

UFO HUB

LIVE STREAM

1
00:00:10,559 --> 00:00:36,420
do

2
00:00:36,430 --> 00:01:11,910
[Music]

3
00:01:16,310 --> 00:01:14,230
hey everyone welcome to the ufo hub live

4
00:01:18,310 --> 00:01:16,320
stream uh today's guest is going to be

5
00:01:20,550 --> 00:01:18,320
david marlar and we'll be talking about

6
00:01:23,030 --> 00:01:20,560
triangular ufos i'm sorry i don't

7
00:01:24,550 --> 00:01:23,040
remember exactly the full title but you

8
00:01:27,830 --> 00:01:24,560
guys will figure it out throughout i'm

9
00:01:30,469 --> 00:01:27,840
sure um so what i wanted to make a quick

10
00:01:32,149 --> 00:01:30,479
announcement before we get to to david

11
00:01:34,550 --> 00:01:32,159
and get started

12
00:01:38,069 --> 00:01:34,560
i did officially pick a winner last

13
00:01:40,230 --> 00:01:38,079

wednesday i announced that

14

00:01:42,389 --> 00:01:40,240

let me see at time is a human construct

15

00:01:44,870 --> 00:01:42,399

that is the name of the channel that uh

16

00:01:46,710 --> 00:01:44,880

left the hashtag and the random

17

00:01:49,350 --> 00:01:46,720

algorithm picked them to win the two

18

00:01:51,910 --> 00:01:49,360

tickets uh for the conference so i'm

19

00:01:55,429 --> 00:01:51,920

hoping uh that they'll still get back to

20

00:01:57,910 --> 00:01:55,439

me i left them a comment um i also was

21

00:01:59,350 --> 00:01:57,920

let me let me switch this over so if the

22

00:02:00,389 --> 00:01:59,360

case they're watching you see what i'm

23

00:02:03,270 --> 00:02:00,399

referring to

24

00:02:05,030 --> 00:02:03,280

um under their about page there's no

25

00:02:07,670 --> 00:02:05,040

email and in order for me to know

26

00:02:09,430 --> 00:02:07,680

exactly that that's the right person

27

00:02:11,110 --> 00:02:09,440

i would appreciate them leaving an email

28

00:02:13,190 --> 00:02:11,120

that i can write them to and give them

29

00:02:15,910 --> 00:02:13,200

further directions of how to claim their

30

00:02:17,270 --> 00:02:15,920

tickets so initially i said three days

31

00:02:19,670 --> 00:02:17,280

but i figured i'll give it over the

32

00:02:21,910 --> 00:02:19,680

weekend hoping that they would get back

33

00:02:23,350 --> 00:02:21,920

to me or update their page otherwise

34

00:02:27,030 --> 00:02:23,360

unfortunately i'm going to have to move

35

00:02:30,790 --> 00:02:27,040

on and then pick another winner that had

36

00:02:32,949 --> 00:02:30,800

submitted to hopefully win so

37

00:02:35,270 --> 00:02:32,959

so anyway regarding that i'm sorry the

38

00:02:38,869 --> 00:02:35,280

tickets are no longer available but you

39

00:02:40,150 --> 00:02:38,879

can still go to ozark.ufoconference.com

40

00:02:42,790 --> 00:02:40,160

and register

41

00:02:45,190 --> 00:02:42,800

you can either live stream it or we hope

42

00:02:47,670 --> 00:02:45,200

you can make it in person and it would

43

00:02:49,830 --> 00:02:47,680

be in eureka springs

44

00:02:52,470 --> 00:02:49,840

i think yeah april 8th till 10th forgot

45

00:02:53,830 --> 00:02:52,480

there for a second and

46

00:02:55,430 --> 00:02:53,840

i think that's pretty much it that

47

00:02:57,430 --> 00:02:55,440

covers all the

48

00:03:00,790 --> 00:02:57,440

the homework part

49

00:03:02,390 --> 00:03:00,800

let me get back here

50

00:03:05,270 --> 00:03:02,400

but um

51
00:03:07,670 --> 00:03:05,280
this new guest or this new guest to the

52
00:03:10,390 --> 00:03:07,680
ufo hub live stream i haven't uh had

53
00:03:12,869 --> 00:03:10,400
them on this platform before i believe i

54
00:03:14,949 --> 00:03:12,879
interviewed him twice before and this

55
00:03:16,869 --> 00:03:14,959
was both times in eureka springs and i

56
00:03:19,350 --> 00:03:16,879
was always happy to to talk to him one

57
00:03:22,070 --> 00:03:19,360
time it was very much about a different

58
00:03:25,270 --> 00:03:22,080
aspect about triangular ufos second time

59
00:03:28,070 --> 00:03:25,280
was about the battle of l.a and i think

60
00:03:30,309 --> 00:03:28,080
it was an anniversary what year it is i

61
00:03:32,869 --> 00:03:30,319
do not know so you guys know i'm always

62
00:03:34,470 --> 00:03:32,879
a horrible host so don't blame me for it

63
00:03:37,270 --> 00:03:34,480

but

64

00:03:39,110 --> 00:03:37,280

let me switch this over

65

00:03:41,910 --> 00:03:39,120

so with uh

66

00:03:43,589 --> 00:03:41,920

without any further ado let me uh bring

67

00:03:45,670 --> 00:03:43,599

in uh david

68

00:03:47,270 --> 00:03:45,680

welcome david how are you doing

69

00:03:48,229 --> 00:03:47,280

i'm doing well it's great to be with you

70

00:03:50,070 --> 00:03:48,239

again

71

00:03:52,949 --> 00:03:50,080

all right well i'm i'm glad that we're

72

00:03:54,630 --> 00:03:52,959

able to uh to get this going and and

73

00:03:56,869 --> 00:03:54,640

make this happen so

74

00:03:59,670 --> 00:03:56,879

um i figured just

75

00:04:02,710 --> 00:03:59,680

again like even though i have uh videos

76

00:04:04,630 --> 00:04:02,720

about this guest you know often and uh

77

00:04:06,390 --> 00:04:04,640

some people might know them not everyone

78

00:04:07,670 --> 00:04:06,400

knows about you so i was wondering if

79

00:04:09,990 --> 00:04:07,680

you could maybe just start out a little

80

00:04:11,589 --> 00:04:10,000

bit with with your background and then

81

00:04:12,869 --> 00:04:11,599

we'll start out with the questions after

82

00:04:15,190 --> 00:04:12,879

that

83

00:04:18,550 --> 00:04:15,200

sure um well i've been actively involved

84

00:04:20,150 --> 00:04:18,560

in ufo research since 1990 uh i've had

85

00:04:22,069 --> 00:04:20,160

an interest since i was a kid in the

86

00:04:24,150 --> 00:04:22,079

subject but it wasn't until 1990 i

87

00:04:25,909 --> 00:04:24,160

became actively involved in reading

88

00:04:28,310 --> 00:04:25,919

researching learning about the subject

89

00:04:30,710 --> 00:04:28,320

and ultimately investigating the subject

90

00:04:32,070 --> 00:04:30,720

i started with mufon the mutual ufo

91

00:04:35,110 --> 00:04:32,080

network

92

00:04:37,110 --> 00:04:35,120

i lived in illinois at the time and

93

00:04:38,469 --> 00:04:37,120

worked my way up the ranks to illinois

94

00:04:40,150 --> 00:04:38,479

state director which i did for about

95

00:04:42,150 --> 00:04:40,160

seven or eight years

96

00:04:44,950 --> 00:04:42,160

conducted a lot of investigations during

97

00:04:47,990 --> 00:04:44,960

that time and uh during the course of

98

00:04:49,990 --> 00:04:48,000

those years started massing what was

99

00:04:52,230 --> 00:04:50,000

then a very small library and now it's

100

00:04:53,590 --> 00:04:52,240

developed into a huge research library

101
00:04:55,909 --> 00:04:53,600
slash center

102
00:04:57,990 --> 00:04:55,919
where i'm happy to share information

103
00:05:00,550 --> 00:04:58,000
with not only public audiences across

104
00:05:01,270 --> 00:05:00,560
the country but with fellow researchers

105
00:05:03,270 --> 00:05:01,280
and

106
00:05:05,749 --> 00:05:03,280
enthusiasts with regard to the ufo

107
00:05:12,469 --> 00:05:09,430
so david i assume is that the the

108
00:05:14,230 --> 00:05:12,479
library ums behind you is that uh it is

109
00:05:16,550 --> 00:05:14,240
yes

110
00:05:18,230 --> 00:05:16,560
in the dark shadows there behind me uh

111
00:05:21,830 --> 00:05:18,240
lurks the the file cabinets and the

112
00:05:25,270 --> 00:05:21,840
bookcases microfilm audio recordings um

113
00:05:26,070 --> 00:05:25,280

and it's just a constant uh a piece of

114

00:05:27,990 --> 00:05:26,080

work

115

00:05:29,909 --> 00:05:28,000

um as i always like to say it's not a

116

00:05:31,749 --> 00:05:29,919

static collection it's not the same

117

00:05:34,150 --> 00:05:31,759

stuff that was here last year the year

118

00:05:37,749 --> 00:05:34,160

before in fact just within the last few

119

00:05:40,230 --> 00:05:37,759

weeks i received two large boxes of

120

00:05:42,310 --> 00:05:40,240

historic audio recordings both on

121

00:05:43,430 --> 00:05:42,320

cassette and reel-to-reel large

122

00:05:45,510 --> 00:05:43,440

reel-to-reel

123

00:05:47,029 --> 00:05:45,520

uh recordings uh dating back to the

124

00:05:49,110 --> 00:05:47,039

1950s

125

00:05:50,629 --> 00:05:49,120

and i work and network with a lot of ufo

126
00:05:52,310 --> 00:05:50,639
researchers and historians that

127
00:05:55,350 --> 00:05:52,320
particular collection came from my

128
00:05:57,830 --> 00:05:55,360
friend rod dyke in seattle washington

129
00:05:59,830 --> 00:05:57,840
and during covid uh we all have stories

130
00:06:04,150 --> 00:05:59,840
about what we've been doing during covid

131
00:06:06,469 --> 00:06:04,160
uh during covet i actually digitized 221

132
00:06:08,710 --> 00:06:06,479
historic audio recordings going back as

133
00:06:10,629 --> 00:06:08,720
early as 1957

134
00:06:12,710 --> 00:06:10,639
and in addition to that

135
00:06:15,670 --> 00:06:12,720
i've been working on historical case

136
00:06:17,189 --> 00:06:15,680
files which i uh acquired in november of

137
00:06:20,629 --> 00:06:17,199
2020

138
00:06:22,150 --> 00:06:20,639

and those involve the historic nightcap

139

00:06:24,469 --> 00:06:22,160

national investigation committee on

140

00:06:27,590 --> 00:06:24,479

aerial phenomenon as well as center for

141

00:06:29,189 --> 00:06:27,600

ufo studies or kufos case files and many

142

00:06:31,029 --> 00:06:29,199

many other collections that that are

143

00:06:32,870 --> 00:06:31,039

kind of under that umbrella

144

00:06:35,749 --> 00:06:32,880

and i've been going through all of those

145

00:06:38,950 --> 00:06:35,759

case files the last calendar year

146

00:06:42,870 --> 00:06:38,960

looking specifically at triangular ufo

147

00:06:47,270 --> 00:06:42,880

reports that go back to the 1940s 1950s

148

00:06:49,670 --> 00:06:47,280

1960s and i found a whole new subset of

149

00:06:52,230 --> 00:06:49,680

a case files pertaining to triangular

150

00:06:54,629 --> 00:06:52,240

ufos that i did not have when i wrote my

151

00:06:57,430 --> 00:06:54,639

book in 2013 and so

152

00:07:00,230 --> 00:06:57,440

as i say it's new historical cases and

153

00:07:02,390 --> 00:07:00,240

validated insights because what i found

154

00:07:04,230 --> 00:07:02,400

in those case files that have by the way

155

00:07:06,309 --> 00:07:04,240

i must mention never been seen by the

156

00:07:08,629 --> 00:07:06,319

general public until the conference

157

00:07:10,710 --> 00:07:08,639

coming up in eureka springs

158

00:07:12,950 --> 00:07:10,720

i found the same characteristics that i

159

00:07:14,870 --> 00:07:12,960

outlined in my book in 2013 based on the

160

00:07:17,990 --> 00:07:14,880

historic subset of data i had at that

161

00:07:19,909 --> 00:07:18,000

time and so it truly is validating for

162

00:07:22,710 --> 00:07:19,919

what i've written about the subject and

163

00:07:25,589 --> 00:07:22,720

we're going to go into those case files

164

00:07:27,270 --> 00:07:25,599

look at the descriptions and in fact

165

00:07:28,390 --> 00:07:27,280

we'll also be hearing from some of the

166

00:07:30,790 --> 00:07:28,400

witnesses

167

00:07:33,670 --> 00:07:30,800

many of the historic case files had

168

00:07:35,990 --> 00:07:33,680

audio recordings which i digitized and

169

00:07:38,469 --> 00:07:36,000

so the audience will see the sketches

170

00:07:40,070 --> 00:07:38,479

see the written reports but also hear

171

00:07:41,990 --> 00:07:40,080

from some of the witnesses describing

172

00:07:43,749 --> 00:07:42,000

what they saw

173

00:07:45,749 --> 00:07:43,759

you know i'm definitely not on my a-game

174

00:07:47,510 --> 00:07:45,759

today out of everything i could have

175

00:07:50,950 --> 00:07:47,520

mentioned i was like david is the

176

00:07:52,230 --> 00:07:50,960

keynote speaker there by the way

177

00:07:54,390 --> 00:07:52,240

um well

178

00:07:55,909 --> 00:07:54,400

you know um you've been speaking at that

179

00:07:57,510 --> 00:07:55,919

conference for quite a while because i

180

00:08:01,510 --> 00:07:57,520

remember a few years back when we were

181

00:08:03,510 --> 00:08:01,520

trying to do a um at least i say ozark

182

00:08:06,629 --> 00:08:03,520

publishing when they're trying to do a

183

00:08:08,550 --> 00:08:06,639

kind of like a um oh what is it called

184

00:08:10,629 --> 00:08:08,560

um like a tribute to people that have

185

00:08:12,869 --> 00:08:10,639

been coming to conferences for years and

186

00:08:15,110 --> 00:08:12,879

years um there was i believe

187

00:08:17,029 --> 00:08:15,120

specifically a video of you and it was

188

00:08:19,029 --> 00:08:17,039

funny kind of like got on stage looking

189

00:08:21,189 --> 00:08:19,039

around at the lights and you know it

190

00:08:22,550 --> 00:08:21,199

seems like honestly to me maybe other

191

00:08:26,230 --> 00:08:22,560

people don't see it you still have that

192

00:08:27,189 --> 00:08:26,240

same spunk and energy that you did then

193

00:08:28,629 --> 00:08:27,199

well

194

00:08:30,469 --> 00:08:28,639

if i remember the video clip you're

195

00:08:33,350 --> 00:08:30,479

referring to that was actually from

196

00:08:35,670 --> 00:08:33,360

april of 2000 which staggers the mind

197

00:08:37,670 --> 00:08:35,680

for i'm sure you and many of the

198

00:08:40,469 --> 00:08:37,680

audience members that that are watching

199

00:08:42,949 --> 00:08:40,479

this uh thinking that that was 22 years

200

00:08:44,949 --> 00:08:42,959

ago that that we had that conference and

201
00:08:47,990 --> 00:08:44,959
that was the first public lecture i ever

202
00:08:50,389 --> 00:08:48,000
gave and that was at the request of lou

203
00:08:52,150 --> 00:08:50,399
ferris who of course uh

204
00:08:54,710 --> 00:08:52,160
conducted the conferences for many many

205
00:08:58,150 --> 00:08:54,720
years before dolores cannon took it over

206
00:08:59,750 --> 00:08:58,160
and uh it was uh i was extremely nervous

207
00:09:02,630 --> 00:08:59,760
i think i was about ready to throw up to

208
00:09:03,990 --> 00:09:02,640
be quite honest with you but in 22 years

209
00:09:06,230 --> 00:09:04,000
i'd like to think that i've gotten more

210
00:09:09,030 --> 00:09:06,240
comfortable and and been able to hone my

211
00:09:11,030 --> 00:09:09,040
my public speaking skills to some degree

212
00:09:13,670 --> 00:09:11,040
but also more importantly have really

213
00:09:15,750 --> 00:09:13,680

started to develop a rich history of the

214

00:09:17,269 --> 00:09:15,760

phenomenon and being able to share that

215

00:09:19,350 --> 00:09:17,279

and that's something i'd like to mention

216

00:09:20,870 --> 00:09:19,360

before i forget

217

00:09:24,070 --> 00:09:20,880

i always say

218

00:09:25,670 --> 00:09:24,080

at public lectures and i'll say it here

219

00:09:28,790 --> 00:09:25,680

i can collect all this historic

220

00:09:30,389 --> 00:09:28,800

information i can put it together into a

221

00:09:31,990 --> 00:09:30,399

presentable form

222

00:09:34,870 --> 00:09:32,000

but if it isn't for

223

00:09:37,670 --> 00:09:34,880

the uh ozark mountain ufo conference in

224

00:09:39,590 --> 00:09:37,680

eureka springs and other venues

225

00:09:41,110 --> 00:09:39,600

what's the point we need to have a

226

00:09:43,269 --> 00:09:41,120

vehicle by which we can share this

227

00:09:45,829 --> 00:09:43,279

information and i just want to thank you

228

00:09:47,990 --> 00:09:45,839

and the the conference organizers for

229

00:09:49,590 --> 00:09:48,000

giving us that platform

230

00:09:51,670 --> 00:09:49,600

to share the information with people

231

00:09:53,509 --> 00:09:51,680

that that are interested just as much if

232

00:09:54,870 --> 00:09:53,519

not more than myself in the subject

233

00:09:57,030 --> 00:09:54,880

matter

234

00:09:59,430 --> 00:09:57,040

well you know one great thing especially

235

00:10:01,670 --> 00:09:59,440

for those that are still very much into

236

00:10:03,350 --> 00:10:01,680

uh nuts and bolts and i don't mean that

237

00:10:05,590 --> 00:10:03,360

in negative ways just yes you know in

238

00:10:08,710 --> 00:10:05,600

this field there's people that are into

239

00:10:10,389 --> 00:10:08,720

every aspect of ufology and so uh

240

00:10:12,389 --> 00:10:10,399

especially when you did the presentation

241

00:10:14,230 --> 00:10:12,399

about uh battling la there's some things

242

00:10:15,990 --> 00:10:14,240

that i didn't even know about so i'm

243

00:10:17,269 --> 00:10:16,000

really glad well because i went

244

00:10:19,269 --> 00:10:17,279

downstairs i was going to take some

245

00:10:20,949 --> 00:10:19,279

pictures and then you had like newspaper

246

00:10:22,710 --> 00:10:20,959

cutouts and what was actually printed

247

00:10:24,949 --> 00:10:22,720

during that time and there was like not

248

00:10:26,389 --> 00:10:24,959

just one but like five or six of them

249

00:10:27,910 --> 00:10:26,399

you know they were all over the place i

250

00:10:29,350 --> 00:10:27,920

was like if that's not research i don't

251

00:10:31,110 --> 00:10:29,360

know what is

252

00:10:33,030 --> 00:10:31,120

well thank you and in fact someone

253

00:10:34,790 --> 00:10:33,040

remarked at the conference that year

254

00:10:36,710 --> 00:10:34,800

that uh you know not only do you cite

255

00:10:38,710 --> 00:10:36,720

your references you actually bring the

256

00:10:40,790 --> 00:10:38,720

references for us to see

257

00:10:44,310 --> 00:10:40,800

and so it was really nice to see people

258

00:10:46,470 --> 00:10:44,320

get a get a kick out of a case from 1942

259

00:10:48,630 --> 00:10:46,480

and to be able to see you know their

260

00:10:50,069 --> 00:10:48,640

enthusiasm and their interest and that's

261

00:10:52,790 --> 00:10:50,079

what i try to do is not only present

262

00:10:54,389 --> 00:10:52,800

history but breathe life into it and so

263

00:10:56,389 --> 00:10:54,399

as i get older that spunk that you

264

00:10:58,230 --> 00:10:56,399

referred to i think is dwindling but i

265

00:10:59,670 --> 00:10:58,240

like that it's nice that it's nice that

266

00:11:02,310 --> 00:10:59,680

i apparently still have a little bit of

267

00:11:04,069 --> 00:11:02,320

it to uh to share with the audience

268

00:11:05,829 --> 00:11:04,079

right well i mean i don't i don't want

269

00:11:07,110 --> 00:11:05,839

to necessarily just make this interview

270

00:11:08,790 --> 00:11:07,120

about this

271

00:11:10,790 --> 00:11:08,800

specific event but

272

00:11:13,670 --> 00:11:10,800

there's a difference between what we

273

00:11:15,030 --> 00:11:13,680

kind of speculate about what was done

274

00:11:16,949 --> 00:11:15,040

and there's people that always tell

275

00:11:18,389 --> 00:11:16,959

stories and it's totally different that

276

00:11:20,870 --> 00:11:18,399

those things that should be in

277

00:11:23,269 --> 00:11:20,880

conspiratorial uh realms or generally

278

00:11:25,030 --> 00:11:23,279

are they were on the newspaper

279

00:11:26,790 --> 00:11:25,040

that's what so that's that's what's so

280

00:11:28,630 --> 00:11:26,800

beautiful about that kind of research to

281

00:11:30,710 --> 00:11:28,640

where you go like oh this wasn't just

282

00:11:32,310 --> 00:11:30,720

some kind of crazy crazy person saying

283

00:11:33,670 --> 00:11:32,320

that it's like they actually shot at

284

00:11:35,509 --> 00:11:33,680

this thing

285

00:11:37,910 --> 00:11:35,519

absolutely absolutely and what we're

286

00:11:40,710 --> 00:11:37,920

hopefully going to see uh in april with

287

00:11:42,470 --> 00:11:40,720

my new presentation on triangular ufo

288

00:11:45,430 --> 00:11:42,480

historical cases

289

00:11:48,470 --> 00:11:45,440

uh are are is the sincerity and the

290

00:11:50,069 --> 00:11:48,480

details in these new case files like new

291

00:11:52,870 --> 00:11:50,079

old case files if i can call them that

292

00:11:56,310 --> 00:11:52,880

again many of these date back to the

293

00:11:57,430 --> 00:11:56,320

late 40s early 50s and again what i

294

00:12:00,710 --> 00:11:57,440

wanted to do

295

00:12:03,110 --> 00:12:00,720

my goal was for this year's presentation

296

00:12:04,550 --> 00:12:03,120

is i've talked about my archive i've

297

00:12:06,389 --> 00:12:04,560

talked about the research that i do and

298

00:12:08,710 --> 00:12:06,399

the information i collect

299

00:12:10,310 --> 00:12:08,720

short of bringing everybody here to the

300

00:12:13,030 --> 00:12:10,320

archive what i want to do is bring the

301
00:12:14,949 --> 00:12:13,040
archive to the audience and so

302
00:12:16,870 --> 00:12:14,959
again we're not going to look at one

303
00:12:19,910 --> 00:12:16,880
case we're going to do a systematic

304
00:12:22,069 --> 00:12:19,920
overview of decades worth of case files

305
00:12:25,030 --> 00:12:22,079
but more specifically looking at the

306
00:12:26,949 --> 00:12:25,040
sketches the written descriptions

307
00:12:28,870 --> 00:12:26,959
again hearing the audio recordings of

308
00:12:30,470 --> 00:12:28,880
the witnesses and what you're going to

309
00:12:32,069 --> 00:12:30,480
see is what i've seen

310
00:12:34,470 --> 00:12:32,079
that these people are essentially

311
00:12:36,870 --> 00:12:34,480
reporting the same thing now

312
00:12:38,550 --> 00:12:36,880
we could say that today about triangular

313
00:12:40,230 --> 00:12:38,560

reports but the important thing that we

314

00:12:41,990 --> 00:12:40,240

have to understand is the time frame

315

00:12:44,550 --> 00:12:42,000

that we're going to be looking at

316

00:12:46,629 --> 00:12:44,560

respectfully we'll be looking from 1947

317

00:12:48,870 --> 00:12:46,639

to 1977

318

00:12:52,629 --> 00:12:48,880

and the reason that i i start there is

319

00:12:55,670 --> 00:12:52,639

uh this year is the 75th anniversary

320

00:12:58,310 --> 00:12:55,680

of the modern age of ufos it was you

321

00:13:01,110 --> 00:12:58,320

know 75 years ago coming this june that

322

00:13:02,790 --> 00:13:01,120

kenneth arnold was misquoted as saying

323

00:13:05,910 --> 00:13:02,800

flying saucer

324

00:13:07,750 --> 00:13:05,920

so i start there and i go to 1977 and

325

00:13:11,910 --> 00:13:07,760

the reason i do that and i'll discuss

326

00:13:14,069 --> 00:13:11,920

this in my lecture there's a uk uh ufo

327

00:13:15,030 --> 00:13:14,079

researcher that in a documentary that i

328

00:13:17,190 --> 00:13:15,040

was on

329

00:13:19,990 --> 00:13:17,200

made a comment that well these triangles

330

00:13:21,350 --> 00:13:20,000

didn't really start appearing until 1977

331

00:13:23,110 --> 00:13:21,360

and that just happened to coincide with

332

00:13:25,829 --> 00:13:23,120

the movie star wars

333

00:13:27,750 --> 00:13:25,839

and what he implied was that due to

334

00:13:31,350 --> 00:13:27,760

cultural influences

335

00:13:34,629 --> 00:13:31,360

people saw star wars in 1977 they saw

336

00:13:36,790 --> 00:13:34,639

this triangular star destroyer and that

337

00:13:38,710 --> 00:13:36,800

shaped the narrative for people moving

338

00:13:40,150 --> 00:13:38,720

forward reporting ufos in other words

339

00:13:42,389 --> 00:13:40,160

they were looking up thinking they were

340

00:13:44,389 --> 00:13:42,399

seeing triangles

341

00:13:45,990 --> 00:13:44,399

again as i have often said in the

342

00:13:48,150 --> 00:13:46,000

subject and this applies to me as well

343

00:13:50,069 --> 00:13:48,160

as everyone listening it doesn't matter

344

00:13:52,069 --> 00:13:50,079

what you believe regarding the ufo

345

00:13:53,590 --> 00:13:52,079

subject if the data doesn't support that

346

00:13:55,670 --> 00:13:53,600

belief or

347

00:13:58,870 --> 00:13:55,680

if the data is completely contradictory

348

00:14:01,750 --> 00:13:58,880

to that belief and what i do is i show

349

00:14:02,550 --> 00:14:01,760

prior to 1977 with the release of star

350

00:14:05,990 --> 00:14:02,560

wars

351
00:14:07,910 --> 00:14:06,000
going back to 47 just in this new set of

352
00:14:10,389 --> 00:14:07,920
historical case files that i've received

353
00:14:12,230 --> 00:14:10,399
which by the way is the largest single

354
00:14:14,310 --> 00:14:12,240
historical collection of case files

355
00:14:16,550 --> 00:14:14,320
which i have housed here

356
00:14:19,189 --> 00:14:16,560
i have found over 102

357
00:14:22,389 --> 00:14:19,199
triangular ufo reports

358
00:14:25,670 --> 00:14:22,399
these were filed at a time in the 40s

359
00:14:28,550 --> 00:14:25,680
50s 60s and even early to mid 70s

360
00:14:31,189 --> 00:14:28,560
when the classic report was that of a

361
00:14:34,389 --> 00:14:31,199
flying saucer so if people wanted to

362
00:14:35,990 --> 00:14:34,399
concoct or orchestrate or hoax a ufo

363
00:14:38,389 --> 00:14:36,000

report you think that they would

364

00:14:39,829 --> 00:14:38,399

describe a 30-foot silver

365

00:14:41,990 --> 00:14:39,839

shiny disk

366

00:14:43,350 --> 00:14:42,000

but in these particular cases and we're

367

00:14:44,790 --> 00:14:43,360

all going to look at a portion of those

368

00:14:47,189 --> 00:14:44,800

102

369

00:14:48,949 --> 00:14:47,199

obviously due to time constraints

370

00:14:50,870 --> 00:14:48,959

what you find is they're describing the

371

00:14:52,150 --> 00:14:50,880

triangles that we're getting reports of

372

00:14:54,949 --> 00:14:52,160

today

373

00:14:56,470 --> 00:14:54,959

and i use that as kind of a linchpin in

374

00:14:58,470 --> 00:14:56,480

an argument that

375

00:15:00,310 --> 00:14:58,480

many people think that all of these

376

00:15:02,949 --> 00:15:00,320

triangles that are being reported today

377

00:15:05,350 --> 00:15:02,959

are top secret military aircraft

378

00:15:07,590 --> 00:15:05,360

how can you use that as a blanket

379

00:15:09,750 --> 00:15:07,600

explanation and i do concede that some

380

00:15:11,030 --> 00:15:09,760

triangles today might be military i

381

00:15:12,389 --> 00:15:11,040

certainly don't rule that out as a

382

00:15:14,910 --> 00:15:12,399

possibility

383

00:15:19,189 --> 00:15:14,920

but when you start looking back at the

384

00:15:20,629 --> 00:15:19,199

1970s 60s 50s 40s

385

00:15:22,310 --> 00:15:20,639

how long are we going to cling to this

386

00:15:24,710 --> 00:15:22,320

belief that this is some top secret

387

00:15:26,870 --> 00:15:24,720

exotic military aircraft that has yet to

388

00:15:27,910 --> 00:15:26,880

be officially unveiled

389

00:15:29,269 --> 00:15:27,920

um

390

00:15:31,030 --> 00:15:29,279

i personally feel that that's a

391

00:15:33,110 --> 00:15:31,040

revisionist history bordering on the

392

00:15:35,829 --> 00:15:33,120

delusional to think that we had this

393

00:15:37,990 --> 00:15:35,839

exotic technology that many decades ago

394

00:15:41,430 --> 00:15:38,000

yet we've spent billions of dollars on

395

00:15:43,910 --> 00:15:41,440

inferior technologies like you know

396

00:15:46,470 --> 00:15:43,920

navy tomcat fighters and stealth

397

00:15:48,629 --> 00:15:46,480

fighters and stealth bombers

398

00:15:49,590 --> 00:15:48,639

i think that the historical argument

399

00:15:51,030 --> 00:15:49,600

shows

400

00:15:52,949 --> 00:15:51,040

there's a history

401
00:15:55,590 --> 00:15:52,959
worldwide of these things being reported

402
00:15:58,069 --> 00:15:55,600
that go way before stealth technology as

403
00:16:00,230 --> 00:15:58,079
we know it which is suggestive not

404
00:16:02,069 --> 00:16:00,240
conclusive but suggestive that this is

405
00:16:04,389 --> 00:16:02,079
someone else's technology in many of

406
00:16:07,030 --> 00:16:04,399
these cases

407
00:16:09,509 --> 00:16:07,040
you know david prior to doing ufo hub

408
00:16:12,150 --> 00:16:09,519
and um during just when i first started

409
00:16:13,749 --> 00:16:12,160
out my research there's no other

410
00:16:15,110 --> 00:16:13,759
um

411
00:16:17,829 --> 00:16:15,120
i guess i don't know if i should say no

412
00:16:20,069 --> 00:16:17,839
other shape than the triangle ufos that

413
00:16:22,470 --> 00:16:20,079

really captures most people's attention

414

00:16:24,470 --> 00:16:22,480

and talk about the most you know maybe

415

00:16:26,710 --> 00:16:24,480

because it's not conventional maybe

416

00:16:29,030 --> 00:16:26,720

because it's there's nothing aerodynamic

417

00:16:30,150 --> 00:16:29,040

about it you know um or at least that i

418

00:16:31,990 --> 00:16:30,160

don't know off because it would you

419

00:16:34,150 --> 00:16:32,000

would think it'd be it's in the sky or

420

00:16:35,910 --> 00:16:34,160

just plop down into the ground you know

421

00:16:38,230 --> 00:16:35,920

at least when you say a disc well it can

422

00:16:40,230 --> 00:16:38,240

kind of glide down right if it has some

423

00:16:42,310 --> 00:16:40,240

kind of wings you know you can assume

424

00:16:43,910 --> 00:16:42,320

that okay you know

425

00:16:45,910 --> 00:16:43,920

it will land but

426
00:16:48,389 --> 00:16:45,920
maybe just to know that something like

427
00:16:50,710 --> 00:16:48,399
that has been observed and that it flew

428
00:16:53,110 --> 00:16:50,720
uh it gets the attention in in ways like

429
00:16:55,749 --> 00:16:53,120
no other so

430
00:16:58,710 --> 00:16:55,759
hey to well not not wanting to go to

431
00:17:01,110 --> 00:16:58,720
that direction but do you think that um

432
00:17:04,150 --> 00:17:01,120
the the for example like a lot of them

433
00:17:07,510 --> 00:17:04,160
uh uh do say okay this could be military

434
00:17:09,270 --> 00:17:07,520
is that like more like a leaked rumor or

435
00:17:11,510 --> 00:17:09,280
or just a rumor period that was just

436
00:17:13,189 --> 00:17:11,520
made up or do you do you have some

437
00:17:15,270 --> 00:17:13,199
documents or data that can back that up

438
00:17:17,110 --> 00:17:15,280

that it could potentially also be

439

00:17:18,630 --> 00:17:17,120
military for real

440

00:17:20,949 --> 00:17:18,640
well we don't have any official

441

00:17:22,789 --> 00:17:20,959
documentation that i've seen or i've

442

00:17:24,630 --> 00:17:22,799
been privy to to suggest that we do have

443

00:17:27,350 --> 00:17:24,640
any type of aircraft or vehicle like

444

00:17:30,230 --> 00:17:27,360
this uh really when you look back at the

445

00:17:33,270 --> 00:17:30,240
history of the this uh you know military

446

00:17:35,590 --> 00:17:33,280
explanation it usually is hinged on one

447

00:17:38,950 --> 00:17:35,600
man's testimony that goes back to the

448

00:17:41,350 --> 00:17:38,960
1990s his name was edgar fouche

449

00:17:42,789 --> 00:17:41,360
and he claimed to work at area 51 he

450

00:17:45,590 --> 00:17:42,799
claimed to be involved in these

451
00:17:48,310 --> 00:17:45,600
compartmentalized classified projects

452
00:17:49,830 --> 00:17:48,320
and he claims that they had a vehicle

453
00:17:51,909 --> 00:17:49,840
that looks very similar to the

454
00:17:54,470 --> 00:17:51,919
triangular ufos that we're having

455
00:17:57,590 --> 00:17:54,480
reported both then and now

456
00:17:59,190 --> 00:17:57,600
and he states that it's called the tr-3b

457
00:18:01,110 --> 00:17:59,200
and he gives you all this fanciful

458
00:18:02,710 --> 00:18:01,120
physics that he put out at the time

459
00:18:04,150 --> 00:18:02,720
saying this is how they fly and this is

460
00:18:06,710 --> 00:18:04,160
how they operate

461
00:18:08,470 --> 00:18:06,720
and quite literally and i can't

462
00:18:09,990 --> 00:18:08,480
emphasize this enough

463
00:18:12,870 --> 00:18:10,000

it literally

464

00:18:15,350 --> 00:18:12,880

hinges on his statements

465

00:18:18,150 --> 00:18:15,360

he has nothing to back it up he has no

466

00:18:21,190 --> 00:18:18,160

documentation he has no

467

00:18:23,750 --> 00:18:21,200

valid evidence of any kind to support

468

00:18:26,070 --> 00:18:23,760

the story that he gave at the time and

469

00:18:27,750 --> 00:18:26,080

that has just continued to grow

470

00:18:29,590 --> 00:18:27,760

and i was remarking to a european

471

00:18:32,150 --> 00:18:29,600

researcher just the other day

472

00:18:33,029 --> 00:18:32,160

that it's become this pervasive urban

473

00:18:35,270 --> 00:18:33,039

myth

474

00:18:37,350 --> 00:18:35,280

within the ufo field that

475

00:18:40,470 --> 00:18:37,360

people will see video of a triangular

476
00:18:42,950 --> 00:18:40,480
ufo and you'll see this uh ever-present

477
00:18:45,029 --> 00:18:42,960
comment on youtube or elsewhere oh it's

478
00:18:47,270 --> 00:18:45,039
just the tr3b

479
00:18:49,990 --> 00:18:47,280
like we know for a fact that it exists

480
00:18:52,710 --> 00:18:50,000
right the fact of the matter is we don't

481
00:18:54,470 --> 00:18:52,720
it is again a story based on one man's

482
00:18:56,390 --> 00:18:54,480
testimony unfortunately edgar fuche

483
00:18:57,830 --> 00:18:56,400
passed away some years ago

484
00:19:00,310 --> 00:18:57,840
so we can't sit him down and really

485
00:19:02,310 --> 00:19:00,320
conduct an in-depth interview

486
00:19:03,909 --> 00:19:02,320
but i like to make a distinction here if

487
00:19:04,870 --> 00:19:03,919
i might

488
00:19:06,310 --> 00:19:04,880

people

489

00:19:08,710 --> 00:19:06,320

state well i believe some of these

490

00:19:10,549 --> 00:19:08,720

triangles might be military i'm willing

491

00:19:12,310 --> 00:19:10,559

to go down that path but we have no

492

00:19:14,950 --> 00:19:12,320

evidence to support it but i'm willing

493

00:19:17,590 --> 00:19:14,960

to accept that as a definite possibility

494

00:19:19,270 --> 00:19:17,600

for some of the more modern day accounts

495

00:19:22,150 --> 00:19:19,280

that being said

496

00:19:25,190 --> 00:19:22,160

i'm not going to use the term tr3b

497

00:19:27,270 --> 00:19:25,200

because for those that use the term tr3b

498

00:19:30,870 --> 00:19:27,280

it implies that you believe the entire

499

00:19:32,789 --> 00:19:30,880

story told by edgar fouche and i don't

500

00:19:34,710 --> 00:19:32,799

so whereas

501
00:19:36,789 --> 00:19:34,720
it's not semantics it's it the devil's

502
00:19:38,549 --> 00:19:36,799
in the details i can see that there

503
00:19:40,230 --> 00:19:38,559
might be triangular aircraft that have

504
00:19:42,310 --> 00:19:40,240
exotic flight characteristics that

505
00:19:43,270 --> 00:19:42,320
people might be seeing today

506
00:19:46,390 --> 00:19:43,280
but i'm not going to use the

507
00:19:48,789 --> 00:19:46,400
nomenclature of tr-3b because in saying

508
00:19:51,029 --> 00:19:48,799
that i'm endorsing the claims made by

509
00:19:54,390 --> 00:19:51,039
this man who has no evidence to back it

510
00:19:56,470 --> 00:19:54,400
up i see so david without getting into

511
00:19:58,070 --> 00:19:56,480
too much detail but whatever it is that

512
00:20:00,470 --> 00:19:58,080
you can't talk about

513
00:20:03,990 --> 00:20:00,480

can you go a little bit about uh some of

514

00:20:05,669 --> 00:20:04,000

the some of the i guess new things about

515

00:20:07,430 --> 00:20:05,679

the triangular ufos that you've

516

00:20:10,470 --> 00:20:07,440

discovered

517

00:20:12,549 --> 00:20:10,480

absolutely uh again uh it's not so much

518

00:20:14,710 --> 00:20:12,559

new things but validated insights

519

00:20:16,070 --> 00:20:14,720

regarding these cases um

520

00:20:17,750 --> 00:20:16,080

for those that have read my book or

521

00:20:18,789 --> 00:20:17,760

maybe attended some of my previous

522

00:20:20,470 --> 00:20:18,799

lectures

523

00:20:23,190 --> 00:20:20,480

some of the characteristics that we see

524

00:20:25,830 --> 00:20:23,200

and and you re reference the triangle

525

00:20:27,590 --> 00:20:25,840

not being aerodynamic necessarily we do

526

00:20:29,909 --> 00:20:27,600

have triangular aircraft delta wing

527

00:20:32,390 --> 00:20:29,919

aircraft that that do fly and are

528

00:20:34,310 --> 00:20:32,400

aerodynamic in nature one of the most

529

00:20:35,669 --> 00:20:34,320

unusual characteristics exotic

530

00:20:38,149 --> 00:20:35,679

characteristics with many of these

531

00:20:39,909 --> 00:20:38,159

reports and i documented this in my book

532

00:20:42,549 --> 00:20:39,919

and i've shown previous examples but

533

00:20:44,710 --> 00:20:42,559

guess what in the night cap and kufos

534

00:20:47,830 --> 00:20:44,720

case files going back into the ninth

535

00:20:50,230 --> 00:20:47,840

early 1950s we have reports of the

536

00:20:52,230 --> 00:20:50,240

triangles moving with the flat side as

537

00:20:53,909 --> 00:20:52,240

the leading edge in other words if you

538

00:20:56,230 --> 00:20:53,919

think aerodynamics you think the point

539

00:20:58,470 --> 00:20:56,240
of an aircraft would be the leading edge

540

00:20:59,909 --> 00:20:58,480
a number of these and we have really

541

00:21:01,190 --> 00:20:59,919
great sketches by some of these

542

00:21:02,789 --> 00:21:01,200
witnesses which i'm going to be sharing

543

00:21:04,310 --> 00:21:02,799
with audience members another reason i

544

00:21:07,830 --> 00:21:04,320
really love showing the actual case

545

00:21:09,430 --> 00:21:07,840
files themselves you see the triangle

546

00:21:11,830 --> 00:21:09,440
and you'll see arrows indicating the

547

00:21:14,549 --> 00:21:11,840
direction of movement in fact one of the

548

00:21:16,310 --> 00:21:14,559
audios i have is from 1964 in

549

00:21:18,789 --> 00:21:16,320
pennsylvania where they were having a

550

00:21:19,990 --> 00:21:18,799
wave of ufo sightings at that time

551
00:21:22,230 --> 00:21:20,000
and

552
00:21:24,390 --> 00:21:22,240
luckily in digitizing the tapes i

553
00:21:26,710 --> 00:21:24,400
recognized that this case

554
00:21:28,870 --> 00:21:26,720
was one that i had recently digitized

555
00:21:31,270 --> 00:21:28,880
for inclusion in my lecture

556
00:21:33,110 --> 00:21:31,280
and sure enough here's the written

557
00:21:36,390 --> 00:21:33,120
eyewitness testimony and here's the

558
00:21:38,070 --> 00:21:36,400
recording of the interview from 1964

559
00:21:40,390 --> 00:21:38,080
and the witness stated

560
00:21:41,909 --> 00:21:40,400
the most defined characteristic of the

561
00:21:45,190 --> 00:21:41,919
triangle that he he and a friend

562
00:21:47,110 --> 00:21:45,200
observed was this long broad edge that

563
00:21:48,710 --> 00:21:47,120

was the leading edge and sure enough

564

00:21:50,710 --> 00:21:48,720

you'll see his sketch

565

00:21:52,230 --> 00:21:50,720

showing this flat side and then how it

566

00:21:54,070 --> 00:21:52,240

tapers down it was essentially an

567

00:21:57,270 --> 00:21:54,080

isosceles triangle

568

00:21:58,789 --> 00:21:57,280

and in the audio recording he says well

569

00:22:00,390 --> 00:21:58,799

he goes it was really strange he goes it

570

00:22:01,990 --> 00:22:00,400

was this flat side that was the leading

571

00:22:04,390 --> 00:22:02,000

edge and then it kind of tapered off to

572

00:22:06,470 --> 00:22:04,400

a point but that was the leading edge

573

00:22:08,310 --> 00:22:06,480

and when you see that in conjunction

574

00:22:09,830 --> 00:22:08,320

with the cases that i've outlined in my

575

00:22:11,110 --> 00:22:09,840

book and that i've lectured on

576

00:22:12,870 --> 00:22:11,120

previously

577

00:22:15,029 --> 00:22:12,880

it just shows you this consistent

578

00:22:17,510 --> 00:22:15,039

pattern of reporting and something we

579

00:22:20,149 --> 00:22:17,520

have to remember again going back to 64

580

00:22:21,990 --> 00:22:20,159

just taking this one case for example

581

00:22:23,669 --> 00:22:22,000

most people didn't even know there were

582

00:22:26,310 --> 00:22:23,679

other reports of triangles at the time

583

00:22:28,470 --> 00:22:26,320

most ufo researchers didn't know that

584

00:22:30,390 --> 00:22:28,480

there was this smaller subset of ufo

585

00:22:32,149 --> 00:22:30,400

reports that were triangular

586

00:22:35,110 --> 00:22:32,159

and then certainly when we got into the

587

00:22:37,990 --> 00:22:35,120

70s and the 80s the triangular ufos did

588

00:22:40,789 --> 00:22:38,000

increase in frequency and

589

00:22:43,270 --> 00:22:40,799

i know we're going to have cheryl costa

590

00:22:44,789 --> 00:22:43,280

presenting her statistical work at the

591

00:22:46,710 --> 00:22:44,799

conference and i'm sure she'll be

592

00:22:48,630 --> 00:22:46,720

touching on some of this

593

00:22:51,350 --> 00:22:48,640

she provides really great insights

594

00:22:53,110 --> 00:22:51,360

looking at the statistics because again

595

00:22:54,470 --> 00:22:53,120

we can sit here and say something is

596

00:22:56,149 --> 00:22:54,480

prevalent but

597

00:22:58,149 --> 00:22:56,159

you know someone like cheryl who i

598

00:23:00,789 --> 00:22:58,159

respect highly she's going to show you

599

00:23:02,950 --> 00:23:00,799

the numbers the statistics to back it up

600

00:23:05,430 --> 00:23:02,960

and so i think

601
00:23:07,590 --> 00:23:05,440
between her statistics and my in-depth

602
00:23:09,350 --> 00:23:07,600
analysis of some of these cases i think

603
00:23:11,110 --> 00:23:09,360
it's going to be a really rich and

604
00:23:14,149 --> 00:23:11,120
hopefully educational and entertaining

605
00:23:16,070 --> 00:23:14,159
experience at the conference

606
00:23:17,270 --> 00:23:16,080
yeah certainly i mean it's always nice

607
00:23:19,590 --> 00:23:17,280
to just kind of

608
00:23:21,510 --> 00:23:19,600
have some kind of correlation at least

609
00:23:23,430 --> 00:23:21,520
i know you at least as far as i know you

610
00:23:25,510 --> 00:23:23,440
guys didn't coordinate it so it'll work

611
00:23:28,310 --> 00:23:25,520
out great for you representing that and

612
00:23:29,830 --> 00:23:28,320
then her doing that because she

613
00:23:31,750 --> 00:23:29,840

2019

614

00:23:34,470 --> 00:23:31,760

um it was like the first time i've seen

615

00:23:36,310 --> 00:23:34,480

somebody represent data and it not be

616

00:23:38,470 --> 00:23:36,320

boring

617

00:23:40,070 --> 00:23:38,480

you know absolutely and i've remarked to

618

00:23:42,070 --> 00:23:40,080

cheryl we've attended other conferences

619

00:23:43,590 --> 00:23:42,080

and i've told her i said i'm so glad

620

00:23:45,750 --> 00:23:43,600

you're doing this work because with all

621

00:23:47,990 --> 00:23:45,760

due respect statistics was my worst

622

00:23:50,630 --> 00:23:48,000

class in college right

623

00:23:52,870 --> 00:23:50,640

it is not my strong point so right and

624

00:23:54,710 --> 00:23:52,880

you know that's what's wonderful about

625

00:23:57,110 --> 00:23:54,720

the conference also is that everyone

626

00:23:59,430 --> 00:23:57,120

brings something to the table and it

627

00:24:01,110 --> 00:23:59,440

might be an area of specialty mine is

628

00:24:03,990 --> 00:24:01,120

doing analysis and looking at the

629

00:24:06,230 --> 00:24:04,000

history and providing historical context

630

00:24:07,990 --> 00:24:06,240

for what's being reported today

631

00:24:09,190 --> 00:24:08,000

and having someone that looks at

632

00:24:11,590 --> 00:24:09,200

statistics and i know we're going to

633

00:24:13,510 --> 00:24:11,600

have a couple great speakers uh that are

634

00:24:16,470 --> 00:24:13,520

going to talk about the high strangeness

635

00:24:17,830 --> 00:24:16,480

beyond nuts and bolts yeah ray hernandez

636

00:24:19,110 --> 00:24:17,840

too

637

00:24:21,269 --> 00:24:19,120

they're going to be bringing ray

638

00:24:23,430 --> 00:24:21,279

hernandez as well as john alexander

639

00:24:25,110 --> 00:24:23,440

they're going to be touching on those

640

00:24:27,269 --> 00:24:25,120

high strangeness elements and

641

00:24:29,029 --> 00:24:27,279

consciousness and so

642

00:24:31,110 --> 00:24:29,039

we each have a piece of the puzzle

643

00:24:33,750 --> 00:24:31,120

that's how i like to look at it one is

644

00:24:35,110 --> 00:24:33,760

no more or less important but when we

645

00:24:37,510 --> 00:24:35,120

all come together and we can present

646

00:24:39,990 --> 00:24:37,520

this information i think that really

647

00:24:41,269 --> 00:24:40,000

fuels the you know the mental juices for

648

00:24:43,190 --> 00:24:41,279

the audience that's going to be able to

649

00:24:45,590 --> 00:24:43,200

sit there and and hear this information

650

00:24:46,470 --> 00:24:45,600

hopefully it all coalesces and

651
00:24:47,909 --> 00:24:46,480
eventually

652
00:24:49,669 --> 00:24:47,919
putting all that information together we

653
00:24:51,190 --> 00:24:49,679
may start getting insights and insights

654
00:24:52,950 --> 00:24:51,200
may eventually lead to answers to this

655
00:24:53,830 --> 00:24:52,960
phenomenon

656
00:24:55,510 --> 00:24:53,840
right

657
00:24:57,190 --> 00:24:55,520
well so um

658
00:24:58,950 --> 00:24:57,200
i want to just make a quick comment

659
00:25:00,870 --> 00:24:58,960
because uh there's a question that came

660
00:25:02,390 --> 00:25:00,880
in from from somebody that i actually

661
00:25:04,630 --> 00:25:02,400
was thinking about asking but i figured

662
00:25:06,390 --> 00:25:04,640
i'd get it over with now and it'll give

663
00:25:09,029 --> 00:25:06,400

me an opportunity to let everyone else

664

00:25:11,990 --> 00:25:09,039

know um in about 20 minutes we're going

665

00:25:14,149 --> 00:25:12,000

to do a q a with david so you can submit

666

00:25:16,310 --> 00:25:14,159

your question in the chat whether you're

667

00:25:18,149 --> 00:25:16,320

watching this on twitch or on youtube

668

00:25:19,990 --> 00:25:18,159

please make sure to put three asterisks

669

00:25:22,390 --> 00:25:20,000

before your question so it pops out at

670

00:25:23,990 --> 00:25:22,400

me and i know it's not just the regular

671

00:25:26,149 --> 00:25:24,000

chatter that you guys do amongst each

672

00:25:27,669 --> 00:25:26,159

other and then also of course

673

00:25:28,870 --> 00:25:27,679

in the description below you'll find a

674

00:25:31,190 --> 00:25:28,880

link to the

675

00:25:33,430 --> 00:25:31,200

telegram voice chat going on right now

676
00:25:34,710 --> 00:25:33,440
and you can join it as well and then uh

677
00:25:37,269 --> 00:25:34,720
also

678
00:25:39,669 --> 00:25:37,279
ask a question directly of david um if

679
00:25:41,590 --> 00:25:39,679
you if you prefer if not simple

680
00:25:43,590 --> 00:25:41,600
submission of of the

681
00:25:46,070 --> 00:25:43,600
question in chat will be just fine and

682
00:25:48,870 --> 00:25:46,080
the question was uh basically about uh

683
00:25:51,430 --> 00:25:48,880
this is from uh sonia

684
00:25:53,830 --> 00:25:51,440
what is it specifically about triangle

685
00:25:55,430 --> 00:25:53,840
ufos was it was it the sheer amount of

686
00:25:59,110 --> 00:25:55,440
things that just happened to come your

687
00:26:01,190 --> 00:25:59,120
way uh or or just your own interest that

688
00:26:03,430 --> 00:26:01,200

got you to even then write a book about

689

00:26:05,190 --> 00:26:03,440

triangular ufos what specifically about

690

00:26:07,990 --> 00:26:05,200

that got your interest

691

00:26:09,830 --> 00:26:08,000

that's a great question sonia so when i

692

00:26:12,549 --> 00:26:09,840

became involved in ufos as i mentioned

693

00:26:14,710 --> 00:26:12,559

at the beginning uh around 1990

694

00:26:17,029 --> 00:26:14,720

there were two or three hot topics

695

00:26:20,070 --> 00:26:17,039

within the ufo field at the time one of

696

00:26:22,310 --> 00:26:20,080

which was uh this wave of sightings of

697

00:26:24,549 --> 00:26:22,320

these large triangular platforms aerial

698

00:26:25,590 --> 00:26:24,559

platforms that were being reported in

699

00:26:28,230 --> 00:26:25,600

belgium

700

00:26:32,789 --> 00:26:28,240

and i thought that the descriptions were

701
00:26:37,350 --> 00:26:35,190
angles are what i call unambiguous oh

702
00:26:38,390 --> 00:26:37,360
david i'm sorry you just cut out you cut

703
00:26:40,789 --> 00:26:38,400
out for

704
00:26:42,470 --> 00:26:40,799
about maybe three seconds um do you set

705
00:26:44,710 --> 00:26:42,480
descriptions and then you cut out one

706
00:26:47,029 --> 00:26:44,720
more time please oh sure

707
00:26:49,750 --> 00:26:47,039
i was intrigued by the descriptions of

708
00:26:51,669 --> 00:26:49,760
these triangular ufos because they were

709
00:26:53,750 --> 00:26:51,679
highly detailed in nature

710
00:26:55,990 --> 00:26:53,760
the number of witnesses the credibility

711
00:26:58,789 --> 00:26:56,000
of the witnesses military personnel the

712
00:27:01,350 --> 00:26:58,799
gendarmes or police officers in belgium

713
00:27:03,110 --> 00:27:01,360

and so that started my interest from an

714

00:27:05,110 --> 00:27:03,120

academic standpoint

715

00:27:07,190 --> 00:27:05,120

and i continued to kind of follow the

716

00:27:10,870 --> 00:27:07,200

triangular ufo reporting

717

00:27:13,029 --> 00:27:10,880

really from 1990 up until 2000 and then

718

00:27:14,390 --> 00:27:13,039

as i like to say in 2000

719

00:27:15,750 --> 00:27:14,400

as illinois state director i

720

00:27:18,389 --> 00:27:15,760

investigated what is now kind of a

721

00:27:22,149 --> 00:27:18,399

landmark case in southern illinois

722

00:27:24,870 --> 00:27:22,159

involving a very similar triangular ufo

723

00:27:27,990 --> 00:27:24,880

reported by multiple police officers

724

00:27:29,669 --> 00:27:28,000

that uh described the shape

725

00:27:32,710 --> 00:27:29,679

lighting characteristics and flight

726
00:27:34,389 --> 00:27:32,720
dynamics that paralleled or matched what

727
00:27:35,430 --> 00:27:34,399
had been reported 10 years prior in

728
00:27:37,190 --> 00:27:35,440
belgium

729
00:27:39,990 --> 00:27:37,200
so that kind of got my mind thinking if

730
00:27:42,389 --> 00:27:40,000
there's parallels between these two

731
00:27:43,830 --> 00:27:42,399
highly detailed credible documented

732
00:27:45,669 --> 00:27:43,840
sightings

733
00:27:46,789 --> 00:27:45,679
what other parallels might exist in the

734
00:27:48,470 --> 00:27:46,799
data

735
00:27:51,110 --> 00:27:48,480
so that led me into

736
00:27:54,389 --> 00:27:51,120
uh rather naively and a kind of a

737
00:27:56,950 --> 00:27:54,399
cursory review of ufo reports in history

738
00:27:59,029 --> 00:27:56,960

and what i found was consistency in

739

00:28:00,389 --> 00:27:59,039

these triangles being reported worldwide

740

00:28:02,630 --> 00:28:00,399

over decades

741

00:28:05,430 --> 00:28:02,640

and the same characteristics being

742

00:28:07,750 --> 00:28:05,440

reported time and time again again

743

00:28:10,389 --> 00:28:07,760

especially in the early years at a time

744

00:28:12,070 --> 00:28:10,399

when triangles weren't widely reported

745

00:28:13,990 --> 00:28:12,080

so it's not like someone could readily

746

00:28:16,230 --> 00:28:14,000

read about this in any ufo book they

747

00:28:17,269 --> 00:28:16,240

picked up and then concoct a copycat

748

00:28:19,669 --> 00:28:17,279

report

749

00:28:20,870 --> 00:28:19,679

and so it was just following the data

750

00:28:23,909 --> 00:28:20,880

kind of following that trail of

751

00:28:26,789 --> 00:28:23,919

breadcrumbs one case to another and then

752

00:28:29,190 --> 00:28:26,799

now having the nycap and kufos case

753

00:28:31,110 --> 00:28:29,200

files which i failed to mention i also

754

00:28:33,029 --> 00:28:31,120

have sitting here next to me uh dr

755

00:28:34,310 --> 00:28:33,039

jaylen heineck's original project blue

756

00:28:35,909 --> 00:28:34,320

book files

757

00:28:38,549 --> 00:28:35,919

and those are very interesting and we'll

758

00:28:39,510 --> 00:28:38,559

touch on one particular case which

759

00:28:41,430 --> 00:28:39,520

really

760

00:28:43,909 --> 00:28:41,440

raised the eyebrows for dr heineck as it

761

00:28:46,389 --> 00:28:43,919

relates to triangular ufos but hopefully

762

00:28:49,029 --> 00:28:46,399

that answers your question

763

00:28:50,950 --> 00:28:49,039

you know sadly it was the show that when

764

00:28:53,510 --> 00:28:50,960

it when it came out i forgot on which

765

00:28:56,710 --> 00:28:53,520

which network about blue book project

766

00:29:00,230 --> 00:28:56,720

blue book and and um uh um ellen einic

767

00:29:02,389 --> 00:29:00,240

that it got my um i guess made me more

768

00:29:04,549 --> 00:29:02,399

aware how important it was to the field

769

00:29:06,230 --> 00:29:04,559

you know i i felt kind of silly not

770

00:29:07,750 --> 00:29:06,240

knowing that ahead of time you know

771

00:29:10,149 --> 00:29:07,760

because everyone kind of starts out in

772

00:29:11,990 --> 00:29:10,159

their own research and then only later

773

00:29:13,590 --> 00:29:12,000

you find all these other you know people

774

00:29:16,230 --> 00:29:13,600

that were been doing this for years so

775

00:29:18,149 --> 00:29:16,240

you're like oh okay

776

00:29:19,830 --> 00:29:18,159

absolutely

777

00:29:21,830 --> 00:29:19,840

no please go ahead i was just gonna

778

00:29:24,870 --> 00:29:21,840

mention briefly uh

779

00:29:26,549 --> 00:29:24,880

the project blue book material uh is out

780

00:29:28,549 --> 00:29:26,559

in the public domain online and

781

00:29:31,029 --> 00:29:28,559

elsewhere but what's unique about the

782

00:29:33,269 --> 00:29:31,039

files here uh and this goes back even

783

00:29:34,389 --> 00:29:33,279

into the early years into the the early

784

00:29:36,710 --> 00:29:34,399

50s

785

00:29:39,590 --> 00:29:36,720

you get to see not only the case files

786

00:29:41,590 --> 00:29:39,600

but dr heineck's handwritten notes

787

00:29:44,630 --> 00:29:41,600

where he would take complete

788

00:29:47,029 --> 00:29:44,640

contradictory viewpoints on a case

789

00:29:49,430 --> 00:29:47,039

uh relative to the air force explanation

790

00:29:52,070 --> 00:29:49,440

and you see him cross out where they say

791

00:29:53,830 --> 00:29:52,080

plasma or ball lightning and he'll draw

792

00:29:55,590 --> 00:29:53,840

a line through it and then write

793

00:29:57,830 --> 00:29:55,600

unidentified and underline it three

794

00:29:59,990 --> 00:29:57,840

times and then you'll quite often see

795

00:30:02,230 --> 00:30:00,000

little marginalia written why didn't the

796

00:30:07,190 --> 00:30:02,240

air force obtain radar data in this case

797

00:30:11,830 --> 00:30:09,190

you get to see

798

00:30:13,590 --> 00:30:11,840

this um angst if you will the

799

00:30:15,669 --> 00:30:13,600

frustration that he was dealing with

800

00:30:17,830 --> 00:30:15,679

with the air force's take on the ufo

801
00:30:21,669 --> 00:30:17,840
subject

802
00:30:23,590 --> 00:30:21,679
um sorry for some reason um

803
00:30:25,110 --> 00:30:23,600
again it was like just for a split

804
00:30:26,549 --> 00:30:25,120
second it was like maybe three seconds

805
00:30:28,870 --> 00:30:26,559
that you just kind of

806
00:30:30,070 --> 00:30:28,880
paused on us uh audio and video wasn't

807
00:30:32,710 --> 00:30:30,080
coming through but i think we got the

808
00:30:34,470 --> 00:30:32,720
gist of it um yeah the connection is

809
00:30:36,549 --> 00:30:34,480
clean and great otherwise i don't know

810
00:30:38,149 --> 00:30:36,559
why it's happening but we'll work

811
00:30:39,669 --> 00:30:38,159
through it um

812
00:30:42,950 --> 00:30:39,679
so

813
00:30:43,909 --> 00:30:42,960

regarding uh now moving forward and you

814

00:30:48,230 --> 00:30:43,919

you know

815

00:30:50,310 --> 00:30:48,240

in this field and and

816

00:30:51,909 --> 00:30:50,320

what it is and how you present the data

817

00:30:53,350 --> 00:30:51,919

and what it is that you do

818

00:30:55,190 --> 00:30:53,360

um

819

00:30:57,269 --> 00:30:55,200

what kind of interest if any that you

820

00:30:59,909 --> 00:30:57,279

can share of all these other more

821

00:31:01,750 --> 00:30:59,919

governmental higher level groups that if

822

00:31:04,470 --> 00:31:01,760

i'm not mistaken have then kind of

823

00:31:07,669 --> 00:31:04,480

noticed you what is it specifically that

824

00:31:08,549 --> 00:31:07,679

about your research that interests them

825

00:31:10,950 --> 00:31:08,559

well

826

00:31:13,190 --> 00:31:10,960

specifically uh you know i can mention

827

00:31:14,789 --> 00:31:13,200

chris mellon who's been on a number of

828

00:31:17,350 --> 00:31:14,799

different productions and documentaries

829

00:31:18,549 --> 00:31:17,360

with me uh chris and i still continue to

830

00:31:20,630 --> 00:31:18,559

share information

831

00:31:22,789 --> 00:31:20,640

i think it just really comes down to the

832

00:31:25,110 --> 00:31:22,799

fact that uh in this kind of echoes what

833

00:31:27,190 --> 00:31:25,120

i've heard from audiences uh across the

834

00:31:30,070 --> 00:31:27,200

country over the years i think people

835

00:31:32,470 --> 00:31:30,080

respect the fact that i'm showing you

836

00:31:34,789 --> 00:31:32,480

documented information contemporaneous

837

00:31:37,190 --> 00:31:34,799

reports going back decades

838

00:31:39,190 --> 00:31:37,200

i'm not simply giving you a story and

839

00:31:41,269 --> 00:31:39,200

not citing my references i'm telling you

840

00:31:43,110 --> 00:31:41,279

the newspaper it came from i'm telling

841

00:31:45,669 --> 00:31:43,120

you the government records group it came

842

00:31:47,430 --> 00:31:45,679

from i'm citing my resources which you

843

00:31:49,669 --> 00:31:47,440

know when i was going to college that

844

00:31:53,430 --> 00:31:49,679

was research 101 always cite your

845

00:31:55,430 --> 00:31:53,440

references unfortunately uh and your

846

00:31:57,830 --> 00:31:55,440

audience may acknowledge this with with

847

00:32:01,190 --> 00:31:57,840

other individuals there's many people in

848

00:32:03,990 --> 00:32:01,200

the ufo field that spout off stories or

849

00:32:06,470 --> 00:32:04,000

will go down conspiracy trails and tell

850

00:32:08,870 --> 00:32:06,480

you these things but they can't tie it

851
00:32:11,110 --> 00:32:08,880
to anything they can't cite well this is

852
00:32:13,029 --> 00:32:11,120
where i got it or this is the document

853
00:32:16,070 --> 00:32:13,039
dated from this time period that says

854
00:32:18,789 --> 00:32:16,080
this or here's the newspaper account i

855
00:32:21,269 --> 00:32:18,799
really try to respect my audience by

856
00:32:23,590 --> 00:32:21,279
providing you the sources by which i'm

857
00:32:25,830 --> 00:32:23,600
deriving this information and i do that

858
00:32:28,389 --> 00:32:25,840
for two reasons one you feel free to

859
00:32:29,750 --> 00:32:28,399
please fact check me but also i provided

860
00:32:32,070 --> 00:32:29,760
in the hopes that people will take the

861
00:32:33,430 --> 00:32:32,080
information that i'm putting out

862
00:32:35,509 --> 00:32:33,440
grab that

863
00:32:37,350 --> 00:32:35,519

go to those sources and then take it

864

00:32:39,190 --> 00:32:37,360

even further you know

865

00:32:41,669 --> 00:32:39,200

feel free to show me up by taking that

866

00:32:42,950 --> 00:32:41,679

research to the whole new level and i i

867

00:32:45,190 --> 00:32:42,960

hope that i can serve as kind of an

868

00:32:47,350 --> 00:32:45,200

inspiration for for young researchers i

869

00:32:49,590 --> 00:32:47,360

was just talking to a gentleman who just

870

00:32:52,310 --> 00:32:49,600

recently got involved in the field and

871

00:32:54,070 --> 00:32:52,320

he was asking my guidance on uh how to

872

00:32:56,470 --> 00:32:54,080

do research and where should i go and

873

00:32:58,549 --> 00:32:56,480

how do i do this and so

874

00:33:01,909 --> 00:32:58,559

since the new york times article in

875

00:33:04,549 --> 00:33:01,919

december 2017 and and more recently last

876

00:33:06,710 --> 00:33:04,559

year with the pentagon uap report

877

00:33:08,310 --> 00:33:06,720

there's a whole new generation of people

878

00:33:10,789 --> 00:33:08,320

getting interested in the subject and

879

00:33:12,789 --> 00:33:10,799

i've had people approach me uh and it's

880

00:33:14,710 --> 00:33:12,799

just so exciting to see

881

00:33:16,789 --> 00:33:14,720

people coming in with a fresh set of

882

00:33:19,269 --> 00:33:16,799

eyes to look at the data to look at the

883

00:33:21,110 --> 00:33:19,279

history and as i always like to say the

884

00:33:23,269 --> 00:33:21,120

more brains and the more sets of eyes we

885

00:33:25,110 --> 00:33:23,279

have looking at the data the better

886

00:33:27,269 --> 00:33:25,120

we're going to be armed and prepared to

887

00:33:29,269 --> 00:33:27,279

try to tackle this subject and maybe

888

00:33:32,070 --> 00:33:29,279

find insights and maybe ultimately some

889

00:33:33,669 --> 00:33:32,080

answers to the subject matter

890

00:33:35,430 --> 00:33:33,679

you know i certainly appreciate that

891

00:33:36,950 --> 00:33:35,440

when when there's new interests and

892

00:33:39,909 --> 00:33:36,960

people kind of pursue things on their

893

00:33:41,830 --> 00:33:39,919

own i've often said on on this show and

894

00:33:43,830 --> 00:33:41,840

i don't know what that's what i want to

895

00:33:46,710 --> 00:33:43,840

you know come back around to you

896

00:33:48,870 --> 00:33:46,720

regarding this specific um i guess i

897

00:33:50,630 --> 00:33:48,880

call it sometimes a problem but so i

898

00:33:52,870 --> 00:33:50,640

always tell them i said you know i'm

899

00:33:55,190 --> 00:33:52,880

glad you're watching you're for hub but

900

00:33:56,630 --> 00:33:55,200

most people that know why i do yo for

901
00:33:59,350 --> 00:33:56,640
hub they know also the reason why i

902
00:34:01,190 --> 00:33:59,360
started it and and my

903
00:34:03,029 --> 00:34:01,200
although i just wish to provide

904
00:34:04,789 --> 00:34:03,039
information people i want them to take

905
00:34:07,190 --> 00:34:04,799
it and then do something with it right

906
00:34:10,950 --> 00:34:07,200
to help them out in some way if i say

907
00:34:13,430 --> 00:34:10,960
well uh try taking steps a b and c at d

908
00:34:15,589 --> 00:34:13,440
right um to actually then you know

909
00:34:17,750 --> 00:34:15,599
see if that actually works for you too

910
00:34:19,349 --> 00:34:17,760
you know as it did for me and so

911
00:34:20,869 --> 00:34:19,359
sometimes it drives me nuts when they

912
00:34:22,310 --> 00:34:20,879
come back and you'll be like well man

913
00:34:23,750 --> 00:34:22,320

it's the next show well it's the next

914

00:34:25,589 --> 00:34:23,760

show i'm like but then you're just using

915

00:34:28,310 --> 00:34:25,599

this for entertainment purposes which i

916

00:34:30,230 --> 00:34:28,320

guess it's fine but do you ever get

917

00:34:32,550 --> 00:34:30,240

irked i guess if that's the right word

918

00:34:34,550 --> 00:34:32,560

to people say well david what's next for

919

00:34:36,389 --> 00:34:34,560

you what what what's the next great big

920

00:34:37,990 --> 00:34:36,399

book you're gonna write or or tell us

921

00:34:39,669 --> 00:34:38,000

something about something new does that

922

00:34:41,589 --> 00:34:39,679

ever drive you nuts about why did you

923

00:34:42,629 --> 00:34:41,599

look into this yourself

924

00:34:44,230 --> 00:34:42,639

well

925

00:34:45,510 --> 00:34:44,240

yes and no i mean it's a double-edged

926
00:34:46,950 --> 00:34:45,520
sword i mean certainly when people are

927
00:34:48,710 --> 00:34:46,960
asking you know what are you working on

928
00:34:50,389 --> 00:34:48,720
next or you know what's your next book

929
00:34:51,750 --> 00:34:50,399
on i mean that's certainly you know one

930
00:34:53,270 --> 00:34:51,760
of the highest compliments that they're

931
00:34:57,430 --> 00:34:53,280
interested enough to ask you that

932
00:34:59,349 --> 00:34:57,440
question um but no uh i uh in giving my

933
00:35:01,750 --> 00:34:59,359
lectures on different subjects not just

934
00:35:03,270 --> 00:35:01,760
triangular ufos quite often uh in the

935
00:35:05,349 --> 00:35:03,280
lectures i've given there was one in

936
00:35:07,349 --> 00:35:05,359
phoenix where i was talking about the

937
00:35:09,510 --> 00:35:07,359
battle of la in my research on that that

938
00:35:11,589 --> 00:35:09,520

we were discussing earlier and someone

939

00:35:13,750 --> 00:35:11,599

said did you ever think about accessing

940

00:35:16,069 --> 00:35:13,760

this government records group and it was

941

00:35:18,069 --> 00:35:16,079

one that i didn't mention in my lecture

942

00:35:19,750 --> 00:35:18,079

and when people suggest well did you

943

00:35:21,750 --> 00:35:19,760

ever think about looking at this or did

944

00:35:23,109 --> 00:35:21,760

you ever think about researching this i

945

00:35:24,550 --> 00:35:23,119

always turned the question around on the

946

00:35:26,630 --> 00:35:24,560

individual asking the question i said

947

00:35:27,910 --> 00:35:26,640

well no i've gone through the army

948

00:35:29,349 --> 00:35:27,920

records but if you want to go through

949

00:35:31,349 --> 00:35:29,359

the naval records i would highly

950

00:35:32,870 --> 00:35:31,359

encourage you to do that and maybe in

951
00:35:35,109 --> 00:35:32,880
the next year or two you can come back

952
00:35:35,910 --> 00:35:35,119
and tell us what your findings are

953
00:35:37,589 --> 00:35:35,920
so

954
00:35:39,349 --> 00:35:37,599
you know i can't do it all right i

955
00:35:41,510 --> 00:35:39,359
always like to say i don't do this for a

956
00:35:43,510 --> 00:35:41,520
living i don't i've only written one ufo

957
00:35:45,750 --> 00:35:43,520
book i don't write ufo books

958
00:35:48,150 --> 00:35:45,760
as a cottage industry

959
00:35:51,670 --> 00:35:48,160
i have a successful career

960
00:35:53,750 --> 00:35:51,680
i have a family and in my spare time

961
00:35:56,150 --> 00:35:53,760
i try to do as much ufo research and

962
00:35:59,190 --> 00:35:56,160
archiving and historical preservation as

963
00:36:01,270 --> 00:35:59,200

possible but i can't do it alone even if

964

00:36:05,510 --> 00:36:01,280

i was doing it full time i can't do it

965

00:36:06,870 --> 00:36:05,520

alone and admittedly and it's sad to say

966

00:36:08,550 --> 00:36:06,880

having attended

967

00:36:09,670 --> 00:36:08,560

the eureka springs conference for so

968

00:36:11,349 --> 00:36:09,680

many years

969

00:36:13,670 --> 00:36:11,359

many of the researchers that i used to

970

00:36:15,750 --> 00:36:13,680

attend their lectures have since passed

971

00:36:17,990 --> 00:36:15,760

on and many of my colleagues that are

972

00:36:18,950 --> 00:36:18,000

older than me have passed on

973

00:36:20,710 --> 00:36:18,960

and

974

00:36:22,790 --> 00:36:20,720

unfortunately we don't see a lot of

975

00:36:25,430 --> 00:36:22,800

people that are younger

976
00:36:26,390 --> 00:36:25,440
filling those shoes and you know taking

977
00:36:28,310 --> 00:36:26,400
the baton

978
00:36:31,190 --> 00:36:28,320
and then running with it and conducting

979
00:36:33,030 --> 00:36:31,200
research into the next five 10 15 20

980
00:36:36,230 --> 00:36:33,040
years so

981
00:36:37,910 --> 00:36:36,240
you know if if if not myself if my other

982
00:36:40,470 --> 00:36:37,920
fellow speakers at the conference can

983
00:36:42,550 --> 00:36:40,480
serve as inspiration for the younger

984
00:36:44,230 --> 00:36:42,560
generation to start becoming actively

985
00:36:46,950 --> 00:36:44,240
involved in the subject

986
00:36:48,870 --> 00:36:46,960
i think that's just a great thing

987
00:36:50,150 --> 00:36:48,880
yeah no but certainly certainly you know

988
00:36:51,589 --> 00:36:50,160

and um

989

00:36:53,190 --> 00:36:51,599

but you know dude

990

00:36:54,950 --> 00:36:53,200

at the same time i guess there's there

991

00:36:57,270 --> 00:36:54,960

was always just this hope you know left

992

00:36:58,550 --> 00:36:57,280

us like maybe someone would be like wow

993

00:37:00,630 --> 00:36:58,560

you know i can

994

00:37:03,030 --> 00:37:00,640

i can go and do something you know and

995

00:37:04,950 --> 00:37:03,040

and and figure something else well the

996

00:37:07,670 --> 00:37:04,960

more ice you have because

997

00:37:09,829 --> 00:37:07,680

look you know it's a lot easier you know

998

00:37:11,750 --> 00:37:09,839

for a larger group people all over the

999

00:37:13,030 --> 00:37:11,760

country all over the world to collect

1000

00:37:15,190 --> 00:37:13,040

these different pieces that could be

1001
00:37:17,190 --> 00:37:15,200
useful as opposed to one person trying

1002
00:37:18,710 --> 00:37:17,200
to have to travel here and then go back

1003
00:37:20,230 --> 00:37:18,720
there and then go across the world

1004
00:37:21,990 --> 00:37:20,240
somewhere else and it will be a lot

1005
00:37:23,990 --> 00:37:22,000
easier just to collect that connect

1006
00:37:25,030 --> 00:37:24,000
those dots you know that way by just

1007
00:37:27,030 --> 00:37:25,040
having

1008
00:37:29,270 --> 00:37:27,040
more as part of the group

1009
00:37:32,150 --> 00:37:29,280
well and i will say since covid and

1010
00:37:33,910 --> 00:37:32,160
since i was uh last in eureka springs

1011
00:37:36,390 --> 00:37:33,920
um i've been involved in a number of

1012
00:37:37,990 --> 00:37:36,400
very you know high quality productions

1013
00:37:40,710 --> 00:37:38,000

uh you know the history channels

1014

00:37:42,950 --> 00:37:40,720

unidentified tv series i i was featured

1015

00:37:45,510 --> 00:37:42,960

on that we had an episode specifically

1016

00:37:47,349 --> 00:37:45,520

dedicated to triangles and i worked with

1017

00:37:49,910 --> 00:37:47,359

ross colthard uh one of the leading

1018

00:37:52,390 --> 00:37:49,920

journalists in australia for his uh

1019

00:37:54,550 --> 00:37:52,400

documentary film the phenomenon and also

1020

00:37:57,109 --> 00:37:54,560

james fox's documentary by the same name

1021

00:37:59,270 --> 00:37:57,119

the phenomenon but as a result of that

1022

00:38:01,270 --> 00:37:59,280

and the worldwide exposure just touching

1023

00:38:03,750 --> 00:38:01,280

on what you just referenced

1024

00:38:05,109 --> 00:38:03,760

i have established in just the last two

1025

00:38:07,910 --> 00:38:05,119

or three years

1026

00:38:11,829 --> 00:38:07,920

more international connections with

1027

00:38:14,230 --> 00:38:11,839

individuals groups and researchers

1028

00:38:16,790 --> 00:38:14,240

across the globe and we're starting that

1029

00:38:19,030 --> 00:38:16,800

international dialogue to a level that i

1030

00:38:20,390 --> 00:38:19,040

never ever thought i would ever attain

1031

00:38:21,829 --> 00:38:20,400

and i'm working right now with a

1032

00:38:26,390 --> 00:38:21,839

gentleman in wales who's doing a

1033

00:38:28,630 --> 00:38:26,400

documentary on a famous triangle uh case

1034

00:38:29,750 --> 00:38:28,640

in wales that occurred back in the early

1035

00:38:31,510 --> 00:38:29,760

80s

1036

00:38:33,589 --> 00:38:31,520

there's a gentleman in the netherlands

1037

00:38:35,270 --> 00:38:33,599

who's doing a documentary currently on a

1038

00:38:37,750 --> 00:38:35,280

famous military

1039

00:38:40,630 --> 00:38:37,760

sighting of a triangular ufo

1040

00:38:43,109 --> 00:38:40,640

and so there's a lot going on globally

1041

00:38:44,950 --> 00:38:43,119

that quite often we don't hear about but

1042

00:38:47,190 --> 00:38:44,960

in networking with those individuals i'm

1043

00:38:48,310 --> 00:38:47,200

providing material to provide historical

1044

00:38:50,870 --> 00:38:48,320

context

1045

00:38:52,630 --> 00:38:50,880

they're sharing information with me

1046

00:38:53,990 --> 00:38:52,640

and who's to say in another year two or

1047

00:38:56,069 --> 00:38:54,000

three i might be able to share some of

1048

00:38:57,750 --> 00:38:56,079

their information here in the united

1049

00:38:59,990 --> 00:38:57,760

states it's just that international

1050

00:39:02,790 --> 00:39:00,000

exchange i'll also be on a virtual

1051
00:39:04,310 --> 00:39:02,800
global uh international panel based out

1052
00:39:06,230 --> 00:39:04,320
of brazil

1053
00:39:07,829 --> 00:39:06,240
later this summer and i'm really looking

1054
00:39:10,630 --> 00:39:07,839
forward to that opportunity we'll have

1055
00:39:14,230 --> 00:39:10,640
representatives from portugal brazil

1056
00:39:17,589 --> 00:39:14,240
canada the uk and two or three other

1057
00:39:19,349 --> 00:39:17,599
countries across the globe and so

1058
00:39:21,109 --> 00:39:19,359
not only do we have a new generation

1059
00:39:23,349 --> 00:39:21,119
forming but we we're starting to see

1060
00:39:25,910 --> 00:39:23,359
this just burgeoning international level

1061
00:39:28,870 --> 00:39:25,920
of cooperation and information sharing

1062
00:39:30,470 --> 00:39:28,880
and again i i don't think we can you can

1063
00:39:32,710 --> 00:39:30,480

never have enough data as i always like

1064

00:39:35,349 --> 00:39:32,720

to say and so having that international

1065

00:39:37,349 --> 00:39:35,359

exchange of information and ideas with

1066

00:39:40,150 --> 00:39:37,359

people from all walks of life from

1067

00:39:41,589 --> 00:39:40,160

various uh countries across the globe

1068

00:39:43,510 --> 00:39:41,599

it's kind of what i dreamed about to be

1069

00:39:45,910 --> 00:39:43,520

quite honest i always used to say when i

1070

00:39:47,589 --> 00:39:45,920

was very early in this subject uh we

1071

00:39:50,069 --> 00:39:47,599

need to have the united nations of

1072

00:39:52,710 --> 00:39:50,079

ufology where we can all come together

1073

00:39:53,990 --> 00:39:52,720

and share information and in a loose and

1074

00:39:55,750 --> 00:39:54,000

formal sort of way i think we're

1075

00:39:57,990 --> 00:39:55,760

starting to see that uh continue to

1076

00:40:00,470 --> 00:39:58,000

develop

1077

00:40:03,270 --> 00:40:00,480

so david um i would like to then go into

1078

00:40:05,030 --> 00:40:03,280

uh question and answers next but uh just

1079

00:40:06,630 --> 00:40:05,040

so i give everyone enough time since i

1080

00:40:08,470 --> 00:40:06,640

just now sprung it on them that we're

1081

00:40:10,309 --> 00:40:08,480

starting this i'm going to ask you a

1082

00:40:11,589 --> 00:40:10,319

question and i hope they take that

1083

00:40:14,150 --> 00:40:11,599

opportunity to

1084

00:40:15,750 --> 00:40:14,160

submit the question so um

1085

00:40:17,510 --> 00:40:15,760

all of you watching if you have a

1086

00:40:19,829 --> 00:40:17,520

question for david now

1087

00:40:22,790 --> 00:40:19,839

in the chat please put three asterisk

1088

00:40:25,270 --> 00:40:22,800

asterisks um i can't speak today ask her

1089

00:40:27,109 --> 00:40:25,280

rick says before your question if you're

1090

00:40:29,430 --> 00:40:27,119

on telegram please raise your hand so i

1091

00:40:31,430 --> 00:40:29,440

can add you to my queue and so that way

1092

00:40:33,109 --> 00:40:31,440

i'll um already have some questions

1093

00:40:35,270 --> 00:40:33,119

lined up for david after ask this

1094

00:40:37,990 --> 00:40:35,280

particular one so david we already kind

1095

00:40:40,950 --> 00:40:38,000

of uh you mentioned it regarding this

1096

00:40:42,870 --> 00:40:40,960

you know a lot of times um people always

1097

00:40:44,710 --> 00:40:42,880

want to say that the government doesn't

1098

00:40:46,870 --> 00:40:44,720

want people to know about certain things

1099

00:40:48,790 --> 00:40:46,880

about ufology and that they'll put out

1100

00:40:51,030 --> 00:40:48,800

enough you know a lot of misinformation

1101
00:40:53,190 --> 00:40:51,040
out there but uh just

1102
00:40:54,950 --> 00:40:53,200
sort of kind of in this uh

1103
00:40:55,990 --> 00:40:54,960
tr 3b

1104
00:40:58,309 --> 00:40:56,000
example

1105
00:41:00,550 --> 00:40:58,319
sometimes it's the very people that are

1106
00:41:03,990 --> 00:41:00,560
into this field and that are also being

1107
00:41:07,190 --> 00:41:04,000
the counter productive party for lack of

1108
00:41:09,670 --> 00:41:07,200
better word um do you find that that's a

1109
00:41:11,829 --> 00:41:09,680
huge hindrance or do you think that the

1110
00:41:13,670 --> 00:41:11,839
the guys that really you know put in the

1111
00:41:15,349 --> 00:41:13,680
work to figure out exactly what's going

1112
00:41:17,910 --> 00:41:15,359
on that they're not going to be hindered

1113
00:41:19,510 --> 00:41:17,920

by those types in the field

1114

00:41:21,510 --> 00:41:19,520

well it is frustrating and i think

1115

00:41:23,190 --> 00:41:21,520

earlier you mentioned the angst that i

1116

00:41:25,109 --> 00:41:23,200

sometimes you know get with certain

1117

00:41:26,710 --> 00:41:25,119

things and that's one of the the biggest

1118

00:41:29,349 --> 00:41:26,720

issues that i have

1119

00:41:31,510 --> 00:41:29,359

admittedly the united states government

1120

00:41:33,190 --> 00:41:31,520

over the years has put out misleading

1121

00:41:34,550 --> 00:41:33,200

information misinformation

1122

00:41:36,470 --> 00:41:34,560

disinformation

1123

00:41:37,990 --> 00:41:36,480

uh again the blue book files i have

1124

00:41:39,990 --> 00:41:38,000

right here where they have explanations

1125

00:41:42,309 --> 00:41:40,000

that are just factually inaccurate it

1126

00:41:44,309 --> 00:41:42,319

simply doesn't fit the facts or

1127

00:41:45,670 --> 00:41:44,319

if the the planet or constellation

1128

00:41:47,990 --> 00:41:45,680

they're saying was an explanation for

1129

00:41:49,910 --> 00:41:48,000

the sighting well it wasn't visible at

1130

00:41:52,390 --> 00:41:49,920

that part of the country at that at that

1131

00:41:53,990 --> 00:41:52,400

time of night uh so there's demonstrable

1132

00:41:56,630 --> 00:41:54,000

cases where clearly they were just

1133

00:41:58,630 --> 00:41:56,640

putting out false information

1134

00:42:01,190 --> 00:41:58,640

the the most frustrating thing though i

1135

00:42:02,710 --> 00:42:01,200

think i have with regard to the subject

1136

00:42:05,750 --> 00:42:02,720

is when we have

1137

00:42:06,790 --> 00:42:05,760

seemingly well-meaning ufo researchers

1138

00:42:08,790 --> 00:42:06,800

out there

1139

00:42:11,030 --> 00:42:08,800

that are

1140

00:42:11,990 --> 00:42:11,040

putting forth and promulgating

1141

00:42:14,790 --> 00:42:12,000

uh

1142

00:42:16,470 --> 00:42:14,800

information that is you know extremely

1143

00:42:18,630 --> 00:42:16,480

questionable at best

1144

00:42:20,710 --> 00:42:18,640

in other words purported government

1145

00:42:22,230 --> 00:42:20,720

documents that don't have an official

1146

00:42:24,390 --> 00:42:22,240

provenance where

1147

00:42:26,309 --> 00:42:24,400

quite literally a researcher gets an

1148

00:42:28,309 --> 00:42:26,319

email with what looks like a government

1149

00:42:30,710 --> 00:42:28,319

document that has tantalizing

1150

00:42:32,470 --> 00:42:30,720

information about ufos and they're

1151
00:42:33,910 --> 00:42:32,480
lecturing on it and putting it out there

1152
00:42:36,390 --> 00:42:33,920
saying look i have this government

1153
00:42:38,550 --> 00:42:36,400
document well until you can verify

1154
00:42:40,950 --> 00:42:38,560
the legitimacy of that document you

1155
00:42:42,790 --> 00:42:40,960
shouldn't be doing that or if you are at

1156
00:42:44,550 --> 00:42:42,800
least put it out there with you know

1157
00:42:46,069 --> 00:42:44,560
certain caveats that look i can't

1158
00:42:48,470 --> 00:42:46,079
guarantee the authenticity of this

1159
00:42:50,550 --> 00:42:48,480
document but this is what it says

1160
00:42:52,950 --> 00:42:50,560
but you have many researchers that you

1161
00:42:55,430 --> 00:42:52,960
know do like to sell books do like to

1162
00:42:57,750 --> 00:42:55,440
focus on the sensational and they put

1163
00:43:00,870 --> 00:42:57,760

that what i call spurious information

1164

00:43:03,430 --> 00:43:00,880

out there or they'll they'll use that as

1165

00:43:05,510 --> 00:43:03,440

the linchpin in their argument that you

1166

00:43:07,589 --> 00:43:05,520

know there's this great great conspiracy

1167

00:43:10,309 --> 00:43:07,599

or there's this fantastic tale i'm going

1168

00:43:11,510 --> 00:43:10,319

to to lecture on and write a book about

1169

00:43:16,390 --> 00:43:11,520

um

1170

00:43:18,309 --> 00:43:16,400

for the existence of ufos and how we're

1171

00:43:19,990 --> 00:43:18,319

looking at it and approaching it it's

1172

00:43:22,069 --> 00:43:20,000

only as strong as the weakest link and

1173

00:43:24,630 --> 00:43:22,079

when you use information like that or if

1174

00:43:27,190 --> 00:43:24,640

you're citing someone that is known not

1175

00:43:29,510 --> 00:43:27,200

to be credible yet you're taking what

1176

00:43:31,430 --> 00:43:29,520

they're telling you and running with it

1177

00:43:33,430 --> 00:43:31,440

as it gets repeated and told over and

1178

00:43:34,790 --> 00:43:33,440

over again it becomes fact in many

1179

00:43:35,910 --> 00:43:34,800

people's minds

1180

00:43:37,829 --> 00:43:35,920

and so

1181

00:43:40,230 --> 00:43:37,839

i don't want to delude myself i don't

1182

00:43:41,829 --> 00:43:40,240

want to delude my audiences and anybody

1183

00:43:43,510 --> 00:43:41,839

that that knows me and i'll have lots of

1184

00:43:45,589 --> 00:43:43,520

personal friends that can attest to this

1185

00:43:47,990 --> 00:43:45,599

at the conference this year as i do many

1186

00:43:49,829 --> 00:43:48,000

years they will tell you you know i try

1187

00:43:51,910 --> 00:43:49,839

to properly vet the information to the

1188

00:43:52,790 --> 00:43:51,920

best of my ability when i'm presenting

1189

00:43:54,870 --> 00:43:52,800

it

1190

00:43:57,190 --> 00:43:54,880

unfortunately many people many ufo

1191

00:44:00,069 --> 00:43:57,200

researchers don't do that and it's

1192

00:44:03,030 --> 00:44:00,079

ironic because those same researchers in

1193

00:44:04,550 --> 00:44:03,040

a sense are spreading disinformation

1194

00:44:05,910 --> 00:44:04,560

at the same time they're blaming

1195

00:44:07,349 --> 00:44:05,920

government authorities for spreading

1196

00:44:08,470 --> 00:44:07,359

disinformation

1197

00:44:10,069 --> 00:44:08,480

if you're not

1198

00:44:12,069 --> 00:44:10,079

going to vet your information

1199

00:44:14,150 --> 00:44:12,079

appropriately if you're not going to

1200

00:44:15,990 --> 00:44:14,160

verify and in some cases

1201
00:44:18,390 --> 00:44:16,000
tell them look this information is not

1202
00:44:20,870 --> 00:44:18,400
valid if you're out there spinning it

1203
00:44:22,230 --> 00:44:20,880
and telling it to audiences

1204
00:44:23,750 --> 00:44:22,240
you're doing what you're accusing the

1205
00:44:25,109 --> 00:44:23,760
government of doing

1206
00:44:27,990 --> 00:44:25,119
putting out disinformation

1207
00:44:29,910 --> 00:44:28,000
misinformation

1208
00:44:31,990 --> 00:44:29,920
all right david great uh thanks for that

1209
00:44:34,309 --> 00:44:32,000
i appreciate it and uh so

1210
00:44:35,109 --> 00:44:34,319
um if you're ready for question answers

1211
00:44:37,510 --> 00:44:35,119
uh

1212
00:44:39,270 --> 00:44:37,520
might as well start now so again if

1213
00:44:41,270 --> 00:44:39,280

there's one that you just want me to

1214

00:44:43,270 --> 00:44:41,280

skip over or not sure about just let me

1215

00:44:44,710 --> 00:44:43,280

know we'll move on to the next one um

1216

00:44:47,510 --> 00:44:44,720

this one is from

1217

00:44:49,589 --> 00:44:47,520

robert asking uh greetings or questions

1218

00:44:52,630 --> 00:44:49,599

for you guys have you guys experienced

1219

00:44:55,109 --> 00:44:52,640

successful ce5 events what do you think

1220

00:44:58,150 --> 00:44:55,119

about ce5 and all the video evidence

1221

00:45:00,790 --> 00:44:58,160

throughout facebook and youtube

1222

00:45:03,190 --> 00:45:00,800

i mean the ce5 is definitely interesting

1223

00:45:04,870 --> 00:45:03,200

um i haven't engaged in that area of

1224

00:45:06,550 --> 00:45:04,880

research myself but i know there are

1225

00:45:07,349 --> 00:45:06,560

some credible individuals that are doing

1226

00:45:10,790 --> 00:45:07,359

that

1227

00:45:13,589 --> 00:45:10,800

reached out wanting to talk to

1228

00:45:14,790 --> 00:45:13,599

experiencers that i felt were credible

1229

00:45:17,109 --> 00:45:14,800

and they were actually going to be

1230

00:45:18,550 --> 00:45:17,119

working on some experiments with regard

1231

00:45:21,589 --> 00:45:18,560

to ce5

1232

00:45:23,910 --> 00:45:21,599

uh i i don't have any any uh detailed

1233

00:45:25,589 --> 00:45:23,920

information regarding that project but

1234

00:45:28,390 --> 00:45:25,599

again as i alluded to whether we're

1235

00:45:30,790 --> 00:45:28,400

talking nuts and bolts abductions ce5

1236

00:45:33,910 --> 00:45:30,800

events i think it's all important and i

1237

00:45:35,910 --> 00:45:33,920

think one that one comment i made to a

1238

00:45:38,390 --> 00:45:35,920

researcher recently was

1239

00:45:39,910 --> 00:45:38,400

it doesn't matter what you study

1240

00:45:42,710 --> 00:45:39,920

whether we're talking about the confines

1241

00:45:45,030 --> 00:45:42,720

of ufos or outside the realm of ufos uh

1242

00:45:46,710 --> 00:45:45,040

including ce5s it doesn't matter what

1243

00:45:49,349 --> 00:45:46,720

you're studying the only thing that

1244

00:45:51,190 --> 00:45:49,359

matters is your research methodology

1245

00:45:53,910 --> 00:45:51,200

if you're looking at something in an

1246

00:45:54,790 --> 00:45:53,920

objective way in a standardized way

1247

00:45:55,670 --> 00:45:54,800

and

1248

00:45:57,349 --> 00:45:55,680

uh

1249

00:45:59,109 --> 00:45:57,359

you're honest with yourself and looking

1250

00:46:01,349 --> 00:45:59,119

at the data i think you can study

1251

00:46:03,430 --> 00:46:01,359

virtually anything and the ce5 is

1252

00:46:05,510 --> 00:46:03,440

certainly one of those that is highly

1253

00:46:07,589 --> 00:46:05,520

interesting and highly unusual but i

1254

00:46:10,069 --> 00:46:07,599

personally haven't uh engaged in it

1255

00:46:12,150 --> 00:46:10,079

myself

1256

00:46:14,550 --> 00:46:12,160

great thank you for that uh the next

1257

00:46:16,870 --> 00:46:14,560

question uh would be from niels and he's

1258

00:46:19,109 --> 00:46:16,880

on telegram so he'll ask it himself

1259

00:46:20,630 --> 00:46:19,119

niels you are unmuted on my end and mute

1260

00:46:24,710 --> 00:46:20,640

yourself and yours and please ask your

1261

00:46:29,670 --> 00:46:26,710

i was just wondering if you wanted to

1262

00:46:30,870 --> 00:46:29,680

for me to talk let's see

1263

00:46:32,470 --> 00:46:30,880

well i'm sorry

1264

00:46:35,829 --> 00:46:32,480

we don't have time for that right now do

1265

00:46:41,349 --> 00:46:38,470

uh what are the star people uh are they

1266

00:46:43,910 --> 00:46:41,359

gonna intervene in uh if the world goes

1267

00:46:47,750 --> 00:46:44,790

um

1268

00:46:49,510 --> 00:46:47,760

can you speak on that uh i i wouldn't i

1269

00:46:52,630 --> 00:46:49,520

wouldn't have any any way of having

1270

00:46:54,069 --> 00:46:52,640

insight into that but uh i i don't think

1271

00:46:56,230 --> 00:46:54,079

that uh i mean this is just my own

1272

00:46:57,589 --> 00:46:56,240

personal view i i don't think that

1273

00:46:59,670 --> 00:46:57,599

they're here to save us i don't think

1274

00:47:04,309 --> 00:46:59,680

they're here to destroy us but you know

1275

00:47:09,349 --> 00:47:07,030

observational in nature and

1276

00:47:11,430 --> 00:47:09,359

they're watching a society

1277

00:47:13,750 --> 00:47:11,440

in its relative infancy to be quite

1278

00:47:15,829 --> 00:47:13,760

honest uh seeing how we develop and

1279

00:47:18,150 --> 00:47:15,839

seeing how we interact with each other

1280

00:47:20,790 --> 00:47:18,160

um there's been many many other wars

1281

00:47:22,950 --> 00:47:20,800

where they haven't intervened and so

1282

00:47:29,589 --> 00:47:22,960

i i don't hold out hope that there are

1283

00:47:34,549 --> 00:47:32,710

i think that hold on quick

1284

00:47:37,270 --> 00:47:34,559

you cut out again you said some people

1285

00:47:39,030 --> 00:47:37,280

believe and then you you cut out

1286

00:47:41,270 --> 00:47:39,040

oh some people believe they're here to

1287

00:47:43,750 --> 00:47:41,280

save us i don't necessarily subscribe to

1288

00:47:44,950 --> 00:47:43,760

that um i think that uh they're here

1289

00:47:46,950 --> 00:47:44,960

observing

1290

00:47:48,230 --> 00:47:46,960

uh and again looking at other wars that

1291

00:47:50,790 --> 00:47:48,240

have taken place where they haven't

1292

00:47:52,950 --> 00:47:50,800

intervened uh it seems like they're

1293

00:47:54,710 --> 00:47:52,960

interested in every facet of our society

1294

00:47:57,109 --> 00:47:54,720

unfortunately one that seems to be

1295

00:47:58,390 --> 00:47:57,119

predominant in our history is warfare

1296

00:48:01,670 --> 00:47:58,400

and conflict

1297

00:48:03,349 --> 00:48:01,680

and so i could be wrong but uh i think

1298

00:48:05,190 --> 00:48:03,359

that they're here observing

1299

00:48:06,870 --> 00:48:05,200

and watching the red ants fighting with

1300

00:48:09,270 --> 00:48:06,880

the black ants so to speak if i can use

1301

00:48:10,710 --> 00:48:09,280

the insect analogy right right

1302

00:48:12,630 --> 00:48:10,720

great thank you david and niels thanks

1303

00:48:14,549 --> 00:48:12,640

for your question uh the next question

1304

00:48:15,910 --> 00:48:14,559

is from room

1305

00:48:18,069 --> 00:48:15,920

r-u-n-e

1306

00:48:21,190 --> 00:48:18,079

asking what was the earliest triangle

1307

00:48:23,990 --> 00:48:21,200

sighting and what's the latest

1308

00:48:25,910 --> 00:48:24,000

oh great question um the earliest one

1309

00:48:29,190 --> 00:48:25,920

that i have which has been referenced in

1310

00:48:30,790 --> 00:48:29,200

my book as well as elsewhere is 1882

1311

00:48:32,150 --> 00:48:30,800

but once i was able to obtain an

1312

00:48:34,309 --> 00:48:32,160

original copy of the report it was

1313

00:48:35,910 --> 00:48:34,319

actually 1881 so i was off by one year

1314

00:48:37,349 --> 00:48:35,920

of my apologies

1315

00:48:39,190 --> 00:48:37,359

that was actually in a scientific

1316

00:48:41,109 --> 00:48:39,200

american edition which i have an

1317

00:48:43,829 --> 00:48:41,119

original copy of now

1318

00:48:46,710 --> 00:48:43,839

and it described astronomers uh

1319

00:48:48,950 --> 00:48:46,720

seeing two black triangular notches

1320

00:48:50,870 --> 00:48:48,960

moving over the lunar surface or in

1321

00:48:52,710 --> 00:48:50,880

front of the lunar surface

1322

00:48:54,069 --> 00:48:52,720

and this was

1323

00:48:56,950 --> 00:48:54,079

discussed and

1324

00:48:58,630 --> 00:48:56,960

recreated quite well in the smithsonian

1325

00:49:00,069 --> 00:48:58,640

channel

1326
00:49:02,230 --> 00:49:00,079
tv show

1327
00:49:04,710 --> 00:49:02,240
that they did on ufos and we did an

1328
00:49:06,470 --> 00:49:04,720
episode on triangles uh that's one of

1329
00:49:07,270 --> 00:49:06,480
the earliest accounts that i have that

1330
00:49:09,670 --> 00:49:07,280
is

1331
00:49:11,510 --> 00:49:09,680
fairly detailed uh again the further you

1332
00:49:14,309 --> 00:49:11,520
go back in time the less detail you seem

1333
00:49:17,030 --> 00:49:14,319
to have in many of these narratives um

1334
00:49:18,549 --> 00:49:17,040
the most recent uh i i haven't kept up

1335
00:49:21,030 --> 00:49:18,559
on the recent one so much because i've

1336
00:49:22,870 --> 00:49:21,040
been so focused on the history uh would

1337
00:49:24,950 --> 00:49:22,880
probably be the latest ones reported at

1338
00:49:27,190 --> 00:49:24,960

the national ufo reporting center which

1339

00:49:28,870 --> 00:49:27,200

uh usually they usually lag about a

1340

00:49:30,230 --> 00:49:28,880

month or two to get those uploaded but

1341

00:49:32,230 --> 00:49:30,240

you know i'm sure that there's there

1342

00:49:33,829 --> 00:49:32,240

have probably been sightings and reports

1343

00:49:35,750 --> 00:49:33,839

in north america within just the last

1344

00:49:38,309 --> 00:49:35,760

week alone

1345

00:49:40,710 --> 00:49:38,319

so this one just to because uh um this

1346

00:49:42,549 --> 00:49:40,720

kind of would answer a question for many

1347

00:49:43,670 --> 00:49:42,559

others too uh this is also from roon

1348

00:49:45,750 --> 00:49:43,680

maroon

1349

00:49:48,390 --> 00:49:45,760

usually i try to get as many people as

1350

00:49:49,510 --> 00:49:48,400

possible but this was pretty good as

1351
00:49:51,430 --> 00:49:49,520
simply saying

1352
00:49:53,829 --> 00:49:51,440
hi this is no question but i have a clip

1353
00:49:55,589 --> 00:49:53,839
of a ufo you might find interesting to

1354
00:49:57,670 --> 00:49:55,599
me it looks

1355
00:50:02,230 --> 00:49:57,680
wet shaped standing still in the air and

1356
00:50:04,390 --> 00:50:02,240
rotating it was filmed in sweden 2018 so

1357
00:50:06,710 --> 00:50:04,400
do you have do you

1358
00:50:09,430 --> 00:50:06,720
do you encourage people to email you or

1359
00:50:11,510 --> 00:50:09,440
no regarding some some videos or some

1360
00:50:13,750 --> 00:50:11,520
information that they have

1361
00:50:15,349 --> 00:50:13,760
they can certainly i do preface that

1362
00:50:17,670 --> 00:50:15,359
though by stating i'm not a photo or

1363
00:50:19,190 --> 00:50:17,680

video expert i don't include photos or

1364

00:50:20,230 --> 00:50:19,200

videos of my lectures for that very

1365

00:50:21,910 --> 00:50:20,240

reason

1366

00:50:24,230 --> 00:50:21,920

my area of expertise isn't photo

1367

00:50:26,630 --> 00:50:24,240

analysis or video analysis i do have

1368

00:50:28,630 --> 00:50:26,640

individuals though that i can call on if

1369

00:50:30,549 --> 00:50:28,640

there's a significant video that someone

1370

00:50:32,150 --> 00:50:30,559

sends me and have them look at that but

1371

00:50:34,069 --> 00:50:32,160

i would certainly love to see that you

1372

00:50:35,349 --> 00:50:34,079

know if you'd like to send that to me

1373

00:50:36,870 --> 00:50:35,359

uh i'd

1374

00:50:39,109 --> 00:50:36,880

certainly like to see that quite often

1375

00:50:41,270 --> 00:50:39,119

though i get

1376
00:50:42,630 --> 00:50:41,280
photos or videos and people will tell me

1377
00:50:45,190 --> 00:50:42,640
it's a dramatic

1378
00:50:47,510 --> 00:50:45,200
uh photo or video of a triangle and it's

1379
00:50:49,589 --> 00:50:47,520
a little black dot that's seen for maybe

1380
00:50:50,390 --> 00:50:49,599
half a second on the video

1381
00:50:51,829 --> 00:50:50,400
and

1382
00:50:53,349 --> 00:50:51,839
i thought many of those well there could

1383
00:50:55,109 --> 00:50:53,359
be an insect i i don't know what that

1384
00:50:57,030 --> 00:50:55,119
was but

1385
00:50:58,230 --> 00:50:57,040
but i would certainly like to see that i

1386
00:51:00,549 --> 00:50:58,240
don't think i'm familiar with that one

1387
00:51:03,109 --> 00:51:00,559
from sweden

1388
00:51:05,430 --> 00:51:03,119

you know um this is just a selfishly

1389

00:51:07,589 --> 00:51:05,440

asking question myself uh

1390

00:51:09,829 --> 00:51:07,599

regarding the conference itself though

1391

00:51:11,349 --> 00:51:09,839

you've been going for you know there for

1392

00:51:13,430 --> 00:51:11,359

many years and you know what the

1393

00:51:15,510 --> 00:51:13,440

environment is roughly

1394

00:51:17,589 --> 00:51:15,520

have there been some people there that

1395

00:51:19,589 --> 00:51:17,599

um kind of gave you

1396

00:51:21,670 --> 00:51:19,599

i guess like um

1397

00:51:23,270 --> 00:51:21,680

i don't know just like a

1398

00:51:25,109 --> 00:51:23,280

like something like wow this person

1399

00:51:26,390 --> 00:51:25,119

truly is what they say they are let's

1400

00:51:28,470 --> 00:51:26,400

say that they are

1401

00:51:30,470 --> 00:51:28,480

in connection with governments or

1402

00:51:33,190 --> 00:51:30,480

specific agencies and all these other

1403

00:51:34,470 --> 00:51:33,200

things or uh does everyone just kind of

1404

00:51:37,030 --> 00:51:34,480

seem like they're full of it because

1405

00:51:38,790 --> 00:51:37,040

they just talk about you know everything

1406

00:51:41,030 --> 00:51:38,800

and anything because if you attended the

1407

00:51:42,950 --> 00:51:41,040

conference you know how that is everyone

1408

00:51:45,109 --> 00:51:42,960

will i mean my very first conference in

1409

00:51:48,150 --> 00:51:45,119

2012 and this was before even dolores

1410

00:51:49,750 --> 00:51:48,160

took took the um um took it over it was

1411

00:51:51,510 --> 00:51:49,760

so funny there's a guy in the trench

1412

00:51:53,750 --> 00:51:51,520

coat just running around and he would

1413

00:51:55,670 --> 00:51:53,760

just go up to people and hand him a card

1414

00:51:57,589 --> 00:51:55,680

it says free right off the planet free

1415

00:51:59,670 --> 00:51:57,599

right off the planet you know i was like

1416

00:52:01,190 --> 00:51:59,680

awesome i'm at the right place you know

1417

00:52:03,270 --> 00:52:01,200

and thankfully knowing that this was

1418

00:52:05,349 --> 00:52:03,280

just an attendee and the speakers ended

1419

00:52:07,670 --> 00:52:05,359

as being spectacular and you know which

1420

00:52:08,950 --> 00:52:07,680

also reminded me in 2012 i'd like to

1421

00:52:11,510 --> 00:52:08,960

find out

1422

00:52:13,430 --> 00:52:11,520

this person that talked um

1423

00:52:14,710 --> 00:52:13,440

they they basically said that this was

1424

00:52:16,790 --> 00:52:14,720

their last time that they would be

1425

00:52:18,630 --> 00:52:16,800

speaking publicly because of at the

1426

00:52:22,790 --> 00:52:18,640

level that they're at they're going to

1427

00:52:25,829 --> 00:52:22,800

be having a classified uh uh

1428

00:52:28,150 --> 00:52:25,839

degree or classification um or top

1429

00:52:30,150 --> 00:52:28,160

secret or not top secret but another

1430

00:52:32,470 --> 00:52:30,160

level of security toward now they cannot

1431

00:52:35,190 --> 00:52:32,480

do conferences anymore and some videos

1432

00:52:37,829 --> 00:52:35,200

that they showed was very interesting so

1433

00:52:39,589 --> 00:52:37,839

uh and i believe they recorded this so i

1434

00:52:41,990 --> 00:52:39,599

might during the conference or maybe a

1435

00:52:43,510 --> 00:52:42,000

bit early i'd like to at least be one of

1436

00:52:45,990 --> 00:52:43,520

those people and send you this footage

1437

00:52:49,270 --> 00:52:46,000

not not um you know because this was

1438

00:52:51,829 --> 00:52:49,280

like 2012 i'm not saying that cgi could

1439

00:52:54,390 --> 00:52:51,839

not have been at play but the way he was

1440

00:52:56,790 --> 00:52:54,400

describing what he said he knew and when

1441

00:52:58,790 --> 00:52:56,800

he then showed this footage it was like

1442

00:53:00,549 --> 00:52:58,800

man this is really something you know

1443

00:53:03,430 --> 00:53:00,559

and he was basically claiming that this

1444

00:53:06,549 --> 00:53:03,440

one particular video was a test flight

1445

00:53:08,309 --> 00:53:06,559

uh because um and and he was saying that

1446

00:53:11,030 --> 00:53:08,319

they have to still do it slowly because

1447

00:53:12,470 --> 00:53:11,040

they haven't figured out some um you

1448

00:53:14,710 --> 00:53:12,480

know that that gravitate to

1449

00:53:16,390 --> 00:53:14,720

gravitational pull so if they did like

1450

00:53:18,790 --> 00:53:16,400

uh immediate 90 degrees they'll turn

1451

00:53:20,390 --> 00:53:18,800

into a pancake in within the ship itself

1452

00:53:21,990 --> 00:53:20,400

but anyway sure there's something i want

1453

00:53:23,430 --> 00:53:22,000

to send you and they will it'll have

1454

00:53:25,030 --> 00:53:23,440

their name it'll be funny if it's

1455

00:53:27,510 --> 00:53:25,040

actually that t

1456

00:53:29,430 --> 00:53:27,520

t or 3b guy but it seems like this

1457

00:53:31,829 --> 00:53:29,440

sounded like uh you saw him speak

1458

00:53:33,109 --> 00:53:31,839

earlier than 2012.

1459

00:53:35,750 --> 00:53:33,119

yes yeah

1460

00:53:38,150 --> 00:53:35,760

i was actually at i was a speaker in uh

1461

00:53:40,150 --> 00:53:38,160

2012 at the conference and so i know it

1462

00:53:41,670 --> 00:53:40,160

wasn't edgar fouche

1463

00:53:42,630 --> 00:53:41,680

uh but i'm trying to remember which

1464

00:53:44,630 --> 00:53:42,640

speaker that

1465

00:53:47,349 --> 00:53:44,640

okay well even better i'm sorry that

1466

00:53:49,270 --> 00:53:47,359

that i forgot about that too so i don't

1467

00:53:52,549 --> 00:53:49,280

yeah it was uh i'll look up the listing

1468

00:53:54,950 --> 00:53:52,559

because everything after 2000 2013 is

1469

00:53:56,710 --> 00:53:54,960

when ozark has names and files and

1470

00:53:59,109 --> 00:53:56,720

things like that everything before that

1471

00:54:01,109 --> 00:53:59,119

was handled by different groups so

1472

00:54:03,510 --> 00:54:01,119

i don't know if they have videos out i

1473

00:54:05,910 --> 00:54:03,520

hope it's it's available for at least

1474

00:54:07,349 --> 00:54:05,920

purchase or be received somehow

1475

00:54:09,510 --> 00:54:07,359

i think i might actually have all of

1476

00:54:10,390 --> 00:54:09,520

those on dvd so i could certainly work

1477

00:54:13,190 --> 00:54:10,400

with you

1478

00:54:15,349 --> 00:54:13,200

we'll try to it is if if anything just

1479

00:54:17,270 --> 00:54:15,359

if it's not too much trouble if you can

1480

00:54:19,190 --> 00:54:17,280

like just hook me up when we go to a

1481

00:54:21,750 --> 00:54:19,200

conference i'll even more than happy to

1482

00:54:24,230 --> 00:54:21,760

pay you for your copy you know because

1483

00:54:25,670 --> 00:54:24,240

you know i'd love to just uh that aspect

1484

00:54:26,549 --> 00:54:25,680

of just to know who that person was

1485

00:54:27,990 --> 00:54:26,559

because

1486

00:54:29,990 --> 00:54:28,000

probably if they didn't have a website

1487

00:54:31,589 --> 00:54:30,000

if they really didn't take over fully

1488

00:54:35,190 --> 00:54:31,599

because they immediately handed it over

1489

00:54:37,510 --> 00:54:35,200

in 2013 so i don't know you know who ran

1490

00:54:39,109 --> 00:54:37,520

what and and what it could be i'll

1491

00:54:41,589 --> 00:54:39,119

probably have to google the hell out of

1492

00:54:43,510 --> 00:54:41,599

it just to maybe find something

1493

00:54:45,430 --> 00:54:43,520

well going back to the conference for a

1494

00:54:46,549 --> 00:54:45,440

minute and just the the level of people

1495

00:54:49,109 --> 00:54:46,559

that are there

1496

00:54:51,430 --> 00:54:49,119

uh it was actually speaking in 2000 on

1497

00:54:54,390 --> 00:54:51,440

this january 5th 2000 case i referenced

1498

00:54:56,549 --> 00:54:54,400

earlier uh in stepping off the podium

1499

00:54:58,309 --> 00:54:56,559

and stepping down from the stage a

1500

00:55:00,630 --> 00:54:58,319

gentleman came up to me immediately

1501
00:55:03,270 --> 00:55:00,640
after that and presented his business

1502
00:55:05,510 --> 00:55:03,280
card and he was my friend richard taylor

1503
00:55:07,270 --> 00:55:05,520
who worked for the faa

1504
00:55:09,030 --> 00:55:07,280
and he said dave if you need assistance

1505
00:55:10,470 --> 00:55:09,040
with radar data in that case he goes i

1506
00:55:12,069 --> 00:55:10,480
might be able to help you he goes i

1507
00:55:13,750 --> 00:55:12,079
helped install the radar systems at

1508
00:55:16,710 --> 00:55:13,760
lambert international airport in st

1509
00:55:19,589 --> 00:55:16,720
louis oh so it was as a result of

1510
00:55:21,750 --> 00:55:19,599
speaking on this case that about uh four

1511
00:55:23,589 --> 00:55:21,760
or five weeks or so after that i was in

1512
00:55:25,190 --> 00:55:23,599
the control tower at lambert

1513
00:55:26,710 --> 00:55:25,200

international airport talking to the air

1514

00:55:29,109 --> 00:55:26,720

traffic controllers about the ufo

1515

00:55:31,430 --> 00:55:29,119

subject and i always mentioned that that

1516

00:55:33,670 --> 00:55:31,440

was as you can imagine one year prior to

1517

00:55:35,589 --> 00:55:33,680

9 11. so

1518

00:55:37,430 --> 00:55:35,599

you know uh i wouldn't have been able to

1519

00:55:39,829 --> 00:55:37,440

do that a year later or two years later

1520

00:55:41,510 --> 00:55:39,839

but prior to 9 11 security was very

1521

00:55:43,190 --> 00:55:41,520

relaxed and i was able to go right into

1522

00:55:44,309 --> 00:55:43,200

the control tower with my friend richard

1523

00:55:46,150 --> 00:55:44,319

who they knew

1524

00:55:47,670 --> 00:55:46,160

and so you never know who you're going

1525

00:55:49,990 --> 00:55:47,680

to meet at these conferences or who's

1526
00:55:51,510 --> 00:55:50,000
attending and beyond the conferences

1527
00:55:53,910 --> 00:55:51,520
itself

1528
00:55:57,670 --> 00:55:53,920
just in the last couple of years

1529
00:55:59,670 --> 00:55:57,680
i've had a gentleman contact me not tied

1530
00:56:02,390 --> 00:55:59,680
to any government project or anything

1531
00:56:04,470 --> 00:56:02,400
but i do local radio here in albuquerque

1532
00:56:06,950 --> 00:56:04,480
new mexico where i live and i had a

1533
00:56:08,710 --> 00:56:06,960
caller call in and he said that he was a

1534
00:56:09,589 --> 00:56:08,720
retired lieutenant colonel in the air

1535
00:56:11,589 --> 00:56:09,599
force

1536
00:56:13,349 --> 00:56:11,599
and he would love to come to my research

1537
00:56:15,270 --> 00:56:13,359
center and see some of the original

1538
00:56:17,349 --> 00:56:15,280

project blue book documents

1539

00:56:18,870 --> 00:56:17,359

and about two or three weeks after that

1540

00:56:19,990 --> 00:56:18,880

we were able to finally coordinate our

1541

00:56:21,990 --> 00:56:20,000

schedules

1542

00:56:23,910 --> 00:56:22,000

not only did he come out a retired

1543

00:56:25,910 --> 00:56:23,920

lieutenant colonel in the air force he

1544

00:56:28,309 --> 00:56:25,920

brought his best friend who's a retired

1545

00:56:30,710 --> 00:56:28,319

colonel in the air force who happened to

1546

00:56:32,069 --> 00:56:30,720

be in charge when he was active duty he

1547

00:56:33,910 --> 00:56:32,079

was in charge of

1548

00:56:34,789 --> 00:56:33,920

advanced weapons development for the air

1549

00:56:36,789 --> 00:56:34,799

force

1550

00:56:39,109 --> 00:56:36,799

and here i am sitting in my research

1551
00:56:41,430 --> 00:56:39,119
room behind me at the conference table

1552
00:56:43,430 --> 00:56:41,440
and i have a retired lieutenant colonel

1553
00:56:45,750 --> 00:56:43,440
and lieutenant colonel and we're talking

1554
00:56:47,430 --> 00:56:45,760
seriously about the ufo subject

1555
00:56:49,030 --> 00:56:47,440
and i bring that up for for a very

1556
00:56:51,510 --> 00:56:49,040
important reason

1557
00:56:53,030 --> 00:56:51,520
uh when the pentagon uap report came out

1558
00:56:55,109 --> 00:56:53,040
people were somewhat disappointed that

1559
00:56:57,589 --> 00:56:55,119
it didn't have much information or it

1560
00:57:00,390 --> 00:56:57,599
lacked detail etc

1561
00:57:02,630 --> 00:57:00,400
but as a result of that

1562
00:57:03,990 --> 00:57:02,640
more military people active duty or

1563
00:57:05,589 --> 00:57:04,000

retired are coming forward and

1564

00:57:08,069 --> 00:57:05,599

approaching people like myself and

1565

00:57:10,870 --> 00:57:08,079

others in the ufo field

1566

00:57:14,069 --> 00:57:10,880

for the 30 years or 31 years leading up

1567

00:57:16,069 --> 00:57:14,079

to that i never had an active active or

1568

00:57:17,270 --> 00:57:16,079

retired lieutenant colonel or colonel in

1569

00:57:19,829 --> 00:57:17,280

the air force

1570

00:57:22,069 --> 00:57:19,839

contact me voluntarily to say i'd like

1571

00:57:24,230 --> 00:57:22,079

to sit down and talk ufos with you but

1572

00:57:25,109 --> 00:57:24,240

as a result of that uap report coming

1573

00:57:27,670 --> 00:57:25,119

out

1574

00:57:30,549 --> 00:57:27,680

the culture of silence has changed the

1575

00:57:32,630 --> 00:57:30,559

culture of skepticism has changed these

1576

00:57:34,390 --> 00:57:32,640

people feel more emboldened to contact

1577

00:57:36,549 --> 00:57:34,400

me another one that contacted me was out

1578

00:57:39,349 --> 00:57:36,559

of omaha nebraska

1579

00:57:41,670 --> 00:57:39,359

and i believe if our memory serves he

1580

00:57:43,829 --> 00:57:41,680

was another uh retired lieutenant

1581

00:57:46,069 --> 00:57:43,839

colonel in the air force

1582

00:57:47,750 --> 00:57:46,079

and he contacted me and stated much to

1583

00:57:49,190 --> 00:57:47,760

my surprise and by the way i did a

1584

00:57:52,230 --> 00:57:49,200

little investigative work and i did

1585

00:57:54,230 --> 00:57:52,240

verify he is who he said he was

1586

00:57:56,870 --> 00:57:54,240

he stated that i just want to let you

1587

00:57:59,190 --> 00:57:56,880

know continue the research you're doing

1588

00:58:00,710 --> 00:57:59,200

i'm following it now that i'm retired

1589

00:58:03,510 --> 00:58:00,720

i've been following your research on

1590

00:58:05,589 --> 00:58:03,520

these triangular ufos and i know a

1591

00:58:07,510 --> 00:58:05,599

number of other retired and active duty

1592

00:58:09,829 --> 00:58:07,520

military who are also following your

1593

00:58:12,390 --> 00:58:09,839

research on the subject

1594

00:58:13,990 --> 00:58:12,400

so that was some incredible validation

1595

00:58:15,510 --> 00:58:14,000

for the work that i was doing coming

1596

00:58:18,789 --> 00:58:15,520

from an individual like that and again i

1597

00:58:20,069 --> 00:58:18,799

did verify he is who he said he was uh

1598

00:58:22,870 --> 00:58:20,079

you know after he had initially

1599

00:58:24,870 --> 00:58:22,880

contacted me so the point is

1600

00:58:26,950 --> 00:58:24,880

the the nature of the dialogue is

1601
00:58:29,430 --> 00:58:26,960
changing where we are getting very

1602
00:58:31,589 --> 00:58:29,440
serious people uh retired or active duty

1603
00:58:33,670 --> 00:58:31,599
military or intelligence that are

1604
00:58:38,230 --> 00:58:33,680
engaging with researchers like myself

1605
00:58:40,069 --> 00:58:38,240
and others and having that dialogue and

1606
00:58:41,030 --> 00:58:40,079
it's just i think it bodes well for the

1607
00:58:43,430 --> 00:58:41,040
future

1608
00:58:45,349 --> 00:58:43,440
uh again i've said it before the more

1609
00:58:47,750 --> 00:58:45,359
brains and sets of eyes we have that are

1610
00:58:49,910 --> 00:58:47,760
looking at the subject and collaborating

1611
00:58:52,630 --> 00:58:49,920
i think it just it really bodes well for

1612
00:58:54,150 --> 00:58:52,640
the future of ufology

1613
00:58:56,630 --> 00:58:54,160

and all those you just mentioned are

1614

00:58:57,750 --> 00:58:56,640

quite uh you know quite the connections

1615

00:58:59,670 --> 00:58:57,760

to have

1616

00:59:02,150 --> 00:58:59,680

um so

1617

00:59:04,549 --> 00:59:02,160

you know i i have a one last question

1618

00:59:06,789 --> 00:59:04,559

for you before we uh finish up but uh

1619

00:59:07,510 --> 00:59:06,799

again i need to interject one of my own

1620

00:59:12,309 --> 00:59:07,520

so

1621

00:59:15,109 --> 00:59:12,319

what did they tell you i mean would they

1622

00:59:17,829 --> 00:59:15,119

give you some pretty um eye raising

1623

00:59:19,990 --> 00:59:17,839

information or was it just that you know

1624

00:59:22,390 --> 00:59:20,000

they're finding that yeah there's more

1625

00:59:24,870 --> 00:59:22,400

validity to this too from the uh

1626
00:59:26,950 --> 00:59:24,880
military governmental point of view

1627
00:59:28,870 --> 00:59:26,960
yeah they didn't disclose any

1628
00:59:30,390 --> 00:59:28,880
sensitive or classified information i'd

1629
00:59:33,270 --> 00:59:30,400
love to tell you they did i wish they

1630
00:59:36,630 --> 00:59:34,549
i couldn't have said that they did i

1631
00:59:38,950 --> 00:59:36,640
don't want to get them in trouble but no

1632
00:59:41,270 --> 00:59:38,960
in all honesty they didn't divulge any

1633
00:59:43,510 --> 00:59:41,280
secrets or anything of that nature they

1634
00:59:45,109 --> 00:59:43,520
did infer though that during their time

1635
00:59:46,789 --> 00:59:45,119
in the air force they had heard about

1636
00:59:48,549 --> 00:59:46,799
reports they had talked to other people

1637
00:59:50,309 --> 00:59:48,559
that had had sightings

1638
00:59:52,470 --> 00:59:50,319

and they basically

1639

00:59:54,309 --> 00:59:52,480

implied that you know in fact at one

1640

00:59:56,309 --> 00:59:54,319

point they were being very cryptic and i

1641

00:59:57,589 --> 00:59:56,319

asked the colonel the retired colonel i

1642

01:00:00,549 --> 00:59:57,599

said so

1643

01:00:01,589 --> 01:00:00,559

ufos real or not and he looked at me and

1644

01:00:02,360 --> 01:00:01,599

he goes

1645

01:00:04,789 --> 01:00:02,370

oh yeah

1646

01:00:06,950 --> 01:00:04,799

[Laughter]

1647

01:00:08,710 --> 01:00:06,960

and so and that's what's interesting is

1648

01:00:10,309 --> 01:00:08,720

for people like chris christopher mellon

1649

01:00:11,990 --> 01:00:10,319

who you know much of your audience i'm

1650

01:00:14,710 --> 01:00:12,000

sure is familiar with with chris and his

1651
01:00:16,549 --> 01:00:14,720
work on the ufo uap subject

1652
01:00:18,470 --> 01:00:16,559
the thing that you have to understand in

1653
01:00:21,030 --> 01:00:18,480
dealing with these people

1654
01:00:22,870 --> 01:00:21,040
i i always say that the conversation is

1655
01:00:25,109 --> 01:00:22,880
usually a one-way street

1656
01:00:26,710 --> 01:00:25,119
i can tell them what i'm finding what

1657
01:00:28,150 --> 01:00:26,720
i'm researching what i'm investigating

1658
01:00:29,829 --> 01:00:28,160
and they're keenly interested in and i

1659
01:00:30,630 --> 01:00:29,839
can tell you

1660
01:00:33,430 --> 01:00:30,640
but

1661
01:00:35,349 --> 01:00:33,440
i can't ask them what they know because

1662
01:00:36,390 --> 01:00:35,359
obviously they're bound by security

1663
01:00:40,069 --> 01:00:36,400

oaths

1664

01:00:42,230 --> 01:00:40,079

secrecy non-disclosure agreements etc so

1665

01:00:44,309 --> 01:00:42,240

i understand that going in and i think

1666

01:00:46,870 --> 01:00:44,319

that's why i've been successful

1667

01:00:48,630 --> 01:00:46,880

in garnering some of these uh military

1668

01:00:49,990 --> 01:00:48,640

and intelligence people wanting to talk

1669

01:00:52,470 --> 01:00:50,000

to me about the subject because i don't

1670

01:00:54,870 --> 01:00:52,480

put them in an uncomfortable position

1671

01:00:56,470 --> 01:00:54,880

asking questions that i know they can't

1672

01:00:57,670 --> 01:00:56,480

that they can't answer

1673

01:01:00,230 --> 01:00:57,680

right

1674

01:01:04,390 --> 01:01:00,240

yeah you definitely maintain their trust

1675

01:01:06,870 --> 01:01:04,400

um so david last question from hazel uh

1676

01:01:08,950 --> 01:01:06,880

is she's asking in your opinion which

1677

01:01:11,430 --> 01:01:08,960

follower just has the most useful

1678

01:01:13,829 --> 01:01:11,440

information

1679

01:01:16,630 --> 01:01:13,839

that's a really good question hazel wow

1680

01:01:19,750 --> 01:01:16,640

i got to think on that one a minute

1681

01:01:22,950 --> 01:01:21,510

that's a really hard one

1682

01:01:24,390 --> 01:01:22,960

um

1683

01:01:25,829 --> 01:01:24,400

because as you know there's popularity

1684

01:01:27,270 --> 01:01:25,839

and there's credibility the two don't

1685

01:01:29,109 --> 01:01:27,280

necessarily go together i can think of

1686

01:01:31,349 --> 01:01:29,119

some popular researchers but i wouldn't

1687

01:01:34,549 --> 01:01:31,359

necessarily say they're credible i i

1688

01:01:35,829 --> 01:01:34,559

will go to my default answer on that uh

1689

01:01:37,349 --> 01:01:35,839

i'm sure there's some other ones i could

1690

01:01:39,430 --> 01:01:37,359

think of but the one that i will tell

1691

01:01:40,710 --> 01:01:39,440

you that i have relied on that i have

1692

01:01:42,789 --> 01:01:40,720

respected

1693

01:01:45,349 --> 01:01:42,799

uh is jacques valet

1694

01:01:47,430 --> 01:01:45,359

uh and i say that because

1695

01:01:49,190 --> 01:01:47,440

i have verified some of the information

1696

01:01:50,630 --> 01:01:49,200

some of the cases he's talked about some

1697

01:01:53,270 --> 01:01:50,640

of the french cases i've recently

1698

01:01:54,870 --> 01:01:53,280

acquired some french periodicals that

1699

01:01:56,789 --> 01:01:54,880

touch on some of the cases that jacques

1700

01:01:58,630 --> 01:01:56,799

valet wrote about in his early years and

1701

01:02:01,589 --> 01:01:58,640

i verified the information through those

1702

01:02:03,109 --> 01:02:01,599

sources as well as foreign researchers

1703

01:02:05,349 --> 01:02:03,119

but i also

1704

01:02:07,829 --> 01:02:05,359

trusted respect jacques for one very

1705

01:02:11,029 --> 01:02:07,839

important reason he's postulated

1706

01:02:13,109 --> 01:02:11,039

different theories on the ufo subject

1707

01:02:15,029 --> 01:02:13,119

and the nature of the ufo subject

1708

01:02:17,829 --> 01:02:15,039

i've respected jacques because he's

1709

01:02:20,390 --> 01:02:17,839

never gone down the pathway or one might

1710

01:02:22,470 --> 01:02:20,400

say the rabbit hole of belief

1711

01:02:24,230 --> 01:02:22,480

quite often researchers that get into

1712

01:02:26,630 --> 01:02:24,240

the subject

1713

01:02:29,029 --> 01:02:26,640

they're objective but over time that

1714

01:02:31,510 --> 01:02:29,039

objectivity erodes and you find yourself

1715

01:02:33,829 --> 01:02:31,520

falling into the trap of belief which

1716

01:02:37,029 --> 01:02:33,839

then skews your objectivity

1717

01:02:39,349 --> 01:02:37,039

jacques to my knowledge has never ever

1718

01:02:42,150 --> 01:02:39,359

hung his hat or his coat on one pet

1719

01:02:44,950 --> 01:02:42,160

theory he's put forth a number of them

1720

01:02:47,670 --> 01:02:44,960

but he concedes that we can't be sure of

1721

01:02:49,910 --> 01:02:47,680

anything with regard to this ufo subject

1722

01:02:52,069 --> 01:02:49,920

and as i wrote in my book back in 2013

1723

01:02:54,150 --> 01:02:52,079

and i still say this today

1724

01:02:56,309 --> 01:02:54,160

despite having lots of data data doesn't

1725

01:02:58,789 --> 01:02:56,319

necessarily equate to answers and

1726

01:03:00,870 --> 01:02:58,799

there's no shame as a ufo researcher

1727

01:03:03,109 --> 01:03:00,880

saying we don't know

1728

01:03:05,029 --> 01:03:03,119

and i i kind of question those

1729

01:03:07,990 --> 01:03:05,039

researchers that think they do know the

1730

01:03:10,150 --> 01:03:08,000

answers to the ufo subject i i often

1731

01:03:12,390 --> 01:03:10,160

liken it to religion if you've got that

1732

01:03:14,309 --> 01:03:12,400

religious leader tell asking you to send

1733

01:03:16,549 --> 01:03:14,319

in your money and he's telling you i

1734

01:03:18,710 --> 01:03:16,559

know what god wants of you i always tell

1735

01:03:20,950 --> 01:03:18,720

people you need to run the other way

1736

01:03:22,549 --> 01:03:20,960

and same holds true with ufos if someone

1737

01:03:25,029 --> 01:03:22,559

tells you they know all the answers to

1738

01:03:26,710 --> 01:03:25,039

the ufo mystery they know why the aliens

1739

01:03:29,750 --> 01:03:26,720

are here and they know

1740

01:03:31,750 --> 01:03:29,760

how how you fit into the whole framework

1741

01:03:33,430 --> 01:03:31,760

run the other way it's it's the

1742

01:03:35,190 --> 01:03:33,440

researchers that i respect that say i

1743

01:03:36,870 --> 01:03:35,200

don't have any answers i have some

1744

01:03:39,349 --> 01:03:36,880

insights and i have some data i'd like

1745

01:03:41,510 --> 01:03:39,359

to share and that's really where i fall

1746

01:03:43,910 --> 01:03:41,520

i'm gonna share a lot of information

1747

01:03:45,910 --> 01:03:43,920

and uh but you know there's a reason we

1748

01:03:47,670 --> 01:03:45,920

call this the ufo mystery it's still a

1749

01:03:49,990 --> 01:03:47,680

mystery right

1750

01:03:51,910 --> 01:03:50,000

well david thank you for that so just in

1751

01:03:53,990 --> 01:03:51,920

conclusion i want to give you the the

1752

01:03:55,510 --> 01:03:54,000

last word to just uh finish off with

1753

01:03:58,390 --> 01:03:55,520

whatever it is on your mind that you

1754

01:04:00,789 --> 01:03:58,400

would like to leave the audience with

1755

01:04:03,990 --> 01:04:00,799

well i'd just like to say that as we've

1756

01:04:06,150 --> 01:04:04,000

touched on already i started attending

1757

01:04:09,190 --> 01:04:06,160

the ufo conference in eureka springs i

1758

01:04:10,950 --> 01:04:09,200

believe it was 1991 or 92.

1759

01:04:13,510 --> 01:04:10,960

and i have attended off and on since

1760

01:04:15,589 --> 01:04:13,520

then i started lecturing there in 2000

1761

01:04:17,829 --> 01:04:15,599

uh not to sound like a paid

1762

01:04:20,390 --> 01:04:17,839

infomercial or commercial but

1763

01:04:22,390 --> 01:04:20,400

uh it is truly one of the best ufo

1764

01:04:25,829 --> 01:04:22,400

conferences in the country and i just

1765

01:04:27,829 --> 01:04:25,839

don't say that based on the presenters i

1766

01:04:30,150 --> 01:04:27,839

say that based on the people of eureka

1767

01:04:31,670 --> 01:04:30,160

springs arkansas they make you feel so

1768

01:04:35,190 --> 01:04:31,680

welcome and at home

1769

01:04:37,829 --> 01:04:35,200

the landscape is beautiful but truly uh

1770

01:04:40,230 --> 01:04:37,839

you know the conference organizers

1771

01:04:42,230 --> 01:04:40,240

have done a wonderful job of presenting

1772

01:04:45,990 --> 01:04:42,240

really a stellar

1773

01:04:48,230 --> 01:04:46,000

lineup of presenters and a stellar

1774

01:04:49,750 --> 01:04:48,240

venue really

1775

01:04:53,190 --> 01:04:49,760

and

1776

01:04:55,029 --> 01:04:53,200

my fellow presenters

1777

01:04:56,230 --> 01:04:55,039

yes hopefully you'll learn things and

1778

01:04:58,789 --> 01:04:56,240

you'll be entertained attending the

1779

01:05:01,029 --> 01:04:58,799

lectures there but i'm here to tell you

1780

01:05:02,870 --> 01:05:01,039

if you stay up late at night you learn

1781

01:05:04,710 --> 01:05:02,880

so much by just talking to other people

1782

01:05:06,630 --> 01:05:04,720

from other parts of the country and

1783

01:05:08,950 --> 01:05:06,640

establishing the network because truly

1784

01:05:10,710 --> 01:05:08,960

there's people from all walks of life

1785

01:05:13,109 --> 01:05:10,720

from all across the country that attend

1786

01:05:15,349 --> 01:05:13,119

this conference and it is truly one of

1787

01:05:17,029 --> 01:05:15,359

the best conferences hands down on the

1788

01:05:19,029 --> 01:05:17,039

subject

1789

01:05:21,270 --> 01:05:19,039

well there you have it david thank you

1790

01:05:23,349 --> 01:05:21,280

very much again i really appreciate it

1791

01:05:26,630 --> 01:05:23,359

um in the description below for all of

1792

01:05:29,670 --> 01:05:26,640

you watching um i have uh david's link

1793

01:05:31,510 --> 01:05:29,680

to his website um also link to his

1794

01:05:33,670 --> 01:05:31,520

amazon book and i certainly always hope

1795

01:05:35,670 --> 01:05:33,680

that any guests that i have on that you

1796

01:05:37,990 --> 01:05:35,680

guys check them out and support them in

1797

01:05:40,309 --> 01:05:38,000

any way possible also

1798

01:05:42,069 --> 01:05:40,319

again the link for the registration to

1799

01:05:44,549 --> 01:05:42,079

get your tickets for either live

1800

01:05:47,349 --> 01:05:44,559

streaming or in person is in description

1801
01:05:49,430 --> 01:05:47,359
below so long story short everything is

1802
01:05:52,069 --> 01:05:49,440
in description box below

1803
01:05:54,549 --> 01:05:52,079
so uh david thank you again i really

1804
01:05:56,069 --> 01:05:54,559
appreciate you taking the time and um i

1805
01:05:57,829 --> 01:05:56,079
always you know i'm excited when

1806
01:05:59,829 --> 01:05:57,839
somebody could answer questions because

1807
01:06:02,470 --> 01:05:59,839
people you know always have questions of

1808
01:06:03,990 --> 01:06:02,480
their own and many times when somebody

1809
01:06:05,510 --> 01:06:04,000
says oh i was late or whatever i'm like

1810
01:06:06,789 --> 01:06:05,520
you should have written it down or put

1811
01:06:07,910 --> 01:06:06,799
in your calendar because it's not my

1812
01:06:09,589 --> 01:06:07,920
fault

1813
01:06:10,950 --> 01:06:09,599

well i look forward to seeing you on a

1814

01:06:13,029 --> 01:06:10,960

personal note and i look forward to

1815

01:06:14,630 --> 01:06:13,039

seeing as much as many of your audience

1816

01:06:16,390 --> 01:06:14,640

members as well hopefully in person if

1817

01:06:17,990 --> 01:06:16,400

not virtually

1818

01:06:19,750 --> 01:06:18,000

yeah me too because i know i'm probably

1819

01:06:21,750 --> 01:06:19,760

going to be meeting a few of them so

1820

01:06:23,430 --> 01:06:21,760

it's always it's it's a

1821

01:06:25,349 --> 01:06:23,440

first one really for me you know for

1822

01:06:27,029 --> 01:06:25,359

someone like hey i you know watch the

1823

01:06:29,430 --> 01:06:27,039

show i'm going to be down there i'm like

1824

01:06:31,670 --> 01:06:29,440

awesome you know let's meet

1825

01:06:33,430 --> 01:06:31,680

absolutely yeah all right well um

1826

01:06:34,470 --> 01:06:33,440

everyone else watching thank you all

1827

01:06:36,950 --> 01:06:34,480

very much
