

UFO HUB

LIVE STREAM

1
00:00:09,920 --> 00:00:32,880
do

2
00:00:32,890 --> 00:01:08,230
[Music]

3
00:01:12,550 --> 00:01:10,469
hey everyone welcome to your fab live

4
00:01:15,990 --> 00:01:12,560
stream today's guests are going to be

5
00:01:17,670 --> 00:01:16,000
ron meyer and ellen mcgargle and

6
00:01:19,670 --> 00:01:17,680
i'm very excited to talk to you guys

7
00:01:21,910 --> 00:01:19,680
today and to interview them as well

8
00:01:24,630 --> 00:01:21,920
because this almost didn't happen

9
00:01:27,270 --> 00:01:24,640
because just roughly about half hour ago

10
00:01:29,429 --> 00:01:27,280
i was stuck in a ditch uh hit an ice

11
00:01:31,910 --> 00:01:29,439
patch and there was nothing i could do

12
00:01:34,069 --> 00:01:31,920
so anyway it got worked out i'm here now

13
00:01:36,230 --> 00:01:34,079

so i'm glad i didn't have to do another

14

00:01:37,910 --> 00:01:36,240

cancellation which i would hate to do

15

00:01:41,670 --> 00:01:37,920

anyway so

16

00:01:43,429 --> 00:01:41,680

uh later on today uh or i should say

17

00:01:45,990 --> 00:01:43,439

maybe about 40 minutes into it we're

18

00:01:47,510 --> 00:01:46,000

going to start a q a so for those of you

19

00:01:48,550 --> 00:01:47,520

who would like to ask the guests some

20

00:01:50,230 --> 00:01:48,560

questions

21

00:01:52,710 --> 00:01:50,240

you can simply put

22

00:01:53,830 --> 00:01:52,720

three asterisks before your question in

23

00:01:54,710 --> 00:01:53,840

the

24

00:01:57,109 --> 00:01:54,720

chat

25

00:01:57,990 --> 00:01:57,119

whether you're on youtube or twitch or

26

00:01:59,510 --> 00:01:58,000

you can

27

00:02:01,749 --> 00:01:59,520

take the

28

00:02:03,270 --> 00:02:01,759

download the telegram app and talk to

29

00:02:05,350 --> 00:02:03,280

the guest directly and ask some

30

00:02:06,469 --> 00:02:05,360

questions that way all the links for the

31

00:02:08,869 --> 00:02:06,479

telegram

32

00:02:10,469 --> 00:02:08,879

app are in the description below and so

33

00:02:11,990 --> 00:02:10,479

about 40 minutes should be enough time

34

00:02:12,869 --> 00:02:12,000

for you to install it in case you don't

35

00:02:15,750 --> 00:02:12,879

have it

36

00:02:18,070 --> 00:02:15,760

uh other than that uh both of them are

37

00:02:19,990 --> 00:02:18,080

going to be speakers at the ozark

38

00:02:23,190 --> 00:02:20,000

mountain ufo conference this year that's

39

00:02:23,990 --> 00:02:23,200

going to be in april from 8th till 10th

40

00:02:26,309 --> 00:02:24,000

and

41

00:02:29,670 --> 00:02:26,319

you will have an opportunity to win two

42

00:02:32,190 --> 00:02:29,680

tickets if in the comments if you put in

43

00:02:36,150 --> 00:02:32,200

any kind of comment with hashtag

44

00:02:38,710 --> 00:02:36,160

ozark2022 and march 9th i will be using

45

00:02:41,750 --> 00:02:38,720

a automatic or an algorithm to basically

46

00:02:43,910 --> 00:02:41,760

pick uh pick a winner and you could be

47

00:02:46,630 --> 00:02:43,920

the lucky one so

48

00:02:48,550 --> 00:02:46,640

again like the video comment hashtag

49

00:02:51,990 --> 00:02:48,560

ozark2022

50

00:02:54,070 --> 00:02:52,000

and um good luck uh if you don't want to

51
00:02:56,309 --> 00:02:54,080
wait and you're not sure that you'll be

52
00:02:58,229 --> 00:02:56,319
able to win there's always this uh the

53
00:03:00,229 --> 00:02:58,239
link in the description below where you

54
00:03:02,949 --> 00:03:00,239
can just go and register for your

55
00:03:04,470 --> 00:03:02,959
tickets and uh about a it's roughly

56
00:03:05,750 --> 00:03:04,480
about a month from now that the

57
00:03:08,070 --> 00:03:05,760
conference will be happening so we'll

58
00:03:09,670 --> 00:03:08,080
give you enough time to get to hotel

59
00:03:12,070 --> 00:03:09,680
ready and

60
00:03:14,869 --> 00:03:12,080
figure out travel arrangements as well

61
00:03:18,309 --> 00:03:14,879
so uh also as always in the description

62
00:03:21,509 --> 00:03:18,319
i have ellen's imdb and uh not ellen's

63
00:03:23,990 --> 00:03:21,519

i'm sorry ron's imdb page and some of

64

00:03:25,910 --> 00:03:24,000

other trailers and films that they

65

00:03:27,990 --> 00:03:25,920

wanted to share with all of you so

66

00:03:29,910 --> 00:03:28,000

please do check those out and see what

67

00:03:32,789 --> 00:03:29,920

they're all about

68

00:03:35,750 --> 00:03:32,799

okay so welcome all of you i can see the

69

00:03:37,190 --> 00:03:35,760

the chat room already filling up so

70

00:03:39,030 --> 00:03:37,200

it's the first time that i'm actually

71

00:03:41,030 --> 00:03:39,040

gonna have two guests at the same time

72

00:03:43,350 --> 00:03:41,040

as most of you know that watch this

73

00:03:45,190 --> 00:03:43,360

often so i'm hoping everything goes

74

00:03:46,949 --> 00:03:45,200

without a hitch but we'll see what

75

00:03:49,030 --> 00:03:46,959

happens so

76
00:03:51,430 --> 00:03:49,040
let me bring in ron and alan uh welcome

77
00:03:53,589 --> 00:03:51,440
how are you both

78
00:03:56,070 --> 00:03:53,599
double trouble tonight huh

79
00:03:58,710 --> 00:03:56,080
right well i'm glad that we're able to

80
00:04:02,309 --> 00:03:58,720
to make this happen and um i guess it

81
00:04:03,910 --> 00:04:02,319
was i always love a um you know uh

82
00:04:06,789 --> 00:04:03,920
i initially was thinking about doing

83
00:04:09,030 --> 00:04:06,799
that but i didn't have a kind of a drive

84
00:04:10,229 --> 00:04:09,040
or a need for it and then when this came

85
00:04:11,910 --> 00:04:10,239
up i was like this is perfect

86
00:04:14,309 --> 00:04:11,920
opportunity to finally get off my butt

87
00:04:17,670 --> 00:04:14,319
and do it so i'm glad that it looks as

88
00:04:19,909 --> 00:04:17,680

the system is handling it so

89

00:04:22,550 --> 00:04:19,919

yeah well so what i wanted to do is uh i

90

00:04:24,310 --> 00:04:22,560

figured uh let's start with uh with ron

91

00:04:25,990 --> 00:04:24,320

if you could please give us a little bit

92

00:04:28,790 --> 00:04:26,000

of your background information and then

93

00:04:30,550 --> 00:04:28,800

we'll go over to allen

94

00:04:32,310 --> 00:04:30,560

so i've been in the production

95

00:04:35,350 --> 00:04:32,320

entertainment business since

96

00:04:38,150 --> 00:04:35,360

the 70s i started in public television

97

00:04:40,710 --> 00:04:38,160

i transitioned in the

98

00:04:42,390 --> 00:04:40,720

in the 80s to

99

00:04:43,909 --> 00:04:42,400

i'm acquiring a small distribution

100

00:04:46,230 --> 00:04:43,919

company and became

101

00:04:47,749 --> 00:04:46,240

a minor player in the whole

102

00:04:50,390 --> 00:04:47,759

growth of cable

103

00:04:52,550 --> 00:04:50,400

uh did discoveries first feature film

104

00:04:54,390 --> 00:04:52,560

discovery communications

105

00:04:56,550 --> 00:04:54,400

i did a lot of series i've been doing a

106

00:04:58,950 --> 00:04:56,560

lot of educational material

107

00:05:00,790 --> 00:04:58,960

and about five six years ago i was hired

108

00:05:01,830 --> 00:05:00,800

to produce a

109

00:05:03,909 --> 00:05:01,840

series

110

00:05:05,909 --> 00:05:03,919

for the largest independent dvd

111

00:05:07,270 --> 00:05:05,919

distributor on

112

00:05:09,590 --> 00:05:07,280

on

113

00:05:11,029 --> 00:05:09,600

what what the phenomena

114

00:05:13,189 --> 00:05:11,039
of bigfoot

115

00:05:14,469 --> 00:05:13,199
and that took me down a path of

116

00:05:16,150 --> 00:05:14,479
getting quite interested in the

117

00:05:18,310 --> 00:05:16,160
paranormal and

118

00:05:20,230 --> 00:05:18,320
and subsequently i

119

00:05:22,550 --> 00:05:20,240
realized that a lot of people

120

00:05:23,670 --> 00:05:22,560
who had experiences of bigfoot claimed

121

00:05:25,430 --> 00:05:23,680
they did

122

00:05:26,150 --> 00:05:25,440
that they had this characteristic that

123

00:05:28,150 --> 00:05:26,160
they

124

00:05:30,710 --> 00:05:28,160
there was something really strange about

125

00:05:33,510 --> 00:05:30,720
the the occurrences of bigfoot something

126
00:05:35,430 --> 00:05:33,520
you could describe as parapsychical or

127
00:05:37,350 --> 00:05:35,440
not quite the hairy beast that most

128
00:05:38,950 --> 00:05:37,360
people were searching

129
00:05:41,029 --> 00:05:38,960
and at one point one of the people i

130
00:05:44,230 --> 00:05:41,039
interviewed said well i think

131
00:05:46,550 --> 00:05:44,240
bigfoot is is some sort of alien kind of

132
00:05:48,710 --> 00:05:46,560
kind of creature with a lot of unusual

133
00:05:50,469 --> 00:05:48,720
paranormal capabilities

134
00:05:53,029 --> 00:05:50,479
and so i had to then

135
00:05:55,749 --> 00:05:53,039
move forward and do a uh

136
00:05:58,629 --> 00:05:55,759
a movie documentary feature called the

137
00:06:01,510 --> 00:05:58,639
bigfoot alien connection revealed

138
00:06:03,830 --> 00:06:01,520

uh to explore that possibility what

139

00:06:06,830 --> 00:06:03,840

what's that about what what might it be

140

00:06:09,430 --> 00:06:06,840

that the connection between bigfoot and

141

00:06:12,950 --> 00:06:09,440

extraterrestrials and uh

142

00:06:15,270 --> 00:06:12,960

and and in the process of uh producing

143

00:06:16,150 --> 00:06:15,280

the chasing bigfoot this original series

144

00:06:23,270 --> 00:06:16,160

i

145

00:06:25,430 --> 00:06:23,280

and then

146

00:06:26,950 --> 00:06:25,440

he my daughter was producing helping

147

00:06:29,270 --> 00:06:26,960

produce the series

148

00:06:31,510 --> 00:06:29,280

they met and fell in love and then

149

00:06:34,070 --> 00:06:31,520

i dragged allen from being a

150

00:06:35,990 --> 00:06:34,080

creature of chasing harry

151
00:06:37,029 --> 00:06:36,000
creatures in the woods to a paranormal

152
00:06:38,309 --> 00:06:37,039
guy and

153
00:06:39,909 --> 00:06:38,319
now he's he's

154
00:06:42,710 --> 00:06:39,919
he's said to flip and he's on the other

155
00:06:48,950 --> 00:06:44,469
great thank you ron

156
00:06:50,950 --> 00:06:48,960
so ellen uh uh what do you have to say

157
00:06:52,390 --> 00:06:50,960
yeah so i've been uh doing paranormal

158
00:06:54,150 --> 00:06:52,400
investigating for

159
00:06:56,309 --> 00:06:54,160
almost 20 years now

160
00:06:57,990 --> 00:06:56,319
the last 13 years i've been doing

161
00:07:01,029 --> 00:06:58,000
bigfoot investigating

162
00:07:03,589 --> 00:07:01,039
i worked with the bfro in ohio the

163
00:07:06,230 --> 00:07:03,599

bigfoot field researchers organization

164

00:07:08,390 --> 00:07:06,240

for a number of years i was a um

165

00:07:11,110 --> 00:07:08,400

the av guy actually for the ohio bigfoot

166

00:07:11,990 --> 00:07:11,120

conference that's again where i met ron

167

00:07:15,670 --> 00:07:12,000

and

168

00:07:18,070 --> 00:07:15,680

films with him

169

00:07:20,230 --> 00:07:18,080

but yeah i've been um sort of into this

170

00:07:22,390 --> 00:07:20,240

subject since i was a kid and

171

00:07:24,150 --> 00:07:22,400

it interests me and now i'm having my

172

00:07:26,070 --> 00:07:24,160

own experiences and

173

00:07:28,790 --> 00:07:26,080

it's been a lot of fun but also very

174

00:07:30,469 --> 00:07:28,800

interesting and i feel like we're slowly

175

00:07:32,550 --> 00:07:30,479

unraveling the mystery of the world but

176

00:07:34,950 --> 00:07:32,560

we'll see

177

00:07:36,950 --> 00:07:34,960

great thank you for that well so without

178

00:07:38,710 --> 00:07:36,960

getting i guess into too much of the

179

00:07:40,230 --> 00:07:38,720

information and giving away too much

180

00:07:42,469 --> 00:07:40,240

because obviously there's still a

181

00:07:45,670 --> 00:07:42,479

presentation that you guys gonna give at

182

00:07:47,189 --> 00:07:45,680

the ozark conference um can you at least

183

00:07:49,909 --> 00:07:47,199

one of you whichever one would like to

184

00:07:52,469 --> 00:07:49,919

start this off regarding you know this

185

00:07:55,670 --> 00:07:52,479

very title of opening an alien portal uh

186

00:07:58,150 --> 00:07:55,680

can you tell us a little bit about that

187

00:08:00,710 --> 00:07:58,160

sure i could start that out

188

00:08:03,430 --> 00:08:00,720

in the in the production of the

189

00:08:04,869 --> 00:08:03,440

bigfoot alien connection film we came

190

00:08:07,270 --> 00:08:04,879

across three

191

00:08:08,070 --> 00:08:07,280

situations or places

192

00:08:10,390 --> 00:08:08,080

that

193

00:08:11,510 --> 00:08:10,400

we began to label as paranormal hot

194

00:08:13,589 --> 00:08:11,520

spots

195

00:08:16,230 --> 00:08:13,599

one was in dulce new mexico a very

196

00:08:18,309 --> 00:08:16,240

famous place where a lot of paranormal

197

00:08:20,790 --> 00:08:18,319

activity was going on

198

00:08:23,589 --> 00:08:20,800

and then there's one up in uh

199

00:08:25,510 --> 00:08:23,599

in montana run by joe hauser

200

00:08:27,110 --> 00:08:25,520

is it the house of mystery

201
00:08:28,469 --> 00:08:27,120
inland is that yeah

202
00:08:30,550 --> 00:08:28,479
and then and then there's a very

203
00:08:31,830 --> 00:08:30,560
extraordinary one that's

204
00:08:34,790 --> 00:08:31,840
that's in

205
00:08:37,110 --> 00:08:34,800
oregon it was called the owl moon lab

206
00:08:42,389 --> 00:08:37,120
and they had every form of paranormal

207
00:08:47,430 --> 00:08:45,269
bigfoot encounters gifting

208
00:08:50,550 --> 00:08:47,440
uh

209
00:08:52,630 --> 00:08:50,560
unusual objects showing up a shed where

210
00:08:54,230 --> 00:08:52,640
they could record sounds when nothing

211
00:08:56,070 --> 00:08:54,240
was in there it sounded like people were

212
00:08:56,949 --> 00:08:56,080
going crazy

213
00:08:59,190 --> 00:08:56,959

so

214

00:09:00,790 --> 00:08:59,200

and then we hooked up with tom powell

215

00:09:02,790 --> 00:09:00,800

who was one of the

216

00:09:05,110 --> 00:09:02,800

early proponents of this idea that there

217

00:09:06,470 --> 00:09:05,120

are places on the planet

218

00:09:09,110 --> 00:09:06,480

where not more

219

00:09:10,790 --> 00:09:09,120

when we're paranormal activities are

220

00:09:11,990 --> 00:09:10,800

occurring

221

00:09:14,150 --> 00:09:12,000

over

222

00:09:15,910 --> 00:09:14,160

a period of time and there are many of

223

00:09:17,430 --> 00:09:15,920

them and they keep growing

224

00:09:20,389 --> 00:09:17,440

and then of course the most famous one

225

00:09:23,350 --> 00:09:20,399

is this king skinwalker ranch in utah

226

00:09:26,310 --> 00:09:23,360

so we had the idea that

227

00:09:28,630 --> 00:09:26,320

let's see if we could do a movie about

228

00:09:30,150 --> 00:09:28,640

paranormal hot spots

229

00:09:32,310 --> 00:09:30,160

and uh

230

00:09:35,430 --> 00:09:32,320

we created a movie called the

231

00:09:37,110 --> 00:09:35,440

alien contact in the rockies in which we

232

00:09:38,389 --> 00:09:37,120

did two things we looked at one

233

00:09:40,870 --> 00:09:38,399

possibility

234

00:09:44,230 --> 00:09:40,880

of how one was growing and the other was

235

00:09:47,269 --> 00:09:44,240

can we create one ourselves

236

00:09:51,350 --> 00:09:48,389

interesting

237

00:09:54,150 --> 00:09:51,360

so it was um during this time was uh you

238

00:09:56,389 --> 00:09:54,160

said ellen was with you

239

00:09:58,550 --> 00:09:56,399

allen's been my main paranormal guy he's

240

00:10:00,470 --> 00:09:58,560

kind of become a sensitive that was one

241

00:10:02,310 --> 00:10:00,480

of the other things we learned is that

242

00:10:04,470 --> 00:10:02,320

there are some people

243

00:10:06,150 --> 00:10:04,480

who seem to be magnus for this kind of

244

00:10:07,990 --> 00:10:06,160

phenomenon i think that's been

245

00:10:09,509 --> 00:10:08,000

historically forever

246

00:10:11,430 --> 00:10:09,519

that you know they whether they were

247

00:10:13,030 --> 00:10:11,440

religious encounters

248

00:10:14,389 --> 00:10:13,040

back in the day and some of them

249

00:10:15,829 --> 00:10:14,399

actually started

250

00:10:18,150 --> 00:10:15,839

religions

251

00:10:20,870 --> 00:10:18,160

and of course there's been a lot of

252

00:10:22,949 --> 00:10:20,880

reports of famous scientists who

253

00:10:23,670 --> 00:10:22,959

had these kind of contact experiences

254

00:10:25,750 --> 00:10:23,680

and

255

00:10:28,870 --> 00:10:25,760

which gave them downloads of information

256

00:10:31,269 --> 00:10:28,880

like newton and einstein and a number of

257

00:10:33,910 --> 00:10:31,279

the quantum physicists and

258

00:10:35,430 --> 00:10:33,920

and even wallace the co-founder of of

259

00:10:37,350 --> 00:10:35,440

evolution

260

00:10:38,790 --> 00:10:37,360

so yeah

261

00:10:42,790 --> 00:10:38,800

so

262

00:10:45,190 --> 00:10:42,800

ellen's becoming one of those

263

00:10:47,590 --> 00:10:45,200

well so alan uh

264

00:10:49,910 --> 00:10:47,600

were you interested at all in into in

265

00:10:50,949 --> 00:10:49,920

bigfoot or was that the paranormal your

266

00:10:52,949 --> 00:10:50,959

your main

267

00:10:54,550 --> 00:10:52,959

main area well actually was it the other

268

00:10:55,990 --> 00:10:54,560

way around you were bigfoot and turned

269

00:11:00,389 --> 00:10:56,000

paranormal

270

00:11:03,110 --> 00:11:00,399

years and then the last 13 years i've

271

00:11:05,990 --> 00:11:03,120

been doing bigfoot investigating so one

272

00:11:07,990 --> 00:11:06,000

sort of led me to the other and then um

273

00:11:10,790 --> 00:11:08,000

bigfoot's consumed a lot of my time now

274

00:11:12,069 --> 00:11:10,800

but i still dabble in other things for

275

00:11:13,910 --> 00:11:12,079

sure

276

00:11:15,910 --> 00:11:13,920

and they're all sort of kind of coming

277

00:11:16,870 --> 00:11:15,920

together as one

278

00:11:19,190 --> 00:11:16,880

and that's probably what we'll talk

279

00:11:21,430 --> 00:11:19,200

about here today too so um it all fits

280

00:11:23,269 --> 00:11:21,440

together for me the the puzzle is coming

281

00:11:25,750 --> 00:11:23,279

together slowly but um

282

00:11:27,670 --> 00:11:25,760

it's it's making sense to something well

283

00:11:29,190 --> 00:11:27,680

now it's a good opportunity maybe to

284

00:11:32,310 --> 00:11:29,200

start out with that and see how those

285

00:11:34,710 --> 00:11:33,990

yeah for sure

286

00:11:36,790 --> 00:11:34,720

so

287

00:11:38,069 --> 00:11:36,800

we can do one thing we can talk about

288

00:11:40,870 --> 00:11:38,079

we're doing a series called the

289

00:11:42,790 --> 00:11:40,880

paranormal highway where we investigated

290

00:11:45,430 --> 00:11:42,800

five of these potential

291

00:11:47,190 --> 00:11:45,440

paranormal hot spots and i was just

292

00:11:49,110 --> 00:11:47,200

completing the edit on the one that was

293

00:11:51,670 --> 00:11:49,120

done in wisconsin

294

00:11:53,509 --> 00:11:51,680

and we went to investigate

295

00:11:54,629 --> 00:11:53,519

the beast at bray road have you heard of

296

00:11:57,030 --> 00:11:54,639

that

297

00:11:59,590 --> 00:11:57,040

no i have not

298

00:12:02,550 --> 00:11:59,600

it's it's kind of like a dog man maybe a

299

00:12:04,790 --> 00:12:02,560

dog man form a big a bigfoot and it's

300

00:12:07,670 --> 00:12:04,800

been known since the 30s

301
00:12:10,470 --> 00:12:07,680
it's a creature that

302
00:12:11,750 --> 00:12:10,480
takes the form of kind of a human dog

303
00:12:13,509 --> 00:12:11,760
hybrid

304
00:12:15,509 --> 00:12:13,519
i don't think it's ever done any damages

305
00:12:17,829 --> 00:12:15,519
but many people have seen it

306
00:12:19,829 --> 00:12:17,839
in this one area

307
00:12:23,030 --> 00:12:19,839
and so we went there

308
00:12:24,310 --> 00:12:23,040
hoping that maybe we could find

309
00:12:26,470 --> 00:12:24,320
we were looking for patterns of

310
00:12:28,230 --> 00:12:26,480
paranormal one would show up

311
00:12:30,150 --> 00:12:28,240
and in this particular

312
00:12:32,150 --> 00:12:30,160
particular place

313
00:12:35,829 --> 00:12:32,160

we had a number of very interesting

314

00:12:37,829 --> 00:12:35,839

things happen we got access to

315

00:12:39,269 --> 00:12:37,839

basically a field next to brave world

316

00:12:41,110 --> 00:12:39,279

prairie road is

317

00:12:42,629 --> 00:12:41,120

a very short road out of elkhorn

318

00:12:45,350 --> 00:12:42,639

wisconsin

319

00:12:47,269 --> 00:12:45,360

and it's so popular that

320

00:12:48,550 --> 00:12:47,279

the people who live along at the the

321

00:12:50,310 --> 00:12:48,560

farmers

322

00:12:52,389 --> 00:12:50,320

don't like you so if you stop your car

323

00:12:54,230 --> 00:12:52,399

they'll come out and yell at you and

324

00:12:55,910 --> 00:12:54,240

do even more chase you off with a gun or

325

00:12:58,710 --> 00:12:55,920

something but we had access

326

00:13:00,310 --> 00:12:58,720

to 35 acres right next to the road

327

00:13:02,629 --> 00:13:00,320

and we were we're going to see what we

328

00:13:04,310 --> 00:13:02,639

could what we could find and we had all

329

00:13:07,670 --> 00:13:04,320

sorts of paranormal

330

00:13:09,990 --> 00:13:07,680

things happen including

331

00:13:12,629 --> 00:13:10,000

um there was this one place along the

332

00:13:15,590 --> 00:13:12,639

hedgerow where the owner of the property

333

00:13:17,110 --> 00:13:15,600

said this this is where activity goes on

334

00:13:18,310 --> 00:13:17,120

and he wouldn't go in there so of course

335

00:13:20,550 --> 00:13:18,320

that was where we wanted to do our

336

00:13:23,430 --> 00:13:20,560

investigation

337

00:13:26,150 --> 00:13:23,440

he had previously showed us

338

00:13:28,949 --> 00:13:26,160

four five sets of prints

339

00:13:31,990 --> 00:13:28,959

kind of like big footprints but they're

340

00:13:33,590 --> 00:13:32,000

they're actually more dog-like prints

341

00:13:35,350 --> 00:13:33,600

of different sizes

342

00:13:37,190 --> 00:13:35,360

and they don't they don't match anything

343

00:13:39,430 --> 00:13:37,200

that's known in the

344

00:13:40,470 --> 00:13:39,440

normal lexicon of animal footprints

345

00:13:42,629 --> 00:13:40,480

there

346

00:13:43,509 --> 00:13:42,639

they have more more pads and more toes

347

00:13:45,670 --> 00:13:43,519

than

348

00:13:47,110 --> 00:13:45,680

any any animal that would be cruising

349

00:13:49,509 --> 00:13:47,120

around there

350

00:13:51,670 --> 00:13:49,519

but he also had

351
00:13:53,910 --> 00:13:51,680
one of the most remarkable

352
00:13:56,389 --> 00:13:53,920
trail cam pictures of

353
00:13:57,910 --> 00:13:56,399
ufos and you like ufos

354
00:14:01,110 --> 00:13:57,920
are you familiar with the pencil shaped

355
00:14:03,750 --> 00:14:01,120
ones that are somewhat well known

356
00:14:05,030 --> 00:14:03,760
yes usually uh from my experience people

357
00:14:08,150 --> 00:14:05,040
you know often

358
00:14:09,269 --> 00:14:08,160
give him the name of motherships

359
00:14:11,110 --> 00:14:09,279
okay so

360
00:14:12,069 --> 00:14:11,120
over this place that we call our sweet

361
00:14:14,470 --> 00:14:12,079
spot

362
00:14:17,110 --> 00:14:14,480
he had captured

363
00:14:18,389 --> 00:14:17,120

a sequence of of images of pencil shape

364

00:14:20,230 --> 00:14:18,399

ufos

365

00:14:21,670 --> 00:14:20,240

beautifully that would change

366

00:14:23,829 --> 00:14:21,680

configuration

367

00:14:26,470 --> 00:14:23,839

and the number would change you'd go

368

00:14:27,750 --> 00:14:26,480

from two to three to six and

369

00:14:29,350 --> 00:14:27,760

each time the

370

00:14:31,189 --> 00:14:29,360

trail cam

371

00:14:33,430 --> 00:14:31,199

grabbed a shot they would be in a

372

00:14:34,629 --> 00:14:33,440

different position and the numbers would

373

00:14:36,949 --> 00:14:34,639

change

374

00:14:38,870 --> 00:14:36,959

so this all pointed to this one

375

00:14:41,990 --> 00:14:38,880

one particular area

376

00:14:44,550 --> 00:14:42,000

that we set up our investigation at

377

00:14:45,350 --> 00:14:44,560

hoping to contact something

378

00:14:51,670 --> 00:14:45,360

and

379

00:14:54,389 --> 00:14:51,680

one of the things that often occurs is a

380

00:14:56,949 --> 00:14:54,399

felt sense of something a presence

381

00:14:59,509 --> 00:14:56,959

not quite not quite

382

00:15:01,350 --> 00:14:59,519

clear what it is sometimes it's just a

383

00:15:04,710 --> 00:15:01,360

feeling but other times

384

00:15:06,470 --> 00:15:04,720

there's sounds in the brush or

385

00:15:08,710 --> 00:15:06,480

like somebody's walking beside you but

386

00:15:09,990 --> 00:15:08,720

you can't see it it's not visual

387

00:15:12,069 --> 00:15:10,000

so

388

00:15:13,990 --> 00:15:12,079

that happened you could talk talk about

389

00:15:14,710 --> 00:15:14,000

that area that kind of phenomena which

390

00:15:16,710 --> 00:15:14,720

is

391

00:15:20,389 --> 00:15:16,720

another one of these paranormal hot spot

392

00:15:22,069 --> 00:15:20,399

type of phenomena alan

393

00:15:25,110 --> 00:15:22,079

yeah i mean that's this happened in a

394

00:15:27,110 --> 00:15:25,120

lot of places that we went to where um

395

00:15:28,949 --> 00:15:27,120

you know i've spent countless hours in

396

00:15:31,269 --> 00:15:28,959

the woods camping and doing bigfoot

397

00:15:33,590 --> 00:15:31,279

investigating and hiking and i used to

398

00:15:35,509 --> 00:15:33,600

volunteer as a naturalist in ohio and

399

00:15:37,670 --> 00:15:35,519

just a lot of time in the woods and i

400

00:15:39,269 --> 00:15:37,680

got you know to the point where

401
00:15:41,590 --> 00:15:39,279
when something was about to happen or

402
00:15:43,749 --> 00:15:41,600
was happening i usually knew right away

403
00:15:46,629 --> 00:15:43,759
that something was different

404
00:15:47,749 --> 00:15:46,639
and a lot of times it was you could hear

405
00:15:50,150 --> 00:15:47,759
something

406
00:15:52,470 --> 00:15:50,160
walking or pacing or sometimes it throws

407
00:15:54,629 --> 00:15:52,480
something at you or drops something or

408
00:15:56,389 --> 00:15:54,639
there's just noises basically that that

409
00:15:58,389 --> 00:15:56,399
don't belong

410
00:16:00,710 --> 00:15:58,399
and then it gives you this sort of

411
00:16:03,910 --> 00:16:00,720
almost hair standing up on the back your

412
00:16:05,590 --> 00:16:03,920
neck kind of feeling almost like um

413
00:16:07,590 --> 00:16:05,600

if you were to

414

00:16:09,030 --> 00:16:07,600

walk down the street and just open

415

00:16:10,470 --> 00:16:09,040

someone's front door and walk into their

416

00:16:12,150 --> 00:16:10,480

house uninvited

417

00:16:14,550 --> 00:16:12,160

it feels like that it feels like you

418

00:16:16,230 --> 00:16:14,560

don't belong there

419

00:16:18,949 --> 00:16:16,240

or it could feel like you do belong

420

00:16:21,110 --> 00:16:18,959

there or it could heal him that's true

421

00:16:21,990 --> 00:16:21,120

so you know the feeling you had you know

422

00:16:25,910 --> 00:16:22,000

in

423

00:16:30,470 --> 00:16:25,920

it

424

00:16:33,110 --> 00:16:30,480

so so that's that's one kind of

425

00:16:34,710 --> 00:16:33,120

paranormal phenomena that often occurs

426

00:16:36,790 --> 00:16:34,720

in these hot spots

427

00:16:39,189 --> 00:16:36,800

another one is that

428

00:16:40,389 --> 00:16:39,199

somehow or another whatever whatever is

429

00:16:45,269 --> 00:16:40,399

at play

430

00:16:47,509 --> 00:16:45,279

with our electronics in some way

431

00:16:49,269 --> 00:16:47,519

in the in the instant we have

432

00:16:51,430 --> 00:16:49,279

in wisconsin

433

00:16:52,550 --> 00:16:51,440

uh for some reason alan's book got a new

434

00:16:55,030 --> 00:16:52,560

camera

435

00:16:56,949 --> 00:16:55,040

and at a critical time he couldn't it

436

00:16:59,590 --> 00:16:56,959

acted like it was performing some

437

00:17:01,990 --> 00:16:59,600

function and he couldn't turn it off

438

00:17:03,829 --> 00:17:02,000

and so

439

00:17:05,110 --> 00:17:03,839

this is that happens at every place that

440

00:17:07,189 --> 00:17:05,120

we go there's at least one or two

441

00:17:09,110 --> 00:17:07,199

examples of something messing with

442

00:17:10,870 --> 00:17:09,120

electronics which is

443

00:17:13,669 --> 00:17:10,880

pretty inexplicable

444

00:17:15,270 --> 00:17:13,679

but then also at wisconsin

445

00:17:19,029 --> 00:17:15,280

we

446

00:17:22,390 --> 00:17:19,039

side to another that night

447

00:17:24,390 --> 00:17:22,400

and our host shade with choking who's

448

00:17:26,069 --> 00:17:24,400

who's quite a well-known bigfoot

449

00:17:27,350 --> 00:17:26,079

investigator and a guy who wants the

450

00:17:29,990 --> 00:17:27,360

truth

451
00:17:32,230 --> 00:17:30,000
um took out his laser as we were

452
00:17:34,950 --> 00:17:32,240
crossing the field

453
00:17:36,630 --> 00:17:34,960
and there was a

454
00:17:39,110 --> 00:17:36,640
me and the cameraman had driven around

455
00:17:42,070 --> 00:17:39,120
to the other side and turned off a car

456
00:17:45,270 --> 00:17:42,080
and at the spot we called our sweet spot

457
00:17:47,990 --> 00:17:45,280
there was a self-illuminating light

458
00:17:48,950 --> 00:17:48,000
and jay pulled out his laser

459
00:17:51,590 --> 00:17:48,960
and

460
00:17:53,270 --> 00:17:51,600
touched that self-moving spot with his

461
00:17:56,070 --> 00:17:53,280
his laser beam

462
00:17:59,029 --> 00:17:56,080
allen was with him he saw him do that

463
00:18:01,270 --> 00:17:59,039

and then later when we um

464

00:18:03,990 --> 00:18:01,280

got back and looked at the footage i

465

00:18:05,830 --> 00:18:04,000

called jay up and said well why did you

466

00:18:08,230 --> 00:18:05,840

why did you what were you doing pointing

467

00:18:09,990 --> 00:18:08,240

at that what were you thinking while you

468

00:18:12,390 --> 00:18:10,000

made us turn on the camera you touched

469

00:18:13,270 --> 00:18:12,400

that light and he had no recollection of

470

00:18:15,029 --> 00:18:13,280

it

471

00:18:16,710 --> 00:18:15,039

of what had happened his memory was

472

00:18:18,230 --> 00:18:16,720

completely wiped out

473

00:18:21,190 --> 00:18:18,240

along that whole

474

00:18:23,750 --> 00:18:21,200

whole trek across the uh

475

00:18:24,870 --> 00:18:23,760

the acreage that that from one side to

476

00:18:27,430 --> 00:18:24,880

the other

477

00:18:29,590 --> 00:18:27,440

he also did an interview an camera

478

00:18:32,070 --> 00:18:29,600

interview yet he told alan he wanted to

479

00:18:34,789 --> 00:18:32,080

do a little thing he talked about

480

00:18:36,789 --> 00:18:34,799

having fear and fight and flight fear

481

00:18:39,669 --> 00:18:36,799

and flight kind of kind of mumbling

482

00:18:42,230 --> 00:18:39,679

around didn't remember that either

483

00:18:44,549 --> 00:18:42,240

so there's another paranormal activity

484

00:18:46,150 --> 00:18:44,559

going on and in some places that's

485

00:18:48,390 --> 00:18:46,160

called sizzling

486

00:18:50,710 --> 00:18:48,400

or something paranormal kind of messes

487

00:18:53,110 --> 00:18:50,720

with your cognitive ability

488

00:18:55,270 --> 00:18:53,120

we had that example in our

489

00:18:56,470 --> 00:18:55,280

where we where alan had that example

490

00:18:58,789 --> 00:18:56,480

where

491

00:19:01,190 --> 00:18:58,799

we had we opened up the portal on our

492

00:19:04,070 --> 00:19:01,200

land in the rockies

493

00:19:05,270 --> 00:19:04,080

and then to top it all off

494

00:19:07,590 --> 00:19:05,280

when we

495

00:19:09,430 --> 00:19:07,600

got to the paranormal hot spot i mean

496

00:19:11,029 --> 00:19:09,440

the sweet spot

497

00:19:12,310 --> 00:19:11,039

we we

498

00:19:15,110 --> 00:19:12,320

first of all

499

00:19:17,430 --> 00:19:15,120

we took out our thermal and we got this

500

00:19:19,830 --> 00:19:17,440

intense area of cold

501

00:19:21,830 --> 00:19:19,840

which later we learned or we

502

00:19:23,510 --> 00:19:21,840

is an indication that

503

00:19:25,350 --> 00:19:23,520

it's a portal when something's coming

504

00:19:26,789 --> 00:19:25,360

through

505

00:19:28,310 --> 00:19:26,799

and that's that was

506

00:19:30,630 --> 00:19:28,320

one of the big examples in the

507

00:19:33,110 --> 00:19:30,640

skinwalker ranch series

508

00:19:35,270 --> 00:19:33,120

so there's another paranormal activity

509

00:19:36,950 --> 00:19:35,280

this is all in one evening

510

00:19:38,549 --> 00:19:36,960

and uh what did i think i was just

511

00:19:41,110 --> 00:19:38,559

looking at the footage

512

00:19:42,630 --> 00:19:41,120

it was a summer night or

513

00:19:44,470 --> 00:19:42,640

early fall night and i think the

514

00:19:47,669 --> 00:19:44,480

temperature was about

515

00:19:49,190 --> 00:19:47,679

50 degrees and there was this cold spot

516

00:19:51,590 --> 00:19:49,200

right where we were

517

00:19:53,190 --> 00:19:51,600

right above where things were happening

518

00:19:56,549 --> 00:19:53,200

that was at

519

00:19:58,870 --> 00:19:56,559

freezing 32 degrees

520

00:20:01,270 --> 00:19:58,880

and then the boys had this feeling of

521

00:20:03,909 --> 00:20:01,280

some while we were getting the thermal

522

00:20:05,590 --> 00:20:03,919

the cameraman and jay had the sense of

523

00:20:07,669 --> 00:20:05,600

something moving like allen just

524

00:20:09,430 --> 00:20:07,679

described

525

00:20:11,350 --> 00:20:09,440

and then

526

00:20:13,750 --> 00:20:11,360

so we said okay let's let's just walk

527

00:20:15,990 --> 00:20:13,760

away for a moment and we come back and

528

00:20:17,750 --> 00:20:16,000

then we came back and tell us what you

529

00:20:20,710 --> 00:20:17,760

saw alan

530

00:20:21,750 --> 00:20:20,720

yeah so we had to put a paranormal

531

00:20:23,909 --> 00:20:21,760

device

532

00:20:26,390 --> 00:20:23,919

in in the woods

533

00:20:28,310 --> 00:20:26,400

that was uh taking measurements and it

534

00:20:30,470 --> 00:20:28,320

would audibly alarm if there was any

535

00:20:33,430 --> 00:20:30,480

changes in temperature

536

00:20:35,750 --> 00:20:33,440

or emf or anything like that so i was

537

00:20:37,430 --> 00:20:35,760

going back in to retrieve it and when i

538

00:20:39,909 --> 00:20:37,440

had a headlamp on and when i sort of

539

00:20:43,510 --> 00:20:39,919

leaned over to pick up the device

540

00:20:45,909 --> 00:20:43,520

these two eyes red eyes illuminated

541

00:20:48,070 --> 00:20:45,919

from just inside the wood line maybe

542

00:20:49,510 --> 00:20:48,080

would you say five six feet from where i

543

00:20:52,950 --> 00:20:49,520

was

544

00:20:55,190 --> 00:20:52,960

small

545

00:20:56,789 --> 00:20:55,200

um but it was sort of plain peekaboo

546

00:20:58,549 --> 00:20:56,799

behind this tree

547

00:21:00,549 --> 00:20:58,559

uh back and forth and back and forth and

548

00:21:01,830 --> 00:21:00,559

it kind of would would move off and then

549

00:21:03,909 --> 00:21:01,840

come back and look and come back and

550

00:21:05,350 --> 00:21:03,919

look and that went on for several

551
00:21:07,669 --> 00:21:05,360
minutes while we just stood there with

552
00:21:09,990 --> 00:21:07,679
lights on watching it actually went on

553
00:21:11,669 --> 00:21:10,000
for 12 minutes did it really wow yeah

554
00:21:14,710 --> 00:21:11,679
that sounds about right

555
00:21:16,710 --> 00:21:14,720
and uh we're talking all four of us are

556
00:21:18,710 --> 00:21:16,720
talking we're making a lot of noise

557
00:21:21,350 --> 00:21:18,720
we're shining lights on it

558
00:21:23,350 --> 00:21:21,360
and it had a fairly elongated body i

559
00:21:26,870 --> 00:21:23,360
don't know if i ever told you that ellen

560
00:21:29,669 --> 00:21:26,880
had large ears oh wow

561
00:21:31,510 --> 00:21:29,679
so it was probably if it stood up it was

562
00:21:32,390 --> 00:21:31,520
always on all fours as far as we could

563
00:21:34,149 --> 00:21:32,400

tell

564

00:21:36,149 --> 00:21:34,159

but if it stood up

565

00:21:38,230 --> 00:21:36,159

he would have been about two and a half

566

00:21:40,310 --> 00:21:38,240

to three feet tall

567

00:21:41,669 --> 00:21:40,320

which uh to somebody

568

00:21:44,710 --> 00:21:41,679

the owner of the property so that

569

00:21:47,110 --> 00:21:44,720

corresponded to one of those

570

00:21:50,070 --> 00:21:47,120

five cryptids that he thinks

571

00:21:51,190 --> 00:21:50,080

he's witnessed on the property

572

00:21:53,750 --> 00:21:51,200

so

573

00:21:58,149 --> 00:21:53,760

this is an example of what can happen

574

00:22:00,070 --> 00:21:58,159

in a paranormal hotspot in one night

575

00:22:02,390 --> 00:22:00,080

uh you said that

576

00:22:05,029 --> 00:22:02,400

that cold chill is it always an

577

00:22:07,510 --> 00:22:05,039

indicator of a portal or or

578

00:22:13,110 --> 00:22:07,520

is it are there any other kind of things

579

00:22:17,590 --> 00:22:15,909

um will you have you done any ghost

580

00:22:20,470 --> 00:22:17,600

investigating

581

00:22:22,310 --> 00:22:20,480

uh twice only but it was just on behalf

582

00:22:25,510 --> 00:22:22,320

of someone else that was kind of doing

583

00:22:28,390 --> 00:22:25,520

the guidance guided

584

00:22:30,070 --> 00:22:28,400

tour with some kind of you know devices

585

00:22:31,909 --> 00:22:30,080

and whatnot and seeing what can be

586

00:22:33,909 --> 00:22:31,919

picked up

587

00:22:36,470 --> 00:22:33,919

i mean i i haven't done any ghost

588

00:22:38,230 --> 00:22:36,480

investigations alan's done some but it's

589

00:22:39,510 --> 00:22:38,240

reported quite frequently that when an

590

00:22:42,390 --> 00:22:39,520

apparition

591

00:22:45,830 --> 00:22:42,400

appears in some way there's a there's a

592

00:22:46,950 --> 00:22:45,840

burst of cold energy that comes over

593

00:22:48,470 --> 00:22:46,960

right

594

00:22:51,669 --> 00:22:48,480

yeah but what was different about this

595

00:22:54,230 --> 00:22:51,679

was we were outside we were in the woods

596

00:22:55,350 --> 00:22:54,240

and and we could visibly see with the

597

00:22:58,630 --> 00:22:55,360

thermal

598

00:23:00,789 --> 00:22:58,640

this sort of circular

599

00:23:02,630 --> 00:23:00,799

you know um area that was just a lot

600

00:23:03,990 --> 00:23:02,640

colder than everything else around it so

601
00:23:05,110 --> 00:23:04,000
that's what made it unique it wasn't

602
00:23:07,350 --> 00:23:05,120
sort of like a

603
00:23:09,590 --> 00:23:07,360
passing chill or or something like you

604
00:23:11,510 --> 00:23:09,600
might get with a paranormal case it was

605
00:23:13,750 --> 00:23:11,520
clearly something that was somewhat

606
00:23:15,190 --> 00:23:13,760
stabilized and consistent

607
00:23:17,029 --> 00:23:15,200
in this area for at least for the time

608
00:23:18,789 --> 00:23:17,039
that we were there

609
00:23:21,430 --> 00:23:18,799
and we had we had encountered one other

610
00:23:23,750 --> 00:23:21,440
of these on a property in the state of

611
00:23:25,590 --> 00:23:23,760
washington another area where

612
00:23:27,750 --> 00:23:25,600
it was a warm summer night i mean a lot

613
00:23:28,789 --> 00:23:27,760

warmer than the was in wisconsin and

614

00:23:31,190 --> 00:23:28,799

here's this

615

00:23:33,909 --> 00:23:31,200

spot relatively small

616

00:23:36,630 --> 00:23:33,919

you could walk into it and feel the cold

617

00:23:38,470 --> 00:23:36,640

and when you uh when we put our thermal

618

00:23:40,549 --> 00:23:38,480

on it there was this

619

00:23:42,870 --> 00:23:40,559

deep dark area which is the way a cold

620

00:23:45,750 --> 00:23:42,880

shows up

621

00:23:47,750 --> 00:23:45,760

a temperature drop of 40 50 degrees

622

00:23:50,630 --> 00:23:47,760

isolated

623

00:23:53,029 --> 00:23:50,640

and then if you watch the skinwalker

624

00:23:54,230 --> 00:23:53,039

ranch series their greatest activity in

625

00:23:55,830 --> 00:23:54,240

the last

626
00:23:58,549 --> 00:23:55,840
last season was

627
00:24:00,789 --> 00:23:58,559
at this this outpost shed

628
00:24:02,870 --> 00:24:00,799
where you know maybe the ranchers

629
00:24:04,630 --> 00:24:02,880
stored stuff out in the field

630
00:24:07,190 --> 00:24:04,640
they had a lot of activity in the middle

631
00:24:09,190 --> 00:24:07,200
of that was the same phenomena i call

632
00:24:10,710 --> 00:24:09,200
an extreme cold spot right in the middle

633
00:24:13,590 --> 00:24:10,720
of the action

634
00:24:15,190 --> 00:24:13,600
so the speculation is that

635
00:24:17,430 --> 00:24:15,200
that's an opening

636
00:24:19,029 --> 00:24:17,440
to the other side if you want to say or

637
00:24:22,950 --> 00:24:19,039
a lifting of the veil

638
00:24:26,310 --> 00:24:24,149

oh ron i don't want to change the

639

00:24:29,029 --> 00:24:26,320

subject just uh uh something

640

00:24:31,750 --> 00:24:29,039

what you said earlier you said dog man

641

00:24:33,830 --> 00:24:31,760

did i hear it correctly

642

00:24:35,590 --> 00:24:33,840

what what are the terms no just just

643

00:24:37,350 --> 00:24:35,600

yeah i wasn't gonna go into info just

644

00:24:39,350 --> 00:24:37,360

wanted to clarify you asked me said did

645

00:24:41,669 --> 00:24:39,360

you see did you hear about the dog man

646

00:24:43,350 --> 00:24:41,679

is that what you were saying

647

00:24:46,230 --> 00:24:43,360

yes uh the beast of brave world is

648

00:24:47,990 --> 00:24:46,240

described as a dog man right okay uh yes

649

00:24:49,990 --> 00:24:48,000

yes actually i've heard of that i'm

650

00:24:51,909 --> 00:24:50,000

sorry the way you said it didn't sound

651
00:24:54,070 --> 00:24:51,919
familiar and then later on as you were

652
00:24:55,990 --> 00:24:54,080
talking i was like oh he said dog man

653
00:24:56,789 --> 00:24:56,000
yes we actually had several guests that

654
00:25:00,310 --> 00:24:56,799
were

655
00:25:02,390 --> 00:25:00,320
that are mainly i guess you can say

656
00:25:05,590 --> 00:25:02,400
bigfoot researchers and

657
00:25:07,750 --> 00:25:05,600
they often have brought up dogman in all

658
00:25:09,110 --> 00:25:07,760
of their research and whatever else they

659
00:25:11,669 --> 00:25:09,120
they found so

660
00:25:14,070 --> 00:25:11,679
i've come across it don't have any

661
00:25:16,149 --> 00:25:14,080
personal experience but then again i'm

662
00:25:19,110 --> 00:25:16,159
pretty sure not a lot of people do

663
00:25:21,430 --> 00:25:19,120

and so um regarding this then this

664

00:25:22,789 --> 00:25:21,440

connection right between

665

00:25:25,350 --> 00:25:22,799

um

666

00:25:27,830 --> 00:25:25,360

alien and and bigfoot and whatnot is

667

00:25:29,590 --> 00:25:27,840

that something that's drawn from just

668

00:25:31,669 --> 00:25:29,600

this um

669

00:25:33,750 --> 00:25:31,679

kind of like many years of research and

670

00:25:35,990 --> 00:25:33,760

you go okay these these two things could

671

00:25:38,070 --> 00:25:36,000

be related or was there something more

672

00:25:40,310 --> 00:25:38,080

that kind of uh put them two and two

673

00:25:42,230 --> 00:25:40,320

together

674

00:25:43,830 --> 00:25:42,240

well the first thing that drew my

675

00:25:46,310 --> 00:25:43,840

attention to it was

676
00:25:49,029 --> 00:25:46,320
reports of many strange things

677
00:25:51,510 --> 00:25:49,039
relating to a bigfoot sighting and a lot

678
00:25:54,149 --> 00:25:51,520
of them weren't exactly

679
00:25:56,549 --> 00:25:54,159
seeing a bigfoot it's these other

680
00:25:58,789 --> 00:25:56,559
kinds of occurrences that are

681
00:26:00,950 --> 00:25:58,799
interpreted as somehow being

682
00:26:02,390 --> 00:26:00,960
brought about by bigfoot

683
00:26:04,070 --> 00:26:02,400
for example

684
00:26:05,430 --> 00:26:04,080
i shine

685
00:26:07,269 --> 00:26:05,440
the um

686
00:26:09,669 --> 00:26:07,279
that felt sense of

687
00:26:12,470 --> 00:26:09,679
has been attributed to bigfoot people

688
00:26:13,909 --> 00:26:12,480

have actually seen bigfoot

689

00:26:16,549 --> 00:26:13,919

disappear

690

00:26:17,830 --> 00:26:16,559

and merge into an orb or

691

00:26:20,149 --> 00:26:17,840

a tree

692

00:26:21,350 --> 00:26:20,159

and of course the most common thing is

693

00:26:26,950 --> 00:26:21,360

that

694

00:26:27,909 --> 00:26:26,960

to and this was the case at our side as

695

00:26:29,510 --> 00:26:27,919

well

696

00:26:31,269 --> 00:26:29,520

where footprints

697

00:26:33,350 --> 00:26:31,279

there's maybe two three footprints that

698

00:26:35,590 --> 00:26:33,360

start nowhere

699

00:26:37,190 --> 00:26:35,600

and go no and go nowhere like two three

700

00:26:39,029 --> 00:26:37,200

steps and then they're gone

701
00:26:41,110 --> 00:26:39,039
there's no began no

702
00:26:42,950 --> 00:26:41,120
long trail or track of a bigfoot

703
00:26:45,110 --> 00:26:42,960
nobody's ever come across

704
00:26:46,710 --> 00:26:45,120
it's always one or two footprints which

705
00:26:48,789 --> 00:26:46,720
would indicate that they kind of pop

706
00:26:51,269 --> 00:26:48,799
into existence

707
00:26:52,870 --> 00:26:51,279
and then uh take a couple steps people

708
00:26:55,029 --> 00:26:52,880
see them and

709
00:26:57,430 --> 00:26:55,039
go back to wherever they came from you

710
00:27:00,710 --> 00:26:57,440
think of any other the the aspects of

711
00:27:03,029 --> 00:27:00,720
the smell alan talk about that

712
00:27:06,390 --> 00:27:03,039
yeah sometimes there's reports of a sort

713
00:27:08,470 --> 00:27:06,400

of a body odor or skunk type smell that

714

00:27:10,789 --> 00:27:08,480

comes with some of these um sightings

715

00:27:11,750 --> 00:27:10,799

i've smelled it smells like an animal to

716

00:27:23,590 --> 00:27:11,760

me

717

00:27:27,590 --> 00:27:26,630

so there's a whole collection of these

718

00:27:30,070 --> 00:27:27,600

these

719

00:27:32,630 --> 00:27:30,080

associated events that people say

720

00:27:34,549 --> 00:27:32,640

in some way is bigfoot

721

00:27:36,549 --> 00:27:34,559

and of course there are people who are

722

00:27:38,710 --> 00:27:36,559

psychics or sensitives

723

00:27:41,110 --> 00:27:38,720

we come across that saying they're

724

00:27:43,909 --> 00:27:41,120

they're in direct contact with

725

00:27:46,630 --> 00:27:43,919

with bigfoot that they can communicate

726
00:27:48,549 --> 00:27:46,640
in sort of a telepathic way

727
00:27:50,389 --> 00:27:48,559
not see them but still

728
00:27:52,149 --> 00:27:50,399
feel their presence

729
00:27:54,789 --> 00:27:52,159
and talk to them

730
00:27:56,950 --> 00:27:54,799
and in fact

731
00:27:59,269 --> 00:27:56,960
we were at the owl moon lab which is the

732
00:28:01,029 --> 00:27:59,279
one i mentioned earlier we ran into a

733
00:28:03,510 --> 00:28:01,039
couple who um

734
00:28:04,950 --> 00:28:03,520
said they opened a portal on their land

735
00:28:06,470 --> 00:28:04,960
and that they had some sort of

736
00:28:08,789 --> 00:28:06,480
telepathic

737
00:28:10,870 --> 00:28:08,799
contact with their bigfoot

738
00:28:13,269 --> 00:28:10,880

along with the other usual

739

00:28:16,149 --> 00:28:13,279

rock throwings bangings footprints

740

00:28:18,630 --> 00:28:16,159

and so on and so we asked them at least

741

00:28:20,470 --> 00:28:18,640

alan asked him how did you do it

742

00:28:21,830 --> 00:28:20,480

how did you open a portal so the car

743

00:28:24,230 --> 00:28:21,840

tries

744

00:28:25,830 --> 00:28:24,240

what the heck can we open one

745

00:28:28,470 --> 00:28:25,840

so we did you want to talk a little bit

746

00:28:30,389 --> 00:28:28,480

about how we got going

747

00:28:33,909 --> 00:28:30,399

yeah so what they told us was

748

00:28:36,230 --> 00:28:33,919

that um if they're in the area and and

749

00:28:39,430 --> 00:28:36,240

this is a possibility that we'd be able

750

00:28:42,789 --> 00:28:39,440

to identify this area by using uh

751
00:28:45,990 --> 00:28:42,799
divining or dowsing rods so these copper

752
00:28:48,389 --> 00:28:46,000
pieces of of tubing that are bent over

753
00:28:51,190 --> 00:28:48,399
um so i had some and we started to to

754
00:28:53,909 --> 00:28:51,200
use those my my wife anna is pretty good

755
00:28:55,909 --> 00:28:53,919
with them so we we did some

756
00:28:59,110 --> 00:28:55,919
tests with that and it seemed to work it

757
00:29:00,470 --> 00:28:59,120
seemed to be points in in a direction um

758
00:29:02,389 --> 00:29:00,480
as ron always says that we didn't want

759
00:29:04,149 --> 00:29:02,399
to go because it's we have to cross the

760
00:29:05,430 --> 00:29:04,159
river and climb up the whole other side

761
00:29:06,389 --> 00:29:05,440
of this mountain and things like that

762
00:29:08,470 --> 00:29:06,399
but um

763
00:29:11,029 --> 00:29:08,480

eventually we

764

00:29:13,510 --> 00:29:11,039

well i did make my way over there and

765

00:29:14,470 --> 00:29:13,520

and followed these dowsing rods up um

766

00:29:16,549 --> 00:29:14,480

they kept

767

00:29:18,070 --> 00:29:16,559

you know pointing to this particular

768

00:29:21,029 --> 00:29:18,080

area and i got up to the top and there

769

00:29:22,630 --> 00:29:21,039

was a outcropping of rocks and as i

770

00:29:24,870 --> 00:29:22,640

walked around the dowsing rods kept

771

00:29:27,830 --> 00:29:24,880

pointing towards the the tallest biggest

772

00:29:29,190 --> 00:29:27,840

rock in the middle um that was the area

773

00:29:30,789 --> 00:29:29,200

that it pointed to and it happened to be

774

00:29:32,950 --> 00:29:30,799

the only place that i really couldn't

775

00:29:35,669 --> 00:29:32,960

get to i mean it was too high to really

776

00:29:38,630 --> 00:29:35,679

climb up there um so on on a subsequent

777

00:29:40,149 --> 00:29:38,640

visit i was able to get up there

778

00:29:41,750 --> 00:29:40,159

with some effort and when i got up to

779

00:29:44,149 --> 00:29:41,760

the top of this rock

780

00:29:45,029 --> 00:29:44,159

i was really shocked to find that there

781

00:29:47,110 --> 00:29:45,039

was a

782

00:29:48,549 --> 00:29:47,120

perfect circle

783

00:29:50,389 --> 00:29:48,559

maybe um

784

00:29:52,830 --> 00:29:50,399

a foot

785

00:29:55,830 --> 00:29:52,840

in depth carved out of the top of the

786

00:29:57,750 --> 00:29:55,840

rock i took some measurements and and i

787

00:29:59,350 --> 00:29:57,760

didn't really get any unusual

788

00:30:02,070 --> 00:29:59,360

magnetic fields or anything like that at

789

00:30:05,909 --> 00:30:02,080

that time but it was really interesting

790

00:30:10,149 --> 00:30:07,990

and then coming back or going there you

791

00:30:12,789 --> 00:30:10,159

got a bit sizzled too

792

00:30:15,350 --> 00:30:12,799

yeah as i was heading up there um

793

00:30:17,590 --> 00:30:15,360

i got probably maybe a third

794

00:30:18,470 --> 00:30:17,600

close to a halfway up there and i got

795

00:30:21,269 --> 00:30:18,480

this

796

00:30:23,590 --> 00:30:21,279

very sharp pain inside of my face right

797

00:30:25,269 --> 00:30:23,600

in my cheek going up into my eye and

798

00:30:27,830 --> 00:30:25,279

everything got blurry and my eyes were

799

00:30:30,470 --> 00:30:27,840

watering and i had intense pain and i

800

00:30:31,909 --> 00:30:30,480

couldn't really see but i kept walking

801
00:30:34,389 --> 00:30:31,919
and trying to get up there it was almost

802
00:30:36,870 --> 00:30:34,399
like something was trying to stop me

803
00:30:39,269 --> 00:30:36,880
and after maybe it felt like forever but

804
00:30:41,669 --> 00:30:39,279
maybe a couple minutes or so um it just

805
00:30:43,750 --> 00:30:41,679
went away and i was able to get up there

806
00:30:46,389 --> 00:30:43,760
it was a really

807
00:30:48,070 --> 00:30:46,399
weird and strange sensation like i said

808
00:30:50,950 --> 00:30:48,080
it really felt like something was trying

809
00:30:53,190 --> 00:30:50,960
to stop me from going up there

810
00:30:54,789 --> 00:30:53,200
and then the other indication that

811
00:30:57,190 --> 00:30:54,799
something

812
00:30:58,950 --> 00:30:57,200
wanted to play was one of the

813
00:31:00,950 --> 00:30:58,960

early spring days we were on our

814

00:31:03,430 --> 00:31:00,960

property by the way we own

815

00:31:06,389 --> 00:31:03,440

40 acres of land next to

816

00:31:08,310 --> 00:31:06,399

to rocky mountain national park so where

817

00:31:09,750 --> 00:31:08,320

we're in holders in the in the forest

818

00:31:11,669 --> 00:31:09,760

and right close to

819

00:31:14,389 --> 00:31:11,679

the big park so we have the

820

00:31:15,750 --> 00:31:14,399

full complement of the ecology of the

821

00:31:17,830 --> 00:31:15,760

big park and

822

00:31:19,190 --> 00:31:17,840

along with all its animals but in one

823

00:31:22,549 --> 00:31:19,200

spring

824

00:31:23,990 --> 00:31:22,559

there had been a snowfall and

825

00:31:26,710 --> 00:31:24,000

we came across

826

00:31:28,710 --> 00:31:26,720

some prints that were quite interesting

827

00:31:31,590 --> 00:31:28,720

and they seemed to wouldn't let me once

828

00:31:33,190 --> 00:31:31,600

said a prince of some one creature

829

00:31:36,070 --> 00:31:33,200

that originated

830

00:31:38,070 --> 00:31:36,080

in an ant hill on an anthill

831

00:31:40,870 --> 00:31:38,080

that was exposed above the snow i guess

832

00:31:41,750 --> 00:31:40,880

it had melted a little easier

833

00:31:42,789 --> 00:31:41,760

but

834

00:31:45,350 --> 00:31:42,799

in the

835

00:31:47,430 --> 00:31:45,360

it was like the footprints originated

836

00:31:48,789 --> 00:31:47,440

from the anthill

837

00:31:52,070 --> 00:31:48,799

and

838

00:31:53,509 --> 00:31:52,080

they started walking off to the

839

00:31:55,750 --> 00:31:53,519

to the north

840

00:31:57,669 --> 00:31:55,760

and allen who's a little more robust

841

00:31:59,750 --> 00:31:57,679

than i am decided to

842

00:32:02,310 --> 00:31:59,760

to track the presidency where they would

843

00:32:07,190 --> 00:32:05,110

yeah so they um they went straight up

844

00:32:08,950 --> 00:32:07,200

the side of the mountain it was fairly

845

00:32:10,789 --> 00:32:08,960

rocky it was very difficult for me to

846

00:32:14,070 --> 00:32:10,799

get up there and when i got up to the

847

00:32:16,950 --> 00:32:14,080

top i was able to pick up the trail

848

00:32:19,110 --> 00:32:16,960

and i followed them not much further

849

00:32:20,710 --> 00:32:19,120

to the base of this tree maybe

850

00:32:22,389 --> 00:32:20,720

it was like a pine tree maybe five

851
00:32:24,470 --> 00:32:22,399
inches in diameter and then the

852
00:32:26,630 --> 00:32:24,480
footprints just stopped

853
00:32:29,590 --> 00:32:26,640
so the tree was probably maybe

854
00:32:30,950 --> 00:32:29,600
10 15 feet tall so i looked up expecting

855
00:32:32,149 --> 00:32:30,960
to see something and there wasn't

856
00:32:34,950 --> 00:32:32,159
anything there

857
00:32:37,269 --> 00:32:34,960
so i looked all around the area and

858
00:32:40,630 --> 00:32:37,279
tried to find where these footprints

859
00:32:42,389 --> 00:32:40,640
maybe picked up and went out or left and

860
00:32:44,950 --> 00:32:42,399
there was no sign anywhere so they just

861
00:32:47,750 --> 00:32:44,960
went to this tree and disappeared

862
00:32:49,669 --> 00:32:47,760
it blew my mind

863
00:32:50,950 --> 00:32:49,679

so they started

864

00:32:53,590 --> 00:32:50,960

from nothing

865

00:32:55,190 --> 00:32:53,600

and disappeared into nothing it's a

866

00:32:57,590 --> 00:32:55,200

pretty typical of what happens with

867

00:32:59,830 --> 00:32:57,600

bigfoot prince but we're not saying that

868

00:33:02,230 --> 00:32:59,840

was bigfoot maybe it was a dog man kind

869

00:33:03,909 --> 00:33:02,240

of creature it could have been something

870

00:33:05,590 --> 00:33:03,919

it could have been anything

871

00:33:07,909 --> 00:33:05,600

the footprints were that not that

872

00:33:09,830 --> 00:33:07,919

distinct because the um

873

00:33:10,789 --> 00:33:09,840

there had been some melting and and they

874

00:33:14,149 --> 00:33:10,799

weren't

875

00:33:15,669 --> 00:33:14,159

fresh prints and fresh snow by any means

876

00:33:19,110 --> 00:33:15,679

so

877

00:33:21,110 --> 00:33:19,120

that was that kind of boasted our

878

00:33:22,549 --> 00:33:21,120

our belief that something

879

00:33:25,509 --> 00:33:22,559

paranormal

880

00:33:26,870 --> 00:33:25,519

paraphysical wanted to interact with us

881

00:33:28,389 --> 00:33:26,880

that's what we're looking for is

882

00:33:30,470 --> 00:33:28,399

interaction

883

00:33:31,269 --> 00:33:30,480

and

884

00:33:33,909 --> 00:33:31,279

so

885

00:33:35,909 --> 00:33:33,919

after we met this couple they suggested

886

00:33:37,350 --> 00:33:35,919

two things to do

887

00:33:39,590 --> 00:33:37,360

one was to

888

00:33:43,110 --> 00:33:39,600

find some unique way

889

00:33:45,029 --> 00:33:43,120

each time we went to our land to

890

00:33:46,149 --> 00:33:45,039

introduce ourselves or reintroduce

891

00:33:49,590 --> 00:33:46,159

ourselves

892

00:33:50,830 --> 00:33:49,600

or create a situation where we say we're

893

00:33:53,350 --> 00:33:50,840

here we want

894

00:33:54,789 --> 00:33:53,360

contact we want we we want to know what

895

00:33:57,430 --> 00:33:54,799

you're about so

896

00:34:00,310 --> 00:33:57,440

so reach out to us and

897

00:34:03,190 --> 00:34:00,320

alan had bought this drum that

898

00:34:05,509 --> 00:34:03,200

we decided somebody had told us to

899

00:34:08,149 --> 00:34:05,519

beating a drum three times

900

00:34:09,829 --> 00:34:08,159

three times in a row was a way of

901
00:34:13,990 --> 00:34:09,839
announcing that we're here and we want

902
00:34:17,990 --> 00:34:15,750
so uh

903
00:34:20,149 --> 00:34:18,000
let me ask you i'm sorry just to clarify

904
00:34:22,069 --> 00:34:20,159
real quick so was this portal then there

905
00:34:24,790 --> 00:34:22,079
and with the help of those shrouds you

906
00:34:26,629 --> 00:34:24,800
were able to identify it or did i miss

907
00:34:28,629 --> 00:34:26,639
something here were you specifically

908
00:34:31,669 --> 00:34:28,639
doing something to to

909
00:34:33,669 --> 00:34:31,679
i guess make make that portal appear

910
00:34:35,349 --> 00:34:33,679
so so in this case i i can only

911
00:34:37,750 --> 00:34:35,359
speculate um

912
00:34:39,669 --> 00:34:37,760
i believe it was already there

913
00:34:41,270 --> 00:34:39,679

but by the time i actually found it i

914

00:34:44,069 --> 00:34:41,280

don't believe it was active there was no

915

00:34:46,790 --> 00:34:44,079

signs of any energy or anything that was

916

00:34:48,310 --> 00:34:46,800

coming through it so um

917

00:34:49,669 --> 00:34:48,320

you know quite a bit of time had passed

918

00:34:51,750 --> 00:34:49,679

from when we first started playing

919

00:34:52,790 --> 00:34:51,760

around this idea to until i actually got

920

00:34:55,990 --> 00:34:52,800

up there

921

00:34:59,430 --> 00:34:56,000

um so i imagine during that time it it

922

00:35:01,430 --> 00:34:59,440

was inactive or became inactive

923

00:35:03,510 --> 00:35:01,440

was it the act of you looking that it

924

00:35:06,470 --> 00:35:03,520

may be activated

925

00:35:09,030 --> 00:35:06,480

that's what you think it's possible yeah

926
00:35:10,870 --> 00:35:09,040
it's a good possibility that there's

927
00:35:13,109 --> 00:35:10,880
some central magnet

928
00:35:15,270 --> 00:35:13,119
at these places that draws

929
00:35:17,270 --> 00:35:15,280
draws this activity

930
00:35:19,829 --> 00:35:17,280
to the area and to the pla people who

931
00:35:21,750 --> 00:35:19,839
show up there particularly to the

932
00:35:24,870 --> 00:35:21,760
to kind of like the host of the

933
00:35:26,870 --> 00:35:24,880
of the paranormal hot spot

934
00:35:29,589 --> 00:35:26,880
and so

935
00:35:31,270 --> 00:35:29,599
we wanted to after a few times of going

936
00:35:33,030 --> 00:35:31,280
there and announcing

937
00:35:34,630 --> 00:35:33,040
that we're coming and we we tried the

938
00:35:35,510 --> 00:35:34,640

idea of gifting are you familiar with

939

00:35:38,390 --> 00:35:35,520

that

940

00:35:39,430 --> 00:35:38,400

concept it's another way of ask

941

00:35:41,430 --> 00:35:39,440

not only

942

00:35:42,310 --> 00:35:41,440

seeing or contacting but interacting

943

00:35:46,150 --> 00:35:42,320

with

944

00:35:49,109 --> 00:35:46,160

force it's uh

945

00:35:51,430 --> 00:35:49,119

is that you sit put something out

946

00:35:53,990 --> 00:35:51,440

and hope that it'll if you go away it'll

947

00:35:55,829 --> 00:35:54,000

interact and move it around or give you

948

00:35:56,950 --> 00:35:55,839

some indication that it's

949

00:35:57,910 --> 00:35:56,960

that there's something there and it

950

00:35:59,270 --> 00:35:57,920

wants

951
00:36:01,190 --> 00:35:59,280
to let you know that it can play a

952
00:36:04,310 --> 00:36:01,200
little bit with you right i'm familiar

953
00:36:06,069 --> 00:36:04,320
with that yep okay and so i mean can you

954
00:36:07,829 --> 00:36:06,079
maybe tell us a little bit more what was

955
00:36:11,670 --> 00:36:07,839
the what was it like what was the

956
00:36:18,790 --> 00:36:14,630
go ahead um yeah so i mean i gave too

957
00:36:20,630 --> 00:36:18,800
much away here but we we basically um

958
00:36:22,150 --> 00:36:20,640
had a feather i don't remember what kind

959
00:36:24,870 --> 00:36:22,160
of feather it was but it was a bird

960
00:36:26,870 --> 00:36:24,880
feather and we stuck it in this

961
00:36:28,870 --> 00:36:26,880
sort of milk jug kind of

962
00:36:30,790 --> 00:36:28,880
bottle with a you know a small opening

963
00:36:33,109 --> 00:36:30,800

at the top just enough to sort of feed

964

00:36:34,710 --> 00:36:33,119

the feather in and then we we took that

965

00:36:37,589 --> 00:36:34,720

bottle with the feather inside and we

966

00:36:39,349 --> 00:36:37,599

tucked it under this grouping of rocks

967

00:36:40,630 --> 00:36:39,359

um where no one would find it it was

968

00:36:43,910 --> 00:36:40,640

hidden

969

00:36:46,310 --> 00:36:43,920

um and we came back a few times

970

00:36:48,630 --> 00:36:46,320

and on the on the maybe the third time

971

00:36:50,630 --> 00:36:48,640

second or third time that we came back

972

00:36:52,829 --> 00:36:50,640

the the bottle been disturbed it was

973

00:36:56,470 --> 00:36:52,839

laying on its side and the feather was

974

00:36:58,550 --> 00:36:56,480

gone um so we got pretty excited about

975

00:37:00,870 --> 00:36:58,560

that and as i was sort of looking around

976

00:37:02,390 --> 00:37:00,880

the area down near

977

00:37:04,230 --> 00:37:02,400

a little bit further away from there a

978

00:37:05,190 --> 00:37:04,240

couple feet there was this crack in the

979

00:37:07,190 --> 00:37:05,200

rocks

980

00:37:08,870 --> 00:37:07,200

and the feather was sticking in there

981

00:37:12,230 --> 00:37:08,880

perfectly sticking in the crack of rocks

982

00:37:13,829 --> 00:37:12,240

so um to us it was an indication that

983

00:37:16,710 --> 00:37:13,839

maybe

984

00:37:18,470 --> 00:37:16,720

we'd been contacted

985

00:37:22,150 --> 00:37:18,480

right

986

00:37:24,310 --> 00:37:22,160

know because a lot of people i talked to

987

00:37:27,670 --> 00:37:24,320

that that concentrated majority of the

988

00:37:29,829 --> 00:37:27,680

time on going out in the field and doing

989

00:37:32,310 --> 00:37:29,839

bigfoot research they've often reported

990

00:37:35,670 --> 00:37:32,320

about weird things like sticks being

991

00:37:37,109 --> 00:37:35,680

aligned and set up in certain ways um

992

00:37:39,270 --> 00:37:37,119

you know stuff they would leave behind

993

00:37:40,870 --> 00:37:39,280

it would just be stacked in this this

994

00:37:43,030 --> 00:37:40,880

unnatural way where you know somebody

995

00:37:47,589 --> 00:37:43,040

was actually interacting with it instead

996

00:37:51,990 --> 00:37:49,750

yeah that's that's a popular theory

997

00:37:54,710 --> 00:37:52,000

among among bigfoot investigators i i've

998

00:37:56,470 --> 00:37:54,720

witnessed that myself

999

00:37:58,230 --> 00:37:56,480

most of them i'm not too convinced of

1000

00:38:00,630 --> 00:37:58,240

but there's definitely been

1001
00:38:02,470 --> 00:38:00,640
you know i can count on one hand

1002
00:38:04,150 --> 00:38:02,480
so not many but somewhere you really

1003
00:38:05,670 --> 00:38:04,160
look at it and go that does not look

1004
00:38:07,750 --> 00:38:05,680
right that does not

1005
00:38:11,030 --> 00:38:07,760
look like something natural happened so

1006
00:38:14,470 --> 00:38:11,040
i i've definitely seen that before

1007
00:38:17,030 --> 00:38:15,349
maybe

1008
00:38:19,430 --> 00:38:17,040
so this was in the summer that we got

1009
00:38:20,310 --> 00:38:19,440
this indication so going to our land

1010
00:38:22,790 --> 00:38:20,320
takes

1011
00:38:25,030 --> 00:38:22,800
you we have to drive up the mountain and

1012
00:38:26,150 --> 00:38:25,040
it takes it's it's no simple thing to do

1013
00:38:29,670 --> 00:38:26,160

and then

1014

00:38:31,990 --> 00:38:29,680

we're we're a locked gated community and

1015

00:38:32,790 --> 00:38:32,000

double double gates and nobody can get

1016

00:38:35,589 --> 00:38:32,800

in

1017

00:38:37,190 --> 00:38:35,599

so it's very unpopulated

1018

00:38:38,710 --> 00:38:37,200

and maybe there's a couple people that

1019

00:38:42,069 --> 00:38:38,720

have

1020

00:38:44,310 --> 00:38:42,079

all around

1021

00:38:45,589 --> 00:38:44,320

so there this place where the feather

1022

00:38:47,990 --> 00:38:45,599

was in

1023

00:38:49,990 --> 00:38:48,000

and it moved out of the bottle is

1024

00:38:51,750 --> 00:38:50,000

probably about

1025

00:38:53,990 --> 00:38:51,760

40 feet off the road wouldn't you say

1026
00:38:55,990 --> 00:38:54,000
ellen something like that yeah maybe a

1027
00:38:57,750 --> 00:38:56,000
little more than that it's like off the

1028
00:38:59,430 --> 00:38:57,760
road in down a little bit it sort of

1029
00:39:00,470 --> 00:38:59,440
starts to go down down the mountain side

1030
00:39:02,069 --> 00:39:00,480
a little bit

1031
00:39:03,990 --> 00:39:02,079
it is something you couldn't really see

1032
00:39:07,109 --> 00:39:04,000
from the road yeah

1033
00:39:09,589 --> 00:39:07,119
but so right right next to

1034
00:39:11,349 --> 00:39:09,599
where where the where we had tucked the

1035
00:39:12,470 --> 00:39:11,359
feather and got the feather out of the

1036
00:39:15,190 --> 00:39:12,480
bottle

1037
00:39:16,790 --> 00:39:15,200
he was in the fall and we came up there

1038
00:39:19,270 --> 00:39:16,800

and right there

1039

00:39:22,710 --> 00:39:19,280

dropped it as if it were re-gifted was a

1040

00:39:26,950 --> 00:39:25,270

which you know freaked us out

1041

00:39:30,069 --> 00:39:26,960

yeah

1042

00:39:32,390 --> 00:39:30,079

uh no head no blood no organs

1043

00:39:33,829 --> 00:39:32,400

um untouched otherwise

1044

00:39:35,910 --> 00:39:33,839

right so

1045

00:39:38,710 --> 00:39:35,920

some some legs were snapped some were

1046

00:39:41,990 --> 00:39:38,720

cut clean cut

1047

00:39:43,430 --> 00:39:42,000

and uh

1048

00:39:45,349 --> 00:39:43,440

we had some other

1049

00:39:46,870 --> 00:39:45,359

the feelings we had on that particular

1050

00:39:48,470 --> 00:39:46,880

day were

1051
00:39:50,390 --> 00:39:48,480
were

1052
00:39:52,550 --> 00:39:50,400
strange to say the least i had a very

1053
00:39:54,710 --> 00:39:52,560
strange

1054
00:39:56,950 --> 00:39:54,720
feeling about it

1055
00:39:58,069 --> 00:39:56,960
my daughter alan's wife had strange

1056
00:39:59,990 --> 00:39:58,079
feelings i can't remember what your

1057
00:40:02,230 --> 00:40:00,000
feeling was about it alan

1058
00:40:04,230 --> 00:40:02,240
i was just shocked i mean

1059
00:40:05,349 --> 00:40:04,240
the fact that we had sort of your

1060
00:40:07,670 --> 00:40:05,359
typical

1061
00:40:09,270 --> 00:40:07,680
cattle type mutilation i mean it was a

1062
00:40:11,030 --> 00:40:09,280
deer in this case but it was

1063
00:40:12,470 --> 00:40:11,040

it's just like something you see on tv

1064

00:40:13,829 --> 00:40:12,480

and the fact that it was

1065

00:40:15,589 --> 00:40:13,839

sitting

1066

00:40:18,950 --> 00:40:15,599

right in that spot

1067

00:40:21,109 --> 00:40:18,960

was no coincidence i mean that just

1068

00:40:23,430 --> 00:40:21,119

i i remember i walked down i think i was

1069

00:40:24,950 --> 00:40:23,440

the first one to see it and

1070

00:40:27,030 --> 00:40:24,960

i just stopped dead in my tracks and i

1071

00:40:29,030 --> 00:40:27,040

was like oh my god and i turned around

1072

00:40:31,109 --> 00:40:29,040

and uh my buddy jesse was with me and i

1073

00:40:32,710 --> 00:40:31,119

was like turn this video camera on and

1074

00:40:33,750 --> 00:40:32,720

just go down there and tell me what you

1075

00:40:36,790 --> 00:40:33,760

see

1076

00:40:38,470 --> 00:40:36,800

so he did and he was pretty shocked too

1077

00:40:40,630 --> 00:40:38,480

i was going to ask about specifically

1078

00:40:42,950 --> 00:40:40,640

these feelings um from the sounds of it

1079

00:40:45,349 --> 00:40:42,960

you don't necessarily let them

1080

00:40:46,950 --> 00:40:45,359

scare you away you you're aware of it

1081

00:40:48,550 --> 00:40:46,960

that it's happening but it's i guess

1082

00:40:50,390 --> 00:40:48,560

something that you're going to have to

1083

00:40:51,670 --> 00:40:50,400

kind of get over and just keep tracking

1084

00:40:53,990 --> 00:40:51,680

right

1085

00:40:55,430 --> 00:40:54,000

yeah i mean for me it's been about you

1086

00:40:57,109 --> 00:40:55,440

know this is what i've been chasing this

1087

00:40:58,630 --> 00:40:57,119

is i want answers i want to know what's

1088

00:41:00,230 --> 00:40:58,640

going on i want to have encounters i

1089

00:41:01,990 --> 00:41:00,240

want to have interactions so if

1090

00:41:04,069 --> 00:41:02,000

something's happening i'm i'm going to

1091

00:41:05,990 --> 00:41:04,079

it i'm not running away this doesn't

1092

00:41:08,309 --> 00:41:06,000

this doesn't scare me this is why i do

1093

00:41:10,790 --> 00:41:08,319

it this is what i do it for

1094

00:41:13,589 --> 00:41:10,800

and i i've been a long time

1095

00:41:16,309 --> 00:41:13,599

practitioner of meditation and other

1096

00:41:18,390 --> 00:41:16,319

processes that have opened me up to

1097

00:41:22,230 --> 00:41:18,400

other phenomena

1098

00:41:23,750 --> 00:41:22,240

that uh like out-of-body experiences

1099

00:41:26,069 --> 00:41:23,760

and a number of other things so this

1100

00:41:27,589 --> 00:41:26,079

doesn't spook me and intrigues me i

1101

00:41:29,589 --> 00:41:27,599

think something's

1102

00:41:30,630 --> 00:41:29,599

trying to contact us and say hey we're

1103

00:41:32,790 --> 00:41:30,640

here

1104

00:41:34,870 --> 00:41:32,800

and the fact that

1105

00:41:36,550 --> 00:41:34,880

we are filming it is an interesting

1106

00:41:38,230 --> 00:41:36,560

indication so

1107

00:41:39,349 --> 00:41:38,240

so without letting the cat out of the

1108

00:41:40,870 --> 00:41:39,359

bag we

1109

00:41:43,190 --> 00:41:40,880

we decided

1110

00:41:45,030 --> 00:41:43,200

after our initial kind of like holy sh

1111

00:41:46,950 --> 00:41:45,040

holy crap but what is this about we

1112

00:41:49,030 --> 00:41:46,960

would come back

1113

00:41:50,150 --> 00:41:49,040

and on the next weekend and we'd bring

1114

00:41:52,710 --> 00:41:50,160

another guy

1115

00:41:55,430 --> 00:41:52,720

and we'd bring some equipment to measure

1116

00:41:58,550 --> 00:41:55,440

take some measurements around the

1117

00:41:59,430 --> 00:41:58,560

the mutilated carcass and set up a trail

1118

00:42:02,069 --> 00:41:59,440

cam

1119

00:42:04,069 --> 00:42:02,079

and that's when the fun really began so

1120

00:42:07,190 --> 00:42:04,079

how much do you want us to reveal

1121

00:42:08,550 --> 00:42:07,200

i probably wouldn't do too much more

1122

00:42:10,069 --> 00:42:08,560

well you know hey

1123

00:42:11,829 --> 00:42:10,079

this should be a good cliffhanger it's

1124

00:42:13,829 --> 00:42:11,839

like check out

1125

00:42:15,829 --> 00:42:13,839

the ozark ufo conference

1126
00:42:17,829 --> 00:42:15,839
and not only that they get to meet you

1127
00:42:19,829 --> 00:42:17,839
as well you know and that also adds

1128
00:42:22,630 --> 00:42:19,839
that's a whole new dimension to

1129
00:42:24,390 --> 00:42:22,640
to uh the information you hear about

1130
00:42:26,550 --> 00:42:24,400
so we'll be telling the story in detail

1131
00:42:28,710 --> 00:42:26,560
and we'll have you know photos from the

1132
00:42:30,630 --> 00:42:28,720
scene and video and all kinds of other

1133
00:42:32,390 --> 00:42:30,640
things to as part of a presentation so

1134
00:42:33,270 --> 00:42:32,400
you'll get the whole experience uh in

1135
00:42:35,670 --> 00:42:33,280
person

1136
00:42:37,910 --> 00:42:35,680
i'll tell you one thing we actually got

1137
00:42:40,150 --> 00:42:37,920
captured on camera a creature

1138
00:42:42,950 --> 00:42:40,160

clear as a bill

1139

00:42:45,270 --> 00:42:42,960

well so let me ask you then uh one more

1140

00:42:48,470 --> 00:42:45,280

question here

1141

00:42:50,790 --> 00:42:48,480

uh will it will you you mean you will be

1142

00:42:54,150 --> 00:42:50,800

showing the footage at the ozark

1143

00:42:55,589 --> 00:42:54,160

yes oh wow i'm i'm i'm excited now too

1144

00:42:57,270 --> 00:42:55,599

i'm glad i get

1145

00:42:59,510 --> 00:42:57,280

get to be there

1146

00:43:01,510 --> 00:42:59,520

so let me ask you then one more question

1147

00:43:03,990 --> 00:43:01,520

and then also while i'm doing that i

1148

00:43:05,990 --> 00:43:04,000

want to then open this up for a q a if

1149

00:43:07,349 --> 00:43:06,000

that's okay with you guys

1150

00:43:09,270 --> 00:43:07,359

yeah that'd be great all right so

1151
00:43:09,990 --> 00:43:09,280
everyone else watching if you can please

1152
00:43:12,470 --> 00:43:10,000
start

1153
00:43:14,470 --> 00:43:12,480
submitting your questions now as always

1154
00:43:17,109 --> 00:43:14,480
please leave or put the three asterisks

1155
00:43:18,710 --> 00:43:17,119
before your question or if you are on

1156
00:43:20,550 --> 00:43:18,720
telegram right now

1157
00:43:22,390 --> 00:43:20,560
simply raise your hand and that will put

1158
00:43:24,390 --> 00:43:22,400
you in my queue and that's when i know

1159
00:43:25,190 --> 00:43:24,400
you would like to talk to the guests

1160
00:43:27,430 --> 00:43:25,200
so

1161
00:43:29,270 --> 00:43:27,440
while i ask him uh that question i hope

1162
00:43:32,790 --> 00:43:29,280
you take that opportunity to submit your

1163
00:43:33,510 --> 00:43:32,800

questions so what i wanted to ask um

1164

00:43:35,430 --> 00:43:33,520

so

1165

00:43:36,630 --> 00:43:35,440

often people have all you know described

1166

00:43:38,230 --> 00:43:36,640

that if there was

1167

00:43:39,910 --> 00:43:38,240

uh there always

1168

00:43:42,309 --> 00:43:39,920

things always just happening right

1169

00:43:44,150 --> 00:43:42,319

outside of camera view or you know

1170

00:43:46,309 --> 00:43:44,160

cameras would die down as you guys have

1171

00:43:48,150 --> 00:43:46,319

mentioned or things like is you know as

1172

00:43:49,670 --> 00:43:48,160

long as you have the camera on nothing

1173

00:43:51,270 --> 00:43:49,680

happens the second you turn it off

1174

00:43:53,190 --> 00:43:51,280

that's when all that stuff you know good

1175

00:43:55,670 --> 00:43:53,200

stuff happens have you guys found that

1176
00:43:58,630 --> 00:43:55,680
to be the you know the same same thing

1177
00:44:00,230 --> 00:43:58,640
or is it is it kind of like

1178
00:44:01,990 --> 00:44:00,240
can do you think they might sense who

1179
00:44:03,910 --> 00:44:02,000
you are and what you're there for so

1180
00:44:06,390 --> 00:44:03,920
they maybe sometimes don't mind you

1181
00:44:08,790 --> 00:44:06,400
recording certain things or getting on

1182
00:44:10,790 --> 00:44:08,800
on camera

1183
00:44:12,630 --> 00:44:10,800
we we think that they

1184
00:44:14,790 --> 00:44:12,640
this is my opinion that

1185
00:44:17,589 --> 00:44:14,800
they approve whatever they are he is and

1186
00:44:20,309 --> 00:44:17,599
i have no explanation is approving what

1187
00:44:23,270 --> 00:44:20,319
we're doing and it's allowing us to

1188
00:44:26,150 --> 00:44:23,280

capture on film things that most people

1189

00:44:27,990 --> 00:44:26,160

seem to not have the opportunity to do

1190

00:44:29,349 --> 00:44:28,000

we i don't think we've we've never had a

1191

00:44:30,950 --> 00:44:29,359

situation

1192

00:44:32,870 --> 00:44:30,960

where we wanted to film something and it

1193

00:44:34,870 --> 00:44:32,880

hasn't worked out

1194

00:44:36,550 --> 00:44:34,880

yeah but we usually don't film what we

1195

00:44:39,030 --> 00:44:36,560

think we're gonna film where we go there

1196

00:44:41,190 --> 00:44:39,040

to film you know um a bigfoot coming

1197

00:44:42,950 --> 00:44:41,200

through a portal instead we get some

1198

00:44:44,710 --> 00:44:42,960

tiny little thing or something so it's

1199

00:44:46,870 --> 00:44:44,720

it's always a surprise you never get

1200

00:44:49,510 --> 00:44:46,880

what you really want

1201
00:44:51,510 --> 00:44:49,520
but it we definitely have had success in

1202
00:44:54,470 --> 00:44:51,520
getting things captured and i think it

1203
00:44:56,150 --> 00:44:54,480
is something to do with the fact that um

1204
00:44:57,910 --> 00:44:56,160
our approach and in the way we're doing

1205
00:44:59,750 --> 00:44:57,920
it and our intentions and

1206
00:45:01,430 --> 00:44:59,760
it's not it's not to make a million

1207
00:45:03,109 --> 00:45:01,440
dollars and be the next

1208
00:45:05,270 --> 00:45:03,119
hero of the world or whatever we're just

1209
00:45:08,069 --> 00:45:05,280
trying to understand and share the

1210
00:45:09,670 --> 00:45:08,079
mystery and and educate people on on

1211
00:45:11,589 --> 00:45:09,680
what's going on out there

1212
00:45:13,109 --> 00:45:11,599
and make it okay for them to have their

1213
00:45:13,990 --> 00:45:13,119

own experiences

1214

00:45:16,390 --> 00:45:14,000

for sure

1215

00:45:17,750 --> 00:45:16,400

and to talk about them like like the

1216

00:45:19,270 --> 00:45:17,760

little creature

1217

00:45:20,550 --> 00:45:19,280

and it wasn't that little that we

1218

00:45:22,470 --> 00:45:20,560

captured on

1219

00:45:25,190 --> 00:45:22,480

on film

1220

00:45:26,630 --> 00:45:25,200

in wisconsin the beast of bray road

1221

00:45:28,470 --> 00:45:26,640

we were expecting something that was

1222

00:45:29,990 --> 00:45:28,480

like seven feet tall

1223

00:45:31,349 --> 00:45:30,000

and when it showed up

1224

00:45:32,790 --> 00:45:31,359

small

1225

00:45:34,790 --> 00:45:32,800

that kind of blew our minds that wasn't

1226

00:45:36,150 --> 00:45:34,800

one what i pictured it would be if we

1227

00:45:38,230 --> 00:45:36,160

captured something

1228

00:45:40,069 --> 00:45:38,240

but it sure was

1229

00:45:41,589 --> 00:45:40,079

quite interesting that some

1230

00:45:43,510 --> 00:45:41,599

something would sit there and stare at

1231

00:45:46,870 --> 00:45:43,520

us and move around and

1232

00:45:47,670 --> 00:45:46,880

let us shine lights in his eyes and

1233

00:45:50,870 --> 00:45:47,680

for

1234

00:45:52,710 --> 00:45:50,880

like 15 minutes it was

1235

00:45:55,190 --> 00:45:52,720

and we're talking and yelling and

1236

00:45:57,750 --> 00:45:55,200

allen's all excited and

1237

00:45:59,750 --> 00:45:57,760

and we got it on two cameras

1238

00:46:02,390 --> 00:45:59,760

not only one but two kind of verifying

1239

00:46:03,829 --> 00:46:02,400

wasn't a camera malfunction

1240

00:46:05,430 --> 00:46:03,839

so does that

1241

00:46:07,270 --> 00:46:05,440

i don't know if we're special in any way

1242

00:46:09,030 --> 00:46:07,280

but we certainly haven't

1243

00:46:11,030 --> 00:46:09,040

it seems like something's blessing us

1244

00:46:13,349 --> 00:46:11,040

every time we go we get stuff yeah it

1245

00:46:18,150 --> 00:46:15,190

all right well thank you for you know

1246

00:46:19,990 --> 00:46:18,160

answering that part so i think this

1247

00:46:23,829 --> 00:46:20,000

the first question i have is from

1248

00:46:25,430 --> 00:46:23,839

claudine g and i think you guys

1249

00:46:27,430 --> 00:46:25,440

for the sake of asking your question

1250

00:46:29,430 --> 00:46:27,440

i'll ask again i know you went into it a

1251
00:46:31,270 --> 00:46:29,440
little bit but her question was how can

1252
00:46:32,230 --> 00:46:31,280
you open a portal and i don't know if

1253
00:46:36,150 --> 00:46:32,240
there's

1254
00:46:38,470 --> 00:46:36,160
more pointers you might be able to give

1255
00:46:39,349 --> 00:46:38,480
well i mean i think for us it was

1256
00:46:41,670 --> 00:46:39,359
sort of

1257
00:46:43,670 --> 00:46:41,680
by accident i mean we we set out to try

1258
00:46:45,750 --> 00:46:43,680
to to do something but i don't know that

1259
00:46:47,829 --> 00:46:45,760
we expected to succeed

1260
00:46:48,630 --> 00:46:47,839
so i'm not exactly

1261
00:46:50,790 --> 00:46:48,640
sure

1262
00:46:53,510 --> 00:46:50,800
what it was i think it was

1263
00:46:55,109 --> 00:46:53,520

sort of maybe a reward for

1264

00:46:57,109 --> 00:46:55,119

you know

1265

00:46:59,670 --> 00:46:57,119

for what we've done and what we'd shared

1266

00:47:00,630 --> 00:46:59,680

i don't know what do you think ron

1267

00:47:02,230 --> 00:47:00,640

uh

1268

00:47:03,589 --> 00:47:02,240

i asked one of my colleagues the

1269

00:47:06,630 --> 00:47:03,599

question

1270

00:47:09,270 --> 00:47:06,640

what if it was so easy for us to

1271

00:47:12,950 --> 00:47:09,280

to open a portal like this

1272

00:47:14,790 --> 00:47:12,960

um other people must be doing it as well

1273

00:47:19,829 --> 00:47:14,800

and he replied back yeah probably

1274

00:47:26,230 --> 00:47:21,829

all right uh thank you for that so the

1275

00:47:27,829 --> 00:47:26,240

other question is from sonia mccler

1276

00:47:30,309 --> 00:47:27,839

she's asking have you guys heard of

1277

00:47:32,630 --> 00:47:30,319

scott nelson and i've had scott nelson

1278

00:47:34,549 --> 00:47:32,640

on on before several times actually and

1279

00:47:37,349 --> 00:47:34,559

i also have him speak

1280

00:47:40,230 --> 00:47:37,359

at the conference he's also he and

1281

00:47:42,710 --> 00:47:40,240

ron moorhead were the ones that ron

1282

00:47:43,670 --> 00:47:42,720

originally i guess attained somehow

1283

00:47:46,069 --> 00:47:43,680

these

1284

00:47:48,150 --> 00:47:46,079

uh what he calls him the bigfoot sounds

1285

00:47:50,309 --> 00:47:48,160

and then scott was the one that using

1286

00:47:53,430 --> 00:47:50,319

his background in the navy analyzed

1287

00:47:55,670 --> 00:47:53,440

analyzed it anyway the question is um

1288

00:47:57,589 --> 00:47:55,680

have you heard of scott nelson and

1289

00:48:00,230 --> 00:47:57,599

his team search with his parties in

1290

00:48:03,190 --> 00:48:00,240

california sierra foothills they have

1291

00:48:05,349 --> 00:48:03,200

some amazing uh documentation as well

1292

00:48:07,829 --> 00:48:05,359

do you can you speak to that

1293

00:48:10,230 --> 00:48:07,839

yeah i'm familiar with scott nielsen i i

1294

00:48:13,349 --> 00:48:10,240

know he analyzed the sierra sounds uh

1295

00:48:15,750 --> 00:48:13,359

i've uh i've met with ron moorhead on on

1296

00:48:18,230 --> 00:48:15,760

a few occasions and and heard him speak

1297

00:48:19,510 --> 00:48:18,240

and he talks about the analysis i'm

1298

00:48:21,109 --> 00:48:19,520

looking forward to meeting him i've not

1299

00:48:23,109 --> 00:48:21,119

met him before so that's one of the

1300

00:48:24,470 --> 00:48:23,119

people i'm excited to meet uh when we're

1301

00:48:25,750 --> 00:48:24,480

in arkansas

1302

00:48:28,790 --> 00:48:25,760

um yeah

1303

00:48:30,069 --> 00:48:28,800

scott nelson we know morehead quite well

1304

00:48:31,670 --> 00:48:30,079

right right right

1305

00:48:33,589 --> 00:48:31,680

oh yeah that's right i feel so silly

1306

00:48:36,630 --> 00:48:33,599

he's god's also going to be a speaker

1307

00:48:40,230 --> 00:48:36,640

there sorry but yeah totally

1308

00:48:41,270 --> 00:48:40,240

uh right right um okay so the next one

1309

00:48:43,349 --> 00:48:41,280

is from

1310

00:48:45,750 --> 00:48:43,359

uh breathe and let go

1311

00:48:48,950 --> 00:48:45,760

says do you think bigfoot is part of

1312

00:48:52,069 --> 00:48:48,960

part human in regards to sumerian script

1313

00:48:55,349 --> 00:48:52,079

scripts claiming our dna was altered at

1314

00:49:00,470 --> 00:48:58,470

for me it was it was a possibility

1315

00:49:02,390 --> 00:49:00,480

but i think

1316

00:49:07,910 --> 00:49:02,400

i think that possibility is a little bit

1317

00:49:10,230 --> 00:49:07,920

less now um just from my experiences um

1318

00:49:12,309 --> 00:49:10,240

is it is it part of human now i don't i

1319

00:49:16,950 --> 00:49:12,319

don't think so was it part human at some

1320

00:49:20,470 --> 00:49:16,960

point it's maybe i i don't know

1321

00:49:23,990 --> 00:49:20,480

i i have no sense that it is in any way

1322

00:49:26,549 --> 00:49:24,000

related to us genetically

1323

00:49:29,510 --> 00:49:26,559

is it just a just a feeling or or a

1324

00:49:33,270 --> 00:49:31,190

um

1325

00:49:35,349 --> 00:49:33,280

well part of it is that no real evidence

1326

00:49:37,589 --> 00:49:35,359

has ever showed up that that would

1327

00:49:38,470 --> 00:49:37,599

validate that

1328

00:49:43,349 --> 00:49:38,480

that

1329

00:49:45,190 --> 00:49:43,359

with dna evidence of of anything they

1330

00:49:46,630 --> 00:49:45,200

would attribute to something called

1331

00:49:48,950 --> 00:49:46,640

bigfoot that

1332

00:49:50,470 --> 00:49:48,960

is legitimate as far as i know

1333

00:49:51,750 --> 00:49:50,480

right

1334

00:49:53,750 --> 00:49:51,760

okay

1335

00:49:55,430 --> 00:49:53,760

well the

1336

00:49:59,030 --> 00:49:55,440

yeah because that has there has been

1337

00:50:02,230 --> 00:49:59,040

quite quite a uh this brouhaha about

1338

00:50:04,950 --> 00:50:02,240

just constantly dna dna and h it seemed

1339

00:50:07,190 --> 00:50:04,960

like um in the early 2000s maybe my

1340

00:50:08,710 --> 00:50:07,200

memory is a bit off now but it seemed

1341

00:50:11,109 --> 00:50:08,720

like there was constantly somebody

1342

00:50:13,349 --> 00:50:11,119

claiming they shot bigfoot and they have

1343

00:50:15,990 --> 00:50:13,359

you know they have some proof and it's

1344

00:50:17,430 --> 00:50:16,000

like after the first scam second scam

1345

00:50:19,190 --> 00:50:17,440

after you know after a while you just

1346

00:50:21,510 --> 00:50:19,200

kind of stop watching because you know

1347

00:50:24,950 --> 00:50:21,520

it's either going to be

1348

00:50:26,710 --> 00:50:24,960

some somebody in a suit or some you know

1349

00:50:29,030 --> 00:50:26,720

carcass of some animal that's already

1350

00:50:30,470 --> 00:50:29,040

known you know and um

1351

00:50:33,109 --> 00:50:30,480

i don't know do you guys get frustrated

1352

00:50:38,309 --> 00:50:35,750

i i don't we we're not looking for

1353

00:50:40,470 --> 00:50:38,319

footprints and hair and in dna i mean

1354

00:50:41,510 --> 00:50:40,480

we're we're sort of beyond that now to

1355

00:50:44,150 --> 00:50:41,520

having

1356

00:50:46,230 --> 00:50:44,160

these contact experiences um and that's

1357

00:50:48,950 --> 00:50:46,240

much more fulfilling and a whole lot

1358

00:50:51,030 --> 00:50:48,960

less frustrating

1359

00:50:54,630 --> 00:50:51,040

yeah you know there's a whole

1360

00:50:56,630 --> 00:50:54,640

whole new kind of religious religiosity

1361

00:50:59,670 --> 00:50:56,640

underway attached to

1362

00:51:01,829 --> 00:50:59,680

the aliens and ufos and bigfoot mainly

1363

00:51:04,790 --> 00:51:01,839

through contact experiences

1364

00:51:07,190 --> 00:51:04,800

of one form another telepathic quick

1365

00:51:11,109 --> 00:51:07,200

glimpses that seem to be designed for

1366

00:51:14,150 --> 00:51:11,119

you that this has been going on forever

1367

00:51:15,750 --> 00:51:14,160

and it does point to some aspect of us

1368

00:51:16,950 --> 00:51:15,760

that we normally don't have in touch

1369

00:51:19,349 --> 00:51:16,960

with or

1370

00:51:21,829 --> 00:51:19,359

or perhaps it's a

1371

00:51:24,150 --> 00:51:21,839

lifting of the veil of on

1372

00:51:26,710 --> 00:51:24,160

a reality we don't normally get to

1373

00:51:29,190 --> 00:51:26,720

experience see touch feel

1374

00:51:31,670 --> 00:51:29,200

or encounter in any way and that these

1375

00:51:34,950 --> 00:51:31,680

things seem to be growing in frequency

1376

00:51:36,710 --> 00:51:34,960

and people are more readily sharing them

1377

00:51:39,670 --> 00:51:36,720

so it's it's

1378

00:51:42,069 --> 00:51:39,680

this isn't merged in the 21st century

1379

00:51:43,750 --> 00:51:42,079

quite a bit particularly around ufos i

1380

00:51:46,549 --> 00:51:43,760

would say you must have heard of that

1381

00:51:48,309 --> 00:51:46,559

already haven't you

1382

00:51:50,549 --> 00:51:48,319

which part

1383

00:51:51,829 --> 00:51:50,559

the part that ufos is kind of forming a

1384

00:51:54,790 --> 00:51:51,839

religion

1385

00:51:56,870 --> 00:51:54,800

you know the memes from the x-files i

1386

00:51:59,990 --> 00:51:56,880

want to believe and the truth is out

1387

00:52:00,870 --> 00:52:00,000

there right well in my in my experience

1388

00:52:03,109 --> 00:52:00,880

well

1389

00:52:04,790 --> 00:52:03,119

you know i think we're you'll find that

1390

00:52:07,430 --> 00:52:04,800

you know i know we don't know each other

1391

00:52:10,950 --> 00:52:07,440

very well but for me i see everything as

1392

00:52:12,950 --> 00:52:10,960

one you know and uh paranormal uh

1393

00:52:15,430 --> 00:52:12,960

cryptids like bigfoot and all these

1394

00:52:17,430 --> 00:52:15,440

other things are new force it's um uh

1395

00:52:19,109 --> 00:52:17,440

through my experience expression of of

1396

00:52:21,829 --> 00:52:19,119

the one and the same but that's all

1397

00:52:23,109 --> 00:52:21,839

whole another conversation and so but

1398

00:52:25,190 --> 00:52:23,119

what i was going to say is that

1399

00:52:27,430 --> 00:52:25,200

regarding this uh

1400

00:52:30,950 --> 00:52:27,440

religious approach to these different

1401

00:52:32,870 --> 00:52:30,960

things i find it that some people really

1402

00:52:35,030 --> 00:52:32,880

find it interesting they they really

1403

00:52:35,990 --> 00:52:35,040

love it and they get into the subject

1404

00:52:39,190 --> 00:52:36,000

and so

1405

00:52:40,870 --> 00:52:39,200

um for some reason some and it depends

1406

00:52:43,589 --> 00:52:40,880

on from person to person

1407

00:52:46,470 --> 00:52:43,599

um but it's not everybody that they need

1408

00:52:48,470 --> 00:52:46,480

a validation and so they want someone

1409

00:52:50,710 --> 00:52:48,480

else to believe they want someone else

1410

00:52:52,230 --> 00:52:50,720

to tell them i see what you're seeing

1411

00:52:54,230 --> 00:52:52,240

you know it's like what you're doing the

1412

00:52:56,790 --> 00:52:54,240

time you're you're spending it's not in

1413

00:52:58,790 --> 00:52:56,800

vain keep at it and so of course then

1414

00:53:00,630 --> 00:52:58,800

you know if they don't get that it turns

1415

00:53:02,630 --> 00:53:00,640

into well fine if you don't believe me

1416

00:53:05,829 --> 00:53:02,640

i'm gonna be even more over the top with

1417

00:53:08,870 --> 00:53:05,839

it and so uh it's it's i found it that

1418

00:53:12,309 --> 00:53:08,880

it really kind of is based back down in

1419

00:53:15,030 --> 00:53:12,319

the very most rudimentary of human uh um

1420

00:53:17,510 --> 00:53:15,040

emotions is that the the need of for

1421

00:53:18,950 --> 00:53:17,520

approval you know because i

1422

00:53:20,549 --> 00:53:18,960

from my personal experience and many

1423

00:53:22,470 --> 00:53:20,559

other people that when they've had

1424

00:53:24,150 --> 00:53:22,480

experience on their own the last thing

1425

00:53:25,430 --> 00:53:24,160

they need is someone else to validate it

1426
00:53:26,710 --> 00:53:25,440
they know what they've seen they know

1427
00:53:28,150 --> 00:53:26,720
what they've experienced and it's like

1428
00:53:31,109 --> 00:53:28,160
they don't need anyone not to tell them

1429
00:53:33,349 --> 00:53:31,119
otherwise you know and it's the the very

1430
00:53:35,349 --> 00:53:33,359
few that kind of really get frustrated

1431
00:53:37,030 --> 00:53:35,359
that oh god i wish i could see what you

1432
00:53:39,670 --> 00:53:37,040
saw i wish i had the experience that you

1433
00:53:42,069 --> 00:53:39,680
had you know only then does it turn more

1434
00:53:43,910 --> 00:53:42,079
into this uh cult following but that's

1435
00:53:45,990 --> 00:53:43,920
just my opinion just over the years

1436
00:53:51,349 --> 00:53:46,000
that's that's what i'm kind of able to

1437
00:53:51,359 --> 00:53:54,309
okay

1438
00:53:59,589 --> 00:53:57,030

all right so um well uh the next

1439

00:54:02,309 --> 00:53:59,599

question is actually from paulie coming

1440

00:54:04,069 --> 00:54:02,319

in uh from telegram let me unmute him

1441

00:54:07,109 --> 00:54:04,079

paul you're unmuted and you should be

1442

00:54:11,190 --> 00:54:10,230

hey guys fascinating uh conversation and

1443

00:54:14,230 --> 00:54:11,200

um

1444

00:54:15,829 --> 00:54:14,240

i once met these guys called the navajo

1445

00:54:17,270 --> 00:54:15,839

rangers and they had a lot of similar

1446

00:54:18,950 --> 00:54:17,280

stories from their experience just

1447

00:54:20,630 --> 00:54:18,960

working out in the desert

1448

00:54:22,069 --> 00:54:20,640

and they mentioned that a lot of this

1449

00:54:23,750 --> 00:54:22,079

stuff happens

1450

00:54:25,750 --> 00:54:23,760

at i guess what they call is the

1451

00:54:27,430 --> 00:54:25,760

witching hour which is like

1452

00:54:28,589 --> 00:54:27,440

two or three in the morning and they

1453

00:54:31,589 --> 00:54:28,599

think it's because maybe the

1454

00:54:33,750 --> 00:54:31,599

electromagnetic field is weaker when the

1455

00:54:35,750 --> 00:54:33,760

sun's on the other side so you guys are

1456

00:54:37,430 --> 00:54:35,760

talking about hot spots like do you

1457

00:54:38,950 --> 00:54:37,440

think there's times where there's hot

1458

00:54:42,150 --> 00:54:38,960

spot times

1459

00:54:46,789 --> 00:54:45,190

we've heard that as well

1460

00:54:49,829 --> 00:54:46,799

um

1461

00:54:50,710 --> 00:54:49,839

i think our pattern doesn't

1462

00:54:52,470 --> 00:54:50,720

usually

1463

00:54:56,069 --> 00:54:52,480

a lot of stuff has occurred in the early

1464

00:54:57,750 --> 00:54:56,079

evening darkness would you say hello

1465

00:54:59,430 --> 00:54:57,760

yeah we don't you know a lot of these

1466

00:55:00,789 --> 00:54:59,440

times we're we're not necessarily out

1467

00:55:02,630 --> 00:55:00,799

there at two o'clock in the morning we

1468

00:55:04,789 --> 00:55:02,640

might be out there at nine or ten you

1469

00:55:06,789 --> 00:55:04,799

know the early evening and we've had

1470

00:55:09,109 --> 00:55:06,799

plenty of things happen now if it

1471

00:55:11,030 --> 00:55:09,119

intensifies as it gets later i mean i've

1472

00:55:13,829 --> 00:55:11,040

definitely had that happen

1473

00:55:15,670 --> 00:55:13,839

but it's not been consistent pattern

1474

00:55:19,270 --> 00:55:15,680

that i could say that

1475

00:55:21,109 --> 00:55:19,280

that for you know absolute certainty

1476
00:55:23,589 --> 00:55:21,119
you know the idea that there are places

1477
00:55:25,829 --> 00:55:23,599
that are thinner to the other side it

1478
00:55:26,950 --> 00:55:25,839
goes way back in history

1479
00:55:27,990 --> 00:55:26,960
um

1480
00:55:30,230 --> 00:55:28,000
many

1481
00:55:31,910 --> 00:55:30,240
you know catholic

1482
00:55:34,710 --> 00:55:31,920
saints and so on who had their

1483
00:55:36,789 --> 00:55:34,720
experiences and they turn into these

1484
00:55:38,470 --> 00:55:36,799
they build cathedrals on these these

1485
00:55:39,430 --> 00:55:38,480
places that are thinner to the other

1486
00:55:40,950 --> 00:55:39,440
side

1487
00:55:42,870 --> 00:55:40,960
and then there's this whole theory of

1488
00:55:45,430 --> 00:55:42,880

ley lines that there are these

1489

00:55:47,430 --> 00:55:45,440

lines of crisscross ears and

1490

00:55:48,950 --> 00:55:47,440

and they're they're indications of hot

1491

00:55:50,470 --> 00:55:48,960

spots as well

1492

00:55:54,390 --> 00:55:50,480

i haven't verified it but you know it's

1493

00:55:58,549 --> 00:55:56,710

okay uh let me see it um

1494

00:56:00,870 --> 00:55:58,559

uh paula pauly did you have a follow-up

1495

00:56:04,630 --> 00:56:00,880

question

1496

00:56:08,309 --> 00:56:04,640

yeah um i've also heard or maybe read

1497

00:56:10,390 --> 00:56:08,319

reports of uh maybe bigfoot experiencers

1498

00:56:11,910 --> 00:56:10,400

but instead of seeing it it's like a

1499

00:56:15,030 --> 00:56:11,920

psychic

1500

00:56:18,390 --> 00:56:15,040

projection of an image or something

1501
00:56:19,829 --> 00:56:18,400
in their consciousness or their view

1502
00:56:22,069 --> 00:56:19,839
have you guys had any experience like

1503
00:56:23,430 --> 00:56:22,079
that or ever heard of anything like that

1504
00:56:24,549 --> 00:56:23,440
if you know what i'm talking about maybe

1505
00:56:27,030 --> 00:56:24,559
not

1506
00:56:29,109 --> 00:56:27,040
absolutely answer your questions paulie

1507
00:56:31,109 --> 00:56:29,119
yeah absolutely that's um

1508
00:56:32,789 --> 00:56:31,119
that's been a big part of my journey in

1509
00:56:34,069 --> 00:56:32,799
the last year here

1510
00:56:36,069 --> 00:56:34,079
is um

1511
00:56:38,069 --> 00:56:36,079
we've we've brought in some

1512
00:56:40,150 --> 00:56:38,079
some psychic mediums

1513
00:56:41,750 --> 00:56:40,160

um and and they've shown me some things

1514

00:56:42,549 --> 00:56:41,760

and i've had some experiences with them

1515

00:56:47,510 --> 00:56:42,559

that

1516

00:56:49,589 --> 00:56:47,520

not just possibility but the reality and

1517

00:56:50,630 --> 00:56:49,599

and those are some of the um the most

1518

00:56:53,910 --> 00:56:50,640

special

1519

00:56:56,390 --> 00:56:53,920

contacts that i've actually had um in my

1520

00:56:58,710 --> 00:56:56,400

13 years of doing bigfoot encounters

1521

00:57:01,190 --> 00:56:58,720

have been in the last year or so

1522

00:57:03,270 --> 00:57:01,200

um with this type of interaction i'm

1523

00:57:04,710 --> 00:57:03,280

actually currently um you know we film

1524

00:57:06,150 --> 00:57:04,720

everything we do and i'm putting this

1525

00:57:08,630 --> 00:57:06,160

together right now

1526

00:57:10,710 --> 00:57:08,640

um my little film on my my journey

1527

00:57:13,510 --> 00:57:10,720

through this called spiritual bigfoot um

1528

00:57:15,510 --> 00:57:13,520

where i do make contact in that way and

1529

00:57:17,349 --> 00:57:15,520

i'll have that available at some point

1530

00:57:19,510 --> 00:57:17,359

so i can share that with everyone and

1531

00:57:25,030 --> 00:57:19,520

how that works and and what process i

1532

00:57:28,710 --> 00:57:27,109

um okay i thought maybe uh ron you

1533

00:57:31,349 --> 00:57:28,720

wanted to add

1534

00:57:34,870 --> 00:57:31,359

if not that's all right

1535

00:57:36,309 --> 00:57:34,880

i've had a profound visual sighting of

1536

00:57:41,750 --> 00:57:36,319

some

1537

00:57:44,069 --> 00:57:41,760

full-fledged integrated into the um

1538

00:57:46,069 --> 00:57:44,079

the environment it wasn't uh

1539

00:57:48,950 --> 00:57:46,079

an illusion and it was

1540

00:57:50,630 --> 00:57:48,960

it was conscious it was white it was big

1541

00:57:52,150 --> 00:57:50,640

and it looked at me and it came up a

1542

00:57:53,670 --> 00:57:52,160

road and then turned around and went

1543

00:57:55,990 --> 00:57:53,680

back so

1544

00:57:57,270 --> 00:57:56,000

that's that's my most profound direct

1545

00:58:00,390 --> 00:57:57,280

visual

1546

00:58:02,069 --> 00:58:00,400

contact experience

1547

00:58:03,430 --> 00:58:02,079

it was actually on my way to visit ron

1548

00:58:05,750 --> 00:58:03,440

moorhead

1549

00:58:11,349 --> 00:58:08,870

yeah i was also um going to had a

1550

00:58:13,510 --> 00:58:11,359

earlier this year uh i was going to

1551
00:58:14,950 --> 00:58:13,520
interview ron but then he was moving and

1552
00:58:17,030 --> 00:58:14,960
he was saying that we were best to do it

1553
00:58:18,710 --> 00:58:17,040
later on in the year and i told him i

1554
00:58:19,829 --> 00:58:18,720
have these ozark interviews to get

1555
00:58:21,349 --> 00:58:19,839
through and then definitely going to

1556
00:58:23,829 --> 00:58:21,359
have him on as well

1557
00:58:25,829 --> 00:58:23,839
so um i guess last question then before

1558
00:58:28,549 --> 00:58:25,839
we finish up is from

1559
00:58:30,789 --> 00:58:28,559
higher ways women a woman

1560
00:58:33,670 --> 00:58:30,799
asking do you know about crystals being

1561
00:58:36,069 --> 00:58:33,680
used to create electromagnetic fields

1562
00:58:38,549 --> 00:58:36,079
access in other worlds astro travel by

1563
00:58:41,589 --> 00:58:38,559

crystals who is experimenting with

1564

00:58:47,190 --> 00:58:44,069

we one of our paranormal hot spots was

1565

00:58:49,030 --> 00:58:47,200

at the board camp crystal mine which is

1566

00:58:50,870 --> 00:58:49,040

south where you are

1567

00:58:53,190 --> 00:58:50,880

have you heard of it

1568

00:58:55,589 --> 00:58:53,200

no i have not

1569

00:58:57,670 --> 00:58:55,599

it's it's a place that's hold on i'm

1570

00:59:00,870 --> 00:58:57,680

sorry i'm just gonna deny you this whole

1571

00:59:03,030 --> 00:59:00,880

day so you say crystal mines

1572

00:59:04,950 --> 00:59:03,040

board camp crystal mine right is it

1573

00:59:07,510 --> 00:59:04,960

where you can go in person and you can

1574

00:59:09,670 --> 00:59:07,520

mine crystals yourself

1575

00:59:11,190 --> 00:59:09,680

yeah yeah okay all right then i do i'm

1576

00:59:12,950 --> 00:59:11,200

sorry i i just

1577

00:59:14,630 --> 00:59:12,960

i'm for some reason

1578

00:59:17,510 --> 00:59:14,640

i i'm just having a difficult time

1579

00:59:18,950 --> 00:59:17,520

hearing you today so please continue

1580

00:59:20,710 --> 00:59:18,960

so there's

1581

00:59:22,309 --> 00:59:20,720

there's a lot of activity associated

1582

00:59:24,789 --> 00:59:22,319

with the crystals there

1583

00:59:26,789 --> 00:59:24,799

including levitating ones that we

1584

00:59:28,950 --> 00:59:26,799

that they have on camera

1585

00:59:31,030 --> 00:59:28,960

and allen had his own

1586

00:59:33,589 --> 00:59:31,040

rock experience there

1587

00:59:35,589 --> 00:59:33,599

and they had profound visual experiences

1588

00:59:37,510 --> 00:59:35,599

and we had some crazy

1589

00:59:39,030 --> 00:59:37,520

equipment experiences there all

1590

00:59:41,510 --> 00:59:39,040

associated with this

1591

00:59:43,670 --> 00:59:41,520

this crystal mine so yeah stuff is going

1592

00:59:45,270 --> 00:59:43,680

on in connection with crystals there

1593

00:59:46,789 --> 00:59:45,280

well and the things that happened at tom

1594

00:59:48,470 --> 00:59:46,799

powell's house are

1595

00:59:49,510 --> 00:59:48,480

are exactly what you're talking about i

1596

00:59:51,430 --> 00:59:49,520

mean we

1597

00:59:52,870 --> 00:59:51,440

in our in our paranormal highway show

1598

00:59:54,230 --> 00:59:52,880

we're going to cover that in great

1599

00:59:58,829 --> 00:59:54,240

detail with

1600

01:00:03,589 --> 01:00:00,549

yep

1601
01:00:05,589 --> 01:00:03,599
all right well so um in conclusion i

1602
01:00:07,589 --> 01:00:05,599
wanted to i guess just leave the

1603
01:00:09,990 --> 01:00:07,599
platform for each one of you to to

1604
01:00:11,349 --> 01:00:10,000
finish finish off with something that

1605
01:00:12,950 --> 01:00:11,359
you would like to pretty much end the

1606
01:00:15,109 --> 01:00:12,960
show with

1607
01:00:17,270 --> 01:00:15,119
i figured we'll start off with you ron

1608
01:00:19,910 --> 01:00:17,280
if you if you have something or if you

1609
01:00:22,230 --> 01:00:19,920
would like to go first

1610
01:00:25,510 --> 01:00:22,240
i think these experiences

1611
01:00:27,190 --> 01:00:25,520
these contact experiences these glimpses

1612
01:00:28,150 --> 01:00:27,200
are available to everybody in they're

1613
01:00:30,470 --> 01:00:28,160

occurring

1614

01:00:31,990 --> 01:00:30,480

more and more to people don't be afraid

1615

01:00:33,910 --> 01:00:32,000

of them i think they'll be

1616

01:00:35,589 --> 01:00:33,920

transformational for you

1617

01:00:37,589 --> 01:00:35,599

and once you open up

1618

01:00:39,670 --> 01:00:37,599

you'll have more of these

1619

01:00:42,390 --> 01:00:39,680

and it's more like the world really is

1620

01:00:43,190 --> 01:00:42,400

than the dull boring work a day world

1621

01:00:44,390 --> 01:00:43,200

that

1622

01:00:45,990 --> 01:00:44,400

we've been told

1623

01:00:46,710 --> 01:00:46,000

are the essence of who we are and what

1624

01:00:48,549 --> 01:00:46,720

are

1625

01:00:49,670 --> 01:00:48,559

and what the world is it's much more

1626
01:00:51,750 --> 01:00:49,680
exciting

1627
01:00:52,870 --> 01:00:51,760
and unusual and they're growing in in

1628
01:00:55,349 --> 01:00:52,880
frequency

1629
01:01:00,789 --> 01:00:55,359
so open up and

1630
01:01:04,309 --> 01:01:02,549
ellen

1631
01:01:06,150 --> 01:01:04,319
yeah i would i would echo that sentiment

1632
01:01:07,750 --> 01:01:06,160
the for me the

1633
01:01:09,589 --> 01:01:07,760
the biggest

1634
01:01:12,390 --> 01:01:09,599
block that i had that kept me from

1635
01:01:15,109 --> 01:01:12,400
having these experiences was just my my

1636
01:01:17,670 --> 01:01:15,119
my mind my train of thought were where i

1637
01:01:20,390 --> 01:01:17,680
was closed off and not open to

1638
01:01:21,270 --> 01:01:20,400

so be open to what happens if you are

1639

01:01:23,430 --> 01:01:21,280

out there

1640

01:01:25,990 --> 01:01:23,440

um doing this kind of thing and don't

1641

01:01:28,549 --> 01:01:26,000

don't reject what happens to you um just

1642

01:01:30,549 --> 01:01:28,559

allow it to happen and enjoy it um i do

1643

01:01:33,670 --> 01:01:30,559

have one if it's if it's okay a quick

1644

01:01:36,549 --> 01:01:33,680

plug before i take sure sure no problem

1645

01:01:38,150 --> 01:01:36,559

yeah i just launched a a new youtube

1646

01:01:40,069 --> 01:01:38,160

channel called national paranormal

1647

01:01:41,190 --> 01:01:40,079

network and we're trying to build this

1648

01:01:43,910 --> 01:01:41,200

up

1649

01:01:45,990 --> 01:01:43,920

so please check that out subscribe my um

1650

01:01:47,750 --> 01:01:46,000

my future documentary the back 80 is on

1651
01:01:49,829 --> 01:01:47,760
there for free you can watch that and

1652
01:01:52,069 --> 01:01:49,839
we've got a lot of other really cool

1653
01:01:55,190 --> 01:01:52,079
videos and interviews we just posted an

1654
01:01:56,789 --> 01:01:55,200
interview with nick pope uh unedited

1655
01:01:58,630 --> 01:01:56,799
um where he talks about all kinds of

1656
01:02:00,230 --> 01:01:58,640
things including bigfoot so please check

1657
01:02:02,630 --> 01:02:00,240
out national paranormal network on

1658
01:02:04,230 --> 01:02:02,640
youtube and i really appreciate it

1659
01:02:06,950 --> 01:02:04,240
yeah ellen i guess we're going to be

1660
01:02:08,549 --> 01:02:06,960
screening our movie about mario woods's

1661
01:02:10,309 --> 01:02:08,559
contact with the aliens out in the

1662
01:02:12,309 --> 01:02:10,319
missile fields

1663
01:02:14,309 --> 01:02:12,319

correct

1664

01:02:16,470 --> 01:02:14,319

right the the um

1665

01:02:18,390 --> 01:02:16,480

i forget exactly which day but yes there

1666

01:02:20,549 --> 01:02:18,400

will be your movie will be screened

1667

01:02:22,549 --> 01:02:20,559

during that time

1668

01:02:24,950 --> 01:02:22,559

yeah it's a remarkable story of a

1669

01:02:27,670 --> 01:02:24,960

contact with some alien presence

1670

01:02:29,750 --> 01:02:27,680

and manipulation of you know the

1671

01:02:31,349 --> 01:02:29,760

electronics of the

1672

01:02:34,069 --> 01:02:31,359

launch codes and stuff like that which

1673

01:02:36,549 --> 01:02:34,079

is big time powerful stuff for something

1674

01:02:38,789 --> 01:02:36,559

to be doing

1675

01:02:39,589 --> 01:02:38,799

okay yeah no certainly i think um i have

1676

01:02:41,029 --> 01:02:39,599

that

1677

01:02:42,870 --> 01:02:41,039

um

1678

01:02:45,109 --> 01:02:42,880

did you did you send that link to me i

1679

01:02:47,349 --> 01:02:45,119

believe you did

1680

01:02:50,069 --> 01:02:47,359

probably because you said you had it

1681

01:02:52,630 --> 01:02:50,079

right so also ellen if that link

1682

01:02:54,549 --> 01:02:52,640

regarding that website um um if you can

1683

01:02:56,710 --> 01:02:54,559

send it to me i can add it later on in

1684

01:02:58,069 --> 01:02:56,720

the description of this as well so then

1685

01:03:01,430 --> 01:02:58,079

that way there will be there'll be no

1686

01:03:03,270 --> 01:03:01,440

mistakes about uh which side to go to

1687

01:03:04,950 --> 01:03:03,280

so well thank you both thank you both

1688

01:03:07,670 --> 01:03:04,960

very much i i really appreciate it

1689

01:03:09,349 --> 01:03:07,680

looking forward to seeing you both so

1690

01:03:10,710 --> 01:03:09,359

let me just uh finish up with the

1691

01:03:11,910 --> 01:03:10,720

audience here and please don't hang up

1692

01:03:14,870 --> 01:03:11,920

on me

1693

01:03:18,150 --> 01:03:14,880

so um i certainly hope those of you

1694

01:03:20,789 --> 01:03:18,160

watching found this intriguing enough to

1695

01:03:22,950 --> 01:03:20,799

join us at the ozark ufo conference in

1696

01:03:25,670 --> 01:03:22,960

eureka springs in april

1697

01:03:27,750 --> 01:03:25,680

8th till 10th and

1698

01:03:29,670 --> 01:03:27,760

as i mentioned at the very beginning if

1699

01:03:30,710 --> 01:03:29,680

you would try if you would like to try

1700

01:03:31,670 --> 01:03:30,720

luck

1701

01:03:34,950 --> 01:03:31,680

if you

1702

01:03:37,270 --> 01:03:34,960

any video leading up to the march march

1703

01:03:41,109 --> 01:03:37,280

9th if you can in the description

1704

01:03:43,910 --> 01:03:41,119

put a comment with a hashtag ozark2022

1705

01:03:45,750 --> 01:03:43,920

and like the video um on the ninth i

1706

01:03:47,589 --> 01:03:45,760

will run an algorithm that picks a

1707

01:03:50,069 --> 01:03:47,599

random winner and you can win two

1708

01:03:51,910 --> 01:03:50,079

tickets uh to the conference so at least

1709

01:03:54,470 --> 01:03:51,920

out of having to figure out how to get

1710

01:03:56,470 --> 01:03:54,480

there and finding rooms to stay you at

1711

01:03:59,270 --> 01:03:56,480

least have the tickets in the back

1712

01:04:00,950 --> 01:03:59,280

and again in the description below

1713

01:04:03,510 --> 01:04:00,960

whatever the guest has sent to me and i

1714

01:04:07,109 --> 01:04:03,520

will update alan's information as well

1715

01:04:09,670 --> 01:04:07,119

check those out um uh and uh i hope you

1716

01:04:11,829 --> 01:04:09,680

you find more information or or get more

1717

01:04:15,029 --> 01:04:11,839

out of it if you did not during this

1718

01:04:18,069 --> 01:04:15,039

interview and so uh with with that being

1719

01:04:20,309 --> 01:04:18,079

said uh again thank you both uh and
