LIVE STREAM

1
00:00:07,759 --> 00:00:31,750

so

2
00:00:31,760 --> 00:01:07,350

[Music]

3
00:01:12,789 --> 00:01:10,070

hey everyone welcome to jfab live stream

4
00:01:15,830 --> 00:01:12,799

today's guest is going to be um

5
00:01:18,390 --> 00:01:15,840

john alexander and um he will be one of

6
00:01:20,870 --> 00:01:18,400

the keynote speakers during the ozark

7
00:01:23,590 --> 00:01:20,880

mountain ufo conference and it's going

8
00:01:25,429 --> 00:01:23,600

to take place in eureka springs in april

9
00:01:27,190 --> 00:01:25,439

from the 8th till 10th

10
00:01:29,270 --> 00:01:27,200

and so

11
00:01:31,429 --> 00:01:29,280

for some of you later on when we start

12
00:01:33,429 --> 00:01:31,439

doing the q a you can submit your

13
00:01:35,510 --> 00:01:33,439

question in the chat

14

00:01:37,990 --> 00:01:35,520

simply put three asterisks before your

15

00:01:40,149 --> 00:01:38,000

questions so it easily pops out at me

16

00:01:43,830 --> 00:01:40,159

and for those that would like to ask a

17

00:01:45,670 --> 00:01:43,840

question directly um you can join the

18

00:01:47,749 --> 00:01:45,680

live stream or the live chat that's

19

00:01:49,990 --> 00:01:47,759

going on right now in telegram you can

20

00:01:51,990 --> 00:01:50,000

download the app on your computer or

21

00:01:54,149 --> 00:01:52,000

phone and see the

22

00:01:56,469 --> 00:01:54,159

live chat going on right now simply

23

00:01:57,510 --> 00:01:56,479

raise your hand and you'll be added to

24

00:02:00,069 --> 00:01:57,520

my cue

25

00:02:02,230 --> 00:02:00,079

so i guess as always

26

00:02:03,590 --> 00:02:02,240

let's let me then bring in the guests

27

00:02:07,429 --> 00:02:03,600

and i'll let them get into their

28

00:02:12,710 --> 00:02:09,510

so welcome john how are you uh thanks

29

00:02:17,270 --> 00:02:15,510

pretty good let's have a look

30

00:02:19,910 --> 00:02:17,280

well thank you very much for uh for

31

00:02:21,990 --> 00:02:19,920

being on today and um i apologize for

32

00:02:24,309 --> 00:02:22,000

any technical difficulties we were

33

00:02:25,670 --> 00:02:24,319

trying to figure some things out with

34

00:02:27,589 --> 00:02:25,680

the

35

00:02:29,190 --> 00:02:27,599

slides and whatnot and unfortunately

36

00:02:31,350 --> 00:02:29,200

couldn't get that figured out but i'm

37

00:02:33,990 --> 00:02:31,360

glad he's connected audio is good video

38

00:02:35,430 --> 00:02:34,000

is good so we'll go from there so john

39

00:02:37,990 --> 00:02:35,440

if you could please start out a little

40

00:02:40,710 --> 00:02:38,000

bit about your background and what got

41

00:02:42,150 --> 00:02:40,720

you going in in this in this subject in

42

00:02:45,190 --> 00:02:42,160

the beginning and then we'll go from

43

00:02:50,390 --> 00:02:47,110

well i guess my first question would be

44

00:02:53,430 --> 00:02:50,400

is which is this subject

45

00:02:55,190 --> 00:02:53,440

well about like a whole broad range of

46

00:02:57,670 --> 00:02:55,200

things you know it's a ufo conference

47

00:02:58,790 --> 00:02:57,680

which although so my talk is far broader

48

00:03:01,190 --> 00:02:58,800

than

49

00:03:03,750 --> 00:03:01,200

ufos

50

00:03:06,869 --> 00:03:03,760

well i figured let's start out um how is

51
00:03:11,750 --> 00:03:06,879
it that um because you are you you're a

52
00:03:16,149 --> 00:03:13,270
i was uh

53
00:03:18,550 --> 00:03:16,159
another lifetime and so so maybe just

54
00:03:21,270 --> 00:03:18,560
how how does a colonel get involved with

55
00:03:26,149 --> 00:03:21,280
let's say et's or consciousness

56
00:03:26,159 --> 00:03:30,229
oh

57
00:03:35,910 --> 00:03:32,070
i don't think we ought to just publish a

58
00:03:37,670 --> 00:03:35,920
bio or something uh had been involved in

59
00:03:39,750 --> 00:03:37,680
security national security and

60
00:03:42,309 --> 00:03:39,760
international security for

61
00:03:43,910 --> 00:03:42,319
more than half a century been involved

62
00:03:46,309 --> 00:03:43,920
with

63
00:03:48,390 --> 00:03:46,319

you know various phenomena for far

64

00:03:50,149 --> 00:03:48,400

longer than that

65

00:03:52,470 --> 00:03:50,159

um

66

00:03:56,070 --> 00:03:53,589

yeah but

67

00:03:58,789 --> 00:03:56,080

while on active duty i

68

00:04:01,030 --> 00:03:58,799

did actually run a

69

00:04:02,630 --> 00:04:01,040

program looking at

70

00:04:03,750 --> 00:04:02,640

ufos

71

00:04:06,070 --> 00:04:03,760

um

72

00:04:07,990 --> 00:04:06,080

i might mention i did my doctorate

73

00:04:11,350 --> 00:04:08,000

elizabeth coogler-ross

74

00:04:12,309 --> 00:04:11,360

was one of the head of my committee

75

00:04:14,149 --> 00:04:12,319

and

76

00:04:17,189 --> 00:04:14,159

that was at a time when near-death

77

00:04:19,110 --> 00:04:17,199

experiences were just coming

78

00:04:20,469 --> 00:04:19,120

into the floor

79

00:04:24,469 --> 00:04:20,479

and

80

00:04:26,710 --> 00:04:24,479

so i then became the president of the

81

00:04:29,189 --> 00:04:26,720

international association for near-death

82

00:04:31,590 --> 00:04:29,199

studies

83

00:04:33,030 --> 00:04:31,600

in the military we had a lot of very

84

00:04:36,469 --> 00:04:33,040

strange

85

00:04:38,550 --> 00:04:36,479

things related to sci phenomena and of

86

00:04:40,950 --> 00:04:38,560

course remote viewing so i was on the

87

00:04:42,870 --> 00:04:40,960

board of directors

88

00:04:43,749 --> 00:04:42,880

when irva

89

00:04:53,749 --> 00:04:43,759

a

90

00:04:56,870 --> 00:04:53,759

you know

91

00:04:58,550 --> 00:04:56,880

40 years or so and served on the council

92

00:05:00,550 --> 00:04:58,560

there so

93

00:05:02,310 --> 00:05:00,560

have been all over the world i've dealt

94

00:05:03,830 --> 00:05:02,320

with shamans

95

00:05:07,350 --> 00:05:03,840

from

96

00:05:10,390 --> 00:05:07,360

himalayas to the andes of the amazon to

97

00:05:13,189 --> 00:05:10,400

mongolia and

98

00:05:16,710 --> 00:05:13,199

we've hit over over a hundred countries

99

00:05:18,469 --> 00:05:16,720

and been involved with phenomena in very

100

00:05:24,310 --> 00:05:18,479

many of them

101

00:05:28,710 --> 00:05:26,710

okay and so um

102

00:05:30,710 --> 00:05:28,720

but generally when it comes to the

103

00:05:33,270 --> 00:05:30,720

government or the military dovers very

104

00:05:35,350 --> 00:05:33,280

much look at the subject in this nuts

105

00:05:38,550 --> 00:05:35,360

and bolts uh uh

106

00:05:41,590 --> 00:05:38,560

way uh what what is it that uh got you

107

00:05:48,469 --> 00:05:41,600

to start uh thinking and looking into

108

00:05:54,150 --> 00:05:50,310

well you're making some strange

109

00:05:59,189 --> 00:05:56,469

yeah

110

00:06:00,550 --> 00:05:59,199

i can't even follow the question frankly

111

00:06:08,230 --> 00:06:00,560

so

112

00:06:10,710 --> 00:06:08,240

said even predates the military i was

113

00:06:13,110 --> 00:06:10,720

while on active duty was

114

00:06:15,189 --> 00:06:13,120

lucky enough to get into some areas and

115

00:06:17,270 --> 00:06:15,199

as i said we were looking at

116

00:06:18,390 --> 00:06:17,280

people will be familiar with stargate

117

00:06:20,629 --> 00:06:18,400

and

118

00:06:21,830 --> 00:06:20,639

colloquially known as that on other

119

00:06:24,390 --> 00:06:21,840

programs

120

00:06:26,629 --> 00:06:24,400

we had done with psychokinesis metal

121

00:06:29,510 --> 00:06:26,639

bending uh

122

00:06:32,390 --> 00:06:29,520

just a whole host of programs that i

123

00:06:35,270 --> 00:06:32,400

i ran there

124

00:06:39,749 --> 00:06:35,280

personal interest and spanned

125

00:06:43,110 --> 00:06:41,430

so um is there

126

00:06:45,670 --> 00:06:43,120

anything that maybe you could go a

127

00:06:48,390 --> 00:06:45,680

little bit into uh the parts of what you

128

00:06:53,430 --> 00:06:48,400

were going to cover at the at the

129

00:06:57,029 --> 00:06:54,550

well

130

00:06:57,749 --> 00:06:57,039

uh unfortunately the slides

131

00:07:05,350 --> 00:06:57,759

that

132

00:07:06,150 --> 00:07:05,360

can't demonstrate but my point has been

133

00:07:09,430 --> 00:07:06,160

that

134

00:07:11,110 --> 00:07:09,440

isolate

135

00:07:14,070 --> 00:07:11,120

various phenomena and i know they're

136

00:07:16,150 --> 00:07:14,080

talking about ufos but the slide would

137

00:07:18,749 --> 00:07:16,160

show you near-death experience

138

00:07:20,870 --> 00:07:18,759

post-mortem communication fire walking

139

00:07:22,309 --> 00:07:20,880

psychokinesis and metal bending in

140

00:07:26,390 --> 00:07:22,319

particular

141

00:07:30,469 --> 00:07:28,230

you know

142

00:07:33,110 --> 00:07:30,479

postmortem communications spontaneous

143

00:07:37,990 --> 00:07:35,270

interspecies communications particularly

144

00:07:39,189 --> 00:07:38,000

work with dolphins and whales have dived

145

00:07:40,070 --> 00:07:39,199

with whales

146

00:07:41,670 --> 00:07:40,080

and

147

00:07:43,189 --> 00:07:41,680

dolphins in the

148

00:07:44,710 --> 00:07:43,199

open ocean

149

00:07:46,710 --> 00:07:44,720

uh

150

00:07:48,550 --> 00:07:46,720

interesting aspects there and even

151
00:07:52,309 --> 00:07:48,560
cryptozoology

152
00:07:53,909 --> 00:07:52,319
and uh as i said oh well i give

153
00:07:56,869 --> 00:07:53,919
again one of the slides but the

154
00:08:00,309 --> 00:07:56,879
presentations i've talked to many ufo

155
00:08:02,629 --> 00:08:00,319
conferences i've also been at the

156
00:08:05,270 --> 00:08:02,639
international amazonian

157
00:08:07,670 --> 00:08:05,280
shamans conference uh a number of times

158
00:08:10,230 --> 00:08:07,680
talking to shamans and i said i was a

159
00:08:11,430 --> 00:08:10,240
founding board member on irvis a lot

160
00:08:12,950 --> 00:08:11,440
with remote

161
00:08:15,430 --> 00:08:12,960
viewing

162
00:08:18,150 --> 00:08:15,440
and as president of ions have been

163
00:08:20,070 --> 00:08:18,160

involved with lots of near-death studies

164

00:08:21,830 --> 00:08:20,080

and the problem is that

165

00:08:24,070 --> 00:08:21,840

for many people

166

00:08:26,790 --> 00:08:24,080

they don't realize that these things are

167

00:08:29,589 --> 00:08:26,800

totally uh connected

168

00:08:32,790 --> 00:08:29,599

because unfortunately the research areas

169

00:08:35,990 --> 00:08:32,800

tend to be very soaked pipe

170

00:08:38,829 --> 00:08:36,000

into kind of narrow parameters and it is

171

00:08:41,909 --> 00:08:38,839

my view that's a mistake i think

172

00:08:43,829 --> 00:08:41,919

that ufo happened to come down against

173

00:08:46,310 --> 00:08:43,839

the eth or which we call the

174

00:08:49,670 --> 00:08:46,320

extraterrestrial hypothesis

175

00:08:52,870 --> 00:08:49,680

uh not because there's not interactions

176

00:08:55,030 --> 00:08:52,880

there are but that eth little grey guys

177

00:08:57,990 --> 00:08:55,040

from zeta reticulized that banana just

178

00:09:01,750 --> 00:08:58,000

too simple uh an answer

179

00:09:03,509 --> 00:09:01,760

and does not explain what uh people are

180

00:09:05,350 --> 00:09:03,519

are seeing

181

00:09:08,070 --> 00:09:05,360

again there have been interactions

182

00:09:10,310 --> 00:09:08,080

between humans and sentient non-humans

183

00:09:13,190 --> 00:09:10,320

throughout the entirety of human history

184

00:09:15,590 --> 00:09:13,200

and in all cultures

185

00:09:18,230 --> 00:09:15,600

that's not what i said not necessarily

186

00:09:19,430 --> 00:09:18,240

eth

187

00:09:20,310 --> 00:09:19,440

but

188

00:09:23,030 --> 00:09:20,320

again

189

00:09:24,389 --> 00:09:23,040

various kinds of interactions that take

190

00:09:26,790 --> 00:09:24,399

place

191

00:09:28,790 --> 00:09:26,800

very interested in the way and

192

00:09:31,590 --> 00:09:28,800

i happen to come down in favor of

193

00:09:33,829 --> 00:09:31,600

reincarnation as a

194

00:09:38,070 --> 00:09:33,839

most likely uh

195

00:09:40,389 --> 00:09:38,080

probability is the way things happen

196

00:09:46,230 --> 00:09:40,399

before or after and

197

00:09:49,509 --> 00:09:47,670

and so

198

00:09:51,750 --> 00:09:49,519

when it comes to then the subject of

199

00:09:53,829 --> 00:09:51,760

reincarnation can you maybe explain a

200

00:10:00,230 --> 00:09:53,839

little bit what you found how would

201
00:10:04,550 --> 00:10:02,470
uh no they all have to study buddhism or

202
00:10:07,430 --> 00:10:04,560
hinduism

203
00:10:10,230 --> 00:10:07,440
it's far too broad

204
00:10:12,790 --> 00:10:10,240
uh it means that people come back and

205
00:10:16,030 --> 00:10:12,800
you know die

206
00:10:19,430 --> 00:10:16,040
go to bordeaux or wherever and then

207
00:10:20,790 --> 00:10:19,440
reincarnated some future time and you've

208
00:10:23,670 --> 00:10:20,800
probably had

209
00:10:29,990 --> 00:10:23,680
many lives and necessary not necessarily

210
00:10:36,630 --> 00:10:33,590
okay and then so for example then from

211
00:10:38,949 --> 00:10:36,640
your perspective uh is is there eventual

212
00:10:40,870 --> 00:10:38,959
contact ever going to happen or is this

213
00:10:43,829 --> 00:10:40,880

something that we as human beings first

214

00:10:47,670 --> 00:10:43,839

have to uh consciously evolve to a level

215

00:10:50,949 --> 00:10:47,680

in order to understand it better

216

00:10:56,389 --> 00:10:53,269

regarding context as i said there have

217

00:10:59,110 --> 00:10:56,399

been contact between humans and sentient

218

00:11:01,829 --> 00:10:59,120

non-humans throughout the entirety of

219

00:11:04,389 --> 00:11:01,839

human history

220

00:11:05,670 --> 00:11:04,399

all cultures all

221

00:11:08,870 --> 00:11:05,680

you know

222

00:11:14,310 --> 00:11:12,389

okay well um john would you um

223

00:11:17,750 --> 00:11:14,320

would you like to maybe go into some of

224

00:11:21,350 --> 00:11:19,590

sure i thought we're going to ask some

225

00:11:23,670 --> 00:11:21,360

go ahead

226

00:11:25,590 --> 00:11:23,680

right um so for anyone else watching

227

00:11:27,670 --> 00:11:25,600

we're going to open it up for some q a

228

00:11:29,190 --> 00:11:27,680

if you would like to ask john a question

229

00:11:31,190 --> 00:11:29,200

directly

230

00:11:33,829 --> 00:11:31,200

please just join the telegram group and

231

00:11:35,590 --> 00:11:33,839

you'll be able to do that there in chat

232

00:11:38,069 --> 00:11:35,600

make sure you have your three asterisks

233

00:11:41,030 --> 00:11:38,079

before your question so that way it will

234

00:11:43,269 --> 00:11:41,040

pop at me easier so john while i give

235

00:11:45,590 --> 00:11:43,279

everyone else some time to prepare the

236

00:11:48,389 --> 00:11:45,600

questions um

237

00:11:50,790 --> 00:11:48,399

basically where

238

00:11:52,790 --> 00:11:50,800

do you so these different stories about

239

00:11:55,590 --> 00:11:52,800

these different beings coming from these

240

00:12:01,190 --> 00:11:55,600

different places is that still a valid

241

00:12:04,310 --> 00:12:03,030

meaning other physical beings that are

242

00:12:07,190 --> 00:12:04,320

actually coming up

243

00:12:09,590 --> 00:12:07,200

support the eth

244

00:12:11,069 --> 00:12:09,600

again it's just too simple and there are

245

00:12:13,430 --> 00:12:11,079

many

246

00:12:15,829 --> 00:12:13,440

possibilities that people talk about

247

00:12:18,870 --> 00:12:15,839

interdimensional ultra-dimensional

248

00:12:21,509 --> 00:12:18,880

um now one of the questions is is there

249

00:12:23,670 --> 00:12:21,519

life in the universe

250

00:12:24,870 --> 00:12:23,680

intelligent life someplace the answer is

251
00:12:27,110 --> 00:12:24,880

yes

252
00:12:28,310 --> 00:12:27,120

uh but that doesn't take that's pure

253
00:12:29,430 --> 00:12:28,320

math

254
00:12:30,949 --> 00:12:29,440

based on

255
00:12:33,990 --> 00:12:30,959
the number of plant you can be a

256
00:12:35,829 --> 00:12:34,000
materialist and and come up with that uh

257
00:12:37,590 --> 00:12:35,839
solution

258
00:12:40,190 --> 00:12:37,600
because

259
00:12:42,150 --> 00:12:40,200
you know the numbers are literally

260
00:12:43,030 --> 00:12:42,160
astronomical

261
00:12:45,110 --> 00:12:43,040
life

262
00:12:47,550 --> 00:12:45,120
supporting planets that must exist

263
00:12:49,110 --> 00:12:47,560

someplace in the universe so the

264

00:12:51,190 --> 00:12:49,120

probability

265

00:12:55,670 --> 00:12:51,200

that intelligent life

266

00:12:56,870 --> 00:12:55,680

has evolved to our level or beyond his

267

00:12:58,550 --> 00:12:56,880

almost a

268

00:13:01,110 --> 00:12:58,560

certainty

269

00:13:04,389 --> 00:13:03,590

but um

270

00:13:06,710 --> 00:13:04,399

yeah

271

00:13:09,509 --> 00:13:06,720

and the problem is what

272

00:13:10,550 --> 00:13:09,519

what are you potentially dealing with is

273

00:13:12,310 --> 00:13:10,560

it

274

00:13:15,670 --> 00:13:12,320

where that's usually one of the

275

00:13:18,389 --> 00:13:15,680

questions that come up is where

276

00:13:19,350 --> 00:13:18,399

would they come from and uh they can say

277

00:13:22,069 --> 00:13:19,360

it's

278

00:13:23,670 --> 00:13:22,079

terribly terribly complex

279

00:13:28,550 --> 00:13:23,680

i was going to use the

280

00:13:32,629 --> 00:13:28,560

last line of my book on ufos

281

00:13:37,430 --> 00:13:35,350

whatever it is it is more complex than

282

00:13:39,990 --> 00:13:37,440

we can imagine and it's not going to be

283

00:13:41,590 --> 00:13:40,000

any simple answers

284

00:13:43,590 --> 00:13:41,600

as to what they are

285

00:13:46,710 --> 00:13:43,600

i also

286

00:13:50,069 --> 00:13:46,720

digressing you usually start with

287

00:13:51,670 --> 00:13:50,079

just in the ufo arenas what do you mean

288

00:13:54,069 --> 00:13:51,680

by a ufo

289

00:13:55,829 --> 00:13:54,079

and the point there is we got little

290

00:13:59,590 --> 00:13:55,839

balls of light

291

00:14:02,069 --> 00:13:59,600

got hard craft miles across

292

00:14:05,110 --> 00:14:02,079

and thousands and thousands of

293

00:14:10,310 --> 00:14:05,120

variations in between

294

00:14:13,750 --> 00:14:11,590

you know

295

00:14:17,189 --> 00:14:13,760

dealing with now that have

296

00:14:20,310 --> 00:14:17,199

interactions with orbs if you will ones

297

00:14:23,030 --> 00:14:20,320

that constitute ufos or whatnot it

298

00:14:25,269 --> 00:14:23,040

certainly seems to constitute uh contact

299

00:14:26,870 --> 00:14:25,279

of some kind

300

00:14:28,949 --> 00:14:26,880

so um

301
00:14:32,470 --> 00:14:28,959
i say the complexity is just

302
00:14:36,069 --> 00:14:33,750
and so

303
00:14:38,710 --> 00:14:36,079
because of this complexity how

304
00:14:40,710 --> 00:14:38,720
um what what can people then expect so

305
00:14:42,949 --> 00:14:40,720
for example from just your average

306
00:14:46,230 --> 00:14:42,959
person that might be just interested in

307
00:14:48,470 --> 00:14:46,240
ufos is there any particular fields that

308
00:14:50,710 --> 00:14:48,480
you want them to go into or maybe some

309
00:14:53,030 --> 00:14:50,720
things to read up on for them to

310
00:14:55,269 --> 00:14:53,040
understand this better are they any

311
00:14:57,509 --> 00:14:55,279
something that they can kind of start

312
00:15:01,990 --> 00:14:57,519
out with to then eventually evolve into

313
00:15:04,470 --> 00:15:03,590

of what

314

00:15:07,590 --> 00:15:04,480

off

315

00:15:09,670 --> 00:15:07,600

of whatever this is these ufos whatever

316

00:15:11,590 --> 00:15:09,680

they are because for someone that just

317

00:15:13,189 --> 00:15:11,600

thinks that these are nuts and bolts how

318

00:15:15,509 --> 00:15:13,199

can they better prepare themselves to

319

00:15:17,350 --> 00:15:15,519

understand it better

320

00:15:19,269 --> 00:15:17,360

well some of them are nuts and bolts

321

00:15:22,310 --> 00:15:19,279

there's no doubt about the i mean the

322

00:15:23,189 --> 00:15:22,320

first line of my ufo book is ufos are

323

00:15:26,389 --> 00:15:23,199

real

324

00:15:31,350 --> 00:15:26,399

and by that i do mean hard you know some

325

00:15:36,389 --> 00:15:33,870

i did do a book called ufos

326

00:15:38,230 --> 00:15:36,399

misconspiracies and realities but not

327

00:15:41,350 --> 00:15:38,240

about a decade now

328

00:15:44,470 --> 00:15:41,360

my more recent book that

329

00:15:47,670 --> 00:15:44,480

does the more comprehensive studies

330

00:15:49,590 --> 00:15:47,680

is uh reality denied

331

00:15:52,389 --> 00:15:49,600

uh

332

00:15:55,110 --> 00:15:52,399

and first-hand experiences with things

333

00:15:57,829 --> 00:15:55,120

that can't happen but did

334

00:15:58,710 --> 00:15:57,839

and that goes through the various things

335

00:16:01,189 --> 00:15:58,720

that

336

00:16:02,470 --> 00:16:01,199

we have encountered in travels around

337

00:16:05,590 --> 00:16:02,480

the world

338

00:16:09,430 --> 00:16:05,600

have been going on on constant basis and

339

00:16:12,069 --> 00:16:09,440
scientific evidence that supports

340

00:16:14,949 --> 00:16:12,079
the various phenomena

341

00:16:17,670 --> 00:16:14,959
so it's um

342

00:16:19,829 --> 00:16:17,680
and there's literally thousands and

343

00:16:20,790 --> 00:16:19,839
thousands of books

344

00:16:23,590 --> 00:16:20,800
on

345

00:16:25,350 --> 00:16:23,600
the range of the phenomena

346

00:16:27,509 --> 00:16:25,360
watch some of the

347

00:16:28,870 --> 00:16:27,519
things here and there's also a lot of

348

00:16:29,910 --> 00:16:28,880
wing nuts

349

00:16:32,629 --> 00:16:29,920
that

350

00:16:34,230 --> 00:16:32,639
get involved

351
00:16:36,310 --> 00:16:34,240
and

352
00:16:37,990 --> 00:16:36,320
you know i have a we used to have a

353
00:16:40,389 --> 00:16:38,000
thing when i was stationed in hawaii

354
00:16:42,629 --> 00:16:40,399
that says if you believe

355
00:16:44,870 --> 00:16:42,639
and uh there's a lot of people that

356
00:16:47,829 --> 00:16:44,880
believe some very strange things that

357
00:16:50,710 --> 00:16:47,839
are you know demonstrably false

358
00:16:53,110 --> 00:16:50,720
i might mention that the second to last

359
00:16:56,230 --> 00:16:53,120
paragraph

360
00:16:57,749 --> 00:16:56,240
in the reality denied is called the

361
00:17:01,030 --> 00:16:57,759
flame

362
00:17:02,550 --> 00:17:01,040
and in that i talk about and i've seen

363
00:17:05,350 --> 00:17:02,560

friends who

364

00:17:07,669 --> 00:17:05,360

get involved in the study of a wide

365

00:17:08,789 --> 00:17:07,679

range of phenomena

366

00:17:10,949 --> 00:17:08,799

um

367

00:17:13,669 --> 00:17:10,959

and end up getting burned i mean i've

368

00:17:16,230 --> 00:17:13,679

just watched too many people just

369

00:17:18,789 --> 00:17:16,240

traipse along and get deeply involved

370

00:17:20,949 --> 00:17:18,799

and go off the deep end

371

00:17:23,829 --> 00:17:20,959

and things that are

372

00:17:25,350 --> 00:17:23,839

you know demonstrably false

373

00:17:28,309 --> 00:17:25,360

and it

374

00:17:30,150 --> 00:17:28,319

doesn't seem to matter

375

00:17:32,390 --> 00:17:30,160

unfortunately we're currently living in

376

00:17:37,909 --> 00:17:32,400

a world like that in the political arena

377

00:17:43,990 --> 00:17:41,430

so john i have a question from labels

378

00:17:46,150 --> 00:17:44,000

she's asking do you see anything special

379

00:17:48,150 --> 00:17:46,160

happening for humanity given the

380

00:17:49,750 --> 00:17:48,160

information that some of us are coming

381

00:17:52,230 --> 00:17:49,760

to understand regarding

382

00:17:56,070 --> 00:17:52,240

multi-dimensional universes and or

383

00:18:01,750 --> 00:17:58,150

anything special coming i don't know

384

00:18:03,750 --> 00:18:01,760

we've i lived through the whole

385

00:18:07,430 --> 00:18:03,760

inference of the dawning of the age of

386

00:18:09,990 --> 00:18:07,440

aquarius and whatnot

387

00:18:11,270 --> 00:18:10,000

i think we seem to be constantly

388

00:18:14,710 --> 00:18:11,280

evolving

389

00:18:15,669 --> 00:18:14,720

uh or at least some people are

390

00:18:18,150 --> 00:18:15,679

i'm

391

00:18:20,549 --> 00:18:18,160

not very sanguine about where

392

00:18:21,830 --> 00:18:20,559

humanity is headed at the moment i think

393

00:18:24,230 --> 00:18:21,840

we're

394

00:18:25,909 --> 00:18:24,240

working it

395

00:18:29,669 --> 00:18:25,919

you know do

396

00:18:32,950 --> 00:18:29,679

we survive on this planet or or not or

397

00:18:35,510 --> 00:18:32,960

make it uh uninhabitable

398

00:18:38,150 --> 00:18:35,520

we seem to be anti-nature

399

00:18:41,190 --> 00:18:38,160

at the moment and as the old saying goes

400

00:18:43,990 --> 00:18:41,200

it's not nice to fool mother nature

401
00:18:46,950 --> 00:18:44,000
and uh that uh

402
00:18:48,390 --> 00:18:46,960
yeah i think there's going to be

403
00:18:51,750 --> 00:18:48,400
some levels of

404
00:18:54,630 --> 00:18:51,760
retribution for our mishandling

405
00:18:56,470 --> 00:18:54,640
uh of the environment that we've been

406
00:18:57,510 --> 00:18:56,480
given

407
00:18:59,590 --> 00:18:57,520
so

408
00:19:01,029 --> 00:18:59,600
hopefully uh i am

409
00:19:03,750 --> 00:19:01,039
a bit

410
00:19:05,590 --> 00:19:03,760
hopeful that uh

411
00:19:07,430 --> 00:19:05,600
we have some old souls that are

412
00:19:09,350 --> 00:19:07,440
incarnating now

413
00:19:12,470 --> 00:19:09,360

may

414

00:19:14,789 --> 00:19:12,480

you know grab a hold and pull us up but

415

00:19:17,430 --> 00:19:14,799

uh the earth needs a lot of help right

416

00:19:21,750 --> 00:19:19,430

do you think that this process this

417

00:19:23,590 --> 00:19:21,760

especially in this political arena do

418

00:19:27,590 --> 00:19:23,600

you possibly see this as some kind of

419

00:19:32,950 --> 00:19:29,830

no i think it's a death knell i think

420

00:19:35,350 --> 00:19:32,960

democracy's done but that's

421

00:19:38,870 --> 00:19:35,360

probably not a political arena you you

422

00:19:41,590 --> 00:19:38,880

want to go into but uh

423

00:19:45,590 --> 00:19:43,990

we were given a great gift and i think

424

00:19:47,990 --> 00:19:45,600

we we

425

00:19:53,190 --> 00:19:48,000

as a nation have blown it and proven

426

00:19:57,590 --> 00:19:55,029

um what um

427

00:19:59,350 --> 00:19:57,600

so do you think do you think there's

428

00:20:00,950 --> 00:19:59,360

um ever going to be

429

00:20:02,549 --> 00:20:00,960

so for example just recently the

430

00:20:05,669 --> 00:20:02,559

government has been kind of changing

431

00:20:08,310 --> 00:20:05,679

their tune about how they view the ufos

432

00:20:10,789 --> 00:20:08,320

or as they call it the aerial phenomena

433

00:20:13,510 --> 00:20:10,799

and uh there's a bill going through the

434

00:20:15,270 --> 00:20:13,520

senate right now to basically create a

435

00:20:17,590 --> 00:20:15,280

office of um

436

00:20:20,870 --> 00:20:17,600

uh unidentified aerial phenomena

437

00:20:22,870 --> 00:20:20,880

has already been done

438

00:20:25,750 --> 00:20:22,880

oh that's a trash challenge

439

00:20:27,430 --> 00:20:25,760

okay and so um what kind of what do you

440

00:20:29,350 --> 00:20:27,440

think the government is really doing

441

00:20:31,750 --> 00:20:29,360

that for is it truly to just collect

442

00:20:34,390 --> 00:20:31,760

data and have a central point where data

443

00:20:36,390 --> 00:20:34,400

can be sent to or do you think is for

444

00:20:39,990 --> 00:20:36,400

some other reasons

445

00:20:44,310 --> 00:20:42,070

i guess one of the key chapters that i

446

00:20:47,430 --> 00:20:44,320

have in the ufo book

447

00:20:50,549 --> 00:20:47,440

is on how the government works

448

00:20:52,789 --> 00:20:50,559

and again some of my slides it says

449

00:20:58,230 --> 00:20:52,799

the pentagon says

450

00:21:01,510 --> 00:20:58,240

nothing pentagon is a big stone building

451

00:21:05,430 --> 00:21:01,520

it's occupied by about 29 000 people

452

00:21:07,510 --> 00:21:05,440

that come in with a wide variety of uh

453

00:21:09,190 --> 00:21:07,520

opinions on things some of them were

454

00:21:10,789 --> 00:21:09,200

positive some were

455

00:21:13,590 --> 00:21:10,799

very negative

456

00:21:14,630 --> 00:21:13,600

and most of them just don't care

457

00:21:16,390 --> 00:21:14,640

now

458

00:21:19,590 --> 00:21:16,400

the point on this

459

00:21:22,789 --> 00:21:19,600

is that they have had interactions

460

00:21:25,029 --> 00:21:22,799

that we now know have taken place

461

00:21:27,270 --> 00:21:25,039

um between aircraft but these are the

462

00:21:29,270 --> 00:21:27,280

ones that have come out

463

00:21:30,950 --> 00:21:29,280

most recently

464

00:21:34,310 --> 00:21:30,960

people know about the new york times

465

00:21:36,630 --> 00:21:34,320

article in december of 17

466

00:21:39,430 --> 00:21:36,640

that talked about the

467

00:21:41,990 --> 00:21:39,440

atep program and there was awesome

468

00:21:43,990 --> 00:21:42,000

before that the big low here had

469

00:21:47,909 --> 00:21:44,000

had run

470

00:21:50,149 --> 00:21:47,919

now what i did was 30 years prior and

471

00:21:52,870 --> 00:21:50,159

they came to about the same conclusions

472

00:21:53,990 --> 00:21:52,880

that we did 30 years ago

473

00:21:55,590 --> 00:21:54,000

again

474

00:21:58,630 --> 00:21:55,600

reality of the

475

00:22:01,270 --> 00:21:58,640

experiences and truly exist

476

00:22:03,830 --> 00:22:01,280

i will actually make a case

477

00:22:06,310 --> 00:22:03,840

this is not a government issue

478

00:22:08,870 --> 00:22:06,320

they're getting forced into it a bit i

479

00:22:10,950 --> 00:22:08,880

do think there's aspects

480

00:22:12,789 --> 00:22:10,960

that they should be involved in

481

00:22:15,110 --> 00:22:12,799

particularly since you have

482

00:22:19,430 --> 00:22:15,120

interactions between

483

00:22:23,110 --> 00:22:19,440

various weapons systems and um

484

00:22:24,149 --> 00:22:23,120

you know ufos of various kinds

485

00:22:27,190 --> 00:22:24,159

but

486

00:22:30,549 --> 00:22:27,200

i think the far and the

487

00:22:32,230 --> 00:22:30,559

the questions are far broader than any

488

00:22:34,390 --> 00:22:32,240

government

489

00:22:36,390 --> 00:22:34,400

uh now

490

00:22:38,390 --> 00:22:36,400

if you expand we said in the

491

00:22:40,710 --> 00:22:38,400

consciousness areas we have no

492

00:22:43,590 --> 00:22:40,720

expectation

493

00:22:47,029 --> 00:22:43,600

that the government would be involved in

494

00:22:48,149 --> 00:22:47,039

the studies that support your religious

495

00:22:50,870 --> 00:22:48,159

beliefs

496

00:22:52,870 --> 00:22:50,880

and things like reincarnation life after

497

00:22:54,710 --> 00:22:52,880

death and all that so if all of these

498

00:22:57,190 --> 00:22:54,720

are are

499

00:22:58,710 --> 00:22:57,200

interrelated then how can you say this

500

00:23:01,029 --> 00:22:58,720

is a

501
00:23:03,750 --> 00:23:01,039
proper place for the government to be

502
00:23:06,789 --> 00:23:03,760
involved i think they've got

503
00:23:09,590 --> 00:23:06,799
applications in a small aspect now they

504
00:23:10,870 --> 00:23:09,600
do bring something to the table that

505
00:23:13,669 --> 00:23:10,880
cannot be

506
00:23:15,909 --> 00:23:13,679
replicated and that's the uh are

507
00:23:17,909 --> 00:23:15,919
national systems

508
00:23:21,029 --> 00:23:17,919
as well as tactical

509
00:23:24,390 --> 00:23:21,039
sensor systems that do pick up ufos and

510
00:23:28,710 --> 00:23:24,400
that uh there's an article that just

511
00:23:28,720 --> 00:23:31,590
where

512
00:23:36,470 --> 00:23:34,549
chris mellon had basically taken on the

513
00:23:40,070 --> 00:23:36,480

air force

514

00:23:40,950 --> 00:23:40,080

reluctant to be involved in any of these

515

00:23:42,789 --> 00:23:40,960

studies

516

00:23:46,070 --> 00:23:42,799

most of the cases that are known have

517

00:23:49,029 --> 00:23:46,080

come from uh naval sources

518

00:23:52,310 --> 00:23:49,039

and he is has admonished

519

00:23:54,870 --> 00:23:52,320

the air force for not being more uh

520

00:23:57,990 --> 00:23:54,880

forthcoming

521

00:24:00,710 --> 00:23:58,000

now i happen to think that

522

00:24:03,110 --> 00:24:00,720

remember there was a project blue book

523

00:24:05,350 --> 00:24:03,120

that went for many years

524

00:24:07,830 --> 00:24:05,360

and that was culminated with something

525

00:24:10,470 --> 00:24:07,840

called the compounded report for the

526

00:24:13,190 --> 00:24:10,480

colorado report

527

00:24:16,470 --> 00:24:13,200

and and frankly

528

00:24:19,029 --> 00:24:16,480

constant was right in his report this

529

00:24:20,710 --> 00:24:19,039

came out in 1969

530

00:24:23,669 --> 00:24:20,720

and

531

00:24:27,590 --> 00:24:23,679

you know the question to condone was not

532

00:24:30,390 --> 00:24:27,600

are ufos real it was are they a threat

533

00:24:31,110 --> 00:24:30,400

haven't been really invaded that we know

534

00:24:36,149 --> 00:24:31,120

of

535

00:24:38,070 --> 00:24:36,159

e.t here and that but

536

00:24:41,590 --> 00:24:38,080

you know what the air force wanted was

537

00:24:43,990 --> 00:24:41,600

just make this go away because

538

00:24:46,149 --> 00:24:44,000

and the question even today becomes what

539

00:24:48,870 --> 00:24:46,159

percentage of resources are you going to

540

00:24:51,750 --> 00:24:48,880

apply to a project that you

541

00:24:53,590 --> 00:24:51,760

have a very low probability

542

00:24:56,230 --> 00:24:53,600

of getting

543

00:24:58,390 --> 00:24:56,240

any solution to

544

00:25:01,350 --> 00:24:58,400

but currently there's enough political

545

00:25:02,950 --> 00:25:01,360

pressure on to at least allow them to do

546

00:25:03,909 --> 00:25:02,960

something

547

00:25:05,990 --> 00:25:03,919

but

548

00:25:07,990 --> 00:25:06,000

again people don't understand the budget

549

00:25:10,630 --> 00:25:08,000

they don't understand the government or

550

00:25:11,669 --> 00:25:10,640

how it works

551
00:25:14,870 --> 00:25:11,679
i was

552
00:25:17,269 --> 00:25:14,880
an inspector general at one point

553
00:25:20,149 --> 00:25:17,279
at the department of army level and my

554
00:25:21,830 --> 00:25:20,159
boss was lieutenant general uh dick

555
00:25:24,630 --> 00:25:21,840
trevor

556
00:25:27,510 --> 00:25:24,640
and he had to create a course

557
00:25:29,510 --> 00:25:27,520
for incoming inspectors general

558
00:25:30,549 --> 00:25:29,520
on how the government works and

559
00:25:32,630 --> 00:25:30,559
understand

560
00:25:34,870 --> 00:25:32,640
these were all guys who were lieutenant

561
00:25:37,590 --> 00:25:34,880
colonels and colonels who had

562
00:25:39,430 --> 00:25:37,600
14 to 20 years

563
00:25:42,149 --> 00:25:39,440

in the government

564

00:25:44,230 --> 00:25:42,159

and most of us did not understand how it

565

00:25:46,789 --> 00:25:44,240

works so you can imagine when you

566

00:25:49,510 --> 00:25:46,799

extrapolate that to

567

00:25:52,230 --> 00:25:49,520

you know civilian society

568

00:25:55,110 --> 00:25:52,240

as their understanding of how our

569

00:25:56,470 --> 00:25:55,120

government works is absolutely

570

00:25:58,470 --> 00:25:56,480

school so we have

571

00:26:00,310 --> 00:25:58,480

kind of a

572

00:26:03,669 --> 00:26:00,320

slight overview

573

00:26:05,190 --> 00:26:03,679

of what they think things uh work like

574

00:26:08,710 --> 00:26:05,200

when they don't they're much more

575

00:26:11,909 --> 00:26:08,720

complex than that but the bottom line on

576
00:26:13,510 --> 00:26:11,919
all of these is they are stewards of uh

577
00:26:14,950 --> 00:26:13,520
public funds

578
00:26:16,549 --> 00:26:14,960
and there's got to be a certain

579
00:26:19,510 --> 00:26:16,559
accountability

580
00:26:20,710 --> 00:26:19,520
as to how you apply so the question then

581
00:26:22,630 --> 00:26:20,720
becomes

582
00:26:25,590 --> 00:26:22,640
for people out there and i'll understand

583
00:26:28,230 --> 00:26:25,600
people watch you know your program and

584
00:26:29,510 --> 00:26:28,240
all the ones like it have a very intense

585
00:26:30,950 --> 00:26:29,520
interest in

586
00:26:33,430 --> 00:26:30,960
ufos

587
00:26:34,950 --> 00:26:33,440
where they wouldn't be

588
00:26:37,430 --> 00:26:34,960

involved

589

00:26:39,909 --> 00:26:37,440

what we do know is it's 70 percent of

590

00:26:41,350 --> 00:26:39,919

the population believes that there are

591

00:26:44,149 --> 00:26:41,360

ufos

592

00:26:46,789 --> 00:26:44,159

but most of them it's a whole home this

593

00:26:49,510 --> 00:26:46,799

is as interesting as out there all watch

594

00:26:50,950 --> 00:26:49,520

the programs but don't have an intense

595

00:26:52,870 --> 00:26:50,960

uh interest

596

00:26:55,110 --> 00:26:52,880

so the question from a government

597

00:26:58,230 --> 00:26:55,120

perspective then becomes what percent of

598

00:26:59,190 --> 00:26:58,240

our resources am i going to apply

599

00:27:05,909 --> 00:26:59,200

to

600

00:27:08,149 --> 00:27:05,919

certainly interesting though i mean i'm

601
00:27:10,710 --> 00:27:08,159
not denigrating

602
00:27:12,710 --> 00:27:10,720
interest or anomalies of the reality of

603
00:27:14,950 --> 00:27:12,720
the phenomena

604
00:27:18,789 --> 00:27:14,960
talking here from a purely

605
00:27:20,389 --> 00:27:18,799
you know business perspective uh and

606
00:27:23,269 --> 00:27:20,399
the amount of funding

607
00:27:26,070 --> 00:27:23,279
that is involved in these areas or ever

608
00:27:27,590 --> 00:27:26,080
has been is minuscule

609
00:27:29,830 --> 00:27:27,600
um

610
00:27:32,830 --> 00:27:29,840
i'll give you an example one example i

611
00:27:35,750 --> 00:27:32,840
used to use is the large hadron

612
00:27:38,470 --> 00:27:35,760
collider and uh

613
00:27:41,669 --> 00:27:38,480

that is something that we're looking for

614

00:27:44,389 --> 00:27:41,679

the god particle you know higgs boson or

615

00:27:47,190 --> 00:27:44,399

something of that nature if you will and

616

00:27:48,470 --> 00:27:47,200

we spent about 10 billion dollars

617

00:27:51,669 --> 00:27:48,480

bringing it up

618

00:27:53,029 --> 00:27:51,679

and a billion dollars a year to keep it

619

00:27:55,029 --> 00:27:53,039

going

620

00:27:57,669 --> 00:27:55,039

you know when if you know this is the

621

00:27:58,630 --> 00:27:57,679

program that uh

622

00:28:00,789 --> 00:27:58,640

that

623

00:28:03,990 --> 00:28:00,799

lou elizondo talked about they were

624

00:28:05,430 --> 00:28:04,000

talking about 20 million dollars which

625

00:28:07,909 --> 00:28:05,440

in pentagon

626

00:28:13,350 --> 00:28:07,919

terms kind of lunch money

627

00:28:18,070 --> 00:28:14,789

if you look at

628

00:28:20,549 --> 00:28:18,080

and i do compare these to say rare

629

00:28:23,110 --> 00:28:20,559

diseases and things like that

630

00:28:25,669 --> 00:28:23,120

i i argue the whole phenomena that we're

631

00:28:27,750 --> 00:28:25,679

talking about is series are at least as

632

00:28:30,710 --> 00:28:27,760

complex as cancer

633

00:28:33,350 --> 00:28:30,720

and we've spent hundreds of billions on

634

00:28:35,029 --> 00:28:33,360

that so if i translate that to

635

00:28:37,430 --> 00:28:35,039

we're going to put a couple million

636

00:28:40,789 --> 00:28:37,440

dollars into it from

637

00:28:42,830 --> 00:28:40,799

you know the dod perspective

638

00:28:47,990 --> 00:28:42,840

uh your probability of

639

00:28:53,190 --> 00:28:50,389

so then taking taking that into account

640

00:28:55,510 --> 00:28:53,200

would it then just be a matter of uh

641

00:28:56,789 --> 00:28:55,520

just average people just then

642

00:28:59,029 --> 00:28:56,799

going to

643

00:29:00,950 --> 00:28:59,039

conferences more often

644

00:29:02,870 --> 00:29:00,960

building events themselves more often

645

00:29:04,549 --> 00:29:02,880

and just building it bigger and bigger

646

00:29:06,870 --> 00:29:04,559

in order for the government to then

647

00:29:08,230 --> 00:29:06,880

start realizing okay maybe there is more

648

00:29:10,389 --> 00:29:08,240

interest there

649

00:29:12,470 --> 00:29:10,399

what would you suggest

650

00:29:14,470 --> 00:29:12,480

oh no they um

651
00:29:16,950 --> 00:29:14,480
they know

652
00:29:18,950 --> 00:29:16,960
that there's uh interest when foia first

653
00:29:21,029 --> 00:29:18,960
came to into existence that's the

654
00:29:22,149 --> 00:29:21,039
freedom of information act

655
00:29:23,830 --> 00:29:22,159
uh

656
00:29:26,230 --> 00:29:23,840
um

657
00:29:28,549 --> 00:29:26,240
that was designed for people to be able

658
00:29:29,830 --> 00:29:28,559
to ask the government of questions on

659
00:29:32,470 --> 00:29:29,840
anything

660
00:29:33,990 --> 00:29:32,480
and i believe early on about 50 of the

661
00:29:37,110 --> 00:29:34,000
foyer requests

662
00:29:38,830 --> 00:29:37,120
were on ufo phenomena of course they

663
00:29:42,389 --> 00:29:38,840

didn't have very much

664

00:29:44,149 --> 00:29:42,399

uh information that's applicable

665

00:29:46,310 --> 00:29:44,159

so they know there's some interest but

666

00:29:48,710 --> 00:29:46,320

the question has got to be

667

00:29:52,070 --> 00:29:48,720

compared to what

668

00:29:57,190 --> 00:29:52,080

i just said compared to cancer

669

00:29:59,110 --> 00:29:57,200

compared to dod national security uh

670

00:30:01,029 --> 00:29:59,120

interest

671

00:30:04,310 --> 00:30:01,039

you can make a case

672

00:30:06,830 --> 00:30:04,320

that interactions between ufos and

673

00:30:10,310 --> 00:30:06,840

government aircraft are of

674

00:30:13,590 --> 00:30:10,320

interest among us as a direct threat

675

00:30:16,310 --> 00:30:13,600

um it is the department of defense not

676
00:30:17,990 --> 00:30:16,320
the department of interesting ideas

677
00:30:20,470 --> 00:30:18,000
so

678
00:30:23,750 --> 00:30:20,480
you know how do you allocate your

679
00:30:29,350 --> 00:30:27,430
and again as a manager how much

680
00:30:31,750 --> 00:30:29,360
in the way of resources are you willing

681
00:30:34,149 --> 00:30:31,760
to allocate against a program that you

682
00:30:37,190 --> 00:30:34,159
have low probability

683
00:30:40,870 --> 00:30:37,200
of the you know getting any kind of

684
00:30:46,070 --> 00:30:43,510
um john i have a question here from fab

685
00:30:49,269 --> 00:30:46,080
22 he's watching live from france right

686
00:30:52,070 --> 00:30:49,279
now he's um asking are non-human crop

687
00:30:54,230 --> 00:30:52,080
circles actively researched by official

688
00:30:57,509 --> 00:30:54,240

government scientists and have any

689

00:30:59,909 --> 00:30:57,519

connections been established with nda

690

00:31:03,269 --> 00:30:59,919

and non-human intelligence in regards to

691

00:31:03,279 --> 00:31:03,990

not you

692

00:31:08,470 --> 00:31:06,230

the best of my knowledge

693

00:31:09,750 --> 00:31:08,480

now and here's one of the problems that

694

00:31:11,350 --> 00:31:09,760

you have

695

00:31:13,990 --> 00:31:11,360

i mean we keep talking about the

696

00:31:16,389 --> 00:31:14,000

government as if it were a monolithic

697

00:31:20,070 --> 00:31:16,399

entity it is not

698

00:31:21,909 --> 00:31:20,080

it is made up u.s government alone alone

699

00:31:22,870 --> 00:31:21,919

foreign governments

700

00:31:23,990 --> 00:31:22,880

of

701
00:31:25,830 --> 00:31:24,000
uh

702
00:31:28,470 --> 00:31:25,840
hundreds of thousands of millions of

703
00:31:31,430 --> 00:31:28,480
people deciding on the government they

704
00:31:34,630 --> 00:31:31,440
have a wide range of experience see one

705
00:31:36,630 --> 00:31:34,640
of my questions that has come up

706
00:31:38,630 --> 00:31:36,640
is i looked and i think there's been

707
00:31:41,430 --> 00:31:38,640
about

708
00:31:44,070 --> 00:31:41,440
somewhere around 6 000 flag officers

709
00:31:45,029 --> 00:31:44,080
meeting general officers and admirals

710
00:31:47,750 --> 00:31:45,039
since

711
00:31:49,269 --> 00:31:47,760
the the end of

712
00:31:52,070 --> 00:31:49,279
project blue boat

713
00:31:54,789 --> 00:31:52,080

so my question is not why do programs

714

00:31:58,149 --> 00:31:54,799

like the one i created the one lou

715

00:32:01,509 --> 00:31:58,159

worked with or others pop up is why

716

00:32:02,630 --> 00:32:01,519

aren't there more because that tells me

717

00:32:05,190 --> 00:32:02,640

that

718

00:32:07,590 --> 00:32:05,200

a large number of people have had these

719

00:32:09,509 --> 00:32:07,600

personal experiences

720

00:32:10,549 --> 00:32:09,519

so an answer to direct answer to the

721

00:32:13,269 --> 00:32:10,559

question

722

00:32:16,149 --> 00:32:13,279

there is a considerable difference

723

00:32:19,029 --> 00:32:16,159

between individual interest and

724

00:32:20,230 --> 00:32:19,039

institutional responsibility

725

00:32:22,389 --> 00:32:20,240

and

726
00:32:24,710 --> 00:32:22,399
with the exception of the one program

727
00:32:26,110 --> 00:32:24,720
now you do not find

728
00:32:29,430 --> 00:32:26,120
where

729
00:32:30,870 --> 00:32:29,440
institutions are in general are taking

730
00:32:34,549 --> 00:32:30,880
this on

731
00:32:35,669 --> 00:32:34,559
dna just got the task

732
00:32:37,590 --> 00:32:35,679
and

733
00:32:39,990 --> 00:32:37,600
you know they will do something but i

734
00:32:43,590 --> 00:32:40,000
think it best collect a little data but

735
00:32:46,149 --> 00:32:43,600
it's not going to be significant funding

736
00:32:49,669 --> 00:32:46,159
that would be required to do serious

737
00:32:50,549 --> 00:32:49,679
research in these areas

738
00:32:52,149 --> 00:32:50,559

and

739

00:32:54,549 --> 00:32:52,159
certainly

740

00:32:57,190 --> 00:32:54,559
now there are people

741

00:33:00,230 --> 00:32:57,200
within the government who believe that

742

00:33:01,909 --> 00:33:00,240
they've had contact

743

00:33:04,630 --> 00:33:01,919
just like

744

00:33:07,830 --> 00:33:04,640
you know again in the civilian sector

745

00:33:09,430 --> 00:33:07,840
but again that does not translate to

746

00:33:13,350 --> 00:33:09,440
ergo

747

00:33:16,549 --> 00:33:13,360
their institution their organization

748

00:33:19,269 --> 00:33:16,559
is having you know specific interests

749

00:33:21,110 --> 00:33:19,279
if we're into selling body parts and all

750

00:33:23,269 --> 00:33:21,120
of the nonsense that you see and the

751

00:33:24,950 --> 00:33:23,279

answer is really no

752

00:33:27,590 --> 00:33:24,960

and i have

753

00:33:28,789 --> 00:33:27,600

i do know about the black world or the

754

00:33:30,389 --> 00:33:28,799

the uh

755

00:33:32,630 --> 00:33:30,399

i can't say black world would be

756

00:33:34,710 --> 00:33:32,640

different the mythical

757

00:33:37,350 --> 00:33:34,720

you know stuff that goes on on the

758

00:33:39,430 --> 00:33:37,360

internet i mean if you want crazy

759

00:33:41,750 --> 00:33:39,440

i can tell you you can find on the

760

00:33:44,710 --> 00:33:41,760

internet things that i personally led

761

00:33:48,310 --> 00:33:44,720

nuclear strike against e.t and

762

00:33:49,909 --> 00:33:48,320

dulce and just absolute craziness like

763

00:33:52,710 --> 00:33:49,919

this so

764

00:33:55,590 --> 00:33:52,720

there's no lower level to crazy

765

00:33:58,549 --> 00:33:55,600

and uh but you you will find these

766

00:34:02,789 --> 00:33:58,559

stories out there and i put

767

00:34:06,230 --> 00:34:04,950

well when you have especially i mean the

768

00:34:08,230 --> 00:34:06,240

a interdistributable thing but when it

769

00:34:09,909 --> 00:34:08,240

comes to that it can definitely muddy

770

00:34:12,230 --> 00:34:09,919

the waters for a lot of facts and

771

00:34:13,030 --> 00:34:12,240

information

772

00:34:16,310 --> 00:34:13,040

well

773

00:34:27,589 --> 00:34:16,320

a guy i would recommend here do you know

774

00:34:31,510 --> 00:34:29,430

oh yes i've interviewed it several times

775

00:34:33,190 --> 00:34:31,520

and he's going to be on in march here as

776

00:34:35,349 --> 00:34:33,200

well

777

00:34:37,430 --> 00:34:35,359

yeah no i've been down to his house and

778

00:34:39,190 --> 00:34:37,440

seeing the stuff that's going on there's

779

00:34:41,829 --> 00:34:39,200

a good one you say what do you mean by a

780

00:34:44,470 --> 00:34:41,839

ufo because besides the ones over the

781

00:34:45,909 --> 00:34:44,480

house he actually had ones

782

00:34:48,230 --> 00:34:45,919

show up in

783

00:34:51,510 --> 00:34:48,240

the living room there and

784

00:34:52,629 --> 00:34:51,520

the whole dog being rejuvenated and all

785

00:34:55,430 --> 00:34:52,639

of that

786

00:34:57,270 --> 00:34:55,440

but the study that they did i think is

787

00:34:59,430 --> 00:34:57,280

really important because it had

788

00:35:03,589 --> 00:34:59,440

thousands of interviewees

789

00:35:05,510 --> 00:35:03,599

and what you see is a progression

790

00:35:08,470 --> 00:35:05,520

in thinking about

791

00:35:10,390 --> 00:35:08,480

the incidents that sometimes they start

792

00:35:13,190 --> 00:35:10,400

out as terrifying

793

00:35:13,760 --> 00:35:13,200

and whatnot and people issue them and

794

00:35:14,870 --> 00:35:13,770

say

795

00:35:16,630 --> 00:35:14,880

[Music]

796

00:35:18,710 --> 00:35:16,640

bad things are happening i don't want to

797

00:35:21,750 --> 00:35:18,720

think about it to

798

00:35:23,750 --> 00:35:21,760

you know over time saying you know

799

00:35:25,750 --> 00:35:23,760

maybe that wasn't really positive and he

800

00:35:28,829 --> 00:35:25,760

points out in his book he's got another

801
00:35:32,310 --> 00:35:28,839
one that's about to come out

802
00:35:34,790 --> 00:35:32,320
um where the studies showed that over

803
00:35:37,990 --> 00:35:34,800
time there was a dramatic shift in

804
00:35:39,910 --> 00:35:38,000
perception between indepen individuals

805
00:35:41,430 --> 00:35:39,920
who believe that they have had

806
00:35:45,030 --> 00:35:41,440
interactions

807
00:35:47,670 --> 00:35:45,040
often starting out as highly negative to

808
00:35:50,150 --> 00:35:47,680
you know looking at them in retrospect

809
00:35:54,550 --> 00:35:50,160
and says oh you know

810
00:35:59,030 --> 00:35:56,550
but i i recommend i forget the name of

811
00:36:01,190 --> 00:35:59,040
the book until sucker's about three

812
00:36:03,589 --> 00:36:01,200
inches thick i did do a chapter for him

813
00:36:06,310 --> 00:36:03,599

in the first book

814

00:36:08,710 --> 00:36:06,320

yeah that is that is pretty thick

815

00:36:11,270 --> 00:36:08,720

yeah i was watching his presentation a

816

00:36:13,430 --> 00:36:11,280

few years back when he was um

817

00:36:15,510 --> 00:36:13,440

going over the data that they found and

818

00:36:18,069 --> 00:36:15,520

uh it is quite heavy i do not want to

819

00:36:19,109 --> 00:36:18,079

drop to my foot

820

00:36:20,310 --> 00:36:19,119

that's right

821

00:36:23,190 --> 00:36:20,320

but

822

00:36:26,310 --> 00:36:23,200

what's most important there is

823

00:36:27,670 --> 00:36:26,320

i think the finding is that the

824

00:36:42,069 --> 00:36:27,680

a

825

00:36:43,270 --> 00:36:42,079

these people

826
00:36:46,790 --> 00:36:43,280
and

827
00:36:47,829 --> 00:36:46,800
over time see how they their shift took

828
00:36:49,109 --> 00:36:47,839
place

829
00:36:50,870 --> 00:36:49,119
in

830
00:36:51,750 --> 00:36:50,880
their perception

831
00:36:54,950 --> 00:36:51,760
of

832
00:36:57,750 --> 00:36:54,960
what those encounters were like uh and

833
00:37:00,150 --> 00:36:57,760
like me i think he's pretty much uh

834
00:37:03,750 --> 00:37:00,160
in agreement particularly we start

835
00:37:05,750 --> 00:37:03,760
talking about interactions between

836
00:37:07,829 --> 00:37:05,760
various kinds of

837
00:37:09,430 --> 00:37:07,839
sentient uh

838
00:37:10,870 --> 00:37:09,440

entities

839

00:37:12,310 --> 00:37:10,880

that

840

00:37:15,829 --> 00:37:12,320

it can't be

841

00:37:17,190 --> 00:37:15,839

this does not exclude the possibility

842

00:37:19,109 --> 00:37:17,200

of the cell that might be

843

00:37:22,870 --> 00:37:19,119

extraterrestrial

844

00:37:26,870 --> 00:37:22,880

but again that just does not explain

845

00:37:29,270 --> 00:37:26,880

the plethora and variety and types of

846

00:37:34,069 --> 00:37:29,280

interactions that

847

00:37:37,510 --> 00:37:36,150

so um i don't want to change the subject

848

00:37:39,430 --> 00:37:37,520

just uh uh

849

00:37:41,510 --> 00:37:39,440

in anticipation of this next question i

850

00:37:43,589 --> 00:37:41,520

want to ask are there

851

00:37:45,670 --> 00:37:43,599

i guess because of the internet and the

852

00:37:47,910 --> 00:37:45,680

information or misinformation that's

853

00:37:49,990 --> 00:37:47,920

been spread around are there good guys

854

00:37:53,829 --> 00:37:50,000

and bad guys in government as people see

855

00:37:56,230 --> 00:37:54,790

of course

856

00:37:58,310 --> 00:37:56,240

okay

857

00:38:00,150 --> 00:37:58,320

how could that not be true

858

00:38:01,589 --> 00:38:00,160

you know you've got millions of people

859

00:38:03,670 --> 00:38:01,599

in the government

860

00:38:06,390 --> 00:38:03,680

some of them are going to be very nice

861

00:38:08,069 --> 00:38:06,400

people and others are going to be not so

862

00:38:10,630 --> 00:38:08,079

very nice

863

00:38:12,470 --> 00:38:10,640

okay so well the the next question and

864

00:38:14,390 --> 00:38:12,480

this was this question is from nathan

865

00:38:15,990 --> 00:38:14,400

it's a bit off topic i'll leave it up to

866

00:38:19,349 --> 00:38:16,000

you if you would like to answer it or

867

00:38:22,550 --> 00:38:19,359

not um he's as saying the world is in

868

00:38:24,630 --> 00:38:22,560

disarray though we hear day after day

869

00:38:27,030 --> 00:38:24,640

and country after countries rolling back

870

00:38:33,910 --> 00:38:27,040

covet band-aids in your opinion do you

871

00:38:39,589 --> 00:38:36,390

are the good guys well first of all we'd

872

00:38:42,870 --> 00:38:39,599

have to define good guys

873

00:38:46,390 --> 00:38:42,880

i'm not really sure how to do that

874

00:38:48,790 --> 00:38:46,400

i think the us is woefully behind other

875

00:38:51,030 --> 00:38:48,800

developed countries

876

00:38:52,550 --> 00:38:51,040

and it does get into politics

877

00:38:55,910 --> 00:38:52,560

unfortunately

878

00:39:02,470 --> 00:38:59,430

yeah people have chosen to

879

00:39:05,829 --> 00:39:02,480

you know for political interest not get

880

00:39:07,589 --> 00:39:05,839

vaccinated which allows

881

00:39:10,310 --> 00:39:07,599

you know the

882

00:39:13,349 --> 00:39:10,320

governed to mutate that's just been one

883

00:39:15,430 --> 00:39:13,359

of the problems i do think that uh you

884

00:39:18,470 --> 00:39:15,440

know we're going through omicron at the

885

00:39:21,750 --> 00:39:18,480

moment having had delta in fact a couple

886

00:39:23,670 --> 00:39:21,760

of versions of omicron i do suspect

887

00:39:26,470 --> 00:39:23,680

that there will be another one that

888

00:39:29,990 --> 00:39:26,480

comes along probably more virulent and

889

00:39:31,990 --> 00:39:30,000

that's because the viruses naturally

890

00:39:33,030 --> 00:39:32,000

emerge

891

00:39:34,950 --> 00:39:33,040

and

892

00:39:37,270 --> 00:39:34,960

like people they actually learn in a

893

00:39:40,069 --> 00:39:37,280

little bit different way in other words

894

00:39:43,270 --> 00:39:40,079

they do an evolutionary process

895

00:39:47,670 --> 00:39:43,280

they find out what uh what kind of

896

00:39:49,670 --> 00:39:47,680

barriers we put in by the vaccines and

897

00:39:52,710 --> 00:39:49,680

developing antibodies

898

00:39:53,910 --> 00:39:52,720

and can mutate in ways that can allow

899

00:39:55,190 --> 00:39:53,920

that

900

00:39:57,430 --> 00:39:55,200

to

901
00:39:59,670 --> 00:39:57,440
you know come up with something that can

902
00:40:02,390 --> 00:39:59,680
negate the vaccines

903
00:40:03,430 --> 00:40:02,400
as we've seen within the overcrowd

904
00:40:05,990 --> 00:40:03,440
where

905
00:40:08,630 --> 00:40:06,000
you know biggest advantage to being shot

906
00:40:11,109 --> 00:40:08,640
and boosted than i am

907
00:40:13,589 --> 00:40:11,119
that um you know that you're not that

908
00:40:14,710 --> 00:40:13,599
you won't get

909
00:40:15,910 --> 00:40:14,720
uh

910
00:40:17,829 --> 00:40:15,920
some

911
00:40:20,390 --> 00:40:17,839
form of the disease but it'd be much

912
00:40:22,710 --> 00:40:20,400
milder so your probability

913
00:40:25,349 --> 00:40:22,720

just seeing today the probability of

914

00:40:26,309 --> 00:40:25,359

dying if you've been thoroughly

915

00:40:27,589 --> 00:40:26,319

shot

916

00:40:30,470 --> 00:40:27,599

and boosted

917

00:40:33,349 --> 00:40:30,480

is you know 20 to 1

918

00:40:35,910 --> 00:40:33,359

in favor of the people who have done

919

00:40:38,790 --> 00:40:35,920

this but again

920

00:40:41,349 --> 00:40:38,800

the issue here is not just the u.s we

921

00:40:43,349 --> 00:40:41,359

have our own problems but it's a global

922

00:40:46,790 --> 00:40:43,359

issue

923

00:40:49,430 --> 00:40:46,800

because the virus does not stop at any

924

00:40:52,550 --> 00:40:49,440

given border

925

00:40:54,550 --> 00:40:52,560

and so that as we develop these measures

926
00:40:56,230 --> 00:40:54,560
and it develops countermeasures and

927
00:40:57,270 --> 00:40:56,240
counter counter measures

928
00:40:59,349 --> 00:40:57,280
uh

929
00:41:00,870 --> 00:40:59,359
this has got to be something that we

930
00:41:02,230 --> 00:41:00,880
deliver

931
00:41:05,109 --> 00:41:02,240
uh

932
00:41:07,910 --> 00:41:05,119
throughout the entire world the answers

933
00:41:14,069 --> 00:41:07,920
are you going to look with it yeah it's

934
00:41:18,790 --> 00:41:16,870
i'm not sure that we're winning on that

935
00:41:21,270 --> 00:41:18,800
again i'm not quite sure who the good

936
00:41:23,270 --> 00:41:21,280
guys are

937
00:41:25,349 --> 00:41:23,280
okay thank you for that uh the next

938
00:41:27,030 --> 00:41:25,359

question is from pearl asking is

939

00:41:29,829 --> 00:41:27,040

consciousness fundamental to the

940

00:41:31,109 --> 00:41:29,839

universe and if not what is underneath

941

00:41:33,349 --> 00:41:31,119

it

942

00:41:36,390 --> 00:41:33,359

no well that's the

943

00:41:39,349 --> 00:41:36,400

that goes back to max planck yeah

944

00:41:41,109 --> 00:41:39,359

consciousness is fundamental and i in my

945

00:41:43,190 --> 00:41:41,119

view

946

00:41:45,430 --> 00:41:43,200

this is not new

947

00:41:47,910 --> 00:41:45,440

uh but i think that is the

948

00:41:50,390 --> 00:41:47,920

fundamental building like the material

949

00:41:54,870 --> 00:41:50,400

things arise from consciousness as

950

00:41:59,190 --> 00:41:57,030

and that's why i think that

951
00:42:01,270 --> 00:41:59,200
what we see in studying consciousness

952
00:42:03,270 --> 00:42:01,280
across all of these phenomena are

953
00:42:04,710 --> 00:42:03,280
critical the only way you can begin to

954
00:42:07,109 --> 00:42:04,720
understand it

955
00:42:08,710 --> 00:42:07,119
is to understand the components of

956
00:42:12,470 --> 00:42:08,720
consciousness

957
00:42:13,510 --> 00:42:12,480
and as they as we see them manifest in

958
00:42:14,829 --> 00:42:13,520
this

959
00:42:17,990 --> 00:42:14,839
wide wide

960
00:42:19,910 --> 00:42:18,000
range of things but it is fundamental to

961
00:42:22,069 --> 00:42:19,920
everything

962
00:42:24,550 --> 00:42:22,079
again a personal opinion but certainly

963
00:42:26,470 --> 00:42:24,560

not unique

964

00:42:28,630 --> 00:42:26,480

great thank you for that uh fab is

965

00:42:30,470 --> 00:42:28,640

asking with respect to your experience

966

00:42:33,190 --> 00:42:30,480

and with great appreciation to your

967

00:42:35,670 --> 00:42:33,200

service what what would be your number

968

00:42:37,670 --> 00:42:35,680

one advice to the new generation on how

969

00:42:41,910 --> 00:42:37,680

to approach what you have studied

970

00:42:45,829 --> 00:42:42,790

oh

971

00:42:49,190 --> 00:42:45,839

yeah i do periodically get questions

972

00:42:51,030 --> 00:42:49,200

from people uh that asks you

973

00:42:54,630 --> 00:42:51,040

we're going to get a job

974

00:42:57,109 --> 00:42:54,640

one of the problems has been um

975

00:42:58,710 --> 00:42:57,119

you know i have an initial slide to say

976
00:43:00,870 --> 00:42:58,720
if you're going to be involved in

977
00:43:02,470 --> 00:43:00,880
phenomena you need three things one's

978
00:43:04,790 --> 00:43:02,480
thick skin because you're going to be

979
00:43:06,630 --> 00:43:04,800
attached one of them is understand

980
00:43:09,430 --> 00:43:06,640
conspiracy theories because you're going

981
00:43:10,950 --> 00:43:09,440
to be part of it but the other one that

982
00:43:13,349 --> 00:43:10,960
germaine here

983
00:43:15,670 --> 00:43:13,359
is you know have a day job or be

984
00:43:19,190 --> 00:43:15,680
independently wealthy

985
00:43:22,470 --> 00:43:19,200
hopefully and i think we are seeing

986
00:43:24,829 --> 00:43:22,480
a significant increase in interest and

987
00:43:27,109 --> 00:43:24,839
recognition of the

988
00:43:28,630 --> 00:43:27,119

importance of

989

00:43:30,710 --> 00:43:28,640

the consciousness and consciousness

990

00:43:33,910 --> 00:43:30,720

interaction of all these things

991

00:43:34,630 --> 00:43:33,920

it will become broader

992

00:43:37,430 --> 00:43:34,640

but

993

00:43:40,870 --> 00:43:37,440

unfortunately in the past

994

00:43:42,550 --> 00:43:40,880

the dominant view stereo still is

995

00:43:44,710 --> 00:43:42,560

materialistic

996

00:43:46,790 --> 00:43:44,720

you know that as i said with the higgs

997

00:43:48,790 --> 00:43:46,800

boson looking for the god particle you

998

00:43:50,870 --> 00:43:48,800

know get down to things that are

999

00:43:54,470 --> 00:43:50,880

smaller and smaller

1000

00:44:01,349 --> 00:43:57,030

um i like to use uh my experience in

1001

00:44:03,990 --> 00:44:01,359

brazil as a uh kind of a balance

1002

00:44:05,910 --> 00:44:04,000

and the reason i i've been in brazil

1003

00:44:07,829 --> 00:44:05,920

quite a bit deal with some very very

1004

00:44:10,150 --> 00:44:07,839

very high levels

1005

00:44:12,390 --> 00:44:10,160

and my point there is

1006

00:44:14,950 --> 00:44:12,400

that many of their institutions or

1007

00:44:18,150 --> 00:44:14,960

educational institutions are western

1008

00:44:20,390 --> 00:44:18,160

oriented and based on materialistic

1009

00:44:23,510 --> 00:44:20,400

things and at the same time

1010

00:44:25,750 --> 00:44:23,520

many periods if you get a dispiritism

1011

00:44:28,470 --> 00:44:25,760

they have a gun in the ayahuasca or

1012

00:44:31,109 --> 00:44:28,480

spirit chest and all of that

1013

00:44:32,950 --> 00:44:31,119

but they have many of them have formed a

1014

00:44:36,150 --> 00:44:32,960

way to integrate

1015

00:44:38,950 --> 00:44:36,160

things between spiritual nature and

1016

00:44:41,750 --> 00:44:38,960

materialism in ways that you generally

1017

00:44:46,790 --> 00:44:44,390

here in other western countries

1018

00:44:48,630 --> 00:44:46,800

and to the specific question that was

1019

00:44:50,550 --> 00:44:48,640

asked about were the younger

1020

00:44:53,030 --> 00:44:50,560

i think they're going to become more

1021

00:44:54,069 --> 00:44:53,040

adaptive

1022

00:44:57,670 --> 00:44:54,079

and

1023

00:44:59,910 --> 00:44:57,680

integrate those studies in ways that

1024

00:45:03,190 --> 00:44:59,920

hopefully will change our educational

1025

00:45:05,750 --> 00:45:03,200

system to be more accepting

1026

00:45:08,710 --> 00:45:05,760

and say yes you are

1027

00:45:13,589 --> 00:45:08,720

a spiritual being having a human

1028

00:45:19,109 --> 00:45:16,630

uh john the next question is from

1029

00:45:21,589 --> 00:45:19,119

middle child's asking do you believe

1030

00:45:23,349 --> 00:45:21,599

uh plant medicines can break down the

1031

00:45:25,750 --> 00:45:23,359

boundaries between our current

1032

00:45:28,950 --> 00:45:25,760

consciousness and the real universal

1033

00:45:34,230 --> 00:45:31,190

well i think it's part of the same thing

1034

00:45:36,630 --> 00:45:34,240

uh i met um

1035

00:45:37,430 --> 00:45:36,640

mcken dennis mckenna

1036

00:45:40,230 --> 00:45:37,440

uh

1037

00:45:42,230 --> 00:45:40,240

and actually in the amazon and i've done

1038

00:45:47,510 --> 00:45:42,240

quite a work

1039

00:45:51,030 --> 00:45:47,520

my wife is a devotee of ayahuasca

1040

00:45:52,550 --> 00:45:51,040

and um it's interesting because

1041

00:45:55,910 --> 00:45:52,560

you know when you go in it makes

1042

00:45:58,309 --> 00:45:55,920

absolutely no sense you know it's fairly

1043

00:46:02,069 --> 00:45:58,319

complex but

1044

00:46:07,190 --> 00:46:04,550

why do the good generals take

1045

00:46:09,589 --> 00:46:07,200

these disparate kinds of plants put them

1046

00:46:12,550 --> 00:46:09,599

together and make something

1047

00:46:13,430 --> 00:46:12,560

that created ayahuasca

1048

00:46:15,990 --> 00:46:13,440

and

1049

00:46:17,349 --> 00:46:16,000

the classic answer is the plants told

1050

00:46:20,150 --> 00:46:17,359

them

1051
00:46:22,390 --> 00:46:20,160
and as dennis had told us we were down

1052
00:46:25,190 --> 00:46:22,400
in iquitos in

1053
00:46:26,790 --> 00:46:25,200
the amazon in peru

1054
00:46:29,349 --> 00:46:26,800
and

1055
00:46:32,630 --> 00:46:29,359
you know what if plants have a universal

1056
00:46:33,910 --> 00:46:32,640
consciousness and that probably is

1057
00:46:36,550 --> 00:46:33,920
part

1058
00:46:39,349 --> 00:46:36,560
of the answer to consciousness what they

1059
00:46:41,030 --> 00:46:39,359
used to tell us we would ask about

1060
00:46:42,550 --> 00:46:41,040
healing various

1061
00:46:44,710 --> 00:46:42,560
diseases

1062
00:46:47,270 --> 00:46:44,720
and say you should ask the plants

1063
00:46:48,790 --> 00:46:47,280

because they know how to do it how to

1064

00:46:51,190 --> 00:46:48,800

provide

1065

00:46:54,390 --> 00:46:51,200

a certain thing now of course biopiracy

1066

00:46:56,630 --> 00:46:54,400

became a huge issue

1067

00:46:59,030 --> 00:46:56,640

and that was anthropologists and

1068

00:47:01,829 --> 00:46:59,040

pharmacologists going in

1069

00:47:05,430 --> 00:47:01,839

and finding out uh

1070

00:47:08,069 --> 00:47:05,440

what the shamans had been using for

1071

00:47:10,790 --> 00:47:08,079

you know potentially centuries

1072

00:47:11,829 --> 00:47:10,800

and from that trying to find out

1073

00:47:15,030 --> 00:47:11,839

what's the

1074

00:47:17,670 --> 00:47:15,040

the specific pharmacological active

1075

00:47:20,390 --> 00:47:17,680

agents in there and then

1076

00:47:23,430 --> 00:47:20,400

and then make a ton of money

1077

00:47:25,190 --> 00:47:23,440

you know through big pharma

1078

00:47:29,589 --> 00:47:25,200

and unfortunately the people who really

1079

00:47:30,470 --> 00:47:29,599

understood it get screwed in the process

1080

00:47:32,710 --> 00:47:30,480

but

1081

00:47:34,790 --> 00:47:32,720

having said that

1082

00:47:37,430 --> 00:47:34,800

yeah i think they can't

1083

00:47:40,230 --> 00:47:37,440

the short answer to the

1084

00:47:43,510 --> 00:47:40,240

person's question is yeah i think there

1085

00:47:46,150 --> 00:47:43,520

is plain consciousness and that

1086

00:47:48,069 --> 00:47:46,160

it interacts on a broader scale and if

1087

00:47:50,309 --> 00:47:48,079

you're open to it

1088

00:47:52,870 --> 00:47:50,319

it can be quite helpful

1089

00:47:55,510 --> 00:47:52,880

i will tell you also though if i i have

1090

00:47:57,390 --> 00:47:55,520

mentioned iowa and dmt

1091

00:47:59,990 --> 00:47:57,400

i am certain that

1092

00:48:02,549 --> 00:48:00,000

psychopharmacology does not

1093

00:48:05,430 --> 00:48:02,559

explain the kinds of

1094

00:48:06,470 --> 00:48:05,440

experiences that you see

1095

00:48:11,270 --> 00:48:06,480

using

1096

00:48:12,390 --> 00:48:11,280

ayahuasca it's far more than just a

1097

00:48:16,870 --> 00:48:12,400

dmT

1098

00:48:20,870 --> 00:48:19,030

great thank you john

1099

00:48:22,630 --> 00:48:20,880

middle child just following up just

1100

00:48:25,589 --> 00:48:22,640

simply saying thank you for your service

1101
00:48:28,950 --> 00:48:25,599
and dedication to this phenomena john

1102
00:48:31,750 --> 00:48:28,960
um the other just a statement from for

1103
00:48:34,710 --> 00:48:31,760
sure saying hi john i love your book

1104
00:48:36,150 --> 00:48:34,720
a reality denied

1105
00:48:38,549 --> 00:48:36,160
no thank you

1106
00:48:40,710 --> 00:48:38,559
and um

1107
00:48:42,069 --> 00:48:40,720
so i just uh just to

1108
00:48:44,870 --> 00:48:42,079
adjust the audience real quick we're

1109
00:48:47,109 --> 00:48:44,880
doing q a with john alexander so if you

1110
00:48:49,270 --> 00:48:47,119
have any questions please submit them in

1111
00:48:52,069 --> 00:48:49,280
the chat using three asterisks before

1112
00:48:53,829 --> 00:48:52,079
your question um otherwise you can join

1113
00:48:56,230 --> 00:48:53,839

the voice chat going on right now on

1114

00:48:59,030 --> 00:48:56,240

telegram and you can ask a question of

1115

00:49:00,470 --> 00:48:59,040

john directly so john will be on just

1116

00:49:02,549 --> 00:49:00,480

for a little longer

1117

00:49:04,950 --> 00:49:02,559

so please take advantage of that

1118

00:49:07,510 --> 00:49:04,960

uh john so

1119

00:49:09,990 --> 00:49:07,520

basically then

1120

00:49:12,390 --> 00:49:10,000

uh so i've talked to ray several times

1121

00:49:14,710 --> 00:49:12,400

and i've had him on the show and he was

1122

00:49:17,430 --> 00:49:14,720

um just simply he was explaining the

1123

00:49:18,470 --> 00:49:17,440

complexity of of the phenomena you know

1124

00:49:20,790 --> 00:49:18,480

and

1125

00:49:22,710 --> 00:49:20,800

uh it's it's very interesting

1126

00:49:24,950 --> 00:49:22,720

well i should say

1127

00:49:27,349 --> 00:49:24,960

it's interesting what he found but what

1128

00:49:30,150 --> 00:49:27,359

for example like when i know some people

1129

00:49:33,030 --> 00:49:30,160

that are close friends and some you know

1130

00:49:35,190 --> 00:49:33,040

just acquaintances um their mindset for

1131

00:49:37,270 --> 00:49:35,200

example is not on

1132

00:49:40,950 --> 00:49:37,280

the you know about these things that

1133

00:49:42,549 --> 00:49:40,960

mine is for example and so

1134

00:49:44,309 --> 00:49:42,559

i you know it's like there's part of me

1135

00:49:46,549 --> 00:49:44,319

that wants to say hey you know there's

1136

00:49:48,150 --> 00:49:46,559

this whole subject that maybe it might

1137

00:49:49,750 --> 00:49:48,160

be interesting to you to cover but

1138

00:49:51,430 --> 00:49:49,760

there's part of me said just leave them

1139

00:49:53,270 --> 00:49:51,440

be you know they're doing their thing if

1140

00:49:55,750 --> 00:49:53,280

they come across information they come

1141

00:49:57,670 --> 00:49:55,760

across it but you know so i don't know

1142

00:49:59,670 --> 00:49:57,680

it's always kind of like this stuck in

1143

00:50:01,589 --> 00:49:59,680

no man's land what are your thoughts on

1144

00:50:03,510 --> 00:50:01,599

that you know should we speak to people

1145

00:50:05,910 --> 00:50:03,520

more about this or just leave them to

1146

00:50:07,750 --> 00:50:05,920

come across you know your force and

1147

00:50:10,390 --> 00:50:07,760

consciousness um to come across it

1148

00:50:15,430 --> 00:50:12,470

when the teacher when the student is

1149

00:50:16,630 --> 00:50:15,440

ready the teacher will appear

1150

00:50:20,150 --> 00:50:16,640

um

1151
00:50:21,750 --> 00:50:20,160
experience has been you can't force this

1152
00:50:23,349 --> 00:50:21,760
conversely

1153
00:50:26,710 --> 00:50:23,359
yeah he used to

1154
00:50:28,950 --> 00:50:26,720
travel uh quite a bit and you know you

1155
00:50:31,190 --> 00:50:28,960
might be on an airplane and it's

1156
00:50:33,349 --> 00:50:31,200
amazing to me how many times you can

1157
00:50:37,430 --> 00:50:33,359
bring up things like

1158
00:50:40,309 --> 00:50:37,440
near-death experience or ufos or whatnot

1159
00:50:43,910 --> 00:50:40,319
and have people say oh yes you know that

1160
00:50:44,950 --> 00:50:43,920
was me that that let me tell you a story

1161
00:50:47,430 --> 00:50:44,960
um

1162
00:50:51,109 --> 00:50:47,440
so one of the problems that we have in

1163
00:50:53,670 --> 00:50:51,119

all of these areas

1164

00:50:56,630 --> 00:50:53,680

there's a vast amount of information

1165

00:50:59,670 --> 00:50:56,640

that's out there that is not correlated

1166

00:51:00,390 --> 00:50:59,680

and people feel reluctant

1167

00:51:03,430 --> 00:51:00,400

to

1168

00:51:05,750 --> 00:51:03,440

come forward with it

1169

00:51:07,990 --> 00:51:05,760

i'm reading a book at the moment on

1170

00:51:09,430 --> 00:51:08,000

shared death experiences as people

1171

00:51:11,829 --> 00:51:09,440

who've been

1172

00:51:14,549 --> 00:51:11,839

you know where an individual dies and

1173

00:51:16,390 --> 00:51:14,559

some have had near-death experiences

1174

00:51:18,470 --> 00:51:16,400

and shared death is where there's people

1175

00:51:21,109 --> 00:51:18,480

who are with them who have

1176
00:51:24,069 --> 00:51:21,119
part of the experience but of course

1177
00:51:25,030 --> 00:51:24,079
come back and one of the universal

1178
00:51:27,589 --> 00:51:25,040
things

1179
00:51:30,470 --> 00:51:27,599
themes that has come up

1180
00:51:33,829 --> 00:51:30,480
is how many people who have had things

1181
00:51:34,630 --> 00:51:33,839
like that are very reluctant

1182
00:51:37,030 --> 00:51:34,640
to

1183
00:51:39,829 --> 00:51:37,040
address that with anybody else

1184
00:51:41,510 --> 00:51:39,839
and that's uh predominantly a fear of

1185
00:51:45,109 --> 00:51:41,520
being

1186
00:51:47,589 --> 00:51:45,119
you know called you're crazy or

1187
00:51:51,829 --> 00:51:47,599
you know excluded because of

1188
00:51:53,510 --> 00:51:51,839

that from in a community um

1189

00:51:55,750 --> 00:51:53,520

this is one of the things that i will

1190

00:52:00,549 --> 00:51:55,760

hope will change

1191

00:52:03,030 --> 00:52:00,559

and i and one of the things i do in

1192

00:52:04,630 --> 00:52:03,040

reality tonight the fact is to talk to

1193

00:52:05,589 --> 00:52:04,640

people and say

1194

00:52:08,309 --> 00:52:05,599

you know

1195

00:52:10,230 --> 00:52:08,319

tell others about the experiences and

1196

00:52:11,270 --> 00:52:10,240

you're going to find out it's a lot more

1197

00:52:15,270 --> 00:52:11,280

common

1198

00:52:20,470 --> 00:52:17,109

great thank you for that

1199

00:52:22,710 --> 00:52:20,480

john four shorts is um asking i have a

1200

00:52:25,589 --> 00:52:22,720

question what's going on right now in

1201
00:52:27,910 --> 00:52:25,599
your ufology what are you expecting for

1202
00:52:30,309 --> 00:52:27,920
the next five years it seems to me it's

1203
00:52:36,069 --> 00:52:30,319
been a bit slow for a while at least in

1204
00:52:42,549 --> 00:52:39,990
uh i would not agree with the notion of

1205
00:52:45,630 --> 00:52:42,559
new solid cases i think they are coming

1206
00:52:49,109 --> 00:52:45,640
forward and one of the reasons is the

1207
00:52:50,710 --> 00:52:49,119
ubiquitous nature of sensory systems and

1208
00:52:52,790 --> 00:52:50,720
not only

1209
00:52:55,829 --> 00:52:52,800
military sensors and things of that

1210
00:52:58,309 --> 00:52:55,839
nature and national system

1211
00:53:01,030 --> 00:52:58,319
we got cameras every place

1212
00:53:03,430 --> 00:53:01,040
and they do pick stuff up from time to

1213
00:53:05,750 --> 00:53:03,440

time now whether it will be a dramatic

1214

00:53:08,309 --> 00:53:05,760

case uh or not

1215

00:53:10,870 --> 00:53:08,319

i i don't know

1216

00:53:12,829 --> 00:53:10,880

franklin the ufo community has been its

1217

00:53:16,309 --> 00:53:12,839

own worst enemy

1218

00:53:19,190 --> 00:53:16,319

uh and uh i've i've dealt with the

1219

00:53:21,990 --> 00:53:19,200

skeptics i have problems there but i've

1220

00:53:23,910 --> 00:53:22,000

often said uh my advice to the skeptics

1221

00:53:26,710 --> 00:53:23,920

is do not nothing

1222

00:53:29,430 --> 00:53:26,720

uh because the people involved in these

1223

00:53:30,710 --> 00:53:29,440

areas would usually self-emulate

1224

00:53:32,390 --> 00:53:30,720

um

1225

00:53:34,230 --> 00:53:32,400

and if

1226

00:53:36,870 --> 00:53:34,240

i mentioned before that's what i call

1227

00:53:38,710 --> 00:53:36,880

the flame getting too close to the flame

1228

00:53:41,990 --> 00:53:38,720

and people who get caught up in things

1229

00:53:44,950 --> 00:53:42,000

and go off into things that are you know

1230

00:53:47,270 --> 00:53:44,960

demonstrably false or as you've seen

1231

00:53:50,470 --> 00:53:47,280

some of the most you know literally

1232

00:53:53,270 --> 00:53:50,480

created religions out of this

1233

00:53:56,710 --> 00:53:55,349

the ufo community has

1234

00:53:57,829 --> 00:53:56,720

certainly

1235

00:53:58,710 --> 00:53:57,839

had that

1236

00:54:01,750 --> 00:53:58,720

occur

1237

00:54:04,309 --> 00:54:01,760

as well as other areas

1238

00:54:07,829 --> 00:54:04,319

so i think there's a need to be very

1239

00:54:13,910 --> 00:54:11,270

again i am hopeful that some of the

1240

00:54:14,630 --> 00:54:13,920

younger spirits coming in

1241

00:54:16,950 --> 00:54:14,640

will

1242

00:54:19,829 --> 00:54:16,960

you know take an advance and

1243

00:54:21,270 --> 00:54:19,839

approach us from a much more open-minded

1244

00:54:22,710 --> 00:54:21,280

perspective

1245

00:54:27,829 --> 00:54:22,720

than

1246

00:54:31,910 --> 00:54:30,230

so john in uh we're coming close uh

1247

00:54:34,630 --> 00:54:31,920

close to to the end so i wanted to

1248

00:54:36,789 --> 00:54:34,640

basically leave it to you to um just

1249

00:54:40,150 --> 00:54:36,799

leave us with uh with your final

1250

00:54:44,069 --> 00:54:42,150

final thoughts

1251
00:54:46,309 --> 00:54:44,079
um

1252
00:54:47,990 --> 00:54:46,319
yeah you are a spiritual being having a

1253
00:54:52,390 --> 00:54:48,000
human experience

1254
00:54:54,390 --> 00:54:52,400
and these phenomena exist and hopefully

1255
00:54:58,230 --> 00:54:54,400
you know we will continue

1256
00:55:00,309 --> 00:54:58,240
to study them more but understand that

1257
00:55:03,190 --> 00:55:00,319
one of your questions earlier

1258
00:55:06,470 --> 00:55:03,200
that consciousness is fundamental and

1259
00:55:08,309 --> 00:55:06,480
permeates everything

1260
00:55:09,829 --> 00:55:08,319
and

1261
00:55:11,349 --> 00:55:09,839
somebody i think

1262
00:55:13,190 --> 00:55:11,359
addressed you know

1263
00:55:17,349 --> 00:55:13,200

the approaches just to try to be the

1264

00:55:20,470 --> 00:55:19,109

great well john thank you very much

1265

00:55:23,030 --> 00:55:20,480

again for being on and doing this

1266

00:55:25,109 --> 00:55:23,040

interview i appreciate it uh also

1267

00:55:27,270 --> 00:55:25,119

everyone else watching i appreciate you

1268

00:55:28,549 --> 00:55:27,280

logging in so um

1269

00:55:29,430 --> 00:55:28,559

john uh

1270

00:55:38,950 --> 00:55:29,440

i

1271

00:55:41,589 --> 00:55:38,960

and so uh

1272

00:55:42,950 --> 00:55:41,599

i hope they run i did notice there's a

1273

00:55:44,950 --> 00:55:42,960

flyer or

1274

00:55:47,589 --> 00:55:44,960

a flag on it now that says we hope to

1275

00:55:49,030 --> 00:55:47,599

run in person and i do too

1276

00:55:51,510 --> 00:55:49,040

right you know there's some there has

1277

00:55:53,750 --> 00:55:51,520

been some good news that um uh there's

1278

00:55:56,309 --> 00:55:53,760

everything is still on schedule and uh

1279

00:55:58,950 --> 00:55:56,319

march first i believe would be the go no

1280

00:56:00,549 --> 00:55:58,960

go time and so we'll know by then for

1281

00:56:02,470 --> 00:56:00,559

sure but there's been some very hopeful

1282

00:56:05,589 --> 00:56:02,480

information that uh

1283

00:56:08,150 --> 00:56:05,599

it will be in person and still going

1284

00:56:10,230 --> 00:56:08,160

yeah i i had not heard the march 5th

1285

00:56:12,549 --> 00:56:10,240

date so it's good to know

1286

00:56:14,549 --> 00:56:12,559

but uh yeah i'm very hopeful

1287

00:56:16,150 --> 00:56:14,559

a lot of friends because i know ray is

1288

00:56:18,789 --> 00:56:16,160

going to be there and you're going to

1289

00:56:21,910 --> 00:56:18,799

have dave marlaron he's a good friend

1290

00:56:25,109 --> 00:56:21,920

have great cases understanding

1291

00:56:26,230 --> 00:56:25,119

his in-depth study in various areas not

1292

00:56:30,230 --> 00:56:26,240

only

1293

00:56:32,950 --> 00:56:30,240

in triangular ufos but he's got some

1294

00:56:34,390 --> 00:56:32,960

great stuff that he's done

1295

00:56:36,390 --> 00:56:34,400

looking forward to getting back with

1296

00:56:37,750 --> 00:56:36,400

them again

1297

00:56:39,670 --> 00:56:37,760

all right yeah good deal you know

1298

00:56:41,510 --> 00:56:39,680

definitely uh looking forward to that

1299

00:56:43,030 --> 00:56:41,520

too because i know them also well very

1300

00:56:44,390 --> 00:56:43,040

well over the years so it would be nice

1301

00:56:46,789 --> 00:56:44,400

to see him in person

1302

00:56:48,309 --> 00:56:46,799

so john just sit tight we're going to

1303

00:56:50,789 --> 00:56:48,319

just log off with the audience real

1304

00:56:52,789 --> 00:56:50,799

quick so john thank you very much um

1305

00:56:56,150 --> 00:56:52,799

everyone else watching i appreciate you

1306

00:56:57,589 --> 00:56:56,160

tuning in uh for those that

1307

00:56:58,470 --> 00:56:57,599

are interested and attending the

1308

00:57:01,510 --> 00:56:58,480

conference

1309

00:57:03,510 --> 00:57:01,520

uh the link in the description is in the

1310

00:57:06,950 --> 00:57:03,520

description below where you can purchase

1311

00:57:08,549 --> 00:57:06,960

it also um at the link to john's website

1312

00:57:10,069 --> 00:57:08,559

uh it's also in the description below

1313

00:57:13,510 --> 00:57:10,079

and i certainly hope you take the time

1314

00:57:17,829 --> 00:57:13,520

to go and check it out um i will be

1315

00:57:20,789 --> 00:57:17,839

doing a uh i guess a giveaway of if you

1316

00:57:23,109 --> 00:57:20,799

if comment in the in the comment section

1317

00:57:26,470 --> 00:57:23,119

and like this video and leave the

1318

00:57:28,950 --> 00:57:26,480

hashtag ozark2022

1319

00:57:30,309 --> 00:57:28,960

come march 9th i will be picking a

1320

00:57:31,190 --> 00:57:30,319

random video

1321

00:57:33,589 --> 00:57:31,200

and then

1322

00:57:35,829 --> 00:57:33,599

doing a random

1323

00:57:38,069 --> 00:57:35,839

algorithm selection that basically then

1324

00:57:40,870 --> 00:57:38,079

would pick a winner where you can win

1325

00:57:43,030 --> 00:57:40,880

two tickets for april 8th till 10th to

1326

00:57:45,430 --> 00:57:43,040

attend the conference so

1327

00:57:47,109 --> 00:57:45,440

hashtag ozark2022

1328

00:57:49,910 --> 00:57:47,119

and i hope you certainly take advantage

1329

00:57:52,230 --> 00:57:49,920

of that so again everyone john thank you
