

UFO HUB

LIVE STREAM

1
00:00:05,090 --> 00:01:06,149

[Music]

2
00:01:10,230 --> 00:01:08,230

hey everyone welcome to geofab

3
00:01:13,109 --> 00:01:10,240

livestream uh today's guest is going to

4
00:01:15,190 --> 00:01:13,119

be ray hernandez and he will be talking

5
00:01:17,990 --> 00:01:15,200

about his upcoming book uh the greater

6
00:01:19,510 --> 00:01:18,000

reality but more importantly race going

7
00:01:21,590 --> 00:01:19,520

to be um

8
00:01:24,230 --> 00:01:21,600

a speaker at the ozark mountain ufo

9
00:01:27,670 --> 00:01:24,240

conference coming up in april from april

10
00:01:29,590 --> 00:01:27,680

8th to 10th so as of today we are

11
00:01:31,350 --> 00:01:29,600

literally two weeks out

12
00:01:33,270 --> 00:01:31,360

it would be the official beginning of the

13
00:01:36,230 --> 00:01:33,280

conference would be two weeks from now

14

00:01:37,109 --> 00:01:36,240

on friday and i'm certainly hoping that

15

00:01:38,789 --> 00:01:37,119

uh

16

00:01:39,510 --> 00:01:38,799

some of you if not most of you can make

17

00:01:42,149 --> 00:01:39,520

it

18

00:01:44,630 --> 00:01:42,159

on the link below in the description you

19

00:01:46,950 --> 00:01:44,640

will find the registration link and you

20

00:01:49,510 --> 00:01:46,960

can still buy your streaming tickets or

21

00:01:51,429 --> 00:01:49,520

your tickets in person and

22

00:01:53,670 --> 00:01:51,439

we have quite a lot of people are

23

00:01:56,310 --> 00:01:53,680

excited that we're back in person and

24

00:01:57,350 --> 00:01:56,320

it's uh back up and open again so if you

25

00:02:00,069 --> 00:01:57,360

would like to

26
00:02:01,670 --> 00:02:00,079
um mingle and socialize again and get to

27
00:02:04,550 --> 00:02:01,680
see and meet some of these speakers in

28
00:02:06,870 --> 00:02:04,560
person this will be your chance um also

29
00:02:08,550 --> 00:02:06,880
in the description below i have uh some

30
00:02:11,190 --> 00:02:08,560
links for ray uh

31
00:02:13,270 --> 00:02:11,200
specifically uh amazon link to his book

32
00:02:15,030 --> 00:02:13,280
uh beyond ufos the

33
00:02:17,910 --> 00:02:15,040
later on i'll ask him when i have him on

34
00:02:20,790 --> 00:02:17,920
when exactly the uh the greater reality

35
00:02:22,710 --> 00:02:20,800
a book is going to be coming out and

36
00:02:24,390 --> 00:02:22,720
then some upcoming links that are not

37
00:02:28,229 --> 00:02:24,400
active yet but will be i believe

38
00:02:30,470 --> 00:02:28,239

starting april 1st so uh ray as always

39

00:02:33,509 --> 00:02:30,480

has a lot of great information to tell

40

00:02:35,350 --> 00:02:33,519

and many things to talk about so i will

41

00:02:37,910 --> 00:02:35,360

do my best to have him on as soon as

42

00:02:40,470 --> 00:02:37,920

possible here just want to cover some uh

43

00:02:42,390 --> 00:02:40,480

quick things here so we will do some q a

44

00:02:44,550 --> 00:02:42,400

with ray if you would like to ask him

45

00:02:46,869 --> 00:02:44,560

some questions uh those who are watching

46

00:02:49,430 --> 00:02:46,879

or twitch or youtube you can simply in

47

00:02:52,390 --> 00:02:49,440

the comment section uh submit a question

48

00:02:54,550 --> 00:02:52,400

um uh make sure to put three asterisks

49

00:02:56,630 --> 00:02:54,560

asterixes before your question so that

50

00:02:59,190 --> 00:02:56,640

way it pops out at me and i know it's

51
00:03:01,430 --> 00:02:59,200
not just a chat uh going on between

52
00:03:03,509 --> 00:03:01,440
amongst yourselves there and uh but if

53
00:03:06,550 --> 00:03:03,519
you would like to specifically talk to

54
00:03:09,030 --> 00:03:06,560
or directly talk to ray you can join the

55
00:03:11,430 --> 00:03:09,040
telegram group that's going on live

56
00:03:13,830 --> 00:03:11,440
right now and they're listening to voice

57
00:03:16,630 --> 00:03:13,840
only and so when the time comes you can

58
00:03:18,790 --> 00:03:16,640
simply raise your hand and

59
00:03:21,270 --> 00:03:18,800
i'll add you to my queue and we'll give

60
00:03:23,990 --> 00:03:21,280
you a chance to talk to uh to talk to

61
00:03:26,070 --> 00:03:24,000
ray but um yeah the the link for this

62
00:03:28,550 --> 00:03:26,080
for the telegram group group is in

63
00:03:29,910 --> 00:03:28,560

description below as well for telegram

64

00:03:31,990 --> 00:03:29,920

and um

65

00:03:33,589 --> 00:03:32,000

um as always everything is in the

66

00:03:35,190 --> 00:03:33,599

description

67

00:03:38,229 --> 00:03:35,200

all right everything seems to be running

68

00:03:39,350 --> 00:03:38,239

great so let me

69

00:03:43,030 --> 00:03:39,360

bring in

70

00:03:44,470 --> 00:03:43,040

uh welcome ray thanks for being on how

71

00:03:46,470 --> 00:03:44,480

are you

72

00:03:48,869 --> 00:03:46,480

thank you i really appreciate

73

00:03:51,270 --> 00:03:48,879

the opportunity to chat with you

74

00:03:51,990 --> 00:03:51,280

all right well i'm glad you're back and

75

00:03:54,710 --> 00:03:52,000

so

76

00:03:57,030 --> 00:03:54,720

um ray is not necessarily going to go

77

00:03:58,630 --> 00:03:57,040

over a presentation this time the whole

78

00:04:00,470 --> 00:03:58,640

point is for you to come to the

79

00:04:02,470 --> 00:04:00,480

conference and check it out i'm sure

80

00:04:04,789 --> 00:04:02,480

it's going to be very exciting and

81

00:04:06,869 --> 00:04:04,799

the new information that they have found

82

00:04:07,990 --> 00:04:06,879

and um so ray can you

83

00:04:09,509 --> 00:04:08,000

please give me just a little bit of

84

00:04:10,869 --> 00:04:09,519

background how that came about and what

85

00:04:12,149 --> 00:04:10,879

other people are involved because you're

86

00:04:14,869 --> 00:04:12,159

not the only one

87

00:04:18,150 --> 00:04:14,879

involved in writing this book correct

88

00:04:20,150 --> 00:04:18,160

that's correct we have five co-editors

89

00:04:23,670 --> 00:04:20,160

which are myself

90

00:04:24,950 --> 00:04:23,680

uh dr rudy shields who is an emeritus

91

00:04:27,670 --> 00:04:24,960

professor

92

00:04:29,590 --> 00:04:27,680

uh at the harvard smithsonian center for

93

00:04:32,550 --> 00:04:29,600

astrophysics

94

00:04:35,350 --> 00:04:32,560

we have dr michael grosso who taught

95

00:04:38,870 --> 00:04:35,360

philosophy for over 45 years

96

00:04:41,350 --> 00:04:38,880

he himself is a an experienter and

97

00:04:43,830 --> 00:04:41,360

he's written approximately 10 books all

98

00:04:47,270 --> 00:04:43,840

in the area of the paranormal

99

00:04:50,950 --> 00:04:47,280

academic books and then we have dr john

100

00:04:52,390 --> 00:04:50,960

cleo also an experienter and he taught

101
00:04:54,870 --> 00:04:52,400
psychology

102
00:04:57,110 --> 00:04:54,880
again for over 45 years

103
00:04:59,270 --> 00:04:57,120
and he's written several books on the

104
00:05:00,950 --> 00:04:59,280
paranormal and consciousness

105
00:05:03,510 --> 00:05:00,960
and um

106
00:05:06,550 --> 00:05:03,520
and his book titled channeling was

107
00:05:07,670 --> 00:05:06,560
translated to over 18 languages

108
00:05:10,950 --> 00:05:07,680
and then

109
00:05:12,230 --> 00:05:10,960
last but not least is dr jeffrey long

110
00:05:14,710 --> 00:05:12,240
who's now

111
00:05:17,110 --> 00:05:14,720
recently retired and he's one of the

112
00:05:19,909 --> 00:05:17,120
world's leading researchers on

113
00:05:21,749 --> 00:05:19,919

near-death experiences and

114

00:05:23,110 --> 00:05:21,759

to the best of my

115

00:05:26,629 --> 00:05:23,120

knowledge he's the

116

00:05:28,870 --> 00:05:26,639

has the largest database of both nde

117

00:05:30,310 --> 00:05:28,880

experiencers and out-of-body

118

00:05:32,390 --> 00:05:30,320

experiencers

119

00:05:35,029 --> 00:05:32,400

and he's written several books based

120

00:05:37,110 --> 00:05:35,039

upon the data i believe now he's up to

121

00:05:40,390 --> 00:05:37,120

13 000 people that have taken his

122

00:05:41,270 --> 00:05:40,400

surveys he has multiple survey questions

123

00:05:43,110 --> 00:05:41,280

in his

124

00:05:45,590 --> 00:05:43,120

website

125

00:05:47,270 --> 00:05:45,600

and so uh the five of us are the

126
00:05:50,629 --> 00:05:47,280
co-editors

127
00:05:52,230 --> 00:05:50,639
and then our book is titled a greater

128
00:05:54,950 --> 00:05:52,240
reality

129
00:05:56,550 --> 00:05:54,960
the new paradigm of non-local

130
00:05:58,150 --> 00:05:56,560
consciousness

131
00:06:00,710 --> 00:05:58,160
the paranormal

132
00:06:03,270 --> 00:06:00,720
and the contact modalities

133
00:06:06,390 --> 00:06:03,280
and we're going to have four volumes

134
00:06:09,830 --> 00:06:06,400
the first two volumes are theoretical in

135
00:06:12,469 --> 00:06:09,840
nature primarily written by

136
00:06:15,189 --> 00:06:12,479
numerous phd academics and medical

137
00:06:19,029 --> 00:06:15,199
doctors and then the last two volumes

138
00:06:20,710 --> 00:06:19,039

are written by experiencers

139

00:06:21,749 --> 00:06:20,720

almost all of them are individuals that

140

00:06:22,710 --> 00:06:21,759

have had

141

00:06:25,909 --> 00:06:22,720

um

142

00:06:26,790 --> 00:06:25,919

experiences via three or four or more

143

00:06:29,270 --> 00:06:26,800

different

144

00:06:31,430 --> 00:06:29,280

types of contact modalities

145

00:06:32,830 --> 00:06:31,440

so not just someone that has seen a ufo

146

00:06:35,029 --> 00:06:32,840

someone that's had an out-of-body

147

00:06:36,469 --> 00:06:35,039

experience someone that's only had a

148

00:06:38,469 --> 00:06:36,479

near-death experience no and someone

149

00:06:40,230 --> 00:06:38,479

that's had a near-death experience

150

00:06:42,230 --> 00:06:40,240

they've also had various out-of-body

151
00:06:45,430 --> 00:06:42,240
experiences they've also seen various

152
00:06:47,670 --> 00:06:45,440
ufos they've also seen deceased people

153
00:06:50,150 --> 00:06:47,680
and many of these people are highly

154
00:06:52,870 --> 00:06:50,160
trained professionals uh like medical

155
00:06:54,629 --> 00:06:52,880
doctors academic professors so that's

156
00:06:59,110 --> 00:06:54,639
going to be um

157
00:07:05,350 --> 00:07:02,469
so ray what i specifically love about

158
00:07:07,350 --> 00:07:05,360
the when you were doing the beyond ufos

159
00:07:09,510 --> 00:07:07,360
how you had the different breakdowns of

160
00:07:12,070 --> 00:07:09,520
all the data collected will you have

161
00:07:14,230 --> 00:07:12,080
something similar again in in the

162
00:07:19,430 --> 00:07:14,240
greater reality

163
00:07:21,670 --> 00:07:19,440

of that book is to introduce

164

00:07:22,710 --> 00:07:21,680

this new paradigm this new way of

165

00:07:24,230 --> 00:07:22,720

thinking

166

00:07:26,309 --> 00:07:24,240

and um

167

00:07:28,710 --> 00:07:26,319

which is quite complex

168

00:07:31,189 --> 00:07:28,720

and then later on uh we're going to be

169

00:07:33,350 --> 00:07:31,199

undertaking a comprehensive academic

170

00:07:35,909 --> 00:07:33,360

research study similar to the one that

171

00:07:38,629 --> 00:07:35,919

we did a view of all contact experiences

172

00:07:40,070 --> 00:07:38,639

except we're going to be doing it for

173

00:07:41,749 --> 00:07:40,080

the experiences of the contact

174

00:07:43,110 --> 00:07:41,759

modalities basically of all the

175

00:07:44,550 --> 00:07:43,120

paranormal

176

00:07:46,869 --> 00:07:44,560

we want to see how they're all

177

00:07:47,909 --> 00:07:46,879

interrelated

178

00:07:50,070 --> 00:07:47,919

and so

179

00:07:52,629 --> 00:07:50,080

again we're going to be having

180

00:07:55,670 --> 00:07:52,639

quantitative and qualitative

181

00:07:58,070 --> 00:07:55,680

surveys to administer to individuals all

182

00:08:00,070 --> 00:07:58,080

over the world in multiple languages but

183

00:08:02,869 --> 00:08:00,080

the purpose of our first book is to

184

00:08:04,230 --> 00:08:02,879

introduce these concepts

185

00:08:07,270 --> 00:08:04,240

which is

186

00:08:10,950 --> 00:08:07,280

our concepts that are not easily

187

00:08:15,029 --> 00:08:13,110

so ray is there um

188

00:08:16,710 --> 00:08:15,039

is something you can then share with us

189

00:08:18,070 --> 00:08:16,720

about the book without revealing too

190

00:08:20,469 --> 00:08:18,080

much since of course you want to leave

191

00:08:22,070 --> 00:08:20,479

it for the conference

192

00:08:25,029 --> 00:08:22,080

sure um

193

00:08:27,589 --> 00:08:25,039

the book uh the first half of it the

194

00:08:29,270 --> 00:08:27,599

first two volumes we anticipate that

195

00:08:30,710 --> 00:08:29,280

they're going to be approximately 600

196

00:08:34,310 --> 00:08:30,720

pages each

197

00:08:37,750 --> 00:08:34,320

so um two thick books and it's all going

198

00:08:39,350 --> 00:08:37,760

to be discussing uh two basic issues one

199

00:08:41,829 --> 00:08:39,360

is that

200

00:08:44,470 --> 00:08:41,839

that consciousness is primary

201
00:08:47,509 --> 00:08:44,480
that means that our um

202
00:08:49,910 --> 00:08:47,519
3d physical reality

203
00:08:53,110 --> 00:08:49,920
is uh an illusion

204
00:08:54,710 --> 00:08:53,120
we sense it via the five senses

205
00:08:56,550 --> 00:08:54,720
you know hearing

206
00:08:57,750 --> 00:08:56,560
touching smelling

207
00:08:59,030 --> 00:08:57,760
tasting

208
00:09:00,550 --> 00:08:59,040
uh

209
00:09:03,910 --> 00:09:00,560
etc

210
00:09:05,990 --> 00:09:03,920
but these five senses uh are not the

211
00:09:08,710 --> 00:09:06,000
true nature of our reality

212
00:09:11,430 --> 00:09:08,720
there's something much much more complex

213
00:09:12,710 --> 00:09:11,440

and it involves our own individuated

214

00:09:16,550 --> 00:09:12,720

consciousness

215

00:09:17,509 --> 00:09:16,560

um who we are as a soul as a spirit as a

216

00:09:22,550 --> 00:09:17,519

as a

217

00:09:25,350 --> 00:09:22,560

reality

218

00:09:27,590 --> 00:09:25,360

within the mind of god

219

00:09:29,269 --> 00:09:27,600

if you want to use this term but we're

220

00:09:30,630 --> 00:09:29,279

not referring it from a religious

221

00:09:32,870 --> 00:09:30,640

perspective

222

00:09:35,030 --> 00:09:32,880

and so it's a

223

00:09:36,710 --> 00:09:35,040

it's a very complex philosophy that's

224

00:09:39,350 --> 00:09:36,720

been talked about

225

00:09:41,350 --> 00:09:39,360

since the dawn of mankind

226

00:09:43,750 --> 00:09:41,360

i guess it was first put in written

227

00:09:45,509 --> 00:09:43,760

language with the ancient vedic

228

00:09:47,509 --> 00:09:45,519

tradition

229

00:09:48,790 --> 00:09:47,519

and then from there it's been passed

230

00:09:51,030 --> 00:09:48,800

down through

231

00:09:53,750 --> 00:09:51,040

all of the major cultural

232

00:09:54,790 --> 00:09:53,760

traditions mystical traditions

233

00:09:58,470 --> 00:09:54,800

from

234

00:09:59,750 --> 00:09:58,480

greek philosophy

235

00:10:02,230 --> 00:09:59,760

from

236

00:10:03,590 --> 00:10:02,240

indigenous cultures in africa and latin

237

00:10:05,670 --> 00:10:03,600

america

238

00:10:08,389 --> 00:10:05,680

et cetera

239

00:10:09,670 --> 00:10:08,399

roman philosophy even

240

00:10:12,949 --> 00:10:09,680

european

241

00:10:15,590 --> 00:10:12,959

uh philosophy of the mind discussions

242

00:10:17,829 --> 00:10:15,600

and and that is that our reality is not

243

00:10:20,630 --> 00:10:17,839

what we think it is but it's much much

244

00:10:22,870 --> 00:10:20,640

more greater much more expensive

245

00:10:25,430 --> 00:10:22,880

more recently individuals are discussing

246

00:10:29,430 --> 00:10:25,440

a virtual reality model but this is a

247

00:10:32,870 --> 00:10:29,440

virtual reality model based upon

248

00:10:34,790 --> 00:10:32,880

the spirituality that we are eternal

249

00:10:36,069 --> 00:10:34,800

spiritual beings

250

00:10:39,430 --> 00:10:36,079

so um

251

00:10:42,389 --> 00:10:39,440

and then we go into the separate uh

252

00:10:45,750 --> 00:10:42,399

topics uh areas

253

00:10:47,990 --> 00:10:45,760

the first topic area is to discuss

254

00:10:50,870 --> 00:10:48,000

what is consciousness and we're going to

255

00:10:52,949 --> 00:10:50,880

be having various articles

256

00:10:55,030 --> 00:10:52,959

one particular article is going to have

257

00:10:57,590 --> 00:10:55,040

uh two of the co-editors

258

00:11:00,069 --> 00:10:57,600

are professors uh in the medical school

259

00:11:04,550 --> 00:11:00,079

at the university of virginia dr bruce

260

00:11:07,110 --> 00:11:04,560

grayson who is was the leading academic

261

00:11:08,470 --> 00:11:07,120

on near-death experiences and he's

262

00:11:11,030 --> 00:11:08,480

affiliated with the university of

263

00:11:13,430 --> 00:11:11,040

virginia division of perceptual studies

264

00:11:15,990 --> 00:11:13,440

then we have dr jim tucker

265

00:11:17,829 --> 00:11:16,000

and he took over the work on

266

00:11:20,870 --> 00:11:17,839

reincarnation

267

00:11:22,790 --> 00:11:20,880

by dr ian stevenson and

268

00:11:25,030 --> 00:11:22,800

both of these individuals have been on

269

00:11:28,949 --> 00:11:25,040

the faculty at the medical school at the

270

00:11:29,910 --> 00:11:28,959

university of virginia for over 25 years

271

00:11:36,230 --> 00:11:29,920

and

272

00:11:39,030 --> 00:11:36,240

larry dossey who's a major

273

00:11:41,190 --> 00:11:39,040

publisher on the topic of consciousness

274

00:11:43,670 --> 00:11:41,200

and he's also a medical doctor and

275

00:11:46,150 --> 00:11:43,680

finally we have um

276

00:11:47,350 --> 00:11:46,160

a retired professor from stanford

277

00:11:48,310 --> 00:11:47,360

university

278

00:11:51,190 --> 00:11:48,320

um

279

00:11:52,790 --> 00:11:51,200

dr stanley krippner and he was a

280

00:11:54,710 --> 00:11:52,800

professor of physics

281

00:11:56,790 --> 00:11:54,720

and

282

00:11:59,590 --> 00:11:56,800

so these are the four articles of this

283

00:12:01,750 --> 00:11:59,600

one our chapter and then we have about

284

00:12:03,590 --> 00:12:01,760

four or five different chapters all

285

00:12:04,870 --> 00:12:03,600

discussing this whole aspect of what is

286

00:12:07,750 --> 00:12:04,880

consciousness

287

00:12:09,590 --> 00:12:07,760

and then the second grouping area is a

288

00:12:11,670 --> 00:12:09,600

grouping area titled

289

00:12:15,750 --> 00:12:11,680

non-local consciousness

290

00:12:18,069 --> 00:12:15,760

and and that area is focused on dr uh

291

00:12:21,030 --> 00:12:18,079

the late dr edgar mitchell's

292

00:12:24,790 --> 00:12:21,040

quantum hologram theory of consciousness

293

00:12:27,910 --> 00:12:24,800

which is uh extremely complex

294

00:12:30,230 --> 00:12:27,920

we are publishing his uh magnum opus

295

00:12:31,829 --> 00:12:30,240

article which has never been published

296

00:12:33,670 --> 00:12:31,839

before except for

297

00:12:34,949 --> 00:12:33,680

in an astrophysics journal in the

298

00:12:36,629 --> 00:12:34,959

journal of

299

00:12:39,430 --> 00:12:36,639

of cosmology

300

00:12:41,030 --> 00:12:39,440

whose director is dr rudy shields

301
00:12:44,470 --> 00:12:41,040
and um

302
00:12:46,310 --> 00:12:44,480
the article is is is difficult to read

303
00:12:48,310 --> 00:12:46,320
and has physics language in it but it's

304
00:12:49,350 --> 00:12:48,320
not meant for a physicist it's meant for

305
00:12:54,069 --> 00:12:49,360
the average

306
00:12:57,430 --> 00:12:54,079
uh reader and that goes into how our

307
00:12:59,910 --> 00:12:57,440
mind not our brain but how the human

308
00:13:03,190 --> 00:12:59,920
bind is able to tap into

309
00:13:06,150 --> 00:13:03,200
information fields in of our reality and

310
00:13:07,590 --> 00:13:06,160
is able to retrieve information like esp

311
00:13:08,550 --> 00:13:07,600
precognition

312
00:13:12,870 --> 00:13:08,560
um

313
00:13:14,949 --> 00:13:12,880

events

314

00:13:17,430 --> 00:13:14,959

and then we have a uh

315

00:13:19,030 --> 00:13:17,440

dr glenn ryan who's a professor

316

00:13:25,829 --> 00:13:19,040

of um

317

00:13:28,790 --> 00:13:25,839

received the phd at the university of

318

00:13:31,110 --> 00:13:28,800

london in biochemistry and what he did

319

00:13:34,230 --> 00:13:31,120

is he took edgar mitchell's article and

320

00:13:36,470 --> 00:13:34,240

he extended it to the the contact

321

00:13:37,829 --> 00:13:36,480

modalities and to contact with non-human

322

00:13:41,030 --> 00:13:37,839

intelligence

323

00:13:42,389 --> 00:13:41,040

and uh a very important article as well

324

00:13:44,629 --> 00:13:42,399

and um

325

00:13:46,790 --> 00:13:44,639

so we have three or four articles

326

00:13:48,470 --> 00:13:46,800

that talk about edgar mitchell's very

327

00:13:50,310 --> 00:13:48,480

important theory of consciousness and

328

00:13:52,069 --> 00:13:50,320

the quantum hologram

329

00:13:54,629 --> 00:13:52,079

another way of thinking of a quantum

330

00:13:57,670 --> 00:13:54,639

hologram is that we are living inside a

331

00:13:59,829 --> 00:13:57,680

virtual reality and it's how we as human

332

00:14:01,750 --> 00:13:59,839

beings are interacting within this

333

00:14:03,269 --> 00:14:01,760

virtual reality

334

00:14:05,269 --> 00:14:03,279

and then we have articles on the

335

00:14:07,750 --> 00:14:05,279

different contact modalities we have

336

00:14:09,110 --> 00:14:07,760

roughly 11 articles

337

00:14:12,310 --> 00:14:09,120

on on

338

00:14:14,230 --> 00:14:12,320

the topic of uaps and ufos and all of

339

00:14:17,509 --> 00:14:14,240

these articles are

340

00:14:19,910 --> 00:14:17,519

alternatives to the materialist nuts and

341

00:14:22,389 --> 00:14:19,920

bolts approach to ufology

342

00:14:23,990 --> 00:14:22,399

and i won't go into all of those details

343

00:14:24,790 --> 00:14:24,000

but basically after you finish reading

344

00:14:26,629 --> 00:14:24,800

that

345

00:14:29,269 --> 00:14:26,639

you're going to be blown away and you

346

00:14:30,790 --> 00:14:29,279

never thought of ufology from this

347

00:14:32,310 --> 00:14:30,800

radical approach

348

00:14:34,949 --> 00:14:32,320

then we have a whole section on

349

00:14:36,389 --> 00:14:34,959

near-death experiences a whole section

350

00:14:39,030 --> 00:14:36,399

on um

351
00:14:42,310 --> 00:14:39,040
out-of-body experiences remote viewing

352
00:14:44,550 --> 00:14:42,320
clairvoyance and astral traveling

353
00:14:46,870 --> 00:14:44,560
again each of these subjects have uh

354
00:14:50,310 --> 00:14:46,880
that particular area has more than five

355
00:14:52,870 --> 00:14:50,320
articles we have articles on um on the

356
00:14:53,910 --> 00:14:52,880
topic of uh ghosts um

357
00:15:02,069 --> 00:14:53,920
um

358
00:15:05,189 --> 00:15:02,079
and uh uh

359
00:15:07,750 --> 00:15:05,199
those areas of of the deceased

360
00:15:10,310 --> 00:15:07,760
and then numerous other uh

361
00:15:12,230 --> 00:15:10,320
areas of the contact modalities

362
00:15:15,110 --> 00:15:12,240
and then we have another category about

363
00:15:17,189 --> 00:15:15,120

future research of the organization

364

00:15:18,230 --> 00:15:17,199

and then we have about six articles that

365

00:15:20,949 --> 00:15:18,240

are like

366

00:15:24,310 --> 00:15:20,959

conclusion uh type of articles

367

00:15:25,590 --> 00:15:24,320

um that wrap up all of these topics uh

368

00:15:26,710 --> 00:15:25,600

together

369

00:15:28,710 --> 00:15:26,720

and

370

00:15:31,590 --> 00:15:28,720

so that's going to be two volumes it's

371

00:15:33,430 --> 00:15:31,600

going to be close to 1200 pages and it

372

00:15:34,710 --> 00:15:33,440

will provide you with a theoretical

373

00:15:37,430 --> 00:15:34,720

foundation

374

00:15:40,310 --> 00:15:37,440

to begin to understand the

375

00:15:41,749 --> 00:15:40,320

the complex nature of our true reality

376

00:15:44,790 --> 00:15:41,759

which is a

377

00:15:46,629 --> 00:15:44,800

reality based upon consciousness

378

00:15:48,550 --> 00:15:46,639

and then volumes three and four are

379

00:15:51,990 --> 00:15:48,560

articles written

380

00:15:54,710 --> 00:15:52,000

by major contact experiencers

381

00:15:56,150 --> 00:15:54,720

we're going to have close to 80 articles

382

00:15:57,749 --> 00:15:56,160

um

383

00:15:59,509 --> 00:15:57,759

and there they're describing their

384

00:16:01,749 --> 00:15:59,519

experiences

385

00:16:04,150 --> 00:16:01,759

and i could describe one uh as an

386

00:16:06,870 --> 00:16:04,160

illustration

387

00:16:11,110 --> 00:16:06,880

yeah one is uh her name is dr melinda

388

00:16:12,470 --> 00:16:11,120

greer she was very very apprehensive

389

00:16:16,870 --> 00:16:12,480

about

390

00:16:17,990 --> 00:16:16,880

i actually met her physically for the

391

00:16:21,269 --> 00:16:18,000

first time

392

00:16:23,350 --> 00:16:21,279

at the arkansas ufo conference

393

00:16:25,670 --> 00:16:23,360

together with another lady another major

394

00:16:27,990 --> 00:16:25,680

experiencers i consider these two ladies

395

00:16:30,069 --> 00:16:28,000

as two of the top three major

396

00:16:32,150 --> 00:16:30,079

experiencers i've ever met

397

00:16:33,670 --> 00:16:32,160

and both of them i met at your

398

00:16:36,389 --> 00:16:33,680

conference

399

00:16:38,870 --> 00:16:36,399

let me talk about dr melinda greer dr

400

00:16:39,829 --> 00:16:38,880

melinda greer now is recently retired

401
00:16:42,710 --> 00:16:39,839
and now

402
00:16:44,710 --> 00:16:42,720
she's out in the open um we also

403
00:16:46,790 --> 00:16:44,720
interviewed her for our documentary

404
00:16:49,269 --> 00:16:46,800
which i could talk about later on

405
00:16:51,829 --> 00:16:49,279
uh so basically here you have a woman

406
00:16:54,310 --> 00:16:51,839
that works in a hospital

407
00:16:58,310 --> 00:16:54,320
saving the lives of children she's a

408
00:16:59,670 --> 00:16:58,320
pediatric emergency room uh

409
00:17:01,350 --> 00:16:59,680
medical doctor

410
00:17:05,029 --> 00:17:01,360
and um

411
00:17:07,990 --> 00:17:05,039
this woman has seen 12 ufos

412
00:17:09,669 --> 00:17:08,000
most of them very very large very very

413
00:17:11,750 --> 00:17:09,679

up close

414

00:17:14,710 --> 00:17:11,760

i think five different times she saw

415

00:17:17,510 --> 00:17:14,720

these huge triangle crafts

416

00:17:18,710 --> 00:17:17,520

many of them were from horizon to

417

00:17:21,909 --> 00:17:18,720

horizon

418

00:17:23,829 --> 00:17:21,919

that uh blanketed all the skies

419

00:17:25,909 --> 00:17:23,839

um the times that she did see them at

420

00:17:28,710 --> 00:17:25,919

night they blocked out all the stars in

421

00:17:29,830 --> 00:17:28,720

the sky twice she saw this with her

422

00:17:30,870 --> 00:17:29,840

husband

423

00:17:32,950 --> 00:17:30,880

um

424

00:17:35,990 --> 00:17:32,960

so and there were many different types

425

00:17:39,110 --> 00:17:36,000

of these uaps that she saw it wasn't

426

00:17:40,950 --> 00:17:39,120

just a triangle those are just uh um uh

427

00:17:42,230 --> 00:17:40,960

the most common one that that she

428

00:17:43,750 --> 00:17:42,240

described to me but there were many

429

00:17:46,230 --> 00:17:43,760

other different types

430

00:17:48,870 --> 00:17:46,240

uh she's also has had two near-death

431

00:17:52,630 --> 00:17:48,880

experiences the first one when she was a

432

00:17:55,029 --> 00:17:52,640

child and the second one when she was um

433

00:17:59,310 --> 00:17:55,039

uh already a medical doctor

434

00:18:01,909 --> 00:17:59,320

um and so uh the second nde was

435

00:18:03,430 --> 00:18:01,919

unbelievably profound

436

00:18:05,990 --> 00:18:03,440

and i'll just give you a little snippet

437

00:18:08,470 --> 00:18:06,000

of it and uh in that near-death

438

00:18:09,430 --> 00:18:08,480

experience she described how

439

00:18:12,470 --> 00:18:09,440

um

440

00:18:15,590 --> 00:18:12,480

who she was the spirit the essence the

441

00:18:18,230 --> 00:18:15,600

information of dr melinda greer that was

442

00:18:21,029 --> 00:18:18,240

accumulated through her entire lifetime

443

00:18:23,029 --> 00:18:21,039

how that information was uploaded to

444

00:18:24,150 --> 00:18:23,039

like a central database like a central

445

00:18:26,830 --> 00:18:24,160

computer

446

00:18:30,150 --> 00:18:26,840

and again it reflects back to the

447

00:18:32,950 --> 00:18:30,160

hypothesis of us living in a

448

00:18:36,789 --> 00:18:32,960

in a a virtual reality inside the mind

449

00:18:39,029 --> 00:18:36,799

of god and how we return back to the

450

00:18:41,430 --> 00:18:39,039

mind of god when we die and she

451
00:18:42,549 --> 00:18:41,440
describes it in in detail that whole

452
00:18:44,230 --> 00:18:42,559
process

453
00:18:46,789 --> 00:18:44,240
and again if you can see my my

454
00:18:49,190 --> 00:18:46,799
background here it's binary codes zeros

455
00:18:51,669 --> 00:18:49,200
and ones and that reflects the fact that

456
00:18:52,950 --> 00:18:51,679
we are living in a reality based upon

457
00:18:53,669 --> 00:18:52,960
information

458
00:18:55,510 --> 00:18:53,679
so

459
00:18:58,710 --> 00:18:55,520
um

460
00:19:01,270 --> 00:18:58,720
her near-death experience she described

461
00:19:03,909 --> 00:19:01,280
what happened to her she described being

462
00:19:06,710 --> 00:19:03,919
in this other reality uh very very

463
00:19:09,190 --> 00:19:06,720

detailed and then she describes um of

464

00:19:11,190 --> 00:19:09,200

her going back to her body she was like

465

00:19:13,909 --> 00:19:11,200

about a foot on top of her body seeing

466

00:19:15,669 --> 00:19:13,919

her her dead body underneath her and she

467

00:19:19,350 --> 00:19:15,679

was just looking at it you know for like

468

00:19:21,669 --> 00:19:19,360

over a minute and um and then all all of

469

00:19:23,350 --> 00:19:21,679

a sudden she just

470

00:19:27,270 --> 00:19:23,360

went back into her body and she

471

00:19:29,110 --> 00:19:27,280

described that whole experience

472

00:19:30,630 --> 00:19:29,120

and she also described how the

473

00:19:32,789 --> 00:19:30,640

experience started where she first

474

00:19:35,110 --> 00:19:32,799

floated out of her body so it's very

475

00:19:37,190 --> 00:19:35,120

very detailed she's had two of those she

476

00:19:38,470 --> 00:19:37,200

also discussed about her outer body

477

00:19:41,270 --> 00:19:38,480

experiences

478

00:19:43,430 --> 00:19:41,280

uh she also discussed when she was young

479

00:19:45,830 --> 00:19:43,440

she used to have many astral travel

480

00:19:46,789 --> 00:19:45,840

experiences that were actually teaching

481

00:19:48,470 --> 00:19:46,799

lessons

482

00:19:50,549 --> 00:19:48,480

and let me just

483

00:19:53,110 --> 00:19:50,559

describe

484

00:19:56,070 --> 00:19:53,120

a couple of them for you uh one was that

485

00:19:58,070 --> 00:19:56,080

she was a a little girl and she asked

486

00:20:00,230 --> 00:19:58,080

her mother she saw on the news of this

487

00:20:02,549 --> 00:20:00,240

man that robbed the bank and in the

488

00:20:04,950 --> 00:20:02,559

process of robbing a bank uh that he

489

00:20:06,950 --> 00:20:04,960

killed two people in the bank

490

00:20:09,190 --> 00:20:06,960

so she asked her mother i said mom how

491

00:20:11,750 --> 00:20:09,200

could you know this man just kill two

492

00:20:12,549 --> 00:20:11,760

innocent people how could this possibly

493

00:20:13,990 --> 00:20:12,559

be

494

00:20:16,310 --> 00:20:14,000

and so her mother gave her an

495

00:20:18,870 --> 00:20:16,320

explanation but she wasn't satisfied

496

00:20:20,470 --> 00:20:18,880

with that explanation so that evening

497

00:20:23,669 --> 00:20:20,480

when she was asleep

498

00:20:25,669 --> 00:20:23,679

all of a sudden her ethereal body her

499

00:20:28,149 --> 00:20:25,679

consciousness appeared

500

00:20:29,909 --> 00:20:28,159

in the getaway car of that man that had

501
00:20:32,549 --> 00:20:29,919
robbed the bank so he was there

502
00:20:34,870 --> 00:20:32,559
physically right in front of her okay

503
00:20:36,630 --> 00:20:34,880
and then all of a sudden she began to

504
00:20:37,590 --> 00:20:36,640
read his mind

505
00:20:40,070 --> 00:20:37,600
okay

506
00:20:42,070 --> 00:20:40,080
and uh and that's very very common in a

507
00:20:44,149 --> 00:20:42,080
near-death experience and also in

508
00:20:45,750 --> 00:20:44,159
out-of-body experiences where you're

509
00:20:47,270 --> 00:20:45,760
actually reading the mind of someone

510
00:20:49,510 --> 00:20:47,280
else and someone else is able to read

511
00:20:51,750 --> 00:20:49,520
your mind and also all communication is

512
00:20:54,549 --> 00:20:51,760
telepathic so she began to read this

513
00:20:55,669 --> 00:20:54,559

man's mind and she discovered was that

514

00:20:58,070 --> 00:20:55,679

this man

515

00:20:59,750 --> 00:20:58,080

uh was saying i'm never going to back to

516

00:21:03,510 --> 00:20:59,760

that jail i'm never going back to that

517

00:21:06,149 --> 00:21:03,520

jail he had been raped violated abused

518

00:21:08,470 --> 00:21:06,159

and it was a horrific experience and so

519

00:21:11,510 --> 00:21:08,480

when the security guard pulled out a gun

520

00:21:13,990 --> 00:21:11,520

okay he he had to kill him because he

521

00:21:15,990 --> 00:21:14,000

said he's never going to go back and be

522

00:21:17,830 --> 00:21:16,000

violated again in that jail it was

523

00:21:19,590 --> 00:21:17,840

horrible experience for him

524

00:21:21,990 --> 00:21:19,600

and then and other information about

525

00:21:24,230 --> 00:21:22,000

this man's life you know uh

526

00:21:27,669 --> 00:21:24,240

came to her because she was like a

527

00:21:30,630 --> 00:21:27,679

spirit in the in the passenger side uh

528

00:21:33,190 --> 00:21:30,640

of this man in the getaway car so after

529

00:21:34,549 --> 00:21:33,200

that you know when she woke up she now

530

00:21:36,870 --> 00:21:34,559

had her answer

531

00:21:39,190 --> 00:21:36,880

of why did this man kill

532

00:21:41,190 --> 00:21:39,200

these two innocent people and it was

533

00:21:43,590 --> 00:21:41,200

because he didn't want to go did not

534

00:21:45,510 --> 00:21:43,600

want to go back to that jail because he

535

00:21:47,909 --> 00:21:45,520

had such an abusive experience in that

536

00:21:50,470 --> 00:21:47,919

jail a horrific experience

537

00:21:51,510 --> 00:21:50,480

and so then there was another experience

538

00:21:53,830 --> 00:21:51,520

um

539

00:21:55,350 --> 00:21:53,840

that she described

540

00:21:57,590 --> 00:21:55,360

which when we interviewed her in our

541

00:21:59,029 --> 00:21:57,600

documentary was that when she was a girl

542

00:22:01,350 --> 00:21:59,039

she mentioned that there was uh in

543

00:22:04,230 --> 00:22:01,360

second grade it was there was the two

544

00:22:05,350 --> 00:22:04,240

two boys that liked to play with girls

545

00:22:07,669 --> 00:22:05,360

they didn't want to play with the other

546

00:22:10,549 --> 00:22:07,679

boys they liked to play with dolls

547

00:22:13,990 --> 00:22:10,559

they were very um

548

00:22:16,630 --> 00:22:14,000

feminine in their uh outlook so they

549

00:22:18,149 --> 00:22:16,640

acted more like girls than boys so she

550

00:22:20,390 --> 00:22:18,159

went to her mother and she asked her

551
00:22:22,230 --> 00:22:20,400
mother mom i've got these two boys in my

552
00:22:24,070 --> 00:22:22,240
class but they're like girls they want

553
00:22:24,789 --> 00:22:24,080
to play with dolls they rather play with

554
00:22:25,669 --> 00:22:24,799
us

555
00:22:31,590 --> 00:22:25,679
and

556
00:22:33,020 --> 00:22:31,600
wasn't satisfied with it so then she

557
00:22:34,549 --> 00:22:33,030
described um

558
00:22:37,110 --> 00:22:34,559
[Music]

559
00:22:39,669 --> 00:22:37,120
her when she was sleeping that night how

560
00:22:41,510 --> 00:22:39,679
all of a sudden she was in a metropolis

561
00:22:43,750 --> 00:22:41,520
a huge city which she had never been in

562
00:22:45,990 --> 00:22:43,760
a huge city before and she described

563
00:22:47,590 --> 00:22:46,000

entering an office the office had all

564

00:22:49,669 --> 00:22:47,600

this modern furniture which she had

565

00:22:52,830 --> 00:22:49,679

never seen before and then there was a

566

00:22:56,230 --> 00:22:52,840

man behind this elegant modern desk

567

00:22:58,870 --> 00:22:56,240

um very very handsome dressed in a fancy

568

00:23:01,430 --> 00:22:58,880

suit and he told her melinda please sit

569

00:23:03,350 --> 00:23:01,440

down so she sat down and she described

570

00:23:04,789 --> 00:23:03,360

as her legs as hanging because she was

571

00:23:07,029 --> 00:23:04,799

still very small

572

00:23:09,270 --> 00:23:07,039

and then he asked her a question he said

573

00:23:11,110 --> 00:23:09,280

melinda how do you love your mother how

574

00:23:13,430 --> 00:23:11,120

much do you love your mother and so she

575

00:23:15,110 --> 00:23:13,440

said oh my god my mother oh

576

00:23:17,270 --> 00:23:15,120

i cannot describe how much i love my

577

00:23:19,430 --> 00:23:17,280

mother and then went on to tell this man

578

00:23:22,070 --> 00:23:19,440

how much she loved her mother and so

579

00:23:23,430 --> 00:23:22,080

this man said well melinda the way you

580

00:23:25,430 --> 00:23:23,440

love your mother

581

00:23:27,990 --> 00:23:25,440

i love another man

582

00:23:30,630 --> 00:23:28,000

okay and then began to tell her that

583

00:23:33,430 --> 00:23:30,640

love is eternal it's throughout the

584

00:23:34,470 --> 00:23:33,440

whole universe and it doesn't matter

585

00:23:37,350 --> 00:23:34,480

whether

586

00:23:40,070 --> 00:23:37,360

uh you know what type of relationship is

587

00:23:41,990 --> 00:23:40,080

because love is universal throughout our

588

00:23:44,710 --> 00:23:42,000

reality and i just happen to love

589

00:23:47,190 --> 00:23:44,720

another man you know and so you know he

590

00:23:49,669 --> 00:23:47,200

began to tell her all these details so

591

00:23:52,630 --> 00:23:49,679

when she woke up the next day she had

592

00:23:56,230 --> 00:23:52,640

the answers you know how

593

00:23:58,950 --> 00:23:56,240

why these boys are acting that way okay

594

00:24:00,710 --> 00:23:58,960

and then um she uh she said that these

595

00:24:02,789 --> 00:24:00,720

experiences were from the age of three

596

00:24:05,590 --> 00:24:02,799

years old all the way to like the age of

597

00:24:08,070 --> 00:24:05,600

11 or 12 years old so these were you

598

00:24:09,510 --> 00:24:08,080

know almost nightly type of teaching

599

00:24:11,350 --> 00:24:09,520

experiences

600

00:24:13,029 --> 00:24:11,360

another thing about dr melinda grier is

601
00:24:15,430 --> 00:24:13,039
that she's had three sash wash

602
00:24:19,269 --> 00:24:15,440
experiences two of them were very up

603
00:24:23,029 --> 00:24:19,279
close okay so in our book she describes

604
00:24:26,230 --> 00:24:23,039
uh uh some of those stories uh and truly

605
00:24:28,390 --> 00:24:26,240
unbelievable okay and then um

606
00:24:30,950 --> 00:24:28,400
after her second near-death experience

607
00:24:33,110 --> 00:24:30,960
she began to see the siege people in her

608
00:24:35,269 --> 00:24:33,120
hospital people that were like going

609
00:24:37,269 --> 00:24:35,279
through walls there was one man that she

610
00:24:39,110 --> 00:24:37,279
called out to him she said you know oh

611
00:24:41,029 --> 00:24:39,120
you know what are you doing here and she

612
00:24:43,029 --> 00:24:41,039
described the man as very pale very very

613
00:24:45,590 --> 00:24:43,039

sickly all of a sudden the man looked at

614

00:24:48,230 --> 00:24:45,600

her and he like ran right through the

615

00:24:50,070 --> 00:24:48,240

elevator doors that were closed okay and

616

00:24:51,830 --> 00:24:50,080

she had numerous experiences like that

617

00:24:54,710 --> 00:24:51,840

and some of them were witnessed by other

618

00:24:57,990 --> 00:24:54,720

people as well in the hospital so

619

00:25:00,950 --> 00:24:58,000

he here is a a medical doctor who's

620

00:25:03,909 --> 00:25:00,960

saving the lives of children at a major

621

00:25:06,149 --> 00:25:03,919

medical hospital but yet she's having

622

00:25:07,830 --> 00:25:06,159

so many diverse experiences via the

623

00:25:10,390 --> 00:25:07,840

contact modalities

624

00:25:13,750 --> 00:25:10,400

so that's just an illustration of the

625

00:25:15,990 --> 00:25:13,760

over 70 people that we have in our book

626
00:25:17,830 --> 00:25:16,000
these individuals that have had

627
00:25:20,070 --> 00:25:17,840
everything in the kitchen sink

628
00:25:22,470 --> 00:25:20,080
and that is just an example from an

629
00:25:24,230 --> 00:25:22,480
experiencer perspective of what we are

630
00:25:26,830 --> 00:25:24,240
describing from a theoretical

631
00:25:28,789 --> 00:25:26,840
perspective that all of these

632
00:25:31,909 --> 00:25:28,799
experiences okay

633
00:25:33,909 --> 00:25:31,919
uh need to be studied as one integrated

634
00:25:35,110 --> 00:25:33,919
phenomenon okay

635
00:25:37,430 --> 00:25:35,120
right now

636
00:25:38,630 --> 00:25:37,440
uh they're being seen as separate and

637
00:25:39,750 --> 00:25:38,640
distinct

638
00:25:42,789 --> 00:25:39,760

for example

639

00:25:45,110 --> 00:25:42,799

in ufology okay these major researchers

640

00:25:46,630 --> 00:25:45,120

that go to all these major conferences

641

00:25:48,710 --> 00:25:46,640

okay

642

00:25:50,310 --> 00:25:48,720

you would ask them well

643

00:25:52,549 --> 00:25:50,320

do you think that there's a relationship

644

00:25:54,470 --> 00:25:52,559

between out-of-body experiences

645

00:25:57,029 --> 00:25:54,480

and ufos

646

00:25:58,870 --> 00:25:57,039

okay the overwhelming majority would say

647

00:26:00,230 --> 00:25:58,880

of course not

648

00:26:02,630 --> 00:26:00,240

do you think there's a relationship

649

00:26:05,830 --> 00:26:02,640

between near-death experiences

650

00:26:07,669 --> 00:26:05,840

and ufology and ufos again

651
00:26:08,549 --> 00:26:07,679
the vast majority will say absolutely

652
00:26:10,070 --> 00:26:08,559
not

653
00:26:11,510 --> 00:26:10,080
okay

654
00:26:13,029 --> 00:26:11,520
et cetera et cetera you repeat the

655
00:26:14,789 --> 00:26:13,039
different

656
00:26:16,549 --> 00:26:14,799
paranormal contact modalities they would

657
00:26:18,310 --> 00:26:16,559
say the same answer

658
00:26:21,269 --> 00:26:18,320
i went to a conference this is about

659
00:26:24,950 --> 00:26:21,279
five years ago at um

660
00:26:26,789 --> 00:26:24,960
um on near-death experiences it was

661
00:26:29,430 --> 00:26:26,799
the international association for

662
00:26:33,110 --> 00:26:29,440
near-death studies which is the major

663
00:26:35,430 --> 00:26:33,120

nde uh research organization uh in the

664

00:26:39,830 --> 00:26:35,440

world they had their annual conference

665

00:26:41,909 --> 00:26:39,840

in um in orlando so i was introduced by

666

00:26:43,990 --> 00:26:41,919

two friends of mine that were

667

00:26:46,070 --> 00:26:44,000

individuals that had many different

668

00:26:48,149 --> 00:26:46,080

types of experiences they've seen ufos

669

00:26:50,149 --> 00:26:48,159

they've seen ghosts and spirits they've

670

00:26:52,630 --> 00:26:50,159

seen uh they've had near-death

671

00:26:54,870 --> 00:26:52,640

experiences and so one was lecturing at

672

00:26:57,190 --> 00:26:54,880

the event and the other one was going to

673

00:26:59,029 --> 00:26:57,200

the event and we met up there and so

674

00:27:01,350 --> 00:26:59,039

they introduced me to

675

00:27:03,190 --> 00:27:01,360

the leaders of that organization the

676
00:27:04,630 --> 00:27:03,200
president the vice president and some of

677
00:27:06,870 --> 00:27:04,640
the other

678
00:27:08,310 --> 00:27:06,880
individuals that ran that organization

679
00:27:10,310 --> 00:27:08,320
so i

680
00:27:13,110 --> 00:27:10,320
asked them the same question do you

681
00:27:14,870 --> 00:27:13,120
think that ufology is related to

682
00:27:16,789 --> 00:27:14,880
near-death experiences why what are you

683
00:27:18,549 --> 00:27:16,799
talking about of course not well do you

684
00:27:19,990 --> 00:27:18,559
think that out-of-body experiences

685
00:27:22,470 --> 00:27:20,000
people that go out of their body all the

686
00:27:24,230 --> 00:27:22,480
time do you think that's related to

687
00:27:25,510 --> 00:27:24,240
near-death experiences

688
00:27:28,310 --> 00:27:25,520

no no

689

00:27:30,630 --> 00:27:28,320

while obese is part of the early stage

690

00:27:32,789 --> 00:27:30,640

of an nde phenomenon the actual two

691

00:27:34,070 --> 00:27:32,799

phenomena are totally separate

692

00:27:35,590 --> 00:27:34,080

well how about people see ghosts and

693

00:27:37,510 --> 00:27:35,600

spirits

694

00:27:39,510 --> 00:27:37,520

of course not no no

695

00:27:41,830 --> 00:27:39,520

well what i found out later on that was

696

00:27:45,350 --> 00:27:41,840

that one of the previous presidents

697

00:27:48,310 --> 00:27:45,360

okay uh her name is yvonne cason

698

00:27:49,909 --> 00:27:48,320

uh she at one time was the president of

699

00:27:52,470 --> 00:27:49,919

that organization

700

00:27:54,389 --> 00:27:52,480

she's had five near-death experiences

701
00:27:56,230 --> 00:27:54,399
well and she's a medical doctor retired

702
00:27:57,430 --> 00:27:56,240
medical doctor well guess what yvonne

703
00:27:59,110 --> 00:27:57,440
has had

704
00:28:02,230 --> 00:27:59,120
everything in the kitchen sink as well

705
00:28:04,230 --> 00:28:02,240
she's seen ufos she's had numerous

706
00:28:06,389 --> 00:28:04,240
out-of-body experiences she's seen

707
00:28:07,990 --> 00:28:06,399
deceased people and she's written

708
00:28:10,310 --> 00:28:08,000
several books that have talked about

709
00:28:11,909 --> 00:28:10,320
that okay so that's why she left that

710
00:28:14,549 --> 00:28:11,919
organization because they were so

711
00:28:18,389 --> 00:28:14,559
closed-minded they just wanted to focus

712
00:28:21,830 --> 00:28:18,399
just on on ufos okay when i went uh for

713
00:28:25,190 --> 00:28:21,840

my documentary and i interviewed uh dr

714

00:28:27,190 --> 00:28:25,200

um raymond moody we also interviewed dr

715

00:28:28,830 --> 00:28:27,200

jeffrey long

716

00:28:32,149 --> 00:28:28,840

and um

717

00:28:33,190 --> 00:28:32,159

previously i was warned by dr kenneth

718

00:28:35,190 --> 00:28:33,200

ring

719

00:28:37,590 --> 00:28:35,200

who is a retired professor of psychology

720

00:28:40,070 --> 00:28:37,600

at the university of connecticut

721

00:28:43,510 --> 00:28:40,080

he had written a book back in 1986

722

00:28:45,190 --> 00:28:43,520

titled the omega project

723

00:28:48,389 --> 00:28:45,200

that book is one of the very few

724

00:28:50,630 --> 00:28:48,399

statistical academic research studies

725

00:28:52,710 --> 00:28:50,640

uh that focuses on ufo contact

726

00:28:55,350 --> 00:28:52,720

experiences well what he did in that

727

00:28:58,950 --> 00:28:55,360

book is he

728

00:29:01,830 --> 00:28:58,960

applied the same survey to 85 people

729

00:29:04,950 --> 00:29:01,840

that had near-death experiences and also

730

00:29:07,350 --> 00:29:04,960

85 people that had

731

00:29:09,669 --> 00:29:07,360

what is commonly called an abduction

732

00:29:10,710 --> 00:29:09,679

experience

733

00:29:12,870 --> 00:29:10,720

and what

734

00:29:15,350 --> 00:29:12,880

he determined was that these individuals

735

00:29:17,750 --> 00:29:15,360

are having the same phenomena they're

736

00:29:18,789 --> 00:29:17,760

having the same experience

737

00:29:21,029 --> 00:29:18,799

okay

738

00:29:23,669 --> 00:29:21,039

uh one of the areas that we focused uh

739

00:29:25,830 --> 00:29:23,679

close to 70 of his questions on was how

740

00:29:28,149 --> 00:29:25,840

did these people change how were they

741

00:29:30,870 --> 00:29:28,159

before and how are they now

742

00:29:33,110 --> 00:29:30,880

well what he determined was that uh the

743

00:29:35,029 --> 00:29:33,120

overwhelming majority of these people no

744

00:29:37,350 --> 00:29:35,039

longer fear death this is from both

745

00:29:39,750 --> 00:29:37,360

groups the abductees and the indie

746

00:29:41,110 --> 00:29:39,760

experiences uh people much more

747

00:29:42,230 --> 00:29:41,120

spiritual

748

00:29:43,669 --> 00:29:42,240

okay

749

00:29:45,909 --> 00:29:43,679

people that were atheists all of a

750

00:29:47,590 --> 00:29:45,919

sudden are spiritual people that were

751

00:29:49,990 --> 00:29:47,600

materialistic

752

00:29:52,549 --> 00:29:50,000

oriented i need to get a new mercedes

753

00:29:54,950 --> 00:29:52,559

benz every year all of a sudden that old

754

00:29:57,269 --> 00:29:54,960

honda accord is fine okay

755

00:29:59,830 --> 00:29:57,279

uh people that didn't care about

756

00:30:02,389 --> 00:29:59,840

environmental issues all of a sudden are

757

00:30:04,230 --> 00:30:02,399

major tree huggers okay the environment

758

00:30:06,149 --> 00:30:04,240

is extremely important

759

00:30:08,310 --> 00:30:06,159

people that were nasty to each other

760

00:30:10,549 --> 00:30:08,320

treated each other horribly all of a

761

00:30:13,590 --> 00:30:10,559

sudden they become much more loving

762

00:30:15,830 --> 00:30:13,600

to each other okay uh people that were

763

00:30:17,510 --> 00:30:15,840

not consciously aware

764

00:30:19,350 --> 00:30:17,520

of of of um

765

00:30:21,190 --> 00:30:19,360

of their role in the nature of their

766

00:30:24,310 --> 00:30:21,200

reality all of a sudden

767

00:30:26,549 --> 00:30:24,320

are now much more consciously aware okay

768

00:30:28,470 --> 00:30:26,559

and there were 70

769

00:30:31,110 --> 00:30:28,480

questions of how these people changed

770

00:30:33,269 --> 00:30:31,120

and transformed and what he was able to

771

00:30:37,190 --> 00:30:33,279

demonstrate statistically was that these

772

00:30:39,590 --> 00:30:37,200

people changed in exactly the same way

773

00:30:41,430 --> 00:30:39,600

so we borrowed those 70 questions and we

774

00:30:43,029 --> 00:30:41,440

applied it to

775

00:30:44,789 --> 00:30:43,039

the research study of the dr edgar

776

00:30:47,269 --> 00:30:44,799

mittell free foundation

777

00:30:51,029 --> 00:30:47,279

but now it wasn't 85 people in two

778

00:30:53,830 --> 00:30:51,039

groups now we had 4 300 people

779

00:30:57,830 --> 00:30:53,840

and what we discovered was that

780

00:31:00,950 --> 00:30:57,840

these 4 300 people okay again depending

781

00:31:02,710 --> 00:31:00,960

on the question asked was between 75 to

782

00:31:04,389 --> 00:31:02,720

90 of these people

783

00:31:06,230 --> 00:31:04,399

totally were transformed

784

00:31:07,029 --> 00:31:06,240

for the positive

785

00:31:08,470 --> 00:31:07,039

okay

786

00:31:09,990 --> 00:31:08,480

originally

787

00:31:11,990 --> 00:31:10,000

they had viewed their experiences as

788

00:31:13,909 --> 00:31:12,000

negative but now they were totally

789

00:31:15,350 --> 00:31:13,919

transformed okay

790

00:31:16,789 --> 00:31:15,360

so

791

00:31:19,509 --> 00:31:16,799

that's what you're going to be getting

792

00:31:21,590 --> 00:31:19,519

in our

793

00:31:23,110 --> 00:31:21,600

in the experimenter sections you're going

794

00:31:25,750 --> 00:31:23,120

to be getting over

795

00:31:28,710 --> 00:31:25,760

70 individuals experimenters that talk

796

00:31:31,190 --> 00:31:28,720

about their experiences dr melinda greer

797

00:31:32,950 --> 00:31:31,200

initially she was scared as hell by her

798

00:31:36,310 --> 00:31:32,960

experiences okay

799

00:31:38,470 --> 00:31:36,320

whitley schreiber a very famous ufo uh

800

00:31:40,230 --> 00:31:38,480

contactee uh years ago he called

801
00:31:42,230 --> 00:31:40,240
themselves an abductee

802
00:31:43,029 --> 00:31:42,240
horrified these abductions were horrible

803
00:31:44,870 --> 00:31:43,039
right

804
00:31:47,190 --> 00:31:44,880
now he has a totally different viewpoint

805
00:31:48,470 --> 00:31:47,200
of abductions you know maybe it wasn't

806
00:31:51,590 --> 00:31:48,480
an abduction maybe it's a little bit

807
00:31:53,830 --> 00:31:51,600
more complicated okay and now he prays

808
00:31:55,750 --> 00:31:53,840
to god he says

809
00:31:59,190 --> 00:31:55,760
to this intelligence he prays to this

810
00:32:01,430 --> 00:31:59,200
intelligence for giving him spirituality

811
00:32:03,830 --> 00:32:01,440
for giving him insights

812
00:32:05,029 --> 00:32:03,840
kathleen martin another another major

813
00:32:08,070 --> 00:32:05,039

researcher

814

00:32:10,389 --> 00:32:08,080

in the field of ufology she had worked

815

00:32:12,470 --> 00:32:10,399

primarily with abductees

816

00:32:13,830 --> 00:32:12,480

for uh the first 25 years of her

817

00:32:16,710 --> 00:32:13,840

research

818

00:32:18,870 --> 00:32:16,720

now she just recently published a book

819

00:32:21,990 --> 00:32:18,880

about her spirituality

820

00:32:24,710 --> 00:32:22,000

how she first started with with viewing

821

00:32:26,710 --> 00:32:24,720

it as a physicalist

822

00:32:30,070 --> 00:32:26,720

abduction phenomenon

823

00:32:32,389 --> 00:32:30,080

and now this woman sees it all under

824

00:32:34,310 --> 00:32:32,399

consciousness and spirituality

825

00:32:35,430 --> 00:32:34,320

same thing with ripley strieber well

826
00:32:36,870 --> 00:32:35,440
guess what

827
00:32:39,230 --> 00:32:36,880
we had 4

828
00:32:41,350 --> 00:32:39,240
300 people that took our surveys the

829
00:32:43,509 --> 00:32:41,360
overwhelming majority of these people of

830
00:32:46,230 --> 00:32:43,519
you would now view it exactly the same

831
00:32:47,990 --> 00:32:46,240
way okay not in the very beginning the

832
00:32:48,870 --> 00:32:48,000
very beginning 37 percent of these

833
00:32:51,110 --> 00:32:48,880
people

834
00:32:52,950 --> 00:32:51,120
viewed this as highly negative

835
00:32:54,549 --> 00:32:52,960
the contact phenomenon

836
00:32:56,149 --> 00:32:54,559
but now

837
00:32:58,149 --> 00:32:56,159
almost all these people just like

838
00:32:59,269 --> 00:32:58,159

kathleen martin and whitley schreiber

839

00:33:01,669 --> 00:32:59,279

are now

840

00:33:04,070 --> 00:33:01,679

uh mr and mrs love and light

841

00:33:05,509 --> 00:33:04,080

totally different radical approach

842

00:33:07,830 --> 00:33:05,519

so that's what our book is going to be

843

00:33:09,029 --> 00:33:07,840

about it's going to be introducing to

844

00:33:11,669 --> 00:33:09,039

humanity

845

00:33:12,630 --> 00:33:11,679

this new paradigm and that topic is in

846

00:33:14,870 --> 00:33:12,640

our book

847

00:33:17,669 --> 00:33:14,880

of the relationship between

848

00:33:19,669 --> 00:33:17,679

consciousness and the contact modalities

849

00:33:20,630 --> 00:33:19,679

and we're going to be arguing two basic

850

00:33:23,830 --> 00:33:20,640

thesis

851

00:33:25,990 --> 00:33:23,840

in our book one is number one that

852

00:33:28,149 --> 00:33:26,000

consciousness is primary

853

00:33:29,750 --> 00:33:28,159

and i'll explain that and articulate

854

00:33:31,750 --> 00:33:29,760

that later on

855

00:33:32,710 --> 00:33:31,760

after i get to breathe breathe a little

856

00:33:34,710 --> 00:33:32,720

bit

857

00:33:36,830 --> 00:33:34,720

and the second thesis

858

00:33:40,149 --> 00:33:36,840

is that all of the contact

859

00:33:42,630 --> 00:33:40,159

modalities are currently being viewed as

860

00:33:45,190 --> 00:33:42,640

separate and distinct phenomena like

861

00:33:46,710 --> 00:33:45,200

they belong in their own little box

862

00:33:47,509 --> 00:33:46,720

and they have nothing to do with each

863

00:33:49,590 --> 00:33:47,519

other

864

00:33:51,830 --> 00:33:49,600

we're saying the total opposite that all

865

00:33:53,669 --> 00:33:51,840

of the contact modalities are all

866

00:33:56,389 --> 00:33:53,679

interrelated

867

00:33:59,350 --> 00:33:56,399

why because each of these involve a

868

00:34:01,750 --> 00:33:59,360

manipulation of space time

869

00:34:02,669 --> 00:34:01,760

which leads to the hypothesis that these

870

00:34:05,509 --> 00:34:02,679

might be

871

00:34:06,389 --> 00:34:05,519

interdimensional in nature

872

00:34:09,589 --> 00:34:06,399

and

873

00:34:11,990 --> 00:34:09,599

that they are consciousness based

874

00:34:14,550 --> 00:34:12,000

so that's the basic thesis of our book

875

00:34:16,950 --> 00:34:14,560

so i'll pause uh for you to ask me

876

00:34:19,669 --> 00:34:16,960

another question

877

00:34:22,790 --> 00:34:19,679

no thank you for that

878

00:34:25,190 --> 00:34:22,800

i have two questions uh one would be

879

00:34:26,629 --> 00:34:25,200

well because it's several authors as you

880

00:34:30,149 --> 00:34:26,639

mentioned was there some kind of

881

00:34:31,990 --> 00:34:30,159

determining factor of um why they

882

00:34:33,589 --> 00:34:32,000

why it's it's because most of the time

883

00:34:35,190 --> 00:34:33,599

it's always been you talking and i'd

884

00:34:37,190 --> 00:34:35,200

love to listen to you but

885

00:34:39,510 --> 00:34:37,200

especially if you have five authors is

886

00:34:41,909 --> 00:34:39,520

there some kind of agreement you guys uh

887

00:34:44,149 --> 00:34:41,919

come together to say okay you we all do

888

00:34:46,310 --> 00:34:44,159

this you know together but you will be

889

00:34:47,829 --> 00:34:46,320

publicly representing or at least that

890

00:34:49,109 --> 00:34:47,839

i've only seen was you i don't know

891

00:34:50,790 --> 00:34:49,119

about the the other ones if they're

892

00:34:52,230 --> 00:34:50,800

doing similar things which you are

893

00:34:53,430 --> 00:34:52,240

that's the first question and then a

894

00:34:55,750 --> 00:34:53,440

second one

895

00:34:59,030 --> 00:34:55,760

would be more about so we're so people

896

00:35:01,510 --> 00:34:59,040

watching here and uh generally

897

00:35:02,550 --> 00:35:01,520

they they are very enthusiastic about

898

00:35:04,790 --> 00:35:02,560

the

899

00:35:06,550 --> 00:35:04,800

everything ufos right and you and i kind

900

00:35:07,910 --> 00:35:06,560

of talked about this a little bit uh

901
00:35:10,390 --> 00:35:07,920
earlier

902
00:35:12,230 --> 00:35:10,400
if you're not a experiencer

903
00:35:14,470 --> 00:35:12,240
if you haven't been you know let's say

904
00:35:15,750 --> 00:35:14,480
you haven't seen a ufo or anything like

905
00:35:16,870 --> 00:35:15,760
that

906
00:35:18,790 --> 00:35:16,880
especially when it comes to

907
00:35:20,069 --> 00:35:18,800
consciousness are there

908
00:35:22,710 --> 00:35:20,079
specific

909
00:35:24,550 --> 00:35:22,720
steps somebody could take to kind of

910
00:35:27,349 --> 00:35:24,560
start going down that consciousness

911
00:35:28,710 --> 00:35:27,359
route if they want to see and understand

912
00:35:31,030 --> 00:35:28,720
the same things that most of the

913
00:35:33,670 --> 00:35:31,040

experiences have seen and experienced so

914

00:35:34,470 --> 00:35:33,680

basically those two questions if um

915

00:35:36,470 --> 00:35:34,480

if you

916

00:35:38,870 --> 00:35:36,480

wouldn't mind touching on them please

917

00:35:41,270 --> 00:35:38,880

yeah first of all let me sort of make a

918

00:35:43,510 --> 00:35:41,280

correction there um it's not whether

919

00:35:45,670 --> 00:35:43,520

you've seen a ufo that's not a

920

00:35:47,030 --> 00:35:45,680

triggering mechanism because

921

00:35:48,630 --> 00:35:47,040

there are literally

922

00:35:50,390 --> 00:35:48,640

you know hundreds of thousands of people

923

00:35:52,950 --> 00:35:50,400

that are seeing ufos all around the

924

00:35:54,069 --> 00:35:52,960

world seeing this object in the sky will

925

00:35:57,030 --> 00:35:54,079

trigger you

926
00:35:59,670 --> 00:35:57,040
to question your reality and that are we

927
00:36:02,230 --> 00:35:59,680
alone but it's still it triggers you

928
00:36:04,310 --> 00:36:02,240
uh within a materialist paradigm because

929
00:36:05,910 --> 00:36:04,320
you're seeing a physical object in the

930
00:36:09,510 --> 00:36:05,920
sky okay

931
00:36:12,710 --> 00:36:09,520
but once you begin to have these um

932
00:36:15,190 --> 00:36:12,720
what i call the these experiences

933
00:36:17,510 --> 00:36:15,200
via the contact modalities multiple

934
00:36:20,390 --> 00:36:17,520
experiences via the contact modalities

935
00:36:23,270 --> 00:36:20,400
like for example dr melinda greer

936
00:36:25,510 --> 00:36:23,280
then you begin to question that these

937
00:36:28,870 --> 00:36:25,520
experiences might not be

938
00:36:33,510 --> 00:36:30,870

experiences that they might be a little

939

00:36:36,470 --> 00:36:33,520

bit more complicated and then you start

940

00:36:39,589 --> 00:36:36,480

on a journey to begin to

941

00:36:43,109 --> 00:36:39,599

to study and to research

942

00:36:44,870 --> 00:36:43,119

the topic of what is now called uh

943

00:36:46,470 --> 00:36:44,880

consciousness research

944

00:36:49,589 --> 00:36:46,480

and in terms of the nature of our

945

00:36:51,589 --> 00:36:49,599

reality and you start getting into you

946

00:36:54,069 --> 00:36:51,599

know parapsychology you start getting

947

00:36:56,790 --> 00:36:54,079

buying books by dr dean raiden you're

948

00:36:58,790 --> 00:36:56,800

starting to uh get influenced by dr

949

00:36:59,910 --> 00:36:58,800

edgar mitchell

950

00:37:02,390 --> 00:36:59,920

by the

951
00:37:04,550 --> 00:37:02,400
the second book of of um

952
00:37:07,910 --> 00:37:04,560
of dr um

953
00:37:10,470 --> 00:37:07,920
um passport to the cosmos by uh the

954
00:37:12,630 --> 00:37:10,480
medical doctor um goodness

955
00:37:16,310 --> 00:37:12,640
my alzheimer's is kicking in

956
00:37:19,349 --> 00:37:16,320
um who uh uh wrote about that we that

957
00:37:21,670 --> 00:37:19,359
these individuals might be having dr

958
00:37:23,349 --> 00:37:21,680
john mack okay that these individuals

959
00:37:25,589 --> 00:37:23,359
might be having multi-dimensional

960
00:37:27,589 --> 00:37:25,599
experiences you begin to read the books

961
00:37:29,510 --> 00:37:27,599
of dr jack valet because he's been

962
00:37:30,310 --> 00:37:29,520
talking about what i'm saying for 40

963
00:37:32,710 --> 00:37:30,320

years

964

00:37:35,990 --> 00:37:32,720

that uh that these are

965

00:37:39,190 --> 00:37:36,000

might not be necessarily physical

966

00:37:41,750 --> 00:37:39,200

experiences from uh from uh ets or

967

00:37:44,069 --> 00:37:41,760

aliens from another planet okay

968

00:37:46,470 --> 00:37:44,079

that these might be

969

00:37:48,630 --> 00:37:46,480

uh inter-dimensional experiences

970

00:37:49,829 --> 00:37:48,640

involving a manipulation of space-time

971

00:37:51,750 --> 00:37:49,839

okay

972

00:37:54,310 --> 00:37:51,760

you begin to start reading you know

973

00:37:55,829 --> 00:37:54,320

questions about uh quantum physics and

974

00:37:58,710 --> 00:37:55,839

consciousness

975

00:38:01,270 --> 00:37:58,720

and then that path takes you

976
00:38:03,430 --> 00:38:01,280
into having a better understanding that

977
00:38:04,870 --> 00:38:03,440
our reality is a little bit more

978
00:38:06,950 --> 00:38:04,880
complicated than

979
00:38:09,349 --> 00:38:06,960
what we think it is okay

980
00:38:12,069 --> 00:38:09,359
and um what we're trying to do in our

981
00:38:13,990 --> 00:38:12,079
book is to uh present

982
00:38:17,030 --> 00:38:14,000
uh for example

983
00:38:19,750 --> 00:38:17,040
here you have this man dr jeffrey cripel

984
00:38:23,190 --> 00:38:19,760
okay he's a professor of religion and

985
00:38:25,990 --> 00:38:23,200
philosophy at rice university uh in

986
00:38:28,390 --> 00:38:26,000
texas now rice is like a little harvard

987
00:38:30,950 --> 00:38:28,400
you need like a 1500 to be admitted into

988
00:38:33,670 --> 00:38:30,960

that school okay extremely difficult

989

00:38:35,349 --> 00:38:33,680

school very elite school so he's been a

990

00:38:38,710 --> 00:38:35,359

professor there for

991

00:38:40,950 --> 00:38:38,720

close to 30 years and now he's a dean a

992

00:38:43,190 --> 00:38:40,960

dean at rice university

993

00:38:44,829 --> 00:38:43,200

this man has written 10 books all in the

994

00:38:46,790 --> 00:38:44,839

field of the paranormal and

995

00:38:48,710 --> 00:38:46,800

consciousness as a matter of fact

996

00:38:50,630 --> 00:38:48,720

several years ago he wrote a book with

997

00:38:52,790 --> 00:38:50,640

jointly with whitley strieber and he

998

00:38:54,470 --> 00:38:52,800

also wrote another book of this

999

00:38:55,589 --> 00:38:54,480

well-known lady who had a near-death

1000

00:38:56,470 --> 00:38:55,599

experience

1001

00:38:59,750 --> 00:38:56,480

and

1002

00:39:02,069 --> 00:38:59,760

so he wrote the prologue for our book

1003

00:39:04,470 --> 00:39:02,079

why because he's told me that what we're

1004

00:39:07,190 --> 00:39:04,480

doing with this organization and with

1005

00:39:10,150 --> 00:39:07,200

this book is a paradigm changing

1006

00:39:13,190 --> 00:39:10,160

book okay it's going to totally flip how

1007

00:39:15,670 --> 00:39:13,200

humanity views reality if they actually

1008

00:39:18,630 --> 00:39:15,680

read it and begin to understand it okay

1009

00:39:21,829 --> 00:39:18,640

we also uh have um um

1010

00:39:24,470 --> 00:39:21,839

as i said before um the whole topic of

1011

00:39:26,150 --> 00:39:24,480

introducing individuals to to the topic

1012

00:39:28,630 --> 00:39:26,160

of consciousness the primacy of

1013

00:39:31,190 --> 00:39:28,640

consciousness that conscious everything

1014

00:39:33,190 --> 00:39:31,200

begins and ends with with consciousness

1015

00:39:35,270 --> 00:39:33,200

that was that's usually a topic

1016

00:39:38,069 --> 00:39:35,280

affiliated with philosophy but

1017

00:39:40,710 --> 00:39:38,079

specifically um with the philosophy of

1018

00:39:42,630 --> 00:39:40,720

the mind and there's a whole debate on

1019

00:39:44,870 --> 00:39:42,640

this whole aspect of consciousness

1020

00:39:46,710 --> 00:39:44,880

within that particular unique field so

1021

00:39:49,990 --> 00:39:46,720

what we're doing is we're taking it

1022

00:39:52,470 --> 00:39:50,000

outside of this philosophy field and

1023

00:39:53,349 --> 00:39:52,480

we're extending it to all the paranormal

1024

00:39:55,829 --> 00:39:53,359

okay

1025

00:39:57,910 --> 00:39:55,839

and then

1026
00:39:59,510 --> 00:39:57,920
as i said before we have these articles

1027
00:40:02,630 --> 00:39:59,520
by uh

1028
00:40:05,190 --> 00:40:02,640
based off edgar mitchell's article on

1029
00:40:09,510 --> 00:40:05,200
non-local consciousness telepathy in the

1030
00:40:11,349 --> 00:40:09,520
quantum hologram again these are very

1031
00:40:13,430 --> 00:40:11,359
difficult reads they're not

1032
00:40:15,750 --> 00:40:13,440
easy reads

1033
00:40:17,829 --> 00:40:15,760
we also have another section on

1034
00:40:20,069 --> 00:40:17,839
near-death experiences and the survival

1035
00:40:22,870 --> 00:40:20,079
of consciousness those articles are

1036
00:40:25,510 --> 00:40:22,880
written by who's who for example

1037
00:40:27,829 --> 00:40:25,520
this woman who received a phd from new

1038
00:40:28,870 --> 00:40:27,839

york university dr shiren hewitt uh

1039

00:40:29,670 --> 00:40:28,880

rawleth

1040

00:40:31,349 --> 00:40:29,680

um

1041

00:40:34,069 --> 00:40:31,359

she was one of the

1042

00:40:36,230 --> 00:40:34,079

runner-ups uh if you consider winning

1043

00:40:38,230 --> 00:40:36,240

fifty thousand dollars a runner-up

1044

00:40:40,550 --> 00:40:38,240

excuse me to the bob bigelow

1045

00:40:42,470 --> 00:40:40,560

consciousness prize and bob bigelow was

1046

00:40:45,109 --> 00:40:42,480

the man that paid mufon hundreds of

1047

00:40:48,230 --> 00:40:45,119

thousands of dollars for their archives

1048

00:40:49,910 --> 00:40:48,240

he purchased skinwalker ranch okay and

1049

00:40:52,069 --> 00:40:49,920

and within ufology they're always

1050

00:40:54,230 --> 00:40:52,079

discussing you know skin walker ranch

1051

00:40:56,470 --> 00:40:54,240

and also the work that um

1052

00:41:00,150 --> 00:40:56,480

that bob bigelow did with mufon for many

1053

00:41:03,270 --> 00:41:00,160

many years well we have uh this lady uh

1054

00:41:05,990 --> 00:41:03,280

who uh won a major prize with the bob

1055

00:41:08,069 --> 00:41:06,000

bigelow award on consciousness research

1056

00:41:10,470 --> 00:41:08,079

and the survival of human consciousness

1057

00:41:12,630 --> 00:41:10,480

dr bruce grayson who's the leading

1058

00:41:14,630 --> 00:41:12,640

academic researcher on near-death

1059

00:41:16,230 --> 00:41:14,640

experiences he was the one that

1060

00:41:18,069 --> 00:41:16,240

really spearheaded the whole research

1061

00:41:19,750 --> 00:41:18,079

agenda on ndes

1062

00:41:21,910 --> 00:41:19,760

dr jeffrey long who's one of our

1063

00:41:23,990 --> 00:41:21,920

co-workers um

1064

00:41:27,270 --> 00:41:24,000

again one of the major nde researchers

1065

00:41:30,710 --> 00:41:27,280

and raymond moody he actually developed

1066

00:41:32,550 --> 00:41:30,720

the term near death experiences in 1975

1067

00:41:35,589 --> 00:41:32,560

and then

1068

00:41:37,510 --> 00:41:35,599

for out-of-body experiences we have um

1069

00:41:40,069 --> 00:41:37,520

three articles one is by stephanie

1070

00:41:43,270 --> 00:41:40,079

schwartz who actually developed

1071

00:41:46,630 --> 00:41:43,280

um what is now known as uh as

1072

00:41:48,950 --> 00:41:46,640

non-coordinate remote viewing um

1073

00:41:51,670 --> 00:41:48,960

some people in parapsychology refer to

1074

00:41:53,589 --> 00:41:51,680

it as clairvoyance being able

1075

00:41:56,390 --> 00:41:53,599

for your consciousness to step out of

1076
00:41:57,510 --> 00:41:56,400
your body and go to other locations and

1077
00:42:00,230 --> 00:41:57,520
to see

1078
00:42:03,030 --> 00:42:00,240
and to experience other locations so

1079
00:42:05,030 --> 00:42:03,040
stephanie schwartz uh uh

1080
00:42:06,710 --> 00:42:05,040
is an academic really even though he

1081
00:42:09,349 --> 00:42:06,720
doesn't have a phd associated with his

1082
00:42:12,309 --> 00:42:09,359
name he's has published over a hundred

1083
00:42:14,230 --> 00:42:12,319
peer-reviewed academic articles on this

1084
00:42:15,990 --> 00:42:14,240
topic

1085
00:42:18,950 --> 00:42:16,000
and then we have another category about

1086
00:42:21,589 --> 00:42:18,960
lucid dreams uh for ghosts and spirits

1087
00:42:24,069 --> 00:42:21,599
we have gary schwartz who is a tenured

1088
00:42:27,190 --> 00:42:24,079

faculty member at harvard then he became

1089

00:42:28,790 --> 00:42:27,200

tenured at yale and uh for the last 20

1090

00:42:32,309 --> 00:42:28,800

years he's been at the university of

1091

00:42:34,230 --> 00:42:32,319

arizona all focusing on

1092

00:42:37,270 --> 00:42:34,240

unconsciousness

1093

00:42:39,430 --> 00:42:37,280

the survival of consciousness

1094

00:42:41,510 --> 00:42:39,440

and i could go on and on

1095

00:42:44,390 --> 00:42:41,520

for the area on

1096

00:42:47,430 --> 00:42:44,400

on hallucinogens also called

1097

00:42:50,390 --> 00:42:47,440

an and theogenic research

1098

00:42:53,270 --> 00:42:50,400

we have articles by two professors one

1099

00:42:56,069 --> 00:42:53,280

is a a full tenured professor at the

1100

00:42:59,270 --> 00:42:56,079

john hopkins school of medicine his name

1101

00:43:01,750 --> 00:42:59,280

is dr roland griffiths okay and he cited

1102

00:43:02,870 --> 00:43:01,760

our book beyond ufos and several of his

1103

00:43:04,309 --> 00:43:02,880

papers

1104

00:43:05,589 --> 00:43:04,319

because he's saying that these people

1105

00:43:07,910 --> 00:43:05,599

that were taking

1106

00:43:10,790 --> 00:43:07,920

uh psilocybin which is the ingredient in

1107

00:43:13,109 --> 00:43:10,800

magic mushrooms and also dmt which is

1108

00:43:14,790 --> 00:43:13,119

the ingredient in ayahuasca they were

1109

00:43:17,349 --> 00:43:14,800

having like 50 percent of these people

1110

00:43:19,190 --> 00:43:17,359

were having contact with various forms

1111

00:43:21,349 --> 00:43:19,200

of non-human intelligence

1112

00:43:24,150 --> 00:43:21,359

just like the ufo book they were

1113

00:43:26,390 --> 00:43:24,160

describing uh talking to god to an

1114

00:43:27,910 --> 00:43:26,400

energy being described as god same thing

1115

00:43:30,470 --> 00:43:27,920

as near-death experiences we're

1116

00:43:31,910 --> 00:43:30,480

describing and then for the ufo chapter

1117

00:43:34,710 --> 00:43:31,920

like i said before we're going to have

1118

00:43:36,550 --> 00:43:34,720

over 11 articles

1119

00:43:40,150 --> 00:43:36,560

that provides a totally radical

1120

00:43:42,710 --> 00:43:40,160

perspective of viewing the topic of ufos

1121

00:43:44,309 --> 00:43:42,720

all from a consciousness based uh

1122

00:43:45,829 --> 00:43:44,319

perspective

1123

00:43:46,790 --> 00:43:45,839

and then um

1124

00:43:49,990 --> 00:43:46,800

so

1125

00:43:52,069 --> 00:43:50,000

the book hopefully will open up um

1126

00:43:54,790 --> 00:43:52,079

people's uh perspective

1127

00:43:57,990 --> 00:43:54,800

uh especially the uh the materialist

1128

00:44:00,230 --> 00:43:58,000

um the people who are nuts and bolts uh

1129

00:44:01,750 --> 00:44:00,240

not only in the field of ufology but in

1130

00:44:05,349 --> 00:44:01,760

all of these other topics that i've been

1131

00:44:09,510 --> 00:44:05,359

discussing to begin to understand uh

1132

00:44:13,670 --> 00:44:09,520

this new paradigm of of consciousness

1133

00:44:18,790 --> 00:44:16,790

so ray then um let me then

1134

00:44:20,790 --> 00:44:18,800

would you be

1135

00:44:23,270 --> 00:44:20,800

open and ready for some questions for

1136

00:44:25,430 --> 00:44:23,280

any of those that might have some

1137

00:44:26,950 --> 00:44:25,440

yes please okay so for those of you

1138

00:44:29,510 --> 00:44:26,960

watching please go ahead start

1139

00:44:31,430 --> 00:44:29,520

submitting your questions now and if you

1140

00:44:33,910 --> 00:44:31,440

would like to ask a question directly

1141

00:44:35,670 --> 00:44:33,920

just log into telegram group and

1142

00:44:37,829 --> 00:44:35,680

raise your hand there so but the

1143

00:44:40,230 --> 00:44:37,839

question uh that i would like to add

1144

00:44:41,990 --> 00:44:40,240

then ask you would then something like a

1145

00:44:44,550 --> 00:44:42,000

let's say

1146

00:44:46,390 --> 00:44:44,560

meditation kind of be the first step for

1147

00:44:48,309 --> 00:44:46,400

somebody to start

1148

00:44:51,109 --> 00:44:48,319

quote unquote

1149

00:44:53,430 --> 00:44:51,119

maybe start realizing how consciousness

1150

00:44:55,670 --> 00:44:53,440

plays into this

1151
00:44:57,589 --> 00:44:55,680
well there's different um ways that you

1152
00:44:59,349 --> 00:44:57,599
could um

1153
00:45:01,510 --> 00:44:59,359
uh what we're trying to get at is what

1154
00:45:03,750 --> 00:45:01,520
is commonly called an altered state of

1155
00:45:06,790 --> 00:45:03,760
consciousness okay once you have an

1156
00:45:09,349 --> 00:45:06,800
altered state of consciousness then your

1157
00:45:10,470 --> 00:45:09,359
uh individuated consciousness can travel

1158
00:45:13,270 --> 00:45:10,480
to other

1159
00:45:15,829 --> 00:45:13,280
realms other dimensions um

1160
00:45:18,230 --> 00:45:15,839
to other higher states of consciousness

1161
00:45:22,069 --> 00:45:18,240
and so um there's several ways that i

1162
00:45:23,910 --> 00:45:22,079
would recommend one is um what was um

1163
00:45:25,030 --> 00:45:23,920

described in the ancient vedic

1164

00:45:28,230 --> 00:45:25,040

traditions

1165

00:45:30,390 --> 00:45:28,240

um thousands of years ago and what

1166

00:45:32,870 --> 00:45:30,400

dr stanislav groff one of the early

1167

00:45:35,190 --> 00:45:32,880

parapsychologists

1168

00:45:36,390 --> 00:45:35,200

developed is called holotropic

1169

00:45:38,630 --> 00:45:36,400

breathing

1170

00:45:42,150 --> 00:45:38,640

and that is while you're doing

1171

00:45:45,829 --> 00:45:42,160

a deep meditation that you would breathe

1172

00:45:48,230 --> 00:45:45,839

very deeply deeply and very rapidly

1173

00:45:50,470 --> 00:45:48,240

there's a formal technique of of doing

1174

00:45:52,710 --> 00:45:50,480

that just uh try to google

1175

00:45:53,910 --> 00:45:52,720

uh holotropic uh

1176

00:45:56,309 --> 00:45:53,920

breathing

1177

00:45:57,990 --> 00:45:56,319

and that induces an altered state of

1178

00:45:59,910 --> 00:45:58,000

consciousness

1179

00:46:02,630 --> 00:45:59,920

that was known as i said before many

1180

00:46:05,910 --> 00:46:02,640

many thousands of years ago in india

1181

00:46:08,710 --> 00:46:05,920

in in the uh the ancient vedic uh

1182

00:46:10,950 --> 00:46:08,720

sanskrit writings the bhagavad-gita and

1183

00:46:14,230 --> 00:46:10,960

uh other similar texts

1184

00:46:16,230 --> 00:46:14,240

um and there's actually one professor

1185

00:46:18,630 --> 00:46:16,240

and i can name him in particular because

1186

00:46:20,069 --> 00:46:18,640

he's open about it now he was very

1187

00:46:22,069 --> 00:46:20,079

closed about it he never spoke about it

1188

00:46:25,910 --> 00:46:22,079

publicly but now he is

1189

00:46:29,109 --> 00:46:25,920

he's a a member of ccri he's a professor

1190

00:46:31,190 --> 00:46:29,119

of information sciences he's a professor

1191

00:46:33,589 --> 00:46:31,200

of statistics and data

1192

00:46:35,829 --> 00:46:33,599

at a major university in canada his name

1193

00:46:38,710 --> 00:46:35,839

is dr vault verde

1194

00:46:39,510 --> 00:46:38,720

and let me give you his story okay about

1195

00:46:42,230 --> 00:46:39,520

how

1196

00:46:47,990 --> 00:46:42,240

this particular technique

1197

00:46:52,230 --> 00:46:50,390

have a child so they

1198

00:46:54,309 --> 00:46:52,240

went to various um

1199

00:46:55,430 --> 00:46:54,319

fertility clinics they tried various

1200

00:46:57,349 --> 00:46:55,440

types of

1201

00:47:00,630 --> 00:46:57,359

of techniques and very

1202

00:47:02,069 --> 00:47:00,640

uh dr uh the doctors had prescribed a

1203

00:47:05,750 --> 00:47:02,079

lot of different things

1204

00:47:07,430 --> 00:47:05,760

um so nothing was working okay the

1205

00:47:08,870 --> 00:47:07,440

they never had were able

1206

00:47:11,349 --> 00:47:08,880

to have a child

1207

00:47:12,390 --> 00:47:11,359

all of a sudden a friend of of dr of

1208

00:47:16,069 --> 00:47:12,400

rahul

1209

00:47:18,950 --> 00:47:16,079

uh dr valverde invited him to

1210

00:47:22,150 --> 00:47:20,069

a group

1211

00:47:23,589 --> 00:47:22,160

uh and there um

1212

00:47:25,670 --> 00:47:23,599

he didn't want to go because he's not

1213

00:47:27,109 --> 00:47:25,680

into this stuff so he said come on come

1214

00:47:29,589 --> 00:47:27,119

on you know be something new let's check

1215

00:47:32,630 --> 00:47:29,599

it out so he went so they were doing

1216

00:47:33,990 --> 00:47:32,640

this deep breath uh holotropic breathing

1217

00:47:36,790 --> 00:47:34,000

techniques

1218

00:47:39,430 --> 00:47:36,800

and uh all of a sudden as he was heavy

1219

00:47:42,309 --> 00:47:39,440

into it he heard a voice

1220

00:47:44,549 --> 00:47:42,319

okay and the voice told them raul don't

1221

00:47:47,430 --> 00:47:44,559

worry about your your wife becoming

1222

00:47:49,910 --> 00:47:47,440

pregnant okay within two weeks she's

1223

00:47:52,870 --> 00:47:49,920

going to tell you that she's pregnant

1224

00:47:54,069 --> 00:47:52,880

and then eventually um once they do the

1225

00:47:56,069 --> 00:47:54,079

sonogram

1226
00:47:57,349 --> 00:47:56,079
they're going to reveal to you that it's

1227
00:47:58,309 --> 00:47:57,359
a girl

1228
00:47:59,829 --> 00:47:58,319
okay

1229
00:48:03,030 --> 00:47:59,839
and you're going to be naming her this

1230
00:48:04,309 --> 00:48:03,040
name and he gave him a name so the man

1231
00:48:05,109 --> 00:48:04,319
freaked out

1232
00:48:08,790 --> 00:48:05,119
he

1233
00:48:10,790 --> 00:48:08,800
that place okay

1234
00:48:11,670 --> 00:48:10,800
and and he was like what the hell just

1235
00:48:12,549 --> 00:48:11,680
happened

1236
00:48:14,390 --> 00:48:12,559
so

1237
00:48:16,710 --> 00:48:14,400
within those two weeks his wife came

1238
00:48:17,990 --> 00:48:16,720

back to him said raul i'm pregnant how

1239

00:48:18,950 --> 00:48:18,000

pregnant how do you know i'm pregnant

1240

00:48:22,150 --> 00:48:18,960

well

1241

00:48:25,430 --> 00:48:22,160

um i took this um over-the-counter uh

1242

00:48:27,670 --> 00:48:25,440

pregnancy test and then i went to my uh

1243

00:48:29,910 --> 00:48:27,680

my gynecologist and it we did the

1244

00:48:33,030 --> 00:48:29,920

pregnancy test there and yes i'm

1245

00:48:35,109 --> 00:48:33,040

pregnant so they celebrated okay

1246

00:48:36,230 --> 00:48:35,119

uh a few months later the wife had a

1247

00:48:38,150 --> 00:48:36,240

sonogram

1248

00:48:40,390 --> 00:48:38,160

revealed that it was a girl

1249

00:48:42,150 --> 00:48:40,400

okay then they discussed names

1250

00:48:44,549 --> 00:48:42,160

eventually of the girl they wound up

1251

00:48:45,990 --> 00:48:44,559

giving it the name that this uh

1252

00:48:47,510 --> 00:48:46,000

intelligence

1253

00:48:50,309 --> 00:48:47,520

conveyed to him

1254

00:48:53,190 --> 00:48:50,319

okay it was a voice that in his head

1255

00:48:54,630 --> 00:48:53,200

well guess what we have three professors

1256

00:48:57,510 --> 00:48:54,640

in our group

1257

00:48:58,549 --> 00:48:57,520

okay um two of them i already mentioned

1258

00:48:59,430 --> 00:48:58,559

before

1259

00:49:01,589 --> 00:48:59,440

okay

1260

00:49:05,750 --> 00:49:01,599

one is jeff

1261

00:49:07,990 --> 00:49:05,760

and the other one is dr gary schwartz

1262

00:49:10,710 --> 00:49:08,000

those two also had very similar

1263

00:49:12,390 --> 00:49:10,720

experiences of a voice telling them

1264

00:49:14,230 --> 00:49:12,400

information

1265

00:49:15,430 --> 00:49:14,240

that's how they got involved in this to

1266

00:49:17,750 --> 00:49:15,440

begin with

1267

00:49:22,390 --> 00:49:17,760

okay we have another man

1268

00:49:28,230 --> 00:49:25,270

he started doing uh what is commonly

1269

00:49:31,829 --> 00:49:28,240

called ce5 but joseph and i prefer the

1270

00:49:34,870 --> 00:49:31,839

term h-i-c-e which is human-initiated

1271

00:49:36,790 --> 00:49:34,880

contact experiences okay

1272

00:49:39,910 --> 00:49:36,800

so he started off initially with stephen

1273

00:49:41,750 --> 00:49:39,920

greer in 1992 he was

1274

00:49:43,270 --> 00:49:41,760

the los angeles representative for

1275

00:49:45,030 --> 00:49:43,280

steven grier

1276

00:49:46,309 --> 00:49:45,040

he lasted like six years with steven

1277

00:49:48,309 --> 00:49:46,319

greer

1278

00:49:49,910 --> 00:49:48,319

i will go into all the negative stuff

1279

00:49:53,190 --> 00:49:49,920

that he told me

1280

00:49:55,270 --> 00:49:53,200

but he basically uh had to leave uh his

1281

00:49:56,950 --> 00:49:55,280

association with this man

1282

00:49:59,829 --> 00:49:56,960

and so um

1283

00:50:00,870 --> 00:49:59,839

so he's been doing uh calling down ufos

1284

00:50:03,430 --> 00:50:00,880

for

1285

00:50:05,270 --> 00:50:03,440

really since 1992.

1286

00:50:07,270 --> 00:50:05,280

and so um

1287

00:50:10,230 --> 00:50:07,280

in 2013

1288

00:50:11,910 --> 00:50:10,240

uh he was also a member of the dr edgar

1289

00:50:16,630 --> 00:50:11,920

mittell free foundation from the very

1290

00:50:18,630 --> 00:50:16,640

beginning so in 2013 um

1291

00:50:20,630 --> 00:50:18,640

we i began to talk to him about the

1292

00:50:23,510 --> 00:50:20,640

nature of this phenomenon and i was

1293

00:50:25,190 --> 00:50:23,520

telling him about some of my hypotheses

1294

00:50:29,829 --> 00:50:25,200

and i could go into some of those later

1295

00:50:32,069 --> 00:50:29,839

on and so um we shared very mutual uh

1296

00:50:34,069 --> 00:50:32,079

hypotheses about the nature of this

1297

00:50:37,589 --> 00:50:34,079

phenomenon we both shared the vision

1298

00:50:39,990 --> 00:50:37,599

that uh these experiences were

1299

00:50:41,589 --> 00:50:40,000

that we were having were holographic

1300

00:50:44,549 --> 00:50:41,599

projections

1301
00:50:46,470 --> 00:50:44,559
and that these were virtual reality

1302
00:50:49,990 --> 00:50:46,480
holographic projections

1303
00:50:52,069 --> 00:50:50,000
so um it was about four years ago we had

1304
00:50:53,030 --> 00:50:52,079
a very in-depth conversation of that

1305
00:50:55,589 --> 00:50:53,040
topic

1306
00:50:56,390 --> 00:50:55,599
and so i asked joseph i said look joseph

1307
00:50:58,549 --> 00:50:56,400
uh

1308
00:51:00,630 --> 00:50:58,559
i plan to write a book

1309
00:51:03,589 --> 00:51:00,640
uh the book that we're doing now i said

1310
00:51:06,390 --> 00:51:03,599
can you begin to put your your ideas on

1311
00:51:09,270 --> 00:51:06,400
paper to write a paper a very detailed

1312
00:51:11,910 --> 00:51:09,280
you know complex paper with uh all the

1313
00:51:15,510 --> 00:51:11,920

literature of the field of ufology to

1314

00:51:17,510 --> 00:51:15,520

elaborate on your uh hypothesis

1315

00:51:20,630 --> 00:51:17,520

and his paper which is going to be in

1316

00:51:21,670 --> 00:51:20,640

our book is titled the virtual reality

1317

00:51:24,150 --> 00:51:21,680

model

1318

00:51:25,190 --> 00:51:24,160

of uap contact

1319

00:51:27,349 --> 00:51:25,200

okay

1320

00:51:30,150 --> 00:51:27,359

and um so

1321

00:51:31,510 --> 00:51:30,160

that's just an illustration of some of

1322

00:51:33,190 --> 00:51:31,520

the complexities that we're going to be

1323

00:51:35,670 --> 00:51:33,200

talking about in

1324

00:51:37,109 --> 00:51:35,680

in in our book

1325

00:51:39,190 --> 00:51:37,119

and so

1326
00:51:41,430 --> 00:51:39,200
many of the people that have written

1327
00:51:43,750 --> 00:51:41,440
chapters in our book

1328
00:51:45,910 --> 00:51:43,760
they're also experiencers

1329
00:51:48,630 --> 00:51:45,920
many individuals have might not never

1330
00:51:50,710 --> 00:51:48,640
have heard of their personal experiences

1331
00:51:52,549 --> 00:51:50,720
but many of them are now

1332
00:51:54,390 --> 00:51:52,559
like kathleen martin and willie strieber

1333
00:51:55,430 --> 00:51:54,400
are beginning to talk to

1334
00:52:08,069 --> 00:51:55,440
the

1335
00:52:10,870 --> 00:52:08,079
speaking i thought it was more coming

1336
00:52:12,230 --> 00:52:10,880
and so sorry for the pause okay well uh

1337
00:52:13,430 --> 00:52:12,240
let's start with the first question this

1338
00:52:17,109 --> 00:52:13,440

one is from

1339

00:52:20,390 --> 00:52:17,119

um mr catfish 2100 it says who are the

1340

00:52:25,589 --> 00:52:22,549

who are the tall grace that that gets

1341

00:52:27,270 --> 00:52:25,599

into a complicated response okay

1342

00:52:29,510 --> 00:52:27,280

um

1343

00:52:31,349 --> 00:52:29,520

our first of all let me introduce that

1344

00:52:33,910 --> 00:52:31,359

answer by saying

1345

00:52:35,430 --> 00:52:33,920

that we

1346

00:52:36,630 --> 00:52:35,440

interviewed

1347

00:52:39,270 --> 00:52:36,640

both

1348

00:52:41,510 --> 00:52:39,280

in in surveys of

1349

00:52:43,109 --> 00:52:41,520

quantitative surveys and qualitative

1350

00:52:45,589 --> 00:52:43,119

survey instruments

1351
00:52:48,150 --> 00:52:45,599
over 4 300 people

1352
00:52:50,230 --> 00:52:48,160
we literally had thousands upon

1353
00:52:52,390 --> 00:52:50,240
thousands of different

1354
00:52:54,790 --> 00:52:52,400
types of beings that people were

1355
00:52:57,109 --> 00:52:54,800
describing okay

1356
00:52:59,589 --> 00:52:57,119
we had for the graves we had the short

1357
00:53:00,870 --> 00:52:59,599
grays and we had the tall grace

1358
00:53:07,349 --> 00:53:00,880
we had

1359
00:53:08,710 --> 00:53:07,359
reptilians well guess what the number

1360
00:53:10,390 --> 00:53:08,720
one type of beings that people were

1361
00:53:12,790 --> 00:53:10,400
seeing were not the grays

1362
00:53:14,630 --> 00:53:12,800
they were actually the energy being at

1363
00:53:17,349 --> 00:53:14,640

57

1364

00:53:19,829 --> 00:53:17,359

number two was the human looking being

1365

00:53:22,630 --> 00:53:19,839

okay and again the human looking beings

1366

00:53:25,829 --> 00:53:22,640

were described as little tiny you know

1367

00:53:27,750 --> 00:53:25,839

people to people that were 17 feet tall

1368

00:53:31,510 --> 00:53:27,760

some of them were uh

1369

00:53:34,150 --> 00:53:31,520

were wearing roman tunics other as um

1370

00:53:36,710 --> 00:53:34,160

uh different types of out of

1371

00:53:38,150 --> 00:53:36,720

of of outerwear

1372

00:53:40,150 --> 00:53:38,160

and

1373

00:53:41,430 --> 00:53:40,160

some of them were black some of them

1374

00:53:43,990 --> 00:53:41,440

were asian

1375

00:53:46,630 --> 00:53:44,000

some of them were the blue-haired

1376

00:53:48,870 --> 00:53:46,640

blond-eyed uh types

1377

00:53:51,750 --> 00:53:48,880

same thing with the what is considered

1378

00:53:53,510 --> 00:53:51,760

the gray category okay we literally had

1379

00:53:54,710 --> 00:53:53,520

hundreds and hundreds of different types

1380

00:53:56,470 --> 00:53:54,720

of grays

1381

00:54:00,069 --> 00:53:56,480

uh being

1382

00:54:02,150 --> 00:54:00,079

just like animals like for example uh um

1383

00:54:03,910 --> 00:54:02,160

you named the animal people were seeing

1384

00:54:05,990 --> 00:54:03,920

we even had someone that described in

1385

00:54:08,230 --> 00:54:06,000

detail a joint mutual experience with

1386

00:54:09,349 --> 00:54:08,240

their friend

1387

00:54:11,190 --> 00:54:09,359

something that looked like a big

1388

00:54:13,670 --> 00:54:11,200

gigantic mucus

1389

00:54:15,030 --> 00:54:13,680

that was clinging to the corner of of

1390

00:54:16,230 --> 00:54:15,040

their living room

1391

00:54:18,309 --> 00:54:16,240

and communicating with them

1392

00:54:20,710 --> 00:54:18,319

telepathically okay

1393

00:54:23,190 --> 00:54:20,720

what many of these individuals uh were

1394

00:54:25,910 --> 00:54:23,200

told by this intelligence

1395

00:54:29,190 --> 00:54:25,920

uh this very varied group of

1396

00:54:31,270 --> 00:54:29,200

intelligence was that they can appear

1397

00:54:32,790 --> 00:54:31,280

to us as humans in many different

1398

00:54:33,750 --> 00:54:32,800

formats

1399

00:54:35,030 --> 00:54:33,760

okay

1400

00:54:36,150 --> 00:54:35,040

um

1401

00:54:39,190 --> 00:54:36,160

also

1402

00:54:40,309 --> 00:54:39,200

what many of us have come to hypothesize

1403

00:54:41,270 --> 00:54:40,319

together with

1404

00:54:45,910 --> 00:54:41,280

the

1405

00:54:48,470 --> 00:54:45,920

okay

1406

00:54:50,710 --> 00:54:48,480

that these experiences are not

1407

00:54:52,789 --> 00:54:50,720

physicalist experiences

1408

00:54:56,069 --> 00:54:52,799

you actually are not seeing

1409

00:54:59,109 --> 00:54:56,079

uh a physical gray from our 3d reality

1410

00:55:01,750 --> 00:54:59,119

it might be a being that um

1411

00:55:04,789 --> 00:55:01,760

that whose nature comes from let's say

1412

00:55:08,150 --> 00:55:04,799

the 4d reality where we are experiencing

1413

00:55:10,710 --> 00:55:08,160

out of body experiences

1414

00:55:12,309 --> 00:55:10,720

we're experiencing revoked viewing

1415

00:55:13,190 --> 00:55:12,319

clear

1416

00:55:20,789 --> 00:55:13,200

of

1417

00:55:22,390 --> 00:55:20,799

experiences by by a non-human

1418

00:55:24,549 --> 00:55:22,400

intelligence

1419

00:55:27,589 --> 00:55:24,559

the problem uh and that was the theory

1420

00:55:29,030 --> 00:55:27,599

also held by dr alan heineck at the very

1421

00:55:30,470 --> 00:55:29,040

end of his life

1422

00:55:35,030 --> 00:55:30,480

okay

1423

00:55:37,670 --> 00:55:35,040

but materialist ufology has um has never

1424

00:55:40,069 --> 00:55:37,680

accepted this theory

1425

00:55:42,789 --> 00:55:40,079

why because they're materialist because

1426

00:55:44,870 --> 00:55:42,799

if you can't put it in a test tube

1427

00:55:46,470 --> 00:55:44,880

okay you can't duplicate it that it's

1428

00:55:48,630 --> 00:55:46,480

not real

1429

00:55:51,510 --> 00:55:48,640

but yet quantum physicists have known

1430

00:55:53,750 --> 00:55:51,520

about the nature of consciousness

1431

00:55:55,829 --> 00:55:53,760

since quantum physics first was started

1432

00:55:57,829 --> 00:55:55,839

as a matter of fact most of the early

1433

00:55:58,870 --> 00:55:57,839

quantum physicists eventually won nobel

1434

00:56:00,789 --> 00:55:58,880

prize

1435

00:56:03,270 --> 00:56:00,799

in quantum physics all of them

1436

00:56:05,430 --> 00:56:03,280

eventually came about saying that

1437

00:56:07,750 --> 00:56:05,440

consciousness is primary

1438

00:56:10,710 --> 00:56:07,760

so that means that what we are

1439

00:56:13,349 --> 00:56:10,720

interacting with in our 3d physical

1440

00:56:15,990 --> 00:56:13,359

reality is an illusion okay that is much

1441

00:56:17,829 --> 00:56:16,000

more complicated than that so in terms

1442

00:56:18,950 --> 00:56:17,839

of these tall grays

1443

00:56:22,390 --> 00:56:18,960

i said

1444

00:56:24,390 --> 00:56:22,400

get over with okay it's not uh one

1445

00:56:26,870 --> 00:56:24,400

subspecies that's coming from a tall

1446

00:56:29,309 --> 00:56:26,880

gray planet okay that this is something

1447

00:56:31,670 --> 00:56:29,319

way way more complicated that these are

1448

00:56:34,230 --> 00:56:31,680

consciousness-based experiences

1449

00:56:36,230 --> 00:56:34,240

and if you really want to get a um

1450

00:56:37,670 --> 00:56:36,240

a fundamental understanding of some of

1451

00:56:41,190 --> 00:56:37,680

this literature you could read jack

1452

00:56:42,630 --> 00:56:41,200

valley's book titled uh dimensions um

1453

00:56:45,270 --> 00:56:42,640

you could also

1454

00:56:45,990 --> 00:56:45,280

read his book revelations

1455

00:56:56,069 --> 00:56:46,000

or

1456

00:56:59,030 --> 00:56:56,079

okay these are topics that dr vallet was

1457

00:57:00,390 --> 00:56:59,040

introducing over 40 years ago

1458

00:57:01,829 --> 00:57:00,400

that

1459

00:57:04,549 --> 00:57:01,839

he doesn't hold

1460

00:57:05,750 --> 00:57:04,559

the e.t hypothesis that these is uh that

1461

00:57:08,470 --> 00:57:05,760

this is a

1462

00:57:10,789 --> 00:57:08,480

a physical being coming from a physical

1463

00:57:12,990 --> 00:57:10,799

planet that this is something much more

1464

00:57:15,670 --> 00:57:13,000

complicated that these are

1465

00:57:17,510 --> 00:57:15,680

inter-dimensional experiences

1466

00:57:18,950 --> 00:57:17,520

and he says the problem is that we just

1467

00:57:20,390 --> 00:57:18,960

don't understand

1468

00:57:22,789 --> 00:57:20,400

space-time

1469

00:57:24,630 --> 00:57:22,799

okay now all of these experiences all of

1470

00:57:27,750 --> 00:57:24,640

the contact modalities

1471

00:57:30,309 --> 00:57:27,760

involves a manipulation of space-time

1472

00:57:32,549 --> 00:57:30,319

um and i could go into that you know

1473

00:57:35,589 --> 00:57:32,559

later on in terms of those details some

1474

00:57:37,430 --> 00:57:35,599

of the the data from the ufo research

1475

00:57:38,870 --> 00:57:37,440

study well you might as well get it over

1476
00:57:40,710 --> 00:57:38,880
with now if you don't mind while we're

1477
00:57:45,109 --> 00:57:40,720
on the same thread

1478
00:57:51,750 --> 00:57:48,710
our book beyond ufos i'm giving away

1479
00:57:54,549 --> 00:57:51,760
over almost 500 pages from that book the

1480
00:57:56,789 --> 00:57:54,559
entire book okay as as separate pdf

1481
00:57:58,309 --> 00:57:56,799
files for free

1482
00:58:01,109 --> 00:57:58,319
okay for free

1483
00:58:02,069 --> 00:58:01,119
okay what you need to do is send me an

1484
00:58:03,829 --> 00:58:02,079
email

1485
00:58:04,710 --> 00:58:03,839
to info

1486
00:58:10,630 --> 00:58:04,720
at

1487
00:58:13,750 --> 00:58:10,640
reality dot com info info

1488
00:58:16,870 --> 00:58:13,760

a greater reality dot com and i will

1489

00:58:20,069 --> 00:58:16,880

send you the vast majority of our book

1490

00:58:22,390 --> 00:58:20,079

including a peer-reviewed academic

1491

00:58:25,190 --> 00:58:22,400

research paper that was published by

1492

00:58:26,630 --> 00:58:25,200

myself and three retired professors

1493

00:58:28,230 --> 00:58:26,640

in um

1494

00:58:30,630 --> 00:58:28,240

the journal of the society for

1495

00:58:32,069 --> 00:58:30,640

scientific exploration and that's a

1496

00:58:34,309 --> 00:58:32,079

journal that jacques valley has

1497

00:58:36,789 --> 00:58:34,319

published in in the past

1498

00:58:38,630 --> 00:58:36,799

and um

1499

00:58:41,750 --> 00:58:38,640

let me discuss the four major research

1500

00:58:45,190 --> 00:58:41,760

findings of our book our book is 820

1501
00:58:47,190 --> 00:58:45,200
pages in length okay we spent five years

1502
00:58:50,069 --> 00:58:47,200
doing this research study now this

1503
00:58:52,270 --> 00:58:50,079
research study is the world's first the

1504
00:58:53,990 --> 00:58:52,280
world's first and only

1505
00:58:55,430 --> 00:58:54,000
comprehensive

1506
00:58:58,950 --> 00:58:55,440
academic

1507
00:59:02,069 --> 00:58:58,960
statistical resource study on ufo

1508
00:59:05,109 --> 00:59:02,079
contact experiencers

1509
00:59:08,309 --> 00:59:05,119
that was done in multiple languages and

1510
00:59:12,710 --> 00:59:08,319
administered all throughout the world we

1511
00:59:13,670 --> 00:59:12,720
had responses from over 125 uh countries

1512
00:59:17,030 --> 00:59:13,680
okay

1513
00:59:18,470 --> 00:59:17,040

and um huge numbers 4 300 people

1514

00:59:20,789 --> 00:59:18,480

responded to it

1515

00:59:23,349 --> 00:59:20,799

and uh if you were to say ray okay you

1516

00:59:25,270 --> 00:59:23,359

know you've got tons of data what would

1517

00:59:27,109 --> 00:59:25,280

be the four major ones the four major

1518

00:59:29,829 --> 00:59:27,119

ones is we wanted to study whether these

1519

00:59:33,270 --> 00:59:29,839

experiences were positive negative or

1520

00:59:35,910 --> 00:59:33,280

neutral because you go into the internet

1521

00:59:37,750 --> 00:59:35,920

and you listen to these ufo conferences

1522

00:59:40,710 --> 00:59:37,760

and you hear these so-called researchers

1523

00:59:42,789 --> 00:59:40,720

talking about how negative this is okay

1524

00:59:44,150 --> 00:59:42,799

how horrible it is bud

1525

00:59:46,789 --> 00:59:44,160

jacobs and

1526
00:59:48,789 --> 00:59:46,799
and hopkins and bud hopkins first of all

1527
00:59:51,430 --> 00:59:48,799
these people their data did not come

1528
00:59:53,670 --> 00:59:51,440
from any statistical data their data

1529
00:59:55,670 --> 00:59:53,680
came from hypnotic regressions

1530
00:59:57,750 --> 00:59:55,680
and these are pre-selected people they

1531
01:00:00,710 --> 00:59:57,760
only pre-selected people whose

1532
01:00:03,030 --> 01:00:00,720
experiences were negative to begin with

1533
01:00:06,549 --> 01:00:03,040
and that came directly from an article

1534
01:00:09,349 --> 01:00:06,559
by carol rainey who was uh uh married to

1535
01:00:11,109 --> 01:00:09,359
bud hopkins for over 10 years okay she

1536
01:00:14,069 --> 01:00:11,119
talked about how that whole phenomenon

1537
01:00:17,270 --> 01:00:14,079
was orchestrated okay via their hypnotic

1538
01:00:19,670 --> 01:00:17,280

regressions okay uh i won't go into

1539

01:00:22,150 --> 01:00:19,680

those details of her article so this is

1540

01:00:25,430 --> 01:00:22,160

someone that was there interviewing

1541

01:00:27,750 --> 01:00:25,440

people um um video recording these

1542

01:00:28,470 --> 01:00:27,760

hypnotic regressions and she was able to

1543

01:00:29,750 --> 01:00:28,480

see

1544

01:00:31,829 --> 01:00:29,760

firsthand

1545

01:00:33,829 --> 01:00:31,839

how biased their research was david

1546

01:00:35,750 --> 01:00:33,839

jacobs has stated that he has never met

1547

01:00:37,510 --> 01:00:35,760

anyone with a positive

1548

01:00:38,549 --> 01:00:37,520

ufo experience

1549

01:00:40,069 --> 01:00:38,559

okay

1550

01:00:42,390 --> 01:00:40,079

not one person

1551
01:00:43,910 --> 01:00:42,400
but yet our research studies showed that

1552
01:00:46,950 --> 01:00:43,920
towards the very end when they were

1553
01:00:49,109 --> 01:00:46,960
answering our surveys 96 did not view

1554
01:00:50,789 --> 01:00:49,119
their experiences as negative

1555
01:00:52,950 --> 01:00:50,799
okay only four percent view their

1556
01:00:53,910 --> 01:00:52,960
experiences negative so that really just

1557
01:00:56,390 --> 01:00:53,920
shows

1558
01:00:58,710 --> 01:00:56,400
uh how bs their research is but yet

1559
01:01:00,950 --> 01:00:58,720
that's the prevailing view in ufology

1560
01:01:03,589 --> 01:01:00,960
okay so we asked that question of

1561
01:01:05,190 --> 01:01:03,599
positive negative neutral more than 25

1562
01:01:07,030 --> 01:01:05,200
different ways

1563
01:01:09,430 --> 01:01:07,040

because depending on how you phrase a

1564

01:01:11,910 --> 01:01:09,440

question you'll get a different response

1565

01:01:13,349 --> 01:01:11,920

so we asked this question for example if

1566

01:01:15,109 --> 01:01:13,359

you could stop your experiences right

1567

01:01:18,470 --> 01:01:15,119

now would you

1568

01:01:20,470 --> 01:01:18,480

well 86 said no keep it coming baby keep

1569

01:01:23,030 --> 01:01:20,480

it coming so if this was just so

1570

01:01:25,829 --> 01:01:23,040

horrible and negative why did 86 percent

1571

01:01:26,789 --> 01:01:25,839

said no don't stop it okay

1572

01:01:29,670 --> 01:01:26,799

um

1573

01:01:30,870 --> 01:01:29,680

we had uh uh a fixed choice questions

1574

01:01:33,589 --> 01:01:30,880

that means that

1575

01:01:35,430 --> 01:01:33,599

uh you had to either answer one way or

1576

01:01:38,069 --> 01:01:35,440

the other in order to continue with the

1577

01:01:41,109 --> 01:01:38,079

survey and that was do you view these

1578

01:01:42,630 --> 01:01:41,119

experiences as negative

1579

01:01:44,470 --> 01:01:42,640

well guess what

1580

01:01:45,750 --> 01:01:44,480

only four percent viewed that is

1581

01:01:48,150 --> 01:01:45,760

negative

1582

01:01:50,870 --> 01:01:48,160

however initially in the very beginning

1583

01:01:53,910 --> 01:01:50,880

of the experiences

1584

01:01:55,029 --> 01:01:53,920

37 viewed their experiences as highly

1585

01:01:57,510 --> 01:01:55,039

negative

1586

01:01:59,829 --> 01:01:57,520

okay which is a very large number

1587

01:02:01,270 --> 01:01:59,839

but then what we determined was that the

1588

01:02:02,950 --> 01:02:01,280

overwhelming majority of these

1589

01:02:05,510 --> 01:02:02,960

individuals were having

1590

01:02:08,309 --> 01:02:05,520

multiple contact experiences over the

1591

01:02:11,029 --> 01:02:08,319

years okay the largest category was more

1592

01:02:13,190 --> 01:02:11,039

than 20 of these experiences and that

1593

01:02:15,190 --> 01:02:13,200

was 40 percent of the people

1594

01:02:17,270 --> 01:02:15,200

40 percent of these people had more than

1595

01:02:19,349 --> 01:02:17,280

20 contact experiences

1596

01:02:21,109 --> 01:02:19,359

so we were able to determine that the

1597

01:02:22,309 --> 01:02:21,119

more experiences you had the more

1598

01:02:24,710 --> 01:02:22,319

positive

1599

01:02:27,349 --> 01:02:24,720

was your

1600

01:02:29,990 --> 01:02:27,359

perspective of your initial experiences

1601
01:02:31,029 --> 01:02:30,000
and your experiences changed

1602
01:02:33,029 --> 01:02:31,039
okay

1603
01:02:34,789 --> 01:02:33,039
on the topic of abductions

1604
01:02:37,029 --> 01:02:34,799
what we were able to discover was that

1605
01:02:38,870 --> 01:02:37,039
only one third of these people had what

1606
01:02:40,789 --> 01:02:38,880
is commonly called an abduction that

1607
01:02:43,270 --> 01:02:40,799
means a force taking

1608
01:02:46,390 --> 01:02:43,280
to another location or another reality

1609
01:02:48,549 --> 01:02:46,400
okay that's only one third

1610
01:02:51,750 --> 01:02:48,559
but yet the field of ufology believes

1611
01:02:54,789 --> 01:02:51,760
that all ufo contact is abduction

1612
01:02:57,670 --> 01:02:54,799
related well that's a false premise

1613
01:02:58,789 --> 01:02:57,680

now out of those that were abductees

1614

01:03:00,069 --> 01:02:58,799

okay

1615

01:03:02,230 --> 01:03:00,079

70

1616

01:03:04,710 --> 01:03:02,240

of the people who had an initial

1617

01:03:06,549 --> 01:03:04,720

abduction experience now call themselves

1618

01:03:08,950 --> 01:03:06,559

contactees

1619

01:03:10,470 --> 01:03:08,960

okay 70 of the

1620

01:03:12,950 --> 01:03:10,480

people that had an abduction experience

1621

01:03:14,789 --> 01:03:12,960

why because their experiences changed

1622

01:03:17,750 --> 01:03:14,799

and their view of their initial

1623

01:03:20,309 --> 01:03:17,760

experience changed as well over time

1624

01:03:21,589 --> 01:03:20,319

they got to say okay you know um i was

1625

01:03:24,549 --> 01:03:21,599

on the table they were physically

1626

01:03:25,670 --> 01:03:24,559

inspecting me but these experiences were

1627

01:03:29,910 --> 01:03:25,680

not

1628

01:03:32,150 --> 01:03:29,920

negative they didn't do any um uh uh

1629

01:03:34,309 --> 01:03:32,160

damage to me i might have been scared

1630

01:03:36,150 --> 01:03:34,319

straight you know scared like hell

1631

01:03:38,069 --> 01:03:36,160

you know when they were doing this but

1632

01:03:40,230 --> 01:03:38,079

now all of a sudden what we discovered

1633

01:03:43,430 --> 01:03:40,240

was that many of these people were now

1634

01:03:44,710 --> 01:03:43,440

interacting with human looking beings

1635

01:03:45,990 --> 01:03:44,720

they were being brought to other

1636

01:03:48,390 --> 01:03:46,000

realities

1637

01:03:49,349 --> 01:03:48,400

okay they were being shown the spirit

1638

01:03:50,150 --> 01:03:49,359

world

1639

01:03:51,829 --> 01:03:50,160

okay

1640

01:03:53,750 --> 01:03:51,839

like whitley schlieber

1641

01:03:55,750 --> 01:03:53,760

okay like kathleen martin

1642

01:03:57,589 --> 01:03:55,760

like so many of the of the experiencers

1643

01:03:59,190 --> 01:03:57,599

in our book half of the people that i

1644

01:04:01,349 --> 01:03:59,200

spoke that were written up in bud

1645

01:04:03,510 --> 01:04:01,359

hopkins books half of these people now

1646

01:04:05,029 --> 01:04:03,520

call themselves contactees

1647

01:04:07,990 --> 01:04:05,039

they've been brought to other realities

1648

01:04:10,150 --> 01:04:08,000

other dimensions okay so that was one

1649

01:04:13,430 --> 01:04:10,160

area that

1650

01:04:15,270 --> 01:04:13,440

the overwhelming number of these people

1651
01:04:17,109 --> 01:04:15,280
when they answered our survey questions

1652
01:04:18,230 --> 01:04:17,119
many many years later viewed their

1653
01:04:19,910 --> 01:04:18,240
experiences

1654
01:04:21,910 --> 01:04:19,920
as highly positive

1655
01:04:24,230 --> 01:04:21,920
just like kathleen martin and whitley

1656
01:04:25,750 --> 01:04:24,240
streeper the other area that we found

1657
01:04:28,309 --> 01:04:25,760
out was that

1658
01:04:29,990 --> 01:04:28,319
materialist ufology just talks about the

1659
01:04:33,510 --> 01:04:30,000
physical aspects

1660
01:04:36,309 --> 01:04:33,520
of the phenomenon okay

1661
01:04:39,430 --> 01:04:36,319
now like in my case i physically have

1662
01:04:40,950 --> 01:04:39,440
called down four uaps

1663
01:04:42,390 --> 01:04:40,960

so i've physically seen them with my

1664

01:04:43,750 --> 01:04:42,400

eyes okay

1665

01:04:46,309 --> 01:04:43,760

i have seen

1666

01:04:48,789 --> 01:04:46,319

an energy being in my living room so

1667

01:04:51,029 --> 01:04:48,799

physically i have seen a physical

1668

01:04:53,829 --> 01:04:51,039

non-human intelligence okay

1669

01:04:55,109 --> 01:04:53,839

but the overwhelming number of my

1670

01:04:57,270 --> 01:04:55,119

experiences

1671

01:04:59,349 --> 01:04:57,280

over a four-year period

1672

01:05:00,390 --> 01:04:59,359

can be categorized as paranormal in

1673

01:05:02,630 --> 01:05:00,400

nature

1674

01:05:05,270 --> 01:05:02,640

in terms of out-of-body experiences

1675

01:05:08,069 --> 01:05:05,280

being brought to other realities

1676
01:05:09,750 --> 01:05:08,079
by a non-human intelligence and given

1677
01:05:12,470 --> 01:05:09,760
spiritual lessons lessons of our

1678
01:05:15,910 --> 01:05:12,480
cosmology lessons of consciousness

1679
01:05:19,829 --> 01:05:18,549
you know seeing deceased people

1680
01:05:21,270 --> 01:05:19,839
okay

1681
01:05:22,789 --> 01:05:21,280
so these

1682
01:05:24,789 --> 01:05:22,799
experiences

1683
01:05:26,470 --> 01:05:24,799
uh are not discussed in the field of

1684
01:05:29,109 --> 01:05:26,480
ufology but yet

1685
01:05:32,950 --> 01:05:29,119
once we looked at all of the survey

1686
01:05:35,670 --> 01:05:32,960
responses from all the 4 300 individuals

1687
01:05:38,309 --> 01:05:35,680
we discovered that the overwhelming

1688
01:05:40,870 --> 01:05:38,319

percentage of their experiences

1689

01:05:42,630 --> 01:05:40,880

were not physical they were paranormal

1690

01:05:46,470 --> 01:05:42,640

in nature and let me give you some

1691

01:05:48,470 --> 01:05:46,480

example eighty percent of these people

1692

01:05:50,870 --> 01:05:48,480

were having out of body experiences

1693

01:05:52,390 --> 01:05:50,880

eighty percent 8 out of 10.

1694

01:05:56,069 --> 01:05:52,400

37

1695

01:05:58,309 --> 01:05:56,079

had at least one near death experience

1696

01:06:01,349 --> 01:05:58,319

67 percent

1697

01:06:02,470 --> 01:06:01,359

were have seen a deceased person

1698

01:06:04,470 --> 01:06:02,480

okay

1699

01:06:06,470 --> 01:06:04,480

67 two out of every three

1700

01:06:08,950 --> 01:06:06,480

out of those people

1701

01:06:11,270 --> 01:06:08,960

to uh sixty percent actually

1702

01:06:12,069 --> 01:06:11,280

communicated with that deceased person

1703

01:06:13,990 --> 01:06:12,079

okay

1704

01:06:15,750 --> 01:06:14,000

um 63

1705

01:06:18,069 --> 01:06:15,760

have seen orbs

1706

01:06:20,150 --> 01:06:18,079

not via picture or a video but an actual

1707

01:06:23,829 --> 01:06:20,160

person an orb orbs that went through

1708

01:06:24,950 --> 01:06:23,839

windows you know through walls etc

1709

01:06:27,589 --> 01:06:24,960

um

1710

01:06:31,270 --> 01:06:27,599

and you name the the so-called

1711

01:06:34,710 --> 01:06:33,349

a parts of things mysteriously appearing

1712

01:06:37,589 --> 01:06:34,720

in your living room

1713

01:06:40,470 --> 01:06:37,599

of books flying around you know other uh

1714

01:06:42,069 --> 01:06:40,480

poltergeist type of activities okay

1715

01:06:42,870 --> 01:06:42,079

um

1716

01:06:44,549 --> 01:06:42,880

it was

1717

01:06:46,470 --> 01:06:44,559

huge the numbers of people that were

1718

01:06:49,029 --> 01:06:46,480

having these paranormal experiences

1719

01:06:51,750 --> 01:06:49,039

so and they weren't having one type they

1720

01:06:54,470 --> 01:06:51,760

were having the whole smorgasbord

1721

01:06:56,549 --> 01:06:54,480

the whole cornucopia of the paranormal

1722

01:06:59,430 --> 01:06:56,559

experiences like dr melinda gria that i

1723

01:07:01,750 --> 01:06:59,440

described before or in my case

1724

01:07:04,069 --> 01:07:01,760

and so um that was a the second

1725

01:07:07,029 --> 01:07:04,079

conclusion that these experiences should

1726

01:07:08,710 --> 01:07:07,039

not be viewed as physical experiences

1727

01:07:12,470 --> 01:07:08,720

they should be viewed

1728

01:07:14,470 --> 01:07:12,480

as uh psyche and consciousness based

1729

01:07:15,990 --> 01:07:14,480

experiences okay

1730

01:07:17,990 --> 01:07:16,000

and that gets back to that question of

1731

01:07:19,589 --> 01:07:18,000

the other gentleman who talked about

1732

01:07:22,789 --> 01:07:19,599

what do you think about these tall grays

1733

01:07:25,510 --> 01:07:22,799

okay the third major conclusion

1734

01:07:27,029 --> 01:07:25,520

was that these experiences

1735

01:07:29,029 --> 01:07:27,039

uh involve

1736

01:07:31,750 --> 01:07:29,039

in a total transformation of the

1737

01:07:35,029 --> 01:07:31,760

individual and i discussed that earlier

1738

01:07:37,829 --> 01:07:35,039

uh when i uh told you that we took 70

1739

01:07:38,789 --> 01:07:37,839

questions from dr kenneth ring's

1740

01:07:41,430 --> 01:07:38,799

study

1741

01:07:42,870 --> 01:07:41,440

from his book beyond uh excuse me the

1742

01:07:45,349 --> 01:07:42,880

omega project

1743

01:07:47,510 --> 01:07:45,359

and we discovered that these people made

1744

01:07:50,710 --> 01:07:47,520

a total radical transformation for the

1745

01:07:52,789 --> 01:07:50,720

positive okay in terms of spirituality

1746

01:07:54,390 --> 01:07:52,799

not fearing death they weren't concerned

1747

01:07:56,069 --> 01:07:54,400

about material things that became more

1748

01:07:57,029 --> 01:07:56,079

ecologically

1749

01:07:58,789 --> 01:07:57,039

friendly

1750

01:08:01,430 --> 01:07:58,799

they became much more loving much more

1751
01:08:04,230 --> 01:08:01,440
caring et cetera et cetera et cetera

1752
01:08:05,510 --> 01:08:04,240
okay so that was the third

1753
01:08:10,069 --> 01:08:05,520
major

1754
01:08:12,069 --> 01:08:10,079
these experiences involve what is

1755
01:08:14,549 --> 01:08:12,079
commonly called a manipulation of

1756
01:08:16,789 --> 01:08:14,559
space-time okay

1757
01:08:18,630 --> 01:08:16,799
we discovered that 50

1758
01:08:20,789 --> 01:08:18,640
of these people

1759
01:08:23,590 --> 01:08:20,799
were brought to other realities by

1760
01:08:26,229 --> 01:08:23,600
non-human intelligence 50 percent

1761
01:08:28,709 --> 01:08:26,239
in my case case uh i could go into the

1762
01:08:31,269 --> 01:08:28,719
details uh but it would take too long to

1763
01:08:33,829 --> 01:08:31,279

describe it uh i was brought to another

1764

01:08:35,349 --> 01:08:33,839

reality where i was shown

1765

01:08:37,189 --> 01:08:35,359

um

1766

01:08:38,789 --> 01:08:37,199

the relationship between consciousness

1767

01:08:39,829 --> 01:08:38,799

and all the paranormal

1768

01:08:41,910 --> 01:08:39,839

uh

1769

01:08:44,630 --> 01:08:41,920

contact modalities

1770

01:08:46,789 --> 01:08:44,640

that's what led for me to begin to

1771

01:08:48,870 --> 01:08:46,799

research this phenomenon and eventually

1772

01:08:50,630 --> 01:08:48,880

to write this book because i was brought

1773

01:08:52,870 --> 01:08:50,640

to this other reality where i was taught

1774

01:08:55,269 --> 01:08:52,880

all these things um

1775

01:08:57,990 --> 01:08:55,279

and uh 50 of these people were brought

1776

01:08:59,510 --> 01:08:58,000

to other realities okay so these are

1777

01:09:01,349 --> 01:08:59,520

people in order to take our survey you

1778

01:09:03,590 --> 01:09:01,359

have to first of all have seen a

1779

01:09:05,030 --> 01:09:03,600

physical ufo

1780

01:09:07,110 --> 01:09:05,040

secondly you have had to have had some

1781

01:09:08,950 --> 01:09:07,120

type of contact with non-human

1782

01:09:10,709 --> 01:09:08,960

intelligence okay

1783

01:09:12,709 --> 01:09:10,719

and what we discovered was that eighty

1784

01:09:13,990 --> 01:09:12,719

percent of these people had physically

1785

01:09:16,870 --> 01:09:14,000

seen

1786

01:09:19,510 --> 01:09:16,880

a physical being okay and the other

1787

01:09:22,229 --> 01:09:19,520

twenty percent uh were people that only

1788

01:09:25,030 --> 01:09:22,239

had telepathic communications

1789

01:09:27,269 --> 01:09:25,040

but the overwhelming majority have had

1790

01:09:29,669 --> 01:09:27,279

both they've seen a physical being and

1791

01:09:32,149 --> 01:09:29,679

have gotten telepathic communications

1792

01:09:33,990 --> 01:09:32,159

okay when they didn't see a beam

1793

01:09:36,630 --> 01:09:34,000

like like i talked to you before about

1794

01:09:38,709 --> 01:09:36,640

doctor rahul valverde saying raul you

1795

01:09:40,630 --> 01:09:38,719

know your wife is two weeks got to tell

1796

01:09:41,910 --> 01:09:40,640

you that she's pregnant okay

1797

01:09:43,349 --> 01:09:41,920

um so

1798

01:09:48,630 --> 01:09:43,359

um

1799

01:09:51,510 --> 01:09:48,640

and uh

1800

01:09:55,110 --> 01:09:51,520

50 of these people have told us that

1801
01:09:56,229 --> 01:09:55,120
they had a miraculous medical healing

1802
01:09:57,990 --> 01:09:56,239
okay

1803
01:09:59,110 --> 01:09:58,000
kathy martin had a miraculous medical

1804
01:10:01,430 --> 01:09:59,120
healing

1805
01:10:02,790 --> 01:10:01,440
okay she's in our book beyond ufos but

1806
01:10:04,550 --> 01:10:02,800
at that time she didn't want to go

1807
01:10:06,790 --> 01:10:04,560
public with her name

1808
01:10:09,510 --> 01:10:06,800
okay but she's the story that was the

1809
01:10:10,550 --> 01:10:09,520
woman that was cured of chronic fatigue

1810
01:10:13,669 --> 01:10:10,560
syndrome

1811
01:10:15,510 --> 01:10:13,679
okay my dog was totally healed by an

1812
01:10:17,830 --> 01:10:15,520
energy being in our living room

1813
01:10:20,790 --> 01:10:17,840

and then later on my wife began to call

1814

01:10:23,830 --> 01:10:20,800

down you know numerous ufos and i

1815

01:10:27,030 --> 01:10:23,840

eventually began to call down for ufos

1816

01:10:29,110 --> 01:10:27,040

so this energy being healed our dog who

1817

01:10:31,590 --> 01:10:29,120

we were going to be euthanizing

1818

01:10:35,270 --> 01:10:31,600

okay the very next day

1819

01:10:37,990 --> 01:10:35,280

okay so um and that's also if you send

1820

01:10:40,630 --> 01:10:38,000

me an email i will send you our chapter

1821

01:10:42,070 --> 01:10:40,640

on medical healings on ufo

1822

01:10:46,229 --> 01:10:42,080

medical healings

1823

01:10:49,590 --> 01:10:46,239

again the email is info at experi at um

1824

01:10:55,189 --> 01:10:49,600

at a greaterreality.com

1825

01:10:59,270 --> 01:10:57,270

so those are the four major findings let

1826
01:11:02,630 --> 01:10:59,280
me summarize them real quickly these

1827
01:11:04,790 --> 01:11:02,640
experiences were overwhelmingly

1828
01:11:06,870 --> 01:11:04,800
positive in nature

1829
01:11:09,270 --> 01:11:06,880
not in the big in the beginning

1830
01:11:11,669 --> 01:11:09,280
but towards the end of their experiences

1831
01:11:14,390 --> 01:11:11,679
once when they were taking our survey

1832
01:11:17,110 --> 01:11:14,400
number two these experiences were

1833
01:11:19,110 --> 01:11:17,120
extremely transformational

1834
01:11:21,189 --> 01:11:19,120
highly transformative transformational

1835
01:11:24,550 --> 01:11:21,199
for the positive okay

1836
01:11:26,950 --> 01:11:24,560
number three these experiences involve

1837
01:11:28,950 --> 01:11:26,960
uh primarily

1838
01:11:30,790 --> 01:11:28,960

psyche and consciousness based

1839

01:11:33,910 --> 01:11:30,800

experiences you know paranormal

1840

01:11:35,110 --> 01:11:33,920

experiences and not necessarily physical

1841

01:11:37,590 --> 01:11:35,120

experiences

1842

01:11:39,669 --> 01:11:37,600

of seeing a physical being of seeing a

1843

01:11:41,030 --> 01:11:39,679

physical ufo that's part of the

1844

01:11:43,189 --> 01:11:41,040

phenomenon

1845

01:11:45,990 --> 01:11:43,199

but that's not the overwhelming majority

1846

01:11:48,310 --> 01:11:46,000

of the phenomenon number four these

1847

01:11:49,590 --> 01:11:48,320

experiences involve a manipulation of

1848

01:11:51,590 --> 01:11:49,600

space-time

1849

01:11:53,830 --> 01:11:51,600

just like when people see a

1850

01:11:55,669 --> 01:11:53,840

deceased person that's a manipulation of

1851

01:11:57,910 --> 01:11:55,679

space time here you having the

1852

01:12:00,790 --> 01:11:57,920

consciousness of this deceased person is

1853

01:12:03,189 --> 01:12:00,800

physically appearing in our reality

1854

01:12:06,310 --> 01:12:03,199

in a dear near-death experience your

1855

01:12:09,189 --> 01:12:06,320

consciousness is going to uh a higher

1856

01:12:11,030 --> 01:12:09,199

reality okay where you're seeing

1857

01:12:13,990 --> 01:12:11,040

deceased relatives where you're

1858

01:12:16,229 --> 01:12:14,000

interacting with uh a being that people

1859

01:12:18,149 --> 01:12:16,239

associate with god where you're being

1860

01:12:19,510 --> 01:12:18,159

given a life review you're being shown

1861

01:12:20,790 --> 01:12:19,520

all the good things you've done in your

1862

01:12:22,550 --> 01:12:20,800

life and all the bad things you've done

1863

01:12:24,709 --> 01:12:22,560

in your life you know et cetera et

1864

01:12:26,950 --> 01:12:24,719

cetera so that involves

1865

01:12:28,470 --> 01:12:26,960

a manipulation of space time where your

1866

01:12:29,830 --> 01:12:28,480

consciousness is being brought to

1867

01:12:32,149 --> 01:12:29,840

another reality

1868

01:12:34,229 --> 01:12:32,159

by definition when you are having an out

1869

01:12:36,470 --> 01:12:34,239

of body experience or

1870

01:12:39,669 --> 01:12:36,480

you're doing astral travel or you're

1871

01:12:43,590 --> 01:12:41,270

remote viewing

1872

01:12:45,669 --> 01:12:43,600

okay by definition there's a

1873

01:12:48,470 --> 01:12:45,679

manipulation of space-time because your

1874

01:12:50,790 --> 01:12:48,480

consciousness is outside of your 3d

1875

01:12:53,110 --> 01:12:50,800

physical reality you're seeing your body

1876

01:12:55,110 --> 01:12:53,120

underneath you but yet you're going

1877

01:12:57,590 --> 01:12:55,120

around the neighborhood checking it out

1878

01:12:58,550 --> 01:12:57,600

as a

1879

01:13:01,030 --> 01:12:58,560

via

1880

01:13:03,030 --> 01:13:01,040

a conscious being

1881

01:13:04,870 --> 01:13:03,040

when you're doing remote viewing

1882

01:13:07,430 --> 01:13:04,880

your mind your consciousness is

1883

01:13:09,030 --> 01:13:07,440

physically outside of your body

1884

01:13:10,870 --> 01:13:09,040

and you might be

1885

01:13:14,870 --> 01:13:10,880

like some of the early remote viewers

1886

01:13:17,430 --> 01:13:14,880

going to a secret russian military uh

1887

01:13:20,310 --> 01:13:17,440

factory where they're building uh the

1888

01:13:23,110 --> 01:13:20,320

latest model of a nuclear submarine okay

1889

01:13:25,270 --> 01:13:23,120

now it's a true story that's how the cia

1890

01:13:28,229 --> 01:13:25,280

eventually awarded the stanford research

1891

01:13:29,590 --> 01:13:28,239

institute a contract on revolt viewing

1892

01:13:31,430 --> 01:13:29,600

because they were able to go in there

1893

01:13:32,470 --> 01:13:31,440

and to identify the submarine sub that's

1894

01:13:34,790 --> 01:13:32,480

being built

1895

01:13:37,110 --> 01:13:34,800

that was verified by a spy

1896

01:13:39,030 --> 01:13:37,120

who was in that submarine factory

1897

01:13:41,590 --> 01:13:39,040

that verified exactly what these remote

1898

01:13:44,470 --> 01:13:41,600

viewers were telling them okay so again

1899

01:13:47,189 --> 01:13:44,480

it involves a manipulation of space time

1900

01:13:50,390 --> 01:13:47,199

where your consciousness is outside of

1901

01:13:52,950 --> 01:13:50,400

your 3d reality but yet you are seeing

1902

01:13:55,830 --> 01:13:52,960

you are hearing your senses like your

1903

01:13:58,550 --> 01:13:55,840

normal uh five senses would be but

1904

01:14:00,630 --> 01:13:58,560

you're doing it outside of the 3d

1905

01:14:01,830 --> 01:14:00,640

reality okay you're doing outside of

1906

01:14:03,990 --> 01:14:01,840

space-time

1907

01:14:06,149 --> 01:14:04,000

so those are the four major conclusions

1908

01:14:08,390 --> 01:14:06,159

of our book but yet

1909

01:14:10,630 --> 01:14:08,400

almost nobody has read a book nobody

1910

01:14:14,950 --> 01:14:10,640

cares they'd rather read another story

1911

01:14:16,870 --> 01:14:14,960

about randall shim forrest about roswell

1912

01:14:20,870 --> 01:14:16,880

about a new medical medal that was

1913

01:14:23,830 --> 01:14:20,880

discovered uh the new tic tac video um

1914

01:14:26,830 --> 01:14:23,840

uh so my response to that is

1915

01:14:29,830 --> 01:14:26,840

what have we learned over the last 80

1916

01:14:32,390 --> 01:14:29,840

years of approaching the field of

1917

01:14:35,189 --> 01:14:32,400

ufology from a strict materialist

1918

01:14:37,110 --> 01:14:35,199

perspective what have we really learned

1919

01:14:39,270 --> 01:14:37,120

my response is

1920

01:14:42,790 --> 01:14:39,280

very little

1921

01:14:47,030 --> 01:14:42,800

but yet what have we learned

1922

01:14:48,310 --> 01:14:47,040

by the 820 page book beyond ufos

1923

01:14:49,510 --> 01:14:48,320

okay

1924

01:14:53,510 --> 01:14:49,520

a lot

1925

01:14:55,189 --> 01:14:53,520

uh very

1926

01:14:56,870 --> 01:14:55,199

very complex

1927

01:14:58,950 --> 01:14:56,880

but if you approach it from a

1928

01:15:01,750 --> 01:14:58,960

materialist perspective

1929

01:15:02,550 --> 01:15:01,760

you're not going to accept it

1930

01:15:11,270 --> 01:15:02,560

uh

1931

01:15:13,189 --> 01:15:11,280

george hernandez asking can past life

1932

01:15:17,030 --> 01:15:13,199

speed considered a form of time travel

1933

01:15:18,870 --> 01:15:17,830

well

1934

01:15:20,790 --> 01:15:18,880

um

1935

01:15:22,310 --> 01:15:20,800

a lot of people that have had near-death

1936

01:15:25,830 --> 01:15:22,320

experiences

1937

01:15:28,310 --> 01:15:25,840

describe the past life phenomena okay

1938

01:15:29,830 --> 01:15:28,320

the past life phenomenon was studied

1939

01:15:32,310 --> 01:15:29,840

academically

1940

01:15:34,630 --> 01:15:32,320

by um

1941

01:15:37,510 --> 01:15:34,640

by this professor

1942

01:15:39,350 --> 01:15:37,520

at the university of virginia school of

1943

01:15:42,070 --> 01:15:39,360

medicine so this is a professor of

1944

01:15:45,990 --> 01:15:42,080

psychiatry who all of a sudden the guy

1945

01:15:47,430 --> 01:15:46,000

they invented the the xerox machine died

1946

01:15:48,470 --> 01:15:47,440

and

1947

01:15:49,910 --> 01:15:48,480

he had

1948

01:15:51,590 --> 01:15:49,920

met with the university of virginia

1949

01:15:53,030 --> 01:15:51,600

beforehand says look i'm going to leave

1950

01:15:54,790 --> 01:15:53,040

you leave you

1951

01:15:55,590 --> 01:15:54,800

millions of dollars

1952

01:15:57,669 --> 01:15:55,600

but

1953

01:15:59,110 --> 01:15:57,679

i want this money to go into someone

1954

01:16:00,950 --> 01:15:59,120

who's going to study

1955

01:16:02,070 --> 01:16:00,960

reincarnation

1956

01:16:03,430 --> 01:16:02,080

okay

1957

01:16:05,350 --> 01:16:03,440

so

1958

01:16:07,189 --> 01:16:05,360

the university of virginia approached dr

1959

01:16:09,669 --> 01:16:07,199

ian stevenson

1960

01:16:12,229 --> 01:16:09,679

said look we got this uh very wealthy

1961

01:16:14,709 --> 01:16:12,239

man invented the xerox machine

1962

01:16:17,030 --> 01:16:14,719

and he wants to leave us with millions

1963

01:16:20,229 --> 01:16:17,040

of dollars

1964

01:16:22,070 --> 01:16:20,239

which we can give to you because we know

1965

01:16:24,870 --> 01:16:22,080

that you have an interested and

1966

01:16:27,669 --> 01:16:24,880

interested in these topics

1967

01:16:29,430 --> 01:16:27,679

in consciousness of the paranormal es

1968

01:16:32,470 --> 01:16:29,440

esp et cetera

1969

01:16:36,149 --> 01:16:32,480

and so dr ian stevenson accepted it and

1970

01:16:38,229 --> 01:16:36,159

he began i believe was in 1962 at the

1971

01:16:40,470 --> 01:16:38,239

university of virginia the division of

1972

01:16:43,750 --> 01:16:40,480

perceptual studies okay

1973

01:16:44,790 --> 01:16:43,760

uh that uh organization eventually grew

1974

01:16:48,149 --> 01:16:44,800

to have

1975

01:16:49,830 --> 01:16:48,159

uh i think seven or eight professors

1976

01:16:52,390 --> 01:16:49,840

most of these people came from leading

1977

01:16:54,229 --> 01:16:52,400

academic institutions

1978

01:16:55,990 --> 01:16:54,239

and then from there

1979

01:16:58,149 --> 01:16:56,000

dr bruce grayson

1980

01:17:00,310 --> 01:16:58,159

developed the nde literature he began to

1981

01:17:03,270 --> 01:17:00,320

do all of these academic research

1982

01:17:05,189 --> 01:17:03,280

studies on experiences of ndes

1983

01:17:06,229 --> 01:17:05,199

and then

1984

01:17:09,590 --> 01:17:06,239

before

1985

01:17:11,030 --> 01:17:09,600

dr stevenson passed away he hired

1986

01:17:13,830 --> 01:17:11,040

dr

1987

01:17:17,510 --> 01:17:15,590

jim tucker

1988

01:17:20,950 --> 01:17:17,520

to

1989

01:17:23,590 --> 01:17:20,960

reincarnation

1990

01:17:26,390 --> 01:17:23,600

and so dr stevenson published i think it

1991

01:17:29,110 --> 01:17:26,400

was two or three major books we'd had

1992

01:17:31,350 --> 01:17:29,120

which had hundreds of case studies

1993

01:17:33,990 --> 01:17:31,360

of the field of reincarnation

1994

01:17:36,550 --> 01:17:34,000

but the field of nde research

1995

01:17:39,350 --> 01:17:36,560

also reveals the whole aspect of

1996

01:17:41,830 --> 01:17:39,360

reincarnation as well a lot of nde

1997

01:17:43,350 --> 01:17:41,840

experiencers discuss that okay

1998

01:17:45,110 --> 01:17:43,360

now um

1999

01:17:47,750 --> 01:17:45,120

in terms of uh

2000

01:17:50,790 --> 01:17:47,760

past lives and time travel okay

2001

01:17:53,910 --> 01:17:50,800

um again i'm not a physicist i could

2002

01:17:56,550 --> 01:17:53,920

only tell you what uh physicists and our

2003

01:17:59,510 --> 01:17:56,560

organization have told me and including

2004

01:18:02,550 --> 01:17:59,520

edgar mitchell who uh got a phd in

2005

01:18:04,950 --> 01:18:02,560

aeronautical uh uh engineering

2006

01:18:07,910 --> 01:18:04,960

and and uh from um

2007

01:18:10,550 --> 01:18:07,920

mit which is one of the leading

2008

01:18:14,470 --> 01:18:10,560

scientific universities in the world

2009

01:18:17,189 --> 01:18:14,480

and so they all told me it says ray um

2010

01:18:19,669 --> 01:18:17,199

uh time doesn't it exist

2011

01:18:21,590 --> 01:18:19,679

because it's folded into einstein's

2012

01:18:24,550 --> 01:18:21,600

concept of space time

2013

01:18:27,750 --> 01:18:24,560

so uh space doesn't exist and time

2014

01:18:29,110 --> 01:18:27,760

doesn't it does not exist okay

2015

01:18:33,510 --> 01:18:29,120

now

2016

01:18:37,350 --> 01:18:33,520

individuals are able to uh

2017

01:18:40,630 --> 01:18:37,360

experience past lives

2018

01:18:43,590 --> 01:18:40,640

via what edgar described in his model

2019

01:18:45,030 --> 01:18:43,600

via non-local consciousness

2020

01:18:46,550 --> 01:18:45,040

just like you could experience

2021

01:18:49,110 --> 01:18:46,560

precognition

2022

01:18:51,830 --> 01:18:49,120

of a future event that's going to happen

2023

01:18:54,790 --> 01:18:51,840

and let me give you an illustration okay

2024

01:18:57,750 --> 01:18:54,800

people that have had contact

2025

01:18:58,790 --> 01:18:57,760

uh via near-death experiences ufo

2026

01:19:00,630 --> 01:18:58,800

contact

2027

01:19:03,110 --> 01:19:00,640

seeing ghosts and spirits any of these

2028

01:19:06,709 --> 01:19:03,120

contact modalities all of a sudden it's

2029

01:19:09,669 --> 01:19:06,719

like their consciousness is opened up to

2030

01:19:11,990 --> 01:19:09,679

other types of experiences okay

2031

01:19:13,910 --> 01:19:12,000

uh let me give you an example

2032

01:19:15,430 --> 01:19:13,920

uh my wife

2033

01:19:16,709 --> 01:19:15,440

uh

2034

01:19:18,229 --> 01:19:16,719

disappeared right in front of me in my

2035

01:19:21,590 --> 01:19:18,239

living room

2036

01:19:23,270 --> 01:19:21,600

when uh when uh

2037

01:19:25,669 --> 01:19:23,280

when i had that experience with that

2038

01:19:27,590 --> 01:19:25,679

energy being in my living room

2039

01:19:29,110 --> 01:19:27,600

she had one hour of missing time she was

2040

01:19:32,070 --> 01:19:29,120

gone okay

2041

01:19:34,950 --> 01:19:32,080

um and then when um when she was

2042

01:19:37,590 --> 01:19:34,960

returned with our dog our dog was fully

2043

01:19:39,110 --> 01:19:37,600

healed okay fully healed

2044

01:19:41,590 --> 01:19:39,120

we didn't have to euthanize her later

2045

01:19:43,270 --> 01:19:41,600

that afternoon okay

2046

01:19:45,750 --> 01:19:43,280

she was like uh running around like a

2047

01:19:46,790 --> 01:19:45,760

little puppy

2048

01:19:49,270 --> 01:19:46,800

so

2049

01:19:52,229 --> 01:19:49,280

edgar mitchell described this whole

2050

01:19:54,310 --> 01:19:52,239

process of non-local consciousness

2051

01:19:57,510 --> 01:19:54,320

and how telepathy works

2052

01:19:58,790 --> 01:19:57,520

dean rayden in his many books was able

2053

01:20:00,790 --> 01:19:58,800

to describe

2054

01:20:02,390 --> 01:20:00,800

precognition

2055

01:20:04,870 --> 01:20:02,400

how that might work

2056

01:20:05,990 --> 01:20:04,880

the uh yes what is commonly described as

2057

01:20:07,750 --> 01:20:06,000

esp

2058

01:20:09,110 --> 01:20:07,760

so a lot of people

2059

01:20:10,310 --> 01:20:09,120

um uh

2060

01:20:12,709 --> 01:20:10,320

via

2061

01:20:16,550 --> 01:20:12,719

this process of non-local consciousness

2062

01:20:18,709 --> 01:20:16,560

are able to tap in to their past lives

2063

01:20:21,189 --> 01:20:18,719

all of a sudden you know you might be

2064

01:20:24,229 --> 01:20:21,199

meditating okay you go into these deep

2065

01:20:26,709 --> 01:20:24,239

meditations or holotropic breathings and

2066

01:20:28,470 --> 01:20:26,719

all of a sudden you're in

2067

01:20:31,189 --> 01:20:28,480

uh a past life

2068

01:20:33,590 --> 01:20:31,199

okay you might be a native american and

2069

01:20:35,270 --> 01:20:33,600

you might be witnessing uh how you were

2070

01:20:37,430 --> 01:20:35,280

killed by another tribe

2071

01:20:39,350 --> 01:20:37,440

in a battle and you're experiencing

2072

01:20:41,350 --> 01:20:39,360

everything okay

2073

01:20:42,950 --> 01:20:41,360

like you're in that person's body and

2074

01:20:45,590 --> 01:20:42,960

you're seeing you're smelling you're

2075

01:20:47,910 --> 01:20:45,600

feeling you know

2076

01:20:48,790 --> 01:20:47,920

so a lot of these people that have these

2077

01:20:51,669 --> 01:20:48,800

um

2078

01:20:53,189 --> 01:20:51,679

past life type of experiences

2079

01:20:54,709 --> 01:20:53,199

uh what it is is that their

2080

01:20:55,510 --> 01:20:54,719

consciousness

2081

01:20:58,709 --> 01:20:55,520

is

2082

01:21:00,709 --> 01:20:58,719

leaving their physical 3d body

2083

01:21:01,910 --> 01:21:00,719

and they're going into these higher

2084

01:21:05,669 --> 01:21:01,920

realms

2085

01:21:06,629 --> 01:21:05,679

okay just like astral traveling okay and

2086

01:21:09,750 --> 01:21:06,639

um

2087

01:21:12,709 --> 01:21:09,760

your mind not your brain but your mind

2088

01:21:14,390 --> 01:21:12,719

your consciousness mind is traveling to

2089

01:21:15,990 --> 01:21:14,400

these other realities where you're

2090

01:21:20,149 --> 01:21:16,000

tapping into

2091

01:21:21,270 --> 01:21:20,159

via the skills of of of of perception

2092

01:21:22,629 --> 01:21:21,280

resonance

2093

01:21:24,950 --> 01:21:22,639

coherence

2094

01:21:29,110 --> 01:21:26,790

you know describing how non-local

2095

01:21:31,189 --> 01:21:29,120

consciousness works into this other

2096

01:21:31,910 --> 01:21:31,199

reality of past lives

2097

01:21:34,629 --> 01:21:31,920

so

2098

01:21:37,830 --> 01:21:34,639

um i guess it's a long

2099

01:21:38,870 --> 01:21:37,840

explanation of explaining that yes past

2100

01:21:40,390 --> 01:21:38,880

lives

2101

01:21:41,830 --> 01:21:40,400

is uh

2102

01:21:43,910 --> 01:21:41,840

very real

2103

01:21:45,669 --> 01:21:43,920

it's been fully documented from many

2104

01:21:49,430 --> 01:21:45,679

many different approaches

2105

01:21:51,750 --> 01:21:49,440

and that reincarnation uh seems to exist

2106

01:21:54,310 --> 01:21:51,760

and many ancient cultures

2107

01:21:56,470 --> 01:21:54,320

from all of the mystical cultures

2108

01:21:59,669 --> 01:21:56,480

to indigenous cultures

2109

01:22:02,950 --> 01:21:59,679

they all talk about reincarnation

2110

01:22:03,750 --> 01:22:02,960

okay so uh again these are mysteries

2111

01:22:06,470 --> 01:22:03,760

that

2112

01:22:07,830 --> 01:22:06,480

humanity is just beginning to discuss

2113

01:22:10,709 --> 01:22:07,840

these topics

2114

01:22:12,950 --> 01:22:10,719

in a scientific framework they have been

2115

01:22:14,709 --> 01:22:12,960

discussed in oral cultural traditions

2116

01:22:17,590 --> 01:22:14,719

for thousands of years

2117

01:22:20,149 --> 01:22:17,600

but now these academics these scientists

2118

01:22:23,030 --> 01:22:20,159

are beginning to discuss these things

2119

01:22:25,350 --> 01:22:23,040

from an academic perspective

2120

01:22:28,310 --> 01:22:25,360

there really is no

2121

01:22:29,270 --> 01:22:28,320

explanation that that that proves these

2122

01:22:31,830 --> 01:22:29,280

things

2123

01:22:34,229 --> 01:22:31,840

because as i said earlier you can't get

2124

01:22:37,590 --> 01:22:34,239

these topics and put them in the test

2125

01:22:38,790 --> 01:22:37,600

tube and duplicate them again okay

2126
01:22:42,149 --> 01:22:38,800
how could you

2127
01:22:44,629 --> 01:22:42,159
duplicate consciousness you know um

2128
01:22:47,510 --> 01:22:44,639
and um so anyway i hope that uh

2129
01:22:50,550 --> 01:22:47,520
addresses a little bit your question

2130
01:22:52,950 --> 01:22:50,560
thank you for that right yeah labels 369

2131
01:22:54,950 --> 01:22:52,960
had a question but then later on on the

2132
01:22:57,270 --> 01:22:54,960
bottom answered the question answered

2133
01:22:58,870 --> 01:22:57,280
thanks so um

2134
01:23:00,950 --> 01:22:58,880
there you go already

2135
01:23:04,229 --> 01:23:00,960
doing the future skip and uh getting

2136
01:23:06,310 --> 01:23:04,239
that taken care of so i have a a poly

2137
01:23:08,870 --> 01:23:06,320
over uh telegram would like to ask a

2138
01:23:10,950 --> 01:23:08,880

question so paulie you are unmuted and

2139

01:23:13,830 --> 01:23:10,960

mute yourself on your end and please ask

2140

01:23:18,470 --> 01:23:16,470

hello everybody fascinating fascinating

2141

01:23:20,070 --> 01:23:18,480

stuff i can't wait to get my hands on

2142

01:23:21,110 --> 01:23:20,080

that book

2143

01:23:23,430 --> 01:23:21,120

and

2144

01:23:25,750 --> 01:23:23,440

i have had a lot of unusual experiences

2145

01:23:27,510 --> 01:23:25,760

over time it started by seeing some ufos

2146

01:23:28,550 --> 01:23:27,520

and that opened up

2147

01:23:31,030 --> 01:23:28,560

my

2148

01:23:33,030 --> 01:23:31,040

curiosity and then i

2149

01:23:35,510 --> 01:23:33,040

started learning from people and it's

2150

01:23:38,149 --> 01:23:35,520

been a very interesting journey for me

2151

01:23:39,750 --> 01:23:38,159

um all kinds of experiences but one

2152

01:23:41,669 --> 01:23:39,760

thing um

2153

01:23:43,750 --> 01:23:41,679

i had a little curious about that i

2154

01:23:45,189 --> 01:23:43,760

haven't really been able to find much

2155

01:23:47,669 --> 01:23:45,199

information on

2156

01:23:49,830 --> 01:23:47,679

is i guess downloads or symbols or

2157

01:23:52,709 --> 01:23:49,840

numbers so for me

2158

01:23:54,470 --> 01:23:52,719

i do this deep trans meditations with

2159

01:23:56,629 --> 01:23:54,480

binaural beats and i've done a lot of

2160

01:23:59,830 --> 01:23:56,639

study how to do that and i do sometimes

2161

01:24:01,990 --> 01:23:59,840

with the aid of plants medicine and

2162

01:24:04,709 --> 01:24:02,000

sometimes i'm bombarded with ancient

2163

01:24:06,470 --> 01:24:04,719

hieroglyphic symbols like rapidly like a

2164

01:24:08,790 --> 01:24:06,480

lot of information

2165

01:24:11,590 --> 01:24:08,800

a friend of mine she

2166

01:24:13,510 --> 01:24:11,600

started seeing ufos i'd tell her why

2167

01:24:15,990 --> 01:24:13,520

don't you politely say thank you for

2168

01:24:18,070 --> 01:24:16,000

showing yourself and just thank you for

2169

01:24:20,870 --> 01:24:18,080

being there and then she started doing

2170

01:24:22,629 --> 01:24:20,880

that and then one day she did that and

2171

01:24:25,830 --> 01:24:22,639

for an hour every time she'd close her

2172

01:24:27,990 --> 01:24:25,840

eyes she'd see the numbers 403 just in

2173

01:24:29,669 --> 01:24:28,000

her face whenever she closed her eyes

2174

01:24:31,910 --> 01:24:29,679

and i've heard other stories about

2175

01:24:34,629 --> 01:24:31,920

downloads i'm wondering if it's

2176

01:24:36,629 --> 01:24:34,639

information said that maybe unpacks over

2177

01:24:38,629 --> 01:24:36,639

time do you think you and then your

2178

01:24:40,870 --> 01:24:38,639

colleagues maybe got downloads that led

2179

01:24:42,310 --> 01:24:40,880

you in the direction to write this book

2180

01:24:44,149 --> 01:24:42,320

just if you know anything about that

2181

01:24:45,430 --> 01:24:44,159

that'd be great thanks great thank you

2182

01:24:49,430 --> 01:24:45,440

paulie

2183

01:24:51,350 --> 01:24:49,440

if you send me an email as i said before

2184

01:24:53,750 --> 01:24:51,360

i will send you various chapters from

2185

01:24:55,750 --> 01:24:53,760

our first book beyond ufos

2186

01:24:57,990 --> 01:24:55,760

one of our chapters

2187

01:24:58,990 --> 01:24:58,000

was specifically on what you just

2188

01:25:03,510 --> 01:24:59,000

mentioned

2189

01:25:07,030 --> 01:25:05,830

scientific information science

2190

01:25:09,750 --> 01:25:07,040

information

2191

01:25:11,830 --> 01:25:09,760

that they had no idea how they acquired

2192

01:25:14,149 --> 01:25:11,840

that information

2193

01:25:15,830 --> 01:25:14,159

much of it involved individuals getting

2194

01:25:19,110 --> 01:25:15,840

these downloads

2195

01:25:22,629 --> 01:25:19,120

of um of physics and mathematics

2196

01:25:26,709 --> 01:25:22,639

and let me give you two examples okay

2197

01:25:29,750 --> 01:25:26,719

one was a physicist's friend of mine um

2198

01:25:33,030 --> 01:25:29,760

i'll just say his first name ralph okay

2199

01:25:33,990 --> 01:25:33,040

uh ralph uh is in his 70s

2200

01:25:38,790 --> 01:25:34,000

and

2201

01:25:42,229 --> 01:25:38,800

prodigy okay

2202

01:25:45,350 --> 01:25:42,239

we had a a group of five phd physicists

2203

01:25:47,910 --> 01:25:45,360

in our organization at one time and

2204

01:25:49,669 --> 01:25:47,920

everyone acknowledged that he was

2205

01:25:53,270 --> 01:25:49,679

the star okay

2206

01:25:56,550 --> 01:25:53,280

uh this man was beyond brilliant okay

2207

01:25:57,990 --> 01:25:56,560

he told me that one time when he was 19

2208

01:25:59,030 --> 01:25:58,000

years old he was camping with his

2209

01:26:01,030 --> 01:25:59,040

girlfriend

2210

01:26:02,629 --> 01:26:01,040

uh he was in a tent

2211

01:26:04,870 --> 01:26:02,639

and his girlfriend was not in the tent

2212

01:26:08,070 --> 01:26:04,880

she was outside doing something else

2213

01:26:10,310 --> 01:26:08,080

and then all of a sudden this uh

2214

01:26:12,709 --> 01:26:10,320

holographic tablet

2215

01:26:14,390 --> 01:26:12,719

appear to him remember i told oh i

2216

01:26:16,709 --> 01:26:14,400

mentioned earlier in our conversation

2217

01:26:19,110 --> 01:26:16,719

that these are holographic projections

2218

01:26:21,669 --> 01:26:19,120

that we are interacting with okay

2219

01:26:24,709 --> 01:26:21,679

now mind you ralph have seen has seen

2220

01:26:26,470 --> 01:26:24,719

ufos previous to this experience so he's

2221

01:26:27,910 --> 01:26:26,480

physically seen in your vote and i

2222

01:26:29,110 --> 01:26:27,920

remember the first time he saw it he

2223

01:26:31,669 --> 01:26:29,120

said okay

2224

01:26:33,110 --> 01:26:31,679

um i wish you could come back here next

2225

01:26:36,390 --> 01:26:33,120

week so i could take a picture of you

2226

01:26:37,510 --> 01:26:36,400

you know all of a sudden in his mind he

2227

01:26:40,070 --> 01:26:37,520

was told

2228

01:26:42,550 --> 01:26:40,080

uh come back next week

2229

01:26:44,629 --> 01:26:42,560

okay seven days later at this exact same

2230

01:26:45,669 --> 01:26:44,639

time bring a camera with you and we'll

2231

01:26:47,590 --> 01:26:45,679

allow

2232

01:26:50,149 --> 01:26:47,600

uh you to photo us

2233

01:26:53,110 --> 01:26:50,159

okay take a photo well a week later he

2234

01:26:54,870 --> 01:26:53,120

was there same exact time okay

2235

01:26:56,709 --> 01:26:54,880

was able to take a picture of it and

2236

01:26:58,550 --> 01:26:56,719

then while he was there he says okay if

2237

01:27:00,470 --> 01:26:58,560

you're real if this is not an illusion i

2238

01:27:02,390 --> 01:27:00,480

want you to go to the right and it went

2239

01:27:04,390 --> 01:27:02,400

to the right okay now i want you to go

2240

01:27:06,950 --> 01:27:04,400

back to your original spot you know to

2241

01:27:09,110 --> 01:27:06,960

the left boom it went back to the left

2242

01:27:12,390 --> 01:27:09,120

and so uh he already has seen ufos this

2243

01:27:16,550 --> 01:27:12,400

man so anyway what appeared in his tent

2244

01:27:19,270 --> 01:27:16,560

was uh like a huge apple tablet okay but

2245

01:27:21,750 --> 01:27:19,280

it was holographic it was a see-through

2246

01:27:24,550 --> 01:27:21,760

and what it was scrolling down was all

2247

01:27:26,550 --> 01:27:24,560

this advanced physics

2248

01:27:27,750 --> 01:27:26,560

so i asked him i said ralph i said what

2249

01:27:29,750 --> 01:27:27,760

the hell

2250

01:27:31,270 --> 01:27:29,760

were you able to understand it he said

2251

01:27:33,910 --> 01:27:31,280

ray i was able to understand the

2252

01:27:35,910 --> 01:27:33,920

majority of it but not all of it okay

2253

01:27:38,790 --> 01:27:35,920

and i said well what was it conveying to

2254

01:27:41,189 --> 01:27:38,800

you he says uh he says the best way to

2255

01:27:44,709 --> 01:27:41,199

me to be able to explain it is um

2256

01:27:47,910 --> 01:27:44,719

einstein utilized these equations by

2257

01:27:49,270 --> 01:27:47,920

this very famous physicist uh uh i think

2258

01:27:51,910 --> 01:27:49,280

his first name is stephen stephen

2259

01:27:55,030 --> 01:27:51,920

maxfield they're now known as maxwell's

2260

01:27:57,910 --> 01:27:55,040

field equations okay so they lay out the

2261

01:28:00,070 --> 01:27:57,920

very foundations of modern physics

2262

01:28:02,310 --> 01:28:00,080

so he said if you could imagine ray

2263

01:28:04,629 --> 01:28:02,320

einstein getting maxwell's field

2264

01:28:08,070 --> 01:28:04,639

equations and turning to the right

2265

01:28:10,870 --> 01:28:08,080

this was uh einstein turning to the left

2266

01:28:12,470 --> 01:28:10,880

it was a total radical application of

2267

01:28:14,870 --> 01:28:12,480

his equations

2268

01:28:17,510 --> 01:28:14,880

and so um and ralph told me that it

2269

01:28:19,270 --> 01:28:17,520

lasted maybe you know 10 minutes or so

2270

01:28:22,390 --> 01:28:19,280

and then poof it just disappeared right

2271

01:28:24,870 --> 01:28:22,400

in front of him now let me fast forward

2272

01:28:27,189 --> 01:28:24,880

to one of my best friends he's one of

2273

01:28:29,510 --> 01:28:27,199

the major contact experiencers of the

2274

01:28:32,390 --> 01:28:29,520

world but nobody knows about it because

2275

01:28:34,390 --> 01:28:32,400

he's not public okay this man is retired

2276

01:28:38,229 --> 01:28:34,400

dea agent

2277

01:28:40,950 --> 01:28:38,239

he uh was the main person to bring down

2278

01:28:44,229 --> 01:28:40,960

manuel noriega from panama because he

2279

01:28:46,790 --> 01:28:44,239

was shipping in tons of cocaine and also

2280

01:28:49,990 --> 01:28:46,800

baby doc duvalier from haiti

2281

01:28:53,189 --> 01:28:50,000

and his uh brother-in-law who is also

2282

01:28:55,510 --> 01:28:53,199

bringing in a tons of tons of coke okay

2283

01:28:57,750 --> 01:28:55,520

so this man is the real deal i've seen

2284

01:29:00,229 --> 01:28:57,760

all his certificates he also wrote a

2285

01:29:01,830 --> 01:29:00,239

book uh recently titled chasing

2286

01:29:02,629 --> 01:29:01,840

dictators okay

2287

01:29:04,709 --> 01:29:02,639

um

2288

01:29:07,350 --> 01:29:04,719

his wife has also experienced many of

2289

01:29:08,790 --> 01:29:07,360

these experiences with him okay alberto

2290

01:29:11,030 --> 01:29:08,800

told me that one time he was in the

2291

01:29:13,030 --> 01:29:11,040

living room uh like many of us have

2292

01:29:15,110 --> 01:29:13,040

experienced his start he's watching tv

2293

01:29:16,709 --> 01:29:15,120

okay all of a sudden right in front of

2294

01:29:19,030 --> 01:29:16,719

him appears

2295

01:29:21,830 --> 01:29:19,040

again holographically

2296

01:29:23,830 --> 01:29:21,840

this uh holographic tablet

2297

01:29:26,390 --> 01:29:23,840

the lettering he said was red red

2298

01:29:28,629 --> 01:29:26,400

lettering and he said that

2299

01:29:29,510 --> 01:29:28,639

it was like maybe three feet in height

2300

01:29:31,510 --> 01:29:29,520

tall

2301

01:29:33,910 --> 01:29:31,520

and it was scrolling down all this

2302

01:29:35,750 --> 01:29:33,920

advanced mathematics and and physics

2303

01:29:37,270 --> 01:29:35,760

okay

2304

01:29:38,870 --> 01:29:37,280

and then all of a sudden he called his

2305

01:29:41,990 --> 01:29:38,880

wife yelling at his wife to see if she

2306

01:29:43,910 --> 01:29:42,000

could see it so his wife is a phd

2307

01:29:46,950 --> 01:29:43,920

psychologist okay

2308

01:29:49,590 --> 01:29:46,960

for over 35 years and also a major

2309

01:29:52,470 --> 01:29:49,600

experiencer as well like him but he's

2310

01:29:55,030 --> 01:29:52,480

the big the big enchilada here his

2311

01:29:57,990 --> 01:29:55,040

experiences have been unbelievable and

2312

01:29:59,669 --> 01:29:58,000

so she was there and she didn't see it

2313

01:30:03,030 --> 01:29:59,679

he was the only one that was seeing it

2314

01:30:04,950 --> 01:30:03,040

so then he was uh uh she was telling him

2315

01:30:07,270 --> 01:30:04,960

talk to it talk to it ask it questions

2316

01:30:09,030 --> 01:30:07,280

ask good questions and and he was asking

2317

01:30:11,590 --> 01:30:09,040

questions you know telepathically even

2318

01:30:13,510 --> 01:30:11,600

verbally it wouldn't respond and so

2319

01:30:15,189 --> 01:30:13,520

these things would continue to scroll

2320

01:30:17,590 --> 01:30:15,199

down and appear in front of him

2321

01:30:19,510 --> 01:30:17,600

and so i said well what happened alberto

2322

01:30:21,350 --> 01:30:19,520

and he said well after half an hour i

2323

01:30:24,149 --> 01:30:21,360

just walked away i said what are you

2324

01:30:26,709 --> 01:30:24,159

kidding me you just left it he says ray

2325

01:30:29,590 --> 01:30:26,719

i don't know anything about physics or

2326

01:30:30,629 --> 01:30:29,600

mathematics you know and this is boring

2327

01:30:32,229 --> 01:30:30,639

you know i'm not going to stay around

2328

01:30:35,669 --> 01:30:32,239

here i got things to do it's saturday

2329

01:30:39,430 --> 01:30:35,679

afternoon you know i got things to do

2330

01:30:42,470 --> 01:30:39,440

and he left so here we have um

2331

01:30:44,470 --> 01:30:42,480

a separation of more than 20 years by

2332

01:30:49,110 --> 01:30:44,480

these two different individuals telling

2333

01:30:51,590 --> 01:30:49,120

us the very same exact experience okay

2334

01:30:53,830 --> 01:30:51,600

and so in our book we describe people

2335

01:30:57,510 --> 01:30:53,840

that were getting you know mathematics

2336

01:31:00,950 --> 01:30:57,520

downloads science downloads uh

2337

01:31:03,350 --> 01:31:00,960

new contraptions you know new uh um

2338

01:31:06,310 --> 01:31:03,360

free energy you know downloads and how

2339

01:31:09,189 --> 01:31:06,320

to build this how to build that and um

2340

01:31:11,830 --> 01:31:09,199

and and um and it was written

2341

01:31:14,229 --> 01:31:11,840

by dr john clemo one of our professors

2342

01:31:16,629 --> 01:31:14,239

with this woman susan meno manowicz who

2343

01:31:18,709 --> 01:31:16,639

has a master's in science

2344

01:31:21,350 --> 01:31:18,719

and what they did is they they took many

2345

01:31:23,510 --> 01:31:21,360

of the case studies in our book and they

2346

01:31:27,270 --> 01:31:23,520

wrote it out as a chapter

2347

01:31:30,310 --> 01:31:27,280

uh so if you send me an email to info

2348

01:31:36,149 --> 01:31:30,320

at a greaterreality.com

2349

01:31:38,229 --> 01:31:36,159

and mention that specific chapter

2350

01:31:40,070 --> 01:31:38,239

i will send it to you for free together

2351

01:31:42,470 --> 01:31:40,080

with the other chapters

2352

01:31:44,470 --> 01:31:42,480

that i normally send out for free on our

2353

01:31:47,830 --> 01:31:44,480

book including the chapter on medical

2354

01:31:51,350 --> 01:31:47,840

healings and chapters uh one which is an

2355

01:31:53,750 --> 01:31:51,360

analysis of the quantitative statistical

2356

01:31:56,709 --> 01:31:53,760

data and chapter two which is an

2357

01:31:58,790 --> 01:31:56,719

analysis of the qualitative statistical

2358

01:32:02,070 --> 01:31:58,800

data as i said before there's more than

2359

01:32:05,189 --> 01:32:02,080

450 pages uh from our book and i'll send

2360

01:32:10,310 --> 01:32:05,199

it to you for free so it's info at a

2361

01:32:14,790 --> 01:32:12,709

any other questions right yeah uh

2362

01:32:17,590 --> 01:32:14,800

there's one more question and uh we'll

2363

01:32:19,189 --> 01:32:17,600

make that the last one um i just wanted

2364

01:32:20,629 --> 01:32:19,199

to see because i'm looking at the

2365

01:32:22,870 --> 01:32:20,639

description so

2366

01:32:24,550 --> 01:32:22,880

is it that as of april 1st that you're

2367

01:32:26,950 --> 01:32:24,560

going to have info at greater

2368

01:32:29,110 --> 01:32:26,960

reality.org

2369

01:32:32,070 --> 01:32:29,120

correct our website

2370

01:32:35,270 --> 01:32:32,080

is uh well that's my email info

2371

01:32:40,709 --> 01:32:38,229

okay okay and um uh

2372

01:32:44,229 --> 01:32:40,719

yeah that's our um

2373

01:32:47,790 --> 01:32:44,239

um um my email now in terms of our

2374

01:32:49,590 --> 01:32:47,800

website the website is going to be a

2375

01:32:54,870 --> 01:32:49,600

greaterreality.com

2376

01:32:56,470 --> 01:32:54,880

so that will be opened as of april first

2377

01:32:58,709 --> 01:32:56,480

good deal well just also letting you

2378

01:33:00,310 --> 01:32:58,719

know the email you sent me bothset.org

2379

01:33:02,070 --> 01:33:00,320

so if you're copying that email to

2380

01:33:03,750 --> 01:33:02,080

someone else please make that correction

2381

01:33:05,590 --> 01:33:03,760

so i will make this i will make the

2382

01:33:08,229 --> 01:33:05,600

changes and descriptions so everyone has

2383

01:33:10,070 --> 01:33:08,239

the accurate uh links for you then

2384

01:33:11,910 --> 01:33:10,080

fantastic thank you all right

2385

01:33:14,390 --> 01:33:11,920

no problem all right well so the the

2386

01:33:16,229 --> 01:33:14,400

final question is from edgar and he's

2387

01:33:17,910 --> 01:33:16,239

asking uh thank you all

2388

01:33:18,629 --> 01:33:17,920

thank you all you're doing

2389

01:33:24,870 --> 01:33:18,639

you

2390

01:33:27,830 --> 01:33:24,880

for what we're both doing

2391

01:33:30,709 --> 01:33:27,840

um your thoughts on uh any human being

2392

01:33:33,189 --> 01:33:30,719

who call who can call

2393

01:33:35,189 --> 01:33:33,199

who can allow a star being to speak

2394

01:33:36,950 --> 01:33:35,199

through them using this specific star

2395

01:33:38,870 --> 01:33:36,960

language

2396

01:33:40,229 --> 01:33:38,880

does that make sense

2397

01:33:42,390 --> 01:33:40,239

um

2398

01:33:45,350 --> 01:33:42,400

well i heard i wonder if he's talking

2399

01:33:47,669 --> 01:33:45,360

about channeling channeling yeah

2400

01:33:51,030 --> 01:33:47,679

channeling i guess is the more common

2401
01:33:53,830 --> 01:33:51,040
usage for that and i am kind of um

2402
01:33:55,430 --> 01:33:53,840
apprehensive on channeling okay

2403
01:33:58,790 --> 01:33:55,440
uh because

2404
01:34:01,830 --> 01:33:58,800
i've met a lot of people uh

2405
01:34:03,430 --> 01:34:01,840
who you know say that they do channeling

2406
01:34:06,550 --> 01:34:03,440
and um

2407
01:34:08,070 --> 01:34:06,560
and uh a lot of not accurate information

2408
01:34:10,149 --> 01:34:08,080
is being conveyed

2409
01:34:12,070 --> 01:34:10,159
because i would ask and think particular

2410
01:34:14,149 --> 01:34:12,080
about me and my family and other people

2411
01:34:16,790 --> 01:34:14,159
and they would just be totally wrong

2412
01:34:19,430 --> 01:34:16,800
um just like people that can do readings

2413
01:34:21,750 --> 01:34:19,440

you know um i guess the most common

2414

01:34:24,470 --> 01:34:21,760

stereotypical is you go to this lady

2415

01:34:26,390 --> 01:34:24,480

with this uh this glass ball and they

2416

01:34:28,550 --> 01:34:26,400

give you readings about yourself and

2417

01:34:31,030 --> 01:34:28,560

your family and your future and you know

2418

01:34:33,590 --> 01:34:31,040

um so uh but yet

2419

01:34:36,950 --> 01:34:33,600

i've met uh some people

2420

01:34:39,510 --> 01:34:36,960

that are excellent channelers and people

2421

01:34:40,870 --> 01:34:39,520

that receive excellent information when

2422

01:34:43,109 --> 01:34:40,880

they read

2423

01:34:46,470 --> 01:34:43,119

one is this lady who i consider one of

2424

01:34:47,830 --> 01:34:46,480

the top three experiencers in the world

2425

01:34:51,430 --> 01:34:47,840

she's written a chapter about her

2426

01:34:53,189 --> 01:34:51,440

experiences her name is ruth and friend

2427

01:34:55,350 --> 01:34:53,199

ruth and friend

2428

01:34:57,270 --> 01:34:55,360

and so we were in

2429

01:34:58,149 --> 01:34:57,280

illinois where she lives

2430

01:35:00,470 --> 01:34:58,159

and

2431

01:35:03,350 --> 01:35:00,480

this is the second day this is an an

2432

01:35:05,990 --> 01:35:03,360

elderly lady in her 80s and so she was

2433

01:35:08,709 --> 01:35:06,000

very very tired it was 10 30 at night i

2434

01:35:10,950 --> 01:35:08,719

said oh my god ruth and i forgot um

2435

01:35:13,350 --> 01:35:10,960

um that you were supposed to give us a

2436

01:35:15,030 --> 01:35:13,360

reading you know a psychic reading she

2437

01:35:17,030 --> 01:35:15,040

goes oh ray i usually do this in the

2438

01:35:18,470 --> 01:35:17,040

morning when i'm you know refreshed i

2439

01:35:19,990 --> 01:35:18,480

have more energy

2440

01:35:22,470 --> 01:35:20,000

and um

2441

01:35:23,270 --> 01:35:22,480

and so um um

2442

01:35:25,030 --> 01:35:23,280

uh

2443

01:35:27,030 --> 01:35:25,040

i said well just five minutes ruth i

2444

01:35:30,310 --> 01:35:27,040

just want to be able to get it on tape

2445

01:35:32,070 --> 01:35:30,320

you know for our documentary and so um

2446

01:35:33,830 --> 01:35:32,080

and she said okay who's the person that

2447

01:35:36,310 --> 01:35:33,840

you want me to read so i didn't give it

2448

01:35:39,669 --> 01:35:36,320

one person i gave it three people okay

2449

01:35:42,709 --> 01:35:39,679

uh my wife my daughter and my father and

2450

01:35:45,030 --> 01:35:42,719

she told me intimate details

2451
01:35:46,790 --> 01:35:45,040
of these individuals that no one would

2452
01:35:49,030 --> 01:35:46,800
ever know about for example she knew

2453
01:35:51,189 --> 01:35:49,040
that my wife had a brain aneurysm

2454
01:35:53,590 --> 01:35:51,199
and that that surgery that they did on

2455
01:35:55,430 --> 01:35:53,600
her she said don't even think about it

2456
01:35:57,270 --> 01:35:55,440
you know she's completely healed you

2457
01:35:59,430 --> 01:35:57,280
know and i was like how did this woman

2458
01:36:01,590 --> 01:35:59,440
knew that right and so then in terms of

2459
01:36:03,590 --> 01:36:01,600
my daughter she said that my daughter

2460
01:36:05,270 --> 01:36:03,600
was going to be studying science you

2461
01:36:07,270 --> 01:36:05,280
know all of her life like science

2462
01:36:08,950 --> 01:36:07,280
science science and she stops and she

2463
01:36:11,590 --> 01:36:08,960

goes like this because she listens to

2464

01:36:12,390 --> 01:36:11,600

her uh her deceased son

2465

01:36:14,149 --> 01:36:12,400

okay

2466

01:36:16,070 --> 01:36:14,159

and so then what's that more science

2467

01:36:17,990 --> 01:36:16,080

more my god right your daughter's gonna

2468

01:36:20,229 --> 01:36:18,000

be studying science all her life

2469

01:36:22,070 --> 01:36:20,239

and then she she stops and she starts

2470

01:36:23,270 --> 01:36:22,080

laughing she says your daughter's gonna

2471

01:36:24,870 --> 01:36:23,280

be a healer

2472

01:36:26,550 --> 01:36:24,880

she's going to be a medical doctor

2473

01:36:27,830 --> 01:36:26,560

that's exactly what's what my daughter

2474

01:36:30,870 --> 01:36:27,840

wants to do she wants to be a medical

2475

01:36:34,310 --> 01:36:30,880

doctor and she got a full academic

2476

01:36:37,109 --> 01:36:34,320

scholarship to study science at a major

2477

01:36:39,990 --> 01:36:37,119

extremely well known university okay

2478

01:36:42,070 --> 01:36:40,000

and um and then in terms of my father my

2479

01:36:44,790 --> 01:36:42,080

father worked in a factory for over 35

2480

01:36:48,310 --> 01:36:44,800

years okay and then um

2481

01:36:49,590 --> 01:36:48,320

uh his hobby his loan hobby was raising

2482

01:36:52,870 --> 01:36:49,600

canaries

2483

01:36:55,350 --> 01:36:52,880

uh our uh our house was filled with

2484

01:36:56,790 --> 01:36:55,360

close to 100 canaries always my mother

2485

01:36:58,950 --> 01:36:56,800

was fighting with him because my mother

2486

01:37:01,189 --> 01:36:58,960

was a very very clean woman you know

2487

01:37:02,870 --> 01:37:01,199

wanted everything meticulously clean and

2488

01:37:04,870 --> 01:37:02,880

they were like bird feathers all over

2489

01:37:06,790 --> 01:37:04,880

the place and but but that was my

2490

01:37:10,629 --> 01:37:06,800

father's hobby you know he worked 12

2491

01:37:13,109 --> 01:37:10,639

hours a day six uh uh six days a week in

2492

01:37:15,270 --> 01:37:13,119

a factory in an embroidery factory so

2493

01:37:17,910 --> 01:37:15,280

when he would come home he'd be totally

2494

01:37:19,270 --> 01:37:17,920

exhausted and and um

2495

01:37:21,510 --> 01:37:19,280

uh so

2496

01:37:23,590 --> 01:37:21,520

raising canaries was his hobby and the

2497

01:37:24,790 --> 01:37:23,600

whole living room had all these trophies

2498

01:37:27,590 --> 01:37:24,800

from all the

2499

01:37:28,470 --> 01:37:27,600

awards and competitions on his canaries

2500

01:37:30,149 --> 01:37:28,480

so

2501

01:37:32,149 --> 01:37:30,159

this woman is uh

2502

01:37:34,390 --> 01:37:32,159

doing a reading on my father she goes oh

2503

01:37:37,030 --> 01:37:34,400

she's very uh he's very uh uh proud of

2504

01:37:38,950 --> 01:37:37,040

you so okay that's normal stuff oh you

2505

01:37:40,229 --> 01:37:38,960

worry too much about him okay okay

2506

01:37:42,790 --> 01:37:40,239

that's normal stuff you would tell

2507

01:37:46,390 --> 01:37:42,800

anybody she goes ray and she's listening

2508

01:37:48,870 --> 01:37:46,400

to her son right and she says uh my son

2509

01:37:51,430 --> 01:37:48,880

conveyed to me a video of a man opening

2510

01:37:53,750 --> 01:37:51,440

up a small bird cage and a little bird

2511

01:37:55,430 --> 01:37:53,760

is flying around the living room she

2512

01:37:57,510 --> 01:37:55,440

said what did they give that to me why

2513

01:38:00,149 --> 01:37:57,520

did he give me that information

2514

01:38:02,950 --> 01:38:00,159

and i said oh my god ruth anne you know

2515

01:38:05,990 --> 01:38:02,960

that was my father's passion you know

2516

01:38:07,669 --> 01:38:06,000

um he used to raise canaries you know

2517

01:38:10,629 --> 01:38:07,679

that was the only thing he really cared

2518

01:38:14,550 --> 01:38:10,639

about you know and uh besides his family

2519

01:38:16,470 --> 01:38:14,560

and and and so that to me was like proof

2520

01:38:19,510 --> 01:38:16,480

you know with these three readings of my

2521

01:38:22,149 --> 01:38:19,520

wife with her and uh um aneurysm with my

2522

01:38:24,790 --> 01:38:22,159

daughter with the medical school and and

2523

01:38:26,390 --> 01:38:24,800

science and my father with uh opening up

2524

01:38:28,950 --> 01:38:26,400

a little bird cage a little bird comes

2525

01:38:30,629 --> 01:38:28,960

out uh proof that this lady was very

2526

01:38:32,229 --> 01:38:30,639

very real

2527

01:38:34,470 --> 01:38:32,239

and so

2528

01:38:36,310 --> 01:38:34,480

what is commonly called psychic reading

2529

01:38:38,870 --> 01:38:36,320

you know i don't dismiss it anymore

2530

01:38:41,350 --> 01:38:38,880

because this woman was able to you know

2531

01:38:43,669 --> 01:38:41,360

prove it right to me directly

2532

01:38:45,109 --> 01:38:43,679

and so channeling is like a form of

2533

01:38:46,870 --> 01:38:45,119

psychic reading

2534

01:38:49,430 --> 01:38:46,880

except you're getting information from

2535

01:38:50,629 --> 01:38:49,440

another location

2536

01:38:52,790 --> 01:38:50,639

whether you might want to call it the

2537

01:38:54,709 --> 01:38:52,800

spirit world or what have you okay it's

2538

01:38:56,310 --> 01:38:54,719

the same process

2539

01:38:59,109 --> 01:38:56,320

that edgar mitchell discusses about in

2540

01:39:01,189 --> 01:38:59,119

terms of non-local consciousness

2541

01:39:02,950 --> 01:39:01,199

so i know the phenomenon is very real

2542

01:39:05,510 --> 01:39:02,960

but there's a lot of charlatans out

2543

01:39:08,229 --> 01:39:05,520

there there's a lot of wannabes

2544

01:39:09,669 --> 01:39:08,239

which tend to discredit

2545

01:39:11,030 --> 01:39:09,679

the the field

2546

01:39:14,709 --> 01:39:11,040

and

2547

01:39:15,750 --> 01:39:14,719

but it's very real

2548

01:39:17,109 --> 01:39:15,760

great well

2549

01:39:19,350 --> 01:39:17,119

ray thank you very much for that i

2550

01:39:21,030 --> 01:39:19,360

appreciate it uh and also thanks to

2551

01:39:22,870 --> 01:39:21,040

everyone else that participated in

2552

01:39:25,669 --> 01:39:22,880

asking questions i hope you got your

2553

01:39:27,270 --> 01:39:25,679

answers uh ray in conclusion i just want

2554

01:39:29,270 --> 01:39:27,280

to leave you with the last word before

2555

01:39:31,430 --> 01:39:29,280

we finish up

2556

01:39:33,350 --> 01:39:31,440

well i will give uh

2557

01:39:36,310 --> 01:39:33,360

anyone that sends me an email

2558

01:39:39,030 --> 01:39:36,320

um roughly half of our book our first

2559

01:39:41,109 --> 01:39:39,040

book beyond ufos and i will also send

2560

01:39:44,310 --> 01:39:41,119

you seven chapters

2561

01:39:47,189 --> 01:39:44,320

from our new book a greater reality okay

2562

01:39:49,430 --> 01:39:47,199

uh or eight chapters uh roughly four of

2563

01:39:52,390 --> 01:39:49,440

them are theoretical and four of them

2564

01:39:55,270 --> 01:39:52,400

are from experiencers so that will give

2565

01:39:57,669 --> 01:39:55,280

you a good sense of what the book is all

2566

01:39:58,470 --> 01:39:57,679

about and

2567

01:40:01,189 --> 01:39:58,480

and

2568

01:40:02,470 --> 01:40:01,199

you can see just uh how important our

2569

01:40:05,189 --> 01:40:02,480

book is because we're going to be

2570

01:40:08,229 --> 01:40:05,199

introducing a new paradigm of how

2571

01:40:11,910 --> 01:40:08,239

individuals can view the relationship

2572

01:40:15,350 --> 01:40:11,920

between consciousness and what i coined

2573

01:40:16,790 --> 01:40:15,360

the contact modalities

2574

01:40:19,910 --> 01:40:16,800

so once again

2575

01:40:21,109 --> 01:40:19,920

the email is info

2576

01:40:29,030 --> 01:40:21,119

at

2577

01:40:32,390 --> 01:40:30,550

all right yeah we'll definitely make

2578

01:40:34,390 --> 01:40:32,400

those corrections in the description of

2579

01:40:36,950 --> 01:40:34,400

course all of that is in description

2580

01:40:39,430 --> 01:40:36,960

below both the websites as soon as we're

2581

01:40:40,629 --> 01:40:39,440

done i will make that correction and

2582

01:40:42,709 --> 01:40:40,639

all of you out there will have that

2583

01:40:45,270 --> 01:40:42,719

information but i'm certainly hoping

2584

01:40:48,470 --> 01:40:45,280

that you will join us and uh get to meet

2585

01:40:50,709 --> 01:40:48,480

ray and you see me there myself as well

2586

01:40:53,109 --> 01:40:50,719

at the at the conference and it's

2587

01:40:54,629 --> 01:40:53,119

usually a very fun event i think um the

2588

01:40:56,229 --> 01:40:54,639

very first time i met you ray was in

2589

01:40:58,470 --> 01:40:56,239

2019

2590

01:41:00,149 --> 01:40:58,480

um at that conference and i'm glad

2591

01:41:02,470 --> 01:41:00,159

you're back again

2592

01:41:03,350 --> 01:41:02,480

well that i've been invited to speak at

2593

01:41:04,550 --> 01:41:03,360

about

2594

01:41:07,430 --> 01:41:04,560

six different

2595

01:41:09,910 --> 01:41:07,440

conferences all of them ufo related and

2596

01:41:11,830 --> 01:41:09,920

that conference by far was the best

2597

01:41:14,950 --> 01:41:11,840

organized conference

2598

01:41:17,189 --> 01:41:14,960

and i met so many major major

2599

01:41:21,270 --> 01:41:17,199

experiencers at that conference

2600

01:41:24,149 --> 01:41:21,280

and i really uh and i'm also uh i didn't

2601

01:41:26,629 --> 01:41:24,159

mention this before but i deeply admire

2602

01:41:28,950 --> 01:41:26,639

the work of dolores cannon because she

2603

01:41:30,709 --> 01:41:28,960

clearly understood what was

2604

01:41:33,350 --> 01:41:30,719

consciousness and the nature of our

2605

01:41:36,310 --> 01:41:33,360

reality and via but she approached it

2606

01:41:38,149 --> 01:41:36,320

from a from a metaphysical perspective

2607

01:41:40,550 --> 01:41:38,159

through the experiencers

2608

01:41:43,510 --> 01:41:40,560

but uh uh so she really

2609

01:41:46,629 --> 01:41:43,520

had uh uh the visions the keys to be

2610

01:41:48,950 --> 01:41:46,639

able to understand our reality and so i

2611

01:41:51,750 --> 01:41:48,960

look forward uh to appearing at the

2612

01:41:54,070 --> 01:41:51,760

conference meeting her daughter uh as

2613

01:41:54,870 --> 01:41:54,080

well and to meeting you as well and then

2614

01:41:56,709 --> 01:41:54,880

so

2615

01:41:59,109 --> 01:41:56,719

thank you very much

2616

01:42:01,910 --> 01:41:59,119

well good great uh ray thank you again

2617

01:42:03,430 --> 01:42:01,920

uh so in the description as well there's

2618

01:42:06,229 --> 01:42:03,440

going to be the link where you'll be

2619

01:42:08,390 --> 01:42:06,239

able to purchase your tickets uh for the

2620

01:42:09,750 --> 01:42:08,400

upcoming conference if for some reason

2621

01:42:12,550 --> 01:42:09,760

you cannot make it of course there's

2622

01:42:15,310 --> 01:42:12,560

streaming available and again all the

2623

01:42:18,229 --> 01:42:15,320

corrections for the info at a greater

2624

01:42:20,229 --> 01:42:18,239

reality.com will be made below and also

2625

01:42:21,910 --> 01:42:20,239

i've included an amazon link that right

2626

01:42:24,629 --> 01:42:21,920

now only has the

2627

01:42:26,870 --> 01:42:24,639

um beyond ufos uh book as well if you're

2628

01:42:28,950 --> 01:42:26,880

interested in purchasing it you know or

2629

01:42:31,350 --> 01:42:28,960

you take up race offer and have him send

2630

01:42:34,229 --> 01:42:31,360

you a few chapters uh if you email them

2631

01:42:36,390 --> 01:42:34,239

so again ray thank you very much uh

2632

01:42:40,070 --> 01:42:36,400

everyone else watching thank you as well

2633

01:42:42,149 --> 01:42:40,080

and um yeah we'll do this again sometime
