

1
00:00:06,889 --> 00:00:03,409
I don't believe the key to the answers

2
00:00:09,950 --> 00:00:06,899
with the UFO phenomena is spirituality

3
00:00:11,990 --> 00:00:09,960
that's limiting it too much it is

4
00:00:14,629 --> 00:00:12,000
definitely not religion

5
00:00:18,170 --> 00:00:14,639
because it defies religion it goes Way

6
00:00:20,330 --> 00:00:18,180
Beyond religion but spirituality is

7
00:00:22,609 --> 00:00:20,340
limiting it also

8
00:00:23,810 --> 00:00:22,619
it has to do with the person their

9
00:00:27,170 --> 00:00:23,820
beliefs

10
00:00:29,830 --> 00:00:27,180
and the psyche phenomena is beginning to

11
00:00:32,450 --> 00:00:29,840
come back everyone has psychic abilities

12
00:00:35,209 --> 00:00:32,460
and these are beginning to increase

13
00:00:37,430 --> 00:00:35,219

they're beginning to return I think it

14

00:00:39,590 --> 00:00:37,440

has more to do with that part and it

15

00:00:42,650 --> 00:00:39,600

does spirituality

16

00:00:44,569 --> 00:00:42,660

but my work in hypnosis and all my I've

17

00:00:47,690 --> 00:00:44,579

written 17 books

18

00:00:49,610 --> 00:00:47,700

we still don't call it spirituality even

19

00:00:52,310 --> 00:00:49,620

though we have found the source of God

20

00:00:54,229 --> 00:00:52,320

we know where God comes from we know I

21

00:00:55,790 --> 00:00:54,239

know where the ETS come from I know

22

00:00:58,250 --> 00:00:55,800

there are assignments they've had on
