can't go from

644

00:25:21,750 --> 00:25:19,830

primitive to

645

00:25:23,669 --> 00:25:21,760

you know traveling dimensionally through

646

00:25:25,190 --> 00:25:23,679

the cosmos and being you know going to

647

00:25:26,870 --> 00:25:25,200

different you know

648

00:25:29,669 --> 00:25:26,880

you know places in our universe within

649

00:25:31,590 --> 00:25:29,679

universes with our current ability you

650

00:25:35,110 --> 00:25:31,600

know being a step above ape or whatnot

651

00:25:38,390 --> 00:25:35,120

right we have to slow progress and

652

00:25:40,630 --> 00:25:38,400

um and also i think in terms of uh

653

00:25:42,310 --> 00:25:40,640

you know we're reborn here and some

654

00:25:43,830 --> 00:25:42,320

people were born here and they have

655

00:25:45,510 --> 00:25:43,840

different missions

656

00:25:47,110 --> 00:25:45,520

have they lived here before probably do

657

00:25:50,390 --> 00:25:47,120

you meet the same people again over and

658

00:25:51,990 --> 00:25:50,400

over yes i think so um

659

00:25:54,070 --> 00:25:52,000

and so yeah a lot of us are here as

660

00:25:55,750 --> 00:25:54,080

teachers to to help and show people the

661

00:25:57,909 --> 00:25:55,760

way that we must descend we want to

662

00:26:00,149 --> 00:25:57,919

smarten up we must evolve

663

00:26:01,029 --> 00:26:00,159

um otherwise we're we're going to get

664

00:26:03,110 --> 00:26:01,039

into

665

00:26:05,029 --> 00:26:03,120

some trouble so i mean um

666

00:26:06,789 --> 00:26:05,039

yeah i think a lot of these starvings

667

00:26:09,110 --> 00:26:06,799

are helping us uh

668

00:26:10,630 --> 00:26:09,120

helping us ascend a little bit at a time

669

00:26:12,549 --> 00:26:10,640

they don't want to go against our you

670

00:26:14,549 --> 00:26:12,559

know our free will and our own

671

00:26:17,590 --> 00:26:14,559

path however yeah i think they're

672

00:26:18,549 --> 00:26:17,600

helping us uh spiritually uh

673

00:26:20,630 --> 00:26:18,559

i don't know if they're helping us

674

00:26:22,470 --> 00:26:20,640

biologically possibly

675

00:26:24,710 --> 00:26:22,480

um quite aware of many things that are

676

00:26:26,549 --> 00:26:24,720

going on there but um

677

00:26:29,590 --> 00:26:26,559

yeah i think it's just uh absolutely

678

00:26:32,789 --> 00:26:29,600

incredible like i said um i i've been

679

00:26:34,710 --> 00:26:32,799

showing it i've had 21 i've seen 21 ufos

680

00:26:37,750 --> 00:26:34,720

i'm very close and far away all kinds of

681

00:26:39,990 --> 00:26:37,760

different technologies shapes colors

682

00:26:43,110 --> 00:26:40,000

pass all that stuff um

683

00:26:44,630 --> 00:26:43,120

met two i spoke to one knife a tall star

684

00:26:46,630 --> 00:26:44,640

person right and then that short being

685

00:26:48,390 --> 00:26:46,640

in my bedroom smiling at me

686

00:26:49,750 --> 00:26:48,400

uh so i mean

687

00:26:50,549 --> 00:26:49,760

they're here and uh i just want to

688

00:26:52,230 --> 00:26:50,559

quickly

689

00:26:53,750 --> 00:26:52,240

it's all coming back to me now it's been

690

00:26:56,070 --> 00:26:53,760

a couple of months but i remember i

691

00:26:57,510 --> 00:26:56,080

remember yeah i know i know exactly what

692

00:26:59,190 --> 00:26:57,520

i was talking about

693

00:27:02,630 --> 00:26:59,200

and i'm gonna suck watch i just want to

694

00:27:05,110 --> 00:27:02,640

tell the quick uh quick experience um oh

695

00:27:07,909 --> 00:27:05,120

neil just real quick um uh there's uh

696

00:27:10,870 --> 00:27:07,919

uh crypto wants to also come on and some

697

00:27:12,390 --> 00:27:10,880

some others so um uh i'll definitely let

698

00:27:13,990 --> 00:27:12,400

you please tell them to share that

699

00:27:15,669 --> 00:27:14,000

experience and then i would like to give

700

00:27:17,590 --> 00:27:15,679

some of the others an opportunity too

701
00:27:20,870 --> 00:27:17,600
sure sure yeah i'll be competitive with

702
00:27:23,110 --> 00:27:20,880
you too and crypto you're you're next

703
00:27:24,149 --> 00:27:23,120
yeah i just i just wanted to stay my you

704
00:27:26,630 --> 00:27:24,159
know right

705
00:27:28,549 --> 00:27:26,640
after um after that

706
00:27:31,750 --> 00:27:28,559
you know that thousand k let's call that

707
00:27:33,590 --> 00:27:31,760
light object came down that same trip um

708
00:27:36,389 --> 00:27:33,600
i know that there was beings flying

709
00:27:38,870 --> 00:27:36,399
through the the forest but

710
00:27:41,990 --> 00:27:38,880
another thing when i was in utah

711
00:27:44,470 --> 00:27:42,000
i saw a group of hikers

712
00:27:46,310 --> 00:27:44,480
three of them walking across the

713
00:27:48,549 --> 00:27:46,320

snow cover mountain

714

00:27:50,950 --> 00:27:48,559

and they're very tiny on the hill and i

715

00:27:52,950 --> 00:27:50,960

took them a couple hours ago across it

716

00:27:55,110 --> 00:27:52,960

and then after they were gone i saw this

717

00:27:55,990 --> 00:27:55,120

boat um as being as well twice the

718

00:27:57,590 --> 00:27:56,000

height

719

00:28:00,389 --> 00:27:57,600

of these uh

720

00:28:02,230 --> 00:28:00,399

of the hikers and as being went right up

721

00:28:04,710 --> 00:28:02,240

the mountain within about half an hour

722

00:28:06,630 --> 00:28:04,720

to 45 minutes sprayed up it he had no

723

00:28:09,269 --> 00:28:06,640

gear on and he was twice the height of

724

00:28:13,110 --> 00:28:09,279

these hikers right and uh it was like a

725

00:28:17,350 --> 00:28:13,120

dark beige type of color so i've seen uh

726

00:28:19,590 --> 00:28:17,360

i've seen um sasquatch too um you know

727

00:28:21,590 --> 00:28:19,600

travel around the world uh quite

728

00:28:24,070 --> 00:28:21,600

fortunate that way but a lot of times it

729

00:28:25,750 --> 00:28:24,080

has to happen in nature

730

00:28:26,950 --> 00:28:25,760

and um

731

00:28:30,389 --> 00:28:26,960

and sometimes you don't even want it to

732

00:28:31,990 --> 00:28:30,399

happen it just happens um so i would

733

00:28:33,430 --> 00:28:32,000

just uh

734

00:28:35,430 --> 00:28:33,440

yeah go forth with it i don't want to

735

00:28:37,190 --> 00:28:35,440

take too much time but i hope i was

736

00:28:38,230 --> 00:28:37,200

helpful to a lot of people

737

00:28:41,909 --> 00:28:38,240

um

738

00:28:45,029 --> 00:28:41,919

and uh i wish everybody uh the best and

739

00:28:46,710 --> 00:28:45,039

if you really want to do c5 um i think

740

00:28:49,830 --> 00:28:46,720

you should

741

00:28:51,590 --> 00:28:49,840

you know pray for first

742

00:28:54,310 --> 00:28:51,600

maybe read a bit of the bible

743

00:28:56,710 --> 00:28:54,320

but ultimately um and meditate

744

00:28:59,430 --> 00:28:56,720

and do the steps properly because it's

745

00:29:00,310 --> 00:28:59,440

real

746

00:29:01,669 --> 00:29:00,320

great

747

00:29:03,590 --> 00:29:01,679

thank you thank you very much for

748

00:29:05,110 --> 00:29:03,600

sharing i appreciate that well

749

00:29:06,789 --> 00:29:05,120

especially

750

00:29:09,269 --> 00:29:06,799

but you're just coming now to to speak

751

00:29:11,269 --> 00:29:09,279

you know gives gives others either

752

00:29:13,669 --> 00:29:11,279

something you know a step that they can

753

00:29:15,110 --> 00:29:13,679

take on their own or to just even have a

754

00:29:18,070 --> 00:29:15,120

little courage to already share what

755

00:29:20,470 --> 00:29:18,080

they've already experienced

756

00:29:23,029 --> 00:29:20,480

yeah you know i'm past uh ambassador be

757

00:29:25,269 --> 00:29:23,039

caring when people think about me or

758

00:29:27,269 --> 00:29:25,279

you know uh or being brave or whatever i

759

00:29:30,230 --> 00:29:27,279

call it courage i just i just see how it

760

00:29:32,789 --> 00:29:30,240

is and that's that's god's truth and uh

761

00:29:33,909 --> 00:29:32,799

and i'm i'm not afraid to say it because

762

00:29:35,830 --> 00:29:33,919

i uh

763

00:29:38,149 --> 00:29:35,840

i just want to send love and knowledge

764

00:29:40,789 --> 00:29:38,159

and light out there to everybody

765

00:29:42,950 --> 00:29:40,799

and help them out you know great well

766

00:29:45,510 --> 00:29:42,960

thank you niels i appreciate it and uh i

767

00:29:48,950 --> 00:29:45,520

hope everyone again sometime

768

00:29:51,590 --> 00:29:48,960

for sure take care all right take care

769

00:29:54,389 --> 00:29:51,600

okay um

770

00:29:56,230 --> 00:29:54,399

crypto i will come to you next um i will

771

00:29:57,909 --> 00:29:56,240

i'll meet you here in one quick second i

772

00:29:59,510 --> 00:29:57,919

just saw a question from

773

00:30:01,909 --> 00:29:59,520

robert in chat that said i have a

774

00:30:04,230 --> 00:30:01,919

question on taking dmt do you know a

775

00:30:06,870 --> 00:30:04,240

case where one person is on dmt and the

776

00:30:09,990 --> 00:30:06,880

other person is not on dmt but they both

777

00:30:12,789 --> 00:30:10,000

see a uf4 et um

778

00:30:15,269 --> 00:30:12,799

i uh if you just from personal

779

00:30:16,149 --> 00:30:15,279

experience i have not experienced that

780

00:30:19,750 --> 00:30:16,159

um

781

00:30:23,590 --> 00:30:21,909

i've been you know i've been to places

782

00:30:26,149 --> 00:30:23,600

where even like let's say just in

783

00:30:28,149 --> 00:30:26,159

inanimate objects where

784

00:30:30,470 --> 00:30:28,159

you have a person that's on dmt and the

785

00:30:32,389 --> 00:30:30,480

other one is not and they'll view it in

786

00:30:33,350 --> 00:30:32,399

a different way although they're both

787

00:30:37,110 --> 00:30:33,360

seeing

788

00:30:39,029 --> 00:30:37,120

you know let's say a cup or um whatever

789

00:30:40,710 --> 00:30:39,039

something you know some kind of object

790

00:30:43,350 --> 00:30:40,720

whether it's an item in the kitchen or

791

00:30:45,430 --> 00:30:43,360

where wherever they happen to be but um

792

00:30:48,070 --> 00:30:45,440

i'm sorry that i cannot

793

00:30:49,350 --> 00:30:48,080

give you a story or confirm whether or

794

00:30:50,950 --> 00:30:49,360

not

795

00:30:53,830 --> 00:30:50,960

both would but

796

00:30:55,990 --> 00:30:53,840

when it comes to vibrations it is

797

00:30:57,990 --> 00:30:56,000

possible that you don't even have to be

798

00:30:59,669 --> 00:30:58,000

on dmt i've heard

799

00:31:01,509 --> 00:30:59,679

several different stories at certain

800

00:31:03,669 --> 00:31:01,519

events where

801
00:31:06,310 --> 00:31:03,679
not necessarily any any psychedelics

802
00:31:08,789 --> 00:31:06,320
were not involved whatsoever but

803
00:31:12,470 --> 00:31:08,799
let's say out of a group of 10 people

804
00:31:15,190 --> 00:31:12,480
half would see a full on craft that

805
00:31:16,230 --> 00:31:15,200
looks physical to them while the others

806
00:31:18,789 --> 00:31:16,240
would

807
00:31:21,909 --> 00:31:18,799
either see nothing or just a like a

808
00:31:23,590 --> 00:31:21,919
slight haze or somewhat oh no in a shape

809
00:31:27,269 --> 00:31:23,600
of a of a

810
00:31:30,470 --> 00:31:27,279
you know just a very light cloud and so

811
00:31:33,029 --> 00:31:30,480
um i've had basically uh heard from from

812
00:31:35,350 --> 00:31:33,039
people that that i trust very much that

813
00:31:37,990 --> 00:31:35,360

were at these certain retreats and said

814

00:31:40,470 --> 00:31:38,000

okay this is what happened and um

815

00:31:43,909 --> 00:31:40,480

i'm sure uh there's also some stories

816

00:31:46,630 --> 00:31:43,919

that i was hearing something similar

817

00:31:49,269 --> 00:31:46,640

regarding that on coast to coast am but

818

00:31:50,789 --> 00:31:49,279

this was years ago so anyway i'm sorry i

819

00:31:52,310 --> 00:31:50,799

can't give you something more concrete

820

00:31:55,029 --> 00:31:52,320

but i just wanted to

821

00:31:59,269 --> 00:31:55,039

get back to your question

822

00:32:02,470 --> 00:31:59,279

okay uh crypto you are unmuted on

823

00:32:04,870 --> 00:32:02,480

on my end and then also next is a new

824

00:32:07,110 --> 00:32:04,880

paradigm so after crypto new paradigm

825

00:32:08,870 --> 00:32:07,120

you're next but i want to give uh crypto

826

00:32:11,350 --> 00:32:08,880

this opportunity as well

827

00:32:18,789 --> 00:32:11,360

so uh crypto uh you cannot mute yourself

828

00:32:23,509 --> 00:32:22,310

unless you hit that by accident

829

00:32:24,870 --> 00:32:23,519

can you hear me

830

00:32:28,549 --> 00:32:24,880

hey hi

831

00:32:30,710 --> 00:32:28,559

did you mean to raise your hand

832

00:32:34,310 --> 00:32:30,720

how's it going

833

00:32:35,380 --> 00:32:34,320

hear me yeah yeah i can hear you did you

834

00:32:36,789 --> 00:32:35,390

mean to raise your hand

835

00:32:39,990 --> 00:32:36,799

[Music]

836

00:32:45,909 --> 00:32:40,000

uh yeah i was trying to talk earlier

837

00:32:50,149 --> 00:32:47,430

are you listening on the computer

838

00:32:51,990 --> 00:32:50,159

because i'm hearing a little feedback

839

00:32:53,750 --> 00:32:52,000

the the feeds going back so i'm not too

840

00:32:55,029 --> 00:32:53,760

sure if you're getting at the same time

841

00:32:56,789 --> 00:32:55,039

i'm talking

842

00:32:58,870 --> 00:32:56,799

well you're watching probably we're

843

00:33:01,750 --> 00:32:58,880

watching this on on youtube is any way

844

00:33:03,590 --> 00:33:01,760

you can uh just uh mute youtube while

845

00:33:05,190 --> 00:33:03,600

you're on telegram i promise you it's

846

00:33:07,669 --> 00:33:05,200

going out there but there's about like a

847

00:33:10,230 --> 00:33:07,679

15 second delay on youtube so while

848

00:33:12,870 --> 00:33:10,240

we're live on telegram if you can just

849

00:33:16,710 --> 00:33:12,880

mute youtube so i can so we don't hear

850

00:33:16,720 --> 00:33:20,870

okay just a second

851

00:33:29,029 --> 00:33:22,070

but then yeah whenever you're ready

852

00:33:34,070 --> 00:33:30,470

i think i

853

00:33:36,710 --> 00:33:34,080

you can hear me here just the screen

854

00:33:38,630 --> 00:33:36,720

yeah no i can hear you just fine

855

00:33:40,470 --> 00:33:38,640

okay perfect perfect

856

00:33:42,470 --> 00:33:40,480

so yeah i just wanted to i was just

857

00:33:45,350 --> 00:33:42,480

going to jump in and uh at the moment

858

00:33:47,190 --> 00:33:45,360

there and i just wanted to um

859

00:33:49,110 --> 00:33:47,200

comment on what neil was saying i was

860

00:33:52,070 --> 00:33:49,120

just going to mention uh

861

00:33:53,669 --> 00:33:52,080

uh uh some project i reached recently

862

00:33:56,470 --> 00:33:53,679

came across

863

00:33:58,389 --> 00:33:56,480

it's called a godot movement

864

00:33:59,909 --> 00:33:58,399

and uh it was just kind of just to go

865

00:34:02,070 --> 00:33:59,919

off of what he was saying i was just

866

00:34:04,070 --> 00:34:02,080

gonna say it's something for

867

00:34:06,389 --> 00:34:04,080

maybe some people listening today to

868

00:34:10,149 --> 00:34:06,399

even look into um

869

00:34:11,829 --> 00:34:10,159

and they are they go up against uh mega

870

00:34:16,230 --> 00:34:11,839

corporation

871

00:34:17,349 --> 00:34:16,240

and uh they stand up for an inequality

872

00:34:19,430 --> 00:34:17,359

so

873

00:34:21,430 --> 00:34:19,440

it's just kind of a it's kind of a cool

874

00:34:23,270 --> 00:34:21,440

little thing like uh for example i'm

875

00:34:25,190 --> 00:34:23,280

obviously the the main guy that comes on

876

00:34:27,430 --> 00:34:25,200

here that's crypto you know with crypto

877

00:34:28,790 --> 00:34:27,440

and my name and stuff like that and

878

00:34:30,710 --> 00:34:28,800

um

879

00:34:32,869 --> 00:34:30,720

i'm not trying to make this call anyway

880

00:34:34,950 --> 00:34:32,879

anyway about crypto but an nft project

881

00:34:36,710 --> 00:34:34,960

that i was looking at i just want to

882

00:34:37,510 --> 00:34:36,720

mention for you guys to take a look at

883

00:34:41,669 --> 00:34:37,520

it

884

00:34:44,230 --> 00:34:41,679

uh ones that most people talk about you

885

00:34:46,069 --> 00:34:44,240

know uh this one's actually really cool

886

00:34:47,990 --> 00:34:46,079

it's uh they're they'd like they're

887

00:34:51,349 --> 00:34:48,000

against the megacorporations like that's

888

00:34:53,430 --> 00:34:51,359

like almost like an anarchy type

889

00:34:54,710 --> 00:34:53,440

group uh that are making a cool project

890

00:34:56,710 --> 00:34:54,720

with like you know you'd have to look

891

00:34:57,990 --> 00:34:56,720

into it to see the pictures and uh yeah

892

00:35:00,069 --> 00:34:58,000

and i just want you to check it out uh

893

00:35:01,430 --> 00:35:00,079

how they stand up for inequality and the

894

00:35:03,190 --> 00:35:01,440

little guy i just thought that'd be cool

895

00:35:05,030 --> 00:35:03,200

to mention with kind of with what

896

00:35:07,589 --> 00:35:05,040

neil was saying um

897

00:35:10,069 --> 00:35:07,599

you know it's it's you know how you

898

00:35:11,750 --> 00:35:10,079

stand up and and say what's true

899

00:35:13,109 --> 00:35:11,760

you know even if

900

00:35:14,950 --> 00:35:13,119

you know you don't you know you don't

901
00:35:16,790 --> 00:35:14,960
really you don't looking for the

902
00:35:18,790 --> 00:35:16,800
the praise or the pat on the back you're

903
00:35:20,550 --> 00:35:18,800
just gonna say what's true because at

904
00:35:22,550 --> 00:35:20,560
least you know it's as true as you can

905
00:35:24,230 --> 00:35:22,560
believe it to be and you're gonna say it

906
00:35:25,910 --> 00:35:24,240
right so that

907
00:35:28,710 --> 00:35:25,920
that's pretty uh

908
00:35:31,349 --> 00:35:28,720
right pretty awesome

909
00:35:33,109 --> 00:35:31,359
well i mean uh what got you into crypto

910
00:35:35,030 --> 00:35:33,119
was there something that you just didn't

911
00:35:39,589 --> 00:35:35,040
like about the financial system so you

912
00:35:45,270 --> 00:35:42,069
no i was bad at saving

913
00:35:46,550 --> 00:35:45,280

i was bad at saving money so uh that's

914

00:35:48,710 --> 00:35:46,560

basically what happened i was just

915

00:35:49,910 --> 00:35:48,720

really bad at saving money and uh

916

00:35:55,589 --> 00:35:49,920

i needed

917

00:35:57,270 --> 00:35:55,599

looking for a way to figure something

918

00:35:59,349 --> 00:35:57,280

out so i guess i could say it was a

919

00:36:01,270 --> 00:35:59,359

financial thing that got me first

920

00:36:03,190 --> 00:36:01,280

started in it um

921

00:36:05,430 --> 00:36:03,200

i was cruising around youtube and i seen

922

00:36:07,910 --> 00:36:05,440

this um little kid

923

00:36:09,829 --> 00:36:07,920

named crypto nick who's actually not in

924

00:36:11,670 --> 00:36:09,839

the in the space anymore

925

00:36:13,270 --> 00:36:11,680

and uh he had a little youtube video and

926

00:36:14,390 --> 00:36:13,280

he looked like he was i don't know 16

927

00:36:16,310 --> 00:36:14,400

years old

928

00:36:19,109 --> 00:36:16,320

and he was bragging about how he was

929

00:36:19,829 --> 00:36:19,119

making a dollar a day on a laptop

930

00:36:21,510 --> 00:36:19,839

and

931

00:36:22,390 --> 00:36:21,520

yeah that was i was just like okay

932

00:36:23,910 --> 00:36:22,400

there's

933

00:36:25,750 --> 00:36:23,920

something going on here that i don't

934

00:36:26,950 --> 00:36:25,760

know anything about and i guess i i

935

00:36:28,390 --> 00:36:26,960

should have looked into this a little

936

00:36:30,150 --> 00:36:28,400

bit more and i i didn't know anything

937

00:36:31,750 --> 00:36:30,160

about it and i just thought right i was

938

00:36:33,750 --> 00:36:31,760

to be honest with you that was where i

939

00:36:35,190 --> 00:36:33,760

started and what started me was just

940

00:36:37,190 --> 00:36:35,200

going through youtube and just looking

941

00:36:38,790 --> 00:36:37,200

around it wasn't like my i wasn't

942

00:36:41,270 --> 00:36:38,800

looking for crypto and it kind of found

943

00:36:42,790 --> 00:36:41,280

me just because i was uh to be honest

944

00:36:46,470 --> 00:36:42,800

jealous

945

00:36:48,150 --> 00:36:46,480

this kid making uh

946

00:36:49,349 --> 00:36:48,160

making a dollar a day right so i just

947

00:36:51,270 --> 00:36:49,359

started digging

948

00:36:52,069 --> 00:36:51,280

back in uh

949

00:36:54,230 --> 00:36:52,079

right

950

00:36:56,390 --> 00:36:54,240

okay and that was back in january of

951
00:36:58,470 --> 00:36:56,400
2018 and yeah just since then i've just

952
00:37:01,030 --> 00:36:58,480
been um

953
00:37:03,109 --> 00:37:01,040
uh studying it and researching it and i

954
00:37:07,190 --> 00:37:03,119
found that uh basically i went from

955
00:37:10,150 --> 00:37:07,200
about 2008 to 2018 with studying um

956
00:37:12,069 --> 00:37:10,160
aliens ufos and stuff like that right

957
00:37:14,470 --> 00:37:12,079
right let me let me tell you just a real

958
00:37:16,069 --> 00:37:14,480
quick story i'll let you continue but um

959
00:37:17,030 --> 00:37:16,079
just something that you know talking

960
00:37:19,510 --> 00:37:17,040
about

961
00:37:21,430 --> 00:37:19,520
what happens when you're

962
00:37:24,310 --> 00:37:21,440
when you have all these signs and things

963
00:37:25,990 --> 00:37:24,320

happening but you just you know not you

964

00:37:27,589 --> 00:37:26,000

know following your highest excitement

965

00:37:29,910 --> 00:37:27,599

and you just kind of go

966

00:37:31,829 --> 00:37:29,920

you know think oh this is not the right

967

00:37:34,150 --> 00:37:31,839

time and you talk yourself out of

968

00:37:37,270 --> 00:37:34,160

this right so this is a very good friend

969

00:37:39,349 --> 00:37:37,280

of mine and it was like around 008 or 9.

970

00:37:41,510 --> 00:37:39,359

so oh wait that was the crash

971

00:37:43,910 --> 00:37:41,520

you know oh nine uh you know things were

972

00:37:46,150 --> 00:37:43,920

getting a little bit better but we would

973

00:37:49,510 --> 00:37:46,160

often we both worked downtown saint

974

00:37:51,109 --> 00:37:49,520

louis so we would meet up um

975

00:37:52,790 --> 00:37:51,119

we would meet up at the different

976
00:37:55,670 --> 00:37:52,800
restaurants uh you know throughout the

977
00:37:57,750 --> 00:37:55,680
week for lunch but anyway so my friend

978
00:38:00,310 --> 00:37:57,760
ross he was telling me about you know

979
00:38:01,750 --> 00:38:00,320
mining bitcoin and he was you know

980
00:38:03,829 --> 00:38:01,760
because we're both techy guys so he's

981
00:38:05,510 --> 00:38:03,839
talking about you can you know use

982
00:38:07,829 --> 00:38:05,520
graphic cards you can convert your

983
00:38:10,630 --> 00:38:07,839
computer to do it you know just help

984
00:38:13,430 --> 00:38:10,640
them you know um process some some of

985
00:38:16,150 --> 00:38:13,440
these hashes and by using the you know

986
00:38:18,310 --> 00:38:16,160
your your processing power and all that

987
00:38:20,230 --> 00:38:18,320
um

988
00:38:21,910 --> 00:38:20,240

crypto there's a little there's a little

989

00:38:23,750 --> 00:38:21,920

echo again i'm gonna i'm gonna mute you

990

00:38:24,630 --> 00:38:23,760

and i'll bring you back in when i'm

991

00:38:25,430 --> 00:38:24,640

ready

992

00:38:28,870 --> 00:38:25,440

um

993

00:38:29,829 --> 00:38:28,880

he was basically been telling me about

994

00:38:32,550 --> 00:38:29,839

this but

995

00:38:34,630 --> 00:38:32,560

i was so convinced that you know i don't

996

00:38:36,390 --> 00:38:34,640

have the time even though now i know i

997

00:38:37,990 --> 00:38:36,400

did um

998

00:38:39,910 --> 00:38:38,000

and he was the way he was telling me at

999

00:38:42,470 --> 00:38:39,920

that time it was like

1000

00:38:43,510 --> 00:38:42,480

50 cents a dollar or so if i'm not

1001
00:38:44,870 --> 00:38:43,520
mistaken

1002
00:38:47,910 --> 00:38:44,880
per bitcoin

1003
00:38:48,550 --> 00:38:47,920
and it didn't require that much

1004
00:38:50,470 --> 00:38:48,560
of

1005
00:38:52,470 --> 00:38:50,480
processing power nowadays it's difficult

1006
00:38:55,349 --> 00:38:52,480
to do that mining because

1007
00:38:57,670 --> 00:38:55,359
you use way more in electricity and how

1008
00:39:00,230 --> 00:38:57,680
much processing power is needed than you

1009
00:39:02,150 --> 00:39:00,240
will ever get back in payment so it's

1010
00:39:04,790 --> 00:39:02,160
it's really not worth it you almost have

1011
00:39:06,390 --> 00:39:04,800
to like set up your own server farm and

1012
00:39:08,310 --> 00:39:06,400
do what to do in china and some of these

1013
00:39:10,390 --> 00:39:08,320

other countries well they moved all to

1014

00:39:12,870 --> 00:39:10,400

kazakhstan now but anyway have these

1015

00:39:15,430 --> 00:39:12,880

huge farms of servers to do nothing but

1016

00:39:18,390 --> 00:39:15,440

help process and verify transactions

1017

00:39:19,990 --> 00:39:18,400

right so anyway um but at that time it

1018

00:39:22,710 --> 00:39:20,000

was it would have been very profitable

1019

00:39:24,550 --> 00:39:22,720

you could easily make you know have to

1020

00:39:26,390 --> 00:39:24,560

uh or bitcoin a day

1021

00:39:28,230 --> 00:39:26,400

you know and just by letting your

1022

00:39:31,030 --> 00:39:28,240

computer run and there was nothing in

1023

00:39:31,829 --> 00:39:31,040

power and so one of those things to

1024

00:39:32,870 --> 00:39:31,839

where

1025

00:39:35,030 --> 00:39:32,880

it was

1026
00:39:37,270 --> 00:39:35,040
at me right people were telling me about

1027
00:39:39,510 --> 00:39:37,280
it friends were telling me i was seeing

1028
00:39:41,430 --> 00:39:39,520
things about it and i just kept saying

1029
00:39:43,829 --> 00:39:41,440
no it's i'm

1030
00:39:45,750 --> 00:39:43,839
not getting into this blah blah blah and

1031
00:39:47,190 --> 00:39:45,760
basically came up with every excuse not

1032
00:39:48,710 --> 00:39:47,200
to do it although he would have

1033
00:39:51,829 --> 00:39:48,720
literally you know

1034
00:39:53,030 --> 00:39:51,839
taken half hour setup time um had plenty

1035
00:39:54,470 --> 00:39:53,040
of different computers because i

1036
00:39:56,230 --> 00:39:54,480
constantly have him around me that i

1037
00:39:57,750 --> 00:39:56,240
could have dedicated as a server and it

1038
00:39:59,910 --> 00:39:57,760

would have been would have been real

1039

00:40:01,990 --> 00:39:59,920

nice right now let's just say that

1040

00:40:03,750 --> 00:40:02,000

so crypto i'm muting you again and

1041

00:40:09,430 --> 00:40:03,760

please make sure you mute youtube so we

1042

00:40:13,670 --> 00:40:11,910

crypto are you there

1043

00:40:15,750 --> 00:40:13,680

could you mute mine too so i can raise

1044

00:40:18,230 --> 00:40:15,760

my hand

1045

00:40:20,230 --> 00:40:18,240

uh oh okay we'll do oh yeah i i didn't

1046

00:40:23,589 --> 00:40:20,240

meet you earlier there you go sorry paul

1047

00:40:26,870 --> 00:40:23,599

oh definitely definitely

1048

00:40:29,190 --> 00:40:26,880

okay go uh go ahead crypto

1049

00:40:30,470 --> 00:40:29,200

yeah no and that's true and and then

1050

00:40:32,470 --> 00:40:30,480

right uh

1051
00:40:34,950 --> 00:40:32,480
definitely back in the day uh somebody

1052
00:40:35,829 --> 00:40:34,960
that was able to notice something like

1053
00:40:37,750 --> 00:40:35,839
that

1054
00:40:39,829 --> 00:40:37,760
would have uh

1055
00:40:41,349 --> 00:40:39,839
would have yeah the opportunity is

1056
00:40:43,270 --> 00:40:41,359
always in the past but that's okay you

1057
00:40:45,670 --> 00:40:43,280
know like uh that's the whole thing

1058
00:40:48,710 --> 00:40:45,680
about it is uh when i found it i i was

1059
00:40:52,069 --> 00:40:48,720
studying basically aliens um shady

1060
00:40:53,589 --> 00:40:52,079
government cover-ups ufos uh just

1061
00:40:55,270 --> 00:40:53,599
basically everything any anything and

1062
00:40:58,150 --> 00:40:55,280
everything i can get my hand on in that

1063
00:41:00,710 --> 00:40:58,160

field in that area and um i'm still

1064

00:41:02,470 --> 00:41:00,720

obviously 100 fascinated with it and

1065

00:41:04,550 --> 00:41:02,480

focused on it but

1066

00:41:06,470 --> 00:41:04,560

four years ago when i did find crypto

1067

00:41:08,790 --> 00:41:06,480

that that did take me away and yeah

1068

00:41:11,030 --> 00:41:08,800

definitely yeah somebody somebody that

1069

00:41:11,910 --> 00:41:11,040

um somebody that would find it at a

1070

00:41:14,390 --> 00:41:11,920

dollar

1071

00:41:17,109 --> 00:41:14,400

definitely uh mining it for the last 13

1072

00:41:20,950 --> 00:41:19,990

it would it would be quite an investment

1073

00:41:22,950 --> 00:41:20,960

yep

1074

00:41:24,950 --> 00:41:22,960

yeah multi multi-millionaire if not

1075

00:41:26,790 --> 00:41:24,960

billionaire um

1076

00:41:28,950 --> 00:41:26,800

yeah i remember there was even a game

1077

00:41:31,750 --> 00:41:28,960

that uh some of the early developers

1078

00:41:33,510 --> 00:41:31,760

they even made a game to get gamers into

1079

00:41:34,230 --> 00:41:33,520

it and it was very simple you were just

1080

00:41:36,470 --> 00:41:34,240

a

1081

00:41:39,430 --> 00:41:36,480

one person um

1082

00:41:41,270 --> 00:41:39,440

a first person uh perspective of a game

1083

00:41:42,870 --> 00:41:41,280

and you basically were running around

1084

00:41:43,910 --> 00:41:42,880

and you would um

1085

00:41:46,230 --> 00:41:43,920

just

1086

00:41:48,230 --> 00:41:46,240

hammer away at these rocks or whatever

1087

00:41:50,309 --> 00:41:48,240

and then that would you know depends on

1088

00:41:52,230 --> 00:41:50,319

which one you find they would you know

1089

00:41:54,309 --> 00:41:52,240

yield some bitcoin while so basically

1090

00:41:55,910 --> 00:41:54,319

while you were playing you were helping

1091

00:41:58,550 --> 00:41:55,920

them um

1092

00:41:59,910 --> 00:41:58,560

you know help process some of it so

1093

00:42:01,589 --> 00:41:59,920

anyway for those that might not

1094

00:42:03,910 --> 00:42:01,599

understand what we're talking about the

1095

00:42:06,069 --> 00:42:03,920

way crypto and crypto chime in at any

1096

00:42:08,470 --> 00:42:06,079

moment if in case i'm misinforming

1097

00:42:10,630 --> 00:42:08,480

everyone here but anyway from what i

1098

00:42:13,990 --> 00:42:10,640

understood is basically

1099

00:42:16,550 --> 00:42:14,000

it's it's a non-centralized system and

1100

00:42:19,190 --> 00:42:16,560

everyone can basically download this

1101
00:42:21,710 --> 00:42:19,200
program that then links your computer to

1102
00:42:24,630 --> 00:42:21,720
the network and you become part of the

1103
00:42:27,829 --> 00:42:24,640
verification process so for example if i

1104
00:42:29,270 --> 00:42:27,839
send some bitcoin over to crypto and um

1105
00:42:31,349 --> 00:42:29,280
you know

1106
00:42:33,030 --> 00:42:31,359
whatever the amount is it will go

1107
00:42:34,950 --> 00:42:33,040
through the network and these different

1108
00:42:37,030 --> 00:42:34,960
computers that are basically then being

1109
00:42:39,270 --> 00:42:37,040
used uh by these different people in

1110
00:42:41,910 --> 00:42:39,280
their homes or or the server farm or

1111
00:42:44,630 --> 00:42:41,920
wherever it processes that transaction

1112
00:42:47,349 --> 00:42:44,640
and verifies that it's a valid bitcoin

1113
00:42:49,670 --> 00:42:47,359

transacted over to to crypto and so

1114

00:42:52,710 --> 00:42:49,680

that's what basically mining was so it's

1115

00:42:55,750 --> 00:42:52,720

you're not using a bank or a centralized

1116

00:42:57,349 --> 00:42:55,760

location it was anyone could basically

1117

00:43:00,150 --> 00:42:57,359

become a

1118

00:43:02,710 --> 00:43:00,160

a verifier of a transaction and the way

1119

00:43:04,230 --> 00:43:02,720

it's made the way it's designed it would

1120

00:43:06,630 --> 00:43:04,240

it made it

1121

00:43:08,630 --> 00:43:06,640

impossible unless i'm mistaken crypto

1122

00:43:12,470 --> 00:43:08,640

but it makes it impossible to

1123

00:43:15,030 --> 00:43:12,480

to um to create a bitcoin basically to

1124

00:43:17,430 --> 00:43:15,040

to falsify one or copy one like we do

1125

00:43:19,589 --> 00:43:17,440

with money where you can just you know

1126

00:43:21,990 --> 00:43:19,599

um print counterfeit money it's

1127

00:43:26,230 --> 00:43:22,000

impossible to do with the bitcoin or is

1128

00:43:28,230 --> 00:43:26,240

errors of my mistaken on that info

1129

00:43:31,990 --> 00:43:28,240

well that's 100 true yeah it's

1130

00:43:35,109 --> 00:43:32,000

decentralized and at the same time uh

1131

00:43:37,670 --> 00:43:35,119

it's like it cannot be printed so for

1132

00:43:40,309 --> 00:43:37,680

example if you look at money

1133

00:43:42,550 --> 00:43:40,319

they won't stop printing it right fiat i

1134

00:43:45,990 --> 00:43:42,560

won't say money but i'll say dirty fiat

1135

00:43:50,550 --> 00:43:48,470

yeah it's printed out like crazy and

1136

00:43:52,870 --> 00:43:50,560

it's printed out at any time to take

1137

00:43:56,069 --> 00:43:52,880

care of any situation that they quote

1138

00:43:58,870 --> 00:43:56,079

unquote have right and bitcoin is is the

1139

00:44:02,230 --> 00:43:58,880

exact opposite right bitcoin is the

1140

00:44:04,950 --> 00:44:02,240

reason people in crypto value and praise

1141

00:44:06,950 --> 00:44:04,960

bitcoin so much uh not only because you

1142

00:44:08,630 --> 00:44:06,960

know when the price goes up the markets

1143

00:44:10,230 --> 00:44:08,640

go up and when the price goes down the

1144

00:44:11,270 --> 00:44:10,240

markets go down that's not the only

1145

00:44:15,510 --> 00:44:11,280

reason

1146

00:44:18,790 --> 00:44:15,520

the original as far as being the first

1147

00:44:21,270 --> 00:44:18,800

but it's also um the strongest so to say

1148

00:44:22,550 --> 00:44:21,280

right so it's uh there's other you know

1149

00:44:24,630 --> 00:44:22,560

cryptocurrencies out there that have

1150

00:44:26,230 --> 00:44:24,640

been you know audited and shown their

1151

00:44:28,870 --> 00:44:26,240

strength as well so i'm not trying to

1152

00:44:31,190 --> 00:44:28,880

take away from anybody but bitcoin has

1153

00:44:33,430 --> 00:44:31,200

been around for 13 years right and

1154

00:44:34,390 --> 00:44:33,440

that's uh a shock to some people right

1155

00:44:35,589 --> 00:44:34,400

some people

1156

00:44:37,349 --> 00:44:35,599

are like oh i thought it's been around

1157

00:44:38,870 --> 00:44:37,359

six seven eight years it's like well no

1158

00:44:41,349 --> 00:44:38,880

actually it's been around 13 years it

1159

00:44:43,109 --> 00:44:41,359

just had its birthday a week ago

1160

00:44:44,470 --> 00:44:43,119

two breaks ago so

1161

00:44:46,630 --> 00:44:44,480

you know

1162

00:44:48,790 --> 00:44:46,640

okay well crypto do you have any final

1163

00:44:50,870 --> 00:44:48,800

thoughts i want to go over to paradigm

1164

00:44:52,550 --> 00:44:50,880

and then eventually to paulie so i want

1165

00:44:55,349 --> 00:44:52,560

to out yes you know that's cool that's

1166

00:44:57,910 --> 00:44:55,359

cool i'm just happy to be here i'm cool

1167

00:44:59,589 --> 00:44:57,920

i'm cool oh okay here man yeah no but

1168

00:45:01,750 --> 00:44:59,599

well thanks for chiming in i appreciate

1169

00:45:04,470 --> 00:45:01,760

you you know logging in and chatting

1170

00:45:06,069 --> 00:45:04,480

with me i i really do mean it when i say

1171

00:45:08,069 --> 00:45:06,079

i appreciate it because you know

1172

00:45:10,390 --> 00:45:08,079

otherwise we will have dead air or me

1173

00:45:12,710 --> 00:45:10,400

just babbling on and on about something

1174

00:45:14,150 --> 00:45:12,720

randomly so i like the interaction and

1175

00:45:16,630 --> 00:45:14,160

thank you very much for taking the time

1176

00:45:18,150 --> 00:45:16,640

to talk to me yeah no problem

1177

00:45:20,470 --> 00:45:18,160

hi well crypto we'll stay in touch you

1178

00:45:21,670 --> 00:45:20,480

know hope you join in again sometime so

1179

00:45:22,950 --> 00:45:21,680

appreciate it

1180

00:45:29,349 --> 00:45:22,960

um

1181

00:45:31,750 --> 00:45:29,359

a new paradigm is next and then after

1182

00:45:35,030 --> 00:45:31,760

that is

1183

00:45:36,950 --> 00:45:35,040

so new paradigm you are unmuted and mute

1184

00:45:38,950 --> 00:45:36,960

on my end and mute yourself on yours and

1185

00:45:42,790 --> 00:45:38,960

please go ahead

1186

00:45:45,270 --> 00:45:42,800

hello can you hear me yes how are you

1187

00:45:48,309 --> 00:45:45,280

oh very good very good hey thank you

1188

00:45:49,589 --> 00:45:48,319

thank you very much much gratitude for

1189

00:45:51,829 --> 00:45:49,599

for your show

1190

00:45:53,510 --> 00:45:51,839

uh for making it available

1191

00:45:55,510 --> 00:45:53,520

and yet again it's the second time for

1192

00:45:57,430 --> 00:45:55,520

me on your show and

1193

00:45:59,829 --> 00:45:57,440

as again i

1194

00:46:01,670 --> 00:45:59,839

it was not planned for me i just watched

1195

00:46:03,430 --> 00:46:01,680

look at my phone and i thought you were

1196

00:46:05,109 --> 00:46:03,440

live i clicked on

1197

00:46:07,109 --> 00:46:05,119

on the live and

1198

00:46:08,630 --> 00:46:07,119

felt um

1199

00:46:09,990 --> 00:46:08,640

felt called or

1200

00:46:12,630 --> 00:46:10,000

inspired to

1201
00:46:14,950 --> 00:46:12,640
to jump in and i'm glad you did welcome

1202
00:46:15,990 --> 00:46:14,960
to the audience

1203
00:46:17,589 --> 00:46:16,000
okay

1204
00:46:21,270 --> 00:46:17,599
thank you thank you so

1205
00:46:24,069 --> 00:46:21,280
we could talk hours hours i'm sure uh i

1206
00:46:25,349 --> 00:46:24,079
want to say the first speaker before

1207
00:46:27,109 --> 00:46:25,359
before

1208
00:46:29,349 --> 00:46:27,119
niall o'neal

1209
00:46:30,309 --> 00:46:29,359
geez i really resonate much with him

1210
00:46:32,390 --> 00:46:30,319
okay

1211
00:46:33,349 --> 00:46:32,400
and the crypto guy too we could talk

1212
00:46:35,190 --> 00:46:33,359
okay

1213
00:46:36,950 --> 00:46:35,200

all right but that's another subject

1214

00:46:39,349 --> 00:46:36,960

again we could talk about about many

1215

00:46:43,349 --> 00:46:39,359

subjects for hours but i have let's say

1216

00:46:45,430 --> 00:46:43,359

three four points for the audience today

1217

00:46:47,349 --> 00:46:45,440

and um

1218

00:46:49,589 --> 00:46:47,359

i think there's a pressure

1219

00:46:52,470 --> 00:46:49,599

there's an increasing the pressure is

1220

00:46:55,670 --> 00:46:52,480

increasing for contact okay

1221

00:46:57,589 --> 00:46:55,680

and i don't think humanity is ready yet

1222

00:46:59,190 --> 00:46:57,599

okay and

1223

00:47:01,829 --> 00:46:59,200

i'm trying to

1224

00:47:04,710 --> 00:47:01,839

to be a kind of a diplomatic uh function

1225

00:47:07,829 --> 00:47:04,720

here to try to to ease the

1226
00:47:10,390 --> 00:47:07,839
process into something uh that is not uh

1227
00:47:11,270 --> 00:47:10,400
too much predictable for us

1228
00:47:13,510 --> 00:47:11,280
okay

1229
00:47:16,390 --> 00:47:13,520
we need to organize ourselves

1230
00:47:17,430 --> 00:47:16,400
uh humans here down here as sovereign

1231
00:47:19,589 --> 00:47:17,440
okay

1232
00:47:22,069 --> 00:47:19,599
and use technology

1233
00:47:23,589 --> 00:47:22,079
uh blockchain technology to secure those

1234
00:47:26,309 --> 00:47:23,599
systems

1235
00:47:28,630 --> 00:47:26,319
of uh individual sovereignty

1236
00:47:31,190 --> 00:47:28,640
and to manage our ways around

1237
00:47:32,230 --> 00:47:31,200
differently because we cannot no longer

1238
00:47:35,270 --> 00:47:32,240

rely

1239

00:47:41,829 --> 00:47:38,870

corrupt systems you know

1240

00:47:43,750 --> 00:47:41,839

that uh that control

1241

00:47:46,630 --> 00:47:43,760

many parts of our lives okay and we

1242

00:47:48,630 --> 00:47:46,640

depend on on those aspects of

1243

00:47:50,549 --> 00:47:48,640

let's say food that comes

1244

00:47:53,430 --> 00:47:50,559

from elsewhere

1245

00:47:55,750 --> 00:47:53,440

so it's a dependency a system that we

1246

00:47:58,549 --> 00:47:55,760

need to to get rid of okay to become

1247

00:48:02,069 --> 00:47:58,559

sovereign and self-sufficient

1248

00:48:03,750 --> 00:48:02,079

um and on that okay there's two very

1249

00:48:05,990 --> 00:48:03,760

important point

1250

00:48:07,430 --> 00:48:06,000

is that your sovereignty has to be

1251
00:48:09,589 --> 00:48:07,440
recognized

1252
00:48:12,549 --> 00:48:09,599
lawfully okay

1253
00:48:14,470 --> 00:48:12,559
and on that subject i recommend the

1254
00:48:16,549 --> 00:48:14,480
audience to look upon

1255
00:48:19,109 --> 00:48:16,559
russell j gold and

1256
00:48:21,270 --> 00:48:19,119
the postal the postmasters and

1257
00:48:22,630 --> 00:48:21,280
a paradigm where

1258
00:48:23,910 --> 00:48:22,640
we lawfully

1259
00:48:27,190 --> 00:48:23,920
contract

1260
00:48:31,270 --> 00:48:27,200
with uh quantum language in fact

1261
00:48:34,549 --> 00:48:31,280
that communicates uh facts in the now

1262
00:48:35,750 --> 00:48:34,559
and in a positive manner

1263
00:48:38,150 --> 00:48:35,760

um

1264

00:48:40,630 --> 00:48:38,160

without negation

1265

00:48:42,870 --> 00:48:40,640

say the name again russell j gold you

1266

00:48:45,589 --> 00:48:42,880

said russell russell j gold is the

1267

00:48:47,990 --> 00:48:45,599

postmaster general of our world okay

1268

00:48:48,950 --> 00:48:48,000

he's responsible for the good standing

1269

00:48:50,470 --> 00:48:48,960

of

1270

00:48:53,750 --> 00:48:50,480

the port

1271

00:48:59,030 --> 00:48:55,829

vessel or navigating ports

1272

00:49:01,270 --> 00:48:59,040

and shipments and goods and information

1273

00:49:03,270 --> 00:49:01,280

between people and we become become

1274

00:49:04,470 --> 00:49:03,280

nodes as people

1275

00:49:07,109 --> 00:49:04,480

and

1276

00:49:08,950 --> 00:49:07,119

from a node part of a network

1277

00:49:11,030 --> 00:49:08,960

so we we have to establish such a

1278

00:49:13,750 --> 00:49:11,040

network to solidify our sovereignty here

1279

00:49:15,190 --> 00:49:13,760

on her before we engage in in worldwide

1280

00:49:18,470 --> 00:49:15,200

contact

1281

00:49:21,270 --> 00:49:18,480

okay this is a very important

1282

00:49:22,309 --> 00:49:21,280

and another point is that

1283

00:49:23,910 --> 00:49:22,319

you know

1284

00:49:26,470 --> 00:49:23,920

i want to

1285

00:49:30,309 --> 00:49:26,480

your audience to look into

1286

00:49:32,150 --> 00:49:30,319

austin steinbach he's uh an activist and

1287

00:49:33,589 --> 00:49:32,160

my friend who have not

1288

00:49:36,470 --> 00:49:33,599

talked much

1289

00:49:41,349 --> 00:49:40,230

austin steinbach is a guy

1290

00:49:43,589 --> 00:49:41,359

um

1291

00:49:44,790 --> 00:49:43,599

it's q okay you know the q movement q

1292

00:49:47,750 --> 00:49:44,800

anon

1293

00:49:51,030 --> 00:49:47,760

uh yes i've heard of it

1294

00:49:55,270 --> 00:49:51,040

uh are you familiar with austin steinbar

1295

00:49:59,109 --> 00:49:57,190

okay well in the future

1296

00:50:01,430 --> 00:49:59,119

okay he's a

1297

00:50:03,109 --> 00:50:01,440

commander of some operation responsible

1298

00:50:05,910 --> 00:50:03,119

for the cue uh

1299

00:50:08,309 --> 00:50:05,920

q1 operation

1300

00:50:09,910 --> 00:50:08,319

and okay so i i

1301
00:50:11,190 --> 00:50:09,920
i want your audience to make their own

1302
00:50:13,109 --> 00:50:11,200
research okay

1303
00:50:14,230 --> 00:50:13,119
i'm just here to point

1304
00:50:16,950 --> 00:50:14,240
direction

1305
00:50:18,150 --> 00:50:16,960
where to focus okay so people need to

1306
00:50:20,549 --> 00:50:18,160
comprehend

1307
00:50:23,589 --> 00:50:20,559
what's going on okay there's been some

1308
00:50:25,030 --> 00:50:23,599
sort of a monarchy okay in the past you

1309
00:50:27,430 --> 00:50:25,040
you everyone

1310
00:50:29,910 --> 00:50:27,440
knows that they have been like enslaving

1311
00:50:32,150 --> 00:50:29,920
humanity for centuries and then

1312
00:50:34,069 --> 00:50:32,160
something happened it changed

1313
00:50:36,230 --> 00:50:34,079

it became something more political with

1314

00:50:39,510 --> 00:50:36,240

parties but they just dissolve and break

1315

00:50:41,990 --> 00:50:39,520

themselves into thousands of mechanisms

1316

00:50:44,230 --> 00:50:42,000

into commerce and such where they can

1317

00:50:45,750 --> 00:50:44,240

rip off their citizens

1318

00:50:48,150 --> 00:50:45,760

without the label

1319

00:50:49,510 --> 00:50:48,160

of the queen being responsible for it

1320

00:50:50,390 --> 00:50:49,520

you know

1321

00:50:53,190 --> 00:50:50,400

so

1322

00:50:55,589 --> 00:50:53,200

we're changing that mechanism

1323

00:50:57,109 --> 00:50:55,599

we're reverting upside down completely

1324

00:50:59,349 --> 00:50:57,119

and putting it

1325

00:51:01,910 --> 00:50:59,359

all celebrants all people are sovereign

1326

00:51:04,950 --> 00:51:01,920

here okay at the same level

1327

00:51:07,270 --> 00:51:04,960

and let's organize ourselves as such

1328

00:51:09,430 --> 00:51:07,280

and use technology to do so technology

1329

00:51:11,990 --> 00:51:09,440

is there okay so there's a lot of

1330

00:51:13,510 --> 00:51:12,000

talented people that we are calling okay

1331

00:51:15,270 --> 00:51:13,520

this is a call

1332

00:51:16,630 --> 00:51:15,280

for talented people that want to

1333

00:51:18,710 --> 00:51:16,640

participate

1334

00:51:19,510 --> 00:51:18,720

into such activities okay i'm telling

1335

00:51:25,190 --> 00:51:19,520

you

1336

00:51:27,750 --> 00:51:25,200

claim of the life okay

1337

00:51:30,710 --> 00:51:27,760

from that after that

1338

00:51:32,870 --> 00:51:30,720

tell yours tell yours talent tell your

1339

00:51:34,470 --> 00:51:32,880

your volition to contribute

1340

00:51:36,069 --> 00:51:34,480

in that process you'll have plenty of

1341

00:51:38,150 --> 00:51:36,079

opportunities

1342

00:51:41,589 --> 00:51:38,160

and we'll connect and we'll build those

1343

00:51:42,710 --> 00:51:41,599

system we'll build those structures okay

1344

00:51:43,670 --> 00:51:42,720

so again

1345

00:51:45,990 --> 00:51:43,680

uh

1346

00:51:47,990 --> 00:51:46,000

looking on the austin steinbar story it

1347

00:51:49,430 --> 00:51:48,000

brings a lot of light on

1348

00:51:52,230 --> 00:51:49,440

corruption

1349

00:51:54,230 --> 00:51:52,240

in the fiction world okay

1350

00:51:56,549 --> 00:51:54,240

a world that we're

1351
00:51:57,750 --> 00:51:56,559
replacing with alternatives with

1352
00:51:58,630 --> 00:51:57,760
technology

1353
00:52:00,710 --> 00:51:58,640
where

1354
00:52:02,069 --> 00:52:00,720
we are responsible

1355
00:52:05,270 --> 00:52:02,079
and sovereign

1356
00:52:06,309 --> 00:52:05,280
for our own affairs and we no longer

1357
00:52:08,630 --> 00:52:06,319
rely

1358
00:52:11,190 --> 00:52:08,640
on the a big external figure that take

1359
00:52:13,829 --> 00:52:11,200
care of us okay so

1360
00:52:16,309 --> 00:52:13,839
people have to change their mindset just

1361
00:52:17,190 --> 00:52:16,319
just real quick uh um yeah what what do

1362
00:52:19,270 --> 00:52:17,200
you have a

1363
00:52:21,030 --> 00:52:19,280

shorter name that i can call you by

1364

00:52:23,750 --> 00:52:21,040

because that was the same new paradigm

1365

00:52:26,710 --> 00:52:23,760

new paradigm can you even if it's a um

1366

00:52:28,390 --> 00:52:26,720

anonymous name no no no no mike okay

1367

00:52:30,230 --> 00:52:28,400

mike i just wanted to ask you so before

1368

00:52:32,549 --> 00:52:30,240

you continue i i think i know where

1369

00:52:35,430 --> 00:52:32,559

you're going with that so that's also

1370

00:52:37,030 --> 00:52:35,440

then under the certain assumption that

1371

00:52:38,950 --> 00:52:37,040

we are not

1372

00:52:41,190 --> 00:52:38,960

you mean that we're basically not

1373

00:52:43,510 --> 00:52:41,200

treated right by our respective

1374

00:52:45,349 --> 00:52:43,520

governments therefore we need to take

1375

00:52:49,109 --> 00:52:45,359

more action and become more sovereign is

1376

00:52:51,990 --> 00:52:50,230

well

1377

00:52:54,390 --> 00:52:52,000

at the end it's a it's a discovery of

1378

00:52:55,430 --> 00:52:54,400

the south and if people are sovereign in

1379

00:52:58,829 --> 00:52:55,440

themselves

1380

00:53:04,150 --> 00:53:02,390

to to um let's see resonate

1381

00:53:05,670 --> 00:53:04,160

with their own environment and they

1382

00:53:07,030 --> 00:53:05,680

would change their environment they will

1383

00:53:07,990 --> 00:53:07,040

change their habit they will change

1384

00:53:11,510 --> 00:53:08,000

their

1385

00:53:16,390 --> 00:53:14,630

as they are sovereign okay they will go

1386

00:53:19,190 --> 00:53:16,400

because they are the volition to do

1387

00:53:23,190 --> 00:53:19,200

something not because they are forced

1388

00:53:24,150 --> 00:53:23,200

by some another external figure that

1389

00:53:26,470 --> 00:53:24,160

like

1390

00:53:28,870 --> 00:53:26,480

have some pressure on on one

1391

00:53:30,470 --> 00:53:28,880

okay

1392

00:53:32,710 --> 00:53:30,480

so it's

1393

00:53:34,549 --> 00:53:32,720

because when people are under slavery

1394

00:53:36,230 --> 00:53:34,559

okay they go for let's say

1395

00:53:38,390 --> 00:53:36,240

for money so

1396

00:53:40,630 --> 00:53:38,400

so they have to to find money to survive

1397

00:53:43,430 --> 00:53:40,640

and it's always a

1398

00:53:45,750 --> 00:53:43,440

a troubled mind if occupy always reminds

1399

00:53:47,589 --> 00:53:45,760

you how to survive to survive to survive

1400

00:53:49,270 --> 00:53:47,599

okay but those

1401

00:53:51,270 --> 00:53:49,280

during that time

1402

00:53:53,750 --> 00:53:51,280

some those people are working working

1403

00:53:58,549 --> 00:53:53,760

working and all that energy is harvested

1404

00:54:02,150 --> 00:54:00,390

you mean sort of like corporations

1405

00:54:05,430 --> 00:54:02,160

because corporations i would view that

1406

00:54:06,390 --> 00:54:05,440

as almost like legal slavery

1407

00:54:10,710 --> 00:54:06,400

of course

1408

00:54:13,030 --> 00:54:10,720

into it with their own volition so

1409

00:54:14,790 --> 00:54:13,040

that's why it runs

1410

00:54:16,390 --> 00:54:14,800

but when people change their mind and

1411

00:54:17,670 --> 00:54:16,400

we're seeing it with the wave of change

1412

00:54:19,990 --> 00:54:17,680

on earth

1413

00:54:23,349 --> 00:54:21,589

we're seeing it and we're feeling it

1414

00:54:25,510 --> 00:54:23,359

most most people

1415

00:54:27,349 --> 00:54:25,520

that we could say

1416

00:54:29,670 --> 00:54:27,359

are a little bit sensitive

1417

00:54:31,670 --> 00:54:29,680

knows that there's a shift happening

1418

00:54:34,150 --> 00:54:31,680

right yeah and more people that were

1419

00:54:35,829 --> 00:54:34,160

less sensitive feel it too now

1420

00:54:37,030 --> 00:54:35,839

becoming obvious

1421

00:54:39,190 --> 00:54:37,040

and those

1422

00:54:42,230 --> 00:54:39,200

who were felt nothing they were none

1423

00:54:44,549 --> 00:54:42,240

those would be the last to feel it but

1424

00:54:46,069 --> 00:54:44,559

those who were on pill maybe for years

1425

00:54:48,630 --> 00:54:46,079

or so you know

1426
00:54:49,750 --> 00:54:48,640
people that couldn't face the changes of

1427
00:54:52,870 --> 00:54:49,760
reality

1428
00:54:55,510 --> 00:54:52,880
beforehand so they took some medical

1429
00:54:58,470 --> 00:54:55,520
sometimes uh

1430
00:55:00,150 --> 00:54:58,480
means to to cope with with their life

1431
00:55:02,230 --> 00:55:00,160
right anyway

1432
00:55:04,390 --> 00:55:02,240
uh

1433
00:55:07,349 --> 00:55:04,400
i want to say

1434
00:55:09,670 --> 00:55:07,359
thank you for your show people need to

1435
00:55:11,510 --> 00:55:09,680
take responsibility any responsibility

1436
00:55:13,910 --> 00:55:11,520
for the action

1437
00:55:15,190 --> 00:55:13,920
and there are solutions and i am

1438
00:55:18,549 --> 00:55:15,200

pointing you

1439

00:55:20,470 --> 00:55:18,559

toward the queue team the quantum party

1440

00:55:22,309 --> 00:55:20,480

building political

1441

00:55:24,950 --> 00:55:22,319

party

1442

00:55:26,630 --> 00:55:24,960

but i would say political a mean for

1443

00:55:29,750 --> 00:55:26,640

citizens okay

1444

00:55:32,870 --> 00:55:29,760

to engage in a new form of democracy

1445

00:55:35,349 --> 00:55:32,880

where there's a referendum for any ideas

1446

00:55:37,750 --> 00:55:35,359

that you can come up with

1447

00:55:39,829 --> 00:55:37,760

right let's talk about those great ideas

1448

00:55:43,270 --> 00:55:39,839

together and build a society we want to

1449

00:55:45,510 --> 00:55:43,280

create so i'm here to catalyze that

1450

00:55:47,990 --> 00:55:45,520

and i'm calling there your crowd if they

1451
00:55:49,750 --> 00:55:48,000
are talented and want to join in get

1452
00:55:51,910 --> 00:55:49,760
your claim of the life

1453
00:55:54,069 --> 00:55:51,920
find austin steinbach

1454
00:55:56,230 --> 00:55:54,079
get educated about knowledge about

1455
00:55:58,789 --> 00:55:56,240
whatever date those two

1456
00:56:00,309 --> 00:55:58,799
brings in the world okay

1457
00:56:06,549 --> 00:56:00,319
and

1458
00:56:09,109 --> 00:56:06,559
think it's very a good time for humanity

1459
00:56:11,990 --> 00:56:09,119
that we are in uh we have to prepare for

1460
00:56:13,910 --> 00:56:12,000
contact i feel i am doing so

1461
00:56:16,069 --> 00:56:13,920
uh we're not ready yet with those

1462
00:56:18,150 --> 00:56:16,079
political system in place it's all

1463
00:56:21,270 --> 00:56:18,160

corrupt okay

1464

00:56:22,230 --> 00:56:21,280

we cannot rely on them to engage contact

1465

00:56:25,190 --> 00:56:22,240

but

1466

00:56:28,069 --> 00:56:25,200

on blockchain we can have a voice where

1467

00:56:29,829 --> 00:56:28,079

your voice is part of a humanity

1468

00:56:35,829 --> 00:56:29,839

no

1469

00:56:38,309 --> 00:56:35,839

okay so it's like a referendum for world

1470

00:56:39,510 --> 00:56:38,319

or for any scale or for any group it

1471

00:56:41,349 --> 00:56:39,520

could be your

1472

00:56:43,349 --> 00:56:41,359

your uh book club

1473

00:56:45,190 --> 00:56:43,359

you could have a little democracy

1474

00:56:46,870 --> 00:56:45,200

system for your little book club or any

1475

00:56:47,990 --> 00:56:46,880

group side it could be your nation it

1476
00:56:49,829 --> 00:56:48,000
could be your

1477
00:56:51,349 --> 00:56:49,839
county or

1478
00:56:53,910 --> 00:56:51,359
continent or

1479
00:56:55,910 --> 00:56:53,920
right you know science group or whatever

1480
00:56:58,470 --> 00:56:55,920
and so those groups are colleagues and

1481
00:56:59,349 --> 00:56:58,480
networks and those connecting networks

1482
00:57:01,589 --> 00:56:59,359
okay

1483
00:57:02,950 --> 00:57:01,599
some networks are thousands years of

1484
00:57:04,390 --> 00:57:02,960
knowledge

1485
00:57:06,390 --> 00:57:04,400
okay some

1486
00:57:09,430 --> 00:57:06,400
so it's very rich and

1487
00:57:11,510 --> 00:57:09,440
the preparation of contact needs to

1488
00:57:14,309 --> 00:57:11,520

needs your cure okay so

1489

00:57:16,069 --> 00:57:14,319

let's say there's a little um

1490

00:57:18,630 --> 00:57:16,079

amber i'm

1491

00:57:20,470 --> 00:57:18,640

i'm pushing here oxygen on it to make it

1492

00:57:21,510 --> 00:57:20,480

a little flamethrough that's what i'm

1493

00:57:24,549 --> 00:57:21,520

here for

1494

00:57:26,630 --> 00:57:24,559

catalyzing what's happening

1495

00:57:27,430 --> 00:57:26,640

so let's uh

1496

00:57:30,230 --> 00:57:27,440

let's

1497

00:57:31,270 --> 00:57:30,240

go for contact slowly

1498

00:57:34,549 --> 00:57:31,280

carefully

1499

00:57:36,710 --> 00:57:34,559

so we avoid some prejudices

1500

00:57:38,710 --> 00:57:36,720

okay well thank you for appreciating i

1501

00:57:42,549 --> 00:57:38,720

mean i certainly would you know i always

1502

00:57:44,230 --> 00:57:42,559

encourage messages that uh you know help

1503

00:57:45,990 --> 00:57:44,240

help or encourage people to get out of

1504

00:57:48,390 --> 00:57:46,000

what i you know called the victimhood

1505

00:57:50,069 --> 00:57:48,400

mentality because there's nothing worse

1506

00:57:51,430 --> 00:57:50,079

you know there's nothing worse than

1507

00:57:53,510 --> 00:57:51,440

thinking you have

1508

00:57:56,150 --> 00:57:53,520

no options no choice you know there's

1509

00:57:57,430 --> 00:57:56,160

always one and each one will you know

1510

00:58:00,390 --> 00:57:57,440

give you that

1511

00:58:03,349 --> 00:58:00,400

small sliver of hope that there isn't a

1512

00:58:04,789 --> 00:58:03,359

strength you see it take it move on to

1513

00:58:06,630 --> 00:58:04,799

the next thing and the next thing and

1514

00:58:08,630 --> 00:58:06,640

the next thing to just get them out of

1515

00:58:10,390 --> 00:58:08,640

that so whether it would be

1516

00:58:12,870 --> 00:58:10,400

you know what you were talking about

1517

00:58:14,470 --> 00:58:12,880

reclaiming your sovereignty or as i like

1518

00:58:16,069 --> 00:58:14,480

to call it getting out of victimhood

1519

00:58:18,069 --> 00:58:16,079

mentality i think it's it's pretty much

1520

00:58:20,789 --> 00:58:18,079

the one and the same yeah just you know

1521

00:58:23,589 --> 00:58:20,799

different different um principles but

1522

00:58:25,750 --> 00:58:23,599

well uh like is it right

1523

00:58:27,910 --> 00:58:25,760

yes on a final thought yes about

1524

00:58:30,230 --> 00:58:27,920

getting rid of the victimhood mentality

1525

00:58:31,030 --> 00:58:30,240

there's a very good handbook that is

1526
00:58:33,349 --> 00:58:31,040
called

1527
00:58:35,510 --> 00:58:33,359
coincidentally or not

1528
00:58:37,750 --> 00:58:35,520
the end book for the new paradigm okay

1529
00:58:38,870 --> 00:58:37,760
and it's available on blockchain whereas

1530
00:58:41,990 --> 00:58:38,880
it cannot be

1531
00:58:43,829 --> 00:58:42,000
deleted from power that won't control

1532
00:58:45,750 --> 00:58:43,839
you know information out there so

1533
00:58:47,430 --> 00:58:45,760
blockchain blogs

1534
00:58:49,349 --> 00:58:47,440
technology that's that's kind of cool

1535
00:58:51,910 --> 00:58:49,359
because you can publish and it will stay

1536
00:58:52,789 --> 00:58:51,920
there if forever so there's that book

1537
00:58:54,150 --> 00:58:52,799
there

1538
00:58:56,390 --> 00:58:54,160

uh

1539

00:58:59,109 --> 00:58:56,400

on i've blockchain it's called the

1540

00:59:00,789 --> 00:58:59,119

handbook for the new paradigm and also i

1541

00:59:03,750 --> 00:59:00,799

want to point out that

1542

00:59:05,910 --> 00:59:03,760

blockchains evolves okay so there's many

1543

00:59:07,349 --> 00:59:05,920

like bitcoin has been discussed earlier

1544

00:59:08,789 --> 00:59:07,359

that was let's say

1545

00:59:10,390 --> 00:59:08,799

first generation

1546

00:59:12,309 --> 00:59:10,400

but since

1547

00:59:15,030 --> 00:59:12,319

there was a lot of problems with it so

1548

00:59:16,870 --> 00:59:15,040

there was a like solution brought to it

1549

00:59:19,670 --> 00:59:16,880

so let's say a second generation third

1550

00:59:20,950 --> 00:59:19,680

two to two and now we are like many many

1551
00:59:22,789 --> 00:59:20,960
many

1552
00:59:25,109 --> 00:59:22,799
dozens of iteration

1553
00:59:27,990 --> 00:59:25,119
of evolution

1554
00:59:30,069 --> 00:59:28,000
of blockchain okay and the latest one i

1555
00:59:33,030 --> 00:59:30,079
want to bring your attention on is the

1556
00:59:34,470 --> 00:59:33,040
one where i've been pushing a bit of

1557
00:59:36,150 --> 00:59:34,480
information

1558
00:59:37,990 --> 00:59:36,160
about contact preparing people for

1559
00:59:40,390 --> 00:59:38,000
contact bringing attention about russell

1560
00:59:44,950 --> 00:59:40,400
j gold and austin's time bar okay so you

1561
00:59:48,870 --> 00:59:46,630
at the

1562
00:59:51,270 --> 00:59:48,880
new paradigm tt for

1563
00:59:55,109 --> 00:59:51,280

that's that's for new paradigm tank okay

1564

00:59:57,349 --> 00:59:55,119

so a new paradigm tt that's the handle

1565

00:59:58,710 --> 00:59:57,359

in the blur dot blog

1566

01:00:01,510 --> 00:59:58,720

blockchain

1567

01:00:02,470 --> 01:00:01,520

so i invite your audience to have a look

1568

01:00:07,910 --> 01:00:02,480

and

1569

01:00:10,069 --> 01:00:07,920

knowledge hey wisdom for me is

1570

01:00:12,069 --> 01:00:10,079

applied knowledge okay it's not always

1571

01:00:15,030 --> 01:00:12,079

easy sometimes it takes many

1572

01:00:17,030 --> 01:00:15,040

opportunities that we are an opportunity

1573

01:00:18,630 --> 01:00:17,040

our opportunity arise and you miss it oh

1574

01:00:21,109 --> 01:00:18,640

you will come back

1575

01:00:23,190 --> 01:00:21,119

trust life it will come back so the

1576

01:00:24,230 --> 01:00:23,200

opportunity right comes again

1577

01:00:26,710 --> 01:00:24,240

sometimes

1578

01:00:28,150 --> 01:00:26,720

it signals a little bit stronger maybe

1579

01:00:29,589 --> 01:00:28,160

and sometimes they may hit you in the

1580

01:00:32,470 --> 01:00:29,599

face okay

1581

01:00:33,750 --> 01:00:32,480

so better be wise and apply knowledge

1582

01:00:35,829 --> 01:00:33,760

when it's time

1583

01:00:36,630 --> 01:00:35,839

and

1584

01:00:39,030 --> 01:00:36,640

uh

1585

01:00:41,349 --> 01:00:39,040

that's why i decided to

1586

01:00:43,829 --> 01:00:41,359

to to raise my hand today because i felt

1587

01:00:47,030 --> 01:00:43,839

called to call to talk that i had a

1588

01:00:48,150 --> 01:00:47,040

message and now it has been out i'm glad

1589

01:00:49,910 --> 01:00:48,160

i did

1590

01:00:51,589 --> 01:00:49,920

so happy

1591

01:00:54,950 --> 01:00:51,599

happy night to everyone

1592

01:00:57,510 --> 01:00:54,960

um 2022 will be awesome it is all really

1593

01:00:59,990 --> 01:00:57,520

awesome so good night everyone thanks a

1594

01:01:01,670 --> 01:01:00,000

lot for your show again bye-bye

1595

01:01:03,670 --> 01:01:01,680

great well thank you very much you know

1596

01:01:05,190 --> 01:01:03,680

for for chiming in and sharing all this

1597

01:01:07,190 --> 01:01:05,200

great information i

1598

01:01:09,270 --> 01:01:07,200

those that check it out i hope they get

1599

01:01:11,510 --> 01:01:09,280

something from it but uh thanks again

1600

01:01:12,870 --> 01:01:11,520

and i hope you uh chime in in the future

1601
01:01:15,910 --> 01:01:12,880
again

1602
01:01:19,349 --> 01:01:15,920
so paulie i'm uh

1603
01:01:21,030 --> 01:01:19,359
switching over to you

1604
01:01:23,190 --> 01:01:21,040
you are

1605
01:01:25,750 --> 01:01:23,200
a mute yourself on your end and uh you

1606
01:01:27,349 --> 01:01:25,760
should be able to talk to me

1607
01:01:28,950 --> 01:01:27,359
hey everybody

1608
01:01:32,549 --> 01:01:28,960
uh hey how are you good to hear this

1609
01:01:35,030 --> 01:01:32,559
show back i'm well well 2022 is starting

1610
01:01:37,190 --> 01:01:35,040
up to a good year i agree and uh that

1611
01:01:39,030 --> 01:01:37,200
last guy talking uh

1612
01:01:40,549 --> 01:01:39,040
i didn't i didn't know there was uh

1613
01:01:42,950 --> 01:01:40,559

blogs on the blockchain that's pretty

1614

01:01:44,230 --> 01:01:42,960

neat i'm gonna look it up i uh

1615

01:01:45,990 --> 01:01:44,240

you know i imagine people that are

1616

01:01:47,670 --> 01:01:46,000

interested in some of these topics

1617

01:01:49,829 --> 01:01:47,680

probably

1618

01:01:51,270 --> 01:01:49,839

cross-correlate with the crypto world so

1619

01:01:52,309 --> 01:01:51,280

i wouldn't be surprised if a lot of

1620

01:01:54,710 --> 01:01:52,319

people

1621

01:01:56,710 --> 01:01:54,720

are interested but um well you can post

1622

01:01:57,750 --> 01:01:56,720

almost anything on blockchain you know

1623

01:02:00,150 --> 01:01:57,760

just

1624

01:02:02,870 --> 01:02:00,160

secure it out there unless somebody cuts

1625

01:02:07,430 --> 01:02:05,670

yeah but uh you mentioned years ago

1626
01:02:09,349 --> 01:02:07,440
someone was telling you about bitcoin

1627
01:02:10,950 --> 01:02:09,359
and you're like i'll get to it later or

1628
01:02:11,829 --> 01:02:10,960
whatever and you wish you paid attention

1629
01:02:13,750 --> 01:02:11,839
but

1630
01:02:16,549 --> 01:02:13,760
hey i got one word i i'll throw out

1631
01:02:18,230 --> 01:02:16,559
there if anyone's listening i found it

1632
01:02:20,470 --> 01:02:18,240
about a year ago and i think it's really

1633
01:02:22,470 --> 01:02:20,480
neat uniswap so

1634
01:02:23,829 --> 01:02:22,480
uniswap so

1635
01:02:28,710 --> 01:02:23,839
it's a

1636
01:02:29,829 --> 01:02:28,720
but not the coin that you can buy called

1637
01:02:31,589 --> 01:02:29,839
uniswap

1638
01:02:34,710 --> 01:02:31,599

now i'm talking about the technology

1639

01:02:37,430 --> 01:02:34,720

what it is it's pretty neat but um

1640

01:02:39,910 --> 01:02:37,440

my back to the main topic uh nils was

1641

01:02:42,710 --> 01:02:39,920

uh pretty interesting and i see he's

1642

01:02:44,549 --> 01:02:42,720

still in the call and i was wondering he

1643

01:02:47,190 --> 01:02:44,559

mentioned ce5

1644

01:02:49,670 --> 01:02:47,200

and i've always wanted to hear

1645

01:02:50,789 --> 01:02:49,680

a little bit about people's experiences

1646

01:02:53,750 --> 01:02:50,799

there

1647

01:02:56,470 --> 01:02:53,760

if it needs to be because i looked into

1648

01:02:57,990 --> 01:02:56,480

doing it i read i read i think

1649

01:03:00,309 --> 01:02:58,000

one of the manuals

1650

01:03:02,870 --> 01:03:00,319

but it seemed like you need a big group

1651

01:03:05,029 --> 01:03:02,880

and i'm not sure i have

1652

01:03:06,230 --> 01:03:05,039

people that would be interested in that

1653

01:03:07,990 --> 01:03:06,240

so i was wondering if that's something

1654

01:03:09,349 --> 01:03:08,000

you could do in your own

1655

01:03:11,349 --> 01:03:09,359

stuff like that

1656

01:03:13,190 --> 01:03:11,359

well i mean um i want to give you the

1657

01:03:15,029 --> 01:03:13,200

opportunity to talk and share about

1658

01:03:16,950 --> 01:03:15,039

whatever you like but he just raised his

1659

01:03:18,470 --> 01:03:16,960

hand so if you want him to come on and

1660

01:03:20,150 --> 01:03:18,480

tell you a little bit if not i'll let

1661

01:03:22,069 --> 01:03:20,160

you keep on talking

1662

01:03:23,990 --> 01:03:22,079

and uh one more thing someone was asking

1663

01:03:26,069 --> 01:03:24,000

about dmt i

1664

01:03:27,910 --> 01:03:26,079

i don't want to steer it in that

1665

01:03:30,630 --> 01:03:27,920

direction but we have no specific

1666

01:03:33,109 --> 01:03:30,640

direction go in any direction you like

1667

01:03:35,670 --> 01:03:33,119

but if someone had questions about that

1668

01:03:38,630 --> 01:03:35,680

they could uh ask it and maybe i could

1669

01:03:41,750 --> 01:03:38,640

respond i have some experience and

1670

01:03:44,309 --> 01:03:41,760

it uh it lives up to its reputation yeah

1671

01:03:47,349 --> 01:03:44,319

i think the question the question was by

1672

01:03:50,789 --> 01:03:47,359

um asked by robert and he was asking uh

1673

01:03:53,029 --> 01:03:50,799

a person on dmt and one that is not

1674

01:03:54,150 --> 01:03:53,039

if there was a ufo in the sky would they

1675

01:03:57,430 --> 01:03:54,160

both see

1676

01:04:00,549 --> 01:03:57,440

the same ufo i think that's what that's

1677

01:04:02,710 --> 01:04:00,559

what the question was uh i've done

1678

01:04:07,670 --> 01:04:02,720

i've done a handful of ceremonies in a

1679

01:04:09,750 --> 01:04:07,680

controlled environment with a shaman um

1680

01:04:11,510 --> 01:04:09,760

you see a lot of things and when people

1681

01:04:13,910 --> 01:04:11,520

share stories they see a lot of weird

1682

01:04:15,670 --> 01:04:13,920

things and sometimes you see things

1683

01:04:17,589 --> 01:04:15,680

other people can see too

1684

01:04:19,510 --> 01:04:17,599

and i've had

1685

01:04:21,670 --> 01:04:19,520

ufo sightings

1686

01:04:23,349 --> 01:04:21,680

actually the same one happen

1687

01:04:25,430 --> 01:04:23,359

either the day

1688

01:04:28,549 --> 01:04:25,440

later in the day when i'm straight or

1689

01:04:30,789 --> 01:04:28,559

the next day and i'll know to look up so

1690

01:04:32,390 --> 01:04:30,799

i don't know what that's about but i've

1691

01:04:34,470 --> 01:04:32,400

i've seen the same

1692

01:04:36,950 --> 01:04:34,480

same thing like either

1693

01:04:38,829 --> 01:04:36,960

you know a day later or i don't know

1694

01:04:41,430 --> 01:04:38,839

what that's about

1695

01:04:43,270 --> 01:04:41,440

it's too complicated for me to

1696

01:04:45,670 --> 01:04:43,280

understand but if someone were

1697

01:04:48,230 --> 01:04:45,680

interested and and they're on telegram

1698

01:04:49,750 --> 01:04:48,240

they can dm me and i can go into it a

1699

01:04:51,270 --> 01:04:49,760

little bit but i don't feel like talking

1700

01:04:55,670 --> 01:04:51,280

right now

1701

01:04:58,870 --> 01:04:57,750

um but if i think nils was going to

1702

01:05:00,150 --> 01:04:58,880

respond

1703

01:05:02,549 --> 01:05:00,160

well no

1704

01:05:03,510 --> 01:05:02,559

you have the floor so it's all about you

1705

01:05:05,349 --> 01:05:03,520

right now

1706

01:05:08,950 --> 01:05:05,359

so i was asking you if you would like

1707

01:05:11,270 --> 01:05:08,960

him to come on to tell you about ce5

1708

01:05:13,510 --> 01:05:11,280

yeah okay you do i've been very

1709

01:05:14,710 --> 01:05:13,520

interested in a long time and i think

1710

01:05:15,829 --> 01:05:14,720

other people might find it neat if

1711

01:05:17,270 --> 01:05:15,839

they've never heard about it maybe we

1712

01:05:18,870 --> 01:05:17,280

could hear and i might have some

1713

01:05:21,430 --> 01:05:18,880

questions about that

1714

01:05:23,910 --> 01:05:21,440

okay well so um here's what i ask i will

1715

01:05:25,750 --> 01:05:23,920

leave you unmuted so you can uh just

1716

01:05:27,349 --> 01:05:25,760

make sure you mute yourself so that we

1717

01:05:29,349 --> 01:05:27,359

don't hear any background noise or

1718

01:05:32,069 --> 01:05:29,359

anything like that i'd appreciate it but

1719

01:05:34,710 --> 01:05:32,079

yeah i'll let you uh basically i'll i'll

1720

01:05:36,390 --> 01:05:34,720

mute him and then you chime in and you

1721

01:05:38,870 --> 01:05:36,400

guys chat because whatever you guys

1722

01:05:40,710 --> 01:05:38,880

discuss and work out everyone else

1723

01:05:44,069 --> 01:05:40,720

listening and watching you know it will

1724

01:05:48,230 --> 01:05:44,079

benefit them too uh niels you're unmuted

1725

01:05:51,430 --> 01:05:50,150

there's definitely a shaman has to help

1726

01:05:52,870 --> 01:05:51,440

you and it's incredible because you

1727

01:05:55,349 --> 01:05:52,880

purge after

1728

01:05:57,109 --> 01:05:55,359

uh 30 minutes uh

1729

01:05:59,910 --> 01:05:57,119

and then you go into it's different for

1730

01:06:01,990 --> 01:05:59,920

everybody um in terms of c5

1731

01:06:03,910 --> 01:06:02,000

you don't have to really be in a group

1732

01:06:05,430 --> 01:06:03,920

um just real quick uh you're a bit too

1733

01:06:06,630 --> 01:06:05,440

close to the mic is there any way you

1734

01:06:07,990 --> 01:06:06,640

can just give it a little bit of

1735

01:06:11,750 --> 01:06:08,000

distance because there's a lot of that

1736

01:06:15,270 --> 01:06:11,760

um a win that uh uh breath hitting that

1737

01:06:17,109 --> 01:06:15,280

mic i understand i understand uh so

1738

01:06:18,630 --> 01:06:17,119

if uh

1739

01:06:20,549 --> 01:06:18,640

yeah you don't have to do it a group but

1740

01:06:23,270 --> 01:06:20,559

you don't have to use lasers this is a

1741

01:06:24,630 --> 01:06:23,280

personal spiritual experience with you

1742

01:06:26,789 --> 01:06:24,640

your spirit

1743

01:06:28,230 --> 01:06:26,799

you know your higher self

1744

01:06:30,710 --> 01:06:28,240

so

1745

01:06:33,270 --> 01:06:30,720

um i really don't think it's uh

1746

01:06:35,349 --> 01:06:33,280

necessary you know

1747

01:06:37,589 --> 01:06:35,359

to be in that group just if you

1748

01:06:39,990 --> 01:06:37,599

if you want to do it just do it your own

1749

01:06:41,829 --> 01:06:40,000

and i suggest doing in nature

1750

01:06:43,430 --> 01:06:41,839

um you know wait for everybody else just

1751

01:06:45,829 --> 01:06:43,440

do your own thing

1752

01:06:47,990 --> 01:06:45,839

that's when uh you know you'll have you

1753

01:06:50,230 --> 01:06:48,000

may have your experience you may have

1754

01:06:53,510 --> 01:06:50,240

incredible light ships coming down to

1755

01:06:57,670 --> 01:06:54,630

yeah

1756

01:07:00,390 --> 01:06:57,680

do you have to go to a remote place or

1757

01:07:02,230 --> 01:07:00,400

do you have to be there all night or

1758

01:07:02,560 --> 01:07:02,240

during the day can you do it like what

1759

01:07:03,910 --> 01:07:02,570

do you

1760

01:07:05,829 --> 01:07:03,920

[Music]

1761

01:07:07,589 --> 01:07:05,839

think certain parts maybe in the country

1762

01:07:10,549 --> 01:07:07,599

maybe you gotta be

1763

01:07:12,789 --> 01:07:10,559

yeah like out nature and places like uh

1764

01:07:16,150 --> 01:07:12,799

a lot of mine happen uh

1765

01:07:19,510 --> 01:07:16,160

in the night sky right like i have seen

1766

01:07:21,109 --> 01:07:19,520

a cylinder object at about 100 feet

1767

01:07:23,750 --> 01:07:21,119

uh stationary

1768

01:07:25,750 --> 01:07:23,760

a hundred thousand feet stationary

1769

01:07:28,390 --> 01:07:25,760

uh it was like a tube like and then just

1770

01:07:30,230 --> 01:07:28,400

vanished faster than light switched off

1771

01:07:31,270 --> 01:07:30,240

i watched it for about five minutes so i

1772

01:07:33,270 --> 01:07:31,280

mean

1773

01:07:36,789 --> 01:07:33,280

in terms of c5 usually half my

1774

01:07:41,349 --> 01:07:38,470

you know with a

1775

01:07:43,750 --> 01:07:41,359

beautiful night sky

1776

01:07:44,789 --> 01:07:43,760

but you know i've i've seen one in a

1777

01:07:46,710 --> 01:07:44,799

field

1778

01:07:48,069 --> 01:07:46,720

pretty sure it was uh

1779

01:07:49,430 --> 01:07:48,079

it was it

1780

01:07:52,230 --> 01:07:49,440

was landed

1781

01:07:54,829 --> 01:07:52,240

um in uh in a forest line

1782

01:07:58,150 --> 01:07:54,839

and anyways

1783

01:07:59,029 --> 01:07:58,160

so but you mentioned you saw beings was

1784

01:08:06,230 --> 01:07:59,039

that

1785

01:08:08,789 --> 01:08:06,240

this is this is in

1786

01:08:10,950 --> 01:08:08,799

yeah so i'll tell you what happened

1787

01:08:12,710 --> 01:08:10,960

oh and i didn't do c5 or anything what

1788

01:08:15,670 --> 01:08:12,720

happened was um

1789

01:08:18,149 --> 01:08:15,680

that was a cottage and uh

1790

01:08:19,749 --> 01:08:18,159

a bunch of us uh wanted to go for a

1791

01:08:21,669 --> 01:08:19,759

walks or walking

1792

01:08:25,430 --> 01:08:21,679

along the beach

1793

01:08:28,390 --> 01:08:25,440

and uh all of a sudden um

1794

01:08:29,910 --> 01:08:28,400

all my friends stop

1795

01:08:31,990 --> 01:08:29,920

and

1796

01:08:34,709 --> 01:08:32,000

i

1797

01:08:36,709 --> 01:08:34,719

wondered why and long story short they

1798

01:08:38,709 --> 01:08:36,719

were nine feet tall and

1799

01:08:41,349 --> 01:08:38,719

they had very large eyes with all kinds

1800

01:08:42,709 --> 01:08:41,359

of different colors uh a multitude of

1801
01:08:46,070 --> 01:08:42,719
colors

1802
01:08:48,070 --> 01:08:46,080
and uh you know wearing black thin suits

1803
01:08:49,910 --> 01:08:48,080
so

1804
01:08:56,070 --> 01:08:49,920
it's real

1805
01:08:59,430 --> 01:08:57,510
ever since i started kind of getting

1806
01:09:01,430 --> 01:08:59,440
into this stuff

1807
01:09:03,110 --> 01:09:01,440
i i'm not gonna lie my meditations are

1808
01:09:06,550 --> 01:09:03,120
getting a lot more interesting so i've

1809
01:09:07,910 --> 01:09:06,560
been meditating for years but now

1810
01:09:11,349 --> 01:09:07,920
i don't know

1811
01:09:12,789 --> 01:09:11,359
things are coming through energies

1812
01:09:14,709 --> 01:09:12,799
visuals

1813
01:09:16,149 --> 01:09:14,719

my dreams sometimes

1814

01:09:18,789 --> 01:09:16,159

i don't know

1815

01:09:20,870 --> 01:09:18,799

do you have

1816

01:09:23,349 --> 01:09:20,880

any insight on

1817

01:09:25,590 --> 01:09:23,359

can i uh just i'm certain to interrupt

1818

01:09:27,269 --> 01:09:25,600

paulie well give me i i interrupt your

1819

01:09:29,189 --> 01:09:27,279

mid-sentence i just want to get this out

1820

01:09:30,309 --> 01:09:29,199

of the way and then you know please ask

1821

01:09:33,189 --> 01:09:30,319

it again

1822

01:09:35,349 --> 01:09:33,199

i hate to be like mr obvious here but um

1823

01:09:36,789 --> 01:09:35,359

sometimes uh i've actually when i was

1824

01:09:38,950 --> 01:09:36,799

talking to a friend of mine they're

1825

01:09:41,189 --> 01:09:38,960

talking about you know

1826

01:09:42,789 --> 01:09:41,199

how do i do this how do i do that

1827

01:09:45,669 --> 01:09:42,799

and i had to kind of i don't know why

1828

01:09:47,510 --> 01:09:45,679

sometimes i become like you know snarky

1829

01:09:49,669 --> 01:09:47,520

sometimes i just you know like these

1830

01:09:51,590 --> 01:09:49,679

quick witty things it's like

1831

01:09:53,510 --> 01:09:51,600

if you intend to walk

1832

01:09:54,470 --> 01:09:53,520

then you have to literally get up and

1833

01:09:56,310 --> 01:09:54,480

walk

1834

01:09:59,189 --> 01:09:56,320

you know if you sit there and thinking

1835

01:10:00,070 --> 01:09:59,199

about walking it's not walking right and

1836

01:10:01,830 --> 01:10:00,080

so

1837

01:10:04,550 --> 01:10:01,840

you know i broke it down and quite

1838

01:10:06,310 --> 01:10:04,560

literally in those physical terms

1839

01:10:07,669 --> 01:10:06,320

to where you know everyone's like how do

1840

01:10:09,510 --> 01:10:07,679

i go about this while i was thinking

1841

01:10:11,510 --> 01:10:09,520

about talking you know trying to contact

1842

01:10:12,630 --> 01:10:11,520

aliens or all this other stuff it's like

1843

01:10:15,030 --> 01:10:12,640

you know

1844

01:10:18,229 --> 01:10:15,040

you it's it's simple as that it's like

1845

01:10:20,950 --> 01:10:18,239

if you say i need to walk here or i need

1846

01:10:22,470 --> 01:10:20,960

to go if you're not up and walking and

1847

01:10:25,189 --> 01:10:22,480

actually doing it you're not doing it

1848

01:10:26,870 --> 01:10:25,199

period you know and so i just want to

1849

01:10:28,870 --> 01:10:26,880

put that out there i'm sorry for being

1850

01:10:30,870 --> 01:10:28,880

mr obvious here but um i just thought it

1851
01:10:32,790 --> 01:10:30,880
was fitting regarding things you were

1852
01:10:35,030 --> 01:10:32,800
talking about it wasn't a criticism for

1853
01:10:37,510 --> 01:10:35,040
viewers just anyone else listening that

1854
01:10:38,950 --> 01:10:37,520
you know that when you start meditating

1855
01:10:40,870 --> 01:10:38,960
when you start doing these different

1856
01:10:43,030 --> 01:10:40,880
things you are literally going into the

1857
01:10:44,790 --> 01:10:43,040
direction you want so it's no wonder you

1858
01:10:46,790 --> 01:10:44,800
know things are happening or or coming

1859
01:10:50,390 --> 01:10:46,800
together for you so anyway i'm sorry to

1860
01:10:57,430 --> 01:10:53,430
yeah that's good advice

1861
01:11:00,229 --> 01:10:57,440
what was that uh you said you be ubisoft

1862
01:11:06,390 --> 01:11:02,950
oh for the crypto unit swap it's got a

1863
01:11:09,270 --> 01:11:06,400

little unicorn it's just a way where

1864

01:11:12,870 --> 01:11:09,280

you can transact things through the blo

1865

01:11:15,910 --> 01:11:12,880

i'll dm you about it but um yeah i was i

1866

01:11:19,750 --> 01:11:15,920

was wondering if anybody listening has

1867

01:11:21,030 --> 01:11:19,760

so cause some of these topics

1868

01:11:24,229 --> 01:11:21,040

kind of um

1869

01:11:26,390 --> 01:11:24,239

get into people having also experiences

1870

01:11:28,470 --> 01:11:26,400

in the dream state so they

1871

01:11:30,950 --> 01:11:28,480

go to bed and they have these

1872

01:11:33,030 --> 01:11:30,960

dreams or lucid dreams or astral stuff

1873

01:11:35,189 --> 01:11:33,040

going on or they feel like they've made

1874

01:11:37,590 --> 01:11:35,199

contact that way

1875

01:11:39,110 --> 01:11:37,600

which is interesting but that doesn't

1876

01:11:41,189 --> 01:11:39,120

kind of get

1877

01:11:43,510 --> 01:11:41,199

picked up in the mainstream or like you

1878

01:11:45,270 --> 01:11:43,520

know it's not as uh but talked about

1879

01:11:47,430 --> 01:11:45,280

maybe it's not as yeah people don't talk

1880

01:11:49,350 --> 01:11:47,440

about it it's just a dream maybe kids

1881

01:11:50,390 --> 01:11:49,360

have it a lot more i was wondering if

1882

01:11:55,510 --> 01:11:50,400

anybody

1883

01:11:57,830 --> 01:11:55,520

about that

1884

01:11:59,350 --> 01:11:57,840

but if not that's that's it for me

1885

01:12:00,709 --> 01:11:59,360

thanks i think it's all i think it's all

1886

01:12:01,510 --> 01:12:00,719

possible right

1887

01:12:05,510 --> 01:12:01,520

you're

1888

01:12:06,870 --> 01:12:05,520

of you know that's interesting i've

1889

01:12:08,950 --> 01:12:06,880

heard that before

1890

01:12:10,630 --> 01:12:08,960

so uh i think it's just all about

1891

01:12:12,070 --> 01:12:10,640

sharing the information

1892

01:12:14,630 --> 01:12:12,080

and uh

1893

01:12:16,390 --> 01:12:14,640

letting everybody uh become aware and

1894

01:12:18,310 --> 01:12:16,400

really ascend and advance you know

1895

01:12:19,910 --> 01:12:18,320

develop their consciousness

1896

01:12:21,590 --> 01:12:19,920

and to oh nothing i want to say to

1897

01:12:23,270 --> 01:12:21,600

everybody like

1898

01:12:24,950 --> 01:12:23,280

the blockchain and all this stuff like

1899

01:12:26,630 --> 01:12:24,960

you still have to work hard still have

1900

01:12:28,229 --> 01:12:26,640

to be disciplined all those things right

1901

01:12:29,830 --> 01:12:28,239

you have to invest and

1902

01:12:31,350 --> 01:12:29,840

have your investments everywhere you can

1903

01:12:33,189 --> 01:12:31,360

shoot up real estate

1904

01:12:35,669 --> 01:12:33,199

and so forth you know don't just go all

1905

01:12:40,390 --> 01:12:35,679

in one thing

1906

01:12:44,709 --> 01:12:42,310

i'm out of here

1907

01:12:46,870 --> 01:12:44,719

all right well thank you thank you niels

1908

01:12:48,870 --> 01:12:46,880

paulie can i ask you a quick question uh

1909

01:12:52,149 --> 01:12:48,880

did you say you are in missouri or are

1910

01:12:55,750 --> 01:12:54,390

yeah i'm missouri and i'll i'm going to

1911

01:12:58,070 --> 01:12:55,760

check out the conference you were

1912

01:13:00,550 --> 01:12:58,080

talking about because it's a short drive

1913

01:13:02,470 --> 01:13:00,560

so oh right uh

1914

01:13:04,550 --> 01:13:02,480

well no the reason why i was asking is i

1915

01:13:06,790 --> 01:13:04,560

was if you are i haven't been in touch

1916

01:13:08,550 --> 01:13:06,800

with anyone from saint louis i thought

1917

01:13:10,550 --> 01:13:08,560

you for some reason i thought you were

1918

01:13:11,350 --> 01:13:10,560

and i wanted to ask whatever happened to

1919

01:13:14,709 --> 01:13:11,360

the

1920

01:13:16,550 --> 01:13:14,719

gas line shut off did it ever happen and

1921

01:13:18,790 --> 01:13:16,560

what had occurred but if you're not then

1922

01:13:20,310 --> 01:13:18,800

never mind

1923

01:13:22,149 --> 01:13:20,320

yeah i don't know what you're talking

1924

01:13:24,310 --> 01:13:22,159

about oh okay i have family over here

1925

01:13:26,630 --> 01:13:24,320

i'm in another town but right i don't

1926

01:13:28,470 --> 01:13:26,640

watch the news

1927

01:13:30,390 --> 01:13:28,480

this wasn't news this was the local gas

1928

01:13:33,030 --> 01:13:30,400

company they just sent a letter to

1929

01:13:35,590 --> 01:13:33,040

everyone kind of almost indicating like

1930

01:13:39,750 --> 01:13:35,600

in mid-december we're going to shut off

1931

01:13:41,750 --> 01:13:39,760

your gas line so and there's like

1932

01:13:44,390 --> 01:13:41,760

half a million million people they're

1933

01:13:46,550 --> 01:13:44,400

like uh what are we going to do

1934

01:13:48,390 --> 01:13:46,560

anyway so i'm sure nothing else happened

1935

01:13:50,470 --> 01:13:48,400

otherwise i would have heard them

1936

01:13:53,350 --> 01:13:50,480

complaining freezing or whatever so i'm

1937

01:13:54,390 --> 01:13:53,360

sure probably everything was just fine

1938

01:13:57,990 --> 01:13:54,400

yeah

1939

01:13:59,189 --> 01:13:58,000

you see all those truckers up in canada

1940

01:14:01,910 --> 01:13:59,199

right now

1941

01:14:04,070 --> 01:14:01,920

yeah we talked a little bit uh on the uh

1942

01:14:05,590 --> 01:14:04,080

i call it the pre-show and for those

1943

01:14:07,590 --> 01:14:05,600

watching um

1944

01:14:09,430 --> 01:14:07,600

please don't hesitate to

1945

01:14:11,189 --> 01:14:09,440

um

1946

01:14:12,950 --> 01:14:11,199

okay sorry my friend nathan just texted

1947

01:14:14,870 --> 01:14:12,960

me said it didn't happen and i know he

1948

01:14:16,390 --> 01:14:14,880

lives in san luis for sure okay good

1949

01:14:17,270 --> 01:14:16,400

deal thanks nathan

1950

01:14:18,709 --> 01:14:17,280

um

1951

01:14:19,590 --> 01:14:18,719

the

1952

01:14:21,350 --> 01:14:19,600

um

1953

01:14:23,189 --> 01:14:21,360

we were talking you know before

1954

01:14:25,430 --> 01:14:23,199

sometimes i take about half an hour to

1955

01:14:26,950 --> 01:14:25,440

an hour before the show i get it going

1956

01:14:29,270 --> 01:14:26,960

so that people can just join and

1957

01:14:31,830 --> 01:14:29,280

actually just chat with me directly not

1958

01:14:33,830 --> 01:14:31,840

on the air and we'll talk about even

1959

01:14:35,830 --> 01:14:33,840

more quote-unquote radical things than

1960

01:14:37,990 --> 01:14:35,840

what youtube allows but yes we covered

1961

01:14:40,550 --> 01:14:38,000

that a little bit and i'm glad they were

1962

01:14:42,070 --> 01:14:40,560

doing that i mean for one um

1963

01:14:43,910 --> 01:14:42,080

i'm very biased and i agree with what

1964

01:14:46,229 --> 01:14:43,920

they're doing and for the reasons that

1965

01:14:47,590 --> 01:14:46,239

they're doing it for and

1966

01:14:50,310 --> 01:14:47,600

you know just

1967

01:14:52,709 --> 01:14:50,320

you know what better way you know to

1968

01:14:54,149 --> 01:14:52,719

you know to to protest as truckers using

1969

01:14:55,189 --> 01:14:54,159

your trucks to just

1970

01:14:57,189 --> 01:14:55,199

you know

1971

01:14:58,950 --> 01:14:57,199

put everything in gridlock to give them

1972

01:15:01,030 --> 01:14:58,960

you know a taste of their own medicine

1973

01:15:03,110 --> 01:15:01,040

to understand who you're messing with

1974

01:15:05,270 --> 01:15:03,120

you know it's like they're because

1975

01:15:07,590 --> 01:15:05,280

they've put them at the end of their

1976

01:15:09,669 --> 01:15:07,600

line right you know because there's some

1977

01:15:11,350 --> 01:15:09,679

i was um hearing this you know they were

1978

01:15:13,030 --> 01:15:11,360

talking about like oh we're

1979

01:15:14,149 --> 01:15:13,040

for them not they're being selfish

1980

01:15:15,750 --> 01:15:14,159

they're not delivering goods and

1981

01:15:17,830 --> 01:15:15,760

services to all these different places

1982

01:15:19,350 --> 01:15:17,840

i'm like you're asking them to do

1983

01:15:21,910 --> 01:15:19,360

something to their bodies that they

1984

01:15:24,390 --> 01:15:21,920

don't agree and in order for them to

1985

01:15:26,870 --> 01:15:24,400

have their livelihood and their health

1986

01:15:29,990 --> 01:15:26,880

and living you ask him to take something

1987

01:15:31,990 --> 01:15:30,000

in for the job's sake you know and it's

1988

01:15:35,110 --> 01:15:32,000

like i i don't agree with it you know

1989

01:15:38,229 --> 01:15:35,120

and so uh whatever they're doing i'm i'm

1990

01:15:41,510 --> 01:15:38,239

fully in support and on board what are

1991

01:15:45,590 --> 01:15:43,350

oh yeah i think people should have

1992

01:15:47,750 --> 01:15:45,600

bodily autonomy and not be shamed into

1993

01:15:49,110 --> 01:15:47,760

doing stuff and then

1994

01:15:51,350 --> 01:15:49,120

plus i mean

1995

01:15:52,790 --> 01:15:51,360

they've been probably on the road since

1996

01:15:54,790 --> 01:15:52,800

the beginning they couldn't they

1997

01:15:56,070 --> 01:15:54,800

couldn't hide like a lot of

1998

01:15:58,229 --> 01:15:56,080

a lot of

1999

01:15:59,669 --> 01:15:58,239

i was fortunate to have the opportunity

2000

01:16:01,510 --> 01:15:59,679

to work from home when things closed

2001

01:16:03,110 --> 01:16:01,520

down but people like the truckers they

2002

01:16:04,709 --> 01:16:03,120

didn't have that luxury

2003

01:16:06,870 --> 01:16:04,719

plus you know they're in their cabin

2004

01:16:07,830 --> 01:16:06,880

most of the time by themselves

2005

01:16:09,350 --> 01:16:07,840

right

2006

01:16:12,310 --> 01:16:09,360

up there you know

2007

01:16:13,430 --> 01:16:12,320

yeah well even then you know i honestly

2008

01:16:14,550 --> 01:16:13,440

i think

2009

01:16:16,709 --> 01:16:14,560

uh because

2010

01:16:18,790 --> 01:16:16,719

my oldest is going to school the

2011

01:16:21,110 --> 01:16:18,800

youngest going to daycare and i swear to

2012

01:16:23,110 --> 01:16:21,120

god if there's a disease that kid will

2013

01:16:25,030 --> 01:16:23,120

bring it home you know and there's

2014

01:16:27,350 --> 01:16:25,040

constantly you know it's like you know

2015

01:16:29,430 --> 01:16:27,360

it's anything new going on because of

2016

01:16:31,030 --> 01:16:29,440

you know the different children he's you

2017

01:16:32,470 --> 01:16:31,040

know together with

2018

01:16:34,550 --> 01:16:32,480

you know um

2019

01:16:35,910 --> 01:16:34,560

i think at one point

2020

01:16:37,510 --> 01:16:35,920

about

2021

01:16:39,830 --> 01:16:37,520

three months ago i've developed this

2022

01:16:42,470 --> 01:16:39,840

cough i still haven't been able to kick

2023

01:16:44,229 --> 01:16:42,480

about a month and a half ago i still

2024

01:16:46,390 --> 01:16:44,239

can't taste anything

2025

01:16:49,270 --> 01:16:46,400

right but i don't know if this is in

2026

01:16:51,910 --> 01:16:49,280

relation to some of the side effects of

2027

01:16:54,390 --> 01:16:51,920

covet or omnicron whatever it is but you

2028

01:16:56,149 --> 01:16:54,400

know the point was we didn't

2029

01:16:57,510 --> 01:16:56,159

you know we just we

2030

01:16:59,590 --> 01:16:57,520

our kids are going to school they're

2031

01:17:01,830 --> 01:16:59,600

doing what they do

2032

01:17:03,990 --> 01:17:01,840

i'm still always like the last one to

2033

01:17:05,669 --> 01:17:04,000

get what everyone else has so when the

2034

01:17:07,669 --> 01:17:05,679

rest of family is just fine and they're

2035

01:17:09,030 --> 01:17:07,679

ready to go back to school i'm the one

2036

01:17:11,110 --> 01:17:09,040

that that's still

2037

01:17:13,830 --> 01:17:11,120

you know dragging along and just you

2038

01:17:16,229 --> 01:17:13,840

know getting whatever they just got over

2039

01:17:18,070 --> 01:17:16,239

you know so but the point was that's how

2040

01:17:19,510 --> 01:17:18,080

it's always been

2041

01:17:20,950 --> 01:17:19,520

for all these years that's how it's

2042

01:17:22,630 --> 01:17:20,960

always been you know it's like if

2043

01:17:24,870 --> 01:17:22,640

there's anything going on any kind of

2044

01:17:27,350 --> 01:17:24,880

flu to bring it home whatever we'll deal

2045

01:17:30,229 --> 01:17:27,360

with it you know vitamins whatever else

2046

01:17:32,310 --> 01:17:30,239

we have to you know take teas uh all

2047

01:17:33,910 --> 01:17:32,320

kinds of you know remedies that are

2048

01:17:35,830 --> 01:17:33,920

available you know and so i was so

2049

01:17:37,270 --> 01:17:35,840

surprised when all of a sudden all of

2050

01:17:39,189 --> 01:17:37,280

that was kind of like thrown out the

2051
01:17:41,510 --> 01:17:39,199
window it's like nope you can't use that

2052
01:17:43,910 --> 01:17:41,520
anymore now it's either

2053
01:17:45,669 --> 01:17:43,920
just a jab or nothing and i was just

2054
01:17:49,189 --> 01:17:45,679
like well hold on a minute something is

2055
01:17:52,070 --> 01:17:49,199
going against history of humanity here

2056
01:17:55,030 --> 01:17:52,080
yeah it's it's a little confusing

2057
01:17:56,390 --> 01:17:55,040
and you know i hear talk i think on the

2058
01:17:58,790 --> 01:17:56,400
isles and people were talking about

2059
01:18:00,950 --> 01:17:58,800
ascension and that takes a

2060
01:18:04,229 --> 01:18:00,960
you know

2061
01:18:06,550 --> 01:18:04,239
got to be a

2062
01:18:08,070 --> 01:18:06,560
we have to look within and ask questions

2063
01:18:09,750 --> 01:18:08,080

and see how we've been living and how we

2064

01:18:11,110 --> 01:18:09,760

could live and sometimes you know it

2065

01:18:12,550 --> 01:18:11,120

seem there's something going around i'm

2066

01:18:15,669 --> 01:18:12,560

not saying people aren't getting sick

2067

01:18:17,110 --> 01:18:15,679

you know i've been sick

2068

01:18:20,070 --> 01:18:17,120

i just don't think it's that big of a

2069

01:18:21,030 --> 01:18:20,080

deal that's my that's my big thing yeah

2070

01:18:22,870 --> 01:18:21,040

so

2071

01:18:24,630 --> 01:18:22,880

it doesn't have to come with the amount

2072

01:18:27,750 --> 01:18:24,640

of fear that they're trying to pump into

2073

01:18:30,149 --> 01:18:27,760

the world all at once and i don't think

2074

01:18:32,310 --> 01:18:30,159

scaring everybody is good for your

2075

01:18:34,229 --> 01:18:32,320

immune system

2076

01:18:35,830 --> 01:18:34,239

building people with cortisol having

2077

01:18:38,229 --> 01:18:35,840

them stay home

2078

01:18:41,350 --> 01:18:38,239

not be able to access their exercise

2079

01:18:44,470 --> 01:18:41,360

facilities for a year or the sun

2080

01:18:46,149 --> 01:18:44,480

you know or faces you know that that

2081

01:18:48,950 --> 01:18:46,159

weighs down your immune system sometimes

2082

01:18:51,350 --> 01:18:48,960

i just feel like maybe we were starting

2083

01:18:52,630 --> 01:18:51,360

the ascension process or at least

2084

01:18:53,990 --> 01:18:52,640

i don't know i don't want to get into

2085

01:18:56,950 --> 01:18:54,000

trump but he seemed to have people

2086

01:18:57,910 --> 01:18:56,960

asking questions and you know and then

2087

01:18:59,430 --> 01:18:57,920

boom

2088

01:19:01,750 --> 01:18:59,440

fear of vibration ripples through the

2089

01:19:03,830 --> 01:19:01,760

world all at once and if you're

2090

01:19:05,189 --> 01:19:03,840

even five percent psychic you can feel

2091

01:19:08,070 --> 01:19:05,199

it immediately and it's like running

2092

01:19:10,470 --> 01:19:08,080

down and the bottom chakra just fear and

2093

01:19:13,350 --> 01:19:10,480

survival and well honestly like love him

2094

01:19:15,910 --> 01:19:13,360

or hate him he was the one that

2095

01:19:17,830 --> 01:19:15,920

just by him being himself again whether

2096

01:19:20,550 --> 01:19:17,840

you love him or hate him was the

2097

01:19:22,310 --> 01:19:20,560

catalyst for all the hitting the

2098

01:19:24,630 --> 01:19:22,320

fan whether you look at it in a good way

2099

01:19:27,110 --> 01:19:24,640

or a bad way you know and i was you know

2100

01:19:29,590 --> 01:19:27,120

i even go as far as saying because of

2101
01:19:31,750 --> 01:19:29,600
people not being able to stand them so

2102
01:19:33,830 --> 01:19:31,760
much that all these little cockroaches

2103
01:19:35,750 --> 01:19:33,840
that were you know part of the system

2104
01:19:37,830 --> 01:19:35,760
you know were like rearing the ugly

2105
01:19:40,310 --> 01:19:37,840
heads out because they just wanted to

2106
01:19:42,630 --> 01:19:40,320
get at him so badly you know and so if

2107
01:19:44,790 --> 01:19:42,640
anything you know if anything to be

2108
01:19:46,229 --> 01:19:44,800
remembered it was at least by him being

2109
01:19:49,590 --> 01:19:46,239
him

2110
01:19:51,350 --> 01:19:49,600
they all the the the crazies came out

2111
01:19:53,270 --> 01:19:51,360
you know and so at least i'm glad i'm

2112
01:19:54,470 --> 01:19:53,280
glad for that part because otherwise

2113
01:19:56,390 --> 01:19:54,480

they would have been

2114

01:19:58,550 --> 01:19:56,400

the part of our society this whole time

2115

01:20:00,149 --> 01:19:58,560

and always in the shadows we would have

2116

01:20:02,310 --> 01:20:00,159

never really known that there's people

2117

01:20:05,110 --> 01:20:02,320

that think in the way they think right

2118

01:20:06,709 --> 01:20:05,120

now because how do you ever fix

2119

01:20:09,189 --> 01:20:06,719

something how do you work on something

2120

01:20:11,110 --> 01:20:09,199

as a society or in a relationship if

2121

01:20:13,110 --> 01:20:11,120

everything is constantly not said or

2122

01:20:15,270 --> 01:20:13,120

hidden right the whole point is to bring

2123

01:20:16,950 --> 01:20:15,280

it out in the open so you can see it for

2124

01:20:19,189 --> 01:20:16,960

what it is and then you can discuss it

2125

01:20:21,590 --> 01:20:19,199

right especially in a relationship or

2126
01:20:23,350 --> 01:20:21,600
society to work it out because we have

2127
01:20:24,870 --> 01:20:23,360
to work something out in order to move

2128
01:20:28,950 --> 01:20:24,880
forward or we're just going to move

2129
01:20:29,910 --> 01:20:28,960
forward separately if that makes sense

2130
01:20:33,110 --> 01:20:29,920
you know

2131
01:20:35,110 --> 01:20:33,120
it does make sense and but right now the

2132
01:20:36,870 --> 01:20:35,120
world is a little confusing a lot of

2133
01:20:38,310 --> 01:20:36,880
people that were um

2134
01:20:39,430 --> 01:20:38,320
i thought i had it figured out i'm

2135
01:20:40,790 --> 01:20:39,440
starting to notice they're turning a

2136
01:20:42,229 --> 01:20:40,800
little corner they're like you know this

2137
01:20:43,910 --> 01:20:42,239
some of this stuff doesn't make sense

2138
01:20:45,830 --> 01:20:43,920

i'm like yeah

2139

01:20:47,910 --> 01:20:45,840
for 10 years well telling you guys

2140

01:20:49,669 --> 01:20:47,920
things are crazy and they're

2141

01:20:52,629 --> 01:20:49,679
like well

2142

01:20:55,030 --> 01:20:52,639
yeah it's getting weird

2143

01:20:56,470 --> 01:20:55,040
there's a little turn around what was

2144

01:20:58,550 --> 01:20:56,480
the what was the word i think i don't

2145

01:21:00,870 --> 01:20:58,560
know if i said it on the pre-show or if

2146

01:21:01,910 --> 01:21:00,880
i said it earlier or while we were alive

2147

01:21:04,149 --> 01:21:01,920
it was the

2148

01:21:07,270 --> 01:21:04,159
the cognitive dissonance right

2149

01:21:08,709 --> 01:21:07,280
you know it was it was it was

2150

01:21:10,390 --> 01:21:08,719
um

2151
01:21:12,629 --> 01:21:10,400
yeah cognitive dissonance is when you

2152
01:21:15,750 --> 01:21:12,639
hold two ideas opposing ideas in your

2153
01:21:19,189 --> 01:21:15,760
head right and and it's it's been flared

2154
01:21:23,350 --> 01:21:19,199
up heavily for a lot of people

2155
01:21:25,750 --> 01:21:23,360
yeah you know what helped me i um

2156
01:21:27,910 --> 01:21:25,760
a long time ago like

2157
01:21:29,510 --> 01:21:27,920
i was uh doing a startup and i was for

2158
01:21:31,430 --> 01:21:29,520
sure is gonna work for sure is gonna

2159
01:21:32,229 --> 01:21:31,440
work and like i believed in myself and

2160
01:21:33,830 --> 01:21:32,239
all that

2161
01:21:36,149 --> 01:21:33,840
those things don't work out most of the

2162
01:21:37,510 --> 01:21:36,159
time so when it didn't work out right

2163
01:21:39,110 --> 01:21:37,520

there was one day i'm like you know what

2164

01:21:40,790 --> 01:21:39,120

this isn't gonna work out so i stopped

2165

01:21:43,590 --> 01:21:40,800

i'm like maybe i don't know how to think

2166

01:21:45,669 --> 01:21:43,600

properly so i went on wikipedia

2167

01:21:48,390 --> 01:21:45,679

cognitive dissonance i found that and

2168

01:21:50,629 --> 01:21:48,400

then i found a whole list i forgot the

2169

01:21:53,270 --> 01:21:50,639

subcategory it's in but you know there's

2170

01:21:54,950 --> 01:21:53,280

bandwagon effect cognitive dissonance

2171

01:21:56,470 --> 01:21:54,960

and a whole other thing there's a whole

2172

01:21:58,310 --> 01:21:56,480

list of them i don't know the term i

2173

01:22:00,310 --> 01:21:58,320

forget what it is but

2174

01:22:02,550 --> 01:22:00,320

uh that reading that wikipedia going

2175

01:22:05,750 --> 01:22:02,560

through every thing that our brain kind

2176
01:22:06,870 --> 01:22:05,760
of does to mislead us or misrepresenting

2177
01:22:09,270 --> 01:22:06,880
us uh

2178
01:22:11,669 --> 01:22:09,280
it was very enlightening for me right

2179
01:22:13,030 --> 01:22:11,679
and it might change the way i think i'll

2180
01:22:14,229 --> 01:22:13,040
try to think of the term but hey thanks

2181
01:22:16,790 --> 01:22:14,239
for your time everybody thanks for

2182
01:22:19,510 --> 01:22:16,800
listening and i like to sometimes ask

2183
01:22:20,470 --> 01:22:19,520
questions to the group to get the

2184
01:22:21,750 --> 01:22:20,480
other

2185
01:22:23,350 --> 01:22:21,760
stories going

2186
01:22:24,950 --> 01:22:23,360
good deal yeah i mean that's what it's

2187
01:22:27,350 --> 01:22:24,960
all about if you don't have your own

2188
01:22:29,270 --> 01:22:27,360

story you know chat with each other

2189

01:22:31,030 --> 01:22:29,280

it's it you know initially this was also

2190

01:22:33,350 --> 01:22:31,040

supposed to be an opportunity to have a

2191

01:22:35,189 --> 01:22:33,360

meeting online but just the only

2192

01:22:37,189 --> 01:22:35,199

difference is that it's also live while

2193

01:22:41,270 --> 01:22:37,199

everyone else is watching all of us

2194

01:22:44,709 --> 01:22:43,590

okay all right well sorry i

2195

01:22:46,870 --> 01:22:44,719

thought you were still gonna say

2196

01:22:47,910 --> 01:22:46,880

something well paulie thank you

2197

01:22:49,430 --> 01:22:47,920

and

2198

01:22:51,110 --> 01:22:49,440

look who we have here

2199

01:22:52,550 --> 01:22:51,120

fab22

2200

01:22:55,189 --> 01:22:52,560

fab i guess you're going to close out

2201

01:22:56,550 --> 01:22:55,199

the show so i'm going to let you

2202

01:22:58,790 --> 01:22:56,560

uh

2203

01:23:01,030 --> 01:22:58,800

you know give us your your thoughts and

2204

01:23:03,669 --> 01:23:01,040

then let you you know finish up however

2205

01:23:05,270 --> 01:23:03,679

long it takes welcome

2206

01:23:07,350 --> 01:23:05,280

hey hiya

2207

01:23:09,910 --> 01:23:07,360

how are you

2208

01:23:11,590 --> 01:23:09,920

yes not too bad not too bad not too bad

2209

01:23:13,510 --> 01:23:11,600

very early three o'clock in the morning

2210

01:23:16,149 --> 01:23:13,520

here but uh doing good

2211

01:23:17,430 --> 01:23:16,159

uh yes as usual forever last you know

2212

01:23:20,550 --> 01:23:17,440

i'm getting used to it but i'm going to

2213

01:23:22,229 --> 01:23:20,560

be real quick i just wanted to uh for a

2214

01:23:24,550 --> 01:23:22,239

little mention i don't know if you know

2215

01:23:27,590 --> 01:23:24,560

about a certain senator

2216

01:23:30,149 --> 01:23:27,600

called andre carson

2217

01:23:33,910 --> 01:23:31,910

he's a sitting senator he's actually

2218

01:23:34,870 --> 01:23:33,920

quite quite a big boy you know like in

2219

01:23:36,390 --> 01:23:34,880

charge of

2220

01:23:38,149 --> 01:23:36,400

quite a few things like security

2221

01:23:39,510 --> 01:23:38,159

intelligence he's uh

2222

01:23:42,629 --> 01:23:39,520

he's a big boy

2223

01:23:45,350 --> 01:23:42,639

well actually i was mentioning

2224

01:23:49,030 --> 01:23:45,360

andre carlson yeah

2225

01:23:50,229 --> 01:23:49,040

he actually mentioned yesterday publicly

2226

01:23:52,470 --> 01:23:50,239

that

2227

01:23:55,110 --> 01:23:52,480

the usa phenomena could be

2228

01:23:59,430 --> 01:23:55,120

extraterrestrial

2229

01:24:01,430 --> 01:23:59,440

so the word has finally been been said

2230

01:24:04,390 --> 01:24:01,440

at a very top level

2231

01:24:06,390 --> 01:24:04,400

and i wanted also to mention that most

2232

01:24:08,390 --> 01:24:06,400

of that you know is due to people

2233

01:24:10,070 --> 01:24:08,400

actually writing to their congressman

2234

01:24:11,669 --> 01:24:10,080

instituted people

2235

01:24:13,189 --> 01:24:11,679

uh with uh

2236

01:24:15,669 --> 01:24:13,199

with the right words of course you know

2237

01:24:18,470 --> 01:24:15,679

with the right letter with uh

2238

01:24:21,430 --> 01:24:18,480

not stupid questions etc but people are

2239

01:24:22,390 --> 01:24:21,440

getting responses now from

2240

01:24:25,910 --> 01:24:22,400

um

2241

01:24:30,470 --> 01:24:28,310

we we are getting answers you know and

2242

01:24:32,070 --> 01:24:30,480

it seems that we are really really on a

2243

01:24:33,350 --> 01:24:32,080

good track you know as far as this

2244

01:24:36,070 --> 01:24:33,360

concern

2245

01:24:39,030 --> 01:24:36,080

and you know what you've done

2246

01:24:41,669 --> 01:24:39,040

you know the the fbi vault that the fbi

2247

01:24:43,669 --> 01:24:41,679

released as several years ago yeah

2248

01:24:45,990 --> 01:24:43,679

there's so much stuff out there that

2249

01:24:47,350 --> 01:24:46,000

people can look up and it'll basically

2250

01:24:49,110 --> 01:24:47,360

talk in very

2251

01:24:50,790 --> 01:24:49,120

very much the same terms about

2252

01:24:53,830 --> 01:24:50,800

extraterrestrials and aliens and all

2253

01:24:56,790 --> 01:24:53,840

that but unless unless i guess people

2254

01:24:59,350 --> 01:24:56,800

really are more set on maybe we are

2255

01:25:01,910 --> 01:24:59,360

tribal more than we want to admit it and

2256

01:25:04,390 --> 01:25:01,920

we're looking for the leader to be the

2257

01:25:06,790 --> 01:25:04,400

one to whoever the leader is in in your

2258

01:25:08,790 --> 01:25:06,800

pursuit respective lives to be the ones

2259

01:25:10,709 --> 01:25:08,800

to come out and officially say something

2260

01:25:12,950 --> 01:25:10,719

only then will it have some kind of

2261

01:25:15,430 --> 01:25:12,960

validity in their lives at least that's

2262

01:25:17,189 --> 01:25:15,440

what i'm really leaning towards because

2263

01:25:18,709 --> 01:25:17,199

you know if you can find these answers

2264

01:25:21,350 --> 01:25:18,719

on your own if you look if you're into

2265

01:25:23,430 --> 01:25:21,360

the nuts and bolts stuff you know but i

2266

01:25:25,590 --> 01:25:23,440

guess they they want the official to

2267

01:25:28,070 --> 01:25:25,600

come out and say it only then can it be

2268

01:25:30,470 --> 01:25:28,080

real in their heads

2269

01:25:32,709 --> 01:25:30,480

yes yes indeed you know as far as the

2270

01:25:34,950 --> 01:25:32,719

official line is concerned you know they

2271

01:25:36,950 --> 01:25:34,960

are answering to people now it's not

2272

01:25:39,350 --> 01:25:36,960

it's not a subject you know which is

2273

01:25:41,110 --> 01:25:39,360

ridiculed or you know expires or

2274

01:25:43,750 --> 01:25:41,120

whatever they they are actually

2275

01:25:45,510 --> 01:25:43,760

responding now

2276

01:25:49,030 --> 01:25:45,520

i've got this firm belief you know that

2277

01:25:51,189 --> 01:25:49,040

the more we we gently keep on pushing

2278

01:25:53,510 --> 01:25:51,199

the subject gently

2279

01:25:55,830 --> 01:25:53,520

the more it will create validity to have

2280

01:25:57,990 --> 01:25:55,840

some sort of responses you know which

2281

01:26:00,070 --> 01:25:58,000

which will come from from up top you

2282

01:26:01,110 --> 01:26:00,080

know which will validate at least some

2283

01:26:04,229 --> 01:26:01,120

uh

2284

01:26:06,830 --> 01:26:04,239

some some better avenues on that but the

2285

01:26:09,750 --> 01:26:06,840

word the word itself terror

2286

01:26:11,270 --> 01:26:09,760

extraterrestrial has been said he

2287

01:26:13,350 --> 01:26:11,280

basically mentioned could be three

2288

01:26:15,030 --> 01:26:13,360

things you know it could be some

2289

01:26:17,590 --> 01:26:15,040

outlandish uh

2290

01:26:20,149 --> 01:26:17,600

technology it could be this and it could

2291

01:26:22,229 --> 01:26:20,159

also be extraterrestrial he was very

2292

01:26:24,070 --> 01:26:22,239

serious about it

2293

01:26:26,790 --> 01:26:24,080

even said thank you at the end of the

2294

01:26:28,709 --> 01:26:26,800

question so they are very open

2295

01:26:31,030 --> 01:26:28,719

so there you go that was my little thing

2296

01:26:32,950 --> 01:26:31,040

you know and well done well done really

2297

01:26:35,669 --> 01:26:32,960

really well known for people in in the

2298

01:26:37,030 --> 01:26:35,679

states you know to to keep on pushing on

2299

01:26:38,550 --> 01:26:37,040

i don't think it's going to happen in

2300

01:26:39,990 --> 01:26:38,560

europa i don't think it's going to

2301
01:26:41,590 --> 01:26:40,000
happen in russia with what's going on

2302
01:26:44,550 --> 01:26:41,600
right now i don't think it's going to

2303
01:26:46,709 --> 01:26:44,560
happen in china and and

2304
01:26:49,110 --> 01:26:46,719
from from what i'm seeing and from from

2305
01:26:51,350 --> 01:26:49,120
where i'm sitting from what i'm saying

2306
01:26:53,750 --> 01:26:51,360
you know i do scan quite quite a lot

2307
01:26:55,669 --> 01:26:53,760
uh it seems that uh

2308
01:26:57,189 --> 01:26:55,679
you know in the states you know we

2309
01:26:58,790 --> 01:26:57,199
we do have the ball rolling you know so

2310
01:27:02,390 --> 01:26:58,800
it's up to the people you know to keep

2311
01:27:05,270 --> 01:27:03,910
to the authorities to the right

2312
01:27:06,790 --> 01:27:05,280
authorities

2313
01:27:08,229 --> 01:27:06,800

obviously you know you have to be quite

2314

01:27:11,830 --> 01:27:08,239

quite

2315

01:27:13,990 --> 01:27:11,840

know it's not time to insult it's not

2316

01:27:16,830 --> 01:27:14,000

time to go oh yes you know conspiracy

2317

01:27:19,350 --> 01:27:16,840

successful just just asking simple

2318

01:27:21,430 --> 01:27:19,360

questions about the subject you know and

2319

01:27:22,629 --> 01:27:21,440

they are responding they are responding

2320

01:27:23,669 --> 01:27:22,639

you know there are a lot of people

2321

01:27:26,310 --> 01:27:23,679

saying this

2322

01:27:27,990 --> 01:27:26,320

they are responding

2323

01:27:30,629 --> 01:27:28,000

yeah

2324

01:27:32,229 --> 01:27:30,639

well fab thank you for logging in and

2325

01:27:34,390 --> 01:27:32,239

sharing that i appreciate i will look it

2326

01:27:36,229 --> 01:27:34,400

up i think i found him online but i'll

2327

01:27:38,790 --> 01:27:36,239

see if there's some kind of article

2328

01:27:42,149 --> 01:27:38,800

mentioned or anything like that so

2329

01:27:44,950 --> 01:27:42,159

yeah yeah thank you thanks for coming on

2330

01:27:47,189 --> 01:27:44,960

that was done yesterday i i was spoken

2331

01:27:49,990 --> 01:27:47,199

yesterday so it's uh it's pretty uh

2332

01:27:53,350 --> 01:27:50,000

expertise news okay nice one goodbye

2333

01:27:56,149 --> 01:27:53,360

everyone uh have a lovely night and uh

2334

01:27:57,990 --> 01:27:56,159

and yes good to have you back

2335

01:28:00,310 --> 01:27:58,000

yeah i don't know how for how long but

2336

01:28:04,229 --> 01:28:00,320

i'm back for now so but thank you fab i

2337

01:28:09,590 --> 01:28:05,030

bye

2338

01:28:12,709 --> 01:28:09,600

okay well since fat made it

2339

01:28:14,629 --> 01:28:12,719

fat made it super short um i could take

2340

01:28:18,229 --> 01:28:14,639

on one or two more

2341

01:28:20,550 --> 01:28:18,239

uh but let me see so s spaceman oust

2342

01:28:22,390 --> 01:28:20,560

said bummer have been waiting to chat

2343

01:28:24,950 --> 01:28:22,400

and it is ending

2344

01:28:27,910 --> 01:28:24,960

ending bummer if you're talking about

2345

01:28:29,910 --> 01:28:27,920

chatting here on telegram i haven't seen

2346

01:28:32,709 --> 01:28:29,920

you raise your hand

2347

01:28:34,070 --> 01:28:32,719

unless you are in here then i don't know

2348

01:28:36,870 --> 01:28:34,080

which one you would be if you're going

2349

01:28:38,790 --> 01:28:36,880

by a different username

2350

01:28:41,110 --> 01:28:38,800

but otherwise i if you would like to

2351

01:28:43,590 --> 01:28:41,120

chat with me please log into

2352

01:28:46,790 --> 01:28:43,600

telegram raise your hand and we'll have

2353

01:28:48,229 --> 01:28:46,800

a quick chat but let me bring in israel

2354

01:28:50,550 --> 01:28:48,239

and israel

2355

01:28:52,229 --> 01:28:50,560

i'll give you the flow for now and until

2356

01:28:54,629 --> 01:28:52,239

someone else

2357

01:28:57,830 --> 01:28:54,639

comes in i have about maybe 20 20

2358

01:29:00,229 --> 01:28:57,840

minutes or so and uh

2359

01:29:02,149 --> 01:29:00,239

let me unmute you

2360

01:29:04,470 --> 01:29:02,159

so you are muted in my end and mute

2361

01:29:07,110 --> 01:29:04,480

yourself on yours and uh you should be

2362

01:29:09,110 --> 01:29:07,120

able to talk to me

2363

01:29:11,350 --> 01:29:09,120

hello brother how's it going

2364

01:29:13,510 --> 01:29:11,360

be good how are you

2365

01:29:16,229 --> 01:29:13,520

thank you miss you guys too it's been

2366

01:29:18,310 --> 01:29:16,239

it's it's been a while

2367

01:29:20,790 --> 01:29:18,320

and i'm glad that there's so many i

2368

01:29:23,590 --> 01:29:20,800

guess the what's how's the saying go um

2369

01:29:25,430 --> 01:29:23,600

absence makes the heart grow fonder so

2370

01:29:27,750 --> 01:29:25,440

maybe i need to have yeah

2371

01:29:29,990 --> 01:29:27,760

you know just uh fewer shows and have

2372

01:29:32,070 --> 01:29:30,000

more people come in each time because it

2373

01:29:34,550 --> 01:29:32,080

seems like it's it's this is the uh

2374

01:29:39,990 --> 01:29:34,560

that's the fullest i've seen the the the

2375

01:29:44,310 --> 01:29:42,070

nah that's a bad idea

2376

01:29:45,990 --> 01:29:44,320

i'm scared

2377

01:29:47,590 --> 01:29:46,000

just teasing man hey just wanted to

2378

01:29:48,870 --> 01:29:47,600

follow up so

2379

01:29:51,189 --> 01:29:48,880

i remember you talking about the

2380

01:29:52,709 --> 01:29:51,199

courtney brown books you know how they

2381

01:29:55,669 --> 01:29:52,719

like i guess

2382

01:29:56,950 --> 01:29:55,679

maybe influenced you early on

2383

01:29:57,750 --> 01:29:56,960

uh right

2384

01:30:00,070 --> 01:29:57,760

um

2385

01:30:02,229 --> 01:30:00,080

right go ahead

2386

01:30:04,070 --> 01:30:02,239

yeah so i so i read one of the books uh

2387

01:30:06,709 --> 01:30:04,080

there's probably like anyway

2388

01:30:09,790 --> 01:30:06,719

which one i read one of his books

2389

01:30:11,750 --> 01:30:09,800

uh shoot let me see the voyage for

2390

01:30:13,030 --> 01:30:11,760

extraterrestrials uh

2391

01:30:15,030 --> 01:30:13,040

i don't know there's i think it's like

2392

01:30:16,629 --> 01:30:15,040

94 or 96.

2393

01:30:18,550 --> 01:30:16,639

okay this is one where he's the first

2394

01:30:23,350 --> 01:30:18,560

one

2395

01:30:26,550 --> 01:30:23,360

scientific remote viewing jesus buddha

2396

01:30:28,390 --> 01:30:26,560

galactic federation the martians

2397

01:30:30,950 --> 01:30:28,400

i didn't know that the martians lived in

2398

01:30:33,350 --> 01:30:30,960

new mexico

2399

01:30:35,910 --> 01:30:33,360

quite a read isn't it

2400

01:30:37,669 --> 01:30:35,920

he's like pretty far out there but yeah

2401
01:30:39,669 --> 01:30:37,679
so at the end and then you know i kind

2402
01:30:40,950 --> 01:30:39,679
of looked into him and he's like he's a

2403
01:30:44,149 --> 01:30:40,960
tenured

2404
01:30:45,750 --> 01:30:44,159
like that's pretty

2405
01:30:47,510 --> 01:30:45,760
that's pretty far out you know for

2406
01:30:49,030 --> 01:30:47,520
somebody

2407
01:30:50,470 --> 01:30:49,040
you know to be

2408
01:30:52,470 --> 01:30:50,480
because the second that i started

2409
01:30:54,950 --> 01:30:52,480
reading like the scientific remote

2410
01:30:57,669 --> 01:30:54,960
viewing sessions it really did in my

2411
01:30:58,629 --> 01:30:57,679
mind sort of turn into like a fiction

2412
01:31:00,229 --> 01:30:58,639
book

2413
01:31:01,990 --> 01:31:00,239

right for some reason like my mind's

2414

01:31:03,830 --> 01:31:02,000

like wasn't like no this is not real

2415

01:31:06,310 --> 01:31:03,840

there's no way like

2416

01:31:07,990 --> 01:31:06,320

but well the way he talks about it and i

2417

01:31:10,950 --> 01:31:08,000

mean obviously uh do you remember the

2418

01:31:13,990 --> 01:31:10,960

process if you do um i'm gonna try to

2419

01:31:16,070 --> 01:31:14,000

recall it but so he remote views and

2420

01:31:18,470 --> 01:31:16,080

what they usually do is um there's a

2421

01:31:21,510 --> 01:31:18,480

term called uh front loading and they're

2422

01:31:23,189 --> 01:31:21,520

trying to avoid that uh which means like

2423

01:31:25,990 --> 01:31:23,199

you know you don't speak to this person

2424

01:31:27,990 --> 01:31:26,000

in terms of what did the ball look like

2425

01:31:29,669 --> 01:31:28,000

or where's the ball located or something

2426

01:31:31,830 --> 01:31:29,679

like that you don't give them any of

2427

01:31:33,750 --> 01:31:31,840

those things to where where it would get

2428

01:31:36,310 --> 01:31:33,760

their imagination going what they do

2429

01:31:38,229 --> 01:31:36,320

instead they just make up um whatever

2430

01:31:40,950 --> 01:31:38,239

set of coordinates that they you know

2431

01:31:43,669 --> 01:31:40,960

like five five six four three right and

2432

01:31:46,390 --> 01:31:43,679

so the person that's basically in this

2433

01:31:47,990 --> 01:31:46,400

case courtney brown would go into his

2434

01:31:49,350 --> 01:31:48,000

meditative state and then this person

2435

01:31:51,270 --> 01:31:49,360

would give him these coordinates and

2436

01:31:53,910 --> 01:31:51,280

then he would then kind of you know

2437

01:31:55,830 --> 01:31:53,920

remote view what comes to mind

2438

01:31:58,470 --> 01:31:55,840

you know thinking about these numbers so

2439

01:32:00,550 --> 01:31:58,480

he doesn't know what it is

2440

01:32:01,990 --> 01:32:00,560

doesn't know the shape or size or any of

2441

01:32:04,070 --> 01:32:02,000

that and just basically whatever comes

2442

01:32:06,310 --> 01:32:04,080

to him it will jot it down and then only

2443

01:32:08,229 --> 01:32:06,320

later they'll compare notes and see okay

2444

01:32:10,310 --> 01:32:08,239

well this was supposed to be

2445

01:32:12,470 --> 01:32:10,320

satellites in space and then we'll see

2446

01:32:14,950 --> 01:32:12,480

what he drew out or what what you know

2447

01:32:17,350 --> 01:32:14,960

what came to him so anyway he wrote his

2448

01:32:19,030 --> 01:32:17,360

uh both of his books at the the first

2449

01:32:20,950 --> 01:32:19,040

and second one i think he wrote more i

2450

01:32:23,669 --> 01:32:20,960

don't know what they're called or if he

2451

01:32:24,709 --> 01:32:23,679

actually did i just know i have the two

2452

01:32:27,430 --> 01:32:24,719

um

2453

01:32:29,669 --> 01:32:27,440

he basically wrote his or both of his

2454

01:32:32,149 --> 01:32:29,679

books based on that process so they

2455

01:32:34,790 --> 01:32:32,159

start out talking about them

2456

01:32:36,629 --> 01:32:34,800

um getting into that they explain a

2457

01:32:38,790 --> 01:32:36,639

little bit about remote viewing but it's

2458

01:32:41,430 --> 01:32:38,800

basically them talking to each other

2459

01:32:44,790 --> 01:32:41,440

questions being asked and uh answers you

2460

01:32:48,149 --> 01:32:46,790

yeah at the end of the book you know i

2461

01:32:51,110 --> 01:32:48,159

think he's kind of like you know i'm a

2462

01:32:53,430 --> 01:32:51,120

scientist and this is what i did to get

2463

01:32:56,709 --> 01:32:53,440

into scientific remote viewing and he

2464

01:33:00,229 --> 01:32:56,719

mentions uh i did i did transcendental

2465

01:33:03,030 --> 01:33:00,239

meditation i took the cds transcendental

2466

01:33:05,430 --> 01:33:03,040

meditation advance program and i went to

2467

01:33:07,430 --> 01:33:05,440

like this place i think it's uh if it's

2468

01:33:09,430 --> 01:33:07,440

not the farsight institute it's like

2469

01:33:11,669 --> 01:33:09,440

anyway someplace on the east coast to

2470

01:33:14,149 --> 01:33:11,679

learn scientific remote viewing but my

2471

01:33:15,910 --> 01:33:14,159

point was that for some reason that got

2472

01:33:18,950 --> 01:33:15,920

to me that like

2473

01:33:21,430 --> 01:33:18,960

influenced me and this last weekend i

2474

01:33:23,110 --> 01:33:21,440

myself went to coeur d'alene you know

2475

01:33:26,070 --> 01:33:23,120

northern idaho

2476

01:33:28,070 --> 01:33:26,080

to learn uh

2477

01:33:30,070 --> 01:33:28,080

uh transcendental meditation i don't

2478

01:33:31,990 --> 01:33:30,080

know if i'm i don't know if the goal is

2479

01:33:34,470 --> 01:33:32,000

to you know scientific

2480

01:33:36,310 --> 01:33:34,480

remote view or something but i was like

2481

01:33:37,750 --> 01:33:36,320

i just saw value in that or i was like

2482

01:33:42,950 --> 01:33:37,760

let me get a

2483

01:33:45,669 --> 01:33:42,960

meditation going and why not do the one

2484

01:33:47,430 --> 01:33:45,679

that uh is recommended in this book and

2485

01:33:49,430 --> 01:33:47,440

i just kind of wanted to follow up and

2486

01:33:51,430 --> 01:33:49,440

just touch base with you and let you

2487

01:33:54,229 --> 01:33:51,440

know that you influenced me enough

2488

01:33:56,229 --> 01:33:54,239

enough to drive five hours away

2489

01:33:57,910 --> 01:33:56,239

uh to to learn

2490

01:33:59,990 --> 01:33:57,920

i hope it turns out good for you you

2491

01:34:00,870 --> 01:34:00,000

know it's like i hope people don't uh

2492

01:34:03,270 --> 01:34:00,880

you know

2493

01:34:04,870 --> 01:34:03,280

attach disappointment to to any kind of

2494

01:34:07,430 --> 01:34:04,880

encouragement that might be coming from

2495

01:34:10,390 --> 01:34:09,270

yeah you know what at this point i'm

2496

01:34:12,149 --> 01:34:10,400

just gonna like

2497

01:34:13,990 --> 01:34:12,159

i'm just gonna meditate a little bit you

2498

01:34:15,830 --> 01:34:14,000

know and it's all good

2499

01:34:19,189 --> 01:34:15,840

yeah i try it's funny you say that i've

2500

01:34:20,950 --> 01:34:19,199

actually i've been trying um

2501

01:34:23,430 --> 01:34:20,960

um i wasn't over doing it because i

2502

01:34:25,430 --> 01:34:23,440

don't like to sometimes you know i reach

2503

01:34:28,629 --> 01:34:25,440

out to people and if they answer me i

2504

01:34:29,510 --> 01:34:28,639

kind of strike a dialogue and and try to

2505

01:34:31,270 --> 01:34:29,520

you know

2506

01:34:34,709 --> 01:34:31,280

make an interview happen and have him

2507

01:34:37,270 --> 01:34:34,719

come on but i've tried so hard to get

2508

01:34:39,110 --> 01:34:37,280

him i mean i've wrote like a nice

2509

01:34:41,030 --> 01:34:39,120

you know two paragraph

2510

01:34:43,830 --> 01:34:41,040

page about you know how much i would

2511

01:34:45,510 --> 01:34:43,840

love to have him on and he just

2512

01:34:48,310 --> 01:34:45,520

basically get you know said back that

2513

01:34:50,149 --> 01:34:48,320

he's not doing interviews and he's busy

2514

01:34:51,669 --> 01:34:50,159

with some other projects and which was

2515

01:34:54,550 --> 01:34:51,679

kind of the same answer he's given me a

2516

01:34:57,510 --> 01:34:54,560

few years back but um there's one of his

2517

01:34:58,830 --> 01:34:57,520

students uh princess janine and she

2518

01:35:02,229 --> 01:34:58,840

basically

2519

01:35:04,229 --> 01:35:02,239

uh you know is trained in that form of

2520

01:35:07,030 --> 01:35:04,239

the way they do um

2521

01:35:08,950 --> 01:35:07,040

uh remote viewing and i've and i've

2522

01:35:12,070 --> 01:35:08,960

talked to her before because she was

2523

01:35:14,709 --> 01:35:12,080

at last year's ozark ufo conference

2524

01:35:17,430 --> 01:35:14,719

and um so i tried to work out something

2525

01:35:19,189 --> 01:35:17,440

for her to come on um in his stead

2526

01:35:20,790 --> 01:35:19,199

basically to talk about the process and

2527

01:35:22,709 --> 01:35:20,800

remote viewing but it didn't work out

2528

01:35:24,470 --> 01:35:22,719

because she's also very busy so i'll

2529

01:35:26,790 --> 01:35:24,480

reach out to her again sometimes in the

2530

01:35:28,790 --> 01:35:26,800

future see if it might work better you

2531

01:35:31,430 --> 01:35:28,800

know but um i've been trying to get

2532

01:35:33,510 --> 01:35:31,440

courtney on but instead you know he was

2533

01:35:35,830 --> 01:35:33,520

off uh offering to have one of his

2534

01:35:38,470 --> 01:35:35,840

students on instead and she's great on

2535

01:35:40,550 --> 01:35:38,480

in her own right you know but again it's

2536

01:35:43,830 --> 01:35:40,560

not the same it's like i read the books

2537

01:35:44,870 --> 01:35:43,840

i would love to talk to him you know

2538

01:35:46,470 --> 01:35:44,880

of course

2539

01:35:48,390 --> 01:35:46,480

and it looks like the book that i read

2540

01:35:50,550 --> 01:35:48,400

was cosmic voyage

2541

01:35:52,550 --> 01:35:50,560

okay i think that i think that is the

2542

01:35:55,669 --> 01:35:52,560

first one because i think cosmic

2543

01:35:57,590 --> 01:35:55,679

explorers is the second one

2544

01:36:00,149 --> 01:35:57,600

yeah and i have cosmic explorers i

2545

01:36:02,229 --> 01:36:00,159

started it on this trip that i went uh

2546

01:36:03,669 --> 01:36:02,239

i haven't you know i haven't when i

2547

01:36:04,709 --> 01:36:03,679

started it so

2548

01:36:06,709 --> 01:36:04,719

right

2549

01:36:09,030 --> 01:36:06,719

but uh yeah it was just interesting you

2550

01:36:11,189 --> 01:36:09,040

know it was just like uh

2551

01:36:14,070 --> 01:36:11,199

just interesting anyway so i was like

2552

01:36:16,629 --> 01:36:14,080

yeah i'll do i'll i'll do transcendental

2553

01:36:17,910 --> 01:36:16,639

meditation and so far no martians i

2554

01:36:19,830 --> 01:36:17,920

haven't seen any martians but i'll let

2555

01:36:21,590 --> 01:36:19,840

you know as soon as i do

2556

01:36:24,470 --> 01:36:21,600

well what i found intriguing is the

2557

01:36:26,870 --> 01:36:24,480

process and how it's done and to be that

2558

01:36:29,430 --> 01:36:26,880

close because uh uh doesn't the first

2559

01:36:34,070 --> 01:36:29,440

one also have the the drawings

2560

01:36:36,870 --> 01:36:35,189

uh

2561

01:36:38,790 --> 01:36:36,880

that sounds familiar it might be the

2562

01:36:40,470 --> 01:36:38,800

second one let me check here okay yeah

2563

01:36:41,990 --> 01:36:40,480

yeah i'm not sure exactly it doesn't i

2564

01:36:44,070 --> 01:36:42,000

don't think it does that every chapter

2565

01:36:45,510 --> 01:36:44,080

but that's what i liked about it is that

2566

01:36:48,550 --> 01:36:45,520

um

2567

01:36:50,070 --> 01:36:48,560

it had a believable process right so if

2568

01:36:51,590 --> 01:36:50,080

you know

2569

01:36:54,310 --> 01:36:51,600

being giving these coordinates and then

2570

01:36:56,470 --> 01:36:54,320

coming up with something very similar to

2571

01:36:59,270 --> 01:36:56,480

what the person was initially wanting

2572

01:37:03,030 --> 01:36:59,280

them to look up it's um

2573

01:37:05,669 --> 01:37:03,040

it's almost like a double-blind study

2574

01:37:11,430 --> 01:37:07,510

yeah you know it

2575

01:37:16,310 --> 01:37:13,350

i mean i i'm very intrigued with the

2576

01:37:18,310 --> 01:37:16,320

process now whether or not those things

2577

01:37:20,310 --> 01:37:18,320

that he then found

2578

01:37:22,390 --> 01:37:20,320

right and the stories i mean i i don't

2579

01:37:24,470 --> 01:37:22,400

know i can't i can't confirm right

2580

01:37:25,430 --> 01:37:24,480

because so for example when he talks

2581

01:37:26,470 --> 01:37:25,440

about

2582

01:37:28,870 --> 01:37:26,480

um

2583

01:37:31,910 --> 01:37:28,880

was was it arizona or was that somewhere

2584

01:37:33,590 --> 01:37:31,920

in uh in the jungles of mexico mexico

2585

01:37:34,390 --> 01:37:33,600

right yeah

2586

01:37:39,669 --> 01:37:34,400

mexico

2587

01:37:41,910 --> 01:37:39,679

that's that's some of the uh um

2588

01:37:44,950 --> 01:37:41,920

off some of the alien

2589

01:37:46,870 --> 01:37:44,960

uh i guess races that then have that was

2590

01:37:48,390 --> 01:37:46,880

it that the memory swiped and then they

2591

01:37:51,030 --> 01:37:48,400

basically live as just

2592

01:37:53,030 --> 01:37:51,040

oh you know yeah south america south

2593

01:37:54,229 --> 01:37:53,040

america right in the jungle right

2594

01:37:56,870 --> 01:37:54,239

somewhere in the jungle and there's

2595

01:37:58,950 --> 01:37:56,880

they're living here and you know we just

2596

01:38:00,950 --> 01:37:58,960

look at them as as um

2597

01:38:04,070 --> 01:38:00,960

native tribes while in reality they are

2598

01:38:06,790 --> 01:38:04,080

alien so again i have no idea i've never

2599

01:38:09,430 --> 01:38:06,800

seen them never seen it personally it's

2600

01:38:11,030 --> 01:38:09,440

intriguing you know i'd love to believe

2601
01:38:13,030 --> 01:38:11,040
that it's true but again i don't know

2602
01:38:15,910 --> 01:38:13,040
man i can only you know tell people what

2603
01:38:17,669 --> 01:38:15,920
i've done personally go read it take the

2604
01:38:19,830 --> 01:38:17,679
information keep it in the back of your

2605
01:38:21,109 --> 01:38:19,840
head and so in the future if you get to

2606
01:38:23,109 --> 01:38:21,119
see something

2607
01:38:25,350 --> 01:38:23,119
you know similar to it you can either

2608
01:38:27,830 --> 01:38:25,360
have that for confirmation aha i know

2609
01:38:29,350 --> 01:38:27,840
what i've read about this or if it never

2610
01:38:31,669 --> 01:38:29,360
happens either you just haven't

2611
01:38:33,350 --> 01:38:31,679
experienced it yet or it's not true you

2612
01:38:34,870 --> 01:38:33,360
know but that's the only only thing i

2613
01:38:37,590 --> 01:38:34,880

can always recommend when it comes to

2614

01:38:39,910 --> 01:38:37,600

information take it in listen but then

2615

01:38:41,510 --> 01:38:39,920

just take you know

2616

01:38:42,870 --> 01:38:41,520

you know let life take its course and

2617

01:38:46,550 --> 01:38:42,880

see whether or not you find a

2618

01:38:51,030 --> 01:38:49,030

absolutely and are you gonna be at that

2619

01:38:53,350 --> 01:38:51,040

uh at the ozark

2620

01:38:55,140 --> 01:38:53,360

uh conference thing

2621

01:38:56,709 --> 01:38:55,150

is the sun gonna come up tomorrow

2622

01:38:59,510 --> 01:38:56,719

[Laughter]

2623

01:39:01,430 --> 01:38:59,520

yes no for sure part of the organizer so

2624

01:39:03,910 --> 01:39:01,440

i have to be

2625

01:39:06,070 --> 01:39:03,920

if i don't go if i don't if i don't go

2626

01:39:08,790 --> 01:39:06,080

there there's not going to be any audio

2627

01:39:10,709 --> 01:39:08,800

or any audio video it will just be a

2628

01:39:12,950 --> 01:39:10,719

bunch of people on stage screaming

2629

01:39:14,790 --> 01:39:12,960

trying to lecture so no i have to be

2630

01:39:17,510 --> 01:39:14,800

there

2631

01:39:19,750 --> 01:39:17,520

you know i don't really have any like

2632

01:39:21,510 --> 01:39:19,760

uh you know i don't know we'll see maybe

2633

01:39:23,350 --> 01:39:21,520

there's like a two maybe i'll check it

2634

01:39:25,510 --> 01:39:23,360

out i don't know

2635

01:39:27,270 --> 01:39:25,520

i've never never never been to anything

2636

01:39:28,950 --> 01:39:27,280

like that a convention like that maybe

2637

01:39:31,109 --> 01:39:28,960

i'll have to go check it out it was the

2638

01:39:33,990 --> 01:39:31,119

first convention where i basically lost

2639

01:39:35,430 --> 01:39:34,000

my ufo virginity too you know it was and

2640

01:39:37,830 --> 01:39:35,440

it's funny because i still have the

2641

01:39:39,590 --> 01:39:37,840

video i basically

2642

01:39:42,790 --> 01:39:39,600

in 2012

2643

01:39:45,189 --> 01:39:42,800

uh when i when i first went there was

2644

01:39:48,629 --> 01:39:45,199

basically three things within 10 minutes

2645

01:39:50,950 --> 01:39:48,639

span that were just uh basically set me

2646

01:39:52,149 --> 01:39:50,960

into the direction to to where i'm going

2647

01:39:54,950 --> 01:39:52,159

to now

2648

01:39:56,870 --> 01:39:54,960

one it was for the first time publicly

2649

01:39:59,510 --> 01:39:56,880

for me to come out to go to a convention

2650

01:40:01,669 --> 01:39:59,520

to come out of the ufo closet so before

2651
01:40:03,590 --> 01:40:01,679
i would always do everything on my own

2652
01:40:05,990 --> 01:40:03,600
but now i was actually conversing with

2653
01:40:07,590 --> 01:40:06,000
other and like-minded people to and not

2654
01:40:09,750 --> 01:40:07,600
only that i went to a convention where

2655
01:40:11,430 --> 01:40:09,760
there's like hundreds of them right and

2656
01:40:12,310 --> 01:40:11,440
so that was one

2657
01:40:15,669 --> 01:40:12,320
two

2658
01:40:17,750 --> 01:40:15,679
um i basically met well actually four

2659
01:40:20,790 --> 01:40:17,760
all together basically

2660
01:40:23,430 --> 01:40:20,800
met dolores cannon and my future wife at

2661
01:40:25,109 --> 01:40:23,440
the same time uh well not well at the

2662
01:40:26,870 --> 01:40:25,119
same moment they were next to each other

2663
01:40:28,629 --> 01:40:26,880

because she was selling her books and my

2664

01:40:30,870 --> 01:40:28,639

wife was the one that was putting the

2665

01:40:33,750 --> 01:40:30,880

books in the bag and then

2666

01:40:36,149 --> 01:40:33,760

um three as a right when i was done

2667

01:40:37,350 --> 01:40:36,159

having uh talking to dolores and she was

2668

01:40:38,870 --> 01:40:37,360

finished

2669

01:40:40,709 --> 01:40:38,880

signing the book i turned around and

2670

01:40:44,310 --> 01:40:40,719

there was a camera in my face and it was

2671

01:40:46,709 --> 01:40:44,320

the local tv and that was basically

2672

01:40:48,470 --> 01:40:46,719

being on tv for the first time being

2673

01:40:50,390 --> 01:40:48,480

asked questions about the conference

2674

01:40:53,109 --> 01:40:50,400

because at that time it was a five-hour

2675

01:40:55,109 --> 01:40:53,119

drive from saint louis to eureka springs

2676

01:40:57,510 --> 01:40:55,119

for me

2677

01:41:00,550 --> 01:40:57,520

so is it like you

2678

01:41:06,550 --> 01:41:00,560

like you do you fly into

2679

01:41:11,350 --> 01:41:09,510

oh if you're flying in uh there's xna

2680

01:41:13,030 --> 01:41:11,360

xna is the

2681

01:41:14,709 --> 01:41:13,040

um

2682

01:41:16,229 --> 01:41:14,719

it's the airport but i don't know if

2683

01:41:19,510 --> 01:41:16,239

it's what is it

2684

01:41:21,750 --> 01:41:19,520

fayetteville rogers yeah fayetteville

2685

01:41:24,149 --> 01:41:21,760

arkansas yeah fayetteville arkansas

2686

01:41:27,910 --> 01:41:24,159

that's the x and a that's the the call

2687

01:41:30,229 --> 01:41:27,920

signs for the airport yeah there it is

2688

01:41:32,070 --> 01:41:30,239

all right brother well i'm just just

2689

01:41:34,550 --> 01:41:32,080

checking out just checking out uh

2690

01:41:36,229 --> 01:41:34,560

airfare and all that but right

2691

01:41:38,149 --> 01:41:36,239

well hey if you're if you're interested

2692

01:41:40,149 --> 01:41:38,159

in going just don't forget what i was

2693

01:41:42,470 --> 01:41:40,159

maybe you didn't catch it um

2694

01:41:44,310 --> 01:41:42,480

every every day that or every time that

2695

01:41:46,870 --> 01:41:44,320

i'll have an interview if you like the

2696

01:41:50,870 --> 01:41:46,880

video and leave a comment with the

2697

01:41:53,189 --> 01:41:50,880

hashtag ozark2022

2698

01:41:54,950 --> 01:41:53,199

i will then do like a random

2699

01:41:57,990 --> 01:41:54,960

pick and you'll have a chance to win two

2700

01:42:00,390 --> 01:41:58,000

tickets to the conference and so

2701

01:42:02,629 --> 01:42:00,400

either you take care of it ahead of time

2702

01:42:05,030 --> 01:42:02,639

or if you want to take your chances and

2703

01:42:07,350 --> 01:42:05,040

i will in on march 9th i would um

2704

01:42:10,310 --> 01:42:07,360

announce announce a winner

2705

01:42:12,950 --> 01:42:10,320

that way it gives everyone

2706

01:42:14,550 --> 01:42:12,960

yeah on youtube on two on my videos i'll

2707

01:42:16,709 --> 01:42:14,560

basically if you

2708

01:42:18,750 --> 01:42:16,719

like the video and leave a comment with

2709

01:42:21,830 --> 01:42:18,760

a hashtag um

2710

01:42:24,149 --> 01:42:21,840

ozark2022 uh you'll have a chance to

2711

01:42:26,229 --> 01:42:24,159

win two tickets

2712

01:42:28,390 --> 01:42:26,239

right and so everyone else because i'm

2713

01:42:31,109 --> 01:42:28,400

letting it fully be randomized and using

2714

01:42:32,709 --> 01:42:31,119

um algorithms to pick so i'm sorry i

2715

01:42:35,910 --> 01:42:32,719

can't play favorites i really would like

2716

01:42:37,750 --> 01:42:35,920

to give an even chance to everything

2717

01:42:39,990 --> 01:42:37,760

yeah no problem brother it sounds good

2718

01:42:41,990 --> 01:42:40,000

man good to have you back

2719

01:42:43,510 --> 01:42:42,000

yeah well i'm back for now so good

2720

01:42:45,669 --> 01:42:43,520

talking to you thanks again for logging

2721

01:42:47,510 --> 01:42:45,679

in and chatting with me

2722

01:42:49,590 --> 01:42:47,520

yeah brother have a good night you too

2723

01:42:52,470 --> 01:42:49,600

bye-bye

2724

01:42:56,229 --> 01:42:52,480

okay um

2725

01:42:58,470 --> 01:42:56,239

spaceman i'm really sorry to say um i

2726

01:43:00,950 --> 01:42:58,480

only i can only give you about 10 to 15

2727

01:43:02,709 --> 01:43:00,960

minutes so you unmute it please mute

2728

01:43:07,430 --> 01:43:02,719

yourself on your end and you can talk to

2729

01:43:15,590 --> 01:43:09,750

spaceman do you hear me

2730

01:43:19,669 --> 01:43:17,109

spaceman

2731

01:43:23,270 --> 01:43:19,679

unmute yourself

2732

01:43:28,709 --> 01:43:26,550

going twice ah there we go

2733

01:43:31,270 --> 01:43:28,719

i wasn't sure i wasn't sure how to

2734

01:43:33,189 --> 01:43:31,280

unmute it i'm new to this so

2735

01:43:35,270 --> 01:43:33,199

um yeah i had a couple of things i can

2736

01:43:37,830 --> 01:43:35,280

talk about uh just quickly i'll just say

2737

01:43:40,310 --> 01:43:37,840

about this data mining uh the way the

2738

01:43:43,030 --> 01:43:40,320

data mining works um and the reason

2739

01:43:45,350 --> 01:43:43,040

people have high-end machines is because

2740

01:43:47,350 --> 01:43:45,360

um when someone makes a transaction

2741

01:43:49,510 --> 01:43:47,360

transaction in bitcoin it's the first

2742

01:43:50,830 --> 01:43:49,520

person to complete the transaction it

2743

01:43:54,629 --> 01:43:50,840

gets the

2744

01:43:56,229 --> 01:43:54,639

um profit from it right so

2745

01:43:58,790 --> 01:43:56,239

you've got to have a really high-end

2746

01:44:00,229 --> 01:43:58,800

machine so to do that so

2747

01:44:01,590 --> 01:44:00,239

unless you're running a server or

2748

01:44:03,350 --> 01:44:01,600

something you know you don't really have

2749

01:44:05,109 --> 01:44:03,360

any chance of making money out of that

2750

01:44:08,629 --> 01:44:05,119

system you know

2751

01:44:11,189 --> 01:44:08,639

um but i also wanted to say about people

2752

01:44:13,430 --> 01:44:11,199

who want to get control of their life uh

2753

01:44:16,790 --> 01:44:13,440

look up a website on youtube called

2754

01:44:18,790 --> 01:44:16,800

gemstone university uh they it's built

2755

01:44:20,950 --> 01:44:18,800

by a group of high-end lawyers and they

2756

01:44:23,590 --> 01:44:20,960

teach you every step on

2757

01:44:26,070 --> 01:44:23,600

how to use the system to create your own

2758

01:44:27,990 --> 01:44:26,080

uh society basically

2759

01:44:30,550 --> 01:44:28,000

um and get control of everything you

2760

01:44:33,590 --> 01:44:30,560

know taxes and the whole lot

2761

01:44:35,350 --> 01:44:33,600

but anyway uh with astral traveling i

2762

01:44:37,990 --> 01:44:35,360

just wanted to explain how people can

2763

01:44:39,109 --> 01:44:38,000

actually practice uh to learn how to do

2764

01:44:40,310 --> 01:44:39,119

that

2765

01:44:41,830 --> 01:44:40,320

um

2766

01:44:44,229 --> 01:44:41,840

because everything you know in the

2767

01:44:45,109 --> 01:44:44,239

astral plane is actually connected

2768

01:44:47,750 --> 01:44:45,119

so

2769

01:44:51,270 --> 01:44:47,760

our dreams dreams are a former astral

2770

01:44:52,950 --> 01:44:51,280

traveling and same as remote viewing um

2771

01:44:55,270 --> 01:44:52,960

except remote viewers do it while

2772

01:44:58,470 --> 01:44:55,280

they're conscious uh but when you astral

2773

01:44:59,590 --> 01:44:58,480

travel you're actually in a dream state

2774

01:45:01,990 --> 01:44:59,600

um

2775

01:45:03,830 --> 01:45:02,000

and the thing is with astral travel uh

2776

01:45:05,510 --> 01:45:03,840

what a lot of people don't realize you

2777

01:45:07,510 --> 01:45:05,520

should always have someone that knows

2778

01:45:09,430 --> 01:45:07,520

what you're doing because

2779

01:45:12,470 --> 01:45:09,440

when you do go into the astral plane

2780

01:45:14,709 --> 01:45:12,480

your body slows down uh and i mean every

2781

01:45:16,550 --> 01:45:14,719

part of it you know like so much so that

2782

01:45:18,070 --> 01:45:16,560

not even a doctor can detect if you're

2783

01:45:19,270 --> 01:45:18,080

alive or not

2784

01:45:21,750 --> 01:45:19,280

right so

2785

01:45:25,189 --> 01:45:23,430

the ancient people and that used to be

2786

01:45:26,790 --> 01:45:25,199

really in tune with astral traveling

2787

01:45:28,950 --> 01:45:26,800

because all knowledge is on the astral

2788

01:45:30,790 --> 01:45:28,960

plane you know you ask a question in the

2789

01:45:32,790 --> 01:45:30,800

astral plane you get the answer showing

2790

01:45:36,790 --> 01:45:32,800

to you straight away

2791

01:45:39,430 --> 01:45:36,800

um but to get into it um you just got to

2792

01:45:42,149 --> 01:45:39,440

listen find a quiet place

2793

01:45:44,709 --> 01:45:42,159

what i did to start it off was to

2794

01:45:46,790 --> 01:45:44,719

when i was taught it um i was told to

2795

01:45:48,950 --> 01:45:46,800

listen to a clock ticking you know next

2796

01:45:51,350 --> 01:45:48,960

to me on beside the bed

2797

01:45:53,270 --> 01:45:51,360

and what will happen is uh you listen to

2798

01:45:55,350 --> 01:45:53,280

that ticking noise and you gotta it's

2799

01:45:57,109 --> 01:45:55,360

really all about focus you can't lose

2800

01:45:59,350 --> 01:45:57,119

focus because if you lose focus you

2801
01:46:02,629 --> 01:45:59,360
could fall asleep or you just lose

2802
01:46:04,149 --> 01:46:02,639
control of the actual um

2803
01:46:05,669 --> 01:46:04,159
what what you're doing in the astral

2804
01:46:07,270 --> 01:46:05,679
plane so

2805
01:46:09,669 --> 01:46:07,280
but when you're so when you're listening

2806
01:46:11,910 --> 01:46:09,679
to a clock ticking uh what will happen

2807
01:46:15,030 --> 01:46:11,920
is that ticking noise will end up inside

2808
01:46:15,990 --> 01:46:15,040
your head like really really loud

2809
01:46:17,910 --> 01:46:16,000
and

2810
01:46:20,870 --> 01:46:17,920
you'll start hearing other noises

2811
01:46:22,870 --> 01:46:20,880
related to that ticking noise and from

2812
01:46:24,470 --> 01:46:22,880
my instance you know like i first

2813
01:46:25,990 --> 01:46:24,480

stopped i heard the ticking noise layout

2814

01:46:28,070 --> 01:46:26,000

in my head well that's the point where

2815

01:46:30,149 --> 01:46:28,080

you're you're in the astral plane but

2816

01:46:31,189 --> 01:46:30,159

you can fall asleep at that stage as

2817

01:46:33,109 --> 01:46:31,199

well

2818

01:46:34,709 --> 01:46:33,119

so if you don't sort of keep focus on

2819

01:46:36,870 --> 01:46:34,719

what you're doing you'll you will fall

2820

01:46:37,590 --> 01:46:36,880

asleep but um

2821

01:46:39,270 --> 01:46:37,600

so

2822

01:46:41,109 --> 01:46:39,280

you when you hear that ticking noise

2823

01:46:43,350 --> 01:46:41,119

you'll start hearing other noises and in

2824

01:46:44,229 --> 01:46:43,360

my case i heard like a squeaking wheel

2825

01:46:46,709 --> 01:46:44,239

you know

2826

01:46:48,870 --> 01:46:46,719

and when i um ask myself well oh what's

2827

01:46:50,629 --> 01:46:48,880

that you know i was showing this cog

2828

01:46:53,510 --> 01:46:50,639

that was turning inside the clock that

2829

01:46:56,550 --> 01:46:53,520

was making the arm go tick tock tick

2830

01:46:59,189 --> 01:46:56,560

tock you know so it's all related like

2831

01:47:01,270 --> 01:46:59,199

that you know so one thing leads on to

2832

01:47:03,270 --> 01:47:01,280

another so depending on the question you

2833

01:47:05,270 --> 01:47:03,280

asked to what you get shown next and to

2834

01:47:06,149 --> 01:47:05,280

where you get led to you know what i

2835

01:47:08,629 --> 01:47:06,159

mean

2836

01:47:10,390 --> 01:47:08,639

but when you're i am in that when that

2837

01:47:12,550 --> 01:47:10,400

noise is in your head you can go

2838

01:47:15,270 --> 01:47:12,560

anywhere you can um but you need to be

2839

01:47:17,270 --> 01:47:15,280

able to vision it you know so

2840

01:47:19,270 --> 01:47:17,280

you can connect with other people if you

2841

01:47:21,669 --> 01:47:19,280

can see that person's face in your in

2842

01:47:24,390 --> 01:47:21,679

your dream you know in your mind then

2843

01:47:26,070 --> 01:47:24,400

you'll link with that person um or with

2844

01:47:26,950 --> 01:47:26,080

an object you know it could be the moon

2845

01:47:29,270 --> 01:47:26,960

or

2846

01:47:31,030 --> 01:47:29,280

anything you know so

2847

01:47:32,629 --> 01:47:31,040

yeah that's how it sort of works but you

2848

01:47:34,310 --> 01:47:32,639

gotta you gotta practice it you know

2849

01:47:36,870 --> 01:47:34,320

it's not a simple

2850

01:47:40,709 --> 01:47:36,880

simple thing you know where meditation

2851
01:47:41,910 --> 01:47:40,719
is sort of more like um you you relax in

2852
01:47:44,070 --> 01:47:41,920
your mind and everything but you're

2853
01:47:45,030 --> 01:47:44,080
waiting for the answers or the you know

2854
01:47:46,870 --> 01:47:45,040
so

2855
01:47:49,030 --> 01:47:46,880
it's not directly connecting you to

2856
01:47:51,750 --> 01:47:49,040
where you want to be

2857
01:47:53,510 --> 01:47:51,760
so uh yeah um but i've got lots of

2858
01:47:54,790 --> 01:47:53,520
things to talk about but i'll catch you

2859
01:47:55,990 --> 01:47:54,800
on the next one i suppose because i

2860
01:47:59,189 --> 01:47:56,000
heard you were

2861
01:48:00,790 --> 01:47:59,199
thinking about going but right well

2862
01:48:02,629 --> 01:48:00,800
maybe i missed it can you explain just a

2863
01:48:06,310 --> 01:48:02,639

little bit how uh was it through

2864

01:48:09,430 --> 01:48:07,189

um

2865

01:48:14,070 --> 01:48:09,440

i'm sorry can you mute youtube i'm just

2866

01:48:19,109 --> 01:48:16,310

okay i was just gonna ask um if you can

2867

01:48:20,070 --> 01:48:19,119

just uh you know explain how do you know

2868

01:48:22,310 --> 01:48:20,080

um

2869

01:48:24,470 --> 01:48:22,320

the process are you just from something

2870

01:48:27,109 --> 01:48:24,480

you read or something you've experienced

2871

01:48:29,590 --> 01:48:27,119

i'm sorry if i missed it

2872

01:48:31,830 --> 01:48:29,600

i've had lots of missing event time

2873

01:48:32,950 --> 01:48:31,840

events and

2874

01:48:34,870 --> 01:48:32,960

sort of

2875

01:48:37,430 --> 01:48:34,880

sightings and stuff i haven't been lucky

2876

01:48:40,790 --> 01:48:37,440

enough to like have direct connection to

2877

01:48:44,709 --> 01:48:40,800

any aliens but i've had like ufos follow

2878

01:48:46,709 --> 01:48:44,719

me on boats underwater and um

2879

01:48:48,390 --> 01:48:46,719

you know i had figures of people

2880

01:48:50,229 --> 01:48:48,400

following me across the road you know

2881

01:48:51,109 --> 01:48:50,239

that were just like blowing light you

2882

01:48:52,950 --> 01:48:51,119

know

2883

01:48:56,310 --> 01:48:52,960

things like that but

2884

01:48:58,550 --> 01:48:56,320

um with my missing time event uh though

2885

01:49:00,870 --> 01:48:58,560

after that i started getting images in

2886

01:49:02,149 --> 01:49:00,880

my head of this reactor like a plasma

2887

01:49:03,750 --> 01:49:02,159

reactor

2888

01:49:05,430 --> 01:49:03,760

and um

2889

01:49:07,430 --> 01:49:05,440

when i get asked the questions about

2890

01:49:09,030 --> 01:49:07,440

what it is you know it's apparently some

2891

01:49:11,510 --> 01:49:09,040

sort of anti-gravity

2892

01:49:13,669 --> 01:49:11,520

engine or whatever you know like a ufo

2893

01:49:15,350 --> 01:49:13,679

engine or something but it's it's

2894

01:49:17,990 --> 01:49:15,360

nothing like i've ever seen you know

2895

01:49:21,669 --> 01:49:18,000

anyone construct or anything you know

2896

01:49:24,470 --> 01:49:21,679

but um i also know about another plasma

2897

01:49:27,669 --> 01:49:24,480

engine that works on two plasma fields

2898

01:49:29,910 --> 01:49:27,679

resonating with each other pulsing a

2899

01:49:31,990 --> 01:49:29,920

pulsing and creating energy and pulsing

2900

01:49:33,589 --> 01:49:32,000

the other one and then it returns the

2901

01:49:35,589 --> 01:49:33,599

same thing and and they go into

2902

01:49:38,070 --> 01:49:35,599

resonance with each other

2903

01:49:40,390 --> 01:49:38,080

so it's sort of similar to

2904

01:49:42,709 --> 01:49:40,400

that kind of plasma reaction but it's

2905

01:49:44,870 --> 01:49:42,719

different you know i've been trying to

2906

01:49:47,589 --> 01:49:44,880

make it up in 3d so i can show it to

2907

01:49:50,629 --> 01:49:47,599

people um so someone that's got them

2908

01:49:53,109 --> 01:49:50,639

money to build it could you know

2909

01:49:54,550 --> 01:49:53,119

right um it's not as easy it's hard to

2910

01:49:57,030 --> 01:49:54,560

sort out because it's just

2911

01:49:58,790 --> 01:49:57,040

two spheres inside one inside the other

2912

01:50:00,390 --> 01:49:58,800

so it's a bit hard to

2913

01:50:02,790 --> 01:50:00,400

sort of um

2914

01:50:05,030 --> 01:50:02,800

draw it out in 3d you know i'm not that

2915

01:50:08,709 --> 01:50:05,040

skilled at that so

2916

01:50:11,030 --> 01:50:08,719

yeah but um yeah like i've actually seen

2917

01:50:13,030 --> 01:50:11,040

the real moon landing video that uh

2918

01:50:15,990 --> 01:50:13,040

national showed here in australia one

2919

01:50:18,550 --> 01:50:16,000

night on our news um i've seen

2920

01:50:21,030 --> 01:50:18,560

the roswell crash video that the farmers

2921

01:50:23,589 --> 01:50:21,040

took before they told the military

2922

01:50:26,310 --> 01:50:23,599

um and the four alien bodies they found

2923

01:50:28,149 --> 01:50:26,320

and um so

2924

01:50:29,750 --> 01:50:28,159

you saw it uh

2925

01:50:32,950 --> 01:50:29,760

was it a different video in australia

2926

01:50:34,950 --> 01:50:32,960

australia what kind of was it a show

2927

01:50:36,950 --> 01:50:34,960

well we had a we had an astronaut come

2928

01:50:38,790 --> 01:50:36,960

here and he was claiming it was time

2929

01:50:40,470 --> 01:50:38,800

america told the truth about what they

2930

01:50:42,709 --> 01:50:40,480

found on the moon and why they went

2931

01:50:44,950 --> 01:50:42,719

there and he talked about a grid on the

2932

01:50:47,109 --> 01:50:44,960

surface of the moon and how

2933

01:50:48,790 --> 01:50:47,119

they knew it was man-made but no matter

2934

01:50:50,470 --> 01:50:48,800

how good a telescope they built they

2935

01:50:52,229 --> 01:50:50,480

couldn't see what it was you know and

2936

01:50:54,149 --> 01:50:52,239

that's what the race was to get up there

2937

01:50:56,310 --> 01:50:54,159

in case they found technology and put

2938

01:50:57,669 --> 01:50:56,320

them above the rest of the world

2939

01:50:59,350 --> 01:50:57,679

and um

2940

01:51:01,270 --> 01:50:59,360

when they did get out there like in the

2941

01:51:02,950 --> 01:51:01,280

film they showed all the whole thing in

2942

01:51:04,709 --> 01:51:02,960

the news highlights because they knew

2943

01:51:06,629 --> 01:51:04,719

they wouldn't get it on the news itself

2944

01:51:07,830 --> 01:51:06,639

you know because um the suppression and

2945

01:51:10,390 --> 01:51:07,840

whatnot

2946

01:51:12,550 --> 01:51:10,400

and um they said they showed it from the

2947

01:51:14,470 --> 01:51:12,560

countdown like when it when the lander

2948

01:51:15,669 --> 01:51:14,480

was coming down to touch the surface of

2949

01:51:16,470 --> 01:51:15,679

the moon and

2950

01:51:18,470 --> 01:51:16,480

and

2951
01:51:20,709 --> 01:51:18,480
when that when it hit the moon it rang

2952
01:51:22,709 --> 01:51:20,719
it rang like a bell for like over half

2953
01:51:24,390 --> 01:51:22,719
an hour you know like it just kept on

2954
01:51:26,310 --> 01:51:24,400
ringing you know

2955
01:51:28,470 --> 01:51:26,320
and that's why they couldn't they would

2956
01:51:30,229 --> 01:51:28,480
have had to have made a fake moon

2957
01:51:32,149 --> 01:51:30,239
landing video because it you know they

2958
01:51:34,709 --> 01:51:32,159
couldn't have covered up what they

2959
01:51:36,550 --> 01:51:34,719
what they showed in this film you know

2960
01:51:37,910 --> 01:51:36,560
and uh they get out they get out of the

2961
01:51:39,750 --> 01:51:37,920
land and they

2962
01:51:41,270 --> 01:51:39,760
pointed out how the moon's still ringing

2963
01:51:42,310 --> 01:51:41,280

you know i'm talking to the guy up in

2964

01:51:44,950 --> 01:51:42,320

orbit

2965

01:51:46,950 --> 01:51:44,960

and um then they walk up over this crest

2966

01:51:49,270 --> 01:51:46,960

to go and investigate what the grid was

2967

01:51:51,350 --> 01:51:49,280

and it's a city made of glass

2968

01:51:53,990 --> 01:51:51,360

with seven mile tall buildings that were

2969

01:51:55,589 --> 01:51:54,000

casting a shadow and it was a shadow

2970

01:51:57,189 --> 01:51:55,599

that they could see from earth not the

2971

01:52:00,070 --> 01:51:57,199

buildings

2972

01:52:01,669 --> 01:52:00,080

and um they even they sort of cut out

2973

01:52:03,270 --> 01:52:01,679

there and then they come back on and

2974

01:52:04,310 --> 01:52:03,280

they're actually walking in the streets

2975

01:52:06,709 --> 01:52:04,320

of these

2976

01:52:08,470 --> 01:52:06,719

in this city you know and um

2977

01:52:10,629 --> 01:52:08,480

one's got a camera and he's just taking

2978

01:52:12,629 --> 01:52:10,639

photographs and the other astronaut had

2979

01:52:15,030 --> 01:52:12,639

an actual video camera attached to his

2980

01:52:17,430 --> 01:52:15,040

chest and he was filming everything

2981

01:52:19,189 --> 01:52:17,440

uh and the guy with the video camera he

2982

01:52:21,350 --> 01:52:19,199

actually comes across this big tunnel

2983

01:52:23,669 --> 01:52:21,360

with a glass iris on it you know going

2984

01:52:26,070 --> 01:52:23,679

into the surface of the moon

2985

01:52:27,589 --> 01:52:26,080

and he said he says to the

2986

01:52:31,830 --> 01:52:27,599

um

2987

01:52:33,669 --> 01:52:31,840

holy damn this thing could be this is

2988

01:52:34,629 --> 01:52:33,679

big enough to drive a bloody coal truck

2989

01:52:37,270 --> 01:52:34,639

down

2990

01:52:38,950 --> 01:52:37,280

and um it just as he said that he sort

2991

01:52:40,629 --> 01:52:38,960

of hang on a minute he said listen and

2992

01:52:42,950 --> 01:52:40,639

he he went quiet and you could hear the

2993

01:52:44,870 --> 01:52:42,960

moon still ringing even though they this

2994

01:52:45,990 --> 01:52:44,880

is ages later they've walked into this

2995

01:52:48,070 --> 01:52:46,000

city

2996

01:52:49,830 --> 01:52:48,080

and then he bends down he scoops up some

2997

01:52:51,750 --> 01:52:49,840

of the dust and he has a closer look at

2998

01:52:54,149 --> 01:52:51,760

him goes you know what this isn't dust

2999

01:52:56,390 --> 01:52:54,159

this is drilling fibers someone's mining

3000

01:52:58,550 --> 01:52:56,400

the moon and just as he said that the

3001
01:53:00,870 --> 01:52:58,560
guy up in orbit goes by he's vogue he's

3002
01:53:03,030 --> 01:53:00,880
11 o'clock and he pans across away from

3003
01:53:05,030 --> 01:53:03,040
the astronauts to the left of them and

3004
01:53:07,669 --> 01:53:05,040
you see these two black ufos coming

3005
01:53:09,910 --> 01:53:07,679
around from the dark side and they come

3006
01:53:11,669 --> 01:53:09,920
flying past these two astronauts at high

3007
01:53:13,270 --> 01:53:11,679
speed and made all the dust well up

3008
01:53:16,390 --> 01:53:13,280
around them and everything

3009
01:53:18,629 --> 01:53:16,400
and uh the two astronauts they

3010
01:53:20,629 --> 01:53:18,639
spoke to the guy out and said no i think

3011
01:53:22,390 --> 01:53:20,639
we've just been asked to leave and they

3012
01:53:24,470 --> 01:53:22,400
turned around and started

3013
01:53:26,550 --> 01:53:24,480

hopping out of there you know

3014

01:53:30,229 --> 01:53:26,560

so yeah i'm not surprised that they made

3015

01:53:31,910 --> 01:53:30,239

a fake moon landing video at all

3016

01:53:33,430 --> 01:53:31,920

you mean i'm sorry

3017

01:53:35,830 --> 01:53:33,440

forgive me i'm kind of slow on the

3018

01:53:37,350 --> 01:53:35,840

update today so you somebody told you

3019

01:53:43,270 --> 01:53:37,360

the story or you said you watched

3020

01:53:47,589 --> 01:53:45,350

before the news started

3021

01:53:49,189 --> 01:53:47,599

the whole thing when was this

3022

01:53:52,709 --> 01:53:49,199

when was this

3023

01:53:56,470 --> 01:53:54,229

i was actually going to try and it was

3024

01:53:57,990 --> 01:53:56,480

back in the day the vh said no i was

3025

01:54:00,790 --> 01:53:58,000

looking around while i was playing and

3026

01:54:03,189 --> 01:54:00,800

trying to get a blank tape to record it

3027

01:54:05,189 --> 01:54:03,199

and um but by the time i found a blank

3028

01:54:06,470 --> 01:54:05,199

tape i realized oh then they're not

3029

01:54:08,390 --> 01:54:06,480

going to stop they're going to actually

3030

01:54:10,629 --> 01:54:08,400

keep playing it you know because it had

3031

01:54:12,070 --> 01:54:10,639

already gone so much information it had

3032

01:54:13,669 --> 01:54:12,080

already come out you know i thought yeah

3033

01:54:15,589 --> 01:54:13,679

they're not going to put it on the news

3034

01:54:17,910 --> 01:54:15,599

because it's not going to make it but

3035

01:54:19,750 --> 01:54:17,920

i had a tape ready to go but by time i

3036

01:54:21,589 --> 01:54:19,760

did that it was sort of nearly over so i

3037

01:54:22,709 --> 01:54:21,599

didn't get to capture much of it at all

3038

01:54:24,709 --> 01:54:22,719

so

3039

01:54:26,149 --> 01:54:24,719

um but if people look up glass

3040

01:54:28,229 --> 01:54:26,159

structures on the moon you'll see them

3041

01:54:29,669 --> 01:54:28,239

for yourself there's plenty of evidence

3042

01:54:32,870 --> 01:54:29,679

out there of it

3043

01:54:33,910 --> 01:54:32,880

um but yeah so

3044

01:54:35,589 --> 01:54:33,920

um

3045

01:54:39,350 --> 01:54:35,599

yeah the moon landing was definitely

3046

01:54:42,950 --> 01:54:39,360

real um also with um

3047

01:54:45,589 --> 01:54:42,960

uh i've i've also seen two man-made ufos

3048

01:54:48,629 --> 01:54:45,599

built here in australia back in 1973

3049

01:54:51,510 --> 01:54:48,639

that i walked underwater flying them

3050

01:54:54,709 --> 01:54:51,520

yeah so we've had anti-gravity first

3051

01:54:56,070 --> 01:54:54,719

since 1973 that i know of

3052

01:54:58,950 --> 01:54:56,080

you know

3053

01:55:02,550 --> 01:54:58,960

so yeah not all ufos i believe are

3054

01:55:04,310 --> 01:55:02,560

around from other worlds you know

3055

01:55:05,830 --> 01:55:04,320

it's hard to believe that us our

3056

01:55:08,790 --> 01:55:05,840

governments aren't playing around with

3057

01:55:12,790 --> 01:55:11,109

well the victorian railway was one of

3058

01:55:14,790 --> 01:55:12,800

the companies that actually built this

3059

01:55:17,510 --> 01:55:14,800

ufo and they didn't tell everyone when

3060

01:55:20,950 --> 01:55:17,520

they test flew the the prototype they

3061

01:55:21,910 --> 01:55:20,960

flew it over my nan's house uh in forker

3062

01:55:23,830 --> 01:55:21,920

um

3063

01:55:25,669 --> 01:55:23,840

and they just told announce day of the

3064

01:55:27,350 --> 01:55:25,679

radio you know that people important if

3065

01:55:29,669 --> 01:55:27,360

you're raced outside you may get to see

3066

01:55:30,950 --> 01:55:29,679

your very first ufo and that's exactly

3067

01:55:33,189 --> 01:55:30,960

what i did

3068

01:55:34,950 --> 01:55:33,199

and uh as i went out my nan's back door

3069

01:55:37,270 --> 01:55:34,960

this thing's coming over my name's back

3070

01:55:39,350 --> 01:55:37,280

fence you know and i it was going really

3071

01:55:41,510 --> 01:55:39,360

slow like walking pace you know and i i

3072

01:55:42,950 --> 01:55:41,520

could i had time to climb up on the roof

3073

01:55:44,870 --> 01:55:42,960

and touch it if i wanted it was that

3074

01:55:46,950 --> 01:55:44,880

close to the ground you know

3075

01:55:48,790 --> 01:55:46,960

and i but i i didn't know what to do i

3076

01:55:50,229 --> 01:55:48,800

was sort of panicked at first and i

3077

01:55:52,470 --> 01:55:50,239

looked at the trees and they weren't

3078

01:55:54,709 --> 01:55:52,480

wilting or doing anything and i thought

3079

01:55:56,629 --> 01:55:54,719

oh i'll just stand here and what should

3080

01:55:59,830 --> 01:55:56,639

go over then you know and

3081

01:56:02,390 --> 01:55:59,840

and um so i watched it hover over our

3082

01:56:04,629 --> 01:56:02,400

house and it only made a slight humming

3083

01:56:06,470 --> 01:56:04,639

noise you know and now that i'm older

3084

01:56:08,709 --> 01:56:06,480

and i understand electronics it was

3085

01:56:10,790 --> 01:56:08,719

really what it reminds me of is like a

3086

01:56:12,709 --> 01:56:10,800

transformer building up energy and then

3087

01:56:16,870 --> 01:56:12,719

dissipating again because doing this

3088

01:56:20,550 --> 01:56:18,870

like that over and over

3089

01:56:22,390 --> 01:56:20,560

and um so

3090

01:56:24,709 --> 01:56:22,400

um but under that it had like these

3091

01:56:25,990 --> 01:56:24,719

glowing red rings but they were like red

3092

01:56:28,870 --> 01:56:26,000

fluoro

3093

01:56:30,870 --> 01:56:28,880

lights but in a rain circle like a big

3094

01:56:32,790 --> 01:56:30,880

ten foot one in the middle and then five

3095

01:56:33,910 --> 01:56:32,800

two foot ones on the outside of that

3096

01:56:35,990 --> 01:56:33,920

bigger one

3097

01:56:37,910 --> 01:56:36,000

um but they didn't glow like a light

3098

01:56:40,550 --> 01:56:37,920

they reminded me more of a glowing

3099

01:56:43,350 --> 01:56:40,560

element on a on a stove top or something

3100

01:56:45,109 --> 01:56:43,360

you know that kind of reddish orange you

3101

01:56:47,430 --> 01:56:45,119

know sort of glow

3102

01:56:49,669 --> 01:56:47,440

um so i'm assuming they were like uh

3103

01:56:50,709 --> 01:56:49,679

coils that were like had a lot of power

3104

01:56:52,790 --> 01:56:50,719

running through them and they were

3105

01:56:53,990 --> 01:56:52,800

glowing because the copper heating up or

3106

01:56:57,270 --> 01:56:54,000

whatever

3107

01:56:59,669 --> 01:56:57,280

um but uh yeah it was after they did

3108

01:57:01,350 --> 01:56:59,679

that that night the next day victorian

3109

01:57:03,589 --> 01:57:01,360

railway announced that they were the

3110

01:57:05,189 --> 01:57:03,599

ones that built the craft and were test

3111

01:57:06,790 --> 01:57:05,199

flying it and we're asking the

3112

01:57:09,109 --> 01:57:06,800

government for funding to build one big

3113

01:57:11,350 --> 01:57:09,119

enough to carry 200 people

3114

01:57:13,270 --> 01:57:11,360

and so the government refused and said

3115

01:57:14,950 --> 01:57:13,280

no we're not going to fund unproven

3116

01:57:16,550 --> 01:57:14,960

technology even though they were flying

3117

01:57:18,229 --> 01:57:16,560

this thing around

3118

01:57:19,350 --> 01:57:18,239

um

3119

01:57:20,950 --> 01:57:19,360

so the

3120

01:57:22,950 --> 01:57:20,960

railway company said well if you don't

3121

01:57:24,790 --> 01:57:22,960

give us the money you know we'll um

3122

01:57:26,390 --> 01:57:24,800

publish the design in the paper so

3123

01:57:27,669 --> 01:57:26,400

anyone who had the money could build it

3124

01:57:29,589 --> 01:57:27,679

themselves

3125

01:57:32,550 --> 01:57:29,599

and they gave them a two-week deadline

3126

01:57:34,229 --> 01:57:32,560

to make a decision and in the end after

3127

01:57:35,910 --> 01:57:34,239

the two weeks they still wouldn't come

3128

01:57:38,870 --> 01:57:35,920

forward with the money so they did they

3129

01:57:40,950 --> 01:57:38,880

published a design in the paper and i i

3130

01:57:42,709 --> 01:57:40,960

was only nine years old i used to get

3131

01:57:44,470 --> 01:57:42,719

the paper from my grandfather so i went

3132

01:57:46,070 --> 01:57:44,480

down the shop you know eagerly to get

3133

01:57:47,830 --> 01:57:46,080

the paper and sure enough it was like

3134

01:57:49,430 --> 01:57:47,840

about an inch thick you know

3135

01:57:51,430 --> 01:57:49,440

and i get home put it on the kitchen

3136

01:57:52,870 --> 01:57:51,440

table and open it up and sure enough

3137

01:57:55,990 --> 01:57:52,880

there's all these schematics on how to

3138

01:57:57,669 --> 01:57:56,000

build this ufo and i i just didn't as a

3139

01:57:59,030 --> 01:57:57,679

boy i didn't know about suppression you

3140

01:58:00,790 --> 01:57:59,040

know i just rubbed my hands together

3141

01:58:02,229 --> 01:58:00,800

thinking oh how great this was you know

3142

01:58:03,990 --> 01:58:02,239

because the time i was old enough to get

3143

01:58:05,589 --> 01:58:04,000

a license we'd be driving around in

3144

01:58:08,390 --> 01:58:05,599

these things you know

3145

01:58:10,390 --> 01:58:08,400

but um you know as a as i got older i

3146

01:58:12,070 --> 01:58:10,400

realized about support i found out about

3147

01:58:14,149 --> 01:58:12,080

suppression and everything and i tried

3148

01:58:16,149 --> 01:58:14,159

to locate it you know like through the

3149

01:58:18,310 --> 01:58:16,159

archives and whatnot but

3150

01:58:20,149 --> 01:58:18,320

the papers swapped hands about three

3151

01:58:22,470 --> 01:58:20,159

times since then you know and changed

3152

01:58:25,589 --> 01:58:22,480

its name merge with other papers and all

3153

01:58:27,589 --> 01:58:25,599

this sort of deal so i was i had no luck

3154

01:58:28,950 --> 01:58:27,599

you know it was hard to even remember

3155

01:58:30,629 --> 01:58:28,960

what the paper was you know because they

3156

01:58:33,589 --> 01:58:30,639

had the herald and the herald sun and

3157

01:58:35,270 --> 01:58:33,599

the um the sun you know so there's all

3158

01:58:37,189 --> 01:58:35,280

these different names and then they all

3159

01:58:39,510 --> 01:58:37,199

merged and

3160

01:58:41,510 --> 01:58:39,520

yeah so i haven't been able to find i

3161

01:58:43,430 --> 01:58:41,520

even rang up the companies and spoke to

3162

01:58:45,750 --> 01:58:43,440

the managers and that and tried to ask

3163

01:58:47,350 --> 01:58:45,760

them if they had any idea how to locate

3164

01:58:49,910 --> 01:58:47,360

it but no

3165

01:58:52,229 --> 01:58:49,920

right no no i think that would have

3166

01:58:53,910 --> 01:58:52,239

well spaceman i wish you would have um

3167

01:58:56,550 --> 01:58:53,920

uh logged in

3168

01:59:00,070 --> 01:58:56,560

i'm sorry can you just for quick seconds

3169

01:59:02,470 --> 01:59:00,080

uh mute youtube follow me please

3170

01:59:03,510 --> 01:59:02,480

i've closed it all together

3171

01:59:05,350 --> 01:59:03,520

okay

3172

01:59:09,669 --> 01:59:05,360

all right there we go yeah because i was

3173

01:59:13,589 --> 01:59:11,430

okay but anyway we're finishing up

3174

01:59:16,310 --> 01:59:13,599

anyways i was just gonna say i hope then

3175

01:59:18,149 --> 01:59:16,320

next time you uh log in a bit early and

3176

01:59:20,310 --> 01:59:18,159

then continue you know chatting with me

3177

01:59:22,070 --> 01:59:20,320

and sharing sharing your you know your

3178

01:59:23,430 --> 01:59:22,080

story and all these different things

3179

01:59:26,629 --> 01:59:23,440

that you know i certainly appreciate

3180

01:59:28,830 --> 01:59:26,639

what you shared so far

3181

01:59:31,510 --> 01:59:28,840

you've got lots to talk about but

3182

01:59:34,310 --> 01:59:31,520

um it was i was new to a telegram i you

3183

01:59:36,070 --> 01:59:34,320

asked me once before in an email to um i

3184

01:59:39,109 --> 01:59:36,080

sent you a photo of a man made your

3185

01:59:41,189 --> 01:59:39,119

photo that was similar to the one i saw

3186

01:59:42,950 --> 01:59:41,199

but um yeah now i've got telegram in

3187

01:59:45,030 --> 01:59:42,960

store now i don't know what's going on i

3188

01:59:46,950 --> 01:59:45,040

can join in next time so

3189

01:59:49,589 --> 01:59:46,960

yeah please do uh be on the lookout i'll

3190

01:59:50,550 --> 01:59:49,599

always post something on the youtube uh

3191

01:59:52,149 --> 01:59:50,560

uh

3192

01:59:54,790 --> 01:59:52,159

group i'm not a

3193

01:59:56,790 --> 01:59:54,800

youtube community chat and i will always

3194

01:59:58,550 --> 01:59:56,800

have on telegram

3195

02:00:00,550 --> 01:59:58,560

i would have a message up there when the

3196

02:00:02,390 --> 02:00:00,560

next open line says so

3197

02:00:04,070 --> 02:00:02,400

um i hope you

3198

02:00:05,910 --> 02:00:04,080

log in straight away and be the first

3199

02:00:07,910 --> 02:00:05,920

one

3200

02:00:09,669 --> 02:00:07,920

yeah definitely i'll keep an eye out for

3201

02:00:11,270 --> 02:00:09,679

it

3202

02:00:12,470 --> 02:00:11,280

so

3203

02:00:13,990 --> 02:00:12,480

yeah

3204

02:00:15,830 --> 02:00:14,000

all right well thanks again you know uh

3205

02:00:19,910 --> 02:00:15,840

please please call in again and then

3206

02:00:26,149 --> 02:00:21,270

thank you

3207

02:00:29,589 --> 02:00:26,159

all right i'm sorry i'm gonna have to

3208

02:00:31,669 --> 02:00:29,599

make it short today but um uh certainly

3209

02:00:33,350 --> 02:00:31,679

uh appreciate you guys logging in today

3210

02:00:35,350 --> 02:00:33,360

and and um

3211

02:00:37,430 --> 02:00:35,360

at least being part of this this

3212

02:00:40,229 --> 02:00:37,440

installment i don't know exactly when i

3213

02:00:42,470 --> 02:00:40,239

when will um when i will have a next

3214

02:00:44,629 --> 02:00:42,480

open lines but just like i said please

3215

02:00:46,550 --> 02:00:44,639

be on the lookout i will always

3216

02:00:49,589 --> 02:00:46,560

post something a message on when it's

3217

02:00:51,910 --> 02:00:49,599

coming up in the telegram group or the

3218

02:00:54,310 --> 02:00:51,920

uh youtube community tab if you go on

3219

02:00:57,589 --> 02:00:54,320

the ufo hub youtube channel the

3220

02:00:58,709 --> 02:00:57,599

community tab i'll usually just post

3221

02:01:00,709 --> 02:00:58,719

for those

3222

02:01:02,629 --> 02:01:00,719

actually you have to be subscribed to

3223

02:01:04,629 --> 02:01:02,639

see those i believe

3224

02:01:06,950 --> 02:01:04,639

otherwise you won't be notified but

3225

02:01:08,550 --> 02:01:06,960

anyway that's why i usually

3226

02:01:10,149 --> 02:01:08,560

anything upcoming

3227

02:01:11,750 --> 02:01:10,159

i'll put that up there if it's something

3228

02:01:13,750 --> 02:01:11,760

more important i'll actually made it

3229

02:01:15,669 --> 02:01:13,760

that it may would make a dedicated video

3230

02:01:17,669 --> 02:01:15,679

about it so

3231

02:01:18,790 --> 02:01:17,679

really sorry i have to cut a short today

3232

02:01:23,270 --> 02:01:18,800

i'm

3233

02:01:25,510 --> 02:01:23,280

able to to join me and um

3234

02:01:28,709 --> 02:01:25,520

um just be on the lookout for upcoming

3235

02:01:30,870 --> 02:01:28,719

interviews as well and so um i can't

3236

02:01:32,950 --> 02:01:30,880

give you an exact time when i will do

3237

02:01:35,350 --> 02:01:32,960

what but like i said

3238

02:01:37,589 --> 02:01:35,360

um i will the second i know something

3239

02:01:40,310 --> 02:01:37,599

the second it's that it is going to

3240

02:01:42,390 --> 02:01:40,320

happen it will be on telegram announced

3241

02:01:43,830 --> 02:01:42,400

and the youtube community tab so

3242

02:01:45,750 --> 02:01:43,840

certainly hope you

3243

02:01:47,589 --> 02:01:45,760

uh pay attention to those and take

3244

02:01:50,470 --> 02:01:47,599

advantage to be part of the live stream

3245

02:01:52,950 --> 02:01:50,480

again all right so thank you all again i
