**TELEGRAM OPEN LINES**

1  
00:00:49,350 --> 00:00:11,400  
do

2  
00:00:49,360 --> 00:00:56,710  
so

3  
00:00:56,720 --> 00:01:12,310  
[Music]

4  
00:01:17,749 --> 00:01:15,510  
hey everyone welcome to

5  
00:01:21,030 --> 00:01:17,759  
welcome to the ufob livestream uh

6  
00:01:23,190 --> 00:01:21,040  
today's open lines and um well i hope to

7  
00:01:25,350 --> 00:01:23,200  
talk to some of you if you join me on

8  
00:01:27,270 --> 00:01:25,360  
telegram you can talk to me directly and

9  
00:01:29,030 --> 00:01:27,280  
share your stories

10  
00:01:29,749 --> 00:01:29,040  
today i have a few things that i wanted

11  
00:01:32,310 --> 00:01:29,759  
to

12  
00:01:33,830 --> 00:01:32,320  
set up and actually make it make some

13  
00:01:35,350 --> 00:01:33,840

announcements

14

00:01:37,190 --> 00:01:35,360

one would be

15

00:01:38,950 --> 00:01:37,200

i've asked show you while to come on

16

00:01:40,870 --> 00:01:38,960

because i've gotten some emails and some

17

00:01:43,030 --> 00:01:40,880

texts and people were worried about her

18

00:01:44,550 --> 00:01:43,040

so i said hey at least maybe on telegram

19

00:01:46,710 --> 00:01:44,560

you can hop on

20

00:01:49,429 --> 00:01:46,720

say hello make you know assure everyone

21

00:01:51,990 --> 00:01:49,439

that you're just fine and

22

00:01:53,270 --> 00:01:52,000

so that way everyone can be at peace

23

00:01:55,830 --> 00:01:53,280

again and

24

00:01:58,469 --> 00:01:55,840

the other one is that i've officially

25

00:02:01,270 --> 00:01:58,479

reached out to the winner for the

26  
00:02:02,389 --> 00:02:01,280  
tickets that i was giving away because

27  
00:02:04,389 --> 00:02:02,399  
i've asked

28  
00:02:06,469 --> 00:02:04,399  
anyone of the people that is watching

29  
00:02:08,469 --> 00:02:06,479  
the videos to basically

30  
00:02:12,309 --> 00:02:08,479  
comment in the comment section

31  
00:02:15,110 --> 00:02:12,319  
um with a hashtag ozark2022

32  
00:02:17,589 --> 00:02:15,120  
so the winner is officially out um i'm

33  
00:02:19,750 --> 00:02:17,599  
hoping they answer me back so what i

34  
00:02:21,110 --> 00:02:19,760  
will do is give give them about three

35  
00:02:23,510 --> 00:02:21,120  
days

36  
00:02:25,430 --> 00:02:23,520  
to respond to me and if i don't hear

37  
00:02:28,150 --> 00:02:25,440  
anything from them then i will go down

38  
00:02:29,910 --> 00:02:28,160

the list to the next winner so

39

00:02:32,390 --> 00:02:29,920

um

40

00:02:33,670 --> 00:02:32,400

anyway so i'm hoping that the original

41

00:02:35,110 --> 00:02:33,680

winner does

42

00:02:36,710 --> 00:02:35,120

get this message

43

00:02:38,710 --> 00:02:36,720

knows that i'm trying to get a hold of

44

00:02:40,550 --> 00:02:38,720

them because i'm

45

00:02:42,550 --> 00:02:40,560

basically in order to assure that i'm

46

00:02:45,110 --> 00:02:42,560

reaching the correct person

47

00:02:47,110 --> 00:02:45,120

from the account that they commented on

48

00:02:49,270 --> 00:02:47,120

the about page i need them to have an

49

00:02:52,949 --> 00:02:49,280

email address so i can reach out to them

50

00:02:54,150 --> 00:02:52,959

and then uh i guess conclude this um uh

51  
00:02:56,790 --> 00:02:54,160  
interaction

52  
00:02:59,509 --> 00:02:56,800  
but yeah we were um so basically yeah

53  
00:03:00,790 --> 00:02:59,519  
sherry wild's gonna come on shortly um

54  
00:03:02,710 --> 00:03:00,800  
we're gonna i'm gonna announce the

55  
00:03:05,110 --> 00:03:02,720  
winner and then it's basically just

56  
00:03:07,830 --> 00:03:05,120  
opened up for uh

57  
00:03:09,830 --> 00:03:07,840  
for you watching questions uh on the

58  
00:03:11,030 --> 00:03:09,840  
chat whether you are on

59  
00:03:13,910 --> 00:03:11,040  
um

60  
00:03:16,390 --> 00:03:13,920  
on the twitch stream or the youtube

61  
00:03:18,710 --> 00:03:16,400  
please make sure to do three asterisks

62  
00:03:21,910 --> 00:03:18,720  
before you ask your question and

63  
00:03:24,229 --> 00:03:21,920

otherwise hop on to the telegram live

64

00:03:27,509 --> 00:03:24,239

chat group that's going on right now all

65

00:03:29,670 --> 00:03:27,519

the links are in the description below

66

00:03:33,430 --> 00:03:29,680

uh regarding which where the chat room

67

00:03:35,350 --> 00:03:33,440

is for the telegram and how you can also

68

00:03:37,910 --> 00:03:35,360

install it on your computer and on your

69

00:03:40,309 --> 00:03:37,920

phone uh while i'm talking so that that

70

00:03:42,309 --> 00:03:40,319

way you can hop on last minute but if

71

00:03:45,750 --> 00:03:42,319

not there'll always be will always be

72

00:03:49,110 --> 00:03:45,760

next time but for now um

73

00:03:51,110 --> 00:03:49,120

for for those that um

74

00:03:53,670 --> 00:03:51,120

still didn't hear about the conference

75

00:03:56,229 --> 00:03:53,680

or still would like to go obviously the

76

00:03:58,149 --> 00:03:56,239

tickets are available you can buy

77

00:03:59,830 --> 00:03:58,159

streaming tickets or make it in person

78

00:04:01,990 --> 00:03:59,840

because one of the big deals that we're

79

00:04:05,270 --> 00:04:02,000

making this year um

80

00:04:06,869 --> 00:04:05,280

at least me as the ozark ufo conference

81

00:04:08,630 --> 00:04:06,879

employee

82

00:04:10,470 --> 00:04:08,640

that it's all in person and there are no

83

00:04:12,869 --> 00:04:10,480

restrictions so

84

00:04:14,309 --> 00:04:12,879

come on down if you it's basically up to

85

00:04:16,150 --> 00:04:14,319

you if you want to wear a mask wear a

86

00:04:19,830 --> 00:04:16,160

mask but i doubt there'll be anybody

87

00:04:22,150 --> 00:04:19,840

there because um i i think it's i think

88

00:04:24,070 --> 00:04:22,160

it's safe to say this whatever pandemic

89

00:04:25,590 --> 00:04:24,080

they had going on it's been done it over

90

00:04:26,790 --> 00:04:25,600

with it at this point

91

00:04:29,510 --> 00:04:26,800

so

92

00:04:31,990 --> 00:04:29,520

anyway let me let me see who's in in the

93

00:04:33,749 --> 00:04:32,000

chat room

94

00:04:37,110 --> 00:04:33,759

uh adam welcome

95

00:04:44,390 --> 00:04:37,120

uh labels369 welcome good to see you uh

96

00:04:47,749 --> 00:04:45,590

hello

97

00:04:50,390 --> 00:04:47,759

uh molly

98

00:04:53,350 --> 00:04:50,400

all right good to see all of you

99

00:04:55,830 --> 00:04:53,360

let me let me switch to something sober

100

00:04:57,830 --> 00:04:55,840

so i apologize that uh you know i don't

101  
00:05:01,270 --> 00:04:57,840  
have any kind of like special graphics

102  
00:05:02,230 --> 00:05:01,280  
or drum roll or whatnot it's just simply

103  
00:05:05,350 --> 00:05:02,240  
me

104  
00:05:06,390 --> 00:05:05,360  
switching over to the browser

105  
00:05:08,950 --> 00:05:06,400  
and

106  
00:05:12,150 --> 00:05:08,960  
announcing that uh time is a human

107  
00:05:14,390 --> 00:05:12,160  
construct cool channel name um

108  
00:05:15,189 --> 00:05:14,400  
they're the winner of the two tickets so

109  
00:05:18,150 --> 00:05:15,199  
if

110  
00:05:19,110 --> 00:05:18,160  
you are the owner of that account under

111  
00:05:19,909 --> 00:05:19,120  
the

112  
00:05:22,629 --> 00:05:19,919  
um

113  
00:05:24,390 --> 00:05:22,639

about page right here if you could just

114

00:05:26,150 --> 00:05:24,400

ins you know put in an email address

115

00:05:28,870 --> 00:05:26,160

where i can contact you i'd appreciate

116

00:05:30,390 --> 00:05:28,880

that so anyway you got three days

117

00:05:32,550 --> 00:05:30,400

otherwise i'm sorry i'm gonna have to

118

00:05:35,749 --> 00:05:32,560

move on

119

00:05:36,870 --> 00:05:35,759

all right let's see let's put this back

120

00:05:40,790 --> 00:05:36,880

again

121

00:05:44,950 --> 00:05:40,800

see how many many people we have in

122

00:05:44,960 --> 00:05:51,590

alright got both going there

123

00:05:56,790 --> 00:05:54,710

okay well i think i've pretty much made

124

00:05:58,550 --> 00:05:56,800

all the announcements that i have here

125

00:06:00,870 --> 00:05:58,560

uh regarding this

126

00:06:03,189 --> 00:06:00,880

and so again you can still get your

127

00:06:05,510 --> 00:06:03,199

ozark ufo um

128

00:06:07,189 --> 00:06:05,520

ozone mountain ufo conference tickets

129

00:06:08,629 --> 00:06:07,199

the link for the websites is in the

130

00:06:10,390 --> 00:06:08,639

description below

131

00:06:12,150 --> 00:06:10,400

and

132

00:06:14,309 --> 00:06:12,160

for the person

133

00:06:16,230 --> 00:06:14,319

time is a human construct name of that

134

00:06:18,550 --> 00:06:16,240

channel if you can please put an email

135

00:06:20,870 --> 00:06:18,560

down so i can contact you otherwise in

136

00:06:22,390 --> 00:06:20,880

three days i will move on to the next

137

00:06:23,430 --> 00:06:22,400

chosen person

138

00:06:25,350 --> 00:06:23,440

and

139

00:06:26,710 --> 00:06:25,360

all right let's let's start out with

140

00:06:29,189 --> 00:06:26,720

with sherry

141

00:06:30,309 --> 00:06:29,199

sherry i'm going to unmute you

142

00:06:35,590 --> 00:06:30,319

and then

143

00:06:39,270 --> 00:06:36,870

hi edmund

144

00:06:40,870 --> 00:06:39,280

hey how are you

145

00:06:42,870 --> 00:06:40,880

i'm pretty good

146

00:06:44,230 --> 00:06:42,880

all right good timing

147

00:06:46,870 --> 00:06:44,240

well uh

148

00:06:48,790 --> 00:06:46,880

you know just wanted to do i guess have

149

00:06:51,110 --> 00:06:48,800

people hear you so that they know you're

150

00:06:53,510 --> 00:06:51,120

alive and well

151  
00:06:54,950 --> 00:06:53,520  
i know i i heard that rumor last week i

152  
00:06:56,550 --> 00:06:54,960  
guess it was on twitter

153  
00:06:57,430 --> 00:06:56,560  
that i had died

154  
00:06:59,029 --> 00:06:57,440  
um

155  
00:07:01,350 --> 00:06:59,039  
i'm not sure where that came from i

156  
00:07:03,350 --> 00:07:01,360  
think i guess maybe because i

157  
00:07:06,150 --> 00:07:03,360  
talk about my exit points you know i

158  
00:07:08,230 --> 00:07:06,160  
share too much you know and um i know

159  
00:07:10,629 --> 00:07:08,240  
that i talked about my exit

160  
00:07:11,749 --> 00:07:10,639  
coming up in march that it was an option

161  
00:07:14,550 --> 00:07:11,759  
for me

162  
00:07:17,029 --> 00:07:14,560  
and it is an option we always have exit

163  
00:07:18,950 --> 00:07:17,039

points we want to take right i'm just

164

00:07:20,390 --> 00:07:18,960

not everybody knows when they i guess i

165

00:07:22,469 --> 00:07:20,400

guess not all humans know when their

166

00:07:23,909 --> 00:07:22,479

exit points are but i'm one of those

167

00:07:27,029 --> 00:07:23,919

people i just know

168

00:07:29,029 --> 00:07:27,039

and um so i was thinking about taking it

169

00:07:31,189 --> 00:07:29,039

well you know at least this way you know

170

00:07:32,790 --> 00:07:31,199

at least people care you know i mean i

171

00:07:34,870 --> 00:07:32,800

don't know if some are just there for

172

00:07:37,270 --> 00:07:34,880

the bus but i doubt it you know most

173

00:07:39,270 --> 00:07:37,280

people that know you and follow you they

174

00:07:41,430 --> 00:07:39,280

do that because they care about you and

175

00:07:43,189 --> 00:07:41,440

not for other reasons

176

00:07:44,230 --> 00:07:43,199

well that's nice that's nice yeah i

177

00:07:45,990 --> 00:07:44,240

think it's

178

00:07:47,270 --> 00:07:46,000

you know i i i

179

00:07:48,390 --> 00:07:47,280

sometimes i

180

00:07:51,350 --> 00:07:48,400

i forget

181

00:07:52,629 --> 00:07:51,360

that i have people out there that i um

182

00:07:55,110 --> 00:07:52,639

that are not

183

00:07:56,550 --> 00:07:55,120

uh in my life on a daily or weekly basis

184

00:07:58,869 --> 00:07:56,560

i forget that there are people out there

185

00:08:00,710 --> 00:07:58,879

who who who do feel

186

00:08:02,869 --> 00:08:00,720

um a certain kind of a bond with me

187

00:08:04,390 --> 00:08:02,879

because of shared experiences and

188

00:08:07,350 --> 00:08:04,400

that sort of thing and

189

00:08:09,350 --> 00:08:07,360

it's you know i it's hard concept for me

190

00:08:10,710 --> 00:08:09,360

to get used to i'm just i'm another

191

00:08:12,550 --> 00:08:10,720

person so

192

00:08:13,990 --> 00:08:12,560

well yeah i mean if if you are it's kind

193

00:08:15,990 --> 00:08:14,000

of it's kind of a uh

194

00:08:19,189 --> 00:08:16,000

isn't that a um dichotomy of an

195

00:08:21,350 --> 00:08:19,199

introvert you know it's like um

196

00:08:24,150 --> 00:08:21,360

you know wanting that the privacy and

197

00:08:25,589 --> 00:08:24,160

alone time and you know time to reflect

198

00:08:28,469 --> 00:08:25,599

you know but then at the same time

199

00:08:31,110 --> 00:08:28,479

having to do something public yeah

200

00:08:31,909 --> 00:08:31,120

that's that's the yeah

201  
00:08:34,310 --> 00:08:31,919  
like

202  
00:08:36,630 --> 00:08:34,320  
i want to be left alone right right

203  
00:08:38,389 --> 00:08:36,640  
yeah well at least you know it's

204  
00:08:40,550 --> 00:08:38,399  
at least you know i care very much it

205  
00:08:42,949 --> 00:08:40,560  
attacks you all the time

206  
00:08:44,630 --> 00:08:42,959  
i know you do i know you do and i see i

207  
00:08:47,190 --> 00:08:44,640  
appreciate that that warms my heart when

208  
00:08:49,190 --> 00:08:47,200  
i when i have contact when i hear that i

209  
00:08:51,829 --> 00:08:49,200  
was sitting out on the patio with jim

210  
00:08:53,910 --> 00:08:51,839  
earlier and i said adnan reached out to

211  
00:08:55,350 --> 00:08:53,920  
me today and he said oh that's unusual

212  
00:08:56,230 --> 00:08:55,360  
and i said actually no it's not i said

213  
00:08:58,230 --> 00:08:56,240

he's just

214

00:09:00,949 --> 00:08:58,240

he stays in touch he checks in on me and

215

00:09:02,790 --> 00:09:00,959

i said it really makes me feel good um

216

00:09:04,310 --> 00:09:02,800

you know not but you know you're like

217

00:09:06,310 --> 00:09:04,320

family you know all the people who

218

00:09:07,750 --> 00:09:06,320

follow me that's that's my family i

219

00:09:09,269 --> 00:09:07,760

don't have

220

00:09:11,190 --> 00:09:09,279

any family

221

00:09:12,949 --> 00:09:11,200

at all that i have communication with

222

00:09:16,630 --> 00:09:12,959

except for um

223

00:09:18,949 --> 00:09:16,640

one person who kind of i have kind of so

224

00:09:20,790 --> 00:09:18,959

it it helps to have that kind of

225

00:09:22,070 --> 00:09:20,800

interaction with people who genuinely

226

00:09:23,910 --> 00:09:22,080

care about you and it's kind of nice

227

00:09:26,230 --> 00:09:23,920

because because you're not family you're

228

00:09:28,470 --> 00:09:26,240

not obligated you're doing it a

229

00:09:30,630 --> 00:09:28,480

place of love so that's really cool

230

00:09:32,949 --> 00:09:30,640

well you know what it was what worried

231

00:09:35,430 --> 00:09:32,959

me usually i pay attention but sometimes

232

00:09:37,430 --> 00:09:35,440

you know something slipped my mind or

233

00:09:40,070 --> 00:09:37,440

kind of get past me and when i was

234

00:09:41,990 --> 00:09:40,080

starting to get the text messages uh

235

00:09:43,670 --> 00:09:42,000

messages generally and emails i said

236

00:09:45,910 --> 00:09:43,680

what in the world is happening i'm like

237

00:09:47,350 --> 00:09:45,920

hey sherry i know we just talked but you

238

00:09:48,870 --> 00:09:47,360

know

239

00:09:50,870 --> 00:09:48,880

so anyway i just want to make sure that

240

00:09:52,949 --> 00:09:50,880

i didn't miss something but now that i

241

00:09:54,470 --> 00:09:52,959

remember vaguely mentioning this i guess

242

00:09:56,630 --> 00:09:54,480

people people were paying close

243

00:09:58,150 --> 00:09:56,640

attention but at least you're coming on

244

00:09:59,990 --> 00:09:58,160

at least this way you don't have to

245

00:10:01,910 --> 00:10:00,000

worry about camera they hear your voice

246

00:10:04,069 --> 00:10:01,920

and it's a very distinct voice so they

247

00:10:06,230 --> 00:10:04,079

know it's you unless unless it's a

248

00:10:08,470 --> 00:10:06,240

really good ai

249

00:10:10,310 --> 00:10:08,480

no no it's me and it is good you don't

250

00:10:12,230 --> 00:10:10,320

have a camera oh my gosh

251  
00:10:13,910 --> 00:10:12,240  
yeah that that's the reason why i did it

252  
00:10:16,150 --> 00:10:13,920  
so i didn't have to go on video i've

253  
00:10:18,949 --> 00:10:16,160  
been wanting you know i had when i feel

254  
00:10:20,550 --> 00:10:18,959  
good i i always as soon as i feel good i

255  
00:10:22,550 --> 00:10:20,560  
always think i'm gonna reach out to

256  
00:10:25,350 --> 00:10:22,560  
admin i'm gonna schedule a time to get

257  
00:10:26,790 --> 00:10:25,360  
on his show and do a do a podcast but

258  
00:10:29,269 --> 00:10:26,800  
you know i'm afraid to do it because

259  
00:10:31,829 --> 00:10:29,279  
i've had to cancel the last one for sure

260  
00:10:34,230 --> 00:10:31,839  
if not two times because the day comes

261  
00:10:35,430 --> 00:10:34,240  
and i'm just too i can't predict when

262  
00:10:37,750 --> 00:10:35,440  
i'm going to be sick

263  
00:10:40,630 --> 00:10:37,760

right when i'm going to feel okay

264

00:10:42,710 --> 00:10:40,640

and um it's just i can't see the string

265

00:10:45,590 --> 00:10:42,720

two days in a row together to where i

266

00:10:47,910 --> 00:10:45,600

feel good it's such a up and down thing

267

00:10:49,030 --> 00:10:47,920

right well i mean people were definitely

268

00:10:51,829 --> 00:10:49,040

concerned but they were also

269

00:10:54,550 --> 00:10:51,839

disappointed you know they i could tell

270

00:10:57,030 --> 00:10:54,560

they were waiting you know for for you

271

00:10:58,470 --> 00:10:57,040

to come on and i guess to ask questions

272

00:10:59,910 --> 00:10:58,480

and just chat and see what's on your

273

00:11:01,910 --> 00:10:59,920

mind and what else you have to say but

274

00:11:05,110 --> 00:11:01,920

that's that's always a good thing but i

275

00:11:07,350 --> 00:11:05,120

hate to you know the dresser i i'm glad

276  
00:11:10,150 --> 00:11:07,360  
you you're doing you know as well as you

277  
00:11:11,990 --> 00:11:10,160  
can be but how is jim

278  
00:11:13,269 --> 00:11:12,000  
jim is doing well too uh we're down here

279  
00:11:15,190 --> 00:11:13,279  
in arizona

280  
00:11:17,350 --> 00:11:15,200  
and we're enjoying it very much it's

281  
00:11:19,269 --> 00:11:17,360  
nice to be out of the wisconsin winter

282  
00:11:21,350 --> 00:11:19,279  
so he's doing well you know he's he's

283  
00:11:24,230 --> 00:11:21,360  
had a burden taking care of me it's not

284  
00:11:25,990 --> 00:11:24,240  
been an easy thing to be a caretaker and

285  
00:11:28,470 --> 00:11:26,000  
and you know things got really dicey

286  
00:11:30,150 --> 00:11:28,480  
with me for a while and he had to

287  
00:11:32,069 --> 00:11:30,160  
you know literally

288  
00:11:35,829 --> 00:11:32,079

almost carry me around kind of you know

289

00:11:37,509 --> 00:11:35,839

it's it's not been a fun thing and he's

290

00:11:40,389 --> 00:11:37,519

stuck in there with me i can't believe

291

00:11:41,350 --> 00:11:40,399

it but right how i mean so did they give

292

00:11:43,910 --> 00:11:41,360

him a

293

00:11:45,350 --> 00:11:43,920

you know a clear is he is he

294

00:11:47,750 --> 00:11:45,360

out of the woods so to say with the

295

00:11:50,069 --> 00:11:47,760

stroke or is it still still something to

296

00:11:51,750 --> 00:11:50,079

to have to watch

297

00:11:53,269 --> 00:11:51,760

no that's so that's a lot that's in the

298

00:11:55,110 --> 00:11:53,279

past well and

299

00:11:56,310 --> 00:11:55,120

oh you know maybe this last time because

300

00:11:57,910 --> 00:11:56,320

i was in touch with you because i had to

301  
00:11:59,430 --> 00:11:57,920  
cancel because we both got so sick we

302  
00:12:00,310 --> 00:11:59,440  
both got covered

303  
00:12:02,069 --> 00:12:00,320  
and

304  
00:12:02,870 --> 00:12:02,079  
initially we thought it was a stroke

305  
00:12:06,710 --> 00:12:02,880  
because

306  
00:12:08,389 --> 00:12:06,720  
he just he just went down so fast

307  
00:12:09,509 --> 00:12:08,399  
and just

308  
00:12:11,430 --> 00:12:09,519  
was just

309  
00:12:12,949 --> 00:12:11,440  
so we thought he had a stroke

310  
00:12:15,110 --> 00:12:12,959  
is it maybe because of the heart

311  
00:12:16,790 --> 00:12:15,120  
palpitations that sometimes are reported

312  
00:12:18,870 --> 00:12:16,800  
with kovitt that it would have thought

313  
00:12:20,389 --> 00:12:18,880

that that would be it

314

00:12:21,829 --> 00:12:20,399

it could be but we didn't we didn't

315

00:12:23,350 --> 00:12:21,839

leave the house we didn't as much right

316

00:12:25,829 --> 00:12:23,360

we called the ambulance

317

00:12:28,150 --> 00:12:25,839

for me at one point um

318

00:12:29,110 --> 00:12:28,160

because i just couldn't breathe and

319

00:12:30,949 --> 00:12:29,120

um

320

00:12:33,430 --> 00:12:30,959

they actually they came we're out here

321

00:12:35,110 --> 00:12:33,440

in arizona and they came in

322

00:12:36,470 --> 00:12:35,120

and they they talked us out of it they

323

00:12:37,829 --> 00:12:36,480

said you really don't want to go there

324

00:12:40,150 --> 00:12:37,839

it's filled with all these really sick

325

00:12:41,430 --> 00:12:40,160

people and they say they're overcrowded

326  
00:12:42,790 --> 00:12:41,440  
and you're not going to get the help you

327  
00:12:45,350 --> 00:12:42,800  
think there's nothing to be done you're

328  
00:12:46,949 --> 00:12:45,360  
just going to be put somewhere and it's

329  
00:12:48,069 --> 00:12:46,959  
more dangerous for you to be there than

330  
00:12:50,949 --> 00:12:48,079  
to just hear

331  
00:12:52,790 --> 00:12:50,959  
we were afraid you know for me because

332  
00:12:55,030 --> 00:12:52,800  
it it got

333  
00:12:58,870 --> 00:12:55,040  
you know it got difficult to to catch my

334  
00:13:00,949 --> 00:12:58,880  
breath and and we were here um

335  
00:13:01,750 --> 00:13:00,959  
thank god for adam's on i think he's on

336  
00:13:04,150 --> 00:13:01,760  
the

337  
00:13:05,670 --> 00:13:04,160  
chat listening he's he came to our aid

338  
00:13:08,310 --> 00:13:05,680

he came walking in just kind of like an

339

00:13:11,350 --> 00:13:08,320

angel one day carrying food and stuff

340

00:13:12,710 --> 00:13:11,360

because we were here and we it was hard

341

00:13:14,870 --> 00:13:12,720

it was very hard we

342

00:13:16,069 --> 00:13:14,880

we only know him and one other person

343

00:13:17,350 --> 00:13:16,079

here and

344

00:13:18,949 --> 00:13:17,360

right

345

00:13:21,269 --> 00:13:18,959

sherry i'm just real quick i've been

346

00:13:23,430 --> 00:13:21,279

trying to work on your audio here on my

347

00:13:25,590 --> 00:13:23,440

end if uh you can just get maybe a

348

00:13:26,790 --> 00:13:25,600

little bit closer to your phone uh some

349

00:13:30,470 --> 00:13:26,800

people are just saying that you were

350

00:13:33,030 --> 00:13:30,480

coming coming in low low volume

351  
00:13:34,949 --> 00:13:33,040  
yeah i've got i've got my headpiece on

352  
00:13:36,949 --> 00:13:34,959  
so i've got the mic and it was hanging

353  
00:13:38,710 --> 00:13:36,959  
off the side so is this better oh much

354  
00:13:40,470 --> 00:13:38,720  
better yeah if you can just keep keep

355  
00:13:44,150 --> 00:13:40,480  
the volume up that way that's much

356  
00:13:46,069 --> 00:13:44,160  
better i think um claudia dixon is also

357  
00:13:47,910 --> 00:13:46,079  
watching listening right now claudio or

358  
00:13:49,350 --> 00:13:47,920  
anyone that's been noticed the same

359  
00:13:51,030 --> 00:13:49,360  
thing can you just give me a quick

360  
00:13:53,430 --> 00:13:51,040  
feedback and chat just to let me know

361  
00:13:55,269 --> 00:13:53,440  
the volume is okay for sheriff or if

362  
00:13:57,509 --> 00:13:55,279  
anything else they change it

363  
00:13:59,189 --> 00:13:57,519

but okay yeah please continue for now uh

364

00:14:01,670 --> 00:13:59,199

sherry

365

00:14:03,910 --> 00:14:01,680

yeah just that um i mean we survived it

366

00:14:05,189 --> 00:14:03,920

but i heard you talk earlier i wasn't

367

00:14:06,470 --> 00:14:05,199

listening to your conversation all the

368

00:14:08,230 --> 00:14:06,480

time because i was getting something to

369

00:14:10,310 --> 00:14:08,240

eat but but i heard you talking that

370

00:14:11,269 --> 00:14:10,320

you've had this cough for a long time

371

00:14:13,189 --> 00:14:11,279

and

372

00:14:14,870 --> 00:14:13,199

um i'd be concerned about it you know

373

00:14:16,629 --> 00:14:14,880

you want to get rid of that i had it too

374

00:14:18,069 --> 00:14:16,639

and i could not

375

00:14:20,150 --> 00:14:18,079

could not shake it so this the covert

376

00:14:22,550 --> 00:14:20,160

thing was was scary we've had it twice

377

00:14:25,030 --> 00:14:22,560

and the hydroxychloroquine kicked it the

378

00:14:26,710 --> 00:14:25,040

first time without any problem but we

379

00:14:28,470 --> 00:14:26,720

didn't have any i had given all my

380

00:14:31,030 --> 00:14:28,480

hydroxychloroquine away to other people

381

00:14:32,230 --> 00:14:31,040

who i thought would need it so i didn't

382

00:14:35,269 --> 00:14:32,240

have any here at the house i had

383

00:14:37,350 --> 00:14:35,279

ivermectin and that didn't do it

384

00:14:40,150 --> 00:14:37,360

so but anyway that's behind us and we're

385

00:14:42,949 --> 00:14:40,160

moving moving forward but it was not a

386

00:14:46,069 --> 00:14:42,959

fun time right but um

387

00:14:47,110 --> 00:14:46,079

but we're still down here in arizona um

388

00:14:51,110 --> 00:14:47,120

so

389

00:14:53,590 --> 00:14:51,120

listening to you i'm i've been cranking

390

00:14:55,509 --> 00:14:53,600

up the volume on the wrong wrong darn

391

00:14:58,389 --> 00:14:55,519

thing here let's see

392

00:15:00,790 --> 00:14:58,399

i feel silly sometimes um can you can

393

00:15:03,110 --> 00:15:00,800

you say something else

394

00:15:04,870 --> 00:15:03,120

okay um okay i can talk about yeah you

395

00:15:06,230 --> 00:15:04,880

should you're clear now

396

00:15:07,910 --> 00:15:06,240

well no what i was just gonna say you

397

00:15:09,910 --> 00:15:07,920

know again i don't want to take up your

398

00:15:11,670 --> 00:15:09,920

time this truly meant that you know

399

00:15:13,110 --> 00:15:11,680

please just hop in just to tell everyone

400

00:15:14,710 --> 00:15:13,120

that's been really looking forward to

401  
00:15:16,629 --> 00:15:14,720  
hearing you just to hear your voice you

402  
00:15:18,069 --> 00:15:16,639  
know but it's totally up to you however

403  
00:15:19,110 --> 00:15:18,079  
we'd like to stay

404  
00:15:21,750 --> 00:15:19,120  
yeah

405  
00:15:24,470 --> 00:15:21,760  
but no but i was just going to say um

406  
00:15:26,870 --> 00:15:24,480  
uh what happened was a conversation

407  
00:15:29,430 --> 00:15:26,880  
right well we um um i actually i guess

408  
00:15:32,790 --> 00:15:29,440  
now it's a better time or or

409  
00:15:35,269 --> 00:15:32,800  
um now it's the best time than any to

410  
00:15:37,350 --> 00:15:35,279  
make this announcement so i've been

411  
00:15:39,030 --> 00:15:37,360  
playing around in in my head and i've

412  
00:15:40,790 --> 00:15:39,040  
kind of been um

413  
00:15:43,269 --> 00:15:40,800

got together with another friend of mine

414

00:15:45,509 --> 00:15:43,279

and i was thinking about

415

00:15:47,990 --> 00:15:45,519

um so youtube sucks

416

00:15:50,230 --> 00:15:48,000

they they suck balls you know totally i

417

00:15:51,990 --> 00:15:50,240

mean when it comes to them they just i

418

00:15:54,389 --> 00:15:52,000

don't know

419

00:15:57,590 --> 00:15:54,399

it's not going anywhere i just feel like

420

00:16:00,230 --> 00:15:57,600

i'm wasting my time so i wanted to do a

421

00:16:02,389 --> 00:16:00,240

um i'm going to continue the the

422

00:16:05,590 --> 00:16:02,399

interviews and just the the milk tour

423

00:16:08,150 --> 00:16:05,600

stuff on youtube uh doing ufo hub

424

00:16:10,069 --> 00:16:08,160

interviews and uh you know discussing

425

00:16:12,790 --> 00:16:10,079

ufos and and sticking to the

426

00:16:14,550 --> 00:16:12,800

metaphysical aspect of things right but

427

00:16:16,629 --> 00:16:14,560

then compared to like the cabal and

428

00:16:19,829 --> 00:16:16,639

conspiracy type stuff and the things

429

00:16:22,150 --> 00:16:19,839

that got me awoken and got me going i

430

00:16:23,749 --> 00:16:22,160

was realizing that

431

00:16:25,269 --> 00:16:23,759

sometimes people like

432

00:16:28,790 --> 00:16:25,279

you have

433

00:16:30,949 --> 00:16:28,800

been somewhere and you see the end

434

00:16:32,870 --> 00:16:30,959

result and you tell them about it it's

435

00:16:34,230 --> 00:16:32,880

almost like like that's not good enough

436

00:16:36,150 --> 00:16:34,240

it's like almost like they have to

437

00:16:38,230 --> 00:16:36,160

follow your own breadcrumbs and your own

438

00:16:40,710 --> 00:16:38,240

first steps to finally get to that like

439

00:16:43,269 --> 00:16:40,720

wow factor that realization what it is

440

00:16:45,189 --> 00:16:43,279

that they were just given and so

441

00:16:47,910 --> 00:16:45,199

for a long time i was resisting it but

442

00:16:49,430 --> 00:16:47,920

i'm thinking about doing a it's still

443

00:16:52,150 --> 00:16:49,440

part of year for hub but call it

444

00:16:54,389 --> 00:16:52,160

something like ufo hub conspiracy hour

445

00:16:56,870 --> 00:16:54,399

and um to just basically have it

446

00:16:59,430 --> 00:16:56,880

streaming on twitch and then the final

447

00:17:02,550 --> 00:16:59,440

product then saved on rumble because

448

00:17:05,590 --> 00:17:02,560

then i can speak more more openly about

449

00:17:08,230 --> 00:17:05,600

anything and anything unless um

450

00:17:10,470 --> 00:17:08,240

unless uh twitch kind of turns communist

451  
00:17:12,789 --> 00:17:10,480  
on me there as well and then they start

452  
00:17:14,630 --> 00:17:12,799  
constricting things but i want to speak

453  
00:17:17,189 --> 00:17:14,640  
like about 9 11. you know i want to

454  
00:17:18,949 --> 00:17:17,199  
speak about what in the world just

455  
00:17:21,510 --> 00:17:18,959  
happened this during this whole

456  
00:17:23,350 --> 00:17:21,520  
time you know we we we went through this

457  
00:17:25,429 --> 00:17:23,360  
pandemic and all the stuff that i

458  
00:17:27,750 --> 00:17:25,439  
couldn't really get into but that would

459  
00:17:29,750 --> 00:17:27,760  
be the time to just be able to let loose

460  
00:17:31,110 --> 00:17:29,760  
and not have to worry about you know is

461  
00:17:33,029 --> 00:17:31,120  
youtube going to come back with the

462  
00:17:35,110 --> 00:17:33,039  
strike because what sucks is that you

463  
00:17:37,270 --> 00:17:35,120

can have like what you know close to 10

464

00:17:39,590 --> 00:17:37,280

years now of worth of videos and all

465

00:17:42,070 --> 00:17:39,600

kinds of stuff and what they do is when

466

00:17:44,470 --> 00:17:42,080

they get on your ass once right they

467

00:17:46,230 --> 00:17:44,480

give you a strike but then they then go

468

00:17:48,310 --> 00:17:46,240

back for the whole 10 years and then

469

00:17:50,470 --> 00:17:48,320

judge you and stuff on and

470

00:17:52,789 --> 00:17:50,480

based on policies that they made now but

471

00:17:55,750 --> 00:17:52,799

then they judge the rest of the videos

472

00:17:57,590 --> 00:17:55,760

um based on that new policy right so

473

00:17:59,669 --> 00:17:57,600

basically when i made a video where this

474

00:18:02,470 --> 00:17:59,679

policy didn't exist they're gonna go

475

00:18:04,390 --> 00:18:02,480

back retroactively and then say oh but

476

00:18:06,630 --> 00:18:04,400

also this this this video and you know

477

00:18:08,310 --> 00:18:06,640

this video does not work for us and so

478

00:18:09,830 --> 00:18:08,320

there's you strike one two and three and

479

00:18:12,150 --> 00:18:09,840

you're off the platform

480

00:18:14,549 --> 00:18:12,160

you know and it's such it's so so

481

00:18:16,789 --> 00:18:14,559

frustrating to be able to to to deal

482

00:18:18,470 --> 00:18:16,799

with that all the time and so i thought

483

00:18:20,390 --> 00:18:18,480

you know what i'll just keep on doing

484

00:18:22,549 --> 00:18:20,400

the interviews um i'm not going to be

485

00:18:24,470 --> 00:18:22,559

restrictive i guess but at least i know

486

00:18:25,270 --> 00:18:24,480

i know what the warning

487

00:18:27,190 --> 00:18:25,280

um

488

00:18:29,669 --> 00:18:27,200

warning things are for youtube you know

489

00:18:31,830 --> 00:18:29,679

what they don't like covered so all that

490

00:18:33,750 --> 00:18:31,840

i will then take to twitch so that that

491

00:18:36,230 --> 00:18:33,760

way there's still a live interaction

492

00:18:38,230 --> 00:18:36,240

with people you know and they can ask

493

00:18:40,150 --> 00:18:38,240

questions and and all of that and then

494

00:18:42,710 --> 00:18:40,160

the final video will be saved to be

495

00:18:44,789 --> 00:18:42,720

rewatched on on rumble because twitch

496

00:18:46,630 --> 00:18:44,799

after two weeks the video goes down i

497

00:18:48,630 --> 00:18:46,640

guess that's just how the the streaming

498

00:18:51,510 --> 00:18:48,640

platform has always worked it's just for

499

00:18:52,870 --> 00:18:51,520

gamers you know but at least it's more

500

00:18:55,430 --> 00:18:52,880

uh less

501  
00:18:56,870 --> 00:18:55,440  
restrictive than youtube is so

502  
00:18:59,190 --> 00:18:56,880  
there it is for everyone else just

503  
00:19:00,549 --> 00:18:59,200  
realizing so there's i'm we're working

504  
00:19:02,150 --> 00:19:00,559  
on um

505  
00:19:04,789 --> 00:19:02,160  
we're basically i'm going back to my

506  
00:19:06,310 --> 00:19:04,799  
files of like past 20 years of all the

507  
00:19:08,230 --> 00:19:06,320  
stuff that i've said and kind of put

508  
00:19:10,549 --> 00:19:08,240  
away my friend and i were kind of

509  
00:19:12,630 --> 00:19:10,559  
looking at you know all this stuff again

510  
00:19:14,870 --> 00:19:12,640  
to bring it all back up in a more

511  
00:19:16,549 --> 00:19:14,880  
organized way and it would be you know

512  
00:19:18,310 --> 00:19:16,559  
we'll have some free talk but we want to

513  
00:19:19,990 --> 00:19:18,320

show videos we want to show the things

514

00:19:21,750 --> 00:19:20,000

that made us go what in the world is

515

00:19:24,549 --> 00:19:21,760

this like this does not match the

516

00:19:26,549 --> 00:19:24,559

narrative you know and so hopefully then

517

00:19:28,390 --> 00:19:26,559

we can be those breadcrumbs for the new

518

00:19:31,029 --> 00:19:28,400

generation that just absolutely has no

519

00:19:33,590 --> 00:19:31,039

idea that anything else other than the

520

00:19:35,110 --> 00:19:33,600

official story happened

521

00:19:37,669 --> 00:19:35,120

you know what um

522

00:19:39,590 --> 00:19:37,679

one guy does i think it's nicholas

523

00:19:40,870 --> 00:19:39,600

whatever his last name is nation or

524

00:19:42,950 --> 00:19:40,880

something like that

525

00:19:45,029 --> 00:19:42,960

what he does is he

526

00:19:47,430 --> 00:19:45,039

uh we'll have his guest on and at the

527

00:19:48,710 --> 00:19:47,440

very beginning of the of the interview

528

00:19:50,310 --> 00:19:48,720

of the podcast

529

00:19:53,350 --> 00:19:50,320

he'll announce

530

00:19:55,669 --> 00:19:53,360

that you can find this video on rumble

531

00:19:57,350 --> 00:19:55,679

or bit shoot or wherever he posts it

532

00:19:58,870 --> 00:19:57,360

um if it gets taken down from youtube

533

00:20:01,029 --> 00:19:58,880

and that he's talking to this person

534

00:20:03,190 --> 00:20:01,039

today and if if things get too dicey and

535

00:20:04,950 --> 00:20:03,200

they lose um the youtube

536

00:20:06,950 --> 00:20:04,960

thing and then you can you know where to

537

00:20:09,029 --> 00:20:06,960

go he'll do a short little snippet like

538

00:20:10,630 --> 00:20:09,039

that and just post put it up so that

539

00:20:12,149 --> 00:20:10,640

he's on youtube

540

00:20:13,350 --> 00:20:12,159

but it's just a couple minutes it's just

541

00:20:15,350 --> 00:20:13,360

a minute or two minutes where he's

542

00:20:17,590 --> 00:20:15,360

describing this guest he's got coming on

543

00:20:20,070 --> 00:20:17,600

and how they're going to talk and

544

00:20:21,270 --> 00:20:20,080

if if they get cleared with youtube then

545

00:20:23,750 --> 00:20:21,280

you'll find it right there on youtube

546

00:20:25,750 --> 00:20:23,760

but if you don't at least you you you've

547

00:20:27,830 --> 00:20:25,760

got the youtube exposure but then you go

548

00:20:30,549 --> 00:20:27,840

over to rumble to find the whole video

549

00:20:32,470 --> 00:20:30,559

which right so but i thought uh the same

550

00:20:34,470 --> 00:20:32,480

thing every every time there's a you

551  
00:20:36,630 --> 00:20:34,480  
know we finally put everything together

552  
00:20:38,549 --> 00:20:36,640  
and about to have a show probably put or

553  
00:20:40,710 --> 00:20:38,559  
put up like a one-minute video to say

554  
00:20:43,110 --> 00:20:40,720  
hey we're gonna be on twitch at this

555  
00:20:44,710 --> 00:20:43,120  
time at this date join us there so then

556  
00:20:46,230 --> 00:20:44,720  
that way they can interact and then

557  
00:20:48,710 --> 00:20:46,240  
watch it later i already have all the

558  
00:20:50,470 --> 00:20:48,720  
links for all my alternative channels

559  
00:20:52,470 --> 00:20:50,480  
too i just haven't uploaded much on

560  
00:20:55,350 --> 00:20:52,480  
rumble yet because i have to then take

561  
00:20:57,510 --> 00:20:55,360  
all that and and um

562  
00:20:59,669 --> 00:20:57,520  
i used to now that i think back on it i

563  
00:21:01,270 --> 00:20:59,679

had this very first intro that was like

564

00:21:03,750 --> 00:21:01,280

really loud and it's just black and

565

00:21:05,909 --> 00:21:03,760

white and ufo up comes in and

566

00:21:08,149 --> 00:21:05,919

even now it annoys me i don't know how

567

00:21:10,630 --> 00:21:08,159

it wasn't annoying earlier but anyway

568

00:21:12,789 --> 00:21:10,640

i wanted to then uh edit it out and at

569

00:21:15,669 --> 00:21:12,799

least insert the new blue logo that i

570

00:21:16,710 --> 00:21:15,679

have so that would mean each video

571

00:21:21,110 --> 00:21:16,720

before

572

00:21:23,270 --> 00:21:21,120

would have to go back and then re-edit

573

00:21:25,350 --> 00:21:23,280

them all out so that's what's taking me

574

00:21:27,510 --> 00:21:25,360

taken me a while but i eventually i want

575

00:21:30,549 --> 00:21:27,520

to have the entire library on rumble as

576

00:21:32,310 --> 00:21:30,559

well so it would be um

577

00:21:35,270 --> 00:21:32,320

you know on rumble and of course now i

578

00:21:37,830 --> 00:21:35,280

do podcasts too so now when it comes to

579

00:21:40,470 --> 00:21:37,840

uh different podcasts it's all available

580

00:21:41,350 --> 00:21:40,480

for people to listen for for um

581

00:21:44,310 --> 00:21:41,360

um

582

00:21:46,230 --> 00:21:44,320

at every every video and of course every

583

00:21:48,470 --> 00:21:46,240

open lines and anything else moving

584

00:21:50,390 --> 00:21:48,480

forward in the future

585

00:21:52,549 --> 00:21:50,400

well what is this about tonight we're

586

00:21:54,390 --> 00:21:52,559

talking does will this go on youtube or

587

00:21:56,830 --> 00:21:54,400

is this this is yeah it's already live

588

00:21:58,710 --> 00:21:56,840

it's live on youtube right now

589

00:22:00,390 --> 00:21:58,720

um oh it's live on youtube okay yeah

590

00:22:01,590 --> 00:22:00,400

it's live on youtube and it's basically

591

00:22:03,669 --> 00:22:01,600

it's um

592

00:22:05,430 --> 00:22:03,679

uh it's i just do

593

00:22:07,990 --> 00:22:05,440

it was a it was something that was

594

00:22:10,549 --> 00:22:08,000

brought up brought to me by another

595

00:22:12,630 --> 00:22:10,559

another person said why don't you

596

00:22:14,070 --> 00:22:12,640

um make

597

00:22:16,549 --> 00:22:14,080

why don't you do discord or something

598

00:22:18,470 --> 00:22:16,559

like that or telegram and then have the

599

00:22:20,630 --> 00:22:18,480

ability make make it open so that people

600

00:22:22,710 --> 00:22:20,640

can call in and share their own stories

601  
00:22:25,669 --> 00:22:22,720  
and so i put out

602  
00:22:27,350 --> 00:22:25,679  
a a poll basically asking what which one

603  
00:22:29,350 --> 00:22:27,360  
would you rather use uh telegram or

604  
00:22:31,110 --> 00:22:29,360  
discord well long story short it turns

605  
00:22:33,190 --> 00:22:31,120  
out that going with the telegram route

606  
00:22:35,830 --> 00:22:33,200  
was much better because discord is

607  
00:22:38,789 --> 00:22:35,840  
turning leftist and so they're starting

608  
00:22:41,190 --> 00:22:38,799  
to ban things and it's turning to

609  
00:22:43,430 --> 00:22:41,200  
you know and so basically i'm glad that

610  
00:22:45,590 --> 00:22:43,440  
i chose telegram at this point not

611  
00:22:47,430 --> 00:22:45,600  
that's not to say that telegram can't do

612  
00:22:50,710 --> 00:22:47,440  
the same thing but at least for now it's

613  
00:22:53,190 --> 00:22:50,720

at least a a safe haven where people can

614

00:22:55,110 --> 00:22:53,200

know that my connection between them you

615

00:22:57,590 --> 00:22:55,120

know and me will at least will be a

616

00:22:59,669 --> 00:22:57,600

strong and existing so that way i can

617

00:23:01,430 --> 00:22:59,679

literally record myself on the go to

618

00:23:03,029 --> 00:23:01,440

give them a message or tell make an

619

00:23:04,870 --> 00:23:03,039

announcement or anything like that i

620

00:23:06,870 --> 00:23:04,880

like that because it's like immediate

621

00:23:08,470 --> 00:23:06,880

interaction

622

00:23:11,029 --> 00:23:08,480

well telegram is i mean that's where i

623

00:23:12,630 --> 00:23:11,039

get a lot of my news and i think it's

624

00:23:14,950 --> 00:23:12,640

it's not nearly as restrictive as

625

00:23:15,830 --> 00:23:14,960

youtube but but on youtube too that

626  
00:23:18,470 --> 00:23:15,840  
means

627  
00:23:20,789 --> 00:23:18,480  
you know i i can't really speak honestly

628  
00:23:22,950 --> 00:23:20,799  
either about you know some stuff that

629  
00:23:25,190 --> 00:23:22,960  
they might not like well i mean the

630  
00:23:27,669 --> 00:23:25,200  
thing is you know here's the thing so

631  
00:23:30,310 --> 00:23:27,679  
basically if you don't talk about

632  
00:23:33,029 --> 00:23:30,320  
specifics about the pandemic

633  
00:23:36,470 --> 00:23:33,039  
and if you don't talk about the

634  
00:23:38,310 --> 00:23:36,480  
911 and if you don't talk about you know

635  
00:23:40,549 --> 00:23:38,320  
pretty much anything that's worth to the

636  
00:23:43,830 --> 00:23:40,559  
human race worth knowing then they're

637  
00:23:44,870 --> 00:23:43,840  
okay with that you know um

638  
00:23:45,909 --> 00:23:44,880

right

639

00:23:48,470 --> 00:23:45,919

well i mean

640

00:23:49,669 --> 00:23:48,480

you know what just just for to

641

00:23:51,110 --> 00:23:49,679

i mean

642

00:23:53,350 --> 00:23:51,120

if you want to talk about some things

643

00:23:56,390 --> 00:23:53,360

please do um we'll just use some code

644

00:23:58,310 --> 00:23:56,400

words you know we'll just just no i'm

645

00:24:00,470 --> 00:23:58,320

you know yeah i'll just i'll be i'll be

646

00:24:02,870 --> 00:24:00,480

careful going forward you know

647

00:24:05,269 --> 00:24:02,880

anyway so enough enough of me so while i

648

00:24:06,950 --> 00:24:05,279

have you on please do uh you know share

649

00:24:09,110 --> 00:24:06,960

or however much you would like or can

650

00:24:10,710 --> 00:24:09,120

with with all of us uh watching and

651  
00:24:12,310 --> 00:24:10,720  
listening

652  
00:24:15,269 --> 00:24:12,320  
oh well what do you what do you want to

653  
00:24:19,110 --> 00:24:15,279  
talk about well um so

654  
00:24:21,029 --> 00:24:19,120  
right well the other one was um

655  
00:24:23,029 --> 00:24:21,039  
is there anything regarding the current

656  
00:24:25,590 --> 00:24:23,039  
events that you would like to maybe

657  
00:24:27,269 --> 00:24:25,600  
bring up or is there some other things

658  
00:24:29,029 --> 00:24:27,279  
that

659  
00:24:30,390 --> 00:24:29,039  
i know i've been out of it for a while

660  
00:24:32,230 --> 00:24:30,400  
but some other background things that

661  
00:24:34,549 --> 00:24:32,240  
are happening that you find pertinent

662  
00:24:36,390 --> 00:24:34,559  
enough to share

663  
00:24:38,390 --> 00:24:36,400

current events as in the outer world or

664

00:24:40,710 --> 00:24:38,400

in my in my little world in my little

665

00:24:42,710 --> 00:24:40,720

world i can bring up today maybe

666

00:24:44,470 --> 00:24:42,720

um because you're going you're going

667

00:24:47,510 --> 00:24:44,480

quiet again just please speak up a

668

00:24:48,950 --> 00:24:47,520

little bit more okay if if you and i

669

00:24:50,149 --> 00:24:48,960

were just talking i mean i would i was

670

00:24:52,230 --> 00:24:50,159

just thinking we'd have a conversation

671

00:24:54,390 --> 00:24:52,240

like we have sometimes privately even

672

00:24:56,230 --> 00:24:54,400

but i'll bring up the date on um yeah no

673

00:24:58,230 --> 00:24:56,240

definitely go for it i'd like people to

674

00:25:01,750 --> 00:24:58,240

be exposed to that too because i hate

675

00:25:02,549 --> 00:25:01,760

having to have everything packaged up so

676

00:25:04,950 --> 00:25:02,559

you know

677

00:25:07,990 --> 00:25:04,960

let's see where it goes just let loose

678

00:25:09,590 --> 00:25:08,000

you know let it let it happen i guess

679

00:25:11,350 --> 00:25:09,600

well i'm just i'm

680

00:25:14,310 --> 00:25:11,360

i am watching

681

00:25:15,190 --> 00:25:14,320

others take the baton and run with it as

682

00:25:15,990 --> 00:25:15,200

far as

683

00:25:17,830 --> 00:25:16,000

uh

684

00:25:19,350 --> 00:25:17,840

disclosure and and bringing out the

685

00:25:20,470 --> 00:25:19,360

truth about what's really going on with

686

00:25:22,710 --> 00:25:20,480

the whole

687

00:25:24,789 --> 00:25:22,720

uh interactions with our

688

00:25:27,590 --> 00:25:24,799

cosmic brothers and sisters

689

00:25:29,430 --> 00:25:27,600

and there's some good voices out there i

690

00:25:32,230 --> 00:25:29,440

um i had the

691

00:25:34,390 --> 00:25:32,240

opportunity to talk to um alex collier

692

00:25:35,990 --> 00:25:34,400

uh about a month ago and we had a really

693

00:25:39,110 --> 00:25:36,000

nice conversation

694

00:25:40,950 --> 00:25:39,120

tell him to answer my email

695

00:25:43,029 --> 00:25:40,960

oh he's really good about it he didn't

696

00:25:44,310 --> 00:25:43,039

answer your email no i've been reaching

697

00:25:45,669 --> 00:25:44,320

out to him like crazy because people

698

00:25:48,630 --> 00:25:45,679

have been asking him i would love to

699

00:25:49,590 --> 00:25:48,640

talk to him so hey hook a brother up

700

00:25:53,830 --> 00:25:49,600

oh

701  
00:25:56,549 --> 00:25:53,840  
him and he's you know he's dealing with

702  
00:25:57,990 --> 00:25:56,559  
some health issues you know he's

703  
00:26:00,470 --> 00:25:58,000  
got serious health issues and i know

704  
00:26:02,070 --> 00:26:00,480  
he's planning to retire pretty soon so

705  
00:26:03,269 --> 00:26:02,080  
i mean if you want i can reach out to

706  
00:26:04,870 --> 00:26:03,279  
him for you

707  
00:26:06,870 --> 00:26:04,880  
please do it yeah i mean it seriously

708  
00:26:08,630 --> 00:26:06,880  
you know i i've been wanting to talk to

709  
00:26:10,789 --> 00:26:08,640  
him for quite a while and to set up a

710  
00:26:12,710 --> 00:26:10,799  
time and you can at least vouch for me

711  
00:26:13,830 --> 00:26:12,720  
that you know i won't misrepresent his

712  
00:26:17,190 --> 00:26:13,840  
views

713  
00:26:19,669 --> 00:26:17,200

yeah he's he knows so much and he's he's

714

00:26:23,190 --> 00:26:19,679

just a rock you know i think he's great

715

00:26:25,909 --> 00:26:23,200

um i just watched him today on with

716

00:26:28,310 --> 00:26:25,919

dr michael sala i've been following him

717

00:26:30,950 --> 00:26:28,320

with his disclosure stuff regarding the

718

00:26:32,149 --> 00:26:30,960

arks are you familiar with the um the

719

00:26:33,830 --> 00:26:32,159

the buried

720

00:26:35,430 --> 00:26:33,840

um huge

721

00:26:36,870 --> 00:26:35,440

they're calling them arcs but they're

722

00:26:38,470 --> 00:26:36,880

like big spaceships that they're finding

723

00:26:41,269 --> 00:26:38,480

there's there's several of them on the

724

00:26:42,549 --> 00:26:41,279

planet and on mars and the moon and

725

00:26:44,950 --> 00:26:42,559

different places throughout our solar

726

00:26:46,870 --> 00:26:44,960

system and they've been activated

727

00:26:48,630 --> 00:26:46,880

just recently they've come i'm not

728

00:26:49,990 --> 00:26:48,640

familiar please do tell me whatever you

729

00:26:52,710 --> 00:26:50,000

can

730

00:26:54,950 --> 00:26:52,720

oh it's really good um i recommend the

731

00:26:57,909 --> 00:26:54,960

the video that dr michael saleh

732

00:26:59,590 --> 00:26:57,919

did he's been following it that that and

733

00:27:01,430 --> 00:26:59,600

he's been following

734

00:27:02,310 --> 00:27:01,440

uh a little bit different path but he's

735

00:27:06,230 --> 00:27:02,320

he's

736

00:27:08,630 --> 00:27:06,240

in with uh ilana danan if you know her

737

00:27:10,549 --> 00:27:08,640

she i haven't made up my mind yet with

738

00:27:13,190 --> 00:27:10,559

her but i want to believe that she's the

739

00:27:14,789 --> 00:27:13,200

real deal but there's just

740

00:27:16,710 --> 00:27:14,799

just a little

741

00:27:19,110 --> 00:27:16,720

something i'm picking up and i'm not

742

00:27:20,630 --> 00:27:19,120

sure what it is but she's the one who um

743

00:27:22,630 --> 00:27:20,640

is talking about that

744

00:27:25,990 --> 00:27:22,640

stuff too and she's she brought forth

745

00:27:27,990 --> 00:27:26,000

the news that um the solar system

746

00:27:30,389 --> 00:27:28,000

is has been liberated

747

00:27:31,990 --> 00:27:30,399

and that all the dark are gone

748

00:27:33,669 --> 00:27:32,000

and defeated and that i think that

749

00:27:34,870 --> 00:27:33,679

that's where i i guess that's the little

750

00:27:37,909 --> 00:27:34,880

point that i have that's a little bit

751

00:27:39,430 --> 00:27:37,919

sticky for me i don't quite

752

00:27:40,950 --> 00:27:39,440

believe that it's a hundred percent

753

00:27:43,110 --> 00:27:40,960

clear i think that they've made great

754

00:27:45,830 --> 00:27:43,120

inroads i think that they've cleared out

755

00:27:47,110 --> 00:27:45,840

a lot of the draco and the

756

00:27:49,909 --> 00:27:47,120

the um

757

00:27:52,149 --> 00:27:49,919

bad little grays but um

758

00:27:54,549 --> 00:27:52,159

it's still not 100 and even she's saying

759

00:27:56,470 --> 00:27:54,559

that what's left are just the human the

760

00:27:57,669 --> 00:27:56,480

uh negative humans on the planet that

761

00:27:59,269 --> 00:27:57,679

need to be

762

00:28:02,389 --> 00:27:59,279

dealt with which they're doing

763

00:28:03,190 --> 00:28:02,399

but um she talks about a

764

00:28:04,950 --> 00:28:03,200

a

765

00:28:07,510 --> 00:28:04,960

group of

766

00:28:10,549 --> 00:28:07,520

giant mother ships huge huge ships that

767

00:28:13,350 --> 00:28:10,559

came into the solar system um

768

00:28:15,190 --> 00:28:13,360

a couple months ago or so i think maybe

769

00:28:16,470 --> 00:28:15,200

and that they are here they are the foul

770

00:28:18,149 --> 00:28:16,480

what they call the i think those are the

771

00:28:20,070 --> 00:28:18,159

founders or the cedars

772

00:28:21,110 --> 00:28:20,080

they are the ones who actually

773

00:28:22,549 --> 00:28:21,120

um

774

00:28:24,389 --> 00:28:22,559

seeded the planet to begin with and

775

00:28:25,269 --> 00:28:24,399

they're here now to watch us move from

776  
00:28:26,950 --> 00:28:25,279  
three

777  
00:28:27,830 --> 00:28:26,960  
to five

778  
00:28:34,070 --> 00:28:27,840  
d

779  
00:28:36,230 --> 00:28:34,080  
i've chosen to believe that

780  
00:28:38,389 --> 00:28:36,240  
i i know i like the story but there was

781  
00:28:39,830 --> 00:28:38,399  
something about it that when i heard it

782  
00:28:41,510 --> 00:28:39,840  
i just went to pieces it's like i

783  
00:28:45,510 --> 00:28:41,520  
already knew it and i got very emotional

784  
00:28:46,470 --> 00:28:45,520  
i just burst out crying and um

785  
00:28:49,430 --> 00:28:46,480  
just

786  
00:28:52,310 --> 00:28:49,440  
that's

787  
00:28:53,990 --> 00:28:52,320  
lately and i'm really

788  
00:28:55,669 --> 00:28:54,000

really enthralled and kind of enchanted

789

00:28:57,430 --> 00:28:55,679

by it all then there's another gal out

790

00:28:59,909 --> 00:28:57,440

there by the name of megan rose megan

791

00:29:00,950 --> 00:28:59,919

rose megan rose and

792

00:29:02,950 --> 00:29:00,960

she's bringing forth a lot of

793

00:29:05,110 --> 00:29:02,960

information that's similar to

794

00:29:08,149 --> 00:29:05,120

ilana but a little bit different they

795

00:29:09,590 --> 00:29:08,159

had i think those two parted ways

796

00:29:12,149 --> 00:29:09,600

but there's a lot

797

00:29:13,990 --> 00:29:12,159

there's a lot of stuff coming out and

798

00:29:15,430 --> 00:29:14,000

most of it's good i think we're on a

799

00:29:18,149 --> 00:29:15,440

timeline

800

00:29:19,350 --> 00:29:18,159

um that's pretty positive and i think

801  
00:29:23,510 --> 00:29:19,360  
that

802  
00:29:25,190 --> 00:29:23,520  
a lot of big stuff happening in the next

803  
00:29:27,110 --> 00:29:25,200  
couple years i think i mean they have to

804  
00:29:30,630 --> 00:29:27,120  
we have to get all this stuff out we

805  
00:29:32,310 --> 00:29:30,640  
gotta we gotta clear the path and and um

806  
00:29:33,750 --> 00:29:32,320  
our government is they're gonna be

807  
00:29:35,590 --> 00:29:33,760  
caught with their pants down if they

808  
00:29:37,110 --> 00:29:35,600  
don't pretty soon come out with some

809  
00:29:38,470 --> 00:29:37,120  
kind of disclosure because it's gonna

810  
00:29:41,269 --> 00:29:38,480  
happen with that with or without them

811  
00:29:44,389 --> 00:29:41,279  
soon right so i did them i reached out

812  
00:29:46,230 --> 00:29:44,399  
to to megan for your your message you

813  
00:29:48,230 --> 00:29:46,240

knew you emailed me and i was like oh

814

00:29:49,590 --> 00:29:48,240

that's they'll be someone i could reach

815

00:29:51,830 --> 00:29:49,600

out to him

816

00:29:53,669 --> 00:29:51,840

at least two times which we had a time

817

00:29:54,630 --> 00:29:53,679

set and we had to postpone in the last

818

00:29:55,830 --> 00:29:54,640

time

819

00:29:57,510 --> 00:29:55,840

i don't know exactly what she's

820

00:29:59,990 --> 00:29:57,520

referring to but the book she released

821

00:30:02,070 --> 00:30:00,000

created too much controversy in the ufo

822

00:30:04,070 --> 00:30:02,080

community and she's like she just wants

823

00:30:05,590 --> 00:30:04,080

to heat heat off of her a little bit

824

00:30:07,669 --> 00:30:05,600

that's what she said last i said all

825

00:30:09,269 --> 00:30:07,679

right i'm i'm here whenever you're ready

826

00:30:11,350 --> 00:30:09,279

you know what what she was referring to

827

00:30:13,590 --> 00:30:11,360

i don't know maybe you could you know i

828

00:30:15,190 --> 00:30:13,600

didn't fill in the gap yeah she

829

00:30:18,389 --> 00:30:15,200

well like a lot of us who come out with

830

00:30:20,789 --> 00:30:18,399

the truth she was subjected to attacks

831

00:30:22,870 --> 00:30:20,799

now you know i'm jealous because she got

832

00:30:25,190 --> 00:30:22,880

protection she's got really good

833

00:30:27,830 --> 00:30:25,200

protection the federation

834

00:30:30,070 --> 00:30:27,840

and her guys were watching out for her

835

00:30:32,470 --> 00:30:30,080

so but she had to go into hiding she's

836

00:30:34,310 --> 00:30:32,480

been attacked in the past

837

00:30:36,950 --> 00:30:34,320

like a lot of us have but and her she

838

00:30:38,070 --> 00:30:36,960

got a pretty serious attack but so she

839

00:30:39,430 --> 00:30:38,080

had to

840

00:30:40,389 --> 00:30:39,440

to um

841

00:30:42,470 --> 00:30:40,399

you know

842

00:30:44,549 --> 00:30:42,480

get lost for a while she's surfaced

843

00:30:47,269 --> 00:30:44,559

again now so she's back out

844

00:30:48,950 --> 00:30:47,279

so you might want to reaching over again

845

00:30:49,990 --> 00:30:48,960

i think she's she's still

846

00:30:52,230 --> 00:30:50,000

not

847

00:30:54,470 --> 00:30:52,240

got a real huge following so you know

848

00:30:56,630 --> 00:30:54,480

she's not outgrown wanting to do

849

00:30:57,990 --> 00:30:56,640

podcasts with people i don't think but

850

00:30:59,590 --> 00:30:58,000

you could check with her and see but

851

00:31:00,710 --> 00:30:59,600

she's interesting very interesting to

852

00:31:01,990 --> 00:31:00,720

talk with

853

00:31:03,909 --> 00:31:02,000

yeah

854

00:31:06,310 --> 00:31:03,919

well obviously i mean everyone you

855

00:31:07,669 --> 00:31:06,320

recommend me i take him you know take

856

00:31:10,070 --> 00:31:07,679

him too hard and take him seriously so

857

00:31:12,070 --> 00:31:10,080

immediately try to reach out you know

858

00:31:14,789 --> 00:31:12,080

and if it doesn't work out trust me it's

859

00:31:17,750 --> 00:31:14,799

not because i didn't try

860

00:31:19,990 --> 00:31:17,760

yeah yeah i know i it's hard i know it's

861

00:31:20,870 --> 00:31:20,000

hard to to get people in it all depends

862

00:31:22,549 --> 00:31:20,880

especially

863

00:31:25,430 --> 00:31:22,559

when they're a rising star kind of i

864

00:31:27,430 --> 00:31:25,440

mean and megan is she's she's on

865

00:31:29,430 --> 00:31:27,440

she's posting all the time and she's on

866

00:31:30,230 --> 00:31:29,440

as a guest on a lot of different

867

00:31:32,710 --> 00:31:30,240

um

868

00:31:34,870 --> 00:31:32,720

different podcasts so but

869

00:31:36,230 --> 00:31:34,880

but anyway um yeah there's just there's

870

00:31:39,029 --> 00:31:36,240

a lot happening and i think it's

871

00:31:40,549 --> 00:31:39,039

exciting times very exciting and i'd

872

00:31:41,750 --> 00:31:40,559

love to be out there you know i hear

873

00:31:43,830 --> 00:31:41,760

you're talking about the ozark mountain

874

00:31:46,070 --> 00:31:43,840

conference i'd love to to be able to go

875

00:31:48,630 --> 00:31:46,080

to that and i'd love to be done there i

876

00:31:50,950 --> 00:31:48,640

have very fond memories of of the times

877

00:31:52,710 --> 00:31:50,960

i was there all toward the end the last

878

00:31:53,669 --> 00:31:52,720

time or two i was pretty sick when i was

879

00:31:55,750 --> 00:31:53,679

there

880

00:31:58,070 --> 00:31:55,760

um but i still

881

00:32:00,950 --> 00:31:58,080

love that journey down just i love

882

00:32:02,710 --> 00:32:00,960

arkansas we are even going to go over

883

00:32:05,509 --> 00:32:02,720

there and take a look at arkansas as far

884

00:32:06,230 --> 00:32:05,519

as considering it as a place to retire

885

00:32:08,389 --> 00:32:06,240

but

886

00:32:10,789 --> 00:32:08,399

um i hope you do come down for coffee

887

00:32:13,110 --> 00:32:10,799

all the time

888

00:32:14,950 --> 00:32:13,120

yeah yeah we're gonna we're kind of

889

00:32:17,269 --> 00:32:14,960

settled on arizona but we're gonna just

890

00:32:18,789 --> 00:32:17,279

check it out just to be on the safe side

891

00:32:20,710 --> 00:32:18,799

because we did fall in love with

892

00:32:22,070 --> 00:32:20,720

arkansas but yeah i wish i could be at

893

00:32:25,509 --> 00:32:22,080

the conference i wish i could be out

894

00:32:26,950 --> 00:32:25,519

speaking i would love to be out

895

00:32:29,190 --> 00:32:26,960

speaking and i hope to do it again

896

00:32:31,110 --> 00:32:29,200

someday but i don't know i'm in getting

897

00:32:33,590 --> 00:32:31,120

you know getting elderly now getting old

898

00:32:34,630 --> 00:32:33,600

so even if my health comes back i'm i

899

00:32:35,430 --> 00:32:34,640

don't know what it's going to be like to

900

00:32:37,590 --> 00:32:35,440

be

901  
00:32:38,950 --> 00:32:37,600  
that age and try to do that sort of

902  
00:32:41,750 --> 00:32:38,960  
thing i don't know

903  
00:32:42,549 --> 00:32:41,760  
but what are you 35 i'm

904  
00:32:44,310 --> 00:32:42,559  
yeah

905  
00:32:45,269 --> 00:32:44,320  
i'm in my 70s you know it's weird

906  
00:32:45,909 --> 00:32:45,279  
because

907  
00:33:09,669 --> 00:32:45,919  
i

908  
00:33:10,870 --> 00:33:09,679  
wham and a decade goes by

909  
00:33:13,269 --> 00:33:10,880  
and it's like i

910  
00:33:14,389 --> 00:33:13,279  
wake up and i'm 71 and i'm

911  
00:33:16,470 --> 00:33:14,399  
you know i'm

912  
00:33:17,750 --> 00:33:16,480  
bedridden and i can't walk and i can't

913  
00:33:19,909 --> 00:33:17,760

do this i can't do that you know and

914

00:33:22,230 --> 00:33:19,919

barely can move it's just like it

915

00:33:24,149 --> 00:33:22,240

blindsided me and

916

00:33:25,909 --> 00:33:24,159

10 years those ten years are like a blur

917

00:33:27,509 --> 00:33:25,919

and i know i was out there lecturing i

918

00:33:29,750 --> 00:33:27,519

have i can prove it because there's

919

00:33:32,470 --> 00:33:29,760

youtube videos of me doing it so i did

920

00:33:34,549 --> 00:33:32,480

it but i almost can't even remember it i

921

00:33:36,789 --> 00:33:34,559

was being poisoned from the time

922

00:33:39,350 --> 00:33:36,799

from 2012 on

923

00:33:41,509 --> 00:33:39,360

and so i was slowly getting sick over

924

00:33:43,350 --> 00:33:41,519

that whole period of time until finally

925

00:33:45,990 --> 00:33:43,360

my health just collapsed

926  
00:33:47,509 --> 00:33:46,000  
so yeah it please just keep a check on

927  
00:33:50,149 --> 00:33:47,519  
your mic just keep it as close as you

928  
00:33:52,070 --> 00:33:50,159  
can to your to your face

929  
00:33:53,430 --> 00:33:52,080  
i am it's i've got it right here i don't

930  
00:33:55,350 --> 00:33:53,440  
know is there something i should do on

931  
00:33:57,830 --> 00:33:55,360  
my phone to turn it up

932  
00:33:59,750 --> 00:33:57,840  
um i'm not quite sure that that you have

933  
00:34:00,950 --> 00:33:59,760  
control on the mic you were just you i

934  
00:34:03,190 --> 00:34:00,960  
just want to make sure that you come in

935  
00:34:05,269 --> 00:34:03,200  
and clear to us because you have a

936  
00:34:07,590 --> 00:34:05,279  
naturally soft voice to begin with and

937  
00:34:09,030 --> 00:34:07,600  
then if it's quiet it becomes a little

938  
00:34:11,829 --> 00:34:09,040

bit harder to hear

939

00:34:13,589 --> 00:34:11,839

um yeah i'm glad i have you on i don't i

940

00:34:16,790 --> 00:34:13,599

want everyone to hear every word coming

941

00:34:21,270 --> 00:34:19,190

yeah like little jewel their jewels

942

00:34:23,109 --> 00:34:21,280

dripping out of my mouth yeah right well

943

00:34:25,190 --> 00:34:23,119

and my you know what my my voice is

944

00:34:27,510 --> 00:34:25,200

still hoarse from the coved quite

945

00:34:29,510 --> 00:34:27,520

honestly you know it it gives out if i

946

00:34:30,790 --> 00:34:29,520

talk too long so i probably shouldn't

947

00:34:32,149 --> 00:34:30,800

have had that peanut butter peanut

948

00:34:32,829 --> 00:34:32,159

butter for dinner

949

00:34:36,149 --> 00:34:32,839

but

950

00:34:38,550 --> 00:34:36,159

um so anyway i wish i was joining you

951  
00:34:40,869 --> 00:34:38,560  
down at uh ozark say hi to julia for me

952  
00:34:42,629 --> 00:34:40,879  
i wish i could be there maybe so i won't

953  
00:34:44,629 --> 00:34:42,639  
say hi to her at all

954  
00:34:45,430 --> 00:34:44,639  
you should know that by now oh you won't

955  
00:34:50,470 --> 00:34:45,440  
no

956  
00:34:52,629 --> 00:34:50,480  
in that circuit anymore so yeah just

957  
00:34:54,629 --> 00:34:52,639  
leave her out i'll say hi to nancy for

958  
00:34:56,470 --> 00:34:54,639  
you how about that

959  
00:34:58,710 --> 00:34:56,480  
oh i love nancy yeah

960  
00:35:00,790 --> 00:34:58,720  
well julia i don't know i felt like i

961  
00:35:02,390 --> 00:35:00,800  
never felt like she ever cared about me

962  
00:35:03,670 --> 00:35:02,400  
but i was you know i mean i like

963  
00:35:04,950 --> 00:35:03,680

everybody so

964

00:35:07,510 --> 00:35:04,960

she didn't care

965

00:35:08,870 --> 00:35:07,520

about anybody and and this is even

966

00:35:11,589 --> 00:35:08,880

family so

967

00:35:13,510 --> 00:35:11,599

we can leave it at that

968

00:35:15,349 --> 00:35:13,520

wow okay

969

00:35:16,870 --> 00:35:15,359

why do you think everyone else why do

970

00:35:18,870 --> 00:35:16,880

you think everyone else was working

971

00:35:21,990 --> 00:35:18,880

while she was just hovering around like

972

00:35:23,670 --> 00:35:22,000

you know like she's the holy of holies

973

00:35:26,150 --> 00:35:23,680

oh okay

974

00:35:27,750 --> 00:35:26,160

well i'm sorry that's too bad because oh

975

00:35:29,829 --> 00:35:27,760

well we're not you know it's good to

976

00:35:31,990 --> 00:35:29,839

know when when you have a psychopath you

977

00:35:34,069 --> 00:35:32,000

know to be called out and to know who

978

00:35:35,990 --> 00:35:34,079

you're dealing with

979

00:35:38,150 --> 00:35:36,000

well i thought maybe she just had

980

00:35:41,030 --> 00:35:38,160

problems because she's in her mother's

981

00:35:41,829 --> 00:35:41,040

shadow you know dolores is not a oh no

982

00:35:46,150 --> 00:35:41,839

there's

983

00:35:48,310 --> 00:35:46,160

not this is not just like some innocent

984

00:35:52,150 --> 00:35:48,320

mistake

985

00:35:56,829 --> 00:35:52,160

wow okay well that's that's unfortunate

986

00:36:02,950 --> 00:35:59,990

dancing is yeah oh

987

00:36:04,470 --> 00:36:02,960

we could okay okay that's good to know

988

00:36:07,190 --> 00:36:04,480

huh

989

00:36:09,430 --> 00:36:07,200

okay well moving on that's yeah family

990

00:36:11,430 --> 00:36:09,440

well i i wish i'm wait until it's

991

00:36:14,069 --> 00:36:11,440

completed so i can let loose because oh

992

00:36:16,550 --> 00:36:14,079

my god i'm so angry you know it's just

993

00:36:18,310 --> 00:36:16,560

for all the stuff that she did and and

994

00:36:20,310 --> 00:36:18,320

to my wife and all this stuff you know

995

00:36:21,030 --> 00:36:20,320

it's like i cannot believe

996

00:36:23,349 --> 00:36:21,040

oh

997

00:36:25,670 --> 00:36:23,359

it's i'll probably if i just start the

998

00:36:27,670 --> 00:36:25,680

rant of cussing right now probably gonna

999

00:36:28,790 --> 00:36:27,680

you know have youtube take me offline

1000

00:36:29,910 --> 00:36:28,800

right now

1001

00:36:32,069 --> 00:36:29,920

wow

1002

00:36:33,990 --> 00:36:32,079

so i wasn't wrong in the vibe i was

1003

00:36:35,910 --> 00:36:34,000

picking up there and there was a lot of

1004

00:36:38,710 --> 00:36:35,920

tension and a lot of

1005

00:36:40,870 --> 00:36:38,720

crap under the surface it was a lie to

1006

00:36:43,430 --> 00:36:40,880

everybody it was a lie to everybody and

1007

00:36:44,310 --> 00:36:43,440

lied to dolores

1008

00:36:51,270 --> 00:36:44,320

yeah

1009

00:36:54,069 --> 00:36:51,280

yep but anyway the second i guess i can

1010

00:36:56,230 --> 00:36:54,079

that comes out more than i'm really

1011

00:36:59,670 --> 00:36:56,240

would be more than happy to to let loose

1012

00:37:01,349 --> 00:36:59,680

but oh my god i can't stand that woman

1013

00:37:03,430 --> 00:37:01,359

okay well

1014

00:37:05,750 --> 00:37:03,440

moving on i'm gonna out update my film

1015

00:37:06,550 --> 00:37:05,760

how about sure yes please do

1016

00:37:08,470 --> 00:37:06,560

so

1017

00:37:10,069 --> 00:37:08,480

what the um

1018

00:37:12,230 --> 00:37:10,079

the reason i'm still here is because of

1019

00:37:13,430 --> 00:37:12,240

that film i would i would have checked

1020

00:37:17,190 --> 00:37:13,440

out um

1021

00:37:19,670 --> 00:37:17,200

a long time ago back in um when was 20

1022

00:37:21,270 --> 00:37:19,680

when did i request the exit 2015 and i

1023

00:37:22,390 --> 00:37:21,280

was granted an exit and i was going to

1024

00:37:23,349 --> 00:37:22,400

leave

1025

00:37:24,470 --> 00:37:23,359

and

1026

00:37:27,670 --> 00:37:24,480

then i was

1027

00:37:29,349 --> 00:37:27,680

convinced to stay because of the film

1028

00:37:32,390 --> 00:37:29,359

which back in 2015 it wasn't even a

1029

00:37:33,670 --> 00:37:32,400

reality but my guys even before i wrote

1030

00:37:34,630 --> 00:37:33,680

the book they told me i had to write

1031

00:37:37,109 --> 00:37:34,640

this book because it was going to be

1032

00:37:39,589 --> 00:37:37,119

made into a movie

1033

00:37:41,030 --> 00:37:39,599

and i didn't believe them of course

1034

00:37:43,589 --> 00:37:41,040

and

1035

00:37:44,710 --> 00:37:43,599

but they as always they proved me wrong

1036

00:37:49,109 --> 00:37:44,720

so

1037

00:37:51,109 --> 00:37:49,119

in 2015 i rescinded my my exit

1038

00:37:52,550 --> 00:37:51,119

and i i could just kick myself because i

1039

00:37:54,470 --> 00:37:52,560

didn't cut a deal i should have cut a

1040

00:37:57,030 --> 00:37:54,480

deal where i've said something like if i

1041

00:37:57,910 --> 00:37:57,040

stay i won't be sick anymore you know

1042

00:37:59,670 --> 00:37:57,920

you're gonna have to heal me or

1043

00:38:01,589 --> 00:37:59,680

something but i didn't do that i didn't

1044

00:38:02,550 --> 00:38:01,599

even think about it and i don't know why

1045

00:38:04,710 --> 00:38:02,560

i didn't

1046

00:38:05,990 --> 00:38:04,720

but i rescinded i cancelled my exit and

1047

00:38:06,950 --> 00:38:06,000

i stayed

1048

00:38:09,670 --> 00:38:06,960

and

1049

00:38:11,109 --> 00:38:09,680

it was tough going you know i've been

1050

00:38:13,270 --> 00:38:11,119

out of sight for a good reason it's

1051

00:38:16,470 --> 00:38:13,280

because you know very very sick

1052

00:38:19,589 --> 00:38:16,480

but i was i had no excess you know i

1053

00:38:22,069 --> 00:38:19,599

went back again in 2019

1054

00:38:23,510 --> 00:38:22,079

when i couldn't take it anymore um and i

1055

00:38:25,190 --> 00:38:23,520

could see i probably wasn't going to get

1056

00:38:27,270 --> 00:38:25,200

better so i went before the council

1057

00:38:28,710 --> 00:38:27,280

again in december of 2019

1058

00:38:30,390 --> 00:38:28,720

asked for an exit

1059

00:38:32,150 --> 00:38:30,400

was told i didn't have one and i've told

1060

00:38:33,990 --> 00:38:32,160

that story before so i don't want to

1061

00:38:36,069 --> 00:38:34,000

bore people with it but basically

1062

00:38:36,870 --> 00:38:36,079

couldn't leave which surprised me i was

1063

00:38:38,550 --> 00:38:36,880

like

1064

00:38:40,310 --> 00:38:38,560

you can't just not

1065

00:38:41,430 --> 00:38:40,320

allow me to leave i can leave the planet

1066

00:38:43,430 --> 00:38:41,440

if i want to leave the planet i have

1067

00:38:45,750 --> 00:38:43,440

free will but i guess those of us who

1068

00:38:47,510 --> 00:38:45,760

are here on missions maybe it is

1069

00:38:49,349 --> 00:38:47,520

those of us who have agreed to do

1070

00:38:51,510 --> 00:38:49,359

complete a mission

1071

00:38:53,349 --> 00:38:51,520

we don't have free will and i've always

1072

00:38:54,870 --> 00:38:53,359

kind of said that and kind of had a

1073

00:38:56,470 --> 00:38:54,880

sneaking idea that i didn't have too

1074

00:38:57,270 --> 00:38:56,480

much free will

1075

00:38:59,190 --> 00:38:57,280

so

1076

00:39:01,349 --> 00:38:59,200

i was not allowed to leave

1077

00:39:05,750 --> 00:39:01,359

and they told me back then in 2019 my

1078

00:39:07,349 --> 00:39:05,760

next exit was in march of 2021 not

1079

00:39:08,550 --> 00:39:07,359

yet 2021

1080

00:39:11,349 --> 00:39:08,560

and um

1081

00:39:12,710 --> 00:39:11,359

no 2022 that's what we're at now

1082

00:39:14,870 --> 00:39:12,720

and um

1083

00:39:16,069 --> 00:39:14,880

so i had a long time to wait

1084

00:39:19,910 --> 00:39:16,079

and um

1085

00:39:23,750 --> 00:39:21,990

it's 22. i said i don't even

1086

00:39:26,150 --> 00:39:23,760

yeah i was like that'll look alive what

1087

00:39:28,230 --> 00:39:26,160

year it is

1088

00:39:30,150 --> 00:39:28,240

you know that honestly i mean i know the

1089

00:39:32,470 --> 00:39:30,160

date and the time and all that kind of

1090

00:39:35,270 --> 00:39:32,480

thing but the year i get confused about

1091

00:39:37,510 --> 00:39:35,280

it's because i have like no

1092

00:39:39,750 --> 00:39:37,520

hardly any remembrance of anything since

1093

00:39:41,990 --> 00:39:39,760

back in 2014

1094

00:39:43,990 --> 00:39:42,000

2013 right into there when the poisoning

1095

00:39:45,750 --> 00:39:44,000

started it's like i went into a cave and

1096

00:39:47,109 --> 00:39:45,760

then when it came out i just was like

1097

00:39:49,349 --> 00:39:47,119

blinking and trying to get used to the

1098

00:39:51,670 --> 00:39:49,359

daylight you know but anyway so they

1099

00:39:54,630 --> 00:39:51,680

told me i had this exit coming up

1100

00:39:57,750 --> 00:39:54,640

in um right now in march

1101  
00:40:00,150 --> 00:39:57,760  
and uh so i always had planned to use it

1102  
00:40:01,510 --> 00:40:00,160  
and plan to use it but then

1103  
00:40:03,270 --> 00:40:01,520  
what i was told was the reason i didn't

1104  
00:40:05,829 --> 00:40:03,280  
have an exit on my path during that time

1105  
00:40:07,910 --> 00:40:05,839  
was because i would have taken it

1106  
00:40:10,550 --> 00:40:07,920  
and the film wouldn't get made and the

1107  
00:40:11,270 --> 00:40:10,560  
film won't get made if i'm not here

1108  
00:40:13,349 --> 00:40:11,280  
so

1109  
00:40:16,230 --> 00:40:13,359  
i said i don't care if the film gets

1110  
00:40:18,550 --> 00:40:16,240  
made or not but then

1111  
00:40:21,270 --> 00:40:18,560  
along came the people who are doing it

1112  
00:40:23,349 --> 00:40:21,280  
and they have worked so hard on it and

1113  
00:40:25,670 --> 00:40:23,359

the vote martha has devoted her life to

1114

00:40:29,190 --> 00:40:25,680

it for the last over two years

1115

00:40:31,109 --> 00:40:29,200

just working so hard on it and i

1116

00:40:32,630 --> 00:40:31,119

you know i couldn't do that to her and

1117

00:40:34,150 --> 00:40:32,640

she actually at one point she just she

1118

00:40:36,870 --> 00:40:34,160

asked me you know

1119

00:40:39,030 --> 00:40:36,880

would i please promise to stay and so i

1120

00:40:40,710 --> 00:40:39,040

gave her my word i would stay until it

1121

00:40:42,069 --> 00:40:40,720

it gets launched you know until it's far

1122

00:40:43,349 --> 00:40:42,079

enough along that it won't matter if i'm

1123

00:40:44,150 --> 00:40:43,359

here or not

1124

00:40:46,390 --> 00:40:44,160

so

1125

00:40:49,349 --> 00:40:46,400

i couldn't leave you know i i haven't

1126  
00:40:50,950 --> 00:40:49,359  
been able to but the film is now

1127  
00:40:52,390 --> 00:40:50,960  
finally getting

1128  
00:40:55,190 --> 00:40:52,400  
off the ground

1129  
00:40:56,710 --> 00:40:55,200  
it's finally moving along like every day

1130  
00:40:58,069 --> 00:40:56,720  
there's no things happening with it

1131  
00:40:59,910 --> 00:40:58,079  
whereas before it was like every six

1132  
00:41:02,230 --> 00:40:59,920  
months you might hear something about it

1133  
00:41:03,510 --> 00:41:02,240  
it's a very slow business that movie

1134  
00:41:06,470 --> 00:41:03,520  
making

1135  
00:41:08,550 --> 00:41:06,480  
business is just unbelievably slow

1136  
00:41:10,550 --> 00:41:08,560  
but it is happening now and we're

1137  
00:41:13,190 --> 00:41:10,560  
actually

1138  
00:41:14,870 --> 00:41:13,200

this week uh they're they are reaching

1139

00:41:17,190 --> 00:41:14,880

out to

1140

00:41:18,630 --> 00:41:17,200

we need to feel the lead position the

1141

00:41:19,430 --> 00:41:18,640

person who's going to play the part of

1142

00:41:21,670 --> 00:41:19,440

me

1143

00:41:23,750 --> 00:41:21,680

so once we have that filled then they go

1144

00:41:26,150 --> 00:41:23,760

to the streamers and we were at this

1145

00:41:27,430 --> 00:41:26,160

point a couple months ago but we

1146

00:41:29,510 --> 00:41:27,440

we

1147

00:41:31,670 --> 00:41:29,520

put it on hold because the one the

1148

00:41:34,150 --> 00:41:31,680

person we want is jennifer lawrence

1149

00:41:35,349 --> 00:41:34,160

and she was having a baby and so we put

1150

00:41:37,190 --> 00:41:35,359

it on the shelf

1151  
00:41:39,510 --> 00:41:37,200  
and did other things while we waited for

1152  
00:41:41,589 --> 00:41:39,520  
that to get cleared so now she's had her

1153  
00:41:43,030 --> 00:41:41,599  
child and we're going we're reaching out

1154  
00:41:43,829 --> 00:41:43,040  
to her this week

1155  
00:41:45,750 --> 00:41:43,839  
and

1156  
00:41:48,309 --> 00:41:45,760  
we'd love to get her we don't know if

1157  
00:41:50,870 --> 00:41:48,319  
we will not but we've got a nice list of

1158  
00:41:52,870 --> 00:41:50,880  
of leading actors that will hopefully

1159  
00:41:54,309 --> 00:41:52,880  
one of them will be excited the right

1160  
00:41:56,630 --> 00:41:54,319  
one will take it

1161  
00:41:57,829 --> 00:41:56,640  
so that's where we're at and um

1162  
00:42:00,150 --> 00:41:57,839  
we've got our

1163  
00:42:02,069 --> 00:42:00,160

our producers and and

1164

00:42:04,069 --> 00:42:02,079

the script the pilot has written and

1165

00:42:05,510 --> 00:42:04,079

martha and i are collaborating and

1166

00:42:06,870 --> 00:42:05,520

she'll be writing

1167

00:42:08,230 --> 00:42:06,880

the rest of the

1168

00:42:09,190 --> 00:42:08,240

i think there's gonna be a total of

1169

00:42:11,589 --> 00:42:09,200

eight

1170

00:42:14,390 --> 00:42:11,599

episodes in the series for the first

1171

00:42:16,870 --> 00:42:14,400

year eight to ten it's a lot of fun it's

1172

00:42:18,790 --> 00:42:16,880

a lot of fun it's kind of like a fantasy

1173

00:42:20,150 --> 00:42:18,800

it doesn't have a it has a very surreal

1174

00:42:22,470 --> 00:42:20,160

feeling to it but

1175

00:42:24,390 --> 00:42:22,480

i'm enjoying it it's given me a reason

1176

00:42:26,630 --> 00:42:24,400

it's given my life uh

1177

00:42:28,230 --> 00:42:26,640

um

1178

00:42:29,910 --> 00:42:28,240

a little uh interest it's given me a

1179

00:42:31,030 --> 00:42:29,920

reason to get out of bed in the morning

1180

00:42:32,950 --> 00:42:31,040

right now

1181

00:42:35,109 --> 00:42:32,960

it would it would have to be serious but

1182

00:42:36,950 --> 00:42:35,119

for the details and the the

1183

00:42:39,430 --> 00:42:36,960

the she experiences i mean you can't

1184

00:42:41,510 --> 00:42:39,440

tell it in two hours

1185

00:42:43,510 --> 00:42:41,520

no that's i kept telling her that and it

1186

00:42:45,910 --> 00:42:43,520

was funny because she kept saying oh yes

1187

00:42:47,349 --> 00:42:45,920

i'll do it i can do it i was like ah i

1188

00:42:48,950 --> 00:42:47,359

don't think you can not if you're gonna

1189

00:42:49,910 --> 00:42:48,960

do beyond the book you know if you're

1190

00:42:51,190 --> 00:42:49,920

gonna just do the book you could

1191

00:42:53,990 --> 00:42:51,200

probably do it

1192

00:42:55,990 --> 00:42:54,000

and but uh once you get into it there's

1193

00:42:58,069 --> 00:42:56,000

a lot there and those are the things we

1194

00:42:59,750 --> 00:42:58,079

can't talk about you know those are the

1195

00:43:02,150 --> 00:42:59,760

conspiracy things that we're going to

1196

00:43:04,230 --> 00:43:02,160

put a light this series is if it goes to

1197

00:43:05,589 --> 00:43:04,240

season two and three it's going to shine

1198

00:43:07,349 --> 00:43:05,599

a bright light

1199

00:43:08,870 --> 00:43:07,359

on all the things that have gone on on

1200

00:43:11,190 --> 00:43:08,880

this planet all the

1201  
00:43:14,470 --> 00:43:11,200  
horrible nasty controls and lies and

1202  
00:43:15,829 --> 00:43:14,480  
deception and programming and you know

1203  
00:43:18,309 --> 00:43:15,839  
things that

1204  
00:43:20,950 --> 00:43:18,319  
the average person out in the world

1205  
00:43:22,710 --> 00:43:20,960  
they don't even know that it's going on

1206  
00:43:25,030 --> 00:43:22,720  
you know your people who are listening

1207  
00:43:27,589 --> 00:43:25,040  
to you here have a pretty good idea they

1208  
00:43:29,910 --> 00:43:27,599  
know completely or they they at least

1209  
00:43:31,910 --> 00:43:29,920  
have a glimpse of it but a lot of people

1210  
00:43:34,470 --> 00:43:31,920  
on the planet are so

1211  
00:43:35,349 --> 00:43:34,480  
still there's like over 80 are still

1212  
00:43:41,109 --> 00:43:35,359  
pretty

1213  
00:43:44,630 --> 00:43:41,119

government has my best interests at

1214

00:43:46,230 --> 00:43:44,640

heart and they wouldn't lie to me and

1215

00:43:48,150 --> 00:43:46,240

you know all the

1216

00:43:49,109 --> 00:43:48,160

all the deceptions they're

1217

00:43:50,790 --> 00:43:49,119

they've

1218

00:43:52,710 --> 00:43:50,800

swallowed it hook line and sinker you

1219

00:43:54,309 --> 00:43:52,720

know so those are the ones who we're

1220

00:43:55,670 --> 00:43:54,319

going to try to reach by doing it

1221

00:43:57,030 --> 00:43:55,680

through a film

1222

00:43:58,870 --> 00:43:57,040

maybe by then they'll all be like i

1223

00:44:01,510 --> 00:43:58,880

don't know you know hopefully they'll

1224

00:44:03,430 --> 00:44:01,520

have but i don't i'm i'm of the mindset

1225

00:44:05,510 --> 00:44:03,440

that alex alex said it today i heard him

1226

00:44:06,829 --> 00:44:05,520

say the same thing that i think i think

1227

00:44:09,270 --> 00:44:06,839

the people who are going to wake up are

1228

00:44:11,030 --> 00:44:09,280

awake and we're pretty much that's

1229

00:44:13,190 --> 00:44:11,040

pretty much it you might get a few more

1230

00:44:14,150 --> 00:44:13,200

but if they're not awake by now good

1231

00:44:16,150 --> 00:44:14,160

lord

1232

00:44:19,270 --> 00:44:16,160

what the hell is it going to take

1233

00:44:21,190 --> 00:44:19,280

so you know they're they're just they're

1234

00:44:22,390 --> 00:44:21,200

their soul has made the decision to stay

1235

00:44:25,190 --> 00:44:22,400

in 3d

1236

00:44:26,550 --> 00:44:25,200

and that needs to be respected and you

1237

00:44:28,150 --> 00:44:26,560

there's nothing to be done if they're

1238

00:44:28,950 --> 00:44:28,160

not ready they're not ready there's no

1239

00:44:30,470 --> 00:44:28,960

way

1240

00:44:32,150 --> 00:44:30,480

that you can i don't even try to wake

1241

00:44:34,829 --> 00:44:32,160

people up anymore i have

1242

00:44:37,829 --> 00:44:34,839

a lot of people and not a lot but

1243

00:44:40,710 --> 00:44:37,839

relatively some friends have people who

1244

00:44:42,630 --> 00:44:40,720

i am in contact with on a regular basis

1245

00:44:44,150 --> 00:44:42,640

and

1246

00:44:46,550 --> 00:44:44,160

it's getting to be very difficult

1247

00:44:48,790 --> 00:44:46,560

because we can't find any common ground

1248

00:44:50,230 --> 00:44:48,800

because i don't know what to say anymore

1249

00:44:52,309 --> 00:44:50,240

to where i might not i don't want to

1250

00:44:53,589 --> 00:44:52,319

step on their toes it seems like i'm

1251  
00:44:54,390 --> 00:44:53,599  
you know everything that's of interest

1252  
00:44:56,309 --> 00:44:54,400  
to me

1253  
00:44:58,630 --> 00:44:56,319  
is not even on their radar

1254  
00:45:00,550 --> 00:44:58,640  
so how do you have a conversation of any

1255  
00:45:01,829 --> 00:45:00,560  
meaning you have to you're stuck talking

1256  
00:45:03,589 --> 00:45:01,839  
about the weather

1257  
00:45:05,829 --> 00:45:03,599  
but you you see you're bringing up a

1258  
00:45:08,309 --> 00:45:05,839  
good point there right there um that's

1259  
00:45:09,910 --> 00:45:08,319  
what the split looks like you know

1260  
00:45:11,829 --> 00:45:09,920  
that's what the split yeah everyone

1261  
00:45:13,670 --> 00:45:11,839  
thought that for some reason i even at

1262  
00:45:15,910 --> 00:45:13,680  
one point maybe

1263  
00:45:17,750 --> 00:45:15,920

it's been good seven years ago i thought

1264

00:45:19,589 --> 00:45:17,760

that maybe it might be like a drastic

1265

00:45:21,430 --> 00:45:19,599

thing to where one day all these people

1266

00:45:23,349 --> 00:45:21,440

will disappear out of your lives but

1267

00:45:27,030 --> 00:45:23,359

instead it's no different and i think

1268

00:45:29,190 --> 00:45:27,040

you were you were given a talk at the um

1269

00:45:32,069 --> 00:45:29,200

ozark ufo conference and you were

1270

00:45:34,069 --> 00:45:32,079

talking about it it's comparable to how

1271

00:45:37,109 --> 00:45:34,079

let's say when we look back at the 50s

1272

00:45:39,270 --> 00:45:37,119

and how what a different time it was

1273

00:45:40,870 --> 00:45:39,280

i don't know if you can recall that you

1274

00:45:42,550 --> 00:45:40,880

know and now when you look back i mean

1275

00:45:44,710 --> 00:45:42,560

look how much has changed and how much

1276

00:45:46,710 --> 00:45:44,720

has shifted but it's it was been such a

1277

00:45:48,550 --> 00:45:46,720

gradual thing to where it's like two

1278

00:45:51,349 --> 00:45:48,560

different universes really when you look

1279

00:45:52,950 --> 00:45:51,359

at it oh i yeah i think the world has

1280

00:45:55,030 --> 00:45:52,960

definitely i mean we've gone through the

1281

00:45:55,910 --> 00:45:55,040

split the split that i talk about in my

1282

00:45:58,390 --> 00:45:55,920

book

1283

00:46:00,230 --> 00:45:58,400

where you know dot tells me you know the

1284

00:46:02,390 --> 00:46:00,240

high frequency cannot coexist with the

1285

00:46:04,069 --> 00:46:02,400

lower frequency and you know see how

1286

00:46:05,990 --> 00:46:04,079

they can't share the same time space and

1287

00:46:07,910 --> 00:46:06,000

he showed me the ends of the magnet

1288

00:46:08,870 --> 00:46:07,920

and i was like and i freaked out and i'm

1289

00:46:09,990 --> 00:46:08,880

like well

1290

00:46:11,589 --> 00:46:10,000

what do you mean how is this going to

1291

00:46:12,550 --> 00:46:11,599

happen part of part of the people are

1292

00:46:14,550 --> 00:46:12,560

going to go here and part are going to

1293

00:46:15,910 --> 00:46:14,560

go there and he was like yeah and i'm

1294

00:46:17,670 --> 00:46:15,920

like wait a minute

1295

00:46:19,190 --> 00:46:17,680

are you going to send in ships and pick

1296

00:46:20,790 --> 00:46:19,200

them up or where are they going to die

1297

00:46:22,390 --> 00:46:20,800

what's going to happen well now we see

1298

00:46:23,670 --> 00:46:22,400

it and of course

1299

00:46:25,510 --> 00:46:23,680

i mean it

1300

00:46:27,670 --> 00:46:25,520

the whole you know the whole pandemic is

1301  
00:46:30,390 --> 00:46:27,680  
that's what that was about it was the it

1302  
00:46:31,910 --> 00:46:30,400  
was the way humanity projected

1303  
00:46:33,910 --> 00:46:31,920  
the way they wanted to play out the

1304  
00:46:34,710 --> 00:46:33,920  
split and they did it in an ingenious

1305  
00:46:35,510 --> 00:46:34,720  
way

1306  
00:46:37,270 --> 00:46:35,520  
um

1307  
00:46:39,829 --> 00:46:37,280  
you know having this

1308  
00:46:41,829 --> 00:46:39,839  
fake pandemic play out and

1309  
00:46:43,430 --> 00:46:41,839  
people confront their fears you know how

1310  
00:46:46,630 --> 00:46:43,440  
did they deal did they deal with their

1311  
00:46:49,589 --> 00:46:46,640  
fears do they do they go into trust and

1312  
00:46:51,430 --> 00:46:49,599  
and and go into the into themselves and

1313  
00:46:53,750 --> 00:46:51,440

know the truth of who they are and not

1314

00:46:55,829 --> 00:46:53,760

have any fear or did they lose it and

1315

00:46:57,109 --> 00:46:55,839

run out and buy a mask you know and

1316

00:46:58,790 --> 00:46:57,119

because i said

1317

00:47:01,030 --> 00:46:58,800

yeah i had always thought that would be

1318

00:47:02,630 --> 00:47:01,040

you know the the jackfruit of a soldier

1319

00:47:03,670 --> 00:47:02,640

on your face you know

1320

00:47:06,230 --> 00:47:03,680

clearly

1321

00:47:08,390 --> 00:47:06,240

showing you who the enemy is right uh

1322

00:47:10,390 --> 00:47:08,400

that's right where initially was but you

1323

00:47:12,630 --> 00:47:10,400

know never did you think that it was

1324

00:47:14,870 --> 00:47:12,640

going to be your neighbor and not only

1325

00:47:16,470 --> 00:47:14,880

that it wasn't just your neighbor but it

1326

00:47:19,910 --> 00:47:16,480

was it's not like they even said

1327

00:47:21,670 --> 00:47:19,920

anything it was like looks and and and

1328

00:47:23,510 --> 00:47:21,680

snarls you know and things like that and

1329

00:47:25,349 --> 00:47:23,520

just you know based it's all it that's

1330

00:47:27,430 --> 00:47:25,359

all it took for them to just kind of

1331

00:47:30,069 --> 00:47:27,440

show you that disapproval and the next

1332

00:47:31,670 --> 00:47:30,079

thing you know you know it became

1333

00:47:33,750 --> 00:47:31,680

more and more and more to where you're

1334

00:47:35,349 --> 00:47:33,760

almost like um nobody's saying anything

1335

00:47:37,190 --> 00:47:35,359

nobody's doing anything but yeah we all

1336

00:47:38,790 --> 00:47:37,200

agreed to be in a prison and then

1337

00:47:40,390 --> 00:47:38,800

stepping outside of that that is the

1338

00:47:43,190 --> 00:47:40,400

first step to anyone that's awake you

1339

00:47:44,870 --> 00:47:43,200

just step out of it right and mine was

1340

00:47:47,190 --> 00:47:44,880

basically when when all this happened i

1341

00:47:48,870 --> 00:47:47,200

was like i just was like for the

1342

00:47:50,870 --> 00:47:48,880

remember you and i we talked about this

1343

00:47:52,790 --> 00:47:50,880

when i i felt like the jackass was like

1344

00:47:54,630 --> 00:47:52,800

those they tricked me you

1345

00:47:56,549 --> 00:47:54,640

know for the first month or so i wore a

1346

00:47:58,150 --> 00:47:56,559

mask and afterwards like i took it off

1347

00:48:00,950 --> 00:47:58,160

i'm like never putting the on me

1348

00:48:03,670 --> 00:48:00,960

again you know and i never went

1349

00:48:05,430 --> 00:48:03,680

i never right never went on well because

1350

00:48:07,430 --> 00:48:05,440

i was out of it you know i was out of it

1351  
00:48:09,430 --> 00:48:07,440  
i'm living my life normally you know i'm

1352  
00:48:11,670 --> 00:48:09,440  
out of that mindset so i'm i'm like

1353  
00:48:13,670 --> 00:48:11,680  
something is happening so i just kind of

1354  
00:48:15,349 --> 00:48:13,680  
went along with with the crowd so to say

1355  
00:48:18,069 --> 00:48:15,359  
and then the second i stopped it almost

1356  
00:48:20,549 --> 00:48:18,079  
felt like a river was just gushing past

1357  
00:48:22,790 --> 00:48:20,559  
me while i was this rock standing still

1358  
00:48:24,230 --> 00:48:22,800  
realizing like hold on a minute

1359  
00:48:25,750 --> 00:48:24,240  
everyone is going this direction and

1360  
00:48:28,309 --> 00:48:25,760  
they're not realizing that they're going

1361  
00:48:30,309 --> 00:48:28,319  
in that direction anyway so once i did

1362  
00:48:32,309 --> 00:48:30,319  
that you immediately wouldn't know who

1363  
00:48:34,230 --> 00:48:32,319

your friend and enemy is you know that

1364

00:48:36,390 --> 00:48:34,240

was real that's all it took that's all

1365

00:48:39,030 --> 00:48:36,400

it took to find out you know who's who's

1366

00:48:41,030 --> 00:48:39,040

got the best interest for you or not

1367

00:48:43,270 --> 00:48:41,040

but it's not really i mean in some cases

1368

00:48:46,069 --> 00:48:43,280

it's enemy in that but in some i i look

1369

00:48:48,309 --> 00:48:46,079

at the ones who fell into fear and i see

1370

00:48:49,430 --> 00:48:48,319

him still they're still wearing masks

1371

00:48:50,870 --> 00:48:49,440

there's still people out there wearing

1372

00:48:52,870 --> 00:48:50,880

mess and their eyes are darting around

1373

00:48:54,710 --> 00:48:52,880

and they're looking at you with fear i

1374

00:48:56,710 --> 00:48:54,720

my heart just breaks for them i don't

1375

00:48:58,870 --> 00:48:56,720

really look at him as enemy i mean

1376

00:49:00,470 --> 00:48:58,880

sometimes you know you get upset when

1377

00:49:02,470 --> 00:49:00,480

they try to force you like when i go to

1378

00:49:03,829 --> 00:49:02,480

the doctor and i refuse to you know it

1379

00:49:05,030 --> 00:49:03,839

was it was a struggle because i was sick

1380

00:49:07,030 --> 00:49:05,040

during that time and had to go into

1381

00:49:08,390 --> 00:49:07,040

clinics medical facilities and i walked

1382

00:49:10,309 --> 00:49:08,400

out of a lot of

1383

00:49:12,549 --> 00:49:10,319

a lot of them because they might just

1384

00:49:13,910 --> 00:49:12,559

they they were they would come at you i

1385

00:49:15,349 --> 00:49:13,920

mean they would literally try to put it

1386

00:49:17,190 --> 00:49:15,359

on your face and i you know what's

1387

00:49:19,670 --> 00:49:17,200

interesting since you said doctor so

1388

00:49:21,589 --> 00:49:19,680

there's this local place where they were

1389

00:49:24,309 --> 00:49:21,599

you know we constantly had to you know

1390

00:49:26,950 --> 00:49:24,319

go through hoops with them um

1391

00:49:28,790 --> 00:49:26,960

so now all of a sudden everything is you

1392

00:49:31,349 --> 00:49:28,800

know pretty much like disappeared and

1393

00:49:33,270 --> 00:49:31,359

even now the doctors are now standing up

1394

00:49:35,109 --> 00:49:33,280

on their own because before the doctors

1395

00:49:37,349 --> 00:49:35,119

were kind of going along they would just

1396

00:49:38,950 --> 00:49:37,359

talk to my wife about right why are they

1397

00:49:41,510 --> 00:49:38,960

doing this you know this was the doctors

1398

00:49:43,270 --> 00:49:41,520

were going to see right and so now all

1399

00:49:45,589 --> 00:49:43,280

of the sudden you know

1400

00:49:47,510 --> 00:49:45,599

uh science has become pertinent again

1401

00:49:49,589 --> 00:49:47,520

you know before science was one way and

1402

00:49:52,150 --> 00:49:49,599

it was settled but now it's not settled

1403

00:49:54,230 --> 00:49:52,160

and it's all this elusive stuff right

1404

00:49:56,069 --> 00:49:54,240

and now when you bring things up like no

1405

00:49:58,150 --> 00:49:56,079

no no this is not what we told the

1406

00:49:59,349 --> 00:49:58,160

public this is not what we had everyone

1407

00:50:01,829 --> 00:49:59,359

do it's like

1408

00:50:03,829 --> 00:50:01,839

thank god for video and recordings you

1409

00:50:05,190 --> 00:50:03,839

know otherwise you would be

1410

00:50:08,150 --> 00:50:05,200

it's so it's

1411

00:50:09,910 --> 00:50:08,160

a little little gas lighting you know

1412

00:50:11,589 --> 00:50:09,920

it's like kind of like those are not the

1413

00:50:14,069 --> 00:50:11,599

droids you're looking for i was like i'm

1414

00:50:16,549 --> 00:50:14,079

looking at them damn it

1415

00:50:18,309 --> 00:50:16,559

yeah it's it's sad because the tide is

1416

00:50:20,390 --> 00:50:18,319

going to turn and it's already starting

1417

00:50:22,630 --> 00:50:20,400

to turn i mean you might have seen that

1418

00:50:24,470 --> 00:50:22,640

on twitter i think there was a

1419

00:50:26,630 --> 00:50:24,480

a picture of a sign that was in a

1420

00:50:27,829 --> 00:50:26,640

doctor's office where he the doctor put

1421

00:50:30,950 --> 00:50:27,839

up a sign and said if you've had the

1422

00:50:33,349 --> 00:50:30,960

vaccination we won't do your sports um

1423

00:50:35,270 --> 00:50:33,359

oh yeah did you examine for you yeah the

1424

00:50:36,950 --> 00:50:35,280

children the kids high schoolers doing

1425

00:50:39,349 --> 00:50:36,960

sports

1426  
00:50:42,069 --> 00:50:39,359  
yeah because so many of them have had

1427  
00:50:43,510 --> 00:50:42,079  
serious injuries from the backs and so

1428  
00:50:44,870 --> 00:50:43,520  
that information is starting to come out

1429  
00:50:47,109 --> 00:50:44,880  
now and now they're starting to report

1430  
00:50:49,430 --> 00:50:47,119  
on the statistics of the people who have

1431  
00:50:51,750 --> 00:50:49,440  
are you know dropping dead suddenly from

1432  
00:50:54,150 --> 00:50:51,760  
from heart problems from having gotten

1433  
00:50:56,549 --> 00:50:54,160  
the backs so that i feel bad i have

1434  
00:50:57,990 --> 00:50:56,559  
always felt bad for those who lined up

1435  
00:51:00,549 --> 00:50:58,000  
to get the facts because they didn't

1436  
00:51:02,710 --> 00:51:00,559  
know any better and how sad for them and

1437  
00:51:04,470 --> 00:51:02,720  
then and especially those who had their

1438  
00:51:05,829 --> 00:51:04,480

brought their children in they took

1439

00:51:07,510 --> 00:51:05,839

their kids in thinking they were doing

1440

00:51:09,670 --> 00:51:07,520

the right thing and that's a terrible

1441

00:51:12,150 --> 00:51:09,680

sad thing these are not bad people they

1442

00:51:13,349 --> 00:51:12,160

just weren't had their only crime was

1443

00:51:15,589 --> 00:51:13,359

they weren't awake and aware you know

1444

00:51:16,950 --> 00:51:15,599

they were busy living their lives and

1445

00:51:19,349 --> 00:51:16,960

trying to make money and provide for

1446

00:51:20,790 --> 00:51:19,359

their family and just never bothered to

1447

00:51:21,510 --> 00:51:20,800

take the time to

1448

00:51:23,589 --> 00:51:21,520

look

1449

00:51:26,870 --> 00:51:23,599

deeper at what's real

1450

00:51:29,750 --> 00:51:26,880

and what's true and so right this is you

1451

00:51:31,589 --> 00:51:29,760

know uh people you know

1452

00:51:33,430 --> 00:51:31,599

it's one of those things to where it's

1453

00:51:36,069 --> 00:51:33,440

almost like exactly how it was during

1454

00:51:38,230 --> 00:51:36,079

world war ii to where you know well

1455

00:51:40,549 --> 00:51:38,240

we're just going on to the trains it's

1456

00:51:42,390 --> 00:51:40,559

okay well we're just going to this one

1457

00:51:43,910 --> 00:51:42,400

camp it'll be all right well we're just

1458

00:51:45,430 --> 00:51:43,920

going down this line right we're

1459

00:51:47,349 --> 00:51:45,440

following along we're doing everything

1460

00:51:49,750 --> 00:51:47,359

we're supposed to they're not realizing

1461

00:51:51,670 --> 00:51:49,760

or or recognizing that the malice in

1462

00:51:53,430 --> 00:51:51,680

that you know because i was talking to

1463

00:51:55,829 --> 00:51:53,440

my wife and and and she said what's

1464

00:51:58,470 --> 00:51:55,839

going to happen now and i said well now

1465

00:52:00,390 --> 00:51:58,480

we will see if those stories told from

1466

00:52:02,790 --> 00:52:00,400

the other end are going to be true and i

1467

00:52:05,109 --> 00:52:02,800

hope to god that they're not because if

1468

00:52:06,470 --> 00:52:05,119

if true two to three years down the road

1469

00:52:08,230 --> 00:52:06,480

there's going to be

1470

00:52:10,150 --> 00:52:08,240

huge die-offs happening so we'll see

1471

00:52:12,069 --> 00:52:10,160

what happens i don't know all i know is

1472

00:52:14,390 --> 00:52:12,079

like with every conspiracy theory or

1473

00:52:16,870 --> 00:52:14,400

every you know info piece of information

1474

00:52:18,710 --> 00:52:16,880

that was i mean even then this really

1475

00:52:20,630 --> 00:52:18,720

wasn't even it wasn't even a conspiracy

1476  
00:52:22,790 --> 00:52:20,640  
theory these were actual doctors that

1477  
00:52:25,990 --> 00:52:22,800  
would that one of them was a malone that

1478  
00:52:27,829 --> 00:52:26,000  
did invent a mrna and he was basically

1479  
00:52:30,790 --> 00:52:27,839  
saying you know the same thing about

1480  
00:52:31,670 --> 00:52:30,800  
what the vaccines would do to to um

1481  
00:52:34,230 --> 00:52:31,680  
um

1482  
00:52:35,910 --> 00:52:34,240  
to children and healthy organisms like

1483  
00:52:37,910 --> 00:52:35,920  
why why are you using them in the way

1484  
00:52:39,750 --> 00:52:37,920  
they're using them

1485  
00:52:41,829 --> 00:52:39,760  
yeah i i've heard him speak too i've

1486  
00:52:43,589 --> 00:52:41,839  
been careful who i followed all that

1487  
00:52:44,829 --> 00:52:43,599  
closely for a while and now i've backed

1488  
00:52:48,150 --> 00:52:44,839

away from it because it's too

1489

00:52:49,670 --> 00:52:48,160

heartbreaking but you know i i look at

1490

00:52:50,790 --> 00:52:49,680

it from a higher perspective because i

1491

00:52:52,790 --> 00:52:50,800

have to

1492

00:52:54,630 --> 00:52:52,800

um to keep my sanity because

1493

00:52:56,870 --> 00:52:54,640

i have people that i love who who got

1494

00:52:58,790 --> 00:52:56,880

backs in spite of me trying to tell them

1495

00:53:00,069 --> 00:52:58,800

otherwise and but

1496

00:53:01,910 --> 00:53:00,079

you know they didn't want to listen and

1497

00:53:02,870 --> 00:53:01,920

that's i understand that and when i look

1498

00:53:04,150 --> 00:53:02,880

at it

1499

00:53:06,309 --> 00:53:04,160

you know and jim and i have talked about

1500

00:53:08,390 --> 00:53:06,319

it i said well you know this person that

1501  
00:53:10,790 --> 00:53:08,400  
person he's got family members i said

1502  
00:53:13,910 --> 00:53:10,800  
but look it this is the split

1503  
00:53:15,750 --> 00:53:13,920  
and in all honesty you know this person

1504  
00:53:17,910 --> 00:53:15,760  
or that person who we tried to convince

1505  
00:53:19,910 --> 00:53:17,920  
to not we just said trust us just trust

1506  
00:53:21,030 --> 00:53:19,920  
us don't take the vats don't take it

1507  
00:53:22,790 --> 00:53:21,040  
trust us

1508  
00:53:24,230 --> 00:53:22,800  
and you know all of those people that we

1509  
00:53:25,910 --> 00:53:24,240  
try to do that with we and they're like

1510  
00:53:27,430 --> 00:53:25,920  
yeah we believe okay we won't we won't

1511  
00:53:28,390 --> 00:53:27,440  
they went out and they come back later

1512  
00:53:30,870 --> 00:53:28,400  
and they're like sheepish and they're

1513  
00:53:33,190 --> 00:53:30,880

like oh i got it you know and i said you

1514

00:53:35,670 --> 00:53:33,200

know and jim was like so upset and i am

1515

00:53:36,549 --> 00:53:35,680

too i'm like oh no you know

1516

00:53:39,349 --> 00:53:36,559

but

1517

00:53:41,589 --> 00:53:39,359

the truth is i said look at this person

1518

00:53:44,150 --> 00:53:41,599

objectively yes they're kind loving

1519

00:53:47,109 --> 00:53:44,160

their great person you know salt of the

1520

00:53:49,750 --> 00:53:47,119

earth good people but are they awake

1521

00:53:52,309 --> 00:53:49,760

are they ready to go to 5d the truth is

1522

00:53:55,829 --> 00:53:52,319

if you look no they're not really ready

1523

00:53:57,270 --> 00:53:55,839

to go to 5d so you know the split worked

1524

00:53:59,829 --> 00:53:57,280

those who

1525

00:54:01,270 --> 00:53:59,839

are meant to stay in 3d have their soul

1526

00:54:03,270 --> 00:54:01,280

made that decision

1527

00:54:05,510 --> 00:54:03,280

and they played it out

1528

00:54:07,510 --> 00:54:05,520

and those who are going to 5d they

1529

00:54:09,670 --> 00:54:07,520

played out their you know their decision

1530

00:54:11,670 --> 00:54:09,680

right and it is the split and from a

1531

00:54:13,430 --> 00:54:11,680

higher perspective it's all good because

1532

00:54:15,109 --> 00:54:13,440

there's nothing wrong with going to

1533

00:54:17,750 --> 00:54:15,119

another planet to continue on your

1534

00:54:19,109 --> 00:54:17,760

soul's journey in 3d it's sad when you

1535

00:54:20,950 --> 00:54:19,119

think of it in terms of like in three to

1536

00:54:23,510 --> 00:54:20,960

five years you know they're saying what

1537

00:54:25,030 --> 00:54:23,520

60 to 80 will be gone

1538

00:54:26,309 --> 00:54:25,040

and that's sad to think of especially

1539

00:54:28,309 --> 00:54:26,319

the children

1540

00:54:30,390 --> 00:54:28,319

but i'm like you i'm hoping something

1541

00:54:32,230 --> 00:54:30,400

changes i'm hoping something comes along

1542

00:54:33,829 --> 00:54:32,240

the med beds or there's something

1543

00:54:35,750 --> 00:54:33,839

miraculous see that's the truth yeah

1544

00:54:38,069 --> 00:54:35,760

that's the part that i don't know that

1545

00:54:40,309 --> 00:54:38,079

but at least it was one of like okay i

1546

00:54:41,990 --> 00:54:40,319

heard about this we'll see what happens

1547

00:54:44,230 --> 00:54:42,000

you know of course you know because i

1548

00:54:46,710 --> 00:54:44,240

would have you know my best friends and

1549

00:54:49,270 --> 00:54:46,720

everyone i know that we're still yes you

1550

00:54:51,270 --> 00:54:49,280

know on the same you know we still talk

1551  
00:54:53,270 --> 00:54:51,280  
you know not much has changed

1552  
00:54:56,549 --> 00:54:53,280  
you know a few times that managed not to

1553  
00:54:58,710 --> 00:54:56,559  
break a friendship right and um uh yeah

1554  
00:55:00,390 --> 00:54:58,720  
i don't want them gone you know it's a

1555  
00:55:01,990 --> 00:55:00,400  
selfish point of view but it's like

1556  
00:55:03,829 --> 00:55:02,000  
while i'm alive i want you alive so we

1557  
00:55:05,670 --> 00:55:03,839  
can hang out you know but you know what

1558  
00:55:07,910 --> 00:55:05,680  
it was interesting it's even within

1559  
00:55:10,150 --> 00:55:07,920  
families you know i was just driving and

1560  
00:55:12,150 --> 00:55:10,160  
i dropped off my my wife and my oldest

1561  
00:55:14,789 --> 00:55:12,160  
they were going to go do some shopping

1562  
00:55:15,990 --> 00:55:14,799  
for for some more school clothes and i

1563  
00:55:17,589 --> 00:55:16,000

was coming around the corner and i

1564

00:55:19,750 --> 00:55:17,599

stopped because there was a family cross

1565

00:55:21,750 --> 00:55:19,760

crossing the road coming out of the um

1566

00:55:23,510 --> 00:55:21,760

the the store and what's interesting you

1567

00:55:25,430 --> 00:55:23,520

know how it is in families you know some

1568

00:55:27,589 --> 00:55:25,440

kids favor the mom others favorite the

1569

00:55:29,670 --> 00:55:27,599

dad you know kind of like you know um

1570

00:55:32,069 --> 00:55:29,680

yeah um you know the dynamics i'm

1571

00:55:34,870 --> 00:55:32,079

talking about right well this was a uh

1572

00:55:36,789 --> 00:55:34,880

two girls a mom and a dad so the mom and

1573

00:55:38,710 --> 00:55:36,799

one girl they were wearing a mask the

1574

00:55:40,549 --> 00:55:38,720

dad and the other girl they weren't you

1575

00:55:41,829 --> 00:55:40,559

know and they were kind of like together

1576  
00:55:42,710 --> 00:55:41,839  
on each

1577  
00:55:45,349 --> 00:55:42,720  
yeah

1578  
00:55:46,390 --> 00:55:45,359  
the the dad and that girl were together

1579  
00:55:48,150 --> 00:55:46,400  
and the mom and the other one worked

1580  
00:55:50,150 --> 00:55:48,160  
together it's almost like they're still

1581  
00:55:52,150 --> 00:55:50,160  
trying to stay together a family but

1582  
00:55:54,549 --> 00:55:52,160  
even then they subconsciously connect

1583  
00:55:55,990 --> 00:55:54,559  
disconnecting from each other

1584  
00:55:57,589 --> 00:55:56,000  
isn't that something that's a great

1585  
00:56:00,309 --> 00:55:57,599  
that's a great visual and that's a great

1586  
00:56:02,069 --> 00:56:00,319  
example of of the world i don't believe

1587  
00:56:03,670 --> 00:56:02,079  
in accents right i turned around it was

1588  
00:56:05,990 --> 00:56:03,680

right there in front of me right it was

1589

00:56:07,349 --> 00:56:06,000

a perfect representation of what's going

1590

00:56:09,430 --> 00:56:07,359

on

1591

00:56:10,870 --> 00:56:09,440

and that is that's true i mean families

1592

00:56:12,390 --> 00:56:10,880

are down the middle i mean husband and

1593

00:56:13,910 --> 00:56:12,400

wives i know husbands and wives where

1594

00:56:16,230 --> 00:56:13,920

one took the vaccine the other one

1595

00:56:18,390 --> 00:56:16,240

refused and it's interesting but when

1596

00:56:19,670 --> 00:56:18,400

you look closer at it this is what i do

1597

00:56:23,030 --> 00:56:19,680

i look closer if you know that people

1598

00:56:24,789 --> 00:56:23,040

look closer and it's it's it's all for

1599

00:56:26,069 --> 00:56:24,799

in my case it's always

1600

00:56:27,990 --> 00:56:26,079

i don't care what the excuse was they

1601  
00:56:29,829 --> 00:56:28,000  
had for getting the backs it doesn't

1602  
00:56:32,150 --> 00:56:29,839  
matter they're good people they're

1603  
00:56:33,910 --> 00:56:32,160  
wonderful beautiful souls but they're

1604  
00:56:36,230 --> 00:56:33,920  
just not ready for 5d they just haven't

1605  
00:56:38,470 --> 00:56:36,240  
had gone through you can just tell at

1606  
00:56:40,710 --> 00:56:38,480  
least i i'm able to maybe i'm able to do

1607  
00:56:42,470 --> 00:56:40,720  
that and it's not a judgment it's just

1608  
00:56:44,390 --> 00:56:42,480  
but i was i mean that's part of what i

1609  
00:56:46,230 --> 00:56:44,400  
did on the astral plane

1610  
00:56:48,150 --> 00:56:46,240  
for years

1611  
00:56:50,470 --> 00:56:48,160  
well as part of my service to the planet

1612  
00:56:52,789 --> 00:56:50,480  
was to help convince the souls i would

1613  
00:56:54,870 --> 00:56:52,799

meet them in their sleeping state on the

1614

00:56:56,230 --> 00:56:54,880

astral plane and do a light reading as i

1615

00:56:57,510 --> 00:56:56,240

was trying to do

1616

00:56:58,789 --> 00:56:57,520

and then those who were close to the

1617

00:57:01,270 --> 00:56:58,799

line i would say

1618

00:57:03,589 --> 00:57:01,280

i would say make a run for it your your

1619

00:57:04,870 --> 00:57:03,599

frequency is almost there but you have

1620

00:57:06,150 --> 00:57:04,880

to work through some things yet you know

1621

00:57:08,309 --> 00:57:06,160

you've got some issues you've got some

1622

00:57:10,950 --> 00:57:08,319

stuff that you gotta gotta sort out and

1623

00:57:12,950 --> 00:57:10,960

get gotta get cleared and release you

1624

00:57:15,190 --> 00:57:12,960

know to get more light into your soul

1625

00:57:17,190 --> 00:57:15,200

and and all that and you just knew some

1626  
00:57:19,109 --> 00:57:17,200  
of them were i'm tired i just don't want

1627  
00:57:20,390 --> 00:57:19,119  
to i'd be like come on go for it

1628  
00:57:23,109 --> 00:57:20,400  
otherwise it's another couple hundred

1629  
00:57:24,789 --> 00:57:23,119  
thousand years you want to do this and

1630  
00:57:26,309 --> 00:57:24,799  
but it doesn't matter you know we're

1631  
00:57:28,470 --> 00:57:26,319  
timeless so a couple hundred thousand

1632  
00:57:30,630 --> 00:57:28,480  
years spent on a 3d planet i mean they

1633  
00:57:32,630 --> 00:57:30,640  
might have fun if it's in life well

1634  
00:57:34,549 --> 00:57:32,640  
besides everything we're doing now we do

1635  
00:57:36,710 --> 00:57:34,559  
it is from this uh looking at it from

1636  
00:57:38,950 --> 00:57:36,720  
our limited understanding and

1637  
00:57:40,870 --> 00:57:38,960  
perspective you know i mean i remember

1638  
00:57:42,789 --> 00:57:40,880

when i was not in this form everything

1639

00:57:45,750 --> 00:57:42,799

made sense when you come back it's like

1640

00:57:47,349 --> 00:57:45,760

uh you know you you feel lost again

1641

00:57:50,069 --> 00:57:47,359

you know you can't you have to because

1642

00:57:51,349 --> 00:57:50,079

otherwise you're not playing the game

1643

00:57:53,910 --> 00:57:51,359

right you know we're in the game and

1644

00:57:55,030 --> 00:57:53,920

it's hard to see it yeah from above yeah

1645

00:57:59,109 --> 00:57:55,040

right

1646

00:58:00,789 --> 00:57:59,119

unless there was something else you

1647

00:58:03,190 --> 00:58:00,799

wanted to talk about and please feel

1648

00:58:05,190 --> 00:58:03,200

free to do that um would it be all right

1649

00:58:06,870 --> 00:58:05,200

if you take some questions i've noticed

1650

00:58:08,789 --> 00:58:06,880

some people were asking a few things

1651  
00:58:10,309 --> 00:58:08,799  
here and there i was wondering if you

1652  
00:58:12,390 --> 00:58:10,319  
wouldn't mind

1653  
00:58:14,390 --> 00:58:12,400  
yeah i'm good you know i slept half the

1654  
00:58:15,270 --> 00:58:14,400  
day away and i was worried about if i

1655  
00:58:16,789 --> 00:58:15,280  
was gonna be able to sleep tonight

1656  
00:58:17,750 --> 00:58:16,799  
because i just i slept to one o'clock

1657  
00:58:19,670 --> 00:58:17,760  
today

1658  
00:58:22,230 --> 00:58:19,680  
um so my body must have needed it so i'm

1659  
00:58:24,549 --> 00:58:22,240  
very alert i'm at my peak right now so

1660  
00:58:26,390 --> 00:58:24,559  
i'm happy to do that yes okay yeah no

1661  
00:58:28,309 --> 00:58:26,400  
but i don't want this to mean that

1662  
00:58:29,589 --> 00:58:28,319  
you're restricted to mention or talk

1663  
00:58:30,710 --> 00:58:29,599

about other things that you want to

1664

00:58:33,670 --> 00:58:30,720

share so

1665

00:58:36,470 --> 00:58:33,680

just putting that out there so um anyway

1666

00:58:38,549 --> 00:58:36,480

so all of you watching please do with

1667

00:58:40,470 --> 00:58:38,559

the three asterixes please do submit

1668

00:58:43,430 --> 00:58:40,480

your question so that way i know it's

1669

00:58:45,430 --> 00:58:43,440

for uh for sherry if um you join on

1670

00:58:47,589 --> 00:58:45,440

telegram you'll get to talk to sherry

1671

00:58:50,230 --> 00:58:47,599

directly and ask you a question so

1672

00:58:52,150 --> 00:58:50,240

please join telegram now and

1673

00:58:54,710 --> 00:58:52,160

make sure you raise your hand that way i

1674

00:58:57,510 --> 00:58:54,720

know you're you'll be added in my cue so

1675

00:58:59,750 --> 00:58:57,520

i'll ask sherry uh another question

1676  
00:59:02,549 --> 00:58:59,760  
while i give you guys a chance to do all

1677  
00:59:04,870 --> 00:59:02,559  
that and then we'll switch over to um

1678  
00:59:06,390 --> 00:59:04,880  
q a with the audience

1679  
00:59:08,950 --> 00:59:06,400  
um so

1680  
00:59:11,430 --> 00:59:08,960  
there's something that um

1681  
00:59:13,349 --> 00:59:11,440  
that i was asked and people have asked

1682  
00:59:15,270 --> 00:59:13,359  
several times including in this chat

1683  
00:59:16,870 --> 00:59:15,280  
right here um it was a formulated and

1684  
00:59:19,670 --> 00:59:16,880  
official question but i just caught it

1685  
00:59:22,710 --> 00:59:19,680  
on corner of my eye it was about the uh

1686  
00:59:24,870 --> 00:59:22,720  
uh what's it called 20 and 20 um

1687  
00:59:26,630 --> 00:59:24,880  
basically the story that yeah 20 and

1688  
00:59:28,630 --> 00:59:26,640

back that uh

1689

00:59:30,549 --> 00:59:28,640

corey good and david wilcock were

1690

00:59:32,710 --> 00:59:30,559

talking about can you speak a little bit

1691

00:59:35,349 --> 00:59:32,720

about that if you have any info if not i

1692

00:59:37,910 --> 00:59:35,359

understand i i haven't been following

1693

00:59:39,430 --> 00:59:37,920

them at all you know so i i don't know

1694

00:59:40,390 --> 00:59:39,440

when it comes to that kind of stuff

1695

00:59:41,750 --> 00:59:40,400

because

1696

00:59:43,990 --> 00:59:41,760

you know how it is once you have your

1697

00:59:45,990 --> 00:59:44,000

own experiences you kind of like

1698

00:59:47,670 --> 00:59:46,000

you have your own guide of where to go

1699

00:59:49,510 --> 00:59:47,680

and that was that would have been an

1700

00:59:50,950 --> 00:59:49,520

extra thing that i didn't pay attention

1701

00:59:52,549 --> 00:59:50,960

to

1702

00:59:54,470 --> 00:59:52,559

yeah and i haven't paid a lot of

1703

00:59:56,309 --> 00:59:54,480

attention to it i i was fascinated by

1704

00:59:58,950 --> 00:59:56,319

corey when he first came on

1705

01:00:00,789 --> 00:59:58,960

cosmic disclosure and uh he resonated

1706

01:00:02,789 --> 01:00:00,799

very strongly with me so i i listened to

1707

01:00:05,670 --> 01:00:02,799

what he had to say i haven't

1708

01:00:08,710 --> 01:00:05,680

followed over the years that much but i

1709

01:00:10,950 --> 01:00:08,720

i have a sense that the 20 and back

1710

01:00:12,230 --> 01:00:10,960

program is i well i would say that

1711

01:00:15,030 --> 01:00:12,240

that's real

1712

01:00:17,030 --> 01:00:15,040

and it's been in use for some time

1713

01:00:18,150 --> 01:00:17,040

and that there are a lot of

1714

01:00:20,069 --> 01:00:18,160

um

1715

01:00:20,870 --> 01:00:20,079

men and pos and some women too who have

1716

01:00:25,910 --> 01:00:20,880

been

1717

01:00:27,030 --> 01:00:25,920

memory of it i mean i myself i know that

1718

01:00:28,470 --> 01:00:27,040

i've

1719

01:00:29,829 --> 01:00:28,480

had

1720

01:00:33,190 --> 01:00:29,839

similar kinds of

1721

01:00:37,910 --> 01:00:35,349

programming and

1722

01:00:40,309 --> 01:00:37,920

times where i was taken out of time i

1723

01:00:42,630 --> 01:00:40,319

know that i had similar type experiences

1724

01:00:44,710 --> 01:00:42,640

where i was taken on missions and used

1725

01:00:45,589 --> 01:00:44,720

to do certain things maybe

1726

01:00:47,589 --> 01:00:45,599

maybe

1727

01:00:49,109 --> 01:00:47,599

my consent or even against my consent i

1728

01:00:51,910 --> 01:00:49,119

think a little bit of both

1729

01:00:54,150 --> 01:00:51,920

so i believe in the ability

1730

01:00:56,390 --> 01:00:54,160

of our military the dark military the

1731

01:00:58,789 --> 01:00:56,400

secret military to to do this and

1732

01:01:00,309 --> 01:00:58,799

i know that slave trade it's a the

1733

01:01:02,710 --> 01:01:00,319

20 back program

1734

01:01:04,150 --> 01:01:02,720

was connected to uh to a large scale to

1735

01:01:06,390 --> 01:01:04,160

the slave

1736

01:01:10,309 --> 01:01:06,400

trading that goes on out in the universe

1737

01:01:11,829 --> 01:01:10,319

which is a very nefarious dirty dark

1738

01:01:13,670 --> 01:01:11,839

thing and

1739

01:01:15,030 --> 01:01:13,680

they needed super soldiers and that they

1740

01:01:16,630 --> 01:01:15,040

needed these guys

1741

01:01:19,270 --> 01:01:16,640

to do this sort of thing so that's how

1742

01:01:21,030 --> 01:01:19,280

they did it they they

1743

01:01:22,230 --> 01:01:21,040

took these kids when they were just

1744

01:01:24,230 --> 01:01:22,240

children

1745

01:01:29,430 --> 01:01:24,240

and

1746

01:01:31,109 --> 01:01:29,440

just here in the united states it was

1747

01:01:31,990 --> 01:01:31,119

it's just it's just these are the things

1748

01:01:33,109 --> 01:01:32,000

that are going to come out that are

1749

01:01:35,349 --> 01:01:33,119

going to

1750

01:01:37,510 --> 01:01:35,359

blow people's minds if they aren't awake

1751

01:01:39,589 --> 01:01:37,520

that's why i think the sleepers

1752

01:01:41,829 --> 01:01:39,599

you know we may not fully come into

1753

01:01:43,030 --> 01:01:41,839

awareness of the truth what's going on

1754

01:01:45,910 --> 01:01:43,040

in this planet until some of the

1755

01:01:49,109 --> 01:01:47,430

are

1756

01:01:50,309 --> 01:01:49,119

have moved on to another 3d planet

1757

01:01:52,710 --> 01:01:50,319

because it's just

1758

01:01:54,390 --> 01:01:52,720

it's it's just gonna

1759

01:01:55,910 --> 01:01:54,400

i mean something like that is really

1760

01:01:58,069 --> 01:01:55,920

far-fetched and

1761

01:02:00,870 --> 01:01:58,079

hard to digest and it was

1762

01:02:02,069 --> 01:02:00,880

difficult for me even to some extent

1763

01:02:02,950 --> 01:02:02,079

um

1764

01:02:05,029 --> 01:02:02,960

but

1765

01:02:06,870 --> 01:02:05,039

at the same time

1766

01:02:09,109 --> 01:02:06,880

it didn't surprise me

1767

01:02:10,630 --> 01:02:09,119

and i felt like i knew

1768

01:02:13,270 --> 01:02:10,640

and that i actually had some contact

1769

01:02:14,950 --> 01:02:13,280

with some of this stuff so the 20 back

1770

01:02:17,829 --> 01:02:14,960

program

1771

01:02:19,270 --> 01:02:17,839

i don't know if that's still even if

1772

01:02:21,029 --> 01:02:19,280

it's still going on or not that's the

1773

01:02:22,950 --> 01:02:21,039

one thing i don't know i would hope that

1774

01:02:25,270 --> 01:02:22,960

it isn't but i'll bet i know the super

1775

01:02:26,549 --> 01:02:25,280

soldier program is still

1776

01:02:28,069 --> 01:02:26,559

um

1777

01:02:29,750 --> 01:02:28,079

in effect

1778

01:02:31,670 --> 01:02:29,760

but um

1779

01:02:34,069 --> 01:02:31,680

that's about unless there's anything

1780

01:02:35,349 --> 01:02:34,079

specific about it that's just my general

1781

01:02:36,710 --> 01:02:35,359

take on the whole thing i don't know if

1782

01:02:39,510 --> 01:02:36,720

they have a specific question about it

1783

01:02:43,670 --> 01:02:39,520

or not okay yeah no that was that was

1784

01:02:45,589 --> 01:02:43,680

basically it so uh sonia is uh asking uh

1785

01:02:49,190 --> 01:02:45,599

sherry how were you poisoned i'm so

1786

01:02:51,109 --> 01:02:49,200

sorry to hear that

1787

01:02:53,270 --> 01:02:51,119

the attacks on me started the minute i

1788

01:02:55,109 --> 01:02:53,280

signed the contract with dolores cannon

1789

01:02:57,829 --> 01:02:55,119

to have my book published

1790

01:02:59,990 --> 01:02:57,839

as soon as i signed the contract they

1791

01:03:01,349 --> 01:03:00,000

poisoned me with mercury poisoning we

1792

01:03:03,349 --> 01:03:01,359

now know that they

1793

01:03:05,990 --> 01:03:03,359

i i often wondered how it was that my

1794

01:03:07,829 --> 01:03:06,000

dentist who was actually a friend

1795

01:03:10,230 --> 01:03:07,839

could forget to um use the correct

1796

01:03:14,150 --> 01:03:10,240

protocol when he filed down my mercury

1797

01:03:15,109 --> 01:03:14,160

fillings so he did that in late 2012

1798

01:03:18,069 --> 01:03:15,119

and

1799

01:03:18,870 --> 01:03:18,079

it was i mean he was just weird that day

1800

01:03:20,950 --> 01:03:18,880

um

1801

01:03:23,349 --> 01:03:20,960

when i confronted him

1802

01:03:25,670 --> 01:03:23,359

about what he did because i got poisoned

1803

01:03:27,670 --> 01:03:25,680

as i sat in the chair the mercury

1804

01:03:29,109 --> 01:03:27,680

went through my body to my brain and i

1805

01:03:31,510 --> 01:03:29,119

started to shake

1806

01:03:32,950 --> 01:03:31,520

and the left side of my body was damaged

1807

01:03:34,309 --> 01:03:32,960

and it's i'm sitting here right now with

1808

01:03:37,430 --> 01:03:34,319

the left side of my body shaking and

1809

01:03:39,589 --> 01:03:37,440

vibrating i still have it um

1810

01:03:43,190 --> 01:03:39,599

so that happened in 2012

1811

01:03:45,910 --> 01:03:43,200

with mercury and then um

1812

01:03:47,670 --> 01:03:45,920

in 2013

1813

01:03:50,870 --> 01:03:47,680

i was

1814

01:03:52,789 --> 01:03:50,880

sent some pills by an ayurvedic doctor

1815

01:03:54,549 --> 01:03:52,799

who said he was going to

1816

01:03:55,910 --> 01:03:54,559

help me with the shaking that had

1817

01:03:58,789 --> 01:03:55,920

occurred from the damage from the

1818

01:04:00,710 --> 01:03:58,799

mercury point and he sent me some pills

1819

01:04:02,309 --> 01:04:00,720

i was reluctant to take them he

1820

01:04:04,390 --> 01:04:02,319

convinced me and then the people in the

1821

01:04:06,150 --> 01:04:04,400

church in the unity church this was out

1822

01:04:07,990 --> 01:04:06,160

in sedona

1823

01:04:09,349 --> 01:04:08,000

we attended unity church there and the

1824

01:04:11,270 --> 01:04:09,359

people there who had recommended this

1825

01:04:13,349 --> 01:04:11,280

doctor when i said i don't know if i

1826

01:04:14,789 --> 01:04:13,359

feel comfortable taking these pills

1827

01:04:16,470 --> 01:04:14,799

you know they came in through the mail i

1828

01:04:18,630 --> 01:04:16,480

never i don't know this guy and they

1829

01:04:20,549 --> 01:04:18,640

said oh no no he helped three

1830

01:04:22,069 --> 01:04:20,559

three women in the church

1831

01:04:23,750 --> 01:04:22,079

who had the same thing they had been

1832

01:04:25,349 --> 01:04:23,760

diagnosed with parkinson and he got rid

1833

01:04:26,870 --> 01:04:25,359

of it for them

1834

01:04:28,309 --> 01:04:26,880

you must you know just go ahead and

1835

01:04:30,470 --> 01:04:28,319

trust them you must take them you know

1836

01:04:33,349 --> 01:04:30,480

trust them it's okay so then i i did

1837

01:04:34,069 --> 01:04:33,359

those pills i took those for over a year

1838

01:04:35,990 --> 01:04:34,079

and

1839

01:04:37,990 --> 01:04:36,000

we had finally we hadn't tested when i

1840

01:04:39,270 --> 01:04:38,000

ended up in the hospital with poison

1841

01:04:41,670 --> 01:04:39,280

and they were

1842

01:04:43,589 --> 01:04:41,680

i think they were just at 98

1843

01:04:45,430 --> 01:04:43,599

pure lead poisoning they were tiny

1844

01:04:47,270 --> 01:04:45,440

little tablets that i took i took them i

1845

01:04:49,029 --> 01:04:47,280

remember taking them in the hotel room

1846

01:04:49,750 --> 01:04:49,039

before i went out to get my lecture at

1847

01:04:53,510 --> 01:04:49,760

the

1848

01:04:54,950 --> 01:04:53,520

i remember that i was so sick and i

1849

01:04:56,549 --> 01:04:54,960

thought maybe if i pop a couple of these

1850

01:04:58,549 --> 01:04:56,559

pills it will help

1851  
01:05:00,870 --> 01:04:58,559  
oh so much for my intuition i don't know

1852  
01:05:03,349 --> 01:05:00,880  
i was i didn't pick up anything about

1853  
01:05:05,750 --> 01:05:03,359  
them that they were bad

1854  
01:05:10,789 --> 01:05:05,760  
so that's how i was poisoned and then

1855  
01:05:12,950 --> 01:05:10,799  
i was hit with um elf radiation extreme

1856  
01:05:15,430 --> 01:05:12,960  
the directed energy weapons and alpha

1857  
01:05:17,349 --> 01:05:15,440  
radiation extremely low frequency that

1858  
01:05:19,589 --> 01:05:17,359  
was every bit as bad as the poisoning

1859  
01:05:21,670 --> 01:05:19,599  
that

1860  
01:05:24,870 --> 01:05:21,680  
really messes with your mind

1861  
01:05:26,710 --> 01:05:24,880  
the attack was a full-blown attack um

1862  
01:05:28,470 --> 01:05:26,720  
there was mind control there were

1863  
01:05:30,789 --> 01:05:28,480

implants put into my brain that would go

1864

01:05:32,470 --> 01:05:30,799

in one night and then my guys would come

1865

01:05:33,750 --> 01:05:32,480

and they'd take it out the next night

1866

01:05:35,910 --> 01:05:33,760

and then they'd come back and they'd put

1867

01:05:38,150 --> 01:05:35,920

it back in the dark ones my guys would

1868

01:05:39,109 --> 01:05:38,160

come back again it was it was crazy

1869

01:05:43,750 --> 01:05:39,119

making

1870

01:05:45,750 --> 01:05:43,760

i if it comes out in the film it'll be

1871

01:05:47,910 --> 01:05:45,760

it'll be interesting to see how it's

1872

01:05:49,510 --> 01:05:47,920

portrayed because it was just

1873

01:05:52,309 --> 01:05:49,520

too bizarre for words i mean i was

1874

01:05:53,990 --> 01:05:52,319

living in a freaking nightmare nope so

1875

01:05:56,069 --> 01:05:54,000

that's how it happened well sherry i'm

1876

01:05:58,230 --> 01:05:56,079

glad you're here

1877

01:05:59,510 --> 01:05:58,240

um well you know what i got i got to add

1878

01:06:01,589 --> 01:05:59,520

the only reason i'm here is because i

1879

01:06:03,829 --> 01:06:01,599

had my

1880

01:06:06,470 --> 01:06:03,839

my guys uh they sent in my guys are not

1881

01:06:09,829 --> 01:06:06,480

healers per se so they would send in

1882

01:06:11,990 --> 01:06:09,839

these little dog face little et's to

1883

01:06:13,510 --> 01:06:12,000

these cheerful little guys tiny little

1884

01:06:14,789 --> 01:06:13,520

guys and they would come in and they

1885

01:06:16,630 --> 01:06:14,799

would announce themselves they come in

1886

01:06:18,069 --> 01:06:16,640

with this piece of equipment i don't

1887

01:06:19,589 --> 01:06:18,079

know how many times i remember

1888

01:06:21,349 --> 01:06:19,599

consciously them being there at least

1889

01:06:22,870 --> 01:06:21,359

four times and they always come in and

1890

01:06:25,109 --> 01:06:22,880

they're always cheerful and they always

1891

01:06:28,630 --> 01:06:25,119

say we're going to clean your brain

1892

01:06:31,029 --> 01:06:28,640

and i'd be like um okay so they came in

1893

01:06:33,029 --> 01:06:31,039

immediately and started cleaning the

1894

01:06:34,549 --> 01:06:33,039

mercury otherwise i wouldn't be here

1895

01:06:36,630 --> 01:06:34,559

there's no way you can survive that kind

1896

01:06:39,270 --> 01:06:36,640

of mercury poisoning it's too

1897

01:06:41,510 --> 01:06:39,280

it's too dang it's way too fatal

1898

01:06:42,870 --> 01:06:41,520

so that's i i need to add that so people

1899

01:06:45,190 --> 01:06:42,880

because otherwise people are like oh she

1900

01:06:49,109 --> 01:06:45,200

couldn't have been you wouldn't survive

1901

01:06:50,390 --> 01:06:49,119

but i survived in spite of it

1902

01:06:52,470 --> 01:06:50,400

so

1903

01:06:54,870 --> 01:06:52,480

well um this next question i think you

1904

01:06:56,789 --> 01:06:54,880

we already covered it if you want to add

1905

01:06:58,950 --> 01:06:56,799

a little bit more to it feel free but

1906

01:07:01,750 --> 01:06:58,960

it's basically from russell saying it's

1907

01:07:04,789 --> 01:07:01,760

the change gradual process or

1908

01:07:06,150 --> 01:07:04,799

overwhelmingly fast

1909

01:07:07,670 --> 01:07:06,160

well yeah that's a good question

1910

01:07:09,430 --> 01:07:07,680

actually because i i don't feel like i

1911

01:07:10,470 --> 01:07:09,440

answered it because i don't really know

1912

01:07:11,990 --> 01:07:10,480

it's one of those things i've been

1913

01:07:13,829 --> 01:07:12,000

asking i'm still

1914

01:07:15,349 --> 01:07:13,839

i'm still holding out hope for what

1915

01:07:17,670 --> 01:07:15,359

corey good talked about which is the

1916

01:07:19,829 --> 01:07:17,680

flash you know the solar flash i'm

1917

01:07:22,069 --> 01:07:19,839

hoping that there'll come a day

1918

01:07:23,750 --> 01:07:22,079

when we just it just instantaneously

1919

01:07:25,829 --> 01:07:23,760

happens i know that i've experienced

1920

01:07:28,069 --> 01:07:25,839

that on other planets that i've been on

1921

01:07:28,950 --> 01:07:28,079

when i've been on those planets to to

1922

01:07:30,309 --> 01:07:28,960

assist

1923

01:07:32,069 --> 01:07:30,319

but

1924

01:07:33,190 --> 01:07:32,079

it doesn't always go that way it's up to

1925

01:07:34,950 --> 01:07:33,200

the collective

1926

01:07:37,589 --> 01:07:34,960

so there's no way when i look into it

1927

01:07:38,710 --> 01:07:37,599

when i feel into it i can't get an

1928

01:07:40,069 --> 01:07:38,720

answer because

1929

01:07:41,109 --> 01:07:40,079

i don't think the collective has made up

1930

01:07:44,150 --> 01:07:41,119

their mind yet what they want to

1931

01:07:45,510 --> 01:07:44,160

manifest just like they manifested the

1932

01:07:47,349 --> 01:07:45,520

split and did it the way they did it

1933

01:07:50,230 --> 01:07:47,359

with the pandemic and the vacs and all

1934

01:07:51,510 --> 01:07:50,240

that which was kind of an ingenious way

1935

01:07:53,670 --> 01:07:51,520

of doing it

1936

01:07:56,549 --> 01:07:53,680

they're going to they're going to

1937

01:07:58,870 --> 01:07:56,559

manifest and and bring about

1938

01:08:01,750 --> 01:07:58,880

the the shift and it will be either

1939

01:08:03,829 --> 01:08:01,760

gradual take you know the next 20

1940

01:08:05,589 --> 01:08:03,839

years or it'll be

1941

01:08:06,950 --> 01:08:05,599

instantaneous if that's what they decide

1942

01:08:08,710 --> 01:08:06,960

so

1943

01:08:12,069 --> 01:08:08,720

i hope it's instantaneous and i hope

1944

01:08:13,750 --> 01:08:12,079

it's tomorrow or tonight even better

1945

01:08:16,149 --> 01:08:13,760

right but i don't know

1946

01:08:18,309 --> 01:08:16,159

yeah well thanks for that sherry uh

1947

01:08:19,590 --> 01:08:18,319

reuben is asking uh sherry have you

1948

01:08:21,309 --> 01:08:19,600

heard of

1949

01:08:23,189 --> 01:08:21,319

ram rame

1950

01:08:25,829 --> 01:08:23,199

r-a-m-a-y

1951

01:08:28,070 --> 01:08:25,839

terrestrials i hear that they are

1952

01:08:30,789 --> 01:08:28,080

present on earth trying to activate junk

1953

01:08:35,709 --> 01:08:33,590

oh rami i've heard of i've heard of the

1954

01:08:38,229 --> 01:08:35,719

rame at least that's how i pronounce it

1955

01:08:39,669 --> 01:08:38,239

r-a-m-e-y you say yeah it's the first

1956

01:08:43,349 --> 01:08:39,679

time i've heard it

1957

01:08:46,950 --> 01:08:45,829

a-y oh i thought it was e-white ramey

1958

01:08:48,630 --> 01:08:46,960

um

1959

01:08:49,749 --> 01:08:48,640

i've heard of them but i didn't i

1960

01:08:51,349 --> 01:08:49,759

haven't heard that they're here trying

1961

01:08:53,430 --> 01:08:51,359

to activate that's great i know we're

1962

01:08:55,110 --> 01:08:53,440

getting lots of assistance because

1963

01:08:57,669 --> 01:08:55,120

you know now that we're we're clearing

1964

01:08:59,189 --> 01:08:57,679

out the dark which is taking way longer

1965

01:09:01,269 --> 01:08:59,199

than it should because

1966

01:09:03,110 --> 01:09:01,279

because they're i think they're being

1967

01:09:04,630 --> 01:09:03,120

too cautious with the sleepers myself i

1968

01:09:08,390 --> 01:09:04,640

think you know it's like a band-aid just

1969

01:09:09,749 --> 01:09:08,400

ripped the son of a gun off but um

1970

01:09:17,430 --> 01:09:09,759

i

1971

01:09:18,950 --> 01:09:17,440

that are out there because they're

1972

01:09:20,870 --> 01:09:18,960

anxious and i think that i think there

1973

01:09:22,709 --> 01:09:20,880

is kind of

1974

01:09:26,149 --> 01:09:22,719

there's kind of a deadline you know this

1975

01:09:28,309 --> 01:09:26,159

can't drag on too long on the planet

1976

01:09:30,309 --> 01:09:28,319

with the dark being in control that is

1977

01:09:31,349 --> 01:09:30,319

so we've got to get it settled

1978

01:09:34,789 --> 01:09:31,359

i just

1979

01:09:36,390 --> 01:09:34,799

it just seems to be taking forever i'm

1980

01:09:38,309 --> 01:09:36,400

very frustrated by that

1981

01:09:39,910 --> 01:09:38,319

but earlier today uh you know while we

1982

01:09:42,550 --> 01:09:39,920

were still offline and you heard a

1983

01:09:44,709 --> 01:09:42,560

little bit of that convo you know

1984

01:09:46,709 --> 01:09:44,719

niels was on he was just saying that

1985

01:09:48,470 --> 01:09:46,719

it's just a matter of time and pendulum

1986

01:09:50,630 --> 01:09:48,480

swung so far left

1987

01:09:52,950 --> 01:09:50,640

it's going to have to go the opposite

1988

01:09:53,910 --> 01:09:52,960

way and yeah you know come back hard and

1989

01:09:55,270 --> 01:09:53,920

strong

1990

01:09:56,870 --> 01:09:55,280

but because you know it's one of these

1991

01:09:58,630 --> 01:09:56,880

things you know i was there was a point

1992

01:10:00,470 --> 01:09:58,640

that was made and i totally agree with

1993

01:10:02,070 --> 01:10:00,480

that you know somebody said

1994

01:10:05,430 --> 01:10:02,080

there's so many people out there they're

1995

01:10:07,350 --> 01:10:05,440

like oh we're so happy and grateful that

1996

01:10:09,830 --> 01:10:07,360

we've gotten our freedom back and that

1997

01:10:11,750 --> 01:10:09,840

we can you know go about our lives and

1998

01:10:14,149 --> 01:10:11,760

all these other things and and he's so

1999

01:10:15,910 --> 01:10:14,159

like and he's like this is the time

2000

01:10:18,550 --> 01:10:15,920

where you need to shoot the out of

2001  
01:10:20,390 --> 01:10:18,560  
them you know it's like going back and

2002  
01:10:22,470 --> 01:10:20,400  
just basically this is not a time to be

2003  
01:10:24,390 --> 01:10:22,480  
thankful for putting the children

2004  
01:10:26,470 --> 01:10:24,400  
through what they did you know and all

2005  
01:10:29,669 --> 01:10:26,480  
this other stuff just you know it's time

2006  
01:10:32,950 --> 01:10:29,679  
for payback you know it's like you can't

2007  
01:10:33,990 --> 01:10:32,960  
you can't crush freedoms in that way

2008  
01:10:35,830 --> 01:10:34,000  
well

2009  
01:10:38,070 --> 01:10:35,840  
here's the thing i i look at it even

2010  
01:10:40,390 --> 01:10:38,080  
from a higher perspective i think you

2011  
01:10:42,070 --> 01:10:40,400  
know and then i would say freedom you

2012  
01:10:44,870 --> 01:10:42,080  
call this freedom what we had before was

2013  
01:10:46,070 --> 01:10:44,880

not even freedom so you know now's a

2014

01:10:47,669 --> 01:10:46,080

good time to sit you down and tell you

2015

01:10:49,270 --> 01:10:47,679

what free real freedom is that you live

2016

01:10:50,870 --> 01:10:49,280

on your planet for free

2017

01:10:53,350 --> 01:10:50,880

that you do not have to get up and go to

2018

01:10:54,790 --> 01:10:53,360

work at a job to earn the money to pay

2019

01:10:56,790 --> 01:10:54,800

for you to live

2020

01:11:00,149 --> 01:10:56,800

on this planet that you were born freely

2021

01:11:01,669 --> 01:11:00,159

into i mean freedom is not being it's

2022

01:11:03,669 --> 01:11:01,679

not when you get to get up and go to a

2023

01:11:05,430 --> 01:11:03,679

job and and without wearing a mask i

2024

01:11:08,709 --> 01:11:05,440

mean that's not even real freedom i mean

2025

01:11:10,310 --> 01:11:08,719

to have to wear a mask is even beyond

2026

01:11:12,149 --> 01:11:10,320

yeah where was the what was the freedom

2027

01:11:13,669 --> 01:11:12,159

that only if you took the vaccine could

2028

01:11:15,270 --> 01:11:13,679

you have the job where's the freedom in

2029

01:11:17,510 --> 01:11:15,280

that yeah

2030

01:11:19,110 --> 01:11:17,520

well but i i say take it higher how

2031

01:11:21,430 --> 01:11:19,120

about we be free to live on the planet

2032

01:11:23,270 --> 01:11:21,440

and and live our lives the way we want

2033

01:11:25,270 --> 01:11:23,280

to live our lives and pursue what we

2034

01:11:26,950 --> 01:11:25,280

love pursuing and if we don't want to

2035

01:11:28,229 --> 01:11:26,960

have to work at a job you don't have to

2036

01:11:29,590 --> 01:11:28,239

work at a job but it doesn't mean you

2037

01:11:31,110 --> 01:11:29,600

don't get to live

2038

01:11:33,990 --> 01:11:31,120

on this planet i mean the whole way

2039

01:11:35,350 --> 01:11:34,000

society is set up is a slave system and

2040

01:11:38,870 --> 01:11:35,360

we're the slaves

2041

01:11:40,870 --> 01:11:38,880

don't seem to to get that if you have a

2042

01:11:42,070 --> 01:11:40,880

job and you're going to work to earn a

2043

01:11:44,070 --> 01:11:42,080

paycheck so that you can pay for your

2044

01:11:46,790 --> 01:11:44,080

house and food you are a slave to the

2045

01:11:48,950 --> 01:11:46,800

system you are a slave it's just that

2046

01:11:49,830 --> 01:11:48,960

simple because other planets

2047

01:11:51,270 --> 01:11:49,840

aren't

2048

01:11:52,790 --> 01:11:51,280

they're not like that if they don't have

2049

01:11:54,630 --> 01:11:52,800

a monetary system

2050

01:11:57,030 --> 01:11:54,640

and they're a free planet

2051

01:11:59,110 --> 01:11:57,040

you you just live your life and you live

2052

01:12:01,750 --> 01:11:59,120

it in joy and in harmony you create what

2053

01:12:03,750 --> 01:12:01,760

you what you feel drawn to do you

2054

01:12:04,870 --> 01:12:03,760

fulfill your purpose and in your heart's

2055

01:12:06,870 --> 01:12:04,880

desire

2056

01:12:09,669 --> 01:12:06,880

and you pursue what interests you you

2057

01:12:11,430 --> 01:12:09,679

don't work unless i mean

2058

01:12:13,669 --> 01:12:11,440

certainly as humans we like to be

2059

01:12:14,390 --> 01:12:13,679

productive we like to create but you do

2060

01:12:19,270 --> 01:12:14,400

it

2061

01:12:20,950 --> 01:12:19,280

as a most of the people who work

2062

01:12:22,390 --> 01:12:20,960

wouldn't go to their job on monday

2063

01:12:24,390 --> 01:12:22,400

morning if they weren't for the paycheck

2064

01:12:26,470 --> 01:12:24,400

if they didn't have to now i

2065

01:12:28,310 --> 01:12:26,480

chose a career that i loved so much i

2066

01:12:29,750 --> 01:12:28,320

would have done it for nothing that's a

2067

01:12:32,229 --> 01:12:29,760

different story if you're lucky enough

2068

01:12:34,229 --> 01:12:32,239

to to do that and you might have that

2069

01:12:35,430 --> 01:12:34,239

admin but i don't know but but unless

2070

01:12:38,229 --> 01:12:35,440

you're doing that

2071

01:12:39,189 --> 01:12:38,239

you're you're a slave that's yeah

2072

01:12:41,669 --> 01:12:39,199

well

2073

01:12:42,950 --> 01:12:41,679

the problem was generally i was uh you

2074

01:12:45,430 --> 01:12:42,960

know i remember when i was working

2075

01:12:46,550 --> 01:12:45,440

downtown san luis and i would drive home

2076

01:12:48,550 --> 01:12:46,560

and i would see all these different

2077

01:12:50,470 --> 01:12:48,560

homeless people right and i would always

2078

01:12:51,750 --> 01:12:50,480

just think about like for example why

2079

01:12:53,350 --> 01:12:51,760

are they homeless

2080

01:12:55,590 --> 01:12:53,360

and you know of course there's there

2081

01:12:57,750 --> 01:12:55,600

could be mental issues that could be uh

2082

01:13:00,630 --> 01:12:57,760

you know just out of block whatever the

2083

01:13:01,910 --> 01:13:00,640

reason is but the point is

2084

01:13:04,470 --> 01:13:01,920

there's something

2085

01:13:06,550 --> 01:13:04,480

that we can do about the system without

2086

01:13:08,870 --> 01:13:06,560

entirely throwing somebody out in that

2087

01:13:11,590 --> 01:13:08,880

way without needing to let's say be

2088

01:13:14,229 --> 01:13:11,600

communist you know but at least you know

2089

01:13:16,070 --> 01:13:14,239

change your system to a point to where

2090

01:13:18,070 --> 01:13:16,080

it's almost like you either work and

2091

01:13:19,910 --> 01:13:18,080

give us your life's energy or otherwise

2092

01:13:22,709 --> 01:13:19,920

you're entirely out and you're on the

2093

01:13:24,149 --> 01:13:22,719

street exactly you know exactly so

2094

01:13:25,590 --> 01:13:24,159

there's got to be something that can be

2095

01:13:27,510 --> 01:13:25,600

done

2096

01:13:28,950 --> 01:13:27,520

oh it's terrible it's terrible i it

2097

01:13:31,750 --> 01:13:28,960

tears me up to see somebody standing on

2098

01:13:33,030 --> 01:13:31,760

the corner i don't care what excu i mean

2099

01:13:34,310 --> 01:13:33,040

if you tell yourself a story about them

2100

01:13:36,070 --> 01:13:34,320

oh they could get a job or they could

2101  
01:13:37,910 --> 01:13:36,080  
just you know you don't know what that

2102  
01:13:40,229 --> 01:13:37,920  
person has been through you don't know

2103  
01:13:41,990 --> 01:13:40,239  
and it's just wrong it's just wrong that

2104  
01:13:43,750 --> 01:13:42,000  
they're out there on the street i don't

2105  
01:13:45,990 --> 01:13:43,760  
care you know when you see with children

2106  
01:13:47,270 --> 01:13:46,000  
you see them with pets it's just there's

2107  
01:13:48,310 --> 01:13:47,280  
there should be no judgment in that

2108  
01:13:49,990 --> 01:13:48,320  
somebody should

2109  
01:13:51,750 --> 01:13:50,000  
pick them up and give them a place i

2110  
01:13:53,750 --> 01:13:51,760  
mean it's terrible

2111  
01:13:58,630 --> 01:13:53,760  
it's just

2112  
01:14:00,550 --> 01:13:58,640  
humanity that that has been allowed to

2113  
01:14:02,229 --> 01:14:00,560

go on and for so long

2114

01:14:03,830 --> 01:14:02,239

yeah but people

2115

01:14:05,590 --> 01:14:03,840

they you know you're you're born into

2116

01:14:07,110 --> 01:14:05,600

the world and

2117

01:14:08,390 --> 01:14:07,120

and it's what you see from the time

2118

01:14:11,430 --> 01:14:08,400

you're little and you're indoctrinated

2119

01:14:13,030 --> 01:14:11,440

into the whole idea of working hard and

2120

01:14:15,750 --> 01:14:13,040

and you should feel proud if you're a

2121

01:14:18,149 --> 01:14:15,760

hard worker and you know that's

2122

01:14:19,990 --> 01:14:18,159

that's bs it's just being yeah you know

2123

01:14:21,750 --> 01:14:20,000

i was talking to my son just the other

2124

01:14:23,830 --> 01:14:21,760

day you know because uh we were you know

2125

01:14:25,189 --> 01:14:23,840

he would he's he's 14 and finally asking

2126

01:14:28,229 --> 01:14:25,199

the kind of questions i wish he was

2127

01:14:29,110 --> 01:14:28,239

asking 10 years ago you know but anyway

2128

01:14:31,270 --> 01:14:29,120

um

2129

01:14:33,510 --> 01:14:31,280

uh so we were talking and i said you

2130

01:14:35,669 --> 01:14:33,520

know well your mom and i we sent you to

2131

01:14:37,830 --> 01:14:35,679

the school but you know at the same time

2132

01:14:40,149 --> 01:14:37,840

we always encourage you to learn more

2133

01:14:42,709 --> 01:14:40,159

but just the very fact that you have

2134

01:14:44,790 --> 01:14:42,719

this regimen where you are in a class

2135

01:14:46,790 --> 01:14:44,800

and you sit together and you sit in rows

2136

01:14:48,870 --> 01:14:46,800

and there's bell ringing you know

2137

01:14:50,870 --> 01:14:48,880

conditioning to okay you can stop now

2138

01:14:53,910 --> 01:14:50,880

okay go back to class you know i said

2139

01:14:56,709 --> 01:14:53,920

this is this is a workers worker class

2140

01:14:57,830 --> 01:14:56,719

um training system you know to where you

2141

01:15:00,390 --> 01:14:57,840

have to

2142

01:15:02,390 --> 01:15:00,400

find you're going through this but you

2143

01:15:03,990 --> 01:15:02,400

you know know that you can get out of it

2144

01:15:05,669 --> 01:15:04,000

you know and he's like you know i'm

2145

01:15:07,590 --> 01:15:05,679

going to be my own boss am i good i want

2146

01:15:09,110 --> 01:15:07,600

you to have that mindset you know just

2147

01:15:11,030 --> 01:15:09,120

you know find something you love doing

2148

01:15:12,709 --> 01:15:11,040

and all that and then get out of it yeah

2149

01:15:14,870 --> 01:15:12,719

you know it's like um

2150

01:15:16,790 --> 01:15:14,880

because at this point like i always say

2151

01:15:17,910 --> 01:15:16,800

he doesn't he he only knows all his

2152

01:15:20,149 --> 01:15:17,920

friends out there everything they're

2153

01:15:22,070 --> 01:15:20,159

doing is so much fun there so if we were

2154

01:15:23,830 --> 01:15:22,080

to like take him out at home school all

2155

01:15:25,910 --> 01:15:23,840

this other stuff we would be the evil

2156

01:15:27,590 --> 01:15:25,920

people you know we would be the ones to

2157

01:15:29,430 --> 01:15:27,600

that that he then would be blaming for

2158

01:15:30,950 --> 01:15:29,440

rest of his life saying well you held me

2159

01:15:32,550 --> 01:15:30,960

back well you didn't want me to do this

2160

01:15:35,110 --> 01:15:32,560

it's like you know it's like you know

2161

01:15:36,630 --> 01:15:35,120

what fine take that but then also

2162

01:15:38,149 --> 01:15:36,640

understand this other thing we're trying

2163

01:15:40,470 --> 01:15:38,159

to teach you you know to make you

2164

01:15:41,750 --> 01:15:40,480

understand like that's how it started

2165

01:15:43,830 --> 01:15:41,760

out in the in

2166

01:15:45,430 --> 01:15:43,840

industrial age they needed worker bees

2167

01:15:48,149 --> 01:15:45,440

that's how you had that you know that's

2168

01:15:51,110 --> 01:15:49,430

so i'm not clear is he being

2169

01:15:53,910 --> 01:15:51,120

homeschooled is he being homeschooled or

2170

01:15:55,750 --> 01:15:53,920

is he in school no he's at school

2171

01:15:57,590 --> 01:15:55,760

yeah at least it's it's you know we're

2172

01:15:58,470 --> 01:15:57,600

at least we're thankful that it's it's a

2173

01:16:00,790 --> 01:15:58,480

um

2174

01:16:01,830 --> 01:16:00,800

you know it's a red state so you know

2175

01:16:04,070 --> 01:16:01,840

there's no

2176  
01:16:06,070 --> 01:16:04,080  
you know uh brainwashing like they have

2177  
01:16:07,990 --> 01:16:06,080  
on the east west coast where they have

2178  
01:16:09,590 --> 01:16:08,000  
in that way i'm sure there's a form of

2179  
01:16:11,669 --> 01:16:09,600  
blaine washington whatever but anytime

2180  
01:16:13,510 --> 01:16:11,679  
he comes back from from school he always

2181  
01:16:14,550 --> 01:16:13,520  
asks questions that i totally agree with

2182  
01:16:16,870 --> 01:16:14,560  
you know because then i can have a

2183  
01:16:19,030 --> 01:16:16,880  
conversation with him about it you know

2184  
01:16:20,709 --> 01:16:19,040  
because especially i love the teacher he

2185  
01:16:22,709 --> 01:16:20,719  
always you know talks you know talks

2186  
01:16:24,709 --> 01:16:22,719  
about like if they cover politics they

2187  
01:16:26,709 --> 01:16:24,719  
cover both ends and i ask him

2188  
01:16:28,470 --> 01:16:26,719

specifically like tell me exactly what

2189

01:16:30,149 --> 01:16:28,480

they said about this and tell me exactly

2190

01:16:31,669 --> 01:16:30,159

what they said about that because i want

2191

01:16:33,430 --> 01:16:31,679

to make sure that i'm not one of those

2192

01:16:35,430 --> 01:16:33,440

parents that stays clueless and then

2193

01:16:37,669 --> 01:16:35,440

like several years down the road finds

2194

01:16:39,830 --> 01:16:37,679

out what was done to my son you know and

2195

01:16:41,510 --> 01:16:39,840

so anyway and i agree so far everything

2196

01:16:43,270 --> 01:16:41,520

he's been coming back to us and telling

2197

01:16:44,630 --> 01:16:43,280

us i agree the way they've been teaching

2198

01:16:46,390 --> 01:16:44,640

so

2199

01:16:48,870 --> 01:16:46,400

you know although not home schooled i'm

2200

01:16:49,750 --> 01:16:48,880

grateful that that he's you know at

2201

01:16:52,229 --> 01:16:49,760

least

2202

01:16:53,189 --> 01:16:52,239

is that so bad that's so bad correct

2203

01:16:54,950 --> 01:16:53,199

because

2204

01:16:56,550 --> 01:16:54,960

i think plus we're a small town it's a

2205

01:16:59,510 --> 01:16:56,560

very small town so it's not like this

2206

01:17:01,270 --> 01:16:59,520

huge public place where you know

2207

01:17:03,189 --> 01:17:01,280

everything is really coming down from

2208

01:17:05,510 --> 01:17:03,199

the state you know there's a lot of uh

2209

01:17:07,510 --> 01:17:05,520

local decisions and and directions are

2210

01:17:09,189 --> 01:17:07,520

being are there because yeah then they

2211

01:17:10,950 --> 01:17:09,199

are lucky because because i have friends

2212

01:17:13,189 --> 01:17:10,960

i have a lot of people i love people who

2213

01:17:14,630 --> 01:17:13,199

are friends who are teachers and

2214

01:17:16,390 --> 01:17:14,640

they all ended up quitting because they

2215

01:17:18,229 --> 01:17:16,400

couldn't deal with what was being

2216

01:17:20,790 --> 01:17:18,239

mandated and they were teachers in small

2217

01:17:22,470 --> 01:17:20,800

schools and they couldn't believe

2218

01:17:25,270 --> 01:17:22,480

the changes and what was being asked of

2219

01:17:27,110 --> 01:17:25,280

them to teach these kids right so they

2220

01:17:30,390 --> 01:17:27,120

every one of them i i'm thinking of

2221

01:17:32,070 --> 01:17:30,400

three very close friends who independent

2222

01:17:34,149 --> 01:17:32,080

of each other and they don't know each

2223

01:17:36,229 --> 01:17:34,159

other and they all three quit because a

2224

01:17:38,550 --> 01:17:36,239

couple years ago because they just what

2225

01:17:40,470 --> 01:17:38,560

they were asked to teach was was not

2226

01:17:41,750 --> 01:17:40,480

anything that they felt comfortable with

2227

01:17:44,070 --> 01:17:41,760

at all

2228

01:17:46,870 --> 01:17:44,080

so i just i would keep watching it if i

2229

01:17:48,630 --> 01:17:46,880

know you if i no i don't we do we do all

2230

01:17:50,149 --> 01:17:48,640

the time you know we always in contact

2231

01:17:52,790 --> 01:17:50,159

with the teachers too although it's a

2232

01:17:54,950 --> 01:17:52,800

principal we saw a jackass i had to lose

2233

01:17:57,270 --> 01:17:54,960

my on him yet you know it's been

2234

01:17:59,189 --> 01:17:57,280

it's been maybe a few months now but it

2235

01:18:01,510 --> 01:17:59,199

was one of those things to where you

2236

01:18:02,390 --> 01:18:01,520

know because you know uh the same as

2237

01:18:04,310 --> 01:18:02,400

jaden

2238

01:18:06,870 --> 01:18:04,320

my oldest son and so i always tell him i

2239

01:18:08,950 --> 01:18:06,880

said i know short term you know having

2240

01:18:11,030 --> 01:18:08,960

to tell the truth and and sometimes it

2241

01:18:13,350 --> 01:18:11,040

can be scary and all these other things

2242

01:18:15,189 --> 01:18:13,360

and shameful but always tell the truth

2243

01:18:17,990 --> 01:18:15,199

it'll always you know it'll turn out you

2244

01:18:19,910 --> 01:18:18,000

know all right at the end and so yeah

2245

01:18:21,669 --> 01:18:19,920

anytime something happens and even if

2246

01:18:23,830 --> 01:18:21,679

he's like remotely involved he

2247

01:18:26,149 --> 01:18:23,840

immediately like yes i was part of this

2248

01:18:27,990 --> 01:18:26,159

but not whatever you know whatever

2249

01:18:30,390 --> 01:18:28,000

whatever it is basically he's constantly

2250

01:18:31,990 --> 01:18:30,400

then being truthful so of course all the

2251

01:18:33,910 --> 01:18:32,000

other little you know

2252

01:18:35,590 --> 01:18:33,920

kids all around they're like oh no no i

2253

01:18:37,030 --> 01:18:35,600

didn't do this oh no i had nothing to do

2254

01:18:39,189 --> 01:18:37,040

with this and then they asked jaden he's

2255

01:18:40,950 --> 01:18:39,199

like well this is the part that i played

2256

01:18:42,870 --> 01:18:40,960

in this you see what i'm saying because

2257

01:18:44,229 --> 01:18:42,880

he's telling the truth as i told him and

2258

01:18:46,070 --> 01:18:44,239

i've never blamed it for him you know

2259

01:18:47,510 --> 01:18:46,080

and he never got in trouble things that

2260

01:18:48,390 --> 01:18:47,520

he does that are absolutely stupid i'm

2261

01:18:50,709 --> 01:18:48,400

like you know what you're getting

2262

01:18:52,470 --> 01:18:50,719

grounded but some of the other things

2263

01:18:55,430 --> 01:18:52,480

you know he knows you know i'm not being

2264

01:18:57,350 --> 01:18:55,440

unreasonable you know and so uh

2265

01:18:59,350 --> 01:18:57,360

you know when it comes to the principle

2266

01:19:01,110 --> 01:18:59,360

you know he would then constantly just

2267

01:19:02,709 --> 01:19:01,120

call up about something because he knows

2268

01:19:04,390 --> 01:19:02,719

you know he'll ask jaden and jaden will

2269

01:19:07,430 --> 01:19:04,400

tell him you know the truth and then he

2270

01:19:09,030 --> 01:19:07,440

can always try to come up with whatever

2271

01:19:10,870 --> 01:19:09,040

whatever problem is happening and

2272

01:19:13,110 --> 01:19:10,880

sometimes the principle is like even too

2273

01:19:14,790 --> 01:19:13,120

far into their lives you know the some

2274

01:19:16,870 --> 01:19:14,800

things that happen on the weekends you

2275

01:19:18,950 --> 01:19:16,880

say i heard on the weekends that this

2276

01:19:20,790 --> 01:19:18,960

was going on i said you listened to 13

2277

01:19:24,310 --> 01:19:20,800

year old

2278

01:19:25,510 --> 01:19:24,320

like do you have nothing better to do

2279

01:19:27,189 --> 01:19:25,520

it's like well i just care for my

2280

01:19:29,270 --> 01:19:27,199

students of like leave my son

2281

01:19:30,709 --> 01:19:29,280

alone you know it's like yeah this is

2282

01:19:32,630 --> 01:19:30,719

not in your business it didn't happen

2283

01:19:35,030 --> 01:19:32,640

during school time and even then you

2284

01:19:37,350 --> 01:19:35,040

know it's like they they went outside to

2285

01:19:40,310 --> 01:19:37,360

play basketball at 10 o'clock oh my god

2286

01:19:41,830 --> 01:19:40,320

what a horrible thing you know and and

2287

01:19:43,830 --> 01:19:41,840

but the problem was that they didn't

2288

01:19:45,030 --> 01:19:43,840

tell them the friend's mom where they

2289

01:19:47,110 --> 01:19:45,040

were staying

2290

01:19:49,350 --> 01:19:47,120

you know so so she was worried there for

2291

01:19:50,870 --> 01:19:49,360

a second or whatever but he somehow he

2292

01:19:54,149 --> 01:19:50,880

found out about it

2293

01:19:55,189 --> 01:19:54,159

you know i'm gonna think of myself like

2294

01:19:57,270 --> 01:19:55,199

anyway

2295

01:19:58,950 --> 01:19:57,280

i digress so

2296

01:20:00,709 --> 01:19:58,960

can i ask you then the next question is

2297

01:20:03,030 --> 01:20:00,719

regarding uh uh

2298

01:20:04,550 --> 01:20:03,040

bradley bradley i think

2299

01:20:06,790 --> 01:20:04,560

maybe i'm getting these questions a bit

2300

01:20:08,550 --> 01:20:06,800

later but you can again expound on this

2301

01:20:10,550 --> 01:20:08,560

much you like he just said

2302

01:20:14,870 --> 01:20:10,560

um bradley is saying could you could you

2303

01:20:18,550 --> 01:20:16,229

oh

2304

01:20:20,070 --> 01:20:18,560

because i think we covered it yeah the

2305

01:20:21,990 --> 01:20:20,080

shift that we talked about i think we

2306

01:20:23,910 --> 01:20:22,000

covered it but i don't know what other

2307

01:20:25,270 --> 01:20:23,920

things we could maybe be discussing

2308

01:20:27,350 --> 01:20:25,280

because i think we both were given

2309

01:20:28,149 --> 01:20:27,360

examples

2310

01:20:29,510 --> 01:20:28,159

yeah

2311

01:20:32,229 --> 01:20:29,520

but he might not you know he might be

2312

01:20:34,149 --> 01:20:32,239

new to this and and the basics of it not

2313

01:20:36,870 --> 01:20:34,159

understanding what do you mean by the

2314

01:20:38,310 --> 01:20:36,880

shift which is just basically

2315

01:20:42,229 --> 01:20:38,320

the planet

2316

01:20:44,629 --> 01:20:42,239

many years

2317

01:20:47,110 --> 01:20:44,639

so many couple hundred thousand years

2318

01:20:49,430 --> 01:20:47,120

has an opportunity to move out of the

2319

01:20:51,990 --> 01:20:49,440

frequency it's in now up and go up the

2320

01:20:54,390 --> 01:20:52,000

ladder which is the natural

2321

01:20:56,149 --> 01:20:54,400

way that the universe operates so it

2322

01:20:57,750 --> 01:20:56,159

happens and it's not just the earth but

2323

01:20:59,910 --> 01:20:57,760

every all the planets in the solar

2324

01:21:01,750 --> 01:20:59,920

system and they usually move together in

2325

01:21:03,430 --> 01:21:01,760

unison but planet earth has been left

2326

01:21:06,149 --> 01:21:03,440

behind

2327

01:21:09,189 --> 01:21:06,159

for reasons i won't get into but the

2328

01:21:14,229 --> 01:21:09,199

so the the time came 2012

2329

01:21:16,390 --> 01:21:14,239

the famous 12 12 20 12 um date came when

2330

01:21:18,629 --> 01:21:16,400

the planet shifted into a higher

2331

01:21:19,669 --> 01:21:18,639

frequency we basically moved

2332

01:21:21,510 --> 01:21:19,679

into

2333

01:21:23,990 --> 01:21:21,520

an area where

2334

01:21:26,149 --> 01:21:24,000

it allows for the planet to

2335

01:21:27,590 --> 01:21:26,159

increase the frequency and is assisted

2336

01:21:29,030 --> 01:21:27,600

by moving into a

2337

01:21:31,590 --> 01:21:29,040

into a

2338

01:21:33,350 --> 01:21:31,600

frequency valve basically and so that we

2339

01:21:35,990 --> 01:21:33,360

are going from 3d

2340

01:21:38,470 --> 01:21:36,000

up through 4d and to 5d

2341

01:21:40,070 --> 01:21:38,480

and as we do that the planet she's

2342

01:21:42,470 --> 01:21:40,080

mother earth she's

2343

01:21:45,030 --> 01:21:42,480

more than ready to do that and is doing

2344

01:21:47,590 --> 01:21:45,040

it and has done it and the children who

2345

01:21:50,070 --> 01:21:47,600

are on her humanity

2346

01:21:51,189 --> 01:21:50,080

can go with her into 5d if their

2347

01:21:52,229 --> 01:21:51,199

frequency

2348

01:21:54,390 --> 01:21:52,239

matches

2349

01:21:57,430 --> 01:21:54,400

so it all comes down to frequency

2350

01:21:59,030 --> 01:21:57,440

if you are a 3d person

2351

01:22:00,390 --> 01:21:59,040

and you're not expanding your

2352

01:22:02,310 --> 01:22:00,400

consciousness or your awareness if

2353

01:22:03,510 --> 01:22:02,320

you're not doing your inner work

2354

01:22:05,270 --> 01:22:03,520

um and

2355

01:22:08,390 --> 01:22:05,280

as we call it waking up

2356

01:22:10,070 --> 01:22:08,400

then your 3d as she moves into 4d it's

2357

01:22:12,470 --> 01:22:10,080

going to get uncomfortable and as she

2358

01:22:15,110 --> 01:22:12,480

moves continually through 4d on up to

2359

01:22:16,470 --> 01:22:15,120

the higher 40 and before she can pass

2360

01:22:18,229 --> 01:22:16,480

into 5d

2361

01:22:19,270 --> 01:22:18,239

if you're a you know if you're a low

2362

01:22:24,470 --> 01:22:19,280

frequency

2363

01:22:26,310 --> 01:22:24,480

you won't go you have to be in harmony

2364

01:22:28,229 --> 01:22:26,320

with that frequency

2365

01:22:30,870 --> 01:22:28,239

to go with her and if you're not then

2366

01:22:33,510 --> 01:22:30,880

that's the split so those who are not so

2367

01:22:34,870 --> 01:22:33,520

the soul of each individual makes the

2368

01:22:37,910 --> 01:22:34,880

decision

2369

01:22:41,270 --> 01:22:37,920

um with their higher self am i ready to

2370

01:22:43,030 --> 01:22:41,280

go into the higher frequency it's

2371

01:22:45,030 --> 01:22:43,040

you know it's a personal decision it's a

2372

01:22:46,310 --> 01:22:45,040

pr it's everybody's different

2373

01:22:49,350 --> 01:22:46,320

um

2374

01:22:50,870 --> 01:22:49,360

and it's based on on the light that you

2375

01:22:52,629 --> 01:22:50,880

hold in your soul

2376

01:22:54,790 --> 01:22:52,639

and so those who are of a higher

2377

01:22:57,350 --> 01:22:54,800

frequency will move with the planet

2378

01:22:58,470 --> 01:22:57,360

into 5d and that's what's happening now

2379

01:23:00,390 --> 01:22:58,480

those who

2380

01:23:02,709 --> 01:23:00,400

are not going to be able to do that will

2381

01:23:04,149 --> 01:23:02,719

be leaving the planet and that's what we

2382

01:23:06,070 --> 01:23:04,159

were kind of talking about with this

2383

01:23:09,110 --> 01:23:06,080

with the split that's happened on the

2384

01:23:11,669 --> 01:23:09,120

planet and the way humanity ingeniously

2385

01:23:13,510 --> 01:23:11,679

came up with this pandemic to kind of

2386

01:23:15,830 --> 01:23:13,520

make it pretty evident who's going with

2387

01:23:17,590 --> 01:23:15,840

and who's not going with and

2388

01:23:20,149 --> 01:23:17,600

no judgment in it it's just is what it

2389

01:23:22,149 --> 01:23:20,159

is it's natural it's a natural way of

2390

01:23:24,470 --> 01:23:22,159

the universe it's how it works

2391

01:23:25,990 --> 01:23:24,480

so that's the split i think that's good

2392

01:23:27,910 --> 01:23:26,000

thank you for that

2393

01:23:30,470 --> 01:23:27,920

well i don't get this very often but we

2394

01:23:32,709 --> 01:23:30,480

have a question from the twitch viewer

2395

01:23:34,310 --> 01:23:32,719

i'm glad somebody's using twitch because

2396

01:23:36,550 --> 01:23:34,320

like i said i've been wanting to shift

2397

01:23:38,229 --> 01:23:36,560

over to that platform uh this one is

2398

01:23:40,070 --> 01:23:38,239

from

2399

01:23:41,590 --> 01:23:40,080

mommy sopika

2400

01:23:43,189 --> 01:23:41,600

i'm sorry if i'm not pronouncing the

2401

01:23:45,590 --> 01:23:43,199

name correctly but the question is

2402

01:23:47,669 --> 01:23:45,600

probably or not yeah have you have you

2403

01:23:49,510 --> 01:23:47,679

heard of the loop that was created in

2404

01:23:51,510 --> 01:23:49,520

1986

2405

01:23:55,990 --> 01:23:51,520

and

2406

01:24:00,550 --> 01:23:56,000

there was an event that happened in the

2407

01:24:03,189 --> 01:24:00,560

skies that erased people's memories

2408

01:24:05,189 --> 01:24:03,199

i i

2409

01:24:06,950 --> 01:24:05,199

yeah i've heard of that i think i heard

2410

01:24:09,270 --> 01:24:06,960

of it from a friend

2411

01:24:10,870 --> 01:24:09,280

who mentioned it to me and i didn't

2412

01:24:14,070 --> 01:24:10,880

pursue it much i listened to him talk

2413

01:24:16,629 --> 01:24:14,080

about it i found it interesting

2414

01:24:19,030 --> 01:24:16,639

but i didn't i didn't put any

2415

01:24:20,870 --> 01:24:19,040

any energy into following it so i mean

2416

01:24:25,430 --> 01:24:20,880

there's all kinds of

2417

01:24:28,870 --> 01:24:25,440

that that you know loops and timeline

2418

01:24:30,950 --> 01:24:28,880

laps and merges and

2419

01:24:31,910 --> 01:24:30,960

resets and i mean there's just a lot of

2420

01:24:33,910 --> 01:24:31,920

stuff out there a lot of different

2421

01:24:36,709 --> 01:24:33,920

stories and i i don't follow them all

2422

01:24:38,470 --> 01:24:36,719

down you know or get try to

2423

01:24:39,350 --> 01:24:38,480

get all the details on any one of them

2424

01:24:41,430 --> 01:24:39,360

so

2425

01:24:43,350 --> 01:24:41,440

i i can't help i can't answer anything

2426

01:24:44,470 --> 01:24:43,360

about that i just i just could say i

2427

01:24:47,270 --> 01:24:44,480

heard about it

2428

01:24:48,709 --> 01:24:47,280

right nothing more than that yeah

2429

01:24:51,030 --> 01:24:48,719

sorry

2430

01:24:54,709 --> 01:24:51,040

okay i'm not sure exactly what happened

2431

01:25:00,149 --> 01:24:57,110

am i still alive

2432

01:25:01,430 --> 01:25:00,159

let me see here oh do you think we

2433

01:25:02,390 --> 01:25:01,440

well

2434

01:25:05,830 --> 01:25:02,400

maybe

2435

01:25:07,990 --> 01:25:05,840

they get i think um um i have um

2436

01:25:09,990 --> 01:25:08,000

i have somebody watching if she can just

2437

01:25:15,990 --> 01:25:10,000

tell me whether or not we're live please

2438

01:25:19,110 --> 01:25:17,990

okay she said you're fine what happened

2439

01:25:21,430 --> 01:25:19,120

was my

2440

01:25:24,070 --> 01:25:21,440

screen went blank um

2441

01:25:25,990 --> 01:25:24,080

i lost all the controls all the chat and

2442

01:25:28,390 --> 01:25:26,000

everything i it was just said offline

2443

01:25:30,870 --> 01:25:28,400

i'm like what

2444

01:25:32,310 --> 01:25:30,880

nope we're live all right okay look good

2445

01:25:33,990 --> 01:25:32,320

so i guess i'm gonna have to revert back

2446

01:25:35,990 --> 01:25:34,000

to this uh the other

2447

01:25:37,350 --> 01:25:36,000

uh thanks for answering that uh sherry i

2448

01:25:40,310 --> 01:25:37,360

appreciate it

2449

01:25:42,470 --> 01:25:40,320

uh the other question is from hazel hey

2450

01:25:44,229 --> 01:25:42,480

hazel how are you uh she's uh i think

2451

01:25:46,310 --> 01:25:44,239

she she lives in spain i always

2452

01:25:48,070 --> 01:25:46,320

appreciate these people that that are

2453

01:25:49,590 --> 01:25:48,080

watching from overseas it's like super

2454

01:25:51,189 --> 01:25:49,600

late where they're at

2455

01:25:53,430 --> 01:25:51,199

um she says

2456

01:25:55,510 --> 01:25:53,440

she says does sherry think that

2457

01:25:57,110 --> 01:25:55,520

our neighbors

2458

01:25:59,030 --> 01:25:57,120

parentheses e.t

2459

01:26:00,950 --> 01:25:59,040

can pick up on our good intention and

2460

01:26:04,229 --> 01:26:00,960

would and would

2461

01:26:07,590 --> 01:26:04,239

maybe act on on that by way of making

2462

01:26:11,510 --> 01:26:07,600

contact via sleep message message or one

2463

01:26:16,070 --> 01:26:12,870

um

2464

01:26:18,950 --> 01:26:16,080

well your your cosmic family is aware of

2465

01:26:21,189 --> 01:26:18,960

you and they've been watching you

2466

01:26:23,669 --> 01:26:21,199

and they know who you are on an intimate

2467

01:26:26,070 --> 01:26:23,679

level when you're ready for contact and

2468

01:26:28,550 --> 01:26:26,080

when your frequency is such

2469

01:26:30,950 --> 01:26:28,560

you'll have contact in whatever manner

2470

01:26:32,790 --> 01:26:30,960

that is going to that they think is best

2471

01:26:34,870 --> 01:26:32,800

going to be best for you if they feel

2472

01:26:36,950 --> 01:26:34,880

it's in your interest to do that

2473

01:26:38,390 --> 01:26:36,960

they won't you know go against your free

2474

01:26:40,229 --> 01:26:38,400

will but if you're open to it and they

2475

01:26:41,189 --> 01:26:40,239

know you're open to it

2476

01:26:41,990 --> 01:26:41,199

then

2477

01:26:43,990 --> 01:26:42,000

you know

2478

01:26:45,110 --> 01:26:44,000

it's likely to happen you may or may not

2479

01:26:45,910 --> 01:26:45,120

remember it

2480

01:26:47,430 --> 01:26:45,920

and

2481

01:26:48,790 --> 01:26:47,440

it just it there's a lot of things that

2482

01:26:50,390 --> 01:26:48,800

depend on that because the world is

2483

01:26:53,430 --> 01:26:50,400

changing and shifting and

2484

01:26:55,030 --> 01:26:53,440

and a lot of our et families are

2485

01:26:56,390 --> 01:26:55,040

you know mine i know they're busy

2486

01:26:59,430 --> 01:26:56,400

helping

2487

01:27:00,470 --> 01:26:59,440

there's a lot going on

2488

01:27:01,430 --> 01:27:00,480

so

2489

01:27:03,669 --> 01:27:01,440

um

2490

01:27:05,750 --> 01:27:03,679

they may not have the incarnation i mean

2491

01:27:06,950 --> 01:27:05,760

we've they have lives depends on what's

2492

01:27:08,870 --> 01:27:06,960

going on with their lives and what

2493

01:27:10,149 --> 01:27:08,880

they're involved with so i think you

2494

01:27:11,030 --> 01:27:10,159

know i think if you put the intention

2495

01:27:12,950 --> 01:27:11,040

out there

2496

01:27:14,310 --> 01:27:12,960

and you really have worked through a lot

2497

01:27:15,510 --> 01:27:14,320

of your stuff and

2498

01:27:17,350 --> 01:27:15,520

and you're ready for that kind of

2499

01:27:19,510 --> 01:27:17,360

contact a lot of times they do

2500

01:27:21,430 --> 01:27:19,520

do it first of all like through dreams

2501

01:27:24,550 --> 01:27:21,440

or what feels like a dream

2502

01:27:27,189 --> 01:27:24,560

you know a lot of my contact initially

2503

01:27:28,709 --> 01:27:27,199

uh would seem i'd be like was that real

2504

01:27:29,669 --> 01:27:28,719

did i really do that or did that really

2505

01:27:30,870 --> 01:27:29,679

happen

2506

01:27:33,270 --> 01:27:30,880

and um

2507

01:27:34,470 --> 01:27:33,280

and you just you notice

2508

01:27:35,750 --> 01:27:34,480

little

2509

01:27:37,350 --> 01:27:35,760

signs that they

2510

01:27:39,510 --> 01:27:37,360

they give you know now i know they're

2511

01:27:41,110 --> 01:27:39,520

signs but when it first started i was

2512

01:27:42,629 --> 01:27:41,120

like you know what is that what is that

2513

01:27:43,830 --> 01:27:42,639

does that mean something

2514

01:27:45,990 --> 01:27:43,840

so

2515

01:27:47,910 --> 01:27:46,000

stay alert for them and be open to it

2516

01:27:48,950 --> 01:27:47,920

and see if they're ready if they're

2517

01:27:50,870 --> 01:27:48,960

ready they'll

2518

01:27:53,110 --> 01:27:50,880

and if they feel you're ready

2519

01:27:54,470 --> 01:27:53,120

you probably will have contact

2520

01:27:56,310 --> 01:27:54,480

on some level

2521

01:27:57,510 --> 01:27:56,320

all right well sherry what do you think

2522

01:27:59,590 --> 01:27:57,520

about

2523

01:28:01,590 --> 01:27:59,600

one more question and then i was going

2524

01:28:03,669 --> 01:28:01,600

to bring in my friend that was uh going

2525

01:28:06,470 --> 01:28:03,679

to work with me or or do the show with

2526

01:28:08,790 --> 01:28:06,480

me together and while i have him on uh

2527

01:28:10,950 --> 01:28:08,800

also then when i want to extend to you

2528

01:28:12,790 --> 01:28:10,960

when we officially launch this ufo hub

2529

01:28:15,270 --> 01:28:12,800

conspiracy hour for have you know have

2530

01:28:17,110 --> 01:28:15,280

you come on there as well uh if you if

2531

01:28:18,629 --> 01:28:17,120

you don't mind

2532

01:28:20,790 --> 01:28:18,639

yeah that would be great i'd be i'd be

2533

01:28:22,870 --> 01:28:20,800

happy to do that but uh i'm but yeah i'm

2534

01:28:25,110 --> 01:28:22,880

i'm about ready to to sign off here

2535

01:28:25,990 --> 01:28:25,120

anyway so i'll take one more question

2536

01:28:28,470 --> 01:28:26,000

and

2537

01:28:30,310 --> 01:28:28,480

when you've got the

2538

01:28:31,830 --> 01:28:30,320

the other advantage yeah it'll be it'll

2539

01:28:33,669 --> 01:28:31,840

be a while we have a few things in line

2540

01:28:36,629 --> 01:28:33,679

but then definitely have you come on and

2541

01:28:39,030 --> 01:28:36,639

hopefully then with no no limitations of

2542

01:28:40,950 --> 01:28:39,040

any sorts just let me loose

2543

01:28:43,189 --> 01:28:40,960

um so the

2544

01:28:43,990 --> 01:28:43,199

the the last question is from uh sonia

2545

01:28:46,470 --> 01:28:44,000

then

2546

01:28:48,709 --> 01:28:46,480

uh saying sherry is planet earth

2547

01:28:49,990 --> 01:28:48,719

protected from a nuclear war uh there's

2548

01:28:52,390 --> 01:28:50,000

so much talk

2549

01:28:54,790 --> 01:28:52,400

of it right now i won't

2550

01:28:59,189 --> 01:28:54,800

i won't live in fear but i was wondering

2551  
01:29:01,510 --> 01:28:59,199  
if you know how the et's feel about this

2552  
01:29:03,430 --> 01:29:01,520  
there will be no nuclear war too close

2553  
01:29:05,510 --> 01:29:03,440  
and and the creator has

2554  
01:29:08,310 --> 01:29:05,520  
you know has set the

2555  
01:29:10,310 --> 01:29:08,320  
the stage for us to ascend and there's

2556  
01:29:11,910 --> 01:29:10,320  
no way there's going to be a nuclear war

2557  
01:29:14,470 --> 01:29:11,920  
it can't happen

2558  
01:29:15,830 --> 01:29:14,480  
so don't even think about and you know

2559  
01:29:16,950 --> 01:29:15,840  
and you don't want to have any fearful

2560  
01:29:19,030 --> 01:29:16,960  
thoughts you want to keep your thoughts

2561  
01:29:20,550 --> 01:29:19,040  
as positive as you can always

2562  
01:29:22,550 --> 01:29:20,560  
keep them as

2563  
01:29:24,790 --> 01:29:22,560

as high frequency as you can because

2564

01:29:25,669 --> 01:29:24,800

it's important especially right now

2565

01:29:27,030 --> 01:29:25,679

so

2566

01:29:29,510 --> 01:29:27,040

yeah no fear there's not going to be a

2567

01:29:31,830 --> 01:29:29,520

nuclear war it's just

2568

01:29:33,189 --> 01:29:31,840

i don't know i heard somebody mention

2569

01:29:35,030 --> 01:29:33,199

that they're talking about it on

2570

01:29:36,950 --> 01:29:35,040

mainstream news i don't know if they are

2571

01:29:38,870 --> 01:29:36,960

not but i would guess they must be

2572

01:29:40,629 --> 01:29:38,880

yeah well i've heard there were because

2573

01:29:43,590 --> 01:29:40,639

it's always from the um

2574

01:29:46,229 --> 01:29:43,600

uh perspective of you know putin's side

2575

01:29:48,870 --> 01:29:46,239

that's another story to to be to be had

2576

01:29:50,709 --> 01:29:48,880

all together yeah well putin's a white

2577

01:29:53,030 --> 01:29:50,719

hat i've known that he's a white hat

2578

01:29:54,870 --> 01:29:53,040

ever since the first time i saw him i

2579

01:29:56,229 --> 01:29:54,880

looked at him and i'm like holy crap i

2580

01:29:58,709 --> 01:29:56,239

know him

2581

01:30:01,189 --> 01:29:58,719

he's not a bad guy he putin don't don't

2582

01:30:02,870 --> 01:30:01,199

be fooled he's a he's a good guy he's

2583

01:30:04,229 --> 01:30:02,880

done what he's had to do but he is

2584

01:30:07,750 --> 01:30:04,239

definitely

2585

01:30:09,350 --> 01:30:07,760

people are not going to like that

2586

01:30:12,470 --> 01:30:09,360

they're going to be like

2587

01:30:14,149 --> 01:30:12,480

but you know i'll stand by it and

2588

01:30:16,149 --> 01:30:14,159

right you know there was quite something

2589

01:30:18,629 --> 01:30:16,159

for me i mean there was so much even

2590

01:30:21,110 --> 01:30:18,639

during the the bosnian war you know at

2591

01:30:22,870 --> 01:30:21,120

least you you knew still both sides

2592

01:30:24,950 --> 01:30:22,880

right what was happening one side or no

2593

01:30:25,990 --> 01:30:24,960

another and then one can rebuttal the

2594

01:30:27,669 --> 01:30:26,000

the other

2595

01:30:30,310 --> 01:30:27,679

others claims and all this other stuff

2596

01:30:33,270 --> 01:30:30,320

but to have this in this way to where

2597

01:30:35,350 --> 01:30:33,280

um you are you have absolutely cut off

2598

01:30:37,669 --> 01:30:35,360

the entire the the other side of the

2599

01:30:39,750 --> 01:30:37,679

conversation right and never mind the

2600

01:30:41,590 --> 01:30:39,760

war you know it's like so how can you

2601  
01:30:43,430 --> 01:30:41,600  
know that you're exactly being told the

2602  
01:30:44,950 --> 01:30:43,440  
truth and it's like it's one of these

2603  
01:30:46,709 --> 01:30:44,960  
things to we're like oh yeah they were

2604  
01:30:48,870 --> 01:30:46,719  
lying to us for the past two years but

2605  
01:30:50,790 --> 01:30:48,880  
now just now to tell us the truth it's

2606  
01:30:52,870 --> 01:30:50,800  
like come on

2607  
01:30:54,790 --> 01:30:52,880  
yeah it's i mean that that war that's

2608  
01:30:56,870 --> 01:30:54,800  
going on the ukraine thing i mean it's

2609  
01:30:58,870 --> 01:30:56,880  
controversial i know but i will just

2610  
01:31:01,430 --> 01:30:58,880  
drop a little bomb and tell you there's

2611  
01:31:02,790 --> 01:31:01,440  
a one of the arcs that's been activated

2612  
01:31:04,229 --> 01:31:02,800  
whenever i told you that there were all

2613  
01:31:06,550 --> 01:31:04,239

these giant

2614

01:31:07,910 --> 01:31:06,560

huge ufos that have been buried on

2615

01:31:09,590 --> 01:31:07,920

planet earth and

2616

01:31:11,030 --> 01:31:09,600

out on the moon and

2617

01:31:12,550 --> 01:31:11,040

mars and there and they've all been

2618

01:31:13,510 --> 01:31:12,560

activated because now is the time when

2619

01:31:16,950 --> 01:31:13,520

we're

2620

01:31:18,470 --> 01:31:16,960

well one got one was

2621

01:31:21,189 --> 01:31:18,480

buried in ukraine

2622

01:31:22,310 --> 01:31:21,199

and the deep state was in control of it

2623

01:31:23,910 --> 01:31:22,320

although they couldn't use it because

2624

01:31:25,510 --> 01:31:23,920

they're low frequency beings so they

2625

01:31:27,110 --> 01:31:25,520

didn't they couldn't figure out what to

2626

01:31:28,790 --> 01:31:27,120

do with it but they we're going to try

2627

01:31:31,830 --> 01:31:28,800

to dissect it pull it apart try to

2628

01:31:33,430 --> 01:31:31,840

figure it out so um we needed the the

2629

01:31:35,510 --> 01:31:33,440

alliance needed to get in there to get

2630

01:31:38,310 --> 01:31:35,520

in control of it so that's why i ran

2631

01:31:40,310 --> 01:31:38,320

along with along with liberating the um

2632

01:31:42,629 --> 01:31:40,320

the hot spots all those bio

2633

01:31:44,870 --> 01:31:42,639

labs that are there so and to liberate

2634

01:31:46,070 --> 01:31:44,880

the ukrainian people i mean the whole i

2635

01:31:48,070 --> 01:31:46,080

don't know what the mainstream media is

2636

01:31:48,870 --> 01:31:48,080

telling you but i know it's not that

2637

01:31:50,790 --> 01:31:48,880

so

2638

01:31:52,310 --> 01:31:50,800

yeah i've just recently only heard about

2639

01:31:55,110 --> 01:31:52,320

the the labs

2640

01:31:56,709 --> 01:31:55,120

some say there's 13 of them there's 26

2641

01:31:58,709 --> 01:31:56,719

of them i have no idea apparently

2642

01:32:00,310 --> 01:31:58,719

there's a lot a bunch of them

2643

01:32:01,430 --> 01:32:00,320

right and yep they were at the chu they

2644

01:32:03,110 --> 01:32:01,440

had the children it's one of the biggest

2645

01:32:05,669 --> 01:32:03,120

places where they have the children

2646

01:32:07,510 --> 01:32:05,679

they're still creating the ander cone

2647

01:32:09,669 --> 01:32:07,520

stuff and i mean there's horrific things

2648

01:32:11,510 --> 01:32:09,679

going on there and putin had had enough

2649

01:32:13,350 --> 01:32:11,520

of it it's just time

2650

01:32:15,270 --> 01:32:13,360

so so that's what the truth of it is and

2651  
01:32:16,470 --> 01:32:15,280  
you got to dig define that stuff but

2652  
01:32:19,030 --> 01:32:16,480  
right but anyway

2653  
01:32:21,030 --> 01:32:19,040  
so i'll move on and um

2654  
01:32:22,950 --> 01:32:21,040  
and it was nice visiting with you nice

2655  
01:32:24,950 --> 01:32:22,960  
yeah no definitely i mean uh sit tight

2656  
01:32:26,870 --> 01:32:24,960  
just to while i have rick on we will

2657  
01:32:28,950 --> 01:32:26,880  
only be going on for maybe another five

2658  
01:32:32,870 --> 01:32:28,960  
minutes just to make this announcement

2659  
01:32:35,830 --> 01:32:32,880  
and we'll be off the air all together

2660  
01:32:38,229 --> 01:32:35,840  
unless you really want to go now

2661  
01:32:39,350 --> 01:32:38,239  
i'm getting tired so okay um all right

2662  
01:32:42,950 --> 01:32:39,360  
all right well

2663  
01:32:46,709 --> 01:32:45,030

all right okay i think i am i'm gonna

2664

01:32:48,550 --> 01:32:46,719

like i'll catch up with you yeah i don't

2665

01:32:49,830 --> 01:32:48,560

i don't want to be the one to be blamed

2666

01:32:51,830 --> 01:32:49,840

like you know it's like what happened

2667

01:32:55,910 --> 01:32:51,840

her health went back down because edna

2668

01:32:57,270 --> 01:32:55,920

kept on air too long no no but

2669

01:32:58,390 --> 01:32:57,280

i'm running out of steam i gotta go get

2670

01:32:59,910 --> 01:32:58,400

something to bring

2671

01:33:01,590 --> 01:32:59,920

all right my friend well we'll chat

2672

01:33:04,550 --> 01:33:01,600

again thank you again for the updates

2673

01:33:06,070 --> 01:33:04,560

and all of that and and we'll talk

2674

01:33:08,229 --> 01:33:06,080

okay thank you adam

2675

01:33:10,070 --> 01:33:08,239

all right oh hey uh oh also okay yeah

2676

01:33:12,310 --> 01:33:10,080

nev you you hang up then

2677

01:33:13,830 --> 01:33:12,320

see you later so anyway so for those of

2678

01:33:15,750 --> 01:33:13,840

you watching um

2679

01:33:17,750 --> 01:33:15,760

i was just gonna finish up so i have

2680

01:33:20,149 --> 01:33:17,760

sherry's website and

2681

01:33:21,030 --> 01:33:20,159

uh in the description below if you would

2682

01:33:23,189 --> 01:33:21,040

like to

2683

01:33:24,629 --> 01:33:23,199

support sherry in any way to get a book

2684

01:33:26,550 --> 01:33:24,639

or anything you can find all that on the

2685

01:33:29,430 --> 01:33:26,560

website i think she's just recently

2686

01:33:31,990 --> 01:33:29,440

added a donate button and especially for

2687

01:33:33,110 --> 01:33:32,000

those that um

2688

01:33:35,830 --> 01:33:33,120

that you've been

2689

01:33:38,709 --> 01:33:35,840

you know supporting uh and and and

2690

01:33:41,590 --> 01:33:38,719

basically following if um you know you

2691

01:33:44,470 --> 01:33:41,600

feel so inclined um help these different

2692

01:33:47,350 --> 01:33:44,480

people out you know that are contactees

2693

01:33:49,990 --> 01:33:47,360

that are abductees you know and and are

2694

01:33:51,750 --> 01:33:50,000

generally spreading the message

2695

01:33:53,830 --> 01:33:51,760

not it doesn't always just it doesn't

2696

01:33:55,510 --> 01:33:53,840

just has to be sherry well but anyone

2697

01:33:57,510 --> 01:33:55,520

that you've been following online that

2698

01:33:59,669 --> 01:33:57,520

has some information for you that do you

2699

01:34:03,510 --> 01:33:59,679

find pertinent i hope you consider

2700

01:34:05,669 --> 01:34:03,520

supporting them uh so rick let me uh you

2701  
01:34:07,669 --> 01:34:05,679  
are unmuted on my end if you can mute

2702  
01:34:08,550 --> 01:34:07,679  
yourself on yours

2703  
01:34:10,629 --> 01:34:08,560  
um

2704  
01:34:12,870 --> 01:34:10,639  
i'm here can you hear me yup i can hear

2705  
01:34:15,350 --> 01:34:12,880  
you let me let me turn you

2706  
01:34:18,310 --> 01:34:15,360  
down now because i had a volume up for

2707  
01:34:21,110 --> 01:34:18,320  
her

2708  
01:34:23,830 --> 01:34:21,120  
and yeah no i can i can you just fine uh

2709  
01:34:25,669 --> 01:34:23,840  
say something else please

2710  
01:34:26,629 --> 01:34:25,679  
yes it's good to be with you all right

2711  
01:34:28,709 --> 01:34:26,639  
good deal

2712  
01:34:30,790 --> 01:34:28,719  
well rick

2713  
01:34:34,709 --> 01:34:30,800

introduce yourself if you don't mind

2714

01:34:40,629 --> 01:34:38,229

my name yes my name is rick um i am also

2715

01:34:43,430 --> 01:34:40,639

from st louis missouri currently staying

2716

01:34:45,109 --> 01:34:43,440

in puerto vallarta mexico which is

2717

01:34:46,950 --> 01:34:45,119

very beautiful right now it's beautiful

2718

01:34:48,550 --> 01:34:46,960

every day i think we've only had rain

2719

01:34:49,750 --> 01:34:48,560

twice in the last four and a half months

2720

01:34:51,750 --> 01:34:49,760

that i've been here

2721

01:34:54,229 --> 01:34:51,760

um i've been living abroad pretty much

2722

01:34:56,629 --> 01:34:54,239

between south america and now mexico for

2723

01:34:59,030 --> 01:34:56,639

on and off for the past five years uh

2724

01:35:02,229 --> 01:34:59,040

i'm currently an english teacher for

2725

01:35:06,229 --> 01:35:02,239

people all over the world china russia

2726

01:35:08,310 --> 01:35:06,239

uh colombia um saudi arabia turkey many

2727

01:35:10,229 --> 01:35:08,320

different countries it's great and i am

2728

01:35:13,430 --> 01:35:10,239

also very good friends with aznan who

2729

01:35:14,470 --> 01:35:13,440

i've known since what 2009 2000 slow

2730

01:35:16,870 --> 01:35:14,480

seven

2731

01:35:19,590 --> 01:35:16,880

yeah it was it was uh we met during the

2732

01:35:21,750 --> 01:35:19,600

uh the the obama years as i called them

2733

01:35:23,910 --> 01:35:21,760

because i remembered uh we've been

2734

01:35:26,070 --> 01:35:23,920

running into each other because of uh

2735

01:35:28,629 --> 01:35:26,080

acquaintances we knew but then i

2736

01:35:30,790 --> 01:35:28,639

remember we were san luis it was just a

2737

01:35:33,270 --> 01:35:30,800

new club or something that opened and

2738

01:35:35,910 --> 01:35:33,280

i'm just standing there by by the pole

2739

01:35:38,470 --> 01:35:35,920

and they're playing this song and uh and

2740

01:35:40,310 --> 01:35:38,480

playing a song with his um

2741

01:35:43,030 --> 01:35:40,320

speech in it right it's like some kind

2742

01:35:44,709 --> 01:35:43,040

of dedication to him and uh

2743

01:35:46,149 --> 01:35:44,719

i don't know if it was me leaning into

2744

01:35:48,550 --> 01:35:46,159

you or the other way around but you're

2745

01:35:49,590 --> 01:35:48,560

like i voted for ron paul i was like me

2746

01:35:51,669 --> 01:35:49,600

too

2747

01:35:54,709 --> 01:35:51,679

you know and um that was kind of like

2748

01:35:56,470 --> 01:35:54,719

the beginning of our friendship

2749

01:35:57,910 --> 01:35:56,480

yeah yeah it was really funny well it's

2750

01:36:00,390 --> 01:35:57,920

because you know i was so involved in

2751

01:36:02,229 --> 01:36:00,400

the ron paul campaign that i figured i

2752

01:36:03,669 --> 01:36:02,239

knew like every ron paul supporter so

2753

01:36:06,870 --> 01:36:03,679

like when you told me that i was like

2754

01:36:08,149 --> 01:36:06,880

this is why this guy's so cool

2755

01:36:09,590 --> 01:36:08,159

right

2756

01:36:11,189 --> 01:36:09,600

well you know because one of those

2757

01:36:15,030 --> 01:36:11,199

things i think we're discussing it we're

2758

01:36:18,149 --> 01:36:15,040

like um he just got a nobel peace prize

2759

01:36:21,109 --> 01:36:18,159

for nothing you know like yeah like what

2760

01:36:22,709 --> 01:36:21,119

what what do you do get elected you know

2761

01:36:24,790 --> 01:36:22,719

and then and then he followed by

2762

01:36:28,070 --> 01:36:24,800

dropping ton of bombs you know it's like

2763

01:36:31,109 --> 01:36:29,510

yeah it's something that doesn't get

2764

01:36:32,950 --> 01:36:31,119

paid attention to very much within the

2765

01:36:35,750 --> 01:36:32,960

country right

2766

01:36:37,830 --> 01:36:35,760

well yeah no so um uh rick the reason

2767

01:36:39,030 --> 01:36:37,840

why i had juwon and everyone else

2768

01:36:41,270 --> 01:36:39,040

watching so

2769

01:36:43,750 --> 01:36:41,280

um we will be kind of doing this during

2770

01:36:46,149 --> 01:36:43,760

this uh ufo hub conspiracy hour and

2771

01:36:48,390 --> 01:36:46,159

right now we're working on um just

2772

01:36:50,790 --> 01:36:48,400

reviewing footage and trying to find

2773

01:36:51,990 --> 01:36:50,800

some sort of good juicy stuff for all of

2774

01:36:53,590 --> 01:36:52,000

you that

2775

01:36:55,109 --> 01:36:53,600

might have seen this might not have seen

2776

01:36:57,910 --> 01:36:55,119

it don't know anything about it i don't

2777

01:36:59,830 --> 01:36:57,920

know where you stand the bottom line is

2778

01:37:02,229 --> 01:36:59,840

obviously we're not experts but the

2779

01:37:04,950 --> 01:37:02,239

point is we're normal human beings like

2780

01:37:07,350 --> 01:37:04,960

all of you watching and when we saw

2781

01:37:09,669 --> 01:37:07,360

these certain events occur

2782

01:37:11,350 --> 01:37:09,679

in the way they did it just made it go

2783

01:37:12,310 --> 01:37:11,360

um you know

2784

01:37:13,990 --> 01:37:12,320

and

2785

01:37:15,350 --> 01:37:14,000

it was just blew our minds like what in

2786

01:37:17,189 --> 01:37:15,360

the world is happening here something

2787

01:37:18,870 --> 01:37:17,199

isn't right but the problem was that no

2788

01:37:22,390 --> 01:37:18,880

one else was asking themselves these

2789

01:37:23,590 --> 01:37:22,400

questions and so i remember i kind of

2790

01:37:25,669 --> 01:37:23,600

had my

2791

01:37:27,189 --> 01:37:25,679

moment and i started researching it and

2792

01:37:29,510 --> 01:37:27,199

later on a rake i found out you were

2793

01:37:31,910 --> 01:37:29,520

doing the same thing because you were

2794

01:37:33,590 --> 01:37:31,920

seeing very similar things as i was so

2795

01:37:36,310 --> 01:37:33,600

that was kind of like the connection

2796

01:37:39,910 --> 01:37:38,310

yeah and i think thereafter you know we

2797

01:37:41,430 --> 01:37:39,920

started hanging out you know one-on-one

2798

01:37:42,709 --> 01:37:41,440

a lot i think we spent a lot of time

2799

01:37:44,070 --> 01:37:42,719

just going out and having dinner

2800

01:37:46,470 --> 01:37:44,080

somewhere and then we'd go back to your

2801

01:37:48,790 --> 01:37:46,480

place and watch a documentary on

2802

01:37:50,550 --> 01:37:48,800

something you know and anything usually

2803

01:37:52,709 --> 01:37:50,560

right this conspiracy documentary well

2804

01:37:54,950 --> 01:37:52,719

because at that time like it was no

2805

01:37:56,790 --> 01:37:54,960

nobody would want to talk about any of

2806

01:37:58,550 --> 01:37:56,800

these other points right because

2807

01:38:00,390 --> 01:37:58,560

like i always said you'll always have

2808

01:38:02,550 --> 01:38:00,400

your mainstream media it's not going

2809

01:38:05,030 --> 01:38:02,560

away and you always have the official

2810

01:38:07,990 --> 01:38:05,040

story that's always going to be there to

2811

01:38:09,830 --> 01:38:08,000

be recorded for the books but why not

2812

01:38:12,550 --> 01:38:09,840

looking outside of that

2813

01:38:14,470 --> 01:38:12,560

and and and like the deliberate fight to

2814

01:38:16,550 --> 01:38:14,480

look outside of that that's what was so

2815

01:38:18,629 --> 01:38:16,560

weird to me because i thought you want

2816

01:38:20,870 --> 01:38:18,639

to look at everything that's there to

2817

01:38:22,229 --> 01:38:20,880

look at instead of just yeah pick the

2818

01:38:24,470 --> 01:38:22,239

side that's all i need to know and

2819

01:38:26,950 --> 01:38:24,480

that's it

2820

01:38:28,629 --> 01:38:26,960

yeah that's right

2821

01:38:29,510 --> 01:38:28,639

so rick

2822

01:38:31,189 --> 01:38:29,520

so

2823

01:38:33,109 --> 01:38:31,199

do you do you think that the discovery

2824

01:38:34,390 --> 01:38:33,119

we made the other day about the

2825

01:38:37,430 --> 01:38:34,400

comparison

2826

01:38:41,910 --> 01:38:37,440

with this due to uh two um identical

2827

01:38:45,590 --> 01:38:44,229

i think it's interesting you know um i

2828

01:38:47,990 --> 01:38:45,600

guess i'll talk about it for those who

2829

01:38:49,910 --> 01:38:48,000

are listening so uh anna and i were

2830

01:38:51,830 --> 01:38:49,920

looking at footage the other day and

2831

01:38:54,310 --> 01:38:51,840

i've not sent me a clip i mean i haven't

2832

01:38:55,350 --> 01:38:54,320

looked at 9 11 in a i mean a long time

2833

01:38:56,870 --> 01:38:55,360

you know after a while i was just kind

2834

01:38:59,510 --> 01:38:56,880

of like well i guess nobody cares and

2835

01:39:00,950 --> 01:38:59,520

whatever right so i pretty much thought

2836

01:39:03,030 --> 01:39:00,960

that i had already looked at every

2837

01:39:04,870 --> 01:39:03,040

single thing that there was about 9 11.

2838

01:39:07,430 --> 01:39:04,880

of course i heard some other like

2839

01:39:09,109 --> 01:39:07,440

theories come out as i stopped and after

2840

01:39:09,990 --> 01:39:09,119

a while i was just kind of like well you

2841

01:39:11,830 --> 01:39:10,000

know

2842

01:39:13,350 --> 01:39:11,840

like for example people are i heard

2843

01:39:15,669 --> 01:39:13,360

people saying that there there were no

2844

01:39:18,070 --> 01:39:15,679

airplanes and i was just like okay well

2845

01:39:19,510 --> 01:39:18,080

you know i'm not looking into that uh

2846

01:39:21,430 --> 01:39:19,520

you know i i don't know if i'm even

2847

01:39:24,470 --> 01:39:21,440

willing to go that far and you know just

2848

01:39:26,390 --> 01:39:24,480

whatever but uh anan was sent me some

2849

01:39:28,950 --> 01:39:26,400

footage uh that was apparently just

2850

01:39:30,390 --> 01:39:28,960

released not too long ago and i didn't

2851

01:39:32,390 --> 01:39:30,400

really know what i was looking at at

2852

01:39:33,830 --> 01:39:32,400

first because all i saw was like a plane

2853

01:39:36,229 --> 01:39:33,840

hitting the building with some people on

2854

01:39:38,070 --> 01:39:36,239

a boat and i was like i don't understand

2855

01:39:38,950 --> 01:39:38,080

what this is so we finally talked about

2856

01:39:41,109 --> 01:39:38,960

it

2857

01:39:43,910 --> 01:39:41,119

and uh so i've not started bringing up

2858

01:39:45,430 --> 01:39:43,920

the the whole like airplanes were edited

2859

01:39:46,950 --> 01:39:45,440

into the videos

2860

01:39:48,310 --> 01:39:46,960

and so i was like all right you know

2861

01:39:50,790 --> 01:39:48,320

let's let's let's see what this is about

2862

01:39:53,189 --> 01:39:50,800

we're here having the conversation so

2863

01:39:54,790 --> 01:39:53,199

um anon said you know at one point he

2864

01:39:56,390 --> 01:39:54,800

said well you know there

2865

01:39:58,229 --> 01:39:56,400

we only have there's there's only

2866

01:39:59,910 --> 01:39:58,239

footage of the second tower being hit

2867

01:40:01,830 --> 01:39:59,920

there's no footage of the first tower

2868

01:40:03,590 --> 01:40:01,840

being hit i said well no actually there

2869

01:40:05,830 --> 01:40:03,600

is and he's like well could you show

2870

01:40:09,189 --> 01:40:05,840

that to me i was like absolutely so i

2871

01:40:12,390 --> 01:40:09,199

remember there was uh a supposedly there

2872

01:40:16,070 --> 01:40:12,400

was a documentary being filmed on

2873

01:40:18,390 --> 01:40:16,080

firemen in uh in new york city and this

2874

01:40:19,830 --> 01:40:18,400

and so they were filming some scene

2875

01:40:23,350 --> 01:40:19,840

where some guys were getting ready in

2876

01:40:25,830 --> 01:40:23,360

the street and um there is uh all of a

2877

01:40:27,990 --> 01:40:25,840

sudden they hear a plane you know really

2878

01:40:30,229 --> 01:40:28,000

really low they said and

2879

01:40:32,229 --> 01:40:30,239

the guy especially a little strange the

2880

01:40:34,870 --> 01:40:32,239

guy holding the camera happens to just

2881

01:40:36,229 --> 01:40:34,880

point upwards at the twin towers and

2882

01:40:37,350 --> 01:40:36,239

there's all these like buildings

2883

01:40:38,790 --> 01:40:37,360

actually in the way so you wouldn't even

2884

01:40:41,270 --> 01:40:38,800

like really see where the plane was

2885

01:40:42,950 --> 01:40:41,280

going necessarily but they show the

2886

01:40:45,189 --> 01:40:42,960

plane hit the the building and that's

2887

01:40:46,790 --> 01:40:45,199

the only footage that exists of the

2888

01:40:48,390 --> 01:40:46,800

first plane hitting the tower as far as

2889

01:40:50,229 --> 01:40:48,400

i know i've never seen anything else

2890

01:40:53,270 --> 01:40:50,239

because i'd originally believed we only

2891

01:40:54,870 --> 01:40:53,280

ever have the second tower

2892

01:40:56,229 --> 01:40:54,880

yeah i think this one got you know

2893

01:40:58,229 --> 01:40:56,239

really got left behind because it's

2894

01:41:00,070 --> 01:40:58,239

really i mean it's low quality footage

2895

01:41:01,590 --> 01:41:00,080

because it was shot a long time ago and

2896

01:41:03,430 --> 01:41:01,600

you know it's just not you know it's not

2897

01:41:05,669 --> 01:41:03,440

very and even the plane itself it's like

2898

01:41:08,629 --> 01:41:05,679

really kind of hard to see it

2899

01:41:10,950 --> 01:41:08,639

um so just if you can just allude to the

2900

01:41:12,870 --> 01:41:10,960

two points we found without revealing

2901  
01:41:14,629 --> 01:41:12,880  
what it is because i really would like

2902  
01:41:16,709 --> 01:41:14,639  
everyone else tuning in when we have it

2903  
01:41:19,750 --> 01:41:16,719  
out

2904  
01:41:21,750 --> 01:41:19,760  
okay sure okay so anyway um i noticed

2905  
01:41:23,910 --> 01:41:21,760  
that there are two of the there are two

2906  
01:41:26,310 --> 01:41:23,920  
versions of this video um and when i

2907  
01:41:27,830 --> 01:41:26,320  
typed it in on youtube one is like the i

2908  
01:41:29,590 --> 01:41:27,840  
guess the original version and another

2909  
01:41:31,910 --> 01:41:29,600  
one's like an upscaled version where

2910  
01:41:33,910 --> 01:41:31,920  
they tried to up the quality of it and

2911  
01:41:34,950 --> 01:41:33,920  
so i'm showing anonymous and i'm not

2912  
01:41:36,870 --> 01:41:34,960  
saying okay

2913  
01:41:39,350 --> 01:41:36,880

i want you to open these up

2914

01:41:41,990 --> 01:41:39,360

both in two different tabs and i want

2915

01:41:43,430 --> 01:41:42,000

you to listen to the sound in both of

2916

01:41:46,390 --> 01:41:43,440

them and tell me if you hear anything

2917

01:41:48,550 --> 01:41:46,400

that's different and i was like okay um

2918

01:41:50,790 --> 01:41:48,560

so i play the first one

2919

01:41:53,109 --> 01:41:50,800

and you know there's you hear a plane

2920

01:41:55,669 --> 01:41:53,119

pass by really you know quickly quick

2921

01:41:57,830 --> 01:41:55,679

sound it hits the tower and you know it

2922

01:41:59,990 --> 01:41:57,840

takes about i don't know maybe a second

2923

01:42:02,070 --> 01:42:00,000

and a half or two seconds free to hear

2924

01:42:04,149 --> 01:42:02,080

to actually hear the explosion after

2925

01:42:07,590 --> 01:42:04,159

explosion happens so then i play the

2926

01:42:10,070 --> 01:42:07,600

upscale version and it's a completely

2927

01:42:12,310 --> 01:42:10,080

different sound i mean everything not

2928

01:42:14,390 --> 01:42:12,320

just the airplane but even the the

2929

01:42:16,629 --> 01:42:14,400

explosion itself and there's like no

2930

01:42:18,790 --> 01:42:16,639

delay in fact even the explosion itself

2931

01:42:21,270 --> 01:42:18,800

it's like you hear the explosion right

2932

01:42:24,310 --> 01:42:21,280

before the plane even hits it and that

2933

01:42:26,390 --> 01:42:24,320

blew my mind i was like wow why are

2934

01:42:29,430 --> 01:42:26,400

these these two videos are exactly the

2935

01:42:31,189 --> 01:42:29,440

same video just one is upscale but they

2936

01:42:32,870 --> 01:42:31,199

have a different sound effect and and

2937

01:42:35,590 --> 01:42:32,880

also i noticed because i'm wearing

2938

01:42:37,030 --> 01:42:35,600

headphones the airplane is is in stereo

2939

01:42:38,950 --> 01:42:37,040

meaning it's moving from the right

2940

01:42:41,109 --> 01:42:38,960

channel into the left channel

2941

01:42:42,390 --> 01:42:41,119

and i just thought that opened up some

2942

01:42:44,310 --> 01:42:42,400

questions

2943

01:42:46,070 --> 01:42:44,320

well the thing is too regarding all of

2944

01:42:49,109 --> 01:42:46,080

this is that

2945

01:42:51,750 --> 01:42:49,119

this is stuff that we are finding out

2946

01:42:54,390 --> 01:42:51,760

you know uh not not i mean some things

2947

01:42:56,229 --> 01:42:54,400

just recently but the point is if we're

2948

01:42:57,910 --> 01:42:56,239

asking ourselves these questions why

2949

01:42:59,990 --> 01:42:57,920

isn't everyone else

2950

01:43:02,070 --> 01:43:00,000

and not only that when you start looking

2951

01:43:03,669 --> 01:43:02,080

into these things

2952

01:43:05,830 --> 01:43:03,679

that that famous

2953

01:43:08,229 --> 01:43:05,840

rabbit hole as everyone always says just

2954

01:43:10,310 --> 01:43:08,239

opens up and you'll be going down the

2955

01:43:13,109 --> 01:43:10,320

rabbit hole that i don't know how deep

2956

01:43:15,030 --> 01:43:13,119

it goes but you'll be like 20 taps into

2957

01:43:17,430 --> 01:43:15,040

it and looking and all this other

2958

01:43:19,910 --> 01:43:17,440

information that you thought was solid

2959

01:43:22,229 --> 01:43:19,920

and just fine the way you you know you

2960

01:43:24,310 --> 01:43:22,239

were told and all of a sudden you start

2961

01:43:26,229 --> 01:43:24,320

questioning all of it you know and in a

2962

01:43:28,390 --> 01:43:26,239

way i think this should be the way that

2963

01:43:29,750 --> 01:43:28,400

we look at all of this stuff you know

2964

01:43:31,830 --> 01:43:29,760

it's like and again

2965

01:43:34,870 --> 01:43:31,840

we're not experts we're just like you

2966

01:43:36,390 --> 01:43:34,880

you know uh you all of you watching and

2967

01:43:39,030 --> 01:43:36,400

all of this is that

2968

01:43:41,030 --> 01:43:39,040

how come we saw this and went wow this

2969

01:43:43,189 --> 01:43:41,040

changed my life and others saw it and

2970

01:43:46,629 --> 01:43:43,199

like ah let's go to soccer or something

2971

01:43:50,709 --> 01:43:48,550

that's right yeah i mean

2972

01:43:52,790 --> 01:43:50,719

sometimes i say like you know i know

2973

01:43:54,790 --> 01:43:52,800

more about what didn't happen on 9 11

2974

01:43:55,750 --> 01:43:54,800

than what actually did happen on 9 11

2975

01:44:00,390 --> 01:43:55,760

right

2976

01:44:02,709 --> 01:44:00,400

also and we're working on it now we only

2977

01:44:04,229 --> 01:44:02,719

made i think a quarter through

2978

01:44:06,390 --> 01:44:04,239

things because we want to you know

2979

01:44:08,550 --> 01:44:06,400

because i want to you know it will be a

2980

01:44:10,629 --> 01:44:08,560

chit chatting and talking and going back

2981

01:44:11,669 --> 01:44:10,639

and forth but i want this to be

2982

01:44:24,470 --> 01:44:11,679

a

2983

01:44:27,350 --> 01:44:24,480

you went out to look for it might not

2984

01:44:28,629 --> 01:44:27,360

have been broadcasted uh publicly

2985

01:44:30,709 --> 01:44:28,639

you know and you might not have even

2986

01:44:32,709 --> 01:44:30,719

known about this or seen it until maybe

2987

01:44:36,229 --> 01:44:32,719

a few years later or not at all so

2988

01:44:38,229 --> 01:44:36,239

anyway so that's what will will be um uh

2989

01:44:40,629 --> 01:44:38,239

basically that would be the first

2990

01:44:43,430 --> 01:44:40,639

first show doing on on twitter and then

2991

01:44:46,229 --> 01:44:43,440

later on published on on rumble and then

2992

01:44:47,430 --> 01:44:46,239

after um you know after that we'll we'll

2993

01:44:49,109 --> 01:44:47,440

work on

2994

01:44:50,950 --> 01:44:49,119

maybe part two of that because there's a

2995

01:44:54,310 --> 01:44:50,960

lot to cover and then we'll just keep on

2996

01:44:58,550 --> 01:44:54,320

covering things that generally um

2997

01:45:02,310 --> 01:45:00,390

cool all right well

2998

01:45:04,470 --> 01:45:02,320

yeah this is it for me here so unless

2999

01:45:06,229 --> 01:45:04,480

you want to finish up with something um

3000

01:45:07,750 --> 01:45:06,239

you know i was just gonna say goodbye to

3001

01:45:11,189 --> 01:45:07,760

everyone and uh

3002

01:45:13,030 --> 01:45:11,199

um finish off for today

3003

01:45:17,189 --> 01:45:13,040

no i think that covers it just got some

3004

01:45:18,149 --> 01:45:17,199

work to do so that's all all right well

3005

01:45:19,510 --> 01:45:18,159

um

3006

01:45:21,750 --> 01:45:19,520

so

3007

01:45:24,470 --> 01:45:21,760

thank you all very much for tuning in i

3008

01:45:26,629 --> 01:45:24,480

appreciate it and um so

3009

01:45:28,870 --> 01:45:26,639

uh look uh look

3010

01:45:30,870 --> 01:45:28,880

towards uh friday there's going to be

3011

01:45:33,270 --> 01:45:30,880

i'm going to have david marlow on and

3012

01:45:35,669 --> 01:45:33,280

he'll be talking about triangular ufos

3013

01:45:37,510 --> 01:45:35,679

so um i hope you tune in

3014

01:45:39,990 --> 01:45:37,520
