

UFO HUB

LIVE STREAM

1
00:00:06,970 --> 00:01:08,070

[Music]

2
00:01:13,750 --> 00:01:10,390

hey everyone welcome to your fab live

3
00:01:15,990 --> 00:01:13,760

stream today's guest and also one of the

4
00:01:18,070 --> 00:01:16,000

ozark mountain ufo conference

5
00:01:19,109 --> 00:01:18,080

speakers this year is going to be thomas

6
00:01:20,789 --> 00:01:19,119

fusco

7
00:01:22,789 --> 00:01:20,799

and

8
00:01:24,789 --> 00:01:22,799

you will be able to actually see thomas

9
00:01:27,590 --> 00:01:24,799

fusco and many of the other speakers in

10
00:01:29,510 --> 00:01:27,600

person as far as i know everything is

11
00:01:31,670 --> 00:01:29,520

still on track for in person no

12
00:01:34,310 --> 00:01:31,680

restrictions conference so i'm hoping

13
00:01:37,030 --> 00:01:34,320

you'll be able to join us it's april 8th

14

00:01:39,109 --> 00:01:37,040

till 10th in eureka springs arkansas

15

00:01:41,429 --> 00:01:39,119

and um

16

00:01:43,590 --> 00:01:41,439

you uh you can buy the tickets actually

17

00:01:46,389 --> 00:01:43,600

uh right now they're available uh on the

18

00:01:49,270 --> 00:01:46,399

website uh the link it's in description

19

00:01:51,030 --> 00:01:49,280

below and um you should be

20

00:01:52,870 --> 00:01:51,040

able to

21

00:01:55,590 --> 00:01:52,880

just simply scroll down click on the

22

00:01:57,510 --> 00:01:55,600

link and you'll you'll see the different

23

00:01:59,830 --> 00:01:57,520

ticket availability

24

00:02:01,749 --> 00:01:59,840

you can also stream it live that's also

25

00:02:02,789 --> 00:02:01,759

an option for those that still don't

26

00:02:06,069 --> 00:02:02,799

want to

27

00:02:08,389 --> 00:02:06,079

i guess get out of the house but anyway

28

00:02:10,710 --> 00:02:08,399

we have in the description also in

29

00:02:12,790 --> 00:02:10,720

description below i have thomas's

30

00:02:15,830 --> 00:02:12,800

website where you can find out more

31

00:02:17,830 --> 00:02:15,840

information about him uh uh read um

32

00:02:20,070 --> 00:02:17,840

additional information that he has on on

33

00:02:21,589 --> 00:02:20,080

this site and contact them there as well

34

00:02:24,229 --> 00:02:21,599

for any follow-up questions you might

35

00:02:27,270 --> 00:02:24,239

have um amazon links and barnes and

36

00:02:28,790 --> 00:02:27,280

noble links for his uh book uh beyond

37

00:02:30,949 --> 00:02:28,800

the cosmic veil is also in the

38

00:02:33,030 --> 00:02:30,959

description so as always with every

39

00:02:35,270 --> 00:02:33,040

guest i have those available i hope you

40

00:02:38,150 --> 00:02:35,280

certainly take advantage of that

41

00:02:41,110 --> 00:02:38,160

so what i've been doing and up until

42

00:02:42,630 --> 00:02:41,120

march 9th every single video that i come

43

00:02:44,630 --> 00:02:42,640

out with

44

00:02:45,990 --> 00:02:44,640

weekly or however many to happen to be

45

00:02:48,790 --> 00:02:46,000

per week

46

00:02:51,830 --> 00:02:48,800

leading all the way up till march 9th

47

00:02:53,190 --> 00:02:51,840

if you comment and like the video and in

48

00:02:56,750 --> 00:02:53,200

the description

49

00:03:00,149 --> 00:02:56,760

along with your comment put a hashtag

50

00:03:03,750 --> 00:03:00,159

ozark2022 um in the in the comments

51
00:03:06,229 --> 00:03:03,760
later on i will be then randomly uh

52
00:03:07,750 --> 00:03:06,239
a winner to win

53
00:03:09,990 --> 00:03:07,760
a pair of tickets for the ozark

54
00:03:12,470 --> 00:03:10,000
conference so it's simply

55
00:03:13,910 --> 00:03:12,480
two tickets for you and a friend or

56
00:03:16,390 --> 00:03:13,920
whoever else you would like to take with

57
00:03:18,869 --> 00:03:16,400
you if you're interested if you are not

58
00:03:21,110 --> 00:03:18,879
sure that you might win if you don't uh

59
00:03:23,190 --> 00:03:21,120
want to take any chances or usually not

60
00:03:24,869 --> 00:03:23,200
lucky in those kind of things uh you can

61
00:03:27,509 --> 00:03:24,879
just go straight to the site and

62
00:03:30,550 --> 00:03:27,519
purchase them today so

63
00:03:32,710 --> 00:03:30,560

for any questions in the chat whether

64

00:03:35,270 --> 00:03:32,720

it's on youtube or in

65

00:03:37,270 --> 00:03:35,280

on twitch if you simply put three

66

00:03:38,869 --> 00:03:37,280

asterisks before the question that will

67

00:03:39,990 --> 00:03:38,879

pop out at me and i know it's meant for

68

00:03:43,110 --> 00:03:40,000

the guest

69

00:03:45,990 --> 00:03:43,120

you can also join the uh the group which

70

00:03:47,830 --> 00:03:46,000

is on telegram it's a voice chat group

71

00:03:49,589 --> 00:03:47,840

that's going on right now and it's

72

00:03:51,030 --> 00:03:49,599

transmitting voice only so you can

73

00:03:54,710 --> 00:03:51,040

listen to this

74

00:03:56,949 --> 00:03:54,720

audio only and you you will be able to

75

00:03:58,869 --> 00:03:56,959

join that group simply raise your hand

76

00:04:00,710 --> 00:03:58,879

you'll see a little icon that looks like

77

00:04:02,470 --> 00:04:00,720

a person raising their hand and that

78

00:04:05,750 --> 00:04:02,480

would add you to my queue

79

00:04:09,270 --> 00:04:05,760

and then come q a time you will be

80

00:04:11,830 --> 00:04:09,280

able to ask thomas a question directly

81

00:04:14,789 --> 00:04:11,840

so with that out of the way i'm hoping

82

00:04:16,390 --> 00:04:14,799

that uh

83

00:04:20,710 --> 00:04:16,400

seeking truth one hundred percent just

84

00:04:23,430 --> 00:04:20,720

real quick uh it's hashtag ozark uh 2022

85

00:04:25,189 --> 00:04:23,440

all lowercase uh because i'm using a

86

00:04:27,590 --> 00:04:25,199

program that picks that up so if you

87

00:04:30,390 --> 00:04:27,600

don't exactly uh spell it out it might

88

00:04:32,469 --> 00:04:30,400

not pick you up there also

89

00:04:34,150 --> 00:04:32,479

in the description the hashtag is

90

00:04:36,230 --> 00:04:34,160

spelled exactly the way i will be

91

00:04:38,070 --> 00:04:36,240

searching for so you can just copy that

92

00:04:40,070 --> 00:04:38,080

and paste it

93

00:04:42,150 --> 00:04:40,080

so let me

94

00:04:44,790 --> 00:04:42,160

unmute thomas

95

00:04:46,629 --> 00:04:44,800

and uh let me let me bring him in thomas

96

00:04:48,710 --> 00:04:46,639

welcome how are you

97

00:04:51,030 --> 00:04:48,720

hey pretty good uh

98

00:04:53,590 --> 00:04:51,040

thanks for having me on

99

00:04:56,550 --> 00:04:53,600

well i'm i'm glad we're able to to uh do

100

00:04:59,030 --> 00:04:56,560

this again um i know we did a

101

00:05:01,189 --> 00:04:59,040

um we did one interview together quite

102

00:05:03,510 --> 00:05:01,199

some time ago and also included that in

103

00:05:05,590 --> 00:05:03,520

the description below for the first part

104

00:05:07,350 --> 00:05:05,600

and i wasn't sure exactly what to call

105

00:05:09,590 --> 00:05:07,360

to call this so i was like why not

106

00:05:12,870 --> 00:05:09,600

behind the cosmic veil part two

107

00:05:15,189 --> 00:05:12,880

and so um i figured we'll just uh

108

00:05:17,270 --> 00:05:15,199

take it take off from here then

109

00:05:18,870 --> 00:05:17,280

maybe for those new listeners if you can

110

00:05:20,550 --> 00:05:18,880

go a little bit into your background

111

00:05:22,150 --> 00:05:20,560

information how everything got started

112

00:05:23,350 --> 00:05:22,160

for you and then we'll take it from

113

00:05:25,430 --> 00:05:23,360

there

114

00:05:27,670 --> 00:05:25,440

sure

115

00:05:30,070 --> 00:05:27,680

and and first i just want to

116

00:05:34,710 --> 00:05:30,080

let your audience know that the

117

00:05:35,749 --> 00:05:34,720

lack of a video feed on me is on my end

118

00:05:37,990 --> 00:05:35,759

so

119

00:05:39,909 --> 00:05:38,000

uh

120

00:05:41,830 --> 00:05:39,919

i can't see any of the chat room

121

00:05:43,510 --> 00:05:41,840

questions or

122

00:05:46,870 --> 00:05:43,520

i'll relay them to you i'll only pick

123

00:05:46,880 --> 00:05:54,710

for a good time call tom right right

124

00:05:54,720 --> 00:05:58,469

anyway uh

125

00:06:04,309 --> 00:06:01,670

a very long time ago

126
00:06:08,710 --> 00:06:04,319
late teens early 20s

127
00:06:09,670 --> 00:06:08,720
uh i had uh had uh several

128
00:06:11,670 --> 00:06:09,680
uh

129
00:06:13,309 --> 00:06:11,680
to me were profound

130
00:06:16,150 --> 00:06:13,319
um

131
00:06:18,629 --> 00:06:16,160
parapsychological experiences

132
00:06:20,309 --> 00:06:18,639
uh some people like to call them psychic

133
00:06:22,070 --> 00:06:20,319
experiences

134
00:06:24,870 --> 00:06:22,080
and that's fine for me

135
00:06:29,110 --> 00:06:24,880
that term carries a little bit too much

136
00:06:35,029 --> 00:06:32,710
but i had some several experiences that

137
00:06:36,150 --> 00:06:35,039
caused me to seriously call into

138
00:06:37,749 --> 00:06:36,160

question

139

00:06:38,710 --> 00:06:37,759

uh the

140

00:06:40,790 --> 00:06:38,720

model of

141

00:06:42,790 --> 00:06:40,800

reality that was caught taught to me in

142

00:06:46,309 --> 00:06:42,800

school

143

00:06:50,950 --> 00:06:49,350

i didn't have any uh uh

144

00:06:54,070 --> 00:06:50,960

inclination

145

00:06:55,430 --> 00:06:54,080

uh to go into

146

00:06:57,589 --> 00:06:55,440

uh

147

00:06:58,870 --> 00:06:57,599

what you might call the experiential

148

00:07:01,029 --> 00:06:58,880

path

149

00:07:03,110 --> 00:07:01,039

uh which is to try to

150

00:07:05,189 --> 00:07:03,120

you know well gee i want to experience

151
00:07:07,749 --> 00:07:05,199
these things more and more

152
00:07:10,629 --> 00:07:07,759
or the practical path let's say maybe

153
00:07:13,510 --> 00:07:10,639
i can learn how to be a a psychic reader

154
00:07:17,430 --> 00:07:13,520
or something like that those kinds of

155
00:07:19,990 --> 00:07:17,440
things never entered my mind

156
00:07:20,950 --> 00:07:20,000
but what i was curious about

157
00:07:24,230 --> 00:07:20,960
is

158
00:07:25,430 --> 00:07:24,240
how can these things take place

159
00:07:27,909 --> 00:07:25,440
um

160
00:07:31,909 --> 00:07:27,919
since the model the universe i learned

161
00:07:36,309 --> 00:07:34,469
i came to an understanding

162
00:07:39,749 --> 00:07:36,319
that there was something

163
00:07:44,550 --> 00:07:39,759

either missing or incorrect

164

00:07:47,830 --> 00:07:44,560

about how we understand physical reality

165

00:07:49,749 --> 00:07:47,840

the universe is a system

166

00:07:51,510 --> 00:07:49,759

and the system has a set of laws and

167

00:07:54,629 --> 00:07:51,520

principles

168

00:07:56,230 --> 00:07:54,639

and everything that is observable

169

00:07:59,270 --> 00:07:56,240

and occurs

170

00:08:01,270 --> 00:07:59,280

within that system has to follow the

171

00:08:03,510 --> 00:08:01,280

laws and principles

172

00:08:06,469 --> 00:08:03,520

that govern the system

173

00:08:08,790 --> 00:08:06,479

in which they take place

174

00:08:10,150 --> 00:08:08,800

so for me the question

175

00:08:11,270 --> 00:08:10,160

became

176

00:08:14,150 --> 00:08:11,280

uh

177

00:08:15,909 --> 00:08:14,160

what model of reality

178

00:08:17,749 --> 00:08:15,919

would allow

179

00:08:19,749 --> 00:08:17,759

for paranormal and supernatural

180

00:08:23,029 --> 00:08:19,759

phenomena

181

00:08:25,189 --> 00:08:23,039

in a way that our current model doesn't

182

00:08:27,510 --> 00:08:25,199

and yet

183

00:08:30,629 --> 00:08:27,520

still be able to

184

00:08:32,630 --> 00:08:30,639

accommodate and include

185

00:08:33,990 --> 00:08:32,640

the findings

186

00:08:37,110 --> 00:08:34,000

of physics

187

00:08:39,990 --> 00:08:37,120

the findings of modern science

188

00:08:43,110 --> 00:08:40,000

as well as the observations of

189

00:08:48,550 --> 00:08:43,120

paranormal and supernatural phenomena

190

00:08:53,350 --> 00:08:50,470

search

191

00:08:54,389 --> 00:08:53,360

for a system

192

00:08:58,710 --> 00:08:54,399

that will

193

00:08:59,990 --> 00:08:58,720

things under one roof

194

00:09:02,949 --> 00:09:00,000

and uh

195

00:09:06,949 --> 00:09:02,959

eventually i came up with uh uh the name

196

00:09:09,509 --> 00:09:06,959

for it it's the theory of super geometry

197

00:09:12,470 --> 00:09:09,519

and when i felt that i

198

00:09:14,470 --> 00:09:12,480

had done a sufficient job with it

199

00:09:16,230 --> 00:09:14,480

uh in order to

200

00:09:17,829 --> 00:09:16,240

pull the trigger

201
00:09:19,350 --> 00:09:17,839
and publish it

202
00:09:20,870 --> 00:09:19,360
which at some point no matter what

203
00:09:22,630 --> 00:09:20,880
you're working on

204
00:09:24,630 --> 00:09:22,640
you have to reach a point where you pull

205
00:09:26,150 --> 00:09:24,640
a trigger and and

206
00:09:29,829 --> 00:09:26,160
send it out

207
00:09:32,790 --> 00:09:29,839
uh so i published my work in 2011

208
00:09:34,949 --> 00:09:32,800
and uh it is uh in the book behind the

209
00:09:39,829 --> 00:09:34,959
cosmic veil

210
00:09:44,949 --> 00:09:41,110
so um

211
00:09:46,790 --> 00:09:44,959
thomas let me ask you this it's um so

212
00:09:49,190 --> 00:09:46,800
you know usually there's

213
00:09:51,430 --> 00:09:49,200

the mainstream or what i don't even know

214

00:09:53,910 --> 00:09:51,440

what exactly the mainstream science is

215

00:09:55,750 --> 00:09:53,920

but um has anyone

216

00:09:58,790 --> 00:09:55,760

approached you uh

217

00:10:00,630 --> 00:09:58,800

and maybe to ask your advice on

218

00:10:03,350 --> 00:10:00,640

something that they're working on now on

219

00:10:04,949 --> 00:10:03,360

how to how can they do it differently or

220

00:10:06,230 --> 00:10:04,959

is this just something so much out of

221

00:10:08,069 --> 00:10:06,240

their realm that they're not even going

222

00:10:09,190 --> 00:10:08,079

to bother

223

00:10:12,470 --> 00:10:09,200

well

224

00:10:13,509 --> 00:10:12,480

the the latter is is mostly

225

00:10:16,949 --> 00:10:13,519

uh

226

00:10:22,150 --> 00:10:19,190

excuse me um

227

00:10:24,310 --> 00:10:22,160

in other words uh

228

00:10:26,230 --> 00:10:24,320

in what i call the alternative thought

229

00:10:27,750 --> 00:10:26,240

genre

230

00:10:30,470 --> 00:10:27,760

uh which

231

00:10:32,550 --> 00:10:30,480

includes ufology and paranormal

232

00:10:35,990 --> 00:10:32,560

phenomena and

233

00:10:39,750 --> 00:10:38,310

the vast majority of the people who are

234

00:10:43,110 --> 00:10:39,760

involved

235

00:10:46,230 --> 00:10:43,120

in those genres in those fields

236

00:10:50,870 --> 00:10:46,240

are in those fields and are engaged in

237

00:10:50,880 --> 00:10:53,590

they don't

238

00:10:57,110 --> 00:10:55,110

those reasons

239

00:11:00,470 --> 00:10:57,120

do not include

240

00:11:02,870 --> 00:11:00,480

understanding real science

241

00:11:05,590 --> 00:11:02,880

behind whatever it is that they're

242

00:11:06,870 --> 00:11:05,600

interested in because real science is

243

00:11:15,030 --> 00:11:06,880

hard

244

00:11:17,430 --> 00:11:15,040

present uh

245

00:11:20,790 --> 00:11:17,440

and quite honestly sometimes ad and it's

246

00:11:22,389 --> 00:11:20,800

also hard on the brain

247

00:11:24,949 --> 00:11:22,399

it's not easy

248

00:11:27,590 --> 00:11:24,959

so people are very uncomfortable with it

249

00:11:29,829 --> 00:11:27,600

there have been a few people though

250

00:11:33,110 --> 00:11:29,839

who have

251
00:11:35,750 --> 00:11:33,120
taken leads from my work

252
00:11:37,509 --> 00:11:35,760
there's a fellow over in england

253
00:11:39,670 --> 00:11:37,519
a researcher who

254
00:11:42,389 --> 00:11:39,680
actually built

255
00:11:43,910 --> 00:11:42,399
paranormal testing equipment based on my

256
00:11:45,829 --> 00:11:43,920
theories

257
00:11:48,150 --> 00:11:45,839
to

258
00:11:49,190 --> 00:11:48,160
prove

259
00:11:51,670 --> 00:11:49,200
certain

260
00:11:53,509 --> 00:11:51,680
aspects of it

261
00:11:55,750 --> 00:11:53,519
anytime there is a

262
00:11:57,110 --> 00:11:55,760
one of the hallmarks of a scientific

263
00:11:58,069 --> 00:11:57,120

theory

264

00:11:59,750 --> 00:11:58,079

uh

265

00:12:02,069 --> 00:11:59,760

is that

266

00:12:04,069 --> 00:12:02,079

it makes predictions

267

00:12:05,750 --> 00:12:04,079

uh you know not like predictions like

268

00:12:07,829 --> 00:12:05,760

the world is going to end tomorrow or

269

00:12:09,670 --> 00:12:07,839

something like that

270

00:12:10,870 --> 00:12:09,680

but the kind of predictions that would

271

00:12:11,910 --> 00:12:10,880

say

272

00:12:14,069 --> 00:12:11,920

well

273

00:12:16,550 --> 00:12:14,079

one of the predictions my theory makes

274

00:12:20,710 --> 00:12:16,560

for example

275

00:12:22,389 --> 00:12:20,720

is that if it is correct

276
00:12:25,030 --> 00:12:22,399
then one of the

277
00:12:26,790 --> 00:12:25,040
predictions that it makes

278
00:12:29,509 --> 00:12:26,800
is that if we

279
00:12:31,509 --> 00:12:29,519
the further we go back

280
00:12:33,670 --> 00:12:31,519
in time

281
00:12:36,150 --> 00:12:33,680
which can be observed by

282
00:12:39,110 --> 00:12:36,160
telescopes further out they look the

283
00:12:42,870 --> 00:12:39,120
further back in time they're viewing

284
00:12:49,190 --> 00:12:45,670
the proportion

285
00:12:52,470 --> 00:12:49,200
to gravitational lensing

286
00:12:55,110 --> 00:12:52,480
to visible mass

287
00:12:56,790 --> 00:12:55,120
will decrease the further back in time

288
00:12:59,110 --> 00:12:56,800

we go

289

00:13:03,350 --> 00:12:59,120

and see already people are like oh my

290

00:13:07,350 --> 00:13:05,269

and forgive me

291

00:13:10,550 --> 00:13:07,360

but that's just an example of a

292

00:13:13,910 --> 00:13:12,470

another prediction that the theory makes

293

00:13:15,590 --> 00:13:13,920

is that

294

00:13:19,509 --> 00:13:15,600

at the emergence

295

00:13:23,110 --> 00:13:21,670

there would also be an emergence of a

296

00:13:25,829 --> 00:13:23,120

slightly

297

00:13:27,190 --> 00:13:25,839

different gravitational field

298

00:13:30,069 --> 00:13:27,200

that would be distinct from the

299

00:13:32,069 --> 00:13:30,079

gravitational field of the earth

300

00:13:33,430 --> 00:13:32,079

and this is one of the things that this

301
00:13:38,629 --> 00:13:33,440
person

302
00:13:48,629 --> 00:13:40,629
so that's just a

303
00:13:52,710 --> 00:13:51,350
so regarding

304
00:13:54,230 --> 00:13:52,720
so let's say

305
00:13:55,829 --> 00:13:54,240
you know especially like what you you

306
00:13:57,750 --> 00:13:55,839
were saying that this this person was

307
00:14:00,629 --> 00:13:57,760
using your examples to

308
00:14:02,790 --> 00:14:00,639
um you know build this device for

309
00:14:05,910 --> 00:14:02,800
paranormal use or

310
00:14:10,790 --> 00:14:05,920
for basically would it be a

311
00:14:13,350 --> 00:14:11,590
uh

312
00:14:14,870 --> 00:14:13,360
would it be specifically for ghost

313
00:14:16,389 --> 00:14:14,880

hunting you're asking

314

00:14:18,230 --> 00:14:16,399

or would you know what i meant like

315

00:14:19,590 --> 00:14:18,240

would it be demeaning to say that it's

316

00:14:21,350 --> 00:14:19,600

ghost hunting because you know we always

317

00:14:23,030 --> 00:14:21,360

want to use some because ghost hunting

318

00:14:25,110 --> 00:14:23,040

nowadays is always kind of looked at as

319

00:14:26,870 --> 00:14:25,120

a joke that's why i'm i'm asking you

320

00:14:28,949 --> 00:14:26,880

before i use the word but then again i

321

00:14:31,110 --> 00:14:28,959

just used it anyway

322

00:14:33,030 --> 00:14:31,120

i understand what you're saying well the

323

00:14:34,870 --> 00:14:33,040

reason just real quick uh the reason why

324

00:14:36,550 --> 00:14:34,880

i was asking is that for example just

325

00:14:38,870 --> 00:14:36,560

recently i was watching something with

326

00:14:41,990 --> 00:14:38,880

demi lovato and she has this some kind

327

00:14:44,470 --> 00:14:42,000

of counter geiger counter that uh

328

00:14:46,870 --> 00:14:44,480

blinks if there's i think it's uh

329

00:14:49,189 --> 00:14:46,880

electromagnetic fields um you know and

330

00:14:51,189 --> 00:14:49,199

she's asking questions and the whole

331

00:14:53,350 --> 00:14:51,199

thing was just basically made a whole

332

00:14:54,870 --> 00:14:53,360

joke of not necessarily that they were

333

00:14:56,629 --> 00:14:54,880

but when you're observing this it's like

334

00:14:58,389 --> 00:14:56,639

they're making it look silly you know

335

00:15:01,350 --> 00:14:58,399

when this could seriously

336

00:15:04,310 --> 00:15:01,360

be researched you know with some um you

337

00:15:06,629 --> 00:15:04,320

know well-built uh equipment and and

338

00:15:09,990 --> 00:15:06,639

openness to to certain understandings

339

00:15:12,629 --> 00:15:10,000

regarding you know our universe so

340

00:15:14,790 --> 00:15:12,639

what i'm saying is that um

341

00:15:16,710 --> 00:15:14,800

these you know these different you know

342

00:15:19,430 --> 00:15:16,720

these different devices can they be

343

00:15:22,470 --> 00:15:19,440

built to the sense of using your theory

344

00:15:24,389 --> 00:15:22,480

to to really give the mainstream science

345

00:15:26,389 --> 00:15:24,399

you know a run for the money to where

346

00:15:28,310 --> 00:15:26,399

they saw looking at it to her oh maybe

347

00:15:30,069 --> 00:15:28,320

this is something we should consider you

348

00:15:30,949 --> 00:15:30,079

know or would they still just scoff at

349

00:15:36,150 --> 00:15:30,959

it

350

00:15:37,910 --> 00:15:36,160

i think they just

351
00:15:39,430 --> 00:15:37,920
shrugged their shoulders and scratched

352
00:15:41,350 --> 00:15:39,440
their heads

353
00:15:42,389 --> 00:15:41,360
they're not quite sure what to do with

354
00:15:43,990 --> 00:15:42,399
it

355
00:15:45,509 --> 00:15:44,000
because really

356
00:15:48,790 --> 00:15:45,519
what i work

357
00:15:51,990 --> 00:15:49,749
has

358
00:15:52,829 --> 00:15:52,000
accepted

359
00:15:57,990 --> 00:15:52,839
the

360
00:16:00,430 --> 00:15:58,000
body of paranormal observations

361
00:16:04,470 --> 00:16:00,440
as valid

362
00:16:06,069 --> 00:16:04,480
observations in the physical universe

363
00:16:09,749 --> 00:16:06,079

in other words i'm not out there trying

364

00:16:11,350 --> 00:16:09,759

to prove the existence of ghosts

365

00:16:13,870 --> 00:16:11,360

i mean they talked about them as far

366

00:16:15,350 --> 00:16:13,880

back as in the bible

367

00:16:18,389 --> 00:16:15,360

[Music]

368

00:16:20,550 --> 00:16:18,399

i am working under the premise

369

00:16:22,389 --> 00:16:20,560

that i accept

370

00:16:25,110 --> 00:16:22,399

the paranormal effect

371

00:16:29,829 --> 00:16:28,949

so the question is uh not ghost hunting

372

00:16:31,670 --> 00:16:29,839

uh

373

00:16:32,949 --> 00:16:31,680

and one of the things i talk about with

374

00:16:34,829 --> 00:16:32,959

that uh

375

00:16:37,910 --> 00:16:34,839

adnan is the

376

00:16:40,069 --> 00:16:37,920

uh uh the idea that

377

00:16:44,230 --> 00:16:40,079

uh many people in the paranormal

378

00:16:46,550 --> 00:16:44,240

community they want to experience it

379

00:16:50,150 --> 00:16:46,560

uh and they wanna a lot of them wanna

380

00:16:52,389 --> 00:16:50,160

talk to dead aunt mary

381

00:16:56,470 --> 00:16:52,399

you know

382

00:16:58,230 --> 00:16:56,480

understanding that dead aunt mary never

383

00:17:00,949 --> 00:16:58,240

told anybody anything of any

384

00:17:01,910 --> 00:17:00,959

significance anyway

385

00:17:07,510 --> 00:17:01,920

uh

386

00:17:09,909 --> 00:17:07,520

ghosts or spooks or spirits or whatever

387

00:17:11,029 --> 00:17:09,919

you want to call them has ever revealed

388

00:17:14,150 --> 00:17:11,039

anything

389

00:17:16,230 --> 00:17:14,160

you know or earth-shattering about

390

00:17:19,350 --> 00:17:16,240

you know the nature of reality or even

391

00:17:22,309 --> 00:17:19,360

realm that they live in

392

00:17:24,549 --> 00:17:22,319

but it's just the idea

393

00:17:26,949 --> 00:17:24,559

of talking to dead aunt mary finding

394

00:17:29,790 --> 00:17:26,959

dead aunt mary and i think everybody

395

00:17:31,350 --> 00:17:29,800

understands the metaphor that i'm using

396

00:17:34,950 --> 00:17:31,360

[Music]

397

00:17:39,110 --> 00:17:34,960

so what they're trying to do

398

00:17:41,190 --> 00:17:39,120

is from an investigative point of view

399

00:17:43,750 --> 00:17:41,200

is

400

00:17:46,870 --> 00:17:43,760

what we would call like say in a con

401
00:17:48,710 --> 00:17:46,880
a police department we would call it

402
00:17:51,029 --> 00:17:48,720
the criminology

403
00:17:52,390 --> 00:17:51,039
unit

404
00:17:55,029 --> 00:17:52,400
where they're concerned about the

405
00:17:56,710 --> 00:17:55,039
criminal the perpetrator

406
00:17:57,360 --> 00:17:56,720
who's doing it

407
00:17:59,510 --> 00:17:57,370
you know

408
00:18:02,230 --> 00:17:59,520
[Music]

409
00:18:03,909 --> 00:18:02,240
why are they doing it uh

410
00:18:05,909 --> 00:18:03,919
you know all those kinds of questions

411
00:18:07,830 --> 00:18:05,919
that have to do with

412
00:18:12,070 --> 00:18:07,840
the perpetrator

413
00:18:15,750 --> 00:18:13,830

you know let somebody else worry about

414

00:18:17,990 --> 00:18:15,760

the motivations of

415

00:18:19,350 --> 00:18:18,000

why these people are these ghosts or

416

00:18:21,510 --> 00:18:19,360

whatever they are or what they're

417

00:18:23,029 --> 00:18:21,520

talking about or or

418

00:18:25,350 --> 00:18:23,039

you know all those kinds of things

419

00:18:28,470 --> 00:18:25,360

there's a million people that have been

420

00:18:31,029 --> 00:18:28,480

involved over decades even centuries

421

00:18:33,750 --> 00:18:31,039

uh in that question

422

00:18:35,590 --> 00:18:33,760

you know i want to know

423

00:18:38,230 --> 00:18:35,600

the nature

424

00:18:41,190 --> 00:18:38,240

of let's say if it's a murder you know

425

00:18:44,230 --> 00:18:41,200

and the perpetrator uses a gun

426

00:18:47,110 --> 00:18:44,240

i want to learn about the gun

427

00:18:49,350 --> 00:18:47,120

i want to know exactly what that gun is

428

00:18:50,710 --> 00:18:49,360

how it works

429

00:18:52,870 --> 00:18:50,720

how it does

430

00:18:54,950 --> 00:18:52,880

how it causes the effect of killing

431

00:18:57,190 --> 00:18:54,960

someone so to speak

432

00:18:59,750 --> 00:18:57,200

i'm in the forensics i want to look at

433

00:19:01,830 --> 00:18:59,760

the physical evidence

434

00:19:07,029 --> 00:19:01,840

and i want to look at that evidence to

435

00:19:11,430 --> 00:19:07,039

tell me something about physical reality

436

00:19:13,750 --> 00:19:11,440

in which those events are operating

437

00:19:15,350 --> 00:19:13,760

that's a very very

438

00:19:19,909 --> 00:19:15,360

um you know

439

00:19:22,710 --> 00:19:19,919

to coin a a a a word from uh ufology

440

00:19:25,350 --> 00:19:22,720

it's very alien

441

00:19:26,470 --> 00:19:25,360

to these fields

442

00:19:28,630 --> 00:19:26,480

uh

443

00:19:30,230 --> 00:19:28,640

they don't think about that it's too

444

00:19:35,830 --> 00:19:30,240

hard

445

00:19:39,430 --> 00:19:35,840

in order to even figure out what's going

446

00:19:42,950 --> 00:19:40,710

i guess

447

00:19:43,909 --> 00:19:42,960

one of the researchers uh some years

448

00:19:45,830 --> 00:19:43,919

back

449

00:19:47,750 --> 00:19:45,840

uh in the paranormal field that made a

450

00:19:49,430 --> 00:19:47,760

lot of progress with that was david

451
00:19:50,870 --> 00:19:49,440
roundtree

452
00:19:53,750 --> 00:19:50,880
and i know he became quite a

453
00:19:55,750 --> 00:19:53,760
controversial figure

454
00:19:56,549 --> 00:19:55,760
but

455
00:19:58,070 --> 00:19:56,559
he

456
00:19:59,270 --> 00:19:58,080
actually

457
00:20:02,950 --> 00:19:59,280
recorded

458
00:20:06,630 --> 00:20:05,110
at the at the sites of paranormal

459
00:20:07,909 --> 00:20:06,640
activity

460
00:20:12,149 --> 00:20:07,919
that my

461
00:20:14,230 --> 00:20:12,159
theoretical model would predict

462
00:20:15,430 --> 00:20:14,240
uh one of the things for example was

463
00:20:17,350 --> 00:20:15,440

that the

464

00:20:18,310 --> 00:20:17,360

the model predicts

465

00:20:20,390 --> 00:20:18,320

that

466

00:20:23,669 --> 00:20:20,400

evps

467

00:20:25,510 --> 00:20:23,679

were electromagnetic in nature

468

00:20:29,510 --> 00:20:25,520

and that they would actually be able to

469

00:20:31,750 --> 00:20:29,520

be recorded in inside of a vacuum

470

00:20:34,470 --> 00:20:31,760

because they were not being propagated

471

00:20:36,470 --> 00:20:34,480

acoustically they were being propagated

472

00:20:39,110 --> 00:20:36,480

electromagnetically

473

00:20:41,510 --> 00:20:39,120

and that's just one example of the of an

474

00:20:44,470 --> 00:20:41,520

experiment that actually

475

00:20:48,070 --> 00:20:44,480

proved the predictions of the field

476

00:20:50,630 --> 00:20:49,669

i i hope that kind of answers what

477

00:20:52,549 --> 00:20:50,640

you're

478

00:20:54,070 --> 00:20:52,559

what you were asking well it does and

479

00:20:56,149 --> 00:20:54,080

now brings me to the to the next

480

00:20:58,390 --> 00:20:56,159

question so

481

00:21:00,549 --> 00:20:58,400

can you maybe speak a little bit on what

482

00:21:02,870 --> 00:21:00,559

what is your take on this is this uh

483

00:21:05,430 --> 00:21:02,880

actually another consciousness

484

00:21:07,909 --> 00:21:05,440

uh trying to communicate in some way and

485

00:21:10,390 --> 00:21:07,919

we're just trying to record it or is it

486

00:21:12,470 --> 00:21:10,400

like another property of of the of

487

00:21:13,669 --> 00:21:12,480

existence uh i guess for like a better

488

00:21:16,630 --> 00:21:13,679

word

489

00:21:17,510 --> 00:21:16,640

yeah and i think that what you're asking

490

00:21:22,070 --> 00:21:17,520

is

491

00:21:23,590 --> 00:21:22,080

and when you're talking about a

492

00:21:25,830 --> 00:21:23,600

consciousness or

493

00:21:29,029 --> 00:21:25,840

you know uh entities trying to

494

00:21:31,909 --> 00:21:29,039

communicate or whatever

495

00:21:33,270 --> 00:21:31,919

this is the normal

496

00:21:35,110 --> 00:21:33,280

thinking

497

00:21:36,950 --> 00:21:35,120

uh and i i don't mean about the

498

00:21:38,950 --> 00:21:36,960

specifics what i mean is what you're

499

00:21:41,510 --> 00:21:38,960

actually asking about

500

00:21:43,430 --> 00:21:41,520

is the criminology

501
00:21:45,510 --> 00:21:43,440
who done it

502
00:21:48,870 --> 00:21:45,520
who is it that done it

503
00:21:50,630 --> 00:21:48,880
why are they why did they do it

504
00:21:52,549 --> 00:21:50,640
uh

505
00:21:56,230 --> 00:21:52,559
you know so it's a very common way of

506
00:21:58,789 --> 00:21:56,240
looking at it me i've kind of

507
00:22:01,909 --> 00:21:58,799
stood back from that

508
00:22:04,549 --> 00:22:01,919
uh and say look i i

509
00:22:06,630 --> 00:22:04,559
i don't i'm not going to

510
00:22:08,070 --> 00:22:06,640
address the fact of who might be

511
00:22:10,470 --> 00:22:08,080
involved

512
00:22:13,110 --> 00:22:10,480
uh whether these

513
00:22:15,590 --> 00:22:13,120

you know these these

514

00:22:17,909 --> 00:22:15,600

consciousnesses or or

515

00:22:19,669 --> 00:22:17,919

personalities or whatever you call them

516

00:22:20,870 --> 00:22:19,679

spirits whatever

517

00:22:23,029 --> 00:22:20,880

uh

518

00:22:23,990 --> 00:22:23,039

who they are

519

00:22:25,669 --> 00:22:24,000

uh

520

00:22:27,669 --> 00:22:25,679

you know there's a lot of

521

00:22:30,630 --> 00:22:27,679

christians the christian community

522

00:22:33,430 --> 00:22:30,640

thinks that it's demonic

523

00:22:36,549 --> 00:22:33,440

well i don't argue with that

524

00:22:41,590 --> 00:22:39,190

but what i want to focus on

525

00:22:44,070 --> 00:22:41,600

and my theory

526
00:22:46,789 --> 00:22:44,080
is what is often

527
00:22:48,710 --> 00:22:46,799
disregarded both the paranormal and the

528
00:22:51,909 --> 00:22:48,720
ufology

529
00:22:53,350 --> 00:22:51,919
and by the way adnan we ought to yeah

530
00:22:56,149 --> 00:22:53,360
inform your

531
00:23:01,909 --> 00:22:58,950
they're the reason why i'm talking about

532
00:23:02,870 --> 00:23:01,919
paranormal phenomena

533
00:23:03,990 --> 00:23:02,880
on a

534
00:23:07,430 --> 00:23:04,000
[Music]

535
00:23:11,830 --> 00:23:10,390
conference or or stage so to speaker or

536
00:23:14,230 --> 00:23:11,840
like tonight

537
00:23:16,950 --> 00:23:14,240
is that i believe that there is a very

538
00:23:21,510 --> 00:23:16,960

very strong connection

539

00:23:24,549 --> 00:23:21,520

between paranormal phenomena and ufology

540

00:23:26,149 --> 00:23:24,559

much stronger than what's normally uh uh

541

00:23:27,830 --> 00:23:26,159

thought about

542

00:23:38,470 --> 00:23:27,840

uh

543

00:23:40,070 --> 00:23:38,480

adhan my study

544

00:23:45,830 --> 00:23:40,080

is focused

545

00:23:50,549 --> 00:23:47,909

now by information

546

00:23:52,950 --> 00:23:50,559

i'm talking about the the physics

547

00:23:54,870 --> 00:23:52,960

understanding of information

548

00:23:56,950 --> 00:23:54,880

not the common

549

00:23:59,269 --> 00:23:56,960

colloquially understanding

550

00:24:01,350 --> 00:23:59,279

of it um

551
00:24:04,789 --> 00:24:01,360
oftentimes science

552
00:24:06,470 --> 00:24:04,799
will use the same words that we use in

553
00:24:09,909 --> 00:24:06,480
common language but they'll mean

554
00:24:15,029 --> 00:24:12,390
or or something significantly different

555
00:24:18,260 --> 00:24:15,039
than how it's used in common language

556
00:24:20,390 --> 00:24:18,270
information is one of these things

557
00:24:22,630 --> 00:24:20,400
[Music]

558
00:24:23,750 --> 00:24:22,640
information from a scientific point of

559
00:24:25,909 --> 00:24:23,760
view

560
00:24:29,669 --> 00:24:25,919
is basically

561
00:24:30,470 --> 00:24:29,679
the how would you say it the blueprint

562
00:24:32,470 --> 00:24:30,480
the

563
00:24:35,830 --> 00:24:32,480

formula

564

00:24:39,750 --> 00:24:35,840

from which matter and energy

565

00:24:42,630 --> 00:24:39,760

or mass and energy is assembled

566

00:24:44,549 --> 00:24:42,640

uh we have a today

567

00:24:46,950 --> 00:24:44,559

everybody remembers in school being

568

00:24:50,390 --> 00:24:46,960

taught you know matter and energy can

569

00:24:52,230 --> 00:24:50,400

either be created nor destroyed

570

00:24:54,310 --> 00:24:52,240

uh

571

00:24:56,710 --> 00:24:54,320

you know and they're the and that's

572

00:24:59,830 --> 00:24:56,720

derived from the equivalency

573

00:25:02,390 --> 00:24:59,840

uh formula of albert einstein equals $m c^2$

574

00:25:07,269 --> 00:25:04,950

but over the last several decades we've

575

00:25:08,710 --> 00:25:07,279

also developed

576

00:25:18,710 --> 00:25:08,720

a

577

00:25:23,510 --> 00:25:18,720

itself

578

00:25:27,110 --> 00:25:25,190

one of the problems that they have with

579

00:25:29,669 --> 00:25:27,120

uh

580

00:25:31,269 --> 00:25:29,679

with the everybody's heard of stephen

581

00:25:39,909 --> 00:25:31,279

hawking

582

00:25:43,669 --> 00:25:39,919

of black holes

583

00:25:45,990 --> 00:25:43,679

information is destroyed

584

00:25:48,549 --> 00:25:46,000

when it enters into a black hole and

585

00:25:49,750 --> 00:25:48,559

that violates the laws and principles of

586

00:25:51,590 --> 00:25:49,760

what we

587

00:25:55,590 --> 00:25:51,600

currently understand except about the

588

00:25:59,269 --> 00:25:57,830

so when we're talking about something

589

00:26:01,590 --> 00:25:59,279

that you know

590

00:26:06,149 --> 00:26:05,029

some entity that's trying to communicate

591

00:26:09,590 --> 00:26:06,159

to us

592

00:26:10,390 --> 00:26:09,600

via whatever you know whether it's

593

00:26:13,909 --> 00:26:10,400

you know

594

00:26:15,190 --> 00:26:13,919

in a audible voice or electromagnetic

595

00:26:18,230 --> 00:26:15,200

voice or

596

00:26:25,950 --> 00:26:21,990

my pursuit my focus is this

597

00:26:31,430 --> 00:26:25,960

that verbalization whatever it is adnan

598

00:26:36,630 --> 00:26:34,630

it is made from information

599

00:26:39,909 --> 00:26:36,640

just like we can have a computer hard

600

00:26:42,390 --> 00:26:39,919

drive and open up a file

601
00:26:45,029 --> 00:26:42,400
and that digital information let's say

602
00:26:47,029 --> 00:26:45,039
it's a it's a song that you want to play

603
00:26:51,029 --> 00:26:47,039
and that digital information on your

604
00:26:55,110 --> 00:26:51,039
hard drive is converted

605
00:26:56,230 --> 00:26:55,120
by your computer to an analog

606
00:26:57,590 --> 00:26:56,240
sound

607
00:26:59,909 --> 00:26:57,600
wave

608
00:27:00,870 --> 00:26:59,919
where you hear with your analog here

609
00:27:02,230 --> 00:27:00,880
ears

610
00:27:04,789 --> 00:27:02,240
the music

611
00:27:06,549 --> 00:27:04,799
uh that was recorded in the file but

612
00:27:10,070 --> 00:27:06,559
that music occur

613
00:27:12,630 --> 00:27:10,080

exists in a form of information

614

00:27:14,789 --> 00:27:12,640

everything in reality everything in

615

00:27:16,310 --> 00:27:14,799

physical reality

616

00:27:25,830 --> 00:27:16,320

is

617

00:27:30,710 --> 00:27:25,840

paranormal

618

00:27:32,870 --> 00:27:30,720

field almost completely ignores

619

00:27:34,710 --> 00:27:32,880

they don't even think about that they

620

00:27:36,549 --> 00:27:34,720

think about who's talking oh wait a

621

00:27:39,510 --> 00:27:36,559

minute

622

00:27:42,310 --> 00:27:39,520

how did that speech

623

00:27:44,630 --> 00:27:42,320

materialize in the physical world

624

00:27:46,830 --> 00:27:44,640

from information they're not thinking

625

00:27:51,029 --> 00:27:46,840

about the information

626
00:27:53,190 --> 00:27:51,039
um ufology even although to a greater

627
00:27:54,870 --> 00:27:53,200
extent they do consider information a

628
00:27:56,070 --> 00:27:54,880
little bit more

629
00:27:57,750 --> 00:27:56,080
uh

630
00:28:00,230 --> 00:27:57,760
they still don't

631
00:28:04,149 --> 00:28:00,240
judge the importance of it

632
00:28:06,549 --> 00:28:04,159
so i'm not so much concerned

633
00:28:08,630 --> 00:28:06,559
if there's an entity

634
00:28:10,789 --> 00:28:08,640
that is trying to communicate into our

635
00:28:13,190 --> 00:28:10,799
physical world

636
00:28:14,549 --> 00:28:13,200
i'm concerned with

637
00:28:18,870 --> 00:28:14,559
what that

638
00:28:24,789 --> 00:28:21,269

that contains that communication

639

00:28:26,470 --> 00:28:24,799

how that is brought forth into our

640

00:28:30,870 --> 00:28:26,480

physical world

641

00:28:33,029 --> 00:28:30,880

and emerges as something analog

642

00:28:33,909 --> 00:28:33,039

once it materializes in the physical

643

00:28:36,310 --> 00:28:33,919

world

644

00:28:39,029 --> 00:28:36,320

that is the key

645

00:28:41,029 --> 00:28:39,039

to understanding paranormal phenomena

646

00:28:42,630 --> 00:28:41,039

and that's the kind of research that

647

00:28:44,070 --> 00:28:42,640

i've worked on and

648

00:28:47,269 --> 00:28:44,080

the kind of

649

00:28:52,230 --> 00:28:47,279

ideas and concepts that my theory

650

00:28:55,269 --> 00:28:53,909

thomas does that also mean that there's

651
00:28:57,830 --> 00:28:55,279
information

652
00:29:00,789 --> 00:28:57,840
out there that we would not recognize or

653
00:29:02,230 --> 00:29:00,799
anything that that we can that we can

654
00:29:04,149 --> 00:29:02,240
i guess observe

655
00:29:05,269 --> 00:29:04,159
that it's probably just happening right

656
00:29:07,510 --> 00:29:05,279
now but

657
00:29:09,750 --> 00:29:07,520
because of we only know analog and even

658
00:29:12,070 --> 00:29:09,760
then we only know certain patterns for

659
00:29:14,149 --> 00:29:12,080
us to say okay this is something i can i

660
00:29:17,269 --> 00:29:14,159
can recognize or

661
00:29:21,110 --> 00:29:17,279
would it just be white noise

662
00:29:24,549 --> 00:29:23,450
in order to

663
00:29:28,549 --> 00:29:24,559

[Music]

664

00:29:33,909 --> 00:29:31,750

body of data body of information

665

00:29:34,870 --> 00:29:33,919

collection of information whatever you

666

00:29:37,029 --> 00:29:34,880

want to

667

00:29:39,350 --> 00:29:37,039

uh call it

668

00:29:41,190 --> 00:29:39,360

from a physical point of view we must

669

00:29:44,310 --> 00:29:41,200

first be able to make a physical

670

00:29:50,389 --> 00:29:47,909

if we cannot make a physical observation

671

00:29:52,630 --> 00:29:50,399

then there really is no way that we can

672

00:29:56,310 --> 00:29:52,640

determine

673

00:29:59,269 --> 00:29:56,320

what collection of information

674

00:30:00,310 --> 00:29:59,279

would be manifesting that observation so

675

00:30:02,630 --> 00:30:00,320

yeah

676

00:30:05,990 --> 00:30:02,640

um

677

00:30:11,190 --> 00:30:06,000

let's say uh a space-time it's a very

678

00:30:16,830 --> 00:30:13,909

the actual substance of it einstein

679

00:30:18,950 --> 00:30:16,840

taught us that space-time is a

680

00:30:21,430 --> 00:30:18,960

substantive field

681

00:30:24,070 --> 00:30:21,440

that word is very important

682

00:30:27,029 --> 00:30:24,080

as opposed to the old uh

683

00:30:29,990 --> 00:30:27,039

physics of isaac newton

684

00:30:31,830 --> 00:30:30,000

that said space was an empty void it was

685

00:30:32,630 --> 00:30:31,840

a nothingness

686

00:30:37,590 --> 00:30:32,640

it

687

00:30:40,870 --> 00:30:37,600

nothing

688

00:30:43,430 --> 00:30:40,880

space was occupied

689

00:30:46,389 --> 00:30:43,440

by matter

690

00:30:48,870 --> 00:30:46,399

that moved through time

691

00:30:50,789 --> 00:30:48,880

and that was the newtonian model

692

00:30:52,710 --> 00:30:50,799

einstein said that

693

00:30:54,870 --> 00:30:52,720

space-time is no it's actually a

694

00:30:57,530 --> 00:30:54,880

substantive field it's actually a

695

00:30:59,269 --> 00:30:57,540

physical substance

696

00:31:01,990 --> 00:30:59,279

[Music]

697

00:31:05,509 --> 00:31:02,000

but it's something that we cannot

698

00:31:08,310 --> 00:31:05,519

directly observe

699

00:31:12,549 --> 00:31:08,320

the all that we can observe

700

00:31:16,950 --> 00:31:15,509

so for example we know the space time is

701
00:31:19,750 --> 00:31:16,960
curved

702
00:31:22,549 --> 00:31:19,760
around all bodies especially like big

703
00:31:25,990 --> 00:31:22,559
ones like planets and stars we know the

704
00:31:29,190 --> 00:31:26,000
space time bends around it

705
00:31:33,029 --> 00:31:29,200
we are able to mathematically compute

706
00:31:36,230 --> 00:31:33,039
what those bends are which is how we

707
00:31:40,710 --> 00:31:36,240
launch satellites into space

708
00:31:44,470 --> 00:31:40,720
which is how we lost launched apollo

709
00:31:48,230 --> 00:31:44,480
when we had apollo orbit the earth

710
00:31:49,269 --> 00:31:48,240
several times and then used a slingshot

711
00:31:50,149 --> 00:31:49,279
effect

712
00:31:53,750 --> 00:31:50,159
you know

713
00:31:55,909 --> 00:31:53,760

slinging off the curved face of space

714

00:32:00,870 --> 00:31:55,919

surrounding the earth

715

00:32:02,549 --> 00:32:00,880

to get it to propel towards the moon

716

00:32:03,590 --> 00:32:02,559

so no

717

00:32:05,830 --> 00:32:03,600

we can't

718

00:32:06,990 --> 00:32:05,840

directly observe all

719

00:32:10,389 --> 00:32:07,000

uh

720

00:32:13,190 --> 00:32:10,399

materializations of information

721

00:32:15,110 --> 00:32:13,200

so we have to assume that there's

722

00:32:18,549 --> 00:32:15,120

information out there that we simply

723

00:32:23,110 --> 00:32:20,950

just like dark matter

724

00:32:25,110 --> 00:32:23,120

we can't observe it

725

00:32:27,350 --> 00:32:25,120

it's actually a hypothetical substance a

726

00:32:29,990 --> 00:32:27,360

lot of physicists like to talk to the

727

00:32:32,710 --> 00:32:30,000

general public as if dark matter is a

728

00:32:34,230 --> 00:32:32,720

foregone conclusion but one of the dirty

729

00:32:35,350 --> 00:32:34,240

little secrets

730

00:32:39,509 --> 00:32:35,360

is that

731

00:32:42,310 --> 00:32:39,519

nobody knows what dark matter is

732

00:32:45,190 --> 00:32:42,320

nobody has been able to demonstrate the

733

00:32:47,029 --> 00:32:45,200

existence of dark matter every kind of

734

00:32:48,710 --> 00:32:47,039

an experiment

735

00:32:51,269 --> 00:32:48,720

that

736

00:32:53,269 --> 00:32:51,279

was designed to detect dark matter has

737

00:32:55,269 --> 00:32:53,279

come up empty we don't even know what it

738

00:32:57,509 --> 00:32:55,279

what it is

739

00:33:01,350 --> 00:32:57,519

all we know

740

00:33:05,430 --> 00:33:01,360

is that when we make observations

741

00:33:09,110 --> 00:33:05,440

there's about 85 to 90 percent

742

00:33:11,029 --> 00:33:09,120

more gravitational effect that we can

743

00:33:12,630 --> 00:33:11,039

observe

744

00:33:14,870 --> 00:33:12,640

then there is

745

00:33:16,630 --> 00:33:14,880

visible mass

746

00:33:19,669 --> 00:33:16,640

to explain it

747

00:33:24,149 --> 00:33:19,679

the conventional you know feeling mean

748

00:33:27,110 --> 00:33:24,159

you know gravity is generated by mass

749

00:33:29,909 --> 00:33:27,120

so if we observe

750

00:33:32,549 --> 00:33:29,919

you know x x amount of gravitational

751
00:33:34,870 --> 00:33:32,559
effect we need

752
00:33:37,430 --> 00:33:34,880
to observe

753
00:33:39,669 --> 00:33:37,440
a proportionate matter or an

754
00:33:42,710 --> 00:33:39,679
apportionate amount of

755
00:33:47,750 --> 00:33:45,230
to account for the gravitational effect

756
00:33:50,389 --> 00:33:47,760
unfortunately we're

757
00:33:55,029 --> 00:33:50,399
invisible matter we're about 90 percent

758
00:33:58,149 --> 00:33:57,110
so there's an effect for which we don't

759
00:34:01,430 --> 00:33:58,159
have any

760
00:34:02,149 --> 00:34:01,440
uh in conventional physics any ready

761
00:34:04,870 --> 00:34:02,159
uh

762
00:34:06,870 --> 00:34:04,880
a ready explanation

763
00:34:08,869 --> 00:34:06,880

for what information might be actually

764

00:34:09,829 --> 00:34:08,879

causing that

765

00:34:12,310 --> 00:34:09,839

uh

766

00:34:15,430 --> 00:34:12,320

you folks you have to forgive me but

767

00:34:25,349 --> 00:34:19,750

my work is not

768

00:34:26,710 --> 00:34:25,359

and the areas that i

769

00:34:28,069 --> 00:34:26,720

my work

770

00:34:30,550 --> 00:34:28,079

touches on

771

00:34:32,389 --> 00:34:30,560

are not common knowledge so you'll have

772

00:34:35,190 --> 00:34:32,399

to forgive me that

773

00:34:37,270 --> 00:34:35,200

when i'm asked a question sometimes

774

00:34:39,829 --> 00:34:37,280

it's going to take a few minutes for me

775

00:34:43,030 --> 00:34:39,839

to give the background so that the

776

00:34:47,669 --> 00:34:43,040

answer that i'm giving even makes sense

777

00:34:51,909 --> 00:34:50,629

well so uh thomas earlier you alluded to

778

00:34:54,710 --> 00:34:51,919

a strong connection between the

779

00:34:57,190 --> 00:34:54,720

paranormal and ufos could you maybe uh

780

00:34:59,109 --> 00:34:57,200

please go a little bit into that

781

00:35:01,190 --> 00:34:59,119

yeah let's let's talk about that a

782

00:35:04,470 --> 00:35:01,200

little bit

783

00:35:09,190 --> 00:35:04,480

because that's really uh uh you know

784

00:35:11,430 --> 00:35:09,200

why i'm speaking at a ufo conference

785

00:35:13,109 --> 00:35:11,440

well just to clarify too this conference

786

00:35:15,190 --> 00:35:13,119

just because it's a ufo conference i

787

00:35:17,510 --> 00:35:15,200

mean covering a wide variety of subjects

788

00:35:20,310 --> 00:35:17,520

so it's not a

789

00:35:22,790 --> 00:35:20,320

just a strictly ufo all the time the

790

00:35:24,790 --> 00:35:22,800

majority of speakers are but it's not

791

00:35:27,510 --> 00:35:24,800

uncommon to hear people speak on

792

00:35:28,950 --> 00:35:27,520

different subjects

793

00:35:32,550 --> 00:35:28,960

that's great

794

00:35:34,790 --> 00:35:32,560

uh and yeah i know that uh the uh

795

00:35:35,990 --> 00:35:34,800

oh what's the name of your publisher

796

00:35:38,630 --> 00:35:36,000

again

797

00:35:40,069 --> 00:35:38,640

uh ozark mountain publishing

798

00:35:42,790 --> 00:35:40,079

that's it

799

00:35:45,510 --> 00:35:42,800

uh yeah they they uh they publish a

800

00:35:47,750 --> 00:35:45,520

variety of works under what i call the

801
00:35:49,829 --> 00:35:47,760
alternative thought genre

802
00:35:52,310 --> 00:35:49,839
uh so you're right yeah

803
00:35:53,109 --> 00:35:52,320
it's quite a broad uh uh

804
00:35:58,550 --> 00:35:53,119
uh

805
00:36:01,349 --> 00:35:58,560
all right let's talk about paranormal

806
00:36:03,109 --> 00:36:01,359
phenomena for a minute

807
00:36:07,430 --> 00:36:03,119
um

808
00:36:11,670 --> 00:36:07,440
one of the the uh premises of my theory

809
00:36:13,670 --> 00:36:11,680
is that all paranormal phenomena

810
00:36:16,710 --> 00:36:13,680
are the result

811
00:36:19,030 --> 00:36:16,720
of the same kind of physical mechanisms

812
00:36:20,710 --> 00:36:19,040
underlying what i call paranormal

813
00:36:23,030 --> 00:36:20,720

mechanics

814

00:36:25,190 --> 00:36:23,040

underlying these phenomena in other

815

00:36:28,550 --> 00:36:25,200

words adnan when you when you

816

00:36:29,910 --> 00:36:28,560

look into paranormal phenomena

817

00:36:32,390 --> 00:36:29,920

and

818

00:36:34,950 --> 00:36:32,400

what is observed at paranormally active

819

00:36:34,960 --> 00:36:39,430

you get what i call sort of a catalog

820

00:36:42,069 --> 00:36:40,630

in other words you have different

821

00:36:44,310 --> 00:36:42,079

phenomena

822

00:36:47,190 --> 00:36:44,320

uh you have

823

00:36:49,270 --> 00:36:47,200

uh mysterious sounds

824

00:36:52,390 --> 00:36:49,280

disembodied voices

825

00:36:55,510 --> 00:36:52,400

things that move by themselves

826

00:36:58,550 --> 00:36:55,520

people feel breezes

827

00:37:02,310 --> 00:36:58,560

where there's no doors and windows open

828

00:37:04,710 --> 00:37:02,320

people see visible phenomena manifesting

829

00:37:07,270 --> 00:37:04,720

they have been able to detect

830

00:37:09,349 --> 00:37:07,280

heat signatures

831

00:37:14,470 --> 00:37:09,359

and they've also been able to detect and

832

00:37:14,480 --> 00:37:19,870

uh disembodied voices

833

00:37:25,750 --> 00:37:23,750

electromagnetic phenomena

834

00:37:28,230 --> 00:37:25,760

evps

835

00:37:30,069 --> 00:37:28,240

and so on if you kept listing all the

836

00:37:33,910 --> 00:37:30,079

things adenine that are

837

00:37:37,190 --> 00:37:33,920

observed at paranormally active sites

838

00:37:40,310 --> 00:37:37,200

you would eventually get a catalog

839

00:37:42,150 --> 00:37:40,320

of all these phenomena

840

00:37:42,400 --> 00:37:42,160

uh

841

00:37:44,870 --> 00:37:42,410

and

842

00:37:46,870 --> 00:37:44,880

[Music]

843

00:37:48,310 --> 00:37:46,880

one of the things one of the premises

844

00:37:49,910 --> 00:37:48,320

that my theory

845

00:37:53,030 --> 00:37:49,920

puts forth

846

00:37:55,030 --> 00:37:53,040

is that all these phenomena must be

847

00:37:57,990 --> 00:37:55,040

occurring

848

00:38:00,390 --> 00:37:58,000

according to the same underlying

849

00:38:02,950 --> 00:38:00,400

mechanics that we poorly understand

850

00:38:07,829 --> 00:38:05,829

uh mechanics being used once again folks

851
00:38:09,430 --> 00:38:07,839
it's a

852
00:38:12,150 --> 00:38:09,440
it it's it's something that gets

853
00:38:14,630 --> 00:38:12,160
hijacked by science and used

854
00:38:17,270 --> 00:38:14,640
the word mechanics is used by science in

855
00:38:19,990 --> 00:38:17,280
its own way not in a normal way like

856
00:38:21,109 --> 00:38:20,000
your mechanic under the hood of your car

857
00:38:24,150 --> 00:38:21,119
uh

858
00:38:25,510 --> 00:38:24,160
like when we talk about quantum

859
00:38:27,829 --> 00:38:25,520
phenomena

860
00:38:30,150 --> 00:38:27,839
and how it works we talk about quantum

861
00:38:32,550 --> 00:38:30,160
mechanics

862
00:38:34,790 --> 00:38:32,560
so that's what i mean there's a there's

863
00:38:37,510 --> 00:38:34,800

there's an underlying set of paranormal

864

00:38:40,870 --> 00:38:37,520

mechanics that are responsible for all

865

00:38:44,870 --> 00:38:41,750

now

866

00:38:49,270 --> 00:38:44,880

how does that relate to ufos

867

00:38:50,630 --> 00:38:49,280

well let's take a look at ufo phenomena

868

00:38:53,109 --> 00:38:50,640

and see if we can find some

869

00:38:56,470 --> 00:38:53,119

relationships

870

00:38:58,950 --> 00:38:56,480

number one we know one real quick

871

00:39:01,829 --> 00:38:58,960

that things move

872

00:39:05,510 --> 00:39:01,839

according to no visible means of

873

00:39:10,630 --> 00:39:07,510

that happens in both ufology and

874

00:39:12,790 --> 00:39:10,640

paranormal phenomena

875

00:39:14,470 --> 00:39:12,800

we find a relationship

876
00:39:17,270 --> 00:39:14,480
that in

877
00:39:21,270 --> 00:39:17,280
close proximity

878
00:39:25,190 --> 00:39:21,280
to ufo manifestations

879
00:39:27,670 --> 00:39:25,200
electronic equipment malfunctions

880
00:39:30,470 --> 00:39:27,680
i mean that's pretty classic for ufology

881
00:39:32,950 --> 00:39:30,480
isn't it adnan

882
00:39:35,349 --> 00:39:32,960
uh yeah battery drainage which is almost

883
00:39:38,470 --> 00:39:35,359
uh similar to what people uh during

884
00:39:39,750 --> 00:39:38,480
paranormal stuff have reported as well

885
00:39:40,630 --> 00:39:39,760
yeah

886
00:39:45,349 --> 00:39:40,640
now

887
00:39:47,430 --> 00:39:45,359
car doesn't start when the ufo's

888
00:39:49,589 --> 00:39:47,440

overhead or something like that

889

00:39:50,630 --> 00:39:49,599

here's where i talk about the paranormal

890

00:39:52,710 --> 00:39:50,640

field

891

00:39:55,190 --> 00:39:52,720

making big mistakes

892

00:39:56,630 --> 00:39:55,200

when they're focusing always on the the

893

00:39:58,550 --> 00:39:56,640

perpetrator

894

00:40:00,990 --> 00:39:58,560

who done it who done it

895

00:40:04,230 --> 00:40:01,000

so in the paranormal field they

896

00:40:07,190 --> 00:40:04,240

mistakenly have concluded

897

00:40:09,589 --> 00:40:07,200

that it is a spirit that is draining

898

00:40:12,390 --> 00:40:09,599

power from their electrical equipment to

899

00:40:18,630 --> 00:40:15,430

we don't have that problem in ufology

900

00:40:20,870 --> 00:40:18,640

no one believes that the ufo is draining

901
00:40:26,069 --> 00:40:20,880
electricity from your car battery in

902
00:40:31,190 --> 00:40:28,150
so there's an example right there where

903
00:40:33,750 --> 00:40:31,200
the criminology or the perpetrator

904
00:40:35,750 --> 00:40:33,760
focusing on that

905
00:40:36,829 --> 00:40:35,760
creates a

906
00:40:40,309 --> 00:40:36,839
mental

907
00:40:42,390 --> 00:40:40,319
block you know almost like a rational

908
00:40:43,829 --> 00:40:42,400
disorder

909
00:40:45,910 --> 00:40:43,839
because you're focused on the wrong

910
00:40:48,390 --> 00:40:45,920
things it's like thinking about

911
00:40:50,950 --> 00:40:48,400
you know zeus is responsible for hurling

912
00:40:54,230 --> 00:40:50,960
lightning bolts from the sky

913
00:40:55,510 --> 00:40:54,240

uh you get into some some incorrect

914

00:40:58,950 --> 00:40:55,520

assumptions

915

00:41:00,710 --> 00:40:58,960

but anyway that's one connection

916

00:41:02,230 --> 00:41:00,720

the electric the electromagnetic

917

00:41:04,309 --> 00:41:02,240

phenomena

918

00:41:06,950 --> 00:41:04,319

uh the

919

00:41:09,190 --> 00:41:06,960

fact that ufos can

920

00:41:12,790 --> 00:41:09,200

travel

921

00:41:14,870 --> 00:41:12,800

without any means of propulsion

922

00:41:17,670 --> 00:41:14,880

just like things move around at

923

00:41:20,710 --> 00:41:17,680

paranormally active sites doors open and

924

00:41:24,150 --> 00:41:20,720

close things fly across a room with no

925

00:41:26,470 --> 00:41:24,160

visible means of propulsion

926

00:41:30,230 --> 00:41:27,910

let's see what's it what's another

927

00:41:32,470 --> 00:41:30,240

connection there there's a bunch of them

928

00:41:36,069 --> 00:41:32,480

uh the um

929

00:41:39,430 --> 00:41:37,589

uh

930

00:41:42,950 --> 00:41:39,440

oh let me let me think about it for a

931

00:41:44,550 --> 00:41:42,960

second i'm temporarily drawing a blank

932

00:41:46,870 --> 00:41:44,560

well i don't i don't want to distract

933

00:41:48,230 --> 00:41:46,880

your thought process but what about um

934

00:41:50,470 --> 00:41:48,240

there's actually a question somebody

935

00:41:52,790 --> 00:41:50,480

asked me not that long ago

936

00:41:53,589 --> 00:41:52,800

from your perspective regarding

937

00:41:55,510 --> 00:41:53,599

um

938

00:41:57,510 --> 00:41:55,520

two observers seeing

939

00:42:00,069 --> 00:41:57,520

two separate things

940

00:42:01,510 --> 00:42:00,079

to where one would let's say see a ball

941

00:42:04,470 --> 00:42:01,520

of light and the other one would just

942

00:42:06,550 --> 00:42:04,480

see more of a weird cloud

943

00:42:08,069 --> 00:42:06,560

do you have any thoughts or explanation

944

00:42:10,150 --> 00:42:08,079

regarding that

945

00:42:13,190 --> 00:42:10,160

yeah i do

946

00:42:18,710 --> 00:42:15,990

one of the uh oh i remembered another

947

00:42:21,030 --> 00:42:18,720

thing with the uf ufology but i'll

948

00:42:23,190 --> 00:42:21,040

address that that question

949

00:42:25,829 --> 00:42:23,200

is um

950

00:42:30,309 --> 00:42:25,839

one of the things that ufos do is they

951
00:42:34,790 --> 00:42:32,150
they just seem to disappear sometimes

952
00:42:36,950 --> 00:42:34,800
and then appear out of nowhere

953
00:42:40,550 --> 00:42:36,960
well isn't that what

954
00:42:41,750 --> 00:42:40,560
you know like an apparition does

955
00:42:42,710 --> 00:42:41,760
right

956
00:42:44,790 --> 00:42:42,720
yeah

957
00:42:46,230 --> 00:42:44,800
we have these same kinds of sets of

958
00:42:48,390 --> 00:42:46,240
mechanics

959
00:42:51,670 --> 00:42:48,400
uh

960
00:42:54,150 --> 00:42:51,680
the idea of um

961
00:42:57,109 --> 00:42:54,160
of two observers observing something

962
00:42:58,630 --> 00:42:57,119
different from different angles

963
00:42:59,510 --> 00:42:58,640

has to do

964

00:43:02,950 --> 00:42:59,520

with

965

00:43:11,750 --> 00:43:07,030

is the way that space time

966

00:43:11,760 --> 00:43:18,390

in a materialization of information

967

00:43:25,349 --> 00:43:22,309

the structure in space-time that occurs

968

00:43:27,990 --> 00:43:25,359

when information is materializing

969

00:43:31,430 --> 00:43:28,000

into the physical

970

00:43:35,270 --> 00:43:31,440

very much resembles what

971

00:43:36,630 --> 00:43:35,280

is called in physics in einstein rosen

972

00:43:40,990 --> 00:43:36,640

bridge

973

00:43:44,190 --> 00:43:41,000

colloquially

974

00:43:46,550 --> 00:43:44,200

scientifically or or you know in

975

00:43:48,870 --> 00:43:46,560

filmography or

976
00:43:51,109 --> 00:43:48,880
you know common language it's called

977
00:43:56,470 --> 00:43:51,119
wormholes

978
00:43:58,870 --> 00:43:56,480
terminology

979
00:44:02,470 --> 00:43:58,880
it's used the term is used for common

980
00:44:05,750 --> 00:44:02,480
language for an einstein rosen bridge

981
00:44:09,990 --> 00:44:05,760
so if we have such a tunnel

982
00:44:15,430 --> 00:44:13,030
and something is materializing in the

983
00:44:18,309 --> 00:44:15,440
mouth of this

984
00:44:20,950 --> 00:44:18,319
you can easily understand why an

985
00:44:23,990 --> 00:44:20,960
observer standing at point a

986
00:44:27,270 --> 00:44:24,000
would observe something different

987
00:44:31,109 --> 00:44:27,280
than observer at point b

988
00:44:33,109 --> 00:44:31,119

because they're looking at that mouth

989

00:44:35,750 --> 00:44:33,119

from different angles

990

00:44:38,150 --> 00:44:35,760

and since the materialization is still

991

00:44:40,230 --> 00:44:38,160

inside the mouth

992

00:44:43,030 --> 00:44:40,240

it's going to depend on

993

00:44:44,230 --> 00:44:43,040

on what angle they're viewing that that

994

00:44:48,150 --> 00:44:44,240

warped

995

00:44:53,349 --> 00:44:51,109

which will result in what they see from

996

00:44:56,390 --> 00:44:53,359

a particular position

997

00:44:57,670 --> 00:44:56,400

uh if if if that was a good explanation

998

00:45:00,950 --> 00:44:57,680

today

999

00:45:02,069 --> 00:45:00,960

no no i i understand it makes sense

1000

00:45:04,950 --> 00:45:02,079

what was the other thing you wanted to

1001

00:45:07,030 --> 00:45:04,960

cover that you remembered

1002

00:45:08,870 --> 00:45:07,040

oh yeah the the the other thing i was

1003

00:45:11,829 --> 00:45:08,880

talking about is that

1004

00:45:14,069 --> 00:45:11,839

you know uh things disappear they appear

1005

00:45:16,790 --> 00:45:14,079

and disappear

1006

00:45:18,390 --> 00:45:16,800

in uh paranormal uh

1007

00:45:22,150 --> 00:45:18,400

effects

1008

00:45:24,630 --> 00:45:22,160

just like they do in ufology

1009

00:45:26,630 --> 00:45:24,640

uh the relationship that i was trying to

1010

00:45:29,270 --> 00:45:26,640

say is this

1011

00:45:29,280 --> 00:45:34,630

and and it's several-fold number one

1012

00:45:38,790 --> 00:45:35,670

we

1013

00:45:42,470 --> 00:45:40,790

that

1014

00:45:44,829 --> 00:45:42,480

there is a set

1015

00:45:47,750 --> 00:45:44,839

of physical

1016

00:45:50,069 --> 00:45:47,760

principles there's a set of what i call

1017

00:45:53,589 --> 00:45:50,079

paranormal mechanics

1018

00:45:57,430 --> 00:45:53,599

that are behind paranormal phenomena

1019

00:46:04,790 --> 00:46:01,829

if we were able to break that

1020

00:46:06,390 --> 00:46:04,800

secret crack that open

1021

00:46:08,710 --> 00:46:06,400

what i call cracking the code of

1022

00:46:11,109 --> 00:46:08,720

creation really

1023

00:46:16,630 --> 00:46:11,119

and understand

1024

00:46:18,309 --> 00:46:16,640

how those principles work and were able

1025

00:46:22,230 --> 00:46:18,319

to

1026

00:46:24,150 --> 00:46:22,240

build technology based on it admin

1027

00:46:26,829 --> 00:46:24,160

we would be able

1028

00:46:31,589 --> 00:46:26,839

to build

1029

00:46:37,030 --> 00:46:31,599

vehicles that do every single thing that

1030

00:46:42,950 --> 00:46:39,750

now here's the other step of that

1031

00:46:44,950 --> 00:46:42,960

ufos are remote

1032

00:46:47,510 --> 00:46:44,960

in other words they occur up in the air

1033

00:46:50,390 --> 00:46:47,520

they occur at distances

1034

00:46:54,790 --> 00:46:50,400

they occur on a scale

1035

00:47:03,510 --> 00:46:59,510

but paranormal phenomena occurs locally

1036

00:47:04,589 --> 00:47:03,520

it occurs very close to human beings

1037

00:47:06,470 --> 00:47:04,599

and the

1038

00:47:07,270 --> 00:47:06,480

manifestations

1039

00:47:10,790 --> 00:47:07,280

are

1040

00:47:13,109 --> 00:47:10,800

small enough not like a 150 foot ufo

1041

00:47:16,150 --> 00:47:13,119

thousand feet in the air or whatever

1042

00:47:19,109 --> 00:47:16,160

but the manifestations of paranormal

1043

00:47:21,750 --> 00:47:19,119

phenomena are small enough

1044

00:47:26,470 --> 00:47:21,760

that they can actually be observed and

1045

00:47:29,510 --> 00:47:27,990

so i

1046

00:47:31,510 --> 00:47:29,520

propose

1047

00:47:33,030 --> 00:47:31,520

that the

1048

00:47:35,270 --> 00:47:33,040

answer

1049

00:47:36,069 --> 00:47:35,280

to figuring out

1050

00:47:39,829 --> 00:47:36,079

the

1051
00:47:42,150 --> 00:47:39,839
physics of ufos

1052
00:47:44,549 --> 00:47:42,160
is going to ultimately be the study of

1053
00:47:46,950 --> 00:47:44,559
paranormal phenomena

1054
00:47:49,030 --> 00:47:46,960
because we can study it

1055
00:47:50,470 --> 00:47:49,040
it's up close

1056
00:47:53,510 --> 00:47:50,480
it's local

1057
00:47:56,069 --> 00:47:53,520
you have a haunted house

1058
00:47:59,750 --> 00:47:56,079
where let's say you have activity in in

1059
00:48:03,430 --> 00:47:59,760
a couple of human scale rooms

1060
00:48:07,190 --> 00:48:03,440
not not like a a pattern of of

1061
00:48:09,349 --> 00:48:07,200
75 feet wide ufos flying over a mountain

1062
00:48:13,910 --> 00:48:09,359
a half a mile away

1063
00:48:18,829 --> 00:48:17,190

so if we can crack the code

1064

00:48:21,750 --> 00:48:18,839
of paranormal

1065

00:48:23,670 --> 00:48:21,760
mechanics and devise

1066

00:48:25,430 --> 00:48:23,680
technology

1067

00:48:28,150 --> 00:48:25,440
based on it which i talk about in my

1068

00:48:30,950 --> 00:48:29,910
we would be able to

1069

00:48:33,349 --> 00:48:30,960
build

1070

00:48:36,309 --> 00:48:33,359
devices and vehicles that do every

1071

00:48:41,270 --> 00:48:36,319
single thing that we observe ufos doing

1072

00:48:45,270 --> 00:48:42,230
okay

1073

00:48:48,150 --> 00:48:45,280
well thomas what do you think if we uh

1074

00:48:50,150 --> 00:48:48,160
go into some questions and answers i

1075

00:48:51,829 --> 00:48:50,160
have one one question for you and then

1076

00:48:55,190 --> 00:48:51,839

that will give enough time for other

1077

00:48:57,430 --> 00:48:55,200

questions to come in uh what do you say

1078

00:48:58,790 --> 00:48:57,440

oh that sounds great

1079

00:49:00,950 --> 00:48:58,800

okay i love it

1080

00:49:04,390 --> 00:49:00,960

so uh those of you watching i know

1081

00:49:06,790 --> 00:49:04,400

earlier there was um

1082

00:49:09,430 --> 00:49:06,800

got the name spaceman oust was in

1083

00:49:11,030 --> 00:49:09,440

telegram if you can jump back on i'll

1084

00:49:11,990 --> 00:49:11,040

take a call over there

1085

00:49:15,270 --> 00:49:12,000

and

1086

00:49:17,430 --> 00:49:15,280

for those that do not wish to talk to

1087

00:49:19,589 --> 00:49:17,440

thomas directly which i don't know why

1088

00:49:21,589 --> 00:49:19,599

you can simply submit your question or

1089

00:49:23,990 --> 00:49:21,599

in chat please make sure to use the

1090

00:49:27,109 --> 00:49:24,000

three asterisks before the question uh

1091

00:49:29,190 --> 00:49:27,119

before you submit it to the chat so yeah

1092

00:49:30,710 --> 00:49:29,200

i have to tell them i don't think

1093

00:49:33,109 --> 00:49:30,720

there's anything

1094

00:49:35,270 --> 00:49:33,119

that you could ask that's so weird

1095

00:49:38,230 --> 00:49:35,280

as the questions that i got when i was

1096

00:49:40,630 --> 00:49:38,240

on coast to coast a.m them guys are

1097

00:49:43,190 --> 00:49:40,640

really out there

1098

00:49:46,549 --> 00:49:43,200

hey you know it's a

1099

00:49:48,309 --> 00:49:46,559

lot larger audience too you know and uh

1100

00:49:50,790 --> 00:49:48,319

yeah i can only imagine i'm sorry i

1101

00:49:53,829 --> 00:49:50,800

didn't listen to it but uh that would be

1102

00:49:56,470 --> 00:49:53,839

quite a trip um so wanted to ask you

1103

00:49:59,990 --> 00:49:56,480

just to use your analogy regarding um

1104

00:50:03,510 --> 00:50:00,000

forensics and um looking at the

1105

00:50:06,230 --> 00:50:03,520

uh mechanics of of something happening

1106

00:50:08,790 --> 00:50:06,240

that information that set of data is it

1107

00:50:11,109 --> 00:50:08,800

only coming from one

1108

00:50:14,309 --> 00:50:11,119

space i guess for lack of a better word

1109

00:50:18,309 --> 00:50:14,319

or um can it also exist on multiple

1110

00:50:20,230 --> 00:50:18,319

levels um coming to us so say from like

1111

00:50:22,230 --> 00:50:20,240

different universes

1112

00:50:24,950 --> 00:50:22,240

yeah that's that's a good question first

1113

00:50:28,710 --> 00:50:24,960

of all i'm not a fan of the multiverse

1114

00:50:32,710 --> 00:50:28,720

okay i i consider the multiverse

1115

00:50:34,710 --> 00:50:32,720

a form of kicking the can down the road

1116

00:50:35,670 --> 00:50:34,720

uh in other words

1117

00:50:38,710 --> 00:50:35,680

uh

1118

00:50:40,710 --> 00:50:38,720

if we cannot find the

1119

00:50:43,750 --> 00:50:40,720

physical cause

1120

00:50:46,069 --> 00:50:43,760

within our own universe

1121

00:50:49,190 --> 00:50:46,079

for an observed effect

1122

00:50:52,230 --> 00:50:49,200

we just simply step alongside and borrow

1123

00:50:54,630 --> 00:50:52,240

it from another universe

1124

00:50:58,390 --> 00:50:54,640

without trying to explain how can that

1125

00:50:59,829 --> 00:50:58,400

be occurring in another universe as well

1126

00:51:01,670 --> 00:50:59,839

uh

1127

00:51:03,270 --> 00:51:01,680

to put it very simply

1128

00:51:04,950 --> 00:51:03,280

um

1129

00:51:07,829 --> 00:51:04,960

and in the best way that

1130

00:51:09,589 --> 00:51:07,839

that i've come over the years to try to

1131

00:51:12,390 --> 00:51:09,599

explain this

1132

00:51:13,829 --> 00:51:12,400

uh you know to answer what your question

1133

00:51:18,710 --> 00:51:13,839

is

1134

00:51:22,069 --> 00:51:18,720

i'm going to say something you know the

1135

00:51:23,990 --> 00:51:22,079

beginning of the universe

1136

00:51:25,670 --> 00:51:24,000

i'm going to say something that is very

1137

00:51:30,150 --> 00:51:25,680

odd and it's one of the

1138

00:51:32,470 --> 00:51:30,160

revolutionary aspects of my work

1139

00:51:35,430 --> 00:51:32,480

is that i believe

1140

00:51:36,630 --> 00:51:35,440

that paranormal mechanics paranormal

1141

00:51:38,309 --> 00:51:36,640

phenomena

1142

00:51:42,150 --> 00:51:38,319

and ufology

1143

00:51:47,829 --> 00:51:42,160

the things that we observe ufos doing

1144

00:51:52,870 --> 00:51:50,630

are actually working on the very same

1145

00:51:54,390 --> 00:51:52,880

principles

1146

00:51:55,589 --> 00:51:54,400

that brought the universe into the

1147

00:51:59,109 --> 00:51:55,599

beginning

1148

00:52:05,589 --> 00:52:00,950

now that's pretty

1149

00:52:08,470 --> 00:52:05,599

uh but when you stop and think about the

1150

00:52:11,030 --> 00:52:08,480

basics it makes a lot of sense

1151
00:52:13,510 --> 00:52:11,040
the uh uh

1152
00:52:15,910 --> 00:52:13,520
the most important thing is this

1153
00:52:17,750 --> 00:52:15,920
is that the universe according to the

1154
00:52:21,750 --> 00:52:17,760
big bang theory

1155
00:52:23,190 --> 00:52:21,760
emerged from a nothingness

1156
00:52:24,309 --> 00:52:23,200
in terms of

1157
00:52:26,470 --> 00:52:24,319
no

1158
00:52:28,470 --> 00:52:26,480
thing

1159
00:52:30,069 --> 00:52:28,480
before the beginning of the universe

1160
00:52:39,190 --> 00:52:30,079
there was no

1161
00:52:44,150 --> 00:52:41,750
that something is supposed to

1162
00:52:46,069 --> 00:52:44,160
have been emerging

1163
00:52:48,470 --> 00:52:46,079

from what they call a quantum

1164

00:52:51,270 --> 00:52:48,480

singularity

1165

00:52:54,069 --> 00:52:51,280

which they call infinitely dense and

1166

00:52:56,549 --> 00:52:54,079

infinitely small

1167

00:52:58,790 --> 00:52:56,559

the word infinite is a clue it is

1168

00:53:00,470 --> 00:52:58,800

immeasurable

1169

00:53:03,750 --> 00:53:00,480

anything that is physical and

1170

00:53:06,390 --> 00:53:03,760

dimensional by its very definition is

1171

00:53:13,270 --> 00:53:06,400

measurable

1172

00:53:15,990 --> 00:53:13,280

in other words there's no

1173

00:53:19,670 --> 00:53:16,000

there isn't a uh

1174

00:53:24,309 --> 00:53:21,829

of coordinates

1175

00:53:26,390 --> 00:53:24,319

whereas everything physical has a

1176

00:53:29,750 --> 00:53:26,400

three spatial coordinates

1177

00:53:34,230 --> 00:53:29,760

you know uh length width and depth

1178

00:53:38,950 --> 00:53:36,470

uh for time

1179

00:53:40,230 --> 00:53:38,960

so everything that is physical

1180

00:53:43,109 --> 00:53:40,240

has a

1181

00:53:45,349 --> 00:53:43,119

has four dimensions and it needs each

1182

00:53:48,069 --> 00:53:45,359

one of those dimensions to define

1183

00:53:49,030 --> 00:53:48,079

anything that is physical

1184

00:53:51,670 --> 00:53:49,040

the

1185

00:53:53,670 --> 00:53:51,680

meaning of a singularity

1186

00:53:57,430 --> 00:53:53,680

is that there is only a single

1187

00:54:02,230 --> 00:53:59,829

you know in school they uh

1188

00:54:03,430 --> 00:54:02,240

told you about a line in geometry it's

1189

00:54:06,150 --> 00:54:03,440

made of a

1190

00:54:07,990 --> 00:54:06,160

an infinite number of points

1191

00:54:09,990 --> 00:54:08,000

but if what if there was only a single

1192

00:54:12,630 --> 00:54:10,000

point

1193

00:54:15,190 --> 00:54:12,640

you couldn't draw a line

1194

00:54:17,750 --> 00:54:15,200

you need another point

1195

00:54:19,030 --> 00:54:17,760

that you can draw a line between the two

1196

00:54:20,710 --> 00:54:19,040

of them

1197

00:54:23,190 --> 00:54:20,720

with one point

1198

00:54:25,349 --> 00:54:23,200

it is impossible to have a dimensional

1199

00:54:30,549 --> 00:54:25,359

figure like a line

1200

00:54:37,030 --> 00:54:33,349

so the universe emerged from a single

1201
00:54:41,910 --> 00:54:39,750
so that's one thing

1202
00:54:45,349 --> 00:54:41,920
the next thing is this when the universe

1203
00:54:51,829 --> 00:54:48,630
it materialized

1204
00:54:54,470 --> 00:54:51,839
with a form and a structure

1205
00:54:56,230 --> 00:54:54,480
first thing that emerged was a bubble of

1206
00:55:02,230 --> 00:54:56,240
space time

1207
00:55:04,309 --> 00:55:02,240
therefore it means

1208
00:55:09,109 --> 00:55:04,319
that space time

1209
00:55:11,990 --> 00:55:09,119
appeared according to a set of data

1210
00:55:15,510 --> 00:55:12,000
that described it

1211
00:55:18,789 --> 00:55:15,520
it was information

1212
00:55:22,710 --> 00:55:18,799
that when it became dimensional

1213
00:55:25,430 --> 00:55:22,720

it materialized physically

1214

00:55:27,750 --> 00:55:25,440

we talk about the primordial particles

1215

00:55:29,910 --> 00:55:27,760

uh one of them is a neutrino everybody's

1216

00:55:31,910 --> 00:55:29,920

heard about neutrinos

1217

00:55:34,870 --> 00:55:31,920

you know scientists try to measure them

1218

00:55:38,630 --> 00:55:34,880

because they believe that they are

1219

00:55:40,470 --> 00:55:38,640

particles that emerged from the big bang

1220

00:55:42,470 --> 00:55:40,480

well we didn't have in the early

1221

00:55:44,150 --> 00:55:42,480

universe we didn't have a trial and

1222

00:55:46,870 --> 00:55:44,160

error period

1223

00:55:48,789 --> 00:55:46,880

where the pre-creational

1224

00:55:50,870 --> 00:55:48,799

materials tried to assemble in a

1225

00:55:53,109 --> 00:55:50,880

particle and it didn't work and it broke

1226

00:55:55,750 --> 00:55:53,119

apart and then it tried again

1227

00:55:58,710 --> 00:55:55,760

and it broke apart until it finally

1228

00:56:00,710 --> 00:55:58,720

assembled itself as a neutrino that

1229

00:56:02,950 --> 00:56:00,720

became the mother in trino that gave

1230

00:56:05,109 --> 00:56:02,960

birth from to all the other neutrinos in

1231

00:56:07,349 --> 00:56:05,119

the universe no no

1232

00:56:10,710 --> 00:56:07,359

didn't happen that way

1233

00:56:13,990 --> 00:56:10,720

neutrinos began to materialize

1234

00:56:16,390 --> 00:56:14,000

everywhere in the early universe at the

1235

00:56:19,430 --> 00:56:16,400

same moment

1236

00:56:21,750 --> 00:56:19,440

now what does that mean

1237

00:56:23,270 --> 00:56:21,760

it means there had to be

1238

00:56:26,390 --> 00:56:23,280

a pre

1239

00:56:28,870 --> 00:56:26,400

material blueprint

1240

00:56:31,670 --> 00:56:28,880

a matrix

1241

00:56:33,910 --> 00:56:31,680

a pattern

1242

00:56:36,150 --> 00:56:33,920

if you will

1243

00:56:38,789 --> 00:56:36,160

that contained all the information that

1244

00:56:40,470 --> 00:56:38,799

would become a neutrino

1245

00:56:43,670 --> 00:56:40,480

that when it crossed

1246

00:56:46,789 --> 00:56:43,680

into the physical and materialized

1247

00:56:49,030 --> 00:56:46,799

that body of information materialized as

1248

00:56:50,789 --> 00:56:49,040

a neutrino

1249

00:56:57,589 --> 00:56:50,799

as a photon

1250

00:57:03,430 --> 00:57:01,349

when we talk about paranormal phenomena

1251
00:57:05,190 --> 00:57:03,440
we're talking about let's say an

1252
00:57:07,349 --> 00:57:05,200
apparition

1253
00:57:09,990 --> 00:57:07,359
i could go through all the

1254
00:57:10,829 --> 00:57:10,000
uh the different steps to show that it

1255
00:57:14,309 --> 00:57:10,839
is

1256
00:57:17,430 --> 00:57:14,319
impossible for the surrounding

1257
00:57:19,270 --> 00:57:17,440
material like the walls and the floor

1258
00:57:22,150 --> 00:57:19,280
some people talked about underground

1259
00:57:25,990 --> 00:57:22,160
streams all that crazy stuff

1260
00:57:28,309 --> 00:57:26,000
that could actually record

1261
00:57:30,069 --> 00:57:28,319
the information

1262
00:57:32,150 --> 00:57:30,079
for a

1263
00:57:34,630 --> 00:57:32,160

an apparition

1264

00:57:39,670 --> 00:57:34,640

and then play it back on demand and then

1265

00:57:41,349 --> 00:57:39,680

project it into a specific locality

1266

00:57:43,829 --> 00:57:41,359

in local space

1267

00:57:46,390 --> 00:57:43,839

and then actually

1268

00:57:49,990 --> 00:57:46,400

like be a moving projector to cause it

1269

00:57:52,309 --> 00:57:50,000

to walk down a hallway or something

1270

00:57:54,950 --> 00:57:52,319

nothing in the physical surroundings can

1271

00:57:57,190 --> 00:57:54,960

do that

1272

00:58:00,710 --> 00:57:57,200

so the information

1273

00:58:02,950 --> 00:58:00,720

that makes up the apparition

1274

00:58:05,430 --> 00:58:02,960

must be coming from outside of space

1275

00:58:05,440 --> 00:58:10,870

and it's materially materializing within

1276

00:58:15,270 --> 00:58:13,349

physical space-time

1277

00:58:17,589 --> 00:58:15,280

sometimes

1278

00:58:19,510 --> 00:58:17,599

these paranormal

1279

00:58:21,589 --> 00:58:19,520

researchers will send somebody to a

1280

00:58:24,230 --> 00:58:21,599

library

1281

00:58:27,109 --> 00:58:24,240

find out somebody who who died maybe in

1282

00:58:30,150 --> 00:58:27,119

the house a hundred years ago

1283

00:58:31,430 --> 00:58:30,160

brings the photo

1284

00:58:34,069 --> 00:58:31,440

in the house

1285

00:58:36,549 --> 00:58:34,079

shows it to the homeowners and they gasp

1286

00:58:38,630 --> 00:58:36,559

and say oh my goodness that's the lady

1287

00:58:40,789 --> 00:58:38,640

we've been seeing in our kitchen it

1288

00:58:42,309 --> 00:58:40,799

looks just like her

1289

00:58:44,230 --> 00:58:42,319

well

1290

00:58:46,309 --> 00:58:44,240

that photograph is a collection of

1291

00:58:48,470 --> 00:58:46,319

information

1292

00:58:51,270 --> 00:58:48,480

that was conveyed on a light

1293

00:58:54,470 --> 00:58:51,280

wave a light beam and recorded on the

1294

00:59:00,309 --> 00:58:57,349

the source of that information is gone

1295

00:59:02,309 --> 00:59:00,319

adnan that body rotted away a hundred

1296

00:59:06,150 --> 00:59:02,319

years it's gone

1297

00:59:08,870 --> 00:59:06,160

there is no presence of the information

1298

00:59:11,990 --> 00:59:08,880

that's in that photograph

1299

00:59:14,309 --> 00:59:12,000

anywhere in the physical environment

1300

00:59:16,470 --> 00:59:14,319

because the source of the information

1301
00:59:17,750 --> 00:59:16,480
from which the photograph was derived is

1302
00:59:22,309 --> 00:59:17,760
destroyed

1303
00:59:25,190 --> 00:59:22,319
so where does the information come from

1304
00:59:27,109 --> 00:59:25,200
to materialize the apparition

1305
00:59:29,030 --> 00:59:27,119
that people are seeing and saying it

1306
00:59:31,349 --> 00:59:29,040
looks just like the photo that's 100

1307
00:59:34,549 --> 00:59:31,359
years old of a body that's long since

1308
00:59:39,430 --> 00:59:36,470
that means that that information is

1309
00:59:42,630 --> 00:59:39,440
stored somewhere out of space time

1310
00:59:44,390 --> 00:59:42,640
now are there layers of it

1311
00:59:46,390 --> 00:59:44,400
well by definition it would be

1312
00:59:48,470 --> 00:59:46,400
non-physical

1313
00:59:50,390 --> 00:59:48,480

which means it would not have a physical

1314

00:59:56,710 --> 00:59:50,400

dimension

1315

01:00:00,870 --> 00:59:56,720

and therefore you cannot have layers in

1316

01:00:05,109 --> 01:00:03,510

and and have um

1317

01:00:08,630 --> 01:00:05,119

and not have

1318

01:00:10,870 --> 01:00:08,640

mathematical coordinates to define them

1319

01:00:14,870 --> 01:00:10,880

so you mean by that definition it cannot

1320

01:00:17,750 --> 01:00:14,880

be called the separate universe

1321

01:00:18,950 --> 01:00:17,760

there's no need for a separate universe

1322

01:00:21,430 --> 01:00:18,960

no no i mean i'm just talking about

1323

01:00:24,069 --> 01:00:21,440

since you said since layers outside of

1324

01:00:26,390 --> 01:00:24,079

space and time

1325

01:00:28,789 --> 01:00:26,400

yeah i'm saying okay

1326

01:00:31,109 --> 01:00:28,799

you are correct according and and i have

1327

01:00:33,589 --> 01:00:31,119

a drawing of it in my book

1328

01:00:35,910 --> 01:00:33,599

according to what we have

1329

01:00:37,430 --> 01:00:35,920

i call it the omniverse

1330

01:00:39,670 --> 01:00:37,440

and since i published there were a

1331

01:00:43,190 --> 01:00:39,680

couple people that borrowed that for

1332

01:00:45,030 --> 01:00:43,200

their own work it's kind of funny

1333

01:00:47,030 --> 01:00:45,040

but if you've heard it before in other

1334

01:00:50,789 --> 01:00:47,040

sources

1335

01:00:54,789 --> 01:00:53,270

the omniverse

1336

01:00:56,470 --> 01:00:54,799

comprises

1337

01:01:01,190 --> 01:00:56,480

in my model

1338

01:01:05,190 --> 01:01:01,200

of two components of two basic areas

1339

01:01:07,270 --> 01:01:05,200

they're both part of the same reality

1340

01:01:10,230 --> 01:01:07,280

but the physical universe is called the

1341

01:01:12,230 --> 01:01:10,240

universe

1342

01:01:14,870 --> 01:01:12,240

the part of reality

1343

01:01:18,549 --> 01:01:14,880

that gives rise to the physical universe

1344

01:01:23,349 --> 01:01:21,510

peter meaning the um

1345

01:01:25,750 --> 01:01:23,359

oh is it the greek

1346

01:01:29,430 --> 01:01:25,760

no it's the roman

1347

01:01:32,789 --> 01:01:29,440

peter is the roman word for father

1348

01:01:36,309 --> 01:01:32,799

so you know the uh

1349

01:01:39,589 --> 01:01:37,750

and the

1350

01:01:41,750 --> 01:01:39,599

romans called him

1351
01:01:45,990 --> 01:01:41,760
father zeus

1352
01:01:47,990 --> 01:01:46,000
peter zeus or jupiter

1353
01:01:51,750 --> 01:01:48,000
that's where the word jupiter comes from

1354
01:01:57,589 --> 01:01:54,870
so i call that the patriverse

1355
01:02:00,230 --> 01:01:57,599
what i say is reality actually occurs in

1356
01:02:02,710 --> 01:02:00,240
the patriverse

1357
01:02:07,829 --> 01:02:02,720
and it is layered

1358
01:02:12,870 --> 01:02:10,789
in other words information has to

1359
01:02:15,349 --> 01:02:12,880
reach a certain density before it can

1360
01:02:18,549 --> 01:02:15,359
materialize

1361
01:02:21,750 --> 01:02:18,559
now let's say you have a graduation

1362
01:02:24,630 --> 01:02:21,760
of from lesser to greater density until

1363
01:02:28,950 --> 01:02:24,640

it finally reaches light speed and then

1364

01:02:33,910 --> 01:02:31,349

uh so

1365

01:02:36,309 --> 01:02:33,920

it's more like a graduation i i don't

1366

01:02:37,829 --> 01:02:36,319

see it as as layers if you kind of

1367

01:02:39,829 --> 01:02:37,839

follow what i mean

1368

01:02:40,710 --> 01:02:39,839

i do

1369

01:02:43,109 --> 01:02:40,720

okay

1370

01:02:45,270 --> 01:02:43,119

all right well uh uh tom let's take some

1371

01:02:47,670 --> 01:02:45,280

questions um

1372

01:02:48,390 --> 01:02:47,680

please let me bring in somebody help me

1373

01:02:54,309 --> 01:02:48,400

some

1374

01:02:58,710 --> 01:02:57,109

it's just a it's the complexity of the

1375

01:03:01,349 --> 01:02:58,720

of the information

1376

01:03:04,789 --> 01:03:01,359

it's so different than what people are

1377

01:03:06,950 --> 01:03:04,799

used to imagining right uh that it just

1378

01:03:09,510 --> 01:03:06,960

although when i talk to

1379

01:03:11,029 --> 01:03:09,520

someone who's scientifically trained

1380

01:03:13,190 --> 01:03:11,039

uh they

1381

01:03:15,670 --> 01:03:13,200

generally understand it

1382

01:03:19,270 --> 01:03:15,680

uh one of the symposium i spoke with a

1383

01:03:21,510 --> 01:03:19,280

woman who had a degree in astrophysics

1384

01:03:23,510 --> 01:03:21,520

and after about 20 minutes of her jaw

1385

01:03:24,710 --> 01:03:23,520

hanging on the floor

1386

01:03:26,630 --> 01:03:24,720

she said

1387

01:03:27,910 --> 01:03:26,640

you've just reconfigured my entire

1388

01:03:29,510 --> 01:03:27,920

education

1389

01:03:31,750 --> 01:03:29,520

she says because you didn't have the

1390

01:03:34,069 --> 01:03:31,760

courses you don't even know

1391

01:03:36,150 --> 01:03:34,079

the mysteries that you're answering with

1392

01:03:37,670 --> 01:03:36,160

this theory

1393

01:03:40,309 --> 01:03:37,680

um

1394

01:03:42,870 --> 01:03:40,319

but you know for the general public it's

1395

01:03:45,190 --> 01:03:42,880

very hard it's very difficult

1396

01:03:47,990 --> 01:03:45,200

but go ahead admin i'm sorry no no

1397

01:03:50,309 --> 01:03:48,000

that's all right so specimen space man

1398

01:03:51,829 --> 01:03:50,319

oust i'm going to unmute you please make

1399

01:03:53,910 --> 01:03:51,839

sure that your

1400

01:03:55,750 --> 01:03:53,920

any kind of uh feedback you have if

1401

01:03:57,430 --> 01:03:55,760

you're listening to this live uh put

1402

01:04:00,069 --> 01:03:57,440

that on mute please uh just so it

1403

01:04:02,549 --> 01:04:00,079

doesn't feed back into our stream

1404

01:04:04,230 --> 01:04:02,559

so you are unmuted

1405

01:04:07,990 --> 01:04:04,240

on my end and mute yourself and yours

1406

01:04:13,670 --> 01:04:10,349

uh yeah

1407

01:04:16,069 --> 01:04:13,680

um i'm just wondering if you knew about

1408

01:04:18,069 --> 01:04:16,079

uh the science when they first looked at

1409

01:04:20,549 --> 01:04:18,079

the surface of the atom

1410

01:04:22,470 --> 01:04:20,559

um they made like a the electron

1411

01:04:24,549 --> 01:04:22,480

microscope yeah and they sort of put the

1412

01:04:27,109 --> 01:04:24,559

magnetic field as close to the surface

1413

01:04:30,230 --> 01:04:27,119

of the atom and they could um receive

1414

01:04:33,589 --> 01:04:30,240

back an image of the surface um are you

1415

01:04:34,549 --> 01:04:33,599

aware of that science that they did

1416

01:04:36,630 --> 01:04:34,559

i'm just

1417

01:04:38,150 --> 01:04:36,640

curious because

1418

01:04:40,789 --> 01:04:38,160

what ended up happening when they were

1419

01:04:42,630 --> 01:04:40,799

demonstrating it uh to showing you that

1420

01:04:43,750 --> 01:04:42,640

they were able to look at the surface of

1421

01:04:47,270 --> 01:04:43,760

the atom

1422

01:04:49,270 --> 01:04:47,280

um what looked like a fuzzy ball um from

1423

01:04:51,190 --> 01:04:49,280

a distance but as they got in closer

1424

01:04:52,069 --> 01:04:51,200

they realized that the atom was made up

1425

01:04:56,390 --> 01:04:52,079

of

1426

01:04:57,589 --> 01:04:56,400

that were all stuck together

1427

01:05:00,069 --> 01:04:57,599

and um

1428

01:05:01,430 --> 01:05:00,079

when they got close to the surface to

1429

01:05:03,190 --> 01:05:01,440

show you that

1430

01:05:04,870 --> 01:05:03,200

what ended up happening was the image

1431

01:05:07,349 --> 01:05:04,880

that came back on the monitor was

1432

01:05:09,990 --> 01:05:07,359

actually just a um like a big white

1433

01:05:12,390 --> 01:05:10,000

blurry dot uh that took up the whole

1434

01:05:15,270 --> 01:05:12,400

screen so they panned out

1435

01:05:18,390 --> 01:05:15,280

and what they ended up seeing was um was

1436

01:05:20,710 --> 01:05:18,400

that they pulled the part of the atom um

1437

01:05:22,470 --> 01:05:20,720

off off the surface and it was stuck to

1438

01:05:24,390 --> 01:05:22,480

the tip of the needle that was producing

1439

01:05:26,150 --> 01:05:24,400

the magnetic field

1440

01:05:29,029 --> 01:05:26,160

and they realized that they were able to

1441

01:05:30,309 --> 01:05:29,039

actually pull the atom apart uh piece by

1442

01:05:33,430 --> 01:05:30,319

piece

1443

01:05:36,309 --> 01:05:33,440

so they then uh replicated that's that

1444

01:05:38,069 --> 01:05:36,319

experiment but at a smaller scale where

1445

01:05:40,309 --> 01:05:38,079

they could actually look at the surface

1446

01:05:42,230 --> 01:05:40,319

that that piece they took off the atom

1447

01:05:44,630 --> 01:05:42,240

because it looked identical to the

1448

01:05:46,870 --> 01:05:44,640

actual original atoms so

1449

01:05:48,390 --> 01:05:46,880

they wanted then to look at the

1450

01:05:51,349 --> 01:05:48,400

surface of it

1451

01:05:53,190 --> 01:05:51,359

and um when they did they made the scale

1452

01:05:56,069 --> 01:05:53,200

of it down and and got to look at the

1453

01:05:57,670 --> 01:05:56,079

surface of that particle they pulled off

1454

01:05:59,829 --> 01:05:57,680

what what image

1455

01:06:02,069 --> 01:05:59,839

they ended up getting was actually like

1456

01:06:04,710 --> 01:06:02,079

they were looking out at the universe it

1457

01:06:07,109 --> 01:06:04,720

was like looking into the galaxy into a

1458

01:06:09,270 --> 01:06:07,119

galaxy sort of thing you know and i just

1459

01:06:11,349 --> 01:06:09,280

that sort of as well pulled up signs of

1460

01:06:13,990 --> 01:06:11,359

it um stop the space man i'm sorry to

1461

01:06:14,950 --> 01:06:14,000

interrupt can you can you just uh ask a

1462

01:06:16,230 --> 01:06:14,960

question

1463

01:06:17,829 --> 01:06:16,240

so that

1464

01:06:20,230 --> 01:06:17,839

like i think you're given enough

1465

01:06:21,670 --> 01:06:20,240

explanation do you have a question

1466

01:06:23,510 --> 01:06:21,680

do you have a question

1467

01:06:26,069 --> 01:06:23,520

yeah i'm just wondering if he's aware of

1468

01:06:27,910 --> 01:06:26,079

that science when they looked at that

1469

01:06:29,670 --> 01:06:27,920

that the service of the adam how they

1470

01:06:31,029 --> 01:06:29,680

ended up yeah because i was trying to

1471

01:06:33,109 --> 01:06:31,039

figure out how

1472

01:06:34,710 --> 01:06:33,119

things were solid you know when atoms

1473

01:06:36,630 --> 01:06:34,720

are hollow and they got electrons and

1474

01:06:38,390 --> 01:06:36,640

neutrons spinning around you know and

1475

01:06:40,630 --> 01:06:38,400

they were trying to figure out

1476

01:06:43,029 --> 01:06:40,640

what made uh

1477

01:06:44,950 --> 01:06:43,039

subjects in our world you know it's

1478

01:06:46,950 --> 01:06:44,960

solid mass because

1479

01:06:49,510 --> 01:06:46,960

um you know the things i was made of

1480

01:06:51,029 --> 01:06:49,520

were actually hollow you know so

1481

01:06:53,029 --> 01:06:51,039

so you want to ask him if he's heard of

1482

01:06:55,670 --> 01:06:53,039

it was anything specific you wanted him

1483

01:07:08,309 --> 01:06:55,680

to answer regarding that

1484

01:07:11,349 --> 01:07:09,670

uh

1485

01:07:13,349 --> 01:07:11,359

and thank you for the question and and

1486

01:07:14,390 --> 01:07:13,359

if i don't understand it please forgive

1487

01:07:19,029 --> 01:07:14,400

me

1488

01:07:21,029 --> 01:07:19,039

because of the way the audio was

1489

01:07:24,710 --> 01:07:21,039

a little bit kind of bleeding and out

1490

01:07:27,750 --> 01:07:26,230

but

1491

01:07:29,990 --> 01:07:27,760

according to

1492

01:07:30,789 --> 01:07:30,000

my model and this is the one of the

1493

01:07:33,910 --> 01:07:30,799

other

1494

01:07:36,230 --> 01:07:33,920

wonderful things about it

1495

01:07:38,150 --> 01:07:36,240

according to conventional physics let's

1496

01:07:40,829 --> 01:07:38,160

talk about conventional physics for a

1497

01:07:40,839 --> 01:07:45,589

um there are two

1498

01:07:52,150 --> 01:07:48,789

physical states of reality

1499

01:07:58,470 --> 01:07:56,069

one of them is the quantum state

1500

01:08:00,549 --> 01:07:58,480

and one of them is the relativistic or

1501
01:08:02,230 --> 01:08:00,559
macro state

1502
01:08:05,670 --> 01:08:02,240
the quantum state

1503
01:08:07,829 --> 01:08:05,680
uh addresses issues uh

1504
01:08:09,510 --> 01:08:07,839
with the way things exist and behave on

1505
01:08:11,750 --> 01:08:09,520
a very very small

1506
01:08:15,589 --> 01:08:11,760
subatomic scale

1507
01:08:15,599 --> 01:08:20,950
deals with the macro universe

1508
01:08:25,110 --> 01:08:22,950
the problem that we have in physics and

1509
01:08:26,630 --> 01:08:25,120
had for some time

1510
01:08:29,110 --> 01:08:26,640
is that

1511
01:08:32,789 --> 01:08:29,120
the relativistic state relativity as in

1512
01:08:34,309 --> 01:08:32,799
einstein the relativistic state

1513
01:08:38,709 --> 01:08:34,319

is perfect

1514

01:08:40,870 --> 01:08:38,719

at describing the universe at large

1515

01:08:44,870 --> 01:08:40,880

the quantum

1516

01:08:50,149 --> 01:08:47,910

is perfect for describing what happens

1517

01:08:56,070 --> 01:08:50,159

in the quantum universe

1518

01:09:00,550 --> 01:08:57,910

we cannot form

1519

01:09:02,870 --> 01:09:00,560

a continuous theory

1520

01:09:04,309 --> 01:09:02,880

that includes both the relativistic

1521

01:09:09,669 --> 01:09:04,319

state

1522

01:09:11,349 --> 01:09:09,679

so i think part of the question was

1523

01:09:13,990 --> 01:09:11,359

when we look at the nature of the

1524

01:09:16,229 --> 01:09:14,000

quantum state the subatomic

1525

01:09:20,630 --> 01:09:16,239

uh realm

1526

01:09:21,829 --> 01:09:20,640

how does that result in solid physical

1527

01:09:25,349 --> 01:09:21,839

mass

1528

01:09:29,349 --> 01:09:25,359

in the relativistic macro state

1529

01:09:32,309 --> 01:09:30,390

um

1530

01:09:34,470 --> 01:09:32,319

if you heard it better than i did i'm

1531

01:09:37,189 --> 01:09:34,480

gonna have to trust you that that you

1532

01:09:39,510 --> 01:09:37,199

are answering it just uh proceed he's

1533

01:09:41,030 --> 01:09:39,520

gonna let us know if not

1534

01:09:44,189 --> 01:09:41,040

all right

1535

01:09:48,309 --> 01:09:44,199

the answer to this dichotomy this

1536

01:09:51,829 --> 01:09:49,510

in

1537

01:09:53,510 --> 01:09:51,839

super geometry which is the name of my

1538

01:09:55,750 --> 01:09:53,520

theory that's the model that's in the

1539

01:09:55,750 --> 01:09:55,760

book

1540

01:10:03,030 --> 01:10:00,390

is that reality consists of three states

1541

01:10:07,030 --> 01:10:03,040

not two

1542

01:10:11,830 --> 01:10:07,040

reality does not consist only of the

1543

01:10:15,350 --> 01:10:13,990

it also

1544

01:10:19,110 --> 01:10:15,360

exists

1545

01:10:24,070 --> 01:10:22,070

that's the third state of reality

1546

01:10:26,390 --> 01:10:24,080

or you could call it the non-physical

1547

01:10:28,310 --> 01:10:26,400

state

1548

01:10:29,750 --> 01:10:28,320

just like it was in the beginning of the

1549

01:10:34,870 --> 01:10:29,760

universe

1550

01:10:38,790 --> 01:10:34,880

non-physical state

1551
01:10:43,270 --> 01:10:38,800
now what happens is that the information

1552
01:10:47,270 --> 01:10:45,990
materializes

1553
01:10:50,310 --> 01:10:47,280
into the

1554
01:10:54,950 --> 01:10:50,320
relativistic macro state

1555
01:10:56,830 --> 01:10:54,960
the quantum state is the transition

1556
01:11:00,310 --> 01:10:56,840
state

1557
01:11:04,709 --> 01:11:00,320
between what is not yet physical

1558
01:11:09,590 --> 01:11:07,030
that explains the weirdness of the

1559
01:11:10,830 --> 01:11:09,600
quantum realm

1560
01:11:13,510 --> 01:11:10,840
they

1561
01:11:16,870 --> 01:11:13,520
cannot for example

1562
01:11:19,350 --> 01:11:16,880
the uncertainty principle

1563
01:11:22,070 --> 01:11:19,360

cannot determine

1564

01:11:25,990 --> 01:11:22,080

measure both the velocity and the

1565

01:11:29,750 --> 01:11:26,000

location of an electron at the same time

1566

01:11:32,950 --> 01:11:29,760

it can only measure one or the other

1567

01:11:38,310 --> 01:11:35,270

according to my theory

1568

01:11:40,070 --> 01:11:38,320

the quantum state lacks

1569

01:11:43,669 --> 01:11:40,080

sufficient

1570

01:11:47,189 --> 01:11:45,430

in order to

1571

01:11:50,390 --> 01:11:47,199

follow the rules of the fully

1572

01:11:53,270 --> 01:11:50,400

materialized universe

1573

01:11:55,910 --> 01:11:53,280

it's a transitional state which explains

1574

01:11:57,430 --> 01:11:55,920

perfectly what i see

1575

01:12:00,070 --> 01:11:57,440

or what we see

1576

01:12:03,030 --> 01:12:00,080

when we look at the quantum realm

1577

01:12:05,350 --> 01:12:03,040

let's say in the uncertainty principle

1578

01:12:08,550 --> 01:12:05,360

the problem

1579

01:12:10,870 --> 01:12:08,560

of not being able to

1580

01:12:13,990 --> 01:12:10,880

measure both the velocity and the

1581

01:12:17,350 --> 01:12:14,000

location of an electron at the same time

1582

01:12:20,830 --> 01:12:17,360

is that it has yet to acquire sufficient

1583

01:12:27,189 --> 01:12:23,750

the four dimensions

1584

01:12:28,750 --> 01:12:27,199

of space-time that are necessary

1585

01:12:31,590 --> 01:12:28,760

to define the

1586

01:12:32,950 --> 01:12:31,600

macro-relativistic material materialized

1587

01:12:37,189 --> 01:12:32,960

universe

1588

01:12:38,310 --> 01:12:37,199

has not yet been completely unfolded

1589

01:12:41,030 --> 01:12:38,320

therefore

1590

01:12:42,790 --> 01:12:41,040

there's not sufficient

1591

01:12:46,149 --> 01:12:42,800

differences

1592

01:12:49,669 --> 01:12:46,159

between here and there

1593

01:12:52,550 --> 01:12:51,189

spatial dimensions

1594

01:12:54,870 --> 01:12:52,560

there are measurements of difference

1595

01:12:59,590 --> 01:12:54,880

between here and there

1596

01:13:05,189 --> 01:13:01,910

to measure the dimensional or the

1597

01:13:06,950 --> 01:13:05,199

temporal dimension between then and now

1598

01:13:09,910 --> 01:13:06,960

or if you want to talk about the future

1599

01:13:14,709 --> 01:13:12,550

so my definition of time is the

1600

01:13:16,229 --> 01:13:14,719

measurement of difference between then

1601
01:13:19,270 --> 01:13:16,239
and now

1602
01:13:23,110 --> 01:13:19,280
it's almost childlike

1603
01:13:25,669 --> 01:13:23,120
and my dimension of space

1604
01:13:27,669 --> 01:13:25,679
is the definition or is the difference

1605
01:13:29,669 --> 01:13:27,679
between here and there

1606
01:13:32,550 --> 01:13:29,679
which you need coordinates when the

1607
01:13:35,910 --> 01:13:32,560
coordinates are not defined well enough

1608
01:13:36,950 --> 01:13:35,920
you cannot take a measurement

1609
01:13:39,590 --> 01:13:36,960
now

1610
01:13:43,189 --> 01:13:39,600
the mysterious the the mystery about the

1611
01:13:46,470 --> 01:13:43,199
quantum universe is that they see it as

1612
01:13:48,229 --> 01:13:46,480
a standalone state

1613
01:13:50,950 --> 01:13:48,239

that here's the quantum realm as a

1614

01:13:53,270 --> 01:13:50,960

standalone state here's the macro realm

1615

01:13:55,430 --> 01:13:53,280

the relativistic realm is as a

1616

01:13:57,830 --> 01:13:55,440

standalone state and they can't get the

1617

01:14:01,270 --> 01:13:57,840

two to play together according to the

1618

01:14:02,149 --> 01:14:01,280

super geometric model

1619

01:14:03,990 --> 01:14:02,159

the

1620

01:14:06,709 --> 01:14:04,000

quantum state

1621

01:14:08,630 --> 01:14:06,719

is a transitional state

1622

01:14:11,910 --> 01:14:08,640

see conventional science can't look at

1623

01:14:15,350 --> 01:14:11,920

it that way because there isn't a third

1624

01:14:16,470 --> 01:14:15,360

state of reality

1625

01:14:18,790 --> 01:14:16,480

you know

1626

01:14:22,229 --> 01:14:18,800

by which

1627

01:14:24,229 --> 01:14:22,239

something can't can transition from one

1628

01:14:26,310 --> 01:14:24,239

to the other in other words if you have

1629

01:14:29,030 --> 01:14:26,320

a transition from one state to the other

1630

01:14:31,270 --> 01:14:29,040

you need to at least have three states

1631

01:14:33,270 --> 01:14:31,280

you have to have your starting state you

1632

01:14:34,790 --> 01:14:33,280

have to have your finished state and

1633

01:14:38,070 --> 01:14:34,800

then you have to have the state in

1634

01:14:43,030 --> 01:14:40,950

so in that state

1635

01:14:44,630 --> 01:14:43,040

of the quantum realm

1636

01:14:47,510 --> 01:14:44,640

which flies around pretty much at the

1637

01:14:50,310 --> 01:14:47,520

speed of light there is insufficient

1638

01:14:53,830 --> 01:14:50,320

dimensionalism

1639

01:14:57,110 --> 01:14:53,840

to take accurate measures

1640

01:14:57,910 --> 01:14:57,120

which is why it behaves the way it is it

1641

01:14:59,590 --> 01:14:57,920

is

1642

01:15:03,350 --> 01:14:59,600

information

1643

01:15:07,110 --> 01:15:03,360

in the process of materializing

1644

01:15:11,270 --> 01:15:07,120

why there's why it isn't solid

1645

01:15:13,110 --> 01:15:11,280

like the relativistic universe

1646

01:15:16,229 --> 01:15:13,120

is that it's still in the process of

1647

01:15:20,310 --> 01:15:16,239

materializing it can't be solid

1648

01:15:22,310 --> 01:15:20,320

because if it had to be solid like mass

1649

01:15:26,149 --> 01:15:22,320

it would have to have four dimensions by

1650

01:15:31,669 --> 01:15:29,990

an example of this is the einstein

1651
01:15:34,149 --> 01:15:31,679
model

1652
01:15:36,149 --> 01:15:34,159
thought experiment about a spaceship

1653
01:15:38,630 --> 01:15:36,159
traveling at the speed of light or right

1654
01:15:40,950 --> 01:15:38,640
below it

1655
01:15:44,630 --> 01:15:40,960
since mass cannot travel at the speed of

1656
01:15:46,950 --> 01:15:44,640
light there's a clue right there for you

1657
01:15:49,270 --> 01:15:46,960
for mass to travel at the speed of light

1658
01:15:52,870 --> 01:15:49,280
and you've probably heard of this before

1659
01:15:56,070 --> 01:15:52,880
would require what they call infinite

1660
01:15:56,080 --> 01:15:59,590
infinite energy

1661
01:16:03,189 --> 01:16:01,270
which is something that can't exist in

1662
01:16:05,750 --> 01:16:03,199
the physical universe

1663
01:16:07,910 --> 01:16:05,760

so we talk about spaceships einstein

1664

01:16:10,070 --> 01:16:07,920

talked about

1665

01:16:12,070 --> 01:16:10,080

ships or like trains

1666

01:16:16,149 --> 01:16:12,080

that traveled just below the speed of

1667

01:16:18,870 --> 01:16:16,159

light if you were looking out a porthole

1668

01:16:21,830 --> 01:16:18,880

front windshield of a spaceship

1669

01:16:23,350 --> 01:16:21,840

traveling just under the speed of light

1670

01:16:28,149 --> 01:16:23,360

you would see

1671

01:16:32,830 --> 01:16:30,630

that you already passed the stars that

1672

01:16:35,910 --> 01:16:32,840

you are in process of

1673

01:16:37,510 --> 01:16:35,920

passing and the stars that you have yet

1674

01:16:42,070 --> 01:16:37,520

to pass

1675

01:16:46,390 --> 01:16:44,310

in the view of the porthole

1676

01:16:49,110 --> 01:16:46,400

past present and future would be seen

1677

01:16:51,030 --> 01:16:49,120

simultaneously

1678

01:16:55,110 --> 01:16:51,040

and there's places online you could look

1679

01:16:58,870 --> 01:16:56,470

so

1680

01:17:01,590 --> 01:16:58,880

what my model says is that at the

1681

01:17:03,350 --> 01:17:01,600

velocities that the subatomic world

1682

01:17:07,030 --> 01:17:03,360

operates at

1683

01:17:09,590 --> 01:17:07,040

there is insufficient dimensions

1684

01:17:12,149 --> 01:17:09,600

to discern not only what's behind us

1685

01:17:15,030 --> 01:17:12,159

what's next to us and what's in front of

1686

01:17:20,790 --> 01:17:17,350

but it's also

1687

01:17:22,950 --> 01:17:20,800

insufficiently materialized

1688

01:17:25,350 --> 01:17:22,960

to be able to measure

1689

01:17:27,510 --> 01:17:25,360

the time that we passed

1690

01:17:29,750 --> 01:17:27,520

the past stars

1691

01:17:31,669 --> 01:17:29,760

the time that we are passing the stars

1692

01:17:33,830 --> 01:17:31,679

on the side of us

1693

01:17:37,990 --> 01:17:33,840

and the time that we will encounter the

1694

01:17:42,950 --> 01:17:40,470

and that's the explanation

1695

01:17:45,669 --> 01:17:42,960

of why the quantum universe

1696

01:17:47,189 --> 01:17:45,679

acts the way it does

1697

01:17:51,030 --> 01:17:47,199

and

1698

01:17:53,430 --> 01:17:51,040

why it cannot turn into solid mass

1699

01:17:59,830 --> 01:17:53,440

like in a relativistic state

1700

01:18:04,310 --> 01:18:02,390

well thank you for that uh tom thomas

1701

01:18:06,550 --> 01:18:04,320

let me uh bring spaceman in just to

1702

01:18:08,550 --> 01:18:06,560

finish up with him

1703

01:18:10,870 --> 01:18:08,560

because he had to raise his hands again

1704

01:18:15,189 --> 01:18:10,880

and then after that um i'll get to the

1705

01:18:20,550 --> 01:18:18,229

uh spaceman please make sure to mute any

1706

01:18:23,270 --> 01:18:20,560

feed any playback you have from any

1707

01:18:25,110 --> 01:18:23,280

other players uh i'd appreciate it

1708

01:18:26,630 --> 01:18:25,120

you are unmuted and mute yourself on

1709

01:18:28,870 --> 01:18:26,640

your part and um

1710

01:18:31,990 --> 01:18:28,880

uh was um did thomas answer your

1711

01:18:36,950 --> 01:18:33,830

[Music]

1712

01:18:38,709 --> 01:18:36,960

please speak up a little bit if you can

1713

01:18:40,390 --> 01:18:38,719

i don't understand everything he was

1714

01:18:42,149 --> 01:18:40,400

saying but um

1715

01:18:43,590 --> 01:18:42,159

what my question is

1716

01:18:48,149 --> 01:18:43,600

is um

1717

01:18:51,430 --> 01:18:48,159

is dark matter in space is it a vacuum

1718

01:18:54,630 --> 01:18:51,440

um and when a when a spaceship opens at

1719

01:18:57,270 --> 01:18:54,640

store in the air is it sucked out or is

1720

01:19:00,229 --> 01:18:57,280

it actually um dark matter actually

1721

01:19:03,510 --> 01:19:00,239

pressure because nikola tesla claimed

1722

01:19:08,709 --> 01:19:04,470

was

1723

01:19:10,790 --> 01:19:08,719

uh formed from um escaping dark matter

1724

01:19:13,350 --> 01:19:10,800

the pressure of dark matter

1725

01:19:15,270 --> 01:19:13,360

and you know i one day like you know is

1726

01:19:17,990 --> 01:19:15,280

actually the oxygen in a spaceship when

1727

01:19:20,470 --> 01:19:18,000

the doors open is it actually

1728

01:19:23,189 --> 01:19:20,480

pressurized out or is it vacuumed out

1729

01:19:24,470 --> 01:19:23,199

you know because he believed it was like

1730

01:19:26,229 --> 01:19:24,480

a fluid

1731

01:19:28,390 --> 01:19:26,239

um dark matter

1732

01:19:30,470 --> 01:19:28,400

and they've done an experiment where

1733

01:19:32,870 --> 01:19:30,480

they got a light bulb like a traditional

1734

01:19:35,510 --> 01:19:32,880

light bulb with two elements in it

1735

01:19:38,390 --> 01:19:35,520

and they actually had um the two

1736

01:19:39,270 --> 01:19:38,400

elements sharing the negative pole

1737

01:19:41,189 --> 01:19:39,280

so

1738

01:19:43,910 --> 01:19:41,199

when they turned the light on each

1739

01:19:46,229 --> 01:19:43,920

element produced its own light but in

1740

01:19:48,550 --> 01:19:46,239

between in the middle of it there was

1741

01:19:50,630 --> 01:19:48,560

dark matter when you zoomed in

1742

01:19:53,990 --> 01:19:50,640

to look at it closely you could actually

1743

01:19:56,149 --> 01:19:54,000

see it a thin black line between the two

1744

01:19:57,110 --> 01:19:56,159

elements of light

1745

01:19:59,510 --> 01:19:57,120

so

1746

01:20:00,630 --> 01:19:59,520

yeah i was just curious to know whether

1747

01:20:03,189 --> 01:20:00,640

he thought

1748

01:20:05,830 --> 01:20:03,199

space was a vacuum or um actually under

1749

01:20:07,350 --> 01:20:05,840

pressure thomas before i meet him does

1750

01:20:08,149 --> 01:20:07,360

that make sense

1751

01:20:09,590 --> 01:20:08,159

yes

1752

01:20:12,310 --> 01:20:09,600

okay all right thank you space man

1753

01:20:17,510 --> 01:20:14,629

all right well here's what the

1754

01:20:19,350 --> 01:20:17,520

there's a couple of uh problems uh with

1755

01:20:20,790 --> 01:20:19,360

what you're asking

1756

01:20:22,950 --> 01:20:20,800

um

1757

01:20:24,870 --> 01:20:22,960

first of all i'm familiar with what what

1758

01:20:27,590 --> 01:20:24,880

you're talking about with the with the

1759

01:20:30,790 --> 01:20:27,600

light bulb experiment

1760

01:20:32,750 --> 01:20:30,800

the idea that that is dark matter what's

1761

01:20:38,550 --> 01:20:32,760

being observed is

1762

01:20:42,870 --> 01:20:40,870

to date and you can look this up online

1763

01:20:45,430 --> 01:20:42,880

there has been no

1764

01:20:48,470 --> 01:20:45,440
experiment

1765

01:20:52,070 --> 01:20:48,480
that directly resulted

1766

01:20:55,669 --> 01:20:52,080
in the detection of something that that

1767

01:20:57,430 --> 01:20:55,679
fits the definition of dark matter

1768

01:20:59,350 --> 01:20:57,440
so if you've been reading that's dark

1769

01:21:04,629 --> 01:20:59,360
matter you've read somebody who has

1770

01:21:09,750 --> 01:21:06,070
that's a problem

1771

01:21:12,310 --> 01:21:09,760
uh the other problem is that

1772

01:21:14,550 --> 01:21:12,320
to the best of my recollection

1773

01:21:16,790 --> 01:21:14,560
and i would have to do the online

1774

01:21:18,709 --> 01:21:16,800
research but i've studied a lot about

1775

01:21:26,070 --> 01:21:18,719
tesla

1776

01:21:28,390 --> 01:21:26,080

the theory

1777

01:21:30,229 --> 01:21:28,400

of dark matter

1778

01:21:31,270 --> 01:21:30,239

or i should say the notion of dark

1779

01:21:37,350 --> 01:21:31,280

matter

1780

01:21:39,189 --> 01:21:37,360

real part of our universe

1781

01:21:40,149 --> 01:21:39,199

only came

1782

01:21:43,390 --> 01:21:40,159

uh

1783

01:21:46,550 --> 01:21:43,400

into play when our

1784

01:21:49,830 --> 01:21:46,560

observational instrumentation

1785

01:21:52,870 --> 01:21:49,840

that we used to look out in the universe

1786

01:21:56,149 --> 01:21:52,880

was strong enough

1787

01:21:58,149 --> 01:21:56,159

to where we could see gravitational

1788

01:22:02,870 --> 01:21:58,159

lensing

1789

01:22:06,310 --> 01:22:02,880

in areas of space bending of space-time

1790

01:22:08,790 --> 01:22:06,320

without any adjacent

1791

01:22:11,669 --> 01:22:08,800

physical visible matter to account for

1792

01:22:13,590 --> 01:22:11,679

that bending

1793

01:22:16,629 --> 01:22:13,600

so it defied

1794

01:22:18,310 --> 01:22:16,639

the normal model of gravity which is the

1795

01:22:21,430 --> 01:22:18,320

bending of space

1796

01:22:23,270 --> 01:22:21,440

that space is bent around

1797

01:22:25,430 --> 01:22:23,280

material objects

1798

01:22:26,550 --> 01:22:25,440

well in these cases of gravitational

1799

01:22:30,229 --> 01:22:26,560

lensing

1800

01:22:32,870 --> 01:22:30,239

there was no visible matter

1801
01:22:34,790 --> 01:22:32,880
so the theory of dark matter came up to

1802
01:22:37,669 --> 01:22:34,800
explain

1803
01:22:39,590 --> 01:22:37,679
what this invisible matter

1804
01:22:41,590 --> 01:22:39,600
might be

1805
01:22:45,030 --> 01:22:41,600
that's causing this gravitational

1806
01:22:47,110 --> 01:22:45,040
lensing where no visible matter is there

1807
01:22:48,629 --> 01:22:47,120
this predates

1808
01:22:55,590 --> 01:22:48,639
tesla

1809
01:22:58,149 --> 01:22:55,600
uh uh

1810
01:23:00,310 --> 01:22:58,159
that information my goodness uh

1811
01:23:08,550 --> 01:23:00,320
let me look real quick adnan

1812
01:23:08,560 --> 01:23:11,030
uh

1813
01:23:11,040 --> 01:23:18,070

now i'm getting cars

1814

01:23:24,790 --> 01:23:20,709

nikola tesla

1815

01:23:30,629 --> 01:23:28,229

now do you remember in 1943 what the

1816

01:23:32,550 --> 01:23:30,639

what they thought the universe was

1817

01:23:35,430 --> 01:23:32,560

um i'm not trying to be smart as i

1818

01:23:37,510 --> 01:23:35,440

wasn't born yet

1819

01:23:42,790 --> 01:23:37,520

the universe they thought

1820

01:23:47,590 --> 01:23:44,870

they thought our galaxy whatever that

1821

01:23:48,390 --> 01:23:47,600

comprised

1822

01:23:51,110 --> 01:23:48,400

was

1823

01:23:53,270 --> 01:23:51,120

the entirety of the known universe

1824

01:23:55,990 --> 01:23:53,280

so i think uh uh

1825

01:23:57,030 --> 01:23:56,000

i think the caller i forget is his his

1826
01:23:59,350 --> 01:23:57,040
tag name

1827
01:24:00,870 --> 01:23:59,360
you've been reading material that is

1828
01:24:03,750 --> 01:24:00,880
based on

1829
01:24:06,149 --> 01:24:03,760
speculation

1830
01:24:08,950 --> 01:24:06,159
exaggeration

1831
01:24:10,950 --> 01:24:08,960
sensationalism

1832
01:24:12,310 --> 01:24:10,960
but you won't find any

1833
01:24:15,110 --> 01:24:12,320
of that

1834
01:24:17,669 --> 01:24:15,120
idea that identifying number one that

1835
01:24:20,629 --> 01:24:17,679
those the the observation was actually

1836
01:24:22,790 --> 01:24:20,639
dark matter for sure for sure

1837
01:24:24,950 --> 01:24:22,800
and number two that nikolai tesla had a

1838
01:24:29,590 --> 01:24:24,960

theory of dark matter

1839

01:24:33,590 --> 01:24:31,270

are you saying that nikola tesla was

1840

01:24:35,590 --> 01:24:33,600

wrong or just uh didn't have no

1841

01:24:38,070 --> 01:24:35,600

information

1842

01:24:41,350 --> 01:24:38,080

yeah nikola tesla didn't have a theory

1843

01:24:47,910 --> 01:24:43,590

during his time we didn't even have the

1844

01:24:51,830 --> 01:24:49,590

that would result

1845

01:24:53,990 --> 01:24:51,840

in anyone trying to formulate a theory

1846

01:24:56,070 --> 01:24:54,000

of dark matter

1847

01:24:58,550 --> 01:24:56,080

we had to look far enough out in space

1848

01:25:00,070 --> 01:24:58,560

and have accurate enough measurements

1849

01:25:02,390 --> 01:25:00,080

that we were able to detect

1850

01:25:05,270 --> 01:25:02,400

gravitational lensing

1851

01:25:06,550 --> 01:25:05,280

that we were able to detect

1852

01:25:09,350 --> 01:25:06,560

and measure

1853

01:25:13,830 --> 01:25:09,360

the actual speed of motion not only of

1854

01:25:16,950 --> 01:25:13,840

our galaxies but of other galaxies

1855

01:25:20,149 --> 01:25:16,960

and come up with the understanding

1856

01:25:23,270 --> 01:25:20,159

that the way that they rotate and the

1857

01:25:25,270 --> 01:25:23,280

speed of which they're rotating is far

1858

01:25:27,750 --> 01:25:25,280

in excess

1859

01:25:32,149 --> 01:25:27,760

of what could be accounted for

1860

01:25:34,070 --> 01:25:32,159

by by the the classical model of gravity

1861

01:25:36,149 --> 01:25:34,080

this information wasn't available in

1862

01:25:37,270 --> 01:25:36,159

tesla's time

1863

01:25:39,590 --> 01:25:37,280

okay uh

1864

01:25:41,669 --> 01:25:39,600

of course you know uh in some of the

1865

01:25:44,629 --> 01:25:41,679

other alternative fields if you ever

1866

01:25:47,030 --> 01:25:44,639

watch the ancient aliens tv show

1867

01:25:49,750 --> 01:25:47,040

they say that aliens

1868

01:25:51,030 --> 01:25:49,760

gave nicola tesla everything that he he

1869

01:25:53,110 --> 01:25:51,040

knew

1870

01:25:55,189 --> 01:25:53,120

they fed it into his brain or something

1871

01:25:58,310 --> 01:25:55,199

i don't know well there's certainly milk

1872

01:26:00,790 --> 01:25:58,320

in that cow aren't they

1873

01:26:02,870 --> 01:26:00,800

yeah it's like you know uh

1874

01:26:06,470 --> 01:26:02,880

i'm not saying it's aliens but it's

1875

01:26:13,030 --> 01:26:08,870

so yeah there's a lot of there's a lot

1876

01:26:18,390 --> 01:26:15,110

lots of silly things

1877

01:26:19,350 --> 01:26:18,400

i was just talking to my wife and um

1878

01:26:21,750 --> 01:26:19,360

those

1879

01:26:23,910 --> 01:26:21,760

what's that discovery history channel

1880

01:26:25,910 --> 01:26:23,920

is where is it airing

1881

01:26:27,990 --> 01:26:25,920

it might be the hit i know one on

1882

01:26:30,390 --> 01:26:28,000

regular cable tv it's on the history

1883

01:26:32,149 --> 01:26:30,400

channel okay discovery

1884

01:26:33,270 --> 01:26:32,159

you know on the on the internet on

1885

01:26:35,430 --> 01:26:33,280

streaming

1886

01:26:37,750 --> 01:26:35,440

might contain it as well i don't know

1887

01:26:40,310 --> 01:26:37,760

well you know i like the fact that

1888

01:26:42,310 --> 01:26:40,320

you know a person that um you know just

1889

01:26:44,790 --> 01:26:42,320

might have some interest

1890

01:26:47,110 --> 01:26:44,800

will get them start thinking about ufos

1891

01:26:49,350 --> 01:26:47,120

and extra thresholds and all that but i

1892

01:26:50,790 --> 01:26:49,360

don't like the fact that it's based on

1893

01:26:52,229 --> 01:26:50,800

that

1894

01:26:54,470 --> 01:26:52,239

you know because yeah it's like i'm not

1895

01:26:55,270 --> 01:26:54,480

saying like you said it's that

1896

01:26:56,870 --> 01:26:55,280

you know

1897

01:26:58,790 --> 01:26:56,880

i'm not saying it's aliens but it's

1898

01:27:00,550 --> 01:26:58,800

aliens you know and so i watch something

1899

01:27:03,030 --> 01:27:00,560

else where they have all these theories

1900

01:27:04,950 --> 01:27:03,040

and it's like at this point until you

1901
01:27:07,350 --> 01:27:04,960
know one day they land themselves and

1902
01:27:10,070 --> 01:27:07,360
and prove everything wrong or right at

1903
01:27:11,830 --> 01:27:10,080
this point it's like they basically

1904
01:27:14,870 --> 01:27:11,840
they turn themselves into what i call

1905
01:27:17,110 --> 01:27:14,880
the new mtv where mtv used to do music

1906
01:27:19,350 --> 01:27:17,120
videos now it does nothing but reality

1907
01:27:21,830 --> 01:27:19,360
shows in some bs and then you have

1908
01:27:24,310 --> 01:27:21,840
history channels so during history they

1909
01:27:26,310 --> 01:27:24,320
turn themselves into basically like ufo

1910
01:27:27,110 --> 01:27:26,320
conspiracy stuff

1911
01:27:29,430 --> 01:27:27,120
yeah

1912
01:27:31,750 --> 01:27:29,440
it's all about entertainment

1913
01:27:33,830 --> 01:27:31,760

it's all about

1914

01:27:35,830 --> 01:27:33,840

yeah i wish it was done more more uh

1915

01:27:37,830 --> 01:27:35,840

factually that's what i'm trying to say

1916

01:27:40,470 --> 01:27:37,840

you know i mean i'm not i'm not saying

1917

01:27:42,390 --> 01:27:40,480

i'm not saying that

1918

01:27:43,430 --> 01:27:42,400

right well i'm gonna sell cornflakes

1919

01:27:45,830 --> 01:27:43,440

that way

1920

01:27:47,990 --> 01:27:45,840

that's the old saying in the in the tv

1921

01:27:51,750 --> 01:27:48,000

business with advertising a tv show got

1922

01:27:55,030 --> 01:27:51,760

to sell cornflakes right right right

1923

01:27:56,229 --> 01:27:55,040

flakes with reality they talk about the

1924

01:27:59,430 --> 01:27:56,239

you know the

1925

01:28:02,229 --> 01:27:59,440

the city of balbach

1926

01:28:04,390 --> 01:28:02,239

and they talk about the trilotons those

1927

01:28:06,629 --> 01:28:04,400

three giant stones

1928

01:28:09,830 --> 01:28:06,639

and you hear them talking about that

1929

01:28:15,110 --> 01:28:09,840

balbeck was built on the platform of

1930

01:28:17,590 --> 01:28:15,120

these stones it's an absolute lie

1931

01:28:19,910 --> 01:28:17,600

the turlotron stones in the foundation

1932

01:28:21,830 --> 01:28:19,920

of baalbeck are not

1933

01:28:24,310 --> 01:28:21,840

a platform

1934

01:28:26,550 --> 01:28:24,320

and this was one of their shows

1935

01:28:29,430 --> 01:28:26,560

oh yeah they talk about it or you find

1936

01:28:30,310 --> 01:28:29,440

it online you know it's a bunch of lies

1937

01:28:33,510 --> 01:28:30,320

you know

1938

01:28:36,629 --> 01:28:33,520

balbeck was built by my ancestors the

1939

01:28:40,310 --> 01:28:36,639

romans i'm fusco i'm italian

1940

01:28:42,470 --> 01:28:40,320

you know it was built by my ancestors in

1941

01:28:47,430 --> 01:28:42,480

historic times

1942

01:28:51,270 --> 01:28:47,440

and every engineer can tell you exactly

1943

01:28:52,950 --> 01:28:51,280

why they placed the trilotons

1944

01:28:55,430 --> 01:28:52,960

because it was to

1945

01:28:57,830 --> 01:28:55,440

prevent the city from sliding down the

1946

01:29:01,030 --> 01:28:57,840

hill

1947

01:29:04,310 --> 01:29:01,040

it's the same reason why my ancestors

1948

01:29:09,270 --> 01:29:04,320

the romans inherits time

1949

01:29:11,910 --> 01:29:09,280

put that giant 600 ton stone

1950

01:29:14,229 --> 01:29:11,920

in the foundation wall

1951

01:29:17,669 --> 01:29:14,239

of the second temple in jerusalem that

1952

01:29:19,830 --> 01:29:17,679

was built by my ancestors

1953

01:29:23,510 --> 01:29:19,840

they didn't want to talk about that and

1954

01:29:27,030 --> 01:29:23,520

in both the uh the instances of balbach

1955

01:29:29,590 --> 01:29:27,040

and in the instance of the temple

1956

01:29:32,229 --> 01:29:29,600

they know the quarries where the stones

1957

01:29:34,149 --> 01:29:32,239

were cut out of

1958

01:29:37,030 --> 01:29:34,159

they're nearby

1959

01:29:38,870 --> 01:29:37,040

they know where they are

1960

01:29:42,470 --> 01:29:38,880

so yeah if you're thinking of if you're

1961

01:29:44,629 --> 01:29:42,480

listening to ancient aliens oh

1962

01:29:45,990 --> 01:29:44,639

oh my goodness

1963

01:29:51,510 --> 01:29:46,000

uh

1964

01:29:55,350 --> 01:29:53,270

no maybe you should be i'll drop your

1965

01:29:56,550 --> 01:29:55,360

name or something

1966

01:29:59,350 --> 01:29:56,560

just kidding i don't have any

1967

01:30:05,430 --> 01:30:02,310

but you know it really is very difficult

1968

01:30:09,110 --> 01:30:05,440

for the general public

1969

01:30:11,750 --> 01:30:09,120

not only to sort out fact from fantasy

1970

01:30:14,550 --> 01:30:11,760

but also

1971

01:30:16,550 --> 01:30:14,560

to find the general public that actually

1972

01:30:18,310 --> 01:30:16,560

wants the facts

1973

01:30:21,030 --> 01:30:18,320

it's like that old movie that jack

1974

01:30:23,350 --> 01:30:21,040

nicholson was in where he's the military

1975

01:30:26,070 --> 01:30:23,360

guy and he yells in the in the courtroom

1976

01:30:29,110 --> 01:30:26,080

you can't handle that

1977

01:30:30,310 --> 01:30:29,120

yeah a few good men i loved that movie

1978

01:30:32,790 --> 01:30:30,320

yeah they

1979

01:30:34,470 --> 01:30:32,800

people don't want the truth when they're

1980

01:30:35,910 --> 01:30:34,480

looking at these shows

1981

01:30:37,270 --> 01:30:35,920

they want to be

1982

01:30:39,270 --> 01:30:37,280

excited

1983

01:30:41,830 --> 01:30:39,280

they want to think about

1984

01:30:46,830 --> 01:30:41,840

that they're learning something

1985

01:30:50,229 --> 01:30:46,840

that is contrary to the establishment

1986

01:30:52,870 --> 01:30:50,239

right it is based on

1987

01:30:55,510 --> 01:30:52,880

the philosophy of

1988

01:30:56,550 --> 01:30:55,520

rebellion

1989

01:30:57,590 --> 01:30:56,560

okay

1990

01:30:59,350 --> 01:30:57,600

well

1991

01:31:02,229 --> 01:30:59,360

people that are involved in paranormal

1992

01:31:04,229 --> 01:31:02,239

phenomena because they pursue

1993

01:31:05,590 --> 01:31:04,239

rebellious against the

1994

01:31:07,750 --> 01:31:05,600

mainstream

1995

01:31:10,149 --> 01:31:07,760

that they could become experts in

1996

01:31:12,470 --> 01:31:10,159

something with virtually no

1997

01:31:14,870 --> 01:31:12,480

credentials or education

1998

01:31:19,830 --> 01:31:14,880

that the rest of humanity is totally

1999

01:31:24,070 --> 01:31:22,149

okay i'm sorry i branded

2000

01:31:26,550 --> 01:31:24,080

that's all right you know

2001
01:31:27,750 --> 01:31:26,560
you got to speak your piece uh just real

2002
01:31:31,110 --> 01:31:27,760
quick i don't know if you changed your

2003
01:31:34,950 --> 01:31:31,120
mic we sound just a little bit distant

2004
01:31:37,669 --> 01:31:34,960
so the next question is from labeled369

2005
01:31:41,590 --> 01:31:37,679
she's asking is non-physical state

2006
01:31:41,600 --> 01:31:45,830
depends on where it originates

2007
01:31:48,950 --> 01:31:47,990
okay

2008
01:31:50,070 --> 01:31:48,960
and

2009
01:31:51,750 --> 01:31:50,080
what i mean

2010
01:31:54,310 --> 01:31:51,760
is is this

2011
01:31:56,390 --> 01:31:54,320
we know from the scientific information

2012
01:31:57,110 --> 01:31:56,400
that we have available to us now with

2013
01:32:00,950 --> 01:31:57,120

our

2014

01:32:07,030 --> 01:32:03,350

that thoughts exist in the brain

2015

01:32:10,870 --> 01:32:08,870

so thoughts are things thoughts are

2016

01:32:13,750 --> 01:32:10,880

physical

2017

01:32:16,629 --> 01:32:13,760

however when you start talking about

2018

01:32:20,149 --> 01:32:16,639

parapsychology

2019

01:32:21,669 --> 01:32:20,159

let's say remote viewing

2020

01:32:24,149 --> 01:32:21,679

now you're talking about something

2021

01:32:29,830 --> 01:32:26,390

because to make a long story short

2022

01:32:32,629 --> 01:32:29,840

there is no physical medium

2023

01:32:33,750 --> 01:32:32,639

by which information about the color in

2024

01:32:53,430 --> 01:32:33,760

a

2025

01:32:57,430 --> 01:32:53,440

then

2026

01:33:00,229 --> 01:32:57,440

when it drops into the mind

2027

01:33:01,830 --> 01:33:00,239

that information that non-physical

2028

01:33:05,510 --> 01:33:01,840

information

2029

01:33:10,629 --> 01:33:05,520

it materializes in the brain

2030

01:33:10,639 --> 01:33:14,709

wow

2031

01:33:14,719 --> 01:33:19,669

so psychic phenomena is also paranormal

2032

01:33:23,990 --> 01:33:21,669

in other words it behaves to the same

2033

01:33:26,870 --> 01:33:24,000

paranormal mechanics as paranormal

2034

01:33:29,750 --> 01:33:26,880

phenomena does it's a materialization of

2035

01:33:34,070 --> 01:33:29,760

information which occurred at the very

2036

01:33:39,030 --> 01:33:36,709

so that really is something else that's

2037

01:33:42,390 --> 01:33:39,040

revolutionary revolutionary about my

2038

01:33:44,870 --> 01:33:42,400

theory it allows us to

2039

01:33:46,310 --> 01:33:44,880

look at things in a new way where

2040

01:33:49,270 --> 01:33:46,320

everything all these things are

2041

01:33:55,189 --> 01:33:51,750

which adnan is one of the aspects of

2042

01:33:57,750 --> 01:33:56,149

people

2043

01:34:00,629 --> 01:33:57,760

wonder

2044

01:34:02,709 --> 01:34:00,639

well how can each spaceship come from

2045

01:34:05,270 --> 01:34:02,719

foreign galaxies or other places in the

2046

01:34:08,070 --> 01:34:05,280

galaxy there simply isn't sufficient

2047

01:34:10,950 --> 01:34:08,080

time and space to accommodate those

2048

01:34:14,149 --> 01:34:10,960

spaceships traveling physically through

2049

01:34:18,550 --> 01:34:16,390

well

2050

01:34:20,550 --> 01:34:18,560

if they

2051

01:34:23,430 --> 01:34:20,560

have mastered

2052

01:34:25,350 --> 01:34:23,440

what i call paranormal mechanics

2053

01:34:27,990 --> 01:34:25,360

they know how to de-materialize

2054

01:34:28,000 --> 01:34:32,950

and then project the information

2055

01:34:37,669 --> 01:34:35,110

just like the the person to ladies photo

2056

01:34:41,270 --> 01:34:37,679

i was talking about earlier

2057

01:34:43,750 --> 01:34:41,280

take the information and project it

2058

01:34:46,070 --> 01:34:43,760

to a location near our

2059

01:34:47,750 --> 01:34:46,080

our planet

2060

01:34:49,910 --> 01:34:47,760

with the proper

2061

01:34:51,109 --> 01:34:49,920

resonant frequency for the coordinate in

2062

01:34:52,629 --> 01:34:51,119

space

2063

01:34:57,270 --> 01:34:52,639

and then drop it back down and

2064

01:35:03,189 --> 01:35:00,470

and no more any need to figure out how

2065

01:35:08,390 --> 01:35:03,199

to build giant engines to bypass space

2066

01:35:11,830 --> 01:35:10,229

did that make sense

2067

01:35:15,030 --> 01:35:11,840

yeah

2068

01:35:16,310 --> 01:35:15,040

well thomas is there any uh last uh last

2069

01:35:20,229 --> 01:35:16,320

thoughts you want to leave us with

2070

01:35:25,910 --> 01:35:22,070

i have a lot of them but

2071

01:35:29,030 --> 01:35:27,750

last i doubt you'll have any last

2072

01:35:31,189 --> 01:35:29,040

thoughts

2073

01:35:33,669 --> 01:35:31,199

has everybody has everybody passed out

2074

01:35:36,550 --> 01:35:33,679

in the audience yet or

2075

01:35:38,629 --> 01:35:36,560

well uh no just uh whoever sometimes

2076

01:35:40,830 --> 01:35:38,639

asks questions sometimes they don't and

2077

01:35:44,390 --> 01:35:40,840

today they just seem to be

2078

01:35:46,229 --> 01:35:44,400

listening oh okay all right because i've

2079

01:35:50,310 --> 01:35:46,239

been told that sometimes some of the

2080

01:35:52,030 --> 01:35:50,320

material i talk about results into uh

2081

01:35:53,910 --> 01:35:52,040

um

2082

01:35:57,030 --> 01:35:53,920

involuntary

2083

01:35:59,109 --> 01:35:57,040

uh uh fetal positions and some [h__h]

2084

01:36:02,310 --> 01:35:59,119

uh thumb sucking

2085

01:36:04,070 --> 01:36:02,320

uh it has a tendency to just shake

2086

01:36:06,470 --> 01:36:04,080

everything up

2087

01:36:10,629 --> 01:36:07,669

but it is

2088

01:36:13,590 --> 01:36:10,639

so far to date the only scientifically

2089

01:36:16,950 --> 01:36:13,600

meaningful theory

2090

01:36:20,149 --> 01:36:16,960

that accommodates not only the

2091

01:36:21,750 --> 01:36:20,159

world of the supernatural

2092

01:36:26,070 --> 01:36:21,760

and the world

2093

01:36:30,629 --> 01:36:27,750

but also

2094

01:36:35,990 --> 01:36:32,470

principles

2095

01:36:41,030 --> 01:36:36,000

it encompasses it incorporates it into a

2096

01:36:46,790 --> 01:36:43,590

that not only explains paranormal

2097

01:36:51,270 --> 01:36:48,550

but it also

2098

01:36:55,350 --> 01:36:51,280

gives an explanation for

2099

01:36:57,270 --> 01:36:55,360

uh mysteries in physics like dark matter

2100

01:37:00,149 --> 01:36:57,280

and dark energy

2101

01:37:02,790 --> 01:37:00,159

dark energy is supposed to be the energy

2102

01:37:05,990 --> 01:37:02,800

that is continuing to expand the

2103

01:37:10,629 --> 01:37:08,310

in opposition

2104

01:37:13,750 --> 01:37:10,639

to the gravity

2105

01:37:15,189 --> 01:37:13,760

that exists in visible matter inside the

2106

01:37:17,750 --> 01:37:15,199

universe

2107

01:37:20,229 --> 01:37:17,760

that should be pulling

2108

01:37:23,590 --> 01:37:20,239

the edges of the universe back in on

2109

01:37:29,030 --> 01:37:26,149

so they just like dark matter they made

2110

01:37:31,350 --> 01:37:29,040

up an imaginary substance called dark

2111

01:37:32,870 --> 01:37:31,360

energy

2112

01:37:34,709 --> 01:37:32,880

and that's the force that's supposed to

2113

01:37:37,350 --> 01:37:34,719

be pushing out the

2114

01:37:42,629 --> 01:37:37,360

outside the universe nobody's seen it

2115

01:37:49,030 --> 01:37:45,990

according to my theory

2116

01:37:53,510 --> 01:37:49,040

the universe is still emerging from the

2117

01:37:58,310 --> 01:37:55,910

in other words the theory has caused me

2118

01:38:01,189 --> 01:37:58,320

to be able to make

2119

01:38:03,430 --> 01:38:01,199

a one state a one sentence statement

2120

01:38:05,510 --> 01:38:03,440

about the universe

2121

01:38:08,550 --> 01:38:05,520

that applies to all of it

2122

01:38:10,950 --> 01:38:08,560

that the universe is an expression of

2123

01:38:14,470 --> 01:38:10,960

materialized

2124

01:38:18,550 --> 01:38:14,480

and materializing

2125

01:38:18,560 --> 01:38:23,590

if the process wasn't still occurring

2126

01:38:28,470 --> 01:38:25,189

we wouldn't be able to explain

2127

01:38:31,030 --> 01:38:28,480

paranormal phenomena

2128

01:38:32,310 --> 01:38:31,040

the process wasn't still

2129

01:38:34,629 --> 01:38:32,320

occurring

2130

01:38:38,070 --> 01:38:34,639

we couldn't explain

2131

01:38:42,229 --> 01:38:38,080

the gravitational lensing that we see in

2132

01:38:48,149 --> 01:38:46,470

without needing a material

2133

01:38:51,430 --> 01:38:48,159

to explain it

2134

01:38:54,629 --> 01:38:51,440

but if the universe is still emerging

2135

01:38:56,830 --> 01:38:54,639

then it is still creating the same kind

2136

01:38:58,790 --> 01:38:56,840

of space-time

2137

01:39:01,430 --> 01:38:58,800

bubble

2138

01:39:05,109 --> 01:39:01,440

that occurred at its very beginning

2139

01:39:06,629 --> 01:39:05,119

where space and time had a gravitational

2140

01:39:09,109 --> 01:39:06,639

field

2141

01:39:11,109 --> 01:39:09,119

without having any material content in

2142

01:39:15,030 --> 01:39:11,119

it yet

2143

01:39:17,189 --> 01:39:15,040

um that's another dirty little secret

2144

01:39:19,430 --> 01:39:17,199

uh about physics

2145

01:39:21,830 --> 01:39:19,440

this is why einstein

2146

01:39:23,189 --> 01:39:21,840

pounded his head to try to come up with

2147

01:39:25,109 --> 01:39:23,199

a structure

2148

01:39:27,830 --> 01:39:25,119

in space-time

2149

01:39:29,350 --> 01:39:27,840

that could generate a gravitational

2150

01:39:32,950 --> 01:39:29,360

field

2151

01:39:35,270 --> 01:39:32,960

without having the presence

2152

01:39:37,669 --> 01:39:35,280

of physical matter to bend the space to

2153

01:39:40,149 --> 01:39:37,679

make the field

2154

01:39:42,709 --> 01:39:40,159

that's why he and dr rosen came up with

2155

01:39:45,669 --> 01:39:42,719

the einstein rosen bridge

2156

01:39:48,229 --> 01:39:45,679

it defines a structure in space time

2157

01:39:50,629 --> 01:39:48,239

that can have a gravitational field

2158

01:39:55,030 --> 01:39:50,639

without having adjacent

2159

01:39:59,030 --> 01:39:56,550

and so

2160

01:40:00,390 --> 01:39:59,040

if the universe is still emerging from

2161

01:40:03,109 --> 01:40:00,400

the big bang

2162

01:40:04,629 --> 01:40:03,119

which i believe it is there is no reason

2163

01:40:06,390 --> 01:40:04,639

to invent

2164

01:40:08,470 --> 01:40:06,400

dark matter

2165

01:40:10,790 --> 01:40:08,480

and there's no reason to invent dark

2166

01:40:14,950 --> 01:40:10,800

energy

2167

01:40:20,070 --> 01:40:17,510

i'm sorry go ahead no no i i thought you

2168

01:40:22,550 --> 01:40:20,080

were you were pausing the positive

2169

01:40:25,109 --> 01:40:22,560

finishes up but please go ahead

2170

01:40:26,629 --> 01:40:25,119

well this guy please shut up i gotta go

2171

01:40:28,709 --> 01:40:26,639

to the can man

2172

01:40:31,430 --> 01:40:28,719

no that wasn't it you paused long enough

2173

01:40:32,709 --> 01:40:31,440

for me thinking that i need to interject

2174

01:40:35,030 --> 01:40:32,719

uh

2175

01:40:37,189 --> 01:40:35,040

another thing that it explains is the

2176

01:40:41,270 --> 01:40:37,199

two slit experiment

2177

01:40:42,629 --> 01:40:41,280

and it provides you know it provides a

2178

01:40:44,070 --> 01:40:42,639

solid

2179

01:40:45,510 --> 01:40:44,080

model

2180

01:40:47,590 --> 01:40:45,520

for

2181

01:40:49,669 --> 01:40:47,600

what um

2182

01:40:51,510 --> 01:40:49,679

david finkelstein

2183

01:40:53,270 --> 01:40:51,520

physicist able to think david

2184

01:40:55,830 --> 01:40:53,280

finkelstein called coherent

2185

01:40:58,229 --> 01:40:55,840

superpositions

2186

01:41:00,149 --> 01:40:58,239

which is what he i call this super

2187

01:41:02,950 --> 01:41:00,159

geometric structure

2188

01:41:05,270 --> 01:41:02,960

that is non-physical but exists above

2189

01:41:07,590 --> 01:41:05,280

the physical and is part of the physical

2190

01:41:09,990 --> 01:41:07,600

david baum these are mainstream

2191

01:41:12,629 --> 01:41:10,000

physicists they're not uh

2192

01:41:13,669 --> 01:41:12,639

sucralose over on ancient aliens you

2193

01:41:16,470 --> 01:41:13,679

know

2194

01:41:20,470 --> 01:41:16,480

these are mainstream famous physicists

2195

01:41:23,270 --> 01:41:20,480

uh um david baum

2196

01:41:27,030 --> 01:41:23,280

called it implicat order

2197

01:41:29,270 --> 01:41:27,040

that gave rise to the explicate order of

2198

01:41:33,030 --> 01:41:29,280

the physical universe

2199

01:41:35,750 --> 01:41:33,040

if you get into parapsychology

2200

01:41:37,590 --> 01:41:35,760

and you run into the writings of edgar

2201
01:41:42,149 --> 01:41:37,600

cayce

2202
01:41:47,910 --> 01:41:44,950

so there's been many names for it

2203
01:41:50,070 --> 01:41:47,920

you know if you go into christianity

2204
01:41:54,470 --> 01:41:50,080

and look at the mystical aspects of it

2205
01:41:57,750 --> 01:41:55,669

that

2206
01:41:59,510 --> 01:41:57,760

the universe was created when god

2207
01:42:02,390 --> 01:41:59,520

created the universe

2208
01:42:04,790 --> 01:42:02,400

it was a void and formless mass it was

2209
01:42:06,390 --> 01:42:04,800

like raw clay

2210
01:42:09,270 --> 01:42:06,400

and then

2211
01:42:11,910 --> 01:42:09,280

he spoke the word

2212
01:42:15,510 --> 01:42:11,920

he spoke the order the information the

2213
01:42:18,830 --> 01:42:15,520

structure let there be light

2214

01:42:22,390 --> 01:42:18,840

and it took the pre-creational clay and

2215

01:42:23,669 --> 01:42:22,400

materialized it into a definite form

2216

01:42:27,030 --> 01:42:23,679

that had

2217

01:42:29,510 --> 01:42:27,040

spatial and temporal dimensions

2218

01:42:30,950 --> 01:42:29,520

the theory joins all of these works

2219

01:42:34,470 --> 01:42:30,960

together

2220

01:42:36,950 --> 01:42:34,480

uh including parapsychology and

2221

01:42:43,510 --> 01:42:39,350

and so anyway that's my

2222

01:42:46,310 --> 01:42:43,520

that's my story and i'm sticking to it

2223

01:42:48,390 --> 01:42:46,320

well thomas i'm certainly very happy to

2224

01:42:50,229 --> 01:42:48,400

to be able to see you coming up in april

2225

01:42:51,990 --> 01:42:50,239

i know it's been a long time

2226

01:42:53,990 --> 01:42:52,000

and this time i'm doing all the

2227

01:42:56,149 --> 01:42:54,000

interviews like this and i'll be doing

2228

01:42:58,709 --> 01:42:56,159

all those ahead of time so i'm not going

2229

01:43:00,149 --> 01:42:58,719

to be literally like super busy like i

2230

01:43:00,950 --> 01:43:00,159

used to be from

2231

01:43:02,709 --> 01:43:00,960

six

2232

01:43:05,189 --> 01:43:02,719

when i'm at these conferences i get to

2233

01:43:06,790 --> 01:43:05,199

about to couple days ahead of time you

2234

01:43:08,709 --> 01:43:06,800

know with the crew and setting up and

2235

01:43:12,790 --> 01:43:08,719

all of that so it's usually from like

2236

01:43:13,750 --> 01:43:12,800

six a.m until pretty much maybe 10 11 is

2237

01:43:16,149 --> 01:43:13,760

when i'm

2238

01:43:19,030 --> 01:43:16,159

kind of finally done doing what needs to

2239

01:43:20,629 --> 01:43:19,040

get done and that each day that includes

2240

01:43:22,229 --> 01:43:20,639

going back to the conference center

2241

01:43:23,910 --> 01:43:22,239

messing up with anything

2242

01:43:25,830 --> 01:43:23,920

if there's any issues with the audio

2243

01:43:27,750 --> 01:43:25,840

video then go back and do interviews and

2244

01:43:29,830 --> 01:43:27,760

then finish that up go back and forth so

2245

01:43:31,590 --> 01:43:29,840

anyway long story short i'm going to

2246

01:43:33,910 --> 01:43:31,600

have time and so i'm really hoping and

2247

01:43:36,709 --> 01:43:33,920

you and i can catch up because it's been

2248

01:43:39,750 --> 01:43:36,719

what uh eight years so far

2249

01:43:41,990 --> 01:43:39,760

oh it's been a while i haven't counted

2250

01:43:43,669 --> 01:43:42,000

for 14. i've finally gotten over the

2251

01:43:47,510 --> 01:43:43,679

pain of the uh

2252

01:43:49,830 --> 01:43:47,520

after effects of the last symposium

2253

01:43:52,950 --> 01:43:49,840

but that's another story all together

2254

01:43:56,149 --> 01:43:52,960

but yeah and adnan according to the

2255

01:43:58,470 --> 01:43:56,159

ufo conference uh website i have been

2256

01:44:00,790 --> 01:43:58,480

granted the honor

2257

01:44:02,229 --> 01:44:00,800

of being the very first speaker on the

2258

01:44:04,310 --> 01:44:02,239

roster

2259

01:44:07,669 --> 01:44:04,320

i don't know i think somebody had

2260

01:44:09,109 --> 01:44:07,679

something to do with that

2261

01:44:11,590 --> 01:44:09,119

because you know i'm part of the

2262

01:44:14,870 --> 01:44:11,600

scheduling team too so if you want to

2263

01:44:18,950 --> 01:44:14,880

ask me the reason why you know i thought

2264

01:44:23,910 --> 01:44:21,590

all right well i'm i'm honored to kick

2265

01:44:25,830 --> 01:44:23,920

off the off the program

2266

01:44:26,870 --> 01:44:25,840

uh so that uh

2267

01:44:33,510 --> 01:44:26,880

uh

2268

01:44:35,830 --> 01:44:33,520

intermingle with it with the crowd right

2269

01:44:39,430 --> 01:44:35,840

and i'll try and i'll try not to harm

2270

01:44:40,629 --> 01:44:39,440

anybody's brain doing it

2271

01:44:41,830 --> 01:44:40,639

well um

2272

01:44:44,950 --> 01:44:41,840

so

2273

01:44:46,550 --> 01:44:44,960

along with myself uh most of you that

2274

01:44:49,830 --> 01:44:46,560

would like to attend you'll be able to

2275

01:44:52,790 --> 01:44:49,840

see and and at least uh in the hallways

2276

01:44:55,669 --> 01:44:52,800

chat up with with thomas a little bit

2277

01:44:58,310 --> 01:44:55,679

if you uh choose to attend the the ozark

2278

01:45:00,950 --> 01:44:58,320

ufo conference that's coming up april

2279

01:45:03,669 --> 01:45:00,960

8th till till 10th as i mentioned in the

2280

01:45:07,189 --> 01:45:03,679

very beginning there are no restrictions

2281

01:45:10,310 --> 01:45:07,199

and so um they've just now really become

2282

01:45:12,470 --> 01:45:10,320

begun to just heavily advertise and uh

2283

01:45:14,310 --> 01:45:12,480

just sending out as much information

2284

01:45:16,550 --> 01:45:14,320

about it because the

2285

01:45:19,189 --> 01:45:16,560

the company has received a lot of calls

2286

01:45:20,790 --> 01:45:19,199

and a lot of people um wanted to come

2287

01:45:23,270 --> 01:45:20,800

but it was under the stipulation that

2288

01:45:25,590 --> 01:45:23,280

there was no restrictions and that was

2289

01:45:27,030 --> 01:45:25,600

the intention from the get-go we they

2290

01:45:29,430 --> 01:45:27,040

were just basically waiting from the

2291

01:45:31,750 --> 01:45:29,440

hotel to see if they were going to

2292

01:45:33,510 --> 01:45:31,760

change anything or if the town of eureka

2293

01:45:35,910 --> 01:45:33,520

springs was going to

2294

01:45:37,590 --> 01:45:35,920

impose something and as of right now it

2295

01:45:39,910 --> 01:45:37,600

doesn't look like it and

2296

01:45:40,709 --> 01:45:39,920

if anything it's going the opposite way

2297

01:45:41,750 --> 01:45:40,719

so

2298

01:45:43,109 --> 01:45:41,760

um

2299

01:45:45,910 --> 01:45:43,119

as i mentioned also in the very

2300

01:45:47,990 --> 01:45:45,920

beginning if you comment in the comment

2301
01:45:49,910 --> 01:45:48,000
section and like this video

2302
01:45:53,030 --> 01:45:49,920
make sure you leave

2303
01:45:54,870 --> 01:45:53,040
a hashtag ozark2022

2304
01:45:57,669 --> 01:45:54,880
the exact spelling is in the description

2305
01:46:02,390 --> 01:45:57,679
as well so that that way come march 9th

2306
01:46:04,310 --> 01:46:02,400
i would be randomly selecting a video

2307
01:46:05,830 --> 01:46:04,320
leading all the way from i think when i

2308
01:46:09,030 --> 01:46:05,840
first started about

2309
01:46:10,870 --> 01:46:09,040
last week i think yeah last week

2310
01:46:14,229 --> 01:46:10,880
all the way up until ninth i will be

2311
01:46:17,270 --> 01:46:14,239
picking a random video and then doing a

2312
01:46:19,430 --> 01:46:17,280
random selection of whoever had the

2313
01:46:21,750 --> 01:46:19,440

hashtag in the comment section so you

2314

01:46:23,350 --> 01:46:21,760

can win two tickets to the eureka

2315

01:46:27,669 --> 01:46:23,360

springs

2316

01:46:30,229 --> 01:46:27,679

ozark ufo conference so um

2317

01:46:32,950 --> 01:46:30,239

in the description also thomas's website

2318

01:46:33,990 --> 01:46:32,960

link to his books on amazon and barnes

2319

01:46:36,950 --> 01:46:34,000

and noble

2320

01:46:38,950 --> 01:46:36,960

please do check that out as well so next

2321

01:46:41,590 --> 01:46:38,960

week i'm going to have another guest

2322

01:46:44,629 --> 01:46:41,600

nick pope he's going to be on next

2323

01:46:46,550 --> 01:46:44,639

friday at seven so basically i'm hoping

2324

01:46:48,629 --> 01:46:46,560

to get through all the speakers before

2325

01:46:52,229 --> 01:46:48,639

the conference actually starts

2326

01:46:54,470 --> 01:46:52,239

so um thomas thank you very much i'm

2327

01:46:56,629 --> 01:46:54,480

really looking forward to to seeing you

2328

01:46:58,550 --> 01:46:56,639

again and again thank you for tonight

2329

01:47:01,270 --> 01:46:58,560

everyone else watching i really
