

1  
00:00:04,550 --> 00:00:02,090  
I know it was the answer I'd been

2  
00:00:06,710 --> 00:00:04,560  
looking for since 1975. I had the answer

3  
00:00:08,870 --> 00:00:06,720  
it was like I put on the glasses I could

4  
00:00:11,810 --> 00:00:08,880  
Now read the street signs and it was the

5  
00:00:14,030 --> 00:00:11,820  
whole idea that Consciousness non-local

6  
00:00:16,730 --> 00:00:14,040  
Consciousness is the basis of the UFO

7  
00:00:19,609 --> 00:00:16,740  
phenomena that until you get away from

8  
00:00:21,950 --> 00:00:19,619  
the physical idea of UFOs and get to the

9  
00:00:24,349 --> 00:00:21,960  
fact that these whoever these beings are

10  
00:00:26,810 --> 00:00:24,359  
that they can move from the dream world

11  
00:00:29,810 --> 00:00:26,820  
into the real world that there's this

12  
00:00:32,330 --> 00:00:29,820  
non-local non-physical aspect of the

13  
00:00:33,889 --> 00:00:32,340

thing or even more directly that

14

00:00:35,930 --> 00:00:33,899

Consciousness is the basis of the

15

00:00:37,729 --> 00:00:35,940

universe not matter Consciousness is the

16

00:00:39,530 --> 00:00:37,739

basis and you do not have a particle

17

00:00:40,970 --> 00:00:39,540

take a position in time and space until

18

00:00:42,650 --> 00:00:40,980

you have an observer until there's

19

00:00:44,209 --> 00:00:42,660

Consciousness everything's Consciousness
